Could you tell me where that is? If it's not the SPI offices and it's not here on the campus, where is it going to be and who is going to pay for it? We're going to pay for it, I know."

Mr. Taylor: "The question is, and this will enable this group with legislative support of this kind, with existing staff and the SPI to go out and work on some private grants. They have housed themselves very nicely up to now and they will have to worry about that themselves."

Sec. 14. Section 7, page 210, Laws of 1888 as last amended by section 6, chapter 155, Laws of 1980 and RCW 73.08.080 are each amended to read as follows:

The boards of county commissioners of the several counties in this state shall levy, in addition to the taxes now levied by law, a tax in a sum equal to the amount which would be raised by not less than one and one-eighth cents per thousand dollars of assessed value, and not greater than twenty-seven cents per thousand dollars of assessed value against the taxable property of their respective counties, to be levied and collected as now prescribed by law for the assessment and collection of taxes, for the purpose of creating the veteran's relief fund for the relief of honorably discharged veterans who served in the armed forces of the United States in the Civil War, in the war of Mexico or in any of the Indian wars or the Spanish-American war or the Philippine insurrection, in the First World War, or Second World War or Korean conflict, or Viet Nam conflict, and the indigent wives, husbands, widows, widowers and minor children of such indigent or deceased veterans, to be disbursed for such relief by such board of county commissioners: PROVIDED, That if the funds on deposit, less outstanding warrants, residing in the veteran's relief fund on the first Tuesday in September exceed the expected yield of one and one-eighth cents per thousand dollars of assessed value against the taxable property of the county, the county commissioners may levy a lesser amount: PROVIDED FURTHER, That the costs incurred in the administration of said veteran's relief fund shall be computed by the county treasurer of a county that is at least a first class county not less than a county and such amount may then be transferred from the veteran's relief fund as herein provided for to the county current expense fund. Counties that are second class counties or smaller shall keep the administrative costs below ten percent of the relief funds available.

The amount of a levy allocated to the purposes specified in this section may be reduced in the same proportion as the regular property tax levy of the county is reduced by chapter 84.55 RCW.
```

```

On page 8, beginning on line 21 strike all material down to and including line 24 and insert "((The amount of a levy allocated to the purposes specified in this section may be reduced in the same proportion as the regular property tax levy of the county is reduced by chapter 84.55 RCW.))"

On motion of Ms. Becker, the following amendment was adopted:

MOTION

THIRD READING

SUBSTITUTE HOUSE BILL NO. 724, by Committee on State Government (originally sponsored by Committee on State Government and Representatives Addison, Nelson (G) and Sanders):

Providing for improvement in the productivity of state government.

The bill was read the third time and placed on final passage.

Mr. Addison spoke in favor of passage of the bill.

POINT OF PERSONAL PRIVILEGE

Ms. Sommers: "Very briefly, I would like to say something about this bill. It is a combination of two bills which were introduced much earlier. One is House Bill 507, introduced by myself and the other is House Bill 508 introduced by Representative Joe King. These bills were introduced on February 20th. House Bill 724 was put together by the chairman, incorporating these two bills and was introduced over a month later, on March 24th. It was then passed very quickly out of committee, two days later on March 27th. I want to say that it is, of course, a common occurrence that bills sponsored by members of the majority and bills sponsored by members of the minority, are heard at the same time and then the bill sponsored by the majority member is, in most cases or frequently, passed out of committee, but this is the first time in my knowledge that bills proposed by the minority have been so quickly put together into a single bill and without hearing were passed over the name of a majority member. I'd like to say—"

The Speaker: "Representative Sommers, under guise of personal privilege we have given you plenty of leeway to take a shot out here and that's fine, but we are moving up to deadline and would like to continue at this point."

Ms. Sommers: "Mr. Speaker, I'd just like to say something about the joint responsibilities in the minority and majority—"

SPEAKER'S RULING

The Speaker: "Representative Sommers, I'm sorry, but that does not fall within the scope of personal privilege, as you're well aware. Personal privilege is dealing with the individual legislator and how they are affected by something that is personally said out here and what you're doing is essentially holding a press conference here right now."

Ms. Sommers: "Mr. Speaker, I'd like to just say one sentence more and that is that I feel the responsibility of the minority is to make productive proposals for improving defective systems, but I also think the responsibility of the majority is to respect and to treat those with consideration."
POINT OF PERSONAL PRIVILEGE

Mr. Addison: "Mr. Speaker, I appreciate very much what the good lady from Seattle has suggested in the role of the majority and minority, but I think this is whimpering on the part of the minority. The bill that is suggested, House Bill 507, is a defective bill. I'll give you a couple of examples. Number one, the suggestion award called for in that bill is that fifty percent of the first year of savings would be returned to the Department of Personnel from the agency. That may sound pretty good, but you have to understand that the bill requires that the agency in which money is being saved is going to determine the award. That's reason enough to reject this bill, and that's the reason the Chairman of the State Government Committee decided to go with this superior vehicle which was established in the Republican management plan on the first day of this session."

Mr. King (J) spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 724, and the bill passed the House by the following vote: Yeas, 97; nays, 1; not voting, 0.

POINT OF INQUIRY

Mr. Dawson yielded to question by Ms. Winsley.

Ms. Winsley: "Representative Dawson, would you explain what a Moody's Index is and what that rate is at the present time?"

Mr. Dawson: "The Moody's Index is an index of a selected group of shop-rated corporate bonds and I can't tell you, Representative Winsley, exactly what it is, but I believe it's around nine and a half percent at this time. It might be above that."

POINT OF INQUIRY

Mr. Dawson yielded to question by Mr. Barnes.

Mr. Barnes: "Representative Dawson, why do we have a minimum rate set in this law?"

Mr. Dawson: "It was a maximum rate and it is set in law now at six percent. It's in state law and what this would do is modify the law to allow that rate to increase to eight percent or the Moody's Index. No greater than the Moody's Index."

Mr. Barnes: "I'm a little confused. In the bill report it says, 'The minimum allowable rate would be equal to... Why is that minimum allowable rate put in there?"

Mr. Dawson: "I don't know how to answer that any other way, Representative Barnes, except to tell you that in state law legislators, at prior times, saw fit to set a rate."

POINT OF INQUIRY

Mr. Dawson yielded to question by Mr. O'Brien.

Mr. O'Brien: "On loans on insurance policies, the cash surrender value, how about old policies? Does this affect old policies or just new policies on the rates that you've set forth in this bill?"

Mr. Dawson: "Representative O'Brien, I thought everyone would recall when we discussed the substitute bill on second reading. It made the perspective that it only affect policies sold after August 1 of this year, 1981."

Representatives Winsley, Eng and Pruitt spoke against passage of the bill.

POINT OF PARLIAMENTARY INQUIRY

Mr. Heck: "Does the addition of Representative Van Dyken's amendment, now require, because of the revenue impact, that this bill be referred to one of the Ways and Means Committees?"
The Speaker: "The best information that is available on the bill is that it has approximately $20,000 fiscal impact, and only if we have a fiscal impact of $50,000 would it be necessary to order it to Ways and Means Committee."

Mr. Ehlers spoke against passage of the bill.

Mr. Dawson: "No, you would not. You would not be able to buy comprehensive or collision without liability insurance. I would, however, reserve judgment in that area. There are several provisions for vehicles which are driven only occasionally or stored, but that's a provision I'm not prepared to speak to."

SUBSTITUTE HOUSE BILL NO. 355, by Committee on Transportation (originally sponsored by Committee on Transportation and Representatives Eberle and Wilson): Limiting penalties for the traffic infraction of energy waste.

The bill was read the third time and placed on final passage.

POINT OF ORDER

Mr. Martinis: "Mr. Speaker, the bill was not ruled as something that would have to go back to Rules. It implies that it does have a twenty dollar fine for energy infractions, which is actually a decrease in revenue, but that's not really the intent of the act. The intent of the act is an energy infraction which is not rightly reported to the insurance companies, so that speeders on our highways would be exempt if they are endangering life and limb, which is the major deterrent in traffic infractions. Those people who patrol our highways have proved that this has had an effect on our highways in the state of Washington, and that the judgment on the fiscal impact of keeping it on the calendar is phony."

POINT OF ORDER

Mr. Nelson (G): "Mr. Speaker, I'd like to have the ruling as to the objections by Representative Martinis, but I didn't expect a third reading speech on the pros and cons until you ruled on that."

SPEAKER'S RULING (MR. AMEN PRESIDING)

The Speaker (Mr. Amen presiding): "Representative Martinis, the bill provides for a reduction in the fine from twenty-five dollars to twenty dollars; therefore it is a revenue bill and would be considered."

Representatives Wilson, Eberle, Sprague and Dawson spoke in favor of passage of the bill, and Representatives Martinis, Walk, Bender and Nelson (D) spoke against it.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 355, and the bill failed to pass the House by the following vote: Yeas, 43; nays, 54; not voting, 1.

Not voting: Representative Chandler.

Substitute House Bill No. 355, having failed to receive the constitutional majority, was declared lost.

Modifying the regulation of escrow agents and officers.

The bill was read the third time and placed on final passage.

POINT OF ORDER

Mr. O'Brien: "It appears to me, Mr. Speaker, that House Bill No. 555 doesn't come under the scope of House Concurrent Resolution No. 3. It is not a general fund revenue measure."

SPEARER'S RULING (MR. AMEN PRESIDING)

The Speaker (Mr. Amen presiding): "Representative O'Brien, the fiscal note shows that there is a $100,000 impact, so your point is not well taken."

Representatives Ellis and Salatino spoke in favor of passage of the bill.
Mr. Ellis yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Ellis, when this issue was debated last year in the House, one of the problems that we were debating was the issue of the delayed effect that a chemical product might have on a worker. For example, the issue of asbestos that some workers are exposed to. Would the statute of limitations in this bill of twelve years affect the right of the worker that is injured by whatever chemical agent, natural or manmade, to bring an action after that twelve-year period?"

Mr. Ellis: "Representative Nelson, I would hesitate to answer that off the top of my head without taking a look at it. My impression is that the design of that statute was to provide a pinpoint out there and the twelve years, as I understand it, is a compromise and apparently we will have, as situations develop, a chance to look at what really happens in that area. It would be my understanding that would be the case. I think it would only apply to manufactured things."

Mr. Nelson (D): "So according to the bill, the worker would have to show on the basis of preponderance of evidence, that the product harmed the worker if the twelve years had passed?"

Mr. Ellis: "Yes, that would be my understanding."

Mr. Nelson (D) spoke against passage of the bill.

Mr. Ellis yielded to question by Mr. Tilly.

Mr. Tilly: "Representative Ellis, I'm concerned about the language in section 2, where it defines 'manufacturer,' and also how this affects the small business people. My understanding is that in this bill the small business people would be kind of separated from manufacturer, especially where they are selling machinery. I'm concerned about farm machinery especially. Quite often you get products that are what they call 'knocked down.' They are in crates and we assemble them. There is no fabrication that goes into them, but we have to bolt them together. Under the language of this bill, in section 2, would a farm equipment dealer be considered a manufacturer or not?"

Mr. Ellis: "Representative Tilly, the language states that a product seller who performs minor assembly of the product—of course at the instruction of the manufacturer—shall not be deemed a manufacturer. As I recall the testimony, it's designed primarily for subcontractors who maybe assemble components for a larger manufacturer. Reading the language, I would say that it covers the situation you describe, that you are following the instructions of the principle manufacturer, and they are not to be deemed manufacturers for the purposes of this bill."

Mr. Tilly spoke in favor of the bill.

Mr. Ellis yielded to question by Mr. Bender.

Mr. Bender: "Representative Ellis, my question is a follow-up on Representative Nelson's question. My understanding of the bill is that time of discovery plays a factor in this bill, so that if, after fifteen years, you find out that a chemical is harmful to that person, the twelve years would not go into effect. It would not start until the time of discovery that the chemical was harmful to the human being?"

Mr. Ellis: "Yes, I think that's correct."

Mr. Lux spoke in favor of the bill.

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 3158, and the bill passed the House by the following vote: Yeas, 97; nays, 1; not voting, 0.

Engrossed Senate Bill No. 3158, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

Mr. Lundquist spoke in favor of passage of the bill.

On page 6, after line 22 insert the following:

"Sec. 7. Section 2, chapter 133, Laws of 1974 ex. sess. and RCW 46.61.165 are each amended to read as follows:

The state (highway commission) department of transportation and local authorities are authorized to reserve all or any portion of any highway under their respective jurisdictions, including any designated lane or ramp, for the exclusive or preferential use of public transportation vehicles or private motor vehicles carrying not less than a specified number of passengers when such limitation will increase the efficient utilization of the highway or will aid in the conservation of energy resources. Regulations authorizing such exclusive or preferential use of a highway facility may be declared to be effective at all times or at specified times of day or on specified days.

Violation of any regulation issued under this section shall be punished by a penalty assessment of one hundred dollars."

Renumber the remaining sections consecutively.

Is this something that's in a push forward status? A revenue enhancement? A revenue augmentation? A reversal tax decrease? A tax increase which is not a general tax increase? A user fee? Or is this a non-general tax increase revenue increase? Which one of these would you characterize this particular assessment?"

Mr. Williams: "I guess you can take your pick of one of those. I would characterize this as a user fee since the forest fire suppression account was set up to take care of forest fires to the industry. This makes the fund self-sufficient."

THIRD READING

MOTION FOR RECONSIDERATION

Mr. Bond, having served notice previously, moved that the House reconsider the vote by which SUBSTITUTE HOUSE BILL NO. 355 failed to pass the House.

POINT OF ORDER

Mr. Walk: "I believe that Representative Bond's motion is out of order. I would like to refer you to Rule 25(D), where it discusses reconsideration. It says, 'Provided, That the reconsideration of the vote by which a bill passed or failed must be taken on the next working day after such vote was taken....' The vote was taken last Tuesday, April 7th, and this is now the 9th. Yesterday was the working day and we were in session, therefore, Representative Bond's motion is out of order."

SPEAKER'S RULING

The Speaker: "Representative Walk, your point of order is not well taken. The proper order of business on which to reconsider the final passage of House Bill 355 is the seventh order. The house adjourned yesterday after completion of the fifth order of business and left unfinished business on both the sixth and seventh order, including the question of whether or not the House would decide to reconsider House Bill No. 355."
"Both Reed's Rule 205, which provides that a motion to reconsider is in order at any time before the body has taken action in consequence of the vote, and a March 8, 1977 ruling by Representative O'Brien supports the position that House Rule 25(D) must be read as providing a duty to move reconsideration on the next working day that such motion would be in order. The Speaker notes that a contrary ruling by the Chair would allow the majority party to defeat any effort of the minority to reconsider the final passage vote of any bill, simply by avoiding the appropriate order of business for such motion on the next convening day."

POINT OF ORDER

Mr. Bender: "Mr. Speaker, two wrongs don't make a right."

The Speaker: "Well, Representative Bender, you know that this body has worked along long-standing decisions, traditions and wisdom that has gone before us by past presiding officers who have governed fairly, uniformly and have managed to carry the House of Representatives forward with noble rulings of all sorts from either side, and so I think we should remain with the traditions established by Representative O'Brien, in this case."

The Speaker stated the question before the House to be the motion by Representative Bond that the House reconsider final passage of Substitute House Bill No. 355.

Representatives Wilson and Clayton spoke in favor of the motion, and Representatives Walk and Bender spoke against it.

POINT OF ORDER

Mr. Heck: "Mr. Speaker, I believe we are on the seventh order of business, or third reading and final passage of bills, and Representative Bond placed a motion before the body which is appropriate under the eighth order of business."

SPEAKER'S RULING

The Speaker: "Representative Heck, the appropriate time to make a motion for reconsideration on final passage is when you are on final passage."

Representatives Martinis, Walk and Heck spoke against the motion, and Mr. Eberle spoke in favor of it.

ROLL CALL

The Clerk called the roll on the motion that the House reconsider the vote by which Substitute House Bill No. 355 failed to pass the House, and the motion was carried by the following vote: Yeas, 54; nays, 44; not voting, 0.

The Speaker stated the question before the House to be final passage of Substitute House Bill No. 355.

ROLL CALL

The Clerk called the roll on the reconsideration of final passage of Substitute House Bill No. 355, and the bill passed the House by the following vote: Yeas, 51; nays, 47; not voting, 0.

**Article XXXII. Section I. SPECIAL REVENUE FINANCING. The legislature may enact laws authorizing the state, counties, cities, towns, port districts, or public corporations established thereby to issue nonrecourse revenue bonds or other nonrecourse revenue obligations and to apply the proceeds thereof in the manner and for the purpose authorized by law, subject to the following limitations:**

(a) Nonrecourse revenue bonds and other nonrecourse revenue obligations issued pursuant to this section shall be payable only from money or other property received as a result of capital facilities financed by the nonrecourse revenue bonds or other nonrecourse revenue obligations and to apply the proceeds thereof in the manner and for the purpose authorized by law.

(b) Nonrecourse revenue bonds and other nonrecourse revenue obligations issued pursuant to this section shall not be payable from or secured by any tax funds or governmental revenue or by all or part of the faith and credit of the state or any unit of local government.

(c) Nonrecourse revenue bonds or other nonrecourse revenue obligations issued pursuant to this section may only be issued if the issuer reasonably believes that the interest paid on the bonds or obligations will be exempt from income taxation by the federal government.

(d) Nonrecourse revenue bonds or other nonrecourse revenue obligations may only be used to finance industrial development projects and the purchase of land involved in the industrial development projects.

Sections 5 and 7 of Article VIII and section 9 of Article XII shall not be construed as a limitation upon the authority granted by this section. The use of the proceeds of revenue bonds and other revenue obligations issued pursuant to this section for the purpose of financing privately owned property or loans to private persons or corporations shall be subject to audit. This section is supplemental to and shall not be construed as a repeal of or limitation on any other authority lawfully exercisable under the Constitution and law of this state, including, among others, any existing authority to issue revenue bonds.

**BE IT FURTHER RESOLVED, That the secretary of state shall cause notice of the foregoing constitutional amendment to be published at least four times during the four weeks next preceding the election in every legal newspaper in the state.**

Representatives Flanagan and Greengo spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. O'Brien.

Mr. O'Brien: *Representative Flanagan, what will this do to the issuance of bonds and the interest that will have to be paid? You've tightened the act of the proposed constitutional amendment considerably and I'm wondering about the bond market and what will happen to the interest because you don't back up these bonds with any guarantee of general revenue, you're holding it to project revenue only. Have you looked into this factor?*

Mr. Flanagan: *The reason everybody is rushing to try to get into this kind of financing is because these kinds of bonds are tax-exempt. The interest is tax-exempt and therefore, you are going to get a three or four percent lower interest rate than you would from the taxable bonds. Of course, you can't have it both ways. If you're going to go for these tax-exempt bonds, then you really couldn't expect to make them general obligation bonds also and have all that additional backing. I think everyone who has come in and asked for this type of financing has*
agreed that they would confine it to revenue only and not use tax money or the credit of any taxing district. You're already getting quite an advantage, the private businesses, by getting tax-exempt bonds to finance with instead of the taxable bonds."

POINT OF INQUIRY

Mr. Flanagan yielded to question by Ms. Stratton.

Ms. Stratton: "Representative Flanagan, in section (d) of your amendment, you say, '...obligations may only be used to finance industrial development projects...'. Would this include pollution control equipment, also?"

Mr. Flanagan: "In the implementing bill that's supposed to come out of the Revenue Committee, they have included—I think you might have a paper on your desk that will define 'industrial development'."

POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Flanagan, I'm interested first of all in your understanding of what 'industrial' means. Is there a definition of this that's understood in this case?"

Mr. Flanagan: "Yes, we defined that, and went into detail of defining that in the implementing bill, House Bill No. 741. That bill goes into detail in defining industrial development."

Mr. Nelson (D): "Maybe I could get to my point by asking several questions. Could these bonds be used to purchase industrial companies rather than to develop new industrial projects?"

Mr. Flanagan: "I don't see anything in the constitutional amendment to prevent that as long as the financing came from the revenue and nothing else."

Mr. Nelson (D): "So in that case we might not be creating new jobs, we would simply be allowing people to finance the purchase of existing industrial capacities?"

Mr. Flanagan: "That's probably right."

Mr. Nelson (D): "Another point I'm wondering about, could they be used to refinance debts in industrial situations?"

Mr. Flanagan: "They could be used to refinance the same debts that were created in the first place. It would still be confined to revenue. I don't see anything that prevents that."

Mr. Nelson (D): "Would they be available for the purchase of new farm equipment?"

Mr. Flanagan: "As this is defined here, I don't think that would be considered industrial development."

Mr. Nelson (D): "So agricultural development is excluded from the implementing bill?"

Mr. Flanagan: "Well, agricultural development is a pretty broad term. If you were going to build a processing plant, or something like that, that would be included. There are agricultural companies who farm and process both, so that would be included."

Mr. Nelson (D): "But the bill distinguishes between farming and farm processing so that it would not be available for farming?"

Mr. Flanagan: "I don't think the bill, in the definition, would preclude a farming venture as long as a part of that farming venture was a processing plant or a manufacturing plant of some kind."

POINT OF INQUIRY

Mr. Flanagan yielded to question by Mr. Isaacson.

Mr. Isaacson: "Under section (d) where it refers to the applications, that they may only be used to finance industrial development projects and the purchase of land involved in the industrial development projects; is it to be implied that the purchase of land is associated with the project or does that permit the purchase of land for industrial development projects without reference to the projects? In other words, are they separable or are they combined?"

Mr. Flanagan: "I'd assume that it would be possible to purchase land as a part of this industrial development as long as there was an intention of going ahead with the development.
If it's bare land and it's not going to be used for anything else except bare land, then I don't think it's included."

Mr. Isaacson: "I would like to point out that we should be very specific on that because it's conceivable that bonds might be issued to purchase land and without some type of industrial revenue derived from that, there would be no source of income to make payments for those revenue bonds issued unless it were associated with a revenue-producing property."

Mr. Flanagan: "When you look at the whole bill and the implementing bill that goes with it, I think it would be pretty hard to say that you were just going to buy bare land and nothing else and include it in the definition."

Mr. Greengo: "In answer to some of these questions, in an effort not to clutter up the Constitution, and at the same time still be as specific as possible, we have drawn the amendment in the manner in which it is. Following close on its heels is House Bill 741 which is in the Revenue Committee, and the next time we meet we will be hearing that bill. It is an implementing bill and will spell out in considerable detail exactly some of these questions that have been asked in regard to the purchase of land or payments for land or anything like that. It's going to depend upon the sale of revenue bonds for any project. The bond buyers are going to want to be assured that there is going to be revenue, so I think we have it rather tightly drawn and it is a good resolution the way it is. The implementing legislation will deal in detail on how we accomplish this."

Representatives Chamberlain, Nelson (D) and Flanagan spoke in favor of the amendment, and it was adopted.

On motion of Mr. Nelson (G), further consideration of Substitute House Joint Resolution No. 7 was deferred, and the resolution was ordered placed at the bottom of the second reading calendar.

NEW SECTION. Sec. 4. There is added to chapter 13.40 RCW a new section to read as follows:

(1) It is the responsibility of the commission to: (a) Evaluate the effectiveness of existing disposition standards and related statutes in implementing policies set forth in RCW 13.40.010; (b) solicit the comments and suggestions of the juvenile justice community concerning disposition standards; and (c) develop and propose to the legislature modifications of the disposition standards in accordance with RCW 13.40.030.

(2) It is the responsibility of the department to: (a) Provide the commission with available data concerning the implementation of the disposition standards and related statutes and their effect on the performance of the department's responsibilities relating to juvenile offenders; (b) at the request of the commission, provide technical and administrative assistance to the commission in the performance of its responsibilities; and (c) provide the commission with recommendations for modification of the disposition standards.

Sec. 5. Section 57, chapter 291, Laws of 1977 ex. sess. as amended by section 55, chapter 155, Laws of 1979 and RCW 13.40.030 are each amended to read as follows:

(1) (a) The ((secretary)) juvenile disposition standards commission shall propose to the legislature no later than November 1st of each even-numbered year disposition standards for all offenses. The standards shall establish, in accordance with the purposes of this chapter, ranges which may include terms of confinement and/or community supervision established on the basis of a youth's age, the instant offense, and the history and seriousness of previous offenses, but in no case may the period of confinement and supervision exceed that to which an adult may be subjected for the same offense(s). Standards proposed for offenders listed in RCW 13.40.020(1) shall include a range of confinement which may not be less than thirty days. No standard range may include a period of confinement which includes both more than thirty, and thirty or less, days. Disposition standards proposed by the ((department)) commission shall provide that in all cases where a youth is sentenced to a term of confinement in excess of thirty days the department may impose an additional period of parole not to exceed eighteen months. Standards of confinement which may be proposed may relate only to the length of the proposed terms and not to the nature of the security to be imposed.

(b) The secretary shall ((also)) submit guidelines pertaining to the nature of the security to be imposed on youth placed in his or her custody based on the age, offense(s), and criminal history of the juvenile offender. Such guidelines shall be submitted to the legislature for its review ((at the same time the department proposes its disposition standards)) no later than November 1st of each even-numbered year.

(2) If the commission fails to propose disposition standards as provided in this section, the existing standards shall remain in effect and may be adopted by the legislature or referred to the commission for modification as provided in subsection (3) of this section. If the standards are referred for modification, the provisions of subsection (4) shall be applicable.

(3) The legislature may adopt the proposed standards or refer the proposed standards to the ((secretary)) commission for modification. If the legislature fails to adopt or refer the proposed standards to the ((secretary)) commission by February 15th of the following year, the proposed standards shall take effect without legislative approval on July 1st of that year.

(4) If the legislature refers the proposed standards to the ((secretary)) commission for modification on or before February 15th, the ((secretary)) commission shall resubmit the proposed modifications to the legislature no later than March 1st. The legislature may adopt or modify the resubmitted proposed standards. If the legislature fails to adopt or modify the resubmitted proposed standards by April 1st, the resubmitted proposed standards shall take effect without legislative approval on July 1st of that year.

(5) Any term of confinement in excess of thirty days shall be served at a facility operated by or pursuant to a contract with the state of Washington.

(6) In developing and promulgating the permissible ranges of confinement under this section the ((secretary)) commission shall be subject to the following limitations:

(a) Where the maximum term in the range is ninety days or less, the minimum term in the range may be no less than fifty percent of the maximum term in the range;

(b) Where the maximum term in the range is greater than ninety days but not greater than one year, the minimum term in the range may be no less than seventy-five percent of the maximum term in the range; and
(c) Where the maximum term in the range is more than one year, the minimum term in the range may be no less than eighty percent of the maximum term in the range.

Sec. 6. Section 60, chapter 291, Laws of 1977 ex. sess. as amended by section 59, chapter 155, Laws of 1979 and RCW 13.40.060 are each amended to read as follows:

(1) Proceedings under this chapter shall be commenced in the county where the juvenile resides. However, proceedings may be commenced in the county where an element of the alleged criminal offense occurred if so requested by the juvenile or by the prosecuting attorney of the county where the incident occurred.

(2) If the hearing takes place in the county where an element of the alleged criminal offense occurred, the case and copies of all legal and social documents pertaining thereto may in the discretion of the court be transferred to the county where the juvenile resides for a disposition hearing. All costs and arrangements for care and transportation of the juvenile in custody shall be the responsibility of the receiving county as of the date of the transfer of the juvenile to such county, unless the counties otherwise agree.

(3) If the adjudicatory and disposition hearings take place in a county in which an element of the alleged offense occurred, the case and copies of all legal and social documents pertaining thereto may in the discretion of the court be transferred to the county in which the juvenile resides for supervision and enforcement of the disposition order. The court of the receiving county has jurisdiction to modify and enforce the disposition order.

(4) The court upon motion of any party or upon its own motion may, at any time, transfer a proceeding to another juvenile court when:
   (a) There is reason to believe that an impartial proceeding cannot be held in the county in which the proceeding was begun; or
   (b) It appears that venue is incorrect under this section.

Sec. 7. Section 61, chapter 291, Laws of 1977 ex. sess. as amended by section 60, chapter 155, Laws of 1979 and RCW 13.40.070 are each amended to read as follows:

(1) Complaints referred to the juvenile court alleging the commission of an offense shall be referred directly to the prosecutor. The prosecutor, upon receipt of a complaint, shall screen the complaint to determine whether:
   (a) The alleged facts bring the case within the jurisdiction of the court; and
   (b) On a basis of available evidence there is probable cause to believe that the juvenile did commit the offense.

(2) If the requirements of subsections (1) (a) and (b) of this section are met, the prosecutor shall either file an information in juvenile court or divert the case, as set forth in subsections (4), (5) and (6) of this section. If the prosecutor neither files nor diverts the case, he shall maintain a record, for one year, of such decision and the reasons therefor. In lieu of filing an information or diverting an offense a prosecutor may file a motion to modify community supervision where such offense constitutes a violation of community supervision.

(3) An information shall be a plain, concise, and definite written statement of the essential facts constituting the offense charged. It shall be signed by the prosecuting attorney and conform to chapter 10.37 RCW.

(4) Where a case is legally sufficient, the prosecutor shall file an information with the juvenile court if:
   (a) An alleged offender is accused of a class A felony, a class B felony, an attempt to commit a class B felony, assault in the third degree, rape in the third degree, or any other offense listed in RCW 13.40.020(1) (b) or (c); or
   (b) An alleged offender is accused of a felony and has a criminal history of at least one class A or class B felony, or two class C felonies, or at least two gross misdemeanors, or at least two misdemeanors and one additional misdemeanor or gross misdemeanor, or at least one class C felony and one misdemeanor or gross misdemeanor; or
   (c) An alleged offender has been referred by a diversion unit for prosecution or desires prosecution instead of diversion.

(5) Where a case is legally sufficient the prosecutor shall divert the case if the alleged offense is a misdemeanor or gross misdemeanor or violation and the alleged offense(s) in combination with the alleged offender's criminal history do not exceed three offenses or violations and do not include any felonies: PROVIDED, That if the alleged offender is charged with a related offense that must or may be filed under subsections (4) and (6) of this section, a case under this subsection may also be filed.

(6) Where a case is legally sufficient and falls into neither subsection (4) nor (5) of this section, it may be filed or diverted. In deciding whether to file or divert an offense under this section the prosecutor shall be guided only by the length, seriousness, and recency of the alleged offender's criminal history and the circumstances surrounding the commission of the alleged offense.

(7) Whenever a juvenile is placed in custody or, where not placed in custody, referred to a diversionary interview, the parent or legal guardian of the juvenile shall be notified as soon as possible concerning the alleged act committed against the juvenile and the current status of the juvenile.

(8) The responsibilities of the prosecutor under subsections (1) through (7) of this section may be performed by a juvenile court probation counselor for any complaint referred to the court alleging the commission of an offense which would not be a felony if committed by an adult, if the prosecutor has given sufficient written notice to the juvenile court that the prosecutor will not review such complaints.

Sec. 8. Section 62, chapter 291, Laws of 1977 ex. sess. as amended by section 61, chapter 155, Laws of 1979 and RCW 13.40.080 are each amended to read as follows:
(1) A diversion agreement shall be a contract between a juvenile accused of an offense and a diversionary unit whereby the juvenile agrees to fulfill certain conditions in lieu of prosecution. Such agreements may be entered into only after the prosecutor, or probation counselor pursuant to this chapter, has determined that probable cause exists to believe that a crime has been committed and that the juvenile committed it.

(2) A diversion agreement shall be limited to:

(a) Community service not to exceed one hundred fifty hours, not to be performed during school hours if the juvenile is attending school;
(b) Restitution limited to the amount of actual loss incurred by the victim, and to an amount the juvenile has the means or potential means to pay; and
(c) "(An informational, educational, or counseling interview, which may be required) Attendance at up to two hours of counseling and/or up to ten hours of educational or informational sessions at a community agency.

(3) In assessing periods of community service to be performed and restitution to be paid by a juvenile who has entered into a diversion agreement, the court officer to whom this task is assigned shall to the extent possible involve members of the community. Such members of the community shall meet with the juvenile and advise the court officer as to the terms of the diversion agreement and shall supervise the juvenile in carrying out its terms.

(4) A diversion agreement may not exceed a period of six months for a misdemeanor or gross misdemeanor or one year for a felony and may include a period extending beyond the eighteenth birthday of the divertee. Any restitution assessed during its term may not exceed an amount which the juvenile could be reasonably expected to pay during this period. If additional time is necessary for the juvenile to complete restitution to the victim, the time period limitations of this subsection may be extended by an additional six months.

(5) The juvenile shall retain the right to be referred to the court at any time prior to the signing of the diversion agreement.

(6) Divertees and potential divertees shall be afforded due process in all contacts with a diversionary unit regardless of whether the juveniles are accepted for diversion or whether the diversion program is successfully completed. Such due process shall include, but not be limited to, the following:

(a) A written diversion agreement shall be executed stating all conditions in clearly understandable language;
(b) Violation of the terms of the agreement shall be the only grounds for termination;
(c) No divertee may be terminated from a diversion program without being given a court hearing, which hearing shall be preceded by:
   (i) Written notice of alleged violations of the conditions of the diversion program; and
   (ii) Disclosure of all evidence to be offered against the divertee;
   (d) The hearing shall be conducted by the juvenile court and shall include:
      (i) Opportunity to be heard in person and to present evidence;
      (ii) The right to confront and cross-examine all adverse witnesses;
      (iii) A written statement by the court as to the evidence relied on and the reasons for termination, should that be the decision; and
   (iv) Demonstration by evidence that the divertee has substantially violated the terms of his or her diversion agreement.

(e) The prosecutor may file an information on the offense for which the divertee was diverted:
   (i) In juvenile court if the divertee is under eighteen years of age; or
   (ii) In superior court or the appropriate court of limited jurisdiction if the divertee is eighteen years of age or older.

(7) The diversion unit shall be responsible for advising a divertee of his or her rights as provided in this chapter.

(8) The right to counsel shall inure prior to the initial interview for purposes of advising the juvenile as to whether he or she desires to participate in the diversion process or to appear in the juvenile court. The juvenile may be represented by counsel at any critical stage of the diversion process, including intake interviews and termination hearings. The juvenile shall be fully advised at the intake of his or her right to an attorney and of the relevant services an attorney can provide. For the purpose of this section, intake interviews mean all interviews regarding the diversion agreement process.

The juvenile shall be advised that a diversion agreement shall constitute a part of the juvenile's criminal history as defined by RCW 13.40.020(6) as now or hereafter amended. A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the diversionary unit together with the diversion agreement, and a copy of both documents shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language.

(9) When a juvenile enters into a diversion agreement, the juvenile court may receive only the following information for dispositional purposes:

(a) The fact that a charge or charges were made;
(b) The fact that a diversion agreement was entered into;
(c) The juvenile's obligations under such agreement;
(d) Whether the alleged offender performed his or her obligations under such agreement; and
(e) The facts of the alleged offense.
(10) A diversionary unit may refuse to enter into a diversion agreement with a juvenile. It shall immedi­ately refer such juvenile to the court for action and shall forward to the court the criminal complaint and a detailed statement of its reasons for refusing to enter into a diversion agreement. The diversionary unit shall also immediately refer the case to the prosecuting attorney for action if such juvenile fails to make restitution or perform community service as required by the diversion agreement.

(11) A diversionary unit may, in instances where it determines that the act or omission of an act for which a juvenile has been referred to it involved no victim, or where it determines that the juvenile referred to it has no prior criminal history and is alleged to have committed an illegal act involving no threat of or instance of actual physical harm and involving not more than fifty dollars in property loss or damage and that there is no loss outstanding to the person or firm suffering such damage or loss, counsel and release or release such a juvenile without entering into a diversion agreement: PROVIDED, That any juvenile so handled shall be advised that the act or omission of any act for which he or she had been referred shall consti­tute a part of the juvenile's criminal history as defined by RCW 13.40.020(6) as now or hereafter amended. A signed acknowledgment of such advisement shall be obtained from the juvenile, and the document shall be maintained by the unit, and a copy of the document shall be delivered to the prosecutor if requested by the prosecutor. The supreme court shall promulgate rules setting forth the content of such advisement in simple language: PROVIDED FURTHER, That a juvenile determined to be eligible by a diversionary unit for such release shall retain the same right to counsel and right to have his or her case referred to the court for formal action as any other juvenile referred to the unit.

(12) A diversion unit may supervise the fulfillment of a diversion agreement entered into before the juvenile's eighteenth birthday and which includes a period extending beyond the divertee's eighteenth birthday.

Sec. 9. Section 66, chapter 291, Laws of 1977 ex. sess. as amended by section 64, chapter 155, Laws of 1979 and RCW 13.40.120 are each amended to read as follows:

"((The court shall hold an adjudicatory hearing on the information, and, after it has announced its find­ings of fact and its decision, shall hold a hearing to consider disposition of the case pursuant to RCW 13.40.150 and 13.40.160, as now or hereafter amended, immediately following the adjudicatory hearing or at a continued hearing within fourteen days unless good cause is shown for a further continuance. Notice of the time and place of the continued hearing may be given in open court. If notice is not given in open court to a party, that party shall be notified by mail of the time and place of any continuance hearing.))"

All hearings may be conducted at any time or place within the limits of the ((county)) judicial district, and such cases may not be heard in conjunction with other business of any other division of the superior court.

Sec. 10. Section 67, chapter 291, Laws of 1977 ex. sess. as amended by section 65, chapter 155, Laws of 1979 and RCW 13.40.130 are each amended to read as follows:

"(1) The respondent shall be advised of the allegations in the information and shall be required to plead guilty or not guilty to the allegation(s). The state or the respondent may make preliminary motions up to the time of the plea.
(2) If the respondent pleads guilty, the court may proceed with disposition or may continue the case for a dispositional hearing. If the respondent denies guilt, ((a)) an adjudicatory hearing date shall be set.
(3) At the adjudicatory hearing it shall be the burden of the prosecution to prove the allegations of the information beyond a reasonable doubt.
(4) The court shall record its findings of fact and shall enter its decision upon the record. Such findings shall set forth the evidence relied upon by the court in reaching its decision.
(5) If the respondent is found not guilty he or she shall be released from detention.
(6) If the respondent is found guilty the court may immediately proceed to disposition or may continue the case for a dispositional hearing. Notice of the time and place of the continued hearing may be given in open court. If notice is not given in open court to a party, the party shall be notified by mail of the time and place of the continued hearing.
(7) The court following an adjudicatory hearing may request that a predisposition study be prepared to aid the court in its evaluation of the matters relevant to disposition of the case.
(8) The disposition hearing shall be held within fourteen days after the adjudicatory hearing or plea of guilty unless good cause is shown for further delay, or within twenty-one days if the juvenile is not held in a detention facility, unless good cause is shown for further delay.
(9) In sentencing an offender, the court shall use the disposition standards in effect on the date of the offense.

Sec. 11. Section 68, chapter 291, Laws of 1977 ex. sess. as amended by section 66, chapter 155, Laws of 1979 and RCW 13.40.140 are each amended to read as follows:

"(1) A juvenile shall be advised of his or her rights when appearing before the court.
(2) A juvenile and his or her parent, guardian, or custodian shall be advised by the court or its repres­entative that the juvenile has a right to be represented by counsel at all critical stages of the proceedings. Unless waived, counsel shall be provided to a juvenile who is financially unable to obtain counsel without causing substantial hardship to himself or herself or the juvenile's family, in any proceeding where the juvenile may be subject to transfer for criminal prosecution, or in any proceeding where the juvenile may be in danger of confinement. The ability to pay part of the cost of counsel does not preclude assignment. In no case may a juvenile be deprived of counsel because of a parent, guardian, or custodian refusing to pay therefor. The juvenile shall be fully advised of his or her right to an attorney and of the relevant services an attorney can provide."
(3) The right to counsel includes the right to the appointment of experts necessary, and the experts shall be required pursuant to the procedures and requirements established by the supreme court.

(4) Upon application of a party, the clerk of the court shall issue, and the court on its own motion may issue, subpoenas requiring attendance and testimony of witnesses and production of records, documents, or other tangible objects at any hearing, or such subpoenas may be issued by an attorney of record.

(5) All proceedings shall be transcribed verbatim by means which will provide an accurate record.

(6) The general public and press shall be permitted to attend any hearing unless the court, for good cause, orders a particular hearing to be closed. The presumption shall be that all such hearings will be open.

(7) In all adjudicatory proceedings before the court, all parties shall have the right to adequate notice, discovery as provided in criminal cases, opportunity to be heard, confrontation of witnesses except in such cases as this chapter expressly permits the use of hearsay testimony, findings based solely upon the evidence adduced at the hearing, and an unbiased fact-finder.

(8) A juvenile shall be accorded the same privilege against self-incrimination as an adult. An extrajudicial statement which would be constitutionally inadmissible in a criminal proceeding may not be received in evidence at an adjudicatory hearing over objection. Evidence illegally seized or obtained may not be received in evidence over objection at an adjudicatory hearing to prove the allegations against the juvenile if the evidence would be inadmissible in an adult criminal proceeding. An extrajudicial admission or confession made by the juvenile out of court is insufficient to support a finding that the juvenile committed the acts alleged in the information unless evidence of a corpus delicti is first independently established in the same manner as required in an adult criminal proceeding.

(9) Waiver of any right which a juvenile has under this chapter must be an express waiver intelligently made by the juvenile after the juvenile has been fully informed of the right being waived.

(10) Whenever this chapter refers to waiver or objection by a juvenile, the word juvenile shall be construed to refer to a juvenile who is at least twelve years of age. If a juvenile is under twelve years of age, the juvenile’s parent, guardian, or custodian shall give any waiver or offer any objection contemplated by this chapter.

Sec. 12. Section 69, chapter 291, Laws of 1977 ex. sess. as amended by section 67, chapter 155, Laws of 1979 and RCW 13.40.150 are each amended to read as follows:

(1) In disposition hearings all relevant and material evidence, including oral and written reports, may be received by the court and may be relied upon to the extent of its probative value, even though such evidence may not be admissible in a hearing on the information. The youth or the youth’s counsel and the prosecuting attorney shall be afforded an opportunity to examine and controvert written reports so received and to cross-examine individuals making reports when such individuals are reasonably available, but sources of confidential information need not be disclosed. The prosecutor and counsel for the juvenile may submit recommendations for disposition.

(2) For purposes of disposition:
   (a) Violations which are current offenses count as misdemeanors;
   (b) Violations may not count as part of the offender’s criminal history;
   (c) In no event may a disposition for a violation include confinement.

(3) Before entering a dispositional order as to a respondent found to have committed an offense, the court shall hold a disposition hearing, at which the court shall:
   (a) Consider the facts supporting the allegations of criminal conduct by the respondent;
   (b) Consider information and arguments offered by parties and their counsel;
   (c) Consider any predisposition reports;
   (d) Afford the respondent and the respondent’s parent, guardian, or custodian an opportunity to speak in the respondent’s behalf;
   (e) Allow the victim or a representative of the victim and an investigative law enforcement officer to speak;
   (f) Determine the amount of restitution owing to the victim, if any;
   (g) Determine whether the respondent is a serious offender, a middle offender, or a minor or first offender;
   (h) Consider whether or not any of the following mitigating factors exist:
      (i) The respondent’s conduct neither caused nor threatened serious bodily injury or the respondent did not contemplate that his or her conduct would cause or threaten serious bodily injury;
      (ii) The respondent acted under strong and immediate provocation;
      (iii) The respondent was suffering from a mental or physical condition that significantly reduced his or her culpability for the offense though failing to establish a defense;
      (iv) Prior to his or her detection, the respondent compensated or made a good faith attempt to compensate the victim for the injury or loss sustained; and
   (v) There has been at least one year between the respondent’s current offense and any prior criminal offense;
   (i) Consider whether or not any of the following aggravating factors exist:
      (i) In the commission of the offense, or in flight therefrom, the respondent inflicted or attempted to inflict serious bodily injury to another;
      (ii) The offense was committed in an especially heinous, cruel, or depraved manner;
      (iii) The victim or victims were particularly vulnerable;
      (iv) The respondent has a recent criminal history or has failed to comply with conditions of a recent dispositional order or diversion agreement; ((amd))
(v) The respondent was the leader of a criminal enterprise involving several persons; and
(vi) There are other complaints which have resulted in diversion or a finding or plea of guilty but which are not included as criminal history.

(4) The following factors may not be considered in determining the punishment to be imposed:
(a) The sex of the respondent;
(b) The race or color of the respondent or the respondent’s family;
(c) The creed or religion of the respondent or the respondent’s family;
(d) The economic or social class of the respondent or the respondent’s family; and
(e) Factors indicating that the respondent may be or is a dependent child within the meaning of this chapter.

(5) A court may not commit a juvenile to a state institution solely because of the lack of facilities, including treatment facilities, existing in the community.

Sec. 13. Section 70, chapter 291, Laws of 1977 ex. sess. as amended by section 68, chapter 155, Laws of 1979 and RCW 13.40.160 are each amended to read as follows:

(1) When the respondent is found to be a serious offender, the court shall commit the offender to the department for the standard range of disposition for the offense.

If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(((6t))ill), as now or hereafter amended, shall be used to determine the range. A disposition outside the standard range is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition within the standard range is not appealable under RCW 13.40.230 as now or hereafter amended.

(2) Where the respondent is found to be a minor or first offender, the court shall order that the respondent serve a term of community supervision. If the court determines that a disposition of community supervision would effectuate a manifest injustice the court may impose another disposition. A disposition other than a community supervision may be imposed only after the court enters reasons upon which it bases its conclusions that imposition of community supervision would effectuate a manifest injustice. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(((6t))ill), as now or hereafter amended, shall be used to determine the range. Any disposition other than community supervision may be appealed as provided in RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition of community supervision may not be appealed under RCW 13.40.230 as now or hereafter amended.

(3) Where a respondent is found to have committed an offense for which the respondent declined to enter into a diversion agreement, the court shall impose a term of community supervision limited to the conditions allowed in a diversion agreement as provided in RCW 13.40.080(2) as now or hereafter amended.

(4) (Where) If a respondent is found to (have committed an offense which is neither a serious nor a minor or first offender) be a middle offender:

(a) The court shall impose a determinate disposition within the standard range(s) for such offense: PROVIDED, That if the standard range includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement; or
(b) The court shall impose a determinate disposition of community supervision and/or up to thirty days confinement in which case, if confinement has been imposed, the court shall state either aggravating or mitigating factors as set forth in RCW 13.40.150 as now or hereafter amended.

(c) Only if the court concludes, and enters reasons for its conclusions, that disposition as provided in subsection (4) (a) or (b) of this section would effectuate a manifest injustice, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(((6t))ill), as now or hereafter amended, shall be used to determine the range.

(d) A disposition pursuant to subsection (4)(c) of this section is appealable under RCW 13.40.230, as now or hereafter amended, by the state or the respondent. A disposition pursuant to subsection (4) (a) or (b) of this section is not appealable under RCW 13.40.230 as now or hereafter amended.

(5) Whenever a juvenile offender is entitled to credit for time spent in detention prior to a dispositional order, the dispositional order shall specifically state the number of days of credit for time served.

(6) In its dispositional order, the court shall not suspend or defer the imposition or the execution of the disposition.

Sec. 14. Section 72, chapter 291, Laws of 1977 ex. sess. and RCW 13.40.180 are each amended to read as follows:

Where a disposition is imposed on a youth for two or more offenses, the terms shall run consecutively, subject to the following limitations:

(1) Where the offenses were committed through a single act or omission, omission, or through an act or omission which in itself constituted one of the offenses and also was an element of the other, the aggregate of all the terms shall not exceed one hundred fifty percent of the term imposed for the most serious offense; and

(2) ((in all other cases)) The aggregate of all consecutive terms shall not exceed three hundred percent of the term imposed for the most serious offense; and
(3) The aggregate of all consecutive terms of community supervision shall not exceed two years in length, or require payment of more than two hundred dollars in fines or the performance of more than two hundred hours of community service.

NEW SECTION. Sec. 15. There is added to chapter 13.40 RCW a new section to read as follows:

Any term of confinement imposed for an offense which exceeds thirty days shall be served under the supervision of the department. If the period of confinement imposed for more than one offense exceeds thirty days but the term imposed for each offense is less than thirty days, the confinement may, in the discretion of the court, be served in a juvenile facility operated by or pursuant to a contract with the state or a county.

Sec. 16. Section 77, chapter 291, Laws of 1977 ex. sess. as amended by section 72, chapter 155, Laws of 1979 and RCW 13.40.230 are each amended to read as follows:

(1) Dispositions reviewed pursuant to RCW 13.40.160, as now or hereafter amended, shall be reviewed in the appropriate division of the court of appeals.

An appeal under this section shall be heard solely upon the record that was before the disposition court. No written briefs may be required, and the appeal shall be heard within thirty days following the date of sentencing and a decision rendered within fifteen days following the argument. The supreme court shall promulgate any necessary rules to effectuate the purposes of this section.

(2) To uphold a disposition outside the standard range, or which imposes confinement for a minor or first offender, the court of appeals must find (a) that the reasons supplied by the disposition judge are supported by the record which was before the judge and that those reasons clearly and convincingly support the conclusion that a disposition within the range, or nonconfinement for a minor or first offender, would constitute a manifest injustice, and (b) that the sentence imposed was neither clearly excessive nor clearly too lenient.

(3) If the court does not find subsection (2)(a) of this section it shall remand the case for disposition within the standard range or for community supervision without confinement as would otherwise be appropriate pursuant to this chapter.

(4) If the court finds subsection (2)(a) but not subsection (2)(b) of this section it shall remand the case with instructions for further proceedings consistent with the provisions of this chapter.

(5) Pending appeal, a respondent may not be committed or detained for a period of time in excess of the standard range for the offense(s) committed ((and may not be detained if a first or minor offender). PROVIDED, That if the order of the disposition court is below the standard range, the respondent shall be committed or detained for no longer than the term set by the disposition court) or sixty days, whichever is longer. The disposition court may impose conditions on release pending appeal as provided in RCW 13.40.040(4) and 13.40.050(6). Upon the expiration of the period of commitment or detention specified in this subsection, the court may also impose such conditions on the respondent's release pending disposition of the appeal.

(6) Appeal of a disposition under this section does not affect the finality or appeal of the underlying adjudication of guilt.

Sec. 17. Section 1, chapter 170, Laws of 1975 1st ex. sess. as amended by section 73, chapter 155, Laws of 1979 and RCW 13.40.300 are each amended to read as follows:

(1) In no case may a juvenile offender be committed by the juvenile court to the department of social and health services for placement in a juvenile correctional institution beyond the juvenile offender's twenty-first birthday. A juvenile may be under the jurisdiction of the juvenile court or the authority of the department of social and health services beyond the juvenile's eighteenth birthday only if prior to the juvenile's eighteenth birthday:

(a) The juvenile court has committed the juvenile offender to the department of social and health services for a sentence consisting of the standard range of disposition for the offense and the sentence includes a period beyond the juvenile offender's eighteenth birthday; or

(b) The juvenile court has committed the juvenile offender to the department of social and health services for a sentence outside the standard range of disposition for the offense and the sentence includes a period beyond the juvenile's eighteenth birthday and the court by written order setting forth its reasons extends jurisdiction of juvenile court over the juvenile offender for that period; or

(c) Proceedings are pending seeking the adjudication of a juvenile offense or seeking ((an order of)) a disposition order or the enforcement of such an order and the court by written order setting forth its reasons extends jurisdiction of juvenile court over the juvenile beyond his or her eighteenth birthday.

(2) In no event may the juvenile court have authority to extend jurisdiction over any juvenile offender beyond the juvenile offender's twenty-first birthday.

(3) Notwithstanding any extension of jurisdiction over a person pursuant to this section, the juvenile court has no jurisdiction over any offenses alleged to have been committed by a person eighteen years of age or older.

Sec. 18. Section 3, chapter 240, Laws of 1977 ex. sess. as amended by section 15, chapter 186, Laws of 1980 and RCW 34.08.020 are each amended to read as follows:

There is hereby created a state publication to be called the Washington State Register, which shall be published on no less than a monthly basis. The register shall contain, but is not limited to, the following materials received by the code reviser's office during the pertinent publication period:

(1) The full text of any proposed new or amendatory rule, as defined in RCW 34.04.010, and the citation of any existing rules the repeal of which is proposed, prior to the public hearing on such proposal. Such material shall be considered, when published, to be the official notification of the intended action, and no state agency or official thereof may take action on any such rule except on emergency rules adopted in
accordance with RCW 34.04.030, until twenty days have passed since the distribution date of the register in
which the rule and hearing notice have been published or a notice regarding the omission of the rule has
been published pursuant to RCW 34.04.050(3) as now or hereafter amended;
(2) The full text of any new or amendatory rule adopted, and the citation of any existing rule repealed,
on a permanent or emergency basis;
(3) Executive orders and emergency declarations of the governor;
(4) Public meeting notices of any and all agencies of state government, including state elected officials
whose offices are created by Article III of the state Constitution or RCW 48.02.010;
(5) Rules of the state supreme court which have been adopted but not yet published in an official per-
manent codification; (end)
(6) Summaries of attorney general opinions and letter opinions, noting the number, date, subject, and
other information, and prepared by the attorney general for inclusion in the register; and
(7) Juvenile disposition standards and security guidelines proposed and adopted under RCW 13.40.030.
Sec. 19. Section 9, chapter 155, Laws of 1979 and RCW 13.50.050 are each amended to read as
follows:
(1) This section governs records relating to the commission of juvenile offenses, including records relating
to diversions.
(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public
inspection, unless sealed pursuant to subsection (11) of this section.
(3) All records other than the official juvenile court file are confidential and may be released only as
provided in this section and RCW 13.50.010.
(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by
any juvenile justice or care agency may be released to other participants in the juvenile justice or care sys-
tem only when an investigation or case involving the juvenile in question is being pursued by the other par-
ticipant or when that other participant is assigned the responsibility for supervising the juvenile.
(5) Information not in an official juvenile court file concerning a juvenile or a juvenile's family may be
released to the public only when that information could not reasonably be expected to identify the juvenile or
the juvenile’s family.
(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney,
of law enforcement and prosecuting attorneys' records pertaining to investigation, diversion, and prose-
cution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in
adult criminal investigations and prosecutions.
(7) The juvenile court and the prosecutor may set up and maintain a central record-keeping system
which may receive information on all alleged juvenile offenders against whom a complaint has been filed
pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central
record-keeping system may be computerized.
(8) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or
proven juvenile offender alleged or found to have committed a crime against the victim and the identity of
the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged
or proven crime shall be released to the victim of the crime or the victim's immediate family.
(9) Subject to the rules of discovery applicable in adult criminal proceedings, the juvenile offense
records of an adult criminal defendant or witness in an adult criminal proceeding may be released to prose-
cution and defense counsel after a charge has actually been filed. The juvenile offense records of any adult
convicted of a crime and placed under the supervision of the adult corrections system may be released to the
adult corrections system.
(10) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has
been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person the subject
of the information or complaint may file a motion with the court to have the court vacate its order and
findings, if any, and order the sealing of the official juvenile court file, the social file, and records of the court
and of any other agency in the case.
(11) The court shall grant the motion to seal records made pursuant to subsection (10) of this section if
it finds that:
(a) Two years have elapsed from the later of: (i) Final discharge of the person from the supervision of
any agency charged with supervising juvenile offenders; or (ii) from the entry of a court order relating to the
commission of a juvenile offense or a criminal offense;
(b) No proceeding is pending against the moving party seeking the conviction of a juvenile offense or a
criminal offense; and
(c) No proceeding is pending seeking the formation of a diversion agreement with that person.
(12) The person making a motion pursuant to subsection (10) of this section shall give reasonable notice
of the motion to the prosecution and to any person or agency whose files are sought to be sealed.
(13) If the court grants the motion to seal made pursuant to subsection (10) of this section, it shall
order sealed the official juvenile court file, the social file, and other records relating to the case as are named
in the order. Thereafter, the proceedings in the case shall be treated as if they never occurred, and the sub-
ject of the records may reply accordingly to any inquiry about the events, records of which are sealed. Any
agency shall reply to any inquiry concerning confidential or sealed records that records are confidential, and
no information can be given about the existence or nonexistence of records concerning an individual.
(14) Inspection of the files and records included in the order to seal may thereafter be permitted only by order of the court upon motion made by the person who is the subject of the information or complaint, except as otherwise provided in RCW 13.50.010(8).

(15) Any adjudication of a juvenile offense or a crime subsequent to sealing has the effect of nullifying the sealing order.

(16) In any case in which an information has been filed pursuant to RCW 13.40.100 or a complaint has been filed with the prosecutor and referred for diversion pursuant to RCW 13.40.070, the person who is the subject of the information or complaint may file a motion with the court to have the court vacate its order and findings, if any, and order the destruction of the official juvenile court file, the social file, and records of the court and of any other agency in the case.

(17) The court may grant the motion to destroy records made pursuant to subsection (16) of this section if it finds:

(a) The person making the motion is at least twenty-three years of age;
(b) The person has not subsequently been convicted of a felony;
(c) No proceeding is pending against that person seeking the conviction of a criminal offense; and
(d) The person has never been found guilty of a serious offense.

(18) A person eighteen years of age or older whose criminal history consists of only one referral for diversion may request that the court order the records in that case destroyed. The request shall be granted if the court finds that two years have elapsed since completion of the diversion agreement.

(19) If the court grants the motion to destroy records made pursuant to subsection (16) or (18) of this section, it shall order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(20) The person making the motion pursuant to subsection (16) or (18) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(21) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition bearing or during the diversion process.

(22) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(23) Any juvenile justice or care agency may, subject to the limitations in subparagraphs (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older.
(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

(3) If an employee, a group of employees, an employee organization or any officer, agent, or represen­
tative of any employee organization engages in a strike in violation of subsection (1) of this section or if
there is a clear, real, and present danger that such a strike is imminent, the state of Washington may file suit
to restrain or enjoin the strike in the superior court having proper jurisdiction and proper venue of such
actions in accordance with superior court civil rules.
(4) In the event of any violation or imminently threatened violation of subsection (1) of this section, any
citizen domiciled within the jurisdictional boundaries of the state of Washington who is or may be affected
by the violation may petition the superior court for the county in which the violation occurs for a restraining

in contemplation of strike for violating an injunction against a strike, shall be fined not less than fifty dollars nor more
than two hundred dollars for each calendar day that the violation is in progress.

(1) In order to maintain an adequate, fair, and economically sound schedule of charges for the trans­
portation of passengers, vehicles, and commodities on the Washington state ferries, including the Hood
Canal bridge, the department of transportation each year shall conduct a full review of such charges.

(2) Prior to February 1st of each year the department shall transmit to the transportation commission a
report of its review together with its recommendations for the revision of a schedule of charges for the ensu­
ing fiscal year. The commission on or before April 1st shall adopt as a rule, in the manner provided by the
Washington administrative procedure act, a schedule of charges for the Washington state ferries for the
ensuing twelve-month period commencing May 1st. The schedule may initially be adopted as an emergency
rule if necessary to take effect on, or as near as possible to, May 1st.

The department in making its review and formulating recommendations and the commission in
adopting a schedule of charges may consider any of the following factors:
(a) The amount of subsidy available to the ferry system for maintenance and operation;
(b) The time and distance of ferry runs;
(c) The maintenance and operation costs for ferry runs with a proper adjustment for higher costs of
operating outmoded or less efficient equipment;
(d) The efficient distribution of traffic between cross-sound routes;
(e) The desirability of reasonable commutation rates for persons using the ferry system to commute
daily to work;
(f) The effect of proposed fares in increasing walk-on and vehicular passenger use;
(g) The effect of proposed fares in promoting all types of ferry use during nonpeak periods;
(h) Such other factors as prudent managers of a major ferry system would consider.

If at any time during the biennium it appears that projected toll revenues from the ferry system,
together with the appropriation from the Puget Sound ferry operations account and any other operating
subsidy available to the Washington state ferries, will be less than the projected total cost of maintenance
and operation of the Washington state ferries for the biennium, the department shall forthwith undertake a
review of its schedule of charges to ascertain whether or not the schedule of charges should be revised. The
department shall, upon completion of its review report, submit its recommendation to the transportation
commission which may in its sound discretion revise the schedule of charges as required to meet necessary
maintenance and operation expenditures of the ferry system for the biennium or may defer action until the
regular annual review and revision of ferry charges as provided in subsection (2) of this section.

Every department, division, or separate agency of state government, and such county, municipal, or
other political subdivisions as are covered by this chapter, shall provide contributions to insurance and health
plan, the department of personnel shall not be made under this chapter.

NEW SECTION. Sec. 7. There is added to chapter 41.06 RCW a new section to read as follows:

(1) The state personnel board shall adopt and from time to time revise a state-wide marine classification and compensation plan for all positions in the Washington state ferry system, based on an investigation and analysis of the duties and responsibilities of each such position, which shall be accomplished generally in the manner prescribed in RCW 41.06.140 through 41.06.165. The plan shall be forwarded to the transportation commission and department of transportation for their use, and the department may allocate and reallocate positions within the classification plan as it deems necessary for the efficient operation of the ferry system.

(2) In each even-numbered year the department of personnel shall prepare a comprehensive salary and fringe benefit survey plan for ferry system employees, generally in the manner prescribed by RCW 41.06.140 through 41.06.165. The plan shall be forwarded to the transportation commission for its use in preparing the department of transportation budget for submission to the legislature, and a copy of the data and supporting documentation shall be submitted to the legislative transportation committee.

NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

(1) With the exception of the powers and duties of the board of directors described in RCW 43.52.370(2), the management and control of an operating agency constructing a nuclear power plant under a site certification agreement under chapter 80.50 RCW is vested in an executive board established under this subsection and consisting of eleven members.

To the extent reasonably possible, the membership and operation of the executive board should be patterned after boards of directors of large private corporations.

Before entering upon his duties the treasurer shall give bond to the operating agency, with a surety company authorized to write such bonds in this state as surety, in an amount which the board finds by resolution will protect the operating agency against loss, conditioned that all funds which he receives as such treasurer will be faithfully kept and accounted for and for the faithful discharge of his duties. The amount of such bond may be decreased or increased from time to time as the board may by resolution direct. The board shall also appoint an auditor and may require him to give a bond with a surety company authorized to do business in the state of Washington in such amount as it shall by resolution prescribe, conditioned for the faithful discharge of his duties. All moneys of the operating agency shall be deposited forthwith by the treasurer in such depositories, and with such securities as are designated by rules of the board. The treasurer shall establish a general fund and such special funds as shall be created by the board, into which he shall place all money of the joint operating agency as the board by resolution or motion may direct.

In addition to the powers and duties conferred by chapter 44.28 RCW, the legislative budget committee shall evaluate such management audits as to adequacy and effectiveness of procedure and shall consult with and make reports and recommendations to the executive board. The operating agency shall reimburse the legislative budget committee for all costs of furnishing such services.

The operating agency shall file a copy of each firm's reports, and the legislative budget committee shall file a copy of each of its reports or recommendations in a timely manner, prepared in accordance with this section, with the respective chairmen of the senate and house energy and utilities committees. POINT OF INQUIRY

Mr. Addison yielded to question by Mr. Brown.

Mr. Brown: "Representative Addison, the amendment we just placed on this addresses itself to senior citizens, as far as obtaining the senior citizen lists for commercial purposes. Would this relate itself to precinct committeemen or those running for a political office? Would it hinder them at all from obtaining those lists so they could inform the voters on what's going on in their respective communities? Would it prevent them from obtaining this information and putting it on a computer or hiring someone to put it on a computer so they could inform the voters through a more sophisticated method?"

Mr. Addison: "Representative Brown, no, the amendment simply addresses 'for commercial purposes.' For individuals, public officials or individuals running for public office, who wanted to communicate with these people on a legitimate basis, to discuss senior citizen property tax relief measures, they could still do that."

Mr. Brown spoke in favor of the bill.

(1) The governor may subject to the definitions and limitations provided in this chapter:
(a) Upon finding that an energy supply alert exists within this state or any part thereof, declare a condition of energy supply alert; or
(b) Upon finding that an energy emergency exists within this state or any part thereof, declare a condition of energy emergency. A condition of energy emergency shall terminate thirty consecutive days after the declaration of such condition if the legislature is not in session at the time of such declaration and if the governor fails to convene the legislature pursuant to Article III, section 7 of the Constitution of the state of Washington within thirty consecutive days of such declaration. If the legislature is in session or convened, in accordance with this subsection, the duration of the condition of energy emergency shall be limited in accordance with subsection (3) of this section.

Upon the declaration of a condition of energy supply alert or energy emergency, the governor shall present to the committee any proposed plans for programs, controls, standards, and priorities for the production, allocation, and consumption of energy during any current or anticipated condition of energy emergency, any proposed plans for the suspension or modification of existing rules of the Washington Administrative Code, and any other relevant matters the governor deems desirable. The governor shall review any recommendations of the committee concerning such plans and matters.

The governor shall review the status of such plans annually with the house of representatives and senate standing committees on energy and utilities.

Upon the declaration of a condition of energy supply alert or energy emergency, the emergency powers as set forth in this chapter shall become effective only within the area described in the declaration.

(2) A condition of energy supply alert shall terminate ninety consecutive days after the declaration of such condition unless:
(a) Extended by the governor upon issuing a finding that the energy supply alert continues to exist, and with prior approval of such an extension by the committee; or
(b) Extended by the governor based on a declaration by the president of the United States of a national state of emergency in regard to energy supply; or

(c) Upon the request of the governor, extended by declaration of the legislature by concurrent resolution of a continuing energy supply alert.

In the event any such initial extension is implemented, the condition shall terminate one hundred and fifty consecutive days after the declaration of such condition. One or more subsequent extensions may be implemented through the extension procedures set forth in this subsection. In the event any such subsequent extension is implemented, the condition shall terminate sixty consecutive days after the implementation of such extension.

(3) A condition of energy emergency shall terminate forty-five consecutive days after the declaration of such condition unless:

(a) Extended by the governor upon issuing a finding that the energy emergency continues to exist, and with prior approval of such an extension by the committee; or

(b) Extended by the governor based on a declaration by the president of the United States of a national state of emergency in regard to energy supply; or

(c) Upon the request of the governor, extended by declaration of the legislature by concurrent resolution of a continuing energy emergency.

In the event any such initial extension is implemented, the condition shall terminate ninety consecutive days after the declaration of such condition. One or more subsequent extensions may be implemented through the extension procedures set forth in this subsection. In the event any such subsequent extension is implemented, the condition shall terminate forty-five consecutive days after the implementation of such extension.

(5) In a condition of energy supply alert, the governor may, as deemed necessary to preserve and protect the public health, safety, and general welfare, and to minimize, to the fullest extent possible, the injurious economic, social, and environmental consequences of such energy supply alert, issue orders to: (a) Suspend or modify existing rules of the Washington Administrative Code of any state agency relating to the consumption of energy by such agency or to the production of energy, and (b) direct any state or local governmental agency to implement programs relating to the consumption of energy by the agency which have been developed by the governor or the agency and reviewed by the committee.

The governor shall immediately transmit the declaration of a condition of energy supply alert or energy emergency and the findings upon which the declaration is based and any orders issued under the powers granted in this chapter to the committee.

Nothing in this chapter shall be construed to mean that any program, control, standard, priority or other policy created under the authority of the emergency powers authorized by this chapter shall have any continuing legal effect after the cessation of the condition of energy supply alert or energy emergency.

Except as provided in this section nothing in this chapter shall exempt a person from compliance with the provisions of any other law, rule, or directive unless specifically ordered by the governor. The emergency powers granted to the governor in this chapter shall expire on June 30, (1984) 1985.

NEW SECTION. Sec. 8. In addition to the duties and functions assigned by section 4 of this act and RCW 43.21F.060, the director shall:

(1) Manage, plan, direct, and administer the activities and staff of the office;
(2) Assign, reassign, and coordinate personnel of the office and prescribe their duties subject to chapter 41.06 RCW; and
(3) Provide staff support to the energy advisory council.

The legislature finds that energy in various forms is increasingly subject to possible shortages and supply disruptions, to the point that there may be foreseen an emergency situation, and that without the ability to institute appropriate emergency measures to regulate the production, distribution, and use of energy, a
severe impact on the public health, safety, and general welfare of our state's citizens may occur. The preven-
tion or mitigation of such energy shortages or disruptions and their effects is necessary for preservation of
the public health, safety, and general welfare of the citizens of this state.

It is the intent of this chapter to:

(1) Establish necessary emergency powers for the governor and define the situations under which such
powers are to be exercised;

(2) Provide penalties for violations of this chapter.

It is further the intent of the legislature that in developing proposed orders under the powers granted in
RCW 43.21G.040 as now or hereafter amended the governor may utilize, on a temporary or ad hoc basis, the
knowledge and expertise of persons experienced in the technical aspects of energy supply, distribution, or
use. Such utilization shall be in addition to support received by the governor from the state emergency office
under ((RCW 43.21F.050 and 43.21F.070)) sections 4 and 8 of this 1981 act and from other state agencies.

portion of the land for specific purposes or activities which are determined, after public hearing, to be in
consonance with the terms of the lease and in the best interests of the citizens of the state;

(2) To assume the responsibilities of the state under the perpetual care agreement between the state of
Washington and the federal government executed July 29, 1965. In order to finance perpetual surveillance
and maintenance under the agreement, the office shall impose and collect fees from parties holding radioactive
materials for waste management purposes. The fees shall be established by rule adopted under chapter
34.04 RCW and shall be at a total charge of not less than the prevailing rates at similar sites in the nation or
the amount determined by the state radiation control agency to be necessary to defray the estimated lia-
ability of the state, whichever is greater. All such fees, when received by the energy office, shall be transmit-
ted to the state treasurer, who shall act as custodian. The treasurer shall place the money in a special
account which may be designated the 'perpetual maintenance account.' Appropriations are required to permit
expenditures and payment of obligations from this account, and the condition of the account and its
administration shall be reported biennially to the legislature by the director. Moneys in the perpetual main-
tenance account shall be invested by the state investment board in the same manner as other state moneys.
Any interest accruing as a result of investment shall accrue to the perpetual maintenance account. Addition-
ally, Ions specifically appropriated by the legislature or received from any public or private source may be
placed in the perpetual maintenance account. The perpetual maintenance account shall be used exclu-
sively for surveillance and maintenance costs, or for otherwise satisfying surveillance and maintenance obli-
gations; and

(3) To assure maintenance of such insurance coverage by state licensees, lessees, or sublicensees as will
adequately, in the opinion of the director and the state radiation control agency, protect the citizens of the
state against nuclear accidents or incidents that may occur on privately or state-controlled nuclear facilities.

Mr. Barnes spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Barnes yielded to question by Mr. Ehlers.

Mr. Ehlers: "In your amendment, why is it necessary for deleting the current language having to do with LBC reviewing and approving unanticipated funds?*

Mr. Barnes: "That review has proven to be a very burdensome thing for the Energy Office. It is the only office, I believe, that is required to do that. Other offices are allowed to go ahead with oversight by the LBC, but not a review, before funds are taken. It has actually cost the loss of at least one grant during the past administration. It's been quite costly also and time-consuming. My staff member, who was formerly Director of the Energy Office, has said that at one time fully one-third of the manpower in the Energy Office was kept busy preparing such review."
Representatives Ehlers, Nelson (D) and Hine spoke against the amendment, and Representatives Tupper and Barnes spoke in favor of it.

The amendment was adopted.

On motion of Mr. Barnes, the following amendment to the title was adopted:

POINT OF PARLIAMENTARY INQUIRY

Mr. Heck: "Mr. Speaker, we've had considerable discussion about the effect of passage of this bill as it relates to Initiative 383. Is it the Chair's opinion that the provisions of this measure would, in fact, amend Initiative 383 as passed by the people of this state?"

Upon examining the title of this bill and the title of Initiative 383, I find that Initiative 383 added a new chapter to Title 70 RCW and this bill proposes to add a chapter to Title 43 RCW, so it would be my judgment that it does not amend Initiative 383."

that the bill being objected to was beyond the cut-off and therefore, was not pending before the House and was legitimately attached as an amendment to another bill."

POINT OF ORDER

Mr. O'Brien: "The bill is still alive until definite action is taken by this House. In other words, the bill is still alive under suspension of the rules unless a motion is made to indefinitely postpone the bill."

The Speaker: "Speaker Berentson ruled that the bill was not pending because it had been returned to its committee because of the current rules under which we were operating, and it was not possible for it to be pending before the House any longer."

POINT OF PARLIAMENTARY INQUIRY

Mr. Heck: "Given that Senate Bill 3898 is not before us, and you have, nonetheless, rendered your ruling on Representative Sherman's point of order, my point of inquiry is would you entertain other points of order when the bill is back before us or is now the appropriate time to pursue this inquiry as to the status of the bill?"

Vacancies on the committee shall be filled in the same manner as the original appointment to that position.

Instead of a review committee for each plan area, the county legislative authority or authorities may create a review committee for the entire county or counties, and the review committee shall continue in existence until dissolved by the county legislative authority or authorities.

The hearing shall be held before the county legislative authority, or the county legislative authority may direct that the hearing shall be held before either a committee of the legislative authority or a designated officer. The notice shall also be given by mailing at least fifteen days before the hearing, a similar notice to the owners or reputed owners of the land in the local district as they appear on the books of the treasurer of the county.

Sec. 17. Section 26, chapter 72, Laws of 1967 and RCW 36.94.260 are each amended to read as follows:

(1) At such hearing on a protest to an assessment, or any adjournment thereof, the ((board-of)) county ((commissioners)) legislative authority or committee or officer shall ((have)) sit as a board of equalization. If the protest is heard by the county legislative authority, it shall have power to correct, revise, raise, lower, change, or modify such roll, or any part thereof, and to set aside such roll, and order that such assessment be made de novo, as ((to such body)) shall appear equitable and just ((and may then)). If the protest is heard by a committee or officer, the committee or officer shall make recommendations to the county legislative authority which shall either adopt or reject the recommendations of the committee or officer. If a hearing is held before such a committee or officer, it shall not be necessary to hold a hearing on the assessment roll before such legislative authority: PROVIDED, That any county providing for an officer to hear such protests shall adopt an ordinance providing for an appeal from a decision made by the officer that any person protesting his or her assessment may make to the legislative authority. The county legislative authority shall, in all instances, approve the assessment roll by ordinance or resolution ((approve the same)).

(2) In the event of any assessment being raised a new notice similar to such first notice shall be given, after which final approval of such roll may be made by the ((board-of)) county ((commissioners)) legislative authority or committee or officer. Whenever any property ((shall have)) has been entered originally upon such roll and the assessment upon any such property shall not be raised, no objection thereto ((shall)) may be considered by the ((commissioners)) county legislative authority or committee or officer or by any court on appeal unless such objection be made in writing at, or prior, to the date fixed for the original hearing upon such roll.

NEW SECTION. Sec. 18. There is added to chapter 36.88 RCW a new section to read as follows:

For the purpose of issuing bonds only, the governing body of any county may authorize the establishment of consolidated road improvement districts. The road improvements within such consolidated districts need not be adjoining, vicinal, or neighboring. If the governing body orders the creation of such consolidated road improvement districts, the money received from the installment payments of the principal of and interest on assessments levied within original road improvement districts shall be deposited in a consolidated road improvement district bond redemption fund to be used to redeem outstanding consolidated road improvement district bonds. The issuance of bonds of a consolidated road improvement district shall not change the number of assessment installments in the original road improvement districts, but such bonds shall run two years longer than the longest assessment installment of such original districts.

Sec. 19. Section 9, chapter 30, Laws of 1970 ex. sess. and RCW 36.89.100 are each amended to read as follows:

Any ((board-of)) county ((commissioners)) legislative authority may authorize the issuance of revenue bonds to finance any storm water control facility. Such bonds may be issued by the board in the same manner as prescribed in RCW 36.67.510 through 36.67.570.

Each revenue bond shall state on its face that it is payable from a special fund, naming such fund and the resolution creating the fund.
Revenue bond principal, interest, and all other related necessary expenses shall be payable only out of the appropriate special fund or funds. Revenue bonds shall be payable from the revenues of the storm water control facility being financed by the bonds, a system of these facilities and, if so provided, from special assessments, installments thereof, and interest and penalties thereon, levied in one or more utility local improvement districts authorized by this 1981 act.

NEW SECTION. Sec. 20. There is added to chapter 36.89 RCW a new section to read as follows:
A county may create utility local improvement districts for the purpose of levying and collecting special assessments on property specially benefited by one or more storm water control facilities. The provisions of RCW 36.94.220 through 36.94.300 concerning the formation of utility local improvement districts and the fixing, levying, collecting and enforcing of special assessments apply to utility local improvement districts authorized by this section.

NEW SECTION. Sec. 21. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

INTRODUCTIONS AND FIRST READING

HOUSE BILL NO. 753 by Committee on Revenue and Representative Greengo:

AN ACT Relating to revenue and taxation.

To committee on Revenue

HOUSE JOINT MEMORIAL NO. 18, by Representatives Nisbet, Owen, Wilson, Nelson (D), Houchen, Winsley, Becker, Wang, Brown and Rinehart:

Requesting congressional support for local control and less federal government interference with regard to an oil pipeline in Washington state.

To Committee on Local Government

REPORT OF STANDING COMMITTEE

The Speaker stated the question before the House to be the referral of House Bill No. 749 which was on yesterday’s fifth order of business.

POINT OF ORDER

Mr. King (R): "House Bill 749 has a minority report signed by six members of the Revenue Committee. House Rule 28 states that the number of members of the Revenue Committee is twelve. House Rule 29(D)(2) states that a majority recommendation of a committee must be signed by a majority of the entire membership of a committee. House Rule 29(D)(6) says the Chairman of the Ways and Means Committee shall be a defacto voting member on all Appropriations and Revenue committees. We recognize that the Chairman of Ways and Means has
the right to be one of the twelve voting members, but we question—and by the way, Mr. Speaker, this is not a partisan question, because members of both parties have signed both the majority and minority reports—however, it is a question of adhering to our rules, and I suggest that Rule 28 is the controlling rule and that a maximum of twelve people can vote on the Revenue Committee at any one time, but there are thirteen eligible members available to cast those twelve votes."

SPEAKER'S RULING

The Speaker: "Representative King, Rule 29(D)(6) does provide that the Chairman of the Ways and Means Committee shall be a defacto voting member on all Appropriations and Revenue committees. The Chairman does have the right to join the committee and vote in addition to the committee that is stated previously in Rule 28. He is not counted as a member of that committee in the numbers, so your point of order of saying there can only be the number of members voting on the committee that are listed in Rule 28, is not well taken."

The Speaker passed House Bill No. 749 to Committee on Rules for second reading.

On page 2, line 7 after "planning" insert "or health"
On page 2, line 10 after "contraceptives" insert "or any other legend drugs"

Mr. Padden spoke in favor of the amendments.

POINT OF INQUIRY

Mr. Mitchell yielded to question by Mr. Kreidler.

Mr. Kreidler: "Representative Mitchell, as I read this amendment, it's interesting that an issue was raised about the pharmacists' opposition. As I read this amendment, it would appear to me that opening up this legislation to all legend drugs and adding 'health' after 'planning' would eventually turn them into doing all of the duties and responsibilities of a pharmacy in filling prescriptions. I wonder if you could clarify that for me?"
Mr. Mitchell: "I'm glad you've asked this question, Representative Kreidler. Actually, this amendment has two parts. The first part adds the word 'health.' This has a very big impact on the health care process in our state. The present bill is written to confine it just to the family clinics—parenthood clinics—and if you put in the word 'health,' it would include all health clinics in the state. If you want to really kill this bill, I would recommend you vote for it. I am very much opposed to it. Also, I believe it is out of scope and object because the bill addresses planned family clinics; it does not address, at all, health clinics. The amendment, in my mind, is rather ridiculous because it would allow nonprofessionals to dispense legend or prescription drugs the same as an M.D. or a pharmacist. That means that a nonprofessional could dispense antibiotics, tranquilizers, pain killers and diuretics. I urge the defeat of these amendments."

Representatives Lewis and Mitchell spoke in opposition to the amendments, and Mr. Padden spoke again in favor of them.

The amendments were not adopted.

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Padden spoke against passage of the bill, and Mr. Lewis spoke in favor of it.

I'm concerned in the area of drug trafficking enforcement. Would this bill permit the Attorney General to assist either the Diversion and Investigation Unit of the Board of Pharmacy or the present Drug Trafficking Enforcement Unit under the State Patrol or the possible drug control assistance units to also request the Attorney General to assist and prosecute drug traffickers?"

Mr. Ellis: "Representative Tilly, the answer is yes. There is nothing in this measure that would prevent the Drug Enforcement Policy Review Board or any other unit or person from making a request of the Attorney General and providing him with information about drug trafficking or other crimes. As a practical matter, then the Attorney General would simply go to the Governor or the county prosecutor or the DCIU oversight Committee to assist, officially request the Attorney General to act. On an informational basis, certainly, it could be done."

Committee on Appropriations – Human Services recommendation: Majority, do pass as amended. (For amendment, see Journal, 85th Day, April 6, 1981.)

Mr. Nisbet moved adoption of the committee amendment, and spoke in favor of it.

POINT OF PRIVILEGE

Mr. Nisbet: "To explain to the members of the body exactly what action has been taken as far as Referendum 37 is concerned, we went back in preparing the amendment you have before you, studying Referendum 37, which states that the money is for the specific projects for '...the planning, acquisition, construction, renovation, improvement and equipping of regional and community facilities for the care, training and rehabilitation of persons with sensory, physical or mental handicaps, in accordance with chapter 43.99C RCW.' This is Referendum 37. With that guidance in mind, we examined the large number of projects that had been submitted through the process that brought them back to the legislature. As you no doubt remember, Referendum 37 was a rather unusual approach to allocating bonding capacity. Normally we say this is it, the people agree and that becomes fact, but in the case of Referendum 37, it had to come back to the legislature before it was, in fact, authorized to be spent.

In examining the many projects offered for Referendum 37 money, and going back over the referendum itself, it was agreed upon by the committee that those things of a transient
nature—4-wheel drive pickups, CB sets, television cameras, polaroid cameras, pliers, screwdrivers, things of this nature—were those items that were best provided to the facilities by the local folk. If a van was needed, for example, it's an ideal project for one of our many kind service clubs in the state. We took out the requests that dealt with those items. Next, we went through and removed those that would require operating funds to be provided in addition to what was being provided at the present time. What you now have in front of you is a result of that particular project. It passed out of our committee and we have now prepared a completely new bill which you have before you.

POINT OF PRIVILEGE

Ms. Becker: "Speaking in the same vein as Representative Nisbet, whatever that was, I just want to say for the benefit of my colleagues on this side of the aisle, that I feel, in my opinion, at least, that the guidelines Representative Nisbet selected in this process were appropriate and I think they were fairly and evenly applied, with the exception of some projects that were accidentally overlooked and will be identified in the course of this debate."

POINT OF INQUIRY

Ms. Becker yielded to question by Mr. Barrett.

Mr. Barrett: "Representative Becker, I want to make sure I'm not confused or ignorant on one part. In 1979, the House passed House Bill 740 which really was the bill that required that there be a referendum. Is it the intent of the new bill, as you understand it, that it is a supplement to what was put in the statutes under House Bill 740?"

Ms. Becker: "I don't understand the meaning of your question, Representative Barrett."

Mr. Barrett: "My question is: There should be something in statute now that was put there in 1979 by the action of this House. Is that your understanding? In House Bill 740, which was passed in 1979, is it your understanding that what we have today is a supplement to whatever went into the statutes on the previous bill?"

Ms. Becker: "My understanding, Representative Barrett, would be that House Bill 740 was an act that would be part of the laws of Washington, but that it would require further legislative action to implement it and this bill is that action."

Mr. Thompson moved adoption of the following amendments by Representatives Thompson and Williams to the committee amendment:

On page 3, after line 10 insert the following:

"(2) For Cowlitz County to construct a living unit for twelve developmentally disabled clients in joint participation with Wahkiakum County: PROVIDED, That the project be constructed in such a way that upon completion it will qualify as a 'specialized group home.'"

(NEW SECTION. Sec. 30. Wahkiakum County. For Wahkiakum County to construct a living unit for twelve developmentally disabled clients in joint participation with Cowlitz County: PROVIDED, That the project be constructed in such a way that upon completion it will qualify as a 'specialized group home.'"

On motion of Mr. Wilson, the committee amendment was adopted.

Mr. King (R) moved adoption of the following amendment by Representatives King (R)
and Patrick:

Strike everything after the enacting clause and insert the following:
NEW SECTION. Section 1. It is the purpose of sections 1 through 6 of this act to prevent strikes by marine employees while preserving their noncivil service status and providing for a fair and impartial arbitration procedure for the resolution of contractual disputes.

NEW SECTION. Sec. 2. Nothing contained in this chapter constitutes a grant of the right to strike by any marine employee or group of marine employees, and such strikes are hereby expressly prohibited.

NEW SECTION. Sec. 3. If no agreement between an employer and the exclusive bargaining representative of marine employees has been reached after a reasonable period of negotiations and mediation, if voluntarily requested by one or both of the parties, and the executive director appointed under RCW 41.58.015 finds that the parties remain at impasse, then an arbitration panel shall be created to resolve the dispute. Within five days following the issuance of the determination of the executive director, each party shall name one person to serve as its arbitrator on the arbitration panel. The two members so appointed shall meet within three days following their appointments to attempt to choose a third member to act as the neutral chairman of the arbitration panel. Upon the failure of the arbitrators to select a neutral chairman within five days, the two appointed members shall use one of the two following options in the appointment of the third member, who shall act as chairman of the panel: (1) By mutual consent, the two appointed members may jointly request the commission, and the commission shall appoint a third member within two days of such request. Costs of each party's appointee shall be borne by each party respectively; other costs of the arbitration proceedings shall be borne by the commission; or (2) either party may apply to the commission, the federal mediation and conciliation service or the American Arbitration Association to provide a list of five qualified arbitrators from which the neutral chairman shall be chosen. Each party shall pay the fees and expenses of its arbitrator, and the fees and expenses of the neutral chairman shall be shared equally between the parties. Neither of these two methods may exceed five additional days.

The arbitration panel so constituted shall promptly establish a date, time, and place for a hearing and shall provide reasonable notice thereof to the parties to the dispute: PROVIDED, That the requirements of chapter 34.04 RCW do not apply to such notice. A hearing, which shall be informal, shall be held, and each party shall have the opportunity to present evidence and make argument. No member of the arbitration panel may present the case for a party to the proceedings. The rules of evidence prevailing in judicial proceedings may be considered, but are not binding, and any oral testimony or documentary evidence or other data deemed relevant by the chairman of the arbitration panel may be received in evidence. A recording of the proceedings shall be taken. The arbitration panel shall have the power to administer oaths, require the attendance of witnesses, and require the production of such books, papers, contracts, agreements, and documents as may be deemed by the panel to be material to a just determination of the issues in dispute. If any person refuses to obey a subpoena issued by the arbitration panel, or refuses to be sworn or to make an affirmation to testify, or any witness, party, or attorney for a party is guilty of any contempt while in attendance at any hearing held hereunder, the arbitration panel may invoke the jurisdiction of the superior court in the county where the labor dispute exists, and such court shall have jurisdiction to issue an appropriate order. Any failure to obey such order may be punished by the court as a contempt thereof. The hearing conducted by the arbitration panel shall be concluded within fifteen days following the selection or designation of the neutral chairman of the arbitration panel.

The neutral chairman shall consult with the other members of the arbitration panel and, within fifteen days following the conclusion of the hearing, the neutral chairman shall make written findings of fact and a written determination of the issues in dispute, based on the evidence presented. A copy thereof shall be served on the commission, on each of the other members of the arbitration panel, and on each of the parties to the dispute. That determination shall be final and binding upon both parties, subject to review by the superior court upon the application of either party solely upon the question of whether the decision of the panel was arbitrary or capricious.

Nothing in this section shall be construed to prohibit an employer and an exclusive bargaining representative from agreeing to substitute a different method to be used by the arbitration panel in reaching its decision such as a final offer package or an issue by issue arbitration system.

NEW SECTION. Sec. 4. In making its determination, the panel shall be mindful of the legislative purpose enumerated in section 1 of this act and as additional standards or guidelines to aid it in reaching a decision, it shall take into consideration the following factors:

(1) The constitutional and statutory authority of the employer;
(2) Stipulations of the parties;
(3) Comparison of the wages, hours, and conditions of employment of the marine employees involved in the proceedings with the wages, hours, and conditions of employment of marine employees in comparable jurisdictions in the public and private sectors;
(4) Such other factors, not confined to the foregoing, which are normally or traditionally taken into consideration in the determination of wages, hours, and conditions of employment.

NEW SECTION. Sec. 5. During the pendency of the proceedings before the arbitration panel, existing wages, hours, and other conditions of employment shall not be changed by action of either party without the consent of the other, but a party may so consent without prejudice to the party's rights or position under sections 1 through 6 of this act.

NEW SECTION. Sec. 6. If the representatives of either or both the exclusive bargaining agent and the employer refuse to submit to the procedures set forth in section 3 of this act, the parties, or the commission on its own motion, may invoke the jurisdiction of the superior court for the county where the labor dispute exists, and such court shall have jurisdiction to issue an appropriate order. A failure to obey such order may be punished by the court as a contempt thereof. A decision of the arbitration panel shall be final and binding.
on the parties, and may be enforced at the instance of either party, the arbitration panel or the commission in the superior court for the county where the labor dispute exists.

NEW SECTION, Sec. 7. The provisions of sections 1 through 6 of this act relating to marine employees are intended to be additional to other remedies and shall be liberally construed to accomplish their purpose. If any provision of sections 1 through 6 of this act conflicts with any other statute, ordinance, rule, or regulation as it relates to marine employees, the provisions of sections 1 through 6 of this act shall control.

Sec. 8. Section 1, chapter 39, Laws of 1970 ex. sess. as last amended by section 2, chapter 125, Laws of 1979 and RCW 41.05.010 are each amended to read as follows:

Unless the context clearly indicates otherwise, words used in this chapter have the following meaning:

(1) 'Board' means the state employees' insurance board established under the provisions of RCW 41.05.025.

(2) 'Employee' shall include all full time and career seasonal employees of the state, a county, a municipality, or other political subdivision of the state, whether or not covered by civil service, other than any person defined as an employee under RCW 47.64.010; elected and appointed officials of the executive branch of government, including full time members of boards, commissions, or committees; and shall include any or all part time and temporary employees under the terms and conditions established by the board; justices of the supreme court and judges of the court of appeals and the superior courts; and members of the state legislature or of the legislative authority of any county, city, or town who are elected to office after February 20, 1970.

(3) 'Panel medicine plan' means a health care plan which can be offered by a health care service contractor which itself furnishes the health care service contracted for by means of a group practice prepaid medical care plan, and also includes a health maintenance organization holding a valid certificate of registration under chapter 48.46 RCW.

(4) 'Trustee' shall mean the director of personnel.

NEW SECTION, Sec. 9. Sections 1 through 7 of this act are added to chapter 47.64 RCW.

NEW SECTION, Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

SENATE AMENDMENT TO HOUSE BILL

The House resumed consideration of the Senate amendments to SUBSTITUTE HOUSE BILL NO. 467.

SPEAKER'S RULING

The Speaker: 'Representative Nisbet, your point of order is pending. The Speaker has examined the bill and finds that section 1 is a statement of intent stating the findings of the legislature. It's continually expressed throughout that section, 'that the legislature finds,' 'the legislature further finds,' and so forth. The amendment adopted by the Senate states 'the legislature further finds, etc.' That turns out to be nearly a verbatim restatement of present law under 80.50.040 RCW(13), which, in the Speaker's opinion, would merely restate the findings of the legislature in directing the purposes of this act. Therefore, I would find that the Senate amendment is within the scope and object of Substitute House Bill No. 467. Your point of order is not well taken.*

The Speaker stated the question before the House to be the motion that the House do concur in the Senate amendments to Substitute House Bill No. 467.

Mr. Barnes spoke in favor of the motion.
MOTION

On motion of Mr. Nisbet, the question was divided.

The House concurred in the Senate amendment to page 1, line 19.

Mr. Barnes moved that the House do concur in the Senate amendment to page 2, line 1.

Representatives Barnes, Barr and Padden spoke in favor of the motion, and Representatives Nisbet, Houchen and Bond spoke against it.

POINT OF INQUIRY

Mr. Barnes yielded to question by Ms. Houchen.

Ms. Houchen: "Would this amendment really affect the coal-fired plants? I think not, but I would like your opinion."

Mr. Barnes: "Adoption of the amendment would not because the FSEC decision has been made on the coal-fired plants, however, losing the bill would, because there is litigation going on now and probably will be in the future with any generating facility. If we lose the bill, then with this plant and others, the appeals procedure will not be expedited as this bill intends."

Ms. Houchen again opposed the motion to concur in the amendment.

ROLL CALL

The Clerk called the roll on the motion that the House concur in the Senate amendment to page 2, line 1 of Substitute House Bill No. 467, and the motion was carried by the following vote: Yeas, 56; nays, 40; not voting, 2.

On motion of Mr. Barnes, the House concurred in the remainder of the Senate amendments to Substitute House Bill No. 467.

HOUSE CONCURRENT RESOLUTION NO. 7.
SENATE AMENDMENT TO HOUSE BILL

April 14, 1981

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 719 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The legislature has reason to believe there seemingly exists in the Washington state educational structure at present a lack of coordination between institutions, a weak response to the progressive academic and vocational needs of students, an unclear statement as to roles and missions, an inconsistency between programs, duplications of effort, and inefficient uses of public dollars. The possibilities for improving this structure require comprehensive examination.

The current structure has evolved into several separate and distinct educational components: The kindergarten through grade twelve system, the community college system, the four year colleges and universities system, the vocational technical institute system, and educational instruction within other state institutions; outside of the state systems, but of much importance, are the private and proprietary schools.

Accountability in education should be equally applicable to all levels of instruction. The assessments of student achievement, what constitutes good instruction, and the responsibilities of management, should be public knowledge and publicly controlled in all segments of education funded by state taxes. The needs of the student, the product of the educational system, are paramount.

Therefore, it is the intent of this act to investigate thoroughly the entire educational complex in Washington state.

A review of the educational complex is merited so that the legislative and administrative branches of government and the public may consider these and other issues: Coordination, needs of students and response to those needs; the role and missions of the components, educational diversity and independence; obstacles to orderly student progression; open access; efficiency; duplication; accreditation; graduation and entrance requirements from high school to postsecondary; efficient uses of public dollars; ways to improve the system possibly through managerial reorganization or combining of components; accountability of the various levels; student achievement; and a determination of what constitutes good instruction.

NEW SECTION. Sec. 2. There is hereby created the Temporary Committee on Educational Policies, Structure and Management which shall consist of thirteen citizen members, appointed by the governor, each of whom shall apply for membership and demonstrate his or her concern and interest in the education of all citizens of the state.

The temporary committee shall undertake a general review of Washington education, its strengths and areas needed for improvement, and make a report on its findings to the governor, the legislature and the citizens of the state.

In addition to the examination of those questions raised in section 1 of this act, this review shall include:

1. An emphasis on the educational progression of the student;
2. An examination of the current educational components with particular attention directed to their interrelationships, obstacles to student mobility and progression, and how the system or its components might be improved;
3. Examination of the educational goals of the components and a determination of their intended interrelationships;
4. Determination of the extent of duplication of educational services in both the vocational and academic areas, the extent to which such duplication may be unwarranted, and proposed corrections; and
5. Consideration of the nature and extent of any benefits, including those pertaining to student access, progression, and learning, improved information, and cost reduction, as well as any disadvantages, that might accrue from structural reorganization in Washington education.
6. Consideration of the state's responsibility to make ample provisions for K-12 education including alternative methods of funding staff costs, alternative approaches to levy limitation, incentive approaches to encouraging effective responsible decision-making at the local level and the optimum use of the ideas and talents of teachers, administrators and citizens.

7. In regard to postsecondary education, the committee shall take into consideration the policy and planning studies of the council for postsecondary education and shall utilize to the extent possible the data and findings of such council studies.

The committee shall be constituted and ready to hire staff and begin work by August 1, 1981. Draft recommendations shall be proposed by August 1, 1982, and after extensive state-wide public discussion of those recommendations, final recommendations for appropriate action shall be completed and presented to the governor by December 1, 1982. Members of the committee shall present those recommendations to the legislature, to the appropriate state agencies and to the public as soon as possible after the 1983 legislative convenes, and the committee shall cease to function by the end of the 1983 legislative session.

NEW SECTION. Sec. 3. The Temporary Committee on Educational Policies, Structure and Management may accept and expend funds in accordance with chapter 43.88 RCW from private sources and grants from public agencies for the purposes of fulfilling its duties: PROVIDED, That the acceptance and expenditure of such funds first must be approved by the governor.

The committee may establish advisory committees and task forces, as it may deem necessary, to assist it in the fulfillment of its duties.
The educational institutions, delivery systems, and support systems of the state shall fully cooperate with the committee in its investigations and deliberations.

The committee may employ such staff or consultants that it may deem necessary to fulfill its duties.

NEW SECTION. Sec. 4. There is hereby appropriated for the biennium ending June 30, 1983, the sum of one hundred thousand dollars, or so much thereof as may be necessary, from the state general fund, to be used by the committee for the purpose of carrying out the provisions of sections 1 through 3 of this act. The appropriation contained in this section is subject to the following conditions and limitations:

1. That the general fund state funds provided shall be matched by local or private funds on a one to one basis.

2. That upon completion of the study, any residual general fund state funds shall revert to the general fund.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

On line 1 of the title after "to the" strike "Citizens Study Commission on School Finance" and before ";" and insert "Temporary Committee on Educational Policies, Structure and Management"

On line 4 of the title after "commission" and before ";" insert "; and making an appropriation" and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

Mr. Taylor moved that the House do concur in the Senate amendments to Engrossed House Bill No. 719.

Representatives McDonald and Taylor spoke in favor of the motion, and Representatives Lane, Teutsch and Tupper spoke against it.

POINT OF ORDER

Ms. Teutsch: "Mr. Speaker, I question whether or not this amendment falls under the scope and object of this bill."

SPEAKER'S RULING

The Speaker: "The Speaker finds, in examining Engrossed House Bill No. 719, that the original bill was an act relating to the citizens study commission on school finance and setting out its powers and duties and providing for the expiration of such commission. I find that the Senate amendment includes a title amendment which strikes the citizens study commission on school finance and inserts a different title for the commission. It changes the object of the bill from one dealing with the public schools and expands it to cover all of education, K-12 and higher education, and in my judgment, it would greatly expand the object of the bill and it would change the title of the bill, therefore, the Senate amendment is beyond the scope and object."

Engrossed House Bill No. 719 was rereferred to Committee on Education.

POINT OF PARLIAMENTARY INQUIRY

Mr. Heck: "Mr. Speaker, is it therefore established by this ruling that points of order can be raised on amendments at any point during the discussion and debate on them?"

The Speaker: "No, that is not established by that ruling."

Mr. Heck: "Mr. Speaker, Reed's Rule 112 states that the objection to present action must be presented before consideration has been entered upon. After debate has begun—and I believe we had engaged in debate on concurrence of this amendment—or other action has been taken, it is too late."

The Speaker: "Representative Heck, we showed you that part of Reed's while you were up here and explained that it didn't apply in this case. If I can draw your attention to Reed's Rule 168, which says in part, '...questions of personal privilege relating to the assembly.' Which is what I believe happened in this case."

and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

On motion of Mr. Isaacson, the House concurred in the Senate amendments to House Bill No. 664.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker stated the question before the House to be the final passage of House Bill No. 664 as amended by the Senate.

Ms. Leonard spoke in favor of passage of the bill, and Mr. Nelson (D) spoke against it.

ROLL CALL

The Clerk called the roll on the final passage of House Bill No. 664 as amended by the Senate, and the bill passed the House by the following vote: Yeas, 72; nays, 25; not voting, 1.

Not voting: Representative O'Brien.

House Bill No. 664 as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SENATE BILL NO. 3240:

The House resumed consideration of the bill on second reading.

The Speaker stated the question before the House to be the point of order raised by Representative Ehlers regarding the amendment by Representative Ellis.

SPEAKER'S RULING

The Speaker: "The Speaker has examined House Rule 14B, which requires amendments to be germane. In examining Reed's Rules, much the same is restated. It is impossible to lay down any precise rule on this subject, and much depends on the good sense of the presiding officer. I find that the original bill deals with the duties and powers of the State Board of Education. It begins in section I with 'In addition to any other powers and duties as provided by law, the state board of education shall...' and proceeds through eleven different items that the State Board of Education shall be empowered to do. Although the bill has the express purpose of deleting one of those powers, it is dealing broadly with the duties of the State Board of Education. The amendment offered by Representative Ellis adds another duty to the State Board of Education and then proceeds to define the requirements of that duty. Therefore, under the Speaker's opinion, the amendment by Representative Ellis is within the scope and object of the bill."

Mr. Ellis spoke in favor of the amendment, and Ms. Galloway spoke against it.

POINT OF INQUIRY

Mr. Ellis yielded to question by Mr. McGinnis.

Mr. McGinnis: "Representative Ellis, it is my understanding that some of the main proponents of this bill are the Catholic education community, the Lutheran Education community
and some of the more traditional Christian schooling institutions in this state, and that they want this bill in order to retain the right to easily have access to state accreditation and they don't want to have the lack of ability to ask the state to accredit and certify their schools, basically because they are using that in terms of helping themselves in selling parents. Is that true or false?"

Mr. Ellis: "Representative McGinnis, you accurately describe the support of these organizations which we indicated before. These groups, including the Montessori school system, are members of the Washington Federation of Independent Schools who have asked for this legislation. They do not intend to exempt out of approval. They want to continue the approval process, but they recognize the rights of these people and have asked that, based on our historic freedoms of religion in this country, they be granted this exemption. The answer is yes."

Mr. McGinnis spoke in favor of the amendment, and Mr. Ehlers spoke against it.

POINT OF INQUIRY

Mr. Lux asked Mr. Ellis to yield to question, and Mr. Ellis refused to yield.

A division was called on the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Ellis to page 3 of Senate Bill No. 3240, and the amendment was adopted by the following vote: Yeas, 54; nays, 41; not voting, 3.

Not voting: Representatives O'Brien, Teutsch, Winsley.

Ms. Sommers moved adoption of the following amendment by Representatives Sommers, McDonald, Taylor and Galloway:

On page 3, after line 35 add new sections as follows:

Sec. 3. Section 1, chapter 95, Laws of 1979 and RCW 28A.58.800 are each amended to read as follows:

RCW 28A.58.800 through 28A.58.810 shall be known and cited as 'The Transitional Bilingual Instruction Act of 1979'. ((The legislature finds that there are large numbers of children who come from homes where the primary language is other than English. Experience has shown that classes which are taught in English are inadequate to meet the needs of these children. The legislature finds that a bilingual education program can meet the needs of these children.) Pursuant to the policy of this state to insure equal educational opportunity to every child ((in this state)), it is the purpose of RCW 28A.58.800 through 28A-.58.810 to provide for the implementation of ((bilingual education)) special instruction to improve proficiency in English programs in the public schools, and to provide supplemental financial assistance to help ((local school districts to)) meet the extra costs of these programs.

Sec. 4. There is added to chapter 95, Laws of 1979 and to chapter 28A.58 RCW a new section to read as follows:

The legislature finds that a thorough command of English is a cornerstone of equal opportunity. Historically, the public school system has served to integrate newcomers by teaching our common language. It shall be the policy of this state to provide special instruction to improve proficiency in English to students not fluent in English.

Sec. 5. Section 2, chapter 95, Laws of 1979 and RCW 28A.58.802 are each amended to read as follows:

As used in RCW 28A.58.800 through 28A.58.810, unless the context thereof indicates to the contrary:

(1) 'Transitional bilingual instruction' means ((a system of instruction which uses two languages, one of which is English, as a means of instruction to build upon and expand language skills to enable the pupil to achieve competency in English. Concepts and information are introduced in the primary language and reinforced in the second language. PROVIDED, That the program shall include testing in the subject matter in English:)) special instruction to improve proficiency in English. Such a program may include instruction in a student's primary language, but shall emphasize intensive English instruction and a rapid transition of the student to instruction in English.

(2) 'Primary language' means the language most often used by the student for communication in his/her home.
School districts are hereby empowered to accept grants, gifts, donations, devices and other gratuities from private and public sources to aid in accomplishing the purposes of RCW 28A.58.800 through 28A.58.810. 

Renumber the remaining sections consecutively.

POINT OF ORDER

Mr. Ehlers: "I raise the point of order, Mr. Speaker, on scope and object. On your previous ruling on the same bill you ruled that the bill had to do with the responsibilities of actions of the State Board of Education, and this amendment deals with a course of study for the various school districts and on the basis of your previous ruling, it is clearly outside the scope and object."

SPEAKER'S RULING

The Speaker: "The bill does deal with the duties and powers of the State Board of Education, and in examining the amendment by Representative Sommers, I find that the amendment deals with a course of instruction and gives instruction to the Superintendent of Public Instruction and local school districts, but does not deal with the powers and duties of the State Board of Education. I would find that your point of order is well taken and the amendment is beyond the scope and object of the bill."
Mr. Tilly moved adoption of the following amendment by Representatives Tilly, Dickie, Erak, Johnson, Valle and McDonald:

On page 3, after line 26 insert the following:

"Sec. 2. Section 1, chapter 90, Laws of 1975-'76 2nd ex. sess. as amended by section 1, chapter 305, Laws of 1977 ex. sess. and RCW 28A.58.090 are each amended to read as follows:

Every school district board of directors, being accountable to the citizens within its district as to the education offered to the students therein, on or before September 1, 1977, for grades kindergarten through eight, and on or before September 1, 1978, for grades nine through twelve, by rule and regulation, shall develop a program identifying student learning objectives for their district in the areas of language arts, reading, and math, and initiate implementation of such program on or before September 1, 1978, for grades kindergarten through eight, and on or before September 1, 1981, for grades nine through twelve: PROVIDED, That such student learning objectives for grades kindergarten through eight shall be reviewed by the superintendent of public instruction and a report of such review shall be submitted to the legislature on or before January 31, 1978; PROVIDED FURTHER, That such program shall be measurable as to the actual student attainment; student attainment shall be locally assessed annually and the student learning objectives program shall be reviewed at least every two years;

The state board of education shall examine the programs in each school district in the state for reasons of program approval as required in accordance with RCW 28A.41.130, as now or hereafter amended). School districts may obtain assistance in carrying out their duties under this section from the educational service district of which they are a part."

Renumber the remaining sections consecutively.

POINT OF ORDER

Mr. Ehlers: "Mr. Speaker, I would raise a point of order that this amendment is also outside the scope and object, consistent with the previous ruling you just made on Representative Sommers' amendment."

SPEAKER'S RULING

The Speaker: "The Speaker finds that the amendment does not deal with the same sections of the Code that the bill deals with and does not deal with the subject of the duties and powers of the State Board of Education, but rather is dealing with the students' learning objectives program, which is the subject of legislation in previous years and, therefore, your point of order is well taken, and it is beyond the scope and object of the bill."

On motion of Mr. Ellis, the following amendment to the title was adopted:

On page 1, line 4 of the title, after "28A.04.120;" insert "amending section 2, chapter 10, Laws of 1972 ex. sess. as last amended by section 1, chapter 59, Laws of 1980 and RCW 28A.27.010; adding a new section to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.02 RCW;"

MOTION

Mr. Hastings moved that the rules be suspended, the second reading considered the third, and Senate Bill No. 3240 as amended by the House be advanced to final passage.

A division was called.

ROLL CALL

The Clerk called the roll on the motion to suspend the rules and advance Senate Bill No. 3240 as amended by the House to final passage, and the motion was carried by the following vote: Yeas, 54; nays, 42; not voting, 2.

Not voting: Representatives O'Brien, Teutsch.

Senate Bill No. 3240 as amended by the House was passed to Committee on Rules for third reading.
On motion of Mr. Nelson (G), the House reverted to the fifth order of business.

In addition, the director of licensing shall have the power to adopt such rules and regulations as he deems necessary to implement the provisions of chapter 46.12 RCW as they relate to mobile homes.

Sec. 3. Section 2, chapter 22, Laws of 1977 ex. sess. as amended by section 1, chapter 152, Laws of 1980 and RCW 46.44.170 are each amended to read as follows:

1. Any person moving a mobile home as defined in RCW 46.04.302 upon public highways of the state must obtain a special permit from the department of transportation and local authorities pursuant to RCW 46.44.090 and 46.44.093 and shall pay the proper fee as prescribed by RCW 46.44.0941 and 46.44.096.

It shall be the responsibility of the owner of the mobile home or his agent to obtain such endorsement from the county treasurer.

3. Nothing herein should be construed as prohibiting the issuance of vehicle license plates for a mobile home, but no such plates shall be issued unless the mobile home for which such plates are sought has been listed for property tax purposes in the county in which it is principally located and the appropriate fee for such license has been paid.

4. The department of transportation and local authorities are authorized to adopt reasonable rules for implementing the provisions of this section.
For purposes of this chapter:

1) 'Abandoned' as it relates to a mobile home owned by a tenant in a mobile home park, mobile home park cooperative, or mobile home park subdivision or tenancy in a mobile home lot means the tenant has defaulted in rent and by absence and by words or actions reasonably indicates the intention not to continue tenancy;

2) 'Landlord' means the owner of a mobile home park and includes the agents of a landlord;

3) 'Mobile home lot' means a portion of a mobile home park designated as the location of one mobile home and its accessory buildings, and intended for the exclusive use as a primary residence by the occupants of that mobile home;

4) 'Mobile home park' means any real property which is rented or held out for rent to others for the placement of two or more mobile homes for the primary purpose of production of income, except where such real property is rented or held out for rent for seasonal recreational purpose only and is not intended for year-round occupancy;

5) 'Mobile home park cooperative' means real property consisting of common areas and two or more lots held out for placement of mobile homes in which both the individual lots and the common areas are owned by an association of shareholders which leases or otherwise extends the right to occupy individual lots to its own members;

6) 'Mobile home park subdivision' means real property, whether it is called a subdivision, condominium, or planned unit development, consisting of common areas and two or more lots held for placement of mobile homes in which there is private ownership of the individual lots and common, undivided ownership of the common areas by owners of the individual lots;

7) 'Tenant' means any person, except a transient, who rents a mobile home lot; and

8) 'Transient' means a person who rents a mobile home lot for a period of less than one month for purposes other than as a primary residence.

All such rental agreements shall be unenforceable to the extent of any conflict with any provision of this chapter. Chapter 59.12 RCW shall be applicable only in implementation of the provisions of this chapter and not as an alternative remedy to this chapter which shall be exclusive where applicable: PROVIDED, That the provision of RCW 59.12.090, 59.12.100, and 59.12.170 shall not apply to any rental agreement included under the provisions of this chapter. RCW 59.18.370 through 59.18.410 shall be applicable to any action of forcible entry or detainer or unlawful detainer arising from a tenancy under the provisions of this chapter, except when a mobile home or a tenancy in a mobile home lot is abandoned. Rentals of mobile homes themselves are governed by the Residential Landlord-Tenant Act, chapter 59.18 RCW.

NEW SECTION. There is added to chapter 59.20 RCW a new section to read as follows:

SAFE ASSUMPTION OF ABANDONMENT. (1) If a tenant defaults in rent but the landlord is not certain whether the tenant intends to continue tenancy, the landlord may safely assume the tenancy is abandoned if both of the following are done subsequent to default:

(a) The landlord gives written notice to a law enforcement officer that the landlord believes a mobile home is abandoned, stating the reasons for that belief. The law enforcement officer shall obtain the last known names and addresses of registered and legal owners of the mobile home as the names and addresses appear on the records of the department of licensing, and shall supply the information to the landlord without charge; and

(b) The landlord sends by first class and certified mail, return receipt requested, a notice of intent to declare the abandonment to the last known address of the tenant, and registered owner of the mobile home, if different, and no reply is received within four weeks of the mailing of the notice. This notice shall state that if no reply is received within four weeks that the landlord shall determine the tenancy, mobile home, or any other property of the tenant abandoned and subject to sale.

(2) Removal of the mobile home by the tenant, along with default in rent, shall be sufficient to indicate a tenant's intention not to continue tenancy, unless the landlord has actual knowledge of the tenant's contrary intention.

(3) This section is intended to provide landlords assurance that a determination of abandonment is proper in the circumstances, and is not intended to be exclusive or in any way limit the circumstances which may reasonably indicate a tenant's intention not to continue tenancy.

NEW SECTION. There is added to chapter 59.20 RCW a new section to read as follows:

TAKING POSSESSION. Upon abandonment, the landlord may immediately enter and take possession of any property of the tenant found on the premises and remove the same to and store the same in a reasonably secure place.
LABOR AND MATERIALMAN'S LIEN GRANTED. Every person performing labor, furnishing material, or renting, leasing, or otherwise supplying equipment to take possession of, move, store and safeguard property which has been abandoned by a tenant has a lien upon the same for the labor performed, material furnished, or equipment furnished. No notice of such lien is required. Foreclosure shall be by the sale provisions of sections 8 through 13 of this act.

NEW SECTION. Sec. 9. There is added to chapter 59.20 RCW a new section to read as follows:

NOTICE. (1) A notice must be mailed by the landlord by first class and certified mail, return receipt requested, within thirty days after taking possession of the tenant's property to the last known address of the tenant and to the last known addresses of the registered and legal owners supplied to the landlord by the law enforcement officer, if different.

(2) The notice shall state:
(a) The tenant's name and owner's name if different;
(b) That the landlord is holding in safe storage property of the tenant;
(c) A description of the property;
(d) The location of the property;
(e) The name and address of the landlord;
(f) That, if the tenant does not reclaim the tenant's property within sixty days after the specified date of default in rent or thirty days after the date this notice is sent, whichever is later, the landlord intends to sell the property stored and apply the proceeds as specified in section 11 of this act; and
(g) The conditions on which the tenant or secured party could reclaim the property as specified in section 13 of this act, with the amounts set out as much as is reasonably practical.

NEW SECTION. Sec. 10. There is added to chapter 59.20 RCW a new section to read as follows:

SALE. (1) The landlord may sell or otherwise dispose of any or all of the property taken possession of and stored by the landlord after the latest of the following:
(a) Sixty days from the default in rent;
(b) Thirty days after mailing of the notice prescribed in section 14 of this act;
(c) After reasonable efforts to locate the absent tenants;
(d) Ten days' notice to any secured creditors of the tenant known to the landlord to have security interests in the tenant's property stored by the landlord or discoverable by an information request under RCW 62A.9-407 sent to the department of licensing.

(2) Reasonable efforts to locate the tenants may include, but are not required to include nor limited to including, requesting the whereabouts of the tenants from the tenant's neighbors, known friends, known relatives, and secured creditors known to the landlord or discoverable by an information request under RCW 62A.9-407 sent to the department of licensing.

(3) The property may be sold in its condition 'as is' or following any commercially reasonable preparation for sale. Disposition of the property may be by public or private proceedings and may be as a unit or in parcels and at any time and place and on any terms, but every aspect of the disposition including the method, manner, time, place and terms must be commercially reasonable. Unless the property is a type customarily sold in a recognized market, reasonable notification of the time and place of any public sale or of the time after which any private sale or other intended disposition is to be made shall be sent by the landlord to the tenant if the tenant has replied to the notice sent required in section 6 of this act, and to any person who has a security interest in the property and who has duly filed a financial statement indexed in the name of the tenant in this state, or who is known by the landlord to have a security interest in the tenant's property stored by the landlord. The landlord may buy at any public sale and, if the property is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, he may buy at private sale.

(4) The fact that a better price could have been obtained by a sale at a different time or in a different method from that selected by the landlord is not of itself sufficient to establish that the sale was not made in a commercially reasonable manner. If the landlord either sells the property in the usual manner in any recognized market therefor or if he sells at the price current in such market at the time of his sale or if he has otherwise sold in conformity with reasonable commercial practices among dealers in the type of property sold, he has sold in a commercially reasonable manner. The principles stated in the two preceding sentences with respect to sales also apply as may be appropriate to other types of disposition.

NEW SECTION. Sec. 11. There is added to chapter 59.20 RCW a new section to read as follows:

APPLICATION OF PROCEEDS. Any proceeds from the sale may be applied in the following order:
(1) To any reasonable costs of moving, storing, safeguarding, and selling the property;
(2) Any taxes due on the sale of the mobile home under chapter 28A.45 RCW, or the successor thereto, and any other taxes due under chapter 84.52 RCW;
(3) To any secured creditors of the tenant of which the landlord has notice or is discoverable by an information request under RCW 62A.9-407 sent to the department of licensing; and
(4) To any moneys due the landlord as specified in section 14 of this act.

Any excess proceeds from the sale of the property shall be paid to the county treasurer of the county in which the property was abandoned to be credited to the county current expense fund, subject to a claim by the tenant within one year of sale.

NEW SECTION. Sec. 12. There is added to chapter 59.20 RCW a new section to read as follows:

EFFECT OF SALE. When property is disposed of by a landlord under this chapter, the disposition transfers to a purchaser for value all of the tenant's rights therein and discharges any security interest in or lien upon the property. The purchaser takes free of any such rights and interests even if the landlord fails to
comply with the requirements of this chapter or of any judicial proceedings (1) in the case of a public sale, if
the purchaser has no knowledge of any defects in the sale and if he does not buy in collusion with the land-
lord, other bidders, or the person conducting the sale; or (2) in any other case, if the purchaser acts in good
faith as defined in RCW 62A.1-201(19).

The director of licensing shall promulgate rules pursuant to chapter 34.04 RCW for the application for
and the reissuance of the certificate of title showing ownership of any mobile home sold or otherwise dis-
posed of under the provisions of this chapter.

NEW SECTION. Sec. 13. There is added to chapter 59.20 RCW a new section to read as follows:
REDEMPTION. (1) At any time before the landlord has disposed of property or entered into a con-
tract for its disposition under this chapter, the tenant, unless otherwise agreed in writing, may redeem the
property by tendering to the landlord fulfillment of all obligations owed by the tenant to the landlord as set
out in section 14 of this act which have accrued up to the date of redemption.
(2) At any time before the landlord has disposed of property or entered into a contract for disposition
under this chapter, any person who has a security interest in the property may, unless otherwise agreed in
writing, redeem the property by tendering to the landlord:
(a) Any unpaid rent or charges specified in the rental agreement accrued up to the date of redemption; and
(b) The reasonable costs of taking possession, moving, storing, safeguarding, preparing the property for
sale, the costs of arranging the sale and selling the tenant's property plus reasonable attorneys' fees and legal
expenses incurred taking such actions.

NEW SECTION. Sec. 14. There is added to chapter 59.20 RCW a new section to read as follows:
TENANT'S LIABILITY TO LANDLORD UPON ABANDONMENT. If a tenant abandons a ten-
cy, the landlord shall make a reasonable effort to mitigate the damages resulting from the abandonment
and if such reasonable effort is made, is entitled to the following from the tenant:
(1) When the tenancy is month-to-month, the rent for the thirty days following the earlier of the date
the landlord learns of the abandonment or the date the regular monthly rental payment was due, but was
unpaid;
(2) When the tenancy is for a term longer than month-to-month, the rent for the remainder of the
term, minus all rent received from the re-rental of the lot at a fair rental if there were no other comparable
lots vacant elsewhere in the mobile home park, plus all actual costs reasonably incurred by the landlord in
re-renting the premises;
(3) For any length term, the reasonable costs of taking possession, moving, storing, safeguarding, pre-
paring the property for sale, the costs of arranging the sale, plus reasonable attorneys' fees and legal
expenses incurred taking such actions if not otherwise reimbursed by the provisions of section 11 of this act;
(4) Any other unpaid rent or charges specified in the rental agreement; and
(5) Any damages to the landlord's property caused by the tenant.

NEW SECTION. Sec. 15. There is added to chapter 59.20 RCW a new section to read as follows:
REMEDIES NOT EXCLUSIVE. The remedies specified in sections 6 through 14 of this act are not
exclusive and the parties retain the rights to all other actions or remedies otherwise specified in this chapter.

If a mobile home park landlord sells a tenant's property as permitted by this chapter and the proceeds from
the sale of those goods are insufficient to pay the landlord all that the tenant owes to the landlord, the tenant
shall remain liable for the remainder owed.

NEW SECTION. Sec. 16. There is added to chapter 59.20 RCW a new section to read as follows:
REMEDIES FOR NONCOMPLIANCE. If it is established that the landlord is not proceeding in
accordance with the provisions of sections 7 through 13 of this act, disposition may be ordered or restrained
on appropriate terms and conditions. If the disposition has occurred in violation of this chapter, the tenant or
any person entitled to notice has a right to recover from the landlord any loss caused by a failure to comply
with the provisions of this chapter.

NEW SECTION. Sec. 17. If any provision of this act or its application to any person or circumstance
is held invalid, the remainder of the act or the application of the provision to other persons or circumstances
is not affected.

((In no case may)) Law enforcement custody shall not extend ((more than six hours from the time of the juvenile's initial contact with the law enforcement officer)) beyond the amount of time reasonably necessary to transport the child to a destination authorized by law and to place the child at that destination.

Sec. 3. Section 20, chapter 155, Laws of 1979 and RCW 13.32A.060 are each amended to read as follows:

1. An officer taking a ((juvenile)) child into custody under RCW 13.32A.050 (1) or (2) shall inform the ((juvenile)) child of the reason for such custody and shall either:
   (a) Transport the ((juvenile)) child to his or her home ((if the juvenile consents)). The officer ((so)) releasing a ((juvenile from)) child into the custody of the parent shall inform the parent of the reason for the taking of the ((juvenile)) child into custody and may ((if he or she believes further services may be needed)) inform the ((juvenile)) child and the ((person to whom the juvenile is released)) parent of the nature and location of appropriate services available in their community; or

      (i) If the child evinces fear or distress at the prospect of being returned to his or her home; or

2. If, in the judgment of the law enforcement officer, it is not practical nor in the best interests of the family to take the juvenile home, the law enforcement officer) An officer taking a child into custody under RCW 13.32A.050 (3) or (4) shall inform the child of the reason for custody, and shall take the ((juvenile)) child to a designated crisis residential center licensed by the department and established pursuant to chapter 74.13 RCW. However, an officer taking a child into custody under RCW 13.32A.050(4) may place the child in a juvenile detention facility as provided in section 4 of this 1981 act. The department shall ensure that all
the enforcement authorities are informed on a regular basis as to the location of the designated crisis residential ((shelter or shelters)) center or centers in their judicial district, where ((juveniles)) children taken into custody under RCW 13.32A.050 may be taken.

NEW SECTION. Sec. 4. There is added to chapter 13.32A RCW a new section to read as follows:

The court shall hold a detention hearing within twenty-four hours, excluding Saturdays, Sundays, and holidays. (2) If the court orders the child to remain in detention, the court shall set the matter for a hearing on contempt within seventy-two hours, excluding Saturdays, Sundays, and holidays.

Sec. 5. Section 21, chapter 155, Laws of 1979 and RCW 13.32A.070 are each amended to read as follows:

An officer placing a ((juvenile)) child into custody under RCW 13.32A.050 may, at his or her discretion, transport the ((juvenile)) child to the home of a responsible adult who is other than the child's parent where the officer reasonably believes that the child will be provided with adequate care and supervision and that the child will remain in the custody of such adult until such time as the department can bring about the child's return home or an alternative residential placement can be agreed to or determined pursuant to this chapter. An officer placing a ((juvenile)) child with a responsible adult other than his or her parent shall immediately notify the department's local community service office of this fact and of the reason for taking the ((juvenile)) child into custody.

A law enforcement officer acting reasonably and in good faith pursuant to this chapter in releasing a ((juvenile)) child to a person other than a parent of such ((juvenile)) child is immune from civil or criminal liability for the act of receiving such child. Such immunity does not release such person from liability under any other law including the laws regulating licensed child care and prohibiting child abuse.

Sec. 6. Section 22, chapter 155, Laws of 1979 and RCW 13.32A.080 are each amended to read as follows:

Sec. 7. Section 23, chapter 155, Laws of 1979 and RCW 13.32A.090 are each amended to read as follows:

(1) The person in charge of a designated crisis residential center or the department pursuant to RCW 13.32A.070 shall perform the duties under subsection (2) of this section:

(d) Upon learning that a child has been placed with a responsible adult pursuant to RCW 13.32A.070.
(2) When any of the circumstances under subsection (1) of this section are present, the person in charge of a center shall perform the following duties:

(a) Immediately notify the child’s parent of the child’s whereabouts, physical and emotional condition, and the circumstances surrounding his or her placement;

(b) ((Notify and inform the parent of the child as to the parent’s rights under this chapter including, but not limited to, the right to file an alternative residential placement petition)) Initially notify the parent that it is the paramount concern of the family reconciliation service personnel to achieve a reconciliation between the parent and child to reunify the family and inform the parent as to the procedures to be followed under this chapter;

(d) Arrange transportation for the child to the residence of the parent, as soon as practicable, at the latter’s expense to the extent of his or her ability to pay, with any unmet transportation expenses to be assumed by the department, when the child and his or her parent agrees to the child’s return home;

(e) Arrange transportation for the child to an alternative residential placement which may include a licensed group care facility or foster family when agreed to by the child and parent at the latter’s expense to the extent of his or her ability to pay, with any unmet transportation expenses assumed by the department.

Sec. 8. Section 24, chapter 155, Laws of 1979 and RCW 13.32A.110 are each amended to read as follows:

Where a child is placed in a residence other than that of his or her parent pursuant to RCW 13.32A.090(2)(e), the department shall make available ((crisis intervention)) family reconciliation services in order to facilitate the reunification of the family. Any such placement may continue as long as there is agreement by the child and parent.

Sec. 9. Section 27, chapter 155, Laws of 1979 and RCW 13.32A.130 are each amended to read as follows:

A child admitted to a crisis residential center under this chapter who is not returned to the home of his or her parent or who is not placed in an alternative residential placement under ((RCW 13.32A.090(2)(e)) an agreement between the parent and child, shall, except as provided for by RCW 13.32A.140 and 13.32A.160(2), reside in such placement under the rules and regulations established for the center for a period not to exceed seventy-two hours, excluding Saturdays, Sundays, and holidays, from the ((point)) time of intake, except as otherwise provided by this chapter. Crisis residential center staff shall make a concerted effort to achieve a reconciliation of the family. If a reconciliation and voluntary return of the child has not been achieved within forty-eight hours, excluding Saturdays, Sundays and holidays, from the time of intake, and if the person in charge of the center does not consider it likely that reconciliation will be achieved within the seventy-two hour period, then the person in charge shall inform the parent and child of (1) the availability of counseling services; (2) the right to file a petition for an alternative residential placement and to obtain assistance in filing the petition; and (3) the right to request a review of such a placement: PROVIDED, That at no time shall information regarding a parent’s or child’s rights be withheld if requested.

Sec. 10. Section 28, chapter 155, Laws of 1979 and RCW 13.32A.140 are each amended to read as follows:

The department shall file a petition to approve an alternative residential placement on behalf of a child under any of the following sets of circumstances:

1. The child has been admitted to a crisis residential center or has been placed with a responsible person other than his or her parent, and:

(a) The parent has been notified that the child was so admitted or placed;

(b) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such notification;

(c) No agreement between the parent and the child as to where the child shall live has been reached;

(d) No petition requesting approval of an alternative residential placement has been filed by either the child or parent or legal custodian; and

(e) The child has no suitable place to live other than the home of his or her parent.

2. The child has been admitted to a crisis residential center ((or placed with a responsible adult other than his or her parent)) and:

(a) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such placement;

(b) The staff, after searching with due diligence, have been unable to contact the parent of such child; and

(c) The child has no suitable place to live other than the home of his or her parent.

3. An agreement between parent and child made pursuant to RCW 13.32A.090(2)(e) or pursuant to RCW 13.32A.120(1) is no longer acceptable to parent or child, and:

(a) The party to whom the arrangement is no longer acceptable has so notified the department;

(b) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such notification;

(c) No new agreement between parent and child as to where the child shall live has been reached;

(d) No petition requesting approval of an alternative residential placement has been filed by either the child or the parent; and

(e) The child has no suitable place to live other than the home of his or her parent.

Under the circumstances of subsections (1), (2), or (3) of this section, the child shall remain in a licensed child care facility, including but not limited to a crisis residential center, or in any other suitable residence to be determined by the department until an alternative residential placement petition filed by the
department on behalf of the child is reviewed by the juvenile court and is resolved by such court. The department may authorize emergency medical or dental care for a child placed under this section. The state, when the department files a petition for alternative residential placement under this section, shall be represented as provided for in RCW 13.04.093.

Sec. 11. Section 29, chapter 155, Laws of 1979 and RCW 13.32A.150 are each amended to read as follows:

A child or a child's parent may file with the juvenile court a petition to approve an alternative residential placement for the child outside the parent's home. The department shall, when requested, assist either a parent or child in the filing of the petition. The petition shall only ask that the placement of a child outside the home of his or her parent be approved (or disapproved). The filing of a petition to approve (or disapprove) such placement is not dependent upon the court's having obtained any prior jurisdiction over the child or his or her parent, and confers upon the court a special jurisdiction to approve or disapprove an alternative residential placement (or its continuation).

Sec. 12. Section 31, chapter 155, Laws of 1979 and RCW 13.32A.170 are each amended to read as follows:

The court shall hold a fact-finding hearing to consider a proper petition and may approve or (disapprove) deny alternative residential placement giving due weight to the intent of the legislature (expressed in RCW 13.32A.010) that families, absent compelling reasons to the contrary, shall remain together and that parents have the right to place reasonable rules and restrictions upon their children. The court may appoint legal counsel and/or a guardian ad litem to represent the child and advise parents of their right to be represented by legal counsel. The court may approve an order stating that the child shall be placed in a residence other than the home of his or her parent only if it is established by a preponderance of the evidence that (a serious conflict exists between the parent and child and that the conflict cannot be resolved by the delivery of services to the family during continued placement of the child in the parental home);

(a) The petition is not capricious;
(b) The petitioner, if a parent or the child, has made a reasonable effort to resolve the conflict; and
(c) The conflict which exists cannot be resolved by delivery of services to the family during continued placement of the child in the parental home.

The court may not grant a petition filed by the child or the department if it is established that the petition is based only upon a dislike of reasonable rules or reasonable discipline established by the parent.

The order approving out-of-home placement shall direct the department to submit a disposition plan for a three-month placement of the child that is designed to reunite the family and resolve the family conflict. In making the order, the court shall further direct the department to make recommendations, as to which agency or person should have physical custody of the child, as to which parental powers should be awarded to such agency or person, and as to parental visitation rights. The court may direct the department to consider the cultural heritage of the child in making its recommendations.

The hearing to consider the recommendations of the department for a three-month disposition plan shall be set no later than fourteen days after the approval of the court of a petition to approve alternative residential placement. Each party shall be notified of the time and place of such disposition hearing.

If the court (disapproves) approves or denies a petition for an alternative residential placement, a written statement of the reasons shall be filed. If the court (disapproves) denies a petition requesting that a child be placed in a residence other than the home of his or her parent, the court shall (instruct that) enter an order requiring the child to remain at or return to the home of his or her parent.

If the court dismisses the petition if it finds (a) that a petition filed pursuant to RCW 13.32A.150 is capricious, or (b) that the filing party did not first reasonably attempt to resolve the conflict outside the court. Upon dismissing) the court denies the petition, the court shall impress upon the party filing the petition of the legislative intent to restrict the proceedings to situations where a family conflict is so great that it cannot be resolved by the provision of in-home services.

A child who fails to comply with a court order directing that the child remain at or return to the home of his or her parent shall be subject to contempt proceedings, as provided in this chapter, but only if the noncompliance occurs within ninety calendar days after the day of the order.

Sec. 13. Section 33, chapter 155, Laws of 1979 and RCW 13.32A.190 are each amended to read as follows:

(1) Upon making a dispositional order under RCW 13.32A.180, the court shall schedule the matter on the calendar for review within three months, advise the parties of the date thereof, appoint legal counsel and/or a guardian ad litem to represent the child (and the parent, if indigent) at the review hearing, advise (if indigent) parents of their right to be represented by legal counsel at the review hearing, and notify the parties of their rights to present evidence at the hearing. Where resources are available, the court shall encourage the parent and child to participate in mediation programs for reconciliation of their conflict.

(2) At the review hearing, the court (shall) shall approve or disapprove the continuation of the dispositional plan (according to the standards) in accordance with the goal of resolving the conflict and reuniting the family which governed the initial approval. The court is authorized to discontinue the placement and order that the child return home if the court has reasonable grounds to believe that the parents have displayed concerted efforts to utilize services and resolve the conflict and the court has reason to believe that the child's refusal to return home is capricious. If out-of-home placement is continued, the court may modify the dispositional plan (according to the standards of resolving the family conflict and reuniting...
the family and shall set the matter on the calendar for further review within six months; (c) may determine that interim services as may be appropriate have been offered to the parent and child:

(3) Subsequent six-month review hearings shall be held pursuant to this section until such time as the family is reunited. If the court, at any such hearing, does not approve the continuation of an alternative residential placement and states that the child shall reside with his or her parents, it may hold another review hearing within six months).

Out-of-home placement may not be continued past one hundred eighty days from the day the review hearing commenced. The court shall order that the child return to the home of the parent at the expiration of the placement. If continued out-of-home placement is disapproved, the court shall enter an order requiring that the child return to the home of the child's parent.

NEW SECTION. Sec. 14. There is added to chapter 13.32A RCW a new section to read as follows:

Employers who have reasonable cause to believe the same counselor or caseworker has subsequently violated this section shall take appropriate steps to prevent future violations by that counselor or caseworker. The court may enforce such an order by execution or in any way in which a court of equity may enforce its orders. However, payments shall not be required of a parent who has both opposed the placement and continuously sought reconciliation with, and the return of, the child.

((For the purpose of this chapter:)) The definitions set forth in this section shall apply throughout this chapter, unless the context clearly requires otherwise.

(1) 'Agency' means any state board, commission, department, or officer, authorized by law to make rules or to adjudicate contested cases, except those in the legislative or judicial branches.

(2) 'Rule' means any agency order, directive, or regulation of general applicability (a) the violation of which subjects a person to a penalty or administrative sanction; (b) which establishes, alters, or revokes any procedure, practice, or requirement relating to agency hearings; (c) which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits or privileges conferred by law; (d) which establishes, alters, or revokes any qualifications or standards for the issuance, suspension, or revocation of licenses to pursue any commercial activity, trade, or profession; or (e) which establishes, alters, or revokes any mandatory standards for any product or material which must be met before distribution or sale. The term includes the amendment or repeal of a prior rule, but does not include (i) statements concerning only the internal management of an agency and not affecting private rights or procedures available to the public, (ii) declaratory rulings issued pursuant to RCW 34.04.080, as now or hereafter amended, or (iii) speed restrictions for motor vehicles established by the state (highway) transportation commission.

(3) 'Contested case' means a proceeding before an agency in which an opportunity for a hearing before such agency is required by law or constitutional right prior to or subsequent to the determination by the agency of the legal rights, duties, or privileges of specific parties. Contested cases shall also include all cases of licensing and rate making in which an application for a license or rate change is denied except as limited by RCW 66.08.150, or a license is revoked, suspended, or modified, or in which the granting of an application is contested by a person having standing to contest under the law or agency rules.

(4) 'License' includes the whole or part of any agency permit, certificate, approval, registration, charter, or any form of permission required by law, including agency rule, to engage in any activity, but does not include a license required solely for revenue purposes.

(5) 'Licensing' includes the agency process respecting the grant, denial, renewal, revocation, suspension, annulment, withdrawal, or modification of a license.

(6) 'Rules review committee' or 'committee' means the joint administrative rules review committee created pursuant to section 5 of this 1981 act for the purpose of selectively reviewing existing and proposed rules of state agencies.

Sec. 3. Section 3, chapter 237, Laws of 1967 as last amended by section 7, chapter 240, Laws of 1977 ex. sess. and RCW 34.04.025 are each amended to read as follows:

(1) Prior to the adoption, amendment, or repeal of any rule, each agency shall:

(a) File notice thereof with the code reviser in accordance with RCW 34.08.020(1) for publication in the state register, and with the secretary of the senate, the chief clerk of the house of representatives, and the rules review committee, and mail such notice to all persons who have made timely request of the agency for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon;

(b) Furnish to the legislature, along with the notice required by subsection (1)(a) of this section, a statement of the reasons supporting the proposed action;

(c) Afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. In case of substantive rules, opportunity for oral hearing must be granted if requested by twenty-five persons, by a governmental subdivision or agency, by the rules review committee, or by an association having not less than twenty-five members.

(2) The agency shall make every effort to insure that the information on the proposed rule circulated pursuant to subsection (1)(a) of this section accurately reflects the rule to be presented and discussed at any oral hearing on such rule. Where substantial changes in the draft of the proposed rule are made after publication of notice in the register which would render it difficult for interested persons to properly comment on
the rule without further notice, new notice of the agency's intended action as provided in subsection (1)(a) of this section shall be required.

(3) The agency shall consider fully all written and oral submissions respecting the proposed rule including those of the question of whether the proposed rule is within the intent of the legislature as expressed by the statute which the rule implements, and may amend the proposed rule at the oral hearing or adopt the proposed rule, if there are no substantial changes, without refining the notice required by this section. Upon adoption of a rule, the agency, if requested to do so by an interested person either prior to adoption or within thirty days thereafter, shall issue a concise statement of the principal reasons for and against its adoption, incorporating therein its reasons for overruling the considerations urged against its adoption.

(4) No proceeding ((shall)) may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an agency giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

(5) No rule hereafter adopted is valid unless adopted in substantial compliance with this section, unless it is an emergency rule designated as such and is adopted in substantial compliance with RCW 34.04.030, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of RCW 34.08.020(1), of this section, or of RCW 34.04.030, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

(3) The agency shall consider fully all written and oral submissions regarding whether the rule in ques-
tion is within the intent of the legislature as expressed by the statute which the rule implements and whether
the rule was adopted in accordance with all applicable provisions of law.

NEW SECTION. Sec. 8. There is added to chapter 34.04 RCW a new section to read as follows:
(1) Within seven days of an agency hearing held after notification of the agency by the rules review
committee pursuant to section 6 or 7 of this act, the affected agency shall notify the committee of its action
on a proposed or existing rule to which the committee objected. If the rules review committee determines, by
a majority vote of its members, that the agency has failed to provide for the required hearings or notice of its
action to the committee, the committee may file notice of its objections, together with a concise statement of
the reasons therefor, with the code reviser within thirty days of such determination.
(2) If the rules review committee finds, by a majority vote of its members, that the proposed or existing
rule in question has not been modified, amended, withdrawn, or repealed by the agency so as to conform
with the intent of the legislature, the rules review committee may, within thirty days from notification by the
agency of its action, file with the code reviser notice of its objections together with a concise statement of
the reasons therefor. Such notice and statement shall also be provided to the agency by the rules review
committee.

(3) The code reviser shall publish the rules review committee's notice of objection and statement of the
reasons therefor issued pursuant to subsection (1) or (2) of this section in the Washington state register and
shall publish in the next supplement and compilation of the Washington Administrative Code a reference to
the committee's objection and to the issue of the Washington state register in which the full text thereof
appears.
(4) Such notice shall be removed from a rule published in the Washington Administrative Code if a
subsequent adjudicatory proceeding determines that the rule is within the intent of the legislature or was
adopted in accordance with all applicable laws, whichever was the objection of the rules review committee.

NEW SECTION. Sec. 9. There is added to chapter 34.04 RCW a new section to read as follows:
(1) The rules review committee may recommend to the legislature that the original enabling legislation
serving as authority for the promulgation of any rule reviewed by the committee be amended or repealed in
such manner as the committee deems advisable.
(2) The rules review committee shall report on its activities, including findings and recommendations
with respect to rule-making procedures of state agencies and institutions of higher education, thirty days
prior to the convening of the regular session of the legislature in 1984.

NEW SECTION. Sec. 10. There is added to chapter 34.04 RCW a new section to read as follows:
The express policy of the legislature that establishment of procedures for review of administrative
rules by the legislature and the notice of objection required by sections 7(2) and 8(2) of this act in no way
serves to establish a presumption as to the legality or constitutionality of a rule in any subsequent judicial
proceedings interpreting such rules.
Sec. 11. Section 2, chapter 57, Laws of 1971 ex. sess. as amended by section 42, chapter 169, Laws of
1977 ex. sess. and RCW 28B.19.020 are each amended to read as follows:
The words used in this chapter shall have the meaning given in this section, unless the context clearly
indicates otherwise((c)).
(1) 'Institutions of higher education' are the University of Washington, Washington State University,
Central Washington University, Eastern Washington University, Western Washington University, The
Evergreen State College, the various community colleges, and the governing boards of each of the above, and
the various colleges, divisions, departments, or offices authorized by the governing board of the institution
involved to act for the institution, all of which are sometimes referred to in this chapter as 'institutions.' The
various state community colleges are sometimes referred to in this chapter as 'community colleges.'
(2) 'Rule' means any order, directive, or regulation of any institution of higher education which affects
the relationship of the general public with the institution, or the relationship of particular segments of the
particular educational community such as students, faculty, or other employees, with the institution or with
each other, (a) the violation of which subjects a person to a penalty or administrative sanction; or (b) which
establishes, alters, or revokes any procedures, practice, or requirement relating to institutional hearings; or
(c) which establishes, alters, or revokes any qualification or requirement relating to the enjoyment of benefits
or privileges conferred by law. The term includes the amendment or repeal of a prior rule but does not
include rules, regulations, orders, statements, or policies relating primarily to the following: Standards for
admission; academic advancement, academic credits, graduation and the granting of degrees; tuition and
fees, scholarships, financial aids, and similar academic matters; employment relationships; fiscal processes; or
matters concerning only the internal management of an institution and not affecting private rights or proce-
dures available to the general public; and such matters need not be established by rule adopted under this
chapter unless otherwise required by law.
(3) 'Contested case' means a formal or informal proceeding before an institution of higher education,
division, department, office, or designated official or representative thereof in which an opportunity for hear-
ing is required by law, constitutional rights, or institutional policy, prior or subsequent to the determination
by the institution of the legal rights, duties, or privileges of specific parties.
(4) 'Rules review committee' or 'committee' means the joint administrative rules review committee created pursuant to section 5 of this 1981 act for the purpose of selectively reviewing existing and proposed rules of institutions of higher education.

Sec. 12. Section 3, chapter 57, Laws of 1971 ex. sess. as amended by section 10, chapter 240, Laws of 1977 ex. sess. and RCW 28B.19.030 are each amended to read as follows:

(1) Prior to the adoption, amendment, or repeal of any rule adopted under this chapter, each institution, college, division, department, or official thereof exercising rule-making authority delegated by the governing board or the president, shall:

(a) File notice thereof with the code reviser in accordance with RCW 34.08.020(1) for publication in the state register, and with the secretary of the senate, the chief clerk of the house of representatives, and the rules review committee, and mail the notice to all persons who have made timely request of the institution or related board for advance notice of its rule-making proceedings. Such notice shall also include (i) reference to the authority under which the rule is proposed, (ii) a statement of either the terms or substance of the proposed rule or a description of the subjects and issues involved, and (iii) the time when, the place where, and the manner in which interested persons may present their views thereon;

(b) Furnish to the legislature, along with the notice required by subsection (1)(a) of this section, a statement of the reasons supporting the proposed action;

(c) Provide notice to the campus or standard newspaper of the institution involved and to a newspaper of general circulation in the area at least seven days prior to the date of the rule-making proceeding. The notice shall state the time when, place where, and manner in which interested persons may present their views thereon and the general subject matter to be covered;

(d) afford all interested persons reasonable opportunity to submit data, views, or arguments, orally or in writing. An opportunity for oral hearing must be granted if requested by twenty-five persons or by the rules review committee.

(2) The institution shall make every effort to insure that the information on the proposed rule circulated pursuant to subsection (1)(a) of this section accurately reflects the rule to be presented and discussed at any oral hearing on such rule. Where substantial changes in the draft of the proposed rule are made after publication of notice in the register which would render it difficult for interested persons to properly comment on the rule without further notice, new notice of the institution's intended action as provided in subsection (1)(a) of this section shall be required.

(3) The institution shall consider fully all written and oral statements respecting the proposed rule including those addressing the question of whether the proposed rule is within the intent of the legislation as expressed by the statute which the rule implements, and may amend the proposed rule at the oral hearing or adopt the proposed rule, if there are no substantial changes, without ruffling the notice required by this section.

(4) No proceeding (shall) may be held on any rule until twenty days have passed from the distribution date of the register in which notice thereof was contained. The code reviser shall make provisions for informing an institution of higher education giving notice under subsection (1) of this section of the distribution date of the register in which such notice will be published.

(5) No rule adopted under this chapter is valid unless adopted in substantial compliance with this section, unless it is an emergency rule designated as such (and) is adopted in substantial compliance with RCW 28B.19.040, as now or hereafter amended. In any proceeding a rule cannot be contested on the ground of noncompliance with the procedural requirements of RCW 34.08.020(1), of this section, or of RCW 28B.19.040, as now or hereafter amended, after two years have elapsed from the effective date of the rule.

(6) When twenty days notice of intended action to adopt, amend, or repeal a rule has not been filed with the code reviser, as required by subsection (4) of this section, the code reviser (shall) may not publish such rule, and such rule (shall) may not be effective for any purpose.

Sec. 13. Section 4, chapter 57, Laws of 1971 ex. sess. as last amended by section 11, chapter 240, Laws of 1977 ex. sess. and RCW 28B.19.040 are each amended to read as follows:

If the institution of higher education finds that immediate adoption or amendment of a rule is necessary for the preservation of the public health, safety, or general welfare, and the observance of the requirements of notice and opportunity to present views on the proposed action would be contrary to the public interest, the institution may dispense with such requirements and adopt the rule or amendment as an emergency rule or amendment. The institution's finding and a concise statement of the reasons for its finding shall accompany the emergency rule or amendment as filed with the code reviser and with the rules review committee. An emergency rule or amendment (shall) may not remain in effect for longer than ninety days after filing.

Emergency rules (shall) become effective upon filing with the code reviser unless an effective date is specified in the rule. (The emergency rule published in the state register is solely to inform the public of its adoption, and nothing in this section shall be construed to prevent the implementation of the rule upon such filing.)

NEW SECTION. Sec. 14. There is added to chapter 28B.19 RCW a new section to read as follows:

Whenever a majority of the members of the rules review committee determines that a proposed rule is not within the intent of the legislature as expressed in the statute which the rule implements, the committee shall give the affected institution written notice of its decision. The notice shall be given at least seven days prior to any hearing scheduled for consideration of or adoption of the proposed rule pursuant to RCW
NEW SECTION. Sec. 15. There is added to chapter 28B.19 RCW a new section to read as follows:

(1) All rules required to be filed pursuant to RCW 28B.19.050, and emergency rules adopted pursuant to RCW 28B.19.040 as now or hereafter amended, are subject to selective review by the legislature.

(2) If the rules review committee finds by a majority vote of its members at a meeting: (a) That an existing rule is not within the intent of the legislature as expressed by the statute which the rule implements, or (b) that the rule has not been adopted in accordance with all applicable provisions of law, the institution affected shall be notified of such finding and the reasons therefor. Within thirty days of the receipt of the review committee's notice, the institution shall file notice of a hearing on the rule in question with the code reviser and mail notice to all persons who have made timely request of the institution for advance notice of its rule-making proceedings as provided in RCW 28B.19.030 as now or hereafter amended. The institution's notice shall include the review committee's findings and reasons therefor, and shall be published in the Washington state register in accordance with the provisions of chapter 34.08 RCW.

(3) The institution shall consider fully all written and oral submissions respecting whether the rule in question is within the intent of the legislature as expressed by the statute which the rule implements and whether the rule was adopted in accordance with all applicable provisions of law.

NEW SECTION. Sec. 16. There is added to chapter 28B.19 RCW a new section to read as follows:

(1) Within seven days of an institution hearing held after notification of the institution by the rules review committee pursuant to section 14 or 15 of this act, the affected institution shall notify the committee of its action regarding a proposed or existing rule to which the committee objected. If the rules review committee determines by a majority vote of its members that the institution has failed to provide for the required hearings or notice of its action to the committee, the committee may file notice of its objections, together with a concise statement of the reasons therefor, with the code reviser within thirty days of such determination.

(2) If the rules review committee finds by a majority vote of its members that the proposed or existing rule in question has not been modified, amended, withdrawn, or repealed by the institution so as to conform with the intent of the legislature, the rules review committee may, within thirty days from notification by the institution of its action, file with the code reviser notice of its objections together with a concise statement of the reasons therefor. Such notice and statement shall also be provided to the institution by the rules review committee.

(3) The code reviser shall publish the review committee's notice of objection and statement of the reasons therefor issued pursuant to subsection (1) or (2) of this section in the Washington state register and shall publish in the next supplement and compilation of the Washington Administrative Code a reference to the committee's objection and to the issue of the Washington state register in which the full text thereof appears.

(4) Such notice shall be removed from a rule published in the Washington Administrative Code if a subsequent adjudicatory proceeding determines that the rule is within the intent of the legislature or was adopted in accordance with all applicable laws, whichever was the objection of the rules review committee.

NEW SECTION. Sec. 17. There is added to chapter 28B.19 RCW a new section to read as follows:

It is the express policy of the legislature that establishment of procedures for review of administrative rules by the legislature and the notice of objection required by sections 15(2) and 16(2) of this act in no way serves to establish a presumption as to the legality or constitutionality of a rule in any subsequent judicial proceedings interpreting such rules.

NEW SECTION. Sec. 18. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

'Eligible student' means any student whose residence or assigned route stop is more than one mile from the student’s school, except if the student to be transported is handicapped under RCW 28A.13.010, as now or hereafter amended, and is either not ambulatory or not capable of protecting his or her own welfare while traveling to or from the school or agency where special education services are provided, in which case no mileage distance restriction applies.

(2) The actual number of miles driven for pupil transportation services provided for in section 1(2) of this amendatory act during the current school year, and the number of miles anticipated for the ensuing school year for such services;

(3) The number of scheduled miles for pupil transportation services provided for in section 1(3) of this amendatory act for the ensuing school year. Miles reported shall be limited to those that are scheduled and required for participation in activities planned, supervised, and administered by the Washington interscholastic activities association or other voluntary nonprofit entity, and approved for state transportation funding by the state board of education; and

NEW SECTION. Sec. 4. Each district's annual student transportation allocation shall be based on differential rates determined by the superintendent of public instruction in the following manner:

(1) The superintendent shall annually calculate a standard student mile allocation rate for each district. 'Standard student mile allocation rate,' as used in this section, means the per mile allocation rate for transporting an eligible student. The standard student mile allocation rate may consist of no more than five differential rates state-wide, as determined by the superintendent, and shall include but not be limited to such factors as climate and terrain; nonpassenger miles; and the costs of insurance, district or contracted employee salaries, and benefits, maintenance, fuel, supplies, and materials. (2) The superintendent shall annually calculate a standard unit mile rate for each district. 'Standard unit mile rate,' as used in this section, means the cost of operating an approved transportation vehicle for one mile. The standard unit mile rate shall be used to determine the transportation allocation for those services provided for in section 1(2) and (3) of this amendatory act. For purposes of allocating funds for section 1(2) of this amendatory act, the superintendent shall use the average number of miles reported by the district for the two school years.

NEW SECTION. Sec. 5. The superintendent shall determine the preliminary, estimated student transportation allocation for each district and notify districts of their preliminary student transportation allocation by June 15. The superintendent shall include not less than twenty-five percent of the estimated student transportation allocation in the following September apportionment payment to school districts. By the following October 15th, every district shall notify the superintendent of any changes in the data utilized in calculating the preliminary student transportation allocation. The superintendent shall then make necessary corrections and shall notify districts of their final student transportation allocation before the following December 1st, and shall make the balance of the student transportation allocation in approximately equal parts as a part of the December, February, and April apportionment payments to school districts.

NEW SECTION. Sec. 6. The superintendent shall determine the vehicle acquisition allocation in the following manner:

(1) By May 1st of each year, the superintendent shall develop preliminary categories of student transportation vehicles to ensure adequate student transportation fleets for districts. The superintendent shall take into consideration the types of vehicles purchased by individual school districts in the state. The categories shall include, but not be limited to, variables such as vehicle capacity, type of chassis, type of fuel, engine and body type, special equipment, and life of vehicle. The categories shall be developed in conjunction with the local districts and shall be applicable to the following school year. The categories shall be designed to produce minimum long-range operating costs, including costs of equipment and all costs incurred in operating the vehicles. Each category description shall include the estimated state–determined purchase price, which shall be based on the actual costs of the vehicles purchased for that comparable category in the state during the preceding twelve months and the anticipated market price for the next school fiscal year. By June 15th of each year, the superintendent shall notify districts of the preliminary vehicle categories and state–determined purchase price for the ensuing school year. By October 15th of each year, the superintendent shall finalize the categories and the associated state–determined purchase price and shall notify districts of any changes. While it is the responsibility of each district to select each student transportation vehicle to be purchased by the district, each district shall be paid a sum based only on the amount of the state–determined purchase price and inflation as recognized by the reimbursement schedule established in this section as set by the superintendent for the category of vehicle purchased.
(2) The superintendent shall develop a reimbursement schedule to pay districts for the cost of student transportation vehicles purchased after September 1, 1982. The accumulated value of the payments and the potential investment return thereon shall be designed to be equal to the replacement value of the vehicle less its salvage value at the end of its anticipated lifetime. The superintendent shall revise at least annually the reimbursement payments based on the current and anticipated future cost of comparable categories of transportation equipment. Reimbursements to school districts for approved transportation equipment shall be placed in a separate vehicle transportation fund established for each school district under section 7 of this amendatory act.

(3) To the extent possible, districts shall operate vehicles acquired under this section not less than the number of years or useful lifetime, now, or hereafter, assigned to the class of vehicles by the superintendent. School districts shall properly maintain the transportation equipment acquired under the provisions of this section, in accordance with rules established by the office of the superintendent of public instruction. If a district fails to follow generally accepted standards of maintenance and operation, the superintendent of public instruction shall penalize the district by deducting from future reimbursements under this section an amount equal to the original cost of the vehicle multiplied by the fraction of the useful lifetime or miles the vehicle failed to operate.

(4) The superintendent shall annually develop a depreciation schedule to recognize the cost of depreciation to districts contracting with private carriers for student transportation. Payments on this schedule shall be a straight line depreciation based on the original cost of the appropriate category of vehicle.

NEW SECTION. Sec. 7. There is added to chapter 223, Laws of 1969 ex. sess. and to chapter 28A.58 RCW a new section to read as follows:

(1) There is created a fund on deposit with each county treasurer for each school district of the county, which shall be known as the transportation vehicle fund. Money to be deposited into the transportation vehicle fund shall include, but is not limited to, the following:

(a) The balance of accounts held in the general fund of each school district for the purchase of approved transportation equipment and for major transportation equipment repairs under RCW 28A.41.160, as now or hereafter amended. The amount transferred shall be the balance of the account as of September 1, 1982;

(b) Reimbursement payments provided for in section 6 of this amendatory act except those provided under section 6(4) of this amendatory act that are necessary for contracted payments to private carriers;

(c) Earnings from transportation vehicle fund investments as authorized in RCW 28A.58.430, as now or hereafter amended; and

(d) The district's share of the proceeds from the sale of transportation vehicles, as determined by the superintendent of public instruction.

(2) Funds in the transportation vehicle fund may be used for the following purposes:

(a) Purchase of pupil transportation vehicles pursuant to section 6 of this amendatory act and RCW 28A.41.160, as now or hereafter amended;

(b) Payment of conditional sales contracts for the purchase of pupil transportation vehicles as authorized in RCW 28A.58.550, as now or hereafter amended;

(c) Major repairs to pupil transportation vehicles.

The superintendent of public instruction shall promulgate rules which shall establish the standards, conditions, and procedures governing the establishment and use of the transportation vehicle fund. The rules shall not permit the transfer of funds from the transportation vehicle fund to any other fund of the district.

The chief investigator shall, among other duties, prepare a biennial report to the board which presents an evaluation of the unit's accomplishments for the preceding biennium and a definitive statement of on-going strategic program and operational needs to maintain an effective illegal drug trafficking containment program.

The chief investigator may contract for services as he deems necessary to assist him in carrying out the duties and responsibilities of the unit subject to the provisions of Title 39 RCW.

In addition the chief investigator may adopt rules and regulations necessary for and consistent with accepted law enforcement, criminal investigation, and administrative practices pursuant to the administrative procedure act, chapter 34.04 RCW. The chief investigator shall consult with and report administratively directly to the chief of the Washington state patrol and advise him regarding the conduct of investigations as needed and conditions warrant except that the chief investigator shall have primary accountability, responsibility, and authority over strategic and tactical operations with respect to case management.

NEW SECTION. Sec. 9. The chief investigator shall on or before March 1, 1982 submit a program management and operations plan to the board which shall include but not be limited to:

(1) Proposed personnel standards and qualifications for investigators;

(2) Personnel policies;

(3) An outline of a program for continuous training and professional development of special investigators;

(4) A plan for recruitment and rotation of special investigators;

(5) A plan for administration of the program and management of field operations;

(6) A draft policy with respect to establishing priorities for providing assistance to local law enforcement jurisdictions;

(7) A proposed rule for the management, accounting, and disbursement of funds that will be expended for the acquisition of evidence; and

(8) A salary survey and recommended salary schedule for all personnel positions established in the unit.

NEW SECTION. Sec. 10. The chief investigator shall appoint a sufficient number of competent persons to act as special investigators as provided in this chapter and shall make promotional appointments, determine their compensation, and define rank and duties as provided in this chapter.
All personnel employed by the drug control assistance unit of the Washington state patrol as of March 1, 1981, are hereby transferred to the unit and are subject to their current position and salary level.

NEW SECTION. Sec. 11. The investigators of the unit commissioned and so designated by the chief as enforcement officers, and the chief investigator, are declared to be peace officers and shall have and exercise, throughout the state, such police powers and duties as are necessary and required to enforce the drug laws of this state.

All commissioned enforcement officers of the unit so designated shall be subject to the provisions of sections 11 through 14 of this act.

NEW SECTION. Sec. 12. Commissioned investigators are entitled to retain their ranks and positions with the unit until death, retirement, resignation, or transfer, or until suspended, demoted, or discharged in the manner provided in this chapter.

NEW SECTION. Sec. 13. The attorney general shall on the recommendation of the chief, chief investigator, or the policy review board discipline any investigator by suspending the investigator without pay for a period of not more than thirty days, and may demote any investigator holding probationary rank, without preferring charges against the investigator and without a hearing.

Discharge or demotion of any investigator holding a nonprobationary position, or suspension for more than thirty days of any investigator, shall be only for cause, which shall be clearly stated in a written complaint, sworn by the person preferring the charges, and served upon the investigator complained of.

Upon so being served, any such investigator is entitled to a closed hearing before a hearing board consisting of a deputy attorney general, the chief of the Washington state patrol or the chief's designee except that such designee shall hold the rank of captain or above, and a commissioned officer from a local law enforcement jurisdiction appointed by the attorney general.

Pending a hearing, the attorney general may suspend the investigator complained of, and the investigator may, within ten days of the complaint, either submit a written resignation or file written notice of his or her desire to waive a hearing.

If a letter of resignation is submitted, it shall be accepted without prejudice except in cases involving a criminal complaint.

NEW SECTION. Sec. 14. At the hearing, the deputy attorney general shall be the presiding officer, and shall make all necessary rulings in the course of the hearing.

The complainant and the investigator complained of may submit evidence and be represented by counsel, and a full and complete record of the proceedings, and all testimony, shall be recorded.

After the hearing, the findings of the hearing board shall be submitted to the attorney general. The findings shall be final in case the complaint is found to have merit. In the event that the complaint is found to have merit, the attorney general may determine the proper disciplinary action and declare it by written order served upon the investigator complained of.

Any investigator subjected to disciplinary action or the complainant may, within ten days after the service of the order, apply to the superior court of Thurston county for a writ of review to have the reasonableness and lawfulness of the order reviewed in a non de novo hearing and determined.

The superior court shall review the determination of the attorney general in a summary manner, based upon the record of the hearing before the hearing board, and shall render its decision within ninety days, either affirming or reversing the order of the attorney general, or remanding the matter to the attorney general for further action.

If, as a result of a hearing or review by the hearing board, the complaint against the investigator is found to be without merit, the investigator shall be immediately reinstated to his or her former position and be reimbursed for any loss of salary suffered by reason of any previous disciplinary action.

In the event of a conflict between sections 12 through 14 of this act and chapter 34.04 RCW, chapter 34.04 RCW shall control.

NEW SECTION. Sec. 15. The chief investigator may employ such clerical and other personnel as are necessary for the conduct of the affairs of the unit. Such employees shall be employed subject to the state civil service act, chapter 41.06 RCW.

NEW SECTION. Sec. 16. The unit shall:

(3) Provide or contract for laboratory services for the purpose of analyzing and scientifically handling any physical evidence associated with drug-related crime; and
(4) Provide through the criminal justice training commission training courses for narcotics investigators of state and local law enforcement jurisdictions.

To prevent unnecessary duplication of communication systems, laboratory, training, and other administrative services, the existing resources and services of the Washington state patrol and the criminal justice training commission shall be utilized whenever cost effective.

There is hereby levied and there shall be collected by the department of revenue from the persons mentioned in and in the manner provided by this chapter, as now or hereafter amended, an excise tax upon the sale, use, consumption, handling, possession, or distribution of cigarettes in an amount equal to the rate of one-half mill per cigarette, but the provisions of RCW 82.24.070 allowing dealers compensation for affixing stamps do not apply to this additional tax. Instead, wholesalers and retailers subject to the provisions of this
chapter shall be allowed as compensation for their services in affixing the stamps for the additional tax
required by this section a sum equal to one percent of the value of the stamps for such additional tax pur-
chased or affixed by them.

All money derived from such tax shall be paid to the state treasurer and credited to the state general

this act). Money which the legislature determines exceeds the amount necessary for the purposes of chapter

Could you tell us where that fiscal note is and how much it is?"

Mr. Sanders: "Representative Ehlers, I have a fiscal note in my hand and according to the Department the fiscal impact the first year would $134,000--negative, and the second year, $147,000--negative. I also have a piece of paper from an accountant from the private sector which says they do not agree with the assumption made by the department in calculating the fiscal note, and they expect the strong spirits sales will triple in the state of Washington, therefore, there will not be any fiscal impact to the state of Washington by putting strong spirits into the grocery stores."

PERSONAL PRIVILEGE

The Speaker: "Recently tragedy struck the family of one of the former members of this House, now a member of the Senate, Senator Hal Zimmerman. As you know, his daughter was killed down in Mexico, and there is a memorial service planned tomorrow, Saturday, for those of you who can be there."

Mr. Chamberlain: "Hal Zimmerman, who for fourteen years was a member of this House and is now a State Senator from the 17th District, is not only my colleague, but a close friend. Over these years, he has worked with many of you and has been an inspiration to all of us who have known him.

"Hal and his wife, Judy, have shown deep love and concern for their fellow human beings. This love has been reflected in their children, especially Judy Jean, the youngest. She was a caring person much like her parents. The loss of their loving daughter to her family and friends is a loss we all share. I know you will join me in offering my prayers and condolences to Judy and Hal and their family. Our thoughts are with them during this time of sorrow.

"As the Speaker has mentioned, a memorial service is to be held this Saturday afternoon at 2:00 p.m. at the Methodist Church in Camas. Those of you who wish, may also contribute in their daughter's memory to the Ocean Park United Methodist Camp."

The Speaker: "In view of the fact that probably most of the members in this body will be unable to be in Camas tomorrow, I would ask the body to please rise and observe a moment of silence in memory of Judy Jean."

Mr. Ellis spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Nelson, this fee increase is placed on what?"

Mr. Nelson (G): "This is a permit and sale of concealed weapons. It's a gun control bill."

Mr. Ehlers: "To vote for it would be gun control? Is that what you're saying?"

Mr. Nelson (G): "No, it's a vote to help a worthwhile organization that has been of assistance to local government and state government in such things as the uniform crime reporting, Crime Watch, and other assistance to this legislature for the past twenty years, and I think it's a worthwhile user fee that they collect and do research on concealed weapons' permits that are provided and asked for by the citizens of this state."

Mr. Ehlers: "I agree with the worthy cause, but it does increase the fees. Do all those dollars from the increased fees go to this noble purpose or does some of it go someplace else?"

Mr. Nelson (G): "Representative Ehlers, the fees will go into the general fund and they will be appropriated from that."

Mr. Ehlers: "My understanding though, is that no all of the money being collected is going to go for that purpose you indicated, that some of it is going to go into the general fund and will not, in fact, be given to this association. Isn't that correct?"

Mr. Nelson (G): "Yes, as in other fees we have, this would be very poor on the part of this body to dedicate the entire fees because we don't know the future amount collected and I think future legislatures will want to review that from biennium to biennium."

Representatives Ehlers, Warnke, Tupper and Patrick spoke against passage of the bill.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Mr. Brown.

Mr. Brown: "Representative Nelson, will there be a record of everyone who buys a gun with this bill?"

Mr. Nelson (G): "That record is already there, Representative Brown. There is no change at all under statute if you read it. There is just some lines drawn through the existing fees that pays for either the new permit or the renewal. The actual records for those permits have already been taken care of in statute."

Mr. Brown: "Just to follow up: In your opinion, there would be no change at all as far as registration, and this information would not be given out to any other group or organization that would tend to look at this?"

Mr. Nelson (G): "That's a technical question that I'm not prepared to answer. To my knowledge, the registration and the permits are kept solely by the law enforcement agency and the Department of Licensing and the individual gets a copy, a little card they carry with them to indicate they are permitted to have a concealed weapon."

Representatives Nickell and Struthers spoke in favor of passage of the bill.

POINT OF PARLIAMENTARY INQUIRY

Mr. O'Brien: "Was House Bill No. 598 referred to Ways and Means?"

The Speaker (Mr. Amen presiding): "Yes, Appropriations – General Government."
Mr. Tupper again opposed passage of the bill.

POINT OF PERSONAL PRIVILEGE

Mr. Ehlers: "To my knowledge this is the first time in nine years that I've been in this body that a member has not had an opportunity to ask for reconsideration on a bill. It's very obvious to those of us who are here that I was not given that opportunity. It's clear that I was standing and did ask for a point of order to recognize that I was personally embarrassed by the majority party."

POINT OF PERSONAL PRIVILEGE

Mr. Heck: "I would add my voice to that of Representative Ehlers, and suggest that we consider this an affront to the Democratic Caucus. In the five years I've been here, I've never witnessed such a display of unfairness and failure to recognize a speaker from the minority party."

POINT OF PERSONAL PRIVILEGE

Mr. Nelson (G): "I think I've been here as long as the two previous speakers, and I think we've all recognized that when we get into the waning hours of the session, one of the most usual delaying tactics is to vote on the prevailing side when there is no intention of that member really wanting to be there, and then go into the delay tactic of reconsideration so that it gets delayed for—"
POINT OF ORDER

Mr. Ehlers: "The speaker is further embarrassing and impugning my motives. I don't believe he's done anything except to add to the first insult."

The Speaker (Mr. Amen presiding): "Representative Nelson, would you try and not impugn his motives please."

Mr. Nelson (G): "That's very difficult to do, there's no question about it. I think as this session goes on for the next week that we will probably be faced with these kinds of decisions to make and I feel that it's completely proper to advance those bills to the other body as soon as we possibly can so that we don't stand in the way of good legislation that quite evidently is getting the support of the majority of the members of this body."

POINT OF PERSONAL PRIVILEGE

Mr. Grimm: "I voted for this bill and I appreciate what you're trying to do, but your desire for expediency gives you no right to abrogate the deliberative democratic process and that's what you've done."

ENGROSSED SENATE BILL NO. 3359 as amended by the House, by Senators Pat­terson, Hansen, Guess and Lee:

NINETY-NINTH DAY, APRIL 20, 1981

POINT OF INQUIRY

Mr. Addison yielded to question by Mr. O'Brien.

Mr. O'Brien: "Representative Addison, subsection (a) of section I says, 'Boxing includes, but is not limited to, wrestling, sumo, judo...' and other classifications of athletic prowess, but I would like to know whether the terminology 'boxing,' as is throughout this act, now means wrestling?"

Mr. Addison: "The answer to your question is no, it would not be professional wrestling unless there is a significant purse offered to the winner of the match."

Mr. O'Brien: "Well, they have defined boxing as including wrestling. Are you further defining wrestling as being special wrestling and other classes of wrestling?"

Mr. Addison: "The difference between the two is that professional wrestling is currently an exhibition and professional boxing is a contest. At some point, if professional wrestling changes from an exhibition to an actual contest, where there is a legitimate contest between two individuals where the outcome is not determined before the match, if there is a purse where the winner receives a significant purse for winning the contest, and where there is some danger to the contestants, then at that point, professional wrestling would come under the bill, not under boxing, but under the provisions of the bill regarding contests."

Mr. O'Brien spoke against passage of the bill.

POINT OF INQUIRY

Mr. Addison yielded to question by Mr. Ehlers.

Mr. Ehlers: "This bill talks about wrestling. Could you make some distinction between wrestling and rasseling, which is the exhibition that we are talking about? Could you clarify what is meant in the bill with the term 'wrestling'?"

Mr. Addison: "Contrary to what the good gentleman from Seattle was referring to, professional wrestling, as we know it in this state, which is basically an exhibition, will not be regulated under this bill. Just for the purpose of establishing legislative intent, wrestling involves exhibition and does not involve a contest for a purse and would not be covered under this bill."

Mr. Wang: "There are only two local human rights commissions which have authority presently, and those are in Seattle and Tacoma. The language was suggested by Senator Pullen. It really doesn't perfect anything because they are the only two anyway."

(1) No political subdivision of the state, including general or special purpose districts, nor any governmental association created by statute, resolution or ordinance, shall expend, and no lobbyist may accept, public funds for lobbying purposes.

(2) This section shall not prevent elected officials, or their designated departmental administrators, from lobbying on behalf of the office to which they are elected if the legislative authority of the political subdivision, if any, previously authorizes the elected official to lobby for or against that specific legislation."

Renumber the remaining sections consecutively.

Representatives McGinnis, Williams and Sanders spoke in favor of the amendment, and Representatives Taylor, Barrett and Hine spoke against it.

Mr. Barrett again opposed the amendment.

POINT OF INQUIRY

Mr. Sanders yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Sanders, that certainly is a good point you made. None of us can argue with that, but what would happen, on the other hand, if there were a number of people from private enterprise, and perhaps an equal number representing local government, lobbying in front of the legislature, and, in fact, the bill was not in the best interests of the taxpayers of that local government? Would you object to it at that point, to those people being there representing the city?"
Mr. Sanders: "I think legislators have to represent the people in their districts, and I think they have to take the public testimony and consider it as it affects the people of the state of Washington, the whole state, because we are state representatives, and the effects on the local people."

Mr. Ehlers: "So you are really saying, Representative Sanders, that if the city of Bellevue sent representatives saying that something affects the city of Bellevue, we shouldn't really pay any attention to them?"

Mr. Sanders: "No, of course not. I haven't said that. I said we would take into account what the people of Bellevue say, what the people of the state say, and it's our decision to vote the way we see it, but we shouldn't be outnumbered either way by governmental lobby."

Mr. Ehlers spoke against the amendment.

Mr. Scott demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative McGinnis and others to Engrossed Substitute Senate Bill No. 3249, and the amendment was not adopted by the following vote: Yeas, 25; nays, 72; not voting, 1.

Not voting: Representative Bender.

Mr. Pruitt moved adoption of the following amendment:

On page 29 after line 27 insert a new section as follows:

'Sec. 19. Section 12, chapter 1, Laws of 1973 as amended by section 8, chapter 294, Laws of 1975 1st ex. sess. and RCW 42.17.120 arc each amended to read as follows:

No contribution shall be made and no expenditure shall be incurred, directly or indirectly, in a fictitious name, anonymously, or by one person through an agent, relative, or other person in such a manner as to conceal the identity of the source of the contribution or in any other manner so as to effect concealment.

(2) (a) Political advertising, whether relating to a candidate or ballot proposition, however promulgated or disseminated, shall identify either the candidate or political committee or other person, paying for the advertising, by giving the name and address of that person on the material or in connection with its presentation. When such person is a corporation, association, or other entity, the identification shall include the name of its chief executive officer, or where none is so designated, a representative of the entity. Political yard signs and radio and television advertising are exempt from the requirements of this subsection (2)(a).

(b) Political advertising for a candidate for partisan political office shall identify clearly and conspicuously on the material or in connection with its presentation, the party with which such candidate is affiliated. A generally recognized abbreviation may be used to identify a candidate's party affiliation. All advertising relating to a candidate shall identify the office sought.

(c) The public disclosure commission may, by rule and/or on a case-by-case basis, exempt from the identification requirements of subsections (2)(a) and/or (2)(b) of this section, forms of political advertising such as campaign buttons, balloons, pens, pencils, and other forms of advertising where identification is impractical.

(3) At least one picture of the candidate used in any single item of political advertising shall have been taken within the last five years and shall be no smaller than the largest picture of the same candidate used in the advertisement.

(4) No political advertising may falsely represent that a candidate is an incumbent for the office sought.

Renumber the remaining sections consecutively.

POINT OF ORDER

Mr. Nelson (G): "Mr. Speaker, I would like you to rule on the scope and object of this amendment."
NINETY-NINTH DAY, APRIL 20, 1981

SPEAKER'S RULING

The Speaker: "Representative Nelson, I have examined the contents of the bill and find that it deals with political committees, the appointment of campaign treasurers, sections dealing with lobbyists, and no where does it deal with the subject of political advertising that is raised in the amendment. In that context, and with some degree of consistency, I would rule that it would be beyond the scope and object of the bill."

NOTICE OF RECONSIDERATION

Mr. Ehlers, having voted on the prevailing side, served notice, that he would, on the next working day, move for reconsideration of the votes by which HOUSE BILL NO. 739 and ENGROSSED SUBSTITUTE SENATE BILL NO. 3704 passed the House.

Mr. Salatino moved adoption of the following amendment to Engrossed Substitute Senate Bill No. 3249:

On page 15, beginning on line 33, strike all material down to and including "party" on line 34 and insert "((3) Transfer the surplus to one or more candidates or to a political committee or party))"

Renumber the remaining subsections consecutively.

Mr. Salatino spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Salatino yielded to question by Mr. Lewis.

Mr. Lewis: "Representative Salatino, I was wondering if with my own campaign funds, where I have carried over money channeled for a press conference, or to rent a room or hall, my campaign treasurer pays for that. When I do some personal mailing that is politically oriented, where I incur expenses that I try to justify my existence to the voters, what effect would your amendment have on these liabilities to the holdover money for such expenses?"

Mr. Salatino: "That is a continuing committee, I believe, Representative Lewis, and not surplus funds. You are continuing the process of collecting dollars for campaign purposes. This deals specifically with the surplus, so it's my understanding that it would not deal with the expenditures that would take place with the campaign funds."

Representatives Hastings and Lewis spoke against the amendment, and Representatives Salatino and Patrick spoke in favor of it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Salatino, to Engrossed Substitute Senate Bill No. 3249, and the amendment was not adopted by the following vote: Yeas, 48; nays, 49; not voting, 1.

On motion of Mr. Barr, the following amendment to the title was adopted:

On page 1, line 1 after "government;" insert "amending section 2, chapter 1, Laws of 1973 as last amended by section 1, chapter 50, Laws of 1979 ex. sess. and RCW 42.17.010;"

On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

On page 2, after line 10 insert the following:

"NEW SECTION. Sec. 2. Cities and towns, in addition to counties, port districts, and public utility districts, are authorized pursuant to this chapter to establish heating systems and provide heating services from heat sources including, but not limited to, geothermal heat, steam or water heated by a biomass energy system, waste heat, and energy from a cogeneration facility.

Sec. 3. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Biomass energy system' means a system that provides for the production or collection of organic materials that are primarily waste materials and the conversion or use of that material for the production of energy or substitute fuels. Biomass conversion can be achieved by several processes including, but not limited to, burning, pyrolysis, distillation, or anaerobic respiration.

(2) 'Cogeneration' means the sequential generation of two or more forms of energy from a common fuel or energy source.

(3) 'Cogeneration facility' means any machinery, equipment, structure, process, or property or any part thereof, installed or acquired for the primary purpose of cogeneration by a person or corporation.

(4) 'Geothermal heat' means the natural heat of the earth and the medium by which such heat is extracted from the earth, including liquids or gases, as well as any minerals contained in any natural or injected fluids, brines and associated gas, but excluding oil, hydrocarbon gas, and other hydrocarbon substances.

(5) 'Waste heat' means the heat released to the environment from an industrial process, electric generation, or other process."
(6) 'Heat' or 'heating services' means space or process heating and cooling, and hot water.

(7) 'Municipality' means a county, city, town, port district, or public utility district.

(8) 'Heating facilities' means all real and personal property, or interests therein, necessary or useful for:
(a) The acquisition, production, or extraction of heat; (b) the storage of heat; (c) the distribution of heat from its source to the place of utilization; (d) the extraction of heat at the place of utilization from the medium by which the heat is distributed; (e) the distribution of heat at the place of utilization; and (f) the conservation of heat.

Sec. 4. A municipality may construct, purchase, acquire, add to, extend, maintain, and operate a system of heating facilities, within or without its limits, for the purpose of supplying its inhabitants and other persons with heat, with full power to regulate and control the use, distribution, and price thereof, and to enter into agreements for the maintenance and operation of heating facilities under such terms and conditions as may be determined by the legislative authority of the municipality. The provision of heat and heating facilities and the establishment and operation of heating systems pursuant to this chapter are hereby declared to be a public use and a public and strictly municipal purpose.

Sec. 5. In addition to the general powers provided in section 4 of this act, and not by way of limitation, municipalities have the following specific powers:
(1) The usual powers of a corporation, to be exercised for public purposes;
(2) To acquire by purchase, gift, or condemnation property or interests in property within and without the municipality, necessary for the construction and operation of heating systems, including additions and extensions thereof. No municipality may acquire by condemnation any heat source. To the extent judged economically feasible by the municipality, public property and rights of way shall be utilized in lieu of private property acquired by condemnation;
(3) To acquire, install, add to, maintain, and operate heating facilities at a heat source or to serve particular customers of heat, whether such facilities are located on property owned by the municipality, by the consumer of heat, or otherwise;
(4) To sell, lease, or otherwise dispose of heating facilities;
(5) To contract for the operation of heating facilities;
(6) To apply and qualify for and receive any private or federal grants, loans, or other funds available for carrying out the objects of the municipality;
(7) Full and exclusive authority to sell and regulate and control the use, distribution, rates, service, charges, and price of all heat supplied, free from the jurisdiction and control of the utilities and transportation commission, in all things;
(8) To utilize fuels other than the heat sources described in section 2 of this act on a standby basis, to meet start up and emergency requirements, to meet peak demands, or to supplement such heat sources as necessary to provide a reliable and economically feasible supply of heat;
(9) To the extent permitted by the state Constitution, to make loans for the purpose of enabling suppliers or consumers of heat to finance heating facilities;
(10) To enter into cooperative agreements providing for the acquisition, construction, ownership, financing, use, control, and regulation of heating systems and heating facilities by more than one municipality or by one or more municipalities on behalf of other municipalities.

Sec. 6. If the legislative authority of a municipality deems it advisable that the municipality purchase, acquire, or construct a heating system, or make any additions or extensions thereof, the legislative authority shall provide therefor by ordinance or resolution, which shall specify and adopt the system or plan proposed, declare the estimated cost thereof, as near as may be, and specify the method of financing and source of funds.

Sec. 7. A municipality may impose rates, charges, or rentals for heat, service, and facilities provided to customers of the system, provided that the rates charged are uniform for the same class of customers or service. In classifying customers served or service furnished, the legislative authority may in its discretion consider all of the following factors: The difference in cost of service to the various customers; location of the various customers within or without the municipality; the difference in cost of maintenance, operation, repair, and replacement of the various parts of the system; the different character of the service furnished various customers; the quantity and quality of the heat furnished; the time of its use; the demand on the system; capital contributions made to the system including, but not limited to, assessments or the amount of capital facilities provided for use by the customer; and any other matters which present a reasonable difference as a ground for distinction.

Sec. 8. If prompt payment of a heating rate, charge, or rental is not made, a municipality may shut off the heating supply to the building, place, or premises to which the municipality supplied the heating. A municipality may also make an additional charge for late payment.

Sec. 9. A municipality may charge property owners seeking to connect to the heating system, as a condition to granting the right to so connect, in addition to the cost of such connection, such reasonable connection charge as the legislative authority determines to be proper in order that the property owners bear their equitable share of the cost of the system. The cost of connection to the system shall include the cost of acquisition and installation of heating facilities necessary or useful for the connection, including any heating facilities located or installed on the property being served. Connection charges may, in the discretion of the municipality, be made payable in installments over a period of not more than thirty years or the estimated life of the facilities installed, whichever is less. Installments, if any, shall bear interest and penalties at such rates and be payable at such times and in such manner as the legislative authority of the municipality may provide.
Sec. 10. For the purpose of paying all or a portion of the cost of heating facilities, a municipality may form local improvement districts or utility local improvement districts, levy, collect, and foreclosure assessments, reassessments, and supplemental assessments; and issue local improvement district bonds and warrants in the manner provided by law for cities of the first class. In addition, municipalities may provide by ordinance that assessments will be deposited in a fund created for the payment of general obligation bonds and, to the extent that assessments are so deposited, taxes for the payment of such general obligation bonds shall not be levied.

Sec. 11. For the purpose of providing funds for defraying all or a portion of the costs of planning, purchase, leasing, condemnation, or other acquisition, construction, reconstruction, development, improvement, extension, repair, maintenance, or operation of a heating system, and the implementation of the powers set forth in sections 4 and 5 of this act, a municipality may authorize, by ordinance or resolution, the creation of a special fund or funds into which the municipality shall be obligated to set aside and pay all or any designated proportion or amount of any or all revenues derived from the heating system, including any utility local improvement district assessments, any grants received to pay the cost of the heating system, and any municipal license fees specified in the ordinance or resolution creating such special fund.

Sec. 12. If the legislative authority of a municipality deems it advisable to finance all or a portion of the costs of planning, purchase, leasing, condemnation, or other acquisition, construction, reconstruction, development, improvement, and extension of a heating system, or for the implementation of the powers set forth in sections 3 and 4 of this act, or for working capital, interest during construction and for a period of up to one year thereafter, debt service and other reserves, and the costs of issuing revenue obligations, a municipality may issue revenue bonds against the special fund or fund created from revenues or assessments. The revenue bonds so issued may be issued in one or more series and shall be dated, shall bear interest at such rate or rates, and shall mature at such time or times as may be determined by the legislative authority of the municipality, and may be made redeemable before maturity at such price or prices and under such terms and conditions as may be fixed by the legislative authority of the municipality prior to the issuance of the bonds. The legislative authority of the municipality shall determine the form of the bonds, including any interest coupons to be attached thereto, and shall fix the denomination or denominations of the bonds and the place or places of payment of principal and interest. If an officer whose signature or a facsimile of whose signature appears on any bonds or coupons ceases to be such officer before the delivery of the bonds, the signature shall for all purposes have the same effect as if the officer had remained in office until the delivery. The bonds may be issued in coupon or in registered form or both, and provisions may be made for the registration of any coupon bonds as to the principal alone and also as to both principal and interest and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. Bonds may be sold at public or private sale for such price and bearing interest at such fixed or variable rate as may be determined by the legislative authority of the municipality.

The principal of and interest on any revenue bonds shall be secured by a pledge of the revenues and receipts derived from the heating system, including any amounts pledged to be paid into a special fund in accordance with section 10 of this act, and may be secured by a mortgage covering all or any part of the system, including any enlargements of and additions to such system thereafter made. The revenue bonds shall state upon their face that they are payable from a special fund, naming it and the ordinance creating it, and that they do not constitute a general indebtedness of the municipality. The ordinance or resolution under which the bonds are authorized to be issued and any such mortgage may contain agreements and provisions respecting the maintenance of the system, the fixing and collection of rates and charges, the creation and maintenance of special funds from such revenues, the rights and remedies available in the event of default, and other matters improving the marketability of the revenue bonds, all as the legislative authority of the municipality deems advisable. Any revenue bonds issued under this chapter may be secured by a trust agreement by and between the municipality and a corporate trustee, which may be any trust company or bank having the powers of a trust company within the state, and acts and transactions of the trustee which are not in violation of law. Any such trust agreement or ordinance or resolution providing for the issuance of such bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as are reasonable and proper and not in violation of law. Any such trust agreement may set forth the rights and remedies of the bondholders and of the trustee and may restrict the individual right of action by bondholders as is customary in trust agreements or trust indentures.

Sec. 13. Revenue warrants may be issued and such warrants and interest thereon may be payable out of the special fund or refunded through the proceeds of the sale of refunding revenue warrants or revenue bonds. Every revenue warrant and the interest thereon issued against the special fund is a valid claim of the holder thereof only as against that fund and the amount of revenue pledged to the fund, and does not constitute an indebtedness of the authorized municipality. Every revenue warrant shall state on its face that it is payable from a special fund, naming it and the ordinance or resolution creating it.

Sec. 14. If a municipality fails to set aside and pay into the special fund created for the payment of revenue bonds and warrants the amount which it has obligated itself in the ordinance or resolution creating the fund to set aside and pay therein, the holder of any bond or warrant issued against the bond may bring suit against the municipality to compel it to do so.

Sec. 15. Sections 2 through 14 of this act shall constitute a new chapter in Title 54 RCW.

NEW SECTION. Sec. 16. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.*

The legislature directs that an independent study shall be made of the feasibility of completion and operation of the Washington Public Power Supply System (WPPSS) Nuclear Projects Nos. Four and Five, which are the least advanced in construction of the five WPPSS projects. The study shall examine the cost-effectiveness, need for, and financing of the plants, including, but not limited to the following:

1. The probability of successful financing of plant construction, including analysis of inflation effects, probable interest rates, future monetary policy, market reaction to financing arrangements, and risks associated with such financing arrangements;

2. The probable ultimate costs and schedule for completing each plant assuming that: (a) Construction continues without a deferral, and (b) construction is completed after a deferral lasting as long as ten years;

3. The probable cost of power produced by each plant throughout the period of plant operation;

4. The electric rates that are to be expected assuming that each plant is completed according to the determinations under subsection (2) of this section, including costs of substitutes for the outputs of each plant if the plant's completion is subject to a deferral, the plant is not completed, or the plant ceases operation before the plant is finally amortized;

5. The need for projected output of each plant considering projected demand for electricity, other supply or conservation programs that will be initiated during the period before each plant would be on line, and the availability of and potential for using alternative resources and conservation in new programs which could be undertaken;

6. The market for and probable rate at which surplus electricity, if any, could be sold outside the Pacific Northwest region; and

7. The cost-effectiveness of available energy alternatives as compared to continued investment in each plant, considering among other factors life cycle costs, time of availability, and options for the disposition of uncompleted plants.

NEW SECTION. Sec. 7. The legislature intends that the study described in section 6 of this act shall be managed and conducted by an independent research unit, recognized both for expertise in the investigation of electric energy supply and demand in the Pacific Northwest, particularly the process of electric generation by nuclear fission, and for objectivity in past research. The joint Washington energy research center of the University of Washington and Washington State University shall conduct this study through its affiliate office of applied energy studies of Washington State University. A study director shall be appointed by

Except only as expressly provided in RCW 67.28.180 and 67.28.190 and the provisions of chapter 82.14 RCW, the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature.

Without explicit authorization from the legislature, a county, city, town, or other municipal subdivision shall not impose taxes, either direct or indirect, whether under the name of a tax, excise, fee, or other description, on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or any other building or building space or appurtenances thereto, or the development or subdivision of land. The legislature finds that dedication of land constitutes a tax for purposes of this section: PROVIDED, That this section shall not preclude dedications of land or easements for roads, streets, sidewalks, rights of way, and utilities, including surface water drainage facilities, which are reasonably necessary as a direct result of the proposed development to which the dedication requirement is to apply.

Nothing in this section precludes the imposition of business and occupation taxes measured by gross income or of sales and use taxes under chapter 82.14 RCW.

Nothing in this section prohibits cities, towns, or counties from collecting reasonable fees from an applicant for a permit or other governmental approval to cover the cost to the city, town, or county of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW.

This section does not limit the existing authority of any city, town, or county to impose special assessments on property specially benefited thereby in the manner prescribed by law.

Sec. 2. Section 4, chapter 94, Laws of 1970 ex. sess. and RCW 82.14.030 are each amended to read as follows:

(1) The governing body of any county or city while not required by legislative mandate to do so, may, by resolution or ordinance for the purposes authorized by this chapter, fix and impose a sales and use tax in accordance with the terms of this chapter. Such tax shall be collected from those persons who are taxable by the state pursuant to chapters 82.08 and 82.12 RCW, upon the occurrence of any taxable event within the county or city as the case may be. The rate of such tax imposed by a county shall be five-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The rate of such tax imposed by a city shall not exceed five-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The rate of the additional tax imposed by a city shall not exceed four hundred and twenty-five one-thousandths of one percent.

(2) In addition to the tax authorized in subsection (1) of this section, the governing body of any county or city may by resolution or ordinance impose an additional sales and use tax in accordance with the terms of this chapter. The additional tax shall be collected upon the same taxable events upon which the tax imposed under subsection (1) of this section is levied. The rate of the additional tax imposed by a county shall be five-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The rate of the additional tax imposed by a city shall be five-tenths of one percent.
of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax): PRO-
VIDED HOWEVER, That in the event a county shall impose a sales and use tax under this subsection, the
rate of the tax imposed under this subsection by any city therein shall be four hundred and twenty-five one-
thousandths of one percent: PROVIDED FURTHER, That the tax authorized in this subsection shall be in
lieu of any charges, fees, or taxes or dedication prohibited by RCW 82.02.020.

Sec. 3. Section 5, chapter 94, Laws of 1970 ex. sess. and RCW 82.14.040 are each amended to read as
follows:

(1) Any county ordinance adopted (pursuant to this chapter) under RCW 82.14.030(1) shall contain,
in addition to all other provisions required to conform to this chapter, a provision allowing a credit against
the county tax imposed under RCW 82.14.030(1) for the full amount of any city sales or use tax imposed
under RCW 82.14.030(1) upon the same taxable event.

(2) Any county ordinance adopted under RCW 82.14.030(2) shall contain, in addition to all other pro-
visions required to conform to this chapter, a provision allowing a credit against the county tax imposed
under RCW 82.14.030(2) for the full amount of any city sales or use tax imposed under RCW 82.14.030(2)
upon the same taxable event.

NEW SECTION. Sec. 4. There is added to chapter 82.14 RCW a new section to read as follows:

Every county and city establishing a tax for the act or privilege of engaging in business activities mea-
sured by gross income under RCW 35.22.280(32) after October 1, 1980 or imposing a tax under RCW
82.14.030(2) shall provide a citizen initiative process which may be used by the citizens of the county or city,
as the case may be, to repeal the tax imposed under RCW 35.22.280(32) after October 1, 1980 or under
RCW 82.14.030(2). The initiative process shall not contain requirements which are more stringent than the
requirements for state initiatives under chapter 29.79 RCW. The amendment to RCW 82.02.020 by section
1 of this 1981 act does not apply to any county or city which is not imposing a tax under RCW 82.14.030(2)
because of a repeal under this section.

Sec. 5. Section 6, chapter 94, Laws of 1970 ex. sess. as amended by section 3, chapter 296, Laws of
1971 ex. sess. and RCW 82.14.050 are each amended to read as follows:

The counties, metropolitan municipal corporations and cities shall contract, prior to the effective date of
a resolution or ordinance imposing a sales and use tax, the administration and collection to the state depart-
ment of revenue, which shall deduct a percentage amount, as provided by contract, not to exceed ((two)) one
percent of the taxes collected for administration and collection expenses incurred by the department. The
remainder of any portion of any tax authorized by this chapter which is collected by the department of rev-
enue shall be deposited by the state department of revenue in a special fund under the custody of the state
treasurer to be known as the local sales and use tax revolving fund. All administrative provisions in chapters
82.03, 82.08, 82.12, and 82.32 RCW, as they now exist or may hereafter be amended, shall, insofar as they
are applicable to state sales and use taxes, be applicable to taxes imposed pursuant to this chapter.

Sec. 6. Section 1, chapter 87, Laws of 1972 ex. sess. as last amended by section 4, chapter 175, Laws of
1979 ex. sess. and RCW 82.44.150 are each amended to read as follows:

(1) The director of licensing shall on the twenty-fifth day of February, May, August and November of
each year, commencing with November, 1971, advise the state treasurer of the total amount of motor vehicle
excise taxes remitted to the department of licensing during the preceding calendar quarter ending on the last
day of March, June, September and December, respectively, except for those payable under RCW 82.44.030
and 82.44.070, from motor vehicle owners residing within each municipality which has levied a tax under
RCW 35.58.273, which amount of excise taxes shall be determined by the director as follows:

The total amount of motor vehicle excise taxes remitted to the department, except those payable under
RCW 82.44.030 and 82.44.070, from each county shall be multiplied by a fraction, the numerator of which is
the population of the municipality residing in such county, and the denominator of which is the total popu-
lation of the county in which such municipality or portion thereof is located. The product of this computa-
tion shall be the amount of excise taxes from motor vehicle owners residing within such municipality or
portion thereof. Where the municipality levying a tax under RCW 35.58.273 is located in more than one
county, the above computation shall be made by county, and the combined products shall provide the total
amount of motor vehicle excise taxes from motor vehicle owners residing in the municipality as a whole.
Population figures required for these computations shall be supplied to the director by the office of financial
management, who shall adjust the fraction annually.

(2) On the first day of the months of January, April, July, and October of each year, the state treasurer
based upon information provided by the department of licensing shall make the following apportionment and
distribution of motor vehicle excise taxes deposited in the general fund. A sum equal to seventeen percent
thereof shall be paid to cities and towns in the proportions and for the purposes hereinafter set forth; a sum
equal to seventy percent of all motor vehicle excise tax receipts shall be allocable to the state school equal-
ization fund and credited and transferred each year in the following order of priority:

(a) The amount required and certified by the state finance committee each year as being necessary for
payment of principal of and interest on bonds authorized by ((chapter 26, Laws of 1963 extraordinary ses-
sion)) RCW 28A.47.760 through 28A.47.774 in the ensuing twelve months and any additional amounts
required by the covenants of such bonds shall be transferred from the state school equalization fund to the
1963 public school building bond retirement fund.

(b) Any remaining amounts in the state school equalization fund from the motor vehicle excise taxes
not required for debt service on the above bond issues shall be transferred and credited to the general fund.
(3) The amount payable to cities and towns shall be apportioned among the several cities and towns within the state ("ratably, on the basis of the population as last determined by the office of financial management") according to the following formula:
   (a) Sixty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned ratably on the basis of population as last determined by the office of financial management.
   (b) Thirty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned to cities and towns under section 7 of this 1981 act.

(4) When so apportioned, the amount payable to each such city and town shall be transmitted to the city treasurer thereof, and shall be utilized by such city or town for the purposes of police and fire protection and the preservation of the public health therein, and not otherwise. In case it be adjudged that revenue derived from the excise tax imposed by this chapter cannot lawfully be apportioned or distributed to cities or towns, all moneys directed by this section to be apportioned and distributed to cities and towns shall be credited and transferred to the state general fund.

(5) On the first day of the months of January, April, July, and October of each year, the state treasurer, based upon information provided by the department of licensing, shall remit motor vehicle excise tax revenues imposed and collected under RCW 35.58.273 as follows:
   (a) The amount required to be remitted by the state treasurer to the treasurer of any municipality levying the tax shall not exceed in any calendar year the amount of locally-generated tax revenues, excluding the excise tax imposed under RCW 35.58.273 for the purposes of this section, which shall have been budgeted by the municipality to be collected in such calendar year for any public transportation purposes including but not limited to operating costs, capital costs, and debt service on general obligation or revenue bonds issued for these purposes; and
   (b) In no event may the amount remitted in a single calendar quarter exceed the amount collected on behalf of the municipality under RCW 35.58.273 during the calendar quarter next preceding the immediately preceding quarter.

(6) At the close of each calendar year accounting period, but not later than April 1, each municipality that has received motor vehicle excise taxes under subsection (5) of this section shall transmit to the director of licensing a written report showing by source the previous year's budgeted tax revenues for public transportation purposes as compared to actual collections. Any municipality that has not submitted the report by April 1 shall cease to be eligible to receive motor vehicle excise taxes under subsection (5) of this section until the report is received by the director of licensing. If a municipality has received more or less money under subsection (5) of this section for the period covered by the report than it is entitled to receive by reason of its locally-generated collected tax revenues, the director of licensing shall, during the next ensuing quarter that the municipality is eligible to receive motor vehicle excise tax funds, increase or decrease the amount to be remitted in an amount equal to the difference between the locally-generated budgeted tax revenues and the locally-generated collected tax revenues. In no event may the amount remitted for a calendar year exceed the amount collected on behalf of the municipality under RCW 35.58.273 during that same calendar year. At the time of the next fiscal audit of each municipality, the state auditor shall verify the accuracy of the report submitted and notify the director of licensing of any discrepancies.

(7) The motor vehicle excise taxes imposed under RCW 35.58.273 and required to be remitted under this section shall be remitted without legislative appropriation.

(8) Any municipality levying and collecting a tax under RCW 35.58.273 which does not have an operating, public transit system or a contract for public transportation services in effect within one year from the initial effective date of the tax shall return to the state treasurer all motor vehicle excise taxes received under subsection (5) of this section.

NEW SECTION. Sec. 7. There is added to chapter 82.14 RCW a new section to read as follows:

There is created in the state general fund a special account to be known as the "municipal sales and use tax equalization account." Into this account shall be placed such revenues as are provided under RCW 82.44.150(3)(b). Funds in this account shall be apportioned and distributed to cities and towns under section 7 of this 1981 act.
(4) Subsequent to the distributions under subsection (3) of this section, and at such times as distributions are made under RCW 82.44.150, as now or hereafter amended, the state treasurer shall apportion to each city imposing the sales and use tax under RCW 82.14.030(2) and receiving a distribution under subsection (3) of this section, a third distribution from the municipal sales and use tax equalization account. The distribution to each qualifying city shall be equal to the distribution to the city under subsection (3) of this section, subject to the reduction under subsection (5) of this section. To qualify for the distributions under this subsection, the city must impose the tax under RCW 82.14.030(2) for the entire year. Cities imposing the tax for less than the full year shall qualify for prorated allocations under this subsection proportionate to the number of months of the year during which the tax is imposed.

(5) If inadequate revenues exist in the municipal sales and use tax equalization account to make the distributions under subsection (3) or (4) of this section, then the distributions under subsection (3) or (4) of this section shall be reduced ratably among the qualifying cities. At such time during the year as additional funds accrue to the municipal sales and use tax equalization account, additional distributions shall be made under subsections (3) and (4) of this section to the cities.

(6) If the level of revenues in the municipal sales and use tax equalization account exceeds the amount necessary to make the distributions under subsections (2) through (4) of this section, then the additional revenues shall be apportioned among the several cities within the state ratably on the basis of population as last determined by the office of financial management.

NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health and safety, the support of local government and their existing public institutions, and shall take effect on July 1, 1981. If section 1 of this act does not take effect, section 3 of this act is void and of no force.

Mr. Nelson (D) moved adoption of the following amendment to the Greengo amendment:

On page 2, line 10 of the amendment after "•" insert "and parks or other public uses as long as there is no loss of residential density."

Representatives Nelson (D) and Nisbet spoke in favor of the amendment to the amendment, and Representatives Barrett and Sprague spoke against it.

POINT OF PARLIAMENTARY INQUIRY

Ms. Rinehart: "We are now considering the Nelson amendment to the Greengo amendment? What will be the effect of this amendment if it passes on all the amendments we have already passed to this bill?"

The Speaker: "If the Nelson amendment passes it would have no other effect on the other amendments, but if the Greengo amendment passes, it would wipe out all the previous amendments that have gone before us."

Ms. Lane spoke against the Nelson (D) amendment to the Greengo amendment.

Mr. Padden demanded the previous question and the demand was sustained.

The amendment to the amendment was not adopted.

On motion of Mr. Tilly, the following amendment by Representatives Tilly, Sanders and Bond to the Greengo amendment was adopted:

On page 5, strike lines 15 through 34 and insert:

\*NEW SECTION. Sec. 4. There is added to chapters 35.22, 35.23, 35.24, 35.27, 35A.82 and 82.14 RCW a new section to read as follows:
Every county, city or town imposing a business and occupation tax for the privilege of engaging in business which is calculated as a percentage of gross income, or a tax imposed under RCW 82.14.030(2), shall provide a citizen initiative process which may be used by the citizens of the county, city or town to repeal the tax imposed after October 1, 1980. The initiative process shall not contain requirements which are more stringent than the requirements for state initiatives under chapter 29.79 RCW."

Mr. Addison moved adoption of the following amendment to the amendment:

On page 5 of the amendment after line 34 insert ""No legislative body of a county or city may impose a tax under RCW 82.14.030(2) without submitting the proposition to the voters and obtaining the approval of a majority of persons voting thereon."

Mr. Addison spoke in favor of the amendment to the amendment, and Mr. Bond spoke against it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Addison and Salatino to the Greengo amendment to Substitute House Bill No. 749, and the amendment to the amendment was adopted by the following vote: Yeas, 54; nays, 43; not voting, 1.
NINETY-NINTH DAY, APRIL 20, 1981

Not voting: Representative Bender.

The Speaker stated the question before the House to be the amendment by Representative Greengo as amended.

Representatives Greengo, Lundquist and Nelson (G) spoke in favor of the amendment as amended, and Ms. Rinehart spoke against it.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Hine.

Ms. Hine: "Representative Nelson, is it your understanding that any city or county that does not choose to request the sales tax may still levy the development fee?"

Mr. Nelson (G): "Yes."

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Mr. Van Dyken.

Mr. Van Dyken: "Representative Nelson, is there latitude within this bill for a jurisdiction to impose a rate of increase somewhere between zero percent and one-half of one percent, or do they have no option; they have to go all the way?"

Mr. Nelson (G): "No, there is no option, Representative Van Dyken, and this comes by virtue of the recommendations made by the Department of Revenue to try and hold down the checkerboard activity that might otherwise occur across the state. It's a lot easier to have any one jurisdiction impose just the one."

Mr. Van Dyken spoke in favor of the amendment as amended, and Mr. Nelson (D) spoke against it.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Sommers.

Ms. Sommers: "Representative Nelson, Representative Hine asked a question and I have to ask you the question again because I have been thumbing through this sixteen pages, and I can't find the answer to her question. If a city or county does not impose the sales tax, is it then permitted to impose the development fee. If the answer is yes, could you point out where it says so in there?"

Mr. Nelson (G): "It's my understanding that that is the case. I can't give you the citation without sitting down and going through it, however."

Ms. Sommers: "Well, it's not all that long. Is there anyone else on the floor who can answer the question?"

Mr. Greengo: "Representative Sommers, I believe it's in section 9, which says that if that section doesn't apply then the other portion is void. The net effect is that I think you are right, there is only one way that you could have an up-front fee. If you impose the tax, the voters get up an initiative and then turn it down. In that case, you can have up-front fees; otherwise, this bill is a prohibition of up-front fees."

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Greengo as amended, and the amendment was adopted by the following vote: Yeas, 53; nays, 44; not voting, 1.

Not voting: Representative Bender.

On motion of Mr. Tilly, the following amendment to the title was adopted:

On page 1, line 11 of the title after "81.44.150;" insert "adding a new section to chapter 35.22; adding a new section to chapter 35.23; adding a new section to chapter 35.24; adding a new section to chapter 35.27; adding a new section to chapter 35A.82;"

The bill was ordered engrossed.

MOTION

Mr. Hastings moved that the rules be suspended, the second reading considered the third, and Engrossed Substitute House Bill No. 749 be placed on final passage.

Mr. King (R) spoke against the motion.

ROLL CALL

The Clerk called the roll on the motion to suspend the rules and advance Engrossed Substitute House Bill No. 749 to final passage, and the motion failed to receive the required two-thirds majority by the following vote: Yeas, 55; nays, 42; not voting, 1.

Not voting: Representative Bender.

MOTION

On motion of Mr. Nelson (G), the House adjourned until 9:30 a.m., Tuesday, April 21, 1981.
The House was called to order at 9:30 a.m. by the Speaker. The Clerk called the roll and all members were present.

Mr. Hastings: "Representative Fiske, this bill started because King County wanted to put in an enhanced system. Yesterday we adopted some amendments that essentially made it eligible to be involved in the 911 system without paying for the advanced system. By adopting those amendments, does this affect King County's ability to use this legislation to go with the enhanced way at all?"

POINT OF INQUIRY

Mr. Greengo: "Representative Addison, I believe the way the bill is constructed that the City of Seattle residents would not be taxed again for their own system, but they would be paying for the enhanced portion of it only."

Mr. Addison asked Mr. Greengo to yield to another question and he refused to yield.

Representatives Addison, Garson and North spoke against passage of the bill, and Representatives Patrick and Hine spoke in favor of it.

Mr. Nickell: "It's very difficult to get local people—county commissioners and city commissioners—to fund anything, as you know, because they are short of money and they have no revenue sources."

Mr. Nelson (D): "You are saying that it is possible, but would be difficult?"

If any officer whose signature or a facsimile of whose signature appears on any revenue bonds or coupons ceases to be an officer before the delivery of the revenue bonds, the signature shall for all purposes have the same effect as if he had remained in office until delivery. The revenue bonds may be issued in coupon or in registered form or both as the board of directors may determine, and provisions may be made for the registration of any coupon revenue bonds as to the principal alone and also as to both principal and interest and for the reconversion into coupon bonds of any bonds registered as to both principal and interest. A public corporation may sell revenue bonds at public or private sale for such price and bearing interest at such fixed or variable rate as may be determined by the board of directors.

(3) The proceeds of the revenue bonds of each issue shall be used solely for the payment of all or part of the project cost of or for the making of a loan in the amount of all or part of the project cost of the industrial development facility for which authorized and shall be disbursed in such manner and under such restrictions, if any, provided in the resolution authorizing the issuance of the revenue bonds or in the trust agreement securing the bonds. If the proceeds of the revenue bonds of any series issued with respect to the cost of any industrial development facility exceeds the cost of the industrial development facility for which issued, the surplus shall be deposited to the credit of the debt service fund for the revenue bonds or used to purchase revenue bonds in the open market.

(4) A public corporation may issue interim notes in the manner provided for the issuance of revenue bonds to fund industrial development facilities prior to issuing other revenue bonds to fund such facilities. A public corporation may issue revenue bonds to fund industrial development facilities that are exchangeable for other revenue bonds when these other revenue bonds are executed and available for delivery.

(5) The principal of and interest on any revenue bonds issued by a public corporation shall be secured by a pledge of unexpended bond proceeds and the revenues and receipts received by the public corporation from the industrial development facilities funded by the revenue bonds pursuant to financing documents. The resolution under which the revenue bonds are authorized to be issued and any financing document may contain agreements and provisions respecting the maintenance or use of the industrial development facility covered thereby, the fixing and collection of rents, purchase price payments or loan payments, the creation and maintenance of special funds from such revenues or from revenue bond proceeds, the rights and remedies available in the event of default, and other provisions relating to the security for the bonds, all as the board of directors consider advisable which are not in conflict with this chapter.

(6) The governing body of the municipality under whose auspices the public corporation is created shall approve by resolution any agreement to issue revenue bonds adopted by a public corporation, which agreement and resolution shall set out the amount and purpose of the revenue bonds. Additionally, no issue of revenue bonds, including refunding bonds, may be sold and delivered by a public corporation without a resolution of the governing body of the municipality under whose auspices the public corporation is created, adopted no more than sixty days before the date of sale of the revenue bonds specifically, approving the resolution of the public corporation providing for the issuance of the revenue bonds.

(7) All revenue bonds issued under this chapter and all interest coupons applicable thereto are negotiable instruments within the meaning of Article 8 of the Uniform Commercial Code, Title 62A RCW, regardless of form or character.

The issuance of the revenue bonds, the maturities and other details thereof, the rights of the holders thereof, and the rights, duties, and obligations of the public corporation in respect to the same shall be governed by this chapter insofar as applicable.

NEW SECTION. Sec. 12. TRUST AGREEMENTS. Any bonds issued under this chapter may be secured by a trust agreement between the public corporation and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the state. The trust agreement may evidence a pledge or assignment of the financing documents and lease, sale, or loan revenues to be received from a lessee or purchaser of or borrower with respect to an industrial development facility for the payment of principal of and interest and any premium on the bonds as the same shall become due and payable and may provide for creation and maintenance of reserves for these purposes. A trust agreement or resolution providing for the issuance of the revenue bonds may contain such provisions for protecting and enforcing the rights and remedies of the bondholders as may be reasonable and proper and not in violation of
law, including covenants setting forth the duties in relation to the acquisition of property and the construc-
tion, improvement, maintenance, use, repair, operation, and insurance of the industrial development facility
for which the bonds are authorized, and the custody, safeguarding, and application of all money. Any bank
or trust company incorporated under the laws of the state which may act as depositary of the proceeds of
revenue bonds or of revenues may furnish such indemnifying bonds or pledge such securities as may be
required by the corporation. A trust agreement may set forth the rights and remedies of the bondholders and
of the trustee and may restrict the individual right of action by bondholders as is customary in trust agree-
ments or trust indentures securing bonds and debentures of private corporations. In addition, a trust agree-
ment may contain such provisions as the public corporation considers reasonable and proper for the security
of the bondholders which are not in conflict with this chapter.

NEW SECTION. Sec. 13. COMINGLING OF BOND PROCEEDS OR REVENUES WITH
MUNICIPAL FUNDS PROHIBITED. No part of the proceeds received from the sale of any revenue
bonds under this chapter, of any revenues derived from any industrial development facility acquired or held
under this chapter, or of any interest realized on moneys received under this chapter may be commingled
by the public corporation with funds of the municipality creating the public corporation.

NEW SECTION. Sec. 14. SUBLICENSEES AND ASSIGNMENTS. A lessee or contracting party under
a sale contract or lease agreement shall not be required to be the eventual user of an industrial development
facility if any sublessee or assignee assumes all of the obligations of the lessee or contracting party under the
lease, sale contract, or lease agreement, but the lessee or contracting party or their successors shall remain
primarily liable for all of its obligations under the lease, sale contract, or lease agreement and the use of the
industrial development facility shall be consistent with the purposes of this chapter.

NEW SECTION. Sec. 15. DETERMINATION OF RENT. Before entering into a lease, sale contract,
or loan agreement with respect to any industrial development facility, the public corporation shall determine
that there are sufficient revenues to pay (1) the principal of and the interest on the revenue bonds proposed
to be issued to finance the industrial development facility; (2) the amount necessary to be paid each year into
any reserve funds which the public corporation considers advisable to establish in connection with the retire-
ment of the proposed bonds and the maintenance of the industrial development facility; and (3) unless the
terms of the lease, sale contract, or loan agreement provide that the lessee or contracting party shall main-
tain the industrial development facility and carry all proper insurance with respect thereto, the estimated
cost of maintaining the industrial development facility in good repair and keeping it properly insured.

authorizing any revenue bonds under this chapter or any financing document securing the revenue bonds
may provide that if there is a default in the payment of the principal of or the interest on the bonds or in the
performance of any agreement contained in the proceedings or financing document, the payment and per-
formance may be enforced by mandamus or by the appointment of a receiver in equity with power to charge
and collect rents, purchase price payments, and loan repayments, and to apply the revenues from the indus-
trial development facility in accordance with the proceedings or provisions of the financing document. Any
financing document entered into under this chapter to secure revenue bonds issued under this chapter may
also provide that if there is a default in the payment thereof or a violation of any agreement contained in the
financing document, the industrial development facility may be foreclosed and sold under proceedings in
equity or in any other manner now or hereafter permitted by law. Any financing document may also provide
that any trustee under the financing document or the holder of any revenue bonds secured thereby may
become the purchaser at any foreclosure sale if it is the highest bidder.

NEW SECTION. Sec. 17. CONSTRUCTION—SUPPLEMENTAL NATURE OF CHAPTER.
This chapter supplements and neither restricts nor limits any powers which a municipality or presently
authorized public corporation might otherwise have under any laws of this state.

NEW SECTION. Sec. 18. LEGISLATIVE DIRECTIVE. Sections 1 through 17 of this act shall consti-

The Speaker (Mr. Amen presiding) declared the question before the House to be the amendment by Representative Flanagan.

Mr. Flanagan spoke in favor of the amendment.
Mr. Flanagan yielded to question by Mr. O'Brien.

Mr. O'Brien: "Representative Flanagan, how does your proposed amendment differ from what Governor Spellman has indicated for industrial development and promotion of jobs and industry? Are you pretty well in line with the Governor's thinking on this overall economic development program?"

Mr. Flanagan: "Well, the bill that came over from the Senate, as I said before, was very broad and these revenue bonds could have been used to finance almost anything the way the Senate bill was. You could finance any kind of retail chains or retail electric change or even mix this revenue in with certain types of social programs that are fronted from grants by the state. I think the Senate bill goes far beyond what I thought the poor districts have been requesting for the last three or four years since the court decision was made that wouldn't allow them to use revenue bonds for industrial development. I think from the viewpoint we have here, it was too broad and allowed too many different kinds of financing."

Mr. O'Brien: "What do you mean by too broad? Was that Governor Spellman's proposal that came over from the Senate?"

Mr. Flanagan: "I assume it was partly from Governor Spellman, yes. I don't know whether the Senate has broadened it beyond what he requested or not."

Mr. Nelson (D) spoke against the amendment.

The amendment was adopted.

On motion of Mr. Flanagan, the following amendment to the title was adopted:

On page 1, line 1 of the title after "development," strike the remainder of the title and insert "adding a new chapter to Title 39 RCW; creating new sections; and prescribing penalties."

POINT OF INQUIRY

Mr. Flanagan yielded to question by Ms. Rinehart.

Ms. Rinehart: "Representative Flanagan, could you expand, please, on the insertion of the word 'project' in place of 'capital facilities'?

Mr. Flanagan: "It's a broadening of the definition, not a great deal, but I believe it does broaden it."

Ms. Rinehart: "Could you give me an example of what's now included under the definition of projects that was precluded by capital facilities?"

Mr. Flanagan: "I think projects is a little broader term because it includes more than just the facilities; it includes some of the surrounding parts of the project."

Ms. Rinehart: "Could you just give me an example of what a project would be that is not a capital facility?"

Mr. Flanagan: "Maybe the land around the project or the roads or something that surrounds the project, things of that kind."

The amendments to the amendment were adopted.

On motion of Mr. Flanagan, the following amendments to the amendment were adopted:

On page 2 of the amendment, beginning on line 5 after "may" strike "only be issued if the issuer" and insert "be issued only if the issuer certifies that it"

In addition to the procedure provided in RCW 28A.57.415, as now or hereafter amended, for returning to the system of school directors running at large, upon receipt of written notice from any school district superintendent of a school district theretofore divided into directors' districts, that such school district board of directors by majority vote requests a return to the system of directors running at large within the district, an educational service district superintendent, after formation of the question to be submitted to the voters, shall give notice thereof to the county auditor who shall call and hold a special election of the voters of the entire school district to approve or reject such proposal, such election to be called, conducted and the returns canvassed as in regular school district elections.

If approval of a majority of those registered voters voting in said election is acquired, at the expiration of terms of the incumbent directors of such school district their successors shall be elected at large.

Nothing in this section shall be applicable to any school district of the first class having within its boundaries a city with a population of four hundred thousand people or more in class AA counties.

Sec. 6. Section 9, chapter 15, Laws of 1975—76 2nd ex. sess. and RCW 28A.57.415 are each amended to read as follows:

In addition to the procedure provided in section 5 of this 1981 act for returning to the system of school directors running at large, upon receipt of a written petition ("by an educational service district superintendent") signed by at least twenty percent of the registered voters of a school district theretofore divided into directors' districts ("after a majority vote thereon in accordance with RCW 28A.57.090(4), as now or hereafter amended"), which petition shall request a return to the system of directors running at large within the district, ("the") an educational service district superintendent, after formation of the question to be submitted to the voters, shall give notice thereof to the county auditor who shall call and hold a special election of the voters of the entire school district to approve or reject such proposal, such election to be called, conducted and the returns canvassed as in regular school district elections.

Sec. 7. Section 28A.57.344, chapter 223, Laws of 1969 ex. sess. as last amended by section 3, chapter 183, Laws of 1979 ex. sess. and RCW 28A.57.344 are each amended to read as follows:
The board of directors of every school district other than a school district of the first class having within its boundaries a city with a population of four hundred thousand people or more in class AA counties which is not divided into directors' districts may submit to the voters at any regular school district election a proposition to authorize the county committee to divide the district into directors' districts. Alternatively, upon receipt of a written petition signed by at least twenty percent of the registered voters in a school district, other than a school district of the first class having within its boundaries a city with a population of four hundred thousand people or more in class AA counties, which petition shall request the district to be divided into directors' districts, an educational service district superintendent shall give notice thereof to the county auditor who shall submit the proposal to voters at the next regular school district election. If a majority of the votes cast on the proposition shall be affirmative, the county committee shall proceed to divide the district into directors' districts. (Such director districts, if approved, shall not become effective until the next regular school election when a new five member board of directors shall be elected, one from each of five director districts from among the residents of the respective director district by the electors of the entire district, two for a term of two years and three for a term of four years, unless such district elects its directors for six years, in which case, one for a term of two years, two for a term of four years, and two for a term of six years:))

Any director district with more than one member residing within its boundaries shall be represented by the member whose term expires last. If there are two or more members whose terms will expire simultaneously and later than any other member or members residing within the director district, the chairman of the school district board of directors shall determine which member shall represent the director district. At the expiration of the term of each school board member, the electors of the director district represented by the member shall select a resident to represent the director district on the school board."

Renumber the remaining section consecutively.

POINT OF ORDER

Mr. Ehlers: "I would ask for a ruling on scope and object. Mr. Speaker, the bill is an act relating to education and it has to do with auditing. The amendment has absolutely nothing to do with auditing. The entire bill deals with the whole subject of accounts, the auditing of those accounts and has nothing to do with elections, which is the Tilly/Galloway amendment, speaking to election of school directors at large. There is no indication of auditing at all."*

SPEAKER'S RULING (MR. AMEN PRESIDING)

The Speaker (Mr. Amen presiding): "Representative Ehlers, the amendment deals with elections and the bill, in section 4, pertains to elections, so it is within the scope and object of the bill."

Representatives Tilly and Taylor spoke in favor of the amendment, and Mr. Ehlers spoke against it.

ROLL CALL

The Clerk called the roll on adoption of the Tilly/Galloway amendment to Engrossed Senate Bill No. 3242, and the amendment was adopted by the following vote: Yeas, 60; nays, 35; not voting, 3.

Not voting: Representatives Becker, Gallagher, Sommers.

On motion of Mr. Tilly, the following amendments to the title were adopted:

On page 1, line 12 of the title after "28A.57.255;" insert "amending section 1, chapter 90, Laws of 1975-76 2nd ex. sess. as amended by section 1, chapter 205, Laws of 1977 ex. sess. and RCW 28A.58.090;".

MOTION

Mr. Hastings moved that the rules be suspended, the second reading considered the third, and the bill be placed on final passage.

Mr. Ehlers spoke against the motion, and Mr. Tilly spoke in favor of it.

ROLL CALL

The Clerk called the roll on the motion to suspend the rules and advance Engrossed Senate Bill No. 3242 as amended by the House to final passage, and the motion failed to receive the required two-thirds majority by the following vote: Yeas, 62; nays, 36; not voting, 0.

Engrossed Senate Bill No. 3242 as amended by the House was passed to Committee on Rules for third reading.

SUBSTITUTE SENATE BILL NO. 3342, by Committee on Judiciary (originally sponsored by Senators Fleming, Talmadge, Ridder, McDermott, Bottiger, Scott, Bluechel, Jones and Charnley):

Making malicious harassment a crime.

The bill was read the second time.

Committee on Ethics, Law and Justice recommendation: Majority, do pass as amended.

(For amendments, see Journal, 94th Day, April 15, 1981.)

On motion of Mr. Ellis, the committee amendments were adopted.

Mr. Ellis moved adoption of the following amendment by Representatives Ellis, Patrick and Nickell:

On page 1, after line 25 insert the following:

"Sec. 2. Section 1, chapter 158, Laws of 1977 ex. sess. and RCW 4.24.350 are each amended to read as follows:

In any action for damages, whether based on tort or contract or otherwise, a claim or counterclaim for damages may be litigated in the principal action for malicious prosecution on the ground that the action was instituted with knowledge that the same was false, and unfounded, malicious and without probable cause or as a part of a conspiracy to misuse judicial process by filing such action, or that the same was filed as a part of a conspiracy to misuse judicial process by filing an action known to be false and unfounded.

In any action for malicious prosecution, whether brought by an independent lawsuit or brought in the principal action by claim or counterclaim, if it is proven that the plaintiff instituted the principal action with knowledge that the principal action was false, unfounded, malicious, and without probable cause or as a part of a conspiracy to misuse judicial process by filing the action when it was known to be false and unfounded or if there are grounds for establishing the common law action of malicious prosecution, then the injured party may claim malicious prosecution under this section and may recover actual damages or liquidated damages of five hundred dollars, a reasonable attorney's fee, and other costs of litigation. In an action for malicious prosecution an arrest or seizure of property need not be an element of the claim nor do special damages need to be proved; and the elimination of these requirements and permitting the recovery of actual damages or liquidated damages, a reasonable attorney's fee, and other costs of litigation is intended to be in derogation of the common law."

POINT OF ORDER

Mr. Wang: "I would like a ruling as to scope and object on this amendment. I believe the amendment deals with malicious prosecution and the bill deals with malicious harassment."

SPEAKER'S RULING (MR. AMEN PRESIDING)

The Speaker (Mr. Amen presiding): "Representative Wang, the bill pertains to the civil action of malicious harassment and the amendment pertains to malicious prosecution, which is a form of harassment. It is within the scope and object."

Mr. Ellis spoke in favor of the amendment, and it was adopted.

On motion of Mr. Ellis, the following amendment to the title was adopted:
On page 1, line 1 of the title after "harassment;" insert "amending section 1, chapter 158, Laws of 1977 ex. sess. and RCW 4.24.350;"

On motion of Mr. Nelson (G), the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

MESSAGE FROM THE SENATE

April 21, 1981

Mr. Speaker:

The Senate has concurred in the House amendment to ENGROSSED SENATE CURRENT RESOLUTION NO. 113, and has passed the bill as amended by the House.

Sidney R. Snyder, Secretary.

SIGNED BY THE SPEAKER

The Speaker announced he was signing:

SENATE BILL NO. 3049,
SENATE BILL NO. 3051,
SENATE BILL NO. 3053,
SENATE BILL NO. 3057,
SENATE BILL NO. 3067,
SENATE BILL NO. 3079,
SENATE BILL NO. 3102,
SUBSTITUTE SENATE BILL NO. 3118,
SUBSTITUTE SENATE BILL NO. 3128,
SUBSTITUTE SENATE BILL NO. 3187,
SENATE BILL NO. 3196,
SENATE BILL NO. 3238,
SENATE BILL NO. 3239,
SENATE BILL NO. 3250.

MOTION

On motion of Mr. Nelson (G), the House reverted to the fourth order of business.

INTRODUCTION AND FIRST READING

HOUSE CONCURRENT RESOLUTION NO. 26, by Representative Wilson:

Authorizing studies by the legislative transportation committee and the standing committees on transportation.

To Committee on Transportation.
MOTION

Mr. Nelson (G) moved that HOUSE BILL NO. 124 be rereferred from Committee on State Government to Committee on Ways and Means.

POINT OF ORDER

Mr. King (R): "I believe it's after 5 o'clock and this is a bill dealing with public employment, not relating to revenue. I don't believe the bill is still alive to be acted upon by this body."

The Speaker: "Representative King, Senate Concurrent Resolution No. 113 was passed by this body less than two hours ago which extended the deadline until tomorrow at 5 o'clock."

Mr. King (R): "The point is that it does not come under the original cutoff since it is not an act relating to revenue or involving a direct appropriation or any of the other things which are in that cutoff resolution."

The Speaker: "I don't understand your point of order, Representative King, I don't appreciate the point of order you have raised. The legislation is not being brought to the floor, it's being moved to a different committee to start with. Secondly, any bill that is alive currently before 5 o'clock today is still alive until 5 o'clock tomorrow."

Mr. King (R): "Mr. Speaker, my point is that it wasn't alive under the previous cutoff. If it is there's a question of whether or not the Senate has passed the resolution."

The Speaker: "There's no question about the second point, Representative King, because it was just read in that they had done that. Without examining the bill to decide whether it's alive or not, the motion to merely move the bill from one committee to another does not constitute anything the Speaker would like to rule on at this time."

POINT OF ORDER

Mr. O'Brien: "There's nothing in our rules to provide moving the bill. Rule 29 sets forth the provision that three-fifths of the members of the House are required for a committee to report a bill back to the House during the order of business at which it may be considered. What you are doing is moving a bill from one committee to another, and it seems to me that it would require some sort of recommendation by that committee to have that bill reported out. Unless you suspend the rules, you would be in violation of the House rules."

The Speaker: "Representative O'Brien, we don't have that problem yet. As far as I know, it will pass unanimously. Are you opposing the motion?"

Mr. O'Brien: "I'm opposing it on the basis that it's in violation of our rules for a motion of this nature to be made."

The Speaker: "Representative O'Brien, if I understand the point you are raising, this would require a suspension of the rules. That was your point, that the motion was placed incorrectly? Representative Nelson, I will accept that motion from you."

MOTION

Mr. Nelson (G) moved that the rules be suspended, and House Bill No. 124 be rereferred from Committee on State Government to Committee on Ways and Means."

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Mr. O'Brien.

Mr. O'Brien: "I would like to have you explain what House Bill 124 pertains to."

Mr. Nelson (G): "Representative O'Brien, the bill itself right now deals with temporary employment, but by the time we get done with it in Ways and Means, it may not look that way. We need the title in order to implement part of the budget that is being proposed in this House. It's as simple as that; we need a nice vehicle and that is the one that fits."

Mr. Ehlers spoke against the motion.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Mr. Grimm.

Mr. Grimm: "Representative Nelson, what's in the trailer?"
Mr. Nelson (G): "Representative Chandler says that if we're to get out of here in 105 days, he needs that trailer. I am not on the Ways and Means Committee; you'll have to ask him. I understand he has quite a cargo."

The motion was lost.

MOTION

On motion of Mr. Nelson (G), the House adjourned until 9:30 a.m., Wednesday, April 22, 1981.

VITO T. CHIECHI, Chief Clerk

WILLIAM M. POLK, Speaker
House Chamber, Olympia, Wash., Wednesday, April 22, 1981

The House was called to order at 9:30 a.m. by the Speaker. The Clerk called the roll and all members were present.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Bonnie Woodmansee and John McDonough. Prayer was offered by The Reverend Lester Olson of Gloria Dei Lutheran Church of Olympia.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

(2) If requested by the depositor, each lot of his commodity shall be kept in a special pile or special bin, if available, but in the case of a bulk commodity, if the lot or any portion of it does not equal the capacity of any available bin, the depositor may exercise his option to require the commodity to be specially binned only on agreement to pay charges based on the capacity of the available bin most nearly approximating the required capacity.

(3) A warehouseman may refuse to accept for storage, commodities which are wet, damaged, insect-infested, or in other ways unsuitable for storage.

NEW SECTION. Sec. 139. Unless prohibited by federal law, the receipt of federal or other funds which are not anticipated in the appropriation bill enacted by the legislature shall be used to support regular programs instead of using funds appropriated from state taxes or similar revenue sources. The portion of a state fund appropriation which is replaced by federal or other receipts shall lapse. This section does not apply to the department of social and health services.

NEW SECTION. Sec. 140. Any programs which are supported in whole or in part by federal funds shall not receive any additional state funds for the programs in the event that federal funds are reduced or eliminated for the program. This section does not apply to the department of social and health services.

NEW SECTION. Sec. 141. (I) Funds appropriated under this act for both years of the fiscal biennium shall be initially allotted so that the total allotments for the first fiscal year do not exceed fifty percent of the total appropriation, unless the director of financial management determines that greater allotments for the first fiscal year are required by special circumstances. Allotments may be revised as provided in RCW 43.88.110, but the portion of an appropriation which has been initially allotted for the first fiscal year shall lapse at the end of the first fiscal year.

(2) This section does not apply to allotments for agencies headed by elective officials.

NEW SECTION. Sec. 142. Unless the context clearly requires otherwise, the definitions in this section apply throughout this act.

(2) 'Lapse' means the termination of authority to spend an appropriation or portion of an appropriation.

(3) 'FTE' means full time equivalent. FTE staff years specified in this act shall not be exceeded except with the written authorization of the director of financial management. The director of financial management shall grant authority to exceed specified FTE staff years only in cases of severe unanticipated need and shall report each authorization to the legislative budget committee, the legislative evaluation and accountability program committee, and the committees on ways and means of the senate and house of representatives.

NEW SECTION. Sec. 143. Any rate increases proposed for the legal services revolving fund or the general administration facilities and services revolving fund, or any change in the method of calculating changes from those funds, shall be subject to approval by the director of financial management prior to implementation.

NEW SECTION. Sec. 144. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 145. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.*

SECOND READING

Mr. Greengo moved adoption of the following amendment:

On page 12, beginning on line 1 strike all of section 18 and renumber the remaining sections consecutively.

Representatives Greengo, Flanagan, Addison and Taylor spoke in favor of the amendment, and Representatives Dawson, Sherman and Granlund spoke against it.

POINT OF INQUIRY

Mr. Greengo yielded to question by Ms. Sommers.

Ms. Sommers: "Representative Greengo, will this levy compete with all the other statutory levies, county and city, special districts? If we find that a particular taxing district is in violation of the one percent constitutional limit, whose levy will be cut back?"

Mr. Greengo: "I'm not sure I can really answer your question, but it's my belief that there has to be a rateable reduction to stay within the total of one percent. In talking to staff, it is my understanding that this forty-five cents per thousand comes outside the statutory limit of the $9.15. This is what I have been advised, so it is circumventing the 106% and the limitation in two ways. It's outside the one percent and it's allowing a vote of fifty percent, so to me it matters very, very much what means you go by to accomplish something and I think this is the wrong means."

POINT OF PARLIAMENTARY INQUIRY

Ms. Sommers: "This allows a new tax levy; was this bill referred to the Revenue Committee? If not, why not?"

The Speaker (Mr. Amen presiding): "Representative Sommers, it was not."

Mr. Greengo spoke again in favor of the amendment.

MOTION

On motion of Mr. Nelson (G), further consideration of Substitute Senate Bill No. 3360 was deferred, and the bill was ordered placed on the second reading calendar following Substitute Senate Bill No. 4131.

ENGROSSED SUBSTITUTE SENATE BILL NO. 3945, by Committee on Natural Resources (originally sponsored by Senators Zimmerman, Bauer, Benitz and Talley):

Authorizing the establishment of an Oregon-Washington bi-state Columbia River Gorge agreement.

The bill was read the second time.

Mr. Chamberlain moved adoption of the following amendment by Representatives Chamberlain and Heck:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The legislature finds that the Columbia River Gorge area provides the citizens of this state with unique aesthetic, recreational, and historic benefits through the area's diversity of scenic beauty, variety of life-forms, and significant role in the history of the nation, this region, and this state. The legislature, therefore, declares that the preservation of special characteristics of the Columbia River Gorge beginning at the western-most boundary of the Columbia River Gorge as described in RCW 43.97.090 and extending easterly to include all of Section 17 and the west halves of Sections 9 and 4 in Township 2 North, Range 13 East, and any other area designated by law is a public purpose.

It is the intent of the legislature to authorize the establishment of a select committee to examine, in detail, the unique characteristics contributing to the scenic, natural, and historical value of the area. It is further the intent of the legislature that the committee herein established explore the range of uses of the area that are consistent with preserving the sensitive characteristics of the Columbia River Gorge area. The legislature also recognizes the importance of preserving the property interests of area residents, maintaining decision-making at the local level to the maximum extent possible, and supporting economic development activities compatible with the objectives of preservation of the unique values of the Gorge.

NEW SECTION. Sec. 2. There is hereby created a Governor's Select Committee on the Columbia River Gorge to thoroughly examine the need to protect and preserve the special and unique scenic, natural, and historic features of the Gorge area and to make specific recommendations to the governor and the legislature as to how such preservation can be carried out most effectively, expeditiously, and with the maximum local involvement and decision-making consistent with agreed objectives."
NEW SECTION. Sec. 3. The Governor's Select Committee shall be composed of the following:
(1) Two members from the Washington Columbia River Gorge Commission including the chairman, appointed by the governor;
(2) One county commissioner from each of the counties in the Columbia River Gorge area appointed by the respective county commissioners;
(3) One member representing the governor, appointed by the governor, who shall be the chairman of the committee;
(4) One member from the state senate who shall be a nonvoting member, appointed by the president of the senate, serving from a district in which the Gorge is located;
(5) Two members from the house of representatives who shall be nonvoting members appointed by the speaker of the house of representatives, serving from a district in which the Gorge is located; and
(6) One member from the public at large appointed by the governor.

NEW SECTION. Sec. 4. The select committee on the Columbia River Gorge shall have the following responsibilities to:
(1) Undertake a comprehensive analysis of the management alternatives available to the states of Washington and Oregon regarding the preservation of the Columbia River Gorge;
(2) Elicit the views of all interested parties and individuals during the analysis of management options;
(3) Prepare an inventory of sensitive lands which contain intrinsic value and develop a classification system for such lands;
(4) Coordinate with the Columbia River Gorge Commission in the carrying out of the committee's responsibilities under this section, including the identification of sensitive lands indicated in subsection (3) of this section;
(5) Coordinate the committee's study with affected and interested federal agencies, state agencies, local government agencies, other public entities, and private groups and individuals; and
(6) The committee shall report its findings and recommendations including findings and recommendations about a preferred alternative approach to the management and protection of the Gorge area to the governor and the legislature no later than December 1, 1981.

NEW SECTION. Sec. 5. The committee is authorized to work with any similar committee established by the Oregon legislature or executive action by the governor which has similar responsibilities and duties. Cooperation and coordination between the Governor's Select Committee on the Columbia River Gorge and any similar committee established in Oregon shall be maximized in order to determine how a unified approach to carrying out gorge preservation objectives can be achieved.

Representatives Chamberlain and Heck spoke in favor of the amendment, and it was adopted.

On motion of Mr. Chamberlain, the following amendment to the title was adopted:
On page 1, line 1 of the title after "Relating to" strike the remainder of the title and insert "the Columbia River Gorge; creating new sections"

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Chamberlain and Heck spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Chamberlain yielded to question by Mr. Sanders.

Mr. Sanders: "Representative Chamberlain, there's a plan for the development of a new shipping facility at Kalama. Does this affect that at all?"

Mr. Chamberlain: "Representative Sanders, no, Kalama is considerably downstream from this. The Gorge is roughly from The Dalles to East Vancouver, so this bill would not affect that."

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 3945 as amended by the House, and the bill passed the House by the following vote: Yeas, 98; nays, 0; not voting, 0.

On motion of Ms. Houchen, the committee amendments were adopted.

There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Struthers spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Struthers yielded to question by Ms. Becker.

Ms. Becker: "Representative Struthers, on page 1, starting on line 23, it reads as follows: 'The commission shall grant variances from custodial care standards to governing units which operate jails with physical deficiencies which directly affect their ability to comply with these standards...' Does this mean that a city or county can receive exemptions on demand from the Commission?"

Mr. Struthers: "Representative Becker, no, it would be up to the Jail Commission to review the physical condition of a jail and make findings that a governing unit, a city or county, could not comply with some of the custodial care standards due to physical aspects of the old jail. The Jail Commission would be required to find which of the jail conditions merited temporary variances from the custodial care standards. The city or county could only request; the Jail Commission will decide. I might add that this section is merely designed to give the cities and counties some breathing room and not to require major expenditures on old jails while new or remodeled jails are being constructed with state funds."

Representatives Becker and Maxie spoke in favor of passage of the bill.

ROLL CALL

Mr. Chandler moved adoption of the committee amendment to page 31, line 21.

Representatives Chandler, Sanders and Thompson spoke in favor of the amendment, and Representatives Scott and Lux spoke against it.

The amendment was adopted.

Mr. McDonald moved adoption of the following amendment by Representatives McDonald, Greengo, Kreidler and Pruitt:

On page 14, section 1, line 22 after "conducted" insert ": PROVIDED FURTHER, That no fund raising event may be held in any building, or portion thereof, or at any other specific location or portion..."
Mr. McDonald spoke in favor of the amendment.

POINT OF INQUIRY

Mr. McDonald yielded to question by Mr. Nisbet.

Mr. Nisbet: "Does this mean that if you have a single community center in a location, but a number of organizations, that the building would be the determinate? In other words, no building, even though it was the only facility for miles around, could be used more than once every thirty-two days?"

Mr. McDonald: "Yes, Representative Nisbet, essentially what we are doing here is saying the building will have once-a-month fund raisers. There are probably some locations which would run into some problems, but basically, we have a major problem and I think it's a problem this state has to take a look at, and that is, do we want to have wide open casino gambling and that's exactly the road we are going on."

Representatives Nisbet and Struthers spoke against the amendment, and Mr. Greengo spoke in favor of it.

POINT OF INQUIRY

Mr. McDonald yielded to question by Mr. Hastings.

Mr. Hastings: "Representative McDonald, this is a rather large bill and I haven't had an opportunity to go through the whole thing. I just wonder if this has any effect on bingo at all?"

Mr. McDonald: "Representative Hastings, it does not have an effect on bingo. The section covering bingo is on page 3 of the bill and the section we would amend is on page 13. The bingo section covers totally how that would be held, how many events can be held in any one single night, and this does not affect it."

POINT OF INQUIRY

Mr. Struthers yielded to question by Mr. Williams.

Mr. Williams: "Representative Struthers, are you an ex-official member of the Gambling Commission?"

Mr. Struthers: "Yes, I am, Representative Williams."

Mr. Williams: "Has the Gambling Commission, in their legislation, recommended a similar amendment to Representative McDonald's?"

Mr. Struthers: "Representative Williams, I can't answer that question."

Mr. Williams spoke in favor of the amendment, and Mr. Barr spoke against it.

POINT OF INQUIRY

Mr. McDonald yielded to question by Mr. Ehlers.

Mr. Ehlers: "I have the same question someone had a few minutes ago about whether or not it applies to bingo, because I had a concern that it did. You said it doesn't, but if you will look on line 6, one of these events that's being covered under this section, it seems to me, with the proviso on line 22, that you are, in fact, affecting bingo."

Mr. McDonald: "Representative Ehlers, bingo can be one of the games played at a fund raising event, however, the section you should refer to is on page 3. It says on lines 15 and 16, '...does not hold bingo on more than twelve consecutive days in any calendar year.' So that section is the one that covers bingo; this section is the one that covers fund raising events. Those fund raising events can, as part of the activity, have bingo in them."

Mr. Van Dyken spoke in favor of the amendment, and Ms. Monohon spoke against it.

Mr. Nelson (G) demanded the previous question and the demand was sustained.

The amendment was not adopted.

Mr. Patrick moved adoption of the following amendment by Representatives Patrick and Williams:
on page 36, line 18 strike "commission shall have the power to enforce" and insert "primary responsibility of the commission shall (have the power to enforce) be the enforcement of"

Mr. Patrick spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Patrick yielded to question by Mr. Sanders.

Mr. Sanders: "Representative Patrick, would this negate local sheriffs from enforcing gambling laws?"

Mr. Patrick: "Representative Sanders, no it does not. They also can conduct their own investigations. What I am saying is that local police departments do not have the capabilities, but it does not take away that right of investigation."

POINT OF INQUIRY

Mr. Patrick yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Patrick, a few minutes ago, in the committee amendment we dealt with, giving up to twenty percent to local governments to levy taxes, and so forth, I assume the moneys raised were to somehow regulate and control gambling locally. Is that correct?"

Mr. Patrick: "That's partly correct; it's also to pay for some enforcement duties in those cities who can afford to have a large enough police department."

Mr. Ehlers: "We're giving them the resources to tax. If we don't leave that primary responsibility to local governments that now have the taxing capacity, essentially, it's giving them more money, and the state, with your amendment, would have the primary responsibility. Wouldn't that have a fiscal impact to the state coupled with the other committee amendment and provide extra moneys to local government?"

Mr. Patrick: "That's true, but I think the thing you should think about, and I'll give a warning—I give very few warnings—but I give you warning now, that if we don't control this, someday you are going to be very sorry and I'll be the one to tell you so."

Representatives Ehlers and Struthers spoke against the amendment, and Mr. Williams spoke in favor of it.

The department may take whatever steps are necessary to verify the statement set forth in any said affidavit.

SPECIAL ORDER OF BUSINESS

The hour of 4:52 p.m. having arrived, the Speaker stated the question before the House to be Substitute Senate Bill No. 3844 on second reading.

SUBSTITUTE SENATE BILL NO. 3844, by Committee on Constitution and Elections (originally sponsored by Senators Craswell, Goltz and Metcalf):

Prohibiting legislators from accepting campaign contributions during the legislative session.

The bill was read the second time.

The Speaker declared the House to be at ease.

POINT OF ORDER

Mr. O'Brien: "It appears to me, according to our resolution, that all you can do now is consider the bill. There is no provision here for caucuses or the House to be at ease. If you do, it seems to me you are in violation of the intent of the resolution which was approved by both the House and the Senate, which states that after 5 p.m. the House will consider only bills such as omnibus appropriation bills, and other bills of this nature. I would think there is nothing in the resolution which permits the House to go at ease at this time for the purpose of caucusing on a bill which is before us. You can act on a bill, and that's questionable, too, because there is no provision here that permits you to even act on a bill after 5 o'clock, but precedent has been established where in the past we have worked on bills that were under consideration at the time of the 5 o'clock cutoff, but in this instance, I just think you are in violation of House Concurrent Resolution No. 3 by putting the House at ease and holding a caucus on the bill. It appears to me the House should stay in session and finish this bill and that would be the end."

SPEAKER'S RULING

The Speaker: "Representative O'Brien, you are right, it has been a long-standing tradition that we do continue working on the bill before us at the time the cutoff comes. In my view the House has been at ease for the past five minutes for passing out amendments, and we will continue to be at ease so the members can take a stretch. The House is at ease."

Mr. Ellis moved adoption of the committee amendment, striking everything after the enacting clause and inserting new material.

Mr. Tupper moved adoption of the following amendment to the committee amendment:

On page 1, line 11 after "legislator" strike "political committee,"

Mr. Tupper spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. Tupper yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Tupper, if we strike 'political committee,' does that mean that a political committee acting on behalf of a legislator could continue to solicit campaign contributions for that legislator?"

Mr. Tupper: "No, Representative Nelson, it's my understanding that when a political committee has been formed on behalf of a legislator, that qualifies under the definition of a legislator, which would not be stricken by this. The intent of this amendment is only aimed at protecting the Democratic and Republican State Central Committees."

Representatives Salatino and Sommers spoke against the amendment to the amendment.

Mr. Heck demanded an electric roll call vote, and the demand was sustained.
The Clerk called the roll on the amendment by Representative Tupper to the committee amendment to Substitute Senate Bill No. 3844, and the amendment was not adopted by the following vote: Yeas, 0; nays, 96; not voting, 2.

Mr. Van Dyken moved adoption of the following amendment to the committee amendment:

On page 1, beginning on line 8 strike all of section 1 and renumber the remaining sections consecutively.

Representatives Van Dyken and Patrick spoke in favor of the amendment to the amendment, and Representatives Salatino and King (R) spoke against it.

POINT OF INQUIRY

Mr. Salatino yielded to question by Mr. Bond.

Mr. Bond: "Representative Salatino, you made a speech just a moment ago against the amendment that would strike section 1 of this bill. If that section were not struck, it would prevent any campaign contributions while the session was in progress. You held such a campaign fund raiser very early in the session, and I wonder why now you wish to do away with it, now that you've had yours?"

Mr. Salatino: "Representative Bond, I think that's one of the problems that—"

POINT OF ORDER

Mr. O'Brien: "It appears to me that Representative Bond is impugning the motives of Representative Salatino and it is a question of ethics. He is completely out of order."

The Speaker: "I could rule it so. Representative Salatino, do you wish to reply to the question?"

Mr. Salatino: "I think that's the particular problem, Representative Bond, that we run into is that you look at what everyone is doing. No one is attempting in this particular piece of legislation, to ride in here on a white horse and state that everything that is taking place is wrong, is illegal, that it deals with extortion or blackmail, or that everyone who has had a fund raiser during this legislative session is involved in illegal activities. Yes, I did have a fund raiser in January, and I think the common process down here has been for a number of people to have fund raisers during the session, but I do think when you take a look at an omnibus ethics bill, and an attempt to make changes in how all of us are going to operate in this legislative body, I think we're not pointing fingers at any particular person and saying what you did was wrong. I have filed the proper forms with the Public Disclosure Commission, everyone knew that I was having a fund raiser, but I believe strongly if we are going to eliminate the problems we see right now, that we are attempting to address, that we must eliminate and deal with fund raisers during legislative sessions."

Representatives Bond, Van Dyken and Barrett spoke in favor of the amendment to the amendment, and Representatives Becker, Pruitt, Granlund and Nelson (D) spoke against it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Van Dyken to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was not adopted by the following vote: Yeas, 26; nays, 68; not voting, 4.

Voting yea: Representatives Addison, Amen, Barr, Barrett, Bond, Chamberlain, Clayton, Ellis, Fancher, Flanagan, Greengo, Houchen, Isaacson, James, McDonald, Nickell, Nisbet, Padden, Patrick, Prince, Rosbach, Schmidt, Tilly, Van Dyken, Vander Stoepp, Williams.

Voting nay: Representatives Barnes, Becker, Bender, Berleen, Bickham, Brekke, Brown, Burns, Cantu, Chandler, Dawson, Dickie, Ehlers, Eng, Erak, Erickson, Fiske, Gallagher, Galloway, Garrett, Garson,

Ms. Berleen moved adoption of the following amendment to the committee amendment:

On page 3, after line 3 insert:

"(3) This section shall not apply if the name of the legislator for whom the contributions are solicited appears on a ballot for a primary, general, or special election that will be held during the legislative session or within thirty days following its adjournment."

Ms. Berleen spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Ms. Berleen yielded to question by Ms. Brekke.

Ms. Brekke: "Representative Berleen, are most elections not in September and November?"

Ms. Berleen: "I think they are."

Ms. Brekke: "How many sessions have gone into September or November?"

Ms. Berleen: "What happened in the past is not always what is going to happen in the future."

Mr. Barnes spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Ms. Berleen yielded to question by Mr. King (R).

Mr. King (R): "Would this language apply to recall elections?"

Ms. Berleen: "Representative King, I'm not sure. This says 'special elections' and whether that would apply, I do not know."

Representatives King (R), Van Dyken, Winsley and Wang spoke against the amendment to the amendment.

POINT OF INQUIRY

Mr. Van Dyken yielded to question by Ms. Sommers.

Ms. Sommers: "Representative Van Dyken, I heard your comments about applying only to campaign for a legislative office, but if you will look on page 2, section 4(1)(a), it says, '...or to be conducted by any incumbent legislator.' So I believe that unless we adopt the Berleen amendment, those of our members who might be running for local government positions and who would want to have a campaign fund raiser, would be prohibited from doing that. It's my understanding that the thrust of this is to stop contributions to legislators because of the possible implications to a vote in the legislative session. It was not my understanding that you wanted to prohibit raising funds for a local government campaign, but unless Representative Berleen's amendment is adopted, I think we have done just that. Do you agree?"

Mr. Van Dyken: "Representative Sommers, I disagree. I direct your attention to subsection (a) of part 1 of section 4. It says this section applies to, 'Any campaign for a legislative office conducted or to be conducted by any incumbent legislator'."

POINT OF INQUIRY

Mr. Van Dyken yielded to question by Ms. Rust.

Ms. Rust: "When you speak of 'legislative office' with a small 'l' what are we considering? Some people do call city and town councils legislative bodies. What is your interpretation?"

Mr. Van Dyken: "Representative Rust, I asked this very question of the legal counsel who drafted this, and it applies to state legislative office by the context in which it appears."

Ms. Leonard demanded the previous question, and it was not sustained.

Ms. Berleen spoke again in favor of the amendment to the amendment.
ROLL CALL

The Clerk called the roll on the adoption of the amendment by Representative Berleen to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was not adopted by the following vote: Yeas, 29; nays, 66; not voting, 3.

With the consent of the House, Ms. Sommers withdrew the amendment.

Mr. Tupper moved adoption of the following amendment by Representatives Tupper and Patrick to the committee amendment:

On page 4, line 7 after "excess of" strike "twenty-five" and insert "one hundred".

Representatives Tupper, Patrick, Van Dyken and Greengo spoke in favor of the amendment to the committee amendment, and Representatives Salatino, Padden, Nelson (D) and Winsley spoke against it.

The Clerk called the roll on adoption of the amendment by Representatives Tupper and Patrick to the committee amendment to Substitute Senate Bill No. 3844, and the amendment was not adopted by the following vote: Yeas, 34; nays, 61; not voting, 3.

Voting yea: Representatives Amen, Barnes, Barr, Barrett, Berleen, Brekke, Cantu, Clayton, Ellis, Flanagan, Galloway, Greengo, Houchen, Isaacsom, Lane, Leonard, McDonald, McGinnis, Monohon, Nickell, Nisbet, Padden, Patrick, Prince, Rosbach, Stratton, Tilly, Tupper, Valle, Van Dyken, Vander Stoep, Williams, and Mr. Speaker.

The Clerk read the following amendment by Representative Van Dyken to the committee amendment:

On page 4, line 8 after "organization" insert "from outside the candidate's legislative district".

With the consent of the House, Mr. Van Dyken withdrew the amendment to the amendment.

The Clerk read the following amendment by Representatives Patrick and Tupper to the committee amendment:

On page 4, beginning on line 12 strike all of section 7 and renumber the remaining sections consecutively.

With the consent of the House, Mr. Patrick withdrew the amendment to the amendment.

Mr. Nelson (G) moved adoption of the following amendment to the committee amendment:

On page 4, after line 22 insert a new section as follows:

"NEW SECTION. Sec. 8. There is added to chapter 42.17 RCW a new section to read as follows:

No candidate for public office may directly or indirectly solicit or receive campaign contributions from any group, or organization which raised the funds to be contributed, in whole or in part, through a system of payroll deductions."

Renumber the remaining sections consecutively.

Representatives Nelson (G) and Lundquist spoke in favor of the amendment to the amendment, and Representatives King (R), Patrick and Owen spoke against it.

Mr. Nelson (G) spoke again in favor of the amendment to the committee amendment, and Mr. King (R) spoke again in opposition to it.
Ms. Stratton spoke against the amendment to the amendment.

POINT OF INQUIRY

Mr. Nelson (D) asked Mr. Nelson (G) to yield to question and he refused to yield.

Mr. Nelson (D) spoke against the amendment to the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Nelson (G) to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was adopted by the following vote: Yeas, 50; nays, 45; not voting, 3.

Mr. King (R) moved adoption of the following amendment to the committee amendment: On page 4 of the committee amendment, after line 22 add a new section as follows:

"NEW SECTION. Sec. 8. There is added to chapter 42. 17 RCW a new section to read as follows: No candidate for public office may directly or indirectly solicit or receive campaign contributions from any corporation, sole proprietorship, partnership, limited partnership, joint venture, or any other business entity, or any political action committee which is primarily funded by a business entity listed above. Renumber the remaining section consecutively.

Mr. King (R) spoke in favor of the amendment to the committee amendment, and Mr. Patrick spoke against it.

POINT OF INQUIRY

Mr. King (R) yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative King, is a farmer a businessman?"

Mr. King (R): "If he were to use corporate funds or proprietorship funds, partnership funds or limited partnership funds or joint venture funds, that is actually money that had been placed in those accounts, he would be prohibited from it. A farmer has an occupation, on the other hand, using his own money, from his own bank account, would certainly be legal under this amendment."

Mr. Flanagan: "You are saying that the farm has to be incorporated to be considered a business?"

Mr. King (R): "It would have to come out of the actual corporate bank account. It would not be individual money or the kind of money paid on individual income tax."

Mr. Flanagan: "What about all the businesses that are not incorporated?"

Mr. King (R): "I think the other things are pretty well covered—sole proprietorship, partnership, limited partnership, joint ventures, or any other business entity or political action committee, which is primarily funded by a business entity listed above. If I've missed something it's not because I didn't think about it."

Mr. King (R) yielded to question by Mr. Sprague.

Mr. Sprague: "Representative King, would this amendment conflict with federal laws now that say that businesses can deduct state campaign funds?"

Mr. King (R): "No, it would not. This is a state law and federal law would supersede it in regard to federal elections. According to our caucus attorney, it would not impact federal law."

Mr. Lundquist spoke against the amendment to the amendment.

Mr. Tilly demanded the previous question, and the demand was sustained.
The Clerk called the roll on adoption of the amendment by Representative King (R) to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was adopted by the following vote: Yeas, 53; nays, 40; not voting, 5.

The Clerk read the following amendment by Representative Bond to the committee amendment:

On page 4, after line 33 add a new section as follows:

"NEW SECTION. Sec. 8. There is added to chapter 42.17 RCW a new section to read as follows:

No candidate for public office may directly or indirectly solicit or receive any campaign contribution from any labor union, association or organization, or political action committee which is primarily funded by a labor union, association or organization."

With the consent of the House, Mr. Bond withdrew the amendment to the amendment.

Mr. Nelson (D) moved adoption of the following amendment to the committee amendment:

On page 4, line 22 after "office" insert ": PROVIDED, That nothing in this section shall prohibit the rendering of 'part-time' personal services as authorized in RCW 42.17.020(10)."

Representatives Nelson (D) and Van Dyken spoke in favor of the amendment to the amendment.

The Clerk called the roll on adoption of the amendment by Representative Nelson (D) to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was adopted by the following vote: Yeas 73; nays, 22; not voting, 3.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

The Clerk read the following amendment by Representative Nelson (D):

On page 4, following section 8 insert a new section as follows:

"NEW SECTION. Sec. 9. There is added to chapter 42.17 RCW a new section to read as follows:

Any person or entity outside the state representing a national political party or a political action committee which contributes to any political candidate or person or entity representing or supporting a candidate or in support or opposition of a ballot measure in this state must report to the commission all contributions to such person or entity in excess of one thousand dollars as if that contributor were a political committee reporting expenditures under this chapter."

With the consent of the House, Mr. Nelson (D) withdrew the amendment to the committee amendment.

Mr. King (R) moved adoption of the following amendment to the committee amendment:

On page 4, after line 33 add a new section as follows:

"NEW SECTION. Sec. 9. There is added to chapter 42.17 RCW a new section to read as follows:

Any legislator who participates in any form of continuing compensation arrangement with any employer, other than compensation paid by the state for public office, shall, within thirty days of the date of
the receipt thereof, submit a report to the commission specifying the amount, reason for which paid, and identify the participating parties."

Mr. King (R) spoke in favor of the amendment to the amendment.

POINT OF INQUIRY

Mr. King (R) yielded to question by Mr. Smith.

Mr. Smith: "You mean to tell me that I have to disclose everything I do on my farm because of this amendment?"

Mr. King (R): "No, unless you are employing yourself and paying yourself compensation during the session."

Mr. Smith: "I'm receiving money from my own operation on my own farm and you're saying that I have to disclose this every—how often do I have to do this?"

Mr. King (R): "It says within thirty days of the receipt thereof."

Mr. Smith spoke against the amendment to the amendment.

POINT OF INQUIRY

Mr. King (R) yielded to question by Mr. Hastings.

Mr. Hastings: "Representative King, in that phrase, 'other than compensation paid by the state for public office,' and you exempt that, how would this effect an appointed office or something to that effect?"

Mr. King (R): "I'm not sure what you mean by an appointed office of the state. Public office, I believe, is elective."

Mr. Hastings: "It says he doesn't have to report compensation paid by the state for public office. I just wondered how that would be for a person appointed to a public office. You don't define public office so I wonder, if you were appointed, what effect that would have?"

Mr. King (R): "I assume you would not have to report it."

Mr. Hastings: "Why would that be exempt when in the private sector you have to do that?"

Mr. King (R): "Public office is an office to which you are elected or appointed; this language is so that you wouldn't have to report your legislative salary on a monthly basis. People know what that is. Public office salaries are matters of public record."

Mr. Hastings: "I'm just confused because it sounds to me as if you are exempting those that are in public office from reporting their compensation and I just wanted a clarification."

Mr. King (R): "If you are talking about public employees who are receiving money during a legislative session, they would have to report that. If that's what you are getting at, but an office holder in a public office, which is one that is elected or appointed, wouldn't have to report."

POINT OF INQUIRY

Mr. King (R) yielded to question by Mr. Greengo.

Mr. Greengo: "Representative King, I work for an employer who pays me an actual salary, and I report that on my public disclosure form. What effect would this have on me? I get an annual salary that's paid on an increment and I report that. Am I, every time I get a paycheck, going to have to report it?"

Mr. King (R): "That's right, yes."

Mr. Greengo: "What does that do for public knowledge other than the fact that we know that I'm still reporting it? I can't figure out what it's trying to get at."

Mr. King (R): "What we're saying is that you are being paid during the legislative session by two employers. You are being paid by the state of Washington and you are being paid by your private employer and you are simply reporting that. It does not prohibit that. The way the public disclosure forms are listed now you are not, you are just simply recording annual income and you are not recording on whether or not you had a reduction in income as a result of your service in the legislature."
POINT OF INQUIRY

Mr. King (R) yielded to question by Mr. Garson.

Mr. Garson: "Representative King, I would like you to define compensation for me."

Mr. King (R): "I'm sure there's a legal definition for compensation. I assume it means the money or things of value that you are given on a regular basis from an employer."

Representatives Garson, Barnes, Lundquist and Owen spoke against the amendment to the amendment, and Representatives King (R) and Nelson (D) spoke in favor of it.

Mr. Clayton demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative King (R) to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was not adopted by the following vote: Yes, 44; nays, 50; not voting, 4.

Mr. Ellis moved adoption of the following amendment to the committee amendment:

(1) The board shall accept from any individual, either personally or on behalf of an organization or governmental body, a verified complaint in writing which states the name of any person alleged to have committed a violation of the code of ethics and which sets forth the particulars thereof. The board shall forward to the accused within ten days, a copy of the complaint and a general statement of the applicable statutes with respect to such verified complaint. If the board determines that the verified complaint does not allege facts sufficient to constitute a violation of the code of ethics, it shall dismiss the complaint and notify the complainant and the accused. If the board determines that the verified complaint was brought for harassment purposes, the board shall so state.

(2) Any state public official may request the board to make an investigation of his or her own conduct or of allegations made by other persons as to his or her conduct. Such a request shall be made in writing and shall set forth in detail the reasons therefor.

Such investigation shall be initiated by a resolution of the board and shall state the nature and purpose of the investigation and the actions or activities to be investigated. No investigation of any person may be commenced until it has been authorized by the board and until the person who is the subject of the investigation has been notified of the investigation pursuant to subsection (4) of this section. If the board, during the course of an investigation finds probable cause to believe that a violation of the code of ethics has occurred, it may:

(a) If no verified complaint has been filed, make on its own motion a verified complaint, which shall be in writing, shall state the name of the person who is alleged to have committed a violation of the code of ethics, and shall set forth the particulars thereof. If the complaint is so amended by the board, a copy of the amendment shall be sent to the person complained against within forty-eight hours.

(4) As soon as it becomes apparent to the executive director that there exists probable cause for the belief that a particular person has committed a violation of the code of ethics, the executive director shall apply to the board for a resolution authorizing the investigation and, if secured, shall forward a copy of the resolution to the alleged violator together with a notice informing the alleged violator that such person is the subject of the investigation authorized by such resolution and a general statement of the applicable statutes with respect to such investigation.

(5) No action may be taken on any complaint which is filed later than three years after a violation of the code of ethics is alleged to have occurred.

NEW SECTION. Sec. 21. Pursuant to any investigation or hearing conducted under this chapter, the board has the power:

NEW SECTION. Sec. 22. (1) At the conclusion of its investigation, the board shall, in preliminary written findings of fact and conclusions based thereon, make a determination of whether or not probable cause exists to believe that a violation of the code of ethics has occurred. If the board determines that no probable cause exists, it shall immediately send written notice of such determination to the accused and to the party who made the complaint. If the board determines that there is probable cause for believing that a violation of the code of ethics has been committed, its preliminary findings of fact and conclusions may contain:

(a) A recommendation for criminal prosecution which shall be referred to the prosecuting attorney in whose jurisdiction the alleged violation occurred, and, if the prosecuting attorney fails to commence a prosecution within thirty days, to the attorney general, who may then commence a prosecution; or

(b) An order setting a date for hearing before the board to determine whether a violation of code of ethics has occurred. Such order shall be served upon the accused. A hearing ordered under this subsection (b) shall be commenced within thirty days of the date it is ordered unless the accused petitions for and the board consents to a later date. Prior to any hearing ordered under this subsection (b), the accused is entitled to full discovery rights, including adverse examination of witnesses who will testify at the hearing at a reasonable time before the date of the hearing.

(2) The board shall inform the accused or his or her counsel of exculpating evidence in its possession.

(3) If the board makes a recommendation for criminal prosecution under subsection (1) of this section, the prosecuting attorney to whom the recommendation is made shall, within thirty days of receipt of such recommendation, make a decision whether to prosecute the party charged. The board shall give written notice of any referral under this subsection to the accused. The prosecuting attorney shall give written notice of the decision to the accused, the complainant, and the board.

NEW SECTION. Sec. 23. (1) During any investigation and during any hearing which is conducted to determine whether a violation of the code of ethics has occurred, the person under investigation or the accused may be represented by counsel of his or her own choosing. The accused or his or her representative, if any, shall have an opportunity to challenge the sufficiency of any complaint which has been filed against him or her, to examine all documents and records obtained or prepared by the board in connection with the matter heard, to bring witnesses, to establish all pertinent facts and circumstances, to question or refute testimony or evidence including the opportunity to confront and cross-examine adverse witnesses, and shall otherwise be able to exercise fully any pretrial discovery procedure usually available in civil actions. During any hearing conducted by the board to determine whether a violation of the code of ethics has occurred, all evidence including certified copies of records which the board considers shall be fully offered and made a part of the record in the proceedings. The accused or any other person under investigation shall be afforded adequate opportunity to rebut or offer countervailing evidence. Upon request of the accused, the board shall issue subpoenas to compel the attendance of necessary witnesses.

(2) Any person whose name is mentioned or who is otherwise identified during a hearing being conducted by the board and who, in the opinion of the board, may be adversely affected thereby, may, upon his request or upon the request of any member, appear personally before the board and testify on his or her own behalf, and the board may permit any other person to appear and to testify at a hearing.

(3) The standards of evidence and the burden of proof applicable to criminal proceedings shall apply to hearings under this section.

(4) After the conclusion of its hearing, the board shall as soon as practicable begin deliberations on the evidence presented at such hearing and shall then proceed to determine whether the accused has violated the code of ethics.

NEW SECTION. Sec. 24. At the conclusion of a hearing, the board shall issue findings of fact and conclusions, orders, and recommendations. If the board determines that no violation of the code of ethics has occurred, it shall immediately send written notice of such determination to the accused and to the party who made the complaint. If the board determines that a violation of the code of ethics has occurred, its findings of fact and conclusions may contain one or more of the following orders or recommendations:

(1) In the case of a public official or state employee, a recommendation that the public official be censured, suspended, or removed from office or employment. Such recommendation shall be made to the appropriate appointing authority who may censure, suspend, or take action to remove the official from office or employment.

(2) In the case of a legislator, a recommendation that the person be censured, suspended, or removed from office. Such recommendation shall be made to the appropriate house of the legislature.

(3) An order requiring the accused to conform his or her conduct to the code of ethics.

(4) Such other recommendation or order as may be necessary and appropriate and is consistent with the intent and purposes of this chapter and the code of ethics.

NEW SECTION. Sec. 25. The following acts or parts of acts are each repealed:
(1) Section 1, chapter 150, Laws of 1967 ex. sess., section 1, chapter 218, Laws of 1977 ex. sess. and RCW 44.60.010;
(2) Section 2, chapter 150, Laws of 1967 ex. sess., section 2, chapter 218, Laws of 1977 ex. sess., section 43, chapter 87, Laws of 1980 and RCW 44.60.020;

Mr. Ellis spoke in favor of the amendment to the committee amendment.

POINT OF ORDER

Mr. Pruitt: "Mr. Speaker, I'm raising a point of order as I believe this amendment is out of scope and object. This is a bill relating to campaign financing. I do not believe that this deals with the same thing. It deals with a different kind of system with the Board of Ethics."

SPEAKER'S RULING

The Speaker: "Representative Pruitt, for a point of order to be raised it must be made in a timely fashion before debate has ensued. Your point of order is not well taken."

Mr. Ellis continued his remarks in favor of the amendment to the amendment, and Representatives Pruitt and Van Dyken spoke against it.

POINT OF INQUIRY

Mr. Ellis yielded to question by Ms. Rust.

Ms. Rust: "Representative Ellis, this is not the first time you have introduced what looks like a whole bill as an amendment to a bill. Some of these other bills are ones that we had and they failed to pass in the Senate, but if you have followed this from months ago as chairman of the committee that dealt with the subject, why haven't you had a hearing on it earlier?"

Mr. Ellis: "Representative Rust, thank you for asking me that question. We appointed Representative Tupper as Chairman of a Subcommittee on Ethics, and he had a full committee there and I thought they were going to have a meeting on it. I waited. This bill has been around for two months, and I have been waiting for a meeting."

Representatives Barnes and King (R) spoke against the amendment to the amendment, and Mr. Ellis spoke again in favor of it.

Ms. Rosbach demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Ellis to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was not adopted by the following vote: Yeas, 16; nays, 72; not voting, 10.

Voting yea: Representatives Bickham, Bond, Clayton, Dawson, Dickie, Ellis, Fiske, Galloway, Granlund, Isaacson, James, Lewis, Nickell, Padden, Schmidt, Sprague.

Mr. Nelson (D) moved adoption of the following amendment to the committee amendment:

On page 4, after line 33 insert new sections as follows:

*NEW SECTION. Sec. 9. The fair campaign practices code for candidates and ballot issues is as follows:

1. I shall conduct my campaign, and to the extent reasonably possible shall insist that my supporters conduct themselves, in a manner consistent with the best American tradition, discussing the issues and presenting my record and policies with sincerity and candor.

2. I shall uphold the right of every qualified voter to free and equal participation in the election process.

3. I shall not participate in, and I shall condemn, personal vilification, defamation, and other attacks on any opposing candidate or party which I do not believe to be truthful, provable, and relevant to my campaign.

4. I shall not use or authorize, and I shall condemn material relating to my campaign, which falsifies, misrepresents, or distorts the facts, including but not limited to malicious or unfounded accusations creating or exploiting doubts as to the morality, patriotism, or motivations of any party or candidate.

5. I shall not appeal to, and I shall condemn appeals to, prejudices based on race, creed, sex, or national origin.

6. I shall not practice, and I shall condemn practices, which tend to corrupt or undermine the system of free election or which hamper or prevent the free expression of the will of the voters.

7. I shall promptly and publicly repudiate the support of any individual or group which resorts, on behalf of my candidacy or in opposition to that of my opponent(s) to methods in violation of the letter or spirit of this code.

8. I shall refrain from any misuse of the Public Disclosure Law, chapter 42.17 RCW, to gain political advantage for myself or any other candidate.

NEW SECTION. Sec. 10. (1) A copy of the code provided in section 9 of this 1981 act shall be printed in appropriate campaign reporting instructions made available to candidates and political committees.

(2) The registration statement for candidates shall contain a section wherein the candidate shall indicate that he or she has read the code and agrees to comply with all provisions of that code.

(3) Any complaint concerning the code shall be filed with the legislative ethics board of the appropriate house of the legislature.

(4) Upon receipt and acceptance of a complaint, the appropriate legislative ethics board shall hire a person outside the legislative staff to advise the board during its review of the complaint. The appropriate legislative ethics board shall submit a report of its findings to the full body on the first day of the next regular session of the legislature.

(5) Failure to subscribe to the code or to complete that section of the registration statement pertaining to the code shall constitute a violation of chapter 42.17 RCW.

(6) Any vacancy in the legislature that occurs due to an action brought under this 1981 act shall be filled by the party of last duly elected candidate in accordance with Article II, section 15 of the state Constitution.

Mr. Nelson (D) spoke in favor of the amendment to the committee amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Nelson (D) to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was adopted by the following vote: Yeas, 79; nays, 13; not voting, 6.

Mr. Van Dyken moved adoption of the following amendment to the committee amendment:

On page 4, after line 33 insert the following:

*NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

*NEW SECTION. Sec. 10. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.*
Mr. Van Dyken spoke in favor of the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Van Dyken to the committee amendment to Substitute Senate Bill No. 3844, and the amendment to the amendment was adopted by the following vote: Yeas, 85; nays, 9; not voting, 4.

SPEAKER'S EXPLANATION

The Speaker: "There is a new amendment on your desks by Representative Nisbet. It is, in fact, an amendment to Substitute Senate Bill No. 3844. We have before us at this point a committee amendment to the bill. Both of these amendments strike everything after the enacting clause. Procedurally, we should take up the committee amendment as it has been amended here on the floor tonight and vote on that issue first and the second issue to be considered following that would be the Nisbet amendment, which also seeks to strike everything after the enacting clause and insert. The question now before the House is the adoption of the committee amendment as amended."

POINT OF PARLIAMENTARY PROCEDURE

Mr. Williams: "Mr. Speaker, am I to understand then that if we all vote yes on the committee amendment, we also would have the opportunity to vote on the floor amendment by Representative Nisbet?"

The Speaker: "Yes, that is correct."

POINT OF ORDER

Mr. King (R): "I don't believe we would be able to vote twice on the motion to strike."

SPEAKER'S RULING

The Speaker: "Representative King, your point of order is, would the Nisbet amendment be allowed to be offered if the committee amendment is adopted. Your point of order is well taken. The procedural situation we now find ourselves in is that if your intention is to get to the Nisbet amendment, the committee amendment would have to fail, thereby placing the original bill before this body. If, however, you favor the committee amendment as has been amended by this body, and you do not wish to get to the Nisbet amendment, then you vote for the committee amendment, and if that is passed the Nisbet amendment cannot be offered. Part of the rationale behind that ruling is that the body has adopted a number of amendments and you cannot come back and strike those amendments without a member who has voted on the prevailing side on each of those amendments moving to reconsider those amendments."

POINT OF PARLIAMENTARY PROCEDURE

Mr. Nelson (G): "Mr. Speaker, if we were to defeat the perfected committee amendment on this floor and the Nisbet amendment were then offered, striking the bill and inserting new material, would it be possible for members of this body to then add amendments to the Nisbet amendment?"

The Speaker: "Yes, it would. The Nisbet amendment would be open for amendment. In fact, we would be right back in the same position starting as we were four hours ago with the committee amendment."

POINT OF PARLIAMENTARY PROCEDURE

Mr. Van Dyken: "If Representative Nisbet's amendment read, 'House amendment to the committee amendment,' instead of 'House amendment to Substitute Senate Bill No. 3844,' would that be a valid amendment to the amendment?"
The Speaker: "The amendment, if it were drafted as an add-on amendment to add more paragraphs to the committee amendment, could be offered, but it cannot be offered in such a manner as to strike the thing this body has already acted on tonight."

The Speaker stated the question before the House to be the committee amendment as amended.

Representatives Salatino, Patrick, Pruitt, Becker, Van Dyken, Grimm, Heck, Sommers, Tupper and Nelson (D) spoke in favor of the amendment as amended, and Representatives Amen, Struthers, Nisbet and Barnes spoke against it.

Mr. Warnke demanded the previous question, and the demand was sustained.

POINT OF PERSONAL PRIVILEGE

Mr. Van Dyken: "Mr. Speaker, I think it is important to note a mention in the talk about the cartoons about railroading, that it takes a leadership of confidence; it takes a leadership of openness and it takes a leadership of candor to allow a bill such as this to come to the floor of the House of Representatives for as thorough a debate as we have had tonight, which has not occurred in this body for years."

ROLL CALL

The Clerk called the roll on adoption of the committee amendment as amended to Substitute Senate Bill No. 3844, and the amendment was adopted by the following vote: Yeas, 81; nays, 15; not voting, 2.

Mr. Ellis moved adoption of the committee amendment to the title of the bill.

On motion of Mr. Van Dyken, the following amendment to the title amendment was adopted:

On page 5, line 11 of the title after "RCW;" strike "and" and on line 13 after "RCW" insert "; and declaring an emergency"

The committee amendment to the title as amended was adopted.

MOTION

On motion of Mr. Nelson (G), the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Nisbet spoke against final passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 3844 as amended by the House, and the bill passed the House by the following vote: Yeas, 87; nays, 10; not voting, 1.

Not voting: Representative Barrett.
Substitute Senate Bill No. 3844 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

ENGROSSED HOUSE BILL NO. 719, Prime Sponsor: Committee on Education, providing for a citizens study commission on school finance. Reported by Committee on Education.

MAJORITY recommendation: Do pass with the following amendment:
Strike everything after the enacting clause and insert the following:
"NEW SECTION. Section 1. The state of Washington has enacted major school finance reform legislation during recent legislative sessions. These laws represent an appropriate and necessary response to the state's constitutional requirement to make ample provision for the education of all children and to do so on a general and uniform basis.

New issues have arisen, however, that must be addressed in order to ensure that the present school funding system operates effectively and results in a quality system of public education that promotes high standards of academic excellence for all children. Problems that have been or must soon be examined by the legislature include: How to ensure that limited resources are provided at levels and in ways that are both fair to children and fair to taxpayers; how to maintain local control and choice within a system of state funding; and how to encourage excellence within Washington's public educational system.

Any needed changes in the school finance laws should not be made, however, without the benefit of a careful, in-depth study of the current laws, their effects on local districts, and alternative solutions to current and emerging problems. It is also important that there be broad public discussion of school finance issues, and that the knowledge and experiences of many individuals be drawn upon systematically.

NEW SECTION. Sec. 2. There is hereby created a Citizens Study Commission on School Finance. The purpose of the commission shall be two-fold: To study school finance and quality education issues and make recommendations to the governor, the legislature, state agencies, and the citizens of this state; and to provide a forum for public discussion of these issues.

Generally, the commission members shall consider how to maintain an excellent, locally directed system of public education within the adopted system of state funding and with limited resources. More specifically, the commission shall address the following issues:
(1) Ample and equitable state funding of the educational needs of all children, with minimum regulation over program and reasonable control over costs."
(2) The state's responsibility to fully fund adequate staff salaries, and the impact of various alternative funding methods on staff quality and salary negotiations.

(3) Alternative approaches to the levy lid that might be appropriate, including increasing or removing the lid.

(4) Encouragement of more effective, more responsive and responsible decision making at the local level, including a review of community-based models enacted in other states, such as school-site planning, that might be suitable in Washington.

(5) Financial and nonfinancial incentives that might be appropriate in order to stimulate more effective use of limited resources, and encourage utilization of the ideas, talents, and best efforts of teachers, administrators, and citizens.

(6) The roles of the state and local districts in providing and funding incentives to excellence.

NEW SECTION. Sec. 3. The commission shall consist of nineteen members, each of whom shall apply for membership and demonstrate his or her concern and interest in the education of all children. Furthermore, all members will serve as individuals rather than as representatives of organizations or institutions. Total membership will reflect a racial and geographic balance and will include some citizens who are professionals in the fields of education, law, finance, and administration.

Fifteen members shall be appointed by the governor, following an open application process. Two members shall be appointed by the speaker of the house, one from each political party; and two members shall be appointed by the majority leader of the senate, one from each political party. The chairman of the commission shall be elected by the commission members.

The commission shall be constituted and ready to hire staff and begin work by October 1, 1981. Draft recommendations shall be proposed by October 1, 1982, and after extensive state-wide public discussion of those recommendations, final recommendations for appropriate action shall be completed and presented to the governor by December 1, 1982. Members of the commission shall present those recommendations to the legislature, to state agencies, and to the public as soon as possible after the 1983 legislature convenes, and the commission shall cease to function by the end of the 1983 legislative session.

NEW SECTION. Sec. 4. The commission may establish advisory committees and task forces and may employ such staff or consultants as it may deem necessary to fulfill its duties.*

POINT OF INQUIRY

Mr. Isaacson yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Isaacson, you mentioned that this might place the new members of the corporate board that we have put in place under Senate Bill No. 3797 in jeopardy. My understanding is that those people will be members of the executive board whereas this speaks to the 'board' which is another body. Isn't that correct?"
Mr. Isaacson: "I believe that the amendment that is placed by the Senate merely says 'board.' It does not define board in the statutes. Therefore, the subject is open to question and for that reason it should be voted against, because that does stop the entire issue."

The motion failed.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker declared the question before the House to be the final passage of Engrossed Substitute House Bill No. 335 as amended by the Senate.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 335 as amended by the Senate, and the bill passed the House by the following vote: Yeas, 94; nays, 3; not voting, 1.

Voting nay: Representatives Amen, Barr, Ehlers.

Not voting: Representative Bender.

Engrossed Substitute House Bill No. 335 as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.
An operating agency shall have the power to amend a contract previously let for the construction of a nuclear generating project and associated facilities, by change order or other writing, if the managing director certifies to the executive board or executive committee that:

1. Such amendment is necessary to comply with applicable regulations or standards of any state or federal governmental agency, or with any change in plans or specifications recommended by the architect-engineer in charge of the project or under his direction or by the managing director for the purpose of improving the safety or feasibility of the project or expediting completion of the project on the most advantageous terms in the public interest.

2. Such amendment does not provide for a type of construction basically different from that provided for in such contract.

3. The plans and specifications for work to be performed under the contract amendment are at least fifty percent complete; and

4. Such amendment specifies that the contractor will be compensated for actual work performed valued at its contracted cost.

Nothing in this 1981 act may be construed to bear on the validity of any contract amendment executed under the law or to affect any judicial proceeding arising from actions taken under such law.

This section shall expire on December 31, 1987, or on the date that construction is completed on those nuclear generating projects which are under construction by any joint operating agency on the effective date of this act, whichever is sooner.

NEW SECTION. Sec. 2. There is added to chapter 43.52 RCW a new section to read as follows:

It is the long-established policy of the state of Washington that competitive bidding for construction and procurement contracts for public improvements is the best practice and is in the public interest in assuring the citizens of the state the lowest cost in obtaining these improvements. However, the legislature declares that for certain work during the final stages of construction and startup of a nuclear generating project and associated facilities it will permit award of contracts through competitive negotiation when competitive bidding is not practicable or not advantageous.

The legislature intends that negotiated contracts be limited to the final stages of construction and startup of a nuclear generating project and associated facilities.

NEW SECTION. Sec. 3. There is added to chapter 43.52 RCW a new section to read as follows:

In addition to the powers of an operating agency under other provisions of law, an operating agency may enter into a contract for work to be performed during the final stages of construction and startup through negotiation without competitive bids only if all the following conditions are first satisfied:

1. The executive board or executive committee of the operating agency has adopted a procedure to determine when a project has reached the final stages of construction and startup. A project shall not be considered to have reached the final stages of completion and startup unless the managing director certifies that the project is approximately eighty percent or more complete calculated by the method used to determine this percentage for the purpose of disclosing relevant information under 15 U.S.C. Sec. 77 et seq. as existing on the effective date of this act.

2. The managing director certifies in writing to the executive board or executive committee and the executive board or executive committee finds in an open public meeting that:

   a. The project is approximately eighty percent or more complete calculated by the method used to determine this percentage for the purpose of disclosing relevant information under 15 U.S.C. Sec. 77 et seq. as existing on the effective date of this act, whichever is sooner.

   b. The operating agency has defined in writing the roles, responsibilities, and obligations of the new contractor.

   c. The selection of a contractor was made in accordance with procedures adopted by the executive board or executive committee requiring competitive proposals, the request for which states the relative importance of the various evaluation factors, including professional competence of offerors, the technical merits of offers, and the price.

   d. The joint operating agency retains authority and responsibility for inspection, testing, and compliance with applicable regulations or standards of any state or federal governmental agency.

   e. The operating agency has defined in writing the roles, responsibilities, and obligations of the new contractor and any contractor who commenced any work to be reworked, performed by, or completed by the new contractor.

NEW SECTION. Sec. 4. There is added to chapter 43.52 RCW a new section to read as follows:

An operating agency may provide in any negotiated contract for payment of cost and compensation in the form of reimbursement of actual contractor's costs recognized as allowable under the contract, plus a profit or fee as set forth in the contract, only if there is compliance with the following requirements:

1. The managing director certifies to the executive board or executive committee that it is not feasible to determine in advance what a fixed or unit contract price should be for the work, materials, or equipment
to be covered by the proposed contract, either because of difficulty in defining and detailing the scope of the work to be performed, the materials, or equipment required;

(2) The executive board or executive committee finds in an open public meeting held under chapter 42.30 RCW that the contract is likely to be less costly than contracts of other types or that it is impractical to obtain the work, materials, or equipment required except under the contract;

(3) The contract provides that:
   (a) The contractor shall submit cost or pricing data and shall certify that, to the best of its knowledge and belief, the cost and pricing data submitted were accurate, complete, and current as of a mutually agreed upon date which is prior to the pricing of the negotiated contract;
   (b) The operating agency and the state auditor shall audit the books and records of the contractor, its subcontractors under the contract, or any person who has submitted cost or pricing data in connection with the obtaining of the contract or the performance of the contract as necessary to determine compliance with relevant provisions of law;
   (c) The contract price or compensation, including any profit or fee, shall be adjusted to exclude any significant sum by which the price was increased because contractor-furnished cost or pricing data was inaccurate, incomplete, or not current as of the date agreed upon between the parties; and
   (d) Notice is given to the contractor that the provisions of chapters 42.20 and 42.23 RCW apply to employees and officers of the operating agency; and

(4) Standards or guidelines are set forth in the contract for the determination of what the compensation payable to the contractor shall be, which shall not be based upon cost—plus—a—percentage—of—cost.

NEW SECTION. Sec. 5. There is added to chapter 43.52 RCW a new section to read as follows:

The administrative auditor shall file with the executive board or executive committee of the operating agency a quarterly report relating to compliance by the operating agency with sections 1 through 4 of this act. The administrative auditor shall file copies of the report with the legislative budget committee, which shall file a copy of each report with the respective chairpersons of the energy and utilities committees of the senate and house of representatives under RCW 43.52.378.

NEW SECTION. Sec. 6. There is added to chapter 43.52 RCW a new section to read as follows:

All of the provisions of Titles 9 and 9A RCW apply to actions of a joint operating agency.

NEW SECTION. Sec. 7. Section 1, chapter 28, Laws of 1977 ex. sess. and RCW 43.52.480 are each repealed.

NEW SECTION. Sec. 8. Sections 2 through 5 of this act shall expire on December 31, 1987, or on the date that construction is completed on those nuclear generating projects which are under construction by any joint operating agency on the effective date of this act, whichever is sooner.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 10. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

On page 1, line 1 of the title, after "Relating to operating agencies;" strike the remainder of the title and insert "amending section 2, chapter 28, Laws of 1977 ex. sess. and RCW 43.52.490; adding new sections to chapter 43.52 RCW; repealing section 1, chapter 28, Laws of 1977 ex. sess. and RCW 43.52.480; prescribing penalties; providing expiration dates; and declaring an emergency;" and the same is herewith transmitted.

(3) The board of directors of any school district desiring to rent or lease any surplus real property owned by the school district shall send written notice to the office of the state superintendent of public instruction. School districts shall not rent or lease the property for at least forty-five days following the date notification is mailed to the state superintendent of public instruction.

SENATE AMENDMENTS TO HOUSE BILL

April 20, 1981

Mr. Speaker: The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 440 with the following amendments:

On page 1, line 4 of the title after "9A.20.020;" insert "amending section 4, chapter 14, Laws of 1975 as last amended by section 1, chapter 244, Laws of 1979 and RCW 9A.44.040"

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Section 1. The purpose of this chapter is to make the criminal justice system accountable to the public by developing a system for the sentencing of felony offenders which structures, but does not eliminate, discretionary decisions affecting sentences, and to add a new chapter to Title 9 RCW designed to:

1. Ensure that the punishment for a criminal offense is proportionate to the seriousness of the offense and the offender's criminal history;

2. Promote respect for the law by providing punishment which is just;

3. Be commensurate with the punishment imposed on others committing similar offenses;

4. Protect the public;

5. Offer the offender an opportunity to improve him or herself; and

6. Make frugal use of the state's resources.

NEW SECTION. Sec. 2. This chapter may be known and cited as the sentencing reform act of 1981.

NEW SECTION. Sec. 3. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

1. 'Commission' means the sentencing guidelines commission.
(2) 'Community supervision' means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed pursuant to this chapter by a court. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to section 12(4) of this act.

(3) 'Confinement' means total or partial confinement as defined in this section.

(4) 'Conviction' means an adjudication of guilt pursuant to Titles 10 or 13 RCW.

(5) 'Crime-related prohibition' means an order of a court prohibiting conduct which directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct.

(6)(a) 'Criminal history' means the list of a defendant's prior convictions, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) 'Criminal history' includes a defendant's convictions or pleas of guilty in juvenile court if: (i) The guilty plea or conviction was for an offense which is a felony and is criminal history as defined in RCW 13.40.020(6)(a); and (ii) the defendant was fifteen years of age or older at the time the offense was committed; and (iii) the defendant was twenty-three years of age or less at the time the offense for which he or she is being sentenced was committed.

(7) 'Department' means the department of social and health services.

(8) 'Determine sentence' means a sentence which states with exactitude the number of actual years, months, or days of total confinement, partial confinement, community supervision, the number of actual hours or days of community service work, or dollars or terms of a fine or restitution. The fact that an offender through earned early release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(9) 'Fines' means the requirement that the offender pay a specific sum of money over a specific period of time to the court.

(10) 'First-time offender' means any person convicted of a felony not classified as a violent offense under this chapter, who previously has never been convicted of a felony in this state, federal court, or another state, and who has never participated in a program of deferred prosecution for a felony offense.

(11) 'Offender' means a person who has committed a felony established by state law and is eighteen years of age or older and who is less than eighteen years of age whose case has been transferred by the appropriate juvenile court to a criminal court pursuant to RCW 13.40.110. Throughout this chapter, the terms 'offender' and 'defendant' are used interchangeably.

(12) 'Partial confinement' means confinement for no more than one year in a facility or institution operated or utilized under contract by the state or any other unit of government, for a substantial portion of each day with the balance of the day spent in the community.

(13) 'Restitution' means the requirement that the offender pay a specific sum of money over a specific period of time to the court as payment of damages. The sum may include both public and private costs. The imposition of a restitution order does not preclude civil redress.

(14) 'Sentence range' means the sentencing court's discretionary range in imposing a nonappealable sentence.

(15) 'Total confinement' means confinement inside the physical boundaries of a facility or institution operated or utilized under contract by the state or any other unit of government for twenty-four hours a day, or pursuant to RCW 72.64.050 and 72.64.060.

(16) 'Violent offense' means:

(a) Any of the following felonies, as now existing or hereafter amended: Any felony defined under any law as a class A felony or an attempt to commit a class A felony, criminal solicitation of or criminal conspiracy to commit a class A felony, manslaughter in the first degree, manslaughter in the second degree, indecent liberties if committed by forcible compulsion, rape in the second degree, kidnapping in the second degree, arson in the second degree, assault in the second degree, extortion in the first degree, and robbery in the second degree;

(b) Any conviction for a felony offense in effect at any time prior to July 1, 1976, which is comparable to a felony classified as a violent offense in subsection (16)(a) of this section; and

(c) Any federal or out-of-state conviction for an offense comparable to a felony classified as a violent offense under subsection (16)(a) or (b) of this section.

NEW SECTION. Sec. 4. (1) A sentencing guidelines commission is established as an agency of state government.

(2) The commission shall, following a public hearing or hearings:

(a) Devise a series of recommended standard sentence ranges for all felony offenses and a system for determining which range of punishment applies to each offender based on the extent and nature of the offender's criminal history, if any;

(b) Devise recommended prosecuting standards in respect to charging of offenses and plea agreements; and

(c) Devise recommended standards to govern whether sentences are to be served consecutively or concurrently.

(3) Each of the commission's recommended standard sentence ranges shall include one or more of the following: Total confinement, partial confinement, community supervision, community service, and a fine.
(4) In devising the standard sentence ranges of total and partial confinement under this section, the commission is subject to the following limitations:

(a) If the maximum term in the range is one year or less, the minimum term in the range shall be no less than one-third of the maximum term in the range;

(b) If the maximum term in the range is greater than one year, the minimum term in the range shall be no less than seventy-five percent of the maximum term in the range; and

(c) The maximum term of confinement in a range may not exceed the statutory maximum for the crime as provided in RCW 9A.20.020.

(5) In carrying out its duties under subsection (2) of this section, the commission shall give consideration to the existing guidelines adopted by the association of superior court judges and the Washington association of prosecuting attorneys and the experience gained through use of those guidelines. The commission shall emphasize confinement for the violent offender and alternatives to total confinement for the nonviolent offender.

(6) This commission shall conduct a study to determine the capacity of correctional facilities and programs which are or will be available. While the commission need not consider such capacity in arriving at its recommendations, the commission shall project whether the implementation of its recommendations would result in exceeding such capacity. If the commission finds that this result would probably occur, then the commission shall prepare an additional list of standard sentences which shall be consistent with such capacity.

(7) By September 1, 1982, the commission shall recommend its standard sentence ranges and standards to the legislature by providing the recommendations to the chief clerk of the house of representatives and secretary of the senate. If the commission has prepared an additional list of standard sentence ranges, as provided under subsection (6) of this section, then the commission shall include such list along with its recommendations.

(8) Every two years, the commission may recommend to the legislature revisions or modifications to the standard sentence ranges and other standards. If implementation of the revisions or modifications would result in exceeding the capacity of correctional facilities, then the commission shall accompany its recommendation with an additional list of standard sentence ranges which are consistent with correction capacity.

(9) The commission shall study the existing criminal code and from time to time make recommendations to the legislature for modification.

(10) The commission shall exercise its duties under this section in conformity with chapter 34.04 RCW, as now existing or hereafter amended.

NEW SECTION. Sec. 5. The commission shall appoint a research staff of sufficient size and with sufficient resources to accomplish its duties. The commission may request from the office of financial management, the board of prison terms and paroles, administrator for the courts, and the department of social and health services such data, information, and data processing assistance as it may need to accomplish its duties, and such services shall be provided without cost to the commission. The commission shall adopt its bylaws.

The salary for a full-time executive officer, if any, shall be fixed by the governor pursuant to RCW 43.03.040.

NEW SECTION. Sec. 6. (1) The commission consists of fifteen voting members, one of whom the governor shall designate as chairperson. With the exception of ex officio voting members, the voting members of the commission shall be appointed by the governor, subject to confirmation by the senate.

(2) The voting membership consists of the following:

(a) The head of the state agency having general responsibility for adult correction programs, as an ex officio member;

(b) The director of financial management, as an ex officio member;

(f) Four persons who are superior court judges;

(g) One person who is the chief law enforcement officer of a county or city;

In making the appointments, the governor shall seek the recommendations of Washington prosecutors in respect to the prosecuting attorney members, of the Washington state bar association in respect to the attorney members, of the association of superior court judges in respect to the members who are judges, and of the Washington association of sheriffs and police chiefs in respect to the member who is a law enforcement officer.

(3) All voting members of the commission, except ex officio voting members, shall serve terms of three years and until their successors are appointed and confirmed. However, the governor shall stagger the terms by appointing four of the initial members for terms of one year, four for terms of two years, and four for terms of three years.

(4) The speaker of the house of representatives and the president of the senate may each appoint two nonvoting members to the commission, one from each of the two largest caucuses in each house. The members so appointed shall serve two-year terms, or until they cease to be members of the house from which they were appointed, whichever occurs first.
(5) The members of the commission shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060 as now existing or hereafter amended. Legislative members shall be reimbursed by their respective houses as provided under RCW 44.04.120, as now existing or hereafter amended.

NEW SECTION. Sec. 7. (1) At its regular session convening in 1983, the legislature shall enact laws approving or modifying either the standards recommended by the commission, or the additional list of standard sentence ranges consistent with prison capacity in the event an additional list has been submitted pursuant to section 4(6) of this act. The standards so adopted shall take effect on July 1, 1984.

(2) Revisions or modifications of standard sentence ranges or other standards, together with any additional list of standard sentence ranges, shall be submitted to the legislature every two years and shall become effective as provided under subsection (1) of this section on July first of the year in which they are submitted.

NEW SECTION. Sec. 8. The prosecutor and the attorney for the defendant, or the defendant when acting pro se, may engage in discussions with a view toward reaching an agreement that, upon the entering of a plea to a charged offense or to a lesser or related offense, the prosecutor will do any of the following:

(1) Move for dismissal of other charges or counts;

(3) Recommend a particular sentence outside of the sentence range;
(4) Agree to file a particular charge or count;
(5) Agree not to file other charges or counts; or
(6) Make any other promise to the defendant, except that in no instance may the prosecutor agree not to allege prior convictions.

The court shall not participate in any discussions under this section.

NEW SECTION. Sec. 9. (1) If a plea agreement has been reached by the prosecutor and the defendant pursuant to section 8 of this act, they shall at the time of the defendant's plea state to the court, on the record, the nature of the agreement and the reasons for the agreement. The court, at the time of the plea, shall determine if the agreement is consistent with the interests of justice and with the prosecuting standards. If the court determines it is not consistent with the interests of justice and with the prosecuting standards, the court shall order that neither the defendant nor the prosecutor is bound by the agreement and that the defendant may withdraw the defendant's plea of guilty if one has been made and enter a plea of not guilty.

(2) The sentencing judge is not bound by any recommendations contained in an allowed plea agreement and the defendant shall be so informed at the time of plea.

NEW SECTION. Sec. 10. The prosecuting attorney and the defendant shall each provide the court with their understanding of what the defendant's criminal history is prior to a plea of guilty pursuant to a plea agreement. All disputed issues as to criminal history shall be decided at the sentencing hearing.

NEW SECTION. Sec. 11. Before imposing a sentence upon a defendant, the court shall conduct a sentencing hearing. The sentencing hearing shall be held within forty court days following conviction. Upon the motion of either party for good cause shown, or on its own motion, the court may extend the time period for conducting the sentencing hearing. The court shall consider the presentence reports and criminal history, and allow arguments from the prosecutor, the defense counsel, the victim or a representative of the victim and an investigative law enforcement officer as to the sentence to be imposed. If the court is satisfied by a preponderance of the evidence that the defendant has a criminal history, the court shall specify the convictions it has found to exist. All of this information shall be part of the record. All presentence reports presented to the sentencing court and all written findings of facts and conclusions of law entered by the court shall accompany the offender if the offender is committed to the custody of the department.

NEW SECTION. Sec. 12. When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2) and (4) of this section, the court shall impose a sentence within the sentence range for the offense.
(2) The court may impose a sentence outside the standard sentence range for that offense if it finds that imposition of a sentence within the standard range would impose an excessive punishment on the defendant or would pose an unacceptable threat to community safety.
(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.
(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.
(5) In sentencing a first-time offender, the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility
operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender:

(a) Devote time to a specific employment or occupation;
(b) Undergo available outpatient treatment or inpatient treatment not to exceed the standard range of confinement for that offense;
(c) Pursue a prescribed, secular course of study or vocational training;
(d) Remain within prescribed geographical boundaries and notify the court or the probation officer of any change in the offender's address or employment;
(e) Report as directed to the court and a probation officer; or
(f) Pay a fine, make restitution, and/or accomplish some community service work.

(6) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, restitution, a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds that the sentence otherwise authorized by this subsection would pose an unacceptable threat to community safety.

(7) If the court imposes a sentence requiring confinement of sixty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than sixty days of confinement shall be served on consecutive days.

(8) If a sentence imposed includes a fine or restitution, the sentence shall specify a reasonable manner and time in which the fine or restitution shall be paid. No such period of time may exceed ten years subsequent to the entering of the judgment of conviction.

(9) A court may not impose a sentence which exceeds the statutory maximum for the crime as provided in RCW 9A.20.020.

NEW SECTION. Sec. 15. No person serving a sentence imposed pursuant to this chapter shall leave the confines of the correctional facility or be released prior to the expiration of the sentence except as follows:

(1) The terms of the sentence may be reduced by earned early release time in accordance with procedures developed and promulgated by the department. The earned early release time shall be for good behavior and good performance, as determined by the department. In no case shall the aggregate earned early release time exceed one-third of the sentence;

(2) An offender may leave a correctional facility pursuant to an authorized furlough or leave of absence. In addition, offenders may leave a correctional facility when in the custody of a corrections officer or officers;

(3) The governor, upon recommendation from the clemency and pardons board, may grant an extraordinary release for reasons of serious health problems, senility, advanced age, extraordinary meritorious acts, or other extraordinary circumstances;

(4) If the sentence of confinement is in excess of eighteen months but not in excess of three years, the final three months of the sentence shall be served in partial confinement designed to aid the offender in finding work and reestablishing him or herself in the community. If the sentence of confinement is in excess of three years, the final six months of the sentence shall be served in such partial confinement;

(5) The governor may pardon any offender; and

(6) The department of social and health services may release an offender from total confinement any time within ten days before a release date calculated under this section.
(7) An offender may leave a correctional facility prior to completion of his sentence if the sentence has been reduced as provided in section 16 of this act.

NEW SECTION. Sec. 16. If the governor finds that an emergency exists in that the population of a state residential correctional facility exceeds its reasonable, maximum capacity, then the governor may do any one or more of the following:

(1) Call the sentencing guidelines commission into an emergency meeting for the purpose of evaluating its standard ranges and other standards. The commission may adopt any revision or amendment to its standard ranges or other standards that it believes appropriate to deal with the emergency situation. The revision or amendment shall be adopted in conformity with chapter 34.04 RCW, as now existing or hereafter amended, and shall take effect on the date prescribed by the commission. Unless the commission provides to the contrary, section 7 of this act does not apply to such revision or amendments;

(2) If the emergency occurs prior to July 1, 1988, call the board of prison terms and paroles into an emergency meeting for the purpose of evaluating its guidelines and procedures for release of prisoners. The board may take any action authorized by law to modify the terms of prisoners under its jurisdiction;

(3) Call the clemency and pardons board into an emergency meeting for the purpose of recommending whether the governor's commutation or pardon power should be exercised to meet the present emergency.

NEW SECTION. Sec. 17. A term of confinement ordered in a sentence pursuant to this chapter shall be tolled by any period of time during which the offender has absented himself or herself from supervision without the prior approval of the entity in whose custody the offender has been placed.

NEW SECTION. Sec. 18. An offender sentenced to a term of partial confinement shall be confined in the facility for at least eight hours per day. The offender shall be required as a condition of partial confinement to report to the facility at designated times. An offender may be required to comply with crime-related prohibitions during the period of partial confinement.

NEW SECTION. Sec. 19. A sentence which includes a term or terms of confinement totaling more than one year shall be served in a facility or institution operated, or utilized under contract, by the state. A sentence of not more than one year of confinement shall be served in a facility operated, or utilized under contract, by the county.

NEW SECTION. Sec. 20. (1) If an offender violates any condition or requirement of a sentence, the offender may receive further punishment in accordance with this section.

(2) If a defendant fails to comply with any of the requirements or conditions of a sentence the following provisions apply:

(a) The court, upon the motion of the state, or upon its own motion, shall require the defendant to show cause why the defendant should not be confined for the noncompliance. The court may issue a summons or a warrant of arrest for the defendant's appearance;

(b) The state has the burden of showing noncompliance by a preponderance of the evidence. The defendant has the burden of showing by a preponderance of the evidence that the noncompliance was not a wilful refusal. If the court finds that the violation was wilful, it shall order the defendant confined for a period not to exceed sixty days for each violation; and

(c) If the court finds that the violation was not wilful, the court may reduce or extend the payment period or eliminate the fine or reduce or relieve the defendant of the obligation of community service work or of making restitution.

(3) Nothing in this section prohibits the filing of escape charges if appropriate.

NEW SECTION. Sec. 21. (1) A sentence within the standard range for the offense shall not be appealed. For purposes of this section, a sentence imposed on a first offender under section 12(4) of this act shall also be deemed to be within the standard range for the offense and shall not be appealed.

(2) If a sentence is outside of the sentence range for the offense, the defendant or prosecutor may seek review of the sentence before the court of appeals in accordance with rules adopted by the supreme court.

(3) Pending review of the sentence, the sentencing court or the court of appeals may order the defendant confined or placed on conditional release, including bond.

(4) To reverse a sentence which is outside the sentence range, the reviewing court must find: (a) Either that the reasons supplied by the sentencing judge are not supported by the record which was before the judge or that those reasons do not justify a sentence outside the standard range for that offense; or (b) that the sentence imposed was clearly excessive or clearly too lenient.

(5) A review under this section shall be made solely upon the record that was before the sentencing court. Written briefs shall not be required and the review shall be heard within thirty days following the date of sentencing and a decision shall be rendered within fifteen days following the oral argument.

(6) The court of appeals shall issue a written opinion in support of its decision whenever the judgment of the sentencing court is reversed and may issue written opinions in any other case where the court believes that a written opinion would provide guidance to sentencing judges and others in implementing this chapter and in developing a common law of sentencing within the state.

NEW SECTION. Sec. 22. When an offender has completed the requirements of the offender's sentence, the sentencing court shall discharge the offender and provide the offender with a certificate of discharge. The discharge shall have the effect of restoring all civil rights lost by operation of law upon conviction, and the certificate of discharge shall so state. Nothing in this section prohibits the use of an offender's prior record for purposes of determining sentences for later offenses as provided in this chapter. Nothing in this section affects or prevents use of the offender's prior conviction in a later criminal prosecution either as an element of an offense or for impeachment purposes. A certificate of discharge is not based on a finding of rehabilitation.
Upon release from custody, the offender may apply to the department for counseling and help in adjusting to the community. This voluntary help may be provided for up to one year following the release from custody.

NEW SECTION. Sec. 23. (1) Every offender who has been discharged under section 22 of this act may apply to the sentencing court for a vacation of the offender's record of conviction. If the court finds the offender meets the tests prescribed in subsection (2) of this section, the court may clear the record of conviction by: (a) Permitting the offender to withdraw the offender's plea of guilty and to enter a plea of not guilty; or (b) if the offender has been convicted after a plea of not guilty, by the court setting aside the verdict of guilty; and (c) by the court dismissing the information or indictment against the offender.

(2) An offender may not have the record of conviction cleared if: (a) There are any criminal charges against the offender pending in any court of this state or another state, or in any federal court; (b) the offense was a violent offense as defined in section 3 of this act; (c) the offender has been convicted of a new crime in this state, another state, or federal court since the date of the offender's discharge under section 22 of this act; (d) the offense is a class B felony and less than ten years have passed since the date the applicant was discharged under section 22 of this act; and (e) the offense was a class C felony and less than five years have passed since the date the applicant was discharged under section 22 of this act.

(3) Once the court vacates a record of conviction under subsection (1) of this section, the fact that the offender has been convicted of the offense shall not be included in the offender's criminal history for purposes of determining a sentence in any subsequent conviction, and the offender shall be released from all penalties and disabilities resulting from the offense. For all purposes, including responding to questions on employment applications, an offender whose conviction has been vacated may state that the offender has never been convicted of that crime. Nothing in this section affects or prevents the use of an offender's prior conviction in a later criminal prosecution.

NEW SECTION. Sec. 24. There is added to chapter 9.95 RCW a new section to read as follows:

(1) On July 1, 1988, the board of prison terms and paroles shall cease to exist. Prior to that time, the board's membership shall be reduced as follows: (a) On July 1, 1985, the board shall be reduced to five members. This reduction shall take place by the expiration, on that date, of the two terms having the least time left to serve. (b) On July 1, 1986, the board shall be reduced to three members. This reduction shall take place by the expiration, on that date, of the two terms having the least time left to serve.

(2) Members of the board shall serve terms of four years and until their successors are appointed and confirmed. However, the governor shall stagger the terms by appointing one of the initial members for a term of one year, one for a term of two years, one for a term of three years, and two for terms of four years.

(3) The board shall elect a chairman from among its members and shall adopt bylaws governing the operation of the board.

(4) Members of the board shall receive no compensation but shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060 as now existing or hereafter amended.

(5) The attorney general shall provide a staff as needed for the operation of the board.

In the latter case, the court shall disallow the motion and direct that the property be resold, in whole or in part, as the case may be as upon an execution received of that date.

(3) Upon the return of the execution, the sheriff shall pay the proceeds of sale to the clerk, who shall then apply the same, or so much thereof as may be necessary, in satisfaction of the judgment. If an order of
resale be afterwards made, and the property sell for a greater amount to any person other than the former purchaser, the clerk shall first repay to such purchaser the amount of his bid out of the proceeds of the latter sale.

(4) Upon a resale, the bid of the purchaser at the former sale shall be deemed to be renewed and continue in force, and no bid shall be taken, except for a greater amount. An order confirming a resale shall be a conclusive determination of the regularity of the proceedings concerning such resale as to all persons in any other action, suit or proceeding whatever.

(5) If, after the satisfaction of the judgment, there be any proceeds of the sale remaining, the clerk shall pay such proceeds to the judgment debtor, or his representative, as the case may be, at any time before the order is made upon the motion to confirm the sale; PROVIDED, Such party file with the clerk a waiver of all objections made or to be made to the proceedings concerning the sale; but if the sale be confirmed, such proceeds shall be paid to said party of course; otherwise they shall remain in the custody of the clerk until the sale of the property has been disposed of.

POINT OF PERSONAL PRIVILEGE

Mr. Owen: "As many of you know, tonight was a benefit for Gerri Rainwater, and I thought you might be interested in a little information on it. First of all, it appears at this point, we have raised well over $4,000 and probably somewhere around $5,000, so the benefit was a success even though, unfortunately, none of us was able to attend the function.

I would like to speak of other things if I may, though, relative to that. One of the reasons that we had to hold this function is because of what I feel is the grossly inadequate way we treat our so-called temporary employees. Unfortunately, Gerri Rainwater was one of those that was subjected to this type of failure for us to recognize the value in these people. I know that many of you put a great deal of value in your secretaries, and you wouldn't even be here if it wasn't for a lot of them. I know that several of you bring your own secretaries from where you work down here because of the job they do for you, but when they come down here we really treat them very poorly when it comes to benefits. Therefore, the benefit was needed to
help Gerri, and there was an understanding and there was knowledge of this benefit for well over a month—or at least for a month. We were not provided the opportunity to go and express our concern over a super-fine lady who has worked for this House since 1975.

Why was it important that we do this? We have worked many, many hours in the House and we needed a break, just like anybody else does, that we guarantee good working conditions, too, in this House of Representatives. At this time of the session, toward the end of the session, we needed a chance to get away once in awhile. Let me point out to you the hours that you’ve worked in the House of Representatives this week. Today, if we would have gone for two hours at 8 o’clock, we would have worked for eleven hours minimum; yesterday, twelve hours; the day before, depending on if you had committee hearings or not, between nine and eleven hours minimum, the day before, fifteen hours minimum, that you worked and all we asked for was an opportunity to go and show our appreciation to those people who spent their money and expected us to put on a show and express our appreciation to them and to Gerri, and to express our concern over the turmoil that she’s going through right now, and we were not provided that opportunity.

I believe that it’s sad that we neglect our staff the way we do. I’m not surprised the way the budget came out and I’m not please with the budget; I’m not pleased with the way we’ve treated the elderly, the handicapped and the people who are going to school, but I’m not surprised. What do we do for our staff? Nothing. We pay them a salary that they could make on the outside with no overtime benefits, but they must be here if we are here. That’s why we had to have a benefit for Gerri Rainwater even though she’s worked for the House of Representatives since 1975.

I’m sorry that this had to take place because we have three days here in which we could complete the work of the state. The State of Washington expects a lot out of us and they get a hell of a lot out of us, everyone of us. Every one of us works very hard, not only during session, but also after session. The state of Washington could provide us the opportunity to go to a benefit and express our concern for a situation like that. If the state of Washington can’t understand that, I don’t want to be a member of the House of Representatives, representing those people. I believe very strongly that they would have understood. I believe equally as strong that we could have finished our work as well, if not better, had we not had to go on a marathon session of the legislature to complete that work tonight. I believe the people and the press would understand if we had taken that time. Unfortunately, even though this benefit was known about for a month, we were not provided that opportunity. However, I am happy to say Gerri Rainwater will be taken very good care of for the next six months due to the generosity of you, the Third House, and the friends of Gerri Rainwater.

MOTION

On motion of Mr. Nelson (G), the House adjourned until 9:30 a.m., Friday, April 24, 1981.

WILLIAM M. POLK, Speaker

VITO T. CHIECHI, Chief Clerk
The House was called to order at 9:30 a.m. by the Speaker. The Clerk called the roll and all members were present.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Susan Doyle and Jackie Devish. Prayer was offered by The Reverend Paul Jensen of the United Presbyterian Church of Mt. Vernon.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

NEW SECTION. Sec. 24. (1) The department of transportation may transfer any motor vehicle fund appropriations contained in sections 8 through 11 of this act into sections 16 through 19, and motor vehicle fund appropriations contained in sections 16 through 19 may be transferred between programs for expenditure.

(2) The department of transportation shall submit amended allotment forms which reflect the operating budget adopted by the transportation commission to the office of financial management in accordance with the budget and accounting act, chapter 43.88 RCW.

NEW SECTION. Sec. 25. The legislature recognizes the economic importance to the state of attracting new environmentally suitable high-technology industrial development, and that the availability of transportation services is a significant factor in locating such industries. In furtherance of the provisions and objectives of House Concurrent Resolution No. 17, passed by the 1981 regular session of the legislature, the transportation commission and department of transportation shall, therefore, lend their cooperation, and allocate so much of the funds provided by sections 17 through 19 of this act as are reasonably necessary, to fund the state's fair share of the improvements contemplated by House Concurrent Resolution No. 17.

NEW SECTION. Sec. 26. Whenever allocations are made from the governor's emergency appropriation to an agency which is financed in whole or in part by other than general fund moneys, the director of financial management may direct the repayment of such allocated amount to the general fund from any balance in the fund or funds which finance the agency. No appropriation shall be necessary to effect such repayment.

NEW SECTION. Sec. 27. (1) Funds appropriated under this act for both years of the fiscal biennium shall be initially allotted so that the total allotments for the first fiscal year do not exceed fifty percent of the total appropriation, unless the director of financial management determines that greater allotments for the first fiscal year are required by special circumstances. Allotments may be revised as provided in RCW 43.88.110, but the portion of an appropriation which has been initially allotted for the first fiscal year shall lapse at the end of the first fiscal year.

(2) This section does not apply to allotments for agencies headed by elective officials.

NEW SECTION. Sec. 28. Unless the context clearly requires otherwise, the definitions in this section apply throughout this act.

(1) 'Provided solely' means that the specified amount may be spent only for the specified purpose. Unless otherwise stated in this act, any portion of an amount provided solely for a specified purpose which is unnecessary to fulfill the specified purpose shall lapse.

(2) 'Lapse' means the termination of authority to spend an appropriation or portion of an appropriation.
(3) 'FTE' means full time equivalent. FTE staff years specified in this act shall not be exceeded except with the written authorization of the director of financial management. The director of financial management shall grant authority to exceed specified FTE staff years only in cases of severe unanticipated need and shall report each authorization to the legislative budget committee, the legislative evaluation and accountability program committee, and the committees on ways and means of the senate and house of representatives.

NEW SECTION. Sec. 29. Any rate increases proposed for the legal services revolving fund or the general administration facilities and services revolving fund, or any change in the method of calculating changes from those funds, shall be subject to approval by the director of financial management prior to implementation.

NEW SECTION. Sec. 30. The motor vehicle fund revenues, including revenues from staggered licensing, are received at a relatively even flow throughout the year. Expenditures exceed the revenue during the accelerated summer and fall highway construction season, creating a negative cash balance during the heavy construction season. The legislature recognizes that the department of transportation may require interfund loans or other short-term financing to meet temporary seasonal cash requirements.

NEW SECTION. Sec. 31. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 32. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

On page 1, line 1 of the title, after "transportation financing;" strike the remainder of the title and insert "making appropriations and authorizing expenditures for the operations and capital improvements of the state department of transportation, the urban arterial board, the board of pilotage commissioners, the Washington state patrol, the vehicle equipment safety commission, the traffic safety commission, the department of licensing, and the county road administration board for the period ending June 30, 1983; and declaring an emergency."
