MESSAGE FROM THE SECRETARY OF STATE

March 9, 1973

TO THE HONORABLE,
THE SPEAKER OF THE HOUSE OF REPRESENTATIVES
THE LEGISLATURE OF THE STATE OF WASHINGTON
OLYMPIA, WASHINGTON
MR. SPEAKER:

I, A. Ludlow Kramer, Secretary of State of the State of Washington and custodian of the Seal of the said State, do hereby certify that: I have carefully compared the annexed copy of the proclamation by the Governor calling an extraordinary session of the Legislature to convene on the 9th day of March, 1973, with the original copy of said proclamation now on file in this office, and find the same to be a full, true and correct copy of said original, and the whole thereof, together with all official endorsements thereon.

IN TESTIMONY WHEREOF, I have set my hand and affixed hereto the seal of the state of Washington. Done at the Capitol at Olympia on this the date of March 9, 1973.
(Seal)

A. LUDLOW KRAMER,
Secretary of State.

PROCLAMATION BY THE GOVERNOR

The 1973 Session of the Washington State Legislature now has before it substantial legislation of importance to the citizens of our state. This is now the sixtieth day and much of the legislative work required by the people remains unfinished. While final action on many issues has not been taken, the committees and both houses have

considered many bills which can be acted upon during an extraordinary session.

The areas of major concern toward which the Legislature should direct its actions include:

1. Tax Reform. Once again tax reform is the major issue needing legislative action. It is absolutely vital that provision be made for dependable and adequate school funding and that the tax system be structured equitably for all the citizens in the state. The Legislature should dedicate itself to the resolution of this most important issue.

2. Fiscal and Financial Affairs. It is of paramount importance that the Legislature adopt a complete, comprehensive and balanced budget for the 1973-75 biennium. In addition there are several major proposals needing action which would substantially restructure the property tax system, including a measure to place a limit on property taxes related to the income a person earns.

3. Governmental Affairs. The Legislature has before it measures to create a Department of Transportation and a Department of Consumer Affairs. Additionally the Legislature should consider the bill providing for transportation funding through the gas tax. The future of transportation becomes an increasingly critical issue as the nation's energy reserves dwindle and the transportation needs of the people increase. These measures deserve thorough consideration by the Legislature.

4. Social Issues. Important legislation is still pending which is designed to restructure and modernize state laws relative to commitment of persons for mental illness. The Legislature needs also to consider proposals to adopt a statewide building code and to provide new methods of computing unemployment compensation for persons employed only part-time.

5. Law and Justice. The Legislature has not yet acted upon legislation to provide compensation to victims of crime. Additionally, there remain other major issues to be dealt with in this area including a probation subsidy program for adult offenders, reorganization of the parole decision making process, provision of a statewide medical examiner system, enactment of a juvenile court code, and adoption of standards for city and county jails.

6. Citizen and Consumer Affairs. The Legislature has yet to adopt a modern landlord-tenant act or provide for a system of no-fault insurance. Action is still pending on ratification of the federal constitutional amendment providing equal rights for women. In addition, major proposals for the protection of the consumer have yet to be considered. These measures are vital to citizens of our state and deserve consideration.

7. Environment. Substantial issues regarding our environment still face us. Action should be taken to provide funds to clean up oil spills and protect our shorelines. Also, there is need for providing a method of coordinating the various regulatory systems that protect the environment.

As a result of these conditions, an emergency exists constituting an extraordinary occasion within the meaning of Article III, Section 7, of the Constitution of the State of Washington.

NOW, THEREFORE, I, Daniel J. Evans, Governor of the State of Washington, by virtue of the authority vested in me by the Constitution, do hereby convene the Legislature of the State of Washington in Extraordinary Session in the Capitol at Olympia on the ninth day of March, A.D. 1973, at the hour of nine o'clock a.m., and

I DO HEREBY SPECIFY, in accordance with the requirements of the Constitution that the purposes for which the Legislature is convened are:

To appropriate sufficient funds, and raise sufficient revenues, to carry on the necessary functions and services of state government; and

To consider the enactment of the several other measures specified above for the benefit of the people of the State of Washington.

IN WITNESS WHEREOF, I have hereunto set my hand and caused the seal of the State of Washington to be affixed at Olympia, this 8th day of March, A.D. Nineteen Hundred and Seventy-Three.

(Seal)

DANIEL J. EVANS,
Governor.

EXPLANATION OF VOTE

I voted "no" on House Bill No. 304 because it provided "open-ended" financing of a benefit to educators that will place heavy pressure on school boards.

This places another issue up for negotiations. When the first step was taken in 1967, it began a trend that has risen steadily from a potential cost of \$200,000 a month to \$600,000 a month. With this bill there is no limit at all.

EXPLANATION OF VOTE

I voted "no" on final passage of House Bill No. 291 because the three counties of Klickitat, Skamania and Clark have found no problem with private appraising. It has been a major source of improving the quality of assessing. Younger deputies have been encouraged by the original language of RCW 36.21.011. Its passage in 1971 has helped assessors hire and keep competent appraisers.

Mr. Thompson moved that all standing committee reports listed on the fifth order of business be passed to the Committee on Rules for second reading.

POINT OF ORDER

Mr. Swayze: "I challenge the committee report on HOUSE BILL NO. 1026 under Rule No. 81, having been passed out of Committee on Agriculture without a regularly constituted meeting called therefor."

Mr. Benitz: "For the benefit of the members and the Speaker, I just wish to relate a couple of instances here for the challenge which Representative Swayze has given on the Agriculture Committee. It is my understanding in checking with other members of the committee that there was no notice of committee meeting. We did not have the salmon-colored sheet. None of us had it supplied to our desk. The yellow sheet did not list the Agriculture Committee--it listed only a subcommittee and listed nothing with executive action. Some of the members of the Agriculture Committee were not notified and therefore were not in attendance. I feel it would be most irregular to consider this bill under those circumstances."

Mr. Charette: "In commenting on this challenge, this was an Agriculture Committee meeting that was called on time. And I have to admit that I was about fifteen minutes late, but there was only one member of the

committee that wasn't present when I was there. As a matter of fact, that member had told us he was not going to be able to be in Olympia. I didn't see any great problem. I knew that the committee meeting was going to be held, and all of the members, except one, were present. It is a rather small bill. I think it is difficult to understand how people can challenge the action of the committee just because they don't like the bill. Probably some place along the line they will get an opportunity to express their lack of desire for this type of legislation by vote."

Mr. Schumaker: "The remarks just made by Representative Charette are not quite accurate. I also was not present. I was in the cafeteria, leisurely taking on a little morning nourishment, and we did not get these pink slips. We had no notification whatsoever. The remarks made by Representative Benitz are one hundred percent true. There were at least two of us absent, that I know of."

Mr. Amen: "I was not present the last two days. I could not be here. However, in checking on this beforehand, the Committee Clerk came around and said there would be a subcommittee meeting. My secretary asked if it would be a meeting at which I should be present, and he said 'No, it is just a subcommittee meeting and no action will be taken.' If I had known that action was to be taken, I would have made every effort to be here. I think this committee report should not be read in now."

RULING BY THE SPEAKER (Mr. O'Brien presiding)

The Speaker (Mr. O'Brien presiding): "The Speaker is going to rule that the Report of Standing Committee on House Bill No. 1026 stands. It was reported out of committee. This does not preclude any member from making any subsequent motion he might desire. The question that was raised is not well taken, on the basis that the committee chairman has reported out the bill, with the majority of the committee signing it. I will rule that the procedure is in order."

PARLIAMENTARY INQUIRY

Mr. Newhouse: "May I ask then, Mr. Speaker, if it will be the practice for a committee chairman to be able to call a committee meeting, not regularly scheduled, without notifying or attempting to notify all the members of the committee?"

The Speaker (Mr. O'Brien presiding): "It is not the Speaker's prerogative or duty to impugn the motives of any committee chairmen. I would imagine the committee chairman took all the necessary precautions. If there was a break down in communications, that could happen in any procedure."

Mr. Newhouse: "I would point out to the Speaker that it is the normal procedure to notify each member on this desk, and the member's office desk, by the salmon-colored sheet, of every regularly-scheduled

committee meeting. In this case it was not done, and I am asking if the procedure is to be changed?"

The Speaker (Mr. O'Brien presiding): "It is not the management or the administration of the majority of this House to engage in anything that would not be the proper procedure. If you check the procedures and practices in the past, you might find that on occasion errors and omissions have been made, but they have not been intentional."

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion by Mr. Thompson that all standing committee reports listed on the fifth order of business sheet be passed to the Committee on Rules for second reading.

The motion was carried.

MOTION

Mr. Amen moved that HOUSE BILL NO. 1026 be rereferred to the Committee on Agriculture.

Representatives Amen and Curtis spoke in favor of the motion, and Representatives Van Dyk and Savage spoke against the motion.

Mr. Charette demanded an electric roll call and the demand was sustained.

Mr. Swayze spoke in favor of the motion.

POINT OF INQUIRY

Mr. Kilbury yielded to question by Mr. Barden.

Mr. Barden: "Representative Kilbury, if this motion were to pass, I notice on the calendar that the Agriculture Committee is scheduled to meet tomorrow morning. Would it be your intention then to put this bill on the schedule before the full Agriculture Committee and hear it in executive session tomorrow morning?"

Mr. Kilbury: "Mr. Barden, I have already heard the bill. I might point out to you that I went to the Republican members of the committee--at least to their leaders--and told them that this bill was coming. Tomorrow morning we have scheduled the corporate farming bill. We are going to hold a hearing on that. We have people from all over the state, and I don't intend to change the schedule."

Mr. Barden: "Representative Kilbury, could I ask that question perhaps in a different way. If this motion prevails, would you hear the bill in executive session at your earliest opportunity, because the bill would then be back in your committee?"

Mr. Kilbury: "I would again repeat that this would

be subject to a considerable problem in scheduling. I have already tentatively scheduled ahead. I would, of course, have to look at the schedule and see what I could do."

Mr. Barden spoke in favor of the motion by Mr. Amen, and Mr. Charette spoke against it.

POINT OF ORDER

Mr. Swayze: "Mr. Charette is not speaking to the motion."

The Speaker (Mr. O'Brien presiding): "Neither is anyone else."

Mr. Charette concluded his remarks in opposition to the motion, and Representative Pardini spoke in favor of the motion.

Mr. Amen closed debate, speaking again in favor of the motion.

The Clerk called the roll on the motion by Mr. Amen to rerefer House Bill No. 1026 from the Committee on Rules to the Committee on Agriculture, and the motion was lost by the following vote: Yeas, 39; nays, 57; not voting, 2.

Not voting: Representatives Bagnariol, Rabel.

EXPLANATION OF VOTE

On this day, March 14, 1973, I voted in favor of referring House Bill No. 1026 from the Committee on Rules to the Committee on Agriculture. My vote does not mean that I oppose the concept of unit pricing, but rather, that in this case the membership of the Agriculture Committee had not been accorded due process of law and opportunity to consider this bill, as set forth in House Rule 81.

KENNETH O. EIKENBERRY, 36th District.
JOHN E. CUNNINGHAM, 33rd District.

STATEMENT FOR THE JOURNAL

The motion by Representative Amen to rerefer House Bill No. 1026 back to the Committee on Agriculture was made in protest to the procedure followed in processing the bill. Notification to committee members indicated a subcommittee meeting only, and specified no executive session or full committee meeting on the newly-introduced measure. Several members were denied their right to participate and the 39-57 vote reflects our objection to improper committee procedure. The vote in no way relates to the issue involved, as unit pricing, when properly handled, will receive bi-partisan support.

IRVING NEWHOUSE, 15th District.
Signing for all 39 members voting "yea."

The Speaker assumed the Chair.

SECOND READING

HOUSE BILL NO. 51, by Representatives Newhouse, Moon and North (Lois)-by Legislative Council request:

Allowing two additional races at horse racing meets.

The bill was read the second time.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and House Bill No. 51 was placed on final passage.

ROLL CALL

The Clerk called the roll on the final passage of House Bill No. 51, and the bill passed the House by the following vote: Yeas, 91; nays, 5; not voting, 2.

Voting yea: Representatives Adams, Amen, Anderson, Barden, Bauer, Bausch, Beck, Bender, Benitz, Berentson, Blair, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Cunningham, Curtis, Douthwaite, Ehlers, Eikenberry, Ellis, Erickson, Fortson, Freeman, Gaines, Gallagher, Garrett, Gaspard, Gilleland, Hansen, Hansey, Haussler, Hayner, Hendricks, Hoggins, Hurley, Jastad, Johnson, Juelling, Julin, Kalich, Kelley, Kilbury, King, Knowles, Kopet, Kraabel, Kuehnle, Laughlin, Leckenby, Luders, Lysen, Martinis, Maxie, May, McCormick, Moon, Morrison, Nelson, Newhouse, North F., North L., O'Brien, Pardini, Parker, Patterson, Perry, Polk, Pullen, Rabel, Randall, Savage, Schumaker, Shipoch, Smith, Smythe, Sommers, Swayze, Thompson, Tilly, Valle, Van Dyk, Warnke, Williams, Wilson, Wojahn, and Mr. Speaker.

HOUSE BILL NO. 76, by Representatives Bagnariol, Ceccarelli, Gaspard and Pardini:

Providing for guaranteed renewability of health insurance contracts and cancellation only for nonpayment of premium.

The bill was read the second time.

Committee on Financial Institutions recommendation: Majority, do pass as amended. (For amendments see Journal for fortieth day, February 16, 1973.)

On motion of Mr. Ceccarelli, the first three committee amendments were adopted.

Mr. Ceccarelli moved adoption of the committee amendment to page 1, line 11 striking "a health care service contractor" and spoke in favor of its adoption.

POINT OF INQUIRY

Mr. Ceccarelli yielded to question by Mr. Newhouse.

Mr. Newhouse: "Mr. Ceccarelli, am I to understand that by these amendments you are striking health care contractors from the effect of this bill so that they can possibly cancel out that type of policy, and other policies cannot be canceled by the insuring agency?"

Mr. Ceccarelli: "Yes."

Mr. Newhouse: "Would you answer as to why health care contractors should be allowed to cancel, and other companies should not?"

Mr. Ceccarelli: "They felt they were covered under previous legislation. What this bill lends itself to is that a person can only be canceled out for nonpayment. We are trying to get at, in this bill, the so-called advertising agencies that are coming into this state, offering health care and medical services and not living up to their contracts--where the minute you have a claim you are canceled out. So what this bill lends itself to is that those people that apply and receive this type of health care contract--the only way they can be canceled out is for nonpayment. The health care service contractors have had a good record in this state as our own state plan, and and so therefore we have eliminated them from the bill."

The committee amendment was adopted.

On motion of Mr. Ceccarelli, the last two committee amendments were adopted.

House Bill No. 76 was ordered engrossed.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed

Mr. Adams spoke in favor of the amendment.

POINT OF INQUIRY

STATEMENT FOR THE JOURNAL

Under the rules of the House and Code of Ethics, a legislator does not have a conflict of interest on a measure that affects him as a member of a class only. To avoid any misunderstanding, however, I did not vote on Engrossed House Bill No. 105 dealing with retirement benefits for employees of Washington State University.

E. G. "PAT" PATTERSON, 9th District.

POINT OF INQUIRY

Mr. Randall yielded to question by Mr. Savage.

Mr. Savage: "Does this have anything to do with imposing any other taxes on the rentals of mobile homes or anything like that?"

POINT OF INQUIRY

Mr. Randall yielded to question by Mr. May.

Mr. May: "I thought you implied there would be no sales tax on the original purchase?"

When the mobile home, if it is used, is brought into the state for the first time, the full sales tax applies. On the subsequent sale of a home or mobile home, the real estate transaction tax applies. And what this bill says is that the real estate transaction tax will apply to the sale of a mobile home if, in fact, it is listed as real property."

The Speaker (Mr. O'Brien presiding) recognized within the bar of the House members of the Florida State Legislature and requested that Representatives Ceccarelli, Pardini, King, Shinpoch, Kopet, Beck, Berentson, Hurley and Hayner conduct them to a place on the rostrum.

Mr. Craig: "Thank you, Mr. Speaker. It is a pleasure to be here in the state of Washington. On behalf of the Speaker of the Florida House of Representatives and the President of the Florida Senate--I bring you greetings. They are two great leaders that we have in Florida this year, and I really believe we are going to have just a 60-day session. At this time I would like to introduce my colleagues: A. S. 'Bill' Robinson, on my right--a good friend and Republican from Florida who came with us and he is a great guy; Jack Shreve is Chairman of the Criminal Justice Committee; and W. L. 'Bill' Fulford is Chairman of our Natural Resources Committee. You know they made me Speaker Pro Tem, and I thought I was really going to be something big--but I found out they were just getting rid of me, is what the whole thing was--it didn't amount to a hill of beans. Not only that, but Fulford won't let me talk any more--he is Chairman of the Committee now. But really, you have a beautiful state and a beautiful capitol. It's a pleasure being here with you. We've learned a lot this morning from your people regarding your computerized program. Hopefully we'll take some of that back to Florida, and we will improve our position as far as state legislatures are concerned in the United States of America. Again, we are happy to with you, and we hope you all will come to Florida to visit with us sometime in the Sunshine State."

The Speaker (Mr. O'Brien presiding): "Mr. Speaker, you made certain comments about being advanced to the position of Speaker Pro Tem so they could get rid of you. I noticed that many out in our assembly picked up those words with somewhat anxious ears. They have been trying to get rid of me for a long time. It is a great pleasure to have you, and we hope that you did bring some of that sunshine with you. Our weather isn't quite what you have in Florida, but we hope you have received the courtesy that Washington has been noted to offer visiting legislators. If we can be of any further service, please call on us. It is a real honor to have you with us."

RESOLUTION

HOUSE RESOLUTION NO. 73-51, by Representatives Thompson and Paris:

WHEREAS, Fifty years ago there was born in Cowlitz County one of the few new cities to be established in the West during the 20th century -- the City of Longview; and

WHEREAS, Longview, founded by the Long-Bell Lumber Company, has always been an industrial and port city, having on its waterfront Weyerhaeuser's largest operation, the Reynolds Metals Company, the Longview Fibre Company and the International Paper Company, providing year-round employment for more than 11,000 workers; and

WHEREAS, This industrial development has contributed greatly to the growth and well-being of Southwest Washington, and at the same time has provided a showplace of planned civic development as succeeding generations carried out the orderly growth pattern laid out by planners in 1923;

NOW, THEREFORE, BE IT RESOLVED, That the Washington Legislature, in order to honor and recognize the achievements of the City of Longview on the occasion of its Golden Anniversary, does hereby declare this to be Longview Day and in so doing congratulates the people of Longview, especially those modern-day pioneers who have been residents of the city since 1923, for their part in Washington's development, and wishes them well as they move into the second half of their first century.

Mr. Thompson moved adoption of the resolution.

Representatives Thompson and Paris spoke in favor of the resolution, and Representative Eikenberry spoke against it.

The resolution was adopted.

SPEAKER'S PRIVILEGE

The Speaker recognized within the bar of the House the Mayor Pro Tem of the City of Longview, Mr. Jack McCullough, and the President of the Longview Sandbaggers, Mr. Bob Snyder, and requested that Representatives Thompson, Paris, Jastad and Kalich escort them, along with the other members of the Sandbaggers, to the rostrum.

The Speaker: "Mayor, on behalf of the House of Representatives, I would like to present this House Resolution honoring the City of Longview. We are very proud of the city of Longview and its accomplishments, and also the Representatives you send down here, and on its 50th anniversary, we are happy to honor it."

Mayor McCullough: "Mr. Speaker, members of the House and guests: On behalf of the citizens of Longview, it is a pleasure to express our appreciation of your recognition of the city's 50th anniversary. We are proud of our city, and it is a pleasure to extend a cordial invitation to each of you to attend the 50th anniversary activities which will commence on June 27th and wind up the night of the 4th of July."

Mr. Snyder: "Mr. Speaker, just a brief word about the Sandbaggers. We were formed by the Portland Rainmakers. We are a fun-loving organization which tries to publicize the city of Longview in other than an ordinary way. We, too, would like to extend an invitation to you to come down for our celebration this summer."

The Speaker: "We want to thank you very much for your invitation. I know many of us will accept, and will be down to join you."

The escort committee conducted the Mayor Pro Tem and the Sandbaggers from the rostrum.

MOTIONS

On motion of Mr. Conner, the House reverted to the sixth order of business.

Mr. Newhouse moved that the Rules Committee be relieved of HOUSE BILL NO. 53, and that it be placed on today's second reading calendar.

Mr. Newhouse spoke in favor of the motion.

RULING BY THE SPEAKER

The Speaker: "Representative Newhouse, would you restrict your comments to the motion, please."

Mr. Newhouse concluded his remarks in favor of the motion.

Mr. Pardini demanded an electric roll call, and the demand was sustained.

Mr. Charette spoke against the motion by Mr. Newhouse.

POINT OF ORDER

Mr. Newhouse: "I resent the implications of somebody trying to grab. I think Mr. Charette is impugning the motives of the sponsors of the bill."

The Speaker: "Mr. Charette, would you attempt to keep your remarks within the rules of the House, even though other people may have digressed a little."

Mr. Charette concluded his remarks in opposition to the motion by Mr. Newhouse.

Representatives Amen and Curtis spoke in favor of the motion to place House Bill No. 53 on today's second reading calendar.

RULING BY THE SPEAKER

The Speaker: "Mr. Curtis, I wish to draw the attention of the members to Reed's Rule No. 120: 'The motion to commit is debatable, but the merits of the main question are not open to discussion on this motion...' Therefore, what we are talking about is the procedure--whether or not we should hear this at this time. I think the Speaker has been a little too relaxed on how far to allow this discussion. However, when we start talking about House Bill No. 52 and other bills, I think it

is time we go back and abide by Reed's Rule No. 120 and discuss the procedural merits of considering House Bill No. 53 at this time. Mr. Curtis, I am sorry to have singled you out because the other members have gone farther afield than you in this discussion. You may continue."

Mr. Curtis concluded his remarks in favor of the motion.

Mr. Randall spoke against the motion by Mr. Newhouse, and Representatives Pardini and Swayze spoke in favor of it.

Mr. Moon spoke against the motion.

POINT OF ORDER

Mr. Pardini: "In line with your recent statement on Reed's Rule No. 120, I think that Representative Moon is moving far afield in saying that this is a political motion. Since you have called the attention of the members to that particular rule, I think the debate has centered around the motion--merits of the bill. I hope that Mr. Moon can keep his remarks in that same vein."

The Speaker: "I had the same concern, Representative Pardini, until Representative Moon started talking about the responsibilities of the majority, and I would like to listen to the remainder of his remarks."

Mr. Moon concluded his remarks in opposition to the motion.

PERSONAL PRIVILEGE

Mr. Luders: "Mr. Speaker, for over sixty days now I have heard references from over there about people on this side of the aisle. I would like to have it understood that those of us on this side of the aisle are not entirely different from those on that side of the aisle."

The Speaker: "Representative Luders, your point is well taken."

Mr. Flanagan spoke in favor of the motion.

Mr. Newhouse spoke again in favor of the motion, and Mr. O'Brien spoke against it.

Mr. Pullen spoke in favor of the motion by Mr. Newhouse.

RULING BY THE SPEAKER

The Speaker: "Representative Pullen, would you confine your remarks to the procedural question of placing this on the calendar rather than the merits of the bill."

Mr. Pullen concluded his remarks.

ROLL CALL

The Clerk called the roll on the motion by Mr. Newhouse to relieve the Rules Committee of House Bill No. 53 and place it on today's second reading calendar, and the motion was lost by the following vote: Yeas, 44; nays, 53; not voting, 1.

Voting yea: Representatives Amen, Barden, Benitz, Berentson, Blair, Bluechel, Brown, Cunningham, Curtis, Eikenberry, Flanagan, Freeman, Garrett, Gilleland, Hansen, Hansey, Haussler, Hayner, Hendricks, Hoggins, Juelling, Julin, Kopet, Kraabel, Kuehnle, Leckenby, Matthews, Morrison, Nelson, Newhouse, North L., Pardini, Paris, Patterson, Polk, Pullen, Rabel, Schumaker, Smythe, Swayze, Tilly, Van Dyk, Wilson, Zimmerman.

Voting nay: Representatives Adams, Anderson, Bagnariol, Bauer, Bausch, Beck, Bender, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Douthwaite, Ehlers, Ellis, Eng, Erickson, Fortson, Gaines, Gallagher, Gaspard, Goltz, Hurley, Jastad, Johnson, Kalich, Kelley, Kilbury, King, Knowles, Laughlin, Luders, Lysen, Martinis, Maxie, May, McCormick, Moon, North F., O'Brien, Parker, Perry, Randall, Savage, Shinpoch, Smith, Sommers, Thompson, Valle, Warnke, Wojahn, and Mr. Speaker.

Not voting: Representative Williams.

The Speaker declared the House to be at ease.
The Speaker called the House to order.

SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 2113, by Committee on Social and Health Services (Originally sponsored by Senators Day, Keefe and Murray):

Establishing a hospital commission.

The House resumed consideration of Engrossed Substitute Senate Bill No. 2113 on second reading.

MOTION

Mr. Parker moved that the rules be suspended in order to consider the amendment on the desk to strike the House committee amendment to page 2, section 4, beginning on line 16 of the engrossed bill, and inserting the amendment that is on the members' desks.

Mr. Parker: "Mr. Speaker, as a matter of explanation, in order to strike a House committee amendment, we have to suspend the rules. That was the technical problem we ran into yesterday, and I would hope that you support this. The amendments that are on the desk are the report of the Free Conference Committee, and we would simply like to have these amendments attached to the bill and send them to the Senate. I'm sure Mr. Newhouse agrees, since he is a cosponsor of the amendments."

Mr. Newhouse concurred in Mr. Parker's remarks.

The motion by Mr. Parker was carried.

The House resumed consideration of the following amendment by Representatives Parker and Newhouse:

Strike the House committee amendment to page 2, section 4, beginning on line 16 of the engrossed bill and insert the following:

On page 2, section 4, beginning on line 16 of the engrossed and printed substitute bill, strike all of section 4 and insert the following:

"NEW SECTION. Sec. 4. There is hereby created a hospital commission, which shall be a separate and independent commission of the state. The commission shall be composed of five members appointed by the governor, and generally representative of the public as consumers, labor, business, and hospitals, and shall be individuals concerned with the delivery of quality health care; but in no event shall more than two members have any fiduciary obligation to a health facility or other health agency, nor any direct financial interest in the rendering of health services. In cases when proposed rate increases for osteopathic hospitals are to be considered, the representative of osteopathic hospitals on the technical advisory committee shall replace a hospital representative on the commission."

Mr. Douthwaite moved adoption of the following amendment by Representatives Douthwaite and Julin to the amendment by Representatives Parker and Newhouse:

Strike the last sentence of the amendment.

POINT OF ORDER

Mr. Newhouse: "Mr. Speaker, the wording of the original amendment is an amendment to the House committee amendment, and I would think that a second series of amendments would be precluded. An amendment to an amendment is as far as we can go."

RULING BY THE SPEAKER

The Speaker: "Representative Newhouse, in regard to your point of order, the Speaker is ruling that the bill was amended by the body when it was before us on February 28. This is a new amendment, which is striking the amendment. Therefore, it would be treated as an amendment rather than an amendment to the committee amendment, since the other one had already been adopted and is now really a part of the bill. I know this is a little different procedure than we have used before, but I think this is how we have to approach it."

Representatives Douthwaite, Matthews and Julin spoke in favor of the amendment to the amendment, and Representatives Parker and Newhouse spoke against it.

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Moon.

Mr. Moon: "Representative Newhouse, there seems to

be some conflict here as to whether this osteopath will serve on an eleven-member advisory committee or a five-member health commission. The amendment you have presented says he will replace a hospital representative on the commission. As I read the bill, there is no mandate that there be a hospital representative on the commission. The eleven-member advisory committee already has an osteopath. If you will check on page 4, section 8, line 24, there are '...five members who shall be representative of the interest of investor-owned, district, not-for-profit, osteopathic, and university hospitals.' So the osteopaths already are represented on this eleven-member advisory committee. Now the make-up of the commission as you have proposed in your amendment doesn't specify that any member shall be a hospital representative, so I can't see any need at all for that last sentence. Can you explain why?"

Mr. Newhouse: "Mr. Moon, I make no apologies for the language here, and I suspect maybe you and I could get together and write better language. I just would point out that there are five members including representatives of hospitals, and that this language is not really very consequential in the whole bill, which is a very important bill. The importance of the situation where you have hospitals, doctors, and the general public getting together and saying, 'Yes, we do agree that there shall be a rate commission established'--you have come a long way. If this is an integral part of that agreement, I can't find any great objection to that wording. I think it is a reasonable protection for the osteopathic hospitals. I would point out one misstatement. It is not necessarily an osteopath who would be that representative. He might be the manager of an osteopathic hospital."

Representatives Moon, Charette and Adams spoke against the adoption of the amendment to the amendment.

The amendment by Representatives Douthwaite and Julin to the amendment by Representatives Parker and Newhouse to Engrossed Substitute Senate Bill No. 2113 was lost on a rising vote.

The Speaker stated the question before the House to be the amendment by Representatives Parker and Newhouse, and the amendment was adopted.

On motion of Mr. Parker, the following amendments by Representatives Parker and Newhouse were adopted:

Strike the House committee amendment to page 2, section 5, beginning on line 32 of the engrossed bill and insert the following:

On page 3, section 5, beginning on line 3 of the engrossed bill, being page 2, section 5, beginning on line 32 of the printed substitute bill, after "Sec. 5." strike all of the material down to and including the period following "four years" on line 10 of the engrossed bill, being page 3, line 6 of the printed substitute bill, and insert "Members of the commission shall serve for four-year terms and shall require senate confirmation."

On page 3, section 5, beginning line 14 of the engrossed bill, being page 3, section 5, line 10 of the printed substitute bill, after the period following "convenes" strike the balance of the section.

On page 3, section 7, beginning on line 31 of the engrossed bill, strike all material down to and including "41.06 RCW." on line 33, and insert the following:

"The secretary of the department of social and health services shall employ and furnish such other staff as are necessary to fulfill the responsibilities and duties of the commission, such staff to be subject to the civil service law, chapter 41.06 RCW, and under the supervision of the commission and its executive director."

On page 12, section 18, line 15 of the engrossed bill, being page 12, section 18, line 10 of the printed substitute bill, strike "public service revolving fund in accordance with chapter 8C.24 RCW" and insert "hospital commission account in the general fund which is hereby created"

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2113 as amended by the House was placed on final passage.

Mr. Parker spoke in favor of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2113 as amended by the House, and the bill passed the House by the following vote: Yeas, 86; nays, 11; not voting, 1.

Voting yea: Representatives Adams, Amen, Anderson, Bagnariol, Bauer, Bausch, Beck, Bender, Benitz, Berentson, Blair, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Curtis, Douthwaite, Ehlers, Ellis, Eng, Erickson, Flanagan, Fortson, Gaines, Gallagher, Garrett, Gaspard, Gilleland, Goltz, Hansen, Hansey, Haussler, Hendricks, Hoggins, Hurley, Jastad, Johnson, Juelling, Julin, Kalich, Kelley, Kilbury, King, Knowles, Kopet, Kraabel, Laughlin, Leckenby, Luders, Lysen, Martinis, Matthews, Maxie, May, McCormick, Moon, Morrison, Nelson, Newhouse, North F., North L., O'Brien, Pardini, Paris, Parker, Patterson, Perry, Rabel, Randall, Savage, Shinpoch, Smith, Smythe, Sommers, Swayze, Thompson, Valle, Van Dyk, Warnke, Wilson, Wojahn, and Mr. Speaker.

Voting nay: Representatives Barden, Cunningham, Eikenberry, Freeman, Hayner, Kuehnle, Polk, Pullen, Schumaker, Tilly, Zimmerman.

Not voting: Representative Williams.

Engrossed Substitute Senate Bill No. 2113 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

HOUSE JOINT RESOLUTION NO. 17, by Representative Randall:

Amending Article VII of the Constitution relating to revenue and taxation.

MOTION

Mr. Thompson moved that the House defer consideration of House Joint Resolution No. 17 and that it be placed on Monday's second reading calendar.

The motion was carried on a rising vote.

SENATE BILL NO. 2176, by Senators Gardner, Talley and Murray:

Allowing port districts to provide insurance coverage for port commissioners on the same terms as provided for employees.

The bill was read the second time.

Mr. Blair moved adoption of the following amendment:
On page 1, section 1, line 17 after "PROVIDED," strike all material down to and including "compensation" and insert "That any district providing insurance benefits

for its employees in any manner whatsoever, may provide errors and omissions insurance for its commissioners, which insurance shall not be considered to be compensation"

Mr. Blair spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Blair yielded to question by Mrs. Johnson.

Mrs. Johnson: "Representative Blair, is the intent of your proposed amendment to Senate Bill No. 2176 to limit, totally, coverage to commissioners in the field of errors and omissions insurance only?"

Mr. Blair: "That is correct."

Mrs. Johnson: "This then would really change, totally, the intent of Senate Bill No. 2176?"

Mr. Blair: "As I recall the testimony given in committee, the intent of the bill, basically, was to provide errors and omissions insurance protection--not to give them any additional financial benefit through being given life insurance and health insurance programs, but only to protect them from suits for error in office."

Mrs. Johnson spoke against adoption of the amendment.

The amendment by Mr. Blair was adopted.

MOTION FOR RECONSIDERATION

Mr. Chatalas, having voted on the prevailing side, moved that the House do now reconsider the vote by which the amendment by Mr. Blair to Senate Bill No. 2176 was adopted.

The motion was carried on a rising vote.

RECONSIDERATION

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the amendment by Mr. Blair to Senate Bill No. 2176.

Mr. Barden spoke in favor of the amendment, and Mrs. Johnson spoke against it.

MOTION

On motion of Mr. Newhouse, the House deferred further consideration of Senate Bill No. 2176, and the amendment by Mr. Blair, and the bill was ordered placed on the calendar for the next working day.

ENGROSSED SENATE BILL NO. 2347, by Senators Ridder, Talley and Canfield:

Providing for the issuing of certain bonds by sewer districts.

MOTIONS

On motion of Mr. Thompson, the House deferred consideration of Engrossed Senate Bill No. 2347, and the bill was ordered placed on Monday's second reading calendar.

Mr. Thompson moved that the House do now resume consideration of House Bill No. 463.

HOUSE BILL NO. 463, by Representatives Berentson, Van Dyk, Hansey and Charette:

Authorizing port district studies on industrial development.

PARLIAMENTARY INQUIRY

Mr. Haussler: "I believe that the House was still on the first committee amendment when we deferred this."

The Speaker (Mr. O'Brien presiding): "Yes, that is correct."

Mr. Haussler spoke against adoption of the committee amendment to line 10, and the committee amendment was not adopted.

Mr. Haussler moved adoption of the second committee amendment.

The Clerk read the following amendment by Mr. Martinis to the committee amendment:

On line 2 of the amendment strike "agricultural and"

With the consent of the House, Mr. Martinis withdrew the amendment.

Mr. Haussler spoke in favor of the committee amendment to line 11, and the amendment was adopted.

On motion of Mr. Haussler, the committee amendment to line 16 was adopted.

Mr. Berentson moved adoption of the following amendment by Representatives Berentson and Hansen:

On page 1, section 1, line 17 after "facilities" and before the period insert ": PROVIDED, HOWEVER, That nothing in this section shall authorize a port district to develop its properties as an agricultural or dairy farm"

POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Hoggins.

Mr. Hoggins: "Representative Flanagan, would it be your opinion that this would permit people who have beef farms or feedlots to have the port operate these things? The amendment is restricted to agricultural or dairy farms. How about those people who own feedlots? Are they excluded, in your opinion, from this amendment?"

Mr. Flanagan: "Representative Hoggins, I think if they hadn't said 'or dairy farm' it might have been more apt to have included feedlots. But since they have specified dairy farm, I wonder if they shouldn't also specify feedlot and livestock farm and all those other things."

Mr. Hoggins: "In your opinion then this amendment is faulty?"

Mr. Flanagan: "I think it is somewhat faulty. It probably would be better just to say 'agricultural' without adding the other part in there."

The amendment by Representatives Berentson and Hansen was adopted.

House Bill No. 463 was ordered engrossed and passed to Committee on Rules for third reading.

MOTION

Mr. Thompson moved that the House do now consider House Bill No. 993 on second reading.

HOUSE BILL NO. 993, by Representatives Valle, Rabel, Adams, Warnke, Kraabel, Eng, Kilbury, Swayze, Ceccarelli, Charnley, Douthwaite, Ehlers, Ellis, Matthews and Maxie:

Relating to flammable fabrics.

MOTION

On motion of Mrs. Wojahn, Substitute House Bill No. 993 was substituted for House Bill No. 993, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 993 was read the second time.

Mr. Kuehnle moved adoption of the following amendment:

On page 2, section 4, line 16 after "4." strike all material down to and including "1204" on line 21 and insert "It shall be unlawful to manufacture for retail sale in this state any new and unused article of children's sleepwear which does not comply with the standards established in the Standard for the Flammable Fabrics Act, 15 U.S.C. 1191-1204 and which is not so labeled"

Representative Kuehnle spoke in favor of the amendment, and Representatives Wojahn, Kelley and Valle spoke against it.

Mr. Kuehnle spoke again in favor of the amendment.

POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Laughlin.

Mr. Laughlin: "I'm not sure that I quite understand your amendment, but if I ask a question, perhaps I will get a little clarity. What you are trying to establish, I believe, is that only the manufacturer would be the party that could be sued in case of some problem with the clothing. Is that correct?"

Mr. Kuehnle: "Actually, Representative Laughlin, I am trying to establish two points. One is, first of all, to restrict the illegality of selling nonconforming material to the retail level, so that we don't louse up the export market; and secondly, to require the manufacturers to properly label the garment and then hold the manufacturers responsible rather than the retail sales clerk."

Mr. Laughlin: "Then I would assume that the only recourse the consumer would have would be to the manufacturer, and I submit if anybody tried to sue a manufacturer here recently, he realizes what problems he is up against. Has Representative Kuehnle ever tried to sue a manufacturer in recent years?"

Mr. Kuehnle: "Yes, as a matter of fact I have, Representative Laughlin, and under the long-arm statute which is available to us in this state, this doesn't present any problem at all. We can require that manufacturer to come to this state to defend himself. He would be brought in, in any event, as a codefendant in an action. If you brought action against a retail sales clerk, or a retailer, he would reach out and bring in that manufacturer as a codefendant. We might just as well bring action against the manufacturer under the long-arm statute in the first place and not harass the sales clerks and the retailers in the process."

Mr. Laughlin: "In the suit you were involved in--did you win it?"

Mr. Kuehnle: "Yes, I did, Representative Laughlin--a national manufacturer in Chicago, Illinois."

Mr. Rabel spoke against adoption of the amendment by Mr. Kuehnle to Substitute House Bill No. 993.

The amendment by Mr. Kuehnle was not adopted.

Mr. Swayze moved adoption of the following amendment:

On page 2, line 29 after "both." strike all material down to and including the period on line 31 and renumber

the remaining sections consecutively.

Representatives Swayze and Charette spoke in favor of adoption of the amendment, and Representatives Kelley and Valle spoke against it.

POINT OF INQUIRY

Mrs. Valle: "Mr. Speaker, am I to understand that Mr. Swayze's amendment is line 29, after 'both' strike all material down to and including the period on line 31 and renumber the remaining sections consecutively?"

The Speaker (Mr. O'Brien presiding): "The amendment strikes all of section 7."

Representatives Kelley, Wojahn and King spoke in opposition to the amendment by Mr. Swayze.

The amendment was adopted on a rising vote.

Mr. Kuehnle moved adoption of the following amendment:

On page 3, following section 11, add a new section as follows:

"NEW SECTION. Sec. 12. This act shall take effect on July 1, 1974."

Representative Kuehnle spoke in favor of the amendment, and Representatives Wojahn and Douthwaite spoke against it.

POINT OF INQUIRY

Mrs. Valle yielded to question by Mr. Curtis.

Mr. Curtis: "Representative Valle, I guess what I would like to ask you is your position on this amendment. You and I had a discussion. The original bill contained this clause which set back the effective date. Then after this bill was heard in committee, you indicated to me that you were concerned with putting this effective date in as a floor amendment. I guess I should ask, have you reversed that position? Are you supporting this amendment or are you opposed to it?"

Mrs. Valle: "It is true that in the original bill, the effective date was a year later. However, there have been several calls made to Washington, D.C. by numerous people who are interested in this bill. I would support the defeat of this amendment because it simply puts Washington state on record, and we are urging the manufacturers to comply almost immediately. The fact of the matter is that recently Sears voluntarily began manufacturing nonflammable sleepwear from size 7 to 14. The manufacturers are really ready to go. It is the Federal Trade Commission itself that is hanging back, in Washington, D.C. I really think this just puts us on record, so I would urge the defeat of this amendment."

Mr. Thompson demanded an electric roll call, and the demand was sustained.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Kuehnle to Substitute House Bill No. 993, and the amendment was lost by the following vote: Yeas, 9; nays, 87; not voting, 2.

Voting yea: Representatives Benitz, Berentson, Curtis, Gilleland, Hayner, Kuehnle, Morrison, Newhouse, Schumaker.

The Speaker assumed the Chair.

SPEAKER'S PRIVILEGE

The Speaker observed in the north gallery the Class AAA wrestling championship team from Clover Park High School and asked them to stand and be recognized.

PERSONAL PRIVILEGE

Mr. Kelley: "Mr. Speaker, in light of the events of the past few days regarding resolutions, I chose not to prepare a resolution in this case, but with the indulgence of the House, I would like to take just a brief moment to expand on this team which I did bring down here today. Last year Clover Park placed second in the state wrestling tournament, and they came back this season to be the Class AAA wrestling champions. They did that this year with something that has never been done before in the history of wrestling in this state. They placed five individuals in state championship positions. Today we have four of those five wrestling champions with us. We have George Ratcliffe, Andy Kacmarcik, Geoff Stevens, and Bill Stout. They are here with their coach, Dan Hensley. I feel that this is quite an honor to our district. We are all exceedingly proud of these boys, and I hope you are as proud as we are. Thank you very much."

THIRD READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 52, by Committee on Ways and Means - Revenue (Originally sponsored by Representatives Newhouse, Randall, North [Lois] and Zimmerman - by Legislative Council request):

Providing for a limited leasehold in lieu tax.

The bill was read the third time and placed on final passage.

Representatives Newhouse and Morrison spoke in favor of passage of the bill, and Representative Moon spoke against it.

POINT OF INQUIRY

Mr. Randall yielded to question by Mr. Cunningham.

Mr. Cunningham: "Representative Randall, in Substitute House Bill No. 52, on page 4, section 3, line 9, would it be the legislative intent of this bill, in defining 'normal costs'--'Normal costs shall include but not be limited to a charge equal to a property tax (an appraised value to be established by the county assessor), special levies would be the mills established by the school district in which the property is located, scheduled depreciation with the interest being capitalized, maintenance, and insurance.'?"

Mr. Randall: "During the testimony on the bill and questions that came up, that is the exact intent of the section."

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Representative Newhouse, there is a very competitive port situation between the ports of Oregon and the ports of Vancouver, Kalama, Longview, Tacoma, Seattle, Everett, in the field of grain shipments. Oregon does not have a tax on grain in terms of its elevators. Do you feel that there is anything in this particular measure that will be of adverse effect to the competitive nature, or do you feel there is the possibility that there still will be opportunity for competition in the one biggest single thing that the state of Washington ships (as far as agricultural products)--namely, grain?"

Mr. Newhouse: "That is a rather tough question, Mr. Zimmerman. I will try to answer it according to my limited knowledge of the Oregon situation. I suspect that Oregon does have an exemption from property tax for the facilities that are used. Our state also, to my understanding, has an exemption for the product itself--for goods in transit. So the main, or the most expensive item involved, would be the actual commodity, and that, in this state, would be exempt from those terminal facilities. The company, under this

bill, that would lease terminal facilities for use in export would be assessed a tax which would be a somewhat competitive disadvantage, I suppose, to the Oregon situation. On the other hand, we are in a very competitive situation, not just with Oregon, but all around the world, and I suspect that our situation, if we do not put a tax like this on that type of operation, would be unfair to the rest of our operations."

Mr. Zimmerman: "Representative Newhouse, just the fact that the tax would be on the elevator rather than the grain is the point we needed to make. Of course, I think if you would not object, that we should at least consider this competitive factor down the line as to whether we are putting Washington into an unusually unfair situation interstate."

Mr. Newhouse: "I think I would point out, too, that the port itself--those facilities that are actually owned and operated by the port district--are not taxed. It is only those exact facilities that are leased to a commercial operation that would be subject to a tax. Of course, when you compare Oregon's tax, for instance, with ours, you realize that Oregon does have an income tax and we do not, which would be something of a compensating factor."

Representatives O'Brien and Randall spoke in favor of the bill, and Representative Moon spoke again in opposition to it.

POINT OF INQUIRY

Mr. Ceccarelli: "Would Representative O'Brien yield to question?"

Mr. O'Brien refused to yield to question.

Mr. Ceccarelli: "The thing I wanted to straighten out here, and I noticed that Mr. O'Brien spoke on behalf of this bill, is this: In my district we have Sea Land Express. Several years ago the Port of Seattle bought two gantry cranes that were over a million dollars apiece. They paid no tax on it. They lease it to Sea Land Express, and Sea Land pays no tax on it. So the people in the 34th District make up a tax on these cranes. Now my question (and if Mr. O'Brien is unable to answer it, maybe someone else can) is: Where in this bill does it correct this inequity?"

Mr. Randall: "In answer to your question, if the lessee is at economic rent--determined by the assessor to be at economic rent--the port district will pick up the in-lieu-of excise tax. If in fact, because of the cranes and the costs, the lessee is not at economic rent, as determined by the assessor under the strict provisions, then the lessee will pay the tax."

Mr. Ceccarelli: "Then I might ask you this question, Representative Randall: Who determines the economic rent?"

Mr. Randall: "The question just earlier addressed to me, referring to page 4, section 3, line 9--it is detailed in the bill that the assessor has the duty to do that under very strict conditions. He must make that assessment level."

Mr. O'Brien: "I would have been very happy to answer Mr. Ceccarelli's question, but Mr. Ceccarelli sort of insulted me not too long ago. He had an article printed in a newspaper that said any time he wanted advice, he always went to my colleague, Mr. Chatalas. So I don't know why he asked me--why didn't he ask Mr. Chatalas?"

Mr. Newhouse: "Partially in answer to your question, Mr. Ceccarelli, I believe your gantry cranes would be considered personal property. This bill, as I understand it, addresses itself to real property, so the situation would not be changed by this bill."

Mr. Williams spoke against passage of the bill, and Mr. Newhouse spoke again in favor of it.

POINT OF ORDER

Mr. Zimmerman: "I would like to challenge the scope and object of this particular amendment on the strength that here is an amendment that is being brought up that would try to wipe out, as a mere, minor part of this particular consent calendar of bills, a commission that is established--a commission which was established by this body, back in the years past, as the body that was to protect and to take care of and to preserve one of the last vestiges of nature in the Pacific Northwest. The Columbia River Gorge Commission was established to do a job that we are now recognizing in the bills we have been passing in the last few years in conservation. The fact there was no

opportunity to consult with..."

The Speaker (Mr. O'Brien presiding): "Mr. Zimmerman, will you hold your remarks to whether or not the amendment is germane and relevant to the main proposition contained in the bill."

Mr. Zimmerman: "As to the germaneness of this, I am primarily speaking to the fact that this particular amendment does not deal with the matter of transferring of funds because the Columbia River Gorge Commission has not been funded in all these years, and the \$38.00 we are talking about obviously is not enough money to be concerned about and to be able to do the job that the commission was established to do. Within the last three years, the three commissioners down there have been able on a volunteer basis, to do things that commissions have been unable to do that are spending a lot of money. I am only hoping that we can keep the commission, and at some point in time, give it some funds to do the job that we have set it up to do in the first place."

Mr. Newhouse: "Mr. Speaker, I will not comment on the arguments for or against the commission at this point, but I hope I will get an opportunity to answer some of the unfounded charges. The bill itself does two things: It abolishes several funds, and this would be real progress. Five funds would be abolished that the State Treasurer must handle. The other thing it does is abolish some commissions. The discussion, as I understand it, in committee and as brought to the Rules Committee was that there was serious consideration that this particular commission should also be abolished. Therefore, I believe it is well within the scope and object of the bill."

MOTION

Mr. Thompson moved that the bills printed on today's agenda be considered first reading under the fourth order of business and be referred to the committees so designated.

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Swayze.

Mr. Swayze: "I wonder if we could have a little explanation of the provisions of HOUSE BILL NO. 1077, providing for hospitalization for alcoholism. I do note the prime sponsor as being the Chairman of the Committee to which that bill is referred. It would appear that under

ordinary circumstances the bill would go to Social and Health Services. I was wondering if there are other criteria in that bill, that don't meet the eye, that make it appropriate that it go to the Commerce Committee?"

Mr. Thompson: "This bill, Representative Swayze, appears to relate to the contractual or commercial operations of hospitals, and the assignment seemed appropriate on that basis."

The motion by Mr. Thompson was carried.

Renumber the remaining subsections consecutively.

RULING BY THE SPEAKER (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Prior to adjournment on Saturday, a point of order was raised by Mr. Zimmerman on House Bill No. 595 in connection with the amendment by Mr. Newhouse and Mr. Thompson challenging the scope and object of the amendment. The question now is this point of order.

"The purpose of House Bill No. 595 is to transfer the general fund moneys that originally went to the Columbia River Gorge Commission, to mass transit, and other such commissions and agencies, as set forth in the act. The purpose of the Newhouse-Thompson amendment is to repeal the statutes pertaining to the Columbia River Gorge Commission in their entirety. The Speaker rules that the amendment is beyond the scope and object of House Bill No. 595, and is contrary to House Rule No. 32 and Reed's Rule No. 160, as the amendment contains a different subject matter than set forth in the original purpose of House Bill No. 595. Therefore, the point of order is well taken, and the amendment by Representatives Newhouse and Thompson is declared out of order."

Mr. Newhouse: "Mr. Speaker, I should remind you, I suppose, of many rulings of the Chair in previous sessions and point out to you that the sections of the law which were to be repealed were mentioned in this bill, and the question was before us. I would say the intent of the bill went further than you said--just to transfer funds. It wiped out special funds, and if you wipe out the funds, you had just as well repeal the sections which establish such commissions. I think that your ruling does not follow the precedent which you, yourself, have made in previous years."

The Speaker (Mr. O'Brien presiding): "The Speaker objects to your comments. If you would like to repeal the statute, I suggest you just prepare a bill and do it that way."

On motion of Mr. Charette, the rules were suspended, the second reading considered the third, and House Bill No. 595 was placed on final passage.

Representatives Kopet and Newhouse spoke in favor of the bill and Representatives Zimmerman and Laughlin spoke against it.

The Clerk called the roll on the final passage of House Bill No. 595, and the bill passed the House by the following vote: Yeas, 94; nays, 3; not voting, 1.

Mr. Barden spoke in favor of the amendment, and Mr. Conner spoke against it.

POINT OF ORDER

Mr. Barden: "Mr. Speaker, the amendment merely deals with putting a maximum limit on the value of a pension plan which receives a tax exemption. I believe that Representative Conner is speaking far beyond the subject of the amendment."

The Speaker (Mr. O'Brien presiding): "It appears that Mr. Conner is just trying to explain the purpose of what this amendment actually does. In order to go into it in detail, he has set forth some examples. You may continue, Mr. Conner."

Mr. Conner concluded his remarks in opposition to the amendment, and Mr. Newhouse spoke in favor of the amendment.

POINT OF ORDER

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Substitute House Bill No. 1005 was placed on final passage.

The amendment by Mr. Blair to Senate Bill No. 2176 was not adopted.

Mr. Tilly moved adoption of the following amendment by Representatives Tilly and Lysen:

On page 1, section 1, line 17 after "PROVIDED," strike all material down to and including "compensation" and insert "That any district providing insurance benefits for its employees in any manner whatsoever, may provide business related travel, liability, health, errors and omissions and accident insurance for its commissioners, which insurance shall not be considered to be compensation."

Mr. Hansey moved adoption of the following amendment to the amendment by Representatives Tilly and Lysen:

The amendment to the amendment was lost on a rising vote.

Representatives Tilly and Lysen spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Hansey.

Mr. Hansey: "Mr. Lysen, in order to get legislative intent here, the amendment says that the port district may provide 'business related' and then there are several types of insurance, including health insurance. Would it be the intention of the sponsors of this amendment that the only health insurance the port district could buy for its commissioners would be health insurance directly related to specific travel trips?"

Mr. Lysen: "That is an interesting question. I guess I would say that you should ask the chief sponsor of the amendment, Representative Tilly."

Mr. Hansey: "Representative Tilly, would you respond to this question?"

Mr. Tilly: "The answer is the affirmative."

Mrs. Johnson spoke against adoption of the amendment.

The amendment by Representatives Tilly and Lysen was adopted on a rising vote.

Mr. Thompson: "Thank you, Mr. Curtis. The fiscal impact of House Bill No. 316 has been recognized here as well. It is intended it will follow the course many other measures have had in this session, and an opportunity will be provided for the Ways and Means Committee to examine it."

To this end, the department shall establish appropriate rules and regulations designed to determine eligibility for employment under this section, as well as regulations designed to notify persons receiving such grants of eligibility for such employment. The department shall further establish a system of compensation to persons employed under the provisions of this section which provides that any grants they receive under RCW 74.08 or RCW 74.12 shall be diminished by such percentage of the compensation received under this section as the department shall establish by rules and regulations."

Renumber the remaining section consecutively and correct the internal references.

Mr. Kelley spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Mr. Kelley yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Kelley, I am very, very sympathetic to your amendment, but I wonder if you

would yield to one question first, namely, the question of fiscal impact. Is there a fiscal note attached to this amendment?"

Mr. Kelley: "There is a question that has arisen concerning the fiscal impact of the entire bill. Presently we are having a fiscal note drawn on this bill, at Representative Shinpoch's direction, and if the fiscal note is such that there is a fiscal impact on this bill, I will be joining in a motion with Representative Shinpoch to direct that this bill be transferred to Ways and Means. However, I wanted the amendment on the bill so that the full impact of it would be taken according to the amendment."

Mr. Pardini discussed the amendment.

POINT OF ORDER

Mr. Thompson: "Point of order, Mr. Speaker. Is Representative Pardini speaking for or against the Kelley amendment?"

The Speaker (Mr. O'Brien presiding): "It is up to Mr. Pardini."

Mr. Pardini: "If Mr. Thompson will wait just a moment, I would like to suggest to him that the question is moot. I will continue my remarks, Mr. Speaker, and I hope to draw out the point that I am speaking both for and against the amendment. I am speaking for the amendment as we spoke for the amendment on Saturday, Representative Thompson. I am speaking against the amendment because it seems ridiculous to me to implement this kind of legislation if we are not going to fund it."

Representatives Kelley and Smythe spoke in favor of the amendment.

On page 3, section 2, line 5 after "blind," insert "or" and after "disability assistance" strike the remainder of the section and insert a period.

Mr. Barden spoke in favor of the amendment.

POINT OF ORDER

Mr. Charnley: "Mr. Speaker, I do not find a copy of this amendment on my desk. The more Mr. Barden speaks, the more substantive it seems to be. I would request that we either have a copy, or that it be again read so we can determine exactly what he is doing to the bill."

The Speaker (Mr. O'Brien presiding): "The amendment just came to the desk. The Clerk will reread the amendment."

Mr. Barden concluded his remarks in favor of adoption of the amendment.

Ms. Maxie spoke against adoption of the amendment by Mr. Barden, and Mr. Matthews spoke in favor of it.

HOUSE JOINT RESOLUTION NO. 17, by Representative Randall:

Amending Article VII of the Constitution relating to revenue and taxation.

MOTION

Mr. Thompson moved that House Joint Resolution No. 17 be made a special order of business for 9:30 a.m. tomorrow.

POINT OF INQUIRY

Mr. Bagnariol yielded to question by Mr. Pardini.

Mr. Pardini: "The motion before us is to make the question of tax reform a special order of business at 9:30 a.m. tomorrow morning, which means that we are coming closer to the question of the bill which has been on the calendar for three or four days. However, I have had delivered to me a notice of a public hearing scheduled for 7:30 p.m. tonight on a state income tax. Normally public hearings are scheduled five days in advance so all interested parties can have a hearing on this. I wonder if we are going to go through with this particular hearing, and if we anticipate something coming from this hearing tonight other than House Joint Resolution No. 17 which is before us, or whether there will be new subject matter before us tomorrow?"

Mr. Bagnariol: "In response to Representative Pardini's inquiry, the notice you received perhaps wasn't properly worded. The Senate is having a public hearing on tax reform and they have invited the public to come down and testify on tax reform as an issue--not on a specific bill. They invited the House to participate and we sent out a notice to all of our members. It will be held in the House Chamber, so all our members can come and have the benefit of the public testimony. That is the purpose of tonight's hearing, not to hear a specific bill."

Mr. Pardini: "Am I to understand then, Representative Bagnariol, that the Revenue Committee will not be acting on a specific bill tonight which conceivably would be the substitute measure before us tomorrow?"

Mr. Bagnariol: "There will be no action tonight on any tax reform bill. It is purely and simply a public hearing. The Senate has invited the House Revenue Committee and the House Constitution and Elections Committee to attend and gain the public input. We will have House Joint Resolution No. 17 on the floor tomorrow for action, for amendments from your side or our side, to try to come to some bipartisan tax reform program."

Mr. Pardini spoke in favor of the motion by Mr. Thompson to make House Joint Resolution No. 17 a special order of business for 9:30 a.m. tomorrow, and the motion was carried.

ENGROSSED SENATE BILL NO. 2069, by Senators Marsh, Francis, Woodall and Woody:

Permitting defense counsel payments in justice courts.

The bill was read the second time.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 2069 was placed on final passage.

Mr. Knowles spoke in favor of the bill.

POINT OF INQUIRY

Mr. Knowles yielded to question by Mr. Barden.

Mr. Barden: "Representative Knowles, do you have any idea how much money this will take from local government to pay these attorneys' fees?"

Mr. Knowles: "There is no way to determine this, Representative Barden. This is a relatively new concept. Until it runs a little test of time, it would be difficult to tell how much is going to be involved in the payment of these attorneys' fees."

Mr. Barden: "Would it be fair to say though, that the passage of this bill would further dissipate local government dollar resources, and further incapacitate their ability to perform their job?"

Mr. Knowles: "At the present time, this entire expense falls upon either the county or the city to pay these attorneys' fees."

Mr. Barden: "Would this reduce the amount of dollars available to local government in an amount that you have no way of estimating?"

Mr. Knowles: "That is correct. At the present time, the Department of Revenue specifies what happens to the balance left in this suspense fund after payment of the expenditures of those courts. It varies in different counties. Some of it goes to cities; some of it goes to counties; some of it goes to the schools; some of it goes to the general fund; some of it goes to the Fish and Game Commission. And for some reason, it varies in each county as to the percentage of that money left over. That is the best explanation I can give you."

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 2069, and the bill passed the House by the following vote: Yeas, 84; nays, 9; not voting, 5.

Voting yea: Representatives Adams, Anderson, Bagnariol, Bauer, Bausch, Beck, Bender, Benitz, Berentson, Blair, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Cunningham, Curtis, Douthwaite, Ehlers, Eikenberry, Ellis, Eng, Erickson, Flanagan, Fortson, Gaines, Gallagher, Garrett, Gaspard, Goltz, Hansen, Hansey, Haussler, Hayner, Hendricks, Hurley, Jastad, Johnson, Juelling, Kalich, Kelley, Kilbury, King,

Knowles, Kraabel, Laughlin, Leckenby, Luders, Lysen, Martinis, Matthews, Maxie, May, McCormick, Moon, Morrison, Nelson, Newhouse, North L., O'Brien, Pardini, Paris, Parker, Perry, Rabel, Savage, Shinpoch, Smith, Smythe, Sommers, Swayze, Thompson, Tilly, Valle, Van Dyk, Warnke, Williams, Wilson, Wojahn, Zimmerman, and Mr. Speaker.

ENGROSSED HOUSE BILL NO. 494, by Representatives Berentson, Van Dyk, Hurley and Hoggins:

Enabling appropriations of state funds for common schools activities programs.

The bill was read the third time and placed on final passage.

Representatives Berentson, Smythe, Van Dyk, Hoggins and King spoke in favor of passage of the bill, and Representatives May, Tilly and Fortson spoke against it.

POINT OF INQUIRY

Mr. Smythe yielded to question by Mr. Ehlers.

Mr. Ehlers: "I am a little confused. Representative Van Dyk indicated the few dollars we are talking about, and my memory really doesn't serve me very well, but there was a fiscal impact potentially, as I remember, that came out in the Education Committee meeting. Could you refresh my memory as to the potential of this legislation?"

Mr. Smythe: "Representative Ehlers, there was no fiscal impact they could arrive at. Nobody knows if we've got one district, or no districts, or twenty-five districts, that would take advantage of this. All you can do is make an assumption that where they do have a certain program they cannot implement because they don't have the ability to support it through fees, etc., then they take this route. It would be up to them as to how many dollars they put into the budget."

Mr. Ehlers: "Mr. Smythe, do you remember what that assumption was? I think it was between \$10 and \$20 million, wasn't it, potentially, as Dr. Apker testified?"

Mr. Smythe: "No, now my memory has slipped. I don't recall that figure at all. If that was the figure, that was the day he was also speaking on marijuana."

POINT OF INQUIRY

Mr. Randall yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Randall, you were a school board member. I wanted to ask your advice inasmuch as school directors have been mentioned here in the debate. The way I understand this bill, it would allow the school districts to use funds from general apportionment for these activities. Now in the event that as a part of tax reform or changes in the school formula we should find it necessary to fund basic education, would we then be including these activities in the definition of basic education?"

Mr. Randall: "In answer to the question, the only way this would be included in basic education would be when the legislature defined it as such at that time. Now there is no fiscal impact on the state budget. These funds come out of the allocations inside the budget of a school district. And if a school district uses these funds to further other programs, then they are going to take it away out of another part of the budget."

Representative Thompson spoke against passage of the bill, and Representatives Brown and Laughlin spoke in favor of it.

Mr. Pardini demanded the previous question, and the demand was sustained.

ENGROSSED SENATE CONCURRENT RESOLUTION NO. 125, by Senators Greive, Ridder, Dore, Stortini, Connor and Van Hollebeke:

Providing for changes in the Joint Rules of the Senate and House of Representatives.

To Committee on State Government.

MOTION .

Mr. Thompson moved that the bills and resolutions printed on today's agenda be considered first reading under the fourth order of business and be referred to the committees so designated, with the exception of SENATE BILL NO. 2268, to be referred to the Committee on Commerce rather than the Committee on Judiciary, and ENGROSSED SENATE BILL NO. 2490, to be referred to the Committee on Social and Health Services rather than the Committee on Judiciary.

MOTION

Mr. Swayze moved to except ENGROSSED SENATE CONCURRENT RESOLUTION NO. 125 from the motion by Mr. Thompson and that it be held on first reading for later

disposition.

Mr. Swayze spoke in favor of the motion.

Mr. Charette demanded a Call of the House, and the demand was sustained.

CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Leckenby, McCormick and Williams.

On motion of Mr. Charette, the absent members were excused and the House proceeded with business under the Call of the House.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion by Mr. Swayze to except Engrossed Senate Concurrent Resolution No. 125 from the motion by Mr. Thompson.

Mr. Charette spoke against the motion.

POINT OF ORDER

Mr. Pardini: "Mr. Speaker, we have a special order of business before us at 9:30 a.m. The time is now 9:35 a.m."

The Speaker (Mr. O'Brien presiding): "Mr. Pardini, in connection with your point of order on the special order of business at 9:30 a.m., your point is well taken."

MOTION

On motion of Mr. Charette, HOUSE JOINT RESOLUTION NO. 17 was made a special order of business at 10:00 a.m.

The Speaker (Mr. O'Brien presiding) asked Mr. Charette to continue his remarks.

POINT OF ORDER

Mr. Swayze: "Referring to Reed's Rule No. 224--it deals with references to another legislative branch and states: 'It is not permissible to allude to the action of the other house of a legislature, or to refer to a debate there.' I am calling my point of order on the remarks of Mr. Charette."

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "Mr. Swayze, your point of order in part appears to be well taken in that we should be very careful that we do not have our conduct lead to misunderstanding and ill-will between the

two bodies since it is necessary to cooperate on occasion."

Mr. Charette continued his remarks in opposition to the motion.

POINT OF ORDER

Mr. Pardini: "Mr. Charette is very, very clever, but his remarks are obviously a subterfuge of the Speaker's ruling."

The Speaker (Mr. O'Brien presiding): "Mr. Charette is a man of good judgment, and I am sure he will abide by the ruling."

Mr. Charette concluded his remarks against the motion and Representatives Newhouse and Curtis spoke in favor of the motion by Mr. Swayze.

POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Rabel.

Mr. Rabel: "Mr. Charette, I understand your commitment to continuous sessions, but I am a little confused by your opposition to this motion. Do I understand you correctly--did you say the purpose of referring this Senate Concurrent Resolution No. 125 to the State Government Committee is to kill it so that it can no longer be considered by this House of Representatives?"

Mr. Charette: "No, Representative Rabel, I certainly did not say that the purpose of referring it to State Government Committee was to kill it. It is not our intention to kill this matter. And I would like to correct you in one thing. You have said 'continuous legislative session.' We are not talking about a continuous legislative session. We are talking about a continuing legislative session, or, as the Attorney General put it in one of his opinions (he coined a better word), 'in the continuum.' Representative Rabel, as an example, in answering your question, I would suggest that there needs to be an audit function. I would suggest that we need to take a look, for instance, at just one little item in the Department of Social and Health Services--a little \$168,000 study on management. This is just an infinitesimal part of the money that is spent on management. Then we need to take a look at approximately another \$100,000 for the same study. Quite frankly, just as an example, I think we need to have more people than just the bipartisan group on the Legislative Budget Committee. For instance, I would like to have the input of Representative Kuehnle, asking the Department of Social and Health Services some of these questions, as well as other members of the House. I think that sufficiently answers your question."

Mr. Rabel spoke in favor of the motion by Mr. Swayze.

POINT OF INQUIRY

Mr. Barden yielded to question by Mr. Juelling.

Mr. Juelling: "Mr. Barden, you have the marvelous faculty of putting everything in perspective. Mr. Flanagan and I have been listening to Representative Charette this morning, and we are unable to determine exactly what he is trying to tell us. I wonder if you could interpret that for us."

Mr. Barden: "Representative Juelling, I will attempt to do it as briefly as I can. The motion by Representative Swayze is to bring before this body a concurrent resolution that will provide for a sine die adjournment on April 7, which will, by that very action, provide for the maintenance and preservation of a citizen legislature. The opposition to Representative Swayze's motion is one in favor of a continuing legislature--one where, at the whim of a handful of power brokers in the legislature, the legislature can be convened into session and pulled away from their jobs..."

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "Mr. Barden, I think you are out of order. You are going a little too far. I believe you have answered his question."

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion by Mr. Swayze to except Engrossed Senate Concurrent Resolution No. 125 from the motion by Mr. Thompson.

The motion was lost.

MOTION

On motion of Mr. Pardini, the House recessed until 10:00 a.m.

The Speaker called the House to order.

Mr. Leckenby appeared at the bar of the House.

MOTION FOR RECONSIDERATION

Mr. Pardini, having voted on the prevailing side, moved that the House do now reconsider the vote by which the motion by Mr. Swayze failed.

POINT OF ORDER

Mr. Charette: "My point of order is that obviously the maker of the motion was not on the prevailing side."

The Speaker: "The question has arisen as to whether or not the maker of the motion voted on the prevailing side. Representative Pardini, did you vote on the prevailing side?"

Mr. Pardini: "Yes, Mr. Speaker."

The Speaker: "Representative Pardini states that he voted on the prevailing side. Therefore, your point of order is not well taken, Representative Charette."

MOTION

On motion of Mr. Charette, the motion by Mr. Pardini to reconsider the motion by Mr. Swayze was laid on the table.

The Speaker stated the question before the House to be the motion by Mr. Thompson to refer the bills and resolutions printed on today's agenda to the committees so designated with the exception of Senate Bill No. 2268, to be referred to the Committee on Commerce, and Engrossed Senate Bill No. 2490, to be referred to the Committee on Social and Health Services.

PARLIAMENTARY INQUIRY

Mr. Barden: "Mr. Speaker, the effect of Representative Charette's motion to lay the motion for reconsideration on the table--isn't its effect to take the entire subject to the table with that motion? And do we not have the entire subject of the bills on that schedule now on the table? I am referring to Reed's Rule No. 114."

RULING BY THE SPEAKER

The Speaker: "Mr. Barden, in regard to your parliamentary inquiry, the Speaker rules that the motion to lay on the table would not take the main subject matter with it. Rule No. 114 states: 'If it be moved on the main question, then all amendments go with it; if moved on the amendment, then the main question goes on the table also.' The motion to lay on the table was in regard to the procedural motion for reconsideration. Therefore, it is neither on an amendment nor is it on the main question. Therefore, the Speaker rules that the motion to lay on the table would not take the main question with it, since it is on a procedural motion. This has been ruled many, many times in the past, dating all the way back to the early 1950's."

Mr. Barden: "Mr. Speaker, Reed's Rule No. 203 states that a motion to reconsider reopens the entire question for further action, as if there had been no final decision. That is the basis upon which my question was raised. It appears that we had introduction and first reading of bills. All of these bills are on the schedule. When the motion to reconsider an amendment to Mr. Thompson's motion was laid on the table, it appeared to me it took the whole question with it. That is the reason I raised that question. I wonder if your answer also takes into consideration the provisions of Reed's Rule No. 203?"

The Speaker: "The Speaker would also like to direct your attention to Reed's Rule No. 211, entitled: 'Reconsideration--Practical Suggestions,' which states: 'In the House of Representatives it can be met with a motion to lay on the table, which enables the House to suppress debate and the reconsideration, both together, if it so desires.'"

POINT OF ORDER

Mr. Swayze: "The motion to lay on the table was made. We were not recognized to raise a point of order which probably would have been more properly raised at that time. However, I call your attention to Rule 47 of the Rules of the House, wherein a motion to reconsider is a privileged motion. A motion to lay on the table is a subsidiary motion of the second rank only, and was therefore out of order."

The Speaker: "I'm afraid the question isn't before the Speaker at the present time."

The Speaker stated the question before the House to be the motion by Mr. Thompson and the motion was carried.

On motion of Mr. Charette, HOUSE JOINT RESOLUTION NO. 17 was made a special order of business for 12:00 noon today.

I have had the pleasure of working in the state as a member of the Public Education Board in Seattle and as Director of the State Human Rights Commission since 1966. They have been the most rewarding seven years of my life, and I have enjoyed them thoroughly. I wanted to express to all of you who are members of this august body, the House of Representatives, and the people of the state of Washington, my heartfelt appreciation and gratitude for the support they have given me, not only in my professional pursuits in human rights, but also in terms of my work on the Seattle School Board. The state of Washington, as far as I am concerned, is the finest state in the nation, and we are fortunate to have people like you, who serve at great personal sacrifice, to make public policies. Thank you again for the resolution, and I will try to be deserving in the future."

The Sergeant at Arms of the Senate announced the arrival of State Treasurer Robert S. O'Brien at the bar of the House. The President of the Senate appointed the following committee to escort the State Treasurer to the rostrum: Senators Dore, Jones and Walgren, and Representatives Barden, Hansen and O'Brien. The President appointed the following committee to escort the Governor to the rostrum: Senators Connor, Twigg and Day, and Representatives Swayze, Thompson and Perry. The Committee escorted Governor Daniel J. Evans to the rostrum.

The President appointed the following committee to escort Mr. Bush to the rostrum: Senators Rasmussen, Canfield and Odegaard, and Representatives Anderson, Charette and Brown. The committee escorted Mr. Robert Bush to the rostrum.

The Sergeant at Arms of the House announced the arrival of Mr. Richard Brunhaver at the bar of the House. The President appointed the following committee to escort Mr. Brunhaver to the rostrum: Senators Knoblauch, Matson, Sandison and Woodall, and Representatives Morrison, Newhouse, Ellis and Garrett. The committee escorted Mr. Richard Brunhaver to the rostrum.

President Cherberg: "Commander Brunhaver, Governor Evans, Mr. Speaker, ladies and gentlemen of the Legislature, and ladies and gentlemen: The President indeed has a singular and precious honor this morning to introduce to you one of the most distinguished heroes of World War II. Mr. Robert Bush, who was a Hospital Apprentice First Class, serving as a medical corpsman, with a rifle company, 2nd Battalion, Fifth Marines, earned the Congressional Medal of Honor on May 2, 1945. Mr. Bush is president of the National Congressional Medal of Honor Society. He was born and raised in South Bend, Washington, and he is presently residing in Elma, Washington. I know that the people of that area of our state are especially proud, along with the other people of the state, of Mr. Bush. Mr. Bush has been active in governmental affairs and has traveled all over the world as a representative of the United States Government. He is presently president or vice president of more than ten separate corporations, with his main area of business being in Grays Harbor, Pacific and Thurston Counties. I know that you will all join with me in welcoming Mr. Bush."

Mr. Robert Bush: "Thank you, very much. Governor Evans, Mr. President, Mr. Speaker, Lieutenant Commander Brunhaver, it is a real pleasure for me to be here this morning and participate in this very memorable occasion. It is not every day that the United States Government and the citizens of the state of Washington have the opportunity to welcome home one of their national heroes. It would do us well to give a little thought to the tremendous cost that was involved in people, manpower, and money to bring to a successful conclusion the Viet Nam War. We are indeed indebted to Commander Brunhaver. We feel that the future of the nation is set on young men like Commander Brunhaver. It would also do us well to note that as long as this nation would like to be the Land of the Free, it has to maintain the position as the Home of the Brave. Thank you, very much."

President Cherberg: "At this time the President should like to present His Excellency, the Governor of the State of Washington, the Honorable Daniel J. Evans. Governor Evans."

Governor Daniel J. Evans: "Commander Brunhaver, members of this legislature, and Washingtonians gathered here: I am proud as Governor, and I know I speak as Governor for the citizens of our state, proud as a Washingtonian, and uniquely proud as a former Navy man, to welcome back one who has served as have many, many others during the course of the longest, perhaps most difficult, unquestionably the least understood, war this nation has

been engaged in, in its almost two-hundred-year history. Some chose not to serve. Most, almost all, did. Many didn't thoroughly understand all of the reasons that got us into the conflict, but they served nonetheless as have many generations of fighting men before them during our history. Some were called on to give much more than many of the rest of us have ever been called on to give, to sacrifice that thing more important than anything else, and that is a good share of a person's life.

"Commander Brunhaver has spent almost a quarter of his entire life behind prison walls, as a prisoner of war. We welcome you back, recognizing that you have already given more than most of us will ever be called on to give. We hope in return that we, as representatives of government, all of us as citizens of this state, can pay back in some small respect, by carrying out our responsibilities, to make this a better state, a better community, and a better nation--to make the unique and overwhelming sacrifice you have given really worthwhile. I am sure you believe it is. It is up to us to help assure that. We do welcome you back. It is great to have you home, and particularly great to have this war behind us, and the opportunity to embark on what I am sure we all hope will be a generation of peace in this nation and across the world."

President Cherberg: "At this time, State Treasurer Robert O'Brien will present a symbol of the admiration and affection the people of our state hold for Commander Brunhaver."

State Treasurer O'Brien: "Mr. Speaker, Mr. President, ladies and gentlemen assembled: I have had many honors bestowed upon me as Treasurer of this state. I don't think I have had a higher one than I have today--the privilege of granting to Richard Brunhaver this token of the esteem of the people of the state. Certainly dollars will not pay back those seven and one-half years in a prison camp, but they are some indication, Commander, of our feeling toward you."

Commander Brunhaver: "This check which Mr. O'Brien has just presented to me, as he said, is a note of appreciation to me for having served my country in North Viet Nam. It is really I who must thank you--offer my appreciation to you--for the support, the wonderful thoughts and feelings that have been expressed to me since my return to the United States. And the knowledge that I had, while I was in Viet Nam, of this wonderful country, and the wonderful people in this country, that made it possible for me to survive and again to return to the land I love so much. Thank you."

President Cherberg: "Commander Brunhaver, your strength and courage and that of your colleagues, and especially Captain Lawrence Writer who is so close to the hearts of so many people in the legislature, and the others who endured so much for the citizens of this state of Washington and the world, have earned you our gratitude and respect. We welcome you home, and wish you God Speed and

God Bless."

PERSONAL PRIVILEGE

Representative Brown: "Mr. President, I rise to a point of personal privilege. As a naval aviator for twenty years, one now long retired, I would merely like to extend to Commander Brunhaver for his courage in combat, for his perseverance in adversity, a personal and a heartfelt 'well done.'"

President Cherberg: "Thank you, Representative Brown. The President has learned that Representative Savage is a very close friend of Mr. Bush. For that reason, I should like to respectfully call on Representative Savage."

Representative Savage: "Mr. President, I became a friend of Mr. Bush when he was issued the Congressional Honor upon his return from the war, and he and his bride were my guests in Washington, D.C., during the time when he was being honored by the Congressional group. He was one of the few who received such a high honor in World War II. I think it is appropriate that he is here today to help see that another veteran gets the kind of honor that he has earned."

The President of the Senate directed the special committee to escort State Treasurer Robert S. O'Brien from the House Chamber.

The President of the Senate directed the special committee to escort His Excellency, the Honorable Daniel J. Evans, Governor of the State of Washington from the House Chamber.

The President of the Senate directed the special committee to escort Mr. Robert Bush from the House Chamber.

President Cherberg: "Commander Brunhaver, ladies and gentlemen: The President takes a great deal of personal pride in our young and honored visitor here today in that, being a native of Pensacola, Florida, I am very proud of the fact that Commander Brunhaver received his training in Pensacola. We thank you for coming, sir, and we are honored by your presence."

The President of the Senate directed the special committee to escort Commander Richard Brunhaver from the House Chamber.

PERSONAL PRIVILEGE

Representative Pardini: "Mr. President, members of the Senate, members of the House of Representatives, ladies and gentlemen: I think we have had a very fitting tribute to a man who is a hero, who is a symbol of many people who have done something for this country. There are many people on this floor who did not agree with the war, as the Governor stated. But there is a feeling of consternation

among several members of this House at the expression of displeasure of some of the people in the gallery. I would suggest to these people in the gallery, who have discomfort, who do not agree, that they carry the message back that this war is over. And it is time to forget what has happened before and start pulling together for a better country. I think that all of us in Joint Session would be remiss if we did not attempt to deliver that message. I hope it is well received, and I hope they take it back. Thank you, Mr. President."

(Applause)

President Cherberg: "Representative Pardini, the President wishes to assure you that the response to your remarks is concrete evidence that they were well chosen, well taken, and well received. Thank you very much.

"Mr. Speaker, on this happy note, it is always a pleasure to once again express the appreciation for the unsurpassed hospitality which you, the members of your House, and staff, extend to the members of the Senate and the President. I wish, once again, to compliment your staff on the wonderful arrangements. Thank you so much."

The President of the Senate turned the gavel over to the Speaker of the House.

The Speaker: "Lieutenant Governor Cherberg, we are always honored when the distinguished members of the Senate visit us."

MOTION

On motion of Mr. Charette, the Joint Session was dissolved.

The Speaker directed the Sergeants at Arms of the Senate and the House to escort President Cherberg, President Pro Tempore Henry, and Vice President Pro Tempore Keefe, and the members of the Senate to the Senate Chamber.

The House resumed its session.

MOTION

Mr. Eikenberry moved adoption of the following amendment by Representatives Eikenberry, Cunningham and Polk:

On page 2, line 2 insert a new subsection as follows:

"(3) During the time a state income tax is in effect, the ratio of total taxes levied and collected by all state taxing entities during a fiscal biennium, as against the state gross product (excluding the government spending factor) for the preceding fiscal biennium, shall not exceed the ratio of total taxes levied and collected by all state taxing entities in the fiscal biennium 1971-1973, and the state gross product (excluding the Government spending factor) for the same period."

Mr. Eikenberry spoke in favor of the amendment.

Mr. Kuehnle demanded an electric roll call, and the demand was sustained.

Representatives Cunningham, Polk and Curtis spoke in favor of the amendment, and Representatives King, Sommers, Savage and Luders spoke against it.

POINT OF INQUIRY

Mr. Eikenberry yielded to question by Mr. Pullen.

Mr. Pullen: "In order to add clarity here, since there does seem to be some confusion, could you define the words 'state gross product (excluding the Government spending factor)'?"

Mr. Eikenberry: "Representative Pullen, I appreciate the question and I will answer it this way: The gross state product of the state of Washington is a figure that has been published in a booklet put out by the Office of Program Planning and Fiscal Management. It is a figure that is composed of three spending factors: Personal spending, government spending, and business spending. And as you see, the amendment proposes to eliminate one of those three factors by excluding the government spending. The purpose of this is to make it impossible for the state government to boost, by its own bootstraps, so to speak--to boost itself into a higher spending position in future bienniums by increasing spending that may come, say, from the federal revenue sharing plan. In other words, what we have done is picked out a constant factor; namely, the gross state product being composed of personal and business spending. I think it would be appropriate to comment, in view of Representative Luders' remarks, that our ratio of spending tax take to gross state product in the 1971-73 biennium is a fair and good period to pick."

Representatives Bagnariol and Moon spoke against adoption of the amendment by Representatives Eikenberry, Cunningham and Polk to Substitute House Joint Resolution No. 17, and Representative Barden spoke in favor of it.

Representatives Cunningham and Eikenberry spoke again in favor of the amendment.

(d) Cities, towns, and counties or a combined city-county may not impose a tax essentially of the same type referred to in (4) (c) above in excess of an aggregate rate of one-tenth of one percent."

Mr. Brown spoke in favor of the amendment to the amendment.

Mr. Flanagan: "Representative Brown, in order to clarify this, I would like to know whether you have information as to the definition of goods bought and sold here in this definition which is ordinarily called 'inventory.' Does this include livestock that is placed into feedlots for the purpose of fattening, etc.? Do you have information on this?"

Mr. Brown: "Mr. Flanagan, that was a low blow. Specifically, no, I can't say definitely that this does include the cattle in your feedlot."

Representatives Kelley, Warnke and Parker spoke in favor of the amendment to the amendment, and Representatives Moon, Charnley and Bagnariol spoke against it.

The House resumed consideration of Substitute House

Joint Resolution No. 17 on second reading.

Mr. Pardini moved adoption of the following amendment to the amendment by Representative Charnley and others:

On page 1, in subsection (a) line 2, strike "eight" and insert "three" and in subsection (b), line 2 strike "twelve" and insert "five"

Mr. Pardini spoke in favor of the amendment to the amendment, and Mr. Moon spoke against it.

Mr. Morrison demanded an electric roll call and the demand was sustained.

POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Hoggins.

Mr. Hoggins: "Representative Pardini, I am curious about the \$63 million inventory tax question and the differences that were mentioned here on the floor. Could you clarify this, please?"

Mr. Pardini: "I will attempt to clarify it for you. As the Chief Clerk knows, my amendment has been on the desk, Representative Hoggins, and it has been bouncing back between the five percent rate for corporations to six and one-half percent. I adjusted it to six and one-half percent when we hung the inventory amendment on the constitutional amendment. Then we were dealing with inventories. When it was stripped off, I had to go back up and change the six and one-half percent rate back to the five percent rate which I am proposing. The inventory tax does not enter into the question of the constitutional amendment because we did not adopt it. We did not add it into the constitutional amendment, and the constitutional amendment as presently constituted before us now, deals with only the question of special levies, the sales tax reduction to four percent, and the exemption for food and drugs. There is no consideration of the inventory tax in Representative Charnley's amendment as it now stands."

Representatives Bagnariol and Charnley spoke against the amendment to the amendment.

DIVISION OF QUESTION

Mr. Barden: "Mr. Speaker, under House Rule No. 60, 'Any member may call for a division of a question, which shall be divided if it embraces subjects distinct....' All of the arguments on Representative Pardini's amendment, Mr. Speaker, have been because of the question of the taxes on business. I would submit that perhaps we should divide this question so that the little people, the taxpayers of the state, the workers of the state will get their own vote, so we can see if we want to put limits in the Constitution on their personal income tax and that the vote will not be cluttered up with this issue of the business tax burden. Therefore, I call, under Rule 60, for a

division of the question."

The Speaker: "I think I will have to call on you again, if you wish to make a motion."

Mr. Barden: "Mr. Speaker, it says I can call for one. It doesn't say it has to be a motion and voted on. It just says if the two matters are distinct, that any member may call for the division, and that is what I am doing."

POINT OF ORDER

Mr. O'Brien: "Reed's Rule No. 152 entitled 'Division -continued--Who May Demand It: A division cannot be demanded as of right by any member. It must be made pursuant to a motion stating precisely the division asked for, which motion can be amended. The presiding officer can decide, subject to an appeal to the assembly, that the division proposed cannot be made. Otherwise, it is submitted to the assembly and decided by it...'"

MOTION

Mr. Barden moved that the question be divided, and the amendment in subsection (a) line 2, dealing with the personal income tax, be considered before the limitation for the business tax which is subsection (b), line 2.

POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Perry.

Mr. Perry: "I wonder, so I might vote on the question intelligently, if you could briefly explain the yield at three percent, what the current state budget is, what your proposal does insofar as the total package that we are considering in the way of raising money, and in effect, where are we with your proposal?"

Mr. Pardini: "A three percent flat rate for individuals, based on federal adjusted gross income, with a \$1,000 personal exemption, would yield, to the best interpretation I can make, approximately \$675 million. And in exchange for that we would be giving, according to the same figures from the Department of Revenue, relief of approximately \$603 million under the proposed amendment that we have before us. The \$603 million is composed of \$325 million in special levy relief, \$103 million of relief to individuals through the reduction of the sales tax to four percent; \$175 million in exemptions by removing food and drugs from the sales tax completely. In relationship to where we are in total revenues now being collected, Representative Perry, that would probably be just a little bit higher than what we are doing at the present time."

POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Charnley.

Mr. Charnley: "Mr. Pardini, I heard no mention of any reduction of tax due to medical deductions, which I presume would be included in an income tax."

Mr. Pardini: "I did not give those figures, Representative Charnley. If we were to include the \$1,000 personal exemption plus medical, we would raise approximately \$625 million as compared with the \$603 million in cuts that we are giving. That brings us into even a closer balance. I would be most happy to co-sponsor with you any type of legislation that would give the medical deduction."

POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Flanagan.

Mr. Flanagan: "I assume that this is a flat rate of three percent?"

Mr. Pardini: "In reading the constitutional amendment that Representative Charnley proposes, he says 'rates up to eight percent.' My amendment would be '...up to three percent.'"

Mr. Flanagan: "I mean in computing the dollars, would that be a three percent flat rate?"

Mr. Pardini: "That's right."

The Speaker stated the question before the House to be the motion by Mr. Barden to divide the question.

The motion was lost.

The Speaker stated the question before the House to be the amendment by Representative Pardini to the amendment by Representative Charnley and others to Substitute House Joint Resolution No. 17.

Mr. Pardini spoke again in favor of the amendment, and Mr. Chatalas spoke against it.

ROLL CALL

The Clerk called the roll on the amendment by Mr. Pardini to the amendment by Mr. Charnley and others to Substitute House Joint Resolution No. 17, and the amendment was lost by the following vote: Yeas, 39; nays, 59; not voting, 0.

Voting yea: Representatives Amen, Barden, Benitz, Berentson, Blair, Bluechel, Brown, Cunningham, Curtis, Eikenberry, Ellis, Flanagan, Freeman, Garrett, Gilleland, Hansey, Hayner, Hendricks, Juelling, Julin, Kopet, Kraabel, Kuehnle, Matthews, Morrison, Nelson, Newhouse, North L., Pardini, Paris, Patterson, Polk, Pullen, Schumaker, Smythe, Swayze, Tilly, Wilson, Zimmerman.

Voting nay: Representatives Adams, Anderson, Bagnariol, Bauer, Bausch, Beck, Bender, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Douthwaite,

Ehlers, Eng, Erickson, Fortson, Gaines, Gallagher, Gaspard, Goltz, Hansen, Haussler, Hoggins, Hurley, Jastad, Johnson, Kalich, Kelley, Kilbury, King, Knowles, Laughlin, Leckenby, Luders, Lysen, Martinis, Maxie, May, McCormick, Moon, North F., O'Brien, Parker, Perry, Rabel, Randall, Savage, Shinpoch, Smith, Sommers, Thompson, Valle, Van Dyk, Warnke, Williams, Wojahn, and Mr. Speaker.

Mr. Amen moved adoption of the following amendment by Representatives Amen, Hoggins and Douthwaite to the amendment by Representative Charnley and others to Substitute House Joint Resolution No. 17:

On page 1, line 18 strike the period and insert " : PROVIDED HOWEVER, An excess levy may be imposed by a school district for purposes not otherwise funded by the state: PROVIDED FURTHER, That the amount of any such levy payable in any tax year shall not exceed ten percent of the operating budget of such district for the last budget year completed prior to such tax year, such operating budget to be determined for purposes of this section by excluding therefrom the revenues derived from any such levy"

Representatives Amen and Douthwaite spoke in favor of the amendment and Representative Luders spoke against it.

POINT OF INQUIRY

Mr. Amen yielded to question by Mr. Rabel.

Mr. Rabel: "Representative Amen, I was very interested in the language which exists in the second line of your amendment, '...for purposes not otherwise funded by the state.' In your opinion, would this include salary supplements to regular instructional personnel who are otherwise being funded by the state, or would 'for purposes not otherwise funded by the state' restrict it to programs which were not given basic support in state school funding?"

Mr. Amen: "I think it probably could depend on the school board, but my thinking is that this certainly would not apply to salaries, but any special program--any program that any school board or its administrators decide they want to carry, above what was being funded by the state."

Representatives North (Lois), Flanagan and Hoggins spoke in favor of the amendment to the amendment, and Representatives Van Dyk, Bagnariol, Fortson, Smythe, Thompson and Knowles spoke against it.

Mr. Amen spoke again in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Amen yielded to question by Mr. Kilbury.

Mr. Kilbury: "Your proviso provides that an excess levy for purposes not otherwise funded by the state shall

be limited to ten percent of the operating budget. Did you intend that this apply to a capital improvement which is an excess levy?"

Mr. Amen: "Not to capital improvements, no. It is to the operating budget as stated here."

Mr. Freeman spoke in favor of adoption of the amendment by Representatives Amen, Hoggins and Douthwaite to the amendment by Representative Charnley and others.

The amendment to the amendment was lost on a rising vote.

MOTION

Mr. Charnley moved that the Committee on Ways and Means - Revenue be relieved of HOUSE BILL NO. 509, and that it be placed on today's second reading calendar immediately ahead of House Bill No. 386.

Mr. Charnley spoke in favor of the motion.

Mr. Chatalas demanded an electric roll call, and the demand was sustained.

Representatives Bagnariol and Pardini spoke in favor of the motion by Mr. Charnley.

ROLL CALL

The Clerk called the roll on the motion by Representative Charnley that the Committee on Ways and Means - Revenue be relieved of House Bill No. 509 and that the bill be placed on today's second reading calendar immediately ahead of House Bill No. 386, and the motion was carried by the following vote: Yeas, 96; nays, 2; not voting, 0.

Since you raised the question, it is our conclusion now to have the division again, and ask each member to stand by his or her desk until counted."

Mr. Chatalas demanded an electric roll call.

The Speaker (Mr. O'Brien presiding): "Your request for an electric roll call is out of order since we are in the process of voting and a technicality has been raised about the total number being present to vote under the Call of the House."

The amendment by Representatives Smythe and Charnley to the amendment by Representative Charnley and others to Substitute House Joint Resolution No. 17 was lost on a rising vote.

However, children of tender years traversing such arterials to and from school have become the victims of accidents caused by the lack of proper walkways or sidewalks along such arterials in the vicinity of schools. Therefore, it is the intent of the legislature that a portion of the funds available in the urban arterial trust fund account be dedicated for the construction of walkways or sidewalks along urban arterials if walkways or sidewalks are not already in existence.

Mr. Garrett: "I rise only to state that I have prepared on my desk a Journal entry that I wish entered concerning the conduct of that meeting yesterday morning. I will present it immediately."

The Speaker (Mr. O'Brien presiding) stated the

question before the House to be the motion to suspend the rules and rerefer Senate Bill No. 2268 to the Committee on Commerce.

Mr. Pardini demanded an electric roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

Mr. Eikenberry: "The Speaker has referred to this as a suspension of the rules. I am wondering if that was an intentional remark, or if in fact, this is simply a motion requiring a bare majority."

REPLY BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "The Speaker recites again House Rule No. 25 which pertains to bills: 'Upon being reported back by committee, all bills shall go the Rules Committee.' This is a motion to by-pass this rule and rerefer Senate Bill No. 2268 to the Committee on Commerce."

ROLL CALL

The Clerk called the roll on the motion by Mr. Kuehnle to amend the motion by Mr. Thompson and rerefer Senate Bill No. 2268 to the Committee on Commerce, and the motion was lost by the following vote: Yeas, 41; nays, 55; not voting, 2.

Not voting: Representatives Hansen, Julin.

STATEMENT FOR THE JOURNAL

I wish to express my complete disapproval of the way Commerce Committee Chairman, Lorraine Wojahn, is conducting the meetings of that Committee.

When a member of this Committee is not even allowed to offer an amendment to a bill before that committee and is told, "I disagree with that, you are out of order." and "We don't have time to listen to your amendment." and then

adjourns the meeting 30 minutes before the time allotted, then I believe that is a complete travesty of the legislative process. I do not believe that Representative Wojahn is conducting herself as a Chairman of a Committee in a manner that is in the best interests of the people of the state.

DONALD G. GARRETT, 14th District.

STATEMENT FOR THE JOURNAL

I would like to strenuously protest the Committee on Commerce report which brings Senate Bill No. 2268 and House Bill No. 607 out of committee and into Rules. Commerce Committee Chairman, Lorraine Wojahn, has conducted herself in a completely arbitrary and irresponsible manner on this subject, as evidenced by the following facts:

On Tuesday, March 20th, we spent a very few minutes discussing House Bill No. 136--the Land Sales Disclosure Act. At that time, Chairwoman Wojahn made every possible effort to stifle discussion, to thwart the amendatory process, and to belittle those who raised any questions relative to the bill. Mr. Bruce Gardner, representing the railroad interests, was present and offered some very valid new information relating to problems contained in the bill as regards mineral rights and other similar interest on lands which were owned or which were at one time owned by the railroads. Mrs. Wojahn virtually refused to even listen to his testimony or to accept his amendments. Both Representative Garrett and I, being familiar with the real estate industry, attempted to offer amendments which we felt substantially improved the bill. One of my amendments was accepted by the committee. One was rejected. Time ran out before we got to the consideration of Representative Garrett's amendments.

On Wednesday, March 21st, the members of the Commerce Committee received a notice of a Commerce Committee meeting to be held at 8:00 on Thursday morning, March 22nd, with the agenda to be announced--no indication of the bills to be considered. The Thursday morning meeting finally was called to order when a quorum arrived at approximately 8:15 a.m. Mrs. Wojahn announced her intention to consider Senate Bill No. 2268 (which is the Senate duplicate and counterpart to House Bill 136). A motion was immediately made by one of the Democrat members of the committee to move the bill out do pass. Representative Garrett and I protested and asked that time be allowed for consideration of the same amendments which we had discussed the prior Tuesday as related to House Bill No. 136, and additionally, we asked for time to discuss the other amendments which were prepared, on the members' desks for consideration, and most pertinent to either House Bill No. 136 or Senate Bill No. 2268. Mrs. Wojahn announced that it was her opinion that the amendments were unnecessary; she didn't like the amendments and had no intention considering them. She also indicated that we were short on time and that we had to adjourn the meeting by 9:00 and, therefore, she wouldn't accept the amendments. She then called for a vote on passage of Senate Bill No. 2268 and it was passed out of committee with all Democrats in attendance voting "aye" over the objections of those of

us who wanted to try to perfect the bill.

Representative Wojahn then announced that we would consider House Bill No. 607 dealing with the regulation of tow trucks. House Bill No. 607 had, some six weeks before, been indefinitely postponed by the committee after a subcommittee appointed by the chairman had failed to come up with language acceptable to the committee. There was absolutely no discussion on House Bill No. 607. The question was called for and again all Democrat members of the committee moved the bill out do pass without discussion. The meeting was then adjourned at 8:24 a.m. even though the remaining time slot up until 9:00 a.m. was available to us to perfect both of these pieces of legislation.

I am of the opinion that it is the responsibility of this legislature, both in committee and on the floor, to responsibly consider legislation which has been introduced, to draw upon the expertise of all members present, to offer a free exchange of information, and to then take action after all viewpoints have been heard. If it is to be the policy of the majority in control of this House of Representatives to allow a committee chairman to determine whether a bill shall pass or not pass, to determine whether amendments shall be considered or whether they shall not, it would be my suggestion that henceforth the committee chairman indicate on the notice of the committee meeting whether (A) we are going to have a legitimate hearing and responsibly address ourselves to the legislation, or (B) the committee chairman intends to railroad a piece of legislation without regard for the input of the other members of the committee, in which case there is absolutely no point in the minority members of the committee bothering to attend.

It is a sorry state of affairs when a committee chairman takes it upon herself to make the decisions in behalf of a committee of 18, and in essence to suggest that she is so "all-seeing" as to be in a position to exercise better judgment than would result from the combined input of the 18 members of the committee.

JAMES P. KUEHNLE, 4th District.

MOTION

Mr. Curtis moved that the rules be suspended, the motion by Mr. Thompson be amended, and HOUSE BILL NO. 607 be rereferred to the Committee on Commerce.

Mr. Gilleland spoke in favor of the motion, and Mrs. Wojahn spoke against it.

POINT OF ORDER

Mr. Kuehnle: "The discussion has nothing to do with Senate Bill No. 2268 or with the Governor."

The Speaker (Mr. O'Brien presiding): "Continue, Mrs. Wojahn."

Mrs. Wojahn concluded her remarks in opposition to the motion.

Mr. Pardini demanded an electric roll call and the demand was sustained.

Mr. Newhouse spoke in favor of the motion by Mr. Pardini.

PERSONAL PRIVILEGE

Mrs. Hayner: "After seven hours of debate yesterday, I awakened at 4:00 a.m., and my heart was filled with terror. Many of you may have had the same feelings of frustration and disappointment and embarrassment because of the complete lack of measurable action that has been taken on the floor of this House in the seventy-four days that we have been sitting here."

The Speaker (Mr. O'Brien presiding): "Mrs. Hayner, I hate to interrupt you, but I don't know what this has to do with your point of personal privilege. I don't think you have been impugned in any way, and I don't understand why you are going into the length of the legislative session. If there is something that has really caused you some consternation, or if you have been insulted, maybe you could explain your position, but I think you are wandering a little bit."

Mrs. Hayner: "I wanted to tell you that I am sure we have done our homework in many cases in the standing committees. We have listened attentively to endless hours..."

The Speaker (Mr. O'Brien presiding): "I am going to have to rule you out of order, Mrs. Hayner. You can talk about this any time. On final passage of the resolution, you will have every opportunity to express your feelings at that time."

Mr. Bluechel spoke against passage of the resolution.

Mr. Charette demanded an oral roll call and the demand was sustained.

POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Barden.

Mr. Barden: "Representative Pardini, yesterday the minority party tried to cut back the rates of Engrossed Substitute House Joint Resolution No. 17. I am concerned about the very high rates in this income tax proposal that were insisted upon by the majority party. Do you have any figures as to what the tax increase would be to the citizens of the state of Washington if this bill were implemented at the maximum rates provided for by the majority party?"

Mr. Pardini: "Let me see if I understand your question. You want my estimate of revenue under the maximum rates as proposed in the constitutional amendment, Mr. Barden?"

Mr. Barden: "Yes, that is exactly what I would like, Representative Pardini."

Mr. Pardini: "The work that I did on this in conjunction with the Department of Revenue indicated to me

that the twelve percent corporate rate, if it were enacted at the maximum rate, would increase revenue to the state of Washington \$364 million, and that the cuts proposed in Engrossed Substitute House Joint Resolution No. 17 would be \$150 million, or an increase of \$214 million in the corporate area. In the individual rates, if the 8 percent maximum rate were implemented (and this would be allowing a \$1,000 exemption for everyone off the adjusted gross income) the increased revenue to the state of Washington would be \$1,708,000,000, and the proposed cuts would be \$603 million, for an increase of \$1,105,000,000. The combination of the two would be an increase of \$1,408,000,000. And I have been subsequently informed that my estimates of revenue are, like me, a little on the conservative side."

Representatives Blair, O'Brien, Brown, Fortson, Chatalas and Bagnariol spoke in favor of passage of the resolution, and Representatives Barden, Berentson, Leckenby and Curtis spoke against it.

PERSONAL PRIVILEGE

Mr. Charnley: "Ladies and gentlemen: I resent very much the suggestion made here that my promise, made on the floor of this House to work for total tax equity, including B & O, inventory, agricultural relief--I resent very much having that labeled irresponsible. I again repeat to you: I am totally dedicated to that, and I shall continue to work for it."

PERSONAL PRIVILEGE

Mr. Curtis: "If that is the case, I owe Representative Charnley an apology. I don't recall my using the word 'irresponsible,' Representative Charnley. I referred to a 'shallow promise' and I referred to a number of referrals made on this floor which I consider to be shallow--not yours, certainly, and if I did impugn you, I do apologize publicly. I'm sorry."

Mr. Moon spoke in favor of passage of the resolution.

POINT OF ORDER

Mr. Pardini: "I believe that Mr. Moon has already spoken on the subject twice."

The Speaker: "Mr. Pardini, it is my recollection that Mr. Moon has not spoken on this matter."

Mr. Moon continued his remarks.

POINT OF ORDER

Mr. Pardini: "My point of order is that Mr. Moon is not speaking to the resolution before us. He is speaking about negative aspects of political action."

The Speaker: "I don't know what Mr. Moon is referring to, because I certainly have heard nothing negative on the floor of this House today. Would you continue, Mr. Moon."

Representative Moon concluded his remarks in favor of passage of the resolution.

Mr. Kraabel spoke against the resolution, and Mr. Smythe spoke in favor of it.

Mr. Newhouse demanded the previous question and the demand was sustained.

The Clerk called the roll on the final passage of Engrossed Substitute House Joint Resolution No. 17, and the resolution failed to pass the House by the following vote: Yeas, 59; nays, 39; not voting, 0.

Voting yea: Representatives Adams, Anderson, Bagnariol, Bauer, Bausch, Beck, Bender, Blair, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Douthwaite, Ehlers, Ellis, Eng, Erickson, Fortson, Gaines, Gallagher, Gaspard, Goltz, Hansen, Haussler, Hoggins, Jastad, Johnson, Kilbury, King, Knowles, Laughlin, Luders, Lysen, Martinis, Maxie, McCormick, Moon, North F., O'Brien, Parker, Perry, Randall, Savage, Shipoch, Smith, Smythe, Sommers, Thompson, Valle, Van Dyk, Warnke, Williams, Wilson, Wojahn, Zimmerman, and Mr. Speaker.

Voting nay: Representatives Amen, Barden, Benitz, Berentson, Bluechel, Cunningham, Curtis, Eikenberry, Flanagan, Freeman, Garrett, Gilleland, Hansey, Hayner, Hendricks, Hurley, Juelling, Julin, Kalich, Kelley, Kopet, Kraabel, Kuehnle, Leckenby, Matthews, May, Morrison, Nelson, Newhouse, North L., Pardini, Paris, Patterson, Polk, Pullen, Rabel, Schumaker, Swayze, Tilly.

Engrossed Substitute House Joint Resolution No. 17, having failed to receive the constitutional majority, was declared lost.

MOTION

On motion of Mr. Charette, the House reverted to the sixth order of business.

STATEMENT FOR THE JOURNAL

FRANCES NORTH, 47th District.

HOUSE BILL NO. 53, by Representatives Flanagan, Haussler, Newhouse, Van Dyk, Benitz, North (Lois), Amen, Curtis, Garrett, Kilbury, Matthews, Nelson, Pardini, Patterson, Pullen, Schumaker, Tilly, Wilson and Zimmerman (by Permanent Property Tax Committee request):

Providing for taxation of open space, agricultural, and timber lands.

MOTION

Mr. Thompson moved that the House defer consideration of House Bill No. 53, and that the bill be placed on tomorrow's second reading calendar.

POINT OF INQUIRY

Mr. Newhouse: "Mr. Speaker, are there amendments on the desk?"

The Speaker: "No, there are no amendments. There might very well be amendments by tomorrow."

Mr. Newhouse spoke against the motion.

The motion by Mr. Thompson to defer consideration of House Bill No. 53 was carried.

HOUSE BILL NO. 97, by Representatives Hurley, Zimmerman, Thompson and Hoggins (by Legislative Council request):

Providing for compensation in inverse condemnation cases for loss of value where there is no trespass.

Committee on Judiciary recommendation: Majority, do pass as amended. (For amendments see Journal for fortieth day, February 16, 1973.)

The bill was read the second time.

Mr. Knowles moved adoption of the committee

amendment adding two new sections.

On motion of Mr. Knowles, the following amendments to the committee amendment were adopted:

On line 16, section 3 at the beginning of the line strike "taxing" and insert "taking"

On line 16, section 3, after "in the" strike "country" and insert "county"

Mr. Smith moved adoption of the following amendment by Representatives Smith and Kelley to the committee amendment:

On line 3, after "property" strike the remainder of the section and insert "in any unincorporated area of a county which property is located within one-quarter of a mile from the center line of the right of way of such facility and shall be limited to the diminution in the value of property in any incorporated city or town which property is located within one hundred yards of the center line of the right of way of such facility. Where only a portion of a building is located within such one-quarter of a mile distance or such one hundred yard distance, then for purposes of this section the entire building and the land covered by the building shall be considered as being located within such one-quarter of a mile distance or such one hundred yard distance"

Representatives Smith and Kelley spoke in favor of the amendment to the amendment, and Representative Hurley spoke against it.

The amendment by Representatives Smith and Kelley to the committee amendment was adopted.

The Speaker stated the question before the House to be the committee amendment as amended.

The committee amendment as amended was adopted.

Mr. Haussler moved adoption of the following amendment by Representatives Haussler and Amen:

On page 1, section 1, line 7 after "property for" strike "highway or road or street purposes" and insert "state highway purposes as defined in RCW 47.04.010(36)"

Representative Haussler spoke in favor of the amendment, and Representatives Berentson, Douthwaite and Smith spoke against it.

The amendment by Representatives Haussler and Amen to House Bill No. 97 was not adopted.

Mr. Lysen moved adoption of the following amendment by Representatives Lysen and Valle:

On page 1, section 1, line 7 after "property" insert "for aviation purposes or"

POINT OF ORDER

Mr. Knowles: "Would the Speaker examine this amendment on the basis of scope and object? The bill

itself deals with highway purposes and damages as a result thereof. The amendment appears to talk about airport operations."

The Speaker: "Representative Barden, did you wish to speak to this point of order?"

Mr. Barden: "Yes, Mr. Speaker, if I may: Both the bill and the amendment by Representatives Lysen and Valle deal with chapter 8 of the Revised Code of Washington, which is entitled 'Miscellaneous Provisions Relative to Eminent Domain.' Also the thrust of the bill deals with the diminution of value of private property because of noise, vibrations, air pollution, water pollution, loss of view or scenery, or the risk of life or limb because of the act of eminent domain. I would speak on behalf of Representatives Lysen and Valle, and urge you to find that their amendment is in order."

The Speaker: "Representative Barden, the point that bothers the Speaker is that I think you raised the point of order the other day as to whether we were within the scope of the title and the RCW section on farm vehicles by adding the word 'buses.' I think you stated that was beyond the scope and object. I wondered if you think there is a distinction here, in your mind?"

Mr. Barden: "Mr. Speaker, if there is reference to the daylight movement of farm machinery in this bill, it escapes my observation. The point I drew on the previous point of order was that the bill dealt with the daylight movement of farm machinery from one agricultural parcel of land to another. The amendment sought to expand the size of school buses beyond the safe size. That was the distinction that I drew. However, inasmuch as the amendment by Representatives Lysen and Valle deals with the diminution of the value of property caused by noise, vibrations, air pollution, water pollution, loss of view or scenery, or the risk of life or limb, I would hope that the Speaker would rule that these factors could come into account because of the operation of an airport or the operation of a high-speed freeway."

The Speaker: "Mr. Knowles, do you wish to speak to the point of order?"

Mr. Knowles: "I still say this bill deals with eminent domain for highway purposes. It has nothing to do with airports. At the moment I suppose condemnation can be done for that purpose. Maybe Mr. Barden intends to drive his airplane down the highway."

MOTIONS

Mr. Charette moved that the House defer further consideration of House Bill No. 97, and that the bill hold its place on tomorrow's second reading calendar.

The motion was carried.

On motion of Mr. Charette the House advanced to the eleventh order of business.

MESSAGE FROM THE GOVERNOR

March 23, 1973

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON
LADIES AND GENTLEMEN:

I have the honor to advise that on March 23, 1973, Governor Evans approved the following House Bills entitled:
HOUSE BILL NO. 137: Requiring and regulating the use of safety glass and similar materials.

HOUSE BILL NO. 287: Providing for payment of substitutes for certain certificated personnel.

The amendment also refers to inverse condemnation and pertains to eminent domain of airport operations. The subject matter is very broad in that it deals with a change in law relative to eminent domain. The Speaker rules that the subject matter is broad enough to include other types of eminent domain proceedings--highways, state highways, highways to airports, etc. Therefore, in conformity with Reed's Rule No. 160 and House Rule No. 32, the speaker rules that the point of order is not well taken."

The Speaker stated the question before the House to be the amendment by Representatives Lysen and Valle.

Mr. Lysen spoke in favor of the amendment.

The Speaker called on Mr. O'Brien to preside.

Representatives Hurley and Barden spoke against adoption of the amendment, and Representative Perry spoke in favor of it.

Mr. Lysen spoke again in favor of the amendment.

POINT OF INQUIRY

Mr. Knowles yielded to question by Mr. Barden.

Mr. Barden: "Representative Knowles, you drafted the committee amendment which says that 'Any recovery of compensation under section 1 shall be limited to the diminution in the value of property which is located within one-quarter of a mile from such facility.' Do you think that by adding the words 'aviation purposes' in section 1, that section 2 of your committee amendment would also limit the seeking of compensation under section 1 for whatever purpose to one-quarter of a mile from the facility?"

Mr. Knowles: "Since the amendment deals with a specific measurement from the center line of the facility, I would have to feel that it pertains to the highway part only. I can't conceive of a center line of a flight path of airplanes, however, that is just my candid opinion."

POINT OF INQUIRY

Mr. Knowles yielded to question by Mrs. Hurley.

Mrs. Hurley: "Since I didn't receive any answer to my question about whether the Martin case didn't already make this decision that there was a detriment to property values because of airport activities, I want to know if this wasn't the case."

Mr. Knowles: "I haven't read the Martin case in full, but it is just again my impression, Representative Hurley, that you are correct, in that the Martin case did, in fact, say these things that are in this bill as pertains to the taking of property near airports."

Mrs. Hurley spoke again in opposition to the amendment, and Mr. Douthwaite spoke in favor of it.

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Kelley.

Mr. Kelley: "Representative Lysen, so we can establish for the record legislative intent relative to this measure, is it your intention by your amendment herein to provide that the compensation section added by the committee--section 2--should apply to airport diminution of values?"

Mr. Lysen: "Yes, I think Representative Douthwaite made the point well, that the diminution figure from the airplane noise would well qualify."

Representatives Van Dyk, Smythe, Anderson and Brown spoke in favor of the amendment and Representative Hansey spoke against it.

Mr. Lysen spoke in favor of the amendment.

POINT OF ORDER

Mr. Swayze: "Mr. Lysen has already been recognized three times on this issue, and there are other people standing. I don't think it is proper to recognize him again until it is time to close debate."

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "Rule 51 of the House Rules states: 'No member shall speak more than twice on the same question without leave of the house: PROVIDED, That the chairman of the committee or the mover of the question may close the debate except as provided in Rule 55.' If you have only spoken once, Mr. Lysen, you may speak once more."

Mr. Lysen: "I was just going to close debate. If there are other comments to be made, I will sit down."

Representatives Knowles and Kraabel spoke against adoption of the amendment, and Representative Lysen spoke in favor of it.

The amendment by Representatives Lysen and Valle to House Bill No. 97 was adopted.

Mr. Berentson moved adoption of the following amendment:

On page 2, line 7 add a new subsection as follows:

"(3) The governmental entity paying compensation as a result of section (1) of this act may recover, from the owner of the property upon the date of the request for said recovery, ten percent of any increase in valuation of the property which results within five years of receipt of the compensation and is established as being primarily a result of the highway, road, or street project for which the compensation was paid."

POINT OF ORDER

Mrs. Hurley: "Mr. Speaker, I would like to have a ruling as to the scope and object of this amendment. This amendment by Mr. Berentson relates to an increase in property values. The bill before us is only dealing with the lowering, or the diminution of property values. I have an opinion by Tim Burke of the Legislative Council regarding inverse condemnation, which this bill deals with, which says that you don't know how much damage you are going to have until after the facility is built, and the fact that there would be an increase would be mutually exclusive. How can you have an inverse condemnation for damage and still end up with an increase in property value? Now we did have a bill that went through this House, House Bill No. 102, sponsored by Mr. Bauer, and I think it was during the first couple weeks of the session, that dealt exclusively with when the highway department built a freeway through your property, and then you sustained an increase. The whole bill dealt with what would happen when the person had this windfall. But this bill has nothing to do with increase. It only deals with the lowering of property values."

Mr. Berentson: "Speaking on the point of order, I would just point out that we are dealing with values established in this case by the courts, and I think along with diminishing the value for a given taxpayer we might also on occasion increase that value. We are, in this type of amendment, just trying to point out that if we are going to take from the city, county or the state, perhaps also the reverse should be true if that property owner's value is enhanced."

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "In connection with your point of order, Mrs. Hurley, Reed's Rule 161 states in connection with incompatibility or inconsistency: 'An amendment may be inconsistent or incompatible with the words left in the bill, or with other amendments already adopted, but that is for the assembly to decide, and not for the presiding officer.' In this instance, I am going to let the body decide whether Mr. Berentson's amendment is compatible or consistent or germane. You can use your own

judgment. It is an odd amendment, I'll grant you. It appears to be involved with condemnation proceedings and taking ten percent of any increase in value after a period of five years. It is up to the body to determine if it is a good amendment."

Mr. Berentson spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Perry.

Mr. Perry: "Mr. Berentson, haven't the past practices since 1910, with the off-set benefits ratio, dealt with the subject of your amendment already?"

Mr. Berentson: "In my opinion, we have nothing statutorily, right now, that allows any entity of government to recover any amount of money that might accrue to the taxpayer for a construction project or public works project or whatever. I think up until this time, there perhaps hasn't been that need. But if now we are going to look with a very hard look at government entities and take that money from them to settle court cases where they feel damage has been done, then I think we ought to take another step and give the governmental entity some protection also to recover. If we don't do that, the end result is that we are not going to have any funds for construction of any public works."

Mr. Perry spoke against adoption of the amendment by Mr. Berentson.

POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Berentson, we now have, as a part of this bill, an amendment which makes it apply to airports. In your opinion, in the vicinity of Seattle-Tacoma Airport, where there are large numbers of motels, restaurants, service stations and various other types of businesses, would the value of this property be increased or decreased if the Seattle-Tacoma Airport was removed therefrom?"

Mr. Berentson: "I would expect if the airport were to be removed, that there would be a great fall-off in economic activity in the area, and probably less desire to actually live in the area as far as property values are concerned. I would like to point out one more thing--with the Seattle-Tacoma Airport situation, if you go back 15 or 20 years and look at the residential development in that immediate area, you will find that it was quite slim. People have continued to build, continued to expand, knowing full well that Seattle-Tacoma Airport was also expanding. To go back and say, 'Well, finally the noise is so great that we've got to do something for you,' is a noble idea, but I just question how many of those people actually realized the risk when they did buy in that area."

In the area of business expansion, we have had five or six major motels expand within the last five or six years, and evidently they weren't that concerned about noise pollution. So I think we are entering into an area here where we are opening the door. We can't possibly know the tremendous cost at the expense of the taxpayer."

Representative Newhouse spoke in favor of the amendment by Mr. Berentson, and Representatives Sommers, Kelley and Kraabel spoke against it.

POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Knowles.

Mr. Knowles: "Mr. Berentson, I would like to, with the language of your amendment, establish a hypothetical situation. If I had a piece of vacant property within this boundary, and I collected compensation from the state for damages to it, and then because there is a highway by there, I decide to put a million dollar motel on it--would you then, under the language of your amendment, feel that the state should have ten percent compensation for the increase in value to my property because the motel was put there because the highway went through there?"

Mr. Berentson: "To go one step beyond, I think it is possible under the language of this bill to have a property owner sue the state for, say, noise pollution, win the suit, and then later perhaps sell that piece of property, if located properly, for a tremendous profit. My thought is that what is good for the taxpayer of the state, maybe we ought to protect the rest of the taxpayers, also, or the state. So should a taxpayer choose not to sue, and still have a piece of property that has been enhanced, I guess I would have to agree with you that then he would, in this case, suffer a ten percent payment for that increase in value. I would agree with the statements here that perhaps that is not enough if this is the way we want to go. You have to remember that I am not in favor of the bill initially, but I think if we are going to go this route, it should work both ways."

Mr. Luders demanded the previous question and the demand was sustained.

The amendment by Mr. Berentson to House Bill No. 97 was adopted on a rising vote.

Mr. Barden moved adoption of the following amendment:

On page 2, section 1, line 6 after "control." insert a new section:

"NEW SECTION. Sec. 2. There is added to chapter 8.28 RCW a new section to read as follows:

(1) In any inverse condemnation action where compensation is sought for the taking or damaging of private property by airport operation, there shall exist the right to be compensated for any diminution in the value of property caused by any one or more of the following:

(a) Noise; or
(b) Vibrations; or
(c) Air pollution; or
(d) Water pollution; or
(e) Loss of view or scenery; or
(f) The risk to life or limb presented by the nearness of air traffic.

(2) The following defenses shall not be available in any action involving the 'damaging' of property under this section and the payment of just compensation to the owner:

(a) That the diminution in value does not involve any physical invasion of or trespass upon the property which allegedly has diminished or will diminish in value; or

(b) That any alleged diminution in property value is not substantial; or

(c) That the action allegedly resulting in a diminution in property value has not caused or will not cause substantial interference with the right of the owner to use his property."

Renumber the remaining sections consecutively

Representatives Barden, Kraabel and Lysen spoke in favor of adoption of the amendment.

The amendment by Mr. Barden to House Bill No. 97 was adopted.

Mr. Hansey moved adoption of the following amendment by Representatives Hansey and Smythe:

On page 2, insert a new section as follows:

"NEW SECTION. Sec. 4. There is hereby appropriated from the general fund fifty million dollars to assist the state cities, counties and ports in the satisfying of suits brought as a result of this act."

Mr. Hansey spoke in favor of the amendment.

Mr. Van Dyk demanded an electric roll call and the demand was sustained.

Representative Smythe spoke in favor of the amendment, and Representatives Hurley and Lysen spoke against it.

MOTION

Mr. Newhouse moved that the amendment by Representatives Hansey and Smythe to House Bill No. 97 be laid on the table.

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "If this motion carries, it also takes the bill with it. The bill and all amendments go on the table."

The motion by Mr. Newhouse was lost.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Representatives Hansey and Smythe to House Bill No. 97, and the amendment was lost by the following vote: Yeas, 2; nays, 91; not voting, 5.

Voting yea: Representatives Hansey, Smythe.

Voting nay: Representatives Adams, Amen, Anderson, Bagnariol, Barden, Bauer, Bausch, Beck, Bender, Benitz, Berentson, Blair, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Cunningham, Curtis, Douthwaite, Ehlers, Eikenberry, Ellis, Eng, Erickson, Flanagan, Fortson, Freeman, Gaines, Gallagher, Garrett, Gaspard, Gilleland, Goltz, Hansen, Haussler, Hayner, Hendricks, Hoggins, Hurley, Jastad, Johnson, Jueling, Julin, Kalich, Kilbury, King, Knowles, Kopet, Kraabel, Kuehne, Laughlin, Leckenby, Luders, Lysen, Martinis, Matthews, May, McCormick, Moon, Morrison, Nelson, Newhouse, North F., O'Brien, Paris, Parker, Patterson, Perry, Polk, Pullen, Rabel, Randall, Savage, Schumaker, Shinpoch, Smith, Sommers, Swayze, Thompson, Tilly, Valle, Van Dyk, Williams, Wilson, Wojahn, Zimmerman, and Mr. Speaker.

Not voting: Representatives Kelley, Maxie, North L., Pardini, Warnke.

STATEMENT FOR THE JOURNAL

I proposed the \$50 million appropriation to this bill to point out the severe fiscal impact of passage of such a measure to provide compensation for virtually anyone living near any airport in this state. This bill would cost cities, counties, ports and the state hundreds of millions of dollars each year since the bill takes away nearly every defense against law suits brought in connection with the operations of airports and highways in this state. The bill as written and amended is totally irresponsible and if the legislature is going to pass these expensive laws for the taxpayers in local government to pay then the state had better take the responsibility to pay some of the cost.

DONALD G. HANSEY, 40th District.
RICHARD L. SMYTHE, 49th District.

On motion of Mr. Barden the following amendment to the title amendment by Mr. Lysen was adopted:

On line 2 of the amendment after "and aviation" insert "and airport"

The amendment by Mr. Lysen to the title as amended by Mr. Barden was adopted.

MOTION

On motion of Mr. Randall, Substitute House Bill No. 53 was substituted for House Bill No. 53, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 53 was read the second time.

Mr. Charette moved adoption of the following amendment:

On page 9 of the substitute bill, after section 8, add a new section as follows:

"NEW SECTION. Sec. 9. This 1973 amendatory act shall not take effect until an amendment to Article 7 of the state Constitution, including as a minimum, but not limited to, (1) authorization for the legislature to impose a tax upon individual and corporate net income, (2) prohibition of the imposition of property tax by a school district except for capital purposes, and (3) authorization for the legislature to grant credits and make direct payments to provide relief from other state or local taxes, is validly submitted and is approved and ratified by the voters at a general election. Upon the fulfillment of the preceding conditions, this 1973 amendatory act shall take effect on the effective date of such Constitutional amendment.

In the event that this 1973 amendatory act does not take effect as provided in this section by January 1, 1975, all new or amendatory provisions of this 1973 amendatory act shall be null and void."

Mr. Charette spoke in favor of adoption of the amendment.

Mr. Pullen moved adoption of the following amendments to the amendment by Mr. Charette:

On line 13 of the amendment after "voters at" strike "a" and insert "the November 6, 1973"

On line 18 strike "all new or amendatory provisions of this 1973 amendatory act shall be null and void" and insert "the act shall take effect on January 2, 1975, notwithstanding the failure of fulfilling the conditions of section 9"

Representative Pullen spoke in favor of adoption of

the amendments to the amendment, and Representatives Charette and Newhouse spoke against the amendments.

The amendments by Mr. Pullen to the amendment by Mr. Charette were not adopted.

Mr. Thompson demanded an electric roll call on the amendment by Mr. Charette, and the demand was sustained.

Mr. Flanagan spoke against adoption of the amendment by Mr. Charette.

POINT OF ORDER

Mr. Swayze: "Mr. Speaker, this amendment to Substitute House Bill No. 53 would impose section 9, which refers to, among other things, authorization for the legislature to impose a tax on individual and corporate net income, prohibition of the imposition of property tax by a school district except for capital purposes, authorization for the legislature to grant credits and make direct payments to provide relief from other state or local taxes. It requires by the effect of this amendment that such legislation be adopted before Substitute House Bill No. 53 can be effective. It therefore expands the scope and object of the measure, and I would like a ruling from the chair on that point."

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "In answer to your point of order, Mr. Swayze, it appears that precedent has been established in the past on the implementation of certain provisions on the effective date of acts pertaining to taxation. This more or less sets forth a set of conditions relative to Substitute House Bill No. 53 and its effective date. So in view of the procedure that has been established, it would appear that this amendment to Substitute House Bill No. 53 would be in order."

POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Newhouse.

Mr. Newhouse: "Mr. Charette, I notice in the wording of your amendment, on lines 9 and 10, '...the imposition of property tax by a school district...' I notice you are not speaking strictly of special levies. Are you also trying to preclude the normal collection of the regular seven mills, or whatever, by the school district in the local area in your proposed tax reform package which must be passed before a reasonable open space bill may be adopted?"

Mr. Charette: "No."

POINT OF ORDER

Mr. Julin: "Mr. Speaker, the amendment by Representative Charette provides that the legislature may grant credits and make direct payments to individuals. Article 8, section 7, of our State Constitution prohibits the extension of credit to private persons. Article 2, section 19, of our Constitution provides that bills shall be limited to one subject. I would ask the Speaker to rule on whether or not this amendment is in order in light of those two constitutional provisions."

Mr. Charette: "Speaking to the point of order, if I may, Mr. Speaker, this amendment is conditioned on a constitutional amendment passing the people. If the proper constitutional amendment is passed by the people, that would then be a part of the Constitution and it would not be a violation."

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "In connection with your point of order, Mr. Julin, Reed's Rule No. 161 states in part in referring to the presiding officer '...So, also, the question of constitutionality is not for him to decide. Incompatibility, inconsistency, and unconstitutionality are matters of argument...' (to be decided by the body). Your point is not well taken."

Mr. Julin: "Notwithstanding the provisions of Reed's, our state Constitution provides that no bill shall embrace more than one subject. I believe that a ruling with reference to that part of my point of order is still required."

The Speaker (Mr. O'Brien presiding): "The Speaker has previously ruled on that point of order in connection with the point that Mr. Swayze raised. Also this entire matter of constitutionality of this amendment is not for me to decide; it is for the body to determine."

Representatives Haussler, Berentson, Swayze and Pullen spoke against adoption of the amendment by Mr. Charette to Substitute House Bill No. 53.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Charette to Substitute House Bill No. 53, and the amendment was lost by the following vote: Yeas, 43; nays, 53; not voting, 2.

MOTION

On motion of Mr. Knowles, Substitute House Bill No. 392 was substituted for House Bill No. 392, and the substitute bill was placed on the calendar for second reading.

HOUSE BILL NO. 435, by Representatives Bausch, Hendricks, Thompson, Adams, Bender, Ceccarelli, Charnley, Chatalas, Conner, Douthwaite, Ehlers, Ellis, Erickson, Fortson, Gallagher, Gaspard, Goltz, Johnson, Kilbury, Laughlin, Luders, Martinis, Maxie, May, McCormick, Moon, North (Frances), Paris, Parker, Savage, Smith, Valle, Van Dyk, Warnke, Wjahn and Williams (by Public Employees' Retirement Board request):

MOTION

On motion of Mr. Charette, the House deferred consideration of House Bill No. 435, and the bill was ordered placed on Tuesday's second reading calendar.

HOUSE BILL NO. 519, by Representatives Lysen, Sommers and North (Lois):

Mr. Barden moved adoption of the following amendment:

On page 2, section 3, line 18 after "voter." insert the following:

"In the event that more than two candidates are filed for any port commissioner position after the last day for withdrawal of candidacy, the county auditor shall conduct a port district primary at the time provided by general law for such primaries. At such primary, candidates for each port commissioner position shall be voted upon only by the voters of the commissioner district from which they are seeking election and of which they are qualified voters. At the ensuing general election, candidates for each port commissioner position shall be voted upon by all the qualified voters of the port district at large."

Mr. Barden spoke in favor of adoption of the amendment and Mr. Lysen spoke against it.

The amendment by Mr. Barden was not adopted.

Representatives Lysen and Van Dyk spoke in favor of passage of the bill, and Representative Leckenby spoke against it.

POINT OF INQUIRY

Mr. Van Dyk yielded to question by Mr. Tilly.

Mr. Tilly: "I think you made some very good points, Mr. Van Dyk. I was just wondering if your remarks would also apply, possibly, to public utility district boards where presently most of them have three members."

Mr. Van Dyk: "I am not familiar with the problem in your district. I am more familiar with the port commission area, and I think that should be more adequately represented. I am afraid I can't answer your question."

Representative Ceccarelli spoke against passage of the bill, and Representatives Kilbury, Martinis and Curtis spoke in favor of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 519, and the bill passed the House by the following vote: Yeas, 74; nays, 20; not voting, 4.

Mr. Charnley spoke in favor of the bill.

POINT OF INQUIRY

Mr. Charnley yielded to question by Mr. Brown.

Mr. Brown: "Mr. Charnley, in the next to the last paragraph of this bill, it says that these lists shall be organized by legislative district, if appropriate. My question would be: Does this qualifier 'if appropriate' mean that in an election involving legislative districts, the list shall be so organized?"

Mr. Charnley: "My answer is yes."

On page 1, section 1, line 8 after "of" strike "five thousand" and insert "ten thousand"

Ms. Sommers spoke in favor of the amendment, and Mr. Martinis spoke against it.

The Speaker assumed the Chair.

POINT OF INQUIRY

Mr. Haussler yielded to question by Mrs. Hurley.

Mrs. Hurley: "This may be on the amendment, Mr. Haussler, but mainly it is so that if I get the answer that I think I might get, we might hold this up for just a moment. Relative to Expo '74, and the construction of the buildings on Expo, I understand that there is an emergent situation where some of the buildings will not be put out to bids--because it is going to take too long and it holds up the processing. Now I don't know if that relates to just the state or just the city, but if there were some relation there, how do you think this might affect Expo?"

Mr. Haussler: "Yes, Representative Hurley, I can only give my own opinion on this. It is something I haven't looked into, but I think, in my opinion, they would be held to \$5,000--or \$10,000 if this amendment passes."

POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mrs. Hurley.

Mrs. Hurley: "Could you put some light on that question, Mr. Kuehnle?"

Mr. Kuehnle: "Well, Representative Hurley, I think that Representative Haussler's answer is correct--that if we pass this bill with either \$5,000 or a \$10,000 limit, that, yes, certainly the city would be confined to those dollar amounts. But to ease your mind as far as Expo is concerned, there is no intention of doing any of that work without going to bid on it. This is the way that the system operates, and I have received numerous communications in the last few days from contractors in the Spokane area who say that they don't understand why there is any concern about it, because it is the intent that all of Expo work will go out to bid, and so it doesn't enter into this bill at all, as I see it."

Representatives Blair and Haussler spoke in favor of adoption of the amendment by Representatives Sommers, Charette and Blair to House Bill No. 515.

The amendment was adopted on a rising vote.

The Clerk read the following amendment by Representative Martinis:

On page 1, section 2, line 17 after "sequence" and before the period insert ": PROVIDED, That the cost of metering equipment furnished by any first class city in the course of a water service installation shall not be included as part of the aggregate cost as provided herein."

With the consent of the House, Mr. Martinis withdrew the amendment.

House Bill No. 515 was ordered engrossed.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 515 was placed on final passage.

Mr. Douthwaite spoke in favor of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 515, and the bill passed the House by the following vote: Yeas, 91; nays, 7; not voting, 0.

Regulating the solicitation of funds for charity.

MOTION

On motion of Mrs. Wojahn, Substitute House Bill No. 722 was substituted for House Bill No. 722, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 722 was read the second time.

Mr. Kuehnle moved adoption of the following amendment:

On page 4, section 3, line 22 add a new subsection as follows:

"(4) Any nonprofit charitable organization which does not solicit and collect funds as a result of the sale or other distribution of tickets or other indications of contributions, in excess of \$5,000 in any twelve-month period in the operation of a raffle: PROVIDED, That in order to qualify for the exclusion created by this subsection no more than one-half of all moneys collected shall be expended for prizes actually awarded to participants: PROVIDED FURTHER, That all such fund raising functions are carried on by persons who are unpaid for their services."

Mr. Kuehnle spoke in favor of the amendment, and Mr. Eikenberry spoke against it.

POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Swayze.

Mr. Swayze: "You cited one type of fund raising which you fear may be included under the terms of this bill that you want to exclude. I am a little concerned about the many other types of charitable fund raising such as a basketball game, a style show, a spaghetti dinner, that sort of thing, which are put on by a charitable organization to raise funds. They don't know how much, if any, they will raise through that kind of a function until it is over. Are these also matters of concern within this particular act?"

Mr. Kuehnle: "Yes, they certainly are, Representative Swayze. And this is why I felt we needed to deal with this subject separately, by again going back to the definition of a contribution. If, for example, you had a spaghetti feed, we then would be talking about gross proceeds, not to exceed \$2,000, without having to go to state registration. It would have nothing to do with the net proceeds. It talks about gross proceeds, and I think that there should be an exception. I guess the issue that came to my mind, first of all, was the typical raffle

because it is so commonly conducted by boys clubs, P.T.A.'s, etc. How many of us who belong to service clubs like to go out and say 'Hey Joe, please give me a donation,' but we don't mind saying 'Hey Joe, give me a buck for a ticket on a side of beef,' or whatever it might be. And so I felt we needed to clarify that language. I don't think that the constitutional problem to which Representative Eikenberry alluded is a factor because if we want to get technical about it, by definition we are already in that category anyway, and I would presume that when we get through here this bill is going to pass by a 60 percent vote, so I don't think that presents a problem."

Mrs. Wojahn spoke against adoption of the amendment by Mr. Kuehnle.

The amendment was lost on a rising vote.

Mr. Pardini moved adoption of the following amendment:

On page 4, section 3, lines 19 and 20 strike "two thousand in any six month period" and insert "five thousand in any twelve month period"

Mr. Pardini spoke in favor of the amendment, and Mr. Eikenberry spoke against it.

Mr. Pardini closed debate, speaking again in favor of the amendment.

The amendment by Mr. Pardini was lost on a rising vote.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Substitute House Bill No. 722 was placed on final passage.

Mr. Eikenberry spoke in favor of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 722, and the bill passed the House by the following vote: Yeas, 97; nays, 1; not voting, 0.

Voting yea: Representatives Adams, Amen, Anderson, Bagnariol, Barden, Bauer, Bausch, Beck, Bender, Benitz, Berentson, Blair, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Cunningham, Curtis, Douthwaite, Ehlers, Eikenberry, Ellis, Eng, Erickson, Flanagan, Fortson, Freeman, Gaines, Gallagher, Garrett, Gaspard, Gilleland, Goltz, Hansen, Hansey, Haussler, Hayner, Hendricks, Hoggins, Hurley, Jastad, Johnson, Juelling, Julin, Kalich, Kelley, Kilbury, King, Knowles, Kopet, Kraabel, Kuehnle, Laughlin, Leckenby, Luders, Lysen, Martinis, Matthews, Maxie, May, McCormick, Moon, Morrison, Nelson, Newhouse, North F., North L., O'Brien, Paris, Parker, Patterson, Perry, Polk, Pullen, Rabel, Randall, Savage, Schumaker, Shipoch, Smith, Smythe, Sommers, Swayze, Thompson, Tilly, Valle, Van Dyk, Warnke, Williams,

Wilson, Wojahn, Zimmerman, and Mr. Speaker.
Voting nay: Representative Pardini.

Substitute House Bill No. 722, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

HOUSE BILL NO. 766, by Representatives Kopet, Kuehnle, Hurley and Hendricks:

Providing for the regulation of legend drugs.

Committee on Social and Health Services recommendation: Majority, do pass as amended. (For amendments see Journal for seventh day ex. sess., March 15, 1973.)

The bill was read the second time.

On motion of Mr. Parker, the committee amendments were adopted.

The Clerk read the following amendment by Representatives Kopet and Jastad:

On page 3, section 3, line 30 strike all of section 4 and renumber the remaining sections consecutively

The Speaker resumed the Chair.

POINT OF ORDER

Mr. Barden: "Mr. Speaker, Representatives Eikenberry, Clemente, Pardini and myself have a floor amendment to page 1, section 1, line 14 that I believe should be considered before that floor amendment."

The Speaker: "Mr. Barden, you raised the point of order in regard to which amendment should be considered first. The Speaker decided to take the floor amendment by Representatives Kopet and Jastad first because it was a single amendment, relating to a single subject matter. Your amendment would have been considered first, but then your second amendment, which relates to a similar subject matter and which, I think should be handled at the same time, came afterwards, so we thought we would get this out of the way first. This is the reason we proceeded in this manner."

On motion of Mr. Kopet, the amendment by Representatives Kopet and Jastad was adopted.

Mr. Barden moved adoption of the following amendments by Representatives Barden, Eikenberry, Clemente and Pardini:

On page 1, section 1, line 14 insert a new subsection as follows:

"(2) 'Controlled substance' means any controlled substance or counterfeit substance defined or referred to

in RCW 69.50.401, chapter 308, Laws of 1971 ex. sess."

Renumber the remaining subsections consecutively

On page 3, section 4, line 31 insert a new section as follows:

"NEW SECTION. Sec. 4. There is added to chapter 308, Laws of 1971 ex. sess. and to chapter 69.50 RCW a new section to be designated as 69.50.410 to read as follows:

69.50.410. PROHIBITED ACTS D--PENALTIES. (1) Except as authorized by this chapter it shall be unlawful for any person to sell for profit any controlled substance.

For the purposes of this section only, the following words and phrases shall have the following meanings:

(a) 'To sell' means the passing of title and possession of a controlled substance from the seller to the buyer for a price whether or not the price is paid immediately or at a future date.

(b) 'For profit' means the obtaining of anything of value in exchange for a controlled substance.

(c) 'Price' means anything of value.

(d) 'Controlled substance' means all controlled substances and counterfeit substances except marihuana.

(2) Any person convicted of a violation of subsection (1) of this section shall receive a mandatory sentence of five years in the state penitentiary and a fine of not more than two hundred fifty thousand dollars for the first offense. Any person convicted of a second or subsequent violation of subsection (1) of this section or any person who shall have been previously convicted of a violation of the laws of the United States, any other state, or any territory, possession, or district for the same or similar offense as defined in subsection (1) of this section shall receive a mandatory sentence of not less than twenty years in the state penitentiary and a fine of not more than five hundred thousand dollars. No judge of any court shall suspend or defer any sentence imposed pursuant to this subsection, nor may any state board or official reduce the term of confinement.

This section shall not apply to offenses defined and punishable under the provisions of RCW 69.50.401 as now or hereafter amended.

Renumber the remaining sections consecutively.

Mr. Barden spoke in favor of the amendments.

POINT OF ORDER

Mr. Perry: "Mr. Speaker, I would like to raise the question of scope and object of Mr. Barden's amendments. He is an expert on the scope and object of bills. He was very good on the 40-foot bus."

POINT OF ORDER

Mr. Barden: "Notwithstanding the compliments of the gentleman who just raised the point of order, I believe Reed's Rules say that a point of order may only be raised prior to the ensuing of debate. If the Speaker and members of the House would examine the remarks I made prior to the point of order being raised, I believe that debate has already begun, and perhaps the point of order is out of

order.

"Further, speaking to the point of order, the description of the bill deals with the sale, or the obtaining of dangerous drugs or poisons, and it provides for the punishment of those people who violate the chapter. The amendment specifically deals with the wrongful sale of drugs and dangerous drugs and poisons and provides a penalty. It deals with the same chapter of the Revised Code of Washington as does the bill. It deals with the same subject--the wrongful sale of drugs and the penalties to be received. It is beyond my comprehension that this bill and the amendment could not be compatible."

RULING BY THE SPEAKER

The Speaker: "Representative Barden, you raised the point of order as to when the objection must be made. It is my recollection that it must be a timely motion. I think that the debate had not begun in the true sense of debate. We have always allowed the point of order to be raised anytime during the initial speech; therefore your point of order is not well taken in that matter.

"In regard to whether or not the amendment is beyond the scope and object, the point of order is well taken. The subject matter of House Bill No. 766 is chapter 69.40 RCW, poisons and dangerous drugs. You are attempting to amend the next chapter--69.50 RCW, which is the controlled substances act. In other words, we are talking about two different types of drugs. One is the legend drugs, or nonnarcotic drugs. Your amendment pertains to narcotic drugs. Therefore, it is beyond the scope and object, and the point of order is well taken. Your amendment is out of order."

MOTION

Mr. Barden moved that the Judiciary Committee be relieved of HOUSE BILL NO. 459, and that it be placed on the second reading calendar, directly following House Bill No. 766.

Mr. Barden spoke in favor of the motion.

POINT OF ORDER

Mr. Charette: "Mr. Speaker, the motion made by Representative Barden is to relieve a committee of a bill, and I believe he is not speaking to the motion."

The Speaker: "Mr. Barden, I was going to restate your motion for you, but you are moving to procedurally relieve a committee of a bill. Please confine your remarks to the procedural aspects of this."

Mr. Barden continued his remarks.

The Speaker: "Mr. Barden, I wish again to direct your attention to the fact that you are required to confine your remarks to the procedural matter of bringing a bill before the body--not to the merits of the bill."

PERSONAL PRIVILEGE

Mr. Knowles: "I resent the remarks as to the intent of the Judiciary Committee. I would point out that we have had two hearings on this. We had it on executive session for last Friday. We were limited in our time--we were cut off a half hour and we didn't quite get to it. It is scheduled for hearing..."

The Speaker: "I think, Representative Knowles, you will have to raise your point of personal privilege after the remarks by Representative Barden. You may do so at that time."

Mr. Barden concluded his remarks in favor of the motion.

PERSONAL PRIVILEGE

Mr. Knowles: "My remarks were more directed toward the tone of the inability of the Judiciary Committee to amply handle any bill before us. As I started out to say, we had one hearing on it. We came to discuss it and there were about five members of the committee who wanted additional time to hear it. We did that. We have had it on executive session. We have it scheduled in the near future. I think when the Judiciary Committee has been handed the responsibility to deal with a matter as important as this, then the committee ought to have an opportunity to deliberate on it. After that it will be a matter for Rules Committee to determine--whether or not it comes immediately to the floor."

The Speaker: "You are speaking beyond the point of personal privilege now, Mr. Knowles. You are speaking on the motion. I would have to recognize you again for that purpose."

Mr. Polk demanded an electric roll call and the demand was sustained.

Mr. Kelley spoke against the motion by Mr. Barden.

Mr. Barden closed debate, speaking again in favor of the motion.

ROLL CALL

The Clerk called the roll on the motion by Mr. Barden to relieve the Committee on Judiciary of House Bill No. 459 and that it be placed on the second reading calendar directly following House Bill No. 766, and the motion was lost by the following vote: Yeas, 32; nays, 63; not voting, 3.

Voting yea: Representatives Amen, Barden, Benitz, Berentson, Cunningham, Curtis, Eikenberry, Flanagan, Freeman, Garrett, Gilleland, Hansey, Hendricks, Hoggins, Jueling, Kopet, Kraabel, Kuehnle, Leckenby, Matthews, Morrison, Nelson, Newhouse, Pardini, Paris, Polk, Pullen, Schumaker, Smythe, Tilly, Wilson, Zimmerman.

Voting nay: Representatives Adams, Anderson, Bagnariol, Bauer, Bausch, Beck, Bender, Blair, Bluechel, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Douthwaite, Ehlers, Ellis, Eng, Erickson, Fortson, Gaines, Gallagher, Gaspard, Goltz, Hansen, Haussler, Hayner, Hurley, Jastad, Johnson, Kalich, Kelley, Kilbury, King, Knowles, Laughlin, Luders, Lysen, Martinis, Maxie, May, McCormick, Moon, North F., O'Brien, Parker, Patterson, Perry, Rabel, Randall, Savage, Shipoch, Smith, Sommers, Swayze, Thompson, Valle, Van Dyk, Warnke, Williams, Wojahn, and Mr. Speaker.

Not voting: Representatives Brown, Julin, North L.

The House resumed consideration of HOUSE BILL NO. 766 on second reading.

On motion of Mr. Parker, the following amendment by Representatives Parker and Kopet was adopted:

On page 4, section 6, line 24 after "information" insert "and that, if the drug dispensed is a trial sample in its original package and which is labeled in accordance with federal law or regulation, there need be set forth additionally only the name of the issuing practitioner and the name of the patient"

House Bill No. 766 was ordered engrossed.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 766 was placed on final passage.

Mr. Kopet spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 766, and the bill passed the House by the following vote: Yeas, 98; nays, 0, not voting, 0.

Voting yea: Representatives Adams, Amen, Anderson, Bagnariol, Barden, Bauer, Bausch, Beck, Bender, Benitz, Berentson, Blair, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Cunningham, Curtis, Douthwaite, Ehlers, Eikenberry, Ellis, Eng, Erickson, Flanagan, Fortson, Freeman, Gaines, Gallagher, Garrett, Gaspard, Gilleland, Goltz, Hansen, Hansey, Haussler, Hayner, Hendricks, Hoggins, Hurley, Jastad, Johnson, Jueling, Julin, Kalich, Kelley, Kilbury, King, Knowles, Kopet, Kraabel, Kuehnle, Laughlin, Leckenby, Luders, Lysen, Martinis, Matthews, Maxie, May, McCormick, Moon, Morrison, Nelson, Newhouse, North F., North L., O'Brien, Pardini, Paris, Parker, Patterson, Perry, Polk, Pullen, Rabel, Randall, Savage, Schumaker, Shipoch, Smith, Smythe, Sommers, Swayze, Thompson, Tilly, Valle, Van Dyk, Warnke, Williams, Wilson, Wojahn, Zimmerman, and Mr. Speaker.

Engrossed House Bill No. 766, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Mr. Thompson, the House advanced to the eighth order of business.

PARLIAMENTARY INQUIRY

Mr. Pardini: "Mr. Speaker, several of the newer members of our caucus have wondered if they can still introduce legislation--if we are still allowing introduction, or if there is any cut-off. I have told them, to the best of my knowledge, there is no cut-off in the introduction of legislation. Is that correct, sir?"

REPLY BY THE SPEAKER

The Speaker: "Representative Pardini, there is no official cut-off. We have discouraged the members of our caucus from entering any legislation unless it is of extreme major importance because it is very doubtful that it would be considered at this late date. However, there is no official cut-off at this time."

MOTIONS

On motion of Mr. Thompson, HOUSE BILL NO. 1092 was rereferred from the Committee on State Government to the Committee on Local Government.

On motion of Mr. Charette, the House advanced to the eleventh order of business.

POINT OF INQUIRY

Mr. Bagnariol yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Bagnariol, you mentioned tax reform. I missed the notice. Do we have specific bills that are going to be considered in Revenue Committee?"

Mr. Bagnariol: "We don't have specific bills scheduled. We are having a meeting to discuss the overall problems of tax reform at the request of your caucus. Some of your members came to me this morning and asked if they could be excused from the orientation on the K-12 budget, and if they could have a work session on tax reform instead. I asked our members of Revenue Committee if they would be willing to forego the orientation meeting, and they said they would. So we don't have any specific bills on tap for this afternoon, however, that doesn't mean that a specific bill may not be considered."

MOTION

On motion of Mr. Charette, the House adjourned until 9:30 a.m., Tuesday, March 27, 1973.

LEONARD A. SAWYER, Speaker.

DEAN R. FOSTER, Chief Clerk.

HOUSE BILL NO. 387, by Representatives Wojahn, Kuehnle, Erickson and Ehlers (by Joint Committee on Education request):

Implementing law relating to school district organization.

Committee on Education recommendation: Majority, do pass as amended. (For amendments see Journal for fortieth day, February 16, 1973.)

The bill was read the second time.

Mr. Bauer moved adoption of the committee amendment to page 1, line 18.

Mr. Julin moved adoption of the following amendment to the committee amendment:

On line 3 of the amendment to page 1, section 1, line 18 after "equal" and before "percent" strike "five" and insert "twenty"

Mr. Julin spoke in favor of the amendment to the amendment, and Mr. Smythe spoke against it.

POINT OF INQUIRY

Mr. Smythe yielded to question by Mr. Eng.

Mr. Eng: "Representative Smythe, what if five percent of the people do go out and they do get their wish, then five percent of the people decide they don't like it this way and they want to go back the other way, and they get a petition. What recourse do they have? Do they also have the right to refuse these other five percent who got their way?"

Mr. Smythe: "It means they go to director districts, and they will have director districts--people will vote on it."

Mr. Eng: "But what if five percent of the people also decide after that happens they don't like that idea and they want to go back the other way?"

Mr. Smythe: "There is an election provision, I believe, that would allow them to abolish it through the elective process. I think it is by a simple majority."

Mr. Julin spoke again in favor of the amendment to the amendment, and Representatives Hoggins and Wojahn spoke against it.

Mr. Julin closed debate, speaking again in favor of the amendment to the amendment.

Mr. Bauer spoke in favor of the amendment and Mrs. Hayner spoke against it.

POINT OF INQUIRY

Mr. Bauer yielded to question by Mr. Julin.

Mr. Julin: "Representative Bauer, with this bill, and the laws that it will amend, assume that five percent of the voters sign the petition provided for in this amendment, and there is then a change to the director district concept. What provision in the law will there be for five percent or more to petition to change that? I believe there is none, and I want to know whether or not I am correct."

Mr. Bauer: "My interpretation is that there are no provisions for the reversal."

Representative Julin spoke against adoption of the committee amendment, and Representatives Kilbury and Lysen spoke in favor of it.

POINT OF INQUIRY

Mrs. Wojahn yielded to question by Mr. Ehlers.

Mr. Ehlers: "As I understand the effect then of voting down this committee amendment, which I think Representative Lysen reported accurately, is that this would apply to all districts as a mandatory thing. There would be no option--there would be no compromise. It would be mandatory and would apply to all school districts. Is that correct?"

Mrs. Wojahn: "That is correct--if they were above 1,000 population."

POINT OF INQUIRY

Mr. Polk yielded to question by Mr. Smythe.

Mr. Smythe: "Representative Polk, you somehow abolished director districts in Mercer Island. How did you do that?"

Mr. Polk: "The citizens of Mercer Island circulated a petition to the Mercer Island School Board and gained signatures. I don't know how many signatures were needed to be gained to present this petition. The school board put the issue to a vote of the people. By 80 percent vote of the citizens of Mercer Island, the director districts were abolished."

Mr. Smythe: "That apparently is an answer to Representative Julin that you do have a provision here to abolish it. We are not changing that law, right?"

Mr. Polk: "Well, if that question was to me, my interpretation is, yes, we are changing that law."

Mr. Smythe: "If we were to adopt the amendment that is before us, it does allow for the provision that you said you have actually exercised?"

Mr. Polk: "Yes, it would. By adopting this committee amendment, in point of fact, it would require about 800 and some voters of the city of Mercer Island to present a petition then to the school board in order to go to the director districts, as I understand it."

Mr. Smythe spoke in favor of the committee amendment.

The committee amendment was adopted.

On motion of Mr. Bauer, the committee amendment to page 2, line 32, was adopted.

Mr. Polk moved adoption of the following amendments by Representatives Polk and Julin:

On page 1, section 1, line 16 strike "one thousand" and insert "seven thousand five hundred"

On page 2, section 2, line 27 strike "one thousand" and insert "seven thousand five hundred"

Representatives Polk and Julin spoke in favor of the amendments, and Representatives Hoggins, Bauer, Brown and Smythe spoke against the amendments.

Mr. Polk closed debate, speaking again in favor of the amendments.

The amendments by Representatives Polk and Julin were not adopted.

Mr. Polk moved adoption of the following amendment by Representatives Polk and Julin:

On page 2, section 1, line 19 before the period insert ": PROVIDED, That any school district by direct election of the voters of that district may decide not to establish director districts: PROVIDED, FURTHER, That if such an election has been held within the past two years no further election shall be necessary and the results of such election shall remain in force until such time as the question may again be put to the voters of that district."

Representative Ceccarelli is standing."

Mr. Ceccarelli: "Representative Barden, these amendments were worked out by the people who were active in the bond market. This one was worked on by the Association of Washington Ports, and they have had requests from the City of Seattle and also the State Treasurer in developing language that would develop a greater marketability. On page 3 of the bill, what we are doing, on line 26 we are saying, 'The governing body may fix any redemption premium or premiums as it may in its descretion determine advisable.' This just inserts 'right of prior redemption and redemption.' They feel this would help them in the marketability of these bonds when they come up for redemption. I don't think that the substantive change is going to destroy any intent in the bill, and apparently it is just language that they feel they can live with better in the marketability."

POINT OF INQUIRY

Mr. Ceccarelli yielded to question by Mr. Newhouse.

Mr. Newhouse: "Mr. Ceccarelli, I notice the language you are striking is part of existing law. Are you suggesting then that this language in some form will be added by administrative code rather than law?"

Mr. Ceccarelli: "I really have no idea."

Mr. Newhouse: "Can you tell me who drafted the change which you are suggesting?"

Mr. Ceccarelli: "I think I indicated that in my prior statement. It was drafted by the Washington Public Port Association. They are in the bond market in a very real way. They felt this would give them greater flexibility."

POINT OF INQUIRY

Mr. Newhouse: "May I ask the same question of Representative Pardini?"

Mr. Pardini: "Mr. Newhouse, I am not absolutely certain, but I think in line 16 through 25 which we are striking, they have the right to issue bonds in there for a period of up to six months and not later than five years. But taking that language out, I think the second half of Representative Ceccarelli's amendment that says the 'right of prior redemption and redemption...' it really says the governing body may fix any right of prior redemption and

redemption which is the six months to five years that we are striking, but we are not putting it in there statutorily. They can then do it in any way that they see fit or most appropriate for them to issue the bonds."

Representatives Barden and Douthwaite spoke against the amendments by Mr. Ceccarelli to the committee amendment.

MOTION

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion by Mr. Thompson, as amended, that all reports of standing committees listed on the fifth order of business be passed to the Committee on Rules for second reading.

MOTION

On motion of Mr. Thompson, the House deferred consideration of Substitute House Bill No. 10, and it was ordered placed on the calendar following Senate Bill No. 2293.

SENATE BILL NO. 2293, by Senators Francis, Peterson (Ted) and Connor:

Enlarging scope for investments under the Refunding Bond Act.

The House resumed consideration of Senate Bill No. 2293 on second reading. (See Journal for nineteenth day, ex. sess., March 27, 1973, for previous action.)

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the amendments by Mr. Ceccarelli to the committee amendment. With the consent of the House, Mr. Ceccarelli withdrew the amendments and moved adoption of the following substitute amendments:

On page 3, starting on line 16 strike all the material down to and including "redeemed" on line 26 and insert:

"((The ordinance authorizing the issuance of advance refunding bonds pursuant to this chapter shall contain a provision that such bonds shall be subject to redemption not later than five years from date of such bonds or six months after the first date on which the bonds to be refunded may be redeemed; whichever is later; if more than one issue or series of bonds are being refunded by a single issue or series of advance refunding bonds; such advance refunding bonds must be subject to redemption not later than five years from date of issue or six months after the first date on which the series or issue of bonds being refunded having the latest first redemption date may be

redeemed-))"

On page 3, line 26 after "any" and before "redemption" insert "right of prior redemption and"

Mr. Ceccarelli spoke in favor of the amendments, and Mr. Barden spoke against them.

The amendments by Mr. Ceccarelli to the committee amendment were not adopted.

Mr. Ceccarelli moved adoption of the following amendment to the committee amendment:

On page 5, line 8 add a new section as follows:

"NEW SECTION. Sec. 7. The state may issue general obligation bonds to refund any special revenue obligations of the state at or prior to the date they mature or are subject to redemption."

Re-number the remaining sections consecutively.

Mr. Ceccarelli spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Ceccarelli yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Ceccarelli, I can understand the logic of issuing general obligation bonds to refund bonds that are based on general fund taxes, such as the sales tax or cigarette tax--I wouldn't see anything wrong with that--but I am wondering if this amendment would allow the use of general fund revenues and general fund obligations to refund the type of bonds that are supposed to be funded with user-type services such as highway bonds or the bonds issued for college dormitories and things of this kind that are supposed to be limited to the user fees and not tied to general revenues. I don't think we would want to put the general taxpayer in behind some of these other types of bonds that are supposed to be financed through user fees. Does this amendment allow that?"

Mr. Ceccarelli: "It does, and it doesn't. It doesn't approach the motor vehicle fund. It has nothing to do with fees in the motor vehicle fund. It has only to do with the revenue bonds that are outstanding, that are being paid for through special sources like the sales tax, etc. I might point out that this was necessary because of the court ruling before House Joint Resolution No. 52, where they held that using sales tax to pay off a revenue bond, in essence is the same thing as using general fund moneys, because the sales tax revenues revert to the general fund. So therefore, it had to go back to the vote of the people. Of course, House Joint Resolution No. 52 increased the amount that could be invested by the state to nine percent of the general fund revenue without going to a vote of the people."

Mr. Flanagan: "In your opinion, then, this would not allow the use of general fund revenues to fund bonds to replace the type of bonds that are restricted to, for example, college dormitories and these kind of things that

are supposed to be restricted to fees?"

Mr. Ceccarelli: "No, I think it would allow them to--not in the case of motor vehicle funds--but I think in the case of capital building programs, it would allow them to get reverse refunding on these bonds that were put for capital expenditures from a particular revenue source and allow them to refund it with a general obligation bond."

Representatives Perry, Barden, Bluechel and Goltz spoke in favor of the amendment, and Representatives Leckenby and Douthwaite spoke against it.

Representatives Ceccarelli and Perry spoke again in favor of adoption of the amendment.

Mr. Conner demanded an electric roll call, and the demand was sustained.

POINT OF INQUIRY

Mr. Ceccarelli yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Ceccarelli, HJR 52 provided that general obligation bonds of the state could not exceed nine percent of the five-year average of income. The amendment that you have proposed here says the state may issue general obligation bonds which would fall within that category. Number one: Can you tell me specifically, if these general obligation bonds which might be issued if your amendment were adopted, to replace the revenue bonds, would fall below that nine percent category? And number two: Can you give me any idea of what might happen to the user fees that are presently servicing the revenue bonds?"

Mr. Ceccarelli: "Again, this is very complicated. First of all, it is a three-year average. The state is allowed to indebt itself nine percent of the general fund revenue on a three-year average. So if it is above that figure, it would have to go to a vote of the people. However, if they are refunding an old bond, the old bond would not be counted as part of the obligation of the state, because the new bond would be retiring it. So you would only count the amount of the new bond. As long as it falls below the nine percent of the three-year average, it would not have to go to a vote of the people."

Representatives Pardini and Hurley spoke against adoption of the amendment by Mr. Ceccarelli to the committee amendment, and Representatives Ceccarelli and Barden spoke again in favor of it.

Mr. Charette demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Ceccarelli to the committee amendment to Senate Bill No. 2293, and the amendment was adopted by the

Representatives Newhouse, Berentson, Perry, Kilbury, Barden and Ceccarelli spoke in favor of passage of the bill, and Representatives Douthwaite, Flanagan and Leckenby spoke against it.

Mr. Charette demanded the previous question and the demand was sustained.

SUBSTITUTE HOUSE BILL NO. 10, by Representatives Ehlers, Shinpoch, Wojahn and Goltz:

Providing that there shall be no disclaimer of implied warranties relating to consumer goods.

The House resumed consideration of Substitute House Bill No. 10.

On motion of Mr. Eikenberry, the following amendment was adopted:

On page 2, section 1, line 12 after "for" insert "particular purpose" and on line 13 strike "use"

Mr. Eikenberry moved adoption of the following amendment:

On page 2, section 1, line 16 after "warranted" insert "or which uses such words as 'as is' or 'with all faults'"

Mr. Eikenberry spoke in favor of the amendment and Mr. Ehlers spoke against it.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "This language is a little too complex, and I am not sure I understand it. I am thinking, and would like to use as an example, a friend of mine who operates what he calls a salvage store, buys damaged merchandise. A railroad car is derailed, or there has been a fire somewhere, so he buys the entire stock of merchandise. His entire store, and he does a big volume of business, is full of merchandise, all of which is sold on an 'as is' basis, and all of which is sold at substantially reduced prices. I am sure that he hasn't the faintest idea in many instances, whether some of this merchandise is damaged or whether it isn't, or the extent to which some of it is damaged. If I understand this debate correctly, the Eikenberry amendment would permit the sale of this merchandise as it is. If we did not pass this amendment, then in terms with your line of thinking, this merchant would have to identify each and every piece of merchandise in that store and identify every defect associated with each and every piece of merchandise in that store, which, to my way of thinking, would be an absolute impossibility."

Mr. Ehlers: "To answer your question, Mr. Kuehnle,

again this deals with marketability. It would depend, I would assume, if they were used items--if the items were in fact covered by warranty. There are many factors which go into fitting this Uniform Commercial Code. I believe this particular criticism came along with a number of others--every conceivable thing, including the possibility of Union Pacific selling objects which are dented and uncrated. I have been assured by Professor Cosway and others that there would be no problem with this particular provision as it relates to these kinds of items, depending on whether or not they are new, or if, in fact, there is a warranty. There are a number of factors involved. So I suppose it would depend on the specific case."

POINT OF INQUIRY

Mr. Laughlin: "Would Representative Eikenberry yield to question, please?"

Mr. Eikenberry refused to yield to question.

Representatives Kelley and Charette spoke against adoption of the admendment by Mr. Eikenberry, and Mr. Julin spoke in favor of it.

Mr. Van Dyk demanded an electric roll call and the demand was sustained.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Tilly.

Mr. Tilly: "I am in a retail business primarily dealing with farm equipment. We do take quite a few items in trade, such as used tractors. I would like to ask, how would this bill affect our sale of used farm equipment?"

Mr. Ehlers: "I believe in the case of any kind of warranty, that you have--let's take, for example, something I know a bit more about, a car, for example. If I understand the particularity, it would only be necessary to indicate that, in fact, something doesn't work, such as the brakes being faulty. That is listing, as far as I am concerned, the particularity. You don't have to indicate why. If you have something wrong, and you have it covered under the 90-day warranty in the case of a car, that is enough particularity. That at least alerts the purchaser that the rest of the warranty is in fact good--the motor and other parts of the particular item. I can't speak for the mechanical part of farm equipment, but I assume you, as a merchant, could with particularity indicate those things that are not covered under whatever warranty you give, if you give a warranty."

Representatives Tilly and Newhouse spoke in favor of the amendment by Mr. Eikenberry and Mr. Smith spoke against it.

Mr. Eikenberry spoke again in favor of the amendment and Mr. Ehlers spoke again in opposition to it.

Mr. Chatalas demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Eikenberry to Substitute House Bill No. 10, and the amendment was lost by the following vote: Yeas, 31; nays, 62; not voting, 5.

Voting yea: Representatives Amen, Benitz, Berentson, Bluechel, Curtis, Eikenberry, Flanagan, Freeman, Garrett, Gilleland, Hansen, Hansey, Hendricks, Hoggins, Kopet, Kuehnle, Matthews, May, Morrison, Nelson, Newhouse, North L., Pardini, Patterson, Polk, Pullen, Rabel, Schumaker, Tilly, Wilson, Zimmerman.

Voting nay: Representatives Adams, Anderson, Bagnariol, Barden, Bauer, Bausch, Beck, Bender, Blair, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Cunningham, Douthwaite, Ehlers, Ellis, Eng, Erickson, Fortson, Gaines, Gallagher, Gaspard, Goltz, Haussler, Hurley, Jastad, Johnson, Juelling, Kalich, Kelley, Kilbury, King, Knowles, Laughlin, Leckenby, Luders, Lysen, Martinis, Maxie, McCormick, Moon, North F., O'Brien, Parker, Perry, Randall, Savage, Shinpoch, Smith, Sommers, Swayze, Thompson, Valle, Van Dyk, Warnke, Williams, Wojahn, and Mr. Speaker.

Not voting: Representatives Hayner, Julin, Kraabel, Paris, Smythe.

Mr. Eikenberry moved adoption of the following amendments:

On page 3, section 2, line 17 after "Limitation of" insert "other" and on line 18 strike "where the loss is commercial"

On page 3, section 2, line 17 after "replacement obligations." make remaining material a new paragraph.

Mr. Eikenberry spoke in favor of the amendments.

POINT OF INQUIRY

Mr. Eikenberry yielded to question by Mr. Ehlers.

Mr. Ehlers: "Perhaps it was a misunderstanding in our conversation--I wasn't aware in our discussion that I had agreed to that. Really what I agreed to was the explanation by Professor Cosway, the father of the Uniform Commercial Code, as of about 10:00 this morning, since he again had gone over this and saw that this entire section is essentially his language. My question is: What in effect, does your amendment do? Frankly I don't see that your amendment is necessary, but perhaps you can explain to the body what it would do."

Mr. Eikenberry: "The first amendment inserts the word 'other' and strikes out the limitation of 'commercial' damages. In other words, it opens up and expands the scope of this limitation by covering all kinds of consequential damages. And by putting it in a separate paragraph, we make it clear that this limitation isn't applying only to

the preceding sentence, but rather to the entire preceding paragraph."

The amendments by Mr. Eikenberry were adopted.

Substitute House Bill No. 10 was ordered engrossed.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 10 was placed on final passage.

Mr. Julin: "Mr. Ceccarelli, you listed a number of nations that might be able to have banking facilities in our state. There was one noticeable exception, and I would like your assurance before I vote on this. If a bunch of dumb Swedes get together enough money to form a bank, will they be able to be here?"

I would like to leave you with a thought that I think is in the hearts of all of us. It is a little verse that says:

"It's not the things that can be bought
That are life's richest treasure.
It's just the little heart gifts,
That money cannot measure.
A cheerful word, a friendly smile,
A sympathetic nod,
Are priceless little treasures,
In the storehouse of our God.
They are the things that can't be bought
With silver or with gold,
For thoughtfulness and kindness
And love are never sold."

Amending the Constitution to provide for annual, interim and extra legislative sessions and to allow the legislature to increase members' salaries.

The resolution was read the third time and placed on final passage.

MOTION

Mr. Thompson moved that Engrossed Substitute Senate Joint Resolution No. 105 be rereferred to the Committee on Constitution and Elections.

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Swayze.

Mr. Swayze: "Representative Thompson, I would like a little indication as to the reason for returning this particular measure to committee at this time. The issues are well known. Of course, it is also well known that it probably does not have sufficient votes to get two-thirds for passage on the floor of the House at this time. I am just wondering whether it is being returned to committee as

a part of an effort to change it or amend it in any way so that it might secure the necessary votes for passage. Or is your motion just to send it back there to bury and kill it?"

Mr. Thompson: "Representative Swayze, the direct answer to your question is 'yes.' But to elaborate, the adoption of this motion will provide us with the means of handling, at the committee level, some of the suggestions that were made on the floor by members of your caucus. It will receive ample consideration there, and I am sure we will see it here again shortly."

Mr. Pardini spoke in favor of the motion by Mr. Thompson.

The motion was carried.

MOTIONS

On motion of Mr. Thompson, the House reverted to the sixth order of business.

Mr. Charette moved that the Committee on State Government be relieved of ENGROSSED SENATE CONCURRENT RESOLUTION NO. 125 and that it be placed on the second reading calendar.

Mr. Charette spoke in favor of the motion.

POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Swayze.

Mr. Swayze: "Is it your intention to handle this matter immediately?"

Mr. Charette: "On second reading, yes."

Mr. Swayze spoke against the motion.

Mr. Charette spoke again in favor of the motion, and Mr. Pardini spoke against it.

The motion by Mr. Charette was carried.

SECOND READING

ENGROSSED SENATE CONCURRENT RESOLUTION NO. 125, by Senators Greive, Ridder, Dore, Stortini, Connor and Van Hollebeke:

Providing for changes in the Joint Rules of Senate and House of Representatives.

The resolution was read the second time.

Mr. Charette moved adoption of the following amendment:

On page 1 of the engrossed resolution, strike all material beginning with "Rule 3." on line 6 down to and including "interim." on page 7, line 28 and insert the following:

No bill shall be introduced as a joint committee bill:))

The introduction of any bill in either house shall be in accordance with the rules of the house of introduction.

Rule 29. ((Whenever any standing committee of either house shall desire to arrange for a public hearing upon any subject of legislation pending before such committee, it shall be the duty of the chairman of such committee to consult with the chairman of the corresponding committee of the other house and endeavor to arrange a hearing by the joint committees of the two houses:))

All joint public hearings held by ((joint)) the committees shall be scheduled at least five days in advance, shall be open to the public, and shall be given publicity: PROVIDED, That ((this)) the notice and scheduling provision shall not apply to joint hearings held after the fiftieth day of the regular session or during any special session.

The first special session of the forty-third legislature shall adjourn sine die no later than Sunday, the twenty-third day of September, 1973. NEW RULE. Rule 36. When the legislature is not convened in session, the standing committees of each house named in the rules of each house adopted during the regular session of the forty-third legislature shall continue to function on the same basis as when the legislature is convened in session, subject to the following:

Mr. Charette demanded a Call of the House and the demand was sustained.

CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representative Hayner.

On motion of Mr. Charette, the absent member was excused and the House proceeded with business under the Call of the House.

The Speaker declared the House to be at ease.
The Speaker called the House to order.

The Speaker stated the question before the House to be the amendment by Mr. Charette to Engrossed Senate Concurrent Resolution No. 125.

The Clerk read the following amendment by Mr. Barden to the amendment:

On page 4, section 31, line 24 after "than" strike "Sunday, the twenty-third day of September," and insert "the eighth day of April,"

PARLIAMENTARY INQUIRY

Mr. Julin: "Mr. Speaker, I have just placed on the desk an amendment that is on page two, and I think it should be considered before this."

The Speaker: "Representative Julin, we are going to try to handle these in order, but we haven't completely restricted it."

Mr. Julin: "My amendment then will be considered?"

The Speaker: "Yes."

Mr. Barden moved adoption of the amendment to the amendment.

Mr. Barden spoke in favor of the amendment to the amendment, and Mr. Charette spoke against it.

POINT OF ORDER

Mr. Barden: "I think my motives have been impugned."

The Speaker: "Representative Charette, I think you are well aware of the rules. Would you keep your remarks within the confines thereof?"

Mr. Charette continued his remarks.

POINT OF ORDER

Mr. Pardini: "The Barden amendment deals with putting a cut-off in April. Representative Charette is talking about September."

The Speaker: "I think if I read this right, he is also striking the language with regard to June and September, so I imagine that would open up the subject matter, Representative Pardini. You may continue, Mr. Charette."

Mr. Charette concluded his remarks.

Mr. Swayze spoke in favor of the amendment by Mr. Barden to the amendment by Mr. Charette.

The Speaker: "Now that both sides have broken every rule that I know of, I wish to remind you that you each have had your shots. Now would you please stay within the confines of the arguments and the issues before us, because the Speaker will not allow it any more."

Mr. Curtis spoke in favor of the amendment to the amendment.

POINT OF ORDER

Mr. Charette: "My point of order is that Mr. Curtis is violating the rules. I am neither ignorant nor a con man. I think he knows that, and I don't think it is proper for him to make that statement."

The Speaker: "I hope the members will restrain themselves and speak within the confines of the rules."

Mr. Beck demanded the previous question.

RULING BY THE SPEAKER

The Speaker: "Mr. Beck, your motion is out of order at this time. Continue, Mr. Curtis."

Mr. Curtis concluded his remarks in favor of the amendment by Mr. Barden to the amendment by Mr. Charette, and Mr. O'Brien spoke against it.

POINT OF ORDER

Mr. Swayze: "Representative O'Brien is speaking to later sections in this particular floor amendment by Representative Charette. We have plenty of amendments to those, too, but we are not there yet."

The Speaker: "I'm sorry, Mr. O'Brien. I didn't follow your last remarks that closely, but if you will please confine your remarks as closely as possible to the amendment before us. I realize that this amendment, being so broad in its scope, and affecting practically the whole concept of the bill, probably opens up a great deal; however, we are talking now about the time limitations."

Mr. O'Brien concluded his remarks.

Mr. Chatalas spoke against adoption of the amendment by Mr. Barden to the amendment by Mr. Charette to Engrossed Senate Concurrent Resolution No. 125.

The Speaker: "I think, Representative Chatalas, we should confine our remarks to the amendment. The amendment is with regard to sign die adjournment on April 8. Please confine your remarks to that as closely as possible. Representative Barden, for what purpose do you rise?"

Mr. Barden: "To point out the obvious inaccuracy of Representative Chatalas' remarks."

The Speaker: "Representative Barden, you will have to be recognized after Mr. Chatalas has finished his remarks."

Mr. Chatalas continued his remarks.

The Speaker: "Representative Chatalas, I would like to direct your attention to the amendment. It would strike the language after line 27."

Mr. Chatalas continued speaking.

POINT OF ORDER

Mr. Pardini: "Representative Chatalas continues to override the rule of the Chair and he should get back to the subject. I think the Chair should gavel him down."

The Speaker: "Well, my problem, Representative Pardini is that Representative Barden did open originally a broader scope than the amendment. I wish, Representative Chatalas, that we would narrow our discussion. I think that we have gone far enough afield--if we would narrow our discussion back to the subject matter before us and forget these committee junkets, etc., and get down to the matter before us."

Mr. Chatalas continued speaking.

The Speaker: "Representative Chatalas, please, we are delaying the process of the House."

The Speaker recognized Mr. Hansey.

Mr. Hansey demanded an electric roll call, and the demand was sustained.

PARLIAMENTARY INQUIRY

Mr. Barden: "Mr. Speaker, do you think it would be appropriate for a legislator, when committee meetings are being held in his district, and if he is not a member of those committees, but he comes and attends the meetings without pay, (not serving as a member of the committee but as a member of the audience) would that in any way affect

the outcome or the validity of the amendment?"

The Speaker: "I would hope not, Representative Barden."

POINT OF INQUIRY

Mr. Chatalas: "Mr. Barden just mentioned those meetings in his own district, but how about Centralia?"

RULING BY THE SPEAKER

The Speaker: "The Speaker wishes to have a full and free debate on this matter, but I think that every member is starting to abuse this privilege. The Speaker will now refuse to recognize, or will cut off any further debate so violently and obviously beyond the scope of the amendment. I regret taking this position, but I think that is my duty as parliamentary officer, to make this matter move, and I will do so if I have to. So you may proceed with your remarks, Mr. Barden. If you have a point of personal privilege, you may raise that at this time. If not, please go back and speak on the amendment."

Mr. Barden spoke in favor of his amendment to the amendment by Mr. Charette.

The Speaker: "Mr. Barden, please confine your remarks to the time schedule. We have allowed you to go fairly far afield. You are talking about the entire document now."

Mr. Barden concluded his remarks.

Representatives Morrison and Pardini spoke in favor of the amendment to the amendment, and Mr. Perry spoke against it.

Mr. Swayze spoke again in favor of the amendment by Mr. Barden to the amendment by Mr. Charette, and Mr. Perry spoke again in opposition to it.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Barden to the amendment by Mr. Charette to Engrossed Senate Concurrent Resolution No. 125, and the amendment to the amendment was lost by the following vote: Yeas, 39; nays, 58; not voting, 1.

Voting yea: Representatives Amen, Barden, Benitz, Berentson, Bluechel, Brown, Cunningham, Curtis, Eikenberry, Flanagan, Freeman, Garrett, Gilleland, Hansey, Hendricks, Hoggins, Juelling, Julin, Kopet, Kraabel, Kuehnle, Leckenby, Matthews, Morrison, Nelson, Newhouse, North L., Pardini, Paris, Patterson, Polk, Pullen, Rabel, Schumaker, Smythe, Swayze, Tilly, Wilson, Zimmerman.

Voting nay: Representatives Adams, Anderson, Bagnariol, Bauer, Bausch, Beck, Bender, Blair, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Douthwaite, Ehlers, Ellis, Eng, Erickson, Fortson, Gaines, Gallagher,

Gaspard, Goltz, Hansen, Haussler, Hurley, Jastad, Johnson, Kalich, Kelley, Kilbury, King, Knowles, Laughlin, Luders, Lysen, Martinis, Maxie, May, McCormick, Moon, North F., O'Brien, Parker, Perry, Randall, Savage, Shinpoch, Smith, Sommers, Thompson, Valle, Van Dyk, Warnke, Williams, Wojahn, and Mr. Speaker.

Not voting: Representative Hayner.

Mr. Swayze moved adoption of the following amendment to the amendment by Mr. Charette:

On page 2, line 13 insert the following:

"No elective official nor any legislative employee may use or authorize the use of any of the facilities of his public office, directly or indirectly, for the purpose of assisting his campaign for reelection to the office he holds, or for election for any other office, or for election of any other person to any office. Facilities of public office include, but are not limited to, use of stationery, postage, machines and equipment, use of employees of the office, vehicles, office space, publications of the office, and clientele lists of persons served by the office."

Mr. Swayze spoke in favor of the amendment to the amendment, and Mr. Charette spoke against it.

Mr. Curtis demanded an electric roll call and the demand was sustained.

Mr. Swayze spoke again in favor of his amendment to the amendment.

RULING BY THE SPEAKER

The Speaker: "Mr. Swayze, if you will speak to your amendment--we are talking about whether or not these people shall be allowed to participate in political campaigns--not their qualifications or how they are selected."

Mr. Swayze continued his remarks.

The Speaker: "Mr. Swayze, may I remind you the Speaker has just asked you to speak to the amendment, and I am insisting on it. We are going to talk about whether these people should be engaged in political activity. That is the amendment and that is what debate will be addressed to."

Mr. Swayze: "What else was I talking about?"

The Speaker: "You were talking about the employment and the professional status of these people, and your amendment does not pertain to that in any degree."

Mr. Swayze: "It most certainly does."

The Speaker: "The Speaker is of the opinion that it doesn't."

Mr. Swayze concluded his remarks.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Swayze to the amendment by Mr. Charette to Engrossed Senate Concurrent Resolution No. 125, and the amendment to the amendment was lost by the following vote: Yeas, 40; nays 57; not voting, 1.

Not voting: Representative Hayner.

Mr. Julin moved adoption of the following amendment to the amendment by Mr. Charette to Engrossed Senate Concurrent Resolution No. 125:

On page 2, line 12 of Representative Charette's amendment to Engrossed Senate Concurrent Resolution No. 125 after "legislature." insert the following:

"Rule 8. The presiding officer of each house shall appoint on such conference committee three members, selecting them so as to represent, in each case, the attitude of the majority and minority upon the differences between the houses; PROVIDED, That all meetings of conference committees shall be open to the public."

Representatives Julin, Curtis and Swayze spoke in favor of the amendment to the amendment, and Representative Charette spoke against it.

Mr. Pardini demanded an electric roll call and the demand was sustained.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Julin to the amendment by Mr. Charette to Engrossed Senate Concurrent Resolution No. 125, and the amendment to the amendment was lost by the following vote: Yeas, 43; nays, 54; not voting, 1.

Voting yea: Representatives Amen, Barden, Benitz, Berentson, Blair, Bluechel, Brown, Charnley, Cunningham, Curtis, Douthwaite, Eikenberry, Eng, Flanagan, Freeman, Garrett, Gilleland, Goltz, Hansey, Hendricks, Hoggins, Jueling, Julin, Kopet, Kraabel, Leckenby, Matthews, Morrison, Nelson, Newhouse, North L., Pardini, Paris, Patterson, Polk, Pullen, Rabel, Schumaker, Smythe, Swayze,

Not voting: Representative Hayner.

The Speaker called on Mr. O'Brien to preside.

Mr. Kopet moved adoption of the following amendment by Representatives Kopet, Curtis and Morrison:

On page 3, rule 19, line 20 of the amendment by Mr. Charette, after "than" and before "members" strike "eight" and insert "sixteen"

Mr. Kopet spoke in favor of the amendment to the amendment, and Mr. Thompson spoke against it.

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Kopet.

Mr. Kopet: "I see that this budget information committee is to conduct performance audits. My feeling was that this is the power vested in the legislative budget committee at the present time. How do you feel that this new committee will approach that problem?"

Mr. Thompson: "In that respect, in the same way. The staff, of course, are the individuals that will conduct the audit. They will report to their administrators, and that information will be made available to all legislators, and chiefly the members of the Ways and Means Committee."

Mr. Julin spoke in favor of the amendment to the amendment, and Mr. Charette spoke against it.

Mr. Julin spoke again in favor of the amendment to the amendment, and Mr. Charette spoke again in opposition to it.

POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "I didn't intend to get in the middle of this argument, but I am still confused. Is it the intent, Representative Charette, that the other four members who are not enumerated here should be legislators? That provision is not clear. They could be employees or almost anyone else, just so they fit the qualifications of two of them being Democrats and two being Republicans."

Mr. Charette: "Yes, it says eight members, and I don't see that we will have any different problem than we have had before. We appoint our committees. We do have some difference of opinion, and at the beginning of the regular session I think almost all of it worked out. We changed numbers on the committees. As a majority we certainly didn't say that they are going to be all Democrats on one committee. We proportionately set the numbers of the committees. To me, Representative Kuehnle, this, quite frankly, is a concession we made, and this comes from some questions that were asked by both Republicans and Democrats in the Senate."

Mr. Kuehnle: "The wording says, 'The members shall include...' but this means members of the committee, and by its own construction would not necessarily confine it to members of the legislature. It seems that perhaps clarification might be necessary. In the event that we don't amend it to clarify it, perhaps this will suffice. But your intent is that the other four members should be members of the legislature? And could you point out, Mr. Charette, how you would envision the selection of the other four members would be made?"

Mr. Charette: "I can state unequivocally that they will be members of the legislature."

SENATE AMENDMENTS TO HOUSE BILL

March 23, 1973

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 782 with the following amendments:

On page 2, section 1, line 3 of both the engrossed and printed bills, after "resale." insert "It does not

include sales demonstration equipment and materials, furnished at cost for use in making sales and not for resale."

On page 4, section 3, line 16 of the engrossed bill, being line 18 of the printed bill, after "value" and before the period insert ":(g) amounts paid in connection with a trading stamp promotion subject to the provisions of chapter 19.84 RCW by a person issuing trading stamps in connection with the retail sale of merchandise or services" and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

Mr. Charette moved that the House concur in the Senate amendments to Engrossed House Bill No. 782.

REQUEST FOR DIVISION OF QUESTION

At the request of Representative Curtis, the question was divided.

On motion of Mr. Charette, the House concurred in the Senate amendment to page 2, section 1, line 3.

Mr. Charette moved that the House concur in the Senate amendment to page 4, section 3, line 16.

POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Charnley.

Mr. Charnley: "Representative Charette, I wonder if you could assure me that this amendment would in no way open up this state to trading stamp promotions, which we have not had thus far, and I believe to be contrary to the consumers and business in this state?"

Mr. Charette: "Mr. Charnley, in answer to your question, I had a letter from the Attorney General, stating to me that it would not open up the promotion of trading stamps to allow them to go further than the law now allows them to go. Because I was not satisfied with that letter from the Attorney General, (I thought it was equivocal) I requested a second letter. I have a letter from the Attorney General's office which I intend to insert in the record, stating that this will not change the law as it now exists in the state of Washington concerning trading stamps."

Mr. Charnley: "Thank you very much. I would then have no personal objection to this amendment."

Representatives Curtis and Ceccarelli spoke against concurrence in the Senate amendment, and Representative Charette spoke in favor of it.

Mr. Curtis spoke again in opposition to the amendment.

The motion by Mr. Charette to concur in the Senate amendment to page 4, section 3, line 16 was lost on a rising vote.

The Speaker stated that, the motion by Mr. Charette, having failed, the House refused to concur in the second Senate amendment to Engrossed House Bill No. 782 and asked the Senate to recede therefrom.

MESSAGE FROM THE ATTORNEY GENERAL

Office of the Attorney General
March 26, 1973

Re: HB 782 (Chain Distributorship)

Dear Representative Charette:

I understand questions have been raised concerning the Senate floor amendment to this bill which amendment concerns trading stamp promotions.

As you know, HB 782 is a simple bill that does not directly change the existing substantive law in the area of chain distributorships, but is a vital element in its enforcement. It removes the present language, prohibiting these inherently unfair and deceptive schemes, from the Franchise Act and enacts the same language as a separate chapter of RCW. This will remove a potentially serious loophole since some chain distributorships apparently can operate without technically being covered within the definition of "franchise," but with the evil remaining. The basic bill also adds a standard definition of the term "investment" for clarification purposes.

There were two floor amendments to this bill in the Senate. The first by Senator Whetzel puts back into the bill some of the language taken out by the House Commerce Committee amendment on page 2, beginning on line 3. By solving a problem the Securities Division foresaw, we went too far and threatened to prohibit relatively legitimate enterprises such as Tupper and Amway. The Senate floor amendment enjoys the rather unusual feature of solving that problem without recreating the original problem that led to the House Committee amendment. For that reason I believe this first Senate amendment is entirely noncontroversial.

The second Senate floor amendment by Senators Mardesich and Whetzel quite narrowly clarifies that trading stamp promotions, as they presently exist within Washington law, are not subject to the Franchise Act. This amendment contains tighter and, I think, preferable language to that of SB 2608 on the same subject, but replaces the need for that bill.

Since both HB 782 and SB 2608 amend the same section of the Franchise Act, there was a need to get them conformed somehow.

Of the 13 states with franchise laws remotely comparable to Washington's, none take the position at this time that trading stamp promotions are covered by such legislation. This has likewise been our position here. The language of this particular Senate floor amendment is taken precisely from the current Wisconsin and California Franchise Acts, two of the strongest states in this area along with Washington.

Slade remains strong in his position that to open up

this state to trading stamp promotions would be contrary to the interest of both consumers and business. It is our feeling, however, that the Franchise Act does not now protect the public interest in this regard, and that that particular battle is best fought in the context of our two existing trading stamp laws themselves. At any rate, trading stamp promotions probably are not "franchises" under our present laws, with or without this particular amendment.

For the above reasons we would urge the members of the House of Representatives to concur with these two rather minor Senate floor amendments so that the important purposes of HB 782 can be fulfilled.

Very truly yours,
FOR THE ATTORNEY GENERAL
William H. Clarke,
Assistant Attorney General.

STATEMENT FOR THE JOURNAL

I wish to have it recorded in the Journal that on March 29, 1973, my "Yea" vote was incorrectly recorded as a "Nay" vote on final passage of Engrossed Senate Bill No. 2525 due to machine failure.

In support of the above statement, I would like it noted that three days previously, on March 26, 1973, I voted "yea" on House Bill No. 722 which is the identical House bill. Machine error had been noted on the first final vote on Senate Bill No. 2525 and thus a second electric roll call was required.

JERRY C. KOPET, 6th District.

All I can do is wish you an awful lot of luck, and I'm glad it's you and not me. We have had an opportunity to come back here to the state of Washington to see some people in Seattle, to see some people back at Boeing's who contributed so very much to making our thirteen days as successful as it was. We want to thank you ladies and gentlemen for inviting us here to the state capitol, because indeed it is very sincerely an honor and a privilege to be able to talk to the people of the state. You have a very beautiful state,

I might add, and one I would like to learn more about.

"Our primary purpose in touring around the country since our flight is to give people a feeling of identity with what we believe are their accomplishments, not ours. In going back and talking to the people who did so much work on the Saturn 5 booster that took us to the moon and who did so much work on our lunar rover, our dune buggy, we had the opportunity of sharing with them our experiences and reminding them, if you will, that there is a great deal to be proud of today, in being an American.

"We have heard many words about the accomplishments of the space program and the accomplishments of Apollo 17. We have heard words such as the 'legacy of the men of Apollo,' or the 'legacy of the people of Apollo.' It may be that, and it is a very proud legacy, but it is a legacy that I firmly believe belongs to a nation. And it is a legacy that I like to think of somewhat differently than you might have heard before, because I consider it a legacy of pride. Pride when an American a few years ago was the first man of the human race we call Mankind to set foot on another planet. An American who, in answer to the shocked and astonished world, during the events of Sputnik, gained more pride and more respect and more friends for this nation of ours by that one single step than any other event, certainly in my lifetime, and perhaps in the entire history of our nation.

"I look at it as a legacy of spirit. Spirit when that same American, Neil Armstrong, planted the American flag in the surface of the moon--not as a conquest, not as a colonial influence in terms of claiming a portion of real estate out in space for our country--but I look at that one, almost simple, effort of putting our flag on the surface of the moon as a symbol of the dedication and the courage and the effort and the self-sacrifice and the ambition of the 200 million people who really made that event possible. This is so very important because it is the same courage and the same self-sacrificing and the same dedication by so many people who have preceded us, that for 200 years have made this country the greatest nation that the world has ever seen.

"I consider the legacy of Apollo, the legacy of what I call emotion. Because although it has been called the greatest technological endeavor in the history of man, and this may very well be, I think of it, because of the human aspect of it, probably as the greatest human endeavor that mankind has ever seen. For the first time we have been able not to just dream and create in our minds what our world might look like from afar (from a quarter of a million miles away), but for the first time we have sent man out there--we have sent a human being.

"We were able to look back at our earth and see it as beautiful as it really is and see the roundness and the fulfillment of that earth. We were able to look from the snow-capped North Pole to the snow-topped mountains of the south. You can look across continents. You can look from shoreline to shoreline and from ocean to ocean, and as you watch the colors of the ocean change, you can see nighttime progress--literally progress across our world as it turns. And you look, for the strings that hold our world up, because there must be something.

"You look that far away from earth and see the blackest black man can ever create in his mind, and that is something I call the infinity of time and the infinity of space. I don't really understand what that is, or what it means, but I know it exists. The most important thing I can bring back to you from that legacy of emotion is that when I think back at the beauty and think back at the logic, and I look at the purposeness at which our earth moves deliberately through the infinity of time and the infinity of space--not tumbling, not moving aimlessly--I just really affirm my convictions that it is all too beautiful to have happened by accident. That there is Somebody bigger than you, and bigger than me--regardless of how we individually decide to worship Him that put it all together--that it did not happen by accident. When you look back and consider the human being, and the miracle of its creation here on earth, you know that we have endless bounds of opportunity, certainly here on this earth, and in this nation, and also throughout our universe if we so desire to use the spirit and soul and curiosity for knowledge that God gave us.

"I look at Apollo as a legacy of responsibility. Responsibility as we look back at that earth to utilize the technology and the influence that we have learned in our travels to the moon, to preserve this earth, to make it a better place for you and for me and our children to live--so that we, as mankind, may take our place in this everlasting universe.

"I look at it as a legacy of challenge that we have toward the young people in this nation and throughout the world, but particularly in this country of ours; to remind them of their heritage--the traditions under which this country was formed and achieved greatness; to give them the stimulus and the pride toward this country that it so very righteously deserves; to remind them that freedom and opportunity had to be earned--it never was given to anybody.

"I look at the legacy of Apollo in terms of a legacy of responsibility. One that requires us to pursue some sort of peaceful cooperation with countries throughout the world. And now we have that opportunity, through a common goal of space--a common adventure and a common challenge that is there for all men. We have the opportunity to learn to communicate and talk with one's great adversaries. If we don't take advantage of that opportunity today, it may never come again.

"I think there is one other legacy of Apollo, that I am reminded of from time to time, and that is the legacy of challenge. When in a decade, in the past 10 or 12 years, this nation was torn apart by civil strife, social problems, and involved in a very unpopular war, no matter what your feelings were. It was a period in our history when we could have turned in upon ourselves, turned our backs on the future, turned our backs on challenge, felt sorry for ourselves, and perhaps might have begun the decay and the dying that happens to all men and to all nations when you take away from them goals--when you take away from them frontiers. All men and all nations need something that is difficult to achieve. Everybody needs something to stand on his tiptoes for--that is hard to reach, that is

hard to attain. We three, the three of us standing here, went to the moon, but believe me (and I think this is probably the most important thought I can leave with you) we did not do it alone. We had a lot of help, from a lot of people with a great heritage and a great history. We stood on the shoulders of giants--the giants of a nation--shoulders that have been nurtured and grown to near maturity. We have now led the way in teaching this entire world of ours to reach just a little bit further than our grasp--reaching with perhaps the opportunity to learn something about our past, and most certainly something about our future. And how far we can reach, ladies and gentlemen, is limited simply by the complacency of man himself. And what we can attain and what the significance of the legacy I have referred to--the legacies of Apollo--really mean to the nation, and thus to the entire world, is simply up to us. I guess only history really can judge whether or not we have allowed the true legacy of Apollo, the true spirit of Apollo, to become a reality, and that we truly did come with peace and in hope for all mankind. I am very proud to have played a part, very proud to have represented you ladies and gentlemen and young people--you as Americans--in doing something that I believe can do nothing but ultimately make our lives and our nation greater and this world a far better place for all of us to live. I thank you very much."

(Applause)

"Thank you. Washington has sort of become a second home to me, or at least I hope it will, because my only sister now lives up north of Bremerton, so I hope I will have the opportunity of paying many return visits to this part of the country.

"I would like to introduce the second member of our team--one of my other two colleagues of whom I am very proud. Because of time I can't tell too many stories on him, but I'm going to tell one quick one. He likes to sleep. He has a hard time getting up in the mornings--he always has, all his life. We were concerned about that particular problem in space--you can't afford to have a guy sleeping on the job, particularly when you are going a quarter of a million miles and you are worried about a half second. We were concerned about it and asked his wife, Jan, before the flight--'You must have a problem, but Ron seems to get to work on time. How do you solve the problem?' She seemed very unconcerned. She said, 'Well, that's easy, I just give him a kiss in the morning.' After 21 days in quarantine before the flight, and 13 days going to and from the moon, I want to report to you now that Ron Evans is still a virgin.

"Very fondly and very proudly, in association with the naming of our space craft, America, because it was our way of paying tribute to the people of this nation, because of the way he piloted America--Ron Evans, Captain America."

Captain Ronald E. Evans, Apollo 17 command module pilot, described the take-off and the flight of Apollo 17 and told of some of his experiences, including:

Captain Evans: "Eleven minutes and thirteen seconds into the flight you are going 18,000 miles per hour, and you are floating around the earth. What a delightful

feeling. It is really great. Of course, while you are up there you have to eat. I dearly love to eat up there--that's a lot of fun, too. The food is packaged in little plastic bags and it's freeze-dried, or dehydrated, and has to be reconstituted. So you have to squirt some water into it, and you squish it around and you end up with a bowl of potato soup, or tomato soup, or pudding, and very carefully you hold your bowl of soup here, but it's still in the plastic bag, so you have to take the scissors, you open the top and there's your bowl of soup. Then you reach around and find your spoon. Just a plain old tablespoon, you dip the tablespoon down in the soup--hold it straight and narrow and reach up and take a bite. After about a day and a half I decided 'wait a minute--in zero gravity it doesn't make any difference. There isn't any up or any down.' One of the delightful things is to take your soup, turn it upside down, reach around with your spoon, and just let it float in your mouth. But the one thing you can't do is take a drink of water out of a glass. If you put water in a glass it sticks to the side of the glass and if you try to take a drink, then it sticks to your nose.

"I would like to introduce the third member of our crew, Jack Schmitt. As you all know, he found some orange soil on the lunar surface. Now what he doesn't know is that I had a little bit of Tang left over, and I dumped it out every time we went over the landing site. Seriously, Jack is our geologist. He is a scientist--he is Harrison H. Schmitt, PhD. But I'll tell you, he ran the right side of the lunar module, and he ran the right side of our command module, America. I want to introduce him now as Astronaut Jack Schmitt."

Lunar Module Pilot Schmitt: "Thank you very much. I have to pause for a drink of water once in awhile. I hope you will forgive me. It's the great Washington state water, or should I say the great Olympia water. But also it's a sinus problem I picked up in Arizona. I hope you don't walk on Mr. Moon as much as we walked on the moon. (I don't know whether he needed that or not.) I'd like to propose some legislation that has to do with parking out front.

"More seriously, I probably should talk to you about the geology of the moon, but I think I will forego that and maybe send you a paper or two I hope to write. I think it is more important to pause and reflect on the history of Apollo--not only the history of science, and of man, that has been made in the last decade, but also maybe what the history of the future holds for us."

Dr. Schmitt discussed the opportunities of the future, and stated:

"There are now new resources in the broadest sense of that word, which have never been available to mankind for research, for manufacturing, and possibly, most importantly, for service to our fellow man. The question before the nation as I see it is whether or not we, of this generation, will continue to develop our technological capability to use these new resources--first in nearer space, and eventually among the planets.

"I also hope that we all, as leaders of states and

of the nation, have the compassion and wisdom to survive the present, and the imagination and wisdom to see the future. Thank you very much."

Command Module Pilot Evans: "We are pleased and proud to present this photograph to the House of Representatives, and if I may read the inscription: 'To the Washington State House of Representatives, the Honorable Leonard A. Sawyer, Speaker. Our sincere appreciation to you individually and collectively for the faith and support you gave to America's space program. May it usher in an era of peace and progress for all mankind. With all personal best wishes from the crew of Apollo 17.'"

Lunar Module Pilot Schmitt: "The mission of Apollo 17 is represented in this picture of our launch from Cape Kennedy. This is the capsule--of course, it's 360 feet high, but it's a capsule. We would like to present this to the Washington State Senate and in lieu of the Lieutenant Governor, I would like to have the President Pro Tempore Mr. Henry, accept this. It reads: 'The work you accomplish here is the hope of today, which becomes the reality of tomorrow. With sincere personal best wishes and appreciation for your continued support of America's space program. The Crew of Apollo 17.'"

The Speaker of the House: "Gentlemen, on behalf of the House of Representatives, I am very pleased indeed to receive this. We will hang it in an appropriate place in the Speaker's office where it can be seen by everyone. We are very, very pleased, and I think that you do represent the hope of tomorrow. We are certainly glad to have you on board with us today. Thank you very much for all you have contributed to our country."

President Pro Tempore Henry: "I am sure all of you in the space program are familiar with the term 'back-up man.' And as the back-up man for Lieutenant Governor Cherburg, it is my pleasure to accept this for the Senate and the people of the state of Washington. You gentlemen made it all sound so very easy. In fact it sounds much easier than arriving at an agreement on a budget or a cut-off date for the legislature. I will say this: If I could only take the time to recount the individual accomplishments of these three gentlemen, their deeds are legend. My fellow Jayhawker here from Kansas, Captain Evans, went from 7 months combat duty in Viet Nam as a Navy combat pilot directly into the space program. There are just lots of things I could tell you about these three--but the one thing I really can't understand is how you could sleep. It must have been a very weird feeling, to know you are sitting on top of a tremendous piece of machinery, made of millions of component parts--all furnished by the lowest bidder."

Captain Evans: "But some of those low bidders were from Washington state."

President Pro Tem Henry: "That makes it all very well. Would the honor guard please come forward and escort

our guests from the Chamber, with our heart-felt thanks for being here, and our thanks for making it back safely."

The committee escorted the Crew of Apollo 17 from the rostrum.

The Clerk read the following amendment by Representatives Garrett and Ceccarelli to Senate Bill No. 2268:

On page 4, section 4, line 15 after "of" strike "twenty-five" and insert "fifty"

PARLIAMENTARY INQUIRY

Mr. Garrett: "I was under the impression that the second amendment by Representatives Kuehnle and Ceccarelli came before mine."

The Speaker (Mr. O'Brien presiding): "Mr. Kuehnle's amendment strikes the material that your amendment proposes to amend, so rather than presenting Mr. Kuehnle's amendment first, we are going to present yours."

Mr. Garrett moved adoption of the amendment.

POINT OF INQUIRY

Mr. Charnley yielded to question by Mr. Garrett.

Mr. Garrett: "Mr. Charnley, you and I have had some conversations with Tim Burke of the Legislative Council. In discussing my amendment, we also discussed the federal act. In the federal act, I believe that there is a provision in the administrative procedure to exempt any development of under 300 lots. I would like to ask you the question: What does that do, if anything, to this act?"

Mr. Charnley: "It is my understanding, Mr. Garrett, that what that does is exclude from the federal statute (and I should add for the membership's information, that this administrative procedure excludes developments of lots where the sales are substantively confined within one state with no advertising outside the state) so this, in a sense, then excludes any development up to 300 lots, the sales of which are confined within one state."

Mr. Garrett: "Yes, but it does not have any direct effect on this state act?"

Mr. Charnley: "No, the state act would fill, I feel, the void from 300 down to, as presently written, 25 lots. Any development between 25 and 300, then, would be covered."

Representatives Garrett, Ceccarelli and Kuehnle spoke in favor of adoption of the amendment, and Representatives Charnley, Moon and Douthwaite spoke against it.

The amendment by Representatives Garrett and Ceccarelli was lost on a rising vote.

Mr. Kuehnle moved adoption of the following amendment by Representatives Kuehnle and Ceccarelli to Senate Bill No. 2268:

On page 4, section 4, line 15 after "director" strike the remainder of the section and insert "shall waive the provisions of this act for any development where he determines in respect of such development that (1) the plan of promotion and disposition of the lots, parcels, units or interests within the development is directed primarily to persons residing in the local community in which the development is situated; and (2) the local government having jurisdiction over the development insofar as planning, zoning and subdivision requirements are concerned, has adopted and adequately enforces ordinances containing land use restrictions which are adequate to protect purchasers of any lot, parcel, unit or interest in the development. The director shall adopt rules and regulations specifying in detail what is required to be contained in local ordinances before such ordinances shall be considered adequate to protect purchasers under this section."

Representatives Kuehnle and Leckenby spoke in favor of adoption of the amendment, and Mr. Thompson spoke against it.

The amendment by Representatives Kuehnle and Ceccarelli was lost on a rising vote.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Senate Bill No. 2268 was placed on final passage.

Mr. Charnley spoke in favor of the bill.

Voting nay: Representatives Garrett, Kuehnle, Schumaker.

Senate Bill No. 2268, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

The Speaker (Mr. O'Brien presiding) declared the House to be at ease.

The Speaker (Mr. O'Brien presiding) called the House to order.

POINT OF INQUIRY

Mr. Bluechel yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. Bluechel, as you have described this, this is a major step in the area of land use planning. I have read the bill once, but not twice because of the size of it. The land use planning commission loses its statutory authority at the end of this year. We are delaying the implementation of this bill for two years so we can get some reaction to it. Is there anything in this bill that allows one person, one place, to receive complaints or suggestions during this two-year period? Is there some central place that they can be registered, so changes can be made in a later session before it becomes effective?"

Mr. Bluechel: "Representative Pardini, to answer your question: No, there is nothing in this particular bill to do that particular job; however, it is anticipated that if the bill passes, one of two steps would be taken.

One would be to put a section in the planning and community affairs agency, which worked very closely in the development of the bill to take care of this type of situation. The other would be to propose an addition to the supplemental budget, with a limited one or two-man staff, which would be specifically authorized to deal with the matters you are talking about. That is a very important point. That step is not in the bill because it doesn't belong in the bill. If the bill passes, we will be faced with one of those two alternatives."

Mr. Pardini: "Is there a strong probability that such a provision could be included in this bill when it goes to the Senate--within this bill? Would you object to my working toward that end?"

Mr. Bluechel: "No, I would not."

Representatives Williams, Berentson, Charnley and Zimmerman spoke in favor of the bill, and Representative Cunningham spoke against it.

On page 1, following line 23 add a new section as follows:

"Sec. 2. Section 46.16.310, chapter 12, Laws of 1961 as amended by section 1, chapter 114, Laws of 1971 ex. sess., and RCW 46.16.310 are each amended to read as follows:

In addition to paying all other initial fees required by law, each applicant shall pay a fee of twenty-five dollars, which fee shall entitle him to one permanent license plate valid for the life of the vehicle; PROVIDED, That nothing in this section shall be construed as permitting the use of a vehicle bearing such license plates for personal transportation unless the vehicle shall also display a tag or emblem issued by the director pursuant to RCW 46.16.230 reflect that the vehicle is currently licensed.

The registration numbers and special license plates assigned to such motor vehicles shall run in a separate numerical series, commencing with "Horseless Carriage No. 1." The plates shall be of a distinguishing color.

In the event of defacement, loss or destruction of such special plate, the owner shall apply for a replacement plate in the same manner as prescribed by law for the

replacement of regular plates.

All fees collected under this section shall be deposited in the state treasury and credited to the motor vehicle fund."

Mr. Kelley spoke in favor of the amendment.

HOUSE BILL NO. 597, by Representatives Thompson, Zimmerman and Laughlin:

Regulating public water supply systems.

MOTION

On motion of Mr. Adams, Substitute House Bill No. 597 was substituted for House Bill No. 597, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 597 was read the second time.

Mr. Zimmerman moved adoption of the following amendment by Representatives Zimmerman and Thompson:

On page 3, section 5, line 15 after "health" insert ", safety or well-being"

Mr. Zimmerman spoke in favor of the amendment.

MOTION

Mr. Newhouse moved that the House defer further consideration of Substitute House Bill No. 597, and the bill be placed at the bottom of today's second reading calendar.

The motion was lost.

The amendment by Representatives Zimmerman and Thompson was adopted.

On motion of Mr. Zimmerman, the following amendment was adopted:

On page 4, line 33, insert a new section:

NEW SECTION. Sec. 8. Industrial water supply systems which do not supply water for residential domestic use and are under the jurisdictional requirements of the William-Steiger Occupational Safety Act of 1970 are excluded from the requirements of this chapter."

Re-number the remaining sections consecutively.

Mr. Newhouse moved adoption of the following amendment:

On page 2, section 3, line 13 strike "serving one single family residence" and insert "serving less than five single family residences"

Representative Newhouse spoke in favor of the amendment, and Representatives Zimmerman and Thompson spoke against it.

Mr. Newhouse spoke again in favor of the amendment, and Mr. Savage spoke against it.

POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Tilly.

Mr. Tilly: "Representative Zimmerman, maybe you could explain the legislative intent on line 13, page 2, as it would affect farm families."

Mr. Zimmerman: "The intent is to have good drinking water wherever we can in the state. As far as single family residences there would be logic that the individual farmer would have the choice. It would be a one-man decision as to the quality of his drinking water and of course logically, he would want to have good drinking water for that particular family. That was the reason. You get down to that point and that is about as close as you want to get to interfering. Beyond that, obviously anything beyond your family is of some public concern in terms of the health of the individual."

Representatives Berentson, Morrison and Hansey spoke in favor of the amendment by Mr. Newhouse to Substitute House Bill No. 597, and Representatives Charnley and Perry spoke against it.

Mr. Thompson spoke again in opposition to the amendment.

POINT OF INQUIRY

Mr. Julin yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. Julin, most of the arguments centering around Mr. Newhouse's amendment concern themselves with the inspection of the water system and they are trying to get all water systems inspected. The act says that it shall provide for periodic inspections. Could you tell me what 'periodic inspection' is?"

Mr. Julin: "It could be daily, weekly, monthly--take your pick--biennially, or any period of time you want to pick."

Representatives Pardini, Van Dyk and Blair spoke in favor of adoption of the amendment by Mr. Newhouse.

POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Hansen.

Mr. Hansen: "In section 4, where it discusses the state fire marshall--if you take the family farm water system that has three or four family units, could he come in and demand a water system installed that would produce pressure and water supply enough to fight a structure fire?"

Mr. Zimmerman: "Representative Hansen, in response to your question, on lines 26 through 31, it would indicate that it 'shall not be required in rural areas where fire control services are not dependent on the public water supply system for a continuous supply of five hundred gallons or more per minute.' In other words, the fire marshall will not be requiring it in the area where there is a tank truck that can do the job."

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Morrison.

Mr. Morrison: "Representative Thompson, reading through this, there is relatively broad authority given to the secretary to guarantee the quality of water under this act. Is it possible under this act that the secretary could require the flouridation of all water supply?"

Mr. Thompson: "No."

Mr. Morrison: "How about the chlorination of all water supply, or the addition of chemicals on a statewide basis?"

Mr. Thompson: "That would have to be viewed as possible."

Mr. Morrison spoke again in favor of the amendment.

Mr. Kraabel spoke in favor of the amendment by Mr. Newhouse.

Mr. Berentson moved adoption of the following amendment to the amendment by Mr. Newhouse:

On the last line of the Newhouse amendment after "residences" insert "or any existing system that is limited to supply because of geographical location, such as an island."

Representatives Berentson and Thompson spoke in favor of the amendment to the amendment.

The amendment by Mr. Berentson to the amendment was adopted.

The amendment by Mr. Newhouse as amended by Mr. Berentson was adopted on a rising vote.

Substitute House Bill No. 597 was ordered engrossed.

ROLL CALL

HOUSE BILL NO. 785, by Representatives Conner, Brown, Bausch, Douthwaite, Chatalas and Wojahn:

Increasing the minimum wage.

Committee on Labor recommendation: Majority, do pass as amended. (For amendment see Journal for ninth day, ex. sess., March 17, 1973.)

The bill was read the second time.

Mr. Savage moved adoption of the committee amendment.

Mr. Juelling moved adoption of the following amendment to the committee amendment:

On line 10 of the amendment, after "hour" and before the period insert "PROVIDED, FURTHER, That for the purposes of this section, wages shall include, in addition to cash remuneration by the employer, all other income derived by an employee from the same employment which is required to be reported for federal income tax purposes"

Mr. Juelling spoke in favor of the amendment.

Mr. Conner demanded an electric roll call and the demand was sustained.

Representatives King, Savage and May spoke against adoption of the amendment to the committee amendment.

POINT OF INQUIRY

Mr. King yielded to question by Mr. Parker.

Mr. Parker: "Representative King, as I read this amendment now, at the present time the minimum wage is \$1.60. People involved in the restaurant industry, especially waitresses who receive tips, might conceivably end up making less money than they are making now if the employer decided he didn't want to pay them any minimum wage if their tips exceeded \$1.80 an hour. Is that correct?"

Mr. King: "This could be true for many people in the industry. The effect of passage of this amendment could be reduction of the income of people who are generally at the lower end of the income now."

Representatives Juelling and Pardini spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Juelling yielded to question by Mr. Smythe.

Mr. Smythe: "I missed part of the debate, I'm sorry, but as I read this, does this apply only to those making the minimum wage and not to those earning above it?"

Mr. Juelling: "This applies to the people who are making the minimum wage. In other words, if you are making \$1.65 an hour that is still the base. If the base goes up to \$1.80 an hour, that is still the base, but it would make the tips that you earn part of the minimum wage."

Mr. Smythe spoke against adoption of the amendment.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Juelsing to the committee amendment to House Bill No. 785, and the amendment to the amendment was lost by the following vote: Yeas, 12; nays, 81; not voting, 5.

Voting yea: Representatives Bluechel, Curtis, Flanagan, Freeman, Gilleland, Juelsing, Kopet, Morrison, Newhouse, Pardini, Polk, Swayze.

Voting nay: Representatives Adams, Amen, Anderson, Bagnariol, Barden, Bauer, Bausch, Beck, Bender, Benitz, Berentson, Blair, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Cunningham, Douthwaite, Ehlers, Ellis, Eng, Erickson, Fortson, Gaines, Gallagher, Garrett, Gaspard, Goltz, Hansen, Hansey, Hayner, Hendricks, Hoggins, Hurley, Jastad, Johnson, Kalich, Kelley, Kilbury, King, Knowles, Kraabel, Kuehnle, Laughlin, Leckenby, Luders, Martinis, Matthews, Maxie, May, McCormick, Moon, Nelson, North F., North L., O'Brien, Paris, Parker, Patterson, Perry, Pullen, Randall, Savage, Schumaker, Shinpoch, Smith, Smythe, Sommers, Thompson, Tilly, Valle, Van Dyk, Warnke, Williams, Wilson, Wojahn, Zimmerman, and Mr. Speaker.

Not voting: Representatives Eikenberry, Haussler, Julin, Lysen, Rabel.

The Speaker stated the question before the House to be the committee amendment to House Bill No. 785.

Mr. Juelsing spoke against the committee amendment, and Mr. Savage spoke in favor of it.

POINT OF ORDER

Mr. Charnley: "Mr. Speaker, I rise to state that I think Representative Juelsing's point is well taken. The language of the committee amendment, and he read it very accurately, does not make sense. The committee amendment says after "as may" on line 10 strike the remainder of the section and insert. As Representative Juelsing read it, then, line 10 continues to read 'two dollars and fifty cents per hour except as may one dollar and sixty cents per hour except as may be otherwise provided under this chapter.' It seems to me that the intent of the amendment by the House Labor Committee was to insert on line 9 after 'less than' rather than after 'as may' on line 10."

The Speaker: "Representative Charnley, I don't think that is a point of order. It is a point of clarification of the amendment."

MOTIONS

On motion of Mr. Newhouse, the House deferred further consideration of House Bill No. 785 on second reading, and the bill was ordered placed at the bottom of today's second reading calendar.

On motion of Mr. Thompson, the House advanced to the eleventh order of business.

PARLIAMENTARY INQUIRY

Mr. Thompson: "If this amendment bears on Initiative 276, as it appears to, would it require a two-thirds vote to pass, if adopted?"

The Speaker: "In answer to your parliamentary inquiry, there is a possibility that it might expand the scope of 276 and these other referendums and initiatives. If the point of order was raised, the Speaker would probably have to delay action until he had a chance to talk

with the Attorney General and legal counsel with regard to whether or not this particular person is already within it. If he is already within the scope, then it would not need two-thirds vote. If he is outside for some reason, it could possibly require the two-thirds."

Mr. Brown spoke against adoption of the amendment, and Mr. Curtis closed debate, speaking again in favor of the amendment.

Mr. Conner demanded an electric roll call and the demand was sustained.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Curtis to House Bill No. 640, and the amendment was lost by the following vote: Yeas, 23; nays, 72; not voting, 3.

Voting yea: Representatives Amen, Barden, Benitz, Berentson, Cunningham, Curtis, Flanagan, Freeman, Gilleland, Hansey, Hayner, Jueling, King, Kopet, Kuehnle, Nelson, Patterson, Polk, Pullen, Schumaker, Smythe, Swayze, Tilly.

Voting nay: Representatives Adams, Anderson, Bagnariol, Bauer, Bausch, Beck, Bender, Blair, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Douthwaite, Ehlers, Ellis, Eng, Erickson, Fortson, Gaines, Gallagher, Garrett, Gaspard, Goltz, Hansen, Haussler, Hendricks, Hoggins, Hurley, Jastad, Johnson, Kalich, Kelley, Kilbury, Knowles, Kraabel, Laughlin, Leckenby, Luders, Lysen, Martinis, Matthews, Maxie, May, McCormick, Moon, Morrison, Newhouse, North F., North L., O'Brien, Paris, Parker, Perry, Rabel, Randall, Savage, Shinpoch, Smith, Sommers, Thompson, Valle, Van Dyk, Warnke, Williams, Wilson, Wojahn, Zimmerman, and Mr. Speaker.

Not voting: Representatives Eikenberry, Julin, Pardini.

Mr. Polk moved adoption of the following amendment:

On page 6, line 6 strike all material down to and including line 31 and renumber the remaining sections consecutively

Mr. Polk spoke in favor of the amendment, and Mr. Williams spoke against it.

The amendment by Mr. Polk was not adopted.

On motion of Mr. Williams, the following amendment was adopted:

On page 7, section 17, line 8 after "number" and before the period insert "and the supervisor of banking and the supervisor of savings and loan associations"

The Clerk read the following amendment by Mr. Barden:

On page 11, section 30, line 15 after "1973" and before the period insert ": PROVIDED, That the effective date of this act shall be deferred and shall not become

effective until the guarantee per weighted pupil in the common schools is equal to or greater than \$500 per year"

POINT OF ORDER

Mr. Williams: "Mr. Speaker, might I ask if this amendment is within the scope and object of the bill?"

The Speaker: "Are you objecting that this amendment is beyond the scope and object?"

Mr. Williams: "Yes."

Mr. Barden: "Mr. Speaker, the floor amendment that I have offered merely deals with the effective date of the act, and I fail to see how establishing an effective date for a bill to become implemented could be beyond the scope and object of the bill itself. We, in many instances, establish effective dates of bills, and I think that this is perfectly within the traditional practice of the legislature to make that decision as to when legislation should take effect. It is no more beyond the scope and object, in my judgment, than an emergency clause would be, to call for immediate implementation of a bill."

The Speaker: "Representative Williams, your point of order is premature since the amendment has not been moved for adoption as yet."

Mr. Barden moved adoption of the amendment.

Mr. Williams: "Mr. Speaker, I request a ruling of the Chair on the scope and object of the amendment."

RULING BY THE SPEAKER

The Speaker: "The Speaker rules that the point of order is well taken. The provisions within the contingency have no relationship at all to the act or anything we are considering before us. We are only considering the effective date of the act. Therefore, your point of order is well taken, and the amendment would be ruled out of order, Representative Barden."

Mr. Barden moved adoption of the following amendment:

On page 11, section 29, line 15 after "July 1," strike "1973" and insert "1975"

Mr. Barden spoke in favor of the amendment.

Mr. Thompson demanded an electric roll call and the demand was sustained.

Mr. Perry spoke against adoption of the amendment.

POINT OF ORDER

Mr. Swayze: "I request that the Chair make sure Representative Perry stays within the discussion on the

amendment."

The Speaker: "Representative Perry, I think the point is well taken. Would you stay within the scope of the amendment--whether this act shall take effect in 1973 or 1975."

Mr. Perry concluded his remarks in opposition to the amendment.

Mr. Swayze spoke against adoption of the amendment, and Mr. Barden spoke again in favor of it.

POINT OF ORDER

Mr. Charnley: "Mr. Speaker, I would ask you to direct the speaker to tell us why we should vote for or against this amendment--not about funding of schools. That is not within the purview of this bill."

The Speaker: "Representative Barden, would you please confine your remarks to the question of whether we should have this in 1973 or 1975. I understand if there is a financial impact in this, it would open up the discussion of financing schools, but I wish you would keep it in that light."

Mr. Barden concluded his remarks in favor of the amendment.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Barden to House Bill No. 640, and the amendment was lost by the following vote: Yeas, 26; nays, 68; not voting, 4.

Voting yea: Representatives Barden, Berentson, Cunningham, Curtis, Flanagan, Freeman, Garrett, Gilleland, Hansen, Hansey, Haussler, Hayner, Hendricks, Jueling, Kopet, Kuehnle, Matthews, Pardini, Parker, Patterson, Polk, Pullen, Randall, Schumaker, Smith, Zimmerman.

Voting nay: Representatives Adams, Amen, Anderson, Bagnariol, Bauer, Bausch, Beck, Bender, Benitz, Blair, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Douthwaite, Ehlers, Ellis, Eng, Erickson, Fortson, Gaines, Gallagher, Gaspard, Goltz, Hoggins, Hurley, Jastad, Johnson, Kalich, Kelley, Kilbury, King, Knowles, Kraabel, Laughlin, Leckenby, Luders, Lysen, Martinis, May, McCormick, Moon, Morrison, Nelson, Newhouse, North F., North L., O'Brien, Paris, Perry, Rabel, Savage, Shinpoche, Smythe, Sommers, Swayze, Thompson, Valle, Van Dyk, Warnke, Williams, Wilson, Wojahn, and Mr. Speaker.

Not voting: Representatives Eikenberry, Julin, Maxie, Tilly.

On motion of Mr. Charnley, the following amendment was adopted:

On page 3, section 4, line 4 after subsection (3) insert the following:

"In addition, the provisions of chapter ...(SB

2268), Laws of 1973 ex. sess., shall be administered by the department of business and consumer services created under this 1973 act."

Mr. Smythe moved adoption of the following amendment:

On page 1, line 2 after "affairs" strike all material down to page 11, line 15 and insert "The concept of a department of consumer affairs as embodied in House Bill No. 640 shall be studied by the Legislative Council or its successor, and appropriate legislation if any, shall be presented to the 1974 legislative session."

Mr. Pullen moved adoption of the following amendment to the amendment by Mr. Smythe:

On line 9 of the amendment after "1974" and before "legislative" insert "or 1975"

Representatives Pullen and Smythe spoke in favor of adoption of the amendment to the amendment.

The amendment by Mr. Pullen to the amendment by Mr. Smythe was adopted.

Mr. Smythe spoke in favor of adoption of the amendment as amended.

POINT OF INQUIRY

Mr. Smythe yielded to question by Mr. Perry.

Mr. Perry: "Yes, Mr. Smythe, didn't the Governor ever show you these programs before you got down here, or did you just see this for the first time today?"

Mr. Smythe: "No, he didn't talk to me personally."

Mr. Perry: "The Republican caucus--haven't you had the people from the Governor's office come in and talk to you about these programs?"

Mr. Smythe: "No."

Mr. Thompson demanded an electric roll call and the demand was sustained.

Representatives Swayze and Chatalas spoke against adoption of the amendment by Mr. Smythe as amended by Mr. Pullen, and Mr. Cunningham spoke in favor of it.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Smythe as amended by Mr. Pullen to House Bill No. 640, and the amendment was lost by the following vote: Yeas, 29; nays, 67; not voting, 2.

Voting yea: Representatives Amen, Barden, Bauer, Bausch, Benitz, Berentson, Cunningham, Curtis, Ehlers, Erickson, Flanagan, Freeman, Gilleland, Hansey, Hayner, Hurley, Jueling, Kopet, Kuehnle, Nelson, Pardini, Parker,

Patterson, Polk, Pullen, Schumaker, Smythe, Tilly, Zimmerman.

Voting nay: Representatives Adams, Anderson, Bagnariol, Beck, Bender, Blair, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Douthwaite, Ellis, Eng, Fortson, Gaines, Gallagher, Garrett, Gaspard, Goltz, Hansen, Haussler, Hendricks, Hoggins, Jastad, Johnson, Kalich, Kelley, Kilbury, King, Knowles, Kraabel, Laughlin, Leckenby, Luders, Lysen, Martinis, Matthews, Maxie, May, McCormick, Moon, Morrison, Newhouse, North F., North L., O'Brien, Paris, Perry, Rabel, Randall, Savage, Shipoch, Smith, Sommers, Swayze, Thompson, Valle, Van Dyk, Warnke, Williams, Wilson, Wojahn, and Mr. Speaker.

MESSAGE FROM THE SECRETARY OF STATE

March 21, 1973

THE HONORABLE,
THE SPEAKER OF THE HOUSE OF REPRESENTATIVES,
THE LEGISLATURE OF THE STATE OF WASHINGTON,
OLYMPIA, WASHINGTON
SIR:

I have the honor to transmit herewith pursuant to Section 12, Article 3 of the Constitution of the State of Washington, for the consideration of the House, the following bill passed by the House of Representatives and Senators of the Regular Session of the Forty-third Legislature and vetoed by the Governor after the adjournment of said session, together with his veto message attached thereto.

It is ENROLLED HOUSE BILL NO. 171 which authorizes personalized auto license plates and earmarks such revenue, as an additional source of funding nongame animal management programs.

Respectfully,
A. LUDLOW KRAMER,
Secretary of State.

March 29, 1973

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON
(Through the Secretary of State)
LADIES AND GENTLEMEN:

I am returning herewith without my approval HOUSE BILL NO. 171 entitled: An act relating to state government.

This bill would provide for a system of issuance of personalized license plates with the revenue derived therefrom to go into the Game Fund for the Department of Game to be used for nongame animal management. Nongame animal management is a laudable and valid program which should be funded. In keeping with that belief, I am sending letters to the chairmen of the Ways and Means Committee of both houses requesting that provision be made for nongame animal management in the budget, and that such provision be from general fund revenues. I am basically opposed to earmarking revenue sources for specific programs. The usual result of such action is to create a lid on the program funded rather than provide for effective program management. History has shown that when programs or even agencies are unshackled from earmarked revenue sources and receive funding through the state general fund that their funding increases substantially over that previously available.

The concept of personalized license plates as an additional state revenue source and funding of a program for nongame animal management are excellent proposals. However, they should not be unalterably joined together such that necessary future needs cannot be adequately met for either concept.

There are currently bills before the legislature which would provide for issuance of personalized license plates with the revenues derived therefrom to be paid into the Highway Safety Fund in one case, and the state general

fund in another case. Either of these measures would be a more effective method of handling this proposal.

Accordingly, for the reasons set out above, I have determined to veto House Bill No. 171.

Respectfully submitted,
DANIEL J. EVANS,
Governor.

Mr. Charette demanded a Call of the House, and the demand was sustained.

CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Eikenberry and Julin.

On motion of Mr. Charette, the absent members were excused, and the House proceeded with business under the Call of the House.

MOTION TO OVERRIDE GOVERNOR'S VETO

Mr. Martinis moved that House Bill No. 171 do pass the House notwithstanding the veto of the Governor.

Mr. Charette demanded an oral roll call and the demand was sustained.

Representatives Martinis and Luders spoke in favor of the motion and Mr. Swayze spoke against it.

Mr. Julin appeared at the bar of the House.

REQUEST THAT VETO MESSAGE BE READ IN FULL

Mr. Barden: "Mr. Speaker, under House Rule No. 78, I request that the veto message be read in full."

The Speaker (Mr. O'Brien presiding): "Mr. Barden, the Speaker asked if there were any objections to the Clerk reading the last line. At that time, no objections were raised. However, if you want it read in full, we will read it."

The Clerk read the veto message from the Governor relating to House Bill No. 171.

Mr. Charette spoke in favor of the motion, and Mr. Kraabel spoke against it.

Mr. Perry spoke in favor of the motion by Mr. Martinis.

POINT OF ORDER

Mr. Newhouse: "I would suggest that the gentleman is not speaking to the point at issue."

The Speaker (Mr. O'Brien presiding): "I think he is. Go ahead, Mr. Perry."

Mr. Perry concluded his remarks in favor of the motion.

POINT OF INQUIRY

Mr. Perry yielded to question by Mr. Barden.

Mr. Barden: "Representative Perry, when the word went out that the Governor was going to veto this bill, I was contacted by several people from the Game Department and the environmentalists and asked to override the Governor's veto. I asked them, frankly, if they could tell me how the money would be expended to protect the chipmunks and the chicken hawks and the owls and the muskrats and the groundhogs and the marmots that are the nongame animals that are supposed to be protected. I said, 'How are you going to spend this money to protect these animals?' And they couldn't tell me. I thought maybe, Mr. Perry, that you could explain to me exactly how these funds could be implemented to protect these little animals?"

Mr. Perry: "Mr. Barden, I can't answer that, but you voted 'yes' on this measure when we had it here before us, and you obviously didn't know what you were doing."

Mr. Barden spoke against the motion by Mr. Martinis.

Representatives Clemente, Zimmerman, Kelley and Kalich spoke in favor of the motion that House Bill No. 171 do pass the House notwithstanding the veto of the Governor, and Representatives Tilley and Brown spoke against the motion.

PARLIAMENTARY INQUIRY

Mr. Pardini: "Will you tell the body how many votes are needed to override the veto?"

The Speaker (Mr. O'Brien presiding): "According to the State Constitution, Article III, section 12, it requires that two-thirds of the members present shall agree to pass the bill notwithstanding the Governor's veto."

Mr. Pardini: "How many are present, Mr. Speaker?"

The Speaker (Mr. O'Brien presiding): "Ninety-seven."

Mr. Pardini: "Two-thirds of that would be sixty-five. Am I correct?"

The Speaker (Mr. O'Brien presiding): "Yes."

Mr. Pardini: "And a vote 'yes' is a vote in favor of overriding the Governor's veto?"

The Speaker (Mr. O'Brien presiding): "Yes."

Mr. Pardini: "And a vote 'no' is to sustain the Governor's veto?"

The Speaker (Mr. O'Brien presiding): "You are correct, Mr. Pardini."

ROLL CALL

The Clerk called the roll on the motion by Representative Martinis that House Bill No. 171 do pass the House notwithstanding the veto of the Governor, and the motion was lost by the following vote: Yeas, 64; nays, 33; not voting, 1.

Mr. Speaker:

The Senate refuses to recede from its amendment to ENGROSSED HOUSE BILL NO. 782 on page 4, section 3, line 16 of the engrossed bill, being line 18 of the printed bill, and insists on its position and once again requests the House to concur, and said bill is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

Mr. Charette moved that the House concur in the Senate amendment to page 4, section 3, line 16 of Engrossed House Bill No. 782.

Mr. Conner demanded an electric roll call, and the demand was sustained.

Mr. Charette spoke in favor of the motion.

PARLIAMENTARY INQUIRY

Mr. Curtis: "Would you explain what the options are at this point in time? It is my understanding this amendment in question--the House refused to concur the first time and sent it back to the Senate asking them to recede. They have now insisted on their position and asked us to concur. If we again refuse to do so, (in essence saying 'no' to the Senate) are we required to ask for a conference, or may we simply insist on our position and ask them once again to recede?"

The Speaker (Mr. O'Brien presiding): "In reply to your parliamentary inquiry on the result of a motion to concur, Reed's Rule No. 250 states as follows relative to the motion to concur: 'Each of these two motions, to concur and to noncur, is the reverse of the other, and hence when one is rejected the other is considered adopted. The motion to concur is always put first, if demanded, even if the other is moved first, because it is the affirmative and is in the line of agreement with the other body.' Therefore, if the motion to concur is defeated, then the motion to not concur is automatically adopted and will be coupled with a request for a conference thereon."

Mr. Curtis spoke against the motion by Mr. Charette that the House concur in the Senate amendment to page 4, section 3, line 16 of Engrossed House Bill No. 782.

POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Mr. Charette, I think I'm not alone in needing some help to try to figure out exactly how this amendment affects the trading stamp operation in the state. Would you please shed a little light on the impact of this amendment on the bill?"

Mr. Charette: "Mr. Douthwaite, the Attorney General of our state had ruled sometime ago that the trading stamp operation does not come within the franchise law. In that ruling there are some thirteen to fifteen states that have franchise laws similar to ours where the same ruling has been issued. Now the Attorney General wrote me a letter about two weeks before this issue came back to the House. I was not satisfied with that letter that was written, so I requested another, and last week I inserted in the Journal a letter from the Attorney General saying that this amendment would only put into the statutes the way trading stamp companies now are being treated. The amendment does not authorize trading stamp companies to do any more than they are now doing. It is because of that letter and the assurance of the Attorney General, and quite frankly, in reading it myself, that I am making this motion and asking the House to concur in the Senate amendment."

Mr. Curtis spoke again in opposition to the motion by Mr. Charette, and Mr. Charette spoke again in favor of it.

POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Kraabel.

Mr. Kraabel: "You have gone through really what the amendment does not do. I am not sure what it does do. Can you tell me what it accomplishes, or what the effect is of putting these words in?"

Mr. Charette: "Mr. Kraabel, I think that probably the discussion and the debate on this has been about as honest and as straightforward as it could be. The Attorney General of our state, along with some thirteen or fifteen other states, has said that trading stamps are not within the franchise laws. Now what this amendment does is to put in the statutes that trading stamp companies are not within the franchise laws. It doesn't seem to be necessary to have them in."

POINT OF INQUIRY

Mr. Curtis yielded to question by Mr. Moon.

Mr. Moon: "I've heard a lot of people talking that the trading stamp companies are not under our franchise laws, but nobody has told me why they are not, or why they should not be. Could you answer this?"

Mr. Curtis: "I can't tell you why they are not unless by definition of a franchisor as contained in the original act, trading stamp companies do not qualify. I can only tell you that the Attorney General says right now

they are not under the definition of the act. As far as why they should not be, I don't believe they should not be. That is why I am having an act drawn right now by Bill Drafting that would definitely bring them under the franchising act, because they are a franchising type of operation. They use franchise dealers to handle their stamps, and they do exchange money for those stamps, etc. There is another law on our books which requires any dealer to purchase an annual license at a very high fee if he wants to redeem those stamps and premiums. That is why, effectively, that is prevented here in Washington state, but you may handle trading stamps and redeem them in cash under our current law. But that is apparently outside the purview of the franchise investment protection act. I'm sorry, Representative Moon, I can't really tell you why, unless it is in the definition."

POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Moon.

Mr. Moon: "Representative Charette, can you tell me why the trading stamp people should not be under the franchise act?"

Mr. Charette: "No, Representative Moon, I really can't, because I hadn't considered that before this amendment came. I think that the question to be considered by the legislature would be whether or not we would allow trading stamps in exchange for merchandise, rather than to have them under the franchise law. I would assume that a partial answer would be that if there were any great abuses in this area, that the Attorney General or the Governor's office or any number of at least ten or fifteen legislators would have introduced a bill at this session if there had been any abuses."

Mr. Moon spoke against the motion by Mr. Charette.

ROLL CALL

The Clerk called the roll on the motion by Mr. Charette that the House concur in the Senate amendment to page 4, section 3, line 16 of Engrossed House Bill No. 782, and the motion was lost by the following vote: Yeas, 37; nays, 60; not voting, 1.

The Speaker (Mr. O'Brien presiding) declared the House to be at ease.

SECOND READING

HOUSE BILL NO. 316, by Representatives Luders, Zimmerman, Laughlin, North (Lois), Kraabel and O'Brien:

Providing for the registration and regulation of boats.

MOTION

On motion of Mrs. Hurley, Substitute House Bill No. 316 was substituted for House Bill No. 316, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 316 was read the second time.

The Clerk read the following amendment by Mr. Kuehnle:

On page 6, section 7, line 2 after "vessels" strike the remainder of subsection (8) and insert "or vessels twelve feet or less in length with propulsion machinery of not more than five horsepower or vessels in excess of twelve feet in length with propulsion machinery of not more than ten horsepower"

POINT OF ORDER

Mr. Luders: "I believe I have an amendment which comes before Representative Kuehnle's amendment. Mine would be on page 6, line 2."

The Speaker (Mr. O'Brien presiding): "Apparently the two amendments accomplish the same purpose. You strike the words 'of twelve feet or less in length' and Mr. Kuehnle's amendment strikes that and inserts some additional language. We thought it might be better to go with Mr. Kuehnle's amendment first and take yours after that, or perhaps if Mr. Kuehnle's amendment is adopted it won't be necessary to consider yours."

Mr. Kuehnle moved adoption of the amendment.

Mr. Kuehnle spoke in favor of the amendment and Representatives Hurley and Martinis spoke against it.

POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Charnley.

Mr. Charnley: "Mr. Martinis, I wonder if you could tell me what the registration fee is for federal registration?"

Mr. Martinis: "It would be \$6.00. If the Kuehnle amendment passed, these senior citizens that would be subjected to the federal regulation would pay \$6.00 if they

wanted to operate on a navigable or a federal body of water instead of the \$5.00 every two years proposed in this bill."

POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Bluechel.

Mr. Bluechel: "Representative Kuehnle, what does this do to sailboats that are longer than twelve feet and yet do not use any mechanical propulsion?"

Mr. Kuehnle: "There is a special provision in the act relating to sailboats, and I don't think this amendment does anything to it."

Mr. Kuehnle spoke again in favor of the amendment and Mrs. Hurley spoke again in opposition to it.

Mr. Pardini demanded an electric roll call and the demand was sustained.

Mr. Martinis spoke again in opposition to the amendment by Mr. Kuehnle to Substitute House Bill No. 316.

Mr. Hoggins spoke against the amendment.

POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Lysen.

Mr. Lysen: "Mr. Martinis, I am curious about your remarks that on federal bodies of water you would have to pay a greater fee. Would this include any body of water where the Army Corps of Engineers has jurisdiction--navigable waters, such as Puget Sound, etc.?"

Mr. Martinis: "Yes, and also the very large amount of water in Eastern Washington. A lot of the lakes in Eastern Washington are used for irrigation projects. They are impoundments behind dams that are licensed by the federal government. They are bordered by a foreign country and the state of Washington, or by two states, or their rivers are navigable. I believe that the majority of these boats would have to carry a federal registration if this amendment passed, rather than the state registration, which would cost them \$6.00 instead of the \$5.00."

Mr. Lysen: "So by defeating this amendment, we are actually saving them one dollar?"

Mr. Martinis: "Many of the boats, yes."

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Kuehnle to Substitute House Bill No. 316, and the amendment was lost by the following vote: Yeas, 24; nays, 71; not voting, 3.

Voting yea: Representatives Amen, Anderson,

Barden, Bausch, Benitz, Berentson, Cunningham, Curtis, Freeman, Gilleland, Hansey, Juelling, Kelley, Knowles, Kopet, Kuehnle, Pardini, Randall, Schumaker, Shipoch, Smith, Swayze, Van Dyk, Warnke.

Voting nay: Representatives Adams, Bagnariol, Bauer, Beck, Bender, Blair, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Douthwaite, Ehlers, Eikenberry, Ellis, Eng, Erickson, Flanagan, Fortson, Gaines, Gallagher, Garrett, Gaspard, Goltz, Hansen, Haussler, Hayner, Hendricks, Hoggins, Hurley, Jastad, Johnson, Kalich, Kilbury, King, Kraabel, Laughlin, Leckenby, Luders, Lysen, Martinis, Matthews, Maxie, May, McCormick, Moon, Morrison, Nelson, Newhouse, North F., North L., O'Brien, Paris, Parker, Patterson, Perry, Polk, Pullen, Savage, Smythe, Sommers, Thompson, Tilly, Valle, Williams, Wilson, Wojahn, Zimmerman, and Mr. Speaker.

Not voting: Representatives Bluechel, Julin, Rabel.

Mr. Luders moved adoption of the following amendment:

On page 6, line 2 strike "of twelve feet or less in length"

Representatives Luders, Hurley and Bausch spoke in favor of the amendment, and Representatives Hoggins, Matthews and Paris spoke against it.

POINT OF INQUIRY

Mr. Luders yielded to question by Mr. Anderson.

Mr. Anderson: "I own a 12-foot sail boat and I have it on Hood Canal. Would your amendment exclude me?"

Mr. Luders: "The amendment would not exclude you, but you would be excluded under another provision of the act."

Mr. Luders closed debate, speaking again in favor of the amendment.

The amendment by Mr. Luders to Substitute House Bill No. 316 was adopted on a rising vote.

Mr. Eikenberry moved adoption of the following amendment to Substitute House Bill No. 316:

On page 6, section 7, line 2 strike subsection (8)

Mr. Eikenberry spoke in favor of adoption of the amendment, and Representatives Luders and Hurley spoke against it.

The amendment by Mr. Eikenberry was not adopted.

Mr. Bluechel moved adoption of the following amendment:

On page 6, section 7, line 4 after "of" strike "twelve" and insert "sixteen"

Representatives Bluechel and Martinis spoke in favor of the amendment, and Representative Eikenberry spoke against it.

The amendment by Mr. Bluechel was not adopted.

Mr. Eikenberry moved adoption of the following amendment to Substitute House Bill No. 316:

On page 6, section 7, line 4 strike subsection (9)

Mr. Eikenberry spoke in favor of the amendment and Mr. Luders spoke against it.

The amendment was not adopted.

The Clerk read the following amendment by Mr. Hansey:

On page 4, section 4, line 18 strike "and scuba diving activities"

POINT OF ORDER

Mr. Nelson: "Mr. Speaker, I haven't heard any suspension of the rules, and I believe that Mr. Hansey's amendment would not be covered under Rule No. 130. We have gone past that section."

The Speaker (Mr. O'Brien presiding): "Speakers have ruled on several occasions when you read the last line of a bill that you can move back and forth and offer amendments at any point."

Mr. Hansey moved adoption of the amendment.

Representative Hansey spoke in favor of the amendment, and Representatives Martinis, Nelson, Hurley and Leckenby spoke against adoption of the amendment.

The amendment by Mr. Hansey was not adopted.

Mr. Berentson moved adoption of the following amendment to Substitute House Bill No. 316:

On page 7, section 11, beginning on line 12 delete the remainder of the section.

Mr. Berentson spoke, in favor of the amendment.

POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Martinis.

Mr. Martinis: "Representative Berentson, in your testimony you were talking about fair and equal treatment and not putting people out of business. If this language is struck, is the intent that every manufacturer, dealer or vessel livery would have to register each boat individually?"

Mr. Berentson: "No, he would register any boat that he actually used on a lake or perhaps as a demonstrator."

If that boat were stored in his place of business and not in the water, he would not register the boat at that time. And then it goes beyond that. For the small operator you are taking the first five boats, as I read it, and charging a fee of \$20.00, which is a pretty good blow to a small operator, and also an additional \$2.00 fee for every number over five. My thought is, why should he pay any more than a normal registration fee like any other citizen?"

Mr. Martinis: "May I ask one additional question? Actually what you are saying then is that there should not be any dealer licenses in effect. If this was stricken out he would have to pay \$5.00 for each vessel or boat?"

Mr. Berentson: "That's right, if he uses it as a demonstrator or if the boat is actually in use then he would pay the normal fee like anyone else. I think the real importance is subsection (5), the small operator of a vessel livery, where we exempt him from the \$20.00 charge plus the \$2.00 for every boat over five. I don't see the necessity of penalizing someone for being in business. He is paying all the other penalties in that case anyway."

Representatives Martinis and Hurley spoke against the amendment by Mr. Berentson.

POINT OF INQUIRY

Mrs. Hurley yielded to question by Mr. Berentson.

Mr. Berentson: "Maybe I misread subsection (5). Are you stating that the fee would be \$20.00--a flat \$20.00 and then \$2.00 for every boat over five? You are not suggesting \$20.00 per vessel to five, plus \$2.00?"

Mrs. Hurley: "No, it says 'may pay.' It doesn't say they have to. It says if they would like to pay this instead of the usual circumstances that apply to everybody else, that they 'may pay a biennial certificate of numbers fee of \$20.00.' That takes care of the two years for their whole operation, plus then the two dollars for each boat they they would be renting."

Mr. Berentson spoke again in favor of the amendment, and Mr. Charnley spoke against it.

The amendment by Mr. Berentson was not adopted.

Sidney R. Snyder, Secretary.

MOTION

On motion of Mr. Adams, the House concurred in the Senate amendments to Engrossed House Bill No. 204.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the final passage of Engrossed House Bill No. 204 as amended by the Senate.

Mr. Pardini spoke against passage of the bill and Mr. Perry spoke in favor of the bill.

POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Smythe.

Mr. Smythe: "Representative Pardini, I also was a 'yes' vote on the first passage through, but I am going to be a 'no' vote now. One of the concerns I have is the effect on hospitals and the present sources providing this kind of testing. Do you have any feel for that, as to what it will do to these areas of present service?"

Mr. Pardini: "I would suspect, Representative Smythe--I'm not absolutely certain on it, but the evidence (the conversations I have had with members of the medical profession) is that it is not going to affect hospitals that presently do this, other than to the extent that practitioners, M.D.'s, who would own an interest in some other type of laboratory, would then suggest that the persons go to that particular laboratory rather than going to the existing facilities in the hospital. I think that what we have is a built-in profit motive for referral to a specific unit to do the type of testing that is necessary."

Representative Smythe spoke against passage of the bill, and Representatives Valle and Leckenby spoke in favor of it.

Mr. Pardini spoke again in opposition to the bill, and Mr. Perry spoke again in favor of its passage.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 204 as amended by the Senate, and

the bill passed the House by the following vote: Yeas, 68; nays, 27; not voting, 3.

Voting yea: Representatives Adams, Anderson, Bagnariol, Barden, Bauer, Bausch, Beck, Bender, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Douthwaite, Ehlers, Ellis, Eng, Erickson, Flanagan, Fortson, Freeman, Gaines, Gallagher, Garrett, Gaspard, Goltz, Hansen, Haussler, Hurley, Jastad, Johnson, Kalich, Kelley, Kilbury, King, Knowles, Laughlin, Leckenby, Luders, Lysen, Martinis, Maxie, McCormick, Moon, Morrison, Newhouse, North F., O'Brien, Paris, Parker, Patterson, Perry, Polk, Randall, Savage, Shinpoch, Smith, Sommers, Swayze, Thompson, Tilly, Valle, Van Dyk, Warnke, Williams, Wojahn, Zimmerman.

Voting nay: Representatives Amen, Benitz, Berentson, Blair, Bluechel, Brown, Cunningham, Curtis, Eikenberry, Gilleland, Hansey, Hayner, Hendricks, Hoggins, Jueling, Julin, Kraabel, Kuehnle, Matthews, May, Nelson, North L., Pardini, Pullen, Schumaker, Smythe, Wilson.

Not voting: Representatives Kopet, Rabel, and Mr. Speaker.

Engrossed House Bill No. 204, as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Mr. Thompson, the House advanced to the sixth order of business.

SECOND READING

SUBSTITUTE HOUSE BILL NO. 316, by Committee on Parks and Recreation (Originally sponsored by Representatives Luders, Zimmerman, Laughlin, North (Lois), Kraabel and O'Brien):

Providing for boat registration and regulation.

The House resumed consideration of Substitute House Bill No. 316 on second reading. (For previous House action, see Journal for twenty-fifth day, Ex. Sess., April 2, 1973.)

Mr. Kuehnle moved adoption of the following amendment:

On page 1, section 2, line 21 following "water" insert ": PROVIDED, That surfboards, aquaplanes, water skis and other similar devices used only indirectly as a means of transportation shall not be included within this definition"

Mr. Kuehnle spoke in favor of the amendment and Mr. Martinis spoke against it.

Mr. Kuehnle spoke again in favor of the amendment, and Mrs. Hurley spoke against it.

The amendment by Mr. Kuehnle was not adopted.

The Clerk read the following amendment by Mr. Barden:

On page 7, section 12, line 28 after "funds" and before the period insert ": PROVIDED, That no funds shall be expended from the boating safety account pursuant to this act until the guarantee per weighted pupil in the common schools is equal to or greater than \$500 per year"

POINT OF ORDER

Mrs. Hurley: "Mr. Speaker, I would like to have you rule on the scope and object of this amendment. It seems to have no relation to the bill before us."

POINT OF ORDER

Mr. Barden: "Mr. Speaker, isn't it more timely to have Representative Hurley's point of order raised after the amendment has been moved?"

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "According to Reed's Rules 111 and 112, a point of order can be raised as soon as the Clerk reads the question.

"As to the point of order raised by Mrs. Hurley on the amendment by Mr. Barden, I am going to rule that the amendment is out of order. It is not germane or relevant to the question of boating safety in that it pertains to the problems of education. Your amendment is ruled out of order."

The Clerk read the following amendment by Mr. Barden:

On page 8, section 13, line 6 after "(3)" strike all the material through "areas" on line 7 and insert:

"To the superintendent of public instruction through interagency transfer for the exclusive purpose of providing special levy relief during calendar year 1975 and to that end the distribution shall be on the basis of an equal allocation per full-time equivalent student to each local school district which presents to the voters of said district a request for excess levies in 1975 which is equal to or less than the amount voted in calendar 1974: PROVIDED, That no funds shall be distributed to a local school district unless the dollar amount of excess levies per full-time equivalent enrollee remains constant or declines with the calculation based upon calendar year 1974 excess levies divided by the full-time equivalent enrollment as reported for October, 1973: PROVIDED FURTHER, That only local school districts which had voted excess levies for collection in calendar year 1974 shall be eligible for funds under this section"

POINT OF ORDER

Mrs. Hurley: "Mr. Speaker, I would like to have you rule on the scope and object of this amendment also. It doesn't seem to fit under the title of relating to vessels and boating. His amendment relates to an entirely different

subject."

Mr. Barden: "Mr. Speaker, the amendment merely speaks to the distribution of a portion of the revenue derived from this new tax, and it is just, I believe . . ."

The Speaker (Mr. O'Brien presiding): "I understand what your amendment does, Mr. Barden. Apparently it falls within the same scope as your prior amendment. It is not in conformity with Reed's Rule 160. This amendment just isn't germane to the question of boating safety. Your amendment is declared out of order."

PERSONAL PRIVILEGE

Mr. Beck: "Mr. Speaker, ladies and gentlemen of the House: I think like every other member of this body sitting here, trying to conduct an orderly process of business, we are getting sick and tired of all these diverting amendments being introduced by Representative Barden over there."

The Speaker (Mr. O'Brien presiding): "Mr. Beck, I believe you are a little bit out of order."

The Clerk read the following amendment by Mr. Barden:

On page 10, after line 2, add a new section as follows:

"NEW SECTION. Sec. 22. This 1973 act shall become effective when the guarantee per weighted pupil in the common schools equals or exceeds \$500 per annum."

POINT OF ORDER

Mrs. Hurley: "This is another amendment, Mr. Speaker, that I believe is not germane to the bill."

The Speaker (Mr. O'Brien presiding): "Your point of order is well taken, Mrs. Hurley. Reed's Rule No. 160 is as applicable to this amendment as it was to the other two amendments. The amendment is declared out of order."

PERSONAL PRIVILEGE

Mr. Barden: "I hope that the ladies and gentlemen of the House of Representatives will be patient with me on this particular issue, Representative Beck and others, because I find myself as a legislator from a district paying very high special levies--I find myself unable..."

The Speaker (Mr. O'Brien presiding): "You are out of order, Mr. Barden."

Substitute House Bill No. 316 was ordered engrossed.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 316 was placed on final passage.

Representatives Luders, Hurley and Chatalas spoke in favor of passage of the bill, and Representative Barden spoke against it.

POINT OF INQUIRY

Mr. Luders yielded to question by Mrs. North (Lois).

Mrs. North (Lois): "As one of the sponsors of the original boating bill drafted by the Legislative Council, the primary purpose of that bill was a strong program of boating safety. Representative Luders, will you tell me what is actually in this bill as far as a program of boating safety is concerned?"

Mr. Luders: "Yes, but I will be brief. The program is designed to accomplish safety in two main areas: First of all, is a commitment from the administrative area that is going to be running the program. They intend to set up a boating safety educational program through the community colleges, and in other areas around the state on a voluntary basis with a minimal or no-charge kind of course offering. Secondly, the local governments will submit a master plan of enforcement in boating safety regulations which will have to be approved in accordance with Coast Guard regulations in this bill. Hopefully, out of the two will come an opportunity for people to (1) become educated as to the dangers of boating; and (2) become educated to the fact that they can be arrested if they are erratic and irresponsible."

Mrs. North spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "Representative Zimmerman, I think that most of the members didn't think I was serious when I was concerned about water skis and aquaplanes. As a matter of legislative intent, would you indicate to me whether those devices which are capable of transporting a person from one place to another, and which are indirectly motorized, would be included in the terms of the bill?"

Mr. Zimmerman: "Well, I do feel that they are under the terms of the bill and should be considered as you have indicated in your earlier amendment. I personally feel that there was nothing wrong with your amendment. I do feel that they, under the definition, could be termed 'vessels' and thereby licensable. I would hope that the intent and understanding would be that they would not be separated out. I don't know if that in any way clarifies it."

POINT OF INQUIRY

Mr. Luders yielded to question by Mrs. Hurley.

Mrs. Hurley: "Mr. Luders, in order to clear up kind

of a muddy situation here caused by the last question, would you tell me whether your intent was to include aquaplanes and things of this sort under the term 'vessel' as used in Engrossed Substitute House Bill No. 316?"

Mr. Luders: "It was not my intent."

Mr. Randall spoke against passage of the bill, and Mr. Zimmerman spoke in favor of it.

POINT OF INQUIRY

Mr. Luders yielded to question by Mr. Tilly.

Mr. Tilly: "Representative Luders, in my district we have beautiful Lake Chelan, and we do have a commercial enterprise operating passenger boats on there. They tell me they are presently being inspected by the Department of Labor and Industries, and I think also the Coast Guard. Is this going to put this business under another regulatory agency?"

Mr. Luders: "The answer is 'no, it will not,' because that is a documented boat. The Coast Guard would take care of it, and WISHA would take care of the labor and industries part."

POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Pullen.

Mr. Pullen: "The federal boating safety act has been widely mentioned during debate on this particular measure. Do you feel that the federal boating safety act, or at least parts of it, may be unconstitutional under the Tenth Amendment to the United States Constitution?"

Mr. Kuehnle: "Yes, I think that we touched on this area yesterday. And one of the big selling points that has been used on this bill, and one of the points that has been used in beating down amendments to this bill, has been the old saw 'We've got to comply with federal regulations.' I still pretty much subscribe to the Tenth Amendment to the Constitution of this United States passed back in 1791, and I don't think that the regulation of boats is one of those delegated responsibilities that was handed to the federal government."

Mr. Charette demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 316, and the bill passed the House by the following vote: Yeas, 70; nays, 26; not voting, 2.

Voting yea: Representatives Adams, Amen, Bagnariol, Bauer, Bender, Benitz, Berentson, Blair, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas,

Clemente, Curtis, Douthwaite, Eikenberry, Ellis, Eng, Erickson, Flanagan, Fortson, Gaines, Gallagher, Garrett, Goltz, Hansen, Hansey, Hoggins, Hurley, Jastad, Johnson, Julin, Kalich, Kilbury, Knowles, Kraabel, Laughlin, Leckenby, Luders, Lysen, Matthews, Maxie, May, McCormick, Moon, Morrison, Nelson, Newhouse, North F., North L., O'Brien, Pardini, Paris, Patterson, Perry, Pullen, Savage, Shinpoch, Smythe, Sommers, Thompson, Tilly, Valle, Williams, Wilson, Wojahn, Zimmerman, and Mr. Speaker.

Voting nay: Representatives Anderson, Barden, Bausch, Beck, Conner, Cunningham, Ehlers, Freeman, Gaspard, Gilleland, Haussler, Hayner, Hendricks, Jueling, Kelley, King, Kuehnle, Martinis, Parker, Polk, Randall, Schumaker, Smith, Swayze, Van Dyk, Warnke.

Not voting: Representatives Kopet, Rabel.

Engrossed Substitute House Bill No. 316, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

HOUSE BILL NO. 323, by Representatives Fortson, Clemente, Bender, Hansen and North (Frances):

Providing mandatory sentencing for certain violations involving controlled substances.

MOTION

On motion of Mr. Kelley, Substitute House Bill No. 323 was substituted for House Bill No. 323, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 323 was read the second time.

Ms. Sommers moved adoption of the following amendments by Representatives Sommers, Parker, Jastad, Kopet and Hendricks:

On page 3, section 2, line 4 after "substance" and before the period insert "or counterfeit substance classified in Schedules I or II, except leaves and flowering tops of marijuana"

On page 3, section 2, strike lines 13 and 14.

Representatives Sommers and Hendricks spoke in favor of adoption of the amendments.

POINT OF INQUIRY

Mr. Hendricks yielded to question by Mr. Kelley.

Mr. Kelley: "You bring in here Schedules I or II. Are there any substances which to your knowledge are, what we might say, street traffic drugs, for instance barbiturates or something of that nature not covered in Schedules I or II, but which are predominately prevalent on the street?"

Mr. Hendricks: "All barbiturates and barbituric acid derivates are found in Classes III and IV. I think we are talking about the hard narcotic drugs where there is a great level of addiction. I think that particularly heroin is the kind of drug we are after."

Mr. Kelley: "Are there barbiturates listed in Schedules I and II, or are barbiturates simply in III, IV or V?"

Mr. Hendricks: "There are no barbiturates listed in Classes I and II. They are all in Classes III and IV."

The amendments by Representative Sommers and others were adopted.

Mr. Kelley moved adoption of the following amendment by Representatives Kelley and Barden:

On page 3, section 2 (2), line 17 after "offense" insert "": PROVIDED, That any person convicted of a violation of subsection (1) of this section by selling any opiate as defined in RCW 69.50.101 (p) shall receive a mandatory sentence of five years in a correctional facility of the department of social and health services and no judge of any court shall suspend or defer the sentence imposed for such violation"

Representative Kelley spoke in favor of adoption of the amendment, and Representatives Fortson, Smith, Hayner and Charette spoke against it.

POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Lysen.

Mr. Lysen: "Representative Charette, I am concerned about the fact that if there is a mandatory sentence, it may be the tendency of the jury or the judge to let some people off completely because of the severity, rather than giving them a milder sentence. I know you are a former prosecutor and I would appreciate your comments in this regard."

Mr. Charette: "Mr. Lysen, I think that under our system of justice (which I think is a good one, to be tried by twelve of your peers,) there is no question but that the jury takes into consideration the age of the defendant, the situation of the defendant, and all of these other things besides the evidence. And there is a possibility that in a hard case (and it is the hard case that makes bad law) the jury would turn someone loose. More importantly, I think that in each case you would have a jury trial. An attorney would be a fool to allow a client to plead guilty when he knows he is going to get five years in the penitentiary. He might as well take his chances with the jury. There is a maxim in the law; it is true; and it is part of our system of justice: 'It is better to let ninety-nine murderers go free than to convict one innocent man'."

POINT OF INQUIRY

Mr. Barden yielded to question by Mr. Smythe.

Mr. Smythe: "Representative Barden, I am a little confused on what the last couple of speakers have spoken to. Are we talking about all drugs, or just heroin, or what? What does your amendment deal with?"

Mr. Barden: "Representative Smythe, the amendment that is under discussion deals only with the selling of heroin, or other opiates. It doesn't deal with those who may sell LSD or barbiturates or speed or hashish or amphetamines. It doesn't deal even with those who have heroin in their possession. What this amendment is directed to are those who are selling heroin--a life-destroying addicting drug. A drug that is a business with these people--where they make thousands of dollars a month selling a drug that destroys lives. We are saying by this amendment that those people should be put out of business and behind bars and only those people who sell the opiates. The bill would still provide for a sentence of from ninety days up to five years for those selling the other lesser damaging drugs."

Mr. Smythe spoke in favor of adoption of the amendment.

The amendment by Representatives Barden and Kelley to Substitute House Bill No. 323 was lost on a rising vote.

Mr. Barden moved adoption of the following amendment:

On page 3, section 2, line 20 after "of" strike "five" and insert "twenty"

Mr. Barden spoke in favor of the amendment and Mr. Swayze spoke against it.

Mr. Knowles spoke against the amendment and also against the next amendment by Mr. Barden to the same line.

POINT OF ORDER

Mr. Barden: "Mr. Speaker, I had not put the second amendment on that page yet, and it has not yet been discussed. Representative Knowles is not speaking to the amendment which is merely to strike 'five' and insert 'twenty.' The second half will be moved and debated after this amendment is decided."

The Speaker (Mr. O'Brien presiding): "Mr. Knowles, will you adhere to the amendment by Mr. Barden which strikes 'five' and inserts 'twenty'?"

Mr. Knowles: "On my desk, the amendment is all in one."

The Speaker (Mr. O'Brien presiding): "I'm sorry. We have separated those amendments and renumbered them."

Mrs. Fortson spoke against adoption of the amendment by Mr. Barden, and Mr. Kuehnle spoke in favor of the amendment.

The amendment by Mr. Barden was not adopted.

Ms. Sommers moved adoption of the following amendment by Representatives Sommers, Swayze, Maxie, Smith, Eng and Parker to Substitute House Bill No. 323:

On page 3, section 2, line 20 after "of" strike "five" and insert "two"

Representative Sommers spoke in favor of the amendment, and Representatives Kelley and Eikenberry spoke against it.

POINT OF INQUIRY

Mr. Eikenberry yielded to question by Mr. Smith.

Mr. Smith: "Representative Eikenberry, could you tell me what, as a practical matter, the mechanics of the parole board are, taking into consideration how long it would take the parole board to let someone out on parole, for instance if a two-year mandatory sentence were set?"

Mr. Eikenberry: "I would have to talk from some very quick checking I have done. I was very interested in the use of the word 'mandatory' in here. The best advice I have been able to get on an informal basis from the attorney general's office is that this would not necessarily dictate to the parole board that the person must be there for five years. To directly answer your question, I have seen a case of one burglary defendant who was convicted and was back out on the street from the institution in less than one year. If you were asking as to the processing time, then we are talking in terms of a matter of forty-five days."

Mr. Smith spoke in favor of adoption of the amendment, and Mr. Bender spoke against it.

Mr. Smythe demanded an electric roll call and the demand was sustained.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Representatives Sommers, Swayze, Maxie, Smith, Eng and Parker to Substitute House Bill No. 323, and the amendment was lost by the following vote: Yeas, 19; nays, 72; not voting, 7.

Voting yea: Representatives Blair, Bluechel, Charnley, Douthwaite, Eng, Gallagher, Goltz, King, Maxie, Moon, North F., Parker, Randall, Shinpoch, Smith, Sommers, Swayze, Valle, Williams.

Voting nay: Representatives Adams, Amen, Anderson, Bagnariol, Barden, Bauer, Bausch, Beck, Bender, Benitz, Berentson, Brown, Ceccarelli, Chatalas, Clemente, Conner,

Cunningham, Curtis, Ehlers, Eikenberry, Ellis, Erickson, Flanagan, Fortson, Freeman, Gaines, Garrett, Gaspard, Gilleland, Hansen, Hansey, Haussler, Hayner, Hendricks, Hoggins, Hurley, Jastad, Johnson, Jueling, Julin, Kalich, Kelley, Kilbury, Knowles, Kraabel, Kuehnle, Laughlin, Leckenby, Luders, Lysen, Martinis, Matthews, May, McCormick, Morrison, Nelson, Newhouse, North L., O'Brien, Pardini, Paris, Patterson, Polk, Pullen, Savage, Schumaker, Smythe, Tilly, Warnke, Wilson, Wojahn, Zimmerman.
Not voting: Representatives Charette, Kopet, Perry, Rabel, Thompson, Van Dyk, and Mr. Speaker.

Mr. Barden moved adoption of the following amendment:

On page 3, section 2, line 20 after "in" strike "a correctional facility of the department of social and health services" and insert "the state penitentiary"

Representatives Barden and Hurley spoke in favor of the amendment, and Representative Knowles spoke against it.

POINT OF INQUIRY

Mr. Knowles yielded to question by Mr. Barden.

Mr. Barden: "Representative Knowles, you are chairman of the committee that drafted this substitute bill, and are therefore probably most responsible for it coming out in the form that it did. Can you tell me why on line 17 you provide that a first offender must go to the state penitentiary, but that a second offender who, after serving his first sentence, has been convicted of a subsequent crime of selling dope should not be required to go to the state penitentiary?"

Mr. Knowles: "What page are you talking about?"

Mr. Barden: "Page 3, lines 15 through 17 read: 'Any person convicted of a violation of subsection (1) of this section shall receive a sentence of not more than five years in the state penitentiary for the first offense.' But then down the page, you say that for a second offense he doesn't have to go to the penitentiary. I am wondering about the logic of that and your reasoning for constructing the bill in such a manner. My amendment would provide the consistency and continuity of punishment by saying for a second offense he would likewise go to the penitentiary."

Mr. Knowles: "I can't answer that. Representative Kelley, the vice chairman of the committee, advises me that in putting these bills into a substitute bill the error was made."

Mr. Kelley: "I was just going to state as far as the distinction between the two, this was created when we created the substitute bill. This took different provisions from different bills. The mandatory provisions came from your bill, Representative Barden, another came from the initial House Bill No. 323, and the other came from the third bill. The substitute bill does represent a

hybrid of three bills, and this would be the reason for the difference in wording between the two, but the distinction itself is not detrimental to the bill."

Representatives Charette and Parker spoke against adoption of the amendment by Mr. Barden, and Representatives May and Smythe spoke in favor of it.

Mr. Smythe demanded an electric roll call and the demand was sustained.

On motion of Mr. Charette, the House recessed until 1:30 p.m.

POINT OF INQUIRY

Mr. Kelley yielded to question by Mr. Barden.

Mr. Barden: "Representative Kelley, Representative Swayze has indicated that it is unlikely that this bill would have any dampening effect or any impact on the drug problem. I wonder if you, from your vantage point on the Judiciary Committee and as a practicing attorney in Pierce County, could offer your opinion on that subject?"

Mr. Kelley: "I would take exception to Representative Swayze's remarks for several reasons. Number one, there was a great deal of testimony in the first hearing before the committee addressing itself to exactly what would happen if we had mandatory drug sentences there. Some people from the King County sheriff's office who have been working in this field, and actually are closer to the people that are involved in drug traffic than anybody else in our society, and know these people, stated definitely there would be a dampening effect on their activities. Secondly, I think there is something we haven't discussed here, and that is the mobility of the people that deal in

drugs. The very hard drug sellers can be found moving constantly between Vancouver, British Columbia, and down as far as San Diego. They are a very highly mobile group and highly responsive to what they call heat. When the heat is on they get up and move. I think by this bill we will be making a very strong statement about the temperature of the heat, as it were, in the state of Washington, and the temperature is going to go up. And many of these people who deal in these drugs are simply going to find it more expedient to move to other states where it isn't quite so hot. I don't know if that answers your question, Representative Barden, but for those reasons I would urge your adoption of this bill."

Representatives Barden and Eikenberry spoke in favor of passage of the bill, and Representatives King and Charette spoke against it.

Mr. Beck demanded the previous question and the demand was sustained.

Representative Kuehnle spoke in favor of the motion, and Representatives Gallagher and Wojahn spoke against it.

The motion by Mr. Kuehnle was lost on a rising vote.

Mr. Gallagher moved adoption of the following amendment to House Bill No. 607:

On page 1, line 5 after the enacting clause strike the remainder of the bill and insert the following:

NEW SECTION. Section 1. The business of operating tow trucks for the public in the transportation of disabled or damaged motor vehicles and vehicles incapable of self-propulsion due to mechanical defects or incapacity of such vehicle, and personal effects and/or cargo in custody by towing or hauling only upon the highways of this state, is declared to be a business affecting the public interest. The large volume of motor vehicle traffic, frequent accidents, congestion, and the need to keep the highways clear, requiring rapid and efficient service by adequately equipped and capably operated tow trucks, and the fact that those now operating such businesses are not under existing law effectively regulated, make it necessary that more complete regulation should be instituted and administered, so that the highways may be made safer for the use of the general public; that congestion on the highways may be reduced; that motor vehicle owners may be provided with a stabilized service and rate structure; that sound economic conditions in such transportation and among the tow truck operators be assured in the public interest; that adequate economical and efficient service, and reasonable charges therefor, without unjust discrimination, undue preferences or advantages, or unfair or destructive competitive practices shall prevail in the public interest.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise for the purposes of this chapter, the following terms shall have the meanings set forth:

(1) "Commission" means the Washington utilities and transportation commission.

(2) "Person" means and includes an individual, firm, partnership, corporation, company, association, or their lessees, trustees, or receivers.

(3) "Motor vehicle" means any passenger automobile, trailer, semitrailer, truck, and truck tractor, or any self-propelled or motor-driven vehicle used upon any public

highway in this state.

(4) "Vehicle" means every device capable of being moved upon a public highway and in, upon, or by which any property is or may be transported or drawn upon a public highway, excepting devices moved by human or animal power or used exclusively upon stationary rails or tracks.

(5) "Public highway" means every street, road, alley, highway, or freeway in this state.

(6) "Towing operator" means every person who engages in towing on a public highway of disabled, damaged, impounded, or abandoned motor vehicles, and motor vehicles incapable of self-propulsion due to mechanical defects or defects of such motor vehicles, and personal effects and/or cargo in the custody of the towing operator, for hire for the public, by means of equipment affixed to a specially constructed tow truck complying with the equipment specifications and standards promulgated by the commission and/or such agency of the state government as shall have authority to prescribe motor vehicle equipment for tow trucks.

(7) "Tow truck" means a specially constructed and equipped motor vehicle for towing disabled and other vehicles as described in subsection (6) of this section and not otherwise used in transporting goods for compensation.

(8) "Certificate of public convenience and necessity" or "certificate" means a certificate issued by the commission to a towing operator declaring that public convenience and necessity require the service of such operator.

NEW SECTION. Sec. 3. It shall be unlawful for any person to operate as a towing operator on any public highway of this state except in accordance with the provisions of this chapter.

NEW SECTION. Sec. 4. The commission shall have power and authority, by general order or otherwise, to prescribe rules and regulations in conformity with this chapter to carry out the purposes thereof, applicable to any and all towing operators.

NEW SECTION. Sec. 5. All applicable provisions of this title, relating to procedure, powers of the commission, and penalties, shall apply to the operation and regulation of persons under this chapter, except insofar as such provisions may conflict with provisions of this chapter and rules and regulations issued thereunder by the commission.

NEW SECTION. Sec. 6. The commission shall prescribe forms of application for certificates and for extensions thereof for the use of prospective applicants, and shall make regulations for the filing thereof.

NEW SECTION. Sec. 7. Certificates granted by the commission shall be in such form as the commission shall prescribe and shall set forth the name and address of the person to whom the certificate is granted, the nature of the service to be engaged in, and the principal place of operation, termini, or route to be used or territory to be served by the operation. No certificate holder shall operate except in accordance with the certificate issued to him.

NEW SECTION. Sec. 8. No towing operator shall operate for the transportation of property for hire in this

state without first obtaining from the commission a certificate so to do.

A certificate issued to any towing operator shall be exercised by said operator to the fullest extent so as to render reasonable service to the public.

An application for a certificate or extension thereof shall be on file for a period of at least thirty days prior to the granting thereof unless the commission finds that special conditions require the earlier granting thereof.

A certificate or extension thereof shall be issued to any qualified applicant therefor, authorizing the whole or any part of the operations covered by the application, if it is found that the applicant is fit, willing, and able properly to perform the services proposed and conforms to the provisions of this chapter and the requirements, rules, and regulations of the commission thereunder, and that such operations will be consistent with the public interest, and, that the same are or will be required by the present or future public convenience and necessity; otherwise such application shall be denied.

NEW SECTION. Sec. 9. Application for certificates shall be made to the commission in writing and shall state the ownership, financial condition, equipment to be used by and physical property of the applicant, the territory or route or routes in or over which the applicant proposes to operate, the nature of the transportation to be engaged in, and such other information as the commission may require.

NEW SECTION. Sec. 10. The commission may with or without a hearing issue temporary certificates to engage in the business of operating a towing firm, but only after it finds that the issuance of such temporary certificate is consistent with the public interest. Such temporary certificate may be issued for a period of up to one hundred eighty days where the area or territory covered thereby is not contained in the certificate of any other towing firm. In all other cases such temporary certificate may be issued for a period not to exceed one hundred twenty days. The commission may prescribe such special rules and regulations and impose such special terms and conditions with reference thereto as in its judgment are reasonable and necessary in carrying out the provisions of this chapter.

The commission may also issue temporary certificates pending the determination of an application filed with the commission for approval of a consolidation or merger of the properties of two or more certificate holders or of a purchase or lease of one or more certificate holders.

NEW SECTION. Sec. 11. Any person actively and in good faith engaged in business as a towing operator on or before January 1, 1973, may submit to the commission proof of such operations and an application for a certificate of public convenience and necessity within one hundred twenty days of the effective date of this act. Pending the determination of any such application, the continuance of such operations without a certificate shall be lawful. The commission shall issue a certificate of public convenience and necessity to such applicant, authorizing continued operations of the type and in the area proved, without requiring further proof that the public convenience and necessity will be served thereby, and without further

proceeding.

NEW SECTION. Sec. 12. Any application for a certificate of public convenience and necessity, or any amendment thereof, or application to sell, lease, mortgage, or transfer a certificate of public convenience and necessity or any interest therein shall be accompanied by such filing fee as the commission may prescribe by rule.

NEW SECTION. Sec. 13. The commission shall, in the granting of permits to operators under this chapter, require such operators to either procure and file liability and property damage insurance from a company licensed to write such insurance in the state of Washington, or deposit such security, for such limits of liability and upon such terms and conditions as the commission shall determine to be necessary for the reasonable protection of the public against damage and injury for which such operator may be liable by reason of the operation of any motor vehicle.

In fixing the amount of said insurance policy or policies, or deposit of security, the commission shall give due consideration to the character and amount of traffic and the number of persons affected and the degree of danger which the proposed operation involves.

NEW SECTION. Sec. 14. The commission may, under such rules and regulations as it shall prescribe, require any towing operator to file a surety bond, insurance policy, or deposit security, in a sum to be determined by the commission to be conditioned upon such operator making compensation to customers, vehicle owners or consignees for all loss, damage, or injury to vehicles or other cargo being transported by or in the custody of the towing operator.

NEW SECTION. Sec. 15. Nothing contained in this chapter shall be construed to confer upon any person or persons the exclusive right or privilege of operating as a towing operator for hire over the public highways of the state, but when an applicant requests a certificate to operate in a territory already served by a certificate holder or holders under this chapter, the commission may, after hearing, issue the certificate only if there is positive proof that public convenience and necessity requires the service of an additional operator.

In all other cases, the commission may, with or without hearing, issue certificates, or for good cause shown refuse to issue them, or issue them for the partial exercise only of the privilege sought and may attach to the exercise of the rights granted such terms and conditions as, in its judgment, the public convenience and necessity may require.

Any right, privilege, certificate held, owned, or obtained by a towing operator may be sold, assigned, leased, transferred, or inherited as other property, but only upon authorization by the commission.

NEW SECTION. Sec. 16. The commission shall supervise and regulate every towing operator in this state; make, fix, alter, and amend, just, fair, reasonable, minimum, maximum, or minimum and maximum rates, charges, classifications, rules, and regulations for all such operators; regulate the accounts, service, and safety of operations thereof; require the filing of reports and other data thereby; and supervise and regulate all such operators

in all other matters affecting their relationship with competitors of every kind and the general public: PROVIDED, That the commission may by order approve rates filed by individual operators or groups of such operators in respect to designated services.

NEW SECTION. Sec. 17. All towing operators operating under the provisions of this chapter shall, as to the services performed or offered by them, be deemed to be common carriers, subject to the obligations and duties of common carriers and entitled to all the rights and privileges of such in their relations with the public and also be deemed to be public service companies.

NEW SECTION. Sec. 18. The commission is hereby empowered to administer and enforce all provisions of this chapter and to inspect the vehicles, books, and documents of all towing operators and the books, documents, and records of those using the service of the towing operators for the purpose of discovering all discriminations and rebates and other information pertaining to the enforcement of this chapter and shall prosecute violations thereof. The commission shall employ such auditors, inspectors, clerks, and assistants as it may deem necessary for the enforcement of this chapter, and it shall be the duty of the Washington state patrol to assist in the enforcement of this chapter, and the duty of the attorney general, when requested by the commission, to assign an assistant to assist the commission in the enforcement of this chapter, and the prosecution of persons charged with a violation thereof. It shall be the duty of the sheriffs of the counties to make arrests and of the county prosecuting attorneys to prosecute violations of this chapter.

NEW SECTION. Sec. 19. (1) No towing operator shall collect or receive a greater, lesser, or different remuneration for the transportation of property or for any service in connection therewith than the rates and charges which shall have been legally established and filed with the commission, or as are specified in the contract or contracts filed, as the case may be, nor shall any such operator refund or remit in any manner or by any device any portion of the rates and charges required to be collected by each tariff or contract or filing with the commission.

(2) The commission may check the records of all operators under this chapter and of those employing their services for the purpose of discovering all discriminations, under or overcharges, and rebates, and may suspend or revoke certificates for any violation of this section.

(3) The commission may refuse to accept any schedule or tariff or contract that will, in the opinion of the commission, limit the service of an operator to profitable services only in competition with other operators who give a complete service and thus afford one an unfair advantage over a competitor.

NEW SECTION. Sec. 20. The commission may adopt rules and regulations relating to the hours of duty of towing operators and drivers of tow trucks.

NEW SECTION. Sec. 21. The commission shall prescribe an identification card which must be displayed within the cab of each motor vehicle operated by a certificate holder setting out the certificate number and

the route or territory in which the vehicle is authorized to operate and the name and address of the owner of said certificate. The identification card provided for herein may be in such form and contain such information as required by the commission. It shall be unlawful for the owner of said certificate, his agent, servant, or employee, or any other person to use or display said identification card, the certificate number or other insignia of authority from the commission after said certificate has expired, been canceled, or disposed of, or to operate any vehicle under certificate without such identification card. Such cards shall be issued annually under the rules and regulations of the commission, and shall be attached to each motor vehicle operated subject to this chapter not later than January 1st of each year: PROVIDED, That such cards may be issued for the ensuing calendar year on and after the first day of December preceding and may be used and displayed from the date of issue until December 31st of the succeeding calendar year for which the same are issued. In case an applicant received a certificate after January 1st of any year such cards shall be obtained and attached to each motor vehicle subject to this chapter before operation of any such vehicle is commenced.

Every towing operator shall, on or before the first day of April of each year, file with the commission a statement on oath showing the gross operating revenue from intrastate operations for the preceding calendar year, or portion thereof, and pay to the commission a fee equal to one percent of the amount of gross operating revenue: PROVIDED, That the fee shall in no case be less than ten dollars.

It is the intent of the legislature that the fees collected under the provisions of this chapter shall reasonably approximate the cost of supervising and regulating towing operators, and to that end the utilities and transportation commission is authorized to decrease the schedule of fees provided in this section by general order entered before March 1st of any year in which it determines that the moneys then in the towing operators account of the public service revolving fund and the fees currently to be paid will exceed the reasonable cost of supervising and regulating such carriers.

All fees collected under this section or under any other provision of this chapter shall be paid to the commission and shall be by it transmitted to the state treasurer within thirty days to be deposited to the credit of the public service revolving fund.

NEW SECTION. Sec. 22. The provisions of this chapter, except where specifically otherwise provided, shall not apply to:

(1) The United States, the state of Washington, or any county, municipality, or other subdivision thereof, or any towing operator when transporting vehicles owned or operated by any such governmental entity;

(2) Garage operators involved in automotive repairs, when transporting vehicles to or from their own place of business, when such transportation is for the purpose of repair, service, or wrecking, to be performed by them, but not when the purpose of such transportation is merely storage or removal from the public highways;

(3) Towing operators when using tow trucks solely for the purpose of transporting persons, tools, and equipment in order to provide requested roadside repairs or assistance, and not otherwise used in transporting goods or persons for compensation;

(4) Abandoned vehicle disposers properly registered pursuant to chapter 46.52 RCW, nor to vehicle hulk haulers properly and registered pursuant to chapter 46.79 RCW.

NEW SECTION. Sec. 23. In all respects in which the commission has power and authority under this chapter, applications and complaints may be made and filed with it, process issued, hearings held, opinions, orders, and decisions made and filed, petitions for rehearing filed and acted upon, and petitions for writs of review to the superior court filed therewith, appeals or mandate filed with the court of appeals or supreme court of this state, considered and disposed of by said courts in the manner, under the conditions, and subject to the limitations and with the effect specified in this title. The right of review and appeal hereby conferred shall be available to any towing operators, complainant, protestant, or other person adversely affected by any decision or order of the commission.

NEW SECTION. Sec. 24. Certificates may be canceled, suspended, altered, or amended by the commission after notice and hearing upon complaint by any interested party, or upon its own motion, when a towing operator or his agent has violated this chapter, the rules and regulations of the commission, or the motor vehicle laws of this state or of the United States, or the towing operator has made unlawful rebates or has not conducted his operation in accordance with the certificate granted him. Any person may at the instance of the commission be enjoined from any violation of the provisions of this chapter, or any order, rule, or regulation made by the commission pursuant to the terms hereof. If such suit be instituted by the commission, no bond shall be required as a condition to the issuance of such injunction.

NEW SECTION. Sec. 25. No person whose application for a certificate has been denied after hearing under any of the provisions of this chapter shall be eligible to renew the application for a period of six months from the date of the order denying such application.

NEW SECTION. Sec. 26. The provisions of RCW 81.04.405, 81.04.460, and 81.29.040 as now existing or hereafter amended, shall apply to operations under provisions of this chapter.

NEW SECTION. Sec. 27. The provisions of the Administrative Procedure Act, chapter 34.04 RCW, shall apply to this chapter.

NEW SECTION. Sec. 28. This act shall become effective July 10, 1973.

NEW SECTION. Sec. 29. Sections 1 through 27 of this act shall constitute a new chapter in Title 81 RCW."

POINT OF ORDER

Mr. Kuehnle: "It appears to me that the Gallagher floor amendment is in essence House Bill No. 1045, the chief sponsors of which were Representatives Gilleland and

Conner. It would appear to me that under the terms of Rule 32, the attempt by amendment, to substitute an existing bill for another bill, should be ruled out of order. I would ask for your ruling on this matter, Mr. Speaker."

Mr. Gallagher: "If you check House Bill No. 1045 and House Bill No. 607, the first few pages of the bills are identical. There are some technical differences between the two bills. The amendment added to the bill changes the whole context of both bills."

Mr. Beck: "Mr. Speaker, I want to speak to this point of order. This bill pertains to the same subject, and it is agreeable with the committee chairmen of both committees there and the prime sponsors of the bill."

MOTION

On motion of Mr. Thompson, the House deferred further consideration of House Bill No. 607, and the bill was ordered placed on today's second reading calendar following House Bill No. 785.

Mr. Thompson spoke in favor of passage of the resolution.

ROLL CALL

The Clerk called the roll on the final passage of House Joint Resolution No. 40, and the resolution passed the House by the following vote: Yeas, 88; nays, 5; not voting, 5.

Voting yea: Representatives Adams, Anderson, Bagnariol, Barden, Bauer, Bausch, Beck, Bender, Benitz, Berentson, Blair, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Cunningham, Curtis, Douthwaite, Ehlers, Eikenberry, Ellis, Erickson, Flanagan, Fortson, Freeman, Gaines, Gallagher, Garrett, Gaspard, Gilleland, Goltz, Hansen, Hansey, Haussler, Hayner, Hendricks, Hoggins, Jastad, Johnson, Juelling, Julin, Kalich, Kelley, Kilbury, King, Knowles, Kopet, Kraabel, Kuehnle, Laughlin, Leckenby, Luders, Lysen, Martinis, Matthews, Maxie, May, McCormick, Moon, Nelson, North F., North L., O'Brien, Pardini, Paris, Parker, Patterson, Perry, Polk, Pullen, Randall, Shipoch, Smith, Smythe, Sommers, Thompson, Tilly, Van Dyk, Warnke, Williams, Wilson, Wojahn, Zimmerman, and Mr. Speaker.

Permitting nursing homes to offer out-patient services.

MOTION

On motion of Mr. Adams, Substitute House Bill No. 944 was substituted for House Bill No. 944, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 944 was read the second time.

Mr. Kraabel moved adoption of the following amendment by Representatives Kraabel and Sommers:

On page 1, section 2, line 20 after "be" strike "utilized" and insert "considered"

Mr. Kraabel spoke in favor of the amendment and Mr. Matthews spoke against it.

POINT OF INQUIRY

Mr. Matthews yielded to question by Mr. Kelley.

Mr. Kelley: "Representative Matthews, just in case there is some concern over the interpretation of the word 'utilized' as set forth by Representative Kraabel, would you indicate for the record so that we could establish legislative intent exactly what it is that we mean--you being co-sponsor of this bill with myself--what our intention is on the word 'utilized' and how that differs from the word 'considered'?"

Mr. Matthews: "I will be glad to. In taking the definition right out of Webster: 'Utilize' simply means to make use of, or to benefit by using. The word 'consider,' in opposition, going back to my previous comment, means to look at, examine or ponder. So I think that retaining this word 'utilized' does make it in effect a stronger definition, and does not make it as Mr. Kraabel says, that kind of a mandatory function. It means to make use of, and I think that is what we want to retain."

Mr. Kelley spoke against adoption of the amendment..

The amendment was not adopted.

Mr. Kraabel moved adoption of the following amendment by Representatives Kraabel and Sommers:

All information received by the department ((or approved health department)) from and after the effective date of this 1973 amendatory act, through filed reports, inspections, or as otherwise authorized under this chapter, shall not be disclosed publicly in any manner as to identify ((individuals or nursing homes)) individual patients, except in a proceeding involving the question of licensure."

POINT OF INQUIRY

Mr. Matthews yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "Representative Matthews, it appears to me that if this amendment were passed, it would open all records of any type as regard nursing homes and make that information 'public information.' Can you tell me the types of information that are alluded to in chapter 117, Laws of 1951, and chapter 160, Laws of 1953, which apparently include all of the information to become public should this amendment pass?"

The Speaker (Mr. O'Brien presiding): "In connection with your point of order, Mr. Matthews, on whether these amendments are germane and relevant to the main subject matter, it would appear to the Speaker that perhaps they may be incompatible or inconsistent with the main proposition. The committee amendment, as amended by Mr. Savage, was adopted.

HOUSE BILL NO. 607, by Representatives Gallagher, McCormick, Knowles and Gaines:

Regulating tow trucks.

The House resumed consideration of House Bill No. 607 on second reading. (For previous action, see today's Journal, Morning Session.) The Speaker (Mr. O'Brien presiding) stated that a point of order had been raised on the amendment offered by Mr. Gallagher.

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "Mr. Kuehnle raised a point of order as to whether or not the amendment offered by Representative Gallagher is germane and relevant to House Bill No. 607. After considerable review and analysis of both House Bill No. 607 and House Bill No. 1045, which Mr. Kuehnle stated was lifted and placed in the amendment by Mr. Gallagher, it appears that there are substantial differences in the amendment offered by Mr. Gallagher, and they cover six substantial changes. It would appear that the House would be better served to honor the amendment by Mr. Gallagher rather than to have offered individual amendments which would take up considerable time. So, in view of efficiency and the fact that there are some substantial changes, the Speaker is going to rule that the amendment by Mr. Gallagher is germane and relevant to the main subject matter. At this time I am going to rule your point of order is not well taken, Mr. Kuehnle."

Mr. Newhouse moved adoption of the following amendments to the amendment by Mr. Gallagher to House Bill No. 607:

On page 3, section 7, line 18 after "in" strike the comma

On page 3, section 7, line 19 after "operation" strike down to and including "operation" on line 20

On page 4, section 9, line 12 after "applicant," strike down to and including "operate," on line 13

On page 4, section 10, line 20 after "days" strike down to and including "days" on line 23

On page 5, section 11, line 8 after "type" strike "and in the area"

On page 6, section 15, line 8 after "state" strike down to and including "operator" on line 13

On page 6, section 15, line 14 after "all" strike "other"

On page 8, section 21, line 16 after "number" strike down to and including "operate" on line 17

Mr. Newhouse spoke in favor of the amendments, and Mr. Gallagher spoke against them.

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Ceccarelli.

Mr. Ceccarelli: "Irv, you are handling all of these amendments at once, is that correct? Then you are handling the one on page 6, section 15, line 8, after 'state' strike down to and including 'operator' on line 13?"

Mr. Newhouse: "Yes, it would strike, 'but when an applicant requests a certificate to operate in a territory already served by a certificate holder or holders under this chapter, the commission may, after hearing, issue the certificate only if there is positive proof that public convenience and necessity requires the service of an additional operator.' My point would be that I do not think that this is a valid area for the commission to regulate--that whether or not a monopoly shall exist, in my opinion, would not be what the legislature wants to grant the Utilities and Transportation Commission in this area."

Representatives Ceccarelli and Wojahn spoke against adoption of the amendments, and Representatives Wilson and Kuehle spoke in favor of the amendments.

Mr. Gallagher spoke again in opposition to the amendments by Mr. Newhouse.

Mr. Beck demanded the previous question and the demand was not sustained.

Mr. Leckenby spoke in favor of the amendments.

POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Representative Berentson, I know you have had a lot of experience with the trucking concerns in your connection with the Transportation Committee. Would you explain to the House whether or not the trucking industry is regulated as regards territories--let's say with reference to logging trucks, general utility trucking, etc?"

Mr. Berentson: "To my knowledge, there are various categories of permits issued: For example, a logging truck operator would be restricted to a rather tight area. In the area of freight lines and that type of thing, it is my understanding that they make application, and make application for a given route. That might include an entire state or it might include only a run between, say, Seattle and Vancouver, Washington. In my opinion that approach might be broadened to perhaps the approach of the Liquor Control Board in awarding liquor licenses. If we could bring that type of consideration into a tow truck bill, I think we would probably do the state of Washington a service. In my personal opinion, I am not too sure that the Utilities and Transportation Commission isn't too restrictive in who they allow in that particular business."

Representatives Douthwaite and Conner spoke against adoption of the amendments, and Representative Newhouse closed debate, speaking again in favor of the amendments.

The amendments by Mr. Newhouse to the amendment by Mr. Gallagher to House Bill No. 607 were lost on a rising vote.

The Speaker assumed the Chair.

The Clerk read the following amendment by Representatives Wilson and Tilly to the amendment by Mr. Gallagher:

On page 6, section 15, line 8 after "state," strike all material down to and including "the" on line 14 and insert "The"

With the consent of the House, Mr. Wilson withdrew the amendment.

Mr. Berentson moved adoption of the following amendments to the amendment by Mr. Gallagher to House Bill No. 607:

On page 7, section 18, line 10 following "operators" strike "and the books, documents, and records of those using the service of the towing operators"

On page 8, section 19, line 1 after "chapter" strike "and of those employing their services"

Mr. Berentson spoke in favor of the amendments and Mr. Gallagher spoke against them.

POINT OF INQUIRY

Mr. Berentson yielded to question by Mr. Jueling.

Mr. Jueling: "As I read the amendment that you have proposed, what you are actually eliminating, and as I interpret this--if you were a tow truck operator and I used your service, then the Utilities and Transportation Commission could have access to my books and documents or any other records that I have--just because I used your service. Is that correct?"

Mr. Berentson: "That is right. That is what the bill now states. I don't know if that was the intent of the drafter of the bill, but that is what the bill now states. I suggested a couple of days ago that perhaps if the authors of the bill are concerned about such people as the AAA, who do use the service of tow truck operators, that perhaps they should offer an amendment or change the language of this. But as it now states, the Utilities and Transportation Commission would have the ability or the authority to come to anyone who uses the tow truck and check his records--for what reason I don't know--against perhaps the records of the tow truck company."

Mr. King spoke against adoption of the amendments by Mr. Berentson.

Mr. Pardini demanded an electric roll call and the demand was sustained.

Representatives Pardini and Amen spoke in favor of adoption of the amendments to the amendment by Mr. Gallagher to House Bill No. 607, and Mrs. Wojahn spoke against them.

Mr. Gallagher spoke again in opposition to the amendments.

ROLL CALL

Voting nay: Representatives Adams, Anderson, Bagnariol, Beck, Bender, Ceccarelli, Charette, Chatalas, Clemente, Conner, Ehlers, Ellis, Eng, Erickson, Fortson, Gaines, Gallagher, Gaspard, Goltz, Hansen, Haussler, Jastad, Johnson, Kalich, Kelley, Kilbury, King, Knowles, Laughlin, Luders, Martinis, Maxie, May, McCormick, Moon, North F., O'Brien, Parker, Perry, Savage, Shipoch, Sommers, Thompson, Van Dyk, Williams, Wojahn, and Mr.

Speaker.

Not voting: Representatives Rabel, Swayze.

MOTION FOR RECONSIDERATION

Mr. Lysen, having voted on the prevailing side, moved that the House do now reconsider the vote by which the amendments by Mr. Berentson to the amendment by Mr. Gallagher to House Bill No. 607 were adopted.

Mr. Pardini demanded an electric roll call and the demand was sustained.

PARLIAMENTARY INQUIRY

Mr. Julin: "Would you advise the members of the body as to the significance of a 'yes' vote or a 'no' vote insofar as their position is concerned on these amendments?"

The Speaker: "A vote 'yes' means that the body desires to reconsider the vote by which the floor amendments were adopted. If this carries, then the floor amendments would be before us for reconsideration."

PARLIAMENTARY INQUIRY

Mr. Pardini: "Would you inform the body how Representative Shinpoch voted on the last motion by which we adopted the amendments?"

The Speaker: "Representative Shinpoch voted 'no'."

Mr. Pardini: "Is Representative Shinpoch recorded as being in attendance?"

The Speaker: "He didn't answer the original roll call, Representative Pardini."

ROLL CALL

The Clerk called the roll on the motion by Mr. Lysen to reconsider the vote by which the amendments by Mr. Berentson to the amendment by Mr. Gallagher to House Bill No. 607 were adopted, and the motion was carried by the following vote: Yeas, 50; nays, 43; not voting, 5.

Voting yea: Representatives Adams, Anderson, Bagnariol, Bauer, Beck, Bender, Ceccarelli, Charette, Chatalas, Clemente, Conner, Ehlers, Ellis, Eng, Erickson, Fortson, Gaines, Gallagher, Gaspard, Goltz, Hansen, Haussler, Jastad, Johnson, Kalich, Kelley, Kilbury, King, Knowles, Laughlin, Lysen, Martinis, Maxie, May, McCormick, Moon, North F., O'Brien, Parker, Perry, Randall, Savage, Smith, Sommers, Thompson, Valle, Van Dyk, Williams, Wojahn, and Mr. Speaker.

On page 8, section 19, line 1 after "chapter" strike "and of those employing their services"

Mr. Pardini demanded an electric roll call and the demand was sustained.

Mrs. Wojahn spoke against adoption of the amendments.

POINT OF ORDER

Mr. Kuehnle: "Mr. Speaker, I don't think these examples have a thing to do with the amendments which deal with examining our personal records."

The Speaker: "Representative Kuehnle, I feel since we are talking about the regulation and the rate setting method in this entire bill, that this might be in point. If Mrs. Wojahn wishes to discuss irregularities by certain people in regard to whether or not the rates are justified, I think this would be within the scope of the argument. You may proceed, Representative Wojahn."

Mrs. Wojahn concluded her remarks in opposition to the amendments, and Mr. Berentson spoke in favor of adoption of the amendments.

POINT OF ORDER

Mr. Pardini: "Rule 81 of the House says: 'A majority recommendation of a committee must be signed by a majority of the entire membership of the committee in a regularly called meeting before a bill, memorial or resolution may be reported out.' I submit to you that there are members of this body signing a bill in the wings of the House."

The Speaker: "Is there anyone signing this bill in the wings of the House? The question before the House is the consideration of House Bill No. 607 at this time. Representative Berentson, will you continue?"

Mr. Berentson concluded his remarks in favor of the amendments.

ROLL CALL

The Clerk called the roll on the reconsideration of the amendments by Mr. Berentson to the amendment by Mr. Gallagher to House Bill No. 607, and the amendments were lost by the following vote: Yeas, 44; nays, 51; not voting, 3.

Mr. Charette: "I think, Representative Hoggins, that the question can best be answered in the style of one of the great justices of the United States Supreme Court, and that is in the form of a question: What assurance can you give us that we will have enough votes for any responsible measure considered by this House?"

The Speaker: "Do you wish to yield to question, Representative Hoggins?"

Mr. Hoggins: "I can give Mr. Charette some very good assurance there will be cooperation on this side of the aisle in the area of tax reform. I think if we are talking about this issue here, I can give him assurance there will be cooperation on this side of the aisle for this issue if we can ever get the bill out of committee. Mr. Paris: "Well, of course, exactly what type of patient will be sent there, I am not qualified to say, but these would be the geriatric patients of a hospital that could be sent there. I think we need to make that distinction."

Mrs. Hurley: "It is only the elderly?"

Mr. Paris: "Yes, I am sorry I didn't make that distinction."

POINT OF INQUIRY

Mr. Paris yielded to question by Mr. Goltz.

Mr. Goltz: "If Northern State Hospital does not close, or if the concept of a community service center replaces Northern State Hospital, would this legislation still be desirable?"

Mr. Paris: "Yes, it would. And I was not making an announcement, by the way, regarding Northern State. Many of the patients in nursing homes now do need and do receive psychiatric or psychological assistance by the very nature of their problems, so this is simply to take care of patients that are there presently."

POINT OF INQUIRY

Mr. Paris yielded to question by Mr. Van Dyk.

Mr. Van Dyk: "I was just reading the bill digest,

and I didn't see the words that it was limited solely to geriatrics. Is the treatment for those who need mental care limited solely to geriatrics, or do you just think that is mostly what will be handled in the nursing home?"

Mr. Paris: "I think by the very nature of a nursing home, that would be the most sizeable number of patients so treated, but I would not want to stand here and say it would be 'solely' geriatric patients."

Mr. Van Dyk: "In other words, as the bill is now, it would be open to any type of mental health care--it could be the acutely mentally ill, or whatever? It doesn't prohibit it?"

Mr. Paris: "I wouldn't want to make a statement in a precise way, or make an absolute statement to that because I am not of course making those commitments--but I would say, obviously there are some patients, acutely mentally ill, who could not be committed to a nursing home by the very nature of a nursing home--the ones that I visit anyway."

Mr. Van Dyk: "Well, further clarification--if they couldn't be committed to a nursing home, for what reason would they not go to a nursing home? What would prohibit that?"

Mr. Paris: "Well anyone who is a dangerous person--one who is psychotic or would have some of the more dangerous mental illnesses certainly could not be sent there to jeopardize the other patients in a nursing home."

Mr. Van Dyk spoke against passage of the bill, and Mr. Parker spoke in favor of it.

ROLL CALL

The Clerk called the roll on the final passage of House Bill No. 731, and the bill passed the House by the following vote: Yeas, 87; nays, 8; absent or not voting, 3.

Voting yea: Representatives Adams, Amen, Anderson, Bagnariol, Barden, Bauer, Bausch, Beck, Bender, Benitz, Berentson, Bluechel, Brown, Ceccarelli, Charette, Charnley, Chatalas, Conner, Cunningham, Curtis, Douthwaite, Eikenberry, Ellis, Eng, Erickson, Flanagan, Freeman, Gaines, Gallagher, Garrett, Gaspard, Gilleland, Hansen, Hansey, Haussler, Hayner, Hendricks, Hoggins, Jastad, Johnson, Jueling, Julin, Kalich, Kelley, Kilbury, King, Knowles, Kopet, Kraabel, Kuehnle, Laughlin, Leckenby, Luders, Martinis, Mathews, Maxie, May, McCormick, Moon, Morrison, Nelson, Newhouse, North F., North L., O'Brien, Pardini, Paris, Parker, Patterson, Perry, Polk, Randall, Savage, Schumaker, Smith, Smythe, Sommers, Swayze, Thompson, Tilly, Valle, Warnke, Williams, Wilson, Wojahn, Zimmerman, and Mr. Speaker.

MOTION

Mr. Charette moved that the House adopt the report of the Free Conference Committee on Engrossed Senate Concurrent Resolution No. 125.

PARLIAMENTARY INQUIRY

Mr. Swayze: "Mr. Speaker, I have a computer print-out on the activity on this Resolution No. 125. Under date of April 3, on action on that measure in the Senate, we find that the Senate refused to concur in the House amendments; asked for a conference; appointed a conference committee; request granted; committee appointed. Then, conference committee report; free conference powers requested; free conference powers granted; and free conference committee report adopted--all on April 3, 1973. My point of parliamentary inquiry is: Under Rule 9, requiring that a free conference report be on the desk thirty-six hours before it can be adopted--my point is whether one house of this legislature can, by unilateral action, suspend a Joint Rule of the House and the Senate and take action all in one day."

The Speaker: "It is my understanding that the matter was brought up in the Senate and there was no objection to the procedure. I don't think it is incumbent upon the House to enforce the Senate's conduct. The matter has been thirty-six hours before this House, so therefore I think it is before this House to be acted on."

MESSAGE FROM THE SENATE

April 5, 1973

Mr. Speaker:

The Senate has adopted the report of the conference committee on ENGROSSED SENATE BILL NO. 2278, and has granted said committee the powers of Free Conference.

Sidney R. Snyder, Secretary.

SIGNED BY THE SPEAKER

The Speaker (Mr. O'Brien presiding) announced that the Speaker signed:

HOUSE BILL NO. 225,
HOUSE BILL NO. 668,
HOUSE BILL NO. 746.

MOTION

Mr. Charette moved that the House immediately consider HOUSE BILL NO. 711.

SECOND READING

HOUSE BILL NO. 711, by Representatives Kuehnle, Bagnariol, Ceccarelli, Morrison and Gallagher:

Relating to gambling.

MOTION

On motion of Mrs. Wojahn, Substitute House Bill No. 711 was substituted for House Bill No. 711, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 711 was read the second time.

MOTION

Mr. Charnley moved that the House defer consideration of Substitute House Bill No. 711 on second reading, and that the bill be placed at the top of tomorrow's second reading calendar.

Representatives Charnley, Eikenberry and Charette spoke in favor of the motion.

The motion was carried.

SUBSTITUTE HOUSE BILL NO. 1060, by Representatives Bagnaric, Randall, Sommers and Williams:

Limiting aggregate property tax levies to one percent of true and fair value.

The House resumed consideration of Substitute House Bill No. 1060 on second reading. (Bill substituted on April 4, 1973, and held for April 5, 1973 calendar.)

Mr. Barden moved adoption of the following amendment by Representatives Barden and Lysen:

On page 1, section 1, line 22 after "district" and before the period insert ": PROVIDED FURTHER, That no port district levy shall be made unless authorized by a majority of the registered voters of the district at an election held in the manner now or hereafter provided by law for similar elections in school districts of the first class and such election shall be held no more than once in any four-year period, and each such election may authorize a levy for no more than four years"

POINT OF ORDER

Mr. Parker: "Mr. Speaker, I would like to raise a point of order as to the scope and object of this amendment. The bill deals with limiting property to one percent of true and fair value, and it defines the taxing district. It does not deal with election requirements for levies."

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "Mr. Parker has raised the question as to whether or not the amendment by Representatives Barden and Lysen is germane to the main purpose of Substitute House Bill No. 1060. It appears that the primary purpose of Substitute House Bill No. 1060 is to limit the amount of property tax that can be levied in any one year. The purpose of the amendment is to set forth conditions on which the port districts can levy their port district levy, holding it to once in any four-year period, and that each such election may be authorized for not more than four years. It would appear that this amendment is not germane to the overall primary purpose of Substitute House Bill No. 1060. It is not pertinent to the main subject matter of the bill, so I am going to rule that the amendment is not germane, and it is out of order."

Mr. Julin moved adoption of the following amendment: On page 2, line 6 insert the following new sections: "NEW SECTION. Sec. 2. The text of House Bill 686, beginning on page 8, line 27, down to and including page 149, line 16, and all House Committee Amendments adopted thereto by the House Committee on Ways and Means - Revenue is incorporated herein by reference and the sections thereof appropriately renumbered.

NEW SECTION. Sec. 3. The effective date of sections 15 and 21 of this 1973 amendatory act shall be July 1, 1973, at which time sections 14 and 20 of this act shall be void and of no effect."

Renumber the remaining section consecutively.

Mr. Julin spoke in favor of adoption of the amendment.

POINT OF ORDER

Mr. Bagnariol: "I raise the point of order as to whether or not the text of another bill can be attached to a bill as an amendment to the bill."

POINT OF INFORMATION

Mr. Newhouse: "I would just like to point out, Mr. Speaker, that this amendment encompasses House Bill No. 686 as it was brought out of committee, and not in the form that it now reposes in Rules Committee with no great impetus to get it out."

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "In connection with the point of order raised by Mr. Bagnariol relative to the amendment by Mr. Julin, it would appear that the amendment is not prepared in the form required by House Rule No. 29. Because of that, the amendment is declared out of order. Your point is well taken, Mr. Bagnariol."

PARLIAMENTARY INQUIRY

Mr. Julin: "Mr. Speaker, House Bill No. 686 as amended by the committee has been in the bill book of every member of this body for several weeks. My amendment simply incorporates that language as a speedy way of avoiding substantial printing costs for the state. It was for that reason I chose this particular route. Would you please advise me whether or not my amendment would be in order if I were simply to attach to my amendment a copy of House Bill No. 686 as amended by the Committee on Ways and Means - Revenue (which I can do). Would this amendment then be in order?"

The Speaker (Mr. O'Brien presiding): "Your question is moot. I would have to see what it is all about."

MOTION

On motion of Mr. Pardini, the House deferred further consideration of Substitute House Bill No. 1060 on second reading, and the bill was ordered held for tomorrow's second reading calendar following Substitute House Bill No. 711.

POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Julin.

Mr. Julin: "Representative Martinis, my digest of this bill indicates that this new proposed council may participate in public relations activities affecting legislative awareness of proposed legislation. I have not read the bill with that exactness, but does that mean that this commission could in the interim be engaged in political lobbying activities?"

Mr. Martinis: "Representative Julin, that is not the intent of the bill. The reason for that was so that the advisory council would actually be a part of the standing committees. The standing committees would select these people, just as we did during the last interim. The interim committee did have a citizens advisory committee and they suggested possible future legislation that the committee proposed. This very bill was the suggestion of that citizens committee. No, Mr. Julin, there is no intent in this bill that this advisory council be a political arm.

It would be strictly advisory, and would make suggestions pertaining to future legislation."

Mr. Julin: "One further question: Would those suggestions, then, and that advice be limited to the department of fisheries that it is advising?"

Mr. Martinis: "Representative Julin, the intent of this council is not only to advise the department, but also advise either the interim committees or the standing committees of the House and the Senate. They actually have no official capacity other than advisory. Their only official duty would be to advise you, as a legislator, and namely the House Natural Resources Committee that you serve on. They would actually have no other jurisdiction and no powers other than to make suggestions."

Mr. Swayze spoke against passage of the bill, and Mr. Martinis spoke again in favor of the bill.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 2339, and the bill passed the House by the following vote: Yeas, 61; nays, 30; not voting, 7.

STATEMENT FOR THE JOURNAL

I voted "no" on Engrossed Senate Bill No. 2339 because I have reservations about legislators serving on an advisory council to the Department of Fisheries.

It will be unnecessary, costly, and could lead to a whole rash of advisory councils of legislators to separate administrative agencies at per diem.

HAROLD S. ZIMMERMAN, 17th District.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2365, by Committee on Social and Health Services (Originally sponsored by Senators Durkan, Woodall, Ridder, Connor and Knoblauch - by Lt. Governor request):

Regulating emergency medical care and health services.

Committee on Social and Health Services recommendation: Majority, do pass as amended. (For amendments see Journal for eighth day, Ex. Sess., March 16, 1973, and twenty-fifth day, Ex. Sess., April 2, 1973.)

The bill was read the second time.

On motion of Mr. Parker, the committee amendments to page 4, line 20; page 5, line 8; page 6, line 33; page 8, line 24; and page 10, line 2, were adopted.

Mr. Nelson moved adoption of the following amendments by Representatives Nelson and Berentson:

On page 1, section 2, line 22, after "of" insert "privately administered"

On page 1, section 2, line 22, after "care," insert "privately administered"

On page 1, section 2, line 22, after "and" insert "privately owned"

On page 5, section 8, line 21, after "for" insert "the following nonpublicly owned equipment"

On page 7, section 13, line 25, after "(1)" strike "The United States government" and insert "Any governmental entity"

On page 9, section 16, line 8 after "each" insert "nonpublicly owned"

Mr. Nelson spoke in favor of the amendments, and Mr. Parker spoke against their adoption.

POINT OF INQUIRY

Mr. Parker yielded to question by Mr. Leckenby.

Mr. Leckenby: "Representative Parker, if this amendment does not pass, is it true that Medic One would be regulated by the Department of Social and Health Services?"

Mr. Parker: "Representative Leckenby, the answer to that question would be that the department, in reference to this bill, would be allowed to provide minimum standards.

But when you talk about regulation, Medic One would, I am sure, far and away exceed those standards, so in effect the bill would not have that much effect on Medic One."

Mr. Leckenby spoke in favor of adoption of the amendments, and Mr. Parker spoke against the amendments.

Representatives Leckenby and Berentson spoke in favor of the adoption of the amendments.

The Speaker (Mr. O'Brien presiding) recognized Mr. Parker to speak again on the amendments.

POINT OF ORDER

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "Rule 51, Mr. Parker, states that 'No member shall speak more than twice on the same question without leave of the House.' For what purpose do you rise, Mr. Parker?"

Mr. Parker: "Mr. Speaker, there are six amendments on the desk."

The Speaker (Mr. O'Brien presiding): "Do you think you covered the six amendments in your previous remarks? You didn't quite cover them? If somebody wants to make a motion to grant additional time, the motion would be in order."

MOTION

On motion of Mr. Savage, Mr. Parker was granted additional time to discuss the amendments offered by Representatives Nelson and Berentson.

Mr. Parker spoke again in opposition to the amendments, and Mr. Nelson spoke again in favor of their adoption.

Mr. Conner demanded the previous question and the demand was sustained.

POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Williams.

Mr. Williams: "Mr. Charette, by the language in this particular proviso, if an organization were to in its by-laws discriminate on the basis of one of these aspects (race, creed, etc.) which not in any way was related to the purposes of that nonprofit corporation or otherwise, would you say this would then prohibit the commission from giving any consideration to that at all?"

Mr. Charette: "Mr. Williams, I am not trying to avoid the question, but I think that a direct answer is that this is an order to the commission not to discriminate."

Mr. Williams spoke again in favor of the amendment.

The amendment by Mr. Williams to Substitute House Bill No. 711 was not adopted.

Mrs. North (Lois) moved adoption of the following amendment:

On page 31, line 23 strike all of section 32.

PARLIAMENTARY INQUIRY

Mr. Eikenberry: "Mr. Speaker, the amendment as proposed, as a matter of typographics, I believe, simply skipped over line 25. The language of the amendment includes preceding line 25 and after line 25. I wonder if we adopt this amendment, if it would not be understood that the language on line 25 would be included in the amendment?"

The Speaker: "This point was brought to our attention earlier, Representative Eikenberry. I don't think it would be incumbent on the engrosser of the bill to make such a correction, but since it has been brought to the attention of the body, and if there is no objection, the Chief Clerk will be so instructed to correct this. I think it is a rather obvious error. Otherwise, I imagine the best way to solve this would be an amendment to the amendment. However if there is no objection, we will so instruct the Chief Clerk. It is so ordered."

The amendment as corrected is as follows:

On page 20, section 11, line 24 following "same:" strike "PROVIDED, That should no such tax be levied by any county, city, city-county or town by local law or ordinance on such gambling activity, no license therefor in such respective jurisdiction, shall be issued by the commission:"

Representative Pardini, is it the intent of your amendment to make a multiple-coin pinball device a gambling device within the meaning of this act?"

POINT OF INQUIRY

Mr. Ceccarelli yielded to question by Mr. Williams.

Mr. Williams: "Representative Ceccarelli, as you understand the present bill (perhaps I should have asked Representative Kuehnle), does it require positive action in terms of authorizing gambling now?"

Mr. Ceccarelli: "As I understand it (Representative Kuehnle I understand is going to speak on this, so maybe he can clear it up), the way the bill is written now, a local authority under the local option provision can do nothing, and therefore eliminate gambling in that local authority. In other words, by doing nothing--by taking no action--gambling is prohibited. This merely says that gambling is legal unless they set forth an ordinance against it. So this makes them act in a positive way and addresses itself to Representative Charette's question as to allowing them to say 'yes' or 'no' in a positive way."

"NEW SECTION. Section 1. It is hereby declared to be the policy of the legislature, recognizing the close relationship between professional gambling and organized crime, to restrain all persons from seeking profit from professional gambling activities in this state; to restrain all persons from patronizing such professional gambling activities; to safeguard the public against the evils induced by common gamblers and common gambling houses engaged in professional gambling; and at the same time, both to preserve the freedom of the press and to avoid restricting participation by individuals in activities and social pastimes, which activities and social pastimes are more for amusement rather than for profit, do not maliciously affect the public, and do not breach the peace.

The legislature hereby authorizes the conducting of bingo, raffles, and amusement games when conducted by charitable or nonprofit organizations holding permits pursuant to this chapter, and conducted pursuant to the provisions of this chapter and any rules and regulations adopted pursuant thereto, and further authorizes the operation of punch boards, pull-tabs, and social card games when conducted by a person, partnership, corporation, association or organization holding a permit pursuant to this chapter and conducted pursuant to the provisions of this chapter and any rules and regulations adopted pursuant thereto.

Gambling does not include parimutuel betting as authorized by chapter 67.16 RCW, bona fide business transactions valid under the law of contracts, including, but not limited to, contracts for the purchase or sale at a future date of securities or commodities, and agreements to compensate for loss caused by the happening of chance, including, but not limited to, contracts of indemnity or guarantee and life, health or accident insurance.

(10) 'Player', except as otherwise in section 31 of this act provided, means a natural person who engages, on equal terms with the other participants, and solely as a contestant or bettor, in any form of gambling in which no person may receive or become entitled to receive any profit therefrom other than personal gambling winnings, and without otherwise rendering any material assistance to the establishment, conduct or operation of a particular gambling activity. A natural person who gambles at a social game of chance on equal terms with the other participants therein does not otherwise render material assistance to the establishment, conduct or operation thereof by performing, without fee or remuneration, acts directed toward the arrangement or facilitation of the game, such as inviting persons to play, permitting the use of premises therefor, and supplying cards or other equipment used therein: PROVIDED, That employees or officials of a nonprofit organization whose premises are not open to the general public are not engaged in 'professional gambling' as defined herein by the act of

A person who engages in 'bookmaking' as defined in this section is not a 'player'.

(11) A person is engaged in 'professional gambling' when:

(c) He engages in bookmaking; or

(d) He conducts a lottery as defined in subsection (19) of this section.

Conduct under subparagraph (a), except as exempted under section 31 of this act, includes but is not limited to conduct directed toward the creation or establishment of the particular game, contest, scheme, device or activity involved, toward the acquisition or maintenance of premises, paraphernalia, equipment or apparatus therefor, toward the solicitation or inducement of persons to participate therein, toward the actual conduct of the playing phases thereof, toward the arrangement of any of its financial or recording phases, or toward any other phase of its operation. If a person having substantial proprietary or other authoritative control over any premises shall permit said premises to be used with the person's knowledge for the purpose of conducting gambling activity other than activities as set forth in section 31 of this act, and acting other than as a player, and said person permits such to occur or continue or makes no effort to prevent its occurrence or continuation, he shall be considered as being engaged in professional gambling: PROVIDED, That the proprietor of a bowling establishment who awards prizes obtained from player contributions to players successfully knocking down pins upon the contingency of identifiable pins being placed in a specified position or combination of positions, as designated by the posted rules of the bowling establishment, where the proprietor does not participate in the proceeds of the 'prize fund' shall not be construed to be engaging in professional gambling within the meaning of this chapter: PROVIDED FURTHER, That the books and records of such bowling games shall be open to public inspection.

But in the application of this definition, a pinball machine or similar mechanical amusement device which confers only an immediate and unrecorded right of replay, on players thereof, which does not contain any mechanism which varies the chance of winning free games or the number of free games which may be won, or have a mechanism or a chute for dispensing coins or a facsimile thereof, which prohibits multiple winnings depending upon the number of coins inserted and requires the playing of five balls individually upon the insertion of a nickel or dime, as the case may be, to complete any one operation thereof, shall not be deemed a gambling device.

(13) 'Gambling premises' means any building, room, enclosure, vehicle, vessel or other place used or intended to be used for professional gambling. Voting yea: Representatives Adams, Amen, Anderson, Bagnariol, Bauer, Bausch, Beck, Bender, Benitz, Berentson, Brown, Ceccarelli, Charette, Chatalas, Clemente, Conner, Cunningham, Curtis, Douthwaite, Ehlers, Ellis, Eng, Erickson, Flanagan, Fortson, Gaines, Gallagher, Garrett, Gaspard, Gilleland, Goltz, Hansen, Hansey, Haussler, Hendricks, Hurley, Jastad, Jueling, Kalich, Kelley, Kilbury, King, Knowles, Kopet, Kuehnle, Laughlin, Leckenby, Luders, Lysen, Martinis, Maxie, May, McCormick, Moon, Morrison, Nelson, Newhouse, North F., O'Brien, Pardini, Parker, Patterson, Perry, Randall, Savage, Schumaker, Shinpoch, Smith, Swayze, Thompson, Valle, Van Dyk, Warnke, Wilson, Wojahn, and Mr. Speaker.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be Engrossed Substitute House Bill No. 711 on final passage.

Mr. Kuehnle spoke in favor of the bill.

POINT OF INQUIRY

Mr. Eikenberry yielded to question by Mr. Ceccarelli.

Mr. Ceccarelli: "Representative Eikenberry, under the local option provisions of this bill, may a local legislative authority adopt its own peculiar variations of any gambling form?"

Mr. Eikenberry: "Representative Ceccarelli, thank you for asking, because I think it is important that we do establish as a matter of record the answer to that question. I would like to express my impression of the answer, and also the impression of Representative Kuehne, I believe, who has worked on this bill long and hard. I believe the only proper answer is that a local legislative authority may adopt an ordinance which puts into effect the form of gambling authorized by this statute, and not some peculiar variance that may be less than what is authorized by the statute. The reason I think this is so important is to prevent any further fragmentation than will already occur under the local option provisions."

Representatives Julin, Sommers, Pullen and Eikenberry spoke against passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 711, and the bill passed the House by the following vote: Yeas, 73; nays, 25; not voting, 0.

STATEMENT FOR THE JOURNAL

Substitute House Bill No. 711 (Gambling)

After the House had permitted pinballs, undefined mechanical devices, and "Reno Nights," this measure went far beyond what the people approved last fall; namely, bingo and raffles. It will result in more family economic difficulties by persons not able to resist pinball machines or other gambling devices. It can mean real enforcement problems for local government.

HAROLD S. ZIMMERMAN
17th District.

MOTION

Mr. Thompson moved that the House do now consider HOUSE JOINT RESOLUTION NO. 6 on second reading.

The motion was carried.

HOUSE JOINT RESOLUTION NO. 6, by Representative Savage:

Allowing bills introduced at a session to carry over to subsequent sessions of the same legislature.

Committee on Constitution and Elections recommendation: Majority, do pass as amended. (For amendment see Journal for twelfth day, Ex. Sess., March 20, 1973.)

The resolution was read the second time.

On motion of Mr. King, the committee amendment was adopted.

House Joint Resolution No. 6 was ordered engrossed.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed House Joint Resolution No. 6 was placed on final passage.

POINT OF INQUIRY

Mr. Savage yielded to question by Mr. Morrison.

Mr. Morrison: "Representative Savage, in reading the language of this constitutional amendment, I am wondering if this would prohibit the introduction of a bill in both Houses at the same time--that is to implement dual sponsorship which is a reform many of us have worked for, for a number of years?"

Mr. Savage: "I hadn't any idea of trying to do that. I made no effort to legalize that because I thought that was another subject. I do think the amendment that the committee put on, changing the language to that extent is a very fine amendment. No, I didn't do anything to make it possible to introduce them. I just thought it better to

have one single item to consider in this. I am for joint introduction, but I didn't take care of it here."

Representatives Morrison and Brown spoke in favor of passage of the resolution, and Representative Pardini spoke against it.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Joint Resolution No. 6, and the resolution passed the House by the following vote: Yeas, 89; nays, 9; not voting, 0.

POINT OF INQUIRY

Mr. Matthews: "Would Dr. Adams yield to question, please?"

Representative Adams refused to yield to question.

Mr. Parker yielded to question by Mr. Matthews.

Mr. Matthews: "Maybe there is some confusion over this, and maybe the confusion is on my part. As I understood the last committee amendment, we struck section 19, and that is what we are passing on now. I understand now that we want to retain section 19. Could I get some clarification?"

Mr. Parker: "As far as I know, everybody agrees on the amendment that is now before us."

Mr. Matthews: "My question is: Is the committee amendment striking section 19, or is the committee amendment retaining section 19?"

Mr. Parker: "Representative Matthews, it is retaining section 19."

Mr. Matthews spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Van Dyk yielded to question by Mr. Julin.

Mr. Julin: "Representative Van Dyk, I believe the city of Mercer Island receives its municipal water supply by contract with the city of Seattle. Now would the effect

of this bill be that the water rates charged to residents and citizens of Mercer Island would have to be the same as those charged for the same water in the city of Seattle?"

Mr. Van Dyk: "I don't believe that is my understanding. As I read the bill, it talks about a reasonable and uniform rate for a class of customers and then talks to the point that you must consider any and all of the following factors: The difference in cost of service to the various customers; the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; the different character of the service furnished various customers; the quantity and quality of the water furnished; the time of its use and capital contributions made. I think all these figures go into a cost accounting of what should be a fair and reasonable charge. So the charge may be the same, but I would probably expect it to differ."

Representative Julin spoke against passage of the bill, and Representatives Smythe and Hansey spoke in favor of it.

POINT OF INQUIRY

Mr. Patterson yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "Representative Patterson, are there any statutory requirements or even university requirements relative to the time period over which you must announce that an election is going to be held? Publication of notice of the election? Minimum number of votes of students to validate an election? What steps must be taken in order to have this election to assess these funds?"

Mr. Patterson: "I'll try to answer your nine-part question, Representative Kuehnle. First of all: Yes, annually at each of the institutions they do have regular elections when they elect their student body officers and other propositions that are being considered by students. This fee, obviously, would have to be authorized, and the board of regents would have to authorize it being levied at an election held in the spring, which is applied to the fall. In other words, they would have the several months after the regular election on the campus to campaign and put forth their proposals as to what this mandatory fee would be used for. Did I answer all of them?"

Mr. Kuehnle: "I think my concern is the language that says 'That after receiving favorable support from a majority of students voting in a student body election.' I want to be assured that this election that we are talking about here is a regular election at which there is some other reason for students to come out to vote. Really, under the wording, as I would interpret it, somebody could whip up an idea to have a special election to assess five dollars for some purpose and that would be a student body election. I hope that interpretation is wrong, but I would like clarification of it."

Mr. Patterson: "Certainly I can't speak for all the institutions. I am sure that would be wrong at the institution that I am associated with. I am sure there would be no attempt on the part of the students and there would be no authority on the part of the administration to allow them, in a very short period of time, to set up an election for the purpose of establishing mandatory fees on

the total student body. I would like to mention, at least at WSU, the turnout and the participation in student body elections have been exceptionally good. It is probably well above the national average. They have always had between 45 and 50 percent of the students participating in their elections. I assure you it will be very difficult for them to run an election that is going to provide for a mandatory fee, without having a good solid participation of the students."

POINT OF INQUIRY

Mr. Patterson yielded to question by Mr. Thompson.

Mr. Thompson: "Representative Patterson, I am concerned about the language in this bill because it is so similar to a union shop bill that the Governor recently vetoed a portion of. I wonder what effect the veto would be of the word 'voting' from this measure. The Governor felt, in his veto message to us, that in the formation of a bargaining unit that it should be formed only on the basis of the majority of employees in the bargaining unit. And here we are suggesting that just a majority of students voting in a student body election could take this important step. Have you consulted . . ."

POINT OF ORDER

Mr. Rabel: "I think Mr. Thompson is asking a question entirely in speculation and not in relation to this particular bill."

The Speaker (Mr. O'Brien presiding): "Mr. Patterson?"

Mr. Patterson: "The question is moot."

POINT OF INQUIRY

Mr. Patterson yielded to question by Mr. Eikenberry.

Mr. Eikenberry: "Mr. Speaker, my question is going to be pointed to Mr. Patterson, but it has general application, and that is: If the student body so decided, could they raise this assessment and by their vote decide to run a candidate against you?"

Mr. Patterson: "No, I don't believe so."

The amendments were adopted.

On motion of Mr. Hansey, the following amendments by Representatives Hansey and North (Lois) were adopted:

On page 1, section 1, line 18 after "quality" insert "if stored under proper temperature conditions"

On page 2, section 5, line 24 after the period insert:

"The commission of any act or practice prohibited by sections 2 or 3 is hereby declared to be an unfair and deceptive practice and an unfair method of competition in the conduct of trade and commerce for the purpose of the application of the consumer protection act in chapter 19.86 RCW."

Mr. Curtis moved adoption of the following amendment by Representatives Hansey, Curtis and North (Lois):

On page 2, section 3, line 9 after "health, and" insert "if they are separated from other food and"

Mr. Curtis spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Curtis yielded to question by Mr. Van Dyk.

Mr. Van Dyk: "For the purpose of the record, Representative Curtis, will you explain your amendment?"

Mr. Curtis: "Thank you, Representative Van Dyk, I

would be happy to: Simply that the wording here should not be construed to mean set aside totally in a different fixture, but simply that it must be clearly defined as having passed the pull date, hopefully in a separate row or separate category, and marked as such, or signed as such."

The amendment was adopted.

Substitute House Bill No. 1055 was ordered engrossed.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 1055 was placed on final passage.

Mr. Van Dyk spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Curtis yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "Representative Curtis, typically in the food industry, if you had a quantity of post-dated products--25 gallons of milk or 25 pounds of hamburger or something else which had gone past the pull date, and you were a little leery about whether it was wholesome or not and apprehensive about selling it to me for human consumption, or to anyone else for human consumption--what generally speaking would you do with that commodity?"

Mr. Curtis: "Destroy it."

Mr. Kuehnle: "What if I wanted to buy it to feed to the animals at the local zoo? If I'm looking for good buys in merchandise of this type for nonhuman consumption, it appears to me that under the terms of this bill, you would be prohibited from selling it to me, regardless of whether it was going to be eaten by humans or animals or anyone else."

Mr. Curtis: "That may very well be. Your point is well made, Mr. Kuehnle, in that particular instance. If you and I had a clear buying relationship that I knew the product was going to feed the animals in the zoo, and not people, then I probably would attempt to sell it to you probably at a reduced price. Under this bill perhaps I would be precluded from doing that."

Mr. Kuehnle spoke against passage of the bill, and Mr. Van Dyk spoke again in favor of the bill.

Representatives Curtis and North (Lois) spoke in favor of passage of the bill.

Mr. Conner demanded the previous question and the demand was sustained.

"When an exempt entity disposes of tax exempt property it shall be subject to and shall pay a tax at the rate of twenty-five percent of the difference between the cost of the property to the exempt entity and the sales prices, less the cost of such sale. All taxes made payable pursuant to the provisions of this paragraph shall be due and payable to the county treasurer within thirty days after the date of the closing of sale of the property. The

county treasurer shall allocate such revenue in proportion to regular property tax levied by those taxing jurisdictions within which such property is located."

POINT OF ORDER

Mr. Flanagan: "Mr. Speaker, I would like to ask for your ruling on the scope and object of this amendment. I think this bill deals entirely with property taxes and property tax exemptions for nonprofit organizations. This amendment appears to be an income tax on capital gains, which would be out of line with the scope and object of the bill. Also, inasmuch as we have never passed a constitutional amendment to allow an income tax, I think it would be somewhat out of order in that respect, too."

RULING BY THE SPEAKER

The Speaker (Mr. O'Brien presiding): "The point of order was raised by Mr. Flanagan on whether or not the amendment offered by Representatives Cunningham, Randall and Eikenberry is germane to the main proposition. It appears to the Speaker that this proposed amendment is a tax on income and doesn't pertain to taxes on property and the ad valorem interpretation. It is not germane or relevant to the main proposition. Your point of order is well taken, Mr. Flanagan. The amendment is out of order."

(2) The superintendent of public instruction shall (a) ascertain the assessed valuation of the district adjusted to (~~fifty~~) one hundred percent of the true and fair value in money of the taxable property in the district in accordance with the ratio of assessed valuation to actual valuation fixed by the state board of equalization and for the county to which the district belongs; and (b) compute the ratio of the aforesaid assessed valuation of the district to the number of educational units approved prior thereto by the state board of education for allotment to the district of funds receivable under the provisions of RCW 28A.47.050 through 28A.47.120: PROVIDED, That this number of units may be increased by the aforesaid officer for the use thereof specified in this chapter, upon the finding by said officer that completion of the proposed project will provide facilities for additional units and that such additional units will be needed to serve the school population of the district.

(3) The ratio of the assessed valuation of the district to the number of educational units thereof, computed in the manner hereinabove provided for, shall then

(2) Any employee serving as a law enforcement officer or fire fighter on March 1, 1970, who is then making retirement contributions under any prior act shall have his membership transferred to the system established by this chapter as of such date. Upon retirement for service or for disability, or death, of any such employee, his retirement benefits earned under this chapter shall be computed and paid. In addition, his benefits under the prior retirement act to which he was making contributions at the time of this transfer shall be computed as if he had not transferred. For the purpose of such computations, the employee's creditability of service and eligibility for service or disability retirement and survivor and all other benefits shall continue to be as provided in such prior retirement act, as if transfer of membership had not occurred. The excess, if any, of the benefits so computed, giving full value to survivor benefits, over the benefits payable under this chapter shall be paid. If the employee's prior retirement system was the Washington public employees' retirement system, payment of such excess shall be made by that system; if the employee's prior retirement system was the state-wide city employees' retirement system, payment of such excess shall be made by the employer which was the member's employer when his transfer of membership occurred: PROVIDED, That any death in line of duty lump sum benefit payment shall continue to be the obligation of that system as provided in RCW 41.44.210; in the case of all other prior retirement systems, payment of such excess shall be made by the employer which was the member's employer when his transfer of membership occurred.

The municipality shall continue to levy the ((millage)) dollar rate as provided in RCW 41.16.060, and this ((millage)) dollar rate shall be used for the purpose of paying the benefits provided in chapters 41.16 and 41.18 RCW. The

obligations of chapter 41.20 RCW shall continue to be paid from whatever financial sources the city has been using for this purpose.

(4) Any member transferring from the Washington public employees' retirement system or the state-wide city employees' retirement system shall have transferred from the appropriate fund of the prior system of membership, a sum sufficient to pay into the Washington law enforcement officers' and fire fighters' retirement system fund the amount of the employees' and employers' contributions plus credited interest in the prior system for all service, as defined in this chapter, from the date of the employee's entrance therein until March 1, 1970. Except as provided for in subsection (2), such transfer of funds shall discharge said state retirement systems from any further obligation to pay benefits to such transferring members with respect to such service.

(5) All unfunded liabilities created by this or any other section of this chapter shall be computed by the actuary in his biennial evaluation. Such computation shall provide for amortization of the unfunded liabilities over a period of not more than forty years from March 1, 1970. The amount thus computed as necessary shall be reported to the governor by the board of the retirement system for inclusion in the budget. The legislature shall make the necessary appropriation to fund the unfunded liability from the state general fund beginning with the 1971-1973 biennium.

Sec. 63. Section 3, chapter 243, Laws of 1969 ex. sess. and RCW 45.82.020 are each amended to read as follows:

Any township which at the time that this 1969 amendatory act takes effect has outstanding obligations in excess of anticipated receipts from sources other than general tax levies for the next ensuing year may certify the same to the board of county commissioners and the board shall levy taxes on the property within the township at the rates which the township would have been permitted to levy except for this 1969 amendatory act until such obligations have been extinguished, and until such time such ((millage)) dollar rate levy will take precedence over any additional ((millage)) dollar rates of fire protection districts under this 1969 amendatory act.

Sec. 64. Section 46.68.120, chapter 12, Laws of 1961 as last amended by section 1, chapter 103, Laws of 1972 ex. sess. and RCW 46.68.120 are each amended to read as follows:

Funds to be paid to the counties of the state shall be subject to deduction and distribution as follows:

(1) Three-fourths of one percent of such sums shall be deducted monthly as such sums accrue and set aside for the use of the state highway commission and the county road administration board for the supervision of work and expenditures of such counties on the county roads thereof: PROVIDED, That any moneys so retained and not expended shall be credited in the succeeding biennium to the counties in proportion to deductions herein made;

(2) All sums required to be repaid to counties composed entirely of islands shall be deducted;

(3) The balance remaining to the credit of counties after such deductions shall be paid to the several counties monthly, as such funds accrue, upon the basis of the following formula:

(a) Ten percent of such sum shall be divided equally among the several counties.

(b) Thirty percent shall be paid to each county in direct proportion that the sum of the total number of private automobiles and trucks licensed by registered owners residing in unincorporated areas and seven percent of the number of private automobiles and trucks licensed by registered owners residing in incorporated areas within each county bears to the total of such sums for all counties. The number of registered vehicles so used shall be as certified by the director of the department of motor vehicles for the year next preceding the date of calculation of the allocation amounts. The director of the department shall first supply such information not later than the fifteenth day of February, 1956, and on the fifteenth of February each two years thereafter.

(c) Thirty percent shall be paid to each county in direct proportion that the product of the county's trunk highway mileage and its prorated estimated annual cost per trunk mile as provided in subsection (e) is to the sum of such products for all counties. County trunk highways are defined as county roads regularly used by school buses and/or rural free delivery mail carriers of the United States post office department, but not foot carriers. Determination of the number of miles of county roads used in each county by school buses shall be based solely upon information supplied by the superintendent of public instruction who shall on October 1, 1955 and on October 1st of each odd-numbered year thereafter furnish the state highway commission with a map of each county upon which is indicated the county roads used by school buses at the close of the preceding school year, together with a detailed statement showing the total number of miles of county highway over which school buses operated in each county during such year. Determination of the number of miles of county roads used in each county by rural mail carriers on routes serviced by vehicles during the year shall be based solely upon information supplied by the United States postal department as of January 1st of the even-numbered years.

(d) Thirty percent of such sum shall be paid to each of the several counties in the direct proportion that the product of the trunk highway mileage of the county and its 'money need factor' as defined in subsection (f) is to the

total of such products for all counties.

(e) Every four years, beginning with the 1958 allocation, the highway commission and the legislative transportation committee shall reexamine or cause to be reexamined all the factors on which the estimated annual costs per trunk mile for the several counties have been based and shall make such adjustments as may be necessary. The following formula shall be used: One twenty-fifth of the estimated total county road replacement cost, plus the total annual maintenance cost, divided by the total miles of county road in such county, and multiplied by the result obtained from dividing the total miles of county road in said county by the total trunk road mileage in said county. For the purpose of allocating funds from the motor vehicle fund, a county road shall be defined as one established as such by resolution or order of establishment of the board of county commissioners. The first allocation of funds shall be based on the following prorated estimated annual costs per trunk mile for the several counties as follows:

PROVIDED, HOWEVER, That the prorated estimated annual costs per trunk mile in this subsection shall be adjusted every

four years, beginning with the 1958 allocation by the highway commission on the basis of changes in the trunk and total county road mileage based on information supplied by the superintendent of public instruction, the United States postal department and the annual reports of the county road departments.

(f) The 'money need factor' for each of the several counties shall be the difference between the prorated estimated annual costs as listed above and the sum of the following three amounts divided by the county trunk highway mileage:

(1) The equivalent of a ((ten mill)) two dollar and fifty cents per thousand dollars of assessed value tax levy on the valuation, as equalized by the state department of revenue for state purposes, of all taxable property in the county road districts;

(2) One-fourth the sum of all funds received by the county from the federal forest reserve fund during the two calendar years next preceding the date of the adjustment of the allocation amounts as certified by the state treasurer; and

(3) One-half the sum of motor vehicle license fees and motor vehicle fuel tax refunded to the county during the two calendar years next preceding the date of the adjustment of the allocation amounts as provided in RCW 46.68.080. These shall be as supplied to the highway commission by the state treasurer for that purpose. The department of revenue and the state treasurer shall supply the information herein requested on or before January 1, 1956 and on said date each two years thereafter.

The following formula shall be used for the purpose of obtaining the 'money need factor' of the several counties: The prorated estimated annual cost per trunk mile multiplied by the trunk miles will equal the total need of the individual county. The total need minus the sum of the three resources set forth in subsection (f) shall equal the net need. The net need of the individual county divided by the total net needs for all counties shall equal the 'money need factor' for that county.

(g) The state highway commission shall adjust the allocations of the several counties on March 1st of every even-numbered year based solely upon the sources of information hereinbefore required: PROVIDED, That the total allocation factor composed of the sum of the four factors defined in subsections (a), (b), (c) and (d) shall be held to a level not more than five percent above or five percent below the total allocation factor in use during the previous two year period.

(h) The highway commission and the legislative transportation committee shall relog or cause to be relogged the total road mileages upon which the prorated estimated annual costs per trunk mile are based and shall recalculate such costs on the basis of such relogging and shall report their findings and recommendations to the legislature at its next regular session.

(i) The highway commission and the legislative transportation committee shall study and report their findings and recommendations to the legislature concerning the following problems as they affect the allocation of 'motor vehicle fund' funds to counties:

(1) Comparative costs per trunk mile based on federal aid contracts versus those herein advocated.

(2) Average costs per trunk mile.

(3) The advisability of using either 'trunk mileage' or 'county road' mileage exclusively as the criterion instead of both as in this plan adopted.

(4) Reassessment of bridge costs based on current information and relogging of bridges.

(5) The items in the list of resources used in determining the 'need factor.'

(6) The development of a uniform accounting system for counties with regard to road and bridge construction and maintenance costs.

(7) A redefinition of rural and urban vehicles which better reflects the use of said vehicles on county roads.

Sec. 65. Section 20, chapter 34, Laws of 1939 as last amended by section 1, chapter 101, Laws of 1963 and RCW 52.08.030 are each amended to read as follows:

Any city, town, municipal corporation or governmental agency may contract with a county fire protection district established and maintained under the provisions of this act for the purpose of affording such district fire fighting and protection equipment and service or fire prevention facilities, and in so contracting the district, city, town, municipal corporation or other governmental agency shall be deemed for all purposes to act within its governmental capacity. Any county fire protection district established and maintained under the provisions of this act, or any city, town, municipal corporation or other governmental agency is hereby authorized to contract with any person, firm or corporation for the purpose of affording fire fighting, protection or fire prevention facilities to such person, firm or corporation and such contractual relation shall be deemed for all purposes to be within the governmental power of such rural fire protection district, city, town, municipal corporation or other governmental agency;

(4) Fire protection districts situated in different counties may contract to operate jointly in carrying out

the objects of their creation. Contracts for joint operation may provide for joint ownership of property and equipment, and may authorize a joint board of fire commissioners of the contracting districts to manage the affairs of the joint operations; to employ and discharge the necessary agents and employees and fix their respective wages and salaries; to provide and designate a suitable place in any county in which any of the contracting districts is situated, as a regular meeting place for the joint board; to incur the necessary expenses and direct the payment therefor from the funds of the contracting districts in such proportion as the joint boards shall determine; and to do all things as may in the judgment of the joint board be required to carry out the joint operations of the contracting districts.

The joint board shall consist of the members of the boards of the contracting districts and a majority of the membership of each district board shall constitute a quorum for the transaction of the business of the joint board. The members of the boards of fire commissioners of the contracting districts shall organize as a joint board annually in January after the second Monday thereof, elect a chairman and appoint a secretary for the ensuing year. Any member of the board of any contracting district may act as secretary of the joint board or the joint board may appoint such other person as the joint board may determine. Contracts for joint operation of fire districts, as herein authorized shall run from year to year and as of January 1st may be terminated by written notice of the board of fire commissioners of any contracting district to the other contracting district or districts on or before July 1st and the contract for joint operations shall terminate on January 1st following: PROVIDED, That all obligations of the joint operations must be paid or definitely arranged for before contract termination and no notice of termination shall relieve any contracting district of its unpaid obligation incurred under the contract for joint operation;

(5) To encourage uniformity and coordination of fire protection district operation programs, the fire commissioners of two or more fire protection districts, may form an association thereof, for the purpose of securing data and information of value in fighting and in preventing fires; hold and attend meetings thereof; and promote more economical and efficient operation of the associated fire protection districts. The directors of fire protection districts so associated shall adopt articles of

association, select a chairman and secretary, and such other officers as they may determine, and may employ and discharge such agents and employees as the officers deem convenient to carry out the purposes of the association. The expenses of the association may be paid from fire protection district expense funds upon vouchers of the respective associated districts: PROVIDED, That the aggregate contributions made to the association by any district in any calendar year shall not exceed ((one-tenth of one mill of)) two and one-half cents per thousand dollars of assessed valuation against the ((tax)) valuation of the district;

(6) Two or more fire protection districts may contract with each other and such a district may contract with a city or county or the state supervisor of forestry or any association approved by him for the joint leasing, ownership, maintenance and operation of all necessary and proper apparatus, facilities, machinery, and equipment for the elimination of fire hazards and for the protection of life and property within the contracting districts, and of real property, improvements and fixtures thereon suitable and convenient for the housing, repairing, and caring for such apparatus, facilities, machinery, and equipment, and may contribute their agreed proportion of the cost and expense thereof:

Such contracts shall be executed by the commissioners of the contracting districts and, when the contract is between such districts, the terms and conditions thereof shall be carried out by the boards of commissioners acting jointly;

Sec. 66. Section 3, chapter 70, Laws of 1941 as last amended by section 1, chapter 18, Laws of 1965 ex. sess. and RCW 52.08.060 are each amended to read as follows:

Any territory contiguous to a fire protection district and not within the boundaries of a city or town or other fire protection district may be annexed to such fire protection district, for the purpose of obtaining fire fighting protection or prevention facilities, by petition of fifteen percent of the qualified registered electors residing within the territory proposed to be annexed. Such petition shall be filed with the fire commissioners of the fire protection district and if the said fire commissioners shall concur in the said petition they shall then file such petition with the county auditor who shall within thirty days from the date of filing such petition examine the signatures thereof and certify to the sufficiency or insufficiency thereof. After the county auditor shall have certified to the sufficiency of the petition, the proceedings thereafter by the board of county commissioners and the rights and powers and duties of the board of county commissioners, petitioners and objectors and the election

Upon the entry of the order of the board of county commissioners incorporating such contiguous territory with such existing fire protection districts, said territory shall become subject to the indebtedness, bonded or otherwise, of said existing district in like manner as the territory of said district. Should such petition be signed by sixty percent of the qualified registered electors residing within the territory proposed to be annexed, and should the fire commissioners concur therein, an election in such territory and a hearing on such petition shall be dispensed with and the board of county commissioners shall enter its order incorporating such territory within the said existing fire protection district.

The levy shall be made and taxes collected in the manner provided for the levy and collection of taxes in school districts of the first class.

Sec. 75. Section 1, chapter 29, Laws of 1925 as amended by section 1, chapter 22, Laws of 1965 ex. sess. and RCW 53.36.070 are each amended to read as follows:

Said levy shall be used exclusively for the exercise of the powers granted to port districts under chapter 53.25 except as provided in RCW 53.36.110. The levy of such taxes is herein authorized notwithstanding the provisions of RCW 84.52.050. The revenues derived from levies made under RCW 53.36.100 and 53.36.110 not expended in the year in which the levies are made may be paid into a fund for future use in carrying out the powers granted under chapter 53.25, which fund may be accumulated and carried over from year to year, with the right to continue to levy the taxes provided for in RCW

53.36.100 and 53.36.110 for the purposes herein authorized.

Sec. 79. Section 4, chapter 162, Laws of 1971 ex. sess. and RCW 53.47.040 are each amended to read as follows:

The superior court, upon the filing of such petition, shall set such petition for hearing not less than one hundred twenty days and not more than one hundred eighty days after the date of filing said petition.

Further, the court shall order the clerk of said court to give notice of the time and place fixed for the hearing by publication of notice in a newspaper of general circulation within such district, such publication to be once each week for three consecutive weeks, the date of first publication to be not less than thirty nor more than seventy days prior to the date fixed for the hearing upon such petition. Said notice shall further provide that all creditors of said district, including holders of revenue or general obligation bonds issued by said district, if any, shall present their claims to the clerk of said court within ninety days from the date of first publication of said notice, and that upon failure to do so all such claims will be forever barred. The clerk shall also mail a copy by ordinary mail of such notice to all creditors of said district, including holders of revenue or general obligation bonds issued by said district, if any, such mailing to be mailed not later than thirty days after the hearing date has been set. No other or further notices shall be required at any stage of the proceedings for dissolution of an inactive port district pursuant to this chapter.

The clerk, ten days prior to the date set for the hearing, shall deliver to the court the following:

(1) A list of the liabilities of the port district in detail with the names and addresses of creditors as then known; and

(2) A list of the assets of the port district in detail as then known.

The court upon hearing the petition shall fix and determine all such claims subject to proof being properly filed as provided in this section; shall fix and determine the financial condition of the district as to its assets and liabilities, and if it finds the port district to be inactive in respect of any standard of inactivity set forth by this chapter, shall order the port district to be dissolved upon the following terms and conditions:

(1) If there be no outstanding debts, or if the debts be less than the existing assets, the court shall appoint the auditor of the county in which the port district is located to be trustee of the port's assets and shall empower such person to wind up and liquidate the affairs of such district in such manner as the court shall provide and to file his accounting with the court within ninety days from the date of his appointment. Upon the filing of such account, the court shall fix a date for hearing upon the same and upon approval thereof, if such accounting be the final accounting, shall enter its order approving the same and declaring the port district dissolved.

At the request of the trustee the county sheriff may sell, at public auction, all real and personal property of the port district. The county sheriff shall cause a notice of such sale fixing the time and place thereof which shall be at a suitable place, which will be noted in the advertisement for sale. Such notice shall contain a description of the property to be sold and shall be signed by the sheriff or his deputy. Such notice shall be published at least once in an official newspaper in said county at least ten days prior to the date fixed for said

sale. The sheriff or his deputy shall conduct said sale and sell the property described in the notice at public auction to the highest and best bidder for cash, and upon payment of the amount of such bid shall deliver the said property to such bidder. The moneys arising from such sale shall be turned over to the county auditor acting as trustee: PROVIDED, HOWEVER, That the sheriff shall first deduct the costs and expenses of the sale from the moneys and shall apply such moneys to pay said costs and expenses.

The court order shall provide that the assets remaining in the hands of the trustee shall be transferred to any school district, districts, or portions of districts, lying within the dissolved port district boundaries. The transfer of assets shall be prorated to the districts based on the assessed valuation of said districts.

(2) If the debts exceed the assets of the port district, then the court shall appoint the auditor of the county in which a port district is located to be trustee of the port's assets for the purpose of conserving the same and of paying liability of the port district as funds become available therefor. The trustee shall be empowered to generally manage, wind up, and liquidate the affairs of such district in such manner as the court shall provide and to file his accounting with the court within ninety days from the date of his appointment and as often thereafter as the court shall provide. The board of county commissioners, acting as pro tempore port district commissioners under the authority of RCW 53.36.020 shall levy an annual tax not exceeding (~~one mill~~) fifty cents per thousand dollars of assessed value or such lesser amount as may previously have been voted by the taxpayers within said district, together with an amount deemed necessary for payment of the costs and expenses attendant upon the dissolution of said district, upon all the taxable property within said district, the amount of such levy to be determined from time to time by the court. When, as shown by the final accounting of the trustee, all of the indebtedness of the district shall have been satisfied, the cost and expense of the proceeding paid or provided for, and the affairs of the district wound up, the court shall declare the district dissolved: PROVIDED, That if the indebtedness be composed in whole or in part of bonded debt for which a regular program of retirement has been provided, then the board of county commissioners shall be directed by the court to continue to make such annual levies as are required for the purpose of debt service upon said bonded debt.

Taxes levied by the commission shall be certified to and collected by the proper officer of the county in which the district is located in the same manner as provided for the certification and collection of port district taxes. The commission may, prior to the receipt of taxes raised by levy, borrow money or issue warrants of the district in anticipation of the revenue to be derived from the levy or taxes for district purposes, and the warrants shall be redeemed from the first money available from such taxes. The warrants shall not exceed the anticipated revenue of one year, and shall bear interest at a rate of not to exceed six percent per annum.

sess. and RCW 70.12.010 are each amended to read as follows:

Each board of county commissioners shall annually budget and levy as a tax for public health work in its county a sum equal to the amount which would be raised by a levy of (~~one-tenth of a mill~~) five cents per thousand dollars of assessed value against (~~the actual value of~~) the taxable property in the county, but nothing herein contained shall prohibit a county from obtaining said public health funds from any other source of county revenue or from budgeting additional sums for public health work.

Sec. 99. Section 1, chapter 162, Laws of 1943 as last amended by section 21, chapter 277, Laws of 1971 ex. sess. and RCW 70.32.010 are each amended to read as follows:

Tuberculosis is a communicable disease and tuberculosis control, case finding, prevention and follow up of known cases of tuberculosis represents the basic step in the conquest of this major health problem. In order to carry on such work effectively, the legislative authority of each county enumerated in RCW 70.33.040 shall budget and shall levy annually a tax in a sum equal to the amount which would be raised by a levy of (~~one-sixteenth of a mill~~) three and one-eighth cents per thousand dollars of assessed value against the (~~actual value of the~~) taxable property in any county enumerated in RCW 70.33.040, to be used for the control of tuberculosis, including case finding, prevention and follow up of known cases of tuberculosis: PROVIDED, That upon certification of the secretary that any such county has an unexpended balance from such levy, over and above the amount required for adequate tuberculosis control, including case finding, prevention and follow up of known cases of tuberculosis within such county, the legislative authority may budget and reappropriate the same for such tuberculosis control for the ensuing year, or it may allocate from time to time such unexpended balance, or any portion thereof, to the county health department for use in furtherance of other communicable disease prevention or control, or as provided in RCW 70.32.090 as now or hereafter amended. The sum herein provided for, and any income that may accrue from miscellaneous receipts in connection with the tuberculosis control program of such county, shall be placed in the county treasury in a special fund to be known as the tuberculosis fund, and obligations incurred for the tuberculosis control program shall be paid from said fund by the county treasurer in the same manner as general county obligations are paid. The county auditor shall furnish to the legislative authority and the department a monthly report of receipts and disbursements in the tuberculosis fund, which report shall also show balances of cash on hand.

Sec. 100. Section 3, chapter 117, Laws of 1959 as last amended by section 24, chapter 277, Laws of 1971 ex. sess. and RCW 70.32.090 are each amended to read as follows:

In any county enumerated in RCW 70.33.040 where the secretary has certified that the proceeds of the (~~one-sixteenth mill~~) three and one-eighth cents per thousand dollars of assessed value tax levy is more than

adequate to provide for tuberculosis control, including case finding, prevention, and follow-up of known cases of tuberculosis in the county, the legislative authority, after a special public hearing conducted in accordance with the procedures established for hearings on budgetary matters as delineated in RCW 36.40.060 and 36.40.070 and upon making a finding that an adequate general public health program is being carried out in the county, may budget and reappropriate such surplus funds from the ~~((one-sixteenth mill))~~ three and one-eighth cents per thousand dollars of assessed value tax levy for the ensuing year to the county treasury for general purposes of the county, as authorized by law, or the legislative authority in its discretion may budget, reappropriate and transfer such surplus fund to any public hospital district within the county.

Sec. 101. Section 18, chapter 277, Laws of 1971 ex. sess. and RCW 70.33.040 are each amended to read as follows:

In order to maintain adequate tuberculosis hospital facilities for the residents of the state of Washington and to assure their proper care pursuant to this chapter and RCW 70.32.010, 70.32.050, 70.32.060 and 70.32.090, the legislative authority of Clallam, Jefferson, Kitsap, Mason, Grays Harbor, Thurston, Pacific, Lewis, Wahkiakum, Cowlitz, Clark, Skamania, Klickitat, Pierce, King, Snohomish, Skagit, Whatcom, San Juan and Island counties shall, levy annually a tax in the sum equal to the amount which would be raised by a levy of ~~((one-sixteenth mill))~~ three and one-eighth cents per thousand dollars of assessed value against ~~((the actual value of))~~ the taxable property in the county. Upon collection such sum shall be paid to the state to be used for the cost of maintaining and operating tuberculosis hospital facilities operated pursuant to this chapter and RCW 70.32.010, 70.32.050, 70.32.060 and 70.32.090. All other sources of revenue in tuberculosis hospital facilities operated pursuant to this chapter and RCW 70.32.010, 70.32.050, 70.32.060 and 70.32.090 shall be collected by such tuberculosis hospital facilities.

There is hereby appropriated to the department such revenue as is collected resulting from the ~~((one-sixteenth mill))~~ three and one-eighth cents per thousand dollars of assessed value levy provided for herein, and the collections made by the tuberculosis hospital facilities. Such appropriations to the department shall be used for the cost of maintaining and operating tuberculosis hospital facilities pursuant to this chapter and RCW 70.32.010, 70.32.050, 70.32.060 and 70.32.090: PROVIDED, That in the event that the revenues collected under this section exceed the cost of hospitalization, surplus revenues will be returned to the counties in proportion to the property taxes collected from those counties.

Sec. 102. Section 11, chapter 277, Laws of 1971 ex. sess. as amended by section 1, chapter 143, Laws of 1972 ex. sess. and RCW 70.35.070 are each amended to read as follows:

Tuberculosis is a communicable disease and tuberculosis control, including hospitalization, case finding, prevention and follow-up of known cases of tuberculosis represent the basic step in the conquest of

this major health problem. In order to carry on work effectively in these fields there shall be levied for tuberculosis hospital district purposes in the district annually a tax in a sum equal to the amount which would be raised by a levy of (one-eighth of a mill) six and one-quarter cents per thousand dollars of assessed value against (the actual value of) the taxable property in the district, or the equivalent thereof, such levy to be made by the board of county commissioners in each county constituting the district, fifty percent of the receipts therefrom to be forwarded quarterly in January, April, July and October of each year by the treasurers of such county, other than the headquarters county where tuberculosis control activities will be carried out by the hospital, to the treasurer of the headquarters district county, who shall be treasurer for the district. The retained fifty percent of the funds are to be used by the chief health officers to carry out tuberculosis control on a local county level pursuant to rules and regulations adopted by the district commission. The sum herein provided for, and any income that may occur from miscellaneous receipts in connection with the aforesaid programs shall be placed in a special fund in the treasury of the headquarters county and obligations incurred for such programs shall be paid from such fund upon order of the district commissioners by the treasurer in the same manner as general county obligations are paid.

Sec. 103. Section 6, chapter 264, Laws of 1945 as last amended by section 2, chapter 218, Laws of 1971 ex. sess. and RCW 70.44.060 are each amended to read as follows:

The commission is authorized, prior to the receipt of taxes raised by levy, to borrow money or issue warrants of the district in anticipation of the revenue to be derived by such district from the levy of taxes for the purpose of such district, and such warrants shall be redeemed from the first money available from such taxes when collected, and such warrants shall not exceed the anticipated revenues of one year, and shall bear interest at a rate or rates as authorized by the commission.

(7) To enter into any contract with the United States government or any state, municipality or other hospital district, or any department of those governing bodies, for carrying out any of the powers authorized by this chapter.

Sec. 104. Section 15, chapter 238, Laws of 1967 as amended by section 7, chapter 168, Laws of 1969 ex. sess. and RCW 70.94.091 are each amended to read as follows:

An activated authority shall have the power to levy additional taxes in excess of the ((forty-mill)) one percent limitation for any of the authorized purposes of such activated authority, not in excess of ((one mill)) twenty-five cents per thousand dollars of assessed value a year when authorized so to do by the electors of such authority by a three-fifths majority of those voting on the proposition at a special election, to be held in the year in which the levy is made, ((and not more often than twice in such year; in the manner provided by law for holding general elections; at such time as may be fixed by the

board, which special election may be called by the board, at which special election the proposition of authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote 'Yes' and those opposing thereto to vote 'No': PROVIDED, That the total number of persons voting at such special election must constitute not less than forty percent of the voters in said authority who voted in the last preceding general election)) in the manner set forth in Article VII, section 2(a) of the Constitution of this state, as amended by Amendment 59 and as thereafter amended. Nothing herein shall be construed to prevent holding the foregoing special election at the same time as that fixed for a general election. The expense of all special elections held pursuant to this section shall be paid by the authority.

Sec. 105. Section 16, chapter 110, Laws of 1967 ex. sess. as last amended by section 1, chapter 84, Laws of 1971 ex. sess. and RCW 71.20.110 are each amended to read as follows:

In order to provide additional funds for the coordination of community mental retardation services and to provide community mental retardation or mental health services, the board of county commissioners of each county in the state shall budget and levy annually a tax in a sum equal to the amount which would be raised by a levy of ((one-fortieth of a mill)) two and one-half cents per thousand dollars of assessed value against ((the actual value of)) the taxable property in the county to be used for such purposes: PROVIDED, That all or part of the funds collected from the tax levied for the purposes of this section may be transferred to the state of Washington, department of social and health services, for the purpose of obtaining federal matching funds to provide and coordinate community mental retardation and mental health services. In the event a county elects to transfer such tax funds to the state for this purpose, the state shall grant these moneys and the additional funds received as matching funds to service-providing community agencies in the county which has made such transfer, pursuant to the plan approved by the county, as provided by chapters 71.16, 71.20, 71.24, and 71.28 RCW.

Sec. 106. Section 7, page 210, Laws of 1888 as last amended by section 9, chapter 47, Laws of 1970 ex. sess. and RCW 73.08.080 are each amended to read as follows:

The boards of county commissioners of the several counties in this state shall levy, in addition to the taxes now levied by law, a tax in a sum equal to the amount which would be raised by not less than ((one-eighth of one mill)) one and one-quarter cents per thousand dollars of assessed value, and not greater than ((three-tenths of a mill)) thirty cents per thousand dollars of assessed value against ((the actual value of)) the taxable property of their respective counties, to be levied and collected as now prescribed by law for the assessment and collection of taxes, for the purpose of creating the veteran's relief fund for the relief of honorably discharged veterans who served in the armed forces of the United States in the Civil War, in the war of Mexico or in any of the Indian wars, or the Spanish-American war or the Philippine insurrection, in the First World War, or Second World War

or Korean conflict, or Viet Nam conflict, and the indigent wives, husbands, widows, widowers and minor children of such indigent or deceased veterans, to be disbursed for such relief by such board of county commissioners: PROVIDED, That if the funds on deposit, less outstanding warrants, residing in the veteran's relief fund on the first Tuesday in September exceed the expected yield of (~~one-eightieth of one mill~~) one and one-quarter cents per thousand dollars of assessed value (~~on the actual value of~~) against the taxable property of the county, the county commissioners may levy a lesser amount: PROVIDED FURTHER, That the costs incurred in the administration of said veteran's relief fund shall be computed by the county treasurer not less than annually and such amount may then be transferred from the veteran's relief fund as herein provided for to the county current expense fund.

Sec. 107. Section 2, chapter 105, Laws of 1917 as last amended by section 14, chapter 207, Laws of 1971 ex. sess. and RCW 76.04.360 are each amended to read as follows:

If any owner of forest land neglects or fails to provide adequate fire protection therefor as required by RCW 76.04.350, the department shall provide such protection therefor, notwithstanding the provisions of RCW 76.04.520, at a cost to the owner of not to exceed nine cents an acre per year on lands west of the summit of the Cascade mountains and seven cents an acre per year on lands east of the summit of the Cascade mountains: PROVIDED, That for the calendar years 1971 and 1972 the cost to the owner for such protection shall be eighteen cents an acre per year on lands west of the summit of the Cascade mountains and fourteen cents an acre per year on lands east of the summit of the Cascade mountains after which time said additional assessment shall revert to the 1970 level. During said calendar years the legislative budget committee shall study the costs of forest fire protection to determine the ratio of financial support to be borne by the state to that of the forest land owner.

The findings of the legislative budget committee shall be considered when establishing the forest patrol assessment for the ensuing biennium.

For the purpose of *this act, the supervisor may divide the forest lands of the state, or any part thereof, into districts, for patrol and assessment purposes, may classify lands according to the character of timber prevailing, and the fire hazard existing, and place unprotected lands under the administration of the proper district. Such cost must be justified by a showing of budgets on demand of twenty-five owners of forest land in the county concerned at public hearing. Any amounts paid or contracted to be paid by the supervisor of natural resources for this purpose from any funds at his disposal shall be a lien upon the property patrolled and protected, and unless reimbursed by the owner within ten days after October 1st of the year in which they were incurred, on which date the supervisor of natural resources shall be prepared to make statement thereof upon request to any forest owner whose own protection has not been previously approved by him as adequate, shall be reported by the supervisor of natural resources to the assessor of the

county in which the property is situated who shall extend the amounts upon the tax rolls covering the property, or the county assessor may upon authorization from the supervisor of natural resources levy the forest patrol assessment against the amounts of unimproved land as shown in each ownership on the county assessor's records and the assessor may then segregate on his records to provide that the improved land and improvements thereon carry the ((millage)) dollar rate levy designed to support the rural fire protection districts as provided for in chapter 52.04 RCW.

The amounts assessed shall be collected at the time, in the same manner, by the same procedure, and with the same penalties attached that the next general state and county taxes on the same property are collected, except that errors in assessments may be corrected at any time by the supervisor of natural resources certifying them to the treasurer of the county in which the land involved is situated. Upon the collection of such assessments the county treasurer shall transmit them to the supervisor of natural resources to be applied against expenses incurred in carrying out the provisions of this section.

The supervisor of natural resources shall include in the assessment a sum not to exceed one-half of one cent per acre, to cover the necessary and reasonable cost of office and clerical work incurred in the enforcement of these provisions. He may also expend any sums collected from owners of forest lands or received from any other source for necessary office and clerical expense in connection with the enforcement of RCW 76.04.370.

When land against which fire patrol assessments are outstanding is acquired for delinquent taxes and sold at public auction, the state shall have a prior lien on the proceeds of sale over and above the amount necessary to satisfy the county's delinquent tax judgment, and the county treasurer in case the proceeds of sale exceed the amount of the delinquent tax judgment shall forthwith remit to the supervisor of natural resources the amount of the outstanding patrol assessments.

The supervisor of natural resources shall furnish a good and sufficient surety company bond running to the state, in a sum as great as the probable amount of money annually coming into his hands under the provisions of this chapter, conditioned for the faithful performance of his duties and for a faithful accounting for all sums received and expended thereunder, which bond shall be approved by the attorney general.

Sec. 108. Section 84.28.090, chapter 15, Laws of 1961 as last amended by section 33, chapter 299, Laws of 1971 ex. sess. and RCW 84.28.090 are each amended to read as follows:

All lands classified as reforestation lands as provided in this chapter and lying west of the summit of the Cascade range of mountains in the state of Washington shall, after the date of such classification, be assessed for purposes of taxation at ((eight)) sixteen dollars per acre, which is hereby declared to be the assessed value thereof; and all lands so classified lying east of the summit of the Cascade range of mountains shall be assessed for purposes of taxation at ((four)) eight dollars per

acre, which is hereby declared to be the assessed value thereof. The above values shall apply as the actual basis for taxation of such lands, without regard to any percentages of value which may apply for taxation of other classes of property; and the taxation of such lands on the basis herein provided shall be separate and distinct from and in addition to the cost of protecting such lands from fire as provided under the laws of Washington.

Sec. 109. Section 5, chapter 294, Laws of 1971 ex. sess. as amended by section 4, chapter 148, Laws of 1972 ex. sess. and RCW 84.33.050 are each amended to read as follows:

(1) In preparing the assessment roll as of January 1, 1971 for taxes payable in 1972, the assessor of each timber county shall list all timber within such county on January 1, 1971 at the 1970 timber value. For each year commencing with 1972, the assessor of each timber county shall prepare a timber roll, which shall be separate and apart from the assessment roll, listing all timber within such county on January 1, 1972 at values determined as follows:

(a) For the five years commencing with 1972, the value shall be the 1970 timber value;

(b) For each succeeding five year period, the first of which commences on January 1, 1977, the value shall be such 1970 timber value increased or decreased in proportion to the percentage change, if any, which has occurred between the last year of the preceding five year period and 1973 in the average stumpage value per unit of measure of all timber harvested in such county. Such percentage change shall be determined by the department of revenue on the basis of information contained in the excise tax returns filed pursuant to RCW 82.04.291.

(2) As used in subsection (1) of this section, '1970 timber value' means the value for timber calculated in the same manner and using the same values and valuation factors actually used by such assessor in determining the value of timber for the January 1, 1970 assessment roll, except that if a revised schedule of such values and valuation factors was applied to some but not all timber in a county for the January 1, 1970 assessment roll, such revised schedule shall be used by the assessor for any timber revalued for the 1971 or 1972 assessment rolls, and except that if the value of timber in any county on January 1, 1970 was not separately determined and shown on such assessment roll, 1970 timber value shall mean the value reconstructed from available records and information in accordance with rules to be prescribed by the department of revenue.

(3) The assessor of each timber county shall add to the assessment roll showing values of property as of January 1 of the years listed below, an 'assessed valuation' of the portion, indicated below opposite each such year, of the value of timber as shown on the timber roll for such year. Such assessed valuation shall be calculated by multiplying such portion of the timber roll by the assessment ratio applied generally by such assessor in computing the assessed valuation of other property in his county. The ((millage)) dollar rates, calculated pursuant to RCW 84.33.060 for each taxing district within which there was timber on January 1 of such year, shall be

extended against such 'assessed valuation' of timber within such district as well as against the assessed value of all other property within such district as shown on such assessment roll.

Year	Portion of Timber Roll
1972	75%
1973	45%
1974 and thereafter	None

(4) Timber may be added to the timber roll, at the value specified in subsection (1) of this section, commencing as of January 1 following the designation of the land upon which such timber stands pursuant to subsection (3) of RCW 84.33.120 or 84.33.130, but only if the value of such timber was not separately determined and shown on the assessment roll as of either January 1, 1970 or January 1, 1972;

(5) Timber may be added to the timber roll, at the value specified in subsection (1) of this section, commencing as of January 1st following the sale or transfer of the land upon which such timber stands from an ownership in which such land was exempt from ad valorem taxation to an ownership in which such land is no longer exempt.

(6) The value of timber shall be deleted from the timber roll upon the sale or transfer of the land upon which such timber stands to an ownership in which such land is exempt from ad valorem taxation.

Sec. 110. Section 6, chapter 294, Laws of 1971 ex. sess. and RCW 84.33.060 are each amended to read as follows:

In each year commencing with 1972 and ending with 1980, solely for the purpose of determining, calculating and fixing, pursuant to chapter 84.52 RCW, the ((millage)) dollar rates for all regular and excess levies for the state and each timber county and taxing district lying wholly or partially in such county within which there was timber on January 1 of such year, the assessor of such timber county shall, for each such district, add to the amount of the 'assessed valuation of the property' of all property other than timber the product of:

(a) The portion indicated below for each year of the value of timber therein as shown on the timber roll prepared in accordance with RCW 84.33.050 for such year; and

(b) The assessment ratio applied generally by such assessor in computing the assessed value of other property in his county:

Year	Portion of Timber Roll
1972 through 1977	100%
1978	75%
1979	50%
1980	25%
1981 and thereafter	None

Sec. 111. Section 8, chapter 294, chapter 1971 ex. sess. as amended by section 2, chapter 148, Laws of 1972 ex. sess. and RCW 84.33.080 are each amended to read as follows:

(1) On or before December 15 of each year commencing with 1972 and ending with 1980, the assessor of each timber county shall deliver to the treasurer of such county and to the department of revenue a schedule setting forth for each

taxing district or portion thereof lying within such county:

(a) The value of timber as shown on the timber roll for such year;

(b) The aggregate ((millage)) dollar rate calculated pursuant to RCW 84.33.060 and actually utilized the immediately preceding October in extending property taxes upon the tax rolls for collection in the following year;

(c) A 'timber factor' which is the product of such aggregate ((millage)) dollar rate, the assessment ratio applied generally by such assessor in computing the assessed value of other property in his county and the appropriate portion listed below of the timber roll for such year ((a) above):

Year	Portion of Timber Roll
1972	25%
1973	55%
1974 through 1977	100%
1978	75%
1979	50%
1980	25%

On or before December 31 of each year commencing with 1972 and ending with 1980, the department of revenue shall determine the proportion that each taxing district's timber factor bears to the sum of the timber factors for all taxing districts in the state, and shall deliver a list to the assessor and the treasurer of each timber county and to the state treasurer showing the factor and proportion for each taxing district.

(2) On the tenth day of the second month of each calendar quarter, commencing February 10, 1973 and ending November 10, 1981, the state treasurer shall pay to the treasurer of each timber county for the account of each taxing district such district's proportion (determined in December of the preceding year pursuant to subsection (1) of this section) of the amount in state timber tax fund A collected upon timber harvested in the preceding calendar quarter, but in no event shall any quarterly payment to a taxing district, when added to the payments made to such district the previous quarters of the same year, exceed the timber factor for such district determined in December of the preceding year. The balance in state timber tax fund A, if any, after the distribution to taxing districts on November 10 each year commencing with 1973 and ending with 1981, shall be transferred to the state timber reserve fund.

(3) If the balance in state timber tax fund A immediately prior to such November 10 distribution to taxing districts is not sufficient to permit a payment which, when added to the payments made to any taxing district the previous quarters of the same year, will equal the timber factor for such district determined in December of the preceding year, the necessary additional amount shall be transferred from the state timber reserve fund to state timber tax fund A.

(4) The balance, if any, in the state timber reserve fund after the final transfer, if any, to or from state timber tax fund A in November of 1981, shall be transferred to state timber tax fund B on December 31, 1981, and one-fourth of such balance shall be distributed in each

quarter of 1982 in the manner set forth in subsection (6) of this section.

(5) On or before December 31 of each year commencing with 1978, the department of revenue shall deliver to the treasurer of each timber county a schedule setting forth for each taxing district or portion thereof lying within such county:

(a) The average of the aggregate value of all timber harvested within such district in each of the immediately preceding five years as determined from the excise tax returns filed with the department of revenue;

(b) The aggregate ((millage)) dollar rate calculated pursuant to RCW 84.33.060 and chapter 84.52 RCW and actually utilized the immediately preceding October in extending property taxes upon the tax rolls for collection the following year;

(c) A 'harvest factor' which is the product of such five year average and such aggregate ((millage)) dollar rate;

(d) The proportion that each taxing district's harvest factor bears to the sum of the harvest factors for all taxing districts in the state.

(6) On the tenth day of the second month of each calendar quarter commencing February 10, 1979, the state treasurer shall pay to the treasurer of each timber county for the account of each taxing district such district's proportion (determined in December of the preceding year pursuant to subsection (5) of this section) of the amount in state timber tax fund B collected upon timber harvested in the preceding calendar quarter.

Sec. 112. Section 14, chapter 294, Laws of 1971 ex. sess. as amended by section 6, chapter 148, Laws of 1972 ex. sess. and RCW 84.33.140 are each amended to read as follows:

(1) When land has been designated as forest land pursuant to subsection (3) of RCW 84.33.120 or 84.33.130, a notation of such designation shall be made each year upon the assessment and tax rolls, a copy of the notice of approval together with the legal description or assessor's tax lot numbers for such land shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and such land shall be graded and valued pursuant to RCW 84.33.110 and 84.33.120 until removal of such designation by the assessor upon occurrence of any of the following:

(a) Receipt of notice from the owner to remove such designation;

(b) Passage of sixty days following the sale or transfer of such land to a new owner without receipt of an application pursuant to RCW 84.33.130 from the new owner;

(c) Sale or transfer to an ownership making such land exempt from ad valorem taxation;

(d) Determination by the assessor, after giving the owner written notice and an opportunity to be heard, that such land is no longer primarily devoted to and used for growing and harvesting timber.

Removal of designation upon occurrence of any of subsections (a) through (c) above shall apply only to the land affected, and upon occurrence of subsection (d) shall apply only to the actual area of land no longer primarily

devoted to and used for growing and harvesting timber, without regard to other land that may have been included in the same application and approval for designation.

(2) Within thirty days after such removal of designation of forest land, the assessor shall notify the owner in writing, setting forth the reasons for such removal. The owner may appeal such removal to the county board of equalization.

(3) Unless the removal is reversed on appeal a copy of the notice of removal with notation of the action, if any, upon appeal, together with the legal description or assessor's tax lot numbers for the land removed from designation shall, at the expense of the applicant, be filed by the assessor in the same manner as deeds are recorded, and commencing on January 1 of the year following the year in which the assessor mailed such notice, such land shall be assessed on the same basis as real property is assessed generally in that county. Except as provided in subsection (5) of this section, a compensating tax shall be imposed which shall be due and payable to the county treasurer on or before April 30 of the following year. On or before May 31 following such assessment date, the assessor shall compute the amount of such compensating tax and mail notice to the owner of the amount thereof and the date on which payment is due. The amount of such compensating tax shall be equal to:

(a) The difference between the amount of tax last levied on such land as forest land and an amount equal to the new assessed valuation of such land multiplied by the ((millage)) dollar rate of the last levy extended against such land, multiplied by

(b) A number, in no event greater than ten, equal to the number of years for which such land was designated as forest land.

(4) Any compensating tax unpaid on its due date shall thereupon become delinquent and together with applicable interest thereon, shall as of said date become a lien on such land which shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation or responsibility to or with which such land may become charged or liable. Such lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050. From the date of delinquency until paid, interest shall be charged at the same rate applied by law to delinquent ad valorem property taxes.

(5) The compensating tax specified in subsection (3) of this section shall not be imposed if the removal of designation pursuant to subsection (1) of this section resulted solely from:

(a) Transfer to a government entity in exchange for other forest land located within the state of Washington;

(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;

(c) Sale or transfer of land within two years after the death of the owner of at least a fifty percent interest in such land.

Sec. 113. Section 4, chapter 243, Laws of 1971 ex. sess. and RCW 84.34.230 are each amended to read as follows:

For the purpose of acquiring conservation futures as well as other rights and interests in real property pursuant to RCW 84.34.210 and 84.34.220, a county may levy an amount not to exceed (~~one-eighth of one mill on~~) six and one-quarter cents per thousand dollars of assessed valuation against the assessed valuation of all taxable property within the county, which levy shall be in addition to that authorized by RCW 84.52.050.

Sec. 114. Section 1, chapter 117, Laws of 1967 ex. sess. and RCW 84.36.270 are each amended to read as follows:

Subject to the terms and conditions set forth in RCW 84.36.280, whenever the owner of any real property dedicates the perpetual right to use the air space over his property to any county, city or other political subdivision of this state for the construction, operation and maintenance of stadium facilities, or for any parking facilities to be used in connection therewith, pursuant to the provisions of chapter 67.28 RCW, such property shall be exempt from general property taxation to such extent and as to such (~~millage~~) dollar rate as shall be determined by the county, city or other political subdivision, and subject to being used by a public body for a public purpose and only so long as the owner allows the use by the public body of the dedicated air rights free of rents or other charges.

Sec. 115. Section 84.40.030, chapter 15, Laws of 1961 as last amended by section 2, chapter 125, Laws of 1972 ex. sess. and RCW 84.40.030 are each amended to read as follows:

All property shall be assessed (~~fifty~~) one hundred percent of its true and fair value in money.

Taxable leasehold estates shall be valued at such price as they would bring at a fair, voluntary sale for cash. Notwithstanding any other provisions of this section or of any other statute, when the value of any taxable leasehold estate created prior to January 1, 1971 is being determined for assessment years prior to the assessment year 1973, there shall be deducted from what would otherwise be the value thereof the present worth of the rentals and other consideration which may be required of the lessee by the lessor for the unexpired term thereof: PROVIDED, That the foregoing provisions of this sentence shall not apply to any extension or renewal, made after December 31, 1970 of the term of any such estate, or to any such estate after the date, if any, provided for in the agreement for rental renegotiation.

The true and fair value of real property for taxation purposes (including property upon which there is a coal or other mine, or stone or other quarry) shall be based upon the following criteria:

(1) (a) Any sales of the property being appraised or similar property with respect to sales made within the past five years (~~less a percentage equal to the average;~~ ordinary and usual direct costs of sale of that type of property; including but not limited to costs of title insurance; legal services; recording fees and taxes levied

against such sales that are borne by the seller, and an amount equal to the customary fees payable to a licensed real estate broker for handling such a sale, such percentage to be determined by studies conducted by the department of revenue)). The appraisal shall take into consideration political restrictions such as zoning as well as physical and environmental influences. The appraisal shall also take into account, (i) in the use of sales by real estate contract as similar sales, the extent, if any, to which the stated selling price has been increased by reason of the down payment, interest rate, or other financing terms; and (ii) the extent to which the sale of a similar property actually represents the general effective market demand for property of such type, in the geographical area in which such property is located. Sales involving deed releases or similar seller-developer financing arrangements shall not be used as sales of similar property.

(b) In addition to sales as defined in subsection (1) (a), consideration may be given to cost, cost less depreciation, reconstruction cost less depreciation, or capitalization of income that would be derived from prudent use of the property. In the case of property of a complex nature, or being used under terms of a franchise from a public agency, or operating as a public utility, or property not having a record of sale within five years and not having a significant number of sales of similar property in the general area, the provisions of this subsection (1) (b) shall be the dominant factors in valuation. When provisions of this subsection (1) (b) are relied upon for establishing values the property owner shall be advised upon request of the factors used in arriving at such value.

(c) In valuing any tract or parcel of real property, the value of the land, exclusive of structures thereon shall be determined; also the value of structures thereon, but the valuation shall not exceed the value of the total property as it exists. In valuing agricultural land, growing crops shall be excluded.

PROVIDED, That the provisions of this subsection (1) shall be applicable to all values for use in computing property taxes for the assessment year 1972 for taxes payable in 1973 and subsequent years.

Sec. 116. Section 84.40.C40, chapter 15, Laws of 1961 as amended by section 36, chapter 149, Laws of 1967 ex. sess. and RCW 84.40.040 are each amended to read as follows:

The assessor shall begin the preliminary work for each assessment not later than the first day of December of each year in all counties in the state. He shall also complete the duties of listing and placing valuations on all property by May 31st of each year, and in the following manner, to wit:

He shall actually determine as nearly as practicable the true and fair value of each tract or lot of land listed for taxation and of each improvement located thereon and shall enter ((fifty)) one hundred percent of the value of such land and of the total value of such improvements, together with the total of such ((fifty)) one hundred percent valuations, opposite each description of property

on his assessment list and tax roll.

He shall make an alphabetical list of the names of all persons in his county liable to assessment of personal property, and require each person to make a correct list and statement of such property according to the standard form prescribed by the department of revenue, which statement and list shall include, if required by the form, the year of acquisition and total original cost of personal property in each category of the prescribed form, and shall be signed and verified under penalty of perjury by the person listing the property. Such list and statement shall be filed on or before the last day of March, but the assessor, upon written request filed on or before such date and for good cause shown therein, shall allow a reasonable extension of time for filing. The assessor shall on or before the 1st day of January of each year mail a notice to all such persons at their last known address that such statement and list is required, such notice to be accompanied by the form on which the statement or list is to be made: PROVIDED, That for the years 1968 and 1969 a second notice shall be mailed on or before the 15th day of March: PROVIDED FURTHER, That the notice mailed by the assessor to each taxpayer each year shall, if practicable, include the statement and list of personal property of the taxpayer for the preceding year. Upon receipt of such statement and list the assessor shall thereupon determine the true and fair value of the property included in such statement and enter ((fifty)) one hundred percent of the same in the assessment books opposite the name of the party assessed; and in making such entry in his assessment list, he shall give the name and post office address of the party listing the property, and if the party resides in a city the assessor shall give the street and number or other brief description of his residence or place of business. The assessor may, after giving written notice of his action to the person to be assessed, add to the assessment list any taxable property which, in his judgment, should be included in such list.

Sec. 117. Section 84.40.320, chapter 15, Laws of 1961 and RCW 84.40.320 are each amended to read as follows:

The assessor shall add up and note the amount of each column in his detail and assessment lists, which he shall have bound in book form in such manner, to be prescribed or approved by the state tax commission, as will provide a convenient and permanent record of assessment. He shall also make, under proper headings, a tabular statement showing the footings of the several columns upon each page, and shall add and set down under the respective headings the total amounts of each column, which he shall attach to the highest numbered assessment book, and on the first Monday of July he shall file the same, properly indexed, with the clerk of the county board of equalization for the purpose of equalization by the said board. Such returns shall be verified by his affidavit, substantially in the following form:

State of Washington,.....County, ss.
 I,.....Assessor....., do
 solemnly swear that the books No. 1 to No., to the
 last of which this is attached, contain a correct and full
 list of all the real property (or personal property, as the

case may be) subject to taxation in county, so far as I have been able to ascertain the same; and that the assessed value set down in the proper column, opposite the several kinds and descriptions of property, is in each case ((fifty)) one hundred percent of the true and fair value of such property, to the best of my knowledge and belief, and that the footings of the several columns in said books, and the tabular statement returned herewith, are correct, as I verily believe.

....., Assessor.

Subscribed and sworn to before me this..... day of, 19.....

(L. S.), Auditor of..... county.

PROVIDED, That the failure of the assessor to attach his certificate shall in nowise invalidate the assessment. After the same has been duly equalized by the county and state board of equalization, the same shall be delivered to the county assessor, who shall then extend the amount as levied by the state and county boards upon the said detail and assessment lists as by law provided.

Sec. 118. Section 84.48.080, chapter 15, Laws of 1961 as amended by section 9, chapter 288, Laws of 1971 ex. sess. and RCW 84.48.080 are each amended to read as follows:

Annually during the month of August, the department of revenue shall examine and compare the returns of the assessment of the property in the several counties of the state, and the assessment of the property of railroad and other companies assessed by the department, and proceed to equalize the same, so that each county in the state shall pay its due and just proportion of the taxes for state purposes for such assessment year, according to the ratio the valuation of the property in each county bears to the total valuation of all property in the state.

First. The department shall classify all property, real and personal, and shall raise and lower the valuation of any class of property in any county to a value that shall be equal, so far as possible, to the true and fair value of such class as of January 1st of the current year for the purpose of ascertaining the just amount of tax due from each county for state purposes. Such classification may be on the basis of types of property, geographical areas, or both.

Second. The department shall keep a full record of its proceedings and the same shall be published annually by the department.

Third. The department shall have authority to adopt rules and regulations to enforce obedience to its orders in all matters in relation to the returns of county assessments, and the equalization of values by the department.

The department shall levy the state taxes authorized by law: PROVIDED, That the amount levied in any one year for general state purposes shall not exceed the lawful ((millage)) dollar rate on the dollar of the assessed value of the property of the entire state, which assessed value shall be ((fifty)) one hundred percent of the true and fair value of such property in money; and shall apportion the amount of tax for state purposes levied by the department, among the several counties, in proportion to the valuation

of the taxable property of the county for the year as equalized by the department.

After the completion of the duties hereinabove prescribed, the director of the department shall certify the record of the proceedings of the department under this section, the tax levies made for state purposes and the apportionment thereof among the counties, to the state auditor.

Sec. 119. Section 4, chapter 8, Laws of 1972 ex. sess. as last amended by section 1, chapter 2, Laws of 1973 (Initiative Measure No. 44) and RCW 84.52.050 are each amended to read as follows:

Except as hereinafter provided, the aggregate of all tax levies upon real and personal property by the state, municipal corporations, taxing districts and governmental agencies, now existing or hereafter created, shall not exceed ((twenty mills on the dollar)) ten dollars per thousand dollars of assessed valuation, which assessed valuation shall be ((fifty)) one hundred percent of the true and fair value of such property in money.

((Nothing herein contained shall prohibit the legislature from allocating or reallocating up to twenty mills between the taxing districts of the state and its political subdivisions and nothing herein contained shall prevent levies at the rates provided by existing law by or for any port or power district.))

Within and subject to the limitations imposed by this section the regular ad valorem tax levies upon real and personal property by the taxing districts hereafter named shall be as follows: The levy by any county shall not exceed two dollars per thousand dollars of assessed value; the levy by or for any school district shall not exceed four dollars per thousand dollars of assessed value; the levy for any road district shall not exceed two dollars and fifty cents per thousand dollars of assessed value; and the levy by or for any city or town shall not exceed three dollars and seventy-five cents per thousand dollars of assessed value: PROVIDED FURTHER, That counties of the fifth class and under are hereby authorized to levy from two dollars to two dollars and seventy-five cents per thousand dollars of assessed value for general county purposes and from one dollar and seventy-five cents to two dollars and fifty cents per thousand dollars of assessed value for county road purposes if the total levy for both purposes does not exceed four dollars and fifty cents per thousand dollars of assessed value: PROVIDED FURTHER, That counties of the fourth and the ninth class are hereby authorized to levy two dollars and twenty-five cents per thousand dollars of assessed value until such time as the junior taxing agencies are utilizing all the millage available to them.

Nothing herein shall prevent levies at the rates provided by existing law by or for any port or power district.

It is the intent of the legislature that the provisions of this section shall supersede all conflicting provisions of law including section 24, chapter 299, Laws of 1971 ex. sess. and section 8, chapter 124, Laws of 1972 ex. sess.

Sec. 120. Section 84.52.052, chapter 15, Laws of

1961 as last amended by section 1, chapter 3, Laws of 1973 and RCW 84.52.052 are each amended to read as follows:

The limitations imposed by RCW 84.52.050 through 84.52.056, shall not prevent the levy of additional taxes ((; not in excess of five mills a year and without anticipation of delinquencies in payment of taxes; in an amount equal to the interest and principal payable in the next succeeding year on general obligation bonds; outstanding on December 6, 1934; issued by or through the agency of the state, or any county, city, town, or school district; or the levy of additional taxes to pay interest on or toward the reduction; at the rates provided by statute; of the principal of county, city, town, or school district warrants outstanding December 6, 1932; but this millage limitation with respect to general obligation bonds shall not apply to)) by any taxing district in which a larger levy is necessary in order to prevent the impairment of the obligation of contracts. Any county, school district, metropolitan park district, park and recreation district in class AA counties and counties of the second, eighth and ninth class, sewer district, water district, public hospital district, rural county library district, intercounty rural library district, fire protection district, cemetery district, city or town may levy taxes at a rate in excess of the rate specified in RCW 84.52.050 through 84.52.056, or RCW 84.55.010 through 84.55.050, when authorized so to do by the electors of such county, school district, metropolitan park district, park and recreation district in class AA counties and counties of the second, eighth and ninth class, sewer district, water district, public hospital district, rural county library district, intercounty rural library district, fire protection district, cemetery district, city or town in the manner set forth in Article VII, section 2(a) of the Constitution of this state, as amended by Amendment 59 and as thereafter amended, at a special election to be held in the year in which the levy is made.

A special election may be called and the time therefor fixed by the board of county commissioners or other county legislative authority, board of school directors, or council, board of commissioners, or other governing body of any metropolitan park district, park and recreation district in class AA counties and counties of the second, eighth and ninth class, sewer district, water district, public hospital district, rural county library district, intercounty rural library district, fire protection district, cemetery district, city or town, by giving notice thereof by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing such excess ((levies)) levy shall be submitted in such form as to enable the voters favoring the proposition to vote 'yes' and those opposed thereto to vote 'no'.

Sec. 121. Section 84.52.054, chapter 15, Laws of 1961 and RCW 84.52.054 are each amended to read as follows:

The additional tax provided for in subparagraph (a) of the seventeenth amendment to the state Constitution as amended by Amendment 59 and specifically authorized by RCW 84.52.052 shall be set forth in terms of dollars on the ballot of the proposition to be submitted to the voters,

together with an estimate of the ((millage)) dollar rate of tax levy that will be required to produce the dollar amount; and the county assessor, in spreading this tax upon the rolls, shall determine the eventual ((millage)) dollar rate required to produce the amount of dollars so voted upon, regardless of the estimate of ((millage)) dollar rate of tax levy carried in said proposition.

Sec. 122. Section 9, chapter 92, Laws of 1970 ex. sess. and RCW 84.52.063 are each amended to read as follows:

A rural library district may impose ((notwithstanding the millage limitations provided for in RCW 84.52.050 and 84.54.020,)) a regular property tax levy in an amount equal to that which would be produced by a levy of ((two mills)) fifty cents per thousand dollars of assessed value multiplied by an assessed valuation equal to ((twenty-five)) one hundred percent of the true and fair value of the taxable property in the rural library district, as determined by the department of revenue's indicated county ratio: PROVIDED, That when any county assessor shall find that the aggregate rate of levy on any property will exceed the limitation set forth in RCW 84.52.050, as now or hereafter amended, before recomputing and establishing a consolidated levy in the manner set forth in RCW 84.52.010, the assessor shall first reduce the levy of any rural library district, by such amount as may be necessary, but the levy of any rural library district shall not be reduced to less than one mill against the value of the taxable property, as determined by the county, prior to any further adjustments pursuant to RCW 84.52.010. For purposes of this section 'regular property tax levy' shall mean a levy subject to the ((forty mill)) one percent limitation provided for in Article VII, section 2 of the state Constitution.

Sec. 123. Section 84.52.080, chapter 15, Laws of 1961 as amended by section 1, chapter 7, Laws of 1965 ex. sess. and RCW 84.52.080 are each amended to read as follows:

The county assessor shall extend the taxes upon the tax rolls in the form herein prescribed. The rate ((percent)) necessary to raise the amounts of taxes levied for state and county purposes, and for purposes of taxing districts coextensive with the county, shall be computed upon the assessed value of the property of the county; the rate ((percent)) necessary to raise the amount of taxes levied for any taxing district within the county shall be computed upon the assessed value of the property of the district; all taxes assessed against any property shall be added together and extended on the rolls in a column headed consolidated or total tax. In extending any tax, whenever it amounts to a fractional part of a cent greater than five mills it shall be made one cent, and whenever it amounts to five mills or less than five mills it shall be dropped. The amount of all taxes shall be entered in the proper columns, as shown by entering the rate percent necessary to raise the consolidated or total tax and the total tax assessed against the property.

Upon the completion of such tax extension, it shall be the duty of the county assessor to make in each assessment book, tax roll or list a certificate in the

following form:

I,....., assessor of..... county, state of Washington, do hereby certify that the foregoing is a correct list of taxes levied on the real and personal property in the county of..... for the year one thousand nine hundred and.....

Witness my hand this.....day of....., 19.....

..... County Assessor

The county assessor shall deliver said tax rolls to the county treasurer on or before the fifteenth day of December, taking his receipt therefor, and at the same time the county assessor shall provide the county auditor with an abstract of the tax rolls showing the total amount of taxes collectible in each of the taxing districts.

Sec. 124. Section 22, chapter 288, Laws of 1971 ex. sess. and RCW 84.55.030 are each amended to read as follows:

For the first levy for a taxing district following annexation of additional property, the limitation set forth in RCW 84.55.010 shall be increased by an amount equal to (1) the aggregate assessed valuation of the newly annexed property as shown by the current completed and balanced tax rolls of the county or counties within which such property lies, multiplied by (2) the ((millage)) dollar rate that would have been used by the annexing unit in the absence of such annexation, plus (3) the additional dollar amount calculated by multiplying the increase in assessed value in the annexing district resulting from new constructions and improvements to property by the regular property tax levy rate of that annexing taxing district for the preceding year.

Sec. 125. Section 23, chapter 288, Laws of 1971 ex. sess. and RCW 84.55.040 are each amended to read as follows:

If by reason of the operation of RCW 84.52.050, as now or hereafter amended the statutory ((millage)) dollar rate limitation applicable to the levy by a taxing district has been increased over the statutory millage limitation applicable to such taxing district's levy in the preceding year, the limitation on the dollar rate amount of a levy provided for in this chapter shall be increased by multiplying the otherwise dollar limitation by a fraction, the numerator of which is the increased ((millage)) dollar rate limitation and the denominator of which is the ((millage)) dollar rate limitation for the prior year.

Sec. 126. Section 24, chapter 288, Laws of 1971 ex. sess. and RCW 84.55.050 are each amended to read as follows:

Subject to any otherwise applicable statutory ((millage)) dollar rate limitations, regular property taxes may be levied by or for a taxing district in an amount exceeding the limitations provided for in RCW 84.55.010 through 84.55.040 if such levy is authorized by a proposition approved by a majority of the voters of the taxing district voting on the proposition at a general election held within the district or at a special election within the taxing district called by the district for the purpose of submitting such proposition to the voters. Any election held pursuant to this section shall be held not

more than twelve months prior to the date on which the proposed levy is to be made. The ballot of the proposition shall state the ((millage)) dollar rate proposed. After a levy authorized pursuant to this section is made, the dollar amount of such levy shall be used for the purpose of computing the limitations for subsequent levies provided for in this chapter.

Sec. 127. Section 84.56.180, chapter 15, Laws of 1961 as amended by section 5, chapter 124, Laws of 1969 ex. sess. and RCW 84.56.180 are each amended to read as follows:

Whenever any person, firm or corporation, shall, subsequent to the first day of January of any year, bring or send into any county from outside the state any stock of goods or merchandise to be sold or disposed of in a place of business temporarily occupied for their sale, without the intention of engaging in permanent trade in such place, the owner, consignee or person in charge of the said goods or merchandise shall immediately notify the county assessor, and thereupon the assessor shall at once proceed to value the said stock of goods and merchandise at its true value, and upon ((fifty)) one hundred percent of such valuation the said owner, consignee or person in charge shall pay to the collector of taxes a tax at the rate assessed for state, county and local purposes in the taxing district in the year then current. And it shall not be lawful to sell or dispose of any such goods or merchandise as aforesaid in such taxing district until the assessor shall have been so notified as aforesaid and the tax assessed thereon paid to the collector. Every person, firm or corporation bringing into any county of this state from outside the state any goods or merchandise after the first day of January shall be deemed subject to the provisions of this section.

This section shall not apply to goods or merchandise consigned to a person for sale at such person's permanent place of business within this state, if such person is required to list such goods or merchandise pursuant to RCW 84.40.185.

Sec. 128. Section 84.56.340, chapter 15, Laws of 1961 as amended by section 1, chapter 48, Laws of 1971 ex. sess. and RCW 84.56.340 are each amended to read as follows:

Any person desiring to pay taxes upon any part or parts of real property heretofore or hereafter assessed as one parcel, or tract, may do so by applying to the county assessor, who must carefully investigate and ascertain the relative or proportionate value said part bears to the whole tract assessed, on which basis the assessment must be divided, and the assessor shall forthwith certify such proportionate value to the county treasurer: PROVIDED, That excepting when property is being acquired for public use no segregation of property for tax purposes shall be made unless all delinquent taxes and assessments on the entire tract have been paid in full: AND PROVIDED FURTHER, That where the assessed valuation of the tract to be divided exceeds ((two)) four thousand dollars a notice by registered mail must be given by the assessor to the several owners interested in said tract, if known, and if no protest against said division be filed with the county

assessor within twenty days from date of notice, the county assessor shall duly certify the proportionate value to the county treasurer. The county treasurer, upon receipt of certification, shall duly accept payment and issue receipt on the apportionment certified by the county assessor. In cases where protest is filed to said division appeal shall be made to the county commissioners at their next regular session for final division, and the county treasurer shall accept and receipt for said taxes as determined and ordered by county commissioners. Any person desiring to pay on an undivided interest in any real property may do so by paying to the county treasurer a sum equal to such proportion of the entire taxes charged on the entire tract as interest paid on bears to the whole.

Sec. 129. Section 4, chapter 184, Laws of 1967 and RCW 85.15.030 are each amended to read as follows:

To operate under this chapter, the board of commissioners of the improvement district shall cause to be prepared and filed with the board of county commissioners a property roll. The roll shall contain: (1) A description of all properties benefited and improvements thereon which receive protection and service from the systems of the district with the name of the owner or the reputed owner thereof and his address as shown on the tax rolls of the assessor or treasurer of the county where in the property is located and (2) the determined value of such land and improvements thereon as last assessed and equalized by the assessor of such county or counties. Such assessed and equalized values shall be deemed prima facie to be just, fair and correct valuations against which annual ((millage)) dollar rate tax levy shall be levied for the operation of the district and the maintenance and expansion of its facilities.

If property outside of the limits of the original district are upon the roll as adopted ultimately, and the original district has outstanding bonds or long-term warrants, the board of county commissioners shall set up separate ((millage)) dollar rate levies for the full retirement thereof.

Sec. 130. Section 7, chapter 184, Laws of 1967 and RCW 85.15.060 are each amended to read as follows:

The board of county commissioners may at any time reexamine the properties on any roll, and upon receipt of a petition from the board of supervisors of the district or the written request of a property owner shall do so. If it is found that the condition of such property or properties has changed so that such property should be eliminated from any rolls on file, or the valuation against which ((millage)) dollar rate is levied should be lowered, it shall so determine and enter an order adjusting the valuation as to such properties and shall certify and file a copy thereof with the treasurer of the county wherein the property is situated, and the treasurer shall alter and change the existing rolls accordingly. Valuations may be revised periodically to reflect changes in real property valuations by the county assessor.

The valuations on said roll shall be subject to adjustment from time to time in the manner provided in RCW 85.15.060.

The board of county commissioners shall hold a hearing on such adjustments at the county seat at the time of equalization of real property assessments for the purpose of considering written objections to any revision of valuations filed at least ten days prior to the hearing and shall give published notice only of such hearing as provided in RCW 85.15.040.

Sec. 132. Section 15, chapter 184, Laws of 1967 and RCW 85.15.140 are each amended to read as follows:

The ((millage)) dollar rate levies collected from time to time under this chapter are solely assessments for benefits received continuously by the protected properties, calculated in the manner specified in this chapter as a just and equitable way for all protected property to share the expense of such required protection and services.

Sec. 133. Section 2, chapter 45, Laws of 1951 and RCW 85.18.010 are each amended to read as follows:

When any diking district has been organized and the improvements made afford protection to land and buildings within such district against damage or destruction from overflow waters in that the level of the land and of the foundational structures of buildings thereon is below the water level at flood or high tide stages of the waters, fresh or salt, against which such district improvements furnished protection, the board of diking commissioners of such district may, under the procedure established in this chapter, determine such fact and by resolution so declare; and may provide that the cost of continued functioning of the district shall be paid through levies of ((millage)) dollar rates made and collected according to this chapter against the land and buildings thus protected, based upon the determined base benefits received by such land and buildings.

Sec. 134. Section 4, chapter 45, Laws of 1951 and RCW 85.18.030 are each amended to read as follows:

After the roll is prepared the board shall give notice of a time and place at which the board will hold a public hearing to determine whether the facts and conditions heretofore recited in this chapter as a prerequisite to its application do or do not exist, and if so found to exist by said board at said hearing, then the board shall by resolution so declare. The notice shall also state that at said hearing, or any continuance thereof, the board will sit to consider said roll and to determine the continuous base benefits which each of the properties thereon are receiving and will receive from the continued operation and functioning of such district, which shall in no instance exceed ((fifty)) one hundred percent of the true and fair value of such property in money, will consider all objections made thereto or to any part thereof, and will correct, revise, lower, change, or modify such roll as shall appear just and equitable; that when

correct benefits are fixed upon said roll by said board, it will adopt said roll by resolution as establishing, until modified as hereinafter provided, the continuous base benefit to said protected lands and buildings against which will be levied and collected ((millage)) dollar rates to provide funds for the continuous functioning of said district.

Sec. 135. Section 9, chapter 45, Laws of 1951 and RCW 85.18.080 are each amended to read as follows:

Until further modified, amended, or changed by an additional or supplemental roll certified to the county auditor after the foregoing procedure is had, the original roll, as modified or supplemented, if the same is done, shall serve as the base of benefits to the land and buildings protected by the improvement system of said district against which ((millage)) dollar rate is levied and collected from time to time for the continued functioning of said diking district.

Sec. 136. Section 16, chapter 45, Laws of 1951 and RCW 85.18.150 are each amended to read as follows:

Sec. 137. Section 19, chapter 225, Laws of 1909 and RCW 85.24.250 are each amended to read as follows:

Whenever it shall appear to the city council of any incorporated city or town not included or not wholly included within the limits of any diking or drainage district established hereunder, which incorporated city or town may be within a county in which a portion of such district is located that the construction and maintenance of such diking and drainage system will be beneficial to the health of the inhabitants of said incorporated city and to the general welfare of the said city, then the city council of said city is hereby empowered and authorized to appropriate such amount of money out of the general funds of the city as may to the city council seem proper and just to such diking and drainage system, or the city council may for such purpose levy an assessment upon all the property in said city subject to taxation by said city, which shall not exceed ((one-half mill for each dollar)) twelve and one-half cents per thousand dollars of assessed value of property.

Sec. 138. Section 4, chapter 131, Laws of 1961 and RCW 85.32.030 are each amended to read as follows:

The board may: (1) Make initial determination that the district's facilities furnish benefit to improvements upon land as well as land alone within the district in protecting against and furnishing run-off for surface and/or flood waters; (2) Make initial determination that lands and improvements thereon outside of the territorial limits of the district are receiving a service from the facilities of the district, and are benefited thereby in that waters from such lands through ditches, drains, or other artificial methods, other than by natural flow or seepage, are so cast as to have outlet through the district's facilities; (3) Determine that properties so

found to be served should pay a just proportion of the operational and maintenance costs of the district; (4) In connection with so finding, cause a roll of property thus served and benefited by the district's facilities to be prepared and filed with it, and give notice of a hearing thereon as provided in this chapter; (5) Hold public hearings to determine the ultimate facts and approve an ultimate roll of properties served and benefited by the facilities of the district and valuations thereof to serve as a basis against which annual ((millage)) dollar rate levy may be assessed for continuous benefits furnished such properties; make revision thereof as the facts warrant from time to time; provide for the levying of such ((millage)) dollar rate levy; and make return of such roll finally adopted by certifying and filing a copy thereof with the auditor, assessor and treasurer of the county wherein the properties involved are located.

Sec. 139. Section 5, chapter 131, Laws of 1961 and RCW 85.32.040 are each amended to read as follows:

In the initial instance, when the board of any district, desires to use the method and procedure provided in this chapter, and in order that uniformity may be had, it may cause a roll of all properties within the district claimed to be benefited by its drainage system, and in addition or as a part thereof, a roll of all properties outside of the territorial limits of said district claimed to be served and benefited by the drainage systems of said district, to be prepared and filed with it. Thereupon, the board shall by resolution declare:

(1) That it has made initial determination that the district's facilities are furnishing and will furnish service and benefit to the properties, including improvements thereon, described in such roll;

(2) That such roll has been filed with it and will remain so filed and open to inspection by any party interested therein at all reasonable times;

(3) That a public hearing will be held by the board at a time and place stated to give consideration to the facts and make ultimate determination of the same and to said roll;

(4) That when said roll is finally adopted, annual ((millage)) dollar rate levies will be made by the district against said properties based upon the valuation thereof as shown on said roll when ultimately adopted to raise money based on benefit and service for the continuous operation and maintenance of said district;

(5) That at the time of hearing, it will hear all objections filed and will review, adopt, modify, or revise said roll consistent with existing facts to the end that property receiving service and benefit from the facilities of the district shall pay justly and equitably therefor in proportion to benefit received and;

(6) That upon said hearing or adjournments thereof, the board will determine the ultimate facts concerning service and benefit received by all properties ultimately contained in said roll and as to such properties it will adopt the roll in final form and proceed as in this chapter provided.

Sec. 140. Section 6, chapter 131, Laws of 1961 and RCW 85.32.050 are each amended to read as follows:

The roll of properties referred to in this chapter shall contain (1) a description of all properties and improvements thereon, with the name of the owner or the reputed owner thereof and his address as shown on the tax rolls of the assessor or treasurer of the county wherein the property is located, and (2) the determined value of such land and improvements thereon as last assessed and equalized by the taxing agencies of such county. Such assessed and equalized values shall be deemed prima facie as a just, fair and correct base of value for consideration by the board in its determination ultimately of the just and correct base of value in each instance against which annual ((millage)) dollar rates shall be levied by the district for the operation of the district and the expansion and maintenance of its facilities.

If property outside of the territorial limits of the district are upon the roll as adopted ultimately, and the district has prior indebtedness existing, the board shall set up separate ((millage)) dollar rate levies for the retirement thereof until it is extinguished, which levies shall be applied solely against the properties within the territorial limits of the district. Adjustments of the roll shall be made before final adoption in such a manner that the money raised through annual ((millage)) dollar rate levies for maintenance, expansion and operational costs of the district in no instance shall exceed the value of the service rendered or to be rendered and the benefit received and to be received by the property involved.

Sec. 141. Section 7, chapter 131, Laws of 1961 and RCW 85.32.060 are each amended to read as follows:

When the board causes a property roll to be filed with it and a hearing to be held thereon as provided in this chapter, it shall give notice of such hearing in the following manner:

The notice shall be published at least three times in consecutive issues in a weekly newspaper, or once a week for three consecutive weeks in a daily newspaper, published in or near said district, and if there is more than one such paper, then in some paper chosen by the board having general circulation in the area involved. The last publication shall be more than fifteen days prior to date of hearing. The board also shall cause a copy of such notice to be mailed in regular course of the federal mail at least thirty days prior to the date of such hearing to the owner or reputed owner of such property at his address, all as shown on the tax rolls or records of the county taxing agencies of the county wherein the property is situated, such notice being deemed adequate and sufficient. The sworn affidavit of the one doing such mailing shall be deemed conclusive of the fact that such notice was mailed.

Such notice shall state the following:

(1) That the board has tentatively determined that the property of the owner or reputed owner named is receiving and will receive service and benefit from the facilities of the district;

(2) That the board has caused a tentative roll of such properties with any improvements thereon which are receiving and will receive such service and benefit to be filed with it; and that such roll shows a base of valuation thereon for said properties against which annual

((millage)) dollar rates will be levied and collected in the same manner as general taxes to pay the fair value of the benefit and service received and to be received by such property through use of the facilities of the district, and to pay the annual cost of operation, development and maintenance of the district and its facilities;

(3) That on a date, time and place stated, the board will give consideration to the facts and the roll, will hear all objections filed, will review said roll and alter, modify, or change the same consistent with facts established and with equity and fair dealing concerning the properties involved to the end that just levies will be made for service and benefits received and to be received against each property for the purposes mentioned; and at the hearing or continuance thereof, it will adopt the roll in final form and certify and file a copy thereof with the assessor and treasurer of the county wherein the property is located; and will cause annual millage to be levied against such established valuations for the purposes stated;

(4) That all persons desiring to object to the proceedings, to the proposed base valuations, or to any other thing or matter in connection with the proceedings, must file written objections with the board stating clearly the basis of such objection before the time of the hearing, or all objections will be deemed waived.

The board may at any time reexamine the properties on any roll, and upon request of an owner shall do so, and if it is found that the condition of such property or properties has changed so that justly such property should be eliminated from any rolls on file, or the base against which ((millage)) dollar rate is levied should be lowered, it shall so determine and make a supplemental roll with reference to such property or properties. When adopted by it, the board shall certify and file a copy thereof with the auditor, assessor and treasurer of the county wherein the property is situated, and such officer shall alter and change the existing rolls accordingly.

Sec. 143. Section 12, chapter 131, Laws of 1961 and RCW 85.32.110 are each amended to read as follows:

The ((millage)) dollar rate shall be levied in the manner required by law for ((millage)) dollar rate levies by drainage districts.

Sec. 144. Section 13, chapter 131, Laws of 1961 and RCW 85.32.120 are each amended to read as follows:

the board shall make a separate estimate of the revenue required to be raised to pay or apply upon such indebtedness until it is extinguished, and it shall proceed and certify the same as hereinabove provided, and no ((millage)) dollar rate for raising revenue to extinguish such indebtedness shall be included in the levies made against any properties lying outside of the territorial limits of said district.

When thus levied, the amount of assessment produced thereby shall be added by the general taxing authorities to the general taxes against said lands and collected therewith as a part thereof. If unpaid, any delinquencies in such assessments shall bear interest at the same rate and in the same manner as general taxes and they shall be included in and be made a part of any general tax foreclosure proceedings according to the provisions of law with relation to such foreclosures. As assessment collections are made, the county treasurer shall credit same to the funds of such district.

Sec. 145. Section 22, chapter 131, Laws of 1961 and RCW 85.32.210 are each amended to read as follows:

Implementing the state liquor laws.

The bill was read the second time.

On motion of Mr. Williams, the committee amendments were adopted.

House Bill No. 928 was ordered engrossed.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 928 was placed on final passage.

Mr. Thompson spoke in favor of the bill.

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Newhouse.

Mr. Newhouse: "Mr. Thompson, I notice in one section of this bill, I believe section 9, you are amending a section of the Code (RCW 66.28.090) and in section 11, the last section, you are repealing that same section. That would appear to be a rather serious conflict. Do you have any comment on this?"

Mr. Thompson: "I am going to attempt to answer this. If my answer is not satisfactory to the other sponsors present here, I would like them to have an opportunity to respond also, Representative Newhouse. The committee amendment removing the section you allude to is not a repealer. It is simply a removal of this section

from the bill. Representative Pardini is shaking his head so I want him to have an opportunity to answer too, please, so I'll leave it there."

Mr. Pardini: "Representative Newhouse has raised a very valid question. I've been off the floor for the last five minutes trying to track it down. New Section 11 on the last page of this bill says 'RCW 66.28.090 are each repealed.' It is not our intent to repeal that, because we have just gone in previously and corrected that section on the top of page 18 by saying inspection shall be at reasonable times. We are adding the word 'reasonable,' correcting that inspection statute. I was trying to get an answer on this as to whether this was a typographical error or whether there was another section to be repealed, but we have advanced to third reading on this. I just simply cannot answer this for you other than give you the assurance that we will get it straightened around in the Senate if the bill should pass."

Mr. Pardini spoke in favor of the bill.

MOTION

Mr. Newhouse moved that the House defer further consideration of Engrossed House Bill No. 928 on third reading and that the bill be placed on the calendar for the next working day.

Mr. Newhouse spoke in favor of the motion.

POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Representative Pardini, as you know, a number of us have been concerned about the discretionary powers of the Liquor Control Board. These would be the clubs which have racial exclusionary clauses. I wondered whether this bill directly grants any powers to the board with reference to this question?"

POINT OF ORDER

Mr. Newhouse: "The question is not directed to the motion before the House, which is to defer action."

The Speaker (Mr. O'Brien presiding): "There is some latitude, of course, on asking questions on a motion to defer consideration. However, I would ask Mr. Douthwaite to hold his questions as to making a decision on how to vote and whether or not he wants to defer action on it."

Mr. Douthwaite: "Thank you, Mr. Speaker, that was partly the reason for my question. Also, if we do defer action based on the answer to this question, I might be able to help Mr. Newhouse improve the bill. I think probably I know the answer, but I would like Mr. Pardini to tell me whether or not the board has any powers in this bill to rule, based on its discretion, in granting or

denying licenses as a function of whether or not these clubs deal with racial discrimination clauses."

Mr. Pardini: "Mr. Douthwaite, the bill does not deal with the question of racial discrimination in private clubs in any way, shape or form."

With the consent of the House, Mr. Newhouse withdrew his motion to defer consideration of Engrossed House Bill No. 928.

MOTION

On motion of Mr. Charette, the rules were suspended and Engrossed House Bill No. 928 was returned to second reading for the purpose of amendment.

Mr. Pardini moved adoption of the following amendment:

On page 19, section 11, lines 19 and 20 strike "RCW 66.28.090 are each repealed"

POINT OF ORDER

Mr. Newhouse: "I am not entirely convinced the amendment is in order. I wonder if section 11 should not be stricken from the bill with also the proper title amendment to accomplish that purpose?"

With the consent of the House, Mr. Pardini withdrew his amendment.

Mr. Pardini moved adoption of the following amendment:

On page 19 strike all of section 11.

Representatives Pardini and Charette spoke in favor of the amendment.

The amendment was adopted.

On motion of Mr. Pardini, the following amendment to the title was adopted:

Beginning on line 23 of the title strike "and repealing" on line 23 and all material on lines 24 and 25

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 928 was placed on final passage.

The Clerk called the roll on the final passage of Engrossed House Bill No. 928, and the bill passed the House by the following vote: Yeas, 72; nays, 23; not voting, 3.

HOUSE BILL NO. 556, by Representatives Maxie, Rabel and King:

Providing for student participation in community college tenure process.

The bill was read the second time.

On motion of Mr. Kuehnle, the following amendment by Representatives Kuehnle and Maxie was adopted:

On page 2, section 2, line 21 after "representative" and before "shall" insert ", who shall be a full time student,"

Mr. Kuehnle moved adoption of the following amendment by Representatives Kuehnle and Maxie:

On page 2, line 24 strike all of section 3.

Mr. Kuehnle spoke in favor of the amendment, and Mr. Charnley spoke against it.

POINT OF INQUIRY

Mr. Kuehnle yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Kuehnle, could you define for me the powers, duties and authorities of the tenure review committee?"

Mr. Kuehnle: "The powers of the review committee are to take into consideration all elements associated with the determination of awarding tenure to a faculty representative. This, I think, is the reason for adding a student representative to that committee, to get total input. And I don't think there is any argument with that point. Certainly that student input should be there, and there is no argument with the point that Representative Charnley raises, that student evaluations should be considered. I merely would ask you to read the language of the bill and the way it is worded: 'The evaluation process, utilizing student evaluations, shall place . . .' etc. A strict interpretation of that wording would mean that the evaluation would have to be done solely on the basis of student evaluation. That certainly isn't the intent of the language."

Mr. Flanagan: "I thought when a teacher got a contract, he automatically had tenure. Do you mean that this review committee can remove tenure?"

Mr. Kuehnle: "There is a three-year probationary period, as I understand it, and the review committee then makes a determination as to whether the teacher should be placed on tenure after that probationary period is up. Somebody can correct me on that if I am wrong, but that is my understanding."

Mr. Charnley: "Mr. Flanagan, as is presently constituted, there is a three-year probationary period. The college can hire a new teacher at the end of the first year or the second year; but at the end of the third year they must either hire him or they must dismiss him, so there is some latitude that way."

Mr. Douthwaite spoke against adoption of the amendment by Representatives Kuehnle and Maxie, and Mr. Kuehnle spoke again in favor of the amendment.

The amendment was adopted on a rising vote.

On motion of Mr. Kuehnle, the following amendment to the title was adopted:

POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Julin.

Mr. Julin: "I see that you are, on line 13, changing 'an urban development or redevelopment' to 'a public development or redevelopment.' In the context of the measure that is now before us, it seems to me that this language change would permit this type of financing for any public project, of any kind, any place, because you are talking about the area that includes all or a part of an area included in a public development. It seems to me that just about includes everything. I wonder if you aren't going a lot farther with this than you really intend?"

Mr. Douthwaite: "Yes, Representative Julin, I don't believe there is any problem here. I believe the intent is to allow this type of a development to take place if the local community desires it, either in a city or in a county, anywhere within the state. You are quite right about that. If the people in that particular locale wish to indulge or engage in this type of a bond effort--in a regenerative effort--within their area, that is the intent, yes."

Representatives Julin and Bluechel spoke against the amendment, and Representative Kraabel spoke in favor of its adoption.

Mr. Barden demanded the previous question and the demand was sustained.

Representatives Flanagan and Kraabel spoke in favor of the amendments, and Representatives Perry and Barden spoke against their adoption.

On page 2, section 2, line 1 before the period insert "PROVIDED, That ramps at least 36 inches wide so constructed to allow reasonable access to the sidewalk for physically handicapped persons and bicycles shall be provided where reasonable, but at least at each corner of an intersection"

Mr. Charnley spoke in favor of the amendment to the committee amendment and it was not adopted.

The committee amendment was adopted.

On motion of Mr. Bauer, the committee amendment to the title was adopted.

House Bill No. 895 was ordered engrossed.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 895 was placed on final passage.

Mr. Bender spoke in favor of the bill.

POINT OF INQUIRY

Mr. Bender yielded to question by Mr. Tilly.

Mr. Tilly: "Mr. Bender, the county engineer in Chelan County had a question on this bill regarding the legislative intent. He was wondering if existing projects that have been approved but have not been contracted, and maybe wouldn't be contracted until after July 1--he was wondering how this bill would affect these particular jobs."

Mr. Bender: "Those jobs that are contracted after July 1 will be affected by this bill. They will come under this bill. Those before will not be affected by the bill."

Mr. Tilly: "So in other words they had better get the contracts out before July 1, 1973?"

Mr. Bender: "Yes, they had better."

Setting forth rights for part-time faculty instructors of community colleges.

Mr. Charnley moved adoption of the following amendment by Representatives Charnley and Valle:

On page 7, line 20 strike all of section 13 and renumber the remaining sections consecutively.

Mr. Charnley spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Patterson: "Would Representative Charnley yield to a question?"

Mr. Charnley refused to yield to question.

Mr. Shinpoch yielded to question by Mr. Patterson.

Mr. Patterson: "My concern all along in this particular piece of legislation, which I spent a great deal of time on, was to make sure that the funds that would fund part-time employees to a salary that would be more commensurate with the full-time people at the community colleges--that these dollars would actually be added to the appropriations bill that we will have here, I presume, next week. Is my understanding correct that they are added dollars in this amount--that have actually been added to the community college bill?"

Mr. Shinpoch: "We seem to cover this quite often. I can assure you that my recommendation on the community college budget--that had this part-time not been included in Senate Bill No. 2740--this \$3.4 million would not have been in their budget."

Mr. Hoggins demanded an electric roll call and the demand was sustained.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Representatives Charnley and Valle to Substitute House Bill No. 742, and the amendment was adopted by the following vote: Yeas, 57; nays, 41; not voting, 0.

ROLL CALL

Not voting: Representative Berentson.

Mrs. Valle spoke in favor of passage of the bill, and Mr. Benitz spoke against it.

POINT OF INQUIRY

Mrs. Valle yielded to question by Mr. Laughlin.

Mr. Laughlin: "Will the appropriation which implements this bill affect full-time faculty salary increases in community colleges which do not hire significant numbers of part-time community college faculty?"

Mrs. Valle: "The answer to your question, Representative Laughlin, is 'no.' The \$3,459,000 is specifically earmarked for salaries for part-time community college teachers only. The community college budget within the higher education budget would have been \$3,459,000 less than the present figure. The fact of the matter is that community colleges are up \$20 million from the last biennium, according to the figures given me by Representative Shinpoch, and this will not affect the full-time community college faculty personnel. In fact, at present, as I have said, it is up. Had we not addressed ourselves to this problem, we would not have had this appropriation. On your desk is information, and you can see the number of people and the percentage of part-time community college teachers that reside and teach in your own community college district."

Mr. Laughlin: "Then, Representative Valle, I assume the moneys would be allocated on the basis of actual teaching contracts awarded."

Mrs. Valle: "That is correct."

POINT OF INQUIRY

Mr. Barden: "Would Representative Valle yield to another question please?"

Mrs. Valle refused to yield to question.

Mr. Barden: "Would Representative Laughlin yield to a question?"

Mr. Laughlin refused to yield to question.

Mr. Barden spoke against passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 742, and the bill passed the House by the following vote: Yeas, 63; nays, 35; not voting, 0.

Voting yea: Representatives Adams, Anderson, Bagnariol, Bausch, Beck, Bender, Blair, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Douthwaite, Ehlers, Ellis, Eng, Erickson, Fortson, Gaines, Gallagher, Gaspard, Goltz, Hansen, Haussler, Hoggins, Jastad, Johnson, Kalich, Kelley, Kilbury, King, Kraabel, Laughlin, Leckenby, Luders, Lysen, Martinis, Maxie, May, McCormick, Moon, Nelson, North F., North L., O'Brien, Parker, Perry, Rabel, Randall, Savage, Shipoch, Smith, Sommers, Swayze, Thompson, Valle, Van Dyk, Warnke, Williams, Wilson, Wojahn, and Mr. Speaker.

Voting nay: Representatives Amen, Barden, Bauer, Benitz, Berentson, Bluechel, Brown, Cunningham, Curtis, Eikenberry, Flanagan, Freeman, Garrett, Gilleland, Hansey, Hayner, Hendricks, Hurley, Juelling, Julin, Knowles, Kopet, Kuehne, Matthews, Morrison, Newhouse, Pardini, Paris, Patterson, Polk, Pullen, Schumaker, Smythe, Tilly, Zimmerman.

Engrossed Substitute House Bill No. 742, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

STATEMENT FOR THE JOURNAL

In responding to Representative Laughlin's point of inquiry, Representative Valle made some statements to which I would like to add some clarifying remarks.

Mr. Laughlin asked if the \$3,459,000 appropriation for part-time faculty pay increases would affect full-time faculty salary increases in community colleges which do not hire significant numbers of part-time community college faculty. Representative Valle replied that it would not, which is correct. However, in further remarks, Representative Valle indicated that had we not addressed ourselves to the part-time faculty pay raise we would not have had this appropriation. This is not correct.

It was the intent of the House Ways and Means Committee that the funds for providing part-time faculty pay increases be absorbed within the total funding for the community colleges. By deleting the appropriation in ESHB 742 and providing \$3,456,000 in the higher education budget (House amendment to ESSB 2740) the total funds for community colleges were not changed at all. What will occur is that the community college system will have to absorb the higher part-time salaries by reducing programs.

While it will not affect salary increases of full-time community college faculty, because the salary increases are specifically funded by proviso, it will reduce some programs. To the degree that it reduces the instruction program and specifically the faculty staffing

level of the instruction program, it will affect the number of full-time (and part-time) faculty employed.

JERRY C. KOPET, 6th District.

MOTION

On motion of Mr. Thompson, the House advanced to the seventh order of business.

HOUSE BILL NO. 1054, Prime Sponsor: Representative Berentson, setting forth state economic impact act seeking to offset economic consequences of closing state institutions and services, reported by Committee on Ways and Means - Appropriations.

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The purpose of this chapter is to establish an economic impact act for the state of Washington which acknowledges that when either for fiscal reasons, changes in service modes, obsolescence or otherwise, it becomes necessary to close a state facility, the state has a responsibility to provide certain benefits

to affected employees.

This chapter is expressly designed to:

Assist state employees working in a facility who are affected by the state's decision.

NEW SECTION. Sec. 2. (1) Closure of a state facility as intended under this chapter occurs when:

A state building or group of state buildings and the services being provided within these facilities presently operated by the department of social and health services are or in conjunction with the department of natural resources terminated either for fiscal reasons, changes in service modes, obsolescence, or otherwise and where employment in the same or a like job classification and at not less than one step or range lower than the same salary range is not available to affected state employees within reasonable commuting distance as established by the personnel board having jurisdiction;

(2) Services which do not qualify under subsection (1) hereof include, but are not limited to, the following:

(a) State employment related to a single project under a program separately financed by a grant of nonstate funds, federal funds or state funds, or by a combination of such funding, which is designed to provide training or employment opportunities, expertise or additional manpower related to the project or which, because of the nature of the project funding requirements, is not intended as a permanent program.

(b) Activities at least seventy-five percent federally funded by categorical grant for a specific purpose and any other activities terminated because of actions taken by the federal government or other funding sources other than the state of Washington in eliminating or substantially limiting funding sources, except to the extent that the federal government or such other funding sources may permit the use of nonstate funds to pay for any employee benefits authorized pursuant to this chapter.

(3) In addition to the exclusions contained in subsection (2) hereof the following, are also excluded from benefits under this chapter:

(a) Employees refusing transfer to other work of a class and pay as described in subsection (1) of this section within commuting distance of either the former location or the employees' present domicile: PROVIDED, That reasonable commuting distance shall be determined by the personnel board having jurisdiction in cases of dispute.

(b) Classified employees having other than permanent status in the classified service.

(c) Employees having less than three years' unbroken state service as an employee, except that such employees shall nonetheless be eligible for the benefits provided in section 3, subsections (1), (2), (3), (5), and (6) of this 1973 act.

(4) Nothing in this chapter shall affect any other rights currently held by classified employees regarding reduction in force procedures and subsequent reemployment.

NEW SECTION. Sec. 3. In order to carry out the purposes of this chapter, it is the policy of the state that it take reasonable steps to provide alternative employment and to minimize the economic loss of state employees affected by the closure of a state facility. To

accomplish such intent the following actions shall be taken:

(1) The state agency or department operating a facility whose operation is to be terminated shall be required to provide a minimum advance notice of four months to employees of the facility.

(2) Classified employees under the jurisdiction of the state personnel board coming under the provisions of this chapter shall have transfer rights to vacancies existing at institutions of higher education prior to such vacancies being filled from open competitive registers, and the higher education personnel board shall cooperate with the state department of personnel to insure that these rights are made available.

(3) Relocation expenses covering the movement of household goods, incurred by the necessity of an employee moving his domicile to be within reasonable commuting distance of a new job site, shall be paid by the state to employees transferring to other state employment by reason of the closure of a facility and such employee shall be allowed up to five working days' leave with pay for the purpose of locating new residence in the area of employment.

(4) The state shall reimburse the transferring employee to the extent of any financial loss up to a maximum of three thousand dollars suffered by an employee who sells his home at a price less than the average of two licensed appraisers' estimates of its value, such appraised price to be established within sixty days of the time transfer of employment is accepted. The state of Washington shall assume the total cost incurred in making the appraisals.

The costs of selling an employee's house shall include any real estate fees, title insurance, and transfer and recording fees: PROVIDED, That such costs are not included in the average of two licensed appraisers' estimates of value established as provided herein.

This right of reimbursement must be exercised, and sale of the property must be accomplished, within a period of two years from the date other state employment is accepted.

(5) For employees in facilities which have been terminated who do not choose to participate in the transfer program set forth in the preceding subsections, the following terminal pay plan shall be available:

(a) For qualifying employees, for each one year of unbroken state service, one week of regular compensation shall be provided.

(b) Regular compensation as used in subsection (a) hereof shall include salary compensation at the hourly or monthly rate being paid to the employees at the time operation of the facility or service is terminated.

Terminal pay as set forth in subsections (a) and (b) hereof shall be paid to the employee at the termination of the employee's last month of employment: PROVIDED, That when such employee receives other state employment, he shall reimburse the state for any terminal pay in excess of wages lost during his term of unemployment.

(6) As an option to transferring to other state employment an employee may select early retirement under

the following conditions: PROVIDED, That such selection shall be consummated within thirty days of termination:

(a) For employees who have completed twenty years of membership service and are employed in the facility to be terminated and have reached age fifty but less than age fifty-five at the date the facility is to be terminated, the state shall provide to those employees who so elect to retire the same monthly retirement benefits the employee would have received if the employee had continued to work for the state at the same average final compensation until the employee retired at age fifty-five with twenty-five years of service.

(b) For employees who have completed at least twenty years of membership service and have reached age fifty-five but less than age sixty at the date the facility is terminated, the state shall provide to those employees who so elect to retire the same monthly retirement the employee would have received if the employee had continued to work for the state at the same average final compensation until he had earned twenty-five years membership service credit.

(c) For employees who have reached age sixty at the date the facility is terminated, the state shall provide to those employees who elect to retire: (i) With less than five years of service, up to five years of membership credit; (ii) with less than twenty years of service, one year for each year the employee is under age sixty-five shall be added to his membership credit; (iii) with twenty years or more of service, one year for each year the employee is under age sixty-five shall be added to his membership credit, but not to exceed a maximum of twenty-five years total membership credit.

(d) An employee, at any age, who has twenty-five or more years membership credit at the time the facility is terminated and who discontinues his state service, shall have added to his membership credit the years necessary to reach a maximum of thirty years of membership service: PROVIDED, That if the employee has reached age sixty, the additional years will be limited to the difference between age sixty-five and the employee's current age.

Additional years of membership service provided in this subsection shall be considered complete creditable service for qualifying for military service credit as set forth in the public employees' retirement system.

For employees who elect to retire under this subsection, the state shall contribute to the appropriate retirement fund, from funds appropriated in section 5 of this 1973 act, contributions equivalent to those which the employees and the employer would have contributed had the employee remained in state service and elected to retire under the selected early retirement option.

NEW SECTION. Sec. 4. For the purposes of sections 1 through 4 of this 1973 act, unless the context shall clearly indicate otherwise:

"Classified employees" means those employees under classified service as defined in RCW 41.06.020 (3).

NEW SECTION. Sec. 5. There is hereby appropriated from the state general fund for the biennium ending June 30, 1975, to the following state agencies the following appropriations to carry out the purposes of sections 1 through 4 of this 1973 act:

To the state department of personnel to carry out the purposes of section 3 of this 1973 act, two million one hundred thousand dollars, or so much thereof as may be necessary.

NEW SECTION. Sec. 6. Sections 1 through 4 of this 1973 act shall be added to Title 43 RCW as a new chapter thereof.

NEW SECTION. Sec. 7. If any provision of this 1973 act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 8. This 1973 act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Signed by Representatives Shinpoch, Chairman; North (Frances), Vice Chairwoman; Bagnariol, Bausch, Brown, Curtis, Ehlers, Gaspard, Hansey, Hoggins, Kopet, Smith, Valle, Van Dyk, Warnke.

Mr. Freeman yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. Freeman, you mentioned you have done your homework in this area. While I don't represent the Seattle area, I am interested because that is the largest school district in the state. According to your computations on this amendment, if we did not guarantee them that they would not get less money than what they had before, what would the loss be per pupil to the Seattle School District?"

Mr. Freeman: "The figures that I have for 1973, that I got from the office of the Superintendent of Public Instruction, the school levy in Seattle is presently raising \$528 per student. This would be compared with a statewide average, if this levy relief money would be applied on an average-equal basis, the \$528 could be reduced down to \$277. That would be a statewide average if we applied this money equally throughout the state. Seattle has another school district called South Central. It raises \$729 via the special levy right now. That would be a very dramatic decrease for that district in Seattle."

Mr. Freeman moved adoption of the following amendment:

On page 3, line 7 after "tax" and before "upon" insert "in excess of an amount equal to ten percent of its total maintenance and operation budget"

Mr. Freeman spoke in favor of the amendment, and Mr. Luders spoke against it.

POINT OF INQUIRY

Mr. Luders yielded to question by Mr. Barden.

Mr. Barden: "Representative Luders, according to the latest publication of the Washington State Research Council, the Seattle School District is spending \$1,031 per

student this year. The Mead School District in Spokane County is spending \$591 per student. Now a great deal of the money raised in Seattle is funded by special levy. If this amendment fails, and if no special levies are allowed for special programs or desire for greater excellence in education, can you approximate for me how the per pupil expenditures in the Mead School District, in your part of the state, and the Seattle School District in my part of the state would be impacted by this proposal, without this amendment?"

Mr. Luders: "Since I do not represent either of these two areas, I can do it objectively. I think, in answer to what you say, the partial answer would be that Seattle almost didn't pass its levy. And if they hadn't passed their levy, what would have occurred--or Mead which did not pass its levy for three terms or three elections in a row--what would happen is there would be a drastic curtailment. What I seem to sense throughout the state is that people don't want special levies any longer. And to say that because one district currently is managing to eke out, after two elections in Seattle for example--is managing to eke out a little bit of additional money (or roughly in the Seattle area almost a fourth of the budget) is no guarantee that next time they will pass it. What I would hope would occur, and I believe that sooner or later our Supreme Court will have to address itself to the fact, is that equal education means equal education. And it does not mean disparities via the special levy route. So what I feel will happen, Representative Barden, is that sooner or later these districts that have the high millage, with very few exceptions, will find themselves unable to pass those millages and then education in those districts will be worse off than they would be under a full-state funding."

Representatives Barden, Amen and Polk spoke in favor of adoption of the amendment by Mr. Freeman, and Representative Randall spoke against it.

Mr. Beck demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on the adoption of the amendment by Mr. Freeman to Engrossed Senate Joint Resolution No. 109, and the amendment was lost by the following vote: Yeas, 38; nays, 59; not voting, 1.

Voting yea: Representatives Amen, Barden, Benitz, Berentson, Blair, Bluechel, Brown, Cunningham, Curtis, Douthwaite, Eikenberry, Freeman, Garrett, Gilleland, Hansey, Hayner, Hendricks, Hoggins, Jueling, Julin, Kelley, Kopet, Kuehnle, Leckenby, Matthews, Morrison, Nelson, North L., Pardini, Patterson, Polk, Pullen, Rabel, Schumaker, Smythe, Swayze, Tilly, Zimmerman.

Voting nay: Representatives Adams, Anderson, Bagnariol, Bauer, Bausch, Beck, Bender, Ceccarelli, Charette, Charnley, Chatalas, Clemente, Conner, Ehlers, Ellis, Eng, Erickson, Flanagan, Fortson, Gaines, Gallagher, Gaspard, Goltz, Hansen, Haussler, Hurley, Jastad, Johnson,

On page 4, line 13 after "state" insert "PROVIDED, HOWEVER, That this notice shall be caused to be published and the constitutional amendment submitted to a vote of the people only if the legislature has adopted, by majority of each house, an act to implement this amendment"

Representatives Smythe, Curtis and Kuehnle spoke in favor of adoption of the amendment, and Representative Bagnariol spoke against it.

POINT OF INQUIRY

Mr. Bagnariol yielded to question by Mr. Kelley.

Mr. Kelley: "Representative Bagnariol, I have some question with this, and this regards timing, and in what time a constitutional amendment is certified for a vote of the people. Does that have to take place in July, or can it take place after September--the point being, would we have to have this statutory amendment prepared in this session, or would we be able to do this in the September session?"

Mr. Bagnariol: "To my knowledge, Representative Kelley, the September session would be too late. We would have to get it done during this session, and by getting it done during this session we would have to have it done by the 14th, because that is hopefully when we are going to get out of here. The only statute really we have been looking at is the 83-page document that came over from the Senate. I am not sure this body has the time to digest that document in the next few days."

Mr. Beck demanded the previous question, and the demand was sustained.

On page 3, section 3, line 19 insert the following:

"(h) During the time a state income tax is in effect, the total taxes levied and collected by the state during a fiscal biennium shall not exceed eight percent of total state personal income for the same period. If, as a result of federal or state legislation, the state performs and assumes the cost of a program or function formerly financed by another level of government, or if a program or function or increased level of service is required of local government by the state, the calculation of total taxes shall be increased or decreased, as the case may be, by the cost attributable to such transferred program or function, or increased level of service. For the purposes of this section 'total taxes' shall mean all compulsory contributions exacted by the state, but excluding any unit of local government or other political subdivision of the state, for public purposes (other than employee and employer assessments and contributions to finance retirement and social insurance systems, and other than special assessments for capital outlay).

The legislature shall provide for the establishment of the economic estimates commission, to consist of three members, one appointed by the governor, one appointed by the legislature, and one appointed by the state auditor, to serve at the pleasure of each respective appointing authority. The commission shall estimate and project 'state personal income' and 'total taxes' as may be necessary to determine the above prescribed tax limitation, and shall revise, adopt, and publish on the first day of each March and September of each year an official estimate of projected tax revenues and state personal income for that fiscal biennium, and shall establish the state tax revenue limitation accordingly."

Mr. Eikenberry spoke in favor of the amendment, and Mr. Bagnariol spoke against it.

Mr. Bluechel moved adoption of the following amendment by Representatives Bluechel and Matthews:

On page 1 strike everything after line 2 and insert the following:

"THAT, At the general election to be held in this

state in November, 1973, there shall be submitted to the qualified voters of this state a proposition to remove the limitation against enactment of a state net income tax and two alternative measures as to the state net income tax together with revisions which may be imposed if a majority of the qualified voters voting on the proposition vote for removing such limitation.

The secretary of state shall cause the proposition to be prepared and placed upon the November, 1973 general election ballot as follows:

'Shall the Constitution be amended in accordance with Alternative 'A' or Alternative 'B' to remove the limitation against enactment of a state net income tax?.....YES
NO

VOTE FOR ONE

'Do you approve and ratify the amendment to the Constitution set forth in Alternative A?.....

'Do you approve and ratify the amendment to the Constitution set forth below in Alternative B?

Alternative 'A' reads as follows:

Article VII, Section 14. (1) Income shall not be deemed property within the meaning of this Article, and a tax imposed upon or measured by income shall not be deemed a tax on property.

(2) The legislature shall have the power to impose a net income tax upon individuals and corporations not subject to repeal pursuant to the provisions of section 1, subsection (a) of Article II of the Constitution.

(a) The highest rate of any net income tax imposed upon individuals shall not exceed eight percent and the highest rate of any net income tax imposed upon corporations shall not exceed twelve percent.

(b) The rate schedule for a net income tax imposed upon individuals shall be graduated and shall contain no less than six different rates, the difference between each of which shall be equal and shall be no less than one-half of one percent.

The rate limitations prescribed in subsections (a) and (b) above may be exceeded only if those sections of an act which change such limitations are enacted by a majority of at least two-thirds of the members of each of the two houses of the legislature and are referred to the people and approved by a majority vote thereon at a general election.

(c) In the first statute implementing this amendment the highest rate of the rate schedule for a net income tax imposed upon individuals shall not exceed six and one-half percent and the highest rate of the rate schedule for a net income tax imposed upon corporations shall not exceed ten percent. The rate limitations prescribed in this subsection may be exceeded only if those sections of an act which change such rates are enacted by a majority of the members of each of the two houses of the legislature and are referred to the people and approved by a majority vote thereon at a general election.

(d) From and after the initial adoption of a net income tax act by the legislature, no amendment to such act which changes: (i) the definition of taxable income, (ii) a rate or rates, within the limitations set forth in (a),

(b) or (c) above, or (iii) an amount or amounts of taxable income in the rate schedule, shall be valid unless such amendment is enacted by a majority of the members of each of the two houses of the legislature, and is subject to referendum petition.

(3) Notwithstanding any other provision of this Constitution, not later than twelve months after a state net income tax takes effect, and during the time such tax is in effect thereafter:

(a) The state shall guarantee full funding of a basic program of education, as defined by the legislature.

(b) No sale or use tax shall be imposed on the consumption of the following articles as defined by the legislature: (i) food products for off-premises human consumption, and (ii) prescription drugs.

(c) The aggregate rate of any general retail sales or use tax as imposed by the state or local government may not exceed five and three-tenths percent unless those sections of an act which impose or authorize rates in excess of such limitations are enacted by a majority of at least two-thirds of the members of each of the two houses of the legislature and are referred to the people and approved by a majority vote thereon at a general election.

(d) No business and occupation tax shall be levied by the state at a rate greater than one-quarter of one percent, against that income of individuals or corporations which is subject to the net income tax.

(e) No school district in any year shall, for maintenance and operations purposes, impose a tax upon property pursuant to the provisions of paragraph (a) of section 2, as now or hereafter amended, of this Article VII.

(f) Upon and after December 31, 1984, business inventories, as defined by law, shall be exempt from property taxes.

(g) In the case of property defined as a capital asset by the legislature and held by a taxpayer on the effective date of a state income tax act and disposed of after such effective date, such taxpayer shall be allowed to exclude from the computation of taxable income the amount of any gain attributable to a difference in value of property occurring between the time of acquisition by the taxpayer and the effective date of such act.

(4) Notwithstanding any other provision of this Constitution, the legislature shall have the power:

(a) To provide for direct payments to an individual to the extent that (i) insufficient income tax liability exists for full application of an otherwise applicable credit, and (ii) such credit is granted for the purpose of providing direct or indirect relief from other state or local taxes.

(b) To coordinate the administration and collection of state income taxes with the income tax laws and procedures of the United States. The legislature may adopt by reference any federal statutes relating to federal income taxes, as existing at time of adoption and as amended from time to time.

(5) The legislature shall have the power to define terms used in this section to the extent necessary to facilitate the operation thereof.

Alternative 'B' reads as follows:

Article VII, section 14. Notwithstanding any other provision of this Constitution, the legislature shall have the power to impose a tax upon or measured by net income, at graduated rates. The rates of tax applied to the income of corporations may be different than the rates applied to other taxpayers.

(1) Any such tax shall be subject to the following limitations:

(a) The rates of any net income tax imposed by the state upon taxpayers other than corporations shall be graduated and the highest rate shall not be more than four percent, and

(b) The rates of any net income tax imposed by the state upon corporations shall be graduated and shall be at rates of not less than three percent and not more than six percent.

(c) The rate schedule for a net income tax imposed upon taxpayers other than corporations and corporations shall contain not less than four different rates, the difference between which shall be equal and shall be not less than one percent.

(2) During the time a state net income tax is in effect, commencing with the first calendar year following the effective date of the enactment of a state net income tax and in subsequent years, no excess levy property taxes shall be imposed by or for any school district, except for capital purposes.

(3) In the case of property defined as a capital asset in section 1221 of the Internal Revenue Code and held by a taxpayer on the effective date of a state income tax act and disposed of after such effective date, such taxpayer shall be allowed to exclude from the computation of taxable income the amount of any gain attributable to a difference in value of property occurring between the time of acquisition by the taxpayer and the effective date of such act.

(4) Notwithstanding any other provision of this Constitution, the legislature shall have the power to coordinate the administration and collection of state income taxes with the income tax laws and procedures of the United States. The legislature may adopt by reference any federal statutes relating to federal income taxes, as existing at time of adoption and as amended from time to time.

(5) As used in this section, "net income" as applied to individuals means federal taxable income as determined pursuant to the United States Internal Revenue Code less any exclusion allowed by subsection (3) of this section.

If a majority of the qualified voters voting on the proposition vote for removing the limitation against enactment of a state net income tax, the Alternative measure receiving the greatest number of 'yes' votes shall be deemed approved and ratified as an amendment to the state Constitution.

BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of the foregoing constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state."

The Speaker resumed the Chair.

Representatives Charette, Brown, King, Lysen and Kraabel spoke in favor of passage of the resolution, and Representatives Smythe and Barden spoke against it.

POINT OF INQUIRY

Mr. King yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. King, you have suggested that we pass this bill and pass an implementing statute when we come back in September because of a lack of time. Representative Swayze offered an amendment which provides that any changes in rates would go to the voters, because we have serious concern about this. Representative Kuehnle offered an amendment, and you expressed a concern about the shift of the tax bite from corporations to individuals. He thought that it was much more significant than the eleven million dollars that you made reference to. Representative Freeman offered an amendment, for which you also had concern, and that is the total elimination of special levies. On these three points, if we were to pass this constitutional amendment, and we would find out between now and September that the voters really did want to have the

measure referred back to them, that there was a difficulty with the B & O tax, would we be able to change the constitutional amendment?"

Mr. King: "Well, we wouldn't be able to change the constitutional amendment itself, but none of those problems that you mention are tied into the Constitution, at least insofar as our analysis showed us. We are aware of the problems, but they can all be solved in terms of an implementing statute. They are tough ones--we will admit that."

Representatives Pardini and Cunningham spoke against passage of the resolution, and Representative Fortson spoke in favor of it.

Mr. Conner demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Joint Resolution No. 109, and the resolution failed to pass the House by the following vote: Yeas, 62; nays, 35; not voting, 1.
