Representative Gaspard, for the express purpose of establishing in the record the intent of this body, is it your intent to link these two requirements together and particularly, what category of person are we addressing here?"

Mr. Gaspard: "It is the intent to link these two requirements, low income and age, as one requirement. The intent, in drafting this bill, is to get a senior-citizen type of discount for a senior citizen who is in a low income bracket, very similar to what we do right now for property tax discount relief."

Mr. Shinpoch spoke again in favor of the amendment.

POINT OF PARLIAMENTARY INQUIRY

Mr. Polk: "Mr. Speaker, once the House would adopt an amendment here on the floor it would be my understanding that we could not then take another amendment to do just the reverse action, could we?"

The Speaker (Mr. O'Brien presiding): "We would have to take a look at what the amendment comprised, Representative Polk. Ordinarily it wouldn't probably be classified as germane."

Mr. Polk: "I appreciate what Representative Shinpoch is trying to do as committee chairman, to keep straight with a drafting error in an amendment that was sent over from one committee to another committee. He is attempting to keep faith with the committee system and keep the amendments in there, but my point is that if he is successful in adopting that amendment here on the floor, then I am precluded from the exact reverse amendment to not adopt that amendment, am I not?"

The Speaker (Mr. O'Brien presiding): "Ordinarily yes, it would be a violation of Reed's Rules."

Mr. Conner demanded an electric roll call and the demand was sustained.
Representatives Maxie, Perry and Charette spoke in favor of the amendment, and Mr. Pardini spoke against it.

POINT OF INQUIRY

Mr. Perry yielded to question by Mr. Charnley.

Mr. Charnley: "I remember discussing this question in Higher Education Committee and I don't quite recall the total discussion. I wonder if you could clarify my memory and help the House in understanding what the relationship is between contractors who are on a list, who are being asked to bid, and what the effect of this amendment would have on them?"

Mr. Perry: "Really what we are dealing with here is—this is a part of state law, but the qualification of what we are dealing with in this amendment is that we recognize, and the government recognizes (the federal government, the state government and the local government) that some minority contractors, for one thing, are not large enough to attempt to take any of these jobs on; so what we are specifically trying to accomplish is that these contractors be given a small piece of work, similar to the SBA type of work, and that they get a chance to perform. To date, with all of the laws that are in effect and all of the years we have had these laws, there have been virtually no minority people working and I think that this amendment will go a great way toward correcting that."

Mr. Hurley (George) spoke in favor of the amendment.

ROLL CALL
The Clerk called the roll on adoption of the amendment by Representative Shinpoch to Substitute House Bill No. 1143, and the amendment was adopted by the following vote: Yea's, 81; nays, 13; not voting, 4.

MOTIONS

On motion of Mr. Charette, HOUSE JOINT RESOLUTION NO. 45 was rereferred to Committee on Rules.

Mr. Charette moved that ENGROSSED SUBSTITUTE SENATE BILL NO. 2715 be referred to Committee on Education.
Mr. Charette yielded to question by Mr. Pardini.

Mr. Pardini: "Is the purpose of sending this bill to the Education Committee for the amendments that we discussed on Friday, to clarify the particular language in there and to move that bill right back out to help these second class school districts?"

Mr. Charette: "The purpose of sending this bill to the Education Committee is so that we can carry on with the spirit of cooperation between the House Education Committee and Senator Gould, who has been the prime sponsor of this matter, to discuss the proposed amendments that have been presented to the committee, and then to put it back on the calendar for any action that the House as a whole may take."

Mr. Bauer yielded to question by Mr. Pardini.

Mr. Pardini: "Mr. Bauer, I would like to hear your response to my question."

Mr. Bauer: "Representative Charette was almost exactly correct. The first amendment that came to our mind, that we thought was necessary, was that there was nothing in the bill to provide for the adoption date of June 1st, only the preparation date. Then there are the second and third class school district problems that we want to address. I told Senator Gould that we would have it out of committee tomorrow—if the committee so pleases, of course."

The motion was carried.

On motion of Mr. Charette, the House adjourned until 9:30 a.m., Tuesday, May 13, 1975.  

Leonard A. Sawyer, Speaker.

When any teacher or certificated employee leaves a school district within the state and commences employment with the superintendent of public instruction, his or her years of school district employment may be credited toward the accrual of sick leave and annual leave as if such years had been in uninterrupted state agency service, other provisions of law to the contrary notwithstanding.7

Twenty-first Day, May 13, 1975

POINTER OF ORDER

Mr. Newhouse: "The Speaker is doing a very good job of addressing why this substitute bill was before us, but the point I raise is that he has not addressed, for my satisfaction, at least, why a bill was put on the calendar at the last minute in the committee and the bill used is one of much importance and he is striking all the important material out of that bill."

SPEAKER'S RULING

The Speaker: "Representative Newhouse, the motion, the way I understand it, is for a substitute bill, so therefore, if you are moving the substitute, I think the subject matter of both bills is open because you are attempting to substitute one bill for another. I think Representative Perry's remarks are in order."

Mr. Perry continued his remarks in favor of the motion.

POINT OF INQUIRY

Mr. Perry yielded to question by Mr. Berentson.

Mr. Berentson: "I have had some concern as to the language in the moratorium as to whether, in your opinion or perhaps in a legal opinion you might have obtained, this would preclude the expansion of existing facilities to handle low-grade sulphur that will be coming into these refineries? Or in your opinion, does this only apply to the terminal facilities?"

Mr. Perry: "I was very much interested and I am very glad this question has been raised, because it was not our intention to preclude construction of facilities necessary to handle Alaskan crude. It went all through this last year. These refineries have to change their type of plants in order to handle the Alaskan crude; they have been handling Canadian crude which is very high in natural naptha content and in order to handle Alaskan crude, they have to change the process. This measure was meant for one specific purpose: To prohibit or to declare a moratorium on the construction of any marine terminal facilities; it was not meant to impair or in any way stop the conversion of our refineries to the ability to handle Alaskan crude."

Representatives Berentson, Leckenby and Douthwaite spoke in favor of the motion.

Mr. Charette demanded an electric roll call and the demand was sustained.

Representatives Valle and Fortson spoke in favor of the motion.

Mr. Ehlers demanded the previous question and the demand was sustained.

Where the board finds that any licensed beer or wine wholesaler has violated any of the provisions of this title or of the regulations of the board in selling or contracting to sell beer or wine to retail licensees, the board may, in addition to any punishment inflicted or imposed upon such wholesaler, prohibit the sale of the brand or brands of beer or wine involved in such violation to any or all retail licensees within the trade territory usually served by such wholesaler for such period of time as the board may fix, irrespective of whether the brewer manufacturing such beer or the beer importer importing such beer or the domestic winery manufacturing such wine or the wine importer importing such wine or the certificate of approval holder manufacturing such beer or wine actually participated in such violation.

Representatives Erickson, Charnley, Hawkins and Moon spoke in favor of the amendment, and Representatives Randall and Conner spoke against it.

Mr. Chatalas demanded an electric roll call and the demand was sustained.

Mr. Martinis spoke in opposition to the amendment, and Mr. Nelson spoke in favor of it.

POINT OF ORDER

Mr. Martinis: "Mr. Speaker, Representative Nelson is going into the bill that is before us and the amendment that is before us has nothing to do with the 106% limitation."

SPEAKER'S RULING

The Speaker: "If I understand the amendment correctly, you are talking about inside and outside the levy and it has a lot to do with the 106%, because on anything that is voted outside the levy it could possibly go beyond—it would be an outside levy rather than an inside—so this is something that is very much in contest here."

Mr. Nelson continued his remarks in opposition to the amendment.

Mr. O'Brien spoke against the amendment.

POINT OF ORDER

Mr. Berentson: "I think Representative O'Brien is confusing House Bill No. 624 with House Bill No. 611."
The Speaker: "The subject we are considering is the amendment to House Bill No. 624, Mr. O'Brien, so if you will confine your remarks to this bill, please."

Mr. O'Brien: "It's pretty hard to talk about House Bill No. 624 when we have a very important piece of legislation, House Bill No. 611, which can't get out of Rules Committee."

The Speaker: "Representative O'Brien, the Speaker can find no difficulty at all in talking about House Bill No. 624 separately from House Bill No. 611, so I would appreciate it if you would confine your remarks."

Mr. O'Brien continued his remarks in opposition to the amendment.

Mr. Pardini spoke against the amendment, and Mrs. Erickson closed debate, speaking again in favor of it.

MOTION

Mr. Newhouse moved that further action on House Bill No. 624 be deferred, and the bill be held for tomorrow's second reading calendar.

Mr. Charnley spoke against the motion.

POINT OF PARLIAMENTARY INQUIRY

Mr. Douthwaite: "The emergency amendment which failed was going to be moved for reconsideration today, and if we hold this over until tomorrow is it still in order to reconsider that committee amendment?"

SPEAKER'S RULING

The Speaker: "The Chair has ruled that the motion to reconsider an amendment must be done on the same day that the amendment was voted upon. Therefore, it would probably be too late tomorrow."

Mr. Douthwaite: "Therefore I assume the only way we can move to reconsider that committee amendment is to defeat the motion in front of us?"

The Speaker: "Or move for a suspension of the rules tomorrow to reconsider it. It would take a two-thirds vote if you wanted to do it tomorrow. A motion to reconsider is a privileged motion over the motion to set aside to a day certain and since we have not placed the motion for vote, if somebody wishes to move to reconsider, that could be considered at the present time."

MOTION FOR RECONSIDERATION

Mr. Douthwaite, having voted on the prevailing side, moved that the House immediately reconsider the vote by which the committee amendment adding a new section 2 failed to pass the House.

Mr. Randall spoke in favor of the motion to reconsider.

POINT OF INQUIRY

Mr. Randall yielded to question by Mr. Flanagan.

Mr. Flanagan: "You didn't say what bond issue or what port district, and I was wondering if this port district already has some form of a property tax levy?"

Mr. Randall: "Sure."

Mr. Flanagan: "Do they already have a bond issue for which they are levying a property tax to pay debt service?"

Mr. Randall: "Yes, they are currently, and their bond issue is phasing out. The port district has a major bond issue coming out for the purchase of Pier 91 in Seattle. They have a retiring bond issue, or a bond issue maturing, that allows them to issue this general obligation bond issue under their limitation, a quarter of one percent."

The motion to reconsider the committee amendment was carried.

The Speaker stated the question before the House to be the motion by Mr. Newhouse to defer action on House Bill No. 624 until tomorrow.
ROLL CALL

The Clerk called the roll on the motion by Mr. Newhouse to defer further action on House Bill No. 624 and place it on tomorrow's second reading calendar, and the motion was carried by the following vote: Yeas, 61; nays, 32; not voting, 5.

On motion of Mr. Charette, the House recessed until 1:30 p.m.

AFTERNOON SESSION

The House was called to order at 1:30 p.m. by the Speaker (Mr. Charette presiding). The Clerk called the roll and all members were present except Representative Hurley (Margaret), who was excused.

The bill was read the second time.

Mr. Freeman moved adoption of the following amendment by Representatives Freeman and May:

On page 1, section 1 line 28 add new sections as follows:

"Sec. 2. Section 22, chapter 3, Laws of 1971 as amended by section 10, chapter 73, Laws of 1973 and RCW 50.44.050 is amended to read as follows:

Benefits based on services in employment covered by or pursuant to this chapter shall be payable on the same terms and subject to the same conditions as compensation payable on the basis of other service subject to this title: PROVIDED, HOWEVER, That benefits based on service in an instructional, research or principal administrative capacity in an institution of higher education shall not be paid to an individual for any week of unemployment which begins during the period between two successive academic years, or during a similar period between two regular terms, whether or not successive, or during a period of paid sabbatical leave provided for in the individual's contract, if the individual has a contract or contracts to perform services in any such capacity for an institution or institutions of higher education for both such academic years or both such terms; or during any nonwork period occurring during a term that does not diminish the individual's salary for the term: PROVIDED, FURTHER, That benefits based on service in an instructional, research, or principal administrative capacity in an educational institution other than an institution of higher education shall not be paid to an individual for any week of unemployment which begins during the period between two successive academic years, or during a similar period between two regular terms, whether or not successive, or during a period of paid sabbatical leave provided for in the individual's contract, if the individual has a contract or contracts to perform services in any such capacity in an educational institution or institutions other than an institution of higher education for both such academic years or both such terms; or during any nonwork period occurring during a term that does not diminish the individual's salary for the term: PROVIDED, FURTHER, That any employee of a common school district who is conclusively presumed to have been reemployed pursuant to RCW 28A.67.070 shall be deemed to have a contract for the ensuing term.

Representatives Freeman and May spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Freeman yielded to question by Mr. Pardini.

Mr. Pardini: "Under your theory of 180 days, what happens in the summertime?"

Mr. Freeman: "With passage of this amendment, they would be eligible if they did not have a contract, as I understand it. If they do not have a contract for the next year they wouldn't be eligible. If they did have a contract they would not be eligible during that period."

The amendment was adopted.

Mr. Matthews moved adoption of the following amendment:

After section 1 insert the following new section:

"NEW SECTION. Sec. 2. There is added to chapter 50.20 RCW a new section to read as follows:

(1) Notwithstanding any other provision of law, an individual shall be disqualified for benefits if during such individual's benefit year any other person or persons in such individual's family shall have income which is found to be adequate for such family in accordance with subsection (2) of this section.

(2) A family's income shall be deemed to be adequate if the yearly gross amount thereof exceeds:

Eight thousand dollars for a family of three or fewer;
Nine thousand dollars for a family of four;
Ten thousand dollars for a family of five;
and so forth, with an additional one thousand dollars of gross annual income permitted for each additional family member.

(3) For the purposes of this section, 'family' shall include the individual and his or her spouse, children, step-children, parents, step-parents, and any other person who is a dependent of the individual applying for benefits under this title or of whom such individual is a dependent."
(4) In making application for benefits under this title, each individual shall file an estimate of his or her family income for the forthcoming benefit year. Should the actual gross family income during such benefit year be less than such estimate and thereby entitle an individual disqualified pursuant to subsection (1) of this section to benefits, such benefits shall be paid forthwith to such individual by the department. Should the actual gross family income during such benefit year exceed such estimate and thereby disqualify an individual otherwise entitled to benefits, the department shall recover such overpayment of benefits pursuant to RCW 50.20.190."

Mr. Matthews spoke in favor of the amendment, and Representatives Charette and Cochrane spoke against it.

The amendment was not adopted.

MOTION

On motion of Mr. Charette, the House recessed until 1:15 p.m.

AFTERNOON SESSION

Miss Finley entertained the House with selections of song, receiving a standing ovation and a request for an encore.

The Speaker also introduced Miss Finley’s parents, who were in the gallery.

The Speaker declared the House to be at ease.

The Speaker (Mr. O'Brien presiding) called the House to order.

SECOND READING

HOUSE BILL NO. 405:

The House resumed consideration of the bill on second reading.

Mr. Curtis moved adoption of the following amendment:

On page 1, beginning on line 5 strike everything after the enacting clause and insert sections to read as follows:

"Section 1. Section 4, chapter 35, Laws of 1945 as last amended by section 1, chapter 73, Laws of 1973 and RCW 50.04.030 are each amended to read as follows:

"Benefit year" with respect to each individual, means the fifty-two consecutive week period beginning with the first day of the calendar week with respect to which the individual files an application for an initial determination and thereafter the fifty-two consecutive week period beginning with the first day of the calendar week with respect to which the individual next files an application for an initial determination.

An individual's benefit year shall be extended to be fifty-three weeks when at the expiration of fifty-two weeks the establishment of a new benefit year would result in the use of a quarter of wages in the new base year that had been included in the individual's prior base year.

No benefit year will be established unless it is determined that the individual earned wages in "employment" during his base year of not less than the "qualifying annual wage" computed for the calendar year preceding the last June 30th immediately preceding his benefit year and either had "employment" in not less than ((sixteen)) twenty weeks of his base year in each of which he earned the "qualifying weekly wage" computed for the second calendar year preceding the calendar year in which each such week ends or had "employment" in not less than ((eight)) eight hundred hours of his base year: PROVIDED, HOWEVER, That a benefit year cannot be established if the base year wages include wages earned prior to the establishment of a prior benefit year unless the individual earned wages in "employment" during the last two quarters of the new base year of not less than six times the weekly benefit amount computed for his new benefit year.

As the change contained in the third paragraph of this section relating to the weeks worked qualification would invalidate basic data upon which benefit qualification determinations must be made the satisfaction of the weeks worked requirement will require as to base year weeks ending in the second two quarters of 1972 that the individual will have earned not less than the "qualifying weekly wage" computed
Mr. Curtis: "I would like to divide the question. Would a motion at this point in time be in order that we consider it section by section?"

The Speaker (Mr. O'Brien presiding): "You would have to place it in the form of a motion to divide your main question."
MOTION

Mr. Curtis moved that the amendment be divided and each section be considered separately.

POINT OF PARLIAMENTARY INQUIRY

Mr. Charette: "Under our rules is it possible for a person to present an amendment that is to be considered all together and then request that it be divided?"

The Speaker (Mr. O'Brien presiding): "House Rule 61 covers the division of a question and states as follows: 'Any member may call for a division of a question, which shall be divided if it embraces subjects so distinct that one being taken away a substantive proposition shall remain for the decision of the house;...'. It would appear that the House would have the right to divide the question on a motion. Also Reed's Rule 151 explains in some detail decisions relative to the division of a question. If the House so desires to divide the question, they would have that right."

Mr. Charette: "Further on the point of inquiry, Representative Curtis has presented an amendment that strikes everything after the enacting clause and then hangs some paper on this bill and I would suggest that if one of the sections were adopted, then the amendment wouldn't be properly worded. How would we work that out?"

The Speaker (Mr. O'Brien presiding): "You raise a pretty good point. I suppose if we adopted one of these sections that you would adopt everything after the enacting clause with the exception of the sections that the House decided not to approve."

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion by Mr. Curtis to divide the question, and consider each section of his amendment separately.

Mr. Curtis spoke in favor of the motion, and Mr. Charette spoke against it.

ROLL CALL

The Clerk called the roll on the motion by Mr. Curtis to divide the question, and the motion was lost by the following vote: Yeas, 39; nays, 57; not voting, 2.

Not voting: Representatives Hanna, Schumaker.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the amendment by Representative Curtis.

Mr. Curtis spoke in favor of the amendment, and Mr. King spoke against it.

POINT OF ORDER

Mr. Newhouse: "I would like to cite Rule 52—the three-minute rule."

The Speaker (Mr. O'Brien presiding): "Your point is probably well-taken, but Representative Curtis took more than three minutes."

Mr. King concluded his remarks in opposition to the amendment.

On motion of Mr. Freeman, the following amendment by Representatives Freeman and May to the Curtis amendment was adopted:

On page 1, line 1 after "strike" strike the material down to the colon on line 3 and insert "Section 1." and renumber the amended section accordingly.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the Curtis amendment as amended.

Mr. Hansey demanded an electric roll call and the demand was sustained.
Representatives Newhouse, Bond and Matthews spoke in favor of the amendment as amended, and Representatives Savage and Charette spoke against it.

Mr. Conner demanded the previous question, and the demand was sustained.

Mr. Curtis asked to close debate.

**SPEAKER’S RULING (MR. O’BRIEN PRESIDING)**

The Speaker (Mr. O’Brien presiding): "Rule 56 states in part, ‘The previous question upon all recognized motions or amendments which are debatable may be ordered by two-thirds of the members present, and shall have the effect of cutting off all debate and bringing the house to a direct vote upon the motion or amendment on which it has been ordered...’"

**ROLL CALL**

The Clerk called the roll on adoption of the amendment by Representative Curtis as amended to House Bill No. 405, and the amendment was not adopted by the following vote:

Representatives Curtis and Freeman spoke in favor of the motion, and Representatives Savage and King spoke against it.

**ROLL CALL**

The Clerk called the roll on the motion by Representative Curtis to reconsider the vote by which the amendment by Mr. Curtis to House Bill No. 405 was not adopted, and the motion was lost by the following vote:

**Yeas,** 36; **nays,** 60; **not voting,** 2.

Not voting: Representatives Blair, Sommers.

On motion of Mr. Freeman, the following amendment to the title was adopted:

On page 1, line 1 after the semicolon strike "and" and on line 3 after "50.20.120" insert "; amending section 22, chapter 3, Laws of 1971, as amended by section 10, chapter 73, Laws of 1973, and RCW 50.44-.050; establishing an effective date and declaring an emergency"

House Bill No. 405 was ordered engrossed.

Mr. Conner moved that the rules be suspended, the second reading considered the third, and Engrossed House Bill No. 405 be placed on final passage.

Mr. Savage spoke in favor of the motion, and Mr. Newhouse spoke against it.

**ROLL CALL**

The Clerk called the roll on the motion to suspend the rules and place Engrossed House Bill No. 405 on final passage, and the motion failed to receive the necessary two-thirds majority by the following vote: **Yeas,** 58; **nays,** 39; **not voting,** 1.

(7) "Advisory council" means the advisory council for vocational education established within this state pursuant to 20 USCA 1244B.

NEW SECTION. Sec. 3. There is hereby established a commission for vocational education comprised of seven members, each of which shall be a voting member. The chairman shall be a citizen member chosen by a majority of its members pursuant to its bylaws. Five citizen members shall be appointed by the governor and confirmed by the state senate. The superintendent of public instruction and the director of the state board for community college education shall serve as the remaining two members. In making citizen member appointments initially, and subsequently thereafter, the governor shall be cognizant of the desirability of appointing persons well versed regarding vocational and occupational needs of management, labor, and agriculture.

The initial citizen appointments shall be for periods of one, two, three, four, and five years. Thereafter such citizen members shall serve for terms of five years. No citizen member shall be eligible to serve who is also a member of a state or local educational agency, board, council or commission, or who is employed by a common school or institution of higher education.

Four members shall constitute a quorum, and no action shall be taken by less than four affirmative votes.

NEW SECTION. Sec. 4. The commission for vocational education shall have the following functions:

(1) Plan development. The commission shall be responsible for complying with federal directives to insure the development and maintenance of a state plan for vocational education but initial planning shall be accomplished by the secondary and postsecondary education systems. Prior to the adoption of the state plan, the commission shall request comments from the council on higher education and the advisory council for vocational education.

(2) State plan modification adjudication. Decisions on new programs and/or facilities for vocational education shall be made internally within the respective secondary or postsecondary education system in accordance with the provisions of the state plan. The commission may review such decisions to insure compliance with the state plan and avoid unnecessary duplication of current or projected programs.

Any common school or community college district, or the superintendent of public instruction, or the state board for community college education, or other interested parties as authorized by the commission, shall be afforded the opportunity to comment upon any new programs or facilities proposed. The commission, subject to dispute resolution rules adopted by said commission, shall have the final determination on any disputes arising out of such program proposals.

In adjudicating disputes between the two secondary and postsecondary education systems regarding the state plan, the commission will use at least the following criteria: Recognition that secondary education is constitutionally the responsibility of the superintendent of public instruction and that by legislative action postsecondary education is the responsibility of institutions of higher education; adhere to the general policy set forth in the state plan; consider the particular vocational need of the community, region, or state and whether the common school or community college, or both, can best respond to those needs;
encourage cooperation and coordination rather than competition and program conflict between secondary and post secondary education systems; consider the desires and preferences of the residents of the immediate program service area and of the representatives of the fields of management, labor, and agriculture which benefit from possible program offerings; and avoid unnecessary duplication of vocational education programs and facilities.

(3) Vocational education administration. The commission shall be the sole agency for the receipt and allocation of federal funds in accordance with the state plan. The supervision of the state plan shall be carried out by the commission; however, daily administration of the state plan shall be primarily the responsibility of the superintendent of public instruction and the state board for community college education: PROVIDED, That the commission shall review and approve state plan development proposals or special programs requiring personal service contracts, and activities beyond the program responsibilities of the superintendent of public instruction and the state board for community college education.

Under the state plan the commission shall make periodic compliance audits at least once a biennium of the vocational education programs individually and jointly conducted by the common schools and community colleges to insure compliance with the state plan.

The commission shall be the primary state liaison with the federal government for the state plan for vocational education.

**NEW SECTION.** Sec. 5. In addition to powers and duties under section 4 of this amendatory act, the commission shall make periodic reports to the governor and the legislature. The initial report shall be submitted, with the governor's comments, to the 1977 legislature by December 1, 1976 and shall include, but not be limited to, review of and recommendations on the following: (1) Vocational education program modernization, including common informational data systems; (2) reorganization of the administration of vocational education; (3) an appropriate level of expenditure for the state administration of vocational education programs; (4) appropriate charges for vocational and adult education programs in the secondary and postsecondary education systems; and (5) provisions for personnel standards for vocational education instructors.

Such recommendations, to the greatest extent possible, shall comply with the intent of this amendatory act and be consistent with federal requirements.

**NEW SECTION.** Sec. 6. The commission is authorized to promulgate such rules and regulations as are necessary to comply with the intent of this amendatory act in accordance with chapter 34.04 RCW, the administrative procedure act, and adopt such bylaws as deemed necessary to the business of the commission. Existing rules and regulations of any state agency relating to vocational education should be considered amended in accordance with the intent of this amendatory act. Initial rules and regulations of the commission, prior to their effective date, shall be submitted to the respective rules committees of the senate and house for review concurrently at such time as notice of intent to adopt is filed. The commission is further authorized to take whatever action is necessary to insure compliance with federal vocational education enactments and state legislative and administrative directives concerning vocational education. The commission is also authorized to delegate by commission resolution to the executive director those functions it deems necessary to the operation of the commission.

The commission shall meet, consult and cooperate with the office of the state superintendent of public instruction on all matters falling within his constitutional supervisory powers in advance of exercising any of the powers or duties granted to the commission by this chapter.

**NEW SECTION.** Sec. 7. Common school districts and community college districts shall cooperate in offering vocational education programs, particularly when establishing specialized facility support for such programs. Such cooperation shall also extend to noncredit vocational courses in common school community education programs and community college community service programs as the same are authorized in RCW 28A.58.247 and 28B.50.020.

Except as provided for by the rules and regulations of the commission, (1) common school vocational-technical institutes shall not offer new or expanded vocational programs outside their traditional service areas; (2) community colleges shall not offer new or expanded vocational programs outside their college districts. Common school vocational-technical institutes and community colleges desiring to offer new or expanded programs outside their respective service areas or community college districts shall provide reasonable notice, as determined by the commission, to the common school and community college districts affected thereby.

If such joint cooperation cannot be attained at the local level the superintendent of public instruction and the state board for community college education shall attempt to resolve the matter. Matters unresolved shall be referred to the commission for adjudication.

**NEW SECTION.** Sec. 8. Members of the commission will receive per diem in lieu of compensation, and travel expenses in accordance with standard rates for part time boards, councils, and commissions as certified by the state budget director.

**NEW SECTION.** Sec. 9. The coordinating council for occupational education is hereby abolished effective midnight June 30, 1975, and its education responsibilities, personnel, property and equipment are transferred to the commission for vocational education unless otherwise provided for in this amendatory act.

**NEW SECTION.** Sec. 10. The commission may employ an executive director and such other personnel as may be necessary to carry out the purposes of this amendatory act. The commission in accordance with section 4 of this amendatory act shall keep its professional staff to the minimum number of persons.
necessary to fulfill its duties under this amendatory act and the performance of such other administrative responsibilities as the legislature may provide.

NEW SECTION. Sec. 11. The superintendent of public instruction may authorize common schools to contract with community colleges to provide adult high school completion programs if he determines that such programs effectively fulfill the purposes of secondary education: PROVIDED, That except as subject to the action of the superintendent of public instruction, adult high school completion programs conducted by the community colleges as authorized by RCW 28B.50.092 or 28B.50.535 shall remain in the community colleges.

NEW SECTION. Sec. 12. The governor is hereby authorized, with the advice of the office of program planning and fiscal management to determine to which of the following state agencies those functions of the coordinating council for occupational education not herein transferred to the commission for vocational education shall be transferred: The council on higher education; the department of social and health services; the department of labor and industries; the superintendent of public instruction; the state board for community colleges, or any educational administrative agency created during the forty-fourth legislative session. The governor has the authority to transfer such personnel, funds, and equipment to the agency he so determines as may be necessary to carry out those functions. The governor shall make a report to the legislature concerning such determinations as he has made by December 1, 1975. All remaining funds of the coordinating council not disposed of or otherwise provided for in this amendatory act shall remain within the jurisdiction of the commission.

Mr. Bauer yielded to question by Mr. Warnke.

Mr. Warnke: "Is there any indication that those employees of state agencies, schools, counties, cities, municipal corporations, may now, under this bill, be terminated and their places taken by volunteers and the state subsidizing that by picking up the payments for industrial insurance?"

Mr. Bauer: "Representative Warnke, this is Senator Gould's bill that deals with extending two weeks, from June 1 to June 15th, the time the first class school districts have to have a preliminary budget adopted and notification two weeks prior to that in all the newspapers. We are extending that two weeks so that here in the next couple of weeks they will be able to extend for two weeks the notification of their budget, so that when they do notify their budget, it will be so much more consistent with the final budget in September and they won't get into the hassle about its difference because the revenues will be well-known after we leave here."

POINT OF INQUIRY

Mr. Bauer yielded to question by Mr. Luders.

Mr. Luders: "Before this bill went back to the committee, it placed the payrolls of second and third class districts in jeopardy and could have meant a delay of two weeks or more in the paychecks. Has that part of the bill been corrected?"

Mr. Bauer: "Yes, it has. We thought we could handle both first, second and third class districts, but because of the uniqueness of second and third class districts having to have their budget approved by SB's it could have jeopardized by two weeks their July check and so we scratched that part of it in order to eliminate that problem."

Representative Valle spoke in favor of the amendment, and Representative Sommers spoke against it.

POINT OF INQUIRY

Mrs. Valle yielded to question by Mr. Ceccarelli.

Mr. Ceccarelli: "I'm curious as to what you are trying to accomplish with this amendment. I have to agree with Representative Sommers."

Mrs. Valle: "I'm really saying that as you watch the history of our State Finance Committee, that we have, over the years, broadened their investment power, and I'm simply saying that I would like to restrict the power so that when a corporation comes to the State Finance Committee, or the State Finance Committee comes to a corporation and wants to invest in that corporation, it just seems to me that this is a safety precaution for us here as far as the State Finance Committee is concerned. In every session we liberalize the kinds of procedures and investment procedures that they can have and I am saying that I prefer to restrict it."

POINT OF INQUIRY

Mr. Laughlin yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "Section 4 of this bill deals with an election in the county that contains the largest amount of territory of the proposed consolidated sewer district. I'm a little confused and haven't been able to determine in my own mind whether in any proposed consolidation the vote is held only in the largest county, and therefore in the smaller county that is involved the people would not have any vote in the matter?"

Mr. Laughlin: "The reason for doing it in that manner, Representative Kuehnle, was that it was felt that in most cases you would have the majority of the district, in terms of geography, in one county or the other and it was thought that to determine which county would be the authority, it should be the one with the largest geographic area. You had to establish it one way or the other, and this was the method that was established by the Senate."

Mr. Kuehnle: "My question is, if a merger is contemplated between sewer districts in adjoining counties, then the bill calls for an election in the county that contains the greatest geographic portion of that contemplated merger sewer district. Those people then in that county in the largest sector will have a vote. Will the people in the smaller sector have a vote?"

Mr. Laughlin: "Yes."

POINT OF INQUIRY

Mr. Ceccarelli yielded to question by Mr. Charnley.

Mr. Charnley: "Your remarks did not comment on the second part of the amendment which is new section 3, which says that the association shall have in reserve an amount at least equal to five percent of—the word 'assets' is struck, and the word 'savings' is put in. I would like to have you comment on why this change was necessary and why it's better this way than the way it was before."

Mr. Ceccarelli: "It's true that second part does change the requirement that reserves equal five percent of savings instead of assets. By relating the reserve requirement to savings, an association will not run the risk of being overinvested in a really tight money market which we have faced and which we are now facing. Tight money, Representative Charnley, causes savings and loan associations to borrow from the Federal Home Loan Bank Board and from the Federal Home Loan Bank. This raises their assets and therefore their reserve requirements for investments and makes a portion of their current investments over the statutory limit. Federal regulations require five percent of the savings instead of assets. As a
result both of these amendments were endorsed by the Supervisor of the Division of Savings and Loan simply to simplify some of the work of the institutions that they supervise, while posing no apparent problems for the office. The whole purpose of this is to keep in line with the federal board."

The committee amendments were adopted.

On motion of Mr. Hanna, the committee amendment to the title was adopted.

On motion of Mr. Gaspard, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2692 as amended by the House was placed on final passage.

Mr. Hanna spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Hanna yielded to question by Mr. Polk.

Mr. Polk: "On page 5 this amendment strikes that portion of the State Building Code which currently deals with handicapped and inserts the new language about rules and regulations by the council. I'm confused why this is necessary if we already have a national standard that is in our building code. Why are we striking that standard and throwing this to a council to make the decision?"

Mr. Hanna: "I don't know the specific answer to the question. It was felt that we should be consistent with the other building code and leave the responsibility for setting standards with that state council."

Mr. Douthwaite: "I would also like to answer that. The testimony we received from the handicapped people was that the current building code standards are too vague and inexplicit to allow them to be implemented. The intent of the bill is to implement more specifically and to allow progress to be made in adjusting buildings for handicapped people in a more realistic way. Some of these handicapped people are members of this building code advisory council and they are working with the problem. They want to be able to move ahead. The present law, in other words, is not sufficiently clear and explicit to allow them to accomplish anything. This bill is also concurred in by Mr. McKee, who is a representative of the builders."

MOTION

Mr. Pardini moved that the Rules Committee be relieved of Senate Concurrent Resolution No. 114, and the resolution be placed at the top of today's second reading calendar.

SPEAKER'S RULING (MR. CHARETTE PRESIDING)

The Speaker (Mr. Charette presiding): "The Speaker calls your attention to House Rule 24, which states that every bill shall be read on three separate days unless the House deems it expedient to suspend this rule. That concurrent resolution was read in for the first time today and referred to the Committee on Rules; it is the opinion of the Speaker that would call for a suspension of the rules."

POINT OF PARLIAMENTARY INQUIRY

Mr. Polk: "Last week I made a similar motion, only I made the motion while the bill was briefly before the House. Speaker O'Brien at that time ruled that I was required to have a suspension of the rules, but he said also that were I to wait until the bill were referred to the Rules Committee, then it would be a simple motion to relieve the Rules Committee, requiring only a majority vote and was not a suspension of the rules. As I understand your ruling just now, it is a 180 degree turnaround from that prior ruling by Speaker O'Brien."

The Speaker (Mr. Charette presiding): "It is the opinion of the Speaker that it would be possible to take a bill from committee for a majority vote, but the motion was to put it at the top of the calendar to consider today, and that would take a suspension of the rules."

The Speaker (Mr. Charette presiding) stated the question before the House to be the motion by Mr. Pardini to suspend the rules, relieve the Rules Committee of Senate Concurrent Resolution No. 114, and place it at the top of today's second reading calendar.

Mr. Pardini spoke in favor of the motion, and Mr. Thompson spoke against it.

Mr. Hansey demanded an electric roll call and the demand was sustained.

ROLL CALL

The Clerk called the roll on the motion to relieve Rules Committee of Senate Concurrent Resolution No. 114 and place it on today's calendar, and the motion was lost by the following vote: Yeas, 33; nays, 61; not voting, 4.

Not voting: Representatives Deccio, Eng, Nelson, O'Brien.

SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 2517, by Committee on Higher Education (Originally sponsored by Senators Sandison, Guess, Goltz and Benitz):

Relating to higher education.

The bill was read the second time.
On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2517 was placed on final passage.

Ms. Maxie spoke in favor of passage of the bill.

POINT OF INQUIRY

Ms. Maxie yielded to question by Mr. Pardini.

Mr. Pardini: "Under this bill is there less likelihood that students who are residents of this state will be admitted to the medical school if we contract for out-of-state students?"

Ms. Maxie: "Will you repeat your question, please?"

Mr. Pardini: "My question is, under this bill where we will be contracting at approximately $15,000 per student for out-of-state students to come to our University of Washington Medical School, will that have an impact on students of this state who are desiring admittance to the University of Washington Medical School?"

Ms. Maxie: "We are not talking about very many out-of-state students, but it would affect the enrollment of in-state students."

Mr. Pardini: "Adversely?"

Ms. Maxie: "No."

Mr. Pardini: "Positively?"

Ms. Maxie: "Positively. I would like to refer you to how many students we are talking about here."

Mr. Pardini: "My concern is that students in this state on the waiting list to the University of Washington Medical School will not be penalized because of admittance of students from some other states."

Ms. Maxie: "No. The concept here is that the first year basic medical science courses are taught by participating universities, the Universities of Alaska, Montana and Idaho and Washington State University. One year of residency was conducted in communities throughout the region thereby exposing and encouraging new doctors to locate in rural areas and areas underserved medically. The whole purpose of this is to try to insure that doctors do branch out and help rural areas where they don't have any doctor. It's the belief that if the doctor is trained and oriented in this fashion, that the doctors would relocate and there would be no problem. I can understand your concern that this would adversely affect the students from our own state who would like to attend, but I can assure you that this is not the case."

Mr. Pardini: "Ms. Maxie, you have not answered my question directly. I have been told that as a result of this, we will probably increase the number of students at the University of Washington Medical School from 110 to something like 140 within the same appropriation. Has that figure been presented to your committee?"

Ms. Maxie: "The increase from 1971 to 1976 for Washington is from 81 to 131, an increase of 50 students. From a financial standpoint, the entire 50 students from the states of Alaska, Montana and Idaho, which includes an increase of 24 students from this state, will be paid by appropriations from the legislatures of the OMI states, that's Alaska, Montana and Idaho. The remaining increase of first year students, 16 students, will include 6 at the University of Washington and 10 at Washington State University. The students at Washington State University are in addition to the 10 first year students registered at WSU in the autumn quarter of 1974, for a total of 20 students."

Mr. Chamley spoke in favor of the bill.

On motion of Mr. Shinpoch, the committee amendments were adopted.

Mr. Polk moved adoption of the following amendments:

On page 1, line 17 of the engrossed bill, after "of" and before "acquiring" insert "preliminary planning."

On page 1, line 25 of the engrossed bill, after "formula" insert ", which may include the full cost incurred by the school districts for preliminary planning"

Mr. Polk spoke in favor of the amendments, and Mr. Luders spoke against them.

Mr. Polk spoke again in favor of the amendments.

The amendments were not adopted.

On motion of Mr. Gaspard, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 2271 as amended by the House was placed on final passage.

Mr. Shinpoch spoke in favor of passage of the bill.
SIXTY-SEVENTH DAY, MAY 19, 1975

POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Flanagan.

Mr. Flanagan: "In the Ways and Means Committee hearings, the Department of Natural Resources indicated that there was a large drop in the returns going into this fund because of drops in the price of timber sales, and they indicated that by the end of this biennium they might not have enough money left in reserve in their account to operate their program. I was wondering what the effect is when we increase the state match on this and there isn't any money left to do it in this common school construction account? What happens then?"

Mr. Shinpoch: "I'm not sure I understand your question, but if we do use all the money that's in the common construction account, are you asking what happens?"

Mr. Flanagan: "Yes. They indicated that the funds are diminishing because of drops in the prices of timber sales and that they have had to revise their estimates four times, the way I understood it."

Mr. Shinpoch: "I think it was pretty well the consensus that there would not be sufficient bond issues passed—it is estimated now instead of being $119 million, it will probably be closer to 88 or 90 million that will be in it; however, I thought it was pretty clear that the consensus was that there would not be sufficient bond issues passed by the schools to use up that fund and, in fact, they thought that probably no more than half of it would be used. In any event, assuming that it was all used, then there would just not be any additional money in the next biennium until the fund was built up again. Approximately, as I recall, there is something over $40 million that is in there left over from the last biennium of bond issues by the schools that did not pass and I suspect that is probably going to be the pattern for some time yet."

Representatives Whiteside and Ehlers spoke in favor of passage of the bill, and Mr. Leckenby spoke against it.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 2271 as amended by the House, and the bill passed the House by the following vote: Yeas, 93; nays, 2; not voting, 3.

Voting nay: Representatives Leckenby, Zimmerman.

Not voting: Representatives Chandler, Deccio, Moon.

Engrossed Senate Bill No. 2271 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

I voted "no" on Engrossed Senate Bill No. 2271 after hearing Representative Leckenby's comments, and realizing that we must first face the real financial issue of providing funds to operate present schools before we build more. Evergreen School District has had to delay opening four schools, and will have to close others to obtain necessary funds for their operation.

HAL ZIMMERMAN, 17th District.

ENGROSSED SENATE BILL NO. 2393, by Senators Peterson, Lewis (Harry) and Rasmussen:

Authorizing the director of game to open, close, shorten, or reopen seasons by his order. The bill was read the second time.

On motion of Mr. Gaspard, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 2393 was placed on final passage.

ROLL CALL

Engrossed Senate Bill No. 2393, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

Mr. O'Brien assumed the Chair.

ENGROSSED SENATE BILL NO. 2466, by Senators Walgren, Clarke and Bottiger:

Providing for deposit of retained percentage funds on public works contract in bank or savings accounts.

The bill was read the second time.

Committee on Financial Institutions recommendation: Majority, do pass as amended. (For amendments, see Journal, Fifty-third Day ex. sess., May 5, 1975.)

On motion of Mr. Ceccarelli, the committee amendment to page 3 was adopted.

Mr. Polk moved adoption of the following amendment:

On page 2, section 1, line 6 strike "entire contract" and insert "((entire contract)) moneys earned by the contractor"

Mr. Polk spoke in favor of adoption of the amendment.

POINT OF INQUIRY

Mr. Polk yielded to question by Mr. Charette.

Mr. Charette: "Your amendment would insert 'moneys earned by the contractor.' When we are talking about retained percentages, we are generally talking about that percentage of the money that will be retained upon the completion of the contract. I can't understand how they are going to be able to figure out, without a contest between the public body and the contractor, what moneys have been earned."

Mr. Polk: "The language 'earned by the contractor' is listed from language on page 1, line 12, which is the way it was stated earlier in the same section of the bill. That is the reason I chose that language and what we are really talking about is on the monthly draws, leading to the time of final completion. What I'm talking about is the monthly draws rather than what has finally been earned at the end of the contract, and that's why that language was chosen as a means of determining how much they have coming at any stage of construction."

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Polk to Engrossed Senate Bill No. 2466, and the amendment was adopted by the following vote: Yeas, 73; nays, 21; not voting, 4.

SECOND READING

HOUSE BILL NO. 845, by Representative Kilbury:

Relating to agriculture.

The bill was read the second time.

On motion of Mr. Thompson, further consideration of House Bill No. 845 was deferred, and the bill was ordered placed on the second reading calendar following House Bill No. 1178.

HOUSE BILL NO. 671, by Representatives Sommers and Randall:

Modifying timber tax revenue distribution dates.

The bill was read the second time.

Committee on Ways and Means – Revenue recommendation: Majority, do pass as amended. (For amendments, see Journal, Fifty-seventh Day ex. sess., May 9, 1975.)

On motion of Mr. Randall, the committee amendments were adopted.
House Bill No. 671 was ordered engrossed.

On motion of Mr. Gaspard, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 671 was placed on final passage.

Mr. Randall spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Randall yielded to question by Mr. Moon.

Mr. Moon: "Under the new definition of harvesters, does this eliminate anybody who may cut timber for another person if there is no change in ownership or title to the timber?"

Mr. Randall: "No, the act does not refer to that."

Mr. Moon: "Then somebody who contracts his services out—I just noticed the last sentence says it does not include persons performing under contract the necessary labor or mechanical services for a harvester. That's what I'm getting at, if somebody just performs the labor, in other words, he gets the contract to cut timber for a timber land owner who also owns the timber, if there is no exchange or change in the ownership of the timber, all he does is the matter of contract his labor, then is he considered the harvester; or is the owner of the property and the timber considered the harvester?"

Mr. Randall: "The owner of the timber is considered the harvester."

Mr. Moon: "If he never owns the timber, he is not the harvester?"

Mr. Randall: "That's right."

POINT OF INQUIRY

Mr. Randall yielded to question by Mr. Pardini.

Mr. Pardini: "When the Forest Practices Act was initially passed, the basis on which the forest practices act would become equitable was the indices developed by the Department of Revenue for assessing the tax on the cut. If we do away with assessing these indices, isn't it very likely that there are going to be greater inequities in that forest tax collected?"

Mr. Randall: "No. The reason being that in testimony given before the advisory committee on forest practices, it was shown unequivocally that the relationship between the percentage change that was indicated by the indices and the stumpage value for various species was not correlative. It didn't actually relate to stumpage values; it was a very poor correlation. It made it very hard for the department to comply and rather than to use an indices to compute stumpage values or the need for changing those stumpage values, I should say, the department has said that they are going to put out stumpage values semi-annually and keep them updated that closely. As it is now they relate to these indices as a percentage change to gear a change in stumpage values and it just hasn't been workable."

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 671, and the bill passed the House by the following vote: Yeas, 93; nays, 2; not voting, 3.

Voting nay: Representatives Hansey, Pardini.

Increasing certain benefits to retirees under teachers' retirement act.
SIXTY-SEVENTH DAY, MAY 19, 1975

Mr. Warnke moved adoption of the committee amendment to page 1, adding a new section 2.

POINT OF ORDER

Mr. Pardini: "House Rule 26 provides that any bill, joint or concurrent resolution which includes change to existing law regarding public pensions shall be on the calendar for five days and shall have an actuarial report. I am inquiring of the Chair if this bill has been on the calendar for five days and if an actuarial report accompanied it?"

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "It appears that your point of order is well taken; bills are required to be placed on the members' desks five days prior to any vote thereon. Apparently the bill has been here for four days only."

POINT OF ORDER

Mr. Pardini: "I would not in any way want to jeopardize this bill. The second half of that rule also provides for an actuarial report and I am wondering if we have an actuarial report and whatever else is necessary to conform with the rules so that we can consider it tomorrow?"

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "The rule states that '(a) Any committee must attach a written summary of the actuarial investigation of the impact of such bill, joint or concurrent resolutions certified by an actuary (as defined in chapter 41.04 RCW) ...' so apparently according to the rule it would require an actuarial investigation and a written summary of it attached to the bill. Your point is well taken."

MOTION

Mr. Warnke moved that House Rule 26 be suspended for the purpose of immediately considering the committee amendment to House Bill No. 778.

Mr. Warnke spoke in favor of the motion, and it was carried.

The committee amendment was adopted.

On motion of Mr. Warnke, the committee amendment to the title was adopted.

Not voting: Representative Deccio.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be final passage of Engrossed House Bill No. 778.

Representatives Charnley, Kuehnle and Douthwaite spoke in favor of passage of the bill, and Mr. Pardini spoke against it.
POINT OF INQUIRY

Mr. Warnke yielded to question by Mr. Matthews.

Mr. Matthews: "I understand that you have an actuarial report on this bill. Could you outline for me what that actuarial report says regarding unfunded liability or what it does bring out for us?"

Mr. Warnke: "The actuarial report that we have deals with two areas: It deals first of all with whether or not House Bill No. 265 passes, which has already passed this House. If you will recall, House Bill No. 265 amortized over a forty year period of time, the unfunded liability of post retirement benefit increases for teachers' retirement systems, exactly like all other retirement systems. Our actuarial report from James Riggs, the consulting actuary for the systems, indicates that cost for the 1975-77 biennium is $3.3 million; 1977-79, $3.6 million; 1979-81, $3.9 million; 1981-83, $4.2 million; and 1983-85, $4.6 million. That is what the actuarial report indicates. We do have a letter from the Public Pension Commission stating about what Mr. Kuehnle said, that they have considered the bill, but they did not take a position because of the differences in House Bill No. 200 and the cost of living increases in that area. I would like to relay to the members of this House that we studied House Bill No. 778 for some time in relation to House Bill No. 200, and it was the committee's feeling after all testimony, from the actuarial study, from the members of the system, the director of the system, that we could and would fund this post-retirement increase for these three groups and that bill is now before you."

HOUSE BILL NO. 845, by Representative Kilbury:

The House resumed consideration of House Bill No. 845.

On motion of Mr. Randall, Substitute House Bill No. 845 was substituted for House Bill No. 845, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 845 was read the second time.

On motion of Mr. Randall, the following amendments were adopted:

On page 2, line 1 after "animals" strike "or birds"
On page 2 strike all of section 3 and renumber the remaining sections consecutively.
On page 4, beginning on line 17 after "to the" strike all material down to and including "1979" on line 19 and insert "state treasurer for deposit in the general fund"

Mr. Randall moved adoption of the following amendment:

On page 4, beginning on line 20 strike all of section 6 and insert the following:

"NEW SECTION. Sec. 6. There is hereby appropriated from the general fund to the department of agriculture for the fiscal biennium beginning July 1, 1975 and ending June 30, 1977 the sum of $470,000 to be used exclusively for the support of an animal diagnostic laboratory."

Mr. Randall spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Moon yielded to question by Mr. Patterson.

Mr. Patterson: "I notice that this amendment provides for an appropriation to operate the laboratory for just the coming biennium. I was wondering whether or not the intent here
is that the moneys generated from the other sources would be set aside for future appropriations? I realize the money goes into the general fund, and they are not dedicated, but technically are they being dedicated for this purpose in the future?"

Mr. Moon: "No legislature can appropriate funds in the general fund for more than two years. That's what we are doing here—making a general fund appropriation for two years. We have, as I understand the amendments, excluded the parimutuel funds because that would have been a bookkeeping shift from the parimutuel into general funds and from general funds into the special animal diagnostic fund. What we are doing here is appropriating from the general fund $470,000 for the animal diagnostic laboratory and if there is not sufficient money generated by industry from the assessments that are set forth under section 4, any additional moneys would come from the general fund, or if that should by chance generate more than that amount of money (and I don't think it will) that money would go into the general fund and stay there. I think the amendment is written the best that we can do."

The amendment was adopted.

Mr. Flanagan moved adoption of the following amendment:

On page 4, line 4 after "assessment" strike down to and including "six" on line 8 and insert "of four"

Representatives Flanagan and Kilbury spoke in favor of the amendment, and Representatives Randall and Moon spoke against it.

The amendment was not adopted.

On motion of Mr. Randall, the following amendment to the title was adopted:

On page 1, line 3 of the title after "RCW 16.38.020;" strike the remainder of the title and insert the following: "adding new sections to chapter 100, Laws of 1969 and to chapter 16.38 RCW; making an appropriation; declaring an emergency; and prescribing an effective date."

Substitute House Bill No. 845 was ordered engrossed.

On motion of Mr. Gaspard, the rules were suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 845 was placed on final passage.

SIXTY-SEVENTH DAY, MAY 19, 1975

POINT OF INQUIRY

Mr. Seeberger yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "In that final amendment in which you were adding 'For conducting sale of personal property, etc... ' what is involved in that conducting of the sale? That seems like a rather modest figure for conducting a sale and I wonder what's involved?"

Mr. Seeberger: "I don't believe I have ever attended one of these sales, but it is my understanding that it is personal property that may have been property that was stolen or collected by the sheriff's office for one reason or another and after the appropriate and legal period of time this kind of thing may be put on sale. I think things like bicycles, for example, when they have a sale of bicycles that have been found and no one ever claims them, now they would have a regular fee for collecting these kinds of things and they asked us to put this in the bill."

SPEAKER'S RULING

The Speaker: "I hate to be ruling ahead of time on a matter that isn't before us. It says that the bill be placed on the members' desks. Not voting: Representatives Deccio, Perry, Shinpoch, Thompson, Zimmerman, and Mr. Speaker.

Mr. Kuehnle moved adoption of the following amendment:
On page 1, section 1, lines 9 and 13 before "thousand" strike "fifty" and insert "forty"

POINT OF ORDER

Mr. Moon: "It is my understanding that when you are dealing with perfecting a bill that deals with dollar amounts, that you start with the higher amount and go down, and once a level is established you can no longer go any higher than that amount, but you can go lower."

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O’Brien presiding): "Reed's Rule 154 does set forth amendments and the filling of blanks. It pertains generally in appropriation areas where a larger amount would have to be considered if there were several amendments on the desk. In this case we are talking about the contract limitations and it's true that Representative Kuehnle probably should have had his amendment before us earlier and we should have acted on the $40,000 before we acted on the $35,000, but the rule doesn't seem to be particularly clear relative to offering of these amendments, so the Speaker is going to rule that the amendment is in order."

Mr. Moon: "It would seem to me that our own House Rules would supersede Reed's Rules unless there was a question in our House Rules. I would refer to House Rule 59 that says, 'All questions, whether in committee on in the House, shall be propounded in the order in which they are named, except that in filling in blanks the largest sum and the longest time shall be put first.' In this instance he is attempting to put in a larger sum after we have already considered one sum."

The Speaker (Mr. O’Brien presiding): "It would appear again, Representative Moon, that we are talking about filling in blanks and generally it is relative to appropriation items, and that in this case the amendment wasn't before us. I am going to rule that the rule isn't apropos in this instance."

Mr. Kuehnle spoke in favor of the amendment, and Mr. Haussler spoke against it.

Mr. Kuehnle closed debate, speaking again in favor of the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Kuehnle to Substitute Senate Bill No. 2713, and the amendment was not adopted by the following vote: Yeas, 44; nays, 50; not voting, 4.

Not voting: Representatives Deccio, Perry, Zimmerman, and Mr. Speaker.
Mr. Gallagher spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Gallagher yielded to question by Mr. Flanagan.

Mr. Flanagan: "I find the language of this amendment vague, ambiguous and difficult to understand. It says here, 'The cost of any project for the purpose of this act shall be the aggregate of all amounts to be paid for labor, material and equipment on one continuous or interrelated project... I want to give you an example—suppose I am a county commissioner and we decide to set up a summer program of road construction or road paving of 12 miles of road, and we want, in order to be fair to everybody, to put four miles in one part of the county and four miles in another part of the county, and four miles in another part. Would this be considered one continuous related project and the cost of it considered one cost, or how would this be considered?"

Mr. Gallagher: "No, these would be several separate jobs. What we are referring to here is building a road, skipping a short area of it and starting another... ."

Mr. Flanagan: "No, I'm talking about different areas in the county."

Mr. Gallagher: "No, this would have no relation to that at all. That would be three projects."

Representatives Flanagan and Haussler spoke in opposition to the amendment.

POINT OF INQUIRY

Mr. Gallagher yielded to question by Mr. McKibbin.

Mr. McKibbin: "Is it the intent of this amendment to preclude any county from completing two or more projects on a single road or several roads within a five-mile radius that are totally unrelated?"

Mr. Gallagher: "No, this doesn't prohibit that at all."

Mr. McKibbin: "Is it the intent of this amendment that the words 'totally unrelated' mean two or more projects that are shown to be unrelated as provided in the county's six-year road plan?"

Mr. Gallagher: "Yes."

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Gallagher, McKibbin and Deccio to Substitute Senate Bill No. 2713, and the amendment was not adopted by the following vote: Yeas, 43; nays, 52; not voting, 3.

The Speaker stated the question before the House to be final passage of Substitute Senate Bill No. 2713.

Mr. Haussler spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Haussler yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "I notice that subsection (2), page 1, line 21 refers to 'traffic control devices.' What kind of devices are included in the meaning of this terminology?"

Mr. Haussler: "This subsection originated in Senate Bill No. 2195 sponsored by the electrical contractors and it's intent therefore would be limited to electrical equipment. Specifically, this would include such items as traffic signals and signal controllers."

Mr. Douthwaite: "Does this subsection then apply to the entire cost of a signal installation?"

Mr. Haussler: "Generally the counties purchase poles, signal heads, controllers, luminaries, cable and wire through their purchasing department on a low bid basis. This gives them a chance to check out the equipment, especially controllers, before it is installed. This subsection would require them to contract for the installation of the equipment if the estimated cost to install by day exceeded $10,000."

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 2713, and the bill passed the House by the following vote: Yeas, 68; nays, 27; not voting, 3.

Not voting: Representatives Deccio, Perry, Zimmerman.

Mr. Smith (Rick) moved that Engrossed Senate Bill No. 2007 be rereferred to Committee on Rules.

SPEAKER'S RULING
The Speaker: "The Speaker feels that the motions are of the same rank. To postpone to a day certain we have always interpreted to mean to a time certain and to commit or recommit is of the same rank. The motion by Representative Charette would come first."
The motion by Mr. Charette was carried.

(Originally sponsored by Senators Henry, Beck, Stortini, Cunningham, Benitz and Guess):

Establishing the death penalty for aggravated murder in the first degree.

The bill was read the second time.

POINT OF ORDER

Mr. Bauer: "I want to get a qualification of what you have interpreted as 'when the bill comes up again.' Is that immediately following the disposition of this bill?"

The Speaker: "Unless the House agrees to the contrary, that's the next bill that we are proceeding with."

MOTION

Mr. Smith (Rick) moved that Engrossed Substitute Senate Bill No. 2007 be rereferred to Committee on Rules.

Mr. Smith (Rick) spoke in favor of the motion.

POINT OF PARLIAMENTARY INQUIRY

Mr. Charette: "How many amendments to this bill are on the desk?"

The Speaker: "At the present time, 27, but they are coming rapidly."

Mr. Eikenberry spoke against the motion to rerefer the bill to Committee on Rules.

POINT OF ORDER

Mr. Seeberger: "Mr. Eikenberry is impugning the motives of a member of this House."

The Speaker: "Representative Eikenberry, I would appreciate it if you could talk on the merits of the motion rather than anyone's motives."

Mr. Eikenberry continued his remarks against the motion.

POINT OF INQUIRY

Mr. Eikenberry yielded to question by Mr. Seeberger.

Mr. Seeberger: "You indicated that over half of the states now have written capital punishment laws. Can you tell us how many people have been executed under those laws?"

Mr. Polk demanded a Call of the House and the demand was sustained.

Not voting: Representatives Chatalas, Deccio, Hansen, May.

The Speaker stated the question before the House to be the motion by Representative Smith (Rick) to rerefer Engrossed Substitute Senate Bill No. 2007 to Committee on Rules.

Mr. Tilly spoke against the motion.

POINT OF ORDER

Mr. Seeberger: "Mr. Tilly is not speaking to the question before the House."

The Speaker: "Representative Seeberger, I think that Representative Tilly's remarks might be a little borderline, but you asked the question about how many people had been executed and I think that might open up the whole subject matter."

Mr. Tilly continued his remarks against the motion.

Mr. Charette spoke in favor of the motion.

SPEAKER'S ADMONITION

The Speaker: "Representative Charette, I think you are going a little afar of the issue at the present time. We have given a lot of latitude here, but I would appreciate it if you would stick to the subject."

Mr. May appeared at the bar of the House.

Mr. Charette continued his remarks in favor of the motion, and Mr. Newhouse spoke against it.

Mr. Douthwaite spoke in favor of the motion, and Mr. Smith (Rick) closed debate, again speaking in favor of the motion.

POINT OF INFORMATION

Mr. Bauer: "I believe that the previous speaker suggested that there is an appropriation and Rule 82 requires bills with direct appropriations to go immediately to Ways and Means. There is no direct appropriation in this bill."

The Speaker: "Since there is no appropriation, I think that's the reason that it was not automatically referred, and it will take an action on the floor of this House. That's the reason the motion was put."
ROLL CALL

The Clerk called the roll on the motion to rerefer Engrossed Senate Bill No. 2169 to Committee on Ways and Means – Appropriations, and the motion was lost by the following vote: Yeas, 39; nays, 57; not voting, 2.

Mr. Conner moved that the rules be suspended, the second reading considered the third, and Engrossed Senate Bill No. 2169 as amended by the House be placed on final passage.

Mr. Pardini spoke against the motion.

ROLL CALL

The Clerk called the roll on the motion to advance Engrossed Senate Bill No. 2169 as amended by the House to third reading and final passage, and the motion was lost by the following vote: Yeas, 61; nays, 33; not voting, 4.

The bill was read the second time.

Committee on Education recommendation: Majority, do pass as amended. (For amendments, see Journal, Fifty-fifth Day ex. sess., May 7, 1975.)

The Clerk read the committee amendment to the body of the bill.

POINT OF ORDER

Mr. Berentson: "I would like a ruling on scope and object of section 4, subsection (12) of the committee amendment, which is contained in the complete amendment to the bill."
Mr. Bauer: "I don't believe the inquiry was addressed to the amendment. The amendment has not been put. It is a single committee amendment by section and I would believe it would be out of order to take apart a committee amendment by section."

SPEAKER'S RULING

The Speaker: "Representative Berentson, in regard to your point of order, the Speaker finds that the amendment is germane to the bill in question and therefore, I would rule it within the scope and object."

POINT OF PARLIAMENTARY INQUIRY

Mr. Berentson: "It would be in order then to offer an amendment to strike that section?"

The Speaker: "The amendment is before us and is subject to amendment to the amendment."

Mr. Bauer moved adoption of the committee amendment.

Mr. Ehlers moved adoption of the following amendment to the committee amendment:

On page 1 of the committee amendment, section 1, at the end of the first proviso, strike the semicolon after "fees" and insert a period and beginning with "PROVIDED FURTHER" strike all material within that proviso down to and including "meal program."

Representatives Ehlers and Berentson spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Barnes.

Mr. Barnes: "I'm quite concerned. My district needs this bill very much. At least it needs the provision that authorizes them to charge for athletic events. I'm concerned that if we amend the bill, with the pressure to go home, etc., that there is a possibility of nonconcurrence and we might lose the bill. I would like you to explain to me what would happen if we vote your amendment down. What would we have left then? Would there be a possibility of concurrence by the Senate?"

Mr. Ehlers: "I think perhaps Representative Bauer could speak to the whole question, but essentially the bill was defective in a number of different ways. The Attorney General would come back—"

POINT OF ORDER

Mr. Berentson: "I don't think Mr. Ehlers is really answering the question asked by Mr. Barnes and I would suggest that the question that was asked would be answered by the answer that if the committee amendment were turned down, we would have the original Senate bill before us. In that case, it would do what Representative Barnes would like it to do and that's to present the original Senate Bill No. 2210 without House Bill No. 23 tagged on the end."

SPEAKER'S RULING

The Speaker: "Representative Berentson, the question was asked what would be the effect of this committee amendment on the original bill, because the member was concerned about the provisions of the original bill as it affected his area. I think it pretty well opens up the scope of the difference between the bill as amended by the committee and the original bill. It's a pretty broad question and I don't see how it could be limited."

POINT OF ORDER

Mr. Charnley: "We are now on an amendment by Representative Ehlers to the committee amendment. The question that Representative Barnes is asking is on the total amendment. I would suggest that Representative Barnes wait until we solve what we are going to do with this amendment to the amendment first and then return to the question he is raising."

The Speaker: "I think your point is well taken."

The amendment by Representative Ehlers to the committee amendment was adopted.

Mr. Berentson moved adoption of the following amendment to the committee amendment:

On page 3, strike all of section 4 and renumber the remaining sections consecutively.
Representatives Berentson, Newhouse and Hayner spoke in favor of the amendment to the amendment, and Representatives Bauer, Ehlers and Brown spoke against it.

Mr. Berentson spoke again in favor of the amendment to the committee amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Berentson to the committee amendment to Engrossed Senate Bill No. 2210, and the amendment was not adopted by the following vote: Yeas, 46; nays, 49; not voting, 3.

Not voting: Representatives Chatalas, Deccio, Fortson.

The committee amendment as amended was adopted.

MOTIONS

On motion of Mr. Thompson, Representatives Greengo and Blair were excused from the Call of the House.

MESSAGE FROM THE GOVERNOR

May 20, 1975

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON
LADIES AND GENTLEMEN:

On this date I have approved SUBSTITUTE SENATE BILL NO. 2715 entitled:
"AN ACT Relating to school district budgets."

This bill allows first class school districts to delay preparation of preliminary budgets from June 1 to June 15 in the event the Legislature has not appropriated funds for the support of common schools by May 10. The bill is urgently needed inasmuch as school districts have been unable to prepare preliminary budgets because of the uncertainty created by school levy failures and pending legislation addressing the common school funding question.

The bill does not, however, cover second and third class districts which may also be encountering budgeting difficulties for the reasons stated. I am advised that there is now pending in the Senate Rules Committee House Bill 752 which would extend the preliminary budget preparation deadline to such districts. I strongly urge enactment of that bill without further delay.

Respectfully submitted,

DANIEL J. EVANS,
Governor.

The tax hereby imposed shall be paid by the buyer to the seller, and each seller shall collect from the buyer the full amount of the tax payable in respect to each taxable sale in accordance with the schedule of collections adopted by the department pursuant to the provisions of RCW 82.08.060. The tax required by this chapter, to be collected by the seller, shall be deemed to be held in trust by the seller until paid to the department, and any seller who appropriates or converts the tax collected to his own use or to any use other than the payment of the tax to the extent that the money required to be collected is not available for payment on the due date as prescribed in this chapter shall be guilty of a gross misdemeanor. If the seller is a corporation, any officer or employee thereof who has the authority or responsibility for reporting and
paying to the department taxes collected pursuant to this chapter shall be personally liable, jointly with any other such officer or employee and severally, for any willful failure to so report and pay, and all of the provisions of chapter 82.32 RCW for collection of the tax may be enforced against any such officer or employee as against the corporation which they represent. The amount of tax, until paid by the buyer to the seller or to the department, shall constitute a debt from the buyer to the seller and any seller who fails or refuses to collect the tax as required with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, and any buyer who refuses to pay any tax due under this chapter shall be guilty of a misdemeanor. The tax required by this chapter to be collected by the seller shall be stated separately from the selling price, and if not so separately stated, for purposes of determining the tax due from the buyer to the seller and from the seller to the department, (it shall be conclusively presumed that) the selling price quoted in any price list, sales document, contract or other agreement between the parties does not include the tax imposed by this chapter.

Where a buyer has failed to pay to the seller the tax imposed by this chapter and the seller has not paid the amount of the tax to the department, the department may, in its discretion, proceed directly against the buyer for collection of the tax, in which case a penalty of ten percent may be added to the amount of the tax for failure of the buyer to pay the same to the seller, regardless of when the tax may be collected by the department; and all of the provisions of chapter 82.32 RCW, including those relative to interest and penalties, shall apply in addition; and, for the sole purpose of applying the various provisions of chapter 82.32 RCW, the fifteenth day of the month following the tax period in which the purchase was made shall be considered as the due date of the tax.

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Moon.

On line 42, it says 'persons chosen by lot shall be confirmed by the chief justice of the supreme court who shall personally or by designee examine each person for his bias, interest, prejudice and competency.' What I want to know is does this mandate that the individual be confirmed or does it give the chief justice the opportunity to either confirm or reject the individual?"

Mr. Newhouse: "We had advice of constitutional attorneys on this and the inference is that the chief justice of the supreme court or his designee shall have the power to confirm or reject on the basis of the criteria established."

Representatives Moon, Douthwaite and Smith (Rick) spoke in favor of the resolution, and Representatives Leckenby and Eikenberry spoke against it.

SIXTY-NINTH DAY, MAY 21, 1975

Not voting: Representatives Curtis, Kilbury.

Engrossed Substitute Senate Joint Resolution No. 127 as amended by the House, having received the constitutional majority, was declared passed.

EXPLANATION OF VOTE

I voted against ESSJR 127, a constitutional amendment to establish a commission to set legislative salaries for these reasons:

1. This step would be a legislative abdication of decision-making to set length of sessions, because the commission could, by setting high salaries, make it attractive and encouraging to have a "full-time" legislature.

2. This is a big step toward eliminating the citizen legislature with limited sessions.

3. The setting of salaries is an important and essential, yet difficult, responsibility of the legislature.

4. The proposal delegates rights of the legislature to commission which, in effect, passes law affecting salaries.

5. It provides a "smoke screen" for salary increases and fails to recognize legislative fringe benefits of $40 per day per diem (averaging about $4,000 a year of regular sessions); monthly expenses of $50; a liberal stamp allowance; and staff.

6. Such a proposal at the federal level has increased costs, staff and salaries of congressmen, and I do not feel we have gained appreciably in the quality of federal legislation, but have seen many more federal regulations.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 880, by Committee on Ecology (Originally sponsored by Representatives Luders and Zimmerman):

Providing for a study of water resource allocation and imposing a moratorium on the granting of certain permits.

The bill was read the third time and placed on final passage.

Representatives Luders and Charnley spoke in favor of the bill, and Representatives Haussler and Hayner spoke against it.

POINT OF INQUIRY

Mr. Luders yielded to question by Mr. Flanagan.

Mr. Flanagan: "Before we vote on this bill it seems to me that there should be a question answered to clarify the situation that exists. The Department of Ecology has been withholding the issuance of any permits for water withdrawal in the area mentioned by Representative Hayner for a considerable period of time now. I think we ought to know, in your opinion or if you do have a legal opinion, whether it is necessary to pass this bill in order for the Department of Ecology to continue to withhold the issuance of permits for water withdrawal for a period of six or seven months while a committee makes further study of this subject? Apparently they have already been doing it. Do you think that they have the legal authority to withhold further issuance for a period of time while this study is being conducted without passing this bill?"

Mr. Luders: "The Department of Ecology did have an administrative meeting and announced publicly about a month ago that they were going to release the big permits, too. It was at that time that House Bill No. 880 came into creation because they felt that they could no longer wait for the legislature to take action on a policy regarding how we are going to cope with the water permits. I guess under the Administrative Procedures Code the Department of Ecology could continue to hold these back, but I'm of the opinion that unless the legislature is willing to shoulder some of the blame they are unwilling to do so, then the barn door is opened, the cat is out of the bag and the water is down the drain."

Representatives Perry and Amen spoke in favor of passage of the bill.
Mr. Luders yielded to question by Mr. Pardini.

Mr. Pardini: "The meat section of this bill, basically, is section 3. On line 19 it says, 'The intent of this section is that pending the outcome of studies required by section 2 of this act, no right to make use of public water for such purposes shall be authorized by the department which allows any person, corporation, or other entity for use on more than two thousand additional acres, or which allows any new project to use water on more than two thousand acres.' As you know, permits are being held up even on the two thousand acre projects. Is it your understanding that when we place the moratorium of seven months on those over two thousand acres that we are also directing the Department of Ecology to issue the water permits on those less than two thousand acres?"

Mr. Luders: "In the meeting which we had with the parties concerned, the executive branch and the Department of Ecology, that was the recommendation—that those permits under two thousand acres would be released, and then on the floor of this House, at the request of Representative Flanagan, we also excluded irrigation projects in excess of two thousand acres, which is the Department of Ecology's agreement as well. So the extent of this is to only moratorium those large users and the intent further is that the Department of Ecology, in all due speed, would issue the permits for all the others of less than that amount."

Mr. Pardini: "In that instance, if they are going to issue approximately 1,780 applications, which are pending on two thousand acres or less, can you tell me what the relationship of those 1,780 permits is compared to the 20 large permits? How much water is going out on two thousand acres or less and how much is being requested on the major permits?"

Mr. Luders: "The 20 permits which are the ones that are currently considered to be in excess of two thousand acres represent 70% of all the water and the remaining 1,780 represent 30% of the water."

Mr. Deccio: "As a member of the Agriculture Committee and the Committee on Ecology, three bills have been of vital concern, not only to me but to the farmers in my district, House Bills No. 456, 458 and 970. Do you think, or do you know, whether this moratorium is designed to give the Department of Ecology and the Governor's office more time to sell these bills to more legislators? As you know at the hearing that we had on these water bills, nineteen people testified against, and only one, Governor Evans, testified in favor of them. Is there an ulterior motive in this legislation to give the proponents—"

Mr. Charette: "I believe that under the House Rules the purpose of yielding to a question is to place something in the record that will aid people in the future in establishing legislative intent. I believe Representative Deccio has gone beyond that."

Mr. Luders: "In the discussions which I have had with the Department of Ecology and the executive branch, there was general agreement that House Bill No. 458 and the other two which you mentioned are probably not going to survive the legislative process. What I think I should tell you is that I have appointed an ad hoc committee and maybe the membership of that committee will help calm your nervousness in relation to what is going to happen in Yakima. The ad hoc committee is made up of Representatives Flanagan, Hansen and myself and several other legislators. It will also have the Department of Game, the Department of Ecology, the Department of Agriculture, a representative from the Bureau of Reclamation, the Department of Natural Resources, and probably one which I have left out. The idea of which is to make it as broadly based as possible so that we do not come up with either a strongly anti-irrigation posture or a strongly pro-irrigation posture, but to address the problem of water as it really is. It's a major public resource and we now have a new ballgame to concern ourselves with and that's what we are attempting to do."

Representatives Deccio, Schumaker, Berentson and Boldt spoke in favor of passage of the bill.
Mr. Hurley (George) demanded the previous question and the demand was sustained.

Mr. Amen moved that the House do concur in the Senate amendment to page 6, line 26.

POINT OF INQUIRY

Mr. Parker yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "Do you know of any instance in which federal law regulates work hours or work week that does not at the same time regulate overtime provisions?"

Mr. Parker: "What I would have to do is have our staff come in and show you the sum total of about 47 or 48 pages of regulations in federal statutes. In almost all instances, the note I got from our staff was that the effect of this amendment was virtually to eliminate the time-and-a-half provisions that we included in the original bill that passed this House."

Mr. Kuehnle: "Do you know of any federal law that regulates hours or weeks that doesn't regulate overtime pay?"

Mr. Parker: "I thought I pointed out to you that that was the report that I got from the staff, that yes, they do regulate. But what I am saying is that they don't meet the standards that we set out in this bill and what I'm asking the members to do is not weaken the law. In terms of what we passed here, we said that if anyone works over forty hours he is entitled to time-and-a-half, but now with the adoption of your amendment, we've also extended that to say that not only are they entitled to time and a half, but if they want they can have compensating time. I think that provides uniformity and at the same time we've also provided certain exemptions in the law that say there are a number of areas, including agricultural workers, to which this act does not apply."

Mr. Kuehnle spoke in favor of the motion to concur.

POINT OF INQUIRY

Mr. Parker yielded to question by Mr. Charnley.

Mr. Charnley: "Could you give some comments on any conflicts that you may be aware of between federal and state law?"

Mr. Parker: "No, because what you do is go to a higher standard. The state has the full ability to set a higher minimum wage than the federal minimum wage act. We can also set a higher standard and the employer is confused in this matter because if the federal law is the higher standard he has to go to that higher standard; if the state law is higher he has to go to the higher standard, so the answer to that is, no, there aren't any conflicts."

Mr. Savage spoke against the motion to concur in the Senate amendment.

ROLL CALL

The Clerk called the roll on the motion to concur in the Senate amendment to page 6, line 26 of Engrossed Substitute House Bill No. 32, and the motion was lost by the following vote: Yeas, 34; nays, 59; not voting, 5.

The motion was lost.

ROLL CALL

S., Kalich, King, Laughlin, Lysen, Martinis, Maxie, May, Moon, Moreau, O'Brien, Parker, Perry, Savage, Sherman, Shimpoch, Thompson, Valle, Warnke, Williams, Wojahn, and Mr. Speaker.

Not voting: Representatives Blair, Dunlap, Fischer, Freeman, Kilbury, North, Paris, Randall.

On motion of Mr. Parker, the House refused to concur in the Senate amendment to page 6, line 27 striking section 4.

Mr. Parker moved that the House do concur in the Senate amendment to page 6, line 27 adding a new section.

Mr. Parker spoke in favor of the motion.

POINT OF INQUIRY

Mr. Parker yielded to question by Mr. Hansey.

Mr. Hansey: "If we keep the emergency clause in and this act takes effect immediately, which could conceivably be in the next week or two, and the next quarterly report doesn't go out for two or three months, how are the employers going to know that as of a week or two ago they are subject to provisions of this act?"

Mr. Parker: "I'd question that two-day thing, since we can't bump bills anymore. We might be here awhile longer and I would suggest that I would like us to get home early, but I'm sure that if we can do that then the members of the press who would like us to go home would publicize adequately to employers the fact that we passed this bill."

POINT OF INQUIRY

Mr. Parker yielded to question by Mr. Pardini.

Mr. Pardini: "Very seriously, if the bill passes without the emergency clause, will these employers be in violation of the law if they have not received the notice? There are some employers who are too busy trying to keep their businesses together to read the paper."

Mr. Parker: "I'm sure that if they were in violation they would be given the opportunity to pay their employees the back wages owed to them. I doubt that would happen. I'm sure, having participated in the last go-round when we passed a minimum wage act in this House, it did not contain this provision and we didn't hear any great outcry on the part of the employers that they weren't informed on it."

Mr. Pardini spoke in favor of the motion to concur, and the motion was carried.

MOTION FOR RECONSIDERATION

Mr. Kuehnle, having voted on the prevailing side, moved that the House reconsider the vote by which the amendment to page 6, line 27, striking the emergency clause, was not concurred in.

Mr. Kuehnle spoke in favor of the motion, and Mr. Parker spoke against it.

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 47 with the following amendments:

On page 1, line 4 after "adding" and before "to" strike "a new section" and insert "new sections"

On page 1, line 10 after "or" and before "the" insert "the federal department of"

On page 2, add a new section to read as follows:

"NEW SECTION. Sec. 4. There is added to chapter 47.26 RCW a new section to read as follows:

The urban arterial board may adopt rules establishing qualifications for cities and counties administering and supervising the design and construction of urban arterial projects financed in part from the urban arterial trust account. The rules establishing qualification shall take into account the resources and population of the city or county, its permanent engineering staff, its design and construction supervision experience and such other factors as the board deems appropriate. Any city or county failing to meet the qualifications established by the board for administering and supervising an urban arterial project, shall contract with a qualified city or county or the department of highways for the administration and supervision of the design and construction of any approved urban arterial project as a condition for receiving urban arterial trust account funds for the project."

and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

MOTION

On motion of Mrs. North, the House concurred in the Senate amendments to page 1, line 4 and to page 2, adding a new section 4.

Mrs. North moved that the House refuse to concur in the Senate amendments to page 1, line 10 and to page 1, line 12, and ask the Senate for a conference thereon.

Mrs. North spoke in favor of the motion.

POINT OF INQUIRY

Mrs. North yielded to question by Mr. Pardini.

Mr. Pardini: "Is the purpose of not concurring in these because there is an objection to the amendments or just to get the bill into a conference position?"
Mrs. North: "It was my understanding that it needs to be in the conference position because we are changing the placement of one phrase in the second amendment. We don't object to the phrase, but we think it's in the wrong place. In the third amendment, the intent of dropping the population to zero is fine, the only thing is that we want to delete the part that refers to OPP&FM. We felt that a conference was necessary for this."

The motion was carried.

During that period of time the policy may not be altered or changed. Nothing in this section shall be deemed to impair the right of the insurer to make normal decreases or increases of the premium rate upon expiration and renewal of the policy, in accordance with the provisions of the policy. Thereafter, if such insurance coverage is no longer available, then the employee shall be given the opportunity to purchase an individual policy at a rate consistent with rates filed by the insurer with the commissioner. When the employee's compensation is so suspended or terminated, the employee shall be notified immediately by the policyholder in writing, by mail addressed to the address last on record with the policyholder, that the employee may pay the premiums to the policyholder as they become due as provided in this section.

Payment of the premiums must be made when due or the insurance coverage may be terminated by the insurer."
The provisions of any insurance policy contrary to provisions of this section are void and unenforceable after the effective date of this 1975 act.

NEW SECTION. Sec. 2. There is added to chapter 48.24 RCW a new section to read as follows:

Any employee whose compensation includes group life insurance, the premiums for which are paid in full or in part by an employer including the state of Washington, its political subdivisions, or municipal corporations, or paid by payroll deduction, may pay the premiums as they become due directly to the policyholder whenever the employee's compensation is suspended or terminated directly or indirectly as the result of a strike, lockout, or other labor dispute, for a period not exceeding six months and at the rate and coverages as the policy provides. Thereafter, if such insurance coverage is no longer available, then the employee shall be given the opportunity to purchase an individual policy at a rate consistent with rates filed by the insurer with the commissioner. When the employee's compensation is so suspended or terminated, the employee shall be notified immediately by the policyholder in writing, by mail addressed to the address last on record with the policyholder, that the employee may pay the premiums to the policyholder as they become due as provided in this section.

During that period of time such contract may not be altered or changed. Nothing in this section shall be deemed to impair the right of the insurer to make normal decreases or increases of the premium rate upon expiration and renewal of the policy, in accordance with the provisions of the policy. Thereafter, if such health care services coverage is no longer available, then the employee shall be given the opportunity to purchase an individual health care services contract at a rate consistent with rates filed by the health care service contractor with the commissioner. Mr. Pardini: "We have talked about percentages on this increase. In your committee did you get a total dollar impact on the biennium as to what the increase benefits would be and how much is that going to increase employers' payroll taxes?"

Mr. King: "The impact would be about $22 million a year. Expressed in percentage of payroll in the state, it would be less on a percentage basis—in the hundredths of a percent increase in the tax paid by the employer. It's minute, 14% of 3% on $6600 you're talking about—a fraction of a penny per hour, a very, very small amount."

Mr. Pardini spoke against passage of the bill.

SENATE AMENDMENT TO HOUSE BILL

May 16, 1975

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 206 with the following amendment:

On page 1, beginning on line 11 strike the remainder of the bill and insert:

"NEW SECTION. Sec. 2. The legislature finds that present management of capital projects does not always ensure a systematic review of project increments such as planning, design, site acquisition, and construction. Projects are not regularly subjected to independent technical review concerning less costly alternatives nor are such projects regularly considered in context with master planning projections.

The office of program planning and fiscal management, in order to ensure management control, shall prepare a capital construction projects management plan for every item included in this act, except that fire and safety projects and maintenance type projects may be exempted from the master plan and program plan provisions of this section when such exemptions are approved by the office of program planning and fiscal management. Such capital construction projects management plan shall consider, but not necessarily be limited to, the following elements:

(1) Master plan;
(2) Program plan;
(3) Physical plan; and
(4) Construction.

The management plan shall provide for technical feasibility review of capital projects by the department of general administration and provision for incremental approvals of capital projects.

The management plan for capital projects shall be submitted to the legislature, no later than January 1, 1976, along with the recommendations of the office of program planning and fiscal management and the department of general administration concerning technical feasibility, schedules for the release of funds by project increments, and other pertinent concerns regarding capital projects approved in this act.

For the purposes of this section:

"Master plan" includes, but is not limited to, identification and analysis of present institutional programs and a minimum five year projection thereof; identification and categorization of current physical facilities and an analysis of effectiveness of utilization; an analysis of match between program and necessary physical facilities based on objective standards as developed by appropriate state agencies; and recommendations for sale, purchase, demolition, expansion, renovation, replacement, or relocation of facilities.

"Program plan" relates to a specific project or facility and shall include, but is not limited to, an inventory of amounts and types of space currently available; an analysis of amounts, types, and relative locations of space required for current programs as determined by use of accepted state space standards; an analysis of projected programs and space required; and, if a change in facilities is justified from analysis, recommendations for demolition, remodeling, or construction.

"Physical plan" includes survey and site investigation and architectural and engineering designs.

"Construction" includes detailed budgets and realistic schedules for project implementation.

The intent of the requirement imposed by this section is to reduce the state's reliance on the continued use of fossil fuels as a primary energy source and thereby reduce the long term operating

NEW SECTION. Sec. 25. Before a capital project shall begin or an obligation is incurred or a contract
entered into, the director of the office of program planning and fiscal management, with the approval of the
governor and in compliance with section 2 of this act, shall first allot funds therefor or so much as may be
necessary from the appropriation made herein.

NEW SECTION. Sec. 26. Additional federal or other receipts and gifts and grants in excess of those
estimated in the budget may be allotted by the governor for capital projects included in the capital budget.
In addition, the governor may receive and allot any federal funds made available for capital outlay at any
one of the six four year institutions of higher education. Whenever possible, funds from other available
sources shall be used to finance projects for which general fund appropriations are made in this act.

NEW SECTION. Sec. 27. To effectively carry out the provisions of this act, the governor may assign

NEW SECTION. Sec. 29. The governor, through the director of the office of program planning and

amount required for the completion of such project to another capital project for which the appropriation
is insufficient only within the department of social and health services, or between appropriations for a
specific department, commission or institution of higher education. No such transfer shall be used to
expand the capacity of any facility beyond that anticipated by the legislature in making the appropriation.
A report of any transfer effected under this section shall be filed with the legislative auditor for transmittal
to the legislative budget committee by the director of the office of program planning and fiscal manage-
ment within thirty days of the date the transfer is effected.

NEW SECTION. Sec. 30. Any capital improvement or capital project for construction, repair or
maintenance authorized by this act, unless constructed, pursuant to the provisions of chapter 39.04 RCW,
shall be done by contract after public notice and competitive bid: PROVIDED, That this section shall not
apply to the acquisition of sites, easements, or rights of way; nor to contracts for architectural or engi-
neering services; nor to emergency repairs; nor to any improvement or project costing less than twenty-five
hundred dollars; nor to portions of projects involving inmate labor at a state institution: PROVIDED
FURTHER, That it is the intent of the legislature that in any decision to contract for capital projects
funded as the result of this act, full and fair consideration shall be given to minority contractors.

NEW SECTION. Sec. 31. This act is necessary for the immediate preservation of the public peace,
health and safety, the support of the state government and its existing public institutions, and shall take
effect immediately; and the same is herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

May 15, 1975

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 305 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. There is added to chapter 12, Laws of 1961 and to chapter 46.16 RCW a new section to read as follows:

(1) The term "registration year" for the purposes of chapters 46.16, 82.44, and 82.50 RCW shall mean the effective period of a vehicle license issued by the department. Such year shall commence at 12:01 a.m. on the date of the calendar year designated by the department and shall end at 12:01 a.m. on the same date of the next succeeding calendar year.

(2) Each registration year may be divided into twelve registration months. Each registration month shall commence on the day numerically corresponding to the day of the calendar month on which the registration year begins, and shall terminate on the numerically corresponding day of the next succeeding calendar month.

(3) Each registration year may be divided into four registration quarters, each consisting of three registration months. The first quarter shall commence with registration month one.

(4) Where the term "last day of the month" is utilized in chapters 46.16, 82.44, and 82.50 RCW in lieu of a specified day of any calendar month it shall mean the last day of such calendar month or months irrespective of the numerical designation of that day.

(5) In the event the final day of a registration year, quarter, or month falls on a Saturday, Sunday, or legal holiday, such period shall extend through the end of the next business day.

NEW SECTION. Sec. 2. There is added to chapter 12, Laws of 1961 and to chapter 46.16 RCW a new section to read as follows:

Notwithstanding any provision of law to the contrary, the director of the department of motor vehicles may extend or diminish vehicle license registration periods for the purpose of staggering renewal periods. Such extension or diminishment of a vehicle license registration period shall be by rule and regulation of the department of motor vehicles adopted in accordance with the provisions of chapter 34.04 RCW. Such rules may provide for the omission of any classes or classifications of vehicle from the staggered renewal system and may provide for the gradual introduction of classes or classifications of vehicles into such a system. Such rules and regulations shall provide for the collection of proportionately increased or decreased vehicle license registration fees, including tonnage fees, if applicable, and of excise or property taxes required to be paid at the time of registration.

It is the intent of the legislature that there shall be neither a significant net gain nor loss of revenue to the state general fund or the motor vehicle fund as the result of implementing a staggered vehicle registration system when compared with the revenue generated by the current registration system.

Sec. 3. Section 46.16.060, chapter 12, Laws of 1961 as last amended by section 3, chapter 170, Laws of 1969 ex. sess. and RCW 46.16.060 are each amended to read as follows:

Except as otherwise specifically provided by law for the licensing of vehicles, there shall be paid and collected annually for each (calendar) registration year or fractional part thereof and upon each vehicle a license fee or, if the vehicle was previously licensed in this state and has not been registered in an other jurisdiction in the intervening period, a renewal license fee. Such license fee shall be in the sum of thirteen dollars and forty cents, and such renewal fee shall be in the sum of nine dollars and forty cents: PROVIDED, HOWEVER, That the fee for licensing each house moving dolly which is used exclusively for moving buildings or homes on the highway under special permit as provided for in chapter 44.44 RCW, shall be twenty-five dollars and no other fee shall be charged for the load carried thereon.

Sec. 4. Section 46.16.065, chapter 12, Laws of 1961 as amended by section 10, chapter 7, Laws of 1961 ex. sess. and RCW 46.16.065 are each amended to read as follows:

In lieu of the fees provided in RCW 46.16.060, private passenger car one or two-wheel trailers of two thousand pounds gross weight or less, may be licensed upon the payment of a license fee in the sum of four dollars and fifty cents or, if the vehicle was previously licensed in this state and has not been registered in another jurisdiction in the intervening period, a renewal license fee. Such license fee shall be in the sum of fourteen dollars and forty cents: PROVIDED, HOWEVER, That the fee for licensing each house moving dolly which is used exclusively for moving buildings or homes on the highway under special permit as provided for in chapter 44.44 RCW, shall be twenty-five dollars and no other fee shall be charged for the load carried thereon.

Sec. 5. Section 46.16.130, chapter 12, Laws of 1961 and RCW 46.16.130 are each amended to read as follows:

Whenever an application is made for a license on a motor truck, trailer, tractor, semitrailer, for hire vehicle, bus or auto stage subsequent to (March thirty-first of any calendar) the end of the first registration quarter of any registration year, the license fees based on gross weight or seating capacity of such vehicles shall be computed as follows:

Upon ((motor)) vehicles above described licensed in this state (after March thirty-first of any year; but before July first) during the second registration quarter, the license fees imposed by this section for such year shall be reduced by one-fourth thereof; upon vehicles licensed in this state (after June thirtieth of any year; but before October first) during the third registration quarter, the license fees shall be reduced by one-half thereof; and upon vehicles licensed in this state (after September thirtieth of any year) during
the fourth registration quarter, the license fees shall be reduced by three-fourths thereof: PROVIDED, That such reductions shall not apply to special permits or to vehicles licensed during the immediately preceding registration year.

Sec. 6. Section 46.16.135, chapter 12, Laws of 1961 as amended by section 7, chapter 170, Laws of 1969 ex. sess. and RCW 46.16.135 are each amended to read as follows:

Tonnage for motor trucks, trailers, tractors, pole trailers, or semitrailers having a declared gross weight in excess of twenty thousand pounds may be purchased for (quarterly periods ending on March 31st, June 30th, September 30th, and December 31st) any registration quarter at one-fourth of the usual annual tonnage fee: PROVIDED, That the fee for the registration quarter in which the vehicle is licensed shall be reduced by one-twelfth of the usual tonnage fee for each full (calendar) registration month of the registration quarter that shall have elapsed at the time the vehicle is licensed. An additional fee of one dollar shall be charged by the director each time tonnage is purchased. The director is authorized to establish rules and regulations relative to the issuance and display of certificates or insignia.

No vehicle licensed under the provisions of this section shall be operated over the public highways unless the owner or operator renews the quarterly tonnage (within ten days after) permit prior to the expiration of the existing tonnage permit. Any person who operates any such vehicle upon the public highways after the expiration of the existing tonnage permit, shall be guilty of a misdemeanor, and in addition shall be required to purchase a tonnage permit for the vehicle involved at the fee covering an entire registration year's operation thereof; less the fees for any registration quarter or registration quarters of the registration year already paid. If, within five days thereafter, no license for a full registration year has been purchased as required aforesaid, the Washington state patrol, county sheriff, or city police shall impound such vehicle in such manner as may be directed for such cases by the chief of the Washington state patrol, until such requirement is met.

Sec. 7. Section 46.16.137, chapter 12, Laws of 1961 as last amended by section 1, chapter 172, Laws of 1974 ex. sess. and RCW 46.16.137 are each amended to read as follows:

During the months of October, November, December, January, February, and March the gross weight license for a three-axle truck, a three-axle truck tractor and a two-axle pole trailer used in combination, and a three-axle truck and two-axle trailer used in combination, when such vehicles or combinations of vehicles are licensed to the maximum gross weight provided by law and are used exclusively in the transportation of logs may be purchased for a monthly period. The fee for such a monthly license shall be one-twelfth the annual maximum gross weight fee provided for in RCW 46.16.070 and 46.16.111 or in RCW 46.16.070 and 46.16.115. For each fee so paid, other than at the time of the payment of the basic license fee, an additional fee of one dollar and fifty cents shall be charged by the director. The monthly license shall be effective (from the first day of the month in which it is purchased, through the last day of that calendar) for one entire registration month. The director or his authorized agent shall issue a permit (stating the month for which the vehicle is licensed) indicating that monthly tonnage fees have been paid, which permit shall be carried in the vehicle throughout the registration month for which it is issued. The director is authorized to establish rules and regulations relative to the issuance of such permits. No vehicle licensed under the provisions of this section shall be operated over the public highways unless the owner or operator thereof (within five days after) prior to the expiration of any such monthly period applies for, and pays the required fee for, a license for an additional monthly period, a three-month period, or for the remainder of the registration year. Any person who operates any such vehicle upon the public highways after the expiration of the existing tonnage permit, shall be guilty of a misdemeanor, and in addition shall be required to purchase a gross weight license for the vehicle involved at the fee covering an entire registration year's operation thereof; less the fees for any period or periods of the registration year already paid. If, within five days thereafter, no license for a full registration year has been purchased as required aforesaid, the Washington state patrol, county sheriff, or city police shall impound such vehicle in such manner as may be directed for such cases by the chief of the Washington state patrol, until such requirement is met.

Sec. 8. Section 46.16.210, chapter 12, Laws of 1961 as amended by section 1, chapter 75, Laws of 1969 ex. sess. and RCW 46.16.210 are each amended to read as follows:

(1) Upon receipt of the application and proper fee for original vehicle license, the director shall make a recheck of the application, and in the event that there is any error in the application it may be returned to the county auditor or other agent to effectively secure the correction of such error, who shall return the same corrected to the director.

(2) Application for the renewal of a vehicle license shall be made to the director or his agents, including county auditors, by the registered owner on a form prescribed by the director. The application must be accompanied by the certificate of registration for the last registration period in which the vehicle was registered in Washington unless the applicant submits a preprinted application mailed from Olympia, and the payment of such license fees and excise tax as may be required by law. Such application shall be handled in the same manner and the fees transmitted to the state treasurer in the same manner as in the case of an original application. Any such application which upon validation becomes a renewal certificate need not have entered upon it the name of the lien holder, if any, of the vehicle concerned.

(3) Persons expecting to be out of the state during the normal forty-five day renewal period (from January 1st through February 1st may, not earlier than December 1st, but prior to January 1st) of a vehicle license may secure renewal of (a) such vehicle license for a period of thirty days prior thereto and have license plates or tabs reissued by making application to the director or his agents upon forms prescribed by the director. The application must be accompanied by the certificate of registration for the last
registration period in which the vehicle was registered in Washington and be accompanied by such license fees, including a special handling fee of ((one dollar; fifty cents)) two dollars; one dollar to be retained by the issuing agency, and ((fifty cents)) one dollar to be deposited in the highway safety fund, and excise tax as may be required by law.

Sec. 9. Section 46.16.220, chapter 12, Laws of 1961 as amended by section 9, chapter 170, Laws of 1969 ex. sess. and RCW 46.16.220 are each amended to read as follows:

Vehicle licenses and vehicle license number plates may be ((issued)) renewed for the ((current)) subsequent registration ((licensing-period)) year on and after the ((first)) forty-fifth day ((thereof)) prior to the end of the current registration year and must be used and displayed from the date of issue or from the ((thirty-fifth)) day ((after)) of the expiration of the preceding ((licensing-period)) registration year, whichever date is later; PROVIDED, That in no case shall a citation be issued for nonregistration prior to the first day of the month following the calendar month in which vehicle licenses and vehicle license number plates are to be renewed.

Sec. 10. Section 46.16.320, chapter 12, Laws of 1961 as last amended by section 1, chapter 206, Laws of 1969 ex. sess. and RCW 46.16.320 are each amended to read as follows:

Every person having a valid official amateur radio operator's license issued for a term of five years by the federal communications commission, is entitled to apply to the director for, and upon satisfactory showing, to receive, in lieu of the regular motor vehicle license plates similar plates bearing the official amateur radio call letters of the applicant assigned by the federal communications commission instead of numbers.

In addition to the annual license fee collected under chapter 46.16 RCW and chapter 82.44 RCW, there shall be collected from each applicant for such special license plates an additional license fee of five dollars upon the issue of a state plate but shall not apply on those years that a yearly tab is issued. Such special fee shall be deposited in the motor vehicle fund. Application for renewal of the amateur radio operator's call license plate must be made ((by January 10th of each renewal)) no later than twenty days prior to the end of each registration year, and all such applications shall be accompanied by a notarized statement of facts included on the amateur's valid FCC license.

It shall be unlawful for a person to operate any vehicle equipped with a camper over and along a public highway of this state without first having obtained and having in full force and effect a current and proper camper license and displaying a camper license number plate therefor as required by law: PROVIDED, HOWEVER, That if a camper is part of the inventory of a manufacturer or dealer and is uncoupled at all times, and a dated demonstration permit, valid for no more than seventy-two hours is carried in the motor vehicle at all times it is operated by any such individual, such camper may be demonstrated if carried upon an appropriately licensed vehicle.

Application for an original camper license shall be made on a form furnished for the purpose by the director. Such application shall be made by the owner of the camper or his duly authorized agent over the signature of such owner or agent, and he shall certify that the statements therein are true and to the best of his knowledge. The application must show:

Such schedule shall be based upon such information as may be available to them pertaining to the fair market value of motor vehicles. Such vehicles shall be classified ((therein)) into a convenient number of classes on the basis of price, make, type, year of manufacture, or any other reasonable basis, and to the value of vehicles within the classes as thus determined shall be applied the rate of tax prescribed in RCW 82.44.020. In determining fair market value, the ((commission and county assessors)) department of revenue may use any guidebook, report, or compendium of recognized standing in the automotive industry. The schedule shall show, so far as possible, the amount of excise tax for vehicles within each class and shall sufficiently describe the various motor vehicles included within each classification to enable the ((county auditors)) department of motor vehicles and its agents to ascertain readily the amount of tax applicable to any particular motor vehicle.

MOTION

Mr. Hansen moved that the House do concur in the Senate amendments to Engrossed House Bill No. 305.

Mr. Hansen spoke in favor of the motion.

POINT OF INQUIRY

Mr. Hansen yielded to question by Mr. Amen.

Mr. Amen: "Does this increase any of the licenses? As I read it, it increases the fees for certain licenses, is that right?"

Mr. Hansen: "Yes, very little."

Mr. Amen: "For what licenses? For all vehicles? What percent? You mentioned that the revenue would not be increased on this."

Mr. Hansen: "On page 3, line 12, the first assessment assesses $13.40 for the first time a vehicle is licensed in the state and after that it would be $9.40, the same as it is at the present time. On page 3, line 18, on trailer fees, the first cost on small trailers would be $12.50 and for such trailers and after that it would be $3.25. This is to pay for the added work to the department to have them on record."

Mr. Amen: "On the staggering of license plates—if the owner has about half a dozen vehicles or something like that, would they all be licensed at the same time or would they be staggered?"

Mr. Hansen: "All of your trucks will be licensed in December. Your private cars, if you have more than one private car, will depend on the lot they were drawn from, so you will have different dates on private cars, the same as your driver's license."

The motion to concur was carried.

SENATE AMENDMENT TO HOUSE BILL

May 15, 1975

Mr. Speaker:
The Senate has passed ENGROSSED HOUSE BILL NO. 388 with the following amendment:

Strike all material after the enacting clause and insert the following:

"Section 73, page 236, Laws of 1854 as last amended by section 4, page 119, Laws of 1888 and RCW 12.12.060 are each amended to read as follows:

((The justice shall thereupon issue a summons for the jury, in which the following form shall be observed in substance:

The STATE OF WASHINGTON,

County of

The state of Washington to the Sheriff or any Constable of said county:

You are hereby commanded to summon to appear before me, at my office in ......... precinct, said county, on the ...... day of ........, A.D. 19..... at ...... o'clock in the ...... noon, to serve as jurors in a case pending before me, then and there to be tried: And this they shall in nowise omit: And have you then and there this writ, with your doings thereon:

Given under my hand this, the ...... day of ........, A.D. .......

A .................................................. B

Justice of the Peace:

Which summons shall be personally served upon the persons named, and the same shall be returned, with the names of the persons summoned, at the time appointed for the trial of the cause.) The justice shall thereupon issue or cause to be issued a summons for the jury, which summons shall be served personally or by certified mail upon the persons named.

and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

Mr. Knowles moved that the House do concur in the Senate amendment to Engrossed House Bill No. 388.

Mr. Knowles spoke in favor of the motion.

POINT OF INQUIRY

Mr. Knowles yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "You just indicated that this would permit the sheriff to serve the summons either personally or by registered mail. The amendment says personally or by certified mail. This creates a question in my mind, first of all I assume that this amendment is correct and the correct word is 'certified'?

Mr. Knowles: "The amendment, as I read it, Representative Kuehnle, strikes that prescribed form."

Mr. Kuehnle: "The amendment strikes the prescribed form, and the only language that is left is, 'The justice shall thereupon issue or cause to be issued a summons for the jury, which summons shall be served personally or by certified mail upon the persons named.'"

Mr. Knowles: "That will be the bill."

Mr. Kuehnle: "However, you said 'registered mail' and this says 'certified mail.' The question arises in my mind that if it were 'registered' I wouldn't have any problem, but if it's 'certified' then there is no return receipt required, then there is no way in the world, that I know of, of proving that the individual summoned for jury service actually received the mail."
Mr. Knowles: "All I can say to you, Representative Kuehnle, is the sheriffs themselves requested the bill in this manner so evidently they don't have any problem with whether or not they get any kind of a receipt back."

Mr. Kuehnle: "If I have been mailed a summons to serve on a jury by certified mail and I don't get the summons; I don't show up for jury duty, then am I not subject to contempt of court?"

Mr. Knowles: "I think there is something in the language that could be used, but I think it would rarely be used and I would think that probably in determining this jury list there would be a further contact with you. I might point out, that it is a very simple matter to get excused from jury duty. If you go to the presiding judge and you have a reason, you will get excused. If you never received the notice I am certain that no contempt citation will be taken against you. These summons for jury are sent out to a great number of people. The way it is done, the court determines the probable number of jurors they are going to need for an entire term; they draw them by lot out of the list of registered voters and then they send these notices out to perhaps 400 to 500 people at a time. Even with certified mail and return receipt requested, there would be some of these that would be undeliverable, but I don't think it's that big a deal."

Mr. Eikenberry spoke in favor of the motion to concur.

The motion was carried.

REPORT OF CONFERENCE COMMITTEE
May 15, 1975

Mr. Speaker:

Mr. President:

We, of your Conference Committee, to whom was referred ENGROSSED HOUSE BILL NO. 172, standardizing the marking of public vehicles, have had the same under consideration and we report that we are unable to agree and respectfully request the powers of Free Conference in order to make the following changes:

That the Senate Committee amendments be adopted with the following amendment to the committee amendment:

On page 4, line 21 of the committee amendment strike "Any elected state official" and insert "Any state official elected on a state-wide basis"

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 62 with the following amendments:

On line 1 of the title after "to" and before "emergency" strike "county"

On line 2 of the title after "36.01 RCW;" and before "and" insert "adding a new section to chapter 52.36 RCW;"

On line 7, after ")(I I)" and before the period insert ", but shall utilize any existing private ambulance service as a part of that system"

In section 1, line 10 after ": PROVIDED, That" and before "when" insert "any county which provides emergency medical services supported by an excess levy may waive such charges for service: PROVIDED FURTHER, That"

On line 13, after "ambulance service," and before "the" insert "and existing private ambulance service cannot be encouraged to expand service on a contract basis,"

On page 1, beginning on line 16 add a section to read as follows:

"NEW SECTION, Sec. 2. There is added to chapter 52.36 RCW a new section to read as follows:
Any fire protection district which provides ambulance service pursuant to RCW 52.08.030, may pursuant to a resolution establish and collect charges for such services in order to reimburse the district for all costs of providing such service: PROVIDED, That any fire protection district which provides such ambulance service supported by an excess levy may waive such charges for service."

Renumber the remaining section consecutively.

and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

Ms. Sommers moved that the House do concur in all the Senate amendments to Substitute House Bill No. 62, except the amendment to line 7, and ask the Senate to recede therefrom.

Representatives Sommers and Chandler spoke in favor of the motion.

POINT OF INQUIRY

Mr. Chandler yielded to question by Mrs. North.

Mrs. North: "Does section 2 leave a fire district free to establish its own set of fees? Would it be possible for the commissioners to waive or alter fees in certain cases?"

Mr. Chandler: "I asked the Attorney General for an opinion on that subject, asking first of all could a fire district establish a fee based on its own judgment? In other words, being concerned about the phrase in this amendment, 'all costs of providing such service,' does that mean cost to whom, the fire district or whatever? The Attorney General's opinion is that they can establish the charge of whatever they deem necessary. The other part of the question, is could a fire district, if it chose to do so, not establish charges? In other words waive a charge for someone who is too poor to pay, taking advantage of persons with insurance, etc. The answer is yes, they can, so long as they don't base this solely on age or something of that nature. It is permissible that they could do it for persons who are too poor to pay."

The motion was carried.

MOTION

On motion of Mr. Charette, the House reverted to the sixth order of business.

SECOND READING

ENGROSSED SENATE BILL NO. 2381, by Senators Beck, Guess and Stortini:

Providing for annual review for cancellation of voters but allowing vote in last presidential election to be deemed vote within preceding thirty months.

The bill was read the second time.

Committee on Constitution and Elections recommendation: Majority, do pass as amended. (For amendments, see Journal, Thirty-fourth Day ex. sess., April 16, 1975.)

Mr. King moved adoption of the committee amendment to the body of the bill.

The Clerk called the roll on adoption of the committee amendment to Engrossed Senate Bill No. 2381, and the amendment was adopted by the following vote: Yeas, 59; nays, 36; not voting, 3.

On page 1, section 1, line 11 after "day of" strike "April" and insert "January"
On page 2, section 2, line 17 after "On or before" strike "August" and insert "April"
On page 2, section 2, line 18 after "April" strike "January"

Creating a new judicial article in the Constitution of Washington.

The resolution was read the second time.

Committee on Judiciary recommendation: Majority, do pass as amended. (For amendment, see Journal, Fiftieth Day ex. sess., May 2, 1975.)

Mr. Knowles moved adoption of the committee amendment.

POINT OF INQUIRY

Mr. Knowles yielded to question by Mr. Newhouse.

Mr. Newhouse: "Mr. Knowles, I am concerned about the changes that may be made because of this judicial article in the district court; am I to infer that this bill would, in small counties, create multiple county districts where all the district court judges would be full-time and would have to be lawyers?"

Mr. Knowles: "Once the individuals who are now serving who are not lawyers could no longer run for office after that time, they would be required to leave. There is a bill that is circulating that will do what you are describing, that is a statutory measure; this is a constitutional amendment. The statutory measure, if it passes, is to do just that—rearrange the district courts in the state so that a certain number of district court judges will be prescribed for each district and they will have to be attorneys."

Mr. Newhouse: "Would not this bill, in effect, demand such a statute be passed?"

Mr. Knowles: "In my opinion, it will in time."

The committee amendment was adopted.

Engrossed Senate Joint Resolution No. 101 as amended by the House, was passed to Committee on Rules for third reading.

MOTION

On motion of Mr. Thompson, the House adjourned until 9:30 a.m., Thursday, May 22, 1975.

Mr. Pardini requested Mr. Charette to yield to question.

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "The rules are rather clear on a suspension of the rules that we have one speaker on each side of the issue. SECOND READING

REENGROSSED SENATE BILL NO. 2306, by Senators Day and Jones:
Revising the law relating to usury.
The bill was read the second time.
The Clerk read the following amendment by Representative Hurley (George):
On page 1, section 1, line 17 after "exceeding" strike "fifty" and insert "one hundred"

POINT OF ORDER

Mr. Kuehnle: "Mr. Speaker, I have on my desk an amendment which appears on page 1, line 14, which it would appear to me should be considered first."

The Speaker (Mr. O'Brien presiding): "It really doesn't make much difference as far as consideration of the two amendments, they are dealing with different subject matter."

Mr. Kuehnle: "Mr. Speaker, this constitutes a departure from the normal procedure, that of treating amendments in order as they appear in the bill, and I am of the opinion that it does make a difference. The Wojahn amendment introduces a new theory and a new principle and should that amendment be adopted—the concept of linking the rate of increase to some index—then I am of the opinion that the level at which this would come into play should be considered after that. I think it does make a difference and I certainly feel that my vote relative to whether we should be talking about a zero threshold, $25,000, $50,000 or $100,000, would be affected by whether we had adopted the Wojahn amendment or not."

The Speaker (Mr. O'Brien presiding): "It's been more or less held, Representative Kuehnle, that when you read the last line of a bill there isn't any particular order in which you can consider amendments, but we will consider Representative Wojahn's amendment first."

Mrs. Wojahn moved adoption of the following amendment by Representatives Wojahn, Moon, Hurley (George), Tilly and Bender:
On page 1, line 14 after "purposes:" insert "PROVIDED, That such entities shall be so limited only where the rate of interest charged pursuant to a transaction does not exceed the greater of twelve percent per annum or five percentage points above the annual rate charged member banks for advances by the 12th Federal Reserve District that prevailed on the first day of the month preceding the commencement of the calendar quarter during which such transaction is made."

Mrs. Wojahn spoke in favor of the amendment, and Mr. Ceccarelli spoke against it.

POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Amen.

Mr. Amen: "Could you tell me what the rate is now and would you also have some information on what the highest rate has been within the last two years on the federal discount rate?"

Mr. Pardini: "The federal discount rate, to the best of my knowledge, at the present time is around six percent. A significant factor that you might want to consider is that the discount rate is set only on what they call bankable loans, so that a bank placing those loans with the Federal Reserve, in order to meet the reserve requirements, is probably setting forth the
cream of the crop of their loan portfolio, because they are the only ones that are acceptable. That has a very definite bearing on the rate."

POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Flanagan:

Mr. Flanagan: "A couple of days ago, one of the bankers told me that this type of a limitation, five percent above the discount rate, was now applied by the Federal Reserve on a nationwide basis to loans above $25,000 for business purposes and what I am asking you is, if we go to this type of limitation, in order to be consistent it seems to me it would have to change the $50,000 in the bill to $25,000, then you'd be consistent with the present situation that exists nationally."

Mr. Pardini: "I guess my reply to that would have to be, it would seem to me from a legal standpoint they would have to be tied to each other. The $25,000 federal law, which ties it to the discount rate, has a self-destruct clause in it, as I remember, and that will be wiped out by the end of this year."

Representatives Hurley (George) and Moon spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Berentson.

Mr. Berentson: "Is there any correlation between the discount rate and the interest rate? In view of some of the comments here—Representative Hurley has inferred that you are getting down to hitting some people that in my opinion probably wouldn't be affected here."

Mr. Pardini: "There is, in my opinion Representative Berentson, some correlation between the discount rates and other interest rates. There is no historical perspective as to why the rates vary at any particular time. The basic interest rates are set by the 90-day bill rate of U.S. Government Treasury. I did a little homework yesterday afternoon, at a time when the discount rate (December 9, 1974) was seven and three-quarters percent, the prime rate was ten and five-eighths; commercial paper (that's your major commercial acceptance) was 9.18 percent and the average of business loans on the west coast at that particular time was a little over twelve percent. I tracked it for another two weeks and another two weeks and tried to lay it out on the graph and it just bounces up and down all over, generally on the availability of money. There is some correlation, but I don't think you could statistically lay it out."

Mr. Tilly spoke in favor of the amendment.

POINT OF INQUIRY

Mrs. Wojahn yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "I think the concept of trying to tie the rate to a floating index is a good idea, but I'm confused about the wording of the amendment. Is it your intention to exempt wording from the statutes providing usury as a defense for only banks which loan money at a rate which might be five percent over and above the discount rate, or is it your intention to make this ceiling applicable to all of the lenders that are covered by this bill? I can't quite interpret the language of the amendment. In a case of a bank, where they have the capability of borrowing at the rate discount rate, then the thing works beautifully, except that in the case of other lenders who are historically at a level of three or four or five percent higher than second mortgage lenders, this type of thing, would they then be stuck with this same ceiling, or does this apply only to those who have access to federal money at the discount rate?"

Mrs. Wojahn: "I would say that all of those covered under the present statute would be covered under this particular amendment."

Mr. Kuehnle: "Was it your intention to attempt to cover all of them, or to make this floating applicable only to those who have access to the floating discount privilege?"

Mrs. Wojahn: "No, to all of them."

Mr. Kuehnle spoke against adoption of the amendment, and Mrs. Wojahn spoke in favor of it.
ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Wojahn and others to Reengrossed Senate Bill No. 2306, and the amendment was adopted by the following vote: Yeas, 56; nays, 38; not voting, 4.

RON HANNA, 26th District.

MOTION FOR RECONSIDERATION

Mr. Pardini, having voted on the prevailing side, moved that the House now reconsider the vote by which the amendment by Representative Wojahn and others was adopted.

Mr. Pardini spoke in favor of the motion, and Mr. Moon spoke against it.

ROLL CALL

The Clerk called the roll on the motion by Mr. Pardini that the House reconsider the vote by which the amendment by Representative Wojahn and others to Reengrossed Senate Bill No. 2306 was adopted, and the motion was carried by the following vote: Yeas, 52; nays, 42; not voting, 4.

Not voting: Representatives Chandler, Haley, Perry, Williams.

The Speaker (Mr. O'Brien presiding) stated, the motion having carried, the question before the House to be reconsideration of the amendment by Representatives Wojahn, Moon, Hurley (George), Tilly and Bender to page 1, line 14 of Reengrossed Senate Bill No. 2306.

ROLL CALL

The Clerk called the roll on the reconsideration of the amendment by Representative Wojahn and others to Reengrossed Senate Bill No. 2306, and the amendment was not adopted by the following vote: Yeas, 48; nays, 48; not voting, 2.

Not voting: Representatives Chandler, Haley.

Mr. Hurley (George) moved adoption of the following amendment:

On page 1, line 17 after "exceeding" strike "fifty" and insert "one hundred"
Representatives Hurley (George), Charnley and Wojahn spoke in favor of the amendment, and Representatives Ceccarelli, Kuehnle, Leckenby, Conner, Hanna and Bagnariol spoke against it.

Mr. Hurley (George) spoke again in favor of the amendment.

POINT OF ORDER

Mr. Kuehnle: "I wish Representative Hurley would confine his remarks to the merits of the amendment instead of trying to second guess the motives of those who have spoken on the amendment."

The Speaker (Mr. O'Brien presiding): "Representative Hurley, please try to confine your remarks within the confines of your amendment."

POINT OF ORDER

Mr. Eikenberry: "I believe the point of order raised by Representative Kuehnle was the fact that Representative George Hurley keeps asserting that those who spoke in opposition to his amendment have some interest other than the overall welfare of the state. He's asserting that some special interest is controlling the speeches made against his amendment. In that he is entirely out of order."

The Speaker (Mr. O'Brien presiding): "I've heard worse remarks than Representative Hurley has stated here. Mr. Hurley, please try to avoid personalities in your debate."

Mr. Hurley (George) continued his remarks in favor of the amendment.

POINT OF ORDER

Mr. Berentson: "Mr. Speaker, I would call your attention to the three-minute rule."

The Speaker (Mr. O'Brien presiding): "You have run past the three minutes allowed, Representative Hurley. Will you close debate?"

Mr. Hurley closed debate, speaking in favor of the amendment.

The amendment was not adopted.

Mr. Kuehnle moved adoption of the following amendment:

On page 1, line 16 of the printed bill, after "lIm!Ted" strike the remainder of the paragraph down to and including "dollars" on line 18 of the printed bill and insert "thousand dollars) of any amount"

Mr. Kuehnle spoke in favor of the amendment, and Representatives Ceccarelli and Hurley (George) spoke against it.

Mr. Kuehnle closed debate, speaking again in favor of the amendment.

The amendment was not adopted.

Mrs. Wojahn moved adoption of the following amendment by Representatives Wojahn, Moon, Hurley (George), Tilly and Bender:

"Section I. Section 2, chapter 80, Laws of 1899 as amended by section 4, chapter 23, Laws of 1967 ex. sess. and RCW 19.52.020 are each amended to read as follows:

Any rate of interest not exceeding the greater of twelve percent per annum or five percentage points above the annual rate charged member banks for advances by the 12th Federal Reserve District that prevailed on the first day of the month preceding the commencement of the calendar quarter during which a contract or loan commitment is made and agreed to in writing by the parties to the contract shall be legal, and no person shall directly or indirectly take or receive in money, goods, or things in action, or in any other way, any greater interest, sum, or value for the loan or forbearance of any money, goods or things in action than ((twelve percent per annum)) such rates of interest permitted under this section: PROVIDED, That in any loan of money in which the funds advanced do not exceed the sum of five hundred dollars, a setup charge may be charged and collected by the lender, and such setup charge shall not be considered interest hereunder: PROVIDED FURTHER, That such setup charge does not exceed four percent of the amount of funds advanced, or fifteen dollars, whichever is the lesser, except that on loans of under one hundred dollars a minimum not exceeding four dollars may be so charged: PROVIDED FURTHER, That the rates of interest permitted under this section shall not govern those rates permissible under chapters 19.60, 31.08, and 63.14 RCW.

NEW SECTION. Sec. 2. Section 1, chapter 142, Laws of 1969 ex. sess., section 2, chapter 97, Laws of 1970 ex. sess. and RCW 19.52.080 are each hereby repealed."
POINT OF ORDER

Mr. Ceccarelli: "The proposed amendment is substantially the same as the one that has already been rejected by the House. I refer you to Reed's Rule 136, 'These limitations rest upon the idea that when an assembly has come to a conclusion, that conclusion is not to be questioned. Otherwise nothing would stay done.'"

MOTION

On motion of Mr. Thompson, the House recessed until 1:30 p.m.

AFTERNOON SESSION

The House was called to order at 1:30 p.m. by the Speaker (Mr. O'Brien presiding). The Clerk called the roll and all members were present except Representative Smith (Edward), who was excused.

MESSAGE FROM THE GOVERNOR

TO THE HONORABLE,

SECOND READING

REENGROSSED SENATE BILL NO. 2306:
The House resumed consideration of the bill on second reading.

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "The question before the House is the point of order that was raised on the amendment by Representative Wojahn and others. The Speaker finds Representative Wojahn's first amendment, which was defeated, spoke to the variable interest rates only as applied to commercial loans. The amendment presently before us speaks
to the same type of variable interest rates; however, it would apply to all types of loans, both commercial and noncommercial, with the exception of those pertaining to pawnbrokers, secondhand dealers, small loan companies and retail installment loans. This constitutes a materially new composition. The point of order is not well taken."

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the amendment by Representative Wojahn and others.

Representatives Wojahn and Moon spoke in favor of the amendment, and Representatives Ceccarelli, Newhouse, Pardini and Berentson spoke against it.

Mrs. Wojahn closed debate, speaking again in favor of the amendment.

Renumber the remaining section consecutively.

The Clerk called the roll on the final passage of Substitute Senate Bill No. 2123, and the bill passed the House by the following vote: Yeas, 95; nays, 0; not voting, 3.

Substitute Senate Bill No. 2123, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2133, by Committee on State Government (Originally sponsored by Senators Lewis (Harry), Rasmussen and Odegaard):

Ms. Sommers spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2133 as amended by the House, and the bill passed the House by the following vote: Yeas, 91; nays, 0; not voting, 7.

Engrossed Substitute Senate Bill No. 2133 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED SENATE BILL NO. 2194, by Senators von Reichbauer, Washington, Grant and Stortini:

Providing for temporary appointments to fill vacancies in the office of United States senator.

Establishing the public employment relations commission.

The bill was read the second time.

Committee on Labor recommendation: Majority, do pass as amended. (For amendments, see Journal, Forty-eighth Day ex. sess., April 30, 1975.)

Mr. Savage moved adoption of the committee amendment.

POINT OF ORDER

Mr. Kuehnle: "It appears to me that the committee amendment being offered incorporates Senate Bill No. 2500 in toto, which I think is a violation of the House Rules."
The Speaker: "Senate Bill No. 2500, according to our records, is not before us. It's in the Senate."

Mr. Kuehnle: "I think that's my point of order, Mr. Speaker. It is in the Senate, and this is Senate Bill No. 2500 in exactly the same form."

The Speaker: "The restriction applies to those bills before the House. Rule 33 says, '... other bill or resolution pending before the House.' So I will order that your point of order is not well taken."

Mr. Freeman moved adoption of the following amendments to the committee amendment:
- On page 22, line 13 after "districts" strike "and community college districts"
- On page 23, line 8 after "districts" strike down to and including "college" on line 9.
- On page 23, line 17 after "(ii)" strike down to and including "manager." on line 18.
- Beginning on page 37, line 8 strike all of subsections (10) through (20).

Point of Order

Mr. Kuehnle: "I would like you to rule on scope and object. The original bill deals with public employment and the committee amendment deals with teacher negotiations."

Speaker's Ruling

The Speaker: "Representative Kuehnle, your objections for scope are not timely, in that Rule 112 of Reed's Rules states that '... objections to present action must be presented before consideration has been entered upon. After debate has begun or other action has been taken it is too late.' We have placed before us the amendments to the committee amendment. It's too late; it has to be raised at the time the amendment is placed."

Mr. Kuehnle: "I was on my feet to raise the point of order when Representative Freeman was recognized and we have not taken any action on those amendments other than simply to move them. Had I been recognized then, my point of order would have been timely."

The Speaker: "Representative Kuehnle, I'm sorry, but if the Speaker failed to recognize you it wasn't intentional. We have started proceeding on further action so I must rule the point of order is not timely."

The Speaker stated the question before the House to be the amendments by Representative Freeman to the committee amendment.

Representatives Chamley and Flanagan spoke in favor of the amendments, and Mr. Parker spoke against them.

Point of Inquiry

Mr. Chamley yielded to question by Mr. Patterson.

Mr. Patterson: "Would you feel that this would be the proper route to go? Do you think it would be reasonable that if you are going to have collective bargaining for community colleges you shouldn't join the four-year institutions and community colleges together?"

Mr. Chamley: "My feeling is that, given my druthers, I would rather see higher education included in this bill, so that we have everybody under one umbrella, but my opposition last time was that I felt that the instrument was so poorly taken that the community colleges were better out of it. I guess at this point my first preference would be everybody under; and my second preference would be higher education and community colleges together. I can't really speak for the system as a whole, that's my feeling. Some of my cohorts feel very strongly one way and some another. I can only report to you that in a survey taken of community colleges, trustees, faculty, etc., the faculty voted 36% in favor of the bill I mentioned earlier (Senate Bill No. 2263) and only 16% in favor of the WEA bill (Senate Bill No. 2500), which is the one that's in here. On the other hand, 21% felt that they would like to be in a higher education type of coverage, both higher education and community colleges. So the feeling of the faculty is somewhat spread and there is no fantastic strong feeling one way or the other."

Mr. Conner demanded an electric roll call and the demand was sustained.
Mr. Matthews spoke in favor of the amendments to the committee amendment, and Representatives Savage and King spoke against them.

Mr. Charette demanded the previous question, and the demand was not sustained.

**POINT OF INQUIRY**

Mr. Savage yielded to question by Mr. Haley.

Mr. Haley: "The morning Engrossed Substitute Senate Bill No. 2408 was first presented in committee, I was unaware that it was going to be presented, and it went through so fast I couldn't find out the difference between it and Senate Bill No. 2500. I was a little disturbed and I still don't really know the difference between those two bills. I was preparing to vote on Senate Bill No. 2500 in committee and then Senate Bill No. 2408 went through. I wonder if you would take a few seconds to explain exactly what the differences are?"

**SPEAKER'S RULING**

The Speaker: "Representative Haley, I can't see where your question is germane to the amendments to the committee amendment, which strikes community colleges. I think it will be a germane question to ask once we start considering the committee amendment."

Mr. Freeman closed debate, speaking again in favor of the amendments to the committee amendment.

**ROLL CALL**

The Clerk called the roll on adoption of the amendments by Representative Freeman to the committee amendment to Engrossed Substitute Senate Bill No. 2408, and the amendments were not adopted by the following vote: Yeas, 38; nays, 57; not voting, 3.

"NEW SECTION. Sec. 51. The provisions of sections 34 though 50 and section 53 of this 1975 amendatory act are intended to provide a means to resolve labor disputes in an area of employment which is most important to the citizens of the state. Therefore those individuals whose employee/employer relationship is covered by the terms of this act shall be prohibited from striking or otherwise withholding their services in violation of the terms of such contract as governs their relationship with their employer. If any violation of this prohibition is sanctioned either directly or indirectly by an employee organization, it shall be an unfair labor practice within the meaning of section 45 of this 1975 amendatory act."

Renumber the remaining sections consecutively.

Mr. Hansey demanded an electric roll call and the demand was sustained.

POINT OF INQUIRY

Mr. Savage yielded to question by Mr. Haley.

Mr. Haley: "Representative Savage, could you answer my question now about the essential differences between Engrossed Substitute Senate Bill No. 2408 and Senate Bill No. 2500?"

Mr. Savage: "There is a three-man commission appointed by the Governor and he selects a director, and the director and the board together set the rules for negotiations—for peaceable negotiations that provide for the usual programs like arbitration and impasse, go through the impasse program and then eventually go through the different steps. It takes quite a few days—more than 30 days—and this is the time for all hotheads to cool off and reach a settlement."
ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2408 as amended by the House, and the bill passed the House by the following vote: Yeas, 77; nays, 19; not voting, 2.

POINT OF INQUIRY

Mr. Kalich yielded to question by Ms. Sommers.

Ms. Sommers: "I think I appreciate what you are trying to do, but I wish I had a little more than 60 seconds to read the amendment so we could check on its impact. I notice it doesn't indicate what kind of penalties or fines. What was your intention?"
Mr. Kalich: "The fine is in the other part of the statutes. It's $100 or something like that. This just makes them sign a separate deal on their identification card stating that they know they are subject to this fine."

POINT OF ORDER

Mr. Douthwaite: "I would like you to rule whether or not this amendment does fall within the scope and object of the committee amendment. I don't see anywhere in the bill dealing with punishments."

The Speaker: "Representative Douthwaite, you are one speech too late. You are allowed up to the first speech in order to raise the point of scope and object."

Mr. King moved adoption of the committee amendment.

POINT OF ORDER

Mr. Parker: "Mr. Speaker, I would like you to examine the committee amendment in compliance with Rule 33. The title of the bill is 'An Act Relating to United States Senators...' and the amendment goes in and deals with the make-up of the state central committees of the various political parties as well. It also deals with the fact that in the event they are not represented by population, the matter would be decided by a convention of the various political parties, which I feel is beyond the scope and object."

SPEAKER'S RULING

The Speaker: "Mr. Parker, I feel that your point of order is not well taken. I feel that the amendment is within the scope and object in that we are talking about appointments to the Senate by the Governor. It sets forth different restrictions, etc., and I think the committee amendment is merely changing those restrictions and although it does change and set up a different procedure than might be acceptable in the make-up of the various parties at the present time, I think it is within the scope because it does provide an alternative in the event the committee is not made up of one man, one vote. It's set over to the next state political convention in case there isn't an election before that time. I think it's just a matter of restrictions and definitions of the power of the Governor to appoint."

Representatives King and Hawkins spoke in favor of the committee amendment, and Representatives Fortson, Parker, Hurley (George) and Pardini spoke against it.

ROLL CALL

The Clerk called the roll on adoption of the committee amendment to Engrossed Senate Bill No. 2194, and the amendment was not adopted by the following vote: Yeas, 28; nays, 64; not voting, 6.

On motion of Mr. Adams, the committee amendments were adopted.

POINT OF INQUIRY

Mr. Adams yielded to question by Mr. Newhouse.

Mr. Newhouse: "I have a little problem in reading this bill in following the discharge of a patient from a nursing home. If the patient dies, is that considered a discharge? How long must the nursing home keep the records?"

Mr. Adams: "I imagine that's a discharge."

On motion of Mr. Adams, the committee amendment to the title was adopted.

Representatives King and Brown spoke in favor of the motion.

MOTION

Mr. Newhouse moved that the committee amendments be laid on the table.

POINT OF ORDER

Mr. King: "To move to lay an amendment on the table is out of order, because it would take the bill with it without necessitating a vote on the bill. It would be killing the bill without a vote."

SPEAKER'S RULING

The Speaker: "I think the motion is in order. The fact that it will take the bill with it still leaves the motion in order."

The motion to lay the amendment on the table was not carried.

The motion not to adopt the committee amendment carried.

Mr. King moved adoption of the following amendment by Representatives King and Brown:

On page 1, line 25 of the printed substitute bill after "candidate" insert "and every person appointed to the appointive positions enumerated herein shall, within two weeks of being so appointed,"

Mr. King spoke in favor of the amendment, and Mr. Newhouse spoke against it.

MOTION

Mr. Eikenberry moved that the rules be suspended and House Concurrent Resolution No. 33 be made a special order of business at 11:00 a.m. and the Clerk be instructed to distribute copies of the resolution.

MOTION

On motion of Mr. Thompson, the motion by Mr. Eikenberry was laid on the table.

The Speaker (Mr. Charette presiding) stated the question before the House to be final passage of Engrossed Substitute House Joint Memorial No. 26.

Mrs. Fortson spoke in favor of passage of the memorial.

MOTION FOR RECONSIDERATION

Mr. Curtis, having voted on the prevailing side, moved that the House reconsider the vote by which the Eikenberry motion was laid on the table.

SPEAKER'S RULING (MR. CHARETTE PRESIDING)

The Speaker (Mr. Charette presiding): "Representative Curtis, the Speaker would like to call to your attention Reed's Rule 204, which concerns itself with reconsideration when permissible. 'A motion to reconsider is applicable to almost all motions. The exceptions are, the motion to adjourn, to lay on the table when decided in the affirmative, suspension of the rules and the motion to reconsider itself.' So your motion would be out of order."

POINT OF PARLIAMENTARY INQUIRY

Mr. Polk: "Has there been intervening business since the Eikenberry motion was laid on the table?"

The Speaker (Mr. Charette presiding): "Yes, we went on to the third reading of the memorial."
MOTION

Mr. Polk moved that the motion by Representative Eikenberry be removed from the table.

Mr. Polk rose to speak to the motion.

SPEAKER'S RULING

The Speaker (Mr. Charette presiding): "The rules do not allow debate on a motion to remove from the table."

Mr. Polk: "I would like a citation for that, Mr. Speaker. It is my understanding that the rule is that a motion to remove from the table is fully debatable."

The Speaker (Mr. Charette presiding): "Mr. Polk, the Speaker would refer you to House Rule 49 which backs up Reed's Rule 117. House Rule 49 states in part, 'A motion for suspension of the rules shall not be debatable, except, however, the mover of the motion... and one member may briefly state the opposition to the motion.' The first paragraph of that rule, 'A motion to adjourn, to take recess, to lay on the table and a call for the previous question shall be decided without debate. All incidental questions of order arising after a motion is made for either of the questions named in this rule and pending such motion, shall be decided, whether on appeal or otherwise, without debate.'"

Mr. Polk: "Mr. Speaker, I call to your attention Reed's Rule 201, which lists motions which are not debatable. The subject of removing a tabled motion from the table is not included in this rule and there is nothing in the rule that you recited which has to do with removing a motion which has been tabled. Therefore, I would submit, Mr. Speaker, that Reed's Rule 201, in not citing the motion, should be the one that should prevail and therefore it should be fully debatable."

The Speaker (Mr. Charette presiding): "Representative Polk, the Speaker wishes to thank you for your remarks, but feels that the ruling of the Chair is in order, and in accordance with the rules, and should stand."

The Speaker (Mr. Charette presiding) stated the question before the House to be Engrossed Substitute House Joint Memorial No. 26 on final passage.

Representatives Becker, Berentson and Deccio spoke in favor of the memorial, and Mr. Curtis spoke against it.

ROLL CALL

MOTIONS

On motion of Mr. Eikenberry, Engrossed Substitute House Joint Memorial No. 26 was ordered transmitted immediately to the Senate.

Mr. Eikenberry moved that the rules be suspended, the Chief Clerk be instructed to prepare a concurrent resolution whereby the legislature may adjourn until 9:00 a.m., Monday, June 9, 1975 or until such time as the members of the legislature are notified by the leadership
of the House and the Senate that they are ready to reconvene and finally consider and vote on the budget and other significant matters ready at that time.

On motion of Mr. Charette, the motion by Mr. Eikenberry was laid on the table.

Mr. Nelson: "I would like the Speaker to rule on the scope and object of this amendment, in light of the sections that we are presenting in this bill and the scope of the amendment, which directs itself to a completely different statute area, which has already been spoken to by this House in House Bill No. 307."

The Speaker: "I feel that your point of order is not well taken. House Bill No. 307 is not before us anymore. This is even different from House Bill No. 307 because it pertains just to the University of Washington and this pertains to all colleges. This bill does contain a rather broad assortment of liquor board regulations, and liquor regulations extending the serving of alcohol into a different type of establishment, so I think it's pretty well opened up, and this amendment would definitely come within the scope."

Representatives Tilly and Seeberger spoke in favor of the amendment to the committee amendment.

SECOND READING

ENGROSSED SENATE BILL NO. 2332, by Senators Bottiger and Bluechel:

Amending laws relating to insurers' assessments.

The bill was read the second time.

Mr. Polk moved adoption of the following amendment:

On page 4, following line 20 add a new section as follows:

"NEW SECTION. Sec. 3. There is added to Title 48 RCW a new section to read as follows:

In the event that a motor vehicle has been totally destroyed the measure of damages recoverable by a claimant shall include the reasonable loss of use of said motor vehicle subject to any limitations that may be imposed by chapter 4.22 RCW or by any contractual agreement. For the purposes of this section, 'motor vehicle' means any passenger vehicle required to be registered with the department of motor vehicles and all motorcycles whether or not required to be registered with the department of motor vehicles."

POINT OF ORDER

Mr. Ceccarelli: "I would like you to rule on the scope and object of this amendment."

SPEAKER'S RULING

The Speaker: "Representative Polk, I feel that the point of order is well taken. I feel that the amendment is outside the scope of the bill. The title of the bill is broad enough but the subject matter of the bill is not."

MOTION

Ms. Becker moved that Engrossed Senate Bill No. 2332 be rereferred to Committee on Ways and Means - Appropriations.

Representatives Becker and Moon spoke in favor of the motion, and Representatives Ceccarelli and Blair spoke against it.

POINT OF INQUIRY

Mr. Ceccarelli yielded to question by Ms. Cochrane.

Ms. Cochrane: "Would this bail out any near-future insurance companies that might default, or is this just a one-time thing?"

Mr. Ceccarelli: "The Washington Life and Disability Insurance Association will form for the Federal Old Line, but it would also address itself to any future companies that went broke. The bill that we are passing is allowing that association to make up the deficit in order to take care of the policyholders of Federal Old Line. They paid some $2.5 million already in order to transfer those policies from Federal Old Line, and this additional money is to meet it to bring the existing policyholders of that company up to date."

Mr. Seeberger spoke in favor of the motion, and Representatives Newhouse and Parker spoke against it.
POINT OF PERSONAL PRIVILEGE

Mr. Randall: "The last speaker said that a breach of faith would occur if this came to Committee on Revenue because of some killing effect. I think that the position of the Chairman and the position of the committee is not a killing or advocating position, it's an incisive look-at, and to infer that I'm going to kill it or someone else is going to kill it, is an unfair posture and I want to make that point clear."

POINT OF INQUIRY

Mr. Ceccarelli yielded to question by Mr. Hawkins.

Mr. Hawkins: "Are we setting a precedent that may affect future liabilities of the state?"

Mr. Ceccarelli: "No."

Ms. Sommers spoke in favor of the motion to rerefer the bill to committee, and Mr. Deccio spoke against it.

Mr. Charette demanded the previous question and the demand was sustained.

Not voting: Representatives Adams, Bond, Dunlap, Gaspard, Haussler, Hayner, Kalich, Leder, Martinis, Moreau, Pardini, Smith E. P.

Mr. Moon: "Representative Deccio made reference to something that I had said and I think he had a misunderstanding of what it was. He said that I thought that the people of the state would be paying for this and that is correct. The people of the state will be paying for this by this proposal because they will be paying for it just as sure as if we made a direct appropriation because if we get less money into the general fund—"

The Speaker: "Representative Moon, I think you are going a little far astray from what we normally use points of personal privilege for. That's for when a person's motives have been impugned, so I would appreciate it if you would restrict your remarks to that."

Mr. Moon: "Well, Representative Deccio indicated that I didn't understand this, what it was, and I wanted to make it perfectly clear that he did know that I understood what is being
done by this bill, and that is that regardless of whether we make a direct appropriation or indirectly, the people of the state are going to pay for it."

STATEMENT FOR THE JOURNAL

I voted against this measure because it starts a costly, unwise precedent. If we pay all voluntary elected groups such as port commissioners, school boards, etc., we raise potential costs to taxpayers, and we do not necessarily obtain better volunteers. Most port commissioners enjoy their work and they go to many stimulating and interesting conventions in different places and find this good "compensation."

Mrs. Wojahn: "You mentioned that the state is saving lots and lots of money because there were plans being drawn up for a facility costing $1.4 million. Was that for a performing arts building?"

Mr. Warnke: "I believe it was, Representative Wojahn, but the title of performing arts center is really misleading. When the state board and OPP&FM went through the plans, the building is not going to be just used for performing arts, it is also an academic and classroom-oriented building, so that drama classes, for example, band, and all those types of fine arts classes are also going to be held in there as well as the performing art functions themselves."

Mrs. Hayner spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Barnes.

Mr. Barnes: "I'm a little confused. I thought we had a capital budget which would include community college buildings. Is that true?"

Mr. Shinpoch: "Yes."

Mr. Barnes: "Then I'm curious as to why this building is not included in that budget rather than in a special appropriation on a separate bill?"

Mr. Shinpoch: "Because it was a special request and it is being handled as a special request. We did not put it in the regular budget to be handled as a routine item; we put it out as a special request for everyone to look at."

POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mrs. Valle.

Mrs. Valle: "I would like to know if we are buying back a building that we have already paid for in Expo, or did the Republic of China purchase this building?"

Mr. Shinpoch: "I'm not certain that I can give you a for-sure answer. I can tell you that my understanding is that the building was paid for and built by the Republic of China. It was
my understanding there were no state dollars in it. I can only tell you 'what my understanding
is.'

of the bill.

Mr. Bausch demanded the previous question and the demand was sustained.

On page 9 of the committee amendment after section 24 insert the following new sections:

"NEW SECTION. Section 25. The legislature reaffirms that the public policy of this state is to insure
equal opportunity for all of its citizens and declares its intent to implement Article 31 of the Constitution
of the state of Washington, the equal rights amendment. The legislature further finds that in order to meet
the requirements of Article 31 of the Constitution, it is desirable to direct a continuing evaluation and
study of state laws and regulations as they affect women; and further, to encourage the education of the
citizens of this state in respect to public policy as it relates to women and to encourage the promotion of
equality. Therefore the legislature deems it necessary to create a council to carry out these purposes most
effectively.

NEW SECTION. Sec. 26. There is hereby established the Washington state women's council in the
office of governor.

NEW SECTION. Sec. 27. (1) The council shall consist of sixteen members appointed by the governor,
and shall include two members chosen by the speaker of the house of representatives, not of the same
political party, and two members chosen by the president of the senate, not of the same political party.
These appointees may be members of the body from which appointed. The speaker of the house, the pres-
ident of the senate, and the governor shall solicit recommendations from interested persons and organiza-
tions for appointments to the council, and shall give such recommendations due consideration.

(2) The members shall hold office commencing July 1, 1975, for three years and until their successors
are chosen and qualified. Five of the initial appointees shall be appointed for one-year terms, five shall be
appointed for two-year terms and shall include the two chosen by the speaker of the house and the two
chosen by the president of the senate, and six shall be appointed for three-year terms. Vacancies shall be
filled in the same manner as the original appointments. The terms of all members will terminate with the
expiration of the act.

(3) Members shall receive per diem allowances and reimbursement for actual travel expenses incurred
in the performance of their duties in the same manner as provided for state officials generally in chapter
43.03 RCW as now or hereafter amended.
The governor shall appoint an executive director of the council who shall be one of three nominated by the council for the position.

NEW SECTION. Sec. 28. The executive director shall appoint a staff who shall be state employees pursuant to Title 41 RCW.

NEW SECTION. Sec. 29. (1) The council shall adopt rules and regulations necessary to carry out the purposes of this chapter.

(2) The council shall advise state departments and agencies on the development and implementation of comprehensive and coordinated policies, plans, and programs to insure equal opportunity for all women.

(3) The council is authorized to gather data and disseminate information to the public in order to implement the purposes of this chapter.

(4) The council shall make such recommendations to the governor and the legislature relating to changes in administrative practices and existing laws relating to women or particularly affecting women as it finds necessary.

NEW SECTION. Sec. 30. In carrying out its duties the council may establish such relationships with public and private institutions, local governments, and private industry as may be needed to promote the purposes of this chapter and particularly to promote equal opportunity for women in government, education, and employment.

NEW SECTION. Sec. 31. The council shall have authority to receive such gifts, grants, and endowments from private sources as may be made from time to time in trust or otherwise for the use and benefit of the purposes of the council and to expend the same or any income therefrom according to the terms of said gifts, grants, or endowments, and the purposes of this chapter. The executive director shall make a report of such funds received from private sources to the legislative budget committee on a current basis. Such funds received from private sources shall not be applied to reduce or substitute for the council's budget as appropriated by the legislature, but shall be applied and expended toward projects and functions which were not funded by the legislature.

NEW SECTION. Sec. 32. If any provision of this chapter, or its application to any person or circumstance is held invalid, the remainder of the chapter, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 33. This 1975 act shall expire automatically on June 30, 1977, unless such expiration date be removed or extended by subsequent act of the legislature if the purposes of the act have not been accomplished.

NEW SECTION. Sec. 34. To carry out the provisions of this act there is appropriated to the Washington state women's council from the general fund for the biennium ending June 30, 1977, the sum of eighty-nine thousand one hundred forty-four dollars, or so much thereof as shall be necessary.

NEW SECTION. Sec. 35. Sections 25 through 33 of this 1975 act shall constitute a new chapter in Title 43 RCW.

Renumber the remaining section or sections consecutively.

POINT OF ORDER

Mr. Amen: "Mr. Speaker, I would like you to rule on scope and object of this amendment."

SPEAKER'S RULING (MR.O'BIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "It appears to the Speaker that the committee amendment pertains to a new department of veterans' affairs, the creation of it, certain duties in connection with the department of veterans' affairs. The amendment to the amendment pertains to the creation of the reestablishment of the Council on Women's Affairs. It would appear to the Speaker that the amendment isn't germane to the original committee amendment. This is in accordance with House Rule 33, which states, in part, 'No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment;...'. This also follows with Reed's Rule 160 relative to amendments must be germane. It appears to the Speaker that the amendment to the amendment is not germane; it's an entirely different subject matter from the committee amendment. I am going to rule the amendment to the amendment out of order."

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the committee amendment.

The committee amendment was adopted.

Mr. Conner: "Yes, it's on your sheet—the Department of Social and Health Services, $375,000. The figure is in the budget, but I certainly don't believe that figure and can't understand why there would be that type of a fiscal impact when you're transferring those functions as the bill reads."

MOTION

Mr. Charette moved that the House immediately consider Engrossed Senate Bill No. 2341 on second reading.

Mr. Eikenberry spoke against the motion.
Mr. Amen: "I believe Rule 27 states that the bills on second reading have to be on the desk for two days before consideration."

The Speaker (Mr. O'Brien presiding): "Representative Amen, I think if you will read Rule 27 in total you will find that what you are stating under second reading of bills, '... unless otherwise provided by the Rules Committee.' The Rules Committee has placed these bills on the calendar for second reading."

Mr. Amen: "Rule 27 in part says, 'No bill may be considered on second reading unless a calendar of bills for second reading and copies of any amendment made by a committee have been distributed to each member no later than 8:00 p.m. on the second day preceding such consideration unless otherwise provided by the Rules Committee.' Has the Rules Committee provided that we should not wait for the two days, or were these just pulled out of Rules Committee?"

The Speaker (Mr. O'Brien presiding): "Yes, they were. The Rules Committee provided and set forth and approved these bills for consideration on the calendar of today. We have approved the bills for consideration."

Mr. Amen: "When these bills were pulled by the Rules Committee, was there a special motion made that these be considered for today's calendar?"

The Speaker (Mr. O'Brien presiding): "More or less by unanimous consent. The Speaker has stipulated that these are the bills and there weren't any objections stated and we are trying to consider all Senate bills by tomorrow at 5:00 p.m. Your party was well represented in the Rules Committee and they more or less acquiesced. Everything is in order."

Mr. Amen: "What good is Rule 27 then if at any time the Rules Committee can pull out bills and put them on the next day's calendar?"

The Speaker (Mr. O'Brien presiding): "That's the purpose of Rule 27, to give the Rules Committee that latitude, particularly when we are trying to wind down a session, and also in view of the fact that we are all deeply concerned about the extent of this session."

The motion was carried.

ENGROSSED SENATE BILL NO. 2341, by Senators Bottiger, Beck and Matson (by Utilities and Transportation Commission request):

MOTION

On motion of Mr. Charette, the House moved to immediately consider Engrossed Substitute Senate Bill No. 2463 on second reading.

POINT OF INFORMATION

Mr. Polk: "Mr. Speaker, in your discourse with Representative Amen regarding Rule 27, you referred to convention being the only reason that we apparently have these bills put before us on the desk and my question is, are we going to have the bills in our billbooks and on the desk when we consider them on second reading since none of these are in our billbooks?"

Mr. O'Brien: "That is one reason why we are being so considerate and we are setting them over until tomorrow."

Mr. Polk: "Mr. Speaker, are you telling me that we will have these bills in our billbooks before they are considered on second reading, or are you saying that the rule has been suspended by the Rules Committee?"

REMONSTRANCE TO THE LEGISLATURE

WHEREAS, Time is irreplaceable and among the most important intangible commodities we possess, it should, therefore, not be squandered, and

WHEREAS, We legislators are involved in a session which has seen the expenditure of large quantities of time and money in excess of any session in the history of Washington State, and

WHEREAS, We legislators have endeavored to perform at a level which was sincerely intended to be constructive, but now for reasons known and unknown, the Legislature has deteriorated into a condition which is widely accepted as nonproductive, and

WHEREAS, I, personally, have consistently supported and complimented the Democrat leadership in its successful attempts to prevent legislative fatigue previously experienced through continuous seven-days and late-night sessions, and

WHEREAS, I, for one, do not believe that the avoidance of Sunday and late-night sessions is the cause of the unfortunate situation in which we now find ourselves, and

WHEREAS, To continue the present unsuccessful procedures is obviously wrong, if not sinful,

THEREFORE, I submit to you that we all must share in this failure to properly conduct the business of the people of Washington State. We have failed to measure up to the expectations of the citizens. We are all a part of this process and, therefore, must stand responsible whether or not we have been in positions to exert leadership, and now

THEREFORE, I cannot, must not and will not withhold my objection to the apparent aimlessness of this session, which is resulting in a very rapid erosion of the public trust. I respectfully call upon all to admit that we have fallen short of our originally-stated goals, and I fervently hope that we will unite to bring this session to a conclusion now. I emphasize that this Remonstrance is not intended to be political. It is a sincere appeal for unity to accomplish all that is possible for the citizens of this state within a restricted time frame.

"Sec. 20. Section 1, chapter 5, Laws of 1965 and RCW 43.99.010 are each amended to read as follows:

Washington is uniquely endowed with fresh and salt waters rich in scenic and recreational value. This outdoor heritage enriches the lives of citizens, attracts new residents and businesses to the state, and is a major support of its expanding tourist industry. Rising population, increased income and leisure time, and the rapid growth of boating and other water sports have greatly increased the demand for water related recreation, while waterfront land is rapidly rising in value and disappearing from public use. There is consequently an urgent need for the acquisition or improvement of waterfront land on fresh and salt water suitable for marine recreational use by Washington residents and visitors. To meet this need, it is necessary and proper that the portion of motor vehicle fuel taxes paid by boat owners and operators on fuel consumed in their watercraft (and not reclaimed as presently provided by law) should be expended for the acquisition or improvement of marine recreation land on the Pacific Ocean, Puget Sound, bays, lakes, rivers, reservoirs and other fresh and salt waters of the state.

Sec. 21. Section 2, chapter 5, Laws of 1965 as amended by section 1, chapter 56, Laws of 1972 ex. sess. and RCW 43.99.020 are each amended to read as follows:

From time to time, but at least once each biennium, the director of motor vehicles, after taking into account past and anticipated claims for refunds from and deposits to the marine fuel tax refund account (and the costs of carrying out the provisions of RCW 43.99.030), shall request the state treasurer to transfer to the outdoor recreation account such of the moneys in the marine fuel tax refund account as shall not be required for payment of such refund claims ((or costs)), and the state treasurer shall make such transfer.

Every person who imports motor vehicle fuel into this state for his own use in equipment other than in motor vehicles, watercraft, or commercial marine vessels shall not, for that reason alone, be required to secure a distributor's license or to comply with any of the provisions of this chapter imposed upon a distributor or with the provisions of RCW 82.36.100; but such person shall make a report verified under oath and file the same with the department on or before the tenth day of the succeeding month, showing the number of gallons of motor vehicle fuel so imported and the number of gallons of such motor vehicle fuel used during the preceding month, the name of the person from whom the motor vehicle fuel was purchased, the date of purchase, the place of storage, and the manner of use or intended use together with a description of the equipment in which the same is used. These reports shall be filed upon forms furnished by the department. PROVIDED, That any person coming into this state by aircraft (or motor boat), watercraft, or commercial marine vessel shall not be required to make such a report (im) with respect to any motor vehicle fuel carried in the fuel tanks of such vehicle for the purpose of propelling such vehicle, and every person coming into this state in a motor vehicle or watercraft who shall transport in the fuel tanks of such vehicle motor vehicle fuel for the propulsion thereof shall be subject to all the provisions of the motor vehicle fuel importer use tax act applying to taxation of fuel in vehicles coming into this state, but if the motor vehicle fuel so brought into the state be removed from the fuel tanks of such vehicles or used for any purpose other than the propulsion of the vehicles, the person so founding or charter sport fishing;
Any person who uses any motor vehicle fuel for the purpose of operating any internal combustion engine not used on or in conjunction with (1) any motor vehicle licensed to be operated over and along any of the public highways, or (2) watercraft, and as the motive power thereof, upon which motor vehicle fuel excise tax has been paid, shall be entitled to and shall receive a refund of the amount of the motor vehicle fuel excise tax paid on each gallon of motor vehicle fuel so used, whether such motor vehicle excise tax has been paid either directly to the vendor from whom the motor vehicle fuel was purchased or indirectly by adding the amount of such excise tax to the price of such fuel. No refund shall be made for motor vehicle fuel consumed by any motor vehicle (as herein defined), that is required to be registered and licensed as provided in chapter 46.16 RCW, or for motor vehicle fuel consumed by any watercraft, as herein defined (and is operated over and along any public highway), except that a refund shall be allowed for motor vehicle fuel consumed: (1) In a motor vehicle owned by the United States that is operated off the public highways for official use; (2) By auxiliary equipment not used for motive power, provided such consumption is accurately measured by a metering device that has been specifically approved by the department or is established by either of the following formulas:

(a) For fuel used in pumping fuel or heating oils by a power take-off unit on a delivery truck, refund shall be allowed claimant for tax paid on fuel purchased at the rate of three-fourths of one gallon for each one thousand gallons of fuel delivered: PROVIDED, That claimant when presenting his claim to the department in accordance with the provisions of this chapter, shall provide to said claim, invoices of fuel oil delivered, or such other appropriate information as may be required by the department to substantiate his claim; or

(b) For fuel used in operating a power take-off unit on a cement mixer truck or load compactor on a garbage truck, claimant shall be allowed a refund of twenty-five percent of the tax paid on all fuel used in such a truck.

Sec. 26. Section 82.36.320, chapter 15, Laws of 1961 and RCW 82.36.320 are each amended to read as follows:

Any person claiming refund on motor vehicle fuel used other than in motor vehicles or watercraft as herein provided, and any person purchasing motor vehicle fuel from a dealer who is claiming refund on account of the sale of such fuel under RCW 82.36.305, may be required by the (director) department to also furnish information regarding the amount of motor vehicle fuel purchased from other sources or for other purposes during the period reported for which no refund is claimed.

Sec. 27. Section 82.36.330, chapter 15, Laws of 1961 as last amended by section 9, chapter 180, Laws of 1971 ex. sess. and RCW 82.36.330 are each amended to read as follows:

Upon (the) approval (of) by the (director) department of the claim for refund, the state treasurer shall draw a warrant upon the state treasury for the amount of the claim in favor of the person making such claim and the warrant shall be paid from the excise tax collected on motor vehicle fuel: PROVIDED, That the state treasurer shall deduct from each commercial marine use refund claim an amount equivalent to (one) the four tenths of a cent per gallon (and shall deposit the same) deposited in the coastal protection fund created by RCW 90.48.390. Applications for refunds of excise tax shall be filed in the office of the (director) department not later than the close of the last business day of a period thirteen months from the date of purchase of such motor vehicle fuel, and if not filed within this period the right to refund shall be forever barred, except that such limitation shall not apply to claims for loss or destruction of motor vehicle fuel as provided by the provisions of RCW 82.36.370. Any person or the member of any firm or the officer or agent of any corporation who makes any false statement in any claim required for the refund of excise tax, as provided in this chapter, or who collects or causes to be repaid to him or to any other person any such refund without being entitled to the same under the provisions of this chapter shall be guilty of a gross misdemeanor.

Sec. 28. Section 82.36.340, chapter 15, Laws of 1961 and RCW 82.36.340 are each amended to read as follows:

The (director) department may in order to establish the validity of any claim for refund require the claimant((i) or (in the case of a dealer filing a claim for refund as provided by RCW 82.36.305,)) the person to whom such fuel was sold, to furnish such additional proof of the validity of the claim as the (director) department may determine, and may examine the books and records of the claimant or said person to whom the fuel was sold for such purpose. The records shall be sufficient to substantiate the accuracy of the claim and shall be in such form and contain such information as the (director) department may require. The failure to maintain such records or to accede to a demand for an examination of such records may be deemed by the (director) department as sufficient cause for denial of all right to the refund claimed on account of the transaction in question.

with the state treasurer to the credit of the fund and may be invested in such manner as is provided for by law. Interest received on such investment shall be credited to the fund.

MAJORITY recommendation: Do pass with the following amendments:

Beginning on page 1, strike everything after the enacting clause and insert the following:

"Section 1. Section 82.36.010, chapter 15, Laws of 1961 as last amended by section 1, chapter 156, Laws of 1971 ex. sess. and RCW 82.36.010 are each amended to read as follows:

For the purposes of this chapter:

(1) 'Motor vehicle' means every vehicle which is in itself a self-propelled unit, equipped with solid rubber, hollow-cushion rubber or pneumatic rubber tires and capable of being moved or operated upon a
Public highway, except motor vehicles used as motive power for or in conjunction with farm implements and machines or implements of husbandry;

(13) 'Bulk storage plant' means, pursuant to the licensing provisions of RCW 82.36.070, any plant, under the control of the distributor, used for the storage of motor vehicle fuel to which no retail outlets are directly connected by pipe lines;

(14) 'Marine fuel dealer' means any person engaged in the retail sale of liquid motor vehicle fuel whose place of business and or sale outlet is located upon a navigable waterway;

(15) 'Weighted average retail sales price of motor vehicle fuel' means the average retail sales price including any federal excise tax of the several grades of motor vehicle fuel (other than special fuels taxed pursuant to chapter 82.38 RCW) sold by service stations throughout the state (less any state excise taxes on the sale, distribution, or use thereof) weighted to reflect the quantities sold at each different price.

Sec. 2. Section 1, chapter 28, Laws of 1974 ex. sess. and RCW 82.36.020 are each amended to read as follows:

Every distributor shall pay, in addition to any other taxes provided by law, an excise tax to the director (of nine cents) at a rate computed in the manner provided in section 3 of this 1975 amendatory act for each gallon of motor vehicle fuel sold, distributed, or used by him in the state as well as on each gallon upon which he has assumed liability for payment of the tax under the provisions of RCW 82.36.100: PROVIDED, That under such regulations as the director may prescribe sales or distribution of motor vehicle fuel for delivery to others, to retail service stations, or to unlicensed bulk storage plants.

The proceeds of the (nine cents) motor vehicle fuel excise tax collected on the net gallonage after the deductions provided for herein and after the deductions for refunds and costs of collection as provided in RCW 46.68.090 shall be distributed as (follows):

(1) Six and seven-eighths cents shall be distributed between the state, cities, counties, and Puget Sound ferry operations account in the motor vehicle fund under the provisions of RCW 46.68.090 and 46.68.100 as now or hereafter amended.

(2) Five-eighths of one-cent shall be distributed to the state and expended pursuant to RCW 46.68.460.

(3) Five-eighths of one-cent shall be paid into the motor vehicle fund and credited to the urban arterial trust account created by RCW 47.26.090.

(4) Three-eighths of one-cent shall be paid into the motor vehicle fund and credited to the Puget Sound reserve account created by RCW 47.60.350.

(5) One-half cent shall be distributed to the cities and towns directly and allocated between them as provided by RCW 46.68.110, subject to the provisions of RCW 35.76.050: PROVIDED, That the funds distributed to a city or town which are attributable to such one-half cent of the additional tax imposed by
section, then in such event, the department shall increase the rate of the excise tax by one-half cent annually for each year which has elapsed from June 30, 1973, to June 30 of the fiscal year for which estimated aggregate motor vehicle fuel tax revenues are less than an amount equal to the aggregate motor vehicle fuel tax revenues for such fiscal year as great as such revenues collected during the 1973 fiscal year increased by five percent per year compounded annually.

Then, the department shall determine the weighted average retail sales price of motor vehicle fuel, per gallon, sold within the state in the last month of the fiscal quarter in which the department computes the excise tax rate. The department shall estimate the total aggregate motor vehicle fuel tax revenues for such fiscal year shall include those revenues which have accrued to the motor vehicle fund for the quarter or quarters of the biennium that have then elapsed plus revenues which the department determines will accrue during the remaining fiscal quarters of the biennium, assuming the sale, distribution, and use of motor vehicle fuel and special motor vehicle fuel as last determined by the department of motor vehicles.

The estimated total aggregate motor vehicle fuel tax revenues for such fiscal year shall be at the same level as during the fiscal quarter just ended, adjusted however for historic variations in collections according to quarterly period and for projected trends, and at the weighted average retail sales price of motor vehicle fuel as last determined by the department of motor vehicles. The estimated total of all other state revenues to accrue to the motor vehicle fund during the biennium shall include those revenues other than motor vehicle fuel tax revenues which have accrued to the motor vehicle fund for the quarter or quarters of the biennium that have then elapsed plus revenues which the office of program planning and fiscal management determines will accrue during the remaining fiscal quarters of the biennium, assuming that collections of such revenues for the remaining fiscal quarters of the biennium shall be at the same level as during the fiscal quarter just ended, adjusted however for historic variations in collections according to quarterly period and for projected trends.

(c) If the estimated biennial aggregate motor vehicle fuel tax revenues as computed in paragraph (b) of this subsection, exceed the total of all appropriations and transfers of state revenues from the motor vehicle fund for the biennium (less the estimated total of all state revenues other than motor vehicle fuel tax revenues which will accrue to the motor vehicle fund during the biennium as computed in paragraph (b) of this subsection) by more than two percent thereof, the rate of the motor vehicle fuel tax shall be reduced by one-half cent increments, commencing in the ensuing fiscal quarter, as necessary to reduce such estimated aggregate motor vehicle fuel tax revenues and the total of all other state revenues which will accrue to the motor vehicle fund during the biennium. The estimated total aggregate motor vehicle fuel tax revenues for such fiscal year shall include those revenues which have accrued to the motor vehicle fund for the quarter or quarters of the biennium that have then elapsed plus revenues which the department determines will accrue during the remaining fiscal quarters of the biennium, assuming the sale, distribution, and use of motor vehicle fuel and special motor vehicle fuel as last determined by the department of motor vehicles. The estimated total aggregate motor vehicle fuel tax revenues for such fiscal year shall be at the same level as during the fiscal quarter just ended, adjusted however for historic variations in collections according to quarterly period and for projected trends.

(d) Each quarter at the time the department of motor vehicles computes the excise tax rate for the ensuing fiscal quarter of a fiscal year, the department shall estimate the total aggregate motor vehicle fuel tax revenues which will accrue to the motor vehicle fund during such fiscal year. The estimated total aggregate motor vehicle fuel tax revenues for such fiscal year shall include those revenues which have accrued to the motor vehicle fund for the quarter or quarters of the fiscal year that have then elapsed plus revenues which the department determines will accrue during the remaining fiscal quarters of such fiscal year, assuming the sale, distribution, and use of motor vehicle fuel and special motor vehicle fuel as last determined by the department of motor vehicles. The estimated total aggregate motor vehicle fuel tax revenues for such fiscal year shall be at the same level as during the fiscal quarter last ended, adjusted however for the historic variations in sales, distribution and use according to quarterly period and for projected trends, and at the weighted average retail sales price of motor vehicle fuel as last determined by the department of motor vehicles. The estimated total aggregate motor vehicle fuel tax revenues for the biennium shall include those revenues other than motor vehicle fuel tax revenues which have accrued to the motor vehicle fund for the quarter or quarters of the biennium that have then elapsed plus revenues which the office of program planning and fiscal management determines will accrue during the remaining fiscal quarters of the biennium, assuming that collections of such revenues for the remaining fiscal quarters of the biennium shall be at the same level as during the fiscal quarter just ended, adjusted however for historic variations in collections according to quarterly period and for projected trends.

(e) Notwithstanding the provisions of subsections (1), (2) and (3) of this section the excise tax rate for any fiscal quarter shall not exceed nine cents a gallon nor less than the rate as computed in paragraphs (a) and (c) of this subsection.

(f) Each quarter at the time the department of motor vehicles computes the excise tax rate for the ensuing fiscal quarter of a fiscal year, the department shall estimate the total aggregate motor vehicle fuel tax revenues which will accrue to the motor vehicle fund during such fiscal year. The estimated total aggregate motor vehicle fuel tax revenues for such fiscal year shall include those revenues which have accrued to the motor vehicle fund for the quarter or quarters of the fiscal year that have then elapsed plus revenues which the department determines will accrue during the remaining fiscal quarters of such fiscal year, assuming the sale, distribution, and use of motor vehicle fuel and special motor vehicle fuel as last determined by the department of motor vehicles. The estimated total aggregate motor vehicle fuel tax revenues for such fiscal year shall be at the same level as during the fiscal quarter last ended, adjusted however for the historic variations in sales, distribution and use according to quarterly period and for projected trends, and further assuming the same weighted average retail sales price of motor vehicle fuel as last determined by the department of motor vehicles.
increased by five percent per year compounded annually from June 30, 1973, to June 30 of the fiscal year for which such minimum quarterly tax rate is being computed.

(5) Notwithstanding the provisions of subsections (1) through (4) of this section, the department of motor vehicles in making the quarterly computations for the biennium ending June 30, 1977, shall increase or decrease the excise tax rate by one-half cent increments commencing in each ensuing fiscal quarter as necessary to produce total revenues computed in the manner provided in subsection (3)(b) of this section which most closely approximate, but do not exceed one hundred and two percent of, the total of all appropriations and transfers of state revenues from the motor vehicle fund for the biennium.

(6) Notwithstanding the provisions of subsections (1), (2), and (4) of this section, the excise tax rate for any fiscal quarter shall not be less than the excise tax rate for the preceding quarter, except as provided in subsection (3) of this section.

(7) As used in subsection (3) of this section the phrase 'total of all other state revenues which will accrue to the motor vehicle fund' shall include revenues in the motor vehicle fund balance as of the end of the prior biennium as certified by the state treasurer, less an appropriate minimum balance for the biennium as determined by the office of program planning and fiscal management and the proceeds of the sale of bonds but shall not include reimbursements to the motor vehicle fund for services performed by the department of highways for others.

(8)(a) Except as otherwise provided in subparagraph (b) of this subsection, if the department of highways receives notification that unanticipated federal funds of any category in excess of one million dollars will be received for expenditure during a biennium, the highway commission shall give notice of the amount of such unanticipated funds to the department of motor vehicles which shall include such amount in the computation of the estimated total of all other state revenues to accrue during the biennium under subparagraph (b) of subsection (3) of this section for purposes of computing the rate of motor vehicle fuel tax as provided in this section.

(b) Upon receipt by the department of highways of notification that unanticipated federal funds of any category in excess of one million dollars will be received for expenditure during a biennium, if the highway commission determines that such funds may not legally or operationally be substituted for purposes for which state motor vehicle fund moneys have been appropriated, or determines that substitution of such federal funds for state funds would delay the construction of needed highway improvements, the highway commission shall forthwith notify the governor and the standing committees on transportation and utilities of the house and senate of its determination. If both the governor and the standing committees concur in the commission's determination, the unanticipated federal funds shall not be considered by the department of motor vehicles in computing the estimated total of all other state revenues to accrue during the biennium under subparagraph (b) of subsection (3) of this section.

(9) As used in this section the phrase 'aggregate motor vehicle fuel tax revenues' shall mean the amount of excise taxes to be paid by distributors, retailers and users pursuant to chapters 82.36, 82.37 and 82.38 RCW, as now or hereafter amended, for any designated fiscal period, whether or not such amounts are actually received by the department of motor vehicles. The phrase does not include fines or penalties assessed for violations.

NEW SECTION. Sec. 4. There is added to chapter 82.36 RCW a new section to read as follows:

The variable motor fuel tax rates imposed by section 3 of this act, the revenues produced thereby, and their effect upon the motor vehicle fuel tax consumers of the state of Washington shall be reviewed by the transportation and utilities committees of the house of representatives and of the senate of the Washington state legislature during the interim between the adjournment of the 44th session and the ensuing 45th session of the legislature. The committees shall report their findings and recommendations for changes, if any, to the 45th session of the legislature.

Sec. 5. Section 46.68.090, chapter 12, Laws of 1961 as last amended by section 74, chapter 32, Laws of 1967 and RCW 46.68.090 are each amended to read as follows:

All moneys which have accrued or may accrue to the motor vehicle fund from the motor vehicle fuel tax and (tense) special fuel tax shall be first expended for the following purposes:

(1) For payment of refunds of motor vehicle fuel tax and (tense) special fuel tax which has been paid and is refundable as provided by law;

(2) For payment of amounts to be expended pursuant to appropriations for the administrative expenses of the offices of state treasurer, state auditor and the department of motor vehicles of the state of Washington in the administration of the motor vehicle fuel tax and the (tense) special fuel tax, said sums to be distributed monthly.

(3) For payment of the state's share of amounts to be expended pursuant to specific project appropriations for the design, right of way, and construction of projects on the state highway system for the biennium ending June 30, 1977, and the state's share of any appropriations in subsequent bienniums to complete such projects.

The amount accruing to the motor vehicle fund by virtue of the motor vehicle fuel tax and the (tense) special fuel tax and remaining after payments as provided in subsections (1) (and), (2) and (3) above shall, for the purposes of this chapter, be referred to as the 'net tax amount.'

Sec. 6. Section 82.36.100, chapter 15, Laws of 1961 as last amended by section 3, chapter 83, Laws of 1967 ex. sess. and RCW 82.36.100 are each amended to read as follows:

Every person other than a distributor who acquires any motor vehicle fuel within this state upon which payment of tax is required under the provisions of this chapter, or imports such motor vehicle fuel into this state and sells, distributes, or in any manner uses it in this state shall, if the tax has not been paid, apply for
a license to carry on such activities, file bond, make reports, comply with all regulations the director may prescribe in respect thereto, and pay (a) an excise tax ((of nine cents)) at the rate computed in the manner provided in section 3 of this 1975 amendatory act for each gallon thereof so sold, distributed, or used during the fiscal quarter for which such rate is applicable in the manner provided for distributors, and the director shall issue a license to such person in the manner provided for issuance of licenses to distributors.

The proceeds of the tax imposed by this section shall be distributed in the manner provided for the distribution of the motor vehicle fuel excise tax in RCW 82.36.020. However, a distributor licensed under the provisions of this chapter may deliver motor vehicle fuel to an importer in individual quantities of five hundred gallons or less and assume the liability for payment of the tax to this state. Under such conditions, the importer shall be exempt from the requirements of this section. For failure to comply with the terms of this chapter such person shall be subject to the same penalties imposed upon distributors. The director shall pursue against such persons the same procedure and remedies for audits, adjustments, collection, and enforcement of this chapter as is provided with respect to distributors. Nothing herein shall be construed as classifying such persons as distributors.

of the county which could not be reasonably expected to benefit from such benefit area or excludes por­tions
may by resolution, upon making a legislative finding that the proposed benefit area includes portions
of the county which could be reasonably expected to benefit from its creation, disapprove and termi­
nate the establishment of such public transportation benefit area within such county.

Second hearing shall be held and notice given in the same manner as for the original hearing. The confer­
considered at such time and place. At such hearing or any continuation thereof, any interested person may
appear and be heard on all matters relating to the effect of the formation of the proposed public transpor­
tation benefit area. The conference shall adjourn the hearing on the formation of a public transportation benefit area.

The conference may make such changes in the boundaries of the public transportation benefit area as
they shall deem reasonable and proper, but may not delete any portion of the proposed area which will
create an island of included or excluded lands, and may not delete a portion of any city. If the conference
shall determine that any additional territory should be included in the public transportation benefit area, a
second hearing shall be held and notice given in the same manner as for the original hearing. The confer­
ce may adjourn the hearing on the formation of a public transportation benefit area from time to time
not exceeding thirty days in all.

At the next regular meeting following the conclusion of such hearing the conference shall adopt a res­
olution fixing the boundaries of the proposed public transportation benefit area, declaring that the forma­tion of the proposed public transportation benefit area will be conducive to the welfare and benefit of the persons and property therein.

Within thirty days of the adoption of such conference resolution, the county legislative authority of
each county wherein a conference has established proposed boundaries of a public transportation benefit area,
may by resolution, upon making a legislative finding that the proposed benefit area includes portions of
the county which could not be reasonably expected to benefit from such benefit area or excludes por­tions of the county which could be reasonably expected to benefit from its creation, disapprove and termi­nate the establishment of such public transportation benefit area within such county.

NEW SECTION. Sec. 14. At the time of its formation no public transportation benefit area shall
include only a part of any city, and every city shall be either wholly included or wholly excluded from the
boundaries of such area. If subsequent to the formation of a public transportation benefit area a part only
of any city shall be included within the boundaries of a public transportation benefit area such part shall
be deemed to be 'unincorporated' for the purpose of selecting a member of the governing authority pursuant to section 16 of this amendatory act.

The boundaries of any public transportation benefit area shall follow school district lines or election precinct lines, as far as practicable. Only such areas shall be included which the conference determines could reasonably benefit from the provision of public transportation services. Only one public transportation benefit area may be created in any county.

NEW SECTION. Sec. 15. Within sixty days of the establishment of the boundaries of the public transportation benefit area the county commissioners and elected representatives of cities within the area shall provide for the selection of the governing body of such area, the public transportation benefit area authority, which shall consist of elected officials selected by and serving at the pleasure of the governing bodies of component cities within the area and the county commissioners of each county within the area.

Within such sixty day period, the legislative body of any city may by resolution of its legislative body withdraw from participation in the public transportation benefit area. The county legislative authority and each city remaining in the public transportation benefit area may disapprove and prevent the establishment of any governing body of a public transportation benefit area if the composition thereof does not meet its approval.

In no case shall the governing body of a single county public transportation benefit area be greater than nine members and in the case of a multi-county area, fifteen members. Those cities within the transportation benefit area and excluded from direct membership on the authority are hereby authorized to designate a member of the authority who shall be entitled to represent the interests of such city which is excluded from direct membership on the authority. The legislative body of such city shall notify the authority as to the determination of its authorized representative on the authority.

Any member of the authority who is an elected official and whose office is not a full time position shall receive forty dollars for each day attending official meetings of the authority.

NEW SECTION. Sec. 16. The public transportation benefit area authority authorized pursuant to section 15 of this amendatory act shall develop a comprehensive transit plan for the area. Such plan shall include, but not be limited to the following elements:

1. The levels of transit service that can be reasonably provided for various portions of the benefit area.
2. The funding requirements, including local tax sources, state and federal funds, necessary to provide various levels of service within the area.
3. The impact of such a transportation program on other transit systems operating within that county or adjacent counties.
4. The future enlargement of the benefit area or the consolidation of such benefit area with other transit systems.

NEW SECTION. Sec. 17. The comprehensive transit plan adopted by the authority shall be reviewed by the state transportation commission, and if such commission does not exist, by the planning and community affairs agency or its successor to determine:

1. The completeness of service to be offered and the economic viability of the transit system proposed in such comprehensive transit plan;
2. Whether such plan integrates the proposed transportation system with existing transportation modes and systems that serve the benefit area;
3. Whether such plan coordinates that area's system and service with nearby public transportation systems;
4. Whether such plan is eligible for matching state or federal funds.

After reviewing the comprehensive transit plan, the state transportation commission, and if such does not exist, the planning and community affairs agency or its successor shall have sixty days in which to approve such plan and to certify to the state treasurer that such public transportation benefit area shall be eligible to receive the motor vehicle excise tax proceeds authorized pursuant to RCW 35.58.273, as now or hereafter amended in the manner prescribed by chapter 82.44 RCW, as now or hereafter amended. To be approved a plan shall provide for coordinated transportation planning, the integration of such proposed transportation program with other transportation systems operating in areas adjacent to, or in the vicinity of the proposed public transportation benefit area, and be consistent with the public transportation coordination criteria adopted pursuant to the urban mass transportation act of 1964 as amended as of the effective date of this 1975 amendatory act. In the event such comprehensive plan is disapproved and ruled ineligible to receive motor vehicle tax proceeds, the state transportation commission, and if such does not exist, the planning and community affairs agency or its successor, shall provide written notice to the authority within thirty days as to the reasons for such plan's disapproval and such ineligibility. The authority may resubmit such plan upon reconsideration and correction of such deficiencies in the plan cited in such notice of disapproval.

NEW SECTION. Sec. 18. In addition to the powers specifically granted by this chapter a public transportation benefit area shall have all powers which are necessary to carry out the purposes of the public transportation benefit area. A public transportation benefit area may contract with the United States or any agency thereof, any state or agency thereof, any other public transportation benefit area, any county, city, metropolitan municipal corporation, special district, or governmental agency, within or without the state, and any private person, firm or corporation for the purpose of receiving gifts or grants or securing loans or advances for preliminary planning and feasibility studies, or for the design, construction or operation of transportation facilities. In addition a public transportation benefit area may contract with any
governmental agency or with any private person, firm or corporation for the use by either contracting party of all or any part of the facilities, structures, lands, interests in lands, air rights over lands and rights of way of all kinds which are owned, leased or held by the other party and for the purpose of planning, constructing or operating any facility or performing any service which the public transportation benefit area may be authorized to operate or perform, on such terms as may be agreed upon by the contracting parties. Before any contract for the lease or operation of any public transportation benefit area facilities shall be let to any private person, firm or corporation, a general schedule of rental rates for bus equipment with or without drivers shall be publicly posted applicable to all private certificated carriers, and for other facilities competitive bids shall first be called upon such notice, bidder qualifications and bid conditions as the public transportation benefit area authority shall determine.

A public transportation benefit area may sue and be sued in its corporate capacity in all courts and in all proceedings.

NEW SECTION. Sec. 19. A public transportation benefit area authority shall have the following powers in addition to the general powers granted by this chapter:

(1) To prepare, adopt and carry out a general comprehensive plan for public transportation service which will best serve the residents of the public transportation benefit area and to amend said plan from time to time to meet changed conditions and requirements.

(2) To acquire by purchase, condemnation, gift or grant and to lease, construct, add to, improve, replace, repair, maintain, operate and regulate the use of transportation facilities and properties within or without the public transportation benefit area or the state, including systems of surface, underground or overhead railways, trams, buses, or any other means of local transportation except taxis, and including escalators, moving sidewalks or other people-moving systems, passenger terminal and parking facilities and properties and such other facilities and properties as may be necessary for passenger and vehicular access to and from such people-moving systems, terminal and parking facilities and properties, together with all lands, rights of way, property, equipment and accessories necessary for such systems and facilities. Public transportation facilities and properties which are owned by any city may be acquired or used by the public transportation benefit area authority only with the consent of the city council of the city owning such facilities. Cities are hereby authorized to convey or lease such facilities to a public transportation benefit area authority or to contract for their joint use on such terms as may be fixed by agreement between the city council of such city and the public transportation benefit area authority, without submitting the matter to the voters of such city.

The facilities and properties of a public transportation benefit area system whose vehicles will operate primarily within the rights of way of public streets, roads or highways, may be acquired, developed and operated without the corridor and design hearings which are required by RCW 35.58.273, as now or hereafter amended, for mass transit facilities operating on a separate right of way.

(3) To fix rates, tolls, fares and charges for the use of such facilities and to establish various routes and classes of service.

In the event any public transportation benefit area shall extend its public transportation services to any area of service already offered by any company holding a certificate of public convenience and necessity from the Washington utilities and transportation commission, under RCW 81.68.040 it shall by purchase or condemnation acquire at the fair market value, from the person holding the existing certificate for providing the services, that portion of the operating authority and equipment representing the services within the area of public operation.

NEW SECTION. Sec. 20. Except in accordance with an agreement made as provided in this section, upon the effective date on which the public transportation benefit area commences to perform the public transportation service, no person or private corporation shall operate a local public passenger transportation service within the public transportation benefit area with the exception of taxis, buses owned or operated by a school district or private school, and buses owned or operated by any corporation or organization solely for the purposes of the corporation or organization and for the use of which no fee or fare is charged.

An agreement may be entered into between the public transportation benefit area authority and any person or corporation legally operating a local public passenger transportation service wholly within or partly within and partly without the public transportation benefit area and on said effective date under which such person or corporation may continue to operate such service or any part thereof for such time and upon such terms and conditions as provided in such agreement. Where any such local public passenger transportation service will be required to cease to operate within the public transportation benefit area, the public transportation benefit area authority may agree with the owner of such service to purchase the assets used in providing such service, or if no agreement can be reached, the public transportation benefit area authority shall condemn such assets in the manner and by the same procedure as is or may be provided by law for the condemnation of other properties for cities of the first class, except insofar as such laws may be inconsistent with the provisions of this chapter.

Wherever a privately owned public carrier operates wholly or partly within a public transportation benefit area, the Washington utilities and transportation commission shall continue to exercise jurisdiction over such operation as provided by law.

NEW SECTION. Sec. 21. The public transportation benefit area shall have and exercise all rights with respect to the construction, acquisition, maintenance, operation, extension, alteration, repair, control and management of passenger transportation which any component city shall have been previously empowered to exercise and such powers shall not thereafter be exercised by such component cities without the consent
of the public transportation benefit area: PROVIDED, That any city owning and operating a public transportation system on such effective date of this chapter may continue to operate such system within such city until such system shall have been acquired by the public transportation benefit area and a public transportation benefit area may not acquire such system without the consent of the city council of such city.

NEW SECTION. Sec. 22. If a public transportation benefit area shall acquire any existing transportation system, it shall assume and observe all existing labor contracts relating to such system and, to the extent necessary for operation of facilities, all of the employees of such acquired transportation system whose duties are necessary to operate efficiently the facilities acquired shall be appointed to comparable positions to those which they held at the time of such transfer, and no employee or retired or pensioned employee of such systems shall be placed in any worse position with respect to pension seniority, wages, sick leave, vacation or other benefits that he enjoyed as an employee of such system prior to such acquisition. The public transportation benefit area authority shall engage in collective bargaining with the duly appointed representatives of any employee labor organization having existing contracts with the acquired transportation system and may enter into labor contracts with such employee labor organization.

NEW SECTION. Sec. 23. Each public transportation benefit area authority shall establish a fund to be designated as the 'transportation fund', in which shall be placed all sums received by the authority from any source except the proceeds of bonds issued by the authority, and out of which shall be expended all sums disbursed by the authority unless otherwise provided in bond covenants. The county treasurer, or in the case of a multi-county public transportation benefit area, the county treasurer of the largest component county, shall be the custodian of the fund. The county auditor of such county shall keep the record of the receipts and disbursements, and shall draw and such county treasurer shall honor and pay all warrants, which shall be approved before issuance and payment as directed by the authority.

The county or counties and each city or town which is included in the authority shall contribute such sums towards the expense for maintaining and operating the public transportation system as shall be agreed upon between them.

NEW SECTION. Sec. 24. (1) An election to authorize the annexation of territory contiguous to a public transportation benefit area may be called within the area to be annexed pursuant to resolution or petition in the following manner:

(a) By resolution of a public transportation benefit area authority when it shall determine that the best interests and general welfare of such public transportation benefit area would be served. Such authority shall consider the question of areas to be annexed to the public transportation benefit area at least once every two years.

(b) By petition calling for such an election signed by at least four percent of the qualified voters residing within the area to be annexed and filed with the auditor of the county wherein the largest portion of the public transportation benefit area is located, and notice thereof shall be given to such authority. Upon receipt of such a petition, the auditor shall examine the same and certify to the sufficiency of the signatures thereto.

(c) By resolution of a public transportation benefit area authority upon request of any city for annexation thereto.

(2) The resolution or petition shall describe the boundaries of the area to be annexed. It shall require that there also be submitted to the electorate of the territory sought to be annexed a proposition authorizing the inclusion of such area within the public transportation benefit area and authorizing the imposition of such taxes authorized by law to be collected by the authority.

(3) Upon the annexation of additional area to a public transportation benefit area, the authority of the public transportation benefit area shall be reconstituted within sixty days in accordance with the provisions of section 15 of this amendatory act.

NEW SECTION. Sec. 25. Counties that have established a county transportation authority pursuant to chapter 36.57 RCW and public transportation benefit areas that have been established pursuant to this chapter are eligible to receive a one-time advanced financial support payment from the state to assist in the development of the initial comprehensive transit plan required by RCW 36.57.070 and section 16 of this amendatory act. The amount of this support payment is established at one dollar per person residing within each county or public transportation benefit area, as determined by the office of program planning and fiscal management, but no single payment shall exceed $50,000. Repayment of an advanced financial support payment shall be made to the public transportation account in the general fund or, if such account does not exist, to the general fund by each agency within two years of the date such advanced payment was received. Such repayment shall be waived within two years of the date such advanced payment was received if the voters in the appropriate counties or public transportation benefit areas do not elect to levy and collect taxes enabled under authority of this 1975 amendatory act. The state department of transportation or, if such department does not exist, the planning and community affairs agency shall provide technical assistance in the preparation of local transit plans, and administer the advanced financial support payments authorized by this section.

Local authorities with respect to public highways under their jurisdiction may prohibit the operation thereon of motor trucks or other vehicles or may impose limits as to the weight thereof, or any other restrictions as may be deemed necessary, whenever such public highways, including load, exceed twenty-two thousand pounds on a single axle or forty-three thousand pounds on any group of axles having a wheelbase between the first and last axle thereof less than ten feet.

No overweight permit shall be issued to any vehicle or combination of vehicles unless such vehicle or combination of vehicles is licensed for the maximum gross weight allowed by law.

No special permit shall be issued for movement on any primary or secondary state highway or route of any state primary or secondary highway within the limits of any city or town where the gross weight, including load, exceeds twenty-two thousand pounds on a single axle or forty-three thousand pounds on any group of axles having a wheelbase between the first and last axle thereof less than ten feet:
provided. That the weight limitations pertaining to single axles may be exceeded to permit the movement of equipment operating upon single pneumatic tires having a rim width of twenty inches or more and a rim diameter of twenty-four inches or more: provided further, that permits may be issued for weights in excess of the preceding limitations on highways or sections of highways which have been designed and constructed for weights in excess of such limitations; or these limitations may be rescinded when certification is made by military officials or by officials of public or private power facilities, when (in the opinion of the department of transportation), the department of transportation, pursuant to general rules adopted by the transportation commission, determines that such movement or action is a necessary movement or action: provided further, that the structures and highway surfaces on the routes involved are determined to be capable of sustaining weights in excess of such limitations. Application shall be made in writing on special forms provided by the transportation commission and shall be submitted at least thirty-six hours in advance of the proposed movement.

Sec. 33. Section 46.44.092, chapter 12, Laws of 1961 as last amended by section 1, chapter 9, Laws of 1970 ex. ses. and RCW 46.44.092 are each amended to read as follows:

No special permit shall be issued for movement on any two lane state highway outside the limits of any city or town where the overall width of load exceeds fourteen feet, or on any multiple lane state highway where the overall width of load exceeds thirty-two feet; except that on multiple lane state highways where a physical barrier serving as a median divider separates the approaching and opposing traffic lanes, no special permit shall be issued for weight in excess of twenty feet: provided, that (1) these weight limitations may be exceeded on state highways where the latest available traffic figures show that the highway or section of highway carries less than one hundred vehicles per day: provided further, that in the case of buildings, the limitations referred to in this section for movement on any two lane state highway other than the national system of interstate and defense highways may be exceeded under the following conditions: (a) Uninterrupted vehicular traffic shall be maintained in one direction at all times; (b) maximum distance of movement shall not exceed five miles; additional contiguous permits shall not be issued to exceed the five-mile limit: provided, that when (in the opinion of the department of transportation) the department of transportation, pursuant to general rules adopted by the transportation commission, determines that a hardship would result, this limitation may be exceeded upon approval of the transportation commission; (c) prior to issuing a permit a qualified transportation department employee shall make a visual inspection of the building and route involved determining that the conditions listed herein shall be complied with and that structures or overhead obstructions may be cleared or moved in order to maintain a constant and uninterrupted movement; (d) special escort or other precautions may be imposed to assure movement is made under the safest possible conditions, and the Washington state patrol shall be advised when and where the movement is to be made; (2) permits may be issued for weights of vehicles in excess of the preceding limitations on highways or sections of highways which have been designed and constructed for weight in excess of such limitations; (3) these limitations may be rescinded when certification is made by military officials or by officials of public or private power facilities, when (in the opinion of the department of transportation), the movement or action is a necessary emergency movement or action: provided further, that the structures and highway surfaces on the routes involved are determined to be capable of sustaining weights in excess of such limitation; (4) these limitations shall not apply to farmers moving farm machinery between farms during daylight hours if the movement does not pass along and upon any (primary or secondary) state highway for a distance greater than one hundred miles, if properly patrolled and flagged; (5) these limitations shall not apply to movement during daylight hours on any two lane state highway where the gross weight, including load, does not exceed forty-five thousand pounds and the overall width of load does not exceed sixteen feet: provided, that the minimum and maximum speed of such movements, prescribed routes of such movements, the times of such movements, limitation upon frequency of trips (which limitation shall be not less than one per week), and conditions to assure safety of traffic may be prescribed by the transportation commission of the department of transportation or local authority issuing such special permit.

The applicant for any special permit shall specifically describe the vehicle or vehicles and load to be operated or moved and the particular state highways for which permit to operate is requested and whether such permit is requested for a single trip or for continuous operation.

Sec. 34. Section 46.44.095, chapter 12, Laws of 1961 as last amended by section 1, chapter 76, Laws of 1974 ex. ses. and RCW 46.44.095 are each amended to read as follows:

When fully licensed to the maximum gross weight permitted under RCW 46.44.040, a two-axle truck or a three-axle truck operated as a solo unit and not in combination shall be eligible to carry gross weight in excess of that permitted for such a vehicle in RCW 46.44.040 upon the payment to the transportation department of a fee of thirty dollars for each one thousand pounds of excess weight: provided, that the axle loads of such vehicles shall not exceed the limits specified in RCW 46.44.040 and the tire limits specified in RCW 46.44.042 or the wheelbase requirements specified in RCW 46.44.044.

When fully licensed to a minimum gross weight of seventy-two thousand pounds a three or more axle truck tractor and a three or more axle dromedary truck tractor, and a three or more axle truck, when operating in combination with another vehicle or vehicles (the licensed gross weight of which, if any, shall be included when computing the minimum gross weights set forth above), shall be eligible under special permits to be issued by the transportation department to carry additional gross loads beyond the licensed capacity of the combination of vehicles upon the payment of a fee based
upon thirty dollars per year for each one thousand pounds of such additional gross weight but not to exceed one hundred and twenty dollars for the total additional weight: PROVIDED, That the axle loads of such vehicles shall not exceed the limits specified in RCW 46.44.040 and the tire limits specified in RCW 46.44.042: AND PROVIDED FURTHER, That the gross weight of a three or more axle truck operated in combination with a two or three-axle trailer shall not exceed seventy-six thousand pounds, and the gross weight for a three or more axle truck tractor operated in combination with a semitrailer shall not exceed seventy-three thousand two hundred eighty pounds except where the semitrailer is eligible to carry a gross load of thirty-six thousand pounds pursuant to the provisions of RCW 46.44.040, in which event the maximum gross weight of the combination shall not exceed seventy-six thousand pounds. The minimum additional tonnage to be purchased pursuant to this paragraph for a three or more axle tractor to be operated in combination with a semitrailer shall be not less than one thousand two hundred and eighty pounds. The permits provided for in the two preceding paragraphs shall be known as class A additional tonnage permits.

In addition to the gross weight purchased pursuant to RCW 46.16.070, 46.16.115, 46.44.037, and the foregoing provisions of this section and where, in the case of combinations of vehicles, the maximum gross weight permitted by law, including the preceding provisions of this section, has been purchased, a special permit for additional gross weight may be issued by the (state highway commission) department of transportation upon the payment of thirty-seven dollars and fifty cents per year for each one thousand pounds of such additional gross weight: PROVIDED, The tire limits specified in RCW 46.44.042 shall apply, and the gross weight on any single axle shall not exceed twenty thousand pounds and the gross load on any group of axles shall not exceed the following table:

Permits issued pursuant to the foregoing paragraph shall be known as class B additional tonnage permits.

The special permits provided for in this section shall be issued upon such terms and conditions as may be prescribed by the department pursuant to general rules adopted by the transportation commission. Such special permits shall entitle the permittee to carry such additional load in such an amount and upon such highways or sections of highways as may be determined by the transportation department to be capable of withstanding such increased gross load without undue injury to the highway: PROVIDED, That the permits shall not be valid on any highway where the use of such permits would deprive this state of federal funds for highway purposes.

The annual additional tonnage permits provided for in this section shall commence on the first of January of each year. The permits may be purchased at any time, and if they are purchased for less than a full year, the fee shall be one-twelfth of the full fee multiplied by the number of months, including any fraction thereof, covered by the permit. When the department issues a duplicate permit to replace a lost or destroyed permit and where the department transfers a permit from one vehicle to another a fee of five dollars shall be charged for each such duplicate issued or each such transfer. The department shall issue such special permits on a temporary basis for periods not less than ten days at a fee of one dollar per day in the case of class A permits and not less than five days at two dollars per day in the case of class B permits.

The fees levied in RCW 46.44.094 and this section shall not apply to any vehicles owned and operated by the state of Washington, any county within the state or any city or town or metropolitan municipal corporation within the state, or by the federal government.

In the case of fleets prorating license fees under the provisions of chapter 46.85 RCW the fees provided for in RCW 46.44.037 and 46.44.095 shall be computed by the department of transportation by applying the proportion of the Washington mileage of the fleet in question to the fees that would be required to purchase the additional weight allowance for all eligible vehicles or combinations of vehicles for which the extra weight allowance is requested.

The department shall prorate the fees provided in RCW 46.44.037 and 46.44.095 only if the name of the operator or owner is submitted on official listings of authorized fleet operators furnished by the department of motor vehicles. Listings furnished shall also include the percentage of mileage operated in Washington, which shall be the same percentage as determined by the department of motor vehicles, for purposes of prorating license fees.

Whenever the secretary of transportation shall determine upon the basis of an engineering and traffic investigation that any maximum speed hereinbefore set forth is greater than is reasonable or safe with respect to a state highway under the conditions found to exist at any intersection or upon any other part of the state highway system or at state ferry terminals, or that a general reduction of any maximum speed hereinbefore set forth would aid in the conservation of energy resources, the secretary may determine and declare a reasonable and safe lower maximum limit which will reasonably conserve energy resources, for any state highway, the entire state highway system, or any portion thereof, which shall be effective when appropriate signs giving notice thereof are erected. The secretary may also fix and regulate the speed of vehicles on any...
state highway within the maximum speed limit allowed by this chapter for special occasions including, but not limited to, local parades and other special events. Any such maximum speed limit may be declared to be effective at all times or at such times as are indicated upon the said signs; and differing limits may be established for different times of day, different types of vehicles, varying weather conditions, and other factors bearing on safe speeds, which shall be effective (a) when posted upon appropriate fixed or variable signs or (b) if a maximum limit is established for auto stages which is lower than the limit for automobiles, the auto stage speed limit shall become effective thirty days after written notice thereof is mailed in the manner provided in subsection (4) of RCW 46.61.410, as now or hereafter amended.

Sec. 36. Section 3, chapter 16, Laws of 1963 as last amended by section 2, chapter 103, Laws of 1974 ex. sess. and RCW 46.61.410 are each amended to read as follows:

(1) Subject to subsection (2) below the (state highway commission) secretary may increase the maximum speed limit on any highway or portion thereof to not more than seventy miles per hour in accordance with the design speed thereof (taking into account all safety elements included therein), or whenever (said commission) the secretary determines upon the basis of an engineering and traffic investigation that such greater speed is reasonable and safe under the circumstances existing on such part of the highway. The greater maximum limit so determined shall be effective, when appropriate signs giving notice thereof are erected, or if a maximum limit is established for auto stages which is lower than the limit for automobiles, the auto stage speed limit shall become effective thirty days after written notice thereof is mailed in the manner provided in subsection (4) of this section.

Such maximum speed limit may be declared to be effective at all times or at such times as are indicated upon said signs or in the case of auto stages, as indicated in said written notice; and differing limits may be established for different times of day, different types of vehicles, varying weather conditions, and other factors bearing on safe speeds, which shall be effective when posted upon appropriate fixed or variable signs or if a maximum limit is established for auto stages which is lower than the limit for automobiles, the auto stage speed limit shall become effective thirty days after written notice thereof is mailed in the manner provided in subsection (4) of this section.

(2) The maximum speed limit for vehicles over ten thousand pounds gross weight and vehicles in combination except auto stages shall not exceed sixty miles per hour and may be established at a lower limit by the (state highway commission) secretary as provided in RCW 46.61.405, as now or hereafter amended.

(3) The word "trucks" used by the (state highway commission) department on signs giving notice of maximum speed limits shall mean vehicles over ten thousand pounds gross weight and all vehicles in combination except auto stages.

(4) Whenever the (state highway commission) secretary shall establish maximum speed limits for auto stages lower than the maximum limits for automobiles, the secretary (of the state highway commission) shall (emailed) cause to be mailed notice thereof to each auto transportation company holding a certificate of public convenience and necessity issued by the Washington utilities and transportation commission. The notice shall be mailed to the chief place of business within the state of Washington of each auto transportation company or if none then its chief place of business without the state of Washington.

Sec. 37. Section 4, chapter 16, Laws of 1963 as amended by section 3, chapter 103, Laws of 1974 ex. sess. and RCW 46.61.415 are each amended to read as follows:

(1) Whenever local authorities in their respective jurisdictions determine on the basis of an engineering and traffic investigation that the maximum speed permitted under (this act) RCW 46.61.400 or 46.61.440 is greater or less than is reasonable and safe under the conditions found to exist upon a highway or part of a highway, the local authority may determine and declare a reasonable and safe maximum limit thereon which

(a) Decreases the limit at intersections; or
(b) Increases the limit but not to more than sixty miles per hour; or
(c) Decreases the limit but not to less than twenty miles per hour.

(2) Local authorities in their respective jurisdictions shall determine by an engineering and traffic investigation the proper maximum speed for all arterial streets and shall declare a reasonable and safe maximum limit thereon which may be greater or less than the maximum speed permitted under RCW 46.61.400(2) but shall not exceed sixty miles per hour.

(3) The (state highway commission) secretary of transportation is authorized to establish speed limits on county roads and city and town streets as shall be necessary to conform with any federal requirements which are a prescribed condition for the allocation of federal funds to the state.

(4) Any altered limit established as hereinbefore authorized shall be effective when appropriate signs giving notice thereof are erected. Such maximum speed limit may be declared to be effective at all times or at such times as are indicated upon such signs; and differing limits may be established for different times of day, different types of vehicles, varying weather conditions, and other factors bearing on safe speeds, which shall be effective when posted upon appropriate fixed or variable signs.

(5) Any alteration of maximum limits on state highways within incorporated cities or towns by local authorities shall not be effective until such alteration has been approved by the (state highway commission) secretary of transportation.

Sec. 38. Section 56, chapter 155, Laws of 1965 ex. sess. and RCW 46.61.420 are each amended to read as follows:
Any existing city or town ordinance establishing a speed limit on a state highway within the city or town in conflict with subsection (2)(c) of RCW 46.61.400 shall continue in effect not to exceed six months from August 6, 1965, during which time the city or town council may enact a reduced speed limit for such state highway subject to the provisions of subsection (((4))) (5) of RCW 46.61.415, as now or hereafter amended.

Sec. 39. Section 6, chapter 16, Laws of 1963 as last amended by section 1, chapter 135, Laws of 1969 and RCW 46.61.425 are each amended to read as follows:

(1) No person shall drive a motor vehicle at such a slow speed as to impede the normal and reasonable movement of traffic except when reduced speed is necessary for safe operation or in compliance with law: PROVIDED, That a person following a vehicle driving at less than the legal maximum speed and desiring to pass such vehicle may exceed the speed limit, subject to the provisions of RCW 46.61.120 on highways having only one lane of traffic in each direction, at only such a speed and for only such a distance as is necessary to complete the pass with a reasonable margin of safety.

(2) Whenever the ((state highway commission)) secretary of transportation or local authorities within their respective jurisdictions determine on the basis of an engineering and traffic investigation that slow speeds on any part of a highway unreasonably impede the normal movement of traffic, the ((commission)) secretary or such local authority may determine and declare a minimum speed limit threat which shall be effective when appropriate signs giving notice thereof are erected. No person shall drive a vehicle slower than such minimum speed limit except when necessary for safe operation or in compliance with law.

Sec. 40. Section 46.48.041, chapter 12, Laws of 1961 as amended by section 4, chapter 103, Laws of 1974 ex. sess. and RCW 46.61.430 are each amended to read as follows:

Notwithstanding any law to the contrary or inconsistent herewith, the ((Washington state highway commission)) secretary of transportation shall have the power and the duty to fix and regulate the speed of vehicles within the maximum speed limit allowed by law for state highways, designated as limited access facilities, regardless of whether a portion of said highway is within the corporate limits of a city or town. No governing body or authority of such city or town or other political subdivision may have the power to pass or enforce any ordinance, rule, or regulation requiring a different rate of speed, and all such ordinances, rules, and regulations contrary to or inconsistent therewith now in force and of no effect.

Sec. 41. Section 46.48.080, chapter 12, Laws of 1961 and RCW 46.61.450 are each amended to read as follows:

It shall be unlawful for any person to operate a vehicle or any combination of vehicles over any bridge or other elevated structure or through any tunnel or underpass constituting a part of any public highway at a rate of speed or with a gross weight or of a size which is greater at any time than the maximum speed or maximum weight or size which can be maintained or carried with safety over any such bridge or structure or through any such tunnel, or underpass when such bridge, structure, tunnel or underpass is sign posted as hereinafter provided. The ((an elevated structure, tunnel, or underpass upon a state highway, or the governing body or authorities of any county, city, or town, if it be upon roads or streets under their jurisdiction, may restrict the speed which may be maintained or the gross weight or size which may be operated upon or over any such bridge or elevated structure or through any such tunnel or underpass with safety thereto. The ((state highway commission)) secretary or the governing body or authorities of any county, city, or town having jurisdiction shall determine and declare the maximum speed or maximum gross weight or size which such bridge, elevated structure, tunnel, or underpass can withstand or accommodate and shall cause suitable signs stating such maximum speed or maximum gross weight, or size, or either, to be erected and maintained on the right hand side of such highway, road, or street and at a distance of not less than one hundred feet from each end of such bridge, structure, tunnel, or underpass and on the approach thereto: PROVIDED, That in the event that any such bridge, elevated structure, tunnel, or underpass is upon a city street designated by the ((state highway)) transportation commission as forming a part of the route of any state highway through any such incorporated city or town the determination of any maximum speed or maximum gross weight or size which such bridge, elevated structure, tunnel, or underpass can withstand or accommodate shall not be enforceable at any speed, weight, or size less than the maximum allowed by law, unless with the approval in writing of the ((state highway commission)) secretary. Upon the trial of any person charged with a violation of this section, proof of either violation of maximum speed or maximum weight, or size, or either, and the distance and location of such signs as are required, shall constitute conclusive evidence of the maximum speed or maximum weight, or size, or either, which can be maintained or carried with safety over such bridge or elevated structure or through such tunnel or underpass.

Sec. 42. Section 66, chapter 155. Laws of 1965 ex. sess. and RCW 46.61.570 are each amended to read as follows:

(1) Except when necessary to avoid conflict with other traffic, or in compliance with law or the directions of a police officer or official traffic-control device, no person shall:

(a) Stop, stand, or park a vehicle:

(i) On the roadway side of any vehicle stopped or parked at the edge or curb of a street;

(ii) On a sidewalk or street planting strip;

(iii) Within an intersection;

(iv) On a crosswalk;

(v) Between a safety zone and the adjacent curb or within thirty feet of points on the curb immediately opposite the ends of a safety zone, unless official signs or markings indicate a different no-parking area opposite the ends of a safety zone.
(vi) Alongside or opposite any street excavation or obstruction when stopping, standing, or parking would obstruct traffic;
(vii) Upon any bridge or other elevated structure upon a highway or within a highway tunnel;
(viii) On any railroad tracks; or
(ix) At any place where official signs prohibit stopping();
(b) Stand or park a vehicle, whether occupied or not, except momentarily to pick up or discharge a passenger or passengers:
(i) In front of a public or private driveway or within five feet of the end of the curb radius leading thereto;
(ii) Within fifteen feet of a fire hydrant;
(iii) Within twenty feet of a crosswalk;
(iv) Within thirty feet upon the approach to any flashing signal, stop sign, yield sign, or traffic-control signal located at the side of a roadway;
(v) Within twenty feet of the driveway entrance to any fire station and on the side of a street opposite the entrance to any fire station within seventy-five feet of said entrance; or
(vi) At any place where official signs prohibit standing();
(c) Park a vehicle, whether occupied or not, except temporarily for the purpose of and while actually engaged in loading or unloading merchandise or passengers:
(i) Within fifty feet of the nearest rail of a railroad crossing; or
(ii) At any place where official signs prohibit parking.
(2) Parking or standing shall be permitted in the manner provided by law at all other places except a time limit may be imposed or parking restricted at other places, but such limitation and restriction shall be by city ordinance or county resolution or order of the (state highway commission) secretary of transportation upon public highways under their respective jurisdictions.
(3) No person shall move a vehicle not lawfully under his control into any such prohibited area or away from a curb such a distance as is unlawful.

Sec. 43. Section 67, chapter 155, Laws of 1965 ex. sess. and RCW 46.61.575 are each amended to read as follows:
(1) Except as otherwise provided in this section, every vehicle stopped or parked upon a two-way roadway shall be so stopped or parked with the right-hand wheels parallel to and within twelve inches of the right-hand curb or edge of the roadway.
(2) Except when otherwise provided by local ordinance, every vehicle stopped or parked upon a one-way roadway shall be so stopped or parked parallel to the curb or edge of the roadway, in the direction of authorized traffic movement, with its right-hand wheels within twelve inches of the right-hand curb or edge of the roadway, or its left-hand wheels within twelve inches of the left-hand curb or edge of the roadway.
(3) Local authorities may by ordinance or resolution permit angle parking on any roadway, except that angle parking shall not be permitted on any federal-aid or state highway unless the (state highway commission) secretary of transportation has determined by (resolution or) order that the roadway is of sufficient width to permit angle parking without interfering with the free movement of traffic.
(4) The (state highway commission) secretary with respect to highways under (its) his jurisdiction may place signs prohibiting or restricting the stopping, standing, or parking of vehicles on any highway where (in its opinion, as evidenced by resolution or) the secretary has determined by order, such stopping, standing, or parking is dangerous to those using the highway or where the stopping, standing, or parking of vehicles would unduly interfere with the free movement of traffic thereon. Such signs shall be official signs and no person shall stop, stand, or park any vehicle in violation of the restrictions stated on such signs.

Sec. 44. Section 46.68.120, chapter 12, Laws of 1961 as last amended by section 47, chapter 195, Laws of 1973 1st ex. sess. and RCW 46.68.120 are each amended to read as follows:

Funds to be paid to the counties of the state shall be subject to deduction and distribution as follows:
(1) Three-fourths of one percent of such sums shall be deducted monthly as such sums accrue and set aside for the use of the (state highway commission) department of transportation and the county road administration board for the supervision of work and expenditures of such counties on the county roads thereof, including the supervision and administration of federal-aid programs for which the department of transportation has responsibility: That any moneys so retained and not expended shall be credited in the succeeding biennium to the counties in proportion to deductions herein made;
(2) All sums required to be repaid to counties composed entirely of islands shall be deducted;
(3) The balance remaining to the credit of counties after such deductions shall be paid to the several counties monthly, as such funds accrue, upon the basis of the following formula:
(a) Ten percent of such sum shall be divided equally among the several counties
(b) Thirty percent shall be paid to each county in direct proportion that the sum of the total number of private automobiles and trucks licensed by registered owners residing in unincorporated areas and seven percent of the number of private automobiles and trucks licensed by registered owners residing in incorporated areas within each county bears to the total of such sums for all counties. The number of registered vehicles so used shall be as certified by the (director of the) department of (motor vehicles) transportation for the next year preceding the date of calculation of the allocation amounts. The (director of the) department shall first supply such information not later than the fifteenth day of February, 1956, and on the fifteenth of February each two years thereafter.
(c) Thirty percent shall be paid to each county in direct proportion that the product of the county’s trunk highway mileage and its prorated estimated annual cost per trunk mile as provided in subsection (e) is to the sum of such products for all counties. County trunk highways are defined as county roads regularly used by school buses and/or rural free delivery mail carriers of the United States post office department, but not foot carriers. Determination of the number of miles of county roads used in each county by school buses shall be based solely upon information supplied by the superintendent of public instruction who shall on October 1, 1955, and on October 1st of each odd-numbered year thereafter furnish the (state highway) transportation commission with a map of each county upon which is indicated the county roads used by school buses at the close of the preceding school year, together with a detailed statement showing the total number of miles of county road over which school buses operated in each county during such year. Determination of the number of miles of county roads used in each county by rural mail carriers on routes serviced by vehicles during the year shall be based solely upon information supplied by the United States postal department as of January 1st of the even-numbered years.

(d) Thirty percent of such sum shall be paid to each of the several counties in the direct proportion that the product of the trunk highway mileage of the county and its "money need factor" as defined in subsection (f) is to the total of such products for all counties.

(e) Every four years, beginning with the 1958 allocation, the (highway) transportation commission and the legislative transportation committee shall reexamine or cause to be reexamined all the factors on which the estimated annual costs per trunk mile for the several counties have been based and shall make such adjustments as may be necessary. The following formula shall be used: One twenty-fifth of the estimated total county road replacement cost, plus the total annual maintenance cost, divided by the total miles of county road in such county, and multiplied by the result obtained from dividing the total miles of county road in said county by the total trunk road mileage in said county. For the purpose of allocating funds from the motor vehicle fund, a county road shall be defined as such by resolution of establishment of the board of county commissioners. The first allocation of funds shall be based solely upon information supplied by the United States postal department as of January 1st of the even-numbered years.

PROVIDED, HOWEVER, That the prorated estimated annual costs per trunk mile in this subsection shall be adjusted every four years, beginning with the 1958 allocation by the (highway) transportation commission on the basis of changes in the trunk and total county road mileage based on information supplied by the superintendent of public instruction, the United States postal department and the annual reports of the county road departments.

(f) The "money need factor" for each of the several counties shall be the difference between the prorated estimated annual costs as listed above and the sum of the following three amounts divided by the county trunk highway mileage:

(1) The equivalent of a two dollar and twenty-five cents per thousand dollars of assessed value tax levy on the valuation, as equalized by the state department of revenue for state purposes, of all taxable property in the county road districts;

(2) One-fourth the sum of all funds received by the county from the federal forest reserve fund during the two calendar years next preceding the date of the adjustment of the allocation amounts as certified by the state treasurer; and

(3) One-half the sum of motor vehicle license fees and motor vehicle fuel tax refunded to the county during the two calendar years next preceding the date of the adjustment of the allocation amounts as provided in RCW 46.68.080. These shall be as supplied to the (highway) transportation commission by the state treasurer for that purpose. The department of revenue and the state treasurer shall supply the information herein requested on or before January 1, 1956 and on said date each two years thereafter.

The following formula shall be used for the purpose of obtaining the "money need factor" of the several counties: The prorated estimated annual cost per trunk mile multiplied by the trunk miles will equal the total need of the individual county. The total need minus the sum of the three resources set forth in subsection (f) shall equal the net need. The net need of the individual county divided by the total net needs for all counties shall equal the "money need factor" for that county.

(g) The (highway) transportation commission shall adjust the allocations of the several counties on March 1st of every even-numbered year based solely upon the sources of information hereinbefore required: PROVIDED, That the total allocation factor composed of the sum of the four factors defined in subsections (a), (b), (c), and (d) shall be held to a level not more than five percent above or five percent below the total allocation factor in use during the previous two year period.

(h) The (highway) transportation commission and the legislative transportation committee shall relog or cause to be relogged the total road mileages upon which the prorated estimated annual costs per trunk mile are based and shall recalculate such costs on the basis of such reloggings and shall report their findings and recommendations to the legislature at its next regular session.

(i) The (highway) transportation commission and the legislative transportation committee shall study and report their findings and recommendations to the legislature concerning the following problems as they affect the allocation of "motor vehicle fund" funds to counties:

1. Comparative costs per trunk mile based on federal aid contracts versus those herein advocated((c));
2. Average costs per trunk mile((c));
3. The advisability of using either "trunk mileage" or "county road" mileage exclusively as the criterion instead of both as in this plan adopted((c));
4. Reassessment of bridge costs based on current information and reloggings of bridges((c));
5. The items in the list of resources used in determining the "need factor"((c));
6. The development of a uniform accounting system for counties with regard to road and bridge construction and maintenance costs((c));
7. A redefinition of rural and urban vehicles which better reflects the use of said vehicles on county roads.

Sec. 45. Section 47.01.110, chapter 13, Laws of 1961 and RCW 47.01.110 are each amended to read as follows:

The (director) assistant secretary for the division of highways shall be fully competent as a highway engineer and as an executive. He shall be a registered professional engineer and shall be a graduate in engineering of an accredited university or college or have in lieu thereof experience as a civil engineer in responsible charge of work equivalent to such education, and in addition experience in highway or road construction for a period of not less than five years. He need not be a resident of the state at the time of his appointment.

Sec. 46. Section 2, chapter 173, Laws of 1963 as amended by section 2, chapter 39, Laws of 1969 ex. sess. and RCW 47.05.020 are each amended to read as follows:

The (state highway commission) department of transportation is hereby directed to conduct periodic analyses of the entire state highway system, and based thereon, to subordinate and classify according to their function and importance all designated state highways and those added from time to time other than the national system of interstate and defense highways and periodically review and revise the classifications, into the following additional four functional classes:

1. The "principal state highway system" which shall comprise not to exceed twenty percent of the total state highway mileage other than the interstate system((c));
2. The "major state highway system" which shall comprise not to exceed thirty-five percent of the total state highway mileage other than the interstate system((c));
3. The "collector state highway system" which shall comprise not to exceed thirty-five percent of the total state highway mileage other than the interstate system((c));
4. The "other state highway system".
In making such functional classification the (highway commission) department shall be governed by reasonable (rules and regulations) policies adopted by the commission, and give consideration to the following criteria:

(a) Urban population centers within and without the state stratified and ranked according to size;
(b) Important traffic generating economic activities, including but not limited to recreation, agriculture, government, business, and industry;
(c) Feasibility of route, including availability of alternate routes within and without the state;
(d) Directness of travel and distance between points of economic importance;
(e) Length of trips;
(f) Character and volume of traffic;
(g) Preferential consideration for multiple service;
(h) Reasonable spacing depending upon population density; and
(i) System continuity, except for the "other" system.

Sec. 47. Section 3, chapter 173, Laws of 1963 as last amended by section 4, chapter 12, Laws of 1973 2nd ex. sess. and RCW 47.05.030 are each amended to read as follows:

The (state highway commission) department of transportation shall adopt and periodically revise in accordance with the policies established by the transportation commission and after consultation with the legislative transportation committee and senate and house transportation and utilities committees a long range plan for highway improvements, specifying highway planning objectives to be accomplished within a four year or advance planning period, and within the framework of revenue estimates for such period. The plan shall be based upon the construction needs for state highways as determined and segregated according to functional class by the (highway commission) department from time to time.

With such reasonable deviations as may be required to effectively utilize the available funds and to adjust to unanticipated delays in programmed projects, the (highway commission) department shall allocate the estimated available funds, so as to carry out such rates of completion within a fourteen year advance planning period on that part of the national system of interstate and defense highways on which the federal government participates financially at the interstate rate under federal law and regulations, on the parts of the national system of interstate and defense highways on which federal participation is less than the regular interstate rate under federal law and regulations; and on the remaining functional classes as the (highway commission) department, acting pursuant to (reasonable rules and regulations) policies adopted by the commission, shall determine to be necessary in order to maintain a balanced development of the state's highway system, considering primarily the following factors:

(a) The relative remaining needs of each functional class of highways;
(b) The estimated available funds;
(c) Continuity of future developments with those previously programmed; and
(d) Graduation of rates of completion according to functional class importance.

Sec. 48. Section 7, chapter 173, Laws of 1963 as amended by section 7, chapter 12, Laws of 1973 2nd ex. sess. and RCW 47.05.070 are each amended to read as follows:

The (state highway) transportation commission, with the assistance of the department, shall (prepare) approve and present to the governor and to the legislature (at the time of) prior to its convening, a recommended budget for the ensuing biennium. The biennial budget shall include details of proposed expenditures, performance and public service criteria for construction, maintenance, and planning activities in consonance with the six-year comprehensive program and financial plan adopted under provisions of RCW 47.05.040.

Sec. 49. Section 47.12.010, chapter 13, Laws of 1961 as amended by section 4, chapter 108, Laws of 1967 and RCW 47.12.010 are each amended to read as follows:

Whenever it is necessary to secure any lands or interests in land for a right of way for any state highway, or for the drainage thereof or construction of a protection therefor or so as to afford unobstructed vision therefor toward any railroad crossing or another public highway crossing or any point of danger to public travel or to provide a visual or sound buffer between highways and adjacent properties or for the purpose of acquiring sand pits, gravel pits, borrow pits, stone quarries, or any other land for the extraction of materials for construction or maintenance or both, or for any site for the erection upon and use as a maintenance camp, of any state highway, or any site for other necessary structures or for structures for the health and accommodation of persons traveling or stopping upon the state highways of this state, or any site for the construction and maintenance of structures and facilities adjacent to, under, upon, within, or above the right of way of any state highway for exclusive or nonexclusive use by an urban public transportation system, or for any other highway purpose, together with right of way to reach such property and gain access thereto, the (highway commission) department of transportation is authorized to acquire such lands or interests in land in behalf of the state by gift, purchase, or condemnation. In case of condemnation to secure such lands or interests in land, the action shall be brought in the name of the state of Washington in the manner provided for the acquiring of property for the public uses of the state, and in such action the selection of the lands or interests in land by the (highway commission) secretary of transportation shall, in the absence of bad faith, arbitrary, capricious, or fraudulent action, be conclusive upon the court and judge before which the action is brought that said lands or interests in land are necessary for public use for the purposes sought. The cost and expense of such lands or interests in land may be paid as a part of the cost of the state highway for which such right of way, drainage, unobstructed vision, sand pits, gravel pits, borrow pits, stone quarries, maintenance camp sites, and structure sites or other lands are acquired.
Sec. 50. Section 47.12.060, chapter 13, Laws of 1961 and RCW 47.12.060 are each amended to read as follows:

When a state highway is relocated and the old route is abandoned, and the new route crosses land owned by a person who owns land abutting on the old route, the (Washington state highway commission) department may agree with the owner to convey to him title to the old route or a part thereof as all or part consideration for his land to be taken for the new route.

Whenever the state has abandoned any highway rights of way, pit sites, or stock pile sites or owns land not needed for highway purposes, the Washington state highway commission department may sell same to abutting owners for the fair market value or exchange with any person as a consideration or part consideration for lands or property rights needed by the state, or may sell same by public auction whenever it is deemed in the public interest to do so.

POINT OF ORDER

Mr. Parker: "Mr. Speaker, I find that the last section of the proposed amendment requires that this amendment be referred to the people. It would seem to me that we have before us a bill that deals with two separate subjects, in that it is going through the legislative process and you also have here a separate subject in that you are taking this amendment and asking that it be referred to the people."

Mr. Eikenberry: "Mr. Speaker, I would invite the Speaker's attention in ruling on this point of order to the 7th Amendment to the Constitution of the State of Washington, section B, dealing with referendums, which I will paraphrase to read, 'The second power reserved by the people is the referendum and it may be ordered on any act, bill, law or any part thereof passed by the legislature...' and then skipping down to the third line from the bottom, it says, '...or by the legislature as other bills are enacted.' The point of this is that the legislature may refer any portion or section of a bill to a vote of the people."

- SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "It would appear that the referendum wouldn't have anything to do with whether or not the amendment is germane to the committee amendment."

Mr. Parker: "I wonder if the amendment might introduce, though, a separate subject into the bill in that the particular section of the Constitution that Representative Eikenberry speaks to has a definite separation in it with regard to rights that are reserved to the people and rights that are reserved to the legislature? The right that is reserved to the legislature is to refer any bill or act to the people and the right that is reserved to the people is by petition or referendum on any section or any bill or act of the legislature. I think thereby you have two separate subjects being introduced under the power of amendment. We have another bill pending before this House dealing with the subject that Representative Eikenberry puts before us, and I think that on that basis the amendment should be ruled out of order."

The Speaker (Mr. O'Brien presiding): "Representative Parker, it is the opinion of the Speaker that the referendum clause in this particular amendment is not beyond the scope and object of the committee amendment or of the bill. According to one of the amendments to our state Constitution, any part of a bill can be passed to the public, to the voters for their approval."

POINT OF PARLIAMENTARY INQUIRY

Mr. Parker: "You ruled on the first part of my question, but the other part of the question is still not resolved in my mind, so I will pose it in the form of a question. If this act passed is it the Speaker's interpretation that the Governor will receive the entire bill, or only parts of the bill?"

The Speaker (Mr. O'Brien presiding): "It would appear that this wouldn't be a parliamentary question, but apparently, if you follow along with the mechanics, this portion of the act, if it were approved, would go directly to the people and not to the governor."

Mr. Parker: "What you are saying to me, Mr. Speaker, is that under the color of one legislative act we are going to commit two acts. We are going to send one bill to the people and one bill to the Governor, and I would say that constitutes two separate subjects."

The Speaker (Mr. O'Brien presiding): "Representative Parker, if you will review Reed's Rule 161, 'Incompatibility or Inconsistency.' It also states in part, 'So, also, the question of constitutionality, is not for him [the Speaker] to decide. Incompatibility, inconsistency, and unconstitutionality are matters of argument.'"
SEVENTY-SECOND DAY, MAY 24, 1975 1515

Mr. Parker: "I realize that, but two separate subjects are the Speaker's prerogative in terms of germaneness."

The Speaker (Mr. O'Brien presiding): "That's a question of two separate subjects. The amendment being germane to the original subject matter, in this instance, it's a question of referendum involved—whether a referendum clause would be a separate subject or not. In the opinion of the Speaker it isn't separate."

Mr. Parker: "If it were on a whole separate bill, I would agree with you, but this is on a portion of a bill."

The Speaker (Mr. O'Brien presiding): "That's up to the House to decide, whether it's incompatible, or inconsistent or unconstitutional."

Representatives Eikenberry, Newhouse and Tilly spoke in favor of the amendment to the committee amendment, and Representatives Smith (Rick) and Seeberger spoke against it.

POINT OF INQUIRY

Mr. Eikenberry yielded to question by Mr. Curtis.

Mr. Curtis: "I understand the circumstances under which an individual can be convicted of aggravated murder, but I am a little mixed up on those items which would be submitted to the people. As I understand your amendment, there would be two proposals submitted to the people for their acceptance or rejection, both of which would give them an alternative—capital punishment, life imprisonment. My question is this, as I read your amendment, in the event that the death penalty is held to be unconstitutional by the U.S. Supreme Court or the Supreme Court of the State of Washington, then life imprisonment would be triggered in. Would the option then to the people be capital punishment versus life imprisonment or life imprisonment only in the event of the unconstitutionality of capital punishment?"

Mr. Eikenberry: "Answering as directly as I can to what I understand the question to be, the issue addressed to the people, as specifically directed in this amendment and with the guidance of the records of the elections department here in Olympia, there will be two individual issues. One is the matter of mandatory life, actual life, or a second issue of mandatory capital punishment. As to that second item, if the Supreme Court or some other supreme court should rule it to be unconstitutional, then the result would still be mandatory life."

Representatives Kilbury, Leckenby, Hurley (Margaret) and Schumaker spoke in favor of the amendment to the committee amendment, and Representatives Douthwaite and King spoke against it.

Mr. Polk demanded an electric roll call and the demand was sustained.

Mr. Parker spoke against the amendment, and Mr. Eikenberry closed debate, speaking again in favor.

Mr. Charette demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Eikenberry and others to the committee amendment to Engrossed Substitute Senate Bill No. 2092, and the amendment was not adopted by the following vote: Yeas, 43; nays, 48; not voting, 7.

Not voting: Representatives Bond, Haussler, Luders, Moreau, Pardini, Peterson, and Mr. Speaker.

The Clerk read the following amendment by Representatives Kuehnle, Kilbury, Laughlin, Polk and Schumaker to the committee amendment:

On page 13, line 33 add a new section to read as follows:

"NEW SECTION. Sec. 9A.16.060. No person in the state shall be placed in legal jeopardy of any kind whatsoever for protecting by any means necessary, himself, his family, or his real or personal property, or
for coming to the aid of another who is in imminent danger of or the victim of aggravated assault, armed robbery, holdup, rape, murder, or any other heinous crime.

When a substantial question of self defense in such a case shall exist, which needs legal investigation or court action for the full determination of the facts, and the defendant's actions are subsequently found justified under the intent of this section, the state of Washington shall indemnify or reimburse such defendant for all loss of time, legal fees, or other expenses involved in his defense."

POINT OF ORDER

Mr. Smith (Rick): "Mr. Speaker, this amendment is the exact content of House Bill No. 234 which is before this legislature—the so-called self defense bill. Furthermore, I would suggest that it is beyond scope and object."

Mr. Kuehnle: "The amendment is drafted to the new section on page 13, dealing with homicide by other persons, justifiable, therefore it certainly comes within the scope and object. The amendment is essentially the same as House Bill No. 243 of the last session, and House Bill No. 234 of this session, and fits in precisely with the subject matter under consideration and should be incorporated into such criminal code modification. It seems to me, therefore, to be a most appropriate time to consider the thrust of this amendment."

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "It appears that the amendment is contained in House Bill No. 234. Rule 33 of our House rules, states, 'No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment; and no bill or resolution shall at any time be amended by annexing or incorporating therein any other bill or resolution pending before the house.' On that basis, I am going to rule the amendment out of order."

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the committee amendment.

Mr. Smith (Rick) spoke in favor of the amendment, and it was adopted.

On motion of Mr. Smith (Rick), the committee amendment to the title was adopted.

On line 5 of the amendment strike "shall" and insert "may"

This chapter shall be known as the "law against discrimination) human rights law". It is an exercise of the police power of the state for the protection of the public welfare, health, and peace of the people of this state, and in fulfillment of the provisions of the Constitution of this state concerning civil rights. The legislature hereby finds and declares that practices of discrimination against any of its inhabitants because of race, creed, color, national origin, sex, marital status, age, or the presence of any sensory, mental, or physical handicap are a matter of state concern, that such discrimination threatens not only the rights and proper privileges of its inhabitants but menaces the institutions and foundation of a free democratic state. A state agency is herein created with powers with respect to elimination and prevention of discrimination in employment, in credit and insurance transactions, in places of public resort, accommodation, or amusement, and in real property transactions because of race, creed, color, national origin, sex, marital status, age, or the presence of any sensory, mental, or physical handicap, and the (board) commission established hereunder is hereby given general jurisdiction and power for such purposes.

The respondent may file a written answer to the complaint and appear at the hearing in person or otherwise, with or without counsel, and submit testimony and be fully heard.

The tribunal conducting any hearing may permit reasonable amendment to any complaint or answer. Testimony taken at the hearing shall be under oath and recorded.

If, upon all the evidence, the tribunal finds that the respondent has engaged in any unfair practice it shall state its findings of fact and shall issue and file with the ((board)) commission a complaint and cause to be served on such respondent an order requiring such respondent to cease and desist from such unfair practice and to take such affirmative action, including, (but not limited to) hiring, reinstatement or upgrading of employees, with or without back pay, an admission or restoration to full membership rights in any respondent organization, or to take such other action as, in the judgment of the tribunal, will effectuate the purposes of this chapter, and including a requirement for report of the matter on compliance.

An order shall be deemed final as originally issued and filed if no petition for reconsideration is filed, or if it is not modified or rescinded or further proceedings are not directed by the commission within thirty days after the meeting upon the petition.

If, subsequent to such petition and meeting, an order of dismissal, modified order, or order after further proceedings is entered, such order shall be deemed final when issued and filed.

The ((board)) commission shall establish rules of practice to govern, expedite, and effectuate the foregoing procedure.

The court shall have jurisdiction of the proceedings and of the questions determined thereon, and shall have the power to issue such orders and grant such relief by injunction or otherwise, including temporary relief, as it deems just and suitable and to make and enter, upon the pleadings, testimony and proceedings set forth in such transcript, a decree enforcing, modifying and enforcing as so modified, or setting aside in whole or in part any order of the ((board)) commission or hearing tribunal.

2. The findings of the hearing tribunal as to the facts, if supported by substantial and competent evidence shall be ((conclusive)) presumed correct. The court, upon its own motion or upon motion of either of the parties to the proceeding, ((may)) shall permit each party to introduce such additional evidence as the court may believe necessary to a proper decision of the cause.

3. Such appeal shall be taken and prosecuted in the same manner and form and with the same effect as is provided in other cases of appeal to the supreme court or the court of appeals, and the record so certified shall contain all that was before the lower court.

The clerk shall thereupon mail the duplicate copy to the ((board)) commission. The ((board)) commission shall then cause to be filed in the court a certified transcript of the entire record in the proceedings, including the pleadings, testimony and order. Upon such filing the court shall proceed in the same manner as in the case of a petition by the ((board)) commission and shall have the same exclusive jurisdiction to grant to any party such temporary relief or restraining order as it deems just and suitable, and in like manner to make and enter a decree enforcing or modifying and enforcing as so modified or setting aside, in whole or in part, the order sought to be reviewed.

Sec. 27. Section 43.01.100, chapter 8, Laws of 1965 and RCW 43.01.100 are each amended to read as follows:

The inclusion of any question relative to an applicant's race or religion in any application blank or form for employment or license required to be filled in and submitted by an applicant to any department, board, commission, officer, agent, or employee of this state or the disclosure on any license of the race or religion of the licensee is hereby prohibited: PROVIDED. That nothing herein shall prohibit ascertaining and recording the race or religion of applicants for employment or of applicants for use of the services of the employment security department, when the ascertaining or recording is not an unfair practice under the human rights law, chapter 49.60 RCW.

NEW SECTION. Sec. 28. The following acts or parts of acts are each repealed:

(1) Section 24, chapter 37, Laws of 1957 and RCW 49.60.290; and

(2) Section 11, chapter 183, Laws of 1949 and RCW 49.60.320.

Mr. Newhouse moved that the rules be suspended to allow consideration of the amendment.

Mr. Newhouse spoke in favor of the motion.

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Are you completely striking out the original Senate Bill No. 2861?"

Mr. Newhouse: "No, that provision is still in the bill on page 11 and will still satisfy the needs, not only of the educational institutions as far as dormitories are concerned, but also for the YWCA."

Mr. Douthwaite: "You say then that the language on page 11 would allow public educational institutions to discriminate on the basis of marital status or such with reference to housing within the dormitories on campuses?"

Mr. Newhouse: "Yes."

POINT OF PARLIAMENTARY INQUIRY

Mr. Thompson: "Is my understanding correct, Mr. Speaker, that the motion before us is to suspend the rules for the purpose of consideration of this amendment and that if the House acts favorably on that motion, the amendment would then be before us and be available for further amendment, whether considered today or at a later day?"

The Speaker: "Yes, that would be the Speaker's understanding."

Ms. Sommers spoke against the motion.

POINT OF ORDER

Mr. King: "Joint Rule 20 provides that no amendment to a bill shall be considered which strikes the entire subject matter of a bill and substitutes in lieu thereof an entirely new subject matter not germane to the original or engrossed bill. My point is that by action here today we cannot suspend a joint rule. If we wanted to suspend a joint rule it would take a concurrent resolution, proper notice and motions back and forth, and so my point is that the rule that needs to be suspended, we can't suspend."

POINT OF ORDER

Mr. Polk: "Citing Reed's Rule 112, 'Time for Making These Objections.' and I submit the time for making such an objection is past."

SPEAKER'S RULING

The Speaker: "I think your point is fairly well taken, Representative Polk, but also in regard to the subject matter of the point of order brought up by Representative King, it says that no amendment to a bill shall be considered which strikes the entire subject matter of a bill. Although it might be striking it, it is incorporated within the new amendment, so I think you would have to have two provisions on that. First you would have to strike all of the subject matter and then in lieu thereof put in a matter that is not germane. Secondly, if that was not true, then the other provisions in both the House and Senate rules, in which the House may refer an amendment that is beyond the scope and object of the original bill back to committee, would have no meaning if we didn't consider the two to be workable, so I'm afraid I would have to say that I think it would have to be both provisions before the joint rule would be operative."
Mr. Smith (Rick): "I didn't understand your ruling on Representative King's point of order."

The Speaker: "Well, I said I could slide out from beneath it because of Representative Polk's point of order. The joint rule says that if you strike a bill in its entirety and then insert a completely new subject matter that it's against the joint rules. So I ruled that it would take both of those things to happen. First you'd have to strike the bill in its entirety and put a completely separate bill on the matter. Here, it's true, we did strike, but it was made a part of the striking amendment. We do that consistently within this House. The other matter was added on which would probably be beyond the scope and object, but then I think that would be up to each house to handle individually on that type of measure. Otherwise we have rules in both the House and the Senate that says that if a bill comes back amended by the other house and is beyond the scope and object that the bill can be referred back to committee. This ruling would make those two rules congenial and would be workable."

ROLL CALL

The Clerk called the roll on the motion to suspend the rules to allow consideration of the amendment by Representative Newhouse to Senate Bill No. 2861, and the motion failed to receive the required two-thirds majority by the following vote: Yeas, 51; nays, 37; not voting, 10.

Not voting: Representatives Bond, Conner, Haussler, Luders, Lysen, Moon, Moreau, Pardini, Peterson, Whiteside.

On motion of Mr. Gaspard, the rules were suspended, the second reading considered the third, and Senate Bill No. 2861 was placed on final passage.

Mr. Knowles spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Knowles yielded to question by Mr. Newhouse.

Mr. Newhouse: "Would you read this bill as being rather narrowly drawn so that it would not allow the YWCA and YMCA to so discriminate as it does allow the educational institutions?"

Mr. Knowles: "I would read the bill to say that they are not included; however, talking with the Human Rights Commission, I think they have unalterably taken a position against what they did before as far as the YWCA or YMCA is concerned. They don't intend to get into that again."

Mr. Newhouse: "As I recall they had a ruling at one time which forced the YWCA to pay a fine to an individual who made a complaint—a gentleman who wanted to live in the YWCA. You mean they are going to change their policies now?"

Mr. Knowles: "That's my understanding, Representative Newhouse."

ROLL CALL

The Clerk called the roll on final passage of Senate Bill No. 2861, and the bill passed the House by the following vote: Yeas, 90; nays, 0; not voting, 8.

Not voting: Representatives Barnes, Bond, Haussler, Luders, Moreau, Pardini, Peterson, Whiteside.

Senate Bill No. 2861, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED SENATE BILL NO. 2862, by Senator Sellar:

Deleting local government employees from law setting holidays for state employees.

The bill was read the second time.

Mr. Polk moved adoption of the following amendment:

On page 1, line 9 of the printed bill after the semicolon strike down to and including the semicolon on line 10, and insert "((the twelfth day of February, being the anniversary of the birth of Abraham Lincoln))"

Mr. Polk spoke in favor of the amendment, and Mr. Laughlin spoke against it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Polk to Engrossed Senate Bill No. 2862, and the amendment was not adopted by the following vote:

Yeas, 26; nays, 61; not voting, 11.

Mr. Charnley moved adoption of the following amendment:

On line 7 of the Senate amendment after "that for" insert "common school districts, community college districts, institutions of higher education,"

POINT OF ORDER

Mr. Laughlin: "Mr. Speaker, I request a ruling on scope and object of this amendment."

SPEAKER'S RULING

The Speaker: "Representative Laughlin, I feel that the matter is within the scope and object. We are talking about public employees who are subject to the holiday restrictions; we are taking some out and these are a portion of the people who would be considered as being either left in or left out of the holiday situation. I would think that it is within the scope and object, although it is a different group. They are still within the overall group we are considering and it would affect them."

POINT OF ORDER

Mr. Tilly: "The amendment by Mr. Charnley refers to the common school districts, and I think that is covered under another statute, RCW 28A, and I still think that shouldn't be in this amendment."

SPEAKER'S RULING

The Speaker: "The body can take into consideration the legality of a situation where they are arguing, but I think that's part of the argument and if you wish to put an amendment to this amendment to strike that, that would be perfectly in order, but I think this is a matter that should be brought to the attention of the body during argument or presented as an amendment to the amendment rather than for the Chair to rule on the legality of whether it should be here or someplace else."

With the consent of the House, Mr. Charnley withdrew the amendment.

Mr. Blair moved adoption of the following amendment:

On page 1, line 12 after "the" strike "thirtieth day" and insert "((thirteenth day)) last Monday"
Mr. Blair spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Blair yielded to question by Ms. Cochrane.

Ms. Cochrane: "Which date is the federal date, and which date did we enact several years ago?"

Mr. Blair: "The federal holiday is observed on the last Monday in May, which is the coming Monday of next week, when school children and everybody in private employment and all federal governmental employees will have the day off. The only people who will not have that day off are state employees and legislators. They will have the 30th of May, which is, of course, the traditional date for the observance. I am suggesting that we go into conformance again with the federal statute which was in force in this state for several years and seemed to be acceptable to everyone; we didn't get many complaints except from the veterans. I am not trying to change Veterans' Day back to the date of federal observance; I'm just trying to change Memorial Day in this case, which seems to be the one which most people prefer to have as a three-day holiday."

Representatives Haley, Curtis and Leckenby spoke in favor of the amendment, and Mr. Zimmerman spoke against it.

The amendment was adopted.

On motion of Mr. Gaspard, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 2862 as amended by the House was placed on final passage.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 2862 as amended by the House, and the bill passed the House by the following vote: Yeas, 59; nays, 28; not voting, 11.

Engrossed Senate Bill No. 2862 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

Renumber the remaining sections consecutively.

Mrs. Erickson spoke in favor of the amendment to the committee amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Erickson adding a new section 11 to the committee amendment to Engrossed Substitute Senate Bill No. 2463, and the amendment was adopted by the following vote: Yeas, 43; nays, 42; not voting, 13.

Mrs. Wojahn moved adoption of the following amendment by Representatives Wojahn and May to the committee amendment:

On page 11, line 31 insert a new section to read as follows:

"NEW SECTION. Sec. 17. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.50 RCW a new section to read as follows:

It is recognized that further legislation is required to provide for a comprehensive planning process and a decision making system for vocational and technical education programs in the state of Washington, which will result in a coordinated and unified effort, which is responsive to the needs of vocational and technical students and the job market in which such students will be employed, and which recognizes the constitutional authority of the superintendent of public instruction.

To that end, there is hereby created a temporary thirteen-member special interim legislative committee consisting of the superintendent of public instruction; the chairman and one member from each political party of the senate standing committee on higher education to be appointed by the president of the senate; the chairman and one member from each political party of the senate standing committee on education to be appointed by the president of the senate; the chairman and one member from each political party of the house of representatives standing committee on higher education to be appointed by the speaker; and the chairman and one member from each political party of the house of representatives standing committee on education to be appointed by the speaker, all appointive members to be selected before the close of this 1975 extraordinary session of the legislature. Such members will meet upon the call of the superintendent of public instruction and organize in the manner best befitting their purposes. Appointive members shall be paid no compensation but shall receive, in lieu of per diem or any other payment, the amount provided for in RCW 44.04.120. Such special commission shall report to the forty-fifth legislature no later than December 1, 1976 recommendations for necessary changes in current law which will further implement the provisions of this 1975 amendatory act, and including provisions for:

1. Single administration at the state level for common schools, technical schools, and community colleges in order to:
   (a) Minimize duplication of programs and facilities;
   (b) Implement Section 22, Article III and Section 2, Article IX of the Washington State Constitution;
   (c) Avoid unnecessary duplication of state staff assigned to ancillary and support services to the common school, technical, and community college programs; and
   (d) Provide for greater coordination to areas (such as adult education, community services, community schools, and high school completion programs) where joint jurisdiction exists within different delivery systems.

2. Greater local autonomy for community college boards in order to:
   (a) Ensure that the needs of local communities have been met and that such boards are responsive to the needs of the state and its localities; and
   (b) Eliminate any implication that the intent of the legislature is to have the state board for community college education control the direct operation of individual community colleges or community college districts.

3. The popular election of local community college board trustees.

4. The indirect election of members of the state board for community college education by the trustees of local community college districts.

5. The division of authority between the state board for community college education and local board of trustees.

6. The necessary changes in the structure and authority of the state board of education, state board for community college education, and the commission for vocational education."

The amendment was not adopted.

MOTION FOR RECONSIDERATION

Mr. Patterson, having voted on the prevailing side, moved that the House reconsider the vote by which the House adopted the amendment by Representative Erickson adding a new section 11 to the committee amendment.

POINT OF ORDER

Mr. Perry: "As we go through the amendments, if there is intervening business, can a person subsequently much later in the procedure, ask for a reconsideration? You could have an interminable procedure if you can."
SEVENTY-SECOND DAY, MAY 24, 1975 1539

SPEAKER'S RULING

The Speaker: "Reed's Rule 204 says, 'A motion to reconsider is not in order after action has been had by the assembly in consequence of the decision proposed to be reconsidered.' The Speaker has been watching the amendments and I don't think the House has done anything in consequence of this particular amendment; therefore, the motion would be in order during the second reading on today's action on this bill."

Mr. Patterson spoke in favor of the motion.

POINT OF ORDER

Mrs. Wojahn: "Mr. Speaker, in so ruling and permitting intervening business, after the adoption of the amendment, I withdrew an amendment which I would have offered had this other amendment not been adopted."

The Speaker: "That was not an action by the body, Representative Wojahn. If this motion carries and the body reconvenes and strikes the amendment, you could ask for your amendment to be considered."

Representatives Brown, Bauer and Hayner spoke in favor of the motion, and Representative Erickson spoke against it.

ROLL CALL

The Clerk called the roll on the motion for reconsideration of the vote by which the House adopted the Erickson amendment to the committee amendment to Engrossed Substitute Senate Bill No. 2463, and the motion was carried by the following vote: Yeas, 48; nays, 38; not voting, 12.

The Speaker stated the question before the House to be reconsideration of the amendment by Representative Erickson adding a new section 11 to the committee amendment.

Mrs. Erickson spoke in favor of the amendment, and Representatives Patterson and Brown spoke against it.

ROLL CALL

The Clerk called the roll on reconsideration of the amendment by Representative Erickson adding a new section 11 to the committee amendment to Engrossed Substitute Senate Bill No. 2463, and the amendment was not adopted by the following vote: Yeas, 37; nays, 49; not voting, 12.

The Speaker called on Mr. O'Brien to preside.

Mrs. Wojahn moved adoption of the following amendment:

On page 7, beginning on line 32 strike all of section 10 and insert:

"NEW SECTION. Sec. 10. Notwithstanding any other provision of law, including RCW 28B.50.060 and 28B.50.200, or successor statutes, on the effective date of this 1975 amendatory act the commission for
vocational education shall appoint the superintendent of public instruction as the state director of voca-
tional education. The current director for the coordinating council on occupational education may serve
for the remainder of his contract as consultant to the superintendent of public instruction and shall per-
form such duties as requested by the superintendent of public instruction.

The commission may employ such other personnel as may be necessary to carry out the purposes of
this amendatory act. The commission in accordance with section 4 of this amendatory act shall keep its
professional staff to the minimum number of persons necessary to fulfill its duties under this amendatory
act and the performance of such other administrative responsibilities as the legislature may provide."

Mrs. Wojahn spoke in favor of the amendment to the committee amendment, and Rep-
resentatives Brown and Bauer spoke against it.

The amendment was not adopted.
The committee amendment was adopted.

On motion of Mr. Bauer, the committee amendment to the title was adopted.

On motion of Mr. Gaspard, the rules were suspended, the second reading considered the
third, and Engrossed Substitute Senate Bill No. 2463 as amended by the House was placed on
final passage.

Mr. Bauer spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Bauer yielded to question by Mr. Perry.

Mr. Perry: "On page 3, line 29 after 'board,' the word 'council' appears. That isn't meant
to be construed as prohibiting members of the joint apprenticeship council from being mem-
bers of that board that is appointed by the Governor, is it?"

Mr. Bauer: "No."

POINT OF INQUIRY

Mr. Bauer yielded to question by Mrs. Wojahn.

Mrs. Wojahn: "By our actions here on the floor, if we vote for this bill, do we then
destroy the joint apprenticeship training programs in the state of Washington as they exist
today so that we don't have jobs for children when they get out of school?"

Mr. Bauer: "No, we do not destroy it."

POINT OF INQUIRY

Mr. Bauer yielded to question by Ms. Maxie.

Ms. Maxie: "It has been stated here that this bill tries to resolve a jurisdictional problem
between the two powers regarding vocational education. My question to you as I have stated
before is, how does it affect the public? That is to say, a consumer inquiring as to what skills
are available, how long it takes and what it costs, whether or not the skills will bring about a
job, who is in the system and who would that person go to get these questions answered?"

Mr. Bauer: "This does not make one uniform delivery of vocational education. You can't
call one single person head. We have two delivery systems; we have a community college that
delivers vocational education and we have the SPI delivering vocational education. If you
want to know what kind of a program that is delivered from the SPI, you call the SPI or your
local school board. If you want to know what the community college program is, you call the
community college people."

Ms. Maxie: "Are you suggesting that there is no duplication in the two systems? In other
words, if the consumer wants to know whether they are getting their money's worth by going
to K-12 or community college, can someone answer that question? Because if you go to the
SPI's office it stands to reason that the superintendent would want them to come to their sys-
tems, but if you went to the community college they will want the people to come to that
system. I'm concerned about the consumer and the consumer getting the best plan for the
least amount of money and the best results—that is a job as a goal. I've been asking that
question for a long time and I'm really upset with the manner in which I've been treated
around here regarding this matter. Four years ago I served on a subcommittee with Senator
Odegaard regarding this matter and I was highly insulted by the coordinating council staff
asking questions such as this, and I have been asking this question for a long time. I served
on that subcommittee with you and I was insulted and people kept saying that it was a jurisdic­
tional problem. These are questions you don't ask. I asked for an organizational chart to be presented by your staff so that we could really see this measure, because when people in my district ask me questions I want to be able to give them some good answers, and not go through the bureaucracy."

Mr. Bauer: "It would be difficult to call local school districts and ask what kind of a delivery system or what kind of program your students should go into in a vocational pro­gram to get the most for their money. The programs differ, certainly, and I think that if the person would have called his local school district about vocational programs within that dis­trict he would have gotten an answer if he had a specific question about that program, or the voc–tech institute, or the community college. I can understand what you mean. A fellow tes­tified in our committee who was totally frustrated with the kind of run–around you get and that's part of the unfortunate bureaucratic process, but education doesn't have a monopoly on that."

POINT OF INQUIRY

Mr. Bauer yielded to question by Mrs. Hayner.

Mrs. Hayner: "In section 12 of this bill the governor is authorized to determine where certain functions of the coordinating council not transferred by the legislation shall be placed. Is it the legislature's intention to explicitly limit this determination to only those agencies named in this bill, or is it the intent of the legislature to allow the Governor to determine proper placement of these functions?"

Mr. Bauer: "The latter."

STATEMENT FOR THE JOURNAL

I voted in favor of SB 2306, recognizing that it is a controversial measure which only time will determine its impact on various businesses. Because a similar measure has worked in Oregon, and because I am persuaded that all businesses must be able to borrow money when they need it, and because it has been my own personal experience that banks are willing to lend to all elements of society, including little businesses, I do not feel the measure will have an adverse effect upon small business. I am very concerned for and interested in providing stability for small business, and I in no way would want to hurt that sector of society. As for the causes of inflation, they are primarily because of the federal government cranking up the printing presses (printing money), rather than being able to improve productivity. Because Washington State is not an island economically, I think it is unrealistic to have the previous limits on loan interest. It is an honest recognition of the need for freeing up the market for the rent of money. I was also persuaded that Representative Pardini's explanations of the impact on various businesses proved rather conclusively that it would not be as drastic as had been predicted. If, in the future, the lending institutions do abuse their privileges and responsibilities, I will be among the first to take steps to correct the situation.

HAL ZIMMERMAN, 17th District.

Mr. Whiteside appeared at the bar of the House.

ENGROSSED SENATE BILL NO. 2341 as amended by the House, by Senators Bottiger, Beck and Matson (by Utilities and Transportation Commission request):

The bill was read the third time and placed on final passage.

Representatives Hansen and Parker spoke in favor of the bill, and Representative Matthews spoke against it.

Mrs. Wojahn demanded the previous question and the demand was not sustained.

Mr. Savage spoke in favor of passage of the bill, and Mr. Newhouse spoke against it.

SENATE AMENDMENTS TO HOUSE BILL

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 198 with the following amendments:

In the title, line 1, after "insurance;" and before "amending" insert "amending section 11, chapter 212, Laws of 1959 and RCW 31.08.175;"

On page 1, line 13 of the title after "560;" and before "amending" on line 14 insert "amending section 5, chapter 119, Laws of 1974 ex. sess. and RCW 48.21.190;"

On page 1, line 19 of the title after "090;" strike the remainder of the title down to and including the period on line 20 and insert "amending section 4, chapter 119, Laws of 1974 ex. sess. and RCW 48.44.240; adding new sections to chapter 48.20 RCW; and adding a new section to chapter 48.44 RCW;"

On page 1, line 19 of the title strike "and" and on line 20 after "48.20 RCW" insert "; and adding a new section to chapter 48.44 RCW;"

On page 1, line 22 after the enacting clause insert a new section to read as follows:

"Section 1. Section 11, chapter 212, Laws of 1959 and RCW 31.08.175 are each amended to read as follows:

(1) No licensee shall require the purchasing of property insurance from the licensee or any employee, affiliate, or associate of the licensee or from any agent, broker, or insurance company designated by the licensee as a condition precedent to the making of a loan nor shall any licensee decline existing insurance which meets or exceeds the standards set forth in this section.

The licensee may require a borrower to insure tangible property offered as security for a loan hereunder against any substantial risk of loss, damage, or destruction for an amount not to exceed the reasonable value of the property insured or the amount of the loan and for the customary term approximating the term of the loan contract: PROVIDED, That no licensee hereunder may require such insurance on loans
in an amount less than three hundred dollars. It shall be optional with the borrower to obtain such insurance in an amount greater than the amount of the loan or for a longer term. The premium for such insurance shall not exceed that fixed by current applicable manual of a recognized standard insurance rating bureau and such insurance shall be written by or through a duly licensed insurance agent or broker.

(2) A licensee may insure the life of one borrower, but only one of them if there are two or more obligors, for the unpaid principal balance scheduled to be outstanding; and regardless of the premium paid by the licensee, the licensee may charge not more than sixty cents per one hundred dollars per year computed on the original principal amount of the loan, excluding charges for the loan, when the loan contract requires substantially equal and consecutive monthly installments of principal and charges combined, and such charge may be in the same proportions for different payment schedules, maturities, and principal amounts. PROVIDED, HOWEVER, That if both husband and wife sign an obligation to repay the loan, each may be an insured borrower hereunder and a single identifiable insurance charge may be made by the licensee for the two jointly under a plan whereby both lives are insured but a death benefit is paid only upon the death of the spouse dying first. For such joint spouse coverage, the licensee may charge not more than one dollar per one hundred dollars per year computed on the same basis as herein prescribed for life insurance on one borrower. Such charge may be deducted from the principal of the loan when the loan is made. Only one such charge may be made in connection with any loan contract irrespective of the number of obligors, and only one obligor need be insured. If the insured obligor dies during the term of the loan contract, the insurance must pay the principal balance of the loan outstanding on the day of his death without any exception or reservation. The insurance shall be in force as soon as the loan is made. If the loan contract is prepaid in full by cash, a new loan, renewal, refinancing, or otherwise, a portion of such life insurance charge shall be rebated according to the method established in paragraphs (a) and (b) of subsection (3) of RCW 31.08.160. When charges for the loan are precomputed in accordance with subsection (3) of RCW 31.08.160, any required rebate and any permitted deferment charge may be computed on the combined total of the precomputed charge and the life insurance charge.

(3) If a borrower procures any insurance by or through a licensee, the statement required by RCW 31.08.170 shall disclose the cost to the borrower and the type of insurance, and the licensee shall cause to be delivered to the borrower a copy of the policy, certificate, or other evidence thereof within a reasonable time.

Notwithstanding any other provision of this chapter, any gain or advantage in any form whatsoever to the licensee or to any employee, affiliate, or associate of the licensee from any insurance or its sale or provision shall not be deemed to be additional or further interest, consideration, charges, or fee in connection with such loan.

Nothing in this section shall be deemed to alter, amend or repeal any provision of the insurance code.

No insurance shall be required, requested, sold, or offered for sale in connection with any loan made under this chapter, except as and to the extent authorized by this section."

Renumber the remaining sections consecutively.

On page 5, section 6, line 31 strike all of subsection (3) and insert the following:

"(3) This section shall not apply with respect to any person securing and forwarding information required for the purposes of group (insurance covering the unpaid balance, or remaining payments proposed to be made, in connection with the purchase of merchandise or securities, and where no commission or other compensation is payable on account of such insurance to such person) credit life and credit disability insurance in connection with an extension of credit and such other credit life or disability insurance lines as the commissioner shall determine, and where no commission or other compensation is payable on account of the securing and forwarding of such information: PROVIDED, That the reimbursement of a creditor's actual expenses for securing and forwarding information required for the purposes of such group insurance shall not be considered a commission or other compensation if such reimbursement does not exceed three dollars per certificate issued, or in the case of a monthly premium plan extending beyond twelve months, not to exceed three dollars per loan transaction revision per year."

On page 6, add a new section following section 8 as follows:

"Sec. 9. Section 5, chapter 119, Laws of 1974 ex. sess. and RCW 48.21.190 are each amended to read as follows:

RCW 48.21.160 through 48.21.190 and 48.44.240 as now or hereafter amended shall not apply to the renewal of a contract in force prior to the pertinent date provided for such contract under RCW 48.21.160 through 48.21.190 and 48.44.240 as now or hereafter amended where there exists a right of renewal on the part of the insured or subscriber without any change in any provision of the contract: PROVIDED FURTHER, That RCW 48.21.160 through 48.21.190 and 48.44.240 as now or hereafter amended shall apply to contracts which provide only accident coverage, nor to any contract written as supplemental coverage to any federal or state programs of health care including, but not limited to, Title XVIII health insurance for the aged (commonly referred to as Medicare, Parts A and B), and amendments thereto."

Renumber the remaining sections consecutively.

On page 6, after new section 9 added by the committee amendment add a new section as follows:

"NEW SECTION. Sec. 10. There is added to chapter 48.44 RCW a new section to read as follows:

(1) All agreements entered into by health care contractors with or for the benefit of persons or groups of persons for health care services which are the same or similar to disability policies of insurance authorized by chapters 48.20 and 48.21 RCW, notwithstanding any other provisions in chapter 48.44 to the contrary, shall comply with the provisions of chapters 48.20 and 48.21 RCW relating to benefits for services
performed by licensed practitioners of health care: PROVIDED, That prepaid group practice plans which deliver services directly to a voluntary enrolled group of members shall be exempt from such compliance.

(2) All contracts or agreements renewed, delivered, or issued more than one hundred twenty days after the effective date of this act shall comply with the intent hereof, and the insurance commissioner shall disapprove any contracts or agreements that are not in compliance therewith, and he shall promulgate such rules and regulations as are necessary to carry out the provisions of this act."

Renumber the remaining sections consecutively.

On page 10, add new sections following old section 11 as follows:

"Sec. 13. Section 4, chapter 119, Laws of 1974 ex. sess. and RCW 48.44.240 are each amended to read as follows:

The purpose of sections 14 through 18 of this 1975 amendatory act is to provide reasonable standardization and simplification of terms and coverages of individual disability insurance policies to facilitate public understanding and comparison, to eliminate provisions contained in individual disability insurance policies which may be misleading or unreasonably confusing in connection either with the purchase of such coverages or with the settlement of claims, and to provide for full disclosure in the sale of disability coverages.

(c) Hospital confinement indemnity coverage;

(d) Major medical expense coverage;

(e) Disability income protection coverage;

(f) Accident only coverage; and

(g) Specified disease or specified accident coverage.

(2) Nothing in this section shall preclude the issuance of any policy which combines two or more of the categories of coverage enumerated in items (a) through (f) of subsection (1) of this section.

(3) No policy shall be delivered or issued for delivery in this state which does not meet the prescribed minimum standards for the categories of coverage listed in items (a) through (g) of subsection (1) of this section, unless the commissioner finds such policy will be in the public interest and such policy meets the requirements set forth in RCW 48.18.110.

(4) The commissioner shall prescribe the method of identification of policies based upon coverages provided.

NEW SECTION. Sec. 17. There is added to chapter 48.20 RCW a new section to read as follows:

NEW SECTION. Sec. 18. There is added to chapter 48.20 RCW a new section to read as follows:
Notwithstanding the provisions of RCW 48.20.052, if an insurer elects to use a simplified application form, with or without a question as to the applicant's health at the time of application, but without any questions concerning the insured's health history or medical treatment history, the policy must cover any loss occurring after twelve months from any preexisting condition not specifically excluded from coverage by terms of the policy, and, except as so provided, the policy shall not include wording that would permit a defense based upon preexisting conditions.

NEW SECTION. Sec. 19. There is added to chapter 48.21 RCW a new section to read as follows:
(1) No group disability insurance policy which provides benefits for hospital, medical, or surgical expenses shall be delivered or issued for delivery in this state after the effective date of this 1975 act which contains any provision whereby the insurer may reduce or refuse to pay such benefits otherwise payable thereunder solely on account of the existence of similar benefits provided under any individual disability insurance policy, or under any individual health care service contract.
(2) No group disability insurance policy providing hospital, medical or surgical expense benefits and which contains a provision for the reduction of benefits otherwise payable thereunder on the basis of other existing coverages, shall provide that such reduction will operate to reduce total benefits payable below an amount equal to one hundred percent of total allowable expenses. The commissioner shall by rule establish guidelines for the application of this section, including: (a) The procedures by which persons insured under such policies are to be made aware of the existence of such a provision; (b) the benefits which may be subject to such a provision; (c) the effect of such a provision on the benefits provided; (d) establishment of the order of benefit determination; and (e) reasonable claim administration procedures to expedite claim payments under such a provision.
(3) The provisions of this section shall apply to health care service contractor contracts.

Renumber the remaining section as section 20.

Bill Gleason, Assistant Secretary.

MOTION

Mr. Parker moved that the House do concur in the Senate amendments to Engrossed Substitute House Bill No. 198.

POINT OF ORDER

Mr. Haley: "House Rule 32 and the spirit of House Rule 33 has just been violated by the Senate action taken in regard to this bill. The Senate amendments, which consist of sections 9, 10 and 13 of Engrossed Substitute House Bill No. 198 change the scope and object of the original bill, thus violating House Rule 32. I would seek a ruling from you on this. Also Rule 33 has been violated in spirit, if not actually, because when this bill left the House it had nothing to do whatsoever with the subject of health care contractors, but when it comes back here at this point it now contains the substance of three separate bills, which have to do with health care contractors. In view of these facts, I would ask for a ruling on the scope and object, especially object in regard to amendments, sections 9 and 13."

The Speaker: "Representative Haley, the Speaker will take under advisement your point of order and we will proceed onto the next Senate message and come back to this after I've had a chance to study it."

Representatives Thompson and Hayner spoke in favor of the motion.

POINT OF INQUIRY

Mr. Knowles yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "The thrust of the third Senate amendment, that of substituting the word 'guaranty' for the word 'trust,' confuses me. Can you explain to me the difference between guaranty account and trust account? I presume in the process you can explain to me why you object to the amendment."

Mr. Knowles: "Perhaps I should explain the purpose behind this clause when it occurred in the Landlord Tenant Act. In the number of hearings we had on the bill, it appeared that in some instances, particularly where there might be a large rental complex involved (100 or more units) that tenants would deposit up to a hundred dollars or some figure as a damage deposit with the landlord, and at the end of the lease period or rental period they are entitled to receive that money back, less any amount that represents the damage that the tenant has done to the premises. There is a further condition in there that the landlord notify the tenant where this money is and within 14 days after termination of the tenancy he must account to him in writing the amount he is withholding and refund to him the difference. Testimony in committee was to the effect that in some of these instances, particularly as I have said before in the large rental complexes, when it came time for the tenant to have that return of the
money, the money wasn't there. Either the landlord had extended himself and shall we say, gone broke, or he might have taken quite a large sum of money and bought another piece of land for his next project. That was the reason that this was put in there, and it is intended to be money that belongs to the tenant. It's safe from garnishment; it's safe from problems if there's a bankruptcy. The difference between a trust account—there is some accountability to the landlord in a trust account to maintain that money really in the name of the tenants themselves. As I understand a guaranty fund, that money probably could belong to the landlord, and he just guarantees that it will be there at the time the tenant requests it or at the time he moves out. I believe the trust account is fully in accord with the intent of the Landlord Tenant Act, to solve those problems that I have just described to you. I believe that it is better that way, so that it's actually in the name of the tenant in trust. The other way he's not required to put the money in a savings account or anything else, he just takes their money, puts it in a separate account in trust for the tenants."

Mr. Kuehnle: "I'm still vague on the guaranty account and I guess it's perhaps a difference of opinion as to what I think the account is. If it is, Representative Knowles, as you have stated, then I would concur with your logic on the thing and I'm really not in a position to argue the point. I would like to ask you a further question: As the Landlord Tenant Act is presently written, is there any provision for identification of interest earned on moneys invested in a trust account?"

Mr. Knowles: "There is not. It's completely silent on it. When this bill came before the House Judiciary Committee, it was testified to by a certain landlord group, I believe from the Southwest part of the state. I asked that question and they said that it was something that had been pretty well worked out between themselves as to how it would be handled. There is no requirement that this be put in any kind of a savings account. The landlord can put it in a checking account if he so desires. My objection, if this is what you are speaking to, is the amendment that deals with that put on by the Senate. I don't think there would be any doubt if it's provided for in writing exactly what is going to happen. The landlord is going to draw his lease in such a manner that the damage deposit is put into a trust account and the interest belongs to the landlord. There's where the tenant makes his choice as to whether or not he wants to lease the premises, as to whether or not he wants to give that interest to the landlord—it leaves no choice whatsoever to the tenant."

Mr. Kuehnle: "Is there any question in your mind, Representative Knowles, relative to the ability or capability of the landlord to use as a trust account an interest-bearing savings account?"

Mr. Knowles: "No, if he desire to do so, there's no problem."

Mr. Kuehnle: "The argument has been presented that the rationale presented with changing the word from trust account to guaranty account is to technically permit the investment in an interest-bearing account—someone's interpretation having been that a trust account is not and cannot be an interest-bearing account."

Mr. Knowles: "No, I don't think that's true. I'm not a banker, but I understand that with the Landlord Tenant Act, being silent on who has the ownership of that interest in a savings account, the Attorney General has written an opinion that it belongs to the tenant unless there is an agreement in writing to the contrary."

MOTION

Mr. Kuehnle moved that further consideration of the Senate amendments to House Bill No. 796 be deferred until later in the day.

Mr. Thompson spoke in favor of the motion, and it was carried.

MOTION

Mr. Bagnariol moved that the House do concur in the Senate amendment to Engrossed House Bill No. 619.

POINT OF INQUIRY

Mr. Bagnariol yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Consistent with the action we have taken last week with liquor on campus by way of banquet permits only, how will this bill be implemented? For example, if organizations obtain a banquet permit to hold a party in the political science faculty room or somewhere, how are they supposed to get access to these materials which show them the illnesses consequent to abuse of alcohol?"

Mr. Bagnariol: "This act basically requires the campuses who do serve alcohol to provide, at no cost to the student or to the state, material talking about the potential problems of alcohol. Those materials are available through numerous nonprofit organizations who are involved in this area, so by the action taken last week, the only alcohol being served on campus is based on a banquet permit. I would suggest that the only way they could react to this kind of legislation is to make this material available regardless."

Representatives Maxie and Clemente spoke in favor of the motion to concur, and Representative Douthwaite spoke against it.

The motion was carried.

SENATE AMENDMENT TO HOUSE BILL

May 23, 1975

Mr. Speaker:

Mr. Parker moved that the House do not concur in the Senate amendment to Engrossed Substitute House Bill No. 479, and ask the Senate to recede therefrom.

Representatives Parker, Knowles and Charette spoke in favor of the motion, and Mr. Newhouse spoke against it.

The motion was carried.

SENATE AMENDMENT TO HOUSE BILL

May 23, 1975

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 762 with the following amendment:

On page 3, line 3 after "misdemeanor" insert "and subject to a fine of not less than twenty-five dollars or more than seventy-five dollars"

and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

MOTION

Mrs. Hurley (Margaret) moved that the House refuse to concur in the Senate amendment to Engrossed Substitute House Bill No. 479, and ask the Senate to recede therefrom.

POINT OF PARLIAMENTARY INQUIRY

Mr. Martinis: "Would it be proper to ask the Senate to not recede in this Senate amendment and to ask for a conference thereon? I have detected a considerable defect in the bill and possibly at this point in time it may be the only possible way of correcting this defect."

The Speaker (Mr. O'Brien presiding): "It's possible to amend the motion to ask for an immediate conference. It all depends, of course, to the Senate's reaction on the motion."

MOTION

Mr. Martinis moved that the motion by Mrs. Hurley (Margaret) be amended to ask the Senate for a conference thereon.

POINT OF INQUIRY

Mr. Martinis yielded to question by Mrs. Hurley (Margaret).

Mrs. Hurley: "Would you mind telling the members of the House what defect you have found?"

Mr. Martinis: "The defect that I have found is in section 2. Section 2 reads, 'The fee for the issuance of the special winter recreational area parking permits for each winter season commencing on October of each year shall be five dollars annually,' and here is the defect, 'unless the person making application therefor is also the owner of a snowmobile registered pursuant to chapter 46.10 RCW.' Ladies and gentlemen, what this really says is that you as skiers would have to pay for your recreational parking, but in certain areas of the state they have snowmobile areas and if you own a registered snowmobile, that parking area would be cleared for your convenience and your convenience only. You wouldn't have to pay one red cent if you have a registered snowmobile. But if you are a skier, a hiker, a snowshoer, a crosscountry skier, you would have to pay five dollars. This is a boondoggle."

Mrs. Hurley (Margaret) spoke against the motion to amend her motion, and Mr. Martinis again spoke in favor of it.
Mrs. North: "We are only talking about the amendment. Would the amendment put the rest of the bill in conference?"

The Speaker (Mr. O'Brien presiding): "If the amendment to the motion is carried, you are requesting the Senate to grant a conference. They can either grant it or reject it. All the House has done is take this action requesting a conference. The original motion was made to ask the Senate to recede from its amendment and now you have a choice, either ask for a conference or ask that they recede. The question before you now is the amendment to the motion to ask the Senate for a conference."

The motion by Mr. Martinis amending the motion by Mrs. Hurley to ask for a conference on Substitute House Bill No. 762 was carried.

The motion by Mrs. Hurley (Margaret) as amended was carried.

MESSAGE FROM THE SENATE

May 19, 1975

Mr. Speaker:

The Senate has concurred in the House amendments to SECOND SUBSTITUTE SENATE BILL NO. 2241 on page 1, line 9; page 3, line 30; page 3, line 31; page 4, line 27; and refuses to concur in the House amendments to page 3, line 13 and page 3, line 27, and asks the House to recede therefrom, and said bill, together with the House amendments thereto, is herewith transmitted.

Bill Gleason, Assistant Secretary.

MOTION

Mr. Savage moved that the House recede from its amendments to page 3, line 13 and to page 3, line 27.

POINT OF INQUIRY

Mr. Savage yielded to question by Mr. Charnley.

Mr. Charnley: "I wonder if you would mind just briefly explaining to me what the effect of these amendments were and what the effect will be if we take them off?"

Mr. Savage: "We, in the House, had an amendment that the surviving widow would receive payment for 24 months, and the House had said 'or the greater amount' between that and the $750 that she might receive as a blank settlement. The Senate says that instead of paying the greater of the two, they want to pay the lesser of the two. There are so many good things in the bill that I think we probably should accept it. In some cases there would be very little difference, but the House thought the widow ought to have the greater amount."

Mr. Charnley: "Is it your opinion that if we refuse to remove these amendments, the Senate would not accept the bill?"

Mr. Savage: "I'm not sure that it would kill the bill; we might negotiate further with a conference, but I think it's a little unusual to say that they have the greater amount, and so I think we would have an uphill battle."

The motion was carried.

FINAL PASSAGE OF SENATE BILL WITHOUT HOUSE AMENDMENTS

The Speaker (Mr. O'Brien presiding) stated the question before the House to be final passage of Second Substitute Senate Bill No. 2241 without the House amendments to page 3, line 13 and page 3, line 27.

Voting nay: Representatives Amen, Flanagan, Whiteside.

Not voting: Representatives Blair, Bond, Jueling, Kilbury, Leckenby, Moon, Newhouse, Perry, Peterson, Wojahn.

(2) No health maintenance organization, nor any health care facility or provider with which such organization has contracted to provide health care services, shall discriminate against any person from whom or on whose behalf, payment to meet the required charge is available, with regard to enrollment, disenrollment, or the provision of health care services, on the basis of such person's race, color, sex, religion, place of residence if there is reasonable access to the facility of the health maintenance organization, socioeconomic status, or status as a recipient of medicare under Title XVIII of the Social Security Act, 42 U.S.C. section 1396, et seq.

(3) Where a health maintenance organization determines that an enrolled participant has received health care services to which such enrolled participant is not entitled under the terms of his health maintenance contract, neither such organization, nor any health care facility or provider with which such organization has contracted to provide health care services, shall have recourse against such enrolled participant for any amount above the actual cost of providing such service, if any, specified in such contract, unless the enrolled participant or a member of his family has given or withheld information to the health maintenance organization, the effect of which is to mislead or misinform the health maintenance organization as to the enrolled participant's right to receive such services.

(g) Fraudulently procured or attempted to procure any benefit under this chapter.

(2) After providing written notice and an opportunity for a hearing to be scheduled no sooner than ten days following such notice, the commissioner shall make administrative findings and may, as appropriate:

(a) Impose a penalty of not more than ten thousand dollars for each and every unlawful act committed which materially affects the health services offered or furnished;

POINT OF ORDER

Mr. Perry: "I rise to ask the Chair to rule on the scope and object of this amendment which clearly discusses and includes in it part of a tax bill, part of the budget."

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. 'Brien presiding): "It appears that the amendment offered by Representative Barnes pertains to budgetary matters and the committee amendment pertains to raising of revenue and certain contingencies. So you have two different subject matters contained if we consider the amendment offered by Representative Barnes. According to our rules the amendment has to be germane to the original subject matter and I'm going to rule that it is not germane to the subject matter of raising revenues in connection to Engrossed Substitute Senate Bill No. 2159. The amendment is out of order."

The Speaker (Mr. 'Brien presiding) stated the question before the House to be the committee amendment.

Mr. Perry spoke in favor of the amendment, and it was adopted.

On page 6, section 6, line 11 after "shall be" strike "one-tenth, two-tenths, or"

Mr. Randall spoke in favor of the amendment to the committee amendment.

POINT OF INQUIRY

Mr. Randall yielded to question by Mr. Pardini.

Mr. Pardini: "The other half of the problem that we developed in the Revenue Committee, in addition to the one-tenths, two-tenths, three-tenths, was the area served. As I understand the transportation bill, it is a traffic benefit area or something along that line, some definition. Do we still have a problem with administration in applying the sales tax, say, in a regional area which ends at the end of a school district, but it would be less than a county? Would we still have that problem remaining, or do you intend to offer another amendment to correct that?"
Mr. Randall: "I think the answer to your question, is yes, the problem still remains. I have not prepared another amendment, however. The bill is so intertwined with a previous bill that we had a few moments ago on motor vehicle excise tax—the language is so intertwined throughout this bill that my staff could do it overnight, but they have to have time. You can't straighten this out with a short floor amendment and I think that this indicates where this bill should be."

Mr. Perry spoke in favor of the amendment to the committee amendment, and it was adopted.

Mr. Amen moved adoption of the following amendment to the committee amendment:
On page 11, section 12, line 19 strike "shall" and insert "may"

Authorizing buy-back of fishing vessels, gear and permits.

On motion of Mr. Conner, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2574 as amended by the House was placed on final passage.

Mr. Martinis spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Amen.

Mr. Amen: "You made a statement that the gear would be bought and the vessels and those persons from whom they were bought would not go back into that type of business. How do you prevent them from going back into it—putting that money into new gear, etc.?"
Mr. Martinis: "We passed, last year a gear moratorium, which would not allow any new commercial fishing licenses in the state. Those licenses are attached to the boat, so if you bought the boat and that was removed from the industry and that boat was not allowed to go back into the commercial industry, it would actually be a reduction in gear. The way the mechanics of the bill go is that the Director of Fisheries would institute rules and regulations for entering into contracts or agreements with the boat owners when they purchase the vessels and then resell them. The agreement would be that this boat would not go back into the industry or it would revert back to the state of Washington. It would be forfeited."

Mr. Amen: "Then under present legislation there are no new permits issued for going into the fishing industry?"

Mr. Martinis: "Basically that is correct. When we passed the moratorium we said that those boats that were under construction would be entitled to a fishing license, but we also set up a hardship board to where, if in time someone did petition the Director of Fisheries to enter into the commercial salmon fishing industry, it would be reviewed. The Director of Fisheries has been very, very careful and generally he draws the board from the peers, and the peers in the industry or that of the segment of the industry decide whether it's truly a hardship case or not and it's rare that a license is issued."

Mr. Randall moved adoption of the committee amendment by the Committee on Ways and Means – Revenue to page 1, line 1.

POINT OF ORDER

Mr. Eikenberry: "Mr. Speaker, my point of order is that this amendment contemplates the adoption of new sections to this act and apparently the sections are found at the back of our billbooks, and those sections, I submit, are beyond the scope and object of this bill; particularly the amendment that reads on page 12 following line 33 insert new sections as follows:—and then they start numbering new section 20, etc. These would be beyond the scope and object of this bill."

The Speaker: "We will withdraw the amendment on page 1, line 1, since it can be done in engrossing. They are future sections that this amendment is dependent on, so we will proceed on to the next amendment."

The Clerk read the Revenue Committee amendment to page 7, line 8.

POINT OF PARLIAMENTARY INQUIRY

Mr. Randall: "There are two committees that worked on this bill and the Parks and Recreation Committee amendments fall ahead of this position; they have one on page 4, line 8; page 5, line 14; page 5, line 15. I wonder if we shouldn't take those first?"

MOTION

On motion of Mr. Charette, further action on Engrossed Third Substitute Senate Bill No. 2048 was deferred, and the bill was ordered placed at the bottom of today's second reading calendar.

EXPLANATION OF VOTE

My voting machine malfunctioned and recorded my vote wrong. I intended to vote "No" on the amendment by Representatives Polk and Newhouse to SHB 1162.

ROBERT E. GAINES, 30th District.

On motion of Mr. Shinpoch, the following amendment by Representatives Shinpoch, Polk, Curtis and Bagnariol was adopted:

Renumber the remaining sections consecutively.

POINT OF PARLIAMENTARY INQUIRY

Mr. Newhouse: "In view of the amendment that was rejected, would you tell me, Mr. Speaker, if the Legislative Budget Committee is operating, organized and has a chairman, in view of the fact that the organization expired as far as this session is concerned with the beginning of this session of the legislature?"

The Speaker: "Representative Newhouse, I think you are asking me for a legal opinion, but it's the Speaker's understanding that it is a statutory committee so it will continue throughout the biennium unless its successors are appointed. I don't know for sure as each one differs to a certain extent, but that's normally how they are done. If it's merely a committee created by a resolution then it ceases normally at the start of a new session, but when it's statutorily created then it's however the statutes set them up. I would have to refer you to RCW 44.28.010."

Mr. Newhouse: "Can you tell me then if there has been any meeting of the Legislative Budget Committee scheduled for the month of June?"

The Speaker: "I'm afraid you will have to check with the chairman on that, Representative Newhouse. I do not schedule those committees."

Mr. Shinpoch spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Newhouse: "In this 135th day, Mr. Shinpoch, maybe we are setting a new record. Do you recall how many supplemental budgets this is for this biennium? Is it six or seven, and what are the total amount of dollars?"

Mr. Shinpoch: "No, I really can't answer you. We just seem to respond everytime the Chief Executive asks us to—we get a letter from his budget office that they have made another error and they would like to have some more money and we go in and review it and every once in awhile we pass one."

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1162, and the bill passed the House by the following vote: Yeas, 58; nays, 31; not voting, 9.

REPORTS OF STANDING COMMITTEES

ENGROSSED SUBSTITUTE HOUSE BILL NO. 198, Prime Sponsor: Representative Cecarelli, amending the insurance code. Reported by Committee on Financial Institutions.

MAJORITY recommendation: Do pass with the following amendments:

On page 1, line 22 after the enacting clause, insert a new section to read as follows:

"Section 1. Section 11, chapter 212, Laws of 1959 and RCW 31.08.175 are each amended to read as follows:

(1) No licensee shall require the purchasing of property insurance from the licensee or any employee, affiliate, or associate of the licensee or from any agent, broker, or insurance company designated by the licensee as a condition precedent to the making of a loan nor shall any licensee decline existing insurance which meets or exceeds the standards set forth in this section.

The licensee may require a borrower to insure tangible property offered as security for a loan hereunder against any substantial risk of loss, damage, or destruction for an amount not to exceed the reasonable value of the property insured or the amount of the loan and for the customary term approximating the term of the loan contract: PROVIDED, That no licensee hereunder may require such insurance on loans in an amount less than three hundred dollars. It shall be optional with the borrower to obtain such insurance in an amount greater than the amount of the loan or for a longer term. The premium for such insurance shall not exceed that fixed by current applicable manual of a recognized standard insurance rating bureau and such insurance shall be written by or through a duly licensed insurance agent or broker.

(2) A licensee may insure the life of one borrower, but only one of them if there are two or more obligors, for the unpaid principal balance scheduled to be outstanding; and regardless of the premium paid by the licensee, the licensee may charge not more than sixty cents per one hundred dollars per year computed on the original principal amount of the loan, excluding charges for the loan, when the loan contract requires substantially equal and consecutive monthly installments of principal and charges combined, and such charge may be in the same proportions for different payment schedules, maturities, and principal amounts: PROVIDED, HOWEVER, That if both husband and wife sign an obligation to repay the loan, each may be an insured borrower hereunder and a single identifiable insurance charge may be made by the licensee for the two jointly under a plan whereby both lives are insured but a death benefit is paid only upon the death of the spouse dying first. For such joint spouse coverage, the licensee may charge not more than one dollar per one hundred dollars per year computed on the same basis as herein prescribed for life insurance on one borrower. Such charge may be deducted from the principal of the loan when the loan is made. Only one such charge may be made in connection with any loan contract irrespective of the number of obligors, and only one obligor need be insured. If the insured obligor dies during the term of the loan contract, the insurance must pay the principal balance of the loan outstanding on the day of his death without any exception or reservation. The insurance shall be in force as soon as the loan is made. If the loan contract is prepaid in full by cash, a new loan, renewal, refinancing, or otherwise, a portion of such life insurance charge shall be rebated according to the method established in paragraphs (a) and (b) of subsection (3) of RCW 31.08.160. When charges for the loan are precomputed in accordance with subsection (3) of RCW 31.08.160, any required rebate and any permitted deferment charge may be computed on the combined total of the precomputed charge and the life insurance charge.

(3) If a borrower procures any insurance by or through a licensee, the statement required by RCW 31.08.170 shall disclose the cost to the borrower and the type of insurance, and the licensee shall cause to be delivered to the borrower a copy of the policy, certificate, or other evidence thereof within a reasonable time.

Notwithstanding any other provision of this chapter, any gain or advantage in any form whatsoever to the licensee or to any employee, affiliate, or associate of the licensee from any insurance or its sale or provision shall not be deemed to be additional or further interest, consideration, charges, or fee in connection with such loan.

Nothing in this section shall be deemed to alter, amend or repeal any provision of the insurance code.

No insurance shall be required, requested, sold, or offered for sale in connection with any loan made under this chapter, except as and to the extent authorized by this section."

Renumber remaining sections consecutively.

On page 5, section 6, line 31 strike all of subsection (3) and insert the following:

"(3) This section shall not apply with respect to any person securing and forwarding information required for the purposes of group (insurance covering the unpaid balance; or remaining payments proposed to be made, in connection with the purchase of merchandise or securities; and where no commission or other compensation is payable on account of such insurance to such person) credit life and credit disability insurance in connection with an extension of credit and such other credit life or disability insurance lines as the commissioner shall determine, and where no commission or other compensation is payable on account of the securing and forwarding of such information: PROVIDED, That the reimbursement of a creditor's actual expenses for securing and forwarding information required for the purposes of such group insurance shall not be considered a commission or other compensation if such reimbursement does not
of disability insurance which shall be in addition to and in accordance with applicable laws of this state, procedure disclosure, that set forth the manner, content, and required disclosure for the sale of individual policies including RCW 48.20.032, which may cover but shall not be limited to:

either with the purchase of such coverages or with the settlement of claims, and to provide for full disclosure, that RCW 48.21.160 through 48.21.190 and 48.44.240 as now or hereafter amended shall not apply to contracts which provide only accident coverage, nor to any contract written as supplemental coverage to any federal or state programs of health care including, but not limited to, Title XVII health insurance for the aged (commonly referred to as Medicare, Parts A and B), and amendments thereto."

On page 6, after section 9 added by the committee amendment, add a new section to read as follows: "NEW SECTION. Sec. 10. There is added to chapter 48.44 RCW a new section to read as follows:

(1) All agreements entered into by health care contractors with or for the benefit of persons or groups of persons for health care services which are the same or similar to disability policies of insurance authorized by chapters 48.20 and 48.21 RCW, notwithstanding any other provisions in chapter 48.44 to the contrary, shall comply with the provisions of chapters 48.20 and 48.21 RCW relating to benefits for services performed by licensed practitioners of health care: PROVIDED, That prepaid group practice plans which deliver services directly to a voluntary enrolled group of members shall be exempt from such compliance: PROVIDED FURTHER, That the practitioners specified in RCW 48.20.390 to 48.20.414, inclusive, and RCW 48.21.130 to 48.21.144, inclusive, develop and implement programs of utilization and peer review for the purpose of evaluating frequency of services rendered and fees charged: AND PROVIDED FURTHER, That said programs must be mutually acceptable to the practitioner, the health care contractor, and the secretary of the department of social and health services: AND PROVIDED FURTHER, That if such mutually acceptable programs are not developed and implemented within six months after the effective date of this act, the secretary of the department of social and health services shall promulgate regulations establishing such programs according to the intent of this act.

(2) All contracts or agreements renewed, delivered, or issued more than one hundred twenty days after the effective date of this act shall comply with the intent thereof, and the insurance commissioner shall disapprove any contracts or agreements that are not in compliance therewith, and he shall promulgate such rules and regulations as are necessary to carry out the provisions of this act."

On page 10, add new sections following old-numbered section 11 as follows: "Sec. 13. Section 4, chapter 119, Laws of 1974 ex. sess. and RCW 48.44.240 are each amended to read as follows:

Each group contract for health care services which is entered into, or renewed, on or after ((January 1, 1975)) the effective date of this 1975 amendatory act between a health care service contractor and the person or persons to receive such care shall contain provisions providing benefits for the treatment of alcoholism rendered to such person or persons by an alcoholic treatment facility which is an 'approved treatment facility' under RCW 70.96A.020(2).

NEW SECTION. Sec. 14. The purpose of sections 14 through 18 of this 1975 amendatory act is to provide reasonable standardization and simplification of terms and coverages of individual disability insurance policies to facilitate public understanding and comparison, to eliminate provisions contained in individual disability insurance policies which may be misleading or unreasonably confusing in connection either with the purchase of such coverages or with the settlement of claims, and to provide for full disclosure in the sale of disability coverages.

NEW SECTION. Sec. 15. There is added to chapter 48.20 RCW a new section to read as follows: "The commissioner shall issue regulations to establish specific standards, including standards of full and fair disclosure, that set forth the manner, content, and required disclosure for the sale of individual policies of disability insurance which shall be in addition to and in accordance with applicable laws of this state, including RCW 48.20.032, which may cover but shall not be limited to:

(14) The definition of terms including but not limited to the following: Hospital, accident, sickness, injury, physician, accidental means, total disability, partial disability, nervous disorder, guaranteed renewable, and noncancellable.

NEW SECTION. Sec. 16. There is added to chapter 48.20 RCW a new section to read as follows:

(1) The commissioner shall issue regulations to establish minimum standards for benefits under each of the following categories of coverage in individual policies, other than conversion policies issued pursuant to a contractual conversion privilege under a group policy, of disability insurance:

(b) Basic medical-surgical expense coverage;
(c) Hospital confinement indemnity coverage;
(d) Major medical expense coverage;
(e) Disability income protection coverage;
(f) Accident only coverage; and
(g) Specified disease or specified accident coverage.

(2) Nothing in this section shall preclude the issuance of any policy which combines two or more of the categories of coverage enumerated in items (a) through (f) of subsection (1) of this section.

(3) No policy shall be delivered or issued for delivery in this state which does not meet the prescribed minimum standards for the categories of coverage listed in items (a) through (g) of subsection (1) of this section, unless the commissioner finds such policy will be in the public interest and such policy meets the requirements set forth in RCW 48.18.110.

(4) The commissioner shall prescribe the method of indentification of policies based upon coverages provided.

NEW SECTION. Sec. 17. There is added to chapter 48.20 RCW a new section to read as follows:

(1) No policy of individual disability insurance shall be delivered or issued for delivery in this state unless an outline of coverage described in subsection (2) of this section is furnished to the applicant in accordance with such rules or regulations as the commissioner shall prescribe.

(2) The commissioner shall prescribe the format and content of the outline of coverage required by subsection (1) of this section. 'Format' means style, arrangement, and overall appearance, including such items as the size, color, and prominence of type and the arrangement of text and captions. Such outline of coverage shall include:

(b) A description of the principal benefits and coverage provided in the policy;
(c) A statement of the exceptions, reductions and limitations contained in the policy;
(d) A statement of the renewal provisions including any reservation by the insurer of a right to change premiums; and
(e) A statement that the outline is a summary of the policy issued or applied for and that the policy should be consulted to determine governing contractual provisions.

NEW SECTION. Sec. 18. There is added to chapter 48.20 RCW a new section to read as follows:

Notwithstanding the provisions of RCW 48.20.052, if an insurer elects to use a simplified application form, with or without a question as to the applicant's health at the time of application, but without any questions concerning the insured's health history or medical treatment history, the policy must cover any loss occurring after twelve months from any preexisting condition not specifically excluded from coverage by terms of the policy, and, except as so provided, the policy shall not include wording that would permit a defense based upon preexisting conditions.

NEW SECTION. Sec. 19. There is added to chapter 48.21 RCW a new section to read as follows:

(1) No group disability insurance policy providing hospital, medical or surgical expense benefits and which contains a provision for the reduction of benefits otherwise payable thereunder solely on account of the existence of similar benefits provided under any individual disability insurance policy, or under any individual health care service contract.

(2) No group disability insurance policy providing hospital, medical or surgical expense benefits and which contains a provision for the reduction of benefits otherwise payable thereunder on the basis of other existing coverages, shall provide that such reduction will operate to reduce total benefits payable below an amount equal to one hundred percent of total allowable expenses. The commissioner shall by rule establish guidelines for the application of this section, including: (a) The procedures by which persons insured under such policies are to be made aware of the existence of such a provision; (b) the benefits which may be subject to such a provision; (c) the effect of such a provision on the benefits provided; (d) establishment of the order of benefit determination; and (e) reasonable claim administration procedures to expedite claim payments under such a provision.

(3) The provisions of this section shall apply to health care service contractor contracts."

Renumber the remaining section as section 20.

On page 6, amend new section 10 added by the Senate amendment by Senator Day, at the end of subsection (1) after "compliance" insert ": PROVIDED FURTHER, That the practitioners specified in RCW 48.20.390 to 48.20.414, inclusive, and RCW 48.21.130 to 48.21.144, inclusive, develop and implement programs of utilization and peer review for the purpose of evaluating frequency of services rendered and fees charged: AND PROVIDED FURTHER, That said programs must be mutually acceptable to the practitioner, the health care contractor, and the secretary of the department of social and health services:

MESSAGE FROM THE GOVERNOR

May 27, 1975

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON
LADIES AND GENTLEMEN:

I am returning herewith without my approval as to one section, HOUSE BILL NO. 1075 entitled:

"AN ACT Relating to state funds."

This bill transfers balances in the general administration construction fund and public school building construction account to the state general fund.

Section 2 declares an emergency and provides for the act to take effect immediately. I have, on several recent occasions, expressed my increasing apprehension over repeated and unwarranted use of emergency clauses in bills that do not measure up the standard of urgency contained in Article II, section 1(b) of our Constitution. I have vetoed emergency clauses from such bills, and must do so again for the same reason in the case of this bill.

With the exception of section 2 which I have vetoed, the remainder of House Bill No. 1075 is approved.

Respectfully submitted,
DANIEL J. EVANS, Governor.

MESSAGE FROM THE GOVERNOR

May 27, 1975

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON
LADIES AND GENTLEMEN:

On this date I have approved SUBSTITUTE HOUSE BILL NO. 86 entitled:
"AN ACT Establishing sales tax liability for certain government contractors."

This bill will extend the state sales tax to materials on labor employed in construction for the federal government. It is anticipated that this measure will increase state and local general fund revenues by approximately 10.2 million dollars per biennium.

While I have signed this measure, I have one serious reservation. This bill will extend the state sales tax to construction projects undertaken by housing authorities. This may well have
a negative impact on low income housing construction in this state, a consequence which I believe to be undesirable.

Therefore, while I am signing this measure into law I am requesting the Department of Revenue and the Office of Community Development to review the impact of this legislation on housing authorities and recommend either legislative or budgetary actions to be considered by the next session of the Legislature to minimize any negative impacts Substitute House Bill No. 86 may have on their activities.

Respectfully submitted,

DANIEL J. EVANS, Governor.

SIGNED BY THE SPEAKER

The Speaker (Mr. O'Brien presiding) announced that the Speaker had signed:

HOUSE BILL NO. 105,

SENATE AMENDMENTS TO HOUSE BILL

May 23, 1975

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 763 with the following amendments:

On page 1, line 9 after the period strike all matter down through the period on line 17 and insert "A delinquent juvenile shall be under the jurisdiction of the juvenile court or the authority of the department of social and health services beyond the child's eighteenth birthday only if the juvenile court has, prior to the juvenile's eighteenth birthday, found the juvenile to be delinquent and has extended the jurisdiction beyond the child's eighteenth birthday by written order setting forth its reasons therefor."

On page 1, line 19 strike "its"

and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

MOTION

Mrs. Hayner moved that the House do concur in the Senate amendments to Engrossed House Bill No. 763.

POINT OF INQUIRY

Mrs. Hayner yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "Would concurrence as you have recommended have anything to do with the funding of delinquents over age 18 in group homes where they have been remanded by a court to those group homes? We have the problem of DSHS being unable to support those juveniles in those group homes after they have reached 18 even though they were still going to high school. We have done this by budget proviso the last few years; and we passed a bill out of the House several months ago to do this and it's hung up in the Senate somewhere. Is that subject matter involved in this bill?"

Mrs. Hayner: "There is nothing in this bill as to whether or not the Department has to support them; however, if the court does find that they are delinquent and there is a written order to the effect that they may be under the control of the court or the Department beyond their eighteenth birthday, I would assume that it would be the duty of the Department to take care of them."

Mr. Knowles spoke in favor of concurring in the Senate amendments, and the motion was carried.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker (Mr. O'Brien presiding) stated the question before the House to be final passage of Engrossed House Bill No. 763 as amended by the Senate.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 763 as amended by the Senate, and the bill passed the House by the following vote: Yeas, 89; nays, 0; not voting, 9.

Not voting: Representatives Blair, Bond, Flanagan, Jueling, Lee, McCormick, Patterson, Peterson, Smith R.

Engrossed House Bill No. 763 as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

Mr. Curtis moved that the House immediately consider the Message from the Senate regarding House Bill No. 988.

On motion of Mr. Charette, the motion by Mr. Curtis was laid on the table.

POINT OF PARLIAMENTARY INQUIRY

Mr. Curtis: "What effect does the motion to table have on House Bill No. 988? Does the motion to table take the bill with it?"

The Speaker (Mr. O'Brien presiding): "No, it doesn't. It doesn't have any effect on it."

MESSAGE FROM THE GOVERNOR

May 15, 1975

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON
LADIES AND GENTLEMEN:
I am returning herewith without my approval HOUSE BILL NO. 102 entitled:
"AN ACT Relating to purchasing and material control in state government."

This bill creates a supply management policy board which replaces the existing purchasing advisory committee established under RCW chapter 43.19. The new board is vested with wide-ranging policy-making responsibilities in the area of state government purchasing and material control.

The intent of the bill, insofar as it relates to centralizing and monitoring purchasing and supply management policies of state agencies, is both desirable and timely. Up to this time, there has been no clear statutory authorization for the Department of General Administration or any other state agency to effect cost-saving management policies in the area of purchasing
and supplies for state government. Nor has there been adequate staff funding to devise and implement sound management policies.

I cannot accept, however, the premise that the intent of the legislature can be better achieved through a twelve-member board consisting of diverse and potentially conflicting interests within state government. If anything, the assignment of significant policy responsibilities to such a large, part–time board will delay and inhibit the legislative directives set forth in the bill. I believe the task can be performed more thoroughly and efficiently by the Department of General Administration, particularly since the legislative mandate has been clearly defined and adequate staff funding provided. I would not hesitate to approve a bill substantially the same as House Bill No. 102 in which that department is charged with the policy responsibilities instead of a new and separate board. Such a bill might retain an advisory committee such as that existing under the present law to ensure that the department is aware of the needs and management capabilities of other state agencies.

For the foregoing reasons, I have determined to veto House Bill No. 102.

Respectfully submitted,
DANIEL J. EVANS, Governor.

MOTION

Mr. Shinpoch moved that the House do pass House Bill No. 102 notwithstanding the veto of the Governor.

Representatives Shinpoch and Polk spoke in favor of the motion, and Representatives Newhouse and Charette spoke against it.

ROLL CALL

The Clerk called the roll on the final passage of House Bill No. 102 notwithstanding the Governor's veto, and the bill passed the House by the following vote: Yeas, 63; nays, 30; not voting, 5.

Not voting: Representatives Blair, Bond, Jueling, Paris, Peterson.

House Bill No. 102 notwithstanding the Governor's veto, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SENATE AMENDMENT TO HOUSE BILL

May 6, 1975

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 988 with the following amendment:

Strike all material after the enacting clause and insert the following:

"NEW SECTION. Section 1. In each year when a President of the United States is to be nominated and elected, there shall be held a presidential preference primary at which each voter shall have the opportunity to vote for any one candidate of any one major political party for nomination for President of the United States. Such vote may be cast for candidates placed on the ballot pursuant to section 2 of this act, or, in the alternative, for delegates and alternate delegates pledged to a specific presidential candidate or uncommitted and placed on the ballot pursuant to section 3 of this act.

The presidential preference primary shall be held on the fourth Tuesday in May of each presidential election year.

NEW SECTION. Sec. 2. The name of a candidate for a major political party nomination for president shall be printed in alphabetical order on the ballot if:

1. The secretary of state shall have determined that the individual's candidacy is generally advocated or recognized in the national news media throughout the United States and shall have certified to the state chairman of each political party, on or before the sixty-first day preceding the presidential preference primary, the names of the individuals the secretary of state has determined to be recognized candidates for the nomination of that party to the office of president; or

2. Members of the political party of the candidate shall have presented a petition for nomination of such candidate which shall have attached thereto a sheet or sheets containing the signatures of at least a number of registered voters who declare themselves in the petition as being affiliated with the same political party as such presidential candidate, equal to one percent of the vote cast in the state for the candidate of such political party for president at the last presidential election, or at least three thousand such registered voters, whichever number is the greater. The petition shall be filed with the secretary of state not later than the forty-fifth day prior to the presidential preference primary. The signatures sheets shall also contain the residence address and name or number of the precinct of each registered voter whose signature appears thereon and shall be certified to in the manner prescribed in RCW 29.79.200 and 29.79.210.

NEW SECTION. Sec. 3.

1. Each political party shall select delegates and alternate delegates to its national nominating convention and apportion delegate votes by the method and under such rules and regulations as each such party may prescribe.

2. The names of candidates for election as delegates and alternate delegates to a major political party's national nominating convention shall be printed on the presidential preference primary ballot if the state central committee of any such party so directs the secretary of state.

NEW SECTION. Sec. 4. If a state central committee chooses to elect delegates and alternate delegates pursuant to section 3 of this act, the following procedures shall apply to such election:

1. Each person desiring to be a candidate for delegate or alternate delegate shall file with the secretary of state:
   a. A declaration of candidacy,
   b. A petition in a form prescribed by the secretary of state containing the signatures of at least five hundred registered voters residing in such person's congressional district, and
   c. A statement declaring (i) the name of such person's preference for president or (ii) that such person is uncommitted. Such statement shall also appear on the face of each petition prior to its circulation for signatures.
   d. Authorization in writing from a presidential candidate for said person to be a candidate for delegate or alternate delegate pledged to such presidential candidate.

   The filing period for the position of delegate or alternate delegate shall open the first Monday in April of each year in which a presidential preference primary is to be held and shall close on the first succeeding Friday.

2. Each person who shall have filed as a pledged candidate for delegate or alternate delegate pursuant to subsection (1) of this section shall submit prior to the date of the presidential primary election the following pledge to the state chairperson of the appropriate major political party:

   Delegate Pledge

   I, _____ , do hereby swear that I am a supporter of _____ for the office of the President of the United States; and that if elected as a delegate or alternate delegate to the _____ Party National Convention I shall do all that I can to advance the cause of said candidate at the national convention, and furthermore, I shall cast my ballot as a delegate to said convention for said candidate on the first two ballots unless released by said candidate.

3. The names of candidates for delegate or alternate delegate who are pledged to their designated presidential candidate shall have their names appear together on the ballot in alphabetical order in conjunction with the names in alphabetical order of such presidential candidate. The names of candidates who are not pledged to any presidential candidate shall be listed together in alphabetical order on the ballot in
conjunction with their party designation and the designation of "uncommitted delegates or alternate delegates".

(4) If party rules so provide, candidates pledged to a presidential candidate pursuant to subsection (2) of this section shall appear on the ballot only if the number of said delegate and alternate candidates is greater than or equal to the total number of delegates and alternate delegates to be elected in this state or in each congressional district, as appropriate.

NEW SECTION. Sec. 5. Insofar as is practicable, and where the provisions of this chapter do not specifically indicate otherwise, the presidential preference primary shall be conducted in the same manner as a state primary, including the certification of the election returns by the state canvassing board: PROVIDED, That the requirement of rotation of names on the ballot shall not apply to the presidential preference primary election: PROVIDED FURTHER, That the secretary of state shall certify all names to appear on the presidential preference primary ballot to the respective county auditors on or before the fourth Tuesday in April of each presidential year. County auditors, at their discretion, may combine and consolidate two or more precincts for the purpose of conducting this election only: PROVIDED, That no voter shall be required because of such consolidation to go to a location different from that of the last election. The secretary of state as chief election officer may make rules and regulations in accordance with chapter 34.04 RCW to facilitate the operation, accomplishment, and purpose of this chapter.

NEW SECTION. Sec. 6. At a presidential preference primary, a voter may vote for no more than one presidential candidate, or for no more than the total number of delegates or alternate delegates to be elected in the state or congressional district, as appropriate. Any presidential preference primary ballot with any more than such votes shall be void.

Notwithstanding the provisions of RCW 29.18.200, in the event an election for delegates and alternate delegates shall be held pursuant to section 4 of this act, a voter may vote only for delegates and alternate delegates of the same political party. If any voter votes for delegates or alternate delegates of more than one party or for delegates and alternate delegates of one political party and a presidential candidate of another political party, all such votes shall be void. A plurality vote shall be sufficient to elect a delegate or alternate delegate to any national convention, and the allotted number of candidates receiving the highest number of votes shall be deemed elected.

Notice to the effect of the provisions of this section shall appear prominently on the face of each presidential preference primary ballot. Where voting machines or voting devices are in use, the notice shall be displayed on or about each machine or device.

NEW SECTION. Sec. 7. Whenever a presidential preference primary election is held as provided by this chapter, the state of Washington shall assume all costs of holding such election: PROVIDED, That if any other election or elections shall be held at the same time, the state shall be liable only for its prorated share. Each county auditor shall determine the election costs, including the state's prorated share, if applicable, and shall file a certified claim therefor with the state auditor. The state auditor shall compile such claims for presentation to the next succeeding legislature in the same manner as other legislative relief claims.

NEW SECTION. Sec. 8. The position of delegate or alternate delegate shall not be considered a public office for purposes of application of chapter 42.17 RCW, the Washington state public disclosure law.

NEW SECTION Sec. 9. Sections 1 through 8 of this act shall constitute a new chapter in Title 29RCW.

NEW SECTION. Sec. 10. If any provision of this 1975 act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

The copy I have here is a copy of the budget as they went to their caucuses with it, so it's not the final version. They are going to attempt to pass that budget today and once we have that—"

The Speaker: "Representative Bagnariol, I don't really follow the debate in regard to this particular resolution, and I wish we would address ourselves to the amendment before us. I think the question is out of order."

POINT OF PARLIAMENTARY INQUIRY

Mr. Polk: "I understand Representative Charette's explanation of it being a question of conference between the House and the Senate to decide how to handle bills of this nature. Has the Speaker made a ruling as to whether the bills that have been rereferred to committee under House Rule 32, and are brought out now for the second reading calendar, are open for full amendment to the entire bill?"

The Speaker: "No, this is what Representatives Newhouse and Charette are addressing their remarks to, as to exactly what the scope of amendatory process should be, and how the bill should be proceeding through. The Speaker has talked to the attorney for President Cherberg and he is also working on this matter and we hope we can work out some sort of a general procedure so that people will realize just how the respective houses intend to handle this matter. Possibly in the future we will actually put this in the rules because it is a little vague at the present time."

Mr. Polk: "Will that also include the question of whether it will be treated as a matter of dispute or whether it will be treated as a bill?"

The Speaker: "Yes, because that is the vital part of exactly how we are going to handle these bills."
POINT OF INFORMATION

Mrs. Hurley (Margaret): "When bills are listed on second reading calendar, then how is the membership to know whether they are really on second reading for purpose of amendment like all second reading bills, or just on second reading and we are not supposed to amend them?"

The Speaker: "I think this is what we are attempting to determine, whether we should handle these bills separately or if it should appear in the digest as to why the bill is on second reading."

Mrs. Hurley: "Will the House have an opportunity to help you decide?"

The Speaker: "I would imagine that the House always has the final decision as to rulings by the Chair. We are attempting to bring both sides in and we will in the Senate, too, so that we can work out something to live with for quite awhile. In other words, I would hope that the decision as to how we handle this is not just determined on this particular bill, but rather that it be a long-term way we want to handle bills, rather than any individual bill, Representative Hurley."

MOTION

Mr. Kuehnle moved that Engrossed Substitute House Bill No. 413 be rereferred to Committee on Rules.

SPEAKER'S RULING

The Speaker: "Representative Kuehnle, that motion is of the same rank as the motion presently pending to commit to a day certain. I think we would have to dispose of that motion first before we can move on your motion."

The motion by Mr. Charette to defer further action on the bill until tomorrow was carried.

MOTION

Mr. Kuehnle moved that Engrossed Substitute House Bill No. 413 be rereferred to Committee on Rules.

The motion was lost.

MOTION

On motion of Mr. Thompson, further action on House Bill No. 1033 was deferred, and the bill was ordered held for tomorrow's second reading calendar.

HOUSE BILL NO. 1174, by Representative Kilbury:
Relating to agriculture.

The bill was read the second time.

On motion of Mr. Kilbury, Substitute House Bill No. 1174 was substituted for House Bill No. 1174, and the substitute bill was placed on the second reading calendar.

Substitute House Bill No. 1174 was read the second time.

On motion of Mr. Gaspard, the rules were suspended, the second reading considered the third, and Substitute House Bill No. 1174 was placed on final passage.

Mr. Kilbury spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Kilbury yielded to question by Mr. King.

Mr. King: "What manner would be used to identify berries that would not be involved in interstate commerce?"
Mr. Kilbury: "The marking on the boxes and the flats would be used. It would be impossible to put them into jam or anything of that nature because that would almost certainly be going to interstate commerce."

Mr. King: "Isn't the determination of the jurisdiction of the interstate commerce made by the federal government at the present time, and isn't it true that they have extended jurisdiction even to safety affecting elevators which go up and down in a building? There is an application of legal principles, and my question is this: Do you feel that you have researched this thoroughly enough to know that by action of the state, we can avoid a federal jurisdiction?"

Mr. Kilbury: "I think so, but I could not assure you that is absolutely true."

POINT OF INQUIRY

Mr. Kilbury yielded to question by Mrs. Cochrane.

Mrs. Cochrane: "Is this considered all berries, or just strawberries?"

Mr. Kilbury: "No, this would be all berries."

Mrs. Cochrane: "Following up on Representative King's question, I'm not satisfied with the answer as the marking of the boxes. Who supervises from then on as to whether the boxes go out of state or intrastate?"

Mr. Kilbury: "Well, I would assume the boxes would be marked primarily for the fresh market and would not enter into interstate commerce. The processor would have to be assured or the sellers."

Representatives Moreau and Fortson spoke in favor of the bill.

POINT OF INQUIRY

Mr. Moreau yielded to question by Mr. Hansey.

Mr. Hansey: "I just wanted to get the legislative intent in here, that subsection (c) in section 2 says the secretary of agriculture or his designee certifies that there are not sufficient workers available. Was it the intention that the United States Secretary of Agriculture be the one to make that determination, or the state Director of Agriculture?"

Mr. Moreau: "The Washington state Director."

Mr. Deccio spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 1174, and the bill passed the House by the following vote: Yeas, 85; nays, 7; not voting, 6.

Substitute House Bill No. 1174, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTIONS

On motion of Mr. Kilbury, Substitute House Bill No. 1174 was ordered transmitted immediately to the Senate.

A division was called for.

**POINT OF ORDER**

Mr. Douthwaite: "Rule 82 requires that bills which stand to raise revenues by more than five million dollars over a four year period shall be acted upon by the whole Ways and Means Committee. I see by the bill report that it has gone to Commerce Committee only."

Mr. Moon spoke to the point of order, speaking in favor of rereferring the bill to Committee on Ways and Means.

**POINT OF ORDER**

Mr. Douthwaite: "I believe my point of order wasn't quite on target. The rules provide that all bills reported to the Ways and Means Committee must be reported by the whole Ways and Means Committee. A later point in the rule says, 'All bills including a direct appropriation must be referred to the Ways and Means Committee before appearing on the second reading calendar.' This bill does include a one and a half million dollar appropriation."

**SPEAKER'S RULING (MR. CHARETTE PRESIDING)**

The Speaker (Mr. Charette presiding): "Representative Douthwaite is referring to House Rule 82 and that portion of the rule states that all bills containing a direct appropriation must be referred to the Ways and Means Committee before appearing on the second reading calendar. In the opinion of the Speaker, the point is well taken."

Engrossed Senate Bill No. 2020 was rereferred to Committee on Ways and Means.

Mr. O'Brien assumed the chair.

On motion of Mr. Charette, the House recessed until 1:30 p.m.

SPEAKER'S ADMONITION

The Speaker (Mr. O'Brien presiding): "Rule 49 states in part, 'A motion for suspension of the rules shall not be debatable, except, however, the mover of the motion may briefly explain the purpose of the motion, and one member may briefly state the opposition to the motion.' You will hold your remarks to this vein and not open the main question for debate."

Mr. Perry spoke against the motion.

ROLL CALL

The Clerk called the roll on the motion to suspend the rules and return Engrossed Substitute Senate Bill No. 2159 as amended by the House to second reading, and the motion failed by the following vote:

Yeas, 26; nays, 69; not voting, 3.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be final passage of Engrossed Substitute Senate Bill No. 2159 as amended by the House.

Representatives Savage and Berentson spoke in favor of the bill, and Mr. Brown spoke against it.

POINT OF INQUIRY

Mr. Perry yielded to question by Mr. Deccio.

Mr. Deccio: 'On the fact sheets which were given to us it says, 'Why is there a financing problem? Reduced gasoline consumption, revenue down.' The monthly report of the Research Council indicated that during the calendar year of 1973-74 there was a decrease of $730,000. Information I received from the Treasurer's Office yesterday, indicated that revenues were up for the four months of this year compared to last year by over a million dollars. That's my question—the fact sheets indicate revenues are down, but the Treasurer's Office says they are up. It was my understanding that was the reason for the variable gas tax, because revenues were down and were steadily declining.'

Mr. Perry: 'Revenues, as anticipated, are down. The highway program years ago was put together with a 6 and 14 year program and it estimated a percentage of increase in motor vehicle fuel taxes every biennium. Myself and several other members of this House of Representatives questioned whether that was a valid assumption and we did this two and four years ago. The department came in with those assumptions that the growth of the fuel tax would always be there because there was plenty of gasoline, but there wasn't that much gasoline and the growth is still appreciably below the anticipated 1974 revenues. In other words, it's above what it was the year before, but it's still below the anticipated revenue in the fuel sales forecast that we have been going on for years. The other factor involved here is that there is a massive amount of inflation, as we all know, in the costs of repairing and constructing and reconstructing of highways and bridges. This is what we are looking at. We are looking at a budget here which is still below the last biennium's highway budget. We are not coming in here as it would be purported to pass a huge package; we've come in here to try to maintain the equilibrium of the Highway Department. The figures represented in this budget are 12% less than they were two years ago. There's a 12% decrease in the manpower.'

Mr. Flanagan spoke against passage of the bill.
POINT OF INQUIRY

Mr. Perry yielded to question by Mr. Bausch.

Mr. Bausch: "Representative Perry, I speak to the fact of safety of highways—if this would happen to be defeated, wouldn’t this have a tremendous effect on the highway safety program, such as the Randall Overpass and those various overpasses and safety features that we’ve had to have in the state? Would this have quite an impact on them?"

Mr. Perry: "It would have quite an impact on some of the roads which have been adjudged unsafe. There are a number of roads that are in the process—with the funds that are forthcoming from this measure—of straightening out, taking out dangerous curves, widening roads so they don’t have to neck down into very dangerous traffic areas. There would be an appreciable loss of funds to the safety program."

Mr. Douthwaite spoke against passage of the bill.

Mr. Charette demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2159 as amended by the House, and the bill passed the House by the following vote: Yeas, 50; nays, 45; not voting, 3.

Not voting: Representatives Blair, Bond, Jueling.

Engrossed Substitute Senate Bill No. 2159 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2280 as amended by the House, by Committee on Transportation and Utilities (Originally sponsored by Senators Walgren, Bailey, North, Beck, Talley, Fleming, Sellar, Lewis (R.H.), Ridder, Jolly, Goltz, Morrison, Gould, Day, Henry, Stortini, Wanamaker and Washington):

Pertaining to financing municipal transportation systems.

The bill was read the third time and placed on final passage.

Mr. Perry spoke in favor of passage of the bill.

Mr. Charette demanded an oral roll call and the demand was sustained.

POINT OF INQUIRY

Mr. Perry yielded to question by Ms. Cochrane.

Ms. Cochrane: "We’ve had several surveys and studies on public transportation in the Tri-city area, and the kind of transportation that they have in Seattle and the other larger areas we have found is not practical. We do have a very clear need for transportation that will serve the senior citizens, handicapped, children, etc., and it should be different from the kind of mass transit that you have in Seattle. Would it be possible to have elections or local option for small programs that would serve a different kind of transportation than normally we think of as mass transit?"

Mr. Perry: "Yes, Representative Cochrane, we had a bill prior to this one that was a county-wide bill for transit, and that definitely did not serve the needs of areas such as yours. Two years ago we had a study which your people from the Tri-cities area were involved in, and the findings of that study were that until we got transit benefit areas such as this where a mixture of the local officials would decide upon what type of a transportation district they wanted and then submit that to a vote of the people, you were pretty well hung up in conventional transportation. Specifically, the only dial-a-ride experiments I know of in the
country have been funded by the DOT, and that money is not available for those full funding demonstration dial-a-rides. To my knowledge, there isn't a dial-a-ride in the country that is operating solely with local moneys and some federal participation—80% for equipment. You could, under your auspices with the state money and the local money, get a capital grant for equipment, but I doubt you could get a demonstration grant from the federal government. This bill has the flexibility to allow that.”

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2280 as amended by the House, and the bill passed the House by the following vote: Yeas, 75; nays, 20; not voting, 3.

Voting nay: Representatives Amen, Bagnariol, Charette, Curtis, Deccio, Eikenberry, Flanagan, Freeman, Gaspard, Hayner, Kuehnl, Newhouse, Polk, Randall, Schumaker, Shinpoch, Smith E. P., Warnke, Williams, and Mr. Speaker.

Not voting: Representatives Blair, Bond, Jueling.

Engrossed Substitute Senate Bill No. 2280 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2937 as amended by the House, by Committee on Transportation and Utilities (Originally sponsored by Senator Walgren):

Relating to transportation taxation.

The bill was read the third time and placed on final passage.

POINT OF ORDER

Mr. Flanagan: "This bill raises the general fund tax, the motor vehicle excise tax, and in a four year period it increases revenue by more than forty million dollars. House Rule 82 says that any bill that increases or lowers revenues by five million dollars or more over a four year period must be acted upon and reported by the whole Ways and Means Committee. This bill has never been in the Ways and Means Committee."

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Rule 82 states in part, 'That all bills, memorials, and resolutions, referred to the subcommittee on Appropriations or Revenue and Taxation of the Ways and Means...'. and then it goes on further about the four year period and the raising and lowering of revenue by five million dollars. This pertains to all bills, memorials and resolutions referred to the Committee on Ways and Means and in this case, Engrossed Substitute Senate Bill No. 2937 was referred to the Committee on Transportation and Utilities, where all bills of this nature have been sent for a long period of time, and tradition has been established that all bills pertaining to motor vehicle excise taxes have been consistently considered by the Committee on Transportation and Utilities. This bill was never considered by the Committee on Ways and Means and we have never referred it to such a committee, and the rules don't require it be referred to the Committee on Ways and Means, and so the Committee on Transportation and Utilities has rightly considered this bill and it comes out as a do pass recommendation from that committee. Your point of order is not well taken."

Mr. Flanagan: "This is not a highway tax. The motor vehicle excise tax is not now and has never been a highway tax. It has always been a general fund tax and it originally was a property tax; and we substituted an excise tax for it. The money goes into the general fund—the part that is not distributed to cities and counties—and it is not a highway tax. Therefore if this kind of a bill is not referred to Ways and Means, I don't see what kind of a bill would be referred there."

The Speaker (Mr. O'Brien presiding): "If you will review Rule 82, you will find that there is latitude in referring the bill and rightfully so, to Transportation and Utilities. Your point of order is not well taken."
POINT OF ORDER

Mr. Randall: "I would like to refer to a different point of order concerning the same bill and the same rule. The rule reads, and I am going on our interpretation with Senate Bill No. 2020 this morning, 'All bills including a direct appropriation must be referred to the Ways and Means Committee before appearing on the second reading calendar.' On page 5 of the bill, section 5, lines 11 and 12 it reads, 'All revenue credited to the public transportation account shall be appropriated...'. That sixteen million dollars is a direct appropriation in the bill and the point of order should be considered."

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "House Rule 82 says that all bills containing a direct appropriation must be referred to the Ways and Means Committee before appearing on the second reading calendar. Your point of order is not well taken, because of two things: The bill is now on third reading and apparently the bill does not contain a direct appropriation. It just sets up the mechanism on how the appropriation will be subsequently made by the Ways and Means Committee. Your point of order is not well taken."

The Speaker (Mr. O'Brien presiding) stated the question before the House to be final passage of Engrossed Substitute Senate Bill No. 2937 as amended by the House.

Mr. Perry spoke in favor of passage of the bill.

MOTION

Mr. Randall moved that Engrossed Substitute Senate Bill No. 2937 be rereferred to Committee on Ways and Means - Revenue.

Representatives Randall and Flanagan spoke in favor of the motion, and Mr. Charette spoke against it.

ROLL CALL

The Clerk called the roll on the motion to rerefer Engrossed Substitute Senate Bill No. 2937 as amended by the House to Committee on Ways and Means - Revenue, and the motion was lost by the following vote: Yeas, 42; nays, 53; not voting, 3.

Not voting: Representatives Blair, Bond, Jueling.

Mr. Newhouse moved that the Committee on Ways and Means - Appropriations be relieved of Engrossed Substitute Senate Bill No. 2535, and that the bill be placed on the calendar for immediate consideration.

Mr. Newhouse spoke in favor of the motion, and Representatives Perry and Shinpoch spoke against it.

ROLL CALL

The Clerk called the roll on the motion to relieve the Committee on Ways and Means - Appropriations of Engrossed Substitute Senate Bill No. 2535 for immediate consideration, and the motion was lost by the following vote: Yeas, 36; nays, 59; not voting, 3.

Moreau, North, O'Brien, Parker, Perry, Randall, Savage, Seeberger, Sherman, Shinpoch, Smith E. P., Smith R., Sommers, Thompson, Valle, Warnke, Wojahn, and Mr. Speaker.

Not voting: Representatives Blair, Bond, Jueling.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be final passage of Engrossed Substitute Senate Bill No. 2937 as amended by the House.

Mr. Charette demanded an oral roll call and the demand was sustained.

Mr. Zimmerman spoke in favor of passage of the bill, and Representatives Eikenberry and Flanagan spoke against it.

Mr. Perry closed debate, speaking again in favor of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2937 as amended by the House, and the bill passed the House by the following vote: Yeas, 50; nays, 45; not voting, 3.

Not voting: Representatives Blair, Bond, Jueling.

Engrossed Substitute Senate Bill No. 2937 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Mr. Charette, all bills passed to this point in the proceedings were ordered transmitted immediately to the Senate.

The Speaker assumed the Chair.

MOTIONS

On motion of Mr. Conner, the House dispensed with further business under the Call of the House.

SIGNED BY THE SPEAKER

The Speaker announced that he was about to sign:

SUBSTITUTE HOUSE BILL NO. 479.

On motion of Mr. Charette, the House reverted to the sixth order of business.

SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 2736, by Committee on Ways and Means (Originally sponsored by Senators Donohue, Odegaard and Newschwander):

Making certain corrections and adjustments in the tax laws.

The bill was read the second time.

Committee on Ways and Means – Revenue recommendation: Majority, do pass as amended. (For amendments, see Journal, Sixty-ninth Day ex. sess., May 21, 1975.)

Mr. Randall moved adoption of the committee amendment to the body of the bill.

Mr. Newhouse moved adoption of the following amendment to the committee amendment:

On page I, after "county" on line 17 strike "enumerated in RCW 70.33.040" on line 18 and insert "((enumerated in RCW 70.33.040)) in the state of Washington"

Mr. Newhouse spoke in favor of the amendment, and Ms. Sommers spoke against it.
POINT OF INQUIRY

Mr. Randall yielded to question by Mr. Lysen.

Mr. Lysen: "Before we start on these amendments, I would like to know on the main bill how much new tax revenue is raised right now before we start all these amendments?"

Mr. Randall: "To those amendments that would raise or lower revenues as it covers them, I can address that. Right now this has no impact at all—this amendment or the change the House made to the Senate bill have no impact whatsoever."

Mr. Tilly spoke against adoption of the amendment to the committee amendment.

POINT OF ORDER

Mr. Moon: "I would like to raise a point of order relative to Rule 82. I think we are all aware that this bill has gone through the Revenue Committee and it does raise more than five million dollars over a four year period. Rule 82 says that if any bill goes through the Revenue Committee and has a revenue impact of more than five million dollars over a four year period then it must be acted upon by the full Ways and Means Committee."

SPEAKER'S RULING

The Speaker: "Representative Moon, Representative Randall has informed me that the bill does have an impact of more than five million dollars, so your point of order is well taken."

Engrossed Substitute Senate Bill No. 2736 was rereferred to Committee on Ways and Means.

ENGROSSED THIRD SUBSTITUTE SENATE BILL NO. 2048, by Committee on Parks and Recreation (Originally sponsored by Senators Knoblauch, Wanamaker, Bailey, Jones and Beck):

Revising laws on boating.

The House resumed consideration of the bill on second reading. (For previous action, see Journal, Seventy-fifth Day ex. sess., May 27, 1975.)

On motion of Mr. Randall, the Parks and Recreation Committee amendment to page 4, line 8 was adopted.

Mrs. Hurley (Margaret) moved adoption of the committee amendment to page 4, line 32. Mrs. Hurley spoke in favor of the amendment, and Mr. Hansey spoke against it.

The amendment was adopted.

On motion of Mrs. Hurley (Margaret) the committee amendment to page 5, line 14 was adopted.

Mrs. Hurley moved adoption of the committee amendment to page 5, line 15, and spoke in favor of it.

POINT OF INQUIRY

Mrs. Hurley (Margaret) yielded to question by Mr. Eikenberry.

Mr. Eikenberry: "My question has to do with the fact that apparently hand-propelled craft under twenty feet are exempted from the registration sections of this bill as it now stands, and yet I take it the purpose of placing an individual on the council who does represent the segment of the boating population who operate hand-propelled craft is because of the fact that they nevertheless will come under the scope of the bill so far as rules and regulations that are going to passed?"

Mrs. Hurley: "Yes, they would have to follow all the rules and regulations that were adopted."

POINT OF INQUIRY

Mrs. Hurley (Margaret) yielded to question by Mr. Kuehnle.

Mr. Kuehnle: "I am a little confused as to how this thing is going to work. If I read the bill correctly, it calls for the creation of a marine council which consists of seven members and then subsection (a) says that six shall be owners of and experienced in the operation of
recreation watercraft and subsection (b) says that at least two shall be owners of sailing boats, two owners of outboard motor boats and two owners of vessels having inboard motor propulsion and then one shall be experienced in recreational marine sales and service and one shall be a local law enforcement officer. It has stipulated the types of individuals—we have named eight of them and there are only seven on the council. In reality, unless we assume there is an overlap between subsections (a), (b) and (d) we have already named fourteen and now we are adding another one. How do you do that with seven members?"

Mrs. Hurley: "This is true and I don't like it that way, but one person would have to comply with two of the regulations in a number of instances. I might say that this was done especially so that they could practically predict who the members of the Marine Council would be. This is what 'they,' and when I say 'they' I mean the people who helped write the bill, the people who dictated the provisions of the bill, and the people who are pleased with the way the bill is before we amend it, actually want it. As I say, they can almost predict the names of the people who are going to be on this council and that's the way it was written. Somebody will have to double up; a number of them will have to double up to comply with these requests."

POINT OF INQUIRY

Mrs. Hurley yielded to question by Mr. Leckenby.

Mr. Leckenby: "It seems to me that there are some other problems that might occur in subsection (a) and (b) on page 5, because it says that six shall be owners of and experienced in the operation of recreational watercraft and then it says that at least two shall be owners of and experienced in the operation of sailing craft or auxiliary sailing craft and then down below it says outboard motor boats—a person could have an outboard motor boat that was also a sailing craft so the auxiliary part of the previous section could qualify one person for the outboard part and the same could be true of the inboard qualifications. There's a whole mishmash there."

Mrs. Hurley: "I'm afraid you're right, and it's the same answer that I gave to Representative Kuehl, that these people who qualify for this council would have to fulfill not one, but maybe two or three qualifications in order to be appointed to the council."

Mr. Leckenby: "But you wouldn't necessarily need six owners to qualify for these three categories, because one owner could qualify for two categories, like sailboats and inboard motor boats at the same time."

Mrs. Hurley: "This was a very tender portion of the bill."

The committee amendment was adopted.

On motion of Mrs. Hurley, the committee amendments to page 6, line 8 and page 6, line 22 were adopted.

Mrs. Hurley moved adoption of the committee amendment to page 12, adding a new section.

Mr. Hansey moved adoption of the following amendment to page 12 to the committee amendment:

On line 3 of the committee amendment after "established," insert "and make available to the county in which the individual resides."

Representatives Hansey and Hurley (Margaret) spoke in favor of the amendment to the committee amendment, and it was adopted.

The Speaker stated the question before the House to be the committee amendment as amended to page 12.

Mrs. Hurley spoke in favor of the amendment as amended, and Mr. Freeman spoke against it.

POINT OF INQUIRY

Mrs. Hurley (Margaret) yielded to question by Mrs. Hayner.

Mrs. Hayner: "I'm somewhat interested in this concept, but I'm also concerned about the policy we are setting and what is involved in setting up regulations and who will give the tests and what it might cost."
Mrs. Hurley: "At the present time Parks and Recreation does have a safety education course. This, of course, is not mandatory and we have never complied with the federal laws to qualify for federal funds. This bill takes it out of Parks and Recreation and puts it into the Marine Council. As far as I know, Parks and Recreation has never given a test of any kind, but this would require education somewhat the way they are doing it now in the schools and in connection with the schools. It wouldn't have to be in effect of course, although it would be within the rules and regulations that were adopted by this Marine Council to require that courses could be given by contract and could be set up like courses for handling guns. Children go down to the sheriff's office and take a course in handling guns and the test is given and when they comply with it, then they are entitled to handle a gun. The rules and regulations weren't, and the tests are not, expected to increase the costs of this bill."

Mr. O'Brien spoke in favor of the amendment as amended.

Mr. Freeman moved adoption of the following amendment by Representatives Freeman and Randall to the committee amendment to page 12:

On line 2 after "course." strike the rest of the section.

MESSAGE FROM THE GOVERNOR

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON
LADIES AND GENTLEMEN:

I am returning herewith without my approval as to two sections SUBSTITUTE HOUSE BILL NO. 527 entitled:

"AN ACT Relating to water pollution from petroleum spills."

This bill provides, among other things, safety standards for oil tankers and other precautionary measures for prevention of major oil spills in Puget Sound and adjacent waters.

Section 4 of the bill authorizes the Utilities and Transportation Commission to implement the provisions of the act by rules and regulations. I am puzzled over this delegation of major responsibility to the commission, which has had no previous experience or expertise in the area. Nor is there funding provided which might allow the commission to do a creditable job in this new field of responsibility. Elsewhere in the bill a study is authorized on the desirability of transferring the duties and responsibilities of the Board of Pilotage Commissioners to the Utilities and Transportation Commission or any other appropriate state agency. Until there are findings determined in such study which confirm the need to assign the responsibility of implementing and enforcing the provisions of this act to the commission, I am not willing to allow a situation to exist where separate agencies in state government have substantially overlapping duties in this area of increasing importance without clear direction from the Legislature.

Section 7 provides an expiration date for the act of June 30, 1978. Few would disagree that this state must soon decide and act on long range solutions to the problems created by the transportation of oil in massive quantities in Puget Sound waters. By passing this bill, the Legislature has decided that at least in the near future, oil tankers exceeding 125,000 deadweight tons should not be permitted to enter these waters. The study provided in section 5 may well offer some additional alternatives. The expiration date, however, rather than encouraging all parties to develop sound long range solutions, would instead discourage such efforts. This state could, conceivably, find itself in the second half of 1978 faced with unprecedented supertanker traffic in Puget Sound waters with all the attendant hazards but without any capability to prevent or reduce the risks of oil spills likely to produce catastrophic and permanent damage to the unique environment of the area.

The expiration date would also leave the oil industry and others affected in an untenable state of uncertainty over permissible and impermissible activities in the transportation of oil into this area. Neither public nor private interests would be benefited by such uncertainty.

For the foregoing reasons, I have determined to veto sections 4 and 7 of the bill. With the exceptions of those sections, the remainder of the bill is approved.

Respectfully submitted,
1628 JOURNAL OF THE HOUSE

DANIEL J. EVANS, Governor.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker stated the question before the House to be final passage of Engrossed House Bill No. 733 as amended by the Senate.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 733 as amended by the Senate, and the bill passed the House by the following vote: Yeas, 86; nays, 0; not voting, 12.

Engrossed House Bill No. 733 as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Mr. Thompson, the House advanced to the sixth order of business.

SECOND READING

ENGROSSED SUBSTITUTE HOUSE BILL NO. 413 as amended by the Senate, by Committee on Education (Originally sponsored by Representatives Wojahn, O'Brien, Pardini, Sommers, Fortson, Valle, Brown, Haley, Lysen, Bagnariol and Maxie):

Implementing law to eliminate sex discrimination in the public schools.

The bill was read the second time.

Committee on Education recommendation: Majority, do pass as amended. (For amendments, see Journal, Seventy-sixth Day ex. sess., May 28, 1975.)

POINT OF ORDER

Mr. Newhouse: "Mr. Speaker, Engrossed Substitute House Bill No. 413 is a House bill amended by the Senate. My point of order is, after ruling on scope and object and sending the bill to committee, may the committee adopt further House amendments on that bill?"

SPEAKER'S RULING

The Speaker: "Representative Newhouse, the rule in question is quite vague on exactly how the House is to handle the matter, because it says that it shall be handled or follow the course of an original bill, but if we are going to consider the differences between the House and the Senate, which we are, then I think that in order to continue considering it as a difference, the only thing the committee is to study is the new matter that is brought in that changes the scope. It isn't beyond the scope in regard to the legal language or limitations by law, but it did change the scope and because it did change the scope we are interpreting that it went to the committee for consideration for recommendations as to the Senate amendments and to the House action on those, to either reject or concur."

Mr. Newhouse: "Then the only three recourses open to the committee would be to recommend to the House to concur, to not concur or to fail to pass the bill?"
The Speaker: "Yes, this was the procedure in regard to Senate Bill No. 27 in 1972, page 533 of the Senate Journal. You'll find that this is the procedure that the Judiciary Committee did in the Senate on a judges' bill—they came back out and recommended the various actions in regard to acceptance or rejection of the various House amendments to the Senate bill."

POINT OF PARLIAMENTARY INQUIRY

Mr. Newhouse: "This body would then, following committee action, take each individual amendment separately?"

The Speaker: "I think that each one of the Senate amendments are before us as we normally would handle them on concurrence. This is the way they handled them in the Senate in 1972 when faced with the same problem. Really we are considering the second reading calendar and it would almost take the place of the motion to concur or not to concur, and then the third reading would be the final passage in regard to the bill, asking the Senate either to recede or accepting the Senate amendments and passing the bill."

POINT OF PARLIAMENTARY INQUIRY

Mr. Polk: "Mr. Speaker, if the Chair has already ruled that the Senate amendment was beyond the scope and object of the bill, under what procedure could the committee come back and recommend that the House accept a Senate amendment which is beyond the scope and object of the bill?"

The Speaker: "I think if you'll read your rule, it says it changes the scope and object, not beyond the scope and object, so therefore we are interpreting this as the reason the rule is there—so that if you change the scope and object, you send it to our committee for full consideration—if the committee wants a hearing or if they want to investigate it—and if we are going to consider it as a difference, then if there are to be any changes in the Senate amendments, or any changes in the bill, then that is what our conference committee procedure is for and that's what the committee would have to recommend after full hearing on this changed matter—they would recommend that we go to a conference for the following changes, or etc. It gives our committee a chance to look at the new material, to hold hearings on it, so that they can either kill the bill by not acting or come out with recommendations to the body exactly as to what the new matter is and their reactions thereto."

Mr. Polk: "It would appear to me, or I would at least draw the Chair's attention, that Rule 32 and Rule 33 should be read in conjunction with Article II, section 19 of the state Constitution which reads that no bill shall embrace more than one subject. Therefore, it's not merely a matter of changing the scope and object, but is a matter of being beyond the scope and object."

The Speaker: "This is a legal requirement that the Speaker can't rule on. I think we have a normal procedure as far as the objects are concerned. The matter came out of the Senate, changed the scope of the bill, and so it's up to the House to decide after committee hearings just how or what action we want to take on the changed matter. In other words, we are taking the position that this is talking about differences between the House and the Senate, and we are going to consider the differences and if we can consider the differences, then I think this is what we are limited to in our action. I can understand that there is plenty of confusion; any way you'd go on this particular matter leaves a state of confusion, and all we're trying to do is set up a procedure that we know we are going to follow until we've had a chance to change the rules and spell it out exactly how we want it done. I think the rules leave a lot to be desired."

POINT OF PARLIAMENTARY INQUIRY

Mr. Pardini: "If, on House Bill No. 413 which is the subject matter before us, the committee recommends that we do, in fact, adopt the Senate amendments, this body then votes on those on a second reading and a third reading calendar, is that the same effect as agreeing to a conference committee report?"

The Speaker: "Yes. In other words, I think—and this is just putting the procedure on top, trying to combine our procedures—what we are really doing on second reading is considering whether or not we are going to concur or not concur in the various Senate amendments. Then on third reading we will treat the bill as if we are acting to send the message back to the Senate or passing the bill, if we have accepted all of the Senate amendments."
Mr. Pardini: "It would then also, I would assume, lead to the proposition that on the second reading the bill is not subject to any other amendments?"

The Speaker: "That's true—just whether or not we want to concur or not concur in the Senate amendments. The same rule as far as dividing would apply. These committee amendments are coming out as, and should be considered as, a move to either concur or not to concur with the various Senate amendments."

POINT OF ORDER

Mrs. Hurley (Margaret): "If Engrossed Substitute House Bill No. 413 is not available for amendment by members, then it has no proper position on second reading of bills and it just contributes to the confusion in the minds of the members. It should have been among those bills in conflict between the houses."

The Speaker: "Your point is well taken as far as confusion is concerned, Representative Hurley, but in reading the rules, it does lead to confusion, because it is talking about differences; it's talking about the scope of the amendments; talking about referring it because it's beyond the scope, and if we want to consider them as differences, then we are considering at this time, until such time as the House has a chance to concur and clarify the way the procedure is, that second reading is merely the area in which the House moves to concur or not to concur in the Senate amendments. Then it will have to go to third reading for the final action of the House. It's an artificial thing that we have put in, trying to interpret the rules so that they will work as closely as possible to both the original course of a bill and how we handle concurrences or differences between the houses. If I had my druthers I would rather have the committee look at the matter, report it back to the dispute calendar and handle it as a difference, but the trouble is the language says 'course of action of an original bill.' It doesn't say that it will be treated as an original bill, but only shall follow that course of action."

Mr. Bauer moved that the House do concur in the Senate amendments to page 2, line 12; page 2, line 30; and page 2, line 35; and do not concur in the Senate amendments to page 1, line 3 and page 3, adding new sections and ask the Senate to recede therefrom.

(For Senate amendments, see Journal, Seventy-fourth Day ex. sess., May 26, 1975.)

POINT OF PARLIAMENTARY INQUIRY

Mr. Kuehnle: "I'm still trying to interpret your ruling relative to this special handling procedure where we now have a different class of bills on the second reading calendar. If my understanding is correct, the only difference between having moved a bill in dispute to committee and then back on the floor with recommendations from that committee relating to adopting or not adopting Senate amendments (the same procedure could be followed, and has normally been followed relative to bills in dispute, without running the bill off to committee)—the only difference that I can see is that by virtue of having moved the bill to committee you have removed from your hands as the Speaker your ability to rule on scope and object, and you have removed from the members' hands here their ability to challenge on the basis of scope and object. Is there anything else that is affected by the process of shuffling it off to committee and back again?"

The Speaker: "I think several things. The bill then goes through the committee procedure. The committee procedure is what we are trying to maintain. The committee has a chance to look at the new matter, hold hearings, make recommendations. The Rules Committee has a chance to look at it after the committee recommendations; it has a chance to look at it after the House action on those recommendations; and so it is a combination of trying to keep intact as much as possible, the seemingly conflicting verbiage in the rules."

Mr. Kuehnle: "But haven't we, in the past, had that same option available to a committee to meet and discuss the subject matter of a bill in dispute in order for a committee chairman to come forth with those recommendations?"

The Speaker: "Not formally. We've done it informally many times while we are holding them on the desk. In the past, normally, the rulings would have had a tendency to kill the bill because it usually comes at such a late date that the bill doesn't have a chance to come back out. The only other instance we have that we could find in the books was the one that the Senate did in the 1972 session."
MOTION

Mr. Berentson moved that the House concur in all of the Senate amendments.

Mr. Berentson spoke in favor of the motion, and Representatives Bauer and Ehlers spoke against it.

Mr. Berentson spoke again in favor of the motion to concur in all of the Senate amendments.

POINT OF INQUIRY

Mr. Bauer yielded to question by Mrs. Hurley (Margaret).

Mrs. Hurley (Margaret): "I find this whole thing a little bit confusing. I have a mimeographed page of the amendments that you did adopt. Is that right?"

Mr. Bauer: "Yes."

Mrs. Hurley: "I can't find any place where you did or did not adopt and encompass in what was delivered to us this morning the amendment by Senators Gould, Stortini and North to page 2, line 35. What happened to that?"

Mr. Bauer: "When House Bill No. 413 came back to us as a consequence of the Chair's ruling on scope and object, the instructions of the committee were that we could go a couple ways on this. First we could treat it as an original bill. I guess I made the interpretation, as Chairman of the Committee, that an original bill meant a bill as it came innately from the House. That would be the House version of House Bill No. 413. We then adopted those amendments of which you are speaking, those Senate amendments that are common and applicable to House Bill No. 413, and we did not treat those amendments from section 8 on down that deal with Senate Bill No. 2210, because we felt that by our inaction to those amendments, it would be the same as striking them. In other words, we had original House Bill No. 413 before us and we added the three amendments necessary for House Bill No. 413 and we thought that by not doing anything to the other amendments, section 8 on, it would be, in fact, the same as striking those amendments. That's how we sent the bill back to the floor of the House. As I understand, another interpretation was that the original bill, as you interpret an original bill that comes to committee with the scope and object problem, is a bill that is the original House version plus all the language hung on in both houses. Had that been the interpretation of the Chairman of the committee, and I made that decision, then our committee would have adopted or concurred in those Senate amendments of which you speak and recommended to the House to not concur in those Senate amendments contained in sections 8, 9, 10, 11 and 12—essentially Senate Bill No. 2210."

Mrs. Hurley (Margaret): "I don't think you have answered my question. I'm not worried about Senate Bill 2210—I'm going to let someone else worry about that. What I'm really worried about, and I can't find in the mimeographed version of what you brought out of your committee as a compilation of House Bill No. 413 and the Senate amendments, are the amendments—"

The Speaker called on Mr. O'Brien to preside.

POINT OF PARLIAMENTARY INQUIRY

Mr. Pardini: "Has Mr. Bauer moved to concur in the Senate amendments to page 2, line 35? I believe that's the question Mrs. Hurley is trying to reach, and I believe he has made the motion that we do concur in that amendment."

The Speaker (Mr. O'Brien presiding): "Yes, he did."

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion by Representative Berentson that the House concur in all of the Senate amendments.

NEW SECTION. Sec. 52. DEPARTMENT OF SOCIAL AND HEALTH SERVICES.

State Funding Sources: $788,523,067
Federal Funding Sources: $624,364,100
Local Funding Sources: $2,441,126
Total: $1,415,328,293

The appropriations contained in sections 53 through 63 of this act shall be subject to the following conditions and limitations:

(1) The legislature recognizes that mass institutionalization and hospitalization may not be a satisfactory solution to the treatment of physical or mental disorders or the problem of criminal rehabilitation. The legislature further recognizes that proposals to modify such institutionalization and hospitalization have not been thoroughly reviewed for substance or fiscal impact in such a manner as to permit the development of sound legislative policy in these areas. Therefore, the legislature has established a budgetary position that will assure institutional provisions for the safety and well-being of all our citizens, but which restrains the modification of existing methods until questions of policy and fiscal impact have been determined by the legislature.

(2) Not later than October 1, 1975, the department shall transmit a list to the standing ways and means committees of all federal moneys received, including unanticipated receipts so noted, as of July 1, 1975, by departmental program, category, and organizational unit which list shall include the following information:

(a) The granting federal agency;
(b) A brief description and federal reference number, if applicable;
(c) The specific amount of money received and the purpose for which it is intended;
(d) The matching requirements; and
(e) The limiting factors, if any.

Monthly revisions to the list required by this subsection, including unanticipated receipts, shall be provided in the same manner as the original list for the remainder of the fiscal biennium.

(3) The department shall not transfer more than ten million dollars between the programs appropriated for in sections 53 through 63 of this act without specific approval of the office of program planning and fiscal management and the standing ways and means committees. The department shall notify the office of program planning and fiscal management and the standing ways and means committees whenever any transfers are made which are within the limits established by this subsection.

(4) The department shall provide quarterly reports to the standing ways and means committees relating to the realization of all projected program savings upon which the 1975-77 departmental budget request is predicated.

(5) The department of social and health services shall establish regulations for reasonable nursing home accounting and reimbursement systems which recognize relevant cost related factors for department of social and health services patients. This shall include, but not be limited to, the scope or level of services or care, requirements of staff, physical plant, a reasonable rate of return on investment, and incentives for improved patient care within funds available to the department for nursing home care. The regulations shall provide that no payment will be made to a nursing home which does not permit inspection by the department of social and health services of every part of its premises and an examination of all records, including financial records, methods of administration, general and special dietary programs, the disbursement of drugs and methods of supply, and any other records the department deems relevant to the establishment of such a system. Not later than January 1, 1976, the department shall provide a report to the standing ways and means and social and health services committees which reviews the nursing home cost...
reimbursement system and other vendor payments and which includes required state and federal standards, standards maintained, all completed audits, and recommendations for legislative consideration.

(6) The department shall present fiscal and organizational zero–base data to the standing ways and means committees and the social and health services committees, by July 1, 1976, which will assist in reestablishing the budgetary base for the public health, vocational rehabilitation, and administrative and support services programs.

(7) The department shall develop a proposal for a group homes cost reimbursement system that provides incentives for improving client care. The proposal shall provide for maximum limits for described levels and kinds of care that ensure that expenditures shall be within amounts appropriated for such care. The cost reimbursement system shall also include consideration of various salary schedules necessary for the delivery of such components of care and shall also include consideration of wage and salary levels of comparable positions in the public and private sectors. The department shall submit the proposed cost reimbursement system to the standing ways and means and social and health services committees for approval prior to the implementation of the system.

(8) If the claim made by the state to the United States department of health, education, and welfare on October 24, 1972, for reimbursement in the amount of $32,876,903 is sustained in whole or in part such funds and any other similar funds received by the state shall be deposited by the state treasurer in Suspense Fund 705 and no allocation or disbursement from such fund shall be made except as specifically authorized by legislative enactment.

All disputes arising between the state and the United States department of health, education, and welfare involving the state’s claim or claims to federal reimbursement of state expenditures as provided by the applicable provisions of the federal social security act which would have the effect of reducing or increasing any appropriation or any part thereof as set forth in this act shall be negotiated and settled only with the consent of a majority of the members of the respective ways and means committees of the legislature.

The sum of $5,508,264 currently held by the state treasurer in Suspense Fund 705 pending the completion of federal review of the legitimacy of the aforementioned claim for such moneys shall continue to be held and no allocation or disbursement from such funds shall be made without specific authorization by legislative enactment, except to repay the federal government if necessary.

The department of social and health services claims additional matching for the period of October 1, 1972, through June 30, 1973, or any portion thereof, or for any other period, such moneys shall be deposited by the state treasurer in Suspense Fund 705 and no allocation or disbursement from such fund shall be made except as specifically authorized by legislative enactment.

(9) The department shall deploy personnel in such a manner as to insure, insofar as is possible, that ineligible persons shall be removed from current caseloads, errors resulting in overpayments or underpayments to recipients shall be corrected, efforts shall be made to insure that only eligible individuals are added to the public assistance caseloads, and that caseloads are kept within the estimates for which funds are provided by this act.

Compliance with this act and the attempt to contain caseloads within acceptable limits shall be accomplished but, notwithstanding the provisions of RCW 74.08.040, the department of social and health services shall not impose ratable reductions, or any other form of reduction in public assistance grants which are in addition to, or in any way lower than the maximums presently imposed.

(10) It is the intent of the legislature that the department shall not initiate any new or additional programs or services in any of the agency's programs beyond those authorized in sections 52 through 62 of this act without prior approval of the ways and means committees of the legislature.

For General Apportionment ........................................ $1,073,195,265
Total Appropriation ................................................ $1,073,195,265

3. Local school districts receiving funds from the appropriation made in this section may expend all or a portion of such funds to retain needed personnel in lieu of salary increases.

4. It is the intent of the legislature that to the extent that any district receives funds through the state apportionment formula in excess of the amount anticipated by such a district when it established its excess levy for collection in 1976 and when such excess can be utilized to relieve special levy burdens, then such a district should place a first priority on reducing its special levy.

Such study shall include an examination of the criteria for determining full time equivalents and recommendations for alternative funding procedures and a time line for implementation thereof;

   c. Continuation of the weighting factors used by the superintendent of public instruction for the purpose of reimbursement to each school district for costs resulting from staff education and experience greater than the minimum requirements. The superintendent of public instruction shall employ the staff characteristic factor of the respective local districts established in each of the immediately preceding school years for purposes of distribution throughout the 1975-77 biennium;

   d. An additional weighting factor of not more than 2.0 as determined by the superintendent of public instruction for school districts enrolling not more than 250 full time equivalent students in grades 9-12;

   e. An additional weighting factor of not more than 2.0 as determined by the superintendent of public instruction for nonhigh school districts enrolling not more than 100 full time equivalent students which districts have been judged to be remote and necessary by the state board of education;

   f. An additional weighting factor of not more than 2.0 as determined by the superintendent of public instruction for school districts enrolling not more than 250 full time equivalent students which are either remote and necessary or which contained not more than 250 students in grades 9-12;

   g. An additional weighting factor for a period of not more than four years, for any consolidated school district formed after July 1, 1971, equal to the additional weighting factor in effect in each qualifying district during the school year immediately preceding consolidation, which district consists of one or more former school districts which were either remote and necessary or which contained not more than 250 students in grades 9-12;

   h. An additional weighting factor of 0.25 for full time equivalent students residing on tax exempt property as set forth in RCW 28A.41.140(6)(b) or (c); and

(8) During the 1975–77 biennium the superintendent of public instruction shall distribute not more than $950,000 of the funds appropriated by this section for general apportionment, outside of the apportionment formula to school districts for the following purposes:

(a) To pay fire protection districts at a rate of $1.00 per year for each student attending a school located in an unincorporated area within a fire protection district as mandated by the provisions of RCW 52.36.020 by the expenditure of not more than $560,000;

(b) To pay for school district emergencies by the expenditure of not more than $400,000.

(9) During the 1975–77 biennium the superintendent of public instruction may direct the expenditure of funds contained in this appropriation to fund the percentage of school psychologists, speech therapists and other ancillary personnel not funded in the handicapped excess cost appropriation for the 1975–77 biennium.

NEW SECTION. Sec. 189. In accordance with the provisions of this section the office of program planning and fiscal management shall use the allotment process during the 1975–77 biennium to control the funding of the formula portion of the instruction and departmental research programs of all the four year institutions of higher education and the community colleges. For the purpose of the controls outlined in this section, deviations in the formula entitlements for faculty staffing shall be the controlling factor. For the purpose of this section, the "contract level" is defined as the formula entitlement level upon which the budget is based, and the "base level" is defined as the formula entitlement level corresponding to the prior year's contract or actual enrollment level, whichever is lower. Controls shall be applied to each four year institution separately and to the community college education system as a total entity. "Growth funding" is defined as that portion of the appropriation by which the contract level exceeds the base level. All growth funds shall be reserved at the time of annual allotments. Such reserves shall be released only to the extent that the contract level is achieved, based upon the office of program planning and fiscal management's population studies section projections of full year enrollments from actual enrollments on the tenth day of the fall term. Growth funding not so released shall lapse at the end of a fiscal year. In any case where actual formula faculty entitlement, as computed from full year enrollments in spring, exceeds the contract level by more than one and one-half percent, appropriated funds equal in amount to the student operating fees derived from such excess enrollment shall be withheld during the same or subsequent year and shall revert to the state general fund following the close of the 1975–77 biennium.

NEW SECTION. Sec. 190. All or any portion of the funds provided in sections 150 through 165 of this act for allocation to school districts shall be withheld by the superintendent of public instruction from any school district which expends moneys in excess of such districts certified budget or budget extensions thereto as filed with the office of the superintendent of public instruction and the state board of education.

NEW SECTION. Sec. 191. Every state agency other than institutions of higher education, common schools, or intermediate school districts and municipal charter schools, shall have withheld from the funds provided in sections 150 through 165 of this act, all or any portion of the funds provided for allotments to be made to such agencies by the office of program planning and fiscal management during the fiscal year 1977 an amount of money equal to not less than three percent of the funds available for expenditure by each such agency for full time equivalent staff years from the appropriations contained in this act.

NEW SECTION. Sec. 192. Any state agency which receives funds pursuant to the provisions of this act and utilizes any portion of such funds for grants to local public bodies shall not withhold consideration of potential grant projects for local public bodies located within the Trident impact area merely on the basis that federal funds for the same or similar services and/or projects are or will be available at the present time or at some future date.

NEW SECTION. Sec. 193. It is the expressed intention of the legislature that agency operational activity will be regularly monitored by the office of program planning and fiscal management, under their statutory authority relating to the allotment control function, in order to limit fluctuations in biennial spending patterns which tend to inflate the final current level base. Particular control emphasis will be placed on those instances in which biennial full time equivalent employment authorization is deliberately delayed in order to increase the agency position count as substantiation for the ensuing biennial request. Unanticipated receipts, which are authorized and expended by any state agency, shall not be used as the basis for expansion of current level full time equivalents, as it relates to legislative appropriations made prior to such authorization, unless definite assurance is made of continuation of funds from the specific source involved.

NEW SECTION. Sec. 194. The word "agency" used in this act, unless the context requires otherwise, means and includes every state government office, officer, each institution, whether educational, correctional, or other, and every department, division, board, and commission, except as otherwise provided in this act.
The phrase "agencies headed by elective officials" used herein shall mean those executive offices or departments of the state which are directly supervised, administered, or controlled by the governor, lieutenant governor, secretary of state, treasurer, auditor, attorney general, superintendent of public instruction, commissioner of public lands, or insurance commissioner, but it shall not include those boards, commissions, or committees on which one or more of the above-mentioned officials serve.

NEW SECTION. Sec. 195. In order to carry out the provisions of these appropriations and the state budget, the director of the Office of Program Planning and Fiscal Management with the approval of the governor, may:

(1) Allot all of any portion of the funds herein appropriated or included in the state budget, to the various agencies by such periods as he shall determine and may place any funds not so allotted in reserve available for subsequent allotment: PROVIDED, That the director of the office of program planning and fiscal management shall not alter allotment requests filed with him, nor shall he place in reserve any funds, for the following: Washington State Apple Advertising Commission; Washington State Fruit Commission; Washington Dairy Products Commission or any agricultural commodity commission created under the provisions of chapter 15.66 RCW; the legislative branch of state government including the legislative budget committee, the statute law committee, and any legislative committee; or the judicial branch of state government: PROVIDED FURTHER, That the aggregate of allotments for any agency shall not exceed the total of applicable appropriations and local funds available to the agency concerned. It shall be unlawful for any officer or employee to incur obligations in excess of approved allotments or to incur a deficiency and any obligation so made shall be deemed invalid. Nothing in this section or in chapter 328, Laws of 1959, shall prevent revisions of any allotment when necessary to prevent the making of expenditures under appropriations in this act in excess of available revenues.

(2) Issue rules and regulations to establish uniform standards and business practices throughout the state service, including regulation of travel by officers and employees and the conditions under which per diem shall be paid, so as to improve efficiency and conserve funds.

(3) Prescribe procedures and forms to carry out the above.

(4) Allot funds from appropriations in this act in advance of July 1, 1975; for the sole purpose of authorizing agencies to order goods, supplies, or services for delivery after July 1, 1975: PROVIDED, That no expenditures may be made from the appropriations contained in this act, except as otherwise provided, until after July 1, 1975.

NEW SECTION. Sec. 196. Whenever possible, the receipt of federal or other funds which are not anticipated by the governor's budget, or in the appropriations enacted by the legislature shall be used to support regular programs instead of using funds appropriated from state taxes or similar revenue sources.

NEW SECTION. Sec. 197. In the event that receipts shall be less than those estimated in the budget from any source expenditures shall be limited to the amount received and allotments made as provided in section 192 of this act. Receipts for purposes of this section shall include amounts realized within one calendar month following the close of a fiscal period and applicable to expenditures of that period. The amount of such payment shall be credited to and shall be treated for all purposes as having been collected during the fiscal period.

NEW SECTION. Sec. 198. If any part of this act shall be found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict, and such finding or determination shall not affect the operation of the remainder of this act. The rules and regulations under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state.

NEW SECTION. Sec. 199. Agencies are authorized to make refunds of erroneous or excessive payments and in the case of other refunds, which may be provided by law, without express appropriation thereof.

NEW SECTION. Sec. 200. Whenever allocations are made from the governor's emergency appropriation to an agency which is financed by other than general fund moneys, the director of the office of program planning and fiscal management may direct the repayment of such allocated amount to the general fund from any balance in the fund or funds which finance such agency. No appropriation shall be necessary to effect such repayment.

NEW SECTION. Sec. 201. In addition to the amounts appropriated in this act for revenue for distribution, excluding those funds appropriated for urban mass transit assistance, and bond retirement and interest, and interest on registered warrants, there is also appropriated such further amounts as may be required or available for these purposes under any statutory formula or under any proper bond covenant made in accordance with law.

NEW SECTION. Sec. 202. Amounts received by an agency as reimbursements pursuant to RCW 43.09.210 shall be considered as returned loans of materials supplied or services rendered. Such amounts may be expended as a part of the original appropriation of the fund to which it belongs, without further or additional appropriation, subject to conditions and procedures prescribed by the director of the office of program planning and fiscal management which shall provide for determination of full costs, disclosure of such reimbursements in the governor's budget, maximum interagency usage of data processing equipment and services and such restrictions as will promote more economical operations of state government without incurring continuing costs beyond those reimbursed.

NEW SECTION. Sec. 203. In order to obtain maximum interagency use of aircraft, the Aeronautics Commission, in accordance with RCW 43.09.210 and chapter 39.34 RCW is hereby authorized to lease,
purchase or otherwise acquire suitable aircraft which shall be utilized for the purposes of the Aeronautics Commission and also by other state agencies which have a need for an aircraft to carry out agency assigned responsibilities: PROVIDED, That the Aeronautics Commission is further authorized to enter into contractual agreements with other state agencies in order to acquire aircraft, establish rental rates for aircraft under their control, provide pilot services, aircraft maintenance and make such other provisions as necessary to provide aircraft and related services for multi-agency use: PROVIDED FURTHER, That in order to achieve economy in the use of the appropriations contained within this act no state agency may purchase or otherwise acquire an aircraft or enter into a flying service or aircraft rental contract without first seeking such service from the Aeronautics Commission and without prior approval of the director of the office of program planning and fiscal management.

NEW SECTION. Sec. 204. Except as otherwise provided in this act, any receipts from federal or other sources or from gifts or grants in excess of those estimated in the budget may be received and allotted by the governor. In the event that receipts shall be less than those estimated in the budget from any source the appropriation shall be limited to the amount received and allotments made as provided in section 195 of this act. Receipts for purposes of this section shall include amounts realized within one calendar month following the close of a fiscal period and applicable to expenditures of that period. The amount of such payment shall be credited to and shall be treated for all purposes as having been collected during the fiscal period. Whenever possible, the receipt of federal or other funds which are not anticipated by the governor’s budget or the legislature shall be used to support regular programs instead of using appropriated funds.

NEW SECTION. Sec. 205. (1) From the amount appropriated to the house of representatives for the expenses and costs of the legislature by section 2, chapter 16, Laws of 1975 1st ex. sess., the house of representatives shall reimburse the speaker for not more than one hundred days, in lieu of per diem at the rate of forty dollars per day for each day or major portion thereof in which he is actually engaged in completing the work of the forty-fourth legislature and is completing his duties as speaker during the interim period until the convening of the next regular session of the legislature.

(2) From the amounts appropriated to the senate and the house of representatives for the expenses and costs of the legislature by section 2, chapter 16, Laws of 1975 1st ex. sess., the senate and house of representatives respectively shall reimburse their members in quarterly amounts of not to exceed one hundred fifty dollars upon presentation of vouchers by a member claiming reimbursement for interim expenses and certifying by him that his expenses for such three month period were equal to or in excess of one hundred fifty dollars.

NEW SECTION. Sec. 206. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 207. This act is necessary for the immediate preservation of the public peace, health and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, line 4 of the title after"1977;" and before "designating" insert "making other appropriations;"

and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

MESSAGE FROM THE GOVERNOR

May 27, 1975

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON
LADIES AND GENTLEMEN:

I am returning herewith without my approval as to one section SUBSTITUTE HOUSE BILL NO. 409, entitled:

"AN ACT Relating to electricians and electrical installations."

The purpose of the bill is to empower the board of electrical examiners to establish, in addition to a general electrical contractors' license, other classifications of specialty licenses,
and to administer written examinations for general and specialty electrical contractors' qualifying certificates.

Section 1 of the bill contains a grandfather clause providing that any person licensed as an electrical contractor during 1974 will be entitled to receive a general electrical contractor license. As a first matter, I do not believe a grandfather clause serves either the best interest of the industry or the public. The grandfather clause should not be necessary where different classes of examinations are to be administered to take into account those electrical contractors who may only be skilled in certain specialties. Second, I believe it is extremely unwise to grant, by the grandfather clause, a general electrical contractor's license to all those presently licensed regardless of whether they may be qualified to perform general electrical contracting work.

It is my belief and intent that a veto of section 1 will still leave the board of electrical examiners with sufficient flexibility to establish examinations in both general and specialty areas which take into account an applicant's past experience as a licensed electrical contractor under previous law so that qualified practitioners are not unfairly barred from their lifetime profession.

For the foregoing reasons, I have determined to veto section 1. With the sole exception of that section, I have approved the remainder of Substitute House Bill No. 409.

Respectfully submitted,
DANIEL J. EVANS, Governor.

MOTION

Mr. Hansen moved that the House do pass section 1 of Substitute House Bill No. 409 notwithstanding the Governor's veto.

Representatives Hansen, Deccio and Kuehnle spoke in favor of the motion, and Representatives Dunlap and Barnes spoke against it.

Mr. Ceccarelli demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on the motion to pass section 1 of Substitute House Bill No. 409 notwithstanding the Governor's veto, and the bill passed the House by the following vote:

Yeas, 79; nays, 7; not voting, 12.

Section 1 of Substitute House Bill No. 409 notwithstanding the Governor's veto, having received the constitutional majority was declared passed.

MESSAGE FROM THE GOVERNOR

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON
LADIES AND GENTLEMEN:

I am returning without my approval SUBSTITUTE HOUSE BILL NO. 249 entitled:
"AN ACT Relating to motor vehicles."

This bill makes certain changes in the laws relating to tonnage fees, and allows tonnage permits in addition to regular license fees to be paid quarterly, if the additional tonnage is over six thousand pounds.

The matter of truck weights and truck weight fees has been the subject of a comprehensive study by the Legislative Transportation Committee. The ultimate aim of such study is to devise an equitable system of transportation fees. The passage of this bill before completion and implementation of the study is premature and unwise, and the piecemeal approach will
likely require further corrective action by the Legislature after the results of the study are known.

Moreover, the fiscal impact of the bill is a loss of approximately $270,000 over the next biennium in addition to requiring increased expenditures by the Department of Highways. Given the very difficult financial state of the Department, enactment of this bill is even more untimely at this moment.

For the foregoing reasons, I have determined to veto Substitute House Bill No. 249.

Respectfully submitted,
DANIEL J. EVANS, Governor.

MOTION

Mr. Hansen spoke in favor of the motion.

ROLL CALL

The Clerk called the roll on the motion to pass Substitute House Bill No. 249 notwithstanding the Governor's veto, and the bill passed the House by the following vote: Yeas, 61; nays, 25; not voting, 12.

Substitute House Bill No. 249 notwithstanding the Governor's veto, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE GOVERNOR

TO THE HONORABLE,
THE HOUSE OF REPRESENTATIVES
OF THE STATE OF WASHINGTON
LADIES AND GENTLEMEN:

I am returning herewith without my approval HOUSE BILL NO. 357, entitled:
"AN ACT Relating to motor vehicles."

This bill permits certain combinations of dump trucks to purchase monthly gross weight licenses. The bill has a negative fiscal impact of approximately $150,000 for the biennium.

On this same date I have vetoed Substitute House Bill No. 249 relating to changes in the laws on tonnage fees. In my veto message attached to that bill I stated that it is premature and unwise to pass legislation amending the laws on truck weights and fees while there is pending a comprehensive study by the Legislative Transportation Committee in the area of equitable transportation fees. The loss of revenue to the Department of Highways made that bill even more difficult to justify in light of the current financial problems the Department is encountering.

The same reasoning is applicable to this bill. I urge the Legislature to forego the piecemeal approach to this problem and wait instead for the study to be completed and enact at that time the necessary changes to bring about equity in the area of transportation fees.

For these reasons I have determined to veto House Bill No. 357.

Respectfully submitted,
DANIEL J. EVANS, Governor.

MOTION

Mr. Hansen moved that the House do pass House Bill No. 357 notwithstanding the Governor's veto.

Mr. Hansen spoke in favor of the motion.
Mr. Hansen yielded to question by Mr. Pardini.

Mr. Pardini: "Am I correct, House Bill No. 249, on which we just overrode a veto, changed the license fee from an annual basis to a quarterly basis, and am I also correct in saying that in House Bill No. 357 those licenses are on a quarterly basis and they are to be reduced to a monthly basis?"

Mr. Hansen: "No, absolutely not. Not the license fee, the tonnage fee. If you are buying excess tonnage on your vehicle, the bill we just overrode would allow a seasonal operator to buy excess tonnage for the months that he was running excess tonnage."

Mr. Pardini: "For the months, or for the quarters?"

Mr. Hansen: "For a quarter on the seasonals, and the dump trucks are on a monthly basis. They pay their excise tax, they buy their licenses, but on their overload permits this would allow them to buy them monthly, the same as the logging trucks, because it is seasonal work and it allows dump truck owners the same privilege as loggers to pay for their tonnage the months they are doing the work."

Mr. Conner spoke in favor of the motion, and Mr. Pardini spoke against it.

Mr. Conner spoke in favor of the motion, and Mr. Pardini spoke against it.

ROLL CALL

The Clerk called the roll on the motion to pass House Bill No. 357 notwithstanding the Governor's veto, and the bill failed to receive the necessary two-thirds majority by the following vote: Yeas, 50; nays, 35; not voting, 13.

Having failed to receive the constitutional two-thirds majority, House Bill No. 357 was declared lost.

MOTION

On motion of Mr. Thompson, the House adjourned until 10:00 a.m., Monday, June 2, 1975.

LEONARD A. SAWYER, Speaker.
The House was called to order at 10:00 a.m. by the Speaker (Mr. O'Brien presiding). The Clerk called the roll and all members were present except Representatives Amen, Blair, Curtis, Flanagan, Kilbury, Kuehnle, May, Nelson, Randall, Valle, Whiteside and Zimmerman, who were excused.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Patricia Drost and Dave Boudin. Prayer was offered by the Reverend Henry S. Rahn of the First Baptist Church of Olympia.

Reading of the journal of the previous day was dispensed with and it was ordered to stand approved.

The Speaker (Mr. O'Brien presiding) declared the House to be at ease.

At other times, exceptions may be granted by action of the legislative budget committee.

(2) Unanticipated receipts other than those covered by subsection (1) of this section, available during a fiscal period which were not anticipated relative to appropriations enacted for that fiscal period may also be substituted for appropriated funds by direction of either the legislative budget committee or the standing committees on ways and means of the house and senate in the same manner as federal fund substitutions are handled under subsection (1) of this section.

Subdivisions (1) and (2) of this section set forth the expenditure programs and the allotment and reserve procedures to be followed by the executive branch.

(1) Before the beginning of the fiscal period, all agencies shall submit to the governor a statement of proposed agency expenditures at such times and in such form as may be required by him. The statement of proposed expenditures shall show, among other things, the requested allotments of appropriations for the ensuing fiscal period for the agency concerned for such periods as may be determined by the budget director for the entire fiscal period. The governor shall review the requested allotments in the light of the agency's plan of work and, with the advice of the budget director, he may revise or alter agency allotments. PROVIDED. (2) Except for agencies headed by elective officials, ((and for institutions for higher education, as provided in this section)), approved allotments may be revised during the course of the fiscal period in accordance with the regulations issued pursuant to this chapter. If at any time during the fiscal period the governor shall ascertain that available revenues for the applicable period will be less than the respective appropriations, he shall revise the allotments concerned so as to prevent the making of expenditures in excess of available revenues. To the same end, and with the exception stated in this section for allotments involving agencies headed by elective officials ((and for institutions for higher education)) the governor is authorized to withhold and to assign to, and to remove from, a reserve status any portion of an agency appropriation which in the governor's discretion is not needed for the allotment. No expenditures shall be made from any portion of an appropriation which has been assigned to a reserve status except as provided in this section.

(3) It is expressly provided that all agencies shall be required to maintain accounting records and to report thereon in the manner prescribed in this chapter and under the regulations issued pursuant to this chapter.

Sec. 7. Section 1, chapter 263, Laws of 1971 ex. sess. and RCW 43.88.115 are each amended to read as follows:

Either the legislative budget committee (itis)) or the standing committees on ways and means of the house and senate are authorized and may order reductions in general fund expenditures for other elected public officials and all public educational agencies and their facilities ((except institutions of higher learning)) up to the amount of reductions which are required by agencies under the control of the governor, to the end that while the independence of such elective offices and educational agencies ((except institutions of higher learning)) be assured, necessary measures of economy shall be shared by all agencies concerned with the functions of government.

Sec. 8. Section 43.88.160, chapter 8, Laws of 1965 as last amended by section 11, chapter 40, Laws of 1975 and RCW 43.88.160 are each amended to read as follows:

Any such bond so furnished shall be conditioned that the person, firm or corporation receiving the advance payment will apply it toward performance of the contract. Mr. Hansey: "At this time is the entire committee amendment to this bill before us, or is only the first section before us?"

The Speaker (Mr. O'Brien presiding): "The entire House committee amendment is before us."

Mr. Hansey: "The reason I asked the question is that I have a point of order with regard to section 3. If I don't raise the point of order regarding scope and object, if we take action on section 1, will I be precluded from doing it after action has been taken on this amendment?"

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "It appears that your point of order wasn't timely made. Reed's Rule 112 states that '... objections to the present action must be presented before consideration has been entered upon. After debate has begun or other action has been taken it is too late.' At the present time we are considering an amendment by Representative Newhouse, debate has ensued, Representatives Sommers and Haussler were involved. I would rule your point of order is not well taken at this time."

POINT OF ORDER

Mr. Pardini: "The amendment is substantially the same as subject matter before the House of Representatives presently languishing within the Revenue Committee—House Bill No. 1086."

The Speaker (Mr. O'Brien presiding): "The Speaker will reserve an opinion on the Charnley amendment until we do further research on the amendment."

The Speaker assumed the Chair.

Ms. Sommers moved adoption of the following amendment by Representatives Kuehnle, Sommers, Erickson, Pardini, Kilbury and Nelson to the committee amendment:

Ms. Sommers spoke in favor of the amendment.

Ms. Sommers yielded to question by Mr. Moon.

Mr. Moon: "In this section where we are repealing the exemption that was granted on deposits for returnables, if a person purchased some milk in glass returnable containers, paid the sales tax on them, then returned those bottles, he would then get the sales tax returned to him and pay the sales tax on the new bottle, is this correct?"

Ms. Sommers: "That's my understanding."

Mr. Pardini spoke in favor of the amendment to the committee amendment, and Mr. Moon spoke against it.

The amendment was adopted.

On page 31, beginning on line 15 add sections to read as follows:

"NEW SECTION. Sec. 25. Savings once deemed adequate for retirement living have been rendered inadequate by increased tax rates, increased property values, and the failure of pension systems to adequately reflect such factors. It is therefore deemed necessary that the legislature, in addition to that tax
exemption as provided for in RCW 84.36.381 through 84.36.389, allow retired persons to defer payment of special assessments on their residences, and to defer their real property tax obligations on their residences, an amount of up to eighty percent of their equity in said property. This deferral program is intended to assist retired persons in maintaining their dignity and a reasonable standard of living by residing in their own homes, providing for their own needs, and managing their own affairs without requiring assistance from public welfare programs.

NEW SECTION. Sec. 26. Unless a different meaning is plainly required by the context, the following words and phrases as hereinafter used in this chapter shall have the following meanings:

(1) "Claimant" means a retired person who elects to defer payment of the special assessments and/or real property taxes accrued on his residence by filing a declaration to defer as provided by this chapter.

(2) "Consumer price index" shall mean the consumer price index for urban wage earners and clerical workers as compiled by the bureau of labor statistics of the United States department of labor.

(3) "Department" means the state department of revenue.

(4) "Equity value" means the amount by which the fair market value of a residence as determined from the records of the county assessor exceeds the total amount of any liens or other obligations against the property.

(5) "Owned" includes possession under a contract of sale, deed of trust, or tenancy in common.

(6) "Special assessment" means the charge or obligation imposed by a city, town, county, or other municipal corporation upon property specially benefited by a local improvement.

(7) "Real property taxes" means ad valorem property taxes levied on a residence in this state in the preceding calendar year. If a residence is an integral part of a larger unit such as a farm, or a multi-purpose or multi-dwelling building, real property taxes shall be that percentage of the total property taxes accrued as the value of the residence is of the total value of the unit. For purposes of this paragraph "unit" refers to the parcel of property covered by a single tax statement of which the residence is a part.

(8) "Preceding calendar year" shall mean the calendar year preceding the year in which the application for deferral of special assessment and/or real property taxes is made.

(9) The term "residence" shall mean a single family dwelling unit whether such unit be separate or part of a multiunit dwelling, including the land on which such unit stands, not to exceed one acre per unit. The term shall also include a single family dwelling situated upon lands the fee of which is vested in the United States or any instrumentality thereof including an Indian tribe or in the state of Washington or its municipal corporations, and notwithstanding the provisions of RCW 84.04.080, 84.04.090, or 84.40.250, such a residence shall be deemed real property.

(10) The term "real property", except for the purposes of chapters 84.56 and 84.60 RCW, shall also include a mobile home which has substantially lost its identity as a mobile unit by virtue of its being fixed in location upon land owned or leased by the owner of the mobile home and placed on a foundation (posts or blocks) with fixed pipe, connections with sewer, water or other utilities.
(2) The declaration shall designate the property to which the deferral may apply, and shall include a statement setting forth (a) a list of all members of the claimant's household, (b) the claimant's equity value in his residence, (c) facts establishing the eligibility for the deferral under the provisions of this chapter, and (d) any other relevant information required by the rules of the department. Each copy shall be signed by the claimant subject to the penalties as provided in chapter 9.72 RCW for the false swearing. The first declaration to defer filed in a county shall include proof of the claimant's age acceptable to the assessor.

(3) The county assessor shall determine if each claimant shall be granted a deferral for each year but the claimant shall have the right to appeal this determination to the county board of equalization whose decision shall be final as to the deferral of that year.

NEW SECTION. Sec. 29. (1)(a) Declarations to defer property taxes for all years following the first year may be made by filing with the county assessor on or before July 1st a renewal form in duplicate, prescribed by the department of revenue and supplied by the county assessor, which affirms the continued eligibility of the claimant.

(b) In January of each year, the county assessor shall send to each claimant who has been granted deferral of ad valorem taxes for the previous year renewal forms and notice to renew.

(2) Declarations to defer special assessments shall be made by filing with the assessor on or before July 1st of any year on a form to be prescribed by the department of revenue and supplied by the county assessor. Upon approval, the full amount of special assessments upon such claimant's residence shall be deferred but not to exceed an amount equal to eighty percent of the claimant's equity value in said property.

NEW SECTION. Sec. 30. If the claimant is unable to make his own declaration of deferral, it may be made by a duly authorized agent or by a guardian or other person charged with care of the person or property of such claimant.

NEW SECTION. Sec. 31. If the claimant declaring his intention to defer special assessments or real property tax obligations under this chapter ceases to reside permanently on the property for which the declaration to defer is made between the date of filing the declaration and December 15th of that year, the deferral otherwise allowable under this chapter shall not be allowed on such tax roll. However, this section shall not apply where the claimant dies, leaving a spouse surviving, who is also eligible for deferral of special assessment and/or property taxes.

NEW SECTION. Sec. 32. A person's right to defer special assessments and/or property tax obligations on his residence shall not be reduced by contract or agreement, from the effective date of this chapter onward.

NEW SECTION. Sec. 33. If any residence is under mortgage or purchase contract requiring accumulation of reserves out of which the holder of the mortgage or contract is required to pay real estate taxes, said holder shall co-sign the declaration of deferral either before a notary public or the county assessor or his deputy in the county where the real property is located.

NEW SECTION. Sec. 34. Whenever a person's special assessment and/or real property tax obligation is deferred under the provisions of this chapter, it shall become a lien in favor of the state upon his property and shall have priority as provided in chapters 35.50 and 84.60 RCW: PROVIDED, That the interest of a mortgage or purchase contract holder who is required to co-sign a declaration of deferral under section 33 of this act, shall have priority to said deferred lien. This lien may accumulate up to eighty percent of the amount of the claimant's equity value in said property and shall bear interest at eight percent per year until said obligation becomes due and payable under section 37 of this act.

NEW SECTION. Sec. 35. The county assessor shall:

(1) Transmit one copy of each declaration to defer to the department of revenue. The department may audit any declaration and shall, not later than August 31st, notify the assessor of any claim where any factor appears to disqualify the claimant for the deferral sought.

(2) Transmit one copy of each declaration to defer a special assessment to the local improvement district which imposed such assessment.

(3) After October 15th, compute the dollar tax rate for the county as if any deferrals provided by this chapter did not exist.

(4) On or before December 15th, notify the department of revenue and the county treasurer of the amount of real property taxes deferred for that year and notify the department of revenue and the respective treasurers of municipal corporations of the amount of special assessments deferred for each local improvement district within such unit.

NEW SECTION. Sec. 36. Upon receipt of the notification from the county assessor of the amount of deferred special assessments and/or real property taxes the department shall certify to the state treasurer the amount due the respective municipal corporations prior to the following February 15th and the state treasurer shall pay to the treasurers of such municipal corporations said amounts, equivalent to the amount of special assessments and/or real property taxes deferred, to be distributed to the local improvement or taxing districts which levied the taxes so deferred.

NEW SECTION. Sec. 37. Special assessments and/or real property tax obligations deferred under this chapter shall become payable together with interest as provided in section 34 of this amendatory act:

(1) Upon the sale of property which has a deferred special assessment and/or real property tax lien upon it.

(2) Upon the death of the claimant with an outstanding deferred special assessment and/or real property tax lien except a surviving spouse who is qualified under this chapter may elect to incur the special
assessment and/or real property tax lien which shall then be payable by that spouse as provided in this section.

(3) Upon the condemnation of property with a deferred special assessment and/or real property tax lien upon it by a public or private body exercising eminent domain power, except as otherwise provided in RCW 84.60.070.

(4) At such time as the claimant ceases to reside permanently in the residence upon which the deferral has been granted.

(5) Upon the failure of any condition set forth in section 27 of this amendatory act.

NEW SECTION. Sec. 38. (1) The county treasurer shall collect all the amounts deferred together with interest under this chapter, in the manner provided for in chapter 84.56 RCW. For purposes of collection of deferred taxes, the provisions of chapters 84.56, 84.60, and 84.64 RCW shall be applicable.

(2) When any deferred special assessment and/or real property taxes together with interest are collected the moneys shall be credited to a special account in the county treasury. The county treasurer shall remit the amount of deferred special assessment and/or real property taxes together with interest to the state treasurer, with a remittance advice to the department.

(3) The state treasurer shall deposit the deferred taxes in the state general fund.

NEW SECTION. Sec. 39. (1) A surviving spouse of the claimant may elect to continue the property in its deferred tax status if the property is the residence of the spouse of the claimant and meets the requirements of this chapter.

(2) The election under this section to continue the property in its deferred status by the spouse of the claimant shall be filed in the same manner as an original claim for deferral is filed under this chapter, not later than ninety days from the date of the claimant's death. Thereupon, the property with respect to which the deferral of special assessments and/or real property taxes is claimed shall continue to be treated as deferred property. When the property has been continued in its deferred status by the filing of the spouse of the claimant of an election under this section, the spouse of the claimant may continue the property in its deferred status in subsequent years by filing a claim under this chapter so long as the spouse meets the qualifications set out in this section.

NEW SECTION. Sec. 40. Any person may at any time pay a part or all of the deferred taxes but such payment shall not affect the deferred tax status of the property.

NEW SECTION. Sec. 41. Nothing in this chapter is intended to or shall be construed to prevent the collection, by foreclosure, of personal property taxes which become a lien against tax-deferred property.

NEW SECTION. Sec. 42. The department of revenue of the state of Washington shall devise the forms and make rules and regulations consistent with chapter 34.04 RCW and the provisions of this chapter as shall be necessary or desirable to permit its effective administration.

NEW SECTION. Sec. 43. There is added to Title 84 RCW a new chapter to consist of sections 25 through 42 of this amendatory act.

((a))) For the five years commencing with 1972, the value shall be the 1970 timber value: PROVIDED, That in preparing the timber roll for 1975 and thereafter for taxes due and payable in 1976 and thereafter, the value shall be one hundred thirty-three percent of the 1970 timber value, and any increase in assessed value in any taxing district attributable to the application of this proviso shall be excluded from the calculation of the limitation upon regular property taxes as prescribed by RCW 84.53.010.

(((b))) For each succeeding five year period, the first of which commences on January 1, 1977, the value shall be such 1970 timber value increased or decreased in proportion to the percentage change, if any, which has occurred between the last year of the preceding five year period and 1973 in the average stumpage value per unit of measure of all timber harvested in such county. Such percentage change shall be determined by the department of revenue on the basis of information contained in the excise tax returns filed pursuant to RCW 82.04.291.)

(2) As used in subsection (1) of this section, "1970 timber value" means the value for timber calculated in the same manner and using the same values and valuation factors actually used by such assessor in determining the value of timber for the January 1, 1970 assessment roll, except that if a revised schedule of such values and valuation factors was applied to some but not all timber in a county for the January 1, 1970 assessment roll, such revised schedule shall be used by the assessor for any timber revalued for the 1971 or 1972 assessment rolls, and except that if the value of timber in any county on January 1, 1970 was not separately determined and shown on such assessment roll, 1970 timber value shall mean the value reconstructed from available records and information in accordance with rules to be prescribed by the department of revenue.
(3) The assessor of each timber county shall add to the assessment roll showing values of property as of January 1 of the years listed below, an "assessed valuation" of the portion, indicated below opposite each such year, of the value of timber as shown on the timber roll for such year. Such assessed valuation shall be calculated by multiplying such portion of the timber roll by the assessment ratio applied generally by such assessor in computing the assessed valuation of other property in his county. The dollar rates, calculated pursuant to RCW 84.33.060 for each taxing district within which there was timber on January 1 of such year, shall be extended against such "assessed valuation" of timber within such district as well as against the assessed value of all other property within such district as shown on such assessment roll.

(3) If the balance in state timber tax fund A immediately prior to such twentieth day of the second month of each calendar quarter is not sufficient to permit a payment of one-fourth, one-half, three-fourths, or the full amount, as the case may be, which, when added to the payments made to any taxing district the previous quarters of the same year, will equal the timber factor for such district determined in December of the preceding year, the necessary additional amount shall be transferred from the state timber reserve fund to state timber tax fund A.

(4) If, after the transfer, if any, from the state timber tax fund A (pursuant to subsection (2) of this section) in November of 1974 only and in August of any year thereafter commencing with (1974) 1975, the balance in the state timber reserve fund exceeds two million dollars, the amount of the excess shall be
applied first, subject to legislative appropriation of funds allocated from the state timber reserve fund, for activities undertaken by the department of revenue forest valuation section and for the activities undertaken by the department of natural resources relating to classification of lands as required by this chapter: PROVIDED, That within the 1973–75 biennium, the state treasurer shall transfer from the state timber reserve fund to the state general fund an amount equal to actual expenditures of the department of revenue related to the activities of the forest valuation section no later than August 31, 1974 and August 31, 1975, for the fiscal year just completed. If the amount of such excess is more than is necessary for reimbursement for such purposes, the remaining amount of the excess shall be distributed to the taxing districts which distribution shall be made in the following manner:

(a) The department of revenue shall calculate a harvest factor and a harvest factor proportion for each taxing district, (in the manner provided in subsection (5) of this section except that for years before 1978 there shall be used the aggregate value of timber harvested for as many quarters for which information is available) in September of each year in the manner provided in subsection (5) of this section, subject to the following provisions:

(i) For years before 1978 there shall be used the aggregate value of timber harvested for as many quarters for which information is available;

(ii) For distributions made in 1976 and thereafter the dollar rate shall be the regular property tax rate;

(iii) In addition the rate shall include the tax rate or rates established for retirement of general obligation bonds issued for capital purposes pursuant to Article 7, section 2 of the state Constitution determined in the immediately preceding October;

(iv) In addition for schools the rate shall include maintenance and operation and building fund special levy rates actually utilized the immediately preceding October;

(v) PROVIDED FURTHER, That for any excess reserve fund disbursements made for 1975 such calculations shall be made as soon as practicable after the effective date of this amendatory act using the tax rates determined in October of 1974. The department of revenue shall promptly notify the treasurer of each timber county of the results of such calculation for that county: PROVIDED FURTHER, That the amount to be distributed to the schools pursuant to (ii) and (iv) above shall produce an aggregate amount due to the state for the exclusive use of the common schools and shall be distributed through the school equalization formula as contained in RCW 28A.41.140: PROVIDED FURTHER, That the provisions of section 2(5)(e) of this 1975 amendatory act shall apply to the reserve fund distribution.

(b) By multiplying the amount of such excess by the harvest factor proportion for each taxing district respectively, the department of revenue shall calculate the amount to be distributed to each local taxing district and to the state and shall certify such amounts to the respective county assessors and state;

(c) Along with each quarterly payment pursuant to subsection (2) of this section, the state treasurer shall pay, out of the state timber reserve fund, to the treasurer of each timber county for the account of each local taxing district one-fourth of such district's portion (determined pursuant to (b) above) of such excess and the state treasurer shall pay into the state's general fund for the support of the common schools out of the state timber reserve fund such additional one-fourth amount due the state: PROVIDED, That the portion of any excess reserve fund disbursements made to each taxing district which is attributable to the tax rate or rates established for retirement of general obligation bonds issued for capital purposes shall be allocated by such taxing district to and applied by such taxing district to the annual installment required for the retirement of such general obligation bonds, but no part of such disbursements shall be treated as local revenues for purposes of apportionment by the superintendent of public instruction under RCW 28A.41.130.

The balance, if any, in the state timber reserve fund after the final transfer, if any, to or from state timber tax fund A in November of 1981, shall be transferred to state timber tax fund B on December 31, 1981, and one-fourth of such balance shall be distributed in each quarter of 1982 in the manner set forth in subsection (6) of this section.

(5) On or before December 31 of each year commencing with 1978, the department of revenue shall deliver to the treasurer of each timber county a schedule setting forth for each taxing district or portion thereof lying within such county:

(a) The average of the aggregate value of all timber harvested within such district in each of the immediately preceding five years as determined from the excise tax returns filed with the department of revenue;

(b) The aggregate dollar rate calculated pursuant to RCW 84.33.060 and chapter 84.52 RCW and actually utilized the immediately preceding October in extending real property taxes upon the tax rolls for collection the following year;

(c) A "harvest factor" which is the product of such five year average and such aggregate dollar rate;

(d) The proportion that each taxing district's harvest factor bears to the sum of the harvest factors for all taxing districts in the state;

(e) In the event that the authority of school districts to impose special levies is limited by law after the effective date of this 1975 amendatory act, it is the intent of the legislature that the proportion for distribution to schools not be reduced as a result of such limitation. In the event of such legislative action the distribution for schools shall be based on the average of the special levies approved for collection in such districts in 1974 and 1975: PROVIDED, That such distribution be used exclusively for common schools and shall be distributed through the school equalization formula as contained in RCW 28A.41.140 as now or hereafter amended.
(6) On the twentieth day of the second month of each calendar quarter commencing February 20, 1979, the state treasurer shall pay to the treasurer of each timber county for the account of each taxing district such district’s proportion (determined in December of the preceding year pursuant to subsection (5) of this section) of the amount in state timber tax fund B collected upon timber harvested in the preceding calendar quarter.

(1) The legislature shall review the system of distribution and allocation of all timber excise tax revenues in January, 1975 and each year thereafter to provide a uniform and equitable distribution and allocation of such revenues to the state and local taxing districts.

(2) [(In order to allow legislative review of the rules and regulations to be adopted by the department of revenue establishing the stumpage value-index provided for in RCW 82.04.291(3), such rules and regulations shall be effective not less than sixty days after transmitting to the staffs of the senate and house ways and means committees (or their successor committees) the same proposed rules and regulations as shall have been previously filed with the office of the code reviser pursuant to RCW 34.04.025(1)(a):)]

((3))) The ways and means committees of the house and senate, with the advice of the department of revenue, the department of natural resources, office of the superintendent of public instruction, county government, and affected landowners, shall review the yield tax rate and rate structure prior to December 31, 1978, and shall recommend modification of the rate and rate structure as necessary so that timber bears an equitable and proportionate tax share in conformance with the provisions of this chapter.

"Section 1. Section 1, chapter 1, Laws of 1973 and RCW 42.17.010 are each amended to read as follows:

It is hereby declared by the sovereign people to be the public policy of the state of Washington:

(1) That political campaign and lobbying contributions and expenditures be fully disclosed to the public and that secrecy is to be avoided.

(2) That the people have the right to expect from their elected representatives at all levels of government the utmost of integrity, honesty and fairness in their dealings.

(3) That the people shall be assured that the private financial dealings of their public officials, and of candidates for those offices, present no conflict of interest between the public trust and private interest.

(4) That our representative form of government is founded on a belief that those entrusted with the offices of government have nothing to fear from full public disclosure of their financial and business holdings, provided those officials deal honestly and fairly with the people.

(5) That public confidence in government at all levels is essential and must be promoted by all possible means.

(6) That public confidence in government at all levels can best be sustained by assuring the people of the impartiality and honesty of the officials in all public transactions and decisions.

(7) That the concept of attempting to increase financial participation of individual contributors in political campaigns is encouraged by the passage of the Revenue Act of 1971 by the Congress of the United States, and in consequence thereof, it is desirable to have implementing legislation at the state level.

(8) That the concepts of disclosure and limitation of election campaign financing are established by the passage of the Federal Election Campaign Act of 1971 by the Congress of the United States, and in consequence thereof it is desirable to have implementing legislation at the state level.

(9) That small contributions by individual contributors are to be encouraged, and that not requiring the reporting of small contributions may tend to encourage such contributions.

(10) That the public's right to know of the financing of political campaigns and lobbying and the financial affairs of elected officials and candidates far outweighs any right that these matters remain secret and private.

(11) That, mindful of the right of individuals to privacy and of the desirability of the efficient administration of government, full access to information concerning the conduct of government on every level must be assured as a fundamental and necessary precondition to the sound governance of a free society.

(b) Each agency shall maintain and make available for public inspection and copying a current index providing identifying information as to the following records issued, adopted, or promulgated after (June 30, 1972):

(b) Make available for public inspection and copying all indexes maintained for agency use.

(4) A public record may be relied on, used, or cited as precedent by an agency against a party other than an agency and it may be invoked by the agency for any other purpose only if——

(b) Parties affected have timely notice (actual or constructive) of the terms thereof.

(5) This chapter shall not be construed as giving authority to any agency to give, sell or provide access to lists of individuals requested for commercial purposes, and agencies shall not do so unless specifically authorized or directed by law: PROVIDED, HOWEVER, That lists of applicants for professional licenses and of professional licensees shall be made available to those professional associations or educational organizations recognized by their professional licensing or examination board, upon payment of a reasonable charge therefor; PROVIDED FURTHER, That such recognition may be refused only for a good cause pursuant to a hearing under the provisions of chapter 34.04 RCW.

Sec. 15. Section 27, chapter 1, Laws of 1973 and RCW 42.17.270 are each amended to read as follows:

Public records shall be available ((to any person)) for inspection and copying, and agencies shall, upon request for identifiable public records, make them promptly available to any person. Agency facilities shall be made available to any person for the copying of public records except when and to the extent that this would unreasonably disrupt the operations of the agency. Agencies shall honor requests received by mail for identifiable public records unless exempted by provisions of this chapter.

Sec. 16. Section 29, chapter 1, Laws of 1973 and RCW 42.17.290 are each amended to read as follows:

Agencies shall adopt and enforce reasonable rules and regulations, consonant with the intent of this chapter to provide full public access to ((official)) public records, to protect public records from damage or disorganization, and to prevent excessive interference with other essential functions of the agency. Such rules and regulations shall provide for the fullest assistance to inquirers and the most timely possible action on requests for information. Nothing in this section shall relieve agencies from honoring requests received by mail for copies of identifiable public records.

Sec. 17. Section 31, chapter 1, Laws of 1973 and RCW 42.17.310 are each amended to read as follows:

(1) The following shall be exempt from public inspection and copying:
(a) Personal information in any files maintained for students in public schools, patients or clients of public institutions or public health agencies, welfare recipients, prisoners, probationers, or parolees.

(b) Personal information in files maintained for employees, appointees, or elected officials of any public agency to the extent that disclosure would violate their right to privacy.

(c) Information required of any taxpayer in connection with the assessment or collection of any tax if the disclosure of the information to other persons would violate the taxpayer's right to privacy or would result in unfair competitive disadvantage to such taxpayer.

(d) Specific intelligence information and specific investigative (files) records compiled by investigative, law enforcement, and penology agencies, and state agencies vested with the responsibility to discipline members of any profession, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy.

(e) Information revealing the identity of persons who file complaints with investigative, law enforcement or penology agencies, except as the complainant may authorize: PROVIDED, That this subsection shall not apply to persons who file complaints with the public disclosure commission about any elected official or candidate for elective office: PROVIDED, FURTHER, That all complaints filed with the public disclosure commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath.

(f) Test questions, scoring keys, and other examination data used to administer a license, employment, or academic examination.

(g) Except as provided by chapter 8.26 RCW, the contents of real estate appraisals, made for or by any agency relative to the acquisition or sale of property, until the project or prospective sale is abandoned or until such time as all of the property has been acquired or the property to which the sale appraisal relates is sold, but in no event shall disclosure be denied for more than three years after the appraisal.

(h) Valuable formulae, drawings, and research data obtained by any agency within five years of the request for disclosure when disclosure would produce private gain and public loss.

(i) Preliminary drafts, notes, recommendations, and intra-agency memorandums in which opinions are expressed or policies formulated or recommended except that a specific record shall not be exempt when publicly cited by an agency in connection with any agency action.

(j) Records which are relevant to a controversy to which an agency is a party but which records would not be available to another party under the rules of pretrial discovery for causes pending in the superior courts.

(2) The exemptions of this section shall be inapplicable to the extent that information, the disclosure of which would violate personal privacy or vital governmental interests, can be deleted from the specific records sought. No exemption shall be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

(3) Inspection or copying of any specific records, exempt under the provisions of this section, may be permitted if the superior court in the county in which the record is maintained finds, after a hearing with notice thereof to every person in interest and the agency, that the exemption of such records, is clearly unnecessary to protect any individual's right of privacy or any vital governmental function.

(4) Agency responses refusing, in whole or in part, inspection of any public record shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record withheld.

Sec. 18. Section 32, chapter I, Laws of 1973 and RCW 42.17.320 are each amended to read as follows:

Responses to requests for public records shall be made promptly by agencies. Denials of requests must be accompanied by a written statement of the specific reasons therefor. Agencies shall establish mechanisms for the most prompt possible review of decisions denying inspection, and such review shall be deemed completed at the end of the second business day following the denial of inspection and shall constitute final agency action for the purposes of judicial review.

Sec. 19. Section 33, chapter I, Laws of 1973 and RCW 42.17.330 are each amended to read as follows:

The examination of any specific public record may be enjoined if, upon motion and affidavit, the superior court for the county in which the movant resides or in which the record is maintained, finds that such examination would clearly not be in the public interest and would substantially and irreparably damage any person, or would substantially and irreparably damage vital governmental functions.

Sec. 20. Section 34, chapter I, Laws of 1973 and RCW 42.17.340 are each amended to read as follows:

(1) Upon the motion of any person having been denied an opportunity to inspect or copy a public record by an agency, the superior court in the county in which a record is maintained may require the responsible agency to show cause why it has refused to allow inspection or copying of a specific public record or class of records. The burden of proof shall be on the agency to establish that refusal to permit public inspection and copying is required.

(2) Judicial review of all agency actions taken or challenged under RCW 42.17.250 through 42.17.320 shall be de novo. Courts shall take into account the policy of this chapter that free and open examination of public records is in the public interest, even though such examination may cause inconvenience or embarrassment to public officials or others. Courts may examine any record in camera in any proceeding brought under this section.
Any person who prevails against an agency in any action in the courts seeking the right to inspect or copy any public record shall be awarded all costs, including reasonable attorney fees, incurred in connection with such legal action. In addition, it shall be within the discretion of the court to award such person an amount not to exceed twenty-five dollars for each day that he was denied the right to inspect or copy said public record.
