On page 1, line 1 after "system" insert "amending chapter 31, Laws of 1961, and RCW 47.60.120." On page 1, line 2 after "adding" strike "a new section" and insert "new sections" On page 1, line 2 after "47.60 RCW;" insert "repealing chapter 14, Laws of 1961 and RCW 81.84.010; chapter 14, Laws of 1961 and RCW 81.84.020; chapter 14, Laws of 1961 and RCW 81.84.030; section 14, chapter 115, Laws of 1961 and RCW 81.84.040; chapter 14, Laws of 1961 and RCW 81.84.050;" and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 22, 1981

Mr. Speaker:

The Senate refuses to concur in the House amendments to ENGROSSED SUBSTITUTE SENATE BILL NO. 3554, and asks the House to recede therefrom, and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

Mr. Flanagan moved that the House refuse to recede from its position on Engrossed Substitute Senate bill No. 3554, and ask the Senate for a conference thereon.

Representatives Flanagan and Scott spoke in favor of the motion, and it was carried.

POINT OF PARLIAMENTARY INQUIRY

Mr. Nelson (D): "Mr. Speaker, my understanding is that our rules do not include a procedure for a conference, and I wonder if you can tell me under what rule the conference on Senate Bill 3554 will be convened and what the procedure is for that conference? Who will be appointed?"

The Speaker: "Representative Nelson, I will refer you to Senate Concurrent Resolution No. 103, section 6, which is the joint rules of the legislature and provides for the mechanism for a conference. You will find it in your billbook."

SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 3655, by Committee on State Government (originally sponsored by Senators Metcalf, Fuller and Gould):

Providing for redistricting and reapportionment.

The bill was read the second time.

Mr. Nelson (D) moved adoption of the following amendment:

On page 2, line 3 after "intent" strike the remainder of the section and insert "of the legislature that each legislative and congressional district meet the following criteria:
Districts shall have a population as nearly equal as is practicable, excluding nonresident military personnel, based on the population reported in the federal decennial census; To the extent consistent with other criteria of this section, district lines shall be drawn so as to coincide with the boundaries of the local political subdivisions. The number of counties and municipalities divided among more than one district shall be as small as possible; Districts shall be composed of convenient, contiguous, and compact territory. Land areas are deemed contiguous if they share a common land border or are connected by a highway, bridge, or tunnel. Areas separated by unbridged water are deemed contiguous to the nearest land area only where necessary to comply with the other criteria enumerated in the Constitution and this section. Areas which only share common borders at the points of adjoining corners may not be deemed contiguous. Areas separated by geographical boundaries or artificial barriers that prevent transportation within a district may not be deemed contiguous; No district may be drawn for the purpose of diluting the voting strength of any language or racial minority group; No district may be drawn for the purpose of favoring any political party or incumbent member of the legislature. The legislature hereby declares that in the event these criteria are not followed the plan shall be declared invalid and void and a nonpartisan demographer shall be selected by the Washington state supreme court for purposes of preparing a new redistricting plan following the criteria. Mr. Nelson (D) spoke in favor of the amendment, and Mr. Eberle spoke against it. Mr. Nelson (D) spoke again in favor of the amendment. ROLL CALL The Clerk called the roll on adoption of the amendment by Representative Nelson (D) to page 2, line 3 of Engrossed Substitute Senate Bill No. 3655, and the amendment was not adopted by the following vote: Yeas, 41; nays, 57; not voting, 0. Any and all computer software, hardware, maps, and other related material purchased or leased by the legislature for the purpose of redistricting shall be made available for use by the office of the secretary of state or other public agencies for pertinent demographic use. Renumber the remaining sections consecutively. Representatives Bender and Ehlers spoke in favor of the amendment, and Representatives Eberle and Nelson (G) spoke against it. Mr. Bender spoke again in favor of the amendment. ROLL CALL The Clerk called the roll on adoption of the amendment by Representative Bender to page 72, line 20 of Engrossed Substitute Senate Bill No. 3655, and the amendment was not adopted by the following vote: Yeas, 41; nays, 57; not voting, 0. Voting yea: Representatives Becker, Bender, Brekke, Brown, Burns, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garrett, Granlund, Grimm, Gruger, Heck, Hine, King J., King R., Kreidler, Lux, Martinis, Maxie, McCormick, Monohon, Nelson D., North, O'Brien, Owen, Pruitt, Rinehart, Rust, Salatino, Scott, Sherman, Sommers, Thompson, Valle, Walk, Wang, Warnke. Mr. Ehlers moved adoption of the following amendment: On page 72, following line 24 insert a new section to read as follows: "NEW SECTION. Sec. 87. There is hereby appropriated from the general fund to the office of the secretary of state forty thousand dollars: PROVIDED, That the appropriation contained in this section shall
lapse if Substitute Senate Joint Resolution No. 108 is rejected by the voters at the November 1981 general election. The appropriation contained in this section shall be expended exclusively for expenses incurred by the redistricting commission established by Substitute Senate Joint Resolution No. 108, subject to the approval of the office of financial management.

Renumber the remaining sections consecutively.

Mr. Ehlers spoke in favor of the amendment, and Mr. Eberle spoke against it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Ehlers to page 72, line 24 of Engrossed Substitute Senate Bill No. 3655, and the amendment was not adopted by the following vote: Yeas, 44; nays, 53; not voting, 1.

Not voting: Representative Wilson.

Mr. King (R) moved adoption of the following amendment by Representatives King (R), Heck and Grimm:

On page 72, line 25 strike all of section 87 and add a new section as follows:

"NEW SECTION. Sec. 87. The provisions of this act shall take effect on December 8, 1981, if the proposed amendment to Article II, section 3 of the state Constitution establishing a redistricting commission (Substitute Senate Joint Resolution No. 108) is validly submitted and rejected by the voters at the November 1981 general election.

If such proposed amendment is not validly submitted or if validly submitted is approved and ratified by the voters at the November 1981 general election, this act shall be null and void in its entirety."

Mr. King (R) spoke in favor of the amendment, and Representatives Eberle and Barrett spoke against it.

Mr. Grimm spoke in favor of the amendment.

POINT OF INQUIRY

Mr. Heck yielded to question by Mr. Grimm.

Mr. Grimm: "Representative Heck, given that you have outlined rather clearly that this is a question of voting on a redistricting commission, can you give us any indication of the people who have knowingly, knowledgeably, with some experience indicated that they support a redistricting commission concept?"

Mr. Heck: "That’s a good question, Representative Grimm. It is, in fact, a referendum on the issue and some very popular, respected, esteemed—not only colleagues of ours, but also leaders throughout this state—have endorsed this concept and I think lending their support in the past to this concept is worth sharing with the body the names of these people. They include such distinguished leaders as Representative Taylor, Representative Bond, Representatives Scott, Barr, Gene Prince, Sim Wilson, Joan Houchen, Mike Patrick, Earl Tilly, Sid Flanagan, Curt Smith, Jim Lewis, Harold Clayton, Gene Struthers, Bob Williams—"

POINT OF ORDER

Mr. Nelson (G): "Mr. Speaker, I object to the reading of papers on the House floor."

The Speaker: "Representative Heck, the rules prohibit you from reading from papers that are on everyone’s desks anyway."

Mr. Heck: "I won’t read from papers anymore. I think I have the names memorized. The list continues with the name of Representative Gary Nelson, Jim Lewis, Bill Garson, Helen Fancher, Stan Johnson, Shirley Winsley—"

The Speaker: "Representative Grimm, your three minutes are up."
POINT OF ORDER

Mr. Heck: "The three minutes does not apply to the question and answer period."

SPEAKER'S RULING

The Speaker: "Representative Heck, under the House rules you have three minutes when a member is recognized. Representative Grimm was recognized for a three minute floor speech; he yielded part of his time to you by way of asking you a question, but is is Representative Grimm's time that was being used."

POINT OF PARLIAMENTARY INQUIRY

Mr. Ehlers: "Did you just instruct the keeper of the Journal not to enter those remarks in the Journal?"

The Speaker: "No."

Mr. Bond spoke against the amendment.

POINT OF ORDER

Mr. Grimm: "He's totally out of line. Democrats haven't done what he's said."

The Speaker: "Representative Bond, will you continue your remarks."

Mr. Bond continued his remarks in opposition to the amendment, and Representatives Gruger and Grimm spoke in favor of it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives King (R), Heck and Grimm to Engrossed Substitute Senate Bill No. 3655, and the amendment was not adopted by the following vote: Yeas, 46; nays, 52; not voting, 0.

Mr. Grimm moved adoption of the following amendment:

On page 72, line 25 strike all of section 87.

Representatives Grimm and King (R) spoke in favor of the amendment, and Mr. Eberle spoke against it.

Mr. Eberle spoke again in opposition to the amendment, and Mr. Bender spoke in favor of it.

POINT OF ORDER

Mr. Barrett: "Mr. Speaker, I've lost track of the speaker's comments toward the subject in question which is section 87. I can't seem to relate his comments to that section."

The Speaker: "I couldn't either, Representative Barrett. Representative Bender, you have a great speech for final passage, but we're now working on the amendment by Representative Grimm to page 72, line 25 striking the emergency clause. Could you confine your remarks to that question."

Mr. Bender continued his remarks in favor of the amendment, and Mr. Ehlers also spoke in favor of it.

POINT OF INQUIRY

Mr. Nelson (D) asked Mr. Eberle to yield to question and Mr. Eberle refused to yield.

Representatives Nelson (D) and Grimm spoke in favor of the amendment.
ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Grimm to page 72, line 25 of Engrossed Substitute Senate Bill No. 3655, and the amendment was not adopted by the following vote: Yeas, 43; nays, 55; not voting, 0.

Representative Nelson (D) moved adoption of the following amendment:

On page 2, line 3 after "intent" strike the remainder of the section and insert "of the legislature that each legislative and congressional district meet the following criteria:

(1) Districts shall have a population as nearly equal as is practicable, excluding nonresident military personnel, based on the population reported in the federal decennial census;

(2) To the extent consistent with other criteria of this section, district lines shall be drawn so as to coincide with the boundaries of the local political subdivisions. The number of counties and municipalities divided among more than one district shall be as small as possible;

(3) Districts shall be composed of convenient, contiguous, and compact territory. Land areas are deemed contiguous if they share a common land border or are connected by a highway, bridge, or tunnel. Areas separated by unbridged water are deemed contiguous to the nearest land area only where necessary to comply with the other criteria enumerated in the Constitution and this section. Areas which only share common borders at the points of adjoining corners may not be deemed contiguous. Areas separated by geographical boundaries or artificial barriers that prevent transportation within a district may not be deemed contiguous;

(4) No district may be drawn for the purpose of diluting the voting strength of any language or racial minority group;

(5) No district may be drawn for the purpose of favoring any political party or incumbent member of the legislature."

Mr. Nelson (D) spoke in favor of the amendment, and Mr. Eberle spoke against it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Nelson (D) to page 2, line 3 of Engrossed Substitute Senate Bill No. 3655, and the amendment was not adopted by the following vote: Yeas, 41; nays, 57; Voting yea: Representatives Becker, Bender, Brekke, Brown, Burns, Ehlers, Eng, Erak, Erickson, Gallagher, Galloway, Garrett, Granlund, Grimm, Gruger, Heck, Hine, King J., King R., Kreidler, Lux, Martinis, Maxie, McCormick, Monohon, Nelson D., North, O'Brien, Owen, Pruitt, Rinehart, Rust, Salatino, Scott, Sherman, Sommers, Thompson, Valle, Walk, Wang, Warnke.

MOTION

On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and Engrossed Substitute Senate Bill No. 3655 was placed on final passage.

Representatives Eberle and Hastings spoke in favor of the bill, and Ms. Stratton spoke against it.

POINT OF INQUIRY

Mr. Eberle yielded to question by Ms. Gruger.

Ms. Gruger: "Representative Eberle, in the first legislative district, on page 5 of the bill, lines 20 and 21, there is a three-block piece of a district which is in Snohomish County. The remainder of the district is in King County. Could you tell me the reason you drew the district this way? Is it because Senator Kiskaddon lives in that particular piece of the area?"
Mr. Eberle: "Representative Gruger, it's for another reason. It turns out that Senator Kiskaddon lives in that area, the Lake Ballinger area. The country club is there; he goes to church down in that area; shops in that area; the entire community interests are in that area, and the people you represent live in that area. The two former districts which would make up the new district were the First and the Forty-fourth. Most of the First and most of the Forty-fourth are both in that district; it could go either way. It turns out that Senator kiskaddon has a sincere belief that he can represent the people in that area for the good of the state of Washington and I believe and agree with him."

Representatives Gruger and Erak spoke against passage of the bill.

**MOTION**

Mr. O'Brien moved that Representative Erak be granted an additional three minutes to speak, and the motion was lost.

Representatives Monohon and Tupper spoke against passage of the bill.

**POINT OF INQUIRY**

Mr. Bender yielded to question by Ms. Sherman.

Ms. Sherman: "Representative Bender, the courts in the past have been in favor of uniform single member districts throughout the United States. This particular redistricting bill creates two legislative districts which each contain two single-member districts, but the remaining ones are regular two-member districts—it's even difficult to explain. Can you tell me why the committee chose to do this?"

Mr. Bender: "Representative Sherman, I can't really tell you why the committee did this because the committee never had this piece of legislation before it. I can only comment as to why I think they did it. My comment would be very simply that the two A and B districts are for one purpose and that's to protect two incumbent legislators from the majority side. It's a flagrant example of gerrymandering."

Ms. Sherman: "This is to protect the two incumbent legislators, is that what you're saying?"

Mr. Bender: "Exactly."

**POINT OF INQUIRY**

Mr. Eberle yielded to question by Mr. Hastings.

Mr. Hastings: "Representative Eberle, could you tell me why the two districts were divided into A and B districts and what the criteria was for that?"

Mr. Eberle: "Certainly, Representative Hastings. First to the question of the Thirty-ninth District: It has in it a large diverse area, but one concentrated area of population that, in fact, makes up roughly half a legislative district. This is precisely the criteria that the courts have recognized as appropriate for redistricting. The same thing is true for the Ninth District where you have some other area in the Longview area which, again, has a localized community of interest which is precisely the criteria established by the federal courts."

**POINT OF INFORMATION**

Ms. Sommers: "If this bill passes, will any member of the House be permitted to mail to a newly drawn district prior to being elected to that district and make that mailing at taxpayers' expense?"

The Speaker: "I guess, Representative Sommers, that will be up to the decisions that haven't been made yet by the Rules Committee."

Ms. Sommers: "Will you make that decision available to each member and to the press?"

The Speaker: "The decisions on mailing privileges have always been made public to the press and to all the members, Representative Sommers."

Ms. Sommers: "When can we expect to have that decision?"

The Speaker: "I don't know."

Ms. Sommers: "When do you think you'll know?"
The Speaker: "Sometime soon when we have to get down to concerning ourselves with it. The bill hasn't passed yet."

Ms. Sommers: "You expect it to fail?"

The Speaker: "Representative Sommers, I'm just a technician with a gavel in my hand; I can't respond to that kind of question."

POINT OF INQUIRY

Mr. Owen asked Mr. Eberle to yield to question and Mr. Eberle refused to yield.

Mr. Taylor spoke in favor of the bill, and Mr. Gallagher spoke against it.

POINT OF INQUIRY

Mr. Pruitt asked Mr. Eberle to yield to question, and Mr. Eberle refused to yield.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Mr. Pruitt.

Mr. Pruitt: "Representative Ehlers, could you, in this question, so I won't have to change the wording, pretend that you are Representative Eberle?"

Mr. Ehlers: "I'm afraid I don't know anything if that's the case."

Mr. Pruitt: "Throughout this plan, it's apparent you have many longstanding communities. This has to do with the community of interest, one of the criteria, and these involve moving Western Washington University, a portion of Bellingham, into the Fortieth District; splitting the city of Bremerton between the Twenty-third and the Thirty-fifth; splitting Aberdeen and Hoquiam between the Twenty-fourth and the Thirty-fifth and the Nineteenth, which has been alluded to; Longview and Kelso, between the Nineteenth and the Eighteenth; Olympia and Tumwater between the Twenty-second and the Twentieth Districts; and then in the Congressional plan, splitting Spokane between the Fourth and Fifth and splitting Seattle into three congressional districts, the First, the Sixth and the Seventeenth. In the light of your position, Representative Eberle, of being strongly in favor of community of interest, could you explain why you have divided these obvious communities of interest?"

Mr. Ehlers: "If I am responding for the floor, I don't know; if I'm responding the way Representative Eberle would, I would say for blatant political advantage."

Representatives Flanagan and Bond spoke in favor of passage of the bill, and Representatives North, Rinehart, Lux and Eng spoke against it.

POINT OF INQUIRY

Ms. Hine asked Mr. Eberle to yield to question and he refused to yield.

POINT OF INQUIRY

Mr. Ehlers yielded to question by Ms. Hine.

Ms. Hine: "My question is, how is the military population counted for this redistricting bill and the nonresidential military? How were they counted and how was it decided that, in fact, there were nonresident military?"

Mr. Ehlers: "That's a good question. I don't think anyone knows the answer. The census takers—and there are people at McChord and Fort Lewis who are on a temporary basis, just passing through—they are there for basic training. Those people apparently were counted, but there are other nonresidential military who apparently were not counted. I really don't know. I suppose that perhaps Representative Eberle was out there one day and counted all those with uniforms and they were military and those who didn't have uniforms were nonmilitary. That's the only solution I can think of."

Ms. Hine spoke against passage of the bill.
Mr. Walk asked Mr. Eberle to yield to question and he refused to yield.

Mr. Bender yielded to question by Mr. Walk.

Mr. Walk: "Representative Bender, I'm sorry none of the majority members of the committee would yield; perhaps you can help me. It's my understanding that there is a long-standing theory that in drawing redistricting boundaries, you start from a central core and spread outward, and another principle is that you do not cross natural boundaries such as large bodies of water. I'm curious if you know what the committee's rationale was in looking at the First and Second Congressional Districts, one of which crosses Puget Sound at its widest point and the other which seems to have an ocean separating the two parts of the district?"

Mr. Bender: "Representative Walk, I really can't tell you why the select committee did this because the select committee never had a hearing on this piece of legislation. My only response to you would be that this was done in the back room without public hearing, and the select committee has never responded to this piece of legislation, so I really can't tell you why they did it."

Ms. Becker yielded to question by Mr. Burns.

Mr. Burns: "Representative Becker, section 62 in this bill provides for election this year in some of the new districts, if the bill passes. The result would be that a group of voters will be represented by one member of the House of Representatives and another group of voters will be represented by three members of the House of Representatives. Is this, in your opinion, a disparity of representation? Is it a violation of our equal protection of our Constitution and the violation of the one-man one-vote rule?"

Ms. Becker: "Representative Burns, in law school one of the first things they teach you to be suspicious of after they've taught you to be suspicious of legislators and doctors, is to be suspicious of people who claim to know for sure how a court will cite. I would certainly say, in answer to your question, that there would be strong ground for arguing the violation of the one-man one-vote decision. Given that the result will certainly be in the next session of the legislature, when important decisions bearing on the future of the state will be made here in this body, exactly the result you mentioned will be obtained. Some people will be represented by one member and others will have three."

Mr. King (J) asked Mr. Eberle to yield to question, and he refused to yield.

Mr. Ehlers yielded to question by Mr. King (J).

Mr. King (J): "Representative Ehlers, could you give to us the maximum population and the minimum population of all the legislative districts in the state of Washington?"

Mr. Ehlers: "I really don't know. We weren't supplied with that data. The response I made earlier about the military population is, I guess, part of that. If you count the military population as transient, for example, the Second Legislative District is about 83,000, but the fact is that most of those people are phantom people who are no longer there, so I would say two or three thousand are there. So in that case, I would say the district might be in the neighborhood of 50,000 or so. I know in other districts, where there appears to be double counting of some populations, there may be, in fact, 90,000 to 100,000, so I would say the range is somewhere between 55,000 and 100,000 instead of the 83,000 approximate population."

Mr. King (J) spoke against passage of the bill.

Mr. Eberle yielded to question by Mr. Bond.

Mr. Bond: "Representative Eberle, would you give us the numbers of voters, numbers of citizens living in the legislative districts?"
Mr. Eberle: "Yes, Representative Bond, I would be delighted. As a matter of fact, Dean Foster, the Democratic staff director, asked for this information yesterday and I gave him a copy. Actually there are 49 districts, and I would like to tell you that the average absolute deviation from absolute nominal is 565 persons and the average—"

POINT OF ORDER

Mr. King (R): "My point of order is that you should get somebody else to answer the questions. Based on your earlier rulings, Representative Eberle's time is up."

SPEAKER'S RULING

The Speaker: "Your objection is not timely made, Representative King."

POINT OF INQUIRY

Mr. Padden: "Representative Eberle, could you answer the question regarding the median population for the legislative districts and the congressional districts?"

Mr. Eberle: "Of course, Representative Padden. I would like to point out that the exact number for a legislative district is 84,289 persons and the districts which we—"

POINT OF ORDER

Mr. Ehlers: "We have a rule that calls for a member not to read something."

SPEAKER'S RULING

The Speaker: "He's using notes, I believe, Representative Ehlers, to give exact figures so you won't be confused since you were unable to answer the question before."

Mr. Eberle: "The average deviation in our plan is 565 people. That is an average percent deviation of .0067%. That's for legislative districts. For congressional districts, the maximum number is 516,270 persons. With permission, I would like to read the populations of the eight congressional districts: District 1: 516,514 persons; District 2: 514,045 persons; District 3: 519,160 persons; District 4: 515,547 persons; District 5: 515,376 persons; District 6: 516,247 persons; District 7: 516,351 persons; District 8: 516,923 persons. The maximum deviation is .0056%."

POINT OF INQUIRY

Mr. Wang asked Mr. Eberle to yield to question and he refused to yield.

POINT OF INQUIRY

Mr. Eng yielded to question by Mr. Wang.

Mr. Eng: "Representative Eberle, while drawing the lines for the new districts in this bill, was consideration given to the racial makeup of the areas and did this consideration include the location of Indian reservations and concentrations of blacks, Caucasians, Asians, and other groups?"

Mr. Eng: "Representative Wang, I really can't answer specifically your question. The only thing I can tell you about is in relation to my own district. In my district, the Forty-Third District, which is the new one I'm going to be in, there is going to be a ten percent Asian population, where in my old one I have a sixteen percent Asian population. In my old District Thirty-seven, I have a thirty-five percent black population whereas now the black population is split between the new Thirty-seventh and the new Forty-third with twenty-two percent in each."

Mr. Wang spoke against passage of the bill.

POINT OF INQUIRY

Mr. Bender yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Bender, in your opinion, when the Thirteenth, Fourteenth and Fifteenth Districts in the Yakima Valley area were relocated, were the native American and Mexican-American populations in those areas considered?"

Mr. Bender: "Representative Nelson, in my opinion, I would have to say 'no,' because the select committee never considered any legislation, nor did it ever consider this bill itself, so I
can't tell you what was considered. Again, it was done not by the select committee but by some individuals in the back room."

Mr. Nelson (D) spoke against passage of the bill.

POINT OF INQUIRY

Ms. Rinehart asked Mr. Prince to yield to question, and he refused to yield.

POINT OF INQUIRY

Mr. Bender yielded to question by Ms. Rinehart.

Ms. Rinehart: "Representative Bender, my question concerns an Indian reservation which previously was in two districts. They are located on the Olympic Peninsula and the Eberle plan now lumps all of these into one district. Could you tell me the purpose of changing the boundary of the Twenty-fourth District?"

Mr. Bender: "Representative Rinehart, again let me emphasize that I can't respond as to why Representative Eberle drew the lines the way he did. I can only respond that the select committee never met on this piece of legislation; there was no public input; we never had any information or any opportunity to ask these kinds of questions."

Representatives Rinehart, King (R) and Grimm spoke against passage of the bill, and Mr. Tilly spoke in favor of it.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 3655, and the bill passed the House by the following vote: Yeas, 57; nays, 41; not voting, 0.

Engrossed Substitute Senate Bill No. 3655, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Mr. Nelson (G), Engrossed Substitute Senate Bill No. 3655 was ordered immediately transmitted to the Senate.

The Speaker declared the House to be at ease until 9:00 o'clock p.m.

The Speaker called the House to order at 9:00 p.m.

MOTION

On motion of Mr. Nelson (G), the House reverted to the fourth order of business.

INTRODUCTION AND FIRST READING

SUBSTITUTE SENATE JOINT RESOLUTION NO. 108, by Committee on Constitution and Elections (originally sponsored by Senators Haley, Scott, Gould, Woody, Fuller, Lee and Charnley):

Amending the Constitution to establish a redistricting commission.

MOTION

Mr. King (R) moved that the rules be suspended and Substitute Senate Joint Resolution No. 108 be advanced to second reading and read the second time in full.

Representatives King (R) and Rinehart spoke in favor of the motion, and Mr. Hastings spoke against it.

Mr. Heck demanded an electric roll call vote on the motion, and the demand was sustained.
ROLL CALL

The Clerk called the roll on the motion to suspend the rules and place Substitute Senate Joint Resolution No. 108 on second reading, and the motion was lost by the following vote:

Yeas, 45; nays, 51; not voting, 2.

MOTIONS

On motion of Mr. Nelson (G), introduction of Substitute Senate Joint Resolution No. 108 was considered first reading, and the resolution was referred to Committee on Ways and Means.

On motion of Mr. Nelson (G), the House advanced to the sixth order of business.

SECOND READING

SUBSTITUTE SENATE BILL NO. 3360, by Committee on Parks and Ecology (originally sponsored by Senators Patterson, Charnley and Zimmerman):

Providing for park and recreation service areas.

The House resumed consideration of the bill on second reading. (For previous action, see Journal, 101st Day, April 22, 1981.)

The Speaker stated the question before the House to be the amendment by Representative Greengo.

With the consent of the House, Mr. Greengo withdrew the amendment.

On motion of Mr. Greengo, the following amendment was adopted:

On page 12, line 4 beginning with "forty-five" strike all the matter down to and including "84.57.043" on line 9 and insert "fifteen cents or less per thousand dollars of assessed value of property in the district in each year for five consecutive years when specifically authorized so to do by a majority of at least three-fifths of the voters thereof voting on the proposition to levy such additional tax submitted not more than twelve months prior to the date on which the proposed levy is to be made and not oftener than twice in such twelve month period, either at a special election or at the regular election of the district, at which election the number of persons voting 'yes' on the proposition shall constitute three-fifths of a number equal to forty per centum of the total votes cast in such district at the last preceding general election when the number of electors voting on the proposition does not exceed forty per centum of the total votes cast in such taxing district in the last preceding general election. In the event park and recreation districts are levying property taxes, which in combination with property taxes levied by other taxing district result in taxes in excess of the one percent limitation provided for in Article VII, section 1, of our state Constitution, the park and recreation district property tax levy shall be reduced or eliminated before the property tax levies of other taxing districts are reduced."

On motion of Mr. Isaacson, the following amendment by Representatives Isaacson and Dawson was adopted:

On page 12, line 25 beginning with "and" strike all the matter down to and including "when" on line 33 and insert "). A park and recreation district may additionally issue bonds equal to one and one-fourth percent of the value of the taxable property within the district, as the term 'value of the taxable property' is defined in RCW 39.36.015, when such bonds are approved by three-fifths of the voters of the district at a general or special election called for that purpose and may provide for the retirement thereof by levies in excess of dollar rate limitations in accordance with the provisions of RCW 84.52.056 (PROVIDED, That).

Mr. Amen moved adoption of the following amendments:

On page 13, line 13 after "hospital district," insert "road district,"
On page 13, line 15 after "city" insert "1,"
On page 13, line 22 after "hospital district," insert "road district,"
On page 13, line 24 after "city" insert "1."
On page 13, line 30 after "the" strike "board of county commissioners or other" and insert "((board of county commissioners or other))

On page 13, line 31 after "commissioners" insert ",

On page 14 at the beginning of line 1, after "district," and before "rural" insert "road district.

Mr. Amen spoke in favor of the amendments.

POINT OF ORDER

Mr. Dawson: "Mr. Speaker, it appears to me that the amendments that are being offered are beyond the scope and object of this bill, which is about park and recreation service areas."

SPEAKER'S RULING

The Speaker: "Representative Dawson, the portion of the bill that is being amended deals with excess levies with special taxing districts. I find the amendments are adding additional taxing districts to that section and, therefore, I would find it within the scope and object of the bill. Your point of order is not well taken."

POINT OF ORDER

Mr. Isaacson: "Mr. Speaker, what is the title of the bill, the first line?"

SPEAKER'S RULING

The Speaker: "Representative Isaacson, the title of the bill states, 'AN ACT Relating to parks and recreation...' and goes on from there. In making the ruling, the speaker looks to the title of the bill, looks to the subject matter of the bill and the intent of the various sections within the bill. All of these things are taken into account in making a ruling as to whether or not an amendment can fit within the scope and object of the bill."

Mr. Isaacson spoke against the amendments, and Mr. Addison spoke in favor of them.

ROLL CALL

The Clerk called the roll on adoption of the amendments by Representative Amen to Substitute Senate Bill No. 3360, and the amendments were adopted by the following vote: Yeas, 71; nays, 20; not voting, 7.

On motion of Mr. Nelson (G), the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 3360 as amended by the House, and the bill passed the House by the following vote: Yeas, 73; nays, 24; not voting, 1.

Not voting: Representative Eberle.

Substitute Senate Bill No. 3360 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.
ENGROSSED SENATE BILL NO. 3458, by Senators Shinpoch, Jones, McDermott and Deccio:

Authorizing the retention of an additional two percent of wagers on exotic races.

The bill was read the second time. On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Greengo spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Ehlers.

Mr. Ehlers: "From what I understand from this bill, if I do understand correctly, in addition to the revenue raised there is a movement of some money from a dedicated fund into the general fund. Is that correct?"

Mr. Greengo: "Representative Ehlers, my understanding is that one percent of this fee on wagering will go to the general fund and that's all that I'm aware of."

Mr. Ehlers: "According to the fiscal note that many of us have, there is an indication that certain earmarked funds—fair funds, trade fair funds, horse racing commission—that is a revenue loss to those and an increase in the general fund part of parimutuel tax. From that it would appear that there is going to be a loss of funds for each of those three other accounts. Would you explain that to me and to the body?"

Mr. Greengo: "Representative Ehlers, to the best of my understanding those funds are a wash. That's what we're talking about. The funds there, the trade to the horse racing commission, those are the moneys from the two percent as I understand it, and they will go into improving the racetrack, to improving the barns and to give a little more money to the horse breeders to improve the quality of these races. That becomes a wash. Apparently the one percent was added after in the Senate and is not included in the fiscal note that was written on the bill before the Senate added the extra one percent. It originally came out as eighteen percent."

Mr. Ehlers spoke against passage of the bill, and Representatives Scott, Patrick and Fancher spoke in favor of it.

Mr. Ehlers now spoke in favor of the bill, and Mr. Struthers also spoke in favor of it.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Senate Bill No. 3458, and the bill passed the House by the following vote: Yeas, 96; nays, 1; not voting, 1.

Voting nay: Representative Kreidler.

Not voting: Representative Eberle.

Engrossed Senate Bill No. 3458, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

Mr. Scott spoke again in favor of the amendment.

POINT OF PARLIAMENTARY INQUIRY

Ms. Rinehart: "Mr. Speaker, I'm looking at HCR 27 and I'm trying to determine the rationale for the list of bills. I have a printout from the digest and I find no consistent rationale. Could you give me that rationale please?"

The Speaker: "It's not the place of the Speaker to tell you of the rationale about any legislation, Representative Rinehart."

MOTION

Mr. O'Brien moved that House Concurrent Resolution No. 27 be made a Special Order of Business for 10:00 p.m. today.

Mr. O'Brien spoke in favor of the motion, and the motion was lost.

The Speaker stated the question before the House to be the amendment by Representative Scott.

POINT OF INQUIRY

Mr. Scott yielded to question by Mr. Wang.

Mr. Wang: "Representative Scott, in your remarks earlier you were stating that House Bill 31 might be used for political purposes. Would you explain that further?"
Mr. Scott: "I'll tell you a little brief history about what worked up to this thing. We started out with a 67-page bill; we had 113 pages of amendments, not 113 amendments, but 113 pages of amendments. I would guess there were probably three or four hundred amendments. We had kind of a conference committee, with representatives of all interested parties, and we sat in the majority caucus room. It was kind of a free poll, with everybody having an amendment and a few were passed and so on. That's not what I would call a real legislative process on a very, very complex piece of legislation. Then Representative Lux got his engineer's hat on and I think that kind of typifies the process. I think if the public really knew how little time was spent and how screwed up this bill was when it left here, they would be awed at the process. When the bill left the House, as complex as it was, it wasn't even capable of working. It went over to the Senate and I expect we probably have some people recovering from broken arms and legs and it's come back here and section 1 is the only thing left out of a 109-page bill that left the House. Really why I don't want this thing passed, and if it is going to pass, I like to have it passed next session, is because I'm afraid some people may forget what House Bill 31 tried to do to them. If they are going to pass this, have them pass it next session. That way it will be fresh in everybody's mind what we really tried to do to them and maybe they'll become angry enough to vote for us Democrats. Does that answer your question, Representative Wang?"

SENATE AMENDMENTS TO HOUSE BILL

April 23, 1981

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 214 with the following amendments:

On page 2, following line 6 insert:

"NEW SECTION. Sec. 2. There is added to chapter 84.36 RCW a new section to read as follows:

Real or personal property owned by a nonprofit organization, association, or corporation in connection with the operation of a public assembly hall or meeting place is exempt from taxation. The area exempt under this section includes the building or buildings, the land under the buildings, and an additional area necessary for parking, not exceeding a total of one acre: PROVIDED, That for property essentially unimproved except for restroom facilities and structures on such property which has been used primarily for annual community celebration events for at least ten years, such exempt property shall not exceed twenty-nine acres.

To qualify for this exemption the property must be used exclusively for public gatherings and be available to all organizations or persons desiring to use the property, but the owner may impose conditions and restrictions which are necessary for the safekeeping of the property and promote the purposes of this exemption. Membership shall not be a prerequisite for the use of the property.

The use of the property for pecuniary gain or to promote business activities, except fund raising activities conducted by a nonprofit organization, nullifies the exemption otherwise available for the property for the assessment year. The exemption is nullified by the collection of rent or donations if the amount is reasonable and does not exceed maintenance and operation expenses created by the user.

The department of revenue shall narrowly construe this exemption and shall annually report to the legislature the names of organizations receiving such property tax exemptions.

Sec. 3. Section 6, chapter 40, Laws of 1973 2nd ex. sess. and RCW 84.36.800 are each amended to read as follows:

(3) 'Hospital' means any portion of a hospital building, or other buildings in connection therewith, used as a residence for persons engaged or employed in the operation of a hospital, or operated as a portion of the hospital unit;

(4) 'Nonprofit' means an organization, association or corporation no part of the income of which is paid directly or indirectly to its members, stockholders, officers, directors or trustees except in the form of services rendered by the organization, association, or corporation in accordance with its purposes and bylaws and the salary or compensation paid to officers of such organization, association or corporation is for actual services rendered and compares to the salary or compensation of like positions within the public services of the state;

(5) 'Parsonage' means a residence occupied by a clergyman who is designated for a particular congregation and who holds regular services therefor.

Sec. 4. Section 7, chapter 40, Laws of 1973 2nd ex. sess. and RCW 84.36.805 are each amended to read as follows:

In order to be exempt pursuant to RCW 84.36.030, 84.36.040, 84.36.050 ((amd)), 84.36.060, and section 1 of this 1981 act, said nonprofit organizations, associations or corporations shall satisfy the following conditions:

(a) The property is used for the actual operation of the activity for which exemption is granted and does not exceed an amount reasonably necessary for that purpose;

(b) The property is irrevocably dedicated to the purpose for which exemption has been granted, and on the liquidation, dissolution, or abandonment by said organization, association, or corporation, said property will not inure directly or indirectly to the benefit of any shareholder or individual, except a nonprofit organization, association, or corporation which too would be entitled to property tax exemption: PROVIDED, That the provision of this subsection shall not apply to those qualified for exemption pursuant to RCW 84.36.040 if the property used for the purpose stated is either leased or rented;

(c) The facilities and services are available to all regardless of race, color, national origin or ancestry;

(d) The organization, association, or corporation is duly licensed or certified where such licensing or certification is required by law or regulation;

(e) Property sold to organizations, associations, or corporations with an option to be repurchased by the seller shall not qualify for exempt status;
(f) The director of the department of revenue shall have access to its books in order to determine whether such organization, association, or corporation is exempt from taxes within the intent of RCW 84.36.030, 84.36.040, 84.36.050 (and), 84.36.060, and section 1 of this 1981 act.

Sec. 5. Section 8, chapter 40, Laws of 1973 2nd ex. sess. as amended by section 1, chapter 209, Laws of 1977 ex. sess. and RCW 84.36.810 are each amended to read as follows:

(2) Upon cessation of a use under which an exemption has been granted pursuant to RCW 84.36.050 to a school or college, the county treasurer shall collect all taxes which would have been paid had the property not been exempt during the three years preceding, or the life of such exemption, if such be less, together with the interest at the same rate and computed in the same way as that upon delinquent property taxes, plus a tax, at the same rate as the property tax rate for that year, on the amount of profit from the sale of property (the difference between the sales price and the purchase price plus improvements): PROVIDED, That where the school or college has operated for more than ten years, no penalty shall be assessed.

(3) If the cessation of use under subsections (1) or (2) of this section involves a portion of the total property exemptions the provisions of those subsections shall apply only to that portion: PROVIDED FURTHER, That such additional tax shall not be imposed if the cessation of use resulted solely from:

(a) Transfer to an organization, association, or corporation for a use which also qualifies and is granted exemption under the provisions of chapter 84.36 RCW;
(b) A taking through the exercise of the power of eminent domain, or sale or transfer to an entity having the power of eminent domain in anticipation of the exercise of such power;
(c) Official action by an agency of the state of Washington or by the county or city within which the property is located which disallows the present use of such property;
(d) A natural disaster such as a flood, windstorm, earthquake, or other such calamity rather than by virtue of the act of the organization, association, or corporation changing the use of such property;
(e) Relocation of the activity and use of another location or site except for undeveloped properties of camp facilities exempted under RCW 84.36.030.*

and the same is herewith transmitted.

MOTION

Mr. Greengo moved that the House do concur in the Senate amendments to Engrossed House Bill No. 214.

Mr. Greengo spoke in favor of the motion.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Warnke.

Mr. Warnke: "Representative Greengo, this bill just sort of ticked something in my mind that I read about a year ago regarding some community swimming pools. Would they fall under this as being tax exempt?"

Mr. Greengo: "No, Representative Warnke, they would not. If they are all unimproved property—it it's an unimproved park and has restroom facilities on it, but a bunch of open acreage—it's very narrowly written. It has to have been in existence for ten years."

The motion to concur was carried.

FINAL PASSAGE OF HOUSE BILL AS AMENDED BY SENATE

The Speaker stated the question before the House to be the final passage of Engrossed House Bill No. 214 as amended by the Senate.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 214 as amended by the Senate, and the bill passed the House by the following vote: Yeas, 91; nays, 6; not voting, 1.

SENATE AMENDMENTS TO HOUSE BILL

April 21, 1981

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 339 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Section 1. Section 43.52.250, chapter 8, Laws of 1965 as amended by section 1, chapter 184, Laws of 1977 ex. sess. and RCW 43.52.250 are each amended to read as follows:

As used in this chapter and unless the context indicates otherwise, words and phrases shall mean:

'District' means a public utility district as created under the laws of the state of Washington authorized to engage in the business of generating and/or distributing electricity.

'City' means any city or town in the state of Washington authorized to engage in the business of generating and/or distributing electricity.

'Canada' means Canada or any province thereof.

'Operating agency' or 'joint operating agency' means a municipal corporation created pursuant to RCW 43.52.360, as now or hereafter amended.

'Public utility' means any person, firm or corporation, political subdivision or governmental subdivision including cities, towns and public utility districts engaged in or authorized to engage in the business of generating, transmitting or distributing electric energy.

'Revenue bonds or warrants' means bonds, notes, bond anticipation notes, warrants, certificates of indebtedness, commercial paper, refunding or renewal obligations, payable from a special fund or revenues of the utility properties operated by the joint operating agency.

Sec. 2. Section 43.52.3411, chapter 8, Laws of 1965 and RCW 43.52.3411 are each amended to read as follows:

For the purposes provided for in this chapter, an operating agency shall have power to issue revenue bonds or warrants payable from the revenues of the utility properties operated by it. Whenever the board of a joint operating agency shall deem it advisable to issue bonds or warrants to construct or acquire any public utility or any works, plants or facilities or any additions or betterments thereto or extensions thereof it shall provide therefor by resolution, which shall specify and adopt the system or plan proposed and declare the estimated cost thereof as near as may be. Such cost may include funds for working capital, for payment of expenses incurred in the acquisition or construction of the utility and for the repayment of advances made to the operating agency by any public utility district or city. Except as otherwise provided in RCW 43.52.343, all the provisions of law as now or hereafter in effect relating to revenue bonds or warrants of public utility districts shall apply to revenue bonds or warrants issued by the joint operating agency including, without limitation, provisions relating to: The creation of special funds and the pledging of revenues thereto; the time and place of payment of such bonds or warrants and the interest rate or rates thereon; the covenants that may be contained therein and the effect thereof; the execution, issuance, sale, funding, or refunding, redemption and registration of such bonds or warrants; and the status thereof as negotiable instruments, as legal securities for deposits of public moneys and as legal investments for trustees and other fiduciaries and for savings and loan associations, banks and insurance companies doing business in this state. However, for revenue bonds or warrants issued by an operating agency, the provisions under RCW 54.24.030 relating to additional or alternate methods for payment may be made a part of the contract with the holders of revenue bonds or warrants of an operating agency maturing in not less than six years from the date of issuance. The board may authorize the managing director or the treasurer of the operating agency to sell revenue bonds or warrants maturing one year or less from the date of issuance, and to fix the interest rate or rates on such revenue bonds or warrants with such restrictions as the board shall prescribe.

NEW SECTION. Sec. 3. The legislature believes that the new authority granted in the 1981 amendment of RCW 43.52.250 and 43.52.3411 requires a prudent review of the status of those nuclear projects which are in the early stages of construction and financing on the effective date of this act. Therefore, the study prescribed in sections 4 through 8 of this act is authorized, to examine project financing, estimate the amount necessary to finance, assess the need for financing the projects, as compared to cost-effective alternatives, and determine the electric rate impacts of the projects to be financed. The legislature directs that an independent study shall be made of the feasibility of completion and operation of the Washington Public Power Supply System (WPPSS) Nuclear Projects Nos. Four and Five, which are the least advanced in construction of the five WPPSS projects.
NEW SECTION. Sec. 4. The study shall include, but not be limited to the following:

(1) The probability of successful financing of plant construction, including analysis of inflation effects, probable interest rates, future monetary policy, market reaction to financing arrangements, and risks associated with such financing arrangements;

(2) The probable ultimate costs and schedule for completing each plant assuming that: (a) Construction continues without a deferral, and (b) construction is completed after a deferral lasting as long as ten years;

(3) The probable cost of power produced by each plant throughout the period of plant operation;

(4) The electric rates that are to be expected assuming that each plant is completed according to the determinations under subsection (2) of this section, including costs of substitutes for the outputs of each plant if the plant's completion is subject to a deferral, the plant is not completed, or the plant ceases operation before the plant is finally amortized;

(5) The need for projected output of each plant considering projected demand for electricity, other supply or conservation programs that will be initiated during the period before each plant would be on line, and the availability of and potential for using alternative resources and conservation in new programs which could be undertaken;

(6) The market for and probable rate at which surplus electricity, if any, could be sold outside the Pacific Northwest region; and

(7) The cost-effectiveness of available energy alternatives as compared to continued investment in each plant, considering among other factors life cycle costs, time of availability, and options for the disposition of uncompleted plants.

NEW SECTION. Sec. 5. The legislature intends that the study described in section 4 of this act shall be managed and conducted by an independent research unit, recognized both for expertise in the investigation of electric energy supply and demand in the Pacific Northwest, particularly the process of electric generation by nuclear fission, and for objectivity in past research. The joint Washington energy research center of the University of Washington and Washington State University shall conduct this study through its affiliate office of applied energy studies of Washington State University. A study director shall be appointed by Washington State University. The study director shall contract with nationally recognized experts and disinterested consultants as needed for expeditious completion of the study. WPPSS shall provide unrestricted access to its personnel and records to the persons, including consultants, conducting the study.

The legislative budget committee shall monitor the fiscal administration of the study described in section 4 of this act and may require adherence to such fiscal practices as are appropriate to the needs of the state and the intent of this section and section 3 of this act.

The study director shall assemble an advisory panel which shall provide technical advice and support for the study. Experts from the private sector in the fields of public works construction and finance shall be included on the panel.

NEW SECTION. Sec. 6. The study required by section 4 of this act is needed as expeditiously as possible and shall be completed by March 15, 1982. The study director shall report periodically upon the concurrent request of the chairman of the energy and utility committees of the senate and the house of representatives regarding study progress and preliminary findings and shall provide a draft report to the Washington state legislature by January 31, 1982.

A full report of the findings and recommendations in the study shall be submitted by the office of applied energy studies of the Washington energy research center to the governor, the speaker of the house of representatives, the chairman of the senate, the chairman of the house of utilities committees, the managing director and the president of the board of directors of the Washington Public Power Supply System, and the governing body of each participant in the projects.

NEW SECTION. Sec. 7. There is hereby appropriated to Washington State University the sum of one million five hundred thousand dollars or so much thereof as is necessary for the 1981-1983 biennium from the state general fund to be used for the sole purpose of paying the costs of conducting the study under section 4 of this act.

NEW SECTION. Sec. 8. The Washington Public Power Supply System shall reimburse the state general fund in the amount of one million five hundred thousand dollars or so much thereof as is paid from the state general fund to Washington State University during the period of constructing the study which is the subject of section 4 of this act and such reimbursement shall be made to the state general fund upon completion of the study, but in no event later than June 30, 1982. The moneys reimbursed shall be considered part of the cost of construction of WPPSS Projects Nos. Four and Five.

Sec. 9. Section 43.52.343, chapter 8, Laws of 1965 and RCW 43.52.343 are each amended to read as follows:

All bonds issued by an operating agency shall be sold and delivered in such manner, at such rate or rates of interest and for such price or prices and at such time or times as the board shall deem in the best interests of the operating agency, whether by negotiation or to the highest and best bidder after such advertising for bids as the board of the operating agency may deem proper: PROVIDED, That the board may reject any and all bids so submitted and thereafter sell such bonds so advertised under such terms and conditions as it may deem most advantageous to its own interests.

NEW SECTION. Sec. 10. There is added to chapter 43.52 RCW a new section to read as follows:

Any municipal corporation, cooperative or mutual which has entered into a contract with an operating agency to participate in the construction or acquisition of an energy plant as defined in chapter 80.50 RCW shall annually adopt a plan for the repayment of its contractual share of any operating agency obligation.
which matures prior to the planned operation of the plant. The manner of adoption of the plan shall be subject to the laws regarding approval of rates of the municipal corporation, cooperative or mutual.

The plan shall include the effect of the means of repayment on its financial condition, its customers' rates, its other contractual rights and obligations, and any other matter deemed useful by the participant. Each such participating municipal corporation, cooperative or mutual shall include a statement of the extent of its contractual obligation to any operating agency in an annual financial report.

NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 12. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

On page I, line 6 of the title after • 43.52.343; • insert 'creating new sections; making an appropriation;'

MOTIONS

On motion of Mr. Nelson (G), the rules were suspended, and the bills listed on standing committee reports were advanced to second reading.

On motion of Mr. Nelson (G), further consideration of the bills was deferred, and they were ordered placed at the bottom of today's second reading calendar.

The Speaker (Mr. Amen presiding) declared the House to be recessed until 1:30 p.m.

AFTERNOON SESSION

The House was called to order at 1:30 p.m. by the Speaker. The Clerk called the roll and all members were present.

MESSAGE FROM THE SENATE

April 24, 1981

Mr. Speaker:

The Senate has passed:

ENGROSSED HOUSE CONCURRENT RESOLUTION NO. 27,

and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

MOTION

On motion of Mr. Nelson (G), the House advanced to the sixth order of business.

SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 3698:

The House resumed consideration of the bill on second reading.

The Clerk read the following amendment by Representatives Pruitt and Addison to the committee amendment:

On page 6, line 2 strike "133,450,900" and insert "131,560,900"

On page 6, line 27 after "improvements." insert "None of the funds appropriated in this section from the Puget Sound capital construction account shall be expended for any of the following projects at the Fauntleroy ferry terminal: Construction of a second slip, construction of a bus/high occupancy vehicle lane and sheltered bus area, widening of sidewalks, intersection and signal modifications, construction of a passenger pick-up area and second tollbooth."

With the consent of the House, Mr. Pruitt withdrew the amendment.

Ms. Granlund moved adoption of the following amendment by Representatives Granlund and Owen to the committee amendment:

On page 7, following line 9 insert a new subsection as follows:

"(7) The ferry operations account appropriation provided by this section is contingent upon providing discounted fares at the rates and on the terms and conditions in effect for ferry system patrons on December 31, 1980. In restoring the rates and policies regarding discounted fares in effect on that date, the commission may provide for such additional discounts as it deems warranted, but in no case shall any of the discounts which were provided on December 31, 1980, be reduced or eliminated during the remainder of this biennium."

Ms. Granlund spoke in favor of the amendment.

POINT OF INQUIRY

Ms. Granlund yielded to question by Mr. Nisbet.

Mr. Nisbet: "What will the impact be on the noncommuter commutation bookholders with the passage of this amendment? Will it raise the fares they must pay or what will its fiscal impact be on those persons?"
Ms. Granlund: "Representative Nisbet, the impact has been mostly on those commuters. We hear a lot about a twenty-seven percent increase in fares and that isn't even telling the whole story. Those people who commute and do have this kind of book would have to pay around fifty-seven percent. I say that the burden is on those who commute."

Mr. Nisbet: "I'm not concerned about the context of commutation, but I'm concerned about the rollback of the discount rate, and as I read your amendment, the price for that is at the 1980 level. You are correct. Many of the people in my district utilize the ferries, but only to go to Seattle for their hospital treatments and things of that nature, and I'm concerned if we are creating a disadvantage for those people who must use the ferry systems, but not as regularly as those in your district, by rolling this back to that point in time—1980?"

Ms. Granlund: "Actually, those commuters do subsidize the walk-on ferry users. I think I did answer your question."

Representatives Nisbet and Wilson spoke against the amendment to the committee amendment, and Representatives Owen and Dawson spoke in favor of it.

POINT OF INQUIRY

Ms. Granlund yielded to question by Mr. Nisbet.

Mr. Nisbet: "My concern, Representative Granlund, is in the total words put together in here. I receive the impression that what you are attempting to do here is not what you would be doing with the words contained herein. Is it your intention by this amendment to roll back the amount that would be paid or the amount of the discount allowed for commutation tickets?"

Ms. Granlund: "What we are attempting to do with this amendment is to make sure that the same percentage of discounts count apply as in December 31, 1980."

Mr. Nisbet now spoke in favor of the amendment, and Representatives Schmidt and Granlund also spoke in favor of it.

The amendment to the committee amendment was adopted.

Ms. Schmidt moved adoption of the following amendment by Representatives Schmidt, Wilson, Granlund and Owen to the committee amendment:

On page 6, line 23 after "are" strike the material down to and including "improvements" on line 27 and insert "provided for and shall be limited to completing work in progress and effecting emergency for the Washington state ferry system, and no new capital projects are authorized during the 1981-83 biennium."

Representatives Schmidt, Wilson and Addison spoke in favor of the amendment to the committee amendment, and Representatives Martinis and Lundquist spoke against it.

POINT OF INQUIRY

Ms. Schmidt yielded to question by Mr. Walk.

Mr. Walk: "Representative Schmidt, my question refers to whether or not your amendment would also affect subsection (5) of this section? Your amendment would limit the money that would be spent from the capital construction account, however, in subsection (5) it declares that if the Department of Transportation found a surplus, that surplus could be diverted. I wonder if you could tell me if your amendment affects that?"

Ms. Schmidt: "I believe that it would not affect this section. I believe that is still the right of the Transportation Commission. All we are asking is that they not work on any new projects, begin any new projects, or spend any more money. We don't want any more bonds sold because we're going to have to pay for them down the line. We are not asking them to slide any more money out of that account; we're asking them to just freeze the account and not begin any new projects."

Mr. James spoke in favor of the amendment to the amendment, and Mr. Garson spoke against it.

Mr. Wilson spoke again in favor of the amendment, and Mr. Martinis again opposed it.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Schmidt and others to the committee amendment to Engrossed Substitute Senate Bill No. 3698, and the
amendment to the amendment was not adopted by the following vote: Yeas, 43; nays, 50; not voting, 5.

Not voting: Representatives Chandler, Greengo, Heck, King R., Rinehart.

Ms. Schmidt moved adoption of the following amendment by Representatives Schmidt, Wilson, Granlund and Owen to the committee amendment:

On page 7, following line 9 insert a new subsection as follows:

'(7) The transportation commission shall not adopt fare increases to be effective on May 1 of each year, pursuant to RCW 47.62.325, which are in excess of 16%.'

Representatives Schmidt, Granlund, James and Owen spoke in favor of the amendment to the committee amendment, and Mr. Martinis spoke against it.

POINT OF INQUIRY

Mr. Martinis yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Martinis, I’d like to ask you what percent of the operating cost of these ferries is now being paid by other taxes and taxpayers?"

Mr. Martinis: "Well, Representative Flanagan, those are figures in this budget that are extremely difficult to get. There are figures floating around through this legislature all the way from twenty-five percent to thirty-eight percent. As far as what this is doing here now, I believe the budget, as we’re looking at it here, is something in the order of twenty-seven percent. If this type of thing was in there, you could figure the twenty-seven percent down to sixteen percent, will bring it up to in the neighborhood of thirty-seven to thirty-eight percent. What has happened over in the Commission is they have taken the political or the gutless way of saying they would give a forty percent subsidy if the legislature will give it to them. They’ve taken the monkey completely off their backs and they’ve put in on this body."

Representatives Flanagan and Garson spoke against the amendment to the amendment, and Mr. Wilson spoke in favor of it.

Mr. Nelson (G) demanded the previous question, and the demand was sustained.

The amendment as amended was adopted.

On motion of Mr. Wilson, the committee amendment to the title of the bill was adopted.

On motion of Mr. Nelson (G), the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Wilson, Martinis, Owen, Garson and Lundquist spoke in favor of passage of the bill.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 3698 as amended by the House, and the bill passed the House by the following vote: Yeas, 79; nays, 19; not voting, 0.

Voting nay: Representatives Brekke, Burns, Chandler, Ehlers, Eng, Erickson, Garrott, Gruger, Lux, McDonald, Nelson D., Nisbet, Patrick, Rinehart, Rust, Schmidt, Sommers, Thompson, Williams.
Engrossed Substitute Senate Bill No. 3698 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

MOTION

On motion of Mr. Nelson (G), Engrossed Substitute Senate Bill No. 3698 as amended by the House was ordered immediately transmitted to the Senate.

The Speaker called on Mr. Amen to preside.

HOUSE BILL NO. 648, by Committee on Revenue and Representative Greengo (by Department of Revenue request):

Modifying provisions on real estate excise taxation.

The bill was read the second time. On motion of Mr. Greengo, Substitute House Bill No. 648 was substituted for House Bill No. 648, and the substitute bill was placed on the calendar for second reading.

Substitute House Bill No. 648 was read the second time.

Mr. Tilly moved adoption of the following amendment by Representatives Tilly, Ellis, Barr and Fancher:

On page 1, line 18 after "seller." strike "The rules shall also include a manual which defines transactions which are taxable under this chapter." and insert "((The rules shall also include a manual which defines transactions which are taxable under this chapter.))"

Mr. Tilly spoke in favor of the amendment, and Ms. Sommers spoke against it.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Greengo, in this amendment and in the bill, I notice there is a fiscal note on this item, but the fiscal item is not in our bill report. What is the revenue fiscal note on this?"

Mr. Greengo: "I'm afraid I can't tell you, Representative Ehlers."

POINT OF INQUIRY

Mr. Sanders yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Sanders, would you answer the question please?"

Mr. Sanders: "There is no fiscal impact; there is just a form change."

POINT OF PARLIAMENTARY INQUIRY

Mr. Ehlers: "It's my understanding that in the cutoff resolution unless an item has either a revenue generator or a decrease in revenue, that it should not be considered at this time. We've been informed by a member of the Revenue Committee that it is not a revenue generator and therefore should not be considered."

SPEAKER'S RULING (MR. AMEN PRESIDING)

The Speaker (Mr. Amen presiding): "Representative Ehlers, the bill has a revenue impact on it so it is alive. It doesn't matter whether the amendment has an impact or not. There is a revenue impact on the bill."

POINT OF INQUIRY

Mr. Sanders yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Sanders, so we're real clear on what we're talking about, my question to you dealt with the bill and not the amendment. Would you clarify that for us please?"

Mr. Sanders: "Representative Ehlers, since the amendment was before us I thought your question was regarding the amendment. The amendment does not have a fiscal impact, but the bill, of course, does have a fiscal impact."

Mr. Ehlers: "Could you tell us how much that is?"

Mr. Sanders: "$17.21 million."
POINT OF ORDER

Mr. Greengo: "Mr. Speaker, could I ask for a ruling on scope and object on this amendment?"

SPEAKER’S RULING (MR. AMEN PRESIDING)

The Speaker (Mr. Amen presiding): "Representative Greengo, we are already in the process of debate so it is too late for your point of order."

POINT OF PARLIAMENTARY INQUIRY

Mr. Ehlers: "On a previous ruling by Speaker Polk on another measure I was concerned with, I did not raise a point of order, but I raised a point of parliamentary inquiry after an amendment had been offered, and at that point he ruled that, in fact, discussion had begun and as long as I had asked for a point of parliamentary inquiry, the Speaker ruled that the amendment was outside the scope and object and is not subject to the ruling you indicated."

The Speaker resumed the Chair.

The Speaker: "Representative Ehlers, the situation that you described was one that was entirely different from this one. It was one where the question brought up was really a point of privilege where a House rule was asked to be enforced and that was entirely different from this. In this case, Speaker Amen ruled correctly, in my judgment, that we had already proceeded past this point."

Mr. Padden demanded the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Tilly and others to Substitute House Bill No. 648, and the amendment was not adopted by the following vote: Yeas, 43; nays, 55; not voting, 0.

Mr. Tilly moved adoption of the following amendment:

On page 2, after line 24 insert:

"Sec. 5. Section 28A.45.120, chapter 223, Laws of 1969 ex. sess. as amended by section I, chapter 134, Laws of 1980 and RCW 28A.45.120 are each amended to read as follows:

The affidavit form shall contain a statement of the potential compensating and additional tax liability under chapters 84.33 and 84.34 RCW, a statement of the collection of taxes under RCW 84.36.262 and 84.36.810, and a statement of the applicable penalties for perjury under chapter 9A.72 RCW.

Sec. 6. Section 14, chapter 154, Laws of 1980 (uncodified) is amended to read as follows:

Chapter 28A.45 RCW, as amended, repealed, and added to by ((this 1988 act)) chapter 134, Laws of 1980 and chapter 154, Laws of 1980 and as amended, repealed, and added to by any other enactment during a regular or extraordinary session of this ((forty--seventh)) forty--seventh legislature, is hereby added to and shall be recodified as ((a new)) chapter ((in Title)) 82.45 RCW.

References to chapter 28A.45 RCW and its sections shall be considered references to chapter 82.45 RCW and its sections, and the code reviser shall change references to chapter 28A.45 RCW and its sections to refer to chapter 82.45 RCW and its sections.

Representatives Tilly and Becker spoke in favor of the amendment, and Representatives Sommers and Greengo spoke against it.

POINT OF INQUIRY

Mr. Greengo yielded to question by Mr. Ellis.

Mr. Ellis: "Representative Greengo, will you answer all of my mail and the realtors and homeowners and everybody out there who have to go ahead now and sign two signatures for the next month until we get this thing straightened up? You know it has been a unanimous agreement by the industry, the county auditors and the Department of Revenue, and you are the sponsor of the bill.'

Mr. Greengo: "Well, Representative Ellis, I guess my mail has run as heavy as yours, so we'll each have to answer our own because the bill isn't going to pass if we do what we're doing here.'

The amendment was adopted.

On motion of Mr. Tilly, the following amendments to the title were adopted:

On page 1, line 1 after "taxes;" insert "amending section 28A.45.120, chapter 223, Laws of 1969 ex. sess. as amended by section 1, chapter 134, Laws of 1980 and RCW 28A.45.120;"

On page 1, line 4 after "RCW;" insert "amending section 14, chapter 154, Laws of 1980 (uncodified);"

The bill was ordered engrossed. There being no objection, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Greengo spoke in favor of passage of the bill.

MARION KYLE SHERMAN, 47th District.

SENATE BILL NO. 3375, by Senators Patterson, Peterson, Sellar, Gallaghan and Bauer (by Executive request):

Doubling the life of driver’s licenses and adjusting fees and the apportionment thereof accordingly.

The bill was read the second time.

On motion of Mr. Garson, the following amendments by Representatives Garson, Patrick, Martinis and Walk were adopted:

On page 2, line 35 insert the following:

'Sec. 4. Section 46.20.130, chapter 12, Laws of 1961 as last amended by section 2, chapter 232, Laws of 1967 and RCW 46.20.130 are each amended to read as follows:

The director shall prescribe the content of the driver licensing examination and the manner of conducting the examination, which shall include but is not limited to:

(1) A test of the applicant’s eyesight and his ability to understand, and follow highway signs regulating, warning, and directing traffic;

(2) A test of the applicant’s knowledge of traffic laws and his ability to understand and follow the directives of lawful authority, given in the English language, orally or graphically, that regulate, warn, and direct traffic in accordance with the traffic laws of this state;

An actual demonstration of his ability to operate a motor vehicle in such a manner as not to jeopardize the safety of persons or property;

Such further examination as the director deems necessary (a) to determine whether any facts exist which would bar the issuance of a vehicle operator’s license under chapters 46.20, 46.21 and 46.29 RCW, and (b) to determine the applicant’s fitness to operate a motor vehicle safely on the highways; and

In addition to the foregoing, when the applicant desires to drive a motorcycle, as defined in RCW 46.04.330, or a motor-driven cycle, as defined in RCW 46.04.332, the applicant shall also demonstrate his ability to operate such motorcycle or motor-driven cycle in such a manner as not to jeopardize the safety of persons or property.'

Renumber the following section consecutively.

On page 1, line 8 of the title after "46.68.041;" insert "amending section 46.20.130, chapter 12, Laws of 1961 as last amended by section 2, chapter 232, Laws of 1967 and RCW 46.20.130;"

On motion of Mr. Nelson (G), the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Wilson and Martinis spoke in favor of passage of the bill, and Mr. Patrick spoke against it.
POINT OF INQUIRY

Mr. Nelson (D) asked Mr. Wilson to yield to question, and Mr. Wilson refused to yield.

POINT OF INQUIRY

Mr. Garrett yielded to question by Mr. Nelson (D).

Mr. Nelson (D): "Representative Garrett, the concern I have is that there is a fiscal impact. It produces revenue, but it says it decreases expenditures. I'm wondering if the increase in fees is offset by the expenditures, so that it doesn't amount to a tax increase on the motorist?"

Mr. Garrett: "Representative Nelson, I don't know whether you would call it a tax increase or a user fee increase, but you are paying two dollars for your picture. Of course, the picture will last you four years and you are getting one picture for two dollars now instead of under the two-year system you got two pictures for two dollars. You can interpret that any way you want."

Mr. Nelson (D): "In other words, the fees are the same then? The basic fee is the same?"

Mr. Garrett: "It's my understanding the fee is seven dollars for two years and it will go to fourteen dollars for four years, but there would be one dollar that would go for the picture and I don't know where the other dollar would go. Of course, the savings we are talking about are in the reduction of time of issuing the licenses. This will be staggered so that if your birthday is on an odd-numbered year or an even-numbered year, one or the other, you will get two years and the other person will get four years and then that way the department will have something to do all the time."

ROLL CALL

The Clerk called the roll on the final passage of Senate Bill No. 3375 as amended by the House, and the bill passed the House by the following vote: Yeas, 81; nays, 17; not voting, 0.

Senate Bill No. 3375 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SUBSTITUTE SENATE BILL NO. 4090, by Committee on Higher Education (originally sponsored by Senator Benitz):

POINT OF INQUIRY

Ms. Rinehart yielded to question by Mr. Tupper.

Mr. Tupper: "Representative Rinehart, I'm concerned about the use of 'automatic escalators' as a phrase. I don't see a lot of difference between fixing a percentage for the costs that a student must pay as a percent of the cost of instruction and the difference between a fixed percentage on sales tax, which obviously escalates as the price of goods goes up, or a fixed percentage on property tax lid, which is 106%, which escalates as the price of property goes up."

Ms. Rinehart: "The difference is our sales taxes apply to the general population and this is one specific tax increase that pertains to one particular set of people."

Sec. 4. - Section 84.64.050, chapter 15, Laws of 1961 as amended by section 2, chapter 84, Laws of 1972
ex. sess. and RCW 84.64.050 are each amended to read as follows:

After the expiration of (three) three years from the date of delinquency, when any property remains on
the tax rolls for which no certificate of delinquency has been issued, the county treasurer shall proceed to
issue certificates of delinquency on said property to the county((andr)), for all years’ taxes, interest, and

must include the local street address, if any. It shall be the duty of the county treasurer to mail a copy of the
published summons, within fifteen days after the first publication thereof, to the treasurer of each city or
town within which any property involved in a tax foreclosure is situated, but the treasurer’s failure to do so
shall not affect the jurisdiction of the court nor the priority of any tax sought to be foreclosed. Said certifi-

property, and the proceedings to foreclose the liens against said property may be brought in one action and
all persons interested in any of the property involved in said proceedings may be made codefendants in said
action, and if unknown may be therein named as unknown owners, and the publication of such notice shall
be sufficient service thereof on all persons interested in the property described therein, except as provided

### NEW SECTION. Sec. 28. FOR THE ARTS COMMISSION—ART WORK ALLOWANCE

In accordance with RCW 43.17.200, all state agencies or departments shall expend, as a nondeductible item, out of any moneys appropriated for the original construction of any state building, an amount of one-half of one percent of the appropriation for the acquisition of works of art which may be an integral part of the structure, attached to the structure, detached within or outside of the structure, or can be exhibited by the agency in other public facilities. If the amount is not required in toto or in part for any project, the unrequired amounts may be accumulated and expended for art in other projects of the agency. For the purpose of this section, "building" does not include highway construction sheds, warehouses, or other buildings of a temporary nature.

### NEW SECTION. Sec. 29. To effectively, efficiently, and economically carry out the provisions of this act, each agency shall establish a start date and completion date on each project which has an estimated total cost which exceeds two hundred thousand dollars and for which a start or completion date is not specified in this act. This information shall be furnished to the office of financial management and the legislative auditor no later than the date the allotment request is filed with the office of financial management. If a project cannot start on or before the indicated start date or be completed by the indicated completion date, the director of the agency shall document and file with the office of financial management and the legislative budget committee the reason for the delay and indicate the new start and/or completion date(s). The legislative auditor shall review these filings and report thereon to the legislative budget committee and the appropriate standing committees of the senate and house of representatives.

As a result of these filings, agency directors may be required to appear before the legislative budget committee for further explanation of a project delay.

### NEW SECTION. Sec. 30. To effectively carry out the provisions of this act, the governor may assign responsibility for planning, engineering, construction, and other related activities to any appropriate agency.

### NEW SECTION. Sec. 31. Reappropriations shall be limited to the unexpended balances remaining June 30, 1981, in the current appropriation for each project.

### NEW SECTION. Sec. 32. Notwithstanding any other provisions of law, for the 1981–83 biennium, state treasurer transfers of reimbursement to the general fund from the community college capital projects account for debt service payments made under the provisions of Title 28B RCW shall occur only after such debt service payment has been made and only to the extent that funds are actually available in the account. Any unpaid reimbursements shall be a continuing obligation against the community college capital projects account until paid. The state board for community college education need not accumulate any specific balance in the community college capital projects account in anticipation of transfers to reimburse the general fund.

### NEW SECTION. Sec. 33. Any capital improvements or capital project involving construction or major expansion of a state office facility, including district headquarters, detachment offices, and off-campus faculty offices, shall be reviewed by the department of general administration for possible consolidation and compliance with state office standards prior to allotment of funds. The intent of the requirement imposed by this section is to eliminate duplication and reduce total office space requirements where feasible, while ensuring proper service to the public.

### NEW SECTION. Sec. 34. The governor, through the director of financial management, may authorize a transfer of appropriation authority provided for a capital project which is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer shall be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects which are funded from the same fund or account.

A report of any transfer effected under this section shall be filed with the legislative auditor by the director of financial management within thirty days of the date the transfer is effected. The legislative auditor shall review and compile these filings and periodically report thereon to the legislative budget committee and the appropriate standing committees of the senate and house of representatives.

### NEW SECTION. Sec. 35. If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with any moneys available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the committees on ways and means of the senate and house of representatives.

### NEW SECTION. Sec. 36. Each agency receiving appropriations or reappropriations from the general fund—outdoor recreation account shall provide a master list of all incomplete projects funded in full or in part from the outdoor recreation account. Projects shall be considered incomplete if the project is not completed before November 1, 1981.

The master list shall include but is not limited to the following:

1. A list of projects in order of priority as determined by the agency;
2. A brief description of the project;

(3) A complete explanation of the status of each project; and

(4) A reconciliation of moneys, by subsourse of funds, available to the agency to fund the projects.

Each agency shall submit its master list to the office of financial management. The office financial management shall forward each agency's master list of projects, along with any recommendations, to the committees on ways and means of the house of representatives and senate by December 1, 1981.

NEW SECTION. Sec. 37. State agencies shall not receive or make a contractual agreement to receive any donation of real property or an interest therein which commits the agency to assume on a current basis or request at a future time appropriated funds for operating, development, or acquisition costs without prior approval of the legislative budget committee or the committees on ways and means of the senate and house of representatives if the legislature is in session.

NEW SECTION. Sec. 38. Expenditure of moneys appropriated by section 3 of this act shall be made in consultation and with the prior approval of the state capitol committee in accordance with chapter 79.24 RCW. In addition, the department of general administration shall consult with and obtain the approval of the joint legislative committee on capitol facilities prior to expenditure of moneys appropriated by section 3 of this act on projects involving capitol buildings occupied wholly or in part by the legislature.

NEW SECTION. Sec. 39. As the principal and interest requirements of outstanding state bonds, notes, or other evidences of indebtedness and all such indebtedness as is hereafter issued approaches the statutory debt limitation provided for in RCW 39.42.060, the state finance committee shall notify the director of financial management. It is the responsibility of the director to establish priorities for capital projects according to the following order:

(1) Projects requiring reappropriations to fulfill any existing contractual obligations of the state;

(2) Projects which address critical and emergent needs of the state;

(3) Projects which are necessary to prevent the deterioration and structural damage to existing buildings and structures;

(4) All other projects for which funds have been appropriated.

The director of financial management shall notify the state finance committee and the committees on ways and means of the senate and house of representatives of the list of projects, by priority, as soon as possible. The state finance committee shall utilize the lists with respect to the issuance of bonds, notes, or other evidences of indebtedness of the state.

NEW SECTION. Sec. 40. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 41. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect July 1, 1981, with the exception of section 7(10) of this act, which shall take effect immediately.

On page 1, line 1 of the title, after "capital budget" strike the remainder of the title and insert "making appropriations and authorizing expenditures for capital improvements; authorizing certain projects; providing an effective date; and declaring an emergency."

Signed by Representatives Chandler, Chairman; Struthers, Vice Chairman; McDonald, Nisbet, Thompson, Warnke, Williams.

Voting nay: Representatives Sommers, Ranking Minority Member; Becker.

MESSAGE FROM THE SENATE

April 25, 1981

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on SUBSTITUTE HOUSE BILL NO. 601, and has passed the bill as amended by the Conference Committee, and the same is herewith transmitted.

Sidney R. Snyder, Secretary.

REPORT OF CONFERENCE COMMITTEE

April 25, 1981

Mr. Speaker:

Mr. President:

We, of your Conference Committee, to whom was referred SUBSTITUTE HOUSE BILL NO. 601, enacting the court congestion reduction act, have had the same under consideration and we recommend that the Senate Judiciary Committee amendments be adopted, except for sections 2 through 10 and section 16, and that the following language be stricken from section 22: On lines 9 and 10 and on lines 20 and 21, page 18, strike "or similarly trained person" and the title be changed to conform with the above recommendation.

Signed by Senators Hemstad, Talmadge, Newhouse; Representatives Ellis, Padden.

MOTION

Mr. Ellis moved that the House adopt the recommendations of the Conference Committee.

Mr. Ellis spoke in favor of the motion.

POINT OF INQUIRY

Mr. Ellis yielded to question by Mr. Wang.

Mr. Wang: "Representative Ellis, are all the bonds out of here at this point?"

Mr. Ellis: "That's correct."

Mr. Wang: "Could you explain the effect of the amendment to strike the phrase 'or similarly trained persons'?"

Mr. Ellis: "That was the amendment which would require, in small claims court, that corporate plaintiffs could not use attorneys, paraprofessionals and, as the original Senate amendment read, or similarly trained persons. If the defendant objected to such representation in the small claims court it would then be put up in the justice court. During the conference and discussion with Senator Talmadge, whose amendment this was, he agreed that this is vague language and so we simply agreed to strike it out, so now the section still reads that a corporation cannot use an attorney or a legal paraprofessional in a small claims court if the defendant objects."

Mr. Wang: "Could you explain the relationship between lines 9 and 10 and then on lines 20 and 21?"

Mr. Ellis: "The first part is any person cannot use a lawyer or a legal paraprofessional. That phrase was used twice in that section, once relating to any parties and once relating to corporations."

The motion was carried.
The Speaker stated the question before the House to be final passage of Substitute House Bill No. 601 as recommended by the Conference Committee.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 601 as recommended by the Conference Committee, and the bill passed the House by the following vote: Yeas, 93; nays, 1; not voting, 4.

Voting nay: Representative Teutsch.

Substitute House Bill No. 601 as recommended by the Conference Committee, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

REPORT OF CONFERENCE COMMITTEE

April 25, 1981

Mr. President:
Mr. Speaker:

We, of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 3554, relating to local economic development, have had the same under consideration, and we recommend that the House amendment by Representative Flanagan be adopted.

Signed by Senators Bluechel, Sellar; Representatives Flanagan, Greengo.

MOTION

Mr. Flanagan moved that the House adopt the report of the Conference Committee on Engrossed Substitute Senate Bill No. 3554.

Mr. Flanagan spoke in favor of the motion, and it was carried.

POINT OF ORDER

Mr. O'Brien: "Mr. Speaker, the amendment proposed on page 8, line 39 subsection (24) is not germane and irrelevant to the subject matter of Reengrossed Substitute Senate Bill No. 3843. It changes the scope and object of the capital budget. It states the Department of General Administration shall not expend any further capital or operating funds to the legislative art work project. The amount appropriated for the legislative art work project was made in the capital budget in the 1979 Legislative Session for the biennium of July 1, 1979 to June 30, 1981, and this capital budget appropriates several dollar amounts hereinafter specified or so much thereof as is sufficient to accomplish the purposes designated and appropriated and
authorized to be dispersed to the capital project for the period ending July 30, 1983. Further
the operating funds for the Department of General Administration are made in the general
operating fund and not in the capital budget. No motion or proposition or subject different
from that under consideration shall be admitted under color of amendment. This is House Rule
14(D) and Reed's Rule 160. I submit to you, Mr. Speaker, that this proposed amendment is
not germane to the subject matter of the bill.

SPEAKER’S RULING

The Speaker: "Representative O'Brien, as to your question of scope and object, I find that
subsection (24) would restrict the expenditure of both capital and operational funds of the
Department of General Administration. The capital budget is not the appropriate place to
restrict the operating budget of a department. Your point is well taken.

"The effect of ruling subsection (24) beyond the scope and object of the bill would stop all
consideration of the entire amendment if subsection (24) was not divisible from the capital
budget amendment. I have researched prior rulings of this House and have found that a por­
tion of an amendment may be declared beyond the scope and object of the bill and be divided
from the amendment if it encompasses separate and distinct subjects. I find that the subsection
is divisible and in accordance with House Rule 22(E), hereby declare the question divided."

Mr. Smith moved adoption of the following amendment by Representatives Smith,
Flanagan, Tilly, Amen, Prince and Taylor to the committee amendment:
On page 55, beginning on line 40 strike all of subsection (22).

Representatives Smith and Flanagan spoke in favor of the amendment, and Mr. Scott
spoke against it.

POINT OF INQUIRY

Mr. Scott yielded to question by Mr. Amen.

Mr. Amen: "Representative Scott, I was confused by your remarks. You said if we do not
buy the railroad we are going to have to take out the bridges. Why do we have to take out the
bridges when the state doesn't own it?"

Mr. Scott: Representative Amen, Sam Guess called a federal judge in Spokane who han­
dles all the railroad bankruptcy laws, and it appears that something in the federal law says that
if the railroad declares bankruptcy then the state is liable regardless of whether it had anything
to do with it or not. He also told us that if we do not purchase that right-of-way—and his
words are, 'estimates that the state would only cover five or ten percent of the dollar on the
lienholder in the bankruptcy if we don't purchase this.' So we'd lose all those back taxes. The
federal judge handles this every day, and Senator Guess called him and this is what he was
told. I might add that in the county, they leave the rails in and don't take the rails out on road
crossings. The reason they do that is so they don't have to come in when they blacktop and pull
the rails up. That leaves the responsibility to the county.

Representatives Amen and Prince spoke in favor of the amendment, and Representatives
Scott and King (R) spoke against it.

Representatives Smith and Flanagan spoke again in favor of the amendment.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Smith and
others to the committee amendment to Reengrossed Substitute Senate Bill No. 3843, and the
amendment to the amendment was not adopted by the following vote: Yeas, 47; nays, 47; not
voting, 4.

Voting yea: Representatives Amen, Barnes, Barr, Barrett, Berleen, Bickham, Bond, Cantu,
Chamberlain, Chandler, Clayton, Dawson, Dickie, Ellis, Fancher, Fiske, Flanagan, Garrett, Greengo,
Hankins, Hastings, Houchen, Isaacs, James, Johnson, Lane, Lundquist, Lux, Maxie, McGinnis, Monohon,
Nickell, Nisbet, North, Padden, Prince, Pruitt, Rosbach, Smith, Struthers, Taylor, Tilly, Tupper, Van
Dyken, Vander Stoep, Winsley, and Mr. Speaker.

Voting nay: Representatives Addison, Becker, Bender, Brekke, Brown, Burns, Eberle, Ehlers, Eng,
Erak, Erickson, Gallagher, Galloway, Garson, Grimm, Gruger, Heck, Hine, King J., King R., Kreidler,
Leonard, Lewis, Martinis, McCormick, McDonald, Mitchell, Nelson D., O'Brien, Owen, Patrick, Rinehart,
Rust, Salatino, Sanders, Scott, Sherman, Sommers, Sprague, Stratton, Teutsch, Thompson, Valle, Wall,
Wang, Warnke, Williams.

Mr. Williams moved adoption of the following amendment by Representatives Williams and Becker to the committee amendment:

On page 8, line 39 add a new subsection (24) as follows:

"(24) The department of general administration shall not expend any capital funds appropriated herein for the legislative art work project."

POINT OF ORDER

Mr. O'Brien: "Mr Speaker, this proposed amendment isn't germane to Reengrossed Substitute Senate Bill No. 3843. Part of the preamble to the bill states, 'A capital budget ... the several dollar amounts hereinafter specified, or so much thereof as shall be sufficient to accomplish the purposes designated, are appropriated and authorized to be disbursed for capital projects during the period ending June 30, 1983...' I submit to you that there is nothing in this budget that pertains to capital funds appropriated for legislative art work. The amendment is redundant and not germane to the bill because there is nothing here in the ensuing biennium for legislative art work. I don't understand the purpose of the amendment. It certainly is in violation of our House rules."

SPEAKER'S RULING

The Speaker: "Representative O'Brien, in the budget bills that we have passed, the operating budget as well as our capital budget, there are often provisos of various sorts that prohibit one thing or another that the money can be spent for or should not be spent for. I would find that this amendment would be of the same general nature as the proviso restricting the use of money that would be appropriated to the Department of General Administration. As you say, it may be a redundancy, but I would not find it beyond the scope and object of the bill."

Representatives Williams, Taylor and Sanders spoke in favor of the amendment to the amendment, and Representatives O'Brien, Kreidler and Rinehart spoke against it.

Mr. Hastings demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representatives Williams and Becker to the committee amendment to Reengrossed Substitute Senate Bill No. 3843, and the amendment to the amendment was adopted by the following vote: Yeas, 58; nays, 37; not voting, 3.

MOTION FOR RECONSIDERATION

Having voted on the prevailing side, Mr. O'Brien moved that the House now reconsider the vote by which the Williams/Becker amendment to the committee amendment was adopted.

Mr. O'Brien spoke in favor of the motion, and Mr. Tupper spoke against it.

ROLL CALL

The Clerk called the roll on the motion that the House reconsider the vote by which the amendment by Representatives Williams and Becker to the committee amendment to Reengrossed Substitute Senate Bill No. 3843 was adopted, and the motion was lost by the following vote: Yeas, 48; nays, 48; not voting, 2.

Voting nay: Representatives Addison, Amen, Barnes, Barrett, Becker, Berleen, Bickham, Bond, Cantu, Chamberlain, Chandler, Clayton, Dawson, Dickie, Fancher, Garson, Greengo, Grimm, Hankins, Hastings, Heck, Houchen, Isaacson, James, Leonard, Lewis, McDonald, Nickell, Nisbet, Owen, Patrick, Prince,
ONE HUNDRED FOURTH DAY, APRIL 25, 1981 1415

The Speaker stated the question before the House to be the committee amendment as amended.

The committee amendment as amended was adopted.

On motion of Mr. Nelson (G), the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

POINT OF INQUIRY

Mr. Williams yielded to question by Ms. Rosbach.

Ms. Rosbach: "I'd like to inquire about the budget on page 5, item 11, 'To purchase land adjacent to Olympia Technical Community College, $500,000...' I realize that it's adjacent to the Olympia Technical Community College and there was a request from the State Board of Community Colleges to do two things. First, to purchase that acreage for $500,000 for future plans and development, and also they had asked to add an academic program at Olympia Tech. Is it correct that your committee made the purchase, recommending the approval of the appropriation to acquire the land, but did not grant approval of academic courses at the Olympia site at this time?"

Mr. Williams: "This approval is in the General Administration budget, so your answer is correct. Should it be used for educational purposes, we would have to transfer it, and that would be another appropriation or transfer which would then go through Representative McDonald's committee."

Representatives Chandler, Williams, Smith and Stratton spoke in favor of passage of the bill, and Representatives Sommers and Becker spoke against it.

ROLL CALL

The Clerk called the roll on the final passage of Reengrossed Substitute Senate Bill No. 3843 as amended by the House, and the bill passed the House by the following vote: Yeas, 71; nays, 27; not voting, 0.

Reengrossed Substitute Senate Bill No. 3843 as amended by the House, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SENATE AMENDMENTS TO HOUSE BILL

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 128 with the following amendments:

On page 3, after line 16 insert new sections as follows:

"Sec. 5. Section 3, chapter 105, Laws of 1979 ex. sess. and RCW 10.99.030 are each amended to read as follows:

(1) All training relating to the handling of domestic violence complaints by law enforcement officers shall stress enforcement of criminal laws in domestic situations, availability of community resources, and protection of the victim. Law enforcement agencies and community organizations with expertise in the issue of domestic violence shall cooperate in all aspects of such training.

(2) The primary duty of peace officers, when responding to a domestic violence situation, is to enforce the laws allegedly violated and to protect the complaining party.

(3) (a) When a peace officer responds to a domestic violence call and has probable cause to believe that a crime has been committed, the peace officer may exercise arrest powers with reference to the criteria in RCW 10.31.100. The officer shall notify the victim of the victim's right to initiate a criminal proceeding in all cases where the officer has not exercised arrest powers or decided to initiate criminal proceedings by citation or otherwise. The parties in such cases shall also be advised of the importance of preserving evidence.

(b) A peace officer responding to a domestic violence call shall take a complete offense report including the officer's disposition of the case.

(4) The peace officer may offer, arrange, or facilitate transportation for the victim to a hospital for treatment of injuries or to a place of safety or shelter.

(5) The law enforcement agency shall forward the offense report to the appropriate prosecutor (as soon as practicable) within ten days of making such report if there is probable cause to believe that an offense has been committed, unless the case is under active investigation.

(6) Each law enforcement agency shall make as soon as practicable a written record and shall maintain records of all incidents of domestic violence reported to it.

(7) Records kept pursuant to subsections (3) and (6) of this section shall be made identifiable by means of a departmental code for domestic violence.

Sec. 6. Section 4, chapter 105, Laws of 1979 ex. sess. and RCW 10.99.040 are each amended to read as follows:

(1) Because of the serious nature of domestic violence, the court in domestic violence actions:

(a) Shall not dismiss any charge or delay disposition because of concurrent dissolution or other civil proceedings;

(b) Shall not require proof that either party is seeking a dissolution of marriage prior to instigation of criminal proceedings;
(c) Shall waive any requirement that the victim's location be disclosed to any person, other than the attorney of a criminal defendant, upon a showing that there is a possibility of further violence; PROVIDED, That the court may order a criminal defense attorney not to disclose to his client the victim's location; and

(d) Shall identify by any reasonable means on docket sheets those criminal actions arising from acts of domestic violence.

(2) Because of the likelihood of repeated violence directed at those who have been victims of domestic violence in the past, when any defendant charged with a crime involving domestic violence is released from custody before trial on bail or personal recognizance, the court authorizing the release may prohibit the defendant from having any contact with the victim. Wilful violation of a court order issued under this section is a misdemeanor. The written order releasing the defendant shall contain the court's directives and shall bear the legend: Violation of this order is a criminal offense under chapter (9A) 10.99 RCW (and is also subject to civil contempt proceedings). A certified copy of such order shall be provided to the victim.

NEW SECTION. Sec. 7. There is added to chapter 10.99 RCW a new section to read as follows:

(1) A defendant arrested for an offense involving domestic violence as defined by RCW 10.99.020(2) shall be required to appear in person before a magistrate within one judicial day after the arrest; or

(2) A defendant who is charged by citation, complaint, or information with an offense involving domestic violence as defined by RCW 10.99.020(2) and not arrested shall appear in court for arraignment in person as soon as practicable, but in no event later than fourteen days after the next day on which court is in session following the issuance of the citation or the filing of the complaint or information.

At the time of the appearances provided in subsection (1) or (2) of this section, the court shall determine the necessity of imposing a no contact order or other conditions of pretrial release according to the procedures established by court rule for a preliminary appearance or an arraignment. The decision of the judge and findings of fact in support thereof shall be in writing.

Appearances required pursuant to this section are mandatory and cannot be waived.

NEW SECTION. Sec. 8. There is added to chapter 10.99 RCW a new section to read as follows:

Any law enforcement agency in this state may enforce this chapter as it relates to orders restricting the defendants' ability to have contact with the victim.

NEW SECTION. Sec. 9. There is added to chapter 70.125 RCW a new section to read as follows:

Records maintained by rape crisis centers shall not be made available to any defense attorney as part of discovery in a sexual assault case unless:

(1) A written pretrial motion is made by the defendant to the court stating that the defendant is requesting discovery of the rape crisis center's records;

(2) The written motion is accompanied by an affidavit or affidavits setting forth specifically the reasons why the defendant is requesting discovery of the rape crisis center's records;

(3) The court reviews the rape crisis center's records in camera to determine whether the rape crisis center's records are relevant and whether the probative value of the records is outweighed by the victim's privacy interest in the confidentiality of such records taking into account the further trauma that may be inflicted upon the victim by the disclosure of the records to the defendant; and

(4) The court enters an order stating whether the records or any part of the records are discoverable and setting forth the basis for the court's findings.

On page 3, after line 16 following the committee amendment insert the following:

NEW SECTION. Sec. 10. The focus of the criminal justice system is offense-oriented which involves the apprehension, incarceration, adjudication, and sentencing of those who violate the law. Victims and witnesses of crime are the silent partners in the process. They continue to cooperate with the system although it represents the likely possibility of continued trauma, financial inconvenience, time lost from work, child care costs, the long-term holding of personal property used as evidence, and restitution ordered by the court but not recovered. Even in light of these realities, there is an inherent belief in the system.

Victims and witnesses are further frustrated by the complexity of the criminal justice process, very limited understanding of that process, and the resulting inability to successfully obtain basic case update information from an already overburdened system. County-wide victim and witness programs work to lessen the difficulties of being a victim or witness by providing a link into the criminal justice system. This link creates a more informed public, reassured that they as taxpaying citizens are involved in a criminal justice system that represents them, the people of the state of Washington.

NEW SECTION. Sec. 11. (1) Upon a person pleading guilty to or being convicted of a crime against another person or property in the state, in addition to any other fine or penalty, the court shall levy an assessment of twenty-four dollars for each felony and twelve dollars for each misdemeanor.

(2) When any full deposit of bail is made by a person who is not in custody and who is charged with a misdemeanor or gross misdemeanor, the person making the deposit shall also deposit a sufficient amount to include the assessment required by this section. A person upon whom an assessment has been levied is entitled to a refund of the assessment if the person is acquitted or the charges are withdrawn.

(3) The assessment imposed under this section shall be divided in the following manner:

(a) One-half shall be deposited in the crime victim compensation fund and shall be allocated to the payment of claims made under chapter 7.68 RCW;

(b) One-half shall be deposited in the county victims assistance fund hereby created in the state treasury. Moneys deposited in the fund shall be administered by the department of labor and industries for allocation exclusively to comprehensive county programs for crime victims and witnesses.
NEW SECTION. Sec. 12. (1) The department of labor and industries shall establish fiscal guidelines for the distribution of moneys designated in section 11 of this act for use by the prosecuting attorney or the prosecuting attorney's designee to provide comprehensive services to victims and witnesses of all types of crimes. The Washington victim/witness coordinating council shall provide consultation and assistance to prosecuting attorneys or their designees in designing and implementing programs pursuant to this chapter.

(2) It is the intent of the legislature that funds distributed under this section to comprehensive county programs shall be supplementary to established funding by local governments and that this local funding shall not be supplantied.

(3) Funds distributed under this section shall be made available to those public agencies for the assistance of victims and witnesses which:

(a) Provide comprehensive services to victims and witnesses of all types of crime with particular emphasis on serious crimes against persons and property. It is the intent of the legislature to make funds available only to programs which do not restrict services to victims or witnesses of a particular type or types of crime;

(b) Are administered by the county prosecuting attorney;

(c) Assist victims in the restitution and adjudication process; and

(d) Assist victims of violent crimes in the preparation and presentation of their claims to the department of labor and industries under chapter 7.68 RCW.

NEW SECTION. Sec. 13. Moneys held by the county clerk which have been paid by defendants for restitution to victims of crime shall be returned to the local county program for victims and witnesses if the victim cannot be located. These moneys shall be used to assist other victims of crime and shall not revert to the general fund.

NEW SECTION. Sec. 14. Sections 10 through 13 of this act shall constitute a new chapter in Title 7 RCW.

On page 1, line 2 of the title, after "witnesses;" strike "and" and insert "amending section 3, chapter 105, Laws of 1979 ex. sess. and RCW 10.99.030; amending section 4, chapter 105, Laws of 1979 ex. sess. and RCW 10.99.040;"

On page 1, line 1 of the title strike "a bill of rights for"

This chapter shall apply to any person engaging in any business activity taxable under RCW 82.04.230, 82.04.240, 82.04.250, 82.04.260, 82.04.270, 82.04.275, 82.04.280 and 82.04.290 other than those whose value of products, gross proceeds of sales, or gross income of the business is less than ((one thousand dollars per month; PROVIDED. For purposes of this section, a successor to a prior business, whether by purchase, corporate reorganization or merger, addition or subtraction of a partner or partners, or incorporation of a sole proprietorship or partnership, or otherwise, shall not be considered a person initially engaging in business, and a business of an affiliate, subsidiary, or substantially commonly-owned corporation, or other business entity shall not be considered a person initially engaging in business.

When one person engages in more than one business activity and the combined measures of the tax applicable to such businesses equal or exceed ((one thousand dollars per month)) the monthly exemption, no exemption or deduction from the amount of tax is allowed by this section.

Any person claiming exemption under the provisions of this section may be required to file returns even though no tax may be due: PROVIDED, FURTHER, That the department of revenue may allow exemptions, by general rule or regulation, in those instances in which quarterly, semiannual, or annual returns are permitted. Exemptions for such periods shall be equivalent in amount to the total of exemptions for each month of a reporting period.

Sec. 4. Section 1, chapter 7, Laws of 1981 and RCW 82.32.- are each amended to read as follows:

(1) For tax payments due for the taxable activities occurring in and after the month of September, 1981, through April, 1982, the taxes imposed in chapters 82.04, 82.08, 82.12, 82.14, and 82.16 RCW are due and payable within twenty-five days following the end of the month in which the taxable activities occur. (4) The department of revenue may also require verified annual returns from any taxpayer, setting forth such additional information as it may deem necessary to correctly determine tax liability.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions. Section 3 of this act shall take effect July 1, 1981, and section 4 of this act shall take effect September 1, 1981.'
POINT OF ORDER
Mr. Greengo: "Mr. Speaker, could you rule on the scope and object of this amendment?"

SPEAKER'S RULING
The Speaker: "Representative Greengo, the Speaker finds that the original bill as amended by the committee amendment does establish B&O tax rates where the amendment offered by Representative Sanders changes considerably the way the B&O tax is to apply to small business. I would find the amendment is beyond the scope and object of the bill."

The Clerk read the following amendment by Representative Nelson (D):

On page 4, after line 15 insert the following section:

'Sec. 2. Section 82.04.330, chapter 15, Laws of 1961 as amended by section 7, chapter 173, Laws of 1965 ex. sess. and RCW 82.04.330 are each amended to read as follows:

MESSAGES FROM THE GOVERNOR

April 25, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to one section, SUBSTITUTE HOUSE BILL NO. 467, entitled:

AN ACT Relating to review of energy facilities certification decisions.

Most of Section 1 is a reiteration of intent language found in Chapter 80.50 RCW. The last sentence, however, is an ambiguous statement that seems to imply a further restriction of the kinds of state concerns and issues that EFSEC can share with federal authorities. Since this language would only serve to cloud the authority of EFSEC, I have vetoed Section 1.

With the exception of Section 1, which I have vetoed, the remainder of Substitute House Bill No. 467 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

STATEMENT FOR THE JOURNAL

I was recorded as having voted in favor of Engrossed Substitute Senate Bill No. 3669 on April 26, 1981. I wish to note that this vote was in error, and my intention was to vote "Nay." Please place this statement in the House Journal.

WAYNE EHLERS, 2nd District.

ENGROSSED SUBSTITUTE SENATE BILL NO. 4283, by Committee on Transportation (originally sponsored by Senators Guess, Quigg and Benitz):

Modifying taxes and fees pertaining to motor vehicles.

The bill was read the second time.

Mr. Martinis moved adoption of the following amendment:

On page 12, line 2 following "state patrol" strike ", and shall be the only source for expenditure"

Representatives Martinis and Wilson spoke in favor of the amendment, and it was adopted.

Mr. Wilson moved adoption of the following amendment:

On page 14, beginning on line 1 after "1981." strike all of the material down through "entirety." on line 5.

Mr. Wilson spoke in favor of the amendment, and Mr. Martinis spoke against it.

Mr. Wilson spoke again in favor of the amendment.
POINT OF INQUIRY

Mr. Wilson yielded to question by Mr. McGinnis.

Mr. McGinnis: "Representative Wilson, for a number of us, would you go through again exactly what this amendment is going to do?"

Mr. Wilson: "Yes, Representative McGinnis, this amendment would strike lines 1 through 5 on page 14, which says, 'This act shall only take effect upon the passage of Senate Bill No. 3669 and 3699, and if Senate Bills 3669 and 3699 are not both enacted by the 1981 regular session of the legislature this amendatory act shall be null and void in its entirety.' In other words, there will be no gas tax increase if the bond bills are not passed. They are both bond bills; they are the category B and category C bond bills—$225 million. I'm not sure about the level; it would have to be adjusted because in the arrangements on setting a lid on the gas tax asked for in this measure, it reduced the amount of revenue that was originally worked on for six months during the last year."

POINT OF INQUIRY

Mr. Wilson yielded to question by Ms. Sommers.

Ms. Sommers: "Representative Wilson, from your last statement, I thought you were trying to clarify for the body that the imposition of the gas tax rests on the passage of certain bond bills, but if I read your amendment correctly, you would strike that material and so if your amendment passes, the gas tax would be imposed even though the bond bills were not approved. Is that correct?"

Mr. Wilson: "That is correct."

Ms. Sommers: "Would you want to give the rationale for that?"

Mr. Wilson: "In truth, the gas tax issue is to raise money basically for the primary purpose of maintaining the highway transportation system in the state. That is what is called category A—maintenance and reconstruction of the existing highways system. Category B, for which one bond issue is planned, is for interstate match—I-90, parts of I-5, I-82 and the remainder of the state system that's to be constructed in this state providing federal funds are available. The other bond issue—Category C—is for new state highway projects. Actually, it would help provide some money to help finish current projects such as the Campbell Road interchange that Representative Scott is going to put in, but without the bond issue, there is just so much flowing down. It's enough to service the bond issue and without that you have just a straight amount of money and it wouldn't do much good in either category B or C. The bulk of the gas tax money, will obviously go into category A, maintenance of our highway system."

Mr. Martinis again opposed the amendment.

The amendment was not adopted.

On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Wilson spoke in favor of passage of the bill, and Representatives Martinis and Heck spoke against it.

Mr. Brown demanded an oral roll call vote and the demand was sustained.

Mr. Martinis again opposed passage of the bill.

Mr. Lundquist spoke in favor of the bill, and Mr. Grimm spoke against it.

POINT OF INQUIRY

Mr. Wilson yielded to question by Mr. Flanagan.

Mr. Flanagan: "Representative Wilson, you made some remarks that I didn't exactly understand about some relationship between the Seattle cost-of-living index and the ferry system. Would you repeat that?"

Mr. Wilson: "There is a section of the bill which requires that the Transportation Commission set fare increases in the future at no less than the Seattle cost-of-living index. At no less than—in other words, it sets a floor so that it will help cover future operating costs of the ferry system. It doesn't prevent, in fact, it allows them to raise rates higher than that to cover costs."
Mr. Flanagan: "Then that really doesn't put any limitations? It seems it ought to be 'not more than.'" 

Mr. Wilson: "Representative Flanagan, if said not more than, then they would be back here beating on your backs for more money for the ferry system, and I think this is one method of seeing that they will not come here so often."

Representatives Dawson, Garson and Fiske spoke in favor of the bill, and Representatives Sommers, Rinehart, Nelson (D), Rust and King (R) spoke against it.

POINT OF PARLIAMENTARY INQUIRY

Mr. Martinis: "Since in this bill, and in the bond bill, it's a round-robin effect, where the bonds are no good without passage of this bill, and this bill is no good without passage of the bond bills, what is the percentage that it takes to pass this bill?"

The Speaker: "Fifty votes, Representative Martinis."

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 4283 as amended by the House, and the bill failed to pass the House by the following vote: Yeas, 42; nays, 56; not voting, 0.

In restoring the rates and policies regarding discounted fares in effect on that date, the commission may provide for such additional discounts as it deems warranted, but in no case shall any of the discounts which were provided on December 31, 1980, be reduced or eliminated during the remainder of this biennium."

On page 9, after line 28 insert the following:
NEW SECTION. Sec. 10. There is added to chapter 82.04 RCW a new section to read as follows:
Upon every person engaging within this state in the business of manufacturing aluminum pig, ingot, billet, plate, sheet (flat or coiled), rod, bar, wire, cable or extrusions; as to such persons the amount of the tax with respect to such business shall be equal to the value of the products manufactured multiplied by the rate of four-tenths of one percent.

Renumber the remaining sections consecutively.

On page 10, line 2 strike "and" and on line 3 after "1981" insert ", and section 10 of this act shall take effect July 1, 1983".

Ms. Galloway spoke in favor of the amendments.

ROLL CALL

The Clerk called the roll on adoption of the amendment by Representative Galloway and others to Substitute House Bill No. 753, and the amendments were adopted by the following vote: Yeas, 83; nays, 13; not voting, 2.

Voting nay: Representatives Berleen, Brekke, Burns, Gallagher, Gruger, King J., Kreidler, Maxie, North, Rust, Sanders, Sommers, Valle.

Not voting: Representatives Thompson, Wang.

On motion of Ms. Galloway, the following amendment to the title was adopted:
On page 1, line 21 of the title after "(uncodified);" insert "adding a new section to chapter 82.04 RCW;"
The bill was ordered engrossed. On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Mr. Ehlers demanded an oral roll call vote and the demand was sustained.

Mr. Greengo spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Chandler yielded to question by Mr. Heck.

Mr. Heck: "Representative Chandler, the amendment to this bill earlier was adopted lowering the revenue generated by this bill by about $6.54 million. What does that leave the ending fund balance for the operating budget? Is it in the red or is it still in the black?"

Mr. Chandler: "Well, Representative Heck, as you know that's a very difficult question to answer because it involves a number of things. A revenue estimate was made in December by the Department of Revenue and forwarded to us, which was estimated as being within a band of some $60 million either way. We're looking now, without the passage of a couple of bills still pending, at probably about $15 million on the plus side of the revenue. My personal view is that when you get that close you are in balance anyway, but we wanted these bills to pass to make sure we have all the expenditures covered."

Representatives Stratton, Lux, King (R) and Rinehart spoke against passage of the bill, and Representatives Chandler and Greengo spoke in favor of it.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 753, and the bill passed the House by the following vote: Yeas, 54; nays, 42; not voting, 2.

Not voting: Representatives Bonds, Cantu.

Engrossed Substitute House Bill No. 753, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SUBSTITUTE SENATE BILL NO. 3989, by Committee on Education (originally sponsored by Senators Lee and Fuller):

Adjusting the school district apportionment schedule for general fund moneys.

The bill was read the second time. On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Sommers and Heck spoke against passage of the bill, and Mr. Chandler spoke in favor of it.

POINT OF INQUIRY

Mr. Chandler yielded to question by Mr. Warnke.

Mr. Warnke: "Representative Chandler, during the supplemental budget process, we shifted about $70 million into the next biennium and, from your comments, we're shifting another $32 million in from this. Is this portion part of that July and August payment that we are adding to, or is this included in that $70 million?"

Mr. Chandler: "The statutes call for nine percent of the apportionment to be sent out to the schools in the month of June. In the supplemental budget we shifted four percent of that—two in July and two in August—and we've left June with five percent. For this biennium, we are actually shifting back two percent of the four, so this is roughly half of that amount. It's going from the two, one to July and one to August."
ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 3989, and the bill passed the House by the following vote: Yeas, 55; nays, 43; not voting, 0.

Substitute Senate Bill No. 3989, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

SUBSTITUTE SENATE BILL NO. 4095, by Committee on Ways and Means (originally sponsored by Senator Metcalf – by Secretary of State request):

Relating to corporate license fees.

The bill was read the second time. On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Ms. Sommers spoke against passage of the bill, and Mr. Chandler spoke in favor of it.

POINT OF INQUIRY

Mr. Chandler yielded to question by Mr. King (R).

Mr. King (R): "Representative Chandler, I notice that insurance corporations are not exempt in this bill. Would the increase in fees trigger the reciprocal increases in fees for domestic insurance companies?"

Mr. Chandler: "It would not."

POINT OF INQUIRY

Mr. Ellis yielded to question by Mr. Ehlers.

Mr. Ehlers: "Representative Ellis, I don’t see anything here that exempts nonprofit corporations?"

Mr. Ellis: "Representative Ehlers, nonprofit corporations are incorporated under Title 24 and the fee is twenty dollars. There is a separate fee schedule in Title 24. This is profit corporations, Title 23."

Mr. Ehlers: "If this only includes Title 23, why, in my copy of the substitute bill, in the title it makes reference to RCW 24?"

Mr. Ellis: "You will notice that these sections have no change on the filing of corporations. It remains at twenty dollars and in subparagraph (5), it eliminates the fee for filing articles of dissolution and doesn’t increase the fee for incorporation. Line 11, section 4, says, 'Filing articles of incorporation...$20.00.' That section is not changed and that’s in Title 24. The only change is to eliminate the five dollars on dissolution and reducing from five to two dollars in (10) for withdrawal of foreign corporations initiating certificate of withdrawal."

POINT OF INQUIRY

Mr. Ellis yielded to question by Mr. Wang.

Mr. Wang: "Representative Ellis, could you explain section 4? The rest of this is mandatory and is quite plain, but section 4 is new language."

Mr. Ellis: "Representative Wang, it would be my understanding that the Secretary of State is trying to get additional powers in order to take care of the automatic dissolution of corporations where they don’t pay their annual license fee. Right now they are automatically dissolved, most people think after three years, and as I would understand this, once they are dissolved, there’s no way to resurrect them even if you pay a filing fee. Sometimes this is done by inadvertence, but I think this is simply to indicate to the Secretary of State, in mitigating
circumstances, when corporations demonstrate good faith and a reasonable attempt to comply
with the corporate license statute—it's trying to straighten out a practical situation."

Mr. Nelson (G) demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on the final passage of Substitute Senate Bill No. 4095, and the
bill passed the House by the following vote: Yeas, 60; nays, 37; not voting, 1.

Voting yea: Representatives Addison, Amen, Barnes, Barr, Barrett, Berleen, Bickham, Bond, Cantu,
Chamberlain, Chandler, Clayton, Dawson, Dickie, Eberle, Ellis, Fancher, Fiske, Flanagan, Garson,
Granlund, Greengo, Hankins, Hastings, Houchen, Isaacsom, James, Johnson, Lane, Leonard, Lewis,
Lundquist, McDonald, McGinnis, Mitchell, Nelson G. A., Nickell, Nisbet, Owen, Padden, Patrick, Prince,
Pruit, Roosbach, Sanders, Schmidt, Smith, Sommers, Sprague, Struthers, Taylor, Teutsch, Tilly, Tupper,
Van Dyken, Vander Stoep, Williams, Wilson, Winsley, and Mr. Speaker.

Voting nay: Representatives Becker, Bender, Brekke, Brown, Burns, Ehlers, Eng, Erek, Erickson,
Gallagher, Galloway, Garrett, Grimm, Gruger, Heck, Hine, King J., King R., Kreidler, Lux, Martinis,
Maxie, McCormick, Monohon, Nelson D., North, O'Brien, Rinehart, Rust, Salatino, Scott, Sherman,

Not voting: Representative Warnke.

Substitute Senate Bill No. 4095, having received the constitutional majority, was declared
passed. There being no objection, the title of the bill was ordered to stand as the title of the
act.

The Speaker called on Mr. Amen to preside.

functional or operational unit for the assembling, processing, or manufacturing of finished or partially fin­ished products from raw materials or fabricated parts;

sales tax payable under chapters 82.08 and 82.14 RCW or the use tax payable under chapters 82.12 and
82.14 RCW on machinery, materials, labor, and services directly utilized in a certified eligible investment
project (undertaken) paid for by a firm engaged in or to be engaged in manufacturing: PROVIDED, That
after March 1, 1981, no taxpayer may be certified by the authority as eligible for tax deferral for any
investment project costs over thirty million dollars, cumulative on all outstanding and subsequent projects:

SENATE AMENDMENTS TO HOUSE BILL

April 25, 1981

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 138 with the following amendments:

Strike everything after the enacting clause and insert the following:

*NEW SECTION. Section 1. There is added to chapter 41.26 RCW a new section to read as follows:
(1) The director of retirement systems shall adopt rules, in accordance with chapter 34.04 RCW, under which each disability board shall execute its disability retirement duties under this chapter. The rules shall include, but not be limited to, the following:

(a) Standards governing the type and manner of presentation of medical, employability, and other evidence before disability boards; and

(b) Standards governing the necessity and frequency of medical and employability reexaminations of persons receiving disability benefits.

(2) If the director determines that an order or determination of a disability board was not processed in accordance with the rules established under this section, the director may remand the order or determination for further proceedings consistent with the rules.

Sec. 2. Section 12, chapter 209, Laws of 1969 ex. sess. as last amended by section 10, chapter 120, Laws of 1974 ex. sess. and RCW 41.26.120 are each amended to read as follows:

Any member, regardless of his age or years of service may be retired by the disability board, subject to approval by the ((retirement board)) director as hereinafter provided, for any disability which has been continuous since his discontinuance of ((active)) service and which renders him unable to continue his service, whether incurred in the line of duty or not. No disability retirement allowance shall be paid until the expiration of a period of six months after the ((disability is incurred)) discontinuance of service during which period the member, if found to be physically or mentally unfit for duty by the disability board following receipt of his application for disability retirement, shall be granted a disability leave by the disability board and shall receive an allowance equal to his full monthly salary and shall continue to receive all other benefits provided to active employees from his employer for such period. However, if, at any time during the initial six-month period, the disability board finds the beneficiary is no longer disabled, his disability leave allowance shall be canceled and he shall be restored to duty in the same rank or position, if any, held by the beneficiary at the time he became disabled. Applications for disability retirement shall be processed in accordance with the following procedures:

(1) Any member who believes he is or is believed to be physically or mentally disabled shall be examined by such medical authority as the disability board shall employ, upon application of said member, or a person acting in his behalf, stating that said member is disabled, either physically or mentally: PROVIDED, That no such application shall be considered unless said member or someone in his behalf, in case of the incapacity of a member, shall have filed the application within a period of one year from and after the discontinuance of service of said member.

(2) If the examination shows, to the satisfaction of the disability board, that the member is physically or mentally disabled from the further performance of duty, and that such disability has been continuous from the discontinuance of ((active)) service, the disability board shall enter its written decision and order, accompanied by appropriate findings of fact and by conclusions evidencing compliance with this chapter as now or hereafter amended, granting the member a disability retirement allowance; otherwise, if the member is not found by the disability board to be so disabled, the application shall be denied pursuant to a similar written decision and order, subject to appeal to the ((retirement board)) director in accordance with RCW 41.26.200: PROVIDED, That in any order granting a disability retirement allowance the disability board shall make a finding of whether or not the disability was incurred in line of duty.

(3) Every order of a disability board granting a disability retirement allowance shall forthwith be reviewed by the ((retirement board)) director for the purposes of determining (a) whether the facts as found by the disability board are supported by substantial evidence in the record, except the finding of whether or not the disability was incurred in line of duty; and (b) whether the order is in accordance with law on the basis of such facts. If an affirmative determination is made by the retirement board on both of the aspects of the decision and order, it shall be affirmed; otherwise, it shall be reversed and remanded to the disability board for such further proceedings as the retirement board may direct)) director except the finding of whether the disability was incurred in the line of duty. The director may affirm the decision of the disability board or remand the case for further proceedings if the director finds the disability board's findings, inferences, conclusions, or decisions are:

(a) In violation of constitutional provisions; or

Except only as expressly provided in RCW 67.28.180 and 67.28.190 and the provisions of chapter 82.14 RCW, the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances,

The legislature finds that dedication of land constitutes a tax for purposes of this section: PROVIDED, That this section shall not preclude dedications of land or easements for roads, streets, sidewalks, rights of way, and utilities, including surface water drainage facilities, which are reasonably necessary as a direct result of the proposed development to which the dedication requirement is to apply.

Nothing in this section precludes the imposition of business and occupation taxes measured by gross income or of sales and use taxes under chapter 82.14 RCW.

Nothing in this section prohibits cities, towns, or counties from collecting reasonable fees from an applicant for a permit or other governmental approval to cover the cost to the city, town, or county of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW.

This section does not limit the existing authority of any city, town, or county to impose special assessments on property specially benefited thereby in the manner prescribed by law.

Nothing in this section prohibits cities, towns, or counties from imposing utility late-comer charges, utility system connection charges, or other charges reasonably related to the capital costs of the utility system. Any such charge whether termed a facilities charge, capital cost recovery charge, system development charge, or otherwise, shall relate to utility system construction costs, and utility construction needs. Any funds so collected shall be placed in a utility fund and used exclusively for utility purposes: PROVIDED HOWEVER, That no such charge shall exceed the proportionate share of utility system costs attributable to the property being charged.

This section does not apply to any county, city, or town which is not imposing a tax under RCW 82.14.030(2) unless the tax under RCW 82.14.030(2) is not being imposed because the legislative body of the county, city, or town removed the tax without passing an ordinance containing a three-year notice of the removal.

Sec. 2. Section 4, chapter 94, Laws of 1970 ex. sess. and RCW 82.14.030 are each amended to read as follows:

(1) The governing body of any county or city while not required by legislative mandate to do so, may, by resolution or ordinance for the purposes authorized by this chapter, fix and impose a sales and use tax in accordance with the terms of this chapter. Such tax shall be collected from those persons who are taxable by the state pursuant to chapters 82.08 and 82.12 RCW, upon the occurrence of any taxable event within the county or city as the case may be. The rate of such tax imposed by a county shall be five-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The rate of such tax imposed by a city shall not exceed five-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax): PROVIDED, HOWEVER, That in the event a county shall impose a sales and use tax under this subsection, the rate of such tax imposed under this subsection by any city therein shall not exceed four hundred and twenty-five one-thousandths of one percent.

(2) In addition to the tax authorized in subsection (1) of this section, the governing body of any county or city may by resolution or ordinance impose an additional sales and use tax in accordance with the terms of this chapter. The additional tax shall be collected upon the same taxable events upon which the tax imposed under subsection (1) of this section is levied. The rate of the additional tax imposed by a county shall be five-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax). The rate of the additional tax imposed by a city shall be five-tenths of one percent of the selling price (in the case of a sales tax) or value of the article used (in the case of a use tax): PROVIDED, HOWEVER, That in the event a county shall impose a sales and use tax under this subsection, the rate of the tax imposed under this subsection by any city therein shall be four hundred and twenty-five one-thousandths of one percent.

Sec. 3. Section 5, chapter 94, Laws of 1970 ex. sess. and RCW 82.14.040 are each amended to read as follows:

(1) Any county ordinance adopted ((pursuant to this chapter)) under RCW 82.14.030(1) shall contain, in addition to all other provisions required to conform to this chapter, a provision allowing a credit against the county tax imposed under RCW 82.14.030(1) for the full amount of any city sales or use tax imposed under RCW 82.14.030(1) upon the same taxable event.

(2) Any county ordinance adopted under RCW 82.14.030(2) shall contain, in addition to all other provisions required to conform to this chapter, a provision allowing a credit against the county tax imposed under RCW 82.14.030(2) for the full amount of any city sales or use tax imposed under RCW 82.14.030(2) upon the same taxable event.

NEW SECTION. Sec. 4. There is added to chapter 82.14 RCW a new section to read as follows:

Every county, city, or town establishing a business and occupation tax after October 1, 1980, for the privilege of engaging in business which is calculated as a percentage of gross income, or a tax imposed under RCW 82.14.030(2), shall provide a process which may be used by the citizens of the county, city, or town to
repeal the tax imposed after October 1, 1980. The process shall not contain requirements which are more stringent than the requirements for state referenda under chapter 29.79 RCW.

Sec. 5. Section 6, chapter 94, Laws of 1970 ex. sess. as amended by section 3, chapter 296, Laws of 1971 ex. sess. and RCW 82.14.050 are each amended to read as follows:

The counties, metropolitan municipal corporations and cities shall contract, prior to the effective date of a resolution or ordinance imposing a sales and use tax, the administration and collection to the state department of revenue, which shall deduct a percentage amount, as provided by contract, not to exceed ((two)) one percent of the taxes collected for administration and collection expenses incurred by the department. The remainder of any portion of any tax authorized by this chapter which is collected by the department of revenue shall be deposited by the state department of revenue in a special fund under the custody of the state treasurer to be known as the local sales and use tax revolving fund. All administrative provisions in chapters 82.03, 82.08, 82.12, and 82.32 RCW, as they now exist or may hereafter be amended, shall, insofar as they are applicable to state sales and use taxes, be applicable to taxes imposed pursuant to this chapter.

Sec. 6. Section 1, chapter 87, Laws of 1972 ex. sess. as last amended by section 4, chapter 175, Laws of 1979 ex. sess. and RCW 82.44.150 are each amended to read as follows:

(1) The director of licensing shall on the twenty-fifth day of February, May, August and November of each year, commencing with November, 1971, advise the state treasurer of the total amount of motor vehicle excise taxes remitted to the department of licensing during the preceding calendar quarter ending on the last day of March, June, September and December, respectively, except for those payable under RCW 82.44.030 and 82.44.070, from motor vehicle owners residing within each municipality which has levied a tax under RCW 35.58.273, which amount of excise taxes shall be determined by the director as follows:

The total amount of motor vehicle excise taxes remitted to the department, except those payable under RCW 82.44.030 and 82.44.070, from each county shall be multiplied by a fraction, the numerator of which is the population of the municipality residing in such county, and the denominator of which is the total population of the county in which such municipality or portion thereof is located. The product of this computation shall be the amount of excise taxes from motor vehicle owners residing within such municipality or portion thereof. Where the municipality levying a tax under RCW 35.58.273 is located in more than one county, the above computation shall be made by county, and the combined products shall provide the total amount of motor vehicle excise taxes from motor vehicle owners residing in the municipality as a whole. Population figures required for these computations shall be supplied to the director by the office of financial management, who shall adjust the fraction annually.

(2) On the first day of the months of January, April, July, and October of each year, the state treasurer based upon information provided by the department of licensing shall make the following apportionment and distribution of motor vehicle excise taxes deposited in the general fund. A sum equal to seventeen percent thereof shall be paid to cities and towns in the proportions and for the purposes hereinafter set forth; a sum equal to seventy percent of all motor vehicle excise tax receipts shall be allocable to the state school equalization fund and credited and transferred each year in the following order of priority:

(a) The amount required and certified by the state finance committee each year as being necessary for payment of principal of and interest on bonds authorized by ((chapter 26, Laws of 1963 extraordinary session)) RCW 28A.47.760 through 28A.47.774 in the ensuing twelve months and any additional amounts required by the covenants of such bonds shall be transferred from the state school equalization fund to the 1963 public school building bond retirement fund.

(b) Any remaining amounts in the state school equalization fund from the motor vehicle excise taxes not required for debt service on the above bond issues shall be transferred and credited to the general fund.

(3) The amount payable to cities and towns shall be apportioned among the several cities and towns within the state ((ratably, on the basis of the population as last determined by the office of financial management)) according to the following formula:

(a) Sixty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned ratably on the basis of population as last determined by the office of financial management.

(b) Thirty-five percent of the sum specified in subsection (2) of this section to be paid to cities and towns shall be apportioned to cities and towns under section 7 of this 1981 act.

(4) When so apportioned, the amount payable to each such city and town shall be transmitted to the city treasurer thereof, and shall be utilized by such city or town for the purposes of police and fire protection and the preservation of the public health therein, and not otherwise. In case it be adjudged that revenue derived from the excise tax imposed by this chapter cannot lawfully be apportioned or distributed to cities or towns, all moneys directed by this section to be apportioned and distributed to cities and towns shall be credited and transferred to the state general fund.

(5) On the first day of the months of January, April, July, and October of each year, the state treasurer, based upon information provided by the department of licensing, shall remit motor vehicle excise tax revenues imposed and collected under RCW 35.58.273 as follows:

(a) The amount required to be remitted by the state treasurer to the treasurer of any municipality levying the tax shall not exceed in any calendar year the amount of locally-generated tax revenues, excluding the excise tax imposed under RCW 35.58.273 for the purposes of this section, which shall have been budgeted by the municipality to be collected in such calendar year for any public transportation purposes including but not limited to operating costs, capital costs, and debt service on general obligation or revenue bonds issued for these purposes; and
(b) In no event may the amount remitted in a single calendar quarter exceed the amount collected on behalf of the municipality under RCW 35.58.273 during the calendar quarter next preceding the immediately preceding quarter.

(6) At the close of each calendar year accounting period, but not later than April 1, each municipality that has received motor vehicle excise taxes under subsection (5) of this section shall transmit to the director of licensing and the state auditor a written report showing by source the previous year's budgeted tax revenues for public transportation purposes as compared to actual collections. Any municipality that has not submitted the report by April 1 shall cease to be eligible to receive motor vehicle excise taxes under subsection (5) of this section until the report is received by the director of licensing. If a municipality has received more or less money under subsection (5) of this section for the period covered by the report than it is entitled to receive by reason of its locally-generated collected tax revenues, the director of licensing shall, during the next ensuing quarter that the municipality is eligible to receive motor vehicle excise tax funds, increase or decrease the amount to be remitted in an amount equal to the difference between the locally-generated budgeted tax revenues and the locally-generated collected tax revenues. In no event may the amount remitted for a calendar year exceed the amount collected on behalf of the municipality under RCW 35.58.273 during that same calendar year. At the time of the next fiscal audit of each municipality, the state auditor shall verify the accuracy of the report submitted and notify the director of licensing of any discrepancies.

(7) The motor vehicle excise taxes imposed under RCW 35.58.273 and required to be remitted under this section shall be remitted without legislative appropriation.

(8) Any municipality levying and collecting a tax under RCW 35.58.273 which does not have an operating, public transit system or a contract for public transportation services in effect within one year from the initial effective date of the tax shall return to the state treasurer all motor vehicle excise taxes received under subsection (5) of this section.

NEW SECTION. Sec. 7. There is added to chapter 82.14 RCW a new section to read as follows:

There is created in the state general fund a special account to be known as the "municipal sales and use tax equalization account." Into this account shall be placed such revenues as are provided under RCW 82.44.150(3)(b). Funds in this account shall be allocated by the state treasurer according to the following procedure:

(1) Prior to April 1st of each year the director of revenue shall inform the state treasurer of the total and the per capita levels of revenues for each city and the state-wide weighted average per capita level of revenues for all cities imposing the sales and use tax authorized under RCW 82.14.030(1) for the previous calendar year.

(2) At such times as distributions are made under RCW 82.44.150, as now or hereafter amended, the state treasurer shall apportion to each city not imposing the sales and use tax under RCW 82.14.030(2) an amount from the municipal sales and use tax equalization account equal to the amount distributed to the city under RCW 82.44.150(3)(a) multiplied by thirty-five sixty-fifths.

(3) Subsequent to the distributions under subsection (2) of this section, and at such times as distributions are made under RCW 82.44.150, as now or hereafter amended, the state treasurer shall apportion to each city imposing the sales and use tax under RCW 82.14.030(1) at the maximum rate and receiving less than seventy percent of the state-wide average per capita level of revenues for all cities as determined by the department of revenue under subsection (1) of this section, an amount from the municipal sales and use tax equalization account sufficient, when added to the per capita level of revenues received the previous calendar year by the city, to equal seventy percent of the state-wide weighted average per capita level of revenues for all cities determined under subsection (1) of this section, subject to reduction under subsection (5) of this section.

(4) Subsequent to the distributions under subsection (3) of this section, and at such times as distributions are made under RCW 82.44.150, as now or hereafter amended, the state treasurer shall apportion to each city imposing the sales and use tax under RCW 82.14.030(2) and receiving a distribution under subsection (3) of this section, a third distribution from the municip al sales and use tax equalization account. The distribution to each qualifying city shall be equal to the amount distributed to the city under subsection (3) of this section, subject to the reduction under subsection (5) of this section. To qualify for the distributions under this subsection, the city must impose the tax under RCW 82.14.030(2) for the entire year. Cities imposing the tax for less than the full year shall qualify for prorated allocations under this subsection proportionate to the number of months of the year during which the tax is imposed.

(5) If inadequate revenues exist in the municipal sales and use tax equalization account to make the distributions under subsection (3) or (4) of this section, then the distributions under subsection (3) or (4) of this section shall be reduced ratably among the qualifying cities. At such time during the year as additional funds accrue to the municipal sales and use tax equalization account, additional distributions shall be made under subsections (3) and (4) of this section to the cities.

(6) If the level of revenues in the municipal sales and use tax equalization account exceeds the amount necessary to make the distributions under subsections (2) through (4) of this section, then the additional revenues shall be apportioned among the several cities within the state ratably on the basis of population as last determined by the office of financial management.

NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.
NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health and safety, the support of local government and their existing public institutions, and shall take effect on July 1, 1981. If section 1 of this act does not take effect, section 2 of this act is void and of no force.

Mr. Nelson (G) spoke in favor of the amendment, and Ms. Sommers spoke against it.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Rust.

Ms. Rust: "Since we didn't go over this in the committee, I want to make sure that I understand it right. You said it was going to equalize both the cities and the counties, and I don't see that in the bill."

Mr. Nelson (G): "Representative Rust, I did not say that. It's cities only."

Ms. Rust: "On page 3, where it says, 'This section does not apply to any county, city or town which is not imposing a tax under RCW 82.14.030(2) unless the tax... is not being imposed because the legislative body of the county, city or town removed the tax without passing an ordinance containing a three-year notice of the removal.' I want to understand what that means."

Mr. Nelson (G): "In the beginning we thought it would be necessary to prepare for the reimposition of the gross management fees, such that if the legislative body voluntarily removed this second one-half cent local option sales tax, they could give warning by ordinance that they were going to do that and to provide a three-year provision. That's what that intends to do. One might also point out that because of the initiative-referendum procedure that I described earlier, if that were to occur you could have a situation where you would get a yo-yo effect—back and forth—imposing, taking off, imposing, and there needs to be some stability in the cities and counties with reference, not only to that half-cent sales tax, but also to the gross management fees."

Ms. Hine spoke against the amendment.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Rinehart.

Ms. Rinehart: "Representative Nelson, could you explain what you mean by an initiative-referendum process, and when you do that please explain at what point the vote is taken, whether it's before or after the imposition of the tax."

Mr. Nelson (G): "What we've done here is to try to provide an option on the referendum procedure which is in RCW 29.79. I did give a wrong percentage figure awhile ago, and I would like to clear that up. It is eight percent rather than fifteen percent which makes it much easier for citizens of the city or county to express the fact that they may not be in support of the city council or the commissioners in voting for the one-half cent sales tax. What normally happens is that they will adopt an ordinance and at that time, they may have a time certain on when the tax could be imposed, but that does not preclude the citizens from beginning the initiative right then and there, before the sales tax is really being collected. At least, it provides that within ninety days after the effectiveness of the ordinance they could then have the petitions presented to the city council or the commissioners, and at that time they could outright repeal it if they wished or put it on the next ballot, whether it be a general or special election, whatever is available to them, for the repeal of that one-half cent sales tax."

Ms. Rinehart: "So the first thing that happens is that a citizen gets wind of the tax increase and at that point, an initiative process could begin? They could take action to preclude the tax from being imposed?"

Mr. Nelson (G): "Representative Rinehart, once there's an indication that an action has been taken with an ordinance to impose the one-half cent sales tax, they can begin the petition. That's an official action by that legislative body. Many cities have often passed an ordinance with the collection of the one-half cent sales tax at a time certain, but let's assume that we were a council here and we decided that we wanted to option this one-half cent sales tax and have been given the authority to do so. We would write in our ordinance that we want the tax to begin collection through this equalization process, to take advantage of it, on say, January 1, 1982. You could have people collecting signatures to repeal that at any point of time."

Ms. Rinehart: "Then there's a ninety-day period?"
Mr. Nelson (G): "Then ninety days after the time it's begun collection."

Ms. Rinehart: "After ninety days, it's in effect and can't be repealed?"

Mr. Nelson (G): "No, it could be repealed after that time."

Ms. Rinehart spoke against the amendment, and Mr. Barrett spoke in favor of it.

**POINT OF INQUIRY**

Mr. Nelson (G) yielded to question by Ms. Rust.

Ms. Rust: "Representative Nelson, I'm still trying to read through this amendment. Could you please tell me just where it says, if local option fails, the development fees can still be there?"

Mr. Nelson (G): "On page 3, lines 7 through 21."

Mr. Flanagan spoke in favor of the amendment.

On motion of Mr. Sanders, the following amendments to the Nelson (G) amendment were adopted:

- On page 6, line 9 after "establishing" insert "or increasing an existing"
- On page 6, line 17 after "tax" insert "or increased tax"

The amendment by Representative Nelson (G) as amended was adopted.

On motion of Mr. Nelson (G), the following amendment to the title was adopted:

- On page I, line 11 of the title after "82.44.150;" strike all material down through "35A.82 RCW;" on line 15.

The bill was ordered reengrossed. On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

**POINT OF INQUIRY**

Mr. Nelson (G) yielded to question by Mr. Prince.

Mr. Prince: "Representative Nelson, there's a little bit of concern among some of us about just what is redistributed. Is the sales tax of the cities redistributed?"

Mr. Nelson (G): No. The thing that's being redistributed now is thirty-five percent of the motor vehicle excise tax which is collected in every city that is taken into a pool. That's the easiest thing to get a handle on for the purpose of equalizing the revenue to these cities.

Representatives Kreidler and Heck spoke against passage of the bill, and Representatives Greengo and Nelson (G) spoke in favor of it.

**POINT OF INQUIRY**

Mr. Nelson (G) yielded to question by Ms. Rinehart.

Ms. Rinehart: "On page 3, the last paragraph of section 1, is the three-year notice in the language, notice of the removal of the tax or the removal of the development fees?"

Mr. Nelson (G): "This is when you want to reimpose the development fees after removal of the one-half cent sales tax."

Ms. Rinehart: "So, if a city were to remove the tax, they are required at that time to pass an ordinance including a three-year notice of intention to reimpose the development fees?"

Mr. Nelson (G): "Yes, Representative Rinehart. Let's put it into perspective. If they wanted to repeal the one-half cent sales tax, let's say on January 1, 1982, they could, at that time, pass an ordinance and say that three years down the line, they are going to reimpose the development fees."

Ms. Rinehart: "In the first bill we had a permanent prohibition on the development fees, and as I read this as a practical matter, it's also a permanent prohibition because how can a city be without a tax and have to give a three-year notice of intent to reimpose development fees?"

Mr. Nelson (G): "Representative Rinehart, this is an either/or. This does not prohibit the reinstatement of the development fees."

Ms. Hine spoke in favor of passage of the bill.

Mr. Chamberlain, having voted on the prevailing side, moved that the House now reconsider the vote by which the House refused to concur in the Senate amendments to Substitute House Bill No. 581.

POINT OF ORDER

Mr. O'Brien: "I raise a question of whether or not you can reconsider a motion that relates to agreement or disagreement between two houses. You set forth a procedure with your ruling and the decision was well put originally on a tie vote, and I don't understand how you can make a motion to reconsider that action. According to Reed's Rule 248 which spells out the results of a motion to concur, and also Reed's Rule 249 to nonconcur, and the reverse action that occurs when either one of them is defeated."

SPEAKER'S RULING

The Speaker: "Representative O'Brien, the motion before the House was placed as to whether the House wanted to concur or not with the Senate amendment. The House did not concur with the Senate amendment, and it is a matter for this House to decide and not a matter of dispute between the House and Senate at that point. It is perfectly in order for this House to reconsider the question as to whether or not we are going to concur."

Mr. Chandler spoke in favor of the motion to reconsider, and Representatives Rinehart and Grimm spoke against it.

ROLL CALL

The Clerk called the roll on the motion to reconsider the vote by which the House failed to concur in the Senate amendments to Substitute House Bill No. 581, and the motion was carried by the following vote: Yeas, 55; nays, 43; not voting, 0.

Persons whose resources exceed the level determined by the department are not eligible for any reduced level service.

The department is authorized to provide chore services on a case-by-case basis to severely handicapped persons in need of attendant care whose income exceeds the criteria established in this section. (1) The nursing home auditing and cost reimbursement system of the department of social and health services shall be governed by this section until implementation of chapter 74.46 RCW. The department shall reimburse nursing homes on the basis of the following cost centers: Patient care, food, administration and operations, and property.

(2) The department shall reimburse the patient care cost center at the January 1, 1981, reimbursement rate, as adjusted for inflation.

(a) In addition, the reimbursement shall be enhanced by three million dollars for the first year of the biennium and by five million dollars for the second year of the biennium. These enhancements shall be apportioned among the nursing homes proportionately based on the patient care cost center for each nursing home.

(b) For the purpose of nursing assistant certification, the department shall reimburse at a rate of thirty cents for each medicaid patient day for the first year of the biennium and at a rate of thirty-three cents, as adjusted for inflation, for each medicaid patient day for the second year of the biennium. This is in addition to the January 1, 1981, reimbursement rate.

(3) Reimbursement for the food cost center shall be at the January 1, 1981, reimbursement rate, adjusted for inflation.

(4) The administration and operations cost center consists of two components:

(a) The wages for all employees, other than nursing service personnel and administrators and assistant administrators, shall be reimbursed at the January 1, 1981, rate as adjusted for inflation.

(b) Reimbursement for administration and operations, including all items not specified in subsections (2), (3), (4)(a), and (5) of this section, shall not exceed the eighty-fifth percentile of the costs of all reporting facilities, not including any funds shifted pursuant to subsection (7) of this section, as adjusted for inflation, except that the nursing home facilities may be grouped by factors, other than ownership or legal organizational characteristics, which could reasonably influence cost requirements for administration and operations.

(5) Property cost center reimbursement for both leased and owner-operated facilities shall not exceed the predicted cost plus one standard deviation of the necessary and ordinary costs of depreciation, and interest, of owner-operated facilities utilizing a multiple regression formula developed by the department of social and health services, recognizing factors which may be significant, including location, age, and type of facility. Rental costs of leased facilities other than those operating as intermediate care facilities for the mentally retarded, and depreciation and interest costs of owner-operated facilities, for leases or mortgages entered into prior to July 1, 1979, shall be reimbursed to the extent they do not exceed the reimbursement rate payable for the property cost center as of June 30, 1979, or July 1, 1979, whichever is higher, adjusted to meet any discrepancies as determined by the federal government between the reimbursements made and the approved state medicare plan, and adjusted for any approved capitalized additions or replacements, except that any leased facility which has operated as an intermediate care facility for the mentally retarded prior to July 1, 1979, shall be reimbursed to the extent that the property costs exceed the upper limit of the multiple regression formula.

(6) The patient personal needs allowance limitation shall be thirty-two dollars and fifty cents.
(7) For settlement purposes only, for calendar years 1981, 1982, and 1983, a nursing home may shift among cost centers an amount not greater than twenty percent of the reimbursement rate of the cost center into which the shift is being made. Shifts may be made among the cost centers. However, shifts may not be made into the property cost center.

(8) Audits shall be conducted by the department and settlements shall be calculated by cost center only.

(9) The department may adjust reimbursement rates to reflect required increases in staffing levels and capital improvements.

(10) Any reference in this section to a January 1, 1981, reimbursement rate includes any adjustment resulting from a rate appeal and its final resolution, but shall not include any adjustment resulting from litigation on reimbursement rates prior to June 30, 1981, or the procedures by which they were established.

(11) References in this section to adjustments for inflation mean adjustments of 4.9 percent for rates effective July 1, 1981, through December 31, 1981; 4.9 percent for rates effective January 1, 1982, through June 30, 1982; 4.35 percent for rates effective July 1, 1982, through December 31, 1982; and 4.35 percent for rates effective January 1, 1983, through June 30, 1983.

The nursing home payment system under this chapter shall provide for individually-based or class-based rates which shall be the maximum reimbursement for each nursing home for the period for which the rates are assigned.

(1)(a) Beginning with the settlements for calendar year 1981, the nursing home shall submit a preliminary settlement report simultaneously with the annual cost report. Within ninety days after receipt of the reports by the secretary, the department shall submit a proposed settlement report by cost center to the nursing home which fully substantiates disallowed costs, refunds, underpayments, and/or adjustments to the preliminary settlement report.

(c) The proposed settlement shall provide the basis for a schedule to correct overpayments and underpayments.

(2) Operators of nursing homes shall refund all portions of payments received which exceed actual audited costs and all portions of payments received which are attributable to unreasonable or nonallowable costs as determined by federal or state regulations.

(3) Such consultant shall provide ongoing financial consulting assistance to the patient task force created in section 86 of this act. The patient classification system and standard hours for each classification established by the task force must tie to the uniform chart of accounts, standard cost reports, and financial statements to allow the independent certified public accountant to express an opinion on the statement of expenditures presented in the annual cost report.

(4) Such consultant will complete the development of the items specified in subsection (1) of this section not later than October 1, 1980. The secretary will adopt rules and regulations necessary to implement the consultant's product not later than December 31, 1980, for use in the fiscal year 1981 reporting year.

Certified audits of the cost reports and patient trust accounts shall be conducted in accordance with the provisions of this chapter, as follows:

(1) The annual cost report of each contractor and the patient trust accounts under his control will be audited prior to submission to the department by an independent certified public accountant, licensed according to the provisions of chapter 18.04 RCW, who shall be engaged by the office of financial management through competitive bids. The office of financial management shall cause to be published a request for qualifications from independent certified public accountants. The office of financial management shall then select those independent certified public accountant firms which have qualified to participate in the competitive bid process through a request for proposals: PROVIDED, That during fiscal year (1982) 1984, for one hundred percent of the contractors, cost reports and patient trust accounts shall be audited: PROVIDED FURTHER, That during fiscal year (1983) 1985, for up to one hundred percent of the contractors, cost reports and patient trust accounts shall be audited. The requirements contained in this subsection shall not be required after June 30, (1985) 1985;

(2) Upon request of the secretary; and

Sec. 32. Section 46, chapter 177, Laws of 1980 and RCW 74.46.460 are each amended to read as follows:

(1) Each contractor’s reimbursement rates will be determined prospectively at least once each calendar year, to be effective July 1st.

(2) Rates may be adjusted as determined by the department to take into account variations of more than ten percent in the distribution of patient classifications from the prior reporting year, program changes, economic trends and conditions, and/or administrative review provided by RCW 74.46.780 and shall be adjusted for any capitalized additions or replacements made as a condition for licensure or certification.

(3) Where the contractor participated in the provisions of prospective cost-related reimbursement in effect prior to July 1, ((1982)) 1984, such contractor’s prospective rate effective July 1, ((1982)) 1984, will be determined utilizing his reported allowable costs for calendar year ((1981)) 1983.

(4) All prospective reimbursement rates for ((1983)) 1985 and thereafter shall be determined utilizing the prior year’s audited cost reports.

Sec. 33. Section 49, chapter 177, Laws of 1980 and RCW 74.46.490 are each amended to read as follows:

(1) The food cost center shall include all costs for bulk and raw food and beverages purchased for the dietary needs of medical care recipients.

(2) The food cost reimbursement rate for each facility shall be computed as follows:

\[ FR = (TFC/TPD) 1.15 \]

where

\[ FR = \text{the facility food cost center reimbursement rate;} \]

\[ TFC = \text{the total of all reporting facilities’ food cost center costs; and} \]

\[ TPD = \text{the total patient days for the prior year of all reporting facilities.} \]

(3) Unless extended by law for an additional period of time, on and after July 1, ((1984)) 1986, the food cost reimbursement rate for each facility shall be computed as follows:

\[ FR = (TFC/TPD) \]

where

\[ FR = \text{the facility food cost center reimbursement rate;} \]

\[ TFC = \text{the total of all reporting facilities’ food cost center costs; and} \]

\[ TPD = \text{the total patient days for the prior year of all reporting facilities.} \]

Sec. 34. Section 53, chapter 177, Laws of 1980 and RCW 74.46.530 are each amended to read as follows:

(1) The department shall first establish a total state-wide return on investment pool for use in determining individual facility return on investment allowances.

(a) In establishing the total state-wide return on investment pool the department shall determine the sum of net invested funds as of the end of the most recent reporting period of all facilities participating in the medical care program.

(b) In computing the portion of net invested funds representing the net book value of tangible fixed assets, the same assets, depreciation bases, lives, and methods referred to in RCW 74.46.330, 74.46.350, 74.46.360, and 74.46.370, including owned and leased assets, shall be utilized, except that the capitalized cost of land upon which the facility is located and such other contiguous land which is reasonable and necessary for use in the regular course of providing patient care shall also be included. In the case of leased facilities where the net invested funds are unknown or the contractor is unable to provide necessary information to determine net invested funds, the secretary shall have the authority to determine an amount for net invested funds based on an appraisal conducted according to RCW 74.46.360(1).

(c) The sum of net invested funds shall then be multiplied by 1.4 times the average of the rates of interest on special issues of public debt obligations issued to the federal hospital insurance trust fund for the last completed calendar quarter prior to rate-setting to establish the total state-wide return on investment pool.

(2) The department shall establish for individual facilities return on investment allowances composed of two parts: A financing allowance and a variable return allowance.

(a) The financing allowance shall be determined by multiplying the net invested funds of each facility by 1.07 times the average of the rates of interest on special issues of public debt obligations issued to the federal hospital insurance trust fund for the last completed quarter prior to rate-setting, and dividing by the contractor’s total patient days. If a capitalized addition or retirement of an asset will result in a different financing allowance times the total patient days for each facility, when summed for all facilities, shall be as close...
in amount to the total state-wide return on investment pool as is practical; except that, such percentage
amounts for equivalent groups of facilities as determined in subparagraph (2)(b)(ii) of this section shall be
no less than the percentage amounts as calculated pursuant to this subsection on July 1, ((1982)) 1984.

(c) The sum of the financing allowance and the variable return allowance shall be the return on invest­
ment for each facility, and shall be added to the prospective rates of each contractor as determined in RCW
74.46.450 through 74.46.510.

(d) In the case of a facility which was leased by the contractor as of January 1, 1980, in an arm's-
length agreement, which continues to be leased under the same lease agreement, and for which the
annualized lease payment, plus any interest and depreciation expenses associated with contractor-owned
assets, for the period covered by the prospective rates, divided by the contractor's total patient days, minus
the property cost center determined according to RCW 74.46.510, is more than the return on investment
allowance determined according to RCW 74.46.530(2)(c), the following shall apply:

(i) The financing allowance shall be recomputed substituting the fair market value of the assets as of
January 1, ((1980)) 1982, as determined by the department of general administration through an appraisal
procedure, for the net book value of the assets in determining net invested funds for the facility. A determina­
tion by the department of general administration of fair market value shall be final unless the procedure
used to make such determination is shown to be arbitrary and capricious.

(ii) The sum of the financing allowance computed under subparagraph (2)(d)(i) of this section and the
variable allowance shall be compared to the annualized lease payment, plus any interest and depreciation
expenses associated with contractor-owned assets, for the period covered by the prospective rates, divided by
the contractor's total patient days, minus the property cost center rate determined according to RCW
74.46.510. The lesser of the two amounts shall be called the alternate return on investment allowance.

(iii) The return on investment allowance determined according to RCW 74.46.530(2)(c) or the alter­
native return on investment allowance, whichever is greater, shall be the return on investment allowance for
the facility and shall be added to the prospective rates of the contractor as determined in RCW 74.46.450
through 74.46.510.

(3) In the event that the department of health, education and welfare disallows the application of the
return on investment allowances to nonprofit facilities, the department shall modify the measurements of net
invested funds used for computing both total state-wide return on investment pool and individual facility
return on investment allowances as follows: Net invested funds for each nonprofit facility shall be multiplied
by one minus the ratio of equity funds to the net invested funds of all nonprofit facilities.

(4) Each biennium, beginning in ((1983)) 1984, the secretary shall review the adequacy of return on
investor allowances in relation to anticipated requirements for maintaining, reducing, or expanding nurs­
ing capacity. The secretary shall report the results of such review to the legislature and make recom­
mendations for adjustments in the return on investment rates utilized in this section, if appropriate.

*NEW SECTION. Sec. 10. There is added to chapter 74.08 RCW a new section to read as follows:
(1) Grants shall be awarded on a state-wide basis in accordance with standards of assistance established by the department. The standards of assistance for any family size shall be adjusted on July 1, of each year. The department shall update the standards to take inflation into
account. The cash payment to recipients of aid to families with dependent children and the general assistance—unemployable shall not be reduced below the level in effect on July 1, 1981.

(2) The standards of assistance shall take into account the economy of joint living arrangements. The standards of assistance may vary by geographical areas. The department may adjust the standards of assistance for shelter provided at no cost and for supplied shelter under the supplemental security program.

(3) Nothing in this section shall prohibit the department from complying with minimum payment requirements of the supplemental security—income program.

With the consent of the House, Ms. Becker withdrew the amendment to the amendment.

POINT OF INQUIRY

Mr. Nisbet yielded to question by Ms. Becker.

Ms. Becker: "Representative Nisbet, with respect to the new formula for determining standards of assistance that is provided in your amendment, could you please explain how the specific multipliers were arrived at?"

Mr. Nisbet: "These were based or developed on the basis of two and one-half times the thrifty food plan which is a federal plan as it applies in the state of Washington adjusted for family size. This works out approximately two-fifths for food and three-fifths for shelter and other costs."

Ms. Becker: "In other words, they were not based on cost of living studies?"

Mr. Nisbet: "Not on a specific cost of living study, but on the thrifty food plan as it applies in Washington State."

Ms. Stratton moved adoption of the following amendment by Representatives Stratton, Owen and McCormick to the Nisbet amendment:

On page 21, line 10, after "institutionalized" and before the period insert ": PROVIDED, HOWEVER, That nothing in this section shall be construed to permit the granting of medical care services where the purpose of such services is to obtain an abortion, induced miscarriage, or induced premature birth, except where such procedure is necessary for the preservation of the life of the woman seeking such treatment, or except an induced premature birth intended to produce a live, viable child and such procedure is necessary for the health of the mother or her unborn child, and except for victims of rape reported within thirty days of such incident to a federal, state, or county law enforcement agency or the department of social and health services, and except for victims of incest when a report is made to a federal, state, or county law enforcement agency or the department of social and health services"

Ms. Stratton spoke in favor of the amendment to the amendment.

MOTION

Ms. Lane moved that the amendment by Representative Stratton and others to the Nisbet amendment be tabled.

POINT OF ORDER

Mr. Van Dyken: "Mr. Speaker, Reed's Rule 114 specifically states that if a motion to lay on the table be moved on an amendment, then the main question goes on the table also."

SPEAKER'S RULING

The Speaker: "Representative Van Dyken, I will have to draw your attention to the House Rules. Rule 20(F): 'A motion to lay an amendment on the table shall not carry the main question with it unless so specified in the motion to table.'"

POINT OF PARLIAMENTARY PROCEDURE

Mr. Owen: "Is the motion to table debatable?"

The Speaker: "It is not debatable."

POINT OF INFORMATION

Mr. Walk: "Will you explain to the House exactly what will happen if the motion to table is successful?"

The Speaker: "Yes, if the motion to lay the amendment on the table is successful, the amendment will be dead as of that moment, the same as if you had a 'no' motion on the amendment."
Mr. Owen: "In the legislative process we are all faced with having to address a lot of hard issues. It's our responsibility as representatives of the people out there to come here and face those issues. Somehow, some people don't want to face those issues, but it is our responsibility. Motions are often made that would prevent us from addressing those issues such as is being done right now—"

The Speaker: "Representative Owen, this is not a point of personal privilege. You are getting into addressing the question before us."

Mr. Van Dyken: "Could you clarify for me the purpose of the motion to lay on the table? Is this to preclude you from debating on the issue?"

The Speaker: "It is to dispose of the issue before us."

Mr. Kreidler moved adoption of the following amendment by Representatives Kreidler, Thompson and Erickson to the Nisbet amendment to Engrossed Substitute Senate Bill No. 4299:

On page 22, line 33 after 'satisfy' strike "a deductible of not less than two thousand dollars" and insert "a deductible of not more than one thousand dollars"

Mr. Kreidler spoke in favor of the amendment to the amendment, and Mr. Nisbet spoke against it.

The Speaker: "Your point of order is well taken, Representative Nisbet. The amendment is out of order."

On motion of Mr. Tilly, the following amendments by Representatives Tilly, Patrick, Padden, Wang and Becker were adopted:

On page 51, after line 11 insert the following:

"Sec. 53. Section 15, chapter 117, Laws of 1973 1st ex. sess. as amended by section 13, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.150 are each amended to read as follows:

(1) Persons examined pursuant to RCW 10.77.140, as now or hereafter amended, may make application to the secretary for conditional release. The secretary shall, after considering the reports of experts or professional persons conducting the examination pursuant to RCW 10.77.140, forward to the court of the county which ordered his commitment the person's application for conditional release as well as his recommendations concerning the application and any proposed terms and conditions upon which he reasonably believes the person can be conditionally released. Conditional release may also contemplate partial release for work, training, or educational purposes.

(2) The court of the county which ordered his commitment, upon receipt of an application for conditional release with the secretary's recommendation for conditional release, shall within thirty days schedule a hearing. The court may schedule a hearing on applications recommended for disapproval by the secretary. The prosecuting attorney shall represent the state at such hearings and shall have the right to have the patient examined by an expert or professional person of his choice. If the court determines that the committed person is indigent, and he so requests, the court shall appoint a qualified expert or professional person to examine him on his behalf. The issue to be determined at such a hearing is whether or not the person may be released conditionally without substantial danger to other persons, or substantial likelihood of committing felonious acts jeopardizing public safety or security. The court, after the hearing, shall rule on the secretary's recommendations, and if it disapproves of conditional release, may do so only on the basis of substantial evidence. The court may modify the suggested terms and conditions on which the person is to be conditionally released. Pursuant to the determination of the court after hearing, the committed person shall thereupon be released on such conditions as the court determines to be necessary, or shall be remitted to the custody of the secretary.

(3) If the court determines that receiving regular or periodic medication or other medical treatment shall be a condition of the committed person's release, then the court shall require him to report to a physician or other person for the medication or treatment. In addition to submitting any report required by RCW 10.77.160, the physician or other person shall immediately upon the released person's failure to appear for the medication or treatment report the failure to the court and to the prosecuting attorney of the county in which the released person was committed.

(4) Any person, whose application for conditional release has been denied, may reapply after a period of six months from the date of denial.

Sec. 54. Section 19, chapter 117, Laws of 1973 1st ex. sess. as amended by section 15, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.190 are each amended to read as follows:

(1) Any person submitting reports pursuant to RCW 10.77.160, the secretary, or the prosecuting attorney may petition the court to, or the court on its own motion may schedule an immediate hearing for the purpose of modifying the terms of conditional release if the petitioner or the court believes the released person is failing to adhere to the terms and conditions of his conditional release or is in need of additional care and treatment.

(2) If the prosecuting attorney, the secretary, or the court, after examining the report filed with them pursuant to RCW 10.77.160, or based on other information received by them, reasonably believes that a conditionally released person is failing to adhere to the terms and conditions of his conditional release(, and because of that failure he has become a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security,) the court or secretary may order that the conditionally released person be apprehended and taken into custody until such time as a hearing can be scheduled to determine the facts and whether or not the person's conditional release should be revoked or modified. The court shall be notified before the close of the next judicial day of the apprehension. Both the prosecuting attorney and the conditionally released person shall have the right to request an immediate mental examination of the conditionally released person. If the conditionally released person is indigent, the court or secretary shall, upon request, assist him in obtaining a qualified expert or professional person to conduct a mental examination and report thereon.

(3) The court, upon receiving notification of the apprehension, shall promptly schedule a hearing. The issue to be determined is whether the conditionally released person did or did not adhere to the terms and conditions of his release,( and is a substantial danger to other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security). Pursuant to the determination of the court upon such hearing, the conditionally released person shall either continue to be conditionally released on the same or modified conditions or his conditional release shall be revoked and he shall be committed subject to release only in accordance with provisions of this chapter.

Sec. 55. Section 22, chapter 117, Laws of 1973 1st ex. sess. as amended by section 17, chapter 198, Laws of 1974 ex. sess. and RCW 10.77.220 are each amended to read as follows:
No person confined pursuant to this chapter shall be incarcerated in a state correctional institution or facility: PROVIDED, That nothing herein shall prohibit confinement in a mental health facility located wholly within a correctional institution or in a county jail or other local facility while awaiting either placement in a treatment program or a court hearing pursuant to this chapter.

Sec. 56. Section 11, chapter 117, Laws of 1973 1st ex. sess. as last amended by section 4, chapter 215, Laws of 1979 ex. sess. and RCW 10.77.110 are each amended to read as follows:

If a defendant is acquitted of a felony by reason of insanity, and it is found that he is not a substantial danger to other persons, or does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall direct his final discharge. If it is found that such defendant is a substantial danger to (himself or others in need of) other persons, or presents a substantial likelihood of committing felonious acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, the court shall order his hospitalization, or any appropriate alternative treatment less restrictive than detention in a state mental hospital, pursuant to the terms of this chapter. If it is found that such defendant is not a substantial danger to other persons, or does not present a substantial likelihood of committing felonious acts jeopardizing public safety or security, but that he is in need of control by the court or other persons or institutions, the court shall direct his conditional release. If the defendant is acquitted by reason of insanity of a crime which is not a felony, the court shall order the defendant's release or order the defendant's continued custody for a reasonable time to allow the county-designated mental-health professional to evaluate the individual and to proceed with civil commitment pursuant to chapter 71.05 RCW, if considered appropriate.

Section 1. Section 2409, Code of 1881 as amended by section 3, chapter 108, Laws of 1972 ex. sess. and RCW 26.16.030 are each amended to read as follows:

Property not acquired or owned, as prescribed in RCW 26.16.010 and 26.16.020, acquired after marriage by either husband or wife or both, is community property. Either spouse, acting alone, may manage and control community property, with a like power of disposition as the acting spouse has over his or her separate property, except:

(1) Neither spouse shall devise or bequeath by will more than one-half of the community property.

(2) Neither spouse shall give community property without the express or implied consent of the other.

(3) Neither spouse shall sell, convey, or encumber the community real property without the other spouse joining in the execution of the deed or other instrument by which the real estate is sold, conveyed, or encumbered, and such deed or other instrument must be acknowledged by both spouses.

(4) Neither spouse shall purchase or contract to purchase community real property without the other spouse joining in the transaction of purchase or in the execution of the contract to purchase.

(5) Neither spouse shall create a security interest other than a purchase money security interest as defined in RCW 62A.9-107 in, or sell, community household goods, furnishings, or appliances, or a community mobile home unless the other spouse joins in executing the security agreement or bill of sale, if any.

(6) Neither spouse shall acquire, purchase, sell, convey, or encumber the assets, including real estate, or the good will of a business where both spouses participate in its management without the consent of the other: PROVIDED, That where only one spouse participates in such management the participating spouse may, in the ordinary course of such business, acquire, purchase, sell, convey or encumber the assets, including real estate, or the good will of the business without the consent of the nonparticipating spouse.

Sec. 2. Section 14, chapter 231, Laws of 1971 ex. sess. as amended by section 137, chapter 158, Laws of 1979 and RCW 46.12.290 are each amended to read as follows:

The provisions of chapter 46.12 RCW insofar as they are not inconsistent with the provisions of this 1971 amendatory act shall apply to mobile homes regulated by this 1971 amendatory act: PROVIDED, That RCW 46.12.080((, 46.12.898,)) and 46.12.250 through 46.12.270 shall not apply to mobile homes; PROVIDED FURTHER, That in order to lawfully transfer ownership of a community mobile home, both spouses must sign the title certificate. In addition, the director of licensing shall have the power to adopt such rules and regulations as he deems necessary to implement the provisions of chapter 46.12 RCW as they relate to mobile homes.

Sec. 3. Section 2, chapter 22, Laws of 1977 ex. sess. as amended by section 1, chapter 152, Laws of 1980 and RCW 46.44.170 are each amended to read as follows:

(1) Any person moving a mobile home as defined in RCW 46.04.302 upon public highways of the state must obtain a special permit from the department of transportation and local authorities pursuant to RCW 46.44.090 and 46.44.093 and shall pay the proper fee as prescribed by RCW 46.44.094 and 46.44.096.

(2) A special permit issued as provided in subsection (1) of this section for the movement of any mobile home shall not be valid until the county treasurer of the county in which the mobile home is located shall endorse or attach thereto his county treasurer's endorsement that all property taxes due upon the mobile home being moved have been satisfied: PROVIDED, That endorsement or certification by the county treasurer is not required when a mobile home is to enter the state, is being moved to safe storage under the provisions of section 7 of this 1981 act, or is being moved from a manufacturer or distributor to a retail sales outlet or directly to the purchaser's designated location or between retail and sales outlets. It shall be the responsibility of the owner of the mobile home or his agent to obtain such endorsement from the county treasurer.

(3) Nothing herein should be construed as prohibiting the issuance of vehicle license plates for a mobile home, but no such plates shall be issued unless the mobile home for which such plates are sought has been
listed for property tax purposes in the county in which it is principally located and the appropriate fee for such license has been paid.

(4) The department of transportation and local authorities are authorized to adopt reasonable rules for implementing the provisions of this section.

Sec. 4. Section 3, chapter 279, Laws of 1977 ex. sess. as last amended by section 3, chapter 152, Laws of 1980 and RCW 59.20.030 are each amended to read as follows:

For purposes of this chapter:

(1) "Abandoned" as it relates to a mobile home owned by a tenant in a mobile home park, mobile home park cooperative, or mobile home park subdivision or tenancy in a mobile home lot means the tenant has defaulted in rent and by absence and by words or actions reasonably indicates the intention not to continue tenancy;

(2) "Landlord" means the owner of a mobile home park and includes the agents of a landlord;

(3) "Mobile home lot" means a portion of a mobile home park designated as the location of one mobile home and its accessory buildings, and intended for the exclusive use as a primary residence by the occupants of that mobile home;

(4) "Mobile home park" means any real property which is rented or held out for rent to others for the placement of two or more mobile homes for the primary purpose of production of income, except where such real property is rented or held out for rent for seasonal recreational purpose only and is not intended for year-round occupancy;

(5) "Mobile home park cooperative" means real property consisting of common areas and two or more lots held out for placement of mobile homes in which both the individual lots and the common areas are owned by an association of shareholders which leases or otherwise extends the right to occupy individual lots to its own members;

(6) "Mobile home park subdivision" means real property, whether it is called a subdivision, condominium, or planned unit development, consisting of common areas and two or more lots held for placement of mobile homes in which there is private ownership of the individual lots and common, undivided ownership of the common areas by owners of the individual lots;

(7) "Tenant" means any person, except a transient, who rents a mobile home lot; and

(8) "Transient" means a person who rents a mobile home lot for a period of less than one month for purposes other than as a primary residence.

Sec. 5. Section 4, chapter 279, Laws of 1977 ex. sess. as amended by section 2, chapter 186, Laws of 1979 ex. sess. and RCW 59.20.040 are each amended to read as follows:

This chapter shall regulate and determine legal rights, remedies, and obligations arising from any rental agreement between a landlord and a tenant regarding a mobile home lot and including specified amenities within the mobile home park, mobile home park cooperative, or mobile home park subdivision, where the tenant has no ownership interest in the property or in the association which owns the property, whose uses are referred to as a part of the rent structure paid by the tenant. All such rental agreements shall be unenforceable to the extent of any conflict with any provision of this chapter. Chapter 59.12 RCW shall be applicable only in implementation of the provisions of this chapter and not as an alternative remedy to this chapter which shall be exclusive where applicable: PROVIDED, That the provision of RCW 59.12.090, 59.12.100, and 59.12.170 shall not apply to any rental agreement included under the provisions of this chapter. RCW 59.18.370 through 59.18.410 shall be applicable to any action of forcible entry or detainer or unlawful detainer arising from a tenancy under the provisions of this chapter, except when a mobile home or a tenancy in a mobile home lot is abandoned. Rentals of mobile homes themselves are governed by the Residential Landlord-Tenant Act, chapter 59.18 RCW.

NEW SECTION. Sec. 6. There is added to chapter 59.20 RCW a new section to read as follows:

SAFE ASSUMPTION OF ABANDONMENT. (1) If a tenant defaults in rent but the landlord is not certain whether the tenant intends to continue tenancy, the landlord may safely assume the tenancy is abandoned if both of the following are done subsequent to default:

(a) The landlord gives written notice to a law enforcement officer that the landlord believes a mobile home is abandoned, stating the reasons for that belief. The law enforcement officer shall obtain the last known names and addresses of registered and legal owners of the mobile home as the names and addresses appear on the records of the department of licensing, and shall supply the information to the landlord with the mailing of the notice. This notice shall state that if no reply is received within four weeks that the landlord shall determine the tenancy, mobile home, or any other property of the tenant abandoned and subject to sale.

(b) The landlord sends by first class and certified mail, return receipt requested, a notice of intent to declare the abandonment to the last known address of the tenant, and registered owner of the mobile home, if different, and no reply is received within four weeks of the mailing of the notice. This notice shall state that if no reply is received within four weeks that the landlord shall determine the tenancy, mobile home, or any other property of the tenant abandoned and subject to sale.

(2) Removal of the mobile home by the tenant, along with default in rent, shall be sufficient to indicate a tenant's intention not to continue tenancy, unless the landlord has actual knowledge of the tenant's contrary intention.

(3) This section is intended to provide landlords assurance that a determination of abandonment is proper in the circumstances, and is not intended to be exclusive or in any way limit the circumstances which may reasonably indicate a tenant's intention not to continue tenancy.

NEW SECTION. Sec. 7. There is added to chapter 59.20 RCW a new section to read as follows:
TAKING POSSESSION. Upon abandonment, the landlord may immediately enter and take possession of any property of the tenant found on the premises and remove the same to and store the same in a reasonably secure place.

NEW SECTION. Sec. 8. There is added to chapter 59.20 RCW a new section to read as follows:

LABOR AND MATERIALMAN’S LIEN GRANTED. Every person performing labor, furnishing material, or renting, leasing, or otherwise supplying equipment to take possession of, move, store and safeguard property which has been abandoned by a tenant has a lien upon the same for the labor performed, material furnished, or equipment furnished. No notice of such lien is required. Foreclosure shall be by the sale provisions of sections 9 through 13 of this act.

NEW SECTION. Sec. 9. There is added to chapter 59.20 RCW a new section to read as follows:

NOTICE. (1) A notice must be mailed by the landlord by first class and certified mail, return receipt requested, within three days after taking possession of the tenant’s property to the last known address of the tenant and to the last known addressee of the registered and legal owners supplied to the landlord by the law enforcement officer, if different.

(2) The notice shall state:
(a) The tenant’s name and owner’s name if different;
(b) That the landlord is holding in safe storage property of the tenant;
(c) A description of the property;
(d) The location of the property;
(e) The name and address of the landlord;
(f) That, if the tenant does not reclaim the tenant’s property within sixty days after the specified date of default in rent or thirty days after the date this notice is sent, whichever is later, the landlord intends to sell the property stored and apply the proceeds as specified in section 11 of this act; and
(g) The conditions on which the tenant or secured party could reclaim the property as specified in section 13 of this act, with the amounts set out as much as is reasonably practical.

NEW SECTION. Sec. 10. There is added to chapter 59.20 RCW a new section to read as follows:

SALE. (1) The landlord may sell or otherwise dispose of any or all of the property taken possession of and stored by the landlord after the latest of the following:
(a) Sixty days from the default in rent;
(b) Thirty days after mailing of the notice prescribed in section 14 of this act;
(c) After reasonable efforts to locate the absent tenants; and
(d) Ten days’ notice to any secured creditors of the tenant known to the landlord to have security interests in the tenant’s property stored by the landlord or discoverable by an information request under RCW 62A.9-407 sent to the department of licensing.

(2) Reasonable efforts to locate the tenants may include, but are not required to include nor limited to including, requesting the whereabouts of the tenants from the tenant’s neighbors, known friends, known relatives, and secured creditors known to the landlord or discoverable by an information request under RCW 62A.9-407 sent to the department of licensing.

(3) The property may be sold in its condition ‘as is’ or following any commercially reasonable preparation for sale. Disposition of the property may be by public or private proceedings and may be as a unit or in parcels and at any time and place and on any terms, but every aspect of the disposition including the method, manner, time, place and terms must be commercially reasonable. Unless the property is a type customarily sold in a recognized market, reasonable notification of the time and place of any public sale or of the time after which any private sale or other intended disposition is to be made shall be sent by the landlord to the tenant if the tenant has replied to the notice sent required in section 6 of this act, and to any person who has a security interest in the property and who has duly filed a financial statement indexed in the name of the tenant in this state, or who is known by the landlord to have a security interest in the tenant’s property stored by the landlord. The landlord may buy at any public sale and, if the property is of a type customarily sold in a recognized market or is of a type which is the subject of widely distributed standard price quotations, he may buy at private sale.

(4) The fact that a better price could have been obtained by a sale at a different time or in a different method from that selected by the landlord is not of itself sufficient to establish that the sale was not made in a commercially reasonable manner. If the landlord either sells the property in the usual manner in any recognized market therefor or if he sells at the price current in such market at the time of his sale or if he has otherwise sold in conformity with reasonable commercial practices among dealers in the type of property sold, he has sold in a commercially reasonable manner. The principles stated in the two preceding sentences with respect to sales also apply as may be appropriate to other types of disposition.

NEW SECTION. Sec. 11. There is added to chapter 59.20 RCW a new section to read as follows:

APPLICATION OF PROCEEDS. Any proceeds from the sale may be applied in the following order:
(1) To any reasonable costs of moving, storing, safeguarding, and selling the property;
(2) Any taxes due on the sale of the mobile home under chapter 28A.45 RCW, or the successor thereto, and any other taxes due under chapter 84.52 RCW;
(3) To any secured creditors of the tenant of which the landlord has notice or is discoverable by an information request under RCW 62A.9-407 sent to the department of licensing; and
(4) To any moneys due the landlord as specified in section 14 of this act.

Any excess proceeds from the sale of the property shall be paid to the county treasurer of the county in which the property was abandoned to be credited to the county current expense fund, subject to a claim by the tenant within one year of sale.
NEW SECTION. Sec. 12. There is added to chapter 59.20 RCW a new section to read as follows:

**EFFECT OF SALE.** When property is disposed of by a landlord under this chapter, the disposition transfers to a purchaser for value all of the tenant's rights therein and discharges any security interest in or lien upon the property. The purchaser takes free of any such rights and interests even if the landlord fails to comply with the requirements of this chapter or of any judicial proceedings (1) in the case of a public sale, if the purchaser has no knowledge of any defects in the sale and if he does not buy in collusion with the landlord, other bidders, or the person conducting the sale; or (2) in any other case, if the purchaser acts in good faith as defined in RCW 62A.1-201(19).

The director of licensing shall promulgate rules pursuant to chapter 34.04 RCW for the application for and the reissuance of the certificate of title showing ownership of any mobile home sold or otherwise disposed of under the provisions of this chapter.

NEW SECTION. Sec. 13. There is added to chapter 59.20 RCW a new section to read as follows:

**REDEMPTION.** (1) At any time before the landlord has disposed of property or entered into a contract for its disposition under this chapter, the tenant, unless otherwise agreed in writing, may redeem the property by tendering to the landlord fulfillment of all obligations owed by the tenant to the landlord as set out in section 14 of this act which have accrued up to the date of redemption.

(2) At any time before the landlord has disposed of property or entered into a contract for disposition under this chapter, any person who has a security interest in the property may, unless otherwise agreed in writing, redeem the property by tendering to the landlord:

(a) Any unpaid rent or charges specified in the rental agreement accrued up to the date of redemption; and

(b) The reasonable costs of taking possession, moving, storing, safeguarding, preparing the property for sale, the costs of arranging the sale and selling the tenant's property plus reasonable attorneys' fees and legal expenses incurred taking such actions.

NEW SECTION. Sec. 14. There is added to chapter 59.20 RCW a new section to read as follows:

**TENANT'S LIABILITY TO LANDLORD UPON ABANDONMENT.** If a tenant abandons a tenancy, the landlord shall make a reasonable effort to mitigate the damages resulting from the abandonment and if such reasonable effort is made, is entitled to the following from the tenant:

(1) When the tenancy is month-to-month, the rent for the thirty days following the earlier of the date the landlord learns of the abandonment or the date the regular monthly rental payment was due, but was unpaid;

(2) When the tenancy is for a term longer than month-to-month, the rent for the remainder of the term, minus all rent received from the re-rental of the lot at a fair rental if there were no other comparable lots vacant elsewhere in the mobile home park, plus all actual costs reasonably incurred by the landlord in re-renting the premises;

(3) For any length term, the reasonable costs of taking possession, moving, storing, safeguarding, preparing the property for sale, the costs of arranging the sale, plus reasonable attorneys' fees and legal expenses incurred taking such actions if not otherwise reimbursed by the provisions of section 11 of this act;

(4) Any other unpaid rent or charges specified in the rental agreement; and

(5) Any damages to the landlord's property caused by the tenant.

NEW SECTION. Sec. 15. There is added to chapter 59.20 RCW a new section to read as follows:

**REMEDIES NOT EXCLUSIVE.** The remedies specified in sections 6 through 14 of this act are not exclusive and the parties retain the rights to all other actions or remedies otherwise specified in this chapter.

If a mobile home park landlord sells a tenant's property as permitted by this chapter and the proceeds from the sale of those goods are insufficient to pay the landlord all that the tenant owes to the landlord, the tenant shall remain liable for the remainder owed.

NEW SECTION. Sec. 16. There is added to chapter 59.20 RCW a new section to read as follows:

**REMEDIES FOR NONCOMPLIANCE.** If it is established that the landlord is not proceeding in accordance with the provisions of sections 7 through 13 of this act, disposition may be ordered or restrained on appropriate terms and conditions. If the disposition has occurred in violation of this chapter, the tenant or any person entitled to notice has a right to recover from the landlord any loss caused by a failure to comply with the provisions of this chapter.

Sec. 17. Section 6, chapter 59.20, Laws of 1980 as amended by section 1, chapter 44, Laws of 1981, and RCW 6.12.100 are each amended to read as follows:

**THE BON:HO MDAN.** If a mobile home park landlord sells a tenant's property as permitted by this chapter and the proceeds from the sale of those goods are insufficient to pay the landlord all that the tenant owes to the landlord, the tenant shall remain liable for the remainder owed.

The homestead is subject to execution or forced sale in satisfaction of judgments obtained:

(1) On debts secured by mechanic's, laborer's, materialmen's or vendor's liens upon the premises;

(2) On debts secured by purchase money security agreements describing as collateral a mobile home located on the premises or mortgages on the premises, executed and acknowledged by the husband and wife or by any unmarried claimant.

Sec. 18. Section 6, chapter 799, Laws of 1977 ex. sess. as amended by section 4, chapter 186, Laws of 1979 ex. sess. and RCW 59.20.060 are each amended to read as follows:

(1) Any mobile home lot tenancy regardless of the term, shall be based upon a written rental agreement, signed by the parties, which shall contain:

(a) The terms for the payment of rent, including time and place, and any additional charges to be paid by the tenant. Additional charges that occur less frequently than monthly shall be itemized in a billing to the tenant;

(b) Reasonable rules for guest parking which shall be clearly stated;

(c) The rules and regulations of the park;
A landlord shall not:

1. Deny any tenant the right to sell such tenant's mobile home within a park or require the removal of the mobile home from the park ((solely)) because of the sale thereof; (PROVIDED, That: (a) Any rental agreement shall be assignable by the tenant to any person to whom he sells or transfers title to the mobile home, subject to the approval of the landlord after fifteen days' written notice of such intended assignment; (b) The assignee of the rental agreement shall assume all the duties and obligations of his assignor for the remainder of the term of the rental agreement unless, by mutual agreement, a new rental agreement is entered into with the landlord; and (c) The landlord shall approve or disapprove of the assignment of a rental agreement on the same basis that the landlord approves or disapproves of any new tenant). Requirements for the transfer of the rental agreement are in section 20 of this 1981 act;

2. Restrict the tenant's freedom of choice in purchasing goods or services but may reserve the right to approve or disapprove any exterior structural improvements on a mobile home lot: PROVIDED, That door-to-door solicitation in the mobile home park may be prohibited in the rental agreement;

3. Prohibit meetings by tenants of the mobile home park to discuss mobile home living and affairs, conducted at reasonable times and in an orderly manner on the premises, nor penalize any tenant for participation in such activities;

4. Evict a tenant, terminate a rental agreement, decline to renew a rental agreement, increase rental or other tenant obligations, decrease services, or modify park rules in retaliation for any of the following actions on the part of a tenant taken in good faith:

   a. Filing a complaint with any state, county, or municipal governmental authority relating to any alleged violation by the landlord of an applicable statute, regulation, or ordinance;

   b. Requesting the landlord to comply with the provision of this chapter or other applicable statute, regulation, or ordinance of the state, county, or municipality;

   c. Filing suit against the landlord for any reason;

   d. Participation or membership in any homeowners association or group; or

   e. Charge to any tenant a utility fee in excess of actual utility costs.

NEW SECTION. Sec. 20. There is added to chapter 59.20 RCW a new section to read as follows:
TRANSFER OF RENTAL AGREEMENTS. (1) Any rental agreement shall be assignable by the tenant to any person to whom he sells or transfers title to the mobile home.

(2) A tenant who sells a mobile home within a park shall notify the landlord of the intended sale and transfer of the rental agreement at least fifteen days in advance of such intended transfer and shall notify the buyer of the provisions of this section.

(3) The landlord shall notify the selling tenant of a refusal to permit transfer of the rental agreement at least seven days in advance of such intended transfer.

(4) The landlord shall approve or disapprove of the assignment of a rental agreement on the same basis that the landlord approves or disapproves of any new tenant, and any disapproval shall be in writing. Consent to an assignment shall not be unreasonably withheld.

(5) Failure to notify the landlord of the intended sale and transfer of the rental agreement or failure of the new tenant to make a good faith attempt to arrange an interview with the landlord to discuss assignment of the rental agreement shall be grounds for disapproval of such transfer.

Sec. 21. Section 8, chapter 279, Laws of 1977 ex. sess. as amended by section 6, chapter 186, Laws of 1979 ex. sess. and RCW 59.20.080 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the landlord shall not terminate a tenancy, of whatever duration, except for one or more of the following reasons:

(a) Substantial or repeated violation of the rules of the mobile home park as established by the landlord at the inception of the tenancy or as assumed subsequently with the consent of the tenant or for violation of the tenant's duties as provided in RCW 59.20.140 as now or hereafter amended. The tenant shall be given written notice of a fifteen day period in which to comply or vacate: PROVIDED, That in the case of a violation of a 'material change' in park rules with respect to pets, tenants with minor children living with them, or recreational facilities, the tenant shall be given written notice of a six month period in which to comply or vacate. In the case of periodic rather than continuous violation, said notice shall specify that the same violation repeated shall result in termination;

(b) Nonpayment of rent or other charges specified in the rental agreement, upon five days written notice to pay rent and/or other charges or to vacate;

Whenever an application is made to the department of licensing or its agents for a license for a travel trailer or camper there shall be collected, in addition to the amount of the license fee or renewal license fee, the amount of the excise tax imposed by this chapter prorated to comply with the effective date of the annual schedule prepared pursuant to RCW 82.44.040, and no dealer's license or license plates, and no license or license plates for a travel trailer or camper may be issued unless such tax is paid in full. No additional tax shall be imposed under this chapter upon any travel trailer or camper upon the transfer of ownership thereof, if the tax imposed by this chapter with respect to such travel trailer or camper has already been paid for the registration year or fractional part thereof in which such transfer occurs.

Sec. 24. Section 56, chapter 299, Laws of 1971 ex. sess. as last amended by section 2, chapter 123, Laws of 1979 and RCW 82.50.410 are each amended to read as follows:

PROVIDED FURTHER, That)) the minimum amount of tax payable shall be two dollars: PROVIDED FURTHER, That every dealer in mobile homes or travel trailers, for the privilege of using any mobile home or travel trailer eligible to be used under a dealer's license plate, shall pay an excise tax of two dollars, and such tax shall be collected upon the issuance of each original dealer's license plate, and also a similar tax shall be collected upon the issuance of each dealer's duplicate license plate, which taxes shall be in addition to any tax otherwise payable under this chapter.

(A travel trailer or camper shall be deemed licensed for the first time in this state when such vehicle was not previously licensed by this state for the registration year or any part thereof immediately preceding the registration year in which application for license is made or when it has been registered in another jurisdiction subsequent to any prior registration in this state:))

Sec. 25. Section 61, chapter 299, Laws of 1971 ex. sess. as last amended by section 3, chapter 123, Laws of 1979 and RCW 82.50.460 are each amended to read as follows:

The interest charge on the unpaid excise tax is waived when the interest is less than five dollars. The director may waive the interest on the unpaid excise tax when the interest exceeds five dollars and the department of licensing determines that the cost of processing the collection of the interest exceeds the amount of interest due.

The tax and all charges authorized under this chapter are a specific lien on the travel trailer or camper from the date it first becomes due under this chapter and shall have priority to and be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which the travel trailer or camper may become charged or liable after the effective date of this act. Thereafter, the sheriff may, without further demand or notice, distrain the travel trailer or camper for the payment of tax, together with the penalty and accrued interest, and the costs and fees.

If he determines that it is reasonably impracticable to take manual possession of the trailer or camper, it shall be deemed to have been distrained and taken into possession when the sheriff posts thereon in a conspicuous place, a notice in writing reciting that he has distrained the travel trailer or camper, describing it and giving the name of the owner or reputed owner, if known, the amount of the tax due, together with the penalty, accrued interest, costs and fees, and the time when and the place where the sale shall be made.

The director shall forward by registered or certified mail a copy of the notice of delinquency to the legal owner recorded with the director under chapter 46.12 RCW.

NEW SECTION. Sec. 30. There is added to chapter 82.50 RCW a new section to read as follows:

If the tax is not paid immediately after distrainment, the sheriff shall advertise the sale of the travel trailer or camper by posting written notices in three public places in the county in which the travel trailer or camper is located, one of which shall be at the county court house of the county, and by posting a written notice on the travel trailer or camper in a conspicuous place, if he has not taken manual possession of it. As used in this chapter unless the context otherwise requires:

In interpreting declarations, deeds, and plans, the existing physical boundaries of the apartment as originally constructed or as reconstructed in substantial accordance with the original plans thereof shall be conclusively presumed to be its boundaries rather than the metes and bounds expressed or depicted in the declaration, deed or plan, regardless of settling or lateral movement of the building and regardless of minor variance between boundaries shown in the declaration, deed, or plan and those of apartments in the building.

(2) 'Apartment owner' means the person or persons owning an apartment, as herein defined, in fee simple absolute or qualified, by way of leasehold or by way of a periodic estate, or in any other manner in which real property may be owned, leased or possessed in this state, together with an undivided interest in a like estate of the common areas and facilities in the percentage specified and established in the declaration as duly recorded or as it may be lawfully amended.

(6) 'Common areas and facilities', unless otherwise provided in the declaration as duly recorded or as it may be lawfully amended, includes: (a) The land on which the building is located;
WARRANTIES AND INSPECTIONS. Mobile home manufacturers and mobile home dealers who sell mobile homes to be assembled on site and used as residences in this state shall conform to the following requirements:

Copies of the warranties shall be given to the purchaser upon signing a purchase agreement and shall include an explanation of remedies available to the purchaser under state and federal law for breach of warranty, the name and address of the federal department of housing and urban development and the state departments of licensing and labor and industries, and a brief description of the duties of these agencies concerning mobile homes.

(4) Warranty service shall be completed within forty-five days after the owner gives written notice of the defect unless there is a bona fide dispute between the parties. Warranty service for a defect affecting health or safety shall be completed within seventy-two hours of receipt of written notice. Sec. 37. Section 5, chapter 279, Laws of 1977 ex. sess. as last amended by section 4, chapter 152, Laws of 1980 and RCW 59.20.050 are each amended to read as follows:

(1) No landlord may offer a mobile home lot for rent to anyone without offering a written rental agreement for a term of one year or more. No landlord may offer to anyone any rental agreement for a term of one year or more for which the monthly rental is greater, or the terms of payment or other material conditions more burdensome to the tenant, than any month-to-month rental agreement also offered to such tenant or prospective tenant. Anyone who desires to occupy a mobile home lot for other than a term of one year or more may have the option to be on a month-to-month basis but must waive, in writing, the right to such one year or more term: PROVIDED, That ((no waiver shall be valid for a period of more than one year and upon the expiration of any waiver the landlord shall again offer the tenant a term of one year or more)) annually, at any anniversary date of the tenancy the tenant may require that the landlord provide a written rental agreement for a term of one year. No landlord shall allow a mobile home to be moved into a mobile home park in this state until a written rental agreement has been signed by and is in the possession of the parties: PROVIDED, That if the landlord allows the tenant to move a mobile home into a mobile home park without obtaining a written rental agreement for a term of one year or more, or a written waiver of the right to a one-year term or more, the term of the tenancy shall be deemed to be for one year from the date of occupancy of the mobile home lot;

(2) The requirements of subsection (1) of this section shall not apply if:
(a) The mobile home park or part thereof has been acquired or is under imminent threat of condemnation for a public works project, or
(b) An employer-employee relationship exists between a landlord and tenant;
(3) The provisions of this section shall apply to any tenancy upon expiration of the term of any oral or written rental agreement governing such tenancy.

NEW SECTION. Sec. 38. (1) The legislature finds that:
(a) A serious and chronic shortage exists of decent, safe and sanitary housing which can be obtained within the financial means of most moderate and low income households in the state; and
(b) A shortage of land zoned for the location of manufactured housing exists which interferes with the residential choices available to purchasers and renters of housing.

(2) The legislature recognizes that:
(a) Manufactured housing represents an economical alternative which satisfies the residential needs of a growing number of households;
(b) Manufactured housing constructed, transported, and installed in compliance with applicable government statutes, regulations, standards, and procedures can qualify as decent, safe, and sanitary housing with residential characteristics comparable with other forms of housing;
(c) Differences in appearance, size, and other aspects nevertheless remain between manufactured and site built housing; and
(d) Cities and counties have a legal role in regulating the placement of manufactured and site built housing in a manner which is in accordance with community appearance, standards, and well-being.

(3) The legislature declares that:
(a) A need exists for adequate land which is zoned for the siting of manufactured housing on individual lots and in mobile home parks and which is consistent with prevailing local market demand and sensible community standards; and
(b) It shall be the policy of the state to encourage cities and counties to meet the need for adequate land zoned within their jurisdictions for the siting of manufactured housing.

NEW SECTION. Sec. 39. Nothing in this act may be construed to inhibit a city or county from: (1) Providing reasonable requirements for regulating the characteristics and siting of manufactured homes sited on real estate within such city or county, including size, site preparation, accessory structures, siding and roofing characteristics and materials, and foundation systems, provided that such requirements are not more stringent for manufactured homes than for other single family residences; or (2) requiring that a manufactured home be placed in an approved mobile home subdivision, mobile home park, or cooperative.

NEW SECTION. Sec. 40. The planning and community affairs agency shall immediately establish an advisory task force on manufactured housing. The task force shall consist of nine members. The director of the planning and community affairs agency or the director's designee shall be a member of the task force and serve as its chairperson. The director of the planning and community affairs agency shall appoint the other members of the task force with two members representing cities, two members representing counties, and four members representing manufactured housing interests and realtors. On or before December 1, 1981, the task force shall prepare a report containing model ordinances on the siting of manufactured housing, standards for manufactured housing zoning regulations and recommendations for the characteristics and siting of manufactured homes. The planning and community affairs agency shall publish the report and distribute it to the members of the local government committees of the senate and house of representatives of the state of Washington and all cities and counties.
The planning and community affairs agency shall, upon request, assist any city or county with the development of comprehensive plans, ordinances, and standards which relate to zoning sites for manufactured housing.

NEW SECTION. Sec. 41. Before January 1, 1983, the planning and community affairs agency shall determine the extent to which cities and counties have responded to the need to provide adequate land zoned for manufactured housing and report its findings to the members of the local government committees of the senate and the house of representatives of the state of Washington.

NEW SECTION. Sec. 42. The advisory task force on manufactured housing established in section 40 of this act shall cease to exist on January 1, 1982.

NEW SECTION. Sec. 43. There is appropriated from the general fund for the biennium ending June 30, 1983, to the planning and community affairs agency the sum of ten thousand dollars, or so much thereof as may be necessary, to carry out the purposes of this act.

NEW SECTION. Sec. 45. Sections 38 through 41 of this act shall expire on January 1, 1983.

NEW SECTION. Sec. 46. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

BE IT FURTHER RESOLVED, That neither the Speaker nor the Chief Clerk shall approve or sign any personal service contract without the express approval of the Executive Rules Committee; and

BE IT FURTHER RESOLVED, That the State Treasurer be, and is hereby directed to draw his warrants for the payment of salaries, per diem, in lieu payments, and reimbursements of and to the members of the House of Representatives, the elected officers of the House of Representatives, and the retained employees each month upon vouchers signed by the members, officers, or employees and approved by the Chief Clerk of the House of Representatives and he is authorized to deliver the warrants to the Chief Clerk of the House of Representatives for delivery or mailing to those entitled thereto; and

WHEREAS, New developments in legislative processes and administration are constantly occurring; and

WHEREAS, The substantive matters requiring legislative action are becoming increasingly complex; and

WHEREAS, The Council of State Governments, the National Conference of State Legislatures, and other organizations are offering a variety of training and continuing education courses and meetings on such subjects; and

WHEREAS, The participation in such activities by members of the House and legislative staff will benefit the house in furthering the efficiency and economy of its operation;

NOW, THEREFORE, BE IT RESOLVED, That the Speaker may authorize the attendance of members and staff members at such courses or meetings as may be deemed pertinent and may authorize the expenditure of registration or tuition fees and reimbursement for subsistence and travel for such purpose; and

BE IT FURTHER RESOLVED, That members of the Legislature be reimbursed for expenses incurred in attending such conferences, meetings, and continuing education courses at the rate prescribed by RCW 44.04.120, plus mileage to and from the conferences, meetings, and courses at the rate established by law, except that if travel was by means of common carrier then only actual fare may be claimed, said reimbursements to be paid on their vouchers from any appropriation made to the House of Representatives for legislative expenses; and

BE IT FURTHER RESOLVED, That employees of the Legislature be reimbursed for expenses incurred in attending such conferences, meetings, and continuing education courses at the rate prescribed by RCW 43.03.050, plus mileage to and from the conferences, meetings, and courses at the rate established by law, except that if travel was by means of common carrier then only actual fare may be claimed, said reimbursements to be paid on their vouchers out of funds appropriated for legislative expenses; and

BE IT FURTHER RESOLVED, That the Chief Clerk is hereby authorized and directed, during the interim, and as authorized by the Speaker and the Employment Committee, to hire any necessary employees, to order necessary supplies, equipment, and printing to enable the House to carry out its work promptly and efficiently, and to accept committee reports, committee bills, prefilled bills, memorials, and resolutions as directed by the Rules of the House and by Joint Rules of the Legislature; and

BE IT FURTHER RESOLVED, That after the adjournment of the 1981 Session of the Forty-Seventh Legislature the use of the House Chamber, any of its committee rooms, members' offices, or any of the furniture or furnishings therein, shall not be granted to anyone without the permission of the Speaker and the Chief Clerk of the House of Representatives; and

BE IT FURTHER RESOLVED, That the Chief Clerk is authorized to make out the necessary vouchers upon which warrants for the foregoing expenses and expenditures shall be drawn.

Mr. Nelson (G) moved adoption of the resolution and spoke in favor of it.

POINT OF INQUIRY

Mr. Nelson (G) yielded to question by Ms. Rinehart.

Ms. Rinehart: "Representative Nelson, on page 2, the second paragraph of the second resolve, when it speaks of attaining such additional employees as may be necessary to continue the interim work of the legislature, is there any implied assumption there of whether or not that's partisan or nonpartisan staff?"

Mr. Nelson (G): "Representative Rinehart, the Joint Employment Committee does take part in establishing the number of people that will be required for the involvement during the interim."

Ms. Rinehart: "On the fourth resolve then, it says, 'Be it further resolved, that neither the Speaker nor the Chief Clerk shall approve or sign any personal service contract without the express approval of the Executive Rules Committee.' By what vote is that personal service contract approved?"

Mr. Nelson (G): "All committee of the legislature require a majority vote."

Ms. Rinehart: "A majority of the members or a majority of those present?"

Mr. Nelson (G): "A majority of the members."

Ms. Rinehart: "On page 3, 'Now therefore, be it resolved, that the Speaker may authorize the attendance of members and staff members at such courses or meetings as may be deemed pertinent...' Is there an assumed criteria for that decision?"

Mr. Nelson (G): "Yes."

Ms. Rinehart: "What is the criteria?"

Mr. Nelson (G): "The staff that we have go to seminars that may be local or someplace else, and it may be on behalf of work that is going to be done in the legislature. They are hired for those particular jobs and then, in fact, the Executive Rules Committee will review any such expenditure that is needed to have them attend any seminars or conventions or something in that order. The criteria is that they have a job description and they have to have the talents and skills and disciplines to fulfill that job description."

Ms. Rinehart: "On page 4, the middle section, which says, '...to hire any necessary employees, to order necessary supplies, equipment....' Again, what is the criteria for those decisions?"

Mr. Nelson (G): "The Chief Clerk in this case, in conjunction with the Employment Committee, establishes those criteria."

Ms. Rinehart: "The Chief Clerk and the Joint Employment Committee?"

Mr. Nelson (G): "Yes, the Joint Employment Committee gives direction to the Chief Clerk that it has overseen the ability of the Speaker."

Ms. Rinehart: "But the first decision comes from the Joint Employment Committee?"

Mr. Nelson (G): "Yes."

House Resolution No. 81–82 was adopted.

HOUSE RESOLUTION NO. 81–82, by Representative Nelson (G):

BE IT RESOLVED, That a committee of three members be appointed by the Speaker to notify the Senate that the House is ready to adjourn sine die.

On motion of Mr. Nelson (G), the resolution was adopted.
APPOINTMENT OF SPECIAL COMMITTEE

In compliance with the terms of House Resolution No. 81-82, the Speaker appointed Representatives Vander Stoep, Struthers and Becker to notify the Senate that the House was about to adjourn sine die.

MESSAGE FROM THE SENATE
April 28, 1981

Mr. Speaker:
The Senate has passed:
ENGROSSED SUBSTITUTE SENATE BILL NO. 3972,
and the same is herewith transmitted.

Sidney R. Snyder, Secretary

MOTION

On motion of Mr. Nelson (G), the House reverted to the fourth order of business.

INTRODUCTION AND FIRST READING
ENGROSSED SUBSTITUTE SENATE BILL NO. 3972, by Committee on Energy and Utilities (originally sponsored by Senators Williams, Gould, McDermott, Ridder, Bottiger, Lysen, Talmadge, Moore, Charnley and Hurley):
Providing for a study on the feasibility of completing nuclear power plants.

MOTIONS

On motion of Mr. Nelson (G), the rules were suspended, and Engrossed Substitute Senate Bill No. 3972 was advanced to second reading and read the second time in full.

On motion of Mr. Hastings, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Barnes, Nelson (D), King (R) and Cantu spoke in favor of passage of the bill, and Mr. Isaacson spoke against it.

POINT OF INQUIRY

Mr. Nelson (D) yielded to question by Ms. Hine.
Ms. Hine: "Representative Nelson, does the definition of cost-effectiveness in this bill coincide with the one that we have in the Regional Power Act?"

Mr. Nelson (D): "Yes, Representative Hine, in my opinion, the Regional Power Act, Public Law 96-501, does provide the definition of cost-effective that fits that term as it is used in Substitute House Bill 339. Under that definition, cost-effective means that an energy resource or measure is forecast to be either reliable and available within the time it is needed and to meet or reduce the electrical power demands at an estimated incremental cost no greater than that of the least costly, similarly reliable and available alternative measure of resource. That definition is in that federal act and I believe it fits very well as the definition of the term in this bill."

Ms. Hine spoke in favor of passage of the bill.

POINT OF INQUIRY

Mr. Barnes yielded to question by Mr. Scott.

Mr. Scott: "Representative Barnes, how is the cost-effectiveness supposed to be determined?"

Mr. Barnes: "The question and answer which occurred between Representative Hine and Representative Nelson is all correct. She had asked if the definition of cost-effectiveness was the same as that in the Northwest Regional Power Bill—the federal bill—and I believe Representative Nelson that he assumed it to be the same. It is in words practically the same, but the federal law involves some requirements of judgment by BPA and the administrator of the Northwest Power Bill. I think we can assume the definition, should there be any conflict, will be resolved by the legislative committee and the steering committee and the director of the study."

Mr. Scott demanded the previous question, and the demand was sustained.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute Senate Bill No. 3972, and the bill passed the House by the following vote: Yeas, 80; nays, 18; not voting, 0.

As used in this chapter and unless the context indicates otherwise, words and phrases shall mean:

'District' means a public utility district as created under the laws of the state of Washington authorized to engage in the business of generating and/or distributing electricity.

'City' means any city or town in the state of Washington authorized to engage in the business of generating and/or distributing electricity.

For the purposes provided for in this chapter, an operating agency shall have power to issue revenue bonds or warrants payable from the revenues of the utility properties operated by it. Such cost may include funds for working capital, for payment of expenses incurred in the acquisition or construction of the utility and for the repayment of advances made to the operating agency by any public utility district or city. Except as otherwise provided in RCW 43.52.343, all the provisions of law as now or hereafter in effect relating to revenue bonds or warrants of public utility districts shall apply to revenue bonds or warrants issued by the joint operating agency including, without limitation, provisions relating to: The creation of special funds and the pledging of revenues thereon; the time and place of payment of such bonds or warrants and the interest rate or rates thereon; the covenants that may be contained therein and the effect thereof; the execution, issuance, sale, funding, or refunding, redemption and registration of such bonds or warrants; and the status thereof as negotiable instruments, as legal securities for deposits of public moneys and as legal investments for trustees and other fiduciaries and for savings and loan associations, banks and insurance companies doing business in this state. However, for revenue bonds or warrants issued by an operating agency, the provisions under RCW 54.24.030 relating to additional or alternate methods for payment may be made a part of the contract with the holders of any revenue bonds or warrants of an operating agency. The board may authorize the managing director or the treasurer of the operating agency to sell revenue bonds or warrants maturing one year or less from the date of issuance, and to fix the interest rate or rates on such revenue bonds or warrants with such restrictions as the board shall prescribe.

Sec. 3. Section 43.52.343, chapter 8, Laws of 1965 and RCW 43.52.343 are each amended to read as follows:

All bonds issued by an operating agency shall be sold and delivered in such manner, at such rate or rates of interest and for such price or prices and at such time or times as the board shall deem in the best interests of the operating agency, whether by negotiation or to the highest and best bidder after such advertising for bids as the board of the operating agency may deem proper: PROVIDED, That the board may reject any and all bids so submitted and thereafter sell such bonds so advertised under such terms and conditions as it may deem most advantageous to its own interests.

NEW SECTION. Sec. 4. There is added to chapter 43.52 RCW a new section to read as follows:

Any municipal corporation, cooperative or mutual which has entered into a contract with an operating agency to participate in the construction or acquisition of an energy plant as defined in chapter 80.50 RCW shall annually adopt a plan for the repayment of its contractual share of any operating agency obligation which matures prior to the planned operation of the plant. The manner of adoption of the plan shall be subject to the laws regarding approval of rates of the municipal corporation, cooperative or mutual.

The plan shall include the effect of the means of repayment on its financial condition, its customers' rates, its other contractual rights and obligations, and any other matter deemed useful by the participant.

Each such participating municipal corporation, cooperative or mutual shall include a statement of the extent of its contractual obligation to any operating agency in an annual financial report.

NEW SECTION. Sec. 5. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately.

I congratulate you for, not only balancing the budget, but dealing responsibly with the real necessities of the people of this state. The state will be better served in the years to come with the hard work you have done here over the last hundred-plus days. Finally, I thank you. GOVERNOR'S MESSAGES ON HOUSE BILLS VETOED AND PARTIALLY VETOED

1981 Regular and First Special Session

For Veto Message on SUBSTITUTE HOUSE BILL NO. 49, see page 998.

May 8, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to three sections, HOUSE BILL NO. 137, entitled:

AN ACT Relating to usury.

Sections 4, 5 and 6 of this bill duplicate the substance of three sections contained in House Bill No. 160, but use slightly different wording. I have determined to veto these sections in order to avoid difficulties in codification and future interpretation of these sections.

With the exception of sections 4, 5 and 6, which I have vetoed, House Bill No. 137 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 18, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to three sections, SUBSTITUTE HOUSE BILL NO. 138, entitled:

AN ACT Relating to public retirement.

Current statutes provide for members of the Teachers' Retirement System and the Public Employees' Retirement Systems to establish credit for service previously rendered within five years of reentering service. This is an inopportune time to extend the credit buy-back beyond the current five-year provision. It would result in an unwarranted and substantial increase in retirement costs to the state over the next 25 years at a time when we are encountering extreme difficulty in funding basic programs.

For the foregoing reasons, I have vetoed sections 10, 11 and 15 of Substitute House Bill No. 138. The remainder of the bill is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 19, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to seven sections, SUBSTITUTE HOUSE BILL NO. 144, entitled:

AN ACT Relating to insurance.

This bill contains three bills in their entirety which I have already signed:

Sections 7, 11 and 12 — SB 3383
Section 8 — SB 3250
Sections 23 and 24 — SB 3834

I have vetoed the duplicative sections in order to avoid codification problems and difficulties for future users of the affected sections of the Revised Code of Washington.
Section 25 of this bill would prohibit an agent from replacing an existing life insurance policy, excepting a policy issued by his own company, during the first two years that the agent is licensed. This provision would be strongly anti-competitive, exacerbating the already very difficult problems that face new agents. While I appreciate the problem being addressed, this is not the remedy.

I feel that the Insurance Commissioner has mechanisms in place (replacement disclosure forms and the law prohibiting "twisting") which, if enforced, can prevent policy replacements detrimental to the insured parties.

With the exception of the aforementioned sections, I have approved Substitute House Bill No. 144.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 8, 1981

I am returning herewith without my approval as to one section, HOUSE BILL NO. 160, entitled:
AN ACT Relating to retail installment sales.

Section 6 of this bill duplicates the substance of a section contained in House Bill No. 137, but uses slightly different wording. I have determined to veto this section in order to avoid difficulties in codification and future interpretation of the section.

With the exception of Section 6, which I have vetoed, House Bill No. 160 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

April 23, 1981

I am returning herewith without my approval as to lines 22 through 28, Section 123, SECOND SUBSTITUTE HOUSE BILL NO. 235, entitled:
AN ACT Relating to corrections.

The above-referenced paragraph of Section 123 frustrates the directive of the bill — to create a separate, well-managed Department of Corrections. Inherent in the legislation is the assumption that several improvements in management may be required. I have, therefore, vetoed lines 22 through 28 in Section 123.
With the exception of lines 22 through 28 of Section 123, which I have vetoed, the remainder of Second Substitute House Bill No. 235 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.
May 14, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:
I am returning herewith without my approval as to one section, HOUSE BILL NO. 254, entitled:
AN ACT Relating to casualty insurance.

Section 2 of this bill would require that auto insurance policies providing comprehensive or collision coverage would also have to provide liability coverage.

Since this bill passed the legislature, information has come to light that calls into question the potential effectiveness of this bill in preventing driving by underinsured motorists and also raises the question of unintended economic impacts on both the auto industry and financial institutions. I feel that the most prudent course of action at this time would be to veto Section 2, so that the legislature can more thoroughly study this issue.

With the exception of Section 2, which I have vetoed, the remainder of House Bill No. 254 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.
May 18, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:
I am returning herewith without my approval as to Sections 2(15), 3(4) and 3(7), and 11, SUBSTITUTE HOUSE BILL NO. 320, entitled:
AN ACT Relating to land use.

The first three provisions conflict with similar provisions in Substitute House Bill No. 323, which I have signed today.

Section 11 would limit court review to final plats. The more timely stage for review—the preliminary plat stage—has been eliminated by Section 11. To preserve this option I have vetoed Section 11.

With the exception of Sections 2(15), 3(4), 3(7) and 11, Substitute House Bill No. 320 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.
April 30, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:
I am returning herewith without my approval as to the proviso in Section 7, SUBSTITUTE HOUSE BILL NO. 335, entitled:
AN ACT Relating to community college districts.

Section 7 of this bill delineates certain requirements of the State Board of Community College Education. A proviso, however, added to this section, restricts the use of instructional funds at Everett and Edmonds Community College. This proviso is inconsistent with the intent of the 1981–83 appropriations act. In addition, the provision, which does not apply to other community colleges, is unnecessarily restrictive on the effective management of the first new community college district since the creation of the community college system.

Consequently, I have vetoed the proviso beginning after the colon on line 12 down through and including the word "positions" on line 14.
With the exception of the proviso in Section 7, which I have vetoed, the remainder of Substitute House Bill No. 335 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:
I am returning herewith without my approval, HOUSE BILL NO. 371, entitled:
AN ACT Relating to shoreline management policy as applied to forest practices.

The state's Forest Practices Act was enacted in 1974. That act recognized the power of local governments to regulate forest practices in shoreline areas under the authority of the Shoreline Management Act of 1971. Then, in 1975, by amendments to the Forest Practices Act, the power of local governments to regulate forest practices in shoreline areas was eliminated, and their power to control logging road construction was significantly reduced. Thereafter, however, the State Supreme Court invalidated the 1975 amendments because the form of their enactment was unconstitutional. House Bill No. 371 is a reenactment of the substance of the amendments.

I have evaluated the relationship of local governments and the Forest Practices Board to the control of forest practices in shoreline areas under both the 1974 act and the 1975 amendatory version. I have concluded that the 1974 version strikes the better balance in terms of both the allocation of governmental powers between the Forest Practices Board and local governments, and the achievement of the objectives of the Shoreline Management Act. I have, therefore, vetoed House Bill No. 371.

Respectfully submitted,
JOHN SPELLMAN, Governor.

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:
I am returning herewith without my approval as to part, SUBSTITUTE HOUSE BILL NO. 397, entitled:
AN ACT Relating to property.

This is a comprehensive and laudable effort to define the relationship between landlords and mobile home tenants. There are two topics, however, that cause me some concern.

Section 3 and Sections 6 through 16 establish new and significantly different procedures for declaring mobile homes abandoned and for disposing of them. While we may need new abandonment procedures, I feel these provisions need more study; existing law is sufficient in the meantime.

Sections 23 through 31 would require the Department of Licensing to impose and collect an annual excise tax on certain travel trailers and/or campers. This includes the collection of back taxes even if a vehicle has not been in use on the highways of the state and ownership has changed. This imposes an unfair obligation on the purchaser of such vehicle in that he/she might not be aware of such obligation until after the change in ownership has taken place. Further, the manpower required to enforce these changes exceeds the revenue gained from enforcement.

With the exception of Sections 3, 6 through 16, and 23 through 31, House Bill No. 397 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

For Veto Message on SUBSTITUTE HOUSE BILL NO. 467, see page 1434.
To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Section 2 and Section 4, HOUSE BILL NO. 493, entitled:

AN ACT Relating to real property and deeds of trust.

Section 2 restates verbatim the current statute (RCW 62.24.020) and is therefore superfluous.

Section 4 strikes the following sentence from law: "The trustee may not bid at the trustee's sale." Striking this sentence is inconsistent with keeping RCW 62.24.010. I have therefore vetoed Section 4.

With the exception of Sections 2 and 4, which I have vetoed, the remainder of House Bill No. 493 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

May 14, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval, HOUSE BILL NO. 537, entitled:

AN ACT Relating to occupational drivers licenses.

The Implied Consent Law, passed by the voters of this state in 1969, provides that a person's privilege to drive is conditioned on a promise to take a breathalyzer test when suspected of driving under the influence of alcohol. Failure to take the test results in a six-month loss of license.

House Bill No. 537 would undermine the Implied Consent Law. It would permit persons who refuse the breathalyzer and who subsequently are found guilty of DWI to apply for an occupational driver's license. Ironically, those who were acquitted of the charges could not apply for the occupational permit.

If we are to have an Implied Consent Law—and I believe we should—we must enforce it. There must be a clear consequence to refusing the breathalyzer or the Implied Consent Law will be intolerably weakened.

I have, therefore, vetoed House Bill No. 537.

Respectfully submitted,
JOHN SPELLMAN, Governor.

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:

I am returning herewith without my approval as to Section 1 (1), and Section 3, SECOND SUBSTITUTE HOUSE BILL NO. 628, entitled:

AN ACT Relating to residential schools.

This bill would establish a special procedure for deinstitutionalizing mentally retarded residents of the state residential schools for the next two years.

I am very sensitive to the concerns of the parents who advocated the passage of this bill. The changes that have come about in recent years in the treatment of the mentally retarded have been controversial and often upsetting to those most closely involved, both lay and professional.

I am not convinced, however, that the procedure for decision-making and appeal outlined in Section 1(1) is going to solve the problem—and it may raise other problems. I am willing, though, to ask for a "trial run." I have therefore directed Alan J. Gibbs, Secretary of the Department of Social and Health Services, to freeze disputed placements for a period of six
months. I have also directed him to examine placement practices during this period and report to me prior to the next legislative session.

For the reasons outlined above, I have vetoed Section 1(1) and Section 3. The remainder of Second Substitute House Bill No. 628 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:
I am returning herewith without my approval as to Section 1, SUBSTITUTE HOUSE BILL NO. 650, entitled:

AN ACT Relating to school districts.

Section 1 of the bill removes the phrase "necessary or proper to carry out the functions of a school district." As a result, school districts could not use funds to finance any school facility for which there is no specific authority in law. Surprisingly, without this phrase there is no other law that gives school districts definite authority to acquire and construct the broad range of facilities required to carry out many essential school district functions. Without the authority of the "necessary and proper" phrase, school districts may not be able to finance construction of school buildings through the issuance of bonds.

With the exception of Section 1, which I have vetoed, the remainder of Substitute House Bill No. 650 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:
I am returning herewith without my approval as to one section, HOUSE BILL NO. 681, entitled:

AN ACT Relating to medical devices and equipment.

I am vetoing Section 2 in order to allow the normal rules of statutory construction to apply.

With the exception of Section 2, which I have vetoed, the remainder of House Bill No. 681 is approved.

Respectfully submitted,
JOHN SPELLMAN, Governor.
May 14, 1981

To the Honorable,
The House of Representatives
of the State of Washington
Ladies and Gentlemen:
I am returning herewith without my approval, HOUSE BILL NO. 697, entitled:

AN ACT Relating to petitioning local government officials.

This bill would eliminate, for all practical purposes, the "appearance of fairness doctrine" with respect to deliberations of local legislative bodies. This doctrine has served a useful purpose in this state and has helped establish public confidence in the actions of local officials. While some modifications of the doctrine may be needed, elimination of such a basic concept as appearance of fairness is not in the public interest. I have, therefore, vetoed House Bill No. 697.

Respectfully submitted,
JOHN SPELLMAN, Governor.
To the Honorable, 
The House of Representatives 
of the State of Washington 
Ladies and Gentlemen:

I am returning herewith without my approval, HOUSE BILL NO. 705, entitled:

AN ACT Relating to local government.

House Bill No. 705 would prohibit code cities from owning, operating or controlling cable television systems under certain circumstances. In my view, this would unwisely hamper the ability of local governments to ensure quality cable service to their communities. For that reason, I have vetoed House Bill No. 705.

Respectfully submitted,

JOHN SPELLMAN, Governor.
