- (3) Are conducted by accounting firms or auditors who, during the period of the auditors' professional engagement or employment and during the period covered by the financial statements, do not have nor are committed to acquire any direct or indirect financial interest in the ownership, financing, or operation of a nursing home in this state;
- (4) Are conducted by accounting firms or auditors who, as a condition of the contract or employment, are not allowed to have nursing home clients during or within two years of termination of their contract or employment;

- (6) Are supervised by a certified public accountant;
- (7) Are completed within one year after the annual cost report is submitted by the nursing home; and
- (8) Provide to the nursing home complete written interpretations which explain in detail the application of all relevant contract provisions, regulations, auditing standards, rate formulae, and departmental policies, with explanations and examples, and which are sufficient to permit the nursing home to calculate with reasonable certainty those costs which are allowable and the settlement to which the nursing home is entitled.

**NEW SECTION.** Sec. 3. (1) The department of social and health services shall prepare a written summary of any audit disallowance which exceeds five hundred dollars. Where the department pays rates or proposes settlement of accounts at less than the nursing home's actual reported costs, which have been verified by audit, the department shall for each cost center, as determined under department rules, advise the nursing home management of the rules and regulations justifying reimbursement at less than actual cost. Where the nursing home is pursuing judicial or administrative remedies in good faith regarding reimbursement settlement issues the department shall not withhold from the nursing home current payment amounts the department claims to be due from the nursing home.

(2) All financial reports and information submitted by nursing homes to the department of social and health services and all final audit narratives and summaries reviewing the submitted material shall be available for public inspection. - (a) Ranges, averages, and median costs for all cost centers;
- (b) Departmental budget projections which reflect probable economic trends;
- (c) Computer models and programs, with related documentation sufficient to explain them, used or proposed by the department to evaluate cost reports, establish cost projections, establish rates, or, in whole or in part, determine settlements; and
- (d) All raw data relied upon by the department for any such cost-finding or rate-setting activities.

The department shall, prior to April 1 of each year, file with the senate ways and means and house appropriations committees, and make available to the public, a comprehensive report concerning all of the above matters.

**NEW SECTION.** Sec. 4. The nursing home payment system under this chapter shall provide for individually-based or class-based rates which shall be the maximum reimbursement for each nursing home for the period for which the rates are assigned. Operators of nursing homes shall refund all portions of payments received which exceed actual audited costs and all portions of payments received which are attributable to unreasonable or nonallowable costs as determined by federal or state regulations.

**NEW SECTION.** Sec. 5. Payment rates shall:

- (1) Not be set lower prospectively than the level which may reasonably be expected to reimburse in full for actual allowable costs under federal regulations for a nursing home which is economically and efficiently operated;
- (2) Realistically take into account economic conditions and trends during the time period covered by the rates;
- (3) Be at least annually redetermined;
- (4) Permit as allowable those expenses necessary to meet all items of expense which operators of nursing homes must incur to provide federally defined skilled or intermediate care services;
- (5) Meet the reasonable cost of patient assessment activity as required by the department; and
- (6) Meet the reasonable cost of accounting requirements.

Reasonable costs shall be determined independently of the level of funding available, in accordance with federal regulations and guidelines.

**NEW SECTION.** Sec. 7. Sections 1 through 6 of this act shall be added to chapter 74.09 RCW.

#### REPORT OF CONFERENCE COMMITTEE

June 3, 1977

Mr. Speaker:

Mr. President:

We, of your Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 2268, permitting OPP&FM to establish per diem rates, have had the same under

consideration, and we report that we are unable to agree and respectfully request the powers of Free Conference in order to amend the bill.

Signed by Senators Rasmussen, Newschwander, Bausch; Representatives Ehlers, Keller, Zimmerman.

#### MOTION

On motion of Mr. Ehlers, the report of the Conference Committee was adopted, and the committee was granted the powers of Free Conference.

#### SECOND READING

Authorizing hostels.

The bill was read the second time.

Committee on Parks and Recreation recommendation: Majority, do pass as amended. (For amendment, see Journal, 44th Day ex. sess., April 23, 1977.)

On motion of Representative Hurley (Margaret), the committee amendment was adopted.

Mr. Struthers: "Representative Hurley, is there any fiscal impact to the state? Is the state entering into the hotel business with this bill?"

Mrs. Hurley (Margaret): "I think that's a very good question. No, there's no fiscal impact at all. The Parks and Recreation Commission would be authorized to assist in any way in planning or give their expertise in any way that they could, because they have been operating these two places, Fort Flagler and Fort Worden. They have been operating right now along the same lines as are outlined in the American Youth Hostel Handbook. So if they could aid in the establishment they would and that would be at no cost to them."

ENGROSSED SENATE BILL NO. 2825, by Senator Day:

Imposing an annual license fee on vehicles using propane in accordance with vehicle tonnage.

The bill was read the second time.

Committee on Transportation recommendation: Majority, do pass as amended. (For amendments, see Journal, 84th Day ex. sess., June 2, 1977.)

On motion of Mr. Conner, the committee amendments were adopted.

Mr. Conner moved adoption of the following amendment:

Strike everything after the enacting clause and insert the following:

**"NEW SECTION.** Section 1. There is added to chapter 82.38 RCW a new section to read as follows:

In order to encourage the use of nonpolluting fuels, until July 1, 1979, an annual license fee in lieu of the tax imposed by RCW 82.38.030 shall be imposed upon the use of natural gas as defined in this chapter or on liquified petroleum gas, commonly called propane, which is used in any motor vehicle, as defined in RCW 46.04.320, in accordance with the following schedule:

VEHICLE TONNAGE (GVW)	FEE
0 - 6,000	\$ 60
6,001 - 10,000	\$ 70
10,001 - 18,000	\$ 80
18,001 - 28,000	\$110
28,001 - 36,000	\$150
36,001 and above	\$250

The department of motor vehicles, in addition to the foregoing fee, shall charge a further fee of five dollars as a handling charge for each license issued.

The director of the department of motor vehicles shall be authorized to prorate the vehicle tonnage fee so that the annual license required by this section will correspond with the staggered vehicle licensing system.

**"NEW SECTION.** Sec. 2. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1977."

Mr. Conner spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Blair.

Mr. Blair: "Representative Conner, it is a little confusing, but I'm sure you can clear it up for all of us—do these vehicle tonnage classifications apply to private motor vehicles driven by their owners for personal use as well as commercial vehicles?"

Mr. Conner: "That's correct."

Mr. Blair: "So this is a substitute license fee for all vehicles with propane?"

Mr. Conner: "Yes."

#### POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "The intent of this bill is to encourage the use of propane and natural gas, therefore, why are you doubling the fees on the trucks that haul the gas and propane to market?"

Mr. Conner: "I guess I would have to say in all honesty, that this is the only bill that has come out of that committee that I do not feel comfortable with. We had no way of telling what was a fair fee structure for these vehicles. We passed it originally in 1971, the purpose being to encourage the use of this. We were concerned about air pollution in this state, and attempting to get people to use propane and natural gas. They do use highways in this state. This bill, when we look at it, adds a lot to the motor vehicle fund, nearly \$400,000 in a biennium. There only have been some 300 that have converted in the past six years, so it hasn't really done the job that was intended by the Legislature. We did have individuals who felt the fee structure, the increase in fees, was well within reason. We recognized the cost of around \$800 to \$1000 to convert and yet there was a feeling that the vehicles use the highways of this state and they aren't paying in proportion to other vehicles here. It was felt that those that had converted should at least have the benefit that they have enjoyed in the past, but those who testified were comfortable with the structure that we suggested here."

The amendment was adopted.

On motion of Mr. Conner, the following amendment to the title was adopted:

On line 1 of the title after "tax;" strike the remainder of the title, and insert "adding a new section to chapter 82.38 RCW; declaring an emergency; and providing an effective date."

Engrossed Senate Bill No. 2825 as amended by the House was passed to Committee on Rules for third reading.

## POINT OF INQUIRY

Mr. Clemente yielded to question by Mr. Fuller.

Mr. Fuller: "Representative Clemente, you have a grand opportunity to make a convert out of me, if you'll explain a line here in the Senate bill. My knee-kick reflex when you passed your amendment was the same as all the speakers who preceded me, but as I read line 9 of the bill, do they have to go through this annually so that the imbalance or the space could be reallocated to a nearby person on an annual basis?"

Mr. Clemente: "I think the language says, 'made annually on or before, or up until.' It can be handled to suit the individuals so long as it's done on or before that date at which time the enrollment count is burned up, I think."

Mr. Fuller: "In other words, if the condition happened where somebody came into the neighborhood they might have an imbalance for one year, but then the newcomer could get his rightful place in the nearby school and the other applicant would be rejected?"

Mr. Clemente: "I believe the school would be required to take both the newcomer and the applicant if the space were available when the applicant made the application and the newcomer came after that day. If that was the resident's area, then the school would be required to make room for both. Again, the newcomer would have the option to go to another school."

Representatives Ehlers and Douthwaite spoke in favor of passage of the bill, and Representatives Kreidler and Shinpoch spoke against it.

Mr. Clemente spoke again in favor of the bill.

## ROLL CALL

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the final passage of Engrossed House Bill No. 1232 as amended by the Senate.

Mr. Gaines spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Leckenby: "Representative Gaines, as I read this amendment this morning, I gathered that the way the Senate changed the bill, that this will apply only to certain government vehicles. It will not apply to private sector. Is that right?"

Mr. Gaines: "That's right, Representative Leckenby, it is just for emergency vehicles at this time."

Representatives Leckenby and Hansen spoke against passage of the bill, and Representatives Dunlap and Charnley spoke in favor of it.

REAPPROPRIATION      APPROPRIATION

General Fund—State and Local Improvements Revolving Account Appropriation—Waste Disposal Facilities: Appropriated pursuant to the provisions of chapter 127, Laws of 1972 ex. sess. (Referendum 26)

		200,000	0

0	0	200,000	12/7/77*

Representatives Shinpoch, Valle and Kilbury spoke in favor of the amendment to the committee amendment.

POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "I think the issue is whether or not there will be a development of hazardous waste on the Hanford Reservation. If we adopt your amendment will we be proceeding toward developing a hazardous waste spot there?"

Mr. Shinpoch: "This amendment says you may purchase the land and run the hydrological and geological tests on it and then if those tests prove that it is adequate or is a proper place for disposal, then you may come back for the money for development."

Mr. Zimmerman: "If we turned it down would we then be perhaps less likely to develop it and more likely to be dependent on the Oregon site which is established and which is serving this state?"

Mr. Shinpoch: "No, if you turn this amendment down, you would be more likely because the amendment that I am striking not only acquires the land, but develops the site without requiring that it go through the procedure of the hydrological and geological. I guess the answer to your second question is that you would be more likely, under this, to continue to use for some time the Oregon site than you would under the other amendment."

The amendment to the committee amendment was adopted.

Mr. Gaines moved adoption of the following amendment by Representatives Gaines, Walk, Grimm, Warnke, Salatino, Lee, North and Hurley (Margaret) to the committee amendment:

General Fund—Outdoor Recreation Account Appropriation: Appropriated pursuant to section 4(1), chapter 129, Laws of 1972 ex. sess. (Referendum 28)	0	125,000
Project Costs Through 6/30/77	Estimated Costs 7/1/79 and Thereafter	Estimated Total Costs
0	0	250,000
		Estimated Completion Date
		7/1/78

The appropriation contained in subsection (15) is for the acquisition of a seven-acre inholding surrounded by the Penrose State Park property and abutting public tidelands. The inholding is currently privately owned, known as Penrose Point, and consists of approximately fifteen hundred feet of low bank saltwater frontage. **\*NEW SECTION.** Section 1. There is hereby created the Temporary Committee on Educational Policies, Structure and Management which shall consist of nine citizen members, appointed by the governor, one member from each political party of the house of representatives, appointed by the speaker of the house, and one member from each political party of the senate, appointed by the president of the senate. The nine citizen members shall be selected so as to assure representation for the geographical regions of the state.

**NEW SECTION.** Sec. 2. The educational complex in Washington consists of several components: Pre-school; the common school system, which includes kindergarten through high school; the various delivery systems of vocational education; the community college system; the state colleges and universities; the independent and/or private institutions; educational instruction within other state institutions; and the supporting

elements of each. Generally these components are organized into these sectors: Preschool-12th grade, vocational, and postsecondary.

While there have been important reports on one or the other of these sectors, or on individual components, there has not been a comprehensive review of their interrelationships for at least three decades.

A review of the educational complex is merited so that the legislative and administrative branches of government and the public may consider these and other questions: Coordination; needs of students and response to those needs; the role and missions of the components; educational diversity and independence; obstacles to orderly student progression; open access; efficiency; duplication; accreditation; graduation and entrance requirements from high school to postsecondary; efficient uses of public dollars; ways to improve the system possibly through managerial reorganization or combining of components; accountability of the various levels; student achievement; and a determination of what constitutes good instruction.

**NEW SECTION. Sec. 3.** The Temporary Committee on Educational Policies, Structure and Management shall undertake a general review of Washington education, its strengths and areas needed for improvement, and make a report on its findings to the governor, the legislature and the citizens of the state.

This review shall include an examination of those questions raised in section 2 of this act and:

- (1) An emphasis on the education of the student;
- (2) An examination of the current general practices in the sectors and their components with particular attention directed to their interrelationships, obstacles to student mobility and progression, and how the system or its components might be improved;
- (3) Examination of the educational goals of the sectors and a determination of their intended or proposed interrelationships and the extent to which they are consistent with each other;
- (4) Determination of the extent of duplication of educational services in both the vocational and academic areas, the extent to which such duplication may be unwarranted, and proposed corrections; and
- (5) Consideration of the nature and extent of any benefits, including those pertaining to student access, progression, and learning, improved information, and cost reduction, as well as any disadvantages, that might accrue from structural reorganization in Washington education.

The committee shall submit its report not later than February 15, 1979, and it shall cease its existence not later than June 30, 1979.

**NEW SECTION. Sec. 4.** The Temporary Committee on Educational Policies, Structure and Management may accept and expend funds in accordance with chapter 43.88 RCW from private sources and grants from public agencies for the purposes of fulfilling its duties: PROVIDED, That the acceptance and expenditure of such funds first must be approved by the governor.

The committee may establish advisory committees and task forces, as it may deem necessary, to assist it in the fulfillment of its duties.

The educational institutions, delivery systems, and support systems of the state shall fully cooperate with the committee in its investigations and deliberations.

The committee may employ such staff or consultants that it may deem necessary to fulfill its duties.

**NEW SECTION. Sec. 5.** There is hereby appropriated the sum of two hundred fifty thousand dollars, or so much of it as may be necessary, from the state general fund, to be used by the committee for the purposes of carrying out the provisions of sections 1 through 4 of this act.

**NEW SECTION. Sec. 6.** If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

## REPORT OF CONFERENCE COMMITTEE

June 8, 1977

Mr. Speaker:

Mr. President:

We, of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 353, revising the provisions of the law of compensating victims of crimes, have had the same under consideration, and we report that we are unable to agree and respectfully request the powers of Free Conference in order to amend the bill.

Signed by Senators Francis, Bottiger; Representatives Smith, Newhouse, Knedlik.

## MOTION

Mr. Smith moved that the report of the Conference Committee be adopted, and that the committee be granted the powers of Free Conference.

## POINT OF PARLIAMENTARY INQUIRY

Mr. Charette: "Mr. Speaker, if the House does not grant the powers of Free Conference, would the Conference Committee then be required to go back and attempt to reach a different result? What would the status of the bill be?"

The Speaker (Mr. O'Brien presiding): "That would probably be the next procedure to take. You could ask the Conference Committee to go back and try to resolve the differences without the powers of Free Conference."

Mr. Charette: "Does that require a motion or merely not giving them the powers of Free Conference?"

The Speaker (Mr. O'Brien presiding): "If the motion to grant the powers of Free Conference is defeated, the Conference Committee would still be in the same position."

Representatives Charette and Leckenby spoke against the motion, and Representatives Smith, Tilly and Knedlik spoke in favor of it.

## POINT OF INQUIRY

Mr. Charette yielded to question by Mrs. Hurley (Margaret).

Mrs. Hurley (Margaret): "Representative Charette, I listened carefully to the speaker who spoke after you did, and heard his response to your complaints. It occurred to me that these same people who want to relax this law have resisted tightening up the incarceration of criminals and felons and making these places secure and now they are using the fact that these places are not secure to justify their change in this bill. Has anybody answered that question? Why should my people in the third district pay through the state in order to get this double-dip? Would you explain that again?"

Mr. Charette: "I did not use the term 'double-dip.' Somebody else talked about that. I believe that this bill is only partially related to incarceration. It really is probably pointed more toward a more reasonable administration of a parole system and a work release program and other such matters. Again, they have added a section which provides funding of the program

by putting a twenty-five dollar fine on each person who is convicted of a felony and taking twenty-five dollars out of each bail forfeiture on a felony charge. I don't think the two are entirely related, but only incidentally."

#### MOTION

Mrs. Hurley (Margaret) moved that further consideration of the Conference Committee report be deferred, and that it be made a special order of business for 2:00 p.m.

Mr. Smith spoke against the motion.

#### ROLL CALL

The Clerk called the roll on the motion to defer consideration of the Conference Committee report on Engrossed Substitute House Bill No. 353 and make it a special order of business at 2:00 p.m., and the motion was lost by the following vote: Yeas, 17; nays, 61; not voting, 20.

Not voting: Representatives Adams, Barr, Chandler, Haley, Hanna, Hansen, Lee, Lysen, Martinis, Nelson G. A., Newhouse, Salatino, Warnke, Wilson.

The Clerk read the following amendment by Representatives Amen and Patterson to the committee amendment:

On page 64, line 22 strike subsection (11) and insert:

"(11) To construct and equip new receiving and delivery facility.

	REAPPROPRIATION		APPROPRIATION
WSU Bldg Acct		5,000	465,000

14,000	0	484,000	9/78*

With the consent of the House, Mr. Amen withdrew the amendment.

Mr. Pardini moved adoption of the following amendment by Representatives Pardini and Bond to the committee amendment:

On page 65 of the amendment, line 27 strike subsection (2) and insert:

"(2) To perform minor capital improvements to correct facility deficiencies and improve utilization.

	REAPPROPRIATION		APPROPRIATION
EWSC Cap Proj Acct		125,000	678,000
Project Costs Through 6/30/77	Estimated Costs 7/1/79 and Thereafter	Estimated Total Costs	Estimated Completion Date
135,000	0	938,000	6/79*

Mr. Pardini spoke in favor of the amendment to the committee amendment, and Mr. Shinpoch spoke against it.

POINT OF INQUIRY

Mr. Shinpoch refused to yield to question by Mr. Bond.

Mr. Bond spoke in favor of the amendment to the committee amendment, and Mr. Shinpoch spoke again in opposition to it.

Mr. Pardini spoke again in favor of the amendment to the committee amendment.

POINT OF ORDER

Mr. Douthwaite: "The speaker is not addressing himself to the amendment before us. He is lambasting the Chairman of the committee for something else which I think is rather tangential and aside from the point."

The Speaker (Mr. O'Brien presiding): "Your point is well taken. Please hold your remarks to the question at hand and avoid personalities, Representative Pardini."

POINT OF PERSONAL PRIVILEGE

Mr. Shinpoch: "I don't think Representative Pardini or anyone else in this House who has been around very long, and even those who haven't been around very long, really think that anyone makes the decisions I propose to you and that I'm willing to stand behind, except me. We have a good professional staff and they act like professionals. We don't hire yes-men. We basically have a staff Representative Bagnariol selected. You have to give Representative Bagnariol credit for selecting an outstanding staff and they do outstanding work. They do some good critical work and I don't even believe Representative Pardini believes that I am overly influenced by him or staff or anyone else. I look at all the data I can find and once I've run all of that up and made a balance sheet in my head, then I propose that we put something in a budget and we propose that to you. That's what happened in this one. We went through these,

Representative McKibbin and Representative Blair and others, time after time after time in long sessions—long tedious sessions. I don't really think Representative Pardini believes that. I think he thinks his argument is so weak he has to get off on to something else, but in any event, I hope that no one in this House really thinks I'm so weak that the staff runs me."

**POINT OF PERSONAL PRIVILEGE**

Mr. Pardini: "First of all, Mr. Speaker, ladies and gentlemen of the House, if I have indicated to you that there is any disrespect for some of the things Representative Shinpoch has done, I would retract that and I would apologize here immediately. If I have indicated to you that this place is being run by the staff, I will apologize part way. I will compliment the staff on it, but let's be realistic and I will, under the point of personal privilege, restate what I said before because it has to be said. We get these items and the burden is on us to change them. This becomes the gospel—Matthew, Mark, Luke and John—and we have to change it."

**SPEAKER'S ADMONITION (MR. O'BRIEN PRESIDING)**

The Speaker (Mr. O'Brien presiding): "You're out of order now, Representative Pardini."

**ROLL CALL**

The Clerk called the roll on adoption of the amendment by Representatives Pardini and Bond to the committee amendment to Engrossed Substitute Senate Bill No. 3110, and the amendment was not adopted by the following vote: Yeas, 37; nays, 51; not voting, 10.

Voting yea: Representatives Barnes, Barr, Berentson, Blair, Boldt, Bond, Chandler, Clayton, Craswell, Deccio, Dunlap, Eng, Flanagan, Fuller, Gilleland, Greengo, Hughes, Hurley M., Leckenby, Lee, May, Moreau, Nelson G. A., Oliver, Pardini, Paris, Patterson, Polk, Sanders, Schmitt, Shinoda, Struthers, Taller, Tilly, Whiteside, Winsley, Zimmerman.

Voting nay: Representatives Bauer, Becker, Bender, Burns, Charette, Charnley, Clemente, Conner, Douthwaite, Ehlers, Embody, Erak, Erickson, Fischer, Fortson, Gaines, Gallagher, Grier, Grimm, Gruger, Hanna, Hansen, Hawkins, Hurley G. S., Keller, Kilbury, King, Knedlik, Knowles, Kreidler, Lux, Martinis, Maxie, McCormick, McKibbin, Nelson D., North, O'Brien, Owen, Pearsall, Pruitt, Sherman, Shinpoch, Smith, Sommers, Thompson, Valle, Vrooman, Walk, Williams, and Mr. Speaker.

Not voting: Representatives Adams, Amen, Fancher, Haley, Heck, Lysen, Newhouse, Salatino, Warnke, Wilson.

Mr. Oliver moved adoption of the following amendment by Representatives Oliver and Flanagan to the committee amendment:

On page 68, line 21 insert the following new subsection:

"(9) To perform minor renovations, additions and remodeling for safety, increased utilization, and preservation of facilities.

	REAPPROPRIATION		APPROPRIATION
WCSC Cap Proj Acct		0	100,000
Project Costs Through 6/30/77	Estimated Costs 7/1/79 and Thereafter	Estimated Total Costs	Estimated Completion Date
0	1,400,000	1,500,000	6/83"

Representatives Oliver and Shinpoch spoke in favor of the amendment, and it was adopted.

Mr. Hansen moved adoption of the following amendment by Representatives Hansen and Flanagan to the committee amendment:

On page 68, after line 21 add a new subsection as follows:

"(10) To renovate and remodel Bouillon Hall for utilization as an instruction and faculty office building. Estimated project completion date 7/77.

	REAPPROPRIATION		APPROPRIATION
St H Ed Constr Acct		115,000	2,000,000
Project Costs Through 6/30/77	Estimated Costs 7/1/79 and Thereafter	Estimated Total Costs	Estimated Costs 7/1/77 through 6/30/79

On page 61, line 25 strike "0" and insert "\$4,235,000"

Mr. Polk spoke in favor of the amendment to the amendment, and Mr. Shinpoch spoke against it.

Mr. Polk spoke again in favor of the amendment.

**SPEAKER'S RULING (MR. O'BRIEN PRESIDING)**

The Speaker (Mr. O'Brien presiding): "Representative Polk, I'm sorry to have to do this to you, but apparently we adopted an amendment yesterday setting forth an amount of \$1,500,000 and so your amendment is faulty and in error the way it is presented at this time. It would appear to me if you want to change the \$1,500,000 to \$4,235,000, you'd have to move to reconsider the action the House adopted yesterday and change those figures."

Mr. Polk: "Could I inquire a little further into this? The amendment was laid on the desk yesterday, and we had many situations that we've addressed in the budget, both the operating and the capital budget, where we have agreed between the two parties that we would not have to go back and change all the numbers down the line to get it in concept, and I thought this is what we were doing in this situation, that you could go back and adjust a number. Once Representative Burns' amendment passed, then anything else that would deal with that, according to what you are telling me, would have to be immediately withdrawn."

The Speaker (Mr. O'Brien presiding): "You're amending the same line and same part of the subsection as the amendment that was adopted by Representative Burns. The Speaker is going to rule this amendment out of order."

Mr. Patterson moved adoption of the following amendment to the committee amendment:  
On page 63, beginning on line 41 strike all the material down to and including "683,000" on line 47 and insert:

"WSU Bldg Acct		683,000	1,983,000
Project Costs Through 6/30/77	Estimated Costs 7/1/79 and Thereafter	Estimated Total Costs	Estimated Costs 7/1/77 Through 6/30/79
1,472,000	5,570,000	11,929,000	4,062,000"

Representatives Patterson, Shinpoch and Blair spoke in favor of the amendment to the amendment, and it was adopted.

Mr. Patterson moved adoption of the following amendment to the committee amendment:  
On page 64, beginning on line 3, strike all the material down to and including "345,000" on line 9 and insert:

"WSU Bldg Acct		345,000	4,324,000
Project Costs Through 6/30/77	Estimated Costs 7/1/79 and Thereafter	Estimated Total Costs	Estimated Costs 7/1/77 Through 6/30/79
1,806,000	2,431,000	9,187,000	4,950,000"

Representatives Patterson and Bond spoke in favor of the amendment to the amendment, and Mr. Shinpoch spoke against it.

**ROLL CALL**

The Clerk called the roll on adoption of the amendment by Representative Patterson to page 64 of the committee amendment, and the amendment was not adopted by the following vote: Yeas, 37; nays, 52; not voting, 9.

The Speaker stated the question before the House to be the committee amendment as amended.

The committee amendment as amended was adopted.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 3110 as amended by the House was placed on final passage.

#### POINT OF INQUIRY

Mr. Williams yielded to question by Mr. Charette.

Mr. Charette: "Representative Williams, I'd like to ask you a question concerning the amendments you had sponsored and that were accepted by the Appropriations Committee on page 58, line 48. The question is: The language of that proviso seems clear enough with respect to land purchases as far as the University of Washington is concerned, but it is not clear to me what you mean with respect to leases. What is the intent of this language considering the phrase 'a net addition to a group property holder' and the lease concept?"

Mr. Williams: "Representative Charette, the purpose of that language is simply to prevent the University from leasing property which under the other part of the language in that paragraph the University would be prohibited from purchasing outright. It is not the intention to affect lease or rental arrangements where the University is renting space in an office building or the space which it does not intend to buy or for which it has no permanent use."

#### MOTION

On motion of Mr. King, Engrossed Substitute Senate Bill No. 3110 was ordered transmitted immediately to the Senate.

#### EXPLANATION OF VOTE

In protest against the way the amendment to Engrossed Substitute Senate Bill No. 3110 was developed and passed, I voted "no" on final passage. The measure was available for scrutiny for only one day. It had amendments added in Appropriations Committee that upset long-standing systems of priorities. For example, the IAC priorities and the State Board of Community College's priorities were set aside, and Senate and House "pork-barrelling" took over. Many legislators went after their own special project, some winning, others losing, and the result was a budget not based on the best cool judgment possible.

I would favor delaying action on the capital budget until next year.

HAL ZIMMERMAN, 17th District.

#### MOTION

Mr. Knowles moved that the House adopt the report of the Free Conference Committee.

Representatives Knowles and Tilly spoke in favor of the motion.

#### POINT OF INQUIRY

Mr. Knowles yielded to question by Mr. Greengo.

Mr. Greengo: "Representative Knowles, a number of people have asked this question, and I have never heard a clear answer. Why are some of the judges taking office November 1st and others on January 1st? Why the two months?"

Mr. Knowles: "I haven't appeared on a great many conference committees, but I certainly found out that conferees don't always get their own way. You will recall the bill as it passed through the House called for July 1st implementation. It was my position from the start and one that I would have liked to have held to, but you must adhere to the wishes of the majority of the conference committee."

Mr. Greengo: "I don't feel that's the kind of an answer I was looking for. I knew this was a compromise, but why were the conditions asked for?"

Mr. Knowles: "I don't think a great many arguments were presented, but I think if you'll examine the list of Senate conferees, those are the people you might direct your question to."

The motion was carried.

MESSAGE FROM THE SENATE

June 8, 1977

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE SENATE BILL NO. 2268, and has granted said committee the powers of Free Conference.

Sidney R. Snyder, Secretary.

REPORT OF FREE CONFERENCE COMMITTEE

June 3, 1977

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 2268, permitting OPP&FM to establish per diem rates, have had the same under consideration, and we recommend that the bill be amended as follows:

That the House amendments be adopted with the following amendments:

On page 3, line 7 of the House amendment, after "of" strike "either" and insert "consultation with and"

On page 3, line 11 of the House amendment, after "or" insert "consultation with and"

Signed by Senators Rasmussen, Newschwander, Bausch; Representatives Ehlers, Keller, Zimmerman.

MOTION

On motion of Mr. Ehlers, the report of the Free Conference Committee was adopted.

FINAL PASSAGE OF SENATE BILL  
AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker (Mr. O'Brien presiding) stated the question before the House to be final passage of Engrossed Substitute Senate Bill No. 2268 as amended by the Free Conference Committee.

Mr. Ehlers spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Pruitt.

Mr. Pruitt: "Does this mean that after these are set by OPP&FM that this is not brought back to the House for a vote, that this is established by them without a vote?"

Mr. Ehlers: "That is correct. The level does not take a separate action. It must, however, have a vote of the Legislative Budget Committee or the standing committees of Appropriations or Ways and Means of the House and Senate. This is not new ground, Representative Pruitt, we do the same thing in the area of unanticipated receipts. We do it in the area of transfer of major amounts of money within a budget, such as DSHS. This is not new—is not setting a precedent."

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Doesn't this indicate that we would have to vote as a Legislature when we are in session to approve after consultation with OPP&FM? We would, in a sense, be approving what they set?"

Mr. Ehlers: "We would have to vote in the Appropriations Committee in the House. It would not be submitted to the entire Legislature."

Mr. Zimmerman: "It doesn't say when we are not in session."

Mr. Ehlers: "When we are in session it will be the standing committees of Ways and Means in the Senate and Appropriations in the House. When we are not in session more than three days or during the interim, the LBC will make that decision."

Mr. Zimmerman: "In the adoption of this, really we will be increasing rather sizeably, funds that would have to be spent for per diem. Is that correct?"

Mr. Ehlers: "Not necessarily. What OPP&FM would do is set the rate. My understanding is that they were going to, in any case, recommend the fourteen cent level. They were going to tie this to the Internal Revenue Service which is currently fifteen cents, but they were not going to go up to that level. They were going to set a level of fourteen cents, but that's what they authorized up to. If they run short of funds, as they do now, they can spend thirteen cents, or twelve, or ten or nine, or whatever they want. This is a match they are proposing, not authorizing all agencies spend that kind of money."

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2268 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 78; nays, 10; not voting, 10.

Voting yea: Representatives Amen, Barnes, Bauer, Becker, Bender, Berentson, Blair, Boldt, Burns, Chandler, Charette, Charnley, Clayton, Clemente, Conner, Craswell, Deccio, Douthwaite, Dunlap, Ehlers, Enbody, Erak, Erickson, Fischer, Fortson, Gaines, Gallagher, Greengo, Grier, Grimm, Gruger, Hanna, Hansen, Heck, Hurley G. S., Hurley M., Keller, Kilbury, King, Knedlik, Knowles, Kreidler, Leckenby, Lux, Lysen, Martinis, Maxie, May, McCormick, McKibbin, Moreau, Nelson G. A., North, O'Brien, Oliver, Owen, Patterson, Pearsall, Polk, Salatino, Sanders, Sherman, Shinoda, Shipoch, Smith, Sommers, Struthers, Taller, Thompson, Tilly, Vrooman, Walk, Warnke, Whiteside, Williams, Wilson, Zimmerman, and Mr. Speaker.

Voting nay: Representatives Barr, Eng, Fancher, Flanagan, Gilleland, Hawkins, Nelson D., Newhouse, Paris, Pruitt.

Not voting: Representatives Adams, Bond, Fuller, Haley, Hughes, Lee, Pardini, Schmitt, Valle, Winsley.

Engrossed Substitute Senate Bill No. 2268 as amended by the Free Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

On motion of Mr. Ehlers, Substitute House Bill No. 564 was substituted for House Bill No. 564, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 564 was read the second time.

On motion of Mr. King, the rules were suspended, the second reading considered the third, and Substitute House Bill No. 564 was placed on final passage.

Representatives Ehlers, Taller and Conner spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Because of the considerable amount of controversy and publicity with regard to this bill, is it subsection (13) of section 15 that was primarily what the Governor wanted in this measure? That's the section that states that the Governor can submit to the committee a list and therefore tell what she wants to do in terms of reorganization. Would this not open up her whole subject of reorganization?"

Mr. Ehlers: "I'm not sure I understand your question."

Mr. Zimmerman: "Is that the section the Governor is most interested in getting? Obviously, there was something she wanted in the bill."

Mr. Ehlers: "There were several new sections added. I think that's one of her interests. I think along with the fact we agreed to include in this bill a separate section for each board, commission or agency to be terminated."

Mr. Zimmerman: "Subsection (13) does open up a broad door of reorganization, does it not?"

Mr. Ehlers: "I would think generally it would, however, all it is, is a list for the select committee to look at. They don't have to accept it, any or all of it, if they don't want to."

## POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Patterson.

Mr. Patterson: "I am in total support of the concept of this legislation. I do have one concern, and that is with section 9. The main thrust of sunset legislation is to reduce state government. I think you have to look in the area of reduction of personnel. Does this section mean that even though you eliminate an agency, you would be required to transfer the personnel under the classified system of civil service, to another agency of state government, thereby really not reducing, as we would hope, the financial concerns that you have originally in this legislation? I'm wondering, if you have ten years of service, do you have the right to then transfer and bump other people in the system? Do you create new positions to accommodate them?"

Mr. Ehlers: "To answer the first part of your question, yes, they would have the opportunity to transfer. They would be transferred and there would be some attrition. That was part of the shift of employees that would be handled by natural attrition within the agencies being abolished, as well as the agencies which they were to be transferred to. I think you have to recognize, Representative Patterson, that the concept—and the Governor, incidentally did express a concern about the same section, however she was satisfied with our explanation to that—yes, one of the concerns of sunset is saving money. That's the major concern we've discussed, but in essence, if employees of an agency, board or commission have a vested interest in the continuation of that agency, we will never see the abolishment, in my view, of any major board, commission or agency. It would be very difficult to see that. If the employees of that agency, board or commission see that their job is not in jeopardy, they will not be in a dissent posture in order to protect that agency. There would be cost savings because of the fact that the attrition of the employees will save money, and secondly, equipment, paper work, all the paraphernalia that goes with continuation of an agency will be gone."

Mr. Patterson: "In other words, we really couldn't terminate the services of a state employee under the civil service system?"

Mr. Ehlers: "That's true."

Mr. Patterson: "Could the Personnel Board change that under the provisions of this section? Could they change that as a basic policy of the civil service act?"

Mr. Ehlers: "I don't believe the board could. I think it would take legislation, but I'm not sure on that."

Mr. Leckenby spoke against passage of the bill, but stated that he would vote for it.

**NEW SECTION.** Sec. 10. (1) The following records shall be confidential and shall be released only pursuant to this chapter:

(a) The official juvenile court file: PROVIDED, That the official juvenile court file shall be open to public inspection in cases involving the commission of a juvenile offense;

(b) The social file;

(c) The records of public agencies, private agencies, or persons with respect to children committed to their custody; and

(d) All records pertaining to and in any way identifying juveniles subject to dependency or juvenile offender proceedings, such records having been produced or retained by any juvenile justice or care agency which shall include the following: Police, diversion units, court, prosecuting attorney, defense attorney, detention center, or the department of social and health services and its contracting agencies.

(2) The official juvenile court file for a proceeding shall include the petition or information, motions, memorandums, briefs, findings of the court, court orders, and other reports and papers filed in juvenile court.

(3) The social file is the records and reports of the probation counselor and shall be filed separate from the official juvenile court file.

(4) Each petition or information filed with the court shall include only one child and each petition or information shall be filed under a separate docket number.

**NEW SECTION.** Sec. 11. (1) Where a specific provision of this chapter controls the use of information, then that specific provision governs, and in all other cases release and use of information will be governed by the provisions set forth in this section and section 12 of this 1977 amendatory act.

(2) It shall be the duty of any juvenile justice or care agency providing information to insure the accuracy of that information. To this end:

(a) An agency shall never knowingly record or provide inaccurate information;

(b) An agency shall take steps to insure the security of its records and to prevent tampering therewith; and

(c) An agency shall not supply any record which is not complete, i.e., does not contain information as to all action taken to date with respect to any incident, even if that action has been taken by another agency.

(3) Records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by such other participant or when such other participant is assigned the responsibility of supervising the juvenile. This section shall permit, in accordance with the laws on discovery of evidence applicable in adult criminal cases, counsel for the prosecution and defense and an accused juvenile full access to the records of other juveniles alleged to have committed offenses connected with the offense with which the accused juvenile is charged, and any juvenile witnesses involved in the case. The juvenile court and prosecutor may set up and maintain a central record keeping system which may receive information on all alleged juvenile offenders whether or not their cases are currently pending before the court, except as limited by subsection (2) of this section. The central record keeping system may be computerized and shall have adequate safeguards to protect against improper disclosure of information.

(4) Upon request of a juvenile or such juvenile's parents or attorney, information concerning such juvenile shall be released to the juvenile, or to such juvenile's parents or attorney, for purposes of checking its accuracy.

(5) Information which could not reasonably be expected to identify the youth or the youth's family may be released to the public.

(6) Upon request of the victim of the crime or the victim's immediate family, the identity of an alleged or proven juvenile offender and his or her parent, guardian, or custodian and the circumstances of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(7) Information which is necessary to the preparation of an accused juvenile's defense or to protect a juvenile's interests in a dependency proceeding shall be released to such juvenile or to such juvenile's parents or attorney.

(8) Information which has not been destroyed pursuant to section 12 of this 1977 amendatory act shall be released to participants in the adult criminal justice and corrections system including prosecutors, defendants, defense counsel, and probation or parole officers, concerning the juvenile record of an adult criminal defendant or witness in an adult criminal proceeding after a charge has actually been filed in court.

(9) Nothing in this chapter shall be construed as preventing a crime victim or a member of the victim's family from divulging the identity of the juvenile offender or the juvenile's family where necessary in a civil proceeding.

**NEW SECTION.** Sec. 12. (1) Any person who believes that he or she may be the subject of any juvenile justice or care record keeping shall have the right, in person or through a parent or attorney, to inquire as to whether a record exists and to be shown such record if it exists. If that record is properly in the possession of the agency maintaining it, the subject shall have the right to challenge the information therein and to have it corrected if it is in error. If that record is not properly in the possession of the agency maintaining it, the subject shall have the right to have it destroyed. Any agency maintaining such records shall promulgate administrative procedures to facilitate such inquiries, and the subject of any record shall have the right to enforce the provisions of this section by equitable or legal proceedings in the superior court.

(2) On motion on the part of a person who has been the subject of an information alleging a juvenile offense or the subject of a dependency petition, or on the court's own motion, the court shall vacate its order and findings, if any, and order the sealing of the legal and social files and records of the court and of any other agency in the case if it finds that:

(a) Two years have elapsed since the final discharge of the person from legal custody or since the entry of any other court order not involving custody; and

(b) The person has not entered into a diversion agreement nor has been found to have committed a crime prior to the filing of the motion, and no proceeding is pending seeking such conviction or adjudication. The motion and the order may include the files and records specified in subsections (3) and (4) of this section.

(3) Reasonable notice of the motion shall be given to:

(a) The prosecutor;

(b) Defense counsel of record;

(c) The department of social and health services, if custody of the child has ever been transferred to the department; and

(d) The law enforcement officers, department, and central depository having custody of the files and records if the files and records specified in section 11 of this 1977 amendatory act are included in the motion.

(4) Upon the entry of the order, the proceedings in the case shall be treated as if they never occurred, and the court and law enforcement officers and departments shall reply and the subject person may reply to any inquiry that juvenile records are confidential.

Inspection of the files and records included in the order may thereafter be permitted by the court only upon motion of the person who is the subject of such records or the prosecuting attorney, and only by those persons named in such motion. However, the court in its discretion may by special order in an individual case permit inspection by or release of information in the records to any clinic, hospital, or agency which has the subject person under care or treatment, or individuals or agencies engaged in research.

(5) Any adjudication of the commission of a crime subsequent to sealing shall have the effect of nullifying the sealing order.

(6) A person who has been the subject of an information alleging a juvenile offense and has met the conditions stipulated in subsection (2)(b) of this section may, five years after reaching the age of majority, file a motion requesting the destruction of all records pertaining to his or her case. If the court grants the motion, copies of the order shall be sent to all offices or agencies that are repositories of such records and all such offices and agencies shall comply with the order.

(7) A person who has been the subject of an information alleging a juvenile offense shall be notified of his or her rights under this section at the time of his or her final discharge.

**NEW SECTION.** Sec. 13. Nothing in this chapter shall be construed to prevent the expungement of any juvenile record ordered expunged by a court to preserve the due process rights of its subject.

**NEW SECTION.** Sec. 14. Notwithstanding any other provision of this chapter, whenever a child is arrested for a violation of any law, including municipal ordinances, regulating the operation of vehicles on the public highways, a copy of the traffic citation and a record of the action taken by the juvenile court shall be forwarded by the court to the director of licenses in the same manner as provided in RCW 46.20.280.

**NEW SECTION.** Sec. 15. Sections 1, 2, 3, 5, 6, 7, and 9 through 14 of this 1977 amendatory act shall be added to chapter 13.04 RCW.

#### PART B

**NEW SECTION.** Sec. 16. This chapter shall be known as the 'Runaway Youth Act'.

**NEW SECTION.** Sec. 17. A law enforcement officer may take a juvenile into limited custody subject to the limitations of this chapter if (1) a law enforcement agency has been contacted by the parent, guardian, or custodian of the child that their child is absent from home without their consent, or (2) if the officer reasonably believes that a juvenile is in circumstances which constitute a substantial and immediate danger to the juvenile's physical safety. In no event shall limited custody extend more than twelve hours from the time of the juvenile's initial contact with the law enforcement officer.

**NEW SECTION.** Sec. 18. (1) An officer taking a juvenile into limited custody shall inform the juvenile of the reason for such custody and shall, if the juvenile consents, transport the juvenile to his or her home or to a relative or other responsible person, or arrange for such transportation.

(2) The officer so releasing a juvenile from limited custody shall inform the parent, custodian, relative, or other responsible person of the reason for taking the juvenile into limited custody and shall, if he or she believes further services may be needed, inform the juvenile and the person to whom the juvenile is released of the nature and location of appropriate services and shall offer to assist in establishing contact between the family and the service agency.

(3) Where a parent or custodian cannot be reached and release is made to a relative or other responsible person, the officer shall notify the parent or custodian as soon as practicable of the fact and circumstances of the limited custody, the release of the juvenile, and any information given respecting further services.

(4) Where a juvenile is released from limited custody to a person other than a parent or custodian, such person shall reasonably establish that he or she is willing and able to be responsible for the safety of the juvenile.

(5) If the law enforcement officer is unable by all reasonable efforts to contact a parent, custodian, relative, or other responsible person; or if the person contacted lives at an unreasonable distance; or if the juvenile refuses to be taken to his or her home or other appropriate residence; or if the officer is otherwise unable despite all reasonable efforts to make arrangements for the safe release of the juvenile taken into limited custody, the law enforcement officer shall take the juvenile to a designated temporary nonsecure residential facility licensed by the department of social and health services and established pursuant to chapter 74.13 RCW.

**NEW SECTION.** Sec. 19. A law enforcement officer acting reasonably and in good faith pursuant to this chapter in releasing a juvenile to a person other than a parent or custodian of such juvenile shall be immune from civil or criminal liability for such action.

**NEW SECTION.** Sec. 20. Sections 16 through 19 of this 1977 amendatory act shall constitute a new chapter in Title 13 RCW.

Sec. 21. Section 3, chapter 30, Laws of 1965 as last amended by section 3, chapter 71, Laws of 1975-'76 2nd ex. sess. and RCW 74.13.020 are each amended to read as follows:

As used in Title 74 RCW, child welfare services shall be defined as public social services including adoption services which strengthen, supplement, or substitute for, parental care and supervision for the purpose of:

(1) Preventing or remedying, or assisting in the solution of problems which may result in the neglect, abuse, exploitation, or delinquency of children;

(2) Protecting and caring for homeless, dependent, ~~((incorrigible as defined in RCW 13.04.010(7)))~~ or neglected children;

(3) Assisting children who are in conflict with their parents, and assisting parents who are in conflict with their children with services designed to resolve such conflicts;

(4) Protecting and promoting the welfare of children, including the strengthening of their own homes where possible, or, where needed;

~~((4))~~ (5) Providing adequate care of children away from their homes in foster family homes or day care or other child care agencies or facilities.

As used in this chapter, child means a person less than eighteen years of age.

Sec. 22. Section 17, chapter 172, Laws of 1967 as last amended by section 4, chapter 71, Laws of 1975-'76 2nd ex. sess. and RCW 74.13.031 are each amended to read as follows:

The department shall have the duty to provide child welfare services as defined in RCW 74.13.020, and shall:

(1) Develop, administer, and supervise a plan that establishes, extends aid to, and strengthens services for the protection and care of homeless, dependent children, ~~((incorrigible children as defined by RCW 13.04.010(7);))~~ neglected children, or ~~((children in danger of becoming delinquent))~~ juvenile offenders.

(2) Investigate complaints of neglect, abuse, or abandonment of children by parents, guardians, custodians, or persons serving in loco parentis, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, guardians, custodians or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. If the investigation reveals that a crime may have been committed, notify the appropriate law enforcement agency.

(3) Offer, on a voluntary basis, crisis intervention to families who are in conflict.

Crisis intervention services (a) shall consist of an interview or series of interviews with the child or his or her family, as needed, conducted within a brief period of time by qualified professional persons, and designed to alleviate personal or family situations which present a serious and imminent threat to the health or stability of the child or the family; and (b) may include, but are not limited to, the provision of or referral

to services for suicide prevention, psychiatric or other medical care, or psychological, welfare, legal, educational, or other social services, as appropriate to the needs of the child and the family.

Nothing in this section shall prohibit an officer of the child welfare services from referring any child who, as a result of a mental or emotional disorder, or intoxication by alcohol or other drugs, is suicidal, seriously assaultive or seriously destructive towards others, or otherwise similarly evidences an immediate need for emergency medical evaluation and possible care, to a community mental health center pursuant to RCW 72.23.070.

(4) Have authority to accept for temporary residential care in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW a child who has been taken into limited custody pursuant to section 17 of this 1977 amendatory act: PROVIDED, That a juvenile shall in no event remain in temporary residential care for a period longer than seventy-two hours from the time of the juvenile's initial contact with the law enforcement officer except as otherwise provided in this section. Upon accepting the child, the staff of the facility shall notify the child's parents or custodian of his or her whereabouts, physical and emotional condition, and the circumstances surrounding his or her placement and shall undertake to make arrangements for the child's return home.

In every case crisis intervention services shall be provided as needed and the staff of the temporary facility shall seek to effect the child's return home or alternative living arrangement agreeable to the child and the parent or custodian as soon as practicable.

(a) If, after his or her admission to a temporary residential facility, a child who is absent from home without permission and his or her parent or custodian agrees to the child's return home, the staff of the facility shall arrange transportation for the juvenile, as soon as practicable, to the county of residence of the parent or custodian, at the latter's expense to the extent of his or her ability to pay.

(b) If the child refuses to return home and if no other living arrangements agreeable to the child and the parent or custodian can be made, the staff of the facility shall arrange transportation for the child to a temporary nonsecure residential facility in the county of residence of the parent or custodian, at the expense of the latter to the extent of his or her ability to pay. If there is no such facility in the county of that residence, the nearest such facility to that residence shall be used.

(c) If a child's legal residence is outside the state of Washington and such child refuses to return home, the provisions of RCW 13.24.010 shall apply.

(d) If the parent or custodian refuses to permit the child to return home, and no other living arrangement agreeable to the child and the parent or custodian can be made, staff of the child welfare services section shall notify the juvenile court to appoint legal counsel for the child and shall file a dependency petition in the juvenile court in the jurisdiction of the residence of the parent or custodian.

(e) If a child and his or her parent or guardian agree to an arrangement for alternative residential placement, such placement may continue as long as there is agreement. During any alternative residential placement, there shall be provided to the child and to his or her family such services as may be appropriate to the particular case, to the end that the child may be reunited with the family as soon as practicable.

(f) If such child and his or her parent or custodian cannot agree to an arrangement for alternative residential placement in the first instance, or cannot agree to the continuation of such placement, the child or his or her parent or custodian may file with the juvenile court a petition to approve alternative residential placement pursuant to section 24 of this 1977 amendatory act. The child shall remain in the placement where he or she is located at the time a petition to approve alternative residential placement is filed until a placement decision is made pursuant to section 26 of this 1977 amendatory act.

(g) In no event shall alternative residential placement for a child in conflict with his or her family be arranged in a secure detention facility or in a secure institution except as provided in this subsection and section 42 of this 1977 amendatory act. A child in conflict with his or her parents may be detained in a secure detention facility operated by a county for a maximum of seventy-two hours if:

(i) The staff of the child welfare services section find that the child taken into limited custody has previously been placed in alternative residential care and has run away from such placement and that it is likely that the child will run away from another and different residential placement; or

(ii) The child refuses to return home and refuses to be placed in alternative residential care.

During such detention, efforts shall be continued to the end that the child may be returned home or other living arrangements agreeable to the child and his or her parent, guardian, or custodian are made. If an agreement concerning living arrangements for the child cannot be reached a petition shall be filed within forty-eight hours after initial detention of the child, pursuant to subsection (4)(f) of this section. The hearing on the petition shall be held within seventy-two hours, excluding Sundays and holidays, of the initial detention of the child. If the hearing on the petition is not held within these time limits the child shall be released from detention.

(5) Cooperate with other public and voluntary agencies and organizations in the development and coordination of programs and activities in behalf of children including but not limited to contracting with private and public entities to provide basic education and vocational training and crisis intervention services.

((4)) (6) Have authority to accept custody of children from parents, guardians, and/or juvenile courts, to provide child welfare services including placement for adoption, and to provide for the physical care of such children and to make payment of maintenance costs if needed. ((A child in need of detention; whether alleged to be dependent or delinquent; shall, prior to findings and disposition by the court pursuant to RCW 13.04.095 as now or hereafter amended, be the responsibility of and provided for by the juvenile court.))

((5)) (7) Have authority to purchase care for children and shall follow in general the policy of using properly approved private agency services for the actual care and supervision of such children insofar as they are available, paying for care of such children as are accepted by the department as eligible for support at reasonable rates established by the department.

((6)) (8) Establish a child welfare and day care advisory committee who shall act as an advisory committee to the state advisory committee and to the secretary in the development of policy on all matters pertaining to child welfare, day care, licensing of child care agencies, and services related thereto.

(9) Notwithstanding any other provision of sections 16 through 19, 21, and 22 of this 1977 amendatory act, all services to be provided by the department of social and health services under subsections (3) and (4) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Title II of the federal juvenile justice and delinquency prevention act of 1974 (P.L. No. 93-415; 42 U.S.C. 5634 et seq.).

**NEW SECTION.** Sec. 23. This chapter shall be known as the 'Juvenile Court Procedure for Families In Conflict'.

**NEW SECTION.** Sec. 24. A child or a child's parent or custodian may file with the juvenile court a petition to approve alternative residential placement as provided in RCW 74.13.031(4)(f) as now or hereafter amended. The filing of a petition to approve such placement is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent or custodian, and confers upon the court a special jurisdiction to approve or disapprove alternative residential placement or its continuation.

**NEW SECTION.** Sec. 25. The juvenile court shall promptly appoint legal counsel for the child whether or not the child is the moving party, schedule a hearing date, and notify the child and his or her parent or custodian of the hearing date, the legal consequences of an approval or disapproval of alternative residential placement, the right of both parties to present evidence at the hearing, and the right of the parent or custodian to be represented by legal counsel at the hearing.

**NEW SECTION.** Sec. 26. The hearing shall be upon the question of the child's placement. Prior to approving an alternative residential placement, the court shall find by a preponderance of the evidence that the reasons for request of alternative residential placement are not capricious and that there is a conflict between the parent and the child that cannot be remedied by counseling, crisis intervention, or continued placement in the parental home.

After making such a finding the court may approve the placement in which the child resides or wishes to reside or the court may place the child in such nonsecure licensed care as is deemed appropriate taking into account the interests of the parents and the best interests of the child.

**NEW SECTION.** Sec. 27. Upon approving an alternative residential placement pursuant to this section, the court shall schedule the matter on the calendar for review within six months, advise the parties of the date thereof, appoint legal counsel to represent the child at the review hearing, and notify the parties of their rights to present evidence at the review hearing and of the right of the parent or custodian to be represented by legal counsel. At each review hearing, the juvenile court: (1) Shall approve or disapprove the continuation of the alternative residential placement according to the same standards and limitations as governed the initial approval; (2) shall determine that such interim services as may be appropriate have been offered the child and his or her family, pursuant to RCW 74.13.031 as now or hereafter amended; and (3) shall again set the matter on the calendar for further review in six months, notifying the parties as before.

**NEW SECTION.** Sec. 28. Sections 23 through 27 of this 1977 amendatory act shall constitute a new chapter in Title 13 RCW.

### PART C

**NEW SECTION.** Sec. 29. This chapter shall be known as the 'Juvenile Court Act in Cases Relating to Dependency of a Child and the Termination of a Parent and Child Relationship'.

**NEW SECTION.** Sec. 30. The legislature declares that the family unit is a fundamental resource of American life which should be nurtured. Toward the continuance of this principle, the legislature declares that the family unit should remain intact in the absence of compelling evidence to the contrary.

**NEW SECTION.** Sec. 31. For purposes of this chapter:

- (1) 'Child' and 'juvenile' shall mean any individual under the age of eighteen years;
- (2) 'Dependent child' shall mean any child:
  - (a) Who has been abandoned; that is, left by his or her parents, guardian, or other custodian without parental care and support; or
  - (b) Who is abused or neglected as defined in chapter 26.44 RCW; or
  - (c) Who has no parent, guardian, or custodian; or
  - (d) Any child:
    - (i) Who is in conflict with his or her parent, guardian, or custodian;
    - (ii) Who refuses to remain in any nonsecure residential placement ordered by a court pursuant to section 26 of this 1977 amendatory act;
    - (iii) Whose conduct evidences a substantial likelihood of degenerating into serious delinquent behavior if not corrected; and
    - (iv) Who is in need of custodial treatment in a diagnostic and treatment facility.

Sec. 32. Section 5, chapter 160, Laws of 1913 and RCW 13.04.060 are each amended to read as follows:

Any person may file with the clerk of the superior court a petition showing that there is within the county, or residing within the county, a dependent ((or delinquent)) child and praying that the superior court deal with such child as provided in this chapter: PROVIDED, That in counties having paid probation

officers, such officers shall, as far as possible, first determine if such petition is reasonably justifiable. Such petition shall be verified and shall contain a statement of facts constituting such dependency ((or delinquency)), as defined in ((RCW 13.04.010)) this chapter, and the names and residence, if known to the petitioner, of the parents, guardian, or custodian of such dependent ((or delinquent)) child. There shall be no fee for filing such petitions.

**NEW SECTION.** Sec. 33. The juvenile court may enter an order directing a law enforcement officer, probation counselor, or child protective services official to take a child into custody if a petition is filed with the juvenile court alleging that the child is dependent and the court finds reasonable grounds to believe the child is dependent and that the child's health, safety, and welfare will be seriously endangered if not taken into custody.

**NEW SECTION.** Sec. 34. (1) A child taken into custody pursuant to section 33 or 51 of this 1977 amendatory act shall be immediately placed in shelter care. 'Shelter care' means temporary physical care in a foster family home or receiving home licensed pursuant to RCW 74.15.030. In no case shall a child who is taken into custody pursuant to section 33 or 51 of this 1977 amendatory act be detained in a secure detention facility. No child may be held longer than seventy-two hours, excluding Sundays and holidays, after such child is taken into custody unless a court order has been entered for continued shelter care. The child and his or her parent, guardian, or custodian shall be informed that they have a right to a preliminary shelter care hearing. The court shall hold a preliminary shelter care hearing if one is requested.

(2) The juvenile court counselor assigned to the matter shall advise the parents, guardian, or legal custodian of the time and place of any shelter care hearing, request that they be present, and inform them of their basic rights as provided in section 37 of this 1977 amendatory act.

(3) At the commencement of the shelter care hearing the court shall advise the parties of their basic rights as provided in section 37 of this 1977 amendatory act and shall appoint counsel pursuant to section 37 of this 1977 amendatory act if counsel has not been retained by the parent or guardian or if the parent or guardian is indigent, unless the court finds that the right to counsel has been expressly and voluntarily waived.

(4) The court shall take testimony concerning the circumstances for taking the child into custody and the need for shelter care. The court shall give the child and the child's parent or guardian and the parent's or guardian's counsel an opportunity to introduce evidence, to be heard in their own behalf, and to examine witnesses.

(5) In class A and AA counties the department of social and health services (and in all other counties the juvenile court probation counselor) shall submit a recommendation to the court as to the further need for shelter care.

(6) The court shall release a child alleged to be dependent to the care, custody, and control of the child's parent, guardian, or custodian or other suitable person able and willing to provide supervision and care for such child unless the court finds there is reasonable cause to believe that:

(a) The child has no parent, guardian, custodian, or other suitable person to provide supervision and care for such child; or

(b) The release of such child would present a serious threat of substantial harm to such child.

If continued shelter care is ordered, the court shall set forth its reasons for continued shelter care.

(7) An order releasing the child on any conditions specified in this section may at any time be amended, with notice and hearing thereon, so as to return the child to shelter care for failure of the parties to conform to the conditions originally imposed.

(8) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. No child shall be detained for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

Sec. 35. Section 6, chapter 160, Laws of 1913 and RCW 13.04.070 are each amended to read as follows:

(1) Upon the filing of ((an information, or)) the petition, the clerk of the court shall issue a summons ((requiring the person having custody or control of the child, or with whom the child may be, to appear with the child at a place and time stated in the summons, which time shall not be less than twenty-four hours after service. The parents of the child, if living, and their residence is known, or its legal guardian, if there be one or if there is neither parent nor guardian, or if his or her residence is not known, then some relative, if there be one, and his residence is known, shall be notified of the proceedings; and in any case the judge shall appoint some suitable person or association to act in behalf of the child)), one directed to the child, if the child is twelve or more years of age, and another to the parents, guardian, or custodian, and such other persons as appear to the court to be proper or necessary parties to the proceedings, requiring them to appear personally before the court at the time fixed to hear the petition. Where the custodian is summoned, the parent or guardian or both shall also be served with a summons.

(2) A copy of the petition shall be attached to each summons.

(3) The summons shall advise the parties of the right to counsel.

(4) The judge may endorse upon the summons an order directing any parent, guardian, or custodian having the custody or control of the child to bring the child to the hearing.

(5) If it appears from affidavit or sworn statement presented to the judge that there is probable cause for the issuance of a warrant of arrest or that the child needs to be taken into custody pursuant to section 33 of this 1977 amendatory act, the judge may endorse upon the summons an order that an officer serving the summons shall at once take the child into custody and take him to the place of shelter designated by the court.

(6) If a party to be served with a summons can be found within the state, the summons shall be served upon the party personally at least five court days before the fact-finding hearing, or such time as set by the court. If the party is within the state and cannot be personally served, but the party's address is known or can with reasonable diligence be ascertained, the summons may be served upon the party by mailing a copy thereof by certified mail at least ten court days before the hearing, or such time as set by the court. If a party other than the child is without the state but can be found or the address is known, or can with reasonable diligence be ascertained, service of the summons may be made either by delivering a copy thereof to the party personally or by mailing a copy thereof to the party by certified mail at least ten court days before the fact-finding hearing, or such time as set by the court.

(7) Service of summons may be made under the direction of the court by any person twenty-one years of age or older who is not a party to the proceedings or by any law enforcement officer, probation counselor, or department of social and health services social worker.

(8) If the person summoned as herein provided, shall fail without reasonable cause to appear and abide the order of the court, ((or bring the child,)) he ((shall)) may be proceeded against as for contempt of court. ((In case the summons cannot be served or the parties served fail to obey [the] same, and in any case when it shall be made to appear to the court that said summons will be ineffectual, a warrant may issue on the order of the court, either against the parent or guardian or the person having custody of the child, or with whom the child may be, or against the child itself. On return of the summons or other process, or as soon thereafter as may be, the court shall proceed to hear and dispose of the case in a summary manner. Pending the final disposition of the case, the child may be retained in the possession of the person having charge of same, or may be kept in some suitable place provided by the city or county authorities, or by any association having for one of its objects the care of delinquent and dependent children.))

Sec. 36. Section 7, chapter 160, Laws of 1913 as amended by section 4, chapter 302, Laws of 1961 and RCW 13.04.080 are each amended to read as follows:

Such notice shall be directed to the parent, parents, or other person claiming the right to the custody of the child, if their names are known, or if unknown, the phrase 'To whom it may concern' shall be used and apply to, and be binding upon, any such persons whose names are unknown. The name of the court, the name of the child (or children if of one family), the date of the filing of the petition and the date of hearing and the object of the proceeding in general terms, shall be set forth and the whole shall be subscribed by the clerk. **NEW SECTION.** Sec. 38. The court, at any stage of a proceeding under this chapter, may appoint a guardian ad litem for a child who is a party to the proceedings. A party to the proceeding or the party's employee or representative shall not be so appointed. Such guardian ad litem shall receive all notice contemplated for a parent in all proceedings under this chapter.

Sec. 39. Section 5, chapter 302, Laws of 1961 and RCW 13.04.091 are each amended to read as follows:

The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefore, and after it has announced its findings of fact shall hold a hearing to consider disposition of the case immediately following the fact-finding hearing or at a continued hearing within fourteen days. No social file or social study shall be considered by the court in connection with the fact-finding hearing or prior to factual determination. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by mail of the time and place of any continued hearing.

All hearings may be conducted at any time or place within the limits of the county, and such cases shall not be heard in conjunction with other business of any other division of the superior court. The general public shall be excluded and only such persons shall be admitted who are found by the judge to have a direct interest in the case or in the work of the court.

Stenographic notes or any device which accurately records the proceedings may be required as provided in other civil cases pursuant to RCW 2.32.200.

**NEW SECTION. Sec. 40.** (1) To aid the court in its decision on disposition, a social study, consisting of a written evaluation of matters relevant to the disposition of the case, shall be made. The study shall include all social records and shall be made available to the court. The court shall consider the social file and social study at the disposition hearing in addition to evidence produced at the fact-finding hearing.

(2) In addition to the requirements set forth in subsection (1) of this section, a predisposition study to the court in cases of dependency alleged pursuant to section 31(2)(b) of this 1977 amendatory act shall contain the following information:

- (a) A statement of the specific harm or harms to the child that intervention is designed to alleviate;
- (b) A description of the specific programs, for both the parents and child, that are needed in order to prevent further harm to the child; the reasons why such programs are likely to be useful; the availability of any proposed services; and the agency's overall plan for ensuring that the services will be delivered;
- (c) If removal is recommended, a full description of the reasons why the child cannot be protected adequately in the home, including a description of any previous efforts to work with the parents and the child in the home; the in-home treatment programs which have been considered and rejected; and the parents' attitude toward placement of the child;
- (d) A statement of the likely harms the child will suffer as a result of removal. This section should include an exploration of the nature of the parent-child attachment and the meaning of separation and loss to both the parents and the child;
- (e) A description of the steps that will be taken to minimize harm to the child that may result if separation occurs; and
- (f) Behavior that will be expected before determination that supervision of the family or placement is no longer necessary.

**NEW SECTION. Sec. 41.** If, after a fact-finding hearing pursuant to section 39 of this 1977 amendatory act, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of section 31(2) (a), (b), or (c) of this 1977 amendatory act; after consideration of the predisposition report prepared pursuant to section 39 of this 1977 amendatory act and after a disposition hearing has been held pursuant to section 39 of this 1977 amendatory act, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

- (a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In selecting a program, the court should choose those services that least interfere with family autonomy, provided that the services are adequate to protect the child.
- (b) Order that the child be placed in foster care. Such an order may be made only if:
  - (i) There is no parent or guardian available to care for such child; or
  - (ii) The child is unwilling to reside in the custody of the child's parent or guardian; or
  - (iii) The parent or guardian is not willing to take custody of the child; or
  - (iv) A manifest danger would exist that the child will suffer further abuse or neglect if the child is not removed from the home.

(2) Whenever a child is ordered removed from the child's home, the agency charged with his or her care shall provide the court with a specific plan as to where the child will be placed, what steps will be taken to return the child home, and what actions the agency will take to maintain parent-child ties.

- (a) The agency plan shall specify what services the parents will receive in order to enable them to resume custody and what actions the parents must take in order to resume custody.
- (b) The agency shall be required to encourage the maximum parent-child contact possible, including regular visitation and participation by the parents in the care of the child while the child is in placement.
- (c) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.
- (d) The agency charged with supervising a child in placement shall be responsible for assuming that all services are provided. It shall report to the court if it is unable to provide such services.

(3) The status of all children found to be dependent shall be reviewed by the court at least every six months at a hearing in which it shall be determined whether court supervision should continue.

(a) A child shall be returned home at the review hearing unless the court finds that a reason for removal as set forth in this section still exists. When a child is returned, casework supervision shall continue for a period of six months, at which time there shall be a hearing on the need for continued intervention.

- (b) If the child is not returned home, the court shall establish in writing:
  - (i) What services have been provided to or offered to the parents to facilitate reunion;
  - (ii) The extent to which the parents have visited the child and any reasons why visitation has not occurred or has been infrequent;
  - (iii) Whether the agency is satisfied with the cooperation given to it by the parents;
  - (iv) Whether additional services are needed to facilitate the return of the child to the child's parents; if so, the court shall order such services; and
  - (v) When return of the child can be expected.

(c) If a child is not returned to the child's home, at such review hearing the court shall advise the parents that a petition to seek termination of parental rights may be ordered at the next review hearing.

(d) The court at the review hearing may order that a petition seeking termination of the parent and child relationship be filed.

**NEW SECTION.** Sec. 42. If after a fact-finding hearing it has been proven beyond a reasonable doubt that a child is dependent within the meaning of section 31(2)(d) of this 1977 amendatory act, and after consideration of the predisposition report and after a disposition hearing, the court may order one of the following dispositions of the child:

(a) Placement of the child in an alternative nonsecure residential facility pursuant to section 26 of this 1977 amendatory act;

(b) Commitment to the department of social and health services for placement in a custodial diagnostic and treatment facility for not more than thirty days only if other less restrictive alternatives have failed, if such a treatment facility is available, and if the diagnosis and treatment is reasonably expected to prevent degeneration of the child's conduct into serious delinquent behavior: **PROVIDED**, That such housing and treatment shall be entirely separate from that of youth who have been found guilty of committing a felony or misdemeanor.

Sec. 43. Section 15, chapter 160, Laws of 1913 and RCW 13.04.150 are each amended to read as follows:

Any order made by the court in the case of a dependent ((or delinquent)) child may at any time be changed, modified or set aside, as to the judge may seem meet and proper.

Sec. 44. Section 8, chapter 160, Laws of 1913 as last amended by section 1, chapter 138, Laws of 1969 ex. sess. and RCW 13.04.100 are each amended to read as follows:

((An order of commitment may be temporary or permanent in the discretion of the court, and may be revoked or modified as the circumstances of the case may thereafter require.)) In any case in which the court shall find the child dependent ((or delinquent)), it may in the same or subsequent proceeding upon the parent or parents, guardian, or other person having custody of said child, being duly summoned or voluntarily appearing, proceed to inquire into the ability of such persons or person to support the child or contribute to its support, and if the court shall find such person or persons able to support the child or contribute thereto, the court may enter such order or decree as shall be according to equity in the premises, and may enforce the same by execution, or in any way in which a court of equity may enforce its decrees: **PROVIDED, That no support payments shall be required of a parent who, throughout a dependence proceeding pursuant to section 31 (2) (d) of this 1977 amendatory act, has continuously sought reconciliation with, and the return of, his or her child, unless such parent has been found to have abused or neglected such children.**

Sec. 45. Section 1, chapter 188, Laws of 1955 as amended by section 8, chapter 302, Laws of 1961 and RCW 13.04.105 are each amended to read as follows:

In any case in which an order or decree of the juvenile court requiring a parent or parents, guardian, or other person having custody of a child to pay for ((detention)) shelter care and/or support of such child is not complied with, the court may, upon such person or persons being duly summoned or voluntarily appearing, proceed to inquire into the amount due upon said order or decree and enter judgment for such amount against the defaulting party or parties, and such judgment shall be docketed as are other judgments for the payment of money.

In such judgments, the county in which the same are entered shall be denominated the judgment creditor, or the state may be the judgment creditor where the child is in the custody of a state agency and said judgments may be enforced by the prosecuting attorney of such county, or the attorney general where the state is the judgment creditor and any moneys recovered thereon shall be paid into the registry of the juvenile court and shall be disbursed to such person, persons, agency, or governmental department as the court shall find to be entitled thereto.

Such judgments shall remain as valid and enforceable judgments for a period of six years subsequent to the entry thereof.

**NEW SECTION.** Sec. 46. A petition seeking termination of a parent and child relationship may be filed in juvenile court. Such petition shall conform to the requirements of RCW 13.04.060 as now or hereafter amended and shall allege:

(1) That the child has been removed from the custody of the parent for a period of at least six months pursuant to a finding of dependency under section 31(2)(a) or (b) of this 1977 amendatory act; and

(2) That the conditions which led to the removal still persist; and

(3) That there is little likelihood that those conditions will be remedied so that the child can be returned to the parent in the near future; and

(4) That continuation of the parent and child relationship clearly diminishes the child's prospects for early integration into a stable and permanent home; and

(5) That, if the finding of dependency has been pursuant to section 31(2)(b) of this 1977 amendatory act, necessary services have been provided or offered to the parent to facilitate a reunion; and

(6) That the parent has substantially failed to accept such services; and

(7) That if the parent is subject to an order of disposition pursuant to the finding of dependency, the parent has substantially failed to comply with the order.

**NEW SECTION.** Sec. 47. After hearings pursuant to RCW 13.04.091, the court may enter an order terminating all parental rights to a child if the court finds that:

(1) The allegations contained in the petition as provided in section 46 of this 1977 amendatory act are established by clear, cogent, and convincing evidence; and

(2) Such an order is in the best interests of the child.

**NEW SECTION.** Sec. 48. (1) Upon the termination of parental rights pursuant to section 46 of this 1977 amendatory act, all rights, powers, privileges, immunities, duties, and obligations, including any rights to custody, control, visitation, or support existing between the child and parent shall be severed and terminated and the parent shall have no standing to appear at any further legal proceedings concerning the child: **PROVIDED,** That any support obligation existing prior to the effective date of the order terminating parental rights shall not be severed or terminated. The rights of one parent may be terminated without affecting the rights of the other parent and the order shall so state.

(2) An order terminating the parent and child relationship shall not disentitle a child to any benefit due the child from any third person, agency, state, or the United States, nor shall any action under this chapter be deemed to affect any rights and benefits that a native American child derives from the child's descent from a member of a federally recognized Indian tribe.

**NEW SECTION.** Sec. 49. If, upon entering an order terminating the parental rights of a parent, there remains no parent having parental rights, the court shall commit the child to the custody of the department of social and health services or to a licensed child-placing agency willing to accept custody for the purpose of placing the child for adoption, or in the absence thereof in a licensed foster home, or take other suitable measures for the care and welfare of the child. The custodian shall have authority to consent to the adoption of the child, the marriage of the child, the enlistment of the child in the armed forces of the United States, necessary surgical and other medical treatment for the child, and to consent to such other matters as might normally be required of the parent of the child.

If a child has not been adopted within two years after the date of the order and a general guardian of the child has not been appointed by the court, the child shall be returned to the court for entry of further orders for his or her care, custody, and control.

A law enforcement officer may take, or cause to be taken, a child into custody without a court order if there is probable cause to believe that the child is abused or neglected and that the child would be injured or could not be taken into custody if it were necessary to first obtain a court order pursuant to section 33 of this 1977 amendatory act. Notwithstanding the provisions of RCW 13.04.130 as now or hereafter amended, the law enforcement agency or the department of social and health services investigating such a report is hereby authorized to photograph such a child or adult developmentally disabled person for the purpose of providing documentary evidence of the physical condition of the child or disabled person at the time the child or disabled person was taken into custody.

A designated school official may inform an habitual truant and such child's parents, and shall inform any student who has been expelled from school in accordance with procedures provided by law and such child's parents, of the nature and location of services provided for in RCW 74.13.020(3) if such services may be appropriate to the needs of the child, and shall offer to assist in establishing contact between such family and such services. Standards proposed for offenders listed in section 56(1) of this 1977 amendatory act shall include a range of confinement which shall not be less than thirty days. Such guidelines shall be submitted to the legislature for its review at the same time the department proposes its disposition standards.

(a) Where the maximum term in the range is ninety days or less, the minimum term in the range shall be no less than fifty percent of the maximum term in the range;

(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range shall be no less than seventy-five percent of the maximum term in the range; and

(c) Where the maximum term in the range is more than one year, the minimum term in the range shall be no less than eighty percent of the maximum term in the range.

(7) In developing and promulgating the permissible ranges of partial confinement under this section, the secretary shall be subject to the following limitations:

(a) Where the maximum term in the range is ninety days or less, the minimum term in the range shall be no less than fifty percent of the maximum term in the range; and

(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range shall be no less than seventy-five percent of the maximum term in the range.

NEW SECTION. Sec. 58. (1) A youth may be taken into custody:

(a) Pursuant to a court order if a complaint is filed with the court alleging, and the court finds probable cause to believe, that the youth has committed an offense or has violated terms of community supervision;

(b) Without a court order, by a law enforcement officer if grounds exist for the arrest of an adult in identical circumstances. Admission to, and continued custody in, a court detention facility shall be governed by subsection (2) of this section;

(c) Pursuant to a court order that the youth be held as a material witness; or

(d) Where the secretary or the secretary's designee has suspended the parole of a juvenile offender.

(2) A youth shall not be held in detention unless:

(a) The youth has been taken into custody and referred to the court for allegedly committing an offense or when the youth has allegedly failed, or has been found to have failed, to meet the terms of his or her community supervision, and that the youth's past conduct or statements give reason to believe that:

(i) The youth will likely fail to appear for further proceedings; or

(ii) Detention is required to protect a youth who is dangerous to himself or herself;

(b) The court has ordered detention as a material witness;

(c) The youth is a fugitive from justice;

(d) The secretary or the secretary's designee has suspended the early release of a juvenile offender;

(e) There is clear and convincing evidence that the youth is dangerous to others; or

(f) The youth will seek to intimidate witnesses or otherwise unlawfully interfere with the administration of justice.

(3) Upon a finding that members of the community have threatened the health of a youth taken into custody, at the youth's request the court may order continued detention pending further order of the court.

(4) A youth detained under this section may be released upon posting bond set by the court. A court authorizing such a release shall issue an order containing a statement of conditions imposed upon the youth and shall set the date of his or her next court appearance. The court shall advise the youth of any conditions specified in the order and may at any time amend such an order in order to impose additional or different conditions of release upon the youth or to return the youth to custody for failing to conform to the conditions imposed. Failure to appear on the date scheduled by the court pursuant to this section shall constitute the crime of bail jumping.

NEW SECTION. Sec. 59. (1) When a youth taken into custody is held in detention:

(a) An information shall be filed within seventy-two hours, Saturdays, Sundays, and holidays excluded, or the youth shall be released; and

(b) A detention hearing shall be held within seventy-two hours, Saturdays, Sundays, and holidays excluded, from the time of filing the information, to determine whether continued detention is necessary under section 58 of this 1977 amendatory act.

(2) Written notice of the detention hearing, stating the time, place, and purpose of the hearing, and stating the right to counsel, shall be given to the parent, guardian, or custodian if such person can be found and shall also be given to the youth if over twelve years of age.

(3) At the commencement of the detention hearing, the court shall advise the parties of their rights under this chapter and shall appoint counsel as specified in this chapter.

(4) The court shall, based upon the allegations in the information, determine whether the case is properly before it or whether the case should be treated as a diversion case under section 62 of this 1977 amendatory act. If the case is not properly before the court the juvenile shall be ordered released.

(5) Notwithstanding a determination that the case is properly before the court and that probable cause exists, a child shall at the detention hearing be ordered released on the child's personal recognizance pending further hearing unless the court finds detention is necessary under section 58 of this 1977 amendatory act.

(6) If detention is not necessary under section 58 of this 1977 amendatory act the court shall impose the most appropriate of the following conditions or, if necessary, any combination of the following conditions:

(a) Place the child in the custody of a designated person agreeing to supervise such child;

(b) Place restrictions on the travel of the child during the period of release;  
 (c) Require the child to report regularly to and remain under the supervision of the juvenile court;  
 (d) Impose any condition other than detention deemed reasonably necessary to assure appearance as required; or

(e) Require that the child return to detention during specified hours.

**NEW SECTION.** Sec. 60. (1) Proceedings under this chapter shall be commenced in the county where the child resides. However, proceedings may be commenced in the county where an element of the alleged criminal offense occurred if so requested by the child or by the prosecuting attorney of the county where the incident occurred.

(2) If the hearing takes place in the county where an element of the alleged criminal offense occurred, the case and copies of all legal and social documents pertaining thereto shall be transferred to the county where the child resides for a disposition hearing. All costs and arrangements for care and transportation of the child in custody shall be the responsibility of the receiving county as of the date of the transfer, unless the counties otherwise agree.

(3) The court upon motion of any party or upon its own motion may, at any time, transfer a proceeding to another juvenile court when:

(a) There is reason to believe that an impartial proceeding cannot be held in the county in which the proceeding was begun; or

(b) It appears that venue is incorrect under this section.

**NEW SECTION.** Sec. 61. (1) Complaints referred to the court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint for legal sufficiency. The purpose of such screening shall be to determine whether:

(a) The alleged facts bring the case within the jurisdiction of the court; and

(b) On a basis of available evidence there is probable cause to believe that the youth did commit the offense.

(2) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(3) Where a case is legally sufficient, the prosecutor shall file an information with the juvenile court if the alleged offender is one or more of the following:

(a) An alleged offender accused of a class A felony, an attempt to commit a class A felony, a class B felony, an attempt to commit a class B felony, assault in the third degree, rape in the third degree, or any other offense listed in section 56(1)(b) or (c) of this 1977 amendatory act; or

(b) An alleged offender with a criminal history of at least a class A or class B felony, or two class C felony offenses, or at least one class C felony offense and at least one misdemeanor or gross misdemeanor, or at least two gross misdemeanors, or at least one gross misdemeanor and two misdemeanors, or at least three misdemeanors; or

(c) An alleged offender accused of violating his or her diversion agreement or who wishes to be prosecuted rather than enter into a diversion agreement or who has been referred by the diversion unit for prosecution: PROVIDED, That if the prosecutor elects not to file a charge for which there is probable cause, he shall maintain a record, for one year, of such election and the reasons therefor.

(4) If it appears that there is probable cause to believe that an offense has been committed by a youth, the prosecutor may file an information with the juvenile court if the alleged offender is an alleged offender accused of a class C felony.

(5) Whenever the alleged offender is an alleged offender listed in subsection (3) of this section, the prosecutor may file an information on any other criminal complaint regardless of whether or not the other offense is listed in subsection (3)(a) of this section. In lieu of filing an information, the prosecutor may file a motion to modify or revoke community supervision if a criminal complaint alleges a violation of a condition of community supervision.

(6) If an alleged offender does not fall within subsection (3) or (4) of this section, the prosecutor shall refer the complaint to the diversionary unit for the formation of a diversion agreement pursuant to section 62 of this 1977 amendatory act.

(7) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversionary interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the allegation made against the juvenile and the current status of the juvenile.

(8) The responsibilities of the prosecutor under subsections (1) through (7) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

**NEW SECTION.** Sec. 62. (1) A diversion agreement shall be a contract between a youth accused of an offense and a diversionary unit whereby the youth agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it.

(2) A diversion agreement may include:

(a) Periods of community service not to exceed one hundred fifty hours, but if the youth is attending school, no community service shall be required during normal school hours;

(b) Restitution limited to the amount of actual loss incurred by the victim, and the youth shall be required to make restitution to the victim unless the youth does not have the means and could not acquire the means to do so;

(c) In assessing periods of community service to be performed and restitution to be paid by a youth who has entered into a diversion agreement, the court officer to whom this task is assigned shall to the extent possible involve members of the community. Such members of the community shall meet with the youth and advise the court officer as to the terms of the diversion agreement and shall supervise the youth in carrying out its terms;

(d) A diversion agreement shall not exceed a period of six months for a misdemeanor or one year for a felony. Any restitution assessed during its term shall not exceed an amount which the youth could be reasonably expected to pay during this period. If additional time is necessary for the youth to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months; and

(e) An informational, educational, or counseling interview may be required at a community agency.

(3) The youth shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(4) Divertees and potential divertees shall be afforded due process in all contacts with a diversionary unit regardless of whether said youths are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;

(b) Violation of the terms of the agreement shall be the only grounds for termination;

(c) No youth shall be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:

(i) Written notice of alleged violations of the conditions of the diversion program; and

(ii) Disclosure of all evidence to be offered against the youth;

(d) The hearing shall include:

(i) Opportunity to be heard in person and to present evidence;

(ii) The right to confront and cross-examine all adverse witnesses;

(iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and

(iv) Demonstration by evidence that the diverted youth has substantially violated the terms of his or her diversion agreement.

(5) The diversion unit shall be responsible for advising a youth of his or her rights as provided in this chapter.

(6) The right to counsel shall inure prior to the initial interview for purposes of advising the youth as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The youth may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The youth shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews shall mean all interviews regarding the diversion agreement process.

The youth shall be advised that a diversion agreement shall constitute a part of the youth's criminal history as defined by section 56(6) of this 1977 amendatory act. A signed acknowledgement of such advisement shall be obtained from the youth, and the document shall be maintained by the diversionary unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

(7) When a youth enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

(a) The fact that a charge or charges were made;

(b) The fact that a diversion agreement was entered into;

(c) The youth's obligations under such agreement;

(d) Whether the alleged offender performed his or her obligations under such agreement; and

(e) The facts of the alleged offense.

(8) A diversionary unit may refuse to enter into a diversion agreement with a youth. It shall immediately refer such youth to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall also immediately refer the case to the prosecuting attorney for action if such youth fails to make restitution or perform community service as required by the diversion agreement.

(9) A diversionary unit may, in instances where it determines that the act or omission of an act for which a youth has been referred to it involved no victim, or where it determines that the youth referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a youth without entering into a diversion agreement: PROVIDED, That any youth so handled shall be advised that the act or omission of any act for which he or she had been referred shall constitute a part of the youth's criminal history as defined by section 56(6) of this 1977 amendatory act. A signed acknowledgement of such advisement shall be obtained from the youth and the document shall be maintained

by the unit and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language: PROVIDED FURTHER, That a youth determined to be eligible by a diversionary unit for such release shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other youth referred to the unit.

**NEW SECTION, Sec. 63.** The county prosecuting attorney shall be a party to all juvenile court proceedings involving juvenile offenders or alleged juvenile offenders.

The prosecuting attorney may, after giving appropriate notice to the juvenile court, decline to represent the state of Washington in juvenile court matters except felonies unless requested by the court on an individual basis to represent the state at an adjudicatory hearing in which case he or she shall participate. When the prosecutor declines to represent the state, then such function may be performed by the juvenile court probation counselor authorized by the court or local court rule to serve as the prosecuting authority.

If the prosecuting attorney elects not to participate, the prosecuting attorney shall file with the county clerk each year by the first Monday in July notice of intent not to participate. In a county wherein the prosecuting attorney has elected not to participate in juvenile court, he or she shall not thereafter until the next filing date participate in juvenile court proceedings unless so requested by the court on an individual basis, in which case the prosecuting attorney shall participate.

**NEW SECTION, Sec. 64.** (1) Upon the filing of an information, the clerk of the court shall issue a summons directed to the child, if the child is twelve or more years of age, and another to the parents, guardian, or custodian, and such other persons as appear to the court to be proper or necessary parties to the proceedings, requiring them to appear personally before the court at the time fixed to hear the petition. Where the custodian is summoned, the parent or guardian or both shall also be served with a summons.

(2) A copy of the information shall be attached to each summons.

(3) The summons shall advise the parties of the right to counsel.

(4) The judge may endorse upon the summons an order directing the parents, guardian, or custodian having the custody or control of the child to bring the child to the hearing.

(5) If it appears from affidavit or sworn statement presented to the judge that there is probable cause for the issuance of a warrant of arrest or that the child needs to be taken into custody pursuant to section 33 of this 1977 amendatory act the judge may endorse upon the summons an order that an officer serving the summons shall at once take the child into custody and take the child to the place of detention or shelter designated by the court.

(6) If a party to be served with a summons can be found within the state, the summons shall be served upon the party personally at least five court days before the fact-finding hearing, or such time as set by the court. If the party is within the state and cannot be personally served, but the party's address is known or can with reasonable diligence be ascertained, the summons may be served upon the party by mailing a copy thereof by certified mail at least ten court days before the hearing, or such time as set by the court. If a party other than the child is without the state but can be found or the party's address is known, or can with reasonable diligence be ascertained, service of the summons may be made either by delivering a copy thereof to the party personally or by mailing a copy thereof to the party by certified mail at least ten court days before the fact-finding hearing, or such time as set by the court.

(7) Service of summons may be made under the direction of the court by any law enforcement officer or probation counselor.

(8) If the person summoned as herein provided shall fail without reasonable cause to appear and abide the order of the court, the person may be proceeded against as for contempt of court.

**NEW SECTION, Sec. 65.** (1) The prosecutor, respondent, or the court on its own motion may, before a hearing on the information on its merits, file a motion requesting the court to transfer the respondent for adult criminal prosecution and the matter shall be set for a hearing on the question of declining jurisdiction. Unless waived by the court, the parties, and their counsel, a decline hearing shall be held where:

(a) The respondent is sixteen or seventeen years of age and the petition alleges a class A felony or an attempt to commit a class A felony; or

(b) The respondent is seventeen years of age and the petition alleges assault in the second degree, extortion in the first degree, indecent liberties, kidnaping in the second degree, rape in the second degree, or robbery in the second degree.

(2) The court after a decline hearing may order the case transferred for adult criminal prosecution upon a finding that the declination would be in the best interest of the juvenile or the public. The court shall consider the relevant reports, facts, opinions, and arguments presented by the parties and their counsel.

(3) When the respondent is transferred for criminal prosecution or retained for prosecution in juvenile court, the court shall set forth in writing its finding which shall be supported by relevant facts and opinions produced at the hearing.

**NEW SECTION, Sec. 66.** The court shall hold an adjudicatory hearing on the information, and, after it has announced its findings of fact and its verdict, shall hold a hearing to consider disposition of the case pursuant to sections 69 and 70 of this 1977 amendatory act immediately following the adjudicatory hearing or at a continued hearing within fourteen days unless good cause is shown for a further continuance. Notice of the time and place of the continued hearing may be given in open court. If notice is not given in open court to a party, that party shall be notified by mail of the time and place of any continued hearing.

All hearings may be conducted at any time or place within the limits of the county, and such cases shall not be heard in conjunction with other business of any other division of the superior court.

**NEW SECTION.** Sec. 67. (1) The respondent shall be advised of the allegations in the information and shall be required to plead guilty or not guilty to the allegation(s). The state or the respondent may make preliminary motions up to the time of the plea.

(2) If the respondent pleads guilty, the court may proceed with disposition or may continue the case for a dispositional hearing. If the respondent denies guilt, a hearing date shall be set.

(3) At the adjudicatory hearing it shall be the burden of the prosecution to prove the allegations of the information beyond a reasonable doubt.

(4) The court shall record its findings of fact and shall enter its verdict upon the record. Such findings shall set forth the evidence relied upon by the court in reaching its verdict.

(5) If the respondent is found not guilty he or she shall be released from detention.

(6) If the respondent is found guilty the court may immediately proceed to disposition or may continue the case for a dispositional hearing.

(7) The court following an adjudicatory hearing may request that a predisposition study be prepared to aid the court in its evaluation of the matters relevant to disposition of the case.

(8) In sentencing an offender, the court shall use the disposition standards in effect on the date of the offense.

**NEW SECTION.** Sec. 68. (1) A youth shall be advised of his or her rights when appearing before the court.

(2) A youth and his or her parent, guardian, or custodian shall be advised by the court or its representative that the youth has a right to be represented by counsel at all critical stages of the proceedings. Unless waived, counsel shall be provided to a youth, who is financially unable to obtain counsel without causing substantial hardship to himself or herself or the youth's family, in any proceeding where the youth may be subject to transfer for criminal prosecution, or in any proceeding where the youth may be in danger of confinement or partial confinement. The ability to pay part of the cost of counsel shall not preclude assignment. In no case shall a youth be deprived of counsel because of a parent, guardian, or custodian refusing to pay therefor. The youth shall be fully advised of his or her right to an attorney and of the relevant services an attorney can provide.

(3) The right to counsel shall include the right to the appointment of experts necessary and the experts shall be required pursuant to the procedures and requirements established by the supreme court.

(4) Upon application of a party, the clerk of the court shall issue, and the court on its own motion may issue, subpoenas requiring attendance and testimony of witnesses and production of records, documents, or other tangible objects at any hearing, or such subpoenas may be issued by an attorney of record.

(5) All proceedings shall be transcribed verbatim by means which will provide an accurate record.

(6) The general public and press shall be permitted to attend any hearing unless the court, for good cause, orders a particular hearing to be closed. The presumption shall be that all such hearings will be open.

(7) In all adjudicatory proceedings before the court, all parties shall have the right to adequate notice, discovery as provided in criminal cases, opportunity to be heard, confrontation of witnesses except in such cases as this chapter expressly permits the use of hearsay testimony, findings based solely upon the evidence adduced at the hearing, and an unbiased fact-finder.

(8) A juvenile shall be accorded the privilege against self-incrimination. An extra judicial statement which would be constitutionally inadmissible in a criminal proceeding shall not be received in evidence at an adjudicatory hearing over objection. Evidence illegally seized or obtained shall not be received in evidence over objection at an adjudicatory hearing to prove the allegations against the child. An extra judicial admission or confession made by the child out of court is insufficient to support a finding that the child committed the acts alleged in the information unless a corpus delicti is first established.

(9) Waiver of any right which a child has under this chapter must be an express waiver intelligently made by the child after the child has been fully informed of the right being waived.

(10) Whenever this chapter refers to waiver or objection by a child, the word child shall be construed to refer to a child who is at least twelve years of age. If a child is under twelve years of age, the child's parent, guardian, or custodian shall give any waiver or offer any objection contemplated by this chapter.

**NEW SECTION.** Sec. 69. (1) In disposition hearings all relevant and material evidence, including oral and written reports, may be received by the court and may be relied upon to the extent of its probative value, even though such evidence may not be admissible in a hearing on the information. The youth or the youth's counsel and the prosecuting attorney shall be afforded an opportunity to examine and controvert written reports so received and to cross-examine individuals making reports when such individuals are reasonably available, but sources of confidential information need not be disclosed. The prosecutor and counsel for the juvenile may submit recommendations for disposition.

(2) Before entering a dispositional order as to a respondent found to have committed an offense, the court shall hold a disposition hearing, at which the court shall:

(a) Consider the facts supporting the allegations of criminal conduct by the respondent;

(b) Consider information and arguments offered by parties and their counsel;

(c) Consider any predisposition reports;

(d) Afford the respondent and the respondent's parent, guardian, or custodian an opportunity to speak in the respondent's behalf;

(e) Allow the victim or a representative of the victim and an investigative law enforcement officer to speak;

(f) Determine the amount of restitution owing to the victim, if any;

(g) Determine whether the respondent is a serious offender or a minor or first offender;

(h) Consider whether or not any of the following mitigating factors exist:

(i) The respondent's conduct neither caused nor threatened serious bodily injury or the respondent did not contemplate that his or her conduct would cause or threaten serious bodily injury;

(ii) The respondent acted under strong and immediate provocation;

(iii) The respondent was suffering from a mental or physical condition that significantly reduced his or her culpability for the offense though failing to establish a defense;

(iv) Prior to his or her detection, the respondent compensated or made a good faith attempt to compensate the victim for the injury or loss sustained; and

(v) There has been at least one year between the respondent's current offense and any prior criminal offense;

(i) Consider whether or not any of the following aggravating factors exist:

(i) In the commission of the offense, or in flight therefrom, the respondent inflicted or attempted to inflict serious bodily injury to another;

(ii) The offense was committed in an especially heinous, cruel, or depraved manner;

(iii) The victim or victims were particularly vulnerable;

(iv) The respondent has a recent criminal history or has failed to comply with conditions of a recent dispositional order or diversion agreement; and

(v) The respondent was the leader of a criminal enterprise involving several persons;

(j) The following factors shall not be considered in determining the punishment to be imposed:

(i) The sex of the respondent;

(ii) The race or color of the respondent or the respondent's family;

(iii) The creed or religion of the respondent or the respondent's family;

(iv) The economic or social class of the respondent or the respondent's family; and

(v) Factors indicating that the respondent may be or is a dependent child within the meaning of this chapter;

(k) A court shall not commit a youth to a state institution solely because of the lack of facilities, including treatment facilities, existing in the community.

**NEW SECTION. Sec. 70. (1)** When the respondent is found to be a serious offender, the court shall commit the offender to the department for a determinate sentence consisting of the standard range of disposition for the offense.

If the court finds that a disposition within the standard range would effectuate a manifest injustice, the court may impose a disposition outside the range but only after it enters reasons upon which it bases its conclusion that disposition within the standard range would effectuate a manifest injustice. A disposition imposed outside a standard range is appealable under section 77 of this 1977 amendatory act by the state or the respondent. A disposition within the standard range is not appealable under section 77 of this 1977 amendatory act.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition. A disposition other than a community supervision shall be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. Any disposition other than community supervision may be appealed as provided in section 77 of this 1977 amendatory act by the state or the respondent. A disposition of community supervision may not be appealed under section 77 of this 1977 amendatory act.

(3) A juvenile appearing before the court for formal disposition who has declined to enter into a diversion agreement and who would otherwise be so entitled shall, if determined to be a first or minor offender, be referred to a diversionary unit under the supervision of which such youth may only be required to perform the term of community service and, where there is a victim, shall be required to make restitution under the limits specified in this chapter.

(4) Where the respondent is found to have committed an offense and is neither a serious offender nor a minor or first offender, consistent with the purposes of this chapter the court shall: (a)(i) Where the appropriate standard range includes a period of confinement exceeding thirty days, sentence the offender to the department for a term consisting of the appropriate standard range, or (ii) where the appropriate standard range does not include a period of confinement exceeding thirty days, sentence the offender to a determinate term within the appropriate standard range in which case the court shall consider only those aggravating and mitigating factors set forth in section 69 of this 1977 amendatory act and shall state its reasons for selecting the particular punishment imposed, or (b) shall impose a term of community supervision. If the court sentencing pursuant to subsection (a)(i) or (ii) of this section finds that a disposition within the standard range would effectuate a manifest injustice, it may impose a disposition other than community supervision outside the range but only after it enters reasons upon which it bases its conclusion that disposition within the standard range would effectuate a manifest injustice. A disposition so imposed outside the standard range may be appealed as provided in section 77 of this 1977 amendatory act by the state or the respondent. A disposition within the standard range or of community supervision shall not be appealable under section 77 of this 1977 amendatory act.

(5) A court may require a juvenile offender to serve a period of partial confinement not to exceed thirty days or a period of confinement not to exceed the minimum period of confinement included within the standard range for the offense(s) for which he or she was found guilty, but in no case to exceed thirty days: PROVIDED, That such periods of partial confinement and confinement may be required only of youthful

offenders who are: (a) Not sentenced to a sentence within a range established by the legislature; (b) not committed to the department; (c) not first and minor offenders; and (d) are serving terms of community supervision: PROVIDED FURTHER, That all such terms of partial confinement and confinement shall be served in a facility operated by or pursuant to a contract with a county or city.

**NEW SECTION.** Sec. 71. The fingerprints and photograph may be taken of any serious offender.

**NEW SECTION.** Sec. 72. Where a disposition is imposed on a youth for two or more offenses, the terms shall run consecutively, subject to the following limitations: (1) Where the offenses were committed through a single act or omission, or through an act or omission which in itself constituted one of the offenses and also was an element of the other, the aggregate of all the terms shall not exceed one hundred fifty percent of the term imposed for the most serious offense; and (2) in all other cases, the aggregate of all consecutive terms shall not exceed three hundred percent of the term imposed for the most serious offense.

**NEW SECTION.** Sec. 73. (1) In its dispositional order, the court shall require the respondent to make restitution to any persons who have suffered loss or damage as a result of the offense committed by the respondent. The payment of restitution shall be in addition to any punishment which is imposed pursuant to the other provisions of this chapter. The court may determine the amount, terms, and conditions of the restitution. If the respondent participated in the crime with another person or other persons, all such participants shall be jointly and severally responsible for the payment of restitution: PROVIDED, That the court shall not require the respondent to pay full or partial restitution if the respondent reasonably satisfies the court that he or she does not have the means to make full or partial restitution and could not reasonably acquire the means to pay such restitution.

(2) When a respondent who has been ordered by a court to pay a fine or restitution, or to perform service for the public good fails to fulfill that order, the court upon the motion of the prosecutor or upon its own motion, shall require the respondent to show cause why the respondent should not be confined in a detention facility for nonfulfillment. The court may issue a summons or a warrant for arrest to compel the respondent's appearance.

(3) The respondent shall have the burden of showing that the nonpayment or nonfulfillment was not a wilful refusal and that he or she did not have the means and could not reasonably acquire the means to pay the fine or restitution or to perform the service for the public good. If the court finds that the default was wilful, it may order the youth detained in a county facility for one day for each twenty-five dollars of restitution or fine on which the youth wilfully defaulted or may order the youth detained in a county facility for one day for each eight hours of community service on which the youth wilfully defaulted.

**NEW SECTION.** Sec. 74. Consistent with the purposes of this chapter, if the respondent violates a condition of his or her community supervision, community supervision may be revoked or modified and further permissible punishment imposed pursuant to the provisions of this chapter. Such punishment may include a period of confinement and/or partial confinement in a county facility not to exceed thirty days. Community supervision may only be revoked or modified upon the same due process as would be afforded an adult alleged probation violator.

**NEW SECTION.** Sec. 75. (1) The secretary shall, except in the case of a youth committed by a court to a term of confinement in a state institution outside the appropriate standard range for the offense(s) for which the youth was found to be guilty established pursuant to section 57 of this 1977 amendatory act, set a release or discharge date for each youth committed to its custody which shall be within the prescribed range to which a youth has been committed. Such dates shall be determined prior to the expiration of sixty percent of a youth's minimum term of confinement included within the prescribed range to which the youth has been committed.

(2) Following the youth's release pursuant to subsection (1) of this section, the secretary may require the youth to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months. The secretary shall, for the period of parole, facilitate the youth's reintegration into his or her community and to further this goal may require the youth to: (a) Undergo available medical or psychiatric treatment; (b) report as directed to a parole officer; (c) pursue a course of study or vocational training; (d) remain within prescribed geographical boundaries and notify the department of any change in his or her address; and (e) refrain from committing new offenses. After termination of the parole period, the youth shall be discharged from the department's supervision.

(3) The department may also revoke or modify parole for violation thereof. If, after affording a youth all of the due process rights to which he or she would be entitled if the youth were an adult, the secretary finds that a youth has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (a) Continued supervision under the same conditions previously imposed; (b) intensified supervision with increased reporting requirements; (c) additional conditions of supervision authorized by this chapter; and (d) imposition of a period of partial confinement not to exceed thirty days.

(4) A parole officer of the department of social and health services shall have the power to arrest a juvenile under his or her supervision on the same grounds as a law enforcement officer would be authorized to arrest such person.

**NEW SECTION.** Sec. 76. Whenever legal custody of a child is vested in someone other than his or her parents, after due notice to the parents or other persons legally obligated to care for and support the child, and after a hearing, the court may order and decree that the parent or other legally obligated person shall pay in such a manner as the court may direct a reasonable sum representing in whole or in part the costs of support, treatment, and confinement of the child after the decree is entered. If the parent or other legally

obligated person wilfully fails or refuses to pay such sum, the court may proceed against such person for contempt.

**NEW SECTION.** Sec. 77. (1) Dispositions reviewed pursuant to section 70 of this 1977 amendatory act shall be reviewed in the appropriate division of the court of appeals.

An appeal under this section shall be heard solely upon the record that was before the disposition court. No written briefs shall be required and the appeal shall be heard within thirty days following the date of sentencing and a decision rendered within fifteen days following the argument. The supreme court shall promulgate any necessary rules to effectuate the purposes of this section.

(2) To uphold a disposition outside the standard range, or which imposes confinement for a minor or first offender, the court of appeals must find (a) that the reasons supplied by the disposition judge are supported by the record which was before the judge and that those reasons clearly and convincingly support the conclusion that a disposition within the range, or nonconfinement for a minor or first offender, would constitute a manifest injustice, and (b) that the sentence imposed was neither clearly excessive nor clearly too lenient.

(3) If the court does not find subsection (2)(a) of this section it shall remand the case for disposition within the standard range or for community supervision without confinement as would otherwise be appropriate pursuant to this chapter.

(4) If the court finds subsection (2)(a) but not subsection (2)(b) of this section it shall remand the case with instructions for further proceedings consistent with the provisions of this chapter.

(5) Pending appeal, a respondent shall not be committed or detained for a period of time in excess of the standard range for the offense(s) committed and shall not be detained if a first or minor offender: **PROVIDED**, That if the order of the disposition court is below the standard range, the respondent shall be committed or detained for no longer than the term set by the disposition court.

(6) Dispositions imposed by the disposition court shall not be final until either the deadline for appeal pursuant to state law or supreme court rule has passed without an appeal being taken, or the court of appeals has issued its decision on the appeal.

**NEW SECTION.** Sec. 78. All references to juvenile delinquents or juvenile delinquency in other chapters of the Revised Code of Washington shall be construed as meaning juvenile offenders or the commitment of an offense by juveniles as defined by this chapter.

**NEW SECTION.** Sec. 79. (1) There is appropriated for the period July 1, 1978, to June 30, 1979, from the general fund nine hundred eighty-three thousand six hundred dollars to be allocated to counties for the cost of operating diversion units as required by this chapter.

(2) The secretary shall administer the funds and shall promulgate, pursuant to chapter 34.04 RCW, rules establishing a planning process and standards which meet the intent of this chapter. The secretary shall also monitor and evaluate, against established standards, all programs and services funded by this appropriation.

(3) The total sum shall be allocated by the secretary to the counties. Diversion units funded by this section shall be administered and operated separately from the court: **PROVIDED**, That counties of classes other than AA and A may request for an exemption from this requirement. The secretary may grant such exemption if it is clearly demonstrated that resources do not exist nor can be established in such county to operate diversion units separately from the court.

(4) In meeting the requirements of this chapter, there shall be a maintenance of effort whereby counties shall exhaust existing resources prior to the utilization of funds appropriated by this section.

(5) It is the intent of the legislature that these funds shall be the maximum amount necessary to meet the requirement of this chapter for the stated period. Courts shall be required to provide diversion programs and services to the extent made possible by available sources. In addressing diverted youths, a resource priority continuum shall be developed whereby the highest priority in resource allocation shall be given to diverted youths who have inflicted bodily harm while the lowest priority shall be given to diverting youths who have committed victimless crimes or minor property offenses.

**NEW SECTION.** Sec. 80. Sections 55 through 78 of this 1977 amendatory act shall constitute a new chapter in Title 13 RCW. RCW 13.04.260 is hereby decodified and shall be recodified as part of that new chapter.

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "Representative Tilly, you aren't very specific; however, it appears to the Speaker that the Senate amendments do not change the scope and object of the bill. Engrossed Third Substitute House Bill No. 371 is an act relating to juveniles, covering a broad range of items, including behavior, punishment, jurisdictional limitations, community services. The Senate amendments to the bill deal with matters relating to juveniles and appear to be within the subject matter of the original bill. The Speaker (Mr. O'Brien presiding): "The whole subject matter relating to juveniles covers a broad range of items. It appears to the Speaker that the amendments are of a general subject matter of the House bill. The Speaker will so rule."

Mr. Hanna spoke again in favor of the motion.

Mr. King demanded the previous question, and the demand was sustained.

## STATEMENTS FOR THE JOURNAL

I wanted to vote against Engrossed Third Substitute House Bill No. 371, but made a mistake in my vote. I feel that although this legislation may be going in the right direction, more study should have been given to the cost this will add to local government. Again, my vote should have been recorded as "No."

OTTO AMEN, 9th District.

Please record me as voting "Aye" on Engrossed Third Substitute House Bill No. 371.

GEORGE S. HURLEY, 44th District.

#### MOTION

Mr. Eng moved that the House do concur in the Senate amendments to Engrossed Substitute House Bill No. 323.

## POINT OF INQUIRY

Mr. Eng yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "I recall when we were debating this issue earlier there was some worry on the part of some of us that the Supervisor of Banking would not do justice to the issue here. I hear you are recommending that we concur and I'd like to know why you believe the Supervisor of Banking will properly enforce this law."

Mr. Eng: "Representative Douthwaite, one of the reasons is that the Human Rights Commission is way behind in their workload and they don't have the money to catch up actually. Another reason is that even though we'll be transferring this to the Supervisor, just because of the fact of the law in relation to human rights, they still have the power to deal with this, so what will actually happen is that they will work with the supervisor."

The motion was carried.

Signed by Senators Bottiger, Matson, Bausch; Representatives Lysen, Martinis.

#### MOTION

Mr. Lysen moved that the report of the Free Conference Committee be adopted.

Mr. Lysen spoke in favor of the motion.

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Leckenby.

Mr. Leckenby: "This is one of the more important issues before this session of the Legislature and I would like to ask to be sure if the emergency powers are to be extended. You've given the names of several federal bodies that can cause an extension or permit an extension to be granted by the Governor, but is it up to the Legislature to grant powers for extending or can a committee of the Legislature grant those powers?"

Mr. Lysen: "It will be up to the Legislature internally. We, of the Legislature, will have to be called into session before the thirty-day period is up. At that point, the Legislature can agree and allow the Governor to go on and allow the Joint Committee to extend the powers, or we can pass a concurrent resolution terminating the emergency powers. It will be up the full Legislature to decide the question ultimately. They, however, may delegate this power to the Joint Committee on Energy to go ahead and monitor."

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Lysen, for further clarification, at the end of the thirty days, or before the end of thirty days, under the provisions of this bill, the Governor has to call the Legislature back into session. Assuming the Legislature says, no, we do not want to extend and the Joint Committee on Energy says that we should extend, who would prevail? Assume the opposite were true, the Legislature says extend, and the Joint Committee says, do not extend. Who would prevail?"

Mr. Lysen: "In each case, the Legislature would prevail. The Joint Committee only functions when the Legislature is not in session."

The motion was carried.

If there are two or more positions of the same kind to be filled and more candidates of a party receive a plurality of the votes cast for those positions than there are positions to be filled, the number of candidates equal to the number of positions to be filled who receive the highest number of votes shall be the nominees of their party for those positions.

Sec. 12. Section 29.18.150, chapter 9, Laws of 1965 and RCW 29.18.150 are each amended to read as follows:

Should such vacancy occur no later than the third Tuesday prior to the state general election concerned and the ballots and voting machine labels have been printed, it shall be mandatory that they be corrected by

the appropriate election officers. In making such correction, it shall not be necessary to reprint complete ballots if any other less expensive technique can be used and the resulting correction is reasonably clear.

Should such vacancy occur after the third Tuesday prior to said state general election and time does not exist in which to correct paper ballots (including absentee ballots) or voting machine labels, either in total or in part, then the votes cast or recorded for the person who has died or become disqualified shall be counted for the person who has been named to fill such vacancy.

When the secretary of state is the person with whom the certificate of nomination is filed he shall in certifying nominations to the various county officers insert the name of the persons nominated to fill a vacancy.

In the event that the secretary of state has already sent forth his certificate when the certificate of nomination to fill a vacancy is filed with him, he shall forthwith certify to the county auditors of the proper counties the name and place of residence of the person nominated to fill a vacancy, the office he is nominated for, the party he represents and all other pertinent facts pertaining to the vacancy).

NEW SECTION. Sec. 13. There is added to chapter 29.18 RCW a new section to read as follows:

A vacancy caused by the death or disqualification of any candidate or nominee of a major or minor political party may be filled at any time up to and including the day prior to the election for that position. For state partisan offices in any political subdivision voted on solely by electors of a single county, an individual shall be appointed to fill such vacancy by the county central committee in the case of a major political party or by the state central committee or comparable governing body in the case of a minor political party. For other partisan offices, including federal or state-wide offices, an individual shall be appointed to fill such vacancy by the state central committee or comparable governing body of the appropriate political party.

Should such vacancy occur no later than the third Tuesday prior to the state primary or general election concerned and the ballots and voting machine labels have been printed, it shall be mandatory that they be corrected by the appropriate election officers. In making such correction, it shall not be necessary to reprint complete ballots if any other less expensive technique can be used and the resulting correction is reasonably clear.

Should such vacancy occur after the third Tuesday prior to said state primary or general election and time does not exist in which to correct paper ballots (including absentee ballots) or voting machine labels, either in total or in part, then the votes cast or recorded for the person who has died or become disqualified shall be counted for the person who has been named to fill such vacancy.

When the secretary of state is the person with whom the appointment by the major or minor political party is filed, he shall, in certifying candidates or nominations to the various county officers insert the name of the person appointed to fill a vacancy.

In the event that the secretary of state has already sent forth his certificate when the appointment to fill a vacancy is filed with him, he shall forthwith certify to the county auditors of the proper counties the name and place of residence of the person appointed to fill a vacancy, the office for which he is a candidate or nominee, the party he represents and all other pertinent facts pertaining to the vacancy.

## MESSAGE FROM THE SENATE

June 11, 1977

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE SENATE BILL NO. 2877, and has granted said committee the powers of Free Conference.

Bill Gleason, Assistant Secretary.

## REPORT OF FREE CONFERENCE COMMITTEE

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 2877, revising laws on ethics and disclosure, have had the same under consideration, and we recommend that the House amendment on page 8, line 2 of the bill not be adopted, and the bill be amended as follows:

On page 8, after line 1 strike all of section 7 and insert the following:

\*Sec. 7. Section 37, chapter 1, Laws of 1973 as amended by section 25, Laws of 1975 1st ex. sess. and RCW 42.17.370 are each amended to read as follows:

The commission is empowered to:

(1) Adopt, promulgate, amend, and rescind suitable administrative rules and regulations to carry out the policies and purposes of this chapter, which rules and regulations shall be promulgated pursuant to the provisions of chapter 34.04 RCW;

(2) Prepare and publish such reports and technical studies as in its judgment will tend to promote the purposes of this chapter, including reports and statistics concerning campaign financing, lobbying, financial interests of elected officials, and enforcement of this chapter;

(3) Make from time to time, on its own motion, audits and field investigations;

(4) Make public the time and date of any formal hearing set to determine whether a violation has occurred, the question or questions to be considered, and the results thereof;

(5) Administer oaths and affirmations, issue subpoenas, and compel attendance, take evidence and require the production of any books, papers, correspondence, memorandums, or other records which the commission deems relevant or material for the purpose of any investigation authorized under this chapter, or any other proceeding under this chapter;

(6) Adopt and promulgate a code of fair campaign practices;

(7) Relieve, by published regulation of general applicability, candidates or political committees of obligations to comply with the provisions of this chapter relating to election campaigns, if they have not received contributions nor made expenditures in connection with any election campaign of more than one thousand dollars; and

(8) Enact regulations prescribing reasonable requirements for keeping accounts of and reporting on a quarterly basis costs incurred by state agencies, counties, cities, and other municipalities and political subdivisions in preparing, publishing, and distributing legislative information. The term "legislative information", for the purposes of this subsection, means books, pamphlets, reports, and other materials prepared, published, or distributed at substantial cost, a substantial purpose of which is to influence the passage or defeat of any legislation. The state auditor in his regular examination of each agency under chapter 43.09 RCW shall review such regulations, accounts, and reports and make appropriate findings, comments, and recommendations in his examination reports concerning those agencies.

(9) The commission, after hearing, by order approved and ratified by a majority of the membership of the commission, may suspend or modify any of the reporting requirements hereunder in a particular case if it finds that literal application of this chapter works a manifestly unreasonable hardship and if it also finds that such suspension or modification will not frustrate the purposes of the chapter. The commission shall find that a manifestly unreasonable hardship exists if reporting the name of an entity required to be reported under RCW 42.17.240(1)(g)(ii) would be likely to adversely affect the competitive position of any entity in which the person filing the report or any member of his immediate family holds any office, directorship, general partnership interest, or an ownership interest of ten percent or more. Any ((such)) suspension or modification shall be only to the extent necessary to substantially relieve the hardship. The commission shall act to suspend or modify any reporting requirements only if it determines that facts exist that are clear and convincing proof of the findings required hereunder. Any citizen shall have standing to bring an action in Thurston county superior court to contest the propriety of any order entered hereunder within one year from the date of the entry of such order."

In line 5 of the title, after "42.17.090;" insert "amending section 37, chapter 1, Laws of 1973 as amended by section 25, chapter 294, Laws of 1975 1st ex. sess. and RCW 42.17.370;"

#### FINAL PASSAGE OF HOUSE BILL AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker (Mr. Bauer presiding) stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 68 as amended by the Free Conference Committee.

Representatives Charette and Nelson (Gary) spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Ehlers, one of the protections for the public in this bill is a certified public accountant's statement. Is it the intent of this legislation that certified public accountants can throw the usual disclaimer into that statement, saying they really don't know what's in this?"

Mr. Ehlers: "That's not my understanding. No, Representative Pardini."

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 68 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 85; nays, 0; not voting, 13.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 1, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.005 are each amended to read as follows:

It is the intent and purpose of the legislature to recognize that (~~mentally retarded, developmentally disabled, and other allegedly mentally incompetent~~) disabled persons have special and unique abilities and competencies with varying degrees of disability.

Such persons must be legally protected without the necessity for determination of total incompetency and without the attendant deprivation of civil and legal rights that such a determination requires.

Sec. 2. Section 11.88.010, chapter 145, Laws of 1965 as amended by section 2, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.010 are each amended to read as follows:

(1) The superior court of each county shall have power to appoint guardians for the persons and estates, or either thereof, of incompetent persons (~~(resident of the county)~~), and guardians for the estates of all such persons who are nonresidents of the state but who have property in such county needing care and attention.

An 'incompetent' is any person who is either:

(a) Under the age of majority, as defined in RCW 11.92.010, or

(b) Incompetent by reason of (~~(insanity)~~) mental illness, (~~(mental retardation)~~) developmental disability, senility, habitual drunkenness, excessive use of drugs, or other mental incapacity, of either managing his property or caring for himself or both.

(2) The superior court for each county shall have power to appoint limited guardians for the persons and estates, or either thereof, of disabled persons, who by reason of their disability have need for protection and assistance, but who cannot be found to be fully incompetent, upon investigation (~~(by the court or any agency jointly designated by the mental health board and mental retardation board (or county social service administrative board where applicable) of the county where such person resides)~~) as provided by RCW 11.88.090 as now or hereafter amended. After considering all evidence presented as a result of such investigation, the court shall impose, by order, only such specific limitations and disabilities on a disabled person to be placed under a limited guardianship as the court finds necessary for such person's protection and assistance. A person shall not be presumed to be incompetent nor shall a person lose any legal rights or suffer any legal disabilities as the result of being placed under a limited guardianship, except as to those rights and disabilities specifically set forth in the court order establishing such a limited guardianship. In addition, the court order shall state the period of time for which it shall be applicable.

For the purposes of chapters 11.88 and 11.92 RCW the term 'disabled person' (~~(includes, but is not limited to, an individual who is mentally retarded, mentally ill, developmentally disabled, or is gravely disabled)~~) means an individual who is in need of protection and assistance by reason of mental illness, developmental disability, senility, habitual drunkenness, excessive use of drugs, or other mental incapacity, but cannot be found to be fully incompetent.

(3) Venue for petitions for guardianship or limited guardianship shall lie in the county wherein the alleged incompetent or disabled person is domiciled, or if such person is a resident of a state institution for developmentally disabled persons, in either the county wherein such institution is located, the county of domicile, or the county wherein a parent of the alleged incompetent or disabled person is domiciled.

Sec. 3. Section 11.88.030, chapter 145, Laws of 1965 as amended by section 4, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.030 are each amended to read as follows:

(1) Any interested person or entity may file a petition for the appointment of himself or some other qualified person, trust company, national bank, or nonprofit corporation authorized in RCW 11.88.020 as now or hereafter amended as the guardian or limited guardian of an incompetent or disabled person. A petition for guardianship or limited guardianship shall state:

((+)) (a) The name, age, residence, and post office address of the incompetent or disabled person;

((+)) (b) The nature of his alleged incompetency in accordance with RCW 11.88.010;

((+)) (c) The approximate value and description of his property, including any compensation, pension, insurance, or allowance to which he may be entitled;

((+)) (d) Whether there is, in any state, a guardian or limited guardian for the person or estate of the alleged incompetent or disabled person;

((+)) (e) The residence and post office address of the person whom petitioner asks to be appointed guardian or limited guardian;

((+)) (f) The names and addresses, and nature of the relationship, so far as known or can be reasonably ascertained, of the persons most closely related by blood or marriage to the alleged incompetent or disabled person;

((+)) (g) The name and address of the person or institution having the care and custody of the alleged incompetent or disabled person;

((+)) (h) The reason why the appointment of a guardian or limited guardian is sought and the interest of the petitioner in the appointment, and whether the appointment is sought as guardian or limited guardian of the person, the estate, or both;

((+)) (i) The nature and degree of the alleged disability and the specific areas of protection and assistance requested and the limitation of rights requested to be included in the court's order of appointment;

((+)) (j) The requested term of the limited guardianship to be included in the court's order of appointment(~~(-PROVIDED, That)~~).

(2) No filing fee shall be charged by the court for filing either a petition for guardianship or a petition for limited guardianship (~~(unless)~~) if the petition alleges that the alleged incompetent or disabled person has ~~((an estate valued in excess of fifteen hundred))~~ total assets of a value of less than three thousand dollars.

(3) All petitions filed under the provisions of this section shall be heard within ~~((thirty))~~ forty-five days unless an extension of time is requested by a party within such forty-five day period and granted for good cause shown.

Sec. 4. Section 11.88.040, chapter 145, Laws of 1965 as last amended by section 5, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.040 are each amended to read as follows:

Before appointing a guardian or a limited guardian, notice of a hearing, to be held not less than ten days after service thereof, shall be given personally to the alleged incompetent or disabled person, if over fourteen years of age.

Before appointing a guardian or a limited guardian, notice of a hearing, to be held not less than ten days after service thereof, shall be given by registered or certified mail requesting a return receipt signed by the addressee only, or by personal service in the manner provided for services of summons, to the following:

(1) The alleged incompetent, disabled person, or minor, if under fourteen years of age;

(2) A parent, if the alleged incompetent or disabled person is a minor, and the spouse of the alleged incompetent or disabled person if any;

(3) Any other person who has been appointed as guardian or limited guardian, or the person with whom the alleged incompetent or disabled person resides. No notice need be given to those persons named in subsections (2) and (3) of this section if they have signed the petition for the appointment of the guardian or limited guardian or have waived notice of the hearing. If the petition is by a parent asking for his appointment as guardian or limited guardian of a minor child under the age of fourteen years, or if the petition be accompanied by the written consent of a minor of the age of fourteen years or upward, consenting to the appointment of the guardian or limited guardian asked for, or if the petition be by a nonresident guardian of any minor or incompetent or disabled person, then the court may appoint the guardian without notice of the hearing. The court for good cause may reduce the number of days of notice, but in every case, at least three days notice shall be given.

~~((In all guardianship and limited guardianship hearings))~~ The alleged incompetent or disabled person shall be present in court at the final hearing on the petition ~~((If the petition for guardianship or limited guardianship states that the alleged incompetent or disabled person is physically unable to be present, the guardian ad litem may request the court to waive the requirement of the presence of the alleged incompetent at the hearing))~~: PROVIDED, That this requirement may be waived at the discretion of the court for good cause shown in the report to be provided by the guardian ad litem pursuant to RCW 11.88.090 as now or hereafter amended, or if no guardian ad litem is required to be appointed pursuant to RCW 11.88.090, as now or hereafter amended, at the discretion of the court for good cause shown by a party. Alternatively, the court may remove itself to the place of residence of the alleged incompetent or disabled person and conduct the final hearing in the presence of the alleged incompetent or disabled person. Final hearings on the petition may be held in closed court without admittance of any person other than those necessary to the action or proceeding.

If presence of the alleged incompetent or disabled person is waived and the court does not remove itself to the place of residence of such person, the guardian ad litem shall appear in person at the final hearing on the petition.

Sec. 5. Section 7, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.045 are each amended to read as follows:

(1) An alleged incompetent or disabled person is entitled to independent legal counsel at his own expense to represent him in the procedure: PROVIDED, That if the alleged incompetent or disabled person is unable to pay for such representation or should such payment result in substantial hardship upon such person the county shall be responsible for such costs: PROVIDED FURTHER, That when, in the opinion of the court, the rights and interests of an alleged or adjudicated incompetent or disabled person cannot otherwise be adequately protected and represented, the court on its own motion shall appoint an attorney at any time to represent such person.

(2) The alleged incompetent or disabled person is further entitled upon request to a jury trial on the issues of his alleged incompetency or disability ~~((with))~~. The standard of proof to be applied ~~((being))~~ in a contested case, whether before a jury or the court, shall be that of clear, cogent, and convincing evidence.

(3) In all proceedings for appointment of a guardian or limited guardian, the court must be presented with a ~~((sworn))~~ medical report in writing from a physician selected by the guardian ad litem appointed pursuant to RCW 11.88.090 as now or hereafter amended pertaining to the alleged incompetent or disabled persons' degree of incompetency or disability ~~((PROVIDED, That the court may waive the filing of a sworn medical report))~~ including the medical history if reasonably available, the effects of any current medication on appearance or the ability to participate fully in the proceedings, and a medical prognosis specifying the estimated length and severity of any current disability.

Sec. 6. Section 11.88.090, chapter 145, Laws of 1965 as amended by section 9, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.090 are each amended to read as follows:

(1) Nothing contained in RCW 11.88.080 through 11.88.120, 11.92.010 through 11.92.040, 11.92.060 through 11.92.120, 11.92.170, and 11.92.180, as now or hereafter amended, shall affect or impair the power of any court to appoint a guardian to defend the interests of any incompetent or disabled person interested in any suit or matter pending therein, or to commence and prosecute any suit in his behalf.

(2) Upon receipt of a petition for appointment of guardian or limited guardian, except as provided herein, the court shall appoint a guardian ad litem to represent the best interests of the alleged incompetent or disabled person, who ((may)) shall be a person ((recommended by either the local mental health board or mental retardation board (or county social service administrative board where applicable), to represent the interests of the alleged incompetent or disabled person in response to any petition for guardianship or limited guardianship)) found or known by the court to

(a) be free of influence from anyone interested in the result of the proceeding;

(b) have the requisite knowledge, training, or expertise to perform the duties required by this section.

In making this determination the court shall give due consideration to the type of incompetency or disability alleged and to any recommendations made to the court by public or private agencies having appropriate experience or expertise: PROVIDED, That no guardian ad litem need be appointed if a parent is petitioning for a guardian or a limited guardian to be appointed for his or her minor child if the minority of the child, as defined by RCW 11.92.010, is the sole basis of the petition. The order appointing the guardian ad litem shall recite the duties set forth in subsection (3) of this section. The appointment of a guardian ad litem shall have no effect on the legal competency of the alleged incompetent or disabled person and such appointment shall not overcome the presumption of competency or full legal and civil rights of the alleged incompetent or disabled person.

(3) The guardian ad litem appointed pursuant to this section shall have the following duties:

(a) To meet and consult with the alleged incompetent or disabled person as soon as practicable following appointment and explain, in language which such person can reasonably be expected to understand, the substance of the petition, the nature of the resultant proceedings, the person's right to contest the petition, the identification of the proposed guardian or limited guardian, the right to a jury trial on the issue of his alleged incompetency or disability, the right to independent legal counsel as provided by RCW 11.88.045, and the right to be present in court at the hearing on the petition;

(b) To provide the court with a written report which shall include the following:

(i) A description of the degree of incompetency or disability;

(ii) An evaluation of the appropriateness of the guardian or limited guardian whose appointment is sought;

(iii) In the event the limited guardianship is ordered, its appropriate duration, and the limits and disabilities to be placed on the disabled person; and

(iv) Any expression of approval or disapproval made by the alleged incompetent or disabled person concerning the proposed guardian or limited guardian or guardianship or limited guardianship.

Such report shall also include a recommendation as to whether or not counsel should be appointed to represent the alleged incompetent or disabled person, and the reasons for such recommendation.

The investigation and report shall be made and forwarded to the court, with copies to the alleged incompetent or disabled person, and his attorney, if any has appeared, and to the petitioner, or his attorney within twenty days after appointment, unless an extension of time has been granted by the court for good cause shown;

(c) To arrange for a written medical report pursuant to RCW 11.88.045 as now or hereafter amended.

(4) If the petition is brought by an interested person or entity requesting the appointment of some other qualified person or entity and a prospective guardian or limited guardian cannot be found, the court shall order the guardian ad litem and any other qualified person or organization to investigate the availability of a possible guardian or limited guardian and to include the findings in a report to the court pursuant to RCW 11.88.090(3)(b) as now or hereafter amended.

(5) The court appointed guardian ad litem shall have the authority, in the event that the alleged incompetent or disabled person is in need of emergency ((and)) life-saving medical services, and is unable to consent to such medical services due to ((incapacity)) incompetence or disability pending the hearing on the petition to give consent for such emergency ((and)) life-saving medical services on behalf of the alleged incompetent or disabled person.

(6) The guardian ad litem shall receive a fee determined by the court. The fee shall be charged to the alleged incompetent or disabled person unless the court finds that such payment would result in substantial hardship upon such person, in which case the county shall be responsible for such costs: PROVIDED, That if no guardian or limited guardian is appointed the court may charge such fee to the petitioner or the alleged incompetent or disabled person, or divide the fee, as it deems just; and if the petition is found to be frivolous or not brought in good faith, the guardian ad litem fee shall be charged to the petitioner. The court shall not be required to provide for the payment of a fee to any salaried employee of a public or nonprofit agency.

Sec. 7. Section 11.88.100, chapter 145, Laws of 1965 as amended by section 10, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.100 are each amended to read as follows:

Before letters of guardianship are issued, each guardian or limited guardian shall take and subscribe an oath and, unless dispensed with by order of the court as provided in RCW 11.88.105, file a bond, with sureties to be approved by the court, payable to the state, in such sum as the court may fix, taking into account the character of the assets on hand or anticipated and the income to be received and disbursements to be made, and such bond shall be conditioned substantially as follows:

The condition of this obligation is such, that if the above bound A.B., who has been appointed guardian or limited guardian for C.D., shall faithfully discharge the office and trust of such guardian or limited guardian according to law and shall render a fair and just account of his guardianship or limited guardianship to the superior court of the county of . . . . ., from time to time as he shall thereto be required by such court, and comply with all orders of the court, lawfully made, relative to the goods, chattels, moneys,

The bond shall be for the use of the incompetent or disabled person, and shall not become void upon the first recovery, but may be put in suit from time to time against all or any one of the obligors, in the name and for the use and benefit of any person entitled by the breach thereof, until the whole penalty is recovered thereon. The court may require an additional bond whenever for any reason it appears to the court that an additional bond should be given.

In all guardianships or limited guardianships of the person, and in all guardianship or limited guardianships of the estate, in which the ~~((inventory filed with the court shows))~~ petition alleges that the alleged incompetent or disabled person has total ((accumulated)) assets of a value of less than ((fifteen hundred)) three thousand dollars, the court may dispense with the requirement of a bond pending filing of an inventory confirming that the estate has total assets of less than three thousand dollars: PROVIDED, That the guardian or limited guardian shall swear to report to the court any changes in the ((accumulated)) total assets of the incompetent or disabled person increasing their value to over ((fifteen hundred)) three thousand dollars: PROVIDED FURTHER, That said guardian or limited guardian shall file a yearly statement showing the monthly income of the incompetent or disabled person if said monthly income is over the sum of two hundred fifty dollars per month for any three consecutive months.

Sec. 8. Section 11.88.107, chapter 145, Laws of 1965 as amended by section 12, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.107 are each amended to read as follows:

Sec. 9. Section 11.88.120, chapter 145, Laws of 1965 as amended by section 14, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.120 are each amended to read as follows:

The court in all cases shall have power to remove guardians or limited guardians for good and sufficient reasons, which shall be entered of record, and to appoint others in their place or in the place of those who may die, who shall give bond and security for the faithful discharge of their duties as prescribed in RCW 11.88.100 as now or hereafter amended; and when any guardian or limited guardian shall be removed or die, and a successor be appointed, the court shall have power to compel such guardian or limited guardian removed to deliver up to such successor all goods, chattels, moneys, title papers, or other effects belonging to such incompetent or disabled person, which may be in the possession of such guardian or limited guardian so removed, or of the personal representatives of a deceased guardian or limited guardian, or in the possession of any other person or persons, or in the possession of a stand-by guardian or limited guardian and upon failure, to commit the party offending to prison, until he complies with the order of the court.

Sec. 10. Section 6, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.125 are each amended to read as follows:

The person appointed by the court as either guardian or limited guardian of the person and/or estate of an incompetent or disabled person, shall file in writing with the court, a designated stand-by limited guardian or guardian to serve as limited guardian or guardian at the death or legal incompetency or disability of the court-appointed guardian or limited guardian. Upon the court's appointment of a new, substitute guardian or limited guardian, the stand-by guardian or limited guardian shall make an accounting and report to be approved by the court, and upon approval of the court, the stand-by guardian or limited guardian shall be released from all duties and obligations arising from or out of the guardianship or limited guardianship.

Letters of guardianship shall be issued to the stand-by guardian or limited guardian upon filing an oath and posting a bond as required by RCW 11.88.100 as now or hereafter amended. The oath may be filed prior to the appointed guardian or limited guardian's death. The provisions of RCW 11.88.100 through 11.88.110 as now or hereafter amended shall apply to stand-by guardians and limited guardians.

Sec. 11. Section 11.88.140, chapter 145, Laws of 1965 as amended by section 16, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.140 are each amended to read as follows:

(1) TERMINATION WITHOUT COURT ORDER. A guardianship or limited guardianship is terminated:

(a) Upon the attainment of full and legal age, as defined in RCW 11.92.010 as now or hereafter amended, of any person defined as an incompetent or disabled person pursuant to RCW 11.88.010 as now or hereafter amended solely by reason of youth, RCW 26.28.020 to the contrary notwithstanding((:));

(b) By an adjudication of competency((:)) or an adjudication of termination of disability;

(c) By the death of the incompetent or disabled person;

(d) By expiration of the term of limited guardianship specified in the order appointing the limited guardian, unless prior to such expiration a petition has been filed and served, as provided in RCW 11.88.040 as now or hereafter amended, seeking an extension of such term.

(2) **TERMINATION ON COURT ORDER.** A guardianship or limited guardianship may be terminated by court order after such notice as the court may require:

(a) If the guardianship or limited guardianship is of the estate and the estate is exhausted;

(b) If the guardianship or limited guardianship is no longer necessary for any other reason.

(3) **EFFECT OF TERMINATION.** When a guardianship or limited guardianship terminates otherwise than by the death of the incompetent or disabled person, the powers of the guardian or limited guardian cease, except that a guardian or limited guardian of the estate may make disbursements for claims that are or may be allowed by the court, for liabilities already properly incurred for the estate or for the incompetent or disabled person, and for expenses of administration. When a guardianship or limited guardianship terminates by death of the incompetent or disabled person, the guardian or limited guardian of the estate may proceed under RCW 11.88.150 as now or hereafter amended, but the rights of all creditors against the incompetent's or disabled person's estate shall be determined by the law of decedent's estates.

Sec. 12. Section 11.88.150, chapter 145, Laws of 1965 as amended by section 17, chapter 95, Laws of 1975 1st ex. sess. and RCW 11.88.150 are each amended to read as follows:

Upon the death of an incompetent or disabled person intestate the guardian or limited guardian of his estate has power under the letters issued to him and subject to the direction of the court to administer the estate as the estate of the deceased incompetent or disabled person without further letters unless within forty days after death of the incompetent or disabled person a petition is filed for letters of administration or for letters testamentary and the petition is granted. If the guardian or limited guardian elects to administer the estate under his letters of guardianship or limited guardianship, he shall petition the court for an order transferring the guardianship or limited guardianship proceeding to a probate proceeding, and upon court approval, the clerk of the court shall re-index the cause as a decedent's estate, using the same file number which is assigned to the guardianship or limited guardianship proceeding. The guardian or limited guardian shall then be authorized to continue administration of the estate without the necessity for any further petition or hearing. Notice to creditors and other persons interested in the estate shall be published and may be combined with the notice of the guardian's or limited guardian's final account. This notice shall be published in the manner provided in RCW 11.40.010, once each week for three successive weeks, with proof by affidavit of the publication of such notice to be filed with the court. All claims which are not filed within four months after first publication or within four months after the date of filing of the copy of such notice to creditors with the clerk of the court, whichever is later, shall be barred against the estate. Upon the hearing, the account may be allowed and the balance distributed to the persons entitled thereto, after the payment of such claims as may be allowed. Liability on the guardian's or limited guardian's bond shall continue until exonerated on settlement of his account, and may apply to the complete administration of the estate of the deceased incompetent or disabled person with the consent of the surety. In proper cases, the court may order payment of amounts directly to the incompetent or disabled person for his maintenance or incidental expenses. The amounts authorized under this section may be decreased or increased from time to time by direction of the court. BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

Section 1. Section 1, chapter 122, Laws of 1973 1st ex. sess. and RCW 7.68.010 are each amended to read as follows:

It is the intent of the legislature of the state of Washington to provide a method of compensating and assisting (~~(those residents of the state who are)~~) innocent victims of criminal acts (~~(and)~~) who suffer bodily injury or death as a consequence thereof. To that end, it is the intention of the legislature to make certain of the benefits and services which are now or hereafter available to injured workmen under Title 51 RCW also available to innocent victims of crime as defined and provided for in this chapter.

Sec. 2. Section 2, chapter 122, Laws of 1973 1st ex. sess. as amended by section 1, chapter 176, Laws of 1975 1st ex. sess. and RCW 7.68.020 are each amended to read as follows:

In the event any person (~~(receiving))~~ entitled to benefits under this chapter additionally seeks a remedy for damages (~~(from the person or persons who have committed the criminal act resulting in damages))~~ incurred as a consequence of a criminal act, then and in that event the department shall be subrogated to the rights of such person and have a lien upon any recovery so made to the extent of the (~~(payments made))~~ benefits paid or payable by the department to or on behalf of such person under this chapter. #### MOTION

On motion of Mr. Smith, the report of the Free Conference Committee was adopted.

#### FINAL PASSAGE OF HOUSE BILL AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker (Mr. Bauer presiding) stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 353 as amended by the Free Conference Committee.

Representatives Tilly, Douthwaite and Knedlik spoke in favor of passage of the bill, and Representatives Charette, Leckenby and Shinpoch spoke against it.

Mr. Tilly spoke again in favor of the bill.

#### POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Hurley (George).

Mr. Hurley (George): "Representative Charette, in looking over the Senate amendments and listening to Representative Tilly's argument, it's a little confusing. I have sympathy with your argument, but I would like you to prove to me, if possible, that the state has injured a considerable number of people and therefore these particular people who have been injured deserve the right to sue after previously receiving benefits from the state."

Mr. Charette: "Representative Hurley, I believe the final draft is contained in the Free Conference Committee report that you have on your desk. I'm really not being facetious, but it's impossible to answer that question."

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 353 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 56; nays, 32; not voting, 10.

Voting yea: Representatives Barnes, Bauer, Bender, Berentson, Bond, Burns, Charnley, Clemente, Conner, Douthwaite, Ehlers, Enbody, Eng, Erak, Erickson, Fischer, Fortson, Fuller, Gallagher, Gilleland, Grier, Hansen, Hughes, Hurley G. A., North, Oliver, Owen, Polk, Pruitt, Salatino, Sanders, Schmitt, Sherman, Smith, Sommers, Taller, Tilly, Warnke, Whiteside, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Amen, Barr, Becker, Blair, Boldt, Chandler, Charette, Clayton, Craswell, Dunlap, Fancher, Greengo, Grimm, Gruger, Hanna, Hawkins, Heck, Keller, Kreidler, Leckenby, Lux, May, Pardini, Patterson, Shinoda, Shinpoch, Struthers, Thompson, Valle, Vrooman, Walk, Zimmerman.

## MESSAGE FROM THE SENATE

June 11, 1977

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on ENGROSSED SENATE BILL NO. 2185, and has granted said committee the powers of Free Conference.

Sidney R. Snyder, Secretary.

## REPORT OF FREE CONFERENCE COMMITTEE

June 9, 1977

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 2185, permitting aliens to teach in the common school system, have had the same under consideration, and we recommend that the House amendments be stricken, and the following amendments be adopted:

On page 1, line 11 after "law," insert "and"

On page 1, line 12 after "America" strike all the material down through "expired" on line 14 and insert "~~((and five years and six months have not expired since such declaration was made: PROVIDED FURTHER, That))~~ : PROVIDED FURTHER, That after a one year probationary period"

On page 1, line 15 after "district" insert "which employed such teacher on a permit"

On page 1, line 25 after "writing" strike all the material down through "instruction" on line 29 and insert "~~((that he is not a member of or affiliated with a communist or communist sponsored organization or a fascist or fascist sponsored organization. The form of such oath or affirmation shall be prepared by the superintendent of public instruction))~~ as follows: I do solemnly swear (or affirm) that I will support the Constitution and laws of the United States and the Constitution and laws of the state of Washington; that I do not advocate the overthrow, destruction, or alteration of the constitutional form of government of the United States or of the state of Washington or any political subdivision of either of them."

Signed by Senators McDermott, Hayner, Sandison; Representatives Eng, Bender, Schmitt.

## MOTION

Mr. Eng moved that the report of the Free Conference Committee be adopted.

Mr. Eng spoke in favor of the motion.

## POINT OF INQUIRY

Mr. Eng yielded to question by Mr. Pruitt.

Mr. Pruitt: "Representative Eng, in the loyalty oath, do present teachers of our schools have to take this oath or has this been declared unconstitutional?"

Mr. Eng: "My understanding is that it has been declared unconstitutional, but the reason for this loyalty oath in here in a simplified form, is that the Senate members of the Free Conference Committee felt that it still should be something they would prefer to have. The House members felt that if that's what they wanted, we'd give it to them."

## POINT OF INQUIRY

Mr. Eng yielded to question by Mrs. Fortson.

Mrs. Fortson: "In the proviso, it says, 'after a one year probationary period.' Is that an additional year? We already have a probationary period of one year."

Mr. Eng: "That's a compromise area, Representative Fortson. What happened was that the House members wanted to take out the five and one-half year requirement, and the Senate members wanted to compromise on it, so the compromise was the one year probationary period, but that's in the law already."

Mr. Schmitt spoke in favor of adoption of the Free Conference Committee report and Representatives Nelson (Dick) and Smith spoke against it.

## POINT OF INQUIRY

Mr. Eng yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "With reference to the question raised by Representatives Nelson and Smith, the alteration of the constitutional form of government, is it the committee's intent to consider alteration of the constitutional form of government the same as purporting to change

the Constitution? Or would it mean that we're throwing out the Constitutional form and going to something else entirely?"

Mr. Eng: "My understanding in relation to what we accepted was that this would be more of a radical change in relation to our form of government."

Representatives Douthwaite and Hawkins spoke against adoption of the Free Conference report, and Mr. Clemente spoke in favor of it.

#### ROLL CALL

The Clerk called the roll on the motion that the House adopt the report of the Free Conference Committee on Engrossed Senate Bill No. 2185, and the motion was carried by the following vote: Yeas, 56; nays, 31; not voting, 11.

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 2382, authorizing senior citizen passports for admission to and use of state parks, have had the same under consideration, and we recommend that the bill be amended to read as follows:

\*AN ACT Relating to state parks; and adding a new section to chapter 43.51 RCW.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION, Section 1. There is added to chapter 43.51 RCW a new section to read as follows:

(1) The commission shall grant to any person who meets the eligibility requirements specified in this section a senior citizen's pass which shall (a) entitle such person, and members of his camping unit, to a fifty percent reduction in the campsite rental fee prescribed by the commission, and (b) entitle such person to free admission to any state park.

(2) The commission shall grant a senior citizen's pass to any person who applies for the same and who meets the following requirements:

(a) The person is at least sixty-two years of age; and

(b) The person is a domiciliary of the state of Washington and meets reasonable residency requirements prescribed by the commission; and

(c) The person and his or her spouse have a combined income which would qualify the person for a property tax exemption pursuant to RCW 84.36.381, as now law or hereafter amended. The financial eligibility requirements of this subparagraph (c) shall apply regardless of whether the applicant for a senior citizen's pass owns taxable property or has obtained or applied for such property tax exemption.

(3) Each senior citizen's pass granted pursuant to this section shall, unless renewed, expire on January 1 of the next year following the year in which it was issued. Any application for renewal of a senior citizen's pass shall, for purposes of the financial eligibility requirements of this section, be treated as an original application.

(4) Any resident of Washington who is disabled as defined by the social security administration and who receives social security benefits for that disability or who is entitled to benefits for permanent disability under RCW 71.20.015 and 72.33.020 due to unemployability full time at the minimum wage shall be entitled to receive, regardless of age and upon making application therefor, a disability pass at no cost to the holder. The pass shall (a) entitle such person, and members of his camping unit, to a fifty percent reduction in the campsite rental fee prescribed by the commission, and (b) entitle such person to free admission to any state park.

(5) All passes issued pursuant to this section shall be valid at all parks any time during the year: PROVIDED, That the pass shall not be valid for admission to concessionaire operated facilities.

(6) This section shall not affect or otherwise impair the power of the commission to continue or discontinue any other programs it has adopted for senior citizens.

(7) The commission shall adopt such rules and regulations as it finds appropriate for the administration of this section. Among other things, such rules and regulations shall prescribe a definition of "camping unit" which will authorize a reasonable number of persons traveling with the person having a senior citizen's pass to stay at the campsite rented by such person, a minimum Washington residency requirement for applicants for a senior citizen's pass and an application form to be completed by applicants for a senior citizen's pass."

Signed by Senators von Reichbauer, Lewis, Gaspard; Representatives Hurley (Margaret), North, Paris.

## POINT OF INQUIRY

Mrs. Hurley (Margaret): "There are spaces for tents, spaces for group parking for camping such as camps for boy scouts, girl scouts, bluebirds and things like this. A person doesn't have to have an expensive RV in order to use this. I believe the price for tent camping is now \$3.50 per night and the price for RV's is around \$4.50."

Mr. Lysen spoke in favor of the amendment to the committee amendment.

## POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Lysen, you stated January 30, 1978, and that's kind of an interesting date for this report to come back. By that time if we were to come back into a special session, typically we'd be halfway through it; we'd be getting that report when we are ready to close that one up. Why didn't you bring it back on January 2nd?"

Mr. Lysen: "I'd be willing to do that. However, if we're amending the committee amendment, I think parliamentarily we'd have a problem. We'll probably try to do that; this is just a matter of procedure."

Representatives Newhouse and Berentson spoke against the amendment to the committee amendment.

## MOTIONS

On motion of Mr. King, further consideration of Engrossed Substitute Senate Bill No. 2910 was deferred, and the bill was ordered to hold its place on the second reading calendar.

The Speaker: "No, it doesn't."

The motion was carried.

THIRD SUBSTITUTE HOUSE BILL NO. 1188, by Committee on Natural Resources (Originally sponsored by Representatives Martinis, Moreau, Kilbury, Greengo, Smith, Wilson, Schmitt, Taller, Chandler, Boldt, Owen, Burns, Becker and Berentson - by Governor Ray request):

Allowing department of fisheries to deposit revenues into funds other than the general fund when so provided by law.

The House resumed consideration of the bill on second reading. (For previous action, see yesterday's Journal, 95th Day ex. sess., June 13, 1977.)

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Third Substitute House Bill No. 1188 was placed on final passage.

Mr. Martinis spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Martinis, one of the earlier versions of this program anticipated that the bonds could not be sold unless the license fees were flowing in an amount to service those bonds. Does the third substitute bill still contain that provision?"

Mr. Martinis: "Representative Pardini, it does not. Let me explain the mechanics of the earlier bill and the mechanics of this bill. The mechanics of the earlier proposition was that the bonds would be serviced by the general fund, but the general fund would have had deposited from the now nonexistent revenue—the salmon revenue fund. What was needed to service the bonds would have flowed into the general fund and serviced the bonds. Through the House and the Senate amendatory process that salmon revenue fund has been deleted. I thought maybe an appropriate approach would be that any surplus that would have been in that salmon revenue fund would have gone into the general fund, but that just says that the revenue just goes into the general fund. So that's the reason for deletion of the salmon revenue fund, and with an intent section of the Legislature saying that the intent of the revenues is for the enhancement program. The intent section is not long."

Mr. Pardini: "So in effect, we have a general obligation bond which we are hopeful that the revenues from the salmon fishing licenses will service, but we have no hold on those to say that the bonds cannot be issued if the revenues do not come as high as we anticipated?"

Mr. Martinis: "The projected revenues more than service those bonds for the capital expenditures. After six or eight years, the M&O plus the capital would have exceeded the revenues here, but when we concurred in the Senate amendments to the bond bill, the Director of Fisheries is directed to report to the Legislature to show the sufficiency of these revenues to service the enhancement program."

Mr. Wilson spoke in favor of passage of the bill.

#### MOTION

On motion of Mr. Martinis, Third Substitute House Bill No. 1188 was ordered transmitted immediately to the Senate.

The Speaker declared the House to be at ease until 1:30 p.m.

The Speaker called the House to order.

#### SIGNED BY THE SPEAKER

The Speaker announced he was signing:

SUBSTITUTE HOUSE BILL NO. 183,  
HOUSE BILL NO. 649.

#### SECOND READING

SUBSTITUTE HOUSE BILL NO. 318, by Committee on Judiciary (Originally sponsored by Representatives Hansen, Fortson, Fancher, Gaines, Kilbury, Boldt, Charnley, Amen and Knedlik):

Permitting owners of property subject to condemnation proceedings to give the property to governmental unit involved.

The bill was read the second time.

Committee on Local Government recommendation: That the bill do pass without concurrence in any of the Senate amendments.

#### MOTION

Mr. Thompson moved that the House adopt the Committee on Local Government recommendation.

With the consent of the House, Mr. Hansen withdrew the motion, and spoke against the motion by Mr. Thompson.

#### POINT OF ORDER

Mr. Douthwaite: "It's my recollection that these amendments were once declared to be beyond the scope and object of the bill. Is that correct?"

## SPEAKER'S RULING

The Speaker: "Based on House Rule 31, the Senate changed the scope and object and that's the reason the bill was rereferred to committee. The amendments were not ruled outside the scope and object."

Mr. Hansen continued his remarks in opposition to the motion.

Mr. Thompson spoke again in favor of the motion, and Mr. Hansen spoke again against it.

## POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Amen.

Mr. Amen: "Representative Thompson, in the new section 4, that Representative Hansen referred to, about deeding one to five acres, or not less than one nor more than five acres, to the parents, spouse or child for the exclusive purpose of putting a house on there, it says, 'The deed shall contain a restrictive covenant running with the property reflecting the provisions of this section.' In my estimation this sentence doesn't add anything to it. What would you think? Would this be restrictive or not?"

Mr. Thompson: "I think you've correctly pinpointed our concerns, Representative Amen. There are other constraints that need to be made more explicit if this is to carry out the intent of the sponsor and not provide for further transfers and pyramiding in such a development."

Mr. Amen spoke in favor of the motion to adopt the Committee on Local Government recommendation.

## ROLL CALL

The Clerk called the roll on the motion that the House adopt the Committee on Local Government recommendation, and the motion was carried by the following vote: Yeas, 54; nays, 32; not voting, 12.

Voting yea: Representatives Amen, Becker, Bender, Blair, Burns, Chandler, Charette, Charnley, Clemente, Conner, Douthwaite, Ehlers, Enbody, Eng, Erak, Erickson, Fuller, Greengo, Grimm, Gruger, Hanna, Hawkins, Heck, Hughes, Hurley G. The Speaker stated the effect of the vote was that the House did not concur in the Senate amendments to Substitute House Bill No. 318, and ask the Senate to recede therefrom.

Representatives Grier, Kilbury, Martinis, McCormick, Moreau and Vrooman appeared at the bar of the House.

**SECOND SUBSTITUTE SENATE BILL NO. 2232**, by Committee on Ways and Means (Originally sponsored by Senators Mardesich, von Reichbauer, Grant, Murray, Herr, Matson, Day, Odegaard, Fleming and Hayner):

Providing for educational clinics and authorizing state aid for students enrolled therein.

The bill was read the second time.

Committee on Education recommendation: Majority, do pass as amended. (For amendments, see Journal, 85th Day ex. sess., June 3, 1977.)

On motion of Mr. Clemente, the committee amendment to page 2, line 15 was adopted.

Mr. Clemente moved adoption of the committee amendment to page 4, adding a new section 7, and spoke against adoption of the amendment.

The amendment was not adopted.

Mr. Barnes moved adoption of the following amendment:

On page 1, line 9 after "any" strike "private"

Mr. Barnes spoke in favor of the amendment, and Representatives Clemente, Boldt and Dunlap spoke against it.

#### POINT OF INQUIRY

Mr. Barnes yielded to question by Mr. Greengo.

Mr. Greengo: "Representative Barnes, just for the record, you said the public schools could compete with these educational clinics, and it's my impression that any sums of money that would be paid to the educational clinics would include their entire cost of operation. Is it your intention that in a manner of competing, the public schools would have to include all of their costs, including their burden of overhead, their capital costs, so we would have a true comparison of the total costs? We're talking about their teacher salaries, their fringe benefits, the school, the buildings themselves, the amortization of the bonds—this sort of thing. Is it your intention that this will all be included?"

Mr. Barnes: "It is my intention that the public schools could bid these jobs at a great cost effectiveness because they already have the facilities which they would not have to charge off against this program. Maybe you would call this unfair, but it's very fair to the taxpayers. If you add to the fact that most of the expertise in special education is in the public schools, I think this would give an opportunity for a very cost-effective method of doing this. The SPI can look at the bottom line cost and judge the effectiveness and make the choice of whether to choose a public school that wants to run such as a clinic or private school."

Representatives Greengo and Douthwaite spoke against the amendment, and Mr. Barnes spoke again in favor of it.

The amendment was not adopted.

#### MOTION

On motion of Mr. King, further consideration of Second Substitute Senate Bill No. 2232 was deferred, and the bill was ordered to hold its place on today's second reading calendar.

Voting nay: Representatives Amen, Barnes, Barr, Berentson, Blair, Bond, Chandler, Clayton, Craswell, Deccio, Dunlap, Enbody, Erak, Fancher, Flanagan, Fortson, Fuller, Gilleland, Grimm, Heck, Hughes, Hurley M., Leckenby, May, Nelson G. A., Newhouse, Oliver, Pardini, Patterson, Polk, Sanders, Schmitt, Shinoda, Struthers, Taller, Tilly, Walk, Whiteside, Wilson, Winsley, Zimmerman.

#### MOTION

On motion of Mr. King, Representatives Keller, North and Warnke were excused from the Call of the House.

The Speaker called on Mr. Charnley to preside.

#### SECOND SUBSTITUTE SENATE BILL NO. 2232:

The House resumed consideration of the bill on second reading.

Mr. Whiteside moved adoption of the following amendments by Representatives Whiteside and McKibbin:

On page 2, line 16 after "common" insert "or private"

On page 2, line 24 strike "common"

On page 2, line 25 strike "common"

Representatives Whiteside and Boldt spoke in favor of the amendments, and they were adopted.

The Clerk read the following amendment by Representative Barnes:

On page 2, line 27 after "therefrom" insert ": PROVIDED, That a program offered by a common school may qualify as an educational clinic for the purposes of this act under rules established by the state board of education"

With the consent of the House, Mr. Barnes withdrew the amendment.

Mr. Whiteside moved adoption of the following amendment:

On page 2, after subsection (3) add a new subsection as follows:

"(4) Programs at educational clinics shall be designed and carried out to encourage maximum progress toward the attainment of a high school diploma and completion of the diploma program either at the clinic or upon subsequent entry into the common school."

Mr. Whiteside spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Whiteside yielded to question by Mr. Dunlap.

Mr. Dunlap: "Representative Whiteside, I think I understand the intent of your amendment, but what I'd like to know is whether or not adoption of your amendment would preclude students at a private educational clinic from working toward a GED?"

Mr. Whiteside: "I would hope so. I would like to see the educational clinics develop a program in concert with the various high school districts in the state whereby these students, if they were qualified, would receive a high school diploma at the educational clinic."

Representatives Dunlap and Heck spoke against the amendment, and Mr. Ehlers spoke in favor of it.

#### POINT OF INQUIRY

Mr. Whiteside yielded to question by Mr. Boldt.

Mr. Boldt: "Representative Whiteside, you want these students to progress toward attaining a high school diploma either at a clinic or upon subsequent entry into the common schools. You had a previous amendment that said we could take private dropouts. Would those students who want to go back into private schools, since you say they are going to enter the common schools, be able to go back to private schools?"

Mr. Whiteside: "Yes. I would agree with that. If this amendment is adopted I would accept an amendment so that they could go back into private schools."

Representatives Boldt and Clemente spoke against the amendment.

On motion of Mr. Boldt, the following amendment to the Whiteside amendment was adopted:

On line 5 of the amendment to page 2, after "common" insert "or private"

Representatives Hurley (George) and Whiteside spoke in favor of the amendment as amended.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Whiteside as amended to Second Substitute Senate Bill No. 2232, and the amendment was not adopted by the following vote: Yeas, 34; nays, 55; not voting, 9.

Voting yea: Representatives Amen, Barr, Blair, Bond, Burns, Chandler, Craswell, Deccio, Douthwaite, Ehlers, Fuller, Greengo, Grier, Gruger, Hawkins, Hurley G. S., Kreidler, Lysen, Nelson G. A., Newhouse, Oliver, Patterson, Pearsall, Sanders, Schmitten, Sherman, Shinoda, Sommers, Struthers, Taller, Tilly, Valle, Whiteside, Wilson.

Voting nay: Representatives Barnes, Bauer, Becker, Bender, Berentson, Boldt, Charette, Charnley, Clayton, Clemente, Conner, Dunlap, Enbody, Eng, Erak, Erickson, Fancher, Fischer, Flanagan, Fortson, Gaines, Gallagher, Gilleland, Grimm, Hanna, Hansen, Heck, Hughes, Hurley M., Kilbury, King, Knedlik, Knowles, Leckenby, Lux, Martinis, Maxie, May, McCormick, McKibbin, Moreau, Nelson D., Pardini, Polk, Pruitt, Salatino, Shipoch, Smith, Thompson, Vrooman, Walk, Williams, Winsley, Zimmerman, and Mr. Speaker.

Not voting: Representatives Adams, Haley, Keller, Lee, North, O'Brien, Owen, Paris, Warnke.

The Clerk read the following amendment by Representatives Whiteside and McKibbin: On page 2, beginning on line 36 with "Notwithstanding" strike all the material down to and including "state." on line 3, page 3.

With the consent of the House, Mr. Whiteside withdrew the amendment.

Mr. Whiteside moved adoption of the following amendment:

On page 3, line 34 after "effectiveness" insert ": PROVIDED, That not more than fifty percent of any appropriation for educational clinics shall be paid to any one clinic"

Representatives Whiteside and Ehlers spoke in favor of the amendment, and Representatives Dunlap, Clemente and Boldt spoke against it.

#### POINT OF INQUIRY

Mr. Boldt yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Boldt, as I understand earlier proceedings, the appropriation was taken out of this bill, therefore there is no money in it. Obviously, that would leave me to conclude that somewhere in the budget we are funding this program with an appropriation to the Superintendent of Public Instruction. If we are, is there a proviso on that appropriation which sets forth any restriction on how this money shall be allocated?"

Mr. Boldt: "On page 45 of Substitute Senate Bill No. 3109, subsection (3), line 5, '...\$425,000.' The last thing it says is that the Superintendent shall adopt rules and regulations to carry out the provisions of this section. As you know, the first section goes into some detail about what is a clinic and what it shall do and who shall apply. That's the best answer I can give."

Mr. Greengo spoke in favor of the amendment.

The amendment was not adopted.

Representative Keller appeared at the bar of the House.

Mr. Boldt moved adoption of the following amendment:

Beginning on page 1, line 7 strike everything after the enacting clause and insert the following:

(3) To be eligible for such payment, every such clinic, without prior notice, shall permit a review of its accounting records by personnel of the state auditor during normal business hours.

Where fewer than fifty eligible pupils are enrolled, parental involvement shall be sought.

(3) Wherever feasible, school officials shall ensure that communications to parents emanating from the schools shall be appropriately bilingual for those parents of pupils in the bilingual instruction program.

(4) Annually determine the number of eligible pupils enrolled in the school district in accord with methods prescribed by rules of the superintendent of public instruction.

**NEW SECTION.** Sec. 10. The superintendent of public instruction shall prepare and issue prior to September, 1977, program development guidelines to assist school districts in preparing their programs. **NEW SECTION.** Sec. 15. If any provision of this 1977 act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected."

#### POINT OF ORDER

Mr. Tilly: "I think this amendment violates House Rule 32. This amendment includes Substitute House Bill No. 480 which is in the Senate Rules Committee."

#### POINT OF ORDER

Mr. Boldt: "If I may read from Rule 32, it says, '... under color of amendment no bill or resolution shall at any time be amended by annexing thereto or incorporating therein any other bill or resolution pending before the house.' This is the House and that bill is before the Senate."

#### SPEAKER'S RULING (MR. CHARNLEY PRESIDING)

The Speaker (Mr. Charnley presiding): "Representative Boldt, your point is well taken. Representative Tilly, the ruling of the Chair is as described by Representative Boldt."

The Clerk read the following amendment by Representatives Whiteside and McKibbin to the Boldt amendment:

Whiteside and McKibbin:

On page 2 of the amendment after subsection (3) add a new subsection as follows:

"(4) Programs at educational clinics shall be designed and carried out to encourage maximum progress toward the attainment of a high school diploma and completion of the diploma program either at the clinic or upon subsequent entry into the common school."

With the consent of the House, Mr. Whiteside withdrew the amendment to the amendment.

On motion of Mr. Whiteside, the following amendments by Representatives Whiteside and McKibbin to the amendment were adopted:

On page 2, line 25 after "common" insert "or private"

Mr. Whiteside moved adoption of the following amendment by Representatives Whiteside and Boldt to the amendment:

The amendment to the amendment was adopted.

Mr. Whiteside moved adoption of the following amendment by Representatives Whiteside and Boldt to the amendment:

On page 5 of the amendment, line 41 after "instruction." insert "The pupil shall be transferred to the normal English language program when annual tests indicate the necessary competency."

#### POINT OF INQUIRY

Mr. Whiteside yielded to question by Mr. Tilly.

Mr. Tilly: "Representative Whiteside, it appears to me that you are confusing it. What if the person in the testing doesn't indicate that they are competent or efficient and you have this cutoff after three years? What happens to them?"

Mr. Whiteside: "I think that would be a problem with the bill and not with my amendment, Representative Tilly, because in the bill it states they are just going to be in this program for three years and no longer."

The amendment to the amendment was adopted.

The Speaker (Mr. Charnley presiding) stated the question before the House to be the amendment by Representatives Boldt, Dunlap and Clemente as amended.

Mr. Boldt spoke in favor of the amendment.

#### MOTION

Mr. Pardini moved that Senate Joint Resolution No. 124 be made a Special Order of Business at 3:40 p.m.

#### POINT OF ORDER

Mr. King: "The motion is out of order. The resolution is not before us and it would first of all have to be removed from committee before the motion could be made to make it a special order of business."

The Speaker (Mr. Charnley presiding): "Representative Pardini, your motion was to make the resolution a special order of business and that motion is out of order."

Mr. Pardini: "A special order of business would bring that resolution before the body as a matter of action. It is one and the same motion and I want to make it a specific time. If you

want to defeat it, then defeat it, but the motion is proper and in order and I'm asking the majority of this body to bring it before them in two minutes."

#### SPEAKER'S RULING (MR. CHARNLEY PRESIDING)

The Speaker (Mr. Charnley presiding): "Representative Pardini, you have put two motions in the form of one. You first have to make a motion to suspend the rules and bring the bill from committee, and then you can make a motion to place it as a special order of business."

Mr. Pardini: "I'm sorry you are in error, Mr. Speaker. We do not have to suspend the rules. A majority of the body can bring a bill before it at any time. My motion is for a majority of this body to bring the bill before it at 3:40 this afternoon."

The Speaker (Mr. Charnley presiding): "Representative Pardini, your motion is to bring Senate Joint Resolution No. 124 before us and make it a special order of business. That is not a proper motion. A proper motion would be to relieve the State Government Committee of the resolution and bring it to the floor."

#### MOTION

Mr. Pardini moved that the Committee on State Government be relieved of Senate Joint Resolution No. 124 and that the resolution be placed before the body for immediate consideration.

Representatives Pardini, Berentson and Blair spoke in favor of the motion, and Representatives Ehlers, King, Kilbury and Hurley (George) spoke against it.

Mr. Pardini spoke again in favor of the motion, and Mr. Knedlik spoke against it.

#### POINT OF ORDER

Mr. Pardini: "Representative Knedlik is impugning my motives on a backdoor pay raise. I would tell Representative Knedlik something if he wants to talk in private about pay raises and what my future plans are."

The Speaker (Mr. Charnley presiding): "Representative Knedlik, the motion is to relieve the committee of SJR 124. Speak to the motion please."

Mr. Knedlik continued his remarks in opposition to the motion, and Mr. Tilly spoke in favor of it.

#### ROLL CALL

The Clerk called the roll on the motion to relieve the State Government Committee of Senate Joint Resolution No. 124, and the motion was lost by the following vote: Yeas, 35; nays, 55; not voting, 8.

Voting yea: Representatives Amen, Barnes, Barr, Berentson, Blair, Bond, Chandler, Clayton, Craswell, Deccio, Dunlap, Fancher, Flanagan, Fuller, Gilleland, Greengo, Hughes, Leckenby, Nelson G. A., Newhouse, Oliver, Pardini, Patterson, Polk, Sanders, Schmitt, Shinoda, Smith, Struthers, Tally, Whiteside, Wilson, Winsley, Zimmerman.

Voting nay: Representatives Bauer, Becker, Bender, Boldt, Burns, Charette, Charnley, Clemente, Conner, Douthwaite, Ehlers, Enbody, Eng, Erak, Erickson, Fischer, Fortson, Gaines, Gallagher, Grier, Grimm, Gruger, Hanna, Hansen, Hawkins, Heck, Hurley G. Not voting: Representatives Adams, Haley, Lee, North, O'Brien, Owen, Paris, Warnke.

The Speaker (Mr. Charnley presiding) stated the question before the House to be the amendment by Representatives Boldt, Dunlap and Clemente as amended to Second Substitute Senate Bill No. 2232.

#### POINT OF INQUIRY

Mr. Clemente yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Representative Boldt commented on the graveyard on the fourth floor and I'm more concerned about the potential graveyard in the Temple of Justice. My question deals with the severability clause. If suit is brought and private sectarian schools are denied participation in these educational clinics, is it the intent of the committee that private nonsectarian schools shall still be allowed to participate in the clinics?"

Mr. Clemente: "Yes, it is, Representative Douthwaite. I believe the bill is drawn so that a sectarian school as such couldn't be involved. It would have to be a separate entity as a clinic in order to qualify. Under those restrictions I think there wouldn't be a conflict."

Representatives Clemente, Dunlap and Boldt spoke in favor of the amendment as amended, and Mr. Whiteside spoke against it.

The amendment as amended was adopted.

On motion of Mr. Clemente, the committee amendment to the title was not adopted.

On motion of Mr. Boldt, the following amendments to the title were adopted:

On line 1 of the title after "education;" and before "providing" insert "providing for certain remedial educational services;"

On line 3 of the title after "clinics;" and before "creating" insert "providing for bilingual instruction in the common schools;"

On line 3 of the title after "sections;" and before "adding" strike "and"

On line 5 of the title after "thereof" and before the period insert "; and making effective dates"

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Second Substitute Senate Bill No. 2232 as amended by the House was placed on final passage.

### ROLL CALL

The Clerk called the roll on the final passage of Second Substitute Senate Bill No. 2232 as amended by the House, and the bill passed the House by the following vote: Yeas, 69; nays, 21; not voting, 8.

Voting yea: Representatives Bauer, Becker, Bender, Berentson, Blair, Boldt, Bond, Chandler, Charette, Charnley, Clemente, Conner, Dunlap, Enbody, Eng, Erak, Erickson, Fischer, Fortson, Fuller, Gaines, Gallagher, Gilleland, Greengo, Grier, Gruger, Hanna, Hansen, Hawkins, Heck, Hurley G. S., Hurley M., Keller, Kilbury, King, Knedlik, Knowles, Kreidler, Leckenby, Lux, Lysen, Martinis, Maxie, McCormick, McKibbin, Moreau, Nelson D., Nelson G. A., Oliver, Pardini, Pearsall, Polk, Pruitt, Salatino, Sanders, Schmitt, Sherman, Shinoda, Shinpoch, Sommers, Tally, Thompson, Valle, Vrooman, Williams, Wilson, Winsley, Zimmerman, and Mr. Speaker.

Voting nay: Representatives Amen, Barnes, Barr, Burns, Clayton, Craswell, Deccio, Douthwaite, Ehlers, Fancher, Flanagan, Grimm, Hughes, May, Newhouse, Patterson, Smith, Struthers, Tilly, Walk, Whiteside.

Not voting: Representatives Adams, Haley, Lee, North, O'Brien, Owen, Paris, Warnke.

Second Substitute Senate Bill No. 2232 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

### ENGROSSED SUBSTITUTE SENATE BILL NO. 2910:

The House resumed consideration of the bill on second reading.

The Speaker (Mr. Charnley presiding) stated the question before the House to be the amendment by Representatives Lysen and Dunlap to page 20, line 2.

With the consent of the House, Mr. Lysen withdrew the amendment.

Mr. Lysen moved adoption of the following amendment by Representatives Lysen and Dunlap to the committee amendment:

On page 20, after line 2 insert a new section to read as follows:

**NEW SECTION.** Sec. 17. The senate and house committees on energy and utilities, subject to approval of the respective house and senate rules committees, are directed to make continuing studies of energy facility siting and the role of the energy facility site evaluation council in that process and submit their findings and recommendations to the Washington State Legislature on or before January 30, 1978. Such studies shall include, but not be limited to examination of:

(1) The relationship between local and regional land use planning and the need for siting energy facilities;

(2) The length of time necessary for the council to adequately process applications for certification;

(3) The relationship between the roles of member state agencies in objectively reviewing an application for certification and in representing agency interests to the council;

(4) The feasibility, benefits and disadvantages of requiring certification of the need for an energy facility as a part of the overall certification process;

(5) Possible approaches to state identification of sites for future energy facilities and the feasibility, benefits and disadvantages of state control or acquisition of such sites; and

(6) The benefits and disadvantages of alternative approaches to state review and approval of applications for certification of sites for energy facilities."

Renumber the remaining sections consecutively.

Mr. Lysen spoke in favor of the amendment to the committee amendment.

#### POINT OF ORDER

Mr. Martinis: "Mr. Speaker, my point of order is that this amendment is a statutory requirement of a nonstatutory committee. The House standing committees are created by the House rules and not by the statutes of the Legislature. This would be a statutory directive for the Energy and Utilities Committee, a standing committee of this House, to do studies by a nonstatutory committee."

#### SPEAKER'S RULING (MR. CHARNLEY PRESIDING)

The Speaker (Mr. Charnley presiding): "Representative Martinis, if you will look on line 2 of the amendment, it says, 'subject to the approval of the house and senate rules committees.' The Chair believes that would answer the problem you raise."

Mr. Lysen continued his remarks in favor of the amendment to the committee amendment.

On motion of Mr. Bender, Representative Flanagan was excused from the Call of the House.

Representatives Blair, Martinis and Newhouse spoke against the amendment to the committee amendment, and Mr. Lysen spoke again in favor of it.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Lysen and Dunlap to the committee amendment to Engrossed Substitute Senate Bill No. 2910, and the amendment was not adopted by the following vote: Yeas, 20; nays, 69; not voting, 9.

Voting yea: Representatives Bauer, Bender, Conner, Dunlap, Ehlers, Eng, Gruger, Hawkins, Heck, Lysen, McKibbin, Nelson D., Pardini, Pruitt, Shinpoch, Valle, Williams, Winsley, Zimmerman, and Mr. Speaker.

Voting nay: Representatives Amen, Barnes, Barr, Becker, Berentson, Blair, Boldt, Bond, Burns, Chandler, Charette, Charnley, Clayton, Clemente, Craswell, Deccio, Douthwaite, Enbody, Erak, Erickson, Fancher, Fischer, Fortson, Fuller, Gaines, Gallagher, Gilleland, Greengo, Grier, Grimm, Hanna, Hansen, Hughes, Hurley G. S., Hurley M., Keller, Kilbury, King, Knedlik, Knowles, Kreidler, Leckenby, Lux, Martinis, Maxie, May, McCormick, Moreau, Nelson G. A., Newhouse, Oliver, Patterson, Pearsall, Polk, Salatino, Sanders, Schmitt, Sherman, Shinoda, Smith, Sommers, Struthers, Taller, Thompson, Tilly, Vrooman, Walk, Whiteside, Wilson.

Not voting: Representatives Adams, Flanagan, Haley, Lee, North, O'Brien, Owen, Paris, Warnke.

On motion of Mr. Lysen, the following amendment by Representatives Lysen and Dunlap to the committee amendment was adopted:

On page 10, line 15 after "applications" insert "and to site certifications"

Mr. Lysen moved adoption of the following amendment by Representatives Lysen and Dunlap to the committee amendment:

On page 16 of the House committee amendment, after line 14 insert the following:

"Sec. 13. Section 2, chapter 110, Laws of 1974 ex. sess. as amended by section 40, chapter 108, Laws of 1975-'76 2nd ex. sess. and RCW 80.50.175 are each amended to read as follows:

(1) In addition to all other powers conferred on the council under this chapter, the council shall have the powers set forth in this section.

(2) The council, upon request of any potential applicant, is authorized, as provided in this section, to conduct a preliminary study of any potential site prior to receipt of an application for site certification. A fee of ten thousand dollars for each potential site, to be applied toward the cost of any study agreed upon pursuant to subsection (3) of this section, shall accompany the request and shall be a condition precedent to any action on the request by the council.

(3) After receiving a request to study a potential site, the council shall commission its own independent consultant to study matters relative to the potential site. The study shall include, but need not be limited to, the preparation and analysis of environmental impact information for the proposed potential site and any other matter the council and the potential applicant deem essential to an adequate appraisal of the potential site. In conducting the study, the council is authorized to cooperate and work jointly with the county or counties in which the potential site is located, any federal, state, or local governmental agency that might be requested to comment upon the potential site, and any municipal or public corporation having an interest in the matter. The full cost of the study shall be paid by the potential applicant: PROVIDED, That such costs exceeding a total of ten thousand dollars shall be payable subject to the potential applicant giving prior approval to such excess amount.

(4) Any study prepared by the council pursuant to subsection (3) of this section may be used in place of the "detailed statement" required by RCW 43.21C.030(2)(c) by any branch of government except the

council created pursuant to chapter 80.50 RCW. (~~Except for actions of the council under chapter 80.50 RCW, all proposals for legislation and other actions of any branch of government of this state, including state agencies, municipal and public corporations, and counties, to the extent the legislation or other action involved approves, authorizes, permits, or establishes procedures solely for approving, authorizing or permitting, the location, financing or construction of any energy facility subject to certification under chapter 80.50 RCW, shall be exempt from the "detailed statement" required by RCW 43.21C.030. Nothing in this subsection shall be construed as exempting any action of the council from any provision of chapter 43.21C RCW.~~)

(5) All payments required of the potential applicant under this section are to be made to the state treasurer, who in turn shall pay the consultant as instructed by the council. All such funds shall be subject to state auditing procedures. Any unexpended portions thereof shall be returned to the potential applicant.

(6) Nothing in this section shall change the requirements for an application for site certification or the requirement of payment of a fee as provided in RCW 80.50.070, or change the time for disposition of an application for certification as provided in RCW 80.50.100.

(7) Nothing in this section shall be construed as preventing a city or county from requiring any information it deems appropriate to make a decision approving a particular location.

**NEW SECTION.** Sec. 14. There is added to chapter 80.50 RCW a new section to read as follows:

Except for actions of the council under chapter 80.50 RCW, all proposals for legislation and other actions of any branch of government of this state, including state agencies, municipal and public corporations, and counties, to the extent the legislation or other action involved approves, authorizes, permits, or establishes procedures solely for approving, authorizing or permitting, the location, financing or construction of any energy facility subject to certification under chapter 80.50 RCW, shall be exempt from the 'detailed statement' required by RCW 43.21C.030. Nothing in this section shall be construed as exempting any action of the council from any provision of chapter 43.21C RCW."

Renumber the remaining sections consecutively and correct the internal cross references accordingly.

Mr. Lysen spoke in favor of the amendment to the committee amendment.

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Fuller.

Mr. Fuller: "In subsection (2), what is a potential applicant?"

Mr. Lysen: "This would be a power company, a PUD, anybody who would survey a site for consideration of building a power plant."

The amendment to the committee amendment was adopted.

On motion of Mr. Bender, Representative Smith was excused from the Call of the House.

The Speaker (Mr. Charnley presiding) stated the question before the House to be the committee amendment as amended.

Representatives Lysen and Dunlap spoke in favor of the amendment as amended, and Mr. Leckenby spoke against it.

Mr. Lysen spoke again in favor of the amendment as amended.

#### POINT OF INQUIRY

Mr. Dunlap yielded to question by Mr. Oliver.

Mr. Oliver: "I'm quite concerned about this preemption of local governments and I would like to know exactly what in the statutes are we talking about in terms of a local government? Are we talking about two or three people obtaining a court order and delaying a project? Are we talking about the county commissioners—exactly what are we talking about? Could three people delay a project which the whole nation wants or what are the ramifications of this?"

Mr. Dunlap: "Representative Oliver, we're talking about local units of government. I suppose in the extreme if three people comprise a local unit of government, the three people could forestall action, but generally we're talking about counties, cities, and local units of government with which we are all familiar, not a small handful of one, two or three people."

Mr. Oliver: "My question is specifically what governmental bodies are we dealing with in this statute? Perhaps Representative Lysen could elaborate on this."

Mr. Lysen: "It would remain under the jurisdiction of the elected local county commissioners. They are elected officials and are ultimately responsible for local zoning within counties. It's up to them, and we're saying the track record in this state is excellent with local county commissioners in terms of negotiating contracts, rezoning and accommodating major energy facilities. Until demonstrated otherwise, I think we should not transfer this authority from locally elected officials to third level state bureaucrats."

The committee amendment as amended was adopted.

On motion of Mr. Bender, Representative Thompson was excused from the Call of the House.

Mr. Lysen moved adoption of the committee amendment to the title.

On motion of Mr. Lysen, the following amendment to the committee title amendment was adopted:

On page 20 of the committee amendment, line 30 before "making" insert "amending section 2, chapter 110, Laws of 1974 ex. sess. as amended by section 40, chapter 108, Laws of 1975-'76 2nd ex. sess. and RCW 80.50.175;"

The committee title amendment as amended was adopted.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2910 as amended by the House was placed on final passage.

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Dunlap.

Mr. Dunlap: "Representative Lysen, this bill on the siting law gives the Siting Council the power to establish construction and operational conditions as part of its certification agreement. Is it the intent of the bill to allow the Council to regulate the construction and operation of nuclear power plants?"

Mr. Lysen: "The bill and the present law never contemplated allowing the Council to regulate these aspects of nuclear power plants exclusively under the jurisdiction of the federal government. The Federal Nuclear Regulatory Commission has sole authority over radioactive aspects of nuclear power plants; however, the Council has the power to regulate other nonnuclear aspects of power plant operation, such as water discharge, to the extent that such regulation does not conflict with federal law. Of course, the construction and operational conditions of other energy facilities are regulated by the Council. There is nothing to change this overall state-federal regulatory picture."

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Ms. Becker.

Ms. Becker: "Representative Lysen, is this bill intended to be retroactive in any way?"

Mr. Lysen: "The answer is no. This legislation is not in any way intended to look back on the existing statute. This applies to future applications only and will be the governing state policy as future energy facilities are applied for and come before the Siting Council. It is in no way affecting existing statute."

#### ROLL CALL

The Clerk called the roll of the final passage of Engrossed Substitute Senate Bill No. 2910 as amended by the House, and the bill passed the House by the following vote: Yeas, 78; nays, 9; not voting, 11.

Voting yea: Representatives Barnes, Bauer, Becker, Bender, Berentson, Blair, Boldt, Bond, Burns, Chandler, Charnley, Clayton, Clemente, Craswell, Deccio, Douthwaite, Dunlap, Ehlers, Enbody, Eng, Erickson, Fancher, Fischer, Fortson, Fuller, Gaines, Gallagher, Greengo, Grier, Grimm, Gruger, Hanna, Hansen, Hawkins, Heck, Hughes, Hurley G. S., Hurley M., Keller, Kilbury, King, Knedlik, Knowles, Kreidler, Lux, Lysen, Martinis, Maxie, May, McCormick, McKibbin, Moreau, Nelson D., Nelson G. A., Newhouse, Pardini, Pearsall, Polk, Pruitt, Salatino, Sanders, Schmitt, Sherman, Shinoda, Shinpoch, Sommers, Struthers, Taller, Tilly, Valle, Vrooman, Walk, Whiteside, Williams, Wilson, Winsley, Zimmerman, and Mr. Speaker.

Voting nay: Representatives Amen, Barr, Charette, Conner, Erak, Gilleland, Leckenby, Oliver, Patterson.

Not voting: Representatives Adams, Flanagan, Haley, Lee, North, O'Brien, Owen, Paris, Smith, Thompson, Warnke.

Engrossed Substitute Senate Bill No. 2910 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

On motion of Mr. Bender, Representative Douthwaite was excused from the Call of the House.

## SENATE AMENDMENTS TO HOUSE BILL

June 11, 1977

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1132 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 46.52.120, chapter 12, Laws of 1961 as amended by section 62, chapter 32, Laws of 1967 and RCW 46.52.120 are each amended to read as follows:

It shall be the duty of the director to keep a case record on every motor vehicle driver licensed under the laws of this state, together with information on each, showing all the convictions certified by the courts and an index cross reference record of each accident reported relating to such individuals with a brief statement of the cause of such accident, which index cross reference record shall be furnished to the director by the chief of the Washington state patrol, with reference to each driver involved in the reported accidents. The case record shall be maintained in two parts. One part shall be the employment driving record of the person which shall include all motor vehicle accidents in which the person is involved while the person is driving a commercial motor vehicle as an employee of another and all convictions of the person for violation of the motor vehicle laws while the person is driving a commercial motor vehicle as an employee of another. The other part shall include all other accidents and convictions. Such records shall be for the confidential use of the director and the chief of the Washington state patrol and for such police officers or other cognizant public officials as may be designated by law. Such case records shall not be offered as evidence in any court except in case appeal is taken from the order of director, suspending, revoking, canceling, or refusing vehicle driver's license. It shall be the duty of the director to tabulate and analyze vehicle driver's case records and to suspend, revoke, cancel, or refuse any vehicle driver's license to any person when it is deemed from facts contained in the case record of such person that it is for the best interest of public safety that such person be denied the privilege of operating a motor vehicle. Whenever the director may order the vehicle driver's license of any such person suspended, revoked, or canceled, or shall refuse the issuance of vehicle driver's license, such suspension, revocation, cancellation, or refusal shall be final and effective unless appeal from the decision of the director shall be taken as provided by law.

Sec. 2. Section 27, chapter 21, Laws of 1961 ex. sess. as last amended by section 1, chapter 140, Laws of 1977 1st ex. sess. and RCW 46.52.130 are each amended to read as follows:

~~((The director shall upon request furnish any insurance company or its agent, having or considering the issuance of a policy of insurance and any employer or prospective employer of persons who drive commercial motor vehicles or school buses a certified abstract of the driving record of any person;)) Any request for a certified abstract must specify which part is requested, and only the part requested shall be furnished. The employment driving record part shall be furnished only to the individual named in the abstract, an employer, the insurance carrier that has insurance in effect covering such employer, or a prospective employer. The other part shall be furnished only to the individual named in the abstract, the insurance carrier that has insurance in effect covering such named individual, or the insurance carrier to which such named individual has applied. The director, upon proper request, shall furnish a certified abstract covering ((a)) the period of not more than three years last past, and such abstract whenever possible, ((which abstract)) shall include an enumeration of motor vehicle accidents in which such person ((has been)) was involved((-Such abstract shall indicate)); the total number of vehicles involved; whether the vehicles were legally parked or moving; whether such vehicles were occupied at the time of the accident; and any reported convictions or forfeitures of bail of such person upon a charge of violating any motor vehicle law. The abstract provided to the insurance company shall also

An insurer shall not cancel such policy or discriminate in regard to other terms or conditions of the policy based upon the applicant's commercial motor vehicle employment driving record.

'Employment driving record' means that record maintained by the director pertaining to motor vehicle accidents or convictions for violation of motor vehicle laws while the applicant is driving a commercial motor vehicle as an employee of another."

### MOTION

Mr. Douthwaite moved that the House concur in the Senate amendments to Substitute House Bill No. 1132.

Mr. Douthwaite spoke in favor of the motion, and Mr. Newhouse spoke against it.

### POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mrs. Pearsall.

Mrs. Pearsall: "Representative Douthwaite, is it the intention of any section of this bill that drivers of municipal transportation vehicles will be covered by exemptions or privilege provisions in this bill?"

Mr. Douthwaite: "Thank you for asking, Representative Pearsall, because this clarifies one of the objections Representative Newhouse has raised. In RCW 46.04.140 commercial vehicle is defined as any vehicle, the principle use of which is the transportation of commodities, merchandise, produce, freight, animals or passengers for hire. The municipal vehicles you refer to would qualify under the latter where the vehicle is used for passenger for hire. Therefore, I believe it does cover those drivers of municipal vehicles in addition."

Mrs. Pearsall spoke in favor of the motion to concur.

### POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Pardini.

Mr. Pardini: "Would you construe your citation to extend to school bus drivers?"

Mr. Douthwaite: "No, I think not. The language is 'passengers for hire.' Those particular folks are still left out."

### POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Conner.

Mr. Conner: "On line 28 of section 2 of the Senate amendments, they talk about an employer. Can any employer of an individual look at the records? Who does have that opportunity of having those records available?"

Mr. Douthwaite: "As I understand the intent, the language, 'an employer,' refers to any employer who does, in fact, employ a driver who is one of those who would be exempted by the bill. It is not simply any employer who might be interested in your driving record."

#### POINT OF INQUIRY

Mr. Douthwaite yielded to question by Mr. Patterson.

Mr. Patterson: "In the case of an individual who is self-employed, he becomes the employee, he employs himself to drive his own truck. Does he come under the category of an employer?"

Mr. Douthwaite: "Of course, any individual can request his driving abstract from the Department of Motor Vehicles and get the same for the cost of \$1.50. There is this one inconsistency, as Representative Newhouse has pointed out, if one owns his own company and drives professionally and privately, he is not protected this way."

The motion to concur was carried.

The Speaker (Mr. Bauer presiding) stated the question before the House to be the final passage of Substitute House Bill No. 1132 as amended by the Senate.

Mr. Berentson: "In that we sent all of the bills back to the Rules Committee, could you give us some idea of what we will be doing for the rest of the day? We do have some question as to whether the Senate gave permission to send all the bills back to Rules."

The Speaker: "We will be going at ease very shortly until 2:00 p.m. There will be a Rules Committee meeting at 1:30. We don't have to ask the Senate for permission to refer any of their bills to Rules Committee."

Mr. Berentson: "We can expect then some action to put some bills back on second or third reading so some action could be taken after the Rules Committee meeting?"

The Speaker: "The Rules Committee will meet at 1:30."

The motion to concur in the Senate amendments to Engrossed Second Substitute House Bill No. 391 carried.

MESSAGE FROM THE SENATE

June 14, 1977

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 1120, and has granted said committee the powers of Free Conference, and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

REPORT OF CONFERENCE COMMITTEE

June 13, 1977

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 1120, enacting an alternative to Initiative 59, have had the same under consideration, and we report that we cannot agree, and respectfully request the powers of Free Conference in order to amend the bill.

Signed by Senators Gaspard, Benitz, Washington; Representatives Charette, Newhouse, Valle.

MOTION

Mrs. Valle moved that the House adopt the Conference Committee report, and grant the committee the powers of Free Conference.

Representatives Valle and Newhouse spoke in favor of the motion and Representatives Hansen and Charette spoke against it.

Mrs. Valle spoke again in favor of the motion.

POINT OF INQUIRY

Mrs. Valle yielded to question by Mr. Deccio.

Mr. Deccio: "Representative Valle, for the record, does this amendment have anything to do with the controversy that has been initiated by the Yakima Indian Nation with regard to water rights on the Yakima Reservation?"

Mrs. Valle: "Representative Deccio, in no way does the conference report refer to the action of the Indian rights law suit. What it does is give the Department of Ecology powers to initiate water adjudication claims and to initiate that concept. In no way does this report refer to that particular law suit."

POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Deccio.

Mr. Deccio: "Representative Newhouse, I'd like to ask the same question of you."

Mr. Newhouse: "This bill would not directly address that, but it would indirectly to the extent that the state would instigate proceedings in some superior court in the area, probably in Yakima, then it would probably be transferred to the federal district court, and then having been initiated in the superior court, the federal district court might well refer the case back to the Yakima district court for adjudication. If this procedure were not followed the chances of going back to the superior court where we would probably much rather be, would be lessened. This would help the people in getting into the court where they want to be."

Mr. Deccio: "Would this in any way prompt the Department of Ecology from adjudicating water rights other than those involved in the Yakima Indian Nation? Would it motivate them to try to adjudicate water rights other than those?"

Mr. Newhouse: "It would somewhat simplify the procedures of notification in the adjudication process and would be applicable in any watershed in the state."

The motion was carried.

SUBSTITUTE SENATE BILL NO. 2543, by Committee on Transportation (Originally sponsored by Senator Henry - by Governor Ray request):

· Making biennial appropriations for the operations and capital improvements of the state highway commission, the urban arterial board, and the Washington toll bridge authority.

· The bill was read the second time.

Committee on Transportation recommendation: Majority, do pass as amended. (For amendments, see Journal, 76th Day ex. sess., May 25, 1977.)

On motion of Mr. Conner, the committee amendments were adopted.

Mr. Burns moved adoption of the following amendment:

On page 3, after line 19 insert:

"(5) No funds appropriated in this section shall be expended on project no. 15304E on state route 5 as shown in the document published by the Washington state highway commission entitled 'Highway Construction Projects in the 1977-79 Biennium by Legislative District' dated March 9, 1977. In the event that funds are not expended for such project, the highway commission is hereby authorized to include in the 1977-79 operational budget a substitute category 'B' project or projects selected under the provisions of

chapter 47.05 RCW and to expend on such project or projects amounts up to, but not more than the amounts of federal and state funds appropriated for expenditure on project no. 15304E."

#### POINT OF INQUIRY

Mr. Burns yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "Representative Burns, are we talking about \$260,000 or are we talking about \$12 million?"

Mr. Burns: "We are talking about \$260,000, Representative Douthwaite, as a part of the study. It's actually the \$550,000 study grant at the present time that would include not only the Mercer weave, but the State Route 520 problem which, as I said, I will address when we get to the amendments. Ultimately, if the study is completed, it leads to a \$12 million project."

Mr. Douthwaite spoke in favor of the amendment, and Mr. Patterson spoke against it.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Burns to Substitute Senate Bill No. 2543, and the amendment was not adopted by the following vote: Yeas, 34; nays, 51; not voting, 13.

## MOTION

On motion of Mr. Conner, the House adopted the report of the Conference Committee and granted the powers of Free Conference.

## SIGNED BY THE SPEAKER

the Speaker (Mr. Charette presiding) announced The Speaker was signing:  
SECOND SUBSTITUTE HOUSE BILL NO. 1306.

## REPORT OF STANDING COMMITTEE

June 15, 1977

HOUSE BILL NO. 623, Prime Sponsor: Representative Bauer, exempting capital expenditures of nonprofit water associations from gross income for public utility tax purposes. Reported by Committee on Revenue.

MAJORITY recommendation: That the House do not concur in the Senate amendments.

Signed by Representatives Sommers, Chairwoman; Nelson (Gary), Ranking Minority Member; Eng, Erickson, Hurley (George), Kilbury, Moreau, Nelson (Dick), Tilly.

## MOTIONS

On motion of Mr. Bender, the rules were suspended, and House Bill No. 623 was advanced to second reading.

On motion of Mr. Bender, further consideration of House Bill No. 623 was deferred, and the bill was ordered placed at the bottom of today's second reading calendar.

## SECOND READING

HOUSE BILL NO. 388, by Representatives McKibbin, Charnley, Boldt and Lux:

Exempting from property taxation up to two thousand dollars of valuation of property equipped with a solar energy heating or cooling system.

The bill was read the second time.

On motion of Ms. Sommers, Second Substitute House Bill No. 388 was substituted for House Bill No. 388, and the second substitute bill was placed on the calendar for second reading.

Second Substitute House Bill No. 388 was read the second time.

On motion of Mr. Charnley, the rules were suspended, the second reading considered the third, and Second Substitute House Bill No. 388 was placed on final passage.

Mr. Lysen spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Patterson.

Mr. Patterson: "I have a digest indicating that the same kind of exemption would apply to those people who would install insulation and other. Is that included in the bill? How about other methods of conservation? Is there any opportunity in the bill to address that question?"

Mr. Lysen: "Representative Patterson, as I read the bill it is limited to just solar improvements. The original bill did include other matters, but the committee decided to limit it to solar. Possibly in future sessions we can expand it more."

## POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Fuller.

Mr. Fuller: "On line 9 of the bill, it talks of water heating. Is this water heating inside a house or could it be a swimming pool, too?"

Mr. Lysen: "The intention is not really clear, but I think it could possibly expand to a swimming pool. The object is to save energy and that's our motivation."

## POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Bond.

Mr. Bond: "Representative Lysen, I notice on line 7 of the bill it describes solar equipment which meets minimum standards, and then there's the two words, 'if any.' Are there any standards?"

Mr. Lysen: "Yes, there are. They have prescribed standards now, and are in the process of continuing to develop standards for basically the protection of the public. Because this is a new field there is a lot of possibly questionable types of equipment in the field and so the HUD standards will be used the same as in housing materials, etc."

Representatives Nelson (Dick), Dunlap and Lysen spoke in favor of passage of the bill, and Mr. Bond spoke against it.

#### MOTION

On motion of Mr. Shipoch, the House adopted the report of the Conference Committee on Engrossed Substitute House Bill No. 660.

#### FINAL PASSAGE OF HOUSE BILL AS RECOMMENDED BY CONFERENCE COMMITTEE

The Speaker (Mr. Charette presiding) stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 660 as recommended by the Conference Committee.

#### POINT OF INQUIRY

Mr. Shipoch yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "As I recall this bill has been considerably debated in passing the House the first time. Could you bring me up to date as regards the resolution of the issue between you and Representative Thompson on the LEAP program as managed by the Data Processing Authority. Who's in charge?"

Mr. Shipoch: "Representative Thompson won."

Mr. Douthwaite: "Which means what?"

Mr. Shipoch: "The first vote through, relative to whether the LEAP committee should come under the Data Processing Authority was, I believe, 49 to 45. The second time through, when I moved that we concur with the Senate amendment, I think the vote was something like 70 to 14. I kept losing ground all the way. The LEAP committee is not under the Data Processing Authority."

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 660 as recommended by the Conference Committee, and the bill passed the House by the following vote: Yeas, 79; nays, 3; not voting, 16.

Voting yea: Representatives Amen, Barnes, Barr, Bauer, Becker, Bender, Berentson, Blair, Boldt, Bond, Burns, Charette, Charnley, Clayton, Clemente, Conner, Craswell, Douthwaite, Dunlap, Ehlers, Eng, Erak, Erickson, Fancher, Fischer, Fuller, Gallagher, Gilleland, Greengo, Grier, Grimm, Gruger, Hanna, Hansen, Hawkins, Heck, Hughes, Hurley G. S., Hurley M., Keller, King, Knedlik, Kreidler, Lee, Lux, Lysen, Martinis, Maxie, May, McCormick, McKibbin, Nelson D., Nelson G. A., Newhouse, North, Oliver, Owen, Patterson, Pearsall, Polk, Pruitt, Salatino, Sanders, Schmitt, Sherman, Shinoda, Shipoch, Smith, Sommers, Struthers, Thompson, Tilly, Valle, Vrooman, Walk, Whiteside, Winsley, Zimmerman, and Mr. Speaker.

Voting nay: Representatives Flanagan, Leckenby, Pardini.

Not voting: Representatives Adams, Chandler, Deccio, Enbody, Fortson, Gaines, Haley, Kilbury, Knowles, Moreau, O'Brien, Paris, Taler, Warnke, Williams, Wilson.

Engrossed Substitute House Bill No. 660 as recommended by the Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

#### SECOND READING

HOUSE JOINT RESOLUTION NO. 42, by Representatives Thompson and Kilbury:

Amending the Constitution to authorize approval of special levies by majority vote and permitting a single election in each twelve-month period.

The resolution was read the second time.

On motion of Mr. Thompson, Substitute House Joint Resolution No. 42 was substituted for House Joint Resolution No. 42, and the substitute resolution was placed on the calendar for second reading.

Substitute House Joint Resolution No. 42 was read the second time.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Substitute House Joint Resolution No. 42 was placed on final passage.

#### MOTION

Mr. Bender moved that further consideration of Substitute House Joint Resolution No. 42 be deferred, and that the resolution be placed at the bottom of today's third reading calendar.

Mr. Pardini spoke against the motion.

The motion was carried.

#### MOTION

Mr. Newhouse moved that Second Substitute House Bill No. 388 and Engrossed Substitute Senate Bill No. 2697 be immediately transmitted to the Senate.

The motion was lost.

ENGROSSED SUBSTITUTE SENATE BILL NO. 2818, by Committee on Energy and Utilities (Originally sponsored by Senator Walgren):

Authorizing local governments and agencies to lend credit for conservation of energy purposes.

The bill was read the second time.

Committee on Energy and Utilities recommendation: Majority, do pass as amended. (For amendments, see Journal, 85th Day ex. sess., June 3, 1977.)

On motion of Mr. Lysen, the committee amendment to page 1, line 14 was adopted.

Mr. Lysen moved adoption of the committee amendment to page 1, line 19.

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Oliver.

Mr. Oliver: "I'm concerned about the area regarding the State Energy Office to provide a statewide energy conservation program. Does this conservation program include also planning for additional growth for energy needs which will be outside the ramifications of conservation? Also, with regards to the newspaper handout that went around I'd like to know your position stating your reference back to conservation versus nuclear power and other energy-related sources."

Mr. Lysen: "Absolutely there is a need for energy growth in this state and the energy plan under the Energy Office absolutely must take this into consideration. In fact it's the major part of their responsibility to see that we will have adequate energy supplies in the future. In reference to the newspaper handout, the only point I was making there was that if we were to have that \$300 million in installation it would save us \$800 million in investment in nuclear power plants. That's about 40% of a new plant so in no way does it reduce the overall need, but it puts it up that it is a consideration. We should be very much aware that energy efficiency is a very high priority as well as energy development."

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Lysen, is this bill worded in such a way that it is dependent on final passage of Senate Joint Resolution No. 116?"

Mr. Lysen: "Yes."

Mr. Flanagan: "In other words, it's null and void unless SJR 116 is passed?"

Mr. Lysen: "That's right."

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Gilleland.

Mr. Gilleland: "Giving local governments the authority to go into the installation of heating/cooling equipment would be in competition with private industry, as I read this. Am I right or wrong?"

Mr. Lysen: "Representative Gilleland, what happened in the case of hot water heaters is the same here, it is all handled by private business. All that's done is that the payment for the hot water heater, for example, is handled through your utility bill, but the installation, the sale and so forth, is all handled by independent private business. A lot of small businessmen are not in a position to carry contracts over a number of years. This is just a helpful approach where the utility can guarantee financing, but the actual work will all be done in the private sector."

Mr. Gilleland: "In the water heater program we didn't have to lend the state's credit. Why should we have to do so now? This is a similar program."

Mr. Lysen: "As I understand it, the Assistant Attorney General in the auditing division feels that because a hot water heater can be repossessed, can be taken back, it's not a permanent installation. You put insulation in the walls and you can't take it back. Therefore it is a very limited part of lending the credit of the state. That's the distinction that requires this constitutional amendment. You actually can take back a water heater. The lien is against the hot water heater and not against the house, and in this case, it would have to be against the house because you can't tear insulation out of the walls."

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Tilly.

Mr. Tilly: "Representative Lysen, I was just wondering on this committee amendment, if you could give me the definition of 'customers who are poor or infirm'? What does it take to qualify for this?"

Mr. Lysen: "That's presently in the state Constitution and there are legal definitions for that where there could be a chance for federal funds or money for welfare recipients. This would be a pass-through procedure. In no way would utility funds be used to subsidize this program. The rate payers' fund would be separate and there would be no subsidy. They would pay the full cost of the value plus the interest. This is just a financing mechanism and there is a legal, well-defined case law for a legal definition of that term."

Mr. Tilly spoke against adoption of the committee amendment.

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Leckenby.

Mr. Leckenby: "Apparently the need for this legislation and the constitutional amendment is brought up because the installation of insulation cannot be attached as you say. Is there anything to stop a publicly-owned utility from just filing a lien on the entire structure? If that could be done why is it necessary to have the constitutional amendment and this bill?"

Mr. Lysen: "Representative Leckenby, as I understand this, and we have discussed this to some extent, when you file a lien against the property, that is lending the credit. That's what lending the credit means. That's why the constitutional amendment is necessary. You are not putting up a repossessable item. This is the actual property that they can't repossess, the total house for a small lien. You are lending the credit."

Mr. Leckenby spoke against the committee amendment, and Representatives Martinis, Lux and Lysen spoke in favor of it.

The committee amendment was adopted.

On motion of Mr. Lysen, the committee amendments to page 2 were adopted.

On motion of Mr. Charnley, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2818 as amended by the House was placed on final passage.

Mr. Lysen spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Hansen.

Mr. Hansen: "The amendments we just passed say that this won't be an obligation against the people paying the bills. In a private utility they make these kinds of arrangements and with a lien on the property or something that has to be added into the overall cost. How can the state lend its credit without taking any obligation to having this paid back?"

Mr. Lysen: "Possibly I didn't make it clear. It is presently the interpretation of some of the attorneys in the Attorney General's Office that public utilities cannot lend their credit and cannot file liens because it would be lending the credit. This will allow them to do that and they will be able to file the liens and be sure they are repayed. It allows them to file the same liens that the private utilities can now do. In no way does this limit them from collecting and going after that debt."

#### POINT OF INQUIRY

Mr. Lysen yielded to question by Mr. Newhouse.

Mr. Newhouse: "Representative Lysen, first I think the words, 'public utilities,' as used in this debate, is a misnomer in my opinion. Puget Power and Bell Telephone Company are also public utilities. You mean municipally-owned and PUD utilities. My question revolves around giving the credit of the state, and how much assurance we have of its return. Is there any requirement that if the utility invests a good deal of money in some residence that they are protected to the extent of the homeowner having casualty insurance on that property so if there is a loss of the building, the utility would collect from the liability insurance?"

Mr. Lysen: "My judgment would be that this would be a management decision which the utility would obviously have to make. I would think prudence would demand that they do that."

Representatives Douthwaite, Leckenby and Martinis spoke in favor of passage of the bill, and Representatives Polk and Tilly spoke against it.

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2818 as amended by the House, and the bill passed the House by the following vote: Yeas, 61; nays, 23; not voting, 14.

Voting yea: Representatives Bauer, Becker, Bender, Boldt, Burns, Charette, Charnley, Clemente, Conner, Douthwaite, Dunlap, Ehlers, Enbody, Eng, Erak, Erickson, Fischer, Fuller, Grier, Grimm, Gruger, Hanna, Hansen, Hawkins, Heck, Hughes, Hurley G. S., Hurley M., Keller, King, Knedlik, Kreidler, Leckenby, Lee, Lux, Lysen, Martinis, Maxie, May, McCormick, McKibbin, Moreau, Nelson D., North, Oliver, Owen, Pearsall, Pruitt, Salatino, Sherman, Shinoda, Shipoch, Smith, Sommers, Thompson, Valle, Vrooman, Walk, Whiteside, Winsley, Zimmerman.

Voting nay: Representatives Amen, Barnes, Barr, Berentson, Blair, Bond, Chandler, Clayton, Craswell, Fancher, Flanagan, Gallagher, Gilleland, Greengo, Nelson G. A., Newhouse, Pardini, Patterson, Polk, Sanders, Schmitten, Struthers, Tilly.

Not voting: Representatives Adams, Deccio, Fortson, Gaines, Haley, Kilbury, Knowles, O'Brien, Paris, Taller, Warnke, Williams, Wilson, and Mr. Speaker.

Engrossed Substitute Senate Bill No. 2818 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

The Speaker (Mr. Charette presiding) declared the House to be at ease until 2:00 p.m.

The Speaker (Mrs. McCormick presiding) called the House to order.

#### MESSAGES FROM THE SENATE

June 16, 1977

Mr. Speaker:

The President has signed:

HOUSE BILL NO. 49,  
 SUBSTITUTE HOUSE BILL NO. 68,  
 SUBSTITUTE HOUSE BILL NO. 581,  
 SUBSTITUTE HOUSE BILL NO. 928,  
 SUBSTITUTE HOUSE BILL NO. 936,  
 SUBSTITUTE HOUSE BILL NO. 1265,  
 SUBSTITUTE SENATE BILL NO. 2382,

and the same are herewith transmitted.

Sidney R. Snyder, Secretary.

June 16, 1977

Mr. Speaker:

The Senate has concurred in the House amendments to SUBSTITUTE SENATE BILL NO. 2543, and has passed the bill as amended by the House.

Bill Gleason, Assistant Secretary.

### SECOND READING

On motion of Mr. Bender, the House resumed consideration of House Bill No. 623.

HOUSE BILL NO. 623, by Representatives Bauer and Zimmerman:

Exempting capital expenditures of nonprofit water associations from gross income for public utility tax purposes.

Ms. Sommers moved that the committee report be adopted.

### POINT OF INQUIRY

Ms. Sommers yielded to question by Mr. Charette.

Mr. Charette: "Representative Sommers, will you explain what the committee report is?"

Ms. Sommers: "Representative Charette, the committee report is a do pass recommendation on the original bill as passed by the House. That is to exempt from the B&O certain other receipts of nonprofit water districts. In addition the committee recommended that the Senate amendments not be adopted. The Senate amendments were with regard to surcharges for excess or additional special purchases of energy and were found to be without the scope and object of the bill."

### POINT OF PARLIAMENTARY INQUIRY

Mr. Pardini: "The committee report is a recommendation that we do not concur in the Senate amendments, which is not a typical procedure. Is there a precedence wherein we could move to not adopt the committee report thereby making it a positive motion to concur in the Senate amendments? Would that have precedence?"

The Speaker (Mrs. McCormick presiding): "To not adopt the committee report, Representative Pardini, would be to vote against this motion."

Mr. Pardini: "I recognize that, but to move to not adopt the committee report would place us in a positive position to concur with the Senate amendments. The motion to concur always has precedence over the motion not to concur."

The Speaker (Mrs. McCormick presiding): "Representative Pardini, the motion before us is a positive motion, so you are out of order. The question before the House is the motion to adopt the committee report."

Representatives Pardini, Newhouse and Charette spoke against the motion, and Representatives Bauer and Zimmerman spoke in favor of it.

### POINT OF INQUIRY

Mr. Zimmerman yielded to question by Mr. Leckenby.

Mr. Leckenby: "Representative Zimmerman, you say that we are more likely to lose the bill if we accept this report?"

Mr. Zimmerman: "I think it would be the simplest way if we could all agree that we have fifty votes to go through and vote this all out just as it is. Somehow or other I understand that between the Revenue Committee and some other things that have been done we are supposed to separate the issue. Personally, if fifty people out here would vote and get this out and go home, I'm in favor of that, but at this point I guess that's not the game plan, so I'm saying let's separate the issue, vote and get it done. Simplicity is not the way we function around here, I guess."

### POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Leckenby.

Mr. Leckenby: "Representative Newhouse, which is the most direct way of getting both of these issues before us and passed by both houses?"

Mr. Newhouse: "To me the answer is quite simple. The bill as amended by the Senate has passed. To get those issues we would simply have to concur with this amendment and pass the bill as amended by the Senate. Then fifty votes would accomplish it right now today."

Representatives Leckenby and Winsley spoke against the motion, and Mr. Smith spoke in favor of it.

#### POINT OF PARLIAMENTARY INQUIRY

Mr. Barnes: "I understand that there are two issues involved here and I would like you to see if I'm correct. If we reject the committee recommendation, we will keep both issues if we pass the bill?"

The Speaker (Mrs. McCormick presiding): "The Senate amendments to House Bill No. 623 were ruled to have changed the scope and object of the bill in accordance with House Rule No. 31. As in the past, the bill, with the Senate amendments, was referred to committee to take the same course as for original bills. The bill is now on the second reading calendar. If the report of the Revenue Committee is adopted, that is to not adopt the Senate amendments, the bill will be returned to the Senate as a nonconcurrence with the Senate amendments. If the report is rejected, the new language is adopted and the bill will require a final passage vote."

Mr. Barnes spoke against the motion.

#### ROLL CALL

The Clerk called the roll on the motion that the Revenue Committee report be adopted to House Bill No. 623, and the motion was lost by the following vote: Yeas, 38; nays, 45; not voting, 15.

Voting yea: Representatives Bauer, Becker, Bender, Blair, Burns, Charnley, Clemente, Conner, Douthwaite, Enbody, Eng, Fischer, Grimm, Gruger, Hanna, Hawkins, Heck, Hughes, Hurley G. S., King, Kreidler, Lux, Lysen, Maxie, McCormick, McKibbin, Nelson D., North, Owen, Pruitt, Sherman, Shipoch, Smith, Sommers, Thompson, Valle, Walk, Zimmerman.

Voting nay: Representatives Amen, Barnes, Barr, Berentson, Boldt, Bond, Chandler, Charette, Clayton, Craswell, Dunlap, Ehlers, Erak, Erickson, Fancher, Flanagan, Fuller, Gallagher, Gilleland, Greengo, Grier, Hansen, Hurley M., Keller, Knedlik, Leckenby, Lee, May, Nelson G. A., Newhouse, Oliver, Pardini, Patterson, Pearsall, Polk, Salatino, Sanders, Schmitt, Shinoda, Struthers, Tallor, Tilly, Vrooman, Whiteside, Winsley.

Not voting: Representatives Adams, Deccio, Fortson, Gaines, Haley, Kilbury, Knowles, Martinis, Moreau, O'Brien, Paris, Warnke, Williams, Wilson, and Mr. Speaker.

#### MOTION FOR RECONSIDERATION

Mr. Knedlik, having voted on the prevailing side, moved that the House immediately reconsider the vote by which the Committee on Revenue report to House Bill No. 623 was not adopted.

The Speaker (Mrs. McCormick presiding) declared the House to be at ease.

The Speaker (Mrs. McCormick presiding) called the House to order.

The Speaker (Mrs. McCormick presiding) stated the question before the House to be the motion for reconsideration by Representative Knedlik.

Mr. Knedlik spoke in favor of the motion.

#### MOTION

Mr. Pardini moved that in accordance with Reed's Rule 201, the House of Representatives of the 45th Legislature First Extraordinary Session, set Sunday, June 19th at 6:00 p.m. as the date of the sine dine adjournment.

#### POINT OF ORDER

Mr. Bender: "Is the motion to reconsider a higher motion?"

#### SPEAKER'S RULING (MRS. McCORMICK PRESIDING)

The Speaker (Mrs. McCormick presiding): "The motion to reconsider is of higher ranking order so your motion, Representative Pardini, is out of order."

#### POINT OF ORDER

Mr. Pardini: "To fix the date of adjournment is debatable and amendable. There is no precedence except where no regular time has been fixed to which the assembly shall adjourn."

In that case, it has precedence even over the motion to adjourn. The highest ranking motion is the motion to adjourn and where no date has been set my motion has precedence over that. I believe the Chair is in error."

**POINT OF ORDER**

Mr. Bender: "According to House Rule 46, Representative Pardini's motion is out of order because the motion has to be reduced to writing."

The Speaker (Mrs. McCormick presiding): "Your point is well taken, Representative Bender."

**MOTION**

On motion of Mr. Bender, the House adjourned until 11:00 a.m., Friday, June 16, 1977.

JOHN BAGNARIOL, Speaker.

DEAN R. FOSTER, Chief Clerk.

---

 NINETY-NINTH DAY
 

---

---

 MORNING SESSION
 

---

House Chamber, Olympia, Wash., Friday, June 17, 1977.

The House was called to order at 11:00 a.m. by the Speaker (Mr. King presiding). The Clerk called the roll and all members were present except Representatives Adams, Bauer, Becker, Bond, Dunlap, Haley, Hurley (Margaret), Knowles, North, O'Brien, Pardini, Paris and Smith, who were excused.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Susan Capaso and John Vik. Prayer was offered by Reverend George Mitchell of the First Christian Church of Olympia.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

## SPEAKER'S RULING (MR. KING PRESIDING)

The Speaker (Mr. King presiding): "Yesterday Representative Pardini made a motion that the House set Sunday, June 19th as the date of adjournment sine die in accordance with Reed's Rule 201. This motion was not in order and has no privilege whatever over other motions. Reed's Rule 201 discusses the motion to fix the date of adjournment. It does not speak to adjournment sine die. To adjourn means to postpone action of the body to another time specified. To adjourn sine die means adjournment without day. It is a final dissolution of that session of the body. If you will read Reed's Rule 201 and also Reed's Rule 171, you will see that a motion to fix the time to which the assembly shall adjourn has no privilege over pending motions where there is fixed a regular time to which the assembly shall adjourn. House Rule 46 sets the time to which this assembly shall adjourn at 10:30 a.m. each day. The motion to fix the date or the time to which the assembly shall adjourn is privileged only when a motion to adjourn would otherwise dissolve the assembly. Reed's Rule 170 which states in part, 'When an assembly has not fixed the date to which it shall adjourn, . . . an adjournment would be equivalent to a dissolution, and would have no privilege whatever over other motions.' Adjournment sine die is a final adjournment or dissolution of a body and has no privilege as stated in Reed's Rule 170. In any case, Article II, section 2 of the Constitution prohibits either house from adjourning more than three days without the consent of the other which is why adjournment sine die is always done pursuant to a concurrent resolution. The motion is not in order."

## POINT OF PARLIAMENTARY INQUIRY

Mr. Berentson: "We notice that in Reed's Rule 201, that it does refer to fixing the day of adjournment as well as to adjourn and treats them as separate matters. For that reason we would question the ruling of the Chair regarding the motion made yesterday, and point to the possibility of fixing the day of adjournment, it does not relate in any way to sine die. It seems to us that in that the two are addressed separately, to adjourn and to fix the day of adjournment, that would imply that it does refer to sine die."

The Speaker (Mr. King presiding): "If you will refer to Reed's Rule 201, under fixing the day of adjournment, it uses the language, ' . . . except when a regular time to which the assembly shall adjourn.' House Rule 40 fixes a time to which the assembly shall adjourn. It would not be applicable."

Mr. Berentson: "Mr. Speaker, I might bring your attention to the motion itself, which did indeed fix the time of adjournment."

The Speaker (Mr. King presiding): "He was fixing a time for adjournment sine die and we've also stated that cannot be done without a concurrent resolution."

## MESSAGE FROM THE SENATE

June 16, 1977

Mr. Speaker:

The President has signed:

HOUSE BILL NO. 271,  
 SUBSTITUTE HOUSE BILL NO. 952,  
 SECOND SUBSTITUTE HOUSE BILL NO. 1306,  
 SUBSTITUTE SENATE BILL NO. 2543,

and the same are herewith transmitted.

Sidney R. Snyder, Secretary.

## MESSAGE FROM THE SENATE

June 16, 1977

Mr. Speaker:

The Senate has adopted the report of the Free Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 1120, and has passed the bill as amended by the Free Conference Committee, and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

## REPORT OF FREE CONFERENCE COMMITTEE

June 13, 1977

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 1120, enacting an alternative to Initiative 59, have had the same under consideration, and we recommend the following:

That the Senate amendments be adopted with the following amendments:

On page 1 of the Senate amendments, beginning on line 6 strike all of section 1 and renumber the remaining sections consecutively.

On page 2 of the Senate amendments, line 38, strike "registered mail" and insert "certified mail, with acknowledgment of receipt of summons executed by defendant required."

Amend the title—On page 3 of the Senate amendments, beginning on line 26 strike "amending section 14, chapter 117, Laws of 1917 and RCW 90.03.110;"

Signed by Senators Gaspard, Benitz, Washington; Representatives Charette, Newhouse, Valle.

## MOTION

On motion of Mrs. Valle, the report of the Free Conference Committee was adopted.

FINAL PASSAGE OF HOUSE BILL  
 AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker (Mr. King presiding) stated the question before the House to be the final passage of Engrossed Substitute House Bill No. 1120 as amended by the Free Conference Committee.

## POINT OF INQUIRY

Mr. Newhouse yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Newhouse, under existing law, the state can initiate an adjudication. Also any individual can initiate an adjudication. What changes does this make from existing law that is of any importance?"

Mr. Newhouse: "The major change, in my opinion, Representative Flanagan, which this bill would make would be in the notice of landowners or those who claim water rights. Under existing law you would have to have a deputy sheriff serve each one individually, which can be very, very expensive procedure when there are thousands of claimants to water rights. This situation would allow the use of certified mail with a return receipt required. Obviously, the difference then would be for each one a dollar or two as compared with maybe fifteen or twenty dollars, or maybe double that, in finding the individual water right claimants and serving the notice, because we are involved with property rights. The original request asked by the Attorney General was that he be allowed to serve this original notice only by use of a general map. That section has been withdrawn. The notice requirements, in my opinion, are the principle change."

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1120 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 78; nays, 2; not voting, 18.

## MESSAGE FROM THE SENATE

June 16, 1977

Mr. Speaker:

The House has adopted the report of the Free Conference Committee on SUBSTITUTE HOUSE BILL NO. 1310, and has passed the bill as amended by the Free Conference Committee, and the same is herewith transmitted.

Bill Gleason, Assistant Secretary.

## REPORT OF FREE CONFERENCE COMMITTEE

June 13, 1977

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 1310, defining "date of filing" with regard to a permit for a variance or a conditional use under the shoreline management act, have had the same under consideration, and we recommend that the Senate amendments not be adopted, and the following substitute amendments be adopted:

On page 5, line 31 after "1969" strike "(:);", or " and insert "; ((or)) and"

Beginning on page 5, line 32 after "(b)" strike all material down to and including "(c)" on page 6, line 7 and insert:

"(((i) Sales of lots to purchasers with reference to the plat, or substantial development incident to platting or required by the plat, occurred prior to April 1, 1971, and

(ii) The development to be made without a permit meets all requirements of the applicable state agency or local government, other than requirements imposed pursuant to this chapter, and

(iii) The development does not involve construction of buildings, or involves construction on wetlands of buildings to serve only as community social or recreational facilities for the use of owners of platted lots and the buildings do not exceed a height of thirty-five feet above average grade level, and  
(iv)))"

Signed by Senators Washington, Ridder, Murray; Representatives Valle, Douthwaite, Zimmerman.

## MOTION

Mrs. Valle moved that the House adopt the report of the Free Conference Committee.

Mrs. Valle spoke in favor of the motion.

## POINT OF INQUIRY

Mrs. Valle yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Representative Valle, in connection with the conference report, do you feel that in this conference report that we are in any way rescinding or affecting those persons who were originally exempt under the Shorelines' Management Act of 1971, in terms of those persons who had preliminary plats or final plats and therefore were exempt then? Are they still exempt? Do you see us as affecting that group of people?"

Mrs. Valle: "I feel that the original intent of the Shorelines' Management Act is reflected in the Senate Journal and that is the intent of the corrections to the Shorelines' Management Act as now stated in the Free Conference report."

Mr. Zimmerman: "In other words, it is a reiteration of that original intent as expressed in the Senate Journal of 1971?"

Mrs. Valle: "That is correct."

Mr. Zimmerman: "I think it's important that be established. Those of us on the Conference Committee did not intend to wipe out exemptions without adequate notice and without adequate understanding of what any of the changes would be. I would hope we can establish that we are not intentionally or unintentionally disturbing that relationship and would hope that if there are persons who fall into that category they will have adequate opportunity, through their local governmental agencies and the Department of Ecology, to be sure that they can proceed. Certainly there have been some questions, but this was not looked upon as a major bill at the time it was started, and some of the controversy did surround this 1971 interpretation in the Senate Journal."

The motion was carried.

Mr. Douthwaite: "The last amendment, section 16, which refers to the liquefied natural gas or propane tankers adhering to the provisions of RCW 88.16.190, does that mean that they shall adhere to those tug boat escort provisions?"

Mr. Conner: "Yes, they would adhere to the same provisions as an oil tanker. They would be required to have a pilot and would also be required to have an escort."

Mr. Douthwaite: "If they were in excess of 40,000 deadweight tons?"

Mr. Conner: "That's correct."

Representatives Douthwaite and Charnley spoke in favor of passage of the bill.

The Senate has adopted the report of the Free Conference Committee on ENGROSSED HOUSE BILL NO. 1133, and has passed the bill as amended by the Free Conference Committee, and said bill, together with the Free Conference Report, is herewith transmitted.

Bill Gleason, Assistant Secretary.

## REPORT OF FREE CONFERENCE COMMITTEE

June 4, 1977

Mr. Speaker:

Mr. President:

We, of your Free Conference Committee, to whom was referred ENGROSSED HOUSE BILL NO. 1133, authorizing certain golfing sweepstakes under gambling act, have had the same under consideration, and we recommend that the bill be amended as follows:

That the Senate committee amendment as amended be adopted, with the following amendments:

On page 14, subsection (6), line 15 strike all material beginning on line 15 through line 4, page 15, and renumber the following subsections consecutively.

On page 16, line 32 strike all of subsection (9).

On page 21, subsection (15), line 31 after "organizations" strike "or card rooms"

On page 34, line 24 strike all of section 18 and renumber the remaining section consecutively.

Signed by Senators Van Hollebeke, Morrison, Bausch; Representatives Warnke, Conner, Fancher.

## MOTION

On motion of Mr. Warnke, the House adopted the report of the Free Conference Committee.

FINAL PASSAGE OF HOUSE BILL  
AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker (Mr. King presiding) stated the question before the House to be the final passage of Engrossed House Bill No. 1133 as amended by the Free Conference Committee.

Mr. Conner spoke in favor of passage of the bill.

## POINT OF INQUIRY

Mr. Warnke yielded to question by Mr. Newhouse.

Mr. Newhouse: "Representative Warnke, in this Free Conference report, is there any facet of the report to which the Gambling Commission would object, or has not given approval?"

Mr. Warnke: "Representative Newhouse, there is not. All except two of the items, which were spoken to by Representative Conner, were requested by the Gambling Commission in dealing with such things as the definition of a stimulant and all the rest of the things are measures they felt they needed to tighten up the gambling activities. They have approved even those two items."

## POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Eng.

Mr. Eng: "Representative Conner, this bill authorizes private clubs to permit gambling by their members. Does this mean clubs like the Elks, the Eagles, the Moose, and so forth? Would the Gambling Commission allow gambling to be displayed in these clubs if they discriminate in relation to race?"

Mr. Conner: "I believe that's against state law relative to discrimination with regard to race, creed, color, sex and age."

## POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Greengo.

Mr. Greengo: "Representative Conner, doesn't this bill now allow card playing to take place in restaurants, and isn't that a new opportunity?"

Mr. Conner: "It says only Class H licenses and that's in section 7. It authorizes private clubs. There's presently some three hundred Class H licensed clubs in the state and there are only one hundred four that have a liquor license, and it would only apply to those who have a liquor license. It would allow their members only to have card games under the rules and regulations of the Gambling Commission, but they would not require a gambling license."

## POINT OF INQUIRY

Mr. Warnke yielded to question by Mr. Chandler.

Mr. Chandler: "Representative Warnke, it says, 'The legislature hereby authorizes any person, association, or organization operating an established business primarily engaged in the selling of food or drink for consumption on the premises to conduct social card games. . . .' It says nothing about a Class H license, nor does it say anything about being a nonprofit organization, or an organization that is a private club. To me that language very clearly says that if I own a restaurant and sell hamburgers, I can open a card room."

Mr. Warnke: "Representative Chandler, this is a request from the Gambling Commission to try and tighten up what is commonly known as a commercial stimulant. The commission still has full authority to establish the guidelines under which the commercial stimulant may be used in any activity. That language was brought to us by the Gambling Commission."

Representatives Chandler and Charnley spoke against passage of the bill.

## POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Pruitt.

Mr. Pruitt: "In section 1, subsection (15) it says, 'Member. As used in this chapter, member means a member of an organization eligible to be licensed by the commission. . . .' and it says, 'No person shall be a member of any organization if that person's primary purpose for membership is to be a participant in gambling.' Some churches are involved with bingo. Does this apply to churches also?"

Mr. Conner: "Not that particular section. For bingo, the general public can play and they cannot if they have a liquor license. The general public cannot go where drinks are sold while they are engaged in any type of gambling activities. Under the rules of the Gambling Commission, on these activities we are talking about fund raisers, and it says as well as card games, they can't play there unless they are a bona fide member of that particular organization and meet the rules and regulations of the Gambling Commission."

Mr. Pruitt: "Does this impact membership of churches? Could the Gambling Commission make any decision as to whether a member is a qualified member of the church organization?"

Mr. Conner: "I wouldn't think so. My answer would be no."

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 1133 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 61; nays, 19; not voting, 18.

Voting yea: Representatives Bender, Berentson, Boldt, Burns, Charette, Clayton, Conner, Ehlers, Enbody, Eng, Erak, Erickson, Fancher, Fischer, Flanagan, Fortson, Fuller, Gaines, Gallagher, Gilleland, Grier, Grimm, Hansen, Hawkins, Heck, Hurley G. S., Keller, Kilbury, King, Knedlik, Kreidler, Leckenby, Lux, Martinis, Maxie, May, McCormick, McKibbin, Moreau, Nelson G. A., Newhouse, Owen, Patterson, Pearsall, Polk, Salatino, Sherman, Shinoda, Shinpoch, Sommers, Struthers, Taller, Thompson, Valle, Vrooman, Walk, Warnke, Whiteside, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Amen, Barr, Blair, Chandler, Charnley, Craswell, Douthwaite, Greengo, Gruger, Lee, Lysen, Nelson D., Oliver, Pruitt, Sanders, Schmitt, Tilly, Williams, Zimmerman.

Not voting: Representatives Adams, Barnes, Bauer, Becker, Bond, Clemente, Deccio, Dunlap, Haley, Hanna, Hughes, Hurley M., Knowles, North, O'Brien, Pardini, Paris, Smith.

Engrossed House Bill No. 1133 as amended by the Free Conference Committee, having received the constitutional sixty-percent majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

The Speaker (Mr. King presiding) declared the House to be at ease until 2:00 p.m.

The Speaker (Ms. Sherman presiding) called the House to order.

## REPORT OF CONFERENCE COMMITTEE

June 15, 1977

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 2435, providing for disposition of operating fees charged at institutions of higher education, have had the same under consideration, and we request the powers of Free Conference in order to amend the bill.

Signed by Senators Odegaard, Donohue, Scott; Representatives Thompson, Erickson, Chandler.

## MOTION

Ms. Erickson moved that the House adopt the report of the Conference Committee and grant the committee the powers of Free Conference.

Representatives Erickson, Thompson and Chandler spoke in favor of the motion, and Mr. Shinpoch spoke against it.

## POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Amen.

Mr. Amen: "Representative Shinpoch, section 2 says 'In order that each community college treasurer appointed in accordance with section 1 of this act may make vendor payments, the state treasurer will honor warrants drawn by each community college providing for one initial advance. . . .' Can't the treasurer do his job without that advance being made?"

Mr. Shinpoch: "In some instances in some community colleges, the answer is yes, they can do it without setting up any additional fund. With other community colleges that's not so, but the proposal here is not to set up money for cash flow within the community colleges, the proposal here is that you give them an advance—a one-month advance. Some of them have other local funds and they can certainly handle this, but we've been working with the state board for some time to set up a cash flow account in the local community colleges, but that's not this proposal."

## POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Newhouse.

Mr. Newhouse: "How would you then propose that if a community college is provided a treasurer as the four-year colleges have, that they have the adequate money to operate without an advance situation?"

Mr. Shinpoch: "I would propose that we set up cash flow for goods and services only. That it does not include any of the money that pertains to instruction, to their payroll or anything that they require other than goods and services, maintenance and those things they buy. I would propose that we set up a cash flow account as exists in the four-year schools. They use their local funds to do that same thing, and I would propose that we handle it in that fashion. It appears to me that this type of an advance is overkill."

Mr. Newhouse: "Then it would not be inconsistent to handle the faculty salaries and so forth differently than goods and services which are purchased, and would not have to advance so much money from the state treasury to each individual treasurer for the system you propose?"

Mr. Shinpoch: "That's correct. In fact, that's what they asked for. In my dealings with the state board, to set up local funds, they originally came in and wanted \$100,000 for each one. I told them I didn't understand that. If they have seven or eight hundred students and in places like Western with nine or ten thousand that runs on \$25,000 to \$30,000, why should we put \$100,000 in something that has ten percent of the expenses. They came back and said \$1.1 million would do that and I think that's probably even too much. The only thing you're dealing with when you talk about the warrants to be drawn at that local level—it doesn't come out on the regular allotment to be honored by the goods and services portion that they purchase."

## POINT OF INQUIRY

Ms. Erickson yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "There is one caveat there in the middle of section 2, which states, '... for such budgeted biennium expenditures as certified by the office of program planning and fiscal management.' I assume that is a screen or a filter which will keep a hawk eye on the kinds of bills which can be paid at this point. Would you elaborate why OPP&FM is involved here?"

Ms. Erickson: "As I understand it, this is not intended for the larger amounts for the larger payments, but rather to allow the community colleges to have the ability to deal at their local levels to pay for the emergencies that come up and make minor capital improvements. The four-year colleges frequently have other sources of revenue they can use. Frequently community colleges do not have any kind of a cash flow at all. This is simply trying to give them those kinds of abilities so they don't have to send the warrants for every single small thing to the state, and yet this would require them to have fiscal responsibility."

Mr. Douthwaite: "If OPP&FM thought there was some reason they should not receive those warrants, they could withhold such payment and thus protect the intent of the budgeted legislative items?"

Ms. Erickson: "That's right."

The motion was carried.

## REPORT OF CONFERENCE COMMITTEE

June 15, 1977

Mr. President:

Mr. Speaker:

We, of your Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 1348, providing for increased coverage for uninsured motorists at the purchaser's option, have had the same under consideration, and we report that we cannot agree and request the powers of Free Conference in order to amend the bill.

Signed by Senators Bottiger, Clarke, Francis; Representatives Douthwaite, Knedlik, Taller.

## MOTION

Mr. Douthwaite moved that the report of the Conference Committee be adopted and the committee be granted the powers of Free Conference.

## POINT OF INQUIRY

Mr. Knedlik yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "The language in the Conference Committee report strikes the sentence dealing with—the purchaser... shall be informed by the insurer of the availability of the option specified in this section.' Will you clarify for us what you think the intent of that striking language was?"

Mr. Knedlik: "The reason that paragraph has been deleted is because the language is unnecessarily repetitive. The phrase 'at the purchasers' option' in the preceding paragraph makes clear that the Legislature is statutorily approving stacking by legislatively mandating that stacked and unstacked coverage must now be offered to purchasers of uninsured and underinsured motorists' coverage and the purchaser will exercise his or her option to select which to buy or to buy neither. This paragraph which has been deleted was merely excess baggage and has been struck as repetitive."

The motion was carried.

**NEW SECTION. Sec. 5. POST-RETIREMENT COST-OF-LIVING.** Beginning July 1, 1979, and every year thereafter, the department shall determine the following information for each retired member or beneficiary whose retirement allowance has been in effect for at least one year:

- (a) Produce a retirement allowance which is lower than the original retirement allowance;
- (b) Exceed three percent in the initial annual adjustment; or
- (c) Differ from the previous year's annual adjustment by more than three percent.

For the purposes of this section, 'index' means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

**NEW SECTION. Sec. 6. EMPLOYER AND MEMBER CONTRIBUTIONS.** The required contribution rates to the retirement system for both members and employers shall be established by the director from time to time as may be necessary upon the advice of the state actuary.

Contribution rates required to fund the costs of the retirement system shall always be equal for members and employers, except as herein provided. Any adjustments in contribution rates required from time to time for future costs shall likewise be shared equally by the members and employers: PROVIDED, That the costs of amortizing the unfunded supplemental present value of the retirement system, in existence on September 30, 1977, shall be borne in full by the employers.

Any increase in the contribution rate required as the result of a failure of an employer to make any contribution required by this section shall be borne in full by the employer not making the contribution.

The director shall notify the retirement board of any pending adjustment in the required contribution rate and such increase shall be announced at a board meeting held at least thirty days prior to the effective date of the change.

Members contributions required by this section shall be deducted from the members compensation earnable each payroll period. The members contribution and the employers contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends.

Until such time as the director shall establish other rates, members and employers of such members shall each contribute 5.51% of compensation earnable: PROVIDED, That employers shall initially contribute an additional one and one-half percent of compensation earnable per member to amortize the unfunded supplemental present value of the retirement system in effect on September 30, 1977.

(1) **OPTION 1.** A member electing this option shall receive a retirement allowance payable throughout such member's life. However, if the retiree dies before the total of the retirement allowance paid to such retiree equals the amount of such retiree's accumulated contributions at the time of retirement, then the balance shall be paid to such person or persons having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

(2) **OPTION 2.** A member who elects this option shall receive a reduced retirement allowance, which upon the member's death shall be continued throughout the life of and paid to such person having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department at the time of the retiree's retirement.

(3) **OPTION 3.** A member who elects this option shall receive a reduced retirement allowance, and upon the member's death one-half of the retiree's reduced retirement allowance shall be continued throughout the life of and paid to such person having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department at the time of the retiree's retirement.

**NEW SECTION. Sec. 8. EARNED DISABILITY ALLOWANCE.** A member of the retirement system who becomes totally incapacitated for continued employment by an employer as determined by the department upon recommendation of the retirement board shall be eligible to receive an allowance under the provisions of sections 2 through 15 of this 1977 amendatory act. Such member shall receive a monthly disability allowance computed as provided for in section 3 of this 1977 amendatory act and shall have such allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age sixty-five.

Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. If such medical examinations reveal that such a member has recovered from the incapacitating disability and the member is offered reemployment by an employer at a comparable compensation, such member shall cease to be eligible for such allowance.

**NEW SECTION. Sec. 9. APPLICATION FOR AND EFFECTIVE DATE OF RETIREMENT ALLOWANCES.** Any member or beneficiary eligible to receive a retirement allowance under the provisions of sections 4, 8, or 11 of this 1977 amendatory act shall be eligible to commence receiving a retirement allowance after having filed written application with the department.

Upon cessation of service for any nonfederal public employer in this state such retiree shall have benefits actuarially recomputed pursuant to the rules adopted by the department.

**NEW SECTION. Sec. 11. DEATH BENEFITS.** (1) If a member or a vested member who has not completed at least ten years of service dies, the amount of the accumulated contributions standing to such member's credit in the retirement system at the time of such member's death shall be paid to such person or persons having an insurable interest in such member's life as the member shall have nominated by written designation duly executed and filed with the department. If there be no such designated person or persons still living at the time of the member's death, such member's accumulated contributions standing to such member's credit in the retirement system shall be paid to the member's surviving spouse as if in fact such spouse had been nominated by written designation, or if there be no such surviving spouse, then to such member's legal representatives.

(b) The member's accumulated contributions.

**NEW SECTION. Sec. 12. SERVICE CREDIT FOR AUTHORIZED LEAVE OF ABSENCE.** A member who is on a paid leave of absence authorized by a member's employer shall continue to receive service credit as provided for under the provisions of sections 2 through 15 of this 1977 amendatory act.

A member shall be eligible to receive a maximum of two years service credit during a member's entire working career for those periods when a member is on an unpaid leave of absence authorized by an employer. Such credit may be obtained only if the member makes both the employer and member contributions plus interest as determined by the department for the period of the authorized leave of absence within five years of resumption of service or prior to retirement whichever comes sooner: PROVIDED, That for the purpose of this subsection the contribution shall not include the contribution for the unfunded supplemental present value as required by section 6 of this 1977 amendatory act. The contributions required shall be based on the average of the member's compensation earnable at both the time the authorized leave of absence was granted and the time the member resumed employment.

**NEW SECTION. Sec. 14. REFUND OF CONTRIBUTIONS.** A member who ceases to be an employee of an employer may request a refund of the member's accumulated contributions. The refund shall be made within ninety days following the receipt of the request and notification of termination by the employer; except that in the case of death, an initial payment shall be made within thirty days of receipt of request for such payment. A member who files a request for refund and subsequently enters into employment with another employer prior to the refund being made shall not be eligible for a refund. The refund of accumulated contributions shall terminate all rights to benefits under sections 2 through 15 of this 1977 amendatory act.

**NEW SECTION. Sec. 15. REENTRY.** A member, who had left service and withdrawn the member's accumulated contributions, shall receive service credit for such prior service if the member restores all withdrawn accumulated contributions together with interest since the time of withdrawal as determined by the department.

#### REPORT OF FREE CONFERENCE COMMITTEE

June 17, 1977

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 866, revising the teachers' retirement system, have had the same under consideration, and we recommend that the Senate amendment not be adopted, that the substitute House bill be struck, and the bill read as follows:

\*AN ACT Relating to the teachers' retirement system; amending section 1, chapter 80, Laws of 1947 as last amended by section 149, chapter 275, Laws of 1975 1st ex. sess. and RCW 41.32.010; adding new sections to chapter 41.32 RCW; prescribing an effective date; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

NEW SECTION. Section 1. LEGISLATIVE FINDING. The legislature finds and determines that those members first employed on or before September 30, 1977, shall not suffer any diminishment or loss of benefits or rights, whether current or prospective, as the result of the enactment of this 1977 amendatory act.

NEW SECTION. Sec. 2. APPLICATION TO CERTAIN PERSONS. Sections 3 through 16 of this 1977 amendatory act shall apply only to those persons who are initially employed by an employer on or after October 1, 1977.

NEW SECTION. Sec. 3. COMPUTATION OF THE RETIREMENT ALLOWANCE. A member of the retirement system shall receive a retirement allowance equal to two percent of such member's average final compensation for each year of service.

NEW SECTION. Sec. 4. RETIREMENT FOR SERVICE. (1) NORMAL RETIREMENT. Any member with at least five years of service who has attained at least age sixty-five shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act.

(2) EARLY RETIREMENT. Any member who has completed at least twenty years of service who has attained at least age fifty-five shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act, except that a member retiring pursuant to this subsection shall have the retirement allowance actuarially reduced to reflect the difference in the number of years between age at retirement and the attainment of age sixty-five.

NEW SECTION. Sec. 5. POST-RETIREMENT COST-OF-LIVING. Beginning July 1, 1979, and every year thereafter, the department shall determine the following information for each retired member or beneficiary whose retirement allowance has been in effect for at least one year:

(1) The original dollar amount of the retirement allowance;

(2) The index for the calendar year prior to the effective date of the retirement allowance, to be known as 'index A';

(3) The index for the calendar year prior to the date of determination, to be known as 'index B'; and

(4) The ratio obtained when index B is divided by index A.

The value of the ratio obtained shall be the annual adjustment to the original retirement allowance and shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:

(a) Produce a retirement allowance which is lower than the original retirement allowance;

(b) Exceed three percent in the initial annual adjustment; or

(c) Differ from the previous year's annual adjustment by more than three percent.

For the purposes of this section, 'index' means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

**NEW SECTION. Sec. 6. EMPLOYER AND MEMBER CONTRIBUTIONS.** The required contribution rates to the retirement system for both members and employers shall be established by the director from time to time as may be necessary upon the advice of the state actuary: PROVIDED, That the employer contribution shall be contributed as provided in RCW 41.32.401.

Contribution rates required to fund the costs of the retirement system shall always be equal for members and employers, except as herein provided. Any adjustments in contribution rates required from time to time for future costs shall likewise be shared equally by the members and employers: PROVIDED, That the costs of amortizing the unfunded supplemental present value of the retirement system, in existence on September 30, 1977, shall be borne in full by the employers.

Any increase in the contribution rate required as the result of a failure of an employer to make any contribution required by this section shall be borne in full by the employer not making the contribution.

The director shall notify the retirement board of any pending adjustment in the required contribution rate and such increase shall be announced at a board meeting held at least thirty days prior to the effective date of the change.

Members contributions required by this section shall be deducted from the members earnable compensation each payroll period. The members contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends and the employers contribution shall be remitted as provided by law.

Until such time as the director shall establish other rates, members and employers of such members shall each contribute 5.66% of earnable compensation: PROVIDED, That employers shall initially contribute an additional 5.80% of earnable compensation per member to amortize the unfunded supplemental present value of the retirement system in effect on September 30, 1977.

**NEW SECTION. Sec. 7. TEACHERS REQUIRED TO BE MEMBERS.** All teachers who become employed by an employer on or after October 1, 1977, shall be members of the retirement system and shall be governed by the provisions of sections 2 through 16 of this 1977 amendatory act.

(1) **OPTION 1.** A member electing this option shall receive a retirement allowance payable throughout such member's life. However, if the retiree dies before the total of the retirement allowance paid to such retiree equals the amount of such retiree's accumulated contributions at the time of retirement, then the balance shall be paid to such person or persons having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. If such medical examinations reveal

that such a member has recovered from the incapacitating disability and the member is offered reemployment by an employer at a comparable compensation, such member shall cease to be eligible for such allowance.

**NEW SECTION. Sec. 10. APPLICATION FOR AND EFFECTIVE DATE OF RETIREMENT ALLOWANCES.** Any member or beneficiary eligible to receive a retirement allowance under the provisions of sections 4, 9, or 12 of this 1977 amendatory act shall be eligible to commence receiving a retirement allowance after having filed written application with the department.

Upon cessation of service for any nonfederal public employer in this state such retiree shall have benefits actuarially recomputed pursuant to the rules adopted by the department.

**NEW SECTION. Sec. 12. DEATH BENEFITS.** (1) If a member or a vested member who has not completed at least ten years of service dies, the amount of the accumulated contributions standing to such member's credit in the retirement system at the time of such member's death shall be paid to such person or persons having an insurable interest in such member's life as the member shall have nominated by written designation duly executed and filed with the department. If there be no such designated person or persons still living at the time of the member's death, such member's accumulated contributions standing to such member's credit in the retirement system shall be paid to the member's surviving spouse as if in fact such spouse had been nominated by written designation, or if there be no such surviving spouse, then to such member's legal representatives.

A member shall be eligible to receive a maximum of two years service credit during a member's entire working career for those periods when a member is on an unpaid leave of absence authorized by an employer. Such credit may be obtained only if the member makes both the employer and member contributions plus interest as determined by the department for the period of the authorized leave of absence within five years of resumption of service or prior to retirement whichever comes sooner: **PROVIDED**, That for the purpose of this subsection the contribution shall not include the contribution for the unfunded supplemental present value as required by section 6 of this 1977 amendatory act. A member who is inducted into the armed forces of the United States shall be deemed to be on an unpaid, authorized leave of absence.

**NEW SECTION. Sec. 14. VESTED MEMBERSHIP.** A member who separates or has separated after having completed at least five years of service may remain a member during the period of such member's absence from service for the exclusive purpose only of receiving a retirement allowance under the provisions of section 4 of this 1977 amendatory act if such member maintains the member's accumulated contributions intact.

**NEW SECTION. Sec. 15. REFUND OF CONTRIBUTIONS ON TERMINATION.** A member who ceases to be an employee of an employer may request a refund of the members accumulated contributions.

The refund shall be made within ninety days following the receipt of the request and notification of termination by the employer; except that in the case of death, an initial payment shall be made within thirty days of receipt of request for such payment. A member who files a request for refund and subsequently enters into employment with another employer prior to the refund being made shall not be eligible for a refund. The refund of accumulated contributions shall terminate all benefits under the provisions of sections 2 through 16 of this 1977 amendatory act.

**NEW SECTION, Sec. 16. REENTRY.** A member, who had left service and withdrawn the member's accumulated contributions, shall receive service credit for such prior service if the member restores all withdrawn accumulated contributions together with interest since the time of withdrawal as determined by the department. The restoration of such funds must be completed within five years of the resumption of service or prior to retirement, whichever occurs first.

**NEW SECTION, Sec. 17. DUTIES OF PAYROLL OFFICER.** The person responsible for making up the payroll shall transmit promptly to the department at the end of each and every payroll period a copy of the original payroll voucher or such other payroll report as the department may require showing thereon all deductions for contributions for the teachers' retirement system made from the earnable compensation of a member of the teachers' retirement system together with warrants or checks covering the total of such deductions. **BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:**

**NEW SECTION.** Section 1. **LEGISLATIVE FINDING.** The legislature finds and determines that those members first employed on or before September 30, 1977, shall not suffer any diminishment or loss of benefits or rights, whether current or prospective, as the result of the enactment of this 1977 amendatory act.

**NEW SECTION.** Sec. 2. **APPLICATION TO CERTAIN PERSONS.** Sections 3 through 16 of this 1977 amendatory act shall apply only to those persons who are initially employed by an employer on or after October 1, 1977.

**NEW SECTION.** Sec. 3. **COMPUTATION OF THE RETIREMENT ALLOWANCE.** A member of the retirement system shall receive a retirement allowance equal to two percent of such member's average final compensation for each year of service.

**NEW SECTION.** Sec. 4. **RETIREMENT FOR SERVICE.** (1) **NORMAL RETIREMENT.** Any member with at least five years of service who has attained at least age fifty-eight shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act.

(2) **EARLY RETIREMENT.** Any member who has completed at least twenty years of service and has attained age fifty shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 3 of this 1977 amendatory act, except that a member retiring pursuant to this subsection shall have the retirement allowance actuarially reduced to reflect the difference in the number of years between age at retirement and the attainment of age fifty-eight.

**NEW SECTION.** Sec. 5. **POST-RETIREMENT COST-OF-LIVING.** Beginning July 1, 1979, and every year thereafter, the department shall determine the following information for each retired member or beneficiary whose retirement allowance has been in effect for at least one year:

- (1) The original dollar amount of the retirement allowance;
- (2) The index for the calendar year prior to the effective date of the retirement allowance, to be known as "index A";
- (3) The index for the calendar year prior to the date of determination, to be known as "index B"; and
- (4) The ratio obtained when index B is divided by index A.

The value of the ratio obtained shall be the annual adjustment to the original retirement allowance and shall be applied beginning with the July payment. In no event, however, shall the annual adjustment:

- (a) Produce a retirement allowance which is lower than the original retirement allowance;
- (b) Exceed three percent in the initial annual adjustment; or
- (c) Differ from the previous year's annual adjustment by more than three percent.

For the purposes of this section, "index" means, for any calendar year, that year's average consumer price index—Seattle, Washington area for urban wage earners and clerical workers, all items, compiled by the bureau of labor statistics, United States department of labor.

**NEW SECTION.** Sec. 6. **EMPLOYER, MEMBER, AND STATE CONTRIBUTIONS.** The required contribution rates to the retirement system for members, employers, and the state of Washington shall be established by the director from time to time as may be necessary upon the advice of the state actuary.

The member, the employer and the state shall each contribute the following shares of the cost of the retirement system:

Member	50%
Employer	30%
State	20%

Any adjustments in contribution rates required from time to time for future costs shall likewise be shared proportionally by the members, employers, and the state: **PROVIDED**, That the costs of amortizing the unfunded supplemental present value of the retirement system, in existence on September 30, 1977, shall be borne in full by the state.

Any increase in the contribution rate required as the result of a failure of the state or of an employer to make any contribution required by this section shall be borne in full by the state or by that employer not making the contribution.

The director shall notify the retirement board of any pending adjustment in the required contribution rate and such increase shall be announced at a board meeting held at least thirty days prior to the effective date of the change.

Members' contributions required by this section shall be deducted from the members basic salary each payroll period. The members contribution and the employers contribution shall be remitted directly to the department within fifteen days following the end of the calendar month during which the payroll period ends.

Until such time as the director shall establish other rates, members, employers of such members, and the state shall each contribute the following percentages of basic salary:

Member	8.14%

In addition, the state shall initially contribute an additional twenty percent of basic salary per member to amortize the unfunded supplemental present value of the retirement system in effect on September 30, 1977.

(1) **OPTION 1.** A member electing this option shall receive a retirement allowance payable throughout such member's life. However, if the retiree dies before the total of the retirement allowance paid to such retiree equals the amount of such retiree's accumulated contributions at the time of retirement, then the balance shall be paid to such person or persons having an insurable interest in the retiree's life as the retiree shall have nominated by written designation duly executed and filed with the department; or if there be no such designated person or persons still living at the time of the retiree's death, then to the surviving spouse; or if there be neither such designated person or persons still living at the time of death nor a surviving spouse, then to the retiree's legal representative.

Such member shall receive a monthly disability allowance computed as provided for in section 3 of this 1977 amendatory act and shall have such allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age fifty-eight.

Any member who receives an allowance under the provisions of this section shall be subject to such comprehensive medical examinations as required by the department. If such medical examinations reveal that such a member has recovered from the incapacitating disability and the member is offered reemployment by an employer at a comparable compensation, such member shall cease to be eligible for such allowance.

amendatory act shall be eligible to receive such retiree's monthly retirement allowance if such retiree is performing service for any nonfederal public employer in this state.

Upon cessation of service for any nonfederal public employer in this state such retiree shall have benefits actuarially recomputed pursuant to the rules adopted by the department.

**NEW SECTION. Sec. 16. REENTRY.** A member, who had left service and withdrawn the member's accumulated contributions, shall receive service credit for such prior service if the member restores all withdrawn accumulated contributions together with interest since the time of withdrawal as determined by the department.

**Sec. 20.** Section 3, chapter 257, Laws of 1971 ex. sess. as last amended by section 8, chapter 120, Laws of 1974 ex. sess. and RCW 41.26.045 are each amended to read as follows:

Notwithstanding any other provision of law after February 19, 1974 no law enforcement officer or fire fighter, may become eligible for coverage in the pension system established by this chapter, until he has met and has been certified as having met minimum medical and health standards: **PROVIDED**, That an elected sheriff or an appointed chief of police or fire chief, shall not be required to meet the age standard: **PROVIDED FURTHER**, That in cities and towns having not more than two law enforcement officers and/or not more than two fire fighters and if one or more of such persons do not meet the minimum medical and health standards as required by the provisions of this chapter, then such person or persons may join any other pension system that the city has available for its other employees: **AND PROVIDED FURTHER**, That for one year after February 19, 1974 any such medical or health standard now existing or hereinafter adopted, insofar as it establishes a maximum age beyond which an applicant is to be deemed ineligible for coverage, shall be waived as to any applicant for employment or reemployment who is otherwise eligible except for his age, who has been a member of any one or more of the retirement systems created by chapter 41.20 of the Revised Code of Washington and who has restored all contributions which he has previously withdrawn from any such system or systems.

**Sec. 21.** Section 4, chapter 257, Laws of 1971 ex. sess. as last amended by section 12, chapter 120, Laws of 1974 ex. sess. and RCW 41.26.046 are each amended to read as follows:

By July 31, 1971, the retirement board shall adopt minimum medical and health standards for membership coverage into the Washington law enforcement officers' and fire fighters' retirement system act. In adopting such standards the retirement board shall consider existing standards recommended by the international association of chiefs of police and the international association of fire fighters, and shall adopt equal or higher standards, together with appropriate standards and procedures to insure uniform compliance with this chapter. The standards when adopted shall be published and distributed to each employer, and each employer shall adopt certification procedures and such other procedures as are required to insure that no law enforcement officer or fire fighter receives membership coverage unless and until he has actually met minimum medical and health standards: **PROVIDED**, That an elected sheriff or an appointed chief of police or fire chief shall not be required to meet the age standard. The retirement board may amend the minimum medical and health standards as experience indicates, even if the standards as so amended are lower or less rigid than those recommended by the international associations mentioned above. **Sec. 22.** Section 9, chapter 209, Laws of 1969 ex. sess. as last amended by section 6, chapter 131, Laws of 1972 ex. sess. and RCW 41.26.090 are each amended to read as follows:

Retirement of a member for service shall be made by the board as follows:

(1) Any member having five or more years of service and having attained the age of fifty years shall be eligible for a service retirement allowance and shall be retired upon his written request effective the first day following the date upon which the member is separated from service.

(2) Any member having five or more years of service, who terminates his employment with any employer, may leave his contributions in the fund. Any employee who so elects, upon attaining age fifty, shall be eligible to apply for and receive a service retirement allowance based on his years of service, commencing on the first day following his attainment of age fifty. This section shall also apply to a person who rendered service as a law enforcement officer or fire fighter, as those terms are defined in RCW 41.26.030, on or after July 1, 1969, but who was not employed as a law enforcement officer or fire fighter on March 1,

1970, by reason of his having been elected to a public office. Any member selecting this optional vesting with less than twenty years of service shall not be covered by the provisions of RCW 41.26.150, and his survivors shall not be entitled to the benefits of RCW 41.26.160 unless his death occurs after he has attained the age of fifty years. Those members selecting this optional vesting with twenty or more years service shall not be covered by the provisions of RCW 41.26.150 until the attainment of the age of fifty years: **PROVIDED**, That a member selecting this option, with less than twenty years of service credit, who shall die prior to attaining the age of fifty years, shall have paid from the Washington law enforcement officers' and fire fighters' retirement fund, to such member's surviving spouse, if any, otherwise to such beneficiary as the member shall have designated in writing, or if no such designation has been made, to the personal representative of his estate, a lump sum which is equal to the amount of such member's accumulated contributions plus accrued interest: **PROVIDED FURTHER**, That if the vested member has twenty or more years of service credit the surviving spouse or children shall then become eligible for the benefits of RCW 41.26.160 regardless of his age at the time of his death, to the exclusion of the lump sum amount provided by this subsection.

(3) Any member who has attained the age of sixty years shall be retired on the first day of the calendar month next succeeding that in which said member shall have attained the age of sixty and may not thereafter be employed as a law enforcement officer or fire fighter: **PROVIDED**, That for any member who is elected or appointed to the office of sheriff, chief of police, or fire chief, his election or appointment shall be considered as a waiver of the age sixty provision for retirement and nonemployment for whatever number of years remain in his present term of office and any succeeding periods for which he may be so elected or appointed: **PROVIDED FURTHER**, That the provisions of this subsection shall not apply to any member who is employed as a law enforcement officer or fire fighter on March 1, 1970.

Sec. 23. Section 17, chapter 209, Laws of 1969 ex. sess as last amended by section 5, chapter 120, Laws of 1974 ex. sess. and RCW 41.26.160 are each amended to read as follows:

(1) In the event of the death of any member who is in active service, or who has vested under the provisions of RCW 41.26.090 with twenty or more years of service, or who is on disability leave or retired, whether for disability or service, his surviving spouse shall become entitled to receive a monthly allowance equal to fifty percent of his final average salary at the date of death if active, or the amount of retirement allowance the vested member would have received at age fifty, or the amount of the retirement allowance such retired member was receiving at the time of his death if retired for service or disability. The amount of this allowance will be increased five percent of final average salary for each child as defined in RCW 41.26.030(7), as now or hereafter amended, subject to a maximum combined allowance of sixty percent of final average salary: **PROVIDED**, That if the child or children is or are in the care of a legal guardian, payment of the increase attributable to each child will be made to the child's legal guardian.

(2) If at the time of the death of a vested member with twenty or more years service as provided above or a member retired for service or disability, the surviving spouse has not been lawfully married to such member for one year prior to his retirement or separation from service if a vested member, the surviving spouse shall not be eligible to receive the benefits under this section: **PROVIDED**, That if a member dies as a result of a disability incurred in the line of duty, then if he was married at the time he was disabled, his surviving spouse shall be eligible to receive the benefits under this section.

(3) If there be no surviving spouse eligible to receive benefits at the time of such member's death, then the child or children of such member shall receive a monthly allowance equal to thirty percent of final average salary for one child and an additional ten percent for each additional child subject to a maximum combined payment, under this subsection, of sixty percent of final average salary. When there cease to be any eligible children as defined in RCW 41.26.030(7), as now or hereafter amended, there shall be paid to the legal heirs of said member the excess, if any, of accumulated contributions of said member at the time of his death over all payments made to his survivors on his behalf under this chapter: **PROVIDED**, That payments under this subsection to children shall be prorated equally among the children, if more than one.

(4) In the event that there is no surviving spouse eligible to receive benefits under this section, and that there be no child or children eligible to receive benefits under this section, then the accumulated contributions shall be paid to the estate of said member.

(5) If a surviving spouse receiving benefits under the provisions of this section thereafter dies ((or remarries)) and there are children as defined in RCW 41.26.030(7), as now or hereafter amended, payment to the spouse shall cease and the child or children shall receive the benefits as provided in subsection (3) above.

(6) The payment provided by this section shall become due the day following the date of death and payments shall be retroactive to that date.

**NEW SECTION.** Sec. 24. Section headings used in this 1977 amendatory act shall not constitute any part of the law.

**NEW SECTION.** Sec. 25. Sections 1 through 16 of this 1977 amendatory act shall be added to chapter 41.26 RCW and shall be codified as consecutive sections of the Revised Code of Washington within such chapter.

**NEW SECTION.** Sec. 26. If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION.** Sec. 27. This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect October 1, 1977.\*

#### MESSAGE FROM THE SENATE

June 17, 1977

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on ENGROSSED SENATE BILL NO. 2480, and has granted said committee the powers of Free Conference.

Sidney R. Snyder, Secretary.

#### REPORT OF FREE CONFERENCE COMMITTEE

June 17, 1977

Mr. President:

Mr. Speaker:

We, of your Free Conference Committee, to whom was referred ENGROSSED SENATE BILL NO. 2480, revising the law on unemployment compensation, have had the same under consideration, and we recommend that the House committee amendments as amended be adopted and the following additional amendments be adopted:

On page 29, beginning on line 4 of the House amendment, strike all of sections 22 and 23 and insert the following:

\***NEW SECTION.** Sec. 22. The commissioner is authorized, with the approval of the governor, to collect from the three-tenths of one percent increase in employer contributions provided in section 10 of chapter 33, Laws of 1977 1st ex. sess., for calendar years 1978 and 1979, nine and one-tenth percent of the additional revenue generated by the three-tenths of one percent increase, or so much thereof as may be deemed appropriate by the commissioner, to be deposited in the administrative contingency fund, one-half of such deposit to be extended for the purpose of operating a quality control program similar to the pilot quality program project which ended in 1976, in local employment security offices, and one-half for increased audits and investigations of employers subject to Title 50 RCW. In determining the amount of the deposit, if any, authorized by this section, the commissioner and the governor shall consider the impact any such deposit would have on employer contributions required by the federal government for the repayment of a loan from the federal unemployment trust fund.

**NEW SECTION.** Sec. 23. (1) The provisions of this act mandating coverage of employees of political subdivisions have been enacted to comply with the provisions of Public Law 94-566. Therefore, as provided in subsection (2), this mandatory feature shall be contingent on the existence of valid and constitutional federal law requiring the Secretary of Labor to refuse to certify as approved the employment security laws of this state if such laws did not continue such mandatory coverage.

(2) In the event the mandatory coverage feature for political subdivisions ceases to be necessary for compliance with the valid and constitutional federal law, then the mandatory feature of this 1977 act shall cease to be effective as of the end of the next quarter following the quarter in which the mandatory feature contained in this 1977 act is not necessary for such compliance.

(3) In the event mandatory coverage ceases to be effective pursuant to subsection (2), then the sections, or subsections as the case may be, of this 1977 amendatory act shall to the extent that they apply to coverage of employees of political subdivisions be deemed nullified and the language of the sections being amended shall be deemed reinstated as the laws of this state.

(4) Benefits paid based on the services covered during the effective life of the mandatory coverage feature shall be financed as follows:

(a) If the political subdivision was financing payment of benefits on a reimbursable basis, benefits attributable to employment with the political subdivision shall be assessed to and paid by the political subdivision;

(b) If the political subdivision is a county, city, or town which elected financing pursuant to section 15 of this 1977 amendatory act, such political subdivision will pay 'the local government tax' for all earnings by employees through the end of the calendar quarter in which the mandatory coverage is no longer effective pursuant to subsection (2);

(c) If the political subdivision was financing benefits by the contribution method it will pay contributions on wages earned by its employees through the end of the calendar quarter in which mandatory coverage is no longer effective pursuant to subsection (2)."

On page 31 of the House amendment, after line 34 insert a new section as follows:

**"NEW SECTION.** Sec. 25. The provisions of section 11 of this 1977 amendatory act shall apply to the week ending May 21, 1977, and all weeks thereafter."

Renumber the remaining sections consecutively.

Signed by Senators Ridder, Morrison, Mardesich; Representatives Lux, Charette.

#### MOTION

On motion of Mr. Charette, the House adopted the report of the Free Conference Committee.

#### FINAL PASSAGE OF SENATE BILL AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker stated the question before the House to be the final passage of Engrossed Senate Bill No. 2480 as amended by the Free Conference Committee.

Representatives Charette and Newhouse spoke in favor of passage of the bill.

#### POINT OF INQUIRY

Mr. Charette yielded to question by Mr. Zimmerman.

Mr. Zimmerman: "Representative Charette, this is the bill that does deal with the matter of classified employees. I haven't had a chance to look through these amendments, but I know earlier that they had been covered. Does this cover the classified employees in the sense that they will not be eligible for unemployment except as they have known now?"

Mr. Charette: "Representative Zimmerman, I believe the question you intended to ask, is whether or not classified employees that stop work in June and go back in September would be allowed to draw unemployment compensation during those two months during the summer, and the answer to that question is that it is taken care of in the bill and they will not be able to do so."

Mr. Zimmerman: "My question, Representative Charette, involves the Christmas holidays and the spring holidays and those other times when they would normally not be working."

Mr. Charette: "The answer to that question is that it was never a problem anyway because there is a one week waiting period on the unemployment compensation law and most of those holidays are less than a week so they never could have drawn anyway. I think the Conference Committee has come to a good compromise with this bill, putting aside the smoke screens that have been put up, and yet it is a good bill."

## ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 2480 as amended by the Free Conference Committee, and the bill passed the House by the following vote: Yeas, 87; nays, 1; not voting, 10.

Voting yea: Representatives Amen, Barnes, Barr, Becker, Bender, Berentson, Blair, Boldt, Burns, Chandler, Charette, Charnley, Clayton, Clemente, Conner, Craswell, Deccio, Douthwaite, Dunlap, Ehlers, Enbody, Eng, Erak, Erickson, Fancher, Fischer, Flanagan, Fortson, Fuller, Gaines, Gallagher, Gilleland, Greengo, Grier, Grimm, Gruger, Hanna, Hansen, Hawkins, Heck, Hughes, Hurley G. S., Keller, Kilbury, King, Knedlik, Kreidler, Leckenby, Lee, Lux, Lysen, Martinis, Maxie, May, McCormick, McKibbin, Moreau, Nelson D., Nelson G. MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 82.16.050, chapter 15, Laws of 1961 as last amended by section 25, chapter 149, Laws of 1967 ex. sess. and RCW 82.16.050 are each amended to read as follows:

In computing tax there may be deducted from the gross income the following items:

(1) Amounts derived by municipally owned or operated public service businesses, directly from taxes levied for the support or maintenance thereof: PROVIDED, That this section shall not be construed to exempt service charges which are spread on the property tax rolls and collected as taxes;

(2) Amounts derived from the sale of commodities to persons in the same public service business as the seller, for resale as such within this state. This deduction is allowed only with respect to water distribution, light and power, gas distribution or other public service businesses which furnish water, electrical energy, gas or any other commodity in the performance of public service businesses;

(3) Amounts actually paid by a taxpayer to another person taxable under this chapter as the latter's portion of the consideration due for services furnished jointly by both, if the total amount has been credited to and appears in the gross income reported for tax by the former;

(4) The amount of cash discount actually taken by the purchaser or customer;

(5) The amount of credit losses actually sustained by taxpayers whose regular books of accounts are kept upon an accrual basis;

(6) Amounts derived from business which the state is prohibited from taxing under the Constitution of this state or the Constitution or laws of the United States;

(7) Amounts derived from the distribution of water through an irrigation system, for irrigation purposes;

(8) Amounts derived from the transportation of commodities from points of origin in this state to final destination outside this state, or from points of origin outside this state to final destination in this state, with respect to which the carrier grants to the shipper the privilege of stopping the shipment in transit at some point in this state for the purpose of storing, manufacturing, milling, or other processing, and thereafter forwards the same commodity, or its equivalent, in the same or converted form, under a through freight rate from point of origin to final destination; and amounts derived from the transportation of commodities from points of origin in the state to an export elevator, wharf, dock or ship side on tidewater or navigable tributaries thereto from which such commodities are forwarded, without intervening transportation, by vessel, in their original form, to interstate or foreign destinations: **PROVIDED**, That no deduction will be allowed when the point of origin and the point of delivery to such an export elevator, wharf, dock, or ship side are located within the corporate limits of the same city or town;

(9) Amounts derived from the production, sale, or transfer of electrical energy for resale or consumption outside the state if the production or generation of such energy is subject to tax under the manufacturing classification of chapter 82.04 RCW: **PROVIDED**, That the exemption set forth in RCW 82.04.310 shall not be applicable to the generation or production of the electrical energy so produced, sold, or transferred: **AND PROVIDED FURTHER**, That no credit has been claimed as an offset to taxes imposed under RCW 82.04.240;

(10) Amounts derived from the distribution of water by a nonprofit water association and used for capital improvements by that nonprofit water association.

**NEW SECTION, Sec. 2.** Any relief, direct or indirect, from the impact of surcharges or taxes on electric power costs, provided by a municipal corporation from revenues derived from such surcharges or taxes to any class of consumers subject to such surcharges or taxes within the power service area shall apply uniformly to all members of the class within the area: **PROVIDED**, No class shall be based on geographical location.

**NEW SECTION, Sec. 3.** If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

Signed by Representatives Sommers, Chairwoman; Knedlik, Vice Chairman; Eng, Erickson, Kilbury, Nelson (Dick), Tilly, Winsley.

#### MOTION

Mr. King moved that the rules be suspended and Substitute Senate Bill No. 2186 be advanced to second reading and read the second time in full.

#### POINT OF ORDER

Mr. Newhouse: "Senate Bill No. 2186 is not properly before us on three counts. Number one, the striking amendment of the committee is beyond the scope and object of the bill. Number two, it's contrary to the provisions of the concurrent resolution providing for the shut down of this session in that the exemptions that could possibly, remotely, be considered to have to do with energy and revenue and the provisions of the striking amendment do neither. In neither case do they apply. And third, that the provisions of this striking amendment are the subject of a bill currently before the House—House Bill No. 623, which we should have passed yesterday."

## POINT OF ORDER

Mr. King: "His point of order would not be in order until the bill itself is before us. The matter before us at this time is the motion to suspend the rules to place the bill before us. I think at that time you could entertain, perhaps, some of his points. It would be moot if the motion to suspend the rules should be lost."

## SPEAKER'S RULING (MR. CHARNLEY PRESIDING)

#### MOTION

On motion of Mr. Enbody, the report of the Free Conference Committee was adopted.

#### FINAL PASSAGE OF SENATE BILL AS AMENDED BY FREE CONFERENCE COMMITTEE

The Speaker (Mr. Charnley Presiding) stated the question before the House to be the final passage of Engrossed Senate Bill No. 2419 as amended by the Free Conference Committee.

#### POINT OF INQUIRY

Mr. Enbody yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "I'm worried about the language on page 1, lines 27 through 30, which sounds like if one is bothered by phone calls in the middle of the night, he can wiretap and record said conversations with no notice to anyone else. I'd like some explanation of what the intention is in dealing with anonymous calls at awkward or inconvenient hours. It sounds like it could be used to harrass some people and I'd like to know what the intent is."

Mr. Enbody: "The bill pertains only to criminal acts and the intent of this was designed to get at the crank or obscene phone calls. It's important to keep in mind, I think, that anybody who receives such a telephone call can testify now as to the substance of the conversation, and that's admissible in court. All this says is, that under those limited circumstances, it may be recorded and used in any subsequent criminal proceedings."

Mr. Douthwaite: "Does anyone need any authorization to record such telephone calls from any police authorities, or can I just hook up a recorder to my telephone and record as I wish?"

Mr. Enbody: "Yes, you could do that. What I'm saying is that the only time it could be utilized would be in a criminal prosecution for these kinds of phone calls. In other words, if you are using them simply to record, I suppose you could do that now anyway, but the only time these would come into effect would be in a criminal proceeding, so if the person hadn't committed any crime, it's a normal phone call, the question wouldn't come up in the first place. I should point out that you raise a very interesting point. You have to distinguish between the policy and what this particular bill does. How you vote depends on whether you think this bill is a legitimate policy decision the state should make in the future. All I'm saying is that for my protective honesty, (and you may disagree with that philosophy, and that's fine) I'm trying to point out how the bill has been tightened up from the way it came over from the Senate. This is about as tight a bill as we're able to get."

#### POINT OF INQUIRY

Mr. Enbody yielded to question by Mr. Ehlers.

Mr. Ehlers: "Last time this bill was over, Representative Enbody, a number of people, in order to sell the bill to this body, assured us that appropriate language is in the bill that would assure this body that there would be a guaranteed review of the policies outlined in the concepts of this bill. That was taken out by the Free Conference Committee. Can you give us some rationale as to why that safeguard was taken out."

Mr. Enbody: "In going through the bill, Representative Ehlers, starting with page 4, the important aspects in section 5, as I see it, are that the report must, in fact, be made to the court administrators, etc., as to who made application, what it was for, what were the results of these things, so the information for review will be on file. I would have preferred to have seen a sunset clause in there, but the information necessary for any effective review is in the bill. This can be reviewed at any time we see fit and all the information is on file with the court administrators. The courts are also required to maintain records as to who applied for it, what the reasons were, and things of that nature. Probably the most objectionable portion of the bill was the prosecutorial discretion and opinions, and that has been eliminated. I think when you leave

it entirely in the court's hands as to the requirements of probable cause and warrant requirements, the information is going to be on hand for us."

Mr. Newhouse spoke in favor of passage of the bill.

WHEREAS, The Department of the Army has announced plans to reduce the number of Army Reserve Civil Affairs Brigades nationally from ten to six, and one of the units scheduled to be disbanded is the 365th Civil Affairs Brigade of Washington State with the result that the nearest such unit would then be stationed in Portland, Oregon; and

WHEREAS, A major transshipment port has been suggested at or near the entrance to Puget Sound, posing a threat to the \$1.8 billion dollar economic worth of Northern Puget Sound; and

WHEREAS, A likely short-term and a possible long-term alternative to transshipment exists in the form of the shipment of Alaskan crude oil to Japan in exchange for Middle Eastern oil transported to the Midwestern United States and/or to Eastern Canada in exchange for continuation of oil delivery by existing pipeline from Canada to the U. S. Northern tier and Puget Sound; and

WHEREAS, Such an exchange would eliminate needless tanker movements and greatly reduce the risk of major oil spills and damage to the Puget Sound and the coastal waters of Washington state; and

WHEREAS, Such an exchange would require the approval of President Carter and the consent of the United States Congress;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives of the State of Washington does hereby urge the President and the Congress of the United States to give careful consideration to the benefits of granting such approval and consent as necessary to allow for the exchange of Alaskan crude oil for an equivalent amount of Middle Eastern oil through a trade involving Japan and/or Canada.

## EXPLANATION OF VOTE

My vote in favor of the final passage of Engrossed Substitute House Bill No. 312 was in error. At the moment of the vote I was busy away from my desk and I asked my seat mate, Representative Sommers, to vote for me against the bill. She misunderstood and voted me for it. I recognize the bill is a rational compromise but I still oppose the tuition hike as a tax on those who are often unable to pay.

JEFF DOUTHWAITE, 43rd District.

The Speaker resumed the Chair.

## SIGNED BY THE SPEAKER

The Speaker announced he was signing:

## SECOND SUBSTITUTE HOUSE BILL NO. 251.

## RESOLUTIONS

HOUSE RESOLUTION NO. 77-57, by Representatives Hanna and Struthers:

WHEREAS, It has been demonstrated that there exists an imminent need to reform the criminal sentencing system in Washington State; and

WHEREAS, The Washington State House of Representatives has done extensive work in revising the criminal sentencing system; this work having been formulated in ESHB 614, which is currently before the Senate Committee on Judiciary; and

WHEREAS, It is apparent that before final consideration can be given, the impact of this legislation must be examined;

NOW, THEREFORE, LET IT BE RESOLVED, That the House of Representatives request the Board of Prison Terms and Paroles to perform a study of the impact of ESHB 614 to include:

(1) The effects of ESHB 614 on the sentencing of persons serving terms of confinement in state correctional institutions at the time the bill becomes effective, and

(2) Proposed standard ranges of punishment as prescribed by this legislation.

BE IT FURTHER RESOLVED, That the Department of Social and Health Services be requested to study the fiscal impacts of the proposed standard ranges.

BE IT FURTHER RESOLVED, That the Washington Association of Prosecuting Attorneys be requested to propose guidelines and procedures which are designated to afford similarly situated defendants equal opportunity with respect to plea bargaining discussions and agreements.

BE IT FURTHER RESOLVED, That the above studies and proposal be completed and submitted to the appropriate committees of the legislature no later than January 1, 1978.

On motion of Mr. Hanna, the resolution was adopted.

HOUSE RESOLUTION No. 77-56, by Representatives Fortson, Wilson, Berentson, Martinis and Vrooman:

WHEREAS, The Classic U is a 255 acre tract of old growth timber on Whidbey Island just east of South Whidbey State Park; and

WHEREAS, The Classic U is composed mostly of huge, old, first-growth timber; and  
 WHEREAS, This acreage is owned by the University of Washington and managed by the Department of Natural Resources; and

WHEREAS, The Department of Natural Resources has now determined that this land is now prime for harvesting, and has contracted with an excavating company to clearcut the timber; and

WHEREAS, No environmental impact statement has been filed to demonstrate any effects upon the surrounding area, especially the South Whidbey State Park; and

WHEREAS, No study of the clearcutting's effects upon the wildlife in Classic U has been conducted, even though a representative of the Department of Game has publicly expressed fears for the welfare of rare and endangered species of wildlife in the area; and

WHEREAS, No alternative forms of logging, such as selective cutting, have been examined by the Department; and

WHEREAS, First growth timber, being hundreds of years old, should perhaps be considered to be endangered species themselves;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the Department of Natural Resources be requested to reexamine alternative uses of the Classic U tract, rather than clearcutting its growth for a very temporary financial gain; the Department shall present its findings to the House Natural Resources Committee for legislative evaluation; and

BE IT FURTHER RESOLVED, That the University of Washington be requested to explain to the citizens of South Whidbey its position regarding the future use of Classic U.

#### MESSAGE FROM THE SENATE

June 18, 1977

Mr. Speaker:

The Senate has concurred in the House amendments to ENGROSSED SENATE BILL NO. 2825, and has passed the bill as amended by the House.

Bill Gleason, Assistant Secretary.

#### SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 2700, by Committee on Ways and Means (Originally sponsored by Senator Donohue):

Imposing school levy limitations.

The bill was read the second time.

Mr. Thompson moved adoption of the following amendment:

On page 3, beginning on line 31 strike all of section 4 and insert the following:

**"NEW SECTION.** Sec. 4. There is added to chapter 15, Laws of 1961 and to chapter 84.52 RCW a new section to read as follows:

The maximum dollar amount which may be levied by or for any school district for maintenance and operation support under the provisions of section 3 of this amendatory act shall be as follows:

(1) For excess levies in 1977 for collection in 1978:

To the extent that any district receives funds through the state apportionment formula in excess of the amount anticipated by such a district when it established its excess levy for collection in 1978 and when such excess can be utilized to relieve special levy burdens, then such a district should place a first priority on reducing its special levy: **PROVIDED**, That no school district whose average compensation is above the statewide average shall increase from any source such compensation levels above six percent of the school district's 1976-77 compensation level: **PROVIDED FURTHER**, That school districts whose average compensation is increased a maximum of four percent from state funds shall be allowed to increase, from excess tax levies, compensation which shall be the difference between four percent and any positive percentage change from the prior year's United States Consumer Price Index or an additional two percent whichever is less: **PROVIDED FURTHER**, That those contracts which have been negotiated prior to the effective date of this act by those school districts for such school year shall not be abrogated by this act: **PROVIDED FURTHER**, That nothing shall preclude a school district whose average compensation level is below the state average compensation level from providing increases from these sources, except that in no event shall such district exceed the statewide average compensation level by more than six percent.

(2) For excess levies in 1977 for collection in 1979; for excess levies in 1978 for collection in 1979 and thereafter, the sum of:

(a) That amount equal to ten percent of each school district's prior year basic education allocation converted to one hundred percent of formula; plus

(b) That amount equal to each school district's prior year basic education allocation converted to one hundred percent of formula minus each school district's basic education allocation for such school year.

Funds so authorized under this 1977 amendatory act shall not be used to increase the average compensation for certificated and classified staff employees in any school district: **PROVIDED**, That school districts whose average compensation is increased a maximum of four percent from state funds shall be allowed to increase such compensation by the difference between four percent and any positive percentage change from the prior year's United States Consumer Price Index or an additional two percent whichever is less: **PROVIDED FURTHER**, That any school district whose average compensation is below statewide average compensation level during the preceding school year, may collect and expend property taxes authorized by this 1977 amendatory act for the purpose of increasing such district average compensation up to but not to exceed the statewide average compensation for the preceding school year.

For the purpose of this section, the basic education allocation shall be determined pursuant to RCW 28A.41.130, RCW 28A.41.140, and RCW 28A.41.145, as now or hereafter amended.

Certificated employees shall include those persons employed by a school district in a teaching, instruction, administrative or supervisory capacity and who hold positions as certificated employees as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent, and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent. Classified employees shall include those persons employed by a school district other than certificated employees as defined in this section in a capacity for which certification is not required.

For the purpose of subsection (2) of this section, the superintendent of public instruction may grant local school districts authority to exceed the levy limitations imposed by said subsection: **PROVIDED**, That said limitations can only be exceeded by an amount that will insure local school districts the ability to raise a total excess levy dollar amount per annual average full time equivalent student which when combined with the basic education allocation is equal to but does not exceed one hundred and four percent of the previous school year's comparable dollars per annual average full time equivalent student.

The superintendent of public instruction shall develop rules and regulations to inform school districts of the pertinent data necessary to carry out the provisions of this act."

Mr. Shinpoch moved adoption of the following amendments to the Thompson amendment:

On page 1, line 17 after "1976-77 compensation level:" strike all the material down to and including "whichever is less." on line 22.

On page 2 of the amendment, line 3 after "any school district: **PROVIDED**," strike all the material down to and including "is less: **PROVIDED FURTHER**," on line 8.

Mr. Shinpoch spoke in favor of the amendments to the amendment, and Mr. Thompson spoke against them.

#### POINT OF INQUIRY

Mr. Shinpoch yielded to question by Mr. Greengo.

Mr. Greengo: "Representative Shinpoch, your amendment starts on line 17, but there is a proviso starting on line 14 which is left in there. Unless I'm missing something it says you can raise the level a total of six percent and if you strike out your portion, the way I read it, you can go ahead and raise it six percent without any reference to the SPI. If I'm wrong please correct me."

Mr. Shinpoch: "I would agree with you that the language is convoluted; it is an extremely difficult amendment to understand. I read it that the first proviso that you are reading does not pertain to special levies, that the proviso that allows you to use levies from excess tax levies to increase compensation is the proviso that I'm striking. As I read it, you would not be able to use the former. However, you understand this is just my judgment based on attempting to read what this really says."

Mr. Taller spoke in favor of the amendments to the amendment.

Mr. Charnley demanded an electric roll call and the demand was sustained.

#### ROLL CALL

The Clerk called the roll on adoption of the amendments by Representative Shinpoch to the Thompson amendment to Engrossed Substitute Senate Bill No. 2700, and the amendments were not adopted by the following vote: Yeas, 34; nays, 46; not voting, 18.

Voting yea: Representatives Amen, Barnes, Becker, Berentson, Chandler, Clayton, Craswell, Fancher, Fischer, Flanagan, Fortson, Fuller, Greengo, Hanna, Hansen, Hawkins, Hurley M., Leckenby, May, McKibbin, Nelson G. A., Newhouse, North, Oliver, Owen, Patterson, Schmitt, Shinoda, Shinpoch, Struthers, Taller, Tilly, Zimmerman.

Voting nay: Representatives Blair, Boldt, Burns, Charette, Charnley, Clemente, Conner, Douthwaite, Dunlap, Ehlers, Erak, Erickson, Gaines, Gallagher, Grier, Grimm, Heck, Hughes, Hurley G. S., Keller, Kilbury, King, Knowles, Kreidler, Lee, Martinis, Maxie, McCormick, Nelson D., Pearsall, Polk, Pruitt, Salatino, Sanders, Sherman, Smith, Sommers, Thompson, Valle, Vrooman, Walk, Warnke, Williams, Wilson, Winsley, and Mr. Speaker.

Not voting: Representatives Adams, Barr, Bauer, Bond, Deccio, Enbody, Eng, Gilleland, Gruger, Haley, Knedlik, Lux, Lysen, Moreau, O'Brien, Pardini, Paris, Whiteside.

The Speaker stated the question before the House to be the amendment by Representative Thompson.

Mr. Thompson spoke in favor of the amendment, and Mr. Shinpoch spoke against it.

#### POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Patterson.

Mr. Patterson: "Representative Thompson, I'm looking at a draft of your amendment, and I understand some changes were made in the majority caucus which took out the language in the original draft of including benefits when the reference was made to compensation. Can you give me a reason why there should not be a reference that compensation does include benefits?"

Mr. Thompson: "Representative Patterson, those words were simply redundant in the original draft. Compensation generally is construed to include defined benefits as they are defined in the budget bill."

Mr. Patterson: "Representative Thompson, are you telling me that the budget bill itself will define compensation as including benefits?"

Mr. Thompson: "Yes."

#### POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Flanagan.

Mr. Flanagan: "Does compensation in here as it's worded include all benefits including retirement benefits?"

Mr. Thompson: "Representative Flanagan, I'm not going to give you a specific answer regarding that. That issue is still before the budget Conference Committee, and you'll learn as soon as tomorrow about that."

#### POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Douthwaite.

Mr. Douthwaite: "To clarify some concern which is not all that explicit here, if a district runs a special levy to keep up with the cost of living and passes it perhaps two or three years in a row and then fails it, do you feel the state then has an obligation to continue that district at the salary level where it was before the levy failed?"

Mr. Thompson: "We're not going to provide that kind of assurance to those districts. I guess I have to admit, Representative Douthwaite, that we haven't designed anything here that's going to last for all time, but I believe it puts us in good position and good direction."

Representatives Leckenby and Dunlap spoke against the amendment.

#### ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Thompson to Engrossed Substitute Senate Bill No. 2700, and the amendment was adopted by the following vote: Yeas, 52; nays, 29; not voting, 17.

Voting yea: Representatives Becker, Bender, Berentson, Blair, Boldt, Burns, Chandler, Charette, Charnley, Conner, Douthwaite, Ehlers, Erak, Erickson, Fischer, Fortson, Gaines, Gallagher, Greengo, Grier, Grimm, Hanna, Hawkins, Hughes, Hurley G. S., Keller, Kilbury, King, Knedlik, Knowles, Martinis, Maxie, McCormick, Nelson D., Nelson G. A., Newhouse, Patterson, Pearsall, Pruitt, Salatino, Sherman, Smith, Sommers, Thompson, Valle, Vrooman, Walk, Warnke, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Amen, Barnes, Clayton, Clemente, Craswell, Dunlap, Fancher, Flanagan, Fuller, Hansen, Heck, Hurley M., Kreidler, Leckenby, Lee, May, McKibbin, North, Oliver, Owen, Polk, Sanders, Schmitt, Shinoda, Shinpoch, Struthers, Tally, Zimmerman.

Not voting: Representatives Adams, Barr, Bauer, Bond, Deccio, Enbody, Eng, Gilleland, Gruger, Haley, Lux, Lysen, Moreau, O'Brien, Pardini, Paris, Whiteside.

On motion of Ms. Becker, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 2700 as amended by the House was placed on final passage.

#### ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 2700 as amended by the House, and the bill passed the House by the following vote: Yeas, 58; nays, 24; not voting, 16.

Voting yea: Representatives Becker, Bender, Berentson, Boldt, Burns, Chandler, Charette, Charnley, Conner, Craswell, Douthwaite, Ehlers, Enbody, Erak, Erickson, Fancher, Fischer, Fortson, Fuller, Gaines, Gallagher, Greengo, Grier, Grimm, Hanna, Hawkins, Hughes, Hurley G. S., Keller, Kilbury, King, Knedlik, Knowles, Lee, Martinis, Maxie, McCormick, Nelson D., Nelson G. A., Newhouse, North, Patterson, Pearsall, Pruitt, Salatino, Sherman, Smith, Sommers, Struthers, Thompson, Valle, Vrooman, Walk, Warnke, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Amen, Barnes, Blair, Clayton, Clemente, Dunlap, Flanagan, Hansen, Heck, Hurley M., Kreidler, Leckenby, May, McKibbin, Oliver, Owen, Polk, Sanders, Schmitt, Shinoda, Shinpoch, Tally, Zimmerman.

Not voting: Representatives Adams, Barr, Bauer, Bond, Deccio, Eng, Gilleland, Gruger, Haley, Lux, Lysen, Moreau, O'Brien, Pardini, Paris, Whiteside.

Engrossed Substitute Senate Bill No. 2700 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

#### MOTION

On motion of Mr. King, Engrossed Substitute Senate Bill No. 2700 as amended by the House was ordered transmitted immediately to the Senate.

**SUBSTITUTE SENATE BILL NO. 2186**, by Committee on Energy and Utilities (Originally sponsored by Senators Guess and Washington):

Exempting solar heating and energy saving improvements from the sales and use tax.

The bill was read the second time.

Committee on Revenue recommendation: Majority, do pass as amended. (For committee amendments, see morning session.)

#### POINT OF ORDER

Mr. Newhouse: "Mr. Speaker, at this point I would like to raise the same point of order that I raised this morning and that is that the amendments are in three ways out of order. First they are beyond the scope of the original bill; two, they do not comply with the concurrent resolution closing off the session in that the amendments do not address either energy or revenue, which they might pretend to do; and three, the contents of the bill include House Bill No. 623 which is pending before the body."

## SPEAKER'S RULING

The Speaker: "With regard to the contents of House Bill No. 623, this bill is different. Therefore that point is not well taken. Under the concurrent resolution which exempts energy and revenue matters, this bill can be considered under either category, so that point is not well taken. The bill is within the scope and object."

Ms. Sommers moved adoption of the committee amendment.

Mr. Knedlik moved adoption of the following amendment to the committee amendment: Beginning on page 1, line 6 of the committee amendment strike all of section 1 and renumber the remaining sections consecutively.

Mr. Knedlik spoke in favor of the amendment to the committee amendment, and Representatives Nelson (Gary) and Zimmerman spoke against it.

The amendment to the committee amendment was not adopted.

The committee amendment was adopted.

On motion of Ms. Sommers, the committee amendment to the title was adopted.

Ms. Becker moved that the rules be suspended, the second reading considered the third, and Substitute Senate Bill No. 2186 as amended by the House be placed on final passage.

A division was called.

## ROLL CALL

The Clerk called the roll on the motion to suspend the rules and advance Substitute Senate Bill No. 2186 to final passage, and the motion failed to receive a two-thirds majority by the following vote: Yeas, 53; nays, 28; not voting, 17.

Voting yea: Representatives Becker, Bender, Boldt, Burns, Chandler, Charette, Charnley, Clemente, Conner, Douthwaite, Ehlers, Erak, Erickson, Fischer, Fortson, Gaines, Grier, Grimm, Hanna, Hansen, Hawkins, Heck, Hughes, Hurley G. S., Hurley M., Keller, Kilbury, King, Knedlik, Knowles, Kreidler, Martinis, Maxie, McCormick, McKibbin, Nelson D., North, Owen, Pearsall, Pruitt, Salatino, Sherman, Shinpoch, Smith, Sommers, Thompson, Valle, Vrooman, Walk, Warnke, Williams, Zimmerman, and Mr. Speaker.

Voting nay: Representatives Amen, Barnes, Berentson, Blair, Clayton, Craswell, Dunlap, Fancher, Flanagan, Fuller, Gallagher, Greengo, Leckenby, Lee, May, Nelson G. A., Newhouse, Oliver, Patterson, Polk, Sanders, Schmitt, Shinoda, Struthers, Taller, Tilly, Wilson, Winsley.

Not voting: Representatives Adams, Barr, Bauer, Bond, Deccio, Enbody, Eng, Gilleland, Gruger, Haley, Lux, Lysen, Moreau, O'Brien, Pardini, Paris, Whiteside.

The limitations imposed by RCW 84.52.050 through 84.52.056, and RCW 84.52.043 shall not prevent the levy of additional taxes by school districts, when authorized so to do by the electors of such school district in the manner set forth in Article VII, section 2(a) of the Constitution of this state, as amended by Amendment 59 and as thereafter amended, at a special or general election to be held in the year in which the levy is made or, in the case of a proposition authorizing levies for support of a school district for a two year period, at a special or general election to be held in the year in which the first annual levy is made: **PROVIDED,** That once additional tax levies have been authorized for the support of a school district for a two year period, no further additional tax levies for the support of the district for that period may be authorized.

A special election may be called and the time therefor fixed by the board of school directors, by giving notice thereof by publication in the manner provided by law for giving notices of general elections, at which special election the proposition authorizing such excess levy shall be submitted in such form as to enable the voters favoring the proposition to vote 'yes' and those opposed thereto to vote 'no'.

**NEW SECTION.** Sec. 4. There is added to chapter 15, Laws of 1961, and to chapter 84.52 RCW a new section to read as follows:

The maximum dollar amount which may be levied by or for any school district for maintenance and operation support under the provisions of section 3 of this amendatory act shall be as follows:

(1) For excess levies in 1977 for collection in 1978:

To the extent that any district receives funds through the state apportionment formula in excess of the amount anticipated by such a district when it established its excess levy for collection in 1978 and when such excess can be utilized to relieve special levy burdens, then such a district should place a first priority on reducing its special levy.

(2) For excess levies in 1977 for collection in 1979; for excess levies in 1978 for collection in 1979 and thereafter, the sum of:

(a) That amount equal to ten percent of each school district's prior year basic education allocation converted to one hundred percent of formula; plus

(b) That amount equal to each school district's prior year basic education allocation converted to one hundred percent of formula minus each school district's basic education allocation for such school year.

(3) Excess levies authorized under this 1977 amendatory act or under RCW 84.52.052 shall not be used to increase the average compensation for certificated or classified personnel in any school district: PROVIDED, That those school districts which receive state funds budgeted for a four percent increase in average compensation for certificated or classified personnel respectively shall be allowed to increase such certificated or classified compensation by an amount equal to the percentage increase in the prior year's United States Consumer Price Index minus the state funded four percent, or by an additional two percent, whichever is less: PROVIDED FURTHER, That any school district whose average compensation for certificated or classified personnel respectively is below statewide average compensation level for certificated or classified personnel during the preceding school year, may collect and expend property taxes authorized by this 1977 amendatory act, or under RCW 84.52.052, for the purpose of increasing such district average compensation for certificated or classified personnel up to but not to exceed the statewide average compensation for certificated or classified personnel for the preceding school year: PROVIDED FURTHER, that those contracts which have been negotiated prior to the effective date of this 1977 amendatory act by those school districts for such school year shall not be abrogated by this 1977 amendatory act.

(4) For the purpose of this section, the basic education allocation shall be determined pursuant to RCW 28A.41.130, RCW 28A.41.140, and RCW 28A.41.145, as now or hereafter amended.

'Compensation' for the purposes of this 1977 amendatory act shall mean one hundred and seven percent of each school district's respective average salary for certificated personnel, and one hundred and fourteen percent of each school district's respective average salary for classified personnel.

Certificated personnel shall include those persons employed by a school district in a teaching, instructional, administrative or supervisory capacity and who hold positions as certificated personnel as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent. Classified personnel shall include those persons employed by a school district other than certificated personnel as defined in this section in a capacity for which certification is not required.

For the purpose of subsection (2) of this section, the superintendent of public instruction may grant local school districts authority to exceed the levy limitations imposed by said subsection: PROVIDED, That said limitations can only be exceeded by an amount that will insure local school districts the ability to raise a total excess levy dollar amount per annual average full time equivalent student which when combined with the basic education allocation is equal to but does not exceed one hundred four percent of the previous school year's comparable dollars per annual average full time equivalent student.

The superintendent of public instruction shall develop rules and regulations and inform school districts of the pertinent data necessary to carry out the provisions of this act.

**NEW SECTION, Sec. 5.** If any provision of this 1977 amendatory act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION, Sec. 6.** This 1977 amendatory act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1977."

Mr. Thompson spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Thompson yielded to question by Mr. Shinpoch.

Mr. Shinpoch: "Representative Thompson, my question deals with section 4, subsection (2), and in particular it has the appearance of having a ten percent lid on special levies, but also, in reading what is in section 5, it appears to me that there is language that allows the Superintendent of Public Instruction to allow districts to go outside the ten percent. My question is, does this amendment as you have prepared it, really limit to ten percent, or is it ten percent plus something the Superintendent of Public Instruction can allow?"

Mr. Thompson: "You're reading it correctly, Representative Shinpoch, and I would like to elaborate on that for the record. The effect of this relationship in the language would permit certain districts to maintain present programs at an acceleration of four percent if they are peculiarly affected by the impact of the budget allocation. This extra allowance, however, does not extend to salary improvement."

Mr. Shinpoch: "I accept your word that it doesn't. However, I can't find that language in here anywhere. I can't really read that out. It appears to me that you can go one hundred four percent of the previous year and that if the state provided ninety percent you could have fourteen percent of the year plus the additional ten percent you talk in the front. Maybe I'm not reading it correctly, but I really don't see where that applies to salaries or doesn't apply to salaries."

Mr. Thompson: "That's the value of such a colloquy as we're having, Representative Shinpoch, to establish legislative intent."

The amendment was adopted.

On motion of Mr. Thompson, the following amendment to the title was adopted:

On page 1, line 1 of the title after "taxation" insert "; amending section 84.52.052, chapter 15, Laws of 1961 as last amended by section 1, chapter 4, Laws of 1977 and RCW 84.52.052; amending section 84.52.054, chapter 15, Laws of 1961 as last amended by section 2, chapter 4, Laws of 1977 and RCW 84.52.054; adding new sections to chapter 15, Laws of 1961 and to chapter 84.52 RCW; prescribing an effective date; and declaring an emergency."

House Bill No. 1086 was ordered engrossed.

On motion of Mr. King, the rules were suspended, the second reading considered the third, and Engrossed House Bill No. 1086 was placed on final passage.

Mr. Berentson spoke in favor of passage of the bill, and Representatives Pardini, Shinpoch and Dunlap spoke against it.

#### EXPLANATION OF VOTE

Please show my vote as "yea" on Engrossed House Bill No. 1086. I was unfortunately called from the floor during the vote, and failed to cast my vote.

JOHN ERAK, 19th District.

#### STATEMENT FOR THE JOURNAL

The complex issue of limiting special levies did not come to focus until late on June 18. I opposed SSB 2700 and HB 1086, two of the three proposals brought before the House, for these reasons:

1. Philosophically, I oppose limiting levies because that should be a local decision. If the state funds basic education, local districts should be able to add enrichment to their educational programs.

2. This proposal limits the best, top-paying districts which have most consistently supported their special levies.

3. The proposal pays more adequately those low-paying districts that have least frequently supported special levies.

4. The proposal is estimated to cost from \$2 to \$3 billion in the next 20 years. (This is more than twice the saving on pensions for 20 years.)

5. We did not have adequate time to see the exact effect of the proposal on our individual school districts.

HAL ZIMMERMAN, 17th District.

Engrossed Senate Bill No. 2441, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

HOUSE BILL NO. 980, by Representative Conner:

Relating to marine transportation.

The bill was read the second time.

On motion of Mr. Conner, Substitute House Bill No. 980 was substituted for House Bill No. 980, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 980 was read the second time.

Mr. Conner moved adoption of the following amendment by Representatives Conner and Patterson:

On page 1, line 15 after "therefor." insert "In the event the state of Washington is able to obtain matching funds from the urban mass transportation administration or other federal government agencies for the acquisition of four high-speed passenger-only vessels capable of operating as an integral part of the Washington state ferries on Puget Sound and the Straits of Juan de Fuca, a sufficient amount of the proceeds of said bonds authorized herein shall be utilized to pay the state's share of the acquisition cost of such high-speed passenger-only vessels. The high-speed passenger-only vessels shall be of existing design currently manufactured in the United States, shall have a normal cruising speed in excess of 40 knots, and shall have a passenger capacity of 250 to 350 passengers."

Mr. Conner spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Nelson (Dick).

Mr. Nelson (Dick): "The last sentence of the amendment indicates that the vessels that will be purchased shall be manufactured in the U.S., and they shall be high-speed, passenger-only vessels. Would that allow the purchase of air cushion vessels?"

Mr. Conner: "With that manufacturing in the United States, we just passed negotiating bid legislation earlier which granted, for instance, with state contractors who would be building vessels, a six percent differential along with not having to pay the sales tax on this particular package. If you feel that last sentence is not necessary, it could be deleted. It was felt that we should attempt to buy American if we can. There has been legislation before this body and some that has been accepted, that says that's the feeling of this Legislature."

Mr. Nelson (Dick): "Representative Conner, are there currently air cushion vessels manufactured in the U.S. that would meet these requirements?"

Mr. Conner: "I'm not sure."

Mr. Nelson (Dick) spoke against the amendment.

Ms. Becker moved adoption of the following amendment by Representatives Becker and Sommers to the amendment:

Strike the last sentence of the Conner/Patterson amendment.

Representatives Becker, Patterson, Nelson (Dick), Burns and Sommers spoke in favor of the amendment to the amendment, and Representatives Gilleland, Deccio, Conner and Lee spoke against it.

#### POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Pruitt.

Mr. Pruitt: "Representative Conner, if the amendment to the amendment does pass and we eliminate this last sentence, in your mind does that mean that there is no American product that can be conceived to really compete with foreign products?"

Mr. Conner: "No, I think we have the technology and the know-how and the capability to surpass engineering of any other country."

Representatives Pruitt, Knedlik and Lysen spoke in favor of the amendment to the amendment.

Mr. Boldt demanded the previous question and the demand was sustained.

#### POINT OF PARLIAMENTARY INQUIRY

Mr. Nelson (Dick): "Mr. Speaker, under the rules of the 45th Legislature, specifically Rule No. 1, would any member of the House who is an employee of a business that is engaged in the manufacture or development of vessels that transport passengers that might bid on contracts for ferry vessels under this bill, be allowed to vote on this amendment? Or if the amendment does not pass, on the full amendment?"

#### SPEAKER'S RULING (MR. O'BRIEN PRESIDING)

The Speaker (Mr. O'Brien presiding): "In reply to your point of parliamentary inquiry as to conflict of interest, the Speaker rules there is no conflict of interest because the individuals involved will not have a direct monetary gain or suffer a direct monetary loss by reason of adoption or nonadoption of these amendments. The Speaker is going to rule conflict of interest would not exist for any person that might be employed by a company that might benefit by adoption of this amendment."

## POINT OF INQUIRY

Mr. Conner yielded to question by Mr. Boldt.

Mr. Boldt: "Representative Conner, one of the members commented that if this bill passes, it will be about a ten dollar tax on each one of their vehicles that never leaves the farm. That money, of course, would go to help on the bonding to construct these ferries. I read the bill and it didn't speak specifically to that problem. Is that true?"

Mr. Conner: "I'm told the average increase will be three dollars or three dollars and 10 cents."

Mr. Boldt: "Then the situation is true?"

Mr. Conner: "To that extent, yes."

Mr. Boldt: "What is the rationale for the decision that as we put transportation in this state through our existing procedure, for pulling the ferry systems out and having this special bonding go through this session? Who made the study or who determined that we would do this for ferries, and not, in fact, have an additional tax somewhere to help the State Patrol one year, or an additional tax and fund either the State Patrol or other types of transportation systems in a special way the next year? Can you help me with that?"

Mr. Conner: "As I stated earlier we've attempted for the past twenty-six years to do something with our cross-sound transportation. For many years we weren't able to get the Legislature to address it. We've had studies that have been conducted over the past four years attempting to look into our cross-sound transportation problem, and looking to see what could be done. It works out that this is a viable method and we can do something about the crisis that is facing us as far as our ferry system is concerned, and about an attempt to at least cut down as far as our traffic is concerned."

Representatives Kilbury, Charnley, Hansen, Douthwaite, Hurley (George) and Berentson spoke in favor of passage of the bill, and Representatives Amen, Struthers, Flanagan, Clayton, and Fancher spoke against it.

Mr. Conner spoke again in favor of the bill.

"Section 1. Section 1, chapter 28, Laws of 1974 ex. sess. and RCW 82.36.020 are each amended to read as follows:

Every distributor shall pay, in addition to any other taxes provided by law, an excise tax to the director of (nime) ten cents for each gallon of motor vehicle fuel sold, distributed, or used by him in the state as well as on each gallon upon which he has assumed liability for payment of the tax under the provisions of RCW 82.36.100: PROVIDED, That under such regulations as the director may prescribe sales or distribution of motor vehicle fuel may be made by one licensed distributor to another licensed distributor free of the tax. In the computation of the tax, one-quarter of one percent of the net gallonage otherwise taxable shall be deducted by the distributor before computing the tax due, on account of the losses sustained through handling. The tax herein imposed shall be collected and paid to the state but once in respect to any motor vehicle fuel. An invoice shall be rendered by a distributor to a purchaser for each distribution of motor vehicle fuel.

The proceeds of the ten cents excise tax collected on the net gallonage after the deduction provided for herein shall be distributed as follows:

(1) ((Six)) Seven and seven-eighths cents shall be distributed between the state, cities, counties, and Puget Sound ferry operations account in the motor vehicle fund under the provisions of RCW 46.68.090 and 46.68.100 as now or hereafter amended.

(2) Five-eighths of one cent shall be distributed to the state and expended pursuant to RCW 46.68.150.

(3) Five-eighths of one cent shall be paid into the motor vehicle fund and credited to the urban arterial trust account created by RCW 47.26.080.

(4) Three-eighths of one cent shall be paid into the motor vehicle fund and credited to the Puget Sound reserve account created by RCW 47.60.350.

All such sums shall first be subject to proper deductions for refunds and costs of collection as provided in RCW 46.68.090: PROVIDED, That the first eleven million dollars of the net revenue increase hereby provided to the motor vehicle fund before distribution shall be made available to the Puget Sound ferry operations account for operating deficits incurred during the 1977-79 biennium.

Sec. 2. Section 82.36.100, chapter 15, Laws of 1961 as last amended by section 3, chapter 83, Laws of 1967 ex. sess. and RCW 82.36.100 are each amended to read as follows:

However, a distributor licensed under the provisions of this chapter may deliver motor vehicle fuel to an importer in individual quantities of five hundred gallons or less and assume the liability for payment of the tax to this state. Under such conditions, the importer shall be exempt from the requirements of this section. For failure to comply with the terms of this chapter such person shall be subject to the same penalties imposed upon distributors. The director shall pursue against such persons the same procedure and remedies for audits, adjustments, collection, and enforcement of this chapter as is provided with respect to distributors. Nothing herein shall be construed as classifying such persons as distributors.

Sec. 3. Section 3, chapter 22, Laws of 1963 ex. sess. as amended by section 4, chapter 83, Laws of 1967 ex. sess. and RCW 82.37.030 are each amended to read as follows:

A tax at the rate of ~~((nine))~~ ten cents per gallon is hereby imposed upon every motor carrier measured and determined by the number of gallons of motor vehicle fuel so imported and actually used by such motor carrier in its operations within this state.

Sec. 4. Section 2, chapter 28, Laws of 1974 ex. sess. and RCW 82.37.190 are each amended to read as follows:

The proceeds of the motor vehicle fuel importer use tax imposed by chapter 82.37 RCW shall be distributed in the manner provided for the distribution of the motor vehicle fuel tax in RCW 82.36.020, as ~~((amended in section 2 of chapter 124, Laws of 1973 first extraordinary session))~~ now or hereafter amended.

Sec. 5. Section 4, chapter 175, Laws of 1971 ex. sess. as last amended by section 1, chapter 62, Laws of 1975 1st ex. sess. and RCW 82.38.030 are each amended to read as follows:

(1) There is hereby levied and imposed upon special fuel users a tax of ~~((nine))~~ ten cents per gallon or each one hundred cubic feet of compressed natural gas measured at standard pressure and temperature on the use (within the meaning of the word use as defined herein) of special fuel in any motor vehicle ~~((PROVIDED, That in order to encourage experimentation with nonpolluting fuels, no tax shall be imposed upon the use of natural gas as herein defined or on liquefied petroleum gas, commonly called propane, which is used in any motor vehicle until July 1, 1977))~~.

(2) Said tax shall be collected by the special fuel dealer and shall be paid over to the department as hereinafter provided: (a) With respect to all special fuel delivered by a special fuel dealer into supply tanks of motor vehicles or into storage facilities used for the fueling of motor vehicles at unbonded service stations in this state; or (b) in all other transactions where the purchaser indicates in writing to the special fuel dealer prior to or at the time of the delivery that the entire quantity of the special fuel covered by the delivery is for use by him for a taxable purpose as a fuel in a motor vehicle.

(3) Said tax shall be paid over to the department by the special fuel user as hereinafter provided: (a) With respect to special fuel upon which the tax has not previously been imposed which was acquired in any manner other than by delivery by a special fuel dealer into a fuel supply tank of a motor vehicle in this state; or (b) in all transactions with a special fuel dealer in this state where a written statement has not been furnished to the special fuel dealer as set forth in subsection (2)(b) of this section.

It is expressly provided that delivery of special fuel may be made without collecting the tax otherwise imposed, when such deliveries are made by a bonded special fuel dealer to special fuel users who are authorized by the department as hereinafter provided, to purchase fuel without payment of tax to the bonded special fuel dealer."

Representatives Pardini and Polk appeared at the bar of the House.

Representatives Becker, Burns and Charnley spoke in favor of the amendment to the committee amendment, and Representatives Gallagher, Leckenby and Conner spoke against it.

#### POINT OF INQUIRY

Ms. Becker yielded to question by Mr. Pardini.

Mr. Pardini: "Representative Becker, looking at the numbers which you are distributing, two main arguments have been carried around here for the need of the variable tax. Your numbers, however, suggest maintenance and administration with a one cent a gallon increase that the same number of dollars would be generated for maintenance and administration under either proposal. Is that correct?"

Ms. Becker: "That is what the Department of Highways' own budgeting figures show. They have the same amount budgeted regardless of what happened."

Mr. Pardini: "In the area of new construction, your figures are representing \$89 million versus \$133 million under the variable, a difference of \$44 million. Would that \$89 million allow the start of I-90?"

Ms. Becker: "Representative Pardini, as I said in my original remarks, \$89 million would allow for the funding of category A and category B and, according to the Highway Department, they have somewhere between \$3 and 5 million budgeted for the next biennium for the beginning of state funding for I-90. I don't know whether they will get around to spending it because there are considerable legal questions as to whether or not they can begin. If it does then there is enough money in it to start it. I might point out that it's nothing compared to the bill the state is going to have to pay if it continues because it's now being predicted to be about a billion dollar project. That means \$100 million is going to come from the state before it's done."

Representatives Sommers, Douthwaite, Becker and Shinpoch spoke in favor of the amendment to the committee amendment, and Representatives Greengo and Deccio spoke against it.

Mr. King demanded the previous question and the demand was sustained.

From those funds made available by the legislature for the current use of the common schools, the superintendent of public instruction shall distribute annually as provided in RCW 28A.48.010 to each school district of the state operating a program approved by the state board of education an amount which, when combined with the following revenues, excluding excess property tax levies, will constitute ((an equal guarantee in dollars for each weighted pupil enrolled)) a basic education allocation in dollars for each annual average full time equivalent student enrolled, based upon one full school year of one hundred eighty days, except that for kindergartens one full school year may be ninety days as provided by RCW 28A.58.180:

(1) The receipts from the one percent tax on real estate transactions ((which may be imposed)) pursuant to chapter 28A.45 RCW ((PROVIDED, That the funds otherwise distributable under this section to any school district in any county which does not impose a tax in the full amount authorized by chapter 28A.45 RCW shall be reduced by five percent)); and

Basic education shall be considered to be fully funded by those amounts of dollars appropriated by the legislature pursuant to sections 4 and 5 of this 1977 amendatory act to fund those program requirements identified in section 3 of this 1977 amendatory act in accordance with the formula and ratios provided in section 5 of this 1977 amendatory act.

Operation of a program approved by the state board of education, for the purposes of this section, shall include a finding that the ratio of ((pupils)) students per classroom teacher((s)) in grades kindergarten through three is not greater than the ratio of ((pupils)) students per classroom teacher in grades four and above for such district: PROVIDED, That for the purposes of this section, 'classroom teacher' shall be defined as ((a certificated employee)) an instructional employee possessing at least a provisional certificate, but not necessarily employed as a certificated employee, whose primary duty is the daily educational instruction of pupils: PROVIDED FURTHER, That the state board of education shall adopt rules and regulations to insure compliance with the ((pupil)) student/teacher ratio provisions of this section, and such rules and regulations shall allow for exemptions for those special programs and/or school districts which may be deemed unable to practicably meet the ((pupil)) student/teacher ratio requirements of this section

by virtue of a small number of ((pupils)) students: PROVIDED, FURTHER, That these rules and regulations shall provide that any district that has a ratio of no greater than twenty-five students per classroom teacher in grades kindergarten through three shall be in conformance with this section.

((Notwithstanding any other provision of this chapter, the state shall guarantee to school districts an amount of money from state and local funds, not less than ninety-five percent of the average amount per enrolled student, excluding special levies, which any such district realized from state and local funds during the preceding three school years:)) If a school district's basic education program fails to meet the basic education requirements enumerated in sections 3 through 5 of this 1977 amendatory act, the state board of education shall require the superintendent of public instruction to withhold state funds in whole or in part for the basic education allocation until program compliance is assured: PROVIDED, That for the school years 1978 through 1981 the state board of education may waive this requirement in the event of levy failure: PROVIDED FURTHER, That the state board of education may waive this requirement in the event of substantial lack of classroom space.

Sec. 5. Section 14, chapter 244, Laws of 1969 ex. sess. and RCW 28A.41.140 are each amended to read as follows:

((To determine a "weighted student enrolled," as that term is used in this chapter a schedule shall be established by the superintendent of public instruction which shall provide appropriate recognition of the following costs among the various types of students and districts of the state, with the equalization of educational opportunity being the primary objective:

(1) Costs attributable to staff experience and professional preparation; and

(2) Costs to state and local funds attributable to the operation of approved educational programs arising as a result of a concentration of culturally disadvantaged students, or as a result of a high degree of transient enrollment;

(3) Costs resulting from the operation of small school plants within districts: PROVIDED, That such plants are judged by the state board of education as remote and necessary;

(4) Costs differentials attributable to the operation of approved elementary and secondary programs;

(5) Costs which must be incurred to operate an approved vocational program;

(6) Costs resulting from the attendance of students who:

(a) Do not reside within the servicing school district: PROVIDED, That nothing within this provision shall be construed as affecting the reimbursement procedures in RCW 28A.44.040;

(b) Reside in any home or institution devoted to providing a home for dependent or otherwise referred or entrusted children: PROVIDED, Such home or institution is exempt from taxation under the laws of the state of Washington; or

(c) Constitute at least three percent of the student enrollment within the district and who reside within the servicing district on property of either the state, its political subdivisions, or any municipal corporation.

The weighting schedule when established shall be renewed biennially by the state superintendent and shall be subject to approval, rejection or amendment by the legislature. The schedule shall be submitted for approval as a part of the state superintendent's biennial state budget. In the event the legislature rejects the weighting schedule presented, without adopting a new schedule, the schedule established for the previous biennium shall remain in effect. The enrollment of any district, before weighting, shall be the average number of full time students and part time students as provided in RCW 28A.41.145 enrolled on the first school day of each month:))

The basic education allocation for each annual average full time equivalent student shall be determined in accordance with the following procedures:

The governor shall and the superintendent of public instruction may recommend to the legislature a formula based on a ratio of students to staff for the distribution of a basic education allocation for each annual average full time equivalent student enrolled in a common school. The distribution formula shall have the primary objective of equalizing educational opportunities and shall provide appropriate recognition of the following costs among the various districts within the state:

(1) Certificated staff and their related costs;

(2) Classified staff and their related costs;

(3) Nonsalary costs; and

(4) Extraordinary costs of remote and necessary schools and small high schools.

This formula for distribution of basic education funds shall be reviewed biennially by the superintendent and governor. The recommended formula shall be subject to approval, amendment or rejection by the legislature. Commencing with the 1980-81 school year, the formula adopted by the legislature shall reflect a ratio of not less than fifty certificated personnel to one thousand annual average full time equivalent students and one classified person to three certificated personnel. In the event the legislature rejects the distribution formula recommended by the governor, without adopting a new distribution formula, the distribution formula for the previous biennium shall remain in effect: PROVIDED, That the distribution formula developed pursuant to this section shall be for state apportionment and equalization purposes only and shall not be construed as mandating specific operational functions of local school districts other than those program requirements identified in section 3 of this 1977 amendatory act. The enrollment of any district shall be the annual average number of full time equivalent students and part time students as provided in RCW 28A.41.145, as now or hereafter amended, enrolled on the first school day of each month. The definition of full time equivalent student shall be determined by rules and regulations of the superintendent of public instruction: PROVIDED, That the definition shall be included as part of the superintendent's biennial budget request: PROVIDED, FURTHER, That any revision of the present definition shall not take effect until

approved by the house appropriations committee and the senate ways and means committee: PROVIDED, FURTHER, That the office of program planning and fiscal management shall make a monthly review of the superintendent's reported full time equivalent students in the common schools in conjunction with RCW 43.62.050.

Certificated staff shall include those persons employed by a school district in a teaching, instructional, administrative or supervisory capacity and who hold positions as certificated employees as defined under RCW 28A.01.130, as now or hereafter amended, and every school district superintendent, and any person hired in any manner to fill a position designated as, or which is in fact, that of deputy superintendent or assistant superintendent: PROVIDED, That in exceptional cases, people of unusual competence but without certification may teach students so long as a certificated person exercises general supervision: PROVIDED, FURTHER, That the hiring of such noncertificated people shall not occur during a labor dispute and such noncertificated people shall not be hired to replace certificated employees during a labor dispute: PROVIDED, FURTHER, That the hiring of such noncertificated persons shall be subject to disapproval by the superintendent of public instruction. Annual written statements shall be submitted to the office of the superintendent of public instruction reporting and explaining such circumstances. Annual average full time equivalent certificated classroom teacher's direct classroom contact hours shall be at least twenty-five hours per week. Classroom contact hours shall be exclusive of time required to be spent for preparation, conferences, or any other nonclassroom instruction duties. Classified staff shall include those persons employed by a school district other than certificated staff as defined in this section in a capacity for which certification is not required.

Sec. 6. Section 28A.41.160, chapter 223, Laws of 1969 ex. sess. as last amended by section 3, chapter 80, Laws of 1977 and RCW 28A.41.160 are each amended to read as follows:

Reimbursement for transportation costs shall be in addition to ~~((state assistance based upon weighted enrollment))~~ the basic education allocation. Transportation costs shall be reimbursed as follows:

(1) ~~((Operational reimbursement))~~ School districts shall be ~~((limited to ninety))~~ reimbursed up to one hundred percent of the ~~((service costs on routes))~~ operational costs for established bus routes for the transportation of students to and from common schools as recommended by the educational service district superintendent or his or her designee, and as approved by the state superintendent: PROVIDED, That commencing with the 1980-81 school year, reimbursement shall be at one hundred percent or as close thereto as reasonably possible; and

NEW SECTION, Sec. 7. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.41 RCW a new section to read as follows:

In addition to those state funds provided to school districts for basic education, the legislature shall appropriate funds for pupil transportation, in accordance with RCW 28A.41.160, and for programs for handicapped students, in accordance with chapter 28A.13 RCW. The legislature may appropriate funds to be distributed to school districts for population factors such as urban costs, enrollment fluctuations and for special programs, including but not limited to, vocational-technical institutes, compensatory programs, bilingual education, urban, rural, racial and disadvantaged programs, programs for gifted students, and other special programs.

Sec. 8. Section 4, chapter 217, Laws of 1969 ex. sess. as amended by section 1, chapter 14, Laws of 1972 ex. sess. and RCW 28A.41.145 are each amended to read as follows:

(4) Appropriate measures shall be taken to safeguard all permanent records against loss or damage.

(5) The physical facilities of the school or district shall be adequate to meet the program offered by the school or district: PROVIDED, That each school building shall meet reasonable health and fire safety requirements.

The superintendent of every high school district shall certify under oath, as a part of an annual report to the educational service district board to be made on or before the fifteenth day of October as required by law, the following facts as nearly as the same can be ascertained:

(1) Name, post office address, county, and resident school district of each nonresident high school (~~(pupil)~~) student who is not a resident of another high school district and is enrolled in the high school, or high schools, of the district during the school year, with the enrollment date and departure date of each such nonresident (~~(pupil)~~) student.

(2) The cost per (~~(weighted pupil)~~) annual average full time equivalent student of educating high school (~~(pupils)~~) students for the school year in (~~(his)~~) the district. For ascertaining such cost the following items of

high school expenditure shall be used: Salaries of all high school teachers, supervisors, principals, special instructors, superintendent and assistants, janitors, clerks, and secretaries, stenographers, and all other employees; fuel, light, water, power, telephones, textbooks, office expenses, janitors' supplies, freight, express, drayage, rents for high school purposes, upkeep of grounds, upkeep of shops and laboratories, all materials used in instruction, insurance, current ordinary repairs of every nature, inspection, promotion of health, and such other current expenditures as may be necessary to efficient operation of the high school, or high schools. In fixing the amount of any such claim by a high school district for educating nonresident high school ((pupils)) students from such nonhigh districts the educational service district board shall determine the net difference between the cost of educating high school ((pupils)) students in the given high school district per ((weighted-pupil)) annual average full time equivalent student enrolled for the preceding year as determined pursuant to RCW 28A.44.080(2) and the total state ((guarantee, including the equal guarantee)) basic education allocation provided for in RCW 28A.41.130, per ((weighted pupil)) annual average full time equivalent student enrolled in such high school district for the preceding year, less any funds received by the high school district pursuant to Title 20, sections 236 through 244, United States Code, for any nonresident high school ((pupils)) students educated in the high school district for such preceding year. Such amount, when certified as provided in this section, shall constitute a valid claim against the appropriate nonhigh district.

Sec. 13. Section 28A.45.050, chapter 223, Laws of 1969 ex. sess. as amended by section 1, chapter 135, Laws of 1975 1st ex. sess. and RCW 28A.45.050 are each amended to read as follows:

The county commissioners or legislative authority of ((any)) each county ((are authorized by ordinance to)) shall levy an excise tax upon sales of real estate ((not exceeding)) of one percent of the selling price. ((The rate of the levy shall be determined annually by the commissioners.)) The proceeds of the tax provided for in this chapter shall be placed in the county school fund and shall be used exclusively for the support of the common schools: PROVIDED, That one percent of the proceeds of the tax provided for herein may be placed in the current expense fund of the county: PROVIDED, That each educational service district superintendent shall certify each month the distribution of the real estate excise tax from the county school fund, for each county whose seat of government is within the educational service district, to the general fund of each school district in the county: PROVIDED FURTHER, That when a local school district board of directors, by properly executed resolution, instructs that the distribution in whole or part be credited to the building fund and/or bond interest and redemption fund of the local school district, the educational service district superintendent shall certify the distribution in accordance with such resolution: AND PROVIDED FURTHER, That such certification of distribution to each school district in the county shall be in proportion (using the most recent data) to the number of ((weighted)) annual average full time equivalent students enrolled in each district to the number of ((weighted)) annual average full time equivalent students in the county.

Except as otherwise provided by law, the state board of education is hereby authorized to adopt rules in accordance with chapter 34.04 RCW which establish uniform entry qualifications, including but not limited to birth date requirements, for admission to kindergarten and first grade programs of the common schools. Such rules may provide for exceptions based upon the ability, or the need, or both, of an individual student.

Sec. 15. Section 36.33.110, chapter 4, Laws of 1963 as last amended by section 1, chapter 230, Laws of 1967 and RCW 36.33.110 are each amended to read as follows:

Where the reserve is situated in more than one county the money shall be distributed in proportion to the area of the counties interested, and to that end the

state treasurer is authorized and required to obtain the necessary information to enable him to make the distribution on such basis.

County commissioners or the legislative authority of the respective counties to which the money is distributed are authorized and directed annually to distribute not less than fifty percent of said money to each school district within each such county according to the proportional number of (~~weighted~~) annual average full time equivalent students enrolled in each such school district during the immediate preceding school year as certified by the (county school superintendent of schools or the intermediate) educational service district superintendent ((of schools as the case may be: PROVIDED, That if any such school district would suffer a decrease in its total revenue as the result of receipt of said money, such district may refuse its proportional share and the county commissioners shall thereupon redistribute such proportional share to the remaining districts in the county)). The county commissioners or county legislature authority shall expend the balance of said money for the benefit of the public roads of such county, and not otherwise.

**NEW SECTION.** Sec. 19. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.58 RCW a new section to read as follows:

(1) It is the intended purpose of this section to guarantee that the certificated teaching and administrative staff in each common school district be held accountable for the proper and efficient conduct of classroom teaching in their school which will meet the individual and collective needs of the particular students enrolled therein.

Signed by Senators McDermott, Mardesich, Gould; Representatives Clemente, Heck, Barnes.

#### MOTION

Mr. Clemente moved that the Free Conference Report be adopted.

Representatives Clemente, Barnes and Heck spoke in favor of the motion.

#### POINT OF INQUIRY

Mr. Clemente yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Clemente, I don't have time to read all of this bill. It was my understanding when we started at the beginning of the session to write a definition of basic education, that we were supposed to define basic education in a bill and then fund that with state funds and then special programs outside of basic education would be supported by special levies. What programs will be supported by special levies rather than state money?"

Mr. Clemente: "I can only give you my impression of this. I think the bill provides that the state is going to fund not only basic education as defined, but it also funds what is basic to an individual students' needs to a categorical program. The use of special levies would be limited to bring school districts to a cost of living average, and to some closing of the great disparity between the high cost and the low cost districts. There is a 66% gap between those districts. This bill, I believe, drives toward the state assuming the constitutional mandate. It's our responsibility to make ample provision for a general and uniform school system. Categorical and basic programs will be paid largely with state funds."

Mr. Flanagan: "Then are you saying that this bill includes in a definition of basic education, everything that is taught in the public schools, and that if there isn't anything left that can be supported by special levies, the whole thing is supposed to come out of the state fund? Is that right?"

Mr. Clemente: "Representative Shinpoch just gave me the word for it. The special levy will be used for 'program enhancement.' All other programs will be paid with state funds."

Mr. Charnley spoke in favor of the motion to adopt the Free Conference Committee report.

#### POINT OF INQUIRY

Mr. Clemente yielded to question by Mr. Walk.

Mr. Walk: "Representative Clemente, on page 21, line 1, the language reads, '... requires excuses from the parents, guardians or custodians of minor students in all cases of absence, tardiness or early dismissal.' Then down on line 12, 'Failure to carry out this requirement shall constitute sufficient cause for discharge of any member of a teaching or administrative staff.' Is it the intent that if I, as a teacher, might forget in one case to collect an absentee slip from a student then I should be taken to task with cause for discharge in case of that one error on my part as a teacher?"

Mr. Clemente: "Representative Walk, I think that is present law. No, I don't believe so. It says it shall cause sufficient cause for discharge. There would be a procedural hearing and so forth precedent to that. I don't think that we are trying to make prisons out of our schools or unduly come down on teachers. I think that it establishes that we do expect reasonable care in these matters and each case of this kind would be handled on its own merit."

Mr. King demanded the previous question, and the demand was sustained.

The motion to adopt the Free Conference report was carried.

NEW SECTION, Sec. 160. The office of program planning and fiscal management is hereby requested to cooperate fully with the legislative evaluation and accountability program committee in the areas of appropriation schedules, allotments, and estimated expenditure schedules as such items relate to the monitoring and evaluation by the LEAP data processing system of funds appropriated in this act. It is the intent of the legislature to cooperate with the governor in the implementation of RCW 43.88.070 which provides in part: 'Appropriations shall be deemed maximum authorizations to incur expenditures... to ensure that expenditure rates are such that program objectives are realized within these maximums'.

**NEW SECTION.** Sec. 160A. Notwithstanding the provisions of chapter 82, Laws of 1973 1st ex. sess. the house of representatives, the senate, and the permanent statutory committees shall pay expenses quarterly to the department of general administration facilities and services revolving fund for services rendered by the department for operations, maintenance, and supplies relating to buildings, structures, and facilities utilized by the legislature for the biennium beginning July 1, 1977.

**NEW SECTION.** Sec. 161. Notwithstanding any other provision of law, the employers' contribution rate for the Public Employees' Retirement System shall be established based upon a long term interest earning assumption of seven percent for the investment of system funds. No appropriation contained in this act shall be used to make contributions at a rate higher than that required by this section. It is intended that this adjustment shall reduce state general fund expenditures by eight million five hundred thousand dollars for the 1977-79 biennium.

**NEW SECTION.** Sec. 162. The word 'agency' used herein means and includes every state government office, officer, each institution, whether educational, correctional, or other, and every department, division, board, and commission, except as otherwise provided in this act.

The phrase 'agencies headed by elective officials' used herein shall mean those executive offices or departments of the state which are directly supervised, administered, or controlled by the governor, lieutenant governor, secretary of state, treasurer, auditor, attorney general, superintendent of public instruction, commissioner of public lands, or insurance commissioner, but it shall not include those boards, commissions, or committees on which one or more of the above mentioned officials serve.

**NEW SECTION.** Sec. 163. In order to carry out the provisions of these appropriations and the state budget, the director of the office of program planning and fiscal management with the approval of the governor, may:

(1) Allot all or any portion of the funds herein appropriated or included in the state budget, to the various agencies by such periods as he shall determine and may place any funds not so allotted in reserve available for subsequent allotment: **PROVIDED**, That the director of the office of program planning and fiscal management shall not alter allotment requests filed with him, nor shall he place in reserve any funds, for the following: Washington State Apple Advertising Commission; Washington State Fruit Commission; Washington Dairy Products Commission or any agricultural commodity commission created under the provisions of chapter 15.66 RCW; the legislative branch of state government including the legislative budget committee, the statute law committee, and any legislative committee; or the judicial branch of state government: **PROVIDED FURTHER**, That the aggregate of allotments for any agency shall not exceed the total of applicable appropriations and local funds available to the agency concerned. It shall be unlawful for any officer or employee to incur obligations in excess of approved appropriations or to incur a deficiency and any obligations so made shall be deemed invalid. Nothing in this section or in chapter 328, Laws of 1959, shall prevent revisions of any allotment when necessary to prevent the making of expenditures under appropriations in this act in excess of available revenues.

(2) Issue rules to establish uniform standards and business practices throughout the state service, including regulation of travel by officers and employees and the conditions under which per diem shall be paid, so as to improve efficiency and conserve funds.

(3) Prescribe procedures and forms to carry out the above.

(4) Allot funds from appropriations in this act in advance of July 1, 1977, for the sole purpose of authorizing agencies to order goods, supplies, or services for delivery after July 1, 1977: **PROVIDED**, That no expenditures may be made from the appropriations contained in this act, except as otherwise provided, until after July 1, 1977.

**NEW SECTION.** Sec. 164. Unless prohibited by federal law the receipt of federal or other funds which are not anticipated in the appropriation bill enacted by the legislature shall be used to support regular programs instead of using funds appropriated from state taxes or similar revenue sources. Any state funds replaced by federal or other receipts shall be placed in reserve to the credit of the appropriate state fund or account, and shall not be expended, unless authorized by the legislature.

**NEW SECTION.** Sec. 165. In the event that receipts shall be less than those estimated in the budget from any source, expenditures shall be limited to the amount received and allotments made as provided in section 163 of this act. Receipts for purposes of this section shall include amounts realized within one calendar month following the close of a fiscal period and applicable to expenditures of that period. The amount of such payment shall be credited to and shall be treated for all purposes as having been collected during the fiscal period.

**NEW SECTION.** Sec. 165A. State funds appropriated for the specific purpose of matching federal funds and which are not required wholly or in part to qualify for such federal funds shall be placed in reserve and shall revert to the fund from which appropriated at the end of the respective fiscal year.

**NEW SECTION.** Sec. 166. Any programs which are supported in whole or in part by federal funds shall not receive any additional state funds for the programs in the event that federal funds are reduced or eliminated for the program.

**NEW SECTION.** Sec. 166A. If a scheduled program or project funded by the appropriations contained in this act has not been fully implemented during any quarter of the respective fiscal year, then the office of program planning and fiscal management shall withhold the equivalent amount of the appropriation and full time equivalent staff years from such program or project and shall place the same in reserve.

**NEW SECTION.** Sec. 167. Agencies are authorized to make refunds of erroneous or excessive payments and in the case of other refunds, which may be provided by law, without express appropriation therefor.

NEW SECTION. Sec. 168. Whenever allocations are made from the governor's emergency appropriation to an agency which is financed by other than general fund moneys, the director of the office of program planning and fiscal management shall direct the repayment of such allocated amount to the general fund from any balance in the fund or funds which finance such agency. No appropriation shall be necessary to effect such repayment.

NEW SECTION. Sec. 169. In addition to the amounts appropriated in this act for revenue for distribution, bond retirement and interest, and interest on registered warrants, there is also appropriated such further amounts as may be required or available for these purposes under any statutory formula or under any proper bond covenant made in accordance with law.

NEW SECTION. Sec. 170. Amounts received by an agency as reimbursements pursuant to RCW 39.34.130 shall be considered as returned loans of materials supplied or services rendered. Such amounts may be expended as a part of the original appropriation of the fund to which it belongs, without further or additional appropriation, subject to conditions and procedures prescribed by the director of the office of program planning and fiscal management which shall provide for determination of full costs, disclosure of such reimbursements in the governor's budget, maximum interagency usage of data processing equipment and services, and such restrictions as will promote more economical operations of state government without incurring continuing costs beyond those reimbursed.

NEW SECTION. Sec. 171. In accordance with the provisions of this section the office of program planning and fiscal management shall use the allotment process during the 1977-79 biennium to control the funding of the formula portion of the instruction and departmental research program of all the four year institutions of higher education and the community colleges. For the purpose of the controls outlined in this section, deviations in the formula entitlements for faculty staffing shall be the controlling factor for the four year institutions of higher education while full time equivalent student enrollment will be the controlling factor for the community college system. For the purpose of this section, the 'contract level' is defined as the level upon which the budget is based, and the 'base level' is defined as the formula entitlement level corresponding to the prior year's actual enrollment level. Controls shall be applied to each four year institution separately and to the community college education system as a total entity. "Growth funding" is defined as that portion of the state general fund appropriation by which the contract level exceeds the base level. Growth funds may be allotted at the option of the school or system. Unearned growth funds will be reverted to the state general fund prior to the end of the fiscal year in which such growth fails to materialize.

Contract enrollments for the second year of the biennium will be renegotiated in the event the first year's actual enrollment falls below the base level of the first year. Contract enrollments for the second year of the biennium shall not be renegotiated in the event that the first year's actual enrollments exceeds the contract level established for the first year.

NEW SECTION. Sec. 171A. It is the expressed intention of the legislature that agency operational activity shall be regularly monitored by the office of program planning and fiscal management, under their statutory authority relating to the allotment control function, in order to limit fluctuations in the respective fiscal year spending patterns which tend to inflate the expenditures in the second fiscal year of the biennium. Particular control emphasis shall be placed on those instances in which the full time equivalent staff years authorization is deliberately delayed in order to increase the agency's full time equivalent staff years as substantiation for the second fiscal year or the ensuing biennial request. Unanticipated receipts, which are authorized by the governor and expended by any state agency, shall be allotted, monitored, controlled, and reported separately at the end of the respective fiscal year and at the end of the biennium to the governor and the house appropriations committee and the senate ways and means committee. Such report shall identify the full time equivalent staff years and the program and/or activity for which such funds were expended.

NEW SECTION. Sec. 172. To obtain maximum interagency use of aircraft, the Aeronautics Commission in accordance with chapter 39.34 RCW is hereby authorized to lease, purchase, or otherwise acquire suitable aircraft which shall be utilized for the purposes of the Aeronautics Commission and also by other state agencies which have a need for an aircraft to carry out agency assigned responsibilities: PROVIDED, That the Aeronautics Commission is further authorized to enter into contractual agreements with other state agencies in order to acquire aircraft, establish rental rates for aircraft under their control, provide pilot services, aircraft maintenance, and make such other provisions as necessary to provide aircraft and related services for multi-agency use: PROVIDED FURTHER, That in order to achieve economy in the use of the appropriations contained within this act no state agency may purchase or otherwise acquire an aircraft or enter into a flying service or aircraft rental contract without first seeking such service from the Aeronautics Commission and without prior approval of the director of the office of program planning and fiscal management.

NEW SECTION. Sec. 173. If any part of this act shall be found to be in conflict with federal requirements which are a prescribed condition to the allocation of federal funds to the state, such conflicting part of this act is hereby declared to be inoperative solely to the extent of such conflict, and such finding or determination shall not affect the operation of the remainder of this act; the rules and regulations under this act shall meet federal requirements which are a necessary condition to the receipt of federal funds by the state.

NEW SECTION. Sec. 174. If any provision of this act, or its application to any person or circumstance is held invalid, the remainder of the act, or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION.** Sec. 175. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Mr. Shinpoch: "Representative Douthwaite, it's my understanding that in the manner House Bill No. 424 was written it would designate the Department of Social and Health Services would transfer those people who are directly concerned to the new Commission for the Blind. It would be my judgment that would be as the budget arm of the Executive Branch, and would be up to the Office of Program Planning and Fiscal Management to assure that transfer is properly handled."

BE IT FURTHER RESOLVED, That this Select Committee on Youth Alcohol Problems shall submit a report to the Legislature by the first week of January, 1978 and make specific recommendations for any legislation that may be required.

On motion of Mr. Clemente, House Resolution No. 77-29 was adopted.

HOUSE RESOLUTION NO. 77-37, by Representatives Warnke and Gaines:

WHEREAS, There exists, according to the Bigfoot Information Center in Hood River, Oregon, an historical record of at least one hundred and twenty years relating to the existence of a Bigfoot or Sasquatch in the State of Washington and that there exists evidence of the continued existence of such a creature in the nature of recently discovered footprints and at least two reported Bigfoot sightings within Washington State during the last twelve months; and

WHEREAS, Bigfoot is a sensitive and shy creature who is loathe to come into conflict with human beings; and

WHEREAS, Bigfoot's existence could be jeopardized by people seeking its whereabouts who are of the intent to capture Bigfoot and place said creature in a zoo and are known to carry firearms and other dangerous weapons; and

NOW, THEREFORE, BE IT RESOLVED, That the Department of Natural Resources through the authority granted it pursuant to Chapter 79.70 RCW be directed to determine the

precise habitat of Bigfoot within Washington state and to take whatever measures are appropriate in order to assure the continued and unharried survival of this splendid creature;

AND BE IT FURTHER RESOLVED, That the Department of Interior be requested by the Clerk of this House on behalf of its members to place all Bigfeet on its endangered species list along with such other Washington creatures as the blackfooted ferret, the Columbian white tailed deer, and the timber wolf.

Representatives Martinis and Gaines spoke in favor of the amendment.

#### POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Gilleland.

Mr. Gilleland: "Representative Martinis, we passed legislation a couple years ago for personalized license plates which went into the Department of Game to protect wild species, animals and such. I wonder if that's what will be used to conduct this study?"

Mr. Martinis: "Representative Gilleland, I don't really look for this study to have any great expense involved with it, but to come under the jurisdiction of the personalized license plate revenues, Bigfoot would have to qualify as nongame wildlife. In the resolution it doesn't clearly state whether Bigfoot is human or whether it's beast or whether it's wildlife. The House Natural Resources Committee will try to reach a determination of this and present it to you in the next session of the Legislature. You, the Representatives of the State of Washington, will determine what category that Bigfoot will fall in and it will definitely be your determination as representatives of your constituents."

Mr. King demanded the previous question and the demand was sustained.

The amendment was adopted.

#### POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Leckenby.

Mr. Leckenby: "Representative Martinis, if Bigfoot turns out to be human how are you going to get the responsibility turned over to the Department of Social and Health Services?"

Mr. Martinis: "Representative Leckenby, if Bigfoot does happen to be human I will wholeheartedly move that the legislation our committee would develop would be rereferred to the Committee on Social and Health Services, but the evidence today really lies within the purview of the Natural Resources Committee."

Representatives Charnley and Warnke spoke in favor of the resolution.

Mr. Bender demanded the previous question and the demand was sustained.

House Resolution No. 77-37 was adopted.

#### MOTION

On motion of Mr. Bender, the House reverted to the sixth order of business.

WHEREAS, The findings of a study conducted by the U. S. Office of Education have revealed that more than twenty-three million American adults, one in every five, are functionally illiterate and lack the basic know-how to function effectively in society; and

WHEREAS, Student performance in the Scholastic Aptitude Tests in 1975-76 failed to rise for the thirteenth consecutive year; and

WHEREAS, As the state of Washington assumes a larger share of the cost of financing public education, the quality of education becomes of even greater state-wide concern; and

WHEREAS, Washington state has taken an active role in developing the objectives of education through implementation of the learning objectives law; and

WHEREAS, While learning objectives have set teaching objectives, a policy which requires evaluation of a student's ability to obtain minimum literacy objectives has not been developed;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives of the state of Washington hereby directs the House Education Committee, in cooperation with the office of the Superintendent of Public Instruction, to conduct a study to determine the feasibility and desirability of minimum competency requirements for students graduating from the common school system and the factors, including financial, which affect students' abilities to meet those minimum competencies; and

BE IT FURTHER RESOLVED, That the House of Representatives directs the Education Committee to report its findings and recommendations with suggested legislation, if any, to the next session of the legislature.

On motion of Mr. Heck, House Resolution No. 77-50 was adopted.

HOUSE RESOLUTION NO. 77-63 by Representatives Ehlers, Charette, Conner, Salatino, Walk and Hughes:

WHEREAS, The legislature recognizes the need to receive comprehensive and timely data from state agencies, local governments, and private organizations in considering legislative proposals; and

WHEREAS, Evidence of such recognition is demonstrated in numerous laws which authorize or require such instrumentalities to furnish assistance of this kind; and

WHEREAS, A number of state agency appropriations have specified the amounts that may be expended providing information to the legislature; and

WHEREAS, Several organizations representing individual units of local government have been given statutory authority to use public funds for such purposes; and

WHEREAS, Selective statutory authorization may afford inequitable advantages to those which are so recognized in comparison with others which may have equally meritorious objectives;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the appropriations committee be directed to conduct a study of the organizational structure, sources of funding, amounts expended, and nature of the legislative activities of all state agencies and local organizations; and

BE IT FURTHER RESOLVED, That the goals of the study shall be to (1) determine the costs and benefits of varying forms of legislative representation; and (2) the relative advantages of agencies or organizations which have been statutorily recognized in comparison to those which have not; and

BE IT FURTHER RESOLVED, That the heads of state agencies and the officers of local public organizations be directed to cooperate with the committee in its inquiries; and

BE IT FURTHER RESOLVED, That the appropriations committee report its findings, together with any recommended legislation to the next regular session of the legislature.

On motion of Mr. Ehlers, House Resolution No. 77-63 was adopted.

HOUSE RESOLUTION NO. 77-61, by Representative Shinoda:

WHEREAS, Writing the biennial state budget is perhaps the most important task facing the Legislature, and certainly the most complex; and

WHEREAS, The pressures placed on first-term legislators to become immediately familiar with the multitudinous and diverse practices, procedures, rules, and customs of the Legislature necessarily limit their abilities to fully participate in the budget-writing process in a way most representative of their respective constituencies, particularly in light of the pressure placed on the entire Legislature to resolve the issues before them in an expeditious manner, and

WHEREAS, The now established concept of the Continuing Session affords an opportunity for granting greater participation by all new legislators in the budgetary process by establishing the state fiscal biennium and the electoral biennium on alternate cycles; and

WHEREAS, The passage of the budget is a time-consuming process even in the best of circumstances and our current session has extended to record-breaking lengths; and

WHEREAS, Such alternation of the start of a legislator's term and the commencement of the fiscal biennium would enable new legislators to become familiar with the legislative process in general before they would be expected to begin consideration of the most vital fiscal affairs of state government; and

WHEREAS, An alternation would enable new administrators of departments to submit budgets based on their own experience and factual knowledge and would also enable a new governor sufficient time to deliberate and prepare a budget based on better factual information and experience;

NOW, THEREFORE, BE IT RESOLVED, By the House of Representatives, That the House Committee on Appropriations undertake and the Senate Committee on Ways and Means be requested to undertake a study of the possibility of and method by which the state budget cycle could be changed so that all legislators, administrators, and governor would have the opportunity to be actively involved for a greater period of time than the present six months in the preparation and passage of the biennial budget;

BE IT FURTHER RESOLVED, That such study shall include the evaluation of a rolling two-year budget, wherein final legislative approval would be given to the upcoming year's expenditures and projected expenditures outlined for the year following;

BE IT FURTHER RESOLVED, That the Chief Clerk of the House of Representatives send a copy of this resolution to the secretary of the Senate and the Governor.

Mr. Shinoda moved adoption of the resolution.

#### POINT OF INQUIRY

Mr. Shinoda yielded to question by Mr. Smith.

Mr. Smith: "Representative Shinoda, will this new budget process help us in getting out of the Legislature in something less than 163 days?"

Mr. Shinoda: "My main reason for introducing this resolution was that when you bring in one-third of the body as freshmen, and then turn us loose on the budget all at the same time, it's very difficult for the freshmen to put any input into the budget cycle. It takes a long time for us to come on board and get up speed with the senior members. My thought is that if we had a short session early on and a long session the second year, we would have one year as freshmen to study the budget process and the committee, and the Joint Committees of the Senate and House would be able to get the process rolling a little faster. I do think it would shorten the process. That's my intent."

House Resolution No. 77-61 was adopted.

#### APPOINTMENT OF INTERIM COMMITTEE

The Speaker appointed Representatives Bagnariol, Bauer, Berentson, King, Newhouse, O'Brien and Polk to the Executive Rules Committee.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

The appropriations contained in subsections (6) through (41) of this section shall be subject to the following conditions and limitations:

The productivity of any salmon propagation facility is very dependent on water quantity and quality. Since there is a limited number of water sources which meet the critical needs of a facility it is imperative that these sources are acquired. Therefore, site acquisitions and preliminary design shall be considered by the department as generally having priority over project development in the allocation of funds;

Prior to expending any moneys for the construction and development of any particular salmon propagation facility, except for site acquisition and preliminary design, the department shall give consideration to the following factors with respect to that facility:

The department's management authority over propagated salmon;

The level of expected Canadian interception on the propagated salmon and whether this would be acceptable;

Whether an acceptable agreement has been reached on the status of treaty Indian salmon harvest; and

Whether there can be a maximum harvest of propagated salmon with a tolerable impact on other salmonoid stocks, both natural and artificial, and on their environment. The department shall consult on this matter with the department of game;

To aid and advise the department in the performance of its functions as specified herein with regard to the salmon enhancement program, a salmon advisory council shall be created. The advisory council shall consist of ten members appointed by the governor; the director of the department of fisheries, who shall be chairman; the director of the department of game; one member of the senate to be appointed by the president of the senate; and one member of the house of representatives to be appointed by the speaker of the house of representatives. Of the appointive members two shall represent troll fishermen; two shall represent gillnet fishermen, of which one shall be from the Puget Sound area and one from the southwest Washington area; one shall represent purse seine fishermen; one shall represent owners of charter boats; two shall represent sportsmen; and two shall represent fish processors, of which one shall represent fresh or frozen fish processors and one shall represent canneries.

The advisory council shall be convened by the director prior to the decision to expend any funds for construction and development of any salmon propagation facility listed in subsections (6) through (41) of this section. The council shall advise the director with regard to the considerations listed herein and any other factors the council deems relevant with respect to the proposed facility.

Terms of the appointive members shall not exceed two years and shall continue until their successors are appointed. Vacancies shall be filled in the same manner as original appointments. Members shall receive reimbursement for travel expenses incurred in the performance of their duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

The director of the department of game, or his designee, shall receive reimbursement for travel expenses incurred in the performance of his duties in accordance with RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. The legislative members or their designees, shall be deemed engaged in legislative business while in attendance upon the business of the council and shall be limited to such allowances therefor as otherwise provided in RCW 44.04.120 as now existing or hereafter amended.

Not more than the following amounts as listed in subsections (6) through (41) of this section shall be expended for the site acquisition, preliminary design, construction and development of such hereinabove described projects, which are ranked after site acquisition and exploration, survey, and design in order of their estimated benefit/cost ratio, with the project having the highest benefit/cost ratio being listed first.

## POINT OF PERSONAL PRIVILEGE

Mr. Zimmerman: "I just wanted to say a word about the beginning and the ending. I think that should be kind of a worthy subject. A hundred years ago John Galsworthy said some things about beginnings and endings and we're close to the ending now and it would seem you wouldn't mind if I quoted him.

"The beginning and ending of all human undertakings are untidy—the building of a house, the writing of a novel, the demolition of a bridge, and imminently the finish of a voyage. Of course, we've been on a 163-day voyage and certainly at this particular time of the day it's such that we need to see the perspective because I think it's been a long time in which there have been some troubles, some problems, and at the same time, I think altogether we've felt a recognition that despite the fact that this has been a record long, very difficult, very frustrating last few days, nevertheless there have been some rather unusual accomplishments. I think each of us in their own way has seen the completion of a rather unusual time together and I would hope that despite the length of it that we can all recognize the sharing together of some of the mutual accomplishments as we wind it up and go home."

The Speaker recognized within the House Chamber, Governor Dixy Lee Ray and appointed Representatives King, Gallagher and Berentson to escort her to the rostrum.

The Speaker: "Governor Ray, we certainly appreciate you taking the time to come up and say hello to us. The little name tag she has on, by the way, says 'GUV.' Governor, while we are waiting for the Senate, which we have been doing for a very long time, would you like to say a few words to us?"

Governor Ray: "Mr. Speaker and members of the House, it's a real privilege for me to be here to play some small role in this historic occasion. This is the first sine die I've been able to indulge in, and on behalf of Jock and myself, we appreciate your hospitality.

"Seriously, I do want to say a word or two about the session that is now drawing to a close. There will be plenty of critics, there always are, and there will be lots of people pointing out what didn't happen and there will be plenty of people complaining about what did. I want you to know, all of you, that having been here and watched your progress from day to day, and having had an opportunity to get to know you, and while I haven't had the occasion to work individually with each of you as yet, we have had a good deal of contact, and I feel strongly that the people's interests have been served, that the decisions that have been made have been reached by considerable deep thought, lots of debate, and a good deal of give and take. This

forty-fifth Legislature has faced up to and resolved issues that have been before the people and the Legislature for a long time. We could start ticking off the accomplishments, and it doesn't take long to come up with them, from pension reform, unemployment compensation, defining basic education, starting that important road toward full funding of our common schools, a budget that doesn't have any significant tax increase in it and yet provides for the continuation and improvement of most of state services. It is truly a great record and you are to be commended and to be complimented.

"As you return home and have more contact with your constituents in your own activities and professions, I am hoping that they will recognize, as we do here in Olympia, how important this process is and how important the achievements are that you have made. We are free to criticize our government and even to scold it, and it may not be the most efficient kind of government that man has ever devised, but it is certainly better than any other form that we know. For me it has been a privilege to get to know you and I look forward to working with you in the future. Mr. Speaker, as a freshman Speaker from a freshman Governor, I bid you God-speed. I look forward to working with you in the interim. Thank you."

#### MOTION

On motion of Mr. King, reading of the Journal of the One Hundred Third Day of the First Extraordinary Session of the Forty-fifth Legislature was dispensed with and it was ordered to stand approved.

#### MOTION

On motion of Mr. King, the House of Representatives of the First Extraordinary Session of the Forty-fifth Legislature adjourned sine die.

JOHN BAGNARIOL, Speaker.

DEAN R. FOSTER, Chief Clerk.

GOVERNOR'S MESSAGES ON HOUSE BILLS  
VETOED AND PARTIALLY VETOED

Regular and First Extraordinary Session - 1977

July 1, 1977

To the Honorable, the House  
of Representatives of the  
State of Washington  
Ladies and Gentlemen:

I am returning herewith without my approval as to one section House Bill No. 49 entitled:  
"AN ACT Relating to industrial insurance;"

Section 30 of the bill purports to amend RCW 51.24.010 to change "workman" to "worker". Because Senate Bill No. 2154, codified in Chapter 85, Laws of 1977, 1st Extraordinary Session, approved by me on May 26, 1977, repealed that section of the RCW and made other substantive changes in the law dealing with the same subject and using the term "worker", section 30 is therefore unnecessary.

With the exception of section 30 which I have vetoed, the remainder of House Bill No. 49 is approved.

Sincerely,  
Dixy Lee Ray, Governor.

July 7, 1977

To the Honorable, the House  
of Representatives of the  
State of Washington  
Ladies and Gentlemen:

I am returning herewith without my approval House Bill No. 271 entitled:

"AN ACT Relating to health; adopting procedures for the establishment of transfer and clinical training programs at the University of Washington School of Medicine for Washington residents attending foreign medical schools; creating new sections; adding a new section to chapter 18.71 RCW; adding new sections to chapter 223, Laws of 1969 ex. sess. and to chapter 28B.20 RCW; Making an appropriation; and declaring an emergency."

This bill mandates the University of Washington to adopt policies that provide both transferring and clinical training opportunities for Washington State residents attending foreign medical schools outside the United States, Canada, or Puerto Rico. In fulfilling this mandate, the School of Medicine at the University of Washington is required to fill all third and fourth year vacancies with Washington State residents attending foreign medical schools. This effectively bases selection and matriculation criteria on the place where the student is enrolled and not on student qualifications.

The proposed foreign medical student policy also eliminates admission opportunities and appears to discriminate against other resident medical students. All vacancies are filled with resident students in certain foreign countries, thereby eliminating enrollment opportunities for Washington State residents attending medical schools within the United States. This policy does not provide full and fair consideration to all students because there are no transfer provisions to accommodate the admission of potentially more qualified medical students enrolled in programs within the United States over less qualified medical students enrolled in foreign medical programs.

In addition, after contact with administrators at the School of Medicine, and with reference to written assurance that the matter of the admission of students from foreign medical schools will be voluntarily and satisfactorily handled, I am persuaded to allow a program to be developed. I am reluctant to approve a legislative mandate forcing certain steps to be taken; however, I, as Governor, will keep a close watch on the actions of the University of Washington School of Medicine during the next two years and if the warning as sounded by this Legislature in House Bill No. 271 is not heeded, I will be convinced that statutory persuasion may be necessary.

For the foregoing reasons, I have determined to veto House Bill No. 271.

Respectfully submitted,  
Dixy Lee Ray, Governor.

July 7, 1977

To the Honorable, the House  
of Representatives of the  
State of Washington  
Ladies and Gentlemen:

I am returning herewith without my approval Second Substitute House Bill No. 391 entitled:

"AN ACT Relating to speech pathologists and audiologists; adding a new chapter to Title 18 RCW; prescribing a termination date; and prescribing penalties."

It is with some reluctance I veto Second Substitute House Bill No. 391; however, there are several areas of concern. First of all, I am not fully persuaded that there is an immediate need for a board of speech pathology and audiology examiners. It is my position that unless such need is clearly required in the public interest, the creation and addition of a new board to the already overburdened operation of state government is questionable. Further, it would appear that the professionalism of the contemplated board should require the service of a medical doctor as a member. The bill makes no such provision. Other general provisions of the bill would indicate that the board is self-serving in nature. I would think the proposal needs additional careful legislative scrutiny.

For these reasons, I have respectfully vetoed Second Substitute House Bill No. 391.

Sincerely,  
Dixy Lee Ray, Governor.

June 8, 1977

To the Honorable, the House  
of Representatives of the  
State of Washington  
Ladies and Gentlemen:

I am returning herewith without my approval as to one section House Bill No. 559 entitled:

"AN ACT Relating to the state employees' insurance board; reenacting and amending section 1, chapter 6, Laws of 1977 and section 34, chapter ... (ESB 2133), Laws of 1977 and RCW 41.05.020; and declaring an emergency."

Section 2 of the bill declares an emergency and provides for the act to take effect immediately. Under the Constitution, Article II, Sections 1(b) and 41, the use of an emergency clause does two things. First, it alters the time when a particular piece of legislation becomes effective, thereby eliminating what may be a desirable adjustment period for affected persons. Second, it excepts the legislation from the important referendum right reserved by the people. Because of these effects, the use of the clause should be restricted to those instances where the use is clearly warranted due to the urgency of the situation. For these reasons, I have vetoed this section.

With the exception of section 2, which I have vetoed, the remainder of House Bill No. 559 is approved.

Sincerely,  
Dixy Lee Ray, Governor.

July 7, 1977

To the Honorable, the House  
of Representatives of the  
State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute House Bill No. 743 entitled:

"AN ACT Relating to petroleum transfer and safety; creating new sections; and declaring an emergency."

Were this bill to become law, it would limit "...future additional marine bulk crude petroleum shipment transfer facilities to one such facility." (Sec. 1.) That single facility, as required by Section 2(1), could be constructed and operated only on the Strait of Juan de Fuca at or west of Port Angeles. SHB 743 also requires that "...a crude petroleum transmission pipeline connecting with such a facility (can be approved) only if such a pipeline is designed to be located entirely within the United States..." and prohibits any portion of such pipeline from

crossing the Cedar or Green River watersheds. Finally, Section 2(3) allows modification of existing receiving or transfer facilities only for repair, maintenance, or to make the facility safer.

In my judgment all of these requirements are unduly restrictive. Moreover, neither the economic nor the environmental consequences of these restrictions have been adequately analyzed. This is all the more surprising since a mechanism exists in law for thorough fact finding and thoughtful review for the siting of all energy facility proposals.

In 1970 the Washington State Legislature passed the enabling statute that created the Energy Facility Site Evaluation Council, now operating under RCW ch. 80.50. In taking this action, "the legislature finds that the present and predicted growth in energy demands in the State of Washington requires the development of a procedure for the selection and utilization of sites for energy facilities and identification of a state position with respect to each proposed site." The Legislature reaffirmed this policy last year with the passage of Substitute Senate Bill No. 3172 which expanded the scope of the original Thermal Facility Siting Council to other major energy facilities including crude petroleum transfer facilities and transmission pipelines.

The Legislative intent in enacting the siting law is clear: "...to ensure through available and reasonable methods, that the location and operation of such facilities will produce minimal adverse effects on the environment, ecology of the land and its wildlife," and the ecology of state waters and their aquatic life.

"It is the intent to seek courses of action that will balance the increasing demands for energy facility location and operation in conjunction with the broad interests of the public. Such action will be based on these premises:

"(1) To assure Washington state citizens that, where applicable, operational safeguards are at least as stringent as the criteria established by the federal government and are technically sufficient for their welfare and protection.

"(2) To preserve and protect the quality of the environment; to enhance the public's opportunity to enjoy the esthetic and recreational benefits of the air, water, and land resources; to promote air cleanliness; and to pursue beneficial changes in the environment."

The procedure that the Council has established in accordance with this legislative intent provides for the orderly review of the complex technical issues surrounding the siting of an energy facility through contested case hearings. Only after these extensive hearings and review of the entire transcript does the Council make its recommendation on the proposed site. This orderly, deliberative, fact-finding quasi-judicial procedure should be followed before any final decision is made on a major oil port in this state.

It is particularly important that a deliberative procedure be followed so as to make available all the facts and conjectures, both those that are supportive as well as those in opposition—only then will the public know the full basis for any final recommendation.

The Energy Facility Site Evaluation Council, as created by the legislature is an independent body. Its authority and membership is determined by law. It cannot be controlled by the Governor despite some effort in the past to do so. Its procedures are open and orderly, the hearings are factual and fair. Following the proper procedure will also be the most expeditious way to determine what is in the public's best interest.

Substitute House Bill No. 743 has been one of the most heavily lobbied bills in the recent history of the legislature. This fact alone warrants that proper procedures be scrupulously followed. I am particularly concerned that one group of oil companies may be given a monopoly before technical studies are completed and adequate time is allowed for complete public disclosure of detailed plans. I am sure that all would agree that full disclosure through the careful process of the Siting Council is in the public interest. The practical effect of any final action on a major oil port is to grant an exclusive franchise, worth many millions of dollars, to the corporation finally certified. With the stakes so high, competitive applications should be considered with full public scrutiny.

Finally, I want to assure the legislature that I will take no action under the Energy Siting Act without consultation with its members. I earnestly solicit the legislature's continuing support of and participation in an orderly site selection process for an oil transshipment port. Only in this way will we best protect the environmental and economic interests of this state, and at the same time, serve vital national interests. A veto of this bill is not a rejection of the Port

Angeles site; rather, it is reaffirmation of established law and of the legislative purpose in creating the Energy Facility Site Evaluation Council whose duty is to conscientiously consider and examine all alternatives as to site location.

Respectfully submitted,  
Dixy Lee Ray, Governor.

June 1, 1977

To the Honorable, the House  
of Representatives of the  
State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval as to one section, Substitute House Bill No. 821 entitled:

"AN ACT Relating to sidewalks; amending section 1, chapter 83, Laws of 1973 and RCW 35.68.075; adding a new section to chapter 35.68 RCW; and declaring an emergency."

Section 3 of the bill declares an emergency and provides for the act to take effect immediately. Under the Constitution, Article II, Sections 1(b) and 41, the use of an emergency clause should be restricted to those instances where the use is clearly warranted due to the urgency of the situation.

In this case, not only is the use of the clause unwarranted by the urgency of the situation, but the use also eliminates the adjustment period that would be helpful for affected units of local government. For these reasons, I have vetoed this section.

With the exception of section 3, which I have vetoed, the remainder of Substitute House Bill No. 821 is approved.

Sincerely,  
Dixy Lee Ray, Governor.

July 15, 1977

To the Honorable, the House  
of Representatives of the  
State of Washington  
Ladies and Gentlemen:

I am returning herewith without my approval Substitute House Bill No. 912 entitled:

"AN ACT Relating to lost and unclaimed personal property;"

It is with some reluctance that I veto Substitute House Bill No. 912 for there is a need for improvement in the area of lost or unclaimed property. A careful review of the bill, however, causes me to question whether it merits the potential financial burden on the law enforcement agencies in the state. Further, I would hope additional interim study might produce legislation that would be less cumbersome, thus encouraging the surrender of lost or unclaimed property.

For the foregoing reasons, I have determined to veto Substitute House Bill No. 912.

Respectfully submitted,  
Dixy Lee Ray, Governor.

June 30, 1977

To the Honorable, the House  
of Representatives of the  
State of Washington  
Ladies and Gentlemen:

I am returning herewith without my approval as to one section Substitute House Bill No. 928 entitled:

"AN ACT Relating to energy."

A careful review of Substitute House Bill No. 928, dealing with emergency energy powers, reveals that Section 10 makes many unsubstantive changes in Section 43.06.010 and RCW 43.06.010. The legislature has passed and I have already signed Substitute House Bill No. 564, the Washington Sunset Law which made similar unsubstantive changes but which added to existing laws certain required executive powers concerned with sunset legislation.

To allow Section 10 of this bill to become law would be duplication of earlier legislation and, in fact, might very well effect a portion of the sunset bill which I deem of prime importance within the executive powers of the Governor. For this reason, I have vetoed Section 10 of this bill.

With the exception of section 10, which I have vetoed, the remainder of Substitute House Bill No. 928 is approved.

Sincerely,  
Dixy Lee Ray, Governor.

July 15, 1977

To the Honorable, the House  
of Representatives of the  
State of Washington  
Ladies and Gentlemen:

I am returning herewith, without my approval, Substitute House Bill No. 1348 entitled:  
"AN ACT Relating to casualty insurance; and amending section 27, chapter 150, Laws of 1967 and RCW 48.22.030."

I am persuaded to veto Substitute House Bill No. 1348 if, for no other reason than the vigorous objection raised by the Office of the Insurance Commissioner. Although there may be desirable aspects in the bill, I am advised that the Commissioner's office can, by regulation, make improvements in the field.

In addition, some of the new language in the bill is difficult of interpretation and should be more clearly defined.

For the above reasons, I have determined to veto Substitute House Bill No. 1348.

Respectfully submitted,  
Dixy Lee Ray, Governor.
