JOURNAL OF THE HOUSE

STATE OF WASHINGTON

MESSAGE FROM THE SECRETARY OF STATE

March 11, 1971.

TO THE HONORABLE, THE SPEAKER OF THE HOUSE OF REPRESENTATIVES,  
THE LEGISLATURE OF THE STATE OF WASHINGTON,  
OLYMPIA, WASHINGTON.

MR. SPEAKER:

I, A. Ludlow Kramer, Secretary of State of the state of Washington and custodian of the Seal of the said State, do hereby certify that: I have carefully compared the annexed copy of a proclamation by the Governor calling an extraordinary session of the Legislature to convene on the 12th day of March, 1971, with the original copy of said proclamation now on file in this office, and find the same to be a full, true and correct copy of said original, and the whole thereof, together with all official endorsements thereon.

IN TESTIMONY WHEREOF, I have set my hand and affixed hereto the seal of the state of Washington. Done at the Capitol at Olympia on this the date of March 11, 1971.

A. LUDLOW KRAMER  
Secretary of State.

(SEAL OF THE STATE OF WASHINGTON)

PROCLAMATION BY THE GOVERNOR

Office of the Governor, March 11, 1971.

The 1971 Session of the Washington State Legislature now has before it substantial legislation, touching a wide variety of issues, and of critical importance to the citizens of our State. Certain bills have received much public discussion, and legislative deliberation at the committee stage or by one house has been completed. Other bills, no less significant and in

many ways far more sweeping in scope and impact, have not yet been given adequate legislative consideration. Because much of the work required of this Legislature is still to be completed, I am convening this first extraordinary session for the reasons listed below.

Those areas of major concern to which the Legislature should focus its attention include the following:

*First: Economic Recovery and Fiscal Affairs.* The present economic condition of the state, coupled with a need to avoid improvident tax increases, makes it incumbent that this Legislature consider various proposals for improving the state's economic condition in the short-run and providing a more workable and equitable fiscal framework for governmental operations in the future. Proposals for constitutional amendments which would permit a variable debt ceiling on state obligations and a procedure for lending the state's credit in certain instances must be deliberated. In addition, the JOBS NOW and WASHINGTON FUTURE programs should be adopted. The Legislature should consider bills which would permit the establishment of a regional development authority to foster a healthy economy in areas of our state which are experiencing a slow rate of growth or high unemployment. No set of bills in front of this Legislature are as important, in my view, as these proposals designed to stimulate economic recovery in our State. We cannot depend solely on support from Washington, D. C., or from any other source if we are to achieve economic progress. It must come from our own efforts, and the measures new before you, if adopted, will indicate legislative leadership in achieving prosperity for our State. Finally, and obviously, the Legislature must adopt a budget for the 1971-73 biennium.

*Second: Environment.* This is not a time for the Legislature to arrest the substantial progress made in previous sessions toward protecting the environmental attributes which are an integral part of this state's heritage. Legislation to adopt a plan for management of our seacoasts and shorelines and of interior land areas, bills to preserve our natural rivers and protect our coastal waters, to enact a state Environmental Protection Act, to regulate the placement of billboards and the operation of vehicles on our ocean beaches, and to strengthen 1970 legislation relating to oil spills in our waters must receive the prompt consideration of this Legislature.

*Third: Human Resources.* This Legislature must carefully consider proposals which have been introduced to provide comprehensive health planning for this state, modify and modernize the state industrial insurance system, provide a state housing corporation and extend substantial rights and responsibilities to our Indian citizens.

*Fourth: Citizen and Consumer Affairs.* Many bills have been introduced which will offer this State's citizens needed protection and substantive rights which are absent in our present laws. Among these are bills relating to the law of landlord and tenant, requiring the unit pricing of certain grocery items, adopting a statewide building code and a housing standards act, including sex as a prohibited discrimination under the laws of the State Board Against Discrimination, making substantial changes in the laws of community property and authorizing a study of various no-fault automobile insurance plans as an alternative to the present tort liability system.

*Fifth: Government Improvement.* The Legislature should adopt a plan for reporting of campaign contributions and expenditures by candidates for political office and campaign committees in this state. It should consider proposals to authorize annual sessions of the Legislature and annual general elections in this state. Additionally it should permit an evaluation of the present system of providing transportation across Puget Sound, with recommendations of the means best suited to attaining a high level of cross-sound service in the future.

*Sixth: Governmental Reorganization.* The Legislature has before it bills which would create a new Department of Transportation, a Department of Finance and Business Regulation, a Department of Natural Resources and a Department of Justice. It should also consider expanding and modernizing the Department of Revenue in order to better serve the revenue collection needs of the State. Finally, it should review a proposal giving the Governor authority to make executive reorganization, subject to legislative approval.

As a result of these conditions, an emergency exists constituting an extraordinary occasion within the meaning of Article III, Section 7, of the Constitution of the State of Washington:

NOW, THEREFORE, I, Daniel J. Evans, Governor of the State of Washington, by virtue of the authority vested in me by the Constitution, do hereby convene the Legislature of the State of Washington in Extraordinary Session in the Capitol at Olympia on the twelfth day of March, A.D. 1971, at the hour of nine o'clock a.m., and

I DO HEREBY SPECIFY, in accordance with the requirements of the Constitution that the purposes for which the Legislature is convened are:

To appropriate sufficient funds, and raise sufficient revenues, to carry on the necessary functions and services of state government; and

To consider the enactment of the several other measures specified above for the benefit of the people of the State of Washington.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the State of Washington to be affixed at Olympia, this 11th day of March, A.D., Nineteen Hundred and Seventy-one.

DANIEL J. EVANS  
Governor of Washington.

BY THE GOVERNOR:  
A. LUDLOW KRAMER  
Secretary of State.

#### MESSAGES FROM THE SENATE

May 12, 1971.

Mr. Speaker: The Senate has adopted SENATE CONCURRENT RESOLUTION NO. 19, and the same is herewith transmitted. SIDNEY R. SNYDER, Secretary.

March 12, 1971.

Mr. Speaker: The Senate has adopted HOUSE CONCURRENT RESOLUTION NO. 26, and the same is herewith transmitted. SIDNEY R. SNYDER, Secretary.

#### MOTION

On motion of Mr. Bledsoe, the House reverted to the sixth order of business.

#### INTRODUCTION AND FIRST READING

SENATE CONCURRENT RESOLUTION NO. 19, by Senators Bailey and Atwood: Providing for reintroduction of bills and adopting the joint rules.

## MOTIONS

On motion of Mr. Bledsoe, the rules were suspended, Senate Concurrent Resolution No. 19 was advanced to second reading and read the second time.

On motion of Mr. Bledsoe, the rules were suspended, the second reading considered the third, and Senate Concurrent Resolution No. 19 was placed on final passage and adopted.

## MOTION

On motion of Mr. Bledsoe, the House advanced to the tenth order of business.

## POINT OF ORDER

Mr. O'Brien: "It appears from the contents of Senate Concurrent Resolution No. 19 that the bills are to be returned to the committee of the highest rank in each House. And it appears further that Engrossed House Bill No. 726, on the last day of the regular session, was rereferred to the Committee on Elections and Apportionment. According to the contents of this concurrent resolution, this measure should have been referred to the Committee on Rules and Administration."

The Speaker (Mr. Copeland presiding): "Mr. O'Brien, I think your point is probably well taken, but by the same token, the bill was before the body, under complete control and supervision of the body. And the body decided yesterday it was going to rerefer it to the Committee on Elections and Apportionment. So I think by the action that the floor took yesterday, it is properly in the Committee on Elections and Apportionment."

Mr. O'Brien: "Well, Mr. Speaker, would you recognize a motion to rerefer Engrossed House Bill No. 726 from the Committee on Elections and Apportionment to the Committee on Rules and Administration?"

The Speaker (Mr. Copeland presiding): "Mr. O'Brien, your motion would be more appropriately put when we complete our work on the third reading calendar."

## POINT OF ORDER

Mr. Moon: "Point of order. Was this bill ever before the entire body? It was only referred back to committee, and was never before the entire body, was it?"

The Speaker (Mr. Copeland presiding): "The entire group of bills was returned with one Senate message. At that time the numbers of the bills were all read, and at that time the bill was referred to committee, Mr. Moon."

Mr. Moon: "Mr. Speaker, if a member had voted on the prevailing side, could he now request reconsideration?"

The Speaker (Mr. Copeland presiding): "Well at the proper order of business, Mr. Moon, it would be entirely in order for you to make a motion relative to any bill that is held in any committee. At the present time, we are in the middle of the third reading calendar, and your motion would be out of order."

Mr. Moon: "We didn't suspend the rules to consider the Senate Concurrent Resolution just a minute ago. We were on the third reading calendar when the message was read in."

The Speaker (Mr. Copeland presiding): "That is right. The rules provide that messages from the Senate may be read in at any time."

#### MOTION

Mr. Bledsoe moved that the House defer consideration of ENGROSSED HOUSE BILL NO. 372, and the bill be placed at the top of Monday's third reading calendar.

#### POINT OF ORDER

Mr. O'Brien: "It appears to me if someone makes a motion to defer action on a given measure, that at least he should explain to the House and give the House the courtesy of an explanation of why the motion is being made and the purpose back of it."

The Speaker (Mr. Copeland presiding): "The chair is in doubt on the motion to rerefer this bill to the calendar."

Mr. Bledsoe: "Mr. Speaker, ladies and gentlemen of the House: With your permission for this unprecedented interruption of a roll call for an explanation—it is not a move to kill, but rather a move to consider in both caucuses some of the implications in this bill which are not immediately apparent on the surface—most particularly the availability of these voter registration records for candidates of any persuasion, any complication—or the commercial application (most particularly the commercial application) of these records which quite possibly could be contravening the will of this body as already expressed by some other legislation dealing with exactly that. It is not a move to subvert, nor is it conspiratorial. It was done in concert with leadership on the other side of the aisle, in discussion with Mr. Sawyer and Mr. Perry of the setback, at least for this one moment, while both caucuses have an opportunity to look at it."

#### STATEMENT FOR THE JOURNAL

I wish to be recorded as voting "no" instead of "yea" on Engrossed Substitute House Bill No. 314. FRANK G. MARZANO, 27th District.

ENGROSSED HOUSE BILL NO. 351, by Representatives Julin, Charette, Hubbard and Backstrom:

Granting immunity to medical professionals bringing charges against fellow professionals.

Engrossed House Bill No. 351 was read the third time and placed on final passage.

Representatives Charette and Julin spoke in favor of passage of the bill, and Representative Litchman spoke against it.

#### POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Bottiger.

Mr. Bottiger: "Mr. Julin, as I read the last sentence which Mr. Litchman referred to, I think I have a problem that isn't included in this. If a medical review board held a hearing to consider suspending a doctor from practicing in that hospital, and a special incident report committee filed a report indicating that the doctor had taken out the wrong kidney, would that special incident review committee report—which would be in writing and filed in this hearing—be then removed from possible subpoena in a malpractice action by the patient against the doctor?"

Mr. Julin: "I believe that the written records themselves would not be available to the patient in the subsequent malpractice action; however, the testimony of the doctor himself who made that report a record, and all the medical professionals who sat on that review board, would be available for subpoena and their testimony would be subject to being used in the subsequent malpractice action. This particular language makes an exception that the

written records will be available in the instance where the doctor appeals from the hospital review board's decision to the court."

Mr. Bottiger: "Well, Representative Julin, I am doing this for a specific purpose, and I don't want the answer confused. Would the report of the special committee to the disciplinary committee, by reporting to the special committee—would that report (the report that was made by the special incident or the tissue committee) be then removed from possible subpoena? What I am saying is: Can you get the evidence out of the civil malpractice action by setting up a committee hearing and filing the reports with them? Do you then remove those reports from any subsequent malpractice case?"

Mr. Julin: "In my opinion, Representative Bottiger, the answer to that question is clearly 'no.' The records we are talking about in this instance are the records of that review committee, but the specific records you make reference to would still be available."

Mr. Charette spoke again in favor of the bill, and Representative Litchman spoke against it.

WHEREAS, Discrimination based on sex is unjust, unfair and against the law of the land; and

WHEREAS, Secretaries employed by the Washington State Legislature are forbidden to wear pantsuits; and

WHEREAS, This rule is discriminatory in that it applies to female secretaries only; and

WHEREAS, This rule is upheld for the reason that male legislators wish to ogle the legs of female secretaries, with or without their permission; and

BE IT FURTHER RESOLVED, That a suitably inscribed copy be forwarded to Greg Klump, an innocent victim of such discrimination, and to those legislators who, in a weak moment, made the rule, and to those legislators who, against the law of the land, wish to uphold it.

Mr. Gallagher moved adoption of the resolution.

## MOTION

On motion of Mr. Morrison, HOUSE BILL NO. 1029 was rereferred from the Committee on Natural Resources and Ecology to the Committee on Revenue and Taxation.

## MOTION FOR RECONSIDERATION

Mr. Randall, having given notice on the preceding day, moved that the House do now reconsider the vote by which HOUSE BILL NO. 357 passed the House.

Mr. Randall spoke in favor of the motion, and Mr. Gallagher spoke against it.

## POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Randall.

Mr. Randall: "Representative Kuehnle, in your opinion, reading the way this language is now stated, do you feel that as it now reads, we are including the whole area of private employment under the statute RCW 70.84.010?"

Mr. Kuehnle: "Yes, Representative Randall, I don't think there is any question about it. The original statute indicated that the visually handicapped and otherwise physically disabled people should be employed in state service and should be employed in other employment supported in whole or in part by public funds. The inclusion of the words 'including that' now would make it compulsory for private employers to employ physically disabled, visually handicapped, blind and other such employees, if it was shown that the particular disability did not prevent the performance of the work involved. I would therefore interpret it to mean that if an employee came to me seeking employment (let's say the employee had one hand and could only do the given work half as fast as one who had two hands) I would still be obliged to employ him."

## POINT OF INQUIRY

Mr. Gallagher yielded to question by Mr. Randall.

Mr. Randall: "Representative Gallagher, as prime sponsor of the bill, is it your intent that the language now used does not refer to the employment of handicapped people—that the conditions as set forth here do not require the employment of handicapped people in the private sector?"

Mr. Gallagher: "It wasn't intended to take care of the people under the private sector, no. That is what Bill Drafting stated also."

The motion by Mr. Randall, to reconsider the vote by which House Bill No. 357 passed the House, was carried on a rising vote.

Mr. Smythe spoke in favor of passage of the bill, and Mr. Litchman spoke against it.

#### POINT OF INQUIRY

Mr. O'Brien yielded to question by Mr. Litchman.

Mr. Litchman: "Mr. O'Brien, you are a former chairman of the Legislative Council and you have been Speaker for many years, I wonder if you would comment, in your opinion, as to the necessity of having a study commission on 'no fault' insurance as a separate entity rather than putting it into the hands of the Legislative Council or the present interim committee on insurance."

Mr. O'Brien: "Your question is pretty well put, Mr. Litchman. I know you gave it a great deal of study before you asked me to answer it. The Legislative Council is set up on a broad basis with some of your well qualified and experienced legislators representing both houses on it, and there is no reason at all why the Legislative Council couldn't get involved with this study of 'no fault' insurance. They have the staff. They can do the necessary research. And of course the legislators are well informed on what this whole matter encompasses."

Mr. Shera spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Smythe yielded to question by Mr. Moon.

Mr. Moon: "This bill provides that the members of this commission will be paid \$25.00 a day expenses. How will this be funded?"

Mr. Smythe: "There is no fund provision within the bill."

Mr. Moon: "I realize that. That is the reason I asked how it would be funded, because as I read the bill, I see there is no fund provision."

Mr. Smythe: "There is no set source for the funds at this point. The Governor could fund it himself out of the emergency funds for those funds that are required. You realize that this bill involves the Insurance Commissioner's office, the Attorney General's office, and other individual citizens as well as the legislative House and Senate, and you have a supplemental budget that can take care of any funds that are required."

Mr. Moon: "Was this an oversight, or was it intentional?"

Mr. Smythe: "No, it was left out. At this point it was not known. You could put it in with the supplemental budget."

Representatives Smith and Hubbard spoke against passage of House Bill No. 696, and Representative Bagnariol spoke in favor of the bill.

Mr. Smythe closed debate, speaking in favor of the bill.

#### PERSONAL PRIVILEGE

Mr. Marsh: "Mr. Speaker, I would like to ask permission to have my remarks and the Columbian editorial of February 26 on "Price of Low Interest" printed in the House Journal."

The Speaker: "Permission granted."

Mr. Marsh: "Thank you, Mr. Speaker, ladies and gentlemen: I rise to speak in favor of House Bill 718. I would like to make just a couple of quick points. First of all, Initiative 245 passed by a vote of the people of 53 percent, or three percent more than a majority. And that was when we were bringing the interest rate down from 18 percent to 12 percent. I submit if there were a vote of the people on 15 percent today, that the vote might go the other way.

"Secondly, I would like to point out that there is a price for low interest, and that is higher cash prices. Studies indicate in Washington State that out of every 100 people, 48 pay cash for general merchandise. Fifty-two use a credit card, but of these 52, 35 percent, or 19 people, pay their accounts in full within 59 days with no service or finance charge. Therefore, out of every 100 customers, 67 people are subsidizing and paying a major portion of part of 33 people's privilege to charge purchases on time. They are paying for it with increased prices of merchandise and other services. Many customers who pay cash borrow their money elsewhere and pay more than 12 percent.

"It is indisputable that there is a price both for the credit user and the cash purchaser in our present arbitrary interest ceiling of 12 percent.

"The third point that I would like to make is that Initiative 245 has created a particular problem on the borders of our state in areas like Vancouver. I have on my desk letters from many of the major merchants in Vancouver indicating how hard it has been on their business; merchants whose stores many of you recognize from your visits to Vancouver on legislative business: Hadley's, Bill Marshall Ford, Sparks Company, Vancouver Furniture Company, Wolf Radio & Electric, Inc., Padden's Men's Store, and many others. They all point out that they are at a real competitive disadvantage with merchants from the Portland

area, because the merchants in Portland can charge 18 percent on credit buying. Portland merchants can offer a lower purchase price, accept a smaller down payment, spread the payments out over a longer period of time, and thereby attract customers who do not have the money for a cash purchase, and who need liberal credit terms. I would submit that business has been badly hurt in Vancouver by Portland competition. There was an excellent editorial in the *Columbian* on February 26th concerning this particular matter. I would like to read just three short paragraphs out of it, and then close. The editorial reads in part:

"The ceiling of one percent a month (twelve percent a year) has resulted in lower interest rates for charge customers all right, but in many stores it has also resulted in higher prices—for all customers.

"The owner of a local furniture store . . . has told us that his credit department operates at a deficit. To offset his losses, he has had to mark up his retail prices—not just for credit customers but for those who pay cash as well. Customers who don't use credit thus are subsidizing those who do.

"A local automobile dealer . . . reports that the one percent ceiling resulted in a \$24,000 loss for him in 1970."

"I would just add that the Chevy dealership—the only one we have selling that make of car in Vancouver—closed its doors this year. The automobile dealership that was referred to in the editorial is one of the other major dealerships.

"I submit that merchants in Vancouver and many other areas of the state are in real trouble as a result of Initiative 245. I submit that we ought to let competition set the rates. I am sure that the rates will not be more than are necessary because of the competitive situation if we take the 12 percent ceiling off and replace it with a 15 percent ceiling.

"I urge your support of House Bill 718."

#### PRICE OF LOW INTEREST

Residents of this area who recently received a new spring-summer mail-order catalog from a firm that will remain unnamed here may have noticed a special section on credit for Washington customers. The extra section is necessary because this firm, and all others doing business in the state, can charge Washington customers no more than 1 per cent a month interest but can charge Oregon customers 1½ per cent.

Customers who buy on credit no doubt are delighted with the lower rate, established by Initiative 245 in 1968. But those who judge themselves fortunate compared to their Oregon neighbors know only half of the story of the effects of that initiative.

The ceiling of 1 per cent a month (12 per cent a year) has resulted in lower interest rates for charge customers all right, but in many stores it also has resulted in higher prices—for all customers.

The owner of a local furniture store (which also will go unnamed) has told us that his credit department operates at a deficit. To offset his losses, he has had to mark up his retail prices—not just for credit customers but for those who pay cash as well. Customers who don't use credit thus are subsidizing those who do.

A local automobile dealer (nameless) reports that the 1 per cent ceiling resulted in a \$24,000 loss for him in 1970.

This new ceiling isn't all roses for the charge customer either. One result has been a sharp cutback in the amount of credit available to customers. The 90-day no-charge account has virtually disappeared. Several merchants report that when buyers can't get credit at a store they sometimes borrow from small loan companies (where the law allows a maximum of 36 per cent annual interest) and then come back to the store to pay cash. That's protecting the buyer from high interest?

Another effect has been to discourage businesses from investing in new retail outlets in the state. The mail-order company cited above has indicated that its losses on credit sales in the state were a major factor in recent decisions to invest in major plant expansions in Arizona and California instead of Washington.

These examples of the ill-effects of Initiative 245 should make clear why the Washington Legislature now is considering a bill which would boost ceilings on retail credit interest. The proposal, House Bill 718, of which Rep. Dan Marsh, D-Vancouver, is a prime sponsor, would allow a maximum of 15 per cent a year (1½ per cent a month). This represents a compromise between the present rate and the 18 per cent a year (1½ per cent a month) allowed before passage of Initiative 245. It also would be lower than Oregon's 18 per cent.

This bill has received strong backing from retailers in the state, especially those in Clark County who must compete with Oregon firms.

It has drawn strong opposition from state labor leaders. Joe Davis, president of the United Labor Lobby, warned legislators that if the bill is passed, labor will push another initiative to re-lower the ceiling. "This time it may be (that) 6 percent will be enough instead of 12," legislators were told by L. H. Pedersen, president of the Pierce County Labor Council. Organized labor also was a main force behind Initiative 245.

Legislators should not let these demagogic threats from labor keep them from passing a bill that we believe provides much needed relief for retail

merchants. We would think that state labor leaders could find causes more worthy of their time and talent than their current efforts to raise havoc with retail credit in the state.

Representatives Bledsoe and Marsh spoke in favor of passage of the bill, and Representatives Grant, Ross, Kilbury, Savage, May and Moon spoke against its passage.

Engrossed House Bill No. 718, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

#### MOTION

On motion of Mr. Bledsoe, all bills passed on today's third reading calendar were ordered transmitted immediately to the Senate.

#### EXPLANATION OF VOTE

I voted yes on final passage of Engrossed House Bill No. 718 for the following reasons:

There is a price for low interest, and that is higher cash prices. Studies indicate in Washington State that out of every 100 people, 48 pay cash for general merchandise. Fifty-two percent use a credit card, but of these 52, 35 percent, or 19 people, pay their accounts in full within 59 days with no service or finance charge. Therefore, out of every 100 customers, 67 people are subsidizing and paying a major portion of part of 33 people's privilege to charge purchases on time. They are paying for it with increased prices of merchandise and other services. Many customers who pay cash borrow their money elsewhere and pay more than 12 percent.

As the editorial in the *Columbian* on February 26th stated:

"The ceiling of one percent a month (twelve percent a year) has resulted in lower interest rates for charge customers all right, but in many stores it has also resulted in higher prices—for all customers.

"The owner of a local furniture store . . . has told us that his credit department operates at a deficit. To offset his losses, he has had to mark up his retail prices—not just for credit customers but for those who pay cash as well. Customers who don't use credit thus are subsidizing those who do."

I submit that merchants in Vancouver and many other areas of the state are in real trouble as a result of Initiative 245. I submit that we ought to let competition set the rates. I am sure that the rates will not be more than are necessary because of the competitive situation if we take the 12 percent ceiling off and replace it with a 15 percent ceiling. MARK LITCHMAN, 45th District.

#### STATEMENT FOR THE JOURNAL

When the final vote was taken on Engrossed House Bill No. 718, I was talking on the telephone to Ron Richardson of Seattle regarding the appropriation for the University of Washington's Institute of Forest Research. Mr. Richardson had called to discuss this matter as well as several other questions and I missed the vote. This issue has been of considerable concern to businessmen along the Oregon border who must compete with Oregon regarding the prices of their merchandise while handicapped by a differential because of the state sales

tax, the B & O tax, as well as the incentives of cigarette taxes to ship out of the state. As for interest rates I think they are much like any other commodity because they are a form of rent on money, and consequently must be allowed to have some seeking of their own level. As long as small loan companies are allowed to charge over 30 percent interest it seems that the other limits have actually hurt the very people they were intended to help. If the University of Washington studies on this issue are valid, and it would seem they must have some basis in objectivity, then it is important that all working men, labor unions, and other consumers should seriously look at the whole question of interest to determine if there is not a logic to seeking some other means than statute law to keep down one segment of the economy. No one would be pleased if we were to pass a law setting a limit on wages and salaries at the legislative level. The issue in other words is complex and no simple solutions are possible. HAROLD S. (HAL) ZIMMERMAN, 17th District.

#### RESOLUTIONS

HOUSE RESOLUTION NO. 71-26, by Representatives O'Brien, Chatalas, Ceccarelli, Rosellini, Douthwaite, Charnley, McDermott, Ross, Rabel, Maxie and Williams:

WHEREAS, Grave concern has been widely expressed over the continued ability to provide enlightened and qualified school programs, facilities and teachers in educational districts and institutions of our State; and

WHEREAS, The voters of the City of Seattle have been asked to approve a thirty million one hundred ten thousand dollar levy for the Seattle Public Schools on March 23rd; and

WHEREAS, Passage of this important special school levy is necessary for the

maintenance of high quality education for approximately eighty thousand students in the Seattle area; and

WHEREAS, This school levy, if approved, would provide sixteen percent of the school district 1971-1972 budget and is fifteen percent of the 1972-1973 budget; and

WHEREAS, The failure of said levy to secure the approval of at least sixty percent of the Seattle School District voters will require drastic cuts in the basic skills programs, vocational education and counseling programs, as well as extracurricular activities of the Seattle School District; and

WHEREAS, The curtailment of these programs and facilities will result in irreparable harm to the function of the Seattle School District and the students encompassed therein, now and in the future;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the voters of the Seattle School District are urged to vote for and approve the passage of the special levy on March 23rd, 1971.

BE IT FURTHER RESOLVED, That copies of this Resolution be transmitted by the Chief Clerk of the House of Representatives to each member of the Seattle School Board.

Mr. O'Brien moved adoption of the resolution.

Representatives O'Brien, Brouillet and Bagnariol spoke in favor of adoption of the resolution, and Representatives Jueling, Julin and Barden spoke against it.

#### POINT OF INQUIRY

Mr. Brouillet yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Brouillet, this property tax situation is becoming more confused as we introduce large numbers of bills designed to change the impact of property taxes. I am wondering if you could tell me by what percent the number of dollars that will be collected in the Seattle school district will be increased in 1971 above 1970 as a result of the reevaluation program in the Seattle area."

Mr. Brouillet: "Representative Flanagan, I can't give you those exact statistics here on the floor because I am not prepared to do that, but let me say this: We know that for every dollar collected in new revenue in the City of Seattle for school purposes, less than 15 percent will remain in the local district. The other 85 percent will come to the state as a direct subsidy to the general fund. So if you reevaluate the land up in the 45th district, or any district in Seattle, which is a very low equalization district, most of that money will not be for the people and the taxpayers in the local school districts. Eighty-five percent will come to the general fund. I am sure you know this, but many people around the state assume this property reevaluation is going to help the local districts. It is simply not so."

Mr. Flanagan: "I don't know if it would come to the general fund since it is tied into the school apportionment figure. But I would also like to ask: Assuming that we pass a bill that does roll the 1971 tax collections back to the 1970 level (including the refunds to the taxpayers which is one of the bills that was introduced) what effect will that have on the special levy in the Seattle school district and what will be the result of it?"

Mr. Brouillet: "Representative Flanagan, we all know this will be a loss to other areas of local government, but for the school purposes it won't affect the special levies because most of that money does not go to the local school districts. What it will hurt is the income projected for the general fund because we decrease state support by that amount to the local districts. So special levies won't be affected by property reevaluation. This is a misnomer around the state that property reevaluation is going to help school districts. It is simply not so. As long as you have an equalization formula, it won't happen. Now if you take them off the equalization formula, as counties, cities, fire districts, sewer districts and water districts are, it would be a great help to school districts. But as long as you keep them on the equalization formula, property reevaluation around the state is going to really help the general fund, because we are going to reduce our state support more."

Mr. Flanagan: "Well, of course, the special levies go up or down according to the evaluation of the property, so it would reduce special levies just the same as it would the regular property taxes on the lower evaluation basis."

Mr. Brouillet: "The dollar amount stays the same on the special levies."

Mr. Flanagan: "If the dollar amount stays the same, then, of course, you would have to increase the mill levy on the balance of the taxpayers in the district."

Representative Chatalas spoke in favor of the resolution, and Representatives Conway and Curtis spoke against it.

Mr. O'Brien closed debate, speaking in favor of the resolution.

The resolution was adopted on a rising vote.

## RESOLUTIONS

HOUSE RESOLUTION NO. 71-27, by Representatives Smythe, Amen and Kraabel:

WHEREAS, RCW 28A.67.065 provides that "Every board of directors, in accordance with procedure provided in RCW 28A.72.030, shall establish an evaluative criteria and procedures for all certificated employees. Such procedure shall require not less than annual evaluation of all employees. New employees shall be evaluated within the first ninety calendar days of their employment. Every employee whose work is judged unsatisfactory shall be notified in writing of stated areas of deficiencies along with recommendations for improvement by February 1st of each year. A probationary period shall be established from February 1st to April 15th for the employee to demonstrate improvement;" and

WHEREAS, Evidence has been presented to the 42nd Legislature that some school districts have not complied with this provision; and

WHEREAS, It has been alleged that a probationary period is needed to guarantee competent teachers; and

WHEREAS, Little evidence has been presented that school districts are unable to terminate the employment of teachers not meeting minimal performance levels.

NOW, THEREFORE, BE IT RESOLVED, That the Joint Committee on Education, in cooperation with WSSDA and other interested groups, is authorized to conduct a study and prepare a report to the 1972 Session of the Legislature on individual district experience in terminating teacher employment for the years 1965-1972, to include:

- (1) Number of individual school district attempts to terminate teacher employment;

- (3) Number of contested nonrenewals heard at the school board level, superior court level, and supreme court level, and the disposition of each case;
- (4) Number of proposed teacher discharges;
- (5) Number of discharge cases heard at the school board level, superior court level, and supreme court level, and the disposition of each case;

- (7) Specific evaluation criteria, teacher development programs, and related policies followed by individual districts; and
- (8) The results of followup interviews with individual teachers involved in the above cases; and

BE IT FURTHER RESOLVED, by the House of Representatives, That the Joint Committee on Education is authorized to prepare and submit to the 1972 Session of the

Legislature, any recommended legislation regarding probationary periods, tenure laws, and mandated criteria and policies deemed necessary to provide quality teaching.

Mr. Smythe moved adoption of the resolution.

Mr. Smythe spoke in favor of adoption of the resolution, and Mr. Charette spoke against it.

Mr. Hatfield moved adoption of the following amendment to the Resolution.

**At the end of paragraph 4, strike "not meeting minimal performance levels"**

Representatives Hatfield and Smythe spoke in favor of the amendment.

The amendment by Mr. Hatfield was adopted.

The Speaker stated the question before the House to be House Floor Resolution No. 71-27 as amended.

#### POINT OF INQUIRY

Mr. Smythe yielded to question by Mr. Lysen.

Mr. Lysen: "My question is: Is it the intent of this resolution to apply to administrators as well as classroom teachers?"

Mr. Smythe: "I think you are talking about certificated teachers. Of course administrators also hold certificates. When you talk about the probationary bills that have been offered to date, they are dealing with new teachers. Not even the sponsors of these bills, including Mr. Charette who happens to be sponsoring one here dealing only with a two-year period on new teachers, are getting at the problem of weak administrators and bad administrators. If my belief is borne out here you are going to find the problem is bad administrators who are weak and don't know how to do the job effectively. So you are evaluating administrators in that way. If you care to amend this, to make sure they are involved in it, feel free."

Mr. Lysen: "I would support this resolution if that is the intent. I feel the vote yesterday on the Seattle levy indicates a certain amount of lack of confidence in the direction our schools are going. I think they are getting topheavy with administrators. We had thirty-two votes against endorsing the Seattle school levy, and that is like voting against motherhood. I think this is part of the problem that this resolution is attempting to get at—the topheavy bureaucracy where the goal in education is not to be a good teacher but to be an administrator and get out of the classroom as fast as you can. I would support this resolution on that basis."

#### POINT OF INQUIRY

Mr. Smythe yielded to question by Mrs. Hurley.

Mrs. Hurley: "Mr. Smythe, you said that you don't mind broadening this a bit. I wondered if you would mind broadening it to the point where it would cover the problem of tenure at our state universities?"

Mr. Smythe: "I would be happy to support your resolution if you would like to introduce one at that level."

#### POINT OF INQUIRY

Mr. Smythe yielded to question by Mr. Luders.

Mr. Luders: "First of all, Mr. Smythe, unless I can't read, it seems to me that paragraph 4, 'WHEREAS, Little evidence has been presented that school districts are *unable* to terminate' should read 'are *able* to terminate,' if that is what the intent of the resolution is."

Mr. Smythe: "No, it is worded correctly. There has been little evidence submitted to any committee I have been on where the teachers are unable to terminate other than lack of courage, preparation, and knowing what their job is all about as administrators. That is exactly what I meant to say."

Mr. Brouillet spoke in favor of the resolution.

#### POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Brown.

Mr. Brown: "Mr. Charette, would you explain just why you think this resolution is antithetical to your amendment? Why would a vote for this resolution be a vote against your amendment? This I gather is the gist of your earlier comments."

Mr. Charette: "Mr. Brown, the only thing I know at this point is from the experiences I have had in the past. I had an experience a couple of days ago when I tried to get my tenure bill out of the Education Committee. I thought I had enough votes, and somebody showed up with a study resolution in the committee. I sensed that this is kind of the ostrich burying

his head in the sand. I don't think that it necessarily follows that if you vote for this resolution you have to vote against my amendment, but I do think that the legislature should consider the problem. And I am suggesting that I am giving them an opportunity to consider the problem. If it is the will of the majority of this body not to establish probationary periods, as always I will accept the will of the majority."

Mr. Brown spoke in favor of the resolution.

Mr. Bradley moved adoption of the following amendment to the resolution:

In paragraph 1, line 4 after "certificated employees" insert "*and administrators*"

Representatives Bradley and Smythe spoke in favor of the amendment.

#### POINT OF ORDER

Mr. Blair: "Point of order, Mr. Speaker. The proposed insertion, as I read the resolution, goes into a quotation from an RCW. I really feel that it would be out of order for us to amend an RCW by this process."

#### RULING BY THE SPEAKER

The Speaker: "It wouldn't necessarily be out of order, but it certainly is a good argument against the amendment."

The amendment by Mr. Bradley was not adopted.

The Speaker stated the question before the House to be the adoption of House Resolution No. 71-27 as amended.

The resolution was adopted on a rising vote.

#### MOTION

On motion of Mr. Bledsoe, the House recessed until 1:30 p.m.

#### STATEMENT FOR THE JOURNAL

I want to be recorded as voting in favor of Engrossed House Bill No. 278. I was at my desk in front of the bar of the House. When the Speaker started the roll call machine, the Chairman of the Judiciary Committee diverted my attention concerning the next bill on the calendar and I failed to close my switch in time to be recorded. This is the first roll call vote I have missed since the 1963 legislative session. C. W. "RED" BECK, 23rd District.

HOUSE BILL NO. 384, by Representatives Beck, Wanamaker, Berentson and Amen (by Departmental request):

Providing witness fees for state patrol.

Committee recommendation: Majority, do pass as amended.

(For Committee Amendment see Journal February 24, 1971, Forty-fifth Day.)

The bill was read the second time.

Mr. Julin moved adoption of the committee amendment and spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Mentor.

Mr. Mentor: "What happens to this \$50.00?"

Mr. Julin: "It belongs to the State Patrol Fund. It does not go to the officer himself—it goes to the Washington State Patrol."

Mr. Mentor: "Also, do the city police officers or deputy sheriffs get paid when they testify in court?"

Mr. Julin: "This bill does not deal with that subject, and I believe that they do not."

The committee amendment was adopted.

House Bill No. 384 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 384 was placed on final passage.

Mr. Beck spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Wanamaker yielded to question by Mr. Kraabel.

Mr. Kraabel: "Representative Wanamaker, it is my recollection from sitting through the Appropriations Subcommittee meetings in Transportation Committee that in the budget that was approved there (which has not come to second reading yet but which was passed out of that committee) the level of funding for the state patrol was advanced somewhat, first of all, from what was recommended in the governor's budget. This advancement was predicated, in part, on the fact that some time is lost when these state patrol officers do have to testify in court. Now, if we do adopt this, are we funding that doubly, assuming that we do go ahead and adopt the budget as it came out of the transportation committee?"

Mr. Wanamaker: "No, we will not be funding it doubly. This goes into the state patrol fund, but it also needs the additional funding we have in the budget in order to add the 35 men necessary to the state patrol and to pay the overtime instead of giving compensatory time."

#### POINT OF INQUIRY

Mr. Beck yielded to question by Mr. Mentor.

Mr. Mentor: "You said a few minutes ago that this will fund up to, I believe you said, 32 state patrolmen—equivalent to the amount of money that it costs to keep 32 state patrolmen?"

Mr. Beck: "No, that's wrong, Joe. When we give these state patrolmen compensatory time off, we are losing their services on the highway. What this does is cut that down, and it will have a substantial effect. The funds received from it will not pay for an additional 32 men. The time we are going to save, though, has been estimated as putting the productivity of 32 patrolmen on."

Mr. Mentor: "Therefore, if this bill passes, I understand then we will be able to cut from the appropriation the amount of money equivalent to keeping 32 state patrolmen on in the state of Washington. That is the way I understood your testimony."

Mr. Beck: "You can imagine anything you want."

#### POINT OF INFORMATION

Mr. Amen: "I checked with the state patrol yesterday, and it will save at least \$25,000 per annum. This is far from 32 state patrolmen."

Mr. Wanamaker spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Beck yielded to question by Mr. Van Dyk.

Mr. Van Dyk: "Representative Beck, if I understand this bill, if a man is charged with a traffic offense or fined by the state patrol, and he wishes to prove his innocence, and it requires the testimony of the state patrol, he is going to have to pay for that service now. Is that correct?"

Mr. Beck: "If he is going to challenge it in court, and the state patrol is going to be called in as a witness, yes, it is going to cost him."

Mr. Van Dyk: "Would there be any other way to prove his innocence but to challenge the charge and bring the state patrol in front of them?"

Mr. Beck: "That is a judicial decision. I would be unable to answer that. I would refer it to Representative Julin or Representative Spanton who is an old police court judge."

Mr. Spanton: "To clear the matter up, this has nothing whatever to do with a criminal case. Anytime the officer files a complaint, or is a prime witness in a criminal action, it says in the bill that this is governed by the criminal action subject to the prosecuting attorney's office and he is required to attend. This merely involves civil actions where they call the officer in and ask for his testimony."

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 384, and the bill passed the House by the following vote: Yeas, 87; nays, 6; absent or not voting, 6.

#### POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "In the reports that I read about Expo '74 it indicated that there had been some talk of the Spokane River. In the digest we have here it also deals with the subject, and it indicates in the bill that the Department of Ecology is to be involved. Could you tell me what the role of the Department of Ecology will be, particularly insofar as Expo '74 is concerned?"

Mr. Pardini: "Yes, Representative Zimmerman, we are not really talking about an exposition with just carnival rides and this type of thing. There is a very comprehensive plan which calls for the cooperation of Idaho, the Expo people and people in Spokane who have industrial sites, for a complete cleanup of the Spokane River as it emanates in Idaho from Lake Coeur d'Alene and flows through the center of Spokane down into the Columbia River. This is the natural drainage basin for that area. We are proposing that by 1977 that drainage basin will be part of the total ecological movement to clean up that river."

Mr. Zimmerman: "That comes partly from these funds?"

Mr. Pardini: "No, this will be from a general program that is now being developed within the Department of Ecology with private money. Industry will be asked to cooperate in cleaning up that river. We are talking about in the city of Spokane, about three million dollars being put on in additional sewage charges as the first phase in that right now. That charge is going on to build sewage treatment plants and that type of thing."

Representatives Bledsoe and Perry spoke in favor of passage of the bill.

#### PERSONAL PRIVILEGE

Mr. Luders: "Mr. Speaker, point of personal privilege. I take what I hope would be

considered pardonable pride in standing before you today and announcing that a class which I teach in North Central High School in Spokane is here. They have been here for three days to see the processes and machinations of government. They did not raise the \$1,000.00 themselves to go to a Rock Festival or buy pot, but they came here to see how the process works. I think they are to be commended on that. I also take, what I consider to be, pride in stating that after having seen this, I am sure they recognize that the veil of hypocrisy, which they thought was associated with legislative processes throughout the country, is no longer present. In light of this and of the fact I have had an opportunity to take part in a profession which was partially responsible for their development, I hope you would single them out for special consideration. Thank you, Mr. Speaker."

#### SPEAKER'S PRIVILEGE

The Speaker: "I would like to pay recognition also this morning to our legislative interns who have been with us during this legislative session and who have provided such invaluable service to us. I would like each of our legislative interns to go to the back of the House Chamber, and each member to whom that intern was assigned, to go back and join with them and escort them to the rostrum for some picture taking and special recognition."

#### RESOLUTION

HOUSE RESOLUTION NO. 71-29, by Representatives Copeland, Charette, Bottiger and Cunningham:

WHEREAS, The House of Representatives wishes to express its appreciation to the thirty-nine legislative interns, noting their many weeks of service to the 42nd Legislature in doing research, reviewing legislation, and otherwise providing the very necessary and supportive assistance to their individual sponsoring representatives; and

WHEREAS, The House of Representatives desires to particularly acknowledge the valuable vehicle which the internship program has provided for furthering not only the academic knowledge of the political process, but also in rendering the practical experience and deeper insight so necessary to a thorough understanding of political science and human affairs; and

WHEREAS, The House of Representatives is gratified with this opportunity to narrow the gap between the generations, and between the established democratic institutions of the state and the young who represent the best hope for furthering an understanding so necessary in preserving the republican principles by which it is served.

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That every legislative intern be commended for his meritorious contribution to this Chamber, and to the people of the State of Washington; and

BE IT FURTHER RESOLVED, That a copy of this Resolution be given to every intern, and be distributed to the President of every institution of higher education participating in the internship program as a memorial of this contribution.

Mr. Speaker: The President has signed:

SENATE BILL NO. 738,

SENATE BILL NO. 739,

and the same are herewith transmitted. SIDNEY R. SNYDER, Secretary.

## SIGNED BY THE SPEAKER

Mr. Bledsoe spoke in favor of the motion and Mr. Wolf stated he had no objection to reconsideration.

The motion was carried.

## RECONSIDERATION

The Speaker stated the question before the House to be final passage of HOUSE BILL NO. 115.

Representatives Charette and Newhouse spoke in favor of passage of the bill, and Representative Wolf spoke against it.

## POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "I need a little help with this bill. I assume that out-of-state representatives from the brewing industries who want to sell in this state can obtain a certificate of approval. Is that a correct assumption?"

Mr. Newhouse: "I am not fully acquainted with the details of how this bill works. I do not serve on the committee that considered it. I would point out that there are subterfuges by which even breweries from back east have been able to obtain the same treatment, so that part is not really important. They will be able to have representatives within the state."

Mr. Douthwaite: "Thank you, sir. My question deals mainly with the competitive aspects of the brewing business. Are we hereby allowing for competition from out-of-state brewers, or are we screening them out as I think Representative Charette suggested? I wish somebody could tell me the answer here. Am I backward on that?"

Mr. Newhouse: "Very definitely I would like to answer that. We are allowing free competition within the state by this bill. The law as it presently is stated may be evaded somewhat but would limit competition from out of state. This bill would allow free competition by out-of-state industry."

#### POINT OF INQUIRY

Mr. Brouillet yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. Brouillet, it seems to me in the mass of reports that have come across my desk since last November that the interim committee on education had a library study. As a result of that, a recommendation was made and a bill was introduced in the legislature for state regional libraries, and that there was enough opposition to the bill that it could not get anywhere. Is this to circumvent that type of thing, or is this a legitimate study? Or has a study already been conducted?"

Mr. Brouillet: "Mr. Pardini, in general we did a study, but it didn't cover all the aspects called for in this study. We came to the conclusion we need to do something in the way of better development of library facilities. You are right, there was a lot of opposition to House Bill No. 297. We got all the interested parties together on both sides of the issue and put together something that hadn't been done and that we felt we needed more information on before we could make any kind of strong recommendation. This is an outgrowth of that, in which all concerned parties, both those strongly opposed to it (that we know of) and those in favor of it have agreed upon as a little better approach than we had in House Bill No. 297."

#### POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Bottiger.

Mr. Bottiger: "Mr. Berentson, as I understand the operation of the present statute, if a person who (in the bill we are talking about) was a renter, was displaced as a result of eminent domain, he would receive an amount of money until he could find some kind of permanent quarters to take up the excess cost. In other words, he might have to move into a motel until he could find a normal apartment?"

Mr. Berentson: "Yes, this is right."

Mr. Bottiger: "This bill will change that to say that the amount of money he received would be deducted from his public assistance grant, in which case we are lowering his permanent amount of rent that is permitted by the department?"

Mr. Berentson: "No, not really—he would not suffer under the existing statute at all. The only thing we are trying to do is, as long as he is receiving any supplement for having been dislocated, he will not receive duplicate payment or double payment. I might add to that, the Department of Public Assistance would continue to have discretionary power as to whether or not they should make this payment. We are not stating in fact or controlling the power of the Department of Public Assistance to make a decision as to whether or not it is indeed a double payment."

#### POINT OF ORDER

Mr. Hoggins: "Mr. Speaker, I believe that the proposed amendment is beyond the scope of the bill."

## RULING BY THE SPEAKER

The Speaker: "The House Rules provide that: 'No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment; . . .'

"In examining House Bill No. 343, the title is fairly broad. It deals with 'AN ACT Relating to education.' However, it amends specific sections of chapter 28A of the Code of the State of Washington. That section of the Code deals with compulsory courses only. That is a specific chapter in the RCW.

"The amendment adds a new section, which does not deal with compulsory courses, but it deals with the matter of teachers, their qualifications, and their probationary period. As I examine the explanation of Reed's Rules, sections 160 and 161, and various precedents stated in prior sessions (which I have recited in previous rulings on this particular point) the Speaker is going to rule that, notwithstanding the fact that this amendment is within the original phrase of the title, that it is on a subject matter different from the intended purpose of this particular bill which deals with course of study only. The amendment gets into the area of teachers, their qualifications and probationary period, and therefore so enlarges the scope and object of the bill that it comes within the prohibition of our House Rules, and is therefore out of order."

## MOTION

Mr. Charette moved that the rules be suspended and the House immediately consider his amendment to House Bill No. 343.

Representatives Charette and Newhouse spoke in favor of the motion.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

With the consent of the House, Mr. Charette withdrew his motion to suspend the rules and consider the amendment to House Bill No. 343.

Mr. Sawyer: "Mr. Brouillet, have you ever taught United States history?"

Mr. Brouillet: "Yes."

Mr. Sawyer: "How far through the book did you get?"

Mr. Brouillet: "You mean truthfully? We had a little trouble getting through the whole book, that is true."

Mr. Wolf spoke against passage of the bill.

## POINT OF INQUIRY

Mr. Conway yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Conway, inasmuch as you are one here who has had the experience of teaching this course of Washington history, I respect your opinion. However, from your remarks, I was unable to tell whether you were for or against this bill. Were you for or against it?"

Mr. Conway: "I am against it."

Representatives Lysen, Bauer and Costanti spoke in favor of passage of the bill.

Mr. Anderson demanded the previous question, and the demand was sustained.

HOUSE BILL NO. 121, by Representatives Wolf, Bottiger and Copeland:

Providing for licensing of airports.

Committee recommendation: Majority, do pass with the following amendments:

On page 3, following section 2, add new sections as follows:

"NEW SECTION. Sec. 3. There is added to Title 14 RCW a new section to read as follows:

All airport managers shall maintain a current list of all aircraft based at such airport. The list shall include the name and address of the owner, the state registration number and the Federal Aviation Administration registration number. The list shall be open to inspection by all persons charged with enforcing the laws of this state.

NEW SECTION. Sec. 4. There is added to Title 14 RCW a new section to read as follows:

Notwithstanding any other provision of law the Washington aeronautics commission shall, at its discretion, withhold public moneys from any airport which does not comply with the laws of this state."

On page 1, line 2 of the title after "RCW 14.04.260;" and before "amending" strike "and"

On page 1, line 3 of the title after "RCW 14.04.270" and before the period insert ";; and adding new sections to Title 14 RCW"

The bill was read the second time.

Mr. Curtis moved adoption of the committee amendments.

Representatives Curtis and Barden spoke in favor of adoption of the amendments, and Representative Kuehnle spoke against it.

#### POINT OF INQUIRY

Mr. Barden yielded to question by Mr. Randall.

Mr. Randall: "In the last dissertation you made reference to those aircraft based at an airport being qualified as having leased tie-down space or leased hangar space. I see no such reference in this amendment."

Mr. Barden: "That is true, Representative Randall, You may recall that about 30 days ago, this House passed an amendment to another bill which set forth the determination of when a plane is based at an airport."

Mr. Randall: "I don't recall that. We have maybe 20-plus airplanes at Kitsap County Airport occupying free tie-down space. They are not necessarily listed with the airport manager. In fact he may not be able to list them as some of the owners are absentees. Does this mean that this fellow will now be required to make an accurate list, or be in violation of this statute?"

Mr. Barden: "No, the only thing that it requires is that he maintain a list of the aircraft that are based at the airport."

Mr. Randall: "My question, of course, revolves around 'based.' I am going to bring my aircraft up here, as Vaughn Hubbard has. Is Vaughn Hubbard's aircraft 'based' at Olympia?"

Mr. Barden: "I didn't know he had one, Representative Randall."

Mr. Randall: "Will my aircraft be 'based' in Olympia?"

Mr. Barden: "I haven't any idea. You could tell me that."

#### ADMONITION BY THE SPEAKER

The Speaker: "Gentlemen, you are getting rather far afield as to the merits of this amendment."

Mr. Randall spoke against adoption of the committee amendment.  
The committee amendment was adopted.

Mr. Hubbard moved adoption of the following amendment by Representatives Hubbard and Goldsworthy:

On page 3 following the committee amendment add a new section as follows:

"NEW SECTION. Sec. 5. Nothing herein contained shall be construed as making it illegal to land an aircraft in remote areas for the purpose of engaging in hunting, fishing or other accepted recreational activity. Nothing herein contained shall make it illegal to land at ranches in this state for any legal purpose. No licensing shall be required for the purposes of this section."

Representatives Hubbard, Wolf and Bledsoe spoke in favor of adoption of the amendment.

The amendment by Representatives Hubbard and Goldsworthy was adopted.

Mr. Bottiger moved adoption of the following amendment:

On page 3, add a new section to read as follows:

"NEW SECTION. Sec. 6. This act shall not apply to any airport in existence as of January 1, 1972."

Mr. Bottiger spoke in favor of adoption of the amendment.

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Hansey.

Mr. Hansey: "Representative Bottiger, by adding this last amendment at the very end of the bill (which includes both approval of airport sites for new airports and also licensing of airports, on a basis that the Aeronautics Commission could permit licensing), would your amendment prohibit any future implementation of airport licensing to any airports other than those in existence after January 1, 1972? I am wondering if you are putting a restriction in here that the commission would never be able to license any airports in existence at this time, by putting the amendment to the whole bill instead of just to the portion providing for approving of new airport sites."

Mr. Bottiger: "I guess it probably would."

On motion of Mr. Barden, the following amendment to the amendment was adopted:

Amend the amendment by Mr. Bottiger as follows:

Strike "This act" and insert "Sections 1 and 2 of this act"

The Speaker stated the question before the House to be the amendment by Mr. Bottiger as amended by Mr. Barden.

Mr. Wolf spoke against adoption of the amendment.

#### POINT OF ORDER

Mr. Hansey: "Mr. Speaker, is Representative Wolf speaking on the amendment to postpone the existence of any airport as of January 1, 1972, or is he speaking to the whole bill?"

The Speaker: "The impact of the amended amendment would be to negate the effect of the bill upon the particular problem which he wants to solve by the introduction of the original bill. Therefore, I think it is proper that he discuss the reasons why the original bill was introduced."

Mr. Wolf concluded his remarks.

#### MOTION

Mr. Sawyer moved that the House defer further consideration of House Bill No. 121, and the bill be placed on Monday's second reading calendar.

The motion was carried on a rising vote.

#### MOTION

On motion of Mr. Morrison, the House recessed until 1:30 p.m.

## MOTION FOR RECONSIDERATION

Mr. Pardini, having voted on the prevailing side, moved that the House do now reconsider the vote by which the committee amendment to House Bill No. 149 was defeated.

## POINT OF ORDER

Mr. Charette: "Under Reed's Rules, doesn't it provide that if there is intervening business, the motion to reconsider is out of order? I would submit to you that a motion had been made to advance the bill to third reading, which should have been taken care of before the motion for reconsideration."

The Speaker: "The motion had not been stated by the chair, Mr. Charette."

The Speaker stated the question before the House to be the motion by Mr. Pardini to

reconsider the vote by which the committee amendment to House Bill No. 149 was defeated.

Mr. Pardini spoke in favor of the motion, and Mr. O'Brien spoke against it.

Mr. King demanded an electric roll call, and the demand was sustained.

#### POINT OF ORDER

Mr. Shera: "Again, I would hope that this committee amendment is adopted. We get into this controversy again by way of the fact that we have the employee groups preaching, 'We want a full funded system.' Then on the other hand they come to us and say, 'Well, we want to spend that money now for increased retirement benefits.' Now, in effect, what do we want? If this committee amendment is not adopted, we have spent about three-quarters of a million dollars over the next biennium that could go toward accelerating funding of these pensions. I would urge your support of reconsidering the vote on this amendment."

#### ROLL CALL

The Clerk called the roll on the motion by Mr. Pardini to reconsider the vote by which the committee amendment to House Bill No. 149 was defeated, and the motion was lost by the following vote: Yeas, 46; nays, 51; absent or not voting, 2.

#### POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Julin.

Mr. Julin: "Representative Kuehnle, the House Revenue and Taxation Committee had a bill before it which dealt with this same general subject. Have you had an opportunity to compare this measure, which is a Senate bill, with the action taken by the House Revenue and Taxation Committee?"

Mr. Kuehnle: "Yes, Representative Julin, and thank you for asking the question. This bill is virtually identical to House Bill No. 456 which was processed by the Revenue and Taxation Committee. This cleans up some language which had inadvertently created some serious problems for some of the truckers throughout the state. I certainly would urge passage of this bill."

#### POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Shinpoch.

Mr. Shinpoch: "Representative Berentson, could you tell me what the fiscal impact of this bill is?"

Mr. Berentson: "It is my understanding that it would be fairly hard to compute. To date, my understanding is that they have not been making refunds. It has been very difficult to administer. I don't think the fiscal impact would be that great, really. There is no definite report from the Department of Revenue as to what the fiscal impact might be, however."

Mr. Shinpoch: "I'm not sure that I understand. It appears you are asking us to vote on something that obviously will have some fiscal impact, but we can't find out what it is."

Mr. Berentson: "I might say that some moneys have been collected that would be exempt under the provisions of this act. But the amount collected and the amount which was incurred but not collected have not been isolated by the taxing agencies to this point. I think it goes a little beyond this, however, in that we are looking at the problems we create even for ourselves and for our own truckers in that the state of Oregon, for example, does not have a sales tax. If we let those people, as out-of-state truckers come in, and hit them with a full four percent, it is quite unfair as far as reciprocity is concerned. I think probably the overall effect fiscally with one state versus the other, Oregon or Idaho, would probably be nil in the overall effect as it affects us over a period of time. The Department of Revenue did not seem to be concerned about this potential loss of revenue. If there is anyone here that might deal more closely with this (like someone in the trucking industry) maybe they could give you a better answer, but there is nothing definite from the Department of Revenue."

#### MOTION

Mr. Shinpoch moved that Engrossed Substitute Senate Bill No. 352 be rereferred to the Committee on Revenue and Taxation.

Mr. Thompson: "I can give you that assurance, Representative Kuehnle. The last committee amendment adopted provided that this would not apply towards the removal of that exemption. I would like to add that another bill, however, does attempt to do this and will be heard Monday of next week."

Mrs. Lynch: "Representative Brouillet, I would like to ask you the same question I asked on House Bill No. 491. In your opinion will this bill in any way affect vocational education at the community college or post high school level?"

Mr. Brouillet: "Yes, Representative Lynch. My understanding is that this will not affect post high school education at the community college. It is basically a bill to draw up some definitions. If they are running some kind of programs, the definitions may affect them. This is a broadly defined bill, but it is not in any way to inhibit or influence programs at these levels. Let me add one other thing: Because they are running vocational programs and they come to the coordinating council, this will affect the Coordinating Council. These definitions also would apply to programs run by the Coordinating Council."

Mrs. Lynch: "In other words, you really cannot give me the assurance at this time that this will not affect community colleges? It is still very 'iffy' in your mind?"

Mr. Brouillet: "It is 'iffy' in my mind because of the fact that these definitions do apply to vocational programs and the operations by the Coordinating Council, yes."

Mr. Hoggins: "Yes, the State Board for Community Colleges indicated they were not happy with this. I interpret their remarks to mean particularly with reference to the term 'manpower training.' The other thing I would point out to you in response to the remarks made a little earlier about what is industrial art as a vocational course—that is entirely the purpose of this bill, not to confuse the terms so we get them all mixed up. We want to be talking about the same things."

Mr. Charette spoke in favor of passage of Engrossed House Bill No. 491, and Mr. Benitz spoke against it.

Mr. Smythe yielded to question by Mr. Williams.

Mr. Williams: “Representative Smythe, what effect will this amendment have on local resolutions or ordinances pertaining to affirmative action programs?”

Mr. Smythe: “Since we will be found out anyway, this is put up for the record, of course. I would like to read my answer because I think it is important that we have this in the record with the accurate words.

“Under section 2(1)(b), any multi-employer training program developed by a local unit of government and which is approved by the board against discrimination will be the standard which must be met by any participating employer. With respect to any employer who is not a participant in such a program or in any area where a multi-employer program has not been developed, the units of local government will be able to legislate their own standards guided by the recommendations of the board against discrimination.”

The amendment was adopted.

HOUSE BILL NO. 930, by Representatives King, Wolf, Flanagan, Benitz, Hatfield and Lynch:

Seizing contraband cigarettes.

Committee recommendation: Majority, do pass with the following amendment:

On page 2, section 2, line 33 after "knowledge or" strike "reason to suspect" and insert "probable cause to believe"

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 930 was placed on final passage.

## POINT OF INQUIRY

Mr. King yielded to question by Mr. Martinis.

Mr. Martinis: "Will this bill in any way affect cigarettes that a person was transporting for his own personal use and not for sale?"

Mr. King: "Well it could, but it wouldn't be likely to. We were assured by the Department of Revenue that they were not going to have road blocks or anything like this to stop people. They are not really concerned, because of the difficulty of enforcement, about the person who buys a few cartons of cigarettes for his own use. It is illegal to do that, but they just couldn't enforce it that way. They said they would enforce the act based on preknowledge for one thing (they know quite often from reports they get from wholesalers outside of the state of Washington where large quantities of cigarettes have been sold—they know it now), or if they have probable cause to suspect there was a violation. The answer is that it could, but it is not designed to do that. We have been assured that they are not going to go out of their way to interfere with somebody's personal use in getting a carton of cigarettes. If you bought several cases and tried to sell them you could get in trouble."

Mr. Martinis: "But then there is no safeguard built into this bill that if I were carrying one package of cigarettes (and I'm not a smoker, by the way) back from Portland to the state of Washington that the Department of Revenue couldn't pick me up for this. Right?"

Mr. King: "Well they could now, for that matter, under existing law. What this law does is different. It would allow the department to seize the cigarettes immediately. I doubt if they would be interested in seizing one pack of cigarettes from you."

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 930, and the bill passed the House by the following vote: Yeas, 84; nays, 5; absent or not voting, 10.

Relating to educational opportunities for all handicapped children.

The bill was read the second time.

On motion of Mrs. Lynch, the following amendment was adopted:

On page 3, section 4, line 32 after "and/or" strike "approved homes" and insert "homes approved by the department of social and health services"

Mr. Hoggins moved adoption of the following amendment by Representatives Brouillet and Hoggins:

On page 4, section 4, beginning on line 17 after the period insert "*The cost of board and room in facilities approved by the department of social and health services shall be provided by the department of social and health services for those handicapped students eligible for such aid under programs of the department.*"

Mr. Hoggins spoke in favor of adoption of the amendment.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Shera.

Mr. Shera: "Mr. Hoggins, what is the estimated cost?"

Mr. Hoggins: "The cost of the board and room? I can't answer that question directly, but where children are involved in a board and room arrangement, for the instruction they will receive (if they qualify) then we can qualify for 75 percent of the cost."

The amendment was adopted.

On motion of Mr. Hoggins, the following amendment by Representatives Brouillet and Hoggins was adopted:

On page 4, section 4, line 18 after "*students*" and before "*deemed*" insert "*not eligible under programs of the department of social and health services but*"

On motion of Mr. Hoggins, the following amendments were adopted:

#### POINT OF INQUIRY

Mr. Brouillet yielded to question by Mr. McDermott.

Mr. McDermott: "Mr. Brouillet, in what way does your amendment strengthen the bill, and for what reason did you enter it in the bill?"

Mr. Brouillet: "Thank you, Mr. McDermott. Some of us may not feel it strengthens the bill very much. As I indicated before, the governor's office thought this amendment was necessary. We had a little trouble moving the bill, so some of us agreed to put this amendment on it."

Mr. McDermott spoke against the amendment.

#### POINT OF INQUIRY

Mr. May yielded to question by Mr. Jueling.

Mr. Jueling: "In connection with this, Mr. May, you discussed with me the other day the problem of cost involved in busing these youngsters. I wonder if you would mind enlightening the body as to your research in this regard."

Mr. May: "Yes, Mr. Jueling, the bill has a lot of merit, and I was concerned with the cost—especially the cost on transportation. The basic support for \$371 per pupil a year (I couldn't quarrel with that) is standard. The state standard for hauling children is \$66, as against the \$400 . . ."

#### POINT OF ORDER

Mr. Kraabel: "I believe the comments are apropos to the following amendment and not the amendment we are currently discussing."

The Speaker: "Your point of order would appear to be well taken, Mr. Kraabel."

Representatives Wolf, Copeland and Newhouse spoke in favor of the amendment.

## POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Kraabel.

Mr. Kraabel: "My understanding now is that the schools of our state are not obliged to educate the children of which we speak. If we strike this paragraph, it seems to me we are going back to previous conditions. With this paragraph stricken, how, in your opinion, would the situation then differ from the current situation?"

Mr. Hoggins: "I would have to agree with the observation that if we strike this material and adopt the amendment that follows, we would be in exactly the same position that we are right now. I would like to point out to those who are supporting this amendment that there are, in a sense, ways out for school districts. What the superintendent of a local school district must show is that there is no agency or other school district with whom the school district may contract under section 4, and to show the child will not benefit from alternate educational opportunities. I have to agree with those who spoke against the amendment, saying for too long we have permitted school districts to push off the parents who have children with limited ability, by saying we don't have anything and have made no major effort to make sure that these children have the educational opportunity that they are entitled to. So I would hope that you would not adopt this amendment and keep it as it is so we can get a handle on this problem and make progress."

Representatives Perry and Lynch spoke against adoption of the amendment.

Mr. Morrison demanded an electric roll call, and the demand was sustained.

## ROLL CALL

The Clerk called the roll on the adoption of the amendment by Representatives Brouillet and Chatalas to House Bill No. 90, and the amendment was lost by the following vote: Yeas, 24; nays, 74; absent or not voting, 1.

Voting yea: Representatives Amen, Backstrom, Berentson, Bledsoe, Brouillet, Copeland, Costanti, Flanagan, Gallagher, Hatfield, Hubbard, Jueling, Kuehnle, Mentor, Morrison, Newhouse, Pardini, Savage, Shera, Smith, Spanton, Wanamaker, Wolf, Mr. Speaker—24.

Voting nay: Representatives Adams, Anderson, Bagnariol, Barden, Bauer, Beck, Benitz, Blair, Bluechel, Bottiger, Bozarth, Bradley, Brown, Ceccarelli, Charette, Charney, Chatalas, Conner, Conway, Cunningham, Curtis, Douthwaite, Eikenberry, Farr, Gilleland, Gladder, Goldsworthy, Grant, Hansey, Harris, Haussler, Hoggins, Hurley, Jastad, Johnson, Jones, Julin, Kibury, King, Kirk, Kiskaddon, Knowles, Kopet, Kraabel, Litchman, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Merrill, Moon, North, O'Brien, Paris, Perry, Polk, Rabel, Randall, Ross, Sawyer, Schumaker, Shinpoch, Smythe, Thompson, Van Dyk, Williams, Wojahn, Zimmerman—74.

Absent or not voting: Representative Rosellini—1.

The Clerk read the following amendment by Representatives Brouillet and Chatalas:

On page 8, strike all of section 12 and renumber the remaining section consecutively  
With the consent of the House, Mr. Brouillet withdrew the amendment.

House Bill No. 90 was ordered engrossed and passed to Committee on Rules and Administration for third reading.

## MOTION

Mr. Brouillet moved that the rules be suspended, the Committee on Rules and Administration be relieved of Engrossed House Bill No. 90, and the bill be placed on today's third reading calendar.

Mr. Chatalas demanded an electric roll call, and the demand was sustained.

## POINT OF ORDER

Mr. Newhouse: "In stating the motion made by Mr. Brouillet, I believe you indicated a suspension of the rules. Would the relieving of a bill from committee require the suspension of the rules?"

## POINT OF ORDER

Mr. O'Brien: "You are on the second reading of bills, and the motion is to relieve the Committee on Rules and Administration of the bill and place it on third reading. It appears to me it would require a suspension of the rules."

## POINT OF ORDER

Mr. Grant: "I believe this came up before, and I thought I had the correct rule here but perhaps I don't. I think if you will take a look at the rules you will find that a committee may be relieved of a bill at any time."

## RULING BY THE SPEAKER

The Speaker: "We have Rule 43, subsection (a) which states: 'A bill in the Rules and Administration Committee may be placed on the calendar by the affirmative vote of a constitutional majority of all members of the house.' The only thing that caused doubt in the mind of the Speaker was whether there was also an additional rule which required a 24-hour waiting period between the second and third reading which would have to be suspended. However I do not find such requirement. I do find a requirement for a waiting period before bills can go out on second reading after they have been in Rules, but I don't see any rule requiring a 24-hour wait between second and third reading. The Speaker would rule that the motion to relieve the Rules Committee is in order and that the bill may be placed on the calendar on today's third reading calendar on a majority vote of the House."

Mr. Bledsoe spoke against the motion.

## POINT OF ORDER

Mr. O'Brien: "I think I called the rule number to you. What you could do is bring the bill out and put it on second reading and then suspend the rules. Rule 24 specifically states: 'Every bill shall be read on three separate days unless the house deems it expedient to suspend this rule.' Also the format in the back of your order of business states under reading of bills, second reading and third reading. So if you wanted to place the motion properly it would be to take the bill away from the Rules and Administration Committee, put it on second reading again which would require a majority vote. Then, as you know, if you want to advance it to third reading, you just have to suspend the rules—Rule 24."

## RULING BY THE SPEAKER

The Speaker: "Your point would appear to be well taken. That is the three-separate-day rule that the Speaker was looking for, and I would rule that to relieve the Rules Committee of this measure and to place it on today's third reading calendar would require a two-thirds majority vote of this House."

Mr. Brouillet spoke in favor of the motion.

## POINT OF INQUIRY

Mr. Beck: "Mr. Speaker, the bill went through second reading. If we take it out of Rules Committee and bring it out on the floor of the House, where does that put it? Doesn't that put it on third reading? It has already gone through second reading."

The Speaker: "It can't be on third reading without the lapse of one day unless the rules are suspended. As I interpret it, the motion was to suspend the rules, to relieve the Rules Committee of Engrossed House Bill No. 90, and place it on today's third reading calendar."

## POINT OF INQUIRY

Mr. Randall: "You stated that the previous point of order was properly taken. Are we now voting on a motion to put it back to second reading or third?"

The Speaker: "No, the motion is to suspend the rules and relieve the Rules Committee of Engrossed House Bill No. 90 and place it on today's third reading calendar."

## ROLL CALL

The Clerk called the roll on the motion by Mr. Brouillet to suspend the rules and relieve the Committee on Rules and Administration of Engrossed House Bill No. 90 and

place it on today's third reading calendar, and the motion was lost by the following vote: Yeas, 54; nays, 44; absent or not voting, 1.

Voting yea: Representatives Adams, Anderson, Backstrom, Bagnariol, Bauer, Beck, Blair, Bottiger, Bozarth, Bradley, Brouillet, Ceccarelli, Charette, Charnley, Chatalas, Conner, Douthwaite, Gallagher, Grant, Haussler, Hurley, Jastad, Johnson, Kilbury, King, Knowles, Kraabel, Kuehne, Litchman, Luders, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Merrill, Moon, O'Brien, Paris, Perry, Rabel, Randall, Ross, Savage, Sawyer, Shinpoch, Smythe, Thompson, Van Dyk, Williams, Wojahn—54.

Voting nay: Representatives Amen, Barden, Benitz, Berentson, Bledsoe, Bluechel, Brown, Conway, Copeland, Costanti, Cunningham, Curtis, Eikenberry, Farr, Flanagan, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Hatfield, Hoggins, Hubbard, Jones, Jueling, Julin, Kirk, Kiskaddon, Kopet, Lynch, Mentor, Morrison, Newhouse, North, Pardini, Polk, Schumaker, Shera, Smith, Spanton, Wanamaker, Wolf, Zimmerman, Mr. Speaker—44.

Absent or not voting: Representative Rosellini—1.

## SECOND READING

HOUSE BILL NO. 346, by Representatives Copeland, Grant and Cunningham:  
Implementing leave provisions for school district employees.

Committee recommendation: Majority, do pass with the following amendments:

On page 1, section 1, beginning with line 19 after "bereavement" strike "[and] , emergencies and personal business" and insert "and, emergencies"

On page 2, section 1, line 19 strike "[shall not] may be compensable" and insert "shall not be compensable except in the following manner: Any leave for injury or illness accumulated up to a maximum of one hundred and eighty days shall be creditable as service rendered for the purpose of determining the time at which an employee is eligible to retire"

On page 2, section 1, beginning on line 28 after "district" strike everything down to and including "leave" on line 32

The bill was read the second time.

Mr. Hoggins moved adoption of the first committee amendment, and spoke in favor of the amendment.

The first committee amendment was adopted on a rising vote.

Mr. Hoggins moved adoption of the second committee amendment.

Mr. Grant moved adoption of the following amendment to the amendment:

Amend the committee amendment to page 2, section 1, line 19 as follows: After "at which" and before "is eligible" strike "a teacher" and insert "an employee"

Mr. Grant spoke in favor of the amendment to the amendment.

The amendment by Mr. Grant to the committee amendment was adopted.

The Speaker stated the question before the House to be the committee amendment as amended.

Representatives Hoggins and Bottiger spoke in favor of the amendment, and Representative Pardini spoke against it.

## POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Shera.

Mr. Shera: "Mr. Hoggins, the way I read this amendment, if a teacher were to have 25 years of service, say at age 60 years, and he had accumulated 180 days of sick leave, at that time he could retire with 26 years of credit on his retirement. Is that correct?"

Mr. Hoggins: "That is correct."

Mr. Shera spoke against adoption of the amended committee amendment.

## POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Polk.

Mr. Polk: "Representative Hoggins, one of the school districts within my district has suggested the possibility that there is some fiscal impact from this bill on the local school districts. The other opinion has come forward that the impact is not on the local school districts but is on the teachers' retirement fund. Would you clarify this, please?"

Mr. Hoggins: "Yes, I think your observations are correct. There would be no cost impact on the school districts, but it would be on the teachers' retirement system. There would be essentially a financial savings to the school district. To give you an example: Suppose that you had a 19-year employee, and that person was eligible to retire, and was making twelve thousand dollars a year—that would be an immediate saving to the school district of twelve thousand dollars, and they would probably hire a beginning teacher and save a substantial amount of money. As you compute this out in terms of what the state is now paying (the seven percent of the teachers' \$12,000 into the retirement system), it would take seven years before this would have a cost impact on the teachers' retirement system, so it is not an immediate impact. It wouldn't begin in this particular case I cite until seven years have gone by."

Mr. King demanded an electric roll call, and the demand was sustained.

Mr. Randall spoke against adoption of the amended amendment, and Mr. Savage spoke in its favor.

### ROLL CALL

The Clerk called the roll on the adoption of the committee amendment as amended by Mr. Grant to page 2, section 1, line 19, House Bill No. 346, and the amendment was adopted by the following vote: Yeas, 69; nays, 29; absent or not voting, 1.

Voting yea: Representatives Adams, Anderson, Backstrom, Bagnariol, Bauer, Beck, Berentson, Blair, Bottiger, Bozarth, Bradley, Brouillet, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conner, Conway, Copeland, Costanti, Cunningham, Curtis, Douthwaite, Farr, Gallagher, Goldsworthy, Grant, Hansey, Harris, Haussler, Hoggins, Hurley, Jastad, Johnson, Kilbury, King, Kirk, Kiskaddon, Knowles, Kraabel, Litchman, Luders, Lysen, Marsh, Martinis, Marzano, May, McCormick, McDermott, Mentor, Merrill, Moon, North, O'Brien, Paris, Perry, Savage, Sawyer, Schumaker, Shinpoch, Smythe, Thompson, Van Dyk, Williams, Wojahn, Wolf, Zimmerman, Mr. Speaker—69.

Voting nay: Representatives Amen, Barden, Benitz, Bledsoe, Bluechel, Eikenberry, Flanagan, Gilleland, Gladder, Hatfield, Hubbard, Jones, Jueling, Julin, Kopet, Kuehnle, Lynch, Maxie, Morrison, Newhouse, Pardini, Polk, Rabel, Randall, Ross, Shera, Smith, Spanton, Wanamaker—29.

Absent or not voting: Representative Rosellini—1.

### STATEMENT FOR THE JOURNAL

I wish to change my vote from nay to aye on the committee amendment to House Bill No. 346. MARJORIE LYNCH, 14th District.

### SPEAKER'S INQUIRY

The Speaker: "Mr. Grant, is your floor amendment intended to strike subsection (i) of that paragraph and insert, or is it just intended to insert new language?"

Mr. Grant: "I think, Mr. Speaker, that the committee amendment strikes subsection (i). That would be taken first—that is what I assumed at least. Then my amendment would be to insert a new section (i)."

The Speaker: "That was my confusion. If it was an intent to perfect the language, it would come before the motion to strike. We will take the committee amendment first."

### PARLIAMENTARY INQUIRY

Mr. Hoggins: "If I understand correctly, the committee amendment strikes the language. I can't determine whether or not it is the identical language—it is almost the identical language that was in the original bill. I guess the question is: Do we work on the committee amendment which strikes, and then insert new language, or do we insert new language and then strike?"

The Speaker: "It is not the identical language as that being stricken. It is different language, and under our rules, committee amendments are considered before floor amendments unless those amendments are designed to perfect language stricken by the committee."

House Joint Memorial No. 15, having received the constitutional majority, was declared passed.

## MOTION

On motion of Mr. Bledsoe, House Joint Memorial No. 15 was ordered transmitted immediately to the Senate.

## STATEMENT FOR THE JOURNAL

Regarding House Joint Memorial No. 15: Although I voted to extend the voting

franchise in state elections to 18-year-olds, I consider an amendment to the United States Constitution, which would remove the right of our respective states to set their own age requirements for voting, to be destructive to the concepts of our federal system.

Based upon the conviction stated above, I have cast a "no" vote for House Joint Memorial No. 15, WILLIAM M. POLK, 41st District.

### MOTION

On motion of Mr. Morrison, the House recessed until 2:00 p.m.

### AFTERNOON SESSION

### MESSAGES FROM THE SENATE

March 23, 1971.

Mr. Speaker: The Senate has passed SENATE RESOLUTION NO. 36, and the same is herewith transmitted. SIDNEY R. SNYDER, Secretary.

### MOTION

On motion of Mr. Bledsoe, the House advanced to the sixth order of business.

### INTRODUCTION AND FIRST READING

ENGROSSED SENATE JOINT RESOLUTION NO. 36, by Senators Knoblauch, Holman, Washington, Walgren, Francis and Stortini (by Secretary of State request):

Ratifying the eighteen-year-old voting rights amendment to the federal Constitution.

On motion of Mr. Bledsoe, the rules were suspended, Engrossed Senate Joint Resolution No. 36 was advanced to second reading and read the second time.

### POINT OF INQUIRY

Mr. Bledsoe: "The committee that was meeting, sir, are they on the floor?"

The Speaker: "Not yet."

### MOTION

Mr. Bledsoe moved that the rules be suspended, and that the sponsors of House Joint Memorial No. 15 be permitted to appear as sponsors of Engrossed Senate Joint Resolution No. 36.

Mr. Bledsoe spoke in favor of the motion.

### MOTION

Mr. Litchman moved to amend Mr. Bledsoe's motion by adding all other House members who would like to join as sponsors of the measure.

Mr. Litchman spoke in favor of the motion to amend the motion.

With the consent of the House, Mr. Bledsoe amended his motion to include the names of all interested sponsors.

## POINT OF INQUIRY

Mr. Beck: "First of all, what are we voting on—a joint resolution, or are we voting for a joint memorial?"

The Speaker: "Senate Joint Resolution No. 36 is before us on second reading. The motion by Mr. Bledsoe was to amend Senate Joint Resolution No. 36 to permit the addition of additional sponsors including all sponsors who signed House Joint Memorial No. 15."

Mr. Beck: "Well, thank you. Now you've straightened me out here. It has always been my impression that when we concur with a resolution to the Congress, that is a concurrent resolution. It has always been my impression that a joint resolution is something that is sent to the people to change our Constitution. Now if we are going to send something to the Congress, Mr. Bledsoe, would you straighten me out here?"

Mr. Bledsoe: "I'll do my best, sir. We are dealing with a Senate position that a joint resolution is the only route to go. We are dealing with a House position, both of them adequately researched, that a joint memorial is the only route to go. We can argue this thing for hours and days, and we will lose our position of preeminence, and some other state will pass this thing first. Mr. Beck, now listen carefully, our joint memorial is going to be processed by the Senate. Their joint resolution is going to be processed by the House. Both will be on their way. Vote for this thing. Be my guest."

Mr. Beck: "If it is going to be sent to Congress, I think it would be a concurrent resolution."

The Speaker: "Concurrent resolutions deal with actions between the two houses of the legislature, Mr. Beck."

The Speaker stated the question before the House to be the motion by Mr. Bledsoe to amend Engrossed Senate Joint Resolution No. 36 to permit additional sponsors, including those who sponsored House Joint Memorial No. 15."

## PARLIAMENTARY INQUIRY

Mr. O'Brien: "How can you add House members to a Senate memorial?"

The Speaker: "By a suspension of the rules and motion, I guess, Mr. O'Brien."

Mr. O'Brien: "But you've got Senate sponsors. How are you going to have House sponsors on a Senate memorial? Mr. Speaker, I know the Chief Clerk who passed away would probably raise up in his grave over such a procedure."

The Speaker stated the question before the House to be the motion to suspend the rules and permit additional sponsors on Engrossed Senate Joint Resolution No. 36.

The motion was carried on a rising vote.

On motion of Mr. Bledsoe, the rules were suspended, the second reading considered the third, and Engrossed Senate Joint Resolution No. 36 was placed on final passage.

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Joint Resolution No. 36, and the resolution passed the House by the following vote: Yeas, 74; nays, 20; absent or not voting, 5.

## ANNOUNCEMENT BY THE SPEAKER

The Speaker: "The Chief Clerk asks that any of those persons wishing to be listed as sponsors on this measure will have about five minutes to get their sponsorship slips in since we will immediately transmit this to the Senate."

## MOTION

Mr. Bledsoe moved that at the conclusion of the five-minute sign up period that Engrossed Senate Joint Resolution No. 36 be ordered transmitted immediately to the Senate.

## POINT OF INQUIRY

Mr. Chatalas: "Do those of us who already were sponsors have to write the slip again to become sponsors?"

The Speaker: "Those who were sponsors of House Joint Memorial No. 15 will be added automatically."

## POINT OF INQUIRY

Mrs. Hurley: "I always thought that a Senate Joint Resolution was something to be proposed for a vote of the people. Is it true then that this will be ratification by the state of Washington of this procedure by Congress?"

The Speaker: "That is what this is designed to be."

Mrs. Hurley: "With no vote of the people?"

The Speaker: "There is no vote of the people provided for in this measure."

The motion by Mr. Bledsoe to transmit Engrossed Senate Joint Resolution No. 36 immediately to the Senate was carried.

Mrs. Wojahn spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mrs. Wojahn yielded to question by Mr. Berentson.

Mr. Berentson: "I understand that several amendments are planned for this bill in the Senate. In your opinion do they change the intent or weaken the bill at all?"

Mrs. Wojahn: "I'm glad you asked that, Representative Berentson. As one of the sponsors of the bill, no, the amendments would not in anyway impose changes in the bill. There are no substantive amendments. There is some clarification needed and we felt it was better to get the bill moving and amend it in the Senate. It would not substantially change the bill in any way."

#### ROLL CALL

The Clerk called the roll on the final passage of House Bill No. 992, and the bill passed the House by the following vote: Yeas, 97; nays, 0; absent or not voting, 2.

HOUSE CONCURRENT RESOLUTION NO. 7, by Representatives Lynch, Benitz, King, Kiskaddon, Shipoch and Chatalas:

Providing for study of post high school education financing.

The resolution was read the second time.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and House Concurrent Resolution No. 7 was placed on final passage.

Mrs. Lynch spoke in favor of the resolution.

#### POINT OF INQUIRY

Mrs. Lynch yielded to question by Mr. Kiskaddon.

Mr. Kiskaddon: "Representative Lynch, we discussed House Bill No. 758 in committee. That bill would deal with the concept that a minimum of 50 percent of the actual expenses for an institution of higher learning would be paid towards instruction rather than administration, or capital improvements or the operating part of the budget. Would this concept be studied by the council if this resolution passes?"

Mrs. Lynch: "Representative Kiskaddon, as you know, yesterday we had the hearing on this bill. I think it was unfortunate that we did not have as much background on it as we would like to have had. This is the very type of bill that the council should be taking a look at. The question has arisen many times as to whether or not 50 percent should be used for salaries. In some institutions this is true, and in others it is not true. I have talked to Mr. Furman, who, as you know, is the coordinator of the council, and he has assured me that this kind of a concept will be used in the study."

#### POINT OF INQUIRY

Mrs. Lynch yielded to question by Mr. Brouillet.

Mr. Brouillet: "In the study, when you talk about post-high school education, are you talking about the six vocational-technical institutes as part of the study?"

Mrs. Lynch: "I think, Representative Brouillet, you cannot look at post-high school education without taking a look at that particular part of it. I well understand what is behind your question, and again I would like to reiterate on this floor as I did in the committee: In no way is this study intended to harm the six vocational-technical institutes. But if you are going to look at it, I think you must look at the cost of all post-high school education."

Mr. Brouillet: "Thank you, Mrs. Lynch. My only concern is that the Council on Higher Education has no representation of the six vocational-technical institutes. It has all the colleges and community college people represented. I think if we are going to examine these institutions too, in all fairness there should be some representation somehow in the study from these groups as they are not represented, and I don't know of any representation indicated."

#### ROLL CALL

The Clerk called the roll on the final passage of House Concurrent Resolution No. 7; and the resolution passed the House by the following vote: Yeas, 92; nays, 4; absent or not voting, 3.

Voting yea: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Bauer, Beck, Benitz, Berentson, Blair, Bledsoe, Bluechel, Bottiger, Bozarth, Bradley, Brown, Ceccarelli, Charette, Charnley, Conner, Conway, Costanti, Cunningham, Curtis, Douthwaite, Eikenberry, Farr, Flanagan, Gilleland, Gladder, Goldsworthy, Grant, Harris, Hatfield, Hausler, Hoggins, Hubbard, Hurley, Jastad, Johnson, Jones, Juelling, Julin, Kilbury, King, Kirk, Kiskaddon, Knowles, Kopet, Kraabel, Kuehnle, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Mentor, Merrill, Moon, Morrison, Newhouse, North, O'Brien, Pardini, Paris, Perry, Polk, Rabel, Randall, Ross, Savage, Sawyer, Schumaker, Shera, Shinpoch, Smith, Smythe, Spanton, Thompson, Van Dyk, Wanamaker, Williams, Wojahn, Wolf, Zimmerman, Mr. Speaker—92.

Voting nay: Representatives Brouillet, Chatalas, Gallagher, Litchman—4.

Absent or not voting: Representatives Copeland, Hansey, Rosellini—3.

House Concurrent Resolution No. 7, having received the constitutional majority, was declared passed.

#### STATEMENT FOR THE JOURNAL

I did not vote on final passage of House Concurrent Resolution No. 7 as the question of representation of a vocational-educational school operating under the local school board was not clear. Investigation revealed that technical schools like the one in Bellingham would have no representation in the study. Therefore, I would have voted no on the resolution. DONALD G. HANSEY, 42nd District.

SENATE BILL NO. 219, by Senators Twigg and Guess:

Providing authority for first class cities to exchange property for park purposes.

Committee recommendation: Majority, do pass with the following amendments:

On page 3, section 1, line 4 after "same" strike everything through "purposes" on line 16 and insert "*When the language of any instrument by which any property is so acquired limits the use of said property to park purposes and contains a reservation of interest in favor of the grantor or any other person, and where it is found that the property so acquired*

*is not needed for park purposes and that an exchange thereof for other property to be dedicated for park purposes is in the public interest, the city may, with the consent of the grantor or such other person, his heirs, successors, or assigns, exchange such property for other property to be dedicated for park purposes, and may make, execute, and deliver proper conveyances to effect the exchange. In any case where, owing to death or lapse of time, there is neither donor, heir, successor, or assignee to give consent, this consent may be executed by the city and filed for record with an affidavit setting forth all efforts made to locate people entitled to give such consent together with the facts which establish that no consent by such persons is attainable. Title to property so conveyed by the city shall vest in the grantee free and clear of any trust in favor of the public arising out of any prior dedication for park purposes, but the right of the public shall be transferred and preserved with like force and effect to the property received by the city in such exchange"*

On page 7, line 15 add a new section as follows:

*"NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."*

On page 1, line 3 of the title after "35.22.280" insert "and declaring an emergency"

The bill was read the second time.

Mr. Julin moved adoption of the first committee amendment.

Mr. Grant moved adoption of the following amendment to the committee amendment:

On the last line of the amendment to page 3, by the Committee on Judiciary, following "exchange" add "": *PROVIDED, That the provisions of this subsection shall only apply to all first class cities situated in class A counties located east of the Cascade Mountains"*

Mr. Grant spoke in favor of the amendment to the amendment, and Mr. Julin spoke against it.

The amendment by Mr. Grant to the committee amendment was lost.

On motion of Mr. Julin, the committee amendment adding a new section 2 and the amendment to the title were adopted.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Senate Bill No. 219 as amended by the House, was placed on final passage.

Representatives Harris and Hurley spoke in favor of passage of the bill, and Representative Grant spoke against it.

HOUSE BILL NO. 309, by Representatives Bluechel, Charnley, Rabel, Ross, Gilleland, Blair, Chatalas, Douthwaite and Kilbury (by Governor's Commission for Youth Involvement request):

Lowering the age to eighteen years from twenty-one years for certain purposes.

## MOTION

On motion of Mr. Bluechel, Substitute House Bill No. 309 was substituted for House Bill No. 309, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 309 was read the second time.

Rules and Administration for third reading.

On motion of Mr. Bluechel, the following amendments were adopted:

On page 49, section 44, line 20 after "beer" insert "or wine"

On page 49, section 44, line 21 after "beer" insert "or wine"

Mr. Conway moved adoption of the following amendment:

On page 49, section 44, line 20 beginning with "other" strike everything down to and including "beer" on line 21

## PARLIAMENTARY INQUIRY

Mr. Wolf: "Could we allow Representative Conway to include the words 'or wine' in his amendment now so it will be correct?"

The Speaker stated that with the consent of the House, Mr. Conway's amendment would read:

On page 49, section 44, line 20 beginning with "other" strike everything down to and including "wine" on line 21

Representatives Conway and Luders spoke in favor of the amendment, and Representatives Bluechel and Smythe spoke against it.

## POINT OF INQUIRY

Mr. Smythe yielded to question by Mr. Gladder.

Mr. Gladder: "I am interested in the legal aspect of this. With all these responsibilities and privileges and liberties that we are granting to these youngsters, what would be your attitude toward the 18-year-old high school senior who happens to pass along some beer, wine, etc. to some of his classmates or kids in the same school who might be 17, 16 or 15? Would you think they should stand trial on the basis of contributing to the delinquency of a minor the same as the adult would in this situation? I would be very interested because this is a bucket of worms, and you are going to find this happening in the high schools throughout the entire state."

Mr. Smythe: "First, for a brief response, I don't think this is going to make that kind of a problem any more than it is today. That is, 18-year-olds can get beer, 19-year-olds, etc., and they do influence in some cases—you read it in the paper every weekend where they pick them up. I think that the attorneys and judges will have to tell you they probably will treat them exactly the same. They are now considered an adult and they will face the same kind of problems, as far as the law is concerned, as they face today where the 21-year-old contributes to it. I don't think that is a major problem."

Representatives Litchman and Zimmerman spoke in favor of the amendment by Mr. Conway, and Representatives Bagnariol and Ross spoke against it.

Mr. Charette demanded the previous question, and the demand was sustained.

Mr. Morrison demanded an electric roll call, and the demand was sustained.

## ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Conway to Substitute House Bill No. 309, and the amendment was adopted by the following vote: Yeas, 56; nays, 42; absent or not voting, 1.

Voting yea: Representatives Amen, Barden, Bauer, Benitz, Berentson, Bledsoe, Bottiger, Bozarth, Brouillet, Conner, Conway, Copeland, Costanti, Cunningham, Curtis, Farr, Flanagan, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Hatfield, Haussler, Hoggins, Hubbard, Hurley, Jastad, Juelling, Julin, Kirk, Kopet, Kuehnle, Litchman, Luders, Marsh, Marzano, May, McCormick, McDermott, Mentor, Merrill, Morrison, Newhouse, O'Brien, Pardini, Paris, Schumaker, Shera, Smith, Spanton, Wanamaker, Wojahn, Wolf, Zimmerman, Mr. Speaker—56.

Voting nay: Representatives Adams, Anderson, Backstrom, Bagnariol, Beck, Blair,

Bluechel, Bradley, Brown, Ceccarelli, Charette, Charnley, Chatalas, Douthwaite, Eikenberry, Gallagher, Grant, Johnson, Jones, Kilbury, King, Kiskaddon, Knowles, Kraabel, Lynch, Lysen, Martinis, Maxie, Moon, North, Polk, Rabel, Randall, Rosellini, Ross, Savage, Sawyer, Shinpoch, Smythe, Thompson, Van Dyk, Williams—4.

Absent or not voting: Representative Perry—1.

#### STATEMENT FOR THE JOURNAL

On the vote by which the amendment by Representative Conway to page 49, section 44, line 20, Substitute House Bill No. 309, carried, I inadvertently registered a "nay" vote, when my intention was an affirmative vote. ROBERT W. RANDALL, 23rd District.

#### POINT OF INQUIRY

Mr. Bluechel yielded to question by Mr. Beck.

Mr. Beck: "I'm an old retired sailor. I went to sea for 20 years, and I started out when I was 16, so you can answer this question without pulling any strings. I'd just like to get to the bottom of this. I've been around and hardly anything will shock me. In your testimony against Mr. Conway's amendment, you said there have been many people representing church groups that have come and testified that it is all right for them to drink beer and wine. Would you tell me just one person and what church he belonged to who told you it was all right to drink beer and wine or advocated it? Could you just give me the name of one person?"

The Speaker: "Mr. Beck, the matter of beer and wine is now out of the bill. I suggest that the question is not germane to the final passage of Engrossed Substitute House Bill No. 309 as it stands before us."

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 309, and the bill passed the House by the following vote: Yeas, 82; nays, 17; absent or not voting, 0.

REPORTS OF STANDING COMMITTEES

March 23, 1971.

HOUSE BILL NO. 873, redistricting and reapportioning the state congressional districts, reported by Committee on Elections and Apportionment.

MAJORITY recommendation: Do pass with the following amendments:

Beginning on line 4 strike the remainder of the bill and insert the following:

“NEW SECTION. Section 1. There is added to chapter 29.68 RCW a new section to read as follows:

The purpose of this 1971 amendatory act is to redistrict the congressional districts of the state of Washington in accordance with the requirements of the United States Constitution as these requirements have been enunciated by the United States supreme court, so as to encompass within each district, as nearly as practicable, an equal number of state residents, exclusive of transient persons. As a matter of state policy, the legislature hereby declares the state residential population is regarded as the proper apportionment base for the alignment of congressional district boundaries to the extent that it is practically possible to determine such population base. In accordance with this policy, the populations of the seven congressional districts established by and described in this 1971 amendatory act have been determined by the legislature on the following basis:

(1) For those geographic areas encompassing federal military establishments, and also constituting separate special enumeration census districts within the purview of the 1970 decennial federal census, population has been established by ascertaining the total number of the registered voters residing therein and then multiplying these totals by a multiple (2.2) reflecting the relationship between registered voters and the total number of state residents throughout the state;

(2) In the case of all other geographic areas, population has been ascertained on the basis of the total number of persons having been found to be residing within such areas as of April 1, 1970 in accordance with the aforesaid 1970 federal decennial census, for the specific reason that no practical means have been found to be available, in the absence of more inclusive federal census data, to establish the residential population of these areas in any other manner. No special census enumeration districts exist for such other areas of the state as may be occupied by significant numbers of transients.

NEW SECTION. Sec. 2. There is added to chapter 29.68 RCW a new section to read as follows:

On the basis of the criteria set forth in section 1 of this 1971 amendatory act, the population of each of the congressional districts established by this 1971 amendatory act is as follows:

First	478,648
Second	478,641
Third	478,598
Fourth	478,757
Fifth	478,788
Sixth	478,562
Seventh	478,616

Sec. 3. Section 8, chapter 152, Laws of 1965 ex. sess. and RCW 29.68.008 are each amended to read as follows:

(1) Any area not specifically included within the boundaries of any of the districts as described in [RCW 29.68.004, 29.68.008, 29.68.012, 29.68.022, 29.68.031, 29.68.041, 29.68.063 and 29.68.067,] *this 1971 amendatory act* and which is completely surrounded by a particular district, shall be a part of that district. Any such area not completely surrounded by a particular district shall be a part of the district having the smallest number of inhabitants and having territory contiguous to such area [in the same county in which the area is located].

(2) Any area described in [RCW 29.68.004, 29.68.008, 29.68.012, 29.68.022, 29.68.031, 29.68.041, 29.68.063 and 29.68.067] *this 1971 amendatory act* as specifically embraced in two or more noninclusive districts shall be a part of the adjoining district

having the smallest number of inhabitants and shall not be a part of the other district or districts.

(3) Any area specifically mentioned as embraced within a district but separated from such district by one or more other districts, shall be assigned as though it had not been included in any district specifically described.

(4) The [1960] 1970 United States census shall be used for determining the number of inhabitants under the provisions of [RCW 29.68.004, 29.68.008, 29.68.012, 29.68.022, 29.68.031, 29.68.041, 29.68.063 and 29.68.067] *this 1971 amendatory act.*

*NEW SECTION.* Sec. 4. There is added to chapter 29.68 RCW a new section to read as follows:

The boundaries of census areas mentioned in this chapter shall be those established by the United States bureau of the census in the 1970 decennial census. #### SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House, Mrs. Grace Montgomery, 1971 Washington State Mother of the Year, and requested the the Sergeant at Arms conduct her to a place on the rostrum.

The Speaker: "Ladies and gentlemen: Mrs. Montgomery informs me that the 1970 Washington State Mother of the Year, Mrs. Victoria A. Freeman of Longview, is ill and in the hospital. She could not be here today to be honored along with Mrs. Montgomery.

"I am particularly proud to have Mrs. Montgomery here because in 1955 my own mother, who many of you know, was the Washington State Mother of the Year, and that has always been one of the joys of her life and her career to be accorded that honor.

"I would like to present to you Mrs. Grace Montgomery, mother of eight children and grandmother of 28. She teaches home economics and art at Seattle Christian School in south Seattle. We are delighted to have such a distinguished lady with us this morning."

Mrs. Grace Montgomery: "Thank you. Perhaps I could explain a little: I lost my husband 17 years ago. I had four grown children and four sons still at home. I previously had one year of college and with my boys' help, I managed to get my B.A. degree in two years. I went to work as a teacher and in the next three years I had my master's degree. I have to give my boys credit. If they hadn't helped, I couldn't have done it. They could cook

and clean house. I'm sorry none of my boys or my daughter could be here today, but I imagine they would have liked to have been here. I have a minister; I have an engineer; and I have some farmers.

"It is wonderful to be here. In the balcony I have some of my students from Seattle Christian School. My sister-in-law is here, some members of the Des Moines Sea-Tac Business and Professional Women's Club (who sponsored my entry in the Mother of the Year competition) and also some members of my church are here. It is wonderful to know that they appreciated me enough to be down here today. I thank you all for giving me this time. I never expected to be here."

The Speaker requested that the Sergeant at Arms conduct Mrs. Montgomery from the rostrum.

Mr. Flanagan spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. McDermott.

Mr. McDermott: "Can you tell us the fiscal impact of this little tax exemption?"

Mr. Flanagan: "Actually, according to the information that we had from the Department of Revenue, they have not, up to this time, collected any revenue on this stock. They estimated that they would, in the coming year, collect about a million dollars on this if it stayed the way it was. However, with the amendment we put on in the House, which placed considerable more limit, I am not sure what the revenue impact is. I didn't get that figure; however, up to this time they have not collected any revenue on it."

Mr. McDermott spoke against passage of the bill, and Mr. Cunningham spoke in favor of the bill.

## POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Ross.

Mr. Ross: "Mr. Flanagan, how many persons, or firms, are affected by this legislation?"

Mr. Flanagan: "I don't have that information—I don't know how many are affected."

Mr. Ross: "Do you think it is a substantial number, Mr. Flanagan?"

Mr. Flanagan: "It is quite a substantial number, yes. Of course, one thing about it, too, that Representative Cunningham didn't mention: This applies to nursery stock grown in greenhouses also, as long as it has been held this period of time. I think that the amendment substantially cut the amount of revenue impact that was in the original bill."

Mr. Ross spoke against passage of the bill, and Mr. Kilbury spoke in favor of the bill.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 515, and the bill passed the House by the following vote: Yeas, 92; nays, 5; absent or not voting, 2.

Clarifying property tax exemption for nursery stock.

#### MOTION

On motion of Mr. Morrison, House Bill No. 669 was rereferred to the Committee on Rules and Administration.

HOUSE BILL NO. 876, by Representatives Curtis, Eikenberry, Ross and Maxie:  
Pertaining to the licensing of intoxicating liquor for consumption at certain places.

Committee recommendation: Majority, do pass with the following amendment:

On page 3, section 2, line 15 beginning with "*and cooking*" strike everything down to and including "*place*" on line 18 and insert "*, cooking and serving of complete meals, and food service shall be available on request in other licensed places on the premises: PROVIDED FURTHER, That an additional license fee of ten dollars shall be required for such duplicate licenses*"

The bill was read the second time.

On motion of Mr. Curtis, the committee amendment was adopted.

House Bill No. 876 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 876 was placed on final passage.

Mr. Curtis spoke in favor of the bill, and Mr. Hoggins spoke against it.

Mr. Curtis replied to the remarks of Mr. Hoggins.

#### POINT OF INQUIRY

Mr. Curtis yielded to question by Mr. Mentor.

Mr. Mentor: "What areas in the Seattle Civic Center would be entitled to a license under this bill that are not entitled to one now? Only the Food Circus?"

Mr. Curtis: "No, it wouldn't affect the Food Circus. Right now the only vehicle that is available for the caterer in the Seattle Center to serve liquor if requested by, say, a convention that comes in, is by means of a banquet license. This bill would allow him to gain an additional type of permit that would give him a master license, and then satellite areas, where he might be able to serve liquor along with food. For instance, if the Seattle Hockey Team has a game, he could cater and serve a meal along with cocktails to the season ticket holders who might want to come to the game early, enjoy a meal and cocktail, go to the hockey game and then leave. It would allow him to establish certain locations under the direction and control of the Liquor Control Board in certain areas of the Seattle Center."

Mr. Mentor: "But where? I didn't know there was any place that catered in the Civic Center area except the restaurants or the Space Needle that already have the Class H license."

Mr. Curtis: "There is a fully-equipped kitchen in the convention area."

#### POINT OF INFORMATION

Mr. Chatalas: "If I may, Mr. Speaker, I would like to explain to Mr. Mentor that around the area of the Center, there are many rooms where you can have meetings, such as the Rainier Room, the Snoqualmie Room, etc. Those are the places where they have dinners as well."

Mr. Hoggins spoke again in opposition to the bill, and Mr. Wolf spoke in favor of the bill.

#### POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Bottiger.

Mr. Bottiger: "In all fairness, isn't this what we are doing? Under a Class H license you can't sell the drink; it has got to be part of the host doing it—you can't pay your buck and get your drink. Now we all buy script and get around it, but under this license they will be able to sell the drink right there?"

Mr. Wolf: "No, that is absolutely backwards. Under the Class H license you can sell the drink. In hotels and motels, like the Evergreen, we pay a master license and a satellite bar license. This Class H license, already granted to the concessionaire, applies to his central location. In order to serve your convention in one of the rooms that Mr. Chatalas has outlined, he buys a banquet permit, puts it up on the wall, and serves your convention a drink. All this bill does is say that if he has a master H license, that he can get a \$10.00 location license, and he won't have to buy banquet permits every night you meet."

Mr. Bottiger: "Mr. Wolf, under a banquet permit, you can't sell the drink. That's why we go through this little gadget about the script. We don't do it, but somebody is out there doing it. But if you give them a satellite bar license, then they will come in and cater the dinner, and sell the drink right there?"

Mr. Wolf: "Yes."

Mr. Bottiger: "That is what the bill does?"

Mr. Wolf: "Yes."

#### POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Mentor.

Mr. Mentor: "In fact then, if someone has a Class H license in one location, he can then set up satellite operations around the state, any place he might choose."

Mr. Wolf: "If he owns a publicly-owned civic center, you are right."

Mr. Mentor: "Or rents any of the facilities in a civic center?"

Mr. Wolf: "If he has a contract with a publicly-owned civic center to be their concessionaire."

#### POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Mr. Wolf, perhaps you could tell me what the difference is between a master license in terms of the fee received by the State Liquor Control Board and the fee received for the Class H license, in terms of dollars?"

Mr. Wolf: "Mr. Douthwaite is under the assumption that Class H licenses sell on the open market. They do not do that anymore. They have to revert to the Board and the master license is eleven hundred dollars. There is no blue sky anymore in liquor licenses. This license happens to be \$10.00 additional for each location in the convention center of the publicly-owned civic center."

Mr. Douthwaite: "I'm sorry, I didn't quite get all that. The master license was how many dollars, and the Class H license was how many dollars?"

Mr. Wolf: "Eleven hundred dollars and six hundred dollars."

Mr. Douthwaite spoke against passage of the bill.

#### POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Moon.

Mr. Moon: "What is the fee for a banquet permit?"

Mr. Wolf: "Five dollars."

Mr. Moon: "Then for an additional \$10.00 at any one location, a master license holder then could have an unlimited number of \$5.00 banquet permits in effect."

Mr. Wolf: "Yes, the effect of the bill is to let the convention centers that operate in civic centers—you understand they can do this at the Evergreen Motel or Olympic Hotel with no penalty whatsoever on a Class H license for \$600—they can do this anyplace else in the state for \$600, depending on the size of the class of the county. This is really what you are talking about. You are letting the guy who is a concessionaire in a publicly-owned civic center get away from going down and getting a banquet permit everytime you have a convention. We are letting him say that because he has a master license, he can now pay \$10.00 additional for each room—the Chatalas Room, the O'Brien Room, and he won't have to keep on going and getting banquet permits."

Mr. Merrill demanded the previous question, and the demand was sustained.

## RESOLUTION

HOUSE RESOLUTION NO. 71-35, by Representatives Berentson, Bledsoe, Sawyer, Wolf, Shera, Brouillet, Morrison, Pardini, Chatalas, Rabel and Litchman:

WHEREAS, There has recently emanated from the lesser Chamber, sometimes called and hereinafter referred to as the "Senate," a characteristically vague and understandably pusillanimous request for instruction in that athletic endeavor, to wit, the game of basketball, which combines the skill and grace personified by the Members of the august and erudite body traditionally known as and hereinafter referred to as the Washington State House of Representatives; and

WHEREAS, Custom so prevalent and so ancient as to have the force of law, has dictated that the House is obligated to instruct the Senate, notwithstanding the fact the Senate has failed to profit by such instruction; and

WHEREAS, All known and verifiable records contained in the Archives of the State of Washington attest to an unblemished record of victories for the House dating back to the time of statehood in such instructional contests; and

WHEREAS, Any claim to athletic prowess on the part of Members of the Senate defy all known geriatric principles, to wit, the prevalence of obesity and advancing senility corrupts a basic skill of the game, to wit, you can't run or shoot the ball so good; and

WHEREAS, As an additional handicap the Senate has offered to encumber itself further with the recruitment of various members of the Fourth Estate, to wit, the Press, which, in addition to the geriatric limitations enjoyed by the Senate, has the further problem of a paucity of skill, coordination and credibility;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives of the

State of Washington, That at a time, date and place certain, to be mutually agreed to (if this be possible in light of the Senate's record of procrastination) by the parties, the House accepts, with glee, any and all requests for instruction in the art of basketball, which instruction said House will administer with impunity and dispatch with avarice; and that a copy of this Resolution shall be transmitted herewith to each Member of the Senate and the Press.

On motion of Mr. Berentson, the resolution was adopted.

#### MOTIONS

On motion of Mr. Morrison, HOUSE BILL NO. 1113 and HOUSE BILL NO. 1114 were rereferred from the Committee on State Government to the Committee on Natural Resources and Ecology.

On motion of Mr. Morrison, SUBSTITUTE SENATE BILL NO. 446 was rereferred from the Committee on Rules and Administration to the Committee on Agriculture.

#### SECOND READING

HOUSE BILL NO. 642, by Representatives Pardini, Bagnariol and Shera:  
Implementing law relating to mutual savings banks.

Committee recommendation: Majority, do pass with the following amendment:

On page 7, section 8, line 6 strike "[real estate]" and insert "real estate ["

The bill was read the second time.

Mr. Shera moved adoption of the committee amendment, and spoke in favor of its adoption.

#### POINT OF INQUIRY

Mr. Shera yielded to question by Mr. Hatfield.

Mr. Hatfield: "This bill apparently authorizes mutual savings banks to invest in one-day loans. I understand that such a privilege is prohibited by both state and national banking laws to commercial banks. Why should mutual savings banks have this privilege?"

Mr. Shera: "I think this question is not germane to the committee amendment. Perhaps you could ask that when it comes up for third reading, and maybe you ought to direct that to Mr. Pardini, because he could probably better answer it."

The committee amendment was adopted.

Mr. Luders moved adoption of the following amendment:

On page 1, line 20 after "payments" and before the comma insert: "*which does not discriminate against or between such former officers and employees or any class thereof and is a qualified plan under section 401(a) and exempt from federal taxes under section 501(a) of the Internal Revenue Code of 1954 as now in effect or subsequently amended*"

Representative Luders spoke in favor of adoption of the amendment, and Representatives Shera and Charette spoke against it.

#### POINT OF INQUIRY

Mr. Shera yielded to question by Mr. O'Brien.

Mr. O'Brien: "Mr. Shera, when this question was raised in committee on retirement benefits and whether or not there was going to be any discrimination, was a reply given to you, to your ultimate satisfaction, that there wouldn't be any discrimination exercised between former officers and employees in favor of, maybe, a single officer or employee?"

Mr. Shera: "I don't remember that question being asked."

Mr. O'Brien: "Apparently this is a question that was raised here relative to the bill, whether or not discrimination was going to be raised. You don't recall this question being asked and a reply given by one of the proponents of the bill?"

Mr. Shera: "No, I don't. I should point out that it must be approved by the Supervisor of Banking, and I think that is some check on this possible abuse, also, as well as the Internal Revenue Service."

#### POINT OF INQUIRY

Mr. Shera yielded to question by Mr. Hubbard.

Mr. Hubbard: "I think our problem here is that we want to be satisfied that we are not

trying to build in preferences for the mutual savings banks in retiring their people that the national banks don't have. Is it your understanding that we are simply trying to conform these retirement privileges, and that we are not trying to favor perhaps some individual members of mutual savings banks' boards with a different set of retirement regulations than are presently imposed on the national banks?"

Mr. Shera: "I am satisfied in my own mind that is the case, yes."

Mr. Hubbard: "Is it your understanding that this is the intention of this particular bill, as you understand it as Chairman of the Financial Institutions Committee?"

Mr. Shera: "Well, Mr. Hubbard, as far as national banks are concerned, the state supervisor has no control whatever, as you know, with regard to their retirement policies, whereas the supervisor does have some control over mutual savings banks so the issue is confused here. Perhaps Mr. Pardini could respond to your question."

#### POINT OF INFORMATION

Mr. Pardini: "I think if the intent of the question is to get something in the record—definitely, yes, we can put it in the record that it is the intent of the mutual savings banks that there will not be discrimination and that there will be no distinction. The only idea of the supplemental benefits, as proposed in this legislation, is that under existing law the mutual savings banks need the approval of the supervisor before they can set up a pension program. There is no provision in the existing law under section 32.04.080 for any supplemental benefits, so those employees of mutual savings banks who retired fifteen years ago cannot get a supplemental benefit. Section one would allow mutual savings banks to go back, adjust those to a cost-of-living index, without any distinction between officers and employees."

The amendment by Mr. Luders was not adopted.

House Bill No. 642 was ordered engrossed.

On motion of Mr. Morrison, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 642 was placed on final passage.

#### POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Hatfield.

Mr. Hatfield: "For the record, would you briefly clarify the attitude of the commercial banks on section three?"

Mr. Pardini: "I am not sure that I can speak for them, Representative Hatfield, but sections three and four deal with what they call overnight borrowing, repurchase agreements and federal fund transactions. This is a practice which the mutual savings banks have had for the last twenty-five years, where they will make loans to banks overnight or over the weekend. This comes about because banks have federal reserve requirements. They have to meet certain reserve requirements as to liquidity position. You will find that mutual savings banks at times have surplus cash. The commercial banks are short of cash. They loan the money to the commercial banks on an overnight basis. The money is transferred now by messenger or by note, and by the pledging of bonds and securities back and forth. This language clarifies that they can do it by ledger entry—that the money can be loaned to banks. I think the question you raise is: Can we make overnight loans? Yes, we can make overnight loans, but line 16 of section three says specifically: 'A mutual savings bank may invest its funds in loans to banks or trust companies . . .'. They would be the only ones that we could make overnight loans to. It is my understanding that the Seattle First National Bank which engages in this practice is opposed to this. The National Bank of Commerce which also engages in this practice is in favor of it. Beyond that, I say I'm not opposed."

Mr. Pardini spoke in favor of passage of the bill.

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 642, and the bill passed the House by the following vote: Yeas, 96; nays, 1; absent or not voting, 2.

Voting yea: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Bauer, Beck, Benitz, Berentson, Blair, Bledsoe, Bluechel, Bottiger, Bozarth, Bradley, Brouillet, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conner, Conway, Copeland, Costanti, Cunningham, Curtis, Douthwaite, Eikenberry, Farr, Flanagan, Gallagher, Gilleland, Gladder, Goldsworthy, Grant, Hansey, Harris, Hatfield, Haussler, Hoggins, Hubbard, Hurley, Jastad, Johnson, Jones, Juelling, Kilbury, King, Kirk, Kiskaddon, Knowles, Kraabel, Kuehnle, Litchman, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May,

Engrossed House Bill No. 642, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

On page 1, line 13, following section 1, add a new section as follows:

"Sec. 2. Section 46.08.110, chapter 12, Laws of 1961 as amended by section 3, chapter 32, Laws of 1967 and RCW 46.01.250 are each amended to read as follows:

The director shall have the power and it shall be his duty upon request and payment of the fee as provided herein to furnish under seal of the director certified copies of any records of the department, except those for confidential use only: *PROVIDED, That under no circumstances shall the director furnish lists or rosters of motor vehicle owners or operators to be used for direct mail advertising of commercial products or soliciting of services for a fee, and anyone who shall use such lists or rosters for such purposes shall be guilty of a gross misdemeanor.* The director shall charge and collect therefor the actual cost to the department. Any funds accruing to the director of motor vehicles under this section shall be certified and sent to the state treasurer and by him deposited to the credit of the highway safety fund."

#### POINT OF ORDER

Mr. Charette: "I rise to a point of order, and my point is that under Article II, section 8, of the State Constitution, it provides that any amendment that is offered to a bill in the legislature must be within the scope and object of the bill. I respectfully submit that the scope and object of this bill is entirely changed by this amendment and request a ruling thereon."

#### RULING BY THE SPEAKER

The Speaker: "Mr. Charette, members of the House: Engrossed Senate Bill No. 47, which has only section one left in it now in the engrossed version, pertains to motor vehicles and amends RCW 46.01.260, pertaining to motor vehicle records. This amendment pertains to RCW 46.01.250—the section in the same chapter, same part of the Code, preceding the section. Of course under my previous rulings, if this amendment just dealt with government, it wouldn't necessarily be conclusive. If it just dealt with motor vehicles, it wouldn't necessarily be conclusive, depending on what the body of Engrossed Senate Bill No. 47 says, but that measure goes even further. It is a very narrow measure. It does deal with motor vehicle records. It deals with what the Director of Motor Vehicles may do with those records. It amends the section of the code immediately following the section which is sought to be amended in the floor amendment by Representative Williams, and I think the amendment is in order."

Mr. Williams spoke in favor of adoption of the amendment, and Mr. Charette spoke against the amendment.

#### POINT OF INQUIRY

Mr. Cunningham yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "Representative Cunningham, will you recite for me the primary use, or the several primary uses, to which the highway safety fund is diverted?"

Mr. Cunningham: "Is diverted?"

Mr. Kuehnle: "Is used—whatever kind of label you want to put on it?"

Mr. Cunningham: "Well, it is used for safety primarily."

Mr. Kuehnle: "Is that the best answer you can come up with?"

Mr. Cunningham: "Well, in general it is used for safety purposes."

Mr. Kuehnle: "Is this not the primary source of funding for the driver education program?"

Mr. Cunningham: "No, there is some source here, but not the major source. The major source comes from fines and forfeitures, as you are probably aware."

Mr. Kuehnle: "It would appear to me under the terms of this amendment we are directing the Director of the Department of Motor Vehicles to sell these records at a price which shall represent the cost of providing the service, and then the funds which are accrued from the sale are put over into the highway safety fund. It would therefore seem to me we are creating a direct siphon from the Department of Motor Vehicles to the Highway Safety Fund. The more lists that are sold, the faster the siphon runs. Is that an accurate statement?"

Mr. Cunningham: "The siphon doesn't run very fast anyway, but I think what you want to know is how much money is involved here. Is that correct? How much loss there would be with this, or how much gain. Is that what you had in mind?"

Mr. Kuehnle: "I would be interested in knowing, although I think it would be difficult for anyone to predict what the demand would be for lists."

Mr. Cunningham: "At the present time, I think, if this amendment passes, the loss might be twenty thousand dollars—in that vicinity—twenty thousand or twenty-two thousand."

Mr. Kuehnle: "What is the logic associated with siphoning off whatever amount it is. If we are indeed interested in making the lists available at cost, then why don't we let them retain the funds which represent the cost?"

Mr. Cunningham: "From talking with the department (it is some time since I discussed it with them) they always charge a sufficient amount to make sure they are covering all their costs and sometimes it will cover more than their costs and that amount then would go to the safety fund."

Mr. Kuehnle: "I assume it could work that way, but the terms of this amendment direct that they shall be sold at cost and whatever those proceeds are would be credited to the Highway Safety Fund. So it would appear to me it is designed to siphon off a certain amount of money and divert it in another direction."

Representatives Hurley and Williams spoke in favor of adoption of the amendment by Mr. Williams to Engrossed Senate Bill No. 47, and Representatives Berentson, Bledsoe, Beck and Wolf spoke against it.

Mr. Lysen demanded an electric roll call, and the demand was sustained.

Representatives Brown, Cunningham and Marsh spoke in favor of the amendment by Mr. Williams to Engrossed Senate Bill No. 47.

Mr. Anderson demanded the previous question, and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Williams to Engrossed Senate Bill No. 47, and the amendment was lost by the following vote: Yeas, 34; nays, 64; absent or not voting, 1.

Voting yea: Representatives Amen, Barden, Bluechel, Brouillet, Brown, Charnley, Conner, Cunningham, Douthwaite, Farr, Gladder, Goldsworthy, Grant, Hansey, Haussler, Hoggins, Hurley, Johnson, King, Knowles, Kraabel, Luders, Lysen, Marsh, Maxie, May, Merrill, Newhouse, North, Paris, Rosellini, Shinpoch, Van Dyk, Williams—34.

Voting nay: Representatives Adams, Anderson, Backstrom, Bagnariol, Bauer, Beck, Benitz, Berentson, Blair, Bledsoe, Bottiger, Bozarth, Bradley, Ceccarelli, Charette, Chatalas, Conway, Copeland, Costanti, Curtis, Eikenberry, Flanagan, Gallagher, Gilleland, Harris, Hatfield, Hubbard, Jastad, Jones, Jueling, Julin, Kilbury, Kirk, Kiskaddon, Kopet, Kuehnle, Litchman, Lynch, Martinis, Marzano, McCormick, McDermott, Mentor, Moon, Morrison,

O'Brien, Pardini, Perry, Polk, Rabel, Randall, Ross, Savage, Sawyer, Schumaker, SHERA, Smythe, Spanton, Thompson, Wanamaker, Wojahn, Wolf, Zimmerman, Mr. Speaker—64.

Absent or not voting: Representative Smith—1.

Mr. Cunningham moved adoption of the following amendment:

On page 1, following section 1, add the following new section:

"Sec. 2. Section 2, chapter 144, Laws of 1967 and RCW 46.64.070 are each amended to read as follows:

To carry out the purpose of RCW 46.64.060 and 46.64.070, officers of the Washington state patrol are hereby empowered [during daylight hours and] while using plainly marked state patrol vehicles with red light to require the driver of any motor vehicle being operated on any highway of this state to stop and display his or her driver's license and/or to submit the motor vehicle being driven by such person to an inspection and test to ascertain whether such vehicle complies with the minimum equipment requirements prescribed by chapter 46.37 RCW, as now or hereafter amended. No criminal citation shall be issued for a period of ten days after giving a warning ticket pointing out the defect.

The powers conferred by RCW 46.64.060 and 46.64.070 are in addition to all other powers conferred by law upon such officers, including but not limited to powers conferred upon them as police officers pursuant to RCW 46.20.430 and powers conferred by chapter 46.32 RCW."

#### POINT OF ORDER

Mr. Barden: "Under Rule 32, no motion or proposition on a subject different from that under consideration shall be admitted under color of amendment. In your ruling under the previous challenge to the previous amendment, you indicated that amendment dealt with the powers of the Director of the Department of Motor Vehicles, and was therefore germane. However, this amendment is part and parcel of House Bill No. 169 which has passed this House. It deals with the power of the State Patrol to stop citizens on the state highways, and I would submit to you, sir, that it is not germane to the bill."

#### RULING BY THE SPEAKER

The Speaker: "The fact that it is part and parcel of another measure introduced in the House would not necessarily be important unless it was that entire measure substantially unchanged. However, the previous amendment to the bill and the bill itself deals with motor vehicle records and duties of the Director of Motor Vehicles with regard to treatment of those records and what he might do with them. This particular amendment deals with neither of those subjects, which is the subject matter of the original bill. Your point is well taken, and the amendment is not germane."

On motion of Mr. Cunningham, the following amendment was adopted:

On page 1, following section 1 add the following sections:

"Sec. 2. Section 6, chapter 169, Laws of 1963 and RCW 46.29.060 are each amended to read as follows:

The provisions of this chapter, requiring deposit of security and suspensions for failure to deposit security, subject to certain exemptions, shall apply to the driver and owner of any vehicle of a type subject to registration under the motor vehicle laws of this state which is in any manner involved in an accident within this state, which accident has resulted in bodily injury or death of any person or damage to the property of any one person [in excess] of [one] two hundred dollars or more."

Mr. Cunningham moved adoption of the following amendment, and spoke in favor of the amendment:

"NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

#### POINT OF INQUIRY

Mr. Cunningham yielded to question by Mr. Sawyer.

Mr. Sawyer: "Mr. Cunningham, what is the need for the emergency clause in this matter?"

Mr. Cunningham: "It would allow the department to discontinue the practice of handling, filing and keeping an exact record of those accidents of less than two hundred dollars. A report of one hundred dollar accidents would have to be made to the local police departments, but the department would not have to maintain complete files of anything under two hundred in cost."

Mr. Sawyer: "Do you think this is an emergency?"

Mr. Cunningham: "They are having difficulty in that department with all the paper work. They are snowed under with this sort of thing. Since the original one hundred dollars went into effect, inflation has upped the cost of fender benders, so it doesn't take much of a fender bender to amount to over one hundred dollars. They are being swamped with paper work."

Mr. Sawyer spoke against adoption of the amendment.  
The amendment was adopted.

On motion of Mr. Cunningham, the following amendment to the title was adopted:

On line 3 of the title of the engrossed bill, after "RCW 46.01.260" and before the period insert "amending section 6, chapter 169, Laws of 1963 and RCW 46.29.060; and declaring an emergency"

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 47 as amended by the House was placed on final passage.

Mr. Amen spoke in favor of passage of the bill.

#### POINT OF ORDER

Mr. Wolf: "Would this amendment be construed as striking and improving, and therefore leaving the door open to strike?"

The Speaker: "That is the way I interpreted it, that you first have a right to strike and insert new language. Then the motion to strike alone would be in order."

#### MOTION

On motion of Mr. Charette, the House deferred further consideration of Substitute House Bill No. 596 on second reading, and the bill was ordered placed at the top of tomorrow's second reading calendar.

#### POINT OF INQUIRY

Mr. Bottiger: "Would Mrs. North yield to question?"

Representative North declined to yield to question.

Mr. Bottiger spoke against passage of the bill.

## POINT OF INQUIRY

Mrs. North yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Mrs. North, newspapers commonly afford advertisers three different categories in the 'help wanted' classified advertising columns—one headed 'Help Wanted—Female,' one headed 'Help Wanted—Male,' and one headed 'Help Wanted—Male and Female.' If Second Substitute House Bill No. 594 is passed, is it not the case that there will still be some jobs for which an employer can legally express a sex preference? That is, there will remain, will there not, some jobs for which sex will constitute a bona fide occupational qualification?"

Mrs. North: "You are exactly right, Representative Zimmerman. This was brought out at the hearings, and you understand the bill quite well."

Mr. Zimmerman: "Fine, in addition to that—because there is the antidiscrimination law which has been alluded to, including the words 'aiding and abetting,' prohibition against action which 'aids and abets' and of the proscribed discriminations, if this bill is passed, sex will become one of those proscribed discriminations. But because it will still be quite legal for some advertisers to use help wanted columns segregated by sex—to advertise for employees to fill these jobs having bona fide occupational qualifications based on sex—I assume that it is not the intent of this bill to render the offering of those columns by newspapers as an unfair practice. Is that correct?"

Mrs. North: "That is correct."

Mr. Zimmerman: "We wanted to establish the fact that the newspaper has no way of knowing whether the job advertised has or does not have this bona fide occupational qualification."

## POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Sawyer.

Mr. Sawyer: "I read the bill, and I couldn't find that provision that you qualified. I wondered, as a specific instance, what about the Washington State Patrol?"

Mr. Zimmerman: "First of all, the antidiscrimination part is not in this bill, that is correct. But because of the fact that there is a separate bill dealing with the subject, and because this discusses the issue, we thought it should be made quite clear as to the possible use of this distinction. As far as the State Patrol is concerned, I am not sure I understand the question. Do you mean as far as the State Patrol hiring . . ."

Mr. Sawyer: "If she is over six foot."

Mr. Zimmerman: "The State Patrol hasn't very often run ads in that particular category. I am talking about classified ads."

Mr. Sawyer: "You are sure it is still possible to ask for a preference? I know when we passed the law making discrimination because of color unlawful, you couldn't ask for a picture anymore. They went quite a ways on that, so I am afraid they will go as far in their rulings on this."

Mr. Zimmerman: "You have a valid question, and we are very concerned about this. We are trying to establish the fact that the newspaper should not be held as aiding and abetting the discrimination for the use of these ads. Thank you for the additional clarification."

Mr. Ross spoke in favor of passage of the bill.

Mr. Bledsoe demanded the previous question, and the demand was sustained.

On page 1 strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The legislature hereby authorizes all counties and all incorporated cities and towns, including unclassified cities and towns operating under special charters:

(1) To establish parking and business improvement areas, hereafter referred to as area or areas, for the following purposes:

(a) The acquisition, construction or maintenance of parking facilities for the benefit of the area;

(b) Decoration of any public place in the area;

(c) Promotion of public events which are to take place on or in public places in the area;

(d) Furnishing of music in any public place in the area;

(e) The general promotion of retail trade activities in the area;

(2) To levy special assessments on all businesses within the area and specially benefited by a parking and business improvement area to pay in whole or in part the damages or costs incurred therein as provided in this act.

(3) To provide in accordance with any applicable provisions of the Constitution or statutory authority for the issuance and sale of revenue bonds to finance the cost of any parking and business improvement area.

NEW SECTION. Sec. 2. (1) 'Business' as used in this act means all types of business, including professions.

(2) 'Legislative authority' as used in this act means the legislative authority of any city or town including unclassified cities or towns operating under special charters or the legislative authority of any county.

NEW SECTION. Sec. 3. For the purpose of establishing a parking and business improvement area, an initiation petition shall be presented to the legislative authority having jurisdiction of the area in which the proposed parking and business improvement area is to be located. The initiation petition shall contain the following:

(1) The signatures of the persons who operate businesses in the proposed area which would pay sixty percent of the proposed special assessments;

(2) A description of the boundaries of the proposed area;

(3) The proposed uses and projects to which the proposed special assessment revenues shall be put and the total estimated cost thereof;

(4) The estimated rate of levy of special assessment with a proposed breakdown by class of business if such classification is to be used.

NEW SECTION. Sec. 4. The legislative authority, after receiving a valid initiation petition, shall adopt a resolution of intention to establish an area. The resolution shall state

the time and place of a hearing to be held by the legislative authority to consider establishment of an area and shall restate all the information contained in the initiation petition regarding boundaries, projects and uses, and estimated rates of assessment.

**NEW SECTION.** Sec. 5. Notice of a hearing held under the provisions of this act shall be given by:

(1) One publication of the resolution of intention in a newspaper of general circulation in the city; and

(2) Mailing a complete copy of the resolution of intention to each business in the proposed, or established, area. Publication and mailing shall be completed at least ten days prior to the time of the hearing.

**NEW SECTION.** Sec. 6. Whenever a hearing is held under this act, the legislative authority shall hear all protests and receive evidence for or against the proposed action. The legislative authority may continue the hearing from time to time. Proceedings shall terminate if protest is made by businesses in the proposed area which would pay a majority of the proposed special assessments.

**NEW SECTION.** Sec. 7. If the legislative authority decides to change the boundaries of the proposed area, the hearing shall be continued to a time at least fifteen days after such decision and notice shall be given as prescribed in section 5 of this act, showing the boundary amendments, but no resolution of intention is required.

**NEW SECTION.** Sec. 8. For purposes of the special assessments to be imposed pursuant to this act, the legislative authority may make a reasonable classification of businesses, giving consideration to various factors, including the degree of benefit received from parking only.

**NEW SECTION.** Sec. 9. The special assessments need not be imposed on different classes of business, as determined pursuant to section 8 of this act, on the same basis or the same rate: PROVIDED, HOWEVER, That the special assessments imposed for the purpose of the acquisition, construction or maintenance of parking facilities for the benefit of the area shall be imposed on the basis of benefit determined by the legislative authority after giving consideration to the total cost to be recovered from the businesses upon which the special assessment is to be imposed, the total area within the boundaries of the parking and business improvement area, the assessed value of the land and improvements within the area, the total business volume generated within the area and within each business, and such other factors as the legislative authority may find and determine to be a reasonable measure of such benefit.

**NEW SECTION.** Sec. 10. If the legislative authority, following the hearing, decides to establish the proposed area, it shall adopt an ordinance to that effect. This ordinance shall contain the following information:

(1) The number, date and title of the resolution of intention pursuant to which it was adopted;

(2) The time and place the hearing was held concerning the formation of such area;

(3) The description of the boundaries of such area;

(4) A statement that the businesses in the area established by the ordinance shall be subject to the provisions of the special assessments authorized by section 1 of this act;

(5) The initial or additional rate or levy of special assessment to be imposed with a breakdown by classification of business, if such classification is used; and

(6) A statement that a parking and business improvement area has been established.

(7) The uses to which the special assessment revenue shall be put: PROVIDED, HOWEVER, That such use shall conform to the use as declared in the initiation petition presented pursuant to section 3 of this act.

**NEW SECTION.** Sec. 11. The legislative authority of each city or town or county shall have sole discretion as to how the revenue derived from the special assessments is to be used within the scope of the purposes; however, the legislative authority may appoint existing advisory boards or commissions to make recommendations as to its use, or the legislative authority may create a new advisory board or commission for the purpose.

The legislative authority may contract with a chamber of commerce or other similar business association operating primarily within the boundaries of the legislative authority to administer the operation of a parking and business improvement area, including any funds derived pursuant thereto: PROVIDED, That such administration must comply with all applicable provisions of law including this act, with all county, city, or town resolutions and ordinances, and with all regulations lawfully imposed by the state auditor or other state agencies.

**NEW SECTION.** Sec. 12. The special assessments levied hereunder must be for the purposes specified in the ordinances and the proceeds shall not be used for any other purpose.

**NEW SECTION.** Sec. 13. Collections of assessments imposed pursuant to this act shall be made at the same time and in the same manner as otherwise prescribed by Title 35 RCW or in such other manner as the legislative authority shall determine.

**NEW SECTION.** Sec. 14. Changes may be made in the rate or additional rate of special assessment as specified in the ordinance establishing the area, by ordinance adopted after a hearing before the legislative authority.

The legislative authority shall adopt a resolution of intention to change the rate or additional rate of special assessment at least fifteen days prior to the hearing required by this section. This resolution shall specify the proposed change and shall give the time and place of the hearing: PROVIDED, That proceedings to change the rate or impose an

additional rate of special assessments shall terminate if protest is made by businesses in the proposed area which would pay a majority of the proposed increase or additional special assessments.

**NEW SECTION.** Sec. 15. The legislative authority may, for each of the purposes set out in section 1 of this act, establish and modify one or more separate benefit zones based upon the degree of benefit derived from the purpose and may impose a different rate of special assessment within each such benefit zone.

**NEW SECTION.** Sec. 16. All provisions of this act applicable to establishment or disestablishment of an area also apply to the establishment, modification, or disestablishment of benefit zones pursuant to section 13 of this act. The establishment or the modification of any such zone shall follow the same procedure as provided for the establishment of a parking and business improvement area and the disestablishment shall follow the same procedure as provided for disestablishment of an area.

**NEW SECTION.** Sec. 17. Businesses established after the creation of an area within the area may be exempted from the special assessment imposed pursuant to this act for a period not exceeding one year from the date they commenced business in the area.

**NEW SECTION.** Sec. 18. The legislative authority may disestablish an area by ordinance after a hearing before the legislative authority. The legislative authority shall adopt a resolution of intention to disestablish the area at least fifteen days prior to the hearing required by this section. The resolution shall give the time and place of the hearing.

**NEW SECTION.** Sec. 19. Upon disestablishment of an area, any proceeds of the special assessments, or assets acquired with such proceeds, or liabilities incurred as a result of the formation of such area, shall be subject to disposition as the legislative authority shall determine: PROVIDED, HOWEVER, Any liabilities, either current or future, incurred as a result of action taken to accomplish the purposes of section 1 of this act shall not be an obligation of the general fund or any special fund of the city or town, but such liabilities shall be provided for entirely from available revenue generated from the projects or facilities authorized by section 1 of this act or from special assessments on the property specially benefited within the area.

**NEW SECTION.** Sec. 20. Any city or town or county authorized by this act to establish a parking improvement area shall call for competitive bids by appropriate public notice and award contracts, whenever the estimated cost of such work or improvement, including cost of materials, supplies and equipment, exceeds the sum of two thousand five hundred dollars.

**NEW SECTION.** Sec. 21. The cost of the improvement for the purposes of this act shall be aggregate of all amounts to be paid for the labor, materials and equipment on one continuous or inter-related project where work is to be performed simultaneously or in near sequence. Breaking an improvement into small units for the purposes of avoiding the minimum dollar amount prescribed in section 20 of this act is contrary to public policy and is prohibited.

**NEW SECTION.** Sec. 22. This act providing for parking and business improvement areas shall not be deemed or construed to affect any existing act, or any part thereof, relating to special assessments or other powers of counties, cities and towns, but shall be supplemental thereto and concurrent therewith.

The purposes and functions of parking and business improvement areas as set forth by the provisions of this act may be accomplished in part by the establishment of an area pursuant to this act and in part by any other method otherwise provided by law, including provisions for local improvements.

**NEW SECTION.** Sec. 23. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provisions to other persons or circumstances is not affected."

## MESSAGES FROM THE GOVERNOR

Office of the Governor, March 25, 1971.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

The failure of numerous special property tax levies earlier this year and again on Tuesday, March 23, emphasizes the urgent need for the Legislature to submit to the people a proposed amendment to Article VII, Section 2, of the State Constitution as it pertains to the quorum requirement of special levy elections of 40% of the vote cast in the taxing district at the last preceding general election. The effect of this provision has been to cause the defeat of 15 special levy issues for operation and maintenance of school district programs to be collected in 1972. The value of these 15 levies is in excess of \$50 million. In addition, three bond issues slated for collection beginning in 1972 have also been invalidated by the 40% quorum requirement. For collection in 1971, a total of seven operation and maintenance issues, thirteen bond issues and two building fund issues were similarly defeated due to this provision.

The effect of the 40% quorum requirement is to provide an unfair advantage to those who through refusal to vote decline to fulfill their citizenship obligations. It is tragic to have the future of our schools decided by those who refuse to vote. The voting privilege is a precious one, the very basis for our free society. I find it abhorrent that we have in our Constitution a provision which discourages citizens from exercising this privilege.

Obviously, voters have the right to vote "no" on special levies as on any other issue. But no one should be able to vote "no" by staying at home. A "yes" vote and a "no" vote alike should be registered only by those who go to the polls.

I urge the Legislature to promptly address this issue. I will support any proposal which provides a responsible solution. There presently is pending before the Legislature HJR 47 which addresses this issue and deserves the serious attention of the Legislature. It is time to act so that responsible voter participation will be assured in special levy elections. Incentive must be placed on the act of voting rather than a premium being given to those who stay away from the polls. Only in this way can the basic principles of our free society apply in this vital area of public interest.

Sincerely,  
DANIEL J. EVANS  
Governor.

Office of the Governor, March 25, 1971.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON,  
LADIES AND GENTLEMEN:

I have the honor to advise that Governor Evans has approved the following House Bill, entitled:

HOUSE BILL NO. 878: Making an appropriation for publication of the session laws.

Sincerely,  
CHARLES B. WIGGINS  
Legislative Counsel.

### POINT OF INQUIRY

Mr. Berentson: "Well, I think you are being a little mean. But, other than that, no, I don't think it is the same type of action. We were dealing strictly with a budget item. Here we are dealing with entering into the field of engineering and making determinations that I think only the professional engineer, along with the legislation that we provide for him in the area of environment and public hearing procedure, can make."

Mr. Lysen demanded an electric roll call, and the demand was not sustained.

#### POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Barden.

Mr. Barden: "Representative Douthwaite, the 30th District in southwest King County has had a great deal of experience with the highway department in their planning for construction and transportation needs, and the rather complex and scientific manner in which they project demands and needs for the transport of commerce and business. You have indicated in your remarks that you think that eight lanes will suffice. I wonder if you could tell me how the reduction of the lanes in this amendment of yours would affect the projected demands and needs for the movement of commerce and business and travel, say for the next twenty years?"

Mr. Douthwaite: "I think, Representative Barden, to answer you properly would require a study of some duration, and I am not prepared obviously. But let me tell you in terms of transport efficiency, if this is your criteria, the answer is to do away with the residential part of the city, if you are interested in maximum efficiency, and make about twenty-five lanes across the lake. Obviously any bridge of any size is going to get plugged up if everybody tries to use it at the same time."

Mr. Barden spoke against adoption of the amendment, and Mr. Ross spoke in favor of it.

The amendment by Mr. Douthwaite to Substitute House Bill No. 510 was not adopted.

Mr. Hoggins moved adoption of the following amendment:

#### POINT OF INQUIRY

Mr. Brown yielded to question by Mr. Copeland.

Mr. Copeland: "Mr. Brown, in section one, on line twenty-one, where you outline how a count was made in the special enumeration districts containing military personnel, could you give me the criteria for that—the rationale behind it? Also, do you know of any other state that uses this particular formula in order to be able to accomplish some type of account or credit for military personnel?"

Mr. Brown: "The formula that we have used in this bill, Representative Copeland, has been ruled on in a similar case in the State of Hawaii, where they have a tremendous military population. I believe in that state the military population is larger than the civilian population. We also, in this state, in order to remain consistent, between congressional and legislative, have a state constitutional provision that requires the exclusion of military personnel on active duty. What we have further done here, in an attempt to be as fair as possible with the persons residing on military reservations, we have used an add-back feature which does include those persons, even though they are living on military reservations, who are registered to vote in the state of Washington. This is a very small number; however we are talking here about people who do have a legal residence in the state and have registered to vote here, and we are adding them back, in essence—taking out the military but adding back those who are registered to vote in the state of Washington."

Mr. Copeland: "Now there is no requirement that you have to do this? You could just go ahead and drop the military out completely if you so desired?"

Mr. Brown: "I believe that is correct."

Mr. Kilbury spoke against passage of the bill.

#### PERSONAL PRIVILEGE

Mr. Beck: "Awhile ago it was mentioned here, something about a ship coming in with a lot of people on it. I don't know what that has to do with redistricting the state of Washington by congressional districts, but I would just like to set the record straight. The thing you are talking about, this great big aircraft carrier, Kitty Hawk, that was up there when the census was taken—the overhaul that was done there contributed thirty-two million dollars in work to the economy of this state. You had over 3,500 men on that ship with a payroll of about eleven million dollars while they were here those ten months. Believe me, they contributed their fair share to our economy, and that far more than exceeds these so-called tax benefits mentioned here awhile ago. I just wanted to set the record straight. Thank you."

The continuing release of noxious oxides and particulate matters, we know, is damaging to health and to private and public property. Most companies in our state recognize this, particularly the small ones. They are doing something about it. They are trying to handle this. However, in the one large situation mentioned here, the company concerned has simply said: 'No, we will pay the fine. We would rather do this and not have to put the money out to handle this.' The strange thing about it is that many companies have found they are now making money from cleaning this air. For example, the Bethlehem Steel Company in Seattle, which used to spew out great deals of particulate matter over the southwest section of our city, under some protest a number of years ago, installed a rather inefficient, but beginning, vacuum cleaner. They are now making money every month in the material they remove. This can happen everywhere. I feel that the small companies that are trying to comply should not be penalized this way. I believe that our air quality act is a good one, but it has no teeth. The teeth is the ten thousand dollar fine. I would urge you to vote for this."

Representatives Zimmerman and Cunningham spoke against adoption of the amendment.

The amendment was lost.

### ARTICLE III REGULATION OF MANUFACTURE, DISTRIBUTION AND DISPENSING OF CONTROLLED SUBSTANCES

**NEW SECTION.** Sec. 69.50.301. Rules. The state board of pharmacy may promulgate rules and charge reasonable fees of not less than ten dollars or more than fifty dollars relating to the registration and control of the manufacture, distribution, and dispensing of controlled substances within this state.

**NEW SECTION.** Sec. 69.50.302. Registration Requirements. (a) Every person who manufactures, distributes, or dispenses any controlled substance within this state or who proposes to engage in the manufacture, distribution, or dispensing of any controlled substance within this state, must obtain annually a registration issued by the state board of pharmacy in accordance with its rules.

(b) Persons registered by the board under this act to manufacture, distribute, dispense, or conduct research with controlled substances may possess, manufacture, distribute, dispense, or conduct research with those substances to the extent authorized by their registration and in conformity with the other provisions of this Article.

(c) The following persons need not register and may lawfully possess controlled substances under this act:

(1) an agent or employee of any registered manufacturer, distributor, or dispenser of any controlled substance if he is acting in the usual course of his business or employment; **PROVIDED,** That this exemption shall not include any agent or employee distributing sample controlled substances to practitioners without an order;

(2) a common or contract carrier or warehouseman, or an employee thereof, whose possession of any controlled substance is in the usual course of business or employment;

(3) an ultimate user or a person in possession of any controlled substance pursuant to a lawful order of a practitioner or in lawful possession of a Schedule V substance.

(d) The board may waive by rule the requirement for registration of certain manufacturers, distributors, or dispensers if it finds it consistent with the public health and safety: **PROVIDED,** That personal practitioners licensed or registered in the state of Washington under the respective professional licensing acts shall not be required to be registered under this act unless the specific exemption is denied pursuant to section 69.50.305 for violation of any provisions of this act.

(e) A separate registration is required at each principal place of business or professional practice where the applicant manufactures, distributes, or dispenses controlled substances.

(f) The board may inspect the establishment of a registrant or applicant for registration in accordance with the board's rule.

**NEW SECTION.** Sec. 69.50.303. Registration. (a) The state board of pharmacy shall register an applicant to manufacture or distribute controlled substances included in sections 69.50.204, 69.50.206, 69.50.208, 69.50.210, and 69.50.212 unless it determines that the issuance of that registration would be inconsistent with the public interest. In determining the public interest, the board shall consider the following factors:

(1) maintenance of effective controls against diversion of controlled substances into other than legitimate medical, scientific, or industrial channels;

(2) compliance with applicable state and local law;

(3) any convictions of the applicant under any federal and state laws relating to any controlled substance;

(4) past experience in the manufacture or distribution of controlled substances, and the existence in the applicant's establishment of effective controls against diversion;

(5) furnishing by the applicant of false or fraudulent material in any application filed under this act;

(6) suspension or revocation of the applicant's federal registration to manufacture, distribute, or dispense controlled substances as authorized by federal law; and

(7) any other factors relevant to and consistent with the public health and safety.

(b) Registration under subsection (a) does not entitle a registrant to manufacture and distribute controlled substances in Schedule I or II other than those specified in the registration.

(c) Practitioners must be registered, or exempted under section 69.50.302(d) of this act, to dispense any controlled substances or to conduct research with controlled substances

in Schedules II through V if they are authorized to dispense or conduct research under the law of this state. The board need not require separate registration under this Article for practitioners engaging in research with nonnarcotic controlled substances in Schedules II through V where the registrant is already registered under this Article in another capacity. Practitioners registered under federal law to conduct research with Schedule I substances may conduct research with Schedule I substances within this state upon furnishing the board evidence of that federal registration.

(d) Compliance by manufacturers and distributors with the provisions of the federal law respecting registration entitles them to be registered under this act upon application and payment of the required fee.

**NEW SECTION.** Sec. 69.50.304. Revocation and Suspension of Registration. (a) A registration, or exemption from registration, under section 69.50.303 to manufacture, distribute, or dispense a controlled substance may be suspended or revoked by the state board of pharmacy upon a finding that the registrant:

(1) has furnished false or fraudulent material information in any application filed under this act;

(2) has been found guilty of a felony under any state or federal law relating to any controlled substance; or

(3) has had his federal registration suspended or revoked to manufacture, distribute, or dispense controlled substances.

(b) The board may limit revocation or suspension of a registration to the particular controlled substance or schedule of controlled substances, with respect to which grounds for revocation or suspension exist.

(c) If the board suspends or revokes a registration, all controlled substances owned or possessed by the registrant at the time of suspension or the effective date of the revocation order may be placed under seal. No disposition may be made of substances under seal until the time for taking an appeal has elapsed or until all appeals have been concluded unless a court, upon application therefor, orders the sale of perishable substances and the deposit of the proceeds of the sale with the court. Upon a revocation order becoming final, all controlled substances may be forfeited to the state.

(d) The board shall promptly notify the Bureau of all orders suspending or revoking registration and all forfeitures of controlled substances.

**NEW SECTION.** Sec. 69.50.305. Procedure for Denial, Suspension or Revocation of Registration. (a) Any registration, or exemption from registration, issued pursuant to the provisions of this act shall not be denied, suspended, or revoked unless the board denies, suspends, or revokes such registration, or exemption from registration, by proceedings consistent with the administrative procedure act, chapter 34.04 RCW.

(b) The board may suspend any registration simultaneously with the institution of proceedings under section 69.50.304, or where renewal of registration is refused, if it finds that there is an imminent danger to the public health or safety which warrants this action. The suspension shall continue in effect until the conclusion of the proceedings, including judicial review thereof, unless sooner withdrawn by the board or dissolved by a court of competent jurisdiction.

**NEW SECTION.** Sec. 69.50.306. Records of Registrants. Persons registered, or exempted from registration under 69.50.302(d), to manufacture, distribute, dispense, or administer controlled substances under this act shall keep records and maintain inventories in conformance with the record-keeping and inventory requirements of federal law and with any additional rules the state board of pharmacy issues.

**NEW SECTION.** Sec. 69.50.307. Order Forms. Controlled substances in Schedule I and II shall be distributed by a registrant or person exempt from registration under 69.50.302(d) to another registrant, or person exempt from registration under 69.50.302(d), only pursuant to an order form. Compliance with the provisions of federal law respecting order forms shall be deemed compliance with this section.

**NEW SECTION.** Sec. 69.50.308. Prescriptions. (a) Except when dispensed directly by a practitioner authorized to prescribe or administer a controlled substance to an ultimate user, no controlled substance in Schedule II may be dispensed without the written prescription of a practitioner.

(b) In emergency situations, as defined by rule of the state board of pharmacy, Schedule II drugs may be dispensed upon oral prescription of a practitioner, reduced promptly to writing and filed by the pharmacy. Prescriptions shall be retained in conformity with the requirements of section 69.50.306. No prescription for a Schedule II substance may be refilled.

(c) Except when dispensed directly by a practitioner authorized to prescribe or administer a controlled substance to an ultimate user, a controlled substance included in Schedule III or IV, which is a prescription drug as determined under RCW 69.04.560, shall not be dispensed without a written or oral prescription of a practitioner. Any oral prescription must be promptly reduced to writing. The prescription shall not be filled or refilled more than six months after the date thereof or be refilled more than five times, unless renewed by the practitioner.

(d) A valid prescription or lawful order of a practitioner, in order to be effective in legalizing the possession of controlled substances, must be issued in good faith for a legitimate medical purpose by one authorized to prescribe the use of such controlled substance. An order purporting to be a prescription not in the course of professional treatment is not a valid prescription or lawful order of a practitioner within the meaning and

intent of this act; and the person who knows or should know that he is filling such an order, as well as the person issuing it, can be charged with a violation of this chapter.

(e) A controlled substance included in Schedule V shall not be distributed or dispensed other than for a medical purpose.

*NEW SECTION.* Sec. 69.50.309. Containers. A person to whom or for whose use any controlled substance has been prescribed, sold, or dispensed by a practitioner, and the owner of any animal for which such controlled substance has been prescribed, sold, or dispensed may lawfully possess it only in the container in which it was delivered to him by the person selling or dispensing the same.

(b) Employees of the Washington state board of pharmacy, who are so designated by the board as enforcement officers are declared to be peace officers and shall be vested with police powers to enforce the drug laws of this state, including this act.

*NEW SECTION.* Sec. 69.50.501. Administrative Inspections. The state board of pharmacy may make administrative inspections of controlled premises in accordance with the following provisions:

(1) For purposes of this section only, 'controlled premises' means:

(a) places where persons registered or exempted from registration requirements under this act are required to keep records; and

(b) places including factories, warehouses, establishments, and conveyances in which persons registered or exempted from registration requirements under this act are permitted to hold, manufacture, compound, process, sell, deliver, or otherwise dispose of any controlled substance.

(2) When authorized by an administrative inspection warrant issued pursuant to section 69.50.502 of this act an officer or employee designated by the board, upon presenting the warrant and appropriate credentials to the owner, operator, or agent in charge, may enter controlled premises for the purpose of conducting an administrative inspection.

(c) inventory any stock of any controlled substance therein and obtain samples thereof;

(4) This section does not prevent the inspection without a warrant of books and records pursuant to an administrative subpoena issued in accordance with chapter 34.04 RCW, nor does it prevent entries and administrative inspections, including seizures of property, without a warrant:

(a) if the owner, operator, or agent in charge of the controlled premises consents;  
 (b) in situations presenting imminent danger to health or safety;  
 (c) in situations involving inspection of conveyances if there is reasonable cause to believe that the mobility of the conveyance makes it impracticable to obtain a warrant;  
 (d) in any other exceptional or emergency circumstance where time or opportunity to apply for a warrant is lacking; or,

(e) in all other situations in which a warrant is not constitutionally required;

(5) An inspection authorized by this section shall not extend to financial data, sales data, other than shipment data, or pricing data unless the owner, operator, or agent in charge of the controlled premises consents in writing.

**NEW SECTION. Sec. 69.50.502. Warrants for Administrative Inspections. Issuance and execution of administrative inspection warrants shall be as follows:**

(1) A judge of a superior court, or a judge of a district court within his jurisdiction, and upon proper oath or affirmation showing probable cause, may issue warrants for the purpose of conducting administrative inspections authorized by this act or rules hereunder, and seizures of property appropriate to the inspections. For purposes of the issuance of administrative inspection warrants, probable cause exists upon showing a valid public interest in the effective enforcement of this act or rules hereunder, sufficient to justify administrative inspection of the area, premises, building or conveyance in the circumstances specified in the application for the warrant;

(2) A warrant shall issue only upon an affidavit of a designated officer or employee having knowledge of the facts alleged, sworn to before the judge and establishing the grounds for issuing the warrant. If the judge is satisfied that grounds for the application exist or that there is probable cause to believe they exist, he shall issue a warrant identifying the area, premises, building, or conveyance to be inspected, the purpose of the inspection, and, if appropriate, the type of property to be inspected, if any. The warrant shall:

(a) state the grounds for its issuance and the name of each person whose affidavit has been taken in support thereof;

(b) be directed to a person authorized by section 69.50.500 to execute it;

(c) command the person to whom it is directed to inspect the area, premises, building, or conveyance identified for the purpose specified and, if appropriate, direct the seizure of the property specified;

(d) identify the item or types of property to be seized, if any;

(e) direct that it be served during normal business hours and designate the judge to whom it shall be returned;

(3) A warrant issued pursuant to this section must be executed and returned within ten days of its date unless, upon a showing of a need for additional time, the court orders otherwise. If property is seized pursuant to a warrant, a copy shall be given to the person from whom or from whose premises the property is taken, together with a receipt for the property taken. The return of the warrant shall be made promptly, accompanied by a written inventory of any property taken. The inventory shall be made in the presence of the person executing the warrant and of the person from whose possession or premises the property was taken, if present, or in the presence of at least one credible person other than the person executing the warrant. A copy of the inventory shall be delivered to the person from whom or from whose premises the property was taken and to the applicant for the warrant;

(4) The judge who has issued a warrant shall attach thereto a copy of the return and all papers returnable in connection therewith and file them with the clerk of the court in which the inspection was made.

(ii) no conveyance is subject to forfeiture under this section by reason of any act or omission established by the owner thereof to have been committed or omitted without his knowledge or consent;

(iii) a conveyance is not subject to forfeiture for a violation of section 69.50.401(c); and,

(iv) a forfeiture of a conveyance encumbered by a bona fide security interest is subject to the interest of the secured party if he neither had knowledge of nor consented to the act or omission.

(5) all books, records, and research products and materials, including formulas, microfilm, tapes, and data which are used, or intended for use, in violation of this act.

(b) Property subject to forfeiture under this act may be seized by any board inspector or law enforcement officer of this state upon process issued by any superior court having jurisdiction over the property. Seizure without process may be made if:

(1) the seizure is incident to an arrest or a search under a search warrant or an inspection under an administrative inspection warrant;

(2) the property subject to seizure has been the subject of a prior judgment in favor of the state in a criminal injunction or forfeiture proceeding based upon this act;

(3) a board inspector or law enforcement officer has probable cause to believe that the property is directly or indirectly dangerous to health or safety; or

(1) retain it for official use or upon application by any law enforcement agency of this state release such property to such agency for the exclusive use of enforcing the provisions of this act;

(2) sell that which is not required to be destroyed by law and which is not harmful to the public. The proceeds shall be used for payment of all proper expenses of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising and court costs;

(3) request the appropriate sheriff or director of public safety to take custody of the property and remove it for disposition in accordance with law; or

(4) forward it to the Bureau for disposition.

(f) Controlled substances listed in Schedule I, II, III, IV and V that are possessed, transferred, sold, or offered for sale in violation of this act are contraband and shall be seized and summarily forfeited to the state. (g) Species of plants from which controlled substances in Schedules I and II may be derived which have been planted or cultivated in violation of this act, or of which the owners or cultivators are unknown, or which are wild growths, may be seized and summarily forfeited to the board.

(h) The failure, upon demand by a board inspector or law enforcement officer, of the person in occupancy or in control of land or premises upon which the species of plants are

growing or being stored, to produce an appropriate registration, or proof that he is the holder thereof, constitutes authority for the seizure and forfeiture of the plants.

**NEW SECTION.** Sec. 69.50.506. Burden of Proof; Liabilities. (a) It is not necessary for the state to negate any exemption or exception in this act in any complaint, information, indictment or other pleading or in any trial, hearing, or other proceeding under this act. The burden of proof of any exemption or exception is upon the person claiming it.

(b) In the absence of proof that a person is the duly authorized holder of an appropriate registration or order form issued under this act, he is presumed not to be the holder of the registration or form. The burden of proof is upon him to rebut the presumption.

WHEREAS, The Legislature recognizes that the bluegrass seed industry makes a significant contribution to the economy of the State of Washington, that it produces most of the quality bluegrass seed used for turfs and fields throughout the country, and that it processes all of its own acreage and most of Idaho's; and

WHEREAS, There are some 40,000 acres of land in the State used for growing bluegrass seed and this acreage in 1970 had a seed yield approximately some nine million dollars in value; and

WHEREAS, In order to control insects and disease and increase seed yields, bluegrass seed fields are completely burned following harvest, a practice which is specifically permitted under the Washington Clean Air Act, and which act the Legislature continues to recognize as necessary; and

WHEREAS, If suitable alternatives to the burning of bluegrass seed fields are not found, the Washington bluegrass seed industry may cease to exist; and

WHEREAS, Replacement farm practices will result in significant water pollution to the environment;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Council's Subcommittee on Agriculture make a study on what, if any, alternatives there might be to the burning of bluegrass seed fields and on what, if any, course of action the State should take in order to preserve this valuable industry.

BE IT FURTHER RESOLVED, That the Legislative Council shall report its findings and any recommendation resulting from this study to the next Regular Session of the Legislature.

On motion of Mr. Kuehnle, the resolution was adopted.

HOUSE RESOLUTION NO. 71-38, by Representatives Juelling, Lynch, Shinpoch, Barden, Polk, Backstrom, Shera and Morrison:

WHEREAS, After ten years of federal and private investment in our nation's supersonic transport, the United States Senate has chosen to bury the program; and

WHEREAS, These opponents have seen fit to waste more than one billion dollars in federal funds, and bring about the immediate loss of 15,000 jobs; and

WHEREAS, Senator Proxmire of Wisconsin, and his friends, have personally undertaken the task of jeopardizing America's supremacy in world aviation; and

WHEREAS, Senator Proxmire has ignored the best interests and pleas of President Nixon, industry and organized labor in his passionate and selfish quest for personal fame and aggrandizement; and

WHEREAS, Leaders of the anti-SST coalition toasted their victory and their leader, Wisconsin Senator Proxmire, with champagne from plastic cups at news of their questionable victory as reported by Associated Press;

NOW, THEREFORE, BE IT RESOLVED, That the members of the House of Representatives of the State of Washington appropriate from the members' locker room fund five dollars for a bottle of cheap American champagne, and that said bottle of champagne be forwarded to Senator Proxmire to commemorate that moment in time when the full political and economic impact of Senator Proxmire's folly is felt by the 15,000 jobless families and by our weakened international prestige and lessened national economy; and

BE IT FURTHER RESOLVED, That a copy of this Resolution be forwarded by the Chief Clerk of the House of Representatives to every United States Senator and to every major newspaper in the State of Wisconsin.

On motion of Mr. Juelling, the resolution was adopted.

#### SECOND READING

SUBSTITUTE HOUSE BILL NO. 596, by Committee on Business and Professions (Originally sponsored by Representatives Polk, Bluechel and Kuehnle):

Providing for changes in priority of claims on contractors' bonds.

The House resumed consideration of Substitute House Bill No. 596 on second reading.

The Speaker stated the question before the House to be the following amendment by Representatives Curtis and Julin: (For amendments previously adopted, see Journal of March 25, 1971, Fourteenth Day.)

On page 4, beginning on line 15 strike all of section 3 and insert a new section as follows:

*"NEW SECTION. Sec. 3. The provisions of this chapter relating to the registration or licensing of any person, firm or corporation, including the requirement of a bond with the state of Washington named as obligee therein and the collection of a fee therefor, shall be exclusive and no political subdivision of the state of Washington shall require or issue any registrations, licenses or bonds nor change any fee for the same or similar purpose."*

With the consent of the House, Mr. Julin withdrew the amendment.

Mr. Julin moved adoption of the following amendment by Representatives Curtis and Julin:

On page 4, line 15, beginning with "The state" strike the balance of the section and insert: "The provisions of this chapter relating to the registration or licensing of any person, firm or corporation, including the requirement of a bond with the state of Washington named as obligee therein and the collection of a fee therefor, shall be exclusive and no political subdivision of the state of Washington shall require or issue any registrations, licenses or bonds nor charge any fee for the same or a similar purpose: PROVIDED, That nothing herein shall limit or abridge the authority of any city or town to levy and collect a general and nondiscriminatory license fee levied upon all businesses, or to levy a tax based upon gross business conducted by any firm within said city: PROVIDED, FURTHER, That nothing herein shall limit the authority of any city or town with respect to contractors not required to be registered under this act."

Mr. Julin spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Charette.

Mr. Charette: "Is it the intention of this amendment to in any way impair the statutory rights of cities or towns to levy and collect the business and occupation tax on the activities of contractors?"

Mr. Julin: "The answer is an unequivocal 'no.' "

Mr. Marsh moved adoption of the following amendment by Representatives Marsh and Smythe to the amendment by Representatives Curtis and Julin:

Amend the amendment by Representatives Curtis and Julin as follows: Strike everything after "PROVIDED," on line 10 and insert: "That nothing herein shall prevent any first class city from requiring registration of contractors nor from requiring performance or surety bonds conditioned that provisions of uniform codes which are enforced by such city shall be complied with, and which bonds provide for action by the city against such bonds in the event of failure of the contractor to comply with such codes, nor shall anything herein prevent any first class city from charging license fees for such registration nor from providing for penalties for violation thereof."

Representatives Marsh and Smythe spoke in favor of the amendment to the amendment, and Representatives Perry and Mentor spoke against it.

#### POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Smythe.

Mr. Smythe: "Mr. Julin, will you tell us the amount of the state bond and the priority for payoff in case that bond has to be utilized?"

Mr. Julin: "Yes, Representative Smythe, the amount of the bond under the present statute is two thousand dollars for a general contractor and one thousand for a specialty contractor. The present posture of the law is that the order of priority of claims against that bond is first for labor, including the employee benefits of labor; second for taxes and contributions to the state; and third for material and equipment. The bill as it now has been perfected at this point, if it passes and becomes law, will change that priority so that the number two priority will be the claim of the property owner for damages resulting from the breach of the construction contract, and that is the protection that was precisely intended by the initial contractors' registration act to provide that home owner protection. It is still available under what we are proposing with this amendment and can be brought on his behalf or by him individually to make that recovery."

Mr. Smythe spoke again in favor of the amendment to the amendment, and Mr. Kuehnle spoke against it.

Mr. Newhouse demanded the previous question, and the demand was sustained.

The amendment by Representatives Marsh and Smythe to the amendment by Representatives Curtis and Julin was not adopted.

## POINT OF INQUIRY

Mr. Pardini: "Will Mr. Hoggins yield to question?"

Representative Hoggins declined to yield to question.

## POINT OF INQUIRY

Mr. Brouillet yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. Brouillet, the committee amendment says: 'Provisions of this act shall not be applicable to any private school which receives state funds.' Does that committee amendment in effect then make the entire bill apply to private schools?"

Mr. Brouillet: "Mr. Pardini, this bill does apply to private schools. The supporters of the bill and the sponsors and the people involved with it, indicated that if they receive some kind of private funds they should have some kind of close state scrutiny. But they said they don't want any kind of state aid—they want to run their own show. Therefore, this only applies to private schools."

## POINT OF INQUIRY

Mr. Brouillet yielded to question by Mr. Farr.

Mr. Farr: "Mr. Brouillet, I find difficulty in understanding this and was wishing it had been explained a bit more to those of us who are not on the committee. Do I understand by this provision that should a school receive state funds, that this whole section which, even looking at the part we have here—this bill that is existent law now—would then not apply to that school?"

Mr. Brouillet: "According to this amendment, if a private school receives state funds this bill would not apply to them. They would follow the regular scrutiny and/or regulations that apply to all schools that receive state funds, be they public or private."

Mr. Farr: "That is not the statute we are talking about right here? The bill does not repeat that portion? In other words, I am thinking that House Bill No. 335 sits before us as existent law with two strikes and a committee amendment."

Mr. Brouillet: "The purpose for 335 was that there were some schools that fund themselves under some fairly stringent regulations by the state Superintendent of Public Instruction and this has never been applied to them before. They felt they were unduly put upon. They did not want state money and did not want to be involved with rules and regulations. Yet they were fearful because of the application of these rules—it would cause great hardship on them. The state board prior to this time did not use these stringent rules on them. They came before us and said, 'Look, we don't want any state money. We want to run our own show. We recognize there must be policing of our operation; however, we don't think we need, for every three hundred kids, a counselor and this sort of thing which the state superintendent requires of common schools.'"

Mr. Farr: "Mr. Brouillet, are you convinced that this would apply to a specific school as opposed to a general class of schools that could be characterized as private and/or parochial?"

Mr. Brouillet: "I am convinced this applies to very narrow schools—one or two that I know of around the state. As I understand, most of the other schools that are private would like some kind of financial support. This group doesn't want any building funds or operational funds and no state aid. On the other hand, they say therefore, 'We shouldn't have the same prohibition as you have when you are under state aid.' I think it is pretty clear this only applies to a very narrow group of schools."

The committee amendment was adopted.

On motion of Mr. Hoggins, the following amendment to the title was adopted:

On page 1, line 1 of the title after "Relating to" strike "education" and insert "approval and accreditation of private schools"

House Bill No. 335 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 335 was placed on final passage.

## POINT OF INQUIRY

Mr. Goldsworthy yielded to question by Mr. Shinpoch.

Mr. Shinpoch: "Representative Goldsworthy, as I recall, as we were working on Substitute House Bill No. 151, (the budget) we deleted from it those moneys required to certify teachers. I note that one of the things that is guaranteed under this bill is that the teachers will be certified. Is my recollection as it relates to the budget correct?"

Mr. Goldsworthy: "Yes, your recollection is correct."

## POINT OF INQUIRY

Mr. Jueling yielded to question by Mr. Shinpoch.

Mr. Shinpoch: "I looked around and the first sponsor, Mr. Bottiger isn't here, and you are second sponsor. Would you explain to me how, with the deletion of the moneys to certify teachers, we are going to guarantee this section of the bill?"

Mr. Jueling: "I didn't think you were going to go into that aspect of this. This particular bill is just to relieve a small segment of our private school system. Now as far as the bill is concerned itself, you will note that the language you refer to is already in the law. As far as I am concerned, if you people take away any money from this particular phase of it that you are talking about, you are going to hurt the whole system and not just one segment of it."

Mr. Shinpoch: "That was the point I was attempting to make. When that was deleted in the Appropriations Committee, we are going to hurt the whole educational system."

## MOTION

On motion of Mr. Bledsoe, the House recessed until 1:30 p.m.

The Speaker called the House to order at 1:30 p.m.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

MINORITY recommendation: Do not pass. Signed by Representatives Blair, Ross.

Passed to Committee on Rules and Administration for second reading.

### MOTION

On motion of Mr. Morrison, the House advanced to the tenth order of business.

### THIRD READING

ENGROSSED HOUSE BILL NO. 335, by Representatives Bottiger, Jueling, Sawyer and Gallagher:

Delineating state agency authority over private schools.

The House resumed consideration of Engrossed House Bill No. 335 on final passage.

### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. Bottiger, the intent of House Bill No. 335 is to provide that private and/or parochial schools will conform to certain minimum standards such as building codes, attendance records, qualifications of teachers. In the back of the bill there is a paragraph that says:

"The state recognizes the following rights of every private and/or parochial school:

"To teach from the Bible; to teach their own doctrines, if any; to pray in class . . ." The committee amendment says that the 'Provisions of this act shall not be applicable to any private school which receives state funds.' My question has to be that if a private school would participate, for instance, in the shared time program, if there would a school nurse come around to this private school, if there would be a counselor come to this private school—would this then make them a recipient of state funds?"

Mr. Bottiger: "In response to your question, it was not the intent of the bill to preclude private schools from teaching from the Bible or any of the matters set forth in the bill. The committee amendment referring to receipt of state funds provided by the committee, as I understand it and as expressed by the members of the committee to me, to be their intent that if a private school applied for and received direct appropriations from the state, then the regulation of that school would fall under the Superintendent of Public Instruction as to criteria, textbooks, courses, and things of that nature. I don't think it is anybody's intent that should that happen, the private school would be precluded from teaching the Bible or whatever their particular religious sect believed."

Mr. Pardini: "Then can I conclude that 'state funds' means a direct dollar appropriation and not any incidental benefits like a shared time program?"

Mr. Bottiger: "In my opinion that is the intent of the amendment, that it does not include those forms of assistance."

### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Farr.

Mr. Farr: "Mr. Bottiger, I asked this question on second reading, or words in this general area. Not being an attorney, I am not sure that I understand the intent of the amendment which would seem to me to say that if a school should accept funds from the state at any time in the future, that this whole section (as it says the 'Provisions of this act shall not be applicable . . .') now in the act—if they did start out to receive no funds and then did accept funds from the state, wouldn't this then say that this total act would no longer apply?"

Mr. Bottiger: "Dr. Farr, my response to your question would be that the committee amendment was considered in light of other bills before this legislature making appropriations to private/parochial schools in the form of contracts to teach certain courses. This would be a direct financial fund received by that school. In the event that they did make such application and this legislature appropriated money, the regulations of the Superintendent of Public Instruction pertaining to teachers' credentials, principal's credentials, criteria of the courses to be contracted for, would be applicable. But you see in those bills that are currently before us, and which I am sure the committee was concerned with, there was a direct contract to a specific course—I think 419 and 421. These courses do not pertain to the teaching of the Bible or any religious services. Therefore the bill would say that in those courses, if they received state funds they can't teach religion in that course. Now we are asking these questions and answers so that they be included in the Journal so that if this question ever came up it would be a reference point as to what our intent was. But as far as the school receiving some state funds and being thereby precluded from teaching any religious course, I know that isn't the intent of the bill, and I don't believe it would be the intent of this House."

Mr. Farr: "Mr. Bottiger, might I pose another maybe unfair question? Not speaking to the religious training or the prayer or anything of that sort, do you understand this bill with the amendment, if it were to pass, to mean that if a school should take funds from the state in the future, that they would then be released from the controls (if I might put it that way) imposed by this bill?"

Mr. Bottiger: "Dr. Farr, they would be released from the controls imposed by this bill, and suffer the controls of the full teachers' code which is why this bill is here. I shouldn't say 'full teachers' code,' but 'full code of regulations of the Superintendent of Public Instruction.' What has happened, by way of background, is the superintendent set out some criteria for private/parochial schools which were felt by the people that are pushing this bill to be impossible for them to comply with. A private school of eighty-one students would have to have a \$10,500 a year librarian. Their principal would have to have graduated from principal's school. They would also have to have their complete library criteria comply with the superintendent's criteria of libraries. This they couldn't do. So what they asked is that they be relieved of these more stringent criteria or regulations and accept the less stringent as outlined in this bill. So if they did apply and escaped the restrictions of this bill, they would fall under a much more restrictive set of regulations."

Mr. Farr spoke against passage of the bill.

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. McDermott.

Mr. McDermott: "Mr. Bottiger, would it be your interpretation of this law that a school system could be set up to avoid the provisions of integration? In other words, could a school system be set up, or one already in existence be used, to avoid, by parents, the problems of integration?"

Mr. Bottiger: "Dr. McDermott, I don't believe that this bill would change whether one could or could not by one iota. If the Seventh Day Adventists' schools, which are a rather large body of schools in this state, were to require that a student attending their schools be a member of their faith, when we fall under the doctrine of race, creed or color, I would imagine that you could say that there was discrimination in that only Seventh Day Adventists could go to their school. The same thing probably would pertain to the Catholic Church, or the Lutheran Church or anyone else if they made that a requirement. Now they would immediately run into other problems and other federal regulations. This bill doesn't deal with that at all. If I can explain the history of what happened I think maybe you will see the situation. Prior to the enactment of House Bill No. 58, the county Superintendent of Instruction regulated, under the compulsory attendance law, private schools. He made sure they were a real school. In California we had a couple of hippy groups try to set up their own school, claiming they were a religion. We passed House Bill No. 58, and most of us thought we were making no substantive changes in the law. However, the superintendent then sent out a long list of criteria which several small private schools (Tacoma Baptist School, Concordia Lutheran, a few schools of this nature) made a substantial change in the cost and expense of their operation. They came and said, 'You told us you weren't making any substantive changes and look what they've done to us. Would you introduce a bill which will put us back where we were before?' Because of the hippy situation in California, I explained to them, 'You will have to take some regulations to establish you are a real school and not just a dodge.' So this bill was drafted with the help of the Code Reviser to do that—put us back where we were prior to House Bill No. 58. In the committee hearing the question came up of acceptance of state funds (should we require a school that accepts state funds to teach a course to comply with certain requirements of the state that we impose on public schools). The committee concluded that we should. If anybody can make a racial discrimination—separate school system—bill out of this, their imagination exceeds mine."

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. O'Brien.

Mr. O'Brien: "Mr. Bottiger, this amendment adding a new section ('The provisions of this act shall not be applicable to any private school which receives state funds') now you could go into a broad viewpoint or definition of 'state funds.' I don't know of any particular private school desiring state funds as such. One of the bills pending in this House in a very noteworthy committee and which has had serious consideration for a great many days now pertains to contractual services with teachers. The funds, or any arrangements of this nature, would be directly with the teachers involved, and not with the private schools. I don't know of any instance where they are attempting to fund a private school directly, so this causes some consternation in my interpretation of this amendment. Is it possible for you to clarify this with such short notice?"

Mr. Bottiger: "Mr. O'Brien, I think what you are saying is that I misspoke when I said that there is a bill pending which would provide direct appropriations of state funds. You

are correct, those bills provide for state funds to be used for the teachers' salaries and for specific courses. What this amendment, as I understand it, says is that if a school applies in the future for state funds to be appropriated to that school, that they understand they will take state regulation with those funds. The schools that have sponsored this bill don't even accept milk money. They believe in no state support whatsoever. They accept no funds whatsoever, and they would prefer to accept a minimum amount of regulation. That is all the bill is designed to do."

#### MOTION

Mr. Brown moved that the House defer further consideration of Engrossed House Bill No. 335, and the bill be placed at the top of tomorrow's third reading calendar.

Representatives Brown and Hoggins spoke in favor of the motion. Representative Bottiger stated he had no objection to deferring action on the bill until tomorrow.

The motion carried.

#### MOTION

On motion of Mr. Morrison, the House reverted to the ninth order of business.

#### SECOND READING

HOUSE BILL NO. 323, by Representatives Charette, Martinis and Conner:

Providing for the conservation of salmon resources by limiting the number of commercial salmon licenses.

Committee recommendation: Majority, do pass with the following amendments:

Strike all of page 2 and insert "licenses issued in the year 1968, 1969, 1970, or 1971: PROVIDED, That all those individuals who held a commercial salmon fishing license for any type of fishing gear in 1968, 1969, 1970, or 1971 shall be entitled to a commercial salmon fishing license in 1972, if such holder applies therefor.

*NEW SECTION.* Sec. 3. There is added to chapter 12, Laws of 1955 and to chapter 75.28 RCW a new section to read as follows:

Any holder of a commercial fishing license in 1968, 1969, 1970, or 1971 who does not apply for a license in 1972, shall not thereafter be entitled, as a matter of right, to a commercial salmon fishing license in any subsequent year.

*NEW SECTION.* Sec. 4. There is added to chapter 12, Laws of 1955 and to chapter 75.28 RCW a new section to read as follows:

The provisions of this act shall become effective January 1, 1972 and shall remain effective until January 1, 1975."

On page 1, line 3 of the title after "licenses;" strike "and"

On page 1, line 4 of the title after "RCW" insert "; and providing an effective date"

The bill was read the second time.

On motion of Mr. Zimmerman, the committee amendments were adopted.

House Bill No. 323 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 323 was placed on final passage.

Mr. Charette spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Costanti.

Mr. Costanti: "First of all: If a father has a license for a boat and suppose he were to die, would his son be able to carry on the business?"

Mr. Charette: "I can't say positively yes, but if the transfer of licenses is adopted by rules and regulations by the Department of Fisheries somewhat similar to what they now do with Washington Utilities and Transportation Commission, this would be a fact and I think that it should be. I think they would pass the license on."

Mr. Costanti: "I think that would be very important to a person who has an investment in the industry. One other question: Wasn't a law similar to this declared unconstitutional in Alaska just two weeks ago?"

Mr. Charette: "The law that was declared unconstitutional by the Alaska supreme court was similar to this but it was different in two respects. One of the reasons for the supreme court of Alaska declaring their law unconstitutional is that they have a specific constitutional provision that would not allow this, and further, the state of Alaska tried to

restrict all people except residents of Alaska. We are not trying to restrict nonresidents from fishing if they now hold a license within our state and are paying the fees. So it is different in those two very important respects."

Mr. Costanti: "Will you answer one more question? Do you feel this is creating a monopoly? You understand I have a commercial fishing license."

Mr. Charette: "I don't believe this is creating a monopoly because it allows anybody to engage in commercial fishing that has engaged in 1968, '69, '70 and '71, and further allows other people to enter into the commercial fishing industry by virtue of having one license transferred that is in existence at the present time to another person or, by rules and regulations of the Department of Fisheries, new people to enter the commercial fishing industry as long as they are not going to take away from the total production of fish and the conservation of fish so that the fish that now exist can be used for both commercial and sport."

#### POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Moon.

Mr. Moon: "What happens to the individual who has been out of high school, worked as a commercial fisherman on another man's boat, under another man's license, for a period of three, four or five years, putting away his money, saving it in hopes of next year being able to finance his own operation, his own boat, his own nets and all the gear that is necessary, and wanting to get out on his own and having a license? Will he be able to get a license by applying to the Director of Fisheries as the individual who got his license last year?"

Mr. Charette: "I think that individual could protect himself by applying for, and he has an absolute right to get, a license before the end of 1971. Now if he applied after 1971, in the year 1972, he would either buy somebody else's fishing license or have it transferred to him, or under the rules and regulations of the Department of Fisheries, he would be able to apply for and receive a license if he came within their rules and regulations."

Mr. Moon: "If this is the case, you say he would be able to buy somebody else's fishing license, then all at once every individual who presently has a fishing license is worth considerably more by virtue of the fact that the fishing license is now worth quite a bit more. Today it isn't worth anything. Any individual can go get a license, but after this law becomes effective he will be able to buy and sell it. Is that what you are saying?"

Mr. Charette: "What I am, in effect, saying, Representative Moon, is that the Department of Fisheries will probably issue a regulation—as the Liquor Control Board has, and as the Washington Utilities and Transportation Commission has—that these items or licenses are not for sale, but we know that people have ways of getting around that law. Possibly people who have licenses now will have some value in that license, yes."

Representatives Moon and Chatalas spoke against passage of the bill, and Representatives Martinis and Van Dyk spoke in favor of it.

#### POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Moon.

Mr. Moon: "Would this make it possible for fish companies to buy these licenses?"

Mr. Martinis: "Representative Moon, I think if a fish company has purchased a license in the past, the bill clearly states they will be able to purchase them in the future. Maybe straying a little bit afield, if you are concerned with the concerns of the commercial fisherman, at times I possibly may have been opposed to some segments of it, and it was well known that this particular group (maybe they fish with gillnets—I don't know) said that 'Finally Martinis is really on our side, and maybe there should be a limitation in this gear.' So this has nothing to do with any type of gear fight."

Mr. Moon spoke again in opposition to Engrossed House Bill No. 323.

Mr. Beck demanded the previous question, and the demand was not sustained.

Representatives Martinis and Charette spoke again in favor of the bill.

#### POINT OF INQUIRY

Mr. Moon yielded to question by Mr. Grant.

Mr. Grant: "Did Representative Charette's speech convince you?"

Mr. Moon: "It did not."

Compensation for any other permanent partial disability not involving amputation shall be in [an amount equal to eighty-five percent of] the proportion which the extent of such other disability, called unspecified disability, shall bear to that above specified, which most closely resembles and approximates in degree of disability such other disability, but not in any case to exceed the sum of [twelve thousand seven hundred and fifty] *thirty thousand* dollars: PROVIDED, That the total compensation for all unspecified permanent partial disabilities resulting from the same injury shall not exceed the sum of [twelve thousand seven hundred and fifty] *thirty thousand* dollars: PROVIDED FURTHER, That in case permanent partial disability compensation is followed by permanent total disability compensation, any portion of the permanent partial disability compensation which exceeds the amount that would have been paid the injured workman if permanent total disability compensation had been paid in the first instance, shall be deducted from the pension reserve of such injured workman and his monthly compensation payments shall be reduced accordingly.

(3) Should a workman receive an injury to a member or part of his body already, from whatever cause, permanently partially disabled, resulting in the amputation thereof or in an aggravation or increase in such permanent partial disability but not resulting in the permanent total disability of such workman, his compensation for such partial disability shall be adjudged with regard to the previous disability of the injured member or part and the degree or extent of the aggravation or increase of disability thereof.

(4) When the compensation provided for in subsections (1) and (2) exceeds [one thousand dollars] *three times the average monthly wage for all workmen entitled to compensation under this title*, payment shall be made in monthly payments in accordance with the schedule of temporary total disability payments set forth in RCW 51.32.090 until such compensation is paid to the injured workman in full, except that the first monthly payment shall be in [the amount of one thousand dollars] *an amount equal to three times the average monthly wage for all workmen entitled to compensation under this title* and interest shall be paid at the rate of five percent on the unpaid balance of such compensation commencing with the second monthly payment: PROVIDED, That interest so paid shall not be charged to the cost experience of any employer but shall be borne wholly by the applicable class account: PROVIDED FURTHER, That upon application of the injured workman the monthly payment may be converted, in whole or in part, into a lump sum payment, in which event the monthly payment shall cease in whole or in part. Sec. 11. Section 51.32.090, chapter 23, Laws of 1961 as last amended by section 3, chapter 122, Laws of 1965 ex. sess. and RCW 51.32.090 are each amended to read as follows:

(1) When the total disability is only temporary, the schedule of payments contained in subdivisions (1)[, (2), (3) and (4)] *through (13)* of RCW 51.32.060 *as amended* shall apply, so long as the total disability continues.

(2) [But if the injured workman has a wife or husband and has no child or, being a widow or widower, with one or more children, the compensation for the case during such period of time as the total temporary disability continues, shall be per month as follows, to wit: (a) Injured workman with wife or invalid husband and no child, two hundred fifteen dollars; injured workman with able-bodied husband, but no child, one hundred seventy-five dollars; injured workman with wife or invalid husband and one child, or being a widow or widower and having one child, two hundred fifty-two dollars; (b) injured workman with able-bodied husband and one child, two hundred twelve dollars; (c) injured workman with wife or invalid husband and two children, or being a widow or widower and having two children, two hundred eighty-three dollars; (d) injured workman with able-bodied husband and two children, two hundred forty-three dollars; and twenty-three dollars for each additional child, but the total monthly payments shall not exceed three hundred fifty-two dollars to an injured workman with a wife or invalid husband, or being a widow or widower, and having children, and shall not exceed three hundred twelve dollars to an injured workman with children and having an able-bodied husband and any deficit shall be deducted proportionately among the beneficiaries.]

Any compensation payable under this section for children not in the custody of the injured workman as of the date of injury shall be payable only to such person as actually is providing the support for such child or children pursuant to the order of a court of record providing for support of such child or children.

(3) [As soon as] *Where vocational rehabilitation or retraining is likely to restore the injured workman to a form of gainful employment, the director shall authorize continued benefits under this section while the workman is actively and successfully undergoing a formal program of vocational rehabilitation or retraining and until recovery is so complete that the present earning power of the workman, at any kind of work, is restored to that existing at the time of the occurrence of the injury, the payments shall [cease] continue.* If and so long as the present earning power is only partially restored, the payments shall continue in the proportion which the new earning power shall bear to the old. No compensation shall be payable out of the accident fund unless the loss of earning power shall exceed five percent.

(4) No workman shall receive compensation out of the accident fund for or during the day on which injury was received or the three days following the same, unless his disability shall continue for a period of [thirty] *fourteen* consecutive calendar days from date of injury.

(5) Should a workman suffer a temporary total disability and should his employer at the time of the injury continue to pay him the wages which he was earning at the time of such injury, such injured workman shall not receive any payment provided in subsection (1) of this section from the accident fund during the period his employer shall so pay such wages.

(6) *In no event shall the monthly payments provided in this section exceed the average monthly wage of the state as computed under the provisions of section 14 of this 1971 amendatory act.*

Sec. 12. Section 51.32.110, chapter 23, Laws of 1961 and RCW 51.32.110 are each amended to read as follows:

Any workman entitled to receive compensation under this title shall, if requested by the department, submit himself for medical examination, at a time and from time to time, at a place reasonably convenient for the workman and as may be provided by the rules of the department. If the workman refuses to submit to any such examination, or obstructs the same, his rights to monthly payments shall be suspended until such examination has taken place and no compensation shall be payable during or for such period or, if any injured workman shall persist in unsanitary or injurious practices which tend to imperil or retard his recovery, or shall refuse to submit to such medical or surgical treatment as is reasonably essential to his recovery, the department may reduce or suspend the compensation of such workman. If the workman necessarily incurs traveling expenses in attending for examination pursuant to the request of the department, such traveling expenses shall be repaid to him out of the accident fund upon proper voucher and audit.

*If the medical examination required by this section causes the workman to be absent from his work without pay he shall be paid for such time lost in accordance with the schedule of payments provided in RCW 51.32.090 as amended notwithstanding the provisions of subdivision (3) of such section as amended.*

NEW SECTION. Sec. 13. There is added to chapter 51.08 RCW a new section to read as follows:

(1) For the purposes of this title, the monthly wages the workman was receiving from all employment at the time of injury shall be the basis upon which compensation is computed unless otherwise provided specifically in the statute concerned. In cases where the workman's wages are not fixed by the month, they shall be determined by multiplying the daily wage the workman was receiving at the time of injury:

(a) By five, if the workman was normally employed one day a week;

- (b) By nine, if the workman was normally employed two days a week;
- (c) By thirteen, if the workman was normally employed three days a week;

- (f) By thirty, if the workman was normally employed seven days a week.

The term 'wages' shall include the reasonable value of board, housing, fuel, or other consideration of like nature received from the employer, but shall not include overtime pay, tips, or gratuities. The daily wage shall be eight times the hourly wage unless the workman is normally employed for less than eight hours.

(2) In cases where a wage has not been fixed or cannot be reasonably and fairly determined, the monthly wage shall be computed on the basis of the usual wage paid other employees engaged in like or similar occupations where the wages are fixed.

**NEW SECTION.** Sec. 14. There is added to chapter 51.08 RCW a new section to read as follows:

For the purposes of this 1971 amendatory act, the average monthly wage in the state shall be determined by the department as follows: On or before the first day of December of each year, the total wages reported on contribution reports to the department of labor and industries for the four calendar quarters ending on the thirtieth of June of such year shall be divided by the average monthly number of insured workmen (determined by dividing the total insured workmen reported for the same period by twelve). The average annual wage thus obtained shall be divided by twelve and the average monthly wage thus determined rounded to next higher multiple of one dollar. The average monthly wage as so determined shall be applicable for the full period during which compensation is payable, when the date of occurrence of injury or of disability in the case of disease falls within the calendar year commencing the first day of January following the determination made on the first day of December.

**NEW SECTION.** Sec. 15. There is added to chapter 51.16 RCW a new section to read as follows:

The department shall classify all occupations or industries in accordance with their degree of hazard and fix therefor basic rates of premium which shall be the lowest necessary to maintain actuarial solvency of the accident and medical aid funds in accordance with recognized insurance principles. The department shall formulate and adopt rules and regulations governing the method of premium calculation and collection and providing for a rating system consistent with recognized principles of workmen's compensation insurance which shall be designed to stimulate and encourage accident prevention and to facilitate collection. The department may annually, or at such other times as it deems necessary to maintain solvency of the funds, readjust rates in accordance with the rating system to become effective on such dates as the department may designate.

**NEW SECTION.** Sec. 16. The following acts or parts of acts are each hereby repealed:

- (1) Section 51.16.010, chapter 23, Laws of 1961 and RCW 51.16.010;

Mr. Charette spoke in favor of the amendments, and Mr. Morrison spoke against them. Mr. Wolf demanded an oral roll call, and the demand was sustained.

Mr. Savage spoke in favor of adoption of the amendments.

#### POINT OF INQUIRY

Mr. Charette yielded to question by Mrs. Wojahn.

Mrs. Wojahn: "One of the things that has been bothering me for some time is who is going to pay the prior pensioners' awards, Representative Charette? Is this going to be relayed back to industry or is this coming out of the general fund? If it is coming out of the general fund, how much will it be under this amendment?"

Mr. Charette: "Representative Wojahn, there is no prior pension in this amendment. There are a number of plans that have been suggested as far as upgrading the prior pension. I assume that you are talking about upgrading to the 1965 or the present level as far as prior pensions have been concerned. The Governor had, in a proposal that he suggested which is Senate Bill No. 701, a tax on employees to pay the pensioners. House Bill No. 735 has a tax to pay the pensioner. I would assume that this is a matter that will be taken care of, and I would rather see this House make the determination on the way they are going to go, and then make that determination on the prior pensioners."

Mrs. Wojahn: "One more point, isn't it a fact there is no money in the fund at present to pay the 1965 levels; that there is a seven million dollar price tag that has been taken out of the budget; and if, in fact, we do not do something on this floor, the pensioners receiving the 1965 levels will be moved back to what they were getting prior to 1965?"

Mr. Charette: "Representative Wojahn, one of the things wrong with the present system is there never have been funds to pay prior pensions. If we adopted this amendment, and with an amendment that I am sure could be taken care of in the other body, we could take care of that. I want to stress the point that the present fund never has had, since its inception, a method of taking care of prior pensioners in the sixty years in existence. That has been done out of the general fund. For instance, in the year 1916, a pension was forty dollars a month. Presently it is one hundred twenty-five dollars a month, which is paid out of the general fund."

#### POINT OF INQUIRY

Mr. Eikenberry yielded to question by Mr. Ross.

Mr. Ross: "Mr. Eikenberry, in regard to the three-month exemption: Do you feel there would be a lack of uniformity by legislators not having this? As soon as we go into session we are under this same state constitutional provision immune from civil litigation. The courts have determined that a recall procedure is civil litigation. Do you think it would be correct in effect to have an automatic exemption for state legislators and not have the same exemption for the Governor and other elected officials?"

Mr. Eikenberry: "I can't agree that the two procedures you have referred to are one and the same. The Constitution says that the representative is immune from civil process. This is not to say he could not be sued for acts committed during the time the legislature was in session—being served with process later on. For this reason I don't think there is the parallel which you suggest."

Mr. Thompson spoke in favor of adoption of the amendment, and Mr. Pardini spoke against it.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Ross.

Mr. Ross: "Mr. Hoggins, can you assure me that the tax contribution of the school districts involved will be just as great as, say, the Seattle school district?"

Mr. Hoggins: "Except for special levies, the basic school millage will be the same. This bill will see that that is done. It also would require that these school districts are obligated to pay the additional costs that are required for their students in the high school district. I am not sure what the special millage would be in the school districts. It depends on the school district and their assessed valuation per pupil."

Mr. Ross: "The second part of the question—is the tax contribution to these school districts less than what they receive in terms of state money? Is the percentage of tax moneys gathered from, say, King County and the City of Seattle over and above that which they receive back in relationship to these school districts?"

Mr. Hoggins: "I think I will have to answer your question this way. In the school equalization formula, each school district is required to do what it can through its basic millage. Then the state will guarantee up to a certain amount, and the bill we passed through the House this time has a level of three hundred sixty-five dollars per student. The costs above and beyond that are met by special levies. So there is an equalization program to help, in a sense, the poor. In this case, the farmers get along pretty well under this."

Mr. Charette spoke in favor of passage of the bill.

Mr. Amen: "Mrs. Lynch, on page 2 I see that the employees shall have the right 'to meet, confer and negotiate on policies relating to, but not limited to'—and then it lists quite a few of these things. Could this include such things as the budget, or who to hire or fire, or specifically what buildings could be used? As you know one of the community colleges in my district has had some dissatisfaction and discussion concerning which buildings to use. Could this be included in this?"

Mrs. Lynch: "If it is policy related to this, yes. But this is current law right now, Mr. Amen. We are not changing this. The next bill coming up directs a study be made into this question because there is a great deal of concern about how far the negotiations act should go. But at the present time, this is the law."

House Bill No. 575 was ordered engrossed.

Mrs. Lynch spoke in favor of passage of the bill, and Mr. Conner spoke against it.

#### POINT OF INQUIRY

Mrs. Lynch yielded to question by Mr. Curtis.

Mr. Curtis: "Mrs. Lynch, as one of the co-sponsors of the original bill I am interested in seeing that the department does institute charges where it is possible to do so. The substitute bill says they do not have to. It simply makes it discretionary on the part of the department. Can you assure me, in your conversations with the department people that, where possible, where financial means of the adoptive parents will permit it, that charges will be instituted?"

Mrs. Lynch: "Very definitely, Representative Curtis, in talking to Secretary Smith, I was assured of this. I would like to make one other point very clear that Representative Conner seems to have missed—this applies to the normal child as well as to the hard to place child. Also, Representative Curtis, Mr. Smith assured me that where a family could not afford to pay these fees they would be waived. But they very definitely do plan to charge the fees."

Representatives Curtis and McDermott spoke in favor of passage of the bill.

On page 2, section 2, line 30 beginning with "[The board]" strike all of the material down to and including "*by the board.*" on page 3 and insert "The board shall develop and provide three employee health care benefit plans; one plan will provide major medical benefits as its primary feature, another plan will provide basic first dollar benefits as its primary feature plus major medical, either or both of which may be provided through a contract or contracts with regularly constituted insurance carriers or health care service contractors as defined in chapter 48.44 RCW, and another plan to be provided by a panel medicine plan in its service area only when approved by the board."

On page 3, section 2, line 23 beginning with "PROVIDED" strike all of the material down to and including "*July 1, 1971*" on line 26

Representatives Wolf and King spoke in favor of adoption of the amendments, and Representative Harris spoke against the amendments.

### POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Hatfield.

Mr. Hatfield: "There has been considerable talk about how much money goes out of the state. Could you tell, Representative Wolf, how much business tax the present low bidder pays?"

Mr. Wolf: "I don't have the figures, Representative Hatfield, but I think that is an interesting question, because I don't know how many of our state employees are going outside of the state to see a doctor. The entire amount of this premium, as to Mr. Harris' testimony—they are showing a loss. Therefore, all of the money that is being contributed is being spent in the state in hospitals, for doctors, x-ray's. If they were making a lot of money, then his argument might hold water that some money was going outside of the state, but, as you know, the bid was awarded to a company which does pay the B & O tax. Maybe Mr. Shera has the answer to that question."

Mr. Hatfield: "Well, it is something over two hundred thousand dollars, I know, that they are contributing to the state coffers."

Representatives Charette and Chatalas spoke against adoption of the amendments, and Representative Bottiger spoke in favor of them.

Mr. Wolf closed debate, speaking in favor of the amendments.

The four amendments by Representatives Wolf, King, Shera and Bottiger were adopted on a rising vote.

House Bill No. 816 was ordered engrossed.

*NEW SECTION.* Sec. 2. The state highway commission and the joint committee on highways shall prepare a cross sound transportation plan which shall include cost estimates and alternative means for financing the entire project. The plan shall specify the portion of the total cost which can be financed by issuance of toll bridge authority revenue bonds and that portion of the total cost which would be contributed from the motor vehicle fund. The findings and recommendations of the state highway commission and the joint committee on highways formulated pursuant to the provisions of this act shall be presented to the 1973 regular legislative session."

The bill was read the second time.

On motion of Mr. Berentson, the committee amendment to page 1 was adopted.

Mr. Berentson moved adoption of the committee amendment to page 2.

On line 8 of the committee amendment after "mass public transportation carriers" insert the following: "such inquiry shall give full consideration to the importance of the Puget Sound Naval Shipyard on a regional and national scope by reason of the vital work done in the defense of the nation and the fact that said shipyard is the second largest employer in the state of Washington"

Mr. Mentor spoke in favor of the amendment to the amendment.

#### POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Conner.

Mr. Conner: "Representative Berentson, as Chairman of the Transportation Committee of the House, in considering this bill in committee, is it your understanding that this cross sound transportation bill will include a study of the Port Townsend-Keystone ferry system and its effect on the cross sound transportation picture as a whole?"

Mr. Berentson: "Although not spelled out, I am sure that would be part of the total study because we are looking at the system of ferry financing. Right now, as I think most of you know, the debt service is taken care of by the motor vehicle fund and actually the operation of ferries must come from the ferries themselves. So I am sure it will probably take into consideration even the ferries in other areas such as the San Juans, or at least will develop information that will be very valuable to us in looking into the future."

Mr. Douthwaite spoke in favor of passage of the bill.

On motion of Mr. Kiskaddon, the following amendment was adopted:

#### MOTION

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 915 was placed on final passage.

Representatives Kiskaddon and O'Brien spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Kiskaddon yielded to question by Mr. Barden.

Mr. Barden: "Representative Kiskaddon, I am particularly concerned about the Department of Social and Health Services embarking on new programs with an expenditure of additional funds because of the terrible shortage of money to finance their vital services that they must extend to the needy of our state. I notice here that on lines 13 through 15, it says: 'The purpose of this authorization is to augment the services presently offered and to achieve pooling of public and nonprofit resources.' It is my understanding that the nonprofit resources are what you refer to as unappropriated funds, but is this pooling going to result in a draining off of public revenue that otherwise could be appropriated for the vital public assistance needs or for new programs?"

Mr. Kiskaddon: "Mr. Barden, no, public money basically would be federal matching money that would be available to be used with the local money for a given program. There is no state money involved, and it would not reduce any other federal matching money we have. I also would like to point out that many of the UGN agencies now are in the middle of programs which are very worthwhile and helpful to our local agencies, and many would not be able to continue without some of this kind of help."

#### POINT OF INQUIRY

Mr. Kiskaddon yielded to question by Mr. Gladder.

Mr. Gladder: "Mr. Kiskaddon, this went by pretty fast. Was it section 6 that was stricken?"

Mr. Kiskaddon: "No, Representative Gladder. It was only line 16 of subparagraph (2), 'approved as meeting state licensing standards.'"

Mr. Gladder: "There is one item here that gives me some concern. I am wondering if this material in section 6 would in any way give additional authority to the Department of Social and Health Services to some more of this business of putting out some of the people who are under state care into private homes. We refer here to licensing and accrediting standards. Would it in any way open up the gateway to this type of operation?"

Mr. Kiskaddon: "Representative Gladder, it would not change the authority the department has now to have homes of this type. Anytime an agency has the permanent care of a person, as part of the program or even for that matter an entire day, as a day care center, all of these are licensed by the state. The intent of subsection (4) is for most of the other UGN agencies which are not licensed by the state because they do not have residence population. So this would not change in any way, shape or form the situation you described."

Mr. Gladder: "Then neither section 4 nor section 6 would broaden that authority?"  
 Mr. Kiskaddon: "That is right."

### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 915, and the bill passed the House by the following vote: Yeas, 91; nays, 6; absent or not voting, 2.

Voting yea: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Bauer, Beck, Benitz, Berentson, Blair, Bledsoe, Bluechel, Bottiger, Bozarth, Bradley, Brouillet, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conner, Conway, Copeland, Costanti, Cunningham, Curtis, Douthwaite, Farr, Flanagan, Gallagher, Gilleland, Goldsworthy, Grant, Hansey, Harris, Haussler, Hoggins, Hubbard, Hurley, Jastad, Johnson, Jones, Jueling, Kilbury, King, Kirk, Kiskaddon, Knowles, Kopet, Kraabel, Litchman, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Mentor, Merrill, Moon, Morrison, Newhouse, North, O'Brien, Pardini, Paris, Perry, Polk, Rabel, Randall, Rosellini, Ross, Savage, Sawyer, Schumaker, Shera, Shinpoch, Thompson, Van Dyk, Wanamaker, Williams, Wojahn, Wolf, Zimmerman, Mr. Speaker—91.

Voting nay: Representatives Eikenberry, Gladder, Hatfield, Kuehnle, Smith, Spanton—6.

Absent or not voting: Representatives Julin, Smythe—2.

Engrossed Substitute House Bill No. 915, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

HOUSE BILL NO. 486, by Representatives Kopet, Marsh and Goldsworthy (by Departmental request):

Pertaining to motor vehicle excise tax distributions.

The bill was read the second time.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and House Bill No. 486 was placed on final passage.

Mr. Flanagan spoke in favor of passage of the bill.

### POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Grant.

Mr. Grant: "Mr. Flanagan, what effect does this have on the total picture insofar as the revenue for the next biennium? What are we gaining or losing by passage of House Bill No. 486?"

Mr. Flanagan: "As I said, this is one of two bills. This particular bill provides that the July money in the motor vehicle excise fund is really collected before the first of July, and this would change it back to the 30th of June so that you credit it to June, which in effect moves that July money back into June, which is the previous fiscal year. So the effect of this is just to gain a little over four million dollars in the current biennium, and it really doesn't have any effect to the next year except the same thing occurs again the next year. In other words, from then on it will be credited in June instead of July. The other bill, House Bill No. 461, changes the tax collection date on other taxes to the 25th of the month instead of the 30th of the month. This results in a gain of about twenty-seven million dollars in this biennium and about twenty-eight million dollars in the next biennium."

### POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Shinpoch.

Mr. Shinpoch: "Representative Flanagan, I'm kind of a green pea down here, and I don't understand all of these things. Would the net effect of this bill be that we would be collecting the revenues for twenty-five months in this biennium?"

Mr. Flanagan: "Yes, in effect we would; however I would add the point I made before, that the money really is collected in this biennium. In other words it is collected in June, but it comes into the fund in July."

## ROLL CALL

The Clerk called the roll on the final passage of House Bill No. 486, and the bill passed the House by the following vote: Yeas, 73; nays, 25; absent or not voting, 1.

On motion of Mr. Bledsoe, the House advanced to the tenth order of business.

## THIRD READING

Delineating state agency authority over private schools.

The House resumed consideration of Engrossed House Bill No. 335 on third reading.

## MOTION

On motion of Mr. Bledsoe, the rules were suspended and Engrossed House Bill No. 335 was returned to second reading for the purpose of amendment.

## SECOND READING

Mr. Bottiger moved adoption of the following amendment:

On page 5, line 33 of the engrossed bill strike all of section 5

Mr. Bottiger spoke in favor of the amendment.

## PARLIAMENTARY INQUIRY

Mr. Hoggins: "Mr. Speaker, the amendment I have doesn't say that the committee amendment be struck."

The Speaker: "I explained, Mr. Hoggins, that on third reading the bill is engrossed, so it was necessary for us to change the amendment so as to amend the engrossed bill."

Mr. Hoggins spoke against the amendment.

The amendment by Mr. Bottiger was adopted.

Mr. Bottiger moved adoption of the following amendment:

On page 5, line 33 add new sections as follows:

"*NEW SECTION*. Sec. 5. The provisions of this 1971 amendatory act shall not apply to any school which engages in a policy of racial discrimination.

*NEW SECTION*. Sec. 6. Section three of this act shall not preclude the application of rules and regulations of the state board of education pertaining to any program of cooperation between a public agency and a private or parochial school."

Renumber the remaining section

#### MOTION

On motion of Mr. Wolf, the question was divided.

The Speaker stated the question before the House to be the following amendment:

On page 5 add a new section as follows:

"*NEW SECTION*. Sec. 5. The provisions of this 1971 amendatory act shall not apply to any school which engages in a policy of racial discrimination."

Mr. Bottiger spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Wolf.

Mr. Wolf: "Representative Hoggins, the amendment (I just caught it on the fly) says, 'The provisions of this act shall not apply to any school which engages in a policy of racial discrimination.' My question to you is, does this act apply to all schools, or just private and parochial schools?"

#### POINT OF ORDER

Mr. Bottiger: "Mr. Speaker, Mr. Wolf is misquoting. He is reading from what I gave him on the floor, but as you explained, and I explained, and the reader read, there is inserted in the amendment, 'The provisions of this 1971 amendatory act . . .'"

The Speaker instructed the Clerk to reread the amendment.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Wolf.

Mr. Wolf: "Mr. Hoggins, under the language, 'The provisions of this 1971 amendatory act shall not apply to any school which engages in a policy of racial discrimination' does this provision then apply to all schools—public—or just to private and parochial schools?"

Mr. Hoggins: "Mr. Wolf, I would suspect that since we are amending pages 1, 2, and 3, and new sections in the remainder, that the amendatory act is the entire bill. Would you care to ask me the question you asked privately?"

Mr. Wolf: "If I had a school which refused to bus students, would I be in violation of this act and therefore not collect any state funds?"

Mr. Hoggins: "That would be my interpretation of what the amendatory act is. My interpretation would be yes."

#### PARLIAMENTARY INQUIRY

Mr. Farr: "Mr. Speaker, I am confused. On the bottom of page 3, I find new section 3. My question is, where is section 4? If this one we are talking about now is section 5, I don't know where 4 is."

The Speaker: Section 4 is the severability clause reading as follows: 'If any provision of this 1971 amendatory act, . . .' etc."

#### MOTION

Mr. Hoggins moved that Engrossed House Bill No. 335 be rereferred to the Committee on Education and Libraries.

Mr. Ross spoke against the motion.

## PARLIAMENTARY INQUIRY

Mr. Julin: "Mr. Speaker, would a motion to put this bill over to the top of tomorrow's second reading calendar be in order at this time, or must we defeat this particular motion?"

The Speaker: "They are of the same rank. We must dispose of the pending motion first, Mr. Julin."

Representatives Julin and Bottiger spoke against the motion to rerefer Engrossed House Bill No. 335 to the Committee on Education and Libraries.

The motion was lost.

The Speaker stated the question before the House to be the amendment by Mr. Bottiger adding a new section 5.

#### RESOLUTIONS

HOUSE RESOLUTION NO. 71-39, by Representatives Cunningham, Wolf and O'Brien:

WHEREAS, The per diem rates, expenses and travel costs allowed state employees, state officials and members of committees, commissions and boards are fixed by a multitude of diverse statutory sections of law; and

WHEREAS, Inconsistent use of identical terminology and variations in compensation exist with no apparent reason; and

WHEREAS, Many rates, although adequate when established, no longer reflect current cost factors; and

WHEREAS, There is need for greater uniformity for efficient administration and control of such per diem rates, expenses and travel costs; and

WHEREAS, A general review is necessary to evaluate the various duties performed to establish fair and equitable compensation commensurate with said duties;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Council is authorized and directed to undertake a study of those sections of law and the administrative practices relating to salaries, compensation, per diem rates, expenses and travel allowances for state employees, state officials and members of committees, commissions and boards; to make recommendations as to the consistency, uniformity and adequacy thereof, and to draft appropriate legislation relative thereto for presentation to the next Regular Session of the Legislature.

Mr. O'Brien moved adoption of the resolution.

These students are seniors. They are graduating from two of our institutions which produce some of the best hygienists in the country (and the prettiest ones)."

## SECOND READING

HOUSE BILL NO. 727, by Representatives Amen, Haussler and Bauer:

"The director may, in order to reduce the cost of brand inspection to livestock owners, enter into agreements with any qualified county, municipal, or other local law enforcement agency, or qualified individuals for the purpose of performing brand inspection in areas where department brand inspection may not readily be available"

The bill was read the second time.

## POINT OF INQUIRY

Mr. Benitz yielded to question by Mr. Hatfield.

Mr. Hatfield: "What problems might this bill create for the small independent dealer or the 4-H student who might go out in the country and buy a calf or two?"

Mr. Benitz: "I think this bill is pretty far reaching. The boy or girl who happens to want to pick his 4-H calf out of a herd out in the country will be forced to do one of two things—either load that calf and take it where he can find a brand inspector at a designated point or pay the brand inspector to come out in the country and inspect it. I think this bill virtually will eliminate the independent trader that has been quite in evidence in this part of the state and will force practically all cattle through the public sale. I think it is very far reaching."

Representatives Amen and Haussler spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Amen yielded to question by Mr. Benitz.

Mr. Benitz: "Could you tell me where in this statute there is reference to the seven-day rule?"

On page 2, section 3, line 24 after "applicant" and before the period insert "PROVIDED, That no license shall be issued to any person other than a small loan licensee or chartered industrial loan company authorized to do business in this state and which qualifies hereunder"

#### POINT OF INQUIRY

Mr. Bagnariol yielded to question by Mr. Harris.

Mr. Harris: "Am I correct in my understanding that many, many used car dealers, when they finance automobile paper themselves, are financing that paper not under the small loan act but just as ordinary lenders of money and outside the act?"

Mr. Bagnariol: "I really don't get the gist of your question. What do you mean by 'outside the act'?"

Mr. Harris: "I am saying, Mr. Bagnariol, it occurs to me that in the state of Washington we are permitting automobile dealers (used car dealers particularly) to enter into the financing of the used cars that they sell. I am of the opinion that they are selling those cars on time without being covered by the act. They do not have a small loan license. I do not know the answer to this question, and if you don't know, I would like to ask Mr. Julin if he knows."

Mr. Bagnariol: "Let me briefly comment. They are subject to retail credit laws and I believe what they are doing basically is selling their paper."

Mr. Harris spoke against adoption of the amendment, and Mr. Barden spoke in favor of the amendment by Mr. Bagnariol.

The amendment by Mr. Bagnariol to House Bill No. 805 was adopted.

Mr. Pardini moved adoption of the following amendments:

On page 6, section 8, line 15 strike "twelve" and insert "ten"

Mr. Pardini spoke in favor of the amendments and Mr. Barden spoke against them.

#### MOTION

Mr. Grant moved that the question be divided.

The motion by Mr. Grant to divide the question was lost on a rising vote.

The Speaker stated the question before the House to be the amendments by Mr. Pardini to House Bill No. 805.

The amendments were lost on a rising vote.

#### MOTION FOR RECONSIDERATION

Mr. Ross, having voted on the prevailing side, moved that the House do now reconsider the vote by which the amendments by Mr. Pardini failed.

#### POINT OF ORDER

Mr. Bottiger: "I believe Mr. Ross was on the wrong side in order to make that motion."

Mr. Ross: "I was counted on the wrong side. That's why I am making the motion to reconsider."

The Speaker: "On which side were you counted, Mr. Ross?"

Mr. Ross: "I think I was counted on the side that was against the motion, and I was in favor of the motion to amend."

The Speaker: "If you voted on the negative side of the motion to adopt the amendments, then you were indeed on the prevailing side."

Mr. Ross: "I did so vote, Mr. Speaker."

#### POINT OF ORDER

Mr. May: "Mr. Speaker, I voted for the amendment, and Mr. Ross was standing voting for it when I did, so he voted for the amendment."

#### RULING BY THE SPEAKER

The Speaker: "I'm afraid we have no roll call or recorded votes of individuals by which to determine that. I will accept the word of the man who makes the motion."

Representatives Barden and Bagnariol spoke in favor of passage of the bill, and Representatives Luders, Ross, Bradley, Julin and Pardini spoke against it.

#### POINT OF INQUIRY

Mr. Ross yielded to question by Mr. Lysen.

Mr. Lysen: "Representative Ross, when you were working in legal services, did you feel that the excessive advertising—at least it has been my impression that small loan companies have a substantial amount of advertising in excess of banks or other financial institutions—did you feel this was an attraction that brought in people who really shouldn't be borrowing money? Did it ever come out in committee hearings what the actual percentage of gross income is that small loan companies spend on advertising?"

Mr. Ross: "No, that never came out in committee. With regard to your question concerning the extensive advertising done by small loan companies—in questioning persons who were in trouble because of taking out loans from small loan companies, when asked how they got to the office, they said they saw it on TV—you know, 'no credit risk is too bad, please come in.'"

Mr. Barden closed debate, speaking in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Kopet yielded to question by Mr. Hansey.

Mr. Hansey: "Mr. Kopet, how would this amendment affect a county that did not have a boundary review board but wanted to enter into one of these agreements?"

Mr. Kopet: "I think you will find it says, 'boundary review board, if any, . . .' If they don't have one, the boundary review board of course is of no concern."

On motion of Mr. Kopet, the following amendment was adopted:

On page 4, line 8 insert a new section as follows:

"Sec. 7. Section 3, chapter 148, Laws of 1969 ex. sess. and RCW 56.36.030 are each amended to read as follows:

Whenever a merger is initiated in any of the three ways provided in RCW 56.36.020, the boards of the sewer and water commissioners of the respective districts involved shall enter into an agreement providing for the merger. *Upon entry of such agreement, the boards of the water and sewer commissioners shall file a notice of intention to merge together with a copy of said agreement with the*

*boundary review board, if any, of the county and the board shall review the proposed merger under the provisions of RCW 36.93.150 through 36.93.180.*

## POINT OF INQUIRY

Mr. Hubbard yielded to question by Mr. Barden.

Mr. Barden: "Representative Hubbard, you are a member of the committee which considered this bill. I notice that initially as the bill was introduced it had a biennial cost of one hundred seventy-five thousand dollars that the committee action has reduced the amount to be expended to eighty-seven thousand four hundred eighty dollars for the upcoming biennium. The bill did not carry an appropriation nor is there an expense outlined in the operations budget which passed this House to expend this money. I wonder if you can tell me where the money is going to come from to pay this fund."

Mr. Hubbard: "Representative Barden, I do remember the testimony very well. At that time they were asking just double what we have set up here. Their lobby (one man from both schools) assured us they had this kind of money laying around that they could find without too much trouble—around one hundred seventy thousand dollars—that it wasn't specifically budgeted for anything but that they had it. Now that we have cut this down, and since we can't find these funds earmarked in their operating budget, I can only assume that the University of Washington and Washington State University have a slush fund, that we know of, that has eighty-seven thousand five hundred dollars in it. How much more, I wouldn't have any idea."

Mr. Shera spoke in favor of passage of the bill.

## ROLL CALL

Representatives Brown and Bluechel spoke in favor of adoption of the amendment.

#### POINT OF INQUIRY

Mr. Brown yielded to question by Mr. Kilbury.

Mr. Kilbury: "Mr. Brown, I do not have this amendment before me yet. Is it the intent of the amendment to permit an employer to require his employees to go out and obtain signatures on company time?"

Mr. Brown: "No, it is not the intent to permit an employer to send them out. If he is willing to voluntarily let them go, it certainly would provide for that. However, if you want to insist on it, I think they would still have some recourse."

The amendment was adopted.

House Bill No. 367 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 367 was placed on final passage.

Mr. Brown spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Brown yielded to question by Mr. Wolf.

Mr. Wolf: "Representative Brown, is it the intent of this legislation, or would any part of it prohibit the appearance of an initiative in a grocery store where it was just placed for signatures?"

Mr. Brown: "It is certainly not the intent to prohibit that, and I am confident there is nothing in here that would prohibit that."

#### ROLL CALL

Substitute House Bill No. 440 was read the second time.

Mr. Brown moved adoption of the committee amendment.

NOTE: On February 26, 1971, the Committee on Elections and Apportionment recommended that Substitute House Bill No. 440 be substituted for House Bill No. 440. By motion, House Bill No. 440 was referred to the Committee on Elections and Apportionment on March 8. On March 29, the Committee on Elections and Apportionment recommended that Substitute House Bill No. 440 do pass as amended.

(For Amendment see Journal of March 29, 1971, Eighteenth Day, Ex. Sess.)

Mr. Kuehnle moved adoption of the following amendment to the committee amendment:

Mr. Kuehnle spoke again in favor of the amendment to the amendment, and Mr. Douthwaite spoke again in opposition.

## POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Blair.

Mr. Blair: "While not unsympathetic to your feelings in this matter, Representative Kuehnle, I would like to ask you: How would the proof of residency be determined at the time of the caucus and location and by whom? Where would the burden of proof lie? How would we mechanically do this?"

Mr. Kuehnle: "I think the same question could be asked relative to what is the proof of residency at the temporary residence. I think said college student would probably be in a far better position to prove that his home was at his permanent residence as evidenced by his driver's license and his credit cards and everything else that he has in his pocket, since he is in a community where he is known and his parents are known. Certainly when he transplants himself to Pullman or to Cheney or Bellingham or whatever the case might be, he probably then is not in a position to establish his residency because he may very well have been there only on a short term basis. I think another important feature, of course, is that at the present time the only elections in which these young people are permitted to vote are on national offices. They have to have a special ballot and the practical application of that will be that they will be voting on an absentee basis. They will probably not be going to the polls in that locality. They will probably be voting on an absentee basis through their hometown."

Mr. Blair: "Did I understand you clearly that you would allow the precinct committeeman at the time of the caucus to make the final decision as to who could participate in the caucus?"

Mr. Kuehnle: "The statute doesn't provide in either instance for who shall make the determination of residency. I would think that if his residency were questioned, then, yes, in fact, the chairman of the meeting who presumably would be the precinct committeeman would make that determination."

The amendment by Mr. Kuehnle to the committee amendment was adopted.

Mr. Kuehnle moved adoption of the following amendment to the committee amendment:

On page 4, section 8, line 10 before "be" strike "may" and insert "shall"

On page 4, section 8, line 10 after "delegate" strike "if party rules so provide"

Mr. Kuehnle spoke in favor of the amendment to the amendment.

The Speaker called on Mr. Copeland to preside.

Mr. Kilbury spoke in favor of adoption of the amendment to the amendment.

The amendment by Mr. Kuehnle to the committee amendment was adopted.

On motion of Mr. Kuehnle, the following amendment to the committee amendment was adopted:

On page 6, section 18, line 19 after "shall be decided" and before "by a majority" insert "by secret ballot"

Mr. Kuehnle moved adoption of the following amendment to the committee amendment:

On page 7, line 2, after the period add two new sections as follows:

**NEW SECTION. Sec. 21.** Each state committee of a major political party shall adopt as a written rule a provision whereby at a meeting of such committee, (1) a parliamentarian, which shall mean for the purposes of this section a person who is knowledgeable in parliamentary rules of procedure, shall be present at such meeting and shall be available exclusively for consultation with committeemen attending the meeting, and (2) a reasonable delay in the committee proceedings shall be allowed on motion by a committeeman for purposes of consulting with such parliamentarian.

**NEW SECTION. Sec. 22.** Each state convention of a major political party shall adopt as a permanent rule a provision whereby at a party convention there may be seated with each county delegation on the floor of the convention a parliamentarian as defined in section 21 of this act and selected by the county delegation."

Re-number the remaining sections consecutively.

On page 7, line 15, following section 21, insert new sections to read as follows:

**NEW SECTION. Sec. 22.** There is added to chapter 29.42 RCW a new section to read as follows:

The state committee of each major political party shall adopt rules and regulations to provide for the election of its membership. Such rules and regulations shall assure that every elector who is a member of the party shall be given an equal voice in the selection of the state committee.

*NEW SECTION.* Sec. 23. The following acts or parts of acts thereof are each hereby repealed.

- (1) Section 29.42.020, chapter 9, Laws of 1965, and RCW 29.42.020; and

#### POINT OF ORDER

#### RULING BY THE SPEAKER (MR. COPELAND PRESIDING)

The Speaker (Mr. Copeland presiding): "Although intervening business has transpired, we are still within the framework of second reading, and anytime the body wishes to perfect the subject matter before us, they most assuredly have the opportunity to do so."

Representative Bledsoe spoke against adoption of the amendment to the amendment, and Representatives Kuehnle and Kilbury spoke in favor of it.

#### POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Moon.

Mr. Moon: "Representative Kuehnle, would this amendment, if it passed, prevent a central committee or a state committee from resolving itself into a committee of the whole to then make a decision and report back to the body?"

Mr. Kuehnle: "I think under the present rules of the Republican State Central Committee (I can't speak for yours)—that the present rules would not provide for it."

Mr. Moon: "We don't have those problems of trying to be secret in our party. I just wanted to make it known whether or not you would have this added committee of the whole to hide behind."

Representatives Lynch and Kiskaddon spoke against adoption of the amendment to the amendment.

Mr. Charette demanded the previous question, and the demand was sustained.

Mr. Morrison demanded an electric roll call, and the demand was sustained.

HOUSE BILL NO. 539, by Representatives Berentson, McDermott, Cunningham, Lysen, Williams, Brown, Conway, Gilleland, Blair, Rabel, Bluechel, Kraabel and Smythe (by Executive request):

Creating a department of transportation.

Committee recommendation: Majority, do pass with the following amendments:

On page 5, section 3, beginning on line 12 after "transportation." strike all of the matter down to and including "transportation." on line 16

On page 8, section 9, line 5 after "public transportation," and before "the division" insert "the division of aeronautics,"

On page 9, section 11, beginning on line 27 after "vehicles" strike all of the matter down to and including "act" on line 29

On page 10, beginning on line 14 strike all of section 12.

Renumber the remaining sections consecutively and correct the internal references.

On page 1, line 9 of the title after "canal commission," strike "the utilities and transportation commission,"

The bill was read the second time.

On motion of Mr. Berentson, the committee amendments were adopted.

Mr. Martinis moved adoption of the following amendment:

On page 5, section 4, beginning on line 30 strike all the matter down to and including "department, the" on page 6, section 4, line 4 and insert "the transportation commission, shall serve at the pleasure of the transportation commission, and shall be paid a salary to be fixed by the transportation commission. The"

Mr. Martinis spoke in favor of the amendment.

#### PARLIAMENTARY INQUIRY

Mr. Beck: "The way the Reading Clerk read the amendment, and the way my amendment reads, I think there is an error in the amendment."

Mr. Martinis: "This was drafted in Bill Drafting. At first it was somewhat confusing even to me, but let me read to you the way this amendment will read into the bill: On line 29, after the period, it will read . . .

'He shall be appointed by the transportation commission, shall serve at the pleasure of the transportation commission, and shall be paid a salary to be fixed by the transportation commission.'"

Mr. Beck: "Well my amendment says 'the transportation commission, shall serve at the pleasure of the transportation commission.'"

Mr. Martinis concluded his remarks in favor of the amendment, and Mr. Perry spoke against adoption of the amendment.

## POINT OF INQUIRY

Mr. Perry yielded to question by Mr. Marzano.

Mr. Marzano: "Mr. Perry, would you call this a super agency on transportation? Is this the same as creating a big, monstrous committee?"

Mr. Perry: "Mr. Marzano, this act wouldn't create anything we don't already have. What it would do is make the chief executive and his secretary of transportation responsible to the people of the state directly. There would be no buffers, no four-year appointments, and no insulation against the public. All of us today know that the public is clamoring. They want a number of things. I feel sure that as we leave the legislature this time, a number of things the public is demanding from both parties will be served. That isn't true of the Highway Commission. I think we will resolve some of the problems of the state because if we don't none of us will be back. But the Highway Commission will be there forever."

Representatives Berentson, King and Savage spoke in favor of the amendment by Mr. Martinis, and Representatives Cunningham, Kraabel and Bledsoe spoke against it.

Mr. Rosellini demanded an electric roll call, and the demand was sustained.

Mr. Newhouse demanded the previous question, and the demand was sustained.

## ROLL CALL :

The Clerk called the roll on the adoption of the amendment by Mr. Martinis to House Bill No. 539, and the amendment was lost by the following vote: Yeas, 47; nays, 49; absent or not voting, 3.

Voting yea: Representatives Amen, Backstrom, Barden, Bauer, Beck, Benitz, Berentson, Bottiger, Bozarth, Bradley, Conner, Conway, Copeland, Costanti, Curtis, Douthwaite, Farr, Flanagan, Gallagher, Gladder, Goldsworthy, Hansey, Hatfield, Haussler, Jastad, Johnson, Jueling, Kilbury, King, Knowles, Kuehnle, Lynch, Marsh, Martinis, Marzano, McCormick, Mentor, Merrill, Moon, Morrison, O'Brien, Pardini, Savage, Schumaker, Spanton, Wanamaker, Wolf-47.

Voting nay: Representatives Adams, Bagnariol, Blair, Bledsoe, Bluechel, Brouillet, Brown, Ceccarelli, Charette, Charnley, Chatalas, Cunningham, Eikenberry, Gilleland, Harris, Hoggins, Hubbard, Hurley, Jones, Julin, Kiskaddon, Kopet, Kraabel, Litchman, Luders, Lysen, Maxie, May, McDermott, Newhouse, North, Paris, Perry, Polk, Rabel, Randall, Rosellini, Ross, Sawyer, Shera, Shipoch, Smith, Smythe, Thompson, Van Dyk, Williams, Wojahn, Zimmerman, Mr. Speaker-49.

Absent or not voting: Representatives Anderson, Grant, Kirk-3.

## STATEMENT FOR THE JOURNAL

My "yes" vote on the Martinis amendment was an error. Please change my vote to "no." G. K. (JEFF) DOUTHWAITE, District 32A.

The Clerk read the following amendment by Mr. Spanton:

On page 6, section 5, line 14 strike "advise the secretary" and insert "determine policy for the department"

With the consent of the House, Mr. Spanton withdrew the amendment.

Mr. Kuehnle moved adoption of the following amendment:

On page 6, section 5, line 15 following "governor," strike "each from a different congressional district" and insert "not more than four of whom shall reside west of the Cascade mountains"

Mr. Kuehnle spoke in favor of the amendment, Mr. Berentson stated he was neither for nor against the amendment, and Mr. Bledsoe spoke against it.

## POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Cunningham.

Mr. Cunningham: "What do you interpret out of your amendment—could you have more from the east side of the mountains than three?"

Mr. Kuehnle: "That certainly was not the intent of the amendment, Representative Cunningham. The intent was to effect, as was done last year, a distribution of four and

three. If you interpret it that way and would suggest new wording, I would certainly go along with changing it. But that was not the intent."

Mr. Julin spoke against adoption of the amendment.

On motion of Mr. Berentson, the committee amendment to the title was adopted.

House Bill No. 539 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 539 was placed on final passage.

Mr. Berentson spoke in favor of passage of the bill, and Mr. Beck spoke against it.

#### POINT OF ORDER

Mr. Juelling: "Mr. Speaker, is Mr. Beck speaking for or against the bill?"

The Speaker: "I don't know. I wasn't listening."

Mr. Beck continued his remarks in opposition to the bill.

#### POINT OF ORDER

Mr. Curtis: "Mr. Speaker, I wonder if Mr. Beck is confining his remarks to the Department of Transportation."

The Speaker: "You are wandering very far afield, Mr. Beck. I have caught a little bit of what you have been saying."

Mr. Beck continued his remarks.

#### ADMONITION BY THE SPEAKER

The Speaker: "The House will be in order. You have about two minutes left of your ten minutes."

Mr. Beck concluded his remarks in opposition to the bill, and Mr. Wanamaker spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. O'Brien.

Mr. O'Brien: "Mr. Berentson, the role of the commission here is apparently relegated to advisory. Will the secretary of the new department be subservient to any degree to two bosses—the commission and the Governor? Or in your opinion if you have a strong secretary, will he be able to run the department without particularly having to go to the Governor for every decision? Wouldn't it also be possible to work with the commission?"

Mr. Berentson: "I'm sure the Governor, whoever he might be, will select a Secretary of Transportation that he has confidence in. Under the terms of the bill, he will be subservient to the governor, subject to dismissal at the will of the Governor. The commission is reduced to an advisory capacity over and against a policy position now. So the Secretary of Transportation would in effect have control over the commission. He would look to them for advice only, over and against the position now where in effect he is working for the commission. I would suspect that the Governor would indeed control the Secretary of Transportation. That is the reason for the bill. The Governor is the chief officer of the state, and the rationale here is that, with that the case, he should have control over the Secretary of Transportation."

Mr. O'Brien: "What in your opinion will be the role of the commission? Will they advise the secretary on general matters, and this advice will either be accepted by the secretary or rejected?"

Mr. Berentson: "Yes, they will advise only. There are a lot of people on both sides of this issue now. There are some people who might suggest to you that in effect, in actual operation right now, they are more advisory in capacity than anything else. However, they do now have the final say in many matters—those matters that are, say, outside of priority programming. I feel personally they do have some power even now in interpreting the formula for such things as priority programming. Under this bill, basically, they will serve in an advisory capacity only, and I guess that can mean a lot of things."

## POINT OF INQUIRY

Mr. Perry yielded to question by Mr. Julin.

Mr. Julin: "Representative Perry, during the debate and discussions and consideration of this bill, there has been extensive talk about the control of the so-called spoils system, or the tremendous millions or billions of dollars that will be subject to the control of the Governor. It is my understanding that all the funds appropriated for the Highway Department, and all the departments and commissions proposed to be combined in this transportation agency, are now subject to appropriations by legislative action. My question to you is: Is there anything about this measure that would in any way take away from, or diminish the authority and control the legislature now has over appropriations and how the funds are to be expended by this new department?"

Mr. Perry: "No, there isn't, Representative Julin. There isn't anything in this act that will change that one iota. In fact it will give more direct legislative control over the situation. The point that Representative Berentson alluded to about how much power this Secretary of Transportation would have because he is now caught in the middle of all of these statutes that we have that set up the priority programming situation. There has been a lot of debate here this evening, but it has gone all around the point. And the point is that we already have statutory protection on the books today, which is very different from the old pork barrel days. We have a number of other measures in the federal system which preclude the pork barreling that we used to have. There is one possible area that we still have and there is nothing done today in that area, and that is the toll bridge authority. That would be affected beneficially. So what we have been talking about here this evening is everything but the issue. The issue is that the Governor should have the right to appoint the Secretary of Transportation, who would be now using exactly the same statutes that we are protected by and have to be required to live up to exactly the same federal conflict of interest statutes, etc. So the priority programming and all of the things we have talked about are illusory. It's just not so. There wouldn't be anything adversely affected insofar as the ability of this legislature to put together the budget as we have done. Only we would have a lot more input."

## POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Gallagher.

Mr. Gallagher: "The last super agency we created, the Department of Ecology, cost the state of Washington in the new appropriation twenty-one million dollars. How much is this Department of Transportation going to cost us over and above what we are now paying?"

Mr. Berentson: "Nothing to my knowledge. I think we have a few more protections in this area than we have in the agency we created that you referred to."

Mr. Curtis spoke in favor of passage of the bill.

Mr. Luders demanded the previous question, and the demand was sustained.

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 539, and the bill passed the House by the following vote: Yeas, 63; nays, 34; absent or not voting, 2.

Voting yea: Representatives Adams, Bagnariol, Barden, Berentson, Blair, Bledsoe, Bluechel, Brouillet, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conway, Copeland, Costanti, Cunningham, Curtis, Douthwaite, Eikenberry, Gilleland, Goldsworthy, Hansey, Harris, Hoggins, Hurley, Jones, Julin, King, Kiskaddon, Kopet, Kraabel, Litchman, Luders, Lynch, Lysen, Martinis, Maxie, McCormick, McDermott, Mentor, Moon, Newhouse, North, O'Brien, Paris, Perry, Polk, Rabel, Rosellini, Ross, Sawyer, Shera, Shinpoch, Smythe, Thompson, Van Dyk, Wanamaker, Williams, Wojahn, Wolf, Zimmerman, Mr. Speaker—63.

Voting nay: Representatives Amen, Backstrom, Bauer, Beck, Benitz, Bottiger, Bozarth, Bradley, Conner, Farr, Flanagan, Gallagher, Gladder, Grant, Hatfield, Haussler, Hubbard, Jastad, Johnson, Jueling, Kilbury, Knowles, Kuehnle, Marsh, Marzano, May, Merrill, Morrison, Pardini, Randall, Savage, Schumaker, Smith, Spanton—34.

Absent or not voting: Representatives Anderson, Kirk—2.

Engrossed House Bill No. 539, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

#### POINT OF INQUIRY

Mr. Bledsoe yielded to question by Mr. Marsh.

Mr. Marsh: "Mr. Bledsoe, would you list the counties of the state ineligible for assistance under the terms of section 9 and other sections of this bill, please?"

Mr. Bledsoe: "I confess an inability to name them all. I am dealing only with the general areas. The eligibility, however, for counties that do not now meet the requirements could be established by meeting the criteria of financial distress which I hesitate to emphasize, but nevertheless qualifications would be available so that counties with financial distress would be able to fall under the provisions of this act. Certainly I would hope that you would not challenge the fact that if this is an economic expansion and economic development act that it should be limited in its first application to those counties where we find the situation sufficiently acute that they should have top priority."

#### POINT OF INQUIRY

Mr. Bluechel yielded to question by Mr. Marzano.

Mr. Marzano: "What is the fiscal impact, Mr. Bluechel, of this bill?"

Mr. Bluechel: "The fiscal impact is tied together with a whole series of bills. The immediate fiscal impact here is in the range of sixty-nine million dollars, and this would be spread out in various projects across the state, including irrigation projects in eastern Washington, projects to solve the problem of rapid transit in the metropolitan area of King County. I have before me a list of projects throughout the state that would be involved with various aspects of this bill. Under the industrial development revolving fund for the rural community water and sewer projects, there are some twenty-five towns that wish to take advantage of this fund right now which are not able to do so because they do not have the bill passed or the money at the present time. In regard to an additional industrial development project for port districts, there are some ten or twelve counties and cities that are ready to go on projects now that would provide jobs that are part of the sixty-nine million dollars which involves Seattle and Tacoma. And let me list for the Tacoma people some of the projects we are looking at. In Tacoma, one of the projects is an industrial park improvement, a ship repair berthing facility, pier 22 facility, marine terminal warehouse, port warehouse, air cargo terminal facilities, containerized cargo facilities, bulk handling facilities. All of these are for Tacoma. All of these are part of the project. For Everett: pier access sewer and water facilities are contemplated under this bill. A key point here is that when we pass this along with the funding, these are ready to start tomorrow."

Mr. Marzano: "Doesn't this pertain to fuel tax? Isn't it a package all rolled into one?"

Mr. Bluechel: "Yes, Mr. Marzano, there are five or six bills involved in this, and one of them is a sales tax on gasoline."

Mr. Haussler spoke in favor of passage of the bill.

Mr. Brouillet appeared at the bar of the House.

The Speaker stated the question before the House to be the committee amendment to House Bill No. 944.

Mr. Hoggins spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Hoggins, in your opinion, under this bill, can a school board administration contract with a corporation to provide an educational service?"

Mr. Hoggins: "They can contract with an educational service corporation that is defined in subsection (4) of section 2. The board of directors of this educational service corporation must be members of the community that is served by the corporation. If you are asking if the Seattle school district can contract with some company to provide a program, I think that is covered under other sections of the law. But this will permit them to contract with a service corporation which would then, in this situation, contract with a business to provide the educational program."

Representative Flanagan spoke against the committee amendment, and Representatives Ross and Mentor spoke in favor of it.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Berentson.

Mr. Berentson: "I have a couple questions. Isn't it true now that we do have a demonstration project going in the Seattle school district that would border on accomplishing what you want to accomplish with this where they have taken a group of students around the city that are either disadvantaged, dropouts, or whatever? The second question I have is: What controls are there here as far as abiding by any prescribed course of study as far as the state Superintendent of Public Instruction is concerned? Are we creating a situation here where we can contract with this unit and let them prescribe the course, or what protections do we have as far as these children receiving an education as would any other student?"

Mr. Hoggins: "I would defer the first part of your question to Representative Ross and then try to answer the second part. I think the thrust of your question can be answered on page 2, section 3, subsection (2), which sets the guidelines with which the school district shall negotiate with its educational corporation. It lists such things as (I will read them to you): '... planning, programming, budgeting, fiscal, accounting, evaluation, and auditing controls...' Later on, it says, '... such corporation to establish and operate such demonstration schools and to develop, test and evaluate educational innovations.' So the answer to your question is: Yes, this is included within the bill. I can't answer specifically the question that you asked, but I am sure this is so."

#### POINT OF INQUIRY

Mr. Ross yielded to question by Mr. Berentson.

Mr. Berentson: "I am under the impression that there is a program of this nature underway now—sort of a test program where they have put together (I don't recall the number but I believe it is somewhere in the area of 25 or 30) students in the Seattle area who have either been dropouts or are running sort of a pilot program right now, which, the way I understand it, would be very similar to what you want to accomplish here. My question is: Are you aware of this and what have been the results?"

Mr. Ross: "I am aware of the program. I am trying to think of the name, but I can't bring it to mind at this point. This program began last fall. As of yet there haven't been any definitive results of the program that I am aware of. At least they haven't been published or

made available to the public. One of the things that does exist in the city of Seattle is the Central Area School Council which is made up of citizens elected by the people living in the central school district in Seattle. They are interested in this legislation, and in essence there is a vehicle there in terms of community participation by parents."

Mr. Eikenberry spoke against adoption of the committee amendment.  
The committee amendment was adopted on a rising vote.

House Bill No. 944 was ordered engrossed.

Mr. Wolf moved that the rules be suspended, the second reading considered the third, and Engrossed House Bill No. 944 be placed on final passage.

Mr. King demanded an electric roll call, and the demand was sustained.

Mr. Sawyer spoke against the motion by Mr. Wolf.

The Speaker called on Mr. Bledsoe to preside.

Mr. Swayze spoke in favor of the motion to suspend the rules and advance Engrossed House Bill No. 944 to third reading, and Representative King spoke against it.

Mr. Sawyer spoke again in opposition to the motion, and Mr. Grant also spoke against the motion.

#### ROLL CALL

## POINT OF INQUIRY

Mr. Sawyer yielded to question by Mr. Barden.

Mr. Barden: “Representative Sawyer, if I were a candidate for office and I saw a house that looked like a good sign location, and if I were to stop and ask the property owner if he would put up a sign on his property for me, would I then, under color of this amendment, have to get his occupation and the name of his employer and his wife’s employer and her occupation in order to get the sign nailed to a tree?”

Mr. Sawyer: “I think you might very well have to. If you were paying for it, you supposedly would.”

## ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Sawyer to page 10,

section 13, line 6, Substitute House Bill No. 241, and the amendment was lost by the following vote: Yeas, 46; nays, 52; excused, 1.

Voting yea: Representatives Adams, Anderson, Backstrom, Bagnariol, Bauer, Beck, Bottiger, Bozarth, Bradley, Brouillet, Ceccarelli, Charette, Charnley, Chatalas, Conner, Eikenberry, Gallagher, Grant, Haussler, Hurley, Jastad, Johnson, Kilbury, King, Knowles, Litchman, Luders, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, Merrill, Moon, O'Brien, Randall, Rosellini, Savage, Sawyer, Shinpoch, Thompson, Van Dyk, Williams, Wojahn—46.

Voting nay: Representatives Amen, Barden, Benitz, Berentson, Blair, Bledsoe, Bluechel, Brown, Conway, Copeland, Costanti, Cunningham, Curtis, Douthwaite, Farr, Flanagan, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Hatfield, Hoggins, Hubbard, Jones, Jueling, Julin, Kirk, Kiskaddon, Kopet, Kraabel, Kuehnle, Lynch, McDermott, Mentor, Morrison, Newhouse, North, Pardini, Paris, Polk, Rabel, Ross, Schumaker, Shera, Smith, Smythe, Spanton, Wanamaker, Wolf, Zimmerman, Mr. Speaker—52.

Excused: Representative Perry—1.

Mr. Douthwaite moved adoption of the following amendment:

On page 11, section 14, line 18 after "contributions" insert "to be itemized by name and address of contributor but not specifying the amount of each"

Representatives Douthwaite, Brown, Lysen, Blair and Charnley spoke in favor of adoption of the amendment, and Representative Bottiger spoke against the amendment.

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Brown.

Mr. Brown: "Mr. Bottiger, in your argument against this amendment you implied, I think quite obviously, that a person who contributed less than ten dollars was putting himself in a different category than those who contributed a little over ten dollars. Do you mean that is something that should be hidden—for a nine dollar contribution as opposed to an eleven dollar contribution?"

Mr. Bottiger: "Mr. Brown, I most certainly do not. My argument was a tongue-in-cheek argument. The amendment would require the publication of the names and addresses of everybody who contributed to a political campaign, subject them to solicitation by every other candidate, drive out of the political arena the people who make the small campaign contributions. I am suggesting as a practical matter that you are going to make it impossible for a person to secure small contributions, and you are going to turn this into the playground of the wealthy. The big campaign contributor then will dominate the political contributions, rather than, hopefully, the small."

Mr. Douthwaite spoke again in favor of the amendment.

Mr. Luders demanded the previous question, and the demand was sustained.

The amendment by Mr. Douthwaite to Substitute House Bill No. 241 was not adopted.

Mr. O'Brien moved adoption of the following amendment:

On page 14, following section 20 insert a new section reading as follows:

"*NEW SECTION.* Sec. 21. The total of expenditures which may be made for, by and on behalf of any candidate in relation to any election campaign shall not exceed the total compensation which the person elected to the public office sought by the candidate will expectably receive during the term of office for which such person shall be elected. For purposes of determining such compensation it shall be presumed that the compensation fixed for the said office as of the date the campaign commences shall remain the same throughout the forthcoming term of office."

Renumber successive sections accordingly.

Mr. Marsh moved adoption of the following amendment by Representatives Marsh and Lysen to the amendment by Representative O'Brien:

On line 8 of the proposed amendment, following "office" and before the period insert: "PROVIDED, The total of expenditures which may be made for, by and on behalf of any candidate in relation to any election campaign for an office for which no compensation is paid or received shall not exceed two thousand dollars"

Mr. Marsh spoke in favor of the amendment to the amendment.

## POINT OF INQUIRY

Mr. Goldsworthy yielded to question by Mr. Lysen.

Mr. Lysen: "Representative Goldsworthy, as Chairman of the Appropriations Committee, I would just like to ask you: What total amount of state expenditures, or even local expenditures, are made by school districts and public ports—just a rough guess of what amount of our four and one-half billion dollar state budget would go to school and port districts that are controlled by public officials who are elected in these kinds of campaigns?"

Mr. Goldsworthy: "I can't even make a rough guess on that one, Representative Lysen. I would have no idea. Maybe someone here could, but that's quite a question."

Mr. Lysen: "Would you say it is quite substantial?"

Mr. Goldsworthy: "Very likely, yes."

Mr. Lysen: "Would you support this effort in that regard?"

Mr. Goldsworthy: "No."

Mr. King demanded an electric roll call, and the demand was sustained.

Mr. Ross spoke in favor of adoption of the amendment by Representatives Marsh and Lysen to the amendment by Representative O'Brien, and Mr. Bledsoe spoke against it.

## ROLL CALL

The Clerk called the roll on the adoption of the amendment by Representatives Marsh and Lysen to the amendment by Representative O'Brien to Substitute House Bill No. 241, and the amendment to the amendment was lost by the following vote: Yeas, 47; nays, 51; excused, 1.

Voting yea: Representatives Anderson, Backstrom, Bagnariol, Bauer, Beck, Bozarth, Bradley, Ceccarelli, Charette, Charnley, Chatalas, Conner, Eikenberry, Gallagher, Grant, Haussler, Hoggins, Hubbard, Hurley, Jastad, Johnson, Kilbury, King, Knowles, Litchman, Luders, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, Merrill, Moon, O'Brien, Paris, Randall, Rosellini, Ross, Savage, Sawyer, Shipoch, Thompson, Van Dyk, Williams, Wojahn—47.

Voting nay: Representatives Adams, Amen, Barden, Benitz, Berentson, Blair, Bledsoe, Bluechel, Bottiger, Brouillet, Brown, Conway, Copeland, Costanti, Cunningham, Curtis, Douthwaite, Farr, Flanagan, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Hatfield, Jones, Jueling, Julin, Kirk, Kiskaddon, Kopet, Kraabel, Kuehne, Lynch, McDermott, Mentor, Morrison, Newhouse, North, Pardini, Polk, Rabel, Schumaker, Shera, Smith, Smythe, Spanton, Wanamaker, Wolf, Zimmerman, Mr. Speaker—51.

The Speaker stated the question before the House to be the amendment by Mr. O'Brien.

Mr. O'Brien spoke in favor of the amendment.

## POINT OF INQUIRY

Mr. O'Brien yielded to question by Mr. Cunningham.

Mr. Cunningham: "Suppose I am running for the state Senate. How much could I spend for a campaign?"

Mr. O'Brien: "Four times your thirty-six hundred dollars."

Mr. Cunningham: "That is fourteen thousand four hundred dollars, but if I am running for the House, I could only spend seventy-two hundred dollars. Is that correct?"

Mr. O'Brien: "That's right."

Mr. Cunningham: "Do you think there is that much difference?"

Mr. O'Brien: "Well, of course, you run for the House every two years, and you run for the Senate every four years. Conceivably with the House your name is pretty familiar to the voters in your district. You shouldn't have to spend as much as a Senator does when he comes up every four years. The people are more familiar with your name. You haven't had the lapse of four years. So if you are doing your homework and functioning properly in your district, the people are well aware that you come up every two years, and you don't need the same amount of money."

Mr. Cunningham spoke against adoption of the amendment, and Mr. Lysen spoke in favor of it.

## POINT OF INQUIRY

Mr. Brown yielded to question by Mr. Smythe.

Mr. Smythe: "Representative Brown, as you read this amendment, does this include any of your local campaigns—school boards, P.U.D.'s, port commissioners?"

Mr. Brown: "It most certainly does. It includes everybody except president, vice president and precinct committeeman."

Mr. Smythe: "How much would you say that a school board member would be able to spend on his campaign? And a rough estimate on P.U.D. commissioner and port commissioner?"

Mr. Brown: "The port commissioners in King County could spend fifty cents. No, with six years they could spend one dollars and fifty cents. The others you mentioned could spend nothing."

Mr. Rosellini demanded an electric roll call, and the demand was sustained.

Mr. Brown spoke against adoption of the amendment by Mr. O'Brien.

Mr. Pardini demanded the previous question, and the demand was sustained.

Mr. O'Brien closed debate, speaking in favor of the amendment.

## ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. O'Brien to Substitute House Bill No. 241, and the amendment was lost by the following vote: Yeas, 45; nays, 53; excused, 1.

Voting nay: Representatives Amen, Benitz, Berentson, Blair, Bledsoe, Bluechel, Brown, Charette, Conway, Copeland, Costanti, Cunningham, Curtis, Douthwaite, Farr, Flanagan, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Hatfield, Hoggins, Hubbard, Jones, Jueling, Julin, Kirk, Kiskaddon, Knowles, Kopet, Kraabel, Kuehnle, Lynch, Martinis, McDermott, Mentor, Morrison, Newhouse, North, Pardini, Paris, Polk, Rabel, Schumaker, SHERA, Smith, Smythe, Spanton, Wanamaker, Wolf, Zimmerman, Mr. Speaker—53.

Excused: Representative Perry—1.

Mr. Kuehnle moved adoption of the following amendment, and spoke in favor of the amendment:

On page 16, section 27, line 28 following "January 1," strike "1" and insert "2"

## POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Brown.

Mr. Brown: "Mr. Kuehnle, we realize that January first is a holiday, but don't you think a thousand years is a little bit long?"

Mr. Kuehnle: "I certainly thank you for calling this to my attention, Mr. Brown. No, I don't think it is too long, frankly. I think you could call it a grandfather clause. This whole exercise is a lot of political hogwash as far as I am concerned. It is an unworkable bill, and I think it should have an unworkable commencement date."

The amendment by Mr. Kuehnle was lost.

Mr. Kuehnle moved adoption of the following amendment, and spoke in favor of the amendment:

On page 17, section 29, line 3 strike "Expenditures Reporting" and insert "Demise"

Mr. Brown spoke in favor of adoption of the amendment.

#### POINT OF INQUIRY

Mr. Brown yielded to question by Mr. Grant.

Mr. Grant: "Mr. Brown, the amendment indicates that there is appropriated the sum of one thousand dollars. Who is it appropriated to? I would be willing to volunteer."

Mr. Brown: "I'm afraid it is not to me or to you, Mr. Grant. I think it is obvious. It says 'to carry out the provisions of this act.' It would be either to the commission or to the Secretary of State."

Representatives Grant and Pardini spoke against adoption of the amendment.

The amendment by Mr. Brown to Substitute House Bill No. 241 was lost on a rising vote.

Mr. Hubbard moved adoption of the following amendment and spoke in favor of its adoption:

On page 17, line 4 add a new section as follows:

"NEW SECTION. Sec. 30. No reporting of the name and address of a labor union member shall be reported where the candidate such member is contributing to has been opposed for election by the United Labor Lobby or COPE."

Mr. Grant moved adoption of the following amendment to the amendment by Mr. Hubbard:

"Any individual registered at and attending an established school in a course of study providing academic instruction of twelve or more hours per week, or the equivalent thereof, shall be disqualified from receiving benefits or waiting period credit for any week during the school year commencing with the first week of academic instruction or the week of leaving employment to return to school, whichever is the earlier, and ending with the week immediately prior to the first full week in which he is no longer attending classes, provided that such nonattendance will be for a period of sixty days or longer. Mr. Rabel spoke in favor of the amendment to the amendment, and Mrs. Wojahn spoke against it.

## POINT OF INQUIRY

Mr. Charnley: "If a student felt that he was being harmed by this and appealed it, would he be able to remain in school during the appeal, or would he be forced to drop out during this time?"

Mrs. Wojahn: "I would assume that if he had been denied benefits, he wouldn't be getting them anyway, and he could remain in school during the time that he was awaiting his hearing."

Representatives Charnley and King spoke in favor of the amendment to the committee amendment.

Mr. Rabel spoke again in favor of the amendment to the amendment, and Mrs. Wojahn spoke again in opposition to it.

Renumber the remaining sections consecutively

#### POINT OF ORDER

Mrs. Wojahn: "Mr. Speaker, I believe this amendment expands the scope and object of the bill, and I would urge that you refuse to accept the amendment."

#### RULING BY THE SPEAKER

The Speaker: "House Bill No. 996 is in effect the amended committee amendment. The original bill, of course, has to do with the matter of disqualification for eligibility. It is a very, very narrow bill, adding a new section to Title 50 of the Revised Code of Washington. The title is very narrow, reading, 'An Act defining eligibility requirements for the receipt of certain unemployment compensation benefits; . . .'

"I have examined the committee amendment which is now virtually the bill, together with the floor amendments to that amendment, and I find that they all are within the narrow concept of the title of that bill and the scope of the bill as originally drafted which has to do with eligibility for benefits. I have examined Mr. Grant's amendment which, even though it is a single amendment, does insert two new sections to the bill, both adding new sections. The first one amends that section of the Code dealing with disqualification from benefits. I find that to be within the scope and object of the bill; however, the second half

of the floor amendment deals with one change only in section 50.20.120 RCW which does not deal with eligibility, but deals with amounts to be paid.

"I would therefore have to rule that unless the question is divided, that the amendment would be germane."

#### MOTION

Mr. Grant moved that the question be divided.  
The motion was lost.

The Speaker stated the question before the House to be the amendment by Mr. Grant to House Bill No. 996.

#### MOTION FOR RECONSIDERATION

#### RULING BY THE SPEAKER

The Speaker: "Having spoken before placing your motion, Mr. Pardini, your motion is out of order."

#### MOTION FOR RECONSIDERATION

Mr. King demanded an electric roll call, and the demand was sustained.

#### ROLL CALL

On page 6, section 12, line 33 add a new section as follows:

Mr. Hoggins spoke in favor of the amendment to the amendment.

## POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Moon.

Mr. Moon: "Representative Hoggins, if this amendment that adds an appropriation to this measure fails, how will the funding of this act be carried out?"

Mr. Hoggins: "I don't assume that the amendment will fail. I feel that most of the members here on the floor of the House realize the value of this legislation and will support it."

## POINT OF INQUIRY

Mr. Brouillet yielded to question by Mr. Moon.

Mr. Moon: "Representative Brouillet, apparently you are better advised with the office of the Superintendent of Public Instruction than Representative Hoggins is. Could you answer this question for us?"

Mr. Brouillet: "Well, Mr. Moon, I suspect if the amendment failed it would have to be funded out of the already depleted and reduced Superintendent of Public Instruction's budget. But I am sure we can see the merit of this amendment and will support it."

The amendment by Mr. Hoggins to the committee amendment was adopted.

The Speaker stated the question before the House to be the committee amendment as amended.

Mr. Hoggins spoke in favor of the amended committee amendment.

The amended committee amendment was adopted.

Mr. Hoggins moved adoption of the committee amendment to the title.

On motion of Mr. Hoggins, the following amendment to the title amendment was adopted:

On page 1, line 14 of the title after "28A.72.040;" strike "and"

On page 1, line 16 of the title after "RCW" insert "; and making an appropriation"

The committee amendment to the title as amended by Mr. Hoggins was adopted.

House Bill No. 1094 was ordered engrossed.

The bill was read the second time.

Mr. Wolf moved that the rules be suspended, the second reading considered the third, and Engrossed House Bill No. 1094 be placed on final passage.

Mr. Rosellini demanded an electric roll call and the demand was sustained.

## ROLL CALL

HOUSE BILL NO. 361, by Representatives Beck, Berentson and Conner:

Relating to evidence of motor vehicle speeds.

Committee recommendation: Majority, do pass with the following amendment:

On page 1, section 1, line 23 after "determined by" strike the remainder of the bill and

insert "elapsed time over a particular section of or distance on a public highway, the length of which has been or is accurately measured off or otherwise designated or determined [and the limits of which are controlled] by a mechanical, electrical or other device, and the elapsed time over such section of or distance on such highway is determined by any device capable of measuring or recording the [speed] elapsed time of a vehicle passing [within such limits] over or across such particular section of or distance on said public highway, when by the use of such device or devices the speed of such vehicle may be calculated within an error of not to exceed five percent [using the lapsed time during which such vehicle travels between such limits]: PROVIDED FURTHER, That such [limits] section of or distance on a highway shall not be [closer] less than one fourth mile in length except when a single device is used to calculate the speed based on data which is collected and automatically analyzed by such device."

The bill was read the second time.

Mr. Blair moved adoption of the committee amendment.

Mr. Smythe moved adoption of the following amendment by Representatives Smythe, Charnley and Williams to the committee amendment:

On the last line of the committee amendment after the period, insert a new section as follows:

"NEW SECTION. Sec. 2. There shall be added to chapter 46.37 RCW a new section to read as follows:

It shall be unlawful for any person operating an automobile or riding as a passenger in the front seat of such automobile to neglect or fail to wear a seat belt required by RCW 46.37.510. Failure to wear such seat belt shall be prima facie evidence of negligence on the part of any person seeking damages for personal injuries arising out of any accident or collision involving such automobile."

#### POINT OF ORDER

Mr. Blair: "My point of order is an appeal to Rule 32, Mr. Speaker. The subject matter of the amendment to the amendment I do not believe to be germane to the subject matter of the amendment. Further, the amendment to the amendment changes a particular section of the RCW not referred to within the title of the bill."

#### RULING BY THE SPEAKER

The Speaker: "Your point would appear to be well taken. Two different chapters of the Code are sought to be amended. The scope of the original bill is quite narrow, having to do with certain mechanical devices. Similarly the committee amendment to the bill deals a rewrite of the same subject matter, also very narrow. The amendment, while dealing with motor vehicles and within the broad title, the scope of the bill as originally introduced and as amended is much, much narrower than that—just dealing with one particular segment and one small section in the motor vehicle code. This completely shifts the intent of the bill to the area of persons and operating automobiles and safety and seatbelts. None of those elements are within the original scope of the bill. I will rule it out of order."

The Speaker stated the question before the House to be the committee amendment.

Mr. Blair spoke in favor of the amendment.

The committee amendment was adopted.

House Bill No. 361 was ordered engrossed.

The bill was read the second time.

Mr. Wolf moved that the rules be suspended, the second reading considered the third, and Engrossed House Bill No. 361 be placed on final passage.

Mr. Rosellini demanded an electric roll call and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on the motion to advance Engrossed House Bill No. 361 to third reading and final passage, and the motion was lost by the following vote: Yeas, 52; nays, 46; excused, 1.

Voting yea: Representatives Amen, Barden, Beck, Benitz, Berentson, Blair, Bledsoe, Bluechel, Brown, Conway, Copeland, Costanti, Curtis, Eikenberry, Farr, Flanagan, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Hatfield, Hoggins, Hubbard, Jones, Jueling, Julin, Kirk, Kiskaddon, Kopet, Kraabel, Lynch, May, Mentor, Morrison, Newhouse,

Voting nay: Representatives Adams, Anderson, Backstrom, Bagnariol, Bauer, Bottiger, Bozarth, Bradley, Brouillet, Ceccarelli, Charette, Charnley, Chatalas, Conner, Cunningham, Douthwaite, Gallagher, Grant, Haussler, Hurley, Jastad, Johnson, Kilbury, King, Knowles, Kuehnle, Litchman, Luders, Lysen, Marsh, Martinis, Marzano, Maxie, McCormick, McDermott, Merrill, Moon, O'Brien, Randall, Rosellini, Savage, Sawyer, Shinpoeh, Thompson, Williams, Wojahn—46.

Excused: Representative Perry—1.

HOUSE BILL NO. 672, by Representatives Wanamaker and Beck:

Providing for eye protection while riding motorcycles or motor-driven cycles.

The bill was read the second time.

The Clerk read the following amendment by Representatives Smythe, Charnley and Williams:

On page 1, line 5 of the committee amendment insert a new section as follows:

“NEW SECTION. Sec. 2. There shall be added to chapter 46.37 RCW a new section to read as follows:

It shall be unlawful for any person operating an automobile or riding as a passenger in the front seat of such automobile to neglect or fail to wear a seat belt required by RCW 46.37.510. Failure to wear such seat belt shall be prima facie evidence of negligence on the part of any person seeking damages for personal injuries arising out of any accident or collision involving such automobile.”

#### POINT OF ORDER

Mr. Bottiger: “Mr. Speaker, I believe that amendment very clearly and obviously expands the title and scope of the act.”

#### RULING BY THE SPEAKER

The Speaker: “The Speaker disagrees with you, Mr. Bottiger. The original intent of the act as opposed to the previous measure does deal with operators of motor vehicles. It does deal with safety and safety equipment. I believe that the amendment is germane.”

Mr. Smythe moved adoption of the amendment.

Representatives Smythe and Charnley spoke in favor of adoption of the amendment, and Representatives King, Berentson and Bottiger spoke against it.

The amendment by Representatives Smythe, Charnley and Williams was not adopted.

Mr. Williams moved adoption of the following amendments by Representatives Williams, Charnley and Smythe:

On page 1, section 1, line 24 strike “wears upon his head” and insert “[wears] has in his possession”

On page 1, section 1, line 27 after the word “which” strike “shall be” and insert “[shall be] is capable of being”

Representatives Williams, Ross, Bradley and Smythe spoke in favor of the amendment, and Representatives Cunningham, Wanamaker and Gallagher spoke against it.

Mr. Smythe demanded an electric roll call, and the demand was not sustained.

The amendment by Representatives Williams, Charnley and Smythe was lost on a rising vote.

Mr. Litchman moved adoption of the following amendment:

On page 2, line 13 add a new subsection:

“(8) For any person to ride a motorcycle or motor-driven cycle under the age of 16 years.”

Mr. Litchman spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Litchman yielded to question by Mr. Kuehnle.

Mr. Kuehnle: “As a matter of clarification, Mr. Litchman, in reading the amendment I can't decide whether the rider should be sixteen years old or whether the motorcycle should. It shall be unlawful: . . . (d) For any person to ride a motorcycle or motor-driven cycle under the age of sixteen years.”

Mr. Litchman: "I think you've got a point there. I wonder, Mr. Speaker, if I could change the language 'For any person under sixteen years of age?'"

With the consent of the House, Mr. Litchman's amendment was amended to read as follows:

On page 2, line 13, add a new subsection

"(8) For any person under 16 years of age to ride a motorcycle or motor-driven cycle."

#### POINT OF INQUIRY

Mr. Litchman yielded to question by Mr. Smythe.

Mr. Smythe: "Do I understand this amendment to say that if I wished to take my daughters who are both under sixteen on the back of my cycle, with or without a helmet (that's up to me), that I cannot do it under this amendment?"

Mr. Litchman: "That is the purpose of the amendment, Mr. Smythe. Now we just happened to pick 'under sixteen' because most of the people I have talked to felt that it was a reasonable age. It could be lowered to twelve, or ten, or nine. I am not primarily concerned about the fifteen or fourteen year old rider, actually. I am primarily concerned about the babies who have no control over the bike or how they fall. If you wish to change that amendment to reduce it to twelve, or eleven or ten, I would support you."

Representatives Smythe and Bradley spoke against adoption of the amendment.

#### POINT OF INQUIRY

Mr. Litchman yielded to question by Mr. Smith.

Mr. Smith: "There are two questions in my mind on this. Are you referring (1) only to highways and, if so, why didn't you say so, and (2) are you referring to a rider on private property such as a twelve-year-old child coming out to my fifty-acre farm and riding around on a cycle?"

Mr. Litchman: "To answer your question, we are only talking about those who are licensed to ride on the open highways. It wouldn't apply to private property."

Mr. Julin demanded the previous question, and the demand was sustained.

The amendment by Mr. Litchman to House Bill No. 672 was not adopted.

The bill was read the second time.

Mr. Wolf moved that the rules be suspended, the second reading considered the third, and House Bill No. 672 be placed on final passage.

Mr. Rosellini demanded an electric roll call and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on the motion to advance House Bill No. 672 to third reading and final passage, and the motion was lost by the following vote: Yeas, 55; nays, 43; excused, 1.

House Bill No. 466 was read the third time and placed on final passage.

Mr. Hoggins spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Brouillet.

Mr. Brouillet: "If this bill is going to rip out of here, what is our procedure for taking care of it?"

Mr. Hoggins: "It will go to the Senate Education Committee and change the date to make it more appropriate."

Mr. Brouillet: "Do I understand then you have an agreement about putting some kind of termination date on this?"

Mr. Hoggins: "Yes."

#### NOTICE OF RECONSIDERATION

Mr. Brouillet served notice that, having voted on the prevailing side, he would on the next working day move for reconsideration of the vote by which Engrossed House Bill No. 346 failed to pass the House.

#### POINT OF ORDER

Mr. Wolf: "Mr. Speaker, with the cut-off in effect on the House of Representatives, would it not be that the rules would say we must move for reconsideration immediately?"

#### POINT OF ORDER

Mr. O'Brien: "It is my opinion that your resolution didn't change or amend the House rules. It was just a policy decision, and therefore the permanent rules of this special session would still be in force, and we would have to abide by the House rules as pertains to the notice to reconsider."

#### RULING BY THE SPEAKER

The Speaker: "The Speaker is going to rule that on final passage, under House Rule 70 dealing with reconsideration, since it is before the fiftieth day of this special session, reconsideration can only be had on the next working day. The notice can be received, but when the motion is made tomorrow (in view of our decision on House Resolution No. 71-32) in order for the motion to reconsider to pass, it will therefore take a two-thirds vote, rather than a majority vote, tomorrow."

#### POINT OF INQUIRY

Mr. Brouillet: "Did you indicate that by virtue of your decision, a motion to immediately reconsider would not be in order?"

The Speaker: "A motion to reconsider is not in order at this time since it is before the fiftieth day."

Mr. Brouillet: "I can do it tomorrow, but it will take a two-thirds vote?"

The Speaker: "You can do it tomorrow, but in view of our resolution, it will take a two-thirds vote to pass it at that particular time."

Mr. Brouillet: "Your ruling then is that the resolution also amended the House rules?"

The Speaker: "No, it is not."

## POINT OF ORDER

Mr. O'Brien: "You cite House Rule 70 on the notice to reconsider, and the motion to be made on the next working day. But then you also are stating that your resolution goes beyond our House rules—that even though the resolution itself didn't amend any of our House rules, it is sort of something in limbo. You didn't amend any of the permanent rules. It appears to me in view of that, House Rule 70 would prevail and should be sustained."

The Speaker: "I think the floor resolution is a standing order of business of this House. It is not in our House rules. It is a matter dealing with the order of business and the procedure of this House, by its own terms which state: 'No bill shall be considered unless otherwise directed by two-thirds of its members elected.'"

Mr. O'Brien: "Mr. Speaker, our House rules clearly set forth the calendar, the order of business, and everything that pertains to orderly procedure of the House. It appears to me that resolution is faulty because you did not amend either the calendar of the day, or the consideration of procedure relative to bills. You just have something we adopted with some intent but didn't amend the House rules. I submit to you that the House rules should govern all points of order and procedure of this body."

The Speaker: "Notice of reconsideration received."

HOUSE BILL NO. 149, by Representatives O'Brien, Wolf, Hubbard, Backstrom, Conner and Conway (by Departmental request):

#### MOTION FOR RECONSIDERATION

Mr. Bledsoe, having given notice on the preceding day, moved that the House do now reconsider the vote by which Engrossed House Bill No. 774 failed to pass the House.

Mr. Bledsoe spoke in favor of the motion.

#### POINT OF ORDER

Mr. O'Brien: "What is your position relative to the motion to reconsider? Yesterday you stated it would require a suspension of the rules and two-thirds majority vote of those present to approve a motion to reconsider the bill mentioned. Have you made a ruling to this degree, or are you about to make a ruling?"

The Speaker: "Upon your raising of the point of order, Mr. O'Brien, I will make a ruling."

Mr. O'Brien: "Before you make a ruling, perhaps it might be well to review our joint rules and also Rule No. 88, on amendment of our rules; and in addition, whether or not (you are talking about suspension of the rules) whether this simple resolution that was adopted here, Resolution No. 71-32, was actually a rule change or whether it was just a policy statement on motion and doesn't have the effect of a standing rule. Therefore it wouldn't require a suspension of the rules, because it just isn't a rule. When it was adopted, notice wasn't given relative to adoption of the resolution. No standing rule was amended as such. It is my opinion that this resolution isn't a rule. Therefore it doesn't require a suspension. It was just apparently the intent of the House, Mr. Speaker, if you will review the joint rules on consideration of bills, and the procedure that has to be followed on amendment of rules, it just appears to me that this resolution is in limbo and doesn't have any standing or effect relative to the permanent rules adopted for the Special Session of the Washington State Legislature."

#### RULING BY THE SPEAKER

The Speaker: "Mr. O'Brien, the Speaker has made a review of our resolutions, of our rules, of our joint rules, and I have done considerable research into Reed's Rules since making a preliminary ruling last night. I, of course, indicated that since just a notice was served last night, not knowing whether the motion for reconsideration would actually be made today or not, that any actual ruling would be premature. Your point of order at the time of the making of this motion is the proper time for the Speaker to make a ruling."

"I have done research on that particular point. Of course much of the business of this House is conducted by resolution and is not set forth in the rules or joint rules. All of the affairs pertaining to the commencement of business of this session, all of the affairs pertaining to the winding down of this particular session, are done by resolution. You will recall that at our special session of last January, the cut-offs, the order of business, and so forth were governed by resolution, and not by rule or joint rule of these two bodies."

"Having that in mind, and reviewing the force and effect of our floor resolution pertaining to a cut-off day, and reviewing the rules of this House which we have adopted as the rules of this special session which do establish, further, some additional cut-off periods of time, I have concluded that this particular situation presented by a reconsideration of a matter yesterday, a cut-off day established by resolution, is not set forth specifically in our rules."

"I then went to the Journal of the 1970 Special Session because that was the only unique session where we had rules of a 60-day session, yet additional cut-off dates established by resolution. I could find no particular precedent in the Journal of the 1970 session to govern this particular situation."

"Realizing then that when we do not have specific rules of this House covering a particular situation, that Reed's Rules of parliamentary procedure govern the proceedings of this House, I did extensive reading of not only chapter 12 in its entirety, dealing with reconsideration, but other portions of Reed's manual of parliamentary rules dealing with the purpose and the reasons for rules of order. Rules of order, as I view them, and as I believe Mr. Reed views them, are measures designed to aid a deliberative body such as a legislative body in its deliberations and in reaching a conclusion which it wishes to reach. The motion to reconsider is a similar device. It is a parliamentary aid for the majority of the body to reach a decision which it really wants to reach, and only in rare instances should the will of a majority of the body be thwarted in its attempt to reach a particular goal."

"For that reason, and even though I still believe that a strict construction of our House

rules, and our floor resolution establishing the cut-off date, would support a technical reasoning that a two-thirds vote would well be required today on a motion to reconsider, after a full consideration of Reed's and the reasons for motions for reconsideration, and the whole purpose of parliamentary rules (to get to a point where a majority of the body wants to get to) I am going to rule that since upon a motion for reconsideration it places a bill back in the exact status it was before final passage, that a motion to reconsider at this time would place the bill back in its position before final passage of yesterday, which is before the cut-off date, and in order for this body to get to the position where a majority of this body might want to be, in order to reconsider a measure on final passage today, that motion for reconsideration requires a majority vote only."

#### POINT OF ORDER

Mr. Moon: "Am I to understand then that if this motion carries, that since this motion is contrary to the resolution that was previously adopted, that the force and effect of all the points of the resolution are no longer in force and effect?"

The Speaker: "You are not correct, Mr. Moon."

Mr. Moon: "And since they no longer aid the point, the force and effect—the previous resolution no longer aids this body in reaching a proper conclusion, since it is no longer the will of the body, when we make an alteration of this one point of the resolution, that then the entire resolution should then be disregarded."

The Speaker: "You are not correct, Mr. Moon, and that is not the force and effect of my ruling. My ruling deals with motions to reconsider bills that failed to pass yesterday only."

The Speaker stated the question before the House to be the motion by Mr. Bledsoe to reconsider the vote by which Engrossed House Bill No. 774 failed to pass the House.

Mr. Sawyer demanded an electric roll call, and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on the motion by Mr. Bledsoe to reconsider the vote by which Engrossed House Bill No. 774 failed to pass the House, and the motion was carried by the following vote: Yeas, 52; nays, 45; absent or not voting, 2.

Voting nay: Representatives Adams, Anderson, Backstrom, Bagnariol, Bauer, Beck, Bottiger, Bozarth, Bradley, Ceccarelli, Charette, Charney, Chatalas, Douthwaite, Gallagher, Grant, Haussler, Hurley, Jastad, Johnson, Kilbury, King, Litchman, Luders, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Merrill, Moon, O'Brien, Perry, Randall, Rosellini, Savage, Sawyer, Shinpoch, Thompson, Van Dyk, Williams, Wojahn—45.

Absent or not voting: Representatives Ross, Shera—2.

Absent or not voting: Representatives Ross, Shera—2.

Engrossed House Bill No. 774, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

#### POINT OF INQUIRY

Mr. Sawyer: "After listening to your last ruling, I take it that Resolution No. 71-32 that we adopted on March 23, 1971, is not a rule. Now since it isn't a rule, I don't know exactly what status it is. If any of us would desire to extend this or change it, how would you go about it? Do we give notice? Do we treat it like a rule to change it? Do we just pass another resolution, or just what do we do, according to your present ruling on the status of it?"

The Speaker: "Let's wait until we are faced with that situation, Mr. Sawyer, and I will rule at that time."

#### MOTION FOR RECONSIDERATION

Mr. Brouillet, having given notice on the preceding day, moved that the House do now reconsider the vote by which Engrossed House Bill No. 346 failed to pass the House.

The motion carried on a rising vote.

## SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House Miss Christi Janett, 1971 Washington State Wheat Queen, and requested that Representatives Amen, Goldsworthy and Bozarth along with the Sergeant at Arms conduct her to a place on the rostrum.

The Speaker: "In the continued interest of your viewing enjoyment, I would like to present the Washington State Wheat Queen, Miss Christi Janett."

Miss Janett addressed the House of Representatives, stating in part:

"Thank you, Mr. Speaker, members of the House: It is really an honor for me to be able to come before you and speak today. I am certain that this will be one of the more focal points of my year as Washington State Wheat Queen.

"I am sure you are all aware that a healthy farm economy is the basis of America's prosperity. Agriculture is our nation's largest industry, and here in Washington thrives a three hundred thirty million dollar industry that spreads economic prosperity throughout our entire state, benefiting farmer and city dweller alike—shipper, manufacturer, merchant and consumer. Each and every citizen of Washington state is enriched in one way or another by this golden harvest of wheat—the state's most valuable farm crop.

"Today one American farmer produces enough for himself and 42 others, freeing 42 people to work in other areas to contribute further to the expansion of the gross national product. Back in 1900 he produced only enough for himself and six others, but even that is more than the Russian farmers produce today.

"In closing I would like to quote Booker T. Washington: 'No race can prosper until it learns there is as much dignity in tilling the soil as there is in writing a poem.'

"Thank you."

Miss Christi Janett was escorted from the rostrum.

On page 2 after section 2 add new sections as follows:

"NEW SECTION. Sec. 3. Whenever a cable device is used to limit or prevent access to any place, public or private, including paths, trails, access roads, roads or streets, such cable devices shall be so marked as to adequately warn any person or persons approaching, entering or intending to enter such place that a cable is being used as a barricade device. A marking shall be deemed to provide adequate warning within the meaning of this section when it provides an indication of the use of the cable device which can be readily seen from a distance of one hundred feet during daylight hours, and which is equipped with light reflecting paint or other materials for visibility during hours of darkness.

For the purposes of this act cable shall mean any device made out of rope, wire or chain.

NEW SECTION. Sec. 4. All state agencies or departments which hold or control land in any manner, and all political subdivisions within this state shall comply with section 3 of this act."

Representatives Randall and Savage spoke in favor of adoption of the amendment, and Representative Wanamaker spoke against it.

#### POINT OF ORDER

Mr. Kraabel: "Would you give us a ruling on the scope and object, Mr. Speaker. I look

at the title, and it says, 'An Act relating to public highways. . . .' This is talking about public or private, including paths, etc."

#### RULING BY THE SPEAKER

The Speaker: "It appears that the scope and object of the act has to do with ways for pedestrians, equestrians, bicyclists—the relationship to highways, and prevention of severance and continuance of free access for pedestrians and bicyclists and that sort of thing. It appears to me that the amendment is within the scope and object of the bill."

Mr. Wolf spoke against adoption of the amendment by Mr. Randall, and Mr. Randall spoke again in its favor.

Mr. Barden moved adoption of the following amendment to the amendment by Mr. Randall:

#### POINT OF INQUIRY

Mr. Savage yielded to question by Mr. Bozarth.

Mr. Bozarth: "Mr. Savage, in all good faith, of course, you carry out safety provisions. You may not be along this particular road for a day or two. Some kid may come along and take off your safety device. Then, not knowing it has been removed from the cable, I am still held responsible. What do you do in that case?"

Mr. Savage: "This doesn't happen very often that they come off. Sometimes if you tie a red cloth to it, that will work its way off or somebody might use it for something. But many times I have put these up and they stay. Nobody has any reason for coming along and taking them off. It would have to be vandalism—I don't think it is going to happen very often that they take it down."

Mr. Bozarth: "Yes, but you haven't answered my question. It can happen. I happen to be a farmer, and I have sixty miles of fence. I provide hunting for all the people in the country. If I am going to have to protect my gate and some hunter comes along, knowing he can hunt on my property which is perfectly all right, and he runs through my gate and damages himself or his car—then he can hold me responsible for the act."

Mr. Savage: "I think if you put up a death trap, you should be responsible. But if you put this on with good wire, nobody can get it off without some tools, and I don't think you are going to be bothered that way."

With the consent of the House, Mr. Barden withdrew the amendment to Mr. Randall's amendment.

The amendment by Mr. Randall to House Bill No. 1060 was not adopted.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and House Bill No. 1060 was placed on final passage.

## REPORTS OF STANDING COMMITTEES

April 2, 1971.

SENATE BILL NO. 906, providing for the award of contracts for the construction of ferries to Washington corporations in periods of excessive unemployment, reported by Committee on Business and Professions.

MAJORITY recommendation: Do pass with the following amendments:

On page 1, beginning on line 7, insert a new section as follows:

"NEW SECTION. Section 1. The legislature finds the award of contracts to construct new ferries to persons intending to construct such ferries within the state will serve not only the public transportation needs of the state but also generate an increase in employment, salaries, wages, purchases, and general business activity which will cause a general increase in the tax revenues of the state. It is the intent of this act to effectively recognize all the benefits to the people of the state when contracts for the construction of ferries are awarded to persons intending to construct such ferries within the state and to provide for

the consideration of such benefits in awarding a contract for construction. It is the further intent of this act to respond to the severe and extraordinary problem of unemployment which presently faces the citizens of the state and which diminishes the strength of the public institutions which serve the welfare of all the people of the state."

Remember the remaining section consecutively.

On page 1, section 1, line 18 strike everything from "AND" down through and including "offered" on line 27 and insert "AND PROVIDED FURTHER, That notwithstanding any other provision of law, the highway commission, in awarding contracts for which bids have been accepted prior to July 1, 1971, for construction of ferries for the Washington state ferry system, may consider the bid of the lowest responsible bidder operating shipbuilding facilities and proposing to build such ferries in the state of Washington by evaluating and including the projected direct and indirect tax revenues generated by construction of the ferries within the state. Moneys expended to meet the added cost incurred as a consequence of the award of a contract authorized by this proviso shall come from such funds as may be available"

Signed by Representatives Curtis, Chairman, Bagnariol, Farr, Gallagher, Gladder, Jastad, Juelling, O'Brien, Pardini, Perry, Wojahn.

### MOTIONS

On motion of Mr. Barden, the rules were suspended, Senate Bill No. 906 was advanced to second reading and read the second time.

On motion of Mr. Curtis, the committee amendment was adopted.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Senate Bill No. 906 as amended by the House was placed on final passage.

Mr. Barden spoke in favor of passage of the bill.

### POINT OF INQUIRY

Mr. Barden yielded to question by Mr. Mentor.

Mr. Mentor: "We from Kitsap County, of course, are depending on these ferries for better transportation. I would like to be assured that, by passing this bill, this will not raise the rates for the use of the ferries and will not slow up the receipt of these ferries in the fleet."

Mr. Barden: "Representative Mentor, the text of the bill as it now stands provides that any differential that must be funded is to come from other sources that are available. In addition to that, the construction and the rapid addition of these two new ferries to the ferry fleet should replace those outmoded and old craft that are in constant need of expensive repairs, and I would imagine therefore this bill would tend to hold back ferry rate increases."

### POINT OF INQUIRY

Mr. Barden yielded to question by Mr. Ross.

Mr. Ross: "Mr. Barden, my question is addressed to the intent and objectives of the bill. The reason for the question, Mr. Barden, is we have heard some people here on the floor talking about economy and efficiency of government, and the fact one of the ways we can do it is to take some of our people who are making fifteen or twenty thousand dollars in state government and cut their salaries. My question to you is: Has Todd and Lockheed Shipyards asked their executives and managers to cut their salaries by twenty or thirty percent so maybe they could come in under San Diego's bids for these ferries? I am talking about free enterprise, Mr. Barden."

Mr. Barden: "I agree with free enterprise entirely, Representative Ross."

### ROLL CALL

The Clerk called the roll on the final passage of Senate Bill No. 906 as amended by the House, and the bill passed the House by the following vote: Yeas, 86; nays, 7; absent or not voting, 6.

Voting yea: Representatives Adams, Anderson, Backstrom, Bagnariol, Barden, Bauer, Beck, Berentson, Blair, Bledsoe, Bottiger, Bozarth, Bradley, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conner, Conway, Costanti, Cunningham, Curtis, Douthwaite, Eikenberry, Farr, Gallagher, Gilleland, Goldsworthy, Grant, Hansey, Harris, Haussler, Hoggins, Hurley, Jastad, Johnson, Jones, Juelling, Julin, Kilbury, King, Kirk, Kiskaddon, Knowles, Kraabel, Litchman, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Mentor, Merrill, Moon, Morrison, Newhouse, North, O'Brien,

Pardini, Paris, Perry, Rabel, Randall, Rosellini, Ross, Savage, Sawyer, Schumaker, Shinpoch, Smith, Smythe, Spanton, Thompson, Van Dyk, Wanamaker, Williams, Wojahn, Wolf, Zimmerman, Mr. Speaker—86.

Voting nay: Representatives Benitz, Bluechel, Flanagan, Gladder, Hatfield, Kuehnle, Polk—7.

Absent or not voting: Representatives Amen, Brouillet, Copeland, Hubbard, Kopet, Shera—6.

Senate Bill No. 906, as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

#### POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Moon.

Mr. Moon: "Representative Wolf, you were a little bit afraid of bringing House Bill No. 463 out on the floor because it wasn't perfected, and you didn't think it should be perfected on the floor. Yet we have a whole sheaf of amendments to this bill. I wonder if we shouldn't refer this bill back to Committee and let them perfect it there."

Mr. Wolf: "Mr. Moon, in answer to your very direct and great question, I would like to answer that by saying that in my mind a citizen-type, civilian legislature can develop a proposition to be supported and put on the ballot for the people of the state of Washington to vote on as an alternative to Initiative 43. There is a great concern in this legislature that maybe Initiative 43 went too far, and that we should submit an alternative, and this is what it takes. We have almost 100 amendments to this alternative to the seacoast management initiative bill. If it takes the legislature this much effort between citizen-type legislators, representing real people, to develop an alternative to the initiative, I think it points up two things: One, we can very ably represent the people. When you talk about the annual elections bill, you are talking about constitutional government—something that we really want to put on the ballot, something we want to happen, and if that constitutional question is challenged in the courts, it could throw annual elections out the window. This bill is going to the ballot. The people will decide whether this is constitutional, and I think we ought to get on with the business of developing it."

The amendment by Mr. Julin was adopted.

On motion of Mr. Julin, the following amendments were adopted:

On page 1, section 2, line 21 after "planning" strike "and zoning"

Representatives Thompson and Julin spoke in favor of the amendment.

The amendment by Mr. Sawyer was adopted.

#### POINT OF INQUIRY

Mr. Charnley: "Mr. Speaker, is it your intent to go through all of the amendments

Renumber the remaining sections consecutively.

Mr. Spanton spoke in favor of the amendment.

Mr. Mentor demanded an electric roll call, and the demand was sustained.

Mr. Wolf spoke in favor of the amendment.

#### POINT OF ORDER

Mr. Charette: "Mr. Speaker, I raise the point of order that the amendment is an amendment giving property tax relief for a period of five years, which does not appear to be within the scope and object of an act relating to shoreline areas."

#### RULING BY THE SPEAKER

The Speaker: "It may take me a while to read the bill to see if it is within the scope. "Mr. Charette, I have examined the preamble of this act and I see words like 'valuable, fragile, private ownership, confiscation, protection of private property rights consistent with the public interest;' I see 'interests of all the people;' I see 'long term over short term benefit;' and I see 'provide for any other element as defined in section 11;' then I go over to section 11, and I find 'economic development element, recreational element, public access element' and private interest elements. It would appear to me that the body of the act is so general and so broad that an amendment of this type is germane."

Mr. Julin spoke against adoption of the amendment.

## POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Newhouse.

Mr. Newhouse: "In pursuing this amendment, Mr. Julin, I have a two-prong question: The first is that this amendment says, 'all lands subject to this act.' Could you define for me what lands of the state are subject to this act? And, further, may not some of the lands involved or subject to it be increased in value by this act?"

Mr. Julin: "Briefly defining the land covered by this act, or subject to this act, we are talking about the shorelines of the state of Washington, not only so far as the salt water shorelines, but of the rivers and the lakes throughout the state, and a 200 foot strip of land, landward from the high watermark of each of those bodies of water. That is basically the coverage, although it must be clear that we are dealing with not just the Puget Sound saltwater area, but the waters of the entire state. I would remind you, in considering this, that the Lake Chelan case, which gave impetus to this cloud on title, dealt with fresh water, so we are talking about waters throughout the entire area of the state. Responding to the second part of the question, Representative Newhouse, it is my opinion that it will result in some substantial increase in some of the property that is covered by the provisions of this act because it will provide a system whereby that land can now be used, whereas in the present posture of the law, there are various questions as to whether it can be used."

## POINT OF INQUIRY

Mr. Spanton yielded to question by Mr. Bottiger.

Mr. Bottiger: "Representative Spanton, in the Tacoma industrial tideflats, which I presume is land subject to this act, we are building numerous new plants, hopefully, and some new manufacturing area. Would this prohibit an increase in taxes because of this development?"

Mr. Spanton: "I would say it would depend upon the implementation of this act and when the appraisal of the property would be made. Like Representative Julin has often said, you can't be perfect."

Mr. Bottiger spoke against adoption of the amendment, and Mr. Mentor spoke in favor of it.

## POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Gladder.

Mr. Gladder: "Representative Julin, I wasn't completely satisfied with the answer you gave to the question posed to you by Representative Newhouse. Could you tell me in terms of percentages of the total land area of the state, or in square miles involved, as to the land that would be affected by this total act?"

Mr. Julin: "No, Representative Gladder, I am sorry I do not have that. I can't give you the area or the acreage."

Mr. Gladder: "Might I just suggest then that I think this is a very important question that should be answered before final passage, because I think one of the most important things before us in this question is: Just how much of our state is being affected by this. And I think if we took a good look and got this determined accurately, we might take a darn sight harder look than we seem to be at this point."

Representatives Flanagan and Charette spoke against adoption of the amendment.

## POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Barden.

Mr. Barden: "Representative Bottiger, in your judgment, does this amendment affect land and buildings, or would the impact of the amendment be applied only to the value of the raw land, thereby allowing the taxation of buildings thereon?"

Mr. Bottiger: "Mr. Barden, the words 'all lands' could be interpreted by the court to refer to all real property which would include the land it is on. I think the point I tried to raise is that a piece of raw land (let's say on the Nisqually Delta) subject to the restrictions of this act can be used as pasture if by chance a permit to develop that as industrial lands were granted by the Board of Ecology or whoever was going to do it. Then that pasture land becomes prime industrial land, and the land value there would be substantially higher. It is quite possible that a parking lot for a plant could have a fantastic value over and above the prime agricultural land value that it had previously. And this is what worries me.

"Now, while I am on my feet and with the permission of the House, I placed on the desk the following amendment which I would offer if this amendment is defeated. It reads, 'The restrictions imposed by this act shall be considered by the county assessors in establishing fair market value of the property.' This would then require the county assessor to say: What is this bank front property worth if you can't build on it."

Mr. Barden spoke against adoption of the amendment by Mr. Spanton.

#### MOTION

Mr. Hoggins moved that the amendment by Mr. Spanton to Substitute House Bill No. 584 be laid on the table.

The motion was lost.

Mr. Spanton closed debate, speaking in favor of adoption of the amendment.

#### ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Spanton to Substitute House Bill No. 584, and the amendment was lost by the following vote: Yeas, 22; nays, 69; absent or not voting, 8.

The House resumed consideration of Substitute House Bill No. 584 on second reading.

Mr. Bottiger moved adoption of the following amendment:

On page 20, line 26 after section 27 insert a new section to read as follows:

Renumber the remaining sections consecutively.

Representatives Bottiger and Julin spoke in favor of the amendment.

The amendment was adopted.

Mr. Benitz moved adoption of the following amendments:

On page 22, after section 32 add a new section as follows:

"NEW SECTION. Sec. 33. (1) The department, upon the adoption of any master program or segment thereof, or any local government upon the approval by the department of any master program or segment thereof developed by a local government, shall cause a

copy thereof together with a map of the lands affected and a description of the real property affected to be recorded in the office of the county auditor and shall publish a notice containing the text of the program together with a description of the real property affected thereby. Such publication shall be made in a newspaper of general circulation printed and published in the county or counties affected by the program once a week for six consecutive weeks. In addition, the department may serve, either personally or by certified mail, a copy of such program and map on each owner of lands affected by the program.

The provisions of this subsection for recording, publication and service shall also apply whenever the department or any local government which has developed an approved master program or segment thereof, issues any order amending, modifying or repealing a master program or segment thereof.

(2) Any person having a recorded interest in land affected by any such master program or segment thereof may, within one hundred and twenty days after the last date of publication or in the case of service personally or by certified mail within one hundred and twenty days after receiving notice of such program, petition the superior court of Thurston county or of any county wherein lands are affected by such order, to determine whether such program involves a taking of private property rights. If the court finds the master program or segment thereof does accomplish such a taking, the court shall enter a finding that such master program or segment thereof shall not apply to the land of the petitioner: PROVIDED, That such finding shall not affect any other land than that of the petitioner. The director shall cause a copy of such court finding to be recorded in the appropriate county auditor's office. The method provided in this subsection for the determination of the issue of whether any such master program or segment thereof constitutes a taking shall be exclusive, and such issue shall not be determined in any other proceeding, nor shall any person have a right to petition for the assessment of damages under any other chapter by reason of the adoption of such program. The director or local government may, after a court finding has been entered that a master program shall not apply to certain land, take the fee or any lesser interest in such land in the name of the state or said local government by eminent domain under the applicable provisions of Title 8 RCW after payment of just compensation to the property owner; thereafter the programs shall be applicable to such land."

Renumber the remaining sections consecutively.

On page 22, section 36 now renumbered as section 37, on line 30, after "through" and before "of" strike "35" and insert "36"

Representatives Benitz and Kuehnle spoke in favor of adoption of the amendment, and Representative Julin spoke against it.

#### POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Benitz.

Mr. Benitz: "Do you believe it is the intent of this shorelines act not to obtain the use of private property without just compensation?"

Mr. Julin: "Representative Benitz, I certainly do, and to the best of the ability of those who worked on it, we have endeavored to see that does not happen. The bill as it now stands, without your amendment, would not provide for the taking of private property without due compensation as is now provided for in our Constitution."

Mr. Bledsoe spoke against adoption of the amendment.

The amendment by Mr. Benitz to Substitute House Bill No. 584 was lost on a rising vote.

Mr. Kuehnle moved adoption of the following amendment by Representatives Kuehnle and Conway:

On page 22, section 35, line 27 strike section 35 in its entirety and insert the following new section:

"NEW SECTION. Sec. 35. Notwithstanding any other provision of law, this chapter shall be administered within the following guidelines:

(a) The common law doctrine that the public has the right to the customary or habitual use of private property, wherever located in the state, is not and shall not be recognized as law in this state or in its political subdivisions;

(b) Private property shall not be taken for public, quasi-public, or private use without proof of the necessity of taking and just compensation having first been made, or paid to a court for the private land owner;

(c) Private property is not and shall not be purported to be held in public trust for the people of this state and their descendants without just compensation having been first made or paid to the private land owner in accordance with the laws and constitution of this state."

Mr. Kuehnle spoke in favor of the amendment, and Mr. Julin spoke against it.

Mr. Spanton demanded an electric roll call, and the demand was sustained.

Mr. Conway spoke in favor of the amendment, and Mr. Kraebel spoke against it.

## POINT OF INQUIRY

Mr. Perry: "Mr. Speaker, we can't amend the people's initiative to the legislature. What is the situation if we put this bill through without an emergency clause? By referendum we can end up with two initiatives No. 43. I don't think there is any prohibition against the public amending or rejecting ours by referendum, is there?"

The Speaker: "Mr. Perry, you are asking me for a judicial interpretation rather than an interpretation under our House rules. I will not comment on that, but someone else may wish to respond to that particular situation."

Mr. Beck spoke against adoption of the amendment.

Mr. O'Brien responded to Mr. Beck's remarks.

Representatives Julin and Newhouse spoke against the amendment by Mr. Douthwaite.

## PERSONAL PRIVILEGE

Mr. Beck: "Point of personal privilege. I may have left the impression here with Mr. O'Brien that this is not going to be referred to the people. This will be referred to the people, Mr. O'Brien, as an alternative to Initiative No. 43. But we should get the thing into effect here as soon as we can so the people can see how it is beginning to operate."

## PERSONAL PRIVILEGE

Mrs. Hurley: "Mr. Speaker, ladies and gentlemen of the House: I have a very happy task to do today. It is a little announcement that I think you will be interested in. It relates to somebody who really deserves the commendation and congratulations of this House:

## ODE TO MY SEAT MATE

by M. HURLEY

My seat mate Bill May from district three  
 Poet laureate of the house was chosen to be.  
 For many sessions his talents he's used,  
 Sometimes he's praised us and sometimes abused,  
 He'd produce instant poems when anyone asked.  
 To him it was never too much of a task.  
 He's as friendly and helpful as a member could be  
 And I'm proud to be with him from district three.  
 Tho' a poet *he is* and that's what I'm not  
 The Talent he has somehow I never got.  
 But I'm turning the tables on him just to say  
 Bill—we wish you a prosperous, happy birthday  
 Today!"

## PERSONAL PRIVILEGE

Mr. May:

"Thank you Mr. Speaker, and the rest of 99.  
 I appreciate the greeting, You've all been very fine.  
 Birthdays come too very fast, because I've had so many.  
 But just to keep the record straight, I'm younger than  
 Jack Benny."

## PERSONAL PRIVILEGE

Mr. Newhouse: "I understand this is a very auspicious day, Mr. May. I understand that another gentleman from Spokane has a birthday today. Perhaps you could write an Ode to Mr. Harris."

Mr. Hubbard: "As I read this act, he would be specifically precluded from doing this."

Mr. Newhouse spoke against passage of the bill.

#### MOTION

On motion of Mr. Charette, the House deferred further consideration of Engrossed Senate Bill No. 261 as amended by the House, and the bill was ordered placed on tomorrow's third reading calendar.

SENATE BILL NO. 35, by Senator Wilson:

Authorizing Eastern Washington State College to grant certain bachelor degrees.

The bill was read the second time.

Mr. Copeland moved adoption of the following amendment by Representatives Copeland and Goldsworthy:

On page 1, line 13 after the period insert the following new sections:

"NEW SECTION. Sec. 2. There is added to chapter 28B.10 RCW a new section to read as follows:

The governing boards of each of the state universities, state colleges, and community colleges in addition to their other duties prescribed by law shall have the power and authority to establish programs for intercollegiate athletic competition. Such competition may include participation as a member of an athletic conference or conferences, in accordance with conference rules.

NEW SECTION. Sec. 3. There is added to chapter 28B.10 RCW a new section to read as follows:

Funds used for purposes of providing scholarships or other forms of financial assistance to students in return for participation in intercollegiate athletics in accordance with section 1 of this 1971 act shall be limited to moneys received as contributed or donated funds, or revenues derived from athletic events, including gate receipts and revenues obtained from the licensing of radio and television broadcasts."

Renumber the remaining section consecutively.

#### POINT OF ORDER

Mr. Grant: "Mr. Speaker, I think that the bill before us—Senate Bill No. 35—deals with the granting of certain bachelor degrees at Eastern Washington State College. The amendment presented by Representatives Copeland and Goldsworthy expands quite broadly the scope and object of Senate Bill No. 35."

#### RULING BY THE SPEAKER

The Speaker: "Mr. Grant, I have examined the bill. The title, of course, is broad, but under my previous rulings, it isn't title only which governs. I have read the bill. It goes one step further than dealing just with higher education. The bill deals specifically with powers and duties of boards of trustees of those institutions. In examining the amendment, this

deals with some other aspect of higher education that would probably expand the scope and object, but it also deals with powers and duties of governing boards of our state universities. I think it is germane and within the scope of the original bill."

#### POINT OF INQUIRY

Mr. Copeland yielded to question by Mr. Bledsoe.

Mr. Bledsoe: "Representative Copeland, may I have your assurance that the financial scholarships and other forms of financial assistance for students under this intercollegiate athletics program cannot, under the terms of this amendment, involve any tuition fees or any student body fees extracted from the general student body?"

Mr. Copeland: "Mr. Bledsoe, this is exactly the intent of this act. The tuition fees and this particular type of general fund money, of course, would be completely set aside and exempt from it. What we are talking about here is gate receipt money. The question that was posed by the president of one of the community colleges was: Is this money state money, and can it be loaned? The attorney general has had to say that apparently it is, even though it is a very moot question. We don't intend to get into any other area at all. This is strictly the gate receipt money we are talking about."

Mr. Bledsoe spoke in favor of the amendment by Representatives Copeland and Goldsworthy.

#### POINT OF INQUIRY

Mr. Copeland yielded to question by Mr. Randall.

Mr. Randall: "Mr. Copeland, I have another concern that I am not sure whether this amendment clarifies or not, and I would like your comment on it. If I understand the dilemma we find ourselves in, the University of Washington marching band, at this point, would be excluded from the participation it has enjoyed in the past from revenues obtained from gate receipts. Do you construe this amendment to now reinclude this type of activity or not?"

Mr. Copeland: "No, we are talking primarily about the scholarship money. The band money came into the question as to whether you could take gate receipt money to give to someone as a scholarship. Now this is all we are talking about. I am quite sure even without that the band will still be involved though it might be a little bit gray in the area. What we are doing really and truthfully, Mr. Randall, is we are legalizing or legitimizing the things we have been doing for I don't know how many years. The band is really not involved in this."

Mr. Randall: "It would appear to me that the Attorney General ruling, however, covers the University of Washington marching band and any marching band at any of our institutions of higher learning. And it would seem to me that if we are going to go across the board, I would like to consider holding this amendment until we make sure that these activities that have been covered traditionally will continue to be covered."

Mr. Copeland: "It will not disturb the band in any way, shape or form. By passage of this act, you will be able to continue to go ahead and do all those things you normally have done in the past."

The amendment by Representatives Copeland and Goldsworthy to Senate Bill No. 35 was adopted.

On motion of Mr. Copeland, the following amendment to the title was adopted:

On page 1, line 2 of the title after the semicolon and before "and" insert "adding new sections to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.10 RCW;"

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Senate Bill No. 35 as amended by the House, was placed on final passage.

Mr. Copet spoke in favor of passage of the bill.

I wonder, is it the intent of the amendment to prohibit the position of assistant from providing any care to the feet?"

Mr. Farr: "No, Mr. Zimmerman, it is not. The intent is that the physician's assistant in those areas of the state where there is no chiropodist would be providing the care to the feet for this area as the physician would do in the same area. The main thing—may I add just a bit more—is that the intent is that the assistant would not do full-time chiropody."

This is over a period of time. There have been 25 trained. Another 25 are in process and they are recruiting for the third class. They will have that many that are covered under this. Mr. Morrison moved adoption of the following amendment by Representatives Morrison and Newhouse:

On page 1, section 3, line 20 strike "seven" and insert "eleven"

Mr. Morrison spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Morrison yielded to question by Mr. Ross.

Mr. Ross: "Mr. Morrison, in terms of the amendment, in expansion from seven to eleven, do you foresee growers and farmers being on this commission?"

Mr. Morrison: "No, Representative Ross, the next amendment to be offered by Representative Newhouse specifies the members to be added in this additional four, and they are just to give additional coverage so that all members of this community are represented."

#### POINT OF INQUIRY

Mr. Morrison yielded to question by Mr. Shipoch.

Mr. Shipoch: "Representative Morrison, I looked at your next amendment, and I note

that it says that the members shall *represent* the interests, while on page 1 of the bill with regard to the other members it states they will be *from* certain fields. Would you tell me why you deviated from the manner in which they were to be selected?"

Mr. Morrison: "I think we certainly could change the wording here if, in the wisdom of the House, it is felt to *represent* someone was not the adequate wordage. Yes, we want these people to be *from* the Mexican-American communities, without a doubt. We also recognize that within this group of people are all sorts of organizations and viewpoints and we wanted them to elect, and we have this procedure set up now. These people all of a sudden have become very interested in their political future and they have organized groups which are electing people. The Governor has been appointing them to the proliferation of agencies that now exist in this field; so the intention of the language here is not to get someone other than Mexican-Americans on this commission. This amendment is intended to allow these people to elect their own representatives and then have them appointed by the Governor, confirmed by the Senate, and serve in this capacity."

Mr. Shipoch: "Mr. Speaker, with Representative Morrison's answer, would it be possible for us to be at ease for a couple of minutes while we perfected that amendment?"

The Speaker: "Yes, you may prepare your floor amendment."

The Speaker stated the question before the House to be the amendment by Representatives Morrison and Newhouse to page 1, section 3, line 20. The amendment was adopted.

Mr. Morrison moved adoption of the following amendment by Representatives Newhouse and Morrison:

On page 1, section 3, line 27 after line 27 insert the following new subsection:

"(f) The remaining members shall be appointed to represent the interests of the Mexican-American community in the state."

With the consent of the House, the amendment by Representatives Newhouse and Morrison was withdrawn.

Mr. Newhouse moved adoption of the following amendment by Representatives Morrison, Newhouse and Shipoch:

On page 1, section 3 after line 27 insert the following new subsection:

"(f) Four members from the Mexican-American community in the state."

Mr. Newhouse spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Charnley.

Mr. Charnley: "I think your idea is very commendable, but I am confused with the difference between section (b) which reads: 'Two members from the general populace of the Spanish-speaking population;' and your new section (f) which reads 'Four members from the Mexican-American community'—is there not some potential confusion here?"

Mr. Newhouse: "There may be, but I hope this will help alleviate any problems that develop. More and more we are having American people, not Mexican-American, not Spanish-speaking—and I think the change in this area of our population is very commendable. I didn't write section (b). I probably would have avoided using those words if I had, but I would like to see the entire Mexican-American community represented."

Mr. Charnley: "May I ask you one other thing. Would it be desirable to amend your act to read simply 'six members' and delete (b), or would that be getting too picky?"

Mr. Newhouse: "I don't want to antagonize those who still do just speak Spanish, and if this helps them, it is fine with me."

The amendment by Representatives Morrison, Newhouse and Shipoch was adopted.

On motion of Mr. Morrison, the following amendment by Representatives Morrison and Shipoch was adopted:

On page 2, section 4, line 11 after "(4)" strike "Four" and insert "Six"

Mr. Bottiger moved adoption of the following amendment by Representatives Bottiger and Julin:

On page 2, section 4, line 18 after "RCW" insert a period and strike everything down to and including "act." on line 19

Representatives Bottiger and Newhouse spoke in favor of the amendment.

The amendment by Representatives Bottiger and Julin was adopted.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the

third, and Engrossed Senate Bill No. 394 as amended by the House was placed on final passage.

Mr. Morrison spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Morrison yielded to question by Mrs. Hurley.

Mrs. Hurley: "Mr. Morrison, how many Mexican-Americans do you estimate there are in the state?"

Mr. Morrison: "I think approximately 25,000. I can only speak for the 5,000 in my particular district. But certainly they are in the Columbia Basin area, in the Puget Sound area, and we have a number in Yakima County and down into Walla Walla—approximately 25,000."

Mrs. Hurley: "I think Mr. O'Brien would like to know how this compares with the Irish-Americans in the state."

Mr. Morrison: "Mr. O'Brien would have to determine the quality of comparison. Numerically I am sure the Irish are far ahead. We talked several years ago about the Irish seed potatoes. I remember Representative Flanagan yielding to question on that, so we heard there were quite a few Irishmen—and bound to be more."

Representatives O'Brien and Anderson responded to Mr. Morrison's remarks.

#### POINT OF INQUIRY

Mr. Ross yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. Ross, what would you think of a ballot that was printed in gaelic?"

Mr. Ross: "I think it would be wonderful. It would help us communicate with the Irishmen who are fire bombing and rioting against constitutional government and destroying property. I think those people need to be communicated with."

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 394 as amended by the House, and the bill passed the House by the following vote: Yeas, 98; nays, 0; absent or not voting, 1.

#### ANNOUNCEMENT BY THE SPEAKER

The Clerk read the following amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman:

On page 1, following line 16, insert a new section 1 reading as follows:

"Section 1. Section 84.40.030, chapter 15, Laws of 1961 and RCW 84.40.030 are each amended to read as follows:

All property shall be assessed fifty percent of its true and fair value in money. The true and fair value of real property for taxation purposes shall not be its highest and best use, but upon that use which the majority of the property in the immediate area is generally used for, or the specific use, whichever is greater. The assessor shall value each article or description of property by itself, and at such price as he believes the same to be fair by worth in money at the time of such assessment is made and not as a result of a forced sale.

The true cash value of property in money shall be that value at which a sale has been, or can be made for cash, less ordinary and usual costs of sale including but not limited to costs of title insurance, legal services, recording fees and taxes levied against such sale that are borne by the seller, and an amount equal to the customary fees payable to a licensed real estate broker for handling such a sale. In valuing real estate, the assessor may take into account such items as capitalized income that would accrue from prudent use of such real estate for the purposes for which it is used if the majority of similar property in the area is so used; Provided that no change of use has occurred or sale or transfer of title has been made within five years. The cash value or any sale which is not a forced sale within five years shall be evidence of value unless it can be shown that special or unusual conditions were present in such sale.

In assessing any tract or lot of real property, the value of the land, exclusive of improvements, shall be determined; also the value of all improvements and structures thereon, but that the aggregate value of the property, including all structures and other improvements, excluding the value of crops growing on cultivated lands shall not exceed the true cash value of the property as defined above.

Any property owner having property of a value of one-hundred thousand dollars or less may establish the value of his property for assessment purposes by unconditionally offering it for sale for cash through a licensed real estate broker for a period of at least ninety days at ten percent over his own sworn statement of its value, but this provision shall not be his only or sole defense against overassessment. In valuing any real property on which there is a coal or other mine, or stone or other quarry, the land shall be valued at such price as such land would sell at a fair, voluntary sale for cash; any improvements thereon shall be separately valued and assessed as hereinabove provided; and any personal property connected therewith shall be listed, valued and assessed separately as other personal property is assessed under general law. Taxable leasehold estates shall be valued at such price as they would bring at a fair, voluntary sale for cash."

Renumber the remaining sections consecutively.

POINT OF ORDER

Mr. Flanagan: "In reading this amendment, it is quoting existing statutes which it outlines as section 84.40.030 RCW. It then goes through the statute, repeats existing language in the statutes, adds new language without underlining the new language, deletes existing language without crossing out the deleted language. Therefore, in my opinion, it would be an illegal amendment. If it goes into an engrossed bill, it will be improper, and not a correct amendment to existing law."

The Speaker recognized Mr. Bottiger.

Mr. Bottiger: "Mr. Speaker, responding to the point of order: Representative Sawyer is at the desk doing what we had instructed the drafter of this amendment to do—to say 'strike this old language and insert the new.' Representative Flanagan is correct. There would be so many underlined additions and deletions it would be impossible to read, so we are simply striking the sections that are mentioned and rewriting them. It would be much more simple for the House and for everyone else."

RULING BY THE SPEAKER

The Speaker: "I don't think that is going to do it, Mr. Bottiger. To strike an existing section of state law would take a section which is a repealer. Then you would write a new section, but you wouldn't use amendatory language, which is your present amendment. The point of order appears to be well taken."

MOTION

Mr. Sawyer moved that the House adjourn until 11:00 a.m., Thursday, April 8, 1971. The motion Mr. Sawyer was carried on a rising vote.

THOMAS A. SWAYZE, JR., Speaker.

MALCOLM McBEATH, Chief Clerk.

(2) (a) To make an equitable adjustment of the property and other assets and of the liabilities, including bonded indebtedness, as to the old school districts and the new district or districts, if any, involved in or affected by a proposed change in the organization and extent of the school districts; and (b) to make an equitable adjustment of the bonded indebtedness outstanding against any of the aforesaid districts whenever in [its] *the state hearing examiner's* judgment such adjustment is advisable, as to all of the school districts involved in or affected by any change heretofore or hereafter effected; and (c) to submit to the state board for approval the proposed terms of adjustment and a statement of the reasons therefor in each case. In making the adjustments herein provided for, the [county committee] *state hearing examiner* shall consider the number of children of school age resident in and the assessed valuation of the property located in each district and in each part of a district involved or affected; the purpose for which the bonded indebtedness of any district was incurred; the value, location, and disposition of all improvements located in the districts involved or affected; and any other matters which in the judgment of the [committee] *state hearing examiner* are of importance or essential to the making of an equitable adjustment.

In addition notice may be given by newspaper, radio, and television, or either thereof, when in the [committee's] *state hearing examiner's* judgment the public interest will be served thereby.

(4) To divide into five school directors' districts all first and second class school districts now in existence and not heretofore so divided and all first and second class school districts hereafter established: PROVIDED, That no first or second class school district not heretofore so divided and no first or second class school district hereafter created containing a city with a population in excess of seven thousand according to the latest population certificate filed with the secretary of state by the planning and community affairs agency shall be divided into directors' districts unless a majority of the registered voters acting thereon at an election shall approve a proposition authorizing the division of the district into directors' districts: AND PROVIDED FURTHER, That nothing in this chapter shall authorize the division of any new or existing third class school district into school directors' districts. The boundaries of each directors' district shall be so established that each such district shall comprise as nearly as practicable an equal portion of the population of the school district.

A public hearing thereon shall be held by the [county committee] *state hearing examiner*, which hearing shall be called and conducted in the manner prescribed in subsection (3) of this section, except that notice thereof shall be posted in some public place in each directors' district of the school district and on a commonly-used schoolhouse door of the district and at the place of holding the hearing. In addition notice may be given by newspaper, radio, and television, or either thereof, when in the [committee's] *state hearing examiner's* judgment the public interest will be served thereby.

(6) To prepare and submit to the superintendent of public instruction from time to time or, upon his request, reports and recommendations respecting the urgency of need for school plant facilities, the kind and extent of the facilities required, and the development of

improved local school administrative units and attendance areas in the case of school districts that seek state assistance in providing school plant facilities.

Sec. 4. Section 28A.57.055, chapter 223, Laws of 1969 ex. sess. and RCW 28A.57.055 are each amended to read as follows:

Whenever adjustments of bonded indebtedness are made between or among school districts in connection with the alteration of the boundaries thereof, pursuant to the provisions of this chapter, the order of the intermediate school district superintendent establishing the terms of adjustment of bonded indebtedness shall provide and specify:

(1) In every case where bonded indebtedness is transferred from one school district to

another school district (a) that such bonded indebtedness is assumed by the school district to which it is transferred; (b) that thereafter such bonded indebtedness shall be the obligation of the school district to which it is transferred; (c) that, if the terms of adjustment so provide, any bonded indebtedness thereafter incurred by such transferee school district through the sale of bonds authorized prior to the date its boundaries were altered shall be the obligation of such school district including the territory added thereto; and (d) that taxes shall be levied thereafter against the taxable property located within such school district as it is constituted after its boundaries were altered, said taxes to be levied at the times and in the amounts required to pay the principal of and the interest on the bonded indebtedness assumed or incurred as aforesaid, as the same become due and payable.

In computing the debt limitation of any school district from which or to which bonded indebtedness has been transferred, the amount of such transferred bonded indebtedness at any time outstanding (a) shall be an offset against and deducted from the total bonded indebtedness, if any, of the school district from which such bonded indebtedness was transferred and (b) shall be deemed to be bonded indebtedness solely of the transferee school district that assumed such indebtedness.

(2) In every case where adjustments of bonded indebtedness do not provide for transfer of bonded indebtedness from one school district to another school district (a) that the existing bonded indebtedness of each school district the boundaries of which are altered and any bonded indebtedness incurred by each such school district through the sale of bonds authorized prior to the date its boundaries were altered shall be the obligation of the school district in its reduced or enlarged form, as the case may be; and (b) that taxes shall be levied thereafter against the taxable property located within each such school district in its reduced or enlarged form, as the case may be, at the times and in the amounts required to pay the principal of and interest on such bonded indebtedness as the same become due and payable.

In case the aforesaid approval by the state board concerns a proposal to form a new school district or a proposal for adjustment of bonded indebtedness involving an established school district and one or more former school districts now included therein pursuant to a vote of the people concerned, a special election of the voters residing within the territory of the proposed new district or of the established district involved in a proposal for adjustment of bonded indebtedness as the case may be shall be held for the purpose of affording said voters an opportunity to approve or reject such proposals as concern or affect them.

In a case involving both the question of the formation of a new district and the question of adjustment of bonded indebtedness, the questions may be submitted to the voters either in the form of a single proposition or as separate propositions, whichever to the intermediate school district superintendent seems expedient. When the [county committee] *state hearing examiner* has [passed] *formulated* appropriate resolutions for the questions to be submitted and the intermediate school district superintendent has given notice thereof to the county auditor such special election shall be called, conducted, and the returns canvassed as in regular school district elections.

Thereafter such revised proposal or proposals *as approved* shall be subject to the provisions and procedural requirements of this chapter applicable to original proposals submitted to said board.

- (4) The cash balance, if any, in the building fund of the district submitting the request which is designated for high school building construction purposes, together with the sources of such balance; and

## SECOND READING

SUBSTITUTE HOUSE BILL NO. 283, by Committee on Revenue and Taxation (Originally sponsored by Representative Flanagan):

Providing an act relating to revenue and taxation.

The House resumed consideration of Substitute House Bill No. 283 on second reading.

Mr. Böttiger moved adoption of the following amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman:

On page 1, following line 16 insert a new section as follows:

"Section 1. Section 84.40.030, chapter 15, Laws of 1961 and RCW 84.40.030 are each amended to read as follows:

All property shall be assessed fifty percent of its true and fair value in money. [In determining the true and fair value of real or personal property, the assessor shall not adopt a lower or different standard of value because the same is to serve as a basis of taxation; nor shall he adopt as a criterion of value the price for which the said property would sell at auction, or at a forced sale, or in the aggregate with all the property in the town or district; but he shall value each article or description of property by itself, and at such price as he believes the same to be fairly worth in money at the time such assessment is made. The true cash value of property shall be that value at which the property would be taken in payment of a just debt from a solvent debtor. In assessing any tract or lot of real property, the value of the land, exclusive of improvements, shall be determined; also, the value of all improvements and structures thereon and the aggregate value of the property, including all structures and other improvements, excluding the value of crops growing on cultivated lands.] *The true and fair value of real property for taxation purposes shall not be its highest and best use, but upon that use which the majority of the property in the immediate area is generally used for, or the specific use, whichever is greater. The assessor shall value each article or description of property by itself, and at such price as he believes the same to be fair by worth in money at the time such assessment is made and not as a result of a forced sale.*

*The true cash value of property in money shall be that value at which a sale has been, or can be made for cash, less ordinary and usual costs of sale including but not limited to costs of title insurance, legal services, recording fees and taxes levied against such sale that are borne by the seller, and an amount equal to the customary fees payable to a licensed real estate broker for handling such a sale. In valuing real estate, the assessor may take into account such items as capitalized income that would accrue from prudent use of such real estate for the purposes for which it is used if the majority of similar property in the area is so used: PROVIDED, That no change of use has occurred or sale or transfer of title has been made within five years. The cash value of any sale which is not a forced sale within five years shall be evidence of value unless it can be shown that special or unusual conditions were present in such sale.*

*In assessing any tract or lot of real property, the value of the land, exclusive of improvements, shall be determined; also the value of all improvements and structures thereon, but that the aggregate value of the property, including all structures and other improvements, excluding the value of crops growing on cultivated lands shall not exceed the true cash value of the property as defined above.*

*Any property owner having property of a value of one-hundred thousand dollars or less may establish the value of his property for assessment purposes by unconditionally offering it for sale for cash through a licensed real estate broker for a period of at least ninety days at ten percent over his own sworn statement of its value, but this provision shall not be his only or sole defense against overassessment. In valuing any real property on which there is a coal or other mine, or stone or other quarry, the land shall be valued at such price as such land would sell at a fair, voluntary sale for cash; any improvements thereon shall be separately valued and assessed as hereinabove provided; and any personal property connected therewith shall be listed, valued and assessed separately as other personal property is assessed under general law. Taxable leasehold estates shall be valued at such price as they would bring at a fair, voluntary sale for cash.*

*Upon review by any court of a determination of the true and fair value of property, real or personal, it shall be presumed that the determination was correct unless proved incorrect by clear, cogent and convincing evidence."*

Remember the remaining sections consecutively.

Mr. Moon moved adoption of the following amendment to the amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman:

Amend the amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman as follows:

In line 17 of the first paragraph before the period after "*whichever is greater*" insert: "*PROVIDED, That before the factor of 'use' set forth in this sentence may be used for the purpose of valuation, the property must first have been denied qualification for current use as provided for under Article VII, section 11 of the state Constitution as implemented by chapter 84.34 RCW*"

## PARLIAMENTARY INQUIRY

Mr. Julin: "I wanted to inquire whether this amendment is on the members' desks. I understand it is not. I wonder if we could be at ease until we can see what this amendment is."

The Speaker declared the House to be at ease.

The Speaker called the House to order.

Representatives Moon, Pardini and Julin spoke in favor of adoption of the amendment to the amendment, and Representatives Flanagan, Van Dyk, Sawyer, Bottiger and Wolf spoke against it.

## POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Moon.

Mr. Moon: "The word 'majority' that you refer to is one of the reasons I proposed this amendment. Would you explain to me the intent of the word 'majority.' Is that the majority area of the land, or the majority of property owners of the land?"

Mr. Wolf: "'Majority' as I read it, and as we constituted it in the amendment, is what the majority of the property in the immediate area is generally used for."

Mr. Moon: "Area wise, or ownership wise?"

Mr. Wolf: "Area wise, so that if a trailer court moves into the middle of 400 acres of little five-acre houses, then the highest and best use of your property is not for a trailer court. The best value of your property is based on the other 499 ownerships in that area. They are used for residential; therefore it should not be run up on comparable sales based on the highest use—that of a trailer court."

Mr. Moon spoke again in favor of the amendment to the amendment, and Mr. Hoggins spoke against it.

The amendment by Mr. Moon to the amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman to Substitute House Bill No. 283 was not adopted.

Mr. Julin moved adoption of the following amendment by Representatives Julin and Pardini to the amendment by Mr. Sawyer and others:

Amend the amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman as follows:

In line 17 of the amendment beginning with "The assessor" strike the entire sentence.

Representatives Julin and Pardini spoke in favor of adoption of the amendment to the amendment, and Representatives Bottiger and Wolf spoke against it.

Mr. Julin closed debate, speaking in favor of the amendment to the amendment.

The amendment by Representatives Julin and Pardini, to the amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman, was not adopted.

Mr. Moon moved adoption of the following amendment to the amendment by Mr. Sawyer and others:

Amend the amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman as follows:

On page 1, section 1, line 4 of the next to the last paragraph of the text after "offering for sale through" and before "for a period" strike "a licensed real estate broker" and insert "by advertising such sale on a weekly basis at least four times in a newspaper of general circulation in the county in which the property is located"

Mr. Moon spoke in favor of the amendment to the amendment, and Mr. Kuehnle spoke against it.

## POINT OF ORDER

Mr. Wolf: "Mr. Speaker, my point of order is that Mr. Kuehnle's debate will be great after the amendment is either perfected or not perfected. He is not speaking to the advertising in weekly newspapers of general circulation where the property is located."

The Speaker: "He is talking about hanky-panky, and I think that is all right."

Mr. Kuehnle concluded his remarks in opposition to the amendment to the amendment.

The amendment by Mr. Moon to the amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman was not adopted.

## SIGNED BY THE SPEAKER

### SIGNED BY THE SPEAKER

The Speaker announced that he was about to sign:

SENATE BILL NO. 182.

### INTRODUCTION AND FIRST READING

ENGROSSED SENATE BILL NO. 59, by Senators Woodall, Cooney, Twigg and Greive (by Legislative Council request):

An Act establishing a retirement system for judges of courts of record; and creating new sections.

Referred to Committee on Financial Institutions and Insurance.

### RESOLUTIONS

HOUSE RESOLUTION NO. 71-49, by Representatives Jastad, Adams, Marzano, Wojahn, Bottiger, Gallagher, Sawyer, Brouillet, Shera and Swayze:

WHEREAS, Tacoma City Light has constructed the Mossyrock Dam and the Mayfield Dam on the Cowlitz River; and

WHEREAS, The Cowlitz River is one of the finest salmon producers in Washington; and

WHEREAS, Tacoma City Light has instituted a highly successful program to transport salmon past their dams to natural feeding and spawning areas; and

WHEREAS, These practices are maintaining this fertile fishery resource for recreation and food purposes; and

WHEREAS, The delicate ecological balance of the Cowlitz River fishery has been restored to a new and bountiful equilibrium;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives commends Tacoma City Light for their efforts in restoring, continuing, and enhancing the Cowlitz River fishery above their dams and thereby preserving a most valuable resource.

BE IT FURTHER RESOLVED, That a suitably inscribed copy of this Resolution be transmitted by the Chief Clerk of the House of Representatives to Tacoma City Light and to the Mayor of Tacoma.

Mr. Jastad moved adoption of the resolution.

Representatives Jastad and Adams spoke in favor of the resolution.

#### POINT OF INQUIRY

Mr. Jastad yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Two questions really. First, Do you know what the precautions are that have been made to assure that the super-saturation of nitrogen problem that has occurred in some other dams, causing damage to salmon and other fish will not occur? Has this been met at these dams, and how has it been met?"

Mr. Jastad: "Yes, it has. These are supposed to be two of the most modern fish hatcheries in the world. There are none so far that even come close to them. They have a tower belt that takes the nitrogen out of the water before it goes into the ponds where the trout and salmon (mainly the trout) are held, because before they have had problems, like you say, and this has been taken care of."

Mr. Zimmerman: "Second question: As far as the operation of the two hatcheries—who pays for and finances the operation of these hatcheries?"

Mr. Jastad: "The total operational cost of the two hatcheries in the Cowlitz River, the trout hatchery and the salmon hatchery, is borne by the city of Tacoma—six hundred dollars a day for feed."

Representatives Conner and Smith spoke in favor of the resolution.

The resolution was adopted.

#### SECOND READING

SUBSTITUTE HOUSE BILL NO. 283, by Committee on Revenue and Taxation (Originally sponsored by Representative Flanagan):

Providing an act relating to revenue and taxation.

The House resumed consideration of Substitute House Bill No. 283 on second reading.

The Speaker stated the question before the House to be the amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman.

(For Committee Amendment see Journal of April 8, 1971, Twenty-eighth Day, Ex. Sess.)

The Clerk read the following amendment by Mr. Kuehnle to the amendment by Mr. Sawyer and others:

Amend the amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman as follows:

In the fourth paragraph of the amendment, beginning with "*Any property*" strike all of the underlined material in paragraph 4 through "*overassessment.*"

#### POINT OF ORDER

Mr. Moon: "Mr. Speaker, I think I have an amendment to that paragraph which would perfect the paragraph. Would it not be considered first before we attempt to strike the whole paragraph?"

The Speaker: "We considered that particular point, but in view of the way Mr. Kuehnle's amendment is worded, we cannot consider yours first because your language follows his language. If his amendment is adopted, then your amendment would be unnecessary. If it fails, then we will take up your amendment. Mr. Kuehnle has been excused, and I am not sure anyone is here to move the adoption of his amendment anyway."

Mr. Kraabel moved adoption of the amendment by Mr. Kuehnle to the amendment by Mr. Sawyer and others, Substitute House Bill No. 283.

Representatives Kraebel, Hatfield and Smythe spoke in favor of adoption of the amendment to the amendment, and Representatives Barden and Sawyer spoke against it.

#### POINT OF INQUIRY

Mr. Sawyer yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Sawyer, let's assume that the owner puts the property up for sale for ninety days and it is not accepted. It is not sold, and thereby you establish the valuation on that basis. How long is this valuation going to apply on that basis? Six months, one year, two years, five years? I can't see anything in here that sets any limitation on the length of time this valuation will apply. Shouldn't there be some limit in there as to that?"

Mr. Sawyer: "Representative Flanagan, the way I understand the law, it will apply until the assessor puts another value on it. If he decides it is completely unrealistic, he can list it the next time and bring it right back up. He is not compelled to let it go for four years or any other time. He is compelled to go through the county every four years, but if he feels it is unrealistic, he can turn right around and reassess it the next year, and the guy will have to go through the same procedure again."

Representative Spanton spoke in favor of the amendment by Mr. Kuehnle to the amendment, and Representatives Moon and Bottiger spoke against it.

#### POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Gladder.

Mr. Gladder: "Mr. Wolf, I selected you because I think one of your numerous amendments has something that pertains to this. About the matter of this hanky-panky concerning a decision to place something for sale and then to withdraw it from sale. Have you thought of the contingency that might occur when perhaps someone of a different race, creed or color might appear upon the scene and the board against discrimination well might come alive. Might this not cause quite some embarrassment to all concerned?"

Mr. Wolf: "I don't share the concerns, as Representative Bottiger said, about hanky-panky. I have been involved in the Business and Professions Committee now for eight years, and real estate brokers are tied down. Sure they would have to sell. I am not worried at all. I am not worried one bit. I read two or three words in this amendment that if we were to talk hanky-panky on the floor of the House and read every amendment like we do, there are a lot worse words in the law than 'unconditionally.' I know what the definition is. The court knows what the definition is. Everybody knows what the definition is. 'Unconditionally' will make it impossible for someone to hanky-panky if we can catch it. Was there a sign up? Did the neighbors see a sign that said 'for sale' on that lawn? Was there a listing? Was it listed with somebody's name on the bottom? Was an ad run? That is 'unconditionally' offered for sale, and a licensed real estate broker doesn't want to lose his license over something like that."

Representatives Bluechel and Julin spoke in favor of the amendment to the amendment, and Representatives Harris and Wolf spoke against it.

Mr. Charnley demanded the previous question, and the demand was sustained.

The amendment by Mr. Kuehnle to the amendment by Mr. Sawyer and others was not adopted.

Mr. Moon moved adoption of the following amendment to the amendment by Mr. Sawyer and others to Substitute House Bill No. 283:

On line 5 of the fourth full paragraph of the floor amendment, following "overassessment," insert: "The ninety day period shall commence to run following publication by the broker of the first advertisement of complete details of the offer, which advertisement shall appear in the real estate classified advertising section of a newspaper of general circulation in the community where the property is situated at least once each week for four successive weeks."

Mr. Moon spoke in favor of the amendment to the amendment.

The amendment by Mr. Moon to the amendment was adopted on a rising vote.

The Speaker stated the question before the House to be the amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman as amended by Representative Moon.

Mr. Sawyer spoke in favor of the amended amendment.

## POINT OF INQUIRY

Mr. Sawyer yielded to question by Mr. Kiskaddon.

Mr. Kiskaddon: "Mr. Sawyer, one of the concerns I have is the wording that talks about the majority of the property in the immediate area—what it is generally used for. I can visualize the immediate area as being anywhere from a few blocks to county-wide. I can visualize a real problem in terms that whenever you get to the point that fifty percent of the immediate area is now, say, of much higher value—that the immediate area then becomes a much larger portion of the county, and so it would still remain the other way. I can see a very vague type of definition where this immediate area could be very elastic to the extent that the majority would always be at the lower area of the whole county."

Mr. Sawyer: "Representative Kiskaddon, this matter was of concern to us in the drafting, and we put a great deal of thought into it. We went back and went into some of the other case laws to see what we could find. We could find no particular area, but what we didn't want to do was say you should only consider a one-block area, a two-block area, or a three-block area. If you do that, then you are putting an artificial boundary up. The courts will interpret what the immediate area should be, concerned with that type of property, that kind of situation. At the present time, you have the same vagueness, because you have to give the assessor, and have to give the people, as much latitude as you can in setting up standards of appraisal practice. When they are using comparable sales, what area and how big an area do they let you bring in—it will depend on the type of property. It all depends on the type of comparable you bring in. So this will give the same latitude, the same restrictions, the same handling, I'm sure, as has been used in the past in the use of comparable sales. I think the two work together. We are also setting up (or hoping to) that the assessor will be able to go on annual computing. He will be studying areas with like areas and like homes. These, I am sure, will become the immediate area and the assessor will have plenty of information to justify this. If he can't, if he is using an artificial area, then I am sure the court will overrule it. But you have to leave the latitude because if you start getting into all the nitpicking-type situations, it would be impossible to anticipate them all. You have to handle them on a case-by-case basis. You have to let the court set the precedent, and from that we will proceed forward."

Representatives Bottiger, Savage and Zimmerman spoke in favor of the amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman as amended by Representative Moon, and Representatives Pardini, Kopet and Flanagan spoke against it.

Mr. Litchman demanded the previous question, and the demand was not sustained.

Representatives Wolf and O'Brien spoke in favor of adoption of the amended amendment, and Representatives Kraabel and Harris spoke against it.

Mr. Bledsoe demanded the previous question, and the demand was sustained.

Mr. Sawyer closed debate, speaking in favor of the amended amendment.

The amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman, as amended by Representative Moon, Substitute House Bill No. 283, was adopted.

Mr. Bauer moved adoption of the following amendment to Substitute House Bill No. 283:

On page 1, following line 16, insert a new section 1 reading as follows:

"NEW SECTION. Section 1. There is added to chapter 87, Laws of 1970 ex. sess. and to chapter 84.34 RCW a new section to read as follows:

(1) Land zoned exclusively for agriculture under a county comprehensive plan shall automatically be eligible for current use assessment without application being required therefor as otherwise provided by this chapter. Such property shall be so assessed upon the owner signing a simple agreement which must be recorded with the county auditor expressing his willingness, upon a zoning change made in the county comprehensive plan, to pay an amount equal to the difference between the amount of taxes actually paid under the current use assessment and the amount which would have been due, if the assessment had been at the fair market value of the property for the five year period immediately preceding the zone change. Any transferee of such property shall incur all obligations of the original owner under this section. No interest or penalties shall apply under this section.

(2) If the owner himself shall request and obtain a zone change from agricultural to some other use, he shall at that time pay to the county treasurer an amount equal to the difference between the amount which he has actually paid in the immediately preceding five year period and the amount which would have been paid at the fair market value of the property as established by the county assessor, under the new zoning classification. No interest or penalties shall apply under this section.

(3) The additional tax, if any, provided by this section shall be extended on the tax roll and shall be a lien on the land to which such additional tax applies as of January 1st of the year for which such additional tax is imposed. Such lien shall have priority as provided in chapter 84.60 RCW: PROVIDED, That for purposes of all periods of limitation of actions specified in Title 84 RCW, the year in which the tax becomes payable shall be as specified in RCW 84.34.100.

(4) The additional tax, if any, provided by this section shall be payable in full on or before April 30th following the date which the treasurer's statement therefor is rendered. Such additional tax when collected shall be distributed by the county treasurer in the same manner in which current taxes applicable to the subject lands are distributed."

Renumber successive sections accordingly.

Representatives Bauer, Moon, Bledsoe and Charnley spoke in favor of the amendment, and Representatives Bottiger, Pardini and Benitz spoke against it.

#### POINT OF INQUIRY

Mr. Bauer yielded to question by Mr. Randall.

Mr. Randall: "It would appear on the reading of this amendment that section 2 really abrogates the intention of House Bill No. 26, the open space legislation, which was passed last time. Would you comment on that?"

Mr. Bauer: "It certainly does have some revision, but because the people that would be involved here have hesitated to sign up under the bill because of the penalties and the interest and the restrictive fees, this would eliminate the fees and eliminate the penalties, and would allow the individual to sign up and pay taxes on his land according to the use to which he is applying the land at the present time. At such time as the zone changes and that use changes, then he is entitled and required to pay the roll back costs. I think this is no more than equitable for the people in agriculture that their land shall be assessed on the basis of what their current use is. It makes the bill a little more acceptable to the people who would sign up under it, if the penalties and the interest and the other prohibitive restrictions to the bill were not there."

Mr. Randall spoke against adoption of the amendment.

The amendment by Mr. Bauer to Substitute House Bill No. 283 was adopted on a rising vote.

**NEW SECTION.** Sec. 3. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.58 RCW a new section to read as follows:

### SECOND READING

SUBSTITUTE HOUSE BILL NO. 283, by Committee on Revenue and Taxation

(Originally sponsored by Representative Flanagan):

Providing an act relating to revenue and taxation.

The House resumed consideration of Substitute House Bill No. 283 on second reading.

Mr. Bottiger moved adoption of the following amendment by Representatives Bottiger, Wolf, Sawyer and Zimmerman:

On page 1, section 1, line 22 after "residence" insert "as used in section 2 of this act"

Mr. Bottiger spoke in favor of adoption of the amendment, and Mr. Julin spoke against it.

The amendment was lost.

#### PARLIAMENTARY INQUIRY

Mr. Pardini: "We have a sheet of amendments entitled 'Amendments Still Pending on Substitute House Bill No. 283' dated 4/12/71. Does that bring us up to date with all the amendments as they were, as of this morning?"

The Speaker: "That is all of them as they were before convening this morning. I call that to the attention of the House. Look for your sheaf of amendments entitled 'Amendments Still Pending on Substitute House Bill No. 283—4/12/71,' and that will give you the amendments to follow, although some of these amendments are presently being withdrawn. We will try to keep you posted on those."

Mr. Randall moved adoption of the following amendment:

On page 1, section 1, line 22 after "dwelling" and before the comma insert "unit whether such unit be separate or part of a multiunit dwelling"

#### PARLIAMENTARY INQUIRY

Mr. Randall: "The reference in the amendment is to page 1, section 1, line 22. There is further reference to the same terminology on page 5, section 6, line 14. The amendment would fit in the same way on that page. I would like to move both positions."

The Speaker: "That comes in a subsequent section. There are numerous intervening amendments. I suggest if the first one passes that you then prepare another floor amendment to that subsequent section."

Representatives Randall and Newhouse spoke in favor of adoption of the amendment, and Representatives Barden and Flanagan spoke against it.

#### POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Moon.

Mr. Moon: "Under the way this bill is presently drafted, without the amendment, would an individual who was residing in a condominium (who owned an individual unit within a condominium) and who was on a very limited income be eligible for tax credits or exemptions?"

Mr. Flanagan: "I think they would if they were below the income level specified and the part of the condominium they occupied could be assessed separately as a separate thing, and if it was owned and occupied by the person asking for the exemption. Under the Constitution they could do that. If it couldn't be determined to be owned and occupied separately, I don't believe they could according to the language as written in the Constitution."

Mr. Moon spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Randall yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. Randall, do you have any idea, or is there any possible way to estimate the amount of revenue that will be lost to local school districts, local communities, if this amendment were to be adopted and put into effect?"

Mr. Randall: "I am trying to recall whether we had a fiscal on that amendment. I think we did and it was minimal. I might refer you to just a quick note by Clyde Rose, who said that the situation to which I referred in the letter that preceded was right, unfortunately. He didn't know what the legislature had in mind when they attached the stipulation, but thought it might have been to prevent homeowners from jockeying rent so they could qualify for an exemption, which is, of course, very stupid because the amount they would lose in rent wouldn't make up for the exemption. They have received a number of complaints, but to date no bills have addressed themselves to this. In his remarks he said, at the same time, that the fiscal impact would be so minimal we could hardly calculate it."

Mr. Pardini: "In their opinion it would be minimal, even though we are talking about

duplexes, three-plexes, four-plexes—everyone of these units qualifying—it would still be minimal?”

Mr. Randall: “Because you have the per capita income level. You see you have the flooring of income that holds the thing down. You can’t get out of line. You have got a three thousand dollar maximum income from any source whatsoever, and that is what puts the cap on it, not the source of the income.”

Representative Pardini spoke against the amendment, and Representatives King and Bottiger spoke in favor of it.

Mr. Randall closed debate, speaking in favor of adoption of the amendment.

The amendment by Mr. Randall was adopted.

Mr. Bottiger moved adoption of the following amendment by Representatives Bottiger, Adams, Marzano, Wojahn, Brouillet and Sawyer:

On page 1, section 1, line 25 strike “1970” and insert “1969”

Mr. Bottiger spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Pardini.

Mr. Pardini: “Mr. Bottiger, is it the intent of this amendment to apply this roll back to 1969 only to those properties which have been valued during that time under the so-called reevaluation program?”

Mr. Bottiger: “Yes, Mr. Pardini, it is the intent of this amendment to apply this only to that pilot program in Pierce County in the Edgemont area.”

Mr. Pardini: “Only in Pierce County? Were there other areas that were under reevaluation during that period of time that would also qualify?”

Mr. Bottiger: “It is not the intent of this amendment to apply to anybody except those groups that would qualify as pilot programs, and to the best of my knowledge no one here has approached me with any other than this one small area in Pierce County.”

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Julin.

Mr. Julin: “Representative Bottiger, line 25 contains ‘1970’ in two places. Do you intend to amend ‘1970’ to ‘1969’ in both places?”

Mr. Bottiger: “Yes, I intended that it apply on line 25 to strike ‘1970’ and insert ‘1969’ on both places.”

Mr. Julin: “Representative Bottiger, then wouldn’t the bill read, with your amendment, that the person who owned the property during 1969, or occupied it in 1969, would have to continue to own it on January 1, 1971, to get the benefit of this act? Wouldn’t that create a hiatus of one year in there so that you wouldn’t accomplish what you are intending to do?”

Mr. Bottiger: “You brought it to my attention and I am going to correct myself. We are referring to the sixty percent increase in the property taxes from 1969 to 1970, and not the phrase where it talks about occupied in 1970. So what I am saying is that I have changed what I said before, and I am referring only to the first 1970 reference on line 25, changing that to ‘1969.’ ”

Mr. Julin: “Then the intent and thrust of your amendment would be that there be a required sixty percent increase in the property taxes over a two-year period, as opposed to a one-year period, as provided by the act originally.”

Mr. Bottiger: “That would be perfectly acceptable, yes.”

Mr. Julin: “And that is also then limited to the area you previously responded to in answering Mr. Pardini’s question?”

Mr. Bottiger: “That is correct.”

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Barden.

Mr. Barden: “Representative Bottiger, if the property taxes on property in south King County, which were revalued in 1969, were revalued sixty percent, could you explain to me how the burden would be any less on those people that live in King County than it would be on those persons living in Pierce County—if they were suffering the same onerous increase in property taxes?”

Mr. Bottiger: “Mr. Barden, as far as I know there was no area in south King County that was reappraised as a result of this reappraisal program. As far as I know, the only place that this applied was in the Edgemont area. What we are saying is that if the property tax is

increased, as a result of this program, from 1969 through 1971, as Representative Julin has mentioned, these people would get the same advantage as the rest of us who got caught in 1970."

#### PARLIAMENTARY INQUIRY

Mr. Barden: "I am trying to determine whether to support or oppose this amendment, Mr. Speaker, and I wonder if this question and answer session between Representative Pardini and Representative Bottiger would preclude people in King County or other places in the state who suffered this excruciating increase in property taxes by virtue of reevaluation—if they would be precluded from seeking solace under this amendment."

The Speaker: "I don't think we have a House rule that covers that situation, Representative Barden, I am afraid I can't help you."

Mr. Kiskaddon spoke against adoption of the amendment by Representative Bottiger and others to Substitute House Bill No. 283.

#### POINT OF INQUIRY

Mr. Kiskaddon yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. Kiskaddon, if I followed your argument, would it then be assumed that from 1969, if there were a vacant piece of land and a single family residence were built on that vacant piece of land, thereby causing the taxes to increase by more than sixty percent via the improvements, that all of these would fall in that category of being exempt under this act?"

Mr. Kiskaddon: "This is the way I would read this section at this time—that this would be the way that it would work. I would expect it to be, percentage-wise in that category, so few that any administrative procedure (and remember, we are only deferring taxes here) so that I think the rationale behind allowing it to be universal in its application—that the administrative costs of doing otherwise would be so great that it would be worth taking these houses with new construction on them, in this last year especially with a minimum of new construction—that it is legitimate in this area. But if we did go back another year, I think we could create some real problems."

Representatives Pardini, Flanagan and Bledsoe spoke against adoption of the amendment.

The amendment by Representatives Bottiger, Adams, Marzano, Wojahn, Brouillet and Sawyer was not adopted.

Mr. Litchman moved adoption of the following amendment by Representatives Litchman, Barden, Perry and Hoggins:

On page 2, section 1, subsection 3, line 6 strike "four" and insert "six"

Representatives Litchman, Hoggins, Barden and Perry spoke in favor of the adoption of the amendment, and Representative Flanagan spoke against it.

The amendment by Representatives Litchman and others was adopted.

#### MOTION

On motion of Mr. Bledsoe, the House recessed until 2:30 p.m.

#### AFTERNOON SESSION

The Speaker called the House to order at 2:30 p.m. The Clerk called the roll and all members were present except Representative Luders who was excused.

#### SECOND READING

SUBSTITUTE HOUSE BILL NO. 283, by Committee on Revenue and Taxation (Originally sponsored by Representative Flanagan):

Providing an act relating to revenue and taxation.

The House resumed consideration of Substitute House Bill No. 283 on second reading.

Mrs. North moved adoption of the following amendment by Representatives North, Flanagan, Brouillet and Charnley:

On page 2, line 19 add a new section to read as follows:

**"NEW SECTION.** Sec. 4. Any portion of the first half real property taxes otherwise due and payable on or before April 30, 1971, which, as allowed by and in accordance with the terms of a supreme court temporary injunction or restraining order, is paid after April 30, 1971 but before October 31, 1971, shall be deemed to have been paid prior to April 30, 1971, for purposes of the delinquency interest or penalty provisions of RCW 84.56.020."

Remember the remaining sections consecutively

Mrs. North spoke in favor of adoption of the amendment.

#### POINT OF INQUIRY

Mrs. North yielded to question by Mr. Newhouse.

Mr. Newhouse: "Mrs. North, if Senator Dore got these people into a box or a trap, shouldn't Senator Dore get these people out the trap door?"

Mrs. North: "I think that is an excellent suggestion, Representative Newhouse, but no one seems to have thought of this difficulty, and therefore this amendment is offered to you. It will affect the people of the 44th and part of the 45th Districts. They very much need your help in this."

Mr. Charette spoke against adoption of the amendment, and Mrs. North spoke again in favor of the amendment.

Representatives Perry, Bottiger and Julin spoke in favor of adoption of the amendment, and Representative Wojahn spoke against it.

The amendment by Representatives North, Flanagan, Brouillet and Charnley was adopted on a rising vote.

Mr. Bottiger moved adoption of the following amendment by Representatives Bottiger, Wolf, Sawyer and Zimmerman:

On page 3, section 4, line 13 after "disability" insert " PROVIDED, That any person who qualifies under this subsection shall be entitled to transfer their exemption to a newly acquired residence"

Mr. Bottiger spoke in favor of adoption of the amendment.

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Julin.

Mr. Julin: "Representative Bottiger, calling your attention to lines 21 and 22 on page 2, it seems to me that this portion of the act is dealing with taxes due and payable in 1972. Therefore, I do not understand how the ability to transfer exemption to a residence would be of any significant application."

Mr. Bottiger: "Representative Julin, maybe I didn't explain the problem well enough. If right now you qualify, and you are entitled to the exemption on the taxes you pay in 1971, and then this coming November you sell that large house (you are an elderly person, under \$4,000, otherwise able to qualify)—in November or December you sell the house and move into a new house. You can't qualify for the new house unless you have been (somebody said 'don't call it the Newhouse amendment')—you can't qualify for the new residence exemption unless you have been a resident when you apply for a year. That won't be possible since you have got to apply by October 31—I used November. So if you sold in September, you moved into the new residence in September, you can't qualify in October because you haven't been there a year. What I am saying is if you qualified before, you take that qualification with you to the new residence you move into."

Mr. Julin: "Well, Representative Bottiger, again this particular section of the bill is only dealing with taxes that are due and payable in 1972. And it seems to me that the qualifications for the exemption as set out in section 4 are only dealing with those taxes due in that particular year as to a particular residence and with income qualifications as provided for in the act. I simply do not see how you have an exemption that can be transferable because you are talking about property taxes due in 1972 on a particular residence."

Mr. Bottiger: "Mr. Julin, the property taxes are payable in 1972 but they are the 1971 taxes. The assessment that was made—if my next door neighbor were to sell her large house and move into a smaller home right now, then when she goes to apply in October for her exemption, the question is asked, 'have you been a resident of that house for a year?' And the answer has to be 'no.' She has been a resident for three years. She was qualified last year for the \$50, but she isn't in that new house for that year."

Mr. Pardini spoke in favor of adoption of the amendment.

The amendment by Representatives Bottiger, Wolf, Sawyer and Zimmerman was adopted.

Mr. Bottiger moved adoption of the following amendment by Representatives Bottiger, Wolf, Sawyer, Zimmerman and Williams:

On page 3, section 4, line 14 strike subsection (4)  
 Renumber the remaining subsection.

Mr. Bottiger spoke in favor of the amendment, and Mr. Flanagan spoke against it.

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Wolf.

Mr. Wolf: "Mr. Bottiger, is it not true that we had a conference on this recently with the Department of Revenue, and it was our contention that subsection (3) went to the retired, and that subsection (5), for all practical purposes, talked about combined income? And if we leave subsection (4) in there, we actually are gutting the exemptions because they couldn't earn in one subsection and in the next one they could earn? Isn't that the reason for striking subsection (4)?"

Mr. Bottiger: "Mr. Wolf, I have had so many conferences with the Department of Revenue that I am sure it has come up at one time or another. I talked with Mr. Burrows about this, and he acknowledged that a literal reading of subsection (4) would limit some people to twenty-six hundred dollars. Subsection (3) defines retired. Subsection (5) is the maximum income from all sources. Subsection (4) is the special thing for people drawing social security. They are the only ones it would apply to. For that reason it doesn't make sense to leave it in."

Mr. Julin spoke against adoption of the amendment.

The amendment by Representatives Bottiger, Wolf, Sawyer, Zimmerman and Williams was not adopted.

Mr. Randall moved adoption of the following amendment:

On page 4, section 5, line 25 after "act" and before the period insert "": PROVIDED, HOWEVER, That this subsection shall not apply to income received from an occupant of the residence of the person claiming the exemption who is making payments as a sharing of the expenses of maintaining the residence or is otherwise paying rent not in excess of one hundred dollars per month"

Representative Randall spoke in favor of adoption of the amendment, and Representatives Julin and Flanagan spoke against it.

The amendment by Mr. Randall was not adopted.

Mr. Kiskaddon moved adoption of the following amendment:

On page 4, section 5, line 30 after "schedule:" strike everything down to and including "or" on page 5, line 4 and insert the following:

"Income Range	Percentage of Excess Levies Exemption
\$4,000 or less	One hundred percent
\$4,001-\$4,666	Seventy-five percent
\$4,667-\$5,333	Fifty percent
\$5,334-\$6,000	Twenty-five percent

PROVIDED, HOWEVER, That a person within the income range of \$4,000 or"

Mr. Kiskaddon spoke in favor of adoption of the amendment.

#### POINT OF INQUIRY

Mr. Kiskaddon yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. Kiskaddon, would you give me the fiscal impact on this again?"

Mr. Kiskaddon: "Yes, the special levies to be shifted under the provisions of the bill, the way they are written for 1972, are 5.7 million dollars. From 1973 and on, according to this schedule, it would be 6.4 million dollars. Without the change, the total amount of special levies to be shifted, the way the bill is written, it would have dropped from 5.7 to 5.2 million dollars."

Mr. Pardini: "Do I understand you correctly that for the one thousand dollar increase in exemption, from the three thousand to the four thousand dollars, that we would only raise the fiscal impact of this seven hundred thousand dollars statewide on special levies?"

Mr. Kiskaddon: "Yes, because we already have in the 1972 bill—this is based on what it is in the bill now for 1972. There is actually a savings to local government by going from the fifty dollar exemption we have now because more of it is in special levies that is shifted. I do

not have the figure of the difference between the—well, O.K. the fifty dollar exemption now is 2 million dollars, and the total of the relief now—from going from the fifty dollar exemption up to the total relief of the 1972 provision, it went from 2 million to 6.7 million. The amendment would change that total relief from 6.7 million to 7.4 million dollars, of which most of that is special levy relief money.”

Mr. Pardini spoke against adoption of the amendment, and Mr. King spoke in favor of it.

The amendment by Mr. Kiskaddon was adopted.

On motion of Mr. Randall, the following amendment was adopted:

On page 5, section 6, line 14 after “dwelling” and before the comma insert “unit whether such unit be separate or part of a multiunit dwelling”

Mr. Bottiger moved adoption of the following amendment by Representatives Bottiger, Wolf, Sawyer and Zimmerman:

On page 5, section 6, line 30 after “Holder” insert “or by the owner”

Representatives Bottiger and Pardini spoke in favor of the amendment.

The amendment was adopted.

Mr. Mentor moved adoption of the following amendment:

On page 6, section 8, line 27 beginning with “During” strike the remainder of the sentence through “data.” on line 30

Representative Mentor spoke in favor of adoption of the amendment, and Representatives Kiskaddon, Flanagan and Bottiger spoke against it.

Mr. Mentor spoke again in favor of the amendment.

Mr. Hoggins spoke in favor of the amendment by Mr. Mentor, and Mr. Douthwaite spoke against it.

The amendment by Mr. Mentor to Substitute House Bill No. 283 was not adopted.

Mr. Bottiger moved adoption of the following amendment by Representatives Bottiger and Sawyer:

On page 7, section 9, line 27 after “ratio” and before “by” insert “or on those properties revalued in the same assessment year”

Representatives Bottiger and Wolf spoke in favor of adoption of the amendment, and Representatives Flanagan, Kiskaddon and Bledsoe spoke against it.

The amendment by Representatives Bottiger and Sawyer was not adopted.

#### MOTION

Mr. Charette moved that the rules be suspended and that the House not consider any more amendments to Substitute House Bill No. 283 after 3:50 p.m. today unless they are placed on the desk by that time.

#### SPEAKER'S INQUIRY

The Speaker: “Is your motion to limit the time for putting amendments on the desk, or limiting the time to consider this bill, Mr. Charette?”

Mr. Charette: “It is my intention, by my motion, to only consider those amendments that are on the desk by 3:50 today.”

The Speaker: “What rule are you suspending, Mr. Charette?”

Mr. Charette: “The House rule that requires the House to consider any amendment that is put on the desk prior to the time that section of the bill is read.”

The Speaker placed Mr. Charette's motion.

Mr. Charette: “Mr. Speaker, with the consent of the House, I would like to have that motion read to suspend the rules, unless they were submitted by 4:00. We have already gone by the 3:50 time.”

The Speaker placed the motion as amended.

## POINT OF ORDER

Mr. O'Brien: "My point of order, Mr. Speaker, is that it appears this is in violation of House Rule No. 28. It comes apparently in the prerogative of amendments to rules; therefore it should be given one day's notice. I am primarily concerned about it, Mr. Speaker, because if you set some sort of precedent like he is offering today (as Mr. Charette is presenting to you) that from now on someone could possibly get on the floor of the House—probably his patience has expired and he is tired and maybe wants to go home—and he can offer a suspension of the rules on other occasions to limit the offering of amendments. When you do that, of course, you are actually violating the rights of members by arbitrarily setting deadlines of when amendments can be offered. If something like this should occur, it just appears to me that it should be an amendment to the rules with one day's notice given."

## RULING BY THE SPEAKER

The Speaker: "Your arguments against the motion are excellent, but your point is not well taken that it is an actual amendment to the House rules. The motion was so phrased to apply to one situation, one bill, and one time only."

Representative Charette spoke in favor of the motion, and Representatives Bledsoe and Beck spoke against it.

The motion by Mr. Charette was lost.

The Clerk read the following amendment by Mr. Benitz:

On page 7, section 9, line 28 after "ratio." strike everything beginning with "For" down through "payable." on line 33

## POINT OF INQUIRY

Mr. Mentor: "Haven't we passed this section already?"

The Speaker: "No."

Mr. Mentor: "I thought, Mr. Speaker, we had already gone down past amendment No. 19 to about No. 20."

The Speaker: "No, we didn't consider amendment No. 19 because Mr. Bottiger withdrew it, so we did not get that far on the bill. That was in view of the failure of his amendment on page 7, line 27. So this one comes next."

Mr. Benitz moved adoption of the amendment and spoke in favor of the amendment.

## POINT OF INQUIRY

Mr. Benitz yielded to question by Mr. Julin.

Mr. Julin: "So that we might know what we are comparing it with, could you tell me what the present practice is that would accomplish the adjustments?"

Mr. Benitz: "The present practice is that the assessor's rolls and the treasurer's rolls must always be in balance. This is very necessary, and if you adopt the language as stated here, then they would not be in balance and you would be in lieu of for the assessor in allowing the treasurer to do that which he cannot do legally, because, after all, the taxes are based on the assessed valuation times the levy ratio."

Representatives Julin, Mentor and Bledsoe spoke against adoption of the amendment by Mr. Benitz.

## POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Benitz.

Mr. Benitz: "Representative Julin, if this language stands as it is now, then how will the county treasurer, as it states here, adjust the amount of taxes without the county assessor adjusting his tax roll?"

Mr. Julin: "I guess the honest answer is, I don't know."

Representatives Flanagan and Pardini spoke against adoption of the amendment.

Mr. Benitz closed debate, speaking in favor of the amendment.

The amendment by Mr. Benitz to Substitute House Bill No. 283 was not adopted.

Mr. Bottiger moved adoption of the following amendment by Representatives Bottiger, Wolf, Sawyer and Zimmerman:

On page 9, section 10, after line 8, insert the following:

*"The regulations of the department shall require the assessor, in determining comparable sales to discount any sale on contract or by note or mortgage by not less than the existing discount rates for similar contracts or notes secured by mortgages in the commercial market and shall prohibit the use by assessors of sales involving deed releases or similar seller developer financing arrangements as comparable sales for tax assessment purposes."*

Representatives Bottiger, Mentor, Wolf and Sawyer spoke in favor of adoption of the amendment, and Representatives Julin, Flanagan and Pardini spoke against it.

Mr. Bottiger spoke again in favor of the amendment, and Mr. Kuehnle spoke against it.

Mr. Mentor spoke again in favor of the amendment by Representatives Bottiger and others, and Mr. Flanagan spoke again in opposition to it.

The amendment by Representatives Bottiger, Wolf, Sawyer and Zimmerman was adopted on a rising vote.

Mr. Bottiger moved adoption of the following amendment by Representatives Bottiger, Perry, Wolf and Zimmerman:

On page 9, section 10, line 8 add a new paragraph to read as follows:

*"Each county treasurer shall report annually on January 2, to the department of revenue, the legislative budget committee and to the press the amount of the property tax revenue for the previous year, the current year and the proposed budget for the ensuing years for each unit of local government within their county. Said report shall indicate the number of dollars available to the unit of local government and the percentage of increase or decrease over previous year. School districts reports shall indicate the total dollars received from both state support and local property tax revenues."*

Representatives Bottiger and Flanagan spoke in favor of adoption of the amendment.

The amendment by Representatives Bottiger, Perry, Wolf and Zimmerman was adopted.

Mr. Hoggins moved adoption of the following amendment:

On page 9, section 11, line 28 after "approved," insert the following: "For the purposes of the school equalization formula the indicated county ratio as determined by the department of revenue shall not be used to determine the amount of local revenue available to school districts. Actual property tax collections shall be considered the amount of local revenue available to school districts."

Mr. Hoggins spoke in favor of the amendment, and Mr. Flanagan spoke against it.

## POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Kopet.

Mr. Kopet: "What does this do to the fifteen percent leeway money that local districts have the advantage of if they happen to collect the full amount of the assumed money?"

Mr. Hoggins: "Mr. Kopet, in House Bill No. 151, which this House passed, the fifteen percent leeway money is allowed for the first year of the biennium, and it reduces the amount of leeway money to ten percent in the second year of the biennium, thereby increasing the need for local school districts to ask for increased special levies. Does that answer your question?"

Mr. Kopet: "No."

Mr. Hoggins: "Mr. Kopet, I would have to get out House Bill No. 151, but if you look in the provisos, it is under the school equalization formula. It sets the amount, how this money will be distributed and we also had a bill in the Revenue and Taxation Committee (I am not sure if it has been reported out yet) that changes the school equalization formula. How we balance the budget in the coming biennium is by taking away five percent of the leeway money for the second year of the biennium."

Mr. Kopet: "I am aware what House Bill No. 151 does, probably as well as anybody here in the House, but I am asking you what this amendment does. Does this do anything with the leeway money that we are talking about? When you say actual value of assessed property, then we are to assume that what they collect—that entire amount then—is used as a deficit against the apportionment."

Mr. Hoggins: "This amendment does not change the school district formula. It just says that for school equalization formula, the amount of revenue that is actually collected will be considered local revenue, not the amount that we assume will be collected or that we hope will be collected."

Mr. Kopet: "All right now, if this actual amount of money that is collected—then does

the fifteen percent leeway money one year, and the ten percent the next year still come into effect on the amount that is actually collected?"

Mr. Hoggins: "Yes, assuming that we pass the bill that Representative Flanagan has in his committee."

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Bottiger.

Mr. Bottiger: "Representative Hoggins, out in the areas that have been totally reassessed because of the county indicated ratio formula, we get a deduction. Taking the Bethel School District, while we are assessed at fifty percent (appraised at one hundred percent and assessed at fifty percent) since the rest of the county is only at forty percent, we get a deduction off of our indicated ratio formula, so that we pay at fifty percent. When we go out to make up the assumed money we pay the extra levies at fifty percent. Now is your amendment, as worded, directed to say that the Bethel School District, since it is already paying at the full fifty percent, does not get deducted because the rest of the county is not?"

Mr. Hoggins: "Absolutely. Not only Bethel, but Clark County for years has been near the highest indicated ratio. Counties like this and school districts like Bethel, who are near what the proper assessment should be, will not be penalized but will be helped by this amendment."

Representative Brouillet spoke in favor of adoption of the amendment.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Julin.

Mr. Julin: "Representative Hoggins, you have discussed the matter of assumed money. I believe there is another assumption that is contained in the school formula. I wonder whether you would feel the same about the assumed students that are in the school formula as a result of the weighting factor?"

Mr. Hoggins: "Representative Julin, I believe that the current practice of the Superintendent of Public Instruction and the intent of the law we have for distributing money to school districts is on actual enrollment. We have a payment schedule, month by month, by which school districts get their money on the basis of enrollment. This amendment does not seek to change that. It is true in preliminary budgets they make an estimate about what their enrollment will be in the fall. But school districts are reimbursed, at least for the state's share of their money, on actual enrollment."

Mr. Julin: "My reference to assumed students really deals with the so-called per pupil guarantee, referred to generally during this session as three hundred sixty-five dollars per student. Now, in fact, I believe and I would ask you if I am not correct in this, that the amount of three hundred sixty-five dollars per student is based on some assumed students, not actual students attending the public school system."

Mr. Hoggins: "Based on assumed weighted students, it is true. And, you understand also, the problem that occurs in school finance is if our enrollments do up in the biennium, the Superintendent of Public Instruction is under the obligation to reduce the per pupil guarantee. He always has an opportunity, if the enrollments are less, to increase it, but you realize the flak that occurred when this was done a year or so ago, and the measures we took to keep this from happening in House Bill No. 151."

Representatives Julin and Newhouse spoke against adoption of the amendment by Mr. Hoggins to Substitute House Bill No. 283.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Hoggins, let's assume that you are right and say that through your amendment we will reduce the per pupil guarantee by twenty-one dollars per pupil—in other words, down to three hundred forty-four dollars per pupil. Then we take, for instance (I don't have the right ratios, because I don't have the data sheet with me) but let's say Yakima County is assessing at 28 percent of true and fair value, and King County is assessing at 45 percent. Then we get to the point where you make the distribution of state funds. You subtract 85 percent of the property tax from the per pupil guarantee. Then, of course, Yakima County is going to receive quite a lot more dollars than King County. Actually, if I was thinking only of my own county, I would be all for you on this amendment. But I really don't think that you are accomplishing what you want to. I think you are distorting this formula and creating a situation pretty much the opposite of what you want."

Mr. Hoggins: "Absolutely not. The purpose of this amendment is not to reward assessors, but to keep from penalizing school districts—to keep from increasing special levies.

When we pump assumed money into a formula, all we really do is increase the demand for increasing special levies. Now the question of where the twenty-one million dollars came from—I got this figure from you, Mr. Flanagan. It takes approximately one million dollars to raise the per pupil guarantee one dollar. That is exactly where it comes from. So the purpose of my amendment is to make sure we get real money to school districts—not Monopoly money or phony money, and to make sure that we don't, by inaction and inadvertence, or maybe on purpose, cause special levies to increase in school districts."

Representatives Randall and Bledsoe spoke against adoption of the amendment by Mr. Hoggins to Substitute House Bill No. 283, and Representative Bottiger spoke in favor of the amendment.

Representative Randall spoke again in opposition to the amendment.

The amendment by Mr. Hoggins was adopted on a rising vote.

Mr. Bottiger moved adoption of the following amendment by Representatives Bottiger, Wolf, Sawyer and Zimmerman:

On page 10, section 12, line 7 strike "thirty-three and one-third" and insert "twenty-five"

Representatives Bottiger and Wolf spoke in favor of adoption of the amendment, and Representatives Flanagan and Kiskaddon spoke against it.

#### POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Beck.

Mr. Beck: "Do you think this bill will pass?"

Mr. Wolf: "Mr. Beck, in answer to your question, I am very thrilled with the action that the House of Representatives has taken in the four days of considering property taxation. I think they have been eighty years coming to this point. I believe some compromise, or some solution, to the inequitable tax base, called property taxation, will pass this legislature. I, for one, say it has been too long coming."

The amendment by Representatives Bottiger, Wolf, Sawyer and Zimmerman to Substitute House Bill No. 283 was adopted.

#### MOTION

Mr. Bledsoe moved that HOUSE BILL NO. 461 be placed at the top of the second reading calendar.

Representatives Bledsoe and Chatalas spoke in favor of the motion.

The motion was carried.

#### SECOND READING

HOUSE BILL NO. 461, by Representatives Ceccarelli, Kuehne and Flanagan (by Departmental request):

Changing deposit procedures, due date, and penalty provision as to excise taxes.

#### MOTION

On motion of Mr. Bledsoe, Substitute House Bill No. 461 was substituted for House Bill No. 461, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 461 was read the second time.

Mr. Bluechel moved adoption of the following amendment by Representatives Bluechel, Bledsoe, Wolf and Cunningham:

On page 1, section 1, line 12 after "by the" and before "day of" strike "[last] *twenty-fifth*" and insert "*last*"

Representatives Bluechel, O'Brien and Chatalas spoke in favor of the amendment.

The amendment was adopted.

Mr. Cunningham moved adoption of the following amendment:

On page 1, section 1, line 13 after "a penalty of" strike "[two] *five*" and insert "*two*"

Mr. Cunningham spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Ceccarelli.

Mr. Ceccarelli: "I know that in committee we raised this penalty from two percent to five percent because it was felt that with the two percent penalty it wasn't great enough and the businesses would just go on and not pay the tax and accept the penalty. We felt that the five percent was necessary in order to get them to pay the tax on an accrual basis so that we could have the money to balance the budget. Do you have any comment on this amendment that would bring it back to two percent?"

Mr. Flanagan: "Representative Ceccarelli, the way I remember it, the five percent was part of the bill—I don't think it was an amendment. The purpose of increasing the penalties was to bring about collection sooner so that when you change the date you did actually bring more revenue back into that month. With these amendments, I'm not sure what the revenue effect will be. The original bill, without the amendments, would have had the effect of bringing about \$45 million back into this biennium of additional revenue to help balance the budget, and about \$9 million more back into the next biennium. Now with these amendments, I haven't had an opportunity to get any determination as to what the effect will be on the revenue."

The amendment by Mr. Cunningham to Substitute House Bill No. 461 was lost on a rising vote.

### MESSAGE FROM THE GOVERNOR

Office of the Governor, April 12, 1971.

TO THE HONORABLE, THE HOUSE OF REPRESENTATIVES OF THE STATE OF WASHINGTON.

LADIES AND GENTLEMEN:

I return herewith without my approval as to one item, ENGROSSED HOUSE BILL NO. 166, entitled:

"An Act relating to revenue and taxation; and adding a new section to chapter 4, Laws of 1963 and to chapter 36.21 RCW."

This bill adopts qualifications for persons engaged in the assessment of real property for purposes of taxation. The bill as originally drafted granted an exemption from the qualification provisions for persons who had attended and satisfactorily completed an assessor's school operated jointly by the Department of Personnel and the Washington State Assessor's Association. In fact, this school is operated jointly by the Assessor's Association and the Department of Revenue.

I have vetoed from the bill that language relating to the assessor's school in this erroneous fashion. I urge the Legislature to cure this defect in the language of the bill by adopting new legislation which would exempt from the qualification provisions imposed by this bill persons who have completed the assessor's school operated jointly by the Department of Revenue and the Washington State Assessor's Association.

With the exception of the item referred to above, the remainder of the bill is approved.

Respectfully submitted,

DANIEL J. EVANS  
Governor.

### MOTIONS

On motion of Mr. Bottiger, Engrossed House Bill No. 166 with the Governor's partial veto message was ordered transmitted immediately to the Secretary of State.

On motion of Mr. Morrison, the House advanced to the ninth order of business.

### SECOND READING

SUBSTITUTE HOUSE BILL NO. 283, by Committee on Revenue and Taxation (Originally sponsored by Representative Flanagan):

Providing an act relating to revenue and taxation.

The House resumed consideration of Substitute House Bill No. 283 on second reading.

Mr. Flanagan moved adoption of the following amendment:

On page 11, line 1 after "county." add "The costs and expenses of the public tax defender shall be shared by all local government organizations within the county. The county treasurer shall deduct from the tax receipts for each local government a proportionate amount of the costs and expenses of the public tax defender in direct

proportion to the ratio of property tax levied on behalf of each local government each year."

Mr. Flanagan spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Brouillet.

Mr. Brouillet: "This amount of money would be levied on the amount of taxes collected in the name of the local taxing district? Is that correct?"

Mr. Flanagan: "Yes, the way I understand the amendment, you would split the proportions according to the ratio that each district shares in the tax revenue."

Mr. Brouillet: "Then the school districts would pay the largest share, even though they get very little out of this local apportionment?"

Mr. Flanagan: "Not the way I read it, no. . . . proportionate amount of the costs and expenses—schools get six mills and cities get seven and one-half."

Mr. Brouillet: "There are special levies involved too."

Mr. Flanagan: "I thought it was based on the distribution of regular property taxes, but maybe that's not quite clear enough."

Mr. Brouillet spoke against adoption of the amendment.

#### POINT OF INQUIRY

Mr. Brouillet yielded to question by Mr. Hoggins.

Mr. Hoggins: "I take it from your remarks this would have the effect of increasing the size of special levies. Would this be true?"

Mr. Brouillet: "I am sure it would be, Mr. Hoggins, because again you are going to collect money from them on the basis of phony money—assumed money—this type of thing. You are going to collect money on the basis of money they don't get; therefore you are going to force them back to more special levies, which lets them have more to pay the public tax defender. It is a vicious circle."

Representatives Kiskaddon and Julin spoke in favor of the amendment.

The amendment by Mr. Flanagan was adopted.

Mr. Hubbard moved adoption of the following amendment:

On page 11, section 13, line 1 after "county," insert "Any taxpayer whose property is of greater value than twenty-five thousand dollars shall be entitled to employ their own attorney at county expense with the reasonable fee of said attorney to be fixed by the superior court of said county."

Mr. Hubbard spoke in favor of the amendment, and Mr. Charette spoke against it.

The amendment by Mr. Hubbard to Substitute House Bill No. 283 was not adopted.

Mr. Litchman moved adoption of the following amendment by Representatives Litchman, Barden, Perry, Mentor, Merrill, Chatalas and Bagnariol:

On page 11, after line 1, insert a new section as follows:

"Sec. 14. Section 3, chapter 55, Laws of 1970 ex. sess. and RCW 84.48.014 are each amended to read as follows:

The board of equalization of each county shall consist of not less than three nor more than seven members, *all of whom shall be real estate brokers, real estate salesmen, real estate appraisers or real estate lending officers.* Such members shall be appointed by a majority of the board of county commissioners or like other county governmental authority, and shall be selected for their knowledge of the values of property in the county and shall not be a holder of any elective office nor be an employee of any elected official: PROVIDED, HOWEVER, The county commissioners may themselves constitute the board at their discretion."

Mr. Litchman spoke in favor of the amendment.

Mr. Mentor spoke in favor of the amendment to the amendment.

At the request of Mr. Kiskaddon, the Speaker instructed the Clerk to reread the amendment to the amendment.

Representatives Kiskaddon, Haussler and Amen spoke against the amendment to the amendment.

The amendment by Mr. Mentor to the amendment by Representative Litchman and others was not adopted.

The Speaker stated the question before the House to be the amendment by Representatives Litchman, Barden, Perry, Mentor, Merrill, Chatalas and Bagnariol.

Representatives Wolf and Newhouse spoke against the amendment.

The amendment by Representative Litchman and others was not adopted.

Mr. Wolf moved adoption of the following amendment:

On page 11, section 14, line 11 following "basis" insert "": PROVIDED, That as to counties of the third class and above the costs and expenses of the public tax defender shall be shared by all local government organizations within the county. The county treasurer shall deduct from the tax receipts for each local government a proportionate amount of the costs and expenses of the public tax defender in direct proportion to the ratio of regular property tax levied on behalf of each local government each year."

Mr. Mentor moved adoption of the following amendment to the amendment by Mr. Wolf:

In the House amendment by Representative Wolf to page 11, section 14, line 11 after "PROVIDED, That" insert "each county of the third class and above shall appoint a public tax defender, and"

Mr. Mentor spoke in favor of the amendment to the amendment.

The amendment by Mr. Mentor to the amendment by Mr. Wolf was not adopted.

The Speaker stated the question before the House to be the amendment by Mr. Wolf.

Mr. Wolf spoke in favor of the amendment.

The amendment was adopted.

Mr. Sawyer moved adoption of the following amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman:

On page 11, following section 14, insert new sections 15 and 16 to read as follows:

*NEW SECTION.* Sec. 15. In any administrative or judicial proceeding presently pending or arising from the property revaluation under the provisions of section 4, chapter 282, Laws of 1969 ex. sess., and section 1, chapter 95, Laws of 1970 ex. sess., the provisions of sections 1 and 13 of this act will apply.

*NEW SECTION.* Sec. 16. Notwithstanding the provision of RCW 84.68.020, any person may bring an action to recover excessive taxes paid, when such taxes are excessive as a result of revaluation under the provisions of section 4, chapter 282, Laws of 1969 ex. sess. or section 1, chapter 95, Laws of 1970 ex. sess., regardless of whether the taxes in question were paid under protest."

Renumber the remaining sections consecutively.

#### MOTION

Mr. Kuehnle moved that the question be divided.

Mr. Kuehnle spoke in favor of the motion.

The motion was carried.

The Speaker stated the question before the House to be the first half of the amendment inserting a new section 15.

Representatives Sawyer and Bottiger spoke in favor of the amendment, and Representatives Kuehnle and Julin spoke against it.

Mr. Sawyer spoke again in favor of the amendment, and Mr. Julin spoke again in opposition to it.

The first half of the divided amendment was adopted on a rising vote.

The Speaker stated the question before the House to be the second half of the divided amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman inserting a new section 16.

Mr. Julin moved adoption of the following amendment to the amendment:

Amend the amendment to page 11 which would add new sections 15 and 16 by striking from proposed new section 16, beginning on line 2 "when such taxes are excessive as a result of revaluation under the provisions of section 4, chapter 282, Laws of 1969, ex. sess. or section 1, chapter 95, Laws of 1970 ex. sess."

Mr. Julin spoke in favor of the amendment to the amendment, and Mr. Sawyer spoke against it.

The amendment by Mr. Julin to the amendment was lost.

Mr. Sawyer spoke in favor of the second half of the divided amendment.

#### POINT OF INQUIRY

Mr. Sawyer yielded to question by Mr. Newhouse.

Mr. Newhouse: "Mr. Sawyer, I notice your amendment says 'excessive taxes paid.' I wonder who determines when they are excessive and this section would take over. It would seem to me to be an impossible situation for anyone to determine ahead of time when they are excessive."

Mr. Sawyer: "If your assessment was declared excessive, then your taxes would be excessive, whether this took place at an administrative or judicial hearing. The determination would be made by the reviewing body."

The second half of the divided amendment, new section 16, was adopted.

Mr. Litchman moved adoption of the following amendment by Representatives Litchman, Perry, Bagnariol, Williams, O'Brien, Conner, Gallagher, Merrill, Charnley, Lysen, McDermott, Chatalas, Bradley, Ceccarelli, Rosellini, Douthwaite and Kirk:

On page 11, after section 14 insert as follows:

**NEW SECTION.** Sec. 15. The legislature finds that certain plans of revaluation adopted pursuant to the provisions of section 4, chapter 282, Laws of 1969 ex. sess. and section 1, chapter 95, Laws of 1970 ex. sess. seriously discriminate against certain taxpayers in this state and for this reason all valuations resulting from such plans of revaluation should be declared invalid until such time as uniformity can be established in regard to the taxation of real estate within the territorial limits of the authority levying the tax as required by Article VII, section 1 of the Constitution of this state. It is the purpose of this act to provide for the uniform taxation of all taxable property subject to such plans of revaluation.

**NEW SECTION.** Sec. 16. Any plan of revaluation adopted pursuant to the provisions of section 4, chapter 282, Laws of 1969 ex. sess. and section 1, chapter 95, Laws of 1970 ex. sess. by any county and approved by the department of revenue shall provide for revaluation of taxable property in a random manner determined by lot so that during the four-year period of revaluation, property is revalued in a uniform manner throughout the entire county and is not confined to any specific geographic area of the county. Any such plans of revaluation based on a different manner of revaluation are hereby declared void and of no effect. Any taxes levied on valuations made under such plans shall be relieved to reflect the intent of this act and shall be based on the assessed valuation provided for in section 3 of this act. No taxpayer shall be required to pay that portion of any taxes on his taxable property which results directly from the use of a plan of revaluation declared void under the provisions of this section.

**NEW SECTION.** Sec. 17. In lieu of using the valuation resulting from an invalid plan of revaluation, the assessed valuation which existed immediately prior to such revaluation shall be used and entered on the assessment list and tax roll except such assessed valuation may be adjusted to reflect an assessed valuation based on fifty percent of true and fair value in cases where a percentage lesser than fifty percent was used in such previous determination of assessed valuation. In no case shall "value" be interpreted to mean value as derived from a plan of revaluation declared void under the provisions of this act.

**NEW SECTION.** Sec. 18. The payment of taxes, the levy of which is affected by the provisions of this act, shall be deemed delinquent when late payment is caused by the operative effect of this act.

**NEW SECTION.** Sec. 19. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

Remember the remaining section consecutively.

The amendment by Representatives Litchman, Perry, Bagnariol, Williams, O'Brien, Conner, Gallagher, Merrill, Charnley, Lysen, McDermott, Chatalas, Bradley, Ceccarelli, Rosellini, Douthwaite and Kirk was lost on a rising vote.

SIDNEY R. SNYDER, Secretary.

April 13, 1971.

Mr. Speaker: The Senate has concurred in the House amendments to ENGROSSED SENATE BILL NO. 394, except amendment to page 2, section 3, line 6, from which the House receded, and has passed the bill as amended by the House.

### INTRODUCTION AND FIRST READING

SENATE CONCURRENT RESOLUTION NO. 20, by Senators Metcalf, Francis and Peterson (Lowell):

Authorizing a study of the protection of animals.

Referred to Committee on Natural Resources and Ecology.

### SECOND READING

SUBSTITUTE HOUSE BILL NO. 283, by Committee on Revenue and Taxation (Originally sponsored by Representative Flanagan):

Providing an act relating to revenue and taxation.

The House resumed consideration of Substitute House Bill No. 283 on second reading.

Mrs. Hurley moved adoption of the following amendment:

On page 11, following section 14, insert the following new section:

"NEW SECTION. Sec. 15. Notwithstanding any other provision of law, any governmental body granted powers of eminent domain and rights of property condemnation in Washington state is required to offer to the owner of said property an amount equal to at least one hundred ten percent of the highest assessed valuation thereof as established by a county assessor or the state department of revenue within the eight years preceding such

proposed acquisition and the failure to make such an offer at least sixty days prior to the trial date set for fixing fair compensation shall be conclusively presumed to be an act of bad faith on the part of such condemning governmental agency."

Remember the remaining sections consecutively.

Mrs. Hurley spoke in favor of adoption of the amendment.

#### POINT OF ORDER

Mr. Jones: "Mr. Speaker, this new section 15 (I'm sorry for the lateness) confuses me slightly, and I would like a ruling as to the germaneness of this section. It seems we have hung everything else on House Bill No. 283, but I question eminent domain and rights of property condemnation."

#### RULING BY THE SPEAKER

The Speaker: "Your observation, Mr. Jones, is correct. This bill as it presently stands, with the amendments that have been adopted, involves not only the matter of taxation of real property but also lots and lots of procedural steps—hearings, judicial proceedings, etc.—with regard to the termination of property rights and the correct assessed valuation and the taxes to be levied on that particular property. This particular amendment, while the thrust of it has to do with eminent domain, does integrate it with the matter of assessed valuation of that property, and does pertain to legal and judicial proceedings. I am going to hold that it is germane to the scope and object of the bill as it presently stands."

Mrs. Hurley concluded her remarks in favor of the amendment, and Mr. Julin spoke in favor of the amendment.

The amendment by Mrs. Hurley was adopted.

Mrs. Hurley moved adoption of the following amendment:

On page 11, following section 14, insert the following new section:

"NEW SECTION. Sec. 16. The county assessor, state department of revenue or any agent of either who is engaged in appraising property for tax purposes shall be required to inform the owner by letter or telephone as to the time a physical inspection is to be made of his property, and shall keep full records of all appraisals on each individual property, including information, statistics, pictures, drawings, computer tapes or other material and devices employed in determining fair and true value.

All such records shall be made available to the owner or purchaser of such property for his inspection and the authority or agency making such appraisal shall, on demand of the property owner, explain the information and materials employed in arriving at such valuation.

The amendment by Representatives Wojahn and McCormick to Substitute House Bill No. 283 was adopted.

Mr. Eikenberry moved adoption of the following amendment by Representatives Eikenberry, Kraabel, King, Bottiger, Kopet, North, Wolf and Polk:

On page 11, after section 16, add the following new sections:

"NEW SECTION. Sec. 17. Unless a different meaning is plainly required by the context, the following words and phrases as hereinafter used in sections 17 through 34 of this 1971 amendatory act shall have the following meanings:

- (1) 'Claimant' means a person who elects to defer payment of the real property taxes

accrued on his residence by filing a declaration to defer as provided by sections 17 through 34 of this 1971 amendatory act.

When two individuals of a household file or seek to file a declaration to defer, they may determine between them as to who the claimant shall be. If they are unable to agree, the matter shall be referred to the department and its decision shall be final. If a residence is occupied by two or more individuals, and more than one individual files or seeks to file a declaration to defer, and some or all the qualified individuals are not related, the individuals may determine among them as to who the claimant shall be. If they are unable to agree, the matter shall be referred to the department, and its decision shall be final.

(2) 'Department' means the state department of revenue.

(3) 'Equity value' means the amount by which the actual value of a residence as determined from the records of the county assessor exceeds the total of any amount still owed by a taxpayer on the purchase price thereof plus any liens or other obligations against the property. The county assessor shall determine if each claimant has adequate equity value to be granted a deferral for each year but the claimant shall have the right to appeal this determination to the department of revenue whose decision shall be final as to the deferral of that year. The department shall make the necessary or desirable rules and regulations to permit the determination of equity value and shall follow, in all matters, those procedures set forth in chapter 34.04 RCW.

(4) 'Household' means a claimant and his or her spouse.

(5) 'Owned' includes possession under a contract of sale, mortgage, deed of trust, life estate, joint tenancy, or tenancy in common.

(6) 'Real property taxes' means ad valorem property taxes (exclusive of delinquent interest and special service charges) levied on a residence in this state in the preceding calendar year. If a residence is owned by two or more persons or entities as joint tenants or tenants in common, and one or more persons or entities are not a member of claimant's household, 'real property taxes' is that part of property taxes levied on the residence which reflects the ownership percentage of the claimant and his household. If a residence is an integral part of a larger unit such as a farm, real property taxes shall be that percentage of the total property taxes accrued as the value of the residence is of the total value. For purposes of this paragraph 'unit' refers to the parcel of property covered by a single tax statement of which the residence is a part.

(7) 'Preceding calendar year' shall mean the calendar year preceding the year in which the claim for credit or rebate is made.

(8) The term 'residence' shall mean a single family dwelling, including a lot not to exceed three acres on which the dwelling stands and a mobile home, if it is subject to property taxation. The term shall also include a single family dwelling situated upon lands the fee of which is vested in the United States or any instrumentality thereof including an Indian tribe or in the state of Washington, and notwithstanding the provisions of RCW 84.04.080, 84.04.090, or 84.40.250, such a residence shall be deemed real property.

**NEW SECTION.** Sec. 18. A person may elect to defer payment of real property taxes up to five hundred dollars per year and the accrued interest thereon on his residence up to the amount of his equity value in said property if the following conditions are met:

(1) The property taxes must have been imposed upon a residence which has been regularly occupied by the person electing to defer during the two calendar years preceding the year for which the election to defer is made; or the real property taxes must have been imposed on a residence which has been occupied by the person electing to defer during the preceding calendar year and such person must have been a resident of the state of Washington for the last three calendar years preceding the year for which the election to defer is made.

(2) The claimant must own, at the time of the election, whether in fee, by contract purchase, or by deed of trust, an equity value in the residence on which the property taxes have been imposed. For purposes of this subsection, ownership in a residence by a marital community shall be deemed to be owned by each spouse.

(3) The person electing to defer must have been sixty-two years of age or older on January 1st of the year in which the election to defer is made, or must have been, at the time of the election, retired from regular gainful employment by reason of physical disability.

(4) No person who, during the preceding calendar year, has regularly occupied the residence on which the taxes have been imposed shall have received during the preceding calendar year any earnings of the type and amount which would cause any deduction from social security benefits for a recipient of such benefits pursuant to 42 U.S.C. 403 as in effect on the effective date of sections 17 through 34 of this 1971 amendatory act.

(5) The combined income, from all sources whatsoever, of the claimant and his or her spouse shall not have been in excess of four thousand dollars for the preceding calendar year.

(6) There must not be any unpaid real property taxes on the property except those deferred under the provisions of sections 17 through 34 of this 1971 amendatory act.

(7) The claimant must have and keep in force fire and casualty insurance in sufficient amount to protect the interest of the state in the claimant's equity value.

**NEW SECTION.** Sec. 19. (1) Each taxpayer electing to defer his real property tax obligation under sections 17 through 34 of this 1971 amendatory act shall agree to pay an annual interest charge of six percent per annum on the amount of taxes deferred and shall file with the county assessor, on forms prescribed by the department of revenue and

supplied by the assessor, a written declaration thereof in duplicate on or before April 1st, of the first year in which the deferral is made, except that when the property designated is acquired after March 20th and before July 1st, the claim for that first year shall be filed within ten days after the date of acquisition. If the declaration to defer for any year is not filed within the time specified, the deferral shall not be allowed on the assessment roll for that year.

(2) The declaration shall designate the property to which the deferral may apply, and shall include a statement setting forth (a) a list of all members of the taxpayer's household, (b) facts establishing the eligibility for the deferral under the provisions of this act, and (c) any other requested data. Each copy shall be signed by the taxpayer subject to the penalties as provided in chapter 9.72 RCW for the false swearing. The first declaration to defer filed in a county shall include a birth certificate or other proof of the taxpayer's age, acceptable to the assessor.

**NEW SECTION.** Sec. 20. (1) Declarations to defer property taxes for all years following the first year may be made by filing with the county assessor on or before April 1st a renewal form in duplicate, prescribed by the department of revenue and supplied by the county assessor, which affirms the continued eligibility of the claimant.

(2) On or before March 1st of each year, the county assessor shall send to each taxpayer who has been granted deferral of real property taxes for the previous year at the address of the deferred residence renewal forms in duplicate and notice to renew substantially in the following form:

To: (name of taxpayer)

If you want to defer the collection of real property taxes on your residence for the assessment year beginning on ....., you must file the enclosed renewal form in duplicate not later than April 1st, with the county assessor.

If you fail to file your renewal form on or before April 1st, you will have to pay real property taxes on your residence for the current assessment year.

**NEW SECTION.** Sec. 21. If the taxpayer is unable to make his own declaration of deferral, it may be made by a duly authorized agent or by a guardian or other person charged with care of the person or property of such taxpayer.

**NEW SECTION.** Sec. 22. If the taxpayer declaring his intention to defer his real property tax obligation under sections 17 through 34 of this 1971 amendatory act ceases to reside permanently on the property for which the declaration to defer is made between the date of filing the declaration and the date on which the assessment roll of any year becomes the tax roll, the deferral otherwise allowable under sections 17 through 34 of this 1971 amendatory act shall not be allowed on such tax roll. However, this section shall not apply where the taxpayer dies, leaving a spouse surviving, who is also eligible for deferral of real property taxes.

**NEW SECTION.** Sec. 23. A person's right to defer real property tax obligations on his residence shall not be reduced by contract or agreement, on and after the effective date of sections 17 through 34 of this 1971 amendatory act.

**NEW SECTION.** Sec. 24. If any residence is under mortgage or purchase contract requiring accumulation of reserves out of which the holder of the mortgage or contract is required to pay real property taxes, said holder shall co-sign the claim for exemption either before a notary public or the county assessor or his deputy in the county where the real property is located.

**NEW SECTION.** Sec. 25. Whenever a person's real property tax obligation is deferred under the provisions of sections 17 through 34 of this 1971 amendatory act, it shall become a lien upon his equity value in said property and shall have priority as provided in chapter 84.60 RCW: PROVIDED, That the interest of a mortgage or purchase contract holder who is required to co-sign a claim for exemption under section 20 of this 1971 amendatory act, shall have priority to said deferred tax lien. This lien may accumulate up to the amount of the taxpayer's equity value in said property and the annual rate of interest shall be six percent until said obligation becomes due and payable under section 26 of this 1971 amendatory act. The county assessor shall promptly record each tax deferral allowed for that year with a notation of the total deferral for each residence to date with the county auditor's office.

**NEW SECTION.** Sec. 26. Real property tax obligations and the accrued interest thereon deferred under sections 17 through 34 of this 1971 amendatory act shall become payable:

(1) Upon the sale of property which has a deferred tax lien upon it which shall be paid from the purchase price.

(2) Upon the death of the taxpayer with an outstanding deferred tax lien which shall be paid from the value of his estate, except a surviving spouse who is qualified under sections 17 through 34 of this 1971 amendatory act may elect to incur the tax lien which shall then be payable by that spouse as provided in this section.

(3) Upon the condemnation of property with a deferred tax lien upon it by a public or private body exercising eminent domain power, which shall be paid from the condemnation award, except as otherwise provided in RCW 84.60.070: AND PROVIDED, That a taxpayer shall be allowed to continue the tax deferral by reinvesting the sale proceeds in another residence within six months of the condemnation award.

**NEW SECTION.** Sec. 27. When any deferred taxes and the accrued interest thereon are collected the moneys shall be credited to a special account, to be known as the 'Property Tax Receivable Account,' in the county treasury and the county treasurer shall set forth a

description of the property, and the amount of taxes and accrued interest collected for each property, and he shall issue a receipt for the payment of such moneys. All moneys collected under the provisions of this section shall be deposited by the county treasurer in the property tax receivable account created in this section.

**NEW SECTION. Sec. 28.** For the purpose of providing means for the reimbursement of real property tax revenues to the various taxing districts, caused by the operation of sections 17 through 34 of this 1971 amendatory act, the county may, by resolution, provide for the issuance and sale of county bonds in the name of the county. The issuance, sale, and retirement of said bonds shall be under the supervision and control of the board of county commissioners or county legislative authority. The board of county commissioners or county legislative authority may, in its discretion, provide for the issuance of coupon or registered bonds to be dated, issued, and sold from time to time in such amounts as may be necessary to reimburse the various taxing districts of the county for the loss in real property tax revenues caused by operation of sections 17 through 34 of this 1971 amendatory act. Each of such bonds shall be made payable at any time not exceeding thirty years from the date of issuance, with such reserved rights of prior redemption as the board or authority may prescribe to be specified therein. The bonds shall be executed by the chairman of the board or authority and attested by the clerk of the board or authority and the seal of the board or authority shall be affixed to each bond but not to the coupon, if any, and may have facsimile signatures of such chairman or such clerk imprinted on the interest coupons, if any, in lieu of original signatures. Said bonds shall be payable from the 'Property Tax Receivable Account' created by the county for such purpose or from any other revenue source as determined by the resolution of the board or authority. If the county fails to set aside and pay into such account the payments provided for in the resolution authorizing the issuance of such bonds, the holder of such bonds may bring suit to compel compliance with the resolution. Said bonds and the interest thereon shall, so long as any portion thereof shall remain unpaid, constitute a prior and exclusive claim on the property tax receivable account and shall be payable at such places as the board or authority may provide and in such denominations as prescribed by said board or authority. All bonds issued under this section may be sold in such manner and in such amounts and at such times and on such terms and conditions as the board or authority may prescribe in order to provide for reimbursement of real property tax revenues.

**NEW SECTION. Sec. 29.** At the time that the property is deeded over to the county at the conclusion of the foreclosure proceedings pursuant to chapter 84.64 RCW the county court shall order the amount of deferred real property taxes which were not collected to be paid over to the county treasurer to be deposited as provided in section 27 of this 1971 amendatory act in the same manner as other real property taxes for deeded properties.

**NEW SECTION. Sec. 30. (1)** A surviving spouse of the taxpayer may elect to continue the property in its deferred tax status if:

(a) The spouse of the taxpayer is or will be sixty years of age or older not later than six months from the day of the taxpayer's death; and

(b) The property is the residence of the spouse of the taxpayer and meets the requirements of sections 17 through 34 of this 1971 amendatory act.

(2) The election under this section to continue the property in its deferred tax status by the spouse of the taxpayer shall be filed in the same manner as an original claim for deferral is filed under sections 17 through 34 of this 1971 amendatory act, not later than ninety days from the date of the taxpayer's death. Thereupon, the property with respect to which the deferral is claimed shall continue to be treated as tax-deferred property and the county assessor shall cancel all actions taken under chapter 84.64 RCW and shall make any necessary correcting entries on the tax rolls and in their records. When the property has been continued in its deferred tax status by the filing of the spouse of the taxpayer of an election under this section, the spouse of the taxpayer (even if such spouse is less than sixty-five years of age) may continue the property in its deferred tax status in subsequent years by filing a claim under sections 17 through 34 of this 1971 amendatory act so long as the spouse meets the qualifications set out in this section.

**NEW SECTION. Sec. 31. (1)** Subject to subsection (2) of this section all or part of the deferred taxes and accrued taxes thereon may at any time be paid to the county treasurer by:

(a) The taxpayer or the spouse of the taxpayer.

(b) The next of kin of the taxpayer, heir at law of the taxpayer, child of the taxpayer or any person having or claiming a legal or equitable interest in the property.

(2) A person listed in paragraph (b) of subsection (1) of this section may make such payments only if no objection is made by the taxpayer within ten days after the county treasurer deposits in the mail notice to the taxpayer of the fact that such payment has been tendered.

(3) Any payment made under this section shall be applied against the deferred taxes and accrued interest thereon. Such payment does not affect the deferred tax status of the property. Unless otherwise provided by law, such payment does not give the person paying the taxes any interest in the property or any claim against the estate, in the absence of a valid agreement to the contrary.

**NEW SECTION. Sec. 32.** Nothing in sections 17 through 34 of this 1971 amendatory act is intended to or shall be construed to prevent the collection, by foreclosure, of personal property taxes which become a lien against tax-deferred property.

*NEW SECTION.* Sec. 33. There is added to Title 84 RCW a new chapter to consist of sections 17 through 32 and 34 of this 1971 amendatory act.

*NEW SECTION.* Sec. 34. The provisions of sections 17 through 34 of this 1971 amendatory act shall take effect on January 1, 1972."

Renumber the remaining sections consecutively.

In line 8 of the title after the semicolon following "84.48 RCW" and before "creating" insert "adding a new chapter to Title 84 RCW"

Mr. Williams moved adoption of the following amendment to the amendment by Representatives Eikenberry and others:

On page 10 of the amendment, following section 31, line 2, insert a new section to read as follows:

*NEW SECTION.* Sec. 32. Nothing in sections 17 through 35 of this 1971 amendatory act is intended to nor shall be construed to affect the right of a claimant as defined in section 17 to claim any other exemption from property taxes otherwise authorized by law."

Renumber the remaining sections consecutively.

Representatives Williams and Eikenberry spoke in favor of the amendment to the amendment.

The amendment by Representative Williams to the amendment by Representatives Eikenberry and others was adopted.

The Speaker stated the question before the House to be the amendment by Representative Eikenberry and others, as amended.

Representatives Eikenberry, Kraabel, Brown, King and Gladder spoke in favor of adoption of the amendment, and Representatives Flanagan and Johnson spoke against it.

#### POINT OF ORDER

Mr. O'Brien: "Is this amendment similar to a pending House bill before the Committee on Revenue and Taxation?"

The Speaker: "I wouldn't know, Mr. O'Brien. Are you claiming that is so?"

Mr. O'Brien: "It's a real odd amendment, Mr. Speaker. It's about ten pages."

The Speaker: "Do you have a specific bill you would like to cite? I'm afraid I don't have the time to go through the billbooks and compare each of these amendments."

Mr. O'Brien: "Don't carry it on too far. Maybe we could find out."

#### POINT OF INQUIRY

Mr. O'Brien: "Mr. Flanagan, is this a pending bill?"

Mr. Flanagan: "Mr. O'Brien, according to Representative Eikenberry, it is. We haven't had very many committee meetings lately, and I think it's in there. I know we intended to introduce it and I think it probably is, but I'm not quite sure."

#### POINT OF ORDER

Mr. O'Brien: "Mr. Speaker, on that basis, as probably pending before the committee, I refer for your consideration House Rule No. 32."

#### POINT OF INFORMATION

Mr. Eikenberry: "Mr. Speaker, there is a bill, House Bill No. 1036, which has part of the ideas existing in this amendment. House Bill No. 1036 has nothing to do with the bonding system and that is what corrects, I think, the previous bill."

The Speaker: "Additional sections over and above House Bill No. 1036?"

Mr. Eikenberry: "Yes, and there are substantial changes regarding interest, for example; this bonding system; the issuance of bonds; etc."

#### RULING BY THE SPEAKER

The Speaker: "The Speaker finds substantial differences between this amendment and House Bill No. 1036. The point is not well taken."

Mr. Charnley spoke in favor of the amendment by Representatives Eikenberry and others.

## ADMONITION BY THE SPEAKER

The Speaker: "Mr. Charnley, please confine your remarks to the merits of the amendment."

Mr. Charnley concluded his remarks in favor of the amendment, and Mr. Pardini spoke in favor of it.

Mr. Eikenberry yielded to question by Mrs. Wojahn.

Mrs. Wojahn: "Mr. Eikenberry, do you know (I'm sure you do) if this amendment includes, in addition to the elderly and disabled low income citizens, women heads of households?"

Mr. Eikenberry: "Yes, Representative Wojahn, the qualifications as far as people who would come within this amendment are nearly identical to the earlier part of Substitute House Bill No. 283. So this amendment simply offers one more option to the people who already qualify under the earlier provisions of House Bill No. 283."

Mr. Savage spoke against adoption of the amendment.

The amendment by Representatives Eikenberry and others to Substitute House Bill No. 283 was adopted.

#### SECOND READING

SUBSTITUTE HOUSE BILL NO. 283, by Committee on Revenue and Taxation (Originally sponsored by Representative Flanagan):

Providing an act relating to revenue and taxation.

#### MOTION

On motion of Mr. Bledsoe, the House deferred further consideration of Substitute House Bill No. 283 and the bill was ordered placed at the top of tomorrow's second reading calendar.

HOUSE BILL NO. 144, by Representatives Bledsoe, Bagnariol, Ceccarelli, Eikenberry, Barden, Cunningham and Litchman:

Providing business and occupation tax deduction for certain computer services.

Committee recommendation: Majority, do pass with the following amendments:

On page 3, beginning on line 29 insert a new section as follows:

"NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health and safety, and support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 4 of the title before "prescribing" strike "and" and after "date" insert "and declaring an emergency"

The bill was read the second time.

Mr. Bledsoe moved adoption of the committee amendment and spoke in favor of the amendment.

Mr. Moon spoke against adoption of the committee amendment and Mr. Bledsoe spoke again in its favor.

The committee amendment adding a new section two was adopted.

Mr. Moon moved adoption of the following amendment:

On page 3, section 1 (14), line 22 after "corporation" and before the period insert the following: "": *PROVIDED, That the federal taxable income of the controlled corporation determined on a nonconsolidated basis for any calendar year prior to the year in which the deduction is claimed did not exceed the surtax (excess profit) exemption allowed by section 11(d) of the internal revenue code as in effect on the effective date of this act. The department of revenue shall, for purposes of determining the federal taxable income used to establish qualifications for the deduction, have all powers conferred upon the secretary of the treasury by section 482 of the internal revenue code, as in effect on the effective date of this act"*

#### STATEMENT FOR THE JOURNAL

Mr. Moon: "Thank you, Mr. Speaker. First, I would like to request that my remarks be inserted in the Journal.

"What this amendment does, is set off a triggering mechanism which will turn the tax credit being requested either on or off. The triggering point that is provided for in this amendment is determined by the level of profit or excess profit of the participating corporation.

"Now we must assume of course that the participating corporations need assistance or they wouldn't be down here asking for it. We must also assume that the state will derive certain benefits equal to, or in excess of, the cost of the tax credit. However, when the benefits to the participating company reach that point where they qualify for the excess profits tax, then forty-eight cents out of every dollar that they make over and above this point goes to the federal government in the form of an excess profits tax.

"When this happens, in my opinion, the state ceases to benefit, because when we are sending forty-eight cents of every dollar back to the federal government, we have in effect revenue sharing in reverse. And I think that this amendment then will prevent forty-eight cents from every dollar going back to the federal government when the level of profit reaches this point. To me it is ridiculous for the state of Washington, in the financial situation that we are in at the present time, to subsidize the federal government to this extent.

"Now one other problem that I want to point out at this time is that in the past we have always had problems relative to tax credits and tax exemptions, and we just haven't had any way to shut them off or to limit them. This amendment will do this. I think that there are times when tax credits and tax exemptions should be cut off—should be limited. They shouldn't be cut off and they shouldn't be limited as long as they can be justified. I think this point of triggering—that point whereby a company reaches a point where they qualify for excess profits—when they reach this point, I think that we should have some mechanism built into the tax exemption or tax credit whereby the state no longer subsidizes or gives assistance to a business, particularly when it may be detrimental to competing businesses or detrimental to other areas of public need.

"Another thing I would like to point out is that when an individual applies for public assistance of any kind, he must meet certain minimum standards of need. We haven't set forth any minimum standards of need for this public assistance that we are trying to grant to a wholly-owned subsidiary within a giant corporation. I think we should set minimum standards of need. This amendment at least sets a minimum standard in that it shuts off the assistance that the state will offer to a participating business when they reach that level of profit that they qualify or will set forth forty-eight cents out of every dollar going back to the federal government.

"I think if you will look at this objectively instead of emotionally you will support this amendment. I am aware of the fact that the Boeing Company, who will be the primary beneficiary of this bill, has had problems. In 1969 they had profits of only ten million, two hundred and some thousand dollars. In 1970 they had profits double this amount, of only twenty-two million, ninety thousand dollars, I think. But there are also many other people in this state—there are many other needs in the state. And in greater need in this state are those individuals who used to work for the Boeing Company, who are now on unemployment compensation, or who have used up their unemployment benefits and are now qualified by minimum standards to receive public assistance in this state. I certainly would urge that you give this amendment serious consideration and set the level of benefit, set the level where we can trigger this off—where we stop the assistance to any benefiting corporation that wishes to participate with the use of this tax credit. Thank you."

Representatives Charette and Shera spoke against the amendment by Mr. Moon to House Bill No. 144.

Mr. Rosellini demanded an electric roll call, and the demand was sustained.

Representatives Kuehnle, Bledsoe and Ross spoke against adoption of the amendment.

Mr. Moon closed debate, speaking in favor of the amendment.

Mr. Moon: "Thank you, Mr. Speaker. In order to close debate, I would like to dispel some wrong impressions that maybe some of you have as a result of this debate. First of all, this amendment is not—and I repeat, is *not*—an attempt to either hinder or cripple the diversification of the Boeing Company, and it is not designed to keep the Boeing Company from making a profit. I hope they do make a profit, because if the Boeing Company is making a profit, there are many of us in the state of Washington who will benefit as a result of this profit. But it is an attempt to stop the benefits to a company that is making a profit when they no longer need to be assisted. That is the purpose of this amendment. It is a triggering device that says: 'We will assist you, young, beginning company. We will assist you in your beginning year.' There is nothing in this amendment that will stop the tax credit the first year, but it will stop the tax credit in succeeding years if they show an excess profit.

"Now the decision to diversify by the Boeing Company—I don't know why they made it—why they went into a wholly-owned subsidiary. But this decision was made before any request or any decision. They took this tax credit into account. They took the B & O tax they would be subjected to into account before they made this decision. They knew they were going to have to pay this tax.

"Another thing, someone said this doesn't take any money out of the state treasury. Certainly it doesn't take any money *out* of the state treasury, but it prevents money from going *into* the state treasury. If we grant this exemption to a company that is making excess profits—in my opinion this is wrong because it takes money away from our tax base that

otherwise would be paid to people on public assistance. It would be money that would help to keep from closing down Northern State. It would be money that could be used for continuation of our agriculture extension service. It could be used for helping Northern State, Olympic Center—there are many, many areas we could use this money for. And the idea that people are going to be unemployed if this bill fails to pass—they are going to be employed in this state. This Boeing Computer Service is going to continue in this state whether this bill passes or not. But I think it is imperative that we have some triggering point on this thing. This says, 'good, we want you here, but we want you to participate in paying taxes as well as any other competing business in this state.'

"I hope that this company will be as successful as Harvey Goldy, the Executive Vice President of the Boeing Computer Services said in an article in December of last year, when he said there is money to be made in this computer business. It is a \$5 billion a year market. He said 'if we can't make money, it will be our own fault.' They are going to make money in this computer service, and I want them to make money, and I think everyone in the Legislative Building wants them to be successful. But if they are successful, and if they do make a big, huge profit, I think they ought to pay their fair share of taxes. I think it is wrong for us to pass this tax credit bill without some triggering device—some device that will say, 'when you reach this level, you start to pay your fair share of taxes.'

"Under this amendment, this tax credit will be available to the Boeing Company, or to any other wholly-owned subsidiary that goes into the computer business (and there are others in this state that can do this—there are other businesses that can do this)—but it will be there for the first year. If they don't make a profit after the first year, it will be there for them after that. If they don't make it after the third year, it will be there. But the minute they start making a profit, this amendment will trigger in, and I certainly urge your acceptance of this, because I hope this company succeeds and grows, and pays its share of taxes. Thank you."

#### POINT OF INQUIRY

Mr. Moon yielded to question by Mr. Van Dyk.

Mr. Van Dyk: "Representative Moon, I serve on the Appropriations Committee, so this has been a learning experience this session. I have been made well aware that money is in short supply and there is a great demand for services, particularly in the welfare areas and public assistance. I have also learned by being on the Appropriations Committee that there are many ways to appropriate money, be they exemption or in a direct gift. My concern is: Has the budget we have been dealing with in the last few days been predicated on revenues that House Bill No. 144, if passed, would now exempt? And I would like some remarks on this, if you would."

Mr. Moon: "Yes, this has been determined. In fact I have a letter here that I would like to read to you from the Assistant Director for the Department of Revenue, Donald R. Burrows, in response to a request I made concerning this:

"In response to your recent request, the revenue estimates contained in the Governor's budget include \$1.2 million in business and occupation tax which The Boeing Company would pay under their computer subsidiary. This estimate was based on information provided us by The Boeing Company in mid-December prior to the time we finalized the revenue estimates for the budget.

"If the Boeing computer subsidiary is exempt from business and occupation taxes, we will have to reduce the revenue estimates by \$1.2 million for the 1971-1973 biennium."

Mr. Van Dyk: "Representative Moon, you serve on the Appropriations Committee, and I was wondering, in respect to this exemption, and knowing some of the other priorities that we have to concern ourselves with (such as Northern State and others) might you feel that some of these things might be in jeopardy with this sort of an appropriation to the Boeing Company?"

Mr. Moon: "I would say if we cut our estimated tax revenues \$1.2 million for the next biennium, it would perhaps jeopardize the total amount that we might make available to Northern State Hospital. It might also cut the total amount that we might make available to the School for the Blind, the School for the Deaf, Fort Worden, Edgecliff, the Olympic Center, Western State Hospital, aid to private education, aid to higher education, public assistance, aid to the community colleges. It might cut also that amount that we are going to have available to give to the University Agriculture Extension Service, to the kidney funds, to our day care centers, to disadvantaged students. Yes, Mr. Van Dyk, this will cut \$1.2 million from our anticipated revenues, and this also means that we are going to have to cut out some of these things that we had hoped we would be able to include in our budget."

Mr. Van Dyk: "So, Representative Moon, you would feel we would be making some sort of decision about increasing a company's profits, that I believe you said bordered somewhere around \$20 million in the last tax year. We would be giving them an additional \$1.2 million and taking that away from some of the other priority projects that we have all talked so much about but really can't care to fund."

Mr. Moon: "I was prepared to vote for this bill had my first amendment passed, because this would have set the level of profit and would have established the triggering point. But it didn't pass, and now, of course I am going to have to vote against it. When we start setting priorities, setting levels of priorities, some of the things I mentioned previously certainly are way, way, way up on the list of priorities ahead of public assistance that we are going to give the Boeing Company in this bill."

Mr. Van Dyk: "Thank you, Representative Moon, for your extemporaneous answer."

Representatives Hansey, Douthwaite and Ceccarelli spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Lysen.

Mr. Lysen: "Mr. Flanagan, if this bill should happen to pass the legislature, will it affect any other company? Will there be any other tax credits to any other companies besides the Boeing Company?"

Mr. Flanagan: "Representative Lysen, I have a letter here from the Department of Revenue that I brought with me today because I knew we would be considering this bill. The Department of Revenue in this letter says they officially take no position on the bill. Then they point out the revenue loss which has already been pointed out. They go on to say:

"It would be relatively easy, however, for other large firms to establish controlled subsidiaries under the coverage of this bill, thereby qualifying them as recipients of the deduction, and increasing the loss to the business and occupation tax. The establishment of the deduction for this general type of activity may set an unwarranted precedent. . . . The potential loss in revenue in this area is very substantial."

"That more or less answers your question in regard to other businesses. Then they go on to say that in our nearest neighboring state which is competitive (Oregon) where they have a similar provision—that the provision there is that the subsidiary must be ninety-five percent owned, instead of eighty percent owned by the parent company."

Mr. Lysen: "Thank you, Mr. Flanagan. One further question: Do you feel that if we could tighten this up to increase it to ninety-five percent that it might save some of the potential loss that we are facing here?"

Mr. Flanagan: "That was more or less the view expressed here by the Department of Revenue, yes."

Mr. Lysen spoke against passage of the bill.

#### POINT OF INQUIRY

Mr. Barden yielded to question by Mr. Mentor.

Mr. Mentor: "Could you tell me where Representative Moon's figures came from that there would be a revenue estimate of \$1.2 million loss if this bill passes?"

Mr. Barden: "Yes, I can, Representative Mentor. The \$1.2 million anticipated revenue loss, mentioned by Representative Moon, comes from the anticipated figures provided by the Boeing Company. They anticipate doing about \$60 million a year worth of computer business with this subsidiary corporation. And of course one percent of \$60 million a year is six hundred thousand dollars and for the biennium would be then \$1.2 million. The important thing to remember is that if this bill doesn't pass, the vast computer service capacity that the Boeing Company has in this service corporation is going to be dissipated down to the point that it can provide only the needs for the Boeing Company's own uses, and then it will be absorbed back into the parent corporation. So this money doesn't exist. It will not exist if this bill passes because there will be no Boeing computer services corporation to keep intact this great tool that we have that the Boeing Company will have available. It will not maintain the jobs—the 1,950 jobs that are now in jeopardy—and it will not put the Boeing Company in a favorable position for bidding on future projects and programs because they will not have this computer capacity available to them. So I think it is fallacious to base an argument against this bill on revenue estimates that have no basis in fact—on revenue that will never come into the treasury because if House Bill No. 144 doesn't pass, there will be no Boeing computer services corporation."

Mr. Bagnariol spoke in favor of passage of the bill.

Mr. Bledsoe demanded the previous question, and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 144, and the bill passed the House by the following vote: Yeas, 70; nays, 27; absent or not voting, 2.

## MOTION

Mr. Bledsoe moved that Engrossed House Bill No. 144 be transmitted immediately to the Senate.

The Speaker stated the motion was lost.

## POINT OF ORDER

Mr. Bledsoe: "If I am not mistaken, that is a procedural motion, not a suspension of the rules, so a majority vote should carry."

The Speaker: "Your point is well taken. The motion is carried."

Mr. Grant: "Mr. O'Brien, isn't this amendment the same as a bill that has already passed this House?"

Mr. O'Brien: "What does that have to do with the present amendment?"

Mr. Grant: "I am just wondering, Mr. O'Brien, if we have already passed the bill through the House why we need it as an amendment to this very worthwhile bill?"

Mr. O'Brien: "You've been around a long time. Sometimes a bill gets stymied in the other place."

SENATE BILL NO. 522, by Senators Keefe, Day and Fleming:

Providing for transfer of certain funds to the Washington public employees' retirement system.

#### MOTION

On motion of Mr. Morrison, the House deferred consideration of Senate Bill No. 522 and the bill was ordered placed at the top of tomorrow's second reading calendar.

SENATE BILL NO. 68, by Senators Ridder, Stender, Bailey and Stortini:

Allowing vocational rehabilitation or retraining under industrial insurance coverage.

## MOTION

Mr. Morrison moved that the House refer Senate Bill No. 68 to the Committee on Labor and Employment Security.

Mr. Hubbard spoke in favor of the motion.  
The motion was carried.

HOUSE BILL NO. 881, by Representatives Flanagan, Moon, Haussler and Bledsoe:  
Providing for the method of assessment of livestock.  
The bill was read the second time.

The Speaker declared the House to be at ease.  
The Speaker called the House to order.

Mr. Bledsoe moved adoption of the following amendment:

Add a new section following section 1 to read as follows:  
"NEW SECTION. Sec. 2. There is added to chapter 84.36 RCW a new section to read as follows:

All unweaned calves within any herd of cattle shall be exempt from taxation under the provisions of this title."

Mr. Bledsoe spoke in favor of the amendment.

## POINT OF INQUIRY

Mr. Bledsoe yielded to question by Mr. Grant.

Mr. Grant: "Mr. Bledsoe, what is the fiscal impact of this amendment?"

Mr. Bledsoe: "There were three fiscal impacts submitted to the committee. One when the interpretation by the Department of Revenue was that this measure would include all calves up to one year of age. The fiscal impact, if I remember correctly, was in excess of two million dollars. Reworking this with the Department of Revenue, it then was refigured to be about three quarters of a million dollars if this bill were to pass averaging that inventory. At the present writing, many of these unweaned calves, because they are not in inventory on January 1st, because they are yet to be born, appear on no tax roll at all at this moment. Conceivably, with the bill passed, they could then."

Mr. Grant spoke in favor of the amendment by Mr. Bledsoe.

## POINT OF INQUIRY

Mr. Bledsoe yielded to question by Mr. Moon.

Mr. Moon: "Is there any threat that the beef industry might leave the state if this isn't passed?"

Mr. Bledsoe: "No, of course not. If you want to joust about it, there are some very fine people on a marginal standard of living who might find yet another tax, on top of those that they are now paying, rather difficult to support. You see, the individual who makes the marginal existence that many of our small farmers and ranchers do now, makes his living in a way that is little understood by many members of this House. They make their living by owning things—all of these things appearing on the tax rolls. Their tax burden in many cases is totally unrelated to any net income that they might receive or even any income at all. These obligations are still there. All this amendment suggests, Representative Moon, is not that the cattle business will leave this state, but rather that a distressed industry, about to be faced with yet a new area of taxation which it has not yet faced, is seeking to be put on an equity basis with other facets of agri-business or manufacturing, if you please."

Mr. Moon: "Thank you, Mr. Bledsoe. You just reassured me of my feeling of the agricultural community. I am sure they wouldn't threaten any such thing as other industries in the state would do."

## POINT OF INQUIRY

Mr. Bledsoe yielded to question by Mr. Van Dyk.

Mr. Van Dyk: "You had mentioned the nursing of calves and, being an animal nutritionist, the term 'weaning' is normally geared to those animals that get a large majority of their food from milk or milk products. In the dairy industry we usually do not use a nurse cow—we do feed milk. Now, is this amendment to pertain to all calves that use milk as

a primary source of food (which I would hope it would) or does it only pertain to the beef industry which uses a nurse cow?"

Mr. Bledsoe: "It would be my intention, sir—again as strictly a beef cow operator—that this was as far as my amendment intended to go. Were it to be the interpretation that calves on a bucket, in a dairy operation for instance, would be included also, I imagine that would have to be a matter of interpretation by the Department of Revenue."

Mr. Van Dyk: "As I read it, 'All unweaned calves within any herd of cattle . . . '—the dairy industry considers a grouping of animals as a herd, and they have their cattle there, and they are unweaned for a number of months, depending on how they raise it. Does the literal interpretation of that exclude it? You mentioned it was not your intent, but I would like to know if you feel it would exclude it?"

Mr. Bledsoe: "No sir, it would not. Again, the calf that is on a simple milk diet, and milk exclusively—this is the calf four months or younger, where he is not on supplemental rations—I'm quite sure would be included, in this case, of a suckling calf, whether it is on a rubber nipple, or whether it is one that mama packs to him."

Mr. Van Dyk spoke in favor of the amendment by Mr. Bledsoe.

#### POINT OF INQUIRY

Mr. Moon yielded to question by Mr. O'Brien.

Mr. O'Brien: "Mr. Moon, this amendment pertains to tax exemption. Do you think it might be fitting and proper if you put your limitation date of 1977 on this amendment?"

Mr. Moon: "Mr. O'Brien, if you recall in House Bill No. 888, I had a limitation amendment on that bill and I withdrew it. I withdrew it because I had been assured by the members in power on the Rules Committee that House Joint Resolution No. 1 will shortly be before the House, and we will have an opportunity to vote on it. Because of this, I withdrew the amendment because I thought it would be much better for us to consider all amendments as a complete entity rather than to singly and individually mark them out, one at a time."

#### POINT OF INQUIRY

Mr. Moon yielded to question by Mr. Shinpoch.

Mr. Shinpoch: "Representative Moon, I wonder if you would tell me when you received the assurance that House Joint Resolution No. 1 would be out so that you withdrew your amendment?"

Mr. Moon: "It has been in Rules Committee now about a month, I think. And I started asking about it after it had been in there a week. I thought maybe they should have a week to consider it. I was given to understand not to worry about it because it would be forthcoming. And the next week, I again asked . . ."

#### ADMONITION BY THE SPEAKER

The Speaker: "Gentlemen, I don't think this pertains to the merits of this amendment. You are both out of order."

The amendment by Mr. Bledsoe was adopted.

On motion of Mr. Bledsoe, the following amendment to the title was adopted:

In line 1 of the title after the semicolon and before "and amending" insert "adding a new section to chapter 84.36 RCW;"

House Bill No. 881 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 881 was placed on final passage.

Mr. Moon spoke in favor of passage of the bill.

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 881, and the bill passed the House by the following vote: Yeas, 94; nays, 3; absent or not voting, 2.

Voting yea: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Bauer, Beck, Benitz, Berentson, Blair, Bledsoe, Bluechel, Bottiger, Bozarth, Bradley, Brouillet, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conner, Conway, Copeland,

Costanti, Cunningham, Curtis, Douthwaite, Eikenberry, Farr, Flanagan, Gallagher, Gilleland, Gladder, Hansey, Harris, Hatfield, Haussler, Hoggins, Hubbard, Jastad, Johnson, Jones, Jueling, Julin, Kilbury, King, Kirk, Kiskaddon, Knowles, Kopet, Kraabel, Kuehne, Litchman, Luders, Lynch, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Mentor, Merrill, Moon, Morrison, Newhouse, North, O'Brien, Paris, Perry, Polk, Rabel, Randall, Rosellini, Ross, Savage, Sawyer, Schumaker, Shera, Shinpoch, Smith, Smythe, Spanton, Thompson, Van Dyk, Wanamaker, Williams, Wojahn, Wolf, Zimmerman, Mr. Speaker—94.

Voting nay: Representatives Grant, Hurley, Lysen—3.

Absent or not voting: Representatives Goldsworthy, Pardini—2.

Engrossed House Bill No. 881, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

#### EXPLANATION OF VOTE

I voted against HJM No. 22 because I just didn't feel that the points brought out in it could be supportable and I also felt that some of its conclusions were also in error. I do not agree when they say arguments have gone far beyond cold and hard facts, and that the segments of the legislative branch and press refuse to face reality, and that we will be put years behind Russia, France and England in research and development, and that it will cost the government \$350 million in payments and penalties. HAROLD S. (HAL) ZIMMERMAN, 17th District.

#### ADDITIONAL SPONSORS

At the request of Mr. Mentor, House Joint Memorial No. 22 was ordered held at the Chief Clerk's desk for five minutes so additional sponsors could be added.

#### PERSONAL PRIVILEGE

Mr. Bledsoe: "We have a unique opportunity in that Congressman Pelly is currently within the Chambers, in Representative Copeland's office. We possibly could get hand delivery of House Joint Memorial No. 22."

#### PERSONAL PRIVILEGE

Mr. Beck: "Tom Pelly and I started out in this political field together here in 1950. I would like to have the pleasure of going with my old campaign partner and delivering it to him."

## INTRODUCTION AND FIRST READING

BE IT RESOLVED, By the House of Representatives, That the Legislative Council be directed to study the operations of the Employment Security Department to determine the extent to which employers in this state are participating in the programs, services and facilities provided by said department and the reasons for either participating or not participating in such programs, services and facilities.

BE IT FURTHER RESOLVED, That results of the study be reported to the House of Representatives by December 1, 1971, and that any recommendations made include, if found to be appropriate, those which would (1) improve mutual understanding between employers and said department and, (2) enhance utilization of said programs, services and facilities.

On motion of Mr. Conner, the resolution was adopted.

## SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House Honorable Thomas M. Pelly, United States Representative from the First District, and requested that Representatives Copeland and Bottiger along with the Sergeant at Arms conduct him to a place on the rostrum.

The Speaker: "It is my pleasure to present to you and to our guests in the gallery for a few appropriate remarks, the Honorable Thomas M. Pelly."

Congressman Pelly: "Mr. Speaker, this is a very unusual occasion for me. This is the only Republican-controlled body that I have had the privilege to address for many years—in fact since 1953. In the House in Washington, we have had an imbalance which has meant for those of us in the minority a rather trying period. But I will say, in accordance with the tradition of our parliamentary system, I can't complain that I have ever been unfairly treated. And while I hope the time will come before I go into retirement when perhaps I can claim to be a committee chairman, actually I am a ranking Republican which is the same—only in the minority party, as you know. I hasten to add I was selected this year for the first time by secret ballot—separate and secret. And I found that there was only one member who voted against me, and I can assure you that it was myself.

"I do sympathize with the members of this House because of the fact that you have so much to do in such a short time. I would like you to know that the communications between the Capitol of our Country and the Capitol of our State have been close. Regardless of party, our delegation has worked in the interest, with the Governor and others. I do feel that in fairness, as the lone and lonely Republican in the House of Representatives, that this state has been represented, regardless of party, by all of us there. When we receive your memorials and communications from the heads of agencies of the government here and the Governor, we have given them the greatest sympathetic consideration that we can.

"Recently our state has sustained some pretty bad blows. Particularly, of course, I refer to the contract of Boeing over the SST. This is something that no one of either party could have worked harder for than the members of our delegation. I don't believe that any group of representatives could have worked harder, nor do I frankly think they could have won under such adverse conditions. But I know this much—the nation is the loser. Our state will overcome this blow we have had, and rise stronger than ever before, but it will set the supremacy that our country has had in the civilian air transport field back, perhaps not permanently, but at least for twenty years. And this is a sad day for our balance of payments because eighty percent of the world's planes were built by Boeing.

"Thank you for this great privilege, Mr. Speaker, of addressing my many friends here and those who have been working so diligently over such a long period of time. I appreciate the opportunity. It is a great honor, and I do now feel that the time has come—as we say in the House of Representatives, 'The time of the gentleman has expired.' Thank you."

The Speaker thanked Congressman Pelly and requested the Sergeant at Arms and the escort committee to escort the Honorable Thomas M. Pelly from the rostrum.

## SECOND READING

SENATE BILL NO. 522, by Senators Keefe, Day and Fleming:

Providing for transfer of certain funds to the Washington public employees' retirement system.

Committee recommendation: Majority, do pass with the following amendment:

On page 2, section 1, line 31 after "employer to another." insert the following:

*"Employees of a political subdivision, maintaining its own retirement system, who have been transferred to a health district formed pursuant to chapter 70.46 RCW, but who have been allowed to remain members of the political subdivision's retirement system may be transferred as a group to the Washington public employees' retirement system. Such transfer may be made by the action of the legislative authority of such political subdivision maintaining its own retirement system. Such transfer shall include employer's and member's funds in the transferring municipalities' retirement system.*

*Employees of a political subdivision, maintaining its own retirement system, heretofore transferred to a joint airport operation of two municipalities pursuant to chapter 182, Laws of 1945, may be transferred as a group to the Washington public employees' retirement system. Such transfer may be made by the action of the legislative authority of such political subdivision maintaining its own retirement system. Such transfer shall include employer's and member's funds in the transferring municipalities' retirement system."*

The bill was read the second time.

On motion of Mr. Shera, the committee amendment was adopted.

## MOTION

On motion of Mr. Bledsoe, the House recessed until 1:30 p.m.

## AFTERNOON SESSION

The Speaker called the House to order at 1:30 p.m.

The Clerk called the roll and all members were present except Representatives Julin, Kraebel and Rosellini. Representative Julin was excused.

On motion of Mr. Merrill, the following amendment was adopted:

On page 1, section 1, line 10 after "subdivision" and before "of the state" insert "*or association of political subdivisions*"

Mr. Merrill moved adoption of the following amendment:

On page 2, after section 1 insert a new section as follows:

"Sec. 2. Section 1, chapter 274, Laws of 1947 as last amended by section 1, chapter 128, Laws of 1969 and RCW 41.40.010 are each amended to read as follows:
