A vote yes for the first three Hanna amendments is saying, yes, you want to move the program into Employment Security and a vote yes on the second three amendments would accomplish that."

**NEW SECTION. Sec. 3. (1) A youth may be taken into custody only**

(a) pursuant to a court order if a complaint is filed with the court alleging, and the court finds reasonable grounds to believe, that the youth has committed an offense or has violated terms of community supervision, or

(b) without a court order, by a law enforcement officer if grounds exist for the arrest of an adult in identical circumstances. Admission to, and continued custody in, a court detention facility shall be governed by the provisions of section 22 of this 1977 amendatory act.

(2) Complaints referred to the court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint for legal sufficiency. The purpose of such screening shall be to determine whether:

(a) The alleged facts bring the case within the jurisdiction of the court; and

(b) On a basis of available evidence there is probable cause to believe that the youth did commit the offense.

(3) An information shall be a plain, concise and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to the provisions of chapter 10.37 RCW.

(4) If it appears that there is probable cause to believe that an offense has been committed by a youth, the prosecutor shall:

(a) Deliver the complaint to the diversionary unit for the formation of a diversion agreement pursuant to section 4 of this act, if the alleged offense is not listed in subsection (4)(b)(i) of this section or if the youth is not a repeat offender as defined by subsection (4)(b)(ii) or (4)(b)(iii) of this section. The diversionary unit shall be responsible for advising the youths of their rights as provided in this chapter;

(b) File an information with the juvenile court if the alleged offender is one or more of the following:

(i) An alleged offender accused of a class A felony, an attempt to commit a class A felony, a class B felony, an attempt to commit a class B felony, assault in the third degree, or rape in the third degree; or

(ii) An alleged offender with a criminal history of at least a class A or class B felony, or two class C felony offenses, or at least one class C felony offense and at least one misdemeanor or gross misdemeanor, or at least two gross misdemeanors, or one gross misdemeanor and two misdemeanors, or at least three misdemeanors; or

(iii) An alleged offender accused of violating his or her diversion agreement or who wishes to be prosecuted rather than enter into a diversion agreement or who has been referred by the center for prosecution.

(5) Whenever the alleged offender is an alleged offender listed in subsection (4)(b) of this section, the prosecutor may file an information on any other criminal complaint regardless of whether or not the other offense is listed in subsection (4)(b)(i) of this section. In lieu of filing an information, the prosecutor may file a motion to modify or revoke community supervision if a criminal complaint alleges a violation of a condition of community supervision.

(6) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversionary interview, the parent or legal guardian of said juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile.

**NEW SECTION. Sec. 4. (1) A diversion agreement shall be a contract between a youth accused of an offense and a diversionary unit whereby the youth agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it.**

(2) A diversion agreement shall be limited to:

(a) Periods of community service not to exceed one hundred fifty hours, but if the youth is attending school, no community service shall be required during normal school hours;

(b) Restitution limited to the amount of actual loss incurred by the victim, and the youth shall be required to make restitution to the victim unless the youth does not have the means and could not acquire the means to do so;

(c) In assessing periods of community service to be performed and restitution to be paid by a youth who has entered into a diversion agreement, the court officer to whom this task is assigned shall to the extent possible involve members of the community. Such members of the community shall meet with the youth and advise the court officer as to the terms of the diversion agreement and shall supervise the youth in carrying out its terms; and

(d) A diversion agreement shall not exceed a period of six months for a misdemeanor or one year for a felony. Any restitution assessed during its term shall not exceed an amount which the youth could be reasonably expected to pay during this period. If additional time is necessary for the youth to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months.

(3) The youth shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(4) Divertees and potential divertees shall be afforded due process in all contacts with a diversionary unit regardless of whether said youths are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) No admission of guilt shall be required as a condition of acceptance into a diversion program;

(c) Violation of the terms of the agreement shall be the only grounds for termination;

(d) No youth shall be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the youth; and which hearing shall include:

(A) Opportunity to be heard in person and to present evidence;

(B) The right to confront and cross-examine all adverse witnesses;

(C) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(D) Demonstration by clear and convincing evidence that the diverted youth has substantially violated the terms of his or her diversion agreement.

(5) The right to counsel shall inure prior to the initial interview for purposes of advising the youth as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The youth may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The youth shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews shall mean all interviews regarding the diversion agreement process.

The youth shall be advised that a diversion agreement shall constitute a part of the youth's criminal history as defined by section 2(6) of this 1977 amendatory act. A signed acknowledgement of such advisement shall be obtained from the youth, and the document shall be maintained by the diversionary unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

(6) When a youth enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

(a) The fact that a charge or charges were made;

(b) The fact that a diversion agreement was entered into;

(c) The youth's obligations under such agreement;

(d) Whether the alleged offender performed his or her obligations under such agreement; and

(e) The facts of the alleged offense.

(7) A diversionary unit may refuse to enter into a diversion agreement with a youth. It shall immediately refer such youth to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall also immediately refer the case to the prosecuting attorney for action if such youth fails to make restitution or perform community service as required by the diversion agreement.

(8) A diversionary unit may, in instances where it determines that the act or omission of an act for which a youth has been referred to it involved no victim, or where it determines that the youth referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a youth without entering into a diversion agreement: PROVIDED, That any youth so handled shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the youth's criminal history as defined by section 2(6) of this 1977 amendatory act. A signed acknowledgment of such advisement shall be obtained from the youth and the document shall be maintained by the unit and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language: PROVIDED FURTHER, That a youth determined to be eligible by a diversionary unit for such release shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other youth referred to the unit.

**NEW SECTION.** Sec. 5. (1) The youth shall be advised of his or her rights under the law when appearing before the court. The youth shall be advised of the allegations in the information. The youth shall be required to plead guilty or not guilty to the allegations. The state or the alleged offender may make preliminary motions up to the time of the plea.

(2) If the youth pleads guilty, the court may proceed with disposition or may continue the case for a dispositional hearing. If the youth denies guilt, a hearing date shall be set.

(3) At the hearing it shall be the burden of the prosecution to prove the allegations of the information beyond a reasonable doubt.

(4) The court shall record its findings of fact and shall enter its verdict upon the record. Such findings shall set forth the evidence relied upon by the court in reaching its verdict.

(5) If the youth is found not guilty he or she shall be released from detention.

(6) If the youth is found guilty the court may immediately proceed to disposition or may continue the case for a dispositional hearing.

(7) In sentencing an offender, the court shall use the disposition standards in effect on the date of the offense.

**NEW SECTION.** Sec. 6. (1) A child and his or her parent, guardian, or custodian shall be advised by the court or its representative that the child has a right to be represented by counsel at all critical stages of the proceedings. Unless waived, counsel shall be provided to a child, who is financially unable to obtain counsel without causing substantial hardship to himself or his family, in any proceeding where the child may be subject to transfer for criminal prosecution, or in any proceeding where the child may be subject to removal from the custody of his parent, guardian, or custodian. The ability to pay part of the cost of counsel shall not preclude assignment. In no case shall a child be deprived of counsel because of a parent, guardian, or custodian refusing to pay therefor. The right to have counsel appointed may be waived only after the youth has had an initial interview with an attorney.

(2) The right to counsel shall include the right to the appointment of experts necessary and the experts shall be required pursuant to the procedures and requirements established by the supreme court.

**NEW SECTION.** Sec. 7. (1) The secretary shall propose to the legislature no later than November 1st of each even-numbered year disposition standards for all offenses. The standards shall establish, in accordance with the purposes of this chapter, ranges which may include terms of confinement and/or partial confinement and/or community supervision established on the basis of a youth's age, the instant offense, and the history and seriousness of previous offense, but in no case shall the period of confinement and supervision exceed that to which an adult may be subjected for the same offense(s). Standards proposed for offenders listed in section 2(1) of this 1977 amendatory act shall include a range of confinement which cannot be less than thirty days. No standard range may include a period of confinement which includes both more than thirty, and thirty or less, days. Disposition standards proposed by the department shall provide that in all cases where a youth is sentenced to a term of confinement in excess of thirty days the department may impose an additional period of parole not to exceed eight months. Standards of confinement which may be proposed shall relate only to the length of the proposed terms and not to the nature of the security to be imposed. The secretary shall also submit guidelines pertaining to the nature of the security to be imposed on youth placed in his or her custody based on the age, offense(s), and criminal history of the juvenile offender. Such guidelines shall be submitted to the legislature for its review at the same time the department proposes its disposition standards.

(2) If the legislature fails to adopt or modify the proposed terms by April 1st of the following year, they shall take effect without legislative approval on July 1st of that year: PROVIDED, That such effective date can be extended up to sixty days by affirmative vote of the committees on judiciary of the senate and house of representatives.

(3) Notwithstanding any other provision of this section, the secretary shall propose standards and submit guidelines to the legislature no later than November 1, 1977. The legislature shall consider the proposed standards and submitted guidelines during the following year in the manner prescribed by subsection (2) of this section. Such standards shall be in effect for the period July 1, 1978, to June 30, 1979.

(4) Any term of confinement in excess of thirty days shall be served at a facility operated by or pursuant to a contract with the state of Washington.

(5) In developing and promulgating the permissible ranges of confinement under this section the secretary shall be subject to the following limitations:

(a) Where the maximum term in the range is ninety days or less, the minimum term in the range shall be no less than fifty percent of the maximum term in the range;

(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range shall be no less than seventy-five percent of the maximum term in the range; and

(c) Where the maximum term in the range is more than one year, the minimum term in the range shall be no less than eighty percent of the maximum term in the range.

(6) In developing and promulgating the permissible ranges of partial confinement under this section, the secretary shall be subject to the following limitations:

(a) Where the maximum term in the range is ninety days or less, the minimum term in the range shall be no less than fifty percent of the maximum term in the range; and

(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range shall be no less than seventy-five percent of the maximum term in the range.

**NEW SECTION.** Sec. 8. (1) After an adjudication of guilt, the court shall proceed to a disposition hearing. In disposition hearings all relevant and material evidence, including oral and written reports, may be received by the court and may be relied upon to the extent of its probative value, even though such evidence may not be admissible in a hearing on the information. The youth or the youth's counsel shall be afforded an opportunity to examine and controvert written reports so received and to cross-examine individuals making reports when such individuals are reasonably available, but sources of confidential information

need not be disclosed. The prosecutor and counsel for the juvenile may submit recommendations for disposition.

(2) Before entering a dispositional order as to a respondent found to have committed an offense, the court shall hold a disposition hearing, at which the court shall:

- (a) Consider the facts supporting the allegations of criminal conduct by the respondent;
- (b) Consider information and argument offered by parties and their counsel;
- (c) Consider any predisposition reports;
- (d) Afford the respondent and the respondent's parent, guardian, or custodian an opportunity to speak in the respondent's behalf;
- (e) Allow the victim or a representative of the victim and an investigative law enforcement officer to speak;
- (f) Determine the amount of restitution owing to the victim, if any;
- (g) Determine whether the respondent is a serious offender or a minor or first offender;
- (h) Consider whether or not any of the following mitigating factors exist:
  - (i) The respondent's conduct neither caused nor threatened serious bodily injury or the respondent did not contemplate that his or her conduct would cause or threaten serious bodily injury;
  - (ii) The respondent acted under strong and immediate provocation;
  - (iii) The respondent was suffering from a mental or physical condition that significantly reduced his or her culpability for the offense though failing to establish a defense;
  - (iv) Prior to his detection, the respondent compensated or made a good faith attempt to compensate the victim for the injury or loss sustained; and
  - (v) There has been at least one year between the respondent's current offense and any prior criminal offense;

(i) Consider whether or not any of the following aggravating factors exist:

- (i) In the commission of the offense, or in flight therefrom, the respondent inflicted or attempted to inflict serious bodily injury to another;

- (ii) The offense was committed in an especially heinous, cruel or depraved manner;
- (iii) The victim or victims were particularly vulnerable;
- (iv) The respondent has a recent criminal history or has failed to comply with conditions of a recent dispositional order or diversion agreement; and

(v) The respondent was the leader of a criminal enterprise involving several persons;

(j) The following factors shall not be considered in determining the punishment to be imposed:

(i) The sex of the respondent;

(ii) The race or color of the respondent or the respondent's family;

(iii) The creed or religion of the respondent or the family;

(iv) The economic or social class of the respondent or the family; and

(v) Factors indicating that the respondent may be or is a dependent child within the meaning of this chapter;

(k) A court shall not commit a youth to a state institution solely because of the lack of facilities, including treatment facilities, existing in the community.

(3) In making its dispositional order, the court, where appropriate, shall impress upon the offender's parents or guardian the role and responsibility of such individuals in raising and guiding the youth to become a responsible citizen.

**NEW SECTION.** Sec. 9. (1) When the respondent is found to be a serious offender, the court shall impose a determinate sentence consisting of the standard range of disposition for the offense.

If the court finds that a disposition within the standard range would effectuate a manifest injustice, the court may impose a disposition outside the range but only after it enters reasons upon which it bases its conclusion that disposition within the standard range would effectuate a manifest injustice. A disposition imposed outside a standard range is appealable under section 13 of this 1977 amendatory act by the state or the respondent. A disposition within the standard range is not appealable under section 13 of this 1977 amendatory act.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition. A disposition other than a community supervision shall be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. Any disposition other than community supervision may be appealed as provided in section 13 of this 1977 amendatory act by the state or the respondent. A disposition of community supervision may not be appealed under section 13 of this 1977 amendatory act.

(3) A juvenile appearing before the court for formal disposition who has declined to enter into a diversion agreement and who would otherwise be so entitled shall, if determined to be a first or minor offender, be referred to a diversionary unit under the supervision of which such youth may only be required to perform the term of community service and, where there is a victim, shall be required to make restitution under the limits specified in this chapter.

(4) Where the respondent is found to have committed an offense and is neither a serious offender nor a minor or first offender, consistent with the purposes of this chapter the court shall: (a)(i) Where the appropriate standard range includes a period of confinement exceeding thirty days, sentence the offender to a term consisting of the appropriate standard range, or (ii) where the appropriate standard range does not include a

period of confinement exceeding thirty days, sentence the offender to a determinate term within the appropriate standard range in which case the court shall consider only those aggravating and mitigating factors set forth in section 8 of this 1977 amendatory act and shall state its reasons for selecting the particular punishment imposed, or (b) shall impose a term of community supervision. An offender sentenced to terms of community supervision may be required to serve periods of partial confinement not to exceed thirty days or confinement not to exceed the maximum period of confinement included within the standard range for the offense(s) for which he or she was found guilty, but in no case to exceed thirty days. If the court sentencing pursuant to subsection (a)(i) or (ii) of this section finds that a disposition within the standard range would effectuate a manifest injustice, it may impose a disposition other than community supervision outside the range but only after it enters reasons upon which it bases its conclusion that disposition within the standard range would effectuate a manifest injustice. A disposition so imposed outside the standard range may be appealed as provided in section 13 of this 1977 amendatory act by the state or the respondent. A disposition within the standard range or of community supervision shall not be appealable under section 13 of this 1977 amendatory act.

**NEW SECTION. Sec. 10.** In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter. The court shall determine the amount of restitution due at the disposition hearing and shall set the terms and conditions under which the respondent shall make restitution. If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution: **PROVIDED**, That the court shall not require the respondent to pay full or partial restitution if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay such restitution.

**NEW SECTION. Sec. 11. (1)** When a respondent who has been ordered by a court to pay a fine or restitution, or to perform service for the public good fails to fulfill that order, the court upon the motion of the prosecutor or upon its own motion, shall require the respondent to show cause why the respondent should not be confined in a detention facility for nonfulfillment. The court may issue a summons or a warrant for arrest to compel the respondent's appearance.

(2) The respondent shall have the burden of showing that the nonpayment or nonfulfillment was not a wilful refusal and that he or she did not have the means and could not reasonably acquire the means to pay the fine or restitution or to perform the service for the public good. If the court finds that the default was wilful, it may order the youth detained in a county facility for one day for each twenty-five dollars of restitution on which the youth wilfully defaulted or may order the youth detained in a county facility for one day for each eight hours of community service on which the youth wilfully defaulted.

**NEW SECTION. Sec. 12.** Where a disposition is imposed on a youth for two or more offenses, the terms shall run consecutively, subject to the following limitations: (1) Where the offenses were committed through a single act or omission, or through an act or omission which in itself constituted one of the offenses and also was an element of the other, the aggregate of all the terms shall not exceed one hundred fifty percent of the term imposed for the most serious offense; and (2) in all other cases, the aggregate of all consecutive terms shall not exceed three hundred percent of the term imposed for the most serious offense.

**NEW SECTION. Sec. 13. (1)** Dispositions required to be reviewed under section 9 of this 1977 amendatory act shall be reviewed in the appropriate division of the court of appeals.

An appeal under this section shall be heard solely upon the record that was before the disposition court. No written briefs shall be required and the appeal shall be heard within thirty days following the date of sentencing and a decision rendered within fifteen days following the argument. The supreme court shall promulgate any necessary rules to effectuate the purposes of this section.

(2) To uphold a disposition outside the standard range, or which imposes confinement for a minor or first offender, the court of appeals must find that the reasons supplied by the disposition judge are supported by the record which was before the judge and that those reasons clearly and convincingly support the conclusion that a disposition within the range, or nonconfinement for a minor or first offender, would constitute a manifest injustice.

(3) If the disposition cannot be upheld, the court of appeals shall remand the case back to the juvenile court for disposition within the standard range, or for community supervision without confinement as would otherwise be appropriate pursuant to the provisions of this chapter.

(4) Pending appeal, a respondent shall not be committed or detained for a period of time in excess of the standard range for the offense(s) committed and shall not be detained if a first or minor offender: **PROVIDED**, That if the order of the disposition court is below the standard range, the respondent shall be committed or detained for no longer than the term set by the disposition court.

(5) Dispositions imposed by the disposition court shall not be final until either the deadline for appeal pursuant to state law or supreme court rule has passed without an appeal being taken, or the court of appeals has issued its decision on the appeal.

**NEW SECTION. Sec. 14.** As used in this section, 'secure facility' means a facility in which a juvenile offender may be placed under this section which is characterized by physically restricting construction, hardware, and procedures, and which is designated as a secure facility by the department under this section. Secure facilities shall provide appropriate services to the residents including but not limited to residential care, educational and vocational training, physical and mental health services, and employment counseling. The department shall promulgate regulations governing secure facilities including but not limited to:

- (1) Limitations as to capacity;
- (2) Services to be provided and conditions to be maintained;
- (3) Procedures for admission to and release or transfer from the facility; and
- (4) Periodic inspection by the department not to be conducted by personnel of the facility.

**NEW SECTION.** Sec. 15. Consistent with the purposes of this chapter, if the respondent violates a condition of his or her community supervision, community supervision may be revoked and community supervision may be modified and further permissible punishment imposed pursuant to the provisions of this chapter. Such punishment may include a period of confinement and/or partial confinement in a county facility not to exceed thirty days. Community supervision may only be revoked or modified upon the same due process as would be afforded an adult alleged probation violator. Except as provided in section 11 of this 1977 amendatory act, however, a youth found to be a minor or first offender and sentenced to a term of community supervision may not be committed to a state or county institution on the basis of violating a term of his or her community supervision unless there is alleged and proven beyond a reasonable doubt a new offense for which commission, either separate or in combination with other or prior offenses, removes the juvenile from the category of first or minor offender.

**NEW SECTION.** Sec. 16. (1) The secretary shall, except in the case of a youth committed by a court to a term of confinement in a state institution outside the appropriate standard range for the offense(s) for which the youth was found to be guilty established pursuant to section 7 of this 1977 amendatory act, set a release or discharge date for each youth committed to its custody which shall be within the prescribed range to which a youth has been committed. Such dates shall be determined prior to the expiration of sixty percent of a youth's minimum term of confinement included within the prescribed range to which the youth has been committed.

(2) Following the youth's release pursuant to subsection (1) of this section, the secretary may require the youth to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eight months. The secretary shall, for the period of parole, facilitate the youth's reintegration into his or her community and to further this goal may require the youth to: (a) Undergo available medical or psychiatric treatment; (b) report as directed to a parole officer; (c) pursue a course of study or vocational training; (d) remain within prescribed geographical boundaries and notify the department of any change in his or her address; and (e) refrain from committing new offenses. After termination of the parole period, the youth shall be discharged from the department's supervision.

(3) The department may also revoke or modify parole for violation thereof after the same due process as is required for an adult alleged parole violator. If the secretary finds, consistent with all such due process rights, that a youth has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (a) Continued supervision under the same conditions previously imposed; (b) intensified supervision with increased reporting requirements; (c) additional conditions of supervision authorized by this chapter; and (d) imposition of a period of partial confinement not to exceed thirty days.

**NEW SECTION.** Sec. 17. (1) The juvenile courts shall have exclusive original jurisdiction in all matters relating to youth alleged to have committed or found to have committed offenses except for alleged gross misdemeanor or misdemeanor violations of the traffic laws by juveniles over fifteen years of age. Judges of the superior court of any county may by agreement with the county prosecutor and court clerk provide by local court rule that the district courts of the county shall have the power, authority and jurisdiction, concurrent with the superior court, to hear all specified matters relating to dependent and delinquent children, and to enter judgment and make orders with the same power, force and effect as any judge of the superior court and may provide procedures therefor. The juvenile court shall have original exclusive jurisdiction over proceedings under the interstate compact on juveniles, chapter 13.24 RCW, and under the interstate compact on placement of children, chapter 26.34 RCW, which are governed by the laws relating thereto without regard to the provisions of this chapter.

(2) Proceedings under this chapter shall be commenced in the county where the child resides. However, proceedings may be commenced in the county where an element of the alleged criminal offense occurred if so requested by the child or by the prosecuting attorney of the county where the incident occurred.

(3) If the hearing takes place in the county where an element of the alleged criminal offense occurred, the case and copies of all legal and social documents pertaining thereto shall be transferred for disposition to the county where the child resides. All costs and arrangements for care and transportation of the child in custody shall be the responsibility of the receiving county as of the date of the transfer, unless the counties otherwise agree.

(4) The court upon motion of any party or upon its own motion may, at any time, transfer a proceeding to another juvenile court when:

(a) There is reason to believe that an impartial proceeding cannot be held in the county in which the proceeding was begun; or

(b) It appears that venue is incorrect under this section.

**NEW SECTION.** Sec. 18. (1) The juvenile court shall be a division of the superior court. In judicial districts having more than one judge of the superior court the judges of such court shall annually, in the month of January, assign one or more of their number to the juvenile court division. In any judicial district having a court commissioner, the court commissioner shall have the power, authority and jurisdiction, concurrent with a juvenile court judge, to hear all cases under this chapter, and to enter judgment and make orders with the same power, force and effect as any judge of the juvenile court, subject to motion or demand by any party within ten days from the entry of the order or judgment by the court commissioner as provided

in RCW 2.24.050. Cases shall be heard under this chapter without a jury. The court is hereby authorized, and to the extent possible is encouraged to, contract with private agencies existing within the community for the provision of services to youthful offenders and youth who have entered into diversion agreements pursuant to the provisions of this chapter.

(2) The county legislative authority, or the judge(s) assigned to juvenile court if so delegated the responsibility, shall appoint an administrator of juvenile court whose responsibilities shall include the efficient operation of court procedures and detention services: PROVIDED, That detention services may be operated by a county department of youth services established pursuant to RCW 13.20.060.

**NEW SECTION. Sec. 19.** (1) The administrator of juvenile court or a director of a county department of youth services established pursuant to RCW 13.20.060 may employ individuals to operate detention facilities, provide services to youths in detention, provide services to youthful offenders, to enter into diversion agreements pursuant to the terms of this chapter except as where otherwise directed by law, and to monitor those youths serving periods of partial confinement and community supervision to assure that such youths are meeting requirements imposed upon them by the court. Such court officers shall each receive compensation which shall be fixed by the commission.

(2) The court may employ officers to furnish the court with such information and assistance as it may require in determining an appropriate sentence under this chapter.

**NEW SECTION. Sec. 20.** (1) There shall be an administrator of juvenile court, or a director of a county department of youth services established pursuant to RCW 13.20.060, in each county who shall be in charge of any detention facilities which are operated in such county and shall, after consultation with the state planning agency established under Title II of the Juvenile Justice and Delinquency Prevention Act of 1974 (Pub. L. No. 93-415; 42 U.S.C. 5611 et. seq.) following a public hearing, and after approval of the body responsible for administering the juvenile court, and no later than one hundred eighty days after the effective date of this 1977 amendatory act, adopt standards for the regulation and government of said facilities.

(2) Such standards may be revised from time to time, according to the procedure outlined in subsection (1) of this section.

(3) Each detention facility shall keep a copy of such standards available for inspection at all times.

(4) Such standards shall be reviewed and the detention facilities shall be inspected annually by the administrator or director.

**NEW SECTION. Sec. 21.** Whenever legal custody of a child is vested in someone other than his or her parents, after due notice to the parents or other persons legally obligated to care for and support the child, and after a hearing, the court may order and decree that the parent or other legally obligated person shall pay in such a manner as the court may direct a reasonable sum representing in whole or in part the costs of support, treatment and confinement of the child after the decree is entered. If the parent or other legally obligated person wilfully fails or refuses to pay such sum, the court may proceed against such person for contempt.

**NEW SECTION. Sec. 22.** A youth shall not be held in detention unless:

(1) The youth has been taken into custody and referred to the court for allegedly committing an offense or when the youth has allegedly failed, or has been found to have failed to meet the terms of his or her community supervision and the youth's past conduct or statements give reason to believe that:

(a) The youth will likely fail to appear for further proceedings; or

(b) Detention is required to protect a youth who is dangerous to himself;

(2) The court has ordered detention as a material witness;

(3) The juvenile is a fugitive from justice; or

(4) The secretary or his designee has suspended the early release of a juvenile offender; or his or her physical condition is such as to jeopardize the safety of the youth or of others, or the youth will seek to intimidate witnesses or otherwise unlawfully interfere with the administration of justice.

**NEW SECTION. Sec. 23.** (1) When a youth taken into custody is not released as provided in section 3 of this 1977 amendatory act:

(a) An information shall be filed within seventy-two hours, Saturdays, Sundays, and holidays excluded, or the youth shall be released;

(b) A detention hearing shall be held within seventy-two hours, Saturdays, Sundays, and holidays excluded, from the time of filing the information, to determine whether continued detention is necessary under section 22 of this 1977 amendatory act.

(2) Written notice of the detention hearing, stating the time, place, and purpose of the hearing, and stating the right to counsel, shall be given to the parent, guardian, or custodian if such person can be found and shall also be given to the child if over twelve years of age.

(3) At the commencement of the detention hearing, the court shall advise the parties of their rights under this chapter and shall appoint counsel as specified by section 6 of this 1977 amendatory act.

(4) The court shall, based upon the allegations in the information, determine whether the case is properly before it or whether the case should be treated as a diversion case under section 4 of this 1977 amendatory act. If the case is not properly before the court the juvenile shall be ordered released.

(5) Notwithstanding a determination that the case is properly before the court and that probable cause exists, a child shall at the detention hearing be ordered released on his personal recognizance pending further hearing unless the court finds detention is necessary under section 22 of this 1977 amendatory act.

(6) If detention is necessary under section 22 of this 1977 amendatory act the court shall set reasonable bail or impose the most appropriate of the following conditions, or, if necessary, any combination of the following conditions in lieu of detention:

- (a) Place the child in the custody of a designated person agreeing to supervise such child;
- (b) Place restrictions on the travel of the child during the period of release;
- (c) Require the child to report regularly to and remain under the supervision of the juvenile court;
- (d) Impose any condition other than detention deemed reasonably necessary to assure appearance as required; or

(e) Require that the child return to detention during specified hours.

A court authorizing the release of a child under this subsection shall issue an appropriate order containing a statement of the conditions imposed and set the date of the next court appearance and shall advise the child that an order releasing him on any conditions specified in this section may at any time be amended to impose additional or different conditions of release or to return the child to custody for failure to conform to the conditions originally imposed and that failure to appear on the date scheduled shall constitute the crime of bail jumping.

**NEW SECTION. Sec. 24.** (1) The prosecutor, respondent, or the court on its own motion may, before a hearing on the information on its merits, file a motion requesting the court to transfer the respondent for adult criminal prosecution and the matter shall be set for a decline hearing if good cause is shown for a hearing on the question of decline. Unless waived by the court, the parties and their counsel, a decline hearing shall be held where:

(a) The respondent is sixteen or seventeen years of age and the petition alleges a class A felony or an attempt to commit a class A felony; or

(b) The respondent is seventeen years of age and the petition alleges assault in the second degree, extortion in the first degree, indecent liberties, kidnaping in the second degree, rape in the second degree, or robbery in the second degree.

(2) The court after a decline hearing may order the case transferred for adult criminal prosecution upon a finding that the declination would be in the best interest of the juvenile or the public. The court shall consider the relevant reports, facts, opinions and arguments presented by the parties and their counsel. The court shall transfer the matter for adult prosecution where the respondent is sixteen or seventeen years of age and where there is probable cause establishing that the respondent has committed or attempted to commit a class A felony or where the respondent is seventeen years of age and where there is probable cause establishing that the respondent has committed assault in the second degree, extortion in the first degree, indecent liberties, kidnaping in the second degree, manslaughter in the first degree, rape in the second degree or robbery in the second degree, unless the respondent proves that the transfer for adult prosecution would create a manifest injustice.

(3) When the respondent is transferred for criminal prosecution or retained for prosecution in juvenile court, the court shall set forth in writing its finding which shall be supported by relevant facts and opinions produced at the hearing.

**NEW SECTION. Sec. 25.** The county prosecuting attorney shall be a party to all juvenile court proceedings and may represent the state of Washington in all proceedings and matters under this chapter.

**NEW SECTION. Sec. 26.** (1) Upon application of a party, the clerk of the court shall issue, and the court on its own motion may issue, subpoenas requiring attendance and testimony of witnesses and production of records, documents, or other tangible objects at any hearing, or such subpoenas may be issued by an attorney of record.

(2) All proceedings shall be transcribed verbatim by means which will provide an accurate record.

(3) The general public shall be excluded from juvenile court hearings and only the parties, their counsel, witnesses, and other persons requested by a party shall be admitted. Such other persons as the court finds to have a proper interest in the work of the court, including members of the bar and press, shall be admitted by the court on condition that such persons refrain from divulging any information which would identify the child or family involved.

Any person who divulges information in violation of this subsection shall be guilty of a misdemeanor. Any person who is the subject of such information may bring a civil action in superior court to enjoin further disclosure and to recover the actual damages sustained by such person together with the cost of the suit including reasonable attorney's fees.

(4) In all adjudicatory proceedings before the court, which shall not include decline, disposition, or modification or revocation of community supervision hearings, all parties shall have the right to adequate notice, discovery as provided in criminal cases, opportunity to be heard, confrontation of witnesses except in such cases as this chapter expressly permits the use of hearsay testimony, findings based solely upon the evidence adduced at the hearing, and an unbiased fact-finder.

(5) A child shall be accorded the privilege against self-incrimination. An extra judicial statement which would be constitutionally inadmissible in a criminal proceeding shall not be received in evidence at an adjudicatory hearing over objection. Evidence illegally seized or obtained shall not be received in evidence over objection at an adjudicatory hearing to prove the allegations against the child. An extra judicial admission or confession made by the child out of court is insufficient to support a finding that the child committed the acts alleged in the information unless a corpus delicti is first established.

(6) Waiver of any right which a child has under this chapter must be an express waiver intelligently made by the child after he or she has been fully informed of the right being waived.

(7) Whenever this chapter refers to waiver or objection by a child, the word child shall be construed to refer to a child who is at least twelve years of age. If a child is under twelve years of age, his parent, guardian, or custodian shall give any waiver or offer any objection contemplated by this chapter.

**NEW SECTION. Sec. 27.** No fees shall be charged or collected by any officer or other person for filing informations, serving summons, or other process under this chapter.

**NEW SECTION. Sec. 28.** All records pertaining to juveniles, produced or retained by any juvenile justice or care agency — police, center, court, prosecuting attorney, defense attorney, detention center, or the department of institutions or the department of social and health services and their contracting agencies — shall be confidential and shall only be released pursuant to the provisions of this chapter. Where a specific provision of this chapter controls the use of such information, then that specific provision governs, and in all other cases release and use of information will be governed by the provisions set forth in sections 29 through 35 of this 1977 amendatory act.

**NEW SECTION. Sec. 29.** Records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by such other participant or when such other participant is assigned the responsibility of supervising the juvenile. This section shall permit, in accordance with the laws on discovery of evidence applicable in adult criminal cases, counsel for the prosecution and defense and an accused juvenile full access to the records of other juveniles alleged to have committed offenses connected with the offense with which the accused juvenile is charged, and any juvenile witnesses involved in such a case. The juvenile court and prosecutor may set up and maintain a central record keeping system which may receive information on all alleged juvenile offenders whether or not their cases are currently pending before the court, except as limited by section 30 of this 1977 amendatory act. The central record keeping system may be computerized and shall have adequate safeguards to protect against improper disclosure of information.

**NEW SECTION. Sec. 30.** It shall be the duty of any juvenile justice or care agency providing information to insure the accuracy of that information. To this end:

(1) An agency shall never knowingly record or provide inaccurate information; and

(2) An agency shall take steps to ensure the security of its records and to prevent tampering therewith.

**NEW SECTION. Sec. 31.** There shall be no release of any information to parties outside the juvenile justice or care system except:

(1) Information concerning a juvenile shall be released to such juvenile, or to such juvenile's parents or attorney, for purposes of checking its accuracy.

(2) Information which could not reasonably be expected to identify the youth or his family may be released to the public.

(3) The identity of an alleged or proven juvenile offender and his or her parent, guardian, or custodian and the circumstances of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(4) Information which is necessary to the preparation of an accused juvenile's defense or to protect a juvenile's interests in a dependency proceeding shall be released to such juvenile or to such juvenile's parents or attorney.

(5) Information which has not been destroyed pursuant to section 32 of this 1977 amendatory act shall be released to participants in the adult criminal justice and corrections system including prosecutors, defendants, defense counsel, and probation or parole officers, concerning the juvenile record of an adult criminal defendant or witness in an adult criminal proceeding after a charge has actually been filed in court.

**NEW SECTION. Sec. 32.** (1) On motion on the part of a person who has been the subject of an information alleging a juvenile offense or the subject of a dependency petition, or on the court's own motion, the court shall vacate its order and findings, if any, and order the sealing of the legal and social files and records of the court, of the center, and of any other agency in the case if it finds that:

(a) Two years have elapsed since the final discharge of the person from legal custody or since the entry of any other court order not involving custody; and

(b) The person has not entered into a diversion agreement nor has been found to have committed a crime prior to the filing of the motion, and no proceeding is pending seeking such conviction or adjudication. The motion and the order may include the files and records specified in subsections (2) and (3) of this section.

(2) Reasonable notice of the motion shall be given to:

(a) The prosecutor;

(b) Defense counsel of record;

(c) The department, if custody of the child has ever been transferred to the department; and

(d) The law enforcement officers, department, and central depository having custody of the files and records if the files and records specified in section 28 of this 1977 amendatory act are included in the motion.

(3) Upon the entry of the order, the proceedings in the case shall be treated as if they never occurred, and all index references shall be deleted and the court and law enforcement officers and departments shall reply and the subject person may reply to any inquiry that juvenile records are confidential.

Inspection of the files and records included in the order may thereafter be permitted by the court only upon motion of the person who is the subject of such records, and only by those persons named in such motion. However, the court in its discretion may by special order in an individual case permit inspection by or release of information in the records to any clinic, hospital, or agency which has the subject person under care or treatment, or individuals or agencies engaged in research.

(4) Any adjudication of the commission of a crime subsequent to sealing shall have the effect of nullifying the sealing order.

(5) A person who has been the subject of an information alleging a juvenile offense and has met the conditions stipulated in subsection (1)(b) of this section may, five years after reaching the age of majority, file a motion requesting the destruction of all records pertaining to his or her case. If the court grants the motion, copies of the order shall be sent to all offices or agencies that are repositories of such records and all such offices and agencies shall comply with the order.

(6) A person who has been the subject of an information alleging a juvenile offense shall be notified of his rights under this section and section 33 of this 1977 amendatory act at the time of his or her final discharge.

**NEW SECTION. Sec. 33.** Any person who believes that he or she may be the subject of any juvenile justice or care record keeping shall have the right, in person or through a parent or attorney, to inquire as to whether a record exists and to be shown such record if it does. If that record is properly in the possession of the agency maintaining it, the subject shall have the right to challenge the information therein and to have it corrected if it is in error. If that record is not properly in the possession of the agency maintaining it, the subject shall have the right to have it destroyed. Any agency maintaining such records shall promulgate administrative procedures to facilitate such inquiries, and the subject of any record shall have the right to enforce the provisions of this section by equitable or legal proceedings in the superior court.

**NEW SECTION. Sec. 34.** Nothing in this chapter shall be construed to prevent the expungement of any juvenile record ordered expunged by a court to preserve the due process rights of its subject.

**NEW SECTION. Sec. 35.** Notwithstanding any other provision of this chapter, records of motor vehicle violations which are also offenses under this chapter shall be subject to the procedures of the department of motor vehicles in the same manner as records of motor vehicle violations generally.

**NEW SECTION. Sec. 36.** Neither the fingerprints nor a photograph shall be taken of any child under the age of eighteen years taken into custody for any purpose without the consent of the juvenile court.

**NEW SECTION. Sec. 37.** All references to juvenile delinquents or juvenile delinquency in other chapters of the Revised Code of Washington shall be construed as meaning juvenile offenders or the commitment of an offense by juveniles as defined by this chapter.

Sec. 38. Section 1, chapter 160, Laws of 1913 as amended by section 1, chapter 302, Laws of 1961 and RCW 13.04.010 are each amended to read as follows:

This chapter shall be known as the 'Juvenile Court Law' and shall apply to all minor children under the age of eighteen years who are ~~((delinquent-or))~~ dependent; and to any person or persons who are responsible for or contribute to, the ~~((delinquency-or))~~ dependency of such children.

For the purpose of this chapter the words 'dependent child' shall mean any child under the age of eighteen years:

(1) Who has no home or any settled place of abode, or any proper guardianship, or any visible means of subsistence; or

(2) Who has no parent, guardian or other responsible person; or who has no parent or guardian willing to exercise, or capable of exercising, proper parental control; or

(3) Whose home by reason of neglect, cruelty or depravity of his parents or either of them, or on the part of his guardian, or on the part of the person in whose custody or care he may be, or for any other reason, is an unfit place for such child; or

(4) Who frequents the company of reputed criminals, vagrants or prostitutes; or

(5) Who is found living or being in any house of prostitution or assignation; or

(6) Who habitually visits any saloon, or place where spirituous, vinous, or malt liquors are consumed or sold, bartered, or given away; or

(7) Who is incorrigible; that is, who is beyond the control and power of his parents, guardian, or custodian by reason of the conduct or nature of said child; or

(8) Who is in danger of being brought up to lead an idle, dissolute or immoral life; or

(9) Who is an habitual truant, as defined in the school laws of the state of Washington; or

(10) Who uses intoxicating liquor as a beverage, or who uses opium, cocaine, morphine, heroin, or marijuana, or other similar drug, without the direction of a competent physician; or

(11) Who wanders about in the nighttime without being on any lawful business or occupation; or

(12) Who is grossly and wilfully neglected as to medical care necessary for his well-being.

~~((The words 'delinquent child' mean any child under the age of eighteen years who violates any law of this state, or any ordinance of any town, city, or county of this state defining a crime or who has violated any federal law or law of another state defining a crime, and whose case has been referred to the juvenile court by any jurisdiction whatsoever.))~~

For the purpose of this chapter only, all children who have been adjudicated ~~((delinquent-and))~~ dependent children within the state shall be considered wards of this state and their persons shall be subject to the custody, care, guardianship and control of the court as hereinafter provided.

Sec. 39. Section 2, chapter 302, Laws of 1961 as amended by section 1, chapter 101, Laws of 1973 1st ex. sess. and RCW 13.04.053 are each amended to read as follows:

Whenever any dependent child is taken into custody, the parent or guardian must be immediately notified. Such requirement may be waived by the court in cases where the parent or guardian cannot be located.

No dependent child shall be held in detention or shelter longer than seventy-two hours excluding Sundays and holidays, unless a petition as provided for in RCW 13.04.060 has been filed. No such child may be held longer than seventy-two hours after the filing of such a petition unless an order for such continued

detention or shelter has been signed by the juvenile court judge. No such child shall be detained for longer than thirty days without an order, signed by the judge, authorizing continued detention. In every order authorizing continued detention the court shall make and enter its findings upon which continued detention is based. ((A child in need of detention either by reason of assaultive conduct or because of probable failure to appear for further proceedings, whether alleged to be dependent or delinquent, shall, prior to findings and disposition by the court pursuant to RCW 13.04.095, be the responsibility of and provided for by the juvenile court. The juvenile court shall also provide necessary detention facilities and services for a child previously paroled from juvenile correctional facilities whose parole has been suspended by juvenile parole authorities based on one or more allegations of violation of a condition or conditions of parole.))

Sec. 40. Section 5, chapter 160, Laws of 1913 and RCW 13.04.060 are each amended to read as follows:

Any person may file with the clerk of the superior court a petition showing that there is within the county, or residing within the county, a dependent ((or delinquent)) child and praying that the superior court deal with such child as provided in this chapter: PROVIDED, That in counties having paid probation officers, such officers shall, as far as possible, first determine if such petition is reasonably justifiable. Such petition shall be verified and shall contain a statement of facts constituting such dependency ((or delinquency)), as defined in RCW 13.04.010, and the names and residence, if known to the petitioner, of the parents, guardian, or custodian of such dependent ((or delinquent)) child. There shall be no fee for filing such petitions.

Sec. 41. Section 6, chapter 160, Laws of 1913 and RCW 13.04.070 are each amended to read as follows:

Upon the filing of an information, or the petition, the clerk of the court shall issue a summons requiring the person having custody or control of the child, or with whom the child may be, to appear with the child at a place and time stated in the summons, which time shall not be less than twenty-four hours after service. The parents of the child, if living, and their residence is known, or its legal guardian, if there be one or if there is neither parent nor guardian, or if his or her residence is not known, then some relative, if there be one, and his residence is known, shall be notified of the proceedings; and in any case the judge shall appoint some suitable person or association to act in behalf of the child. If the person summoned as herein provided, shall fail without reasonable cause to appear and abide the order of the court, or bring the child, he shall be proceeded against as for contempt of court. In case the summons cannot be served or the parties served fail to obey ((the)) the same, and in any case when it shall be made to appear to the court that said summons will be ineffectual, a warrant may issue on the order of the court, either against the parent or guardian or the person having custody of the child, or with whom the child may be, or against the child itself. On return of the summons or other process, or as soon thereafter as may be, the court shall proceed to hear and dispose of the case in a summary manner. Pending the final disposition of the case, the child may be retained in the possession of the person having charge of same, or may be kept in some suitable place provided by the city or county authorities, or by any association having for one of its objects the care of ((delinquent and dependent)) children.

Sec. 42. Section 7, chapter 160, Laws of 1913 as amended by section 4, chapter 302, Laws of 1961 and RCW 13.04.080 are each amended to read as follows:

In ((any)) a dependency case where it shall appear by the petition or verified statement, that the person standing in the position of natural or legal guardian of the person of any child, is a nonresident of this state, or that the name or place of residence or whereabouts of such person is unknown, as well as in all cases where, after due diligence, the officer has been unable to make service of the summons or notice provided for in RCW 13.04.070, and a copy of said notice has been deposited in the post office, postage prepaid, directed to such person at his last known place of residence, the court may order said notice published in a legal newspaper printed in the county, qualified to publish summons, once a week for three consecutive weeks, the first publication of said notice to be at least twenty-five days prior to the date fixed for the hearing. Such notice shall be directed to the parent, parents, or other person claiming the right to the custody of the child, if their names are known, or if unknown, the phrase 'To whom it may concern' shall be used and apply to, and be binding upon, any such persons whose names are unknown. The name of the court, the name of the child (or children if of one family), the date of the filing of the petition and the date of hearing and the object of the proceeding in general terms, shall be set forth and the whole shall be subscribed by the clerk. There shall be filed with the clerk an affidavit showing due publication of the notice and the cost of publication shall be paid by the county at not to exceed the rate paid by the county for other legal notices. The publication of notice shall be deemed equivalent to personal service upon all persons, known or unknown, who have been designated as provided in this section.

Sec. 43. Section 5, chapter 302, Laws of 1961 and RCW 13.04.091 are each amended to read as follows:

All dependency hearings may be conducted at any time or place within the limits of the county, and such cases shall not be heard in conjunction with other business of the court. The general public shall be excluded and only such persons shall be admitted who are found by the judge to have a direct interest in the case or in the work of the court.

Stenographic notes or any device which accurately records the proceedings may be required as provided in other civil cases pursuant to RCW 2.32.200.

Sec. 44. Section 6, chapter 302, Laws of 1961 as last amended by section 2, chapter 71, Laws of 1975-'76 2nd ex. sess. and RCW 13.04.095 are each amended to read as follows:

When any child shall be found to be (~~delinquent or~~) dependent, within the meaning of this chapter, the court shall make such order for the care, custody, or commitment of the child as the child's welfare in the interest of the state require. Subject to further order, the court may commit the child:

- (1) To the care of such child's parents, subject to supervision of the probation officer; or
- (2) To the custody of a probation officer, subject to such conditions as the judge may impose; or
- (3) To a reputable citizen or association able and willing to receive and care for such child; or
- (4) To an appropriate private agency authorized to care for children; or
- (5) To the department of social and health services: PROVIDED, That only a child found to be delinquent may be placed in a facility established pursuant to chapter 72.05 RCW or chapters 72.16 through 72.20 RCW except that a dependent child whose dependency arises from incorrigibility as defined by RCW 13.04.010(7) may be committed to a diagnostic and treatment facility for not more than thirty days if the court finds that (a) the conduct of the child evidences a substantial likelihood of degenerating into serious delinquent or criminal behavior if not corrected, and (b) other, less restrictive alternatives have failed, and (c) custodial treatment in a diagnostic and treatment facility is available and is reasonably expected to correct such degeneration: PROVIDED, That such housing and treatment shall be entirely separate from that of delinquents.

In no case shall a child be committed beyond the age of twenty-one years. A child committed to the department of institutions shall be subject to the supervision and control thereof and the department shall have the power to parole such child under such conditions as may be prescribed.

The department of social and health services shall have the power to discharge such child from custody, and the court shall have the power to rescind the commitment of such child, whenever his or her reformation shall be deemed complete.

The court shall rescind the commitment of any dependent child who was, prior to March 21, 1967, committed to the department of institutions unless such child is incorrigible (~~or delinquent~~) within the meaning of this chapter and the department of institutions shall return the child forthwith to the committing court for such action: PROVIDED, That the court may commit such dependent child as otherwise provided in this chapter.

Sec. 45. Section 8, chapter 160, Laws of 1913 as last amended by section 1, chapter 138, Laws of 1969 ex. sess. and RCW 13.04.100 are each amended to read as follows:

An order of commitment may be temporary or permanent in the discretion of the court, and may be revoked or modified as the circumstances of the case may thereafter require. In any case in which the court shall find the child dependent (~~or delinquent~~), it may in the same or subsequent proceeding upon the parent or parents, guardian, or other person having custody of said child, being duly summoned or voluntarily appearing, proceed to inquire into the ability of such persons or person to support the child or contribute to its support, and if the court shall find such person or persons able to support the child or contribute thereto, the court may enter such order or decree as shall be according to equity in the premises, and may enforce the same by execution, or in any way in which a court of equity may enforce its decrees.

Sec. 46. Section 1, chapter 188, Laws of 1955 as amended by section 8, chapter 302, Laws of 1961 and RCW 13.04.105 are each amended to read as follows:

In any dependency case in which an order or decree of the juvenile court requiring a parent or parents, guardian, or other person having custody of a child to pay for detention care and/or support of such child is not complied with, the court may, upon such person or persons being duly summoned or voluntarily appearing, proceed to inquire into the amount due upon said order or decree and enter judgment for such amount against the defaulting party or parties, and such judgment shall be docketed as are other judgments for the payment of money.

In such judgments, the county in which the same are entered shall be denominated the judgment creditor, or the state may be the judgment creditor where the child is in the custody of a state agency and said judgments may be enforced by the prosecuting attorney of such county, or the attorney general where the state is the judgment creditor and any moneys recovered thereon shall be paid into the registry of the juvenile court and shall be disbursed to such person, persons, agency, or governmental department as the court shall find to be entitled thereto.

Such judgments shall remain as valid and enforceable judgments for a period of six years subsequent to the entry thereof.

Sec. 47. Section 9, chapter 160, Laws of 1913 and RCW 13.04.110 are each amended to read as follows:

In any dependency case where the court shall award a child to the care of any association or individual, the child shall, unless otherwise ordered, become a ward and be subject to the guardianship of the association or individual to whose care it is committed; such association shall have authority, with the assent of the court, to place such child in a family home, either temporarily or for adoption. With the written consent of the parents, or other person having the right, under the laws of this state, to dispose of a dependent (~~or delinquent~~) child, the court may make an order or decree of adoption transferring to any suitable person or persons, willing to receive such child, all the rights of the parent or other guardian. The order of the court made upon such consent will be binding upon the child and its parents or guardian, or other person, the same as if such person were in court and consented thereto, whether made a party to the proceedings or not. The estate or property rights of any child shall not be affected nor subject to guardianship by the provisions of this chapter. The jurisdiction of the court shall continue over every child brought before the court, or committed pursuant to this chapter, and the court shall have power to order a change in the care or custody of

such child, if at any time it is made to appear to the court that it would be for the best interests of the child to make such change.

Sec. 48. Section 11, chapter 160, Laws of 1913 and RCW 13.04.115 are each amended to read as follows:

No court or magistrate shall commit a child under sixteen years of age to a jail, common lock-up, or police station; but if such child is unable to give bail, ((it)) he or she may be committed to the care of the sheriff, police officer, or probation officer, who shall keep such child in some suitable place or house or school of detention provided by the city or county, outside the inclosure of any jail or police station, or in the care of any association willing to receive ((it)) him or her and having as one of its objects the care of ((~~delinquent~~)) dependent or neglected children. When any child shall be sentenced to confinement in any institution to which adult convicts are sentenced, it shall be unlawful to confine such child in the same building with such adult convicts, or to bring such child into any yard or building in which such adult convicts may be present.

Sec. 49. Section 15, chapter 160, Laws of 1913 and RCW 13.04.150 are each amended to read as follows:

Any order made by the court in the case of a dependent ((~~or delinquent~~)) child may at any time be changed, modified or set aside, as to the judge may seem meet and proper.

Sec. 50. Section 1, chapter 116, Laws of 1953 and RCW 13.04.170 are each amended to read as follows:

In all cases where any child is dependent ((~~or delinquent~~)) or is determined by a court to have committed an offense under the terms of this title, the parent or parents, legal guardian, or person having custody of such child, or any other person, who, by any act or omission, encourages, causes or contributes to the dependency or ((~~delinquency~~)) unlawful conduct of such child shall be guilty of a misdemeanor, and upon conviction thereof, be punished by fine not exceeding one thousand dollars, or imprisonment in the county jail for not more than one year, or by both such fine and imprisonment, and the juvenile court shall have jurisdiction of all such misdemeanors. The court may suspend sentence for a violation of the provisions of this section and impose conditions as to conduct in the premises of any person so convicted, and make such suspension depend upon the fulfillment by such person of the conditions, and, in case of the breach of the conditions, or any thereof, the court may impose sentence as though there had been no suspension. The court may also, as a condition of such suspension, require a bond in such sum as it may designate, to be approved by the court, to secure the performance by such persons of the conditions imposed by the court on such suspension. The bond shall, by its terms, be made payable to the state, and any moneys received for a breach thereof shall be paid into the county treasury.

## SECOND READING

**SUBSTITUTE SENATE BILL NO. 3109**, by Committee on Ways and Means (Originally sponsored by Senators Donohue, Odegaard, Scott and Newschwander – by Governor Ray request):

Adopting the 1977–79 operating budget.

The House resumed consideration of the bill on second reading. (For previous action, see Journal, 61st Day ex. sess., May 10, 1977.)

The Speaker stated the question before the House to be the amendments to page 62 of the committee amendment by Representative Salatino and others.

Representatives Salatino and Boldt spoke in favor of the amendments.

## POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Barnes.

Mr. Barnes: "Representative Shinpoch, this amendment would seem to replace the wording in the original House amendment, mainly to do with why or on what basis certain money was calculated to be allocated to the different districts. In your version it uses the words, 'money available for salary increases,' and it uses in the heading 'Special Appropriation for Salaries Increase.' Would your version, having calculated what the amount of money is to be distributed to the districts based on a salary consideration, mandate that this is a salary increase given by the districts to the teachers?"

Mr. Shinpoch: "I'm not certain that I understand your question. If you're asking does the amendment as presented mandate any particular amount to be given to teachers for salary increases, the answer to that, under the Salatino amendment, is no, it would not."

Mr. Barnes: "My question was regarding the House committee amendment."

Mr. Shinpoch: "I think what you're asking is, does the levy lid as the levy lid bill, Senate Bill No. 2697, intertie with the salary increase in sections 95 and 96 of this bill—would that be applicable? And the answer to that is that it would require changes in Senate Bill No. 2697 in order to make the original concept work. Senate Bill No. 2697 as it exists now would be inoperative if you put the Salatino amendment on."

Mr. Barnes spoke against adoption of the amendment.

## ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Salatino and others to the committee amendment to Substitute Senate Bill No. 3109, and the amendment was adopted by the following vote: Yeas, 64; nays, 34; not voting, 0.

Voting yea: Representatives Adams, Bauer, Becker, Bender, Berentson, Boldt, Burns, Charette, Charnley, Conner, Douthwaite, Ehlers, Enbody, Eng, Erak, Erickson, Fischer, Gaines, Gallagher, Gilleland, Grier, Grimm, Gruger, Heck, Hughes, Hurley G. S., Keller, Kilbury, King, Knedlik, Knowles, Kreidler, Lux, Lysen, Martinis, Maxie, McCormick, McKibbin, Moreau, Nelson D., Nelson G. A., O'Brien, Owen, Pardini, Paris, Pearsall, Polk, Pruitt, Salatino, Sanders, Sherman, Shinpoch, Smith, Sommers, Thompson, Valle, Vrooman, Walk, Warnke, Williams, Wilson, Winsley, Zimmerman, and Mr. Speaker.

Voting nay: Representatives Amen, Barnes, Barr, Blair, Bond, Chandler, Clayton, Clemente, Craswell, Deccio, Dunlap, Fancher, Flanagan, Fortson, Fuller, Greengo, Haley, Hanna, Hansen, Hawkins, Hurley M., Lockenby, Lee, May, Newhouse, North, Oliver, Patterson, Schmittens, Shinoda, Struthers, Taller, Tilly, Whiteside.

Mr. Douthwaite moved adoption of the following amendment to the committee amendment by Representatives Douthwaite, Hughes, Pruitt, Ehlers, Salatino, Burns, Williams, Dunlap, Pardini, Walk, Grimm, Pearsall, Grier, Fischer, Erak and Valle:

On page 66, following line 33 insert a new section:

**\*NEW SECTION, Sec. 99. FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION** —For General Apportionment Supplement

General Fund Appropriation ..... \$9,549,000

Total Appropriation . . . . . \$9,549,000  
The Superintendent of Public Instruction shall develop a schedule for distributing these funds to insure that no district shall receive an increase in each year of less than 4% from funds distributed pursuant to section 95(4) and section 96 of this act."

Renumber the remaining sections consecutively.

Mr. Douthwaite spoke in favor of the amendment to the committee amendment.

POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Knedlik.

Mr. Knedlik: "Representative Douthwaite, we heard in caucus two different figures on the cost of this: One is \$9.5 million and the other is \$342 million over five years. Can you tell me what the intent is?"

Mr. Douthwaite: "The intent is to provide a floor of 4% for district averages for public school teachers in the coming biennium. The \$9.5 million is what the amendment reads. It is my hope that we will be able to do justice to arrive at a state salary schedule and arrive at fair funding for students as soon as possible. I for one am always ready to vote for taxes to do the job and I hope we will find this tax money necessary. I think to honestly answer your question, it's not clear really at this point, Representative Knedlik, at which time we are going to ultimately resolve this issue."

Representatives McKibbin, Schmitten, Shinpoch and Barnes spoke against the amendment, and Representatives Sommers and King spoke in favor of it.

POINT OF INQUIRY

Mr. McKibbin yielded to question by Mr. Bauer.

Mr. Bauer: "Representative McKibbin, what will be the final percentage spread between the current House plan and the Douthwaite amendment?"

Mr. McKibbin: "There seems to be some question about what this would do and so I have checked the figures on this. Under the House proposal as it is written, in its culminating year, the fifth year, the spread should be next to zero, but it might vary as much as a single percentage point. By the amendment that is brought forth, that spread will be 7.4%. We have just run those figures to find out what the costs would be and it would leave a spread of 7.4% between the top salary and the average salary."

Mr. Clayton spoke against the amendment, and Mr. Douthwaite closed debate, speaking again in favor of it.

Mr. Warnke demanded an electric roll call vote and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Douthwaite and others to the committee amendment to Substitute Senate Bill No. 3109, and the amendment was not adopted by the following vote: Yeas, 45; nays, 52; not voting, 1.

Voting yea: Representatives Adams, Boldt, Burns, Charette, Charnley, Conner, Douthwaite, Dunlap, Ehlers, Enbody, Eng, Erak, Erickson, Fischer, Gaines, Gallagher, Grier, Grimm, Hughes, Hurley G. S., Keller, Kilbury, King, Knedlik, Kreidler, Lux, Lysen, Martinis, Maxie, Nelson D., O'Brien, Pardini, Pearsall, Pruitt, Salatino, Sanders, Sherman, Smith, Sommers, Valle, Vrooman, Walk, Warnke, Williams, Winsley.

Voting nay: Representatives Amen, Barnes, Barr, Bauer, Becker, Bender, Berentson, Blair, Bond, Chandler, Clayton, Clemente, Craswell, Deccio, Fancher, Flanagan, Fortson, Fuller, Gilleland, Greengo, Gruger, Haley, Hanna, Hansen, Hawkins, Heck, Hurley M., Knowles, Leckenby, Lee, May, McCormick, McKibbin, Moreau, Nelson G. A., Newhouse, North, Oliver, Owen, Paris, Patterson, Polk, Schmitten, Shinoda, Shinpoch, Struthers, Taller, Thompson, Tilly, Whiteside, Zimmerman, and Mr. Speaker.

Not voting: Representative Wilson.

Mrs. Lee moved adoption of the following amendment by Representatives Lee, Wilson, Paris, Schmitten, Whiteside, Bond, Winsley, Nelson (Gary), Barnes, Berentson, Amen, Leckenby, Gilleland, Greengo, Clayton, Blair, Tilly, Polk, Zimmerman, Taller, Fuller, Dunlap, Craswell, Fancher, Barr and Chandler to the committee amendment:

On page 61, beginning on line 34 strike all the material down to and including "\$24,007,122" on page 71, line 17 and insert:

Total Appropriation.....	\$	1,378,800,000

The appropriation contained in this section shall be subject to the following conditions and limitations:

(1) The allocation of funds for the basic education entitlement under this section shall be seventy percent of formula allocation for fiscal year 1978 and eighty percent of formula allocation for fiscal year 1979.

(2) The allocation of moneys for a basic education allocation per annual average full time equivalent student for the 1977-78 school year and 1978-79 school year in each school district shall be determined by the superintendent of public instruction as follows:

(a) Respecting certificated employees: A numerical allocation of one certificated staff unit shall be established for each average annual twenty full time equivalent kindergarten, elementary, and secondary students;

(b) Respecting certificated employees: A numerical allocation of one certificated staff unit shall be established for each average annual sixteen and sixty-seven hundredths full time equivalent students enrolled in a vocational education program approved by the superintendent of public instruction;

(c) Because of increased costs for operating such plants for remote and necessary elementary districts with enrollments of less than one hundred full time equivalent pupils, and for remote and necessary schools within a district, with less than one hundred full time equivalent pupils enrolled in the remote school, all as approved by the state board of education, there shall be the numerical allocation of certificated staff hereunder as follows: For grades kindergarten through six, for enrollments up to sixty full time equivalent pupils, three certificated staff units; for enrollments above sixty full time equivalent pupils, an additional certificated staff unit based upon a ratio of one certificated staff unit per twenty pupils; for grades seven through eight, for enrollments up to twenty full time equivalent pupils, one certificated staff unit; for enrollments above twenty full time equivalent pupils, an additional certificated staff unit based upon a ratio of one certificated staff unit per twenty pupils: PROVIDED FURTHER, That because of increased costs for operating such plants for high schools with enrollment of less than three hundred full time equivalent pupils, nine and one-half certificated staff units for the first sixty full time equivalent pupils; and an additional certificated staff unit for each forty-three and six-tenths additional full time equivalent pupils: AND PROVIDED FURTHER, That because of increased costs for operating such plants, for urban area schools, all as approved as such by the superintendent of public instruction, there shall be such additional certificated staff units to the number of full time equivalent enrolled pupils as determined by the superintendent of public instruction and approved by the legislature: AND, PROVIDED FURTHER, For those school districts (i) with programs necessitating additional costs through interdistrict cooperation under RCW 28A.58.075, or as otherwise provided by law, or (ii) with costs resulting from students who reside in any home or institution devoted to providing a home for dependent or otherwise referred or entrusted children exempt from taxation under the laws of the state, or (iii) having over three percent of its students living on property owned by the state, any of its political subdivisions or any municipal corporation, there shall be such additional certificated staff units to the number of full time equivalent enrolled pupils as determined by the superintendent of public instruction and approved by the legislature.

Notwithstanding any other provision of this section, the superintendent of public instruction, in ascertaining the full time equivalent pupil enrollment under this section for any school district declining in such enrollment from the immediately preceding school year, shall increase such enrollment as otherwise herein computed by fifty percent of the full time equivalent pupil enrollment loss from such previous year.

Notwithstanding any other provision of this section, the superintendent of public instruction, in ascertaining the full time equivalent pupil enrollment under this section for any school district which has an enrollment in the current year larger than its enrollment in any of the immediately preceding five years and which has increased its enrollment by four percent, or more, over the immediately preceding year, shall increase such enrollment as otherwise herein computed by twenty percent of the full time equivalent pupil enrollment increase of the current year over the year immediately preceding.

(d) Salaries shall be calculated as herein provided for certificated staff units generated in subsections (a) through (c) above. The superintendent of public instruction shall determine for each school year the base level of salary support per certificated staff unit, at not less than the base level of salary support per certificated staff unit for 1976-77. The base level of salary support per certificated staff unit for 1976-77 shall be calculated by dividing the state-wide average salary of certificated staff units by the state-wide average pay differential factor as determined by the superintendent's staff education and experience table. The base level of salary support per certificated staff unit, multiplied by the superintendent's pay differential factor, shall determine the dollars of salary support for each certificated staff unit.

Using the dollar amount determination as provided for in this subsection above multiplied by the numerical allocation determined in subsections (a), (b), (c) and (d) above, the financial equalization sum as related to certificated employees shall be thus established for each district, except as otherwise in this section provided.

In addition to the dollar support hereinabove in this subsection provided, each school district shall receive for certificated employee benefits, an amount sufficient to reimburse such district for their payments

to the old-age and survivors insurance system embodied in the social security act, industrial insurance, or any other employee benefit program mandated by the legislature for their certificated staff units other than for employee retirement.

(e) Respecting classified employees: The numerical allocation of classified staff shall be computed on a ratio of one classified staff member for each sixty full time equivalent kindergarten, elementary and secondary pupils enrolled in the school district regular program including therein the additional factor for students enrolled in vocational programs.

(f) Salaries shall be calculated as herein provided for classified staff units generated in subsection (e) above. The superintendent of public instruction shall determine for each school year the base level of salary support per classified staff unit, at not less than the base level of salary support per classified staff unit for 1976-77.

Using the dollar amount determination as provided for in this subsection above multiplied by the numerical allocation determined as aforesaid, the financial equalization sum as related to classified employees shall be thus established for each district, except as otherwise in this section provided.

In addition to the dollar support hereinabove in this subsection provided, each school district shall receive for classified employee benefits, an amount sufficient to reimburse such district for their payments to the old-age and survivors insurance system embodied in the social security act, for employee retirement, industrial insurance, or any other benefit program mandated by the legislature for their classified staff units.

(g) Respecting nonemployee related costs: The allocation of additional moneys for nonemployee related costs for the 1977-78 and 1978-79 school years shall utilize the number of certificated staff units as computed for the purposes of subsections (a) and (c) above, multiplied by \$3,416 for each such certificated staff unit and for the purpose of subsection (b) above multiplied by \$3,850 for each certificated staff unit: PROVIDED, That in addition the superintendent shall determine the number of vocational related certificated staff units contained in subsections (a) and (c) above and multiply them by \$3,850.

(h) The enrollment of any district for the purposes of determining full time equivalent pupils for the purposes of this section shall be based on the average number of full time equivalent pupils and part time pupils as provided for in chapter ... (SHB 960), Laws of 1977 1st ex. sess. enrolled on the first school day of each month. Certificated employee for the purposes of this section shall include the superintendent of the school district.

(i) In determining the allocation of moneys for financial equalization under this section, each district will be compensated for extragovernmental costs in excess of three percent of standard administrative costs upon approval by the superintendent of public instruction under rules and regulations promulgated by the superintendent in accordance with chapter 34.04 RCW: PROVIDED, That to qualify for such costs under this paragraph, a school district shall:

- (i) Describe the extraordinary administrative demands;
- (ii) Describe the administrative functions necessary to meet such demands; and
- (iii) Estimate the staff hours required to perform such administrative functions. Extraordinary administrative demands, as defined in rules and regulations of the superintendent, may include, but not necessarily be limited to, the following:

- (A) Racial and/or socio-economic integration;
- (B) Equal employment opportunity;
- (C) Extraordinary management required by, but not funded by, grants from whatsoever source; and

Representatives Lee, Craswell, Whiteside, Taller and Barnes spoke in favor of the amendment.

**POINT OF INQUIRY**

Mrs. Lee yielded to question by Mr. Burns.

Mr. Burns: "Representative Lee, in your opening comments you indicated that this was not the Citizens for Fair School Funding proposal and yet the speakers who followed you, Representatives Barnes, Taller, Craswell and Whiteside, have alluded time and time again to this as the formula by the Citizens for Fair School Funding. May the body understand that this is not their proposal, that they do not support this proposal because of the increment?"

Mrs. Lee: "I think you have analyzed it correctly. The Citizens for Fair School Funding said they wanted their formula funded at 80% the first year, 90% the second year. This is their formula with some additional moneys put into it, but it funds it at 70% the first year and 80% the second year. In other words, Citizens for Fair School Funding feel that we should be funding more in this biennium than the Senate or the House or for this particular proposal that uses their formula."

Mr. Burns: "But you are saying that they do not support this as their funding proposal?"

Mrs. Lee: "I think I answered that."

Mr. Fuller spoke in favor of the amendment.

**POINT OF INQUIRY**

Mr. Whiteside yielded to question by Mr. Sanders.

Mr. Sanders: "To what level is transportation funded in this amendment?"

Mr. Whiteside: "Contrary to what Representative Burns might have heard, transportation would be funded one hundred percent in this amendment the very same way it would be funded in the House amendment to the Senate budget."

Mr. Berentson spoke in favor of the amendment.

## POINT OF INQUIRY

Mrs. Lee yielded to question by Mr. Smith.

Mr. Smith: "Representative Lee, I have on my desk numerous printouts that show how each of these various funding plans would effect their school districts. I've been trying to find out how those four school districts I represent would fair under this plan, which, as I understand it, appropriates \$300 million less than the Senate plan. Is there a printout that indicates how this money would be distributed to each of the school districts?"

Mrs. Lee: "Let me correct one statement. It's \$ 9 million more than the Senate plan. We did not make a printout. However, if you have the printout from the Citizens for Fair School Funding formula, you would need to subtract approximately 10% from each of those years to arrive at the final formula basis. This plan is phased in over a period of four years rather than a period of three years. We are saying, just as every other plan we have had here, we will probably need to continue some special levies, but that we can phase them out no later than at the end of the next biennium."

Mr. Bender demanded the previous question, and the demand was sustained.

## ROLL CALL

#### POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Sommers, in your rebuttal of Representative Deccio's amendment, you mentioned an exemption for insurance companies. Would you tell me where in Substitute House Joint Resolution No. 15 there is an exemption for insurance companies?"

Ms. Sommers: "I said that in the implementing bill we exempted insurance companies. Those people who are members of the Revenue Committee can show you where that exemption is."

Mr. Pardini: "But it is not in HJR 15?"

Ms. Sommers: "No, it is not."

Mr. Pardini: "It is not in the subject matter before us?"

Ms. Sommers: "It is very definitely the subject matter before us."

Mr. Pardini: "In the exemption, will that exemption also exempt those corporations from their share of an income tax under the Multi-state Tax Act for their earnings in this state?"

Ms. Sommers: "We only have the authority to exempt insurance companies in this state from potential income taxes in this state. If you are referring to income taxes in other states, we don't have that authority, but we have, in the bill, exempted those persons who are subject to premium taxes from payment of any income tax. What you are talking about, I guess, is the apportionment of income. You don't apportion income unless you are subject to the income tax, so they are not apportioning any kind of income here in this state."

Mr. Pardini: "If a major insurance company in the United States does business in this state, will they be taxed under the implementing bill on the portion of income they derive from doing business in this state?"

Ms. Sommers: "No, they will not."

Representatives Kilbury and Knedlik spoke against the amendment, and Mr. Deccio spoke again in favor of it.

The amendment was not adopted.

Mr. Flanagan moved adoption of the following amendment by Representatives Flanagan, Amen and Hansen:

Mr. Flanagan spoke in favor of the amendment, and Ms. Sommers spoke against it.

On motion of Mr. Berentson, Representative Leckenby was excused from the Call of the House.

Mr. Amen spoke in favor of the amendment, and Mr. Kilbury spoke against it.

#### POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Owen.

Mr. Owen: "One of the major concerns I can see here in this system is lost revenue to cities, especially cities with no industrial base or high tourism. I've been told that in the implementing bill there is a mechanism for reimbursing those cities. Can you tell me what the mechanism is?"

Ms. Sommers: "What we have done is provided for three percent of the tax which would be collected to be reimbursed to those units of local government which would be losing by virtue of taking the sales tax off food."

Mr. Owen: "That's three percent to all of them?"

Ms. Sommers: "Three percent of the income tax, and that covers the estimate of what they collect under the present circumstances."

Representatives Owen, Hansen and Fuller spoke in favor of the amendment, and Mr. Nelson (Dick) spoke against it.

Mr. Flanagan spoke again in favor of the amendment.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Flanagan, Amen and Hansen to Substitute House Joint Resolution No. 15, and the amendment was not adopted by the following vote: Yeas, 43; nays, 52; not voting, 3.

Voting yea: Representatives Amen, Barnes, Barr, Berentson, Bond, Chandler, Clayton, Craswell, Deccio, Dunlap, Erickson, Fancher, Flanagan, Fuller, Gilleland, Greengo, Grier, Haley, Hansen, Hurley M., Knowles, Lee, McCormick, Nelson G. A., Newhouse, Oliver, Owen, Pardini, Paris, Patterson, Pearsall, Polk, Sanders, Schmitt, Shinoda, Struthers, Taller, Thompson, Tilly, Whiteside, Wilson, Winsley, Zimmerman.

Voting nay: Representatives Adams, Bauer, Becker, Bender, Blair, Boldt, Burns, Charette, Charnley, Clemente, Conner, Douthwaite, Ehlers, Enbody, Eng, Erak, Fischer, Fortson, Gaines, Gallagher, Grimm, Gruger, Hanna, Hawkins, Heck, Hughes, Hurley G. S., Keller, Kilbury, King, Knedlik, Kreidler, Lux, Martinis, Maxie, May, McKibbin, Moreau, Nelson D., North, O'Brien, Pruitt, Salatino, Sherman, Shipoch, Smith, Sommers, Valle, Vrooman, Walk, Warnke, Williams.

Not voting: Representatives Leckenby, Lysen, and Mr. Speaker.

Mr. Pardini moved adoption of the following amendment:

On page 2, following subsection (d) add a new subsection as follows:

"(e) Neither the state nor any subdivision thereof shall impose an ad valorem tax upon intangibles, including without limitation all moneys and credits, mortgages, notes, accounts, certificates of deposit, tax certificates, judgments, county and municipal bonds and warrants, and bonds and warrants of other taxing districts, bonds of the United States or of foreign countries or political subdivisions thereof and the bonds, stocks or shares of private corporations, private nongovernmental personal service contracts or private nongovernmental athletic or sports franchises or private nongovernmental athletic or sports agreements."

Mr. Pardini spoke in favor of the amendment, and Ms. Sommers spoke against it.

Mr. Pardini spoke again in favor of the amendment.

## POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Hurley (George).

Mr. Hurley (George): "Representative Pardini, since this particular type of information is in your field, would there not be considerable income from these things you mention in there in intangibles of various kinds—stocks, bonds, mortgages, notes, accounts, certificates of deposit, and various other things, that would be considered intangible—wouldn't there be considerable interest in that?"

Mr. Pardini: "Yes."

Mr. Hurley (George): "I heard of one lady in Michigan that made \$2 million with no tax in one year on her intangibles in her safety deposit box."

Mr. Pardini: "This amendment does not speak to the income from these items. The income from these items would, in fact, be subject to an income tax unless the bill we made reference to earlier hasn't been changed. It does include the income from these items. I'm not exempting the income."

Mr. Hurley (George): "How would we know what income would be available or what income is from some of these intangibles that are hidden away?"

Mr. Pardini: "I would suspect that we are using the federal income tax as a base for all of this, Representative Hurley, and I think the same rules would apply."

Mr. Hurley (George): "On the last three lines about personal service contracts or private nongovernmental athletic or sports franchises or private nongovernmental athletic or sports agreements—why are those included in your amendment?"

Mr. Pardini: "Representative Hurley, I am not excluding the income from any of these items by the amendment—I am not excluding the income from any of these items by the amendment. I am excluding the possibility of taxing the value. I think you will remember four years ago when they were trying to tax the supersonic contracts."

Mr. Ehlers spoke against the amendment.

On page 2, following subsection (d) add a new subsection as follows:

"(3) From and after the effective date of a state income tax imposed pursuant to this amendment, the legislature shall not increase or decrease the rate of such net income tax upon corporations or the rate of such net income tax upon individuals or the aggregate rate of state and local general sales or use tax, unless the rate of all other such taxes shall be increased or decreased proportionately."

"(d) In the case of property, whether tangible or intangible, held by a taxpayer on the effective date of a state income tax act and disposed of after such effective date, such taxpayer shall be required to include in the computation of taxable income only the amount of any gain attributable to the increase in value of such property occurring after the effective date of such act."

Representatives Greengo, Blair and Bond spoke in favor of the amendment, and Representatives Sommers, Bauer, Charette, Ehlers and Knedlik spoke against it.

On motion of Mr. Bender, Representative Warnke was excused from the Call of the House.

## POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Sommers, did you read the operating statement for Weyerhaeuser Timber Company for 1976, or 1975, or any year previous to that, recognizing that these statements have to be audited by outstanding accounting firms, and determined that they realized 65% of their income from capital gains?"

Ms. Sommers: "Representative Flanagan, I'll answer your question this way: After I made that speech saying that the report to the stockholders showed that Weyerhaeuser's capital gains income in 1976 was 65%, I got a call from my staff telling me that they had sent me a memo that I apparently hadn't gotten, and that it was 95%. So I badly understated the windfall that they would get."

Mr. Pardini spoke in favor of the amendment, and Mr. Smith spoke against it.

Mr. Bender demanded the previous question and the demand was sustained.

## POINT OF ORDER

Mr. Berentson: "I would like to point out that yesterday in the same procedure you ruled out of order allowing a second speech by posing a question to one of our members. I think as Speaker you should be consistent in that ruling."

## MOTION

Mr. Bender moved that Representative Sommers be allowed an additional three minutes to speak to the question.

## POINT OF PARLIAMENTARY INQUIRY

Mr. Nelson (Gary): "Is this a suspension of the rules that would take two-thirds vote of the body?"

The Speaker (Mr. O'Brien presiding): "No, Rule 51 reads in part, ' . . . provided further no member shall speak more than three minutes without the consent of the House.' So the consent of the House would be by majority vote."

## POINT OF INQUIRY

Mr. Taller yielded to question by Mr. Amen.

Mr. Amen: "Representative Taller, Representative Sommers just mentioned about losing \$2500 exemption—I believe she spoke about the individual exemption. Your amendment, as I see it, would only be on corporations, estates and trusts. Is that right? Is what Representative Sommers told us right?"

Mr. Taller: "It is my understanding that it would not be right. After you make your adjustment for the adjusted gross income I think you could take these other things into account. I believe Representative Nelson is really a better expert on that. It is my understanding that you really take the individual exemptions after adjusted gross income."

## POINT OF INQUIRY

Mr. Nelson (Gary) yielded to question by Mr. Amen.

Mr. Amen: "Representative Nelson, Representative Sommers commented about losing \$2500 depreciation or \$2500. As I read it, this amendment only concerns corporations, estates and trusts."

Mr. Nelson (Gary): "The Dunlap/Taller amendment, as I understand it, has been revised. Essentially the credit or deductions can be taken care of on page 2, lines 31 and 32. Regarding deductions we, as a legislature, would be able to give credit."

(1) Income shall not be deemed property within the meaning of this Article, and a tax imposed upon income shall not be deemed a tax on property.

(2) Notwithstanding any other provision of this Constitution, the legislature may by law impose a tax upon net income in accordance with the following conditions:

(a) In the case of corporations, any such tax shall be imposed at a single, flat rate set by the legislature, and in the case of other taxpayers including individuals and trusts and estates, any such tax shall be imposed at a single, flat rate set by the legislature, which rate may differ from the corporate rate.

(b) In the case of corporations, and estates and trusts, such tax shall be determined by the application of the tax rate against federal taxable income, as defined herein, adjusted only as provided for. For purposes of this paragraph, federal taxable income shall mean 'taxable income' as defined in Section 63 of the Internal Revenue Code: PROVIDED, That in the case of regulated investment companies subject to the tax imposed by Section 852 of the Internal Revenue Code, real estate investment trusts subject to the tax imposed by Section 857 of the Internal Revenue Code, and cooperatives whose taxable income is determined in accordance with the provisions of Sections 1381 through 1388 of the Internal Revenue Code, 'federal taxable income' shall mean that income subject to tax under the provisions of the Internal Revenue Code referred to herein. In the case of domestic international sales corporations whose taxability is determined pursuant to Sections 991 through 994 of the Internal Revenue Code, and small business corporations whose taxability is determined pursuant to Sections 1371 through 1379 of the Internal Revenue Code, the taxability of corporate income shall be determined in the same fashion as for federal income tax purposes.

(c) In the case of persons other than corporations and estates and trusts, (i) the tax shall be determined by the application of the tax rate against taxable income as defined in the Internal Revenue Code, adjusted only as provided for herein, and reduced by an amount not in excess of \$2,500, as provided by the legislature; and (ii) a credit against liability for any tax imposed pursuant to this section shall be allowed in the amount of \$30.00 multiplied by the number of exemptions which would be allowed to the taxpayer for the same taxable year under the Internal Revenue Code.

(d) In the case of property, whether tangible or intangible, held by a taxpayer on the effective date of a state income tax act and disposed of after such effective date, such taxpayer shall be required to include in the computation of taxable income only the amount of any gain attributable to the increase in value of such property occurring after the effective date of such act.

(e) In the first legislation imposing a net income tax permitted by this amendment, the rate of tax imposed upon individuals shall not exceed four percent and the rate of tax imposed upon corporations shall not exceed eight percent.

(f) In the case of a taxpayer deriving income both within and without this state, the taxable income of such taxpayer shall be allocated or apportioned according to formulas provided for by the legislature.

(g) A corporation which is a member of an affiliated group of corporations within the definition of Section 1504 of the Internal Revenue Code, shall be entitled at its election to file a consolidated return with other members of the affiliated group for purposes of any tax imposed pursuant to this amendment, provided that all such members subject to a tax imposed pursuant to this amendment shall make consistent elections, and that an election to file a consolidated return shall not be revokable by such corporation without the consent of the department of revenue, and no corporation shall otherwise be precluded from filing a separate return.

(h) The legislature shall have no authority to impose an income tax upon insurers subject to a premiums tax such as imposed by RCW Ch. 48.14, as in effect December 31, 1976, and the maximum amount of any such premium tax shall be two percent of taxable premiums.

(i) No political subdivision of this state shall have the power to impose a tax upon or measured by net income.

(j) The legislature shall by law:

(i) Provide for direct payments to a taxpayer to the extent that insufficient income tax liability exists for full application of an otherwise applicable credit, where such credit is granted for the purpose of providing direct or indirect relief from other state or local taxes.

(ii) Coordinate the administration and collection of state income taxes with the income tax laws, interpretations and procedures of the United States.

(k) For purposes of this section, the term 'corporation' means, in addition to an incorporated entity, a financial institution and an association, trust or any unincorporated organization which is defined as a corporation in the Internal Revenue Code.

(l) For purposes of this section, the Internal Revenue Code shall mean the federal Internal Revenue Code of 1954, as amended by laws enacted prior to January 1, 1977, together with regulations promulgated at any time with respect to such code as enacted prior to January 1, 1977: PROVIDED, That the legislature may by law make applicable any successor or amendatory provisions in the Internal Revenue Code enacted into law after December 31, 1976, together with regulations promulgated thereunder.

(3) Notwithstanding any other provision of this Constitution, after a date twelve months following the effective date of a state income tax act, and during the period such act is in effect:

(a) No school district in any year shall, for maintenance and operation purposes, impose or collect upon property pursuant to the provisions of paragraph (a) of section 2, as now or hereafter amended, of this Article VII, in excess of ten percent of the maintenance and operation budget of said school district for the fiscal year immediately preceding; and

(b) The aggregate of all special tax levies for maintenance and operation purposes imposed in any year upon any real and personal property by the state and all taxing districts now existing or hereafter created, including cities and counties, shall not exceed one-half percent of the true and fair value of such property and, should such one-half percent limit be exceeded in any year, the total tax burden on such property attributable to special tax levies shall be reduced to one-half percent of the true and fair value of such property, and the revenues therefrom apportioned to taxing entities levying such special levies according to procedures established by the legislature.

As used in this section, the phrase maintenance and operations purposes refers to expenditures for current operations funded through annual appropriations and does not include capital projects, payment of principal and interest on bonds issued to pay for capital projects or payments ordered by a court of last resort for the purposes of preventing the impairment of the obligation of a contract, and the phrase special tax levies refers to property tax levies which pursuant to section 2 of this Article VII require voter approval.

(c) No city, county or other subdivision of the state shall impose a general business and occupation tax in excess of the greater of two-tenths of one percent of the tax base, or the rate of tax in effect as of December 31, 1976, or a public utility tax in excess of the greater of seven percent of the tax base, or the rate of tax in effect as of December 31, 1976.

(d) Neither the state nor any subdivision thereof shall impose an ad valorem tax upon intangibles, including without limitation all moneys and credits, mortgages, notes, accounts, certificates of deposit, tax certificates, judgments, county and municipal bonds and warrants, and bonds and warrants of other taxing districts, bonds of the United States or of foreign countries or political subdivisions thereof and the bonds, stocks or shares of private corporations, private nongovernmental personal service contracts or private nongovernmental athletic or sports franchises or private nongovernmental athletic or sports agreements.

(e) The rate of business and occupation tax imposed by the state for the act or privilege of engaging in any class of business activities shall not exceed one-half the rate of business and occupation tax imposed upon such business activities on December 31, 1976.

(f) Unless the limitations of subsection (g) hereof be satisfied, the aggregate rate of any general retail sales or use taxes imposed by the state and political subdivisions thereof shall not exceed four and one-half percent.

(g) From and after the effective date of a state income tax imposed pursuant to this amendment, the legislature shall not increase or decrease the rate of such net income tax upon corporations or the rate of such net income tax upon individuals or the aggregate rate of state and local general sales or use tax, unless the rate of all other such taxes shall be increased or decreased proportionately.

(4) Notwithstanding any other provisions of this Constitution, from and after December 31, 1979, business inventories held for sale shall be exempt from ad valorem taxes.

BE IT RESOLVED FURTHER, That the foregoing amendment shall be construed as a single amendment within the meaning of Article XXIII, Section 1 (Amendment 27) of this Constitution.

The legislature finds that the changes contained in the foregoing amendment constitute a single integrated plan for a balanced revision of the tax structure for state and local government. In the event the foregoing amendment if finally held to be separate amendments, this joint resolution shall be void in its entirety and shall be of no further force and effect.

BE IT FURTHER RESOLVED, That the Secretary of State shall cause notice of the foregoing Constitutional amendment to be published at least four times during the four weeks next preceding the election at which this measure is voted upon in every legal newspaper in the state."

**SUBSTITUTE SENATE BILL NO. 3109**, by Committee on Ways and Means (Originally sponsored by Senators Donohue, Odegaard, Scott and Newschwander – by Governor Ray request):

Adopting the 1977–79 operating budget.

The House resumed consideration of the bill on second reading.

The Speaker stated the question before the House to be the motion by Representative McCormick that the House reconsider the vote by which the amendment by Representative Douthwaite to page 66 of the committee amendment failed to pass the House.

#### POINT OF ORDER

Mr. Newhouse: "Under House Rule No. 70, the restrictions on reconsideration of amendments being more stringent than those on final passage, I would interpret that the motion must be acted upon on the day in which the original vote was taken. We do not go back to Reed's Rules because House rules prevail if they treat the subject."

#### SPEAKER'S RULING

The Speaker: "That rule reads, 'An affirmative or negative vote on the final passage of bills . . .' We were not on the final passage of a bill, we were on an amendment. Therefore, your point is not well taken."

Mr. Newhouse: "Mr. Speaker, the proviso does not refer to final passage only and it would apply to all reconsiderations. The proviso says that on or after the fiftieth day reconsideration can only be had on the date the vote to be reconsidered was taken."

The Speaker: "It references final passage; it does not reference amendments. The Speaker is ruling that on an amendment reconsideration can be acted upon."

Mr. Newhouse: "Mr. Speaker, this is the only place in the rules of the House that refers to reconsiderations and that proviso would also apply to amendments."

The Speaker: "The sentence that it limits deals with final passage. That's the Speaker's ruling."

Representative Douthwaite spoke in favor of the motion to reconsider the amendment, and Representatives McKibbin and Schmittin spoke against it.

#### ROLL CALL

The Clerk called the roll on the motion that the House reconsider the vote by which the Douthwaite amendment to page 66 of the committee amendment to Substitute Senate Bill No. 3109 was not adopted, and the motion failed by the following vote: Yeas, 46; nays, 49; not voting, 3.

**MESSAGE FROM THE GOVERNOR**

May 12, 1977

**TO THE HONORABLE,  
THE SENATE AND HOUSE OF REPRESENTATIVES  
OF THE STATE OF WASHINGTON  
LADIES AND GENTLEMEN:**

In compliance with the provisions of Section 11 of Article III of the Constitution of the State of Washington, I have the honor to submit herewith my report of each case of reprieve, commutation, or pardon which has been granted since the adjournment of the Forty-fifth Regular Session of the Legislature.

On the 31st day of March, 1967, Anthony Takahashi was sentenced by the Superior Court for the State of Washington, in and for the County of King, to a term of life imprisonment for the crime of Murder in the First Degree. Mr. Takahashi has been continuously confined, since April 5, 1967, within a Washington State Adult Corrections Facility in the excess of nine years where his conduct and record have been exemplary. Because of the statutory minimum sentence provided in RCW Chapter 9.95, substantial additional incarceration will be required before he will be eligible for parole pursuant to the authority of the Board of Prison Terms and Paroles.

Petitions and letters have been received on behalf of Anthony Takahashi urging that his life sentence now be commuted so that he will be eligible for parole on the grounds that Anthony Takahashi is clearly able to assume a responsible role in society, is demonstrably rehabilitated and will not constitute a threat to other persons and will not be benefited by "further incarceration;" that Anthony Takahashi has developed, while at Monroe Reformatory, a skill as a trained water pollution control plant operator and has the opportunity for employment in this field, and the Board of Prison Terms and Paroles has recommended, as amended, to the Governor that the life sentence of Anthony Takahashi be commuted.

All information available to me with respect to Anthony Takahashi has been carefully reviewed and the recommendations of public officers who are knowledgeable of his present circumstances have been considered. I have concluded that further incarceration of Anthony

Takahashi is not in the best interests of society or of himself, that he is demonstrably rehabilitated, that he will be able to fill a responsible role in the community and will not be threat to other persons.

On March 30, 1977, a commutation order was signed to commute the life sentence of Anthony Takahashi and authorize the Washington State Board of Prison Terms and Paroles to parole Anthony Takahashi subject to the complete control, supervision, and authority of said Board, which authority would include any and all action deemed appropriate by the Board including the authority to revoke the parole and return Anthony Takahashi to imprisonment.

Respectfully submitted,  
DIXY LEE RAY, Governor.

Ms. Sommers spoke in favor of passage of the bill, and Mr. Polk spoke against it.

Mr. King demanded an oral roll call and the demand was sustained.

Mr. Knedlik spoke in favor of passage of the bill, and Representatives Berentson and Amen spoke against it.

## POINT OF INQUIRY

Mr. Polk yielded to question by Mr. Hanna.

Mr. Hanna: "I was fascinated with some of your statistics that we were sixty-two and you were thirty-six, and you were implying, I think, that you were the superior legislators and more responsible. In subsequent years how did you go from having fifty to thirty-six?"

Mr. Polk: "I suppose that does deserve some sort of an answer, Representative Hanna. I can remember when we were fifty-one down here and your people only forty-eight—very close. We came out here on the floor and offered a budget and we had to vote against kidney machines, motherhood, welfare—everything to keep that budget in line. We had to do all those things that you people have been unwilling to do to keep the budget at a level that you can pay for without having to abstract more money from the people of the state of Washington. That's probably the principle reason we slipped into a minority position at the time. Your politics have been very good since that period and you have remained there at a majority with us at thirty-six. I think you'll have a chance to learn what it's like being in the minority very shortly."

## POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Hawkins.

Mr. Hawkins: "Representative Sommers, do you understand the Senate version of the budget to be a no-tax increase budget?"

Ms. Sommers: "I have been most interested in all of the publicity and all the remarks about the Senate no-tax increase, and I did check up on that. I really do think that we should clarify that the Senate budget contemplates \$80 million in extended surtaxes; it contemplates \$37 million in increased tuition fees, and the Senate, in that no-tax increase position, passed a variable gas tax bill which is \$118 million. They've got better PR than we do. I don't know how they do it, but I think we're being very honest and candid and saying that we need this to fund the schools. If we pass this it's going to be a small increase and I think we should stand up and say that."

Representatives Blair, Nelson (Gary), Dunlap, Deccio, Barnes and Wilson spoke against the bill, and Representative Douthwaite spoke in favor of it.

#### ROLL CALL

Mr. Tilly: "Mr. Speaker, Mr. O'Brien is talking about something that is not before us."

#### POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Hawkins.

Mr. Hawkins: "Representative Shinpoch, in referring to the cut-off resolution, indication of the language in that document is that the countdown for adjournment begins when the budget is communicated to the House from the Senate. The Senate today is acting on the capital budget. Does that mean the countdown begins today or tomorrow?"

Mr. Shinpoch: "It is my understanding of the resolution that the countdown starts thirty days after the House receives the budget. I assume that if the House is going to receive the capital budget tomorrow, in that case countdown starts tomorrow."

#### POINT OF ORDER

Mr. Polk: "Mr. Speaker, if you will recall, that question was asked of the Speaker some couple of weeks ago, if it was interpreted that the budget that had been sent over started the countdown and the answer that was recorded was, yes. My point of order, Mr. Speaker, is that Representative Shinpoch and Representative Hawkins are trying to read something into the record that this body should expunge from the record because it's incorrect."

The Speaker: "I don't recall the conversation before, Representative Polk."

#### ROLL CALL

#### POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Leckenby.

Mr. Leckenby: "Representative Shinpoch, in section 2 I see where the purpose of this refunding is to release the reserves presently required under existing covenant. What are those reserves going to be used for?"

Mr. Shinpoch: "Representative Leckenby, the reserves go into the General Fund. House Bill No. 1265 is a continuation of a policy that we started a couple or three years ago for those obligations of the state where we could have better credit. We could release reserves to go into the General Fund for General Fund use and to use the full credit of the state rather than revenue bonds. We can get better interest rates with the full credit of the state than we can with general revenue bonds. This is a continuation of that. The \$11 million in reserve would be released to the General Fund."

Mr. Leckenby spoke against passage of the bill, and Mr. Shinpoch spoke in favor of it.

#### POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Shinpoch, I recognize that revenue bonds usually have a little higher interest rate than general obligation bonds, but isn't it true that in revenue bonds the interest is based solely on certain revenue and when you shift that over to general obligation bonds the reason the interest rate is lower is because the general fund of the state has assumed a contingent obligation it didn't otherwise have and in the final analysis the revenue's not there and the state has to pay it. That's the reason we have a lower interest rate."

Mr. Shinpoch: "Yes, that's a correct statement, however I'm sure that you're also aware that even under the revenue bonds, if the institution of higher education is not able to pay it, the state would probably still be liable in that they are an entity of the state."

Representatives Flanagan and Oliver spoke against passage of the bill, and Representatives Blair and Shinpoch spoke in favor of it.

#### ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 1265, and the bill passed the House by the following vote: Yeas, 81; nays, 9; not voting, 8.

#### POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Representative Charette, a lot of us don't know exactly what is going on in terms of third party industrial insurance action. Could you explain precisely just what this does? It sounds as though we're creating more legal work for trial lawyers and I don't think we want to do that."

Mr. Charette: "It does not create more legal work. The 1955 or 1957 session of the Legislature passed a law allowing third party actions to be brought. The industrial insurance laws prohibit suits by employees against employers or employees hired by the same employer. Many times there are actions that are two employees by different employers and it is possible for one person to sue the other. The law requires that all money paid out to the person bringing the suit must be paid back to the state fund. This law would allow the Department of Labor and Industries to allow that plaintiff recipient under the industrial insurance law to comprise the plaintiff. I assure you the Department of Labor and Industries in this area has a very good section and the state would recover more money than they now recover."

Mr. Knedlik spoke in favor of passage of the bill.

Will the effect of this bill unnecessarily restrict individual districts from building or constructing facilities to meet their needs? In other words, I'm concerned about an overall state plan of some kind that would clamp down too severely on the districts."

Mr. Clemente: "There is no intention to design school houses exactly alike. This pertains mainly to a practice that's widely accepted in the private building industry where uniform sub-assemblies can be built into unique buildings—heating and electrical systems and so forth—plus there are modular constructions that lend themselves to various types of terrain requirements. This is more an advisory to assist the various school districts."

REPORTS OF STANDING COMMITTEES

May 13, 1977

ENGROSSED SENATE BILL NO. 2480, Prime Sponsor: Senator Ridder, revising the law on unemployment compensation. Reported by Committee on Labor.

MAJORITY recommendation: Do pass with the following amendments:

Beginning on page 3, line 35 delete the remainder of the bill and insert the following:

\*NEW SECTION. Sec. 3. There is added to chapter 35, Laws of 1945 and to chapter 50.04 RCW a new section to read as follows:

(1) Service performed in agricultural labor on and after January 1, 1978, for a farm operator or crew leader will be deemed services in employment if the farm operator or crew leader:

(a) Paid twenty thousand dollars or more as remuneration to individuals employed in agricultural labor during any calendar quarter in the current or preceding calendar year; or

(b) Employed ten or more individuals in agricultural labor for some portion of the day in each of twenty different calendar weeks in either the current or preceding calendar year regardless of whether they were employed at the same moment of time or whether or not the weeks were consecutive.

(2) Service performed in agricultural labor on and after January 1, 1980, for a farm operator or crew leader will be deemed services in employment if the farm operator or crew leader:

(a) Paid five thousand dollars or more as remuneration to individuals employed in agricultural labor during any calendar quarter in the current or preceding calendar year; or

(b) Employed four or more individuals in agricultural labor for some portion of the day in each of twenty different calendar weeks in either the current or preceding calendar year regardless of whether they were employed at the same moment of time or whether or not the weeks were consecutive.

(3) Service performed in agricultural labor on and after January 1, 1982, for a farm operator or crew leader will be deemed services in employment if the farm operator or crew leader employed one or more individuals in agricultural labor at any time during the current or preceding calendar year.

(4) A farm operator is the owner or tenant of the farmlands who stands to gain or lose economically from the operations of the farm. Employment will be considered employment by the farm operator unless it is established to the satisfaction of the commissioner that the services were performed in the employ of a crew leader. The risk of nonpersuasion is upon the farm operator. The operator will nonetheless be liable for contributions under RCW 50.24.130 even though services performed on the operator's farmlands would not be sufficient to bring the services under the term employment if services performed on the operator's land in the employ of a crew leader would be covered and the crew leader has failed to pay contributions on the services. For the purposes of the preceding sentence and RCW 50.24.130, all moneys paid or payable to the crew leader by the farm operator shall be deemed paid for services unless there is a written contract clearly specifying the amounts of money to be attributed to items other than services of the crew leader or the crew leader's employees.

(5) For the purposes of this section, a crew leader is a person who furnishes individuals to perform services in agricultural labor for the benefit of any other person, who pays for the services performed in agricultural labor (either on his or her own behalf or on behalf of the other person), and who has not made a written agreement making himself or herself an employee of the other person: PROVIDED, That no person shall be deemed a crew leader unless he or she is established independently of the person for whom the services are performed and either has a valid certificate of registration under the farm labor contractor registration act of 1963 or substantially all the members of his or her crew operate or maintain tractors, mechanized harvesting or crop dusting equipment, or any other mechanized equipment which is provided by the crew leader.

Sec. 4. Section 17, chapter 35, Laws of 1945 as amended by section 4, chapter 215, Laws of 1947 and RCW 50.04.160 are each amended to read as follows:

~~((The term "employment" shall not include domestic service in a private home, local college club, or local chapter of a college fraternity or sorority. PROVIDED, HOWEVER, That)) Services performed in domestic service in a private home, local college club, or local chapter of a college fraternity or sorority shall not be considered services in employment unless the services are performed after December 31, 1977, for a person who paid remuneration of one thousand dollars or more to individuals employed in this domestic service in any calendar quarter in the current or the preceding calendar year. The terms local college club and local chapter of a college fraternity or sorority shall not be deemed to include alumni clubs or chapters.~~

NEW SECTION. Sec. 5. There is added to chapter 35, Laws of 1945 and to chapter 50.04 RCW a new section to read as follows:

Services performed by aliens legally or illegally admitted to the United States shall be considered services in employment subject to the payment of contributions to the extent that services by citizens are covered.

NEW SECTION. Sec. 6. There is added to chapter 35, Laws of 1945 and to chapter 50.20 RCW a new section to read as follows:

Benefits shall not be paid to any individual on the basis of any services, substantially all of which consist of participating in sports or athletic events or training or preparing to so participate, for any week which

commences during the period between two successive sport seasons (or similar periods) if the individual performed the services in the first of the seasons (or similar periods) and there is a reasonable assurance that the individual will perform the services in the latter of the seasons (or similar periods).

Sec. 7. Section 28, chapter 35, Laws of 1945 and RCW 50.04.270 are each amended to read as follows:

The term 'employment' shall not include casual labor not in the course of the employer's trade or business (labor which does not promote or advance the trade or business of the employer). Whenever any claim is filed by an individual involving the combination of wages or a reciprocal arrangement for the payment of benefits, which is governed by the provisions of this section, the employment security department of this state, when not designated as the paying state, shall promptly make a report to the other state making the determination, showing wages earned in employment in this state.

The commissioner is hereby authorized to make to another state and to receive from another state reimbursements from or to the unemployment compensation fund in accordance with arrangements made pursuant to the provisions of this section.

**NEW SECTION.** Sec. 10. There is added to chapter 35, Laws of 1945 and to chapter 50.20 RCW a new section to read as follows:

Sec. 1153(a)(7) or 8 U.S.C. Sec. 1182(d)(5): **PROVIDED**, That any modifications to 26 U.S.C. Sec. 3304(a)(14) as provided by PL 94-566 which specify other conditions or other effective date than stated herein for the denial of benefits based on services performed by aliens and which modifications are required to be implemented under state law as a condition for full tax credit against the tax imposed by 26 U.S.C. Sec. 3301 shall be deemed applicable under this section.

(2) Any data or information required of individuals applying for benefits to determine whether benefits are not payable to them because of their alien status shall be uniformly required from all applicants for benefits.

(3) In the case of an individual whose application for benefits would otherwise be approved, no determination that benefits to the individual are not payable because of his or her alien status shall be made except upon a preponderance of the evidence.

Sec. 11. Section 2, chapter 1, Laws of 1971 as amended by section 7, chapter 73, Laws of 1973 and RCW 50.22.010 are each amended to read as follows:

As used in this chapter, unless the context clearly indicates otherwise:

(1) 'Extended benefit period' means a period which:

(a) Begins with the third week after whichever of the following weeks occurs first:

(i) A week for which there is a national 'on' indicator(;;); or

(ii) A week for which there is a state 'on' indicator(;- ~~PROVIDED, That, as there was a state 'on' indicator for the week which was three weeks prior to October 11, 1970, an extended benefit period began on that date.);~~ and

(b) Ends with the third week after the first week for which there is both a national 'off' indicator and a state 'off' indicator: **PROVIDED**, That no extended benefit period shall last for a period of less than thirteen

consecutive weeks, and further that no extended benefit period may begin by reason of a state 'on' indicator before the fourteenth week after the close of a prior extended benefit period which was in effect with respect to this state (~~(-AND PROVIDED FURTHER, That prior to January 1, 1972, an extended benefit period may become effective and be terminated in this state solely by reason of a state 'on' and a state 'off' indicator, respectively).~~).

(2) There is a 'national 'on' indicator' for a week if the United States secretary of labor determines that ((for each of the three most recent calendar months ending before such week, the rate of insured unemployment (seasonally adjusted) for all states equaled or exceeded four and five-tenths percent)) for the period consisting of such week and the twelve weeks immediately preceding it, the rate of insured unemployment (seasonally adjusted) for all states equaled or exceeded four and five-tenths percent (determined by reference to the average monthly covered employment for the first four of the most recent six calendar quarters ending before the close of the period).

(3) There is a 'national 'off' indicator' for a week if the United States secretary of labor determines that ((for each of the three most recent calendar months ending before such week, the rate of insured unemployment (seasonally adjusted) for all states was less than four and five-tenths percent)) for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (seasonally adjusted) for all states was less than four and five-tenths percent (determined by reference to the average monthly covered employment for the first four of the most recent six calendar quarters ending before the close of the period).

(4) There is a 'state 'on' indicator' for this state for a week if the commissioner determines, in accordance with the regulations of the United States secretary of labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) ((as determined under the provisions of subsection (6) of this section)) either:

(a) Equaled or exceeded one hundred twenty percent of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years(;) and equaled or exceeded four percent; or

(b) Equaled or exceeded ((four) five percent.

(5) There is a 'state 'off' indicator' for this state for a week if the commissioner determines, in accordance with the regulations of the United States secretary of labor, that for the period consisting of such week and the immediately preceding twelve weeks, the rate of insured unemployment (not seasonally adjusted) ((as determined under the provisions of subsection (6) of this section)) was either:

(a) Less than ((one hundred twenty percent of the average of such rates for the corresponding thirteen-week period ending in each of the preceding two calendar years)) four percent; or

(b) ((Less than)) Four percent or more but less than five percent and the rate of insured unemployment was less than one hundred twenty percent of the average of the rates for the corresponding thirteen week period ending in each of the two preceding calendar years.

(6) (('Rate of insured unemployment', for purposes of subsections (4) and (5) of this section, means the percentage derived by dividing the average weekly number of individuals filing claims in this state for weeks of unemployment with respect to the most recent thirteen-consecutive-week period, as determined by the commissioner on the basis of his reports to the United States secretary of labor, by the average monthly employment covered under this title for the first four of the most recent six completed calendar quarters ending before the end of such thirteen-week period.

(7)) 'Regular benefits' means benefits payable to an individual under this title or(;) under any state law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) other than extended benefits or additional benefits.

((8)) (7) 'Extended benefits' means benefits payable for weeks of unemployment beginning in an extended benefit period to an individual under this title or under any state law (including benefits payable to federal civilian employees and to ex-servicemen pursuant to 5 U.S.C. chapter 85) other than ((emergency benefits payable to an individual under the provisions of this chapter for weeks of unemployment in his eligibility period)) regular or additional benefits.

((9)) (8) 'Additional benefits' are benefits ((other than regular benefits or extended benefits)) totally financed by the state and payable under this title to exhaustees by reason of conditions of high unemployment or by reason of other special factors.

((10)) (9) 'Eligibility period' of an individual means the period consisting of the weeks in his benefit year which begin in an extended benefit period that is in effect in this state and, if his benefit year ends within such extended benefit period, any weeks thereafter which begin in such period.

((11)) (10) 'Exhaustee' means an individual who, with respect to any week of unemployment in his eligibility period:

(a) Has received, prior to such week, all of the regular benefits that were payable to him under this title or any other state law (including dependents' allowances and regular benefits payable to federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85) in his current benefit year that includes such week; or

(b) Has received, prior to such week, all of the regular benefits that were available to him under this title or any other state law (including dependents' allowances and regular benefits available to federal civilian employees and ex-servicemen under 5 U.S.C. chapter 85) in his current benefit year that includes such week, after the cancellation of some or all of his wage credits or the total or partial reduction of his rights to regular benefits: PROVIDED, That, for the purposes of (a) and (b), an individual shall be deemed to have

received in his current benefit year all of the regular benefits that were payable to him, or available to him, as the case may be, even though:

(i) As a result of a pending appeal with respect to wages or employment, or both, that were not included in the original monetary determination with respect to his current benefit year, he may subsequently be determined to be entitled to more regular benefits; or

(ii) By reason of the seasonal provisions of another state law, he is not entitled to regular benefits with respect to such week of unemployment (although he may be entitled to regular benefits with respect to future weeks of unemployment in the next season, as the case may be, in his current benefit year), and he is otherwise an exhaustee within the meaning of this section with respect to his right to regular benefits under such state law seasonal provisions during the season or off season in which that week of unemployment occurs; or

(iii) Having established a benefit year, no regular benefits are payable to him during such year because his wage credits were canceled or his right to regular benefits was totally reduced as the result of the application of a disqualification; or

(c) His benefit year having ended prior to such week, he has insufficient wages or employment, or both, on the basis of which he could establish in any state a new benefit year that would include such week, or having established a new benefit year that includes such week, he is precluded from receiving regular benefits by reason of the provision in RCW 50.04.030 which meets the requirement of section 3304(a)(7) of the Federal Unemployment Tax Act, or the similar provision in any other state law; and

(d) (i) Has no right for such week to unemployment benefits or allowances, as the case may be, under the Railroad Unemployment Insurance Act, the Trade Expansion Act of 1962, and such other federal laws as are specified in regulations issued by the United States secretary of labor; and

(ii) Has not received and is not seeking for such week unemployment benefits under the unemployment compensation law of the Virgin Islands or Canada, unless the appropriate agency finally determines that he is not entitled to unemployment benefits under such law for such week.

((†2)) (11) 'State law' means the unemployment insurance law of any state, approved by the United States secretary of labor under section 3304 of the internal revenue code of 1954.

Sec. 12. Section 104, chapter 35, Laws of 1945 as last amended by section 1, chapter 35, Laws of 1972 ex. sess. and RCW 50.24.160 are each amended to read as follows:

Any employing unit for which services that do not constitute employment as defined in this title are performed may file with the commissioner a written election that all such services performed by any distinct class or group of individuals or by all individuals in its employ in one or more distinct establishments or places of business shall be deemed to constitute employment for all the purposes of this title for not less than two calendar years. Upon the written approval of such election by the commissioner, such services shall be deemed to constitute employment subject to this title from and after the date stated in such approval(~~: PROVIDED, HOWEVER, That any political subdivision of this state or any instrumentality of a political subdivision may elect coverage in accordance with the provisions of RCW 50.44.030 as a matter of right~~). Services covered pursuant to this section shall cease to be deemed employment subject hereto as of January 1st of any calendar year subsequent to such two calendar years, only if the employing unit files with the commissioner prior to the fifteenth day of January of such year a written application for termination of coverage(~~: PROVIDED, FURTHER, That the provisions of RCW 50.04.200 to the contrary notwithstanding, public port districts may elect to cover the services of all or any distinct class or group of individuals in its employ on a contribution basis; such election shall preclude said port districts from covering contemporaneous services of any other class or group of employees under the provisions of RCW 50.44.030~~).

Sec. 13. Section 19, chapter 3, Laws of 1971 and RCW 50.44.020 are each amended to read as follows: Commencing with benefit years beginning on or after January 28, 1971, services performed subsequent to September 30, 1969 in the employ of this state or any of its wholly owned instrumentalities or jointly owned instrumentalities of this state and another state or this state and one or more of its political subdivisions shall be deemed services in employment unless such services are excluded from the term employment by RCW 50.44.040.

The state shall make payments in lieu of contributions with respect to benefits attributable to such employment as provided with respect to nonprofit organizations in subsections (2) and (3) of RCW 50.44.060: PROVIDED, HOWEVER, That for weeks of unemployment beginning after January 1, 1979, the state shall pay in addition to the full amount of regular and additional benefits so attributable the full amount of extended benefits so attributable: PROVIDED, FURTHER, That no payment will be required from the state until the expiration of the twelve-month period following the end of the biennium in which the benefits attributable to such employment were paid. The amount of this payment shall include an amount equal to the amount of interest that would have been realized for the benefit of the unemployment compensation trust fund had such payments been received within thirty days after the day of the quarterly billing provided for in RCW 50.44.060(2)(a).

Sec. 14. Section 20, chapter 3, Laws of 1971 as amended by section 2, chapter 35, Laws of 1972 ex. sess. and RCW 50.44.030 are each amended to read as follows:

(Any political subdivision of this state or any instrumentality of a political subdivision may elect to cover the services of all or any distinct class or group of individuals in its employ: PROVIDED, HOWEVER, That public utility districts and public power authorities may not elect coverage under this section: PROVIDED, FURTHER, That any political subdivision of this state or any instrumentality of a political

subdivision which elects to cover the services of any employees in an institution of higher education or hospital operated by said political subdivision or instrumentality shall cover the services of all employees in all institutions of higher education and all hospitals operated by said political subdivision or instrumentality:

For the purposes of this chapter the term "hospital" means any institution primarily engaged in the treatment of emotional or physical disability which provides, on a regular basis, twenty-four hour per day bed care under the supervision of licensed medical personnel and those components, of other institutions, which are primarily engaged in the treatment of emotional or physical disability and which provide, on a regular basis, twenty-four hour per day bed care under the supervision of licensed medical personnel.

For the purposes of this chapter, the term "institution of higher education" means an educational institution in this state which

(1) Admits as regular students only individuals having a certificate of graduation from a high school, or the recognized equivalent of such a certificate;

(2) Is legally authorized within this state to provide a program of education beyond high school;

(3) Provides an educational program for which it awards a bachelor's or higher degree, or provides a program which is acceptable for full credit toward such a degree, or offers a program of training to prepare students for gainful employment in a recognized occupation; and

(4) Is a public or other nonprofit institution;

(5) Notwithstanding any of the foregoing subsections, all colleges and universities in this state are institutions of higher education.

Services covered by the election performed subsequent to the date of such election shall be deemed services in employment unless such services are excluded from the term "employment" by RCW 50.44.040.

Any political subdivision or instrumentality electing coverage under this section shall make payments in lieu of contributions with respect to benefits attributable to such employment as provided with respect to nonprofit organizations in subsections (2) and (3) of RCW 50.44.060.

An election under the provisions of this section shall be for no less than two calendar years. A political subdivision or instrumentality of a political subdivision desiring to terminate coverage may do so by filing a written application for termination of coverage no later than the December fifteenth preceding the calendar year with respect to which such termination is to be effective. Termination of coverage will not relieve the political subdivision or instrumentality of a political subdivision of the obligation to reimburse the unemployment compensation fund for all benefits paid attributable to service performed during the covered period in the employ of such political subdivision or instrumentality of a political subdivision.)

(1) All services performed for any political subdivision or instrumentality of one or more political subdivisions of this state or one or more political subdivisions of this state and any other state after December 31, 1977, will be deemed to be services in employment to the extent coverage is not exempted under RCW 50.44.040.

(2) All such units of government shall file, before December 15, 1977, a written registration with the commissioner of the employment security department. Such registration shall specify the manner in which the unit of government will finance the payment of benefits. The elections available to counties, cities and towns are the local government tax, provided for in section 15 of this 1977 amendatory act, or payments in lieu of contributions, as described in RCW 50.44.060. The elections available to other units of government are the contributions plan in chapters 50.24 and 50.29 RCW, or payments in lieu of contributions, described in RCW 50.44.060. Under any election the governmental unit will be charged the full amount of regular and additional benefits attributable to its account plus one-half the amount of extended benefits so attributable: PROVIDED, HOWEVER, That beginning with weeks of unemployment commencing after January 1, 1979, the unit of government which is financing the payment of benefits under the payment in lieu of contributions option shall, in addition to paying the full amount of regular and additional benefits attributable to its account, pay the full amount of extended benefits so attributable.

(3) Any political subdivision or instrumentality of more than one political subdivision of this state is hereby authorized to enter into agreements with other political subdivisions or instrumentalities of more than one political subdivision of this state to form pool accounts for the purpose of making payments in lieu of contributions. These accounts shall be formed and administered in accordance with applicable regulations. The formation of such accounts shall not relieve the governmental unit of the responsibility for making required payments in the event that the pool account does not make the payments.

**NEW SECTION.** Sec. 15. There is added to chapter 3, Laws of 1971 and to chapter 50.44 RCW a new section to read as follows:

(1) Any county, city or town not electing to make payments in lieu of contributions shall pay a 'local government tax.' Taxes paid under this section shall be paid into an administratively identifiable account in the unemployment compensation fund. This account shall be self-sustaining. For calendar years 1978 and 1979 all such employers shall pay local government tax at the rate of one and one-quarter percent of all remuneration paid by the governmental unit for services in its employment. For each year after 1979 each such employer's rate of tax shall be determined in accordance with this section: PROVIDED, HOWEVER, That whenever it appears to the commissioner that the anticipated benefit payments from the account would jeopardize reasonable reserves in this identifiable account the commissioner may at the commencement of any calendar quarter, impose an emergency excess tax of not more than one percent of remuneration paid by the participating governmental units which 'excess tax' shall be paid in addition to the applicable rate computed pursuant to this section until the calendar year following the next September 1.

(2) A reserve account shall be established for each such employer.

(a) The 'reserve account' of each such employer shall be credited with tax amounts paid and shall be charged with benefit amounts charged in accordance with the formula set forth in RCW 50.44.060 as now or hereafter amended except that such employer's account shall be charged for the full amount of extended benefits so attributable for weeks of unemployment commencing after January 1, 1979. Such credits and charges shall be cumulative from January 1, 1978.

(b) After the cutoff date, the 'reserve ratio' of each such employer shall be computed by dividing its reserve account balance as of the computation date by the total remuneration paid during the preceding calendar year for services in its employment. This division shall be carried to four decimal places, with the remaining fraction, if any, disregarded.

(3) A 'benefit cost ratio' for each such employer shall be computed by dividing its total benefit charges during the thirty-six months ending on June 30 by its total remuneration during the three preceding calendar years: PROVIDED, That after August 31 in 1979 each employer's total benefit charges for the twelve months ending on June 30 shall be divided by its total remuneration paid in the last three quarters of calendar year 1978; and after August 31 in 1980 each employer's total benefit charges for the twenty-four months ending June 30 shall be divided by its total remuneration paid in the last three calendar quarters of 1978 and the four calendar quarters of 1979. Such computations shall be carried to four decimal places, with the remaining fraction, if any, disregarded.

(4) For each such employer its benefit cost ratio shall be subtracted from its reserve ratio. One-third of the resulting amount shall be subtracted from its benefit cost ratio. The resulting figure, expressed as a percentage and rounded to the nearest tenth of one percent, shall become its local government tax rate for the following rate year. For the rate year 1980 no tax rate shall be less than 0.6 percent nor more than 2.2 percent. For 1981 no tax rate shall be less than 0.4 percent nor more than 2.6 percent. For years after 1981 no tax rate shall be less than 0.2 percent or more than 3.0 percent. No individual rate shall be increased any more than 1.0 percent from one rate year to the next.

(5) Any county, city or town electing participation under this section at any time after December 15, 1977, shall be assigned a tax rate of one and one-quarter percent of total remuneration for the first eight quarters of the participation.

(6) Each year after 1980 the commissioner shall review the local government tax system and make recommendations to the legislature for changes in said system.

(7) 'Local government tax' shall be deemed to be 'contributions' to the extent that such usage is consistent with the purposes of this title. Such construction shall include but not be limited to those portions of this title and the rules and regulations enacted pursuant thereto dealing with assessments, interest, liens, collection procedures and remedies, administrative and judicial review, and the imposition of administrative, civil and criminal sanctions.

**NEW SECTION.** Sec. 16. There is added to chapter 3, Laws of 1971 and to chapter 50.44 RCW a new section to read as follows:

Benefits shall not be paid based on services in any other capacity for an educational institution ((other than an institution of higher education as defined in section 15 of this amendatory act) for any week of unemployment suffered after December 31, 1977, which commences during the period between two successive academic years or during the period between two terms, successive or otherwise, if the individual performs these services in the first of such academic years or terms and there is an individual contract or an

individual written notice to the employee that the individual will perform services for an educational institution (other than an institution of higher education as defined in section 15 of this amendatory act) in the second of the academic years or terms; or during any nonwork period occurring during a term that does not diminish the individual's salary for the term.

Sec. 19. Section 23, chapter 3, Laws of 1971 and RCW 50.44.060 are each amended to read as follows:

Benefits paid to employees of 'nonprofit organizations' shall be financed in accordance with the provisions of this section. For the purpose of this section and RCW 50.44.070, the term 'nonprofit organization' is limited to those organizations described in RCW 50.44.010, and joint accounts composed exclusively of such organizations.

(1) Any nonprofit organization which is, or becomes subject to this title on or after January 1, 1972 shall pay contributions under the provisions of RCW 50.24.010, unless it elects, in accordance with this subsection, to pay to the commissioner for the unemployment compensation fund an amount equal to the full amount of regular and additional benefits and one-half of the amount of extended benefits paid to individuals for weeks of unemployment which begin during the effective period of such election to the extent that such payments are attributable to service in the employ of such nonprofit organization.

(a) ~~((Any nonprofit organization which is, or becomes, subject to this title on January 1, 1972 may elect to become liable for payments in lieu of contributions for a period of not less than one taxable year beginning with January 1, 1972. PROVIDED, That it files with the commissioner a written notice of its election within the thirty-day period immediately following such date.~~

~~(b))~~ Any nonprofit organization which becomes subject to this title after January 1, 1972 may elect to become liable for payments in lieu of contributions for a period of not less than twelve months beginning with the date on which such subjectivity begins by filing a written notice of its election with the commissioner not later than thirty days immediately following the date of the determination of such subjectivity.

~~((c))~~ (b) Any nonprofit organization which makes an election in accordance with paragraph~~((s))~~ (a) ~~((or (b)))~~ of this subsection will continue to be liable for payments in lieu of contributions until it files with the commissioner a written notice terminating its election not later than thirty days prior to the beginning of the taxable year for which such termination shall first be effective.

~~((d))~~ (c) Any nonprofit organization which has been paying contributions under this title for a period subsequent to January 1, 1972 may change to a reimbursable basis by filing with the commissioner not later than thirty days prior to the beginning of any taxable year a written notice of election to become liable for payments in lieu of contributions. Such election shall not be terminable by the organization for that and the next year.

~~((e))~~ (d) The commissioner may for good cause extend the period within which a notice of election, or a notice of termination, must be filed and may permit an election to be retroactive but not any earlier than with respect to benefits paid after December 31, 1969.

~~((f))~~ (e) The commissioner, in accordance with such regulations as he may prescribe, shall notify each nonprofit organization of any determination which he may make of its status as an employer and of the effective date of any election which it makes and of any termination of such election. Any nonprofit organization subject to such determination and dissatisfied with such determination may file a request for review and redetermination with the commissioner within thirty days of the mailing of the determination to the organization. Should such request for review and redetermination be denied, the organization may, within ten days of the mailing of such notice of denial, file with the appeal tribunal a petition for hearing which shall be heard in the same manner as a petition for denial of refund. The appellate procedure prescribed by this title for further appeal shall apply to all denials of review and redetermination under this paragraph.

(2) Payments in lieu of contributions shall be made in accordance with the provisions of this section including either paragraph (a) or (b) of this subsection.

(a) At the end of each calendar quarter, the commissioner shall bill each nonprofit organization or group of such organizations which has elected to make payments in lieu of contributions for an amount equal to the full amount of regular and additional benefits plus one-half of the amount of extended benefits paid during such quarter that is attributable to service in the employ of such organization.

(b) (i) Each nonprofit organization that has elected payments in lieu of contributions may request permission to make such payments as provided in this paragraph. Such method of payment shall become effective upon approval by the commissioner.

(ii) At the end of each calendar quarter, or at the end of such other period as determined by the commissioner, the commissioner shall bill each nonprofit organization for an amount representing one of the following:

(A) ~~((For 1972, six-tenths of one percent of its total payroll for 1971:~~

~~(B) For years after 1972, such))~~ The percentage of its total payroll for the immediately preceding calendar year as the commissioner shall determine. Such determination shall be based each year on the average benefit costs attributable to service in the employ of nonprofit organizations during the preceding calendar year.

~~((C))~~ (B) For any organization which did not pay wages throughout the four calendar quarters of the preceding calendar year, such percentage of its payroll during such year as the commissioner shall determine.

(iii) At the end of each taxable year, the commissioner may modify the quarterly percentage of payroll thereafter payable by the nonprofit organization in order to minimize excess or insufficient payments.

(iv) At the end of each taxable year, the commissioner shall determine whether the total of payments for such year made by a nonprofit organization is less than, or in excess of, the total amount of regular and

additional benefits plus one-half of the amount of extended benefits paid to individuals during such taxable year based on wages attributable to service in the employ of such organization. Each nonprofit organization whose total payments for such year are less than the amount so determined shall be liable for payment of the unpaid balance to the fund in accordance with paragraph (c). If the total payments exceed the amount so determined for the taxable year, all of the excess payments will be retained in the fund as part of the payments which may be required for the next taxable year, or a part of the excess may, at the discretion of the commissioner, be refunded from the fund or retained in the fund as part of the payments which may be required for the next taxable year.

(c) Payment of any bill rendered under paragraph (a) or (b) shall be made not later than thirty days after such bill was mailed to the last known address of the nonprofit organization or was otherwise delivered to it, and if not paid within such thirty days, the reimbursement payments itemized in the bill shall be deemed to be delinquent and the whole or part thereof remaining unpaid shall bear interest from and after the end of such thirty days at the rate and in the manner set forth in RCW 50.24.040.

(d) Payments made by any nonprofit organization under the provisions of this section shall not be deducted or deductible, in whole or in part, from the remuneration of individuals in the employ of the organization. Any deduction in violation of the provisions of this paragraph shall be unlawful.

(3) Each employer that is liable for payments in lieu of contributions shall pay to the commissioner for the fund the total amount of regular and additional benefits plus the amount of one-half of extended benefits paid that are attributable to service in the employ of such employer. If benefits paid to an individual are based on wages paid by more than one employer and one or more of such employers are liable for payments in lieu of contributions, the amount ~~((payable))~~ payable to the fund by each employer that is liable for such payments shall be determined in accordance with the provisions of paragraphs (a) ~~((or (b)))~~ through (d) of this subsection.

(a) If benefits paid to an individual are based on wages paid by one or more employers that are liable for payments in lieu of contributions and on wages paid by one or more employers who are liable for contributions, the amount of benefits payable by each employer that is liable for payments in lieu of contributions shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base-period wages paid to the individual by such employer bear to the total base-period wages paid to the individual by all of his base-period employers.

(b) If benefits paid to an individual are based on wages paid by two or more employers that are liable for payments in lieu of contributions, the amount of benefits payable by each such employer shall be an amount which bears the same ratio to the total benefits paid to the individual as the total base-period wages paid to the individual by such employer bear to the total base-period wages paid to the individual by all of his base-period employers.

~~((4) Notwithstanding any other provisions in this section, any nonprofit organization which prior to January 1, 1969, paid contributions into the unemployment compensation fund, and pursuant to this section, elects, within thirty days after January 1, 1972 to make payments in lieu of contributions, shall not be required to make any such payment on account of any regular, additional, or extended benefits paid, on the basis of wages paid by such organization to individuals for weeks of unemployment which begin on or after the effective date of such election until the total amount of such benefits equals the amount of the positive balance in the experience rating account of such organization.))~~

**NEW SECTION, Sec. 20.** There is added to chapter 35, Laws of 1945 and to chapter 50.98 RCW a new section to read as follows:

(1) Effective with benefit years beginning on and after January 1, 1978, base year wages shall include remuneration paid for previously uncovered services: PROVIDED, That the maximum benefits payable to an individual as computed for the benefit year will be reduced to the extent that benefits were paid on the basis of identical calendar quarters of the previously uncovered services with respect to a claim filed by the individual under Title II of the Emergency Jobs and Unemployment Assistance Act of 1974. Benefits will be paid, subject to the provisions of this title, based upon the previously uncovered services to the extent that the unemployment compensation trust fund will be reimbursed for the cost thereof by the federal government under section 121 of PL 94-566 and regulations published by the secretary of labor relating thereto.

(2) For the purposes of this section, the term 'previously uncovered services' means services performed before January 1, 1978, which are not employment as defined in Title 50 RCW at any time during the one year period ending December 31, 1975, and which:

(a) Is agricultural labor as defined in RCW 50.04.150 and covered by section 3 of this 1977 amendatory act or domestic services as defined in and covered by RCW 50.04.160; or

(b) Is service performed by an employee of this state or a political subdivision of this state newly covered by this 1977 amendatory act or by an employee of a nonprofit educational institution which is not an institution of higher education as provided in RCW 50.44.040(3).

(3) Any nonprofit organization or governmental entity electing to make payments in lieu of contributions shall not be liable to make payments with respect to benefits paid any individual whose base year wages include wages for previously uncovered services as defined in subsection (2) (a) and (b) of this section to the extent that the unemployment compensation fund is reimbursed for the benefits under section 121 of PL 94-566.

(4) Benefits paid any individual whose base year wages include wages for previously uncovered services as defined in subsection (2) (a) and (b) of this section shall not be charged to the experience rating account of any contribution paying employer to the extent that the unemployment compensation fund is reimbursed for the benefits under section 121 of PL 94-566.

**NEW SECTION.** Sec. 21. There is added to chapter 35, Laws of 1945 and to chapter 50.98 RCW a new section to read as follows:

This 1977 amendatory act has been enacted to meet the requirements imposed by the federal unemployment tax act as amended by PL 94-566. Internal references in any section of this 1977 amendatory act to the provisions of that act are intended only to apply to those provisions as they existed as of the effective date of this 1977 amendatory act.

In view of the importance of compliance of this 1977 amendatory act with the federal unemployment tax act, any ambiguities contained herein should be resolved in a manner consistent with the provisions of that act. Considerable weight has been given to the commentary contained in that document entitled 'Draft Language and Commentary to Implement the Unemployment Compensation Amendments of 1976 PL 94-566', published by the United States department of labor, employment and training administration, and that commentary should be referred to when interpreting the provisions of this 1977 amendatory act.

**NEW SECTION.** Sec. 22. There is appropriated to the employment security department from the general fund for the portion of the 1977-1979 biennium ending June 30, 1978, the sum of 1,044,800 dollars, or so much thereof as may be necessary, for the purpose of operating a quality control program similar to the pilot quality program project which ended in 1976, in local employment security offices, and for increased audits and investigations of employers subject to Title 50 RCW.

**NEW SECTION.** Sec. 23. The commissioner is authorized, with the approval of the governor, to collect from the three-tenths of one percent increase in employer contributions provided in section 10 of chapter — (REHB 563), Laws of 1977 1st ex. sess., for the period July 1, 1978, through June 30, 1979, nine and one-tenth of one percent of the additional revenue generated by the three-tenths of one percent increase, or so much thereof as may be deemed appropriate by the commissioner, to be deposited in the administrative contingency fund, one-half of such deposit to be expended for the quality control program funded in section 21 of this amendatory act and one-half for increased audits and investigations of employers subject to Title 50 RCW. In determining the amount of the deposit, if any, authorized by this section, the commissioner and the governor shall consider the impact any such deposit would have on employer contributions required by the federal government for the repayment of a loan from the federal unemployment trust fund.

Sec. 24. Section 60, chapter 35, Laws of 1945 as last amended by section 4, chapter 73, Laws of 1973 and RCW 50.16.010 are each amended to read as follows:

All moneys in the unemployment compensation fund shall be commingled and undivided.

The administrative contingency fund shall consist of all interest on delinquent contributions collected pursuant to this title after June 20, 1953, all fines and penalties collected pursuant to the provisions of this title, and all sums recovered on official bonds for losses sustained by the fund and sums collected pursuant to section 23 of this amendatory act: PROVIDED, That all fees, fines, forfeitures and penalties collected or assessed by a justice court because of the violation of a state law shall be remitted as provided in chapter 3.62 RCW as now exists or is later amended. Moneys available in the administrative contingency fund shall be expended upon the direction of the commissioner, with the approval of the governor, whenever it appears to him or her that such expenditure is necessary for:

## THIRD READING

ENGROSSED SENATE BILL NO. 2159, by Senators Woody, Clarke, Day, Sellar and Hayner:

Permitting a counterclaim for malicious prosecution in the principal action.

The bill was read the third time.

## MOTION

Mr. Knowles moved that Engrossed Senate Bill No. 2159 be referred to Committee on Judiciary.

Mr. Knowles spoke in favor of the motion.

Mr. Patterson demanded an electric roll call and the demand was sustained.

Representatives Sherman, Enbody and King spoke in favor of the motion, and Representatives Newhouse, Leckenby and Pardini spoke against it.

#### POINT OF ORDER

Mr. Smith: "I believe Representative Pardini is impugning the motives of the Chairman of the Judiciary Committee."

The Speaker: "I think the point is well taken. Representative Pardini, address yourself to the issue of the motion of whether or not the bill should be rereferred to the committee."

Mr. Pardini continued his remarks against the motion, and Mr. Knedlik spoke in favor of it.

#### POINT OF ORDER

Mr. Newhouse: "Representative Knedlik is impugning the motives of a member of the House in a very skillful way."

The Speaker: "Which member?"

Mr. Newhouse: "Mine."

The Speaker: "That's all right. In the future I would like the members to avoid making any kind of innuendo or personal attacks on other members, skillful or otherwise."

#### POINT OF INQUIRY

Mr. Knowles yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "This is only an eight-line bill, but I still find it difficult to quite understand, listening to what's been said here. Suppose that I am considering suing my doctor for damages because I don't think he's done the right thing to me and I'm not quite sure of my grounds so I hire an attorney and we proceed to initiate suit against the doctor. It turns out that in the course of pursuit it would seem that the grounds I bring to the suit aren't very sufficient and neither is that of the attorney. Does the bill provide then that the defense attorney can turn around and sue me and my lawyer for damages against the doctor because of unfounded data? What constitutes 'malicious' here?"

Mr. Knowles: "You've hit the nail on the head, which was the exact fear of the members of that committee in the original bill. The definition of malicious prosecution is one of a criminal nature. The House Judiciary Committee attempted to amend it and make it a civil-type definition, which permits the defendant to bring action if he could prove that the plaintiff brought this on allegations that were unfounded and based not on the truth. The second problem that we got into then was the conspiracy situation on it. I have received a great deal of literature from lawyers who are concerned over that, even to the point—and maybe they overemphasize it—to the point where they feel that not only themselves as attorneys, but if a client comes in and makes representations to them that turn out not to be true, that they might themselves become involved in a conspiracy, and might have to, for ethical reasons, withdraw from the case.

Some of the literature I received also indicated that there was a fear on the part of the ability to get the doctors to testify in these cases because again if all of the statements made by the plaintiff in the beginning were untrue, and he knew them to be untrue, even their witnesses might find themselves involved in a conspiracy situation.

In all sincerity we felt the bill needed the committee amendment and we put it on. On the floor of the House the committee amendment was defeated. We can perfect the bill. We can come back with a proper bill and allow defendants to counterclaim in an original action, but I'd rather do it in a proper and legal manner. True, it was sponsored by three attorneys, but it did not go through the Senate Judiciary Committee and I'm sure if it had they would have found the same kind of problems in that committee."

#### MOTION

On motion of Mr. King, further consideration of Engrossed Senate Bill No. 2159 was deferred and the bill was ordered placed at the top of tomorrow's third reading calendar.

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "The motion has been made to suspend the rules to return the bill to second reading for the purpose of amendment."

#### POINT OF PARLIAMENTARY INQUIRY

Mr. Tilly: "Mr. Speaker, if the bill is successful in going back on second reading and is amended, then moved to third reading and final passage, if it fails can it be moved for reconsideration again?"

The Speaker (Mr. O'Brien presiding): "That question isn't before us at this time. The Speaker will rule at that time."

Mr. Knowles spoke in favor of the motion, and Mr. Berentson spoke against it.

#### MOTION

Mr. Polk moved that further consideration of Engrossed Senate Bill No. 2221 be deferred, and that the bill be placed on the third reading calendar for tomorrow immediately following Engrossed Senate Bill No. 2159.

It shall be an unfair practice for an insurer to cancel, refuse to renew, increase premiums, or charge higher premiums for an automobile insurance policy based on any conviction or bail forfeiture for operating a motor vehicle on a highway posted at fifty-five miles per hour at a speed ten miles per hour or less above such posted limit."

#### POINT OF ORDER

Mr. Douthwaite: "I'd like the Speaker to rule regarding Rule 32, that the amendment which Representative Hansen is offering is not substantially the same as House Bill No. 89."

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "It appears that the amendment just takes part of House Bill No. 89—just one section of it. I'm going to rule the amendment is in order."

Representatives Hansen, Deccio, Patterson, Haley and Conner spoke in favor of the amendment, and Representatives Douthwaite, Grier, Chandler and Taller spoke against it.

#### POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Fuller.

Mr. Fuller: "On April 4th we passed House Bill No. 1132. House Bill No. 1132 provides separate driving records for commercial and private purposes. If we cause this to discriminate in one instance, what is your logic that we should not discriminate in another instance?"

Mr. Douthwaite: "Representative Fuller, I agree there is no difference in the basic logic, but we are talking right now about Representative Hansen's amendment which is talking about changing the speed limit from 55 to 65, which I think is a different issue. The issue in front of us at this point—"

#### POINT OF ORDER

Mr. Hansen: "Representative Douthwaite has inferred that I'm trying to raise the speed limit. I am not trying to raise the speed limit in any way. I think what we're doing is defining the difference between hazardous driving and energy waste and that's all we're speaking to in this amendment. It is not raising the speed limit and I object strongly for him to infer that I am raising the speed limit."

The Speaker (Mr. O'Brien presiding): "Representative Douthwaite, will you hold your comments to the amendment and the question asked of you."

Mr. Douthwaite: "The question was asked if this is basically different from House Bill No. 1132 as regards the desire to be exempted from insurance company records when they are driving on emergency missions—firemen, policemen and state patrol officers—and in that respect the bills are similar, but in the respect of the amendment before us and whether it is or is not changing the speed limit, I think it's a different question."

Mr. Barnes spoke against the amendment.

Mr. Charnley demanded the previous question and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Hansen to Engrossed Substitute Senate Bill No. 3098, and the amendment was not adopted by the following vote: Yeas, 42; nays, 48; not voting, 8.

Voting nay: Representatives Amen, Barnes, Becker, Bender, Blair, Bond, Burns, Chandler, Charette, Charnley, Craswell, Douthwaite, Dunlap, Ehlers, Eng, Erak, Erickson, Flanagan, Grier, Grimm, Gruger, Hawkins, Heck, Hughes, Keller, Kilbury, King, Knowles, Lee, McKibbin, Nelson D., Nelson G. A., North, O'Brien, Paris, Pearsall, Sherman, Shinpoch, Smith, Sommers, Taller, Thompson, Vrooman, Walk, Warnke, Whiteside, Williams, Zimmerman.

Engrossed Substitute Senate Bill No. 3098 was passed to Committee on Rules for third reading.

**ENGROSSED SUBSTITUTE SENATE BILL NO. 2956**, by Committee on Transportation (Originally sponsored by Senator Henry):

Relating to outdoor advertising.

The bill was read the second time.

Mr. Thompson moved adoption of the following amendment by Representatives Thompson and Lee:

On page 1, line 4 after "section 1." strike all material down through section 2, line 26 and insert:

"(1) On and after the effective date of this 1977 amendatory act, and until July 1, 1978 no provision of state law or of any local charter or ordinance which requires removal of an existing sign or billboard for reasons other than protection of the public health or safety shall be of any force or effect.

(2) On and after the effective date of this 1977 amendatory act and until July 1, 1978 all amortization procedures leading to the removal of a sign or billboard shall be suspended, and the date upon which such sign is to be removed shall be extended for a like period of time.

(3) The purpose of this section is to preserve the status quo insofar as possible in order to allow for a detailed examination of the issues involved in the mandatory removal of existing signs and billboards. It is the intent of the legislature that no existing rights of any person shall be diminished, nor are any new rights created by this 1977 amendatory act.

**NEW SECTION.** Sec. 3. (1) The committee on local government and the committee on transportation are authorized and directed to undertake a study of mandatory sign removal, which study shall include consideration of the rights of private property owners, the need for compensation of private property owners affected by mandatory sign removal laws or ordinances, the form of such compensation, and equitable means by which compensation may be made.

(2) The committees shall complete their study of this issue and submit proposed legislation to the chief clerk of the house not later than January 15, 1978."

Representatives Thompson, Charnley and Smith spoke in favor of the amendment, and Representatives Charette, Dunlap, Berentson and Hansen spoke against it.

#### POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Barnes.

Mr. Barnes: "Representative Thompson, your first subsection would hold in abeyance local charters and ordinances for a time. Would it be possible for signs to be erected while these ordinances were not in effect and then have to be compensated for later, so that it would be possible for more signs to be erected during the time of the effectiveness of that subsection? That would then be more expensive to the local government."

Mr. Thompson: "It would be possible, as I stated during my opening remarks, to continue to erect signs without feeling the impact of new restrictive regulations during the period of this moratorium. I would not like to judge in advance the outcome of our study with regard to this issue, and I don't propose to in answering this question."

Mr. Lux spoke in favor of the amendment.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Thompson and Lee to Engrossed Substitute Senate Bill No. 2956, and the amendment was not adopted by the following vote: Yeas, 31; nays, 59; not voting, 8.

Notwithstanding any other provision of law to the contrary, the taxes imposed pursuant to RCW 82.08 and 82.14 shall be applied to the retail sale of outdoor advertising. For purposes of this section the term 'retail sale of outdoor advertising' shall mean all instances where a seller makes available to a buyer for a selling price the use of any outdoor sign, display, device, figure, painting, drawing, message, placard, poster, billboard or other means which is designed, intended or used to advertise or inform and which is visible from any highway, road or street.

Such proceeds shall be allocated to such cities and towns which have paid compensation for the removal of any sign pursuant to a locally-adopted resolution or ordinance. Funds in this account shall be disbursed by the state treasurer to such cities, towns and counties at the direction of the director of the planning and community affairs agency or its successor in accordance with such allocation formula."

Renumber the remaining sections consecutively.

#### POINT OF ORDER

Mrs. McCormick: "I believe this amendment is beyond the scope and object of the bill."

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "It appears that the subject matter of the proposed amendment is different than the subject matter appearing in the bill. Under Rule 32 is says, 'No motion or proposition on a subject different from that under consideration shall be admitted under color of amendment...' Therefore, on that basis, it appears this amendment is out of order. It provides for a retail sales tax on outdoor advertising. I would rule the amendment is out of order."

Mr. Enbody: "I don't believe it would."

Mr. Hurley (George): "Not in any respect?"

Mr. Enbody: "Correct."

Mr. Hurley (George): "In other words, the CIA or any other organization could continue to go ahead and do anything they desire to do under whatever federal regulations exist?"

Mr. Enbody: "It's my understanding that if the informations that are filed are out of one of our state superior courts and authorization is made pursuant to this bill, they are going to have to meet these requirements."

Mr. Pardini: "The amendment proposes to raise the number of judges in King County to thirty-four and it is the subject matter of another bill before the House today."

The Speaker (Mr. O'Brien presiding): "Rule 32 does state that no bill or resolution shall at any time be amended by annexing thereto or incorporating therein any other bill or resolution pending before the House. Your point of order would be pretty well taken except for the fact that Engrossed Senate Bill No. 2221 has an emergency clause to take effect immediately, and the bill before us takes effect July 1, 1977, so there is a difference between the two in the timing."

Mr. Pardini: "Mr. Speaker, the thrust of this amendment is to raise the number of judges from twenty-nine to thirty-four and Senate Bill No. 2221 does the same thing."

The Speaker (Mr. O'Brien presiding): "The timing is the only difference there is and it is held that's a substantial difference. I'm going to rule the amendment is in order."

Mr. Smith spoke in favor of the amendment, and it was adopted.

On motion of Mr. Smith, the following amendment to the committee amendment was adopted:

On page 2, following line 23 insert a new section as follows:

"NEW SECTION. Sec. 5. There is appropriated from the general fund the sum of \$446,000 or such as may be necessary for the biennium ending June 30, 1979."

Renumber the remaining section consecutively.

The committee amendment as amended was adopted.

Mr. Smith moved adoption of the committee amendment to the title of the bill.

On motion of Mr. Smith, the following amendment to the committee amendment was adopted:

On line 3 of the title after "RCW 2.08.061" insert "; establishing an appropriation"

The committee amendment to the title as amended was adopted.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2143 as amended by the House was placed on final passage.

ENGROSSED SENATE BILL NO. 2453, by Senators Donohue, Clarke and Henry:

Modifying restrictions on small loan companies.

The bill was read the second time.

Committee on Financial Institutions recommendation: Majority, do pass as amended. (For amendments, see Journal, 61st Day ex. sess., May 10, 1977.)

On motion of Mr. Eng, the committee amendment to page 6, line 25 was adopted.

Mr. Eng moved adoption of the committee amendment to page 10.

Representatives Eng, Pardini, Polk and Hurley (Margaret) spoke in favor of the committee amendment, and Representatives Hurley (George), Bender and Lux spoke against it.

#### POINT OF INQUIRY

Mr. Hurley (George) yielded to question by Mr. Boldt.

Mr. Boldt: "What about this amendment?"

Mr. Hurley (George): "Representative Boldt, I think the words—"

#### POINT OF ORDER

Mr. Nelson (Gary): "Mr. Speaker, I think on previous occasions, with your wisdom behind that gavel, you have ruled these kinds of questions out of order. It simply leaves it wide open to avoid the rules that we've established in this body. If Representative Boldt has that kind of question he wants to pose, I think you should rule accordingly that he should walk across the aisle and ask Representative Hurley the question."

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Representative Boldt, you'd have to phrase your question a little differently than what you said."

Mr. Boldt: "Regarding this amendment, what about it?"

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "You are out of order. That question will just open up to another speech. Representative Hurley has already spoken once and our rules state rather clearly that the members only have the right to speak once after the fiftieth day. You've already had your opportunity, Representative Hurley, unless someone would want to do it with a motion."

#### POINT OF PARLIAMENTARY INQUIRY

Mr. Boldt: "May I yield to Representative Hurley?"

The Speaker (Mr. O'Brien presiding): "Not in that manner."

## MOTION

Mr. Boldt moved that Representative Hurley (George) be allowed to speak an additional three minutes.

## POINT OF INFORMATION

Mr. Bender: "Does this require two-thirds or just a majority of the House to pass?"

The Speaker (Mr. O'Brien presiding): "A majority of the House."

Mr. Pardini spoke against the motion, and Mr. Boldt spoke in favor of it.

The motion was carried.

Mr. Hurley (George) spoke against adoption of the committee amendment.

## POINT OF ORDER

Mr. Polk: "Mr. Speaker, Representative George Hurley is rambling on other subjects not connected to this bill and he's beginning to digress to speeches that have taken place over the past several days. I think you should bring him back to order and restrict his remarks to this bill."

The Speaker (Mr. O'Brien presiding): "Representative Polk, maybe your comments are well taken and maybe they are not. The Speaker allowed Representative Pardini to take off a little while ago and he covered a lot of ground."

## POINT OF ORDER

Mr. Polk: "Mr. Speaker, I think you should be enforcing these rules more even handedly and we're great believers in the rules and think they should protect the majority's position. You should be enforcing all these rules. I'm sorry you didn't call Representative Pardini to order if he was digressing. Certainly two wrongs don't make a right."

The Speaker (Mr. O'Brien presiding): "Representative Polk, the Speaker is being very tolerant also to listen to you at this time. Representative Hurley, continue."

Mr. Hurley (George) continued his remarks in opposition to the committee amendment.

## POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Berentson.

Mr. Berentson: "Representative Pardini, have you talked to the Supervisor of Banking regarding this amendment? What did he say about it?"

Mr. Pardini: "The Supervisor of Banking testified against this amendment in the Senate committee and also in the House committee. I have before me a letter from the Supervisor of Banking pointing out—and I quote, 'This amendment is not serving the best interests of the citizens of the state of Washington for the following reasons: It would be difficult to enforce administratively throughout the entire industry—'"

The Speaker (Mr. O'Brien presiding): "It would appear to me, Representative Pardini, you are going beyond the question, too. You've already had the opportunity to speak once. Hold your comments."

Mr. Boldt demanded an electric roll call vote on the amendment, and the demand was sustained.

## ROLL CALL

The Clerk called the roll on adoption of the Committee on Financial Institutions' amendment to page 10 of Engrossed Senate Bill No. 2453, and the amendment was adopted by the following vote: Yeas, 57; nays, 33; not voting, 8.

On page 3, line 30 after "propagation." strike all material down through and including "enterprises." on line 1, page 4.

Mr. Martinis spoke in favor of the amendment, and Mr. Charnley spoke against it.

## POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Representative Martinis, on line 3 beginning with where your amendment offers to strike the language, it reads, 'Where excessively heavy recreational use of any river in the system threatens . . .' Could you tell us when in the future do you anticipate that excessively heavy recreational use will arise on this particular river?"

Mr. Martinis: "It is probably some time way in the future. That's the purpose of this amendment. We're going to give somebody the authority that they can do this and who is determining this? We're not setting the criteria for what the use is or what the impact in the area is. We're telling them that when they feel that it is being overused that they may do it. I think that is the time the Legislature should be the one that sets the standards for what overuse of a recreational area is. Breeder ponds are in this area. The Department of Game just put in a whole new steelhead rearing pond system on the Skykomish River. I'm concerned."

Mr. Douthwaite: "Let me get a little more specific. Would you say ten or fifteen or twenty years? Or fifty? What would you estimate?"

Mr. Martinis: "Representative Douthwaite, I almost regard that type of question as a facetious question because neither you nor I nor anyone here in this room can make that determination."

Representatives Douthwaite and Chandler spoke against the amendment, and Mr. Shinoda spoke in favor of it.

Mr. Martinis spoke again in favor of the amendment.

## ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Martinis and Shinoda to page 3, line 30 of Engrossed Senate Bill No. 3002, and the amendment was adopted by the following vote: Yeas, 53; nays, 41; not voting, 4.

A., North, Oliver, Owen, Paris, Patterson, Pearsall, Polk, Sanders, Schmitt, Shinoda, Smith, Struthers, Taller, Tilly, Vrooman, Walk, Whiteside, Wilson, Winsley, and Mr. Speaker.

In establishing a procedure for certification of such practitioners the board shall consider a license or certificate which acknowledges that the person has the qualifications to practice acupuncture issued by the government of the Republic of China (Taiwan), the Peoples' Republic of China, British Crown Colony of Hong Kong, Korea, Great Britain, France, the Federated Republic of Germany (West Germany), Italy, Japan, or any other country or state which has generally equivalent standards of practices of acupuncture as determined by the board as evidence of such qualification.

(3) As used in this section 'acupuncture' means the insertion of needles into the human body by piercing the skin of the body for the purpose of relieving pain, treating disease, or to produce analgesia, or as further defined by rules and regulations of the board."

Mr. Hanna: "Our Appropriations Committee has the bill for the bonds for the entire jail funding. It's \$63 million."

Mr. Oliver: "Which the state would now be obligated for 100% and the counties somewhat over 25%?"

Mr. Hanna: "Within the total Jail Commission plan there is some local contribution and go ahead has already taken place on this. Essentially \$63 million does represent full state funding."

On motion of Mr. Hanna, the following amendments by Representatives Hanna, Shinpoch and Deccio were adopted:

On page 3, beginning on line 21 strike "prescribed by the commission" and insert "adopted pursuant to section 5(1)(a) and section 7(1) of this 1977 amendatory act"

The legislature finds that a need exists to adequately inform the public on the conduct of the people's business by state government, and that providing adequate notice of the affairs of government enables the public to actively participate in the conduct of state government. The legislature further finds that the promulgation of rules by state agencies has a direct effect on the ability of the people to conduct their personal affairs and knowledgeably deal with state government. It is therefore the intent and purpose of sections 2 and 12 of this 1977 amendatory act and of this chapter to require the publication of a state register by which the public will be adequately informed of the activities of government and where they may actively participate in the conduct of state government and influence the decision making process of the people's business.

**NEW SECTION.** Sec. 2. There is added to chapter 1.08 RCW a new section to read as follows:

The statute law committee, in addition to the other responsibilities enumerated in this chapter, shall cause to be published the Washington State Register as created in section 3 of this 1977 amendatory act. The statute law committee and/or the code reviser may adopt such rules as are necessary for the effective operation of such service.

**NEW SECTION.** Sec. 3. There is hereby created a state publication to be called the Washington State Register, which shall be published on a monthly basis. The register shall contain, but is not limited to, the following materials received by the code reviser's office during the pertinent publication period:

(1) The full text of any proposed new or amendatory rule, as defined in RCW 34.04.010, and the citation of any existing rules the repeal of which is proposed, prior to the public hearing on such proposal. Such material shall be considered, when published, to be the official notification of the intended action, and no state agency or official thereof shall take action on any such rule except on emergency rules adopted in accordance with RCW 34.04.030, until twenty days have passed since the distribution date of the register in

which the rule and hearing notice have been published or a notice regarding the omission of the rule has been published pursuant to RCW 34.04.050(3) as now or hereafter amended;

(2) The full text of any new or amendatory rule adopted, and the citation of any existing rule repealed, on a permanent or emergency basis;

(3) Executive orders and emergency declarations of the governor;

(4) Public meeting notices of any and all agencies of state government, including state elected officials whose offices are created by Article III of the state Constitution or RCW 48.02.010; and

(5) Rules of the state supreme court which have been adopted but not yet published in an official permanent codification.

**NEW SECTION.** Sec. 4. All material included in the register pursuant to section 3 of this 1977 amendatory act shall be prepared by the appropriate agency or official and transmitted to the code reviser in accordance with rules adopted by the code reviser prescribing the style, format, and numbering system therefor, the date of receipt for inclusion within a particular register, and such other requirements as may be necessary for the orderly and efficient publication of the register and the Washington Administrative Code.

**NEW SECTION.** Sec. 5. The publication of any information in the Washington State Register shall be deemed to be official notice of such information, and publication in the register of such information and materials shall be certified to be the true and correct copy of such rules or other information as filed in the code reviser's office. The code reviser shall certify, to any court of record, the publication of any notice or information, and attached to such certification shall be the agency's declaration of compliance with the provisions of the Open Public Meetings Act (chapter 42.30 RCW), the Administrative Procedure Act (chapter 34.04 RCW) or the Higher Education Administrative Procedure Act (chapter 28B.19 RCW), as appropriate, and this chapter.

**NEW SECTION.** Sec. 6. For the purposes of the state register and this chapter, an institution of higher education, as defined in RCW 28B.19.020(1), shall be considered to be a state agency.

Sec. 7. Section 3, chapter 237, Laws of 1967 as amended by section 17, chapter 250, Laws of 1971 ex. sess. and RCW 34.04.025 are each amended to read as follows:

(1) Prior to the adoption, amendment, or repeal of any rule, each agency shall:

(a) (~~Give at least twenty days notice of its intended action by filing the~~) File notice thereof with the code reviser (,mailing the) in accordance with section 3(1) of this 1977 amendatory act for publication in the state register, and mail such notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings (, and giving public notice as provided in chapter 42.30 RCW, as now or hereafter amended). Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon(,);

(b) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. In case of substantive rules, opportunity for oral hearing must be granted if requested by twenty-five persons, by a governmental subdivision or agency, or by an association having not less than twenty-five members. The agency shall consider fully all written and oral submissions respecting the proposed rule. Upon adoption of a rule, the agency, if requested to do so by an interested person either prior to adoption or within thirty days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption.

(2) No proceeding shall be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an agency giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

(3) No rule hereafter adopted is valid unless adopted in substantial compliance with this section, or, if an emergency rule designated as such, adopted in substantial compliance with RCW 34.04.030, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of section 3(1) of this 1977 amendatory act, of this section, or of RCW 34.04.030, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

Sec. 8. Section 3, chapter 234, Laws of 1959 and RCW 34.04.030 are each amended to read as follows:

(1) If the agency finds that immediate adoption or amendment of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest, the agency may dispense with such requirements and adopt the rule or amendment as an emergency rule or amendment. The agency's finding and a brief statement of the reasons for its finding shall be incorporated in the emergency rule or amendment as filed with the office of the code reviser under RCW 34.04.040. An emergency rule or amendment shall not remain in effect for longer than ninety days after filing. This section does not relieve any agency from compliance with any law requiring that its rules be approved by designated persons or bodies before they become effective.

(2) The emergency rule published in the register is solely to inform the public of its adoption, and nothing in this section shall be construed to prevent the implementation of the rule upon its filing with the code reviser in accordance with RCW 34.04.040(2).

Sec. 9. Section 5, chapter 234, Laws of 1959 and RCW 34.04.050 are each amended to read as follows:

(3) The code reviser may, in his discretion, omit from the (~~bulletin~~) register or the compilation, rules, the publication of which would be unduly cumbersome, expensive, or otherwise inexpedient, if such rules are made available in printed or processed form on application to the adopting agency, and if such (~~bulletin~~) register or compilation contains a notice stating the general subject matter of the rules so omitted and stating how copies thereof may be obtained.

(4) (~~Bulletins~~) Registers and compilations shall be made available, in written form to state elected officials (of this state) whose offices are created by Article II or III of the state Constitution or by RCW 48.02.010, upon request (~~and~~), to county boards of law library trustees, and to the Olympia representatives of the Associated Press and the United Press International without request, free of charge, and to other persons at a price fixed by the code reviser (~~to cover publication and mailing costs~~).

(5) The board of law library trustees of each county shall keep and maintain a complete and current set of (~~bulletins~~) registers and compilations for use and inspection as provided in RCW 27.24.060.

(6) Judicial notice shall be taken of rules filed and published as provided in RCW 34.04.040 and this section.

Sec. 10. Section 3, chapter 57, Laws of 1971 ex. sess. and RCW 28B.19.030 are each amended to read as follows:

(1) Prior to the adoption, amendment, or repeal of any rule adopted under this chapter, each institution, college, division, department, or official thereof exercising rule-making authority delegated by the governing board or the president, shall:

(a) (~~Give at least twenty days' notice of its intended action by filing the~~) File notice thereof with the code reviser (and by mailing) in accordance with section 3 (1) of this 1977 amendatory act for publication in the state register, and mail the notice to all persons who have made timely request of the institution or related board for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon(;;);

(b) Provide notice to the campus or standard newspaper of the institution involved and to a newspaper of general circulation in the area at least seven days prior to the date of the rule-making proceeding. The notice shall state the time when, place where, and manner in which interested persons may present their views thereon and the general subject matter to be covered(;-);

(c) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. An opportunity for oral hearing must be granted if requested by twenty-five persons. The institution shall consider fully all written and oral statements respecting the proposed rule.

(2) No proceeding shall be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an institution of higher education giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

(3) No rule adopted under this chapter is valid unless adopted in substantial compliance with this section, or, if an emergency rule designated as such, adopted in substantial compliance with RCW 28B.19.040, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of section 3(1) of this 1977 amendatory act, of this section, or of RCW 28B.19.040, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

(~~(3)~~) (4) When twenty days notice of intended action to adopt, amend, or repeal a rule has not been filed with the code reviser, as required by subsection (~~(3)~~(4)) (2) of this section, the code reviser shall not publish such rule, and such rule shall not be effective for any purpose.

Sec. 11. Section 4, chapter 57, Laws of 1971 ex. sess. as amended by section 4, chapter 46, Laws of 1973 1st ex. sess. and RCW 28B.19.040 are each amended to read as follows:

If the institution of higher education finds that immediate adoption or amendment of a rule is necessary for the preservation of the public health, safety, or general welfare, and the observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest, the institution may dispense with such requirements and adopt the rule or amendment as an emergency rule or amendment. The institution's finding and a brief statement of the reasons for its finding shall accompany the emergency rule or amendment as filed with the code reviser. An emergency rule or amendment shall not remain in effect for longer than ninety days after filing.

Emergency rules shall become effective upon filing with the code reviser unless an effective date is specified in the rule. The emergency rule published in the state register is solely to inform the public of its adoption, and nothing in this section shall be construed to prevent the implementation of the rule upon such filing.

## SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 3093, by Committee on Transportation (Originally sponsored by Senator Henry):

Establishing procedures for the construction of state ferries.

The bill was read the second time.

## MOTION

On motion of Mr. Bender, further consideration of Engrossed Substitute Senate Bill No. 3093 was deferred, and the bill was ordered placed at the bottom of today's second reading calendar.

SENATE BILL NO. 2439, by Senators Buffington, Henry and Guess:

Mrs. North spoke again in favor of the amendment.

#### POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Deccio.

Mr. Deccio: "Representative Conner, as I understand it this would expire June 30, 1978. The way I read the bill it says, 'This continued obligation shall be terminated if the sponsoring city earlier provides written notice of withdrawal or abandonment. . . ' If the City of Seattle neither withdraws nor abandons the project, does that mean they could come back and ask for another extension? Would the committee expect to give them that extension?"

Mr. Conner: "If they were to, as the language says, withdraw or abandon, then that money would be free to do exactly what the amendment is talking about, and I assume there would not be support of the committee. It was only through the strong feelings of the legislators from that district that we did go along in approving this extension. I would doubt there would be any sympathy for any further extension. We've already done it several times and bent over backwards in attempting to assist, but we feel that they should be given one last opportunity to see if it is possible to get the various jurisdictions together."

#### ROLL CALL

Mr. Clemente spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Clemente yielded to question by Mr. Fuller.

Mr. Fuller: "Representative Clemente, is there any conflict between line 10 of this bill and your amendment?"

Mr. Clemente: "I couldn't see any. The concern that was raised here was that after the student made the request and was accepted under the language in line 10, there might be new residents of the area at a later date that would be in conflict for that room. The language simply makes it clear that the district won't be in a bind then in making a decision to make available that space by kicking out the student they have just accepted."

Representatives Fuller and Barnes spoke against the amendment, and Representatives Clemente and Fortson spoke in favor of it.

#### ROLL CALL

There are probably many different individuals that would have this authority, and they felt instead of listing them all, it would be better to just use the word 'officer.'"

## POINT OF INQUIRY

Mr. Lux yielded to question by Mr. Bond.

Mr. Bond: "Maybe to put everyone's mind at ease, since there have been some members who have felt there might be something in these amendments that would provide an opportunity for people who are fraudulently getting unemployment to be able to cover up the record, could you explain this further?"

Mr. Lux: "Representative Bond, I think what this legislation attempts to do is to reconcile the confidentiality of records with the public access. There has been some confusion there and I think it's a fairly touchy matter. What this legislation attempts to do is to give the Legislature the right to view these records of the Unemployment Security Department, and yet not violate the individual's right to privacy."

## REPORT OF FREE CONFERENCE COMMITTEE

May 18, 1977

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 2156, permitting certain corporations of health care professionals to act as self-insurers against liability, have had the same under consideration and we recommend that the House amendment to page 1, line 16 not be adopted and recommend that the following amendment be adopted:

On page 1, line 16 after "code," strike the balance of the section and insert "An association or other entity composed of five hundred or more health care professionals licensed pursuant to chapters 18.71 or 18.88 RCW, or an association or other entity composed of at least one-third of the health care professionals licensed pursuant to any of the following chapters: 18.22, 18.25, 18.32, or 18.57 RCW, and, if composed of more than five hundred members, meeting capital and surplus requirements set forth in RCW 48.05.340(1), or, if composed of less than five hundred members, meeting one-third of the capital and surplus requirements set forth in RCW 48.05.340(1), after a written determination by the insurance commissioner that insurance for claims brought under chapter 7.70 RCW is either unavailable or cost-prohibitive from a licensed insurance carrier, may join and organize as a mutual corporation pursuant to chapter 24.06 RCW for the purpose of insuring or self-insuring against claims brought under chapter 7.70 RCW through a contributing trust fund and shall not be deemed an 'insurer' under this code: PROVIDED, That each health professional mutual corporation shall submit a financial and operational report annually to the legislative budget committee and the insurance commissioner."

Signed by Senators Day, Woody; Representatives Douthwaite, Haley, Grier.

## MOTION

Mr. Douthwaite moved that the report of the Free Conference Committee be adopted.

## POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Douthwaite, this envisions that some persons licensed would not meet the five hundred members, but it says one-third of those. Can you tell me typically what groups would only be subject to the one-third and how many members would there be and why they would only have the one-third capital requirement?"

Mr. Douthwaite: "I have the number of all six categories here. For example, osteopaths have 190 licensed osteopaths in the state, which is less than 500—"

Mr. Pardini: "Excuse me for interrupting. Conceivably, sixty-five of those people could band together?"

Mr. Douthwaite: "Yes. They would have to raise, however, one-third of \$1 million in reserve surplus which means \$333,000, so you see it's not something they would enter into quickly."

The motion to adopt the report of the Free Conference Committee was carried.

Beginning on page 1, line 12 strike everything after the enacting clause and insert the following:

\*Section 1. Section 7, chapter 294, Laws of 1971 ex. sess. as last amended by section 1, chapter 33, Laws of 1975-'76 2nd ex. sess. and by section 7, chapter 123, Laws of 1975-'76 2nd ex. sess. and RCW 82.04.291 are each reenacted and amended to read as follows:

(1) Upon every person engaging within this state in business as a harvester of timber; as to such persons the amount of tax with respect to such business shall be equal to the stumpage value of timber harvested for sale or for commercial or industrial use multiplied by the appropriate rate as follows:

(a) For timber harvested between October 1, 1972 and September 30, 1973 inclusive, the rate shall be one and three-tenths percent;

(b) For timber harvested between October 1, 1973 and September 30, 1974 inclusive, the rate shall be two and nine-tenths percent and between October 1, 1974 and December 31, 1978, inclusive, six and one-half percent.

(2) For purposes of this section:

(a) 'Harvester' means every person who from his own privately owned land or from the privately owned land of another under a right or license granted by lease or contract, either directly or by contracting with others for the necessary labor or mechanical services fells, cuts or takes timber for sale or for commercial or industrial use. It does not include persons performing under contract the necessary labor or mechanical services for a harvester.

(b) 'Timber' means forest trees, standing or down on privately owned land, and except as provided in RCW 84.33.170 includes Christmas trees.

(c) 'Stumpage value of timber' means the appropriate stumpage value shown on tables to be prepared by the department of revenue pursuant to subsection (3) of this section.

(d) Timber shall be considered harvested at the time when in the ordinary course of business the quantity thereof by species is first definitely determined. The amount harvested shall be determined by the Scribner Decimal C Scale or other prevalent measuring practice adjusted to arrive at substantially equivalent measurements, as approved by the department of revenue.

(3) The department of revenue shall designate areas containing timber having similar growing, harvesting and marketing conditions to be used as units for the preparation and application of stumpage values. Each year on or before December 31 for use the following January through June 30, and on or before June 30 for use the following July through December 31, the department shall prepare tables of stumpage values of each species or subclassification of timber within such units, which values shall be the amount that each such species or subclassification would sell for at a voluntary sale made in the ordinary course of business for purposes of immediate harvest. Such stumpage values, expressed in terms of a dollar amount per thousand board feet or other unit measure, shall be determined from (a) gross proceeds from sales on the stump of similar timber of like quality and character at similar locations, and in similar quantities, or from (b) gross proceeds from sales of logs adjusted to reflect only the portion of such proceeds attributable to value on the stump immediately prior to harvest, or from a combination of (a) and (b), and shall be determined in a manner which makes reasonable and adequate allowances for age, size, quality, costs of removal, accessibility to point of conversion, market conditions and all other relevant factors. Upon application from any person who plans to harvest damaged timber, the stumpage values for which have been materially reduced from the values shown in the applicable tables due to damage resulting from fire, blow down, ice storm, flood or other sudden unforeseen cause, the department shall revise such tables for any area in which such timber is located and shall specify any additional accounting or other requirements to be complied with in reporting and paying such tax. The preliminary area designations and stumpage value tables and any revisions thereof shall be subject to review by the ways and means committees of the house and senate prior to finalization. Tables of stumpage values shall be signed by the director or his designee and authenticated by the official seal of the department. A copy thereof shall be mailed to anyone who has submitted to the department a written request therefor.

(4) If, after the transfer, if any, from the state timber tax account A (pursuant to subsection (2) of this section) in August of any year commencing with 1974, the balance in the state timber reserve account exceeds two million dollars, the amount of the excess shall be applied first, subject to legislative appropriation of funds allocated from the state timber reserve account, for activities undertaken by the department of revenue forest (~~valuation section~~) tax division and for the activities undertaken by the department of natural resources relating to classification of lands as required by this chapter (~~PROVIDED, That within the 1973-75 biennium, the state treasurer shall transfer from the state timber reserve account to the state general fund an amount equal to actual expenditures of the department of revenue related to the activities of the forest valuation section no later than August 31, 1974 and August 31, 1975, for the fiscal year just completed. If the amount of such excess is more than is necessary for reimbursement for such purposes, the remaining amount of the excess shall be distributed to the taxing districts which distribution shall be made in the following manner:~~); if following the transfer, if any, from the state timber tax account A (pursuant to subsection (2) of this section) in November of 1977 and each year thereafter, the balance in the state timber tax reserve account exceeds two million dollars, the department of revenue shall determine on or before December 31 of such year, an amount to be distributed to the taxing districts the following calendar year, which distribution shall be determined in the following manner: PROVIDED, That the amount of such excess reserve account distribution shall be limited to that amount which, when added to the total account A distribution for the same calendar year, will allow a percentage increase or decrease in total calendar year distributions equal to the percentage increase or decrease in excise tax collections between the preceding calendar year and the current calendar year:

(a) The department of revenue shall calculate a harvest factor and a harvest factor proportion for each taxing district, in the manner provided in subsection (5) of this section except that for years before 1978 there shall be used the aggregate value of timber harvested for as many quarters for which information is available;

(b) By multiplying the amount of such excess by the harvest factor proportion for each taxing district respectively, the department of revenue shall calculate the amount to be distributed to each local taxing district and to the state and shall certify such amounts to the respective county assessors and state;

To Committee on Rules for second reading.

#### MOTION

On motion of Mr. King, the House advanced to the seventh order of business.

#### THIRD READING

ENGROSSED SENATE BILL NO. 2451, by Senators Rasmussen, Marsh and Morrison:

Allowing for a longer appeal period from actions of county boards of equalization.

The bill was read the third time and placed on final passage.

#### MOTIONS

On motion of Mr. King, the rules were suspended, and Engrossed Senate Bill No. 2451 was returned to second reading for the purpose of amendment.

On motion of Mr. King, further consideration of Engrossed Senate Bill No. 2451 was deferred, and the bill was ordered placed on the calendar immediately following Engrossed Senate Bill No. 2453.

ENGROSSED SENATE BILL NO. 2453, as amended by the House, by Senators Donohue, Clarke and Henry:

Modifying restrictions on small loan companies.

The bill was read the third time and placed on final passage.

Mr. Eng spoke in favor of passage of the bill.

#### POINT OF PERSONAL PRIVILEGE

Mr. Hurley (George): "Mr. Speaker, the financial institutions spent a great deal of money to defeat me in the last election and I think I should be able to explain why."

#### POINT OF ORDER

Mr. Pardini: "That's not a point of personal privilege, talking about last year's campaign. Let's not start off Monday that way."

The Speaker: "Your point is well taken, Representative Pardini."

Mr. Hurley (George) spoke against passage of the bill, and Mr. Pardini spoke in favor of it.

#### POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Hanna.

Mr. Hanna: "In looking over the new rate schedule, it seems to me that the reason the small loan companies are in favor of this bill so strongly is that the new balance gives them a much higher interest rate for that class of loans which are the most common. In other words, they can let off on both ends a little because they are going to get a lot richer in the middle. Is that true?"

Mr. Pardini: "I think what you are referring to is the annual percentage rate maybe on a loan that might be \$1500 or \$1800 or something in that neighborhood. Their annual percentage rate on those, Representative Hanna, is slightly in excess of the present amount, but again because of the increased number of dollars there is a higher element of risk involved. There's more dollars out there. Specifically, these loans are not secured by substantial securities; they are a personal loan, typical collateral for them is household goods. You repossess all the household goods and you're lucky if you get a third of your money back in the event of default. Please understand that if these people could get loans from normal financial institutions they would get them from their credit unions and that type of thing, but they are high risk and that's what you're faced with. That section of society in some way, shape or form has to be served."

Representatives Chandler and Hurley (Margaret) spoke in favor of the bill, and Mr. Lux spoke against it.

## POINT OF INQUIRY

Mr. Hurley (George) yielded to question by Mr. Nelson (Dick).

Mr. Nelson (Dick): "Representative Hurley, this bill raises the interest rates in several categories. Could you explain how that affects people in terms of the percentages of the people who use various levels of loans?"

Mr. Hurley (George): "On the bill report, under the old law, \$300 was 36%. It's up to \$500 now and it's reduced to 30%, but the \$300 to \$500 is the real catch—em because that's the amount where the great percentage of loans is used and it's been raised to \$500 to \$1000 at 21%. So the 3% increase is the place the real money is made, so the loan companies and the banks behind them are the ones that are making them. I might reiterate that one of the bank lobbyists told me that he was very angry with me last session and the fact that I disputed this point. I would also like to bring out the question of why there is so much pressure on this legislation. This should not—"

## SPEAKER'S ADMONITION

The Speaker: "Representative Hurley, contain your remarks to the question asked of you."

## POINT OF ORDER

Representative Hurley (Margaret): "I believe it is in order to correct a misstatement. The change that was made on page 6, line 25 changed the percentage from 21% to 18% and I think maybe the people ought to be aware that Representative George Hurley was unaware of that change and made a misstatement."

On page 1, after line 20 add a new section as follows:

"Sec. 2. Section 84.48.010, chapter 15, Laws of 1961 and RCW 84.48.010 as amended by section 2, chapter 55, Laws of 1970 ex. sess., are each amended as follows:

Prior to July 1st, the county commissioners shall form a board for the equalization of the assessment of the property of the county. The members of said board may receive twenty-five dollars per day for each day of actual attendance of the meeting of the board of equalization to be paid out of the current expense fund of the county: PROVIDED, That when the county commissioners constitute the board they shall not receive the per diem allowance. The board of equalization shall meet in open session for this purpose annually on the first Monday in July and, having each taken an oath fairly and impartially to perform their duties as members of such board, they shall examine and compare the returns of the assessment of the property of the county and proceed to equalize the same, so that each tract or lot of real property and each article or class of personal property shall be entered on the assessment list at its true and fair value, according to the measure of value used by the county assessor in such assessment year, and subject to the following rules:

First. They shall raise the valuation of each tract or lot or item of real property which in their opinion is returned below its true and fair value to such price or sum as they believe to be the true and fair value thereof, after at least five days' notice shall have been given in writing to the owner or agent.

Second. They shall reduce the valuation of each tract or lot or item which in their opinion is returned above its true and fair value to such price or sum as they believe to be the true and fair value thereof.

Third. They shall raise the valuation of each class of personal property which in their opinion is returned below its true and fair value to such price or sum as they believe to be the true and fair value thereof, and they shall raise the aggregate value of the personal property of each individual whenever they believe that such aggregate value is less than the true valuation of the taxable personal property possessed by such individual, to such sum or amount as they believe to be the true value thereof, after at least five days' notice shall have been given in writing to the owner or agent thereof.

Fourth. They shall, upon complaint in writing of any party aggrieved, reduce the valuation of each class of personal property enumerated on the detail and assessment list of the current year, which in their opinion is returned above its true and fair value, to such price or sum as they believe to be the true and fair value thereof; and, upon like complaint, they shall reduce the aggregate valuation of the personal property of such individual who, in their opinion, has been assessed at too large a sum, to such sum or amount as they believe was the true and fair value of his personal property.

Fifth. The board may review all claims for either real or personal property tax exemption, and shall consider any taxpayer appeals from the decision of the assessor thereon to determine (1) if the taxpayer is entitled to an exemption, and (2) if so, the amount thereof.

The clerk of the board shall keep an accurate journal or record of the proceedings and orders of said board in a book kept for that purpose, showing the facts and evidence upon which their action is based, and the said record shall be published the same as other proceedings of county commissioners, and shall make a true record of the changes of the descriptions and assessed values ordered by the county board of equalization. The assessor shall correct the real and personal assessment rolls in accordance with the changes made by the said county board of equalization, and he shall make duplicate abstracts of such corrected values, one copy of which shall be retained in his office, and one copy forwarded to the state board of equalization on or before the fifth day of August next following the meeting of the county board of equalization.

The county board of equalization shall meet on the first Monday in July and may continue in session and adjourn from time to time during a period not to exceed four weeks, but shall remain in session not less than three days: PROVIDED, That, in addition to the several times fixed by statute, any county board of equalization may be reconvened for special or general purposes, but not later than three years after the date of adjournment of its regularly convened session by order of the department of revenue: PROVIDED FURTHER, That the county board of equalization may convene at any time when petitions filed exceed 25, or 10 percent of the number of appeals filed in the preceding year.

No taxes, except special taxes, shall be extended upon the tax rolls until the property valuations are equalized by the state board of equalization for the purpose of raising the state revenue.

Boards of county commissioners as such shall at no time have any authority to change the valuation of the property of any person or to release or commute in whole or in part the taxes due on the property of any person."

On page 1, line 3 of the title after "RCW 84.08.130" strike the period and insert "; amending section 84.48.010, chapter 15, Laws of 1961 and RCW 84.48.010 as amended by section 2, chapter 55, Laws of 1970 ex. sess."

Providing for the creation and management of a scenic river system.

The bill was read the third time and placed on final passage.

Mr. Charnley spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Charnley yielded to question by Mr. Barr.

Mr. Barr: "In the House version of this bill, which is in Senate Rules Committee now, we adopted in the House that the Game Department would be the lead agency, is that right?"

Mr. Charnley: "Yes."

Mr. Barr: "Why should we yield now to a different department if it was agreed then? This seems inconsistent for us to do this. How much money is tied to this bill now? I opposed the House version because it had \$300,000 attached to it. I didn't oppose the bill; I opposed the money."

Mr. Charnley: "To answer your first question, Representative Barr, the Senate obviously felt the Parks Department should be the lead agency. It was a debate all the way through the history of these bills of what department should be the lead agency. In my personal opinion, the Game Department would still be the best agency, but I am satisfied the Parks Department

could handle it. The second question, your figure of \$300,000 is entirely incorrect. There is \$132,000 in the House bill and there is no money in this bill. There is no money appropriated at all."

Representatives Hansen and Shinoda spoke in opposition to the bill, and Mr. Charnley spoke again in favor of it.

#### POINT OF PERSONAL PRIVILEGE

Mr. Barr: "Representative Charnley said that my figures were not correct, and I'd like to respond to that. The correct figures are \$297,000 for the biennium."

#### POINT OF PERSONAL PRIVILEGE

Mr. Charnley: "The amount that was appropriated on the House bill was \$132,000. That came out of the Appropriations Committee."

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 3002 as amended by the House, and the bill passed the House by the following vote: Yeas, 59; nays, 29; not voting, 10.

Voting yea: Representatives Barnes, Bauer, Becker, Bender, Blair, Boldt, Burns, Chandler, Charnley, Conner, Douthwaite, Dunlap, Ehlers, Eng, Erickson, Fischer, Greengo, Grimm, Gruger, Haley, Hanna, Hawkins, Heck, Hughes, Hurley G. S., Hurley M., Kilbury, King, Knedlik, Knowles, Kreidler, Lux, Lysen, Martinis, Maxie, McKibbin, Moreau, Nelson D., Nelson G. A., North, Pardini, Pearsall, Polk, Pruitt, Salatino, Sherman, Shinpoch, Smith, Sommers, Taller, Thompson, Valle, Walk, Warnke, Whiteside, Williams, Winsley, Zimmerman, and Mr. Speaker.

Relating to outdoor advertising.

The bill was read the third time and placed on final passage.

Mrs. McCormick spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Dunlap.

Mr. Dunlap: "Representative Conner, is it the intent of this 1977 amendatory act to require compensation only for signs and property taken after the effective date of this legislation?"

Mr. Conner: "That is correct, Representative Dunlap. The Sandison amendment, which this House adopted overwhelmingly, spoke to that and made it clear that it affects only those signs that would be taken down after the effective date of this act. It does not affect any signs which any city, by ordinance or regulation, has removed previous to this time."

Mr. Dunlap spoke in favor of passage of the bill, and Representatives Thompson, Charnley, Blair and Hurley (George) spoke against it.

#### POINT OF INQUIRY

Mr. Dunlap yielded to question by Mr. Bond.

Mr. Bond: "Representative Dunlap, I wonder if you would give us the fiscal impact of this bill?"

Mr. Dunlap: "I'd be very happy to, Representative Bond. I'm glad you asked that question because there is no fiscal impact to this bill, to the state, to the local government. There is no

fiscal impact. It's important that you all recognize that. The people who talk of a \$750,000 fiscal impact to the City of Bellevue or \$3 million to the City of Seattle just don't understand the intent of this legislation. The only way that the fiscal impact comes about is if a sign is taken. That's the only place where the fiscal impact comes about. All the local governmental unit has to do is just allow the sign to remain in place and there will be no fiscal impact. It's only when the sign is taken that a fiscal impact comes about."

Mr. King demanded the previous question and the demand was sustained.

#### ROLL CALL

Mr. Ehlers spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Burns.

Mr. Burns: "Representative Ehlers, the bill mandates that a health plan be offered. There are many faculty and employees in institutions of higher education that are participating in a long term disability insurance program which is funded entirely by the state contributions. What will be the effect of this bill on these programs?"

Mr. Ehlers: "I believe that the employees of higher education will still be able to participate. I believe there is an association process and so forth to continue a long term disability plan."

## INTRODUCTION AND FIRST READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 2877, by Committee on Constitution and Elections (Originally sponsored by Senators Goltz, Bailey, Sellar and Newschwander - by Joint Board of Legislative Ethics request):

Revising laws on ethics and disclosure.

To Committee on Elections and Governmental Ethics

SENATE CONCURRENT RESOLUTION NO. 121, by Senators Walgren, Sandison, Matson and Newschwander:

Amending Senate Concurrent Resolution No. 113.

## MOTIONS

On motion of Mr. King, the rules were suspended, and Senate Concurrent Resolution No. 121 was advanced to second reading and read the second time in full.

Mr. King moved that the rules be suspended, the second reading considered the third, and Senate Concurrent Resolution No. 121 be placed on final passage.

## POINT OF INQUIRY

Mr. King yielded to question by Mr. Newhouse.

Mr. Newhouse: "I understand this is another concurrent resolution, fourth in a series, which would extend our session supposedly another seven days. But what is the need for that? We also understand that Senate Rules Committee has not been meeting to put essential matters, such as pensions, on the calendar. Can we somehow prod them to accomplish some of the necessary business and pass a few House bills without this continual extension of time?"

## POINT OF ORDER

Mr. King: "Mr. Speaker, I believe it's against the House rules to refer to the other body in discussion of these matters."

## SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "The question before you is the motion to suspend the rules. Our rules provide for one speaker to speak for and one to speak against suspension of the rules."

## POINT OF PARLIAMENTARY INQUIRY

Mr. Polk: "Mr. Speaker, as I understand it, Representative King yielded to a question, and then refused to answer the question on grounds that it's against the House rules to refer to the other body. We're dealing with a Senate Concurrent Resolution dealing with an operation between the two houses. Obviously you have to speak about the other house and understand what's in the other houses' mind in order for this body to take any action intelligently at all. Under those conditions it seems to me it's simply an evasion for Representative King not to respond to Representative Newhouse's question. I think the Chair should direct him to respond."

The Speaker (Mr. O'Brien presiding): "Are you speaking for or against suspension of the rules?"

Mr. Polk: "Mr. Speaker, that was a parliamentary inquiry."

The Speaker (Mr. O'Brien presiding): "What is your inquiry?"

Mr. Polk: "When a member has yielded to another member for purpose of a question, are they able to decline to answer the question once they have yielded?"

The Speaker (Mr. O'Brien presiding): "You're going into the rights of a member. A member has the right to either answer the question or not answer the question. It isn't up to the Speaker to tell a member how to answer."

Mr. Polk: "The House rule which says that we are not to refer to the other body—that is, the Senate—isn't it a stretching of the rule to say that you cannot refer to them when we are dealing with a Senate Concurrent Resolution? In other words, Mr. Speaker, isn't it within the House rules and rights of the members to fully discuss a resolution that is before us—in this case a resolution dealing with the affairs of both bodies and how the Legislature shall operate or cease to operate? I'm asking the Chair to rule that it is not a violation of the House rules to speak of the other body in dealing with such matters."

The Speaker (Mr. O'Brien presiding): "You're involved with something that's extraneous. If you want to talk to me later about how to take care of the Senate, I'll be very happy to do that."

## POINT OF PARLIAMENTARY INQUIRY

Mr. Pardini: "Mr. Speaker, suspension of the rules to adopt this concurrent resolution would take a two-thirds vote of this body. If the body does not give a two-thirds vote, what are the implications for this body being legally adjourned?"

The Speaker (Mr. O'Brien presiding): "If the body refuses to grant the two-thirds vote necessary to advance the resolution to third reading, the resolution will be sent to the Rules Committee."

Mr. Pardini: "Would Senate Concurrent Resolution No. 120 come into effect then? And we would have no standing? That told us we were going to quit yesterday. I raise the point of parliamentary inquiry, Mr. Speaker, because if it's going to affect the way several people vote on this, perhaps the majority leader would give us an explanation of why we should suspend the rules and go along with it."

The Speaker (Mr. O'Brien presiding): "Representative Pardini, your questions really aren't in the area of parliamentary matters for me to rule on. The question of whether the determination of adjournment date and whether that affects Senate Concurrent Resolution No. 120, and that adjournment, is not for the Speaker to make that decision."

Mr. King spoke in favor of the motion.

The Speaker (Mr. O'Brien presiding) declared the House to be at ease.

The Speaker (Mr. O'Brien presiding) called the House to order.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion to suspend the rules and advance Senate Concurrent Resolution No. 121 to final passage.

Mr. Berentson spoke against the motion.

## SPEAKER'S ADMONITION (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Rule 48 states in part, 'A motion for suspension of the rules shall not be debatable, except, however, the mover of the motion may briefly explain the purpose of the motion, and one member may briefly state the opposition to the motion.' You may speak your opposition to the motion briefly."

Mr. Berentson continued his remarks in opposition to the motion.

The motion was carried.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the final passage of Senate Concurrent Resolution No. 121.

Mr. King spoke in favor of the resolution, and Mr. Polk spoke against it.

Senate Concurrent Resolution No. 121 was adopted.

## SECOND READING

ENGROSSED SENATE BILL NO. 2282, by Senator Grant:

Simplifying reporting requirements for campaign treasurers.

The bill was read the second time.

Committee on Elections and Governmental Ethics recommendation: Majority, do pass as amended. (For amendments, see Journal, 26th Day ex. sess., April 5, 1977.)

Mr. Hawkins moved adoption of the committee amendment.

On motion of Mr. Hawkins, the following amendment to the committee amendment was adopted:

On page 13, line 26 beginning with "Any" strike all the material down to and including "made" on line 38 and insert "Any person owning or controlling a newspaper or periodical published within the state of Washington for sale to the public, and any person who is the owner, licensee, or operator of a radio or television station broadcasting from the state of Washington, who, exercising control over the editorial policy of the media unit involved, permits, authorizes or makes any editorial comment on any ballot proposition shall file a report with the commission disclosing any financial interest said person has in the outcome of the ballot proposition: PROVIDED, That a financial interest of a person which exists solely because of his membership in the general public, or in any significant economic or other segment of the general public need not be disclosed.

The report shall be made in the form and manner prescribed by the commission and shall be filed within three days after the editorial comment is first published or broadcast."

Mr. Barnes moved adoption of the following amendment to the committee amendment:

On page 13, line 23 strike all of section 7 and renumber the remaining sections consecutively.

Mr. Barnes spoke in favor of the amendment to the committee amendment, and Mr. Hawkins spoke against it.

Mr. Polk demanded an electric roll call vote and the demand was sustained.

## POINT OF INQUIRY

Mr. Hawkins yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "In the amendment which just passed, it provided interest—financial interest of a person would exist only because of his membership, etc, of any significant economic or other segment of the general public. I'm troubled by the language, 'any significant economic segment of the general public.' Could you explain what you believe that to mean?"

Mr. Hawkins: "That language is intended to put an individual in a class of individuals and they would not be responsible for expressing an opinion that they might otherwise be the sole beneficiary in stating an editorial opinion."

Mr. Douthwaite: "For example, if the newspaper owner is also the owner of a large block of stock in some corporation, would that be considered to be a significant economic segment of the general public?"

Mr. Hawkins: "That's really not what that language is referring to. If that editor were expressing an opinion independent through a membership in a class of individuals, independent of his role as a newspaper editor."

Representatives Zimmerman, Wilson, Kilbury and Polk spoke in favor of the amendment, and Mr. Nelson (Dick) spoke against it.

#### POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Ehlers.

Mr. Ehlers: "Do you belong to some organization or association of newspaper editors or some trade organization of publishers?"

Mr. Zimmerman: "Yes, I do."

Mr. Ehlers: "Do you have within your organization some canon of ethics of your organization that if an editor or an owner of a newspaper or publisher of a newspaper were to find such an owner of a newspaper or publisher who was, in fact, using the editorial page, had an large vested personal interest, material interest, are there provisions in your organization to cover that kind of situation?"

Mr. Zimmerman: "We have certain canons of journalism and, hopefully, ethics that we try to follow but we are a group of the most independent, hardheaded, rather mixture of people like some in this body, and we have attempted at times to—well, we tend to speak our own language, but I would have to be the first to admit that with the independence shown by some, we have some bad apples like every organization. I would hope that they are brought to task within their own community when they get out of line."

Representatives Ehlers and McKibbin spoke in opposition to the amendment, and Representatives Hurley (George) and Amen spoke in favor of it.

On motion of Mr. Boldt, Representative Hawkins was granted an additional three minutes to speak on the question.

Representatives Hawkins and Douthwaite spoke against the amendment, and Representatives Pardini, Haley and Bond spoke in favor of it.

#### POINT OF INQUIRY

Mr. Hawkins yielded to question by Mr. Hughes.

Mr. Hughes: "A very serious concern was brought up by Representative Pardini. He has placed an innuendo in front of us that if this amendment is adopted, anybody who is in any way connected with the publication or presentation of an article is, in effect, going to be forced to disclose and I feel that might be in error. I would like you to address that, Representative Hawkins."

Mr. Hawkins: "Representative Pardini was describing a political committee and under the Public Disclosure Act, political committees already have to file. They not only have to file their affiliations, but they have to file their expenditures and contributions, so he was not defining a newspaper in the state of Washington."

#### POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Patterson.

Mr. Patterson: "Representative Pardini, who were you referring to in your comments?"

Mr. Pardini: "Under section 7 of the bill, Representative Patterson, it says, 'Any person,' not a political committee. I was referring to contractual arrangements in the public media which allows people to write syndicated newspaper columns, bi-line stories, make editorial comments on radio or television, beyond the control of the editor. I believe that section 7 would extend to that; would extend to labor publications, trade publications, anything along that line. I think they are all in section 7."

#### POINT OF INQUIRY

Mr. Pardini yielded to question by Ms. Becker.

Ms. Becker: "Are you reading section 7 in the committee amendment or the amendment that was adopted?"

Mr. Pardini: "I'm reading section 7 in the House Committee amendment."

Mr. Smith spoke against adoption of the amendment to the committee amendment, and Mr. Barnes closed debate, speaking again in favor of the amendment.

## ROLL CALL

## STATEMENT FOR THE JOURNAL

Because the question of the Journalist's Code of Ethics was asked me on the floor of the House by Representative Wayne Ehlers, I would like to include what I consider to be one of the finest statements on Journalism and one which I personally believe, written by Walter Williams, Dean of the School of Journalism, University of Missouri:

"I believe that the public journal is a public trust; that all connected with it are, to the full measure of their responsibility, trustees for the public; that acceptance of a lesser service than the public service is betrayal of this trust.

"I believe that clear thinking and clear statement, accuracy, and fairness, are fundamental to good journalism.

"I believe that a journalist should write only what he holds in his heart to be true.

"I believe that suppression of the news, for any consideration other than the welfare of society, is indefensible.

"I believe that no one should write as a journalist what he would not say as a gentleman; that bribery by one's own pocketbook is as much to be avoided as bribery by the pocketbook of another; that individual responsibility may not be escaped by pleading another's instructions or another's dividends.

"I believe that advertising, news and editorial columns should alike serve the best interests of readers; that a single standard of helpful truth and cleanness should prevail for all; that the supreme test of good journalism is the measure of its public service.

"I believe that the journalism which succeeds best—and best deserves success—fears God and honors man; is stoutly independent, unmoved by pride of opinion or creed of power, constructive, tolerant but never careless, self-controlled, patient, always respectful of its readers but always unafraid, is quickly indignant at injustice; is unswayed by the appeal of privilege or the clamor of the mob; seeks to give every man a chance, and, as far as law and honest wage and recognition of human brotherhood can make it so, and equal chance; is profoundly patriotic while sincerely promoting international good will and cementing world comradeship; is a journalism of humanity, of and for today's world."

HAL ZIMMERMAN, 17th District.

#### MOTION

Mr. King moved that the House immediately consider Engrossed Substitute Senate Bill No. 2268.

#### POINT OF PARLIAMENTARY INQUIRY

Mr. Greengo: "I wonder if the majority floor leader could be so kind as to inform the rest of the House membership as to what order these bills are going to be popping out of the hat, so that we might have a chance to go ahead and read the digest on what we are going to be talking about?"

The Speaker (Mr. Charnley presiding): "Your request is noted. We'll see if we can make that information available."

ENGROSSED SUBSTITUTE SENATE BILL NO. 2268, by Committee on State Government (Originally sponsored by Senators Bausch, Ridder and Talley):

Permitting OPP&FM to establish per diem rates.

The bill was read the second time.

Committee on Appropriations recommendation: Majority, do pass as amended. (For amendments, see Journal, 53rd Day ex. sess., May 2, 1977.)

\* On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2268 as amended by the House was placed on final passage.

Mr. Ehlers spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Amen.

Mr. Amen: "Representative Ehlers, could you tell us how much this will cost for the next biennium?"

Mr. Ehlers: "I'm afraid I don't know the exact amount of money. My understanding is that the digest apparently has in the neighborhood of \$10,900,000. The measure itself, of course, I believe was considered in the budget-making process by OPP&FM and whatever rate is set would have to be approved later on. In my understanding the rate is now thirteen cents and they are planning to go to fourteen cents next year. This would be absorbed by the agency, and the fiscal impact would be absorbed by various agencies. In many cases this was taken into consideration in the budget request."

Mr. Amen: "One further question. Do I understand you to say then, that this will not be in addition to what we have appropriated, that it will be absorbed by the agencies?"

Mr. Ehlers: "That's my understanding of it. Perhaps Representative Shinpoch could clarify."

Mr. Shinpoch: "Representative Amen, it is my understanding that the budget was built on fifteen cents a mile as an example, and that relative to the per diem that it was built to what would go from twenty-five to thirty and thirty-five to fifty for out of state, and those kinds of things. It is my understanding that that amount of money is in there now. In any event there is not additional money appropriated into this, so the only thing that could occur, if my understanding is correct, the only thing that could occur under this bill would be that they could use any savings that could accrue in order to provide that for the agencies."

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2268 as amended by the House, and the bill passed the House by the following vote: Yeas, 77; nays, 17; not voting, 4.

Voting yea: Representatives Amen, Bauer, Becker, Bender, Berentson, Blair, Boldt, Burns, Chandler, Charette, Charnley, Clemente, Conner, Deccio, Douthwaite, Ehlers, Enbody, Erak, Erickson, Fischer,

Fortson, Fuller, Gaines, Gallagher, Greengo, Grier, Grimm, Gruger, Haley, Hanna, Hansen, Heck, Hughes, Hurley G. S., Hurley M., Keller, Kilbury, King, Knedlik, Knowles, Kreidler, Lee, Lux, Lysen, Martinis, Maxie, May, McCormick, McKibbin, Nelson G. A., North, O'Brien, Pardini, Patterson, Pearsall, Polk, Pruitt, Salatino, Sanders, Sherman, Shinoda, Shipoch, Smith, Sommers, Struthers, Taller, Thompson, Tilly, Valle, Vrooman, Walk, Warnke, Whiteside, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Barnes, Barr, Bond, Clayton, Craswell, Dunlap, Eng, Fancher, Flanagan, Gilleland, Hawkins, Nelson D., Newhouse, Oliver, Paris, Schmitt, Zimmerman.

Not voting: Representatives Adams, Leckenby, Moreau, Owen.

Engrossed Substitute Senate Bill No. 2268 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

"Section 1. Section 1, chapter 122, Laws of 1973 1st ex. sess. and RCW 7.68.010 are each amended to read as follows:

It is the intent of the legislature of the state of Washington to provide a method of compensating and assisting (~~(those residents of the state who are)~~) innocent victims of criminal acts (~~(and)~~) who suffer bodily injury or death as a consequence thereof. To that end, it is the intention of the legislature to make certain of the benefits and services which are now or hereafter available to injured workmen under Title 51 RCW also available to innocent victims of crime as defined and provided for in this chapter.

Sec. 2. Section 2, chapter 122, Laws of 1973 1st ex. sess. as amended by section 1, chapter 176, Laws of 1975 1st ex. sess. and RCW 7.68.020 are each amended to read as follows:

(3) 'Victim' means a (~~(resident of the state)~~) person who suffers bodily injury or death as a proximate result of a criminal act of another person, the victim's own good faith and reasonable effort to prevent a criminal act, or his good faith effort to apprehend a person reasonably suspected of engaging in a criminal act. No right of action at law (~~(against a person who has committed a criminal act,))~~ for damages incurred as a consequence of (~~(such)~~) a criminal act(;) shall be lost as a consequence of (~~(receiving)~~) being entitled to benefits under the provisions of this chapter. In the event any person (~~(receiving)~~) entitled to benefits under this chapter additionally seeks a remedy for damages (~~(from the person or persons who have committed the criminal act resulting in damages)~~) incurred as a consequence of a criminal act, then and in that event the department shall be subrogated to the rights of such person to and have a lien upon any recovery so made to the extent of the (~~(payments made)~~) benefits paid or payable by the department to or on behalf of such person under this chapter.

#### SECOND READING

**SUBSTITUTE SENATE BILL NO. 2608**, by Committee on Judiciary (Originally sponsored by Senators Francis, Buffington and Marsh):

Revising laws relating to privacy of information about crimes and criminals.

The bill was read the second time.

Committee on Institutions recommendation: Majority, do pass as amended. (For amendments, see Journal, 61st Day ex. sess., May 10, 1977.)

On motion of Mr. Hanna, the committee amendments were adopted.

Mr. Hanna moved adoption of the following amendment by Representatives Hanna and Smith:

On page 6, after line 26 insert a new section to read as follows:

**"NEW SECTION.** Sec. 6. Criminal history record information which consists of nonconviction data only shall be subject to deletion from criminal justice agency files which are available and generally searched for the purpose of responding to inquiries concerning the criminal history of a named or otherwise identified individual when two years or longer have elapsed since the record became nonconviction data as a result of the entry of a disposition favorable to the defendant, or upon the passage of three years from the date of arrest or issuance of a citation or warrant for an offense for which a conviction was not obtained unless the defendant is a fugitive, or the case is under active prosecution according to a current certification made by the prosecuting attorney.

Such criminal history record information consisting of nonconviction data shall be deleted upon the request of the person who is the subject of the record: **PROVIDED, HOWEVER,** That the criminal justice agency maintaining the data may, at its option, refuse to make the deletion if:

(1) The disposition was a deferred prosecution or similar diversion of the alleged offender;

(2) The person who is the subject of the record has had a prior conviction for a felony or gross misdemeanor;

(3) The individual who is the subject of the record has been arrested for or charged with another crime during the intervening period.

Nothing in this chapter is intended to restrict the authority of any court, through appropriate judicial proceedings, to order the modification or deletion of a record in a particular case or concerning a particular individual or event."

Renumber the remaining sections consecutively.

Representatives Hanna and Eng spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Hanna yielded to question by Mr. Newhouse.

Mr. Newhouse: "Representative Hanna, would the diversion in subsection (1) include a diversion of a juvenile that we provided for in a bill that passed the House in which it was not required that he plead guilty, but that he could be diverted to some juvenile diversion program?"

Mr. Hanna: "I don't think this pertains, but I would like to refer that question to Representative Charette or Representative Smith. I think they would know the answer."

Mr. Smith: "This section of the bill only refers to criminal justice records, and by definition wouldn't apply to juvenile justice records."

#### POINT OF INQUIRY

Mr. Hanna yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Why is it necessary to wait two years after you have been declared innocent of something before your record will be erased?"

Mr. Hanna: "Well, for a couple of reasons. Usually going through court process takes up to a year and sometimes these matters are not settled until there has been a lengthy investigation, so two years would be a reasonable amount of time. I think you could argue that one year wasn't enough, but this was the amount of time the criminal justice agencies—the proponents of this amendment—tells us is right."

Mr. Douthwaite: "The language reads, '...two years or longer since the record became nonconviction data.' Does that mean after the court has found a person innocent that they would have to wait two years after that?"

Mr. Hanna: "Either that or they would not follow through on it at all. In other words it may be dropped. You may notice that further on in that paragraph it says, '...or upon the passage of three years from the date of arrest or issuance of the citation or warrant of arrest for an offense for which the conviction was not obtained unless the defendant is a fugitive or the case is under prosecution.' I guess what I'm trying to say is that it is an arbitrary time period, but that it is agreed upon by the various sides (the interest groups in this) as a reasonable period of time."

Mr. Douthwaite: "One more question, Representative Hanna: When it says that the data may be subject to deletion, does that mean that it is an order to erase it? What does that mean?"

Mr. Hanna: "That doesn't say that the law enforcement or other criminal agencies that have their own records for their own use have to be deleted. It means that any record that would be available to the public or to the media, would have to be deleted."

Mr. Douthwaite spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Hanna yielded to question by Mr. Charnley.

Mr. Charnley: "Representative Hanna, there is one other concern that I have. We have similar language to this in other areas dealing with criminal history. In that law it also states that the person must request to have the record taken off. Has there been some discussion in the past to making this automatic? Did your committee consider making this automatic? Do you have any knowledge of how people become aware that they have to ask? I'm concerned about them having it done and not knowing that they have to ask."

Mr. Hanna: "Well most people who would be in this situation would be represented by an attorney. The attorney's responsibility is to know these things. As far as the automatic deletion or expungement in all nonconviction cases, the reason that no one is advocating that is that the cost is pretty overwhelming. That has been seriously considered. It is worth further consideration, but you are talking about an awful lot of money and the advocates of deleting did not feel that it justifies that amount. There are a lot of things that people are suspected of, picked up for, that are not serious enough that they are really going to care if it is ever known or not. There are some cases where they care very much."

Mr. Charnley spoke in favor of the amendment.

The amendment was adopted.

Mr. Hanna moved adoption of the following amendment by Representatives Hanna, Becker, Hawkins, Salatino, Greengo and Hurley (George):

On page 9, beginning on line 21 strike all of section 12 and renumber the remaining sections consecutively.

Representatives Hanna and Becker spoke in favor of the amendment, and Representatives Newhouse, Zimmerman and Chandler spoke against it.

#### POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Nelson (Gary).

Mr. Nelson (Gary): "I'd like to have this cleared up now as to the confusion of which records would be open. The records on salaries, public assistance, and toll hot line fraud? Could you clear that up by explaining which ones would be open?"

Mr. Newhouse: "Yes, Representative Nelson, it is a very hazy situation right now because the public disclosure initiative did some peculiar things. Prior to that the Legislature could do one of two things: Say certain information that is required by law will be private or will be public or left a vague situation of no requirement in between. What the public disclosure law did was just say for those that are private they shall remain private and confidential—so it is vague. Now after the passage of the public disclosure law, it is my opinion that we can pass a law after the fact that says certain records are confidential and we have. We have some that are confidential. The others will be public and open to the public with the restrictions as outlined in this section, and I think this is a fair way to be, and understand that any records we require we can say, in addition, that they will be confidential."

Representatives Charette and Greengo spoke in favor of the amendment, and Mr. Oliver spoke against it.

#### POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Hanna.

Mr. Hanna: "I'm wondering why you went from solidly supporting this amendment to opposing it overnight? What exactly can't the media get in terms of information now that they need? What is it that's missing?"

Mr. Newhouse: "I did not change my position. I was not supporting or opposing it last night. What we are talking about here are public records. May I cite for you an example of a situation in Yakima now. A rather objectionable business—something about girls dancing for

forty dollars for twenty minutes—opened. The licensee had to have some references and they had to be on his license application and were. The city officials suddenly determined that information should not be given to the press. Under this law, you will recall, the newspapers could have sued the city to have them divulge that information, but if the newspaper had won, then the city would have had to pay the cost of the suit. Remember that law? Now to defend themselves from that possibility, the city themselves sued the newspaper to stop asking for that information so they wouldn't have to pay the newspapers' costs. The real point is, does the public have the right to know who the applicants for such a business are and who has been their references? This is the type of information that's involved."

Mr. Hurley (George) demanded the previous question and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Hanna and others to Substitute Senate Bill No. 2608, and the amendment was adopted by the following vote: Yeas, 59; nays, 29; not voting, 10.

Voting yea: Representatives Barnes, Bauer, Becker, Bender, Blair, Boldt, Charette, Charnley, Clemente, Conner, Ehlers, Enbody, Eng, Erak, Erickson, Fischer, Fortson, Fuller, Gallagher, Greengo, Grier, Grimm, Gruger, Hanna, Hansen, Hawkins, Heck, Hughes, Hurley G. Not voting: Representatives Adams, Berentson, Dunlap, Gaines, Leckenby, Polk, Shinpoch, Thompson, Tilly, and Mr. Speaker.

On motion of Mr. Hanna, the following amendment to the title was adopted:

On line 6 of the title after "43.43.810;" strike everything down to and including "42.17.260;" on line 8 of the title.

Substitute Senate Bill No. 2608 as amended by the House was passed to Committee on Rules for third reading.

Representatives Berentson, Polk and Tilly appeared at the bar of the House.

ENGROSSED SENATE BILL NO. 2282, by Senator Grant:

Simplifying reporting requirements for campaign treasurers.

The House resumed consideration of the bill on second reading. (For previous action, see yesterday's Journal, 75th Day ex. sess., May 24, 1977.)

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the committee amendment.

Mr. Newhouse moved adoption of the following amendment to the committee amendment: On page 13, line 39 strike all of section 8 and renumber the remaining sections consecutively.

Mr. Newhouse spoke in favor of the amendment, and Mr. Hawkins spoke against it.

Mr. Newhouse spoke again in favor of the amendment to the committee amendment, and Mr. Douthwaite spoke against it.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Newhouse to the committee amendment to Engrossed Senate Bill No. 2282, and the amendment was adopted by the following vote: Yeas, 48; nays, 43; not voting, 7.

Voting yea: Representatives Amen, Barnes, Barr, Berentson, Blair, Bond, Chandler, Charette, Clayton, Craswell, Deccio, Erak, Fancher, Flanagan, Fortson, Fuller, Gilleland, Greengo, Grier, Haley, Hansen, Hawkins, Hurley M., Kilbury, Knedlik, Knowles, Lee, McCormick, McKibbin, Nelson G. Not voting: Representatives Adams, Dunlap, Gaines, Leckenby, Shinpoch, Thompson, and Mr. Speaker.

## MOTION FOR RECONSIDERATION

Mr. Hawkins moved that the House reconsider the vote by which the amendment by Representative Newhouse to the committee amendment was adopted.

Mr. Hawkins spoke in favor of the motion, and Mr. Newhouse spoke against it.

Mr. Hawkins spoke again in favor of the motion, and Mr. Zimmerman spoke against it.

## POINT OF INQUIRY

Mr. Hawkins yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Representative Hawkins, can you tell us how many days a year the PDC has worked in recent periods—how demanding a job is it for them?"

Mr. Hawkins: "I can't answer that question in detail. I will say some of the five members attend much more often than the other five, specifically Mr. Harsh, who has been chairman of that commission."

Mr. Douthwaite spoke in favor of the motion to reconsider.

Mr. Pardini demanded the previous question and the demand was sustained.

Mr. Dunlap appeared at the bar of the House.

## ROLL CALL

The Clerk called the roll on the motion to reconsider the vote by which the Newhouse amendment to the committee amendment to Engrossed Senate Bill No. 2282 was adopted, and the motion was lost by the following vote: Yeas, 38; nays, 54; not voting, 6.

Voting yea: Representatives Bauer, Becker, Bender, Boldt, Burns, Charnley, Clemente, Conner, Douthwaite, Ehlers, Eng, Erickson, Fischer, Grimm, Gruger, Hanna, Hawkins, Heck, Hughes, Hurley G. Mr. Tilly moved adoption of the following amendment to the committee amendment:

On page 8 of the amendment after section 3 insert a new section as follows:

"Sec. 4. Section 6, chapter 1, Laws of 1973 as amended by section 4, chapter 294, Laws of 1975 1st ex. sess. and RCW 42.17.060 are each amended to read as follows:

(1) All monetary contributions received by a candidate or political committee shall be deposited by the campaign treasurer or deputy treasurer in a campaign depository in an account designated, 'Campaign Fund of . . . . . ' (name of candidate or political committee). No employer, public or private, or officer, director, manager, or official of any company, union, or association of any kind, or any other person acting on behalf of such individual, shall solicit or collect contributions as defined in RCW 42.17.020(8) from any employee or member for purposes of contributing to political candidates or political committees: PROVIDED, That nothing in this subsection shall prohibit an officer or official of a political party from soliciting or collecting contributions from any political party member for purposes of contributing to political candidates or political committees.

(2) All deposits made by a campaign treasurer or deputy campaign treasurer shall be accompanied by a statement containing the name of each person contributing the funds so deposited and the amount contributed by each person: PROVIDED, That contributions not exceeding ten dollars from any one person may be deposited without identifying the contributor. The statement shall be in ~~((triplicate))~~ duplicate, upon a form prescribed by the commission, ~~((one copy to be retained by the campaign depository for its records for the minimum term of three years,))~~ one copy to be filed by the campaign treasurer with the commission within ten days of the deposit, and one copy to be retained by the campaign treasurer for his records. In the event of deposits made by a deputy campaign treasurer, the ~~((third))~~ second copy shall be forwarded to the campaign treasurer to be retained by him for his records. Each statement shall be certified as correct by the campaign treasurer or deputy campaign treasurer making the deposit.

(3) Political committees which support or oppose more than one candidate or ballot proposition, or exist for more than one purpose, may maintain multiple separate bank accounts within the same designated depository for such purpose: PROVIDED, That each such account shall bear the same name followed by an appropriate designation which accurately identifies its separate purpose: AND PROVIDED FURTHER, That transfers of funds which must be reported under RCW 42.17.090(1)(d), as now or hereafter amended, may not be made from more than one such account.

(4) Nothing in this section shall prohibit a candidate or political committee from investing funds on hand in a campaign depository in bonds, certificates, or savings accounts or other similar savings instruments

in financial institutions other than the campaign depository: PROVIDED, That the commission is notified in writing of the initiation and the termination of the investment: PROVIDED FURTHER, That the principal of such investment when terminated together with all interest, dividends, and income derived from the investment are deposited in the campaign depository in the account from which the investment was made and properly reported to the commission prior to any further disposition or expenditure thereof.

If the donor cannot be ascertained, the contribution shall escheat to the state, and shall be paid to the state treasurer for deposit in the state general fund."

Renumber the remaining sections consecutively.

Mr. Tilly spoke in favor of the amendment to the committee amendment.

#### POINT OF ORDER

Mr. Hawkins: "Mr. Speaker, the subject, several of the subjects of this amendment, deal with the subject of campaign financing embodied in House Bill No. 810, and I wondered if that might be beyond the scope and object of this bill?"

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "It appears that this amendment, in the most part, is stated in the original bill from the Elections and Governmental Ethics Committee. On that basis, the Speaker will rule that it is in order."

Mr. Hawkins spoke against the amendment.

Representatives Shinpoch and Thompson appeared at the bar of the House.

Ms. Becker demanded an electric roll call vote on the amendment to the committee amendment, and the demand was sustained.

Representatives Deccio and Pardini spoke in favor of the amendment, and Representatives King and Hurley (George) spoke against it.

#### POINT OF INQUIRY

Mr. Tilly yielded to question by Mr. Greengo.

Mr. Greengo: "Representative Tilly, would this have any affect on those organizations that happen to have an educational mailing label, and then could beat the mail out of literature on behalf of a candidate using the mailing label, while their opponent would have to pay the full cost of postage? Does this address this at all?"

Mr. TILLY: "In my viewpoint, this would be a campaign contribution, and it would prevent that."

Mr. Tilly spoke again in favor of the amendment to the committee amendment.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Tilly to the committee amendment to Engrossed Senate Bill No. 2282, and the amendment was not adopted by the following vote: Yeas, 37; nays, 58; not voting, 3.

## SENATE AMENDMENTS TO HOUSE BILL

May 23, 1977

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 874 with the following amendments:

Strike everything after the enacting clause and insert:

"Section 1. Section 5, chapter 165, Laws of 1969 ex. sess. as last amended by section 1, chapter 198, Laws of 1973 1st ex. sess. and RCW 13.06.050 are each amended to read as follows:

No county shall be entitled to receive any state funds provided by this chapter until its application is approved, and unless and until the minimum standards prescribed by the department of social and health services are complied with and then only on such terms as are set forth hereafter in this section.

(1) A base commitment rate for each county and for the state as a whole shall be calculated by the department of social and health services. The base commitment rate shall be determined by computing the ratio of the number of juveniles committed to state juvenile correctional institutions plus the number of juveniles who have been convicted of felonies and committed to state correctional institutions after a juvenile court has declined jurisdiction of their cases and remanded them for prosecution in the superior courts, to the county population, such ratio to be expressed in a rate per hundred thousand population, for each of the calendar years 1964 through 1968. The average of these rates for a county for the five year period or the average of the last two years of the period, whichever is higher, shall be the base commitment rate, as certified by the secretary: PROVIDED, That, a county may elect as its base commitment rate the average of the base commitment rates of all counties in the state over the last two years of the period described above. The county and state population shall be that certified as of April 1st of each year by the office of program planning and fiscal management, such population figures to be provided to the secretary of social and health services not later than June 30th of each year.

(2) An annual commitment rate shall be calculated by the department at the end of each year for each participating county and for the state as a whole, in a like manner as provided in subsection (1). The annual commitment rate shall exclude commitments that fall within the high risk categories as defined by the department.

(3) The amount that may be paid to a county pursuant to this chapter shall be the ((~~actual~~)) standard cost of the operation of a special supervision program ((~~or four thousand dollars multiplied by the 'commitment reduction number', whichever is the lesser~~)) based upon workload standards established by the department. Payment shall not exceed five thousand dollars per commitment reduction. The 'commitment reduction number' is obtained by subtracting (a) the product of the most recent annual commitment rate and population of the county for the same year from (b) the product of the base commitment rate and population of the county for the same year employed in (a).

(4) The secretary ((~~of social and health services~~)) will reimburse a county upon presentation and approval of a valid claim pursuant to the provisions of this chapter based on actual performance in reducing the annual commitment rate from its base commitment rate. Whenever a claim made by a county pursuant to this chapter, covering a prior year, is found to be in error, an adjustment may be made on a current claim without the necessity of applying the adjustment to the allocation for the prior year.

(5) In the event a participating county earns in a payment period less than one-half of the sum paid in the previous payment period because of extremely unusual circumstances claimed by the county and verified by the secretary of the department of social and health services, the secretary may pay to the county a sum not to exceed actual program expenditures, provided, however, that in subsequent periods the county will be paid only the amount earned: PROVIDED, That the amendatory provisions of subsection (5) of this act may be applied to payment periods prior to May 20, 1971.

(6) If the amount received by a county in reimbursement of its expenditures in a calendar year is less than the maximum amount computed under subsection (3) above, the difference may be paid to the county as reimbursement of program costs during the next two succeeding years upon receipt of valid claims for reimbursement of program expenses.

(7) Funds received by participating counties under this chapter shall not be used to replace local funds for existing programs for delinquent juveniles or to develop county institutional programs.

(8) Any county averaging less than thirty commitments annually during either the two year or five year period used to determine the base commitment rate as defined in subsection (1) above may:

(a) apply for subsidies under subsection (1); or

(b) as an alternative, elect to receive from the state the salary of one full time additional probation officer and related employee benefits(;;); or

(c) elect to receive from the state the salary and related employee benefits of one full time additional probation officer and in addition, reimbursement for certain supporting services other than capital outlay and equipment whose total will not exceed a maximum limit established by the secretary of the department of social and health services; or

(d) elect to receive from the state reimbursement for certain supporting services other than capital outlay and equipment whose total cost will not exceed a maximum limit established by the secretary of the department of social and health services.

(9) In the event a county chooses one of the alternative proposals in subsection (8), it will be eligible for reimbursement only so long as the officer and supporting services are wholly used in the performance of probation services to supervision of persons eligible for state commitment and are paid the salary referred to in this section in accordance with a salary schedule adopted by rule of the department and:

(a) if its base commitment rate is below the state average, its annual commitment rate does not exceed the base commitment rate for the entire state; or

(b) if its base commitment rate is above the state average, its annual commitment rate does not in the year exceed by two its own base commitment rate.

(10) Where any county does not have a juvenile probation officer, but obtains such services by agreement with another county or counties, or, where two or more counties mutually provide probation services by agreement for such counties, then under such circumstances the secretary may make the computations and payments under this chapter as though the counties served with probation services were one geographical unit.

**NEW SECTION.** Sec 2. By January 1, 1978, the department of social and health services shall provide to the standing committees on ways and means and on social and health services of the state senate and to the standing committees on appropriations and on institutions of the house of representatives a report on the juvenile probation services in the state. Such report shall include, but not be limited to:

(1) A disposition of all juvenile probation officers by county;

(2) The number of juvenile probation officers provided with juvenile probation subsidy funds by county;

(3) A description of the full range of services provided under the juvenile probation subsidy program by county;

(4) The cost per child served by the program by county;

(5) An evaluation of the program by county; and

(6) An analysis of the application and impact of the 'banking' provision.

**NEW SECTION.** Sec. 3. This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1977."

In the title, strike everything after "juveniles;" and insert "providing probation and other services; amending section 5, chapter 165, Laws of 1969 ex. sess. as last amended by section 1, chapter 198, Laws of 1973 1st ex. sess. and RCW 13.06.050; creating a new section; declaring an emergency; and providing an effective date."

and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

In the computation of the tax, one-quarter of one percent of the net gallonage otherwise taxable shall be deducted by the distributor before computing the tax due, on account of the losses sustained through handling. Any person paying such excise tax who, in turn, sells or distributes such fuel to another, whether or not for use, shall include the tax as part of the selling price of the fuel. Any person thereafter paying a price for such fuel which includes an increment for the tax imposed hereunder, and who subsequently resells said fuel, shall include the increment so paid as part of the selling price of the fuel. The tax imposed hereunder shall be in addition to any other tax required by law, and shall not be imposed under circumstances in which the tax is prohibited by the

Constitution or laws of the United States. The tax herein imposed shall be collected and paid to the state but once in respect to any motor vehicle fuel. An invoice shall be rendered by a distributor to a purchaser for each distribution of motor vehicle fuel.

The proceeds of the ((nine cents)) motor vehicle fuel excise tax collected on the net gallonage after the deduction provided for herein and after the deductions for refunds and costs of collection as provided in RCW 46.68.090 as now or hereafter amended, shall be distributed as ((follows:

(1) Six and seven-eighths cents shall be distributed between the state, cities, counties, and Puget Sound ferry operations account in the motor vehicle fund under the provisions of RCW 46.68.090 and 46.68.100 as now or hereafter amended:

(2) Five-eighths of one cent shall be distributed to the state and expended pursuant to RCW 46.68.150.

(3) Five-eighths of one cent shall be paid into the motor vehicle fund and credited to the urban arterial trust account created by RCW 47.26.080.

(4) Three-eighths of one cent shall be paid into the motor vehicle fund and credited to the Puget Sound reserve account created by RCW 47.60.350.

(5) One-half cent shall be distributed to the cities and towns directly and allocated between them as provided by RCW 46.68.110, subject to the provisions of RCW 35.76.050. PROVIDED, That the funds allocated to a city or town which are attributable to such one-half cent of the additional tax imposed by this 1961 amendatory act shall be used exclusively for the construction, improvement and repair of arterial highways and city streets as those terms are defined in RCW 46.04.030 and 46.04.120, or for the payment of any municipal indebtedness which may be incurred after June 12, 1963 in the construction, improvement and repair of arterial highways and city streets as those terms are defined in RCW 46.04.030 and 46.04.120. The proceeds of the tax imposed by this section shall be distributed in the manner provided for the distribution of the motor vehicle fuel excise tax in RCW 82.36.020 as now or hereafter amended. However, a distributor licensed under the provisions of this chapter may deliver motor vehicle fuel to an importer in individual quantities of five hundred gallons or less and assume the liability for payment of the tax to this state. Under such conditions, the importer shall be exempt from the requirements of this section. For failure to comply with the terms of this chapter such person shall be subject to the same penalties imposed upon distributors. The director shall pursue against such persons the same procedure and remedies for audits, adjustments, collection, and enforcement of this chapter as is provided with respect to distributors. Nothing herein shall be construed as classifying such persons as distributors.

Sec. 4. Section 3, chapter 22, Laws of 1963 ex. sess. as amended by section 4, chapter 83, Laws of 1967 ex. sess. and RCW 82.37.030 are each amended to read as follows:

In consideration of the use of the public highways of this state, motor carriers who import motor vehicle fuel into the state of Washington in the fuel supply tank or tanks of commercial motor vehicles for use in propelling said vehicles on said highways shall be subject to a tax for such use of the highways as hereinafter provided. A tax at the rate ((of nine cents)) computed in the manner provided in section 6 of this 1977 amendatory act per gallon is hereby imposed upon every motor carrier measured and determined by the number of gallons of motor vehicle fuel so imported and actually used by such motor carrier in its operations within this state during the fiscal half-year for which such rate is applicable.

Sec. 5. Section 4, chapter 175, Laws of 1971 ex. sess. as last amended by section 1, chapter 62, Laws of 1975 1st ex. sess. and RCW 82.38.030 are each amended to read as follows:

(1) There is hereby levied and imposed upon special fuel users a tax ((of nine cents)) at the rate computed in the manner provided in section 6 of this 1977 amendatory act per gallon or each one hundred cubic feet of compressed natural gas measured at standard pressure and temperature on the use (within the meaning of the word use as defined herein) of special fuel in any motor vehicle ((PROVIDED, That in order to encourage experimentation with nonpolluting fuels, no tax shall be imposed upon the use of natural gas as herein defined or on liquefied petroleum gas, commonly called propane, which is used in any motor vehicle until July 1, 1977)) during the fiscal half-year for which such rate is applicable.

(2) Said tax shall be collected by the special fuel dealer and shall be paid over to the department as hereinafter provided: (a) With respect to all special fuel delivered by a special fuel dealer into supply tanks of motor vehicles or into storage facilities used for the fueling of motor vehicles at unbonded service stations in this state; or (b) in all other transactions where the purchaser indicates in writing to the special fuel dealer prior to or at the time of the delivery that the entire quantity of the special fuel covered by the delivery is for use by him for a taxable purpose as a fuel in a motor vehicle.

(3) Said tax shall be paid over to the department by the special fuel user as hereinafter provided: (a) With respect to special fuel upon which the tax has not previously been imposed which was acquired in any

manner other than by delivery by a special fuel dealer into a fuel supply tank of a motor vehicle in this state; or (b) in all transactions with a special fuel dealer in this state where a written statement has not been furnished to the special fuel dealer as set forth in subsection (2)(b) of this section.

It is expressly provided that delivery of special fuel may be made without collecting the tax otherwise imposed, when such deliveries are made by a bonded special fuel dealer to special fuel users who are authorized by the department as hereinafter provided, to purchase fuel without payment of tax to the bonded special fuel dealer.

**NEW SECTION.** Sec. 6. There is added to chapter 82.36 RCW a new section to read as follows:

(1) (a) During the fifth month of each fiscal half-year ending June 30th and December 31st of each year, the department of motor vehicles shall compute a motor vehicle fuel tax rate to the nearest one-half cent per gallon of motor vehicle fuel by multiplying twenty-one and one-half percent times the weighted average retail sales price of motor vehicle fuel, per gallon, sold within the state in the third month of such fiscal half-year. The department of motor vehicles shall determine the weighted average retail sales price of motor vehicle fuel by state-wide sampling and survey techniques designed to reflect such prices for the third month of such fiscal half-year. The department shall establish reasonable guidelines for its sampling and survey methods.

(b) Subject to provisions of subsections (2) and (3) of this section the excise tax rate computed in the manner provided in subsection (1) of this section shall apply to the sale, distribution, or use of motor vehicle fuel beginning the fiscal half-year following computation of the rate and shall remain in effect for each succeeding fiscal half-year until a subsequent computation requires a change in the rate. For the first fiscal half-year after the effective date of this 1977 amendatory act, the motor vehicle fuel tax shall be eleven cents per gallon.

(2) (a) The motor vehicle fuel tax rate for any fiscal half-year shall not exceed twelve cents per gallon nor exceed a rate as computed in this subsection.

(b) Each fiscal half-year at the time the department of motor vehicles computes the excise tax rate for the ensuing fiscal half-year of a biennium, the department shall estimate the total aggregate motor vehicle fuel tax revenues and the total of all other state revenues which will accrue to the motor vehicle fund during the full biennium. The estimated total aggregate motor vehicle fuel tax revenues for the biennium shall include those revenues which have accrued to the motor vehicle fund for the half-year or half-years of the biennium that have then elapsed plus revenues which the department determines will accrue during the remaining fiscal half-years of the biennium, assuming the sale, distribution, and use of motor vehicle fuel and special fuel within the state for the remaining fiscal half-years of the biennium shall be at the same volume as during the fiscal half-year last ended, adjusted however for the historic variations in sales, distribution, and use according to half-yearly periods and for projected trends, and at the weighted average retail sales price of motor vehicle fuel as last determined by the department of motor vehicles. The estimated total of all other state revenues to accrue to the motor vehicle fund during the biennium shall include those revenues (other than the aggregate motor vehicle fuel tax revenues) which have accrued to the motor vehicle fund for the half-year or half-years of the biennium that have then elapsed plus revenues which the department of highways with the concurrence of the office of program planning and fiscal management determines will accrue during the remaining fiscal half-years of the biennium, assuming that collections of such revenues for the remaining fiscal half-years of the biennium shall be at the same level as during the fiscal half-year just ended, adjusted however for historic variations in collections according to half-yearly periods and for projected trends, and shall include state revenues in the motor vehicle fund balance as of the end of the prior biennium as certified by the state treasurer, less an appropriate minimum balance for the biennium as determined by the department of highways with the concurrence of the office of program planning and fiscal management and the proceeds of the sale of bonds but shall not include reimbursements to the motor vehicle fund for services performed by the department of highways for others.

(c) If the estimated biennial aggregate motor vehicle fuel tax revenues as computed in paragraph (b) of this subsection, exceed the total of all appropriations, reappropriations, and transfers of state revenues from the motor vehicle fund for the biennium (less the estimated total of all other state revenues which will accrue to the motor vehicle fund during the biennium as computed in paragraph (b) of this subsection) by more than five percent thereof, the rate of the motor vehicle fuel tax (computed as provided in subsection (1) of this section) shall be reduced by one-half cent increments, commencing at the beginning of the ensuing fiscal half-year, as may be necessary to reduce such estimated total revenues for the full biennium to within the total of such appropriations, reappropriations, and transfers plus five percent thereof.

(3) (a) Notwithstanding any other provisions of this section the excise tax rate for any fiscal half-year shall not be less than nine cents per gallon nor less than the rate as computed in this subsection.

(b) Each fiscal half-year at the time the department of motor vehicles computes the excise tax rate for the ensuing fiscal half-year of a fiscal year, the department shall estimate the total aggregate motor vehicle fuel tax revenues which will accrue to the motor vehicle fund during such fiscal year in the same manner that such revenues are estimated for a full biennium. If such estimated aggregate motor vehicle fuel tax revenues for the fiscal year are less than an amount equal to the aggregate motor vehicle fuel tax revenues collected during the fiscal year ending June 30, 1973, increased by six percent per year compounded annually for each year which has elapsed from June 30, 1973, to June 30th of the fiscal year for which estimated aggregate motor vehicle fuel tax revenues were computed, the department shall increase the rate of the excise tax by one-half cent increments, but not to exceed a total excise tax of twelve cents per gallon, commencing at the beginning of the ensuing fiscal half-year as necessary to produce estimated aggregate motor vehicle fuel tax revenues for such fiscal year as great as such revenues collected during the 1973 fiscal year

increased by six percent per year compounded annually from June 30, 1973, to June 30th of the fiscal year for which such minimum half-yearly tax rate is being computed.

(4) (a) Except as otherwise provided in paragraph (b) of this subsection, if the department of highways receives notification that unanticipated federal funds in excess of one million dollars above appropriations of federal funds from the motor vehicle fund for a biennium will be received for expenditure during that biennium, the highway commission shall give notice of the amount of such unanticipated funds to the department of motor vehicles which shall include such amount in the computation of the estimated total of all other state revenues to accrue during the biennium under paragraph (b) of subsection (2) of this section for purposes of computing the maximum rate of motor vehicle fuel tax as provided in this section.

(b) Upon receipt by the department of highways of notification that unanticipated federal funds in excess of one million dollars above appropriations of federal funds from the motor vehicle fund for a biennium will be received for expenditure during that biennium, if the highway commission determines that such funds or any part thereof may not legally or operationally be substituted for purposes for which state motor vehicle fund moneys have been appropriated, or determines that substitution of such federal funds for state funds would delay the construction of needed highway improvements, the highway commission shall forthwith notify the governor and the standing committees on transportation of the house and senate of its determination. If both the governor and the standing committees concur in the commission's determination, the unanticipated federal funds shall not be considered by the department of motor vehicles in computing the estimated total of all other state revenues to accrue during the biennium under paragraph (b) of subsection (2) of this section.

Sec. 7. Section 35.77.010, chapter 7, Laws of 1965 as last amended by section 1, chapter 215, Laws of 1975 1st ex. sess. and RCW 35.77.010 are each amended to read as follows:

(1) (~~(Prior to July 1, 1968;)~~) The legislative body of each city and town, pursuant to one or more public hearings thereon, shall prepare and adopt a comprehensive street program for the ensuing six calendar years and shall file the same with the director of highways not more than thirty days after its adoption. Annually thereafter the legislative body of each city and town shall review the work accomplished under the program and determine current city street needs. Based on these findings each such legislative body prior to July 1st of each year shall prepare and after public hearings thereon adopt a revised and extended comprehensive street program, and each one year extension and revision shall be filed with the director of highways not more than thirty days after its adoption. The purpose of this section shall be to assure that perpetually each city and town shall have available advanced plans, looking to the future for not less than six years as a guide in carrying out a coordinated street construction program. Such program may at any time be revised by a majority of the legislative body of a city or town, but only after a public hearing.

The six year program of each city lying within an urban area shall contain a separate section setting forth the six year program for arterial street construction based upon its long range construction plan and formulated in accordance with regulations of the urban arterial board. The six year program for arterial street construction shall be submitted to the urban arterial board forthwith after its annual revision and adoption by the legislative body of the city. The six year program for arterial street construction shall be based upon estimated revenues available for such construction together with such additional sums as the legislative authority may request for urban arterials only from the urban arterial trust account for the six year period. The arterial street construction program shall provide for a more rapid rate of completion of the long range construction needs of major arterial streets than for secondary and collector arterial streets, pursuant to regulations of the urban arterial board; PROVIDED, That urban arterial trust funds made available to the group of incorporated cities lying outside the boundaries of federally approved urban areas within each region need not be divided between functional classes of arterials but shall be available for any designated arterial street.

(2) On and after July 1, 1976, each six year program forwarded to the director in compliance with subsection (1) of this section shall contain information as to how a city or town will expend its moneys, including funds made available pursuant to chapter 47.30 RCW, for bicycle, pedestrian, and equestrian purposes.

Sec. 8. Section 46.68.090, chapter 12, Laws of 1961 as last amended by section 74, chapter 32, Laws of 1967 and RCW 46.68.090 are each amended to read as follows:

All moneys which have accrued or may accrue to the motor vehicle fund from the motor vehicle fuel tax and ~~((use))~~ special fuel tax shall be first expended for the following purposes:

(1) For payment of refunds of motor vehicle fuel tax and ~~((use))~~ special fuel tax which has been paid and is refundable as provided by law;

(2) For payment of amounts to be expended pursuant to appropriations for the administrative expenses of the offices of state treasurer, state auditor, and the department of motor vehicles of the state of Washington in the administration of the motor vehicle fuel tax and the ~~((use))~~ special fuel tax, said sums to be distributed monthly.

The amount accruing to the motor vehicle fund by virtue of the motor vehicle fuel tax and the ~~((use))~~ special fuel tax and remaining after payments as provided in subsections (1) and (2) above shall, for the purposes of this chapter, be referred to as the 'net tax amount.'

Sec. 9. Section 46.68.100, chapter 12, Laws of 1961 as last amended by section 1, chapter 51, Laws of 1977 and RCW 46.68.100 are each amended to read as follows:

From the net tax amount in the motor vehicle fund there shall be paid monthly as funds accrue the following sums ((as follows)):

(1) ((There shall be paid to the cities and towns of the state sums equal to ten and forty-four hundredths percent of the net tax amount to be paid monthly as the same accrues;

(2) To the counties of the state there shall be paid sums equal to thirty-two and sixty-one hundredths percent of the net tax amount out of which there shall be distributed from time to time, as directed by the highway commission, those sums as may be necessary to carry out the provisions of RCW 47.56.725 as now or hereafter amended, with the balance of such county share to be distributed monthly as the same accrues for distribution in accordance with RCW 46.68.120;

(3) To the state there shall be paid to be expended as provided by RCW 46.68.130, sums equal to fifty-five and five-tenths percent of the net tax amount to be paid monthly as the same accrues.

(4) There shall be paid to the Puget Sound ferry operations account sums equal to one and forty-five hundredths percent of the net tax amount to be paid monthly as the same accrues)) To the cities and towns, to be distributed as provided by RCW 46.68.110, sums equal to six and ninety-two hundredths percent of the net tax amount;

(2) To the cities and towns, to be expended as provided by section 10 of this 1977 amendatory act, sums equal to four and sixty-one hundredths percent of the net tax amount;

(3) To the counties, sums equal to twenty-two and seventy-eight hundredths percent of the net tax amount out of which there shall be distributed from time to time, as directed by the highway commission, those sums as may be necessary to carry out the provisions of RCW 47.56.725, with the balance of such county share to be distributed monthly as the same accrues for distribution in accordance with RCW 46.68.120;

(4) To the urban arterial trust account in the motor vehicle fund, sums equal to seven and twelve hundredths percent of the net tax amount;

(5) To the state, to be expended as provided by RCW 46.68.130, sums equal to forty-five and twenty-six hundredths percent of the net tax amount;

(8) To the Puget Sound ferry operations account in the motor vehicle fund sums equal to three and fifteen hundredths percent of the net tax amount.

Nothing in this section or in RCW 46.68.090 as now or hereafter amended or 46.68.130 shall be construed so as to violate any terms or conditions contained in any highway construction bond issues now or hereafter authorized by statute and whose payment is by such statute pledged to be paid from any excise taxes on motor and special vehicle fuels.

**NEW SECTION.** Sec. 10. There is added to chapter 46.68 RCW a new section to read as follows:

The sums distributed to cities and towns as set forth in subsection (2) of RCW 46.68.100, as now or hereafter amended, shall be allocated between them as provided by RCW 46.68.110, subject to the provisions of RCW 35.76.050, to be used exclusively for the construction, improvement, and repair of arterial highways and city streets as those terms are defined in RCW 46.04.030 and 46.04.120, or for the payment of any municipal indebtedness which may be incurred after June 12, 1963, in the construction, improvement, and repair of arterial highways and city streets.

Sec. 11. Section 9, chapter 83, Laws of 1967 ex. sess. and RCW 46.68.150 are each amended to read as follows:

The ((proceeds of five-eighths of one cent of motor vehicle fuel tax and use fuel tax) sums distributed to the state pursuant to RCW ((82.36.020(2), after proper deductions for refunds and costs of collection as provided in RCW 46.68.090)) 46.68.100(6) as now or hereafter amended, and the proceeds of bonds issued and sold pursuant to RCW 47.26.400 through 47.26.407 shall be expended by the state highway commission for construction and improvement of state highways in urban areas as provided for in RCW 47.26.040 through 47.26.070 or for payment of principal and interest on bonds issued pursuant to RCW 47.26.400 through 47.26.407: PROVIDED, That at the end of each fiscal quarter the state treasurer shall determine the amount, if any, that the sums distributed to the state pursuant to RCW 46.68.100(6) as now or hereafter amended exceed an amount equivalent to the proceeds of five-eighths of one cent motor vehicle and special fuel excise tax collected on the net gallonage after the deductions provided for in RCW 82.36.020 for the preceding fiscal quarter. The amount so ascertained shall be available first to repay the counties, cities, and towns for any moneys derived from excise taxes on motor vehicle and special fuels distributable to the counties, cities, and towns pursuant to RCW 46.68.100 but as a result of the pledge and debt service payment provisions contained in RCW 47.26.404 and 47.26.405 and as certified by the state finance committee have been used to repay state urban bonds (and interest thereon) authorized by RCW 47.26.400 through 47.26.407, and after such sums have been repaid in full, then for expenditure as provided in RCW 46.68.130.

Sec. 12. Section 10, chapter 83, Laws of 1967 ex. sess. as amended by section 1, chapter 253, Laws of 1975 1st ex. sess. and RCW 47.26.040 are each amended to read as follows:

The term "urban area" means every area of this state designated as an urban area by the state highway commission with the approval of the federal ((department of the)) secretary of transportation ((or the federal highway administrator)) in accordance with federal law, hereafter referred to as federally approved urban areas, or areas within incorporated cities ((as determined by the office of program planning and fiscal management)).

Sec. 13. Section 24, chapter 83, Laws of 1967 ex. sess. as amended by section 2, chapter 253, Laws of 1975 1st ex. sess. and RCW 47.26.180 are each amended to read as follows:

Arterial designation and classification, as provided for by this chapter, shall be required to be an integral and coordinated portion of its planning process as authorized by chapters 35.63 or 36.70 RCW. The legislative authority of each county and city lying within or having within its boundaries an urban area shall with the advice and assistance of its chief engineer and its planning office divide all of its roads or streets into arterial roads or streets and access roads or streets and shall further subdivide the arterials into three functional classes to be known as major arterials, secondary arterials, and collector arterials, all in accordance with uniform standards established by the urban arterial board; PROVIDED, That incorporated cities lying outside federally approved urban areas shall not be required to subdivide arterials into functional classes. Upon receipt of the classification plans of the several counties and cities, the urban arterial board shall review and revise the classification for the urban arterials as necessary to conform with its uniform standards for classifying urban arterials.

Sec. 14. Section 25, chapter 83, Laws of 1967 ex. sess. as last amended by section 2, chapter 126, Laws of 1973 1st ex. sess. and RCW 47.26.190 are each amended to read as follows:

~~((Once each calendar quarter, the urban arterial board shall apportion funds credited to the urban arterial trust account, including the proceeds from motor vehicle fuel tax revenues, bond sales, anticipatory notes and interfund loans, which are available for the construction and improvement of urban arterials among))~~ (1) At the beginning of each biennium the urban arterial board shall establish apportionment percentages for the five regions defined in RCW 47.26.050 in the manner prescribed in RCW 47.26.060 ((relating to the apportionment of state urban funds)) for that biennium, except calculations of needs shall be based upon a projection of needs for the ensuing six year period as determined by the state highway commission. Except as otherwise provided in subsection (3) of this section, such apportionment percentages shall be used once each calendar quarter by the urban arterial board to apportion funds credited to the urban arterial trust account which are available for expenditure for urban arterial projects. The funds so apportioned shall remain apportioned until expended on construction projects in accordance with rules and regulations of the urban arterial board.

(2) All amounts credited to the urban arterial trust account, except those provided for in subsection (3) of this section and except proceeds from the sale of first authorization bonds and any funds that may be required to repay such bonds or the interest thereon when due, after apportionment to each region, shall be divided on the basis of relative population established at the beginning of each biennium by the office of program planning and fiscal management between (a) the group of cities and that portion of those counties within federally approved urban areas and (b) the group of incorporated cities outside the boundaries of federally approved urban areas. Within each region, funds divided between the groups identified under (a) and (b) above shall then be allocated by the urban arterial board to incorporated cities and counties, as the case may be, for the construction of specific urban arterial projects in accordance with the procedures set forth in RCW 47.26.240.

(3) At the beginning of each biennium the urban arterial board shall establish apportionment percentages for each of the five regions for the apportionment of the proceeds from the sale of fifteen million dollars of series II bonds authorized by RCW 47.26.420, as now or hereafter amended, in the ratio which the population of the incorporated cities and towns lying outside the boundaries of federally approved urban areas of each region bears to the total population of all incorporated cities and towns of the state lying outside the boundaries of federally approved urban areas, as such populations are determined at the beginning of each biennium by the office of program planning and fiscal management. Such apportionment percentages shall be used once each calendar quarter by the urban arterial board to apportion funds credited to the urban arterial trust account which are available for expenditure for urban arterial projects. The funds so apportioned shall remain apportioned until expended on construction projects in accordance with rules and regulations of the urban arterial board. Funds apportioned to each region shall be allocated by the urban arterial board to incorporated cities lying outside the boundaries of federally approved urban areas, for the construction of specific urban arterial projects in accordance with the procedures set forth in RCW 47.26.240.

Sec. 15. Section 30, chapter 83, Laws of 1967 ex. sess. and RCW 47.26.240 are each amended to read as follows:

Upon receipt of a county's or city's revised six year program, the urban arterial board as soon as practicable shall review and may revise the construction program as it relates to urban arterials for which urban arterial trust account moneys are requested as necessary to conform to (1) the priority rating of the proposed project, based upon the factors in RCW 47.26.220, in relation to proposed projects in all other urban arterial construction programs submitted by the cities and counties ((in the same region)), and within each region, projects proposed by the group of cities and counties within federally approved urban areas shall be evaluated separately from the projects proposed by the group of incorporated cities outside the boundaries of federally approved urban areas; and (2) the amount of urban arterial trust account funds which the urban arterial board estimates will be apportioned to the region, and further divided between the group of cities and counties within federally approved urban areas and the group of incorporated cities outside the boundaries of federally approved urban areas, in the ensuing six year period.

Sec. 16. Section 33, chapter 83, Laws of 1967 ex. sess. and RCW 47.26.270 are each amended to read as follows:

Counties and cities receiving funds from the urban arterial trust account for construction of arterials shall provide such matching funds as shall be established by regulations recommended by the urban arterial board subject to review, revision, and final approval by the state highway commission. Matching requirements shall be established after appropriate studies by the board taking into account (1) financial resources available to counties and cities to meet arterial needs, (2) the amounts and percentages of funds available for

road or street construction traditionally expended by counties and cities on arterials, (3) in the case of counties, the relative needs of arterials lying outside urban areas, and (4) the requirements necessary to avoid diversion of funds traditionally expended for arterial construction to other street or road purposes or to nonhighway purposes: PROVIDED HOWEVER, That for projects funded subsequent to the effective date of this 1977 amendatory act, and prior to July 1, 1983, cities and counties may use as matching funds any moneys received from any source, except such moneys which by law may not be used for the purposes set forth in this chapter.

Sec. 17. Section 41, chapter 83, Laws of 1967 ex. sess. and RCW 47.26.405 are each amended to read as follows:

Any funds required to repay such bonds, or the interest thereon when due (~~(subject to the proviso of this section;)~~) shall be taken from that portion of the motor vehicle fund which results from the imposition of excise taxes on motor vehicle and special fuels and which is distributed to the state under the provisions of RCW ~~((82.36.020(2)))~~ 46.68.100(6) as now or hereafter amended for construction of state highways in urban areas, and shall never constitute a charge against any allocations of any other such funds to the state, counties, cities, and towns unless and until the amount of the motor vehicle fund arising from the excise taxes on motor vehicle and special fuels and available to the state for construction of state highways in urban areas proves insufficient to meet the requirements for bond retirement or interest on any such bonds.

Sec. 18. Section 45, chapter 83, Laws of 1967 ex. sess. as amended by section 4, chapter 169, Laws of 1973 1st ex. sess. and RCW 47.26.420 are each amended to read as follows:

In order to provide funds necessary to meet the urgent construction needs on county and city arterials within urban areas, there ~~((shall be issued and sold))~~ are hereby authorized for issuance general obligation bonds of the state of Washington, the first authorization of which shall be in the sum of two hundred million dollars ~~((or such amount thereof)),~~ and the second authorization of which, to be known as series II bonds, shall be in the sum of sixty million dollars which shall be issued and sold in such amounts and at such times as determined to be necessary by the state highway commission. The amount of such bonds issued and sold under the provisions of RCW 47.26.420 through 47.26.427 in any biennium shall not exceed the amount of a specific appropriation therefor, from the proceeds of such bonds, for the construction of county and city arterials in urban areas. The issuance, sale, and retirement of said bonds shall be under the supervision and control of the state finance committee which, upon request being made by the state highway commission, shall provide for the issuance, sale, and retirement of coupon or registered bonds to be dated, issued, and sold from time to time in such amounts as shall be requested by the state highway commission.

Sec. 19. Section 49, chapter 83, Laws of 1967 ex. sess. as amended by section 6, chapter 169, Laws of 1973 1st ex. sess. and RCW 47.26.424 are each amended to read as follows:

Bonds issued under the provisions of RCW 47.26.420 through 47.26.427 shall distinctly state that they are a general obligation of the state of Washington, shall pledge the full faith and credit of the state to the payment of the principal thereof and the interest thereon, and shall contain an unconditional promise to pay such principal and interest as the same shall become due. The principal and interest on such bonds shall be first payable in the manner provided in RCW 47.26.420 through 47.26.427 from the proceeds of state excise taxes on motor vehicle and special fuels imposed by chapters 82.36 ((RCW and chapter 82.40)), 82.37, and 82.38 RCW. The proceeds of such excise taxes are hereby pledged to the payment of any bonds and the interest thereon issued under the provisions of RCW 47.26.420 through 47.26.427, and the legislature hereby agrees to continue to impose the same excise taxes on motor vehicle and special fuels in amounts sufficient to pay, when due, the principal and interest on all bonds issued under the provisions of RCW 47.26.420 through 47.26.427.

Sec. 20. Section 50, chapter 83, Laws of 1967 ex. sess. and RCW 47.26.425 are each amended to read as follows:

Any funds required to repay ~~((such))~~ the first authorization of two hundred million dollars of bonds authorized by RCW 47.26.420, as amended by section 18 of this 1977 amendatory act or the interest thereon when due, ~~((subject to the proviso of this section;))~~ shall be taken from that portion of the motor vehicle fund which results from the imposition of excise taxes on motor vehicle and special fuels and which is distributed to the urban arterial trust account in the motor vehicle fund, and shall never constitute a charge against any allocations of any other such funds in the motor vehicle fund to the state, counties, cities, and towns unless and until the amount of the motor vehicle fund arising from the excise tax on motor vehicle and special fuels and distributed to the urban arterial trust account proves insufficient to meet the requirements for bond retirement or interest on any such bonds.

NEW SECTION. Sec. 21. There is added to chapter 47.26 RCW a new section, to be codified as RCW 47.26.4251 and to become a part of the series of RCW sections 47.26.420 through 47.26.427, to read as follows:

Any funds required to repay the authorization of series II bonds authorized by RCW 47.26.420, as amended by section 18 of this 1977 amendatory act, or the interest thereon when due, shall be taken from that portion of the motor vehicle fund which results from the imposition of excise taxes on motor vehicle and special fuels imposed by chapters 82.36, 82.37, and 82.38 RCW and which is distributed to the urban arterial trust account in the motor vehicle fund, subject, however, to the prior lien of the first authorization of bonds authorized by RCW 47.26.420, as amended by section 18 of this 1977 amendatory act. If the moneys distributed to the urban arterial trust account shall ever be insufficient to repay the first authorization bonds together with interest thereon, and the series II bonds or the interest thereon when due, the amount required to make such payments on such bonds or interest thereon shall next be taken from that portion of the motor vehicle fund which results from the imposition of excise taxes on motor vehicle and special fuels and which is

distributed to the state, counties, cities, and towns pursuant to RCW 46.68.100 as now or hereafter amended. Any payments on such bonds or interest thereon taken from motor vehicle or special fuel tax revenues which are distributable to the state, counties, cities, and towns, shall be repaid from the first moneys distributed to the urban arterial trust account not required for redemption of the first authorization bonds or series II bonds or interest on said bond issues.

Sec. 22. Section 14, chapter 83, Laws of 1967 ex. sess. and RCW 47.26.080 are each amended to read as follows:

There is hereby created in the motor vehicle fund the urban arterial trust account. All moneys deposited in the motor vehicle fund to be credited to the urban arterial trust account shall be expended for the construction and improvement of city arterial streets and county arterial roads within urban areas, for expenses of the urban arterial board, or for the payment of principal or interest on bonds issued for the purpose of constructing or improving city arterial streets and county arterial roads within urban areas, or for reimbursement to the state, counties, cities, and towns in accordance with section 21 of this 1977 amendatory act, the amount of any payments made on principal or interest on urban arterial trust account bonds from motor vehicle or special fuel tax revenues which were distributable to the state, counties, cities, and towns.

**NEW SECTION.** Sec. 23. If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION.** Sec. 24. This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect on July 1, 1977, except for section 9, which shall take effect on September 1, 1977."

Mr. Knowles spoke in favor of the motion, and Mr. Newhouse spoke against it.

Mr. Bender demanded a Call of the House and the demand was sustained.

## CALL OF THE HOUSE

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Adams, Dunlap, Eng, Erickson, Fancher, Leckenby, Warnke and Winsley.

On motion of Mr. King, the absent members were excused, and the House proceeded with business under the Call of the House.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion by Mr. Knowles to rerefer Engrossed Senate Bill No. 2159 to the Committee on Judiciary.

Mr. Oliver spoke against the motion, and Mr. Smith spoke in favor of it.

## POINT OF ORDER

Mr. Newhouse: "I recognize that the issue is wide open, but the gentleman is not talking to the bill or to the motion to send back to committee. He's talking about a committee amendment that is not before us."

## SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Reed's Rule 120 states as follows: 'The motion to commit is debatable, but the merits of the main question are not open to discussion on this motion. . . .' However, in this case the Speaker has been lenient on both sides. I would hope, Representative Smith, that you would adhere as closely as possible to the motion to rerefer Engrossed Senate Bill No. 2159 to Committee on Judiciary."

Mr. Smith continued his remarks in favor of the motion, and Mr. Knowles spoke again in favor of it.

## ROLL CALL

The Clerk called the roll on the motion to rerefer Engrossed Senate Bill No. 2159 to Committee on Judiciary.

## POINT OF ORDER

Mr. Ehlers: "I believe the machine malfunctioned because we are under the Call of the House, and I am not recorded."

The Speaker (Mr. O'Brien presiding): "Due to some conflict here and some dispute, we'll ask for a new roll call."

## POINT OF ORDER

Mr. Newhouse: "Mr. Speaker, I would like the record to show that at the time the Speaker stopped the roll call machine, Representative Ehlers was voting and was probably in the process of switching his vote; that he was at his chair, and that he was voting at the time the machine was stopped. Therefore, he was voting and the votes are final. We should not allow this type of playing around with our roll call machine."

## POINT OF ORDER

Mr. King: "Mr. Speaker, the instructions given by a member of the minority are pure conjecture. They are, in effect, impugning the motives of a member of this body."

## POINT OF ORDER

Mr. Pardini: "Mr. Speaker, my point of order is that once an electric roll call is started, it cannot be interrupted. I suggest that we conclude the preceding roll call by instructing Representative Ehlers to insert a statement in the Journal as to which way he wants to vote. The vote has not been announced. The vote is still in process. If Representative Ehlers' vote is not recorded, we should not interrupt the roll call; he should place a statement in the Journal."

## POINT OF ORDER

Mr. Ehlers: "Mr. Speaker, I don't suggest that Representative Newhouse was impugning my motives because I don't know that Representative Newhouse knows which way I was voting—he said I was voting. How did he know which way I was voting?"

## POINT OF ORDER

Mr. Polk: "Since the roll call is still underway, how does Mr. Ehlers vote? We now know how the rest of the House members voted. How does Mr. Ehlers vote? The rules require that every member vote who is in the bar of the House and since we are still on this roll call, I think Mr. Ehlers should be instructed to vote."

## SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Due to the malfunctioning of the electric roll call machine, the Clerk will start a new roll call."

## ROLL CALL

The Clerk called the roll on the motion to rerefer Engrossed Senate Bill No. 2159 to Committee on Judiciary and the motion was lost by the following vote: Yeas, 45; nays, 45; not voting, 8.

Representatives Zimmerman, Polk, Deccio and Oliver spoke in favor of passage of the bill, and Representatives Knedlik, Smith and Kilbury spoke against it.

## POINT OF INQUIRY

Mr. Knowles yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "I think the allegations made by Representative Polk should be answered. It sounds to me from what he says, that there is an opportunity for a shakedown to be conducted here. That is probably not the proper term, but—. What are the chances for someone in Mr. Polk's position, an architect or an engineer or a doctor, in such an event? Can you describe what the present law does provide here to protect one from this kind of a malicious harassment?"

Mr. Knowles: "That is very difficult to answer, Representative Douthwaite. I presume to prepare his defenses, hire his attorney, and present his defenses, just like any of the rest of us would have to do."

Representatives Douthwaite and Hurley (George) spoke against passage of the bill, and Mr. Barnes spoke in favor of it.

Mr. Knowles demanded the previous question, and the demand was sustained.

## POINT OF INQUIRY

Mr. Burns yielded to question by Mr. Greengo.

Mr. Greengo: "I noticed in reading the digest of the bill, that not only does it apply to the alien, but to all of their children. Is that right?"

Mr. Burns: "That is correct."

Mr. Greengo: "Well then it applies to a considerably greater number. In fact, many times that number of who are actually attending a particular college or university. Is that right?"

Mr. Burns: "Yes, Representative Greengo, you are right, it could, but at the present time there are only two people who are affected by the bill who are enrolled in the University of Washington."

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2113 as amended by the House, and the bill passed the House by the following vote: Yeas, 75; nays, 5; not voting, 18.

Voting yea: Representatives Bauer, Becker, Bender, Blair, Boldt, Bond, Burns, Charette, Charnley, Clayton, Clemente, Conner, Craswell, Deccio, Douthwaite, Ehlers, Enbody, Erak, Fischer, Flanagan, Fortson, Gaines, Gallagher, Gilleland, Grier, Grimm, Gruger, Hansen, Hawkins, Heck, Hughes, Hurley G. S., Hurley M., Keller, Kilbury, King, Knedlik, Knowles, Kreidler, Lux, Lysen, Maxie, May, McCormick, McKibbin, Nelson D., Nelson G. A., Newhouse, North, O'Brien, Oliver, Owen, Pardini, Paris, Pearsall, Polk, Pruitt, Salatino, Sanders, Schmitt, Sherman, Shinoda, Smith, Tally, Thompson, Tilly, Valle, Vrooman, Walk, Warnke, Whiteside, Williams, Wilson, Zimmerman, and Mr. Speaker.

Mr. Thompson spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Tilly.

Mr. Tilly: "Representative Thompson, might I just relieve a question in my own mind. Does this new bill mandate that for a district over fifteen million that they automatically get this \$500 a month, or do they have to pass a resolution increasing this salary amount?"

Mr. Thompson: "My understanding, Representative Tilly, is that it would require positive action by the board to obtain this salary."

Mr. Tilly: "More than just the statute?"

Mr. Thompson: "We are not establishing salaries. It would require action by the district."

#### POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Blair.

Mr. Blair: "Under the formula, Representative Thompson, that permits salary increases based on the growth of business, if you will, of the PUD, you've established that \$500 per month would be an equitable salary for an enterprise that handles \$15 million per year worth of activity. Did I understand you correctly?"

Mr. Thompson: "Gross operating revenues of over \$15 million."

Mr. Blair: "Did you extrapolate that same formula to the Washington State Legislature with its approximately \$4 billion per biennium in revenues, and if so, what kind of salary should the members of the Legislature be receiving?"

Mr. Thompson: "There is certain equity in the suggestion you're making here, Representative Blair, and although it hadn't occurred to us before, I think that it would be simple to incorporate into an interim study that the Local Government Committee plans to take up on district salaries generally, to bring about some equity."

## ROLL CALL

Voting yea: Representatives Amen, Barr, Bauer, Becker, Bender, Berentson, Blair, Boldt, Bond, Burns, Chandler, Charette, Charnley, Clayton, Clemente, Conner, Craswell, Deccio, Douthwaite, Dunlap, Ehlers, Enbody, Erak, Fischer, Flanagan, Fortson, Fuller, Gaines, Gallagher, Gilleland, Greengo, Grier, Grimm, Gruger, Hansen, Hawkins, Heck, Hughes, Hurley G. Representatives Blair and Charnley spoke in favor of the amendments, and Representatives Schmitt, Valle and Barr spoke against them.

Mr. Blair spoke again in favor of the amendments.

POINT OF INQUIRY

Mr. Blair yielded to question by Mr. Hughes.

Mr. Hughes: "Representative Blair, there is some concern on the part of some of the members of the Ecology Committee that technically this amendment may present a problem. If the amendment was adopted, the decision to condition or deny a permit under SEPA would be appealable to the local legislative authority or appealable pursuant to appeal by that authority. Does the amendment say who would determine the route the appeal would take? Does it leave that question open to court interpretation?"

Mr. Blair: "My belief is that the route would be selected by the local legislative body. That was the intent of my amendment and if I have been too brief, then I am sorry, but certainly what I intended was that the local legislative body would be the determining group that would determine the route that was to be followed."

The amendments were not adopted.

Engrossed Substitute Senate Bill No. 2654 as amended by the House was passed to Committee on Rules for third reading.

SUBSTITUTE SENATE BILL NO. 2811, by Committee on Education (Originally sponsored by Senator McDermott):

On page 2, line 19 after section 1 insert the following new sections:

\***NEW SECTION.** Sec. 2. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.58 RCW a new section to read as follows:

Every school district in carrying out its other powers and duties as provided by law, shall if such tests or services are unavailable in the private school in which the student is regularly enrolled:

(1) Provide hearing tests, visual tests and other health services, as well as standardized academic achievement tests to all students enrolled in a private school located within a school district, when such tests and/or services are provided to public school students in such districts: PROVIDED, HOWEVER, That such health services shall not include psychological testing, diagnosis or treatment.

(2) In the case of any testing or services authorized under subsection (1) of this section not requiring administration by specialized personnel, provided for such testing and services to be performed by personnel of the private school.

(3) In the case of any testing or services authorized under subsection (1) of this section, provide such tests and services on the premises of the school in which the student is normally considered a full time student, including private school premises. The superintendent of public instruction shall recognize the costs to each school district occasioned by the testing and/or services provided for students authorized by this section and shall reimburse such costs to each school district in accordance with the following weighting schedule:

(a) Costs attributable to staff experience and professional preparation; and

(b) Costs to state and local funds attributable to the operation of approved educational programs arising as a result of a concentration of culturally disadvantaged students, or as a result of a high degree of transient enrollment;

(c) Costs resulting from the operation of small school plants within districts: PROVIDED, That such plants are judged by the state board of education as remote and necessary;

(d) Costs differentials attributable to the operation of approved elementary and secondary programs;

(e) Costs which must be incurred to operate an approved vocational program;

(f) Costs resulting from the attendance of students who:

(i) Do not reside within the servicing school district: PROVIDED, That nothing within this provision shall be construed as affecting the reimbursement procedures in RCW 28A.44.040;

(ii) Reside in any home or institution devoted to providing a home for dependent or otherwise referred or entrusted children: PROVIDED, Such home or institution is exempt from taxation under the laws of the state of Washington; or

(iii) Constitute at least three percent of the student enrollment within the district and who reside within the servicing district on property of either the state, its political subdivisions, or any municipal corporation.

**NEW SECTION. Sec. 3.** There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.41 RCW a new section to read as follows:

Notwithstanding any other provision of law, parents, guardians or custodians of students in any private school may designate any individual to arrange any interschool transfer and/or the providing of ancillary services under this section for students of private schools located within a school district, and the board of directors of the school district shall recognize such individual for such purpose."

#### POINT OF ORDER

Mr. Ehlers: "I believe that the rule applies about bills still in the House that are the exact subject matter."

Mr. Speaker (Mr. O'Brien presiding): "To which bill are you referring?"

Mr. Ehlers: "House Bill No. 637, I believe."

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Representative Ehlers, in respect to your point of order, apparently there are differences to this amendment that exclude it from the rule that you are citing relative to House Bill No. 637. There are some variances there and the amendment is not identical to the bill."

Mr. Ehlers: "Mr. Speaker, could you be a little more precise about what differences?"

The Speaker (Mr. O'Brien presiding): "If you refer to House Bill No. 637, you'll see where the proviso differs. Apparently the intent—take a look at it and compare it."

#### POINT OF ORDER

Mr. Charette: "Mr. Speaker, I raise the question of scope and object. Substitute Senate Bill No. 2811 is an act dealing with public education, and this amendment pertains to private schools. I don't believe that it is within the scope and object of the title as defined."

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Representative Charette, your point of order is well taken. Substitute Senate Bill No. 2811 pertains to accounts of members of associated student body programs, and the amendment offers testing related to private schools, and certain other services—health services, and so I am going to rule that the amendment is out of order."

The Clerk read the following amendment by Representative Becker:

On page 2, after line 19 insert the following:

**"NEW SECTION. Sec. 2.** If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provisions to other persons or circumstances is not affected."

With the consent of the House, Ms. Becker withdrew the amendment.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Substitute Senate Bill No. 2811 was placed on final passage.

Representatives Clemente, Charette and Nelson (Gary) spoke in favor of passage of the bill.

#### MOTION FOR RECONSIDERATION

Mr. Pardini, having voted on the prevailing side, moved that the House immediately reconsider the vote by which ENGROSSED SENATE BILL NO. 2159 failed to pass the House.

Mr. Pardini spoke in favor of the motion.

#### POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Knedlik.

Mr. Knedlik: "Representative Pardini, you said that you are moving for immediate reconsideration, and I wonder if you really mean that or if you are going to play some games with us after you convince us to vote with you on this?"

Mr. Pardini: "Representative Knedlik, any time that I move for reconsideration, I've always stated my purposes very clearly. On a reconsideration vote the other day I said that the purpose was to hold the bill on the calendar for another day. It is my intention to go immediately to reconsideration. There are no games being played on a bill of this magnitude."

Mr. Smith spoke against the motion.

#### ROLL CALL

The Clerk called the roll on the motion that the House reconsider the vote by which Engrossed Senate Bill No. 2159 failed to pass the House, and the motion was carried by the following vote: Yeas, 50; nays, 41; not voting, 7.

Committee on Education recommendation: Majority, do pass as amended. (For amendments, see Journal, 57th Day ex. sess., May 6, 1977.)

Mr. Clemente moved adoption of the committee amendment, and spoke in favor of it.

#### POINT OF INQUIRY

Mr. Clemente yielded to question by Mr. Amen.

Mr. Amen: "This is a very short bill now. All it does is strike 28A.67.020 and insert 28A.67.030. What is the difference between those two? It says any person teaching school in violation of RCW 28A.67.020, and now it says, '... shall be guilty of a misdemeanor', and it strikes and says, '28A.67.030'. What is the difference between those two RCW's?"

Mr. Clemente: "That is our present RCW. The .020 is the alien teacher law, I believe. And it simply strikes—"

Mr. Amen: "Then what is the .030? That is what I'm asking about."

Mr. Clemente: "Those are the present laws that pertain to teachers."

Representatives Barnes and Fortson spoke against the committee amendment, and Representatives Douthwaite, Charnley and Heck spoke in favor of it.

The committee amendment was adopted.

On motion of Mr. Clemente, the committee amendment to the title was adopted.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 2185 as amended by the House was placed on final passage.

## REPORTS OF STANDING COMMITTEES

May 25, 1977

HOUSE BILL NO. 853, Prime Sponsor: Representative Gaines, creating a new liquor board with shorter terms of office. Reported by Committee on State Government.

MAJORITY recommendation: The second substitute bill be substituted therefor and that the second substitute bill do pass. Signed by Representatives Ehlers, Chairman; Walk, Vice Chairman; Erak, Nelson (Gary), O'Brien, Salatino.

MINORITY recommendation: Second Substitute House Bill No. 853 do not pass. Signed by Representatives Taller, Ranking Minority Member; Burns, Sanders, Sommers, Struthers.

## POINT OF ORDER

Mr. Taller: "Mr. Chairman, I believe this particular bill is beyond our cut-off resolution, Senate Concurrent Resolution No. 121. On page 1, line 30 it talks about government reform and on page 2, reorganization matters. I believe that when you look at the definition of reorganization and organize (it talks about 'to organize again or renew') this bill only affects the term of office of the Liquor Board and I believe that it was the intent of this body at the time

we passed the resolution to talk about total reorganization or changing an agency, not simple modification."

The Speaker (Mr. O'Brien presiding): "What is your point of order? What question do you want to raise?"

Mr. Taller: "I don't believe that it is proper for the bill to be reported out of committee."

The Speaker (Mr. O'Brien presiding): "In reviewing the cut-off resolution, Senate Concurrent Resolution No. 121, it states in part as follows: 'The following matters are exempt from the cut-off resolution: Bills pertaining to governmental reform and reorganization measures.' This bill could well come under the category of governmental reform and reorganization, both categories."

#### MOTION

Mr. Taller moved that House Bill No. 853 be rereferred to Committee on State Government.

Mr. Taller spoke in favor of the motion, and Mr. Ehlers spoke against it.

Mr. Berentson rose to speak to the issue.

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "The Speaker is going to read to you House Rule 25. It states in part: 'Upon being reported back by committee, all bills shall go to the Rules Committee.' Actually Representative Taller's motion requires a suspension of the rules. The Speaker allowed one speaker to speak for the issue and one to speak against it. What I'm saying is bills reported back by committee go to the Rules Committee, unless the rules are suspended."

Mr. Berentson: "What you're saying then is that a suspension of the rules would be required in your opinion, and the vote we are taking now on the motion to rerefer would require a suspension of the rules before it is open to debate?"

The Speaker (Mr. O'Brien presiding): "That is right, Representative Berentson."

Mr. Tilly demanded an electric roll call and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on the motion to rerefer House Bill No. 853 to Committee on State Government, and the motion was lost by the following vote: Yeas, 37; nays, 51; not voting, 10.

Voting yea: Representatives Amen, Barr, Bender, Berentson, Blair, Bond, Burns, Chandler, Clayton, Craswell, Deccio, Dunlap, Eng, Flanagan, Fuller, Gilleland, Greengo, Haley, Lee, Lux, Nelson D., Newhouse, Oliver, Paris, Patterson, Pearsall, Pruitt, Sanders, Schmitt, Shinoda, Sommers, Struthers, Taller, Tilly, Whiteside, Wilson, Zimmerman.

Voting nay: Representatives Adams, Bauer, Becker, Boldt, Charette, Charnley, Clemente, Conner, Douthwaite, Ehlers, Erak, Fischer, Fortson, Gaines, Gallagher, Grier, Grimm, Gruger, Hanna, Hansen, Hawkins, Heck, Hughes, Hurley G. S., Hurley M., Keller, Kilbury, King, Knedlik, Knowles, Kreidler, Lysen, Martinis, Maxie, May, McCormick, McKibbin, Moreau, North, O'Brien, Owen, Salatino, Sherman, Shinpoch, Smith, Thompson, Valle, Walk, Warnke, Williams, and Mr. Speaker.

(2) 'Bingo' means a game in which prizes are awarded on the basis of designated numbers or symbols on a card conforming to numbers or symbols selected at random and in which no cards are sold except at the time and place of said game, when said game is conducted by a bona fide charitable or nonprofit organization which does not conduct or allow its premises to be used for conducting bingo on more than three occasions per week and which does not conduct bingo in any location which is used for conducting bingo on more than three occasions per week, or if an agricultural fair authorized under chapters 15.76 and 36.37 RCW, which does not conduct bingo on more than twelve consecutive days in any calendar year, and except in the case of any agricultural fair as authorized under chapters 15.76 and 36.37 RCW, no person other than a bona fide member or an employee of said organization takes any part in the management or operation of said game, and no person who takes any part in the management or operation of said game takes any part in the management or operation of any game conducted by any other organization or any other branch of the same organization, unless approved by the commission, and no part of the proceeds thereof inure to the benefit of any person other than the organization conducting said game.

The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the Internal Revenue Code of 1954, as amended, shall constitute prima facie evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section.

Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

In addition, a contest of chance which is specifically excluded from the definition of lottery under subsection ((13)) (14) of this section shall not constitute gambling.

((99)) (10) 'Gambling device' means: (a) Any device or mechanism the operation of which a right to money, credits, deposits or other things of value may be created, in return for a consideration, as the result of the operation of an element of chance; (b) any device or mechanism which, when operated for a consideration, does not return the same value or thing of value for the same consideration upon each operation thereof; (c) any device, mechanism, furniture, fixture, construction or installation designed primarily for use in connection with professional gambling; and (d) any subassembly or essential part designed or intended for use in connection with any such device, mechanism, furniture, fixture, construction or installation. #### REPORT OF CONFERENCE COMMITTEE

May 24, 1977

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 2421 as amended by the House, authorizing local governments to employ hearing examiners to hear applications for amending zoning ordinances, have had the same under consideration, and we report that we cannot agree and request powers of Free Conference in order to recommend the following: That the House amendment striking everything after the enacting clause not be adopted, and other amendments be adopted.

Signed by Senators Goltz, Sellar, Van Hollebeke; Representatives Eng, Lee, Owen.

#### MOTION

On motion of Mr. Owen, the report of the Conference Committee was adopted, and the committee was granted the powers of Free Conference.

#### MOTION

On motion of Mr. King, the House advanced to the seventh order of business.

#### THIRD READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 3036, as amended by the House, by Committee on Commerce (Originally sponsored by Senators Van Hollebeke and Mardesich):

Authorizing class H licenses for facilities on the premises of domestic wineries.

The bill was read the third time and placed on final passage.

Mr. Warnke spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Warnke yielded to question by Mr. Greengo.

Mr. Greengo: "Representative Warnke, testimony in committee when they were talking about this amendment, spoke specifically to minors cleaning up the premises. Was it the intent of this amendment that we do not allow an establishment like this to hold—let's say a coke party—in which liquor would not be sold?"

Mr. Warnke: "In the testimony in committee, and it is my intent and I think the intent of the full committee when they passed the bill, and the intent of the body here when we talked about that amendment on the floor the first time, was that it is to be only for the use of

youngsters to come in and clean up the establishment. There is no intention, there was no testimony, where a class H licensee, or a restaurant, could open up on a Sunday, for example, and not sell liquor and hold a party for teenagers or minors in a Class H establishment, and that is not the intent of the amendment."

ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 2040, as amended by the House, by Committee on Ways and Means (Originally sponsored by Senators Fleming, North and Talley):

Establishing a program to improve jails.

The bill was read the third time and placed on final passage.

Mr. Hanna spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Hanna yielded to question by Mr. Patterson.

Mr. Patterson: "Representative Hanna, I am sure that you spent a lot of time in committee going over the jail situation in the state. Do you have any estimate of the cost of a bond issue that would have to be established to fund all the jails that need to be modernized and the new ones that have to be built?"

Mr. Hanna: "Yes, that is covered in House Bill No. 1252, and the figure is \$63 million."

Mr. Patterson: "How do the local jurisdictions make application for the funds to qualify for the funds?"

Mr. Hanna: "In a study funded by the Legislature in the last four years, and the jail study around the state has been done, and it has been determined what remodeling, restructuring or new construction is necessary. Those jails that need that kind of thing are in that plan and they are already earmarked for funding. I don't think there are any jails in the state that are not in that plan."

#### POINT OF INQUIRY

Mr. Hanna yielded to question by Mrs. North.

Mrs. North: "Representative Hanna, could I ask you, under this plan for jail construction, are any of the funds to come from local government?"

Mr. Hanna: "Under the House version, no. Under the Senate version, twenty-five percent. Under the Conference Committee version, probably ten to fifteen percent."

#### POINT OF INQUIRY

Mr. Hanna yielded to question by Mr. Amen.

Mr. Amen: "I'm not concerned about mini-prisons in my district, Representative Hanna, but the caucus digest says it allows commissioners to close jails if they do not meet standards. What will happen if they do close jails?"

Mr. Hanna: "Well, there would be a number of things they could do if a small county or city would, particularly, since the state is making the money available, but if they could not meet the physical or other standards, and a jail were closed, they would have several alternatives. They could contract with other jails or larger jails in their area. For example, if you closed a jail twenty-five miles from Spokane, that community, city or county, would have the opportunity to contract with the Spokane jail to keep people there."

Mr. Amen: "Would they be able to close the jails before the money was provided to get the jails up to standard?"

Mr. Hanna: "No, that will not happen."

## POINT OF INQUIRY

Mr. Hanna yielded to question by Mr. Deccio.

Mr. Deccio: "Representative Hanna, under the provisions of this bill there would really be no reason why a jail is not, in a county or a city, able to meet the requirements of the jail standards. Is that correct?"

Mr. Hanna: "That's correct, although some jails might. It is conceivable they might ignore the standards for care in terms of guardians, so they might flagrantly violate the standards and thereby lose funding or state support."

Mr. Deccio: "My question was that if they were attentive and did not choose to ignore the standards, that this bill would take care of the problem. There would be no reason why any city or county should have a problem if this bill passes?"

Mr. Hanna: "That's correct."

## ROLL CALL

Mr. Charette: "Representative Smith, on page 13, line 21, it says that an act, if made by an individual, shall not be deemed to be within their personal knowledge until it has been brought to their attention. Could you explain to us how a person could make an affidavit that is presumably notarized, and then say it is not within their knowledge until it is brought to their attention?"

Mr. Smith: "I'm afraid I don't understand your question."

## ROLL CALL

ENGROSSED SUBSTITUTE SENATE BILL NO. 2873, by Committee on Constitution and Elections (Originally sponsored by Senators Goltz, Bailey, Sellar and Newschwander -- by Joint Board of Legislative Ethics request):

Revising laws relating to legislative ethics.

The bill was read the second time.

Committee on Elections and Governmental Ethics recommendation: Majority, do pass as amended. (For amendments, see Journal, 70th Day ex. sess., May 19, 1977.)

On motion of Mr. Hawkins, the committee amendments were adopted.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2873 as amended by the House was placed on final passage.

Mr. Hawkins spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Hawkins yielded to question by Mr. Nelson (Gary).

Mr. Nelson (Gary): "Representative Hawkins, on this committee amendment that you have now put on page 8, line 14, the concern I have, and maybe you can help me, if someone is charged, and they file an affidavit of prejudice against a majority of the members of the board, disqualifying them, and there is not a quorum, how will this board act?"

Mr. Hawkins: "A new quorum would be appointed, so that you would have a functional quorum of that body and there would be no further option for challenge of that new membership."

Mr. Fuller spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Hawkins yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "On page 3, line 29, it says that the public will be permitted to testify only on matters relating to present or proposed legislative ethic code rules and laws as well as the functions and the operations of the court. Why is the complete restriction there, the only restriction, public restriction?"

Mr. Hawkins: "Representative Zimmerman, this is new language to allow greater participation by the public, and I think what it is intended to do is to define those aspects of the functioning of the joint board that the public might be involved in, and they would not be involved in a dialogue with the board as far as the investigatory process."

Mr. Zimmerman: "A second question: On page 4, the stricken language, where it says the code of ethics shall follow these principals—and it strikes all the references to the principals, the various principals, that were seemingly, originally quite an important aspect of the bill. Is this repeated someplace in the bill or for what reason has that been stricken?"

Mr. Hawkins: "I'll yield to Representative McKibbin on that point."

Mr. McKibbin: "Representative Zimmerman, this bill was the work of the Joint Board of Ethics. As a matter of fact, both bills we'll be considering here shortly, are the work of the board. This section, as you read through it, is an intent section. The reason it was stricken was because it was old language. It was stricken with that because the language that follows the new language was to provide that they would make a recommendation of what was ethical to the joint rules of what would be ethical conduct for the adoption by the House and Senate. Thereby the intent being set by the major body itself, rather by dictation. Therefore, the language was stricken in hopes of cleaning up the section, not providing intent, but to provide for an actuality when it was actually addressed."

## ROLL CALL

## MOTION

Mr. King spoke in favor of the motion, and Mr. Hawkins spoke against it.

The motion was carried.

HOUSE BILL NO. 1306, by Representatives King, Sommers, Haley, Charnley, Blair, Clemente, Warnke, Shipoch and Thompson:

Establishing a schedule of salary increases for legislators.

On motion of Mr. Ehlers, Second Substitute House Bill No. 1306 was substituted for House Bill No. 1306, and the second substitute bill was placed on the calendar for second reading.

Second Substitute House Bill No. 1306 was read the second time.

Mr. Hurley (George) moved adoption of the following amendment:

On page 1, following line 28 insert:

"Sec. 2. Section 44.04.080 as last amended by chapter 3, section 2, Laws of 1969 and section 44.04.090 as last amended by chapter 106, section 20, Laws of 1973 are each amended as follows:

Members of the legislature including the president of the senate shall be paid ~~((not to exceed forty dollars per day in lieu of))~~ an amount equal to their actual cost of providing subsistence and lodging during and while attending any legislative session.

The state treasurer shall issue warrants for said reimbursement supported by affidavits that the reimbursement is claimed for expenses of subsistence and lodging actually incurred ~~((without))~~ with general itemization ((and without receipts)). Such warrants shall be immediately paid from any funds appropriated for the purpose."

#### POINT OF ORDER

Mr. Taller: "I'd like the Speaker to rule whether or not this amendment is beyond the scope and object of the bill, since the bill deals with an act relating to the salaries of elected officials, and this amendment deals with per diem. I believe it is beyond the scope and object of the bill."

#### SPEAKER'S RULING

The Speaker: "Representative Taller, the amendment deals with the same general subject. On page 2 of the bill it deals with members of the Legislature—what they shall receive annually—so the Speaker will rule that it is within the scope and object."

Mr. Pardini moved adoption of the following amendment to the Hurley (George) amendment:

On line 5 after "lodging" insert "and travel to their home districts not to exceed one round trip per week"

Representatives Pardini, Polk and Hanna spoke in favor of the amendment to the amendment, and Mr. Ehlers spoke against it.

#### POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Hawkins.

Mr. Hawkins: "Representative Ehlers, isn't there constitutional language that restricts compensation to and from session?"

Mr. Ehlers: "I believe that it is very clear in the Constitution about reimbursement. It talks in the Constitution about reimbursement for coming during session. That's one of the problems for study in a comprehensive study."

Mr. Hurley (George) spoke in favor of the amendment to the amendment.

#### POINT OF INQUIRY

Mr. Pardini yielded to question by Mr. Owen.

Mr. Owen: "Representative Pardini, it doesn't say what kind of travel. Does this include air travel, travel by car or bus? I'd like to have a clarification on that, please."

Mr. Pardini: "I think that the intent of the amendment, Representative Owen, filling in the total amendment, is for actual costs incurred. I believe that my amendment would be for actual costs incurred if you travel by air or bus. If you travel by private automobile you get a standard round trip mileage pretty well set forth."

Representatives Bond, Kilbury and Pardini spoke in favor of the amendment to the amendment, and it was adopted.

Mr. Tilly moved adoption of the following amendment to the Hurley (George) amendment:

On line 6 after "session" insert ": PROVIDED, That such cost excluding travel shall not exceed forty dollars per day"

Representatives Tilly, Blair and Smith spoke in favor of the amendment to the amendment, and Mr. Hurley (George) spoke against it.

Mr. Tilly spoke again in favor of the amendment to the amendment.

The amendment was not adopted.

The Speaker stated the question before the House to be the amendment by Representative Hurley (George) as amended.

Representatives Hurley (George), Smith and Bond spoke in favor of the amendment as amended, and Representatives Berentson, Deccio, Greengo, Shinpoch and Ehlers spoke against it.

Mr. Charnley demanded the previous question, and the demand was sustained.

#### MOTION FOR RECONSIDERATION

Mr. Hurley (George) having voted on the prevailing side, moved that the House reconsider the vote by which the amendment by Representative Tilly to the Hurley amendment was not adopted.

#### SPEAKER'S RULING

The Speaker: "Rule 55: 'The previous question upon all recognized motions or amendments which are debatable may be ordered by two-thirds of the members present, and shall have the effect of cutting off all debate and bringing the house to a direct vote upon the motion or amendment on which it has been ordered . . . ' The question before the House is the adoption of the amendment by Representative Hurley as amended."

The amendment as amended was not adopted.

#### POINT OF PERSONAL PRIVILEGE

Mr. Hurley (George): "It's too late now, Mr. Speaker, but I wanted to get a complete explanation on your ruling. I've heard reconsiderations here until I'm blue in the ears from them, and when I've voted on the prevailing side and have been ruled out of order, I am actually angered. I'm not an angry man, and I'm angered by this ruling. It is an insult to me and it's an insult to my constituents. I think it is something that just shouldn't be done in this House, or you'd better throw the reconsideration rule out the window and not use it again."

The Speaker: "Mr. Hurley, the Speaker ruled based on House rules when the previous question had been demanded and sustained. Reconsideration prior to that time would have been in order. After the previous question has been sustained, it was not in order. There is no way that you or your constituents are insulted by obeying House rules."

Mr. Hawkins moved adoption of the following amendment:

On page 2, line 1 strike all material through line 11 and insert "(1) Members of the legislature shall each receive annually for their services an amount equal to twenty-five percent of the salary designated to be paid to the governor for his or her salary, and in addition, ten cents per mile for travel to and from legislative sessions."

Mr. Hawkins spoke in favor of the amendment, and Mr. Ehlers spoke against it.

The amendment was not adopted.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Second Substitute House Bill No. 1306 was placed on final passage.

Mr. Bender demanded an oral roll call and the demand was sustained.

Mr. Ehlers spoke in favor of passage of the bill, and Mr. Zimmerman spoke against it.

#### MOTION

Mr. Berentson moved that further consideration of Second Substitute House Bill No. 1306 be deferred, and that the bill be ordered placed at the top of tomorrow's third reading calendar.

Mr. Berentson spoke in favor of the motion, and Mr. King spoke against it.

#### POINT OF ORDER

Mr. Berentson: "After five minutes we really haven't gotten the issue in front of us. We're perfectly willing to cooperate in any way, but we are not talking about cooperation."

The Speaker: "Your point is not well taken."

Mr. King continued his remarks in opposition to the motion, and Mr. Deccio spoke in favor of it.

#### ROLL CALL

The Clerk called the roll on the motion to defer further consideration of Second Substitute House Bill No. 1306, and the motion was lost by the following vote: Yeas, 31; nays, 64; not voting, 3.

Voting yea: Representatives Amen, Barnes, Barr, Berentson, Bond, Chandler, Clayton, Craswell, Deccio, Dunlap, Flanagan, Fuller, Gilleland, Greengo, Haley, Lee, Nelson G. A., Oliver, Pardini, Paris, Patterson, Polk, Sanders, Schmitt, Shinoda, Struthers, Taller, Tilly, Whiteside, Wilson, Zimmerman.

## REPORTS OF STANDING COMMITTEES

May 25, 1977

SUBSTITUTE SENATE BILL NO. 2502, Prime Sponsor: Senator Donohue, establishing procedures for the measurement of locally assessed property values for purposes of equalizing property values. Reported by Committee on Revenue.

**MAJORITY recommendation: Do pass with the following amendments:**

**Beginning on page 1, line 6 strike everything after the enacting clause and insert the following:**

**\*NEW SECTION.** Section 1. It is the intent of the legislature that the methodology used in the equalization of property values for the purposes of the state levy, public utility assessment, and other purposes, shall be designed to ensure uniformity and equity in taxation throughout the state to the maximum extent possible.

It is the purpose of this 1977 amendatory act to provide certain guidelines for the determination of the ratio of assessed value to the full true and fair value of the general property in each county.

Sec. 2. Section 42, chapter 26, Laws of 1967 ex. sess. and RCW 82.03.130 are each amended to read as follows:

The board shall have jurisdiction to decide the following types of appeals:

- (1) Appeals taken pursuant to RCW 82.03.190.
- (2) Appeals from a county board of equalization pursuant to RCW 84.08.130.
- (3) Appeals by an assessor or landowner from an order of the director of revenue made pursuant to RCW 84.08.010 and 84.08.060, the right to such an appeal being hereby established.
- (4) Appeals by an assessor or owner of an intercounty public utility or private car company from determinations by the director of revenue of equalized assessed valuation of property and the apportionment thereof to a county made pursuant to chapter 84.12 RCW and 84.16 RCW, the right to such appeal being hereby established.

(5) Appeals by an assessor from a determination of any county indicated ratio for such county compiled by the department of revenue pursuant to section 3 of this amendatory act: PROVIDED, That

(a) Said appeal be filed after review of the ratio by the assessor with the department of revenue and upon or before August 11th; and

(b) The hearing before the board shall be expeditiously held in accordance with rules prescribed by the board and shall take precedence over all matters of the same character.

**NEW SECTION.** Sec. 3. There is added to chapter 84.48 RCW a new section to read as follows:

(1) The department of revenue shall annually, prior to the first Monday in August, determine the indicated ratio for each county: PROVIDED, That the department shall establish rules and regulations pertinent to the determination of the indicated ratio, the indicated real property ratio and the indicated personal property ratio: PROVIDED FURTHER, That these rules and regulations may provide that data, as is necessary for said determination, which is available from the county assessor of any county and which has been audited as to its validity by the department, may be utilized by the department in determining the indicated ratio.

(2) To such extent as is reasonable, the department may define use classes of property for the purposes of determination of the indicated ratio. Such use classes may be defined with respect to property use and may include agricultural, open space, timber and forest lands.

(3) Prior to equalization of assessments pursuant to RCW 84.48.080, but no later than August 1st, the department shall submit its findings or preliminary findings to each of the county assessors allowing a reasonable time for review by the assessor."

On page 1, line 1 of the title, after "taxation;" strike the remainder of the title and insert "amending section 42, chapter 26, Laws of 1967 ex. sess. and RCW 82.03.130; and adding a new section to chapter 84.48 RCW."

Signed by Representatives Sommers, Chairwoman; Knedlik, Vice Chairman; Erickson, Flanagan, Hurley (George), Kilbury, O'Brien, Winsley.

To Committee on Rules for second reading.

The Speaker declared the House to be at ease.

The Speaker (Mr. O'Brien presiding) called the House to order.

## SECOND READING

ENGROSSED SENATE BILL NO. 2472, by Senators Bottiger, Guess and Bausch:

Changing the law on recreational vehicles.

The bill was read the second time.

Committee on Transportation recommendation: Majority, do pass as amended. (For amendments, see Journal, 56th Day ex. sess., May 5, 1977.)

On motion of Mr. Conner, the committee amendments were adopted.

Mr. Barnes moved adoption of the following amendment by Representatives Barnes and Sherman:

On page 16, beginning at line 24 insert a new subsection as follows:

"(2) The interagency committee shall require that each applicant conduct a public hearing in the nearest town of five hundred population or more, and publish notice of such hearing on the same day of each week for two consecutive weeks in a newspaper of general circulation in the county or counties where the property which is subject of the proposed facility is located prior to the submission of its application. A written notice and a magnetic tape recording of such hearings shall be included in the application to the committee."

Renumber the remaining subsection consecutively.

Representatives Barnes and Conner spoke in favor of the amendment, and it was adopted.

On motion of Mr. Barnes, the following amendment by Representatives Barnes and Sherman was adopted:

On page 18, line 12 after "subsections (1)" strike "through" and insert "((through)) , (2), (3) and"

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 2472 as amended by the House was placed on final passage.

Mr. Conner spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "What is the actual fund transfer? How much money are you talking about that is actually being moved from one hand of this to the other in terms of recreational trails?"

Mr. Conner: "As I understand it, presently there is no statutory authority relative to the use of these funds, so this bill would allow for project funding on off-road facilities, some important recreation programs, as well as attempting to come up with some type of mileage control program. As I say, the port council and the ATV Association, Department of Natural Resources are in agreement with this."

Mr. Zimmerman: "With the change we adopted a few minutes ago with the Barnes' amendment, striking the urban trails—was that discussed with the various groups that had come in on this particular bill earlier? Had this had any discussion?"

Mr. Conner: "Yes, it did. At the time there was a package of three amendments and Representative Barnes agreed to drop one that was objectionable and put the other two on the floor."

Mr. Zimmerman spoke in favor of the bill.

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 2472 as amended by the House, and the bill passed the House by the following vote: Yeas, 87; nays, 5; not voting, 6.

Voting yea: Representatives Adams, Barnes, Bauer, Becker, Bender, Berentson, Blair, Boldt, Bond, Burns, Charette, Charnley, Clayton, Clemente, Conner, Craswell, Deccio, Douthwaite, Dunlap, Ehlers, Enbody, Eng, Erak, Fischer, Flanagan, Fortson, Fuller, Gaines, Gallagher, Gilleland, Greengo, Grier, Grimm, Gruger, Haley, Hanna, Hansen, Hawkins, Heck, Hughes, Hurley G. S., Hurley M., Keller, Kilbury, King, Knowles, Kreidler, Lee, Lux, Lysen, Martinis, Maxie, May, McCormick, McKibbin, Moreau, Nelson D., Nelson G. A., Newhouse, North, O'Brien, Paris, Patterson, Pearsall, Polk, Pruitt, Salatino, Schmitt, Sherman, Shinoda, Shinpoch, Smith, Sommers, Struthers, Tally, Thompson, Tilly, Valle, Vrooman, Walk, Warnke, Whiteside, Williams, Wilson, Winsley, Zimmerman, and Mr. Speaker.

Voting nay: Representatives Amen, Barr, Chandler, Oliver, Pardini.

Not voting: Representatives Erickson, Fancher, Knedlik, Leckenby, Owen, Sanders.

Engrossed Senate Bill No. 2472 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED SENATE BILL NO. 2042, by Senators Talley, Beck, Peterson, Murray, Sellar and Bottiger:

Changing the requirements for a pilot's license.

The bill was read the second time.

Committee on Transportation recommendation: Majority, do pass as amended. (For amendments, see Journal, 53rd Day ex. sess., May 2, 1977.)

On motion of Mr. Conner, the committee amendments to page 2 and page 3 were adopted.

Mr. Conner moved adoption of the committee amendment to page 8, line 19.

Mr. Conner spoke in favor of the amendment, and Representatives Nelson (Dick), Bond and May spoke against it.

Mr. Hawkins demanded an electric roll call, and the demand was sustained.

Mr. Conner spoke again in favor of the committee amendment.

#### POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Ehlers.

Mr. Ehlers: "Do I understand you to say, Representative Conner, that once those people get their license there is no continuing recheck, either physical on alertness, or physical condition, hearing, sight, other types of psychological or personal problems, alcoholism, or anything else? This is a one-time licensing and that's it?"

Mr. Conner: "Yes, that's it. They do have written examinations and are required to keep up with the rules and regulations of the pilotage commission. I think that up until four years ago no one realized that this particular board was under the state agency, and that we, as a state, had granted a monopoly to these individuals, and they were operating in their own sphere. As a result we have legislation before us now in which the Legislature is attempting to determine the policy relative to the regulation of pilots in this state."

Representatives Pruitt and Charnley spoke against the committee amendment.

#### POINT OF PARLIAMENTARY INQUIRY

Mr. Nelson (Dick): "What I am wondering is, on page 9, line 18 of this bill, it says that pilot applicants shall be subject to an annual physical examination. I guess I'm confused. I read that to mean that the examination is given to an applicant who passes every year."

The Speaker (Mr. O'Brien presiding): "That question doesn't fall within a point of parliamentary inquiry."

## MOTION

On motion of Mr. King, further consideration of Engrossed Senate Bill No. 2042 was deferred, and the bill was ordered placed on the calendar following Senate Joint Resolution No. 108.

ENGROSSED SENATE BILL NO. 2512, by Senators von Reichbauer, Ridder and Murray:

Giving preference to the acquisition of historical landmarks for public needs.

The bill was read the second time.

Mr. Taller moved adoption of the following amendment by Representatives Taller, Ehlers, Nelson (Gary), Walk and Burns:

On page 1, line 5 after "Section 1." strike the remainder of the bill and insert "There is added to chapter 43.82 RCW a new section to read as follows:

Before the director of the department of general administration shall purchase, lease, or rent any real estate, improved or unimproved, for any offices, warehouses or similar purposes as may be required within a defined geographic area by any state official, department, commission, institution or other state agency, the director shall request that, within thirty days, the state conservator identify in writing any existing buildings or structures within such geographic area that are designated or eligible for designation on the state or national registers of historic places as historic, architectural, or cultural landmarks and that would be suitable, whether or not in need of repair or alteration, for use therefor. The director shall give preference to the purchase, lease, or rent of such historic, architectural, or cultural landmarks, or portion thereof, which meet the specifications needed for the particular state purpose unless use of such space would not be feasible and prudent compared with available alternatives. Whenever the director shall purchase, lease, or rent a building or structure, or portion thereof, other than buildings or structures identified by the conservator as historic, architectural, or cultural landmarks suitable for state use, the director shall notify the conservator in writing of the economic and other justifications for not purchasing, leasing or renting such buildings or structures or portions thereof. Nothing in this section shall preclude the director from purchasing, leasing, or renting any improved or unimproved real estate which the director deems suitable for state use. 'State conservator' for the purposes of this section is the state official or agency responsible for the historic preservation program of the state of Washington."

Representatives Taller and Hurley (Margaret) spoke in favor of the amendment, and it was adopted.

On motion of Mr. Taller, the following amendment to the title was adopted:

On page 1, line 2 of the title after "RCW" strike all the material down through "section" on line 3.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Senate Bill No. 2512 as amended by the House was placed on final passage.

Representative Hurley (Margaret) spoke in favor of passage of the bill.

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 2512 as amended by the House, and the bill passed the House by the following vote: Yeas, 90; nays, 0; not voting, 8.

Voting yea: Representatives Adams, Amen, Barnes, Barr, Bauer, Becker, Bender, Berentson, Blair, Boldt, Bond, Burns, Chandler, Charette, Charnley, Clayton, Conner, Craswell, Deccio, Douthwaite, Ehlers, Embody, Eng, Erak, Fischer, Flanagan, Fortson, Fuller, Gaines, Gallagher, Gilleland, Greengo, Grier, Grimm, Gruger, Haley, Hanna, Hansen, Hawkins, Heck, Hughes, Hurley G. S., Hurley M., Keller, Kilbury, King, Knedlik, Knowles, Kreidler, Lee, Lux, Lysen, Martinis, Maxie, May, McCormick, McKibbin, Moreau, Nelson D., Nelson G. A., Newhouse, North, O'Brien, Oliver, Pardini, Paris, Patterson, Pearsall, Polk, Pruitt, Salatino, Schmitten, Sherman, Shinoda, Shipoch, Smith, Sommers, Struthers, Taller, Thompson, Tilly, Valle, Vrooman, Walk, Warnke, Whiteside, Williams, Winsley, Zimmerman, and Mr. Speaker.

Not voting: Representatives Clemente, Dunlap, Erickson, Fancher, Leckenby, Owen, Sanders, Wilson.

Engrossed Senate Bill No. 2512 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED SENATE BILL NO. 2160, by Senators McDermott, Gould, Francis and Hayner (by Superintendent of Public Instruction request):

Authorizing certain contracts for school districts and educational service districts.

The bill was read the second time.

Committee on Education recommendation: Majority, do pass as amended. (For amendments, see Journal, 54th Day ex. sess., May 3, 1977.)

Mr. Heck moved adoption of the committee amendments.

#### POINT OF INQUIRY

Mr. Heck yielded to question by Mr. Patterson.

Mr. Patterson: "I question whether or not this would have any affect on the ability of a school district, for example, to contract with a local public transit system for the movement of school children rather than purchasing their own buses. In other words, would this preclude that opportunity if a school district wanted to use the public transportation system?"

Mr. Heck: "It is my understanding that it would not. I will yield to Representative Warnke if this needs to be clarified, but I do not think that it would have that effect."

Mr. Warnke: "No, Representative Patterson, the City of Seattle now uses Seattle Transit, the City of Spokane has used some transit and Metro has been used. This is not speaking to that at all."

Mr. Patterson: "They could still contract and lease over a long period of time to use public transportation?"

Mr. Warnke: "And they do, and they furnish the funds for the students to ride on the public transportation system."

The committee amendments were adopted.

In reference to that first series of amendments that changed the composition of the board, I said no, they were not offered in committee. The other two amendments to pages 10 and 11 were, but I understood his question to be only to the first series of amendments."

#### SENATE AMENDMENT TO HOUSE BILL

May 25, 1977

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 656 with the following amendment:

On page 1, line 11 after "writing" strike all of the material down to and including "HOWEVER," on page 1, line 14 and insert "that the same is available for sale to private schools at depreciated cost or fair market value, whichever is higher, prior to other disposal thereof, if requested in writing by the private schools within one year: PROVIDED, That" and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

#### MOTION

On motion of Mr. Clemente the House refused to concur in the Senate amendment to House Bill No. 656, and asked the Senate for a conference thereon.

#### INTRODUCTION AND FIRST READING

SENATE CONCURRENT RESOLUTION NO. 122, by Senators Walgren, Sandison, Matson and Newschwander:

Amending Senate Concurrent Resolution No. 113.

To Committee on Rules

ENGROSSED SUBSTITUTE SENATE BILL NO. 3105, by Committee on State Government (Originally sponsored by Senator Rasmussen):

Increasing the penalty for threatening to bomb or injure property.

#### MOTION

Mr. King moved that the rules be suspended and that Engrossed Substitute Senate Bill No. 3105 be advanced to second reading and read the second time in full.

#### POINT OF ORDER

Mr. Newhouse: "This Senate Bill has not gone to committee. Are we outside the rules or is this bill in some way involved in the concurrent resolution?"

#### SPEAKER'S RULING

Mr. Speaker: "The motion was to suspend the rules, Representative Newhouse. Under our current rules a committee could not sign out a bill, but by suspending the rules this bill can be placed on the calendar for consideration."

Mr. Newhouse: "We then are unilaterally suspending the joint rules, the concurrent resolution by which we were to shut down this session."

Mr. Speaker: "We don't have joint rules passed by both bodies."

The motion to suspend the rules and advance Engrossed Substitute Senate Bill No. 3105 to second reading was carried.

#### MOTION

On motion of Mr. King, further consideration of Engrossed Substitute Senate Bill No. 3105 was deferred, and the bill was placed at the bottom of tomorrow's second reading calendar.

## SECOND READING

HOUSE BILL NO. 743, by Representatives Smith, Zimmerman, Thompson, Lee, Shinpoch, Haley, McKibbin, Charnley, Becker, Hanna, Taller, Clemente, Chandler, Sherman, North, Charette, Hurley (Margaret), Blair, Douthwaite, Lux, Salatino, Burns, Sommers, Nelson (Dick), Hurley (George), Bauer and Knedlik:

Limiting marine bulk petroleum shipment transfer facilities.

The bill was read the second time.

On motion of Mr. Lysen, Substitute House Bill No. 743 was substituted for House Bill No. 743, and the substitute bill was placed on second reading.

Mr. Lysen moved adoption of the following amendment by Representatives Lysen, Bond, Berentson, Pardini and Becker:

On page 2, beginning on line 1 after "Fuca" strike the remainder of subsection (1) through "facilities" on line 2, and insert "at or west of Port Angeles."

Representatives Lysen, Smith, Berentson and Charette spoke in favor of the amendment, and Representatives Conner and Kilbury spoke against it.

## POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Bond.

Mr. Bond: "Representative Lysen, in the earlier part of the sentence, the last part of which you are amending, there is some language that says, 'refers to major bulk crude petroleum receiving and transfer facilities' and this is just a little bit vague. I want to ask the question, is it the intent of the bill that 'such facilities' refers only to facilities used for the purpose of transshipment, and is not intended to tie in with existing refineries or to apply to their crude oil?"

Mr. Lysen: "Yes, the concern of this particular bill is only with the transshipment of oil. This bill is not intended in itself to restrict the supply methods of the existing refineries. The original bill did require hook-up, but we dropped hook-up and we are dropping any reference in this bill to existing refineries on Puget Sound whatsoever."

Mr. Bond spoke in favor of the amendment and Mr. Owen spoke against it.

Mr. Lysen spoke again in favor of the amendment.

## POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Martinis.

Mr. Martinis: "Chairman Lysen, I may have missed all your remarks on the question by Representative Bond. I'd like to be very specific. Is there anything in this bill, or anything in the intent of this bill that would restrict tanker traffic on Puget Sound to service our present refineries?"

Mr. Lysen: "As I said earlier, and I'll just repeat. The concern of this particular bill, Substitute House Bill No. 743, is only with the transshipment of oil. This bill is not intended to restrict existing supply methods of existing refineries."

## POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Wilson.

Mr. Wilson: "You commented on the powers of the Clallam County Commissioners to bargain. Can you explain why they are in court trying to override a preemptive decision of the siting council as of last December or January?"

Mr. Lysen: "I guess I'm not up to date on that particular court case. I know there is a court case going on right now. We do not have preemption by the siting council in the state, because it is in noncompliance with local zoning laws. There is a very limited and very indirect form of preemption in the fact that Clallam County cannot zone out completely an oil port somewhere on the Strait of Juan de Fuca and effectively in Clallam County, but that can be there on their own terms."

Mr. Wilson spoke against the amendment.

## POINT OF INQUIRY

Mr. Lysen refused to yield to question by Mr. Hurley (George).

## ROLL CALL

The Clerk called the roll on the adoption of the amendment by Representative Lysen and others to Substitute House Bill No. 743, and the amendment was adopted by the following vote: Yeas, 76; nays, 17; not voting, 5.

On motion of Mr. Lysen the following amendment by Representatives Lysen, Bond, Berentson, Pardini and Becker was adopted:

On page 2, beginning on line 17, strike all of section 4, and renumber the remaining sections consecutively.

Mr. Dunlap moved adoption of the following amendment by Representatives Dunlap, Martinis, Conner and Wilson:

On page 1, beginning on line 9 after "shorelines." strike all language beginning with "The" down through and including "facility" on line 18 and insert the following:

"The legislature also finds that the location and siting of a transshipment point in the state of Washington and particularly in inland Puget Sound, defined for purposes of this bill as any point at or east of Port Angeles, would not be in the best interest of our state's marine resources and its citizens and that this state should not be the site of an oil transshipment point unless it is mandated by the federal government. Further, the legislature finds that it is in the state's interest to resist such a site selection by the federal government until the federal government implements strict vessel safety and marine guidance systems to reduce the threat of oil spills"

On motion of Mr. Dunlap the following amendment to the amendment by Representatives Dunlap, Martinis, Conner and Wilson to Substitute House Bill No. 743 was adopted:

On line 4 of the amendment, strike "at or"

The Speaker stated the question before the House to be the amendment by Representative Dunlap and others as amended.

Representatives Martinis and Dunlap spoke again in favor of the amendment as amended.

On page 1, line 11 after "state" insert "for the purpose of transshipment of crude oil"

On page 1, line 18 after "facilities" insert "used for the purpose of transshipment of crude oil"

With the consent of the House, Mr. Vrooman withdrew the amendments.

On motion of Mr. Lysen, the following amendment by Representatives Lysen and Bond to the title was adopted:

On page 1, line 1 of the title after "safety;" strike all material down to and including "RCW" on line 2, and insert "creating new sections"

Substitute House Bill No. 743 was ordered engrossed.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 743 was placed on final passage.

Representatives Lysen, Kilbury, Dunlap, Smith and Charnley spoke in favor of passage of the bill and Representatives Conner, Owen, Wilson and Martinis spoke against it.

### REPORT OF FREE CONFERENCE COMMITTEE

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 2421 as amended by the House, authorizing local governments to employ hearing examiners to hear applications for amending zoning ordinances, have had the same under consideration, and we recommend that the House amendment striking everything after the enacting clause not be adopted and the following language be adopted:

\*AN ACT Relating to local government hearing examiners; adding a new section to chapter 35.63 RCW; creating new sections; adding a new section to chapter 35A.63 RCW; adding a new section to chapter 36.70 RCW; and adding a new section to chapter 58.17 RCW.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. There is added to chapter 35.63 RCW a new section to read as follows:

As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and report on any proposal to amend a zoning ordinance, the legislative body of a city or county may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and decide applications for amending the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative body may vest in a hearing examiner the power to hear and decide applications for conditional uses, variances, or any other class of applications for or pertaining to land uses which the legislative body believes should be reviewed and decided by a hearing examiner. The legislative body shall prescribe procedures to be followed by the hearing examiner.

Each city or county legislative body electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. The legal effect of such decisions may vary for the different classes of applications decided by the examiner but shall include one of the following:

(1) The decision may be given the effect of a recommendation to the legislative body;

(2) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative body.

Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the city's or county's comprehensive plan and the city's or county's development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

NEW SECTION. Sec. 2. There is added to chapter 35A.63 RCW a new section to read as follows:

As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and report on any proposal to amend a zoning ordinance, the legislative body of a city may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and decide applications for amending the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative body may vest in a hearing examiner the power to hear and decide applications for conditional uses, variances or any other class of applications for or pertaining to land uses which the legislative body believes should be reviewed and decided by a hearing examiner. The legislative body shall prescribe procedures to be followed by a hearing examiner. If the legislative authority vests in a hearing examiner the authority to hear and decide variances, then the provisions of RCW 35A.63.110 shall not apply to the city.

Each city legislative body electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. The legal effect of such decisions may vary for the different classes of applications decided by the examiner but shall include one of the following:

(1) The decision may be given the effect of a recommendation to the legislative body;

(2) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative body.

Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the city's comprehensive plan and the city's development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

NEW SECTION. Sec. 3. There is added to chapter 36.70 RCW a new section to read as follows:

As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and issue recommendations on applications for plat approval and applications for amendments to the zoning ordinance, the county legislative authority may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and issue decisions on proposals for plat approval and for amendments to the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative authority may vest in a hearing examiner the power to hear and decide conditional use applications, variance applications, applications for shoreline permits or any other class of applications for or pertaining to land uses. The legislative authority shall prescribe procedures to be followed by a hearing examiner.

Any county which vests in a hearing examiner the authority to hear and decide conditional uses and variances shall not be required to have a zoning adjuster or board of adjustment.

Each county legislative authority electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. Such legal effect may vary for the different classes of applications decided by the examiner but shall include one of the following:

- (1) The decision may be given the effect of a recommendation to the legislative authority;
- (2) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative authority.

Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

**NEW SECTION.** Sec. 4. There is added to chapter 58.17 RCW a new section to read as follows:

- (2) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative body.

The legislative authority shall prescribe procedures to be followed by a hearing examiner.

Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Each final decision of a hearing examiner, unless a longer period is mutually agreed to by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

**NEW SECTION.** Sec. 5. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

## POINT OF INQUIRY

I think that falls under the scope of the blanket sunset bill. I don't think this is a valid argument. If I'm wrong, and this does not fall under the blanket sunset bill, then what did we pass in the sunset bill?"

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 3071 as amended by the House was placed on final passage.

Mr. Martinis spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Hansen.

Mr. Hansen: "Representative Martinis, reading your amendment, and it has probably been discussed, but I didn't hear it, in case of a suspended license, where this license was not used the prior year, would that disqualify a man from having a valid license after his suspension was over?"

Mr. Martinis: "That was one of the cases in point of why we rewrote the proviso—to protect that man whose license was revoked because of violations or to forfeitures of bail or violations, so that he would still be eligible for his prior year, to be able to purchase a license. This coming season if a man's license was revoked without the specific language in this amendment, it would mean that he would not be able to purchase a license in 1979, but we were very specific in the language to make sure his prior eligible year would qualify him for the first year of eligibility to buy a license."

#### POINT OF INQUIRY

Mr. Pruitt yielded to question by Mr. Lysen.

Mr. Lysen: "Representative Pruitt, because the bridge was designed originally for the benefit of the Port of Seattle, have they been willing to contribute to the funding of this bridge in any way? Have they been a positive force in this effort, or do they expect local citizens to pay all the support to run and build the bridge so we can have the great increase in international trade?"

Mr. Pruitt: "The Port of Seattle has agreed to work with the federal funds, to encourage federal funds for the dredging and widening of the present Westlake Channel. This would be around \$30 million for that particular area, so they have cooperated in that way. I think part of the need for political solutions (and this is my own viewpoint) is that the Port could cooperate more with their funds to effect some great change there, and this would be one thing to work for in a political solution. It's primarily a political solution."

Mr. Lysen: "So your answer is that the Port has not really been as positive a force as we could hope for and we need to put pressure on them to contribute to the solution of this problem, which is in their benefit in many ways?"

Mr. Pruitt: "Yes."

### MOTION

On motion of Mr. King, the House advanced to the eighth order of business.

### MOTION

Mr. King moved that the Rules Committee be instructed to place REENGROSSED HOUSE JOINT RESOLUTION NO. 15 on the third reading calendar upon receipt by the Chairman of the Rules Committee of the signatures of at least one-third (12) of the members of the minority caucus indicating their willingness to vote for the resolution on final passage.

Mr. King spoke in favor of the motion.

### POINT OF PARLIAMENTARY INQUIRY

Mr. Pardini: "Mr. Speaker, can fifty members of the House place any bill in the Rules Committee on the calendar for consideration?"

The Speaker (Mr. O'Brien presiding): "Fifty members of the House, Representative Pardini, can place a bill on the calendar."

Mr. Pardini: "Then with the consent of the House I would place the resolution on the calendar immediately for consideration today."

## POINT OF ORDER

Mr. King: "My point of order is that we are not on the seventh order of business and the motion by Representative Pardini would take a suspension of the rules at this time."

## SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Your motion would be in order under the proper order of business, to relieve the Rules Committee on Reengrossed Substitute House Joint Resolution No. 15, but we are not on that order of business, Representative Pardini."

Mr. Pardini: "It is necessary to relieve the Rules Committee and suspend the rules—is that what you are saying, Mr. Speaker?"

The Speaker (Mr. O'Brien presiding): "It would, or you could revert to the seventh order of business."

Mr. Pardini: "We have had two different interpretations earlier this session, both of which I disputed when a bill was sent to the Rules Committee immediately after second reading. The majority party, in their sloppiness, had forgotten to adopt amendments and the Chair brought them back immediately with a majority vote."

The Speaker (Mr. O'Brien presiding): "Everything is in order so far. The bill or resolution is in the Rules Committee. We have now an instruction from the Rules Committee on how the resolution should be acted upon. That is now before us. We have a motion pending. I would suggest that you hold your remarks to the motion."

## POINT OF PARLIAMENTARY INQUIRY

Mr. Pardini: "Were the other amendments that are on the desk carried to the Rules Committee with the resolution?"

The Speaker (Mr. O'Brien presiding): "All of the amendments were withdrawn."

Mr. Pardini: "By whom?"

The Speaker (Mr. O'Brien presiding): "By the sponsors."

Mr. Pardini: "I was a sponsor and I didn't withdraw any amendments this morning."

The Speaker (Mr. O'Brien presiding): "Well, it's too late now. You should have raised your point of order when the bill was moved back to the Rules Committee."

## MOTION

Mr. Pardini moved that the House be at ease for ten minutes for the purpose of a Rules Committee meeting.

## SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "We have a motion pending."

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion by Representative King.

Representatives Newhouse, Nelson (Gary) and Berentson spoke against the motion, and Ms. Sommers spoke in favor of it.

## MOTION

Mr. Pardini moved that the House recess until 1:30 p.m.

The motion was lost.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion by Representative King.

Mr. Polk spoke against the motion.

## POINT OF ORDER

Ms. Sommers: "I want to clarify the statement. The speaker has made an incorrect statement. The inventory tax was adopted. It is on that bill."

The Speaker (Mr. O'Brien presiding): Confine your remarks to the question at hand, Representative Polk.

Mr. Polk continued his remarks in opposition to the motion, and Mr. Hurley (George) spoke in favor of it.

Mr. Pardini spoke against the motion.

## SENATE AMENDMENTS TO HOUSE BILL

June 1, 1977

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 623 with the following amendments:  
On page 2, after line 34 insert the following additional sections:

**NEW SECTION.** Sec. 2. The legislature finds and declares that the existing drought conditions and shortage of hydroelectric power have caused severe economic impact on electric utilities and their customers in obtaining sufficient quantities of electric power and energy from other sources, which has or will necessitate the imposition of purchased power surcharge or cost adjustments in addition to the existing rate schedules of such utilities. Because of the drought conditions and shortage of hydroelectric power, which has caused severe economic impact on electric utilities and their customers in obtaining sufficient quantities of electric power and energy from other sources, the legislature further finds that such cost adjustments or surcharge arising out of the increased cost of purchasing necessary power to meet the needs of the electrical utilities and their customers, should not be taxed by the state or any local subdivision thereof.

**NEW SECTION.** Sec. 3. Notwithstanding any other provision of law, if an economic condition exists as provided in section 2 of this 1977 amendatory act which does necessitate the imposition of purchased power surcharge or cost adjustments in addition to the existing rate schedules charged such utilities, neither the state or any local subdivision thereof shall impose a tax or fee thereon.

**NEW SECTION.** Sec. 4. There is added to chapter 15, Laws of 1961 and to chapter 82.16 RCW a new section to read as follows:

In addition to the deductions provided for in RCW 82.16.050 as now or hereafter amended, in computing tax there may be deducted from gross income by persons in the light and power business, the following item: Amounts derived from the sale of electrical energy other than for resale equal to the cost of electrical energy purchased from others, but excluding electrical energy generated by the United States, which for any reporting period under RCW 82.16.070 exceeds the average of the total cost of such purchased electrical energy for the same period in the prior two years, but not to exceed the amount of total additional charge to customers, or other authorized temporary increase in total charge for electrical energy to customers, on account of such purchased electrical energy.

**NEW SECTION.** Sec. 5. Sections 2 through 4 of this 1977 amendatory act are necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

**NEW SECTION.** Sec. 6. The provisions of sections 2 through 4 of this 1977 amendatory act shall expire on July 1, 1978, and thereafter shall be null and void and of no further force and effect whatsoever."

On line 1 of the title after "taxation;" strike "and"

On line 3 of the title after "82.16.050" insert "; adding a new section to chapter 15, Laws of 1961 and to chapter 82.16 RCW; creating new sections; declaring an emergency; and prescribing an expiration date" and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

#### POINT OF ORDER

Ms. Sommers: "Mr. Speaker, I request a ruling by the Chair on the issue of scope and object on the Senate amendment to House Bill No. 623. It is my opinion that the amendment greatly expands the scope of the original bill."

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "The Senate amendment to House Bill No. 623 changes the scope and object of the bill. The bill as passed by the House provided for a reduction in the public utility tax in revenues for nonprofit water associations used for capital improvements by that nonprofit water association. The Senate amendments to the bill deal with taxes on the generation of electricity, and prohibit the state and local subdivisions from imposing taxes on a surcharge rising out of increased costs of electrical power due to the drought. The amendments change the scope and object, therefore, your point is well taken. In accordance with Rule 31, when a House bill is passed by the Senate with amendments that change the scope and object of the bill, upon receipt by the House, it shall be referred to the appropriate committee and shall take the same course as the original bill."

House Bill No. 623 was rereferred to Committee on Revenue.

#### REPORT OF CONFERENCE COMMITTEE

Mr. Speaker:

Mr. President:

We, of your Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 2668, enacting a landlord tenant act for mobile home lots, have had the same under consideration, and we report that we are unable to agree, and respectfully request the powers of Free Conference in order to amend the bill.

Signed by Senators Hayner, Marsh, Van Hollebeke; Representatives Ehlers, Smith, Tilly.

#### MOTION

**ENGROSSED SUBSTITUTE SENATE BILL NO. 2910**, Prime Sponsor: Senator Bottiger, revising statutes relating to energy facility site selection. Reported by Committee on Energy and Utilities.

**MAJORITY recommendation:** Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

\*Section 1. Section 1, chapter 45, Laws of 1970 ex. sess. as amended by section 29, chapter 108, Laws of 1975-'76 2nd ex. sess. and RCW 80.50.010 are each amended to read as follows:

The legislature finds that the present and predicted growth in energy demands in the state of Washington requires the development of a procedure for the selection and utilization of sites for energy facilities and the identification of a state position with respect to each proposed site. The legislature recognizes that the selection of sites will have a significant impact upon the welfare of the population, the location and growth of industry and the use of the natural resources of the state.

It is the policy of the state of Washington to recognize the pressing need for increased energy facilities, and to ensure through available and reasonable methods, that the location and operation of such facilities will produce minimal adverse effects on the environment((=ecology)) of the land and its wildlife, and ((the ecology)) of state waters and their aquatic life.

It is the intent to seek courses of action that will balance the increasing demands for energy facility location and operation in conjunction with the broad interests of the public. Such action will be based on these premises:

(1) To assure Washington state citizens that, where applicable, operational safeguards are at least as stringent as the criteria established by the federal government and are technically sufficient for their welfare and protection.

(2) To preserve and protect the quality of the environment; to enhance the public's opportunity to enjoy the esthetic and recreational benefits of the air, water and land resources; to promote air cleanliness; and to pursue beneficial changes in the environment.

(3) To provide abundant energy at reasonable cost.

(4) To require compliance with local land use plans and zoning ordinances with respect to energy facility sites.

It is the intent of this chapter to expedite the certification of sites for energy facilities subject to this chapter, to minimize duplication of effort in conducting studies of and preparing environmental impact statements relating to such sites, to authorize and encourage cooperation between the council and counties, other governmental agencies, and municipal or public corporations in connection with such sites, and to provide for a single detailed statement in accordance with RCW 43.21C.030(2)(c) where any proposed energy facilities are subject to certification pursuant to chapter 80.50 RCW, and to further the development of facilities to meet pressing needs.

Such reconsideration shall be conducted expeditiously. The council shall resubmit the draft certification to the governor incorporating any amendments deemed necessary upon reconsideration.

Within sixty days of receipt of such draft certification agreement, the governor shall either approve the application and execute the certification agreement or reject the application. The certification agreement shall be binding upon execution by the governor and the applicant.

(3) The (~~issuance of denial~~) rejection of ((the)) an application for certification by the governor shall be final as to that application but shall not preclude submission of a subsequent application for the same site on the basis of changed conditions or new information.

**NEW SECTION.** Sec. 13. There is added to chapter 80.50 RCW a new section to read as follows:

The state general fund shall be credited with all receipts from applicants paid to the state pursuant to chapter 80.50 RCW. Such funds shall be used only by the council for the purposes set forth in chapter 80.50 RCW. All expenditures shall be authorized by law.

**NEW SECTION.** Sec. 14. There is added to chapter 80.50 RCW a new section to read as follows:

(1) The council shall receive all applications for energy facility site certification. The following fees or charges for application processing or certification monitoring shall be paid by the applicant or certificate holder:

(a) A fee of twenty-five thousand dollars for each proposed site, to be applied toward the cost of the independent consultant study authorized in this subsection, shall accompany the application and shall be a condition precedent to any further consideration or action on the application by the council. The council shall commission its own independent consultant study to measure the consequences of the proposed energy facility on the environment for each site application. The council shall direct the consultant to study any matter which it deems essential to an adequate appraisal of the site. The full cost of the study shall be paid by the applicant: PROVIDED, That said costs exceeding a total of the twenty-five thousand dollars paid pursuant to subsection (1)(a) of this section shall be payable subject to the applicant giving prior approval to such excess amount.

(b) Each applicant shall, in addition to the costs of the independent consultant provided by subsection (1)(a) of this section, pay such reasonable costs as are actually and necessarily incurred by the council in processing the application. Such costs shall include, but are not limited to, costs of a hearing examiner, a court reporter, additional staff salaries, wages and employee benefits, goods and services, travel expenses within the state and miscellaneous expenses, as arise directly from processing such application.

Each applicant shall, at the time of application submission, deposit twenty thousand dollars, or such lesser amount as may be specified by council rule, to cover costs provided for by subsection (1)(b) of this section. Reasonable and necessary costs of the council directly attributable to application processing shall be charged against such deposit.

The council shall submit to each applicant a statement of such expenditures actually made during the preceding calendar quarter which shall be in sufficient detail to explain such expenditures. The applicant shall pay the state treasurer the amount of such statement to restore the total amount on deposit to the originally established level: PROVIDED, That such applicant may, at the request of the council, increase the amount of funds on deposit to cover anticipated expenses during peak periods of application processing. Any funds remaining unexpended at the conclusion of application processing shall be refunded to the applicant, or at the applicant's option, credited against required deposits of certificate holders.

(c) Each certificate holder shall pay such reasonable costs as are actually and necessarily incurred by the council for inspection and determination of compliance by the certificate holder with the terms of the certification relative to monitoring the effects of construction and operation of the facility.

Each certificate holder, within thirty days of execution of the site certification agreement, shall deposit twenty thousand dollars, or such other amount as may be specified by council rule, to cover costs provided for by subsection (1)(c) of this section. Reasonable and necessary costs of the council directly attributable to inspection and determination of compliance by the certificate holder with the terms of the certification relative to monitoring the effects of construction and operation of the facility shall be charged against such deposit.

The council shall submit to each certificate holder a statement of such expenditures actually made during the preceding calendar quarter which shall be in sufficient detail to explain such expenditures. The certificate holder shall pay the state treasurer the amount of such statement to restore the total amount on deposit to the originally established level: PROVIDED, That if the actual, reasonable, and necessary expenditures for inspection and determination of compliance in the preceding calendar quarter have exceeded the amount of funds on deposit, such excess costs shall be paid by the certificate holder.

(2) If an applicant or certificate holder fails to provide the initial deposit, or if subsequently required payments are not received within thirty days following receipt of the statement from the council, the council may (a) in the case of the applicant, suspend processing of the application until payment is received; or (b) in the case of a certificate holder, suspend the certification.

(3) All payments required of the applicant or certificate holder under this section are to be made to the state treasurer who shall make payments as instructed by the council from the funds submitted. All such funds shall be subject to state auditing procedures. Any unexpended portions thereof shall be returned to the applicant or certificate holder.

**NEW SECTION.** Sec. 15. There is added to chapter 80.50 RCW a new section to read as follows:

(1) Any person required to file an application for certification of an energy facility pursuant to this chapter may apply to the council for an expedited processing of such an application. The application for expedited processing shall be submitted to the council in such form and manner and accompanied by such information as may be prescribed by council rule. The council may grant an applicant expedited processing of an application for certification upon finding that:

- (a) The environmental impact of the proposed energy facility;
- (b) The area potentially affected;
- (c) The cost and magnitude of the proposed energy facility; and
- (d) The degree to which the proposed energy facility represents a change in use of the proposed site

are not significant enough to warrant a full review of the application for certification under the provisions of this chapter.

(2) Upon granting an applicant expedited processing of an application for certification, the council shall not be required to:

- (a) Commission an independent study, notwithstanding the provisions of section 14 of this 1977 amendatory act; nor
- (b) Hold a contested case hearing under chapter 34.04 RCW on the application.

(3) The council shall adopt rules governing the expedited processing of an application for certification pursuant to this section.

**NEW SECTION.** Sec. 16. There is appropriated to the energy facility site evaluation council from the general fund the sum of one hundred sixteen thousand three hundred seventeen dollars, or so much thereof as may be necessary, for the biennium ending June 30, 1979, to carry out the provisions of sections 3(2) and 15 of this 1977 amendatory act.

**NEW SECTION.** Sec. 17. The following acts or parts of acts are each repealed:

(1) Section 5, chapter 45, Laws of 1970 ex. sess., section 33, chapter 108, Laws of 1975-'76 2nd ex. sess. and RCW 80.50.050;

**NEW SECTION.** Sec. 18. If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION.** Sec. 19. This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

**REENGROSSED SUBSTITUTE SENATE JOINT RESOLUTION NO. 116,** Prime Sponsor: Senator Bottiger, permitting the lending of state and local government credit for energy conservation services and materials. Reported by Committee on Energy and Utilities.

**MAJORITY recommendation:** Do pass. Signed by Representatives Lysen, Chairman; Sherman, Vice Chairwoman; Charnley, Conner, Grimm, Kilbury, Martinis, McCormick, Pearsall, Williams.

**MINORITY recommendation:** Do not pass. Signed by Representatives Dunlap, Ranking Minority Member; Berentson, Bond.

To Committee on Rules for second reading.

#### SECOND READING

**ENGROSSED SUBSTITUTE SENATE BILL NO. 2121,** by Committee on State Government (Originally sponsored by Senators Scott, Marsh, Clarke and Odegaard - by Legislative Budget Committee request):

Restricting printing and distribution of state reports and publications.

The bill was read the second time.

Committee on State Government recommendation: Majority, do pass as amended. (For amendments, see Journal, 55th Day ex. sess., May 4, 1977.)

Mr. Ehlers moved adoption of the committee amendment.

On motion of Mr. Ehlers, the following amendment to the committee amendment was adopted:

On page 4, beginning on line 24 after "from" strike "these provisions" and insert "the provisions of this paragraph"

Mr. Ehlers spoke in favor of the committee amendment as amended.

#### POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "On page 3 of the committee amendment, subsection (3), it refers to the benefits from the publication distribution. How do you evaluate the benefits from a piece of paper as it is being distributed to the people all over the state in terms of dollars and cents?"

Mr. Ehlers: "I believe in the guidelines that were required by OPP&FM to draw up—general guidelines as to criteria for the application of this particular legislation. I would expect those kinds of guidelines would specify the benefits to the taxpayers in this state."

Mr. Douthwaite: "It sounds like the answer is that you don't know how you are going to do this, but you hope they can figure it out. Is that about it?"

Mr. Ehlers; "No, that is not about it."

Mr. Douthwaite spoke in favor of the committee amendment as amended.

#### POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Charnley.

Mr. Charnley: "Representative Ehlers, would you comment on the concerns expressed to me about the publication by schools of higher education, vocational technical institutes and so forth. What effect would this bill have on their publication of quarterly course offerings, catalogues, information for the students and the public? How would this bill affect them? Will it essentially increase their costs or just how will this affect those institutions?"

Mr. Ehlers: "I believe the original bill was unduly restrictive in that it set up a series of prior approval. I don't believe that in the way the bill has now been rewritten it has done that. In the case of a publication that costs five or six dollars apiece or more, that type of publication would be restricted, but I don't believe the type of things you are referring to—quarterly reports and so forth, as long as they are done in a economic fashion, would interfere at all with that type of publication. I think the effect of this LBC bill as rewritten, would be to restrict the kind of publication that would be very expensive and not in the best interest of the taxpayers of the state. I don't believe community colleges or any other agencies have anything to fear with this bill as it is now written."

Mr. Struthers spoke in favor of the committee amendment as amended.

The committee amendment as amended was adopted.

#### MOTIONS

On motion of Mr. Ehlers, the committee amendment to the title was adopted.

The bill was read the second time.

Committee on Transportation recommendation: Majority, do pass as amended. (For amendments, see Journal, 78th Day ex. sess., May 27, 1977.)

Mr. Conner moved adoption of the committee amendments.

Mr. Conner spoke in favor of the committee amendments.

## POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Newhouse.

Mr. Newhouse: "Representative Conner, I find it rather peculiar that the Transportation Committee puts in the statutes all these studies. Other committees do not. We have full authority to study within our own operation as a body, why should such a complicated and

lengthy expenditure be outlined in statute for authorization to study by an interim committee?"

Mr. Conner: "There are two reasons. First, we have always done it that way. The second is that we feel that the members should have an opportunity to have as broad an input and public knowledge of what this committee is trying to do."

The committee amendments were adopted.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Substitute Senate Bill No. 2525 as amended by the House was placed on final passage.

#### STATEMENT FOR THE JOURNAL

RON DUNLAP, 41st District.

Establishing the Washington State Register.

The bill was read the second time.

#### POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Blair.

Mr. Charette: "The appropriation, I believe, is either \$73,000 or \$78,000 in this bill. It will be paid for out of the general fund. This money is going to be used in conjunction with another item that is in the budget and the Code Reviser is in the process of putting all rules and regulations in the computer so there's cost in that area—the publication of the Washington Administrative Code, (in case you can't remember, it is that big set of blue books, that continues to grow, that some people have on their shelves) can be republished either annually or every

two years at a much less cost than it costs the general fund of the State of Washington at the present time. This is really a cost savings and the saving becomes greater each year into the future."

Mr. Ehlers spoke again in favor of the bill.

Mr. Fuller moved adoption of the following amendment to the committee amendment:

Beginning on page 5, strike all of sections 6 through 26, inclusive, and renumber the remaining sections consecutively.

Mr. Fuller spoke in favor of the amendment to the committee amendment.

#### POINT OF ORDER

Mr. Newhouse: "I've looked now at the House committee amendment to Reengrossed Substitute Senate Bill No. 2034, and I suggest that the sections expand the scope and object of the Senate bill, and therefore should be ruled out of order."

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Reed's Rule 112 states the time for making these objections. Both of these objections on the present action must be presented before consideration has been entered upon. After debate has begun, or other action has been taken, it is too late. It appears to the Speaker that other action has been taken, and we have recognized an amendment to the committee amendment. Debate ensued, a point of order was raised. It appears your objection isn't timely. I'm going to rule it out of order."

Mr. Newhouse: "I'd like to point out that the House committee amendment has only been moved. The other amendment and the discussion on it has not had action taken on it. I believe the point of order is timely and that the committee amendment is beyond the scope and object of the original bill. It much expands that bill. This would be the proper time to raise that."

The Speaker (Mr. O'Brien presiding): "The ruling holds."

Representatives Kilbury, Hawkins, Hurley (George) and Fortson spoke against the amendment to the committee amendment, and Representatives Greengo, Hurley (Margaret), Newhouse, Deccio and Taller spoke in favor of it.

Mr. Fuller spoke again in favor of the amendment to the committee amendment.

### SENATE AMENDMENTS TO HOUSE BILL

June 2, 1977

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 615 with the following amendments:

Strike everything after the enacting clause and insert the following:

**\*NEW SECTION.** Section 1. When a defendant is charged with the crime of murder in the first degree as defined in RCW 9A.32.030(1)(a), the prosecuting attorney or the prosecuting attorney's designee shall file a written notice of intention to request a proceeding to determine whether or not the death penalty should be imposed when the prosecution has reason to believe that one or more aggravating circumstances, as set forth in RCW 9A.32.045 as now or hereafter amended, was present and the prosecution intends to prove the presence of such circumstance or circumstances in a special sentencing proceeding under section 2 of this 1977 amendatory act.

The notice of intention to request the death penalty must be served on the defendant or the defendant's attorney and filed with the court within thirty days of the defendant's arraignment in superior court on the charge of murder in the first degree under RCW 9A.32.030(1)(a). The notice shall specify the aggravating circumstance or circumstances upon which the prosecuting attorney bases the request for the death penalty. The court may, within the thirty day period upon good cause being shown, extend the period for the service and filing of notice.

If the prosecution does not serve and file written notice of intent to request the death penalty within the specified time the prosecuting attorney may not request the death penalty.

**NEW SECTION.** Sec. 2. (1) If notice of intention to request the death penalty has been served and filed by the prosecution in accordance with section 1 of this 1977 amendatory act, then a special sentencing proceeding shall be held in the event the defendant is found guilty of murder in the first degree under RCW 9A.32.030(1)(a).

(2) If the prosecution has filed a request for the death penalty in accordance with section 1 of this 1977 amendatory act, and the trial jury returns a verdict of murder in the first degree under RCW 9A.32.030(1)(a), then, at such time as the verdict is returned, the trial judge shall reconvene the same trial jury to determine in a separate special sentencing proceeding whether there are one or more aggravating circumstances and whether there are mitigating circumstances sufficient to merit leniency, as provided in RCW 9A.32.045 as now or hereafter amended, and to answer special questions pursuant to subsection (10) of this section. The special sentencing proceeding shall be held as soon as possible following the return of the jury verdict.

(3) At the commencement of the special sentencing proceeding the judge shall instruct the jury as to the nature and purpose of the proceeding and as to the consequences of its findings as provided in RCW 9A.32.040 as now or hereafter amended.

(4) In the special sentencing proceeding, evidence may be presented relating to the presence of any aggravating or mitigating circumstances as enumerated in RCW 9A.32.045 as now or hereafter amended. Evidence of aggravating circumstances shall be limited to evidence relevant to those aggravating circumstances specified in the notice required by section 1 of this 1977 amendatory act.

(5) Any relevant evidence which the court deems to have probative value may be received regardless of its admissibility under usual rules of evidence: PROVIDED, That the defendant is accorded a fair opportunity to rebut any hearsay statements: PROVIDED FURTHER, That evidence secured in violation of the Constitutions of the United States or the state of Washington shall not be admissible.

(6) Upon the conclusion of the evidence, the judge shall give the jury appropriate instructions and the prosecution and the defendant or defendant's counsel shall be permitted to present argument. The prosecution shall open and conclude the argument to the jury.

(7) The jury shall then retire to deliberate. Upon reaching a decision, the jury shall specify each aggravating circumstance that it unanimously determines to have been established beyond a reasonable doubt. In the event the jury finds no aggravating circumstances the defendant shall be sentenced pursuant to RCW 9A.32.040(3) as now or hereafter amended.

(8) If the jury finds there are one or more aggravating circumstances it must then decide whether it is also unanimously convinced beyond a reasonable doubt there are not sufficient mitigating circumstances to merit leniency. If the jury makes such a finding, it shall proceed to answer the special questions submitted pursuant to subsection (10) of this section.

(9) If the jury finds there are one or more aggravating circumstances but fails to be convinced beyond a reasonable doubt there are not sufficient mitigating circumstances to merit leniency the defendant shall be sentenced pursuant to RCW 9A.32.040(2) as now or hereafter amended.

(10) If the jury finds that there are one or more aggravating circumstances and is unanimously convinced beyond a reasonable doubt that there are not sufficient mitigating circumstances to merit leniency, the jury shall answer the following questions:

(a) Did the evidence presented at trial establish the guilt of the defendant with clear certainty?

(b) Are you convinced beyond a reasonable doubt that there is a probability that the defendant would commit additional criminal acts of violence that would constitute a continuing threat to society?

The state shall have the burden of proving each question and the court shall instruct the jury that it may not answer either question in the affirmative unless it agrees unanimously.

If the jury answers both questions in the affirmative, the defendant shall be sentenced pursuant to RCW 9A.32.040(1) as now or hereafter amended.

If the jury answers either question in the negative the defendant shall be sentenced pursuant to RCW 9A.32.040(2) as now or hereafter amended.

(1) If, pursuant to a special sentencing proceeding held under section 2 of this 1977 amendatory act, the jury finds that there are one or more aggravating circumstances and that there are not sufficient mitigating circumstances to merit leniency, and makes an affirmative finding on both of the special questions submitted to the jury pursuant to section 2(10) of this 1977 amendatory act, the sentence shall be death;

(2) If, pursuant to a special sentencing proceeding held under section 2 of this 1977 amendatory act, the jury finds that there are one or more aggravating circumstances but fails to find that there are not sufficient mitigating circumstances to merit leniency, or the jury answers in the negative either of the special questions submitted pursuant to section 2(10) of this 1977 amendatory act, the sentence shall be life imprisonment without possibility of release or parole. A person sentenced to life imprisonment under this subsection shall not have that sentence suspended, deferred, or commuted by any judicial officer, and the board of prison terms and paroles shall never parole a prisoner nor reduce the period of confinement. The convicted person shall not be released as a result of any type of good time calculation nor shall the department of social and health services permit the convicted person to participate in any temporary release or furlough program; and

(3) In all other convictions for first degree murder, the sentence shall be life imprisonment.

Sec. 4. Section 1, chapter 9, Laws of 1975-'76 2nd ex. sess. (Initiative Measure No. 316, section 1) and RCW 9A.32.045 are each amended to read as follows:

### MOTION

Mr. Smith moved that the House do concur in the Senate amendments to Engrossed Substitute House Bill No. 615.

Representatives Smith and Tilly spoke in favor of the motion.

### POINT OF INQUIRY

Mr. Smith yielded to question by Mr. Knedlik.

Mr. Knedlik: "Representative Smith, I'm interested in having you clearly indicate to me as Chairman of the Subcommittee on Capital Punishment, whether it is your understanding that the first paragraph of new section 8 is in fact simply a redaction of the existing language. The reason I'm interested in that is because at least two terms that I don't believe are defined anywhere in our state law or in the code, appear here. Particularly 'legal jeopardy' and 'heinous crime,' and I would have trouble voting for this bill unless I was confident and assured by you that you believe that this is a redaction of the existing language with regard to self-defense."

Mr. Smith: "Yes, Representative Knedlik, there is another term in the amendment that is not defined, and that is 'aggravated assault.' However, it is my understanding, and I do believe that taken as a whole, the self-defense is conditioned upon the use of reasonable means necessary to protect yourself, someone else who is under attack as indicated, or your property. I think that is consistent with our current law in RCW 9A.16.020(3)."

The motion was carried.

### POINT OF PARLIAMENTARY INQUIRY

Mr. Knowles: "This bill will require sixty-six votes for passage, will it not?"

The Speaker (Mr. O'Brien presiding): "The passage of this bill requires two-thirds of the constitutionally elected members of the House of Representatives, or sixty-six votes."

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 615 as amended by the Senate, and the bill passed the House by the following vote: Yeas, 68; nays, 24; not voting, 6.

Strike everything after the enacting clause and insert the following:

**"NEW SECTION.** Section 1. **LEGISLATIVE FINDING.** It is the legislative finding that those employees who are presently members of the law enforcement officers' and fire fighters' retirement system may retain membership in this retirement system or may transfer into the parallel retirement system created by this act but in no instance shall there be any diminishment or loss of benefits or rights, whether current or prospective, of those employees, other than the provisions of disability, who retain their membership in the law enforcement officers' and fire fighters' retirement system and who were first employed on or before June 30, 1977.

**NEW SECTION.** Sec. 2. **APPLICATION TO CERTAIN PERSONS.** Sections 3 through 15 of this 1977 amendatory act shall, on or after July 1, 1977, apply only to:

(1) Those persons who are initially employed by an employer; or

(2) Those members who have transferred pursuant to section 16 of this 1977 amendatory act.

**NEW SECTION.** Sec. 3. **COMPUTATION OF THE RETIREMENT ALLOWANCE.** A member of the retirement system shall receive a retirement allowance equal to one and one-half percent of such member's final average salary for each year of service.

**NEW SECTION.** Sec. 4. **RETIREMENT FOR SERVICE.** (1) **NORMAL RETIREMENT.** Any member with five or more years of service who has attained at least age sixty shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act.

(2) **EARLY RETIREMENT.** Any member who has completed at least five years of service and attained age fifty-seven shall be eligible to retire and to receive a retirement allowance computed according

to the provisions of section 3 of this 1977 amendatory act, except that a member retiring pursuant to this subsection shall have the retirement allowance actuarially reduced to reflect the difference in the number of years between age at retirement and the attainment of age sixty.

**NEW SECTION, Sec. 5. POST-RETIREMENT COST-OF-LIVING.** Beginning July 1, 1979, and every year thereafter, the department shall determine the following information for each retired member or beneficiary whose retirement allowance has been in effect for at least one year:

(1) The original dollar amount of retirement allowance;

(2) The index for the calendar year prior to the effective date of the retirement allowance, to be known as "index A";

(3) The index for the calendar year prior to the date of determination, to be known as "index B"; and

(4) The percentage amount when index B is divided by index A.

The percentage obtained, if any, shall be the annual adjustment to the original retirement allowance and shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:

(a) Produce a retirement allowance which is lower than the original retirement allowance;

(b) Exceed six percent in the initial annual adjustment; or

(c) Differ from the previous year's annual adjustment by more than six percent.

For the purposes of this section, "index" means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

**NEW SECTION, Sec. 6. EMPLOYER, MEMBER, AND STATE CONTRIBUTIONS.** The required contribution rates to the retirement system for members and employers shall be established by the director from time to time as may be necessary upon the advice of the state actuary.

Contribution rates required to fund the costs of the retirement system shall always be equal for members and employers, except as herein provided. Any adjustments in contribution rates required from time to time for future costs shall likewise be shared equally by the members and employers: PROVIDED, That the cost of amortizing the unfunded supplemental present value of that portion of the retirement system, as in effect on June 30, 1977, shall be borne in full by the state.

The director shall notify the retirement board of any pending adjustment in the required contribution rate and such increase shall be announced at a board meeting held at least thirty days prior to the effective date of the change.

Members' contributions required by this section shall be deducted from the members basic salary each payroll period. The members contribution and the employers contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends.

Until such time as the director shall establish other rates, members and employers of such members shall each contribute six and fifteen one hundredths percent of basic salary: PROVIDED, That the state shall initially contribute an additional twenty percent of basic salary per member to fund the cost of amortizing that portion of the unfunded supplemental present value of the retirement system as in effect on June 30, 1977: PROVIDED FURTHER, That for the 1977-1979 biennium the employer rate of contribution shall be borne by the state.

(1) **OPTION 1.** A member electing this option shall receive a retirement allowance payable throughout such member's life. However, if the retiree dies before the total of the retirement allowance paid to such retiree equals the amount of such retiree's accumulated contributions at the time of retirement, then the balance shall be paid to such person or persons having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

(2) **OPTION 2.** A member who elects this option shall receive a reduced retirement allowance, which upon the member's death shall be continued throughout the life of and paid to such person having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department at the time of the retiree's retirement.

Any employee who so elects, upon attaining age fifty, shall be eligible to apply for and receive a service retirement allowance based on his years of service, commencing on the first day following his attainment of age fifty. This section shall also apply to a person who rendered service as a law enforcement officer or fire fighter, as those terms are defined in RCW 41.26.030, on or after July 1, 1969, but who was not employed as a law enforcement officer or fire fighter on March 1, 1970, by reason of his having been elected to a public office. Any member selecting this optional vesting with less than twenty years of service shall not be covered by the provisions of RCW 41.26.150, and his survivors shall not be entitled to the benefits of RCW 41.26.160 unless his death occurs after he has attained the age of fifty years. Those members selecting this optional vesting with twenty or more years service shall not be covered by the provisions of RCW 41.26.150 until the attainment of the age of fifty years: **PROVIDED**, That a member selecting this option, with less than twenty years of service credit, who shall die prior to attaining the age of fifty years, shall have paid from the Washington law enforcement officers' and fire fighters' retirement fund, to such member's surviving spouse, if any, otherwise to such beneficiary as the member shall have designated in writing, or if no such designation has been made, to the personal representative of his estate, a lump sum which is equal to the amount of such member's accumulated contributions plus accrued interest: **PROVIDED FURTHER**, That if the vested member has twenty or more years of service credit the surviving spouse or children shall then become eligible for the benefits of RCW 41.26.160 regardless of his age at the time of his death, to the exclusion of the lump sum amount provided by this subsection.

(3) Any member who has attained the age of sixty years shall be retired on the first day of the calendar month next succeeding that in which said member shall have attained the age of sixty and may not thereafter be employed as a law enforcement officer or fire fighter: **PROVIDED**, That for any member who is elected or appointed to the office of sheriff, chief of police, or fire chief, his election or appointment shall be considered as a waiver of the age sixty provision for retirement and nonemployment for whatever number of years remain in his present term of office and any succeeding periods for which he may be so elected or

appointed: **PROVIDED FURTHER**, That the provisions of this subsection shall not apply to any member who is employed as a law enforcement officer or fire fighter on March 1, 1970.

Sec. 24. Section 17, chapter 209, Laws of 1969 ex. sess. as last amended by section 5, chapter 120, Laws of 1974 ex. sess. and RCW 41.26.160 are each amended to read as follows:

(1) In the event of the death of any member who is in active service, or who has vested under the provisions of RCW 41.26.090 with twenty or more years of service, or who is on disability leave or retired, whether for disability or service, his surviving spouse shall become entitled to receive a monthly allowance equal to fifty percent of his final average salary at the date of death if active, or the amount of retirement allowance the vested member would have received at age fifty, or the amount of the retirement allowance such retired member was receiving at the time of his death if retired for service or disability. The amount of this allowance will be increased five percent of final average salary for each child as defined in RCW 41.26.030(7), as now or hereafter amended, subject to a maximum combined allowance of sixty percent of final average salary: **PROVIDED**, That if the child or children is or are in the care of a legal guardian, payment of the increase attributable to each child will be made to the child's legal guardian.

(2) If at the time of the death of a vested member with twenty or more years service as provided above or a member retired for service or disability, the surviving spouse has not been lawfully married to such member for one year prior to his retirement or separation from service if a vested member, the surviving spouse shall not be eligible to receive the benefits under this section: **PROVIDED**, That if a member dies as a result of a disability incurred in the line of duty, then if he was married at the time he was disabled, his surviving spouse shall be eligible to receive the benefits under this section.

(3) If there be no surviving spouse eligible to receive benefits at the time of such member's death, then the child or children of such member shall receive a monthly allowance equal to thirty percent of final average salary for one child and an additional ten percent for each additional child subject to a maximum combined payment, under this subsection, of sixty percent of final average salary. When there cease to be any eligible children as defined in RCW 41.26.030(7), as now or hereafter amended, there shall be paid to the legal heirs of said member the excess, if any, of accumulated contributions of said member at the time of his death over all payments made to his survivors on his behalf under this chapter: **PROVIDED**, That payments under this subsection to children shall be prorated equally among the children, if more than one.

(4) In the event that there is no surviving spouse eligible to receive benefits under this section, and that there be no child or children eligible to receive benefits under this section, then the accumulated contributions shall be paid to the estate of said member.

(5) If a surviving spouse receiving benefits under the provisions of this section thereafter dies ((or remarries)) and there are children as defined in RCW 41.26.030(7), as now or hereafter amended, payment to the spouse shall cease and the child or children shall receive the benefits as provided in subsection (3) above.

(6) The payment provided by this section shall become due the day following the date of death and payments shall be retroactive to that date.

**NEW SECTION.** Sec. 25. There is added to chapter 41.26 RCW a new section to read as follows:

The appropriations contained in subsections (6) through (42) of this section shall be subject to the following conditions and limitations:

The productivity of any salmon propagation facility is very dependent on water quantity and quality. Since there is a limited number of water sources which meet the critical needs of a facility it is imperative that these sources are acquired. Therefore, site acquisitions and preliminary design shall be considered by the department as generally having priority over project development in the allocation of funds;

Prior to expending any moneys for the construction and development of any particular salmon propagation facility, except for site acquisition and preliminary design, the department shall give consideration to the following factors with respect to that facility:

The department's management authority over propagated salmon;

The level of expected Canadian interception on the propagated salmon and whether this would be acceptable;

Whether an acceptable agreement has been reached on the status of treaty Indian salmon harvest; and

Whether there can be a maximum harvest of propagated salmon with a tolerable impact on other salmonoid stocks, both natural and artificial, and on their environment. The department shall consult on this matter with the department of game;

To aid and advise the department in the performance of its functions as specified herein with regard to the salmon enhancement program, a salmon advisory council shall be created. The advisory council shall consist of ten members appointed by the governor; the director of the department of fisheries, who shall be chairman; the director of the department of game; one member of the senate to be appointed by the president of the senate; and one member of the house of representatives to be appointed by the speaker of the house of representatives. Of the appointive members two shall represent troll fishermen; two shall represent gillnet fishermen, of which one shall be from the Puget Sound area and one from the southwest Washington area; one shall represent purse seine fishermen; one shall represent owners of charter boats; two shall represent sportsmen; and two shall represent fish processors, of which one shall represent fresh or frozen fish processors and one shall represent canneries.

The advisory council shall be convened by the director prior to the decision to expend any funds for construction and development of any salmon propagation facility listed in subsections (6) through (42) of this section. The council shall advise the director with regard to the considerations listed herein and any other factors the council deems relevant with respect to the proposed facility.

Terms of the appointive members shall not exceed two years and shall continue until their successors are appointed. Vacancies shall be filled in the same manner as original appointments. Members shall receive reimbursement for travel expenses incurred in the performance of their duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

The director of the department of game, or his designee, shall receive reimbursement for travel expenses incurred in the performance of his duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. The legislative members or their designees, shall be deemed engaged in legislative business while in attendance upon the business of the council and shall be limited to such allowances therefor as otherwise provided in RCW 44.04.120 as now existing or hereafter amended.

Not more than the following amounts as listed in subsections (6) through (42) of this section shall be expended for the site acquisition, preliminary design, construction and development of such hereinabove described projects, which are ranked after site acquisition and exploration, survey, and design in order of their estimated benefit/cost ratio, with the project having the highest benefit/cost ratio being listed first.

## REPORT OF FREE CONFERENCE COMMITTEE

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 2668, enacting a landlord-tenant act for mobile home lots, have had the same under consideration, and we recommend that the bill be amended to read as follows:

On page 1, strike everything after the enacting clause and insert the following:

\*NEW SECTION. Section 1. This chapter shall be known and may be cited as the 'Mobile Home Landlord-Tenant Act'.

**NEW SECTION.** Sec. 2. Every duty under this chapter and every act which must be performed as a condition precedent to the exercise of a right or remedy under this chapter imposes an obligation of good faith in its performance or enforcement.

**NEW SECTION.** Sec. 3. For purposes of this chapter:

- (1) 'Landlord' means the owner of a mobile home park and includes the agents of a landlord;
- (2) 'Mobile home lot' means a portion of a mobile home park designated as the location of one mobile home and its accessory buildings, and intended for the exclusive use of the occupants of that mobile home;
- (3) 'Mobile home park' means any real property which is rented or held out for rent to others for the placement of two or more mobile homes for the primary purpose of production of income;
- (4) 'Tenant' means any person, except a transient, who rents a mobile home lot;
- (5) 'Transient' means a person who rents a mobile home lot for a period of less than one month.

**NEW SECTION.** Sec. 4. This chapter shall regulate and determine legal rights, remedies, and obligations arising from any rental agreement between a landlord and a tenant regarding a mobile home lot. All such rental agreements shall be unenforceable to the extent of any conflict with any provision of this chapter. Chapter 59.12 RCW shall be applicable only in implementation of the provisions of this chapter and not as an alternative remedy to this chapter which shall be exclusive where applicable: PROVIDED, That the provision of RCW 59.12.090, 59.12.100, and 59.12.170 shall not apply to any rental agreement included under the provisions of this chapter. RCW 59.18.370 through 59.18.410 shall be applicable to any action of forcible entry or detainer or unlawful detainer arising from a tenancy under the provisions of this chapter. Rentals of mobile homes themselves are governed by the Residential Landlord-Tenant Act, chapter 59.18 RCW.

**NEW SECTION.** Sec. 5. (1) On and after the effective date of this act, no landlord may offer a mobile home lot for rent without offering to a prospective tenant a written rental agreement for a term of one year or more. A prospective tenant who desires to occupy a mobile home lot for other than a term of one year or more may have the option to be on a month to month basis but must waive, in writing, the right to such one year or more term. Except pursuant to such waiver, no landlord shall allow a mobile home to be moved into a mobile home park in this state until a written rental agreement has been signed by the landlord and the tenant and a copy provided for the tenant;

(2) The requirements of subsection (1) of this section shall not apply if:

- (a) The mobile home park or part thereof has been acquired or is under imminent threat of condemnation for a public works project, or
- (b) An employer-employee relationship exists between a landlord and tenant;
- (3) The provisions of this section shall apply to any tenancy in existence prior to the effective date of this act, upon expiration of the term of any oral or written rental agreement governing such tenancy.

**NEW SECTION.** Sec. 6. (1) Any rental agreement executed between the landlord and tenant shall contain:

(a) The terms for the payment of rent, including time and place, and any additional charges to be paid by the tenant. Additional charges that occur less frequently than monthly shall be itemized in a billing to the tenant;

(b) Reasonable rules for guest parking which shall be clearly stated;

(c) The rules and regulations of the park;

(d) The name and address of the person who is the landlord, and if such person does not reside in the state where the mobile home park is located there shall also be designated by name and address a person who resides in the county where the mobile home park is located who is authorized to act as agent for the purposes of service of notices and process. If no designation is made of a person to act as agent, then the person to whom rental payments are to be made shall be considered the agent; and

(e) The terms and conditions under which any deposit or portion thereof may be withheld by the landlord upon termination of the rental agreement if any moneys are paid to the landlord by the tenant as a deposit or as security for performance of the tenant's obligations in a rental agreement.

(2) Any rental agreement executed between the landlord and tenant shall not contain:

(a) Any provision which allows the landlord to charge a fee for guest parking unless a violation of the rules for guest parking occurs: PROVIDED, That a fee may be charged for guest parking which covers an extended period of time as defined in the rental agreement;

(b) Any provision which authorizes the towing or impounding of a vehicle except upon notice to the owner thereof or the tenant whose guest is the owner of said vehicle;

(c) Any provision which allows the landlord to increase the rent or alter the due date for rent payment during the term of the rental agreement: PROVIDED, That a rental agreement may include an escalation clause for a pro rata share of any increase in the mobile home park's real property taxes or utility assessments or charges, over the base taxes or utility assessments or charges of the year in which the rental agreement took effect, if the clause also provides for a pro rata reduction in rent or other charges in the event of a reduction in real property taxes or utility assessments or charges, below the base year;

(d) Any provision by which the tenant agrees to waive or forego rights or remedies under this chapter;

or

(e) Any provision allowing the landlord to charge an 'entrance fee' or an 'exit fee'.

**NEW SECTION.** Sec. 7. A landlord shall not:

(1) Deny any tenant the right to sell such tenant's mobile home within a park or require the removal of the mobile home from the park solely because of the sale thereof: PROVIDED, That:

(a) A rental agreement for a fixed term shall be assignable by the tenant to any person to whom he sells or transfers title to the mobile home, subject to the approval of the landlord after fifteen days' written notice of such intended assignment;

(b) The assignee of the rental agreement shall assume all the duties and obligations of his assignor for the remainder of the term of the rental agreement unless, by mutual agreement, a new rental agreement is entered into with the landlord; and

(c) The landlord shall approve or disapprove of the assignment of a rental agreement on the same basis that the landlord approves or disapproves of any new tenant; or

(2) Restrict the tenant's freedom of choice in purchasing goods or services but may reserve the right to approve or disapprove any exterior structural improvements on a mobile home lot: **PROVIDED**, That door-to-door solicitation in the mobile home park may be restricted in the rental agreement.

**NEW SECTION.** Sec. 8. Tenancy during the term of a rental agreement may be terminated by the landlord only for one or more of the following reasons:

(1) Substantial or repeated violation of the rules of the mobile home park as established by the landlord at the inception of the tenancy or as assumed subsequently with the consent of the tenant. The tenant shall be given written notice of a fifteen day period in which to comply or vacate. In the case of periodic rather than continuous violation, said notice shall specify that the same violation repeated shall result in termination;

(2) Nonpayment of rent or other charges specified in the rental agreement, upon five days written notice to pay rent and/or other charges or to vacate;

(3) Conviction of the tenant of a crime, commission of which threatens the health, safety, or welfare of the other mobile home park tenants. The tenant shall be given written notice of a fifteen day period in which to vacate.

**NEW SECTION.** Sec. 9. (1) Unless otherwise agreed rental agreements shall be for a term of one year. Any rental agreement for a term of one year and any rental agreement renewed for a six-month term shall be automatically renewed for an additional six-month term unless:

(a) Otherwise specified in the original written rental agreement; or

(b) The landlord notifies the tenant in writing three months prior to the expiration of the rental agreement that it will not be renewed or will be renewed only with the changes contained in such notice.

A tenant shall notify the landlord in writing one month prior to the expiration of a rental agreement of an intention not to renew.

(2) The tenant may terminate the rental agreement upon thirty days written notice whenever a change in the location of the tenant's employment requires a change in his residence, and shall not be liable for rental following such termination unless after due diligence and reasonable effort the landlord is not able to rent the mobile home lot at a fair rental. If the landlord is not able to rent the lot, the tenant shall remain liable for the rental specified in the rental agreement until the lot is rented or the original term ends;

(3) Any tenant who is a member of the armed forces may terminate a rental agreement with less than thirty days notice if he receives reassignment orders which do not allow greater notice.

**NEW SECTION.** Sec. 10. Improvements, except a natural lawn, purchased and installed by a tenant on a mobile home lot shall remain the property of the tenant even though affixed to or in the ground and may be removed or disposed of by the tenant prior to the termination of the tenancy: **PROVIDED**, That a tenant shall leave the mobile home lot in substantially the same or better condition than upon taking possession.

**NEW SECTION.** Sec. 11. In any action arising out of this chapter, the prevailing party shall be entitled to reasonable attorney's fees and costs.

**NEW SECTION.** Sec. 12. Venue for any action arising under this chapter shall be in the district or superior court of the county in which the mobile home lot is located.

**NEW SECTION.** Sec. 13. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION.** Sec. 14. Sections 1 through 12 of this act shall constitute a new chapter in Title 59 RCW."

On page 1, line 21 after "after" strike "July 1, 1970" and insert "the effective date of this act"

## MOTIONS

Ms. Erickson moved that the House do not concur in the Senate amendments to Reengrossed House Bill No. 584, and ask the Senate for a conference thereon.

Mr. Barnes moved that the House do concur in the Senate amendments.

Mr. Barnes spoke in favor of the motion to concur, and Mr. Thompson spoke against it.

## MOTION

On motion of Mr. Thompson, the question was divided.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the motion to adopt the Senate amendment to page 1, line 21.

## POINT OF PARLIAMENTARY INQUIRY

Mr. Newhouse: "In effect, you have restricted Representative Barnes' motion to concur in the first amendment, which changes on line 21, 'July 1, 1970' to 'the effective date of the act', so that this would not be a retroactive bill if this were adopted?"

The Speaker (Mr. O'Brien presiding): "What would happen on a motion to divide the question is that we are taking the two amendments separately. Representative Barnes, if he wants to concur, would have to make two separate motions. The question before the House now is to concur in the first amendment."

Representatives Thompson and Charnley spoke against the motion to concur, and Mr. Newhouse spoke in favor of it.

Mr. Thompson spoke again in opposition to the motion, and the motion was lost.

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the Senate amendment to page 1, line 24.

The motion was carried.

## SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 3110, by Committee on Ways and Means (Originally sponsored by Senators Donohue, Odegaard, Scott and Newschwander):

Adopting the 1977-1979 capital budget.

The bill was read the second time.

Committee on Appropriations recommendation: Majority, do pass as amended. (For amendment, see Journal, 86th Day ex. sess., June 4, 1977.)

Mr. Shinpoch moved adoption of the committee amendment.

Mrs. Sherman moved adoption of the following amendment by Representatives Sherman and North to the committee amendment:

On page 13, line 1 strike all the material down to and including line 10 and insert a new subsection to read as follows:

"(13) To provide planning, design, and site selection funds for a maximum security facility.

DSHS Constr Acct Project Costs Through 6/30/77	Estimated Costs 7/1/79 and Thereafter	REAPPROPRIATION	APPROPRIATION
		0 Estimated Total Costs	750,000 Estimated Completion Date
0	11,250,000	12,000,000	6/81"

Representatives Sherman, North, Owen and Struthers spoke in favor of the amendment to the amendment, and Representatives Hanna, Hurley (George) and Barr spoke against it.

## POINT OF INQUIRY

Mr. Struthers yielded to question by Mr. Barr.

Mr. Barr: "Is it true that at the present time the plans are well underway, and perhaps, the prisoners are being transferred to Spokane County—more minimum security ones, at this time?"

Mr. Struthers: "I don't know."

Mr. Barr: "Never ask a question unless you know the answer, and I think the answer is obvious. The second part of my question, or another question, is I understand from Senator Hayner that there has been a survey in the Walla Walla area, and that they are not objecting to expanding or improving—"

## POINT OF ORDER

Mr. Ehlers: "I don't believe that the current speaker's questions or his comments relate to the amendment before us."

## SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "I will rule on your point of order as soon as he finishes his question."

Mr. Barr: "My question was as it pertains to the Walla Walla community—is it true that they took a survey down there, and the survey was affirmative that they would accept expansion of the maximum security prison at Walla Walla?"

Mr. Struthers: "There wasn't a survey run as such, other than a very limited one, and yes, we would like to have more industry in Walla Walla. We would accept additional penitentiary facilities as that industry."

Mr. Shinpoch spoke against the amendment to the committee amendment.

The amendment to the committee amendment was not adopted.

Mr. Barr moved adoption of the following amendment by Representatives Barr and Bauer to the committee amendment:

On page 13, line 3 after "unit" insert ": PROVIDED, That location of any facility shall first be preceded by approval of the legislative authority of the county(ies) within which the facility is to be located followed by a majority affirmative vote of the voters residing within the county(ies)"

Mr. Barr spoke in favor of the amendment to the amendment, and Mr. Hanna spoke against it.

Mr. Barr spoke again in favor of the amendment, and it was not adopted.

Mr. Hanna moved adoption of the following amendment to the committee amendment:

On page 13, line 3, immediately following "unit." insert "As a condition of this appropriation and the reappropriation provided in subsection 7, of the section, the department shall submit to the appropriate committees of the legislature no later than July 1, 1978, a plan which shall include: (a) proposals to reduce the population at the penitentiary and reformatory to provide for single occupancy of the cells in the two institutions; (b) proposals to reduce the level of security affecting both personnel and physical plan to be commensurate with the reduction in inmate population, and (c) a classification system which reflects all current and pending physical plant changes throughout the adult corrections system."

Mr. Hanna spoke in favor of the amendment to the committee amendment.

## POINT OF INQUIRY

Mr. Hanna yielded to question by Mrs. Hurley (Margaret).

Mrs. Hurley (Margaret): "Representative Hanna, I don't understand subsection (b), 'proposals to reduce the levels of security affecting both personnel and physical plant to be commensurate with the reduction in inmate population.' It seems to me that the concern of most of the people throughout the state (our area as well as all these other areas) is the security that exists in any of these institutions. Why put prisoners—people that are guilty of having broken the law and don't seem to care very much to go back to a good life—why reduce the security for those people? Just because you reduce the number it seems to me that it would cause a lot of problems to undo all the security provisions that you have got there now. Why not keep it just as secure as it is and make it just a little bit more so?"

Mr. Hanna: "The reason for that is that if we take the most dangerous and difficult groups of inmates out of Walla Walla and Monroe, and we have given them the new mini-prisons to keep them, and reduce the single-cell occupancy of medium security level inmates, we just cannot justify having the same maximum level security of guarding. This does not mean that the perimeter guarding will be any more relaxed. It just means you don't need the same amount of personnel to watch eight hundred medium security people as you do sixteen hundred, half of which are very dangerous."

## POINT OF INQUIRY

Mr. Hanna yielded to question by Mr. Polk.

Mr. Polk: "Representative Hanna, on about the fourth line, the department is directed to submit to the appropriate committees of the Legislature, their plan. Could you tell us what the appropriate committees of the Legislature are?"

Mr. Hanna: "Of course we would always bow down to the judgment of the Rules Committee as to which committees would be appropriate. I would think the Appropriations Committee and Institutions Committee would be the ones selected in the House. In the Senate, I imagine it would be Social and Health Services and Ways and Means."

#### POINT OF INQUIRY

Mr. Hanna yielded to question by Mrs. North.

Mrs. North: "Representative Hanna, under (a) it says, 'reduce the population at the penitentiary and reformatories to provide for single occupancy...' and so forth. How can you forecast that the level of prisoners is going to remain constant and that we aren't going to have to have a great influx and that you can't do this?"

Mr. Hanna: "We are expecting an increase of about a thousand over the next four years. But in the construction we are doing, in the new honor camp, the new work-release facility, and if we pass House Bill No. 307, which is having a little problem in the Senate, then we will have provided more than enough beds and services to handle everybody, even with that increased number, and still reduce the occupancy of cells at Walla Walla and Monroe."

Mr. Deccio spoke in favor of the amendment to the committee amendment, and Representatives Struthers and Tilly spoke against it.

Mr. Hanna spoke again in favor of the amendment to the committee amendment.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Hanna to the committee amendment to Engrossed Substitute Senate Bill No. 3110, and the amendment to the amendment was adopted by the following vote: Yeas, 63; nays, 27; not voting, 8.

Voting yea: Representatives Barnes, Bauer, Becker, Bender, Blair, Boldt, Burns, Chandler, Charnley, Clemente, Conner, Deccio, Douthwaite, Ehlers, Enbody, Erak, Erickson, Fischer, Fortson, Fuller, Gaines, Gallagher, Grier, Grimm, Gruger, Hanna, Hansen, Hawkins, Heck, Hughes, Hurley G. S., Keller, King, Knowles, Kreidler, Lysen, Martinis, Maxie, May, McCormick, McKibbin, Nelson D., North, O'Brien, Owen, Pearsall, Pruitt, Salatino, Sherman, Shinoda, Shipoch, Smith, Sommers, Tally, Thompson, Valle, Vrooman, Walk, Warnke, Whiteside, Williams, Winsley, and Mr. Speaker.

Voting nay: Representatives Amen, Barr, Berentson, Clayton, Craswell, Dunlap, Eng, Fancher, Flanagan, Gilleland, Greengo, Hurley M., Kilbury, Knedlik, Leckenby, Lee, Nelson G. A., Oliver, Paris, Patterson, Polk, Sanders, Schmitten, Struthers, Tilly, Wilson, Zimmerman.

Not voting: Representatives Adams, Bond, Charette, Haley, Lux, Moreau, Newhouse, Pardini.

Mr. Struthers moved adoption of the following amendment to the committee amendment: On page 11, line 6 strike "1,993,000" and insert "115,000"

Mr. Struthers spoke in favor of the amendment to the amendment, and Mr. Shipoch spoke against it.

#### POINT OF INQUIRY

Mr. Shipoch yielded to question by Mr. Deccio.

Mr. Deccio: "Representative Shipoch, this figures out to be about \$1500 per inmate, and I'm just curious about what we are going to do for \$2 million that would only go to the kitchen facilities. It seems to me that this is an astronomical amount of money just on its face. I think we would like to have some detail about what they are going to do there."

Mr. Shipoch: "What you are saying is that you would like for me to bring the working drawings and the books and filing cabinets out here on every individual project so I can read it. Well, I'm not going to do that. There is a set of specifications, and it is available to everyone. The specific appropriation is to design, provide the drawings and construct a new facility for food services in Walla Walla. The information relative to those individual projects is available to every member, but that is a file cabinet full of things that you are talking about."

Mr. Deccio: "I guess I'm trying to put it in perspective. We are building a new facility at Monroe for \$10 million. It is just inconceivable to me that we are going to remodel the kitchen facilities at Walla Walla for twenty percent of that. I guess I have to question, even though you have a cabinet full of plans, I still have to question this kind of appropriation for this kind of project."

Mr. Shipoch: "I think we should clarify that when you are talking about \$10 million for Monroe, that what you are talking about is a maximum security facility for approximately one

hundred to one hundred twenty-five people. You are not talking about building a new facility at Monroe for \$10 million. You are talking about one hundred to one hundred twenty-five beds for \$10 million."

Mr. Deccio continued his remarks in opposition to the amendment to the committee amendment.

**ROLL CALL**

The Clerk called the roll on adoption of the amendment by Representative Struthers to the committee amendment, and the amendment was not adopted by the following vote: Yeas, 27; nays, 57; not voting, 14.

Voting yea: Representatives Barnes, Barr, Berentson, Blair, Boldt, Chandler, Clayton, Craswell, Deccio, Fischer, Flanagan, Fuller, Gilleland, Greengo, Hughes, Kilbury, Knedlik, Lee, Nelson G. A., Polk, Sanders, Schmittens, Struthers, Taller, Tilly, Whiteside, Wilson.

Voting nay: Representatives Bauer, Becker, Bender, Burns, Charnley, Clemente, Conner, Douthwaite, Ehlers, Erbody, Eng, Erak, Erickson, Fortson, Gaines, Gallagher, Grier, Grimm, Gruger, Hanna, Hansen, Hawkins, Heck, Hurley G. S., Hurley M., Keller, King, Knowles, Kreidler, Leckenby, Lux, Lysen, Maxie, May, McCormick, Nelson D., North, O'Brien, Oliver, Owen, Paris, Pearsall, Pruitt, Salatino, Sherman, Shinoda, Shipoch, Smith, Sommers, Thompson, Valle, Walk, Warnke, Williams, Winsley, Zimmerman, and Mr. Speaker.

Not voting: Representatives Adams, Amen, Bond, Charette, Dunlap, Fancher, Haley, Martinis, McKibbin, Moreau, Newhouse, Pardini, Patterson, Vrooman.

On motion of Mr. Hanna, the following amendment to the committee amendment was adopted:

On page 13, immediately following line 10 insert a new subsection to read as follows:

"(14) To improve security of the mentally ill offenders facility at Eastern State Hospital.

		REAPPROPRIATION	APPROPRIATION
DSHS Constr Acct		0	100,000

Mr. Smith moved adoption of the following amendment by Representatives Smith, Hawkins, Craswell and Hanna to the committee amendment:

On page 19, line 32 insert a new subsection to read as follows:

"(17) To provide design and land acquisition funds for 100-bed residential unit and renovation of existing facilities, Francis Haddon Morgan Children's Center.

		REAPPROPRIATION	APPROPRIATION
DSHS Constr Acct		0	750,000

Representatives Smith and Craswell spoke in favor of the amendment to the amendment, and Representatives Shipoch and Gruger spoke against it.

Mr. Smith spoke again in favor of the amendment to the committee amendment, and Mr. Shipoch spoke again in opposition to it.

The amendment to the committee amendment was not adopted.

**MOTIONS**
