(b) The court has ordered detention as a material witness;

(c) The youth is a fugitive from justice;

(d) The secretary or the secretary's designee has suspended the early release of a juvenile offender;

(e) There is clear and convincing evidence that the youth is dangerous to others; or

(f) The youth will seek to intimidate witnesses or otherwise unlawfully interfere with the administration of justice.

(3) Upon a finding that members of the community have threatened the health of a youth taken into custody, at the youth's request the court may order continued detention pending further order of the court.

(4) A youth detained under this section may be released upon posting bond set by the court. A court authorizing such a release shall issue an order containing a statement of conditions imposed upon the youth and shall set the date of his or her next court appearance. The court shall advise the youth of any conditions specified in the order and may at any time amend such an order in order to impose additional or different conditions of release upon the youth or to return the youth to custody for failing to conform to the conditions imposed. Failure to appear on the date scheduled by the court pursuant to this section shall constitute the crime of bail jumping.

NEW SECTION. Sec. 59. (1) When a youth taken into custody is held in detention:

(a) An information shall be filed within seventy-two hours, Saturdays, Sundays, and holidays excluded, or the youth shall be released; and

(b) A detention hearing shall be held within seventy-two hours, Saturdays, Sundays, and holidays excluded, from the time of filing the information, to determine whether continued detention is necessary under section 58 of this 1977 amendatory act.

(2) Written notice of the detention hearing, stating the time, place, and purpose of the hearing, and stating the right to counsel, shall be given to the parent, guardian, or custodian if such person can be found and shall also be given to the youth if over twelve years of age.

(3) At the commencement of the detention hearing, the court shall advise the parties of their rights under this chapter and shall appoint counsel as specified in this chapter.

(4) The court shall, based upon the allegations in the information, determine whether the case is properly before it or whether the case should be treated as a diversion case under section 62 of this 1977 amendatory act. If the case is not properly before the court the juvenile shall be ordered released.

(5) Notwithstanding a determination that the case is properly before the court and that probable cause exists, a child shall at the detention hearing be ordered released on the child's personal recognizance pending further hearing unless the court finds detention is necessary under section 58 of this 1977 amendatory act.

(6) If detention is not necessary under section 58 of this 1977 amendatory act the court shall impose the most appropriate of the following conditions or, if necessary, any combination of the following conditions:

(a) Place the child in the custody of a designated person agreeing to supervise such child;
(b) Place restrictions on the travel of the child during the period of release;
(c) Require the child to report regularly to and remain under the supervision of the juvenile court;
(d) Impose any condition other than detention deemed reasonably necessary to assure appearance as required; or
(e) Require that the child return to detention during specified hours.

NEW SECTION. Sec. 60. (1) Proceedings under this chapter shall be commenced in the county where the child resides. However, proceedings may be commenced in the county where an element of the alleged criminal offense occurred if so requested by the child or by the prosecuting attorney of the county where the incident occurred.

(2) If the hearing takes place in the county where an element of the alleged criminal offense occurred, the case and copies of all legal and social documents pertaining thereto shall be transferred to the county where the child resides for a disposition hearing. All costs and arrangements for care and transportation of the child in custody shall be the responsibility of the receiving county as of the date of the transfer, unless the counties otherwise agree.

(3) The court upon motion of any party or upon its own motion may, at any time, transfer a proceeding to another juvenile court when:
(a) There is reason to believe that an impartial proceeding cannot be held in the county in which the proceeding was begun; or
(b) It appears that venue is incorrect under this section.

NEW SECTION. Sec. 61. (1) Complaints referred to the court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint for legal sufficiency. The purpose of such screening shall be to determine whether:
(a) The alleged facts bring the case within the jurisdiction of the court; and
(b) On a basis of available evidence there is probable cause to believe that the youth did commit the offense.

(2) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(3) Where a case is legally sufficient, the prosecutor shall file an information with the juvenile court if the alleged offender is one or more of the following:
(a) An alleged offender accused of a class A felony, an attempt to commit a class A felony, a class B felony, an attempt to commit a class B felony, assault in the third degree, rape in the third degree, or any other offense listed in section 56(1)(b) or (c) of this 1977 amendatory act; or
(b) An alleged offender with a criminal history of at least a class A or class B felony, or two class C felony offenses, or at least one class C felony offense and at least one misdemeanor or gross misdemeanor, or at least two gross misdemeanors, or at least one gross misdemeanor and two misdemeanors, or at least three misdemeanors; or
(c) An alleged offender accused of violating his or her diversion agreement or who wishes to be prosecuted rather than enter into a diversion agreement or who has been referred by the diversion unit for prosecution: PROVIDED, That if the prosecutor elects not to file a charge for which there is probable cause, he shall maintain a record, for one year, of such election and the reasons therefor.

(4) If it appears that there is probable cause to believe that an offense has been committed by a youth, the prosecutor may file an information with the juvenile court if the alleged offender is an alleged offender accused of a class C felony.

(5) Whenever the alleged offender is an alleged offender listed in subsection (3) of this section, the prosecutor may file an information on any other criminal complaint regardless of whether or not the other offense is listed in subsection (3)(a) of this section. In lieu of filing an information, the prosecutor may file a motion to modify or revoke community supervision if a criminal complaint alleges a violation of a condition of community supervision.

(6) If an alleged offender does not fall within subsection (3) or (4) of this section, the prosecutor shall refer the complaint to the diversionary unit for the formation of a diversion agreement pursuant to section 62 of this 1977 amendatory act.

(7) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversionary interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile.

(8) The responsibilities of the prosecutor under subsections (1) through (7) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

NEW SECTION. Sec. 62. (1) A diversion agreement shall be a contract between a youth accused of an offense and a diversionary unit whereby the youth agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it.

(2) A diversion agreement may include:
(a) Periods of community service not to exceed one hundred fifty hours, but if the youth is attending school, no community service shall be required during normal school hours;
shall be advised that the act or omission of any act for which he or she had been referred shall constitute a
felony. Any restitution assessed during its term shall not exceed an amount which the youth could be rea
sonably expected to pay during this period. If additional time is necessary for the youth to complete restitu­tion to the victim, the time period limitations of this subsection may be extended by an additional six
months; and
(e) An informational, educational, or counseling interview may be required at a community agency.
(3) The youth shall retain the right to be referred to the court at any time prior to the signing of the
diversion agreement.
(4) Divertees and potential divertees shall be afforded due process in all contacts with a diversionary
unit regardless of whether said youths are accepted for diversion or whether the diversion program is suc­cessfully completed. Such due process shall include, but not be limited to, the following:
(a) A written diversion agreement shall be executed stating all conditions in clearly understandable
language;
(b) Violation of the terms of the agreement shall be the only grounds for termination;
(c) No youth shall be terminated from a diversion program without being given a court hearing, which
hearing shall be preceded by:
(i) Written notice of alleged violations of the conditions of the diversion program; and
(ii) Disclosure of all evidence to be offered against the youth;
(d) The hearing shall include:
(i) Opportunity to be heard in person and to present evidence;
(ii) The right to confront and cross--examine all adverse witnesses;
(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and
(iv) Demonstration by evidence that the diverted youth has substantially violated the terms of his or her
diversion agreement.
(5) The diversion unit shall be responsible for advising a youth of his or her rights as provided in this
chapter.
(6) The right to counsel shall inure prior to the initial interview for purposes of advising the youth as to
whether he or she desires to participate in the diversion process or to appear in the juvenile court. The youth
may be represented by counsel at any critical stage of the diversion process, including intake interviews and
termination hearings. The youth shall be fully advised at the intake of his or her right to an attorney and of
the relevant services an attorney can provide. For the purpose of this section, intake interviews shall mean all
interviews regarding the diversion agreement process.
The youth shall be advised that a diversion agreement shall constitute a part of the youth's criminal
history as defined by section 56(6) of this 1977 amendatory act. A signed acknowledgement of such advise­ment shall be obtained from the youth, and the document shall be maintained by the diversionary unit
togther with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if
requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such
adviseinent in simple language.
(7) When a youth enters into a diversion agreement, the juvenile court may receive only the following
information for dispositional purposes:
(a) The fact that a charge or charges were made;
(b) The fact that a diversion agreement was entered into;
(c) The youth's obligations under such agreement;
(d) Whether the alleged offender performed his or her obligations under such agreement; and
(e) The facts of the alleged offense.
(8) A diversionary unit may refuse to enter into a diversion agreement with a youth. It shall immedi­ately refer such youth to the court for action and shall forward to the court the criminal complaint and a
detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall
also immediately refer the case to the prosecuting attorney for action if such youth fails to make restitution
or perform community service as required by the diversion agreement.
(9) A diversionary unit may, in instances where it determines that the act or omission of an act for
which a youth has been referred to it involved no victim, or where it determines that the youth referred to it
has no prior criminal history and is alleged to have committed an illegal act involving no threat of or
instance of actual physical harm and involving not more than fifty dollars in property loss or damage and
that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or
release such a youth without entering into a diversion agreement: PROVIDED, That any youth so handled
shall be advised that the act or omission of any act for which he or she had been referred shall constitute a
part of the youth's criminal history as defined by section 56(6) of this 1977 amendatory act. A signed
acknowledgment of such adviceinent shall be obtained from the youth and the document shall be maintained
by the unit and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language: PROVIDED FURTHER, That a youth determined to be eligible by a diversionary unit for such release shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other youth referred to the unit.

NEW SECTION. Sec. 63. The county prosecuting attorney shall be a party to all juvenile court proceedings involving juvenile offenders or alleged juvenile offenders.

The prosecuting attorney may, after giving appropriate notice to the juvenile court, decline to represent the state of Washington in juvenile court matters except felonies unless requested by the court on an individual basis to represent the state at an adjudicatory hearing in which case he or she shall participate. When the prosecutor declines to represent the state, then such function may be performed by the juvenile court probation counselor authorized by the court or local court rule to serve as the prosecuting authority.

If the prosecuting attorney elects not to participate, the prosecuting attorney shall file with the county clerk each year by the first Monday in July notice of intent not to participate. In a county wherein the prosecuting attorney has elected not to participate in juvenile court, he or she shall not thereafter until the next filing date participate in juvenile court proceedings unless so requested by the court on an individual basis, in which case the prosecuting attorney shall participate.

NEW SECTION. Sec. 64. (1) Upon the filing of an information, the clerk of the court shall issue a summons directed to the child, if the child is twelve or more years of age, and another to the parents, guardian, or custodian, and such other persons as appear to the court to be proper or necessary parties to the proceedings, requiring them to appear personally before the court at the time fixed to hear the petition.

Where the custodian is summoned, the parent or guardian or both shall also be served with a summons.

(2) A copy of the information shall be attached to each summons.

(3) The summons shall advise the parties of the right to counsel.

(4) The judge may endorse upon the summons an order directing the parents, guardian, or custodian having the custody or control of the child to bring the child to the hearing.

(5) If it appears from affidavit or sworn statement presented to the judge that there is probable cause for the issuance of a warrant of arrest or that the child needs to be taken into custody pursuant to section 33 of this 1977 amendatory act the judge may endorse upon the summons an order that an officer serving the summons shall at once take the child into custody and take the child to the place of detention or shelter designated by the court.

(6) If a party to be served with a summons can be found within the state, the summons shall be served upon the party personally at least five court days before the fact-finding hearing, or such time as set by the court. If the party is within the state and cannot be personally served, but the party’s address is known or can with reasonable diligence be ascertained, the summons may be served upon the party by mailing a copy thereof by certified mail at least ten court days before the hearing, or such time as set by the court. If a party other than the child is without the state but can be found or the party’s address is known, or can with reasonable diligence be ascertained, service of the summons may be made either by delivering a copy thereof to the party personally or by mailing a copy thereof to the party by certified mail at least ten court days before the fact-finding hearing, or such time as set by the court.

(7) Service of summons may be made under the direction of the court by any law enforcement officer or probation counselor.

(8) If the person summoned as herein provided shall fail without reasonable cause to appear and abide the order of the court, the person may be proceeded against as for contempt of court.

NEW SECTION. Sec. 65. (1) The prosecutor, respondent, or the court on its own motion may, before a hearing on the information on its merits, file a motion requesting the court to transfer the respondent for adult criminal prosecution and the matter shall be set for a hearing on the question of declining jurisdiction. Unless waived by the court, the parties, and their counsel, a decline hearing shall be held where:

(a) The respondent is sixteen or seventeen years of age and the petition alleges a class A felony or an attempt to commit a class A felony; or

(b) The respondent is seventeen years of age and the petition alleges assault in the second degree, extortion in the first degree, indecent liberties, kidnaping in the second degree, rape in the second degree, or robbery in the second degree.

(2) The court after a decline hearing may order the case transferred for adult criminal prosecution upon a finding that the declination would be in the best interest of the juvenile or the public. The court shall consider the relevant reports, facts, opinions, and arguments presented by the parties and their counsel.

(3) When the respondent is transferred for criminal prosecution or retained for prosecution in juvenile court, the court shall set forth in writing its finding which shall be supported by relevant facts and opinions produced at the hearing.

NEW SECTION. Sec. 66. The court shall hold an adjudicatory hearing on the information, and, after it has announced its findings of fact and its verdict, shall hold a hearing to consider disposition of the case pursuant to sections 69 and 70 of this 1977 amendatory act immediately following the adjudicatory hearing or at a continued hearing within fourteen days unless good cause is shown for a further continuance. Notice of the time and place of the continued hearing may be given in open court. If notice is not given in open court to a party, that party shall be notified by mail of the time and place of any continued hearing.

All hearings may be conducted at any time or place within the limits of the county, and such cases shall not be heard in conjunction with other business of any other division of the superior court.
NEW SECTION. Sec. 67. (1) The respondent shall be advised of the allegations in the information and shall be required to plead guilty or not guilty to the allegation(s). The state or the respondent may make preliminary motions up to the time of the plea.

(2) If the respondent pleads guilty, the court may proceed with disposition or may continue the case for a dispositional hearing. If the respondent denies guilt, a hearing date shall be set.

(3) At the adjudicatory hearing it shall be the burden of the prosecution to prove the allegations of the information beyond a reasonable doubt.

(4) The court shall record its findings of fact and shall enter its verdict upon the record. Such findings shall set forth the evidence relied upon by the court in reaching its verdict.

(5) If the respondent is found not guilty he or she shall be released from detention.

(6) If the respondent is found guilty the court may immediately proceed to disposition or may continue the case for a dispositional hearing.

(7) The court following an adjudicatory hearing may request that a predisposition study be prepared to aid the court in its evaluation of the matters relevant to disposition of the case.

(8) In sentencing an offender, the court shall use the disposition standards in effect on the date of the offense.

NEW SECTION. Sec. 68. (1) A youth shall be advised of his or her rights when appearing before the court.

(2) A youth and his or her parent, guardian, or custodian shall be advised by the court or its representative that the youth has a right to be represented by counsel at all critical stages of the proceedings. Unless waived, counsel shall be provided to a youth, who is financially unable to obtain counsel without causing substantial hardship to himself or herself or the youth's family, in any proceeding where the youth may be subject to transfer for criminal prosecution, or in any proceeding where the youth may be in danger of confinement or partial confinement. The ability to pay part of the cost of counsel shall not preclude assignment. In no case shall a youth be deprived of counsel because of a parent, guardian, or custodian refusing to pay therefor. The youth shall be fully advised of his or her right to an attorney and of the relevant services an attorney can provide.

(3) The right to counsel shall include the right to the appointment of experts necessary and the experts shall be required pursuant to the procedures and requirements established by the supreme court.

(4) Upon application of a party, the clerk of the court shall issue, and the court on its own motion may issue, subpoenas requiring attendance and testimony of witnesses and production of records, documents, or other tangible objects at any hearing, or such subpoenas may be issued by an attorney of record.

(5) All proceedings shall be transcribed verbatim by means which will provide an accurate record.

(6) The general public and press shall be permitted to attend any hearing unless the court, for good cause, orders a particular hearing to be closed. The presumption shall be that all such hearings will be open.

(7) In all adjudicatory proceedings before the court, all parties shall have the right to adequate notice, discovery as provided in criminal cases, opportunity to be heard, confrontation of witnesses except in such cases as this chapter expressly permits the use of hearsay testimony, findings based solely upon the evidence adduced at the hearing, and an unbiased fact-finder.

(8) A juvenile shall be accorded the privilege against self-incrimination. An extra judicial statement which would be constitutionally inadmissible in a criminal proceeding shall not be received in evidence at an adjudicatory hearing over objection. Evidence illegally seized or obtained shall not be received in evidence over objection at an adjudicatory hearing to prove the acts alleged in the information beyond a reasonable doubt. An extra judicial admission or confession made by the child out of court is insufficient to support a finding that the child committed the acts alleged in the information unless a corpus delicti is first established.

(9) Waiver of any right which a child has under this chapter must be an express waiver intelligently made by the child after the child has been fully informed of the right being waived.

(10) Whenever this chapter refers to waiver or objection by a child, the word child shall be construed to refer to a child who is at least twelve years of age. If a child is under twelve years of age, the child's parent, guardian, or custodian shall give any waiver or offer any objection contemplated by this chapter.

NEW SECTION. Sec. 69. (1) In disposition hearings all relevant and material evidence, including oral and written reports, may be received by the court and may be relied upon to the extent of its probative value, even though such evidence may not be admissible in a hearing on the information. The youth or the youth's counsel and the prosecuting attorney shall be afforded an opportunity to examine and controvert written reports so received and to cross-examine individuals making reports when such individuals are reasonably available, but sources of confidential information need not be disclosed. The prosecutor and counsel for the juvenile may submit recommendations for disposition.

(2) Before entering a dispositional order as to a respondent found to have committed an offense, the court shall hold a disposition hearing, at which the court shall:

(a) Consider the facts supporting the allegations of criminal conduct by the respondent;

(b) Consider information and arguments offered by parties and their counsel;

(c) Consider any predisposition reports;

(d) Afford the respondent and the respondent's parent, guardian, or custodian an opportunity to speak in the respondent's behalf;

(e) Allow the victim or a representative of the victim and an investigative law enforcement officer to speak;

(f) Determine the amount of restitution owing to the victim, if any;

(g) Determine whether the respondent is a serious offender or a minor or first offender;
(h) Consider whether or not any of the following mitigating factors exist:
   (i) The respondent's conduct neither caused nor threatened serious bodily injury or the respondent did
       not contemplate that his or her conduct would cause or threaten serious bodily injury;
   (ii) The respondent acted under strong and immediate provocation;
   (iii) The respondent was suffering from a mental or physical condition that significantly reduced his or
       her culpability for the offense though failing to establish a defense;
   (iv) Prior to his or her detection, the respondent compensated or made a good faith attempt to com-
       pensate the victim for the injury or loss sustained; and
   (v) There has been at least one year between the respondent's current offense and any prior criminal
       offense;
   (i) Consider whether or not any of the following aggravating factors exist:
   (i) The commission of the offense, or in flight therefrom, the respondent inflicted or attempted to
       inflict serious bodily injury to another;
   (ii) The offense was committed in an especially heinous, cruel, or depraved manner;
   (iii) The victim or victims were particularly vulnerable;
   (iv) The respondent has a recent criminal history or has failed to comply with conditions of a recent
       dispositional order or diversion agreement; and
   (v) The respondent was the leader of a criminal enterprise involving several persons;
   (j) The following factors shall not be considered in determining the punishment to be imposed:
       (i) The sex of the respondent;
       (ii) The race or color of the respondent or the respondent's family;
       (iii) The creed or religion of the respondent or the respondent's family;
       (iv) The economic or social class of the respondent or the respondent's family; and
   (v) Factors indicating that the respondent may be or is a dependent child within the meaning of this
       chapter;
   (k) A court shall not commit a youth to a state institution solely because of the lack of facilities,
       including treatment facilities, existing in the community.

NEW SECTION. Sec. 70. (1) When the respondent is found to be a serious offender, the court shall
commit the offender to the department for a determinate sentence consisting of the standard range of dispo-
sition for the offense.

If the court finds that a disposition within the standard range would effectuate a manifest injustice, the
court may impose a disposition outside the range but only after it enters reasons upon which it bases its
conclusion that disposition within the standard range would effectuate a manifest injustice. A disposition
imposed outside a standard range is appealable under section 77 of this 1977 amendatory act by the state or
the respondent. A disposition within the standard range is not appealable under section 77 of this 1977
amendatory act.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respon-
dent serve a term of community supervision. If the court determines that a disposition of community sup-
ervision would effectuate a manifest injustice the court may impose another disposition. A disposition other
than a community supervision shall be imposed only after the court enters reasons upon which it bases its
conclusions that imposition of community supervision would effectuate a manifest injustice. Any disposi-
tion other than community supervision may be appealed as provided in section 77 of this 1977 amendatory act
by the state or the respondent. A disposition of community supervision may not be appealed under section 77 of
this 1977 amendatory act.

(3) A juvenile appearing before the court for formal disposition who has declined to enter into a diver-
sion agreement and who would otherwise be so entitled shall, if determined to be a first or minor offender, be
referred to a diversionary unit under the supervision of which such youth may only be required to perform
the term of community service and, where there is a victim, shall be required to make restitution under the
limits specified in this chapter.

(4) Where the respondent is found to have committed an offense and is neither a serious offender nor a
minor or first offender, consistent with the purposes of this chapter the court shall: (a)(i) Where the appro-
priate standard range includes a period of confinement exceeding thirty days, sentence the offender to the
department for a term consisting of the appropriate standard range, or (ii) where the appropriate standard
range does not include a period of confinement exceeding thirty days, sentence the offender to a determinate
term within the appropriate standard range in which case the court shall consider only those aggravating and
mitigating factors set forth in section 69 of this 1977 amendatory act and shall state its reasons for selecting
the particular punishment imposed, or (b) shall impose a term of community supervision. If the court sen-
tence pursuant to subsection (a)(i) or (ii) of this section finds that a disposition within the standard range
would effectuate a manifest injustice, it may impose a disposition other than community supervision outside
the range but only after it enters reasons upon which it bases its conclusion that disposition within the
standard range would effectuate a manifest injustice. A disposition so imposed outside the standard range
may be appealed as provided in section 77 of this 1977 amendatory act by the state or the respondent. A dispo-
sition within the standard range or of community supervision shall not be appealable under section 77 of
this 1977 amendatory act.

(5) A court may require a juvenile offender to serve a period of partial confinement not to exceed thirty
days or a period of confinement not to exceed the minimum period of confinement included within the
standard range for the offense(s) for which he or she was found guilty, but in no case to exceed thirty days:

  PROVIDED, That such periods of partial confinement and confinement may be required only of youthful
offenders who are: (a) Not sentenced to a sentence within a range established by the legislature; (b) not committed to the department; (c) not first and minor offenders; and (d) are serving terms of community supervision: PROVIDED FURTHER, That all such terms of partial confinement and confinement shall be served in a facility operated by or pursuant to a contract with a county or city.

NEW SECTION. Sec. 71. The fingerprints and photograph may be taken of any serious offender.

NEW SECTION. Sec. 72. Where a disposition is imposed on a youth for two or more offenses, the terms shall run consecutively, subject to the following limitations: (1) Where the offenses were committed through a single act or omission, or through an act or omission which in itself constituted one of the offenses and also was an element of the other, the aggregate of all the terms shall not exceed one hundred fifty percent of the term imposed for the most serious offense; and (2) in all other cases, the aggregate of all consecutive terms shall not exceed three hundred percent of the term imposed for the most serious offense.

NEW SECTION. Sec. 73. (1) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter. The court may determine the amount, terms, and conditions of the restitution. If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution: PROVIDED, That the court shall not require the respondent to pay full or partial restitution if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay such restitution.

(2) When a respondent who has been ordered by a court to pay a fine or restitution, or to perform service for the public good fails to fulfill that order, the court upon the motion of the prosecutor or upon its own motion, shall require the respondent to show cause why the respondent should not be confined in a detention facility for nonfulfillment. The court may issue a summons or a warrant for arrest to compel the respondent's appearance.

(3) The respondent shall have the burden of showing that the nonpayment or nonfulfillment was not a wilful refusal and that he or she did not have the means and could not reasonably acquire the means to pay the fine or restitution or to perform the service for the public good. If the court finds that the default was wilful, it may order the youth detained in a county facility for one day for each twenty-five dollars of restitution or fine on which the youth wilfully defaulted or may order the youth detained in a county facility for one day for each eight hours of community service on which the youth wilfully defaulted.

NEW SECTION. Sec. 74. Consistent with the purposes of this chapter, if the respondent violates a condition of his or her community supervision, community supervision may be revoked or modified and further permissible punishment imposed pursuant to the provisions of this chapter. Such punishment may include a period of confinement and/or partial confinement in a county facility not to exceed thirty days. Community supervision may only be revoked or modified upon the same due process as would be afforded an adult alleged probation violator.

NEW SECTION. Sec. 75. (1) The secretary shall, except in the case of a youth committed by a court to a term of confinement in a state institution outside the appropriate standard range for the offense(s) for which the youth was found to be guilty established pursuant to section 57 of this 1977 amendatory act, set a release or discharge date for each youth committed to its custody which shall be within the prescribed range to which a youth has been committed. Such dates shall be determined prior to the expiration of sixty percent of a youth's minimum term of confinement included within the prescribed range to which the youth has been committed.

(2) Following the youth's release pursuant to subsection (1) of this section, the secretary may require the youth to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months. The secretary shall, for the period of parole, facilitate the youth's reintegration into his or her community and to further this goal may require the youth to: (a) Undergo available medical or psychiatric treatment; (b) report as directed to a parole officer; (c) pursue a course of study or vocational training; (d) remain within prescribed geographical boundaries and notify the department of any change in his or her address; and (e) refrain from committing new offenses. After termination of the parole period, the youth shall be discharged from the department's supervision.

(3) The department may also revoke or modify parole for violation thereof. If, after affording a youth all of the due process rights to which he or she would be entitled if the youth were an adult, the secretary finds that a youth has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (a) Continued supervision under the same conditions previously imposed; (b) intensified supervision with increased reporting requirements; (c) additional conditions of supervision authorized by this chapter; and (d) imposition of a period of partial confinement not to exceed thirty days.

(4) A parole officer of the department of social and health services shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest such person.

NEW SECTION. Sec. 77. (1) Dispositions reviewed pursuant to section 70 of this 1977 amendatory act shall be reviewed in the appropriate division of the court of appeals.

An appeal under this section shall be heard solely upon the record that was before the disposition court. No written briefs shall be required and the appeal shall be heard within thirty days following the date of sentencing and a decision rendered within fifteen days following the argument. The supreme court shall promulgate any necessary rules to effectuate the purposes of this section.

(2) To uphold a disposition outside the standard range, or which imposes confinement for a minor or first offender, the court of appeals must find (a) that the reasons supplied by the disposition judge are supported by the record which was before the judge and that those reasons clearly and convincingly support the conclusion that a disposition within the range, or nonconfinement for a minor or first offender, would constitute a manifest injustice, and (b) that the sentence imposed was neither clearly excessive nor clearly too lenient.

(3) If the court does not find subsection (2)(a) of this section it shall remand the case for disposition within the standard range or for community supervision without confinement as would otherwise be appropriate pursuant to this chapter.

(4) If the court finds subsection (2)(a) but not subsection (2)(b) of this section it shall remand the case with instructions for further proceedings consistent with the provisions of this chapter.

(5) Pending appeal, a respondent shall not be committed or detained for a period of time in excess of the standard range for the offense(s) committed and shall not be detained if a first or minor offender: PROVIDED, That if the order of the disposition court is below the standard range, the respondent shall be committed or detained for no longer than the term set by the disposition court.

(6) Dispositions imposed by the disposition court shall not be final until either the deadline for appeal pursuant to state law or supreme court rule has passed without an appeal being taken, or the court of appeals has issued its decision on the appeal.

NEW SECTION. Sec. 78. All references to juvenile delinquents or juvenile delinquency in other chapters of the Revised Code of Washington shall be construed as meaning juvenile offenders or the commitment of an offense by juveniles as defined by this chapter.

NEW SECTION. Sec. 79. (1) There is appropriated for the period July 1, 1978, to June 30, 1979, from the general fund nine hundred eighty-three thousand six hundred dollars to be allocated to counties for the cost of operating diversion units as required by this chapter.

(2) The secretary shall administer the funds and shall promulgate, pursuant to chapter 34.04 RCW, rules establishing a planning process and standards which meet the intent of this chapter. The secretary shall also monitor and evaluate, against established standards, all programs and services funded by this appropriation.

(3) The total sum shall be allocated by the secretary to the counties. Diversion units funded by this section shall be administered and operated separately from the court: PROVIDED, That counties of classes other than AA and A may request for an exemption from this requirement. The secretary may grant such exemption if it is clearly demonstrated that resources do not exist nor can be established in such county to operate diversion units separately from the court.

(4) In meeting the requirements of this chapter, there shall be a maintenance of effort whereby counties shall exhaust existing resources prior to the utilization of funds appropriated by this section.

(5) It is the intent of the legislature that these funds shall be the maximum amount necessary to meet the requirement of this chapter for the stated period. Courts shall be required to provide diversion programs and services to the extent made possible by available sources. In addressing diverted youths, a resource priority continuum shall be developed whereby the highest priority in resource allocation shall be given to diverted youths who have inflicted bodily harm while the lowest priority shall be given to diverting youths who have committed victimless crimes or minor property offenses.

NEW SECTION. Sec. 80. Sections 55 through 78 of this 1977 amendatory act shall constitute a new chapter in Title 13 RCW. RCW 13.04.260 is hereby recodified and shall be recodified as part of that new chapter.

POINT OF ORDER

Mr. Tilly: "Mr. Speaker, in looking over the Senate committee amendments, I would like you to rule on the scope and object of those amendments added to this bill, referring to House Rule 31."

SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Representative Tilly, you aren't very specific; however, it appears to the Speaker that the Senate amendments do not change the scope and object of the bill. Engrossed Third Substitute House Bill No. 371 is an act relating to juveniles, covering a broad range of items, including behavior, punishment, jurisdictional limitations, community services. The Senate amendments to the bill deal with matters relating to juveniles and appear to be within the subject matter of the original bill. House Rule 31 deals only with Senate amendments that change the object of the bill; therefore, your point of order is not well taken."

Mr. Hanna moved that the House do concur in the Senate amendments to Engrossed Third Substitute House Bill No. 371.

POINT OF ORDER

Mr. Newhouse: "I thought you should be aware that the amendment enters into RCW 9A., 28A., and 26.44, and incidentally would be some criminal portions of the code which the original bill did not."
SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "The whole subject matter relating to juveniles covers a broad range of items. It appears to the Speaker that the amendments are of a general subject matter of the House bill. The Speaker will so rule."

Representatives Hanna, Becker, Charette and Deccio spoke in favor of the motion to concur in the Senate amendments, and Representatives Tilly, Zimmerman, Paris and Struthers spoke against it.

Mr. Hanna spoke again in favor of the motion.

Mr. King demanded the previous question, and the demand was sustained.

STATEMENTS FOR THE JOURNAL

I wanted to vote against Engrossed Third Substitute House Bill No. 371, but made a mistake in my vote. I feel that although this legislation may be going in the right direction, more study should have been given to the cost this will add to local government. Again, my vote should have been recorded as "No."

OTTO AMEN, 9th District.

Please record me as voting "Aye" on Engrossed Third Substitute House Bill No. 371.

GEORGE S. HURLEY, 44th District.

MOTION

Mr. Eng moved that the House do concur in the Senate amendments to Engrossed Substitute House Bill No. 323.
Mr. Eng yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "I recall when we were debating this issue earlier there was some worry on the part of some of us that the Supervisor of Banking would not do justice to the issue here. I hear you are recommending that we concur and I'd like to know why you believe the Supervisor of Banking will properly enforce this law."

Mr. Eng: "Representative Douthwaite, one of the reasons is that the Human Rights Commission is way behind in their workload and they don't have the money to catch up actually. Another reason is that even though we'll be transferring this to the Supervisor, just because of the fact of the law in relation to human rights, they still have the power to deal with this, so what will actually happen is that they will work with the supervisor."

The motion was carried.

REPORT OF FREE CONFERENCE COMMITTEE

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 928, revising energy emergency powers and procedures, have had the same under consideration, and we recommend that the Senate amendment be adopted with the following amendments:

Beginning on page 3, after line 26 strike all of section 4 down through line 18 on page 7 and insert:

*Sec. 4. Section 18, chapter 108, Laws of 1975–76 2nd ex. sess. and RCW 43.21G.040 are each amended to read as follows:
((In addition to his existing powers and duties, the governor shall have the following duties and special energy emergency powers subject to the definitions and limitations in this chapter.))

1. The governor may, upon finding that a situation exists which threatens to seriously disrupt or diminish energy supplies to the extent that life, health, or property may be jeopardized; declare a condition of energy supply alert, which shall be defined as the occurrence of either of the following: (a) Extension.

2. A condition of energy supply alert shall terminate ninety consecutive days after the declaration of such condition unless:
   (a) Extended by the governor upon issuing a finding that the energy supply alert continues to exist, and with prior approval of such an extension by the committee; or
   (b) Extended by the governor based on a declaration by the president of the United States of a national state of emergency in regard to energy supply; or
   (c) Upon the request of the governor, extended by declaration of the legislature by concurrent resolution of a continuing energy supply alert.

In the event any such initial extension is implemented, the condition shall terminate one hundred and fifty consecutive days after the declaration of such condition. One or more subsequent extensions may be implemented through the extension procedures set forth in this subsection. In the event any such subsequent extension is implemented, the condition shall terminate sixty consecutive days after the implementation of such extension.

3. (The conditions) (a) A condition of energy supply alert shall terminate (after sixty) forty-five consecutive days after the declaration of such condition unless (a continuing condition of energy supply alert exists, which shall be defined as the occurrence of either of the following: (a) Extension); (b) Extended by the governor upon issuing a finding that the energy emergency continues to exist, and with prior approval of such an extension by the committee; or
   (b) Extended by the governor based on a declaration by the president of the United States of a national state of emergency in regard to energy supply;(c); and
   (c) Upon the request of the governor, extended by declaration of the legislature by concurrent resolution of a continuing energy supply alert.

In the event any such initial extension is implemented, the condition shall terminate ninety consecutive days after the declaration of such condition. One or more subsequent extensions may be implemented through the extension procedures set forth in this subsection. In the event any such subsequent extension is implemented, the condition shall terminate forty-five consecutive days after the implementation of such extension.

4. A condition of energy supply alert or energy emergency shall (alternatively) cease to exist upon a declaration to that effect by either of the following: (a) The governor; or (b) the legislature, by concurrent resolution, if in regular or extraordinary session: PROVIDED. That the governor shall terminate a condition of energy supply alert or energy emergency when the energy supply situation upon which the declaration of a condition of energy supply alert or energy emergency was based no longer exists.

5. In a condition of energy supply alert, the governor may, as deemed necessary to preserve and protect the public health, safety, and general welfare, and to minimize, to the fullest extent possible, the injurious economic, social, and environmental consequences of such energy supply alert, issue orders to: (a) Suspend or modify existing rules of the Washington Administrative Code of any state agency relating to the consumption of energy by such agency or to the production of energy, and (b) direct any state or local governmental agency to implement programs relating to the consumption of energy by the agency which have been approved by the governor if the agency and reviewed by the committee.

())) (6) In a (declared state) condition of energy supply alert, energy emergency, the governor may, upon recommendation or approval of the energy advisory council, as deemed necessary to preserve and protect the public health, safety, and general welfare, and to minimize, to the fullest extent possible, the
injurious economic, social, and environmental consequences of such an emergency, issue orders to: (a) Implement programs, controls, standards, and priorities for the production, allocation, and consumption of energy; (b) suspend and modify existing pollution control standards and requirements or any other standards or requirements affecting or affected by the use of energy, including those relating to air or water quality control; and (c) establish and implement regional programs and agreements for the purposes of coordinating the energy programs and actions of the state with those of the federal government and of other states and localities.

The governor shall immediately transmit the declaration of a condition of energy supply alert or energy emergency and the findings upon which the declaration is based and any orders issued under the powers granted in this chapter to the committee.

Nothing in this chapter shall be construed to mean that any program, control, standard, priority or other policy created under the authority of the emergency powers authorized by this chapter shall have any continuing legal effect after the cessation of the condition of energy supply alert or energy emergency.

If any provision of this chapter is in conflict with any other provision, limitation, or restriction which is now in effect under any other law of this state, including, but not limited to, chapter 34.04 RCW, this chapter shall govern and control, and such other law or rule or regulation promulgated thereunder shall be deemed superseded for the purposes of this chapter.

Because of the emergency nature of this chapter, all actions authorized or required hereunder, or taken pursuant to any order issued by the governor, shall be exempted from any and all requirements and provisions of the state environmental policy act of 1971, chapter 43.21C RCW, including, but not limited to, the requirement for environmental impact statements.

Except as provided in this section nothing in this chapter shall exempt a person from compliance with the provisions of any other law, rule, or directive unless specifically ordered by the governor. The emergency powers granted to the governor in this chapter shall expire on June 30, 1980.

On page 13, beginning on line 30, strike all after "members." down to and including the period on line 34 and insert "The chairmen of the senate and house energy and utilities committees shall alternately serve as chairman for one year terms. The chairman of the house committee shall serve as the initial chairman."

Signed by Senators Bottiger, Matson, Bausch; Representatives Lysen, Martinis.

MOTION

Mr. Lysen moved that the report of the Free Conference Committee be adopted.

Mr. Lysen spoke in favor of the motion.

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Leckenby.

Mr. Leckenby: "This is one of the more important issues before this session of the Legislature and I would like to ask to be sure if the emergency powers are to be extended. You've given the names of several federal bodies that can cause an extension or permit an extension to be granted by the Governor, but is it up to the Legislature to grant powers for extending or can a committee of the Legislature grant those powers?"

Mr. Lysen: "It will be up to the Legislature internally. We, of the Legislature, will have to be called into session before the thirty-day period is up. At that point, the Legislature can agree and allow the Governor to go on and allow the Joint Committee to extend the powers, or we can pass a concurrent resolution terminating the emergency powers. It will be up the full Legislature to decide the question ultimately. They, however, may delegate this power to the Joint Committee on Energy to go ahead and monitor."

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Lysen, for further clarification, at the end of the thirty days, or before the end of thirty days, under the provisions of this bill, the Governor has to call the Legislature back into session. Assuming the Legislature says, no, we do not want to extend and the Joint Committee on Energy says that we should extend, who would prevail? Assume the opposite were true, the Legislature says extend, and the Joint Committee says, do not extend. Who would prevail?"

Mr. Lysen: "In each case, the Legislature would prevail. The Joint Committee only functions when the Legislature is not in session."
The motion was carried.

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE SENATE BILL NO. 2877, and has granted said committee the powers of Free Conference.

Bill Gleason, Assistant Secretary.

REPORT OF FREE CONFERENCE COMMITTEE

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 2877, revising laws on ethics and disclosure, have had the same under consideration, and we recommend that the House amendment on page 8, line 2 of the bill not be adopted, and the bill be amended as follows:

On page 8, after line 1 strike all of section 7 and insert the following:

Sec. 7. Section 37, chapter I, Laws of 1973 as amended by section 25, Laws of 1975 1st ex. sess. and RCW 42.17.370 are each amended to read as follows:

1. The commission is empowered to:

(1) Adopt, promulgate, amend, and rescind suitable administrative rules and regulations to carry out the policies and purposes of this chapter, which rules and regulations shall be promulgated pursuant to the provisions of chapter 34.04 RCW;

(2) Prepare and publish such reports and technical studies as in its judgment will tend to promote the purposes of this chapter, including reports and statistics concerning campaign financing, lobbying, financial interests of elected officials, and enforcement of this chapter;

(3) Make from time to time, on its own motion, audits and field investigations;

(4) Make public the time and date of any formal hearing set to determine whether a violation has occurred, the question or questions to be considered, and the results thereof;

(5) Administer oaths and affirmations, issue subpoenas, and compel attendance, take evidence and require the production of any books, papers, correspondence, memorandums, or other records which the commission deems relevant or material for the purpose of any investigation authorized under this chapter, or any other proceeding under this chapter;

(6) Adopt and promulgate a code of fair campaign practices;

(7) Relieve, by published regulation of general applicability, candidates or political committees of obligations to comply with the provisions of this chapter relating to election campaigns, if they have not received contributions nor made expenditures in connection with any election campaign of more than one thousand dollars; and

(8) Enact regulations prescribing reasonable requirements for keeping accounts of and reporting on a quarterly basis costs incurred by state agencies, counties, cities, and other municipalities and political subdivisions in preparing, publishing, and distributing legislative information. The term "legislative information", for the purposes of this subsection, means books, pamphlets, reports, and other materials prepared, published, or distributed at substantial cost, a substantial purpose of which is to influence the passage or defeat of any legislation. The state auditor in his regular examination of each agency under chapter 43.09 RCW shall review such regulations, accounts, and reports and make appropriate findings, comments, and recommendations in his examination reports concerning those agencies.

The commission, after hearing, by order approved and ratified by a majority of the membership of the commission, may suspend or modify any of the reporting requirements hereunder in a particular case if it finds that literal application of this chapter works a manifestly unreasonable hardship and if it also finds that such suspension or modification will not frustrate the purposes of the chapter. The commission shall find that a manifestly unreasonable hardship exists if reporting the name of an entity required to be reported under RCW 42.17.240(1)(g)(ii) would be likely to adversely affect the competitive position of any entity in which the person filing the report or any member of his immediate family holds any office, directorship, general partnership interest, or an ownership interest of ten percent or more. Any suspension or modification shall be to the extent necessary to substantially relieve the hardship. The commission shall act to suspend or modify any reporting requirements only if it determines that facts exist that are clear and convincing proof of the findings required hereunder. Any citizen shall have standing to bring an action in Thurston county superior court to contest the propriety of any order entered hereunder within one year from the date of the entry of such order.*

In line 5 of the title, after "42.17.090;" insert "amending section 37, chapter 1, Laws of 1973 as amended by section 25, chapter 294, Laws of 1975 1st ex. sess. and RCW 42.17.370;"*

Representatives Charette and Nelson (Gary) spoke in favor of passage of the bill.
Mr. Ehlers yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Ehlers, one of the protections for the public in this bill is a certified public accountant's statement. Is it the intent of this legislation that certified public accountants can throw the usual disclaimer into that statement, saying they really don't know what's in this?"

Mr. Ehlers: "That's not my understanding. No, Representative Pardini."

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 68 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 85; nays, 0; not voting, 13.

Section 1. Section 1, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.005 are each amended to read as follows:

(1) The superior court of each county shall have power to appoint guardians for the persons and estates, or either thereof, of incompetent persons (resident of the county), and guardians for the estates of all such persons who are nonresidents of the state but who have property in such county needing care and attention. An 'incompetent' is any person who is either:
   (a) Under the age of majority, as defined in RCW 11.92.010, or
   (b) Incompetent by reason of ((insanity;)) mental illness, ((mental retardation)) developmental disability, senility, habitual drunkenness, excessive use of drugs, or other mental incapacity, of either managing his property or caring for himself or both.

(2) The superior court for each county shall have power to appoint limited guardians for the persons and estates, or either thereof, of disabled persons, who by reason of their disability have need for protection and assistance, but who cannot be found to be fully incompetent, upon investigation ((by the court or any agency jointly designated by the mental health board and mental retardation board (or county social service administrative board where applicable) of the county where such person resides)) as provided by RCW 11.88.090 as now or hereafter amended. In addition, the court order shall state the period of time for which it shall be applicable.

For the purposes of chapters 11.88 and 11.92 RCW the term 'disabled person' ((includes, but is not limited to, an individual who is mentally retarded, mentally ill, developmentally disabled, or is gravely disabled)) means an individual who is in need of protection and assistance by reason of mental illness, developmental disability, senility, habitual drunkenness, excessive use of drugs, or other mental incapacity, but cannot be found to be fully incompetent.

Sec. 2. Section 11.88.010, chapter 145, Laws of 1965 as amended by section 2, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.010 are each amended to read as follows:

(1) The superior court of each county shall have power to appoint guardians for the persons and estates, or either thereof, of disabled persons, who by reason of their disability have need for protection and assistance, but who cannot be found to be fully incompetent, upon investigation ((by the court or any agency jointly designated by the mental health board and mental retardation board (or county social service administrative board where applicable) of the county where such person resides)) as provided by RCW 11.88.090 as now or hereafter amended. After considering all evidence presented as a result of such investigation, the court shall impose, by order, only such specific limitations and disabilities on a disabled person to be placed under a limited guardianship as the court finds necessary for such person's protection and assistance. A person shall not be presumed to be incompetent nor shall a person lose any legal rights or suffer any legal disabilities as the result of being placed under a limited guardianship, except as to those rights and disabilities specifically set forth in the court order establishing such a limited guardianship. In addition, the court order shall state the period of time for which it shall be applicable.

For the purposes of chapters 11.88 and 11.92 RCW the term 'disabled person' ((includes, but is not limited to, an individual who is mentally retarded, mentally ill, developmentally disabled, or is gravely disabled)) means an individual who is in need of protection and assistance by reason of mental illness, developmental disability, senility, habitual drunkenness, excessive use of drugs, or other mental incapacity, but cannot be found to be fully incompetent.

(3) Venue for petitions for guardianship or limited guardianship shall lie in the county wherein the alleged incompetent or disabled person is domiciled, or if such person is a resident of a state institution for developmentally disabled persons, in either the county wherein such institution is located, the county of domicile, or the county wherein a parent of the alleged incompetent or disabled person is domiciled.

Sec. 3. Section 11.88.030, chapter 145, Laws of 1965 as amended by section 4, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.030 are each amended to read as follows:

(1) Any interested person or entity may file a petition for the appointment of himself or some other qualified person, trust company, national bank, or nonprofit corporation authorized in RCW 11.88.020 as now or hereafter amended as the guardian or limited guardian of an incompetent or disabled person. A petition for guardianship or limited guardianship shall state:

   (((7))) (g) The name and address of the person or institution having the care and custody of the alleged incompetent or disabled person;
   (((8))) (h) The reason why the appointment of a guardian or limited guardian is sought and the interest of the petitioner in the appointment, and whether the appointment is sought as guardian or limited guardian of the person, the estate, or both;
   (((9))) (i) The nature and degree of the alleged disability and the specific areas of protection and assistance requested and the limitation of rights requested to be included in the court's order of appointment;
   (((10))) (j) The requested term of the limited guardianship to be included in the court's order of appointment.(Provided: That).
(2) No filing fee shall be charged by the court for filing either a petition for guardianship or a petition for limited guardianship (unless) if the petition alleges that the alleged incompetent or disabled person has total assets of a value of less than three thousand dollars.

(3) All petitions filed under the provisions of this section shall be heard within forty-five days unless an extension of time is requested by a party within such forty-five day period and granted for good cause shown.

Sec. 4. Section 11.88.040, chapter 145, Laws of 1965 as last amended by section 5, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.040 are each amended to read as follows:

Before appointing a guardian or a limited guardian, notice of a hearing, to be held not less than ten days after service thereof, shall be given personally to the alleged incompetent or disabled person, if over fourteen years of age.

Before appointing a guardian or a limited guardian, notice of a hearing, to be held not less than ten days after service thereof, shall be given by registered or certified mail requesting a return receipt signed by the addressee only, or by personal service in the manner provided for services of summons, to the following:

(1) The alleged incompetent, disabled person, or minor, if under fourteen years of age;
(2) A parent, if the alleged incompetent or disabled person is a minor, and the spouse of the alleged incompetent or disabled person if any;
(3) Any other person who has been appointed as guardian or limited guardian, or the person with whom the alleged incompetent or disabled person resides. No notice need be given to those persons named in subsections (2) and (3) of this section if they have signed the petition for the appointment of the guardian or limited guardian or have waived notice of the hearing. If the petition is by a parent asking for his appointment as guardian or limited guardian of a minor child under the age of fourteen years, or if the petition be accompanied by the written consent of a minor of the age of fourteen years or upward, consenting to the appointment of the guardian or limited guardian asked for, or if the petition be by a nonresident guardian of any minor or incompetent or disabled person, then the court may appoint the guardian without notice of the hearing. The court for good cause may reduce the number of days of notice, but in every case, at least three days notice shall be given.

(((In all guardianship and limited guardianship hearings)) The alleged incompetent or disabled person shall be present in court at the final hearing on the petition:(If the petition for guardianship or limited guardianship states that the alleged incompetent or disabled person is physically unable to be present, the guardian ad litem may request the court to waive the requirement of the presence of the alleged incompetent at the hearing)). Alternatively, the court may remove itself to the place of residence of the alleged incompetent or disabled person and conduct the final hearing in the presence of the alleged incompetent or disabled person. Final hearings on the petition may be held in closed court without admittance of any person other than those necessary to the action or proceeding.

If presence of the alleged incompetent or disabled person is waived and the court does not remove itself to the place of residence of such person, the guardian ad litem shall appear in person at the final hearing on the petition.

Sec. 5. Section 11.88.040, chapter 145, Laws of 1975 1st ex. sess. and RCW 11.88.045 are each amended to read as follows:

(1) An alleged incompetent or disabled person is entitled to independent legal counsel at his own expense to represent him in the procedure: PROVIDED, That if the alleged incompetent or disabled person is unable to pay for such representation or should such payment result in substantial hardship upon such person the county shall be responsible for such costs: PROVIDED FURTHER, That when, in the opinion of the court, the rights and interests of an alleged or adjudicated incompetent or disabled person cannot otherwise be adequadly protected and represented, the court on its own motion shall appoint an attorney at any time to represent such person.

(2) The alleged incompetent or disabled person is further entitled upon request to a jury trial on the issues of his alleged incompetency or disability(with). The standard of proof to be applied (being) in a contested case, whether before a jury or the court, shall be that of clear, cogent, and convincing evidence.

(3) In all proceedings for appointment of a guardian or limited guardian, the court must be presented with a (sworn) medical report in writing from a physician selected by the guardian ad litem appointed pursuant to RCW 11.88.090 as now or hereafter amended pertaining to the alleged incompetent or disabled persons' degree of incompetency or disability:(PROVIDED, That the court may waive the filing of a sworn medical report) including the medical history if reasonably available, the effects of any current medication on appearance or the ability to participate fully in the proceedings, and a medical prognosis specifying the estimated length and severity of any current disability.

Sec. 6. Section 11.88.090, chapter 145, Laws of 1965 as amended by section 9, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.090 are each amended to read as follows:

(1) Nothing contained in RCW 11.88.080 through 11.88.120, 11.92.010 through 11.92.040, 11.92.060 through 11.92.120, 11.92.170, and 11.92.180, as now or hereafter amended, shall affect or impair the power of any court to appoint a guardian to defend the interests of any incompetent or disabled person interested in any suit or matter pending therein, or to commence and prosecute any suit in his behalf.
(2) Upon receipt of a petition for appointment of guardian or limited guardian, except as provided herein, the court shall appoint a guardian ad litem to represent the best interests of the alleged incompetent or disabled person, who (may) shall be a person (recommended by either the local mental health board or mental retardation service administrative board, where applicable) to represent the interests of the alleged incompetent or disabled person in response to any petition for guardianship or limited guardianship) found or known by the court to

The order appointing the guardian ad litem shall recite the duties set forth in subsection (3) of this section. The appointment of a guardian ad litem shall have no effect on the legal competency of the alleged incompetent or disabled person and such appointment shall not overcome the presumption of competency or full legal and civil rights of the alleged incompetent or disabled person.

(3) The guardian ad litem appointed pursuant to this section shall have the following duties:
(a) To meet and consult with the alleged incompetent or disabled person as soon as practicable following appointment and explain, in language which such person can reasonably be expected to understand, the substance of the petition, the nature of the resultant proceedings, the person's right to contest the petition, the identification of the proposed guardian or limited guardian, the right to a jury trial on the issue of his alleged incompetency or disability, the right to independent legal counsel as provided by RCW 11.88.045, and the right to be present in court at the hearing on the petition;

The investigation and report shall be made and forwarded to the court, with copies to the alleged incompetent or disabled person, and his attorney, if any has appeared, and to the petitioner, or his attorney within twenty days after appointment, unless an extension of time has been granted by the court for good cause shown;
(c) To arrange for a written medical report pursuant to RCW 11.88.045 as now or hereafter amended.

(4) If the petition is brought by an interested person or entity requesting the appointment of some other qualified person or entity and a prospective guardian or limited guardian cannot be found, the court shall order the guardian ad litem and any other qualified person or organization to investigate the availability of a possible guardian or limited guardian and to include the findings in a report to the court pursuant to RCW 11.88.090(3)(b) as now or hereafter amended.

(5) The court appointed guardian ad litem shall have the authority, in the event that the alleged incompetent or disabled person is in need of emergency ((incapacity)) incompetence or disability pending the hearing on the petition to give consent for such emergency ((and)) life-saving medical services on behalf of the alleged incompetent or disabled person.

(6) The guardian ad litem shall receive a fee determined by the court. The fee shall be charged to the alleged incompetent or disabled person unless the court finds that such payment would result in substantial hardship upon such person, in which case the county shall be responsible for such costs: PROVIDED, That if no guardian or limited guardian is appointed the court may charge such fee to the petitioner or the alleged incompetent or disabled person, or divide the fee, as it deems just; and if the petition is found to be frivolous or not brought in good faith, the guardian ad litem fee shall be charged to the petitioner. The court shall not be required to provide for the payment of a fee to any salaried employee of a public or nonprofit agency.

Before letters of guardianship are issued, each guardian or limited guardian shall take and subscribe an oath and, unless dispensed with by order of the court as provided in RCW 11.88.105, file a bond, with sureties to be approved by the court, payable to the state, in such sum as the court may fix, taking into account the character of the assets on hand or anticipated and the income to be received and disbursements to be made, and such bond shall be conditioned substantially as follows:

The obligations of this bond are such, that if the above bound A.B., who has been appointed guardian or limited guardian for C.D., shall faithfully discharge the office and trust of such guardian or limited guardian according to law and shall render a fair and just account of his guardianship or limited guardianship to the superior court of the county of , from time to time as he shall thereto be required by such court, and comply with all orders of the court, lawfully made, relative to the goods, chattels, moneys,

The bond shall be for the use of the incompetent or disabled person, and shall not become void upon the first recovery, but may be put in suit from time to time against all or any one of the obligors, in the name and for the use and benefit of any person entitled by the breach thereof, until the whole penalty is recovered thereon. The court may require an additional bond whenever for any reason it appears to the court that an additional bond should be given.

In all guardianships or limited guardianships of the person, and in all guardianship or limited guardianships of the estate, in which the inventory filed with the court shows the assets of a value of less than ($fifteen hundred) three thousand dollars, the court may dispense with the requirement of a bond pending filing of an inventory confirming that the estate has total assets of less than three thousand dollars: PROVIDED, That the guardian or limited guardian shall swear to report to the court any changes in the assets or the incompetency or disabled person increasing their value to over ($fifteen hundred) three thousand dollars: PROVIDED FURTHER, That said guardian or limited guardian shall file a yearly statement showing the monthly income of the incompetent or disabled person if said monthly income is over the sum of two hundred fifty dollars per month for any three consecutive months.

Sec. 8. Section 11.88.107, chapter 145, Laws of 1965 as amended by section 12, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.107 are each amended to read as follows:

The court in all cases shall have power to remove guardians or limited guardians for good and sufficient reasons, which shall be entered of record, and to appoint others in their place or in the place of those who may die, who shall give bond and security for the faithful discharge of their duties as prescribed in RCW 11.88.100 as now or hereafter amended; and when any guardian or limited guardian shall be removed or die, and a successor be appointed, the court shall have power to compel such guardian or limited guardian removed to deliver up to such successor all goods, chattels, moneys, title papers, or other effects belonging to such incompetent or disabled person, which may be in the possession of such guardian or limited guardian so removed, or of the personal representatives of a deceased guardian or limited guardian, or in the possession of any other person or persons, or in the possession of a stand-by guardian or limited guardian and upon failure, to commit the party offending to prison, until he complies with the order of the court.

Sec. 10. Section 6, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.125 are each amended to read as follows:

The person appointed by the court as either guardian or limited guardian of the person and/or estate of an incompetent or disabled person, shall file in writing with the court, a designated stand-by limited guardian or guardian to serve as limited guardian or guardian at the death or legal incompetency or disability of the court-appointed guardian or limited guardian. The court may require an additional bond whenever for any reason it appears to the court that an additional bond should be given.

Letters of guardianship shall be issued to the stand-by guardian or limited guardian upon filing an oath and posting a bond as required by RCW 11.88.100 as now or hereafter amended. The oath may be filed prior to the appointed guardian or limited guardian's death. The provisions of RCW 11.88.100 through 11.88.110 as now or hereafter amended shall apply to stand-by guardians and limited guardians.

Sec. 11. Section 11.88.140, chapter 145, Laws of 1965 as amended by section 16, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.140 are each amended to read as follows:

(1) TERMINATION WITHOUT COURT ORDER. A guardianship or limited guardianship is terminated:
(a) Upon the attainment of full and legal age, as defined in RCW 11.92.010 as now or hereafter amended, of any person defined as an incompetent or disabled person pursuant to RCW 11.88.010 as now or hereafter amended solely by reason of youth, RCW 26.28.020 to the contrary notwithstanding((:));
(b) By an adjudication of competency((,:)) or an adjudication of termination of disability;
(c) By the death of the incompetent or disabled person;
(d) By expiration of the term of limited guardianship specified in the order appointing the limited guardian, unless, prior to such expiration, a petition has been filed and served, as provided in RCW 11.88.040 as now or hereafter amended, seeking an extension of such term.

(2) TERMINATION ON COURT ORDER. A guardianship or limited guardianship may be terminated by court order after such notice as the court may require;

(a) If the guardianship or limited guardianship is of the estate and the estate is exhausted;

(b) If the guardianship or limited guardianship is no longer necessary for any other reason.

(3) EFFECT OF TERMINATION. When a guardianship or limited guardianship terminates otherwise than by the death of the incompetent or disabled person, the powers of the guardian or limited guardian cease, except that a guardian or limited guardian of the estate may make disbursements for claims that are or may be allowed by the court, for liabilities already properly incurred for the estate or for the incompetent or disabled person, and for expenses of administration. When a guardianship or limited guardianship terminates by death of the incompetent or disabled person, the guardian or limited guardian of the estate may proceed under RCW 11.88.150 as now or hereafter amended, but the rights of all creditors against the incompetent's or disabled person's estate shall be determined by the law of decedents' estates.

Sec. 12. Section 11.88.150, chapter 145, Laws of 1965 as amended by section 17, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.150 are each amended to read as follows:

Upon the death of an incompetent or disabled person intestate the guardian or limited guardian of his estate has power under the letters issued to him and subject to the direction of the court to administer the estate as the estate of the deceased incompetent or disabled person without further letters unless within forty days after death of the incompetent or disabled person a petition is filed for letters of administration or for letters testamentary and the petition is granted. If the guardian or limited guardian elects to administer the estate under his letters of guardianship or limited guardianship, he shall petition the court for an order transferring the guardianship or limited guardianship proceeding to a probate proceeding, and upon court approval, the clerk of the court shall re-index the cause as a decedent's estate, using the same file number which is assigned to the guardianship or limited guardianship proceeding. The guardian or limited guardian shall then be authorized to continue administration of the estate without the necessity for any further petition or hearing. Notice to creditors and other persons interested in the estate shall be published and may be combined with the notice of the guardian's or limited guardian's final account. This notice shall be published in the manner provided in RCW 11.40.010, once each week for three successive weeks, with proof by affidavit of the publication of such notice to be filed with the court. All claims which are not filed within four months after first publication or within four months after the date of filing of the copy of such notice to creditors with the clerk of the court, whichever is later, shall be barred against the estate. Upon the hearing, the account may be allowed and the balance distributed to the persons entitled thereto, after the payment of such claims as may be allowed. Liability on the guardian's or limited guardian's bond shall continue until exonerated on settlement of his account, and may apply to the complete administration of the estate of the deceased incompetent or disabled person with the consent of the surety. If letters of administration or letters testamentary are granted upon petition filed within forty days after the death of the incompetent or disabled person, the personal representative shall supersede the guardian or limited guardian in the administration of the estate and the estate shall be administered as a decedent's estate as provided in this title, including the publication of notice to creditors and other interested persons and the barring of creditors claims.

Sec. 13. Section 11.92.040, chapter 145, Laws of 1965 as amended by section 20, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.92.040 are each amended to read as follows:

It shall be the duty of the guardian ((amd)) or limited guardian;

(1) To make out and file within three months after his appointment a verified inventory of all the property of the incompetent or disabled person which shall come to his possession or knowledge, including a statement of all encumbrances, liens, and other secured charges on any item((c));

(2) To file annually, within thirty days after the anniversary date of his appointment, and also within thirty days after termination of his appointment, a written verified account of his administration: PROVIDED, That the court in its discretion may allow such reports at intervals of up to thirty-six months, with instruction to the guardian or limited guardian that any substantial increase in income or assets or substantial change in the incompetents' or disabled person's condition shall be reported within thirty days of such substantial increase or change((c));

(3) Consistent with the powers granted by the court, if he is a guardian or limited guardian of the person, to care for and maintain the incompetent or disabled person, assert his or her rights and best interests, and provide timely and informed consent to necessary medical procedures, and if the incompetent or disabled person is a minor, to see that the incompetent or disabled person is properly trained and educated and that the incompetent or disabled person has the opportunity to learn a trade, occupation, or profession. The guardian or limited guardian of the person may be required to report the condition of his incompetent or disabled person to the court, at regular intervals or otherwise as the court may direct((c)): PROVIDED, That no guardian or limited guardian may involuntarily commit for mental health treatment, observation, or evaluation an alleged incompetent or disabled person who is, himself or herself, unable or unwilling to give informed consent to such commitment and that the procedures for involuntary commitment set forth in chapters 70.65 or 72.32 RCW are followed: PROVIDED FURTHER, That nothing in this section shall be construed to allow a guardian or limited guardian to consent to:

(c) Amputation;
(d) Other psychiatric or mental health procedures which are intrusive on the person's body integrity, physical freedom of movement, or the rights set forth in RCW 71.05.370.

A guardian or limited guardian who believes such procedures to be necessary for the proper care and maintenance of the incompetent or disabled person shall petition the court for an order unless the court has previously approved such procedure within thirty days immediately past. The court may make such order only after an attorney is appointed in accordance with RCW 11.88.045, as now or hereafter amended, if none has heretofore appeared, notice is given, and a hearing is held in accordance with RCW 11.88.046, as now or hereafter amended;

(4) If he is a guardian or limited guardian of the estate, to protect and preserve it, to apply it as provided in this chapter, to account for it faithfully, to perform all of the duties required of him by law, and at the termination of the guardianship or limited guardianship, to deliver the assets of the incompetent or disabled person to the persons entitled thereto. Except as provided to the contrary herein, the court may authorize a guardian or limited guardian to do anything that a trustee can do under the provisions of RCW 30.99.070 for (periods) a period not exceeding one year from the date of the order((:)) or for a period corresponding to the interval in which the guardian's or limited guardian's report is required to be filed by the court pursuant to subsection (2) of this section, whichever period is longer;

(5) To invest and reinvest the property of the incompetent or disabled person in accordance with the rules applicable to investment of trust estates by trustees as provided in chapter 30.24 RCW, except that:

Such prior order of the court may authorize specific investments, or, in the discretion of the court, may authorize the guardian or limited guardian during a period ((:)) not exceeding one year following the date of the order or for a period corresponding to the interval in which the guardian's or limited guardian's report is required to be filed by the court pursuant to subsection (2) of this section, whichever period is longer;

(b) If it is for the best interests of the incompetent or disabled person that a specific property be used by the incompetent or disabled person rather than sold and the proceeds invested, the court may so order((:));

(6) To apply to the court for an order authorizing any disbursement on behalf of the incompetent or disabled person((:)) PROVIDED. HOWEVER, That guardian or limited guardian of the estate, or the person, department, bureau, agency, or charitable organization having the care and custody of an incompetent or disabled person, may apply to the court for an order directing the guardian or limited guardian of the estate to pay to the person, department, bureau, agency, or charitable organization having the care and custody of an incompetent or disabled person, or if the guardian or limited guardian of the estate has the care and custody of the incompetent or disabled person, directing the guardian or limited guardian of the estate to apply an amount weekly, monthly, quarterly, semi-annually, or annually, as the court may direct, to be expended in the care, maintenance, and education of the incompetent or disabled person and of his dependents. In proper cases, the court may order payment of amounts directly to the incompetent or disabled person for his maintenance or incidental expenses. The amounts authorized under this section may be decreased or increased from time to time by direction of the court. If payments are made to another under such order of the court, the guardian or limited guardian of the estate is not bound to see to the application thereof.

NEW SECTION. Sec. 14. There is added to chapter 11.92 RCW a new section to read as follows:

Nothing in this section shall be construed to require a court order authorizing placement of an incompetent or disabled person in a residential treatment facility if such order is not otherwise required by law: PROVIDED, That notice of any residential placement of an incompetent or disabled person shall be served, either before or after placement, by the guardian or limited guardian on such person, the guardian ad litem of record, and any attorney of record.

REPORT OF FREE CONFERENCE COMMITTEE

June 8, 1977

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 353, revising the provisions of the law of compensating victims of crimes, have had the same under consideration, and we recommend that the bill be amended to read as follows:

It is the intent of the legislature of the state of Washington to provide a method of compensating and assisting (those residents of the state who are) innocent victims of criminal acts (such) who suffer bodily injury or death as a consequence thereof. To that end, it is the intention of the legislature to make certain of the benefits and services which are now or hereafter available to injured workmen under Title 51 RCW also available to innocent victims of crime as defined and provided for in this chapter.

Sec. 2. Section 2, chapter 122, Laws of 1973 1st ex. sess. as amended by section 1, chapter 176, Laws of 1975 1st ex. sess. and RCW 7.68.020 are each amended to read as follows:

(3) 'Victim' means a (resident of the state) person who suffers bodily injury or death as a proximate result of a criminal act of another person, the victim's own good faith and reasonable effort to prevent a criminal act, or his good faith effort to apprehend a person reasonably suspected of engaging in a criminal act. Mr. Hurley (George): "Representative Charette, in looking over the Senate amendments
and listening to Representative Tilly's argument, it's a little confusing. I have sympathy with
your argument, but I would like you to prove to me, if possible, that the state has injured a
considerable number of people and therefore these particular people who have been injured
deserve the right to sue after previously receiving benefits from the state.*

Mr. Charette: "Representative Hurley, I believe the final draft is contained in the Free
Conference Committee report that you have on your desk. I'm really not being facetious, but
it's impossible to answer that question.*

MESSAGE FROM THE SENATE
June 11, 1977

Mr. Speaker:
The Senate has adopted the report of the Conference Committee on ENGROSSED SENATE BILL NO. 2185, and has granted said committee the powers of Free Conference.

Sidney R. Snyder, Secretary.

REPORT OF FREE CONFERENCE COMMITTEE
June 9, 1977

Mr. Speaker:
Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 2185, permitting aliens to teach in the common school system, have had the same under consideration, and we recommend that the House amendments be stricken, and the following amendments be adopted:

On page 1, line 11 after "law," insert "and"

On page 1, line 12 after "America" strike all the material down through "expired" on line 14 and insert "((and five years and six months have not expired since such declaration was made. PROVIDED FURTHER, That)): PROVIDED FURTHER, That after a one year probationary period"

On page 1, line 15 after "district" insert "which employed such teacher on a permit"

On page 1, line 25 after "writing" strike all the material down through "instruction" on line 29 and insert "((that he is not a member of or affiliated with a communist or communist-sponsored organization or a fascist or fascist sponsored organization. The form of such oath or affirmation shall be prepared by the superintendent of public instruction)) as follows: I do solemnly swear (or affirm) that I will support the Constitution and laws of the United States and the Constitution and laws of the state of Washington; that I do not advocate the overthrow, destruction, or alteration of the constitutional form of government of the United States or of the state of Washington or any political subdivision of either of them.)"

Signed by Senators McDermott, Hayner, Sandison; Representatives Eng, Bender, Schmitten.

MOTION

Mr. Eng moved that the report of the Free Conference Committee be adopted.

Mr. Eng spoke in favor of the motion.

POINT OF INQUIRY

Mr. Eng yielded to question by Mr. Pruitt.

Mr. Pruitt: "Representative Eng, in the loyalty oath, do present teachers of our schools have to take this oath or has this been declared unconstitutional?"

Mr. Eng: "My understanding is that it has been declared unconstitutional, but the reason for this loyalty oath in here in a simplified form, is that the Senate members of the Free Conference Committee felt that it still should be something they would prefer to have. The House members felt that if that's what they wanted, we'd give it to them."

POINT OF INQUIRY

Mr. Eng yielded to question by Mrs. Fortson.

Mrs. Fortson: "In the proviso, it says, 'after a one year probationary period.' Is that an additional year? We already have a probationary period of one year."

Mr. Eng: "That's a compromise area, Representative Fortson. What happened was that the House members wanted to take out the five and one-half year requirement, and the Senate members wanted to compromise on it, so the compromise was the one year probationary period, but that's in the law already."

Mr. Schmitten spoke in favor of adoption of the Free Conference Committee report and Representatives Nelson (Dick) and Smith spoke against it.

POINT OF INQUIRY

Mr. Eng yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "With reference to the question raised by Representatives Nelson and Smith, the alteration of the constitutional form of government, is it the committee's intent to consider alteration of the constitutional form of government the same as purporting to change
the Constitution? Or would it mean that we're throwing out the Constitutional form and going to something else entirely?*

Mr. Eng: "My understanding in relation to what we accepted was that this would be more of a radical change in relation to our form of government."

Representatives Douthwaite and Hawkins spoke against adoption of the Free Conference report, and Mr. Clemente spoke in favor of it.

**ROLL CALL**

The Clerk called the roll on the motion that the House adopt the report of the Free Conference Committee on Engrossed Senate Bill No. 2185, and the motion was carried by the following vote: Yeas, 56; nays, 31; not voting, 11.

NEW SECTION. Section 1. There is added to chapter 43.51 RCW a new section to read as follows:

(1) The commission shall grant to any person who meets the eligibility requirements specified in this section a senior citizen's pass which shall (a) entitle such person, and members of his camping unit, to a fifty percent reduction in the campsite rental fee prescribed by the commission, and (b) entitle such person to free admission to any state park.

(2) The commission shall grant a senior citizen's pass to any person who applies for the same and who meets the following requirements:

(a) The person is at least sixty-two years of age; and

(b) The person is a domiciliary of the state of Washington and meets reasonable residency requirements prescribed by the commission; and

(c) The person and his or her spouse have a combined income which would qualify the person for a property tax exemption pursuant to RCW 84.36.381, as now law or hereafter amended. The financial eligibility requirements of this subparagraph (c) shall apply regardless of whether the applicant for a senior citizen's pass owns taxable property or has obtained or applied for such property tax exemption.

(3) Each senior citizen's pass granted pursuant to this section shall, unless renewed, expire on January 1 of the next year following the year in which it was issued. Any application for renewal of a senior citizen's pass shall, for purposes of the financial eligibility requirements of this section, be treated as an original application.

(4) Any resident of Washington who is disabled as defined by the social security administration and who receives social security benefits for that disability or who is entitled to benefits for permanent disability under RCW 71.20.015 and 72.33.020 due to unemployment full time at the minimum wage shall be entitled to receive, regardless of age and upon making application therefor, a disability pass at no cost to the holder. The pass shall (a) entitle such person, and members of his camping unit, to a fifty percent reduction in the campsite rental fee prescribed by the commission, and (b) entitle such person to free admission to any state park.

(5) All passes issued pursuant to this section shall be valid at all parks any time during the year: PROVIDED, That the pass shall not be valid for admission to concessionaire operated facilities.

(6) This section shall not affect or otherwise impair the power of the commission to continue or discontinue any other programs it has adopted for senior citizens.

(7) The commission shall adopt such rules and regulations as it finds appropriate for the administration of this section. Among other things, such rules and regulations shall prescribe a definition of "camping unit" which will authorize a reasonable number of persons traveling with the person having a senior citizen's pass to stay at the campsite rented by such person, a minimum Washington residency requirement for applicants for a senior citizen's pass and an application form to be completed by applicants for a senior citizen's pass.*

Signed by Senators von Reichbauer, Lewis, Gaspard; Representatives Hurley (Margaret), North, Paris.

MOTION

Representative Hurley (Margaret) moved that the House adopt the report of the Free Conference Committee.

Mrs. Hurley (Margaret) spoke in favor of the motion.
POINT OF INQUIRY

Mrs. Hurley (Margaret) yielded to question by Mr. Sanders.

Mr. Sanders: "About how many senior citizen passes in the state of Washington would you expect?"

Mrs. Hurley (Margaret): "It's based on 1300 passes. I presume there would be about 1300 citizens that would qualify."

POINT OF INQUIRY

Mrs. Hurley (Margaret) yielded to question by Mr. Barnes.

Mr. Barnes: "Representative Hurley, I'm interested in whether this would just benefit those people who can afford recreational vehicles. What would be the services that could be obtained at a lower price on this?"

Mrs. Hurley (Margaret): "There are spaces for tents, spaces for group parking for camping such as camps for boy scouts, girl scouts, bluebirds and things like this. A person doesn't have to have an expensive RV in order to use this. I believe the price for tent camping is now $3.50 per night and the price for RV's is around $4.50."

The motion was carried.

Such studies shall include, but not be limited to examination of:

(1) The relationship between local and regional land use planning and the need for siting energy facilities;

Renumber the following sections consecutively.

Mr. Lysen spoke in favor of the amendment to the committee amendment.

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Lysen, you stated January 30, 1978, and that's kind of an interesting date for this report to come back. By that time if we were to come back into a special session, typically we'd be halfway through it; we'd be getting that report when we are ready to close that one up. Why didn't you bring it back on January 2nd?"

Mr. Lysen: "I'd be willing to do that. However, if we're amending the committee amendment, I think parliamentarily we'd have a problem. We'll probably try to do that; this is just a matter of procedure."

Representatives Newhouse and Berentson spoke against the amendment to the committee amendment.
MOTIONS

On motion of Mr. King, further consideration of Engrossed Substitute Senate Bill No. 2910 was deferred, and the bill was ordered to hold its place on the second reading calendar.

Mr. King moved that the House immediately consider Third Substitute House Bill No. 1188.

POINT OF PARLIAMENTARY INQUIRY

Mr. Pardini: "Representative King has set the calendar already once today and now he's jockeying it again. Does this motion take a two-thirds vote?"

The Speaker: "No, it doesn't."

The motion was carried.

THIRD SUBSTITUTE HOUSE BILL NO. 1188, by Committee on Natural Resources

(Originally sponsored by Representatives Martinis, Moreau, Kilbury, Greengo, Smith, Wilson, Schmitten, Tallor, Chandler, Boldt, Owen, Burns, Becker and Berentson — by Governor Ray request):

Allowing department of fisheries to deposit revenues into funds other than the general fund when so provided by law.

The House resumed consideration of the bill on second reading. (For previous action, see yesterday's Journal, 95th Day ex. sess., June 13, 1977.)

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Third Substitute House Bill No. 1188 was placed on final passage.

Mr. Martinis spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Martinis, one of the earlier versions of this program anticipated that the bonds could not be sold unless the license fees were flowing in an amount to service those bonds. Does the third substitute bill still contain that provision?"

Mr. Martinis: "Representative Pardini, it does not. Let me explain the mechanics of the earlier bill and the mechanics of this bill. The mechanics of the earlier proposition was that the bonds would be serviced by the general fund, but the general fund would have had deposited from the now nonexistent revenue—the salmon revenue fund. What was needed to service the bonds would have flowed into the general fund and serviced the bonds. Through the House and the Senate amendatory process that salmon revenue fund has been deleted. I thought maybe an appropriate approach would be that any surplus that would have been in that salmon revenue fund would have gone into the general fund, but that just says that the revenue just goes into the general fund. So that's the reason for deletion of the salmon revenue fund, and with an intent section of the Legislature saying that the intent of the revenues is for the enhancement program. The intent section is not long.

Mr. Pardini: "So in effect, we have a general obligation bond which we are hopeful that the revenues from the salmon fishing licenses will service, but we have no hold on those to say that the bonds cannot be issued if the revenues do not come as high as we anticipated?"

Mr. Martinis: "The projected revenues more than service those bonds for the capital expenditures. After six or eight years, the M & O plus the capital would have exceeded the revenues here, but when we concurred in the Senate amendments to the bond bill, the Director of Fisheries is directed to report to the Legislature to show the sufficiency of these revenues to service the enhancement program."

Mr. Wilson spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Third Substitute House Bill No. 1188, and the bill passed the House by the following vote: Yeas, 81; nays, 5; not voting, 12.

Voting yea: Representatives Amen, Barnes, Barr, Bauer, Becker, Bender, Berentson, Blair, Boldt, Burns, Chandler, Charnley, Clayton, Clemente, Conner, Craswell, Decio, Douthwaite, Dunlap, Enbody, Eng, Erickson, Fancher, Fischer, Flanagan, Fortson, Fuller, Gaines, Gallagher, Gilleland, Greengo, Grier, Gruger, Hanna, Hansen, Heck, Hughes, Hurley G. S., Hurley M., Keller, King, Knedlik, Knowles, Kreidler,

Voting nay: Representatives Charette, Ehlers, Erak, Hawkins, Oliver.

Third Substitute House Bill No. 1188, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION
On motion of Mr. Martinis, Third Substitute House Bill No. 1188 was ordered transmitted immediately to the Senate.

The Speaker declared the House to be at ease until 1:30 p.m.

The Speaker called the House to order.

Mr. King demanded a Call of the House and the demand was sustained.

CALL OF THE HOUSE
The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Adams, Grier, Haley, Kilbury, Lee, Martinis, McCormick, Moreau, O'Brien, Owen, Paris and Vrooman.

On motion of Mr. King, the absent members were excused, and the House proceeded with business under the Call of the House.

SIGNED BY THE SPEAKER
The Speaker announced he was signing:

SUBSTITUTE HOUSE BILL NO. 183,
HOUSE BILL NO. 649.

SECOND READING
SUBSTITUTE HOUSE BILL NO. 318, by Committee on Judiciary (Originally sponsored by Representatives Hansen, Fortson, Fancher, Gaines, Kilbury, Boldt, Charnley, Amen and Knedlik):

Permitting owners of property subject to condemnation proceedings to give the property to governmental unit involved.

The bill was read the second time.

Committee on Local Government recommendation: That the bill do pass without concurrence in any of the Senate amendments.

MOTION
Mr. Thompson moved that the House adopt the Committee on Local Government recommendation.

Mr. Thompson spoke in favor of the motion.

MOTION
Mr. Hansen moved that the House adopt the Senate amendments as the bill came from the Senate.

With the consent of the House, Mr. Hansen withdrew the motion, and spoke against the motion by Mr. Thompson.

POINT OF ORDER
Mr. Douthwaite: "It's my recollection that these amendments were once declared to be beyond the scope and object of the bill. Is that correct?"
NINETY-SIXTH DAY, JUNE 14, 1977 2029

SPEAKER'S RULING

The Speaker: "Based on House Rule 31, the Senate changed the scope and object and that's the reason the bill was rereferred to committee. The amendments were not ruled outside the scope and object."

Mr. Hansen continued his remarks in opposition to the motion.

Mr. Thompson spoke again in favor of the motion, and Mr. Hansen spoke again against it.

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Amen.

Mr. Amen: "Representative Thompson, in the new section 4, that Representative Hansen referred to, about deeding one to five acres, or not less than one nor more than five acres, to the parents, spouse or child for the exclusive purpose of putting a house on there, it says, 'The deed shall contain a restrictive covenant running with the property reflecting the provisions of this section.' In my estimation this sentence doesn't add anything to it. What would you think? Would this be restrictive or not?"

Mr. Thompson: "I think you've correctly pinpointed our concerns, Representative Amen. There are other constraints that need to be made more explicit if this is to carry out the intent of the sponsor and not provide for further transfers and pyramiding in such a development."

Mr. Amen spoke in favor of the motion to adopt the Committee on Local Government recommendation.

ROLL CALL

The Clerk called the roll on the motion that the House adopt the Committee on Local Government recommendation, and the motion was carried by the following vote: Yeas, 54; nays, 32; not voting, 12.

The Speaker stated the effect of the vote was that the House did not concur in the Senate amendments to Substitute House Bill No. 318, and ask the Senate to recede therefrom.

Representatives Grier, Kilbury, Martinis, McCormick, Moreau and Vrooman appeared at the bar of the House.

SECOND SUBSTITUTE SENATE BILL NO. 2232, by Committee on Ways and Means (Originally sponsored by Senators Mardesich, von Reichbauer, Grant, Murray, Herr, Matson, Day, Odegaard, Fleming and Hayner):

Providing for educational clinics and authorizing state aid for students enrolled therein.

The bill was read the second time.

Committee on Education recommendation: Majority, do pass as amended. (For amendments, see Journal, 85th Day ex. sess., June 3, 1977.)

On motion of Mr. Clemente, the committee amendment to page 2, line 15 was adopted.

Mr. Clemente moved adoption of the committee amendment to page 4, adding a new section 7, and spoke against adoption of the amendment.

The amendment was not adopted.

Mr. Barnes moved adoption of the following amendment:

On page 1, line 9 after "any" strike "private"
Mr. Barnes spoke in favor of the amendment, and Representatives Clemente, Boldt and Dunlap spoke against it.

POINT OF INQUIRY

Mr. Barnes yielded to question by Mr. Greengo.

Mr. Greengo: "Representative Barnes, just for the record, you said the public schools could compete with these educational clinics, and it's my impression that any sums of money that would be paid to the educational clinics would include their entire cost of operation. Is it your intention that in a manner of competing, the public schools would have to include all of their costs, including their burden of overhead, their capital costs, so we would have a true comparison of the total costs? We're talking about their teacher salaries, their fringe benefits, the school, the buildings themselves, the amortization of the bonds—this sort of thing. Is it your intention that this will all be included?"

Mr. Barnes: "It is my intention that the public schools could bid these jobs at a great cost effectiveness because they already have the facilities which they would not have to charge off against this program. Maybe you would call this unfair, but it's very fair to the taxpayers. If you add to the fact that most of the expertise in special education is in the public schools, I think this would give an opportunity for a very cost-effective method of doing this. The SPI can look at the bottom line cost and judge the effectiveness and make the choice of whether to choose a public school that wants to run such as a clinic or private school."

Representatives Greengo and Douthwaite spoke against the amendment, and Mr. Barnes spoke again in favor of it.

The amendment was not adopted.

MOTION

On motion of Mr. King, further consideration of Second Substitute Senate Bill No. 2232 was deferred, and the bill was ordered to hold its place on today's second reading calendar.

MESSAGE FROM THE SENATE

June 13, 1977

Mr. Speaker:

The Senate refuses to grant a conference on SECOND SUBSTITUTE HOUSE BILL NO. 1306, and once again asks the House to concur in the Senate amendments thereto.

Bill Gleason, Assistant Secretary.

MOTION

On motion of Mr. Ehlers, the House concurred in the Senate amendments to Second Substitute House Bill No. 1306.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker declared the question before the House to be the final passage of Second Substitute House Bill No. 1306 as amended by the Senate.

Mr. King demanded an oral roll call and the demand was sustained.

Mr. Ehlers spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Second Substitute House Bill No. 1306 as amended by the Senate, and the bill passed the House by the following vote: Yeas, 51; nays, 41; not voting, 6.

Second Substitute House Bill No. 1306 as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Mr. King, Representatives Keller, North and Warnke were excused from the Call of the House.

The Speaker called on Mr. Charnley to preside.

SECOND SUBSTITUTE SENATE BILL NO. 2232:

The House resumed consideration of the bill on second reading.

Mr. Whiteside moved adoption of the following amendments by Representatives Whiteside and McKibbin:

On page 2, line 16 after "common" insert "or private"
On page 2, line 22 after "common" insert "or private"
On page 2, line 24 strike "common"
On page 2, line 25 strike "common"

Representatives Whiteside and Boldt spoke in favor of the amendments, and they were adopted.

The Clerk read the following amendment by Representative Barnes:

On page 2, line 27 after "therefrom" insert ": PROVIDED, That a program offered by a common school may qualify as an educational clinic for the purposes of this act under rules established by the state board of education"

With the consent of the House, Mr. Barnes withdrew the amendment.

Mr. Whiteside moved adoption of the following amendment:

On page 2, after subsection (3) add a new subsection as follows:

"(4) Programs at educational clinics shall be designed and carried out to encourage maximum progress toward the attainment of a high school diploma and completion of the diploma program either at the clinic or upon subsequent entry into the common school."

Mr. Whiteside spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Whiteside yielded to question by Mr. Dunlap.

Mr. Dunlap: "Representative Whiteside, I think I understand the intent of your amendment, but what I'd like to know is whether or not adoption of your amendment would preclude students at a private educational clinic from working toward a GED?"

Mr. Whiteside: "I would hope so. I would like to see the educational clinics develop a program in concert with the various high school districts in the state whereby these students, if they were qualified, would receive a high school diploma at the educational clinic."

Representatives Dunlap and Heck spoke against the amendment, and Mr. Ehlers spoke in favor of it.

POINT OF INQUIRY

Mr. Whiteside yielded to question by Mr. Boldt.

Mr. Boldt: "Representative Whiteside, you want these students to progress toward attaining a high school diploma either at a clinic or upon subsequent entry into the common schools. You had a previous amendment that said we could take private dropouts. Would those students who want to go back into private schools, since you say they are going to enter the common schools, be able to go back to private schools?"

Mr. Whiteside: "Yes. I would agree with that. If this amendment is adopted I would accept an amendment so that they could go back into private schools."

Representatives Boldt and Clemente spoke against the amendment.

On motion of Mr. Boldt, the following amendment to the Whiteside amendment was adopted:

On line 5 of the amendment to page 2, after "common" insert "or private"
Representatives Hurley (George) and Whiteside spoke in favor of the amendment as amended.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Whiteside as amended to Second Substitute Senate Bill No. 2232, and the amendment was not adopted by the following vote: Yeas, 34; nays, 55; not voting, 9.

The Clerk read the following amendment by Representatives Whiteside and McKibbin:

On page 2, beginning on line 36 with "Notwithstanding" strike all the material down to and including "state." on line 3, page 3.

With the consent of the House, Mr. Whiteside withdrew the amendment.

Mr. Whiteside moved adoption of the following amendment:

On page 3, line 34 after "effectiveness" insert "PROVIDED, That not more than fifty percent of any appropriation for educational clinics shall be paid to any one clinic"

Representatives Whiteside and Ehlers spoke in favor of the amendment, and Representatives Dunlap, Clemente and Boldt spoke against it.

POINT OF INQUIRY

Mr. Boldt yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Boldt, as I understand earlier proceedings, the appropriation was taken out of this bill, therefore there is no money in it. Obviously, that would leave me to conclude that somewhere in the budget we are funding this program with an appropriation to the Superintendent of Public Instruction. If we are, is there a proviso on that appropriation which sets forth any restriction on how this money shall be allocated?"

Mr. Boldt: "On page 45 of Substitute Senate Bill No. 3109, subsection (3), line 5, '...$425,000.' The last thing it says is that the Superintendent shall adopt rules and regulations to carry out the provisions of this section. As you know, the first section goes into some detail about what is a clinic and what it shall do and who shall apply. That's the best answer I can give."

Mr. Greengo spoke in favor of the amendment.

The amendment was not adopted.

Representative Keller appeared at the bar of the House.

Mr. Boldt moved adoption of the following amendment:

Beginning on page 1, line 7 strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The legislature finds that it is in the public interest to herein provide for certain remedial educational services which will aid school students to continue in the traditional school programs and assist those students who have dropped out.

NEW SECTION. Sec. 2. (1) As used in this chapter, unless the context thereof shall clearly indicate to the contrary:

certain purposes, that a year's teaching experience in an educational clinic shall be deemed equal to a year's teaching experience in a common or private school.

(2) For purposes of this chapter, basic academic skills shall include the study of mathematics, speech, language, reading and composition, science, history, literature and political science or civics; it shall not include courses of a vocational training nature and shall not include courses deemed nonessential to the accrediting of the common schools or the approval of private schools under RCW 28A.04.120.

Such certification may be withdrawn if the board finds that a clinic fails to provide adequate instruction in basic academic skills. No educational clinic certified by the state board of education pursuant to this section shall be deemed a common school under RCW 28A.01.060 or a private school for the purposes of RCW 28A.02.201 through 28A.02.250.

NEW SECTION. Sec. 3. Only eligible common school dropouts shall be enrolled in a certified educational clinic for reimbursement by the superintendent of public instruction as provided in section 5 of this 1977 act. No person shall be considered an eligible common school dropout who (1) has completed high school, (2) has passed his eighteenth birthday, or (3) until three months has passed after he or she has dropped out of any common school, unless such clinic has been requested to admit such person by written communication of the board of directors or the superintendent of that common school or unless such person is unable to attend a particular common school because of disciplinary reasons, including suspension and/or expulsion therefrom.

NEW SECTION. Sec. 4. The superintendent of public instruction shall adopt, by rules, policies and procedures to permit a prior common school dropout to reenter at the grade level appropriate to such individual's ability: PROVIDED, That such individual shall be placed with the class he would be in had he not dropped out and graduate with that class, if his ability so permits notwithstanding any loss of credits prior to reentry, and if such student earns credits at the normal rate subsequent to reentry.

Notwithstanding any other provision of law, any certified educational clinic student, upon completion of an individual student program and irrespective of age, shall be eligible to take the general educational development test as given throughout the state.

NEW SECTION. Sec. 5. From funds appropriated for that purpose, the superintendent of public instruction shall pay to a certified clinic on a monthly basis for each student enrolled in compliance with section 3 of this 1977 act, fees in accordance with the following conditions:

(1) (a) The fee for the initial diagnostic procedure shall be fifty dollars per student, and hourly fees for each student shall be sixteen dollars if the class size is no greater than one, ten dollars if the class size is at least two and no greater than five, and five dollars if the class size is at least six: PROVIDED, That revisions in such fees proposed by an education clinic shall become effective after thirty days notice unless the superintendent finds such a revision is unreasonable in which case the revision shall not take effect: PROVIDED FURTHER, That an education clinic may, within fifteen days after such a finding by the superintendent, file notification of appeal with the state board of education which shall, no later than its second regularly scheduled meeting following notification of such appeal, either grant or deny the proposed revision.

(b) Absences will be paid for, but after three consecutive absences or two unexcused absences in any one week, the student's enrollment will be terminated and no further fees will be payable: PROVIDED, That students may be re-enrolled at any time.

(c) No clinic shall make any charge to any student, or his parent, guardian or custodian, for whom a fee is being received under the provisions of this section.

(2) Payments shall be made from available funds first to those clinic(s) which have in the judgment of the superintendent demonstrated superior performance based upon consideration of students' educational gains taking into account such students' backgrounds, and upon consideration of cost effectiveness. In considering the cost effectiveness of nonprofit clinics the superintendent shall take into account not only payments made under this section but also factors such as tax exemptions, direct and indirect subsidies or any other cost to taxpayers at any level of government which result from such nonprofit status.

(3) To be eligible for such payment, every such clinic, without prior notice, shall permit a review of its accounting records by personnel of the state auditor during normal business hours.

(4) If total funds for this purpose shall be depleted, the superintendent shall notify the clinics of the date after which further funds for reimbursement of the clinics' services will be exhausted.

NEW SECTION. Sec. 6. In accordance with chapter 34.04 RCW, the administrative procedure act, the state board of education with respect to the matter of certification, and the superintendent of public instruction with respect to all other matters, shall have the power and duty to make the necessary rules and regulations to carry out the purpose and intent of this chapter.

Criterias as promulgated by the state board of education or superintendent of public instruction for determining if any educational clinic is providing adequate instruction in basic academic skills or demonstrating superior performance in student educational gains for funding under section 5 of this 1977 act shall be subject to review by four members of the legislature, one from each caucus of each house, including the chairpersons of the respective education committees.

NEW SECTION. Sec. 7. Sections 7 through 13 of this act shall be known and cited as "The Transitional Bilingual Instruction Act of 1977." The legislature finds that there are large numbers of children who come from homes where the primary language is other than English. Experience has shown that classes
which are taught in English are inadequate to meet the needs of these children. The legislature finds that a bilingual education program can meet the needs of these children. Pursuant to the policy of this state to insure equal educational opportunity to every child in this state, it is the purpose of this act to provide for the implementation of bilingual education programs in the public schools, and to provide supplemental financial assistance to help local school districts to meet the extra costs of these programs.

NEW SECTION. Sec. 8. As used in this act, unless the context thereof indicates to the contrary:

(1) 'Bilingual instruction' means a system of instruction which uses two languages, one of which is English, as a means of instruction to build upon and expand language skills to enable the pupil to achieve competency in both languages of instruction. Concepts and information are introduced in the primary language and reinforced in the second language.

(2) 'Primary language' means the language first acquired for usage in the home.

(3) 'Eligible pupil' means any enrollee of a school district where there are at least fourteen or more additional enrollees who have the same primary language other than English and whose English language skills are sufficiently deficient or absent to impair learning when taught only in English: PROVIDED, That eligible pupils shall receive no more than three years of state funded bilingual instruction.

NEW SECTION. Sec. 9. Every school district board of directors shall:

(1) Make available to each eligible pupil bilingual instruction in accord with rules of the superintendent of public instruction.

(2) Appoint and maintain an advisory committee of bilingual teachers and parents whose children are in the bilingual instruction program, excepting those school districts wherein fewer than fifty eligible pupils are enrolled in such bilingual education program. Where fewer than fifty eligible pupils are enrolled, parental involvement shall be sought.

(3) Wherever feasible, school officials shall ensure that communications to parents emanating from the schools shall be appropriately bilingual for those parents of pupils in the bilingual instruction program.

(4) Annually determine the number of eligible pupils enrolled in the school district in accord with methods prescribed by rules of the superintendent of public instruction.

NEW SECTION. Sec. 10. The superintendent of public instruction shall prepare and issue prior to September, 1977, program development guidelines to assist school districts in preparing their programs. Rules for implementation of this bilingual instruction act shall be promulgated by the superintendent of public instruction in accordance with chapter 34.04 RCW no later than May 15, 1978.

NEW SECTION. Sec. 11. The superintendent of public instruction shall prepare and submit biennially to the governor and the legislature a budget request for bilingual instruction programs. Moneys appropriated by the legislature for the purposes of this act shall be allocated by the superintendent of public instruction to school districts for the sole purpose of operating an approved bilingual instruction program; priorities for funding shall exist for the early elementary grades.

NEW SECTION. Sec. 12. The state board of education shall modify current regular and special certification rules to ensure that adequate provisions exist for certification of teachers of bilingual instruction.

NEW SECTION. Sec. 13. Section 9 of this act shall take effect September 1, 1978.

NEW SECTION. Sec. 14. Sections 2 through 12 of this 1977 act are added to chapter 223, Laws of 1969 ex. sess. and to Title 28A RCW as a new chapter thereof.

NEW SECTION. Sec. 15. If any provision of this 1977 act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

POINT OF ORDER

Mr. Tilly: "I think this amendment violates House Rule 32. This amendment includes Substitute House Bill No. 480 which is in the Senate Rules Committee."

POINT OF ORDER

Mr. Boldt: "If I may read from Rule 32, it says, '... under color of amendment no bill or resolution shall at any time be amended by annexing thereto or incorporating therein any other bill or resolution pending before the house.' This is the House and that bill is before the Senate."

SPEAKER'S RULING (MR. CHARNLEY PRESIDING)

The Speaker (Mr. Charnley presiding): "Representative Boldt, your point is well taken. Representative Tilly, the ruling of the Chair is as described by Representative Boldt."

The Clerk read the following amendment by Representatives Whiteside and McKibbin to the Boldt amendment:

Whiteside and McKibbin:

On page 2 of the amendment after subsection (3) add a new subsection as follows:

"(4) Programs at educational clinics shall be designed and carried out to encourage maximum progress toward the attainment of a high school diploma and completion of the diploma program either at the clinic or upon subsequent entry into the common school."
With the consent of the House, Mr. Whiteside withdrew the amendment to the amendment.

On motion of Mr. Whiteside, the following amendments by Representatives Whiteside and McKibbin to the amendment were adopted:
- On page 2, line 25 after "common" insert "or private"
- On page 2, line 34 after "common" insert "or private"
- On page 2, line 37 strike "common"
- On page 2, line 40 strike "common"

The Clerk read the following amendment by Representative Whiteside to the amendment:
- On page 3 of the amendment, beginning on line 9 with "Notwithstanding" strike all the material down to and including "state." on line 13.

With the consent of the House, Mr. Whiteside withdrew the amendment to the amendment.

The Clerk read the following amendment to the amendment by Representatives Whiteside and McKibbin:
- On page 4 of the amendment, line 10 after "effectiveness" insert ": PROVIDED, That not more than fifty percent of any appropriation for educational clinics shall be paid to any one clinic"

With the consent of the House, Mr. Whiteside withdrew the amendment to the amendment.

Mr. Whiteside moved adoption of the following amendment by Representatives Whiteside and Boldt to the amendment:
- On page 5 of the amendment, line 15 after "of" insert "transitional"

Representatives Whiteside and Boldt spoke in favor of the amendment to the amendment.

The amendment to the amendment was adopted.

Mr. Whiteside moved adoption of the following amendment by Representatives Whiteside and Boldt to the amendment:
- On page 5 of the amendment, line 41 after "instruction." insert "The pupil shall be transferred to the normal English language program when annual tests indicate the necessary competency."

POINT OF INQUIRY

Mr. Whiteside yielded to question by Mr. Tilly.

Mr. Tilly: "Representative Whiteside, it appears to me that you are confusing it. What if the person in the testing doesn't indicate that they are competent or efficient and you have this cutoff after three years? What happens to them?"

Mr. Whiteside: "I think that would be a problem with the bill and not with my amendment, Representative Tilly, because in the bill it states they are just going to be in this program for three years and no longer."

The amendment to the amendment was adopted.

The Speaker (Mr. Charnley presiding) stated the question before the House to be the amendment by Representatives Boldt, Dunlap and Clemente as amended.

Mr. Boldt spoke in favor of the amendment.

MOTION

Mr. Pardini moved that Senate Joint Resolution No. 124 be made a Special Order of Business at 3:40 p.m.

POINT OF ORDER

Mr. King: "The motion is out of order. The resolution is not before us and it would first of all have to be removed from committee before the motion could be made to make it a special order of business."

The Speaker (Mr. Charnley presiding): "Representative Pardini, your motion was to make the resolution a special order of business and that motion is out of order."

Mr. Pardini: "A special order of business would bring that resolution before the body as a matter of action. It is one and the same motion and I want to make it a specific time. If you
want to defeat it, then defeat it, but the motion is proper and in order and I'm asking the majority of this body to bring it before them in two minutes."

SPEAKER'S RULING (MR. CHARNEY PRESIDING)

The Speaker (Mr. Charnley presiding): "Representative Pardini, you have put two motions in the form of one. You first have to make a motion to suspend the rules and bring the bill from committee, and then you can make a motion to place it as a special order of business."

Mr. Pardini: "I'm sorry you are in error, Mr. Speaker. We do not have to suspend the rules. A majority of the body can bring a bill before it at any time. My motion is for a majority of this body to bring the bill before it at 3:40 this afternoon."

The Speaker (Mr. Charnley presiding): "Representative Pardini, your motion is to bring Senate Joint Resolution No. 124 before us and make it a special order of business. That is not a proper motion. A proper motion would be to relieve the State Government Committee of the resolution and bring it to the floor."

MOTION

Mr. Pardini moved that the Committee on State Government be relieved of Senate Joint Resolution No. 124 and that the resolution be placed before the body for immediate consideration.

Representatives Pardini, Berentson and Blair spoke in favor of the motion, and Representatives Ehlers, King, Kilbury and Hurley (George) spoke against it.

Mr. Pardini spoke again in favor of the motion, and Mr. Knedlik spoke against it.

POINT OF ORDER

Mr. Pardini: "Representative Knedlik is impugning my motives on a backdoor pay raise. I would tell Representative Knedlik something if he wants to talk in private about pay raises and what my future plans are."

The Speaker (Mr. Charnley presiding): "Representative Knedlik, the motion is to relieve the committee of SJR 124. Speak to the motion please."

Mr. Knedlik continued his remarks in opposition to the motion, and Mr. Tilly spoke in favor of it.

ROLL CALL

The Clerk called the roll on the motion to relieve the State Government Committee of Senate Joint Resolution No. 124, and the motion was lost by the following vote: Yeas, 35; nays, 55; not voting, 8.

The Speaker (Mr. Charnley presiding) stated the question before the House to be the amendment by Representatives Boldt, Dunlap and Clemente as amended to Second Substitute Senate Bill No. 2232.

POINT OF INQUIRY

Mr. Clemente yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Representative Boldt commented on the graveyard on the fourth floor and I'm more concerned about the potential graveyard in the Temple of Justice. My question deals with the severability clause. If suit is brought and private sectarian schools are denied participation in these educational clinics, is it the intent of the committee that private nonsectarian schools shall still be allowed to participate in the clinics?"
Mr. Clemente: "Yes, it is, Representative Douthwaite. I believe the bill is drawn so that a sectarian school as such couldn't be involved. It would have to be a separate entity as a clinic in order to qualify. Under those restrictions I think there wouldn't be a conflict."

Representatives Clemente, Dunlap and Boldt spoke in favor of the amendment as amended, and Mr. Whiteside spoke against it.

The amendment as amended was adopted.

On motion of Mr. Clemente, the committee amendment to the title was not adopted.

On motion of Mr. Boldt, the following amendments to the title were adopted:
- On line 1 of the title after "education;" and before "providing" insert "providing for certain remedial educational services;"
- On line 3 of the title after "clinics;" and before "creating" insert "providing for bilingual instruction in the common schools;"
- On line 3 of the title after "sections;" and before "adding" strike "and"
- On line 5 of the title after "thereof" and before the period insert "and making effective dates"

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Second Substitute Senate Bill No. 2232 as amended by the House was placed on final passage.

**ROLL CALL**

The Clerk called the roll on the final passage of Second Substitute Senate Bill No. 2232 as amended by the House, and the bill passed the House by the following vote: Yeas, 69; nays, 21; not voting, 8.

Second Substitute Senate Bill No. 2232 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

**ENGROSSED SUBSTITUTE SENATE BILL NO. 2910:**

The House resumed consideration of the bill on second reading.

The Speaker (Mr. Charnley presiding) stated the question before the House to be the amendment by Representatives Lysen and Dunlap to page 20, line 2.

With the consent of the House, Mr. Lysen withdrew the amendment.

Mr. Lysen moved adoption of the following amendment by Representatives Lysen and Dunlap to the committee amendment:

On page 20, after line 2 insert a new section to read as follows:

*NEW SECTION. Sec. 17. The senate and house committees on energy and utilities, subject to approval of the respective house and senate rules committees, are directed to make continuing studies of energy facility siting and the role of the energy facility site evaluation council in that process and submit their findings and recommendations to the Washington State Legislature on or before January 30, 1978. Such studies shall include, but not be limited to examination of:

1. The relationship between local and regional land use planning and the need for siting energy facilities;

2. The length of time necessary for the council to adequately process applications for certification;

3. The relationship between the roles of member state agencies in objectively reviewing an application for certification and in representing agency interests to the council;

4. The feasibility, benefits and disadvantages of requiring certification of the need for an energy facility as a part of the overall certification process;

5. Possible approaches to state identification of sites for future energy facilities and the feasibility, benefits and disadvantages of state control or acquisition of such sites; and

6. The benefits and disadvantages of alternative approaches to state review and approval of applications for certification of sites for energy facilities.*
Renumber the remaining sections consecutively.

Mr. Lysen spoke in favor of the amendment to the committee amendment.

POINT OF ORDER

Mr. Martinis: "Mr. Speaker, my point of order is that this amendment is a statutory requirement of a nonstatutory committee. The House standing committees are created by the House rules and not by the statutes of the Legislature. This would be a statutory directive for the Energy and Utilities Committee, a standing committee of this House, to do studies by a nonstatutory committee."

SPEAKER'S RULING (MR. CHARNLEY PRESIDING)

The Speaker (Mr. Charnley presiding): "Representative Martinis, if you will look on line 2 of the amendment, it says, 'subject to the approval of the house and senate rules committees.' The Chair believes that would answer the problem you raise."

Mr. Lysen continued his remarks in favor of the amendment to the committee amendment.

On motion of Mr. Bender, Representative Flanagan was excused from the Call of the House.

Representatives Blair, Martinis and Newhouse spoke against the amendment to the committee amendment, and Mr. Lysen spoke again in favor of it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Lysen and Dunlap to the committee amendment to Engrossed Substitute Senate Bill No. 2910, and the amendment was not adopted by the following vote: Yeas, 20; nays, 69; not voting, 9.

On motion of Mr. Lysen, the following amendment by Representatives Lysen and Dunlap to the committee amendment was adopted:

On page 10, line 15 after "applications" insert "and to site certifications"

Mr. Lysen moved adoption of the following amendment by Representatives Lysen and Dunlap to the committee amendment:

On page 16 of the House committee amendment, after line 14 insert the following:

"Sec. 13. Section 2, chapter 110, Laws of 1974 ex. sess. as amended by section 40, chapter 108, Laws of 1975-'76 2nd ex. sess. and RCW 80.50.175 are each amended to read as follows:

(1) In addition to all other powers conferred on the council under this chapter, the council shall have the powers set forth in this section.

(2) The council, upon request of any potential applicant, is authorized, as provided in this section, to conduct a preliminary study of any potential site prior to receipt of an application for site certification. A fee of ten thousand dollars for each potential site, to be applied toward the cost of any study agreed upon pursuant to subsection (3) of this section, shall accompany the request and shall be a condition precedent to any action on the request by the council.

(3) After receiving a request to study a potential site, the council shall commission its own independent consultant to study matters relative to the potential site. The study shall include, but need not be limited to, the preparation and analysis of environmental impact information for the proposed potential site and any other matter the council and the potential applicant deem essential to an adequate appraisal of the potential site. In conducting the study, the council is authorized to cooperate and work jointly with the county or counties in which the potential site is located, any federal, state, or local governmental agency that might be requested to comment upon the potential site, and any municipal or public corporation having an interest in the matter. The full cost of the study shall be paid by the potential applicant: PROVIDED, That such costs exceeding a total of ten thousand dollars shall be payable subject to the potential applicant giving prior approval to such excess amount.

(4) Any study prepared by the council pursuant to subsection (3) of this section may be used in place of the "detailed statement" required by RCW 43.21C.030(2)(c) by any branch of government except the
council created pursuant to chapter 80.50 RCW. (Except for actions of the council under chapter 80.50 RCW, all proposals for legislation and other actions of any branch of government of this state, including state agencies, municipal and public corporations, and counties, to the extent the legislation or other action involved approves, authorizes, permits, or establishes procedures solely for approving, authorizing or permitting; the location, financing or construction of any energy facility subject to certification under chapter 80.50 RCW, shall be exempt from the "detailed statement" required by RCW 43.21C.030. Nothing in this subsection shall be construed as exempting any action of the council from any provision of chapter 43.21C RCW.)

(5) All payments required of the potential applicant under this section are to be made to the state treasurer, who in turn shall pay the consultant as instructed by the council. All such funds shall be subject to state auditing procedures. Any unexpended portions thereof shall be returned to the potential applicant.

(6) Nothing in this section shall change the requirements for an application for site certification or the requirement of payment of a fee as provided in RCW 80.50.070, or change the time for disposition of an application for certification as provided in RCW 80.50.100.

(7) Nothing in this section shall be construed as preventing a city or county from requiring any information it deems appropriate to make a decision approving a particular location.

NEW SECTION. Sec. 14. There is added to chapter 80.50 RCW a new section to read as follows:

Except for actions of the council under chapter 80.50 RCW, all proposals for legislation and other actions of any branch of government of this state, including state agencies, municipal and public corporations, and counties, to the extent the legislation or other action involved approves, authorizes, permits, or establishes procedures solely for approving, authorizing or permitting, the location, financing or construction of any energy facility subject to certification under chapter 80.50 RCW, shall be exempt from the "detailed statement" required by RCW 43.21C.030. Nothing in this section shall be construed as exempting any action of the council from any provision of chapter 43.21C RCW."

Renumber the remaining sections consecutively and correct the internal cross references accordingly.

Mr. Lysen spoke in favor of the amendment to the committee amendment.

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Fuller.

Mr. Fuller: "In subsection (2), what is a potential applicant?"

Mr. Lysen: "This would be a power company, a PUD, anybody who would survey a site for consideration of building a power plant."

The amendment to the committee amendment was adopted.

On motion of Mr. Bender, Representative Smith was excused from the Call of the House.

The Speaker (Mr. Charnley presiding) stated the question before the House to be the committee amendment as amended.

Representatives Lysen and Dunlap spoke in favor of the amendment as amended, and Mr. Leckenby spoke against it.

Mr. Lysen spoke again in favor of the amendment as amended.

POINT OF INQUIRY

Mr. Dunlap yielded to question by Mr. Oliver.

Mr. Oliver: "I'm quite concerned about this preemption of local governments and I would like to know exactly what in the statutes are we talking about in terms of a local government? Are we talking about two or three people obtaining a court order and delaying a project? Are we talking about the county commissioners—exactly what are we talking about? Could three people delay a project which the whole nation wants or what are the ramifications of this?"

Mr. Dunlap: "Representative Oliver, we're talking about local units of government. I suppose in the extreme if three people comprise a local unit of government, the three people could forestall action, but generally we're talking about counties, cities, and local units of government with which we are all familiar, not a small handful of one, two or three people."

Mr. Oliver: "My question is specifically what governmental bodies are we dealing with in this statute? Perhaps Representative Lysen could elaborate on this."

Mr. Lysen: "It would remain under the jurisdiction of the elected local county commissioners. They are elected officials and are ultimately responsible for local zoning within counties. It's up to them, and we're saying the track record in this state is excellent with local county commissioners in terms of negotiating contracts, rezoning and accommodating major energy facilities. Until demonstrated otherwise, I think we should not transfer this authority from locally elected officials to third level state bureaucrats."
The committee amendment as amended was adopted.

On motion of Mr. Bender, Representative Thompson was excused from the Call of the House.

Mr. Lysen moved adoption of the committee amendment to the title.

On motion of Mr. Lysen, the following amendment to the committee title amendment was adopted:

On page 20 of the committee amendment, line 30 before "making• insert "amending section 2, chapter 110, Laws of 1974 ex. sess. as amended by section 40, chapter 108, Laws of 1975-'76 2nd ex. sess. and RCW 80.50.175;"*

The committee title amendment as amended was adopted.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2910 as amended by the House was placed on final passage.

**POINT OF INQUIRY**

Mr. Lysen yielded to question by Mr. Dunlap.

Mr. Dunlap: "Representative Lysen, this bill on the siting law gives the Siting Council the power to establish construction and operational conditions as part of its certification agreement. Is it the intent of the bill to allow the Council to regulate the construction and operation of nuclear power plants?"

Mr. Lysen: "The bill and the present law never contemplated allowing the Council to regulate these aspects of nuclear power plants exclusively under the jurisdiction of the federal government. The Federal Nuclear Regulatory Commission has sole authority over radioactive aspects of nuclear power plants; however, the Council has the power to regulate other nonnuclear aspects of power plant operation, such as water discharge, to the extent that such regulation does not conflict with federal law. Of course, the construction and operational conditions of other energy facilities are regulated by the Council. There is nothing to change this overall state-federal regulatory picture."

**POINT OF INQUIRY**

Mr. Lysen yielded to question by Ms. Becker.

Ms. Becker: "Representative Lysen, is this bill intended to be retroactive in any way?"

Mr. Lysen: "The answer is no. This legislation is not in any way intended to look back on the existing statute. This applies to future applications only and will be the governing state policy as future energy facilities are applied for and come before the Siting Council. It is in no way affecting existing statute."

**ROLL CALL**

The Clerk called the roll of the final passage of Engrossed Substitute Senate Bill No. 2910 as amended by the House, and the bill passed the House by the following vote: Yeas, 78; nays, 9; not voting, 11.

Voting nay: Representatives Amen, Barr, Charette, Conner, Erak, Gilletland, Leckenby, Oliver, Patterson.

Engrossed Substitute Senate Bill No. 2910 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

On motion of Mr. Bender, Representative Douthwaite was excused from the Call of the House.
Mr. Speaker:

The Senate has passed **REENROSSED HOUSE BILL NO. 271** with the following amendments:

- On page 4, section 3, line 25 after "1958" insert ": PROVIDED FURTHER, That the provisions of chapter 43.74 RCW are hereby waived for any licensed medical practitioner with 5 years practical experience in medicine and surgery, osteopathy, osteopathy and surgery.

Mr. Speaker:
The Senate refused to grant a conference on ENGROSSED SUBSTITUTE SENATE BILL NO. 2697, and has concurred in the House amendments and passed the bill as amended by the House, Yeas, 29, Nays, 9.

Sidney R. Snyder, Secretary.
Mr. King: "Mr. Speaker, on May 13th the Senate voted to adhere to its position on Engrossed Substitute Senate Bill No. 2697, and transmitted the bill to this House with a request that we recede from our amendments. My inquiry is this: Have the Speaker and the Chief Clerk complied with our House rules and the established procedure of this Legislature which provides that the papers shall be retained in possession of the House requesting the conference?"

The Speaker (Mr. Bauer presiding): "Yes, we have complied with that procedure. Engrossed Substitute Senate Bill No. 2697 has been in the possession of our Chief Clerk since May 13th when the Senate transmitted the bill to the House."

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1132 with the following amendments:

Strike everything after the enacting clause and insert the following:

An insurer shall not cancel such policy or discriminate in regard to other terms or conditions of the policy based upon the applicant's commercial motor vehicle employment driving record.

Sidney R. Snyder, Secretary.

MOTION

Mr. Douthwaite moved that the House concur in the Senate amendments to Substitute House Bill No. 1132.

Mr. Douthwaite spoke in favor of the motion, and Mr. Newhouse spoke against it.

POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mrs. Pearsall.

Mrs. Pearsall: 'Representative Douthwaite, is it the intention of any section of this bill that drivers of municipal transportation vehicles will be covered by exemptions or privilege provisions in this bill?'

Mr. Douthwaite: "Thank you for asking, Representative Pearsall, because this clarifies one of the objections Representative Newhouse has raised. In RCW 46.04.140 commercial vehicle is defined as any vehicle, the principle use of which is the transportation of commodities, merchandise, produce, freight, animals or passengers for hire. The municipal vehicles you refer to would qualify under the latter where the vehicle is used for passenger for hire. Therefore, I believe it does cover those drivers of municipal vehicles in addition."

Mrs. Pearsall spoke in favor of the motion to concur.

POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Pardini.

Mr. Pardini: "Would you construe your citation to extend to school bus drivers?"

Mr. Douthwaite: "No, I think not. The language is 'passengers for hire.' Those particular folks are still left out."

POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Conner.
Mr. Conner: "On line 28 of section 2 of the Senate amendments, they talk about an employer. Can any employer of an individual look at the records? Who does have that opportunity of having those records available?"

Mr. Douthwaite: "As I understand the intent, the language, 'an employer,' refers to any employer who does, in fact, employ a driver who is one of those who would be exempted by the bill. It is not simply any employer who might be interested in your driving record."

POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Patterson.

Mr. Patterson: "In the case of an individual who is self-employed, he becomes the employee; he employs himself to drive his own truck. Does he come under the category of an employer?"

Mr. Douthwaite: "Of course, any individual can request his driving abstract from the Department of Motor Vehicles and get the same for the cost of $1.50. There is this one inconsistency, as Representative Newhouse has pointed out, if one owns his own company and drives professionally and privately, he is not protected this way."

The motion to concur was carried.

MOTION

Mr. Kreidler spoke in favor of the motion.

POINT OF PARLIAMENTARY INQUIRY

Mr. Berentson: "In that we sent all of the bills back to the Rules Committee, could you give us some idea of what we will be doing for the rest of the day? We do have some question as to whether the Senate gave permission to send all the bills back to Rules."

The Speaker: "We will be going at ease very shortly until 2:00 p.m. There will be a Rules Committee meeting at 1:30. We don't have to ask the Senate for permission to refer any of their bills to Rules Committee."

Mr. Berentson: "We can expect then some action to put some bills back on second or third reading so some action could be taken after the Rules Committee meeting?"

The Speaker: "The Rules Committee will meet at 1:30."

The motion to concur in the Senate amendments to Engrossed Second Substitute House Bill No. 391 carried.

The Speaker (Mr. Charnley presiding) called the House to order.

SIGNED BY THE SPEAKER

The Speaker (Mr. Charnley presiding) announced the Speaker was signing:
Mr. Newhouse: "Just before a rather rapid adjournment before lunch, the motion was made to transmit a bill to the Senate and the Speaker ruled that we were not under the proper order of business. I'd like to register that the rules state that a motion such as that is in order at any time."

The Speaker (Mr. Charnley presiding): "Your point of order is not well taken."

MESSAGE FROM THE SENATE

June 14, 1977

Mr. Speaker:
The Senate has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 1120, and has granted said committee the powers of Free Conference, and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

REPORT OF CONFERENCE COMMITTEE

June 13, 1977

Mr. President:
Mr. Speaker:
We, of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 1120, enacting an alternative to Initiative 59, have had the same under consideration, and we report that we cannot agree, and respectfully request the powers of Free Conference in order to amend the bill.

Signed by Senators Gaspard, Benitz, Washington; Representatives Charette, Newhouse, Valle.

MOTION

Mrs. Valle moved that the House adopt the Conference Committee report, and grant the committee the powers of Free Conference.

Representatives Valle and Newhouse spoke in favor of the motion and Representatives Hansen and Charette spoke against it.

Mrs. Valle spoke again in favor of the motion.

POINT OF INQUIRY

Mrs. Valle yielded to question by Mr. Deccio.

Mr. Deccio: "Representative Valle, for the record, does this amendment have anything to do with the controversy that has been initiated by the Yakima Indian Nation with regard to water rights on the Yakima Reservation?"

Mrs. Valle: "Representative Deccio, in no way does the conference report refer to the action of the Indian rights law suit. What it does is give the Department of Ecology powers to initiate water adjudication claims and to initiate that concept. In no way does this report refer to that particular law suit."

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Deccio.

Mr. Deccio: "Representative Newhouse, I'd like to ask the same question of you."
Mr. Newhouse: "This bill would not directly address that, but it would indirectly to the extent that the state would instigate proceedings in some superior court in the area, probably in Yakima, then it would probably be transferred to the federal district court, and then having been initiated in the superior court, the federal district court might well refer the case back to the Yakima district court for adjudication. If this procedure were not followed the chances of going back to the superior court where we would probably much rather be, would be lessened. This would help the people in getting into the court where they want to be."

Mr. Deccio: "Would this in any way prompt the Department of Ecology from adjudicating water rights other than those involved in the Yakima Indian Nation? Would it motivate them to try to adjudicate water rights other than those?"

Mr. Newhouse: "It would somewhat simplify the procedures of notification in the adjudication process and would be applicable in any watershed in the state."

The motion was carried.

In the event that funds are not expended for such project, the highway commission is hereby authorized to include in the 1977-79 operational budget a substitute category 'B' project or projects selected under the provisions of
chapter 47.05 RCW and to expend on such project or projects amounts up to, but not more than the amounts of federal and state funds appropriated for expenditure on project no. 15304E.*

Representatives Burns and Nelson (Dick) spoke in favor of the amendment, and Representatives Gilleland, Conner and Greengo spoke against it.

POINT OF INQUIRY

Mr. Burns yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Representative Burns, are we talking about $260,000 or are we talking about $12 million?"

Mr. Burns: "We are talking about $260,000, Representative Douthwaite, as a part of the study. It's actually the $550,000 study grant at the present time that would include not only the Mercer weave, but the State Route 520 problem which, as I said, I will address when we get to the amendments. Ultimately, if the study is completed, it leads to a $12 million project."

Mr. Douthwaite spoke in favor of the amendment, and Mr. Patterson spoke against it.

Representatives Burns, Hurley (George) and Douthwaite spoke in favor of the amendment, and Representatives Chandler, Dunlap and Gilleland spoke against it.

Mr. Nelson (Dick) spoke in favor of the amendment.

POINT OF ORDER

Mr. Gilleland: "I think the gentleman is wandering far afield from the amendment, and is completely out of order."

The Speaker (Mr. Charnley presiding): "Representative Gilleland, the topic is very broad and I think he should be allowed to continue. Your time is running rather short, Representative Nelson."

Representative Nelson (Dick) continued his remarks in favor of the amendment, and Representatives Conner, Sanders and Knedlik spoke against it.

HOUSE BILL NO. 623, Prime Sponsor: Representative Bauer, exempting capital expenditures of nonprofit water associations from gross income for public utility tax purposes. Reported by Committee on Revenue.

Signed by Representatives Sommers, Chairwoman; Nelson (Gary), Ranking Minority Member; Eng, Erickson, Hurley (George), Kilbury, Moreau, Nelson (Dick), Tilly.

MOTIONS

SECOND READING

HOUSE BILL NO. 388, by Representatives McKibbin, Charnley, Boldt and Lux:

Exempting from property taxation up to two thousand dollars of valuation of property equipped with a solar energy heating or cooling system.

The bill was read the second time.

Mr. Lysen spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Patterson.

Mr. Patterson: "I have a digest indicating that the same kind of exemption would apply to those people who would install insulation and other. Is that included in the bill? How about other methods of conservation? Is there any opportunity in the bill to address that question?"

Mr. Lysen: "Representative Patterson, as I read the bill it is limited to just solar improvements. The original bill did include other matters, but the committee decided to limit it to solar. Possibly in future sessions we can expand it more."
POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Fuller.

Mr. Fuller: "On line 9 of the bill, it talks of water heating. Is this water heating inside a house or could it be a swimming pool, too?"

Mr. Lysen: "The intention is not really clear, but I think it could possibly expand to a swimming pool. The object is to save energy and that's our motivation."

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Bond.

Mr. Bond: "Representative Lysen, I notice on line 7 of the bill it describes solar equipment which meets minimum standards, and then there's the two words, 'if any.' Are there any standards?"

Mr. Lysen: "Yes, there are. They have prescribed standards now, and are in the process of continuing to develop standards for basically the protection of the public. Because this is a new field there is a lot of possibly questionable types of equipment in the field and so the HUD standards will be used the same as in housing materials, etc."

Representatives Nelson (Dick), Dunlap and Lysen spoke in favor of passage of the bill, and Mr. Bond spoke against it.

ROLL CALL

The Clerk called the roll on the final passage of Second Substitute House Bill No. 388, and the bill passed the House by the following vote: Yeas, 67; nays, 13; not voting, 18.

**POINT OF INQUIRY**

Mr. Shinpoch yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "As I recall this bill has been considerably debated in passing the House the first time. Could you bring me up to date as regards the resolution of the issue between you and Representative Thompson on the LEAP program as managed by the Data Processing Authority. Who's in charge?"

Mr. Shinpoch: "Representative Thompson won."

Mr. Douthwaite: "Which means what?"

Mr. Shinpoch: "The first vote through, relative to whether the LEAP committee should come under the Data Processing Authority was, I believe, 49 to 45. The second time through, when I moved that we concur with the Senate amendment, I think the vote was something like 70 to 14. I kept losing ground all the way. The LEAP committee is not under the Data Processing Authority."

**ROLL CALL**

On motion of Mr. Lysen, the committee amendment to page 1, line 14 was adopted.

Mr. Lysen moved adoption of the committee amendment to page 1, line 19.

**POINT OF INQUIRY**

Mr. Lysen yielded to question by Mr. Oliver.

Mr. Oliver: "I'm concerned about the area regarding the State Energy Office to provide a statewide energy conservation program. Does this conservation program include also planning for additional growth for energy needs which will be outside the ramifications of conservation? Also, with regards to the newspaper handout that went around I'd like to know your position stating your reference back to conservation versus nuclear power and other energy-related sources."

Mr. Lysen: "Absolutely there is a need for energy growth in this state and the energy plan under the Energy Office absolutely must take this into consideration. In fact it's the major part of their responsibility to see that we will have adequate energy supplies in the future. In reference to the newspaper handout, the only point I was making there was that if we were to have that $300 million in installation it would save us $800 million in investment in nuclear power plants. That's about 40% of a new plant so in no way does it reduce the overall need, but it puts it up that it is a consideration. We should be very much aware that energy efficiency is a very high priority as well as energy development."

**POINT OF INQUIRY**

Mr. Lysen yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Lysen, is this bill worded in such a way that it is dependent on final passage of Senate Joint Resolution No. 116?"

Mr. Lysen: "Yes."

Mr. Flanagan: "In other words, it's null and void unless SJR 116 is passed?"

Mr. Lysen: "That's right."

**POINT OF INQUIRY**

Mr. Lysen yielded to question by Mr. Gilleland.
Mr. Gilleland: "Giving local governments the authority to go into the installation of heating/cooling equipment would be in competition with private industry, as I read this. Am I right or wrong?"

Mr. Lysen: "Representative Gilleland, what happened in the case of hot water heaters is the same here, it is all handled by private business. All that's done is that the payment for the hot water heater, for example, is handled through your utility bill, but the installation, the sale and so forth, is all handled by independent private business. A lot of small businessmen are not in a position to carry contracts over a number of years. This is just a helpful approach where the utility can guarantee financing, but the actual work will all be done in the private sector."

Mr. Gilleland: "In the water heater program we didn't have to lend the state's credit. Why should we have to do so now? This is a similar program."

Mr. Lysen: "As I understand it, the Assistant Attorney General in the auditing division feels that because a hot water heater can be repossessed, can be taken back, it's not a permanent installation. You put insulation in the walls and you can't take it back. Therefore it is a very limited part of lending the credit of the state. That's the distinction that requires this constitutional amendment. You actually can take back a water heater. The lien is against the hot water heater and not against the house, and in this case, it would have to be against the house because you can't tear insulation out of the walls."

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Tilly.

Mr. Tilly: "Representative Lysen, I was just wondering on this committee amendment, if you could give me the definition of 'customers who are poor or infirm'? What does it take to qualify for this?"

Mr. Lysen: "That's presently in the state Constitution and there are legal definitions for that where there could be a chance for federal funds or money for welfare recipients. This would be a pass-through procedure. In no way would utility funds be used to subsidize this program. The rate payers' fund would be separate and there would be no subsidy. They would pay the full cost of the value plus the interest. This is just a financing mechanism and there is a legal, well-defined case law for a legal definition of that term."

Mr. Tilly spoke against adoption of the committee amendment.

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Leckenby.

Mr. Leckenby: "Apparently the need for this legislation and the constitutional amendment is brought up because the installation of insulation cannot be attached as you say. Is there anything to stop a publicly-owned utility from just filing a lien on the entire structure? If that could be done why is it necessary to have the constitutional amendment and this bill?"

Mr. Lysen: "Representative Leckenby, as I understand this, and we have discussed this to some extent, when you file a lien against the property, that is lending the credit. That's what lending the credit means. That's why the constitutional amendment is necessary. You are not putting up a repossessable item. This is the actual property that they can't repossess, the total house for a small lien. You are lending the credit."

Mr. Leckenby spoke against the committee amendment, and Representatives Martinis, Lux and Lysen spoke in favor of it.

The committee amendment was adopted.

On motion of Mr. Lysen, the committee amendments to page 2 were adopted.

On motion of Mr. Charnley, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2818 as amended by the House was placed on final passage.

Mr. Lysen spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Hansen.
Mr. Hansen: "The amendments we just passed say that this won’t be an obligation against the people paying the bills. In a private utility they make these kinds of arrangements and with a lien on the property or something that has to be added into the overall cost. How can the state lend its credit without taking any obligation to having this paid back?"

Mr. Lysen: "Possibly I didn’t make it clear. It is presently the interpretation of some of the attorneys in the Attorney General’s Office that public utilities cannot lend their credit and cannot file liens because it would be lending the credit. This will allow them to do that and they will be able to file the liens and be sure they are repaid. It allows them to file the same liens that the private utilities can now do. In no way does this limit them from collecting and going after that debt."

POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Newhouse.

Mr. Newhouse: "Representative Lysen, first I think the words, 'public utilities,' as used in this debate, is a misnomer in my opinion. Puget Power and Bell Telephone Company are also public utilities. You mean municipally-owned and PUD utilities. My question revolves around giving the credit of the state, and how much assurance we have of its return. Is there any requirement that if the utility invests a good deal of money in some residence that they are protected to the extent of the homeowner having casualty insurance on that property so if there is a loss of the building, the utility would collect from the liability insurance?"

Mr. Lysen: "My judgment would be that this would be a management decision which the utility would obviously have to make. I would think prudence would demand that they do that."

Representatives Douthwaite, Leckenby and Martinis spoke in favor of passage of the bill, and Representatives Polk and Tilly spoke against it.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2818 as amended by the House, and the bill passed the House by the following vote: Yeas, 61; nays, 23; not voting, 14.

Not voting: Representatives Adams, Deccio, Fortson, Gaines, Haley, Kilbury, Knowles, O'Brien, Paris, Taller, Warnke, Williams, Wilson, and Mr. Speaker.

Engrossed Substitute Senate Bill No. 2818 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

The Speaker (Mr. Charette presiding) declared the House to be at ease until 2:00 p.m.

The Speaker (Mrs. McCormick presiding) called the House to order.

MESSAGES FROM THE SENATE

June 16, 1977

Mr. Speaker:

The President has signed:

HOUSE BILL NO. 49,
SUBSTITUTE HOUSE BILL NO. 68,
SUBSTITUTE HOUSE BILL NO. 581,
SUBSTITUTE HOUSE BILL NO. 928,
SUBSTITUTE HOUSE BILL NO. 936,
SUBSTITUTE HOUSE BILL NO. 1265,
SUBSTITUTE SENATE BILL NO. 2382,

and the same are herewith transmitted.

Sidney R. Snyder, Secretary.
Mr. Speaker:
The Senate has concurred in the House amendments to SUBSTITUTE SENATE BILL NO. 2543, and has passed the bill as amended by the House.

Bill Gleason, Assistant Secretary.

SECOND READING

On motion of Mr. Bender, the House resumed consideration of House Bill No. 623.

HOUSE BILL NO. 623, by Representatives Bauer and Zimmerman:

Exempting capital expenditures of nonprofit water associations from gross income for public utility tax purposes.

Ms. Sommers moved that the committee report be adopted.

POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Charette.

Mr. Charette: "Representative Sommers, will you explain what the committee report is?"

Ms. Sommers: "Representative Charette, the committee report is a do pass recommendation on the original bill as passed by the House. That is to exempt from the B&O certain other receipts of nonprofit water districts. In addition the committee recommended that the Senate amendments not be adopted. The Senate amendments were with regard to surcharges for excess or additional special purchases of energy and were found to be without the scope and object of the bill."

POINT OF PARLIAMENTARY INQUIRY

Mr. Pardini: "The committee report is a recommendation that we do not concur in the Senate amendments, which is not a typical procedure. Is there a precedence wherein we could move to not adopt the committee report thereby making it a positive motion to concur in the Senate amendments? Would that have precedence?"

The Speaker (Mrs. McCormick presiding): "To not adopt the committee report, Representative Pardini, would be to vote against this motion."

Mr. Pardini: "I recognize that, but to move to not adopt the committee report would place us in a positive position to concur with the Senate amendments. The motion to concur always has precedence over the motion not to concur."

The Speaker (Mrs. McCormick presiding): "Representative Pardini, the motion before us is a positive motion, so you are out of order. The question before the House is the motion to adopt the committee report."

Representatives Pardini, Newhouse and Charette spoke against the motion, and Representatives Bauer and Zimmerman spoke in favor of it.

POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Leckenby.

Mr. Leckenby: "Representative Zimmerman, you say that we are more likely to lose the bill if we accept this report?"

Mr. Zimmerman: "I think it would be the simplest way if we could all agree that we have fifty votes to go through and vote this all out just as it is. Somehow or other I understand that between the Revenue Committee and some other things that have been done we are supposed to separate the issue. Personally, if fifty people out here would vote and get this out and go home, I'm in favor of that, but at this point I guess that's not the game plan, so I'm saying let's separate the issue, vote and get it done. Simplicity is not the way we function around here, I guess."

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Leckenby.

Mr. Leckenby: "Representative Newhouse, which is the most direct way of getting both of these issues before us and passed by both houses?"
Mr. Newhouse: "To me the answer is quite simple. The bill as amended by the Senate has passed. To get those issues we would simply have to concur with this amendment and pass the bill as amended by the Senate. Then fifty votes would accomplish it right now today."

Representatives Leckenby and Winsley spoke against the motion, and Mr. Smith spoke in favor of it.

POINT OF PARLIAMENTARY INQUIRY

Mr. Barnes: "I understand that there are two issues involved here and I would like you to see if I'm correct. If we reject the committee recommendation, we will keep both issues if we pass the bill?"

The Speaker (Mrs. McCormick presiding): "The Senate amendments to House Bill No. 623 were ruled to have changed the scope and object of the bill in accordance with House Rule No. 31. As in the past, the bill, with the Senate amendments, was referred to committee to take the same course as for original bills. The bill is now on the second reading calendar. If the report of the Revenue Committee is adopted, that is to not adopt the Senate amendments, the bill will be returned to the Senate as a noncurrence with the Senate amendments. If the report is rejected, the new language is adopted and the bill will require a final passage vote."

Mr. Barnes spoke against the motion.

ROLL CALL

The Clerk called the roll on the motion that the Revenue Committee report be adopted to House Bill No. 623, and the motion was lost by the following vote: Yeas, 38; nays, 45; not voting, 15.

Not voting: Representatives Adams, Deccio, Fortson, Gaines, Haley, Kilbury, Knowles, Martinis, Moreau, O'Brien, Paris, Warnke, Williams, Wilson, and Mr. Speaker.

MOTION FOR RECONSIDERATION

Mr. Knedlik, having voted on the prevailing side, moved that the House immediately reconsider the vote by which the Committee on Revenue report to House Bill No. 623 was not adopted.

The Speaker (Mrs. McCormick presiding) declared the House to be at ease.

The Speaker (Mrs. McCormick presiding) called the House to order.

The Speaker (Mrs. McCormick presiding) stated the question before the House to be the motion for reconsideration by Representative Knedlik.

Mr. Knedlik spoke in favor of the motion.

MOTION

Mr. Pardini moved that in accordance with Reed's Rule 201, the House of Representatives of the 45th Legislature First Extraordinary Session, set Sunday, June 19th at 6:00 p.m. as the date of the sine die adjournment.

POINT OF ORDER

Mr. Bender: "Is the motion to reconsider a higher motion?"

SPEAKER'S RULING (MRS. MCCORMICK PRESIDING)

The Speaker (Mrs. McCormick presiding): "The motion to reconsider is of higher ranking order so your motion, Representative Pardini, is out of order."

POINT OF ORDER

Mr. Pardini: "To fix the date of adjournment is debatable and amendable. There is no precedence except where no regular time has been fixed to which the assembly shall adjourn.
In that case, it has precedence even over the motion to adjourn. The highest ranking motion is the motion to adjourn and where no date has been set my motion has precedence over that. I believe the Chair is in error."

**POINT OF ORDER**

Mr. Bender: "According to House Rule 46, Representative Pardini's motion is out of order because the motion has to be reduced to writing."

The Speaker (Mrs. McCormick presiding): "Your point is well taken, Representative Bender."

**MOTION**

On motion of Mr. Bender, the House adjourned until 11:00 a.m., Friday, June 16, 1977.

JOHN BAGNARIOL, Speaker.

DEAN R. FOSTER, Chief Clerk.
The House was called to order at 11:00 a.m. by the Speaker (Mr. King presiding). The Clerk called the roll and all members were present except Representatives Adams, Bauer, Becker, Bond, Dunlap, Haley, Hurley (Margaret), Knowles, North, O'Brien, Pardini, Paris and Smith, who were excused.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Susan Capaso and John Vik. Prayer was offered by Reverend George Mitchell of the First Christian Church of Olympia.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

SPEAKER'S RULING (MR. KING PRESIDING)

The Speaker (Mr. King presiding): "Yesterday Representative Pardini made a motion that the House set Sunday, June 19th as the date of adjournment sine die in accordance with Reed's Rule 201. This motion was not in order and has no privilege whatever over other motions. Reed's Rule 201 discusses the motion to fix the date of adjournment. It does not speak to adjournment sine die. To adjourn means to postpone action of the body to another time specified. To adjourn sine die means adjournment without day. It is a final dissolution of that session of the body. If you will read Reed's Rule 201 and also Reed's Rule 171, you will see that a motion to fix the time to which the assembly shall adjourn has no privilege over pending motions where there is fixed a regular time to which the assembly shall adjourn. House Rule 46 sets the time to which this assembly shall adjourn at 10:30 a.m. each day. The motion to fix the date or the time to which the assembly shall adjourn is privileged only when a motion to adjourn would otherwise dissolve the assembly. Reed's Rule 170 which states in part, 'When an assembly has not fixed the date to which it shall adjourn, ... an adjournment would be equivalent to a dissolution, and would have no privilege whatever over other motions.' Adjournment sine die is a final adjournment or dissolution of a body and has no privilege as stated in Reed's Rule 170. In any case, Article II, section 2 of the Constitution prohibits either house from adjourning more than three days without the consent of the other which is why adjournment sine die is always done pursuant to a concurrent resolution. The motion is not in order."

POINT OF PARLIAMENTARY INQUIRY

Mr. Berentson: "We notice that in Reed's Rule 201, that it does refer to fixing the day of adjournment as well as to adjourn and treats them as separate matters. For that reason we would question the ruling of the Chair regarding the motion made yesterday, and point to the possibility of fixing the day of adjournment, it does not relate in any way to sine die. It seems to us that in that the two are addressed separately, to adjourn and to fix the day of adjournment, that would imply that it does refer to sine die."

The Speaker (Mr. King presiding): "If you will refer to Reed's Rule 201, under fixing the day of adjournment, it uses the language, '...except when a regular time to which the assembly shall adjourn.' House Rule 40 fixes a time to which the assembly shall adjourn. It would not be applicable."

Mr. Berentson: "Mr. Speaker, I might bring your attention to the motion itself, which did indeed fix the time of adjournment."

The Speaker (Mr. King presiding): "He was fixing a time for adjournment sine die and we've also stated that cannot be done without a concurrent resolution."
MESSAGE FROM THE SENATE

June 16, 1977

Mr. Speaker:
The President has signed:

HOUSE BILL NO. 271,
SUBSTITUTE HOUSE BILL NO. 952,
SECOND SUBSTITUTE HOUSE BILL NO. 1306,
SUBSTITUTE SENATE BILL NO. 2543,

and the same are herewith transmitted.

Sidney R. Snyder, Secretary.

MESSAGE FROM THE SENATE

June 16, 1977

Mr. Speaker:
The Senate has adopted the report of the Free Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 1120, and has passed the bill as amended by the Free Conference Committee, and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

REPORT OF FREE CONFERENCE COMMITTEE

June 13, 1977

Mr. President:
Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 1120, enacting an alternative to Initiative 59, have had the same under consideration, and we recommend the following:

That the Senate amendments be adopted with the following amendments:

On page 1 of the Senate amendments, beginning on line 6 strike all of section 1 and renumber the remaining sections consecutively.

On page 2 of the Senate amendments, line 38, strike "registered mail" and insert "certified mail, with acknowledgment of receipt of summons executed by defendant required."

Amend the title—On page 3 of the Senate amendments, beginning on line 26 strike "amending section 14, chapter 117, Laws of 1917 and RCW 90.03.110;"

Signed by Senators Gaspard, Benitz, Washington; Representatives Charette, Newhouse, Valle.

MOTION

On motion of Mrs. Valle, the report of the Free Conference Committee was adopted.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker (Mr. King presiding) stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 1120 as amended by the Free Conference Committee.

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Newhouse, under existing law, the state can initiate an adjudication. Also any individual can initiate an adjudication. What changes does this make from existing law that is of any importance?"

Mr. Newhouse: "The major change, in my opinion, Representative Flanagan, which this bill would make would be in the notice of landowners or those who claim water rights. Under existing law you would have to have a deputy sheriff serve each one individually, which can be very, very expensive procedure when there are thousands of claimants to water rights. This situation would allow the use of certified mail with a return receipt required. Obviously, the difference then would be for each one a dollar or two as compared with maybe fifteen or twenty dollars, or maybe double that, in finding the individual water right claimants and serving the notice, because we are involved with property rights. The original request asked by the Attorney General was that he be allowed to serve this original notice only by use of a general map. That section has been withdrawn. The notice requirements, in my opinion, are the principle change."
ROLL CALL.

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1120 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 78; nays, 2; not voting, 18.

Voting nay: Representatives Gallagher, Hansen.

Engrossed Substitute House Bill No. 1120 as amended by the Free Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MESSAGE FROM THE SENATE

June 16, 1977

Mr. Speaker:

The Senate has adopted the report of the Free Conference Committee on SUBSTITUTE HOUSE BILL NO. 1310, and has passed the bill as amended by the Free Conference Committee, and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

REPORT OF FREE CONFERENCE COMMITTEE

June 13, 1977

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 1310, defining "date of filing" with regard to a permit for a variance or a conditional use under the shoreline management act, have had the same under consideration, and we recommend that the Senate amendments not be adopted, and the following substitute amendments be adopted:

On page 5, line 31 after '1969' strike "((;)), or" and insert "; ((or)) and".

Beginning on page 5, line 32 after "(b)' strike all material down to and including •••• on page 6, line 7 and insert:

"(((i) Sales of lots to purchasers with reference to the plat, or substantial development incident to platting or required by the plat, occurred prior to April 1, 1971; and

(ii) The development to be made without a permit meets all requirements of the applicable state agency or local government, other than requirements imposed pursuant to this chapter, and

(iii) The development does not involve construction of buildings, or involves construction on wetlands of buildings to serve only as community social or recreational facilities for the use of owners of platted lots and the buildings do not exceed a height of thirty-five feet above average grade level; and

(iv))"

Signed by Senators Washington, Ridder, Murray; Representatives Valle, Douthwaite, Zimmerman.

MOTION

Mrs. Valle moved that the House adopt the report of the Free Conference Committee.

Mrs. Valle spoke in favor of the motion.

POINT OF INQUIRY

Mrs. Valle yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Representative Valle, in connection with the conference report, do you feel that in this conference report that we are in any way rescinding or affecting those persons who were originally exempt under the Shorelines Management Act of 1971, in terms of those persons who had preliminary plats or final plats and therefore were exempt then? Are they still exempt? Do you see us as affecting that group of people?"
Mrs. Valle: "I feel that the original intent of the Shorelines' Management Act is reflected in the Senate Journal and that is the intent of the corrections to the Shorelines' Management Act as now stated in the Free Conference report."

Mr. Zimmerman: "In other words, it is a reiteration of that original intent as expressed in the Senate Journal of 1971?"

Mrs. Valle: "That is correct."

Mr. Zimmerman: "I think it's important that be established. Those of us on the Conference Committee did not intend to wipe out exemptions without adequate notice and without adequate understanding of what any of the changes would be. I would hope we can establish that we are not intentionally or unintentionally disturbing that relationship and would hope that if there are persons who fall into that category they will have adequate opportunity, through their local governmental agencies and the Department of Ecology, to be sure that they can proceed. Certainly there have been some questions, but this was not looked upon as a major bill at the time it was started, and some of the controversy did surround this 1971 interpretation in the Senate Journal."

The motion was carried.

June 16, 1977

Mr. Speaker:
The Senate has adopted the report of the Conference Committee on ENGROSSED SENATE BILL NO. 2042, and has granted said committee the powers of Free Conference.

Bill Gleason, Assistant Secretary.
Mr. Speaker:

Mr. President:

The board is authorized to employ personnel, pursuant to chapter 41.06 RCW, as necessary to conduct the business of the board.

On page 10, after line 32 strike the entire section through and including "rest." on page 11, line 8 and insert:

"(1) Pilots, after completion of an assignment or assignments which are seven hours or longer in duration, shall receive a mandatory rest period of seven hours.

(2) A pilot shall refuse a pilotage assignment if said pilot is physically or mentally fatigued or if said pilot has a reasonable belief that the assignment cannot be carried out in a competent and safe manner. Upon refusing an assignment as herein provided a pilot shall submit a written explanation to the board. If the board finds that the pilot's written explanation is without merit, or reasonable cause did not exist for the assignment refusal, such pilot may be subject to the provisions of RCW 88.16.100 as now existing or hereafter amended."
(3) The board shall quarterly review the dispatch records of pilot organizations or pilot's quarterly reports to ensure the provisions of this section are enforced. The board may prescribe rules for rest periods pursuant to chapter 34.04 RCW.

On page 15, after line 12 insert the following new section:

"NEW SECTION. Sec. 16. There is added to chapter 88.16 RCW a new section to read as follows:
Any vessel designed for the purpose of carrying as its cargo liquefied natural or propane gas shall adhere to the provisions of RCW 88.16.190(2) as though it was an oil tanker."

Renumber the remaining sections consecutively, and correct internal references accordingly.

On page I, line 1 of the title after "pilotage;" and before 'amending' on line 5, strike all of the material and insert: 'amending section 1, chapter 18, Laws of 1935 as last amended by section 73, chapter 151, Laws of 1977 1st ex. sess. and RCW 88.16.010; amending section 2, chapter 18, Laws of 1935 as last amended by section 74, chapter 151, Laws of 1977 1st ex. sess. and RCW 88.16.020;"

FINAL PASSAGE OF SENATE BILL

AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker (Mr. King presiding) stated the question before the House to be the final passage of Engrossed Senate Bill No. 2042 as amended by the Free Conference Committee.

Mr. Conner spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "The last amendment, section 16, which refers to the liquefied natural gas or propane tankers adhering to the provisions of RCW 88.16.190, does that mean that they shall adhere to those tug boat escort provisions?"

Mr. Conner: "Yes, they would adhere to the same provisions as an oil tanker. They would be required to have a pilot and would also be required to have an escort."

Mr. Douthwaite: "If they were in excess of 40,000 deadweight tons?"

Mr. Conner: "That's correct."

Representatives Douthwaite and Charnley spoke in favor of passage of the bill.

REPORT OF FREE CONFERENCE COMMITTEE

June 4, 1977

Mr. Speaker:
Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED HOUSE BILL NO. 1133, authorizing certain golfing sweepstakes under gambling act, have had the same under consideration, and we recommend that the bill be amended as follows:

That the Senate committee amendment as amended be adopted, with the following amendments:
On page 14, subsection (6), line 15 strike all material beginning on line 15 through line 4, page 15, and renumber the following subsections consecutively.
On page 16, line 32 strike all of subsection (9).
On page 21, subsection (15), line 31 after "organizations" strike "or card rooms".
On page 34, line 24 strike all of section 18 and renumber the remaining section consecutively.

Signed by Senators Van Hollebeke, Morrison, Bausch; Representatives Warnke, Conner, Fancher.

MOTION

On motion of Mr. Warnke, the House adopted the report of the Free Conference Committee.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker (Mr. King presiding) stated the question before the House to be the final passage of Engrossed House Bill No. 1133 as amended by the Free Conference Committee.

Mr. Conner spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Eng.

Mr. Eng: "Representative Conner, this bill authorizes private clubs to permit gambling by their members. Does this mean clubs like the Elks, the Eagles, the Moose, and so forth? Would the Gambling Commission allow gambling to be displayed in these clubs if they discriminate in relation to race?"

Mr. Conner: "I believe that's against state law relative to discrimination with regard to race, creed, color, sex and age."

POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Greengo.

Mr. Greengo: "Representative Conner, doesn't this bill now allow card playing to take place in restaurants, and isn't that a new opportunity?"

Mr. Conner: "It says only Class H licenses and that's in section 7. It authorizes private clubs. There's presently some three hundred Class H licensed clubs in the state and there are only one hundred four that have a liquor license, and it would only apply to those who have a liquor license. It would allow their members only to have card games under the rules and regulations of the Gambling Commission, but they would not require a gambling license."
POINT OF INQUIRY

Mr. Warnke yielded to question by Mr. Chandler.

Mr. Chandler: "Representative Warnke, it says, "The legislature hereby authorizes any person, association, or organization operating an established business primarily engaged in the selling of food or drink for consumption on the premises to conduct social card games ..." It says nothing about a Class H license, nor does it say anything about being a nonprofit organization, or an organization that is a private club. To me that language very clearly says that if I own a restaurant and sell hamburgers, I can open a card room."

Mr. Warnke: "Representative Chandler, this is a request from the Gambling Commission to try and tighten up what is commonly known as a commercial stimulant. The commission still has full authority to establish the guidelines under which the commercial stimulant may be used in any activity. That language was brought to us by the Gambling Commission."

Representatives Chandler and Charnley spoke against passage of the bill.

POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Pruitt.

Mr. Pruitt: "In section 1, subsection (15) it says, 'Member. As used in this chapter, member means a member of an organization eligible to be licensed by the commission ...' and it says, 'No person shall be a member of any organization if that person's primary purpose for membership is to be a participant in gambling.' Some churches are involved with bingo. Does this apply to churches also?"

Mr. Conner: "Not that particular section. For bingo, the general public can play and they cannot if they have a liquor license. The general public cannot go where drinks are sold while they are engaged in any type of gambling activities. Under the rules of the Gambling Commission, on these activities we are talking about fund raisers, and it says as well as card games, they can't play there unless they are a bona fide member of that particular organization and meet the rules and regulations of the Gambling Commission."

Mr. Pruitt: "Does this impact membership of churches? Could the Gambling Commission make any decision as to whether a member is a qualified member of the church organization?"

Mr. Conner: "I wouldn't think so. My answer would be no."

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 1133 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 61; nays, 19; not voting, 18.

Engrossed House Bill No. 1133 as amended by the Free Conference Committee, having received the constitutional sixty-percent majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

The Speaker (Mr. King presiding) declared the House to be at ease until 2:00 p.m.
The Speaker (Ms. Sherman presiding) called the House to order.
MR. President:
Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 2435, providing for disposition of operating fees charged at institutions of higher education, have had the same under consideration, and we request the powers of Free Conference in order to amend the bill.

Signed by Senators Odegaard, Donohue, Scott; Representatives Thompson, Erickson, Chandler.

MOTION

Ms. Erickson moved that the House adopt the report of the Conference Committee and grant the committee the powers of Free Conference.

Representatives Erickson, Thompson and Chandler spoke in favor of the motion, and Mr. Shinpoch spoke against it.

POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Amen.

Mr. Amen: "Representative Shinpoch, section 2 says 'In order that each community college treasurer appointed in accordance with section 1 of this act may make vendor payments, the state treasurer will honor warrants drawn by each community college providing for one initial advance ...' Can't the treasurer do his job without that advance being made?"

Mr. Shinpoch: "In some instances in some community colleges, the answer is yes, they can do it without setting up any additional fund. With other community colleges that's not so, but the proposal here is not to set up money for cash flow within the community colleges, the proposal here is that you give them an advance—a one-month advance. Some of them have other local funds and they can certainly handle this, but we've been working with the state board for some time to set up a cash flow account in the local community colleges, but that's not this proposal."

POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Newhouse.

Mr. Newhouse: "How would you then propose that if a community college is provided a treasurer as the four-year colleges have, that they have the adequate money to operate without an advance situation?"

Mr. Shinpoch: "I would propose that we set up cash flow for goods and services only. That it does not include any of the money that pertains to instruction, to their payroll or anything that they require other than goods and services, maintenance and those things they buy. I would propose that we set up a cash flow account as exists in the four-year schools. They use their local funds to do that same thing, and I would propose that we handle it in that fashion. It appears to me that this type of an advance is overkill."

Mr. Newhouse: "Then it would not be inconsistent to handle the faculty salaries and so forth differently than goods and services which are purchased, and would not have to advance so much money from the state treasury to each individual treasurer for the system you propose?"

Mr. Shinpoch: "That's correct. In fact, that's what they asked for. In my dealings with the state board, to set up local funds, they originally came in and wanted $100,000 for each one. I told them I didn't understand that. If they have seven or eight hundred students and in places like Western with nine or ten thousand that runs on $25,000 to $30,000, why should we put $100,000 in something that has ten percent of the expenses. They came back and said $1.1 million would do that and I think that's probably even too much. The only thing you're dealing with when you talk about the warrants to be drawn at that local level—it doesn't come out on the regular allotment to be honored by the goods and services portion that they purchase."
POINT OF INQUIRY

Ms. Erickson yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "There is one caveat there in the middle of section 2, which states, '...for such budgeted biennium expenditures as certified by the office of program planning and fiscal management.' I assume that is a screen or a filter which will keep a hawkeye on the kinds of bills which can be paid at this point. Would you elaborate why OPP&FM is involved here?"

Ms. Erickson: "As I understand it, this is not intended for the larger amounts for the larger payments, but rather to allow the community colleges to have the ability to deal at their local levels to pay for the emergencies that come up and make minor capital improvements. The four-year colleges frequently have other sources of revenue they can use. Frequently community colleges do not have any kind of a cash flow at all. This is simply trying to give them those kinds of abilities so they don't have to send the warrants for every single small thing to the state, and yet this would require them to have fiscal responsibility."

Mr. Douthwaite: "If OPP&FM thought there was some reason they should not receive those warrants, they could withhold such payment and thus protect the intent of the budgeted legislative items?"

Ms. Erickson: "That's right."

The motion was carried.

REPORT OF CONFERENCE COMMITTEE
June 15, 1977

Mr. President:
Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 1348, providing for increased coverage for uninsured motorists at the purchaser's option, have had the same under consideration, and we report that we cannot agree and request the powers of Free Conference in order to amend the bill.

Signed by Senators Bottiger, Clarke, Francis; Representatives Douthwaite, Knedlik, Taller.

MOTION
Mr. Douthwaite moved that the report of the Conference Committee be adopted and the committee be granted the powers of Free Conference.

POINT OF INQUIRY
Mr. Knedlik yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "The language in the Conference Committee report strikes the sentence dealing with—'the purchaser...shall be informed by the insurer of the availability of the option specified in this section.' Will you clarify for us what you think the intent of that striking language was?"

Mr. Knedlik: "The reason that paragraph has been deleted is because the language is unnecessarily repetitive. The phrase 'at the purchasers' option' in the preceding paragraph makes clear that the Legislature is statutorily approving stacking by legislatively mandating that stacked and unstacked coverage must now be offered to purchasers of uninsured and underinsured motorists' coverage and the purchaser will exercise his or her option to select which to buy or to buy neither. This paragraph which has been deleted was merely excess baggage and has been struck as repetitive."

The motion was carried.

We, of your Free Conference Committee, to whom was referred SUBSTITUTE HOUSE
BILL NO. 865, revising the public employees' retirement system, have had the same under

tute House bill be struck, and the bill read as follows:

"AN ACT Relating to the public employees' retirement system; amending section 1, chapter 274, Laws of
1947 as last amended by section 2, chapter 190, Laws of 1973 1st ex. sess. and RCW 41.40.010;
amending section 4, chapter 34, Laws of 1975-'76 2nd ex. sess. and RCW 41.40.165; amending section

chapter 126, Laws of 1963 and RCW 41.40.370; adding new sections to chapter 41.40 RCW; prescrib­
ing an effective date; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. LEGISLATIVE FINDING. The legislature finds and determines that
those members first employed on or before September 30, 1977, shall not suffer any diminishment or loss
of benefits or rights, whether current or prospective, as the result of the enactment of this 1977 amendatory act.

NEW SECTION. Sec. 2. APPLICATION TO CERTAIN PERSONS. Sections 3 through 15 of this
1977 amendatory act shall apply only to those persons who are initially employed by an employer on or after
October 1, 1977.

NEW SECTION. Sec. 3. COMPUTATION OF THE RETIREMENT ALLOWANCE. A member of
the retirement system shall receive a retirement allowance equal to two percent of such member's average
final compensation for each year of service.

NEW SECTION. Sec. 4. RETIREMENT FOR SERVICE. (1) NORMAL RETIREMENT. Any
member with at least five years of service who has attained at least age sixty-five shall be eligible to retire
and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amen­
datory act.

(2) EARLY RETIREMENT. Any member who has completed at least twenty years of service and has
attained age fifty-five shall be eligible to retire and to receive a retirement allowance computed according to
the provisions of section 3 of this 1977 amendatory act, except that a member retiring pursuant to this sub-
section shall have the retirement allowance actuarially reduced to reflect the difference in the number of
years between age at retirement and the attainment of age sixty-five.

NEW SECTION. Sec. 5. POST-RETIREMENT COST-OF-LIVING. Beginning July 1, 1979, and
every year thereafter, the department shall determine the following information for each retired member or
beneficiary whose retirement allowance has been in effect for at least one year:
(1) The original dollar amount of the retirement allowance;
(2) The index for the calendar year prior to the effective date of the retirement allowance, to be known
as 'index A';
(3) The index for the calendar year prior to the date of determination, to be known as 'index B'; and
(4) The ratio obtained when index B is divided by index A.
The value of the ratio obtained shall be the annual adjustment to the original retirement allowance and
shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:
(a) Produce a retirement allowance which is lower than the original retirement allowance;
(b) Exceed three percent in the initial annual adjustment; or
(c) Differ from the previous year's annual adjustment by more than three percent.

For the purposes of this section, 'index' means, for any calendar year, that year's average consumer
price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by
the bureau of labor statistics, United States department of labor.

NEW SECTION. Sec. 6. EMPLOYER AND MEMBER CONTRIBUTIONS. The required contribu-
tion rates to the retirement system for both members and employers shall be established by the director
from time to time as may be necessary upon the advice of the state actuary.

Contribution rates required to fund the costs of the retirement system shall always be equal for mem-
bers and employers, except as herein provided. Any adjustments in contribution rates required from time to
time for future costs shall likewise be shared equally by the members and employers: PROVIDED, That the
costs of amortizing the unfunded supplemental present value of the retirement system, in existence on Sep-
tember 30, 1977, shall be borne in full by the employers.

Any increase in the contribution rate required as the result of a failure of an employer to make any
contribution required by this section shall be borne in full by the employer not making the contribution.

The director shall notify the retirement board of any pending adjustment in the required contribution
rate and such increase shall be announced at a board meeting held at least thirty days prior to the effective
date of the change.

Members contributions required by this section shall be deducted from the members compensation
earnable each payroll period. The members contribution and the employers contribution shall be remitted
directly to the department within fifteen days following the end of the calendar month during which the
payroll period ends.

Until such time as the director shall establish other rates, members and employers of such members
shall each contribute 5.51\% of compensation earnable: PROVIDED, That employers shall initially contrib-
ute an additional one and one-half percent of compensation earnable per member to amortize the unfunded
supplemental present value of the retirement system in effect on September 30, 1977.

NEW SECTION. Sec. 7. OPTIONS FOR PAYMENT OF RETIREMENT ALLOWANCES. Upon
retirement for service as prescribed in section 4 of this 1977 amendatory act, a member shall elect to have
the retirement allowance paid pursuant to Option 1, 2, or 3 with Options 2 and 3 calculated so as to be
actuarially equivalent to Option 1.

(1) OPTION 1. A member electing this option shall receive a retirement allowance payable throughout
such member's life. However, if the retiree dies before the total of the retirement allowance paid to such
retiree equals the amount of such retiree's accumulated contributions at the time of retirement, then the
balance shall be paid to such person or persons having an insurable interest in the retiree's life as the retiree
shall have nominated by written designation duly executed and filed with the department; or if there be no
such designated person or persons still living at the time of the retiree's death, then to the surviving spouse;
or if there be neither such designated person or persons still living at the time of death nor a surviving
spouse, then to the retiree's legal representative.

(2) OPTION 2. A member who elects this option shall receive a reduced retirement allowance, which
upon the member's death shall be continued throughout the life of and paid to such person having an insur-
able interest in the retiree's life as the retiree shall have nominated by written designation duly executed and
filed with the department at the time of the retiree's retirement.

(3) OPTION 3. A member who elects this option shall receive a reduced retirement allowance, and
upon the member's death one-half of the retiree's reduced retirement allowance shall be continued through-
out the life of and paid to such person having an insurable interest in the retiree's life as the retiree shall
have nominated by written designation duly executed and filed with the department at the time of the
retiree's retirement.

NEW SECTION. Sec. 8. EARNED DISABILITY ALLOWANCE. A member of the retirement sys-
tem who becomes totally incapacitated for continued employment by an employer as determined by the
department upon recommendation of the retirement board shall be eligible to receive an allowance under
the provisions of section 2 through 15 of this 1977 amendatory act. Such member shall receive a monthly disa-
bility allowance computed as provided for in section 3 of this 1977 amendatory act and shall have such
allowance actuarially reduced to reflect the difference in the number of years between age at disability and
the attainment of age sixty-five.
Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. If such medical examinations reveal that such a member has recovered from the incapacitating disability and the member is offered reemployment by an employer at a comparable compensation, such member shall cease to be eligible for such allowance.

NEW SECTION. Sec. 9. APPLICATION FOR AND EFFECTIVE DATE OF RETIREMENT ALLOWANCES. Any member or beneficiary eligible to receive a retirement allowance under the provisions of sections 4, 8, or 11 of this 1977 amendatory act shall be eligible to commence receiving a retirement allowance after having filed written application with the department.

(1) Retirement allowances paid to members under the provisions of section 4 of this 1977 amendatory act shall accrue from the first day of the calendar month immediately following such member's separation from employment.

(2) Retirement allowances paid to vested members no longer in service, but qualifying for such an allowance pursuant to section 4 of this 1977 amendatory act, shall accrue from the first day of the calendar month immediately following such qualification.

(3) Disability allowances paid to disabled members under the provisions of section 8 of this 1977 amendatory act shall accrue from the first day of the calendar month immediately following such member's separation from employment for disability.

(4) Retirement allowances paid as death benefits under the provisions of section 11 of this 1977 amendatory act shall accrue from the first day of the calendar month immediately following the member's death.

NEW SECTION. Sec. 10. SUSPENSION OF RETIREMENT ALLOWANCE UPON REEMPLOYMENT BY AN EMPLOYER. No retiree under the provisions of sections 2 through 15 of this 1977 amendatory act shall be eligible to receive such retiree's monthly retirement allowance if such retiree is performing service for any nonfederal public employer in this state.

Upon cessation of service for any nonfederal public employer in this state such retiree shall have benefits actuarially recomputed pursuant to the rules adopted by the department.

NEW SECTION. Sec. 11. DEATH BENEFITS. (1) If a member or a vested member who has not completed at least ten years of service dies, the amount of the accumulated contributions standing to such member's credit in the retirement system at the time of such member's death shall be paid to such person or persons having an insurable interest in such member's life as the member shall have nominated by written designation duly executed and filed with the department. If there be no such designated person or persons still living at the time of the member's death, such member's accumulated contributions standing to such member's credit in the retirement system shall be paid to the member's surviving spouse as if in fact such spouse had been nominated by written designation, or if there be no such surviving spouse, then to such member's legal representatives.

(2) If a member who is eligible for retirement or a member who has completed at least ten years of service dies, the surviving spouse or eligible child or children shall elect to receive either:

(a) A retirement allowance computed as provided for in section 4(1) of this 1977 amendatory act actuarially adjusted to reflect Option 2 of section 7 of this 1977 amendatory act and if the member was not eligible for normal retirement at the date of death a further reduction as described in section 4(2) of this 1977 amendatory act; if a surviving spouse who is receiving a retirement allowance dies leaving a child or children of the member under the age of majority, then such child or children shall continue to receive an allowance in an amount equal to that which was being received by the surviving spouse, share and share alike, until such child or children reach the age of majority; if there is no surviving spouse eligible to receive an allowance at the time of the member's death, such member's children or children under the age of majority shall receive an allowance share and share alike calculated as herein provided making the assumption that the ages of the spouse and member were equal at the time of the member's death; or

(b) The member's accumulated contributions.

NEW SECTION. Sec. 12. SERVICE CREDIT FOR AUTHORIZED LEAVE OF ABSENCE. A member who is on a paid leave of absence authorized by a member's employer shall continue to receive service credit as provided for under the provisions of sections 2 through 15 of this 1977 amendatory act.

A member shall be eligible to receive a maximum of two years service credit during a member's entire working career for those periods when a member is on an unpaid leave of absence authorized by an employer. Such credit may be obtained only if the member makes both the employer and member contributions plus interest as determined by the department for the period of the authorized leave of absence within five years of resumption of service or prior to retirement whichever comes sooner: PROVIDED, That for the purpose of this subsection the contribution shall not include the contribution for the unfunded supplemental present value as required by section 6 of this 1977 amendatory act. The contributions required shall be based on the average of the member's compensation earnable at both the time the authorized leave of absence was granted and the time the member resumed employment.

A member who is inducted into the armed forces of the United States shall be deemed to be on an unpaid, authorized leave of absence.

NEW SECTION. Sec. 13. VESTED MEMBERSHIP. A member who separates or has separated after having completed at least five years of service may remain a member during the period of such member's absence from service for the exclusive purpose only of receiving a retirement allowance under the provisions of section 4 of this 1977 amendatory act if such member maintains the member's accumulated contributions intact.
NEW SECTION. Sec. 14. REFUND OF CONTRIBUTIONS. A member who ceases to be an employee of an employer may request a refund of the member's accumulated contributions. The refund shall be made within ninety days following the receipt of the request and notification of termination, by the employer; except that in the case of death, an initial payment shall be made within thirty days of receipt of request for such payment. A member who files a request for refund and subsequently enters into employment with another employer prior to the refund being made shall not be eligible for a refund. The refund of accumulated contributions shall terminate all rights to benefits under sections 2 through 15 of this 1977 amendatory act.

NEW SECTION. Sec. 15. REENTRY. A member, who has left service and withdrawn the member's accumulated contributions, shall receive service credit for such prior service if the member restores all withdrawn accumulated contributions together with interest since the time of withdrawal as determined by the department.

The restoration of such funds must be completed within five years of the resumption of service or prior to retirement, whichever occurs first.

Bill Gleason, Assistant Secretary.
NEW SECTION. Sec. 1. LEGISLATIVE FINDING. The legislature finds and determines that those members first employed on or before September 30, 1977, shall not suffer any diminishment or loss of benefits or rights, whether current or prospective, as the result of the enactment of this 1977 amendatory act.

NEW SECTION. Sec. 2. APPLICATION TO CERTAIN PERSONS. Sections 3 through 16 of this 1977 amendatory act shall apply only to those persons who are initially employed by an employer on or after October 1, 1977.

NEW SECTION. Sec. 3. COMPUTATION OF THE RETIREMENT ALLOWANCE. A member of the retirement system shall receive a retirement allowance equal to two percent of such member's average final compensation for each year of service.

NEW SECTION. Sec. 4. RETIREMENT FOR SERVICE. (1) NORMAL RETIREMENT. Any member with at least five years of service who has attained at least age fifty-eight shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act.

(2) EARLY RETIREMENT. Any member who has completed at least twenty years of service and has attained age fifty shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act, except that a member retiring pursuant to this subsection shall have the retirement allowance actuarially reduced to reflect the difference in the number of years between age at retirement and the attainment of age fifty-eight.

NEW SECTION. Sec. 5. POST-RETIREMENT COST-OF-LIVING. Beginning July 1, 1979, and every year thereafter, the department shall determine the following information for each retired member or beneficiary whose retirement allowance has been in effect for at least one year:

(1) The original dollar amount of the retirement allowance;
(2) The index for the calendar year prior to the effective date of the retirement allowance, to be known as 'index A';

The value of the ratio obtained shall be the annual adjustment to the original retirement allowance and shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:

(a) Produce a retirement allowance which is lower than the original retirement allowance;
(b) Exceed three percent in the initial annual adjustment; or
(c) Differ from the previous year's annual adjustment by more than three percent.

For the purposes of this section, 'index' means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

NEW SECTION. Sec. 6. EMPLOYER, MEMBER, AND STATE CONTRIBUTIONS. The required contribution rates to the retirement system for members, employers, and the state of Washington shall be established by the director from time to time as may be necessary upon the advice of the state actuary.

Any increase in the contribution rate required as the result of a failure of the state or of an employer to make any contribution required by this section shall be borne in full by the state or by that employer not making the contribution.
The director shall notify the retirement board of any pending adjustment in the required contribution rate and such increase shall be announced at a board meeting held at least thirty days prior to the effective date of the change.

Members' contributions required by this section shall be deducted from the members basic salary each payroll period. The members contribution and the employers contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends.

Such member shall receive a monthly disability allowance computed as provided in section 3 of this 1977 amendatory act and shall have such allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age fifty-eight.

Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. The refund shall be made within ninety days following the receipt of the request and notification of termination by the employer; except that in the case of death, an initial payment shall be made within thirty days of receipt for such payment. A member who files a request for refund and subsequently enters into employment with another employer prior to the refund being made shall not be eligible for a refund. The refund of accumulated contributions shall terminate all rights to benefits under sections 2 through 16 of this 1977 amendatory act.

NEW SECTION. Sec. 16. REENTRY. A member, who had left service and withdrawn the member's accumulated contributions, shall receive service credit for such prior service if the member restores all withdrawn accumulated contributions together with interest since the time of withdrawal as determined by the department.

The standards when adopted shall be published and distributed to each employer, and each employer shall adopt certification procedures and such other procedures as are required to insure that no law enforcement officer or fire fighter receives membership coverage unless and until he has actually met minimum medical and health standards: PROVIDED, That an elected sheriff or an appointed chief of police or fire chief shall not be required to meet the age standard. Retirement of a member for service shall be made by the board as follows:

Any employee who so elects, upon attaining age fifty, shall be eligible to apply for and receive a service retirement allowance based on his years of service, commencing on the first day following his attainment of age fifty. This section shall also apply to a person who rendered service as a law enforcement officer or fire fighter, as those terms are defined in RCW 41.26.030, on or after July 1, 1969, but who was not employed as a law enforcement officer or fire fighter on March 1,
1970, by reason of his having been elected to a public office. Any member selecting this optional vesting with less than twenty years of service shall not be covered by the provisions of RCW 41.26.150, and his survivors shall not be entitled to the benefits of RCW 41.26.160 unless his death occurs after he has attained the age of fifty years. Those members selecting this optional vesting with twenty or more years service shall not be covered by the provisions of RCW 41.26.150 until the attainment of the age of fifty years: PROVIDED, That a member selecting this option, with less than twenty years of service credit, who shall die prior to attaining the age of fifty years, shall have paid from the Washington law enforcement officers' and fire fighters' retirement fund, to such member's surviving spouse, if any, otherwise to such beneficiary as the member shall have designated in writing, or if no such designation has been made, to the personal representative of his estate, a lump sum which is equal to the amount of such member's accumulated contributions plus accrued interest: PROVIDED FURTHER, That if the vested member has twenty or more years of service credit the surviving spouse or children shall then become eligible for the benefits of RCW 41.26.160 regardless of his age at the time of his death, to the exclusion of the lump sum amount provided by this subsection.

(3) Any member who has attained the age of sixty years shall be retired on the first day of the calendar month next succeeding that in which said member shall have attained the age of sixty and may not thereafter be employed as a law enforcement officer or fire fighter: PROVIDED, That for any member who is elected or appointed to the office of sheriff, chief of police, or fire chief, his election or appointment shall be considered as a waiver of the age sixty provision for retirement and nonemployment for whatever number of years remain in his present term of office and any succeeding periods for which he may be so elected or appointed: PROVIDED FURTHER, That the provisions of this subsection shall not apply to any member who is employed as a law enforcement officer or fire fighter on March 1, 1970.

Sec. 23. Section 17, chapter 209, Laws of 1969 ex. sess as last amended by section 5, chapter 120, Laws of 1974 ex. sess and RCW 41.26.160 are each amended to read as follows:

(1) In the event of the death of any member who is in active service, or who has vested under the provisions of RCW 41.26.090 with twenty or more years of service, or who is on disability leave or retired, whether for disability or service, his surviving spouse shall become entitled to receive a monthly allowance equal to fifty percent of his final average salary at the date of death if active, or the amount of retirement allowance the vested member would have received at age fifty, or the amount of the retirement allowance such retired member was receiving at the time of his death if retired for service or disability. The amount of this allowance will be increased five percent of final average salary for each child as defined in RCW 41.26.030(7), as now or hereafter amended, subject to a maximum combined allowance of sixty percent of final average salary: PROVIDED, That if the child or children is or are in the care of a legal guardian, payment of the increase attributable to each child will be made to the child's legal guardian.

(2) If at the time of the death of a vested member with twenty or more years service as provided above or a member retired for service or disability, the surviving spouse has not been lawfully married to such member for one year prior to his retirement or separation from service if a vested member, the surviving spouse shall not be eligible to receive the benefits under this section: PROVIDED, That if a member dies as a result of a disability incurred in the line of duty, then if he was married at the time he was disabled, his surviving spouse shall be eligible to receive the benefits under this section.

(3) If the surviving spouse eligible to receive benefits at the time of such member's death, then the child or children of such member shall receive a monthly allowance equal to thirty percent of final average salary for one child and an additional ten percent for each additional child subject to a maximum combined payment, under this subsection, of sixty percent of final average salary. When there cease to be any eligible children as defined in RCW 41.26.030(7), as now or hereafter amended, there shall be paid to the legal heirs of said member the excess, if any, of accumulated contributions of said member at the time of his death over all payments made to his survivors on his behalf under this chapter: PROVIDED, That payments under this subsection to children shall be prorated equally among the children, if more than one.

(4) In the event that there is no surviving spouse eligible to receive benefits under this section, and that there be no child or children eligible to receive benefits under this section, then the accumulated contributions shall be paid to the estate of said member.

(5) If a surviving spouse receiving benefits under the provisions of this section thereafter dies (or remarries) and there are children as defined in RCW 41.26.030(7), as now or hereafter amended, payment to the spouse shall cease and the child or children shall receive the benefits as provided in subsection (3) above.

(6) The payment provided by this section shall become due the day following the date of death and payments shall be retroactive to that date.

NEW SECTION. Sec. 24. Section headings used in this 1977 amendatory act shall not constitute any part of the law.

NEW SECTION. Sec. 25. Sections 1 through 16 of this 1977 amendatory act shall be added to chapter 41.26 RCW and shall be codified as consecutive sections of the Revised Code of Washington within such chapter.

NEW SECTION. Sec. 26. If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.
NEW SECTION. Sec. 27. This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect October 1, 1977.

MESSAGE FROM THE SENATE

June 17, 1977

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on ENGROSSED SENATE BILL NO. 2480, and has granted said committee the powers of Free Conference.

Sidney R. Snyder, Secretary.

REPORT OF FREE CONFERENCE COMMITTEE

June 17, 1977

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 2480, revising the law on unemployment compensation, have had the same under consideration, and we recommend that the House committee amendments as amended be adopted and the following additional amendments be adopted:

On page 29, beginning on line 4 of the House amendment, strike all of sections 22 and 23 and insert the following:

NEW SECTION. Sec. 22. The commissioner is authorized, with the approval of the governor, to collect from the three-tenths of one percent increase in employer contributions provided in section 10 of chapter 33, Laws of 1977 1st ex. sess., for calendar years 1978 and 1979, nine and one-tenth percent of the additional revenue generated by the three-tenths of one percent increase, or so much thereof as may be deemed appropriate by the commissioner, to be deposited in the administrative contingency fund, one-half of such deposit to be extended for the purpose of operating a quality control program similar to the pilot quality program project which ended in 1976, in local employment security offices, and one-half for increased audits and investigations of employers subject to Title 50 RCW. In determining the amount of the deposit, if any, authorized by this section, the commissioner and the governor shall consider the impact any such deposit would have on employer contributions required by the federal government for the repayment of a loan from the federal unemployment trust fund.
NEW SECTION. Sec. 23. (1) The provisions of this act mandating coverage of employees of political subdivisions have been enacted to comply with the provisions of Public Law 94-566. Therefore, as provided in subsection (2), this mandatory feature shall be contingent on the existence of valid and constitutional federal law requiring the Secretary of Labor to refuse to certify as approved the employment security laws of this state if such laws did not continue such mandatory coverage.

(2) In the event the mandatory coverage feature for political subdivisions ceases to be necessary for compliance with the valid and constitutional federal law, then the mandatory feature of this 1977 act shall cease to be effective as of the end of the next quarter following the quarter in which the mandatory feature contained in this 1977 act is not necessary for such compliance.

(3) In the event mandatory coverage ceases to be effective pursuant to subsection (2), then the sections, or subsections as the case may be, of this 1977 amendatory act shall to the extent that they apply to coverage of employees of political subdivisions be deemed nullified and the language of the sections being amended shall be deemed reinstated as the laws of this state.

(4) Benefits paid based on the services covered during the effective life of the mandatory coverage feature shall be financed as follows:

(a) If the political subdivision was financing payment of benefits on a reimbursable basis, benefits attributable to employment with the political subdivision shall be assessed to and paid by the political subdivision;

(b) If the political subdivision is a county, city, or town which elected financing pursuant to section 15 of this 1977 amendatory act, such political subdivision will pay 'the local government tax' for all earnings by employees through the end of the calendar quarter in which the mandatory coverage is no longer effective pursuant to subsection (2);

(c) If the political subdivision was financing benefits by the contribution method it will pay contributions on wages earned by its employees through the end of the calendar quarter in which mandatory coverage is no longer effective pursuant to subsection (2).

On page 31 of the House amendment, after line 34 insert a new section as follows:

"NEW SECTION. Sec. 25. The provisions of section 11 of this 1977 amendatory act shall apply to the week ending May 21, 1977, and all weeks thereafter."

Renumber the remaining sections consecutively.

Signed by Senators Ridder, Morrison, Mardesich; Representatives Lux, Charette.

MOTION

On motion of Mr. Charette, the House adopted the report of the Free Conference Committee.

FINAL PASSAGE OF SENATE BILL AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker stated the question before the House to be the final passage of Engrossed Senate Bill No. 2480 as amended by the Free Conference Committee.

Representatives Charette and Newhouse spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Representative Charette, this is the bill that does deal with the matter of classified employees. I haven't had a chance to look through these amendments, but I know earlier that they had been covered. Does this cover the classified employees in the sense that they will not be eligible for unemployment except as they have known now?"

Mr. Charette: "Representative Zimmerman, I believe the question you intended to ask, is whether or not classified employees that stop work in June and go back in September would be allowed to draw unemployment compensation during those two months during the summer, and the answer to that question is that it is taken care of in the bill and they will not be able to do so."

Mr. Zimmerman: "My question, Representative Charette, involves the Christmas holidays and the spring holidays and those other times when they would normally not be working."

Mr. Charette: "The answer to that question is that it was never a problem anyway because there is a one week waiting period on the unemployment compensation law and most of those holidays are less than a week so they never could have drawn anyway. I think the Conference Committee has come to a good compromise with this bill, putting aside the smoke screens that have been put up, and yet it is a good bill."
ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 2480 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 87; nays, 1; not voting, 10.

Voting nay: Representative Warnke.

Engrossed Senate Bill No. 2480 as amended by the Free Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTIONS

On motion of Mr. King, the House dispensed with further business under the Call of the House.

On motion of Mr. King, the House adjourned until 10:30 a.m., Saturday, June 18, 1977.

JOHN BAGNARIOL, Speaker.

DEAN R. FOSTER, Chief Clerk.
The House was called to order at 10:30 a.m. by the Speaker (Mr. Charnley presiding). The Clerk called the roll and all members were present except Representatives Adams, Barr, Bauer, Bond, Haley, Moreau, O'Brien, Pardini, Paris and Whiteside, who were excused.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Meg Fischer and Tony Gaxiola. Prayer was offered by Reverend George Mitchell of the First Christian Church of Olympia.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

June 17, 1977

SUBSTITUTE SENATE BILL NO. 2186, Prime Sponsor: Senator Guess, exempting solar heating and energy saving improvements from the sales and use tax. Reported by Committee on Revenue.

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following: *Section 1. Section 82.16.050, chapter 15, Laws of 1961 as last amended by section 25, chapter 149, Laws of 1967 ex. sess. and RCW 82.16.050 are each amended to read as follows:

In computing tax there may be deducted from the gross income the following items:

(1) Amounts derived by municipally owned or operated public service businesses, directly from taxes levied for the support or maintenance thereof: PROVIDED, That this section shall not be construed to exempt service charges which are spread on the property tax rolls and collected as taxes;
(2) Amounts derived from the sale of commodities to persons in the same public service business as the seller, for resale as such within this state. This deduction is allowed only with respect to water distribution, light and power, gas distribution or other public service businesses which furnish water, electrical energy, gas or any other commodity in the performance of public service businesses;

(3) Amounts actually paid by a taxpayer to another person taxable under this chapter as the latter’s portion of the consideration due for services furnished jointly by both, if the total amount has been credited to and appears in the gross income reported for tax by the former;

(4) The amount of cash discount actually taken by the purchaser or customer;

(5) The amount of credit losses actually sustained by taxpayers whose regular books of accounts are kept upon an accrual basis;

(6) Amounts derived from business which the state is prohibited from taxing under the Constitution of this state or the Constitution or laws of the United States;

(7) Amounts derived from the distribution of water through an irrigation system, for irrigation purposes;

(8) Amounts derived from the transportation of commodities from points of origin in this state to final destination outside this state, or from points of origin outside this state to final destination in this state, with respect to which the carrier grants to the shipper the privilege of stopping the shipment in transit at some point in this state for the purpose of storing, manufacturing, milling, or other processing, and thereafter forwards the same commodity, or its equivalent, in the same or converted form, under a through freight rate from point of origin to final destination; and amounts derived from the transportation of commodities from points of origin in the state to an export elevator, wharf, dock or ship side on tidewater or navigable tributaries thereto from which such commodities are forwarded, without intervening transportation, by vessel, in their original form, to interstate or foreign destinations: PROVIDED, That no deduction will be allowed when the point of origin and the point of delivery to such an export elevator, wharf, dock, or ship side are located within the corporate limits of the same city or town;

Signed by Representatives Sommers, Chairwoman; Knedlik, Vice Chairman; Eng, Erickson, Kilbury, Nelson (Dick), Tilly, Winsley.

MOTION

Mr. King moved that the rules be suspended and Substitute Senate Bill No. 2186 be advanced to second reading and read the second time in full.

POINT OF ORDER

Mr. Newhouse: "Senate Bill No. 2186 is not properly before us on three counts. Number one, the striking amendment of the committee is beyond the scope and object of the bill. Number two, it’s contrary to the provisions of the concurrent resolution providing for the shut down of this session in that the exemptions that could possibly, remotely, be considered to have to do with energy and revenue and the provisions of the striking amendment do neither. In neither case do they apply. And third, that the provisions of this striking amendment are the subject of a bill currently before the House—House Bill No. 623, which we should have passed yesterday."
POINT OF ORDER

Mr. King: "His point of order would not be in order until the bill itself is before us. The matter before us at this time is the motion to suspend the rules to place the bill before us. I think at that time you could entertain, perhaps, some of his points. It would be moot if the motion to suspend the rules should be lost."

SPEAKER'S RULING (MR. CHARNLEY PRESIDING)

The Speaker (Mr. Charnley presiding): "Representative Newhouse, I believe Representative King's point is well taken. The motion before us is to suspend the rules and place the bill before us. When the bill is before us then the questions can be properly placed before the body."

Mr. Newhouse spoke against the motion to suspend the rules.

ROLL CALL

The Clerk called the roll on the motion to suspend the rules and advance Substitute Senate Bill No. 2186 to second reading, and the motion failed to receive the necessary two-thirds majority, by the following vote: Yeas, 51; nays, 28; not voting, 19.

Substitute Senate Bill No. 2186 was passed to Committee on Rules for second reading.

REPORT OF FREE CONFERENCE COMMITTEE

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 2419, excluding law enforcement officers from the prohibition of recording private communications, have had the same under consideration, and we recommend that the House amendments not be adopted, that the Senate bill be stricken and that the bill read as follows: "AN ACT Relating to privacy; amending section 1, chapter 93, Laws of 1967 ex. sess. and RCW 9.73.030; amending section 4, chapter 93, Laws of 1967 ex. sess. and RCW 9.73.060; amending section 1, chapter 48, Laws of 1970 ex. sess. and RCW 9.73.090; and adding new sections to chapter 9.73 RCW. MOTION

On motion of Mr. Enbody, the report of the Free Conference Committee was adopted.

FINAL PASSAGE OF SENATE BILL AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker (Mr. Charnley presiding) stated the question before the House to be the final passage of Engrossed Senate Bill No. 2419 as amended by the Free Conference Committee.

POINT OF INQUIRY

Mr. Enbody yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "I'm worried about the language on page 1, lines 27 through 30, which sounds like if one is bothered by phone calls in the middle of the night, he can wiretap and record said conversations with no notice to anyone else. I'd like some explanation of what the intention is in dealing with anonymous calls at awkward or inconvenient hours. It sounds like it could be used to harrass some people and I'd like to know what the intent is."

Mr. Enbody: "The bill pertains only to criminal acts and the intent of this was designed to get at the crank or obscene phone calls. It's important to keep in mind, I think, that anybody who receives such a telephone call can testify now as to the substance of the conversation, and that's admissible in court. All this says is, that under those limited circumstances, it may be recorded and used in any subsequent criminal proceedings."

Mr. Douthwaite: "Does anyone need any authorization to record such telephone calls from any police authorities, or can I just hook up a recorder to my telephone and record as I wish?"

Mr. Enbody: "Yes, you could do that. What I'm saying is that the only time it could be utilized would be in a criminal prosecution for these kinds of phone calls. In other words, if you are using them simply to record, I suppose you could do that now anyway, but the only time these would come into effect would be in a criminal proceeding, so if the person hadn't committed any crime, it's a normal phone call, the question wouldn't come up in the first place. I should point out that you raise a very interesting point. You have to distinguish between the policy and what this particular bill does. How you vote depends on whether you think this bill is a legitimate policy decision the state should make in the future. All I'm saying is that for my protective honesty, (and you may disagree with that philosophy, and that's fine) I'm trying to point out how the bill has been tightened up from the way it came over from the Senate. This is about as tight a bill as we're able to get."

POINT OF INQUIRY

Mr. Enbody yielded to question by Mr. Ehlers.

Mr. Ehlers: "Last time this bill was over, Representative Enbody, a number of people, in order to sell the bill to this body, assured us that appropriate language is in the bill that would assure this body that there would be a guaranteed review of the policies outlined in the concepts of this bill. That was taken out by the Free Conference Committee. Can you give us some rationale as to why that safeguard was taken out."

Mr. Enbody: "In going through the bill, Representative Ehlers, starting with page 4, the important aspects in section 5, as I see it, are that the report must, in fact, be made to the court administrators, etc., as to who made application, what it was for, what were the results of these things, so the information for review will be on file. I would have preferred to have seen a sunset clause in there, but the information necessary for any effective review is in the bill. This can be reviewed at any time we see fit and all the information is on file with the court administrators. The courts are also required to maintain records as to who applied for it, what the reasons were, and things of that nature. Probably the most objectionable portion of the bill was the prosecutorial discretion and opinions, and that has been eliminated. I think when you leave
it entirely in the court's hands as to the requirements of probable cause and warrant require­ments, the information is going to be on hand for us."

Mr. Newhouse spoke in favor of passage of the bill.

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives of the State of Washington does hereby urge the President and the Congress of the United States to give careful consideration to the benefits of granting such approval and consent as necessary to allow for the exchange of Alaskan crude oil for an equivalent amount of Middle Eastern oil through a trade involving Japan and/or Canada.

Mr. Speaker:
The Senate has adopted the report of the Free Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 312, and has passed the bill as amended by the Free Conference Committee, and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.
Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 312, charging tuition and fees at state institutions of higher education based on portion of educational costs incurred, have had the same under consideration, and we recommend that the Senate amendment not be adopted, that the substitute House bill be struck and the bill be amended to read as follows:

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. It is the intent of the legislature that amounts charged for general tuition and operating fees shall reflect the proportional operating cost of instruction at the state universities. It is the further intent of the legislature that such fees charged to undergraduate resident students at the state universities be not more than twenty-five percent of the cost of undergraduate university instruction, that such fees charged to undergraduate resident students at the regional universities and The Evergreen State College be not more than eighty percent of the total of general tuition and operating fees charged to state university undergraduate resident students and that such fees charged to undergraduate resident students at community colleges be not more than forty-five percent of the total of general tuition and operating fees charged to state university undergraduate resident students.

FINAL PASSAGE OF HOUSE BILL

AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker (Mr. Charnley presiding) stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 312 as amended by the Free Conference Committee.
The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 312 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 68; nays, 13; not voting, 17.

Engrossed Substitute House Bill No. 312 as amended by the Free Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

My vote in favor of the final passage of Engrossed Substitute House Bill No. 312 was in error. At the moment of the vote I was busy away from my desk and I asked my seat mate, Representative Sommers, to vote for me against the bill. She misunderstood and voted me for it. I recognize the bill is a rational compromise but I still oppose the tuition hike as a tax on those who are often unable to pay.

JEFF DOUTHWAITE, 43rd District.

The Speaker resumed the Chair.

SIGNED BY THE SPEAKER

The Speaker announced he was signing:

SECOND SUBSTITUTE HOUSE BILL NO. 251.

RESOLUTIONS

HOUSE RESOLUTION NO. 77-57, by Representatives Hanna and Struthers:

WHEREAS, The Washington State House of Representatives has done extensive work in revising the criminal sentencing system; this work having been formulated in ESHB 614, which is currently before the Senate Committee on Judiciary; and

WHEREAS, It is apparent that before final consideration can be given, the impact of this legislation must be examined;

NOW, THEREFORE, LET IT BE RESOLVED, That the House of Representatives request the Board of Prison Terms and Paroles to perform a study of the impact of ESHB 614 to include:

(1) The effects of ESHB 614 on the sentencing of persons serving terms of confinement in state correctional institutions at the time the bill becomes effective, and

(2) Proposed standard ranges of punishment as prescribed by this legislation.

BE IT FURTHER RESOLVED, That the Department of Social and Health Services be requested to study the fiscal impacts of the proposed standard ranges.

BE IT FURTHER RESOLVED, That the Washington Association of Prosecuting Attorneys be requested to propose guidelines and procedures which are designed to afford similarly situated defendants equal opportunity with respect to plea bargaining discussions and agreements.

BE IT FURTHER RESOLVED, That the above studies and proposal be completed and submitted to the appropriate committees of the legislature no later than January 1, 1978.

On motion of Mr. Hanna, the resolution was adopted.

HOUSE RESOLUTION No. 77-56, by Representatives Fortson, Wilson, Berentson, Martinis and Vrooman:

WHEREAS, This acreage is owned by the University of Washington and managed by the
Department of Natural Resources; and

now prime for harvesting, and has contracted with an excavating company to clearcut the timber; and
WHEREAS, No environmental impact statement has been filed to demonstrate any
effects upon the surrounding area, especially the South Whidbey State Park; and
WHEREAS, No study of the clearcutting's effects upon the wildlife in Classic U has been
conducted, even though a representative of the Department of Game has publicly expressed
fears for the welfare of rare and endangered species of wildlife in the area; and
WHEREAS, No alternative forms of logging, such as selective cutting, have been examined by the Department; and
WHEREAS, First growth timber, being hundreds of years old, should perhaps be considered to be endangered species themselves;
NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the
Department of Natural Resources be requested to reexamine alternative uses of the Classic U tract, rather than clearcutting its growth for a very temporary financial gain; the Department shall present its findings to the House Natural Resources Committee for legislative evaluation; and
BE IT FURTHER RESOLVED, That the University of Washington be requested to explain to the citizens of South Whidbey its position regarding the future use of Classic U.

June 18, 1977

Mr. Speaker:
The Senate has concurred in the House amendments to ENGROSSED SENATE BILL NO. 2825, and has passed the bill as amended by the House.

Bill Gleason, Assistant Secretary.

SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 2700, by Committee on Ways and Means (Originally sponsored by Senator Donohue):

Imposing school levy limitations.
The bill was read the second time.
Mr. Thompson moved adoption of the following amendment:
On page 3, beginning on line 31 strike all of section 4 and insert the following:

*NEW SECTION. Sec. 4. There is added to chapter 15, Laws of 1961 and to chapter 84.52 RCW a new section to read as follows:

The maximum dollar amount which may be levied by or for any school district for maintenance and operation support under the provisions of section 3 of this amendatory act shall be as follows:

1. For excess levies in 1977 for collection in 1978:

To the extent that any district receives funds through the state apportionment formula in excess of the amount anticipated by such a district when it established its excess levy for collection in 1978 and when such excess can be utilized to relieve special levy burdens, then such a district should place a first priority on reducing its special levy: PROVIDED, That no school district whose average compensation is above the statewide average shall increase from any source such compensation levels above six percent of the school district's 1976-77 compensation level; PROVIDED FURTHER, That school districts whose average compensation is increased a maximum of four percent from state funds shall be allowed to increase, from excess tax levies, compensation which shall be the difference between four percent and any positive percentage change from the prior year's United States Consumer Price Index or an additional two percent whichever is less: PROVIDED FURTHER, That those contracts which have been negotiated prior to the effective date of this act by those school districts for such school year shall not be abrogated by this act: PROVIDED FURTHER, That nothing shall preclude a school district whose average compensation level is below the state average compensation level from providing increases from these sources, except that in no event shall such district exceed the statewide average compensation level by more than six percent.

2. For excess levies in 1977 for collection in 1979; for excess levies in 1978 for collection in 1979 and thereafter, the sum of:

(a) That amount equal to ten percent of each school district's prior year basic education allocation converted to one hundred percent of formula; plus

(b) That amount equal to each school district's prior year basic education allocation converted to one hundred percent of formula minus each school district's basic education allocation for such school year.

Funds so authorized under this 1977 amendatory act shall not be used to increase the average compensation for certificated and classified staff employees in any school district: PROVIDED, That school districts whose average compensation is increased a maximum of four percent from state funds shall be allowed to increase such compensation by the difference between four percent and any positive percentage change from the prior year's United States Consumer Price Index or an additional two percent whichever is less: PROVIDED FURTHER, That any school district whose average compensation is below statewide average compensation level during the preceding school year, may collect and expend property taxes authorized by this 1977 amendatory act for the purpose of increasing such district average compensation up to but not to exceed the statewide average compensation for the preceding school year.

For the purpose of this section, the basic education allocation shall be determined pursuant to RCW 28A.41.130, RCW 28A.41.140, and RCW 28A.41.145, as now or hereafter amended.

Certificated employees shall include those persons employed by a school district in a teaching, instructional, administrative or supervisory capacity and who hold positions as certificated employees as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent, and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent. Classified employees shall include those persons employed by a school district other than certificated employees as defined in this section in a capacity for which certification is not required.

For the purpose of subsection (2) of this section, the superintendent of public instruction may grant local school districts authority to exceed the levy limitations imposed by said subsection: PROVIDED, That said limitations can only be exceeded by an amount that will insure local school districts the ability to raise a total excess levy dollar amount per annual average full time equivalent student which when combined with the basic education allocation is equal to but does not exceed one hundred and four percent of the previous school year's comparable dollars per annual average full time equivalent student.

The superintendent of public instruction shall develop rules and regulations to inform school districts of the pertinent data necessary to carry out the provisions of this act.*

Mr. Shinpoch moved adoption of the following amendments to the Thompson amendment:

On page 1, line 17 after "1976-77 compensation level:" strike all the material down to and including "which is less." on line 22.

On page 2 of the amendment, line 3 after "any school district: PROVIDED," strike all the material down to and including "is less: PROVIDED FURTHER," on line 8.

Mr. Shinpoch spoke in favor of the amendments to the amendment, and Mr. Thompson spoke against them.

POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Greengo.

Mr. Greengo: "Representative Shinpoch, your amendment starts on line 17, but there is a proviso starting on line 14 which is left in there. Unless I'm missing something it says you can raise the level a total of six percent and if you strike out your portion, the way I read it, you can go ahead and raise it six percent without any reference to the SPI. If I'm wrong please correct me."
Mr. Shinpoch: "I would agree with you that the language is convoluted; it is an extremely difficult amendment to understand. I read it that the first proviso that you are reading does not pertain to special levies, that the proviso that allows you to use levies from excess tax levies to increase compensation is the proviso that I'm striking. As I read it, you would not be able to use the former. However, you understand this is just my judgment based on attempting to read what this really says."

Mr. Taller spoke in favor of the amendments to the amendment.

Mr. Charnley demanded an electric roll call and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendments by Representative Shinpoch to the Thompson amendment to Engrossed Substitute Senate Bill No. 2700, and the amendments were not adopted by the following vote: Yeas, 34; nays, 46; not voting, 18.

The Speaker stated the question before the House to be the amendment by Representative Thompson.

Mr. Thompson spoke in favor of the amendment, and Mr. Shinpoch spoke against it.

POINT OF INQUIRY

Mr. Patterson yielded to question by Mr. Patterson.

Mr. Patterson: "Representative Thompson, I'm looking at a draft of your amendment, and I understand some changes were made in the majority caucus which took out the language in the original draft of including benefits when the reference was made to compensation. Can you give me a reason why there should not be a reference that compensation does include benefits?"

Mr. Thompson: "Representative Patterson, those words were simply redundant in the original draft. Compensation generally is construed to include defined benefits as they are defined in the budget bill."

Mr. Patterson: "Representative Thompson, are you telling me that the budget bill itself will define compensation as including benefits?"

Mr. Thompson: "Yes."

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Flanagan.

Mr. Flanagan: "Does compensation in here as it's worded include all benefits including retirement benefits?"

Mr. Thompson: "Representative Flanagan, I'm not going to give you a specific answer regarding that. That issue is still before the budget Conference Committee, and you'll learn as soon as tomorrow about that."

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "To clarify some concern which is not all that explicit here, if a district runs a special levy to keep up with the cost of living and passes it perhaps two or three years in a row and then fails it, do you feel the state then has an obligation to continue that district at the salary level where it was before the levy failed?"
Mr. Thompson: "We're not going to provide that kind of assurance to those districts. I guess I have to admit, Representative Douthwaite, that we haven't designed anything here that's going to last for all time, but I believe it puts us in good position and good direction."

Representatives Leckenby and Dunlap spoke against the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Thompson to Engrossed Substitute Senate Bill No. 2700, and the amendment was adopted by the following vote: Yeas, 52; nays, 29; not voting, 17.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2700 as amended by the House was placed on final passage.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2700 as amended by the House, and the bill passed the House by the following vote: Yeas, 58; nays, 24; not voting, 16.

Engrossed Substitute Senate Bill No. 2700 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Mr. King, Engrossed Substitute Senate Bill No. 2700 as amended by the House was ordered transmitted immediately to the Senate.

SUBSTITUTE SENATE BILL NO. 2186, by Committee on Energy and Utilities (Originally sponsored by Senators Guess and Washington):

Exempting solar heating and energy saving improvements from the sales and use tax.

The bill was read the second time.

Committee on Revenue recommendation: Majority, do pass as amended. (For committee amendments, see morning session.)

POINT OF ORDER

Mr. Newhouse: "Mr. Speaker, at this point I would like to raise the same point of order that I raised this morning and that is that the amendments are in three ways out of order. First they are beyond the scope of the original bill; two, they do not comply with the concurrent resolution closing off the session in that the amendments do not address either energy or revenue, which they might pretend to do; and three, the contents of the bill include House Bill No. 623 which is pending before the body."
SPEAKER'S RULING

The Speaker: "With regard to the contents of House Bill No. 623, this bill is different. Therefore that point is not well taken. Under the concurrent resolution which exempts energy and revenue matters, this bill can be considered under either category, so that point is not well taken. The bill is within the scope and object."

Ms. Sommers moved adoption of the committee amendment.

Mr. Knedlik moved adoption of the following amendment to the committee amendment:

Beginning on page 1, line 6 of the committee amendment strike all of section I and renumber the remaining sections consecutively.

Mr. Knedlik spoke in favor of the amendment to the committee amendment, and Representatives Nelson (Gary) and Zimmerman spoke against it.

The amendment to the committee amendment was not adopted.

The committee amendment was adopted.

On motion of Ms. Sommers, the committee amendment to the title was adopted.

Ms. Becker moved that the rules be suspended, the second reading considered the third, and Substitute Senate Bill No. 2186 as amended by the House be placed on final passage.

A division was called.

ROLL CALL

The Clerk called the roll on the motion to suspend the rules and advance Substitute Senate Bill No. 2186 to final passage, and the motion failed to receive a two-thirds majority by the following vote: Yeas, 53; nays, 28; not voting, 17.

MOTION

On motion of Mr. King, the House adjourned until 1:30 p.m., Sunday, June 19, 1977.

JOHN BAGNARIOL, Speaker.
The House was called to order at 1:30 p.m. by the Speaker (Mr. O'Brien presiding). The Clerk called the roll and all members were present except Representatives Adams, Haley, Moreau and Nelson (Gary), who were excused.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Tracy Stevens and Jeff Ehlers. Prayer was offered by Reverend George Mitchell of the First Christian Church of Olympia.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

On motion of Mr. King, the Committee on Rules was relieved of House Bill No. 1086, and it was placed at the top of the second reading calendar.

HOUSE BILL NO. 1086, by Representative Thompson:

Relating to revenue and taxation.

Mr. Thompson moved adoption of the following amendment:

On page 1, strike everything after the enacting clause and insert the following:

"Section 1. Section 84.52.052, chapter 15, Laws of 1961 as last amended by section 1, chapter 4, Laws of 1977 and RCW 84.52.052 are each amended to read as follows:

The limitations imposed by RCW 84.52.050 through 84.52.056, and RCW 84.52.043 shall not prevent the levy of additional taxes by any taxing district except school districts in which a larger levy is necessary in
order to prevent the impairment of the obligation of contracts. Any county, ((school district,)) metropolitan park district, park and recreation district in class AA counties and counties of the second, eighth and ninth class, sewer district, water district, public hospital district, rural county library district, intercounty rural library district, fire protection district, cemetery district, city or town may levy taxes at a rate in excess of the rate specified in RCW 84.52.050 through 84.52.056 and RCW 84.52.043, or RCW 84.55.010 through 84.55.050, when authorized so to do by the electors of such county, ((school district,)) metropolitan park district, park and recreation district in class AA counties and counties of the second, eighth and ninth class, sewer districts, water district, public hospital district, rural county library district, intercounty rural library district, fire protection district, cemetery district, city or town in the manner set forth in Article VII, section 2(a) of the Constitution of this state, as amended by Amendment 59 and as thereafter amended, at a special or general election to be held in the year in which the levy is made (or, in the case of a proposition authorizing levies for support of a school district for a two year period, at a special or general election to be held in the year in which the first annual levy is made: PROVIDED, That once additional tax levies have been authorized for the support of a school district for a two year period, no further additional tax levies for the support of the district for that period may be authorized except for expenditures attributable to an unanticipated increase in student enrollment and for the acquisition of motor vehicles for student transportation)).

A special election may be called and the time therefor fixed by the board of county commissioners or other county legislative authority, ((board of school directors,)) or council, board of commissioners, or other governing body of any metropolitan park district, park and recreation district in class AA counties and counties of the second, eighth and ninth class, sewer district, water district, public hospital district, rural county library district, intercounty rural library district, fire protection district, cemetery district, city or town, by giving notice thereof by publication in the manner provided by law for giving notices of general election, or for any special election the proposition authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote 'yes' and those opposed thereto to vote 'no'.

Sec. 2. Section 84.52.054, chapter 15, Laws of 1961 as last amended by section 2, chapter 4, Laws of 1977 and RCW 84.52.054 are each amended to read as follows:

The additional tax provided for in subparagraph (a) of the seventeenth amendment to the state Constitution as amended by Amendment 59 and as thereafter amended, and specifically authorized by RCW 84.52.052, as now or hereafter amended, and sections 3 and 4 of this amendatory act, shall be set forth in terms of dollars on the ballot of the proposition to be submitted to the voters, together with an estimate of the dollar rate of tax levy that will be required to produce the dollar amount; and the county assessor, in spreading this tax upon the rolls, shall determine the eventual dollar rate required to produce the amount of dollars so voted upon, regardless of the estimate of dollar rate of tax levy carried in said proposition. In the case of a school district proposition for a two year period, the dollar amount and the corresponding estimate of the dollar rate of the tax levy shall be set forth for each of the two years. The dollar amount for each of the two annual levies may be equal or in different amounts.

NEW SECTION. Sec. 3. There is added to chapter 15, Laws of 1961 and to chapter 84.52 RCW a new section to read as follows:

The limitations imposed by RCW 84.52.050 through 84.52.056, and RCW 84.52.043 shall not prevent the levy of additional taxes by school districts, when authorized so to do by the electors of such school district in the manner set forth in Article VII, section 2(a) of the Constitution of this state, as amended by Amendment 59 and as thereafter amended, at a special or general election to be held in the year in which the levy is made or, in the case of a proposition authorizing the levy of such excess levy for the support of a school district for a two year period, at a special or general election to be held in the year in which the first annual levy is made: PROVIDED, That once additional tax levies have been authorized for the support of a school district for a two year period, no further additional tax levies for the support of the district for that period may be authorized.

A special election may be called and the time therefor fixed by the board of school directors, by giving notice thereof by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote 'yes' and those opposed thereto to vote 'no'.

NEW SECTION. Sec. 4. There is added to chapter 15, Laws of 1961, and to chapter 84.52 RCW a new section to read as follows:

The maximum dollar amount which may be levied by or for any school district for maintenance and operation support under the provisions of section 3 of this amendatory act shall be as follows:

(1) For excess levies in 1977 for collection in 1978:

To the extent that any district receives funds through the state apportionment formula in excess of the amount anticipated by such a district when it established its excess levy for collection in 1978 and when such excess can be utilized to relieve special levy burdens, then such a district should place a first priority on reducing its special levy.

(2) For excess levies in 1977 for collection in 1979; for excess levies in 1978 for collection in 1979 and thereafter, the sum of:

(a) That amount equal to ten percent of each school district's prior year basic education allocation converted to one hundred percent of formula;

(b) That amount equal to each school district's prior year basic education allocation converted to one hundred percent of formula minus each school district's basic education allocation for such school year.
(3) Excess levies authorized under this 1977 amendatory act or under RCW 84.52.052 shall not be used to increase the average compensation for certificated or classified personnel in any school district: PROVIDED, That those school districts which receive state funds budgeted for a four percent increase in average compensation for certificated or classified personnel respectively shall be allowed to increase such certificated or classified compensation by an amount equal to the percentage increase in the prior year's United States Consumer Price Index minus the state funded four percent, or by an additional two percent, whichever is less: PROVIDED FURTHER, That any school district whose average compensation for certificated or classified personnel respectively is below statewide average compensation level for certificated or classified personnel during the preceding school year, may collect and expend property taxes authorized by this 1977 amendatory act, or under RCW 84.52.052, for the purpose of increasing such district average compensation for certificated or classified personnel up to but not to exceed the statewide average compensation for certificated or classified personnel for the preceding school year: PROVIDED FURTHER, that those contracts which have been negotiated prior to the effective date of this 1977 amendatory act by those school districts for such school year shall not be abrogated by this 1977 amendatory act.

(4) For the purpose of this section, the basic education allocation shall be determined pursuant to RCW 28A.41.130, RCW 28A.41.140, and RCW 28A.41.145, as now or hereafter amended.

'Compensation' for the purposes of this 1977 amendatory act shall mean one hundred and seven percent of each school district's respective average salary for certificated personnel, and one hundred and fourteen percent of each school district's respective average salary for classified personnel.

Certificated personnel shall include those persons employed by a school district in a teaching, instructional, administrative or supervisory capacity and who hold positions as certificated personnel as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent. Classified personnel shall include those persons employed by a school district other than certificated personnel as defined in this section in a capacity for which certification is not required.

For the purpose of subsection (2) of this section, the superintendent of public instruction may grant local school districts authority to exceed the levy limitations imposed by said subsection: PROVIDED, That said limitations can only be exceeded by an amount that will insure local school districts the ability to raise a total excess levy dollar amount per annual average full time equivalent student which when combined with the basic education allocation is equal to but does not exceed one hundred four percent of the previous school year's comparable dollars per annual average full time equivalent student.

The superintendent of public instruction shall develop rules and regulations and inform school districts of the pertinent data necessary to carry out the provisions of this act.

NEW SECTION. Sec. 5. If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1977.

Mr. Thompson spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Shinpoch.

Mr. Shinpoch: "Representative Thompson, my question deals with section 4, subsection (2), and in particular it has the appearance of having a ten percent lid on special levies, but also, in reading what is in section 5, it appears to me that there is language that allows the Superintendent of Public Instruction to allow districts to go outside the ten percent. My question is, does this amendment as you have prepared it, really limit to ten percent, or is it ten percent plus something the Superintendent of Public Instruction can allow?"

Mr. Thompson: "You're reading it correctly, Representative Shinpoch, and I would like to elaborate on that for the record. The effect of this relationship in the language would permit certain districts to maintain present programs at an acceleration of four percent if they are peculiarly affected by the impact of the budget allocation. This extra allowance, however, does not extend to salary improvement."

Mr. Shinpoch: "I accept your word that it doesn't. However, I can't find that language in here anywhere. I can't really read that out. It appears to me that you can go one hundred four percent of the previous year and that if the state provided ninety percent you could have fourteen percent of the year plus the additional ten percent you talk in the front. Maybe I'm not reading it correctly, but I really don't see where that applies to salaries or doesn't apply to salaries."

Mr. Thompson: "That's the value of such a colloquy as we're having, Representative Shinpoch, to establish legislative intent."
The amendment was adopted.

On motion of Mr. Thompson, the following amendment to the title was adopted:
On page I, line I of the title after "taxation" insert "; amending section 84.52.052, chapter 15, Laws of 1961 as last amended by section 1, chapter 4, Laws of 1977 and RCW 84.52.052; amending section 84.52-.054, chapter 15, Laws of 1961 as last amended by section 2, chapter 4, Laws of 1977 and RCW 84.52.054; adding new sections to chapter 15, Laws of 1961 and to chapter 84.52 RCW; prescribing an effective date; and declaring an emergency."

House Bill No. 1086 was ordered engrossed.

On motion of Mr. King, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 1086 was placed on final passage.

Mr. Berentson spoke in favor of passage of the bill, and Representatives Pardini, Shinpoch and Dunlap spoke against it.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 1086, and the bill passed the House by the following vote: Yeas, 64; nays, 26; not voting, 8.

Not voting: Representatives Adams, Bond, Clemente, Erak, Haley, Lux, Moreau, Nelson G. A.

Engrossed House Bill No. 1086, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

EXPLANATION OF VOTE

Please show my vote as "yea" on Engrossed House Bill No. 1086. I was unfortunately called from the floor during the vote, and failed to cast my vote.

JOHN ERAK, 19th District.

STATEMENT FOR THE JOURNAL

The complex issue of limiting special levies did not come to focus until late on June 18. I opposed SSB 2700 and HB 1086, two of the three proposals brought before the House, for these reasons:

1. Philosophically, I oppose limiting levies because that should be a local decision. If the state funds basic education, local districts should be able to add enrichment to their educational programs.

2. This proposal limits the best, top-paying districts which have most consistently supported their special levies.

3. The proposal pays more adequately those low-paying districts that have least frequently supported special levies.

4. The proposal is estimated to cost from $2 to $3 billion in the next 20 years. (This is more than twice the saving on pensions for 20 years.)

5. We did not have adequate time to see the exact effect of the proposal on our individual school districts.

HAL ZIMMERMAN, 17th District.

MOTION

On motion of Mr. Thompson, Engrossed House Bill No. 1086 was ordered transmitted immediately to the Senate.

On motion of Mr. Conner, Substitute House Bill No. 980 was substituted for House Bill No. 980, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 980 was read the second time.

Mr. Conner moved adoption of the following amendment by Representatives Conner and Patterson:

On page 1, line 15 after "therefor." insert "In the event the state of Washington is able to obtain matching funds from the urban mass transportation administration or other federal government agencies for the acquisition of four high-speed passenger-only vessels capable of operating as an integral part of the Washington state ferries on Puget Sound and the Straits of Juan de Fuca, a sufficient amount of the proceeds of said bonds authorized herein shall be utilized to pay the state's share of the acquisition cost of such high-speed passenger-only vessels. The high-speed passenger-only vessels shall be of existing design currently manufactured in the United States, shall have a normal cruising speed in excess of 40 knots, and shall have a passenger capacity of 250 to 350 passengers."

Mr. Conner spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Nelson (Dick).

Mr. Nelson (Dick): "The last sentence of the amendment indicates that the vessels that will be purchased shall be manufactured in the U.S., and they shall be high-speed, passenger-only vessels. Would that allow the purchase of air cushion vessels?"

Mr. Conner: "With that manufacturing in the United States, we just passed negotiating bid legislation earlier which granted, for instance, with state contractors who would be building vessels, a six percent differential along with not having to pay the sales tax on this particular package. If you feel that last sentence is not necessary, it could be deleted. It was felt that we should attempt to buy American if we can. There has been legislation before this body and some that has been accepted, that says that's the feeling of this Legislature."

Mr. Nelson (Dick): "Representative Conner, are there currently air cushion vessels manufactured in the U.S. that would meet these requirements?"

Mr. Conner: "I'm not sure."

Mr. Nelson (Dick) spoke against the amendment.

Ms. Becker moved adoption of the following amendment by Representatives Becker and Sommers to the amendment:
Strike the last sentence of the Conner/Patterson amendment.

POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Pruitt.

Mr. Pruitt: "Representative Conner, if the amendment to the amendment does pass and we eliminate this last sentence, in your mind does that mean that there is no American product that can be conceived to really compete with foreign products?"
Mr. Conner: "No, I think we have the technology and the know-how and the capability to surpass engineering of any other country."

Representatives Pruitt, Knedlik and Lysen spoke in favor of the amendment to the amendment.

Mr. Boldt demanded the previous question and the demand was sustained.

POINT OF PARLIAMENTARY INQUIRY

Mr. Nelson (Dick): "Mr. Speaker, under the rules of the 45th Legislature, specifically Rule No. 1, would any member of the House who is an employee of a business that is engaged in the manufacture or development of vessels that transport passengers that might bid on contracts for ferry vessels under this bill, be allowed to vote on this amendment? Or if the amendment does not pass, on the full amendment?"

SPEAKER’S RULING (MR. O’BRIEN PRESIDING)

The Speaker (Mr. O’Brien presiding): "In reply to your point of parliamentary inquiry as to conflict of interest, the Speaker rules there is no conflict of interest because the individuals involved will not have a direct monetary gain or suffer a direct monetary loss by reason of adoption or nonadoption of these amendments. The Speaker is going to rule conflict of interest would not exist for any person that might be employed by a company that might benefit by adoption of this amendment."

POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Boldt.

Mr. Boldt: "Representative Conner, one of the members commented that if this bill passes, it will be about a ten dollar tax on each one of their vehicles that never leaves the farm. That money, of course, would go to help on the bonding to construct these ferries. I read the bill and it didn't speak specifically to that problem. Is that true?"

Mr. Conner: "I'm told the average increase will be three dollars or three dollars and 10 cents."

Mr. Boldt: "Then the situation is true?"

Mr. Conner: "To that extent, yes."

Mr. Boldt: "What is the rationale for the decision that as we put transportation in this state through our existing procedure, for pulling the ferry systems out and having this special bonding go through this session? Who made the study or who determined that we would do this for ferries, and not, in fact, have an additional tax somewhere to help the State Patrol one year, or an additional tax and fund either the State Patrol or other types of transportation systems in a special way the next year? Can you help me with that?"

Mr. Conner: "As I stated earlier we've attempted for the past twenty-six years to do something with our cross-sound transportation. For many years we weren't able to get the Legislature to address it. We've had studies that have been conducted over the past four years attempting to look into our cross-sound transportation problem, and looking to see what could be done. It works out that this is a viable method and we can do something about the crisis that is facing us as far as our ferry system is concerned, and about an attempt to at least cut down as far as our traffic is concerned."

Representatives Kilbury, Charnley, Hansen, Douthwaite, Hurley (George) and Berentson spoke in favor of passage of the bill, and Representatives Amen, Struthers, Flanagan, Clayton, and Fancher spoke against it.

Representatives Pardini and Polk appeared at the bar of the House.

Representatives Becker, Burns and Charnley spoke in favor of the amendment to the committee amendment, and Representatives Gallagher, Leckenby and Conner spoke against it.

POINT OF INQUIRY

Ms. Becker yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Becker, looking at the numbers which you are distributing, two main arguments have been carried around here for the need of the variable tax. Your numbers, however, suggest maintenance and administration with a one cent a gallon increase that the same number of dollars would be generated for maintenance and administration under either proposal. Is that correct?"
Ms. Becker: "That is what the Department of Highways' own budgeting figures show. They have the same amount budgeted regardless of what happened."

Mr. Pardini: "In the area of new construction, your figures are representing $89 million versus $133 million under the variable, a difference of $44 million. Would that $89 million allow the start of I-90?"

Ms. Becker: "Representative Pardini, as I said in my original remarks, $89 million would allow for the funding of category A and category B and, according to the Highway Department, they have somewhere between $3 and 5 million budgeted for the next biennium for the beginning of state funding for I-90. I don't know whether they will get around to spending it because there are considerable legal questions as to whether or not they can begin. If it does then there is enough money in it to start it. I might point out that it's nothing compared to the bill the state is going to have to pay if it continues because it's now being predicted to be about a billion dollar project. That means $100 million is going to come from the state before it's done."

(1) Certificated staff and their related costs;
(2) Classified staff and their related costs;
(3) Nonsalary costs; and
(4) Extraordinary costs of remote and necessary schools and small high schools.

Commencing with the 1980-81 school year, the formula adopted by the legislature shall reflect a ratio of not less than fifty certificated personnel to one thousand annual average full time equivalent students and five classified personnel to three certificated personnel. In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous biennium shall remain in effect: PROVIDED, That the distribution formula developed pursuant to this section shall be for state apportionment and equalization purposes only and shall not be construed as mandating specific operational functions of local school districts other than those program requirements identified in section 3 of this 1977 amendatory act. The enrollment of any district shall be the annual average number of full time equivalent students and part time students as provided in RCW 28A.41.145, as now or hereafter amended, enrolled on the first school day of each month. The definition of full time equivalent student shall be determined by rules and regulations of the superintendent of public instruction: PROVIDED, That the definition shall be included as part of the superintendent's biennial budget request: PROVIDED, FURTHER, That any revision of the present definition shall not take effect until

Classroom contact hours shall be exclusive of time required to be spent for preparation, conferences, or any other nonclassroom instruction duties. Classified staff shall include those persons employed by a school district other than certificated staff as defined in this section in a capacity for which certification is not required.

County commissioners or the legislative authority of the respective counties to which the money is distributed are authorized and directed annually to distribute not less than fifty percent of said money to each school district within each such county according to the proportional number of ((weighted)) annual average full time equivalent students enrolled in each such school district during the immediate preceding school year as certified by the ((county school superintendent of schools or the intermediate)) educational service district superintendent ((of schools as the case may be: PROVIDED, That if any such school district would suffer a decrease in its total revenue as the result of receipt of said money, such district may refuse its proportional share and the county commissioners shall thereafter redistribute such proportional share to the remaining districts in the county)). Signed by Senators McDermott, Mardesich, Gould; Representatives Clemente, Heck, Barnes.

MOTION

Mr. Clemente moved that the Free Conference Report be adopted.

Representatives Clemente, Barnes and Heck spoke in favor of the motion.

POINT OF INQUIRY

Mr. Clemente yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Clemente, I don't have time to read all of this bill. It was my understanding when we started at the beginning of the session to write a definition of basic education, that we were supposed to define basic education in a bill and then fund that with state funds and then special programs outside of basic education would be supported by special levies. What programs will be supported by special levies rather than state money?"
Mr. Clemente: "I can only give you my impression of this. I think the bill provides that the state is going to fund not only basic education as defined, but it also funds what is basic to an individual students' needs to a categorical program. The use of special levies would be limited to bring school districts to a cost of living average, and to some closing of the great disparity between the high cost and the low cost districts. There is a 66% gap between those districts. This bill, I believe, drives toward the state assuming the constitutional mandate. It's our responsibility to make ample provision for a general and uniform school system. Categorical and basic programs will be paid largely with state funds."

Mr. Flanagan: "Then are you saying that this bill includes in a definition of basic education, everything that is taught in the public schools, and that if there isn't anything left that can be supported by special levies, the whole thing is supposed to come out of the state fund? Is that right?"

Mr. Clemente: "Representative Shinpoch just gave me the word for it. The special levy will be used for 'program enhancement.' All other programs will be paid with state funds."

Mr. Charnley spoke in favor of the motion to adopt the Free Conference Committee report.

POINT OF INQUIRY

Mr. Clemente yielded to question by Mr. Walk.

Mr. Walk: "Representative Clemente, on page 21, line 1, the language reads, '...requires excuses from the parents, guardians or custodians of minor students in all cases of absence, tardiness or early dismissal.' Then down on line 12, 'Failure to carry out this requirement shall constitute sufficient cause for discharge of any member of a teaching or administrative staff.' Is it the intent that if I, as a teacher, might forget in one case to collect an absentee slip from a student then I should be taken to task with cause for discharge in case of that one error on my part as a teacher?"

Mr. Clemente: "Representative Walk, I think that is present law. No, I don't believe so. It says it shall cause sufficient cause for discharge. There would be a procedural hearing and so forth precedent to that. I don't think that we are trying to make prisons out of our schools or unduly come down on teachers. I think that it establishes that we do expect reasonable care in these matters and each case of this kind would be handled on its own merit."

Mr. King demanded the previous question, and the demand was sustained.

The motion to adopt the Free Conference report was carried.

NEW SECTION Sec. 160. The office of program planning and fiscal management is hereby requested to cooperate fully with the legislative evaluation and accountability program committee in the areas of appropriation schedules, allotments, and estimated expenditure schedules as such items relate to the monitoring and evaluation by the LEAP data processing system of funds appropriated in this act. It is the intent of the legislature to cooperate with the governor in the implementation of RCW 43.88.070 which provides in part: 'Appropriations shall be deemed maximum authorizations to incur expenditures... to ensure that expenditure rates are such that program objectives are realized within these maximums'.
NEW SECTION. Sec. 160A. Notwithstanding the provisions of chapter 82, Laws of 1973 1st ex. sess. the house of representatives, the senate, and the permanent statutory committees shall pay expenses quarterly to the department of general administration facilities and services revolving fund for services rendered by the department for operations, maintenance, and supplies relating to buildings, structures, and facilities utilized by the legislature for the biennium beginning July 1, 1977.

NEW SECTION. Sec. 161. Notwithstanding any other provision of law, the employers' contribution rate for the Public Employees' Retirement System shall be established based upon a long term interest earning assumption of seven percent for the investment of system funds. No appropriation contained in this act shall be used to make contributions at a rate higher than that required by this section. It is intended that this adjustment shall reduce state general fund expenditures by eight million five hundred thousand dollars for the 1977–79 biennium.

NEW SECTION. Sec. 162. The word 'agency' used herein means and includes every state government office, officer, each institution, whether educational, correctional, or other, and every department, division, board, and commission, except as otherwise provided in this act.

The phrase 'agencies headed by elective officials' used herein shall mean those executive offices or departments of the state which are directly supervised, administered, or controlled by the governor, lieutenant governor, secretary of state, treasurer, auditor, attorney general, superintendent of public instruction, commissioner of public lands, or insurance commissioner, but it shall not include those boards, commissions, or committees on which one or more of the above mentioned officials serve.

NEW SECTION. Sec. 163. In order to carry out the provisions of these appropriations and the state budget, the director of the office of program planning and fiscal management with the approval of the governor, may:

(1) Allot all or any portion of the funds herein appropriated or included in the state budget, to the various agencies by such periods as he shall determine and may place any funds not so allotted in reserve available for subsequent allotment: PROVIDED, That the director of the office of program planning and fiscal management shall not alter allotment requests filed with him, nor shall he place in reserve any funds, for the following: Washington State Apple Advertising Commission; Washington State Fruit Commission; Washington Dairy Products Commission or any agricultural commodity commission created under the provisions of chapter 15.66 RCW; the legislative branch of state government including the legislative budget committee, the statute law committee, and any legislative committee; or the judicial branch of state government: PROVIDED FURTHER, That the aggregate of allotments for any agency shall not exceed the total of applicable appropriations and local funds available to the agency concerned. It shall be unlawful for any officer or employee to incur obligations in excess of approved appropriations or to incur a deficiency and any obligations so made shall be deemed invalid. Nothing in this section or in chapter 328, Laws of 1959, shall prevent revisions of any allotment when necessary to prevent the making of expenditures under appropriations in this act in excess of available revenues.

(2) Issue rules to establish uniform standards and business practices throughout the state service, including regulation of travel by officers and employees and the conditions under which per diem shall be paid, so as to improve efficiency and conserve funds.

(3) Prescribe procedures and forms to carry out the above.

(4) Allot funds from appropriations in this act in advance of July 1, 1977, for the sole purpose of authorizing agencies to order goods, supplies, or services for delivery after July 1, 1977: PROVIDED, That no expenditures may be made from the appropriations contained in this act, except as otherwise provided, until after July 1, 1977.

NEW SECTION. Sec. 164. Unless prohibited by federal law the receipt of federal or other funds which are not anticipated in the appropriation bill enacted by the legislature shall be used to support regular programs instead of using funds appropriated from state taxes or similar revenue sources. Any state funds replaced by federal or other receipts shall be placed in reserve to the credit of the appropriate state fund or account, and shall not be expended, unless authorized by the legislature.

NEW SECTION. Sec. 165. In the event that the receipts shall be less than those estimated in the budget from any source, expenditures shall be limited to the amount received and allotments made as provided in section 163 of this act. Receipts for purposes of this section shall include amounts realized within one calendar month following the close of a fiscal period and applicable to expenditures of that period. The amount of such payment shall be credited to and shall be treated for all purposes as having been collected during the fiscal period.

NEW SECTION. Sec. 165A. State funds appropriated for the specific purpose of matching federal funds and which are not required wholly or in part to qualify for such federal funds shall be placed in reserve and shall revert to the fund from which appropriated at the end of the respective fiscal year.

NEW SECTION. Sec. 166. Any programs which are supported in whole or in part by federal funds shall not receive any additional state funds for the programs in the event that federal funds are reduced or eliminated for the program.

NEW SECTION. Sec. 166A. If a scheduled program or project funded by the appropriations contained in this act has not been fully implemented during any quarter of the respective fiscal year, then the office of program planning and fiscal management shall withhold the equivalent amount of the appropriation and full time equivalent staff years from such program or project and shall place the same in reserve.

NEW SECTION. Sec. 167. Agencies are authorized to make refunds of erroneous or excessive payments and in the case of other refunds, which may be provided by law, without express appropriation therefor.
NEW SECTION. Sec. 168. Whenever allocations are made from the governor's emergency appropriation to an agency which is financed by other than general fund moneys, the director of the office of program planning and fiscal management shall direct the repayment of such allocated amount to the general fund from any balance in the fund or funds which finance such agency. No appropriation shall be necessary to effect such repayment.

NEW SECTION. Sec. 169. In addition to the amounts appropriated in this act for revenue for distribution, bond retirement and interest, and interest on registered warrants, there is also appropriated such further amounts as may be required or available for these purposes under any statutory formula or under any proper bond covenant made in accordance with law.

NEW SECTION. Sec. 170. Amounts received by an agency as reimbursements pursuant to RCW 39.34.130 shall be considered as returned loans of materials supplied or services rendered. Such amounts may be expended as a part of the original appropriation of the fund to which it belongs, without further or additional appropriation, subject to conditions and procedures prescribed by the director of the office of program planning and fiscal management which shall provide for determination of full costs, disclosure of such reimbursements in the governor's budget, maximum interagency usage of data processing equipment and services, and such restrictions as will promote more economical operations of state government without incurring continuing costs beyond those reimbursed.

NEW SECTION. Sec. 171. In accordance with the provisions of this section the office of program planning and fiscal management shall use the allotment process during the 1977-79 biennium to control the funding of the formula portion of the instruction and departmental research program of all the four year institutions of higher education and the community colleges. For the purpose of the controls outlined in this section, deviations in the formula entitlements for faculty staffing shall be the controlling factor for the four year institutions of higher education while full time equivalent student enrollment will be the controlling factor for the community college system. For the purpose of this section, the 'contract level' is defined as the level upon which the budget is based, and the 'base level' is defined as the formula entitlement level corresponding to the prior year's actual enrollment level. Controls shall be applied to each four year institution separately and to the community college education system as a total entity. "Growth funding" is defined as that portion of the state general fund appropriation by which the contract level exceeds the base level.

Contract enrollments for the second year of the biennium will be renegotiated in the event the first year's actual enrollment falls below the base level of the first year. Contract enrollments for the second year of the biennium shall not be renegotiated in the event that the first year's actual enrollments exceeds the contract level established for the first year.

NEW SECTION. Sec. 171A. It is the expressed intention of the legislature that agency operational activity shall be regularly monitored by the office of program planning and fiscal management, under their statutory authority relating to the allotment control function, in order to limit fluctuations in the respective fiscal year spending patterns which tend to inflate the expenditures in the second fiscal year of the biennium. Particular control emphasis shall be placed on those instances in which the full time equivalent staff years authorization is deliberately delayed in order to increase the agency's full time equivalent staff years as substantiation for the second fiscal year or the ensuing biennial request. Unanticipated receipts, which are authorized by the governor and expended by any state agency, shall be allotted, monitored, controlled, and reported separately at the end of the respective fiscal year and at the end of the biennium to the governor and the house appropriations committee and the senate ways and means committee. Such report shall identify the full time equivalent staff years and the program and/or activity for which such funds were expended.

NEW SECTION. Sec. 172. To obtain maximum interagency use of aircraft, the Aeronautics Commission in accordance with chapter 39.34 RCW is hereby authorized to lease, purchase, or otherwise acquire suitable aircraft which shall be utilized for the purposes of the Aeronautics Commission and also by other state agencies which have a need for an aircraft to carry out agency assigned responsibilities: PROVIDED, That the Aeronautics Commission is further authorized to enter into contractual agreements with other state agencies in order to acquire aircraft, establish rental rates for aircraft under their control, provide pilot services, aircraft maintenance, and make such other provisions as necessary to provide aircraft and related services for multi-agency use: PROVIDED FURTHER, That in order to achieve economy in the use of the appropriations contained within this act no state agency may purchase or otherwise acquire an aircraft or enter into a flying service or aircraft rental contract without first seeking such service from the Aeronautics Commission and without prior approval of the director of the office of program planning and fiscal management.

NEW SECTION. Sec. 173. If any part of this act shall be found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict, and such finding or determination shall not affect the operation of the remainder of this act; the rules and regulations under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state.

NEW SECTION. Sec. 174. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.
NEW SECTION. Sec. 175. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

Mr. Shinpoch: "Representative Douthwaite, it's my understanding that in the manner House Bill No. 424 was written it would designate the Department of Social and Health Services would transfer those people who are directly concerned to the new Commission for the Blind. WHEREAS, The consumption of alcohol to excess continues to be a substantial problem for society and is costly to the state of Washington and its citizens in lost and wasted lives; and

WHEREAS, Drinking habits and patterns are frequently established during the teenage years; and

WHEREAS, Arrests of juveniles involved with alcohol abuse have increased dramatically and the problems of excessive drinking and alcoholism by youth have become progressively more severe and threatening in recent years;

NOW, THEREFORE BE IT RESOLVED, That the House of Representatives shall establish a Select Committee on Youth Alcohol Problems in the state of Washington and that this committee shall be made up of nine members, three each from the current standing committees on Education, Appropriations and Social and Health Services, with the respective chairpersons and ranking minority members of said committees, to be appointed by the Speaker and the minority floor leader; and

BE IT FURTHER RESOLVED, That this Select Committee on Youth Alcohol Problems shall submit a report to the Legislature by the first week of January, 1978 and make specific recommendations for any legislation that may be required.

On motion of Mr. Clemente, House Resolution No. 77-29 was adopted.

HOUSE RESOLUTION NO. 77-37, by Representatives Warnke and Gaines:

WHEREAS, There exists, according to the Bigfoot Information Center in Hood River, Oregon, an historical record of at least one hundred and twenty years relating to the existence of a Bigfoot or Sasquatch in the State of Washington and that there exists evidence of the continued existence of such a creature in the nature of recently discovered footprints and at least two reported Bigfoot sightings within Washington State during the last twelve months; and

WHEREAS, Bigfoot is a sensitive and shy creature who is loathe to come into conflict with human beings; and

WHEREAS, Bigfoot's existence could be jeopardized by people seeking its whereabouts who are of the intent to capture Bigfoot and place said creature in a zoo and are known to carry firearms and other dangerous weapons; and

WHEREAS, The exploitation of Bigfoot for commercial purposes so as to enhance the economic development of the State of Washington and to improve its tourist industry would break the heart of the tender and shy creature; and

WHEREAS, The number of Bigfeet remaining in the State of Washington is unknown and the capturing or death of one such creature could decimate the population of Bigfeet and bring great discomfort and grief to those creatures so remaining in their natural habitat;

NOW, THEREFORE, BE IT RESOLVED, That the Department of Natural Resources through the authority granted it pursuant to Chapter 79.70 RCW be directed to determine the
precise habitat of Bigfoot within Washington state and to take whatever measures are appropriate in order to assure the continued and unharried survival of this splendid creature;

AND BE IT FURTHER RESOLVED, That the Department of Interior be requested by the Clerk of this House on behalf of its members to place all Bigfeet on its endangered species list along with such other Washington creatures as the blackfooted ferret, the Columbian white tailed deer, and the timber wolf.

Representatives Martinis and Gaines spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Gilleland.

Mr. Gilleland: "Representative Martinis, we passed legislation a couple years ago for personalized license plates which went into the Department of Game to protect wild species, animals and such. I wonder if that's what will be used to conduct this study?"

Mr. Martinis: "Representative Gilleland, I don't really look for this study to have any great expense involved with it, but to come under the jurisdiction of the personalized license plate revenues, Bigfoot would have to qualify as nongame wildlife. In the resolution it doesn't clearly state whether Bigfoot is human or whether it's beast or whether it's wildlife. The House Natural Resources Committee will try to reach a determination of this and present it to you in the next session of the Legislature. You, the Representatives of the State of Washington, will determine what category that Bigfoot will fall in and it will definitely be your determination as representatives of your constituents."

Mr. King demanded the previous question and the demand was sustained.

The amendment was adopted.

POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Leckenby.

Mr. Leckenby: "Representative Martinis, if Bigfoot turns out to be human how are you going to get the responsibility turned over to the Department of Social and Health Services?"

Mr. Martinis: "Representative Leckenby, if Bigfoot does happen to be human I will wholeheartedly move that the legislation our committee would develop would be rereferred to the Committee on Social and Health Services, but the evidence today really lies within the purview of the Natural Resources Committee."

Representatives Charnley and Warnke spoke in favor of the resolution.

Mr. Bender demanded the previous question and the demand was sustained.

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives requests that the Superintendent of Public Instruction have conducted a study of school districts which have, are having, or soon will have rapid student enrollment growth, the purpose of which study shall be to identify what additional costs, if any, are attendant with such enrollment growth, and to recommend a means of justly compensating those districts experiencing that rapid enrollment; and

BE IT FURTHER RESOLVED, That the office of the Superintendent of Public Instruction present its study of findings and recommendations to the House of Representatives no later than January 1978.

On motion of Mr. Heck, House Resolution No. 77–58 was adopted.

HOUSE RESOLUTION NO. 77–50, by Representatives Heck, Clemente, Hughes, Bauer, Whiteside, Barnes, Dunlap, McKibbin and Fortson:

WHEREAS, The goal of education is to enable students to become productive citizens; and

WHEREAS, The findings of a study conducted by the U. S. Office of Education have revealed that more than twenty-three million American adults, one in every five, are functionally illiterate and lack the basic know­how to function effectively in society; and

WHEREAS, Student performance in the Scholastic Aptitude Tests in 1975–76 failed to rise for the thirteenth consecutive year; and

WHEREAS, As the state of Washington assumes a larger share of the cost of financing public education, the quality of education becomes of even greater state­wide concern; and

WHEREAS, Washington state has taken an active role in developing the objectives of education through implementation of the learning objectives law; and

WHEREAS, While learning objectives have set teaching objectives, a policy which requires evaluation of a student's ability to obtain minimum literacy objectives has not been developed;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives of the state of Washington hereby directs the House Education Committee, in cooperation with the office of the Superintendent of Public Instruction, to conduct a study to determine the feasibil­ity and desirability of minimum competency requirements for students graduating from the common school system and the factors, including financial, which affect students' abilities to meet those minimum competencies; and

WHEREAS, The legislature recognizes the need to receive comprehensive and timely data from state agencies, local governments, and private organizations in considering legislative proposals; and

WHEREAS, Evidence of such recognition is demonstrated in numerous laws which authorize or require such instrumentalities to furnish assistance of this kind; and
WHEREAS, A number of state agency appropriations have specified the amounts that may be expended providing information to the legislature; and
WHEREAS, Several organizations representing individual units of local government have been given statutory authority to use public funds for such purposes; and
WHEREAS, Selective statutory authorization may afford inequitable advantages to those which are so recognized in comparison with others which may have equally meritorious objectives;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the appropriations committee be directed to conduct a study of the organizational structure, sources of funding, amounts expended, and nature of the legislative activities of all state agencies and local organizations; and

BE IT FURTHER RESOLVED, That the goals of the study shall be to (1) determine the costs and benefits of varying forms of legislative representation; and (2) the relative advantages of agencies or organizations which have been statutorily recognized in comparison to those which have not; and

BE IT FURTHER RESOLVED, That the heads of state agencies and the officers of local public organizations be directed to cooperate with the committee in its inquiries; and

BE IT FURTHER RESOLVED, That the appropriations committee report its findings, together with any recommended legislation to the next regular session of the legislature.

On motion of Mr. Ehlers, House Resolution No. 77-03 was adopted.

HOUSE RESOLUTION NO. 77-01, by Representative Shinoda:

WHEREAS, Writing the biennial state budget is perhaps the most important task facing the Legislature, and certainly the most complex; and
WHEREAS, The pressures placed on first-term legislators to become immediately familiar with the multitudinous and diverse practices, procedures, rules, and customs of the Legislature necessarily limit their abilities to fully participate in the budget-writing process in a way most representative of their respective constituencies, particularly in light of the pressure placed on the entire Legislature to resolve the issues before them in an expeditious manner, and
WHEREAS, The now established concept of the Continuing Session affords an opportunity for granting greater participation by all new legislators in the budgetary process by establishing the state fiscal biennium and the electoral biennium on alternate cycles; and
WHEREAS, The passage of the budget is a time-consuming process even in the best of circumstances and our current session has extended to record-breaking lengths; and
WHEREAS, Such alternation of the start of a legislator’s term and the commencement of the fiscal biennium would enable new legislators to become familiar with the legislative process in general before they would be expected to begin consideration of the most vital fiscal affairs of state government; and
WHEREAS, An alternation would enable new administrators of departments to submit budgets based on their own experience and factual knowledge and would also enable a new governor sufficient time to deliberate and prepare a budget based on better factual information and experience;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the House Committee on Appropriations undertake and the Senate Committee on Ways and Means be requested to undertake a study of the possibility of and method by which the state budget cycle could be changed so that all legislators, administrators, and governor would have the opportunity to be actively involved for a greater period of time than the present six months in the preparation and passage of the biennial budget;

BE IT FURTHER RESOLVED, That such study shall include the evaluation of a rolling two-year budget, wherein final legislative approval would be given to the upcoming year’s expenditures and projected expenditures outlined for the year following;

BE IT FURTHER RESOLVED, That the Chief Clerk of the House of Representatives send a copy of this resolution to the secretary of the Senate and the Governor.

Mr. Shinoda moved adoption of the resolution.

POINT OF INQUIRY

Mr. Shinoda yielded to question by Mr. Smith.

Mr. Smith: "Representative Shinoda, will this new budget process help us in getting out of the Legislature in something less than 163 days?"
Mr. Shinoda: "My main reason for introducing this resolution was that when you bring in one-third of the body as freshmen, and then turn us loose on the budget all at the same time, it's very difficult for the freshmen to put any input into the budget cycle. It takes a long time for us to come on board and get up speed with the senior members. My thought is that if we had a short session early on and a long session the second year, we would have one year as freshmen to study the budget process and the committee, and the Joint Committees of the Senate and House would be able to get the process rolling a little faster. I do think it would shorten the process. That's my intent."

House Resolution No. 77-61 was adopted.

APPOINTMENT OF INTERIM COMMITTEE

The Speaker appointed Representatives Bagnariol, Bauer, Berentson, King, Newhouse, O'Brien and Polk to the Executive Rules Committee.

The appropriations contained in subsections (6) through (41) of this section shall be subject to the following conditions and limitations:

The productivity of any salmon propagation facility is very dependent on water quantity and quality. Since there is a limited number of water sources which meet the critical needs of a facility it is imperative that these sources are acquired. Therefore, site acquisitions and preliminary design shall be considered by the department as generally having priority over project development in the allocation of funds;

Prior to expending any moneys for the construction and development of any particular salmon propagation facility, except for site acquisition and preliminary design, the department shall give consideration to the following factors with respect to that facility:

The department's management authority over propagated salmon;

The level of expected Canadian interception on the propagated salmon and whether this would be acceptable;

Whether an acceptable agreement has been reached on the status of treaty Indian salmon harvest; and

Whether there can be a maximum harvest of propagated salmon with a tolerable impact on other salmonoid stocks, both natural and artificial, and on their environment. The department shall consult on this matter with the department of game;

To aid and advise the department in the performance of its functions as specified herein with regard to the salmon enhancement program, a salmon advisory council shall be created. The advisory council shall consist of ten members appointed by the governor; the director of the department of fisheries, who shall be chairman; the director of the department of game; one member of the senate to be appointed by the president of the senate; and one member of the house of representatives to be appointed by the speaker of the house of representatives. Of the appointive members two shall represent troll fishermen; two shall represent gillnet fishermen, of which one shall be from the Puget Sound area and one from the southwest Washington area; one shall represent purse seine fishermen; one shall represent owners of charter boats; two shall represent sportsmen; and two shall represent fish processors, of which one shall represent fresh or frozen fish processors and one shall represent canneries.

The advisory council shall be convened by the director prior to the decision to expend any funds for construction and development of any salmon propagation facility listed in subsections (6) through (41) of this section. The council shall advise the director with regard to the considerations listed herein and any other factors the council deems relevant with respect to the proposed facility.
Terms of the appointive members shall not exceed two years and shall continue until their successors are appointed. Vacancies shall be filled in the same manner as original appointments. Members shall receive reimbursement for travel expenses incurred in the performance of their duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

The director of the department of game, or his designee, shall receive reimbursement for travel expenses incurred in the performance of his duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. The legislative members or their designees, shall be deemed engaged in legislative business while in attendance upon the business of the council and shall be limited to such allowances therefor as otherwise provided in RCW 44.04.120 as now existing or hereafter amended.

Not more than the following amounts as listed in subsections (6) through (41) of this section shall be expended for the site acquisition, preliminary design, construction and development of such hereinabove described projects, which are ranked after site acquisition and exploration, survey, and design in order of their estimated benefit/cost ratio, with the project having the highest benefit/cost ratio being listed first.

(1) Renovations and improvements to meet safety, health and environmental regulations: PROVIDED, That all upgrading of domestic water supply facilities at all state hatcheries be completed by September 1, 1978.

Signed by the Speaker

The Speaker announced he was about to sign:

HOUSE CONCURRENT RESOLUTION NO. 35.

POINT OF PERSONAL PRIVILEGE

Mr. Zimmerman: "I just wanted to say a word about the beginning and the ending. I think that should be kind of a worthy subject. A hundred years ago John Galsworthy said some things about beginnings and endings and we're close to the ending now and it would seem you wouldn't mind if I quoted him."
"The beginning and ending of all human undertakings are untidy—the building of a house, the writing of a novel, the demolition of a bridge, and imminently the finish of a voyage.' Of course, we've been on a 163-day voyage and certainly at this particular time of the day it's such that we need to see the perspective because I think it's been a long time in which there have been some troubles, some problems, and at the same time, I think altogether we've felt a recognition that despite the fact that this has been a record long, very difficult, very frustrating last few days, nevertheless there have been some rather unusual accomplishments. I think each of us in their own way has seen the completion of a rather unusual time together and I would hope that despite the length of it that we can all recognize the sharing together of some of the mutual accomplishments as we wind it up and go home."

**RESOLUTION**

HOUSE RESOLUTION NO. 77–64, by Representatives King and Berenlson:

REPORT OF SPECIAL COMMITTEE

The House members of the committee appointed to notify the Governor that the Legislature was about to adjourn sine die, appeared before the bar of the House and reported they had accomplished their mission.

The report was received and the committee retired.

APPEARANCE OF GOVERNOR

The Speaker recognized within the House Chamber, Governor Dixy Lee Ray and appointed Representatives King, Gallagher and Berentson to escort her to the rostrum.

The Speaker: *Governor Ray, we certainly appreciate you taking the time to come up and say hello to us. The little name tag she has on, by the way, says 'GUY.' Governor, while we are waiting for the Senate, which we have been doing for a very long time, would you like to say a few words to us?"

Governor Ray: *Mr. Speaker and members of the House, it's a real privilege for me to be here to play some small role in this historic occasion. This is the first sine die I've been able to indulge in, and on behalf of Jock and myself, we appreciate your hospitality.

*Seriously, I do want to say a word or two about the session that is now drawing to a close. There will be plenty of critics, there always are, and there will be lots of people pointing out what didn't happen and there will be plenty of people complaining about what did. I want you to know, all of you, that having been here and watched your progress from day to day, and having had an opportunity to get to know you, and while I haven't had the occasion to work individually with each of you as yet, we have had a good deal of contact, and I feel strongly that the people's interests have been served, that the decisions that have been made have been reached by considerable deep thought, lots of debate, and a good deal of give and take. This
The forty-fifth Legislature has faced up to and resolved issues that have been before the people and the Legislature for a long time. We could start ticking off the accomplishments, and it doesn't take long to come up with them, from pension reform, unemployment compensation, defining basic education, starting that important road toward full funding of our common schools, a budget that doesn't have any significant tax increase in it and yet provides for the continuation and improvement of most of state services. It is truly a great record and you are to be commended and to be complimented.

"As you return home and have more contact with your constituents in your own activities and professions, I am hoping that they will recognize, as we do here in Olympia, how important this process is and how important the achievements are that you have made. We are free to criticize our government and even to scold it, and it may not be the most efficient kind of government that man has ever devised, but it is certainly better than any other form that we know. For me it has been a privilege to get to know you and I look forward to working with you in the future. Mr. Speaker, as a freshman Speaker from a freshman Governor, I bid you God-speed. I look forward to working with you in the interim. Thank you."

MOTION

On motion of Mr. King, reading of the Journal of the One Hundred Third Day of the First Extraordinary Session of the Forty-fifth Legislature was dispensed with and it was ordered to stand approved.

MOTION

On motion of Mr. King, the House of Representatives of the First Extraordinary Session of the Forty-fifth Legislature adjourned sine die.

GOVERNOR'S MESSAGES ON HOUSE BILLS
VETOED AND PARTIALLY VETOED

Regular and First Extraordinary Session - 1977

July 1, 1977

To the Honorable, the House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith without my approval as to one section House Bill No. 49 entitled:
"AN ACT Relating to industrial insurance;"

Section 30 of the bill purports to amend RCW 51.24.010 to change "workman" to "worker". Because Senate Bill No. 2154, codified in Chapter 85, Laws of 1977, 1st Extraordinary Session, approved by me on May 26, 1977, repealed that section of the RCW and made other substantive changes in the law dealing with the same subject and using the term "worker", section 30 is therefore unnecessary.

With the exception of section 30 which I have vetoed, the remainder of House Bill No. 49 is approved.

Sincerely,
Dixy Lee Ray, Governor.

July 7, 1977

To the Honorable, the House of Representatives of the State of Washington

Ladies and Gentlemen:

I am returning herewith without my approval House Bill No. 271 entitled:
"AN ACT Relating to health; adopting procedures for the establishment of transfer and clinical training programs at the University of Washington School of Medicine for Washington residents attending foreign medical schools; creating new sections; adding a new section to chapter 18.71 RCW; adding new sections to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.20 RCW; Making an appropriation; and declaring an emergency."

This bill mandates the University of Washington to adopt policies that provide both transferring and clinical training opportunities for Washington State residents attending foreign medical schools outside the United States, Canada, or Puerto Rico. In fulfilling this mandate, the School of Medicine at the University of Washington is required to fill all third and fourth year vacancies with Washington State residents attending foreign medical schools. This effectively bases selection and matriculation criteria on the place where the student is enrolled and not on student qualifications.

The proposed foreign medical student policy also eliminates admission opportunities and appears to discriminate against other resident medical students. All vacancies are filled with resident students in certain foreign countries, thereby eliminating enrollment opportunities for Washington State residents attending foreign medical schools within the United States. This policy does not provide full and fair consideration to all students because there are no transfer provisions to accommodate the admission of potentially more qualified medical students enrolled in programs within the United States over less qualified medical students enrolled in foreign medical programs.

In addition, after contact with administrators at the School of Medicine, and with reference to written assurance that the matter of the admission of students from foreign medical schools will be voluntarily and satisfactorily handled, I am persuaded to allow a program to be developed. I am reluctant to approve a legislative mandate forcing certain steps to be taken; however, I, as Governor, will keep a close watch on the actions of the University of Washington School of Medicine during the next two years and if the warning as sounded by this Legislature in House Bill No. 271 is not heeded, I will be convinced that statutory persuasion may be necessary.
For the foregoing reasons, I have determined to veto House Bill No. 271.
Respectfully submitted,
Dixy Lee Ray, Governor.
July 7, 1977

To the Honorable, the House of Representatives of the State of Washington
Ladies and Gentlemen:
I am returning herewith without my approval Second Substitute House Bill No. 391 entitled:
"AN ACT Relating to speech pathologists and audiologists; adding a new chapter to Title 18 RCW; prescribing a termination date; and prescribing penalties."
It is with some reluctance I veto Second Substitute House Bill No. 391; however, there are several areas of concern. First of all, I am not fully persuaded that there is an immediate need for a board of speech pathology and audiology examiners. It is my position that unless such need is clearly required in the public interest, the creation and addition of a new board to the already overburdened operation of state government is questionable. Further, it would appear that the professionalism of the contemplated board should require the service of a medical doctor as a member. The bill makes no such provision. Other general provisions of the bill would indicate that the board is self-serving in nature. I would think the proposal needs additional careful legislative scrutiny.
For these reasons, I have respectfully vetoed Second Substitute House Bill No. 391.
Sincerely,
Dixy Lee Ray, Governor.
June 8, 1977

To the Honorable, the House of Representatives of the State of Washington
Ladies and Gentlemen:
I am returning herewith without my approval as to one section House Bill No. 559 entitled:
"AN ACT Relating to the state employees' insurance board; reenacting and amending section 1, chapter 6, Laws of 1977 and section 34, chapter ... (ESB 2133), Laws of 1977 and RCW 41.05.020; and declaring an emergency."
Section 2 of the bill declares an emergency and provides for the act to take effect immediately. Under the Constitution, Article II, Sections 1(b) and 41, the use of an emergency clause does two things. First, it alters the time when a particular piece of legislation becomes effective, thereby eliminating what may be a desirable adjustment period for affected persons. Second, it excepts the legislation from the important referendum right reserved by the people. Because of these effects, the use of the clause should be restricted to those instances where the use is clearly warranted due to the urgency of the situation. For these reasons, I have vetoed this section.
With the exception of section 2, which I have vetoed, the remainder of House Bill No. 559 is approved.
Sincerely,
Dixy Lee Ray, Governor.
July 7, 1977

To the Honorable, the House of Representatives of the State of Washington
Ladies and Gentlemen:
I am returning herewith, without my approval, Substitute House Bill No. 743 entitled:
"AN ACT Relating to petroleum transfer and safety; creating new sections; and declaring an emergency."
Were this bill to become law, it would limit "...future additional marine bulk crude petroleum shipment transfer facilities to one such facility." (Sec. 1.) That single facility, as required by Section 2(1), could be constructed and operated only on the Strait of Juan de Fuca at or west of Port Angeles. SHB 743 also requires that "...a crude petroleum transmission pipeline connecting with such a facility (can be approved) only if such a pipeline is designed to be located entirely within the United States..." and prohibits any portion of such pipeline from
crossing the Cedar or Green River watersheds. Finally, Section 2(3) allows modification of existing receiving or transfer facilities only for repair, maintenance, or to make the facility safer.

In my judgment all of these requirements are unduly restrictive. Moreover, neither the economic nor the environmental consequences of these restrictions have been adequately analyzed. This is all the more surprising since a mechanism exists in law for thorough fact finding and thoughtful review for the siting of all energy facility proposals.

In 1970 the Washington State Legislature passed the enabling statute that created the Energy Facility Site Evaluation Council, now operating under RCW ch. 80.50. In taking this action, "the legislature finds that the present and predicted growth in energy demands in the State of Washington requires the development of a procedure for the selection and utilization of sites for energy facilities and identification of a state position with respect to each proposed site." The Legislature reaffirmed this policy last year with the passage of Substitute Senate Bill No. 3172 which expanded the scope of the original Thermal Facility Siting Council to other major energy facilities including crude petroleum transfer facilities and transmission pipelines.

The Legislative intent in enacting the siting law is clear: "...to ensure through available and reasonable methods, that the location and operation of such facilities will produce minimal adverse effects on the environment, ecology of the land and its wildlife, and the ecology of state waters and their aquatic life.

It is the intent to seek courses of action that will balance the increasing demands for energy facility location and operation in conjunction with the broad interests of the public. Such action will be based on these premises:

1. To assure Washington state citizens that, where applicable, operational safeguards are at least as stringent as the criteria established by the federal government and are technically sufficient for their welfare and protection.

2. To preserve and protect the quality of the environment; to enhance the public's opportunity to enjoy the esthetic and recreational benefits of the air, water, and land resources; to promote air cleanliness; and to pursue beneficial changes in the environment."

The procedure that the Council has established in accordance with this legislative intent provides for the orderly review of the complex technical issues surrounding the siting of an energy facility through contested case hearings. Only after these extensive hearings and review of the entire transcript does the Council make its recommendation on the proposed site. This orderly, deliberative, fact-finding quasi-judicial procedure should be followed before any final decision is made on a major oil port in this state.

It is particularly important that a deliberative procedure be followed so as to make available all the facts and conjectures, both those that are supportive as well as those in opposition—only then will the public know the full basis for any final recommendation.

The Energy Facility Site Evaluation Council, as created by the legislature is an independent body. Its authority and membership is determined by law. It cannot be controlled by the Governor despite some effort in the past to do so. Its procedures are open and orderly, the hearings are factual and fair. Following the proper procedure will also be the most expeditious way to determine what is in the public's best interest.

Substitute House Bill No. 743 has been one of the most heavily lobbied bills in the recent history of the legislature. This fact alone warrants that proper procedures be scrupulously followed. I am particularly concerned that one group of oil companies may be given a monopoly before technical studies are completed and adequate time is allowed for complete public disclosure of detailed plans. I am sure that all would agree that full disclosure through the careful process of the Siting Council is in the public interest. The practical effect of any final action on a major oil port is to grant an exclusive franchise, worth many millions of dollars, to the corporation finally certified. With the stakes so high, competitive applications should be considered with full public scrutiny.

Finally, I want to assure the legislature that I will take no action under the Energy Siting Act without consultation with its members. I earnestly solicit the legislature's continuing support of and participation in an orderly site selection process for an oil transshipment port. Only in this way will we best protect the environmental and economic interests of this state, and at the same time, serve vital national interests. A veto of this bill is not a rejection of the Port
Angeles site; rather, it is reaffirmation of established law and of the legislative purpose in creating the Energy Facility Site Evaluation Council whose duty is to conscientiously consider and examine all alternatives as to site location.

Respectfully submitted,
Dixy Lee Ray, Governor.

June 1, 1977

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to one section, Substitute House Bill No. 821 entitled:

"AN ACT Relating to sidewalks; amending section 1, chapter 83, Laws of 1973 and RCW 35.68.075; adding a new section to chapter 35.68 RCW; and declaring an emergency."

Section 3 of the bill declares an emergency and provides for the act to take effect immediately. Under the Constitution, Article II, Sections 1(b) and 41, the use of an emergency clause should be restricted to those instances where the use is clearly warranted due to the urgency of the situation.

In this case, not only is the use of the clause unwarranted by the urgency of the situation, but the use also eliminates the adjustment period that would be helpful for affected units of local government. For these reasons, I have vetoed this section.

With the exception of section 3, which I have vetoed, the remainder of Substitute House Bill No. 821 is approved.

Sincerely,
Dixy Lee Ray, Governor.

July 15, 1977

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval Substitute House Bill No. 912 entitled:

"AN ACT Relating to lost and unclaimed personal property;"

It is with some reluctance that I veto Substitute House Bill No. 912 for there is a need for improvement in the area of lost or unclaimed property. A careful review of the bill, however, causes me to question whether it merits the potential financial burden on the law enforcement agencies in the state. Further, I would hope additional interim study might produce legislation that would be less cumbersome, thus encouraging the surrender of lost or unclaimed property.

For the foregoing reasons, I have determined to veto Substitute House Bill No. 912.

Respectfully submitted,
Dixy Lee Ray, Governor.

June 30, 1977

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to one section Substitute House Bill No. 928 entitled:

"AN ACT Relating to energy."

A careful review of Substitute House Bill No. 928, dealing with emergency energy powers, reveals that Section 10 makes many unsubstantive changes in Section 43.06.010 and RCW 43.06.010. The legislature has passed and I have already signed Substitute House Bill No. 564, the Washington Sunset Law which made similar unsubstantive changes but which added to existing laws certain required executive powers concerned with sunset legislation.

To allow Section 10 of this bill to become law would be duplication of earlier legislation and, in fact, might very well effect a portion of the sunset bill which I deem of prime importance within the executive powers of the Governor. For this reason, I have vetoed Section 10 of this bill.
With the exception of section 10, which I have vetoed, the remainder of Substitute House Bill No. 928 is approved.  

Sincerely,
Dixy Lee Ray, Governor.
July 15, 1977

To the Honorable, the House of Representatives of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute House Bill No. 1348 entitled: "AN ACT Relating to casualty insurance; and amending section 27, chapter 150, Laws of 1967 and RCW 48.22.030."

I am persuaded to veto Substitute House Bill No. 1348 if, for no other reason than the vigorous objection raised by the Office of the Insurance Commissioner. Although there may be desirable aspects in the bill, I am advised that the Commissioner's office can, by regulation, make improvements in the field.

In addition, some of the new language in the bill is difficult of interpretation and should be more clearly defined.

For the above reasons, I have determined to veto Substitute House Bill No. 1348.

Respectfully submitted,
Dixy Lee Ray, Governor.
