#### MOTION

Mr. Hoggins moved that the House do not occur in the Senate amendments to Engrossed House Bill No. 86, and that the Senate be asked to recede therefrom.

Mr. Hoggins spoke in favor of the motion.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Brouillet.

Mr. Brouillet: “Do I understand then that the concern you have expressed is over the Senate amendments and not over the original bill that left the House?”

Mr. Hoggins: “That is correct, Representative Brouillet.”

Mr. Brouillet spoke in favor of the motion.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Beck.

Mr. Beck: “Would you yield and tell us, Mr. Hoggins: Are the amendments in our book, or what are the amendments?”

The Speaker: “Mr. Beck, the amendments are in your billbook on pink paper. Mr. Hoggins, do you want to expand on the amendments?”

Mr. Hoggins: “A couple of aspects—there are probably about ten Senate amendments to this bill that have an impact on it. One changes the funding procedure that would become effective in 1974, which has quite an impact. There are other provisions that deal with the intermediate school district association and it changes its function and operation. The technical errors that I mentioned to you have to be corrected, and there is a question of how to settle boundary disputes, which has been included in here which had been carefully worked out before. So it was these things that we needed to take a look at in conference committee.”

Mr. Beck: “I don’t know. There are thirty-six pages of amendments here. I don’t know if the best thing to do is send it to conference or send it to committee. I’m going to vote against this.”

The motion by Mr. Hoggins was carried.

#### SECOND READING

SUBSTITUTE HOUSE BILL NO. 283, by Committee on Revenue and Taxation (Originally sponsored by Representative Flanagan):

Providing an act relating to revenue and taxation.

The House resumed consideration of Substitute House Bill No. 283 on second reading.

Mr. Grant moved adoption of the following amendment by Representatives Grant and Kiskaddon:

On page 11, line 32, following section 16 strike the remainder of the act and insert the following:

“*NEW SECTION.* Sec. 17. The legislature finds that our existing tax structure cannot provide adequate revenues to support vital services for the people of this state. It is

recognized that the only adequate source of revenue to meet these requirements is either a graduated net income tax or an increase in sales and use tax rates and the further extension of such taxes to services. It is the purpose of this enactment to provide such revenues by (1) Increasing the sales and use taxes from four and one-half to five and one-half percent, but providing that the rates be reduced to four and one-half percent upon judicial approval of a graduated net income tax; (2) extending the sales tax to several different types of business and professional activities, but to remove such extension upon such judicial approval; and (3) to obtain some degree of progressivity in our tax structure by eliminating the sales tax from food and medicine.

For purposes of this subsection total taxable income shall be computed in accordance with subsection (3) of this section, and taxable income shall be allocated and apportioned in accordance with Article IV of RCW 82.56.010 (Multistate Tax Compact).

(3) For purposes of this section taxable income shall be federal taxable income computed in accordance with the applicable provisions of subchapter J of the internal revenue code, including the taxpayer's distributive share of similar items from partnerships, trusts and estates, with the following modifications:

(a) Subtract interest income on the obligations of the United States, its possessions, and instrumentalities, if such income is exempt from taxation under this chapter by reason of federal law, and has not been previously excluded from gross income for federal tax purposes;

(b) Add an amount equal to taxes based upon or measured by net income imposed by any state of the United States but only to the extent such amount is deducted or excluded by the taxpayer from gross income for federal income tax purposes;

(c) Add the amount excluded from gross income for federal income tax purposes under section 103(a)(1) of the internal revenue code; and

(d) Make the modifications provided for in section 27 of this 1971 amendatory act.

**NEW SECTION.** Sec. 26. A partnership as such shall not be subject to the income tax imposed by this chapter. **NEW SECTION.** Sec. 27. (1) In computing taxable income, there shall be subtracted from adjusted gross income, in the case of an individual, and from taxable income, in the case of a trust or estate:

(a) an amount equal to the portion of any gain included therein arising from the sale or exchange of property occurring prior to the effective date of this chapter;

(b) in the case of any property, acquired by gift prior to the effective date of this chapter, and sold or exchanged on or after the effective date of this chapter an amount equal to that portion of any excess of fair market value of the property on the effective date of this chapter over its adjusted basis for federal tax purposes included in taxable income in the case of a trust or estate, or in adjusted gross income in the case of an individual;

(c) any item or portion thereof included in adjusted gross income, in the case of an individual, and in taxable income, in the case of a trust or estate, because the amount thereof was allowed or allowable as a deduction or credit for purposes of computing federal income tax for a taxable year ending prior to the effective date of this chapter;

(d) an amount equal to that portion of amounts distributed to a beneficiary by a fiduciary during the current year and included in the beneficiary's adjusted gross income, in the case of an individual, and in taxable income, in the case of a trust or estate, for federal income tax purposes, with respect to which a tax has been paid or is payable by the fiduciary under this chapter for a prior taxable year.

(2) In computing taxable income, there shall be added to adjusted gross income, in the case of an individual, and to taxable income, in the case of a trust or estate, an amount equal to any amount allowed or allowable as a deduction for purposes of computing federal taxable income, in the case of a trust or estate, or adjusted gross income in the case of an individual, which is carried forward from a taxable year ending prior to the effective date of this chapter, other than a deduction arising in a taxable year ending after the effective date of this chapter but for federal income tax purposes carried to a year ending prior to the effective date of this chapter.

(3) The modification provided for in this section shall be made in the computation of a partner's distributive share of partnership income.

(3) This chapter shall not apply to a regulated investment company or real estate investment trust as defined in the internal revenue code, except to the extent that such company or trust has taxable income for federal tax purposes.

**NEW SECTION. Sec. 29.** Any taxpayer having income from business activity which is taxable both within and without the state as a financial organization or as a public utility, which activity is not taxable under the provisions of chapter 82.16 RCW, shall allocate and apportion his net income in accordance with regulations to be promulgated by the department, which regulations shall be, insofar as practicable, in conformity with the provisions of sections 1 through 17 of Article IV of RCW 82.56.010 (Multistate Tax Compact).

**NEW SECTION. Sec. 30.** Every employer making a payment of wages or salaries earned in this state shall deduct and withhold a tax in such amount as shall be prescribed in tables promulgated by the department, which tables shall in no event provide for a deduction greater than the amounts indicated in section 19 of this 1971 amendatory act, and which shall be computed by the department in such a manner as to result as closely as possible in annual withholding of the taxpayer's annual tax liability. Every employer making a deduction and withholding as outlined above, shall furnish to the employee a record of the amount of tax withheld from such employee on forms to be prescribed upon request and furnished by the department. Remittance of taxes withheld shall be made at such times and in such manner as are prescribed by regulations to be prescribed by the department, which regulations insofar as practicable shall be in conformity with the provisions of the internal revenue code and regulations adopted thereunder.

**NEW SECTION. Sec. 31.** Every employer or any other person required under any provisions of the internal revenue code to deduct and withhold taxes from wages or salaries making payments of wages or salaries earned in this state, regardless of the place where such payment is made, shall be liable for the payment of the tax required to be deducted and withheld under section 30 of this 1971 amendatory act and shall not be liable to any individual for the amount of any such payment.

**NEW SECTION. Sec. 32.** Every person required to make a return under the provisions of the internal revenue code shall at the same time (including any extensions of time granted by the internal revenue service or allowed by the internal revenue code) render to the department a return setting forth the following:

(1) The amount of tax due, if any, or overpayment of tax, if any, as reported on returns filed with the internal revenue service;

(2) The amount of tax due under this chapter, if any, less credit claimed against tax;

(3) Such other information for the purpose of carrying out the provisions of this chapter as may be prescribed by the department.

The return shall contain a written declaration that it is made under the penalty of

perjury, and the department may prescribe forms accordingly, and such statement shall entail the penalties of perjury.

**NEW SECTION.** Sec. 33. Any taxpayer, may be required by the department to furnish to the department a true and correct copy of any federal tax return which he has filed and any report or other document filed with the internal revenue service or received from the internal revenue service relating to the computation of or adjustment to the taxpayer's federal income tax liability.

**NEW SECTION.** Sec. 34. The time and manner of the payment of the tax imposed by this chapter shall be in accordance with the provisions of the internal revenue code (including the provisions relating to installment payments of estimated income tax) and the regulations promulgated thereunder providing for the time and manner of the payment of the federal income tax: PROVIDED, That the department by regulation may make such modifications and exceptions to such provisions as it deems necessary to facilitate the prompt and efficient collection of the tax.

**NEW SECTION.** Sec. 35. (1) The department is authorized to credit or refund all overpayments of taxes, all taxes erroneously or illegally assessed or collected, all penalties collected without authority, and all taxes that are found unjustly assessed or excessive in amount, or in any manner wrongfully collected. The department shall by means of rules and regulations specify the manner in which claims for credits or refunds shall be made, prescribe limitations and give notice of allowance or disallowance. These rules and regulations shall be based upon the provisions of sections 6401, 6402, 6403, and 6511 of the internal revenue code insofar as such provisions are consistent with other provisions in this chapter, but in no event shall the period of limitations with respect to filing a claim for credit for or refund of an overpayment of the tax imposed by this chapter be less than three years from the time the return was filed or two years from the time the tax was paid, whichever of such period expired later, or if no return was filed by the taxpayer, within two years from the time the tax was paid.

(2) The department shall utilize the administrative provisions prescribed in chapter 82.32 RCW as now or hereafter amended for the enforcement of and the collection of taxes under this chapter; and all remedies, procedures, and penalties prescribed therein shall have full force and binding effect upon all taxpayers and upon the department as though set forth at length in this chapter: PROVIDED, That no person falling exclusively within the class of employee shall be required to register with the department pursuant to RCW 82.32.030.

**NEW SECTION.** Sec. 36. The same period of limitation upon the assessment and collection of taxes imposed under this chapter and the same exceptions thereto shall apply as are provided under sections 6501(a), 6501(c), and 6502(a) of the internal revenue code: PROVIDED, HOWEVER, That if a taxpayer fails to report pursuant to section 33 of this 1971 amendatory act, a change or correction increasing his federal taxable income, or fails to report a change or correction which is treated in the same manner as if it were a deficiency for federal income tax purposes, an assessment may be made at any time: AND PROVIDED FURTHER, That the running of the statute of limitations shall be suspended for the period pending final determination of litigation of or hearing on a taxpayer's federal income tax return: AND PROVIDED FURTHER, That in the event a report of change or correction increasing federal taxable income is made pursuant to section 33 of this 1971 amendatory act, the running of the statute of limitations shall be suspended for a period of one year after such report is made.

**NEW SECTION.** Sec. 37. Any person required to collect, truthfully account for, and pay over any tax imposed by this chapter who wilfully fails to collect such tax, or truthfully account for and pay over such tax, or wilfully attempts in any manner to evade or defeat any such tax or the payment thereof, shall, in addition to other penalties provided by law, be liable to a penalty equal to the total amount of the tax evaded, or not collected, or not accounted for and paid over.

**NEW SECTION.** Sec. 38. In the event that the first taxable year of any taxpayer with respect to which a tax is imposed by this chapter ends prior to December 31st of the calendar year in which this chapter becomes effective (hereinafter referred to as a fractional taxable year), the taxable income for such fractional taxable year shall be the taxpayer's taxable income, computed in accordance with the otherwise applicable provisions of this chapter, for the entire taxable year, adjusted as follows:

(1) Such taxable income shall be multiplied by a fraction, the numerator of which is the number of days in the fractional taxable year and the denominator of which is the number of days in the entire taxable year; or

(2) If the taxpayer so elects, such taxable income shall be adjusted, in accordance with rules of the department, so as to include only such income and be reduced only by such deductions as are attributable to such fractional taxable year, as can be clearly determined from the permanent records of the taxpayer.

Sec. 39. Section 82.08.020, chapter 15, Laws of 1961 as last amended by section 31, chapter 262, Laws of 1969 ex. sess. and RCW 82.08.020 are each amended to read as follows:

There is levied and there shall be collected a tax on each retail sale in this state equal to [four] five and one-half percent of the selling price: [PROVIDED, That upon and after the effective date of the provisions of this amendatory act which impose a tax upon net income, the tax imposed by this section shall be equal to three and one-half percent of the selling price.] PROVIDED, That the rate of tax herein imposed shall be reduced from five and

*one-half percent to four and one-half percent on the first day of January next following a judicial determination by the supreme court of this state that the provisions of this act imposing a graduated net income tax are valid. The tax imposed under this chapter shall apply to successive retail sales of the same property [and to the retail sale of intoxicating liquor by the Washington state liquor stores].*

Sec. 40. Section 82.12.020, chapter 15, Laws of 1961 as last amended by section 32, chapter 262, Laws of 1969 ex. sess. and RCW 82.12.020 are each amended to read as follows:

There is hereby levied and there shall be collected from every person in this state a tax or excise for the privilege of using within this state as a consumer any article of tangible personal property purchased at retail, or acquired by lease, gift, repossession, or bailment, or extracted or produced or manufactured by the person so using the same. This tax will not apply with respect to the use of any article of tangible personal property purchased, extracted, produced or manufactured outside this state until the transportation of such article has finally ended or until such article has become commingled with the general mass of property in this state. This tax shall apply to the use of every article of tangible personal property, including property acquired at a casual or isolated sale, and including byproducts used by the manufacturer thereof, except as hereinafter provided, irrespective of whether the article or similar articles are manufactured or are available for purchase within this state. Except as provided in subdivision (2) of RCW 82.12.030, payment by one purchaser or user of tangible personal property of the tax imposed by chapter 82.08 or 82.12 shall not have the effect of exempting any other purchaser or user of the same property from the taxes imposed by such chapters. The tax shall be levied and collected in an amount equal to the value of the article used by the taxpayer multiplied by the rate of [four] five and one-half percent: [PROVIDED, That upon and after the effective date of the provisions of this amendatory act which impose a tax upon net income, the tax imposed by this section shall be levied and collected in an amount equal to the value of the article used by the taxpayer multiplied by the rate of three and one-half percent.] *PROVIDED, That the rate of tax herein imposed shall be reduced from five and one-half percent to four and one-half percent on the first day of January next following a judicial determination by the supreme court of this state that the provisions of this act imposing a graduated net income tax are valid.*

Sec. 41. Section 82.04.050, chapter 15, Laws of 1961 as last amended by section 1, chapter 8, Laws of 1970 ex. sess. and RCW 82.04.050 are each amended to read as follows:

'Sale at retail' or 'retail sale' means every sale of tangible personal property (including articles produced, fabricated, or imprinted) to all persons irrespective of the nature of their business and including, among others, without limiting the scope hereof, persons who install, repair, clean, alter, improve, construct, or decorate real or personal property or for consumers other than a sale to a person who (a) purchases for the purpose or resale as tangible personal property in the regular course of business without intervening use by such person, or (b) installs, repairs, cleans, alters, imprints, improves, constructs, or decorates real or personal property of or for consumers, if such tangible personal property becomes an ingredient or component of such real or personal property without intervening use by such person, or (c) purchases for the purpose of consuming the property purchased in producing for sale a new article of tangible personal property or substance, of which such property becomes an ingredient or component or is a chemical used in processing, when the primary purpose of such chemical is to create a chemical reaction directly through contact with an ingredient of a new article being produced for sale. The term shall include every sale of tangible personal property which is used or consumed or to be used or consumed in the performance of any activity classified as a 'sale at retail' or 'retail sale' even though such property is resold or utilized as provided, in (a), (b), or (c) above following such use. The term also means every sale of tangible personal property to persons engaged in any business which is taxable under RCW 82.04.280, subsection (2), and 82.04.290.

occupancy of real property for a continuous period of one month or more constitutes a rental or lease of real property and not a mere license to use or enjoy the same; (f) the sale of or charge made for tangible personal property, labor and services to persons taxable under (a), (b), (c), (d), and (e) above when such sales or charges are for property, labor and services which are used or consumed in whole or in part by such persons in the performance of any activity defined as a 'sale at retail' or 'retail sale' even though such property, labor and services may be resold after such use or consumption. Nothing contained in this paragraph shall be construed to modify the first paragraph of this section and nothing contained in the first paragraph of this section shall be construed to modify this paragraph.

The term 'sale at retail' or 'retail sale' shall include the sale of or charge made for personal business or professional services, including amounts designated as interest, rents, fees, admission, and other service emoluments however designated, received by persons engaging in the following business activities: (a) amusement and recreation businesses including but not limited to golf, pool, billiards, skating, bowling, ski lifts and tows and others; (b) abstract, title insurance and escrow businesses; (c) credit bureau businesses; (d) automobile parking and storage garage businesses.

[Upon and after the effective date of the provisions of chapter 262, Laws of 1969 ex. sess., as now or hereafter amended, which impose a tax upon net income, the term shall not include the sale of drugs or medicines either required by law to be dispensed or actually dispensed in accordance with the prescription of a licensed practitioner of one of the healing arts authorized by law to prescribe such drugs or medicines.]

*The term shall not include the sale of prescription drugs or medicines; nor shall it include the sale of food for human consumption off the premises of the seller.*

**NEW SECTION.** Sec. 42. There is added to chapter 15, Laws of 1961 and to chapter 82.08 RCW a new section to read as follows:

For purposes of this chapter, the term 'retail sale' shall mean, in addition to the meaning ascribed to that term in RCW 82.04.050, the charge made with respect to any business activity taxable pursuant to RCW 82.04.290, 82.04.255, subsection (7) of 82.04.260, and subsections (1), (3), (4), (5) and (6) of 82.04.280. For purposes of this section, 'selling price' shall be the gross income of the business, computed without regard to RCW 82.04.460. For purposes of this section, the term 'retail sale' shall not include the charge for professional services (including but not limited to engineering, architectural, legal, and consulting and accounting services) performed for clients located outside the state. For purposes of this section, a corporate client shall be deemed to be located outside the state if it has no business location within the state: PROVIDED, HOWEVER, That for purposes of determining location of a client for architectural, engineering, and land surveying services rendered with respect to construction, the client shall be deemed to be located at the place where the construction takes place.

For purposes of this section, the term 'retail sale' shall not include the charge made for personal business and professional services received by persons engaging in the following business activities: Funeral services.

**NEW SECTION.** Sec. 43. There is added to chapter 15, Laws of 1961 and to chapter 82.12 RCW a new section to read as follows:

There is hereby levied and there shall be collected from every person in this state a tax or excise for the privilege of using within this state the work product or services of a person engaging in the practice of architecture as defined in RCW 18.08.110, in the practice of engineering as defined in RCW 18.43.020, or in the practice of land surveying as defined in RCW 18.43.020. This tax will not apply with respect to the use of such work product or service produced or performed outside this state unless used in connection with any project, development, improvement, tangible property, facility, or structure, located or to be located within this state, or with respect to the use of work products or services if the production or performance thereof has been subjected to tax under chapter 82.08 RCW, and if such tax has been paid by the buyer of such work products or services.

**NEW SECTION.** Sec. 44. Sections 42 through 43 shall expire upon the date the provisions of this 1971 amendatory act which impose a tax upon net income become effective.

**NEW SECTION.** Sec. 45. It is the intent of the legislature that the tax imposed on incomes by this act shall be a tax on incomes only, and not a tax on property. Prior judicial decisions create uncertainty about the effect of sections of this act relating to the said tax, and it is in the public interest that such uncertainty be removed prior to the collection of taxes pursuant to those sections. Accordingly, the attorney general is authorized and

directed to immediately commence an action in the superior court of Thurston county to obtain a declaratory judgment of the validity of this act. All taxpayers of the state shall be deemed to be defendants. The court shall enter an order naming one or more residents of the state, who will apparently be subject to the income tax provisions of this act, to be representative of all taxpayers, and service upon the representative taxpayers shall be deemed service upon all taxpayers, except such as may intervene.

The court shall fix and allow reasonable attorneys' fees to be paid counsel who represent the representative taxpayers, and such fees and costs shall be taxed against the plaintiff. If the said superior court determines that any part of this act is invalid the attorney general shall perfect an expeditious appeal to the state supreme court, to the end that there may be a final determination of this act's validity or invalidity prior to January 1, 1972. Costs and reasonable attorneys' fees on appeal, incurred by the representative taxpayers as appellants or respondents, shall be taxed against the plaintiff: PROVIDED, That any taxpayer or prospective taxpayer may, at his own expense, intervene in the said action and be represented therein by his own counsel.

*NEW SECTION.* Sec. 46. The following acts or parts of acts are each repealed:

(1) Section 1, chapter 174, Laws of 1965 ex. sess., section 1, chapter 146, Laws of 1967 ex. sess., section 6, chapter 92, Laws of 1970 ex. sess. and RCW 84.54.010;

(2) Section 1, chapter 132, Laws of 1967 ex. sess., section 62, chapter 262, Laws of 1969 ex. sess. and RCW 84.36.128; and

(3) Section 3, chapter 8, Laws of 1970 ex. sess. and RCW 84.36.129.

*NEW SECTION.* Sec. 47. If any provision of this 1971 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

*NEW SECTION.* Sec. 48. (1) Sections 18 through 38 of this 1971 amendatory act shall take effect January 1, 1972;

(2) All other provisions of this 1971 amendatory act are necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1971."

#### POINT OF ORDER

Mr. Bottiger: "Mr. Speaker, pursuant to Rule 32 of the Rules of the House, which is an adaptation of the Constitution designed to protect the people from mysterious amendments being enacted by the legislature, I would point out that House Bill No. 283 is an act pertaining to real property taxation. The amendment offered by Representative Grant and the amendments thereafter to the amendment evade the scope and object of Substitute House Bill No. 283 and expand it into the taxation of income, the taxation pertaining to sales tax and exemptions thereto, and grossly expand the scope and object of House Bill No. 283 or the amendments adopted thereto."

#### POINT OF ORDER

Mr. Grant: "Mr. Speaker, Substitute House Bill No. 283 is an act relating to revenue and taxation, not specifically relating to real property taxation. The original bill as it was introduced dealt with revenue and taxation. It was a title only bill when it was first introduced, and I would suggest that even the adoption of the substitute motion to Substitute House Bill No. 283 for the original bill would, by Mr. Bottiger's interpretation, expand the scope and object and would have been out of order."

#### POINT OF ORDER

Mr. Hoggins: "Before you rule, I would like to make a comment regarding a pending amendment to this bill and would ask if this be a part of the ruling—that you consider whether it would be possible for the House to act on a pending amendment before you rule on the scope and object, or if it would be possible for you to consider the pending amendment in your decision."

#### RULING BY THE SPEAKER

The Speaker: "I am afraid the Speaker will have to rule on points of order as they are made. The Speaker has examined the amendment in detail, and also the original bill which is Substitute House Bill No. 283. I, also, am aware of the number of amendments which have been adopted by this House to that particular measure, and am generally familiar with their scope and object. Under House Rule No. 32 and under Reed's interpretation of expanding scope and object, such as Rule No. 160, the title alone is not the sole criteria for whether a particular amendment expands the scope and object of the bill. It is the body of the bill and what it is intended to do. Regardless of whether any points of order were made to prior

amendments which have been adopted by this House, each one of those amendments did pertain in some measure to the matter of property, the matter of evaluation or appraisal thereof, and the matter of taxation of that property. Earlier in this session on March 3, and by reference I will refer to that ruling, I ruled out of order, on a tax measure dealing with the taxation of leasehold estates, one of the amendments which was subsequently adopted, or similar to an amendment adopted, to Substitute House Bill No. 283. I ruled that it was not germane at that particular time and expanded the scope and object of that bill. I relied in that ruling primarily on a ruling and precedent which has been established last session that an amendment dealing with the exemption of certain classes of people from the sales tax was not germane to a bill pertaining to interest on delinquent inheritance taxes—that to get into another area of taxation would be to expand the scope and object of the original bill. Based on that precedent and my ruling of March 3, 1971, and House Rule 32 and the interpretation of Mr. Reed on that House rule, I find that the point of order is well taken, and the amendment is not germane.”

Mr. Shera moved adoption of the following amendment by Representatives Shera and Pardini:

On page 11 add a new section following section 16 as follows:

“NEW SECTION, Sec. 17. A corporation, trust, or estate whose total net profits after taxes in 1970 or in its fiscal year ending in 1970 if its fiscal year is other than the calendar year from all sources whatsoever, did not exceed six thousand dollars shall for the purposes of sections 2 and 3 of this 1971 amendatory act be deemed to be a ‘qualified taxpayer’ as that term is defined in section 1 of this 1971 amendatory act and any real property used for the purposes of the corporation, trust, or estate shall be deemed to be a ‘qualified residence’ as that term is defined in section 1 of this 1971 amendatory act.”

Remember the remaining sections consecutively.

Representatives Shera and Pardini spoke in favor of the amendment, and Representatives Bottiger and Charette spoke against it.

The amendment by Representatives Shera and Pardini to Substitute House Bill No. 283 was not adopted.

Mr. Barden moved adoption of the following amendment:

On page 11, after section 16 add a new section as follows:

“NEW SECTION, Sec. 17. The department of revenue shall periodically review each county’s assessment ratios and shall require that all counties assess property at the same ratio.”

Mr. Barden spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Barden yielded to question by Mr. Wanamaker.

Mr. Wanamaker: “I will admit that you have a good idea, but how do you propose that you are going to enforce this any different from what has been going on in the past?”

Mr. Barden: “This amendment, Representative Wanamaker, will authorize and require the Department of Revenue to (as I shall read it): ‘. . . periodically review each county’s assessment ratios and shall require that all counties assess property at the same ratio.’ As you know the Department of Revenue in the state monitors the assessment or property taxes among and between the counties in this state, and has pointed out continuously the great disparity that exists. The department has this information, and this amendment grants it the authority to require that the taxes be levied at the same ratio.”

Mr. Flanagan spoke against adoption of the amendment, and Mr. Litchman spoke in favor of it.

The amendment by Mr. Barden was lost on a rising vote.

Mr. Bottiger moved adoption of the following amendment:

On page 12 following section 17 insert the following section:

“Sec. 18. Section 1, chapter . . . . (Engrossed House Bill No. 166), Laws of 1971 first extraordinary session, is hereby amended to read as follows:

Any person assessing real property for purposes of taxation and persons acting as assistants or deputies to a county assessor under RCW 36.21.011 as now or hereafter amended, shall have first:

(1) Graduated from an accredited high school or passed a high school equivalency examination;

(2) Had at least one year of experience in transactions involving real property, in appraisal of real property, or in assessment of real property, or at least one year of experience in a combination of the three;

(3) Become knowledgeable in repair and remodeling of buildings and improvement of land, and in the significance of locality and area to the value of real property; and

(4) Become knowledgeable in the standards for appraising property set forth by the department of revenue.

The department of personnel shall prepare with the advice of the department of revenue and administer an examination on the subjects of subsections (3) and (4), and no person shall assess real property for purposes of taxation without having passed said examination. A person passing said examination shall be certified accordingly by the director of the department of personnel: PROVIDED, HOWEVER, That this section shall not apply to any person who prior to the effective date of this act shall have either:

(1) Been certified as a real property appraiser by the department of personnel.

Mr. McDermott spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. McDermott yielded to question by Mr. Bottiger.

Mr. Bottiger: "It has become popular to ask what the fiscal impact of an amendment would be. Did you research that question?"

Mr. McDermott: "Yes, this amendment would bring to the state something in excess of 500 million dollars."

Mr. Bottiger: "Mr. McDermott, did you happen to get the subtractions? You have taken out the exemptions, and now that you have amended out all of the taxes as well, is there a loss?"

Mr. McDermott: "The bill that we just finished amending here, to the best information that I can get (and I take as my source Mr. Flanagan) is that we have now given away approximately fifty million dollars to school districts, counties, towns, etc. We have given some relief to the so-called little people that we talk about, but we have also passed out the back door a handfull of big bills to a lot of other people. So we have given that away, and I felt it was necessary to find some way to sort of balance it up a little bit."

Representatives Bottiger and Bledsoe spoke against adoption of the amendment.

The amendment by Mr. McDermott to Substitute House Bill No. 283 was not adopted.

Mr. Wolf moved adoption of the following title amendment by Representatives Sawyer, Wolf, Bottiger and Zimmerman:

On motion of Mr. Eikenberry, the following amendment to the title was adopted:

In line 8 of the title after the semicolon following "84.48 RCW" and before "creating" insert "adding a new chapter to Title 84 RCW;"

On motion of Mr. Eikenberry, the following amendment to the title was adopted:

In line 15 of the title after the semicolon following "RCW 84.54.010" and before "and" insert "providing an effective date;"

ENGROSSED SENATE BILL NO. 411, regulating outdoor music festivals, reported by Committee on Local Government.

MAJORITY recommendation: Do pass with the following amendment:

On page 1 after the enacting clause strike the remainder of the bill and insert the following:

"NEW SECTION. Section 1. The legislature hereby declares it to be in the public

interest, and for the protection of the health, welfare and property of the residents of the state of Washington to provide for the orderly and lawful conduct of outdoor music festivals by assuring that proper sanitary, health, fire, safety, and police measures are provided and maintained. This invocation of the police power is prompted by and based upon prior experience with outdoor music festivals where the enforcement of the existing laws and regulations on dangerous and narcotic drugs, indecent exposure, intoxicating liquor, and sanitation has been rendered most difficult by the flagrant violations thereof by a large number of festival patrons.

**NEW SECTION.** Sec. 2. All ordinances, regulations, and requirements promulgated by counties, cities and other political subdivisions of the state of Washington, insofar as they may now or hereafter provide for the regulation of outdoor music festivals, are hereby superseded by this act.

**NEW SECTION.** Sec. 3. For the purposes of this act the following words and phrases shall have the indicated meanings:

(1) 'Outdoor music festival' or 'music festival' or 'festival' means an assembly of persons gathered primarily for outdoor, live or recorded musical entertainment, where the predicted attendance is two thousand persons or more and where the duration of the program is five hours or longer: PROVIDED, That this definition shall not be applied to any regularly established permanent place of worship, stadium, athletic field, arena, auditorium, coliseum, or other similar permanently established places of assembly for assemblies which do not exceed by more than two hundred fifty people the maximum seating capacity of the structure where the assembly is held: PROVIDED, FURTHER, That this definition shall not apply to government sponsored fairs held on regularly established fairgrounds nor to assemblies required to be licensed under other laws or regulations of the state.

(2) 'Promoter' means any person or other legal entity issued a permit to conduct an outdoor music festival.

(3) 'Applicant' means the promoter who has the right of control of the conduct of an outdoor music festival who applies to the appropriate legislative authority for a license to hold an outdoor music festival.

(4) 'Issuing authority' means the legislative body of the local governmental unit where the site for an outdoor music festival is located.

(5) 'Participate' means to knowingly provide or deliver to the festival site supplies, materials, food, lumber, beverages, sound equipment, generators, or musical entertainment and/or to attend a music festival. A person shall be presumed to have knowingly provided as that phrase is used herein after he has been served with a court order.

**NEW SECTION.** Sec. 4. No person or other legal entity shall knowingly allow, conduct, hold, maintain, cause to be advertised or permit an outdoor music festival unless a valid permit has been obtained from the issuing authority for the operation of such music festival as provided for by this act. One such permit shall be required for each outdoor music festival. A permit may be granted for a period not to exceed sixteen consecutive days and a festival may be operated during any or all of the days within such period. Any person, persons, partnership, corporation, association, society, fraternal or social organization, failing to comply with the rules, regulations or conditions contained in this act shall be subject to the appropriate penalties as prescribed by this act.

**NEW SECTION.** Sec. 5. Application for an outdoor music festival permit shall be in writing and filed with the clerk of the issuing authority wherein the festival is to be held. Said application shall be filed not less than sixty days prior to the first scheduled day of the festival and shall be accompanied with a permit fee in the amount of two thousand five hundred dollars. (7) The scheduled performances and program;

(8) Written confirmation from the local health officer that he has reviewed and approved plans for site and development in accordance with rules, regulations and standards adopted by the state board of health. Such rules and regulations shall include criteria as to the following and such other matters as the state board of health deems necessary to protect the public's health:

(b) The names and addresses of all traffic and crowd control personnel shall be provided to the appropriate law enforcement authority: PROVIDED, That not less than twenty percent of the traffic and crowd control personnel shall be commissioned police officers or deputy sheriffs.

(12) A written statement of the applicant that all state and local law enforcement officers, fire control officers and other necessary governmental personnel shall have free access to the site of the outdoor music festival.

(13) A statement that the applicant will abide by the provisions of this act.

(14) The verification of the applicant warranting the truth of the matters set forth in the application to the best of the applicant's knowledge, under the penalty of perjury.

**NEW SECTION. Sec. 6.** Within fifteen days after the filing of the application the issuing authority shall either approve or deny the permit to the applicant. Any denial shall set forth in detail the specific grounds therefor. The applicant shall have ten days after the receipt of such denial or such additional time as the issuing authority shall grant to correct the deficiencies set forth and the issuing authority shall within five days after receipt of such corrections either approve or deny the permit. Any denial shall set forth in detail the specific grounds therefor.

After the applicant has filed corrections and the issuing authority has thereafter again denied the permit, the applicant may within five days after receipt of such second denial seek judicial review of such denial by filing a petition in the superior court for the county of the issuing authority. The review shall take precedence over all other civil actions and shall be conducted by the court without a jury. The court shall, upon request, hear oral argument and receive written briefs and shall either affirm the denial or order that the permit be issued. An applicant may not use any other procedure to obtain judicial review of a denial.

**NEW SECTION. Sec. 7.** Any local agency requested by an applicant to give written approval as required by section 5 of this act may within fifteen days after the applicant has filed his application apply to the issuing authority for reimbursement of expenses reasonably incurred in reviewing such request. Upon a finding that such expenses were reasonably incurred the issuing authority shall reimburse the local agency therefor from the funds of the permit fee. The issuing authority shall prior to the first scheduled date of the festival return to the applicant that portion of the permit fee remaining after all such reimbursements have been made.

**NEW SECTION. Sec. 8.** After the application has been approved the promoter shall deposit with the issuing authority, a cash deposit or surety bond in the amount of fifty thousand dollars. The bond or deposit shall be used to pay any costs or charges incurred to regulate health or to clean up afterwards outside the festival grounds or any extraordinary costs or charges incurred to regulate traffic or parking. The bond or other deposit shall be returned to the promoter when the issuing authority is satisfied that no claims for damage or loss will be made against said bond or deposit, or that the loss or damage claimed is less than the amount of the deposit, in which case the uncommitted balance thereof shall be returned: PROVIDED, That the bond or cash deposit or the uncommitted portion thereof shall be returned not later than thirty days after the last day of the festival.

In addition, the promoter shall be required to furnish evidence that he has in full force and effect a liability insurance policy in an amount of not less than one hundred thousand dollars bodily injury coverage per person covering any bodily injury negligently caused by any officer or employee of the festival while acting in the performance of his or her duties. The policy shall name the issuing authority of the permit as an additional named insured.

In addition, the promoter shall be required to furnish evidence that he has in full force and effect a one hundred thousand dollar liability property damage insurance policy

covering any property damaged due to negligent failure by any officer or employee of the festival to carry out duties imposed by this act. The policy shall have the issuing authority of the permit as an additional named insured.

**NEW SECTION.** Sec. 9. Revocation of any permit granted pursuant to this act shall not preclude the imposition of penalties as provided for in this act and the laws of the state of Washington. Any permit granted pursuant to the provisions of this act to conduct a music festival shall be summarily revoked by the issuing authority when it finds that by reason of emergency the public peace, health, safety, morals or welfare can only be preserved and protected by such revocation.

Any permit granted pursuant to the provisions of this act to conduct a music festival may otherwise be revoked for any material violation of this act or the laws of the state of Washington after a hearing held upon not less than three days notice served upon the promoter personally or by certified mail.

Every permit issued under the provisions of this act shall state that such permit is issued as a measure to protect and preserve the public peace, health, safety, morals and welfare, and that the right of the appropriate authority to revoke such permit is a consideration of its issuance.

**NEW SECTION.** Sec. 10. No person, persons, partnership, corporation, association, society, fraternal or social organization to whom a music festival permit has been granted shall, during the time an outdoor music festival is in operation, knowingly permit or allow any person to bring upon the premises of said music festival, any narcotic or dangerous drug as defined by chapters 69.33 or 69.40 RCW, or knowingly permit or allow narcotic or dangerous drug to be consumed on the premises, and no person shall take or carry onto said premises any narcotic or dangerous drug.

**NEW SECTION.** Sec. 11. No music festival shall be operated in a location which is closer than one thousand yards from any schoolhouse or church, or five hundred yards from any house, residence or other human habitation unless waived by occupants.

**NEW SECTION.** Sec. 12. No person under the age of sixteen years shall be admitted to any outdoor music festival without the escort of his or her parents or legal guardian and proof of age shall be provided upon request.

**NEW SECTION.** Sec. 13. Any permit granted pursuant to this act shall be posted in a conspicuous place on the site of the outdoor music festival and such permit shall be not transferable or assignable without the consent of the issuing authority.

Any person who shall violate any provision of this act or knowingly participate in a music festival, or who shall, having obtained a permit pursuant to this act, wilfully fail to comply with the rules, regulations and conditions set forth in this act or who shall aid or abet such a violation or failure to comply, shall be deemed guilty of a gross misdemeanor.

**NEW SECTION.** Sec. 15. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION.** Sec. 16. Sections 1 through 15 of this act shall be added to Title 70 RCW.

**NEW SECTION.** Sec. 17. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

SENATE BILL NO. 125, by Senators Odegaard, Lewis and Talley (by Departmental request):

Providing changes in approval of persons for participation in work release programs.  
The bill was read the second time.

Mr. Kiskaddon moved adoption of the following amendment by Representatives Kiskaddon and Sawyer:

At the end of section 1 insert the following:

"NEW SECTION. Sec. 2. As used in this act the following terms shall have the following meanings:

'Department' means the department of social and health services.

'Secretary' means the secretary of the department of social and health services, or his designee.

NEW SECTION. Sec. 3. The secretary is authorized to grant furloughs to persons convicted of a felony and serving a sentence for a term of confinement in a state correctional institution, except those persons who are serving mandatory minimum terms of confinement as now or hereafter provided by law. Any furlough granted by the secretary shall authorize the release of the convicted person from confinement by the superintendent of a state correctional institution and may require the supervision of the prisoner by a state probation and parole officer at a place designated in the order of furlough within this state for a period not to exceed thirty days under such terms and conditions as the secretary may deem appropriate: PROVIDED, That no more than sixty days of furlough shall be granted in any one year.

NEW SECTION. Sec. 4. Any prisoner eligible to be granted a furlough by the secretary may make application to the superintendent of the state correctional institution of confinement upon forms supplied by the department. The application shall set forth the place of proposed residence of the applicant and the names of the persons with whom the applicant will be residing and the relationship to the applicant; a proposed plan or program to be followed during the period of furlough and the reasons why the applicant believes such plan or program will be of aid in his rehabilitation and enhance his prospects for a successful parole if granted by the board of prison terms and paroles. The application shall also include a statement to be executed by such prisoner that if his application be approved and he is granted a furlough, he agrees to abide by all terms and conditions of the furlough plan adopted for him. The application shall also contain such other information as the secretary may require. The superintendent of the state correctional institution to whom application has been made by a prisoner for a furlough shall review the prisoner's conduct, attitude and behavior within all of the institutions under the jurisdiction of the department, his criminal history and all other pertinent case history material and shall determine whether or not there is reasonable cause to believe that the prisoner will honor his trust if granted a furlough by the secretary. After having made such determination, the superintendent, in his discretion, may, subject to the concurrence of the secretary, deny the prisoner's application for a furlough or recommend to the secretary that the prisoner be granted a furlough.

NEW SECTION. Sec. 5. The secretary, after such investigation as he may deem necessary, may approve, reject, modify, or defer action on a recommendation for furlough. In the event of approval, the secretary shall adopt a furlough plan for the prisoner, and the terms and conditions of such furlough plan shall be set forth in the order of furlough with such other terms and conditions as may be deemed necessary and proper under the circumstances. The order of furlough may grant more than one furlough at such intervals and with such conditions as may be deemed appropriate and such furloughs may be granted on the basis of a single application. The order of furlough shall be signed by the prisoner under oath that he will faithfully abide by all terms and conditions of the order of furlough.

NEW SECTION. Sec. 6. At any time after approval has been granted for a furlough to any prisoner, such approval or order of furlough may be revoked, and if the prisoner has been released on an order of furlough, he may be returned to a state correctional institution, or the plan may be modified, in the discretion of the secretary. Any prisoner whose

furlough application is rejected may reapply for a furlough after such period of time has elapsed as shall be determined at the time of rejection by the superintendent or secretary, whichever person initially rejected the application for furlough, such time period being subject to modification.

*NEW SECTION.* Sec. 7. Any furloughed prisoner who wilfully fails to return to the designated place of confinement at the time specified in the order of furlough shall be deemed an escapee and fugitive from justice, and upon conviction shall be guilty of a felony and sentenced to a term of confinement of not more than ten years. The provisions of this section shall be incorporated in every order of furlough granted by the department.

*NEW SECTION.* Sec. 8. The department may provide or arrange for transportation for furloughed prisoners to the designated place of residence within the state and may, in addition, supply funds not to exceed forty dollars and suitable clothing, such clothing to be returned to the institution on the expiration of furlough.

*NEW SECTION.* Sec. 9. The secretary may enter into agreements with any agency of the state, a county, a municipal corporation or any person, corporation or association for the purpose of implementing furlough plans, and, in addition, may make such rules and regulations in furtherance of this act as he may deem necessary.

*NEW SECTION.* Sec. 10. The secretary may issue warrants for the arrest of any prisoner granted a furlough, at the time of the revocation of such furlough, or upon the failure of the prisoner to report as designated in the order of furlough. Such arrest warrants shall authorize any law enforcement, probation and parole or peace officer of this state, or any other state where such prisoner may be located, to arrest such prisoner and to place him in physical custody pending his return to confinement in a state correctional institution. Any state probation and parole officer, if he has reasonable cause to believe that a person granted a furlough has violated a condition of his furlough, may suspend such person's furlough and arrest or cause the arrest and detention in physical custody of the furloughed prisoner, pending the determination of the secretary whether the furlough should be revoked. The probation and parole officer shall report to the secretary all facts and circumstances and the reasons for the action of suspending such furlough. Upon the basis of the report and such other information as the secretary may obtain, he may revoke, reinstate or modify the conditions of furlough, which shall be by written order of the secretary. If the furlough is revoked, the secretary shall issue a warrant for the arrest of the furloughed prisoner and his return to a state correctional institution.

*NEW SECTION.* Sec. 11. This act shall become effective on July 1, 1971."

Mr. Kiskaddon spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Kiskaddon yielded to question by Mr. Gladder.

Mr. Gladder: "I don't recall whether I read it or heard about it, but somewhere proposals are being made to give exconvicts preferential credit on state jobs and to give them credit in the state retirement system for time spent in institutions. Is there any truth to that?"

Mr. Kiskaddon: "I have not heard of any such proposals."

Mr. Gladder: "Is there anything in this amendment pertaining to additional privileges besides furloughs? I haven't had time to read it."

Mr. Kiskaddon: "No."

Mr. Eikenberry spoke against adoption of the amendment and Mr. Ross spoke in favor of it.

The amendment by Representatives Kiskaddon and Sawyer to Senate Bill No. 125 was adopted.

On motion of Mr. Kiskaddon, the following amendment to the title was adopted:

On page 1, line 1 of the title after "programs" insert "and furloughs" and on line 2 after "RCW 72.65.130" delete the period and insert "; and creating new sections and declaring an effective date."

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Senate Bill No. 125 as amended by the House was placed on final passage.

Mr. Kiskaddon spoke in favor of passage of the bill.

Senate Concurrent Resolution No. 5 as amended by the House, having received the constitutional majority, was declared passed.

#### PERSONAL PRIVILEGE

Mr. Benitz: "I note by the hometown newspaper that one of our House members, Representative Kilbury of Pasco, is having a difficult time. It indicates that he is not only homesick, but because of the wet Olympia climate he has developed rheumatism in his shoulders and hips, and he is unable, or at least it is very difficult for him to rise and take

the microphone as we once saw him do. I would suggest if we could help get him out of here we would be much better off."

#### PERSONAL PRIVILEGE

Mr. Kilbury: "Mr. Speaker, ladies and gentlemen of the House: I very much appreciate the concern of the gentleman from Benton about my health. I want to assure him if he makes very many more reports on the floor of the House like that, it will make it much easier for me to get up and down."

HOUSE BILL NO. 5, by Representatives Moon, Merrill, Adams, Bagnariol, Kilbury, Martinis, Van Dyk and Wojahn:

Including fiscal impact of tax exemptions, deductions, exclusions and credits in budget document.

The bill was read the second time.

Mr. Moon spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Moon yielded to question by Mr. Julin.

Mr. Julin: "Representative Moon, does this act have a termination date of 1977?"

Mr. Moon: "No, the House Joint Resolution does."

Mr. Mentor spoke against passage of the bill.

#### POINT OF INQUIRY

Mr. Moon yielded to question by Mr. O'Brien.

Mr. O'Brien: "Mr. Moon, what is the purpose of this bill in relation to House Joint Resolution No. 1? Does it implement House Joint Resolution No. 1? The purposes are apparently somewhat unrelated. Could you define the reason back of House Bill No. 5 in relation to House Joint Resolution No. 1?"

Mr. Moon: "Yes, Representative O'Brien. I thought these bills were fairly easily understood. House Bill No. 5 requires that the Governor, when he prepares the budget document, list in the budget the tax exemptions and total amount of money that is more or less handed out the backdoor, would we say, in the form of not appropriations but by way of exemptions. This would give the Appropriations Committee and the legislature an opportunity to know just what the level of our tax base is, whether it has been eroded a lot, or just a little. House Joint Resolution No. 1 deals with another matter. It deals with a method of reviewing the exemptions that would have to be listed in the budget under House Bill No. 5."

Mr. Kraabel spoke in favor of passage of the bill.

#### ROLL CALL

The Clerk called the roll on the final passage of House Bill No. 5, and the bill passed the House by the following vote: Yeas, 81; nays, 13; absent or not voting, 5.

Voting yea: Representatives Adams, Anderson, Bagnariol, Barden, Bauer, Beck, Benitz, Berentson, Blair, Bledsoe, Bottiger, Bradley, Brouillet, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conner, Conway, Costanti, Cunningham, Curtis, Farr, Flanagan, Gallagher, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Haussler, Hoggins, Hubbard, Hurley, Jastad, Johnson, Jones, Julin, Kilbury, King, Kirk, Kiskaddon, Knowles, Kopet, Kraabel, Litchman, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Merrill, Moon, Morrison, Newhouse, North, Perry, Polk, Rabel, Randall, Rosellini, Ross, Savage, Sawyer, Schumaker, Shinpoch, Smith, Smythe, Spanton, Thompson, Van Dyk, Wanamaker, Williams, Wojahn, Wolf—81.

Voting nay: Representatives Amen, Bluechel, Bozarth, Eikenberry, Grant, Kuehnle, Mentor, O'Brien, Pardini, Paris, Shera, Zimmerman, Mr. Speaker—13.

Absent or not voting: Representatives Backstrom, Copeland, Douthwaite, Hatfield, Jueling—5.

House Bill No. 5, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

#### EXPLANATION OF VOTE

I voted "no" on House Bill No. 5 because to do what this measure asks would be almost an incredibly difficult possibility. The extra bookwork makes it a very unworkable measure. While the aim is worthy, I think its implementation is most difficult. I think that we can get at this problem in some better way than passing a statute making this a requirement. I would hope we could do this through the Legislative Budget Committee's improved efforts that it already has done, and with the close working with OPP & FM. The language from lines 19 through 26 in my mind is unworkable. HAROLD S. (HAL) ZIMMERMAN, 17th District.

#### MOTION

On motion of Mr. Morrison, the House reverted to the sixth order of business.

#### INTRODUCTION AND FIRST READING

SENATE JOINT MEMORIAL NO. 17, by Senators Mardesich, Clarke, Cooney, Day, Fleming, Foley, Gardner, Gissberg, Huntley, Keefe, Knoblauch, McDougall, Newschwander, Peterson (Lowell), Twigg, Walgren and Whetzel:

Requesting federal legislation exempting certain gas company mergers from the anti-trust laws.

On motion of Mr. Morrison, the rules were suspended, Senate Joint Memorial No. 17 was advanced to second reading and read the second time.

Mr. Barden moved adoption of the following amendment:

On page 3, line 3 after "legislation" strike everything down through "1960" on line 7 and insert "repealing all federal anti-trust statutes"

Mr. Barden spoke in favor of the amendment.

#### POINT OF ORDER

Mr. Pardini: "I don't know whether you agreed with Representative Barden to allow him to stray this far from the amendment."

#### RULING BY THE SPEAKER

The Speaker: "His amendment is very, very broad. Since it virtually changes the whole intent of the memorial if it is adopted, I think we would have to grant his request to talk about the merits of the memorial. But Mr. Barden, you are straying quite far away from the measure itself."

Mr. Barden continued his remarks in favor of the amendment.

#### POINT OF ORDER

Mr. Grant: "Mr. Speaker, by your previous rulings, I think that the amendment is out of order because it broadens the scope and object."

#### RULING BY THE SPEAKER

The Speaker: "I don't think so, Mr. Grant. It deals with the same subject, but it does carry it a lot, lot farther."

#### POINT OF ORDER

Mr. Perry: "I also rise a point of order and would respectfully point out to the Speaker that we don't have any power to make any laws whatsoever for the United States government. Therefore Mr. Barden's amendment isn't even within the scope of reality."

## RULING BY THE SPEAKER

The Speaker: "I would be happy to recognize you to speak against it, Mr. Perry. Continue, Mr. Barden. You have about three more minutes."

Mr. Barden concluded his remarks in favor of the amendment to Senate Joint Memorial No. 17.

Mr. Curtis spoke against the amendment by Mr. Barden.

The amendment by Mr. Barden was not adopted.

On motion of Mr. Morrison, the rules were suspended, the second reading considered the third, and Senate Joint Memorial No. 17 was placed on final passage.

Mr. Pardini spoke in favor of the memorial.

## POINT OF INQUIRY

Mr. Curtis yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Curtis, the only way that I know that any utility—electric utility or gas utility—can get a rate increase is to apply to the public utilities commission or the interstate commerce commission, whichever. There is no other way that it can be done, so I don't understand how you can say that this will increase the rates by 15 to 25 million dollars. This utility has to get a rate increase from the regulatory agency before they can raise their rates."

Mr. Curtis: "That is correct, Representative Flanagan, to the best of my knowledge. The problem with this is simply: There is approximately 170 million dollars in bonded indebtedness that El Paso has involved in this pipeline. If they are required to divest themselves, then whatever company is granted the right to assume that debt must then assume it at what would be a substantially higher rate of interest. First of all, El Paso is paying, I think, five and one-half percent on this bonded indebtedness. Today's market, coupled with a company without experience in this area, would probably be a minimum of eight and three-quarters, up to maybe nine or ten percent. In addition to that, a number of these companies that might possibly be interested are investment companies where they need to show an additional return on top of that. That puts them in an excellent position of then going to the Utilities Commission and saying, 'look, we can't make money on the rates as they are now.' The Utilities Commission has the right then to judge whether this is the case or not, and would undoubtedly say 'yes,' and would thus grant the rate increase."

Mr. Flanagan: "I don't think that is the basis for getting a rate increase, Representative Curtis. I think you have other factors involved in getting a rate increase. The fact of the matter is that El Paso Natural Gas has been trying to get rate increases for the last ten years all over the United States. They have had such great difficulty that this is the reason they are not making any money, and I don't think this is the basis for requesting a rate increase."

Representatives Barden and Julin spoke against final passage of the memorial.

Mr. Pardini closed debate, speaking in favor of the memorial.

## ROLL CALL

The Clerk called the roll on the final passage of Senate Joint Memorial No. 17, and the memorial passed the House by the following vote: Yeas, 52; nays, 41; absent or not voting, 6.

Voting yea: Representatives Adams, Bagnariol, Beck, Benitz, Berentson, Bledsoe, Bozarth, Brouillet, Brown, Ceccarelli, Chatalas, Conner, Conway, Copeland, Curtis, Gallagher, Gladder, Harris, Haussler, Hoggins, Hurley, Johnson, Jones, Jueling, Kilbury, King, Knowles, Kopet, Kuehnle, Litchman, Luders, Lynch, Martinis, Marzano, May, McCormick, Mentor, Merrill, Morrison, Newhouse, Pardini, Perry, Polk, Rosellini, Sawyer, Shera, Smythe, Spanton, Wojahn, Wolf, Zimmerman, Mr. Speaker—52.

Voting nay: Representatives Amen, Anderson, Barden, Bauer, Blair, Bluechel, Bottiger, Bradley, Charette, Charnley, Costanti, Cunningham, Eikenberry, Farr, Flanagan, Gilleland, Goldsworthy, Grant, Hansey, Hubbard, Jastad, Julin, Kirk, Kiskaddon, Kraabel, Lysen, Marsh, Maxie, North, O'Brien, Paris, Rabel, Randall, Ross, Savage, Schumaker, Shipoch, Smith, Thompson, Wanamaker, Williams—41.

Absent or not voting: Representatives Backstrom, Douthwaite, Hatfield, McDermott, Moon, Van Dyk—6.

Senate Joint Memorial No. 17, having received the constitutional majority, was declared passed.

### MESSAGE FROM THE SENATE

April 16, 1971.

Mr. Speaker: The Senate has adopted the report of the Conference Committee on ENGROSSED HOUSE BILL NO. 415, and has passed the bill as amended by the

Conference Committee, and said bill together with the report of the Conference Committee is herewith transmitted.

SIDNEY R. SNYDER, Secretary.

#### REPORT OF CONFERENCE COMMITTEE

April 16, 1971.

MR. SPEAKER:  
MR. PRESIDENT:

We, of your Conference Committee, to whom was referred ENGROSSED HOUSE BILL NO. 415, providing for the investigation and control of pesticide poisoning, have had the same under consideration, and we recommend that the Senate recede from its amendment to page 2, section 4, line 33 of the printed House Committee amendment, and that the House concur with all other Senate amendments to the printed House Committee amendment.

Signed by Senators Jolly, Matson and Donohue; Representatives Amen, Van Dyk and Costanti.

#### MOTION

Mr. Morrison moved that the report of the Conference Committee on Engrossed House Bill No. 415 be adopted.

#### POINT OF ORDER

Mr. Grant: "Point of order, Mr. Speaker, Rule 88, adopted by this House, provides that the House shall have twenty-four hours from the time of receipt to consider reports from Free Conference committees. I think Representative Morrison's motion would require a suspension of that rule."

#### RULING BY THE SPEAKER

The Speaker: "Those are reports of Free Conference, Mr. Grant, if you will read the rule. This is a conference report. The Conference Committee has simply accepted some and rejected others of the amendments which were already placed on the bill by the two bodies. I would, however, appreciate explanatory remarks from a member of the Conference Committee."

Mr. Amen spoke in favor of the motion to adopt the report of the Conference Committee.

#### POINT OF INQUIRY

Mr. Amen yielded to question by Mr. Julin.

Mr. Julin: "Representative Amen, one of the amendments deals with the taking of human tissue. Could you tell me whether or not the act as it now is, and with the proposed amendments, would insure and make it mandatory that the taking of human tissue be performed by someone who is medically qualified to do that?"

Mr. Amen: "Let me check the bill on this."

#### ANNOUNCEMENT BY THE SPEAKER

The Speaker: "The Speaker would like to explain to the members of the House that the report of the Conference Committee deals only with acceptance or rejection of amendments that are already in your billbooks. Therefore no separate copy of the report has been distributed to you. Any reports from free conferences will of course be printed in full and distributed on your desks in the twenty-four hour period before action is taken on those."

Mr. Amen: "Your question, Representative Julin, was whether there be a guarantee that only a medical person would take this?"

Mr. Julin: "Representative Amen, to be assured that only properly-qualified medically trained personnel would be authorized under this act to take human tissue."

Mr. Amen: "I couldn't assure you of this, but when the department appeared before the committee, it was my understanding that this is what would be done if any samples would be taken. What they were talking about mostly was blood samples."

Mr. Julin: "Mr. Speaker, might we be at ease, or put this down for a bit so we will have a chance to check into this. I think this is an important item on which we ought to have assurance."

MOTION

On motion of Mr. Bledsoe, the House deferred further consideration of the report of the Conference Committee on Engrossed House Bill No. 415, and it was ordered placed on the appropriate order of business for Monday.

**NEW SECTION. Sec. 93. The word 'agency' used herein means and includes every**

state government office, officer, each institution, whether educational, correctional, or other, and every department, division, board and commission, except as otherwise provided in this act.

The phrase 'agencies headed by elective officials' used herein shall mean those executive offices or departments of the state which are directly supervised, administered, or controlled by the governor, lieutenant governor, secretary of state, treasurer, auditor, attorney general, superintendent of public instruction, commissioner of public lands, or insurance commissioner, but it shall not include those boards, commissions, or committees on which one or more of the above-named officials serve.

**NEW SECTION.** Sec. 94. In order to carry out the provisions of these appropriations and the state budget, the director of the office of program planning and fiscal management with the approval of the governor, may:

(1) Allot all of any portion of the funds herein appropriated or included in the state budget, to the various agencies by such periods as he shall determine and may place any funds not so allotted in reserve available for subsequent allotment: *Provided*, That the director of the office of program planning and fiscal management shall not alter allotment requests filed with him, nor shall he place in reserve any funds, for the following: Washington State Apple Advertising Commission; Washington State Fruit Commission, Washington Dairy Products Commission or any agricultural commodity commission created under the provisions of Chapter 15.66 RCW; the legislative branch of state government including the legislative council, the legislative budget committee, the statute law committee, and any legislative interim committee; or the judicial branch of state government: *Provided*, That the director of the office of program planning and fiscal management may alter the allotment requests of state colleges and universities in the following cases: (a) When necessary to reflect legislative intent as set forth in the executive budget as accepted or modified by the legislature in the Senate or House Journals or in any formal communication from the Legislative Budget Committee; (b) When necessary to limit total state expenditures to available revenues as required by RCW 43.88.110(2); (c) When an agency proposes the expenditure of a resource not disclosed in the budget request submitted to the Governor and Legislature: *Provided, however*, That the aggregate of allotments for any agency shall not exceed the total of applicable appropriations and local funds available to the agency concerned. It shall be unlawful for any officer or employee to incur obligations in excess of approved allotments or to incur a deficiency and any obligation so made shall be deemed invalid. Nothing in this section or in chapter 328, Laws of 1959, shall prevent revision of any allotment when necessary to prevent the making of expenditures under appropriations in this act in excess of available revenues.

(2) Issue rules and regulations to establish uniform standards and business practices throughout the state service, including regulation of travel by officers and employees and the conditions under which per diem shall be paid, so as to improve efficiency and conserve funds.

(3) Prescribe procedures and forms to carry out the above.

(4) Allot funds from appropriations in this act in advance of July 1, 1971; for the sole purpose of authorizing agencies to order goods, supplies, or services for delivery after July 1, 1971: *Provided*, That no expenditures may be made from the appropriations contained in this act, except as otherwise provided, until after July 1, 1971.

**NEW SECTION.** Sec. 95. The Legislative Budget Committee shall review the methods and procedures used by the state's colleges, universities, community colleges, and the state board for community college education in determining and reporting student enrollments to the office of program planning and fiscal management and the council on higher education. The Legislative Budget Committee shall also, each fiscal year, make periodic field audits of the accuracy of such procedures and information.

Community Colleges .....	15

It is further the intent of the legislature that the average weekly faculty classroom contact hours for all faculty at the rank of assistant professor and above shall be increased by at least five percent between academic year 1970-71 and 1972-73 at each state university, state college, and community college. It shall be the responsibility of the Council on Higher Education to develop uniform definitions and guidelines to

carry out the provisions of this section and to report during the interim to the Legislative Budget Committee on the status of its report. The Council shall submit a comprehensive report to the 1973 session of the legislature concerning the implementation of these provisions on faculty classroom contact hours.

**NEW SECTION.** Sec. 97. Any receipts from federal sources, gifts or grants, or other sources in excess of those estimated in the budget may be received by the governor and deposited in the state treasury or other depository provided by law. Any proposal to expend moneys from an appropriated fund or account in excess of appropriations provided by law, based on the receipt of unanticipated revenues, shall be submitted to the state legislature, if it is in session, or to the legislative budget committee during the interim between legislative sessions. The legislative budget committee may authorize the expenditure of unanticipated receipts during the legislative interim arising from federal sources, gifts or grants, by a majority of the members of the committee. Whenever possible, unanticipated federal or other revenues which were not anticipated by the governor's budget or in the appropriations enacted by the legislature shall be used to support regular agency programs instead of using funds appropriated from state taxes or similar revenue sources.

**NEW SECTION.** Sec. 98. In the event that receipts shall be less than those estimated in the budget from any source expenditures shall be limited to the amount received and allotments made as provided in section 94. Receipts for purposes of this section shall include amounts realized within one calendar month following the close of a fiscal period and applicable to expenditures of that period. The amount of such payment shall be credited to and shall be treated for all purposes as having been collected during the fiscal period.

No appropriations shall be necessary to effect such repayment.

**NEW SECTION.** Sec. 101. **NEW SECTION.** Sec. 102. Amounts received by an agency as reimbursements pursuant to RCW 43.09.210 shall be considered as returned loans of materials supplied or services rendered. Such amounts may be expended as a part of the original appropriation of the fund to which it belongs, without further or additional appropriation, subject to conditions and procedures prescribed by the director of the office of program planning and fiscal management which shall provide for determination of full costs, disclosure of such reimbursements in the governor's budget, maximum interagency usage of data processing equipment and services and such restrictions as will promote more economical operations of state government without incurring continuing costs beyond those reimbursed.

**NEW SECTION.** Sec. 103. In order to obtain maximum interagency use of aircraft, the Aeronautics Commission, in accordance with RCW 43.09.210 and chapter 39.34 RCW is hereby authorized to lease, purchase or otherwise acquire suitable aircraft which shall be utilized for the purposes of the Aeronautics Commission and also by other state agencies which have a need for an aircraft to carry out agency assigned responsibilities: *Provided*, That the Aeronautics Commission is further authorized to enter into contractual agreements with other state agencies in order to acquire aircraft, establish rental rates for aircraft under their control, provide pilot services, aircraft maintenance and make such other provisions as necessary to provide aircraft and related services for multi-agency use: *Provided further*, That in order to achieve economy in the use of the appropriations contained within this act no state agency may purchase an aircraft or enter into a flying service or aircraft rental contract without first seeking such service from the Aeronautics Commission and without prior approval of the director of the office of program planning and fiscal management.

**NEW SECTION.** Sec. 104. All contract personal services contracts except those for medical and health care and such other contracts which the director of the office of program planning and fiscal management may exempt after consultation with the Legislative Budget Committee shall be filed with the Office of Program Planning and Fiscal Management and the Legislative Budget Committee prior to obligating any portion of the appropriations approved in this act.

**NEW SECTION.** Sec. 105. Within the rules and regulations of the Department of Personnel, as applicable, in the filling of vacant positions and in the filling of new positions of employment in state government, including the four-year institutions of higher learning and the community colleges and positions in the offices of elective officials, preference shall be given, where necessary, to nonwhite and Mexican-American applicants in order to attain the same minority employment ratio in each agency as obtains in the population of the state at large.

**NEW SECTION.** Sec. 106. All state agencies and institutions of higher education funded by appropriations made by this act shall on July 1, 1971 reduce employee salaries payable out of such appropriations by the percentage amounts set forth below as the percentages relate to the various salary ranges and the classification pay plan shall be revised by the Department of Personnel and the Higher Education Personnel Board to reflect the intent of this section: *Provided*, That no one who is earning more than \$15,000 at the present time shall be reduced below \$15,000 through the operation of this section:

\$15,001 to \$20,000.....	2% reduction;

*Provided*, That none of the provisions of this section shall apply to elected officials.

**NEW SECTION.** Sec. 107. It is the intent of the Legislature that no salary increase be granted in the same job classification to any individual in the employ of the state whose salary is funded by the provisions of this act, including those individuals employed by the six units of higher education, those employed by elected officials or those employed by the community colleges throughout the 1971-73 fiscal period.

**NEW SECTION.** Sec. 108. Each state agency, from its general fund appropriation, shall transmit each month to the Washington public employees' retirement system an amount equivalent to six percent of its total monthly expenditures for salaries and wages of employees covered by the Washington public employees' retirement system, such amount to constitute the employer contribution during the 1971-73 biennium: *Provided*, That in order to comply with the provisions of this section the following appropriations from the following funds and accounts, are hereby appropriated for the 1971-73 employer portion of the public employees' retirement system contributions:

For the purposes of this section, "out of state travel" does not include travel between the State of Washington and the contiguous states of Idaho and Oregon.

#### MOTION

Mr. O'Brien moved that the House concur in the Senate amendments to Engrossed Substitute House Bill No. 151.

Mr. O'Brien spoke in favor of the motion, and Mr. Goldsworthy spoke against it.

#### POINT OF INQUIRY

Mr. Charnley yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Representative Charnley, in your knowledgeable opinion about the Northwest Artificial Kidney Center, would you give us the impact this budget bears on that worthy expenditure?"

Mr. Charnley: "Thank you, Mr. Douthwaite. Ladies and gentlemen: The budget, as proposed, is some \$351,000 below the funds requested by this state's two outstanding kidney centers—in Seattle, the Northwest, and in Spokane. Approximately 75 people will be partially to totally affected by this present budget. Forty-three patients will have to be dropped from kidney transplants. This is critical because many patients do not do well on artificial kidneys and need to have this type of treatment. It is the best long-range treatment for them. Seventeen patients would not be able to receive needed medical and psychological services which are essential to helping them adjust to a life-long disease. Most critically, fifteen people in our state in the next two years will have to be denied any form of treatment. And this has only one answer—this is death for them. These will be primarily children, teenagers, and housewives without children. Kidney centers are unique among health care facilities. Cuts in other types of care result in hardships, of course, but cuts in kidney center care mean, simply, death. Currently there are 200 patients receiving treatment in our two centers. This treatment is on-going. When one's kidney fails, he does not receive treatment and go home well. He receives treatment for the rest of his life. Kidney treatment is also unique in one further respect. Every citizen can avail himself of this life-giving treatment as long as he can afford it. The only block he would have is financial. Citizens who are now productive members of our society and potentially productive citizens are now alive because of this treatment. I am very critically concerned that these funds are this short, thus denying these things to people in terms of life and death."

Mr. Douthwaite spoke against the motion by Mr. O'Brien.

#### POINT OF ORDER

Mr. Jueling: "I am having a difficult time understanding whether Mr. Douthwaite is for or against Mr. O'Brien's motion."

The Speaker: "It is a little unclear to me at this point. You might clarify that before you proceed, Mr. Douthwaite."

Mr. Douthwaite concluded his remarks in opposition to the motion to concur in the Senate amendments to Engrossed Substitute House Bill No. 151.

#### POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Barden.

Mr. Barden: "Representative Douthwaite, do you have any idea what the impact on the public assistance grants, or the University of Washington, or Superintendent of Public Instruction budget would be imposed by the proviso in this budget that six percent of all

moneys appropriated for salaries must be diverted to the public employees' retirement system?"

Mr. Douthwaite: "The obvious impact to me, Representative Barden, is that this is a six percent cut from these peoples' salaries. It is not stated explicitly as such. If I am in error about that, please correct me, but that is the way I interpret it."

Representative Barden spoke against the motion by Mr. O'Brien, and Representative Savage spoke in favor of it.

Mr. O'Brien closed debate, speaking in favor of the motion to concur in the Senate amendments to Engrossed Substitute House Bill No. 151.

The motion by Mr. O'Brien was lost, and the House refused to concur in the Senate amendments and asked the Senate to recede therefrom.

#### MOTION

On motion of Mr. Bledsoe, Engrossed Substitute House Bill No. 151 was ordered transmitted immediately to the Senate.

#### STATEMENT FOR THE JOURNAL

I wish it was possible for all of us to vote for this budget bill in order to finish up our legislative business and then go home, but for many reasons, due to the economy, regardless who is to blame for it, this budget is not the kind of budget which I have ordinarily supported in the past. Even though Senator Durkan and his committee have restored some of the cuts to public assistance recipients, I still feel, as I always have felt, that ratables to the poor is the worst human act any legislature should be responsible for. I am going to vote to concur with the Senate amendments to House Bill No. 151 because I am concerned as to what will happen to it if it goes to conference. WILLIAM (BILL) CHATALAS, 33rd District.

#### PERSONAL PRIVILEGE

Mr. Charette: "Mr. Speaker, ladies and gentlemen of the House: I would like to remind you that tomorrow is a very important day for a certain member of the House of Representatives. We on this side of the aisle would like to join with you in wishing Representative Tom Copeland a happy birthday."

#### PERSONAL PRIVILEGE

Mr. Copeland: "Thank you so much for the birthday accolades. Let me remind you that on the thirty-sixth day of the extraordinary session, we have now received the first copy of the Session Laws of the 1971 session. I think this is a very commendable document. Mr. Charette, as Chairman of the Statute Law Committee, and Mr. Richard White, the Code Reviser, and his group should be commended for producing this particular document thirty-six days after we complete our work. I did a small amount of research on this today, and as near as we can tell, it has always been about three or four months before we ever had session laws printed and published. So, Mr. Charette, you and your group, and Mr. White, are certainly to be congratulated for the fine work."

#### MOTION

On motion of Mr. Morrison, the House advanced to the ninth order of business.

#### SECOND READING

HOUSE JOINT RESOLUTION NO. 1, by Representatives Moon, Merrill, Kilbury, King, Luders, Martinis, McDermott and Wojahn:

Providing for periodic review of tax exemptions.

Committee recommendation: Majority, do pass with the following amendment:  
On page 1, line 17 after "statute" and before "such" strike "on" and insert "or"

The resolution was read the second time.

On motion of Mr. Moon, the committee amendment was adopted.

On motion of Mr. Moon, the following amendment was adopted:

On page 1, line 12 after "educational" and before "athletic" insert a comma

House Joint Resolution No. 1 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Joint Resolution No. 1 was placed on final passage.

Mr. Moon spoke in favor of the resolution.

#### POINT OF INQUIRY

Mr. Moon yielded to question by Mr. Litchman.

Mr. Litchman: "Mr. Moon, I think this is a very commendable piece of legislation. The question that the people in my district are asking is: Assuming this bill passes, and we eliminate all the exemptions, how much money would the taxpayers in effect have in their coffers?"

Mr. Moon: "Mr. Litchman, this is something I can't answer. I don't know what the total financial impact would be, but it would be a very large one possibly. Because we eliminate these tax exemptions doesn't mean that we won't reenact them. There are many of our tax exemptions that are justifiable and there are many that I am sure the legislature in its wisdom will see fit to reenact. Specifically I think exemptions that are granted for religious, charitable and educational organizations will be reenacted. I think these are justifiable and we need them. These organizations do contribute considerably to the welfare of the state. We should give them every assistance that we can. There are other areas of tax exemption that have been granted in the past to special interests that no longer are justifiable. There is no way that we can find out what these exemptions are except to go through our statutes, bit-by-bit, and single these areas out and say, 'We don't think you need to be exempted from paying this tax anymore.' Then we have to justify why we take them off the tax rolls. What this will do is require special interests to come back and rejustify their tax credit or exemption. In my opinion anybody who has a justifiable tax exemption or tax credit granted to them will continue to get this. And I, for one, would very strongly support tax exemptions and credits for charitable, religious and educational organizations."

Representatives Litchman, Van Dyk and Haussler spoke in favor of the resolution, and Representative O'Brien spoke against it.

#### POINT OF INQUIRY

Mr. Moon yielded to question by Mr. Bledsoe.

Mr. Bledsoe: "Mr. Moon, under the provisions of House Joint Resolution No. 1 if enacted by the people, what would be the status of nursing homes on a founder fee basis—their exemption now—without legislative reenactment?"

Mr. Moon: "Their status, along with every other exemption, would continue until 1977. In 1977, if the legislature did not reenact this exemption, or if the legislature did not make some other provision for this, the exemption then would expire."

Mr. Bledsoe: "Another question, sir—in fact several: Pollution control tax credits, embarked upon by industrialists in this state on a long-time capital construction program (pollution control devices that were embarked upon but not complete by 1977)—if no legislative reenactment of that tax credit were forthcoming, what would then be the status of this state having entered into a quasi-contractual agreement with those who were installing those pollution control tax credits?"

Mr. Moon: "I don't think this legislature or any succeeding legislature could, in good faith, fail to reenact the contracts they have entered into with these businesses and corporations, eliminating the pollution control that they have started. I think that this certainly would be a justifiable continuation of the tax credit that they are granted. It might be possible that they would be a little reluctant to allow new credits granted for new purposes, but I can't see how any legislature in good faith could fail to reenact these exemptions until the expiration of the contract date."

Mr. Bledsoe: "One final question, sir. The exemption in the business and occupation tax dealing with agribusinessmen, stricken by your joint resolution—its status then, in 1977?"

Mr. Moon: "I think that the B & O tax exemption to agriculture is a justifiable exemption. And I think certainly agriculture would have no less of a hardship passing this continued exemption than the Boeing Company had passing theirs last week."

Representatives Bledsoe, Bluechel and Pardini spoke against House Joint Resolution No. 1, and Representatives Luders, Bottiger and Wolf spoke in favor of it.

#### POINT OF INQUIRY

Mr. Moon yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Moon, one thing that worries me about this is what the definition is of 'tax exemption.' I think that one of the biggest areas of tax exemption is federal agencies—public agencies—that engage in various types of business or service that are also engaged in by private enterprise. Under our present law I don't think that public agencies are subject to taxation. I am afraid that under this bill we are not getting at one of the biggest areas of tax exemption—in other words, the various services or types of enterprise that are furnished by the federal government, public agencies, cities, counties and

various others where they engage in this type of business. In your opinion, are we getting at that type of exemption in House Joint Resolution No. 1?"

Mr. Moon: "Representative Flanagan, we will get at every type of exemption (at least get an opportunity to review any exemption) that does not apply, or is not in violation of the laws or Constitution of the United States. Federal agencies that are not subjected to taxation as a result of a federal law or as a result of our Federal Constitution of course can't be reviewed. But this is a constitutional amendment and will supersede any of our constitutional restrictions, and it will supersede any of our own laws. In my opinion, this is the first real step to any type of tax reform. It is impractical for us to single out individual special interests that have gotten through, one way or another, a tax exemption. We have got to reverse the burden of proof if we are going to do anything. A prime example of the singling out of a special group is what has happened in King County and what has happened in several of the other counties as far as property tax reassessment is concerned. Here we have taken one-fourth of the area and have singled it out and raised their taxes. This isn't the way to do it."

Mr. Flanagan: "Specifically, will this include a port district that is engaged in various types of activities that are business-type enterprises, or a city that is engaged in a residential development or something like that? Would this include that?"

Mr. Moon: "This would include port districts, yes."

Mr. Kraabel spoke in favor of the resolution.

Mr. Beck demanded the previous question, and the demand was sustained.

Engrossed House Joint Resolution No. 1 having failed to receive the constitutional majority was declared lost.

#### NOTICE OF RECONSIDERATION

Mr. Van Dyk served notice that, having voted on the prevailing side, he would on the next working day move for reconsideration of the vote by which Engrossed House Joint Resolution No. 1 failed to pass the House.

#### EXPLANATION OF VOTE

I voted no on Engrossed House Joint Resolution No. 1 in order to be on the prevailing side to give notice of reconsideration since there were members absent who were in favor of the resolution. MICHAEL K. ROSS, 37th District.

#### EXPLANATION OF VOTE

I voted against Engrossed House Joint Resolution No. 1 when it first came up for final passage because it asks for a review of all exemptions in 1977, and I feel that this is an unjustified threat to institutions in long-range bonding programs, such as church retirement homes, church camps, scout camps, and a threat to others who are trying to make plans with some degree of assurance that they can count on these exemptions. Representative Bud Pardini and Representative Stu Bledsoe's comments were particularly persuasive. HAROLD S. (HAL) ZIMMERMAN, 17th District.

The Speaker declared the House to be at ease.  
The Speaker called the House to order.

(c) The total cumulative amount of such credits allowed for any facility covered by a certificate shall not exceed fifty percent of the cost of such facility.

(d) The total cumulative amount of credits against state taxes authorized by this chapter shall be reduced by the total amount of any federal investment credit or other federal tax credit actually received by the certificate holder applicable to the facility. This reduction shall be made as an offset against the credit claimed in the first reporting period following the allowance of such investment credit and thereafter as an offset against any credit balance as it shall become available to the certificate holder.

Mr. Cunningham spoke in favor of the amendment.

## POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Julin.

Mr. Julin: "Representative Thompson, we considered, I think, before the Revenue and Taxation Committee, a bill dealing with the refund of taxes on marine use fuel. What impact, if any, does this particular amendment have on that legislation?"

Mr. Thompson: "It broadens it, Representative Julin, and applies only to commercial use of marine fuels. It would not apply to marine fuel used for pleasure purposes. Does that answer your question?"

Mr. Julin: "One more: Does this amendment have the effect of reducing the amount of funds that would be available for transfer for use by the parks department in site acquisition and development of marine lands?"

Mr. Thompson: "No, it does not. The one cent that is to be deducted from refunds of commercial fuel would be applied to the oil cleanup fund described by Representative Cunningham."

The amendment by Representatives Cunningham and Thompson was adopted.

On motion of Mr. Cunningham, the following amendments to the title were adopted:  
On page 1, line 7 of the title after the semicolon following "RCW 82.36.280" and

before "amending" in line 10 strike "amending section 82.36.235, chapter 15, Laws of 1961 as amended by section 10, chapter 79, Laws of 1965 ex. sess. and RCW 82.36.235;"

On page 1, line 11 of the title after the semicolon following "RCW 82.36.306" and before "and" insert "amending section 82.36.330, chapter 15, Laws of 1961 as amended by section 14, chapter 79, Laws of 1965 ex. sess. and RCW 82.36.330; adding a new section to chapter 133, Laws of 1969 ex. sess. and to chapter 90.48 RCW; repealing section 82.36.235, chapter 15, Laws of 1961, section 10, chapter 79, Laws of 1965 ex. sess. and RCW 82.36.235;"

Substitute House Bill No. 730 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 730 was placed on final passage.

Mr. Thompson spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Martinis.

Mr. Martinis: "Representative Thompson, as we all know, now both pleasure and commercial marine vessels can have their gas tax money deducted at the time of purchase. Now as I understand in this bill, it creates a horrendous task to a commercial vessel to have to keep records and keep his gasoline slips. He would have to apply for his refund from these gas tax moneys. Right?"

Mr. Thompson: "Yes, he would. May I explain? We are repealing in this measure the provision that provides for dealing with these exemptions. All marine gas tax users would pay the tax. The bill entitles commercial users to reclaim their tax, but the Department of Motor Vehicles would withhold one cent per gallon to meet the purpose of the Cunningham amendment to provide funds for the oil spills account."

Mr. Martinis spoke against passage of the bill.

#### POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Randall.

Mr. Randall: "I am concerned about the loophole in this that creates this situation: I will apply for a commercial fishing license this year, and the fee will be \$30.00. No matter how that boat is used, as a licensed commercial fishing vessel, I will have the right to have all my gasoline tax money refunded. How will this loophole be closed, or is this a problem?"

Mr. Thompson: "It is a problem, and it's a problem that the Department of Motor Vehicles will address itself to. They have given me some assurance that they feel they can close it. In fact this measure considerably simplifies the administration of this tax. If I may quote from a letter from the administrator of the fuel tax division, it also meets with the approval of distributors. His closing paragraph says,

"I telephoned three of the major gasoline distributors this morning. All three are very much in favor of the bill as proposed, including your amendment to repeal . . . (then comes the RCW citations).' So they wouldn't have to deal with exemption certificates."

Representative Eikenberry spoke against passage of the bill, and Representatives Perry and Flanagan spoke in favor of it.

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 730, and the bill passed the House by the following vote: Yeas, 75; nays, 20; absent or not voting, 4.

Voting yea: Representatives Adams, Amen, Anderson, Backstrom, Bauer, Benitz, Berentson, Blair, Bledsoe, Bluechel, Bottiger, Bozarth, Bradley, Brouillet, Brown, Charette, Charnley, Chatalas, Conner, Conway, Copeland, Cunningham, Curtis, Douthwaite, Flanagan, Gilleland, Goldsworthy, Grant, Harris, Hatfield, Hoggins, Hurley, Jastad, Johnson, Jones, Jueling, Julin, Kirk, Kiskaddon, Knowles, Kopet, Kraabel, Litchman, Luders, Lynch, Lysen, Marsh, Maxie, May, McCormick, McDermott, Merrill, Morrison, Newhouse, North, O'Brien, Pardini, Paris, Perry, Rabel, Rosellini, Ross, Savage, Sawyer, Shera, Shinpoch, Smythe, Thompson, Van Dyk, Wanamaker, Williams, Wojahn, Wolf, Zimmerman, Mr. Speaker—75.

Voting nay: Representatives Bagnariol, Barden, Beck, Ceccarelli, Costanti, Eikenberry,

Farr, Gladder, Hansey, Hubbard, King, Kuehnle, Martinis, Marzano, Mentor, Moon, Polk, Randall, Schumaker, Spanton—20.

Absent or not voting: Representatives Gallagher, Haussler, Kilbury, Smith—4.

Engrossed Substitute House Bill No. 730, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

#### EXPLANATION OF VOTE

We voted "no" on Engrossed Substitute House Bill No. 730 because it eliminated highway tax refunds on gas purchased for pleasure boats. We did support the amendment which established the minor oil spills cleanup fund. This was similar to House Bill No. 655 which was the Coastal Waters Protection Act of 1971, which we cosponsored but it did not pass out of committee. DONALD G. HANSEY and CASWELL J. FARR, 42nd District.

HOUSE CONCURRENT RESOLUTION NO. 19, by Representatives Williams and Lysen:

Authorizing a study relating to community schools.

Committee recommendation: Majority, do pass with the following amendments:

On page 1, line 8, insert: "WHEREAS, further community benefits could accrue if alternatives were developed to the present systems of study that involved students in meaningful community projects and actual work experiences; and"

On page 1, line 20, before the comma, insert: "and recommendations concerning alternative schools programs"

The resolution was read the second time.

On motion of Mr. Hoggins, the committee amendment to page 1, line 8, was adopted.

Mr. Hoggins moved adoption of the committee amendment to page 1, line 20, and spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Grant.

Mr. Grant: "If you will bear with me a minute, I don't think it deals with this committee amendment. I notice that the resolution (and before it gets to final passage) requires that the recommendation of the committee be made to a succeeding session of the legislature. I am just wondering, Mr. Hoggins, what is meant by a 'succeeding session of the legislature.' Wouldn't it be preferable if we were to direct the recommendations to be made to a specific session?"

Mr. Hoggins: "I think the assumption on the part of those who drafted the legislation and those in the committee was that if the joint committee was ready with the recommendations for the next session, they would make it then—if not, to the 1973 session."

#### MOTION

On motion of Mr. Grant, the House deferred further consideration of House Concurrent Resolution No. 19 on second reading until after consideration of House Concurrent Resolution No. 33.

HOUSE CONCURRENT RESOLUTION NO. 23, by Representatives King and Shinpoch:

Committee recommendation: Majority, do pass with the following amendments:

On page 1, line 15 after "the" and before "Council" strike "Legislative" and insert "Judicial"

On page 1, line 27 after "legislature" strike everything through "called"

The resolution was read the second time.

Mr. Julin moved adoption of the committee amendment to page 1, line 15, and spoke in favor of the amendment.

## POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Wolf.

Mr. Wolf: "Mr. Julin, I know the Legislative Council has thirty-five members, made up of both Senate and House members, but I don't know the make-up of the Judicial Committee. Who serves on the Judicial Committee, and who is its Chairman?"

Mr. Julin: "You have the book; I don't. I think Senator Woodall is the Chairman of the Judicial Subcommittee of the Legislative Council."

Mr. Wolf: "The Judicial Council is made up of Chief Justice Hunter, Justice Orris Hamilton, R. Max Etter, Slade Gorton, Ronald L. Hendry, three Senators and three Representatives. I will continue the question. Do you really believe the study could best be done by the Judicial Council rather than the Judiciary Committee of the Legislative Council?"

Mr. Julin: "It was my feeling and that of the committee that it would probably get more thorough study and consideration by the Judicial Council."

Mr. Wolf spoke against adoption of the committee amendment, and Mrs. Wojahn spoke in favor of the amendment.

The committee amendment to page 1, line 15, was adopted on a rising vote.

On motion of Mr. Julin, the committee amendment to page 1, line 27 was adopted.

House Concurrent Resolution No. 23 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Concurrent Resolution No. 23 was placed on final passage.

Mr. King spoke in favor of the resolution.

The Clerk called the roll on the final passage of Engrossed House Concurrent Resolution No. 23, and the resolution passed the House by the following vote: Yeas, 85; nays, 10; absent or not voting, 4.

Voting yea: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Bauer, Benitz, Berentson, Blair, Bledsoe, Bluechel, Bottiger, Bozarth, Bradley, Brouillet, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conner, Conway, Copeland, Costanti, Cunningham, Curtis, Douthwaite, Eikenberry, Farr, Flanagan, Gilleland, Goldsworthy, Grant, Hansey, Hatfield, Hoggins, Hurley, Jastad, Johnson, Jones, Jueling, Julin, King, Kirk, Kiskaddon, Knowles, Kopet, Kraabel, Litchman, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Merrill, Moon, Morrison, Newhouse, North, O'Brien, Pardini, Paris, Perry, Polk, Rabel, Rosellini, Ross, Savage, Sawyer, Shera, Shinpoch, Smythe, Thompson, Van Dyk, Williams, Wojahn, Wolf, Zimmerman, Mr. Speaker—85.

Voting nay: Representatives Beck, Gladder, Harris, Hubbard, Kuehnle, Mentor, Randall, Schumaker, Spanton, Wanamaker—10.

Absent or not voting: Representatives Gallagher, Haussler, Kilbury, Smith—4.

Engrossed House Concurrent Resolution No. 23, having received the constitutional majority, was declared passed.

HOUSE CONCURRENT RESOLUTION NO. 33, by Representatives Bradley, Anderson, Charette, Zimmerman and Van Dyk:

Calling for study of need for personal use clam licenses.

Committee recommendation: Majority, do pass with the following amendment:

On page 1, line 10 after "fisheries" strike "or Legislative Council, if established by the Forty-second Legislature," and insert " , if established by the Forty-second Legislature, or Legislative Council"

The resolution was read the second time.

On motion of Mr. Zimmerman, the committee amendment was adopted.

House Concurrent Resolution No. 33 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Concurrent Resolution No. 33 was placed on final passage.

Mr. Bradley spoke in favor of the resolution.

## POINT OF INQUIRY

Mr. Goldsworthy yielded to question by Mr. Mentor.

Mr. Mentor: "I would like to know what something like this is going to cost—to do a study like this—and what would be accomplished from it?"

Mr. Goldsworthy: "I don't know, I couldn't answer your question."

Representative Mentor spoke against the resolution, and Representatives Zimmerman and Anderson spoke in favor of it.

## POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Mentor.

Mr. Mentor: "You mean we are going to try and decide whether an individual who goes down on the beach to get some clams has to have a license? That's what this is all about?"

Mr. Zimmerman: "This particular concurrent resolution follows a bill that was introduced to have a personal use clam license. It was felt that the study route was more logical because at this time they did not have adequate information to determine. There has been a great abuse of the taking of clams, as you may know. There have been a number of people that have taken far over the amount allowed. And there is a feeling that this resource could be eliminated if it is not in some way protected. This is one of the reasons for looking at the resource."

Mr. Mentor: "I still can't understand this in my own mind. Representative Anderson says that in his area on a low tide this is how people live, is to eat clams. You are going to say they have to have a license that is probably going to cost them more than their meal is going to be worth before they can come down there and get them?"

## POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Hansey.

Mr. Hansey: "Representative Zimmerman, did the Fisheries Department indicate if this study, in their opinion, was necessary?"

Mr. Zimmerman: "The Fisheries Department answered this in a most ambiguous way, Representative Hansey. They were not sure that they needed the study, but they felt a study would be the best way to get at the problem. And thereby they went round and round, just as we are doing now. I am going to clam up at this point."

The Speaker: "That's sticking your neck out, Mr. Zimmerman."

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Concurrent Resolution No. 33, and the resolution passed the House by the following vote: Yeas, 49; nays, 46; absent or not voting, 4.

Mr. Williams spoke in favor of the resolution.

Mr. Moon spoke in favor of the motion.

On page 1, beginning with "NEW SECTION" in line 8 strike all of the matter down to and including the period after "United States" in line 23 and insert:

"NEW SECTION. Article VII, section 12. Any statute or any part thereof or any provision of this Constitution which grants to any person, individual, firm, corporation or other business organization, or any public or private body, agency or institution, any exemption, deduction, or exclusion from state or locally imposed taxes or credit for payment of any such taxes against other state tax liability shall be reviewed by the legislature commencing before March 1, 1977, and before March 1st of every ten years thereafter. Any such statute on such part thereof which is not amended or reenacted without amendment, and any such constitutional provision which is not reapproved by the people, before March 1, 1977 and before the first day of March ending each ten year period thereafter shall be null and void effective upon such March 1st date. This section shall not apply to the removal or repeal of any tax exemption, deduction, exclusion or credit, if such removal or repeal would be in violation of the laws or Constitution of the United States."

Mr. O'Brien moved adoption of the following amendment by Representatives O'Brien, Jueling and Marzano to the amendment by Representatives Moon, Wolf and Flanagan:

On line 4 after the word "institution," insert "": PROVIDED, That any charitable or religious corporation, organized for educational, athletic, social or other purpose shall not be included under the provisions of this section."

The Speaker called the House to order.

On motion of Mr. O'Brien, the House deferred further consideration of Engrossed House Joint Resolution No. 1 on second reading, and the resolution was placed on tomorrow's second reading calendar.

On motion of Mr. Morrison, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 261 as amended by the House was placed on final passage.

## POINT OF INQUIRY

Mr. Hubbard yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "Representative Hubbard, we have had a number of amendments to this bill. I want to clarify one point that has been bothering me, and that is as regards payment by warrant in those instances where payment by warrant might become a necessity on the part of a school district, county or something of that nature. It would appear to me that unless an amendment which I am not aware of has corrected the problem that the language on page 2, lines 21 through 26 would specifically preclude the possibility of any governmental agencies paying by warrant. If this assumption is correct, we might have a disaster on our hands."

Mr. Hubbard: "Lines 21 through 26 were completely stricken and so the language is not there for whatever force and effect it may have had. Of course what we were concerned about, and many people on the floor were concerned about, the original language would have required a bank account to be kept in the county where the man was working."

Mr. Kuehnle: "Did your floor amendment strike all the language of lines 21 through 26?"

Mr. Hubbard: "Yes, it did."

## ROLL CALL

Engrossed House Bill No. 622, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED SENATE BILL NO. 363, by Senators Guess, Henry and Washington:  
Providing for acquisition of property by public agencies.  
Engrossed Senate Bill No. 363 was read the third time and placed on final passage.

#### MOTION

Mr. Eikenberry moved that the rules be suspended and Engrossed Senate Bill No. 363 be returned to second reading for the purpose of amendment.

Representatives Eikenberry, Bottiger, Julin and Perry spoke in favor of the motion, and Representatives Newhouse and Berentson spoke against it.

Mr. Newhouse demanded an electric roll call, and the demand was sustained.

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Cunningham.

Mr. Cunningham: "Mr. Bottiger, I am a little confused on what would happen if a condemning agency brings a suit for condemning some property and then in the midst of this, or towards the end of it, decides they don't want the property . . ."

#### SPEAKER'S INQUIRY

The Speaker: "Mr. Cunningham, I have been very lenient in allowing the explanation of the amendment before taking the vote on the motion to return the bill to second reading. Is your question now for a clarification of the amendment before you can intelligently vote on the motion to suspend the rules or a debate on the merits?"

Mr. Cunningham: "Yes, I think the amendment makes some difference to the way I would vote on the final bill."

The Speaker: "All right, you may proceed."

Mr. Cunningham: "My question was, Representative Bottiger, if a condemning agency as has been talked about here, gets down the pike on attempting to condemn some land, and when they get down into the case or to the end of it decide they don't want the land after all, and don't have the money to purchase it and abandon the condemnation procedures, what happens to the person's land that they are attempting to condemn? Who pays the attorney's fees?"

Mr. Bottiger: "It would depend on the arrangement they made with their attorney. The customary procedure as I understand it (never having been once on the landowner's side, but usually on the state's side) the property owner comes in and says, 'here is what they offered me.' The attorney will hire an appraiser for \$100 to go out and check the offer of the state. The customary procedure is for the landowner and the attorney and the appraiser then to have a conference. The appraiser will say, 'I will testify under oath that it is worth \$20,000 instead of \$15,000.' At that time the attorney usually gives to the client the option of hiring by the hour, win or lose (so much on preparation, so much on trial time) or to hire on a contingent-fee arrangement. The property owner makes that decision and signs a contingent-fee agreement. Then you go to trial. If you get more than the state has offered you, then the court awards the attorney's fees. If the condemning party abandons before the jury comes back with a verdict, then the attorney will go into the court on a supplemental hearing and say: 'I have this many hours; the state has abandoned; I have had this much preparation; there was this much uniqueness of this lawsuit.' And the judge will fix a reasonable attorney's fee based on the time involved and the uniqueness of the case. We passed out the canon that the court uses in setting these fees as a proposed amendment. If the condemning agency abandons after the jury has come back with their verdict, then the scale here would apply. Now the proviso at the end permits the judge to penalize, in a sense, the condemning agency if they have, as it turned out in the Seattle case, admitted in the supplemental hearing that they never had more than \$60,000, even though

their own appraiser was going to testify for \$1.5 million. I think what happened is the judge got mad at them. So this will permit the judge to review the good faith of the condemning agency in forcing the property owner into trial."

Mr. Berentson spoke against the motion by Mr. Eikenberry.

Mr. Bledsoe demanded the previous question, and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on the motion by Mr. Eikenberry to suspend the rules and return Engrossed Senate Bill No. 363 to second reading for the purpose of amendment, and the motion was lost by the following vote: Yeas, 50; nays, 46; absent or not voting, 3.

Voting yea: Representatives Backstrom, Barden, Bauer, Blair, Bluechel, Bottiger, Brouillet, Charette, Charnley, Costanti, Cunningham, Curtis, Eikenberry, Farr, Gladder, Harris, Hatfield, Hoggins, Hubbard, Hurley, Johnson, Jones, Julin, King, Kirk, Knowles, Kopet, Kraabel, Kuehnle, Litchman, Luders, Lysen, Marsh, Maxie, Mentor, Moon, O'Brien, Perry, Polk, Rabel, Rosellini, Ross, Sawyer, Shera, Spanton, Van Dyk, Williams, Wojahn, Zimmerman, Mr. Speaker—50.

Voting nay: Representatives Adams, Amen, Anderson, Bagnariol, Beck, Benitz, Berentson, Bledsoe, Bozarth, Bradley, Brown, Ceccarelli, Chatalas, Conway, Copeland, Douthwaite, Flanagan, Gallagher, Gilleland, Goldsworthy, Grant, Hansey, Haussler, Jastad, Jueling, Kiskaddon, Lynch, Martinis, Marzano, May, McCormick, McDermott, Merrill, Morrison, Newhouse, North, Pardini, Paris, Randall, Savage, Schumaker, Shinoch, Smythe, Thompson, Wanamaker, Wolf—46.

Absent or not voting: Representatives Conner, Kilbury, Smith—3.

The Speaker stated the question before the House to be final passage of Engrossed Senate Bill No. 363.

Representatives Berentson and Martinis spoke in favor of passage of the bill, and Representatives Hurley, Hubbard and Charette spoke against it.

Mr. Berentson spoke again in favor of the bill.

#### POINT OF INQUIRY

Mr. Hubbard yielded to question by Mr. McDermott.

Mr. McDermott: "Mr. Hubbard, would you be willing to tell this body whether you do any work in this field?"

Mr. Hubbard: "Yes, I would tell this body if I did work in this field."

Mr. Ross spoke against passage of the bill.

#### POINT OF INQUIRY

Mr. Berentson yielded to question by Mrs. Hurley.

Mrs. Hurley: "Mr. Berentson, I didn't see anything in the bill that relates to residential property. I would like to have you make a statement for the record. You have mentioned that it was not the intent of the bill to permit the building of limited access highways or freeways above residential property. Would you please make that statement, and say that this bill is not intended for this purpose."

Mr. Berentson: "Yes, I would make that statement. The intent of the bill is not this at all. As I know it, the intent was to take care of the problem, for example, we had in the city of Tacoma where they planned a freeway across an industrial area. This would save a lot of havoc as far as moving industrial plants and that type of thing is concerned. What I did try to point out was that you have the hearing procedures; you have all of the protections we are trying to improve on, Mrs. Hurley, before you now. I would state publicly that I am sure the Department of Highways is not interested in creating the problems that would be created by building freeways over and above residential areas."

Mr. Newhouse spoke in favor of passage of the bill.

Mr. Luders demanded the previous question, and the demand was sustained.

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 363, and the bill passed the House by the following vote: Yeas, 51; nays, 45; absent or not voting, 3.

Voting yea: Representatives Amen, Anderson, Bagnariol, Bauer, Beck, Benitz, Berentson, Bledsoe, Bozarth, Bradley, Ceccarelli, Conway, Copeland, Costanti, Douthwaite, Flanagan, Gallagher, Gilleland, Goldsworthy, Hansey, Hatfield, Haussler, Jastad, Johnson, Jueling, Kirk, Kiskaddon, Knowles, Kopet, Kuehnle, Lynch, Lysen, Martinis, Marzano, May, McCormick, Mentor, Merrill, Morrison, Newhouse, Pardini, Paris, Randall, Savage, Schumaker, Shinpoch, Smythe, Thompson, Wanamaker, Wolf, Zimmerman—51.

REPORTS OF STANDING COMMITTEES

April 15, 1971.

ENGROSSED SENATE BILL NO. 485, enacting an open public meetings act, reported by Committee on Local Government.

**MAJORITY recommendation:** Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION.** Section 1. The legislature finds and declares that all public commissions, boards, councils, committees, subcommittees, departments, divisions, offices, and all other public agencies of this state and subdivisions thereof exist to aid in the conduct of the people's business. It is the intent of this act that their actions be taken openly and that their deliberations be conducted openly.

The people of this state do not yield their sovereignty to the agencies which serve them. The people, in delegating authority, do not give their public servants the right to decide what is good for the people to know and what is not good for them to know. The people insist on remaining informed so that they may retain control over the instruments they have created.

**NEW SECTION.** Sec. 2. As used in this act unless the context indicates otherwise:

(1) 'Public agency' means:

(a) Any state board, commission, committee, department, educational institution, or other state agency which is created by or pursuant to statute, other than courts and the legislature.

(b) Any county, city, school district, special purpose district or other municipal corporation or political subdivision of the state of Washington.

(c) Any subagency of a public agency which is created by or pursuant to statute, ordinance or other legislative act, including but not limited to planning commissions, library or park boards, and other boards, commissions and agencies.

(2) 'Governing body' means the multimember board, commission, committee, council or other policy or rule-making body of a public agency.

(3) 'Action' means the transaction of the official business of a public agency by a governing body including but not limited to a collective decision made by a majority of the members of a governing body, a collective commitment or promise by a majority of the members of a governing body to make a positive or negative decision, or an actual vote by a majority of the members of a governing body when sitting as a body or entity, upon a motion, proposal, resolution, order, or ordinance.

(4) 'Meeting' means meetings at which action is taken.

**NEW SECTION.** Sec. 3. All meetings of the governing body of a public agency shall be open and public and all persons shall be permitted to attend any meeting of the governing body of a public agency, except as otherwise provided in this act.

**NEW SECTION.** Sec. 4. A member of the public shall not be required, as a condition to attendance at a meeting of a governing body, to register his name and other information, to complete a questionnaire, or otherwise to fulfill any condition precedent to his attendance.

**NEW SECTION.** Sec. 5. In the event that any meeting is interrupted by a group or groups of persons so as to render the orderly conduct of such meeting unfeasible and order cannot be restored by the removal of individuals who are interrupting the meeting, the members of the governing body conducting the meeting may order the meeting room cleared and continue in session. In such a session, final disposition may be taken only on matters appearing on the agenda. Representatives of the press or other news media, except those participating in the disturbance, shall be allowed to attend any session held pursuant to this section. Nothing in this section shall prohibit the governing body from establishing a procedure for readmitting an individual or individuals not responsible for disturbing the orderly conduct of the meeting.

**NEW SECTION.** Sec. 6. No governing body of a public agency shall adopt any ordinance, resolution, rule, regulation, order, or directive, except in a meeting open to the public and then only at a meeting, the date of which is fixed by law or rule, or at a meeting of which notice has been given according to the provisions of this act. Any action taken at meetings failing to comply with the provisions of this section shall be null and void.

**NEW SECTION.** Sec. 7. The governing body of a public agency shall provide the time for holding regular meetings by ordinance, resolution, bylaws, or by whatever other rule is required for the conduct of business by that body. Unless otherwise provided for in the act under which the public agency was formed, meetings of the governing body need not be held within the boundaries of the territory over which the public agency exercises jurisdiction. If at any time any regular meeting falls on a holiday, such regular meeting shall be held on the next business day. If by reason of fire, flood, earthquake, or other emergency, it shall be unsafe to meet in the place designated, the meetings may be held for the duration of the emergency at such place as is designated by the presiding officer of the governing body: PROVIDED, That the notice requirements of this act shall be suspended during such emergency.

**NEW SECTION.** Sec. 8. A special meeting may be called at any time by the presiding officer of the governing body of a public agency or by a majority of the members of the governing body by delivering personally or by mail written notice to each member of the governing body; and to each local newspaper of general circulation and to each local radio or television station which has on file with the governing body a written request to be notified of such special meeting or of all special meetings. Such notice must be delivered personally or by mail at least twenty-four hours before the time of such meeting as specified in the notice. The call and notice shall specify the time and place of the special meeting and the business to be transacted. Final disposition shall not be taken on any other matter at such meetings by the governing body. Such written notice may be dispensed with as to any

member who at or prior to the time the meeting convenes files with the clerk or secretary of the governing body a written waiver of notice. Such waiver may be given by telegram. Such written notice may also be dispensed with as to any member who is actually present at the meeting at the time it convenes. The notices provided in this section may be dispensed with in the event a special meeting is called to deal with an emergency involving injury or damage to persons or property or the likelihood of such injury or damage, when time requirements of such notice would make notice impractical and increase the likelihood of such injury or damage.

**NEW SECTION.** Sec. 9. The governing body of a public agency may adjourn any regular, adjourned regular, special or adjourned special meeting to a time and place specified in the order of adjournment. Less than a quorum may so adjourn from time to time. If all members are absent from any regular or adjourned regular meeting the clerk or secretary of the governing body may declare the meeting adjourned to a stated time and place. He shall cause a written notice of adjournment to be given in the same manner as provided in section 8 of this act for special meetings, unless such notice is waived as provided for special meetings. Whenever any meeting is adjourned a copy of the order or notice of adjournment shall be conspicuously posted immediately after the time of the adjournment on or near the door of the place where the regular, adjourned regular, special or adjourned special meeting was held. When a regular or adjourned regular meeting is adjourned as provided in this section, the resulting adjourned regular meeting is a regular meeting for all purposes. When an order of adjournment of any meeting fails to state the hour at which the adjourned meeting is to be held, it shall be held at the hour specified for regular meetings by ordinance, resolution, bylaw, or other rule.

**NEW SECTION.** Sec. 10. Any hearing being held, noticed, or ordered to be held by a governing body at any meeting may by order or notice of continuance be continued or reconvened to any subsequent meeting of the governing body in the same manner and to the same extent set forth in section 9 of this act for the adjournment of meetings.

**NEW SECTION.** Sec. 11. Nothing contained in this act shall be construed to prevent a governing body from holding executive sessions during a regular or special meeting to consider matters affecting national security; the selection of a site or the purchase of real estate, when publicity regarding such consideration would cause a likelihood of increased price; the appointment, employment, or dismissal of a public officer or employee; or to hear complaints or charges brought against such officer or employee by another public officer, person, or employee unless such officer or employee requests a public hearing. The governing body also may exclude from any such public meeting or executive session, during the examination of a witness on any such matter, any or all other witnesses in the matter being investigated by the governing body.

**NEW SECTION.** Sec. 12. Each member of the governing body who attends a meeting of such governing body where action is taken in violation of any provision of this act applicable to him, with knowledge of the fact that the meeting is in violation thereof, shall be subject to personal liability in the form of a civil penalty in the amount of one hundred dollars. The civil penalty shall be assessed by a judge of the superior court and an action to enforce this penalty may be brought by any person. A violation of this act does not constitute a crime and assessment of the civil penalty by a judge shall not give rise to any disability or legal disadvantage based on conviction of a criminal offense. Reasonable expenses, including attorney's fees, shall be awarded the person bringing the action if the suit results in assessment of the civil penalty. The members held to be in violation shall be personally liable only for their pro rata share of the expenses.

**NEW SECTION.** Sec. 13. Any person may commence an action either by mandamus or injunction for the purpose of stopping violations or preventing threatened violations of this act by members of a governing body.

**NEW SECTION.** Sec. 14. If any provision of this 1971 amendatory act conflicts with the provisions of any other statute, the provisions of this 1971 amendatory act shall control: PROVIDED, That this act shall not apply to:

(1) the proceedings concerned with the formal issuance of an order granting, suspending, revoking, or denying any license, permit, or certificate to engage in any business, occupation or profession or to any disciplinary proceedings involving a member of such business, occupation or profession, or to receive a license for a sports activity or to operate any mechanical device or motor vehicle where a license or registration is necessary; or

(2) that portion of a meeting of a quasi-judicial body which relates to a quasi-judicial matter between named parties as distinguished from a matter having general effect on the public or on a class or group; or

(3) matters governed by Title 34 RCW, the administrative procedures act, except as expressly provided in section 17 of this 1971 amendatory act.

**NEW SECTION.** Sec. 15. The following acts or parts thereof are each hereby repealed:

(1) Section 1, chapter 216, Laws of 1953 and RCW 42.32.010;

(2) Section 2, chapter 216, Laws of 1953 and RCW 42.32.020.

**NEW SECTION.** Sec. 16. This act may be cited as the 'Open Public Meetings Act of 1971.'

Sec. 17. Section 3, chapter 237, Laws of 1967 and RCW 34.04.025 are each amended to read as follows:

(1) Prior to the adoption, amendment or repeal of any rule, each agency shall:

(a) Give at least twenty days notice of its intended action by filing the notice with the

code reviser, mailing the notice to all persons who have made timely request of the agency for advance notice its rule-making proceedings, and giving public notice as provided in [RCW 42.32.010] *this 1971 amendatory act*, as now or hereafter amended. Such notice shall include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon.

(b) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. In case of substantive rules, opportunity for oral hearing must be granted if requested by twenty-five persons, by a governmental subdivision or agency, or by an association having not less than twenty-five members. The agency shall consider fully all written and oral submissions respecting the proposed rule. Upon adoption of a rule, the agency, if requested to do so by an interested person either prior to adoption or within thirty days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption.

(2) No rule hereafter adopted is valid unless adopted in substantial compliance with this section, or, if an emergency rule designated as such, adopted in substantial compliance with RCW 34.04.030, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of this section, or of RCW 34.04.030, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

*NEW SECTION.* Sec. 18. The purposes of this 1971 amendatory act are hereby declared remedial and shall be liberally construed.

*NEW SECTION.* Sec. 19. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

In line 1 of the title after "agencies;" and before "repealing" insert "amending section 3, chapter 237, Laws of 1967 and RCW 34.04.025;"

ENGROSSED HOUSE JOINT RESOLUTION NO. 1, by Representatives Moon, Merrill, Kilbury, King, Luders, Martinis, McDermott and Wojahn:

Providing for periodic review of tax exemptions.

The House resumed consideration of Engrossed House Joint Resolution No. 1.

The Speaker stated the question before the House to be the amendment by Representatives O'Brien, Juelling and Marzano to the amendment by Representatives Moon, Wolf and Flanagan.

(For amendments, see Journal of April 19, 1971, Thirty-ninth Day, Ex. Sess.)

With the consent of the House, Mr. O'Brien withdrew the amendment to the amendment.

The Clerk read the following amendment by Representatives Wolf and Moon to the amendment:

Amend the amendment by Representatives Moon, Wolf and Flanagan as follows:

On page 1, line 7 of the text of the new section after "tax liability" and before "shall be reviewed" insert "(other than a statute or part thereof granting an exemption from taxes

imposed upon property owned or used by a religious organization, corporation, or corporation sole, solely for religious or educational purposes)"

#### POINT OF ORDER

Mr. O'Brien: "It appears that my amendment to line 8 of the amendment was on the Clerk's desk first. There is no priority on the basis of page and line numbers. When you offer amendments to a resolution or bill of this nature it seems to me that the order of the amendments themselves (when you read only the last line) doesn't particularly mean a great deal. The fact that our amendment was offered first and contains much, and more, of the language than they offer—it appears it would only be fair for the House to have the right to act on the amendment to the amendment that was offered by myself and others."

The Speaker: "We are going to have to wait until this new amendment to the amendment, which starts on line 7, is reproduced and distributed. When I get a copy of that I will compare the two, Mr. O'Brien, and make a ruling."

The Speaker declared the House to be at ease.

The Speaker called the House to order.

#### MOTION

On motion of Mr. Bledsoe, the House deferred further consideration of Engrossed House Joint Resolution No. 1, and the resolution was ordered placed at the bottom of today's second reading calendar.

All nonprofit corporations not covered by the National Labor Relations Act (Title 29, U.S.C.A.) or any other state or federal act relating to collective bargaining shall be governed by the provisions of chapter 41.56 RCW, Public Employees Collective Bargaining Act of the state of Washington, as presently written or hereinafter amended."

ENGROSSED SUBSTITUTE SENATE BILL NO. 109, by Committee on Education: Providing for a state school building system.

Committee recommendation: Majority, do pass as amended.

(For Committee Amendments see Journal of April 12, 1971, Thirty-second Day, Ex. Sess.)

The bill was read the second time.

On motion of Mr. Hoggins, the committee amendments were adopted.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 109 as amended by the House was placed on final passage.

Mr. Hoggins spoke in favor of passage of the bill, and Mr. Polk spoke against it.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Randall.

Mr. Randall: "Can you assure me that the cost of setting up the department and the cost of a new director to implement this act is not going to come from the K-12 budget?"

Mr. Hoggins: "Mr. Randall, I would make several assumptions relating to this: One, I think it would be necessary for the Superintendent of Public Instruction to do some reorganizing within his office to handle this. As you know, they have personnel working in school construction at the present time. The second thing, my assumption, and I think the assumption of the committee, is that whatever appropriations we make to the Superintendent of Public Instruction's office in the final form of House Bill No. 151 will be the amount that he would have to operate within to carry out this project."

Miss Maxie spoke against the bill.

#### POINT OF INQUIRY

Mr. Polk yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Polk, you seem to be the only one here who has technical knowledge about this particular subject in this bill. I would like to ask, in your opinion, if this becomes law and this division is set up in the superintendent's office, will this create a savings in the construction costs of the schools throughout the state?"

Mr. Polk: "Thank you, Mr. Flanagan. No, I don't think it is going to provide a savings in the school construction in the state. I recently was designing a high school. Some decisions had to be made because we knew it was going to be a rather expensive high school. We started looking at all the available components and systems that were available on the market. We looked at a ceiling system that was a combined acoustical mechanical air distribution system and lighting, all in the same ceiling plane, that could come as a package unit. We found we were going to have to pay a couple dollars a square foot more for this system. Now sometimes, Mr. Flanagan, I think you can save money under certain conditions using these systems, but that is part of the decision-making process of the design profession. So as a blanket statement, no, I don't think it is going to save money, and in some places I think it is going to cost more money."

Representatives Brouillet and Smythe spoke in favor of the bill.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Jones.

Mr. Jones: "This relates to studies. During committee, did we not hear that there were a number of studies on this?"

Mr. Hoggins: "There were two studies referred to in committee, and I would like to talk about another one. There were reports of the experience that the schools in Canada and Florida had. The testimony presented to us was that there had been savings in these areas. The second thing (I would remind those of you who were here last regular session): We authorized a study of school construction problems and how to effect economies in school construction by a floor resolution here. It directed the Superintendent of Public Instruction's office (and this rather large committee included architects, engineers, etc.) to look at the systems type of construction because of the possibility of buying in quantity. Where four, five or six school districts go together for the component parts is where you would be able to obtain your economies. We will be able to make some comparisons when this time period is up because this is a permissive bill. It doesn't require all school districts to participate. You would be able to compare school construction, square foot cost by those systems, a state-wide purchasing program, and those who operate independently."

## POINT OF INQUIRY

Mr. Polk yielded to question by Mr. Marzano.

Mr. Marzano: "Mr. Polk, what is the fee for an architect pertaining to a project such as this?"

Mr. Polk: "What size project, Mr. Marzano?"

Mr. Marzano: "Schools."

Mr. Polk: "Schools are on a graduated fee structure, Representative Marzano, depending on the size of the school. It starts down around a \$25,000 school and runs up to a \$5 million school. A \$5 million school happens to be a five percent fee."

Mr. Ross spoke against passage of the bill.

Authorizing tuition supplement program for resident students attending private institutions of higher education.

Committee recommendation: Majority, do pass with the following amendments:

On page 2, section 3, line 14 after "Applicants must be" strike everything down to "as the" and insert the following: "Washington resident students"

On page 2, section 3, line 2 after "an" strike "independent or private"

Mr. Farr spoke in favor of the amendments, and Mrs. Lynch spoke against them.

## POINT OF INQUIRY

Mr. Farr yielded to question by Mr. Curtis.

Mr. Curtis: "Representative Farr, could you give me some idea as to the fiscal impact of your amendment?"

Mr. Farr: "Mr. Curtis, I thought that with the expertise that we had in that area that I would be able to call on someone else. I might suggest that other members would be more able—the people in higher education, or perhaps some of the other areas, to answer that. I cannot."

Mr. Curtis: "You mean you haven't researched your amendment as to the fiscal impact?"

Mr. Farr: "I have some rough estimates, but I have not researched it to the point where I would want to present it to you as a fact."

Mr. Curtis: "Would you give me your rough estimate then?"

Mr. Farr: "I would imagine that it borders somewhere under \$2 million, probably somewhere in the vicinity of \$1.7 million, since this is what was included in the Governor's budget and the one passed through the House."

Representatives Kiskaddon, Zimmerman and O'Brien spoke against the amendments by Mr. Farr.

The amendments by Mr. Farr to Engrossed Senate Bill No. 419 were not adopted.

Representatives Lynch, Bottiger, Bledsoe and Blair spoke in favor of passage of the bill, and Representatives Anderson and Savage spoke against it.

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "My question is: Mrs. Lynch mentioned it is not our prerogative to play judge and jury on this, but I would like some evidence, if you have any please, as to whether there have been any cases we might use as a precedent here, where a similar measure has been challenged in court and found to be constitutional. I would be very happy to know that."

Mr. Bottiger: "Mr. Douthwaite, one thing you have to do with an attorney is give him a little warning so he can go to the book and find out. I would cite as an example, not a case, the G.I. Bill of Rights in which the grant of taxpayers' money is made directly to the student, and he can apply it to any school he wishes. That has been declared constitutional."

Mr. Gladder demanded the previous question, and the demand was sustained.

HOUSE BILL NO. 865, relating to the operation and administration of state government, reported by Committee on State Government.

MAJORITY recommendation: Do pass with the following amendments:

On page 1, following the enacting clause strike the remainder of the bill and insert the following:

**"NEW SECTION.** Section 1. The future of the state is largely dependent on the uses that are made of the lands within the state. The legislature finds and declares that the rapid growth and development of the state and the resulting demands on its land resources make new and innovative measures necessary to encourage the timely, orderly, and coordinated use of land in the state; to provide for future growth in the needs of agriculture, forestry, industry, business, residential communities, and recreation; to encourage the wise use of land and other natural resources which are in accordance with their character and adaptability; to conserve and protect soil, air, water, and forest resources; to protect the beauty of the landscape; and to promote the efficient and economical use of public resources. The legislature further finds and declares that future growth of the state should be guided by an effective planning process which should include the formulation of state-wide goals encompassing land use, population growth and distribution, urban expansion, and other relevant physical, social, and economic factors. While recognizing that land usage provides the common denominator which links human environmental systems to each other and to all other ecological relationships, it is the sense of the legislature that many present land use practices do not result from intelligent, fully informed, well-reasoned decisions; that, to the contrary, such practices too often occur on an uncoordinated, haphazard basis which fail to take into consideration either the long term consequences or the long term interests of the general public.

It is the purpose of this act to provide a means of assisting local governments, state agencies, and political subdivisions of the state to work towards the objectives set forth in this section, pending adoption of further legislation, by providing for investigation and evaluation by the state of land use changes which are expected to have a substantial impact and effect beyond the physical boundaries of the governmental jurisdiction in which the proposed land use is located and of providing such information to the local jurisdiction which has authority over the proposed use.

**NEW SECTION.** Sec. 2. The state land planning commission is hereby established. Such commission shall be composed of fifteen members as follows: Two senators of different political parties to be chosen by the president of the senate; two representatives of different political parties to be chosen by the speaker of the house; and eleven persons to be

appointed by the governor from the general public. The governor shall select the chairman of the commission. Vacancies shall be filled in the same manner as the original appointment. Each legislative member shall receive allowances as provided in RCW 44.04.120, and each lay member shall receive necessary expenses and other actual mileage or transportation costs as provided in RCW 43.03.060.

**NEW SECTION.** Sec. 3. The commission, by majority vote, shall select appropriate subcommittees, and prescribe rules of procedure for itself and its subcommittees which are not inconsistent with this act. Both the commission and any subcommittee shall be authorized to conduct hearings throughout the state and shall have power to require data from all public officials and agencies concerned with land planning in the state of Washington and other data from such other public officials and agencies as may provide information helpful to the commission in carrying out its functions. In furthering the purposes of this act, the commission shall have authority to select and consult with interested citizen groups. Such groups shall not receive expenses unless otherwise provided for in this act.

**NEW SECTION.** Sec. 4. The commission may by majority vote, hire and provide compensation for an executive director, and may employ or contract for the services of such employees and technical assistance and may appoint such advisory groups as the commission deems necessary for the proper and efficient performance of its duties. The expenses of the commission shall be paid from such moneys as may be appropriated to carry out the purposes of this act. All expenses incurred by the commission, including salaries and expenses of employees, shall be paid upon voucher forms as provided by the budget director and signed by the chairman of the commission. Vouchers may be drawn upon funds appropriated generally by the legislature for commission expenses or upon any special appropriation which may be provided by the legislature for the expenses of the commission.

**NEW SECTION.** Sec. 5. The commission shall consider the development of a state-wide land use data bank or alternative system for the assembly of information that will assist in the formulation, evaluation, and updating of intermediate and long-range goals and policies for land use, population growth and distribution, urban expansion, open space, resource preservation and utilization, and other factors which shape state-wide development patterns and significantly influence the quality of the state's environment: PROVIDED, That the commission may consider specific sectors of the state and direct the development of a pilot project for the ultimate design of a system for assembling information on a state-wide basis.

The development of a state-wide data bank or alternative system may contain any information relevant to the future growth of agriculture, forestry, industry, business, residential communities and recreation; the wise use of land and other natural resources which are in accordance with their character and adaptability; the conservation and protection of the soil, air, water, and forest resources; the protection of the beauty of the landscape; and the promotion of the efficient and economical uses of public resources.

It is intended that a state-wide information pool will be designed to be used by all governmental and private agencies including but not limited to the department of highways, department of commerce and economic development, the planning and community affairs agency, local and regional governmental bodies, public and private utilities, and private enterprise. The commission may consider the cost and feasibility of permitting public and private enterprise to insert data and use the information pool on an allocated cost basis as a tool to evaluate the ranges of alternatives in land and resource planning in the state of Washington.

The commission shall contract with an appropriate consultant to gather such data and assemble such data bank into a readily accessible system, including the computerization thereof for the purpose of developing a pilot project. Any information possessed by state agencies, public officials, and by any political subdivision may be utilized by the consultant as the commission may direct.

**NEW SECTION.** Sec. 6. The commission shall study: All state planning enabling laws and other state laws concerning planning and land development; laws and proposed legislation of other states in the area of land use control; federal laws and proposed legislation in the area of land use control; land use studies and proposals of other organizations, public or private, concerned with land use control, including the American law institute model land use code and any other matters deemed necessary by the commission to carry out the purposes of this act.

**NEW SECTION.** Sec. 7. The commission shall present to any extraordinary session of the legislature convened in 1972 its preliminary findings, conclusions and recommendations as a result of its pilot project and report the costs and feasibility of developing a state-wide land use data bank or alternative system for the assembly of information on a state-wide basis.

**NEW SECTION.** Sec. 8. The commission shall present to the forty-third session of the legislature its recommendations for revisions in present state laws and enabling acts concerning planning and land development; its recommendations of new laws necessary to allow state-wide interests to be considered in future land development of the state; its recommendations as to the appropriate degree of state involvement in land and resource planning; and its recommendations as to planning criteria and guidelines to be followed by localities in the preparation of local land use plans.

The commission shall also present to the forty-third session of the legislature a model land use code for the state of Washington which is to consolidate, as nearly as may be practicable, the results and findings of the commission's studies and recommendations.

*NEW SECTION.* Sec. 9. The commission shall be dissolved upon the termination of the forty-third regular session of the legislature, unless said legislature determines otherwise.

*NEW SECTION.* Sec. 10. To carry out the provisions of this act there is appropriated to the state land planning commission from the general fund for the biennium ending June 30, 1973, the sum of ninety-one thousand dollars: PROVIDED, That federal funds are made available to the state to carry out the provisions of this act."

On page 1, line 1 of the title after "government" and before the period insert: "; creating a state land planning commission; limiting the length of existence of such commission; and making an appropriation"

Mr. Julin: "Representative Hoggins, on page 3, line 19 of the bill, there is a proviso: *'PROVIDED FURTHER, That overexpenditures made in violation of this statute shall not be a liability of said district.'* Does that change the law from what it now is as far as the liability of the district? My question is: Is such an overexpenditure now a liability of the school district involved, and if not, then what is the status of the person who has contracted with the district under this proviso? How are they going to be able to get paid?"

Mr. Hoggins: "Mr. Julin, I think this is just a change in the placement of the wording. If you will look up on line 8, it uses the words *'... said appropriations shall not be a liability of the district, but shall subject the members of any board of directors ...'* I think this language has been taken out here and just recodified below. It would be my opinion there would be no change in the law."

Mr. Amen: "Representative Pardini, since you checked the list so close, did you find quite a few duplicates like I did mine?"

Mr. Pardini: "No, they have done an excellent job—they really have. There are no duplications. The people are all within my district. My district kind of wiggles around in some areas, and Representative Amen, I would be happy to share these with you, or anyone else. As a result of redistricting some of these people may be on the new list and we certainly want to get those things straightened out so that the next report like this would be as complete and comprehensive as we have here."

## SECOND READING

ENGROSSED HOUSE JOINT RESOLUTION NO. 1, by Representatives Moon, Merrill, Kilbury, King, Luders, Martinis, McDermott and Wojahn:

Providing for periodic review of tax exemptions.

The House resumed consideration of Engrossed House Joint Resolution No. 1.

The Speaker stated the question before the House to be the following amendment by Representatives Moon, Wolf and Flanagan:

On page 1, beginning with "NEW SECTION" in line 8 strike all of the matter down to and including the period after "United States" in line 23 and insert:

"NEW SECTION. Article VII, section 12. Any statute or any part thereof or any provision of this Constitution which grants to any person, individual, firm, corporation or other business organization, or any public or private body, agency or institution, any exemption, deduction, or exclusion from state or locally imposed taxes or credit for payment of any such taxes against other state tax liability shall be reviewed by the legislature commencing before March 1, 1977, and before March 1st of every ten years thereafter. Any such statute on such part thereof which is not amended or reenacted without amendment, and any such constitutional provision which is not reapproved by the people, before March 1, 1977 and before the first day of March ending each ten year period thereafter shall be null and void effective upon such March 1st date. This section shall not apply to the removal or repeal of any tax exemption, deduction, exclusion or credit, if such removal or repeal would be in violation of the laws or Constitution of the United States."

The Clerk read the following amendment by Representatives Moon and Wolf to the amendment:

On line 1 of the amendment, following "section 12." strike all of the matter down to and including "tax liability" on line 7 of the amendment and insert: "All statutes and every part or provision of this Constitution which grant to any person, individual, firm corporation or other business organization, or any public or private body, agency or institution, any exemption, deduction, or exclusion from state or locally imposed taxes or credit for payment of any such taxes against other state tax liability (other than a statute or part thereof granting an exemption from taxes imposed upon property owned or used by a religious organization, corporation, or corporation sole, solely for religious or educational purposes)"

## POINT OF ORDER

Mr. O'Brien: "You are now in the process of reading the amendment to the amendment?"

The Speaker: "Yes, the amendment to the amendment."

Mr. O'Brien: "Mr. Speaker, I had previously put on the desk an amendment to the amendment. I raised this point of order the other day. I would like to cite to you Reed's

Rule No. 154, which isn't completely analogous to this situation, but it fits it rather similarly. For instance, I would like to read in part:

"... If the proposition to fill a blank were treated as an amendment, the first come would be the first served, but the assembly would in many cases be deprived of the proper opportunity to express its real sentiments. If, for example, it were proposed to put in various sums ranging from \$1,000 to \$5,000, and an amendment for \$3,000 were put first, those who desired to have \$5,000 appropriated might not dare to vote against \$3,000 for fear that they might get less. But by putting the question first on the largest sum and then on the others, the assembly stops where a majority of the voices agree."

"I submit to you that the amendment submitted by myself and Representatives Jueling, Marzano, Chatalas, Litchman, Perry, Ceccarelli and Bozarth is far more comprehensive than the one submitted by Mr. Moon and Mr. Wolf. Their amendment is somewhat restrictive. It just appears to me that the body should have the opportunity to vote on the broader amendment first and come to some conclusion before it would act on the lesser amendment. This, Mr. Speaker, would be the only right decision for any parliamentary body to have, to treat the broader, more comprehensive amendment first rather than to take the lesser amendment. This would tie in with Reed's Rule No. 154. It appears it would be only fair and equitable to treat it in this manner."

#### POINT OF ORDER

Mr. King: "I would just like to point out that there might be some merit to what Representative O'Brien is saying here if the two amendments were to the same portion of the bill. The Moon amendment pertains to the first seven lines. The O'Brien amendment does not take place until the eighth line, so they are not dealing with the same area as you would in filling the blanks when you are talking about the some portion of an amendment."

#### POINT OF ORDER

Mr. O'Brien: "I don't think you can take it on the basis of lines and where the amendments fit. I think you have to take it on a basis of what the amendment comprises and the entire scope of what the amendment covers. The two amendments do tie into the same general subject matter, only one is extremely limited and the other is broader in scope. For that reason, we think that it should be considered first because of the broader aspect of it and the fact that it just isn't so limited. The point that I think has to be considered is the material that the amendment contains—the subject matter—and not where it is placed on this amendment to the amendment."

#### RULING BY THE SPEAKER

The Speaker: "The Speaker somewhat sympathizes with the position in which the movers of these amendments find themselves. There are three amendments to this amendment which have been submitted on the desk, one of which commences on line 1, one of which commences on line 7, and one of which commences on line 8. I am also cognizant and have read Reed's Rule No. 154 which deals with amendments for different amounts or different numbers, to start with the consideration of the highest number first as the most logical way to approach a particular problem when you are dealing with amounts. I am also cognizant of Reed's rules and the rules of this House which require amendments to bills to be considered section by section, and in order. Now those rules do not also go farther than that to provide that the amendment shall be considered line-by-line. However, I think that the logic of those particular rules (that there must be some orderly consideration of amendments as you proceed through a bill to perfect it) can also apply to the consideration of two, three, four or more amendments within a particular section. It would appear to me that if someone has an amendment which follows, he would then logically be able to present an argument to defeat a prior amendment and hope that the body would go along with them to defeat that amendment, so that they could then adopt the amendment which comes along later. Even though that might be psychologically or strategically a little more difficult, it appears to me that to rule otherwise would then put a speaker or any other presiding officer in virtually an impossible situation as you go through a lengthy bill, for example, in an attempt to determine whether an amendment to section 10 might be broader or narrower in scope than some other amendment which comes prior in the bill. It appears to me that this would be an extremely difficult parliamentary procedure to start to establish in this House. I believe that the intent of the rules to take amendments as they fall within a particular bill should be sustained. Therefore, I am going to rule the point out of order. The amendment on line 1 of this amendment will be the first one considered."

Mr. Moon moved adoption of the following amendment to the amendment:

On line 1 of the amendment, following "section 12," strike all of the matter down to and including "tax liability" on line 7 of the amendment, and insert: "All statutes and every

part or provision of this Constitution which grant to any person, individual, firm corporation or other business organization, or any public or private body, agency or institution, any exemption, deduction, or exclusion from state or locally imposed taxes or credit for payment of any such taxes against other state tax liability (other than a statute or part thereof granting an exemption from taxes imposed upon property owned or used by a religious organization, corporation, or corporation sole, solely for religious or educational purposes)"

Mr. Moon spoke in favor of the amendment to the amendment.

POINT OF ORDER

Mr. O'Brien: "Are you going to recognize our amendment when you come to line 8?"

The Speaker: "Nobody has raised a point of order against it. If it is on the desk, it will be read. I don't have anything to rule on at this point."

The amendment by Representatives Moon and Wolf, to the amendment by Representatives Moon, Wolf and Flanagan, to Engrossed House Joint Resolution No. 1 was adopted.

The Clerk read the following amendment to the amendment:

Amend the amendment by Representatives Moon, Wolf and Flanagan as follows:

On page 1, line 7 of the text of the NEW SECTION, after "tax liability" and before "shall be reviewed" insert "(other than a statute or part thereof granting an exemption from taxes imposed upon property owned or used by a religious organization, corporation, or corporation sole, solely for religious or educational purposes)"

With the consent of the House, Mr. Wolf withdrew the amendment to the amendment.

Mr. O'Brien moved adoption of the following amendment to the amendment:

On line 8 of the Moon and others amendment after "thereafter" and before "Any" strike the period and insert the following: "PROVIDED, That any educational, charitable, religious organization or corporation or corporation sole, owning and using property for churches, schools, colleges, universities, orphanages, youth camps, hospitals, nursing homes, parsonages, convents, homes for delinquent and dependent and handicapped children and adults, aged persons, cemeteries and mausoleums shall not be included under the provisions of this section."

Mr. O'Brien spoke in favor of the amendment to the amendment.

Mr. Marzano demanded an electric roll call, and the demand was not sustained.

Representatives Moon, Wolf and Charnley spoke against adoption of the amendment to the amendment, and Representative Hurley spoke in favor of it.

POINT OF INQUIRY

Mr. Hubbard yielded to question by Mr. Julin.

Mr. Julin: "Representative Hubbard, as I read the proposed amendment, it would exempt from the coverage of the proposed resolution, corporations which operate hospitals and nursing homes. As you read it, would that language be broad enough to include privately-operated hospitals and nursing homes?"

Mr. Hubbard: "It may not be Mr. O'Brien's intention, but certainly this would be encompassed within this amendment. It would be my interpretation, especially if I were an attorney representing a private nursing home—you would get me taxed over my dead body."

Representatives Mentor and Lynch spoke in favor of the amendment by Representative O'Brien and others to the amendment, and Representatives Ross and King spoke against it.

Miss Maxie demanded an oral roll call, and the demand was sustained.

Mr. Hoggins spoke against the amendment to the amendment.

#### ADMONITION BY THE SPEAKER

The Speaker: "Mr. O'Brien, please confine your remarks to the merits of the legislation."

Mr. O'Brien concluded his remarks in opposition to the resolution.

Mr. Bledsoe spoke against passage of the resolution, and Mr. Savage spoke in favor of it.

POINT OF INQUIRY

Mr. Moon yielded to question by Mr. Bagnariol.

Mr. Bagnariol: "Assuming House Joint Resolution No. 1 passes this legislature and subsequently passes the vote of the people, will we have to wait until 1977 to review and reenact the tax exemptions that we think are justified, or can we begin with the following session reviewing these things?"

Mr. Moon: "We could begin with the following session and begin reviewing. Not only that, but if it should become a burdensome task and an insurmountable task to get done by 1977, there would be nothing to prevent this legislature from reenacting those exemptions which they had not reviewed on a year-by-year basis. I don't think that this is going to create nearly the problem that Representative Bledsoe has suggested that it might."

Mr. Bagnariol spoke in favor of passage of Reengrossed House Joint Resolution No. 1, and Mr. Pardini spoke against it.

POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Litchman.

Mr. Litchman: "Mr. Wolf, we passed an amendment a short while ago stating that 'property owned or used by a religious organization, corporation, or corporation sole, solely for religious or educational purposes' is exempted from this House Joint Resolution No. 1. Is that correct?"

Mr. Wolf: "Yes."

Mr. Litchman: "Now is it your intent, as a sponsor of this bill, to exempt, for example, Pacific Lutheran University, or Seattle University, or the local church or local church school?"

Mr. Wolf: "Yes. The answer would be, in my humble cornerstone law position, that it would be exempt because it is for an educational purpose. It is a religious (no comma as in Representative O'Brien's amendment)—a religious organization, a religious corporation, or a religious corporation sole. So for the purpose of educational or religious use it would not be reviewed. That isn't to say that it couldn't be wiped out someday, five hundred years from now."

Mr. Litchman: "But your intention is to exempt it, is that correct?"

Mr. Wolf: "Yes."

Mr. Litchman spoke in favor of passage of the resolution.

Mr. Luders demanded the previous question, and the demand was sustained on a rising vote.

The director may, in his discretion and in lieu of such deposit, accept a bond, in an amount which he deems sufficient, to secure payment of premiums due or to become due to the accident fund and medical aid fund. Upon receipt of such notice of accident, the director shall immediately forward to the workman and/or his dependents notification, in nontechnical language, of his rights under this title.

If any dependent is under the age of eighteen years at the time of the occurrence of the injury, the payment to such dependent shall cease when such dependent reaches the age of eighteen years *except such payments shall continue until the dependent reaches age twenty-one while permanently enrolled at a full time course in an accredited school.* The payment to any dependent shall cease if and when, under the same circumstances, the necessity creating the dependency would have ceased if the injury had not happened.

(6) If the injured workman dies during the period of permanent total disability, whatever the cause of death, leaving a widow, invalid widower, or child, or children, the surviving widow or invalid widower shall receive [one hundred forty dollars per month until death or remarriage, to be increased per month for each child of the deceased, as follows: For the youngest or only child, thirty-seven dollars, for the next or second youngest child, thirty-one dollars, and for each additional child, twenty-three dollars: PROVIDED, That the total monthly payments shall not exceed two hundred seventy-seven dollars and any deficit shall be deducted proportionately among the beneficiaries; but if such child is or shall be without father or mother, such child shall receive seventy dollars per month, but the total monthly payment to such children shall not exceed three hundred fifty dollars, and any deficit shall be deducted proportionately among the children] *benefits as if death resulted from the injury as provided in subsections (2) through (5) of this section.* Upon remarriage

(2) Compensation for amputation of a member or part thereof at a site other than those above specified, and for loss of central visual acuity and loss of hearing other than complete, shall be in proportion to that which such other amputation or partial loss of visual acuity or hearing most closely resembles and approximates. Compensation for any other permanent partial disability not involving amputation shall be in [an amount equal to eighty-five percent of] the proportion which the extent of such other disability, called unspecified disability, shall bear to that above specified, which most closely resembles and approximates in degree of disability such other disability, but not in any case to exceed the sum of [twelve thousand seven hundred and fifty] *thirty thousand* dollars: PROVIDED, That the total compensation for all unspecified permanent partial disabilities resulting from the same injury shall not exceed the sum of [twelve thousand seven hundred and fifty] *thirty thousand* dollars: PROVIDED FURTHER, That in case permanent partial disability compensation is followed by permanent total disability compensation, any portion of the permanent partial disability compensation which exceeds the amount that would have been paid the injured workman if permanent total disability compensation had been paid in the first instance, shall be deducted from the pension reserve of such injured workman and his monthly compensation payments shall be reduced accordingly.

(3) Should a workman receive an injury to a member or part of his body already, from whatever cause, permanently partially disabled, resulting in the amputation thereof or in an aggravation or increase in such permanent partial disability but not resulting in the permanent total disability of such workman, his compensation for such partial disability shall be adjudged with regard to the previous disability of the injured member or part and the degree or extent of the aggravation or increase of disability thereof.

(4) When the compensation provided for in subsections (1) and (2) exceeds [one thousand dollars] *three times the average monthly wage for all workmen entitled to compensation under this title*, payment shall be made in monthly payments in accordance with the schedule of temporary total disability payments set forth in RCW 51.32.090 until such compensation is paid to the injured workman in full, except that the first monthly payment shall be in [the amount of one thousand dollars] *an amount equal to three times the average monthly wage for all workmen entitled to compensation under this title* and interest shall be paid at the rate of five percent on the unpaid balance of such compensation commencing with the second monthly payment: PROVIDED, That interest so paid shall not be charged to the cost experience of any employer but shall be borne wholly by the applicable class account: PROVIDED FURTHER, That upon application of the injured workman the monthly payment may be converted, in whole or in part, into a lump sum payment, in which event the monthly payment shall cease in whole or in part. children of such claimant, and if there are no such dependent children, then to such other dependents as defined by this title.

Sec. 11. Section 51.32.090, chapter 23, Laws of 1961 as last amended by section 3, chapter 122, Laws of 1965 ex. sess. and RCW 51.32.090 are each amended to read as follows:

(1) When the total disability is only temporary, the schedule of payments contained in subdivisions (1), (2), (3) and (4) through (13) of RCW 51.32.060 as amended shall apply, so long as the total disability continues.

(2) [But if the injured workman has a wife or husband and has no child or, being a widow or widower, with one or more children, the compensation for the case during such period of time as the total temporary disability continues, shall be per month as follows, to wit: (a) Injured workman with wife or invalid husband and no child, two hundred fifteen dollars; injured workman with able-bodied husband, but no child, one hundred seventy-five dollars; injured workman with wife or invalid husband and one child, or being a widow or widower and having one child, two hundred fifty-two dollars; (b) injured workman with able-bodied husband and one child, two hundred twelve dollars; (c) injured workman with wife or invalid husband and two children, or being a widow or widower and having two children, two hundred eighty-three dollars; (d) injured workman with able-bodied husband and two children, two hundred forty-three dollars; and twenty-three dollars for each additional child, but the total monthly payments shall not exceed three hundred fifty-two dollars to an injured workman with a wife or invalid husband, or being a widow or widower, and having children, and shall not exceed three hundred twelve dollars to an injured workman with children and having an able-bodied husband and any deficit shall be deducted proportionately among the beneficiaries.]

Any compensation payable under this section for children not in the custody of the injured workman as of the date of injury shall be payable only to such person as actually is providing the support for such child or children pursuant to the order of a court of record providing for support of such child or children.

(3) [As soon as] *Where vocational rehabilitation or retraining is likely to restore the injured workman to a form of gainful employment, the director shall authorize continued benefits under this section while the workman is actively and successfully undergoing a formal program of vocational rehabilitation or retraining and until recovery is so complete that the present earning power of the workman, at any kind of work, is restored to that existing at the time of the occurrence of the injury, the payments shall [cease] continue.* If and so long as the present earning power is only partially restored, the payments shall continue in the proportion which the new earning power shall bear to the old. No compensation shall be payable out of the accident fund unless the loss of earning power shall exceed five percent.

(4) No workman shall receive compensation out of the accident fund for or during the day on which injury was received or the three days following the same, unless his disability shall continue for a period of [thirty] *fourteen* consecutive calendar days from date of injury.

(5) Should a workman suffer a temporary total disability and should his employer at the time of the injury continue to pay him the wages which he was earning at the time of such injury, such injured workman shall not receive any payment provided in subsection (1) of this section from the accident fund during the period his employer shall so pay such wages.

(6) *In no event shall the monthly payments provided in this section exceed the average monthly wage of the state as computed under the provisions of section 14 of this 1971 amendatory act.*

Sec. 12. Section 51.32.110, chapter 23, Laws of 1961 and RCW 51.32.110 are each amended to read as follows:

Any workman entitled to receive compensation under this title shall, if requested by the department, submit himself for medical examination, at a time and from time to time, at a place reasonably convenient for the workman and as may be provided by the rules of the department. If the workman refuses to submit to any such examination, or obstructs the same, his rights to monthly payments shall be suspended until such examination has taken place and no compensation shall be payable during or for such period or, if any injured workman shall persist in unsanitary or injurious practices which tend to imperil or retard his recovery, or shall refuse to submit to such medical or surgical treatment as is reasonably essential to his recovery, the department may reduce or suspend the compensation of such workman. If the workman necessarily incurs traveling expenses in attending for examination pursuant to the request of the department, such traveling expenses shall be repaid to him out of the accident fund upon proper voucher and audit.

*If the medical examination required by this section causes the workman to be absent from his work without pay he shall be paid for such time lost in accordance with the schedule of payments provided in RCW 51.32.090 as amended notwithstanding the provisions of subdivision (3) of such section as amended.*

NEW SECTION. Sec. 13. There is added to chapter 51.08 RCW a new section to read as follows:

(1) For the purposes of this title, the monthly wages the workman was receiving from all employment at the time of injury shall be the basis upon which compensation is computed unless otherwise provided specifically in the statute concerned. In cases where the

workman's wages are not fixed by the month, they shall be determined by multiplying the daily wage the workman was receiving at the time of injury:

- (a) By five, if the workman was normally employed one day a week;
- (b) By nine, if the workman was normally employed two days a week;
- (c) By thirteen, if the workman was normally employed three days a week;
- (d) By eighteen, if the workman was normally employed four days a week;
- (e) By twenty-two, if the workman was normally employed five days a week;
- (f) By thirty, if the workman was normally employed seven days a week.

The term 'wages' shall include the reasonable value of board, housing, fuel, or other consideration of like nature received from the employer, but shall not include overtime pay, tips, or gratuities. The daily wage shall be eight times the hourly wage unless the workman is normally employed for less than eight hours.

(2) In cases where a wage has not been fixed or cannot be reasonable and fairly be determined, the monthly wage shall be computed on the basis of the usual wage paid other employees engaged in like or similar occupations where the wages are fixed.

**NEW SECTION.** Sec. 14. There is added to chapter 51.08 RCW a new section to read as follows:

For the purposes of this 1971 amendatory act, the average monthly wage in the state shall be determined by the department as follows: On or before the first day of December of each year, the total wages reported on contribution reports to the department of labor and industries for the four calendar quarters ending on the thirtieth of June of such year shall be divided by the average monthly number of insured workmen (determined by dividing the total insured workmen reported for the same period by twelve). The average annual wage thus obtained shall be divided by twelve and the average monthly wage thus determined rounded to next higher multiple of one dollar. The average monthly wage as so determined shall be applicable for the full period during which compensation is payable, when the date of occurrence of injury or of disability in the case of disease falls within the calendar year commencing the first day of January following the determination made on the first day of December.

**NEW SECTION.** Sec. 15. There is added to chapter 51.16 RCW a new section to read as follows:

The department shall classify all occupations or industries in accordance with their degree of hazard and fix therefor basic rates of premium which shall be the lowest necessary to maintain actuarial solvency of the accident and medical aid funds in accordance with recognized insurance principles. The department shall formulate and adopt rules and regulations governing the method of premium calculation and collection and providing for a rating system consistent with recognized principles of workmen's compensation insurance which shall be designed to stimulate and encourage accident prevention and to facilitate collection. The department may annually, or at such other times as it deems necessary to maintain solvency of the funds, readjust rates in accordance with the rating system to become effective on such dates as the department may designate.

**NEW SECTION.** Sec. 16. There is added to chapter 51.32 RCW a new section to read as follows:

Each employer shall retain from the earnings of each workman that number of cents as shall be fixed from time to time by the director for each day or part thereof of the workman is employed. The money so retained shall be matched in an equal amount by each employer, and all such moneys shall be remitted to the department at such intervals as the department directs and shall be placed in the supplemental pension fund created by this 1971 amendatory act. The moneys so collected shall be used exclusively for the additional payments prescribed in RCW 51.32.070 and shall be no more than necessary to make such payments on a current basis.

**NEW SECTION.** Sec. 17. There is added to chapter 51.44 RCW a new section to read as follows:

There shall be, in the office of the state treasurer, a fund to be known and designated as the 'supplemental pension fund'. The director shall be the administrator thereof. Said fund shall be used for the sole purpose of making the additional payments prescribed in RCW 51.32.070.

**NEW SECTION.** Sec. 18. There is added to chapter 51.44 RCW a new section to read as follows:

Any moneys remaining from funds appropriated by the legislature for the purposes of making additional payments to prior pensioners under prior provisions of RCW 51.32.070, and any liabilities in connection therewith, are transferred to the supplemental pension fund on the effective date of this new 1971 section.

**NEW SECTION.** Sec. 19. The following acts or parts of acts are each hereby repealed:

- (1) Section 51.16.010, chapter 23, Laws of 1961 and RCW 51.16.010;
- (2) Section 51.16.020, chapter 23, Laws of 1961, section 6, chapter 274, Laws of 1961 and RCW 51.16.020;

- (4) Section 51.16.050, chapter 23, Laws of 1961 and RCW 51.16.050; and
- (5) Section 51.16.080, chapter 23, Laws of 1961 and RCW 51.16.080.

**NEW SECTION.** Sec. 20. This 1971 amendatory act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect on July 1, 1971.", and the same is herewith transmitted. BILL GLEASON, Assistant Secretary.

## MOTION

Mr. Bledsoe moved that the House do not concur in the Senate amendments to Engrossed House Bill No. 735 and that the Senate be asked to recede therefrom.

Mr. Sawyer moved that the House do concur in the Senate amendments to Engrossed House Bill No. 735.

The Speaker recognized Mr. Charette.

Mr. Charette: "Mr. Speaker, ladies and gentlemen of the House: I am sure that no one here has to have explained to him what House Bill No. 735 is. We have all followed the course and the history of this bill since the first day of the legislative session. I think there are 99 people on the floor of this House who are unified in doing something as far as workmen's compensation or industrial insurance is concerned. I don't think there is any disagreement that there should be universal coverage, that the method of providing the payments should be updated, and also (another important area) that of providing adequate additional funding for prior pensions. All of these items are taken care of in the Senate amendments to House Bill No. 735. I am not going to go through each item and each section of the bill to try to explain it to you, because each one of the caucuses has discussed the bill as it came back from the Senate and had it explained to them. I think this would give us an opportunity now, with a little over two and a half weeks left of this legislative session (and I am sure also everyone will agree with me that two weeks from next Monday we are going to crank this down and go home)—so we have a few other jobs to do besides workmen's compensation.

"We are providing for prior pensioners, bringing the payment schedule up to date, providing for payment to injured workmen on the basis of a percentage of their monthly wage with a formula worked out in the bill that you will find toward the end of the Senate amendment if you care to take a look at it. This percentage base then allows a workman, or woman, who is injured while working under the provisions of this bill to receive adequate compensation for that injury.

"Also, the funding of it (and this is probably one of the more important parts of the bill) the Department of Labor and Industries is allowed a more broad method of determining the rates and fixing the categories, classifications and rates which would allow essentially a reduction to a number of employers and require some employers who have not been paying enough to pay some more as far as the premiums are concerned.

"I would suggest to you that this then is our opportunity to accomplish one of our main tasks that is going to be accomplished in this session of the legislature, and I believe it is going to be accomplished. I would urge you to vote yes to concur with the Senate amendments to House Bill No. 735, put it on final passage, and then get on to the next big job we have. Thank you."

The Speaker recognized Mr. Morrison.

Mr. Morrison: "Mr. Speaker, ladies and gentlemen of the House: Opposing the motion to concur with the Senate amendments on this very vital issue before us, let me take a minute or two to point out some of the differences between the measure we passed from these Chambers to the Senate and our bill as it returns to us today.

"I think all of the approaches to workmen's compensation attempt to do the job in different ways. In the area of benefits (perhaps our greatest concern) there is a price difference between our two versions of \$17 million and \$42 million. We currently aren't all that shabby in benefits, but we definitely need a different schedule of benefits and improvements. We rank seventh or eighth in the nation now, depending on how you measure, but as one of the leading industrial states in this nation we need to be up nearer the top.

"Also there is some concern, on April 28 the Federal Health and Occupational Safety Act goes into effect. They will be investigating the various state programs, not only from the safety aspect, but the adequacy of coverage and of benefit level. None of the measures considered by either the House or the Senate measure up to the standards which may be set on the federal level. It is important that this measure go to conference and that at that time the conference committee consider what will be required in the near future. The last thing we in this legislative body want to do is have the federal government take over our workmen's compensation program because it is inadequate. This is reason enough to send this measure to conference.

"Also, a very vital feature of House Bill No. 735 (an amendment which we hung here on the floor with your support) created an advisory council including people from both labor and industry to work on this particular measure. Some of us who have visited in other states have seen this council keep their workmen's compensation bills up to date and effective without getting into the hole in which we now find ourselves. We believe this is an essential feature which was left out of the bill as it came back to us from the Senate—the creation of a continuing dialogue.

"Also the measure as it comes back from the Senate totally ignores the appeals procedure. How can we sit here and say sixty-eight weeks of delay is acceptable to an injured workman waiting for his claim to be settled. We also have serious questions about the procedure for establishing and paying attorneys' fees. Improvement is necessary in the appeals procedure. The measures we have passed propose two different changes and I am

sure that a conference group can work out between these two changes some satisfactory improvement in the appeals procedure.

"The Senate amendment raised a very serious legal cloud. There is a possibility of a technical problem of double coverage in some areas where federal workmen's compensation laws now cover. There now is a possibility of the employer having to pay twice under both the federal and state programs. The same amendment also creates the possibility of no coverage in several areas. These things must be looked at and worked out.

"There is no question about universal coverage. We are long overdue in this state in extending workmen's compensation to approximately 550,000 workers that don't have the privilege of this coverage. However the Senate measure that is now before us is administratively impossible because of the fact it extends this coverage almost instantly upon its effective date. The department now covers only 650,000 people. We are virtually doubling their workload. They are not able to do this process in the form that it is now. I think a conference committee could work out a realistic schedule for fazing in all the workers that must be covered.

"In closing, may the record show a very sincere desire for us to come up with the best bill possible. The only way to do this is to reject the Senate amendments and get this thing in conference. I was sorry early in the session to hear the United Labor Lobby say it is going to be their bill or none. Some of us who might champion industry's cause say at this point in time to the rest of you that it is not 'our' bill or none.

"I appeal to you, let's make the legislative process work. And to make it work in this area now is to reject the Senate amendments and move this thing towards some sort of reasonable conclusion and compromise. The time has come not to measure who is right, but what is right. That is what we are here for. I urge that we reject the Senate amendments."

The motion by Mr. Sawyer was lost on a rising vote. The House refused to concur in the Senate amendments to Engrossed House Bill No. 735 and asked the Senate to recede therefrom.

 SENATE BILL NO. 564.

Mr. Bledsoe moved that under House Floor Resolution No. 71-32, by a two-third's vote of the body, the House consider the bills listed on the second reading calendar encompassed on the first four pages of the calendar on the member's desks.

The motion was carried.

## SECOND READING

SENATE BILL NO. 884, by Senator Foley:  
 Authorizing housing authorities to undertake supplemental projects.

## MOTION

On motion of Mr. Bledsoe, the House deferred consideration of Senate Bill No. 884, and the bill was ordered placed at the bottom of today's second reading calendar.

## POINT OF INQUIRY

Mr. Bluechel yielded to question by Mr. Hatfield.

Mr. Hatfield: "What would be the fiscal impact of this bill, Mr. Bluechel?"

Mr. Bluechel: "The answer from the other gentlemen on the floor is \$5,000 to \$10,000. The key amendment, I must explain here, is the limiting amendment. Otherwise the original bill was very broad. The second amendment, which I explained, limits the number of papers in which the notices can be published to not more than fifteen."

## POINT OF INQUIRY

Mr. Ross yielded to question by Mr. Barden.

Mr. Barden: "Representative Ross, I don't have my RCW with me, and I notice that this bill provides that the papers that we would be required to run the notices in—it says here '... are not required to meet the requirements of RCW 65.16.020 or 65.16.040.' Could you tell me what those requirements are that we are exempting these newspapers from?"

Mr. Ross: "Those statutes refer to a phrase called 'general circulation' and 'general circulation' is defined by the readership plus the geographical area that is covered. The newspapers that would be affected by this bill are primarily ethnic language newspapers which have, in most cases, a very small circulation because they are appealing to that portion of the population that is proficient in that certain language. I might add, this would also have impact on, say, Norwegian and Swedish language newspapers where there was a

demand for communication from the state regarding elections and ballot issues. This is not aimed at one particular ethnic group."

Mr. Bluechel spoke again in favor of passage of the bill, and Mrs. Hurley spoke against it.

## POINT OF INQUIRY

Mrs. Hurley yielded to question by Mr. O'Brien.

Mr. O'Brien: "Mrs. Hurley, if this elected official doesn't have enough money to operate his office, then how should he incur an obligation beyond his budget? Do you think that is right?"

Mrs. Hurley: "I think this brings us to a very fundamental point. I think that the budgets of state agencies and state departments have been increasing by leaps and bounds, especially in the last five or six years. I don't know whether it is because they have put on more employees than they can actually justify, or whether they are doing things like running around the state, taking care of things that they take on themselves as one of the prerogatives of their office, which is not actually a statutory requirement at all. Somebody has to pay for these trips around the state for these various activities, and I object to the fact that the people have to do this. I think that this money could be saved and the state official, whoever he is and in particular the Secretary of State, could perform his duties if he used his money in a proper manner."

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 504, and the bill failed to pass the House by the following vote: Yeas, 13; nays, 85; absent or not voting, 1.

The bill was read the second time.

On motion of Mr. Smythe, the committee amendment was adopted.

Mr. Jueling moved adoption of the following amendment:

On page 1, section 1, line 19 insert a new section to read as follows:

"NEW SECTION. Sec. 2. Section 36.32.050, chapter 4, Laws of 1963 and RCW 36.32.050 are each amended to read as follows:

Each county commissioner [s] shall be elected by the qualified voters of [the county] his district, and the person receiving the highest number of votes for the office of

commissioner for the district in which he resides shall be declared duly elected from that district."

Renumber the remaining section consecutively.

Representatives Juelling, Kuehnle, Curtis, Wolf, Brown and Barden spoke in favor of adoption of the amendment, and Representatives Flanagan, Haussler, Bledsoe, Chatalas, Thompson and Sawyer spoke against it.

The amendment was lost on a rising vote.

On motion of Mr. Brown, the following amendment was adopted:

Except as otherwise provided in RCW 39.44.100, the bonds and each coupon shall be signed by the chairman of the board of county commissioners, or in counties having an elected executive, the elected executive officer, and shall be attested by the clerk of the board [,] or such other county officer or member of the board as the board may designate and the seal of such board shall be affixed to or imprinted on each bond, but not to the coupon. Each bond shall be printed, engraved, or lithographed on good bond paper."

Mr. Hansey moved adoption of the following amendments:

On page 1 there are added new sections as follows:

"NEW SECTION. Sec. 2. Notwithstanding any provision of law to the contrary, no port district organized under the laws of this state shall grant port privileges to any foreign commercial fishing vessel except those of Mexico or Canada. The term 'port privileges' for the purposes of this section means supplying services to a foreign commercial fishing vessel which enables such vessel to extend the duration of its commercial fishing activities in the coastal fisheries and spawning areas near this state but such term shall not include supplying services to a foreign commercial fishing vessel in an emergency situation.

NEW SECTION. Sec. 3. The provisions of this act shall be operative and in effect only until and including December 31, 1973, at which time this act, in its entirety, shall expire without any further action by the legislature."

On line 1, strike the period, and insert the following: "; creating new sections relating to port districts."

#### ANNOUNCEMENT BY THE SPEAKER

The Speaker: "The Speaker will point out that the actual amendment which is on the desk, on the first line of 'NEW SECTION. Section 3' now reads 'The provisions of this section' rather than your printed copy which reads 'The provisions of this act.'"

Mr. Wolf moved adoption of the following amendment to the amendment by Mr. Hansey:

Amend the amendment by Mr. Hansey as follows:

In section 3, line 1, after "The provisions of" and before "shall be" strike "this act" and insert "section 2" and in line 2 after "which time" and before "in its entirety," strike "this act," and insert "section 2,"

Mr. Wolf spoke in favor of the amendment to the amendment.

The amendment by Mr. Wolf to the amendment by Mr. Hansey, House Bill No. 516, was adopted.

The Speaker stated the question before the House to be the amendment by Mr. Hansey as amended.

#### POINT OF INQUIRY

Mr. Hansey yielded to question by Mr. Bottiger.

Mr. Bottiger: "Mr. Hansey, I am a little bit in the dark here about what other nations permit our fishing boats to enter their ports besides Mexico and Canada."

Mr. Hansey: "I do not know of any."

Mr. Bottiger: "Would Chile, or Argentina, or Venezuela, or Puerto Rico, or any of these nations permit our fishing boats to enter their ports?"

Mr. Hansey: "I can't answer that question, Representative Bottiger, but I am certain that this would not create a problem because we do not have Chilean, or South American

boats fishing off our coast that would desire to enter our ports. The only ones we do have are the Russian boats that are here, of any foreign country, so these would be the only ones from a practical standpoint that this would have an effect on."

## MOTION

On motion of Mr. Grant, the House deferred further consideration of House Bill No. 516 on second reading, and the bill was ordered placed at the top of tomorrow's second reading calendar.

## SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House the Honorable Warren G. Magnuson, United States Senator, and requested that Representatives Farr, Jones, Hoggins, Savage, Kilbury and O'Brien, along with the Sergeant at Arms, conduct him to a place on the rostrum.

The Speaker: "It is my privilege to present to our guests and to the House of Representatives our distinguished guest, the senior Senator from the State of Washington, the Honorable Warren G. Magnuson."

Senator Magnuson: "Members of the House, I thank you for your warm welcome. I thank you for the invitation for many reasons. It is good to come down here and say 'hello' to fellow suffering legislators. I have a sentimental reason, too. I don't know who has my old seat—I think Red Beck has it. I sat down here a long time ago and struggled with the problems that you are struggling with. I know the overwhelming work that members of any legislative body have in these times.

"I have been in Congress a long time, and it seems I don't particularly find any new problems. There are just more of them, and they usually involve 'where are you going to get the money.' I know we have problems here in the state of Washington, but I am not pessimistic about them any more than I was pessimistic when I sat down there thirty-three years ago when we had some real problems—when about forty-two percent of the people of the state were unemployed. We came out of it. Today we have the dubious distinction of having the highest unemployment rate in the United States. I think that the Congress of the United States is going to be helpful to you with regard to public works projects. We are going to pass, probably in the next two weeks an accelerated public works program.

"I think we must rearrange—not necessarily priorities—priorities is not a good word for me. You take twenty needs that are there, and then you say we will shove five of them aside and take care of fifteen, or shove fifteen aside and take care of five. We should be able to take care of them all. I have come to the conclusion (I don't know the answer or the format to it) that sooner or later the federal government is going to have to take over the welfare burden in these United States, and relieve the states of the most difficult thing, the most costly thing that you have. We still only contribute eight percent of your education bill, (Buster, am I right about the eight percent?) and we can do more on that. But we have got to send you the check for welfare. I am convinced of that as well as I am standing here. Secondly we have got to try to convince this administration (and I don't think it is going to be too difficult) to unfreeze a lot of money and reappropriate it for projects. Then we can do some of the things we talk about—public works, recreation, oceanography. Puget Sound is probably the great potential laboratory for oceanography in the whole world. We are just beginning on that. I think we ought to devote as much time to oceanography as we do to space. That's my opinion and I think we can do it.

"Thank you so much."

Senator Magnuson answered questions posed by Representatives Copeland, Backstrom, Smythe, Beck, O'Brien, Hansey, Wojahn, Ross, Goldsworthy, Lysen and Cunningham.

Mr. Bledsoe: "Senator, you have been very candid, very direct, and very forceful. We have enjoyed the discourse, and we are in your debt. Thank you, sir."

The Honorable Warren G. Magnuson was escorted from the rostrum.

## MOTION

On motion of Mr. Bledsoe, the House advanced to the twelfth order of business.

On motion of Mr. Bledsoe, the House adjourned until 11:00 a.m., Friday, April 23, 1971.

REPORT OF FREE CONFERENCE COMMITTEE

April 23, 1971.

MR. PRESIDENT:

MR. SPEAKER:

We, of your Free Conference Committee, to whom was referred REENGROSSED SENATE BILL NO. 130, authorizing parking and business improvement areas and special assessments therefor, have had the same under consideration, and we recommend that the attached bill be substituted therefor and that it do pass.

An Act relating to parking and business improvement areas; authorizing formation thereof by counties, cities, and towns; authorizing special assessments therefor; and creating new sections.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

**NEW SECTION.** Section 1. The legislature hereby authorizes all counties and all incorporated cities and towns, including unclassified cities and towns operating under special charters:

(1) To establish parking and business improvement areas, hereafter referred to as area or areas, for the following purposes:

(a) The acquisition, construction or maintenance of parking facilities for the benefit of the area;

(b) Decoration of any public place in the area;

(c) Promotion of public events which are to take place on or in public places in the area;

(d) Furnishing of music in any public place in the area;

(e) The general promotion of retail trade activities in the area;

(2) To levy special assessments on all businesses within the area and specially benefited by a parking and business improvement area to pay in whole or in part the damages or costs incurred therein as provided in this act.

(3) To provide in accordance with any applicable provisions of the Constitution or statutory authority for the issuance and sale of revenue bonds to finance the cost of any parking and business improvement area.

**NEW SECTION.** Sec. 2. (1) 'Business' as used in this act means all types of business, including professions.

(2) 'Legislative authority' as used in this act means the legislative authority of any city or town including unclassified cities or towns operating under special charters or the legislative authority of any county.

**NEW SECTION.** Sec. 3. For the purpose of establishing a parking and business improvement area, an initiation petition may be presented to the legislative authority having jurisdiction of the area in which the proposed parking and business improvement area is to be located or the legislative authority may by resolution initiate a parking and business improvement area. The initiation petition or resolution shall contain the following:

(1) A description of the boundaries of the proposed area;

(2) The proposed uses and projects to which the proposed special assessment revenues shall be put and the total estimated cost thereof;

(3) The estimated rate of levy of special assessment with a proposed breakdown by class of business if such classification is to be used.

The initiating petition shall also contain the signatures of the persons who operate businesses in the proposed area which would pay fifty percent of the proposed special assessments.

**NEW SECTION.** Sec. 4. The legislative authority, after receiving a valid initiation petition or after passage of an initiation resolution, shall adopt a resolution of intention to establish an area. The resolution shall state the time and place of a hearing to be held by the legislative authority to consider establishment of an area and shall restate all the information contained in the initiation petition or initiation resolution regarding boundaries, projects and uses, and estimated rates of assessment.

**NEW SECTION.** Sec. 5. Notice of a hearing held under the provisions of this act shall be given by:

(1) One publication of the resolution of intention in a newspaper of general circulation in the city; and

(2) Mailing a complete copy of the resolution of intention to each business in the proposed, or established, area. Publication and mailing shall be completed at least ten days prior to the time of the hearing.

**NEW SECTION.** Sec. 6. Whenever a hearing is held under this act, the legislative authority shall hear all protests and receive evidence for or against the proposed action. The legislative authority may continue the hearing from time to time. Proceedings shall terminate if protest is made by businesses in the proposed area which would pay a majority of the proposed special assessments.

**NEW SECTION.** Sec. 7. If the legislative authority decides to change the boundaries of the proposed area, the hearing shall be continued to a time at least fifteen days after such decision and notice shall be given as prescribed in section 5 of this act, showing the boundary amendments, but no resolution of intention is required.

**NEW SECTION.** Sec. 8. For purposes of the special assessments to be imposed pursuant to this act, the legislative authority may make a reasonable classification of businesses, giving consideration to various factors, including the degree of benefit received from parking only.

**NEW SECTION.** Sec. 9. The special assessments need not be imposed on different classes of business, as determined pursuant to section 8 of this act, on the same basis or the same rate: PROVIDED, HOWEVER, That the special assessments imposed for the purpose of the acquisition, construction or maintenance of parking facilities for the benefit of the area shall be imposed on the basis of benefit determined by the legislative authority after giving consideration to the total cost to be recovered from the businesses upon which the special assessment is to be imposed, the total area within the boundaries of the parking and business improvement area, the assessed value of the land and improvements within the area, the total business volume generated within the area and within each business, and such other factors as the legislative authority may find and determine to be a reasonable measure of such benefit.

**NEW SECTION.** Sec. 10. If the legislative authority, following the hearing, decides to

establish the proposed area, it shall adopt an ordinance to that effect. This ordinance shall contain the following information:

- (1) The number, date and title of the resolution of intention pursuant to which it was adopted;
- (2) The time and place the hearing was held concerning the formation of such area;
- (3) The description of the boundaries of such area;
- (4) A statement that the businesses in the area established by the ordinance shall be subject to the provisions of the special assessments authorized by section 1 of this act;
- (5) The initial or additional rate or levy of special assessment to be imposed with a breakdown by classification of business, if such classification is used; and
- (6) A statement that a parking and business improvement area has been established.
- (7) The uses to which the special assessment revenue shall be put: PROVIDED, HOWEVER, That such use shall conform to the use as declared in the initiation petition presented pursuant to section 3 of this act.

*NEW SECTION.* Sec. 11. The legislative authority of each city or town or county shall have sole discretion as to how the revenue derived from the special assessments is to be used within the scope of the purposes; however, the legislative authority may appoint existing advisory boards or commissions to make recommendations as to its use, or the legislative authority may create a new advisory board or commission for the purpose.

The legislative authority may contract with a chamber of commerce or other similar business association operating primarily within the boundaries of the legislative authority to administer the operation of a parking and business improvement area, including any funds derived pursuant thereto: PROVIDED, That such administration must comply with all applicable provisions of law including this act, with all county, city, or town resolutions and ordinances, and with all regulations lawfully imposed by the state auditor or other state agencies.

*NEW SECTION.* Sec. 12. The special assessments levied hereunder must be for the purposes specified in the ordinances and the proceeds shall not be used for any other purpose.

*NEW SECTION.* Sec. 13. Collections of assessments imposed pursuant to this act shall be made at the same time and in the same manner as otherwise prescribed by Title 35 RCW or in such other manner as the legislative authority shall determine.

*NEW SECTION.* Sec. 14. Changes may be made in the rate or additional rate of special assessment as specified in the ordinance establishing the area, by ordinance adopted after a hearing before the legislative authority.

The legislative authority shall adopt a resolution of intention to change the rate or additional rate of special assessment at least fifteen days prior to the hearing required by this section. This resolution shall specify the proposed change and shall give the time and place of the hearing: PROVIDED, That proceedings to change the rate or impose an additional rate of special assessments shall terminate if protest is made by businesses in the proposed area which would pay a majority of the proposed increase or additional special assessments.

*NEW SECTION.* Sec. 15. The legislative authority may, for each of the purposes set out in section 1 of this act, establish and modify one or more separate benefit zones based upon the degree of benefit derived from the purpose and may impose a different rate of special assessment within each such benefit zone.

*NEW SECTION.* Sec. 16. All provisions of this act applicable to establishment or disestablishment of an area also apply to the establishment, modification, or disestablishment of benefit zones pursuant to section 13 of this act. The establishment or the modification of any such zone shall follow the same procedure as provided for the establishment of a parking and business improvement area and the disestablishment shall follow the same procedure as provided for disestablishment of an area.

*NEW SECTION.* Sec. 17. Businesses established after the creation of an area within the area may be exempted from the special assessments imposed pursuant to this act for a period not exceeding one year from the date they commenced business in the area.

*NEW SECTION.* Sec. 18. The legislative authority may disestablish an area by ordinance after a hearing before the legislative authority. The legislative authority shall adopt a resolution of intention to disestablish the area at least fifteen days prior to the hearing required by this section. The resolution shall give the time and place of the hearing.

*NEW SECTION.* Sec. 19. Upon disestablishment of an area, any proceeds of the special assessments, or assets acquired with such proceeds, or liabilities incurred as a result of the formation of such area, shall be subject to disposition as the legislative authority shall determine: PROVIDED, HOWEVER, Any liabilities, either current or future, incurred as a result of action taken to accomplish the purposes of section 1 of this act shall not be an obligation of the general fund or any special fund of the city or town, but such liabilities shall be provided for entirely from available revenue generated from the projects or facilities authorized by section 1 of this act or from special assessments on the property specially benefited within the area.

*NEW SECTION.* Sec. 20. Any city or town or county authorized by this act to establish a parking improvement area shall call for competitive bids by appropriate public notice and award contracts, whenever the estimated cost of such work or improvement, including cost of materials, supplies and equipment, exceeds the sum of two thousand five hundred dollars.

*NEW SECTION.* Sec. 21. The cost of the improvement for the purposes of this act

shall be aggregate of all amounts to be paid for the labor, materials and equipment on one continuous or inter-related project where work is to be performed simultaneously or in near sequence. Breaking an improvement into small units for the purposes of avoiding the minimum dollar amount prescribed in section 20 of this act is contrary to public policy and is prohibited.

*NEW SECTION. Sec. 22.* This act providing for parking and business improvement areas shall not be deemed or construed to affect any existing act, or any part thereof, relating to special assessments or other powers of counties, cities and towns, but shall be supplemental thereto and concurrent therewith.

The purposes and functions of parking and business improvement areas as set forth by the provisions of this act may be accomplished in part by the establishment of an area pursuant to this act and in part by any other method otherwise provided by law, including provisions for local improvements.

*NEW SECTION. Sec. 23.* If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provisions to other persons or circumstances is not affected.

Signed by Senators McDougall and Talley; Representatives Curtis, Blair and Merrill.

#### MOTION

Mr. Morrison moved that the House adopt the report of the Free Conference Committee on Reengrossed Senate Bill No. 130.

Representatives Curtis and Thompson spoke in favor of the motion.

The motion was carried.

#### FINAL PASSAGE OF SENATE BILL AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker stated the question before the House to be the final passage of Reengrossed Senate Bill No. 130 as amended by the Free Conference Committee.

#### POINT OF INQUIRY

Mr. Curtis yielded to question by Mr. Spanton.

Mr. Spanton: "Representative Curtis, could a privately-owned piece of ground within one of these designated areas allow the legislative body of a community or town through this process to make improvements for parking or other types of improvements without acquiring title to that property?"

Mr. Curtis: "You mean title being acquired by the, say, municipality or city council?"

Mr. Spanton: "Yes."

Mr. Curtis: "I believe so, but I am not certain what the legal ramifications are, Representative Spanton."

Mr. Spanton: "In other words, it could happen that you could improve a privately-owned piece of property and not acquire title to it, and it would still be a private piece of property at the end of the term of the lease?"

Mr. Curtis: "I think that is correct, but I don't think it is any different than a good many instances now where we see community parking developments made for the benefit of the community and still privately-owned."

Mr. Spanton: "Under the circumstances contained in this bill, could a large shopping mall which encompassed a given number of merchants into a corporation or leased spaces, by virtue of forming one of these, or petitioning for one of these, then take in a surrounding area of fifty percent or less of other merchants, and impose an assessment on those other fifty percent without their wanting it?"

Mr. Curtis: "If the legislative authority of the local district chooses to implement this and accepts such a petition, signed by those paying at least fifty percent of the proposed assessment, yes, they could."

Mr. Spanton spoke against passage of Reengrossed Senate Bill No. 130 as amended by the Free Conference Committee.

#### POINT OF ORDER

Mr. Moon: "My point of order, Mr. Speaker, is that I wonder if this conforms with Rule 88. Has there been a full twenty-four hour time since this was placed on our desks?"

The Speaker: "Yes, Mr. Moon."

Mr. Moon: "I wonder then if, in the future, it would be possible under our fourth

order of business for the conference committees as they report back, to notify the members that the report is on our desks. I know we get lots of things shoved on our desks in these closing days, and it is important that we give these conference committee reports our full consideration. It appears that some individuals have not had an opportunity, other than to take a real fast look at this. If it would be in order now to move that we hold this over until tomorrow, I would like to do that."

#### RULING BY THE SPEAKER

The Speaker: "Having preceded your motion with your speech, your motion would be out of order, Mr. Moon. My only comments on the other matters are that I assume your caucus conferee on this matter has kept your caucus advised of the progress and fully advised the caucus of the details of the report. If not, then I would suggest that you and anyone else appointed on conference committees make sure that you do accomplish those things before you sign those reports."

Mr. Moon: "Mr. Speaker, any conference committee that I am appointed on, I intended to keep our caucus fully informed of. We haven't had a caucus within twenty-four hours, so there would not have been an opportunity to advise our caucus on this."

Mr. Mentor spoke in favor of passage of the bill.

#### MOTION

Mr. Douthwaite moved that the House defer further consideration of Reengrossed Senate Bill No. 130, as amended by the Free Conference Committee, on final passage until the appropriate order of business tomorrow.

Representatives Douthwaite, Moon and Blair spoke in favor of the motion, and Representatives Curtis, Thompson and Charnley spoke against it.

The motion to defer further consideration of the bill until tomorrow was lost.

The Speaker stated the question before the House to be final passage of Reengrossed Senate Bill No. 130 as amended by the Free Conference Committee.

Representatives Spanton, Barden and Blair spoke against passage of the bill, and Representatives Curtis and Copeland spoke in favor of it.

#### ROLL CALL

The Clerk called the roll on the final passage of Reengrossed Senate Bill No. 130 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 68; nays, 30; absent or not voting, 1.

Reengrossed Senate Bill No. 130 as amended by the Free Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

#### MOTION

On motion of Mr. Bledsoe, the House advanced to the tenth order of business.

## THIRD READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 283, by Committee on Revenue and Taxation (Originally sponsored by Representative Flanagan):

Providing an act relating to revenue and taxation.

Engrossed Substitute House Bill No. 283 was read the third time and placed on final passage.

Mr. Blair pointed out an apparent error on page 1 of the bill.

## POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Mentor.

Mr. Mentor: "I am, of course, and I know most of the legislators on the floor here are, very concerned to give people, particularly certain deserving people, some type of property tax relief. This bill, I think, will do that, but it also probably has features in there that might be detrimental. I would like to vote to give these people property tax relief, and I would like some indication of whether this bill would go to conference so that the people who are really deserving might have an opportunity to get this relief and yet we might take off some of the features here that are really not necessary and that would be detrimental to the general people in the state of Washington."

Mr. Wolf: "Representative Mentor, I can tell you that in the four caucus leadership meetings we have discussed the property tax inequities. It is my understanding that, yes, very possibly Engrossed Substitute House Bill No. 283 will go to conference. I think there is a great desire of members of both the Senate and the House to come out with some property tax relief that is equitable. I understand that quite a few are unhappy because of the rollback—the so-called 'questionable constitutional Fred Dore rollback.' It is not in this bill, and some effort might be made to do that, and that would put us in conference as fast as I can foresee it. I really honestly believe that the House of Representatives and the Senate desire to do something in property tax relief this session. Maybe this Christmas tree, with all its ornaments, won't be enacted by this session, but I'll bet that the good parts of this bill, possibly expanding the limit of property taxes as to income that the governor has talked about, will come out in the conference report. This is the first step toward getting something done."

Mr. Flanagan spoke against passage of the bill.

Mr. Savage spoke against a portion of the bill.

Representatives Kiskaddon, Bottiger, Sawyer, King and Wolf spoke in favor of passage of Engrossed Substitute House Bill No. 283, and Representatives Pardini, Newhouse, Amen, Bledsoe and Harris spoke against it.

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 283, and the bill passed the House by the following vote: Yeas, 66; nays, 31; absent or not voting, 2.

Voting yea: Representatives Adams, Anderson, Backstrom, Bagnariol, Barden, Bauer, Beck, Blair, Bottiger, Bozarth, Bradley, Brouillet, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conner, Conway, Cunningham, Curtis, Douthwaite, Eikenberry, Farr, Gallagher, Grant, Hansey, Hoggins, Hurley, Jastad, Johnson, Jueling, King, Kirk, Kiskaddon, Knowles, Luders, Lysen, Martinis, Marzano, Maxie, May, McCormick, McDermott, Mentor, Merrill, Moon, North, O'Brien, Paris, Perry, Rabel, Randall, Rosellini, Savage, Sawyer, Shera, Shinpoch, Thompson, Van Dyk, Wanamaker, Williams, Wojahn, Wolf, Zimmerman, Mr. Speaker—66.

Voting nay: Representatives Amen, Benitz, Berentson, Bledsoe, Bluechel, Copeland, Costanti, Flanagan, Gilleland, Gladder, Goldsworthy, Harris, Hatfield, Haussler, Hubbard, Jones, Julin, Kilbury, Kopet, Kraabel, Kuehne, Lynch, Marsh, Morrison, Newhouse, Pardini, Polk, Schumaker, Smith, Smythe, Spanton—31.

Absent or not voting: Representatives Litchman, Ross—2.

Engrossed Substitute Senate Bill No. 283, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

STATEMENT FOR THE JOURNAL

I stepped off the floor for a moment and did not vote on Engrossed Substitute House Bill No. 283. I would have voted "yea" if I had been present. MICHAEL ROSS, 37th District.

MOTION

On motion of Mr. Morrison, the House recessed until 2:15 p.m.

AFTERNOON SESSION

The Speaker called the House to order at 2:15 p.m.

If the owner of any lease of harbor area upon tidal waters shall desire to construct thereon any wharf, dock or other convenience of navigation or commerce, or to extend, enlarge or improve any existing structure used in connection with such harbor area, and shall deem the required expenditure not warranted by his right to occupy such harbor area during the remainder of the term of his lease, he may make application to the department of natural resources for a new lease of such harbor area for a period not exceeding thirty years. Upon the filing of such application accompanied by such proper plans, drawings or other data, the department shall forthwith investigate the same and if it shall determine that the proposed work or improvement is in the public interest and reasonably adequate for the public needs, it shall by order fix the terms and conditions and the rate of rental for such new lease, such rate of rental to be a [fixed] percentage [during the term of such lease on] of the true and fair value in money of such harbor area[.]. *The percentage of value shall be*

determined from time to time by the department of natural resources as provided in RCW 79.01.520. The department may propose modifications of the proposed wharf, dock or other convenience or extensions, enlargements or improvements thereon. The department shall, within ninety days from the filing of such application notify the said applicant in writing of the terms and conditions upon which such new lease will be granted, and of the rental to be paid and if the applicant shall within ninety days thereafter elect to accept a new lease of such harbor area upon the terms and under the conditions and at the rental prescribed by the department, the department shall make a new lease for such harbor area for the term applied for and the existing lease shall thereupon be surrendered and canceled.

All harbor area leases will stipulate the percentage rate of said values that will be paid as the annual rent [during the period until the next reappraisal of the value of the harbor area as established herein]. *The percentage shall be equal to the average prime rate being charged by the commercial banks in Seattle, Washington on January 1st of the year in which rent is paid: PROVIDED, That the applicant, or lessee, being dissatisfied with the valuation as fixed by the department of natural resources shall have the right [of appeal from the findings of the department to a valuation board to be composed of the county commissioners, the county treasurer and the county assessor of the county in which the harbor area is located. Service of the notice may be made by any person qualified to serve a summons in a civil action. (3) Any member who has attained the age of sixty years shall be retired on the first day of the calendar month next succeeding that in which said member shall have attained the age of sixty and may not thereafter be employed as a law enforcement officer or fire fighter: *PROVIDED, That for any member who is elected or appointed to the office of sheriff, his election or appointment shall be considered as a waiver of the age sixty provision for retirement and nonemployment for whatever number of years remain in his present term of office and any succeeding periods for which he may be so elected or appointed: PROVIDED FURTHER, That the provisions of this subsection shall not apply to any member who is employed as a law enforcement officer or fire fighter on March 1, 1970.*

Sec. 9. Section 10, chapter 209, Laws of 1969 ex. sess. as amended by section 5, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.100 are each amended to read as follows:

A member upon retirement for service shall receive a monthly retirement allowance computed according to his completed [years of] creditable service, as follows: Five years but under ten years, *one-twelfth* of one percent of his final average salary for each [year] month of service; ten years but under twenty years, *one-twelfth* of one and one-half percent of his final average salary for each [year] month of service; and twenty years and over *one-twelfth* of two percent of his final average salary for each [year] month of service: *PROVIDED, That the recipient of a retirement allowance who shall return to service as a law enforcement officer or fire fighter shall be considered to have terminated his retirement status and he shall immediately become a member of the retirement system with the status of membership he had as of the date of his retirement. Retirement benefits shall be suspended during the period of his return to service and he shall make contributions and receive service credit. Such a member shall have the right to again retire at any time and his retirement allowance shall be recomputed, based upon additional service rendered and any change in final average salary, and shall be paid, one-twelfth of two percent of his final average salary for each additional completed month of service.*

Sec. 10. Section 15, chapter 209, Laws of 1969 ex. sess. as last amended by section 10, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.150 are each amended to read as follows:

(1) Whenever any active member, or any member hereafter retired, on account of service, sickness or disability, not caused or brought on by dissipation or abuse, of which the disability board shall be judge, is confined in any hospital or in his home, and whether or not so confined, requires [nursing, care, or attention] *medical services*, the employer shall pay for such active or retired member the necessary [hospital, care, and nursing expenses] *medical services* not payable from some other source as provided for in subsection (2). In the case of active or retired fire fighters the employer may make the payments provided for in this section from the firemen's pension fund established pursuant to RCW 41.16.050 where such fund had been established prior to March 1, 1970: *PROVIDED, That in the event the pension fund is depleted, the employer shall have the obligation to pay all [retirement] benefits payable under chapters 41.16 and 41.18 RCW: PROVIDED FURTHER, That the disability board in all cases may have the active or retired member suffering from such sickness or disability examined at any time by a licensed physician or physicians, to be appointed by the disability board, for the purpose of ascertaining the nature and extent of the sickness or disability, the physician or physicians to report to the disability board the result of the examination within three days thereafter. Any active or retired member who refuses to submit to such examination or examinations shall forfeit all his rights to benefits under this section for the period of such refusal: PROVIDED [FURTHER], That the disability board shall designate the [hospital and] medical services available to such sick or disabled member.*

(2) The medical [benefits] *services* payable under this section will be reduced by any amount received or eligible to be received by the member under workmen's compensation, social security including the changes incorporated under Public Law 89-97 as now or hereafter amended, insurance provided by another employer, other pension plan, or any other similar source. Failure to apply for coverage if otherwise eligible under the provisions of Public Law 89-97 as now or hereafter amended shall not be deemed a refusal of payment of benefits thereby enabling collection of charges under the provisions of this chapter.

(3) Upon making such payments as are provided for in subsection (1), the employer shall be subrogated to all rights of the member against any third party who may be held liable for the member's injuries to the extent necessary to recover the amount of payments made by the employer.

(4) Any employer under this chapter, either singly, or jointly with any other such employer or employers through an association thereof as provided for in chapter 48.21 RCW, may provide for all or part of one or more plans of group hospitalization and medical aid insurance to cover any of its employees who are members of the Washington law enforcement officers' and fire fighters' retirement system, and/or retired former employees

who were, before retirement, members of said retirement system, through contracts with regularly constituted insurance carriers or with health care service contractors as defined in chapter 48.44 RCW. Benefits payable under any such plan or plans shall be deemed to be amounts received or eligible to be received by the active or retired member under subsection (2) of this section.

Sec. 11. Section 17, chapter 209, Laws of 1969 ex. sess. as amended by section 12, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.160 are each amended to read as follows:

(1) In the event of the death of any member who is in active service, or who has *vested under the provisions of section 8 of this 1971 amendatory act with twenty or more years of service*, or who is retired, his surviving spouse shall become entitled to receive a monthly allowance equal to fifty percent of his final average salary at the date of death if active, or the amount of retirement allowance the *vested member would have received at age fifty*, or the amount of the retirement allowance such retired member was receiving at the time of his death if retired for service or disability. The amount of this allowance will be increased five percent of final average salary for each child as defined in RCW 41.26.030(7), subject to a maximum combined allowance of sixty percent of final average salary.

(2) If at the time of the death of a *vested member as provided above* or a member retired for service of *twenty or more years* or a member retired for disability, the surviving spouse has not been lawfully married to [the] such member for one year prior to his retirement or separation from service if a *vested member*, the surviving spouse shall not be eligible to receive the benefits under this section: PROVIDED, That if a member dies as a result of a disability incurred in the line of duty, then if he was married at the time he was disabled, his surviving spouse shall be eligible to receive the benefits under this section.

(3) If there be no surviving spouse eligible to receive benefits at the time of such member's death, then the child or children of such member shall receive a monthly allowance equal to thirty percent of final average salary for one child and an additional ten percent for each additional child subject to a maximum combined payment, under this subsection, of sixty percent of final average salary. When there cease to be any eligible children as defined in RCW 41.26.030(7), there shall be paid to the legal heirs of said member the excess, if any, of accumulated contributions of said member at the time of his death over all payments made to his survivors on his behalf under this chapter.

(4) In the event that there is no surviving spouse eligible to receive benefits under this section, and that there be no child or children eligible to receive benefits under this section, then the accumulated contributions shall be paid to the estate of said member.

(5) If a surviving spouse receiving benefits under the provisions of this section thereafter dies or remarries and there are children [under eighteen years of age] as defined in RCW 41.26.030(7), as now or hereafter amended, payment to the spouse shall cease and the child or children shall receive the benefits as provided in subsection (3) above.

Sec. 12. Section 23, chapter 209, Laws of 1969 ex. sess. as amended by section 15, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.180 are each amended to read as follows:

The right of a person to a retirement allowance, disability allowance, or death benefit, to the return of accumulated contributions, the retirement, disability or death allowance itself, any optional benefit, any other right accrued or accruing to any person under the provisions of this chapter, and the moneys in the fund created under this chapter, are hereby exempt from any state, county, municipal, or other local tax and shall not be subject to execution, garnishment, attachment, the operation of bankruptcy or insolvency laws, or any other process of law whatsoever, and shall be unassignable: PROVIDED, That on the written request of any person eligible to receive benefits under this section, the board may deduct from such payments the premiums for life, health, or other insurance. The request on behalf of any child or children shall be made by the legal guardian of such child or children. The board may provide for such persons one or more plans of group insurance, through contracts with regularly constituted insurance carriers or health care service contractors.

Sec. 13. Section 16, chapter 209, Laws of 1969 ex. sess. as amended by section 11, chapter 6, Laws of 1970 ex. sess. and RCW 41.26.200 are each amended to read as follows:

(1) Any person feeling aggrieved by any order or determination of a disability board denying [an application for] disability leave or disability retirement, or canceling a previously granted disability retirement allowance, shall have the right to appeal the said order or determination to the retirement board. The said retirement board shall have no jurisdiction to entertain the appeal unless a notice of appeal is filed with the said retirement board within thirty days following the rendition of the order by the applicable disability board. A copy of the notice of appeal shall be served upon the applicable disability board and, within ninety days thereof, the disability board shall certify its decision and order, together with a transcript of all proceedings in connection therewith, to the retirement board for its review. Upon its review of the record, the retirement board may affirm the order of the disability board or it may remand the case for such further proceedings as it may direct, in accordance with such rules of procedure as the retirement board shall promulgate.

(2) The said appeal authorized by this section shall be governed by the provisions of RCW 41.26.210 and 41.26.220.

NEW SECTION. Sec. 14. There is added to chapter 209, Laws of 1969 ex. sess. and to chapter 41.26 RCW a new section to read as follows:

The legislature of the state of Washington hereby declares that the relationship between members of the law enforcement officers' and fire fighters' retirement system and

their governmental employers is similar to that of workmen to their employers and that the sure and certain relief granted by this chapter is desirable, and as beneficial to such law enforcement officers and fire fighters as workmen's compensation coverage is to persons covered by Title 51 RCW. The legislature further declares that removal of law enforcement officers and fire fighters from workmen's compensation coverage under Title 51 RCW necessitates the (1) continuance of sure and certain relief for injuries, which the legislature finds to be accomplished by the provisions of this chapter and (2) protection for the governmental employer from actions at law; and to this end the legislature further declares that the benefits and remedies conferred by this chapter upon law enforcement officers and fire fighters covered hereunder, shall be to the exclusion of any other remedy, proceeding, or compensation for personal injuries, caused by the governmental employer except as otherwise provided by this chapter; and to that end all civil actions and civil causes of actions by such law enforcement officers and fire fighters against their governmental employers for personal injuries are hereby abolished, except as otherwise provided in this chapter.

**NEW SECTION.** Sec. 15. There is added to chapter 209, Laws of 1969 ex. sess. and to chapter 41.26 RCW a new section to read as follows:

If injury or death results to a member from the intentional or negligent act or omission of his governmental employer, the member, the widow, widower, child, or dependent of the member shall have the privilege to benefit under this chapter and also have cause of action against the governmental employer as otherwise provided by law, for any excess of damages over the amount received or receivable under this chapter.

**NEW SECTION.** Sec. 16. There is added to chapter 209, Laws of 1969 ex. sess. and to chapter 41.26 RCW a new section to read as follows:

Should any change or error in the records result in any member or beneficiary receiving from the retirement system more or less than he would have been entitled to receive had the records been correct, the retirement board shall correct such error, and, as far as practicable, shall adjust the payment in such a manner that the actuarial equivalent of the benefit to which such member or beneficiary was correctly entitled shall be paid.

**NEW SECTION.** Sec. 17. There is added to chapter 41.16 RCW a new section to read as follows:

The increased benefits provided by this chapter are hereby declared applicable to all retired firemen who were retired prior to June 8, 1961, for disability whether incurred in the line of duty or otherwise, or their widows, effective July 1st of the first year when such benefits have heretofore or shall hereafter become payable and shall be payable commencing July 1, 1970. The manner of calculating the retroactive benefits payable to individual beneficiaries under chapter 37, Laws of 1970 ex. sess. and this 1971 amendatory act shall be to calculate the amount of benefit being received by such individual beneficiary on July 1, 1969; then to multiply that result times two percent times the number of full years that have elapsed following the retirement of the employee; then to add the result so reached to the said amount being received on July 1, 1969, prior to the statutory increase of that date, which total amount is to be paid each month for the next ensuing year until July 1, at which time an additional two percent shall be added and the process shall be repeated as provided in RCW 41.18.104.

**NEW SECTION.** Sec. 18. There is added to chapter 41.18 RCW a new section to read as follows:

The increased benefits provided by this chapter are hereby declared applicable to all retired firemen who were retired prior to June 8, 1961, for disability whether incurred in the line of duty or otherwise, or their widows, effective July 1st of the first year when such benefits have heretofore or shall hereafter become payable and shall be payable commencing July 1, 1970. The manner of calculating the retroactive benefits payable to individual beneficiaries under chapter 37, Laws of 1970 ex. sess. and this 1971 amendatory act shall be to calculate the amount of benefit being received by such individual beneficiary on July 1, 1969; then to multiply that result times two percent times the number of full years that have elapsed following the retirement of the employee; then to add the result so reached to the said amount being received on July 1, 1969, prior to the statutory increase of that date, which total amount is to be paid each month for the next ensuing year until July 1, at which time an additional two percent shall be added and the process shall be repeated as provided in RCW 41.18.104.

**Sec. 19.** Section 3, chapter 184, Laws of 1951 as last amended by section 1, chapter 5, Laws of 1967 and RCW 41.48.030 are each amended to read as follows:

(1) The governor is hereby authorized to enter on behalf of the state into an agreement with the secretary of health, education, and welfare consistent with the terms and provisions of this chapter, for the purpose of extending the benefits of the federal old-age and survivors insurance system to employees of the state or any political subdivision not members of an existing retirement system, or to members of a retirement system established by the state or by a political subdivision thereof or by an institution of higher learning with respect to services specified in such agreement which constitute 'employment' as defined in RCW 41.48.020. Such agreement may contain such provisions relating to coverage, benefits, contributions, effective date, modification and termination of the agreement, administration, and other appropriate provisions as the governor and secretary of health, education, and welfare shall agree upon, but, except as may be otherwise required by or under the social security act as to the services to be covered, such agreement shall provide in effect that—

(a) Benefits will be provided for employees whose services are covered by the agreement (and their dependents and survivors) on the same basis as though such services constituted employment within the meaning of title II of the social security act;

(b) The state will pay to the secretary of the treasury, at such time or times as may be prescribed under the social security act, contributions with respect to wages (as defined in RCW 41.48.020), equal to the sum of the taxes which would be imposed by the federal insurance contributions act if the services covered by the agreement constituted employment within the meaning of that act;

(c) Such agreement shall be effective with respect to services in employment covered by the agreement or modification thereof performed after a date specified therein but in no event may it be effective with respect to any such services performed prior to the first day of the calendar year immediately preceding the calendar year in which such agreement or modification of the agreement is accepted by the secretary of health, education and welfare.

(d) All services which constitute employment as defined in RCW 41.48.020 and are performed in the employ of the state by employees of the state, shall be covered by the agreement;

(e) All services which (i) constitute employment as defined in RCW 41.48.020, (ii) are performed in the employ of a political subdivision of the state, and (iii) are covered by a plan which is in conformity with the terms of the agreement and has been approved by the governor under RCW 41.48.050, shall be covered by the agreement; and

(f) As modified, the agreement shall include all services described in either paragraph (d) or paragraph (e) of this subsection and performed by individuals to whom section 218(c) (3) (C) of the social security act is applicable, and shall provide that the service of any such individual shall continue to be covered by the agreement in case he thereafter becomes eligible to be a member of a retirement system; and

(g) As modified, the agreement shall include all services described in either paragraph (d) or paragraph (e) of this subsection and performed by individuals in positions covered by a retirement system with respect to which the governor has issued a certificate to the secretary of health, education, and welfare pursuant to subsection (5) of this section.

(h) *Law enforcement officers and firemen of each political subdivision of this state who are covered by the Washington Law Enforcement Officers' and Fire Fighters' Retirement System Act (chapter 209, Laws of 1969 ex. sess.) as now in existence or hereafter amended shall constitute a separate 'coverage group' for purposes of the agreement entered into under this section and for purposes of section 218 of the social security act. To the extent that the agreement between this state and the federal secretary of health, education, and welfare in existence on the date of adoption of this subsection is inconsistent with this subsection, the governor shall seek to modify the inconsistency.*

(2) Any instrumentality jointly created by this state and any other state or states is hereby authorized, upon the granting of like authority by such other state or states, (a) to enter into an agreement with the secretary of health, education, and welfare whereby the benefits of the federal old-age and survivors insurance system shall be extended to employees of such instrumentality, (b) to require its employees to pay (and for that purpose to deduct from their wages) contributions equal to the amounts which they would be required to pay under RCW 41.48.040(1) if they were covered by an agreement made pursuant to subsection (1) of this section, and (c) to make payments to the secretary of the treasury in accordance with such agreement, including payments from its own funds, and otherwise to comply with such agreements. Such agreement shall, to the extent practicable, be consistent with the terms and provisions of subsection (1) and other provisions of this chapter.

(3) The governor is empowered to authorize a referendum, and to designate an agency or individual to supervise its conduct, in accordance with the requirements of section 218(d) (3) of the social security act, and subsection (4) of this section on the question of whether service in all positions covered by a retirement system established by the state or by a political subdivision thereof should be excluded from or included under an agreement under this chapter. If a retirement system covers positions of employees of the state of Washington, of the [university of Washington, the state college of Washington and the several colleges of education] *institutions of higher learning*, and positions of employees of one or more of the political subdivisions of the state, then for the purpose of the referendum as provided herein, there may be deemed to be a separate retirement system with respect to employees of the state, or any one or more of the political subdivisions, or institutions of higher learning [named herein] and the governor shall authorize a referendum upon request of the subdivisions' or institutions' of higher learning governing body: PROVIDED HOWEVER, That if a referendum of state employees generally fails to produce a favorable majority vote then the governor may authorize a referendum covering positions of employees in any state department who are compensated in whole or in part from grants made to this state under title III of the federal social security act: PROVIDED, That any city or town affiliated with the state-wide city employees retirement system organized under chapter 41.44 may at its option agree to a plan submitted by the board of trustees of said state-wide city employees retirement system for inclusion under an agreement under this chapter if the referendum to be held as provided herein indicates a favorable result: PROVIDED FURTHER, That the Teachers' Retirement System be considered one system for the purpose of the referendum except as applied to the several colleges of education. The notice of referendum required by section 218(d) (3) (C) of the social security act to be given to employees shall contain or shall be accompanied by a

statement, in such form and such detail as the agency or individual designated to supervise the referendum shall deem necessary and sufficient, to inform the employees of the rights which will accrue to them and their dependents and survivors, and the liabilities to which they will be subject, if their services are included under an agreement under this chapter.

(4) The governor, before authorizing a referendum, shall require the following conditions to be met:

(a) The referendum shall be by secret written ballot on the question of whether service in positions covered by such retirement system shall be excluded from or included under the agreement between the governor and the secretary of health, education, and welfare provided for in RCW 41.48.030(1);

(b) An opportunity to vote in such referendum shall be given and shall be limited to eligible employees;

(c) Not less than ninety days' notice of such referendum shall be given to all such employees;

(d) Such referendum shall be conducted under the supervision (of the governor or) of an agency or individual designated by the governor;

(e) The proposal for coverage shall be approved only if a majority of the eligible employees vote in favor of including services in such positions under the agreement;

(f) The state legislature, in the case of a referendum affecting the rights and liabilities of state employees covered under the state employees' retirement system and employees under the teachers' retirement system, and in all other cases the local legislative authority or governing body, shall have specifically approved the proposed plan and approved any necessary structural adjustment to the existing system to conform with the proposed plan.

(5) Upon receiving satisfactory evidence that with respect to any such referendum the conditions specified in subsection (4) of this section and section 218(d) (3) of the social security act have been met, the governor shall so certify to the secretary of health, education, and welfare.

(6) *If the legislative body of any political subdivision of this state certifies to the governor that a referendum has been held under the terms of RCW 41.48.050(1) (i) and gives notice to the governor of termination of social security for any coverage group of the political subdivision, the governor shall give two years advance notice in writing to the federal department of health, education, and welfare of such termination of the agreement entered into under this section with respect to said coverage group.*

Sec. 20. Section 5, chapter 184, Laws of 1951 as amended by section 5, chapter 4, Laws of 1955 ex. sess. and RCW 41.48.050 are each amended to read as follows:

(1) Each political subdivision of the state is hereby authorized to submit for approval by the governor a plan for extending the benefits of title II of the social security act, in conformity with the applicable provisions of such act, to those employees of such political subdivisions who are not covered by an existing pension or retirement system. Each pension or retirement system established by the state or a political subdivision thereof is hereby authorized to submit for approval by the governor a plan for extending the benefits of title II of the social security act, in conformity with applicable provisions of such act, to members of such pension or retirement system. Each such plan and any amendment thereof shall be approved by the governor if he finds that such plan, or such plan as amended, is in conformity with such requirements as are provided in regulations of the governor, except that no such plan shall be approved unless—

(a) It is in conformity with the requirements of the social security act and with the agreement entered into under RCW 41.48.030;

(b) It provides that all services which constitute employment as defined in RCW 41.48.020 and are performed in the employ of the political subdivision by employees thereof, shall be covered by the plan;

(c) It specifies the source or sources from which the funds necessary to make the payments required by paragraph (a) of subsection (3) and by subsection (4) of this section are expected to be derived and contains reasonable assurance that such sources will be adequate for such purposes;

(d) It provides that in the plan of coverage for members of the state teachers' retirement system or for state employee members of the state employees' retirement system, there shall be no additional cost to or involvement of the state until such plan has received prior approval by the legislature;

(e) It provides for such methods of administration of the plan by the political subdivision as are found by the governor to be necessary for the proper and efficient administration of the plan;

(f) It provides that the political subdivision will make such reports, in such form and containing such information, as the governor may from time to time require and comply with such provisions as the governor or the secretary of health, education, and welfare may from time to time find necessary to assure the correctness and verification of such reports; and

(g) It authorizes the governor to terminate the plan in its entirety, in his discretion, if he finds that there has been a failure to comply substantially with any provision contained in such plan, such termination to take effect at the expiration of such notice and on such conditions as may be provided by regulations of the governor and may be consistent with the provisions of the social security act.

(h) *It provides that law enforcement officers and fire fighters of each political subdivision of this state who are covered by the Washington Law Enforcement Officers' and*

*Fire Fighters' Retirement System Act (chapter 209, Laws of 1969 ex. sess.) as now in existence or hereafter amended shall constitute a separate 'coverage group' for purposes of the plan or agreement entered into under this section and for purposes of section 216 of the social security act. To the extent that the plan or agreement entered into between the state and any political subdivision of this state is inconsistent with this subsection, the governor shall seek to modify the inconsistency.*

(i) *It provides that the plan or agreement may be terminated by any political subdivision as to any such coverage group upon giving at least two years advance notice in writing to the governor, effective at the end of the calendar quarter specified in the notice. It shall specify that before notice of such termination is given, a referendum shall be held among the members of the coverage group under the following conditions:*

(i) *The referendum shall be conducted under the supervision of the legislative body of the political subdivision.*

(ii) *Not less than sixty days' notice of such referendum shall be given to members of the coverage group.*

(iii) *An opportunity to vote by secret ballot in such referendum shall be given and shall be limited to all members of the coverage group.*

(iv) *The proposal for termination shall be approved only if a majority of the coverage group vote in favor of termination.*

(v) *If a majority of the coverage group vote in favor of termination, the legislative body of the political subdivision shall certify the results of the referendum to the governor and give notice of termination of such coverage group.*

(2) *The governor shall not finally refuse to approve a plan submitted by a political subdivision under subsection (1), and shall not terminate an approved plan, without reasonable notice and opportunity for hearing to the political subdivision affected thereby.*

(3) (a) *Each political subdivision as to which a plan has been approved under this section shall pay into the contribution fund, with respect to wages (as defined in RCW 41.48.020), at such time or times as the governor may by regulation prescribe, contributions in the amounts and at the rates specified in the applicable agreement entered into by the governor under RCW 41.48.030.*

(b) *Each political subdivision required to make payments under paragraph (a) of this subsection is authorized, in consideration of the employee's retention in, or entry upon, employment after enactment of this chapter, to impose upon each of its employees, as to services which are covered by an approved plan, a contribution with respect to his wages (as defined in RCW 41.48.020), not exceeding the amount of employee tax which is imposed by the federal insurance contributions act, and to deduct the amount of such contribution from his wages as and when paid. Contributions so collected shall be paid into the OASI contribution fund in partial discharge of the liability of such political subdivision or instrumentality under paragraph (a) of this subsection. Failure to deduct such contribution shall not relieve the employee or employer of liability therefor.*

(4) *Delinquent payments due under paragraph (a) of subsection (3) may, with interest at the rate of six percent per annum, be recovered by action in a court of competent jurisdiction against the political subdivision liable therefor or may, at the request of the governor, be deducted from any other moneys payable to such subdivision by any department or agency of the state.*

*NEW SECTION. Sec. 21. This 1971 amendatory act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.*

*NEW SECTION. Sec. 22. If any provision of this 1971 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."*

### RESOLUTIONS

HOUSE RESOLUTION NO. 71-59, by Representatives Conner and Savage:

WHEREAS, The Elwha River is the largest river of Clallam County and the largest river emptying into the Straits of Juan de Fuca from this State; and

WHEREAS, in recent years the run of salmon on the Elwha River has decreased severely in number, causing a total loss of the wide range of economic and recreational benefits formerly enjoyed in conjunction with the run by the people of Clallam County and the people of the entire State;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives directs the Interim Committee on Fisheries, in conjunction with the Department of Fisheries, to study the causes of the decline of the salmon run on the Elwha River and to make recommendations as to the best means for its rehabilitation.

BE IT FURTHER RESOLVED, That the results of the study and any recommendations be presented to the next Session of the Legislature for its consideration.

On motion of Mr. Conner, the resolution was adopted.

### MOTION

On motion of Mr. Bledsoe, the House advanced to the tenth order of business.

THIRD READING

The Speaker declared the House to be at ease.  
The Speaker called the House to order.

MOTIONS

Mr. Bledsoe moved that under the provisions of House Resolution No. 71-32, by a two-thirds vote, the body place before it Engrossed Substitute House Bill No. 241 and Engrossed House Bill No. 361.

Mr. Blair moved that the question be divided.  
The motion to divide the question was lost on a rising vote.

The Speaker stated the question before the House to be the motion by Mr. Bledsoe.  
Mr. Bledsoe spoke on the motion.

POINT OF ORDER

Mr. Charette: "Mr. Speaker, my point of order is that in speaking on a motion to suspend the rules, it is my understanding that a speech is not in order but it has always been the policy of the Speaker to allow an explanation for the reason for suspending the rules."

POINT OF ORDER

Mr. Bledsoe: "Mr. Speaker, this is not a motion to suspend the rules, but rather the provisions of the floor resolution which stipulates that two-thirds must support. We are not suspending our rules, but rather living up to the resolution itself."

RULING BY THE SPEAKER

The Speaker: "That is correct. That is a procedural motion under the terms of the floor resolution, not a motion to suspend the rules."

POINT OF INQUIRY

Mr. Perry: "I would like to know what Mr. Bledsoe is speaking on."

The Speaker: "Mr. Bledsoe is speaking on the motion to consider two bills under the terms of House Floor Resolution No. 32."

Mr. Perry: "I just heard him mention one."  
The Speaker: "Mr. Bledsoe, you may proceed."

Mr. Bledsoe spoke in favor of the motion and Mr. O'Brien spoke against it.

Mr. Morrison demanded an electric roll call, and the demand was sustained.

Mr. Douthwaite spoke in favor of the motion.

POINT OF ORDER

Mr. O'Brien: "My point of order is: Of course this is a very unusual situation. We are not suspending a rule, but there has been a rule more or less adopted that if one person speaks for the so-called waiving or suspension, then one person speaks against the motion to suspend or waive (or whatever you want to call this particular motion). And, of course, the remarks are supposed to adhere to the reasons why the motion is to be sustained or not. I think that when you went far afield, speaking about hundreds of thousands of dollars and things of this nature, that certainly you are not being germane to the subject matter at hand or to the motion."

RULING BY THE SPEAKER

The Speaker: "I don't believe that point is well taken, Mr. O'Brien. Obviously a motion of whether to consider this measure or not at this time is virtually a matter of whether it is going to be enacted or not enacted. I think they have the right, within limits of debate, to go into the merits of why the House should consider this bill."

Mr. Douthwaite concluded his remarks in favor of the motion.

Mr. Kraabel spoke in favor of the motion by Mr. Bledsoe.

## MOTION FOR RECONSIDERATION

Mr. Barden, having voted on the prevailing side, moved that the House do now reconsider the vote by which the motion to divide the question was defeated.

## POINT OF ORDER

Mr. O'Brien: "We have a motion pending, to suspend the rules, or suspend something, and consider Engrossed Substitute House Bill No. 241 and Engrossed House Bill No. 361. It appears to me that this motion should be dispensed with before you can entertain another motion."

## RULING BY THE SPEAKER

The Speaker: "This is a motion to reconsider. It must be made on the day the action sought to be revised was had, and before any action has been taken by the assembly in consequence of it. There has been no further action taken by the assembly—just debate on the other motion."

## POINT OF ORDER

Mr. O'Brien: "Mr. Speaker, you not only have had other action; you have had a complete new motion made."

The Speaker: "There has been no new motion, and no further action by the body. There was just further debate on the main motion which was sought to be divided."

Mr. O'Brien: "What did Mr. Bledsoe make?"

The Speaker: "He made his motion first to consider two bills. Then a motion was made to divide the question. That motion failed. There has been no further action by this body since that motion failed. The question before the House is the motion to reconsider the vote by which the motion to divide the question failed to pass."

## POINT OF INQUIRY

Mr. O'Brien: "What motion did you make, Mr. Bledsoe?"

Mr. Bledsoe: "Might I restate it? My motion was that subject to the provisions of House Resolution No. 32, that we now place before the body, by two-thirds vote, Engrossed Substitute House Bill No. 241 and Engrossed House Bill No. 361—two bills. The motion immediately following that, made by my young colleague, was to divide the question, placing these bills before us—their vote to go to the calendar singly. This was defeated, as you produced no votes for it and there was some disagreement here, and that motion was lost. Mr. Barden moved on the prevailing side. He wishes now to reconsider the motion to divide the question. And, Mr. Speaker, I concur that your ruling was beautiful on that."

The Speaker stated the question before the House to be the motion by Mr. Barden to reconsider the motion to divide the question.

Mr. Barden spoke in favor of the motion.

## POINT OF INFORMATION

Mr. Beck: "Mr. Speaker, point of information. On January 27th, the Washington State Patrol and the Washington State Traffic Safety Commission (I'm getting to the point—don't rule me out of order until you hear me) came to me and asked me to introduce this little House Bill No. 361. I have heard that referred to as a speed trap bill. Mr. Barden, for your information, it is not a speed trap bill. We are not even bothering with the speed trap bill. Please set yourself straight on that. And to you, Mr. Bledsoe, and Mr. Barden, my little House Bill No. 361 is behind this stupid campaign disclosure bill because Mr. Bledsoe is trying to force me to vote for his motion. Mr. Bledsoe, the people on Bainbridge Island, as you said, and Port Orchard, trust Red Beck and I am going to vote for this. But if you think you are forcing me to vote for your motion, you are out of line because I am not. Your threats and putting that bill behind yours is not forcing me to vote for anything. My vote is not for sale down here, even at the expense of this good bill that the Traffic Safety Commission and the State Patrol wants. I am going to vote for your motion, but you are not forcing me. And then I'm going to vote against your bill."

POINT OF ORDER

Mr. O'Brien: "I think I am correct. Didn't Mr. Morrison ask for an electric roll call on Mr. Bledsoe's motion?"

The Speaker: "That is correct."

Mr. O'Brien: "Therefore you have a motion pending with a roll call pending on it."

The Speaker: "Certainly there is a motion pending."

Mr. O'Brien: "How can you work in another motion to reconsider?"

The Speaker: "Easy."

Mr. O'Brien: "It is probably extremely easy if you don't want to look at the rule book. But if you want to adhere to the rules, you have got to give consideration to find out what stage you are in."

The Speaker: "I have read the rule, Mr. O'Brien. Would you like to cite me another?"

Mr. O'Brien: "I will cite you Rule 202, 203 and 204."

RULING BY THE SPEAKER

The Speaker: "The Speaker has again read Reed's Rules 202 through 205 as cited by Mr. O'Brien. I find two references both in Rule 204, which say: 'A motion to reconsider is not in order after action has been had by the assembly in consequence of the decision proposed to be reconsidered.' And again, in Rule 205: 'A motion to reconsider must be made on the day on which the action sought to be revised was had, and before any action has been taken by the assembly in consequence of it.' The example given is: '... a motion to commit cannot be reconsidered after the committee has taken the papers, the proper course being to discharge the committee.' This body has taken no vote; no further action with regard to this bill, with regard to Mr. Bledsoe's motion, or with regard to the motion to divide. The only thing that has transpired is further debate on the main motion itself sought to be divided. I am going to adhere to my ruling."

The Speaker stated the question before the House to be the motion by Mr. Barden to reconsider the motion to divide the question.

Mr. Sawyer spoke against the motion.

The motion by Mr. Barden to reconsider the motion by Mr. Blair to divide the question was lost on a rising vote.

The Speaker stated the question before the House to be the motion to place Engrossed Substitute House Bill No. 241 and Engrossed House Bill No. 361 before the body subject to the provisions of House Resolution No. 32, by two-thirds vote.

Mr. Chatalas stated he was against Engrossed House Bill No. 361 instead of Engrossed Substitute House Bill No. 241.

REPLY BY THE SPEAKER

The Speaker: "Then you should have voted to divide the question."

Mr. Brown spoke in favor of the motion.

Mr. Kilbury spoke concerning Engrossed Substitute House Bill No. 241.

ADMONITION BY THE SPEAKER

The Speaker: "Mr. Kilbury, please confine your remarks to the question before the House."

Mr. Kilbury continued his remarks.

RULING BY THE SPEAKER

The Speaker: "You are out of order, Mr. Kilbury."

The Clerk called the roll on the motion by Representative Bledsoe that, subject to the provisions of House Resolution No. 71-32, by two-thirds vote, Engrossed Substitute House Bill No. 241 and Engrossed House Bill No. 361 be placed before the body. #### PARLIAMENTARY INQUIRY

Mr. Copeland: "Having been decided in the negative for the consideration of the two aforementioned bills, are these now returned to Rules Committee, or do they remain on the third reading calendar? What is the disposition of the bills?"

The Speaker: "They go back to Rules Committee."

## ANNOUNCEMENT BY THE SPEAKER

The Speaker: "For the benefit of our friends and guests in the galleries, the Speaker would like to point out that we are assisting in the filming of an educational documentary on the legislative process for use in the schools and civic organizations throughout the state, and perhaps other places in the country. However, the events on the floor are real. They are not being staged. This is actual consideration of the bill and debate on this measure."

## POINT OF INQUIRY

Mr. Copeland yielded to question by Mr. O'Brien.

Mr. O'Brien: "Can't Oregon generate its own law in connection with a problem of this nature?"

Mr. Copeland: "Yes, they can. They can generate their own law. What they were talking about was a decal, the size of the vehicles (as Mr. Martinis pointed out), the fee, and also the maintenance of trails—not only across the state lines but also the opportunity for their people to come up here."

HOUSE BILL NO. 740, by Representatives Lynch, Kopet, Goldsworthy and Curtis: Implementing law relating to fees of state's colleges and universities.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

## MOTION

On motion of Mr. Bledsoe, the House deferred consideration of House Bill No. 740, and the bill was ordered placed on the calendar immediately following House Bill No. 417.

HOUSE BILL NO. 516, by Representative Smythe:  
Relating to local government.

The House resumed consideration of House Bill No. 516 on second reading. The Speaker stated the question before the House to be the amendment by Mr. Hansey as amended by Mr. Wolf:

(For Committee Amendments see Journal of April 22, 1971, Forty-Second Day, Ex. Sess.)

With the consent of the House, Mr. Hansey withdrew the amendment.

#### PERSONAL PRIVILEGE

Mr. Hansey: "Mr. Speaker, point of personal privilege. I would like to give an explanation for the reason for withdrawing this amendment. I feel that it is a good amendment. There is a bill that is similar to it, which I feel is also a needed bill. Several months ago, the federal State Department negotiated with the Russian government and permitted Russian fishing vessels to use our ports which extends the duration of their fishing time, which is a hardship on our fishermen. However, as you will recall when Senator Magnuson was here, he asked to discuss this further with me, which I did. He indicated there were some other implications besides just the port privileges that this bill would create. I have talked with Congressman Pelly's office, and he confirmed this. Therefore, I am asking that we withdraw this for the present time."

Mr. Kuehnle moved adoption of the following amendment by Representatives Kuehnle, Merrill and Bagnariol:

On page 1, beginning with "NEW SECTION" in line 3 strike everything down to and including the period after "government" in line 4 and insert the following:

"NEW SECTION. Section 1. It is the purpose of this 1971 amendatory act to recognize and to give effect to the existing public policy of this state, expressly declared in RCW 35.21.200 and impliedly recognized in RCW 52.36.060 and 35A.21.040, that residence of an employee outside the limits of a city, town, or fire protection district shall not be grounds for discharge of any regularly appointed civil service employee otherwise qualified.

Sec. 2. Section 1, chapter 72, Laws of 1949 and RCW 52.36.060 are each amended to read as follows:

Any fire protection district organized and existing under chapter 34, Laws of 1939, and subsequent amendments thereof, having a full paid fire department, shall have authority by resolution of its board of fire commissioners to provide for civil service in its fire department in the same manner with the same powers and with the same force and effect as to such district as that provided by chapter 41.08, for cities, towns, and municipalities, *including restrictions against the discharge of an employee because of his residence outside the limits of the city, town, municipality, or fire protection district.*

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Representatives Kuehnle and Bagnariol spoke in favor of the amendment, and Representatives Ross and Marsh spoke against it.

#### POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Smythe.

Mr. Smythe: "As I read this, we are saying that the fire commissioners may, by resolution, provide for this, so that these people shall not be fired for residing outside—that the fire commissioners do not have to provide that resolution. Is that the way this reads, or not?"

Mr. Kuehnle: "Yes, that is correct. It is strictly a voluntary thing on the part of the fire commissioners. I might point out also that it relates only to the rural fire districts, and this may be a factor in the case of Representative Ross' objections. It is designed to apply to the rural fire districts and I think would have no force and effect as regards a municipal or a city fire department. I might also comment that the Fire Commissioners Association—their representatives and also the representatives of some of the fire fighters pointed out to me (as regards the type of thing that Representative Marsh alluded to) that today as a practical matter in the small fire departments, if they have a fire, the dispatcher does not get on the phone and start calling the residences of a lot of individual fire fighters. It takes far too long to get them to the fire station and get them out to the fire. In most instances they have a central dispatch-type system, and they call for the nearest available fire truck to get to the location of a given fire. And you may, in fact, have a fire truck coming from an adjacent district to the scene of that fire and then the men are arriving at that fire directly from their homes. So it is strictly a permissive thing designed to solve individual problems where they exist, and I don't really think would cause some of the problems that have been alluded to. I'm sorry, Representative Marsh, if I spoke incorrectly. I did check this with the Fire

Commissioners Association and, as of yesterday afternoon, they favored the implementation of this permissive legislation."

The amendment by Representatives Kuehnle, Merrill and Bagnariol was adopted. On motion of Mr. Smythe, the Committee amendment to the title was adopted.

On motion of Mr. Brown, the following amendment to the title was adopted:

On line 1, insert the following: "; amending section 36.67.040, chapter 4, Laws of 1963 as last amended by section 5, chapter 142, Laws of 1969 and RCW 36.67.040;"

On motion of Mr. Kuehnle, the following amendment to the title was adopted:

In line 1 of the title, before the period after "government" insert "and to certain municipal employees; amending section 1, chapter 72, Laws of 1949 and RCW 52.36.060; and declaring an emergency"

House Bill No. 516 was ordered engrossed.

Mr. Wolf moved that the rules be suspended, the second reading considered the third, and Engrossed House Bill No. 516 be placed on final passage.

The motion was lost.

HOUSE BILL NO. 525, by Representatives Hoggins, May and Kopet:

On page 1, section 1, line 17 after "to" strike "herself" and insert "her"

On page 1, section 1, line 18 after "alone." add a new subsection as follows:

"(5) When the action is for compensation for services rendered by the wife, she may sue alone."

On pages 1 and 2 strike section 2 entirely

On page 1, lines 3 and 4 of the title after "RCW 4.08.030" change the semicolon to a period and strike the balance of the title

The bill was read the second time.

On motion of Mr. Julin, the first two committee amendments were adopted.

Mr. Julin moved adoption of the committee amendment striking section 2.

Mr. Julin spoke in favor of the amendment, and Mr. Kiskaddon spoke against it.

The committee amendment was adopted.

On motion of Mr. Julin, the committee amendment to the title was adopted.

House Bill No. 551 was ordered engrossed.

Mr. Wolf moved that the rules be suspended, the second reading considered the third, and Engrossed House Bill No. 551 be placed on final passage.

The motion was lost.

#### MOTION

Mr. Bledsoe moved that the House advance to the twelfth order of business.

#### POINT OF INQUIRY

Mr. Grant: "I wonder if Representative Brown would yield to a question."

Representative Brown declined to yield to question.

Mr. Grant: "I understand, Mr. Speaker, that the announcement of the committee

meeting of the Elections and Apportionment committee says 'special meeting.' I just wonder if we are going to consider anything."

Mr. Brown: "I think if Mr. Grant would honor us with his presence, he will find out it is extra special."

**HOUSE BILL NO. 870,** redistricting and reapportioning the legislature, reported by Committee on Elections and Apportionment.

**MAJORITY recommendation:** Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

*"NEW SECTION.* Section 1. The purpose of this 1971 act is to redistrict the legislative districts of the state of Washington in accordance with the requirements of the United States Constitution as these requirements have been enunciated by the United States supreme court, so as to encompass within each district, as nearly as practicable, an equal number of state residents, exclusive of transient persons. As a matter of state policy, the legislature hereby declares that state residential population is regarded as the proper apportionment base for the alignment of legislative district boundaries to the extent that it is practically possible to determine such population base. In accordance with this policy, the populations of the legislative districts established by and described in this 1971 act have been determined by the legislature on the following basis:

(1) For those geographic areas encompassing federal military establishments, and also constituting separate special enumeration census districts within the purview of the 1970 decennial federal census, population has been established by ascertaining the total number of the registered voters residing therein and then multiplying these totals by a multiple (2.2) reflecting the relationship between registered voters and the total number of state residents throughout the state;

(2) In the case of all other geographic areas, population has been ascertained on the basis of the total number of persons having been found to be residing within such areas as of April 1, 1970 in accordance with the aforesaid 1970 federal decennial census, for the specific reason that no practical means have been found to be available, in the absence of more inclusive federal census data, to establish the residential population of these areas in any other manner. No special census enumeration districts exist for such other areas of the state as may be occupied by significant numbers of transients.

*NEW SECTION.* Sec. 2. As a matter of state policy, the legislature hereby declares that legislative district division shall be determined by the legislature under the following restrictions:

(1) The Cascade Mountains shall be recognized as a natural barrier, and no district shall cross said barrier.

(2) Those legislative districts containing portions of more than one county shall be divided into single member representative districts. All other districts shall be two-member representative districts, except that district 14 shall have three elected house members.

The three member district is maintained as part of the Washington legislative tradition of an uneven number in each house to guarantee that one party will have a majority. This has proven to be in the best interest of the populous of the state of Washington. The ratio of population between this single over-populated district and that of a 'normal' district computes out to 246:197.

(3) Census areas will not be split into sections for which population cannot be verified.

*NEW SECTION.* Sec. 3. On the basis of the criteria set forth in this 1971 act, the population of each of the legislative districts established by this 1971 act is as follows:

#### MOTION

On motion of Mr. Morrison, HOUSE BILL NO. 591 was rereferred to the Committee on State Government.

#### RESOLUTIONS

HOUSE RESOLUTION NO. 71-60, by Representatives O'Brien, Zimmerman, Charnley and Smythe:

WHEREAS, The discharge of untreated or inadequately treated sewage into or upon the navigable waters of the United States from watercraft is a recognized threat to the public health and environment; and

WHEREAS, Washington has the greatest number of recreational watercraft per capita in the Nation and will experience a fifty percent increase in such craft within the next decade; and

WHEREAS, Raw sewage is being discharged directly into the water because of the absence of standards or legislative controls requiring retention, treatment, or satisfactory disposal of such wastes from boats and marinas; and

WHEREAS, The Congress of the United States has enacted legislation regulating the design, manufacture, installation, and use of marine sanitation devices to obviate the threat, and has granted the Administrator of the United States Environmental Protection Agency exclusive authorization to promulgate performance standards for such devices; and

WHEREAS, Initial standards have not yet been promulgated and, in any event, will not become effective for new watercraft until two years after promulgation and for existing watercraft until five years after promulgation; and

WHEREAS, There is therefore an urgent need for interim legislation on the state level to protect and preserve the public health and environment in the State of Washington from the threat posed by the discharge from watercraft of untreated or inadequately treated sewage into state waters;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives request that the Legislative Council hold public hearings to study the matter of watercraft waste disposal legislation and to prepare such legislation for the 1972 Extraordinary Session of the Washington State Legislature; and

BE IT FURTHER RESOLVED, That the Legislative Council is requested to consult with the Department of Social and Health Services, Division of Health, the Department of Ecology, representatives of the boating industry and boating organizations, and any other interested citizen, agency or department regarding this matter.

Mr. O'Brien moved adoption of the resolution.

Representatives O'Brien and Zimmerman spoke in favor of the resolution.

#### POINT OF INQUIRY

Mr. O'Brien yielded to question by Mr. Mentor.

Mr. Mentor: "I am very concerned, as you are, that something be done with boats. But I am also concerned, and would like to be assured, that in this study you also include the ultimate disposal of this waste, such as the shore installations. I would like to be assured that you are going to study the ultimate disposal of this waste from—not only holding on the boats—but also getting rid of it on shore."

Mr. O'Brien: "That is right, Mr. Mentor. That is the primary reason for this study. The bill that we originally introduced would require off-shore installations to be installed within a short period of time. But because the federal regulation and also some of the marinas felt that a study should be made, that they weren't ready to incur this cost, there was some confusion about what the federal stands might be. That is the reason we felt this study by the Legislative Council should be made. However, the Department of Health has made a comprehensive study in this field, and came out and endorsed the concept, I believe, of House Bill No. 358 and felt we should enact it. But apparently some opposition generated to this off-shore installation. They felt the off-shore installation was the only way to go. Of course, some of the marinas and others felt we were putting an unnecessary burden on the shipowners because they would have to install containers and in some of the older boats it might be a problem. In the future I think all new boats should have a container set-up to take care of this type of toilet waste. This is the primary purpose of this—to make a comprehensive survey of all marinas and see if something can't be done, within a reasonable length of time, to take care of this very serious problem."

Mr. Eikenberry spoke in favor of the resolution but pointed out additional factors which he said should be taken into consideration.

The resolution was adopted.

HOUSE RESOLUTION NO. 71-62, by Representative Conner:

WHEREAS, The area of Port Discovery Bay south of a line extending from Diamond Point in Clallam County easterly to the western extremity of Cape George in Jefferson County is at present being subjected to commercial fishing; and

WHEREAS, The potential ecological and environmental effects of commercial fishing on that area are not known;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Council is authorized and directed to undertake a study of the predicted ecological and environmental effects of commercial fishing on Port Discovery Bay.

BE IT FURTHER RESOLVED, That the results of the study and any recommendations be presented to the next Session of the Legislature for its consideration.

On motion of Mr. Conner, the resolution was adopted.

HOUSE RESOLUTION NO. 71-61, by Representatives McDermott, Costanti, Ross, Martinis, Mentor, Perry, Shinpoch, Blair, Kraabel, Kiskaddon, Douthwaite, Maxie, Williams and Charnley:

WHEREAS, Even in times of normal economic conditions, many citizens of this state, because of poverty or other conditions which render them disadvantaged, have difficulty obtaining sufficient and nutritious food; and

WHEREAS, In the particularly difficult economic conditions presently existing, far more citizens experience severe problems of nutrition and adequate food supply; and

WHEREAS, Solving problems of nutrition and food supply are among the most important responsibilities of state government; and

WHEREAS, The State of Washington has, from time to time, significant surpluses of salmon, and which surpluses are not utilized either by commercial or sports fishermen and which surpluses are not needed and may in fact be harmful to proper resource conservation; and

WHEREAS, The public resources of the state should be used for the broad benefit of the people of the state, particularly those in need; and

WHEREAS, The cooperation of various departments of state government and the utilization of science to solve social problems is a highly desirable approach to the solution of social problems; and

WHEREAS, Such a joint project by various departments can provide opportunities for training for gainful employment, can utilize public resources and private enterprise, and can introduce new federal funds and stimulate economic activity in the state;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Secretary of the Department of Social and Health Services, the Director of the Department of Fisheries and the Commissioner of the Department of Employment Security, being already authorized, are hereby requested to establish a program to provide for the capture of surplus salmon and the use of such salmon for the feeding of those citizens of the State of Washington in need of additional and nutritional foodstuffs pursuant to standards and criteria of eligibility already set forth by law and regulations; and

BE IT FURTHER RESOLVED, That such program should utilize private enterprise relative to the capture of said fish and the preservation and canning of same, by contract with private enterprise let on a bid basis; and

BE IT FURTHER RESOLVED, That so much of said fish as is necessary to pay for the cost of said program may be sold and the balance thereof used for the purposes set forth in this resolution; and

BE IT FURTHER RESOLVED, That the various departments involved use this opportunity to train persons for future employment in the fields necessary to implement this program, and that reasonable training requirements may be made part of the conditions of the contracts to be let to private enterprise; and

BE IT FURTHER RESOLVED, That the departments are to make known the results and success of such program and report recommendations for the continuance of this program, if appropriate, and the establishment of other similar programs, as indicated, to the legislature at the 1973 legislative session.

Mr. McDermott moved adoption of the resolution, and spoke in favor of the resolution.

#### POINT OF INQUIRY

Mr. McDermott yielded to question by Mr. Barden.

Mr. Barden: "Representative McDermott, do you have any idea what the rate of return on profit is in the fishing of salmon to the canneries and to the fishermen?"

Mr. McDermott: "This would be a proposal by which the state would lease the fishing

boats and the canneries and would give them enough money to pay their wholesale costs. The rest would then be distributed."

Mr. Barden: "If we were to follow then, Representative McDermott, that thesis and the average business return of slightly in excess of ten percent, then in order for the families on public assistance to get five cans of salmon, the fishermen would have to catch fifty cans of salmon approximately—or catch the salmon and put them in the cans."

Mr. McDermott: "The situation would be set up so that there would be a profit made by fishermen, packers, and the state would get back its administrative costs. We would still have significant amounts left to distribute to public assistance people, by a fish stamp, or some other program."

Mr. Barden: "Would this fishing be done outside of the regular commercial season?"

Mr. McDermott: "This would be done by bids, and would be during the season that they are in Lake Washington. The problem is that in Lake Washington you can't just turn loose all the fishing fleet, so we need to have some system by which we allow fishermen to come in. It would be done by a competitive bid system. It would also be used at the hatchery mouths as well, by competitive bid system."

Mr. Barden spoke against the resolution.

Mr. Hatfield moved adoption of the following amendment to the resolution:

After the second paragraph, strike: "WHEREAS, Solving problems of nutrition and food supply are among the most important responsibilities of state government; and"

Mr. Hatfield spoke in favor of the amendment, and Mr. Ross spoke against it.

The amendment by Mr. Hatfield to House Resolution No. 71-61 was not adopted.

Mr. May: "This is to buy health services for 40,000 teachers and 27,000 certificated people, other groups and directors. It amounts to \$585,000 every year. With an austere budget, I don't think we should take on new programs. I think we should take care of the established programs we have."

HOUSE BILL NO. 863, by Representatives Jones, Costanti and Gilleland:  
Defining school day for common school purposes.

The bill was read the second time.

Mr. Ross moved adoption of the following amendment:

On page 1, after line 25 insert a new section as follows:

"Sec. 2. Section 13, chapter 283, Laws of 1969 ex. sess. and RCW 28A.02.061 are each amended to read as follows:

The following are school holidays, and school shall not be taught on these days: Saturday; Sunday; the first day of January, commonly called New Year's Day; *the third Monday in January, being the anniversary of the birth of Martin Luther King, Jr.*; the third Monday in February, being the anniversary of the birth of George Washington; the last Monday in May, commonly known as Memorial Day; the fourth day of July, being the anniversary of the Declaration of Independence; the first Monday in September, to be known as Labor Day; the fourth Monday in October, to be known as Veterans' Day; the fourth Thursday in November, commonly known as Thanksgiving Day; the day immediately following Thanksgiving Day; the twenty-fifth day of December, commonly called Christmas Day: PROVIDED, That no reduction from the teacher's time or salary shall be made by reason of the fact that a school day happens to be one of the days referred to in this section as a day on which school shall not be taught.

The provisions of this section shall take effect on January 1, 1971."

Mr. Julin moved adoption of the following amendment by Representatives Julin, Ross and Smythe to the amendment:

On page 1, section 2, lines 3 and 4 of the amendment strike "*the third Monday in January, being the anniversary of the birth of Martin Luther King, Jr.*," and insert: "*the fourth Friday in November, commonly known as 'Honored Americans Day', being a day for honoring and remembering all Americans who have made a contribution to the fulfillment of American ideals, this day to honor such men as Richard E. Byrd, Dwight D. Eisenhower, Alexander Hamilton, Herbert C. Hoover, Thomas Jefferson, Chief Joseph, John F. Kennedy, Martin Luther King, Robert E. Lee, Abraham Lincoln, James Madison, John Marshall, Theodore Roosevelt, Sacajawea, Henry David Thoreau, Booker T. Washington, Marcus Whitman, Eli Whitney, and C. Woodrow Wilson.*"

Mr. Julin spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Ross yielded to question by Mr. Grant.

Mr. Grant: "Mr. Ross, who is 'C. Woodrow Wilson'?"

Mr. Ross: "He was a Democrat."

Mr. Grant: "He may very well be. I understand he is operating a gas station in Algona. If you intend to honor Woodrow Wilson the President, I think you should clarify that."

PARLIAMENTARY INQUIRY

Mr. Jueling: "I wonder if, without too much ado, we could say 'such men and women' since Sacajawea was a woman."

The Speaker: "We will pair her with C. Woodrow Wilson."

Mr. Hatfield: "I would just call the attention of the House to the fact that if we do intend to honor President Woodrow Wilson, the initial should be 'T' because his given name was 'Thomas.'"

The Speaker: "We can make that technical correction in the back room."

POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Kilbury.

Mr. Kilbury: "In line 4 of the amendment after '*honor*' would it not be better to have

the following words: *'men and women such as but not limited to'*? I am sure there are many other famous Americans that perhaps should be included in this."

Mr. Julin: "I believe that within the context of this statute, the inclusion of Sacajawea would carry with it the intent that all women as well as men be included."

Mr. Douthwaite spoke against adoption of the amendment.

#### POINT OF INQUIRY

Mr. Hubbard yielded to question by Mr. Barden.

Mr. Barden: "Representative Hubbard, looking at this list of great Americans we are honoring, I notice only one of them was a resident of the state of Washington. Chief Joseph did hail from the area that you now represent in this legislature. I wonder if you might like to express to the body the significance of this man's name on the list."

Mr. Hubbard: "I would not have done so, but since I have been asked I feel I have no alternative. Many of this great American's ancestors, of course, reside in my district. I am not going to go into my usual speech on Chief Joseph. I have one. If I hadn't already cried myself out on this body a time or two, I would again, but it is a rather tear jerking experience for me to do it. I will decline. I will say he was a great American. He leaves many great Americans behind him in my district and I would like to see his memory carried on."

Mr. Bledsoe demanded the previous question and the demand was sustained.

The amendment by Representatives Julin, Ross and Smythe to the amendment was adopted on a rising vote.

The Speaker stated the question before the House to be the amendment by Mr. Ross as amended.

#### PARLIAMENTARY INQUIRY

Mr. Beck: "Mr. Speaker, I voted no on that last question. I don't know why. I'm way out on Cloud 9 someplace. I'd like to have something explained. I find out we are voting here, according to my sheet, on House Bill No. 863. This bill is an act relating to education, and line three is just 'BE IT ENACTED BY THE LEGISLATURE . . .'"

The Speaker: "This was an amendment to the amendment, Mr. Beck, not an amendment to the bill."

Mr. Beck: "Well what have I got here?"

The Speaker: "We are voting now on the amended amendment by Representative Ross."

Mr. Beck: "Ross and Smythe, is that what we are voting on?"

The Speaker: "We just adopted that as an amendment to the amendment."

Mr. Beck: "That's the one I voted no on? Well that are we voting on now?"

The Speaker: "Now you get to vote no on the amended amendment by Representative Ross."

Mr. Beck: "I will still vote no."

Mr. Ross spoke in favor of adoption of the amended amendment.

The amendment by Mr. Ross as amended by Representatives Julin, Ross and Smythe was adopted.

On motion of Mr. Ross, the following amendment to the title was adopted:

On page 1, line 2 of the title after "28A.01.010" strike the period and add the following: "; and amending section 13, chapter 283, Laws of 1969 ex. sess. and RCW 28A.02.061."

House Bill No. 863 was ordered engrossed.

Mr. Wolf moved that the rules be suspended, the second reading considered the third, and Engrossed House Bill No. 863 be placed on final passage.

The motion was lost.

"NEW SECTION. Sec. 2. No public school district, community college district or state institution of higher education shall pay any employee for expenses incurred or for time lost from his official duties as a result of participating in any activities of an employee organization."

Mr. Spanton spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Spanton yielded to question by Mr. Charette.

Mr. Charette: "Under this amendment, would you consider the Washington State School Directors' Association an employee or an employer organization?"

Mr. Spanton: "I do not consider it as an employee organization. It has an official, legal sanction."

## POINT OF ORDER

Mr. Grant: "I am wondering if the amendment by Mr. Spanton is in line with your previous rulings dealing with scope and object. It would appear to me that he has broadened the intent of the original legislation which was very narrow, providing that certain collective bargaining agreements contain a provision for retroactive wages, to now prohibit the payment of any expenses incurred by employees in any schools, which is a narrow area, but prohibits the payment of expenses incurred by employees. I wonder how that gibes with your previous rulings dealing with scope and object."

## POINT OF ORDER

Mr. Brouillet: "Mr. Speaker, a further comment before you rule on Mr. Grant's point of order. Mr. Spanton's amendment also seeks to amend Title 28 which many of the people in this amendment are covered by. The title of the bill, public employees, deals with Title 41. About half of the people he hopes to affect by this amendment come under another title, which I think would broaden the scope of the bill beyond what is intended."

The Speaker: "I don't see any mention of any section of the Code in Mr. Spanton's amendment."

Mr. Brouillet: "The community college people and higher education people are covered under Title 28B of the higher education code. This would also deal with certificated and noncertificated people. The noncertificated people are handled in one section and this amendment deals with Title 28B. That is the only reference that I would bring to your attention."

## RULING BY THE SPEAKER

The Speaker: "It would appear that the scope of House Bill No. 1075, even after amended by committee, is very, very narrow, setting solely permissive limits which could be negotiated for the effective date of an agreement—even though the section itself has certain language—they are talking about collective bargaining agreements, bargaining representatives, which I assume could mean an employee organization or activities of employee organization as constituted for the purpose of collective bargaining. The original House Bill No. 1075 as drafted is so narrow in scope, pertaining only to effective dates of such agreements and has nothing to do with community college districts, state institutions of higher education, that I think the point is well taken and the amendment is not in order."

House Bill No. 1075 was ordered engrossed.

Mr. Wolf moved that the rules be suspended, the second reading considered the third, and Engrossed House Bill No. 1075 be placed on final passage.

The motion was lost.

HOUSE BILL NO. 1116, by Representatives Wojahn, Kirk, McCormick, Lynch, Maxie, Brouillet, Johnson, Kilbury, Brown, Amen, Wolf, Julin, Zimmerman, North, Costanti and Hoggins:

Mrs. Wojahn moved adoption of the following amendment:

On page 3, section 5, line 20 following "services" and before the period, insert "and such supervisor of consumer services shall be an experienced veterinarian"

SECOND READING

HOUSE BILL NO. 740, by Representatives Lynch, Kopet, Goldsworthy and Curtis:  
Implementing law relating to fees of state's colleges and universities.

MOTION

On motion of Mrs. Lynch, Substitute House Bill No. 740 was substituted for House Bill No. 740, and the substitute bill was placed on the calendar for second reading. Substitute House Bill No. 740 was read the second time.

Mr. Barden moved adoption of the following amendment:

On page 3, section 3, line 18 after "for the benefit of" strike "prospective, current or former" and insert "current"

Mr. Barden spoke in favor of adoption of the amendment and Mrs. Lynch spoke against it.

Mr. Barden spoke again in favor of the amendment and Mr. Douthwaite spoke against it.

The amendment by Mr. Barden was not adopted.

Mr. King moved adoption of the following amendment by Representatives King and Smythe:

On page 3, section 3, line 18 following "for the" strike all the material down to and including "students" on line 19 and insert "express purpose of funding student activities and programs"

Representatives King and Smythe spoke in favor of adoption of the amendment, and Representative Lynch spoke against it.

POINT OF INQUIRY

Mr. King yielded to question by Mr. Smythe.

Mr. Smythe: "Representative King, the amendment reads for the 'express purpose of funding student activities and programs.' Could you, for the benefit of the House, define what you term 'activities and programs' that this would cover?"

Mr. King: "Well, I believe the intent here is that it be anything that is adopted by the student government (whatever government that is) and hopefully by the governing body in addition to it. It would include such things as their athletic programs (if they want to), their intercollegiate debate, their school dances—all the things that students do as part of their activity programs. In addition to that, I would believe that this amendment would cover the things necessary for the activities. I think it would be possible if the student government decided to build an intramural building, for example, as part of their activities program, and they were involved in it, that this would cover that also. I think the key thing is that it be related to a decision made by the students."

Mr. Smythe spoke again in favor of the amendment.

Representatives Bledsoe and Pardini spoke against the adoption of the amendment by Representatives King and Smythe, and Representatives Lysen and Maxie spoke in favor of it.

The amendment by Representatives King and Smythe was adopted on a rising vote.

Mr. Barden moved adoption of the following amendments:

On page 5, section 6, line 1 after "not less than" strike "one" and insert "[one] three"

On page 6, section 7, line 30 after "tuition fee," strike "one" and insert "[one] three"

On page 8, section 9, line 26 strike "ninety-six" and insert "three hundred"

On page 9, section 10, line 12 after "fee," strike "one" and insert "[one] three"

Mr. Barden spoke in favor of adoption of the amendments, and Representatives Lynch, Shera and Smythe spoke against them.

POINT OF INQUIRY

Mrs. Lynch yielded to question by Mr. Mentor.

Mr. Mentor: "I am really just a little bit confused here. You say that the tuition for out-of-state students will be \$1,500 now?"

Mrs. Lynch: "For universities, yes. It was \$1,080."

Mr. Mentor: "In this amendment by Representative Barden it goes from \$100 to \$300 a quarter."

Mrs. Lynch: "I am talking about the entire area of all the fees—tuition fees and everything put together."

Mr. Mentor: "But all this amendment does is just change the tuition from \$100 to \$300. Another thing I am confused on, I understand that our out-of-state tuition fee in this state is the lowest in eleven western states and even with this increase we are still not going to be up to an average or anywhere near the top of the other western states."

Mrs. Lynch: "We are going to be a lot higher than we have been."

Mr. Mentor: "I understand we will be higher than we have been, but we will still be way lower than the other eleven western states, even with this increase that is in this bill. If this amendment passes, then we will still be only on an average. Is that right?"

Mrs. Lynch: "I'm not sure where we fit in the eleven western states."

Mr. Douthwaite spoke against adoption of the amendments by Mr. Barden.

#### POINT OF INQUIRY

Mrs. Lynch yielded to question by Mr. Flanagan.

Mr. Flanagan: "In order to clarify this, could you tell me what the nonresident tuition is at Oregon State or the University of Oregon?"

Mrs. Lynch: "No, Representative Flanagan, I cannot, but I can find it for you in a few moments."

Mr. Flanagan: "I thought that might be of interest to the people before voting on the amendment."

Mr. Barden closed debate, speaking in favor of adoption of the amendments.

The amendments by Mr. Barden were not adopted.

Miss Maxie moved adoption of the following amendment by Representatives Maxie and Lynch:

On page 10, section 11, line 1 after "That" insert "a state-wide student aid advisory committee shall be appointed by the director of the state board for community college education to assist the director in the promulgation of such regulations and procedures and to provide specific advice to the director in the development of priorities recognizing need based on income levels: PROVIDED FURTHER,"

Representatives Maxie and Lynch spoke in favor of the amendment.

The amendment was adopted.

Mr. Newhouse moved adoption of the following amendments by Representatives Cunningham and Newhouse:

On page 10, section 11, line 3 strike "equal a minimum of five" and insert "be not more than three"

On page 10, section 11, line 10 strike "five" and insert "three"

Mr. Newhouse spoke in favor of the amendments, and Representatives Kiskaddon, Lynch and Bledsoe spoke against the amendments.

#### POINT OF INQUIRY

Mrs. Lynch yielded to question by Mrs. Hurley.

Mrs. Hurley: "Mrs. Lynch, does this new waiver program in community colleges refer to resident, nonresident student, or both?"

Mrs. Lynch: "I believe that at the present time it is possible that a nonresident student could obtain this waiver. However, I know that there is another amendment on the desk now, that I will personally support, saying that the waiver should only be used for resident students. But up to the present time they have been able to be used for nonresidents although there is only one college, that I know of, where they have really done this."

Representatives Hurley and Newhouse spoke in favor of the amendments.

#### POINT OF INQUIRY

Mrs. Lynch yielded to question by Mrs. Kirk.

Mrs. Kirk: "Mrs. Lynch, I was informed yesterday that a great many of our students attending community college or the university are on welfare. This particular person that talked to me said that their grant had been lowered (this was a mother whose grant was also

lowered), that this fund would raise the student grants, and she wondered what we could do to raise hers. Is this true that the students are on welfare and their grants have been cut, and through this fund they will be subsidized?"

Mrs. Lynch: "I can't believe it is true. I'm not quite sure what you mean that their grants have been cut. Are you talking about the welfare grants? I couldn't answer you on welfare, but I cannot believe that this has anything to do with it, Representative Kirk. This is dealing directly with the cost of their education. I don't believe that the community colleges and the Department of Social and Health Services have gotten together in this state."

The amendments by Representatives Cunningham and Newhouse were adopted on a rising vote.

The Speaker called on Mr. Copeland to preside.

On motion of Mr. Pardini, the following amendment was adopted:

On page 10, section 11, line 15 after "nonresident fees" and before the period, insert "PROVIDED FURTHER, That no waiver under this section shall be granted to a person who is not a 'resident student' as defined in RCW 25B.15.010"

Mr. Barden moved adoption of the following amendment:

On page 9, line 25, strike all of section 11 and renumber the remaining sections consecutively

Representatives Barden and Hatfield spoke in favor of the amendment, and Representatives King, Lynch and Charnley spoke against it.

The Speaker resumed the chair.

Representatives Brouillet and Bottiger spoke against the amendment.

Mr. Barden spoke again in favor of his amendment.

#### POINT OF INQUIRY

Mrs. Lynch yielded to question by Mr. Goldsworthy.

Mr. Goldsworthy: "Representative Lynch, many of us here are extremely interested in trying to work out a loan program. Why do we not have one in this bill?"

Mrs. Lynch: "Representative Goldsworthy, I think I should point out to you that if you look in the bill, you will find that there is a short-term loan program already started in this bill. The reason we have been able to do that is because this is dealing directly with the student fees. The big concern that all of us have had—and I will point out to Representative Barden that it is totally untrue that the Council on Higher Education and those people who are involved in higher education are against the loan program. They are not. But the problem has been, as long as our Constitution reads the way it does, that 'the credit of the state cannot be loaned,' we have not felt that we could go ahead and do this. I do know that the Council on Higher Education will, within the next two years, take a real good look at how we can do this. The state of Ohio has tried and they found themselves to be in a very difficult position because they tried in the legislature to start a program without facts and figures on it. I would suggest to you that by the time we come back two years from now, we will probably come back with a loan program for you."

#### PARLIAMENTARY INQUIRY

Mr. Mentor: "Mr. Speaker, is it too late to go back on page 3, line 27 and amend that 'twelve months' to 'five years'?"

The Speaker: "Yes, it is, Mr. Mentor."

The amendment by Mr. Barden to Substitute House Bill No. 740 was not adopted.

#### MOTION

On motion of Mr. Bledsoe, the House recessed until 1:30 p.m.

#### AFTERNOON SESSION

The Speaker (Mr. Wolf presiding) called the House to order at 1:30 p.m.

The Clerk called the roll and all members were present except Representatives Adams and McCormick who were excused.

"Section 1. Section 10, chapter 323, Laws of 1959 and RCW 18.08.190 are each amended to read as follows:

Certificates of registration shall expire on the last day of June following their issuance or renewal. The director shall set the yearly fee for renewal which fee shall be [not less than ten dollars nor more than twenty dollars] *not more than twenty-five dollars to be determined by the director as provided in section 21 of this 1971 amendatory act.* Renewal may be effected during the month of June by payment to the director of the fee set. In case any registrant fails to pay the renewal fee before thirty days after the due date, the renewal fee shall be the current fee plus an amount equal to one year's fee: PROVIDED, That any registrant in good standing may withdraw from practice by giving written notice to the director, and may thereafter resume practice at any time upon payment of the then current annual renewal fee.

Failure to pay the annual license renewal fees before delinquency shall work a forfeiture of the license, but the license may be renewed within three years thereafter without examination upon application therefor by the licentiate, and payment of a fee of fifteen dollars plus all lapsed fees. Should the licentiate allow his license to elapse for more than three years, he must be reexamined as for a new license.

Sec. 3. Section 7, chapter 180, Laws of 1951, as last amended by section 11, chapter 3, Laws of 1965 ex. sess. and RCW 18.18.140 are each amended to read as follows:

A certificate of health is required with an application for an original license, one must also be filed with a renewal application. Any operator, manager operator, or instructor operator whose license has lapsed may have the same renewed upon payment of all fees which the applicant would have been required to pay to keep such license in effect, and an additional fee of five dollars for each lapsed year: PROVIDED, That any person whose license has lapsed for more than three years shall be reexamined, as in the case of any applicant for an original license.

Sec. 4. Section 6, chapter 149, Laws of 1955 as amended by section 2, chapter 97, Laws of 1965 and RCW 18.22.120 are each amended to read as follows:

Any chiropody license that has been allowed to lapse may be renewed by presentation of a new character certificate as required for examination, together with the payment of the annual license fee.

Sec. 5. Section 10, chapter 5, Laws of 1919, as amended by section 5, chapter 53, Laws of 1959 and RCW 18.25.070 are each amended to read as follows:

Every person practicing chiropractic within this state shall pay on or before the first day of September of each year, after a license is issued to him as herein provided, to said director a renewal license fee of [fifteen] *not more than twenty-five dollars to be determined by the director as provided in section 21 of this 1971 amendatory act.* The director shall, thirty days or more before September first, of each year mail to all chiropractors in the state a notice of the fact that the renewal fee will be due on or before

the first of September. Nothing in this chapter shall be construed so as to require that the receipts shall be recorded as original licenses are required to be recorded.

Sec. 6. Section 3, chapter 201, Laws of 1967 and RCW 18.28.030 are each amended to read as follows:

An application for a license shall be in writing, under oath, and in the form prescribed by the director. The application shall contain such relevant information as the director may require, but in all cases shall contain the name and residential and business addresses of each individual applicant, and of each member when the applicant is a partnership or association, and of each director and officer when the applicant is a corporation.

Except as provided hereinafter in this section the applicant shall pay an investigation fee of fifty dollars and a licensing fee of [fifty] *not more than eighty dollars to be determined by the director as provided in section 21 of this 1971 amendatory act*: PROVIDED, That a branch office of a licensed debt adjusting agency need not pay an investigation fee but only the licensing fee. If a license is not issued in response to the application, the director shall return [fifty dollars] *the licensing fee* to the applicant. An annual license fee of [fifty] *not more than eighty dollars, to be determined by the director as provided in section 21 of this 1971 amendatory act*, shall be paid to the director by January 1st of each year. And if the fee and penalty are not paid by January 31st, reapplication for a new license will be necessary, which may include taking any examination prescribed by the director.

The applicant shall file a surety bond with the director or in lieu thereof the applicant may file with the director a cash deposit or other negotiable security acceptable to the director and under conditions set forth in RCW 18.28.040: PROVIDED, That each branch office of a debt adjusting agency shall be required to be bonded as provided herein, but no bond will be required of an individual applicant while he is employed by a bonded debt adjusting agency or branch thereof.

The applicant shall furnish the director with such proof as the director may reasonably require to establish the qualifications set forth in RCW 18.28.060.

If the applicant is an individual person making an original license application he shall pay an examination fee of fifty dollars.

Any failure to register and pay the annual license renewal fee shall render the license invalid, but such license shall be reinstated upon written application therefor to the director, and payment to the state of a penalty of ten dollars, together with all delinquent annual license renewal fees.

Sec. 8. Section 6, chapter 108, Laws of 1937 and RCW 18.39.050 are each amended to read as follows:

In the event that any license is not reregistered within thirty days after the date for reregistration specified by the director, the director shall, in accordance with rules prescribed by the board, give notice to the license holder, and may thereafter in accordance with rules prescribed by the board charge up to double the normal reregistration fee. In the event that the license of an individual is not reregistered within three years from the most recent date for reregistration it shall lapse and such individual must again apply for licensing and meet all requirements of this chapter for a new applicant. The board may prescribe rules for maintenance of a license at a reduced fee for temporary or permanent withdrawal or retirement from the active practice of nursing home administration.

The board shall establish rules and regulations providing that the applicant for reregistration may present such proofs yearly, or may obtain the cumulative number of required hours over a three year period and present such proofs over periods of three years. In no event shall the number of classroom hours required for any time period exceed the number of such board approved classroom hours reasonably available over such time period on an adult or continuing education basis to nonmatriculating participants in this state.

(3) An individual may obtain and reregister a license under this chapter although he does not actively engage in nursing home administration.

The state treasurer shall place two dollars and forty cents from each renewal fee into the general fund and shall place the balance into an optometry account which is hereby created for the enforcement of this chapter. Any residue in such account shall be accumulated and shall not revert to the general fund at the end of any biennium.

In the event of failure to pay the renewal fee, the director shall mail a notice of such suspension to the last known post office address of the holder between the first and fifth days of February, March and April next following and if the fee is not paid by May 1st the director may declare the certificate revoked and immediately notify the county clerk of the county in which the certificate is recorded, and the clerk shall mark his records accordingly.

Upon the recommendation of the examining committee the director [of licenses] shall revive [and extend] a lapsed registration on the payment of all past unpaid [extension] renewal fees.

The director shall determine the amount of the fees required to be fixed by him under the provisions of chapters 18.08, 18.15, 18.18, 18.22, 18.25, 18.28, 18.36, 18.39, 18.52, 18.53, 18.57, 18.71, 18.74, 18.78, 18.83, 18.88, 18.90, and 18.92 RCW according to the expenditures of the department to be incurred as a result of the administration of each of the professions regulated by each of these respective chapters except that such fees shall not exceed the maximum fee provided for by law.

April 27, 1971.

ENGROSSED SENATE BILL NO. 512, setting out salaries of county officials, reported by Committee on Local Government.

MAJORITY recommendation: Do pass. Signed by Representatives Smythe, Chairman, Adams, Amen, Bauer, Blair, Bozarth, Bradley, Douthwaite, Gilleland, Haussler, Jones, Kuehnle, Lysen, Martinis, Maxie, Mentor, Merrill, North, Rabel, Smith, Thompson.

Passed to Committee on Rules and Administration for second reading.

## MOTION

On motion of Mr. Morrison, the House advanced to the ninth order of business.

## SECOND READING

SUBSTITUTE HOUSE BILL NO. 740, by Representatives Lynch, Kopet, Goldsworthy and Curtis:

Implementing law relating to fees of state's colleges and universities.

The House resumed consideration of Substitute House Bill No. 740 on second reading.

## MOTION FOR RECONSIDERATION

Mr. Anderson, having voted on the prevailing side, moved that the House do now reconsider the vote by which the amendments by Representatives Cunningham and Newhouse to page 10, section 11, lines 3 and 10, were adopted.

## POINT OF ORDER

Mr. Newhouse: "I believe there has been intervening business. Other amendments have been voted on in the interim."

## RULING BY THE SPEAKER

The Speaker: "An examination of Reed's Rule No. 203 indicates: '... If the assembly, for instance, is not satisfied with an amendment made before the final vote, which has been reconsidered, the vote on the amendment must be reconsidered also. ...' Rule No. 205 states: 'A motion to reconsider must be made on the day on which the action sought to be revised was had, and before any action has been taken by the assembly in consequence of it. ...' I see no prohibition on intervening business unless that business has to do with a bill such as referring it to committee, taking a final vote on it, or taking some other action which would nullify the action of the amendment. Therefore, I will recognize the motion to reconsider."

## POINT OF ORDER

Mr. Pardini: "If in fact we do reconsider this amendment, down the line of progression, does this mean we also would be able to reconsider Mr. Barden's amendment which was subsequent? In effect, what I am saying is if reconsideration were successful, and the amendment by Representatives Newhouse and Cunningham were defeated, it would certainly have changed my mind on the subsequent amendment proposed by Representative Barden."

The Speaker: "Yes, my ruling would permit reconsideration of the adoption of any of these amendments until some disposition is made of the bill."

The Speaker stated the question before the House to be the motion to reconsider the vote by which the amendments by Representatives Cunningham and Newhouse to Substitute House Bill No. 740 were adopted.

Representatives Anderson, King, Ross, Douthwaite and Lynch spoke in favor of the motion, and Representatives Newhouse and Spanton spoke against it.

Mr. Rosellini demanded an electric roll call, and the demand was sustained.

## POINT OF INQUIRY

Mrs. Lynch yielded to question by Mrs. Hurley.

Mrs. Hurley: "Mrs. Lynch, if we do reconsider this, and we move back to the five percent waiver, it seems to me that we will just be spending more money. Is there anything at all that would require that more students be served, because this has been a statement on the floor of this House and I would like to have it clarified."

Mrs. Lynch: "I think there will be more students, very definitely, if you put it at five percent. There is no question there will be more students that will be served. One of the things is that for the first time we are going to be dealing with partial help now instead of saying we will take the whole tuition. We now can give partial help on tuition, so you are actually going to deal with more students anyway."

Mr. Kuehnle spoke against the motion to reconsider.

ROLL CALL

The Clerk called the roll on the motion by Mr. Anderson to reconsider the vote by which the amendments by Representatives Cunningham and Newhouse were adopted, and the motion was carried by the following vote: Yeas, 47; nays, 46; absent or not voting, 6.

Voting yea: Representatives Anderson, Backstrom, Barden, Beck, Blair, Bledsoe, Bluechel, Bradley, Brouillet, Ceccarelli, Charette, Charney, Chatalas, Conner, Cunningham, Douthwaite, Gallagher, Grant, Hoggins, Johnson, Kilbury, King, Kiskaddon, Knowles, Kopet, Kraabel, Luders, Lynch, Lysen, Marsh, Marzano, Maxie, McDermott, Merrill, Moon, North, O'Brien, Paris, Perry, Rabel, Rosellini, Ross, Savage, Shinpoch, Thompson, Williams, Zimmerman—47.

Voting nay: Representatives Amen, Bagnariol, Benitz, Berentson, Bottiger, Bozarth, Brown, Conway, Copeland, Costanti, Curtis, Eikenberry, Farr, Flanagan, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Hatfield, Haussler, Hubbard, Hurley, Jones, Juelling, Julin, Kirk, Kuehnle, Martinis, May, Mentor, Morrison, Newhouse, Pardini, Polk, Randall, Sawyer, Schumaker, Shera, Smith, Smythe, Spanton, Van Dyk, Wanamaker, Wolf, Mr. Speaker—46.

Absent or not voting: Representatives Adams, Bauer, Jastad, Litchman, McCormick, Wojahn—6.

PARLIAMENTARY INQUIRY

Mr. Mentor: "Mr. Speaker, I wanted to vote on the other side, and I did not have a chance to flip my switch. That would have made the vote 46 for and 47 against."

The Speaker: "I'm sorry, Mr. Mentor, the vote has been announced."

RECONSIDERATION

The Speaker stated the question before the House to be the following amendments by Representatives Cunningham and Newhouse:

On page 10, section 11, line 3 strike "equal a minimum of five" and insert "be not more than three"

On page 10, section 11, line 10 strike "five" and insert "three"

Mr. Grant demanded an electric roll call, and the demand was sustained.

POINT OF INQUIRY

Mrs. Lynch yielded to question by Mr. Shera.

Mr. Shera: "Mrs. Lynch, what is the fiscal impact of the five percent level for tuition waivers?"

Mrs. Lynch: "Six million dollars."

Mr. Shera spoke in favor of the amendments, and Mr. Ross spoke against them.

POINT OF INQUIRY

Mr. Shera yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "You confused me a little, Representative Shera. I think the amendment we are addressing ourselves to is the amendment to reduce from five percent to three percent. Would you clarify your stand for me, please?"

Mr. Shera: "I appreciate your asking the question because I got a little confused myself. I am in favor of reducing it from five percent to three percent in order to save the general fund about two million dollars."

Representatives Barden and Eikenberry spoke in favor of adoption of the amendments.

PARLIAMENTARY INQUIRY

Mr. Grant: "Mr. Speaker, would you explain the effect of this vote?"

The Speaker: "The effect of this vote, if it carries, will be to adopt the two amendments."

Mr. Gladder demanded the previous question, and the demand was sustained.

#### PARLIAMENTARY INQUIRY

Mr. Charette: "Will a 'yes' vote put the tuition percentage at three or five percent?"

The Speaker: "A 'yes' vote will adopt the two amendments which will place the waiver at three percent."

Mr. Charette: "Mr. Speaker, is it also true then that a 'no' vote will put it at five percent?"

The Speaker: "A 'no' vote will leave the bill in its present form unamended. After a favorable vote on a motion to reconsider, the original question is back before the body as it stood before the vote was taken, which leaves the question of the amendments before us in exactly the same position as they were the first time."

#### ROLL CALL

The Clerk called the roll on the reconsideration of the amendments by Representatives Cunningham and Newhouse to page 10, section 11, lines 3 and 10, Substitute House Bill No. 740, and the amendments were adopted by the following vote: Yeas, 51; nays, 45; absent or not voting, 3.

Voting yea: Representatives Amen, Backstrom, Bagnariol, Barden, Benitz, Berentson, Bottiger, Bozarth, Bradley, Brown, Conway, Costanti, Cunningham, Curtis, Eikenberry, Farr, Flanagan, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Hatfield, Haussler, Hubbard, Hurley, Juelling, Kirk, Kopet, Kraabel, Kuehne, Lysen, Martinis, May, Mentor, Morrison, Newhouse, Pardini, Polk, Randall, Sawyer, Schumaker, Shera, Shinpoch, Smith, Smythe, Spanton, Van Dyk, Wanamaker, Wolf, Mr. Speaker—51.

Voting nay: Representatives Anderson, Bauer, Beck, Blair, Bledsoe, Bluechel, Brouillet, Ceccarelli, Charette, Charnley, Chatalas, Conner, Copeland, Douthwaite, Gallagher, Grant, Hoggins, Johnson, Jones, Julin, Kilbury, King, Kiskaddon, Knowles, Litchman, Luders, Lynch, Marsh, Marzano, Maxie, McDermott, Merrill, Moon, North, O'Brien, Paris, Perry, Rabel, Rosellini, Ross, Savage, Thompson, Williams, Wojahn, Zimmerman—45.

Absent or not voting: Representatives Adams, Jastad, McCormick—3.

## SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House Christine McCone, Miss Washington-Universe, and requested that the Sergeant at Arms and Representatives Bluechel and Brown conduct her to a place on the rostrum.

The Speaker: "This is one of the many lovely constituents of Representatives Bluechel and Brown, and they have brought her down for your viewing and listening enjoyment in accord with our continued policy. I would like to have Miss Washington-Universe, Christine McCone, say a few words to us."

Miss McCone: "Hello, I would first of all like to sincerely thank Mr. Bluechel for inviting me. About a week or two ago, he called and asked me if I would like to come down and visit. My name was in the paper for winning the title. It is really my pleasure to come down here. I have met many of you already this morning and this is a great honor for me. I have never been inside here before. A really sweet girl has been showing me around. This is a great experience."

The Speaker: "Thank you, Christine. It is our pleasure. We do have some employment applications for the special session if you would care to fill one out. Best of luck, by the way, on the continuation of the Miss U.S.A. contest. When is that?"

Miss McCone: "I forgot to tell you. I would like all of you to be watching on CBS May 22 which is a Saturday night. It will be a 90-minute special. I will be leaving for Miami Beach, Florida on May 13 and the finals will be May 22."

The Speaker: "Best of luck to you, Christine."

The Sergeant at Arms and Representatives Bluechel and Brown escorted Miss Christine McCone from the rostrum.

## PERSONAL PRIVILEGE

Mr. Grant: "Mr. Speaker, you and Mr. Copeland and Mr. O'Brien were very well prepared yesterday with written remarks relative to the awards ceremonies, and I was

certainly astonished by that. I do have a letter though that I would like now to share with the members of the House, from one of my constituents. It says:

“Dear Mr. Grant: Thank you for the prompt response to my letter of the 14th. I am sure I will sleep a little better knowing that there is a man of your caliber looking after the affairs of our state and its citizens. I was born here in 1896, and have spent the years in and around the area ever since. I love our state very much.”

PERSONAL PRIVILEGE

Mr. Jueling: “I sent the letter to Mr. Grant.”

SECOND READING

SUBSTITUTE HOUSE BILL NO. 740, by Representatives Lynch, Kopet, Goldsworthy and Curtis:

Implementing law relating to fees of state’s colleges and universities.

The House resumed consideration of Substitute House Bill No. 740.

Mr. Gladder moved adoption of the following amendment:

On page 10, line 15 after the period, add a new section as follows:

“NEW SECTION. Sec. 12. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.15 RCW a new section to read as follows:

Notwithstanding any other provision of this chapter or the laws of the state, the board of trustees or regents of each of the state’s college or universities and the various community colleges shall charge to and collect from any student who has completed five years of full time study or an equivalent number of course hours, a general tuition fee in an amount equal to one hundred twenty-five percent of the amount of general tuition fee charged to and collected from other full time students; PROVIDED, That this section shall not limit in any manner the discretion under this chapter of the board of trustees or regents of each of the state’s college or universities and the various community colleges, to waive, in whole or in part, the general tuition fee to any needy or disadvantaged students.”

Remember the remaining sections consecutively

Mr. Douthwaite moved adoption of the following amendment to the amendment:

Amend the amendment by Mr. Gladder as follows:

On line 7 after “from any student” insert, “who is not enrolled in graduate school or a professional school and”

Representatives Douthwaite and Lynch spoke in favor of adoption of the amendment to the amendment, and Representatives Gladder and Curtis spoke against it.

POINT OF INQUIRY

Mrs. Lynch yielded to question by Mrs. North.

Mrs. North: “Mrs. Lynch, as I am looking at the text of this bill and the waiver program that we have discussed in great detail, the graduate student or the people with five years of time spent in an institution of higher learning would be eligible to be considered for that waiver program. Isn’t that correct?”

Mrs. Lynch: “Yes.”

Mrs. North: “In this instance then, a truly deserving person who has to go back and be retrained and is in a financial bind could be considered for waiver of these fees even though they are set at one hundred and twenty-five percent?”

Mrs. Lynch: “I would assume there is nothing in this bill that would prevent that. I think it is a philosophical question that I am questioning. At this stage I really know no reason why they couldn’t.”

Representatives North and Moon spoke against adoption of the amendment by Mr. Douthwaite to the amendment by Mr. Gladder.

Mr. Douthwaite closed debate, speaking in favor of the amendment to the amendment.

The amendment by Mr. Douthwaite to the amendment by Mr. Gladder was not adopted.

The Speaker stated the question before the House to be the amendment by Mr. Gladder.

Representative Gladder spoke in favor of the amendment, and Representatives King, Kiskaddon, McDermott and Lynch spoke against it.

Mr. Rosellini demanded an electric roll call, and the demand was sustained.

## POINT OF INQUIRY

Mr. Gladder yielded to question by Mr. Lysen.

Mr. Lysen: "A student who spent his undergraduate school in a private school in this state and then wanted to attend a public school, would he also have to pay the increased cost?"

Mr. Gladder: "No, if you will read the amendment, I think you will find that this pertains only to those students who have spent the equivalent of five years of full-time work in a state-supported university."

Mr. Flanagan spoke in favor of the amendment.

Representative Gladder spoke again in favor of his amendment, and Representatives Brouillet and Charnley spoke against it.

## ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Gladder to Substitute House Bill No. 740, and the amendment was lost by the following vote: Yeas, 32; nays, 62; absent or not voting, 5.

Voting yea: Representatives Amen, Barden, Benitz, Bozarth, Brown, Conway, Costanti, Curtis, Eikenberry, Flanagan, Gilleland, Gladder, Harris, Hatfield, Hubbard, Jastad, Jones, Juelling, Kopet, Kuehne, Mentor, Morrison, Newhouse, North, Pardini, Polk, Schumaker, Shera, Smith, Spanton, Wanamaker, Wolf—32.

Voting nay: Representatives Adams, Anderson, Backstrom, Bagnariol, Bauer, Beck, Bledsoe, Bluechel, Bottiger, Bradley, Brouillet, Ceccarelli, Charette, Chamley, Chatalas, Conner, Copeland, Cunningham, Douthwaite, Farr, Gallagher, Goldsworthy, Grant, Hansey, Haussler, Hoggins, Johnson, Kilbury, King, Kirk, Kiskaddon, Knowles, Kraabel, Litchman, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Merrill, Moon, O'Brien, Paris, Perry, Rabel, Randall, Rosellini, Ross, Savage, Sawyer, Shinpoch, Thompson, Van Dyk, Williams, Wojahn, Zimmerman, Mr. Speaker—62.

Absent or not voting: Representatives Berentson, Blair, Hurley, Julin, Smythe—5.

Mr. Hoggins moved adoption of the following amendment by Representatives Hoggins and Bagnariol:

On page 10, section 12, line 26 after "certificate" insert "*In addition to the authority above, a community college district may contract with school districts to provide such courses of study. School districts are also authorized to claim such students for attendance purposes.*"

Mr. Hoggins spoke in favor of the amendment.

## POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Newhouse.

Mr. Newhouse: "I just saw this amendment, Mr. Hoggins, and I am concerned that maybe the state is going to be charged twice for the attendance. The school district may claim attendance according to your amendment, and also we will have a contract with the community college. So would they be considered community college students too, and also be receiving remuneration from the state through that source?"

Mr. Hoggins: "Mr. Newhouse, the answer to your question is 'no.' They are not eligible for claiming as community college students at the present time. This is the problem that occurred. If they were eligible to be claimed as community college students, they could go on and provide this program. But these students are not eligible to be funded through the community college funding program, so there will be no double payment to the community colleges."

Mr. Newhouse: "They will not then be considered community college students?"

Mr. Hoggins: "No."

Mr. Newhouse: "Why the contrast?"

Mr. Hoggins: "Because you need the authority for a community college to contract with the school district to provide this service."

Mr. Bagnariol spoke in favor of adoption of the amendment.

## POINT OF INQUIRY

Mr. Hoggins yielded to question by Mrs. Wojahn.

Mrs. Wojahn: "Representative Hoggins, could any community college in the state of Washington enter into this contractual arrangement?"

Mr. Hoggins: "That is the purpose of this amendment."

Mrs. Wojahn: "One more point, do you have any indication of the fiscal impact of this?"

Mr. Hoggins: "It would depend on the number of students."

Mrs. Wojahn: "Is there any estimated number?"

Mr. Hoggins: "I wouldn't attempt to estimate the number that would be available. But I would add that you would have the same kind of impact if these students were enrolled on a high school campus."

The amendment by Representatives Hoggins and Bagnariol was adopted.

Mr. Hatfield moved adoption of the following amendment:

Beginning on page 10, line 16 strike sections 12, 13, 14

Remember the remaining sections consecutively

Mr. Hatfield spoke in favor of the amendment and Mr. Kiskaddon spoke against it.

### POINT OF INQUIRY

Mr. Kiskaddon yielded to question by Mrs. Hurley.

Mrs. Hurley: "If students who are a little older want to go back to school, don't we have a continuation of high school program that is already operating so that we don't have to send these children who haven't even completed high school to college before they are ready for college, and then give them a high school degree out of a community college atmosphere? In Spokane we have a continuation high school program that is geared to these adult people. I don't know if it operates in the daytime, but I know it operates at night."

Mr. Kiskaddon: "I'm not familiar with the Spokane situation. My understanding was that when we shifted to the community college system in 1967, most of the programs that at that time were part of the K-12 system were shifted into the community college set-up. For example, the Seattle Community College which had been the focal point of this type of continuing education for the district was then shifted to the community college where they didn't have to then pay the tuition. So to my knowledge, most of the districts in the state do not have that active type of program divorced from the community college system now."

Mr. Brouillet spoke against adoption of the amendment.

Mr. Braden demanded an electric roll call and the demand was not sustained.

The amendment by Mr. Hatfield was not adopted.

Mr. McDermott moved adoption of the following amendment:

On page 17, following section 21, insert a new section as follows:

**NEW SECTION.** Sec. 22. Veterans of the Vietnam conflict attending institutions of higher learning except community colleges shall be exempted from the payment of any increase in tuition and fees as are imposed by this 1971 amendatory act and shall not be required to pay more than the total amount of tuition and fees in effect on March 29, 1971: PROVIDED FURTHER, That for the purposes of this exemption, 'veterans of the Vietnam conflict' shall be those persons who have been on active federal service as a member of the armed military or naval forces of the United States between a period commencing August 5, 1964, and ending on such date as shall thereafter be determined by duly adopted concurrent resolution of the legislature of this state or by presidential proclamation or concurrent resolution of the Congress terminating the conflict involving United States forces battling in South Vietnam, and who for a period of one year immediately prior to the date of his entry into such service, was a bona fide citizen or resident of the state of Washington."

Remember the remaining sections consecutively

Mr. Goldsworthy moved adoption of the following amendment to the amendment:

Amend the amendment by Mr. McDermott as follows:

In line 1 of the amendment after "conflict" and before "attending" insert "who have served in the South East Asia Theater of Operations"

Representatives Goldsworthy and McDermott spoke in favor of the amendment to the amendment.

The amendment by Mr. Goldsworthy to the amendment by Mr. McDermott was adopted.

Mr. Pardini moved adoption of the following amendment to the amendment by Mr. McDermott:

Amend the amendment by Mr. McDermott as follows:

On line 2 of the amendment after "higher learning" and before "shall be exempted" strike "except community colleges"

Representatives Pardini and Marzano spoke in favor of the amendment to the amendment, and Representative McDermott spoke against it.

The amendment by Mr. Pardini to the amendment by Mr. McDermott was adopted.

The Speaker stated the question before the House to be the amended amendment by Mr. McDermott.

Representatives McDermott, Kilbury and Marzano spoke in favor of the amended amendment, and Representative Shera spoke against it.

Mr. Grant demanded an electric roll call, and the demand was sustained.

### ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. McDermott as amended by Representatives Goldsworthy and Pardini, Substitute House Bill No. 740, and the amendment was adopted by the following vote: Yeas, 86; nays, 10; absent or not voting, 3.

Voting yea: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Bauer, Beck, Benitz, Berentson, Blair, Bledsoe, Bottiger, Bozarth, Bradley, Brouillet, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conner, Conway, Copeland, Costanti, Cunningham, Douthwaite, Eikenberry, Farr, Flanagan, Gallagher, Gladder, Goldsworthy, Grant, Hansey, Harris, Haussler, Hoggins, Hubbard, Hurley, Jastad, Johnson, Jueling, Kilbury, King, Kirk, Kiskaddon, Knowles, Kraabel, Kuehnle, Litchman, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Mentor, Merrill, Moon, North, O'Brien, Pardini, Paris, Perry, Polk, Randall, Rosellini, Savage, Sawyer, Schumaker, Shinpoch, Smith, Spanton, Thompson, Van Dyk, Wanamaker, Williams, Wojahn, Wolf, Zimmerman, Mr. Speaker—86.

Voting nay: Representatives Bluechel, Curtis, Gilleland, Hatfield, Jones, Kopet, Morrison, Newhouse, Rabel, Shera—10.

Absent or not voting: Representatives Julin, Ross, Smythe—3.

### PARLIAMENTARY INQUIRY

Mr. Bledsoe: "Are there further amendments on the desk?"

The Speaker: "There would not appear to be any further amendments to the bill."

Mr. Bledsoe: "Mr. Speaker, would you put the House at ease for a brief period for separate caucuses so we could discuss this measure?"

The Speaker declared the House to be at ease.

The Speaker called the House to order.

### MOTION

On motion of Mr. Bledsoe, the House reverted to the third order of business.

Mr. Wolf moved that the rules be suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 740 be placed on final passage.  
The motion was lost.

MOTIONS

On motion of Mr. Bledsoe, Senate Bill No. 925 was placed at the top of the second reading calendar.

Mr. Grant moved that House Bill No. 655 be placed on the calendar immediately following Senate Bill No. 925.

Mr. Grant spoke in favor of the motion.

POINT OF INQUIRY

Mr. Grant yielded to question by Mr. Wolf.

Mr. Wolf: "Do I take it from your remarks that the motion I have been losing for the last week might pass?"

Mr. Grant: "On Senate Bill No. 925, it might."

Mr. Wolf: "On House Bill No. 655?"

Mr. Grant: "You never know, Mr. Wolf."

Mr. Bledsoe spoke in favor of the motion by Mr. Grant.

The motion by Mr. Grant was carried.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

SECOND READING

SENATE BILL NO. 925, by Senators Durkan, Atwood and Peterson (Ted):

Removing "payment under protest" requirement as to actions to recover excess taxes paid in 1971.

The bill was read the second time.

Mr. Flanagan moved adoption of the following amendment:

On page 1, after line 12 insert the following:

"NEW SECTION. Sec. 2. Any portion of the first half real property taxes otherwise due and payable on or before April 30, 1971, which, as allowed by and in accordance with the terms of a supreme court temporary injunction or restraining order, is paid after April 30, 1971 but before October 31, 1971, shall be deemed to have been paid prior to April 30, 1971, for purposes of the delinquency interest or penalty provisions of RCW 84.56.020."

Renumber the remaining sections consecutively.

Mr. Flanagan spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Backstrom.

Mr. Backstrom: "Representative Flanagan, my question is does this relate to all taxpayers throughout the state, or does it just specify the people who are under the mandate of the court action?"

Mr. Flanagan: "It would relate to any injunction or restraining order that is now in front of the court."

Mr. Charette spoke in favor of the amendment.

The amendment by Mr. Flanagan to Senate Bill No. 925 was adopted.

PARLIAMENTARY INQUIRY

Mr. Wolf: "Mr. Speaker, the amendment I have on the desk is one that would make the act terminate on June 30, 1972. Could it be considered last, please?"

The Speaker: "Your amendment is in the same place in the bill as another amendment, but yours was on the desk first. With the consent of the House we could rearrange the order."

With the consent of the House, Mr. Wolf's amendment will be considered following the amendment by Representative Eikenberry."

Mr. Eikenberry moved adoption of the following amendment by Representatives Eikenberry, Wolf, Pardini, Bottiger and Sawyer:

On page 1, add a new section following section 2 as follows:

"Sec. 3. Section 10, chapter 146, Laws of 1967 ex. sess. and RCW 84.40.065 are each amended to read as follows:

On or before June 15 of each year the assessor shall give notice of any change in the true and fair value of real property for the tract or lot of land and any improvements thereon.

The notice shall contain a statement of the true and fair value on which the assessment of the property is based, and a brief statement of the procedure for appeal to the board of equalization and the time, date, and place of the meetings of the board. *The notice shall also contain the following statement:*

**"FOR INFORMATION PURPOSES ONLY. THIS IS NOT A BILL.**

*If the millage levy remains the same, next year's taxes on this property at the new assessed valuation will be approximately \$ . . . . .*

The notice shall be mailed by the assessor to the taxpayer and a copy thereof shall be sent by the assessor to the legal owner of the property, if such is different from the taxpayer and the name and address are known to the assessor.

A legal owner may submit his or its name and address to the assessor, indicating therewith the property owned by the legal owner and requesting that a copy of the notice be mailed to the legal owner."

Renumber the remaining section consecutively.

Mr. Eikenberry spoke in favor of the amendment, and Mr. Charette spoke against it.

#### POINT OF INQUIRY

Mr. Eikenberry yielded to question by Mr. Julin.

Mr. Julin: "Representative Eikenberry, you are referring in this amendment to a section of the code dealing with the giving of notice to the property owner. Is the proposed notice provided for in this amendment one that will go on the tax bill (the actual statement of taxes) or is it on a notice given only in those years when the true and fair value of the property is changed?"

Mr. Eikenberry: "Representative Julin, you bring up an important distinction. This notice would not go on the tax statement or the tax bill. Rather, in past legislation, this legislature has deemed it appropriate to give the taxpayer notice that his property is being revalued and give him some basis for taking this notice to the board of equalization. So this warning or statement will go on the notice of reevaluation. It does not go on the tax bill or the tax statement. It goes on the notice of reevaluation and gives the taxpayers some information as to what the levels are."

Representatives Kiskaddon, King and Flanagan spoke against adoption of the amendment, and Representative Pardini spoke in favor of it.

Mr. Hoggins spoke again in favor of adoption of the amendment.

Mr. Chatalas demanded the previous question, and the demand was sustained.

The amendment by Representatives Eikenberry, Wolf, Pardini, Bottiger and Sawyer was lost on a rising vote.

Mr. Wolf moved adoption of the following amendment:

On page 1 following section 2, add a new section as follows:

"NEW SECTION. Sec. 3. The provisions of this act shall have no force or effect after June 30, 1972."

Renumber the remaining sections consecutively.

Representative Wolf spoke in favor of the amendment, and Representatives Curtis and Flanagan spoke against it.

Mr. Wolf closed debate, speaking in favor of the amendment.

The amendment by Mr. Wolf to Senate Bill No. 925 was adopted on a rising vote.

#### PARLIAMENTARY INQUIRY

Mr. Pardini: "Would it be possible at this point in time, before we move any further, to see if someone could possibly reconsider the previous amendment inasmuch as this bill is now going to go to conference anyway with the amendment on it? The argument that was made before was that we had to get it out without amendments so it would be back to the

Senate by April 30th. Many members have expressed a willingness to adopt the previous amendment.”

The Speaker: “We adopted two amendments, the first one by Representative Flanagan and the second one by Representative Wolf.”

MOTION FOR RECONSIDERATION

Mr. Julin, having voted on the prevailing side, moved that the House do now reconsider the vote by which the amendment by Representative Eikenberry and others to Senate Bill No. 925 failed.

Representatives Julin and Eikenberry spoke in favor of the motion, and Representative Charette spoke against it.

Mr. Pardini demanded an electric roll call and the demand was sustained.

ROLL CALL

The Clerk called the roll on the motion by Mr. Julin to reconsider the vote by which the amendment by Representatives Eikenberry and others to Senate Bill No. 925 failed, and the motion was carried by the following vote: Yeas, 57; nays, 37; absent or not voting, 5.

Voting yea: Representatives Adams, Backstrom, Barden, Benitz, Blair, Bottiger, Bozarth, Bradley, Charnley, Chatalas, Conway, Copeland, Costanti, Cunningham, Curtis, Eikenberry, Gallagher, Gilleland, Gladder, Hatfield, Haussler, Hoggins, Hubbard, Hurley, Jastad, Jones, Julin, Kirk, Kraabel, Kuehnle, Litchman, Luders, Marsh, Marzano, May, McCormick, Mentor, Moon, Morrison, O'Brien, Pardini, Perry, Polk, Rabel, Randall, Ross, Sawyer, Schumaker, Shera, Smith, Smythe, Spanton, Wanamaker, Williams, Wojahn, Wolf, Mr. Speaker—57.

Voting nay: Representatives Amen, Anderson, Bagnariol, Bauer, Beck, Berentson, Bledsoe, Bluechel, Brouillet, Ceccarelli, Charette, Conner, Douthwaite, Farr, Flanagan, Grant, Hansey, Harris, Johnson, Juelling, Kilbury, King, Kiskaddon, Knowles, Lynch, Lysen, Martinis, Maxie, McDermott, Merrill, Newhouse, North, Rosellini, Shipoch, Thompson, Van Dyk, Zimmerman—37.

Absent or not voting: Representatives Brown, Goldsworthy, Kopet, Paris, Savage—5.

RECONSIDERATION

The Speaker stated the question before the House to be the amendment by Representatives Eikenberry, Wolf, Pardini, Bottiger and Sawyer, adding a new section 3.

POINT OF INQUIRY

Mr. Eikenberry yielded to question by Mr. Douthwaite.

Mr. Douthwaite: “Would you tell me again please, what would happen in the event there is to be a school levy passed and the assessor doesn't know the amount of the school levy to be passed? How is he supposed to inform the property owner of what the total tax will be?”

Mr. Eikenberry: “Representative Douthwaite, the amendment reads: ‘If the millage levy remains the same, next year's taxes on this property at the new assessed valuation will be approximately \$ . . . . .’ This is telling the taxpayers that if things remain at status quo, at this new assessed valuation, your tax bill next year will be so much. I think this provides an excellent, understandable basis for proceeding.”

Representatives Douthwaite and Newhouse spoke against the amendment.

POINT OF INQUIRY

Mr. Eikenberry yielded to question by Mr. Backstrom.

Mr. Backstrom: “My question is, what cost would be imposed upon or be relayed into the assessor's office in processing this? Has there been any consideration given to this?”

Mr. Eikenberry: “Yes, Representative Backstrom. The cost would have to be nominal because the assessor is already required by law to prepare this evaluation notice. I would like to yield to Representative Pardini to comment and answer in full.”

Mr. Pardini: "Mr. Backstrom, I have worked with county treasurers on this particular problem. The only additional cost that I see, would be that the assessor then takes that valuation, puts it in the calculator, applies the millage to it. Whatever the calculator says, he copies down and he writes it on that same postcard which is going out anyway."

#### POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Smythe.

Mr. Smythe: "In view of your amendment hanging on this bill, what does that do to this meritorious amendment by Representative Eikenberry after 1972?"

Mr. Wolf: "Representative Smythe, I would have withdrawn my amendment as a sponsor of the Eikenberry amendment, because this amendment is very important to me and probably is more important than sections 1 and 2. With the amendment on, the effect would be that after June, 1972, this provision for printing the postcards would also expire."

Representatives Smythe, Kiskaddon, Bledsoe and Litchman spoke against the amendment by Representative Eikenberry and others, and Representatives Julin and Ross spoke in favor of it.

The amendment by Representative Eikenberry and others was lost on a rising vote.

On motion of Mr. Bledsoe, the following amendment by Representative Flanagan to the title was adopted:

In lines 2 and 3 of the title after "creating" in line 2 strike "a new section" and insert "new sections"

On motion of Mr. Bledsoe, the rules were suspended, the second reading considered the third, and Senate Bill No. 925 as amended by the House was placed on final passage.

Representatives Flanagan and Chatalas spoke in favor of passage of the bill.

#### ROLL CALL

The Clerk called the roll on the final passage of Senate Bill No. 925 as amended by the House, and the bill passed the House by the following vote: Yeas, 95; nays, 1; absent or not voting, 3.

Voting yea: Representatives Adams, Amen, Anderson, Backstrom, Bagnariol, Barden, Bauer, Beck, Benitz, Berentson, Blair, Bledsoe, Bluechel, Bottiger, Bozarth, Bradley, Brouillet, Ceccarelli, Charette, Charnley, Chatalas, Conner, Conway, Copeland, Costanti, Cunningham, Curtis, Douthwaite, Eikenberry, Farr, Flanagan, Gallagher, Gilleland, Gladder, Goldsworthy, Grant, Hansey, Harris, Hatfield, Haussler, Hoggins, Hubbard, Hurley, Jastad, Johnson, Jones, Jueling, Kilbury, King, Kirk, Kiskaddon, Knowles, Kopet, Kraabel, Kuehnle, Litchman, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Mentor, Merrill, Moon, Morrison, Newhouse, North, O'Brien, Pardini, Perry, Polk, Rabel, Randall, Rosellini, Ross, Sawyer, Schumaker, Shera, Shipoch, Smith, Smythe, Spanton, Thompson, Van Dyk, Wanamaker, Williams, Wojahn, Wolf, Zimmerman, Mr. Speaker—95.

Voting nay: Representative Julin—1.

Absent or not voting: Representatives Brown, Paris, Savage—3.

Senate Bill No. 925 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

### REPORTS OF STANDING COMMITTEES

April 29, 1971.

HOUSE BILL NO. 747, reapportioning and redistricting the legislature, reported by Committee on Elections and Apportionment.

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The purpose of this 1971 act is to redistrict the legislative districts of the state of Washington in accordance with the requirements of the United States Constitution as these requirements have been enunciated by the United States supreme court, so as to encompass within each district, as nearly as practicable, an equal number of state residents, exclusive of transient persons. As a matter of state policy, the legislature hereby declares that state residential population is regarded as the proper apportionment base for the alignment of legislative district boundaries to the extent that it is practically possible to determine such population base. In accordance with this policy, the populations of the legislative districts established by and described in this 1971 act have been determined by the legislature on the following basis:

(1) For those geographic areas encompassing federal military establishments, and also constituting separate special enumeration census districts within the purview of the 1970 decennial federal census, population has been established by ascertaining the total number of the registered voters residing therein and then multiplying these totals by a multiple (2.2) reflecting the relationship between registered voters and the total number of state residents throughout the state;

(2) In the case of all other geographic areas, population has been ascertained on the basis of the total number of persons having been found to be residing within such areas as of April 1, 1970 in accordance with the aforesaid 1970 federal decennial census, for the specific reason that no practical means have been found to be available, in the absence of more inclusive federal census data, to establish the residential population of these areas in any other manner. No special census enumeration districts exist for such other areas of the state as may be occupied by significant numbers of transients.

*NEW SECTION.* Sec. 2. As a matter of state policy, the legislature hereby declares that legislative district division shall be determined by the legislature under the following restrictions:

(1) The Cascade Mountains shall be recognized as a natural barrier, and no district shall cross said barrier, except in the case of Skamania county. Although Skamania county crosses the Cascades, its population is mainly oriented towards the Columbia River and the western portion of the state. Skamania county is thus considered to be a western county.

(2) Those legislative districts containing portions of more than one county shall be divided into single member representative districts. All other districts shall be two-member representative districts, except that district 14 shall have three elected house members.

The three member district is maintained as part of the Washington legislative tradition of an uneven number in each house to guarantee that one party will have a majority. This has proven to be in the best interest of the people of the state of Washington. The ratio of population between this single over-populated district and that of a 'normal' district computes out to 246:197. This provides proportional representation, correlating the representative value of one senator to that of 2-1/49 representatives (since this 1971 act provides for 49 senators and 99 representatives).

(3) Census areas will not be split into sections for which population cannot be verified.

*NEW SECTION.* Sec. 3. On the basis of the criteria set forth in this 1971 act, the population of each of the legislative districts established by this 1971 act is as follows:

(1) Any area not specifically included within the boundaries of any of the districts as described in this 1971 act and which is completely surrounded by a particular district, shall be a part of that district. Any such area not completely surrounded by a particular district shall be a part of the district having the smallest number of inhabitants and having territory contiguous to such area.

(2) Any area described in this 1971 act as specifically embraced in two or more noninclusive districts shall be a part of the adjoining district having the smallest number of inhabitants and shall not be a part of the other district or districts.

(3) Any area specifically mentioned as embraced within a district but separated from such district by one or more other districts, shall be assigned as though it had not been included in any district specifically described.

SENATE BILL NO. 185, allowing sale of property by governmental units, reported by Committee on State Government.

MAJORITY recommendation: Do pass with the following amendments:

On page 1, line 7 insert the following new sections:

"NEW SECTION. Section 1. There is added to chapter 87, Laws of 1970 ex. sess. and to Title 84 RCW a new section to read as follows:

The legislature finds that the haphazard growth and spread of urban development is encroaching upon, or eliminating, numerous open areas and spaces of varied size and character, including many devoted to agriculture, the cultivation of timber, and other productive activities, and many others having significant recreational, social, scenic, or esthetic values. Such areas and spaces, if preserved and maintained in their present open state, would constitute important assets to existing and impending urban and metropolitan development, at the same time that they would continue to contribute to the welfare and well-being of the citizens of the state as a whole. The acquisition of interests or rights in real property for the preservation of such open spaces and areas constitutes a public purpose for which public funds may properly be expended or advanced.

NEW SECTION. Sec. 2. There is added to chapter 87, Laws of 1970 ex. sess. and to Title 84 RCW a new section to read as follows:

Any county, city or town, or metropolitan municipal corporation may acquire by purchase, gift, grant, bequest, devise, lease, or otherwise, except by eminent domain, the fee or any lesser interest, development right, easement, covenant, or other contractual right necessary to protect, preserve, maintain, improve, restore, limit the future use of, or otherwise conserve, selected open space land, farm and agricultural land, and timber land as such are defined in chapter 84.34 RCW for public use or enjoyment. Among interests that may be so acquired are mineral rights. Any county, city or town, or metropolitan municipal corporation may acquire the fee to such property for the purpose of conveying or leasing the property back to its original owner or other person under such covenants or other

contractual arrangements as will limit the future use of the property in accordance with the purposes of this 1971 amendatory act.

**NEW SECTION.** Sec. 3. There is added to chapter 87, Laws of 1970 ex. sess. and to Title 84 RCW a new section to read as follows:

In accordance with the authority granted in section 2 of this 1971 amendatory act, a county, city or town, or metropolitan municipal corporation may specifically purchase or otherwise acquire, except by eminent domain, rights in perpetuity to future development of any open space land, farm and agricultural land, and timber land which are so designated under the provisions of chapter 84.34 RCW and taxed at current use assessment as provided by that chapter. For the purposes of this 1971 amendatory act, such developmental rights shall be termed 'conservation futures.' The private owner may retain the right to continue any existing open space use of the land, and to develop any other open space use, but, under the terms of purchase of conservation futures, the county, city or town, or metropolitan municipal corporation may forbid or restrict building thereon, or may require that improvements cannot be made without county, city or town, or metropolitan municipal corporation permission. The land may be alienated or sold and used as formerly by the new owner, subject to the terms of the agreement made by the county, city or town, or metropolitan municipal corporation with the original owner.

**NEW SECTION.** Sec. 4. There is added to chapter 87, Laws of 1970 ex. sess. and to Title 84 RCW a new section to read as follows:

For the purpose of acquiring conservation futures as well as other rights and interests in real property pursuant to sections 2 and 3 of this 1971 amendatory act, a county may levy an amount not to exceed one eighth of one mill on the assessed valuation of all taxable property within the county, which levy shall be in addition to that authorized by RCW 84.52.050.

**NEW SECTION.** Sec. 5. There is added to chapter 87, Laws of 1970 ex. sess. and to Title 84 RCW a new section to read as follows:

Any board of county commissioners may establish by resolution a special fund which may be termed a conservation futures fund to which it may credit all taxes levied pursuant to section 4 of this 1971 amendatory act. Amounts placed in this fund may be used solely for the purpose of acquiring rights and interests in real property pursuant to the terms of sections 2 and 3 of this 1971 amendatory act. Nothing in this section shall be construed as limiting in any manner methods and funds otherwise available to a county for financing the acquisition of such rights and interests in real property.

Sec. 6. Section 84.52.010, chapter 15, Laws of 1961 as amended by section 4, chapter 92, Laws of 1970 ex. sess. and RCW 84.52.010 are each amended to read as follows:

All taxes shall be levied or voted in specific amounts, and the rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively: **PROVIDED,** That when any such county assessor shall find that the aggregate rate of levy on any property will exceed the limitation set forth in RCW 84.52.050 as now or hereafter amended, he shall recompute and establish a consolidated levy in the following manner:

(1) He shall include for extension on the tax rolls the full rates of levy certified to him for state, county, county road districts, city and school district purposes in amounts not exceeding the limitations established by law: **PROVIDED,** That in the event of a levy made pursuant to section 5 of this 1971 amendatory act, the rates of levy for county, county road district, and school district purposes shall be reduced in such uniform percentages as will result in a consolidated levy by such taxing districts which will be no greater on any property than a consolidated levy by such taxing districts would be if the levy had not been made pursuant to section 5 of this 1971 amendatory act, and

(2) He shall include for extension on the tax rolls the rates percent of the tax levies certified to him by all other taxing districts imposing taxes on such property, other than port districts and public utility districts, reduced by him in such uniform percentages as will bring the consolidated tax levy on such property within the provisions of such limitation."

HOUSE RESOLUTION NO. 71-63, by Representatives Polk, May, Kopet, Paris, Eikenberry, Morrison, King, Randall, Jastad, Grant, Lysen and Wolf:

WHEREAS, Business taxes in Washington State as well as in other states traditionally represent an important and significant source of revenue to the state and local governments; and

WHEREAS, The business and occupations tax and the ad valorem tax on business inventories constitute the two major business taxes in the existing tax structure within the State of Washington; and

WHEREAS, These two taxes are avowedly regressive on the business community, and a detriment to the growth of a balanced industrial and commercial business sector within the State of Washington; and

WHEREAS, An alternative structure of business taxes should be found which is equitable, yet able to ensure an equally adequate flow of revenue;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Council be directed to study and prepare a report on the possible use of the value-added tax to replace the aforementioned taxes; and

BE IT FURTHER RESOLVED, That such study shall include, but not be limited to, a study of the differential effects of a single rate value-added tax on the separate components of the business community, the desirability of a multirate value-added tax, and an analysis of the effects of business income exemptions consistent with implementation of a value-added tax; and

BE IT FURTHER RESOLVED, That the Legislative Council shall present its findings, conclusions, and recommendations to the next Regular Session of the Legislature for its consideration.

On motion of Mr. Polk, the resolution was adopted.

HOUSE RESOLUTION NO. 71-64, by Representative Swayze:

WHEREAS, The House of Representatives adopted, on March 23, 1971, House Resolution 71-32, which set procedural guidelines for the orderly introduction and consideration of its own bills, as well as the bills of the other House, in an effort to bring this First Extraordinary Session of the Forty-Second Legislature to an orderly and rapid conclusion, in the interest of the people of this state; and

WHEREAS, The other House of the Legislature has consistently failed and refused to adopt similar procedural guidelines, other than a deadline for introduction of bills; and

WHEREAS, It has now become obvious that, by reason of the failure of the other House to cease consideration of its own bills, even after one hundred and nine days of legislative action, that it will be virtually impossible to end this extraordinary session prior to its sixty-day constitutional limit; and

WHEREAS, The other House has failed to suggest or concur in reasonable deadlines for consideration of measures geared even to a sixty-day session and it would now appear unwise to subject the House of Representatives to restrictions which are not imposed upon the entire legislative process;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, that House Resolution 71-32 be, and the same is hereby rescinded.

On motion of Mr. Bledsoe, the resolution was adopted.

HOUSE RESOLUTION NO. 71-65, by Representatives Kirk, Marzano, Anderson, Bauer and Curtis:

WHEREAS, The Disabled American Veterans is a federally chartered veteran's organization established for the purpose of providing for the welfare of the service-connected disabled veteran and his dependents; and

WHEREAS, During the year 1971, Disabled American Veterans is celebrating its Fiftieth Anniversary; and

WHEREAS, This Organization for fifty years has devoted itself to providing service to disabled veterans and their dependents; and

WHEREAS, Disabled American Veterans has also been a leader in sponsoring legislation for the benefit and welfare of our Nation's wartime disabled and their loved ones; and

WHEREAS, It is fitting and proper that all federal, state and local governments give recognition to this outstanding service and take due cognizance of the Fiftieth Year of assisting our Nation's war disabled by this patriotic and humanitarian organization;

HOUSE RESOLUTION NO. 71-66, by Representatives Cunningham, Thompson, Smythe, Zimmerman and Bauer:

WHEREAS, The Legislature has in recent sessions enacted a substantial number of bills containing programs designed to protect and conserve the natural resources of our State and enhance the quality of the environment; and

WHEREAS, The Legislature recognizes that in the implementation of these programs the conduct of certain activities would have to be modified and in some cases eliminated, and that in such transition period of adjustment the administrators of these programs must exercise a great amount of common sense and rely on equitable considerations to insure, so far as reasonably possible, that no undue hardships result; and

WHEREAS, Regional and local air pollution control authorities have been granted substantial powers under one of the aforesaid bills to control the degradation of the quality of the air; and

WHEREAS, It is the feeling of the House of Representatives that various of these authorities have implemented their programs in manners which are not uniform, and that further, these authorities have not always established their priorities in a satisfactory manner by taking aggressive action against those who introduce only minor amounts of pollutants into the air, such as those who engage in "backyard burning" and land clearing, while the same authorities have taken less aggressive positions against those who substantially degrade the quality of the air, such as those engaged in certain industrial and municipal activities; and

WHEREAS, These same programs are premature in that severe economic hardships are imposed upon land clearers and extreme inconvenience and frustrations upon individual residents, while reasonable and practical alternatives to traditional practices are not being provided by government, including the air pollution authorities;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the local and regional air authorities:

(1) Reexamine the priorities of their enforcement programs to insure that primary emphasis is placed on the serious problems in their regions;

(2) Alter, redraft and/or hold in abeyance for a later priority date, such regulations relating to backyard and land clearing burning; and

(3) In the course of such reexamination obtain the views and recommendations of the Department of Ecology as to priorities in such enforcement programs; and

BE IT FURTHER RESOLVED, That the Chief Clerk of the House of Representatives is directed to transmit a copy of this Resolution to each regional and local air pollution control authority, including each board member of said authority, and to the director of the Department of Ecology.

Mr. Kraabel: "In direct answer to your question, yes. In fact, a good part of the reason

why it is drawn the way it is drawn is that if you do construct a highway and you start out without federal funds, and funds become available at a later date for extension of a highway or further work on that highway, they are available on the condition that you have met these federal regulations in the first place. This would insure that you do take those precautionary measures and not close the door on any possible future federal funds."

#### POINT OF INQUIRY

Mr. Polk: "I wonder if Mrs. Hurley would yield to a question."

Mrs. Hurley: "Not if it's a funny one."

Mr. Polk: "No ma'am. I am trying to find out what a school day does mean under the terms of this act. My concern is this: Suppose children go to school in the morning. It is snowing lightly. It starts to snow heavier and they turn around and go home again, say, at 9:00 or 9:30. Under the terms of this act, is that to be considered a day of school, or is that a snow day that has to be then made up later in the year?"

Mrs. Hurley: "I think this would be left to the determination of the superintendent. In previous years, when the children went home from school because of snow, we called it a snow day, and we had to make it up. There was one year we had too many snow days—some 15 or 20 in Spokane—that real, real bad year. I think they excused five days that we really didn't have to make up. We had to make all the rest of them up. I think that actually snow wouldn't be an excuse for the superintendent to send them home. It would have to be something that he would consider instructional. For instance, learning about the ecology of the great outdoors. Or maybe appreciation of birds, or enjoying the sunlight and maybe doing a little phonics on the side, or something like this. This couldn't in anyway be construed to mean business—it just doesn't have to mean business. And I think schools are business. And I think we ought to conduct them this way."

On motion of Mr. Bledsoe, the House advanced to the ninth order of business.

### SECOND READING

HOUSE BILL NO. 655, by Representatives Farr, Kraabel, Hansey, Gilleland, Barden, Hoggins, North, Kirk, Bluechel, Litchman and Van Dyk (by Executive request):

Providing measures to prevent and control polluting caused by the discharge of oil.

### MOTION

On motion of Mr. Zimmerman, Substitute House Bill No. 655 was substituted for House Bill No. 655, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 655 was read the second time.

Mr. Berentson moved adoption of the following amendment by Representatives Kraabel and Berentson:

On page 3, section 3, line 24 after "act" insert "and such rules and regulations may prescribe the times, places and methods of transfer of oil"

Mr. Berentson spoke in favor of the amendment.

## POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Brown.

Mr. Brown: "Representative Berentson, I am a little concerned about the use of the word 'transfer.' I wonder if you could tell me, was the word 'transfer' in this case intended to apply in any way to the internal transfer of fuel within a tanker from hold to hold, or is this meant to be from ship to shore?"

Mr. Berentson: "The original thought came here from Representative Kraabel who is not with us right now, but in my judgment it was meant to refer to the transfer of oil from a tanker to an oil refinery or from the refinery to the tanker, not within the ship itself."

The amendment by Representatives Kraabel and Berentson was adopted.

On motion of Mr. Cunningham, the following amendment was adopted:

On page 4, section 4, line 13 strike "exemption" and insert "refund"

On motion of Mr. Douthwaite, the following amendment was adopted:

On page 4, line 30, insert:

"(c) The director may allocate a portion of the fund to be devoted to research and attention in the causes, effects, and removal of pollution caused by the discharge of oil."

Mr. Williams moved adoption of the following amendment:

On page 6, section 8, lines 4, 5 and 8 strike "may" and insert "shall"

Mr. Cunningham moved adoption of the following amendment to the amendment by Mr. Williams:

On page 6, section 8, line 4 after "well" strike "shall" and insert "may"

Representatives Cunningham, Zimmerman and Newhouse spoke in favor of the amendment to the amendment, and Representative Williams spoke against it.

The amendment by Mr. Cunningham to the amendment by Mr. Williams was adopted.

The Speaker stated the question before the House to be the amended amendment.

Mr. Williams spoke in favor of the amended amendment.

The amendment by Mr. Williams as amended by Mr. Cunningham was adopted.

Mr. Newhouse moved adoption of the following amendment by Representatives Hansey and Newhouse:

On page 6, section 9, line 9 strike all of section 9 and renumber the remaining sections consecutively

Representatives Newhouse and Thompson spoke in favor of the amendment.

## POINT OF INQUIRY

Mr. Farr yielded to question by Mr. May.

Mr. May: "I have been wondering why the word 'oil' is used throughout the bill rather than petroleum products, because when you have a spill it could be kerosene, gasoline or any other thing, and we keep talking about oil spillage. The recent spillage we had a couple of days ago wasn't oil, it was a by-product, and I wonder if that shouldn't be changed?"

Mr. Farr: "Mr. May, very possibly it should be changed from the original form. I was prime sponsor of this bill, and it was an executive request bill, but it has been considerably changed since I introduced it. My answer specifically would be 'I don't know.' I don't understand many of the changes that have been made in the bill."

Representatives Newhouse and Thompson spoke again in favor of the amendment, and Representatives Cunningham and Zimmerman also spoke in favor of the amendment.

The amendment by Representatives Hansey and Newhouse was adopted.

On motion of Mr. Cunningham, the following amendment was adopted:

public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately.”

Representatives Charnley, Hurley and Zimmerman spoke in favor of the amendment. The amendment was adopted.

On motion of Mr. Hansey, the following amendment to the title by Representatives Hansey and Newhouse was adopted:

On page 1, line 4 of the title after “RCW 78.52.020;” strike everything down to and including “RCW 82.36.280;” on line 6

On motion of Mr. Charnley, the following amendment to the title by Representatives Chamley and Hurley was adopted:

On page 1, line 16 of the title following “82.36.235” insert “; and declaring an emergency”

Substitute House Bill No. 655 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 655 was placed on final passage.

Voting nay: Representatives Bradley, Costanti, Gladder, Hatfield, Kuehnle, Savage, Schumaker, Smith, Zimmerman—9.

Absent or not voting: Representatives Amen, Bledsoe, Brouillet, Copeland, Goldsworthy, Litchman, McDermott, Wojahn—8.

Engrossed Substitute House Bill No. 655, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

#### EXPLANATION OF VOTE

I voted “no” on final passage of Engrossed Substitute House Bill No. 655 so if the measure were to go to conference, I could be a member of the conference committee. As prime sponsor of the 1970 “oil spill bill,” I am a friend of the bill which was passed through our Natural Resources and Ecology Committee. HAROLD S. (HAL) ZIMMERMAN, 17th District.

#### MOTION

Mr. Marzano moved that the Committee on State Government be relieved of HOUSE BILL NO. 31 and that it be placed at the top of today's second reading calendar.

Mr. Anderson demanded an electric roll call, and the demand was sustained.

## POINT OF INQUIRY

Mr. Marzano yielded to question by Mr. Shinpoch.

Mr. Shinpoch: "Representative Marzano, I understand that sometime back there was a tax placed on cigarettes to pay for the veterans' bonus. Could you tell me if any of these moneys have been diverted for something other than the veterans' bonus?"

Mr. Marzano: "Yes, Mr. Shinpoch. The original bonus bill which was approved by the people was imposed in 1949. By 1970, \$24 million had gone into the general budget."

Mr. Wolf demanded a Call of the House, and the demand was sustained.

## CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Amen, Brouillet, Goldsworthy, Kopet, Litchman, McDermott and Wojahn.

On motion of Mr. Bledsoe, the absent members were excused and the House proceeded with business under the Call of the House.

On motion of Mr. Bledsoe, Mr. Bozarth was excused from further proceedings under the Call of the House.

## ROLL CALL

The Clerk called the roll on the motion by Mr. Marzano to relieve the Committee on State Government of House Bill No. 31 and place the bill at the top of today's second reading calendar, and the motion was lost by the following vote: Yeas, 42; nays, 49; excused, 8.

Voting yea: Representatives Adams, Anderson, Backstrom, Bagnariol, Bauer, Beck, Bottiger, Bradley, Ceccarelli, Charette, Charnley, Chatalas, Conner, Douthwaite, Gallagher, Grant, Haussler, Hurley, Jastad, Johnson, Kilbury, King, Knowles, Luders, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, Merrill, Moon, O'Brien, Perry, Rosellini, Savage, Sawyer, Shinpoch, Thompson, Van Dyk, Williams—42.

Voting nay: Representatives Barden, Benitz, Berentson, Blair, Bledsoe, Bluechel, Brown, Conway, Copeland, Costanti, Cunningham, Curtis, Eikenberry, Farr, Flanagan, Gilleland, Gladder, Hansey, Harris, Hatfield, Hoggins, Hubbard, Jones, Jueling, Julin, Kirk, Kiskaddon, Kraabel, Kuehnle, Lynch, Mentor, Morrison, Newhouse, North, Pardini, Paris, Polk, Rabel, Randall, Ross, Schumaker, Shera, Smith, Smythe, Spanton, Wanamaker, Wolf, Zimmerman, Mr. Speaker—49.

Excused: Representatives Amen, Bozarth, Brouillet, Goldsworthy, Kopet, Litchman, McDermott, Wojahn—8.

## EXPLANATION OF VOTE

I voted "no" on forcing House Bill No. 31 out of committee. I did so because there are a number of veterans' benefit matters before the Legislature, and forcing House Bill No. 31 out of committee might very well be a detriment and not a benefit to the veterans in the long run.

I have been a prime sponsor of veterans' benefit bills, one of which passed the House in 1970, but was vetoed. I would vote for House Bill No. 31 if it were properly brought before the Legislature. VAUGHN HUBBARD, District 11-A.

## MOTION

On motion of Mr. Wolf, the House deferred consideration of House Bill No. 1116, and the bill was ordered placed at the top of Monday's second reading calendar.

(1) The motor vehicle, mobile home, or travel trailer for which the license fee and excise tax were paid was totally destroyed and said person provides evidence of such destruction to the satisfaction of the director of the department of motor vehicles; and

(2) An application for the refund was made by said person within thirty days after the destruction of such motor vehicle, mobile home or travel trailer."

Representative Wolf spoke in favor of the amendment, and Representatives Cunningham, Berentson and Bauer spoke against it.

*NEW SECTION. Sec. 3.* The department of natural resources shall register those school lands; as defined in RCW 79.01.004, which are leased to cities or towns as open space land with the county assessor of the county wherein such land is located and such land shall be approved as such and deemed classified under the provisions of chapter 84.34 RCW.

*NEW SECTION. In each city (as herein defined) and in each county of the state there is hereby created a public body corporate and politic to be known as the 'Housing Authority' of the city or county: *PROVIDED, HOWEVER, That such authority shall not transact any business or exercise its powers hereunder until or unless the governing body of the city or the county, as the case may be, by proper resolution shall declare at any time hereafter that there is need for an authority to function in such city or county. The determination as to whether or not there is such need for an authority to function (1) may be made by the governing body on its own motion or (2) shall be made by the governing body upon the filing of a petition signed by twenty-five residents of the city or county, as the case may be, asserting that there is need for an authority to function in such city or county and requesting that the governing body so declare: PROVIDED, That the governing body of any class A county east of the Cascade mountains and of any city within such county shall only make such determination after referendum thereon to the people of such city or county, as the case may be.*

The governing body shall adopt a resolution declaring that there is need for a housing authority in the city or county, as the case may be, if it shall find (1) that insanitary or unsafe inhabited dwelling accommodations exist in such city or county or (2) that there is a shortage of safe or sanitary dwelling accommodations in such city or county available to persons of low income at rentals they can afford. In determining whether dwelling accommodations are unsafe or insanitary said governing body may take into consideration the degree of overcrowding, the percentage of land coverage, the light, air, space and access available to the inhabitants of such dwelling accommodations, the size and arrangement of the rooms, the sanitary facilities, and the extent to which conditions exist in such buildings which endanger life or property by fire or other causes.

**NEW SECTION.** Sec. 2. There is added to chapter 35.82 RCW a new section to read as follows:

Except as limited by this section, an authority shall have the same powers with respect to supplemental projects as hereinafter in this section defined as are now or hereafter granted to it under this chapter with respect to housing projects.

No funds shall be expended by an authority for a supplemental project except by resolution adopted on notice at a public hearing as provided by chapter 42.32 RCW, supported by formal findings of fact incorporated therein, establishing that:

(1) Low-income housing needs within the area of operation of the authority are being or will be adequately met by existing programs; and

(2) A surplus of funds will exist after meeting such low-income housing needs.

Expenditures for supplemental projects shall be limited to those funds determined to be surplus.

'Supplemental project' for the purposes of this chapter shall mean any work or undertaking to provide buildings, land, equipment, facilities, and other real or personal property for recreational, group home, halfway house or other community purposes which by resolution of the housing authority is determined to be necessary for the welfare of the community within its area of operation and to fully accomplish the purposes of this chapter. Such project need not be in conjunction with the clearing of a slum area under subsection (9)(a) of RCW 35.82.020 or with the providing of low-income housing under subsection (9)(b) of RCW 35.82.020."

On motion of Mr. Morrison, the House dispensed with further business under the Call of the House.

On motion of Mr. Morrison, the House advanced to the twelfth order of business.

On motion of Mr. Morrison, the House adjourned until 10:00 a.m., Saturday, May 1, 1971.

THOMAS A. SWAYZE, Jr., Speaker

MALCOLM McBEATH, Chief Clerk.

## FIFTY-FIRST DAY

## MORNING SESSION

House Chamber, Olympia, Wash., Saturday, May 1, 1971.

The House was called to order at 10:00 a.m. by the Speaker (Mr. Smythe presiding). The Clerk called the roll and all members were present except Representatives Bozarth, Kilbury and McDermott who were excused.

The Speaker assumed the Chair.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard. Prayer was offered by Father Dennis Wood of St. Michael's Catholic Church of Olympia.

Reading of the journal of the previous day was dispensed with and it was ordered to stand approved.

## REPORTS OF STANDING COMMITTEES

April 22, 1971.

HOUSE BILL NO. 1030, enacting the Nisqually Delta preservation act, reported by Committee on Natural Resources and Ecology.

MAJORITY recommendation: The substitute bill be substituted therefor and that the substitute bill do pass. Signed by Representatives Zimmerman, Chairman, Beck, Bradley, Charnley, Conner, Gallagher, Hurley, Kilbury, Kraabel, Luders, Martinis, McCormick, North, Thompson, Van Dyk, Williams.

MINORITY recommendation: Do not pass. Signed by Representatives Newhouse, Vice Chairman, Berentson, Schumaker, Smith, Spanton.

Passed to Committee on Appropriations.

## POINT OF ORDER

Mr. Chatalas: "Mr. Speaker, this particular bill does not have an appropriation in that regard. I think the appropriation that is on this bill is from the outdoor recreation fund, and I don't believe it should go into Appropriations."

## RULING BY THE SPEAKER

The Speaker: "I examined the bill, Mr. Chatalas. It has a half million dollar appropriation out of the outdoor recreation account which is subject to appropriation regardless of what fund it is. It also has several thousand dollars appropriated out of the general fund to a couple of counties to enforce the provisions of the act. Under the provisions of the House rule requiring that any measure containing a direct appropriation must be referred to Appropriations Committee, I feel I have no alternative."

Mr. Chatalas: "I thank you very much for your decision, Mr. Speaker, but I think this is another way of trying to kill the bill. This bill has seen every obstacle and has overcome every obstacle in order to go into Rules Committee, and this is exactly what you are doing. But once again, the appropriation of \$2,000 is no reason for it to go into the Appropriations Committee, and I don't think Appropriations has time to consider it."

The Speaker: "I feel I have no alternative under the rules of the House. It would be subject to a motion to suspend the rules and rerefer it from Appropriations Committee to Rules Committee."

## MOTION

Mr. Chatalas moved that the rules be suspended and House Bill No. 1030 be rereferred to the Committee on Rules and Administration in lieu of the Committee on Appropriations.

## PARLIAMENTARY INQUIRY

Mr. Charette: "To relieve a committee of a bill doesn't require a two-thirds vote, does it?"

The Speaker: "In view of the rule requiring this bill to go to Appropriations, I believe it would require a suspension of that rule."

Mr. Charette spoke in favor of the motion by Mr. Chatalas.

Mr. King demanded an electric roll call, and the demand was sustained.

Mr. May spoke against the motion by Mr. Chatalas.

## ANNOUNCEMENT BY THE SPEAKER

The Speaker: "I might point out, Mr. May, the distinction in the motions you have made on bills. Bills having a fiscal impact only require the motion to send them to Appropriations. Bills containing a direct appropriation, as this bill does, go to Appropriations automatically under the House rules."

Representatives Bledsoe and Bottiger spoke against the motion to refer House Bill No. 1030 to Committee on Rules and Administration, and Mr. Chatalas spoke in favor of the motion.

Mr. May spoke again in opposition to the motion.

Mr. Newhouse spoke against the motion by Mr. Chatalas.

## ROLL CALL

The Clerk called the roll on the motion by Mr. Chatalas to suspend the rules and refer House Bill No. 1030 to Committee on Rules and Administration in lieu of Committee on Appropriations, and the motion was lost by the following vote: Yeas, 32; nays, 55; absent or not voting, 12.

Voting yea: Representatives Backstrom, Bagnariol, Bauer, Beck, Bradley, Brouillet, Ceccarelli, Charette, Charnley, Chatalas, Conner, Douthwaite, Grant, Hurley, Johnson, King, Luders, Lysen, Marsh, Martinis, Maxie, Merrill, Moon, O'Brien, Polk, Randall, Rosellini, Savage, Shinpoch, Thompson, Van Dyk, Williams—32.

Voting nay: Representatives Adams, Amen, Barden, Benitz, Berentson, Blair, Bledsoe, Bluechel, Bottiger, Brown, Costanti, Cunningham, Curtis, Eikenberry, Farr, Flanagan, Gallagher, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Hatfield, Haussler, Hoggins, Hubbard, Jastad, Jones, Juelling, Julin, Kirk, Kiskaddon, Knowles, Kopet, Kuehne, Lynch, Marzano, May, McCormick, Mentor, Morrison, Newhouse, North, Pardini, Paris, Rabel, Sawyer, Schumaker, Shera, Smith, Smythe, Spanton, Wanamaker, Wojahn, Mr. Speaker—55.

Absent or not voting: Representatives Anderson, Bozarth, Conway, Copeland, Kilbury, Kraabel, Litchman, McDermott, Pery, Ross, Wolf, Zimmerman—12.

## RESOLUTIONS

HOUSE RESOLUTION NO. 71-68, by Representatives Bottiger, North, Wojahn and McCormick:

WHEREAS, Equality of the sexes, particularly as it applies to terms of employment in industry, has become a major issue, with apparent strong public and legislative support for such equality in employment; and

WHEREAS, It has come to our attention that there are thirteen existing industrial welfare orders enforced by the State Department of Labor and Industries relating to women and minors employed in industry, while we have no laws or regulations concerning the number of hours for a male worker over eighteen years of age, nor any requirements for lunch or rest periods; and

WHEREAS, At least one case has come to our attention of an employer refusing to permit either lunch or rest periods for his male employees, requiring them to eat while working, to the obvious detriment of their health and safety; and

WHEREAS, The basic statute relating to working hours, rest and lunch periods was enacted nearly sixty years ago; and

WHEREAS, Old adages are the distilled wisdom of the American character, and one of our most cherished adages points out that "what's sauce for the goose is sauce for the gander";

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That an interim study by the Legislative Council be authorized and directed in the area of equal employment rights for men, with the findings to be transmitted to the next legislature as a means for determining whether changes are required in the present statutes relating to employment of adult males in order to grant them equal rights with females.

Mr. Bottiger moved adoption of the resolution.

Mr. Brown spoke in favor of passage of the memorial.

## POINT OF INQUIRY

Mr. Brown yielded to question by Mr. Conway.

Mr. Conway: "Representative Brown, I am wondering in this memorial what the possibility would be if during the time of election and the candidates are out working, if we had an emergency exist nationwide and the President had to come before the people and discuss the emergency, would we then have to allow all the candidates to get up and give a political pitch in regard to their equal time?"

Mr. Brown: "I think we saw a very close example of that, Representative Conway, in the 1968 election where the incumbent President made a report to the people. The courts did hold that this necessarily required then, since it was during a campaign period, that every other candidate for President had to have equal time. It does have this built into it."

Mr. Chatalas spoke in favor of the motion and Mr. Bluechel spoke against it.

Mr. Curtis: "I would like to concur with Representative Chatalas in sending this to Appropriations. I think that if we let the fact that it is federal money deter our action, then almost everything that goes through here has some type of federal funds. I would hope that the Speaker would rule the motion in order. We could still take a look at it. It is still on second reading."

#### RULING BY THE SPEAKER

The Speaker: "The motion is in order, Mr. Curtis, but the bill doesn't automatically go to Appropriations. The rule reads that all bills containing a direct appropriation must go to the Committee on Appropriations before appearing on the calendar for second reading. Obviously the bill does not contain that until the committee amendment is adopted, and it is the amendment which contains the appropriation. Therefore the motion is appropriate at this time but it is subject to debate as any other motion and decision of this House as to whether the bill should be referred at this point."

The following property shall be exempt from taxation:

Property owned or used for any school or college in this state, supported in whole or in part by gifts, endowments, or charity, the entire income of which said school or college, after paying the expenses thereof, is devoted to the purposes of such institution, and which is open to all persons upon equal terms. To be exempt, such property must be used solely for educational purposes or the revenue therefrom be devoted exclusively to the support and maintenance of such institution. Real property so exempt shall not exceed four hundred acres in extent and shall be used exclusively for college or campus purposes *including but not limited to, buildings and grounds designed for classrooms, dormitories, housing of faculty and other employees, dining halls, parking lots, student unions and recreational buildings, athletic buildings and all other school or college facilities, the need for which would be nonexistent but for the presence of such school or college and which are principally designed to further the educational functions of such college or schools.*

Real property owned or controlled by such institution or leased or rented by it for the purpose of deriving revenue therefrom shall not be exempt from taxation under this section.

Before any exemption provided for by this section shall be allowed for any year, the institution claiming such exemption shall file with the county assessor of the county wherein such property is situated, on or before the first day of January in such year, a statement verified by the oath of the president, treasurer, or other proper officer of the institution, containing a list of all property claimed to be exempt, the purpose for which it is used, the revenue derived from it for the preceding year, the use to which such revenue was applied, the number of students in attendance at the school or college, the total revenues of the institution with the source from which they were derived, and the purposes to which such revenues were applied, giving the items of such revenues and expenditures in detail. The county assessor of the county wherein such property is subject to taxation and such exemption is claimed, shall at all times have access to the books and records of such institution in order to determine whether any property claimed to be exempt from taxation should be exempted from the provisions of this section."

Renumber the remaining section consecutively.

Representatives Gallagher and Bottiger spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Wolf.

Mr. Wolf: "Mr. Bottiger, in the case that a dormitory were leased to another completely different agency of government, would it still be exempt? Maybe I should set the background. In the case that a dormitory, built as a dormitory, principally designed for the educational functions of this college—at a time when they did not need the dormitory, they leased the dormitory. (In this case it is to the Department of Ecology and they are paying somewhere around \$13.00 a foot as a lease of that dormitory.) Is it the intent of this amendment that leases of dormitories for other than educational functions would still exempt the dormitory from taxation?"

Mr. Bottiger: "No, Mr. Wolf, I see your problem now. No, it is not the intent. The language clearly says, 'the need for which would be nonexistent but for the presence of such school or college and which are principally designed to further the educational functions of such college or schools.' If this has become in effect surplus property and no longer is necessary, then I would presume that the express language would take care of that situation. It is obviously not the intent to allow a private school to start building office buildings and escape taxes."

The amendment by Representatives Gallagher, Bottiger, Marzano, Adams and Wojahn was adopted.

On motion of Mr. Gallagher, the following amendment to the title was adopted:

On page 1, line 3 of the title, after "taxation;" insert "exempting certain school and college properties from taxation; amending section 84.36.050, chapter 15, Laws of 1961, as amended by section 1, chapter 55, Laws of 1970 ex. sess. and RCW 84.36.050;"

House Bill No. 1123 was ordered engrossed.

The Speaker excused Representative Anderson from further proceedings of the House today.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 1123 was placed on final passage.

Representatives Gallagher, Bottiger and Moon spoke in favor of passage of the bill, and Representative Randall spoke against it.

On page 11, section 9, line 17 of the committee amendment after "limits of a" insert "city or"

On page 12, section 9, line 2 after "said" insert "city or"

Representatives Smythe and Hoggins spoke in favor of the amendments.

## POINT OF INQUIRY

Mr. Smythe yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Representative Smythe, would you care to clarify this particular thing that you are dealing with here as to the effect it has on the school district outside of the city of Vancouver that is affected, or would be affected in a similar situation in the state?"

Mr. Smythe: "I would be crazy to. As I said, the statute allows, where you have an annexation of territory, for the citizens within that territory to apply by virtue of 75 percent of them petitioning, for annexation to the school district that covers the city. So you are all within one school district within the city limits. When we extended the city limits down there and annexed this territory, 78 percent of the people signed a petition. They applied for and found that because of this limitation in here (it was not intended that way) it applies to fourth and below because of the interpretation of town without 'city or.' Therefore, we are applying this, which means that 78 percent of the people in this territory you are concerned with can now apply with a new petition and they can receive it under the mandatory clauses of the statute."

Mr. Zimmerman: "Would it not be possible then for a school district that was located outside the city, that the major industry of that school district was annexed, and thereby then that area were to take itself out of the rural school district, they would leave that rural school district without financial means? It could have an adverse effect on its whole structure. I am thinking of the fact that it, in a sense, allows the person to de-annex itself out of a district and thereby affect the rest of the district in a way that could be extremely difficult financially for the other district."

Mr. Smythe: "Yes, that is in the law now. All we are saying is that it does not apply to all cities—it is just restricted to towns, fourth class and below. But still 75 percent of the residents there within that school district have to sign a petition."

Mr. Zimmerman: "The reason it didn't take place there was because of the local hearing board rather than the state hearing examiner board then?"

Mr. Smythe: "That is correct."

## POINT OF INQUIRY

Mr. Smythe yielded to question by Mr. Mentor.

Mr. Mentor: "We have a situation in Bremerton, where a city is being served (quite a bit of it) by a school district outside the city. We have had some trouble with this in the past. You say that this will allow the people within the city that live in a school district that is outside the city to annex to the school district that is inside the city?"

Mr. Smythe: "If you have territory that is within the city limits of Bremerton, that is served by another school district, other than the Bremerton district, and 75 percent of those people in that territory sign a petition, it becomes automatic under this provision, correct."

Mr. Mentor: "Seventy-five percent of the people just within the city?"

Mr. Smythe: "No, no. Within that territory that wants to be annexed into the school district of the city."

Mr. Mentor: "Well we've had a lot of trouble. I'd like Representative Randall to comment on this. I don't think we would be in favor of this bill. Certainly if this is what it does, the people in our area, I think, would be against it."

Mr. Smythe: "That means there would be two votes against it."

The amendments by Mr. Smythe to the committee amendment were adopted.  
Mr. Hoggins spoke in favor of the amended committee amendment.  
The committee amendment as amended was adopted.

Mr. Luders moved adoption of the following amendment by Representatives Luders, Grant, Pardini and Gladder:

On page 1, section 1, line 19, following "manner:" strike all material down to and including "electoral votes; the" appearing on page 2, line 1, and insert "Each [vote cast by a] school director shall be [accorded as many] given a number of electoral [points as there are] votes based upon the number of enrolled students in that director's school district [as] , according to the following table:

<i>Number of Students</i>	<i>Number of Electoral Votes</i>
<i>Under 1,000</i>	<i>1</i>
<i>1,001 - 5,000</i>	<i>2</i>
<i>5,001 - 10,000</i>	<i>3</i>
<i>10,001 - 15,000</i>	<i>4</i>
<i>15,001 - 20,000</i>	<i>5</i>
<i>20,001 - 25,000</i>	<i>6</i>
<i>25,001 - 30,000</i>	<i>7</i>
<i>Over 30,000</i>	<i>8</i>

The"

Mr. Luders spoke in favor of the amendment.

Mr. Grant demanded an electric roll call, and the demand was sustained.

Mr. Hoggins spoke against the amendment, and Mr. Pardini spoke in favor of it.

#### POINT OF INQUIRY

Mr. Hoggins yielded to question by Mr. Thompson.

Mr. Thompson: "Representative Hoggins, are there any other states in the United States that provide for the election of a state school board by local school directors, and if so, how many and which are they?"

Mr. Hoggins: "I can't answer that question."

#### ROLL CALL

The Clerk called the roll on the adoption of the amendment by Representatives Luders, Grant, Pardini and Gladder to Senate Bill No. 160, and the amendment was adopted by the following vote: Yeas, 50; nays, 41; absent or not voting, 8.

Voting yea: Representatives Adams, Backstrom, Bagnariol, Beck, Blair, Bottiger, Bradley, Brouillet, Ceccarelli, Charnley, Chatalas, Douthwaite, Gallagher, Gladder, Grant, Harris, Hubbard, Hurley, Jastad, Johnson, Juelling, King, Kirk, Knowles, Kopet, Kraabel, Kuehnle, Litchman, Luders, Lysen, Marzano, Maxie, May, McCormick, Merrill, Moon, North, O'Brien, Pardini, Perry, Rosellini, Savage, Sawyer, Shera, Shinpoch, Thompson, Williams, Wojahn, Zimmerman, Mr. Speaker—50.

Voting nay: Representatives Amen, Barden, Bauer, Benitz, Berentson, Bledsoe, Bluechel, Brown, Charette, Conner, Conway, Costanti, Curtis, Eikenberry, Farr, Flanagan, Gilleland, Goldsworthy, Hansey, Hatfield, Haussler, Hoggins, Jones, Julin, Kiskaddon, Lynch, Marsh, Martinis, Mentor, Morrison, Newhouse, Paris, Polk, Randall, Schumaker, Smith, Smythe, Spanton, Van Dyk, Wanamaker, Wolf—41.

Absent or not voting: Representatives Anderson, Bozarth, Copeland, Cunningham, Kilbury, McDermott, Rabel, Ross—8.

On motion of Mr. Hoggins, the committee amendments to the title were adopted.

Senate Bill No. 160 as amended by the House was passed to Committee on Rules and Administration for third reading.

#### MOTION FOR RECONSIDERATION

Mr. Zimmerman, having voted on the prevailing side, moved that the House do now reconsider the vote by which the amendment by Representative Luders and others to Senate Bill No. 160 was adopted.

## POINT OF ORDER

Mrs. Hurley: "My point of order is that I don't see how this can happen. It was sent to Rules Committee once and then somehow or other it got back for a title amendment. Then it was sent to Rules Committee again. I was sitting right here and I heard that it went to Rules Committee. If it is already in Rules Committee, I don't see how, then, we can bring it back a second time in order to reconsider the vote. I'm sorry."

## RULING BY THE SPEAKER

The Speaker: "I do admit you have me in a very embarrassing position, Mrs. Hurley."

Mrs. Hurley: "Not intentionally, at all. This is a Spokane amendment."

The Speaker: "I had passed it to Rules Committee. Clerically we had not adopted the title amendment, which had to be done. Nobody objected at that point. Then Mr. Zimmerman was on his feet wanting to make the motion to reconsider and you know how accommodating I always like to be."

Mrs. Hurley: "Mr. Speaker, this is something that relates to Spokane, and I do feel that it was passed, and I do feel it is now in Rules Committee, and I do feel maybe we ought to leave it there."

The Speaker: "Your point is well taken. The Speaker did pass the measure to Rules Committee."

## POINT OF ORDER

Mr. Zimmerman: "Mr. Speaker, I merely felt that the body had not truly known what its action had been. I had hoped that there was going to be a chance for us to have a little more word on it. I certainly respect the Speaker's ruling. I hadn't heard the gavel, so I thereby made the motion."

The Speaker: "Had there not been so much commotion on the floor, and had I seen you standing, Mr. Zimmerman, I would not have passed it to Rules Committee. My apologies."

## EXPLANATION OF VOTE

I changed my vote from "no" to "yes" on the Luders' amendment because the vote was about to carry and I wanted to have it reconsidered. I oppose the amendment, and feel the new weighting will adversely affect small town school districts and will favor large city districts. HAROLD S. (HAL) ZIMMERMAN, 17th District.

## POINT OF INQUIRY

Mrs. Hurley: "Mr. Speaker, in my book this appears to be a title only bill. Is there supposed to be a Senate amendment on this bill, and if there is, where is it?"

The Speaker declared the House to be at ease.

The Speaker called the House to order.

## MOTION

On motion of Mr. Wolf, the House deferred further consideration of Substitute Senate Bill No. 897, and the bill was ordered placed on the second reading calendar following House Bill No. 417.

Renumber the remaining sections consecutively.

With the consent of the House, Mr. Marzano withdrew the amendment.

## POINT OF INQUIRY

Mr. Marzano yielded to question by Mr. Bottiger.

Mr. Bottiger: "Mr. Marzano, most of us have received telegrams and letters from

veterans organizations urging support for your amendment. In view of the fact that you have asked that it be withdrawn, may I inquire as to whether there has been an agreement reached between the department and the veterans organizations concerning their objections to this bill?"

Mr. Marzano: "Yes, Mr. Bottiger, I have a letter before me from the Department of Social and Health Services and also a telegram from the United Veterans Organization Chairman, and without taking the time of the House to read these, I would like to have them inserted in the Journal, if I may."

The Speaker: "Permission granted."

DEPARTMENT OF SOCIAL AND HEALTH SERVICES

April 22, 1971.

HONORABLE FRANK MARZANO,  
HOUSE OF REPRESENTATIVES,  
OLYMPIA, WASHINGTON 98501

DEAR MR. MARZANO:

This is to advise you that we have discussed the matter of the Veterans' Rehabilitation Council with representatives of the United Veterans' Organization and have stated our intent, assuming budget approval of the program, to continue with a veterans' advisory organization to the Department.

The purpose of Substitute House Bill 417 is to enable the Department to consolidate and realign the over ninety-two advisory groups now serving the Department so that they may operate more *effectively* and *efficiently* with the organization of the Department presented to you earlier this session. We do intend to continue with many of the current advisory organizations and we certainly plan, as indicated above, to rely on the veterans' organizations for advice and counsel in areas of mutual interests.

Sincerely,  
SIDNEY E. SMITH  
Secretary.

April 22, 1971.

REPR. FRANK MARZANO:

In view of close agreement between Department of Social and Health Services and the seven federally chartered veterans organizations acting through the United Veterans Organizations as a unit, I do not believe that any legislation can be agreed to by us which could cut off adequate funding for the coming year. My understanding is that a separate Department of Veterans Affairs, outside of social and health services, could not qualify for federal 3 to 1 matching funds. We need at least full amount carried in current Senate versions of appropriations bill, including \$100,000 restoration.

If this statement does not fully explain our position to your satisfaction, acting on HB417, may we respectfully request sufficient time to have our legislative representative, Art Chamberlin, present to assist in further clarification.

Upon receipt of a reply, he can be on hand Friday at your convenience.

FRANK C. BROOKS, CHAIRMAN, UNITED VETERANS ORGANIZATIONS AND DEPT. COMMANDER, THE AMERICAN LEGION.

Mr. Sawyer moved adoption of the following amendment by Representatives Marzano, Sawyer and Bledsoe:

On page 6, section 6, line 29 after the word "organizations," delete the rest of the section, and insert "[Under the supervision and with the approval of the secretary, the council may also establish a field and contact service wherever and to whatever extent such service may in its judgment be necessary. The secretary shall employ such persons as may be necessary to carry out the provisions of this 1970 amendatory act: *Provided*, That except as otherwise specified in this 1970 amendatory act, such employment is in accordance with the state civil service law, chapter 41.06 RCW.]"

Representatives Sawyer and Marzano spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Sawyer yielded to question by Mr. Farr.

Mr. Farr: "Mr. Sawyer, do I understand then that there is some type of an agreement between the department and the veterans' organizations to cover this area, such as a contract?"

Mr. Sawyer: "Yes, they have been working on this for the last three or four days since we brought it to their attention, and the amendment was drawn by the department. It is with their full concurrence and agreement and also the veterans' organizations' concurrence."

The amendment by Representatives Marzano, Sawyer and Bledsoe was adopted.

Mrs. Hurley moved adoption of the following amendment by Representatives Hurley and Kirk:

On page 18, line 10, following subsection 4 strike subsections (5) and (6) and renumber the remaining subsections consecutively.

Renumber the remaining sections consecutively.

On motion of Mrs. Hurley, the following amendments to the title were adopted:

## RESOLUTIONS

HOUSE RESOLUTION NO. 71-69, by Representatives Moon and Jueling:  
(For Resolution, see Journal of May 4, 1971, Fifty-fourth Day, Ex. Sess.)

## MOTION

On motion of Mr. Bledsoe, the House deferred consideration of House Resolution No. 71-69 until tomorrow.

HOUSE RESOLUTION NO. 71-70, by Representatives Charette, Zimmerman, Rabel, Newhouse and Williams:

WHEREAS, It is a right of the people to be free from excessive and unnecessary noise; and

WHEREAS, The present pattern of noise emission and the increase in emission of noise caused by the uncontrolled operation of man's machines is:

(1) Adversely affecting the health, safety, and welfare of the people;

(2) Destroying property values and reducing economic opportunities for the people;

(3) Decreasing the productivity of workers in commercial and industrial enterprises;

(4) Exposing large sectors of the populace to unacceptable and uninvited noise from motor vehicle operation; and

(5) Increasing the cost of education in the vicinity of streets or highways; and

WHEREAS, Noise-producing machines for both occupational and recreational use are multiplying in number and power; and

WHEREAS, All levels of government have been unable to effectively regulate, abate, and control noise from man's machines;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Legislative Council, with the assistance of the Department of Ecology, is authorized and directed to undertake a study of the entire problem of environmental noise pollution in the State of Washington. The study shall investigate, but shall not be limited to, the following subjects:

(1) Techniques and means for controlling and limiting noise emitted from machines, including motor vehicles, aircraft, rail-tracked machines, motor-driven boats and vessels, motorcycles and trail bikes, snowmobiles, all terrain vehicles, fixed machines, construction machinery, tools, and all other types of machines;

(2) Construction or other mitigating techniques and means for effectively lowering the noise radiating from highways;

(3) Techniques and means for effectively lowering noise levels, in both residential and occupational use structures, by establishing recommended performance standards for building codes;

(4) Appropriate noise limits for control of ambient noise in the several land use zoning classifications established by state or local governments;

(5) Means for educating the public on the physical and psychological damage and economic loss that may be caused by excessive noise;

(6) Current and developing technology for noise detection, measurement, and control; and

(7) Means of enforcement of noise limits, such as highway construction standards, noise standards for motor vehicles and other machines sold within the state, building and zoning codes, time and space requirements for noise-producing machines, performance standards for construction machines, and recommended noise control performance standards in public contracts.

BE IT FURTHER RESOLVED, That the Legislative Council develop recommendations of appropriate legislative action to deal with the problem of environmental noise pollution within the State, and submit these recommendations to the next Regular Session of the Legislature.

Mr. Charette moved adoption of the resolution.

Mr. Beck moved adoption of the following amendment to the resolution:

On page 1, line 21 and page 2, line 23 strike "Legislative Council" and insert "Joint Committee on Highways"

Mr. Beck spoke in favor of the amendment and Mr. Charette spoke against it.

#### POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Berentson.

Mr. Berentson: "The Highway Interim Committee has spent some time, as Mr. Beck has indicated, with this. I am sure we will continue, as it relates to motor vehicles. Would you have any objection if this went to the Council, cooperating with the Highway Interim Committee and perhaps assuming that they would continue in the area of motor vehicles noise problems?"

Mr. Charette: "My answer to the question is, I would have no objection to cooperation between the Council and the Highway Interim Committee. As a matter of fact, if this amendment by Mr. Beck is rejected, I am sure that the Legislative Council would cooperate with the Highway Committee, as various Legislative Council committees have done with all the other committees that are created by the legislature. I just don't think that there would be any problem about it at all."

Mr. Berentson: "I might just comment that I am sure the work we have done would be available, and I am sure it would be only natural for the Highway Interim Committee to continue this work also."

#### POINT OF INQUIRY

Mr. Beck yielded to question by Mr. Wolf.

Mr. Wolf: "Mr. Beck, I have offered the amendment that says 'with the assistance of the Department of Ecology and the Joint Committee on Highways.' Would you withdraw your amendment?"

Mr. Beck: "Very readily. I just do not think that all the information that Senator Lewis and Representative Leland and I gleaned all over the state of Washington should be filed away in our old rusty, dusty files someplace. I think it is a waste of taxpayers' money, and as long as the Joint Committee on Highways is in on this thing, I would be willing to withdraw the amendment."

With the consent of the House, Mr. Beck withdrew the amendment.

On motion of Mr. Wolf, the following amendment was adopted:

On page 1, line 22 after "Department of Ecology" insert "and the Joint Committee on Highways"

House Resolution No. 71-70, as amended by Mr. Wolf, was adopted.

HOUSE RESOLUTION NO. 71-71, by Representative Merrill:

WHEREAS, Tom Hamilton, who has served as Commissioner of the Pacific Athletic Conference since its creation, will retire from his duties as Commissioner effective in May; and

WHEREAS, He has made for himself a distinguished record in the field of athletics,

from his days at the United States Naval Academy through his many years of service as Pacific Athletic Conference Commissioner; and

WHEREAS, The Pacific Athletic Conference, composed of Washington, Washington State, Oregon, Oregon State, Stanford, California, UCLA and USC has compiled an unequalled record during his years as Commissioner, having won in that period more trophies than any other conference in the Nation; and

WHEREAS, His last official acts as Commissioner will take place in this State, at the University of Washington Stadium May 21st and 22nd during the Pacific Coast Track Championships;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That Tom Hamilton be commended for his many years of dedicated and meritorious service to athletics and to the people of the State of Washington in his role as Commissioner of the Pacific Athletic Conference.

BE IT FURTHER RESOLVED, That a suitably inscribed copy of this Resolution be prepared and forwarded to Mr. Hamilton by the Chief Clerk of the House of Representatives.

On motion of Mr. Merrill, the resolution was adopted.

"Sec. 7. Section 29, chapter 257, Laws of 1945 and RCW 69.04.110 are each amended to read as follows:

Whenever the director shall find, or shall have probable cause to believe, that an article subject to this chapter is in intrastate commerce, [which] and was introduced into such commerce in violation of [RCW 69.04.350 or 69.04.570, or which is so adulterated or misbranded as to label,] *this chapter*, and that its embargo under this section is required to protect the consuming or purchasing public from substantial injury, he is hereby authorized to affix to such article a notice of its embargo and against its sale in intrastate commerce, without permission given under this chapter. But if, after such article has been so embargoed, the director shall find that such article does not involve a violation of this chapter, such embargo shall be forthwith removed.

Sec. 8. Section 3, chapter 198, Laws of 1963 and RCW 69.04.392 are each amended to read as follows:

(1) Any poisonous or deleterious pesticide chemical, or any pesticide chemical which generally is recognized among experts qualified by scientific training and experience to evaluate the safety of pesticide chemicals as unsafe for use, added to a raw agricultural commodity, shall be deemed unsafe for the purpose of the application of clause (2) RCW 69.04.210 unless:

(a) A tolerance for such pesticide chemical in or on the raw agricultural commodity has been prescribed pursuant to subsection (2) hereof and the quantity of such pesticide chemical in or on the raw agricultural commodity is within the limits of the tolerance so prescribed; or

(b) With respect to use in or on such raw agricultural commodity, the pesticide chemical has been exempted from the requirement of a tolerance pursuant to subsection (2) hereof.

While a tolerance or exemption from tolerance is in effect for a pesticide chemical with respect to any raw agricultural commodity, such raw agricultural commodity shall not, by reason of bearing or containing any added amount of such pesticide chemical, be considered to be adulterated within the meaning of clause (1) of RCW 69.04.210.

(2) The regulations promulgated under section 408 of the Federal Food, Drug and Cosmetic Act, as of the effective date of this 1971 amendatory act, setting forth the tolerances for pesticide chemicals in or on any raw agricultural commodity, are hereby

adopted as the regulations for tolerances applicable to this chapter: PROVIDED, That the director is hereby authorized to adopt by regulation any new or future amendments to such federal regulations for tolerances, including exemption from tolerance and zero tolerances, to the extent necessary to protect the public health. The director is also authorized to issue regulations in the absence of federal regulations and to prescribe therein tolerances for pesticides, exemptions, and zero tolerances, upon his own motion or upon the petition of any interested party requesting that such a regulation be established. It shall be incumbent upon such petitioner to establish, by data submitted to the director, that a necessity exists for such regulation and that the effect of such regulation will not be detrimental to the public health. If the data published by the petitioner is not sufficient to allow the director to determine whether such a regulation should be promulgated, the director may require additional data to be submitted and failure to comply with this request shall be sufficient grounds to deny the request of the petitioner for the issuance of such regulation.

(3) In adopting any new or amended tolerances by regulation issued pursuant to this section, the director shall give appropriate consideration, among other relevant factors, to the following: (a) The purpose of this chapter being to promote uniformity of state legislation with the federal act; (b) the necessity for the production of an adequate, wholesome, and economical food supply; (c) the other ways in which the consumer may be affected by the same pesticide chemical or by other related substances that are poisonous or deleterious; and (d) the opinion of experts qualified by scientific training and experience to determine the proper tolerance to be allowed for any pesticide chemical.

Sec. 9. Section 4, chapter 198, Laws of 1963 and RCW 69.04.394 are each amended to read as follows:

(1) A food additive shall, with respect to any particular use or intended use of such additives, be deemed unsafe for the purpose of the application of clause (2) (c) of RCW 69.04.210, unless:

(a) It and its use or intended use conform to the terms of an exemption granted, pursuant to a regulation under subsection (2) hereof providing for the exemption from the requirements of this section for any food additive, and any food bearing or containing such additive, intended solely for investigational use by qualified experts when in the director's opinion such exemption is consistent with the public health; or

(b) There is in effect, and it and its use or intended use are in conformity with a regulation issued or effective under subsection (2) hereof prescribing the conditions under which such additive may be safely used.

While such a regulation relating to a food additive is in effect, a food shall not, by reason of bearing or containing such an additive in accordance with the regulation, be considered adulterated within the meaning of clause (1) of RCW 69.04.210.

(2) The regulations promulgated under section 409 of the Federal Food, Drug and Cosmetic Act, as of the effective date of this 1971 amendatory act, prescribing the conditions under which such food additive may be safely used, are hereby adopted as the regulations applicable to this chapter: PROVIDED, That the director is hereby authorized to adopt by regulation any new or future amendments to the federal regulations. The director is also authorized to issue regulations in the absence of federal regulations and to prescribe the conditions under which a food additive may be safely used and exemptions where such food additive is to be used solely for investigational purposes; either upon his own motion or upon the petition of any interested party requesting that such a regulation be established. It shall be incumbent upon such petitioner to establish, by data submitted to the director, that a necessity exists for such regulation and that the effect of such a regulation will not be detrimental to the public health. If the data furnished by the petitioner is not sufficient to allow the director to determine whether such a regulation should be promulgated, the director may require additional data to be submitted and failure to comply with this request shall be sufficient grounds to deny the request of the petitioner for the issuance of such a regulation.

(3) In adopting any new or amended regulations pursuant to this section, the director shall give appropriate consideration, among other relevant factors, to the following: (a) The purpose of this chapter being to promote uniformity of state legislation with the federal act; (b) the probable consumption of the additive and of any substance formed in or on food because of the use of the additive; (c) the cumulative effect of such additive in the diet of man or animals, taking into account any chemically or pharmacologically related substance or substances in such diet; and (d) safety factors which in the opinion of experts qualified by scientific training and experience to evaluate the safety of food additives are generally recognized as appropriate for the use of animal experimentation data.

Sec. 10. Section 6, chapter 198, Laws of 1963 and RCW 69.04.396 are each amended to read as follows:

(1) A color additive shall, with respect to any particular use (for which it is being used or intended to be used or is represented as suitable) in or on food, be deemed unsafe for the purpose of the application of RCW 69.04.231, unless:

(a) There is in effect, and such color additive and such use are in conformity with, a regulation issued under this section listing such additive for such use, including any provision of such regulation prescribing the conditions under which such additive may be safely used;

(b) Such additive and such use thereof conform to the terms of an exemption for experimental use which is in effect pursuant to regulation under this section.

While there are in effect regulations under this section relating to a color additive or an

exemption with respect to such additive a food shall not, by reason of bearing or containing such additive in all respects in accordance with such regulations or such exemption, be considered adulterated within the meaning of clause (1) of RCW 69.04.210.

(2) The regulations promulgated under section 706 of the Federal Food, Drug and Cosmetic Act, as of the effective date of this 1971 amendatory act, prescribing the use or limited use of such color additive, are hereby adopted as the regulations applicable to this chapter: PROVIDED, That the director is hereby authorized to adopt by regulation any new or future amendments to the federal regulations. The director is also authorized to issue regulations in the absence of federal regulations and to prescribe therein the conditions under which a color additive may be safely used including exemptions for experimental purposes. Such a regulation may be issued either upon the director's own motion or upon the petition of any interested party requesting that such a regulation be established. It shall be incumbent upon such petitioner to establish, by data submitted to the director, that a necessity exists for such regulation and that the effect of such a regulation will not be detrimental to the public health. If the data furnished by the petitioner is not sufficient to allow the director to determine whether such a regulation should be promulgated, the director may require additional data to be submitted and failure to comply with this request shall be sufficient grounds to deny the request of the petitioner for the issuance of such a regulation.

(3) In adopting any new or amended regulations pursuant to this section, the director shall give appropriate consideration, among other relevant factors, to the following: (a) The purpose of this chapter being to promote uniformity of state legislation with the federal act; (b) the probable consumption of, or other relevant exposure from, the additive and of any substance formed in or on food because of the use of the additive; (c) the cumulative effect, if any, of such additive in the diet of man or animals, taking into account the same or any chemically or pharmacologically related substance or substances in such diet; (d) safety factors which, in the opinion of experts qualified by scientific training and experience to evaluate the safety of color additives for the use or uses for which the additive is proposed to be listed, are generally recognized as appropriate for the use of animal experimentation data; (e) the availability of any needed practicable methods of analysis for determining the identity and quantity of (i) the pure dye and all intermediates and other impurities contained in such color additives, (ii) such additive in or on any article of food, and (iii) any substance formed in or on such article because of the use of such additive; and (f) the conformity by the manufacturer with the established standards in the industry relating to the proper formation of such color additive so as to result in a finished product safe for use as a color additive.

**NEW SECTION.** Sec. 11. There is added to chapter 69.04 RCW a new section to read as follows:

The purpose of sections 7 through 11 of this 1971 amendatory act is to promote uniformity of state legislation and regulations with the federal food, drug and cosmetic act, 21 USC 301 et seq., and regulations adopted thereunder. In accord with such declared purpose any regulation adopted under said federal food, drug and cosmetic act concerning food in effect on the effective date of this 1971 amendatory act and not adopted under any other specific provision of this chapter are hereby deemed to have been adopted under the provisions of this 1971 amendatory act. Further, to promote such uniformity any regulation adopted hereafter under the provisions of the federal food, drug and cosmetic act concerning food and published in the federal register shall be deemed to have been adopted under the provisions of this chapter in accord with chapter 34.04 RCW as enacted or hereafter amended. The director may, however, within thirty days of the publication of the adoption of any such regulation under the federal food, drug and cosmetic act give public notice that a hearing will be held to determine if such regulation shall not be applicable under the provisions of this chapter. Such hearing shall be in accord with the requirements of chapter 34.04 RCW as enacted or hereafter amended."

The purposes of a television reception improvement district, hereinafter referred to in this act as 'district', shall be to serve the public interest, convenience, and necessity in the construction, maintenance, and operation of television translator stations, including appropriate electric or electronic devices for increasing television program distribution, but said purposes are not meant to include the construction or operation of television cable systems, commonly known and referred to as cable TV systems or CATV.

**NEW SECTION.** Sec. 14. A district's boundary may include any part or all of any class county and may include any part or all or any incorporated area located within the county. A district's boundary may not include any territory already being served by a cable TV system (CATV) unless on the effective date of this act there is a translator station retransmitting television signals to such territory.

**NEW SECTION.** Sec. 15. A petition to form a district may be presented to the board of county commissioners and such petition shall include: (1) A description of the purposes of the petition; (2) a description of the purposes and powers of the proposed district; (3) a description of the boundaries of the proposed district; and (4) the signatures of more than fifty percent of the registered voters residing within the boundaries of the proposed district.

**NEW SECTION.** Sec. 16. If the board of county commissioners, with the assistance of other appropriate county officers, finds the petition filed under section 15 of this act satisfies the requirements of that section, it shall cause the text of the petition to be published once a week for at least three consecutive weeks in a newspaper of general circulation within the county where the petition is presented. With the publication of the petition there shall be published a notice of the time, date, and place of the public meeting of the county commissioners when the petition will be considered, stating that persons interested may appear and be heard.

**NEW SECTION.** Sec. 17. If after the public meeting or meetings on the petition, the board of county commissioners finds that creation of the proposed district would serve the public interest, the board shall adopt a resolution granting the petition and creating the district. Prior to adoption however, the board may amend the petition in the interest of carrying out the purposes of this act.

**NEW SECTION.** Sec. 18. The business of the district shall be conducted by the board of the television reception improvement district, hereinafter referred to as the 'board'. The board shall be constituted as provided under either subsection (1) or (2) of this section.

In the event a seat on the board is vacated prior to the expiration of the term of the member appointed to such seat, the board of county commissioners shall appoint a person to complete such unexpired term.

(2) Upon the creation of a district having boundaries identical to those of the county (a county-wide district), the county commissioners shall be the members of the board of the district and shall have all the powers and duties of such board as provided under the other sections of this act. Any person owing the excise tax provided for under this act and who fails to pay the same within sixty days after the county treasurer has sent the tax bill to him, shall be deemed to be delinquent. Such person shall be liable for all costs to the county or district attributable to collecting the tax, but no such excise tax or costs, nor any judgment based thereon, shall be deemed to create a lien against real property.

**NEW SECTION.** Sec. 24. The board may adopt rules providing for prorating of tax bills for persons who have not owned a television set within the district for a full tax year.

**NEW SECTION.** Sec. 27. Any claim against the district shall be presented to the board. Upon allowance of the claim, the board shall submit a voucher, signed by the chairman and one other member of the board, to the county auditor for the issuance of a warrant in payment of said claim. #### HOUSE RESOLUTION NO. 71-72, by Representative Anderson:

WHEREAS, With Spring in the offing it is but natural that the attention of the male members of this chamber revert to one of the opposite sex, perhaps most enviably when notice is taken of this, her eighth term in the Legislature; and

WHEREAS, Perchance a rather cynical attitude towards a movement like "Women's Lib" among our male contingent is not entirely unworthy on their part when one considers the multitude of worthy activities this Representative from the 36th district of King County has engaged in throughout her lifetime, and the accompanying honors that have been so rightfully conferred upon her; and

WHEREAS, Having raised with her husband Doug, a friend to all of us, two fine sons, Jerry R., presently a minister, and Douglas D., presently operating his own fuel business, she served the community when these boys were growing up as president of school P.T.A.'s, was in the Seattle Council of Parents and Teachers, did Red Cross volunteer and first aid work, worked on the Ration Board, was a Trustee of the Magnolia Board for the Y.M.C.A., was a co-chairman of Seattle's first Mothers' March for Polio, worked with the Queen Anne Recreation Park and Playground Association, and was Legislative Chairman of the American Legion Auxiliary, all these activities, and others too numerous to mention herein, in addition to her work with the Republican party; and

WHEREAS, Upon receipt this year of their Citation of Merit from the Washington Recreation and Park Society, Inc., an organization limited to those professional in this field, further activities enumerated included being past president of the Queen Anne Business and Professional Club, membership in the Queen Anne Business and Professional Women's Club, the board of trustees of the Past Presidents' Assembly, the Governor's Advisory Council on Public Assistance to the Central Area, the Queen Anne Community Development Council, the Committee on Planning Affiliates, the Board for N.W. Center for Retarded Children, and the Harborview Hospital Expansion Board; and

WHEREAS, Among awards from such organizations as Seattle Beautiful, the Veterans of Foreign Wars, and the Service for the Retarded, certainly none ranks higher than that from the Seattle Fire Fighters of Union Local No. 27 to "The First Lady of the Fire Service", this to the lady who delights in baking cookies and candy over the weekend to

have with the every-present pot of coffee for visitors in her legislative office each Monday morning; and

WHEREAS, We have not mentioned yet her outstanding contribution in time and accomplishments as a legislator, both during our sessions and the interims, but need we; her successive victories at the polls reflecting the decision of the electorate of her district tells that story; but in addition to the ordinary tasks of the Legislature, this lady with her Presbyterian background has, in serving as chairman this session, and on the committee in past sessions, done duty far beyond the ordinary with the Memorial Service for the deceased past members of the Legislature, all in a manner unmatched by others;

NOW, THEREFORE, BE IT RESOLVED, By the Members of this House of Representatives, in this our Forty-Second Regular Legislative Session, That we do commend the accomplishments of Gladys Kirk, the Representative from the 36th District of King County, and express to her our genuine appreciation for her efforts in this Legislature's behalf; it is seldom that we find one among us who is a selfless friend to all, if ever an active advocate, but such is she;

AND BE IT FURTHER RESOLVED, That a copy of this House Resolution be prepared by the Chief Clerk of the House and copies thereof be presented to Mr. and Mrs. Kirk, and their sons, Jerry R. and Douglas D., for the families thereof.

Mr. Anderson moved adoption of the resolution.

Mr. Anderson: "Thank you, Mr. Speaker, ladies and gentlemen: It is indeed a pleasure for me today to honor our good lady across the aisle. I have worked with her many, many years, and I think the resolution speaks for itself."

Mr. O'Brien: "Mr. Speaker and ladies and gentlemen of the House: I didn't realize actually, Mrs. Kirk, that we were going into the television program called 'This is Your Life,' but certainly it is a fitting tribute to a real fine lady of this legislature. On each occasion when she has been chairman of the memorial services, she has done an outstanding job, and I know it takes a great amount of time and effort to perform such service. The memorial service certainly is a very important part of this legislative session. Mr. Anderson is to be complimented for putting this resolution together. Certainly we all enjoy working with you, and in my opinion you are one of the finest persons we have in this assembly."

Mr. Bledsoe: "Mr. Speaker, ladies and gentlemen, and most particularly you, Gladys: I think this is just dandy. I truly do. I know from watching you as this was read how somewhat embarrassing it might be to have your accomplishments listed in this fashion. I think, however, it is a tribute to you that your accomplishments can make such an imposing list. What it says in effect is not only a token of our sincere affection for you in this entire House, on both sides of the aisle, but also a token of our respect for the kind of person you are. Obviously those of us who dedicate ourselves to this process are gladdened and pleased that there is one among us who so sincerely exemplifies what it is a legislator should be. You have brought a balance to Rules Committee which we so desperately needed on many days. You have served on days when it was uncomfortable and unpleasant sometimes for you to serve, but still you were here with your head up and your mind working. That is the way it ought to be. We are in your debt, my dear. Don't you forget it."

Mrs. Hurley: "Mr. Speaker, ladies and gentlemen of the House, and Gladys: It has been my pleasure to work with you ever since you first replaced your husband, Doug, as a member of this House. I have noticed that in all of your activities you have been charitable, sympathetic, kind and an absolutely wonderful, wonderful person. I think that it is due time that this whole legislature acknowledges the type of person we have in you and the things that you have worked for throughout the years. Every one of them has been most commendable. Never have you had a special interest of your own—always thinking of others that needed your help—needed the legislation you were promoting. I certainly congratulate you. And as a woman in this House, I give you my deepest respect."

Mr. Grant: "Thank you, Mr. Speaker, I will be most brief. One of my favorite songs is, 'You're Nobody Till Somebody Loves You.' Mrs. Kirk, I would like to say, 'You're somebody.' I urge the adoption of the resolution."

#### MOTION

On motion of Mrs. North, the names of all members of the House of Representatives were added as sponsors of the resolution honoring Mrs. Kirk.

Miss Maxie: "Thank you, Mr. Speaker, ladies and gentlemen of the House: I think someone should speak on behalf of the so-called freshmen legislators in adopting this resolution. I am speaking as a novice and one who particularly has been observant in regards to relationships with the other party, and Mrs. Kirk has been one of the few members who has asked to work with me. I think what we are doing here is commendable and it is not something that the senior members alone can take pride in. I think we freshmen members can take pride in seeing Mrs. Kirk and her husband, who work in a beautiful relationship, honored even though she is of the other party. Thank you."

The resolution was adopted.

The Speaker requested that Representatives Anderson and Eikenberry and the Sergeant at Arms conduct Mrs. Kirk to a place on the rostrum.

The Speaker: "Gladys, I haven't been fortunate enough to serve with you that long, but my mother before me did. If the help and cooperation and assistance and conscientious effort which I have observed and which you have given to me in your association with me is any indication (as I am sure it is) of that same attitude which you have exhibited to each and every member of this House who has served while you have been here, then you can readily understand why this resolution was unanimously adopted today. In accordance with the mandate of the resolution, we have prepared it in formal form. Also in accordance with the motion which was adopted, this booklet containing the inscribed resolution and pictures of each member of the forty-second state legislature, and the signature of each member of this legislature as a sponsor of this resolution as well as the Governor, has been inscribed in booklet form. This idea and this effort you can attribute to the fine work of Representative Anderson who has worked for many days in putting this together. I would like to present it to you at this time as a memorial of this day and ask you to say a few words to the House."

Mrs. Kirk: "Really I am speechless, Mr. Speaker and members of the House of Representatives. I have had many honors during my life, but I believe I can say this is the greatest honor that ever has been bestowed upon me, with the exception of finding my lovely husband. That was, I think, the highlight of my life. This I will cherish for the rest of my life, and serving in the House of Representatives with all you wonderful people is really something that I wish everyone in the state of Washington could do. The friendships we make here are lasting friendships and I hope they will continue to be lasting, many, many years to come. I do want to thank Mr. Anderson, but I'm sorry the resolution was so long. I wondered why my son came down today—I would like my son and my grandchildren and my dear husband to stand in the gallery. (applause) They always say 'behind every good woman is a good man,' and I certainly want to say that I have one of the best. Thank you all so much."

Representatives Anderson and Eikenberry and the Sergeant at Arms escorted Mrs. Kirk from the rostrum.

#### SENATE AMENDMENTS TO HOUSE BILL

(For Amendments see Journal of May 3, 1971, Fifty-third Day, Ex. Sess.)

#### MOTION

#### SECOND READING

ENGROSSED SENATE BILL NO. 124, by Senators Atwood and Durkan (by Departmental request):

Abolishing the state patrol highway account.

Committee recommendation: Majority, do pass as amended.

(For Committee Amendments see Journal of April 21, 1971, Forty-first Day.)

The bill was read the second time.

Mr. Kopet moved adoption of the committee amendment.

Mr. Berentson moved adoption of the following amendment to the committee amendment:

On page 2, section 2, line 6 after "committee" strike "is directed to" and insert "and the joint committee on highways are directed to jointly"

Mr. Berentson spoke in favor of the amendment to the amendment.

## POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Kopet.

Mr. Kopet: "Mr. Berentson, my reason for this question is some concern I have seen on the Legislative Budget Committee where we have had joint studies and nobody seemed to carry the ball. Who do you anticipate would have the primary responsibility for this study being developed?"

Mr. Berentson: "Well as I said, we have spent some time at it now. I imagine what would happen would be that the Budget Committee would assign one of their people to this problem and they would work with us. We have found, as I am sure most of the members have, that the Budget Committee has been very cooperative, and I am sure this would be a joint report to the legislature once we have completed the study."

Mr. Kopet: "In the matter of the division of the cost of this study—how would you imagine the cost might be divided?"

Mr. Berentson: "I rather suspect that if we study this jointly that the Joint Committee on Highways would pick up most of the cost."

The amendment by Mr. Berentson to the committee amendment was adopted.

Mr. Berentson moved adoption of the following amendment to the committee amendment:

On page 4, beginning on line 1, strike "NEW SECTION. Sec. 7. Section" and insert:

"Sec. 7. Section 46.16.060, chapter 12, Laws of 1961 as last amended by section 3, chapter 170, Laws of 1969 ex. sess. and RCW 46.16.060 are each amended to read as follows:

Except as otherwise specifically provided by law for the licensing of vehicles, there shall be paid and collected annually for each calendar year or fractional part thereof and upon each vehicle a license fee in the sum of [nine] ten dollars and [forty] sixty-five cents: PROVIDED, HOWEVER, That the fee for licensing *private passenger car one or two wheel trailers of two thousand pounds gross weight or less operated upon the public highways for personal use of the owner and not held for rental to the public, shall be one-third of the above stated vehicle license fee: AND PROVIDED FURTHER, That the fee for licensing each house moving dollie which is used exclusively for moving buildings or homes on the highway under special permit as provided for in chapter 46.44 RCW, shall be twenty-five dollars and no other fee shall be charged for the load carried thereon.*

NEW SECTION. Sec. 8. Section 46.16.065, chapter 12, Laws of 1961 and RCW 46.16.065, and section"

Renumber the remaining section consecutively.

Representatives Berentson and Perry spoke in favor of the amendment to the committee amendment, and Representatives Kopet and Lysen spoke against it.

The amendment by Mr. Berentson to the committee amendment was lost on a rising vote.

The Clerk read the following amendment by Mr. Berentson to the committee amendment:

On page 4, line 4 after "An Act relating to" strike the remainder of the title and insert "vehicle license fees; disposition of motor vehicle driver's license fees; abolishing the state patrol highway account and providing for disposition of funds therein and moneys payable thereto; providing for an increase in vehicle license fees; amending section 46.08.100, chapter 12, Laws of 1961 as last amended by section 14, chapter 156, Laws of 1965 and RCW 46.01.140; amending section 46.16.060, chapter 12, Laws of 1961 as last amended by section 3, chapter 170, Laws of 1969 ex. sess. and RCW 46.16.060; amending section 61, chapter 170, Laws of 1965 ex. sess. and RCW 46.37.520; amending section 5, chapter 119, Laws of 1965 ex. sess. and RCW 46.52.085; amending section 46.68.030, chapter 12, Laws of 1961 as last amended by section 25, chapter 281, Laws of 1969 ex. sess. and RCW 46.68.030; amending section 4, chapter 25, Laws of 1965 as last amended by section 9, chapter 99, Laws of 1969 and RCW 46.68.041; amending section 46.68.130, chapter 12, Laws of 1961 as last amended by section 1, chapter 83, Laws of 1963 and RCW 46.68.130; repealing section 46.16.065, chapter 12, Laws of 1961 and RCW 46.16.065; repealing section 46.68.140, chapter 12, Laws of 1961 and RCW 46.68.140; declaring an emergency; and providing effective dates."

With the consent of the House, Mr. Berentson withdrew the amendment to the committee amendment.

(2) Application for the renewal of a mobile home identification tag shall be made to the director or his agents, including county auditors, by the owner of a mobile home on a form prescribed by the director. The application must be accompanied by proof of ownership deemed sufficient by the director unless the applicant submits a preprinted application mailed from Olympia and the payment of fees and taxes as may be required by law. Such application shall be handled in the same manner and the fees and taxes transmitted in the same manner as in the case of an original application. Any such application which upon validation becomes a renewal certificate need not have entered on it the name of the lienholder, if any, of the mobile home concerned.

(3) Persons expecting to be out of the state during the period from January first through February first may, not earlier than December first but prior to January first, secure renewal of a mobile home identification tag and have such tag preissued by making application to the director or his agents, including county auditors, upon forms prescribed by the director. "Sec. 14. Section 2, chapter 105, Laws of 1917 as last amended by section 1, chapter 123, Laws of 1959 and RCW 76.04.360 are each amended to read as follows:

If any owner of forest land neglects or fails to provide adequate fire protection therefor as required by RCW 76.04.350, the administrator of the department of natural resources, through the supervisor of natural resources, shall provide such protection therefor at a cost to the owner of not to exceed [nine] *eighteen* cents an acre per year on lands west of the summit of the Cascade mountains and [seven] *fourteen* cents an acre per year on lands east of the summit of the Cascade mountains [and for that purpose]. *For the purpose of this act, the supervisor* may divide the forest lands of the state, or any part thereof, into districts, for patrol and assessment purposes, may classify lands according to the character of timber prevailing, and the fire hazard existing, and place unprotected lands under the administration of the proper district. Such cost must be justified by a showing of budgets on demand of twenty-five owners of forest land in the county concerned at public hearing. Any amounts paid or contracted to be paid by the supervisor of natural resources for this purpose from any funds at his disposal shall be a lien upon the property patrolled and protected, and unless reimbursed by the owner within ten days after October 1st of the year in which they were incurred, on which date the supervisor of natural resources shall be prepared to make statement thereof upon request to any forest owner whose own protection has not been previously approved by him as adequate, shall be reported by the supervisor of natural resources to the assessor of the county in which the property is situated who shall extend the amounts upon the tax rolls covering the property, or the county assessor may upon authorization from the supervisor of natural resources levy the forest patrol assessment against the amounts of unimproved land as shown in each ownership on the county assessor's records and the assessor may then segregate on his records to provide that the improved land and improvements thereon carry the millage levy designed to support the rural fire protection districts as provided for in chapter 52.04.

The amounts assessed shall be collected at the time, in the same manner, by the same procedure, and with the same penalties attached that the next general state and county taxes on the same property are collected, except that errors in assessment may be corrected at any time by the supervisor of natural resources certifying them to the treasurer of the county in which the land involved is situated. Upon the collection of such assessments the county treasurer shall transmit them to the supervisor of natural resources to be applied against expenses incurred in carrying out the provisions of this section.

The supervisor of natural resources shall include in the assessment a sum not to exceed one-half of one cent per acre, to cover the necessary and reasonable cost of office and clerical work incurred in the enforcement of these provisions. He may also expend any sums collected from owners of forest lands or received from any other source for necessary office and clerical expense in connection with the enforcement of RCW 76.04.370.

When land against which fire patrol assessments are outstanding is acquired for delinquent taxes and sold at public auction, the state shall have a prior lien on the proceeds

of sale over and above the amount necessary to satisfy the county's delinquent tax judgment, and the county treasurer in case the proceeds of sale exceed the amount of the delinquent tax judgment shall forthwith remit to the supervisor of natural resources the amount of the outstanding patrol assessments.

The supervisor of natural resources shall furnish a good and sufficient surety company bond running to the state, in a sum as great as the probable amount of money annually coming into his hands under the provisions of this chapter, conditioned for the faithful performance of his duties and for a faithful accounting for all sums received and expended thereunder, which bond shall be approved by the attorney general."

On page 1, line 18 of the title after "76.04.180;" insert "amending section 2, chapter 105, Laws of 1917 as last amended by section 1, chapter 123, Laws of 1959 and RCW 76.04.360;"

and the same is herewith transmitted. BILL GLEASON, Assistant Secretary.

#### APPOINTMENT OF CONFERENCE COMMITTEE

The Speaker appointed Representatives Cunningham, Martinis and Paris as members of the Conference Committee on House Bill No. 200.

#### MOTION

On motion of Mr. Bledsoe, the House advanced to the ninth order of business.

#### SECOND READING

ENGROSSED SENATE BILL NO. 903, by Senators Peterson (Lowell) and Peterson (Ted):

Permitting a five percent differential on Washington produced fish feed.

Committee recommendation: Majority, do pass with the following amendment:

On page 1, section 1, line 15 of the engrossed bill, being the last line of the Senate amendment after "preference." insert "The provisions of this act shall no longer be effective as of June 30, 1973."

The bill was read the second time.

On motion of Mr. Curtis, the committee amendment was adopted.

Engrossed Senate Bill No. 903 as amended by the House was passed to Committee on Rules and Administration for third reading.

ENGROSSED SENATE JOINT RESOLUTION NO. 22, by Senators Greive, Knoblauch, Talley, Lewis, Keefe, Sandison, Ridder, McCutcheon, Fleming, Connor,

Peterson (Lowell), Peterson (Ted), Gardner, Francis, Herr, Day, Odegaard, Washington and Cooney (by Executive and Legislative Council request):

Providing a constitutional amendment concerning loaning the credit of the state.

Committee recommendation: Majority, do pass as amended.

(For Amendment see Journal of April 24, 1971, Forty-fourth Day, Ex. Sess.)

The resolution was read the second time.

Mr. Bluechel moved adoption of the committee amendment.

Representatives Bluechel and Perry spoke in favor of the amendment.

The committee amendment was adopted.

On motion of Mr. Bledsoe, the rules were suspended, the second reading considered the third, and Engrossed Senate Joint Resolution No. 22 as amended by the House was placed on final passage.

Representatives Bledsoe and Ceccarelli spoke in favor of the resolution.

#### POINT OF INQUIRY

Mr. Bluechel yielded to question by Mrs. Hurley.

Mrs. Hurley: "Representative Bluechel, when we are talking about the credit of the state, isn't this the same thing as talking about the taxing power of the state? And if this is so, then wouldn't it be possible that a person's home or business or purchases or anything like this would possibly be taxed in order to provide money to lend to the individuals and corporations and things like this for a public purpose?"

Mr. Bluechel: "No, Mrs. Hurley, this is not quite correct. The credit of the state is not quite the same as the taxing power of the state. What the credit of the state would be used for would be jointly with banking institutions to provide loans or guarantees to industrial concerns with which to start or expand their business. This does not have any direct relationship to the taxing powers. What we are basing this on is the arithmetical means of the general fund of the last three bienniums, and taking five percent of that—allowing us a total amount under the guarantee section of this constitutional amendment of \$75 million. Now the \$75 million is in direct proportion to the amount of money that is flowing through the general fund, but it has nothing to do with the taxing power of the state. There is no attempt under this particular constitutional amendment to tax people to provide money for this sort of thing. You are in error on that particular subject."

Mrs. Hurley: "That was just a question. What is the source of the credit of the state then?"

Mr. Bluechel: "The source—the ultimate source, of course, is the moneys that are collected from all areas of the state government through its taxing powers, but it is difficult to equate this with the lending of the credit of the state in the way in which you are attempting to do."

Mrs. Hurley spoke against passage of Engrossed Senate Joint Resolution No. 22 as amended by the House.

#### POINT OF INQUIRY

Mr. Bluechel yielded to question by Mr. Barden.

Mr. Barden: "Representative Bluechel, is there anything in this measure that would preclude the state from making direct grants or loans to private individuals or corporations for any purpose whatsoever?"

Mr. Bluechel: "This is the enabling act, and the statutory requirements are not written in this particular section. I couldn't answer that question without the statutory requirements. What this does is enable the state to lend its credit, and the credit has been defined in the bill (and let me read you that one again) as a 'grant, loan or guarantee.' "

Representative Barden spoke against passage of Engrossed Senate Joint Resolution No. 22 as amended by the House, and Representatives O'Brien, Moon and Kraebel spoke in favor of it.

#### POINT OF INQUIRY

Mr. Bluechel yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Bluechel, in your opinion, under existing law is it possible for the state to authorize a bond issue for the purpose of making loans to students

for tuition fees and submit it to the people and have it approved and thereby use that as the basis for making loans for the payment of tuition fees for students?"

Mr. Bluechel: "I'm not sure I can answer that question as I am not a lawyer, but I understand that in order to make a direct loan to a student, we would have to go before the courts, depending upon how that particular bond issue was issued, and have a court determination of whether we circumvented the clause in the Constitution that says the credit of the state presently cannot be loaned."

Mr. Flanagan: "Then what if we authorize the bond issue and submit it to the people for the purpose of making loans for resource development? Would that be within the present constitutional limits?"

Mr. Bluechel: "A classic case of this, Representative Flanagan, is when a court determination had to be made of constitutionality of the case where public and private power wanted to join together in a joint venture for the development of power plants and this issue was only decided by the courts after the law was passed. What this Senate Joint Resolution would do would be to clear up this situation so we in the legislature would know when we pass the law that it clearly would do this or that."

### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Joint Resolution No. 22 as amended by the House, and the resolution failed to pass the House by the following vote: Yeas, 56; nays, 40; absent or not voting, 3.

Voting yea: Representatives Adams, Anderson, Backstrom, Bagnariol, Beck, Berentson, Blair, Bledsoe, Bluechel, Bottiger, Bozarth, Brouillet, Brown, Ceccarelli, Charette, Chatalas, Conner, Cunningham, Curtis, Douthwaite, Gallagher, Haussler, Hubbard, Jastad, Jones, Kirk, Kiskaddon, Knowles, Kopet, Kraabel, Litchman, Lynch, Martinis, Maxie, May, McCormick, McDermott, Mentor, Merrill, Moon, Newhouse, North, O'Brien, Paris, Perry, Rabel, Rosellini, Ross, Sawyer, Shera, Smith, Smythe, Thompson, Williams, Zimmerman, Mr. Speaker—56.

Voting nay: Representatives Amen, Barden, Bauer, Benitz, Bradley, Charnley, Conway, Copeland, Costanti, Eikenberry, Farr, Flanagan, Gilleland, Gladder, Goldsworthy, Grant, Hansey, Harris, Hatfield, Hoggins, Hurley, Juelling, Kilbury, King, Kuehnle, Luders, Lysen, Marsh, Marzano, Morrison, Pardini, Polk, Randall, Savage, Schumaker, Shipoch, Spanton, Van Dyk, Wojahn, Wolf—40.

Absent or not voting: Representatives Johnson, Julin, Wanamaker—3.

Engrossed Senate Joint Resolution No. 22 as amended by the House, having failed to receive the constitutional majority, was declared lost.

### MOTION FOR RECONSIDERATION

Mr. Hoggins, having voted on the prevailing side, moved that the House do now reconsider the vote by which Engrossed Senate Joint Resolution No. 22 as amended by the House failed to pass the House.

Mr. Perry spoke in favor of the motion.

### POINT OF ORDER

Mr. Charnley: "I beg your pardon, Mr. Speaker, but I question if Mr. Perry is speaking to the motion to reconsider."

The Speaker: "I believe we need to give considerable latitude in explaining why the House should be asked to reconsider the vote."

Representatives Perry and Bledsoe spoke in favor of the motion to reconsider.

### POINT OF INQUIRY

Mr. Bluechel yielded to question by Mrs. Hurley.

Mrs. Hurley: "Mr. Bluechel, I think probably my question might help some of the others determine whether they want to vote for reconsideration or not. On page 2 of our House amendment, line 7, it says: 'The provisions of Article XII, section 9 are hereby repealed.' I am sure that in the bill you intended to repeal the first provision which says the state shall not in any manner loan its credit. But there are two provisions—the other one goes on to say '... nor shall it subscribe to or be interested in the stock of any company,

association or corporation.' Now does this mean that we are going to go into this business of stocks?"

Mr. Bluechel: "No, Mrs. Hurley, it doesn't. But it is quite common as collateral to have stock pledged to the guarantor and this would not be possible if that section of the article as written were left in."

Representative Hurley spoke against the motion to reconsider and Representatives Bottiger and Backstrom spoke in favor of it.

The motion by Mr. Hoggins to reconsider the vote by which Engrossed Senate Joint Resolution No. 22 as amended by the House failed to pass the House was carried.

#### MOTION

On motion of Mr. Bledsoe, the House deferred reconsideration of Engrossed Senate Joint Resolution No. 22 as amended by the House and the resolution was placed at the top of tomorrow's third reading calendar.

HOUSE BILL NO. 550, by Representatives Newhouse, Haussler, Morrison, Amen, Benitz, Berentson, Bledsoe, Bozarth, Costanti, Curtis, Moon and Van Dyk:

Enacting the Washington State Agricultural Labor Relations Act.

Committee recommendation: Majority, do pass as amended.

(For Committee Amendments see Journal of March 30, 1971, Nineteenth Day, Ex. Sess.)

The House resumed consideration of House Bill No. 550 on second reading. The Speaker stated that one committee amendment had been adopted previously.

(See Journal of April 1, 1971, Twenty-first Day, Ex. Sess.)

Mr. Newhouse moved that the other committee amendments not be adopted.

The motion was carried and the committee amendments were not adopted.

Mr. Newhouse moved adoption of the following amendment by Representatives Newhouse, Haussler and Morrison:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. Industrial strife can be avoided or substantially minimized if employers, employees, and labor organizations each recognize under law one another's legitimate rights in their relations with each other, and above all recognize under law that both parties have the duty to minimize to the best of their ability, the impact of labor disputes upon the public interest.

It is the purpose and policy of this act to prescribe the legitimate rights of both employees and employers in their relations, to provide orderly and peaceful procedures for preventing the interference by either with the legitimate rights of the other, to protect the rights of individual employees in their relations with labor organizations, to define and prescribe practices on the part of labor and management which are inimical to the general welfare, and to protect the rights of the public in connection with labor disputes.

The uninterrupted production, handling, and sale of agricultural commodities are essential to the public welfare. It is essential that agricultural employers, employees, and labor organizations each recognize one another's legitimate rights in their relations with each other and above all recognize, under law, that neither party has any right in its relations with any other to engage in acts or practices which jeopardize the public welfare.

NEW SECTION. Sec. 2. (1) 'Person' includes one or more individuals, labor organizations, partnerships, associations, corporations, legal representatives, trustees, trustees in bankruptcy, or receivers.

(2) 'Employer' includes any person who regularly employs one or more employees in agricultural work, and any person acting as an agent of an employer.

(3) 'Employee' includes any individual, employed by an employer as defined in subsection (2) of this section in agricultural work, as defined in section (3) (f) of the Federal Fair Labor Standards Act, and shall not be limited to the employees of a particular employer unless this act explicitly states otherwise. However, the term 'employee' shall not include any individual employed in the domestic service of any family or person at his home, or any individual employed by his parent or spouse, or independent contractors including those engaged in sharecrop operations, or confidential or clerical employees, guards, and supervisors, or any individual employed by any person who is not an employer as defined above in subsection (2) of this section.

(4) 'Representatives' includes any individual or labor organization.

(5) 'Labor organization' means any organization of any kind, or any agency or employee representation committee or plan in which employees or individuals employed by any person participate, and which exists for the purpose, in whole or in part, of dealing with

employers or persons concerning grievances, labor disputes, wages, rates of pay, hours of employment, or conditions of work.

(6) 'Labor dispute' includes any controversy concerning terms, tenure, or conditions of employment, or concerning the association or representation of persons in negotiating, fixing, maintaining, changing, or seeking to arrange terms or conditions of employment, regardless of whether the disputants stand in the proximate relation of employer and employee.

(7) 'Supervisor' means any individual having authority, in the interest of the employer, to hire, transfer, suspend, lay-off, recall, promote, discharge, assign, reward, or discipline other employees, or responsibly to direct them, or to adjust their grievances, or effectively to recommend such action, if in connection with the foregoing the exercise of such authority is not of merely routine or clerical nature, but requires the use of independent judgment.

(8) 'Board' means the 'Washington agricultural labor board' created in section 3 of this act.

(9) 'Department' means the state department of labor and industries.

(10) In determining whether any person is acting as an 'agent' of another person so as to make such other person responsible for his acts, the question of whether the specific acts performed were actually authorized or subsequently ratified shall not be controlling.

**NEW SECTION.** Sec. 3. (1) There is created a board to be known as the Washington agricultural labor board which shall be composed of three members, appointed by the governor. One of the members shall be appointed from a list of names submitted by the Washington state labor council, provided that said council has considered nominees submitted by other labor organizations. One shall be appointed from lists of names of management employed in or connected with the agricultural industry, the lists to be submitted by employers or other agricultural groups. Upon appointment the two members referred to above shall choose among themselves the third member who shall be representative of the public and chairman of the board. If they are unable within a reasonable period of time to agree upon the third member he shall be appointed by the governor from a list of names submitted by the Washington state bar association.

(2) The initial terms of office of the members of the board shall be four years for the labor representative, two years for the employer representative, and three years for the chairman. Thereafter, all terms shall be for a period of four years. Each member of the board shall be eligible for reappointment and shall hold office until his successor is appointed and qualified. In the event of vacancy, the governor shall within thirty days appoint a successor to fill the unexpired term of his predecessor. All appointments to the board shall be made in conformity with the foregoing plan.

(3) A vacancy in the board shall not impair the right of the remaining members to exercise all the powers of the board and two members of the board shall, at all times, constitute a quorum. The board may adopt an official seal and prescribe the purposes for which it shall be used.

(4) Each member of the board shall be paid fifty dollars for each day in which he has actually attended a meeting of the board officially held. The members of the board shall receive any number of daily payments for official meetings of the board actually attended.

(5) The reasonable and necessary traveling and other expenses of the board and employees thereof, while actually engaged in the performance of their duties, shall be paid from the state treasury, upon the warrant of the state treasurer, upon vouchers signed by the chairman, or any two members of the board.

(6) The board may employ, promote, and remove an executive secretary on a full time basis. The board may also employ, promote, and remove clerical employees and other employees as necessary.

(7) The principal office of the board shall be in the city of Olympia, but it may meet and exercise any or all of its powers at any other place within the state.

(8) The board and the department shall have the authority from time to time to make, amend, and rescind such rules and regulations as may be necessary to carry out the provisions of this act. Rule-making proceedings shall be conducted as prescribed by chapter 34.04 RCW, as is now or hereafter amended.

**NEW SECTION.** Sec. 4. Employees shall have the right to self-organization, to form, join, or assist labor organizations, to bargain collectively through representatives of their own choosing, and shall also have the right to refrain from any or all of such activities except to the extent that such right may be affected by an agreement requiring financial contributions to a labor organization as a condition of continued employment as authorized in section 6 (3) of this act.

**NEW SECTION.** Sec. 5. It shall be an unfair labor practice for an employer:

(1) To restrain or coerce employees in the exercise of the rights guaranteed in section 4 of this act.

(2) To dominate or interfere with the formation or administration of any labor organization or contribute financial or other support to it: PROVIDED, That subject to rules and regulations made and published by the board an employer shall not be prohibited from permitting employees to confer with him during working hours without loss of time or pay: PROVIDED FURTHER, That in determining whether a violation of this section has occurred, the same rules and regulations shall apply irrespective of whether or not the labor organization affected is affiliated with a labor organization national or international in scope.

(3) By discrimination in regard to hire or tenure of employment or any term or condition of employment to encourage or discourage membership in any labor organization which is in compliance with section 7 (13) of this act: PROVIDED, That an employer may enter into a written agreement with such a labor organization providing that after seven days employment, an employee (as defined in section 2 (3) of this act) shall make financial contributions toward the labor organization consisting of a sum not greater than the monthly dues of said labor organization and providing that an employer may terminate an employee upon request of the labor organization, if the employer has reasonable grounds for believing that said employee has not made or tendered said financial contributions: PROVIDED, FURTHER, That an employer shall not enter into an agreement to hire employees only through a hiring hall operated by a labor organization.

(4) To discharge or otherwise discriminate against an employee because he has filed charges or given testimony under this act.

(5) To refuse to bargain collectively with the representative of his employees provided that said representative is currently certified by the board pursuant to the provisions of section 9 of this act.

**NEW SECTION.** Sec. 6. It shall be an unfair labor practice for a labor organization or its agents:

(1) To restrain or coerce (including to fine or otherwise discipline) employees in the exercise of rights guaranteed in section 4 of this act: PROVIDED, That this subsection shall not impair the right of a labor organization to prescribe its own rules with respect to the acquisition or retention of membership therein.

(2) To cause or attempt to cause an employer to discriminate against employees in violation of section 6 (3) of this act, or to require of employees covered by an agreement authorized under section 6 (3) of this act the payment of a fee in an amount which the board finds excessive or discriminatory under all the circumstances. In making such a finding the board shall consider among other relevant factors the practices and customs of labor organizations in the particular industry, and the wages currently paid to the employees affected.

(3) (a) To restrain or coerce an employer in the selection of his representatives for the purposes of collective bargaining or the adjustment of grievances; or

(b) To refuse to bargain collectively with an employer, provided that it is the representative of his employees as provided in section 9 of this act; or

(c) To picket or engage in a strike or other concerted refusal to work without first conducting a secret ballot election in which a majority of employees in the bargaining unit vote to strike, or without first giving the notices or without complying with the time periods and procedure provided in section 10 of this act.

(4) To engage in mass picketing (substantially blocking the ingress or egress to any agricultural premise or other private property or which interferes with the use of public streets or roads) or picketing with acts of violence.

(5) During a labor dispute to join or become a part of a sit-down strike or without the employer's authorization to seize or hold or to damage or destroy the property of the employer with the intent of compelling the employer to accede to demands, conditions, and terms of employment, including the demand for collective bargaining.

(6) (a) To engage in or to induce or encourage any individual employed by any person to engage in, a strike or a refusal in the course of his employment, to use, manufacture, process, transport or otherwise handle or work on any goods, articles, materials, or commodities, or to perform any services; or

(b) To threaten, coerce, or restrain any person, where in either case an object thereof is:

(i) Forcing or requiring any employer or self-employed person to join any labor or employer organization; or

(ii) Forcing or requiring any person to enter into any contract or agreement, express or implied, whereby such person ceases or refrains or agrees to cease or refrain from handling, using, selling, transporting, or otherwise dealing in any agricultural commodity, or to cease doing business with any other person. Any contract or agreement entered into heretofore or hereafter containing such an agreement shall be to such an extent unenforceable and void.

(iii) Forcing or requiring any person to cease using, selling, handling, transporting, or otherwise dealing in the products of any other producer, processor, or manufacturer, or to cease doing business with any other person, or forcing or requiring any other employer to recognize or bargain with a labor organization as the representative of his employees unless such labor organization has been certified as the representative of such employees under the provisions of section 8 of this act: PROVIDED, That nothing contained in this subparagraph (iii) shall be construed to make unlawful, where not otherwise unlawful, any primary strike or picketing;

(iv) Forcing or requiring any employer to recognize or bargain with a particular labor organization as the representative of his employees if another labor organization has been certified as the representative of such employees under the provisions of section 9 of this act; or

(v) Forcing or requiring any employer to assign particular work to employees in a particular labor organization or in a particular trade, craft, or class, rather than to employees in another labor organization, or in another trade, craft, or class, unless such employer is

failing to conform to an order or certification of the board determining the bargaining representative for employees performing such work.

For purposes of subsection 6 only, nothing contained therein shall be construed to prohibit publicity, other than picketing or otherwise patrolling, for the purpose of truthfully advising the public that a product or products are produced by an employer with whom the labor organization has a primary dispute and are distributed by another employer, as long as such publicity does not have an effect of inducing any individual employed by any person other than the primary employer in the course of his employment to refuse to pick up, deliver, or transport any goods, or not to perform any services, at the establishment of the secondary employer.

(7) To picket or cause to be picketed, or threaten to picket or cause to be picketed, any employer where an object thereof is forcing or requiring an employer to recognize or bargain with a labor organization as the representative of his employees, or forcing or requiring the employees of an employer to accept or select a labor organization as their collective bargaining representative, unless such labor organization is currently certified as the representative of such employees:

(a) Where the employer has lawfully recognized in accordance with this act, any other labor organization and a question concerning representation may not appropriately be raised under section 8 of this act; or

(b) Where within the preceding twelve months a valid election under section 9 of this act has been conducted; or

(c) Where such picketing continues for more than a reasonable period of time not to exceed five days.

(8) To cause or attempt to cause an employer to pay for services not performed or to pay any 'stand-in' employee, or pay for any employee not required by the employer or necessary for the work of the employer.

**NEW SECTION.** Sec. 7. The expressing of any views, argument, or opinion or the dissemination thereof, whether in written, printed, graphic, or visual form, shall not constitute or be evidence of an unfair labor practice nor ground for setting aside any election under any of the provisions of this act, if such expression contains no threat of reprisal or force or promise of benefit. Nothing in this act shall be deemed to prohibit speech protected by the Constitutions of the United States or the state of Washington.

**NEW SECTION.** Sec. 8. (1) When a petition is filed with the board together with recent authorizations signed by thirty percent or more of employees of a particular employer, the board shall decide whether a unit is appropriate for the purposes of collective bargaining and whether to conduct an election. No unit shall be appropriate if it consists of the employees of more than one employer unless each employer agrees that their individual units may be combined into a single appropriate unit. The bargaining unit shall consist of all employees (defined in section 2 (3) of this act), of an employer unless the employer and the petitioner for an election agree to a different unit.

(2) A petition for an election may be filed:

(a) By a labor organization or its agent; or

(b) By an employer alleging that one or more labor organizations has presented to him a claim to be recognized as the representative of his employees, or that he has a reasonable doubt that the recognized representative continues to represent the majority of the employees in the unit;

(c) By an employee or employees asserting that the labor organization which has been certified or is currently recognized by their employer as the bargaining representative, no longer represents the majority of the employees in the unit.

(3) Representatives designated or selected for the purposes of collective bargaining by the majority of employees in an appropriate unit shall be the exclusive representative for the purposes of collective bargaining: PROVIDED, That any employee or group of employees shall have the right at any time to present grievances to their employer and to have such grievances adjusted so long as the adjustment is not inconsistent with the express terms of the collective bargaining agreement.

(4) No election shall be conducted in any bargaining unit within which, in the preceding twelve month period, a valid election shall have been held. No employee shall be eligible to vote unless he has been employed by that employer at least fourteen work days during the current or prior calendar year, and is currently employed there. Employees engaged in an economic strike who are not entitled to reinstatement shall be eligible to vote under such regulations as the board shall find are consistent with the purposes and provisions of this act, in any election conducted within twelve months after the commencement of the strike. In any election where none of the choices on the ballot receives a majority, a run-off shall be conducted, the ballot providing for a selection between the two choices receiving the largest and second largest number of valid votes cast in the election.

(5) The board shall not conduct an election unless it finds that a representative number of employees in that unit are employed at the time of the election. A labor organization must have over fifty percent of the valid votes cast by employees of a particular employer in a secret ballot election to be certified as the representative for purposes of collective bargaining of the employees of that employer.

**NEW SECTION.** Sec. 9. (1) For the purposes of this section, to bargain collectively is the performance of the mutual obligation of the employer and the representative of the employees to meet at reasonable times and confer in good faith with respect to wages,

hours, and other terms and conditions of employment, or the negotiation of an agreement, or any question arising thereunder, and the execution of a written contract incorporating any agreement reached if requested by either party, but such obligation does not compel either party to agree to a proposal or require the making of a concession: PROVIDED, That where there is in effect a collective bargaining contract covering employees, the duty to bargain collectively shall also mean that no party to such contract shall terminate or modify such contract, unless the party desiring such termination or modification:

(a) Serves a written notice upon the other party to the contract of the proposed termination or modification sixty days prior to the expiration date thereof, or in the event such contract contains no expiration date, sixty days prior to the time it is proposed to make such termination or modification;

(b) Offers to meet and confer with the other party for the purpose of negotiating a new contract or a contract containing the proposed modifications;

(c) Notifies the department of labor and industries within thirty days after such notice of the existence of a dispute, provided no agreement has been reached by that time; and

(d) Continues in full force and effect, without resorting to strike or lockout, all the terms and conditions of the existing contract for a period of sixty days after such notice is given or until the expiration date of such contract, whichever occurs later.

The duties imposed upon employers, employees, and labor organizations by paragraphs (b), (c), (d), shall become inapplicable upon an intervening certification of the board, under which the labor organization, which is a party to the contract, has been superseded as or ceased to be the representative of the employees subject to the provisions of section 9 of this act and the duties so imposed shall not be construed as requiring either party to discuss or agree to any modification of the terms and conditions contained in a contract for a fixed period, if such modification is to become effective before such terms and conditions can be reopened under the provisions of the contract. Any employee who engages in a strike within the sixty-day period specified in this subsection shall lose his status as an employee of the employer engaged in the particular labor dispute, for the purposes of this act, but such loss of status for such employee shall terminate if and when he is reemployed by such employer.

(2) If the parties have not settled the dispute after the termination of the period provided in subsection (1) of this section the employees may strike or, the employer may lockout his employees after ten days additional written notice to the other party and to the mediator: PROVIDED, That employees of an employer engaged in the production of perishable agricultural commodities shall not strike or engage in other concerted refusal to work during the harvest of said commodities or during a period beginning approximately fourteen days prior to the beginning of said harvest, nor shall such employer lockout his employees, if the moving party during the ten day period above gives written notice to the other party and to the mediator of its willingness to be bound by the following procedure.

(a) The board shall provide a list of five names which may be from a list approved by the American Arbitration Association to the employer and the labor organization; no mediator who has served in the dispute and no member or employee of the board shall be included. The parties shall agree to one of the five to serve as arbitrator, by alternatively striking a name from the list until only one name is left.

(b) The arbitrator shall meet with the parties jointly or separately to determine their positions. He shall within sixty days after his first meeting with a party issue his written findings of fact and conclusions, and he shall determine the dispute. He may, at his discretion, make public his finding, conclusions, and determination. The parties shall share equally the costs of the fact-finder and arbitrator.

(c) The arbitrator shall not change a term or condition of employment which had been agreed to by the parties without the consent of both parties; he shall only decide matters not agreed to by the parties. His determination of the wages, hours, and other terms and conditions of employment shall not be substantially different from that prevailing among other employers in the area, nor shall it be contrary to law, nor for more than twelve months. His determination may include a provision making any changes effective with the date that the moving party requested fact-finding and arbitration.

(d) The determination of the arbitrator made pursuant to the above procedure shall be binding upon the moving party, and his determination may be enforced by the other party in the superior court of the county wherein the employer resides, or if such court be on vacation or in recess then to the superior court of an adjoining county: PROVIDED, That if the party which did not request arbitration fails or refuses to be bound by the determination, then the determination shall not be binding upon either party. In such case, the employees are free to strike and the employer may lockout his employees, provided in either case that at least sixty days has elapsed since the moving party requested fact-finding and arbitration.

(3) Any employee who engages in a strike within the period specified in subsection (2) of this act shall lose his status as an employee of the employer engaged in the particular labor dispute, but such loss of status shall terminate if and when he is reemployed by such employer.

**NEW SECTION.** Sec. 10. (1) The board is empowered and directed, as hereinafter provided, to prevent any employer, labor organization, or individual from engaging in any unfair labor practice. This power shall not be affected or impaired by any means of adjustment, mediation, or conciliation in labor disputes that have been or may hereafter be established by law.

(2) Whenever a charge has been made that any employer, labor organization, or individual has engaged in or is engaging in any unfair labor practice, the board, or any agent of the board, shall investigate the charge, and shall have power to issue and cause to be served upon such person a complaint: PROVIDED, That no complaint shall issue based upon any unfair labor practice occurring more than three months prior to the filing of the charge with the board and the service of a copy thereof upon the person against whom such charge is made, unless the person aggrieved thereby was prevented from filing such charge by reason of service in the armed forces, in which event the three month period shall be computed from the day of discharge. The complaint shall state the charges in that respect and contain a notice of hearing before the board at a place therein fixed to be held not less than twenty days after the serving of such complaint. Any such complaint may be amended by the board or its agent conducting the hearing at any time prior to the issuance of an order based thereon. The person so complained of shall have the right to file an answer to the original or amended complaint within ten days after the service of such original or amended complaint and to appear in person or otherwise to give testimony at the place and time set in the complaint. In any such proceeding, the board or its agent shall endeavor to follow but shall not be bound by technical rules of evidence prevailing in the courts of law or equity.

(3) The testimony shall be taken at the hearing and the board, in its discretion, may upon notice take further testimony or hear argument. The testimony so taken or heard shall not be reduced to writing unless an appeal is taken as provided herein by an aggrieved party or unless a transcript is required for proceedings in the superior court. If upon all the testimony taken the board shall determine that the respondent has engaged in or is engaging in any unfair labor practice, the board shall state its findings of fact and shall issue and cause to be served on such respondent an order requiring such respondent to cease and desist from such unfair labor practice and to take such further affirmative or other action as will effectuate the policies of this act.

(4) Such order referred to above may further require such person to make reports from time to time showing the extent to which it has complied with the order. If upon the preponderance of the testimony taken the board shall not be of the opinion that the person named in the complaint has engaged in or is engaging in any such unfair labor practice, then the board shall state its findings of fact and shall issue an order dismissing the said complaint. No order of the board shall require the reinstatement of any individual as an employee who has been suspended or discharged, or the payment to him of any back pay, if such individual was suspended or discharged for cause.

(5) The board or any party to the board proceedings, shall have power to petition the superior court of the state within the county wherein the unfair labor practice in question occurred or wherein any person charged with the unfair labor practice resides or transacts business, or if such court be on vacation or in recess, then to the superior court of any county adjoining the county wherein the unfair labor practice in question occurred or wherein any person charged with the unfair labor practice resides or transacts business, for appropriate temporary relief or restraining order, pending the final adjudication of the board or the courts with respect to such matter, and for the enforcement of such order, and shall certify and file in the court a transcript of the entire record in the proceeding, including the pleadings and testimony upon which such order was made and the findings and order of the board. Upon such filing, the court shall cause notice thereof to be served upon such person, and thereupon shall have jurisdiction of the proceeding and of the question determined therein, and shall have power to make and enter upon the pleadings, testimony, and proceedings set forth in such transcript a decree enforcing, modifying, and enforcing as so modified, or setting aside in whole or in part the order of the board.

(6) The jurisdiction of the superior court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to review by the court of appeals, and the supreme court on the appeal by either party, irrespective of the nature of the decree or judgment or the amount involved. Such appeal shall be taken and prosecuted in the same manner and form and with the same effect as is provided in other cases of appeal to the court of appeals and the supreme court, and the record so certified shall contain all that was before the superior court, and the order of the superior court shall for all purposes including appeal be deemed to be a final order in a special proceeding.

(7) Any member of the board shall have power to issue subpoenas requiring the attendance and testimony of witnesses and the production of any evidence that relates to any matter under investigation or in question before the board, its member, agent, or agency, conducting the hearing or investigation. Any member of the board, or any agent or agency designated by the board for such purposes, may administer oaths and affirmations, examine witnesses, and receive evidence.

(8) Any person who shall wilfully resist, prevent, impede, or interfere with any member of the board or any of its agents or agencies in the performance of duties pursuant to this act, or who shall in any manner interfere with the free exercise by employees of their right to select representatives in an election directed by the board pursuant to section 9 of this act, shall be punished by a fine of not more than five thousand dollars or by imprisonment for not more than one year, or both.

**NEW SECTION.** Sec. 11. Insofar as the provisions of this act are inconsistent with the provisions of any other general, special or local law, the provisions of this act shall be controlling. However, rights of an employer, labor organization, or individual under any other law of the state of Washington not inconsistent with the provisions of this act shall continue.

*NEW SECTION.* Sec. 12. The provisions of this act shall not apply to employees of the federal government, employees of the state or a political subdivision of the state, employees covered by the railway labor act, or to employees of any employer who is subject to and protected by the provisions of the national labor relations act, as amended.

*NEW SECTION.* Sec. 13. If any section, sentence, clause, or phrase of this act should be held to be invalid or unconstitutional the invalidity or unconstitutionality thereof shall not affect the validity or constitutionality of any other section, sentence, clause or phrase of this act.

*NEW SECTION.* Sec. 14. This act shall be known and may be cited and referred to as the 'Washington State Agricultural Labor Relations Act'.

*NEW SECTION.* Sec. 15. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

On page 9, section 7, after line 25 insert "Nothing in this act shall be interpreted or construed to force, coerce, or indicate in any way to any worker or employee employed by a farm whose average annual employee force is 12 or less, that he is, or could conceivably be required, to join, or make any sort of financial contribution to, any labor organization or company union. ## RESOLUTIONS

HOUSE RESOLUTION NO. 71-76, by Representatives Kopet, Marsh and Curtis:

WHEREAS, The State presently shares the receipts from leases of state-owned tidelands, harbor areas and waterways with port districts and other local government agencies in which the leased lands are located; and

WHEREAS, The amount of revenue produced by these leases will tend to increase as these leases and the subject lands are reassessed by the Department of Natural Resources pursuant to RCW 79.01.520; and

WHEREAS, Certain statutory or constitutional questions exist relative to the statutes governing disposition of funds or other considerations arising from the lease, sale or other disposition of state lands in fresh and saltwater harbor areas; and

WHEREAS, Laws enacted over a long span of years relating to the management, lease and disposition of state tidelands and shorelands in harbor areas and other areas may be inconsistent with current or future public or state needs;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives hereby requests the Legislative Budget Committee to study the laws governing the existing allocation of revenues arising from the lease, rental, sale or other disposition of state tidelands and shorelands.

BE IT FURTHER RESOLVED, That the Legislative Budget Committee is requested to report any findings, conclusions, and recommendations together with any proposed legislation to the members of the Legislature prior to the next Regular Legislative Session.

On motion of Mr. Curtis, the resolution was adopted.

## SECOND READING

ENGROSSED SENATE BILL NO. 485, by Senators Washington, Greive, Bailey, Francis, Wilson and Murray (by Lieutenant Governor request):

Enacting an open public meetings act.

## MOTION

On motion of Mr. Bledsoe, Engrossed Senate Bill No. 485 was made a special order of business for 2:30 p.m. today.

ENGROSSED SENATE BILL NO. 755, by Senators Woodall, Sandison, Ridder and Scott (by Attorney General request):

Enacting the "Franchise Investment Protection Act."

## MOTION

Mr. Bledsoe moved that the House defer consideration of Engrossed Senate Bill No. 755, and the bill be ordered placed on the calendar following Engrossed Substitute Senate Bill No. 866.

## POINT OF INQUIRY

Mr. Bledsoe yielded to question by Mr. Grant.

Mr. Grant: "What is the purpose of setting the bill back that far, Mr. Bledsoe?"

Mr. Bledsoe: "I would yield to Representative Curtis who made the request, sir."

Mr. Curtis: "Mr. Grant, there have been some additional objections raised to Senate Bill No. 755. Representative Kuehnle is currently meeting with Assistant Attorney General Bill Clarke to see if we can iron out these objections or whether we are going to agree to disagree. Mr. Clarke has agreed to set the bill down to this particular point, and this point was chosen because it was simply the end of yesterday's second reading calendar. We think it will be considered today and we would just like a little additional time."

The motion was carried.

HOUSE BILL NO. 592, by Representatives Ceccarelli, Gilleland and Charnley (by Executive request):

Creating uniform state-wide requirements for equipment, registration, and operation of boats.

## MOTION

On motion of Mr. Zimmerman, Substitute House Bill No. 592 was substituted for House Bill No. 592, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 592 was read the second time.

Mr. Charnley moved adoption of the following amendment:

On page 5, section 4, line 28 insert the following:

"The director shall submit in writing to a meeting of the council proposed noise regulations and limits to apply to categories of vessels on navigable and nonnavigable waters of the state. The council shall establish specific noise limits and test procedures and instrumentation to be utilized in establishing accepted standards."

Mr. Charnley spoke in favor of the amendment.

## POINT OF INQUIRY

Mr. Ceccarelli yielded to question by Mr. Charnley.

Mr. Charnley: "Mr. Ceccarelli, as the prime sponsor of this bill, I wondered if you had any response to the inclusion of this—if this, in your eyes, would fit within the actions of this bill?"

Mr. Ceccarelli: "Yes, Representative Charnley, I don't see where this would be damaging in any way. This is a marine safety act and certainly noise levels would probably come under the jurisdiction of the director. I think he already will have these duties regardless of this amendment, but this will probably spell it out a little more clearly that this will be one of his responsibilities to regulate noise as well as speed, etc. in the safety of boating."

The amendment by Mr. Charnley to Substitute House Bill No. 592 was adopted.

Mr. Eikenberry moved adoption of the following amendment:

On page 8, section 11, line 23 strike subsections (8) and (9) and renumber the remaining subsections consecutively.

Mr. Eikenberry spoke in favor of adoption of the amendment, and Mr. Ceccarelli spoke against it.

## PARLIAMENTARY INQUIRY

Mr. Pardini: "Mr. Eikenberry's amendment proposes to strike subsections (8) and (9) which deal with two separate things: One, manually propelled boats (subsection (8)) and secondly sailboats (subsection (9)). He also has a subsequent amendment in case this one doesn't carry working on subsection (9). Would it be in order to divide the question on Mr. Eikenberry's first amendment?"

The Speaker: "I believe it would be in order to make such a motion."

## MOTION

On motion of Mr. Pardini, the question was divided.

The Speaker stated the question before the House to be the amendment by Mr. Eikenberry to Substitute House Bill No. 592, page 8, section 11, striking subsection (8).

Representatives Pardini and Kraabel spoke against adoption of the amendment.

Mr. Eikenberry closed debate, speaking in favor of the amendment.

The amendment by Mr. Eikenberry was not adopted.

The Speaker stated the question before the House to be the second half of the divided amendment by Mr. Eikenberry, striking subsection (9), page 8, section 11, Substitute House Bill No. 592.

Mr. Kraabel spoke against adoption of the amendment, and Mr. Eikenberry spoke in favor of it.

## PARLIAMENTARY INQUIRY

Mr. Kiskaddon: "Mr. Speaker, which amendment are we discussing now—the amendment to strike subsection (9) or the amendment to change sailboats from twenty-six to eighteen feet?"

The Speaker: "The one that strikes subsection (9)."

Mr. Thompson spoke in favor of the amendment by Mr. Eikenberry.

The amendment by Mr. Eikenberry to strike subsection (9) was adopted.

The Clerk read the following amendment by Mr. Eikenberry:

On page 8, section 11, line 24 after "(9) Sailboats less than" strike "twenty-six" and insert "eighteen"

With the consent of the House, Mr. Eikenberry withdrew the amendment.

On motion of Mr. Zimmerman, the following amendments by Representatives Zimmerman, Ceccarelli, Kraabel and Gilleland were adopted:

On page 13, section 17, line 14 after "duties" insert " PROVIDED, That the director may permit individual title searches by dealers and/or other vessel owners: PROVIDED FURTHER, That the director shall charge a reasonable fee to cover the cost of such title search"

On page 14, section 18, line 2 after "fee" insert "provided in this section only"

On page 15, section 22, line 20 after "created" strike "within the general fund an account to be known as the" and insert "a"

On motion of Mr. Charnley, the following amendment was adopted:

On page 17, insert "*NEW SECTION.* Sec. 29. No persons shall operate a vessel on any waters of this state in such a manner as to exceed the noise limit established by the council except while engaged in an activity authorized under section 32 of this act."

Renumber the remaining sections consecutively.

Substitute House Bill No. 592 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 592 was placed on final passage.

Representatives Ceccarelli, Eikenberry and Kraabel spoke in favor of passage of the bill, and Representative Mentor spoke against it.

## POINT OF INQUIRY

Mr. Ceccarelli yielded to question by Mr. O'Brien.

Mr. O'Brien: "Mr. Ceccarelli, this question Mr. Mentor raised about the tax on boats—personal property tax is now paid on many boats. Will this tax supersede or eliminate the personal property tax, or are you paying a state tax in addition to the personal property tax on boats?"

Mr. Ceccarelli: "I'm glad you asked that, Mr. O'Brien. If you look on page 14 of the bill, subsection (6), it says, 'The registration fee shall be in lieu of the personal property tax on vessels provided for in RCW 84.04.080.' So therefore this is not an additional tax—it is in lieu of the personal property tax."

Mr. Zimmerman spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Ceccarelli yielded to question by Mr. Brown.

Mr. Brown: "Representative Ceccarelli, in section 32 of the bill, it provides for the director to regulate the holding of regattas, motor boat races, etc. Is it the intent of this section also to permit the director to designate either the areas or times for trial runs or practice runs made with racing vessels?"

Mr. Ceccarelli: "Yes, it requires a 15-day notice when they are going to have these runs. The director, as you know, has certain powers under this act—not only with regattas, but in all other forms of boating safety. But he still has to answer to the seven-member committee, so that with five votes from the committee he could be overruled. This will give an opportunity, not just to helter-skelter carry on these functions, but it would be under his directorship so he could regulate it."

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 592, and the bill passed the House by the following vote: Yeas, 55; nays, 40; absent or not voting, 4.

Voting yea: Representatives Amen, Backstrom, Bauer, Blair, Bluechel, Bozarth, Brown, Ceccarelli, Charette, Charnley, Chatalas, Cunningham, Curtis, Eikenberry, Flanagan, Gallagher, Gilleland, Goldsworthy, Grant, Harris, Hatfield, Haussler, Hurley, Jastad, Jones, Julin, Kilbury, Kirk, Knowles, Kopet, Kraabel, Litchman, Luders, Lynch, Lysen, Marsh, Marzano, Maxie, May, McDermott, Moon, Newhouse, North, O'Brien, Pardini, Paris, Perry, Rabel, Randall, Ross, Shinpoch, Smythe, Thompson, Williams, Zimmerman—55.

Enacting the environmental protection act of 1971.

## MOTION

Mr. Wolf moved that the House defer consideration of House Bill No. 752, and that the bill be placed at the bottom of today's second reading calendar.

## POINT OF INQUIRY

Mr. Wolf yielded to question by Mr. Grant.

Mr. Grant: "Why are we putting this one off?"

Mr. Wolf: "Senator Durkan has made an arrangement with the Governor that Senate Bill No. 545 should have an opportunity to come out of Rules Committee today at 4:00, and that we run Senator Durkan's bill, which is very comparable to House Bill No. 752. I explained this to Representative Luders, and I'm sorry I didn't pass the word any farther."

The motion was carried.

SENATE JOINT RESOLUTION NO. 38, by Senators Whetzel, Atwood and Bailey:

Amending the state Constitution making it permissive for the legislature to set the salaries of county officers.

Committee recommendation: Majority, do pass as amended.

(For Committee Amendment see Journal of April 28, 1971, Forty-eighth Day.)

#### SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House the Honorable David Ben-Dov, Consul General of Israel for the Northwestern United States and requested that Representatives Litchman, Perry, Polk and Hatfield conduct him to a place on the rostrum.

The Speaker: "Consul General Ben-Dov's background includes serving in the Palestine Jewish Brigade of the British Army in Europe and the Middle East during World War II. Later he was an officer in the Israel Defense Army during the War of Independence. In 1951, he received degrees in history and international law at Hebrew University, Jerusalem and became a news editor and commentator for Israel broadcasting. After postgraduate studies at Oxford University, he joined the Israeli Foreign Service Department in 1956 and has been in his present post since 1968.

"For some brief remarks, it is my privilege to present to you, the Honorable David Ben-Dov."

Consul General Ben-Dov: "Mr. Speaker, ladies and gentlemen of the House: May I thank you most sincerely for the privilege and honor of being with you today and saying a few words to you. Washington is one of the states that I have the great honor to represent my country in. I bring to you on this day, which happens very close to the 23rd anniversary of the State of Israel, greetings and felicitations, expressions of friendship from the people of Israel to the state of Washington. The people of Israel have much cause to be grateful and friendly to the state of Washington. May I, with your permission, mention two facts. One, our entire civilian airline fleet is composed of planes produced and delivered from the state of Washington. And may I tell you, our national airline is doing very well, thank you. So much so that they are going to obtain in a few weeks the first jumbo 747 airliner not too far from here. There will be a ceremony, and several months later the second 747 jet airliner. For a small country, I think we can take some pride in the expansion of our air communication through the cooperation of your state with us. One has to recall, of course, that Israel, being now for more than two decades in a state of seige, has attached natural importance to the development of its aerial communication with the rest of the world and our national airline has played a crucial role.

"In addition to that, you may know that several parts of your state, in the east, (you call it the Tri-City area) is very reminiscent of the southern part of our country in topography, geology, etc. This is why we have had many of our experts—irrigation, reforestation, and other fields of agricultural creativity come here and exchange views, and try to learn from your experts."

Consul General Ben-Dov went on to describe current conditions in Israel and some of the achievements of the past few years. He ended his remarks by saying: "Israel sends to you its best wishes, and prays with you that the coming year will see all of us approach that supreme goal of peace in the Middle East and peace everywhere."

The Speaker: "Thank you very much for those remarks Mr. Ben-Dov. We appreciate them and we appreciate having you here in the House of Representatives."

The Speaker requested the escort committee to escort Consul General Ben-Dov from the rostrum.

## MOTION

Mr. Charette moved that the House defer further consideration of the Senate amendments to Engrossed House Bill No. 853 until the appropriate order of business tomorrow.

Representatives Charette and Ross spoke in favor of the motion.

## POINT OF ORDER

Mr. O'Brien: "Reed's Rule No. 247 relates to motions relating to agreement and disagreement between the two houses. I submit to you that you should take those motions in order. I don't know where a motion to delay consideration of differences between two houses might lie under the provisions of Reed's Rule No. 247."

The Speaker: "The motion to defer consideration of the bill is not a motion dealing with differences between the houses. That is a matter of procedure of this House. Reed's Rule No. 247 deals with motions pertaining to business between the houses. The question before the House was the motion to concur in the Senate amendments."

Mr. O'Brien: "Then that would hold priority over any other motion, according to Reed's Rules."

The Speaker: "I don't see where procedural motions are ranked in Rule No. 247, Mr. O'Brien."

Mr. O'Brien: "It says: 'These motions are five in number, and have priority in the following order: . . .' It is my position that they have priority over a motion to defer consideration or a motion to postpone to a subsequent day."

The Speaker: "Well the motion to defer action isn't listed here."

Mr. O'Brien: "I know. Therefore, these motions would be higher in priority."

The Speaker: "No, the motion to concur is higher in priority than to nonconcur, to recede, to insist or to adhere. It is of higher priority than those motions only."

Mr. O'Brien: "Apparently the motion you are going to put right now is the motion to defer consideration on this disagreement. Therefore, it is my position that motion would be out of order."

## RULING BY THE SPEAKER

The Speaker: "Your point is not well taken."

The Speaker stated the question before the House to be the motion to defer further consideration of the Senate amendments to Engrossed House Bill No. 853 until the appropriate order of business tomorrow.

The motion was carried.

Providing for the removal of abandoned junk motor vehicles.

The bill was read the second time.

The Clerk read the following amendment by Representatives Bradley, Conner, Gilleland and McCormick:

On page 1, following line 4, insert the following new sections:

"*NEW SECTION.* Section 1. The business of operating tow trucks in the transportation upon the highways of this state for the public of disabled or damaged motor vehicles and vehicles incapable of self-propulsion due to mechanical defects or incapacity of such vehicle, and personal effects and/or cargo in custody by towing or hauling only, is declared to be a business affecting the public interest. The large volume of motor vehicle traffic, frequent accidents, congestion and the need to keep the highways clear, requiring rapid and efficient service by adequately equipped and capably operated tow trucks, and the fact that those now operating such businesses are not under existing law effectively regulated, makes it necessary that more complete regulation should be instituted and administered, so that the highways may be made safer for the use of the general public; that congestion on the

highways may be reduced; that motor vehicle owners may be provided with a stabilized service and rate structure; that sound economic conditions in such transportation and among the tow truck operators be assured in the public interest; that adequate economical and efficient service, and reasonable charges therefor, without unjust discrimination, undue preferences or advantages, or unfair or destructive competitive practices shall prevail in the public interest.

**NEW SECTION.** Sec. 2. Unless the context clearly requires otherwise for the purposes of this chapter, the following terms shall have the meanings set forth:

- (1) 'Commission' means the Washington utilities and transportation commission.
- (2) 'Person' means and includes an individual, firm, partnership, corporation, company, association or their lessees, trustees or receivers.
- (3) 'Motor vehicle' means any passenger automobile, trailer, semitrailer, truck, and truck tractor, or any self-propelled or motor-driven vehicle used upon any public highway in this state.
- (4) 'Vehicle' means every device capable of being moved upon a public highway and in, upon, or by which any property is or may be transported or drawn upon a public highway, excepting devices moved by human or animal power or used exclusively upon stationary rails or tracks.
- (5) 'Public highway' means every street, road, alley, highway or freeway in this state.
- (6) 'Towing operator' means every person who engages in towing on a public highway of disabled, damaged, impounded or abandoned motor vehicles, hulks, and motor vehicles incapable of self-propulsion due to mechanical defects or defects of such motor vehicles, and personal effects and/or cargo in the custody of the towing operator, for hire for the public, by means of equipment affixed to a specially constructed tow truck complying with the equipment specifications and standards promulgated by the commission and/or such agency of the state government as shall have authority to prescribe motor vehicle equipment for tow trucks.
- (7) 'Tow truck' means a specially constructed and equipped motor vehicle for towing disabled and other vehicles as described in subsection (6) of this section and not otherwise used in transporting goods for compensation.
- (8) 'Certificate of public convenience and necessity' or 'certificate' means a certificate issued by the commission to a towing operator declaring that public convenience and necessity require the service of such operator.

**NEW SECTION.** Sec. 3. It shall be unlawful for any person to operate as a towing operator on any public highway of this state except in accordance with the provisions of this chapter.

**NEW SECTION.** Sec. 4. No towing operator shall operate for the transportation of property for hire in this state without first obtaining from the commission a certificate so to do.

A certificate issued to any towing operator shall be exercised by said operator to the fullest extent so as to render reasonable service to the public.

An application for a certificate or extension thereof shall be on file for a period of at least thirty days prior to the granting thereof unless the commission finds that special conditions require the earlier granting thereof.

A certificate or extension thereof shall be issued to any qualified applicant therefor, authorizing the whole or any part of the operations covered by the application, if it is found that the applicant is fit, willing, and able to properly perform the services proposed and conforms to the provisions of this chapter and the requirements, rules and regulations of the commission thereunder, and that such operations will be consistent with the public interest, and, that the same are or will be required by the present or future public convenience and necessity; otherwise such application shall be denied.

**NEW SECTION.** Sec. 5. Nothing contained in this chapter shall be construed to confer upon any person or persons the exclusive right or privilege of operating as a towing operator for hire over the public highways of the state, but when an applicant requests a certificate to operate in a territory already served by a certificate holder or holders under this chapter, the commission may, after hearing, issue the certificate only if there is positive proof that public convenience and necessity requires the service of an additional operator.

In all other cases, the commission may, with or without hearing, issue certificates, or for good cause shown refuse to issue them, or issue them for the partial exercise only of the privilege sought and may attach to the exercise of the rights granted such terms and conditions as, in its judgment, the public convenience and necessity may require.

Any right, privilege, certificate held, owned, or obtained by a towing operator may be sold, assigned, leased, transferred, or inherited as other property, but only upon authorization by the commission.

**NEW SECTION.** Sec. 6. Any person actively and in good faith engaged in business as a towing operator on the effective date of this act may submit to the commission proof of such operations and an application for a certificate of public convenience and necessity within one hundred twenty days of the effective date of this act. Pending the determination of any such application, the continuance of such operations without a certificate shall be lawful. The commission shall issue a certificate of public convenience and necessity to such applicant, authorizing continued operations of the type and in the area proved, without requiring further proof that the public convenience and necessity will be served thereby, and without further proceeding, except that all questions as to the right of an applicant to issuance of a certificate under this section shall be determined after giving

notice to any party which the commission may deem to have an interest in the question and after affording such interested parties an opportunity to be heard.

*NEW SECTION.* Sec. 7. The provisions of this chapter, except where specifically otherwise provided, shall not apply to:

(1) The United States, the state of Washington, or any county, municipality, or other subdivision thereof, or any towing operator when transporting vehicles owned or operated by any such governmental entity;

(2) Towing operators when transporting vehicles to or from their own place of business, when such transportation is for the purpose of repair, service, or wrecking, to be performed by them, but not when the purpose of such transportation is merely storage or removal from the public highways;

(3) Towing operators when using tow trucks for the purpose of transporting persons, tools, and equipment in order to provide requested roadside repairs or assistance, and not otherwise used in transporting goods or persons for compensation;

(4) Towing operators when transporting vehicles to or from any area not included in a certificate of public convenience and necessity issued to another towing operator, or when transporting vehicles of a type, or in a manner, excluded from any certificate covering the area to or from which the vehicle is transported;

(5) Towing operators when transporting vehicles within the limits of any city having a population of less than ten thousand persons, and the annual gross receipts from towing operations for any calendar year are less than five thousand dollars, when such operators have made application to the commission and obtained from it an exemption from the provisions of this chapter.

*NEW SECTION.* Sec. 8. Application for certificates shall be made to the commission in writing and shall state the ownership, financial condition, equipment to be used and physical property of the applicant, the territory or route or routes in or over which the applicant proposes to operate, the nature of the transportation to be engaged in and such other information as the commission may require.

*NEW SECTION.* Sec. 9. The commission shall prescribe forms of application for certificates and for extensions thereof for the use of prospective applicants, and shall make regulations for the filing thereof. Applications for certificates and for extensions thereof shall be accompanied by the following fees:

Applications for certificates . . . . .	\$25.00
Applications for temporary certificates . . . . .	\$25.00
Applications for extension of certificates . . . . .	\$25.00

*NEW SECTION.* Sec. 10. Certificates granted by the commission shall be in such form as the commission shall prescribe and shall set forth the name and address of the person to whom the certificate is granted, the nature of the service to be engaged in and the principal place of operation, termini or route to be used or territory to be served by the operation. No certificate holder shall operate except in accordance with the certificate issued to him.

*NEW SECTION.* Sec. 11. No person whose application for a certificate has been denied after hearing under any of the provisions of this chapter shall be eligible to renew the application for a period of six months from the date of the order denying such application.

*NEW SECTION.* Sec. 12. The commission may with or without a hearing issue temporary certificates to engage in the business of operating a towing firm, but only after it finds that the issuance of such temporary certificate is consistent with the public interest. Such temporary certificate may be issued for a period of up to one hundred eighty days where the area or territory covered thereby is not contained in the certificate of any other towing firm. In all other cases such temporary certificate may be issued for a period not to exceed one hundred twenty days. The commission may prescribe such special rules and regulations and impose such special terms and conditions with reference thereto as in its judgment are reasonable and necessary in carrying out the provisions of this chapter. The commission shall collect a fee of twenty-five dollars for an application for such temporary certificate.

The commission may also issue temporary certificates pending the determination of an application filed with the commission for approval of a consolidation or merger of the properties of two or more certificate holders or of a purchase or lease of one or more certificate holders.

*NEW SECTION.* Sec. 13. The commission shall supervise and regulate every towing operator in this state; make, fix, alter, and amend, just, fair, reasonable, minimum, maximum, or minimum and maximum rates, charges, classifications, rules, and regulations for all such operators, regulate the accounts, service, and safety of operations thereof; require the filing of reports and other data thereby; and supervise and regulate all such operators in all other matters affecting their relationship with competitors of every kind and the general public: PROVIDED, That the commission may by order approve rates filed by individual operators or groups of such operators in respect to designated services.

Towing operators may also enter into firm contracts for services with motor vehicle associations, municipalities, counties, political subdivisions of the state, and state and the federal governments at reduced rates, provided such contracts are filed with an approved by the commission.

*NEW SECTION.* Sec. 14. All towing operators operating under the provisions of this chapter shall, as to the services performed or offered by them, be deemed to be common carriers, subject to the obligations and duties of common carriers and entitled to all the

rights and privileges of such in their relations with the public and also be deemed to be public service companies.

**NEW SECTION.** Sec. 15. The commission shall, in the granting of permits to operators under this chapter, require such operators to either procure and file liability and property damage insurance from a company licensed to write such insurance in the state of Washington, or deposit such security, for such limits of liability and upon such terms and conditions as the commission shall determine to be necessary for the reasonable protection of the public against damage and injury for which such operator may be liable by reason of the operation of any motor vehicle.

In fixing the amount of said insurance policy or policies, or deposit of security, the commission shall give due consideration to the character and amount of traffic and the number of persons affected and the degree of danger which the proposed operation involves.

**NEW SECTION.** Sec. 16. The commission may, under such rules and regulations as it shall prescribe, require any towing operator to file a surety bond, insurance policy or deposit security, in a sum to be determined by the commission to be conditioned upon such operator making compensation to customers, vehicle owners or consignees for all loss, damage, or injury to vehicles or other cargo being transported by or in the custody of the towing operator.

**NEW SECTION.** Sec. 17. The commission may adopt rules and regulations relating to the hours of duty of towing operators and drivers of tow trucks.

**NEW SECTION.** Sec. 18. (1) No towing operator shall collect or receive a greater, less or different remuneration for the transportation of property or for any service in connection therewith than the rates and charges which shall have been legally established and filed with the commission, or as are specified in the contract or contracts filed, as the case may be, nor shall any such operator refund or remit in any manner or by any device any portion of the rates and charges required to be collected by each tariff or contract or filing with the commission.

(2) The commission may check the records of all operators under this chapter and of those employing their services for the purpose of discovering all discriminations, under or overcharges and rebates, and may suspend or revoke certificates for any violation of this section.

(3) The commission may refuse to accept any schedule or tariff or contract that will, in the opinion of the commission, limit the service of an operator to profitable services only in competition with other operators who give a complete service and thus afford one an unfair advantage over a competitor.

**NEW SECTION.** Sec. 19. Certificates may be canceled, suspended, altered or amended by the commission after notice and hearing upon complaint by any interested party, or upon its own motion, when a towing operator or his agent has violated this chapter, the rules and regulations of the commission or the motor vehicle laws of this state or of the United States, or the towing operator has made unlawful rebates or has not conducted his operation in accordance with the certificate granted him. Any person may at the instance of the commission be enjoined from any violation of the provisions of this chapter, or any order, rule or regulation made by the commission pursuant to the terms hereof. If such suit be instituted by the commission, no bond shall be required as a condition to the issuance of such injunction.

**NEW SECTION.** Sec. 20. The commission shall have power and authority, by general order or otherwise, to prescribe rules and regulations in conformity with this chapter to carry out the purposes thereof, applicable to any and all towing operators.

**NEW SECTION.** Sec. 21. The commission shall prescribe an identification card which must be displayed within the cab of each motor vehicle operated by a certificate holder setting out the certificate number and the route or territory in which the vehicle is authorized to operate and the name and address of the owner of said certificate. The identification card provided for herein may be in such form and contain such information as required by the commission. It shall be unlawful for the owner of said certificate, his agent, servant, or employee, or any other person to use or display said identification card, the certificate number or other insignia of authority from the commission after said certificate has expired, been canceled or disposed of, or to operate any vehicle under certificate without such identification card. Such cards shall be issued annually under the rules and regulations of the commission, and shall be attached to each motor vehicle operated subject to this chapter not later than January 1st of each year: PROVIDED, That such cards may be issued for the ensuing calendar year on and after the first day of December preceding and may be used and displayed from the date of issue until December 31st of the succeeding calendar year for which the same are issued. In case an applicant received a certificate after January 1st of any year such cards shall be obtained and attached to each motor vehicle subject to this chapter before operation of any such vehicle is commenced.

Every towing operator shall, on or before the first day of April of each year, file with the commission a statement on oath showing the gross operating revenue from intrastate operations for the preceding calendar year, or portion thereof, and pay to the commission a fee equal to one percent of the amount of gross operating revenue: PROVIDED, That the fee shall in no case be less than ten dollars.

It is the intent of the legislature that the fees collected under the provisions of this chapter shall reasonably approximate the cost of supervising and regulating towing operators, and to that end the utilities and transportation commission is authorized to decrease the schedule of fees provided in this section by general order entered before March

1st of any year in which it determines that the moneys then in the towing operators account of the public service revolving fund and the fees currently to be paid will exceed the reasonable cost of supervising and regulating such carriers.

All fees collected under this section or under any other provision of this chapter shall be paid to the commission and shall be by it transmitted to the state treasurer within thirty days to be deposited to the credit of the public service revolving fund.

**NEW SECTION.** Sec. 22. The commission is hereby empowered to administer and enforce all provisions of this chapter and to inspect the vehicles, books and documents of all towing operators and the books, documents and records of those using the service of the towing operators for the purpose of discovering all discriminations and rebates and other information pertaining to the enforcement of this chapter and shall prosecute violations thereof. The commission shall employ such auditors, inspectors, clerks and assistants as it may deem necessary for the enforcement of this chapter, and it shall be the duty of the Washington state patrol to assist in the enforcement of this chapter, and the duty of the attorney general, when requested by the commission, to assign an assistant to assist the commission in the enforcement of this chapter, and the prosecution of persons charged with a violation thereof. It shall be the duty of the sheriffs of the counties to make arrests and of the county prosecuting attorneys to prosecute violations of this chapter.

**NEW SECTION.** Sec. 23. In all respects in which the commission has power and authority under this chapter, applications and complaints may be made and filed with it, process issued, hearings held, opinions, orders and decisions made and filed, petitions for rehearing filed and acted upon, and petitions for writs of review to the superior court filed therewith, appeals or mandate filed with the court of appeals or supreme court of this state, considered and disposed of by said courts in the manner, under the conditions and subject to the limitations and with the effect specified in this title. The right of review and appeal hereby conferred shall be available to any towing operators, complainant, protestant or other person adversely affected by any decision or order of the commission.

**NEW SECTION.** Sec. 24. ### PARLIAMENTARY INQUIRY

Mr. Cunningham: "Mr. Speaker, I am wondering what this amendment does to the scope and object of Engrossed Senate Bill No. 606."

The Speaker: "Are you asking a point of parliamentary inquiry, or are you raising the point that this is beyond the scope and object?"

Mr. Cunningham: "Point of order, sir. I think this amendment is beyond the scope and object of Engrossed Senate Bill No. 606."

### RULING BY THE SPEAKER

The Speaker: "The Speaker has examined Engrossed Senate Bill No. 606, and I find that it deals with 'motor vehicles,' which is a broad title. Of course, under my prior rulings and under the Rules of the House and Reed's interpretation of rules of parliamentary procedure, the title alone is not the only criteria by which we measure an amendment beyond the scope and object. I find that the original Senate Bill No. 606 deals with abandoned junk motor vehicles, the matter of disposition of same, and the matter of powers of law enforcement agencies primarily in connection with the disposition of those motor vehicles. In examining the proposed amendment by Representative Bradley and others, I find that it deals with the matter of regulating and licensing of tow truck operators. Even though I realize tow truck operators might have, on occasion, some incidental relationship to junk motor vehicles and hauling them, the original Senate Bill No. 606 does not refer to tow truck operators. It is not a regulatory statute. It is not a licensing statute. And the proposed amendment dealing with a class of people, a class of business in this state, appears to be clearly beyond the scope and object of the original Senate Bill No. 606. The point of order is well taken."

## PERSONAL PRIVILEGE

Mr. Bradley: "I abide by the ruling of this House as to scope and object. I have talked to many attorneys who said that this was within the scope and object. However, our Speaker has the ultimate voice, and I abide by this. However, I must say that I believe that within this House, there has been only one party responsible for not allowing us to have a vote on whether we should have a tow truck ordinance. I think that we should have this vote and I would ask the Rules Committee to consider House Bill No. 681, the tow truck bill, and would ask them if they would strongly consider bringing this out of Rules and putting it before the vote of this body. Thank you."

On motion of Mr. Zimmerman, the following amendments were adopted:

Notification to an association or organization of contractors shall include: (a) The location of the work to be done; (b) the general anticipated nature of the work to be done; and (c) the date determined by the department as reasonable in view of the nature of the work and emergent nature of the problem after which the department will not receive bids."

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Senate Bill No. 629 as amended by the House was placed on final passage.

Mr. Berentson spoke in favor of passage of the bill.

Providing that manufacturers of retail goods be identified.

Committee recommendation: Majority, do pass with the following amendment:

On page 1, line 5 of the engrossed and printed bill, beginning with "NEW SECTION." strike the balance of the bill and insert:

"NEW SECTION. Section 1. It shall be unlawful and a misdemeanor for any retailer in this state to sell or offer to sell any prerecorded sound or audio recording tape or any prerecorded video recording or tape unless such recording or tape bears the actual name and address of the recorder on its face or package: PROVIDED, That this act shall not be applicable to any said recording or tape that is intended to be used for broadcast by commercial or educational radio or television stations. Each and every sale of such recording or tape which does not bear the actual name and address of the recorder shall constitute a separate violation of this act.

NEW SECTION. Sec. 2. Each and every violation of section 1 of this act shall constitute a separate offense and be subject to a fine not to exceed one hundred dollars."

The bill was read the second time.

Mr. Curtis moved adoption of the committee amendment and spoke in favor of its adoption.

#### POINT OF INQUIRY

Mr. Curtis yielded to question by Mr. Bottiger.

Mr. Bottiger: "Mr. Curtis, I don't have the committee amendment in front of me. When you use the word 'recorder' are you referring to the musician or to the company that puts out the cassette?"

Mr. Curtis: "We are referring to the company. It is the company that makes the cassette. When we substituted the word 'recorder' for 'manufacturer'—let's say you have a blank cassette made by RCW or Ampac, someone else records the music on it. That someone would then be the recorder—the company that does the recording on the cassette."

#### POINT OF INQUIRY

Mr. Curtis yielded to question by Mr. King.

Mr. King: "I would suspect that most of the money involved in this kind of business is with radio and TV stations. If you exempt the sales and distribution to them, are you really fulfilling the intent of the act as it came from the Senate?"

Mr. Curtis: "No, the problem is not radio and TV stations and the exemption they get. Any recording they put on tape, in other words a commercial, can then be used and they don't have to put the name of KIRO or something like that on it. The problem is with black-market tapes, where an individual will buy blank tapes and record already-recorded music and then black-market them. We want to get at that unscrupulous individual by requiring that the name of the recorder be on the tape so that in turn it can be sold at retail and the individual can see who the recorder was and we can stop the black-market traffic."

Mr. King spoke in favor of the committee amendment.

The committee amendment was adopted.

Engrossed Senate Bill No. 658 as amended by the House was passed to Committee on Rules and Administration for third reading.

ENGROSSED SUBSTITUTE SENATE BILL NO. 866, by Committee on Public Institutions:

Setting financial responsibility standards for residents of state residential schools.

The bill was read the second time.

Mr. Douthwaite moved adoption of the following amendment by Representatives Douthwaite and Paris:

Mr. Douthwaite spoke in favor of the amendment.

The Speaker called on Mr. Wolf to preside.

Mr. Farr spoke against adoption of the amendment, and Mr. Douthwaite spoke again in favor of it.

Mr. Paris spoke in favor of adoption of the amendment.

The amendment by Representatives Douthwaite and Paris was adopted.

Engrossed Substitute Senate Bill No. 866 as amended by the House was passed to Committee on Rules and Administration for third reading.

ENGROSSED SENATE BILL NO. 755, by Senators Woodall, Sandison, Ridder and Scott (by Attorney General request):

Enacting the "Franchise Investment Protection Act."

The bill was read the second time.

On motion of Mr. Kuehnle, the following amendment was adopted:

On page 2, section 1, line 33 after "Person" strike the word "means" and insert "means"

The Clerk read the following amendment by Mr. Kuehnle:

On page 8, section 4, line 33 after "transfers" and before the period insert ", insofar as such information is reasonably available to the franchisor"

#### PARLIAMENTARY INQUIRY

Mr. Curtis: "I think I have an amendment starting on page 6, section 3, line 11, on the desk. Would you check that for me? It should come before Mr. Kuehnle's amendment."

The Speaker (Mr. Wolf presiding): "Your point is well taken. The Clerk will read the amendment by Mr. Curtis."

On motion of Mr. Curtis, the following amendment was adopted:

On page 6, section 3 after line 11 following subsection (5) insert a new subsection as follows:

"(6) Neither the registration requirements nor the provisions of section 18(2) of this act shall apply to any franchisor:

(a) Who meets the tests and requirements set forth in subsections (4)(a), (4)(b), and (4)(d) of this section; and

(b) Who is engaged in the business of renting or leasing motor vehicles through an interdependent system of direct and franchised operations in interstate commerce in twenty or more states; and

(c) Who is subject to the jurisdiction of the federal trade commission and the federal anti-trust laws."

On motion of Mr. Kuehnle, the following amendment was adopted:

On page 8, section 4, line 33 after "transfers" and before the period insert ", insofar as such information is reasonably available to the franchisor"

On motion of Mr. Kuehnle, the following amendment was adopted:

On page 9, section 4, line 3 following "may" insert "reasonably"

Mr. Kuehnle moved adoption of the following amendment:

On page 15, section 18, beginning on line 17, strike all of subsection (2) and insert the following:

"(2) For the purposes of this act and without limiting its general application, it shall be an unfair or deceptive act or practice or an unfair method of competition for any person to:

(a) Restrict or inhibit the right of the franchisees to join an association of franchisees.

(b) Require a franchisee to purchase or lease goods or services of the franchisor or from approved sources of supply unless and to the extent that the franchisor satisfies the burden of proving that such restrictive purchasing agreements are reasonably necessary for a lawful purpose justified on business grounds, and do not substantially affect competition.

(c) Discriminate between franchisees in the charges offered or made for royalties, goods, services, equipment, rentals, advertising services, or in any other business dealing, unless and to the extent that the franchisor satisfies the burden of proving that any classification or discrimination between franchisees is reasonable, is based on proper and justifiable distinctions considering the purposes of this act, and is not arbitrary.

(d) Sell, rent, or offer to sell to a franchisee any product or service for more than a fair and reasonable price.

(e) Obtain money, goods, services, any thing of value, or any other benefit from any other person with whom the franchisee does business on account of such business unless such benefit is promptly accounted for and transmitted to the franchisee.

(f) If he is the franchisor or subfranchisor, to compete with the franchisee in a relevant market or to grant competitive franchises in the relevant market area previously granted to another franchisee. Such relevant market to be determined exclusively by equitable principles.

(g) Require franchisee to assent to a release, assignment, novation, or waiver which would relieve any person from liability imposed by this act.

(h) Impose on a franchisee by contract, rule, or regulation, whether written or oral,

any standard of conduct unless the person so doing can sustain the burden of proving such to be reasonable and necessary.

(i) Fail to renew a franchise except for just cause, or in accordance with the current terms and standards established by the franchisor then equally applicable to all franchisees, unless and to the extent that the franchisor satisfies the burden of proving that any classification of or discrimination between franchisees is reasonable, is based on proper and justifiable distinctions considering the purposes of this act, and is not arbitrary.

(j) Terminate a franchise or to restrict the transfer of a franchise except for just cause, or in accordance with the current terms and standards established by the franchisor then equally applicable to all franchisees, unless and to the extent that the franchisor satisfies the burden of proving that any classification of or discrimination between franchisees is reasonable, is based on proper and justifiable distinctions considering the purposes of this act, and is not arbitrary. Upon termination the franchisee shall receive a fair and reasonable compensation for the value of the franchisee's inventory, supplies, equipment, and furnishings and those prepaid costs and expenses paid the franchisor: PROVIDED, That personalized materials which have no value to the franchisor need not be compensated for."

Representatives Kuehnle and Curtis spoke in favor of adoption of the amendment.

The Speaker resumed the Chair.

### PARLIAMENTARY INQUIRY

Mr. Pardini: "I had an amendment on the desk, copies of which are being circulated, which deals with the section which Representative Kuehnle moves to strike. I was unaware of Mr. Kuehnle's amendment to strike. I wonder if it would be in order to perfect Mr. Kuehnle's amendment as an amendment to the amendment? He is striking all of subsection (2). My amendment is in subsection (2)(f). It would also fall in the same category as Representative Kuehnle's amendment subsection (f). Either that, or if Mr. Kuehnle's amendment is adopted, would I be in a proper position to offer my amendment at that time?"

The Speaker: "Mr. Pardini, I find that your floor amendment does occur within subsection (2). It has just been placed on the desk and is now being distributed, I believe. Before certain portions of a bill are stricken by amendment and new matter inserted, it is proper to allow a perfection of the matter to be inserted. You would then have the option of raising a point of order to consider your amendment first, or you may prepare it in the form of an amendment to Mr. Kuehnle's amendment if it fits there."

Mr. Pardini: "I would like to make it an amendment to the amendment, Mr. Speaker."

Mr. Pardini moved adoption of the following amendment to the amendment by Mr. Kuehnle:

Amend the amendment by Mr. Kuehnle as follows: In subsection (2)(f) strike "to be determined exclusively by equitable principles" and insert "to be specifically listed in the franchise agreement"

Mr. Pardini spoke in favor of the amendment to the amendment.

The amendment by Mr. Pardini to the amendment by Mr. Kuehnle was adopted.

The amendment by Mr. Kuehnle as amended by Mr. Pardini was adopted.

On motion of Mr. Kuehnle, the following amendment was adopted:

On page 20, section 30, line 22 strike "January 1," and insert "May 1,"

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 755 as amended by the House was placed on final passage.

Representative Hatfield spoke against passage of the bill, and Representatives Wojahn and Backstrom spoke in favor of it.

### POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Ceccarelli.

Mr. Ceccarelli: "Does this act intend that the state regulate franchises which are granted and/or regulated by governmental bodies or agencies? What I have in mind is, for example, Teleprompter in Tacoma that has a franchise from the federal government. Would they fall under the regulation of this act?"

Mr. Kuehnle: "I am afraid, Representative Ceccarelli, that I can't factually answer the question. My off-hand opinion would be 'yes.' It is a very far-reaching act with very few exemptions. I am not absolutely sure about that answer."

Mr. Ceccarelli: "Mr. Speaker, I bring that up because we are getting into another whole area here. If there is anyone that can speak to that that can answer that question, I wish they would come forward. I think this is very pertinent to this bill if we are going to get into regulating those franchises that are now controlled by governmental bodies or governmental agencies."

Mr. Curtis: "I think I can shed a little light although I am unable to find right now the section to refer to it. But Representative Ceccarelli, there is a section that says any franchisor whose last financial statement showed a net worth of not less than \$5 million is exempt. I think that would take out governmental entities so it would not cover that type of franchise."

HOUSE BILL NO. 747, by Representatives Brown and Morrison:

Reapportioning and redistricting the legislature.

Committee recommendation: Majority, do pass as amended.

Mr. Brown moved that the committee amendments not be adopted.

The motion was carried, and the committee amendments were not adopted.

Mr. Brown moved adoption of the following amendments by Representatives Brown and Morrison:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The purpose of this 1971 act is to redistrict the legislative districts of the state of Washington in accordance with the requirements of the United States Constitution as these requirements have been enunciated by the United States supreme court, so as to encompass within each district, as nearly as practicable, an equal number of state residents, exclusive of transient persons. As a matter of state policy, the legislature hereby declares that state residential population is regarded as the proper apportionment base for the alignment of legislative district boundaries to the extent that it is practically possible to determine such population base. In accordance with this policy, the

populations of the legislative districts established by and described in this 1971 act have been determined by the legislature on the following basis:

(1) For those geographic areas encompassing federal military establishments, and also constituting separate special enumeration census districts within the purview of the 1970 decennial federal census, population has been established by ascertaining the total number of the registered voters residing therein and then multiplying these totals by a multiple (2.2) reflecting the relationship between registered voters and the total number of state residents throughout the state;

(2) In the case of all other geographic areas, population has been ascertained on the basis of the total number of persons having been found to be residing within such areas as of April 1, 1970 in accordance with the aforesaid 1970 federal decennial census, for the specific reason that no practical means have been found to be available, in the absence of more inclusive federal census data, to establish the residential population of these areas in any other manner. No special census enumeration districts exist for such other areas of the state as may be occupied by significant numbers of transients.

**NEW SECTION.** Sec. 2. As a matter of state policy, the legislature hereby declares that legislative district division shall be determined by the legislature under the following restrictions:

(1) The Cascade Mountains shall be recognized as a natural barrier, and no district shall cross said barrier, except in the case of Skamania county. Although Skamania county crosses the Cascades, its population is mainly oriented towards the Columbia River and the western portion of the state. Skamania county is thus considered to be a western county.

(2) Those legislative districts containing portions of more than one county shall be divided into single member representative districts. All other districts shall be two-member representative districts, except that district 14 shall have three elected house members.

The three member district is maintained as part of the Washington legislative tradition of an uneven number in each house to guarantee that one party will have a majority. This has proven to be in the best interest of the people of the state of Washington. The ratio of population between this single over-populated district and that of a 'normal' district computes out to 246:197. This provides proportional representation, correlating the representative value of one senator to that of 2-1/49 representatives (since this 1971 act provides for 49 senators and 99 representatives).

(3) Census areas will not be split into sections for which population cannot be verified.

**NEW SECTION.** Sec. 3. On the basis of the criteria set forth in this 1971 act, the population of each of the legislative districts established by this 1971 act is as follows:

**NEW SECTION.** Sec. 4. (1) Any area not specifically included within the boundaries of any of the districts as described in this 1971 act and which is completely surrounded by a particular district, shall be a part of that district. Any such area not completely surrounded by a particular district shall be a part of the district having the smallest number of inhabitants and having territory contiguous to such area.

(2) Any area described in this 1971 act as specifically embraced in two or more noninclusive districts shall be a part of the adjoining district having the smallest number of inhabitants and shall not be a part of the other district or districts.

(3) Any area specifically mentioned as embraced within a district but separated from such district by one or more other districts, shall be assigned as though it had not been included in any district specifically described.

(4) The 1970 United States census shall be used for determining the number of inhabitants under the provisions of this 1971 act.

**NEW SECTION.** Sec. 5. The boundaries of census areas mentioned in this 1971 act shall be those established by the United States bureau of the census in the 1970 decennial

census. The boundaries of counties, municipalities, and other political subdivisions of the state, mentioned in this 1971 act shall be those boundaries as used in the 1970 decennial census or, if not used in the census, as they existed on April 1, 1970.

#### POINT OF INQUIRY

Mr. Brown yielded to question by Mr. Litchman.

Mr. Litchman: "According to my figures, Mr. Brown, if your amendment passes, we would continue to elect some 56 Republicans and 43 Democrats. Is that essentially correct?"

Mr. Brown: "I think that depends entirely on the quality of the candidate you put forth."

Mr. Litchman: "Mr. Brown, in your district you must have a breakdown as to what some of the Republicans have done in your district. . . ."

The Speaker: "Do you want to yield to further question, Mr. Brown?"

Representative Brown declined to yield to a further question.

Representative Litchman spoke against adoption of the amendment.

#### PARLIAMENTARY INQUIRY

Mr. Polk: "Mr. Speaker, if I may be permitted, the first eight pages of my amendments all deal with the same subject, and I wonder if I would treat all of them at the same time and move the first twelve amendments?"

The Speaker: "We do have one further intervening floor amendment, Mr. Polk. With

the consent of the House, you may speak to all of those amendments since they all deal with the same subject matter. If your first amendment does not carry, then you might want to withdraw the remainder. It would also save a few pages in the Journal, I might add."

Representatives Polk, Curtis and Farr spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Kopet: "If this money goes into this revolving fund, would it then be appropriated out by the usual budget process? Or would it be placed in reserve on that particular board? Most of these boards, agencies, etc. are appropriated in the budget's book. Is it the intent to continue?"

Mr. Polk: "Yes, you bring up an important point, Mr. Kopet, and I would like to point out on page 4 of this amendment, that at the close of the 1971-73 biennium the director shall transfer all money remaining in the business and profession revolving fund to the general fund, and he will only withhold still five percent to keep this fund going, the purpose of this being so we would not (I think the phrase is) 'cop-out' on the general fund for this biennium."

## CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representative Johnson.

On motion of Mr. Bledsoe, the absent member was excused and the House proceeded with business under the Call of the House.

## THIRD READING

ENGROSSED SENATE JOINT RESOLUTION NO. 22, as amended by the House, by Senators Greive, Knoblauch, Talley, Lewis, Keefe, Sandison, Ridder, McCutcheon, Fleming, Connor, Peterson (Lowell), Peterson (Ted), Gardner, Francis, Herr, Day, Odegaard, Washington and Cooney (by Executive and Legislative Council request):

Providing a constitutional amendment concerning loaning the credit of the state.

## MOTION

On motion of Mr. Bledsoe, the House deferred consideration of Engrossed Senate Joint Resolution No. 22 as amended by the House, and the bill was ordered placed at the bottom of today's third reading calendar.

ENGROSSED HOUSE BILL NO. 1116, by Representatives Wojahn, Kirk, McCormick, Lynch, Maxie, Brouillet, Johnson, Kilbury, Brown, Amen, Wolf, Julin, Zimmerman, North, Costanti and Hoggins:

Changing the department of agriculture to the department of agriculture and consumer services and changing the division of dairy and food thereof to the division of consumer services.

Engrossed House Bill No. 1116 was read the third time and placed on final passage.

Mrs. Wojahn spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Amen yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Amen, it is my understanding that the Department of Agriculture is now supported about 70 to 75 percent from the user fees paid by the farmers and agribusiness who have requested these services and are supporting these services with the fees that they pay. It is my understanding also that these consumer services really amount to about 40 percent of the cost of the department. This makes it appear to me that unless the bill is changed to make the division of consumer services supported out of the general fund that in effect the fees paid by agriculture are helping to pay for the division of consumer services, which really shouldn't be their responsibility. Is this correct or not?"

Mr. Amen: "I would believe that is right, Representative Flanagan. As I stated the other day when we had the bill on second reading, of the total agricultural program the figures I got from the Department of Agriculture show 43 percent were consumer protection. Now of the general funds program, 83 percent would be what we consider consumer protection. So I think you are right, Representative Flanagan."

Representative Moon spoke in favor of passage of the bill and Representative Newhouse spoke against it.

## ROLL CALL

#### POINT OF INQUIRY

Mr. Shera yielded to question by Mr. Charette.

Mr. Charette: "Mr. Shera, has the Association of Washington Cities' representative had an input in this bill, and if they have could you tell us what their opinion is as to the bill?"

Mr. Shera: "Yes, Mr. Charette. They have had an input in this bill. There were a couple of things they wanted: First of all it provides for employer representation on the health

board. There is another provision providing employer immunity which they wanted, and also it better defines the medical services that the employer must provide. This has been a little bit vague, as you know, over the last two years and has created problems for the disability boards, so this they wanted very much."

Mr. Charette: "Mr. Shera, does this bill address itself to correcting a problem that was pointed out to us after the last session as far as medical treatment for retired officers is concerned?"

Mr. Shera: "Yes, I think it does in that it does define what obligations the employer does have in this system. Now there are some that feel that the employer should not be obliged to provide insurance coverage in effect after they have retired if it is nonduty related—that is, if it is a service type of retirement. There is a resolution that will be submitted here in the next few days to study this over the next year or two."

## POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Shipoch.

Mr. Shipoch: "Representative Douthwaite, I understand that you observed a demonstration of this device that they are talking about. I have two concerns: One of them is that I understand that there is a certain amount of manual dexterity required; and the other one is the tolerance for error that is in it. Could you answer those two things please?"

Mr. Douthwaite: "Yes, thank you Mr. Shipoch, I would be glad to. I, with three or four other Representatives, went for a ride with the State Patrol to see a demonstration. The first car that went by us looked like it was going perhaps 70 miles per hour, but the device recorded 98.5 miles per hour, which obviously was ridiculous, so we tried again. And we tried again and again. This day, when we tried, I can tell you honestly that we missed about two out of five tries. The results were ridiculous. Now this was a very bad day. It was a rainy, windy, wintery day, and it was hard to operate this machine. But we have a lot of that kind of weather, and I am very apprehensive that such bad results will be foisted off on our citizens—that is, bad tickets will follow.

"Let me speak a bit to the tolerance end of the question which Representative Shipoch asked about. We all know that computers are very accurate. They can read micro-seconds with no problem—that is a millionth of a second. However, the wording here in the bill is very carefully drawn to point out that it is not an altogether automatic system. As Mr. Shipoch said, there is some manual dexterity involved. There are three switches which must be activated to record distance and time. Then the computer divides distance by time and obtains velocity just like we all do with slide rules. Now in order to get the distance and time, there are three switches required. It is somewhat technical. The device can be used in three ways. One way is that the State Patrol car is stopped. A car goes past him, and he, the officer, thinks it's going too fast. He hits the distance switch. When the target vehicle goes down the road at least a tenth of a mile (in the device we saw) he hits another switch. There is an error there because you don't know precisely when he went past the marker down there. Then you take off and you travel down there, and you read exactly how far it was to that marker, and you hit a third switch. So now you have both time and distance, and it computes velocity. Well to get to the point then, if you have ever used a stop watch, you know what the human action time is—if you are really quick, you can get within a tenth of a second. Two people using a stop watch do well to get results within a tenth of a second. Now a tenth of a second at 60 miles per hour, 88 feet per second, gives you an error of 8.8 feet. This is on each end of the trip, so that adds up to 17.6 feet, just from the time element involved. Now when you go on to marking distances, at least a tenth of a mile down the road (528 feet), unless you have beautiful depth perception, I don't see how you can get within 20 feet. So assume another 20 feet there, which is a conservative estimate. You have a total error now of 37.6 feet. Divide that by one-tenth of a mile, and

you have an error of 7.12 percent. According to the specs of this bill, it says that the error shall not exceed five percent, but we already have an error of 7 percent, and this is only according to our two sources, assuming no error at all in the computer.

"Then, of course, the faster you go, the bigger the error gets. If the car goes past you at 90, the error turns out to be over 10 percent. What this will mean is that you couldn't really tell if the person was going 90, or 99, or 81 miles per hour. So I think it is a matter of practical fact that when this thing hits court, if the judge has a rational mind at all and can understand elementary arithmetic, he will throw this device right out because it is so easy to show that the results can vary all over the map and that we do not have a result within five percent, as the result of a human error. Computers find good results, but the human computer is very limited, as we all are. Thank you."

Representatives Shinpoch and Martinis spoke against passage of the bill, and Representative Berentson spoke in favor of it.

Mr. Pardini demanded the previous question, and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 361, and the bill failed to pass the House by the following vote: Yeas, 49; nays, 49; excused, 1.

#### MOTION FOR RECONSIDERATION

Mr. Beck, having voted on the prevailing side, moved that the House do now reconsider the vote by which Engrossed House Bill No. 361 failed to pass the House.

#### RULING BY THE SPEAKER

The Speaker: "You voted 'aye' Mr. Beck. You were not on the prevailing side."

#### MOTION FOR RECONSIDERATION

Mr. Randall, having voted on the prevailing side, moved that the House do now reconsider the vote by which Engrossed House Bill No. 361 failed to pass the House.

Mr. Bottiger spoke against the motion to reconsider, and Mr. Beck spoke in favor of it.

#### PARLIAMENTARY INQUIRY

Mr. Randall: "Is a motion to hold further consideration until tomorrow's third reading calendar in order now?"

The Speaker: "If the motion to reconsider passes, then such a motion would be in order. The question before the House is the motion to reconsider which must be decided on the same working day after the fiftieth day."

The Speaker recognized Mr. Douthwaite.

Mr. Douthwaite: "Thank you, Mr. Speaker, just one last comment from me on this. There are few items we have to deal with which involve such basic math, science,

engineering data as this item puts in front of us. As I pointed out in my brief analysis of this, the errors are in excess of five percent, which is stipulated."

#### POINT OF ORDER

Mr. Curtis: "I wonder if Representative Douthwaite is confining his remarks to the motion to reconsider."

The Speaker: "Your point is somewhat well taken. He is discussing the merits of the bill. But under imploring the other members of the House to change their minds and reconsider their votes, I have always allowed considerable latitude."

Mr. Douthwaite: "Thank you again, Mr. Speaker. We pointed out there are two arguments against this. One, in a simple engineering way, it is not a reliable machine. You can show very easily that you get errors up to 10 percent with this thing. And the evidence which we have seen from the salesman (who was not a State Patrolman but I assume has had lots of experience with the machines) gave us the result of 98 miles an hour instead of about 70.

"Secondly, as Mr. Martinis pointed out, the costs involved here are more than the cost involved for the far more accurate radar machines which are in existence right now. Therefore the question is, why bother choosing something which costs more and turns out less reliability? We in the computer field have a nice word which covers this sort of thing. It's called 'GIGO.' It stands for 'garbage in, garbage out.' However good your computer is, if you put garbage in, you get garbage out. And what we put in this machine comes by way of a human, not a computer, not automatic, but a fallible human being. As a result, I think we are going to garbage up the courts with a lot of protests which are going to be upheld. Therefore I urge you to vote no."

#### MOTION

Mr. Julin moved that the remarks of Representative Douthwaite be entered in the Journal of the House.

The motion was carried.

The Speaker stated the question before the House to be the motion to reconsider the vote by which Engrossed House Bill No. 361 failed to pass the House.

The motion was lost.

#### MOTIONS

On motion of Mr. Morrison, all bills passed today were ordered transmitted immediately to the Senate.

On motion of Mr. Morrison, the House dispensed with further business under the Call of the House.

#### MOTION

#### ADMONITION BY THE SPEAKER

The Speaker: "Mr. Litchman, your three minutes have expired, if you will conclude your remarks."

#### POINT OF ORDER

Mr. Grant: "Mr. Speaker, the question before us is whether to relieve a committee of the bill. Now we have discussed busing and illness and everything else. I think we are going a little too far."

The Speaker: "Your point is fairly well taken. Mrs. Hurley, if you would confine your remarks to the issue of whether this measure should be brought from the Committee on Education."

Mrs. Hurley concluded her remarks in favor of the motion, and Mr. Smythe spoke against it.

Mr. Newhouse demanded the previous question, and the demand was sustained.

The Speaker stated the question before the House to be the motion to relieve the Committee on Education and Libraries of further consideration of Engrossed Senate Bill No. 317.

The motion was lost on a rising vote.

#### STATEMENT FOR THE JOURNAL

Today I voted in favor of relieving the House Committee on Education from further control of Senate Bill No. 317, which would require the giving of parental consent before school children could be bused, according to school board mandate, from the neighborhood school area in which they live to a distant school. I voted in the affirmative because I believe the citizens and taxpayers of the 36th District feel they have been denied serious opportunity to participate in the school board program, and Senate Bill No. 317 would provide a means for such necessary participation. KENNETH O. EIKENBERRY, 36th District.

#### STATEMENT FOR THE JOURNAL

It has been extremely difficult for the members of the House Education Committee to evaluate the propriety of recommending for passage the bills that we have had to consider relating to neighborhood schools, racial imbalance, integration, and mandatory busing. A great many contradictory and confusing arguments have been attempted in support of and in opposition to these various proposals. But, one overriding principle has not altered, has not been perplexing, and has been the source of no confusion. That is that our Constitution—as interpreted by the courts, prohibits any act of government that would cause our schools to be more segregated or would continue the segregation that presently exists.

Since the famous *Brown v. the Board of Education* decision, rendered in 1954, school districts throughout the nation have been forced to confront the issue of whether or not isolation by race was not only a denial of equal opportunity, not only fostered bad education policy, but was also a direct denial of the constitutional rights of those students so separated. This preplexity has stemmed from the fine line that may be drawn between the types of segregation that have resulted from the direct, conscious act of governments, and those segregations that have resulted from what may be called historic accident. Informed constitutional lawyers and public officials have drawn a line between *de facto* and *de jure* segregation, but through the pronouncements of the United States Supreme Court that line has become more blurred, more inconsistent, and more misunderstood. However, in a recent decision, the court did clarify the borders between these types of segregation to the extent that the state legislature cannot interfere with local attempts to eliminate segregation without clearly violating the fundamental precepts of the American Constitution.

In the *San Francisco Unified School District v. Johnson*, the Supreme Court upheld a decision that specifically declared unconstitutional any "enactment which by flat legislative fiat, prohibits any and all such assignments exercising a method that in many instances is the sole and exclusive means of eliminating racial segregation in the schools, necessarily legislates the preservation of racial imbalance. It therefore violates constitutional imperatives."

By upholding this decision, the United States Supreme Court prohibited any action by this or any other legislature that would interfere with local attempts to eliminate racial

segregation in the schools. Any act by this Legislature that would have such an effect crosses the line between de jure and de facto segregation and becomes an obvious attempt, a direct attempt, to uphold school segregation by a governmental agency. It is, therefore, clearly unconstitutional and is a law that will never be upheld in court. Furthermore it is an encouragement to those citizens who have expressed their opposition to Seattle's school busing program. It does something else to those people who are concerned. It plays a game with their emotions; it tells them that they have found succor; it tells them that they have been successful; it tells them that they have won a fight that they consider to be important, and because it does that, it lies to them.

Anyone who believes that this legislation will prevent the Seattle School District from instituting the program that they have proposed has not understood the differences between segregation that occurs by historical accident and segregation that is caused by governmental activity. Anyone who believes that this legislation will honestly prevent the Seattle busing plan is thoroughly uninformed about the facts of the matter, the decisions of the Supreme Court, and the very fiber of our constitutional system. We, in this Chamber, do have an obligation to understand that Constitution; we are sworn to uphold it; we are sworn to support all of that Constitution, not one part of it, not one amendment, but its totality. The only possible decision we can make, without placing ourselves in opposition to our constitutional structure, is to defeat these bills and to allow local control and local officials to make determinations within our nation's legal structure.

Much has been said in this society about law and about order. If we truly support the law, if we are truly interested in order, then we will defeat these unlawful, unconstitutional acts. To do otherwise would be to lend support to those voices in our society that preach a disillusionment with our Constitution, that allow for radical, violent change at the expense of law. Something as important as a state legislature simply cannot ignore those laws without putting itself on the side of those people. DALE E. HOGGINS, 21st District.

Unless the board makes one or more of the determinations as hereinbefore provided, the board shall find the master program to be valid and enter a final decision to that effect.

(b) In an appeal relating to a master program for shorelines of state-wide significance the board shall approve the master program adopted by the department unless a local government shall, by clear and convincing evidence and argument, persuade the board that the master program approved by the department is inconsistent with the policy of section 2 of this chapter and the applicable guidelines.

(c) In an appeal relating to rules, regulations, guidelines, master programs of state-wide significance and designations, the standard of review provided in RCW 34.04.070 shall apply.

(5) Rules, regulations, designations, master programs and guidelines shall be subject to review in superior court, if authorized pursuant to RCW 34.04.070: PROVIDED, That no review shall be granted by a superior court on petition from a local government unless the local government shall first have obtained review under subsection (4) of this section and the petition for court review is filed within three months after the date of final decision by the shorelines hearing board."

## MOTION

Mr. Morrison moved that the House concur in the Senate amendments to Engrossed Substitute House Bill No. 584.

Mr. Julin spoke in favor of the motion.

## POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Luders.

Mr. Luders: "Some question has been raised as to the meaning of the words 'water areas of the state' as used in the definition of 'shorelines' on page 4, section 3, line 19. Does 'water areas' include those areas such as tidelands and shorelands which are periodically, but not at all times, covered by water?"

Mr. Julin: "Representative Luders, the answer is in the affirmative—very definitely it does."

## POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Juelling.

Mr. Juelling: "As I understand it, with the passage of this bill, it would drastically negate the effect of House Bill No. 1030. Is that correct, sir?"

Mr. Julin: "Representative Juelling, the bill itself declares the Nisqually Delta area an area of statewide significance and covered by the provisions of this shorelines act. It is exactly the same area that is now covered by House Bill No. 1030 insofar as it deals with the Nisqually Delta. To that extent it does cover the same area that would be dealt with under the provisions of this act."

Mr. Juelling: "Then in your opinion, it would be of no further value to consider House Bill No. 1030 in Rules Committee?"

Mr. Julin: "Representative Juelling, not being a member of the Rules Committee, I would not like, in absentia, to cast a vote therein."

The motion by Mr. Morrison to concur in the Senate amendments to Engrossed Substitute House Bill No. 584 was carried.

Representatives Moon and Benitz spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Benitz yielded to question by Mr. Julin.

Mr. Julin: "Representative Benitz, as one of the prime sponsors of this measure and one who has worked on the interim committee on forest taxation, could you tell me whether or not this proposed amendment would result in some distortion or increase in the amount of the contribution made by the state under the provisions of this bill resulting from higher assessments growing out of the activities of the Snohomish County Assessor, or would this just maintain the equal status quo as provided and contemplated by this bill?"

The amendment by Representatives Moon and Backstrom was adopted.

#### POINT OF INQUIRY

Mr. Benitz yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Benitz, as Representative Bledsoe has said, this is a very complicated bill. At various times during the committee discussions of this bill, when we came to certain issues that were somewhat hard to explain, and the people who were supporting the bill didn't have a good answer, they said that the Forest Tax Interim Committee, during the next interim will study this and make changes in the bill to take care of that particular situation. I would like to ask you now, in regard to the section of the bill which deals with the valuation of property that is under the timber and is classified as forest land (therefore not subject to 'highest and best use' as the basis for taxation) if in your study during the next interim (you are a member of this committee) you will consider this problem. It is obvious that the property under this classification has a demand which creates a value much, much higher than the property is worth for growing timber. Are you going to make that a part of your study during the next interim?"

Mr. Benitz: "Representative Flanagan, I think that the interest shown by the members of the Revenue and Taxation Committee on this subject—this was the one single issue on which the most questions were raised. I believe that is a mandate for this committee to study that situation much further and to come up with recommendations which will help to satisfy you."

Mr. Bledsoe demanded the previous question, and the demand was sustained.

### SECOND READING

HOUSE BILL NO. 725, by Representative Brown:  
Providing election laws.

Committee recommendation: Majority, do pass as amended.

(For Committee Amendments see Journal of April 26, 1971, Forty-sixth Day, Ex. Sess.)

The bill was read the second time.

### POINT OF ORDER

Mr. Kuehnle: "Mr. Speaker, Joint Rule No. 21 provides that no bill shall be introduced by title only. In the event a bill is not complete, at least section one shall be set forth in full before introduction. As regards House Bill No. 725, I wouldn't be so unkind as to say it was title only. But I would call your attention to the fact that section one, in full, says: 'The legislature can make laws concerning elections.' I would suspect therefore that the Rules Committee in their considerations were not considering that bill. They were in effect considering the committee amendment which is House Bill No. 241 and which is a committee amendment to House Bill No. 725. Section 30 of the committee amendment, which I think is what is actually under consideration, contains a direct appropriation of \$84,000. In turn, referring to House Rule No. 81: 'All bills including a direct appropriation must be referred to the Appropriations Committee before appearing on the second reading calendar.' It would therefore appear to me that House Bill No. 725 inappropriately appears before us on the second reading calendar."

### MOTION

Mr. O'Brien moved that House Rule No. 81 be suspended for the purpose of consideration of House Bill No. 725.

With the consent of the House, Mr. O'Brien withdrew his motion.

### RULING BY THE SPEAKER

The Speaker: "Ruling on the point of order raised by Mr. Kuehnle, Rule 21 states:

"No bill shall be introduced by title only, and, in the event a bill is not complete, at least section 1 shall be set forth in full before the bill may be accepted for introduction."

"Even though, Mr. Kuehnle, you may argue that section one of the bill is meaningless, or unnecessary legislation, the bill at least as printed does contain section one, and the wisdom of that particular language is up to the legislature, and not up to the Speaker, to rule as frivolous. It does contain a section one.

"As far as House Rule 81 is concerned, which reads in part:

"All bills including a direct appropriation must be referred to the Appropriations Committee before appearing on the second reading calendar."

"This bill, as printed, as a so-called 'title only' with section one, does not contain an appropriation. The appropriation is contained only in the committee amendment to this bill. The Speaker cannot presuppose at this particular point that that amendment is going to be adopted and shunt the measure off to Appropriations Committee under a point of order. If in fact the committee amendment is adopted, which is at this point unclear, then because of an appropriation and a fiscal impact, a motion could be entertained to refer the bill at that point to Appropriations Committee. It would then be subject to the majority decision of this House."

Mr. Brown moved adoption of the committee amendment.

Mr. Knowles moved adoption of the following amendment to the committee amendment:

On page 6, section 8, line 30 following "violation" and before the period, insert " PROVIDED, That the accumulative fine imposed for each such violation shall not exceed the sum of two hundred and fifty dollars"

Representatives Knowles and Brown spoke in favor of the amendment to the committee amendment.

The amendment by Mr. Knowles to the committee amendment to House Bill No. 725 was adopted.

Mr. Kuehnle moved adoption of the following amendment to the committee amendment:

On page 8, section 11, line 28 after "person" and before "funds" strike "contributing the" and insert "making a contribution in excess of one hundred dollars to"

Representative Kuehnle spoke in favor of adoption of the amendment, and Representatives Brown and Blair spoke against it.

The amendment by Mr. Kuehnle to the committee amendment to House Bill No. 725 was adopted on a rising vote.

The Clerk read the following amendment by Representative Shinpoch to the committee amendment:

On page 8, section 11, line 28 following "person" strike "contributing" and insert "making a contribution in excess of fifty dollars to"

With the consent of the House, Mr. Shinpoch withdrew the amendment to the amendment.

Mr. Lysen moved adoption of the following amendment by Representatives O'Brien, Sawyer and Lysen to the committee amendment to House Bill No. 725:

On page 9, section 12, line 16, following "commission," insert:

"The total of expenditures made by, for, or on behalf of any candidate in relation to any campaign shall not exceed the larger of the following amounts:

(a) Five thousand dollars; or

(b) A sum equal to the public salary which will be paid to the occupant of the office which the candidate seeks, during the term for which the successful candidate will be elected; or

(c) With respect to candidates for the office of Governor of the State of Washington only, a sum equal to the public salary which will be paid the governor during the term sought, multiplied by two.

Any candidate who violates the provisions of this section, and any person who aids or abets such a violation, shall be subject to the provisions and penalties of sections 8 and 22 of this act."

Representatives Lysen and Bledsoe spoke in favor of the amendment to the committee amendment.

## MOTION

On motion of Mr. Brown, the House deferred further consideration of House Bill No. 725 on second reading until after consideration of Engrossed Senate Bill No. 179.

## PERSONAL PRIVILEGE

Mr. Douthwaite: "Today a subpoena was delivered to me addressed to the State of Washington, House of Representatives. This subpoena comes from our guests who are in the gallery from the University District. They are here partly to advertise the Sidewalk Fair coming up on May 22 and 23, to which you are all cordially invited. Come if you can and meet a very interesting group of people selling lots of interesting trinkets. It is a delightful time to meet a lot of interesting students and residents from all over the world."

ENGROSSED SENATE BILL NO. 179, by Senators Whetzel and Francis (by Departmental request):

Providing for recovery by the department of social and health services of assistance furnished to an injured public assistance recipient.

Committee recommendation: Majority, do pass with the following amendments:

On page 1, section 1, line 27 of the engrossed bill, being line 4 of the Senate Committee amendment, after "initiated" insert "by or"

On page 2, section 1, line 9 of the engrossed bill, being line 14 of the Senate Committee amendment after "matter" and before the period insert ": PROVIDED, That if the attorney's fees conform to the applicable minimum bar fee schedule, court approval for such fees shall not be necessary"

The bill was read the second time.

On motion of Mr. Farr, the committee amendments were adopted.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 179 as amended by the House was placed on final passage.

Mr. Farr spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Farr yielded to question by Mr. Savage.

Mr. Savage: "In reference to recovery of the amount assisted to a client in this case, does that mean that they could withhold the amount that it costs for attorneys' fees, etc.? Or does this mean that they could recover from the amount he received for any benefits he had been given prior to that time on assistance?"

Mr. Farr: "My understanding is that this particular bill speaks to the legal assistance given, and not to the other area. I may be wrong, but I believe there is another bill we have taken care of which gives them the lien rights to the recovery of assistance given as public assistance in that case. In this bill though I believe we are speaking only to the assistance legally that is given."

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 179 as amended by the House, and the bill passed the House by the following vote: Yeas, 91; nays, 4; absent or not voting, 4.

HOUSE BILL NO. 725, by Representative Brown:  
Providing election laws.

The House resumed consideration of House Bill No. 725 on second reading. The Speaker stated the question before the House to be the amendment by Representatives O'Brien, Sawyer and Lysen to the committee amendment.

With the consent of the House, Representatives O'Brien, Sawyer and Lysen withdrew the amendment.

Mr. O'Brien moved adoption of the following amendment by Representatives O'Brien, Sawyer, Lysen, Brown, Ceccarelli and Litchman:

On page 9, section 12, line 22 following "commission," insert:

"The total of expenditures made by, for, or on behalf of any candidate in relation to any campaign shall not exceed the larger of the following amounts:

(a) Five thousand dollars; or

(b) A sum equal to the public salary which will be paid to the occupant of the office which the candidate seeks, during the term for which the successful candidate will be elected; or

(c) With respect to candidates for the office of Governor and Lt. Governor the State of Washington only, a sum equal to the public salary which will be paid the governor during the term sought, multiplied by two.

Any candidate who knowingly and wilfully violates the provisions of this section, and any person who aids or abets such a violation, shall be subject to the provisions and penalties of sections 8 and 22 of this act.

The total of expenditures made by, for or on behalf of any ballot proposition shall not exceed one hundred thousand dollars."

Mr. O'Brien spoke in favor of adoption of the amendment to the committee amendment.

#### POINT OF INQUIRY

Mr. O'Brien yielded to question by Mr. Kiskaddon.

Mr. Kiskaddon: "Representative O'Brien, just to be sure I understand the amendment—when we speak about a campaign, would this mean that the candidate would be able to expend, say the \$5,000, for the primary campaign and then the general election campaign following would be considered separate? Do you consider a primary a separate campaign from the general election to follow? Or do you consider them all one with respect to this amendment?"

Mr. O'Brien: "For the winning candidates, you would be limited to this amount of money that is set forth in this amendment—total expenditures for both primary and general. You would have to use reasonable judgment before you got involved. If you over-expended in the primary, you would probably have to limit your expenditures in the general. Your total campaign expenses could not exceed the amount of money that you would earn during your term of office."

Mr. Kiskaddon: "The last sentence states: 'The total of expenditures made by, for or on behalf of any ballot proposition shall not exceed one hundred thousand dollars.' Does 'on behalf of' imply that if I am working against the ballot proposition, I am also limited to one hundred thousand dollars?"

Mr. O'Brien: "That it true—it would be for or against. 'Behalf' certainly implies for or against."

Representatives Lysen and Ceccarelli spoke in favor of adoption of the amendment, and Representative Eikenberry spoke against it.

Mr. Jueling demanded the previous question, and the demand was sustained.

Mr. King demanded an electric roll call, and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on the adoption of the amendment by Representatives O'Brien, Sawyer, Lysen, Brown, Ceccarelli and Litchman to the committee amendment to House Bill No. 725, and the amendment was adopted by the following vote: Yeas, 74; nays, 19; absent or not voting, 6.

Voting yea: Representatives Adams, Anderson, Backstrom, Bagnariol, Bauer, Beck, Berentson, Blair, Bledsoe, Bottiger, Bozarth, Bradley, Brouillet, Brown, Ceccarelli, Charette, Charney, Chatalas, Conner, Conway, Costanti, Cunningham, Curtis, Farr, Flanagan, Gallagher, Gilleland, Gladder, Grant, Hansey, Haussler, Hoggins, Jastad, Kilbury, King, Kirk,

Kiskaddon, Knowles, Kopet, Kraabel, Litchman, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Mentor, Merrill, Moon, Morrison, North, O'Brien, Pardini, Paris, Perry, Randall, Rosellini, Savage, Sawyer, Shera, Shinpoch, Smith, Smythe, Thompson, Van Dyk, Williams, Wojahn, Wolf, Zimmerman—74.

Voting nay: Representatives Amen, Barden, Benitz, Bluechel, Douthwaite, Eikenberry, Goldsworthy, Harris, Hatfield, Jones, Jueling, Julin, Kuehnle, Polk, Rabel, Schumaker, Spanton, Wanamaker, Mr. Speaker—19.

Absent or not voting: Representatives Copeland, Hubbard, Hurley, Johnson, Newhouse, Ross—6.

#### MOTION

Mr. Kraabel moved that the remarks of Mr. Lysen pertaining to the amendment to the amendment be entered in the Journal.

The motion was lost.

The Clerk read the following amendment by Mr. Barden to the committee amendment: On page 9, section 12, line 16 after "commission" strike the period and insert the following: "PROVIDED, HOWEVER, It shall be deemed a violation of this act for any candidate to expend or have expended on his behalf in any combined primary and general election campaigns a sum exceeding an amount equal to fifteen cents per registered voter in the area encompassed by the office which said candidate is seeking. Of the aforementioned amount, no more than two-thirds thereof shall be spent in a primary election."

With the consent of the House, Mr. Barden withdrew the amendment to the amendment.

Mrs. Wojahn moved adoption of the following amendment to the committee amendment to House Bill No. 725:

On page 11, section 13, line 4, following subsection (3) insert a new subsection to read as follows:

"(4) Every candidate shall be required to report every appearance on radio or television as a campaign contribution. The amount of such contribution shall be computed as the fair market value to a commercial advertiser of an equal amount of time under the same or similar circumstances on the same station. This subsection shall not apply to paid political advertisements or to radio or television coverage of news of general public interest."

Mrs. Wojahn spoke in favor of the amendment to the amendment.

#### POINT OF INQUIRY

Mrs. Wojahn yielded to question by Mr. Wolf.

Mr. Wolf: "If the state treasurer were to appear on television as a guest on KING, KOMO, KIRO—to an amount equal to \$40,000—he would have no money left. He wouldn't have any money to campaign on. Is that true?"

Mrs. Wojahn: "It would depend on how much time he was on the air, and also if he were appearing in his official capacity. I don't think it would necessarily interfere with this amendment."

#### POINT OF INQUIRY

Mrs. Wojahn yielded to question by Mr. Curtis.

Mr. Curtis: "Mrs. Wojahn, as a retailer, I run an advertising program for my business. Some of the radio commercials utilize my voice. I cut the commercial, and this is a paid radio commercial for my business. Would I then as a candidate at campaign time come under this rule?"

Mrs. Wojahn: "No, you wouldn't, Representative Curtis, unless you announced your name was Curtis and you were speaking on behalf of this advertisement. I would say there is no problem."

Mr. Curtis: "If I may continue—you said unless I say my name is Curtis and I am speaking on behalf of the advertisement—the name of my store is 'Curtis Thriftway' and I would be speaking for it. Does that make me liable to report that as a campaign expenditure if it is a paid commercial advertisement? I can sing you the jingle if you'd like."

Mrs. Wojahn: "I would say this would not. I would like to yield to one of the attorneys—perhaps Representative Charette would answer this. I don't believe it would, Representative Curtis."

## POINT OF INQUIRY

Mr. Bluechel: "Would Mrs. Wojahn yield to another question, please?"

Mrs. Wojahn declined to yield to question.

The amendment by Mrs. Wojahn to the committee amendment to House Bill No. 725 was lost on a rising vote.

Mr. Thompson moved adoption of the following amendment to the committee amendment:

On page 11, section 13, line 4 insert a new subsection to read as follows:

"(4) Notwithstanding any other provision of this act, each candidate shall report the number of hours spent each normal working day which is spent some place other than his normal place of business and which is spent in furtherance of his campaign effort, directly or indirectly. Each such candidate shall apportion the amount of salary or wages received for such hours and declare such salary or wages as a campaign contribution."

Mr. Thompson spoke in favor of the amendment to the amendment.

## POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Bagnariol.

Mr. Bagnariol: "How would this affect a person who is perhaps in the real estate sales business or insurance sales and who, in his normal course of business activity, goes out to solicit accounts and he solicits his accounts in the area he is also campaigning in. The way your amendment reads 'directly or indirectly,' would they have to charge this time off as campaign time?"

Mr. Thompson: "Everyone around me is saying 'no,' but I think this language would oblige each candidate in good faith to make this determination and make a report accordingly."

## POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Wanamaker.

Mr. Wanamaker: "I am thinking of my own case in particular, Mr. Thompson, where I am retired, not on any salary or the employee of any company. Yet if I go down into Kitsap County and casually drive through looking at the scenery and I drop in to visit with Adele Ferguson—we go to lunch, but don't talk politics. How would I handle this situation?"

Mr. Thompson: "Will Mrs. Ferguson yield to a question? This clearly doesn't apply in those instances."

Representatives Bledsoe and Bottiger spoke against adoption of the amendment by Mr. Thompson to the committee amendment.

The amendment by Mr. Thompson to the committee amendment to House Bill No. 725 was not adopted.

On motion of Mr. Kuehnle, the following amendment to the amendment was adopted: On page 11, section 14, line 10 after "in excess of" and before "dollars" strike "ten" and insert "one hundred"

The Clerk read the following amendment by Mr. Shinpoch:

On page 11, section 14, line 10 following "excess of" strike "ten" and insert "fifty"

With the consent of the House, Mr. Shinpoch withdrew the amendment.

On motion of Mrs. North, the following amendment by Representatives North and Charette to the committee amendment was adopted:

On page 14, line 16 strike all of section 20 and insert:

"NEW SECTION. Sec. 20. FORBIDS USE OF PUBLIC OFFICE FACILITIES IN CAMPAIGNS. No incumbent public elective office holder nor any employee of his office may use or authorize the use of any of the facilities of his public office, directly or indirectly, for the purpose of assisting his campaign for renomination or reelection to the office he holds, or for nomination or election to any other office, or for nomination or election of any other person to any office. Facilities of public office include the use of machines and equipment, employees of the office during working hours, vehicles, and office space.

The provisions of this section shall not prohibit the mailing of questionnaires or informational bulletins or newsletters by members of the legislature to their constituents during or immediately after a legislative session."

Mr. Luders moved adoption of the following amendment to the committee amendment:

On page 15, section 22, line 29 following "occurred" and before the period insert "PROVIDED, That no action shall be filed to enforce the provisions of this act during the period of time commencing with the date of filing and ending with the date of the general election"

Representatives Luders and Curtis spoke in favor of the amendment to the amendment.

The amendment by Mr. Luders to the committee amendment to House Bill No. 725 was adopted.

Mr. King moved adoption of the following amendment by Representatives King and Berentson to the committee amendment to House Bill No. 725:

On page 16, following section 24 insert a new section to read as follows:

"NEW SECTION. Sec. 25. Every candidate for an elective office in this state including federal, state, county, city, town, and district offices whether such election is partisan or nonpartisan, except a candidate for precinct committeeman and judges of the supreme court, shall simultaneously with filing a declaration of candidacy file with the same officer at the same time a signed copy of the following code of fair campaign practices:

CODE OF FAIR CAMPAIGN PRACTICES

There are basic principles of decency, honesty and fair play which every candidate for public office in the United States and the state of Washington has a moral obligation to observe and uphold, in order that, after vigorously contested but fairly conducted campaigns, our citizens may exercise their constitutional right to a free and untrammelled choice and the will of the people may be fully and clearly expressed on the issues before the country and this state.

Therefore:

I shall conduct my campaign in the best American tradition, discussing the issues as I see them, presenting my record and policies with sincerity and frankness, and criticizing without fear or favor the record and policies of my opponent and his party which merit such criticism.

I shall defend and uphold the right of every qualified American voter to full and equal participation in the electoral process.

I shall condemn the use of personal vilification, character defamation, whispering campaigns, libel, slander, or scurrilous attacks on any candidate or his personal or family life.

I shall condemn the use of campaign material of any sort which misrepresents, distorts, or otherwise falsifies the facts regarding any candidate, as well as the use of malicious or unfounded accusations against any candidate which aim at creating or exploiting doubts, without justification, as to his loyalty and patriotism.

I shall condemn any appeal to prejudice based on race, creed, or national origin.

I shall condemn any dishonest or unethical practice which tends to corrupt or undermine our American system of free elections or which hampers or prevents the full and free expression of the will of the voters.

I shall immediately and publicly repudiate support deriving from any individual or group which resorts, on behalf of my candidacy or in opposition to that of my opponent, to the methods and tactics which I condemn.

I, the undersigned, candidate for election to public office in the United States of America and the state of Washington, hereby endorse, subscribe to, and solemnly pledge myself to conduct my campaigns in accordance with the above principles and practices, so help me God.

#### MOTION

On motion of Mr. Bledsoe, Engrossed House Bill No. 725 was ordered transmitted immediately to the Senate.

#### STATEMENT FOR THE JOURNAL

On this day I have voted in favor of Engrossed House Bill No. 725 relating to disclosure of campaign contributions. I strongly favor public disclosure of the *amount* and *source* of campaign contributions, so that the voters may vote advisedly. At the same time I oppose one of the amendments to this bill which would limit campaign expenditures. I believe this is an unconstitutional invasion of our right of political expression, and places a great disadvantage on the candidate running against an entrenched incumbent, newspaper backing, union backing, business backing, etc. Because I do favor the most important disclosure provisions, I voted for the bill. KENNETH O. EIKENBERRY, 36th District.

ENGROSSED SENATE BILL NO. 231, by Senators Newschwander, Day and McDougall:

Expanding duties of dental hygienists.

Committee recommendation: Majority, do pass as amended.

(For Committee Amendments see Journal of May 3, 1971, Fifty-third Day, Ex. Sess.)

The bill was read the second time.

Mr. Farr moved adoption of the committee amendment, and spoke in favor of its adoption.

The Speaker: "Dr. Farr, your three minutes have expired, if you will conclude your remarks please."

Representative Farr concluded his remarks in favor of the committee amendment, and Representatives Gladder and Charnley spoke against it.

#### POINT OF INQUIRY

Mr. Farr yielded to question by Mr. Rabel.

Mr. Rabel: "Dr. Farr, on this subject I talked to many dentists with whom I am acquainted and who I respect. In each case they entirely supported your position. I wondered if you have any other comments you would like to make on this subject."

Mr. Farr: "Thank you. The comments I would like to make would be to continue a bit in support of the view that you have experienced. Many of the dentists have been in support of the aspect that I have been talking about. I think if you look in the particular handout that I distributed, you will find that . . ."

#### POINT OF ORDER

Mr. Charette: "Mr. Speaker, I respectfully suggest that Representative Farr is not yielding to a question—he is trying to get around the three-minute rule."

The Speaker: "I think your point is well taken."

Mr. Barden spoke against adoption of the committee amendment.

#### POINT OF INQUIRY

Mr. Farr yielded to question by Mr. Eikenberry.

Mr. Eikenberry: "Dr. Farr, I would like to ask a question prompted by conversations had with dentists who reside in the 36th district who support your position, and also prompted by this letter from the Assistant Attorney General, indicating that the way the bill now reads, a hygienist could place, condense or carve silver fillings in prepared teeth. My question is, are hygienists trained to put silver fillings in teeth?"

Mr. Farr: "No, Mr. Eikenberry, the hygienists are not trained to put those fillings into the teeth, nor are they trained to do the other items that have been listed today as prohibitions. Contrary to many of the arguments put forth by my opponents on this particular matter (who I note are not dentists), this is not an area that the schools teach at this time and I have been assured will not be taught until such time as the law is changed. Though it is possible under certain exploratory types of training—certainly with a two-year course, as done in the state of Georgia, it is possible to teach technicians, or girls, or dental hygienists to do these particular types of operations that take a dental student—really he spends four years in a dental school to do that and a lot of other operations."

#### POINT OF INQUIRY

Mr. Farr yielded to question by Mr. Ross.

Mr. Ross: "Dr. Farr, my conflict in this bill is that I have gotten letters from various dentists throughout the state supporting your position, but I have also received a great number of letters from the association. There seems to be an apparent conflict. My question very specifically is: Does the association represent the dentists, or do the dentists represent themselves? This raises a big question with me, because in the hearings in judiciary committee, the representative for the State Bar Association supposedly speaks for all attorneys in the state. If you could settle that for me, I would appreciate it."

Mr. Farr: "Mr. Ross, you have really, I think, hit one of the nut problems in this particular case. Any of you who belong to professional organizations, or even other organizations, probably can see the picture as I draw it for you the way this has developed. This started originally as an idea some two or three years ago. It was taken to the political group of the dental society, called the House of Delegates. At that time a survey was made, interest was expressed, and an outgoing president pointed it up as a program that should be considered. At this time it was studied and the bill was produced in the form you see it now. When the House of Delegates approved this, the officers are the only ones who can make any change in the position that they have received from the House of Delegates. The thing that has happened is that the way the bill is worded, the dentists did not understand until the circulation of this information sheet that has been referred to, and you have a copy with the Attorney General's opinion—the information was not given to the man in the street or the grass-roots dentists in words he was used to. I personally found it difficult to look at the words of the law and say to myself: 'Is this a good law for the people of the state of Washington?' When I listed, as you see on the sheet, the steps that we do in operations that I know you probably can't understand or appreciate fully—I listed those down the side, keyed in whether or not they were possible now, and in the second column applied the steps against the proposed law. I found there were great gapping openings that I am sure the composers of this bill did not intend to leave. They are good men—there is no question, but this is the way the law came out. Once the law was formed, the officers and others in the association had one purpose, and that was to continue pushing for this particular bill in the form that it was without amendment. It is the result of the survey . . ."

The Speaker: "Dr. Farr, Mr. Ross's three minutes have expired."

Mr. Juelsing demanded the previous question, and the demand was sustained.

Mr. Farr closed debate, speaking in favor of adoption of the committee amendment.

## POINT OF INQUIRY

Mr. Beck: "Mr. Speaker, I would like to ask the lady from Yakima a question. Could I submit a question to her?"

The Speaker: "No, you cannot, Mr. Beck."

The Speaker stated the question before the House to be the committee amendment to Engrossed Senate Bill No. 231.

The committee amendment was lost on a rising vote.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

## SECOND READING

ENGROSSED SENATE BILL NO. 231, by Senators Newschwander, Day and McDougall:

Expanding duties of dental hygienists.

The House resumed consideration of Engrossed Senate Bill No. 231 on second reading.

Mr. Farr moved adoption of the following amendment:

Strike all the matter after the enacting clause and insert the following:

“Section 1, Section 27, chapter 16, Laws of 1923 as amended by section 4, chapter 47, Laws of 1969 and RCW 18.29.050 are each amended to read as follows:

Any person licensed as a dental hygienist in this state may remove deposits and stains from the surfaces of the teeth, may apply topical preventive or prophylactic agents, [and] may polish and smooth restorations, [but shall not perform any other operation on the teeth or tissues of the mouth] *may perform root planing and soft-tissue curettage, and may perform other dental operations and services delegated to them by a licensed dentist after fulfilling the training requirements prescribed by the Washington state board of dental examiners: PROVIDED, That licensed dental hygienists shall, in no event, perform the following dental operations or services:*

(1) *Any examination for diagnosis or any diagnosis for treatment or treatment planning;*

(2) *Any prescription of drugs or medications requiring the written order or prescription of a licensed dentist or physician;*

(3) *Any administration of general or block anaesthetic;*

(4) *Any incising, elevating, or suturing of soft tissues;*

(5) *Any removal of or addition to the hard or soft tissue of the oral cavity including, but not limited to placing, condensing, or carving amalgam restorations;*

(6) *Any intra-oral procedure involved in the endodontic treatment of teeth except rubber dam placement and removal;*

(7) *Any intra-oral fitting, occlusal adjustment, margin finishing, or cementing of cast restorations;*

(8) *Any intra-oral procedure leading to fabrication of prosthetic appliances; or*

(9) *The taking of any impressions of the teeth or jaw or the relationships of the teeth or jaws, for the purpose of fabricating any intra-oral restoration, appliance, or prosthesis.*

Such licensed dental hygienists may [operate] *perform dental operations and services only under the [direct] supervision of a licensed dentist, and under such supervision may be employed by hospitals, boards of education of public or private schools, county boards, boards of health, or public or charitable institutions, or in dental offices: PROVIDED, That the number of hygienists so employed in any dental office shall not exceed twice in number the licensed dentists practicing therein.”*

Mr. Farr spoke in favor of adoption of the amendment, and Mrs. Lynch spoke against it.

Mr. Juelsing demanded the previous question, and the demand was not sustained.

Mr. Chatalas spoke against adoption of the amendment.

#### POINT OF INQUIRY

Mr. Farr yielded to question by Mr. Conway.

Mr. Conway: “Dr. Farr, a great number of us on the committee were concerned if the bill passed in its natural state that many of the hygienists would be allowed to have many responsibilities that they were not trained for, without any more education. The reason we wished to amend the bill was to take care of that problem that exists, and the amendment that was placed before us and approved by the committee did exactly that without changing the bill too much. I am wondering in regards to your floor amendment if it will help with regard to training these hygienists, or are we going to allow a great number of hygienists to do things that they are not really trained to do, which would happen in the bill?”

Mr. Farr: “Mr. Conway, what it does in effect is leaves to the discretion of the dental examining board (the one board that does the examining for this particular area) the responsibility for setting up the education that is necessary for these particular people to do these extended services. Now the hygienists do go to a school related to the dental area and they in the future (say a year from this June) would be coming out with, I feel, adequate training at that time. The only problem is the girls at the present time who are dental hygienists are under no obligation to do anything—this is the old grandfather clause. But in this bill it leaves it as loose as is possible while still speaking to the question of education, that the board shall be responsible for determining what education and examination requirements the existing girls shall take. A year from now the girls coming out of the hygienists school, I feel, could be adequately trained by the excellent schools we have throughout the state, both in the college, university and community college level.”

Mr. Bledsoe demanded the previous question, and the demand was sustained.

Mr. Farr closed debate, speaking in favor of the amendment.

## POINT OF ORDER

Mr. Beck: "Mr. Speaker, he has indicated that there are 72 percent of the dentists that have indicated they are in his favor on this. This is totally incorrect in Kitsap County. Twenty-nine of the thirty dentists that I have contacted are in disagreement with him."

The Speaker: "That is not a point upon which I can rule, Mr. Beck. Proceed, Mr. Farr."

Mr. Farr continued his remarks in favor of the amendment.

## POINT OF ORDER

Mr. Gladder: "This is the second time that Dr. Farr has closed debate. He has had several times as much time as the opposition has had. My question is: Is he permitted to bring up new information in closing debate as he did the last time he closed debate?"

## RULING BY THE SPEAKER

The Speaker: "The purpose of allowing the mover of the main proposition to close debate is to answer any matter which has arisen in debate after his original statement, and I would permit him to bring in new matter. Proceed, Dr. Farr."

Mr. Farr continued his remarks in favor of the amendment.

The Speaker: "Dr. Farr, your three minutes have expired. The question before the House is the floor amendment."

The amendment by Mr. Farr to Engrossed Senate Bill No. 231 was not adopted.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 231 was placed on final passage.

## ROLL CALL

Voting nay: Representatives Conner, Cunningham, Eikenberry, Farr, Grant, Hansey, Harris, Hatfield, Hubbard, Jastad, Kirk, Kopet, Lysen, Moon, Pardini, Paris, Rabel, Shinpoch, Smith, Van Dyk, Wojahn, Zimmerman—22.

Absent or not voting: Representatives Gilleland, Hurley, Johnson, McDermott—4.

Engrossed Senate Bill No. 231, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

## MOTION

On motion of Mr. Bledsoe, the House recessed until 2:15 p.m.

## AFTERNOON SESSION

The Speaker called the House to order at 2:15 p.m.

The Clerk called the roll, and all members were present except Representative Hurley who was excused.

#### POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "I haven't taken the trouble to look, and I don't think many people have. How is this amendment of yours an improvement over the amendment which the transportation committee accepted?"

Mr. Newhouse: "As I explained, there are other gradations of color in the Ringlemann Chart, which is the standard used. The newer vehicles which are more efficient must come in accordance with the number 1 color standard in the Ringlemann Chart. Older vehicles can meet the number 2 standard on the chart which allows a slightly darker color."

The amendment by Mr. Newhouse, as amended by Mr. Charnley, was adopted.

On motion of Mr. Newhouse, the following amendment to the title was adopted:

In line 1 of the title after "vehicles;" strike the remainder of the title and insert "providing for exhaust control; and creating a new section."

Mr. Flanagan spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Marzano.

Mr. Marzano: "Mr. Flanagan, it is long overdue that this bond issue is going to be over with. Will the tax that was voted for by the people in 1949 for the original bonus for World War II veterans, and approved again for the Korean veterans, be taken off?"

Mr. Flanagan: "At the present time the tax is earmarked for this bond issue. When the bond issue is repaid, there is no use for it other than to return it to the general fund. If legislation is enacted to use this for some specific purpose, it can be used that way. Otherwise it is in limbo, and should be going into the general fund."

Mr. Marzano: "In other words, the tax will still be there?"

Mr. Flanagan: "Yes."

Representatives Marzano and Anderson spoke against passage of the bill.

#### MOTION FOR RECONSIDERATION

Mr. Julin, having voted on the prevailing side, moved that the House do now reconsider the vote by which Engrossed Senate Bill No. 263 failed to pass the House.

#### POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Julin.

Mr. Julin: "Representative Flanagan, it is my understanding that this bill in essence says that if there is any money left over after the regular application to provide for the retirement of the present veterans' bonus bonds, that that fund, in excess of that requirement, will then be transferred to the general fund. This bill further provides that the tax imposed on the sale of cigarettes will continue to accrue to the general fund. If my understanding is correct on that, could you tell us what the fiscal implications are of the passage of this bill so far as this biennium and the next biennium is concerned?"

Mr. Flanagan: "Yes, Representative Julin. The impact would be, for this biennium, \$2,930,000, and for the next biennium, \$1,169,000—a little over \$4,000,000. I guess I should have taken a little more time in the explanation of this bill. In the first place, we all know that the cigarette tax is going to continue—it is there, and it is not being repealed. This revenue will accumulate, and when it is no longer earmarked to repay this veterans' bond issue, there isn't any reason why it shouldn't go back into the general fund. It is counted on to balance the budget in this biennium and the next biennium. I really can't understand how anybody could favor just letting it accumulate, and then enacting new taxes to balance the budget."

Representatives Goldsworthy, Bottiger and Julin spoke in favor of the motion to reconsider, and Representatives Anderson, Marzano and Moon spoke against it.

The motion by Mr. Julin to reconsider the vote by which Engrossed Senate Bill No. 263 failed to pass the House was carried on a rising vote.

On motion of Mr. Bledsoe, ENGROSSED HOUSE BILL NO. 747 was advanced to the top of today's third reading calendar.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

#### SECOND READING

HOUSE BILL NO. 1022, by Representatives Eikenberry and Polk:

Relating to state government.

(For Committee Amendments see Journal of May 6, 1971, Fifty-sixth Day, Ex. Sess.)

The bill was read the second time.

Mr. Bluechel moved adoption of the committee amendment, and spoke in favor of its adoption.

#### POINT OF INQUIRY

Mr. Bluechel yielded to question by Mr. Eikenberry.

Mr. Eikenberry: "Representative Bluechel, one important item to my being able to vote for the bill, based on the fact that my name was on the original title only and that I had no participation in the study or preparation of the amendment (although I have had quite a discussion with you on this)—could you advise this House as to whether the Education Association has agreed to the concept contained in this amendment?"

Mr. Bluechel: "Yes, we had testimony from Mr. Broderick of the Education Association, and while he was not completely familiar with the details of the bill, his testimony was that it was highly advisable to have the functions of investment under the Finance Committee."

The committee amendment was adopted.

On motion of Mr. Bluechel, the committee amendment to the title was adopted.

House Bill No. 1022 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 1022 was placed on final passage.

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 1022, and the bill passed the House by the following vote: Yeas, 72; nays, 23; absent or not voting, 4.

Voting yea: Representatives Adams, Anderson, Barden, Benitz, Berentson, Blair, Bledsoe, Bluechel, Bottiger, Bozarth, Brouillet, Brown, Ceccarelli, Charette, Chatalas, Conner, Copeland, Costanti, Curtis, Eikenberry, Farr, Gallagher, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Hatfield, Hoggins, Jastad, Jones, Jueling, Julin, Kirk, Kiskaddon, Kopet, Kraabel, Litchman, Luders, Lynch, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Mentor, Morrison, Newhouse, North, O'Brien, Paris, Perry, Polk, Rabel, Randall, Rosellini, Ross, Sawyer, Schumaker, Shera, Smith, Smythe, Spanton, Thompson, Van Dyk, Wanamaker, Williams, Zimmerman, Mr. Speaker—72.

Voting nay: Representatives Amen, Bagnariol, Bauer, Beck, Bradley, Charnley, Conway, Cunningham, Douthwaite, Grant, Haussler, Hubbard, Johnson, Kilbury, King, Knowles, Kuehnle, Merrill, Moon, Savage, Shinpoch, Wojahn, Wolf—23.

Absent or not voting: Representatives Backstrom, Flanagan, Hurley, Pardini—4.

Engrossed House Bill No. 1022, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

HOUSE JOINT RESOLUTION NO. 3, by Representatives Amen, Benitz, Bledsoe, Bozarth, Curtis, Farr, Gladder, Goldsworthy, Haussler, Lynch, Paris, Shera, Smythe, Spanton, Wanamaker and Wolf:

Limiting property taxes to one percent of true value.

Committee recommendation: Majority, do pass as amended.

(For Committee Amendment see Journal of May 5, 1971, Fifty-fifth Day, Ex. Sess.)

The resolution was read the second time.

Mr. Flanagan moved adoption of the committee amendment.

Mr. Flanagan spoke in favor of adoption of the committee amendment.

## POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Chatalas.

Mr. Chatalas: "Mr. Flanagan, as I understand it, this only applies to the first forty mills. What happens on the special levies and other millage?"

Mr. Flanagan: "This would provide an exemption for any property taxes in excess of that amount. If you paid more than seven percent, anything above seven percent of your income would be exempted."

Mr. Chatalas: "As an example, if someone makes \$10,000 a year, he will pay no more than \$700.00 a year taxes?"

Mr. Flanagan: "If a person made \$10,000 a year, then anything above \$700 he could be exempt from paying."

Mr. Chatalas: "That's not much of an exemption as far as I am concerned, for a person making \$10,000 to be paying \$700.00 in property taxes."

Mr. Flanagan: "Representative Chatalas, as I said, this is merely the limit established in the Constitution. If the legislature wishes, the implementing bill could go down to five percent or four percent. This is just the constitutional limitation."

Representatives Amen and Hubbard spoke against the committee amendment to House Joint Resolution No. 3.

## POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Haussler.

Mr. Haussler: "Will the state make up the loss in taxes which ordinarily would go to the counties? This will not be a county loss, as we are now on the \$50 exemption?"

Mr. Flanagan: "At the present time, Representative Haussler, this is just a constitutional provision and there has to be implementing legislation to put it into effect. I don't know just what legislation we would pass to put it into effect. We could pass legislation that would allow the impact to all come at the local level, or we could pass legislation that would require the state to fund it. We have to have additional legislation to put this into effect."

Mr. Haussler spoke against the committee amendment to House Joint Resolution No. 3.

#### POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Spanton.

Mr. Spanton: "What happens if Senate Joint Resolution No. 1 passes? Is there any relationship here?"

Mr. Flanagan: "Of course, if Senate Joint Resolution No. 1 passes (I hope it does—it is a pretty effective total tax limitation), this could be an additional limitation. You could pay a lower property tax if you were the owner of a residence under this provision even if Senate Joint Resolution No. 1 does pass."

Mr. Spanton spoke against adoption of the committee amendment.

The committee amendment to House Joint Resolution No. 3 was adopted.

House Joint Resolution No. 3 was ordered engrossed.

On motion of Mr. Wolf, the rules were suspended, the second reading considered the third, and Engrossed House Joint Resolution No. 3 was placed on final passage.

Mr. Chatalas demanded the previous question, and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Joint Resolution No. 3, and the resolution failed to pass the House by the following vote: Yeas, 61; nays, 37; absent or not voting, 1.

Voting yea: Representatives Anderson, Backstrom, Bagnariol, Barden, Bauer, Blair, Bledsoe, Bottiger, Bradley, Brouillet, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conner, Conway, Cunningham, Douthwaite, Eikenberry, Farr, Flanagan, Gallagher, Gilleland, Grant, Hansey, Harris, Jastad, Julin, King, Kiskaddon, Kopet, Kraabel, Kuehnle, Litchman, Luders, Marsh, Martinis, Marzano, Maxie, McDermott, Merrill, Moon, North, O'Brien, Pardini, Paris, Perry, Randall, Rosellini, Ross, Sawyer, Shera, Shinpoch, Smith, Smythe, Van Dyk, Williams, Wolf, Zimmerman, Mr. Speaker—61.

Voting nay: Representatives Adams, Amen, Beck, Benitz, Berentson, Bluechel, Bozarth, Copeland, Costanti, Curtis, Gladder, Goldsworthy, Hatfield, Haussler, Hoggins, Hubbard, Johnson, Jones, Juelling, Kilbury, Kirk, Knowles, Lynch, Lysen, May, McCormick, Mentor, Morrison, Newhouse, Polk, Rabel, Savage, Schumaker, Spanton, Thompson, Wanamaker, Wojahn—37.

Absent or not voting: Representative Hurley—1.

#### STATEMENT FOR THE JOURNAL

I wish to change my vote from "nay" to "yea" on final passage of Engrossed House Joint Resolution No. 3. KING LYSEN, 31st District.

#### MOTION

On motion of Mr. Bledsoe, the House advanced to the tenth order of business.

#### THIRD READING

ENGROSSED HOUSE BILL NO. 747, by Representatives Brown and Morrison: Reapportioning and redistricting the legislature.

Engrossed House Bill No. 747 was read the third time and placed on final passage.

Representatives Brown and Morrison spoke in favor of the bill and Representative Grant spoke against it.

The Speaker recognized Mr. Bottiger:

Mr. Bottiger: "Mr. Speaker, ladies and gentlemen of the House: One of the services we have here is a computer. We have done some checking (I hope I have the right draft this time) and according to the computer, in those districts where you used the same

descriptions in the bill as we have available for us in the computer (and that isn't all of the districts), we have found variations of in excess of 6,000 people from those numbers that are printed in the bill. I would like to have had a chance to offer each one of those as an amendment, so that the bill could be factually correct, but I would like to bring this out to you now so that if there ever is a court decision that tries to make a finding that this is accurate, we will have in the Journal that we acknowledged that it was not accurate."

#### MOTION

Mr. Williams moved that the preceding remarks of Representative Bottiger be inserted in the Journal.

#### POINT OF ORDER

Mr. Perry: "Since when is a member denied putting his remarks in the Journal?"

The Speaker: "If he wants to write them out and put them in, he can put them in."

The motion by Mr. Williams was carried on a rising vote.

#### POINT OF INQUIRY

Mr. O'Brien yielded to question by Mr. Litchman.

Mr. Litchman: "Mr. O'Brien, it is my understanding that in drawing up a fair and equitable redistricting bill, one should take into consideration the political differences of the House, which are basically even at this time. It is my understanding the way this bill is designed, it is substantially out of balance. I wonder if you could answer that question."

Mr. O'Brien: "Mr. Litchman, I am very happy to answer your question. As I understand it, with forty-six percent of the Republican vote, they were able to achieve fifty-six seats in the House of Representatives to our forty-three. So I think it is way out of balance and it apparently has been a masterpiece in gerrymandering."

Mr. Litchman spoke against passage of the bill.

#### POINT OF INQUIRY

Mr. Bottiger yielded to question by Mr. Brown.

Mr. Brown: "Mr. Bottiger, you spoke about a computer. I assume you mean that you have checked this on the Legislative Information System. Is that correct?"

Mr. Bottiger: "That is correct."

Mr. Brown: "Does the Legislative Information System data contain individual block information?"

Mr. Bottiger: "No, Mr. Brown, it doesn't, but not every one of your districts uses block counts. Many of them use E.D. and block groups which are in the information system. That is why in my remarks I said we weren't able to check all of them because those using single block figures are not on that computer."

Mr. Brown spoke in favor of passage of the bill.

#### STATEMENT FOR THE JOURNAL

The Legislative Information System which Representative Bottiger used to check populations of legislative districts in Engrossed House Bill No. 747 does not include individual block data. This data, however, is available both to me and to Representative Bottiger who could have checked it. We have checked the populations in Engrossed House Bill No. 747 with the Legislative Information System, and in addition have checked individual block data furnished this legislature by the U.S. Census Bureau. This check shows the populations in Engrossed House Bill No. 747 to be accurate. I would also like to point out that district populations in Engrossed House Bill No. 747 can be verified by the U.S. Census Bureau at any time. ARTHUR C. BROWN, 1st District.

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 747, and the bill passed the House by the following vote: Yeas, 51; nays, 47; absent or not voting, 1.

Voting yea: Representatives Amen, Barden, Benitz, Berentson, Blair, Bledsoe, Bluechel, Brown, Conway, Copeland, Costanti, Cunningham, Curtis, Eikenberry, Farr, Flanagan, Gilleland, Gladder, Goldsworthy, Hansey, Harris, Hatfield, Hoggins, Hubbard, Jones, Jueling, Julin, Kirk, Kiskaddon, Kopet, Kraabel, Kuehnle, Lynch, Mentor, Morrison, Newhouse, North, Pardini, Paris, Polk, Rabel, Ross, Schumaker, Shera, Smith, Smythe, Spanton, Wanamaker, Wolf, Zimmerman, Mr. Speaker—51.

Voting nay: Representatives Adams, Anderson, Backstrom, Bagnariol, Bauer, Beck, Bottiger, Bozarth, Bradley, Brouillet, Ceccarelli, Charette, Charnley, Chatalas, Conner, Douthwaite, Gallagher, Grant, Haussler, Jastad, Johnson, Kilbury, King, Knowles, Litchman, Luders, Lysen, Marsh, Martinis, Marzano, Maxie, May, McCormick, McDermott, Merrill, Moon, O'Brien, Perry, Randall, Rosellini, Savage, Sawyer, Shinpoch, Thompson, Van Dyk, Williams, Wojahn—47.

Absent or not voting: Representative Hurley—1.

Engrossed House Bill No. 747, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

## REPORT OF CONFERENCE COMMITTEE

May 7, 1971.

MR. PRESIDENT:

MR. SPEAKER:

We, of your Conference Committee, to whom was referred SENATE BILL NO. 522, providing for transfer of certain funds to the Washington public employees' retirement system, have had the same under consideration, and we report that we are unable to agree and respectfully request the powers of Free Conference.

Signed by Senators Fleming, Woodall and Gissberg; Representatives Shera, Pardini and Moon.

## MOTION

On motion of Mr. Morrison, the report of the Conference Committee on Senate Bill No. 522 was adopted and the committee was granted the powers of Free Conference.

## SECOND READING

ENGROSSED SENATE BILL NO. 464, by Senators Washington and Huntley:  
Implementing law relating to school district organization.

The House resumed consideration of Engrossed Senate Bill No. 464. The Speaker stated the question before the House to be the amendment by Representatives Hoggins and Brouillet.

## POINT OF ORDER

Mr. Randall: "Mr. Speaker, there is another amendment on the desk which refers to line 20. The amendment by Representatives Hoggins and Brouillet begins on line 25. Therefore the amendment just distributed by Representatives Charette and Haussler should precede it."

The Speaker: "That is correct."

Mr. Charette moved adoption of the following amendment:

On page 1, section 1, line 20 strike "was created" and insert "after this amendatory act becomes law"

Representatives Charette and Haussler spoke in favor of adoption of the amendment, and Representatives Hoggins, Bledsoe and Newhouse spoke against it.

The amendment by Representatives Charette and Haussler was not adopted.

The House resumed consideration of the amendment by Representatives Hoggins and Brouillet to Engrossed Senate Bill No. 464.

#### POINT OF ORDER

Mr. Randall: "I would direct the chair's attention to Rule 32 relating to scope and object of the bill. The bill actually pertains to joint school districts created by consolidation. The amendment refers to health care and types of insurance. Although it fits into the title (an act relating to education) I would ask you to rule as to whether it is germane to the question."

#### RULING BY THE SPEAKER

The Speaker: "It does appear that the terms of Engrossed Senate Bill No. 464 are very narrow indeed, amending one section of chapter 28A.57 of the Revised Code of Washington, pertaining only to school districts created by consolidation, made up of parts of three or more separate counties. The proposed floor amendment by Representatives Hoggins and Brouillet pertains to a different chapter of the Code—28A.58. It deals with powers of boards of directors; it deals with insurance coverage of employees. I do believe it expands the scope and object of Engrossed Senate Bill No. 464."

On motion of Mr. Ross, the following amendment by Representatives Ross, Maxie, Douthwaite and Polk was adopted:

On page 1, after section 1, insert the following:

Sec. 7. Section 28A.57.075, chapter 223, Laws of 1969 ex. sess. as amended by section 122, chapter 176, Laws of 1969 ex. sess. and RCW 28A.57.075 are each amended to read as follows:

Whenever adjustments of bonded indebtedness are made between or among school districts in connection with the alternation of the boundaries thereof, pursuant to the provisions of this chapter, the order of the intermediate school district superintendent establishing the terms of adjustment of bonded indebtedness shall provide and specify:

(1) In every case where bonded indebtedness is transferred from one school district to another school district (a) that such bonded indebtedness is assumed by the school district to which it is transferred; (b) that thereafter such bonded indebtedness shall be the obligation of the school district to which it is transferred; (c) that, if the terms of adjustment so provide, any bonded indebtedness thereafter incurred by such transferee school district through the sale of bonds authorized prior to the date its boundaries were

altered shall be the obligation of such school district including the territory added thereto; and (d) that taxes shall be levied thereafter against the taxable property located within such school district as it is constituted after its boundaries were altered, said taxes to be levied at the times and in the amounts required to pay the principal of and the interest on the bonded indebtedness assumed or incurred as aforesaid, as the same become due and payable.

In computing the debt limitation of any school district from which or to which bonded indebtedness has been transferred, the amount of such transferred bonded indebtedness at any time outstanding (a) shall be an offset against and deducted from the total bonded indebtedness, if any, of the school district from which such bonded indebtedness was transferred and (b) shall be deemed to be bonded indebtedness solely of the transferee school district that assumed such indebtedness.

(2) In every case where adjustments of bonded indebtedness do not provide for transfer of bonded indebtedness from one school district to another school district (a) that the existing bonded indebtedness of each school district the boundaries of which are altered and any bonded indebtedness incurred by each such school district through the sale of bonds authorized prior to the date its boundaries were altered shall be the obligation of the school district in its reduced or enlarged form, as the case may be; and (b) that taxes shall be levied thereafter against the taxable property located within each such school district in its reduced or enlarged form, as the case may be, at the times and in the amounts required to pay the principal of and interest on such bonded indebtedness as the same become due and payable.

In case the aforesaid approval by the state board concerns a proposal to form a new school district or a proposal for adjustment of bonded indebtedness involving an established school district and one or more former school districts now included therein pursuant to a vote of the people concerned, a special election of the voters residing within the territory of the proposed new district or of the established district involved in a proposal for adjustment of bonded indebtedness as the case may be shall be held for the purpose of affording said voters an opportunity to approve or reject such proposals as concern or affect them.

In a case involving both the question of the formation of a new district and the question of adjustment of bonded indebtedness, the questions may be submitted to the voters either in the form of a single proposition or as separate propositions, whichever to the intermediate school district superintendent seems expedient. When the [county committee] *state hearing examiner* has [passed] *formulated* appropriate resolutions for the questions to be submitted and the intermediate school district superintendent has given notice thereof to the county auditor such special election shall be called, conducted, and the returns canvassed as in regular school district elections.
