NEW SECTION. Sec. 5. INTERLOCAL COOPERATION—CONSISTENCY AND ASSISTANCE. Local governments are authorized and encouraged to enter into interlocal agreements to jointly develop and adopt with other local governments the transportation programs authorized by this chapter for the purpose of accomplishing regional transportation planning and development. Local governments shall also seek, to the greatest degree practicable, consistency among jurisdictions in the terms and conditions of their programs for the purpose of increasing fairness and predictability on a regional basis. Local governments shall seek comment, in the development of their programs, from other affected local governments, state agencies, and governments authorized to perform public transportation functions. Local governments are also encouraged to enter into interlocal agreements to provide technical assistance to each other, in return for reasonable reimbursement, for the purpose of developing and implementing such transportation programs.

Sec. 6. Section 82.02.020, chapter 15, Laws of 1961 as last amended by section 17, chapter 327, Laws of 1987 and RCW 82.02.020 are each amended to read as follows:

Except only as expressly provided in RCW 67.28.180 and 67.28.190 and the provisions of chapter 82.14 RCW, the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, pari-mutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature. No county, city, town, or other municipal corporation shall impose any tax, fee, or charge, either direct or indirect, on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or on any other building or building space or appurtenance thereto, or on the development, subdivision, classification, or reclassification of land. However, this section does not preclude dedications of land or easements pursuant to RCW 58.17.110 within the proposed development or plat which the county, city, town, or other municipal corporation can demonstrate are reasonably necessary as a direct result of the proposed development or plat to which the dedication of land or easement is to apply.

This section does not prohibit voluntary agreements with counties, cities, towns, or other municipal corporations that allow a payment in lieu of a dedication of land or to mitigate a direct impact that has been identified as a consequence of a proposed development, subdivision, or plat; PROVIDED that). A local government shall not use such voluntary agreements for local off-site transportation improvements within the geographic boundaries of the area or
areas covered by an adopted transportation program authorized by chapter 39 — RCW (sections 1 through 5 of this act). Any such voluntary agreement (shall be) is subject to the following provisions:

1. The payment shall be held in a reserve account and may only be expended to fund a capital improvement agreed upon by the parties to mitigate the identified, direct impact;

2. The payment shall be expended in all cases within five years of collection; and

3. Any payment not so expended shall be refunded with interest at the rate applied to judgments to the property owners of record at the time of the refund; however, if the payment is not expended within five years due to delay attributable to the developer, the payment shall be refunded without interest.

No county, city, town, or other municipal corporation shall require any payment as part of such a voluntary agreement which the county, city, town, or other municipal corporation cannot establish is reasonably necessary as a direct result of the proposed development or plat.

Nothing in this section prohibits cities, towns, counties, or other municipal corporations from collecting reasonable fees from an applicant for a permit or other governmental approval to cover the cost to the city, town, county, or other municipal corporation of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW.

This section does not limit the existing authority of any county, city, town, or other municipal corporation to impose special assessments on property specifically benefitted thereby in the manner prescribed by law.

Nothing in this section prohibits counties, cities, or towns from imposing or permits counties, cities, or towns to impose water, sewer, natural gas, drainage utility, and drainage system charges: PROVIDED, That no such charge shall exceed the proportionate share of such utility or system's capital costs which the county, city, or town can demonstrate are attributable to the property being charged: PROVIDED FURTHER, That these provisions shall not be interpreted to expand or contract any existing authority of counties, cities, or towns to impose such charges.

Nothing in this section prohibits a transportation benefit district from imposing fees or charges authorized in RCW 36.73.120 nor prohibits the legislative authority of a county, city, or town from approving the imposition of such fees within a transportation benefit district.

Nothing in this section prohibits counties, cities, or towns from imposing transportation improvements or charges authorized pursuant to chapter 39 — RCW (sections 1 through 5 of this act).

This section does not apply to special purpose districts formed and acting pursuant to Titles 54, 56, 57, or 87 RCW, nor is the authority conferred by these titles affected.

Sec. 7. Section 12, chapter 327, Laws of 1997 and RCW 36.73.120 are each amended to read as follows:

1. A transportation benefit district may impose a fee or charge (either direct or indirect) on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or on any other building or building space or appurtenance thereto, or on the development, subdivision, classification, or reclassification of land only if done in accordance with chapter 39 — RCW (sections 1 through 5 of this act).

2. Any fee or charge imposed under this section shall be used exclusively for transportation improvements constructed by a transportation benefit district. The fees or charges so imposed must be reasonably necessary as a result of the impact of (collective) development, construction, or classification or reclassification of land on identified transportation needs.

3. When fees or charges are imposed by a district within which there is more than one city or both incorporated and unincorporated areas, the legislative authority for each city in the district and the county legislative authority for the unincorporated area must approve the imposition of such fees or charges before they take effect.

NEW SECTION. Sec. 8. WAIVERS OF PROTEST — RECORDING — LIMITS ON ENFORCEABILITY. If an owner of property enters into an agreement with a city or town waiving the property owner's right under RCW 35.43.180 to protest formation of a local improvement district, the agreement must specify the improvements to be financed by the district and shall set forth the effective term of the agreement, which shall not exceed ten years. The agreement must be recorded with the auditor of the county in which the property is located. It is against public policy and void for an owner, by agreement, as a condition imposed in connection with proposed property development, or otherwise, to waive rights to object to the property owner's individual assessment (including the determination of special benefits allocable to the property), or to appeal to the superior court the decision of the city or town council affirming the final assessment roll.

NEW SECTION. Sec. 9. PREFORMATION EXPENDITURES. The city or town engineer or other designated official may contract with owners of real property to provide for payment by the owners of the cost of the preparation of engineering plans, surveys, studies, appraisals, legal services, and other expenses associated with improvements to be financed in whole or in part by a local improvement district (not including the cost of actual construction of such improvements), that the owners elect to undertake. The contract may provide for reimbursement to the owner of such costs from the proceeds of bonds issued by the district after formation of a district under this chapter, from assessments paid to the district as appropriate, or by a credit in the
amount of such costs against future assessments assessed against such property under the district. Such reimbursement shall be made to the owner of the property at the time of reimbursement. The contract shall also provide that such costs shall not be reimbursed to the owner if a district to construct the specified improvements (as the project may be amended) is not formed within six years of the date of the contract. The contract shall provide that any preformation work shall be conducted only under the direction of the city or town engineer or other appropriate city or town authority.

NEW SECTION. Sec. 10. CREDITS FOR OTHER ASSESSMENTS. A city or town ordering a local improvement upon which special assessments on property specifically benefited by the improvement are levied and collected, may provide as part of the ordinance creating the local improvement district that moneys paid or the cost of facilities constructed by a property owner in the district in satisfaction of obligations under chapter 39, RCW (sections 1 through 5 of this act), shall be credited against assessments due from the owner of such property at the time the credit is made, if those moneys paid or facilities constructed directly defray the cost of the specified improvements under the district and if credit for such amounts is reflected in the final assessment roll confirmed for the district.

NEW SECTION. Sec. 11. ASSESSMENT REIMBURSEMENT ACCOUNTS. A city or town ordering a local improvement upon which special assessments on property specifically benefited by the improvement are levied and collected, may provide as part of the ordinance creating the local improvement district that the payment of an assessment levied for the district on underdeveloped properties may be made by owners of other properties within the district, if they so elect, subject to terms of reimbursement set forth in the ordinance. The terms for reimbursement shall require the owners of underdeveloped properties on whose behalf payments of assessments have been made to reimburse all such assessment payments to the party who made them when those properties are developed or redeveloped, together with interest at a rate specified in the ordinance. The ordinance may provide that reimbursement shall be made on a one-time, lump sum basis, or may provide that reimbursement shall be made over a period not to exceed five years. The ordinance may provide that reimbursement shall be made no later than the time of dissolution of the district, or may provide that no reimbursement is due if the underdeveloped properties are not developed or redeveloped before the dissolution of the district. Reimbursement amounts due from underdeveloped properties under this section are liens upon the underdeveloped properties in the same manner and with like effect as assessments made under this chapter. For the purposes of this section, 'underdeveloped properties' may include those properties that, in the discretion of the legislative body of the city or town, (1) are undeveloped or are not developed to their highest and best use, and (2) are likely to be developed or redeveloped before the dissolution of the district.

NEW SECTION. Sec. 12. WAIVERS OF PROTEST—RECORDING—LIMITS ON ENFORCEABILITY. If an owner of property enters into an agreement with a county waiving the property owner's right under RCW 36.88.030, 36.88.040, 36.88.050, 36.88.060, and 36.88.065 to protest formation of a road improvement district, the agreement must specify the improvements to be financed by the district and shall set forth the effective term of the agreement, which shall not exceed ten years. The agreement must be recorded with the auditor of the county in which the property is located. It is against public policy and void for an owner, by agreement, as a condition imposed in connection with proposed property development, or otherwise, to waive rights to object to the property owner's individual assessment (including the determination of special benefits allocable to the property), or to appeal to the superior court the decision of the county council affirming the final assessment roll.

NEW SECTION. Sec. 13. PREFORMATION EXPENDITURES. The county engineer or other designated official may contract with owners of real property to provide for payment by the owners of the cost of the preparation of engineering plans, surveys, studies, appraisals, legal services, and other expenses associated with improvements to be financed in whole or in part by a local improvement district (not including the cost of actual construction of such improvements), that the owners elect to undertake. The contract may provide for reimbursement to the owner of such costs from the proceeds of bonds issued by the district after formation of a district under this chapter, from assessments paid to the district as appropriate, or by a credit in the amount of such costs against future assessments assessed against such property. Such reimbursement shall be made to the owner of the property at the time of reimbursement. The contract shall also provide that such costs shall not be reimbursed to the owner if a district to construct the specified improvements (as the project may be amended) is not formed within six years of the date of the contract. The contract shall provide that any preformation work shall be conducted only under the direction of the county engineer or other appropriate county authority.

NEW SECTION. Sec. 14. CREDITS FOR OTHER ASSESSMENTS. A county ordering a road improvement upon which special assessments on property specifically benefited by the improvements are levied and collected, may provide as part of the ordinance creating the road improvement district that moneys paid or the cost of facilities constructed by a property owner in the district in satisfaction of obligations under chapter 39, RCW (sections 1 through 5 of this act), shall be credited against assessments due from the owner of such property at the
time the credit is made. If those moneys paid or facilities constructed directly defray the cost of the specified improvements under the district and if credit for such amounts is reflected in the final assessment roll confirmed for the district.

NEW SECTION. Sec. 15. ASSESSMENT REIMBURSEMENT ACCOUNTS. A county ordering a road improvement upon which special assessments on property specifically benefited by the improvement are levied and collected, may provide as part of the ordinance creating the road improvement district that the payment of an assessment levied for the district on underdeveloped properties may be made by owners of other properties within the district if they so elect, subject to terms of reimbursement set forth in the ordinance. The terms for reimbursement shall require the owners of underdeveloped properties on whose behalf payments of assessments have been made to reimburse all such assessment payments to the party who made them when those properties are developed or redeveloped, together with interest at a rate specified in the ordinance. The ordinance may provide that reimbursement shall be made on a one-time, lump sum basis, or may provide that reimbursement shall be made over a period not to exceed five years. The ordinance may provide that reimbursement shall be made no later than the time of dissolution of the district, or may provide that no reimbursement is due if the underdeveloped properties are not developed or redeveloped before the dissolution of the district. Reimbursement amounts due from underdeveloped properties under this section are liens upon the underdeveloped properties in the same manner and with like effect as assessments made under this chapter. For the purposes of this section, 'underdeveloped properties' may include those properties that, in the discretion of the county legislative authority, (1) are undeveloped or are not developed to their highest and best use, and (2) are likely to be developed or redeveloped before the dissolution of the district.

Sec. 16. Section 4, chapter 126, Laws of 1983 and RCW 35.72.040 are each amended to read as follows:

The procedures for assessment reimbursement contracts shall be governed by the following:

(1) An assessment reimbursement area shall be formulated by the city, town, or county based upon a determination by the city, town, or county of which parcels adjacent to the improvements would require similar street improvements upon development.

(2) The preliminary determination of area boundaries and assessments, along with a description of the property owners' rights and options, shall be forwarded by certified mail to the property owners of record within the proposed assessment area. If any property owner requests a hearing in writing within twenty days of the mailing of the preliminary determination, a hearing shall be held before the legislative body, notice of which shall be given to all affected property owners. The legislative body's ruling is determinative and final.

(3) The contract must be recorded in the appropriate county auditor's office within thirty days of the final execution of the agreement.

(4) If the contract is so filed, it shall be binding on owners of record within the assessment area who are not party to the contract.

NEW SECTION. Sec. 17. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected. This act is intended to be prospective, not retroactive, in its application.

NEW SECTION. Sec. 18. Section captions used in this act do not constitute any part of the law.

NEW SECTION. Sec. 19. Sections 1 through 5 of this act constitute a new chapter in Title 39 RCW entitled 'Local Transportation Act.' Sections 8 through 11 of this act are added to chapter 35.43 RCW. Sections 12 through 15 of this act are added to chapter 36.88 RCW.

In line 1 of the title, after "Improvements," strike the remainder of the title and insert "amending RCW 82.02.020, 36.73.120, and 35.72.040; adding new sections to chapter 35.43 RCW: adding new sections to chapter 36.88 RCW; adding a new chapter to Title 39 RCW; and creating a new section."

and the same is herewith transmitted.

APPOINTMENT OF CONFEREES

The Speaker appointed Representatives Walk, Hine and Schmidt as conferees on Engrossed Substitute House Bill No. 1817.
SENATE AMENDMENTS TO HOUSE BILL

March 4, 1988

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1420 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that, due to statutory and constitutional limitations, the interdependence of the regular property tax levies of the state, counties, county road districts, cities, and towns, and junior taxing districts can cause significant reductions in the otherwise authorized levies of those taxing districts. The purpose of this act is to avoid unnecessary reductions in regular property tax revenue without exceeding existing statutory and constitutional limitations on cumulative regular property tax levy rates. The legislature declares that it is a purpose of the state, counties, county road districts, cities and towns, public hospital districts, library districts, fire protection districts, metropolitan park districts, and other taxing districts, to participate in the methods provided in this act by which revenue levels supporting the services provided by all taxing districts might be maintained.

Sec. 2. Section 1, chapter 107, Laws of 1986 and RCW 39.67.010 are each amended to read as follows:

Any agreement or contract between two taxing districts other than the state which is otherwise authorized by law may be made contingent upon a particular property tax levy rate of an identified taxing district other than the state where such rate affects the regular property tax rate of one of the parties to the contract and therefore affects the party's resources with which to perform under the contract: PROVIDED, That whenever a junior taxing district becomes a party to such an agreement, and that agreement affects another junior taxing district, each affected junior taxing district shall be a party to such a contract.

((This section shall expire December 31, 1988;))

Sec. 3. Section 2, chapter 107, Laws of 1986 and RCW 39.67.020 are each amended to read as follows:

Any taxing district other than the state may transfer funds to another taxing district other than the state where the regular property tax levy rate of the second district may affect the regular property tax levy rate of the first district and where such transfer is part of an agreement whereby proration or reduction of property taxes is lessered or avoided: PROVIDED, That whenever a junior taxing district becomes a party to such an agreement, and that agreement affects another junior taxing district, each affected junior taxing district shall be a party to such an agreement.

((This section shall expire December 31, 1988;))

Sec. 4. Section 3, chapter 107, Laws of 1986 and RCW 84.55.092 are each amended to read as follows:

The regular property tax (levies) levy for each taxing district other than the state ((for taxes due in 1987 through 1991)) may be set at the amount which would (otherwise) be allowed otherwise under this chapter if the regular property tax levy for the district for taxes due in prior years beginning with 1986 (and-1987) had been set at the full amount allowed under this chapter.

((This section shall expire December 31, 1991;))

Sec. 5. Section 84.52.010, chapter 15, Laws of 1961 as last amended by section 1, chapter 255, Laws of 1987 and RCW 84.52.010 are each amended to read as follows:

Except as is permitted under RCW 84.55.050, all taxes shall be levied or voted in specific amounts.

The rate percent of all taxes for state and county purposes, and purposes of taxing districts coextensive with the county, shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the county, as shown by the completed tax rolls of the county, and the rate percent of all taxes levied for purposes of taxing districts within any county shall be determined, calculated and fixed by the county assessors of the respective counties, within the limitations provided by law, upon the assessed valuation of the property of the taxing districts respectively.

When a county assessor finds that the aggregate rate of tax levy on any property, that is subject to the limitations set forth in RCW 84.52.043 or 84.52.050, as now or hereafter amended, exceeds the limitations provided in either of these sections, the assessor shall recompute and establish a consolidated levy in the following manner:

1. The full certified rates of tax levy for state, county, county road district, and city or town purposes shall be extended on the tax rolls in amounts not exceeding the limitations established by law:(PROVIDED, That in the event of a levy made pursuant to RCW 84.54.230, the rates of levy for county and county road district purposes shall be reduced in such uniform percentages as will result in a consolidated levy by such taxing districts which will be no greater on any property than a consolidated levy by such taxing districts would be if the levy had not been made pursuant to RCW 84.54.230), subject to section 8(1) of this 1988 act and
subsection (2)(e) of this section; however any state levy shall take precedence over all other
levies and shall not be reduced for any purpose other than that required by RCW 84.55.010;
and
(2) The certified rates of tax levy subject to these limitations by all junior taxing districts
imposing taxes on such property shall be reduced or eliminated as follows to bring the consoli-
dated levy of taxes on such property within the provisions of these limitations:
(a) First, the certified property tax levy rates of those junior taxing districts authorized
under RCW 36.68.525, 36.69.145, and 67.38.130 shall be reduced on a pro rata basis or
eliminated;
(b) Second, if the consolidated tax levy rate still exceeds these limitations, the certified
property tax levy rates of flood control zone districts shall be reduced on a pro rata basis or
eliminated;
(c) Third, if the consolidated tax levy rate still exceeds these limitations, the certified prop-
erty tax levy rates of all other junior taxing districts, other than fire protection districts, public
hospital districts, metropolitan park districts, and library districts, shall be reduced on a pro
rata basis or eliminated;
(d) Fourth, if the consolidated tax levy rate still exceeds these limitations, the certified
property tax levy rates authorized to fire protection districts under RCW 52.16.140 and 52.16.160
shall be reduced on a pro rata basis or eliminated; (read)
(e) Fifth, if the consolidated tax levy rate still exceeds these limitations, the certified prop-
erty tax levy rates authorized for cities and towns, fire protection districts under RCW 52.16.130,
public hospital districts, metropolitan park districts, and library districts shall be adjusted as
provided in section 8(2) of this 1988 act; and
(f) Sixth, if the consolidated tax levy rate still exceeds these limitations, the certified prop-
erty tax levy rates authorized to fire protection districts under RCW 52.16.130, and the certified
property tax levy rates tax public hospital districts, metropolitan park districts, and library dis-
tricts, shall be reduced on a pro rata basis or eliminated.
Sec. 6. Section 7, chapter 138, Laws of 1987 and RCW 84.52.100 are each amended to read
as follows:
(1) The governing body of any library district, public hospital district, metropolitan park
district, or fire protection district may provide for the submission of a ballot proposition to the
voters of the taxing district authorizing the taxing district to maintain its otherwise authorized
tax levy rate, and authorizing an increase in the cumulative regular property tax limitation of
nine dollars and fifteen cents per thousand dollars of assessed valuation within the taxing dis-
trict, as provided in this section. A fire protection district may use this authority to increase its
regular property tax levy up to fifty cents per thousand dollars of assessed valuation.
(2) A resolution by a governing body, requesting that a special election be called to sub-
mit such a ballot proposition to the voters, must be transmitted to the county legislative author-
ity of the county, or county legislative authorities of the counties, within which the taxing district
is located, at least forty-five days before the special election date at which the ballot proposi-
tion is submitted. The ballot proposition shall be worded substantially as follows:
"Shall the cumulative limitation on most regular property tax rates be increased by an
amount not exceeding thirty-five cents per thousand dollars of assessed valuation for a five
consecutive year period allowing (insert the name of the taxing district) to maintain its other-
wise statutory authorized property tax rate?"
The ballot proposition for a fire protection district shall be worded substantially as follows:
"Shall the cumulative limitation on most regular property tax rates be increased by an
amount not exceeding thirty-five cents per thousand dollars of assessed valuation for a five
consecutive year period allowing (insert the name of the taxing district) to permit the fire pro-
tection district to impose its property tax at a value up to fifty cents per thousand dollars of
assessed valuation?"
Approval of this ballot proposition by a simple majority vote shall authorize the following
for the succeeding five consecutive year period: (a) Property tax rates of junior taxing districts
are calculated first as if this proposition had not been approved; (b) subject to the one hundred
six percent limitation, the regular property tax rate of the taxing district receiving such author-
ization is increased to a level not exceeding the lesser of: (1) Its maximum statutory authorized
regular property tax rate, or (2) whatever tax rate it otherwise would have been able to
impose plus an additional thirty-five cents per thousand dollars of assessed valuation; and (c)
the cumulative property tax rate limitation is increased within the boundaries of the taxing dis-
trict receiving this authorization to an amount equal to nine dollars and fifteen cents per thou-
sand dollars of assessed valuation plus the increased amount of the regular levy rate of this
taxing district, but not to exceed nine dollars and fifty cents per thousand dollars of assessed
valuation.
(3) If two or more taxing districts that occupy a portion of the same territory receive such
approval, the additional authorized taxing capacity above nine dollars and fifteen cents per
thousand dollars of assessed valuation shall be distributed among these taxing districts by
adjusting their levy rate requests in the same manner and under the same conditions as if they
were the only taxing districts in the area subject to adjustment of their property tax rates and
the levy rate adjustments were being made with the cumulative limitation of nine dollars and fifteen cents per thousand dollars of assessed valuation.

(4) Levies authorized under RCW 84.52.069 are not subject to the rate adjustments and the nine dollar and fifty cent per thousand dollar of assessed valuation cumulative limitation on regular property tax rates established by this section.

NEW SECTION. Sec. 7. A new section is added to chapter 82.14 RCW to read as follows:

There is hereby created in the state treasury an account to be known as the 'municipal buy-down account.' Effective July 1, 1989, one-half of the investment income earned on money in the local sales and use tax account created by RCW 82.14.050 and which has not been distributed according to RCW 82.14.060 shall be placed in this account. Any money in the account on May 1 and on November 1 of each year shall be transferred to the general fund.

NEW SECTION. Sec. 8. A new section is added to chapter 84.52 RCW to read as follows:

(1) If the aggregate levies for the state, a county, and any city or town located within counties of the fifth class and under exceed the aggregate limitations in RCW 84.52.043 or 84.52.050, the municipality's levy shall be reduced in the following manner:

(a) The city's or town's levy rate shall be reduced in the amount necessary that the limitations shall not be exceeded; and

(b) The state treasurer, upon direction of the department of revenue, shall distribute to the city or town from the account created by section 7 of this act, an amount equal to the amount the levy rate is reduced times the assessed value of the city or town. If there are insufficient funds in the account to make the distribution under this subsection (1)(b), the county in which the city or town is located shall pay to the city or town the amount of the insufficiency.

(2) In any county, if, after any reduction in levy rates required by RCW 84.52.010(2)(a) through (d) and any reduction required by subsection (1) of this section, the consolidated tax levy still exceeds the limitations in RCW 84.52.043 or 84.52.050, then the department pursuant to rules shall direct the county assessor to adjust the regular property tax levy rates in the following manner:

(a) First, the assessor determines a first preliminary rate pursuant to RCW 84.52.010(2)(f).

(b) Second, the assessor determines a second preliminary rate which is the additional rate, if any, permitted by RCW 84.52.100.

(i) If the preliminary rates together are sufficient to permit all rates subject to RCW 84.52.010(2)(f) to be levied without reduction, then the assessor shall extend on the tax rolls the full certified rates pursuant to RCW 84.52.010(2)(f) and 84.52.100.

(ii) If the preliminary rates together are not sufficient to permit all rates subject to RCW 84.52.010(2)(f) to be levied without reduction pursuant to both RCW 84.52.010(2)(f) and 84.52.100, the assessor shall reduce the rate of the taxing district subject to RCW 84.52.010(2)(e) with the smallest assessed valuation such that, after first allowing for any additional rate permitted by RCW 84.52.100, there is no reduction of the rates under RCW 84.52.010(2)(f). Where the reduction of the levy of a taxing district is not sufficient, the taxing district with the next smallest assessed valuation shall have its levy reduced under this subsection until there is no reduction of rates under RCW 84.52.010(2)(f). The assessor shall then extend on the tax rolls the rates derived pursuant to this subsection (b)(ii).

(3) The taxing districts whose levies would have been reduced but for subsection (2) of this section shall pay to each district that had its levy so reduced pursuant to subsection (2) of this section a proportionate share of the reduced amount based on the amount by which each district would have had its total levy rate reduced if subsection (2) of this section were not in effect and the rates had been adjusted pursuant to RCW 84.52.010(2)(f) and 84.52.100.

(a) In the case of a public hospital district, library district, fire protection district, or metropolitan park district whose levy is reduced under subsection (2) of this section, the district shall bear a proportionate share as if its rate were sufficient to collect its certified levy.

(b) In the case of a city or town that is annexed by a library district or a fire protection district, which city's or town's levy is reduced under this section, or is in a tax code area where a levy rate is reduced under this section, the city or town shall forgo receipt of, or pay to each district whose levy rate is reduced, ten percent of the amount which would otherwise be paid from each district whose levy rate is reduced as a result of subsection (2) of this section, collectively not to exceed one-half of the following amount: The assessed valuation of the reduced district multiplied by a rate equal to the city's or town's levy rate, calculated based on its certified levy request, plus the rate(s) of the annexing district(s) minus the rate the city or town would have been able to levy were it not annexed, not to exceed twenty-two and one-half cents.

(4) Fifty-five percent of the amount under subsection (1) of this section shall be distributed on or before April 30 of the tax collection year for which the levy is reduced and forty-five percent on or before October 31 of that year.

(5) Fifty-five percent of the amount under subsection (2) of this section shall be distributed on or before May 31 of the tax collection year for which the levy is reduced and forty-five percent on or before November 30 of that year.
NEW SECTION. Sec. 9. The department of revenue shall adopt such rules consistent with this act as shall be necessary or desirable to permit its effective administration. The rules shall provide how section 8(2) of this act shall apply to a taxing district that has received authorization to increase its levy according to RCW 84.52.100 and use the method that will be the least costly to all taxing districts involved.

NEW SECTION. Sec. 10. The sum of fifty thousand dollars is transferred from the general fund to the municipal buy-down account created by section 7 of this act and is appropriated from this account to the state treasurer for the biennium ending June 30, 1989, for the purposes of this act.

NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

SENATE AMENDMENTS TO HOUSE BILL

March 4, 1988

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1594 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1, chapter 1, Laws of 1977 ex. sess. as last amended by section 1, chapter 343, Laws of 1987 and RCW 43.838.300 are each amended to read as follows:

The legislature finds that it is necessary to provide the department of ecology with emergency powers to authorize withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, and construction of facilities in relation thereto, in order to alleviate emergency water supply conditions arising from the drought forecast for the state of Washington during 1977 and during 1987.

The legislature further finds that there is a continuing agricultural water supply shortage in many areas of the state and that, in relation to the lessening of that unsatisfactory condition, there is an urgent need to both improve water supply facilities and replace other such facilities.

The legislature further finds that in addition to water storage facilities or other augmentation programs, improved efficiency of water use could provide an important new supply of water in many parts of the state, and that in order to alleviate unsatisfactory water supply conditions arising from time to time in the state of Washington, and to carry out a comprehensive water use efficiency study for the state of Washington, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of eighteen million dollars, or so much thereof as may be required to finance such projects, and all costs incidental thereto. No bonds authorized by this section and RCW 43.838.360 through 43.838.375 shall be offered for sale without prior legislative appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

NEW SECTION. Sec. 2. A committee shall be charged with the task of carrying out a comprehensive study of water use efficiency in this state. The study, however, shall neither be considered a water conservation study, nor a comprehensive study encompassing the exclusive means of creating a new supply of water which limits or restricts the use of water storage facilities as an option in creating a new supply of water. The committee, in consultation with
other interested agencies, organizations, and the public, shall investigate and evaluate opportunities and means for achieving water use efficiency improvements. The evaluation shall include but not be limited to the following:

1. Review and analysis of water use efficiency initiatives in other states;

3. Identification of existing institutional and economic disincentives to efficient water use;

6. Estimation of potential water savings and public and private costs from implementing alternatives;
7. Identification of a recommended approach for improving water use efficiency in municipal and industrial water supply uses, irrigated agriculture and other major out-of-stream uses, and in-stream uses;
8. Evaluation of the terminology and development of definitions and methods relating to the efficient utilization of water in chapters 90.03, 90.14, 90.22, 90.44, and 90.54 RCW, and such other provisions of existing law as it finds appropriate;
9. Recommendations for a public education program for efficient use of water; and
10. Development of recommendations for any needed changes in laws, rules, policies, procedures, and programs to facilitate improved water use efficiency.

NEW SECTION. Sec. 3. (1) The committee created in section 2 of this act shall consist of the following:

SENATE AMENDMENTS TO HOUSE BILL

March 2, 1988

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1640 with the following amendments:

Strike everything after the enacting clause and insert the following:

*NEW SECTION. Sec. 1. The legislature finds that G. Robert Ross, immediate past president of Western Washington University, was an exemplary university president who helped lead his school to a position of increasing excellence and national prominence. Dr. Ross was a convincing spokesperson for excellence in all areas of education and was a leader who strongly encouraged the faculty and staff at Western Washington University to be actively involved in the pursuit of scholarly activities.

The legislature wishes to honor the public spirit, dedication, integrity, perseverance, inspiration, and accomplishments of Western Washington University faculty through the creation of the G. Robert Ross distinguished Faculty Award.

NEW SECTION. Sec. 2. The G. Robert Ross distinguished faculty award is hereby established. The board of trustees at Western Washington University shall establish the guidelines for the selection of the recipients of the G. Robert Ross distinguished faculty award. The board shall establish a local endowment fund for the deposit of all state funds appropriated for this purpose and any private donations. The board shall administer the endowment fund and the award. The principal of the invested endowment fund shall not be invaded and the proceeds from the endowment fund may be used to supplement the salary of the holder of the award, to pay salaries of his or her assistants, and to pay expenses associated with the holder's scholarly work.

Sec. 3. Section 5, chapter 8, Laws of 1987 and RCW 28B.10.870 are each amended to read as follows:

All state four-year institutions of higher education shall be eligible for matching trust funds. An institution may apply to the higher education coordinating board for two hundred fifty thousand dollars from the fund when the institution can match the state funds with an equal amount of pledged or contributed private donations or with funds received through legislative appropriation specifically for the G. Robert Ross distinguished faculty award and designated as being qualified to be matched from trust fund moneys. These donations shall be made specifically to the professorship program, and shall be donated after July 1, 1985.

Upon an application by an institution, the board may designate two hundred fifty thousand dollars from the trust fund for that institution's pledged professorship. If the pledged two hundred fifty thousand dollars is not received within three years, the board shall make the designated funds available for another pledged professorship.

Once the private donation is received by the institution, the higher education coordinating board shall ask the state treasurer to release the state matching funds to a local endowment fund established by the institution for the professorship.

Sec. 4. Section 12, chapter 8, Laws of 1987 (uncodified) is amended to read as follows:

(1) For the biennium ending June 30, 1989, all appropriations to the Washington distinguished professorship trust fund shall be allocated as provided in this section. The state treasurer shall reserve the following amounts in the trust fund for distribution to four-year higher
education institutions at such time as qualifying gifts as defined in section 1 of this act for distinguished professorships have been deposited:

(a) (Forty-five percent) Two million two hundred fifty thousand dollars of the appropriation for the University of Washington;

(b) (Thirty percent) One million five hundred thousand dollars of the appropriation for Washington State University;

(c) (Twenty-five percent) One million dollars of the appropriation divided among Eastern Washington University, Central Washington University, Western Washington University, and The Evergreen State College.

(2) Distribution of funds allocated in subsection (1)(c) of this section shall be made in the following manner: Eastern Washington University, Central Washington University, Western Washington University, and The Evergreen State College, has exhausted the allocation in subsection (1)(c) of this section, may be eligible for such funds under rules promulgated by the higher education coordinating board.

NEW SECTION. Sec. 5. A shortage of high-quality equipment in Washington's institutions of higher education hinders the ability of those institutions to provide the advanced instruction needed to maintain industrial competitiveness and spur economic development in the state. This problem can be at least partially solved by encouraging donations of modern equipment.

NEW SECTION. Sec. 6. Unless the context clearly requires otherwise, the definitions in this section apply throughout this section and section 7 of this act:

(1) 'Modern equipment' means equipment that is usable in the course of postsecondary and graduate instruction or research and is comparable to state-of-the-art equipment or equipment used currently in private industry, not-for-profit organizations, or government laboratories. This definition only applies to equipment that retains at least one-half its useful life at the time of donation.

(2) 'Institutions of higher education' means those institutions of higher education defined in RCW 28B.10.016.

(3) 'Donation' means a transfer to an institution of higher education of modern equipment that is not encumbered in any manner.

NEW SECTION. Sec. 7. (1) After issuing a need statement and accepting a donation of modern equipment, an institution of higher education shall promptly have the fair market value of such equipment assessed by a qualified, independent expert. However, when the price of the donated modern equipment is listed in current catalogs or price lists available to the general public, an independent expert need not be used. The assessed fair market value of such equipment or the listed value shall then be reported to the higher education coordinating board, along with such other information as the board deems necessary.

(2) Upon receipt of a report under subsection (1) of this section, the board may distribute to the recipient institution of higher education. If funds are available, an amount up to the fair market value of the donated equipment. These funds, and the proceeds of the funds, shall be used for the initial installation, operation, and maintenance of and training in the use of the donated equipment and the purchase of software or new equipment that will optimize the use of the donated equipment. If funding requested under this section is unavailable, the institution may, at its discretion, cancel and return the donation.

(3) In consultation with institutions of higher education, the board shall adopt rules and guidelines for the program. These rules and guidelines may include an allocation system based on factors including but not limited to: The amount of funding available for the program and the needs of special programs which have been designated as priority programs by the legislature, the governor, or the Institutions.

NEW SECTION. Sec. 8. The sum of two hundred fifty thousand dollars is appropriated for the biennium ending June 30, 1989, from the state general fund to the Western Washington University for deposit in the G. Robert Ross distinguished faculty endowment fund. The appropriation in this section shall fulfill the matching requirements in RCW 28B.10.870 for an additional two hundred fifty thousand dollars from the distinguished professorship trust fund. This appropriation along with the matching money from the distinguished professorship trust fund will result in a total amount of five hundred thousand dollars to be deposited into the G. Robert Ross distinguished faculty endowment fund.

NEW SECTION. Sec. 9. Section 2 of this act is added to Title 28B RCW.
Renumber the remaining sections consecutively and correct any internal references accordingly.

On page 1, line 1 of the title, after "education," strike the remainder of the title and insert "amending RCW 28B.10.870; amending section 12, chapter 8, Laws of 1987 (uncodified); adding a new section to Title 28B RCW: creating new sections: and making an appropriation." and the same is herewith transmitted.

Gordon A. Golob. Secretary.

MOTION

Mr. Jacobsen moved that the House do concur in the Senate amendments to Second Substitute House Bill No. 1640.

POINT OF ORDER

Mr. Grimm: I would ask that you rule on the scope and object of the Senate amendments to Second Substitute House Bill No. 1640.

SPEAKER'S RULING

The Speaker: Representative Grimm, the Speaker has examined Second Substitute House Bill No. 1640. The bill as passed by the House pertained to the establishment of an award and only the establishment of an award. The effect of the Senate amendments instruct the Higher Education Coordinating Board to administer a program to match the value of modern equipment donated to state institutions of higher education with state funds. I find, therefore, Representative Grimm, that your point is well taken. The Senate amendments to Second Substitute House Bill No. 1640 do change the original scope and object of the bill and are outside the original scope and object of the bill. Your point is well taken.

MOTION

Mr. Jacobsen moved that the House refuse to concur in the Senate amendments to Second Substitute House Bill No. 1640 and ask the Senate for a conference thereon. The motion was carried.

APPOINTMENT OF CONFEREES

The Speaker appointed Representatives Jacobsen, Fox and Miller as conferees on Second Substitute House Bill No. 1640.

(1) 'Actual malice' means to act with knowledge of falsity or with reckless disregard as to truth or falsity.

(2) 'Sponsor' means the candidate, political committee, or person paying for the advertisement. If a person acts as an agent for another or is reimbursed by another for the payment, the original source of the payment is the sponsor.

(3) 'Incumbent' means a person who is in present possession of an elected office.

(4) 'Charitable organization' means an organization that is required to be registered with the secretary of state in compliance with RCW 19.09.075.

((A person shall not sponsor political advertising which contains information that the person knows, or should reasonably be expected to know, to be false. No political advertising may falsely represent that a candidate is an incumbent for the office sought. A person or candidate shall not make, either directly or indirectly, a false claim stating or implying the support or endorsement of any person or organization.)) (1) It is a violation of this chapter for a person to sponsor, prepare, or cause to be prepared with actual malice:

(a) Political advertising that contains a false statement of material fact;

(b) Political advertising that falsely represents that a candidate is the incumbent for the office sought when in fact the candidate is not the incumbent; or
(c) Political advertising that makes either directly or indirectly, a false claim stating or implying the support or endorsement of any person or organization when in fact the candidate does not have such support or endorsement.

(2) A charitable organization is deemed to conduct a false political advertisement if the charitable organization:

(a) Intends to use or uses any funds received as a result of a solicitation as a contribution in support of, or in opposition to, a candidate or ballot proposition; and

(1) Except as provided in subsection (2) of this section, the responsibility for compliance with RCW 42.17.510 through 42.17.530 shall rest with the ((sponsor of)) person who sponsors, prepares, or causes to be prepared the political advertising and not with the broadcasting station or other medium.

(2) If a broadcasting station or other medium changes the content of a political advertisement, the station or medium shall be responsible for any failure of the advertisement to comply with RCW 42.17.510 through 42.17.530 that results from that change.

Funds shall be dedicated upon receipt. Once dedicated to any other purpose, or transferred from the special accounting for political contributions, funds shall not be transferred or otherwise redirected in any manner to political contributions.

(2) Funds dedicated for political contributions, as provided in subsection (1)(c) of this section, shall be reported to the public disclosure commission, as required by RCW 42.17.090, and excluded from the report of solicitations activity for the charitable organization as required under RCW 19.09.075(7), unless, before the close of the organization’s accounting year, the funds are transferred or otherwise redirected to another purpose of the charitable organization.

The report need only be filed if the charitable organization has dedicated funds to the political contribution account in an amount of five hundred dollars or more or has made a contribution in support of, or in opposition to, a political candidate or ballot proposition in the preceding accounting quarter, or since the last report.

On page 1, line 1 of the title, after "42.17.530" insert "and 42.17.540; adding a new section to chapter 19.09 RCW"

the same is herewith transmitted.

W. D. Naismith. Assistant Secretary.

POINT OF ORDER

Ms. Fisher: Mr. Speaker, I would ask you to rule on the scope and object of the Senate amendments.
SPEAKER'S RULING

The Speaker: Representative Fisher, the Speaker has examined Substitute House Bill No. 657 and finds that it deals with false advertising as referenced in the Public Disclosure section of the code. The Senate amendments to Substitute House Bill No. 657 deal with funds raised by charitable organizations and amends the charitable solicitation section and would, if allowed, broaden the scope of the bill. The Speaker finds, therefore, that your point is well taken. The Senate amendments are outside the original scope and object of Substitute House Bill No. 657.

MOTION

Ms. Fisher moved that the House do not concur in the Senate amendments to Substitute House Bill No. 657 and ask the Senate to recede therefrom. The motion was carried.

MOTION

Ms. Nutley moved that the House do concur in the Senate amendments to Engrossed House Bill No. 1387.

POINT OF ORDER

Mr. J. Williams: I would request that the Speaker rule on the scope and object of the Senate amendments to Engrossed House Bill No. 1387.

SPEAKER’S RULING

The Speaker: Representative Williams, the Speaker has examined Engrossed House Bill No. 1387 and the Senate amendments to the House Bill. The House Bill is clear: it deals with the establishment of a rental security deposit guarantee program. The amendments add provisions which require the owner of a multi-family
rental housing development, who has received subsidies from the Department of Housing and Urban Development or the Farmers Home Administration, (to give notice when the subsidy is to be terminated or prepaid by the owner.) Clearly, the Senate amendments are outside the original scope and object of the bill. The Speaker finds that your point is well taken, Representative Williams.

**MOTION**

Ms. Nutley moved that the House do not concur in the Senate amendments to Engrossed House Bill No. 1387 and ask the Senate to recede therefrom. The motion was carried.

**MOTION FOR RECONSIDERATION**

The motion was lost.

There being no objection, the House advanced to the fourth order of business.

SENATE AMENDMENTS TO HOUSE BILL

March 4, 1988

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1592 with the following amendments:

1. Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 51.12 RCW to read as follows:

(1) The department shall furnish the benefits provided under this title to any worker or beneficiary who may have a right or claim for benefits under the maritime laws of the United States resulting from an asbestos-related disease if (a) there are objective clinical findings to substantiate that the worker has an asbestos-related claim for occupational disease and (b) the worker's employment history has a prima facie indicia of injurious exposure to asbestos fibers while employed in the state of Washington in employment covered under this title. The department shall render a decision as to the liable insurer and shall continue to pay benefits
until the liable insurer initiates payments or benefits are otherwise properly terminated under this title.

(2) The benefits authorized under subsection (1) of this section shall be paid from the medical aid fund, with the self-insurers and the state fund each paying a pro rata share, based on number of worker hours, of the costs necessary to fund the payments. For the purposes of this subsection only, the employees of self-insured employers shall pay an amount equal to one-half of the share charged to the self-insured employer.

(3) If the department determines that the benefits paid under subsection (1) of this section are owed to the worker or beneficiary by a self-insurer or the state fund, then the self-insurer or state fund shall reimburse the medical aid fund for all benefits paid and costs incurred by the fund.

(4) If the department determines that the benefits paid under subsection (1) of this section are owed to the worker or beneficiary by a federal program other than the federal social security, old age survivors, and disability insurance act, 42 U.S.C. or an insurer under the maritime laws of the United States:

(a) The department shall pursue the federal program insurer on behalf of the worker or beneficiary to recover from the federal program insurer the benefits due the worker or beneficiary and costs incurred;

(b) For the purpose of pursuing recovery under this subsection, the department shall be subrogated to all of the rights of the worker or beneficiary receiving compensation under subsection (1) of this section; and

(c) The department shall not pursue the worker or beneficiary for the recovery of benefits paid under subsection (1) of this section unless the worker or beneficiary receives recovery from the federal program insurer, in addition to receiving benefits authorized under this section.

(5) The provisions of subsection (1) of this section shall not apply if the worker or beneficiary refuses, for whatever reason, to assist the department in making a proper determination of coverage. If a worker or beneficiary refuses to cooperate with the department, self-insurer, or federal program insurer by failing to provide information that, in the opinion of the department, is relevant in determining the liable insurer, or if a worker refuses to submit to medical examination, or obstructs or fails to cooperate with the examination, the department shall reject the application for benefits. No information obtained under this section is subject to release by subpoena or other legal process.

(6) The amount of any third party recovery by the worker or beneficiary shall be subject to a lien by the department to the full extent that the medical aid fund has not been otherwise reimbursed by another insurer. Reimbursement shall be made immediately to the medical aid fund upon recovery from the third party suit. If the department determines that the benefits paid under subsection (1) of this section are owed to the worker or beneficiary by a federal program insurer, the department shall not participate in the costs or attorneys’ fees incurred in bringing the third party suit.

(7) This section shall expire July 1, 1993.

Sec. 2. Section 51.12.100, chapter 23, Laws of 1961 as last amended by section 21, chapter 350. Laws of 1977 ex. sess. and RCW 51.12.100 are each amended to read as follows:

(1) The provisions of this title shall not apply to a master or member of a crew of any vessel, or to employers and workers for whom a right or obligation exists under the maritime laws for personal injuries or death of such workers.

(2) If an accurate segregation of payrolls of workers for whom such a right or obligation exists under the maritime laws cannot be made by the employer, the director is hereby authorized and directed to fix from time to time a basis for the approximate segregation of the payrolls of employees to cover the part of their work for which no right or obligation exists under the maritime laws for personal injuries or death occurring in such work, and the employer, if not a self-insurer, shall pay premiums on that basis for the time such workers are engaged in their work.

(3) Where two or more employers are simultaneously engaged in a common enterprise at one and the same site or place in maritime occupations under circumstances in which no right or obligation exists under the maritime laws for personal injuries or death of such workers, such site or place shall be deemed for the purposes of this title to be the common plant of such employers.

(4) In the event payments are made under this title prior to the final determination under the maritime laws, such benefits shall be repaid by the worker or beneficiary if recovery is subsequently made under the maritime laws.

Sec. 3. Section 51.32.180. chapter 23, Laws of 1961 as last amended by section 53, chapter 350. Laws of 1977 ex. sess. and RCW 51.32.180 are each amended to read as follows:

Every worker who suffers disability from an occupational disease in the course of employment under the mandatory or elective adoption provisions of this title, or his or her family and dependents in case of death of the worker from such disease or infection, shall receive the
same compensation benefits and medical, surgical and hospital care and treatment as would be paid and provided for a worker injured or killed in employment under this title ( PROVIDED, HOWEVER, THAT) except as follows: (1) This section and RCW 51.16.040 shall not apply where the last exposure to the hazards of the disease or infection occurred prior to January 1, 1937; and (2) for claims filed on or after July 1, 1988, the rate of compensation for occupational diseases shall be established as of the date the disease requires medical treatment or becomes totally or partially disabling, whichever occurs first, and without regard to the date of the contraction of the disease or the date of filing the claim.

NEW SECTION. Sec. 4. The department of labor and industries shall conduct a study of the program established by section 1 of this act. The department's study shall include the use of benefits under the program and the cost of the program. The department shall report the results of the study to the economic development and labor committee of the senate and the commerce and labor committee of the house of representatives, or the appropriate successor committees, at the start of the 1993 regular legislative session.

NEW SECTION. Sec. 5. Sections 1 through 4 of this act shall take effect July 1, 1988, and shall apply to all claims filed on or after that date or pending a final determination on that date.

SENATE AMENDMENTS TO HOUSE BILL

March 4, 1988

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1445 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the illegal use, sale, and manufacture of drugs and other drug-related activities is a state-wide problem. Innocent persons, especially children, who come into contact with illegal drug-related activity within their own neighborhoods are seriously and adversely affected. Rental property is damaged and devalued by drug activities. The legislature further finds that a rapid and efficient response is necessary to:

(1) Lessen the occurrence of drug-related enterprises: (2) reduce the drug use and trafficking problems within this state; and (3) reduce the damage caused to persons and property by drug activity. The legislature finds that it is beneficial to rental property owners and to the public to permit landlords to quickly and efficiently evict persons who engage in drug-related activities at rented premises.

Sec. 2. Section 13, chapter 207, Laws of 1973 1st ex. sess. as amended by section 3, chapter 264, Laws of 1983 and RCW 59.18.130 are each amended to read as follows:

Each tenant shall pay the rental amount at such times and in such amounts as provided for in the rental agreement or as otherwise provided by law and comply with all obligations imposed upon tenants by applicable provisions of all municipal, county, and state codes, statutes, ordinances, and regulations, and in addition shall:

(1) Keep that part of the premises which he occupies and uses as clean and sanitary as the conditions of the premises permit;

(2) Properly dispose of his dwelling unit all rubbish, garbage, and other organic or flammable waste, in a clean and sanitary manner at reasonable and regular intervals, and assume all costs of extermination and fumigation for infestation caused by the tenant;

(3) Property use and operate all electrical, gas, heating, plumbing and other fixtures and appliances supplied by the landlord;

(4) Not intentionally or negligently destroy, deface, damage, impair, or remove any part of the structure or dwelling, with the appurtenances thereto, including the facilities, equipment, furniture, furnishings, and appliances, or permit any member of his family, invitee, licensee, or any person acting under his control to do so. Violations may be prosecuted under chapter 9A.48 RCW if the destruction is intentional and malicious;

(5) Not permit a nuisance or common waste; ((cmd))"
(6) Not engage in drug-related activity at the rental premises, or allow a subtenant, sublessee, resident, or anyone else to engage in drug-related activity at the rental premises with the knowledge or consent of the tenant. 'Drug-related activity' means that activity which constitutes a violation of chapter 69.41, 69.50, or 69.52 RCW; and

(2) Upon termination and vacation, restore the premises to their initial condition except for reasonable wear and tear or conditions caused by failure of the landlord to comply with his obligations under this chapter: PROVIDED, That the tenant shall not be charged for normal cleaning if he has paid a nonrefundable cleaning fee.

Sec. 3. Section 40, chapter 207, Laws of 1973 1st ex. sess. and RCW 59.18.390 are each amended to read as follows:

The sheriff shall, upon receiving the writ of restitution, forthwith serve a copy thereof upon the defendant, his agent, or attorney, or a person in possession of the premises, and shall not execute the same for three days thereafter, and the defendant, or person in possession of the premises within three days after the service of the writ of restitution may execute to the plaintiff a bond to be filed with and approved by the clerk of the court in such sum as may be fixed by the judge, with sufficient surety to be approved by the clerk of said court, conditioned that they will pay to the plaintiff such sum as the plaintiff may recover for the use and occupation of the said premises, or any rent found due, together with all damages the plaintiff may sustain by reason of the defendant occupying or keeping possession of said premises, together with all damages which the court heretofore has awarded to the plaintiff as provided in this chapter, and also all the costs of the action. The plaintiff, his agent or attorneys, shall have notice of the time and place where the court or judge thereof shall fix the amount of the defendant's bond, and shall have notice and a reasonable opportunity to examine into the qualification and sufficiency of the sureties upon said bond before said bond shall be approved by the clerk. If the writ of restitution has been based upon a finding by the court that the tenant, subtenant, sublessee, or a person residing at the rental premises has engaged in drug-related activity or has allowed any other person to engage in drug-related activity at those premises with his or her knowledge or approval, neither the tenant, the defendant, nor a person in possession of the premises shall be entitled to post a bond in order to retain possession of the premises. The writ may be served by the sheriff, in the event he shall be unable to find the defendant, his agent or attorney, or a person in possession of the premises, by affixing a copy of said writ in a conspicuous place upon the premises.

Sec. 4. Section 41, chapter 207, Laws of 1973 1st ex. sess. and RCW 59.18.400 are each amended to read as follows:

On or before the day fixed for his appearance the defendant may appear and answer. The defendant in his answer may assert any legal or equitable defense or set-off arising out of the tenancy. If the complaint alleges that the tenancy should be terminated because the defendant tenant, subtenant, sublessee, or resident engaged in drug-related activity, or allowed any other person to engage in drug-related activity at those premises with his or her knowledge or consent, neither the tenant, the defendant, nor a person in possession of the premises shall be entitled to post a bond in order to retain possession of the premises. The writ may be served by the sheriff, in the event he shall be unable to find the defendant, his agent or attorney, or a person in possession of the premises, by affixing a copy of said writ in a conspicuous place upon the premises.

Sec. 5. Section 8, chapter 279, Laws of 1977 ex. sess. as last amended by section 4, chapter 58, Laws of 1984 and RCW 59.20.080 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the landlord shall not terminate a tenancy, of whatever duration except for one or more of the following reasons:

(a) Substantial violation, or repeated or periodic violations of the rules of the mobile home park as established by the landlord at the inception of the tenancy or as assumed subsequently with the consent of the tenant or for violation of the tenant's duties as provided in RCW 59.20.140. The tenant shall be given written notice to cease the rule violation immediately. The notice shall state that failure to cease the violation of the rule or any subsequent violation of that or any other rule shall result in termination of the tenancy, and that the tenant shall vacate the premises within fifteen days: PROVIDED, That for a periodic violation the notice shall also specify that repetition of the same violation shall result in termination: PROVIDED FURTHER, That in the case of a violation of a 'material change' in park rules with respect to pets, tenants with minor children living with them, or recreational facilities, the tenant shall be given written notice under this chapter of a six month period in which to comply or vacate;

(b) Nonpayment of rent or other charges specified in the rental agreement, upon five days written notice to pay rent and/or other charges or to vacate;

(c) Conviction of the tenant of a crime, commission of which threatens the health, safety, or welfare of the other mobile home park tenants. The tenant shall be given written notice of a fifteen day period in which to vacate;

(d) Failure of the tenant to comply with local ordinances and state laws and regulations relating to mobile homes or mobile home living within a reasonable time after the tenant's receipt of notice of such noncompliance from the appropriate governmental agency;

(e) Change of land use of the mobile home park including, but not limited to, conversion to a use other than for mobile homes or conversion of the mobile home park to a mobile home park cooperative or mobile home park subdivision: PROVIDED, That the landlord shall give the tenants twelve months' notice in advance of the proposed effective date of such change;
(1) Engaging in 'drug-related activity.' 'Drug-related activity' means that activity which constitutes a violation of chapter 69.41, 69.50, or 69.52 RCW.

(2) A landlord may terminate any tenancy without cause. Such termination shall be effective twelve months from the date the landlord serves notice of termination upon the tenant or at the end of the current tenancy, whichever is later: PROVIDED, That a landlord shall not terminate a tenancy for any reason or basis which is prohibited under RCW 59.20.070 (3) or (4) or is intended to circumvent the provisions of (1)(a) of this section, or if the tenant remedies the noncompliance within the thirty day period provided for above or any shorter period determined at the hearing to have been required because of an emergency: PROVIDED, That if the defective condition substantially increase the hazards of fire or accident that can be remedied by repair, replacement or cleaning, the landlord shall have the right to terminate the tenancy.

(3) Within five days of a notice of eviction as required by subsection (1)(a) or (2) of this section, the landlord and tenant shall submit any dispute, including the decision to terminate the tenancy without cause, to mediation. The parties may agree in writing to mediation by an independent third party or through industry mediation procedures. If the parties cannot agree, then mediation shall be through industry mediation procedures. A duty is imposed upon both parties to participate in the mediation process in good faith for a period of ten days for an eviction under subsection (1)(a) of this section, or for a period of thirty days for an eviction under subsection (2) of this section. It is a defense to an eviction under subsection (1)(a) or (2) of this section that a landlord did not participate in the mediation process in good faith.

Sec. 6. Section 9, chapter 186, Laws of 1979 ex. sess. and RCW 59.20.140 are each amended to read as follows:

It shall be the duty of the tenant to pay the rental amount at such times and in such amounts as provided for in the rental agreement or as otherwise provided by law and comply with all obligations imposed upon tenants by applicable provisions of all municipal, county, and state codes, statutes, ordinances and regulations, and in addition the tenant shall:

(1) Keep the mobile home lot which he occupies and uses as clean and sanitary as the conditions of the premises permit;

(2) Properly dispose of all rubbish, garbage, and other organic or flammable waste, in a clean and sanitary manner at reasonable and regular intervals, and assume all costs of extermination and fumigation for infestation caused by the tenant on the tenant’s leased premises;

(3) Not intentionally or negligently destroy, deface, damage, impair, or remove any facilities, equipment, furniture, furnishings, fixtures or appliances provided by the landlord, or permit any member of his family, invitee, or licensee, or any person acting under his control to do so: ((and))

If the tenant fails to comply with any portion of RCW 59.18.130 or 59.18.140, and such noncompliance can substantially affect the health and safety of the tenant or other tenants, or substantially increase the hazards of fire or accident that can be remedied by repair, replacement or cleaning, the landlord shall have the right to terminate the tenancy and specify the noncompliance, or, in the case of emergency as promptly as conditions require. If the tenant fails to remedy the noncompliance within that period the landlord may enter the dwelling unit and cause the work to be done and submit an itemized bill of the actual and reasonable cost of repair, to be payable on the next date when periodic rent is due, or on terms mutually agreed to by the landlord and tenant, or immediately if the rental agreement has terminated. Any substantial noncompliance by the tenant of RCW 59.18.130 or 59.18.140 shall constitute a ground for commencing an action in unlawful detainer in accordance with the provisions of chapter 59.12 RCW, and a landlord may commence such action at any time after written notice pursuant to such chapter. The tenant shall have a defense to an unlawful detainer action filed solely on this ground if it is determined at the hearing authorized under the provisions of chapter 59.12 RCW that the tenant is in substantial compliance with the provisions of this section, or if the tenant remedies the noncomplying condition within the thirty day period provided for above or any shorter period determined at the hearing to have been required because of an emergency: PROVIDED, That if the defective condition is remedied after the commencement of an unlawful detainer action, the tenant may be liable to the landlord for statutory costs and reasonable attorney’s fees.

If drug-related activity is alleged to be a basis for termination of tenancy under RCW 59.18.130(5), 59.12.030(5), or 59.20.140(5), the compliance provisions of this section do not apply and the landlord may proceed directly to an unlawful detainer action.

Sec. 8. Section 7, chapter 458, Laws of 1987 and RCW 69.53.010 are each amended to read as follows:

(1) It is unlawful for any person who has under his or her management or control any building, room, space, or enclosure, either as an owner, lessee, agent, employee, or mortgagee, to knowingly rent, lease, or make available for use, with or without compensation, the building, room, space, or enclosure for the purpose of unlawfully manufacturing, delivering, selling, giving away, or making available any controlled substance under chapter 69.50 RCW, or to engage in drug-related activity as defined in RCW 69.41 or imitation controlled substance under chapter 69.52 RCW.

(2) It shall be a defense for an owner, manager, or other person in control pursuant to subsection (1) of this section to, in good faith, notify a law enforcement agency of suspected
drug activity pursuant to subsection (I) of this section, or to process an unlawful detainer action for drug-related activity against the tenant or occupant.

(2) A violation of this section is a class C felony punishable under chapter 9A.20 RCW.

Sec. 9. Section 8, chapter 458, Laws of 1987 and RCW 69.53.020 are each amended to read as follows:

(I) It is unlawful for any person who has under his or her management or control any building, room, space, or enclosure, either as an owner, lessee, agent, employee, or mortgagee, to knowingly allow the building, room, space, or enclosure to be fortified to suppress law enforcement entry in order to further the unlawful manufacture, delivery, sale, storage, or gift of any controlled substance under chapter 69.50 RCW, legend drug under chapter 69.41 RCW, or imitation controlled substance under chapter 69.52 RCW.

(2) It shall be a defense for an owner, manager, or other person in control pursuant to subsection (I) of this section to, in good faith, notify a law enforcement agency of suspected drug activity pursuant to subsection (I) of this section, or to process an unlawful detainer action for drug-related activity against the tenant or occupant.

(2) A violation of this section is a class C felony punishable under chapter 9A.20 RCW.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

The physician, psychologist or psychiatrist conducting such an examination may be required to testify concerning the results of such examination and may be asked to give his or her opinion as to whether the protection of the child requires that he or she not be returned to the custody of his or her parents or other persons having custody of him or her at the time of the alleged child abuse or neglect. Persons so testifying shall be subject to cross-examination as are other witnesses. No information given at any such examination of the parent or any other person having custody of the child may be used against such person in any subsequent criminal proceedings against such person or custodian concerning the abuse or neglect of the child.

SENATE AMENDMENTS TO HOUSE BILL

March 5, 1988

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1340 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that land disposal and incineration of solid and hazardous waste can be both harmful to the environment and costly to those who must dispose of the waste. In order to address this problem in the most cost-effective and environmentally sound manner, and to implement the highest waste management priority as articulated in RCW 70.95.010 and 70.105.150, public and private efforts should focus on reducing the generation of waste. Waste reduction can be achieved by encouraging voluntary efforts to redesign industrial, commercial, production, and other processes to result in the reduction or elimination of waste byproducts and to maximize the in-process reuse or reclamation of valuable spent material.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Department' means the department of ecology.

(2) 'Director' means the director of the department of ecology or the director's designee.

(3) 'Office' means the office of waste reduction.

(4) 'Process' means all industrial, commercial, production, and other processes that result in the generation of waste.

(5) 'Waste' means any solid waste as defined under RCW 70.95.030, any hazardous waste as defined under RCW 70.105.010(15), any hazardous substance as defined under RCW 70.105.010(14), any air contaminant as defined under RCW 70.94.030, and any organic or inorganic matter that shall cause or tend to cause water pollution as defined under RCW 90.48.020.

(6) 'Waste generator' means any individual, business, government agency, or any other organization that generates waste.

(7) 'Waste reduction' means all in-plant practices that reduce, avoid, or eliminate the amount or toxicity of waste generated.

NEW SECTION. Sec. 3. (1) There is established in the department an office of waste reduction. The office shall use its authorities to encourage the voluntary reduction of waste by waste generators. The office shall prepare and submit a quarterly progress report to the director and the director shall submit an annual progress report to the appropriate environmental standing committees of the legislature beginning December 31, 1988.

(2) The office shall be the coordinating center for all state agency programs that provide technical assistance to waste generators and shall serve as the state's lead agency and promoter for such programs. In addition to this coordinating function, the office shall encourage waste reduction by:

(a) Providing for the rendering of advice and consultation to waste generators on waste reduction techniques;

(b) Sponsoring or co-sponsoring with public or private organizations technical workshops and seminars on waste reduction;

(c) Administering a waste reduction data base and hotline providing comprehensive referral services to waste generators;

(d) Administering a waste reduction research and development program;

(e) Coordinating a waste reduction public education program that includes the utilization of existing publications from public and private sources, as well as publishing necessary new materials on waste reduction;

(f) Recommending to institutions of higher education in the state courses and curricula in areas related to waste reduction; and

(g) Requiring energy and incineration facilities to retain records of monitoring and operating data for a minimum of ten years after permanent closure of the facility.

NEW SECTION. Sec. 4. (1) The office shall establish a waste reduction consultation program to be coordinated with other state waste reduction consultation programs.
The director may grant a request by any waste generator for advice and consultation on waste reduction techniques. Pursuant to a request, the director may visit any business, governmental entity, or other process site in the state for the purposes of observing the waste-generating process, obtaining information relevant to waste reduction, rendering advice, and making recommendations. No such visit may be regarded as an inspection or investigation, and no notices or citations may be issued, or civil penalty be assessed, upon such a visit. No representative of the director designated to render advisory or consultative services may have any enforcement authority.

Consultation and advice given under this section shall be limited to the matters specified in the request and shall include specific techniques of waste reduction tailored to the relevant process. In granting any request for advisory or consultative services, the director may provide for an alternative means of affording consultation and advice other than on-site consultation.

Any proprietary information obtained by the director while carrying out the duties required under this section shall remain confidential and shall not become part of the data base established under section 6 of this act.

NEW SECTION. Sec. 5. The office, in coordination with all other state waste reduction technical assistance programs, shall sponsor technical workshops and seminars on waste reduction techniques that have been successfully used to eliminate or reduce substantially the amount of waste or toxicity of hazardous waste generated, or that use in-process reclamation or reuse of spent material.

NEW SECTION. Sec. 6. (1) The office shall establish a state-wide waste reduction hotline with the capacity to refer waste generators and the public to sources of information on specific waste reduction techniques and procedures. The hotline shall coordinate with all other state waste hotlines.

(2) The director shall work with the state library to establish a data base system that shall include proven waste reduction techniques and case studies of effective waste reduction. The data base system shall be: (a) Coordinated with all other state agency data bases on waste reduction; (b) administered in conjunction with the state-wide waste reduction hotline; and (c) readily accessible to the public.

NEW SECTION. Sec. 7. (1) The office may administer a waste reduction research and development program. The director may contract with any public or private organization for the purpose of developing methods and technologies that achieve waste reduction. All research performed and all methods or technologies developed as a result of a contract entered into under this section shall become the property of the state and shall be incorporated into the data base system established under section 6 of this act.

(2) Any contract entered into under this section shall be awarded only after requests for proposals have been circulated to persons, firms, or organizations who have requested that their names be placed on a proposal list. The director shall establish a proposal list and shall review and evaluate all proposals received.

NEW SECTION. Sec. 8. (1) The director may solicit and accept gifts, grants, conveyances, bequests, and devises, in trust or otherwise, to be directed to the office of waste reduction.

(2) The director may enter into contracts with any public or private organization to carry out the purposes of this chapter.

NEW SECTION. Sec. 9. Sections 1 through 8 of this act shall constitute a new chapter in Title 70 RCW. On page 1, line 1 of the title, after “reduction;” strike the remainder of the title and insert “and adding a new chapter to Title 70 RCW.” and the same is herewith transmitted.

(1) A registered tow truck operator who engages exclusively in transporting vehicles that are not unauthorized vehicles, and does not impound or store any vehicles, and does not dispose of abandoned vehicles, is exempt from RCW 46.55.030(1)(i)(ii) and (iii) and 46.55.060.
(2) A tow truck operator acting under this section shall comply with the following conditions:
   (a) The address that the tow truck operator lists on his or her application shall be the business location of the firm where its files are kept. Each separate business location requires a separate registration under this chapter.
   (b) At the business location of the firm, the registered operator shall post in a conspicuous and accessible location:
      (i) All pertinent licenses and permits to operate as a registered tow truck operator;
      (ii) The current towing charges itemized on a form approved by the department;
      (iii) Information supplied by the department as to where complaints regarding either equipment or service are to be directed.
   (c) Ten days before the effective date of any change in an operator's fee schedule, the registered tow truck operator shall file the revised fee schedule with the department.
(3) The department shall charge a registration fee for all tow truck operators based upon the cost of administering registration. In establishing such fees, the department shall consider the activities of tow truck operators regulated under subsections (1) and (2) of this section in comparison to other registered tow truck operators and shall charge fees based upon the difference in activities.

Sec. 3. Section 3, chapter 377, Laws of 1985 as amended by section 2, chapter 311, Laws of 1987 and RCW 46.55.030 are each amended to read as follows:
(1) Application for licensing as a registered tow truck operator shall be made on forms furnished by the department, shall be accompanied by an inspection certification from the Washington state patrol, shall be signed by the applicant or his agent, and shall include the following information:
   (a) The name and address of the person, firm, partnership, association, or corporation under whose name the business is to be conducted;
   (b) The names and addresses of all persons having an interest in the business, or if the owner is a corporation, the names and addresses of the officers of the corporation;
   (c) The names and addresses of all employees who serve as tow truck drivers;
   (d) Proof of minimum insurance required by subsection (3) of this section;
   (e) Any other information the department may require; and
   (f) A certificate of approval from the chief of police if the applicant's principal place of business is located in a city or town having a population over five thousand persons or, in all other instances, from a member of the Washington state patrol, certifying that:

   (2) Before issuing a registration certificate to an applicant the department shall require the applicant to file with the department a surety bond in the amount of five thousand dollars running to the state and executed by a surety company authorized to do business in this state. The bond shall be approved as to form by the attorney general and conditioned that the operator shall conduct his business in conformity with the provisions of this chapter pertaining to abandoned or unauthorized vehicles, and to compensate any person, company, or the state for failure to comply with this chapter or the rules adopted hereunder, or for fraud, negligence, or
misrepresentation in the handling of these vehicles. Any person injured by the tow truck operator's failure to fully perform duties imposed by this chapter and the rules adopted hereunder, or an ordinance or resolution adopted by a city, town, or county is entitled to recover actual damages, including reasonable attorney's fees against the surety and the tow truck operator. Successive recoveries against the bond shall be permitted, but the aggregate liability of the surety to all persons shall not exceed the amount of the bond. As a condition of authority to do business, the operator shall keep the bond in full force and effect. Failure to maintain the penalty value of the bond or cancellation of the bond by the surety automatically cancels the operator's registration.

(3) Before the department may issue a registration certificate to an applicant, the applicant shall provide proof of minimum insurance requirements of:
   (a) One hundred thousand dollars for liability for bodily injury or property damage per occurrence; and
   (b) Fifty thousand dollars of legal liability per occurrence, to protect against vehicle damage, including but not limited to fire and theft, from the time a vehicle comes into the custody of an operator until it is redeemed or sold.

Cancellation of the insurance required by (a) and (b) of this subsection automatically cancels the operator's registration.

(4) The fee for each original registration and annual renewal ((is one hundred dollars per company, plus fifty dollars per truck)) shall be established pursuant to section 2(3) of this act. The department shall forward the registration fee to the state treasurer for deposit in the motor vehicle fund.

(5) Upon approval of the application, the department shall issue a registration certificate to the registered operator to be displayed prominently at the operator's place of business.

Sec. 4. Section 8, chapter 377, Laws of 1985 as amended by section 5, chapter 311, Laws of 1987 and RCW 46.55.080 are each amended to read as follows:

If a vehicle is in violation of the time restrictions of RCW ((46.55.010(12))) 46.55.010(11), it may be impounded by a registered tow truck operator at the direction of a law enforcement officer or other public official with jurisdiction if the vehicle is on public property, or at the direction of the property owner or his agent if it is on private property. A law enforcement officer may also direct the impoundment of a vehicle pursuant to a writ or court order.

The person requesting a private impound or a law enforcement officer or public official requesting a public impound shall provide a signed authorization for the impound at the time and place of the impound to the registered tow truck operator before the operator may proceed with the impound. A registered tow truck operator may not serve as an agent of a property owner for the purposes of signing an impound authorization.

NEW SECTION. Sec. 5. Section 2, chapter 167, Laws of 1977 ex. sess., section 743, chapter 330, Laws of 1987 and RCW 46.61.563 are each repealed.

WHEREAS, The state and its communities have served as the home of naval vessels in peace time and during periods of conflict, and strong attachments have grown between people in the communities and the naval vessels stationed in those communities; and

WHEREAS, Following a long service in battle and on the high seas, the battleship U.S.S. Missouri, the ship upon which a surrender took place that ended World War II, the bloodiest conflict the world has known, found a home in this state in the City of Bremerton, where citizens from around the country and around the world were able to visit and tour the battleship, and a strong attachment grew in the hearts of citizens for the vessel; and

Strike everything after the enacting clause and insert the following:

*Sec. 1. Section 1. chapter 374, Laws of 1985 as last amended by section 101, chapter 2, Laws of 1987 1st ex. sess. and RCW 84.52.0531 are each amended to read as follows:

The maximum dollar amount which may be levied by or for any school district for maintenance and operation support under the provisions of RCW 84.52.053 shall be determined as follows:

(1) For the purpose of this section, the basic education allocation shall be determined pursuant to RCW 28A.41.130, 28A.41.140, and 28A.41.145, as now or hereafter amended: PROVIDED, That when determining the basic education allocation under subsection (4) of this section, nonresident full time equivalent pupils who are participating in a program provided for in chapter 28A.44 RCW or in any other program pursuant to an interdistrict agreement shall be included in the enrollment of the resident district and excluded from the enrollment of the serving district.

(2) For the purposes of subsection (5) of this section, a base year levy percentage shall be established. The base year levy percentage shall be equal to the greater of: (a) The district's actual levy percentage for calendar year 1985, (b) the average levy percentage for all school district levies in the state in calendar year 1985, or (c) the average levy percentage for all school district levies in the educational service district of the district in calendar year 1985.

(3) For excess levies for collection in calendar year 1988 and thereafter, the maximum dollar amount shall be the total of:

(a) The district's levy base as defined in subsection (4) of this section multiplied by the district's maximum levy percentage as defined in subsections (5) and (6) of this section; plus

(b) In the case of nonhigh districts only, an amount equal to the total estimated amount due by the nonhigh school district to high school districts pursuant to chapter 28A.44 RCW for the school year during which collection of the levy is to commence, less the increase in the nonhigh school district's basic education allocation as computed pursuant to subsection (1) of this section due to the inclusion of pupils participating in a program provided for in chapter 28A.44 RCW in such computation; less

(c) The maximum amount of state matching funds under RCW 28A.41.155 for which the district is eligible in that tax collection year.

(4) For excess levies for collection in calendar year 1988 and thereafter, a district's levy base shall be the sum of the following allocations received by the district for the prior school year, including allocations for compensation increases, multiplied by the percent increase per full time equivalent student in the state basic education appropriation between the prior school year and the current school year:

(a) The district's basic education allocation as determined pursuant to RCW 28A.41.130, 28A.41.140, and 28A.41.145;

(b) State and federal categorical allocations for the following programs:

(i) Pupil transportation;

(ii) Handicapped education;

(iii) Education of highly capable students;

(iv) Compensatory education, including but not limited to learning assistance, migrant education, Indian education, refugee programs, and bilingual education;

(v) Food services; and
(vi) State-wide block grant programs; and
(c) Any other federal allocations for elementary and secondary school programs, including direct grants, other than federal impact aid funds and allocations in lieu of taxes.
(5) For levies to be collected in calendar year 1988, a district's maximum levy percentage shall be determined as follows:
(a) Multiply the district's base year levy percentage as defined in subsection (2) of this section by the district's levy base as determined in subsection (4) of this section;
(b) Reduce the amount in (a) of this subsection by the total estimated amount of any levy reduction funds as defined in subsection (7) of this section which are to be allocated to the district for the 1987-88 school year;
(c) Divide the amount in (b) of this subsection by the district's levy base to compute a new percentage; and
(d) The percentage in (c) of this subsection or twenty percent, whichever is greater, shall be the district's maximum levy percentage for levies collected in calendar year 1988.
(6) For excess levies for collection in calendar year 1989 and thereafter, a district's maximum levy percentage shall be determined as follows:
(a) Multiply the district's maximum levy percentage for the prior year or thirty percent, whichever is less, by the district's levy base as determined in subsection (4) of this section;
(b) Reduce the amount in (a) of this subsection by the total estimated amount of any levy reduction funds as defined in subsection (7) of this section which are to be allocated to the district for the current school year;
(c) Divide the amount in (b) of this subsection by the district's levy base to compute a new percentage; and
(d) The percentage in (c) of this subsection or twenty percent, whichever is greater, shall be the district's maximum levy percentage for levies collected in that calendar year.
(7) 'Levy reduction funds' shall mean increases in state funds (allocated to a district) from the prior school year for programs included under subsection (4) of this section: (a) That are not attributable to enrollment or workload changes, compensation increases, or inflationary adjustments (recognized in state allocation formulas. Any other increases in state allocations from the district's allocations for the prior school year that are not specifically excluded in this subsection shall be considered levy reduction funds); and (b) that are or were specifically identified as levy reduction funds in the appropriations act. If levy reduction funds are dependent on formula factors which would not be finalized until after the start of the current school year, the superintendent of public instruction shall estimate the total amount of levy reduction funds by using prior school year data in place of current school year data.
(8) For the purposes of this section, 'prior school year' shall mean the most recent school year completed prior to the year in which the levies are to be collected.
(9) For the purposes of this section, 'current school year' shall mean the year immediately following the prior school year.
(10) The superintendent of public instruction shall develop rules and regulations and inform school districts of the pertinent data necessary to carry out the provisions of this section.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Mr. Speaker:
The Senate has passed SUBSTITUTE HOUSE BILL NO. 692 with the following amendments:

On page 4, after line 12, insert the following:

NEW SECTION. Sec. 4. (1) Every building or unit within a building used for the purpose of unlawfully manufacturing, delivering, selling, storing, or giving away any controlled substance as defined in chapter 69.50 RCW, legend drug as defined in chapter 69.41 RCW, or imitation controlled substances as defined in chapter 69.52 RCW, and every building or unit within a building wherein or upon which such acts take place, is a nuisance which shall be enjoined, abated, and prevented, whether it is a public or private nuisance.

(2) As used in this chapter, 'building' includes, but is not limited to, any structure or any separate part or portion thereof, whether permanent or not, or the ground itself.

NEW SECTION. Sec. 5. The action provided for in section 4 of this act shall be brought in the superior court in the county in which the property is located. Such action shall be commenced by the filing of a complaint alleging the facts constituting the nuisance.

Any complaint filed under this chapter shall be verified or accompanied by affidavit. For purposes of showing that the owner or his or her agent has had an opportunity to abate the nuisance, the affidavit shall contain a description of all attempts by the applicant to notify and locate the owner of the property or the owner's agent.
In addition, the affidavit shall describe in detail the adverse impact associated with the property on the surrounding neighborhood. 'Adverse Impact' includes, but is not limited to, the following: Any search warrants served on the property where controlled substances were seized; investigative purchases of controlled substances on or near the property by law enforcement or their agents; arrests of persons who frequent the property for violation of controlled substances laws; increased volume of traffic associated with the property; and the number of complaints made to law enforcement of illegal activity associated with the property.

After filing the complaint, the court shall grant a hearing within three business days after the filing.

NEW SECTION. Sec. 6. Upon application for a temporary restraining order or preliminary injunction, the court may, upon a showing of good cause, issue an ex parte restraining order or preliminary injunction, preventing the defendant and all other persons from removing or in any manner interfering with the personal property and contents of the place where the nuisance is alleged to exist and may grant such preliminary equitable relief as is necessary to prevent the continuance or recurrence of the nuisance pending final resolution of the matter on the merits. However, pending the decision, the stock in trade may not be so restrained, but an inventory and full accounting of all business transactions may be required.

The restraining order or preliminary injunction may be served by handing to and leaving a copy with any person in charge of the place or residing in the place, or by posting a copy in a conspicuous place at or upon one or more of the principal doors or entrances to the place, or by both delivery and posting. The officer serving the order or injunction shall forthwith make and return into the court an inventory of the personal property and contents situated in and used in conducting or maintaining the nuisance.

Any violation of the order or injunction is a contempt of court, and where such order or injunction is posted, mutilation or removal thereof while the same remains in force is a contempt of court if such posted order or injunction contains a notice to that effect.

NEW SECTION. Sec. 7. A temporary restraining order or preliminary injunction shall not issue under this chapter except upon the giving of a bond or security by the applicant, in the sum that the court deems proper, but not less than one thousand dollars, for the payment of such costs and damages as may be incurred or suffered by any party who is found to have been wrongfully restrained or enjoined. A bond or security shall not be required of the state of Washington, municipal corporations, or political subdivisions of the state of Washington.

NEW SECTION. Sec. 8. An action under this chapter shall have precedence over all other actions, except prior matters of the same character, criminal proceedings, election contests, hearings on temporary restraining orders and injunctions, and actions to forfeit vehicles used in violation of the uniform controlled substances act.

NEW SECTION. Sec. 9. (1) If the complaint under this chapter is filed by a citizen, the complaint shall not be dismissed by the citizen for want of prosecution except upon a sworn statement made by the citizen and the citizen's attorney, if the citizen has one. The statement shall set forth the reasons why the action should be dismissed. The case shall only be dismissed if so ordered by the court.

(2) In case of failure to prosecute the action with reasonable diligence, or at the request of the plaintiff, the court, in its discretion, may substitute any other citizen consenting to be substituted for the plaintiff.

NEW SECTION. Sec. 10. A copy of the complaint, together with a notice of the time and place of the hearing of the action shall be served upon the defendant at least one business day before the hearing. Service may also be made by posting the papers in the same manner as is provided for in section 6 of this act. If the hearing is then continued at the request of any defendant, all temporary orders and injunctions shall be extended as a matter of course.

NEW SECTION. Sec. 11. (1) Except as provided in subsection (2) of this section, if the existence of the nuisance is established in the action, an order of abatement shall be entered as part of the final judgment in the case. Plaintiff's costs in the action, including those of abatement, are a lien upon the building or unit within a building. The lien is enforceable and collectible by execution issued by order of the court.

(2) If the court finds and concludes that the owner of the building or unit within a building: (a) Had no knowledge of the existence of the nuisance or has been making reasonable efforts to abate the nuisance, (b) has not been guilty of any contempt of court in the proceedings, and (c) will immediately abate any such nuisance that may exist at the building or unit within a building and prevent it from being a nuisance within a period of one year thereafter, the court shall, if satisfied of the owner's good faith, order the building or unit within a building to be delivered to the owner, and no order of abatement shall be entered. If an order of abatement has been entered and the owner subsequently meets the requirements of this subsection, the order of abatement shall be canceled.

NEW SECTION. Sec. 12. Any final order of abatement issued under this chapter shall:

(1) Direct the removal of all personal property subject to seizure and forfeiture pursuant to RCW 69.50.505 from the building or unit within a building, and direct their disposition pursuant to the forfeiture provisions of RCW 69.50.505;
(2) Provide for the immediate closure of the building or unit within a building against its use for any purpose, and for keeping it closed for a period of one year unless released sooner as provided in this chapter; and

(3) State that while the order of abatement remains in effect the building or unit within a building shall remain in the custody of the court.

NEW SECTION. Sec. 13. In all actions brought under this chapter, the proceeds and all moneys forfeited pursuant to the forfeiture provisions of RCW 69.50.505 shall be applied as follows:

(1) First, to the fees and costs of the removal and sale;
(2) Second, to the allowances and costs of closing and keeping closed the building or unit within a building;
(3) Third, to the payment of the plaintiff's costs in the action; and
(4) Fourth, the balance, if any, to the owner of the property.

If the proceeds of the sale of items subject to seizure and forfeiture do not fully discharge all of the costs, fees, and allowances, the building or unit within a building shall then also be sold under execution issued upon the order of the court, and the proceeds of the sale shall be applied in a like manner.

A building or unit within a building shall not be sold under this section unless the court finds and concludes by clear and convincing evidence that the owner of the building or unit within a building had actual or constructive knowledge or notice of the existence of the nuisance. However, this shall not be construed as limiting or prohibiting the entry of any final order of abatement as provided in this chapter.

NEW SECTION. Sec. 14. An intentional violation of a restraining order, preliminary injunction, or order of abatement under this chapter is punishable as a contempt of court by a fine of not more than ten thousand dollars which may not be waived, or by imprisonment for not more than one year, or by both.

NEW SECTION. Sec. 15. Whenever the owner of a building or unit within a building upon which the act or acts constituting the contempt have been committed, or the owner of any interest in the building or unit has been guilty of a contempt of court, and fined in any proceedings under this chapter, the fine is a lien upon the building or unit within a building to the extent of the owner's interest. The lien is enforceable and collectible by execution issued by order of the court.

NEW SECTION. Sec. 16. The abatement of a nuisance under this chapter does not prejudice the right of any person to recover damages for its past existence.

NEW SECTION. Sec. 17. Sections 4 through 16 of this act constitute a new chapter in Title 7 RCW.

Renumber the remaining sections consecutively and correct any internal references accordingly.

On page 1, line 2 of the title, after "7.48A.020;" insert "adding a new chapter to Title 7 RCW; prescribing penalties;" and the same is herewith transmitted.

W. D. Naismith, Assistant Secretary.

SENATE AMENDMENTS TO HOUSE BILL

March 5, 1988

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1295 with the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 27, chapter 62, Laws of 1933 ex. sess. as last amended by section 1, chapter 217, Laws of 1987 and RCW 66.24.010 are each amended to read as follows:

(1) Every license shall be issued in the name of the applicant, and the holder thereof shall not allow any other person to use the license.

(2) For the purpose of considering any application for a license, the board may cause an inspection of the premises to be made, and may inquire into all matters in connection with the construction and operation of the premises. For the purpose of reviewing any application for a license and for considering the denial, suspension or revocation of any license, the liquor control board may consider any prior criminal conduct of the applicant and the provisions of RCW
9.95.240 and of chapter 9.96A RCW shall not apply to such cases. The board may, in its discretion, grant or refuse the license applied for. No retail license of any kind may be issued to:

(a) A person who has not resided in the state for at least one month prior to making application, except in cases of licenses issued to dining places on railroads, boats, or aircraft;

(b) A copartnership, unless all of the members thereof are qualified to obtain a license, as provided in this section;

(c) A person whose place of business is conducted by a manager or agent, unless such manager or agent possesses the same qualifications required of the licensee;

(d) A corporation, unless it was created under the laws of the state of Washington or holds a certificate of authority to transact business in the state of Washington.

(3) The board may, in its discretion, subject to the provisions of RCW 66.08.150, suspend or cancel any license; and all rights of the licensee to keep or sell liquor thereunder shall be suspended or terminated, as the case may be. The board may request the appointment of administrative law judges under chapter 34.12 RCW who shall have power to administer oaths, issue subpoenas for the attendance of witnesses and the production of papers, books, accounts, documents, and testimony, examine witnesses, and to receive testimony in any inquiry, investigation, hearing, or proceeding in any part of the state, under such rules and regulations as the board may adopt.

Witnesses shall be allowed fees and mileage each way to and from any such inquiry, investigation, hearing, or proceeding at the rate authorized by RCW 34.04.105, as now or hereafter amended. Fees need not be paid in advance of appearance of witnesses to testify or to produce books, records, or other legal evidence.

In case of disobedience of any person to comply with the order of the board or a subpoena issued by the board, or any of its members, or administrative law judges, or on the refusal of a witness to testify to any matter regarding which he may be lawfully interrogated, the judge of the superior court of the county in which the person resides, on application of any member of the board or administrative law judge, shall compel obedience by contempt proceedings, as in the case of disobedience of the requirements of a subpoena issued from said court or a refusal to testify therein.

(4) Upon receipt of notice of the suspension or cancellation of a license, the licensee shall forthwith deliver up the license to the board. Where the license has been suspended only, the board shall return the license to the licensee at the expiration or termination of the period of suspension (with a memorandum of the suspension written or stamped upon the face thereof in red ink). The board shall notify all vendors in the city or place where the licensee has its premises of the suspension or cancellation of the license; and no employee may cause or allow or cause any liquor to be delivered to or for any person at the premises of that licensee.

(5) (a) At the time of the original issuance of a class H license, the board shall prorate the license fee charged to the new licensee according to the number of calendar quarters, or portion thereof, remaining until the first renewal of that license is required. (b) Unless sooner canceled, every license issued by the board shall expire at midnight of the thirtieth day of June of the fiscal year for which it was issued. However, if the board deems it feasible and desirable to do so, it may establish, by rule pursuant to chapter 34.04 RCW, a system for staggering the annual renewal dates for any and all licenses authorized by this chapter. If such a system of staggered annual renewal dates is established by the board, the license fees provided by this chapter shall be appropriately prorated during the first year that the system is in effect.

(6) Every license issued under this section shall be subject to all conditions and restrictions imposed by this title or by the regulations in force from time to time. All conditions and restrictions imposed by the board in the issuance of an individual license shall be listed on the face of the individual license along with the trade name, address, and expiration date.

(7) Every licensee shall post and keep posted its license, or licenses, in a conspicuous place on the premises.

(8) Before the board shall issue a license to an applicant it shall give notice of such application to the chief executive officer of the incorporated city or town, if the application be for a license within an incorporated city or town, or to the county legislative authority, if the application be for a license outside the boundaries of incorporated cities or towns; and such incorporated city or town, through the official or employee selected by it, or the county legislative authority or the official or employee selected by it, shall have the right to file with the board within twenty days after date of transmittal of such notice, written objections against the applicant or against the premises for which the license is asked, and shall include with such objections a statement of all facts upon which such objections are based, and in case written objections are filed, may request and the liquor control board may in its discretion hold a formal hearing subject to the applicable provisions of Title 34 RCW, as now or hereafter amended. Upon the granting of a license under this title the board shall send a duplicate of the license or written notification to the chief executive officer of the incorporated city or town in which the license is granted, or to the county legislative authority if the license is granted outside the boundaries of incorporated cities or towns.

(9) Before the board issues any license to any applicant, it shall give (a) due consideration to the location of the business to be conducted under such license with respect to the proximity...
of churches, schools, and public institutions and (b) written notice by certified mail of the application to churches, schools, and public institutions within five hundred feet of the premises to be licensed. The board shall issue no beer retailer license class A, B, D, or E or wine retailer license class C or F or class H license covering any premises not now licensed, if such premises are within five hundred feet of the premises of any tax-supported public elementary or secondary school measured along the most direct route over or across established public walks, streets, or other public passageway from the outer property line of the school grounds to the nearest public entrance of the premises proposed for license, and if, after receipt by the school or public institution of the notice as provided in this subsection, the board receives written notice, within twenty days after posting such notice, from an official representative or representatives of the school within five hundred feet of said proposed licensed premises, indicating to the board that there is an objection to the issuance of such license because of proximity to a school. For the purpose of this section, church shall mean a building erected for and used exclusively for religious worship and schooling or other activity in connection therewith. No liquor license may be issued or reissued by the board to any motor sports facility or licensee operating within the motor sports facility unless the motor sports facility enforces a program reasonably calculated to prevent alcohol or alcoholic beverages not purchased within the facility from entering the facility and such program is approved by local law enforcement agencies. It is the intent under this subsection that a retail license shall not be issued by the board where doing so would, in the judgment of the board, adversely affect a private school meeting the requirements for private schools under Title 28A RCW, which school is within five hundred feet of the proposed licensee. The board shall fully consider and give substantial weight to objections filed by private schools. If a license is issued despite the proximity of a private school, the board shall state in a letter addressed to the private school the board's reasons for issuing the license.

(10) The restrictions set forth in the preceding subsection shall not prohibit the board from authorizing the transfer of existing licenses now located within the restricted area to other persons or locations within the restricted area; PROVIDED, Such transfer shall in no case result in establishing the licensed premises closer to a church or school than it was before the transfer.

(11) Nothing in this section prohibits the board, in its discretion, from issuing a temporary retail or wholesaler license to a transferee of a retail or wholesaler license to continue the operation of the retail or wholesaler premises during the period a transfer application for the license from person to person at the same premises is pending and when the following conditions exist:

(a) The licensed premises has been operated under a retail or wholesaler license within ninety days of the date of filing the application for a temporary license;

(b) The retail or wholesaler license for the premises has been surrendered pursuant to issuance of a temporary operating license;

(c) The applicant for the temporary license has filed with the board an application for transfer of the retail or wholesaler license at such premises to himself or herself; and

(d) The application for a temporary license is accompanied by a temporary license fee established by the board by rule.

A temporary license issued by the board under this section shall be for a period not to exceed sixty days. A temporary license may be extended at the discretion of the board for an additional sixty-day period upon payment of an additional fee and upon compliance with all conditions required in this section.

Refusal by the board to issue or extend a temporary license shall not entitle the applicant to request a hearing. A temporary license may be canceled or suspended summarily at any time if the board determines that good cause for cancellation or suspension exists. RCW 66.08-.130 and chapter 34.04 RCW shall apply to temporary licenses.

Application for a temporary license shall be on such form as the board shall prescribe. If an application for a temporary license is withdrawn before issuance or is refused by the board, the fee which accompanied such application shall be refunded in full.

Sec. 2. Section 23-5 added to chapter 62, Laws of 1933 ex. sess. by section 1, chapter 217, Laws of 1933 as last amended by section 43, chapter 5, Laws of 1981 1st ex. sess. and RCW 66.24.380 are each amended to read as follows:

There shall be a beer retailer's license to be designated as class G; a special license to a society or organization to sell beer at picnics or other special occasions at a specified date and place; fee ((twenty)) thirty-five dollars per day. Sale, service, and consumption of beer is to be confined to specified premises or designated areas only.

Sec. 3. Section 6, chapter 85, Laws of 1982 and RCW 66.24.500 are each amended to read as follows:

There shall be a wine retailer's license to be designated as class J; a special license to a society or organization to sell wine at special occasions at a specified date and place; fee ((twenty)) thirty-five dollars per day. Sale, service, and consumption of wine is to be confined to specified premises or designated areas only: PROVIDED, That a holder of a class J license shall be permitted to sell at no more than two licensed events each year to members and guests in attendance at the special occasion limited quantities of wine in unopened bottles and
original packages, not to be consumed on the premises where sold, by paying an additional 
tax of ten dollars per day. The board shall adopt appropriate regulations pursuant to chapter 
34.04 RCW for the purpose of carrying out the provisions of this section.

NEW SECTION. Sec. 4. A new section is added to chapter 66.24 RCW to read as follows:

An application for a new annual retail license under this title shall be accompanied by 
payment of a nonrefundable seventy-five dollar fee to cover expenses incurred in processing 
the application. If the application is approved, the application fee shall be applied toward the 
tax charged for the license.

On page 1, line 1 of the title, after "licenses:" strike the remainder of the title and insert 
"amending RCW 66.24.010, 66.24.380, and 66.24.500; and adding a new section to chapter 66.24 RCW."

and the same is herewith transmitted.

SENATE AMENDMENT TO HOUSE BILL

March 4, 1988

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1317 with the 
following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 100, chapter 469, Laws of 1985 and RCW 35.22.288 are each amended to 
read as follows:

Promptly after adoption, (((every))) the text of each ordinance or a summary of the content 
of each ordinance shall be published at least once in the official newspaper of the city. For 
purposes of this section, a summary shall mean a brief description which succinctly describes 
the main points of the ordinance. When the city publishes a summary, the publication shall 
include a statement that the full text of the ordinance will be mailed upon request.

An inadvertent mistake or omission in publishing the text or a summary of the content of an 
ordinance shall not render the ordinance invalid.

In addition to the requirement that a city publish the text or a summary of the content of 
each adopted ordinance, every city shall establish a procedure for notifying the public of 
upcoming hearings and the preliminary agenda for the forthcoming council meeting. Such 
procedure may include, but not be limited to, written notification to the city's official newspa-
per, publication of a notice in the official newspaper, posting of upcoming council meeting
agendas, or such other processes as the city determines will satisfy the intent of this requirement.

Sec. 2. Section 35.23.310, chapter 7, Laws of 1965 and RCW 35.23.310 are each amended to read as follows:

"(Before any ordinance shall take effect, it shall be published in one issue of the official newspaper of the city;)

Promptly after adoption, the text of each ordinance or a summary of the content of each ordinance shall be published at least once in the official newspaper of the city. For purposes of this section, a summary shall mean a brief description which succinctly describes the main points of the ordinance. When the city publishes a summary, the publication shall include a statement that the full text of the ordinance will be mailed upon request.

An inadvertent mistake or omission in publishing the text or a summary of the content of an ordinance shall not render the ordinance invalid.

In addition to the requirement that a city publish the text or a summary of the content of each adopted ordinance, every city shall establish a procedure for notifying the public of upcoming hearings and the preliminary agenda for the forthcoming council meeting. Such procedure may include, but not be limited to, written notification to the city’s official newspaper, publication of a notice in the official newspaper, posting of upcoming council meeting agendas, or such other processes as the city determines will satisfy the intent of this requirement.

A certified copy of any ordinance certified to by the clerk, or a printed copy of any ordinance or compilation printed by authority of the city council and attested by the clerk shall be competent evidence in any court.

Sec. 3. Section 2, chapter 120, Laws of 1987 and RCW 35.23.352 are each amended to read as follows:

(1) Any second or third class city or any town may construct any public works, as defined in RCW 39.04.010, by contract or day labor without calling for bids therefor whenever the estimated cost of the work or improvement, including cost of materials, supplies and equipment will not exceed the sum of thirty thousand dollars if more than one craft or trade is involved with the public works, or twenty thousand dollars if a single craft or trade is involved with the public works or the public works project is street signalization or street lighting. A public works project means a complete project. The restrictions in this subsection do not permit the division of the project into units of work or classes of work to avoid the restriction on work that may be performed by day labor on a single project.

Whenever the cost of the public work or improvement, including materials, supplies and equipment, will exceed these figures, the same shall be done by contract. All such contracts shall be let at public bidding upon posting notice calling for sealed bids upon the work. The notice thereof shall be posted in a public place in the city or town and by publication in the official newspaper, or a newspaper of general circulation most likely to bring responsive bids, once each week for two consecutive weeks before the date fixed for opening the bids. The notice shall generally state the nature of the work to be done that plans and specifications theretofore shall then be on file in the city or town hall for public inspection, and require that bids be sealed and filed with the council or commission within the time specified therein. Each bid shall be accompanied by a bid proposal deposit in the form of a cashier’s check, postal money order, or surety bond to the council or commission for a sum of not less than five percent of the amount of the bid, and no bid shall be considered unless accompanied by such bid proposal deposit. The council or commission of the city or town shall let the contract to the lowest responsible bidder or shall have power by resolution to reject any or all bids and to make further calls for bids in the same manner as the original call.

When the contract is let then all bid proposal deposits shall be returned to the bidders except that of the successful bidder which shall be retained until a contract is entered into and a bond to perform the work furnished, with surety satisfactory to the council or commission, in the full amount of the contract price. If the bidder fails to enter into the contract in accordance with his bid and furnish a bond within ten days from the date at which he is notified that he is the successful bidder, the check or postal money order and the amount thereof shall be forfeited to the council or commission or the council or commission shall recover the amount of the surety bond.

If no bid is received on the first call the council or commission may readvertise and make a second call, or may enter into a contract without any further call or may purchase the supplies, material or equipment and perform the work or improvement by day labor.

(2) The allocation of public works projects to be performed by city or town employees shall not be subject to a collective bargaining agreement.

(3) In lieu of the procedures of subsection (1) of this section, a second or third class city or a town may use a small works roster and award contracts under this subsection for contracts of one hundred thousand dollars or less.

(a) The city or town may maintain a small works roster comprised of all contractors who have requested to be on the roster and are, where required by law, properly licensed or registered to perform such work in this state.
Whenever work is done by contract, the estimated cost of which is one hundred thousand dollars or less, and the city uses the small works roster, the city or town shall invite proposals from all appropriate contractors on the small works roster; PROVIDED, That whenever possible, the city or town shall invite at least one proposal from a minority or woman contractor who shall otherwise qualify under this section. The invitation shall include an estimate of the scope and nature of the work to be performed, and materials and equipment to be furnished.

When awarding such a contract for work, the estimated cost of which is one hundred thousand dollars or less, the city or town shall award the contract to the contractor submitting the lowest responsible bid.

After September 1, 1987, each second class city, third class city, and town shall use the form required by RCW 43.09.205 to account and record costs of public works in excess of five thousand dollars that are not let by contract.

The cost of a separate public works project shall be the costs of the materials, equipment, supplies, and labor on that construction project.

Any purchase of supplies, material, equipment or services other than professional services, except for public work or improvement, where the cost thereof exceeds seven thousand five hundred dollars shall be made upon call for bids; PROVIDED, That the limitations herein shall not apply to any purchases of materials at auctions conducted by the government of the United States, any agency thereof or by the state of Washington or a political subdivision thereof.

Bids shall be called annually and at a time and in the manner prescribed by ordinance for the publication in a newspaper published or of general circulation in the city or town of all notices or newspaper publications required by law. The contract shall be awarded to the lowest responsible bidder.

For advertisement and competitive bidding to be dispensed with as to purchases between seven thousand five hundred and fifteen thousand dollars, the city legislative authority must authorize by resolution a procedure for securing telephone and/or written quotations from enough vendors to assure establishment of a competitive price and for awarding the contracts for purchase of materials, equipment, or services to the lowest responsible bidder. Immediately after the award is made, the bid quotations obtained shall be recorded and open to public inspection and shall be available by telephone inquiry.

These requirements for purchasing may be waived by resolution of the city or town council which declared that the purchase is clearly and legitimately limited to a single source or supply within the near vicinity, or the materials, supplies, equipment, or services are subject to special market conditions, and recites why this situation exists. Such actions are subject to RCW 39.30.020.

This section does not apply to performance-based contracts, as defined in RCW 39.35A.020(3), that are negotiated under chapter 39.35A RCW.

((However, as an alternative, a city of the third class with a population of three thousand or less may publish in its official newspaper a summary of the intent and content of any ordinance that it adopts and indicate the times and location where a copy of the ordinance is available for public inspection.))

For purposes of this section, a summary shall mean a brief description which succinctly describes the main points of the ordinance. When the city publishes a summary, the publication shall include a statement that the full text of the ordinance will be mailed upon request.

An inadvertent mistake or omission in publishing the text or a summary of the content of an ordinance shall not render the ordinance invalid.

In addition to the requirement that a city publish the text or a summary of the content of each adopted ordinance, every city shall establish a procedure for notifying the public of upcoming hearings and the preliminary agenda for the forthcoming council meeting. Such procedure may include, but not be limited to, written notification to the city's official newspaper, publication of a notice in the official newspaper, posting of upcoming council meeting agendas, or such other processes as the city determines will satisfy the intent of this requirement.

Such procedure may include, but not be limited to, written notification to the town’s official newspaper, publication of a notice in the official newspaper, posting of upcoming council meeting agendas, or such other processes as the town determines will satisfy the intent of this requirement.

SENATE AMENDMENTS TO HOUSE BILL

March 6, 1988

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1319 with the following amendments:

Strike everything after the enacting clause and insert the following:

*NEW SECTION*. Sec. 1. The legislature recognizes the changing nature of the work force brought about by increasing numbers of working mothers, single parent households, and dual career families. The legislature finds that the needs of families must be balanced with the demands of the workplace to promote family stability and economic security. The legislature further finds that it is in the public interest for employers to accommodate employees by providing reasonable leaves from work for family reasons. In order to promote family stability, economic security, and the public interest, the legislature hereby establishes a minimum standard for family care. Nothing contained in this act shall prohibit any employer from establishing family care standards more generous than the minimum standards set forth in this act.

*NEW SECTION*. Sec. 2. The department shall develop and furnish to each employer a poster which describes an employer's obligations and an employee's rights under this 1988 act. The poster must include notice about any state law, rule, or regulation governing maternity disability leave and indicate that federal or local ordinances, laws, rules, or regulations may also apply. The poster must also include a telephone number and an address of the department to enable employees to obtain more information regarding this 1988 act. Every employer shall also post its leave policies, if any, in a conspicuous place. Nothing in this section shall be construed to create a right to continued employment.

*NEW SECTION*. Sec. 3. An employer shall allow an employee to use the employee's accrued sick leave to care for a child of the employee under the age of eighteen with a health condition that requires treatment or supervision. Use of leave other than accrued sick leave to care for a child under the circumstances described in this section shall be governed by the terms of the appropriate collective bargaining agreement or employer policy, as applicable.

*NEW SECTION*. Sec. 4. The department shall administer and investigate violations of sections 2 and 3 of this act.

*NEW SECTION*. Sec. 5. The department may issue a notice of infraction if the department reasonably believes that an employer has failed to comply with section 2 or 3 of this act. The form of the notice of infraction shall be adopted by rule pursuant to chapter 34.04 RCW. An employer who is found to have committed an infraction under section 2 or 3 of this act may be assessed a monetary penalty not to exceed two hundred dollars for each violation. An employer who repeatedly violates sections 2 or 3 of this act may be assessed a monetary penalty not to exceed one thousand dollars for each violation. For purposes of this section, the failure to comply with section 2 of this act as to an employee or the failure to comply with section 3
of this act as to a period of leave sought by an employee shall each constitute separate violations. An employer has twenty days to appeal the notice of infraction. Any appeal of a violation determined to be an infraction shall be heard and determined by an administrative law judge. Monetary penalties collected under this section shall be deposited into the general fund.

NEW SECTION. Sec. 6. Nothing in this act shall be construed to reduce any provision in sections 1 through 6 of this act.

Sec. 8. Section 1, chapter 16, Laws of 1973 2nd ex. sess. and RCW 49.12.005 are each amended to read as follows:

For the purposes of this chapter:

(1) The term 'department' means the department of labor and industries.

(2) The term 'director' means the director of the department of labor and industries, or his designated representative.

(3) The term 'employer' means any person, firm, corporation, partnership, business trust, legal representative, or other business entity which engages in any business, industry, profession, or activity in this state and employs one or more employees and for the purposes of sections 1 through 7 of this 1988 act also includes the state, any state institution, any state agency, political subdivisions of the state, and any municipal corporation or quasi-municipal corporation.

(4) The term 'employee' means an employee who is employed in the business of his employer whether by way of manual labor or otherwise.

(5) The term 'conditions of labor' shall mean and include the conditions of rest and meal periods for employees including provisions for personal privacy, practices, methods and means by or through which labor or services are performed by employees and includes bona fide physical qualifications in employment, but shall not include conditions of labor otherwise governed by statutes and rules and regulations relating to industrial safety and health administered by the department.

(6) For the purpose of this 1973 amendatory act a minor is defined to be a person of either sex under the age of eighteen years.

(7) The term 'committee' shall mean the industrial welfare committee.

NEW SECTION. Sec. 9. Sections 1 through 7 of this act are each added to chapter 49.12 RCW.

NEW SECTION. Sec. 10. Prior to the effective date of this act, the department of labor and industries may take such steps as are necessary to ensure that sections 1 through 8 of this act are implemented on their effective date.

NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

SENATE AMENDMENT TO HOUSE BILL

March 6, 1988

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1341 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 29.04 RCW to read as follows:
Any person who desires to be a write-in candidate and have such votes counted at a primary or election may, if the jurisdiction of the office sought is entirely within one county, file a
declaration of candidacy with the county auditor not later than the day before the primary or election. If the jurisdiction of the office sought encompasses more than one county the declaration of candidacy shall be filed with the secretary of state not later than the day before the primary or election. Votes cast for write-in candidates who have filed such declarations of candidacy and write-in votes for persons appointed by political parties pursuant to RCW 29.18.160 need only specify the name of the candidate in the appropriate location on the ballot in order to be counted. Write-in votes cast for any other candidate, in order to be counted, must designate the office sought and position number or political party, if applicable.

No person may file as a write-in candidate where:

(1) At a general election, the person attempting to file either filed as a write-in candidate for the same office at the preceding primary or the person's name appeared on the ballot for the same office at the preceding primary;

(2) The person attempting to file as a write-in candidate has already filed a valid write-in declaration for that primary or election, unless one or the other of the two filings is for the office of precinct committeeperson;

(3) The name of the person attempting to file already appears on the ballot as a candidate for another office, unless one of the two offices for which he or she is a candidate is precinct committeeperson.

The declaration of candidacy shall be similar to that required by RCW 29.18.030. No write-in candidate filing under section 1 of this act may be included in any voter's pamphlet produced under chapter 29.80 RCW unless that candidate qualifies to have his or her name printed on the general election ballot. The legislative authority of any jurisdiction producing a local voter's pamphlet under chapter 29.81A RCW may provide, by ordinance, for the inclusion of write-in candidates in such pamphlets.

NEW SECTION. Sec. 2. A new section is added to chapter 29.04 RCW to read as follows:

The secretary of state shall notify each county auditor of any declarations filed with the secretary under section 1 of this act for offices appearing on the ballot in that county. The county auditor shall ensure that those persons charged with counting the ballots for a primary or election are notified of all valid write-in candidates before the tabulation of those ballots.

Sec. 3. Section 29.36.075, chapter 9, Laws of 1965 as last amended by section 16, chapter 346, Laws of 1987 and RCW 29.36.075 are each amended to read as follows:

In counties that do not tabulate absentee ballots on electronic vote tallying systems, canvassing boards may not tabulate or record votes cast by absentee ballots on any uncontested office except write-in votes for candidates for the office of precinct committeeperson(s) in all counties. Write-in votes for uncontested precinct committeepersons' races shall be canvassed and included in the official vote count for the office under section 1 of this 1988 act. 'Uncontested office' means an office where only one candidate has filed a valid declaration of candidacy either during the regular filing period or as a write-in candidate under section 1 of this 1988 act.

Each registered voter casting an absentee ballot shall be credited with voting on his or her voter registration record. Absentee ballots shall be retained for the same length of time and in the same manner as ballots cast at the precinct polling places.

Sec. 4. Section 29.51.100, chapter 9, Laws of 1965 as amended by section 15, chapter 101, Laws of 1965 ex. sess. and RCW 29.51.100 are each amended to read as follows:

On receipt of his or her ballot in an election the elector shall forthwith and without leaving the polling place retire alone to one of the places, booths, or apartments provided to prepare his or her ballot. Each elector shall prepare his or her ballot by marking a cross 'X' after the name of every person or candidate for whom he or she wishes to vote.

In case of a ballot containing a constitutional amendment or other question to be submitted to the vote of the people the voter shall mark a cross 'X' after the question, for or against the amendment or proposition, as the case may be. Any elector may write in the blank spaces the name of any person for an office who has filed as a write-in candidate for the office in the manner provided by section 1 of this 1988 act for whom he or she may wish to vote. (PROVIDED THAT WHERE A PARTISAN OFFICE IS CONCERNED, THE VOTER MUST NOT ONLY WRITE IN THE NAME OF THE CANDIDATE BUT ALSO THE PARTY AFFILIATION OF SUCH PERSON PURSUANT TO THE PROVISIONS OF RCW 29.61.170 AS NOW OR HEREAFTER AMENDED). Write-in votes cast for any other candidate must designate the office sought and the position number or political party, if applicable.

Before leaving the booth or compartment the elector shall fold (this) the ballot in such a manner that the number of the ballot shall appear on the outside thereof, without displaying the marks on the face thereof, and deliver it to the inspector of election.

Sec. 5. Section 29.51.170, chapter 9, Laws of 1965 as last amended by section 1, chapter 121, Laws of 1973 1st ex. sess. and RCW 29.51.170 are each amended to read as follows:

For any office at any election or primary, any voter may write in on the ballot the name of any person (for whom he desires to vote for any office) for an office who has filed as a write-in candidate for the office in the manner provided by section 1 of this 1988 act and such vote shall be counted the same as if the name had been printed on the ballot and marked by the voter (PROVIDED THAT NO WRITE-IN VOTE FOR A PARTISAN OFFICE AT A GENERAL ELECTION SHALL BE
valid for any person who has offered himself as a candidate for such position for the nomination at the preceding primary. PROVIDED FURTHER, that when voting machines or voting devices and ballot cards are used, no write-in vote for any candidate for a partisan office at either a state primary election or state general election shall be valid unless a political party affiliation is also written by the voter after the candidate’s name. AND PROVIDED FURTHER, that in the instance of a write-in candidate for a partisan office only those write-in votes constituting the greatest number of a single political party designation shall be valid for counting purposes when the canvassing authority certifies the official election returns. The same procedure must be followed when paper ballots are used for partisan offices at a state primary election. For such write-in voting, it shall not be necessary for a voter to write the full name of the political party concerned; Any abbreviation including the first letter of the political party name shall be acceptable as long as the precinct election officers can determine to their satisfaction the person voted for and the political party intended.

Any person who is nominated at any primary election as a write-in candidate for any public office but who has not previously paid the regular filing fee shall not have his name printed on the official ballot for the general election unless, within five days after the official canvass of the primary vote, he executes a declaration of candidacy and pays the same fee required by law to be paid by candidates for filing for the office for which he has been nominated). No write-in vote made for any person who has not filed a declaration of candidacy pursuant to section 1 of this act is valid if that person filed for the same office, either as a regular candidate or a write-in candidate, at the preceding primary. Any abbreviation used to designate office, position, or political party shall be accepted if the canvassing board can determine, to their satisfaction, the voter’s intent,” and the same is herewith transmitted.

W. D. Naismith, Assistant Secretary.

SENATE AMENDMENTS TO HOUSE BILL

March 5, 1988

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1530 with the following amendments:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. LEGISLATIVE INTENT. The legislature takes special note of the contributions made by nursing assistants in nursing homes whose tasks are arduous and whose working conditions may be contributing to the high and often critical turnover among the principal cadre of health care workers who provide for the basic needs of long-term care patients. The legislature also recognizes the growing shortage of nurses in long-term care as the proportion of the elderly population grows and as the acuity of patients in hospitals and nursing homes becomes generally more severe.

The legislature finds and declares that occupational nursing assistants should have a formal system of educational and experiential qualifications leading to career mobility and advancement. The establishment of such a system should bring about a more stabilized work force in the nursing home setting, as well as provide a valuable resource for recruitment into licensed nursing practice.

The legislature declares that the registration of nursing assistants providing for voluntary certification of those who wish to seek higher levels of qualification is in the interest of the public health, safety, and welfare.

NEW SECTION. Sec. 2. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Department' means the department of licensing.

(2) 'Director' means the director of licensing or the director's designee."
(3) 'Board' means the Washington state board of nursing.

(4) 'Nursing assistant—certified' means an individual certified under this chapter.

(5) 'Nursing assistant—registered' means an individual registered under this chapter.

(8) 'Registration program' means a nursing assistant training program as defined under chapter 18.52A RCW.

(9) 'Nursing home' means a facility licensed under chapter 18.51 RCW.

NEW SECTION. Sec. 3. SCOPE OF PRACTICE. (1) A nursing assistant—registered may assist in the care of patients under the direction and supervision of a licensed (registered) nurse or licensed practical nurse, provided that a nursing home shall not assign an assistant to provide resident care until the assistant has demonstrated skill necessary to perform assigned duties and responsibilities competently. Nothing in this chapter shall be construed as conferring on a nursing assistant the authority to administer medication or to practice as a licensed (registered) nurse or licensed practical nurse.

(2) A nursing assistant—certified may assist in the care of the ill, injured, or infirm under the direction and supervision of a licensed (registered) nurse or licensed practical nurse except that a nursing assistant—certified may not administer medication or practice as a licensed (registered) nurse as defined in chapter 18.88 RCW or licensed practical nurse as defined in chapter 18.78 RCW.

Mr. Speaker:

"Sec. 1. Section 4, chapter 241, Laws of 1986 and RCW 46.70.023 are each amended to read as follows:

(1) An 'established place of business' requires a permanent, enclosed commercial building located within the state of Washington easily accessible at all reasonable times. An established place of business shall have an improved display area of not less than three thousand square feet in or immediately adjoining the building; or a display area large enough to display six or more vehicles of the type the dealer is licensed to sell, whichever area is larger. The business of a vehicle dealer, including the display and repair of vehicles, may be lawfully carried on at an established place of business in accordance with the terms of all applicable building code, zoning, and other land-use regulatory ordinances. The dealer shall keep the building open to the public so that they may contact the vehicle dealer or the dealer's salespersons at all reasonable times. The books, records, and files necessary to conduct the business shall be kept and maintained at that place. The established place of business shall display an exterior sign with the business name and nature of the business, such as auto sales, permanently affixed to the land or building, with letters clearly visible to the major avenue of traffic. In no event may a room or rooms in a hotel, rooming house, or apartment house building or part of a single or multiple-unit dwelling house be considered an 'established place of business' unless the ground floor of such a dwelling is devoted principally to and occupied for commercial purposes and the dealer offices are located on the ground floor. A mobile office or mobile home may be used as an office if it is connected to utilities and is set up in accordance with state law.

(2) If a dealer maintains a place of business at more than one location or under more than one name in this state, he or she shall designate one location as the principal place of business of the firm, one name as the principal name of the firm, and all other locations or names as subagencies. A subagency license is required for each and every subagency: PROVIDED, That the department may grant an exception to the subagency requirement in the specific instance where a licensed new motor vehicle dealer is unable to locate their used vehicle sales facilities adjacent to or at the established place of business. This exception shall be granted and defined under the promulgation of rules consistent with the administrative procedure act.

(3) All vehicle dealers shall maintain ownership or leasehold throughout the license year of the real property from which they do business. The dealer shall provide the department with evidence of ownership or leasehold whenever the ownership changes or the lease is terminated.

(4) A subagency shall comply with all requirements of an established place of business.

(5) A temporary subagency shall meet all local zoning and building codes for the type of merchandising being conducted. The dealer license certificate shall be posted at the location. No other requirements of an established place of business apply to a temporary subagency.

(6) A wholesale vehicle dealer shall have office facilities in a commercial building within this state, and all storage facilities for inventory shall be listed with the department, and shall meet local zoning and land use ordinances. A wholesale vehicle dealer shall maintain a telecommunications system. An exterior sign visible from the nearest street shall identify the business name and the nature of business. When two or more vehicle dealer businesses share a location, all records, office facilities, and inventory, if any, must be physically segregated and clearly identified.

(7) A retail vehicle dealer shall be open during normal business hours, maintain office and display facilities in a commercially zoned location or in a location complying with all applicable building and land use ordinances, and maintain a business telephone listing in the local directory. When two or more vehicle dealer businesses share a location, all records, office facilities, and inventory shall be physically segregated and clearly identified.

(8) A listing dealer need not have a display area if the dealer does not physically maintain any vehicles for display.

(9) A subagency license is not required for a mobile home dealer to display an on-site display model, a consigned mobile home not relocated from its site, or a repossession mobile home if sales are handled from a principal place of business or subagency. A mobile home
(10) Every vehicle dealer shall advise the department of the location of each and every place of business of the firm and the name or names of the owner of the firm. The department shall keep records of such location and name of the firm and shall be posted in a conspicuous place at that location by the dealer.

(11) A vehicle dealer's license shall be cancelled whenever the death or incapacity of an individual vehicle dealer authorizes the personal representative of such dealer, subject to payment of license fees, to continue the business for a period of six months beyond the date of death or incapacity.

For the purposes of obtaining a license from the department under this chapter, the owner of a mobile home park who sells mobile homes located on mobile home lots within the park shall be eligible to be licensed as a mobile home dealer without meeting the requirements of subsections (1) and (7) of this section regarding the establishment of an establishment of place of business, furnishing a display area, compliance with applicable zoning and land use ordinances, and the prohibition against conducting the business in a dwelling house. Such an applicant for a mobile home dealer's license shall comply in all other respects with the provisions of subsection (1) of this section.

(13) Nothing in this chapter shall prohibit local government from enforcing the building codes and local government zoning and other land use ordinances or regulations.

The director of the department of community development shall appoint the committee chairperson. The entire committee shall advise the office in implementing the provisions of subsection (1) of this section. The members of the committee may receive compensation or reimbursement for travel expenses.

(2) Every landlord shall pay a fee of one dollar per lot per year, and in addition, shall collect from each tenant on January 1 of each year a fee of one dollar per year for each lot rented by the tenant. Both fees shall be remitted by the landlord to the department of revenue under such rules as the department shall prescribe. The fee required by this chapter, to be collected by the landlord, shall be deemed to be held in trust by the landlord until paid to the department of revenue, and any landlord who appropriates or converts the fee collected to his or her own use other than the payment to the department shall be guilty of a gross misdemeanor. The provisions of chapter 82.32 RCW shall apply to the collection and enforcement of this fee.

NEW SECTION. Sec. 5. There is created in the custody of the state treasurer a special account known as the mobile home affairs account. All fees collected pursuant to section 3 of this act shall be placed in that account.

FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the final passage of Substitute House Bill No. 1683 as amended by the Senate.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 1683 as amended by the Senate, and the bill passed the House by the following vote: Yeas, 94; excused, 4.

Mr. Speaker:
The Senate has passed SUBSTITUTE HOUSE BILL NO. 1684 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The department of ecology shall determine the best management practices for categories of solid waste in accordance with the priority solid waste management methods established in RCW 70.95.010. In order to make this determination, the department shall conduct a comprehensive solid waste stream analysis and evaluation.

NEW SECTION. Sec. 2. The comprehensive, state-wide solid waste stream analysis under section 1 of this act shall be based on representative solid waste generation areas and solid waste generation sources within the state. The following information and evaluations shall be included:

1. Solid waste generation rates for each category;
2. The rate of recycling being achieved within the state for each category of solid waste;
3. The current and potential rates of solid waste reduction within the state;
4. A technological assessment of current solid waste reduction and recycling methods and systems, including cost/benefit analyses;
5. An assessment of the feasibility of segregating solid waste at: (a) The original source, (b) transfer stations, and (c) the point of final disposal;
6. A review of methods that will increase the rate of solid waste reduction; and
7. An assessment of new and existing technologies that are available for solid waste management including an analysis of the associated environmental risks and costs.

The data required by the analysis under this section shall be kept current and shall be available to local governments and the waste management industry.

NEW SECTION. Sec. 3. (1) The evaluation of the solid waste stream required in section 1 of this act shall include the following elements:

(a) The department shall determine which management method for each category of solid waste will have the least environmental impact; and
(b) The department shall evaluate the costs of various management options for each category of solid waste, including a review of market availability, and shall take into consideration the economic impact on affected parties;
(c) Based on the results of (a) and (b) of this subsection, the department shall determine the best management for each category of solid waste. Different management methods for the same categories of waste may be developed for different parts of the state.

(2) The department shall give priority to evaluating categories of solid waste that, in relation to other categories of solid waste, comprise a large volume of the solid waste stream or present a high potential of harm to human health. At a minimum the following categories of waste shall be evaluated:

(a) By January 1, 1989, yard waste and other biodegradable materials, paper products, disposable diapers, and batteries; and
(b) By January 1, 1990, metals, glass, plastics, styrofoam or rigid lightweight cellular polystyrene, and tires.

NEW SECTION. Sec. 4. The department shall incorporate the information from the analysis and evaluation conducted under sections 1 through 3 of this act to the state solid waste management plan under RCW 70.95.260. The plan shall be revised periodically as the evaluation and analysis is updated.

Sec. 6. Section 15, chapter 528, Laws of 1987 (uncodified) is amended to read as follows:

(1) The Washington state legislature finds that the state faces a solid waste disposal crisis. The siting of new landfills, the location and design of new solid waste incinerators, the disposal of ash residue, and compliance with the priorities of the solid waste management act and the hazardous waste management act require that an effort be made by the state to ensure that
local governments and private industry have adequate technical information, and that programs are developed to accomplish the statutory waste management priorities.

(2) A comprehensive evaluation of preferred solid waste management programs shall be undertaken by the joint select committee for preferred solid waste management. The committee shall consist of four members of the house of representatives appointed by the speaker of the house and four members of the senate appointed by the president of the senate. The committee shall involve the department of ecology, the utilities and transportation commission, and representatives of organizations representing cities, counties, the public, the waste management industry, waste haulers, and the private recycling industry. The committee shall report its findings and recommendations to the appropriate standing committees of the legislature by January 1. (1986) 1989.

(3) The department of ecology may provide the committee with specific recommendations on waste management programs from studies the department has undertaken as required by RCW 70.95.263.

(4) The committee shall attempt to determine the reasons why higher rates of waste reduction and recycling have not been achieved in the state and develop recommendations on how to achieve higher rates.

(5) The committee's recommendations shall include (a) specific programs for waste reduction, recycling, incineration, and landfills, (b) specific goals for solid waste management, and (c) specific responsibilities for state government, local government, and the private sectors to accomplish the committee's recommendations. The committee shall also recommend specific legislation and rule-making requirements to accomplish the committee's findings.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature intends to protect the public's right to high quality health care by assuring that nursing pools employ, procure or refer competent and qualified nursing personnel, and that such nursing personnel are provided to health care facilities in a way to meet the needs of residents and patients.

NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) 'Director' means the director of the department of licensing.

(2) 'Health care facility' means a nursing home, hospital, hospice care facility, home health care agency, hospice agency, or other entity for the delivery of health care services.

(3) 'Nursing home' means any nursing home facility licensed pursuant to chapter 18.52 RCW.

(4) 'Nursing pool' means any person engaged in the business of providing, procuring, or referring health care personnel for temporary employment in health care facilities, such as licensed nurses or practical nurses, and nursing assistants. (1) The names and addresses of the owner or owners of the nursing pool; and

(2) If the owner is a corporation, copies of its articles of incorporation and current bylaws, together with the names and addresses of its officers and directors.

A registration issued by the director in accordance with this section shall remain effective for a period of one year from the date of its issuance unless the registration is revoked or suspended pursuant to section 4(4) of this act, or unless the nursing pool is sold or ownership or
management is transferred, in which case the registration of the nursing pool shall be voided and the new owner or operator shall apply for a new registration.

NEW SECTION. Sec. 4. (1) The nursing pool shall document that each temporary employee or referred independent contractor provided or referred to health care facilities currently meets the minimum state credentialing requirements.

(2) The nursing pool shall not require, as a condition of employment or referral, that employees or independent contractors of the nursing pool recruit new employees or independent contractors for the nursing pool from among the permanent employees of the health care facility to which the nursing pool employee or independent contractor has been assigned or referred.

(3) The nursing pool shall carry professional and general liability insurance to insure against any loss or damage occurring, whether professional or otherwise, as the result of the negligence of its employees, agents or independent contractors for acts committed in the course of their employment with the nursing pool: PROVIDED, That a nursing pool that only refers self-employed, independent contractors to health care facilities shall carry professional and general liability insurance to cover its own liability as a nursing pool which refers self-employed, independent contractors to health care facilities: AND PROVIDED FURTHER, That it shall require, as a condition of referral, that self-employed, independent contractors carry professional and general liability insurance to insure against loss or damage resulting from their own acts committed in the course of their own employment by a health care facility.

(4) The uniform disciplinary act, chapter 18.130 RCW, shall govern the issuance and denial of registration and the discipline of persons registered under this chapter. The director shall be the disciplinary authority under this chapter.

In addition to the authority to discipline license holders, the disciplining authority has the authority to grant or deny licenses based on the conditions and criteria established in this chapter and the chapters specified in subsection (2) of this section. However, the board of chiropractic examiners has authority over issuance and denial of licenses provided for in chapter 18.25 RCW, the board of dental examiners has authority over issuance and denial of licenses provided for in RCW 18.32.040, and the board of medical examiners has authority over issuance and denial of licenses and registrations provided for in chapters 18.71 and 18.71A RCW. This chapter also governs any investigation, hearing, or proceeding relating to denial of licensure or issuance of a license conditioned on the applicant's compliance with an order entered pursuant to RCW 18.130.160 by the disciplining authority.

NEW SECTION. Sec. 8. Sections I through 5 of this act shall constitute a new chapter in Title 18 RCW."

SENATE AMENDMENTS TO HOUSE BILL

March 5, 1988

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1796 with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) The legislature finds that throughout the state there is widespread use of information delivery services, which are also known as information-access telephone services and commonly provided on a designated telephone number prefix. These services operate on a charge-per-call basis, providing revenue for both the information provider and the local exchange company. The marketing practices for these telephone services have at times been misleading to consumers and at other times specifically directed toward minors. The result has been placement of calls by individuals, particularly by children, who are uninformed about the charges that might apply. In addition, children may have accessed obscene, indecent, and salacious material through these services. The legislature finds that these services can be blocked by certain local exchange companies at switching
locations, and that devices exist which allow for blocking within a residence. Therefore, the legislature finds that residential telephone users in the state are entitled to the option of having their phones blocked from access to information delivery services.

(2) It is the intent of the legislature that the utilities and transportation commission and local exchange companies, to the extent feasible, distinguish between information delivery services that are misleading to consumers, directed at minors, or otherwise objectionable and adopt policies and rules that accomplish the purposes of this act with the least adverse effect on information delivery services that are not misleading to consumers, directed at minors, or otherwise objectionable.

NEW SECTION. Sec. 2. A new section is added to chapter 80.36 RCW to read as follows:

(1) As used in this section:

(a) 'Information delivery services' means telephone recorded messages, interactive programs, or other information services that are provided for a charge to a caller through an exclusive telephone number prefix.

(b) 'Information providers' means the persons or corporations that provide the information, prerecorded message, or interactive program for the information delivery service. The information provider generally receives a portion of the revenue from the calls.

(c) 'Interactive program' means a program that allows an information delivery service caller, once connected to the information provider's announcement machine, to use the caller's telephone device to access more specific information.

(2) The utilities and transportation commission shall by rule require any local exchange company that offers information delivery services to a local telephone exchange to provide each residential telephone subscriber the opportunity to block access to all information delivery services offered through the local exchange company. The rule shall take effect by October 1, 1988.

(3) All costs of complying with this section shall be borne by the information providers.

(4) The local exchange company shall inform subscribers of the availability of the blocking service through a bill insert and by publication in a local telephone directory.

NEW SECTION. Sec. 3. By October 1, 1988, the commission shall investigate and report to the committees on energy and utilities in the house of representatives and the senate on methods to protect minors from obscene, indecent, and salacious materials available through the use of information delivery services. The investigation shall include a study of personal identification numbers, credit cards, scramblers, and beep-tone devices as methods of limiting access.

NEW SECTION. Sec. 4. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

In line 1 of the title, after "telecommunications," strike the remainder of the title and insert "adding a new section to chapter 80.36 RCW; and creating new sections."

and the same is herewith transmitted.

W. D. Naismith, Assistant Secretary.

The Speaker assumed the Chair.

The House resumed consideration of Substitute House Bill No. 1568 from the previous day. (See Journal, 58th Day, March 8, 1988.)

SUBSTITUTE HOUSE BILL NO. 1568, by Committee on Education (originally sponsored by Representatives Todd, Leonard, Crane, Pruitt and Ebersole)

Including school administrators in the excellence in education program.

The Speaker stated the question before the House to be the point of order by Mr. Peery regarding the amendment on page 3, after line 9 by Senators Rinehart, Bailey, Smitherman, Saling and Gaspard; the amendment on page 3, after line 9 by Senators Rinehart, Bailey, Smitherman, Saling, Pullen and Gaspard; and the related title amendments to Substitute House Bill No. 1568.

SPEAKER'S RULING

The Speaker: Representative Peery, the Speaker has examined both Substitute House Bill No. 1568 and the Senate amendments. On the first amendment on page 3, line 9 (labelled “3/6A” by Senators Rinehart, Bailey, Smitherman, Saling and Gaspard), I find that the bill amends the Washington Awards for Excellence in Education Program to allow administrators to be included. The Senate amendments create a new program. That does not fall within the heading of perfecting a bill: it is expanding the scope of it and adding a program. On your first point, Representative Peery, that is clearly outside the scope and object. Your point is well taken on the first amendment.

The second Senate amendment to Substitute House Bill No. 1568, starting on page 3, line 9 and labelled “3/6B” (by Senators Rinehart, Bailey, Smitherman, Saling, Pullen and Gaspard), allows for the contracting of service to allow highly capable students to attend the University of Washington. Again, it is clearly not within the original scope of the bill. It is not a perfecting amendment: it tries to expand the scope of the bill. Your point on the second amendment also, Representative Peery, is well taken. The amendment is outside the scope and object of the bill.

MOTION

Mr. Peery moved that the House refuse to concur in the Senate amendments on page 3, after line 9 by Senator Rinehart and others (labelled 3/6A and 3/6B) to Substitute House Bill No. 1568 and ask the Senate to recede therefrom. The motion was carried.
The House resumed consideration of Engrossed House Bill No. 1630 from the previous day. (See Journal, 58th Day, March 8, 1988.)

ENGROSSED HOUSE BILL NO. 1630, by Representatives Walk, Schmidt and Gallagher; by request of Department of Licensing

Requiring insurance for continued registration of tow truck operators.

The Speaker stated the question before the House to be the point of order by Ms. Schmidt regarding the Senate amendments to Engrossed House Bill No. 1630

SPEAKER'S RULING

The Speaker: The Speaker has examined Engrossed House Bill No. 1630, a very simple bill which says that a licensed tow truck operator loses his license if his insurance is cancelled. The Senate amendments to the bill broaden the scope of the bill to list who should be registered and about how the registration fees are levied. I find that the amendments are clearly outside the scope of the original bill and not perfecting amendments. Your point, therefore, Representative Schmidt is well taken.

MOTION

Mr. Walk moved that the House refuse to concur in the Senate amendments to Engrossed House Bill No. 1630 and ask the Senate to recede therefrom. The motion was carried.

The House resumed consideration of Substitute House Bill No. 1745 from the previous day. (See Journal, 58th Day, March 8, 1988.)

SUBSTITUTE HOUSE BILL NO. 1745, by Committee on Education (originally sponsored by Representatives Peery, Holm, Taylor, Rasmussen, Betrozoff, Cole, Haugen, Holland, P. King, Schoon, D. Sommers, Dorn and Ebersole)

Specifying when school directors officially start their terms of office.

The Speaker stated the question before the House to be the point of order by Ms. Cole regarding the Senate amendments to Substitute House Bill No. 1745

SPEAKER'S RULING

The Speaker: Representative Cole, the Speaker has examined Substitute House Bill No. 1745 and finds it a very direct bill, dealing with the date and term of office of local elected school board officials. It is very simple and direct. The Senate amendments allow for a change in the school board structure. The Speaker finds this is not a perfecting amendment; it is clearly outside the scope and object of the original bill. Your point is well taken, Representative Cole.

MOTION

Mr. Peery moved that the House refuse to concur in the Senate amendments to Substitute House Bill No. 1745 and ask the Senate to recede therefrom. The motion was carried.

The House resumed consideration of Substitute House Bill No. 1752 from the previous day. (See Journal, 58th Day, March 8, 1988.)

SUBSTITUTE HOUSE BILL NO. 1752, by Committee on Natural Resources (originally sponsored by Representatives Spanel, S. Wilson, Haugen, Sayan, Fox, Hargrove, Cole, Kremen, Amondson, Braddock, Schmidt, Sanders and Cooper)

Authorizing one day not-for-profit smelt fishing derbies.

The Speaker stated the question before the House to be the point of order by Ms. K. Wilson regarding the Senate amendment to Substitute House Bill No. 1752

SPEAKER'S RULING

The Speaker: Representative Wilson, the Speaker has examined the original Substitute House Bill No. 1752 and finds that it deals with a very narrow special event occasion. On that occasion you could exempt, in this case smelt dippers, from having a license. The Senate amendment broadens it far beyond the original scope and object to simply say that you never need a license for dipping smelt.
The original intention was very narrow, confined to a special event. The Speaker finds, Representative Wilson, that your point is well taken; that the amendment is clearly outside the scope and object of the original bill.

MOTION

(2) The claimant must have and keep in force fire and casualty insurance in sufficient amount to protect the interest of the state in the claimant's equity value; PROVIDED, That if the claimant fails to keep fire and casualty insurance in force to the extent of the state's interest in the claimant's equity value, the amount deferred shall not exceed one hundred percent of the claimant's equity value in the land or lot only.

(3) In the case of special assessment deferral, the claimant must have opted for payment of such special assessments on the installment method if such method was available.

Sec. 15. Section 35, chapter 291, Laws of 1975 1st ex. sess. as last amended by section 23, chapter 220. Laws of 1984 and RCW 84.38.100 are each amended to read as follows:

This lien may accumulate up to eighty percent of the amount of the claimant's equity value in said property and shall bear interest at the rate of eight percent per year from the time it could have been paid before delinquency until said obligation is paid: PROVIDED, That when taxes are deferred as provided in RCW 84.64.030 or 84.64.050, the amount shall bear interest at the rate of eight percent per year from the date the declaration is filed until the obligation is paid. In the case of a mobile home, the department of licensing shall show the state's lien on the certificate of ownership for the mobile home. In the case of all other property, the department of revenue shall file a notice of the deferral with the county recorder or auditor.

Sec. 16. Section 37, chapter 291, Laws of 1975 1st ex. sess. as amended by section 25, chapter 220. Laws of 1984 and RCW 84.38.120 are each amended to read as follows:

After receipt of the notification from the county assessor of the amount of deferred special assessments and/or real property taxes the department shall pay, from amounts appropriated for that purpose, to the treasurers of such municipal corporations said amounts, equivalent to the amount of special assessments and/or real property taxes deferred, to be distributed to the local improvement or taxing districts which levied the taxes so deferred: PROVIDED, That when taxes are deferred as provided in RCW 84.64.030 or 84.64.050, the department shall pay to the treasurer of the county the amount equivalent to all taxes, foreclosure costs, interest, and penalties accrued to the date the declaration to defer is filed.

Sec. 17. Section 2, chapter 155, Laws of 1980 and RCW 84.40.030 are each amended to read as follows:

All property shall be valued at one hundred percent of its true and fair value in money and assessed on the same basis unless specifically provided otherwise by law.

Taxable leasehold estates shall be valued at such price as they would bring at a fair, voluntary sale for cash without any deductions for any indebtedness owed including rentals to be paid. Notwithstanding any other provisions of this section or of any other statute, when the value of any taxable leasehold estate created prior to January 1, 1971 is being determined for assessment years prior to the assessment year 1973, there shall be deducted from what would otherwise be the value thereof the present worth of the rentals and other consideration which may be required of the lessee by the lessor for the unexpired term thereof: PROVIDED, That the foregoing provisions of this sentence shall not apply to any extension or renewal, made after December 31, 1970 of the term of any such estate, or to any such estate after the date, if any, provided for in the agreement for rental renegotiation.

The true and fair value of real property for taxation purposes (including property upon which there is a coal or other mine, or stone or other quarry) shall be based upon the following criteria:

(1) Any sales of the property being appraised or similar (property) properties with respect to sales made within the past five years. The appraisal shall take into consideration political restrictions such as zoning as well as physical and environmental influences. The appraisal shall also take into account, (a) in the use of sales by real estate contract as similar sales, the extent, if any, to which the stated selling price has been increased by reason of the down payment, interest rate, or other financing terms; and (b) the extent to which the sale of a similar property actually represents the general effective market demand for property of such type, in the geographical area in which such property is located. Sales involving deed releases or similar seller-developer financing arrangements shall not be used as sales of similar property.

(2) In addition to sales as defined in subsection (1), consideration may be given to cost, cost less depreciation, reconstruction cost less depreciation, or capitalization of income that would be derived from prudent use of the property. In the case of property of a complex nature, or being used under terms of a franchise from a public agency, or operating as a public utility, or
property not having a record of sale within five years and not having a significant number of sales of similar property in the general area, the provisions of this subsection (2) shall be the dominant factors in valuation. When provisions of this subsection (2) are relied upon for establishing values the property owner shall be advised upon request of the factors used in arriving at such value.

(3) In valuing any tract or parcel of real property, the value of the land, exclusive of structures thereon shall be determined; also the value of structures thereon, but the valuation shall not exceed the value of the total property as it exists. In valuing agricultural land, growing crops shall be excluded.

((He)) In valuing any building with an unconventional heating, cooling, domestic water heating or electrical system before December 31, 1987, the value placed on the building shall not exceed the value which would be placed on the building if it had a conventional system.)

Sec. 18. Section 84.40.040. chapter 15. Laws of 1961 as last amended by section 5, chapter 46. Laws of 1982 1st ex. sess. and RCW 84.40.040 are each amended to read as follows:

The assessor shall begin the preliminary work for each assessment not later than the first day of December of each year in all counties in the state. (He) The assessor shall also complete the duties of listing and placing valuations on all property by May 31st of each year, except that the listing and valuation of construction under RCW 36.21.040 through 36.21.080 shall be completed by August 31st of each year, and in the following manner, to wit:

((He)) The assessor shall actually determine as nearly as practicable the true and fair value of each tract or lot of land listed for taxation and of each improvement located thereon and shall enter one hundred percent of the value of such land and of the total value of such improvements, together with the total of such one hundred percent valuations, opposite each description of property on ((his)) the assessment list and tax roll.

((He)) The assessor shall make an alphabetical list of the names of all persons in ((his)) the county liable to assessment of personal property, and require each person to make a correct list and statement of such property according to the standard form prescribed by the department of revenue, which statement and list shall include, if required by the form, the year of acquisition and total original cost of personal property in each category of the prescribed form, and shall be signed and verified under penalty of perjury by the person listing the property; PROVIDED, That the assessor may list and value improvements on publicly owned land in the same manner as real property is listed and valued, including conformance with the revaluation program required under chapter 84.41 RCW. Such list and statement shall be filed on or before the last day of ((March); but the assessor, upon written request filed on or before such date and for good cause shown therein, shall allow a reasonable extension of time for filing)) April. The assessor shall on or before the 1st day of January of each year mail a notice to all such persons at their last known address that such statement and list is required, such notice to be accompanied by the form on which the statement or list is to be made: PROVIDED, That the notice mailed by the assessor to each taxpayer each year shall, if practicable, include the statement and list of personal property of the taxpayer for the preceding year. Upon receipt of such statement and list the assessor shall thereupon determine the true and fair value of the property included in such statement and enter one hundred percent of the same ((him)) on the assessment ((books)) roll opposite the name of the party assessed; and in making such entry in ((his)) the assessment list, ((he)) the assessor shall give the name and post office address of the party listing the property, and if the party resides in a city the assessor shall give the street and number or other brief description of ((his)) the party's residence or place of business. The assessor may, after giving written notice of ((his)) the action to the person to be assessed, add to the assessment list any taxable property which ((in his judgment)) should be included in such list.

Sec. 19. Section 84.40.060. chapter 15. Laws of 1961 as amended by section 37, chapter 149. Laws of 1967 ex. sess. and RCW 84.40.060 are each amended to read as follows:

Upon receipt of the verified statement of personal property, the assessor shall assess the value of such property ((and enter fifty percent of the same in his books)): PROVIDED, If any property is listed or assessed on or after the 31st day of May, the same shall be legal and binding as if listed and assessed before that time; PROVIDED, FURTHER, That any statement of taxable property which is not signed by the person listing the property and which is not verified under penalty of perjury shall not be accepted by the assessor nor shall it be considered in any way to constitute compliance, or an attempt at compliance, with the listing requirements of this chapter.

Sec. 20. Section 84.40.130. chapter 15. Laws of 1961 as amended by section 38, chapter 149. Laws of 1967 ex. sess. and RCW 84.40.130 are each amended to read as follows:

During which such failure continues not exceeding twenty-five percent in the aggregate. Such penalty shall be collected in the same manner as the tax to which it is added.

(2) If any person or corporation shall willfully give a false or fraudulent list, schedule or statement required by this chapter, or shall, with intent to defraud, fall or refuse to deliver any list, schedule or statement required by this chapter, such person or corporation shall be liable for the additional tax properly due or, in the case of willful failure or refusal to deliver such list, schedule or statement, the total tax properly due; and in addition such person or corporation shall be liable for a penalty of one hundred percent of such additional tax or total tax as the case may be. Such penalty shall be in lieu of the penalty provided for in subsection (1) of this section. A person or corporation giving a false list, schedule or statement shall not be subject to this penalty if it is shown that the misrepresentations contained therein are entirely attributable to reasonable cause. The taxes and penalties provided for in this subsection shall be recovered in an action in the name of the state of Washington on the complaint of the county assessor or the county legislative authority for each day of actual attendance of the meeting of the board of equalization to be held.

The board shall make findings of the facts upon which it bases its decision on all matters submitted to it, and when so made the assessment and levy shall have the same force as if made in the first instance, and the county treasurer shall proceed to collect the taxes due on the rolls as modified.

POINT OF ORDER

Mr. Appelwick: I would ask that the Speaker rule on the scope and object of the Senate amendments to Substitute House Bill No. 1754.

SPEAKER'S RULING

The Speaker: Representative Appelwick, the Speaker has examined Substitute House Bill No. 1754 and the Senate amendments. Substitute House Bill No. 1754 is an act relating to tax administration and deals with a host of administrative procedures. The Senate amendments broaden the scope of the bill by creating other tax exemptions; it exempts use tax application from any donated governmental equipment. The amendment, no matter how worthy, is clearly outside the scope and object of the bill. Your point is well taken.
Mr. Appelwick moved that the House refuse to concur in the Senate amendments to Substitute House Bill No. 1754 and ask the Senate to recede therefrom. The motion was carried.

The Speaker called on Representative Appelwick to preside.

SENATE AMENDMENTS TO HOUSE BILL

Mr. Speaker:
The Senate has passed SUBSTITUTE HOUSE BILL NO. 1845 with the following amendments:

At the end of the one-year period any unclaimed firearm shall be disposed of pursuant to RCW 9.41.098(2):

(3) Destroy an item of personal property at the discretion of the county sheriff if the following circumstances have occurred:
   (a) The item has been in the possession of the sheriff's office for a period of at least one year from the time of first possession by the office;

   (c) The county sheriff has determined that the item is unsafe and unable to be made safe for use by any member of the general public; or

MESSAGE FROM THE SENATE

March 9. 1988

Mr. Speaker:

The Senate has adopted the revised report of the Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 1420 and has granted said committee the powers of Free Conference. The Report of the Conference Committee is herewith transmitted.

W. D. Naismith, Assistant Secretary.

REPORT OF CONFERENCE COMMITTEE

March 8. 1988

Mr. Speaker:

We of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 1420, revising provisions on property taxes, have had the same under consideration and we report that we are unable to agree and we respectfully request the powers of Free Conference in order to amend the bill as follows:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that, due to statutory and constitutional limitations, the interdependence of the regular property tax levies of the state, counties, county road districts, cities and towns, and junior taxing districts can cause significant reductions in the otherwise authorized levies of those taxing districts, resulting in serious disruptions to essential services provided by those taxing districts. The purpose of this act is to avoid unnecessary reductions in regular property tax revenue without exceeding existing statutory and constitutional tax limitations on cumulative regular property tax levy rates. The legislature declares that it is a purpose of the state, counties, county road districts, cities and towns, public hospital districts, library districts, fire protection districts, metropolitan park districts, and other taxing districts to participate in the methods provided by this act by which revenue levels supporting the services provided by all taxing districts might be maintained.

Sec. 2. Section 1, chapter 107, Laws of 1986 and RCW 39.67.010 are each amended to read as follows:

Any agreement or contract between two taxing districts other than the state which is otherwise authorized by law may be made contingent upon a particular property tax levy rate of an identified taxing district other than the state where such rate affects the regular property tax rate of one of the parties to the contract and therefore affects the party's resources with which to perform under the contract. The governing body of every taxing district that could have its tax levy adversely affected by such a contract shall be notified about the contract.

This section shall expire December 31, 1988.

Sec. 3. Section 2, chapter 107, Laws of 1986 and RCW 39.67.020 are each amended to read as follows:

Any taxing district other than the state may transfer funds to another taxing district other than the state where the regular property tax levy rate of the second district may affect the regular property tax levy rate of the first district and where such transfer is part of an agreement whereby proration or reduction of property taxes is lessened or avoided. The governing body of every taxing district that could have its tax levy adversely affected by such an agreement shall be notified about the agreement.

This section shall expire December 31, 1988.

Sec. 4. Section 3, chapter 107, Laws of 1986 and RCW 84.55.092 are each amended to read as follows:

The regular property tax (levies) levy for each taxing district other than the state (for taxes due in 1987 through 1991) may be set at the amount which would (otherwise) be
allowed otherwise under this chapter if the regular property tax levy for the district for taxes due in prior years beginning with 1986 (and 1987) had been set at the full amount allowed under this chapter.

The purpose of this section is to remove the incentive for a taxing district to maintain its tax levy at the maximum level permitted under this chapter, and to protect the future levy capacity of a taxing district that reduces its tax levy below the level that it otherwise could impose under this chapter, by removing the adverse consequences to future levy capacities resulting from such levy reductions.

Sec. 5. Section 134, chapter 195, Laws of 1973 1st ex. sess. and RCW 84.52.043 are each amended to read as follows:

Within and subject to the limitations imposed by RCW 84.52.050 as amended, the regular ad valorem tax levies upon real and personal property by the taxing districts hereafter named shall be as follows:

(1) Levies of the senior taxing districts shall be as follows: (a) The levy by the state shall not exceed three dollars and sixty cents per thousand dollars of assessed value adjusted to the state equalized value in accordance with the indicated ratio fixed by the state department of revenue to be used exclusively for the support of the common schools; (b) the levy by any county shall not exceed one dollar and eighty cents per thousand dollars of assessed value; (c) the levy (for) by any road district shall not exceed two dollars and twenty-five cents per thousand dollars of assessed value; and (d) the levy by (for) any city or town shall not exceed three dollars and thirty-seven and one-half cents per thousand dollars of assessed value.

(2) Except as provided in RCW 84.52.100, the aggregate levies of junior taxing districts and senior taxing districts, other than the state, shall not exceed five dollars and fifty-five cents per thousand dollars of assessed valuation. The term 'junior taxing districts' includes all taxing districts other than the state, counties, road districts, cities, towns, port districts, and public utility districts. The limitations provided in this subsection shall not apply to: (a) Levies at the rates provided by existing law by or for any port or public utility district; (b) excess property tax levies authorized in Article VII, section 2 of the state Constitution; (c) levies for acquiring conservation futures as authorized under RCW 84.34.230; and (d) levies for emergency medical care or emergency medical services imposed under RCW 84.52.059.

It is the intent of the legislature that the provisions of this section shall supersede all conflicting provisions of law including (section 24, chapter 299, Laws of 1971 1st ex. sess. and section 6, chapter 124, Laws of 1972 1st ex. sess.) RCW 84.52.050.

Sec. 6. Section 7, chapter 138, Laws of 1987 and RCW 84.52.100 are each amended to read as follows:

(1) The governing body of any library district, public hospital district, metropolitan park district, or fire protection district may provide for the submission of a ballot proposition to the voters of the taxing district authorizing the taxing district to maintain its otherwise authorized tax levy rate, and authorizing an increase in the cumulative regular property tax limitation established in RCW 84.52.043 of (nine) five dollars and (fifteen) fifty-five cents per thousand dollars of assessed valuation within the taxing district, as provided in this section. A fire protection district may use this authority to increase its regular property tax levy up to fifty cents per thousand dollars of assessed valuation.

(2) A resolution by a governing body, requesting that a special election be called to submit such a ballot proposition to the voters, must be transmitted to the county legislative authority of the county, or county legislative authorities of the counties, within which the taxing district is located, at least forty-five days before the special election date at which the ballot proposition is submitted. The ballot proposition shall be worded substantially as follows:

'Shall the cumulative limitation on most regular property tax rates be increased by an amount not exceeding thirty-five cents per thousand dollars of assessed valuation for a five
consecutive year period allowing (insert the name of the taxing district) to maintain its other­
wise statutory authorized property tax rate?"

The ballot proposition for a fire protection district shall be worded substantially as follows:
"Shall the cumulative limitation on most regular property tax rates be increased by an
amount not exceeding thirty-five cents per thousand dollars of assessed valuation for a five
consecutive year period allowing (insert the name of the taxing district) to permit the fire pro­
tection district to impose its property tax at a value up to fifty cents per thousand dollars of
assessed valuation?"

Approval of this ballot proposition by a simple majority vote shall authorize the following
for the succeeding five consecutive year period: (a) Property tax rates of junior taxing districts
are calculated first as if this proposition had not been approved; (b) subject to the one hundred
six percent limitation, the regular property tax rate of the taxing district receiving such
authorization is increased to a level not exceeding the lesser of: (i) Its maximum statutory authorized
regular property tax rate; or (ii) whatever tax rate it otherwise would have been able to
impose plus an additional thirty-five cents per thousand dollars of assessed valuation; and (c)
the cumulative property tax rate limitation is increased within the boundaries of the taxing dis­
trict receiving this authorization to an amount equal to ((nine)) five dollars and ((fifteen)) fifty­
five cents per thousand dollars of assessed valuation plus the increased amount of the regular
levy rate of this taxing district, but not to exceed ((nine)) five dollars and ((fifty)) ninety cents
per thousand dollars of assessed valuation.

(3) If two or more taxing districts that occupy a portion of the same territory receive such
approval, the additional authorized taxing capacity above ((nine)) five dollars and ((fifteen)) fifty­
five cents per thousand dollars of assessed valuation shall be distributed among these
taxing districts by adjusting their levy rate requests in the same manner and under the same
conditions as if they were the only taxing districts in the area subject to adjustment of their
property tax rates and the levy rate adjustments were being made with the cumulative limitation
of ((nine)) five dollars and ((fifteen)) fifty-five cents per thousand dollars of assessed valuation.

(4) Levies authorized under RCW 84.52.069 are not subject to the rate adjustments and the
((nine)) five dollar and ((fifteen)) ninety cent per thousand dollar of assessed valuation cumulative
limitation on regular property tax rates established by this section.

Sec. 7. Section 84.52.010, chapter 15, Laws of 1961 as last amended by section 1, chapter
255, Laws of 1987 and RCW 84.52.010 are each amended to read as follows:

Except as is permitted under RCW 84.55.050, all taxes shall be levied or voted in specific
amounts.

The rate percent of all taxes for state and county purposes, and purposes of taxing districts
coextensive with the county, shall be determined, calculated and fixed by the county assessors
of the respective counties, within the limitations provided by law, upon the assessed valuation
of the property of the county, as shown by the completed tax rolls of the county, and the rate
percent of all taxes levied for purposes of taxing districts within any county shall be deter­
ned, calculated and fixed by the county assessors of the respective counties, within the limi­
tations provided by law, upon the assessed valuation of the property of the taxing districts
respectively.

When a county assessor finds that the aggregate rate of tax levy on any property, that is
subject to the limitations set forth in RCW 84.52.043 or 84.52.050, as now or hereafter amended,
exceeds the limitations provided in either of these sections, the assessor shall recomputes and
establish a consolidated levy in the following manner:

(1) The full certified rates of tax levy for state, county, county road district, and city or town
purposes shall be extended on the tax rolls in amounts not exceeding the limitations estab­
lished by law((: PROVIDED. That in the event of a levy made pursuant to RCW 64.34.230, the
rates of levy for county and county road district purposes shall be reduced in such uniform
percentages as will result in a consolidated levy by such taxing districts which will be no
greater on any property than a consolidated levy by such taxing districts would be if the levy
had not been made pursuant to RCW 64.34.230), subject to subsection (2)(e) of this section;
however any state levy shall take precedence over all other levies and shall not be reduced
for any purpose other than that required by RCW 84.55.019, and

(2) The certified rates of tax levy subject to these limitations by all junior taxing districts
imposing taxes on such property shall be reduced or eliminated as follows to bring the consol­
dated levy of taxes on such property within the provisions of these limitations:

(a) First, the certified property tax levy rates of those junior taxing districts authorized
under RCW 36.68.525, 36.69.145, and 67.38.130 shall be reduced on a pro rata basis or
eliminated;

(b) Second, if the consolidated tax levy rate still exceeds these limitations, the certified
property tax levy rates of flood control zone districts shall be reduced on a pro rata basis or
eliminated;

(c) Third, if the consolidated tax levy rate still exceeds these limitations, the certified prop­
erty tax levy rates of all other junior taxing districts, other than fire protection districts, public
hospital districts, metropolitan park districts, and library districts, shall be reduced on a pro rata basis or eliminated:

(d) Fourth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.140 and 52.16.160 shall be reduced on a pro rata basis or eliminated: 

(e) Fifth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized for cities and towns, fire protection districts under RCW 52.16.130, public hospital districts, metropolitan park districts, and library districts shall be adjusted as provided in section 8 of this 1988 act: and

(f) Sixth, if the consolidated tax levy rate still exceeds these limitations, the certified property tax levy rates authorized to fire protection districts under RCW 52.16.130, and the certified property tax levy rates of public hospital districts, metropolitan park districts, and library districts, shall be reduced on a pro rata basis or eliminated.

NEW SECTION. Sec. 8. A new section is added to chapter 84.52 RCW to read as follows:

(1) In any county, if, after any reduction in levy rates required by RCW 84.52.010(2)(a) through (d), the consolidated tax levy rate still exceeds the limitations in RCW 84.52.043 or 84.52.050, then the department pursuant to rules shall direct the county assessor to adjust the regular property tax levy rates in the following manner:

(a) First, the assessor determines a first preliminary rate pursuant to RCW 84.52.010(2)(f).
(b) Second, the assessor determines a second preliminary rate which is the additional rate, if any, permitted by RCW 84.52.100.

(i) If the preliminary rates together are sufficient to permit all rates subject to RCW 84.52.010(2)(f) to be levied without reduction, then the assessor shall extend on the tax rolls the full certified rates pursuant to RCW 84.52.010(2)(f) and 84.52.100.

(ii) If the preliminary rates together are not sufficient to permit all rates subject to RCW 84.52.010(2)(f) to be levied without reduction pursuant to both RCW 84.52.010(2)(f) and 84.52.100, the assessor shall reduce the rate of the taxing district subject to RCW 84.52.010(2)(e) with the smallest assessed valuation such that, after first allowing for any additional rate permitted by RCW 84.52.100, there is no reduction of the rates under RCW 84.52.010(2)(f). Where the reduction of the levy of a taxing district is not sufficient, the taxing district with the next smallest assessed valuation shall have its levy reduced under this subsection until there is no reduction of rates under RCW 84.52.010(2)(f). The assessor shall then extend on the tax rolls the rates derived pursuant to this subsection (b)(ii).

(2) The taxing districts whose levies would have been reduced but for subsection (1) of this section shall pay to each district that had its levy so reduced pursuant to subsection (1) of this section a proportionate share of the reduced amount based on the amount by which each district would have had its total levy rate reduced if subsection (1) of this section were not in effect and the rates had been adjusted pursuant to RCW 84.52.010(2)(f) and 84.52.100.

(a) In the case of a public hospital district, library district, fire protection district, or metropolitan park district whose levy is reduced under subsection (1) of this section, the district shall bear a proportionate share as if its rates were sufficient to collect its certified levy.

(b) In the case of a city or town that is annexed by a library district or a fire protection district, which city's or town's levy is reduced under this section, or in a tax code area where a levy rate is reduced under this section, the city or town shall forgo receipt of, or pay to each district whose levy rate is reduced, ten percent of the amount which would otherwise be paid to the city or town from each district whose levy rate is not reduced as a result of subsection (1) of this section, collectively not to exceed one-half of the following amount: The assessed valuation of the reduced district multiplied by a rate equal to the city's or town's levy rate, calculated based on its certified levy request, plus the rate(s) of the annexing district(s) minus the rate the city or town would have been able to levy were it not annexed, not to exceed twenty-two and one-half cents.

(3) Fifty-five percent of the amount under subsection (2) of this section shall be distributed on or before May 31 of the tax collection year for which the levy is reduced and forty-five percent on or before November 30 of that year.

(4) This section shall expire on December 31, 1989.

NEW SECTION. Sec. 9. The department of revenue shall adopt such rules consistent with this act as shall be necessary or desirable to permit its effective administration. The rules shall provide how section 8 of this act shall apply to a taxing district that has received authorization to increase its levy according to RCW 84.52.100 and use the method that will be the least costly to all taxing districts involved.

NEW SECTION. Sec. 10. There is created in the custody of the state treasurer an account to be known as the 'small county assistance account.' Effective July 1, 1988, and notwithstanding RCW 43.84.092, one-half of the investment income earned on moneys in the local sales and use tax account created by RCW 82.14.050 and which has not been distributed according to RCW 82.14.060 shall be placed into this account. Any moneys in the account on December 31, 1989, shall be transferred to the general fund.

The state treasurer shall disburse moneys from this account, upon certification by the director of revenue, to each fifth class and smaller county that contracts with, or transfers funds
to a taxing district or districts under RCW 39.67.010 or 39.67.020 if, as a result of the contracts or transfers, the county is able to increase its county-wide general tax levy above one dollar and eighty cents per thousand dollars of assessed valuation, in accordance with RCW 84.52.043.

Each eligible county shall receive an amount of money from this account that is equal to the amount that the county transfers or pays to the other taxing district or districts. One-half of the distributions shall be made to each eligible county on or before April 30, 1989, and one-half of the distributions shall be made to each eligible county on or before October 31, 1989. These amounts shall be proportionally reduced if the moneys in the account are insufficient to reimburse the full amount that these counties transferred or paid to such taxing districts. Distributions from this account are not subject to appropriation.

Each county that so transfers or pays moneys to taxing districts shall provide evidence of such arrangements to the director of revenue on or before January 31, 1989. The director of revenue shall certify to the state treasurer each county that is eligible for such disbursements and the amount that the county so transferred or paid.

This section expires January 1, 1990.

NEW SECTION. Sec. 11. The sum of one hundred thousand dollars is appropriated for the biennium ending June 30, 1989, from the general fund to the small county assistance account to be used exclusively for purposes specified in section 10 of this act.

NEW SECTION. Sec. 12. A new section is added to chapter 52.04 RCW to read as follows:

Any attempted annexation in 1987 and thereafter by a fire protection district of contiguous territory, that is located in a county other than the county in which the fire protection district was located, is validated where the annexation would have occurred if the territory had been located in the same county as the fire protection district. The effective date of such annexations occurring in 1987 shall be February 1, 1988, for purposes of establishing the boundaries of taxing districts for purposes of imposing property taxes as provided in RCW 84.09.030.

Any reference to a county official of the county in which a fire protection district is located or proposed to be located shall be deemed to refer to the appropriate county official of each county in which the fire protection district is located or proposed to be located.

NEW SECTION. Sec. 13. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

On page 1. line 1 of the title, after "taxes," strike the remainder of the title and insert "amending RCW 39.67.010, 39.67.020, 84.55.092, 84.52.043, 84.52.100, and 84.52.010; adding a new section to chapter 52.04 RCW; adding a new section to chapter 52.04 RCW; creating new sections; and making an appropriation."

"NEW SECTION. Sec. 14. The training center general population housing units at the Washington correction center at Shelton shall be subject to an inmate population limit of no more than one hundred fifteen percent of the rated capacity. However, the governor may declare an emergency and increase by fifteen percent for a twelve-month period of time the population limitation of the training center general population housing units."

Renumber the sections consecutively and correct internal references accordingly.

On page 12, after line 9 of the Substitute House Bill, insert the following:

"Sec. 20. Section 1, chapter 402, Laws of 1987 and section 2, chapter 456, Laws of 1987 and RCW 9.94A.120 are each reenacted and amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

1) Except as authorized in subsections (2), (5), and (7) of this section, the court shall impose a sentence within the sentence range for the offense.

2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence."
(4) An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than three years, and shall not be eligible for furlough, work release or other authorized leave of absence from the correctional facility during such minimum three year term except for the purpose of commitment to an inpatient treatment facility. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section.

(5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision. which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(a) Devote time to a specific employment or occupation;
(b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;
(c) Pursue a prescribed, secular course of study or vocational training;
(d) Remain within prescribed geographical boundaries and notify the court or the community corrections officer (ccf) prior to any change in the offender’s address or employment;
(e) Report as directed to the court and a community corrections officer; or
(f) Pay a fine and/or accomplish some community service work.

(d) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or a fine. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(7) (a) When an offender is convicted of a sex offense other than a violation of RCW 9A.44-040 or RCW 9A.44.050 and has no prior convictions for a sex offense or any other felony sexual offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

After receipt of the reports, the court shall then determine whether the offender and the community will benefit from use of this special sexual offender sentencing alternative. If the court determines that both the offender and the community will benefit from use of this provision, the court shall then impose a sentence within the sentence range and, if this sentence is less than six years of confinement, the court may suspend the execution of the sentence and place the offender on community supervision for up to two years. As a condition of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Undergo available outpatient sex offender treatment for up to two years, or inpatient sex offender treatment not to exceed the standard range of confinement for that offense. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment;
(iii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer (ccf) prior to any change in the offender’s address or employment;
(iv) Report as directed to the court and a community corrections officer;
(v) Pay a fine, accomplish some community service work, or any combination thereof; or
(vi) Make recoupment to the victim for the cost of any counseling required as a result of the offender’s crime.

If the offender violates these sentence conditions the court may revoke the suspension and order execution of the sentence. All confinement time served during the period of community supervision shall be credited to the offender if the suspended sentence is revoked.

(b) When an offender is convicted of any felony sexual offense committed before July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, order the offender committed for up to thirty days to the custody of the secretary of social and health services for evaluation and report to the court on the offender’s amenability to treatment at these facilities. If the secretary of social and health services cannot begin the evaluation within thirty days of the court’s order of commitment, the offender shall be transferred to the state for confinement pending an opportunity to be evaluated at the appropriate facility. The court shall review the reports and may order that the term of confinement imposed be served in the sexual offender treatment program at the location determined by the secretary of social and
health services or the secretary’s designee, only if the report indicates that the offender is amenable to the treatment program provided at these facilities. The offender shall be transferred to the state pending placement in the treatment program. Any offender who has escaped from the treatment program shall be referred back to the sentencing court.

If the offender does not comply with the conditions of the treatment program, the secretary of social and health services may refer the matter to the sentencing court. The sentencing court shall commit the offender to the department of corrections to serve the balance of the term of confinement.

If the offender successfully completes the treatment program before the expiration of the term of confinement, the court may convert the balance of confinement to community supervision and may place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer ((of)) prior to any change in the offender’s address or employment;
(iii) Report as directed to the court and a community corrections officer;
(iv) Undergo available outpatient treatment.

If the offender violates any of the terms of community supervision, the court may order the offender to serve out the balance of the community supervision term in confinement in the custody of the department of corrections.

After June 30, 1993, this subsection (b) shall cease to have effect.

(c) When an offender commits any felony sexual offense on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

Except for an offender who has been convicted of violation of RCW 9A.44.040 or 9A.44.050, if the offender completes the treatment program before the expiration of his term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

(i) Devote time to a specific employment or occupation;
(ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer ((of)) prior to any change in the offender’s address or employment;
(iii) Report as directed to the court and a community corrections officer;
(iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his community supervision, the court may order the offender to serve out the balance of his community supervision term in confinement in the custody of the department of corrections.

Nothing in (c) of this subsection shall confer eligibility for such programs for offenders convicted and sentenced for a sexual offense committed prior to July 1, 1987.

(8) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(9) If a sentence imposed includes a fine or restitution, the sentence shall specify a reasonable manner and time in which the fine or restitution shall be paid. In any sentence under this chapter the court may also require the offender to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary (a) to pay court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required, (b) to make recoupment of the cost of defense attorney’s fees if counsel is provided at public expense, (c) to contribute to a county or interlocal drug fund, and (d) to make such other payments as provided by law. All monetary payments shall be ordered paid by no later than ten years after the date of the judgment of conviction.

(10) Except as provided under RCW 9.94A.140(1), a court may not impose a sentence providing for a term of confinement or community supervision which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(11) All offenders sentenced to terms involving community supervision, community service, restitution, or fines shall be under the supervision of the secretary of the department of corrections or such person as the secretary may designate and shall follow implicitly the instructions of the secretary including reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, and notifying the community corrections officer of any change in the offender’s address or employment.

(12) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.
(13) A departure from the standards in RCW 9.94A.400(1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210(2) through (6).

(14) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

(15) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision.

(16) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release.

Sec. 21. Section 17, chapter 137, Laws of 1981 and RCW 9.94A.170 are each amended to read as follows:

(1) A term of confinement ordered in a sentence pursuant to this chapter shall be tolled by any period of time during which the offender has absented him or herself from (supervision) confinement without the prior approval of the entity in whose custody the offender has been placed. A term of partial confinement shall be tolled during any period of time spent in total confinement pursuant to a new conviction or pursuant to sanctions for violation of sentence conditions on a separate felony conviction.

(2) A term of supervision ordered in a sentence pursuant to this chapter shall be tolled by any period of time during which the offender has absented himself or herself from supervision without prior approval of the entity under whose supervision the offender has been placed.

(3) Any period of supervision shall be tolled during any period of time the offender is in confinement for any reason. However, if an offender is detained pursuant to RCW 9.94A.195 and is later found not to have violated a condition or requirement of supervision, time spent in confinement due to such detention shall not toll the period of supervision.

(4) For confinement sentences, the date for the tolling of the sentence shall be established by the entity responsible for the confinement. For sentences involving supervision, the date for the tolling of the sentence shall be established by the court, based on reports from the entity responsible for the supervision.

Sec. 22. Section 22, chapter 209, Laws of 1984 and RCW 9.94A.383 are each amended to read as follows:

On all sentences of confinement for one year or less, the court may impose up to one year of community supervision. (For confinement sentences, unless otherwise ordered by the court, the period of community supervision begins at the date of release from confinement. For non-confinement sentences, the period of community supervision begins at the date of entry of the judgment and sentence;) An offender shall be on community supervision as of the date of sentencing. However, during the time for which the offender is in total or partial confinement pursuant to the sentence or a violation of the sentence, the period of community supervision shall toll.

Sec. 23. Section 11, chapter 115, Laws of 1983 as last amended by section 5, chapter 456. Laws of 1987 and RCW 9.94A.400 are each amended to read as follows:

(1) (a) Except as provided in (b) of this subsection, whenever a person is to be sentenced for two or more current offenses, the sentence range for each current offense shall be determined by using all other current and prior convictions as if they were prior convictions for the purpose of the offender score; PROVIDED. That if the court enters a finding that some or all of the current offenses encompass the same criminal conduct then those current offenses shall be counted as one crime. Sentences imposed under this subsection shall be served concurrently. Consecutive sentences may only be imposed under the exceptional sentence provisions of RCW 9.94A.120 and 9.94A.390(2)(e) or any other provision of RCW 9.94A.390. 'Same criminal conduct,' as used in this subsection, means two or more crimes that require the same criminal intent, are committed at the same time and place, and involve the same victim. This definition does not apply in cases involving vehicular assault or vehicular homicide if the victims occupied the same vehicle. However, the sentencing judge may consider multiple victims in such instances as an aggravating circumstance under RCW 9.94A.390.

(b) Whenever a person is convicted of three or more serious violent offenses, as defined in RCW 9.94A.330, arising from separate and distinct criminal conduct, the sentence range for the offense with the highest seriousness level under RCW 9.94A.320 shall be determined using the offender's criminal history in the offender score and the sentence range for other serious violent offenses shall be determined by using an offender score of zero. The sentence range for any offenses that are not serious violent offenses shall be determined according to (a) of this subsection. All sentences imposed under (b) of this subsection shall be served consecutively to each other and concurrently with sentences imposed under (a) of this subsection.
(2) Whenever a person while under sentence of felony commits another felony and is sentenced to another term of imprisonment, the latter term shall not begin until expiration of all prior terms.

(3) Subject to subsections (1) and (2) of this section, whenever a person is sentenced for a felony that was committed while the person was not under sentence of a felony, the sentence shall run concurrently with any felony sentence which has been imposed by any court in this or another state or by a federal court subsequent to the commission of the crime being sentenced unless the court pronouncing the current sentence expressly orders that they be served consecutively.

On motion of Mr. Armstrong, the Report of the Conference Committee on Substitute House Bill No. 1445 was adopted and the committee was granted the powers of Free Conference.

REPORT OF CONFERENCE COMMITTEE

March 9, 1988

Mr. Speaker:

We of your Conference Committee, to whom was referred SUBSTITUTE SENATE BILL NO. 5595, establishing liens for owners of self-storage facilities, have had the same under consideration and we report that we are unable to agree, and we respectfully request the powers of Free Conference in order to amend the bill as follows:

Reject the House amendments (For amendments, see Journal, 51st Day, March 1, 1988);

Adopt the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. This chapter shall be known as the 'Washington self-service storage facility act.'

NEW SECTION. Sec. 2. For the purposes of this chapter, the following terms shall have the following meanings:

1) 'Self-service storage facility' means any real property designed and used for the purpose of renting or leasing individual storage space to occupants who are to have access to the space for the purpose of storing and removing personal property on a self-service basis, but does not include a garage or other storage area in a private residence. No occupant may use a self-service storage facility for residential purposes.

2) 'Owner' means the owner, operator, lessor, or sublessor of a self-service storage facility, his or her agent, or any other person authorized by him or her to manage the facility, or to receive rent from an occupant under a rental agreement.

3) 'Occupant' means a person, or his or her sublessee, successor, or assign, who is entitled to the use of the storage space at a self-service storage facility under a rental agreement, to the exclusion of others.

4) 'Rental agreement' means any written agreement or lease which establishes or modifies the terms, conditions, rules or any other provision concerning the use and occupancy of a self-service storage facility.

5) 'Personal property' means movable property not affixed to land, and includes, but is not limited to, goods, merchandise, furniture, and household items.

6) 'Last known address' means that address provided by the occupant in the latest rental agreement, or the address provided by the occupant in a subsequent written notice of a change of address.

NEW SECTION. Sec. 3. The owner of a self-service storage facility and his or her heirs, executors, administrators, successors, and assigns have a lien upon all personal property located at a self-service storage facility for rent, labor, or other charges, present or future, incurred pursuant to the rental agreement, and for expenses necessary for the preservation, sale, or disposition of personal property subject to this chapter. The lien may be enforced consistent with this chapter. However, any lien on a motor vehicle or boat which has attached and is set forth in the documents of title to the motor vehicle or boat shall have priority over any lien created pursuant to this chapter.

NEW SECTION. Sec. 4. When any part of the rent or other charges due from an occupant remains unpaid for six consecutive days, and the rental agreement so provides, an owner may deny the occupant access to the storage space at a self-service storage facility.

NEW SECTION. Sec. 5. When any part of the rent or other charges due from an occupant remains unpaid for fourteen consecutive days, an owner may terminate the right of the occupant to the use of the storage space at a self-service storage facility by sending a notice to the occupant's last known address, and to the alternative address specified in section 13(2) of this act, by first class mail, postage prepaid, containing all of the following:

1) An itemized statement of the owner's claim showing the sums due at the time of the notice and the date when the sums become due.
(2) A statement that the occupant's right to use the storage space will terminate on a specified date (not less than fourteen days after the mailing of the notice) unless all sums due and to become due by that date are paid by the occupant prior to the specified date.

(3) A notice that the occupant may be denied or continue to be denied, as the case may be, access to the storage space after the termination date if the sums are not paid, and that an owner's lien, as provided for in section 3 of this act may be imposed thereafter.

(4) The name, street address, and telephone number of the owner, or his or her designated agent, whom the occupant may contact to respond to the notice.

NEW SECTION. Sec. 6. A notice in substantially the following form shall satisfy the requirements of section 5 of this act:

'PRELIMINARY LIEN NOTICE

to ________________________________ (occupant)
______________________________ (address)
______________________________ (state)

You owe and have not paid rent and/or other charges for the use of storage (space number) at ________________________________ (name and address of self-service storage facility) Charges that have been due for more than fourteen days and accruing on or before (date) are itemized as follows:

<table>
<thead>
<tr>
<th>DUE DATE</th>
<th>DESCRIPTION</th>
<th>AMOUNT</th>
</tr>
</thead>
<tbody>
<tr>
<td></td>
<td></td>
<td></td>
</tr>
</tbody>
</table>

If this sum is not paid in full before (date at least fourteen days from mailing)

your right to use the storage space will terminate, you may be denied, or continue to be denied, access and an owner's lien on any stored property will be imposed. You may pay the sum due and contact the owner at:

(Name)

(Address)

(State)

(Telephone)

(Date)

(Owner's Signature)

NEW SECTION. Sec. 7. If a notice has been sent, as required by section 5 of this act, and the total sum due has not been paid as of the date specified in the preliminary lien notice, the lien proposed by this notice attaches as of that date and the owner may deny an occupant access to the space, enter the space, inventory the goods therein, and remove any property found therein to a place of safe keeping. The owner shall then serve by personal service or send to the occupant, addressed to the occupant's last known address and to the alternative address specified in section 13(2) of this act by certified mail, postage prepaid, a notice of lien sale or notice of disposal which shall state all of the following:

(1) That the occupant's right to use the storage space has terminated and that the occupant no longer has access to the stored property.

(2) That the stored property is subject to a lien, and the amount of the lien accrued and to accrue prior to the date required to be specified in subsection (3) of this section.

(3) That the property, other than personal papers and personal effects, may be sold to satisfy the lien after a specified date which is not less than fourteen days from the date of mailing the lien sale notice, or a minimum of forty-two days after the date when any part of the rent or other charges due from the occupants remain unpaid, whichever is later, unless the amount of the lien is paid. If the total value of property in the storage space is less than one hundred dollars, the owner may, instead of sale, dispose of the property in any reasonable manner, subject to the restrictions of section 9(3) of this act.

(4) That any excess proceeds of the sale or other disposition under section 9(2) of this act over the lien amount and costs of sale and any personal papers and personal effects will be retained by the owner and may be reclaimed by the occupant, or claimed by another person, at any time for a period of six months from the sale and that thereafter the proceeds and personal papers and effects will be turned over to the state as abandoned property as provided in section 21 of this act.

(5) That if the occupant was served with notice of the lien sale by mail, the occupant within six months after the date of the sale may repurchase from any purchaser or subsequent purchaser any of the occupant's property sold pursuant to section 9 of this act at the price paid by the original purchaser.

(6) That if notice of the lien sale was by personal service, the occupant has no right to repurchase any property sold at the lien sale.

NEW SECTION. Sec. 8. The owner, subject to sections 10 and 11 of this act, may sell the property, other than personal papers and personal effects, upon complying with the requirements set forth in section 9 of this act.

NEW SECTION. Sec. 9. (1) After the expiration of the time given in the notice of lien sale pursuant to section 7 of this act, the property, other than personal papers and personal effects, may be sold or disposed of in a reasonable manner.
(2)(a) If the property has a value of one hundred dollars or more, the sale shall be conducted in a commercially reasonable manner, and, after deducting the amount of the lien and costs of sale, the owner shall retain any excess proceeds of the sale on the occupant’s behalf. The occupant, or any other person having a court order or other judicial process against the property, may claim the excess proceeds, or a portion thereof sufficient to satisfy the particular claim, at any time within six months of the date of sale.

(b) If the property has a value of less than one hundred dollars, the property may be disposed of in a reasonable manner.

(3) No employee or owner, or family member of an employee or owner, may acquire, directly or indirectly, the property sold pursuant to subsection (2)(a) of this section or disposed of pursuant to subsection (2)(b) of this section.

(4) The owner is entitled to retain any interest earned on the excess proceeds until the excess proceeds are claimed by another person or are turned over to the state as abandoned property pursuant to section 21 of this act.

(5) After the sale or other disposition pursuant to this section has been completed, the owner shall provide an accounting of the disposition of the proceeds of the sale or other disposition to the occupant at the occupant’s last known address and at the alternative address.

NEW SECTION. Sec. 10. Any person who has a perfected security interest under Article 62A.9 RCW of the uniform commercial code may claim any personal property subject to the security interest and subject to a lien pursuant to this chapter by paying the total amount due, as specified in the lien notices, for the storage of the property. Upon payment of the total amount due, the owner shall deliver possession of the particular property subject to the security interest to the person who paid the total amount due. The owner shall not be liable to any person for any action taken pursuant to this section if the owner has fully complied with sections 6 and 7 of this act.

NEW SECTION. Sec. 11. Prior to any sale pursuant to section 9 of this act, any person claiming a right to the goods may pay the amount necessary to satisfy the lien and the reasonable expenses incurred for particular actions taken pursuant to this chapter. In that event, the goods shall not be sold, but shall be retained by the owner subject to the terms of this chapter pending a court order directing a particular disposition of the property.

NEW SECTION. Sec. 12. (1) Except as provided in subsection (2) of this section, a purchaser in good faith of goods disposed of pursuant to section 9(2) of this act takes the goods free of any rights of persons against whom the lien was claimed, despite noncompliance by the owner of the storage facility with this chapter.

(2) A purchaser or subsequent purchaser shall return the goods to the occupant if the occupant tenders the original purchase price plus any costs incurred by the original purchaser within six months of the date of the purchase, unless the occupant was personally served with notice of the lien sale. If the occupant was personally served, the occupant has no right to repurchase the property.

(3) If the occupant exercises his or her right to repurchase property pursuant to subsection (2) of this section, a subsequent purchaser is entitled to rescind any transaction with a previous purchaser.

NEW SECTION. Sec. 13. (1) Each contract for the rental or lease of individual storage space in a self-service storage facility shall be in writing and shall contain, in addition to the provisions otherwise required or permitted by law to be included, a statement requiring the occupant to disclose any lienholders or secured parties who have an interest in the property that is or will be stored in the self-service storage facility, a statement that the occupant’s property will be subject to a claim of lien and may even be sold to satisfy the lien if the rent or other charges due remain unpaid for fourteen consecutive days, and that such actions are authorized by this chapter.

(2) The lien authorized by this chapter shall not attach, unless the rental agreement requests, and provides space for, the occupant to give the name and address of another person to whom the preliminary lien notice and subsequent notices required to be given under this chapter may be sent. Notices sent pursuant to section 5 or 7 of this act shall be sent to the occupant’s address and the alternative address. If both addresses are provided by the occupant, the owner may address a notice to either or both addresses by the occupant. If an address for an occupant to provide an alternative address shall not affect an owner’s remedies under this chapter or under any other provision of law.

NEW SECTION. Sec. 14. Any insurance protecting the personal property stored within the storage space against fire, theft, or damage is the responsibility of the occupant. The owner is under no obligation to provide insurance.

NEW SECTION. Sec. 15. Nothing in this chapter may be construed to impair or affect the right of the parties to create additional rights, duties, and obligations which do not conflict with the provisions of this chapter. The rights provided by this chapter shall be in addition to all other rights provided by law to a creditor against his or her debtor.

NEW SECTION. Sec. 16. This chapter shall only apply to rental agreements entered into, extended, or renewed after the effective date of this section. Rental agreements entered into
before the effective date of this section which provide for monthly rental payments but providing no specific termination date shall be subject to this chapter on the first monthly rental payment date next succeeding the effective date of this section.

NEW SECTION. Sec. 17. All rental agreements entered into before the effective date of this section, and not extended or renewed after that date, or otherwise made subject to this chapter pursuant to section 16 of this act, and the rights, duties, and interests flowing from them, shall remain valid, and may be enforced or terminated in accordance with their terms or as permitted by any other statute or law of this state.

NEW SECTION. Sec. 18. If an owner issues any warehouse receipt, bill of lading, or other document of title for the personal property stored, the owner and the occupant are subject to Article 62A.7 RCW (commencing with RCW 62A.7-101) of the uniform commercial code and this chapter does not apply.

Sec. 19. Section 6, chapter 205, Laws of 1982 as amended by section 4, chapter 324, Laws of 1986 and RCW 18.11.070 are each amended to read as follows:

NEW SECTION. Sec. 106. INFORMAL SETTLEMENTS. Agencies may establish by rule specific procedures for attempting and executing informal settlement of matters. This section does not require any party or other person to settle a matter.

NEW SECTION. Sec. 107. CONVERSION OF PROCEEDINGS. (1) If it becomes apparent during the course of an adjudicative or rule-making proceeding undertaken pursuant to this chapter that another form of proceeding under this chapter is necessary, is in the public interest, or is more appropriate to resolve issues affecting the participants, on his or her own motion or on the motion of any party, the presiding officer or other official responsible for the original proceeding shall advise the parties of necessary steps for conversion and, if within the official's power, commence the new proceeding. (2) If appropriate, a new proceeding may be commenced independently of the original proceeding or may replace the original proceeding.

(3) Conversion to a replacement proceeding shall not be undertaken if the rights of any party will be substantially prejudiced.

(4) To the extent feasible the record of the original proceeding shall be included in the record of a replacement proceeding.

(2) The time limits set forth in this chapter may be modified by rule of the agency or by rule of the chief administrative law judge if:

(b) The agency does not have a permanent staff to comply with the time limits set forth in this chapter without substantial loss of efficiency and economy; and

(c) The rights of persons dealing with the agency are not substantially impaired.

(3) The time limits set forth in this chapter may be modified by rule if the agency determines that the change is necessary to the performance of its statutory duties. Agency rule may provide for emergency variation when required in a specific case.

(4) Time limits may be changed pursuant to section 104 of this act.

(5) Time limits may be waived pursuant to section 105 of this act.

(6) Any modification in the time limits set forth in this chapter shall be to new time limits that are reasonable under the specific circumstances.

In a rule-making proceeding, the notice may be given in the notice of proposed rule-making.

(8) Two years after the effective date of this section, the chief administrative law judge shall cause a survey to be made of variations by agencies from the time limits set forth in this chapter, and shall submit a written report of the results of the survey to the office of the governor.

PART X.

All current, permanently effective rules (adopted by each agency and remaining in effect) of each agency shall be published in the Washington Administrative Code. Compilations shall be supplemented or revised as often as necessary and at least (once every two years) annually in a form compatible with the main compilation.

(2) Subject to the provisions of this chapter, the code reviser shall prescribe a uniform numbering system, form, and style for all proposed and adopted rules.
(3) The code reviser shall publish a register (in which he shall set) setting forth the text of all rules filed during the appropriate register publication period.

(4) The code reviser may (in his discretion) omit from the register or the compilation, rules (the publication of which) that would be unduly cumbersome, expensive, or otherwise inexpedient to publish, if such rules are made available in printed or processed form on application to the adopting agency, and if (such) the register or compilation contains a notice stating the general subject matter of the rules so omitted and stating how copies thereof may be obtained.

(5) The code reviser may edit and revise rules for publication, codification, and compilation, without changing the meaning of any such rule (in accordance with the provisions of RCW 34.04.050).

(6) When a rule, in whole or in part, is declared invalid and unconstitutional by a court of final appeal, the adopting agency shall give notice to that effect in the register. With the consent of the attorney general, the code reviser may remove obsolete rules or parts of rules from the Washington Administrative Code when:

(a) The rules are declared unconstitutional by a court of final appeal; or

(b) The adopting agency ceases to exist and the rules are not transferred by statute to a successor agency.

(7) Registers and compilations shall be made available, in written form to (a) state elected officials whose offices are created by Article II or III of the state Constitution or by RCW 48.02.010, upon request, (b) to the secretary of the senate and the chief clerk of the house for committee use, as required, but not to exceed the number of standing committees in each body, (c) to county boards of law library trustees and to the Olympia representatives of the Associated Press and the United Press International without request, free of charge, and (d) to other persons at a price fixed by the code reviser.

Sec. 202. RULES FOR AGENCY PROCEDURE—INDEXES OF OPINIONS AND STATEMENTS. Section 2, chapter 234, Laws of 1959 as last amended by section 13, chapter 67, Laws of 1981 and RCW 34.04.020 are each amended to read as follows:

(1) In addition to other rule-making requirements imposed by law:

(a) Each agency shall adopt rules governing the formal and informal procedures prescribed or authorized by this chapter and rules of practice before the agency, together with forms and instructions (provided, that) Rules for the conduct of (contested cases) adjudicative proceedings shall be those which are (promulgated) adopted by the chief administrative law judge (pursuant to RCW 34.04.052, as now or hereafter amended) under section 205 of this act.

(b) To assist interested persons dealing with it, each agency shall adopt as a rule a description of its organization, stating the general course and method of its operations and the methods whereby the public may obtain information and make submissions or requests. No person may be required to comply with agency procedure not adopted as a rule as herein required.

(2) To the extent not prohibited by federal law or regulation, nor prohibited for reasons of confidentiality by state law, each agency shall keep on file for public inspection all final orders, decisions, and opinions in (contested cases) adjudicative proceedings, interpretative statements, policy statements, and any digest or index to those orders, decisions, (or) opinions, or statements prepared by or for the agency (for its own use).

(3) No agency order, decision, or opinion is valid or effective against any person, nor may it be invoked by the agency for any purpose, unless it is available for public inspection (as herein required). A written final order issued after the effective date of this section, may not be relied on as precedent by an agency to the detriment of any person until it has been indexed as required by RCW 42.17.260. This (provision) subsection is not applicable in favor of any person who has actual knowledge (thereof) of the order, decision, or opinion. The agency has the burden of proving that knowledge, but may meet that burden by proving that the person has been properly served with a copy of the order.

(4) Each agency that is authorized by law to exercise discretion in deciding individual cases is encouraged to formalize the general principles that may evolve from these decisions by adopting the principles as rules that the agency will follow until they are amended or repealed.

NEW SECTION. Sec. 203. INTERPRETIVE AND POLICY STATEMENTS. (1) If the adoption of rules is not feasible and practicable, an agency is encouraged to advise the public of its current opinions, approaches, and likely courses of action by means of interpretive or policy statements. Current interpretive and policy statements are advisory only. An agency is encouraged to convert long-standing interpretive and policy statements into rules.
(2) Each agency shall maintain a roster of interested persons, consisting of persons who have requested in writing to be notified of all interpretive and policy statements issued by that agency. Each agency shall update the roster once each year and eliminate persons who do not indicate a desire to continue on the roster. Whenever an agency issues an interpretive or policy statement, it shall send a copy of the statement to each person listed on the roster. The agency may charge a nominal fee to the interested person for this service.

Sec. 204. DECLARATORY ORDER BY AGENCY—PETITION—COURT REVIEW. Section 8, chapter 234, Laws of 1959 and RCW 34.04.080 are each amended to read as follows:

Each agency shall prescribe the form for such petitions and the procedure for their submission, consideration, and disposition)) the agency. The petition shall set forth facts and reasons on which the petitioner relies to show:

(a) That uncertainty necessitating resolution exists;
(b) That there is actual controversy arising from the uncertainty such that a declaratory order will not be merely an advisory opinion;
(c) That the uncertainty adversely affects the petitioner;
(d) That the adverse effect of uncertainty on the petitioner outweighs any adverse effects on others or on the general public that may likely arise from the order requested; and
(e) That the petition complies with any additional requirements established by the agency under subsection (2) of this section.

2. Each agency may adopt rules that provide for: (a) The form, contents, and filing of petitions for a declaratory order; (b) the procedural rights of persons in relation thereto; and (c) the disposition of those petitions. These rules may include a description of the classes of circumstances in which the agency will not enter a declaratory order and shall be consistent with the public interest and with the general policy of this chapter to facilitate and encourage agencies to provide reliable advice.

3. Within fifteen days after receipt of a petition for a declaratory order, the agency shall give notice of the petition to all persons to whom notice is required by law, and may give notice to any other person it deems desirable.

4. Sections 401 through 429 of this act apply to agency proceedings for declaratory orders only to the extent an agency so provides by rule or order.

5. Within thirty days after receipt of a petition for a declaratory order an agency, in writing, shall do one of the following:

(a) Enter an order declaring the applicability of the statute, rule, or order in question to the specified circumstances;
(b) Set the matter for specified proceedings to be held no more than ninety days after receipt of the petition;
(c) Set a specified time no more than ninety days after receipt of the petition by which it will enter a declaratory order; or
(d) Decline to enter a declaratory order, stating the reasons for its action.

6. The time limits of subsection (5)(b) and (c) of this section may be extended by the agency for good cause.

7. An agency may not enter a declaratory order that would substantially prejudice the rights of a person who would be a necessary party and who does not consent in writing to the determination of the matter by a declaratory order proceeding.

8. A declaratory order has the same status as any other order entered in an agency adjudicative proceeding. Each declaratory order shall contain the names of all parties to the proceeding on which it is based, the particular facts on which it is based, and the reasons for its conclusions.

NEW SECTION. Sec. 205. MODEL RULES OF PROCEDURE. The chief administrative law judge shall adopt model rules of procedure appropriate for use by as many agencies as possible. The model rules shall deal with all general functions and duties performed in common by the various agencies. Each agency shall adopt as much of the model rules as is reasonable under its circumstances. Any agency adopting a rule of procedure that differs from the model rules shall include in the order of adoption a finding stating the reasons for variance.

PART XI.

(3) The agency head, a member of the agency head, or a presiding officer designated by the agency head shall preside at the rule-making hearing. Rule-making hearings shall be open to the public. The agency shall cause a record to be made of the hearing by stenographic, mechanical, or electronic means. Unless the agency head presides or is present at substantially all the hearings, the presiding official shall prepare a memorandum for consideration by the agency head, summarizing the contents of the presentations made at the rule-making hearing. The summarizing memorandum is a public document and shall be made available to any person in accordance with chapter 42.17 RCW.

(4) Rule-making hearings are legislative in character and shall be reasonably conducted by the presiding official to afford interested persons the opportunity to present comment. Rule-making hearings may be continued to a later time and place established on the record without publication of further notice under section 303 of this act.

Sec. 305. PETITION FOR ADOPTION, AMENDMENT, REPEAL OF RULE—AGENCY ACTION. Section 6, chapter 234, Laws of 1959 as amended by section 5, chapter 237. Laws of 1967 and RCW 34.04.060 are each amended to read as follows:

Any (interested) person may petition an agency requesting the (preparation)) adoption, amendment, or repeal of any rule. Each agency (shall) may prescribe by rule the form for such petitions and the procedure for their submission, consideration, and disposition. Within (thirty) sixty days after submission of a petition, (or at the next meeting of the agency if it does not meet within thirty days) the agency shall (formally consider the petition and shall within thirty days thereafter) (1) either deny the petition in writing ((without)), stating its reasons for the denial(()), or (2) initiate rule-making proceedings in accordance with ((RCW 34.04.025)) this chapter.

Sec. 306. WITHDRAWAL OF PROPOSAL—TIME AND MANNER OF ADOPTION. Section 11, chapter 186. Laws of 1980 and RCW 34.04.048 are each amended to read as follows:

(1) A proposed rule may be withdrawn by the proposing agency at any time before adoption. A withdrawn rule may not be adopted unless it is again proposed in accordance with ((RCW 34.04.025 as now or hereafter amended)) section 303 of this act.

(2) Before adopting a rule, an agency shall consider the written and oral submissions, or any memorandum summarizing oral submissions.

(3) Rules not adopted within one ((year)) hundred eighty days after publication of the text as last proposed in the register shall be regarded as withdrawn. An agency may not thereafter adopt the text of the rules without filing the text in accordance with ((RCW 34.04.025 as now or hereafter amended)) section 303 of this act. The code reviser shall give notice of the withdrawal in the register.

(4) An agency may not adopt a rule before the time established in the published notice, or such later time established on the record or by publication in the state register.

NEW SECTION. Sec. 307. VARIANCE BETWEEN PROPOSED AND FINAL RULE. (1) Unless it complies with subsection (3) of this section, an agency may not adopt a rule that is substantially different from the rule proposed in the published notice of proposed rule adoption or a supplemental notice in the proceeding. If an agency contemplates making a substantial variance from a proposed rule described in a published notice, it may file a supplemental notice with the code reviser meeting the requirements of section 303 of this act and reopen the proceedings for public comment on the proposed variance, or the agency may reject the proposed rule and commence a new rule-making proceeding to adopt a substantially different rule. If a new rule-making proceeding is commenced, relevant public comment received regarding the initial proposed rule shall be considered in the new proceeding.

(2) The following factors shall be considered in determining whether an adopted rule is substantially different from the proposed rule on which it is based:

(a) The extent to which a reasonable person affected by the adopted rule would have understood that the published proposed rule would affect his or her interests;

(b) The extent to which the subject of the adopted rule or the issues determined in it are substantially different from the subject or issues involved in the published proposed rule; and

(c) The extent to which the effects of the adopted rule differ from the effects of the published proposed rule.
(3) If the agency, without filing a supplemental notice under subsection (1) of this section, adopts a rule that varies in content from the proposed rule, the general subject matter of the adopted rule must remain the same as the proposed rule. The agency shall briefly describe any changes, other than editing changes, and the principal reasons for adopting the changes. The brief description shall be filed with the code reviser together with the order of adoption for publication in the state register. Within sixty days of publication of the adopted rule in the state register, any interested person may petition the agency to amend any portion of the adopted rule that is substantially different from the proposed rule. The petition shall briefly demonstrate how the adopted rule is substantially different from the proposed rule and shall contain the text of the petitioner’s proposed amendment. For purposes of the petition, an adopted rule is substantially different if the issues determined in the adopted rule differ from the issues determined in the proposed rule or the anticipated effects of the adopted rule differ from those of the proposed rule. If the petition meets the requirements of this subsection and section 305 of this act, the agency shall initiate rule-making proceedings upon the proposed amendments within the time provided in section 305 of this act.

Sec. 308. FAILURE TO GIVE TWENTY DAYS NOTICE OF INTENDED ACTION—EFFECT. Section 4, chapter 237, Laws of 1967 and RCW 34.04.027 are each amended to read as follows:

Except for emergency rules adopted under section 309 of this act, when twenty days notice of intended action to adopt, amend, or repeal a rule has not been ((filed with the code reviser as required in RCW 34.04.025)) published in the state register, as required by section 303 of this act, the code reviser shall not publish such rule and such rule shall not be effective for any purpose.

Sec. 309. EMERGENCY RULES AND AMENDMENTS. Section 3, chapter 234, Laws of 1959 as last amended by section 4, chapter 324, Laws of 1981 and RCW 34.04.030 are each amended to read as follows:

(1) If ((the)) an agency for good cause finds;
   (a) That immediate adoption ((or amendment)) or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that ((observation of)) observing the time requirements of notice and opportunity to ((present views on the proposed action)) comment upon adoption of a permanent rule would be contrary to the public interest; or
   (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule,
the agency may dispense with ((such)) those requirements and adopt, amend, or repeal the rule ((or amendment)) on an emergency ((rule or amendment)) basis. The agency’s finding and a concise statement of the reasons for its finding shall be incorporated in the order for adoption of the emergency rule or amendment ((as)) filed with the office of the code reviser under ((RCW 34.04.040)) section 315 of this act and with the rules review committee.

(2) An emergency rule ((or amendment)) adopted under this section takes effect upon filing with the code reviser and may not remain in effect for longer than ((thirty)) one hundred twenty days after filing. Identical or substantially similar emergency rules may not be adopted in sequence unless conditions have changed or the agency has published notice of its intent to adopt the rule as a permanent rule, and is actively undertaking the appropriate procedures to adopt the rule as a permanent rule. This section does not relieve any agency from compliance with any law requiring that its permanent rules be approved by designated persons or bodies before they become effective.

NEW SECTION. Sec. 310. CONCISE EXPLANATORY STATEMENT. (1) At the time it files an adopted rule with the code reviser or within thirty days thereafter, an agency shall place into the rule-making file maintained under section 313 of this act a concise explanatory statement about the rule, identifying (a) the agency’s reasons for adopting the rule, and (b) a description of any difference between the text of the proposed rule as published in the register and the text of the rule as adopted, other than editing changes, stating the reasons for change.

(2) Upon the request of any interested person within thirty days after adoption of a rule, the agency shall issue a concise statement of the principal reasons for overruling the considerations urged against its adoption.

NEW SECTION. Sec. 311. ORDER ADOPTING RULE. CONTENTS. The order of adoption by which each rule is adopted by an agency shall contain all of the following:

(1) The date the agency adopted the rule;
(2) A concise statement of the purpose of the rule;
(3) A reference to all rules repealed, amended, or suspended by the rule;
(4) A reference to the specific statutory or other authority authorizing adoption of the rule;
(5) Any findings required by any provision of law as a precondition to adoption or effectiveness of the rule; and
(6) The effective date of the rule if other than that specified in section 315(2) of this act.

NEW SECTION. Sec. 312. INCORPORATION BY REFERENCE. An agency may incorporate by reference and without publishing the incorporated matter in full, all or any part of a code, standard, rule, or regulation that has been adopted by an agency of the United States, of this state, or of another state, by a political subdivision of this state, or by a generally recognized
organization or association if incorporation of the full text in the agency rules would be unduly cumbersome, expensive, or otherwise inexpedient. The reference in agency rules shall fully identify the incorporated matter. An agency may incorporate by reference such matter in its rules only if the agency, organization, or association originally issuing that matter makes copies readily available to the public. The incorporating agency shall have, maintain, and make available for public inspection a copy of the incorporated matter. The rule must state where copies of the incorporated matter are available.

NEW SECTION. Sec. 313. RULE-MAKING FILE. (1) Each agency shall maintain an official rule-making file for each rule that it (a) proposes by publication in the state register, or (b) adopts. The file and materials incorporated by reference shall be available for public inspection.

(2) The agency rule-making file shall contain all of the following:
(a) Copies of all publications in the state register with respect to the rule or the proceeding upon which the rule is based;
(b) Copies of any portions of the agency’s public rule-making docket containing entries relating to the rule or the proceeding on which the rule is based;
(c) All written petitions, requests, submissions, and comments received by the agency and all other written materials regarded by the agency as important to adoption of the rule or the proceeding on which the rule is based;
(d) Any official transcript of oral presentations made in the proceeding on which the rule is based or, if not transcribed, any tape recording or stenographic record of them, and any memorandum prepared by a presiding official summarizing the contents of those presentations;
(e) The concise explanatory statement required by section 310 of this act;
(f) All petitions for exceptions to, amendment of, or repeal or suspension of, the rule; and
(g) Any other material placed in the file by the agency.

(3) Internal agency documents are exempt from inclusion in the rule-making file under subsection (2) of this section to the extent they constitute preliminary drafts, notes, recommendations, and intra-agency memoranda in which opinions are expressed or policies formulated or recommended, except that a specific document is not exempt from inclusion when it is publicly cited by an agency in connection with its decision.

(4) Upon judicial review, the file required by this section constitutes the official agency rule-making file with respect to that rule. Unless otherwise required by another provision of law, the official agency rule-making file need not be the exclusive basis for agency action on that rule.

NEW SECTION. Sec. 314. SUBSTANTIAL COMPLIANCE WITH PROCEDURES. No rule proposed after the effective date of this section, is valid unless it is adopted in substantial compliance with sections 301 through 318 of this act. Inadvertent failure to mail notice of a proposed rule adoption to any person as required by section 303(3) of this act does not invalidate a rule. No action based upon this section may be maintained to contest the validity of any rule unless it is commenced within two years after the effective date of the rule.

Sec. 315. RULES FILED WITH CODE REVISER--REGISTER--EFFECTIVE DATES. Section 4, chapter 234, Laws of 1959 as last amended by section 17, chapter 505, Laws of 1987 and RCW 34.04.040 are each amended to read as follows:

(1) Each agency shall file ((forthwith)) in the office of the code reviser a certified copy of all rules ((now in effect and hereafter adopted)) it adopts, except ((the)) for rules contained in tariffs filed with or published by the Washington utilities and transportation commission. The code reviser shall place upon each rule a notation of the time and date of filing and shall keep a permanent register of ((each)) filed rules open to public inspection. In filing a rule, each agency shall use the standard form prescribed for this purpose by the code reviser.

(2) Emergency rules adopted under ((RCW 34.04.050 that)) section 309 of this act become effective upon filing. All other rules ((hereafter adopted shall)) become effective upon the expiration of thirty days after the date of filing, unless a later date is required by statute or specified in the rule.

(3) A rule may become effective immediately upon its filing with the code reviser or on any subsequent date earlier than that established by subsection (2) of this section, if the agency establishes that effective date in the adopting order and finds that:
(a) Such action is required by the state or federal Constitution, a statute, or court order;
(b) The rule only delays the effective date of another rule that is not yet effective; or
(c) The earlier effective date is necessary because of imminent peril to the public health, safety, or welfare.

The finding and a brief statement of the reasons therefor required by this subsection shall be a part of the adopting order.

(4) With respect to a rule made effective pursuant to subsection (3) of this section, each agency shall make reasonable efforts to make the effective date known to persons who may be affected by it.

Sec. 316. RULES FOR FILING AND FORM OF RULES AND NOTICES. Section 13, chapter 237, Laws of 1967 and RCW 34.04.055 are each amended to read as follows:
The code reviser may ((prescribe regulations)) adopt rules for carrying out the provisions of this chapter relating to the filing and publication of rules and notices of intention to adopt rules, including the form and style to be employed by the various agencies in the drafting of such rules and notices.

Sec. 317. STYLE, FORMAT, AND NUMBERING OF RULES——AGENCY COMPLIANCE. Section 14, chapter 237, Laws of 1967 and RCW 34.04.057 are each amended to read as follows:

After the rules of an agency have been published by the code reviser:

(1) All agency orders amending or rescinding such rules, or creating new rules, shall be formulated in accordance with the style, format, and numbering system of the Washington Administrative Code((and));

(2) Any subsequent printing or reprinting of such rules shall be printed in the style and format (including the numbering system) of such code; and

(3) Amendments of previously adopted rules shall incorporate any editorial corrections made by the code reviser.

Sec. 318. FORMAT AND STYLE OF RULES AMENDING EXISTING SECTIONS, ADDING NEW SECTIONS——EFFECT OF FAILURE TO COMPLY. Section 1, chapter 19, Laws of 1977 as amended by section 14, chapter 186, Laws of 1980 and RCW 34.04.058 are each amended to read as follows:

(1) Rules ((promulgated)) proposed or adopted by an agency pursuant to ((RCW 34.04.025 or 34.04.050, as now or hereafter amended, which)) this chapter that amend existing sections of the administrative code shall have the words which are amendatory to such existing sections underlined. Any matter to be deleted from an existing section shall be indicated by setting such matter forth in full, enclosed by double parentheses, and such deleted matter shall be lined out with hyphens. ((In-the-case-of)) A new section((=(=:the=)) shall be designated 'NEW SECTION' in upper case type and such designation shall be underlined, but the complete text of the section shall not be underlined. No rule may be forwarded by any agency to the code reviser, nor may the code reviser accept for filing any rule unless the format of such rule is in compliance with the provisions of this section.

(2) Once the rule has been formally adopted by the agency the code reviser need not, except with regard to the register published pursuant to ((RCW 34.04.060(2)) section 201(3) of this act, include the items enumerated in subsection (1) of this section in the official code.

(3) Any addition to or deletion from an existing code section not filed by the agency in the style prescribed by subsection (1) of this section shall in all respects be ineffectual, and shall not be shown in subsequent publications or codifications of that section unless the ineffectual portion of the rule is clearly distinguished and an explanatory note is appended thereto by the code reviser in accordance with ((RCW 34.04.056, as now or hereafter amended, and RCW 34.04.052)) section 201 of this act.

PART XII. ADJUDICATIVE PROCEEDINGS

NEW SECTION. Sec. 401. APPLICATION OF PART IV. (1) Adjudicative proceedings are governed by sections 402 through 423 of this act, except as otherwise provided:

(a) By a rule that adopts the procedures for brief adjudicative proceedings in accordance with the standards provided in section 425 of this act for those proceedings;

(b) By section 424 of this act pertaining to emergency adjudicative proceedings; or

(c) By section 420 of this act pertaining to declaratory proceedings.

(2) Sections 401 through 429 of this act do not apply to rule-making proceedings unless another statute expressly so requires.

NEW SECTION. Sec. 402. COMMENCEMENT——WHEN REQUIRED. (1) Within the scope of its authority, an agency may commence an adjudicative proceeding at any time with respect to a matter within the agency's jurisdiction.

(2) When required by law or constitutional right, and upon the timely application of any person, an agency shall commence an adjudicative proceeding.

(3) An agency may require by rule that an application for an adjudicative proceeding be in writing and that it be filed at a specific address and in a specified manner.

(4) If an agency is required to hold an adjudicative proceeding, an application for an agency to enter an order includes an application for the agency to conduct appropriate adjudicative proceedings, whether or not the applicant expressly requests those proceedings.

(5) An adjudicative proceeding commences when the agency or a presiding officer notifies a party that a prehearing conference, hearing, or other stage of an adjudicative proceeding will be conducted.

NEW SECTION. Sec. 403. DECISION NOT TO CONDUCT AN ADJUDICATION. If an agency decides not to conduct an adjudicative proceeding in response to an application, the agency shall furnish the applicant a copy of its decision in writing, with a brief statement of the agency's reasons and of any administrative review available to the applicant.

NEW SECTION. Sec. 404. AGENCY ACTION ON APPLICATIONS FOR ADJUDICATION. After receipt of an application for an adjudicative proceeding, other than a declaratory order, an agency shall proceed as follows:
(1) Except in situations governed by subsection (2) or (3) of this section, within ninety days after receipt of the application or of the response to a timely request made by the agency under subsection (2) of this section, the agency shall do one of the following:

(a) Approve or deny the application, in whole or in part, on the basis of brief or emergency adjudicative proceedings, if those proceedings are available under this chapter for disposition of the matter;

(b) Commence an adjudicative proceeding in accordance with this chapter; or

(c) Dispose of the application in accordance with section 403 of this act.

(2) Within thirty days after receipt of the application, the agency shall examine the application, notify the applicant of any obvious errors or omissions, request any additional information the agency wishes to obtain and is permitted by law to require, and notify the applicant of the name, mailing address, and telephone number of an office that may be contacted regarding the application;

(3) If the application seeks relief that is not available when the application is filed but may be available in the future, the agency may proceed to make a determination of eligibility within the time limits provided in subsection (1) of this section. If the agency determines that the applicant is eligible, the agency shall maintain the application on the agency's list of eligible applicants as provided by law and, upon request, shall notify the applicant of the status of the application.

Sec. 405. RATE CHANGES. LICENSES. Section 8, chapter 237, Laws of 1980 and RCW 34.04.170 are each amended to read as follows:

(1) Unless otherwise provided by law: (a) Applications for rate changes and uncontested applications for licenses may, in the agency's discretion, be conducted as adjudicative proceedings; (b) applications for licenses that are contested and review of denials of applications for licenses or rate changes shall be conducted as adjudicative proceedings; and (c) an agency may not revoke, suspend, modify, annul, withdraw, or amend a license unless the agency gives notice of an opportunity for an appropriate adjudicative proceeding in accordance with this chapter or other statute.

(2) An agency with authority to grant or deny a professional or occupational license shall notify an applicant for a new or renewal license not later than twenty days prior to the date of the examination required for that license of any grounds for denial of the license which are based on specific information disclosed in the application submitted to the agency. The agency shall notify the applicant that the license is denied or that the decision to grant or deny the license will be made at a future date. If the agency fails to give the notification prior to the examination and the applicant is denied licensure, the examination fee shall be refunded to the applicant. If the applicant takes the examination, the agency shall notify the applicant of the result.

(3) When a licensee has made timely and sufficient application for the renewal of a license or a new license with reference to any activity of a continuing nature, an existing full, temporary, or provisional license does not expire until the application has been finally determined by the agency, and, in case the application is denied or the terms of the new license limited, until the last day for seeking review of the agency order or a later date fixed by order of the reviewing court.

(4) If the agency finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order, summary suspension of a license may be ordered pending proceedings for revocation or other action. These proceedings shall be promptly instituted and determined.

NEW SECTION. Sec. 406. PRESIDING OFFICERS—DISQUALIFICATION. SUBSTITUTION. (1) Except as provided in subsection (2) of this section, in the discretion of the agency head, the presiding officer in an administrative hearing shall be:

(a) The agency head or one or more members of the agency head;

(b) If the agency has statutory authority to do so, a person other than the agency head or an administrative law judge designated by the agency head to make the final decision and enter the final order; or

(c) One or more administrative law judges assigned by the office of administrative hearings in accordance with chapter 34.12 RCW.

(2) An agency expressly exempted under RCW 34.12.620(4) or other statute from the provisions of chapter 34.12 RCW or an institution of higher education shall designate a presiding officer as provided by rules adopted by the agency.

(3) Any individual serving or designated to serve alone or with others as presiding officer is subject to disqualification for bias, prejudice, interest, or any other cause provided in this chapter or for which a judge is disqualified.

(4) Any party may petition for the disqualification of an individual promptly after receipt of notice indicating that the individual will preside or, if later, promptly upon discovering facts establishing grounds for disqualification.

(5) The individual whose disqualification is requested shall determine whether to grant the petition, stating facts and reasons for the determination.
(6) If a substitute is required for an individual who becomes unavailable as a result of disqualification or any other reason, the substitute must be appointed by the appropriate appointing authority.

(7) Any action taken by a duly appointed substitute for an unavailable individual is as effective as if taken by the unavailable individual.

NEW SECTION. Sec. 407. REPRESENTATION. (1) A party to an adjudicatory proceeding may participate personally or, if the party is a corporation or other artificial person, by a duly authorized representative.

(2) Whether or not participating in person, any party may be advised and represented at the party's own expense by counsel or, if permitted by provision of law, other representative.

NEW SECTION. Sec. 408. CONFERENCE—PROCEDURE AND PARTICIPATION. (1) Agencies may hold prehearing or other conferences for the settlement or simplification of issues. Every agency shall by rule describe the conditions under which and the manner in which conferences are to be held.

(2) In the discretion of the presiding officer, and where the rights of the parties will not be prejudiced thereby, all or part of the conference may be conducted by telephone, television, or other electronic means. Each participant in the conference must have an opportunity to participate effectively in, to hear, and, if technically and economically feasible, to see the entire proceeding while it is taking place.

Sec. 409. NOTICE OF HEARING. Section 9, chapter 234, Laws of 1959 as last amended by section 1, chapter 31, Laws of 1980 and RCW 34.04.090 are each amended to read as follows:

(1) ((In any contested case all parties shall be afforded an opportunity for hearing after not less than twenty days' notice; but no hearing shall be required until the hearing is demanded unless other statutory provisions or agency rules provide otherwise)) The agency or the office of administrative hearings shall set the time and place of the hearing and give not less than seven days advance written notice to all parties and to all persons who have filed written petitions to intervene in the matter.

(2) The notice shall include:
    (a) Unless otherwise ordered by the presiding officer, the names and mailing addresses of all parties to whom notice is being given and, if known, the names and addresses of their representatives;
    (b) If the agency intends to appear, the mailing address and telephone number of the office designated to represent the agency in the proceeding;
    (c) The official file or other reference number and the name of the proceeding;
    (d) The name, official title, mailing address, and telephone number of the presiding officer, if known;
    (e) A statement of the time, place and nature of the proceeding;
    (f) A statement of the legal authority and jurisdiction under which the hearing is to be held;
    (g) A reference to the particular sections of the statutes and rules involved;
    (h) A short and plain statement of the matters asserted by the agency; and
    (i) A statement that a party who fails to attend or participate in a hearing or other stage of an adjudicatory proceeding may be held in default in accordance with this chapter. (If the agency or other party is unable to state the matters in detail at the time the notice is served, the initial notice may be limited to a statement of the issues involved. Thereafter upon request a more definite and detailed statement shall be furnished).

(2) Opportunity shall be afforded all parties to respond and present evidence and argument on all issues involved.

(3) An agency may provide by rule for entry of summary orders in part or in whole after notice and hearing to all parties. The motion shall be granted if the pleadings, dispositions and admissions on file, together with the affidavits, if any, show there is no genuine issue as to any material fact and that the moving party is entitled to the order as a matter of law.

(4) Unless precluded by law, informal disposition may also be made of any contested case by stipulation, agreed settlement, consent order, or default.

(5) The record in a contested case shall include:
    (a) All pleadings, motions, intermediate rulings;
    (b) Evidence received or considered;
    (c) A statement of matters officially noticed;
    (d) Questions and offers of proof; objections; and ruling thereon;
    (e) Proposed findings and exceptions;
    (f) Any decision, opinion or report by the officer presiding at the hearing;
    (g) Oral proceedings shall be transcribed for the purposes of agency decision pursuant to RCW 34.04.110, as now or hereafter amended; rehearing; or court review. A copy of the record or any part thereof shall be transcribed and furnished to any party to the hearing upon request therefor and payment of the reasonable costs thereof.

(7) Findings of fact shall be based exclusively on the evidence and on matters officially noticed.
NEW SECTION. Sec. 411. DEFAULT. (1) An agency may provide forms for and, by rule, may provide procedures for and impose time limits upon, submission of requests for hearing. Failure of a party to request a hearing within the time limit or limits established by the agency rule constitutes a waiver of that party’s right to hearing, and the agency may proceed to resolve the case without further notice to, or hearing for the benefit of, that party. There shall be a minimum of twenty days from notice of an opportunity to request a hearing before a party is deemed to have waived his or her right to a hearing under this subsection.

(2) If a party fails to attend or participate in a hearing or other stage of an adjudicative proceeding, the presiding officer may serve upon all parties a default order under subsection (2) of section 412, or may adjourn the proceedings or conduct them without the participation of that party, having due regard for the interests of justice and the orderly and prompt conduct of the proceedings.

NEW SECTION. Sec. 412. INTERVENTION. (1) The presiding officer may grant a petition for intervention at any time, upon determining that the petitioner qualifies as an intervenor under any provision of law and that the intervention sought is in the interests of justice and will not impair the orderly and prompt conduct of the proceedings.

(2) If a petitioner qualifies for intervention, the presiding officer may impose conditions upon the intervenor’s participation in the proceedings, either at the time that intervention is granted or at any subsequent time. Conditions may include:

(a) Limiting the intervenor’s participation to designated issues in which the intervenor has a particular interest demonstrated by the petition; and

(b) Limiting the intervenor’s use of discovery, cross-examination, and other procedures so as to promote the orderly and prompt conduct of the proceedings; and

(c) Requiring two or more intervenors to combine their presentations of evidence and argument, cross-examination, discovery, and other participation in the proceedings.

(3) The presiding officer shall timely grant or deny each pending petition for intervention, specifying any conditions, and briefly stating the reasons for the order. The presiding officer may modify the order at any time, stating the reasons for the modification. The presiding officer shall promptly give notice of the decision granting, denying, or modifying intervention to the petitioner for intervention and to all parties.
Sec. 413. SUBPOENAS, DISCOVERY, AND PROTECTIVE ORDERS. Section 10, chapter 237. Laws of 1967 and RCW 34.04.105 are each amended to read as follows:

(1) ((In order to determine the necessity or desirability of adopting, amending, repealing, or otherwise revising a rule or proposed rule, agencies may hold public hearings, subpoena witnesses, administer oaths, take the testimony of any person under oath, and, in connection therewith, require the production for examination of any books or papers relating to the subject matter of contemplated regulation. Each agency may make rules as to the issuance of subpoenas by the agency or its authorized agents. This subsection shall not preclude the exercise of subpoena powers for investigative purposes granted agencies by other statutory provisions:

(2) In any contested case after service of notice as required in RCW 34.04.090(1), as now or hereafter amended, agencies, their authorized agents, and hearing examiners hearing the case:

(a) Shall issue a subpoena upon the request of any party and, to the extent required by agency rules, upon a statement showing general relevance and reasonable scope of the evidence sought: PROVIDED, HOWEVER, That such subpoena may be issued with like effect by the attorney of record of the party to the contested case in whose behalf the witness is required to appear, and the form of such subpoena in each case may be the same as when issued by the agency except that it shall only be subscribed by the signature of such attorney;

(b) May issue a subpoena upon their own motion:

(3)) The presiding officer may issue subpoenas and may enter protective orders. A subpoena may be issued with like effect by the agency or the attorney of record in whose behalf the witness is required to appear.

(2) An agency may by rule determine whether or not discovery is to be available in adjudicative proceedings and, if so, which forms of discovery may be used.

(3) Except as otherwise provided by agency rules, the presiding officer may decide whether to permit the taking of depositions, the requesting of admissions, and all other procedures authorized by rules 26 through 36 of the superior court civil rules. The presiding officer may condition discovery on a showing of necessity and unavailability by other means. In exercising such discretion, the presiding officer shall consider: (a) Whether all parties are represented by counsel; (b) whether undue expense or delay in bringing the case to hearing will result; (c) whether the discovery will promote the orderly and prompt conduct of the proceeding; and (d) whether the interests of justice will be promoted.

(4) Subpoenas issued and discovery orders and protective orders entered under this section may be enforced under the provisions of this chapter on civil enforcement of agency action.

(5) The subpoena powers created by this section shall be state-wide in effect.

A copy of the order shall be served upon the witness. If it appears to the court that the subpoena was properly issued and that the witness refuses to answer are reasonable and relevant, and in the case of a rule-making hearing that the requested appearance and testimony are necessary to secure information the expected nature of which would reasonably tend to cause the agency to exercise its rule-making authority, the court shall enter an order that the witness appear at the time and place fixed in the order and testify or produce the required papers. and on failing to obey said order the witness shall be dealt with as for contempt of court).

NEW SECTION. Sec. 414. PROCEDURE AT HEARING. (1) The presiding officer shall regulate the course of the proceedings, in conformity with the prehearing order, if any.

conduct cross-examination, and submit rebuttal evidence, except as restricted by a limited grant of intervention or by the prehearing order.

(3) In the discretion of the presiding officer, and where the rights of the parties will not be prejudiced thereby, all or part of the hearing may be conducted by telephone, television, or other electronic means. Each party in the hearing must have an opportunity to participate effectively in, to hear, and, if technically and economically feasible, to see the entire proceeding while it is taking place.

(4) The presiding officer shall cause the hearing to be recorded by a method chosen by the agency. The agency is not required, at its expense, to prepare a transcript, unless required to do so by a provision of law. Any party, at the party’s expense, may cause a reporter approved by the agency to prepare a transcript from the agency’s record, or cause additional recordings to be made during the hearing if the making of the additional recording does not cause distraction or disruption.

(5) The hearing is open to public observation, except for the parts that the presiding officer states to be closed under a provision of law expressly authorizing closure or under a protective order issued by the presiding officer pursuant to rules adopted by the chief administrative law judge. A presiding officer may order the exclusion of witnesses upon a showing of good cause. To the extent that the hearing is conducted by telephone, television, or other electronic means, and is not closed, the availability of public observation is satisfied by giving members of the public an opportunity, at reasonable times, to hear or inspect the agency’s record, and to inspect any transcript obtained by the agency.

Sec. 415. RULES OF EVIDENCE—CROSS-EXAMINATION. Section 10, chapter 234, Laws of 1959 and RCW 34.04.100 are each amended to read as follows:

((In contested cases))

(1) (Agencies, or their authorized agents, may admit and give probative effect to evidence which possesses probative value commonly accepted by reasonably prudent men in the conduct of their affairs. (2) All evidence, including but not limited to records and documents in the possession of the agency of which it desires to avail itself, shall be offered and made a part of the record in the case, and no other factual information or evidence shall be considered in the determination of the case.

Evidence, including hearsay evidence, is admissible if in the judgment of the presiding officer it is the kind of evidence which reasonably prudent persons are accustomed to rely in the conduct of their affairs. The presiding officer shall exclude evidence that is inadmissible on constitutional or statutory grounds or on the basis of evidentiary privilege recognized in the courts of this state. The presiding officer may exclude evidence that is irrelevant, immaterial, or unduly repetitious.

(2) If not inconsistent with subsection (1) of this section, the presiding officer shall refer to the Washington Rules of Evidence as guidelines for evidentiary rulings.

(3) All testimony of parties and witnesses shall be made under oath or affirmation.

(4) Documentary evidence may be received in the form of copies or excerpts, or by incorporation by reference.

Parties shall be notified either before or during hearing, or by reference in preliminary reports or otherwise, of the material so noticed and the sources thereof, including any staff memoranda and data, and they shall be afforded an opportunity to contest the facts and material so noticed. (Agencies, or their authorized agents, may utilize their experience, technical competence, and specialized knowledge in the evaluation of the evidence presented to them) A party proposing that official notice be taken may be required to produce a copy of the material to be noticed.

NEW SECTION. Sec. 416. EX PARTE COMMUNICATIONS. (1) A presiding officer may not communicate, directly or indirectly, regarding any issue in the proceeding other than communications necessary to procedural aspects of maintaining an orderly process, with any person employed by the agency without notice and opportunity for all parties to participate, except as provided in this subsection.

(a) Where the ultimate legal authority of an agency is vested in a multimember body, and where that body presides at an adjudication, members of the body may communicate with one another regarding the proceeding;

(b) Any presiding officer may receive aid from legal counsel, or from staff assistants who are subject to the presiding officer’s supervision; and

(c) Presiding officers may communicate with other employees or consultants of the agency who have not participated in the proceeding in any manner, and who are not engaged in any investigative or prosecutorial functions in the same or a factually related case.
(d) This subsection does not apply to communications required for the disposition of ex
parte matters specifically authorized by statute.

(2) Unless required for the disposition of ex parte matters specifically authorized by statute
or unless necessary to procedural aspects of maintaining an orderly process, a presiding offi-
cer may not communicate, directly or indirectly, regarding any issue in the proceeding, with
any person not employed by the agency who has a direct or indirect interest in the outcome
of the proceeding, without notice and opportunity for all parties to participate.

(3) Unless necessary to procedural aspects of maintaining an orderly process, persons to
whom a presiding officer may not communicate under subsections (1) and (2) of this section
may not communicate with presiding officers without notice and opportunity for all parties to
participate.

(4) If, before serving as presiding officer in an adjudicative proceeding, a person receives
an ex parte communication of a type that could not properly be received while serving, the
person, promptly after starting to serve, shall disclose the communication in the manner pre-
scribed in subsection (5) of this section.

(5) A presiding officer who receives an ex parte communication in violation of this section
shall place on the record of the pending matter all written communications received, all writ-
ten responses to the communications, and a memorandum stating the substance of all oral
communications received, all responses made, and the identity of each person from whom the
presiding officer received an ex parte communication. The presiding officer shall advise all
parties that these matters have been placed on the record. Upon request made within ten days
after notice of the ex parte communication, any party desiring to rebut the communication
shall be allowed to place a written rebuttal statement on the record. Portions of the record
pertaining to ex parte communications or rebuttal statements do not constitute evidence of any
fact at issue in the matter unless a party moves the admission of any portion of the record for
purposes of establishing a fact at issue and that portion is admitted pursuant to section 415 of
this act.

(6) If necessary to eliminate the effect of an ex parte communication received in violation
of this section, a presiding officer who receives the communication may be disqualified, and
the portions of the record pertaining to the communication may be sealed by protective order.

(7) The agency shall, and any party may, report any violation of this section to appropria-
ted authorities for any disciplinary proceedings provided by law. In addition, each agency by
rule may provide for appropriate sanctions, including default, for any violations of this section.

NEW SECTION. Sec. 417. SEPARATION OF FUNCTIONS. (1) A person who has served as
Investigator, prosecutor, or advocate in an adjudicative proceeding or in its preadjudicative
stage, or one who is subject to the authority, direction, or discretion of such a person, may not
serve as a presiding officer in the same proceeding.

(2) A person, including an agency head, who has participated in a determination of
probable cause or other equivalent preliminary determination in an adjudicative proceeding
may serve as presiding officer or assist or advise a presiding officer in the same proceeding
unless a party demonstrates grounds for disqualification in accordance with section 406 of this
act.

(3) A person may serve as presiding officer at successive stages of the same adjudicative
proceeding unless a party demonstrates grounds for disqualification in accordance with sec-
section 406 of this act.

NEW SECTION. Sec. 418. ENTRY OF ORDERS. (1) Except as provided in subsection (2) of this
section:

(a) If the presiding officer is the agency head or one or more members of the agency
head, the presiding officer may enter an initial order if further review is available within the
agency, or a final order if further review is not available;

(b) If the presiding officer is a person designated by the agency to make the final decision
and enter the final order, the presiding officer shall enter a final order; and

(c) If the presiding officer is one or more administrative law judges, the presiding offi-
cer shall enter an initial order.

(2) With respect to agencies exempt from chapter 34.12 RCW or an institution of higher
education, the presiding officer shall transmit a full and complete record of the proceedings,
including such comments upon demeanor of witnesses as the presiding officer deems relevant,
to each agency official who is to enter a final or initial order after considering the record and
evidence so transmitted.

(3) Initial and final orders shall include a statement of findings and conclusions, and the
reasons and basis therefor, on all the material issues of fact, law, or discretion presented on the
record, including the remedy or sanction and, if applicable, the action taken on a petition for a
stay of effectiveness. Any findings based substantially on credibility of evidence or demeanor
of witnesses shall be so identified. Findings set forth in language that is essentially a repeti-
tion or paraphrase of the relevant provision of law shall be accompanied by a concise and explicit
statement of the underlying evidence of record to support the findings. The order shall also
include a statement of the available procedures and time limits for seeking reconsideration or
other administrative relief. An initial order shall include a statement of any circumstances under which the initial order, without further notice, may become a final order.

4. Findings of fact shall be based exclusively on the evidence of record in the adjudicative proceeding and on matters officially noticed in that proceeding. Findings shall be based on the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their affairs. Findings may be based on such evidence even if it would be inadmissible in a civil trial. However, the presiding officer shall not base a finding exclusively on such inadmissible evidence unless the presiding officer determines that doing so would not unduly abridge the parties' opportunities to confront witnesses and rebut evidence. The basis for this determination shall appear in the order.

5. Where it bears on the issues presented, the agency's experience, technical competency, and specialized knowledge may be used in the evaluation of evidence.

6. If a person serving or designated to serve as presiding officer becomes unavailable for any reason before entry of the order, a substitute presiding officer shall be appointed as provided in section 406 of this act. The substitute presiding officer shall use any existing record and may conduct any further proceedings appropriate in the interests of justice.

7. The presiding officer may allow the parties a designated time after conclusion of the hearing for the submission of memos, briefs, or proposed findings.

8. Initial or final orders shall be served in writing within ninety days after conclusion of the hearing or after submission of memos, briefs, or proposed findings in accordance with subsection (7) of this section unless this period is waived or extended for good cause shown.

9. The presiding officer shall cause copies of initial and final orders to be delivered to each party and to the agency head.

NEW SECTION. Sec. 419. REVIEW OF INITIAL ORDERS. (1) As authorized by law, an agency may by rule provide that initial orders in specified classes of cases may become final without further agency action unless, within a specified period, (a) the agency head upon its own motion determines that the initial order should be reviewed, or (b) a party to the proceedings files exceptions to the initial order. Upon occurrence of either event, notice shall be given to all parties to the proceeding.

(2) As provided by law, an agency head may appoint a person to review initial orders and to prepare and enter final agency orders.

(3) Sections 406 and 416 of this act apply to any person reviewing an initial order on behalf of an agency as part of the decision process, and to persons communicating with them, to the same extent that it is applicable to presiding officers.

(4) The officer reviewing the initial order (including the agency head reviewing an initial order) is, for the purposes of this chapter, termed the reviewing officer. The reviewing officer shall exercise all the decision-making power that the reviewing officer would have had to decide and enter the final order had the reviewing officer presided over the hearing, except to the extent that the issues subject to review are limited by a provision of law or by the reviewing officer upon notice to all the parties. In reviewing findings of fact by presiding officers, the reviewing officers shall give due regard to the presiding officer's opportunity to observe the witnesses.

(5) The reviewing officer shall personally consider the whole record or such portions of it as may be cited by the parties.

(6) The reviewing officer shall afford each party an opportunity to present written argument and may afford each party an opportunity to present oral argument.

(7) The reviewing officer shall enter a final order disposing of the proceeding or remand the matter for further proceedings, with instructions to the presiding officer who entered the initial order. Upon remanding a matter, the reviewing officer shall order such temporary relief as is authorized and appropriate.

(8) A final order shall include, or incorporate by reference to the initial order, all matters required by section 418(3) of this act.

(9) The reviewing officer shall cause copies of the final order or order remanding the matter for further proceedings to be served upon each party.

NEW SECTION. Sec. 420. STAY. A party may submit to the presiding or reviewing officer, as is appropriate to the stage of the proceeding, a petition for stay of effectiveness of a final order within ten days of its service unless otherwise provided by statute or stated in the final order. Disposition of the petition for stay shall be made by the presiding officer, reviewing officer, or agency head as provided by agency rule. Disposition may be made either before or after the effective date of the final order. Disposition denying a stay is not subject to judicial review.

NEW SECTION. Sec. 421. RECONSIDERATION. (1) Within ten days of the service of a final order, any party may file a petition for reconsideration, stating the specific grounds upon which relief is requested. The place of filing shall be specified by agency rule.

(2) The petition shall be disposed of by the same person or persons who entered the order, if reasonably available. The disposition shall be in the form of a written order denying the petition, granting the petition and dissolving or modifying the final order, or granting the petition and setting the matter for further hearing. The petition shall be deemed to have been denied if not disposed of within twenty days.
(3) No petition for reconsideration may stay the effectiveness of an order.

(4) The agency head may extend the time limits in this section for good cause, with due consideration that the rights of the parties will not be prejudiced by the extension and that extension will be in the public interest.

(5) The filing of a petition for reconsideration is not a prerequisite for seeking judicial review. An order denying reconsideration, or an extension of time limits pursuant to subsection (4) of this section is not subject to judicial review.

NEW SECTION. Sec. 422. EFFECTIVENESS OF ORDERS. (1) Unless a later date is stated in an order or a stay is granted, an order is effective when signed, but:

(a) A party may not be required to comply with a final order unless the party has been served with or has actual knowledge of the final order;

(b) A nonparty may not be required to comply with a final order unless the agency has made the final order available for public inspection and copying or the nonparty has actual knowledge of the final order;

(c) For purposes of determining time limits for further administrative procedure or for judicial review, the determinative date is the date of service of the order.

(2) Unless a later date is stated in the initial order or a stay is granted, the time when an initial order becomes a final order in accordance with section 418 of this act is determined as follows:

(a) When the initial order is entered, if administrative review is unavailable; or

(b) When the agency head with such authority enters an order stating, after a petition for administrative review has been filed, that review will not be exercised.

(3) This section does not preclude an agency from taking immediate action to protect the public interest in accordance with section 424 of this act.

NEW SECTION. Sec. 423. AGENCY RECORD. (1) An agency shall maintain an official record of each adjudicative proceeding under this chapter.

(2) The agency record shall include:

(a) Notices of all proceedings;

(b) Any prehearing order;

(c) Any motions, pleadings, briefs, petitions, requests, and intermediate rulings;

(d) Evidence received or considered;

(e) A statement of matters officially noticed;

(f) Proffers of proof and objections and rulings thereon;

(g) Proposed findings, requested orders, and exceptions;

(h) The recording prepared for the presiding officer at the hearing, together with any transcript of all or part of the hearing considered before final disposition of the proceeding;

(i) Any final order, initial order, or order on reconsideration;

(j) Staff memoranda or data submitted to the presiding officer, unless prepared and submitted by personal assistants and not inconsistent with section 416 of this act; and

(k) Matters placed on the record after an ex parte communication.

(3) Except to the extent that this chapter or another statute provides otherwise, the agency record constitutes the exclusive basis for agency action in adjudicative proceedings under this chapter and for judicial review of adjudicative proceedings.

NEW SECTION. Sec. 424. EMERGENCY ADJUDICATIVE PROCEEDINGS. (1) Unless otherwise provided by law, an agency may use emergency adjudicative proceedings in a situation involving an immediate danger to the public health, safety, or welfare requiring immediate agency action.

(2) The agency may take only such action as is necessary to prevent or avoid the immediate danger to the public health, safety, or welfare that justifies use of emergency adjudication.

(3) The agency shall enter an order, including a brief statement of findings of fact, conclusions of law, and policy reasons for the decision if it is an exercise of the agency's discretion, to justify the determination of an immediate danger and the agency's decision to take the specific action.

(4) The agency shall give such notice as is practicable to persons who are required to comply with the order. The order is effective when entered.

(5) After entering an order under this section, the agency shall proceed as quickly as feasible to complete any proceedings that would be required if the matter did not involve an immediate danger.

(6) The agency record consists of any documents regarding the matter that were considered or prepared by the agency. The agency shall maintain these documents as its official record.

(7) Unless otherwise required by a provision of law, the agency record need not constitute the exclusive basis for agency action in emergency adjudicative proceedings or for judicial review thereof.

(8) This section shall not apply to agency action taken pursuant to a provision of law that expressly authorizes the agency to issue a cease and desist order. The agency may proceed, alternatively, under that independent authority.
NEW SECTION. Sec. 425. BRIEF ADJUDICATIVE PROCEEDINGS—APPLICABILITY. (1) An agency may use brief adjudicative proceedings if:
   (a) The use of those proceedings in the circumstances does not violate any provision of law;
   (b) The protection of the public interest does not require the agency to give notice and an opportunity to participate to persons other than the parties;
   (c) The matter is entirely within one or more categories for which the agency by rule has adopted this section and sections 426 through 429 of this act; and
   (d) The issue and interests involved in the controversy do not warrant use of the procedures of sections 422 through 424 of this act.
(2) Brief adjudicative proceedings are not authorized for public assistance and food stamp programs provided for in Title 74 RCW, including but not limited to public assistance as defined in RCW 74.04.005(1).

NEW SECTION. Sec. 426. BRIEF ADJUDICATIVE PROCEEDINGS—PROCEDURE. (1) If not specifically prohibited by law, the following persons may be designated as the presiding officer of a brief adjudicative proceeding:
   (a) The agency head;
   (b) One or more members of the agency head;
   (c) One or more administrative law judges; or
   (d) One or more other persons designated by the agency head.
(2) Before taking action, the presiding officer shall give each party an opportunity to be informed of the agency's view of the matter and to explain the party's view of the matter.
(3) At the time any unfavorable action is taken the presiding officer shall give each party a brief statement of the reasons for the decision. Within ten days, the presiding officer shall give the parties a brief written statement of the reasons for the decision and information about any internal administrative review available.
(4) The brief written statement is a proposed order. If no review is taken of the proposed order as authorized by sections 427 and 428 of this act, the proposed order shall be the final order.

NEW SECTION. Sec. 427. BRIEF PROCEEDINGS—ADMINISTRATIVE REVIEW—APPLICABILITY. Unless prohibited by any provision of law, an agency, on its own motion, may conduct an administrative review of an order resulting from brief adjudicative proceedings. An agency shall conduct this review upon the written or oral request of a party if the agency receives the request within twenty-one days after furnishing the written statement required by section 426(3) of this act.

NEW SECTION. Sec. 428. BRIEF PROCEEDINGS—ADMINISTRATIVE REVIEW—PROCEDURES. Unless otherwise provided by statute:
(1) If the parties have not requested review, the agency may review an order resulting from a brief adjudicative proceeding on its own motion and without notice to the parties, but it may not take any action on review less favorable to any party than the original order without giving that party notice and an opportunity to explain that party's view of the matter.
(2) The reviewing officer may be any person who could have presided at the brief proceeding, but the reviewing officer must be one who is authorized to grant appropriate relief upon review.
(3) The reviewing officer shall give each party an opportunity to explain the party's view of the matter and shall make any inquiries necessary to ascertain whether the proceeding must be converted to a formal adjudicative hearing.
(4) The order on review must be in writing, must include a brief statement of the reasons for the decision, and must be entered within twenty days after the date of the initial order or of the request for review, whichever is later. The order shall include a description of any further available administrative review or, if none is available, a notice that judicial review may be available.
(5) A request for administrative review is deemed to have been denied if the agency does not make a disposition of the matter within twenty days after the request is submitted.

NEW SECTION. Sec. 429. AGENCY RECORD IN BRIEF PROCEEDINGS. (1) The agency record consists of any documents regarding the matter that were considered or prepared by the presiding officer for the brief adjudicative proceeding or by the reviewing officer for any review. The agency shall maintain these documents as its official record.
(2) Unless otherwise required by a provision of law, the agency record need not constitute the exclusive basis for agency action in brief adjudicative proceedings or for the judicial review of brief adjudicative proceedings.

PART XIII.

JUDICIAL REVIEW AND CIVIL ENFORCEMENT

NEW SECTION. Sec. 501. RELATIONSHIP BETWEEN THIS CHAPTER AND OTHER JUDICIAL REVIEW AUTHORITY. This chapter establishes the exclusive means of judicial review of agency action, except:
(1) The provisions of this chapter for judicial review do not apply to litigation in which the sole issue is a claim for money damages or compensation and the agency whose action is at issue does not have statutory authority to determine the claim.

(2) Ancillary procedural matters before the reviewing court, including intervention, class actions, consolidation, joinder, severance, transfer, protective orders, and other relief from disclosure of privileged or confidential material, are governed, to the extent not inconsistent with this chapter, by court rule.

(3) To the extent that de novo review or jury trial review of agency action is expressly authorized by provision of law.

NEW SECTION. Sec. 502. PETITION FOR REVIEW—WHERE FILED. (1) Except as provided in subsection (2) of this section and section 508 of this act, proceedings for review under this chapter shall be instituted by filing a petition in the superior court, at the petitioner's option, for (a) Thurston county, (b) the county of the petitioner's residence or principal place of business, or (c) in any county where the property owned by the petitioner and affected by the contested decision is located.

(2) For proceedings involving institutions of higher education, the petition shall be filed either in the county in which the principal office of the institution involved is located or in the county of a branch campus if the action involves such branch.

Sec. 503. DIRECT REVIEW BY COURT OF APPEALS. Section 1, chapter 76, Laws of 1980 and RCW 34.04.133 are each amended to read as follows:

The final decision of an administrative agency in (a contested case) an adjudicative proceeding under this chapter (RCW) may be directly reviewed by the court of appeals upon certification by the superior court pursuant to this section. An application for (such) direct review must be filed with the superior court within thirty days of the filing of the petition for review in superior court. The superior court may certify a case for direct review only if the judicial review is limited to the record of the agency proceeding and the court finds that:

(1) Fundamental and urgent issues affecting the future administrative process or the public interest are involved which require a prompt determination;

(2) Delay in obtaining a final and prompt determination of such issues would be detrimental to any party or the public interest;

(3) An appeal to the court of appeals would be likely regardless of the determination in superior court; and

(4) The apellate court's determination in the proceeding would have significant precedential value.

Sec. 504. REFUSAL OF REVIEW BY COURT OF APPEALS. Section 2, chapter 76, Laws of 1980 and RCW 34.04.135 are each amended to read as follows:

The court of appeals may refuse to accept review of a case certified pursuant to (RCW) section 503 of this act. The refusal to accept such review is not subject to further appellate review, notwithstanding anything in Rule 13.3 of the Rules of Appellate Procedure to the contrary.

Sec. 505. APPEAL TO SUPREME COURT OR COURT OF APPEALS. Section 14, chapter 234, Laws of 1959 as amended by section 87, chapter 81, Laws of 1971 and RCW 34.04.140 are each amended to read as follows:

An aggrieved party may secure a review of any final judgment of the superior court under this chapter by appeal to the supreme court or the court of appeals. (Such) The appeal shall be taken in the manner provided by law for appeals from the superior court in other civil cases.

NEW SECTION. Sec. 506. STANDING. A person has standing to obtain judicial review of agency action if that person is aggrieved or adversely affected by the agency action. A person is aggrieved or adversely affected within the meaning of this section only when all three of the following conditions are present:

(1) The agency action has prejudiced or is likely to prejudice that person;

(2) That person's asserted interests are among those that the agency was required to consider when it engaged in the agency action challenged; and

(3) A judgment in favor of that person would substantially eliminate or redress the prejudice to that person caused or likely to be caused by the agency action.

NEW SECTION. Sec. 507. EXHAUSTION OF ADMINISTRATIVE REMEDIES. A person may file a petition for judicial review under this chapter only after exhausting all administrative remedies available within the agency whose action is being challenged, or available within any other agency authorized to exercise administrative review, except:

(1) A petitioner for judicial review of a rule need not have participated in the rule-making proceeding upon which that rule is based, or have petitioned for its amendment or repeal;

(2) A petitioner for judicial review need not exhaust administrative remedies to the extent that this chapter or any other statute states that exhaustion is not required; or

(3) The court may relieve a petitioner of the requirement to exhaust any or all administrative remedies upon a showing that:

(a) The remedies would be patently inadequate;

(b) The exhaustion of remedies would be futile; or
(c) The grave irreparable harm that would result from having to exhaust administrative remedies would clearly outweigh the public policy requiring exhaustion of administrative remedies.

Sec. 508. DECLARATORY JUDGMENT ON VALIDITY OF RULE. Section 7, chapter 234, Laws of 1959 as amended by section 8, chapter 6. Laws of 1982 and RCW 34.04.070 are each amended to read as follows:

((H))) The validity of any rule may be determined upon petition for a declaratory judgment ((thereon)) addressed to the superior court of Thurston county, when it appears that the rule, or its threatened application, interferes with or impairs or immediately threatens to interfere with or impair, the legal rights or privileges of the petitioner. The agency shall be made a party to the proceeding. The declaratory judgment order may be ((rendered)) entered whether or not the petitioner has first requested the agency to pass upon the validity of the rule in question.

(((2))) In a proceeding under subsection (1) of this section the court shall declare the rule invalid only if it finds that it violates constitutional provisions or exceeds the statutory authority of the agency or was adopted without compliance with statutory rule-making procedures.

(3) A petition for a declaratory judgment pursuant to this section may not be solely based on the contents of the small business economic impact statement. However, if the case of a petition for a declaratory judgment as to the validity of any rule which is adopted after June 10, 1982, and which, based on grounds other than the contents of the small business economic impact statement, the compliance or noncompliance by the agency with the provisions of this chapter and where applicable the small business economic impact statement shall constitute part of the whole record of the agency's action in connection with the petition:

NEW SECTION. Sec. 509. TIME FOR FILING PETITION FOR REVIEW. Subject to other requirements of this chapter or of another statute:

(1) A petition for judicial review of a rule may be filed at any time, except as limited by section 314 of this act.

(2) A petition for judicial review of an order shall be filed with the court and served on the office of the attorney general, and all parties of record within thirty days after service of the final order.

(3) A petition for judicial review of agency action other than the adoption of a rule or the entry of an order is not timely unless filed with the court and served on the office of the attorney general, and all other parties of record within thirty days after the agency action, but the time is extended during any period that the petitioner did not know and was under no duty to discover or could not reasonably have discovered that the agency had taken the action or that the agency action had a sufficient effect to confer standing upon the petitioner to obtain judicial review under this chapter.

(4) Service of the petition on the agency shall be by delivery of a copy of the petition to the office of the director, or other chief administrative officer or chairperson of the agency, at the principal office of the agency. Service of a copy by mail upon the other parties of record and the office of the attorney general shall be deemed complete upon deposit in the United States mail, as evidenced by the postmark.

(5) Failure to timely serve a petition on the office of the attorney general is not grounds for dismissal of the petition.

NEW SECTION. Sec. 510. PETITION FOR REVIEW—CONTENTS. A petition for review must set forth:

(1) The name and mailing address of the petitioner;

(2) The name and mailing address of the petitioner's attorney, if any;

(3) The name and mailing address of the agency whose action is at issue;

(4) Identification of the agency action at issue, together with a duplicate copy, summary, or brief description of the agency action;

(5) Identification of persons who were parties in any adjudicative proceedings that led to the agency action;

(6) Facts to demonstrate that the petitioner is entitled to obtain judicial review;

(7) The petitioner's reasons for believing that relief should be granted; and

(8) A request for relief, specifying the type and extent of relief requested.

NEW SECTION. Sec. 511. STAY AND OTHER TEMPORARY REMEDIES. (1) Unless precluded by law, the agency may grant a stay, in whole or in part, or other temporary remedy during the pendency of judicial review.

(2) After a petition for review has been filed, a party may file a motion in the reviewing court seeking a stay or other temporary remedy:

(3) If judicial relief is sought for a stay or other temporary remedy from agency action based on public health, safety, or welfare grounds the court shall not grant such relief unless the court finds that:

(a) The applicant is likely to prevail when the court finally disposes of the matter;

(b) Without relief the applicant will suffer irreparable injury;

(c) The grant of relief to the applicant will not substantially harm other parties to the proceedings; and
(d) The threat to the public health, safety, or welfare is not sufficiently serious to justify the agency action in the circumstances.

(4) If the court determines that relief should be granted from the agency's action granting a stay or other temporary remedies, the court may remand the matter or may enter an order denying a stay or granting a stay on appropriate terms.

NEW SECTION. Sec. 512. LIMITATION ON NEW ISSUES. (1) Issues not raised before the agency may not be raised on appeal, except to the extent that:

(a) The person did not know and was under no duty to discover or could not have reasonably discovered facts giving rise to the issue;

(b) The agency action subject to judicial review is a rule and the person has not been a party in adjudicative proceedings that provided an adequate opportunity to raise the issue;

(c) The agency action subject to judicial review is an order and the person was not notified of the adjudicative proceeding in substantial compliance with this chapter; or

(d) The interests of justice would be served by resolution of an issue arising from:

(i) A change in controlling law occurring after the agency action; or

(ii) Agency action occurring after the person exhausted the last feasible opportunity for seeking relief from the agency.

(2) The court shall remand to the agency for determination any issue that is properly raised pursuant to subsection (1) of this section.

NEW SECTION. Sec. 513. JUDICIAL REVIEW OF FACTS CONFINED TO RECORD. Judicial review of disputed issues of fact shall be conducted by the court without a jury and must be confined to the agency record for judicial review as defined by this chapter, supplemented by additional evidence taken pursuant to this chapter.

NEW SECTION. Sec. 514. NEW EVIDENCE TAKEN BY COURT OR AGENCY. (1) The court may receive evidence in addition to that contained in the agency record for judicial review, only if it relates to the validity of the agency action at the time it was taken and is needed to decide disputed issues regarding:

(a) Improper constitution as a decision-making body or grounds for disqualification of those taking the agency action;

(b) Unlawfulness of procedure or of decision-making process; or

(c) Material facts in rule making, brief adjudications, or other proceedings not required to be determined on the agency record.

(2) The court may remand a matter to the agency, before final disposition of a petition for review, with directions that the agency conduct fact-finding and other proceedings the court considers necessary and that the agency take such further action on the basis thereof as the court directs, if:

(a) The agency was required by this chapter or any other provision of law to base its action exclusively on a record of a type reasonably suitable for judicial review, but the agency failed to prepare or preserve an adequate record;

(b) The court finds that (i) new evidence has become available that relates to the validity of the agency action at the time it was taken, that one or more of the parties did not know and was under no duty to discover or could not have reasonably been discovered until after the agency action, and (ii) the interests of justice would be served by remand to the agency;

(c) The agency improperly excluded or omitted evidence from the record; or

(d) A relevant provision of law changed after the agency action and the court determines that the new provision may control the outcome.

NEW SECTION. Sec. 515. AGENCY RECORD FOR REVIEW—COSTS. (1) Within thirty days after service of the petition, or within further time allowed by the court or by other provision of law, the agency shall transmit to the court the original or a certified copy of the agency record for judicial review of the agency action. The record shall consist of any agency documents expressing the agency action, other documents identified by the agency as having been considered by it before its action and used as a basis for its action, and any other material described in this chapter as the agency record for the type of agency action at issue, subject to the provisions of this section.

(2) If part of the record has been preserved without a transcript, the agency shall prepare a transcript for inclusion in the record transmitted to the court, except for portions that the parties stipulate to omit in accordance with subsection (4) of this section.

(3) The agency may charge a nonindigent petitioner with the reasonable costs of preparing any necessary copies and transcripts for transmittal to the court. A failure by the petitioner to pay any of this cost to the agency relieves the agency from the responsibility for preparation of the record and transmittal to the court.

(4) The record may be shortened, summarized, or organized temporarily or, by stipulation of all parties, permanently.

(5) The court may tax the cost of preparing transcripts and copies for the record:

(a) Against a party who unreasonably refuses to stipulate to shorten, summarize, or organize the record;

(b) As provided by section 516 of this act; or

(c) In accordance with any other provision of law.
Additions to the record pursuant to section 514 of this act must be made as ordered by the court.

(7) The court may require or permit subsequent corrections or additions to the record.

Sec. 516. JUDICIAL REVIEW. Section 13, chapter 234, Laws of 1959 as last amended by section 1, chapter 52, Laws of 1977 ex. sess. and RCW 34.04.130 are each amended to read as follows:

(1) (a) The burden of demonstrating the invalidity of agency action is on the party asserting invalidity;

(b) The validity of agency action shall be determined in accordance with the standards of review provided in this section, as applied to the agency action at the time it was taken;

(c) The court shall make a separate and distinct ruling on each material issue on which the court's decision is based; and

(d) The court shall grant relief only if it determines that a person seeking judicial relief has been substantially prejudiced by the action complained of.

(2) Review of rules. (a) A rule may be reviewed by petition for declaratory judgment filed pursuant to section 508 of this act or by review of other agency action.

(b) The validity of any rule may be determined upon petition for a declaratory judgment addressed to the superior court of Thurston county, when it appears that the rule, or its threatened application, interferes with or impairs or immediately threatens to interfere with or impair the legal rights or privileges of the petitioner. The agency shall be made a party to the proceeding. The declaratory judgment order may be entered whether or not the petitioner has first requested the agency to pass upon the validity of the rule in question.

(c) In a declaratory judgment proceeding, the court shall declare the rule invalid only if it finds that it violates constitutional provisions or exceeds the statutory authority of the agency or was adopted without compliance with statutory rule-making procedures.

(3) Review of agency orders. The court shall grant relief from an agency order only if it determines that:

(a) The order, or the statute or rule on which the order is based, is in violation of constitutional provisions on its face or as applied; 

(b) (Deleted.)

(c) (Made upon) The agency has engaged in unlawful procedure or decision making process, or has failed to follow a prescribed procedure; 

(d) The agency has engaged in an unlawful procedure or decision making process, or the order, or statute or rule on which the order is based, is in violation of constitutional provisions on its face or as applied; or the agency has failed to follow a prescribed procedure.
NEW SECTION. Sec. 517. TYPE OF RELIEF. (1) The court may order an agency to take action required by law, order an agency to exercise discretion required by law, affirm or set aside agency action, enjoin or stay the agency action, remand the matter for further proceedings, or enter a declaratory judgment order. In reviewing matters within agency discretion, the court shall limit its function to assuring that the agency has exercised its discretion In accordance with law, and shall not itself undertake to exercise the discretion that the legislature has placed in the agency. The court shall remand to the agency for modification of agency action, unless remand is impracticable or would cause unnecessary delay.

(2) The sole remedy available to a person who is wrongfully denied licensure based upon a failure to pass an examination administered by a state agency, or under its auspices, is the right to retake the examination free of the defect or defects the court may have found in the examination or the examination procedure.

(3) The court may award damages, compensation, or ancillary relief only to the extent expressly authorized by another provision of law.

(4) If the court sets aside or modifies agency action or remands the matter to the agency for further proceedings, the court may make any interlocutory order it finds necessary to preserve the interests of the parties and the public, pending further proceedings or agency action.

NEW SECTION. Sec. 518. PETITION BY AGENCY FOR ENFORCEMENT. (1) In addition to other remedies provided by law, an agency may seek enforcement of its rule or order by filing a petition for civil enforcement in the superior court.

(2) The petition must name as respondent each alleged person against whom the agency seeks to obtain civil enforcement.

(3) Venue is determined as in other civil cases.

(4) A petition for civil enforcement filed by an agency may request, and the court may grant, declaratory relief, temporary or permanent injunctive relief, any other civil remedy provided by law, or any combination of the foregoing.

NEW SECTION. Sec. 519. PETITION BY OTHERS FOR ENFORCEMENT. (1) Any person who would qualify under this chapter as having standing to obtain judicial review of an agency’s failure to enforce an order directed to another person may file a petition for civil enforcement of that order, but the action may not be commenced:

(a) Until at least sixty days after the petitioner has given notice of the alleged violation and of the petitioner’s intent to seek civil enforcement to the head of the agency concerned, to the attorney general, and to each person against whom the petitioner seeks civil enforcement;

(b) If the agency has filed and is diligently prosecuting a petition for civil enforcement of the same order against the same person;

(c) If a petition for review of the same order has been filed and a stay is in effect.

(2) The petition shall name, as respondents, the agency whose order is sought to be enforced and each person against whom the petitioner seeks civil enforcement.
(3) The agency whose order is sought to be enforced may move to dismiss the petition on the grounds that it fails to qualify under this section or that the enforcement would be contrary to the policy of the agency. The court shall grant the motion to dismiss the petition unless the petitioner demonstrates that (a) the petition qualifies under this section and (b) the agency's failure to enforce its order is based on an exercise of discretion that is arbitrary or capricious.

(4) Except to the extent expressly authorized by law, a petition for civil enforcement may not request, and the court may not grant, any monetary payment apart from taxable costs.

NEW SECTION. Sec. 520. DEFENSES—LIMITATION ON NEW ISSUES. (1) In a proceeding for civil enforcement a respondent may only assert as a defense:

(a) That the rule or order is invalid under section 516(3) (a) or (b) of this act. The court may only consider issues and receive evidence within the limitations provided by sections 512, 513, and 514 of this act;

(b) That the rule or order does not apply to the party or that the party has not violated the rule or order; and

(c) A defense specifically authorized by statute.

(2) The court, to the extent necessary for the determination of the matter, may consider new issues or take new evidence.

NEW SECTION. Sec. 521. INCORPORATION OF OTHER JUDICIAL REVIEW PROVISIONS. Proceedings for civil enforcement are governed by the following provisions of this chapter on judicial review, as modified where necessary to adapt them to those proceedings:

(1) Section 501(2) of this act (ancillary procedural matters); and

(2) Section 515 of this act (agency record for judicial review).

NEW SECTION. Sec. 522. REVIEW BY HIGHER COURT. Decisions on petitions for civil enforcement are reviewable as in other civil cases.

(2) If the rules review committee finds, by a majority vote of its members: (a) That the proposed or existing rule in question has not been modified, amended, withdrawn, or repealed by the agency so as to conform with the intent of the legislature, or (b) that the agency is using a policy statement, guideline, or issuance in place of a rule, the rules review committee may, within thirty days from notification by the agency of its action, file with the code reviser notice of its objections together with a concise statement of the reasons therefor. It is the express policy of the legislature that establishment of procedures for review of administrative rules by the legislature and the notice of objection required by ((RCW

RESOLUTIONS

HOUSE FLOOR RESOLUTION NO. 88-4773, by Representatives Ebersole, Ballard, Grimm, R. King and Wang

WHEREAS, The Washington State Legislature has been enjoying for many years the benefits of equal status with the executive branch of government, while prior to 1973 the executive branch exerted considerable power over the legislature; and

WHEREAS, The legislature has been enjoying for many years the benefits of a professional, nonpartisan committee staff and a continuing legislature, while prior to 1973 the standing committees and committee staffs existed only during legislative sessions, dissolving during each interim, and the legislature relied only on joint committees and a small Legislative Council during the interim; and

WHEREAS, These benefits which now the legislature largely takes for granted were mostly the work of one pragmatic legislator with a vision, Speaker Leonard A. Sawyer, a Representative from the 25th District; and

WHEREAS, Former State Representative Leonard A. Sawyer served in the House for twenty-one years from 1955 to 1976 and served as House Speaker from 1973 to 1976; and
WHEREAS, During his two terms as House Speaker, Speaker Leonard A. Sawyer is credited with ushering Washington’s legislature into the 20th Century; and
WHEREAS, Speaker Leonard A. Sawyer had the foresight to establish the Sea-Tac office for the legislature; and
WHEREAS, Speaker Leonard A. Sawyer helped correct the power imbalance between the legislative and executive branches of Washington State government; and
WHEREAS, Speaker Sawyer changed the system whereby the Governor and his budget office, now the Office of Financial Management, wrote the state budget and the legislature simply enacted it, to a more equal system whereby the executive branch now introduces a state budget for the legislature to review, modify and then adopt; and
WHEREAS, Speaker Leonard A. Sawyer led the legislature to a better future by giving it data processing capabilities with which to understand the fiscal effects of proposed legislation; and
WHEREAS, Speaker Sawyer began what is now known as LEAP—the Legislative Evaluation and Accountability Program—which is a sophisticated computer system that assists Legislators in analyzing information and making informed decisions based on information that was previously accessible only from the executive branch; and
WHEREAS, Speaker Leonard A. Sawyer also proposed the state constitutional amendment restricting the Governor’s item veto power, bringing the balance of power between the executive and legislative branches even closer; and
WHEREAS, Speaker Leonard A. Sawyer promoted the hiring of top caliber, professional staff members; and
WHEREAS, Before Speaker Sawyer’s reforms, Legislators had to rely upon the executive branch for expertise and even upon lobbyists to provide some research services, while now Legislators have independent expertise and research capabilities in their own staffs; and
WHEREAS, For all of these reforms which required extraordinary foresight, members of the legislature and staff who worked with Speaker Leonard A. Sawyer held him in the highest regard:
NOW, THEREFORE, BE IT RESOLVED, That the Washington State House of Representatives remembers Speaker Leonard Sawyer for his significant achievements, honors him for his vision of a legislature in the 20th Century and thanks him for his legacy; and

I think the people in the Legislature make it so nice and achievable. They are also very talented and friendly. You are down here to do the very best you can for your respective constituents. In view of all of this, we still work and do the things we want to do. Maybe we have our differences of opinion, but still we don't hold that against anyone. From that standpoint I think it is a great place. Most important is that the people who serve here are so wonderful. Thank you very much.

W. D. Naismith, Assistant Secretary.
Mr. Speaker:

We of your Conference Committee, to whom was referred SECOND SUBSTITUTE HOUSE BILL NO. 1640, establishing the G. Robert Ross public service award program for outstanding public service by faculty, have had the same under consideration and we report that we are unable to agree, and we respectfully request the powers of Free Conference to amend the bill as follows:

On page 1, at the beginning of line 19, strike "Washington" and insert "Washington"

On page 2, beginning on line 1, strike the remainder of the bill and insert the following:

"Sec. 3. Section 5, chapter 8, Laws of 1987 and RCW 28B.10.870 are each amended to read as follows:

All state four-year institutions of higher education shall be eligible for matching trust funds. An institution may apply to the higher education coordinating board for two hundred fifty thousand dollars from the fund when the institution can match the state funds with an equal amount of pledged or contributed private donations or with funds received through legislative appropriation specifically for the G. Robert Ross distinguished faculty award and designated as being qualified to be matched from trust fund moneys. These donations shall be made specifically to the professorship program, and shall be donated after July 1, 1985.

Upon an application by an institution, the board may designate two hundred fifty thousand dollars from the trust fund for that institution's pledged professorship. If the pledged two hundred fifty thousand dollars is not received within three years, the board shall make the designated funds available for another pledged professorship.

Once the private donation is received by the institution, the higher education coordinating board shall ask the state treasurer to release the state matching funds to a local endowment fund established by the institution for the professorship.

Sec. 4. Section 12, chapter 8, Laws of 1987 (uncodified) is amended to read as follows:

(1) For the biennium ending June 30, 1989, all appropriations to the Washington distinguished professorship trust fund shall be allocated as provided in this section. The state treasurer shall reserve the following amounts in the trust fund for distribution to four-year higher education institutions at such time as qualifying gifts as defined in section 1 of this act for distinguished professorships have been deposited:

(a) (Forty-five percent) Two million two hundred fifty thousand dollars of the appropriation for the University of Washington;

(b) (Thirty percent) One million five hundred thousand dollars of the appropriation for Washington State University;

(c) (Twenty-five percent) One million dollars of the appropriation divided among Eastern Washington University, Central Washington University, Western Washington University, and The Evergreen State College.

(2) Distribution of funds allocated in subsection (1)(c) of this section shall be made in the following manner: Eastern Washington University, Central Washington University, Western Washington University, and The Evergreen State College are guaranteed one professorship. (The remaining professorship shall be allocated on a first come first served basis to a regional university or The Evergreen State College which has used the professorship guaranteed it, and qualified for an additional professorship under section 5 of this act. If the regional universities and The Evergreen State College have not obligated the unassigned professorship by May 1, 1989, that professorship may be allocated to either the University of Washington or Washington State University in accordance with rules promulgated by the higher education coordinating board.)

(3) As of January 1, 1989, if any funds reserved in subsection (1) (a) or (b) of this section have not been designated as matching funds for qualifying gifts, any four-year institution of higher education, which has already fully utilized the professorships allocated to it by this section, and, in the case of the regional universities and The Evergreen State College, has exhausted the allocation in subsection (1)(c) of this section, may be eligible for such funds under rules promulgated by the higher education coordinating board.

NEW SECTION. Sec. 5. The sum of two hundred fifty thousand dollars is appropriated for the biennium ending June 30, 1989, from the state general fund to the Western Washington University for deposit in the G. Robert Ross distinguished faculty endowment fund. The appropriation in this section shall fulfill the matching requirements in RCW 28B.10.870 for an additional two hundred fifty thousand dollars from the distinguished professorship trust fund. This appropriation along with the matching money from the distinguished professorship trust fund will result in a total amount of five hundred thousand dollars to be deposited into the G. Robert Ross distinguished faculty endowment fund.

NEW SECTION. Sec. 6. Section 2 of this act is added to Title 28B RCW.

NEW SECTION. Sec. 7. A new section is added to chapter 28B.102 RCW to read as follows:

The board may waive grade point requirements for an otherwise eligible individual student under special circumstances.
NEW SECTION. Sec. 8. The legislature finds it essential that this and future generations of children be allowed the fullest opportunity to learn and to develop their intellectual and mental capacities and skills at the postsecondary level. The legislature is greatly concerned about the ever-increasing costs of obtaining higher education. The purpose of this chapter is to assist Washington residents in their quest for higher education and to encourage financial planning to meet higher education costs by creating a college savings bond program.

NEW SECTION. Sec. 9. The following definitions shall apply throughout this chapter, unless the context clearly indicates otherwise:

1. 'College savings bonds' or 'bonds' are Washington state general obligation bonds, issued under the authority of and in accordance with this chapter.

2. 'Board' means the higher education coordinating board, or any successor thereto.

NEW SECTION. Sec. 10. For the purpose of providing funds for the acquisition, construction, remodeling, furnishing, and equipping of state buildings and facilities for the state institutions of higher education, including facilities for the state community college system, and to provide for the administrative costs of such projects, including costs of bond issuance and retirement, salaries and related costs of officials and employees of the state, costs of credit enhancement agreements, and other expenses incidental to the administration of capital projects, the state finance committee is authorized to issue college savings bonds of the state of Washington in the sum of fifty million dollars, or so much thereof as may be required, to finance these projects and all costs incidental thereto.

Bonds authorized in this section shall be sold in such a manner, at such time or times, in such amounts, and at such price as the state finance committee shall determine. The bonds shall not be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds. The state finance committee may obtain insurance or letters of credit and may authorize the execution and delivery of agreements, promissory notes, and other obligations for the purpose of insuring the payment or enhancing the marketability of college savings bonds authorized in this section. Promissory notes or other obligations issued pursuant to this section shall not constitute a debt or the contracting of indebtedness under any constitutional or statutory indebtedness limitation if their payment is conditioned upon the failure of the state to pay the principal or interest on the bonds with respect to which the same relate.

If, and to the extent that the state finance committee determines it is economically feasible and in the best interest of the state, the bonds shall be sold at a deep discount from their par value.

College savings bonds authorized under this section shall be sold in accordance with chapter 39.42 RCW.

NEW SECTION. Sec. 11. The proceeds from the sale of the bonds authorized in section 10 of this act shall be deposited in the state building construction account of the general fund in the state treasury, and shall be used exclusively for the purposes specified in section 10 of this act and for the payment of expenses incurred in the issuance and sale of the college savings bonds.

NEW SECTION. Sec. 12. The state higher education bond retirement fund of 1988 is hereby created in the state treasury, and shall be used for the payment of principal and interest on the college savings bonds.

The state finance committee shall, on or before June 30th of each year, certify to the state treasurer the amount required for principal and interest on such bonds in accordance with the provisions of the bond proceedings. The state treasurer shall withdraw from any general state revenues received in the state treasury and deposit in the state higher education bond retirement fund of 1988, such amounts and at such times as are required by the bond proceedings. If directed by the state finance committee by resolution, the state higher education bond retirement fund of 1988, or any portion thereof, may be deposited in trust with any qualified public depository.

The owner and holder of each of the college savings bonds or the trustee for the owner and holder of any of the college savings bonds may by mandamus or other appropriate proceeding require the transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 13. The legislature may provide additional means for raising moneys for the payment of the principal of and interest on the college savings bonds. Section 12 of this act shall not be deemed to provide an exclusive method for the payment thereof.

NEW SECTION. Sec. 14. The college savings bonds shall be a legal investment for all state funds or funds under state control and for all funds of any other public body.

NEW SECTION. Sec. 15. The board and the state finance committee shall evaluate the effectiveness of the college savings bond program created by this chapter, and shall submit a report about the program, and recommended changes, to the governor and the appropriate standing committees of the senate and house of representatives on or before December 1, 1990. In the report, the board shall consider the advisability of offering incentives to purchase college savings bonds.

NEW SECTION. Sec. 16. The board and the state finance committee shall create and implement marketing strategies and educational programs designed to publicize the college savings bond program to Washington residents.
NEW SECTION. Sec. 17. Any interest earned on the bonds shall not be income for the purposes of any state income tax.

NEW SECTION. Sec. 18. This chapter may be known and cited as the college savings bond act of 1988.

NEW SECTION. Sec. 19. Sections 8 through 18 of this act shall constitute a new chapter in Title 28B RCW.

NEW SECTION. Sec. 20. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

On page 1, line 1 of the title, strike the remainder of the title and insert "amending RCW 28B.10.870; amending section 12, chapter 8, Laws of 1987 (uncodified); adding a new section to chapter 28B.102 RCW; adding a new section to chapter 28B.102 RCW; adding a new chapter to Title 28B RCW; creating new sections; and making an appropriation."

Signed by Senators Saling, Patterson; Representatives Jacobsen, Fox, Miller.

MOTION

On motion of Mr. Jacobsen, the Report of the Conference Committee on Second Substitute House Bill No. 1640 was adopted and the committee was granted the powers of Free Conference.

MESSAGE FROM THE SENATE

March 9, 1988

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE HOUSE BILL NO. 1594 and has granted said committee the powers of Free Conference. The Report of the Conference Committee is herewith transmitted.

W. D. Naismith, Assistant Secretary.

REPORT OF CONFERENCE COMMITTEE

March 8, 1988

Mr. Speaker:

We of your Conference Committee, to whom was referred ENGROSSED SUBSTITUTE HOUSE BILL NO. 1594, providing for a water use efficiency study, have had the same under consideration and we report that we are unable to agree, and we respectfully request the powers of Free Conference to amend the bill as follows:

Reject the amendments by the Senate Committee on Ways & Means (For committee amendments, see Journal, 57th Day, March 7, 1988.);

Adopt the following amendments:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 1. chapter 1. Laws of 1977 ex. sess. as last amended by section 1. chapter 343. Laws of 1987 and RCW 43.83B.300 are each amended to read as follows:

The legislature finds that it is necessary to provide the department of ecology with emergency powers to authorize withdrawals of public surface and ground waters, including dead storage within reservoirs, on a temporary basis, and construction of facilities in relation thereto, in order to alleviate emergency water supply conditions arising from the drought forecast for the state of Washington during 1977 and during 1987.

The legislature further finds that there is a continuing agricultural water supply shortage in many areas of the state and that, in relation to the lessening of that unsatisfactory condition, there is an urgent need to both improve water supply facilities and replace other such facilities.

The legislature further finds that in addition to water storage facilities or other augmentation programs, improved efficiency of water use could provide an important new supply of water in many parts of the state with which to meet future water needs and that improved efficiency of water use should receive greater emphasis in the management of the state's water resources.

In order to provide needed capital for the planning, acquisition, construction, and improvement of water supply facilities to withdraw and distribute water to alleviate unsatisfactory water supply conditions arising from droughts occurring from time to time in the state of Washington, and to carry out a comprehensive water use efficiency study for the state of Washington, the state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of eighteen million dollars, or so much thereof as may be required to finance such projects, and all costs incidental thereto. No bonds authorized by this section and RCW 43.83B.360 through 43.83B.375 shall be offered for sale without prior legislative
appropriation, and these bonds shall be paid and discharged within thirty years of the date of issuance in accordance with Article VIII, section 1 of the state Constitution.

NEW SECTION. Sec. 2. A committee shall be charged with the task of carrying out a comprehensive study of water use efficiency in this state. The study, however, shall neither be considered a water conservation study, nor a comprehensive study encompassing the exclusive means of creating a new supply of water which limits or restricts the use of water storage facilities as an option in creating a new supply of water. The committee, in consultation with other interested agencies, organizations, and the public, shall investigate and evaluate opportunities and means for achieving water use efficiency improvements. The evaluation shall include but not be limited to the following:

(1) Review and analysis of water use efficiency initiatives in other states;
(2) Review of the water use efficiency recommendations of the western governors association;
(3) Identification of existing institutional and economic disincentives to efficient water use;
(4) Identification of existing and potential incentives that could bring about improved efficiency of use;
(5) Identification of alternatives for improving efficiency of use;
(6) Estimation of potential water savings and public and private costs from implementing alternatives;
(7) Identification of a recommended approach for improving water use efficiency in municipal and industrial water supply uses, irrigated agriculture and other major out-of-stream uses, and in-stream uses;
(8) Evaluation of the terminology and development of definitions and methods relating to the efficient utilization of water in chapters 90.03, 90.14, 90.22, 90.44, and 90.54 RCW, and such other provisions of existing law as it finds appropriate;
(9) Recommendations for a public education program for efficient use of water; and
(10) Development of recommendations for any needed changes in laws, rules, policies, procedures, and programs to facilitate improved water use efficiency.

NEW SECTION. Sec. 3. (1) The committee created in section 2 of this act shall consist of the following voting members:
(a) Four members of the house of representatives, appointed by the speaker, two from each major political party;
(b) Four members of the senate, appointed by the president of the senate, two from each major political party;
(c) One individual representing the interests of local government;
(d) One individual representing producers of irrigated agricultural products;

(l) One individual representing hydro power utilities;
(m) One individual representing the recreational or commercial fishing interest; and

(2) An individual from each of the following departments shall be appointed by the director of the department as a nonvoting member of the committee: Ecology, agriculture, social and health services, fisheries, wildlife, and natural resources.
(3) An individual representing the office of the governor shall also be a nonvoting member of the committee. This individual shall convene the initial meeting of the committee and act as the presiding officer of the committee until the committee elects a chair as provided in subsection (4) of this section.
(4) The governor shall appoint the members of the committee listed in subsections (1) (c) through (n) of this section. Wherever possible, the various interest groups listed in each of subsections (1) (c) through (n) of this section shall attempt to identify one nominee in common to represent the interest groups listed in that subsection. The director shall forward such nominations to the governor immediately thereafter for the governor’s consideration in appointing the members of the committee.
(5) Members of the committee shall serve without compensation. A member representing a state agency or the office of the governor shall be reimbursed, by his or her employing agency or office, for travel expenses in accordance with RCW 43.03.050 and 43.03.060. Members of the committee who are members of the legislature shall be reimbursed as provided in chapter 44.04 RCW. All other members of the committee shall be reimbursed by the department of ecology for travel expenses in accordance with RCW 43.03.050 and 43.03.060.
(6) At the initial meeting of the committee, the voting members of the committee shall elect a chair from among themselves. The chair shall preside over the meetings of the committee. The committee shall expire December 31, 1988.

(7) The committee shall consult on a regular and frequent basis with interested organizations and individuals. The committee shall hold public meetings to inform the public about the study, and to receive public comments on a draft report of its study findings and its recommendations.

(8) The committee shall document public comments and the committee's recommendations in a final water use efficiency report. The final report shall also include an estimate of staffing and funding needed to carry out the recommended approach.

NEW SECTION. Sec. 4. It shall be the responsibility of the department of ecology to provide staff support to the committee and to identify water use efficiency options for the tasks identified in section 2 of this act. For the purposes of this section, the department of ecology shall consult with the water research center at Washington State University.

NEW SECTION. Sec. 5. The committee shall report its findings and recommendations to the legislature no later than December 31, 1988. The department shall not implement such recommendations by rule or regulation except upon the enactment of enabling legislation based upon the committee's recommendations.

NEW SECTION. Sec. 6. No aspect of the study authorized by sections 1 through 3 of this act may authorize any interference whatsoever with existing water rights. W. D. Naismith, Assistant Secretary.

REPORT OF CONFERENCE COMMITTEE
March 8, 1988

Mr. Speaker:
We of your Conference Committee, to whom was referred ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1835, providing for economic diversification in the Tri-Cities, have had the same under consideration and we report that we are unable to agree, and we respectfully request the powers of Free Conference to amend the bill as follows:

Reject the Senate amendments (For amendments, see Journal, 57th Day, March 7, 1988);
Adopt the following amendments:

NEW SECTION. Sec. 1. The legislature finds that:
(1) Cutbacks in federal funds and programs to the Tri-Cities pose a substantial threat to the region and the state with massive lay-offs, loss of personal income, and declines in state revenues;
(2) The Tri-Cities is of critical significance to the state because of its leading role in the nuclear industry and its concentration of excellent scientists and engineers. Because of the presence of this highly trained workforce, this region requires a special state effort to diversify the local economy;
(3) There are key opportunities to broaden the economic base in the Tri-Cities including agriculture, high-technology, tourism, and regional exports;
(4) A coordinated state, local, and private sector effort offers the greatest potential to promote economic diversification and to provide support for new projects within the region; and
(5) Economic diversification efforts in the Tri-Cities area may bring to the area new industries which use hazardous and toxic chemicals. Concerns about the accidental release of such chemicals can inhibit economic development efforts. The legislature finds that local emergency response planning may mitigate environmental impacts of economic development efforts. Congress enacted legislation to coordinate emergency response planning efforts and directed preparation of local emergency response plans. The legislature further finds that nongovernmental persons are reluctant to serve on local emergency planning committees due to fear of civil liability.

It is the intent of the legislature to develop comprehensive programs to provide diversified economic development and promote job creation and employment opportunities for the citizens of the Tri-Cities area.

NEW SECTION. Sec. 2. The department of trade and economic development shall begin implementation of the priority goals established by the Tri-Cities diversification study conducted under chapter 501, Laws of 1987, as follows:
(1) To retain and expand existing businesses and industries within the region;
(2) To attract businesses and industries to the region that will provide new jobs;
(3) To encourage the formation of new businesses and industries in the region; and
(4) To assist in the development of a regional infrastructure favorable to economic diversification.

In evaluating these goals, the department, in consultation with the Tri-Cities diversification board, shall determine which objectives of these priority goals are most likely to lead to economic diversification. Consideration shall be given to potential jobs and income benefits, generation of additional fiscal support, increased private sector participation, and market forces supporting the proposed objectives. The department shall consider such additional studies and governmental agencies which could support the priority goals determined under this section.

For the purposes of sections 1 through 12 of this act, "department" means the department of trade and economic development.

NEW SECTION. Sec. 3. (1) The sum of one million two hundred forty thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1989, from the administrative contingency fund to the employment security department for the purposes of sections 1 through 12 of this act. This appropriation shall be transferred to the department of trade and economic development for the purposes of sections 1 through 12 of this act.
NEW SECTION. Sec. 4. (1) The department of trade and economic development shall designate a project manager within the department to facilitate the department's activities within the Tri-Cities region. This position shall be located in the Tri-Cities region. The manager's responsibilities shall include but not be limited to:

(a) Seeking to increase the use of existing state economic development programs in the Tri-Cities region;

(b) Helping to locate additional funds to be used for diversification activities;

(c) Forming committees to oversee activities within the priority areas;

(d) Coordinating evaluation of state diversification in the region;

(e) Seeking to increase the effectiveness of existing efforts to incubate new enterprises in the Tri-Cities region and to increase the resources devoted to the incubation of new enterprises;

(f) Facilitating technology transfer from the research base in the region to local businesses, including efforts to increase: The availability and accessibility of venture capital in the Tri-Cities region, especially for the early stages of enterprise development and for the expansion of existing enterprises, the accessibility of legal expertise, especially in regard to licenses and patents, and the identification of and assistance to entrepreneurs with expertise in managing new product development; and

(g) Increasing the availability and coordination of resources devoted to the expansion, development, and modernization of enterprises in existing promising growth areas of the Tri-Cities regional economy such as the industrial applications of advanced technology and recreational development.

(2) A maximum of seventy-five thousand dollars shall be made available for the purposes of this section.

NEW SECTION. Sec. 5. There is established the Tri-Cities diversification board. The board shall consist of fifteen members appointed by the governor, including but not limited to representatives of local businesses, labor organizations, local governments, visitor and convention bureaus, local educational institutions, local associate development organizations, the agribusiness community, and local ports. In making the appointments, the governor shall endeavor to ensure that the appointees have experience in local diversification efforts. Vacancies shall be filled in the same manner as the original appointment.

The board shall review proposals for the diversification of the Tri-Cities area presented to it by the department.

Members of the board shall receive no compensation but shall be reimbursed for travel expenses under RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 6. (1) In carrying out the purposes of (a) through (l) of this subsection, the department shall consult with the Tri-Cities diversification board. The department shall contract with local organizations, institutions, or agencies to perform one or more of the following:

(a) Develop a regional export program to identify potential products for export from the region and facilitate their export;

(b) Develop waterfront resources to facilitate increased tourism in the area;

(c) Conduct an import substitution program to connect existing industries with local suppliers of goods and services and identify market gaps that can be filled by start-up firms;

(d) Act as team coordinator of the Tri-Cities business and job retention team. The team may ensure the provision of retention services to small businesses and their employees. The team shall have equal representation from local businesses and local labor. The team may also have representatives from local educational institutions, the private industry council, and local governments. The subcontractor shall conduct a survey of local businesses and coordinate the delivery of marketing, technical, managerial, and training assistance appropriate to client businesses and employees. The surveys shall gather information about business needs, expansion plans, relocation decisions, training needs, potential layoffs, financing needs, the availability of financing, and other appropriate information. The subcontractor shall coordinate team efforts with the Washington ambassadors program and select appropriate marketing, management, training, and technical specialists to assist the team on either a volunteer or subcontract basis. The subcontractor shall conduct an initial assessment of firms or workforces indicating a need for assistance to determine viability, problems, skill levels, public and private costs associated with any potential business failure or layoff, the potential for preventing closure or reduction-in-force, and the potential for a change in ownership, including employee and community buy-outs. If the initial assessment indicates the need for a more thorough study of the feasibility of various options for retaining a firm, the subcontractor may contract or subcontract for such a study under the following conditions:

(i) The small business is engaged in light or heavy manufacturing, the processing of agricultural products, or transportation services;
(ii) Only one study may be funded per business; and
(iii) A maximum of twenty-five thousand dollars in funds received from the state shall be made available per study.
(e) Develop and implement a training program in marketing for small firms producing products suitable for export outside the Tri-Cities area. The program may have a variety of training formats to meet the diverse needs of the targeted firms and should include, but need not be limited to: a presentation on the value and the potential of marketing cooperatives, training programs for sales personnel, and training in the development of marketing plans as part of the overall business plan. The subcontractor may work with public and private schools of business administration in developing the curriculum and may use other subcontractors in implementing the program.
(f) Facilitate the development and operation of small business incubators. The department may subcontract with existing small business incubators in the Tri-Cities or with local governments, community organizations, or educational institutions, to:
(i) Conduct small business incubator feasibility studies;
(ii) Provide technical, managerial, financing, and marketing assistance to firms inside and outside incubators;
(iii) Facilitate the creation of an equity capital fund for use by incubated firms;
(iv) Market the services offered by small business incubators and encourage local entrepreneurs to use incubator services and facilities; and
(v) Consolidate the efforts of local educational institutions, the private industry council, and the local small business development center in one incubator.
(g) Operate an investment opportunities office. The subcontractor should solicit business plans from local entrepreneurs and, when necessary, assist the entrepreneurs in the development of such plans.
(h) Provide for targeted business recruiting and business development. Business development should include specialized technical or managerial assistance in fields that promote the existing strengths of the region in such areas as agricultural services and processing, the industrial applications of advanced technology, and recreation and tourism.
Specific assistance should be given to small businesses in securing federal contracts from agencies participating in the small business innovation research program.
(i) Develop or conduct such other projects or programs as are approved by the department in consultation with the Tri-Cities diversification board.
(2) The department shall establish such criteria as it deems appropriate for delivery of the services supplied under contract as provided in this section. The department shall provide training and technical assistance to the personnel of any program, team, office, or other effort provided for under this section, as appropriate. Such training and technical assistance shall be funded out of moneys provided for under sections 4 and 8 of this act.
No contract may be entered into under this section until the department has consulted with the Tri-Cities diversification board.
(3) A maximum of six hundred fifteen thousand dollars shall be made available for purposes of this section.

NEW SECTION. Sec. 7. The sum of two hundred ninety-two thousand dollars, or so much thereof as may be necessary, is appropriated from the general fund for the biennium ending June 30, 1989, to Washington State University for the following purposes:
(1) Seventy-five thousand dollars shall be used for one faculty member to research and teach at the Tri-Cities university center in the field of business development, new enterprise development, and the transfer of new technologies to commercial applications.

The appropriations in this section are provided for management and support of the marine transportation division of the department of transportation and for the operation and maintenance of the state ferry system.

The appropriations in this section are subject to the following conditions and limitations:

(1) The appropriations are based on the budgeted expenditure of $15,525,251 for vessel operating fuel in the 1987-89 biennium. If the actual cost of fuel is less than this budgeted amount, the excess amount shall not be expended. If the actual cost exceeds this amount, it is the intent of the legislature that the department will request a supplemental appropriation.

(2) Prior to the expenditure of any funds budgeted for additional passenger-only service, the department of transportation shall obtain approval from the legislative transportation committee. If the additional passenger-only service is not approved, the funds appropriated in this section for that purpose shall not be expended for any other purpose.
(3) For the period from July 1, 1987, up to the actual implementation date of the 1987-89 biennial salary increase for employees under the jurisdiction of the state personnel board, none of the appropriations in this section may be expended to effect any increases in the hourly wage rates of ferry employees, as ferry employee is defined in RCW 47.64.011(5), shall be included in the base hourly wage rates used for future salary increase calculations.

For the purposes of this section, the expenditures for compensation paid to ferry employees shall be limited to salaries and wages and employee benefits as defined in the office of financial management’s policies, regulations, and procedures named under objects of expenditure ‘A’ and ‘L’ (7.2.6.2). Of the $105,210,000 provided for compensation, plus the prescribed insurance benefit increase dollar amount:

If the differential increases or the 1985-87 offset by bargaining unit is insufficient to meet the required deduction, the amount available for compensation shall be reduced by bargaining unit by the amount of such increase or the 1985-87 shortage in the required offset.

(6) The department of transportation shall provide the legislative transportation committee with a monthly report concerning the status of this program.

Sec. 17. Section 39, chapter 10, Laws of 1987 1st ex. sess. (uncodified) is amended to read as follows:

The motor vehicle fund revenues are received at a relatively even flow throughout the year. Expenditures exceed the revenue during the accelerated summer and fall highway construction season, creating a negative cash balance during the heavy construction season. Negative cash balances also may result from the use of state funds to finance federal advance construction projects prior to conversion to federal funding. Transit benefit projects are those which construct or improve high-occupancy vehicle lanes, surveillance control and driver information systems, park-and-ride lots, flyer stops, and park-and-pool lots.

HOUSE BILL NO. 2046, by Representative Grimm

Relating to hospital reimbursement. (t.o.)

The bill was read the second time.

Mr. Grimm moved adoption of the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. Section 15, chapter 5, Laws of 1973 1st ex. sess. as last amended by section 14, chapter 288, Laws of 1984 and RCW 70.39.140 are each amended to read as follows:

(1)(a) From and after a date not less than twelve months but not more than twenty-four months after the adoption of the uniform system of accounting and financial reporting required by RCW 70.39.100, as the commission may direct, the commission shall have the power to initiate such reviews or investigations as may be necessary to assure all purchasers of health care services that the total costs of a hospital are reasonably related to the total services offered by that hospital, that costs do not exceed those that are necessary for prudently and reasonably managed hospitals, that the hospital's rates are reasonably related to the hospital's aggregate costs; and that rates are set equitably among all purchasers or classes of purchasers of services without undue discrimination or preference. Effective July 1, 1985. this chapter does not preclude any hospital from negotiating with and charging any particular payer or purchaser rates that are less than those approved by the commission, if:

(((f)) (J)) The rates are cost justified and do not result in any shifting of costs to other payers or purchasers in the current or any subsequent year; and

(((f)) (J)) All the terms of such negotiated rates are filed with the commission within ten working days and made available for public inspection.

(b) The commission may retrospectively disapprove such negotiated rates in accordance with procedures established by the commission if such rates are found to contravene any provision of this section.

(c) Any hospital may charge rates as negotiated with or established by the department of social and health services. Rates negotiated or established under this subsection (c) are not subject to (a) or (b) of this subsection. Rates negotiated or established under this subsection (c) are not subject to any review or approval by the commission under this chapter.

(2) In order to properly discharge these obligations, the commission shall have full power to review projected annual revenues and approve the reasonableness of rates proposed to generate that revenue established or requested by any hospital subject to the provisions of this chapter. No hospital shall charge for services at rates exceeding those established in accordance with the procedures established hereunder. After June 30, 1985, rates for inpatient care shall be expressed using an appropriate measure of hospital efficiency, such as that based on diagnosis-related groups. and, if necessary for federal medicare participation in a hospital reimbursement control system, hospitals shall charge for such care at rates prospectively established and expressed in terms of a comparable unit of total payment, such as diagnosis-related groups. In the event any hospital reimbursement control system is implemented, children's hospitals shall be exempted until such time as a pediatric based classification system which reflects the unique resource consumption by patients of a children's hospital is perfected."
For the purposes of this exemption, children's hospitals are defined as hospitals whose patients are predominantly under eighteen years of age.

(3) In the interest of promoting the most efficient and effective use of health care service, and providing greater promise of hospital cost containment, the commission may develop a hospital reimbursement control system in which all payers or purchasers participate, that includes procedures for establishing prospective rates, that deals equitably with the costs of providing charity care, and that shall include the participation of the federal medicare program under the social security amendments of 1983, Public Law 98-21. The commission shall have the authority to require utilization reviews of patient care to ensure that hospital admissions and services provided are medically justified. The commission may seek approval, concurrence, or participation in such a system from any federal agency, such as the department of health and human services, prior to securing legislative approval pursuant to concurrent resolution for implementation of any hospital reimbursement control system developed pursuant to this section. The commission shall involve the legislature in the development of any plan for a hospital reimbursement control system.

(4) The commission shall assure that no hospital or its medical staff either adopts or maintains admission practices or policies which result in:

(a) A significant reduction in the proportion of patients who have no third-party coverage and who are unable to pay for hospital services;

(b) A significant reduction in the proportion of individuals admitted for inpatient hospital services for which payment is or is likely to be less than the anticipated charges for or costs of such services;

(c) The refusal to admit patients who would be expected to require unusually costly or prolonged treatment for reasons other than those related to the appropriateness of the care available at the hospital((~)t)

(5) The commission shall serve as the state agency responsible for coordinating state actions and otherwise responding and relating to the efforts of the federal department of health and human services in planning and implementing federal cost containment programs with respect to hospitals and related health care institutions as authorized by the social security amendments of 1983, as now or hereafter amended, or other federal law, and any rules or regulations promulgated thereunder. In carrying out this responsibility, the commission may assume any function or role authorized by appropriate federal regulations implementing the social security amendments of 1983; or assume any combination of such roles or functions as it may determine will most effectively contain the rising costs of the varying kinds of hospitals and related health care institutions in Washington state. In determining its functions or roles in relation to federal efforts, the commission shall seek to ensure coordination, and the reduction of duplicatory cost containment efforts, by the state and federal governments, as well as the diligent fulfillment of the purposes of this chapter and declared public policy and legislative intent herein.

Nothing in this chapter limits the ability of the department of social and health services to establish or negotiate hospital payment rates pursuant to RCW 74.09.120 or in accord with a federally approvable state plan under title XIX of the federal social security act."

Mr. Grimm moved adoption of the following amendment by Representatives Grimm and Braddock to the amendment:

On page 6 of the amendment, after line 21, insert the following:

"This act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

Mr. Grimm spoke in favor of adoption of the amendment to the amendment, and it was adopted.

Representatives Grimm and Holland spoke in favor of the amendment as amended, and Representatives Hargrove, K. Wilson and Schoon opposed it.

Mr. Grimm yielded to question by Ms. Valle.

Ms. Valle: Thank you, Mr. Speaker. I happen to be a member of the West Seattle Hospital Board. I would like to know if a recently negotiated contract, with Medicaid patients in mind, with the DSHS, if that did not conform to what is in this bill, could that contract be renegotiated?

Mr. Grimm: Thank you, Representative Valle. The answer to your question is that the contract can be renegotiated with notice.

Representatives Day and Zellinsky spoke against the amendment as amended, and Representatives Sprenkle, Lux and Ebersole spoke in favor of it.

On page 6, line 27, after "70.39.140" insert "and declaring an emergency."

MOTION

Mr. Braddock moved adoption of the following amendments to the committee amendment:

On page 11, line 24, after "provider" strike "or" and after "person," insert "or other categories of employment determined by the board in rule to be at risk of substantial exposure to HIV."

Representatives Braddock, Brooks, Wineberry and Moyer spoke in favor of adoption of the amendment to the committee amendment, and Representatives Padden and Schoon opposed it.

POINT OF INQUIRY

Mr. Braddock yielded to question by Mr. Brooks.

Mr. Brooks: Representative Braddock, does this provision in any way alter the defenses available to employers or others should they be accused of handicap discrimination on the basis of an HIV infection?
FIFTY-NINTH DAY, MARCH 9, 1988

Mr. Braddock: No. All the defenses available in a handicap case would be available to an employer or anyone else accused of discrimination against persons with an HIV infection.

Mr. Brooks: Along the same line, I have one other question. By passing this law, are we giving people with an HIV infection a higher degree of protection against discrimination than anyone else?

Mr. Braddock: No. It is simply our intent to make certain that people with an HIV infection are treated the same as other people with conditions which may constitute a handicap under the state's antidiscrimination laws.

The amendment to the committee amendment was adopted.

Mr. Hargrove moved adoption of the following amendment to the committee amendment:

> On page 18, after line 13, strike all material through "Immunodeficient," and insert "Human Rights Commission will present a report to the legislature on potential discrimination by December 1, 1988"

The amendment to the committee amendment was not adopted.

POINT OF PERSONAL PRIVILEGE

Mr. Padden: Thank you, Mr. Speaker. I certainly respect the office of the Speaker, but at that point, Mr. Speaker, before the gavel had fallen, I had called for a division in a loud, clear voice. This has happened numerous times throughout the session. The Speaker is honored to call for a division if it came forward before the gavel had fallen. I think it would only have been fair to have allowed a division and allowed a vote on this very important and sensitive amendment.

The Speaker: My advice to you, Representative Padden, is to call for a division before the vote is taken.

ANNOUNCEMENT BY THE SPEAKER

The Speaker stated that an electric roll call vote on the adoption of the amendment by Mr. Hargrove to the committee amendment to Engrossed Second Substitute Senate Bill No. 6221 would be taken at the request of the Minority Leader.

"(4) For the purpose of this chapter, any person who is actually infected with HIV, but is not disabled as a result of the infection, shall not be eligible for any benefits under the affirmative action provisions of chapter 49.74 RCW solely on the basis of such infection."

Renumber the remaining subsections consecutively and correct internal references accordingly.

Mr. Braddock spoke in favor of the amendment to the committee amendment, and it was adopted.

(a) On the basis of average annual full time equivalent enrollments, excluding handi­capped full time equivalent enrollment as recognized for funding purposes under section 507, chapter 7, Laws of 1987 1st ex. sess., and excluding full time equivalent enrollment otherwise recognized for certificated staff unit allocations under (d) through (l) of this subsection:

(ii) For school districts that are located in a special economic distress impact area as defined in this subsection, and that experienced a decline in average annual full time equivalent enrollment between the 1987-88 and 1988-89 school years of at least two hundred full time equivalent students or four percent, whichever is less, additional staff unit allocations for the 1988-89 school year equivalent to the number of staff units generated under (a) of this subsection by half of the enrollment difference between the two school years. 'Special economic distress impact area' shall mean a county that had an average unemployment rate for fiscal year 1988 which exceeded the average state unemployment rate for the same period by fifteen percent, and which is located in whole or in part within a fifty mile radius of a nuclear reactor scheduled to be placed in inoperative standby status.

(f) For districts enrolling more than twenty-five but not more than one hundred average annual full time equivalent students in kindergarten through grade eight, and for small school plants within any school district which enroll more than twenty-five average annual full time equivalent kindergarten through eighth grade students and have been judged to be remote and necessary by the state board of education, in the following cases:

INTRODUCTIONS AND FIRST READING

HCR 4451 by Representative Ebersole
Exempting EHB 1544 from bill cut-offs.
Held on First Reading from March 9, 1988.

HCR 4453 by Representatives Ebersole and Ballard
Adjourning the Legislature.

HCR 4454 by Representative Vekich
Directing a joint study of international trade by the Senate Economic Development and Labor Committee and the House of Representatives Trade and Economic Development Committee.

MOTION

Mr. Ebersole moved that the rules be suspended and that House Concurrent Resolution No. 4451 be placed on the second reading calendar. The motion was carried.

House Concurrent Resolution No. 4451 was read the second time.

Mr. Patrick moved adoption of the following amendment:
On page 1, line 6, after "1544" insert "or HB 1352"

POINT OF ORDER

Mr. Ebersole: Mr. Speaker, I ask you to rule on the scope and object of this amendment.

POINT OF ORDER

Mr. Lewis: Mr. Speaker, my point of order is: Is there a scope and object to the title of a House Concurrent Resolution?
SIXTIETH DAY, MARCH 10, 1988

SPEAKER'S RULING

The Speaker: Representative Lewis, there obviously is no title to a concurrent resolution, but the Speaker's rulings are on the scope and object which has to do with the germaneness of the issue before you. So all of the rulings we have made have to do, not only with the title, and there is no title on this, but also have to do with the subject before us. I hope that answers your question.

POINT OF ORDER

Mr. Lewis: Mr. Speaker, I draw your attention to Rule 30 of our Joint Rules.

SPEAKER'S RULING

The Speaker: Rule 30, Representative Lewis, deals with the Joint Rules. The matter before us is a concurrent resolution between the House and Senate. Your point is not well taken.

POINT OF ORDER

Mr. Lewis: Mr. Speaker, my point of order is that we have a House Concurrent Resolution before us. Rule 30 of our Joint Rules speaks to the amendatory process of a House Concurrent Resolution.

SPEAKER'S RULING

The Speaker: Representative Lewis, Rule 30 which reads "These joint rules may be amended by concurrent resolution agreed to..." with a day's advance notice. We are not, however, amending the Joint Rules. What we are doing is running a House Concurrent Resolution; we are not amending the Joint Rules.

The Speaker stated the question before the House to be the point of order raised by Mr. Ebersole regarding the amendment by Mr. Patrick.

SPEAKER'S RULING

The Speaker: Representative Ebersole, House Concurrent Resolution No. 4451 exempts a bill pertaining to minimum wage from the cut-off resolution. The amendment offered by Representative Patrick attempts to introduce an entirely new subject into the cut-off resolution. I find that your point is well taken; that the amendment by Representative Patrick is not germane to the resolution before us.

Mr. Ebersole moved adoption of the following amendments:

On page 1, line 2 after "amended" strike all material down to and including "4446" on line 3.

On page 1, line 6 strike "EHB 1544" and insert "HB 709"

Mr. Ebersole spoke in favor of adoption of the amendments, and they were adopted.

The resolution was ordered engrossed. On motion of Mr. Ebersole, the rules were suspended, the second reading considered the third, and the resolution was placed on final passage.

Mr. Ebersole spoke in favor of adoption of the resolution. Representative McLean appeared at the bar of the House.

POINT OF INFORMATION

Mr. Lewis: For final passage of Engrossed House Concurrent Resolution No. 4551, what is the vote required? A simple majority?

The Speaker: Yes, a simple majority.

Mr. Lewis: What bill do we have before us now attached to House Concurrent Resolution No. 4551?

The Speaker: Representative Lewis, there is no bill attached to the House Concurrent Resolution. The bill referenced is House Bill No. 709, but it is a House Bill that now resides in the Ways & Means Committee.

Mr. Lewis: So all we are doing is passing a cut-off resolution? We don't have a bill before us? The bill is still in committee, is that correct?
The Speaker: That is correct.
Mr. Patrick spoke in favor of adoption of the resolution.
The resolution was adopted.
There being no objection, the House advanced to the eighth order of business.

MOTION

Mr. Ebersole moved that Committee on Ways & Means be relieved of House Bill No. 709 and that the bill be placed on the second reading calendar.

MOTION

Mr. Lewis moved that Committee on Rules be relieved of House Bill No. 1352 and that the bill be placed on the second reading calendar.

SPEAKER'S RULING

The Speaker: We have a motion of equal rank pending, Representative Lewis. Your motion is now out of order. I will give you a chance to make that motion, having dealt with the motion before us.

The Speaker stated the question before the House to be the motion by Mr. Ebersole to relieve Committee on Ways & Means of House Bill No. 709 and place the bill on the second reading calendar.

MOTION

Ms. Brough moved that the motion by Mr. Ebersole be amended to relieve Committee on Rules of House Bill No. 1352.

POINT OF ORDER

Mr. Ebersole: Mr. Speaker, I would like you to rule on whether or not this motion can be properly considered under House Concurrent Resolution No. 4426.

SPEAKER'S RULING

The Speaker: Representative Ebersole, the Speaker has examined House Concurrent Resolution No. 4426. We know this as the cut-off resolution. The cut-off resolution is very clear that after 5:00 p.m. on Tuesday, February 16, 1988, except for the supplemental budget, the House can only consider Senate Bills, memorials and joint resolutions. That day was the last day for the House to consider House Bills that were not exempt, unless the cut-off resolution was otherwise amended. Your point is well taken and the motion offered by Representative Brough is out of order.

The Speaker stated the question before the House to be the motion by Mr. Ebersole that Committee on Ways & Means be relieved of House Bill No. 709 and that the bill be placed on the second reading calendar.

The motion was carried.

There being no objection, the House reverted to the sixth order of business.

SECOND READING

POINT OF INFORMATION

Mr. Ballard: Thank you, Mr. Speaker. Can you inform the body of the status of Engrossed Second Substitute Senate Bill No. 6221?

The Speaker: Representative Ballard, we sent Engrossed Second Substitute Senate Bill No. 6221 to the Senate. We have not yet read in a return message from the Senate.

MOTION

Mr. Ballard moved that the House immediately receive the message from the Senate on Engrossed Second Substitute Senate Bill No. 6221.

The Speaker: Representative Ballard, I cannot accept your motion; the paperwork is not before us. It is not on the bar of the House.
SIXTIETH DAY, MARCH 10, 1988

POINT OF INFORMATION

Mr. Padden: If the paperwork on Engrossed Second Substitute Senate Bill No. 6221 is not on the bar of the House, where is it? The Senate acted on that bill a couple of hours ago to my understanding.

The Speaker: The Chief Clerk informed me that it is in transit and we will be receiving the transmission at some point.

POINT OF INFORMATION

Ms. Brough: My point of information is: When will Engrossed Second Substitute Senate Bill No. 6221 arrive on the bar of the House?

The Speaker: When it gets here, Representative Brough.

Ms. Brough: Could you give us an idea as to the time that might occur?

The Speaker: You might check with the Senate and find out what time they mailed it.

Establishing a state minimum wage tied to the federal poverty level.

The bill was read the second time. Mr. Grimm moved that Substitute House Bill No. 709 be substituted for House Bill No. 709, and the substitute bill be placed on the second reading calendar.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

The Speaker stated the question before the House to be the motion by Mr. Grimm that Substitute House Bill No. 709 be substituted for House Bill No. 709 and that the substitute bill be placed on the second reading calendar.

The motion was carried.

Substitute House Bill No. 709 was read the second time.

Mr. Patrick moved adoption of the following amendment:

REMARKS BY REPRESENTATIVE MOYER

Mr. Moyer: Thank you, Mr. Speaker. Ladies and gentlemen of the House: With the permission of the Speaker, I would like to briefly read what we will lose if we don’t have an AIDS bill. If we don’t have a bill, we will lose all the public information for children and adults on AIDS that emphasizes sexual abstinence, sexual fidelity and avoiding drug abuse. We will lose the opportunity to offer AIDS education annually in the fifth through twelfth grades. We will lose it in colleges. We will lose the opportunity to train health professionals. We will lose mandating AIDS tests
for convicted sex offenders, drug abusers and prostitutes. We won't be able to have law enforcement officers, fire fighters and health care providers request AIDS testing of people with whose bodily fluids they come in contact. Jail and prison administrators are not authorized to test inmates unless we have the bill. Specific guidelines for establishing six regional AIDS networks will not be in existence. Confidentiality standards will be lost. Discrimination provisions are included in the bill, as has just been said. Public health officers will not be authorized to detain people with AIDS under certain conditions. We will lose a class B felony conviction for knowingly transmitting the AIDS virus. Recognizing that in the emotional debate last night, I did speak for section 902 as modified. I cannot in good conscience say that I want this bill lost. We have far too much at stake. We have a narcotics epidemic in King County, Yakima County, as was told to us this morning, is the third entry point in the United States. To my perception, as a legislature, we cannot opt out. We have to have an AIDS bill. I will vote to concur.

Representatives Brooks, Hargrove, Baugher, Brough and Schoon spoke in favor of the motion, and Representatives Braddock, Locke, Jones, Anderson and Ebersole opposed it.

ROLL CALL

The Clerk called the roll on the motion by Ms. Brough that the House recede from its position on the amendments to subsection (1) of NEW SECTION, Sec. 902, (page 18, lines 17-21) to Engrossed Second Substitute Senate Bill No. 6221, and the motion was lost by the following vote: Yeas, 41; nays, 56; excused, 1.

Mr. Speaker:

The Senate refuses to concur in the remaining amendment to ENGROSSED SECOND SUBSTITUTE SENATE BILL NO. 6221, (subsection (1) of NEW SECTION. Sec. 902., page 18, lines 17-21), insists on its position, and once again asks the House to recede therefrom, and the same is herewith transmitted.

W. D. Naismith, Assistant Secretary.

MOTION

Mr. Ebersole moved that the House again adhere to its position regarding its amendments to Engrossed Second Substitute Senate Bill No. 6221 and again ask the Senate to concur in the remaining amendment. The motion was carried.
Mr. Ebersole demanded a Call of the House, and the demand was sustained.

**CALL OF THE HOUSE**

The Sergeant at Arms was instructed to lock the doors.

The Clerk called the roll and all members were present except Representatives Allen, Gallagher, Lux, Sanders, Sayan and Sutherland.

On motion of Mr. Ebersole, the absent members were excused, and the House proceeded with business under the Call of the House.

Representatives Gallagher, Lux, Sayan and Sutherland appeared at the bar of the House.

**POINT OF PERSONAL PRIVILEGE**

Ms. Hankins: Mr. Speaker, some of the members of the House do not realize that I am a member of the Executive Committee of the National Conference of State Legislatures. I would like to make an announcement at this time to tell them that I have the minutes of the board meeting which I attended on Saturday. They might want to call or come by my office and have an opportunity to read those minutes to prepare themselves for the National Conference meeting in Reno, Nevada this year. There are some major issues coming up before our delegates. They will need to know what those issues are, and they will also need to know how to vote on the changes to the bylaws for the foundation. Thank you.

**MESSAGE FROM THE SENATE**

March 9, 1988

Mr. Speaker:

The Senate has adopted the report of the Conference Committee on ENGROSSED SUBSTITUTE SENATE BILL NO. 6160 and has granted said committee the powers of Free Conference.

W. D. Naismith, Assistant Secretary.

**REPORT OF FREE CONFERENCE COMMITTEE**

March 9, 1988

Mr. Speaker:

We of your Free Conference Committee to whom was referred ENGROSSED SUBSTITUTE SENATE BILL NO. 6160, providing baccalaureate and masters degree equivalencies for certification of vocational instructors, have had the same under consideration and we recommend that the bill be amended as proposed in the request for Free Conference and that the bill do pass as amended by the Free Conference Committee.

(See Report of Conference Committee on Engrossed Substitute Senate Bill No. 6160, read in March 9, 1988.)

Signed by Senators Bailey, Bender, Craswell; Representatives Spane, Betrozoff, Peery.

**POINT OF ORDER**

Mr. Lux: Mr. Speaker, in looking at the bill I think that I would like to ask for a ruling on scope and object.

**SPEAKER'S RULING**

The Speaker: Representative Lux, the Speaker has examined Engrossed Substitute Senate Bill No. 6160 and finds it to be a bill that deals with certification standards for vocational instructors. The amendment deals with grounds for dismissal of all teachers. It talks about revocation of a certificate based on felony crimes. The scope of the original bill was relatively narrow, dealing just with certification requirements for vocational instructors. The Speaker, therefore, finds, Representative Lux, that your point is well taken and that the amendment is outside the scope and object of the bill.

The Speaker stated that by its action the House had returned Engrossed Substitute Senate Bill No. 6160 to the Conference Committee.
There being no objection, the House reverted to the fourth order of business.

INTRODUCTION AND FIRST READING

HCR 4455 by Representative Ebersole

Extending the bill cut-off for capital projects.

MOTION

On motion of Mr. Ebersole, the rules were suspended and the resolution was advanced to second reading.

House Concurrent Resolution No. 4455 was read the second time.

Mr. Padden moved adoption of the following amendment by Representatives Patrick, Scott and Baugher:

On page 1, line 5, after "HB" insert "1352."

POINT OF ORDER

Mr. Ebersole: Mr. Speaker, will you rule on the scope of this amendment?

SPEAKER'S RULING

The Speaker: Representative Ebersole, the proposed amendment to the cut-off resolution deals with capital projects and extends the bill cut-off for capital projects. The amendment offered by Representatives Patrick, Scott and Baugher tries to insert a new subject. I find that your point is well taken, that the amendment is outside the scope and object of the resolution.

With consent of the House, the rules were suspended, the second reading considered the third, and the resolution was placed on final passage.

The resolution was adopted.

There being no objection, the House advanced to the eighth order of business.

MOTION

POINT OF PERSONAL PRIVILEGE

Mr. Schoon: Thank you, Mr. Speaker. There is one of our members, who will not be back next year. Traditionally, when we are on the floor at about 11:15 or 11:30, he has maintained a very regular and dutiful habit in that he goes down and samples the pies for the day. The cook, who does the baking, has noticed that he has a strong preference for strawberry cream pie. Since this is Sine Die, the last night of the regular session, the cooking crew wanted to honor this member with his favorite pie. I would appreciate it if you would join me in acknowledging strawberry pie for Bob Williams.

POINTS OF PERSONAL PRIVILEGE

Mr. May: Ladies and gentlemen: I have been here for four sessions, and I have come to know a young fellow pretty well during those sessions. He calls himself a senior now, but he is far junior to me in some ways. You may guess that he is Dick Barnes. Dick has been here for seven terms, fourteen years, with his wife Sylvia and his daughter Cindy, who have become fixtures. He has been an outstanding member of our organization. I had the privilege of sitting with him first on the Environmental Affairs Committee. We had a little problem together—we were never quite sure whether we were voting together or against each other on some of the things in which we became interested. That was an interesting experience. This year he has been the ranking Republican member on the Energy Committee. We had a little problem together—we were never quite sure whether we were voting together or against each other on some of the things in which we became interested. That was an interesting experience. He is serving currently on the Higher Education, Housing and Constitution, Elections & Ethics
Mr. Barnes: Thank you, Mr. Speaker. I have to quit in order to get applause out of this group. Actually, I am going to miss you all. I am going to miss the news people also—are any of them here? I just read in my favorite technical journal, the Reader's Digest, a good definition of a news writer—that is a noncombatant who hides in the woods until the fighting is over, then walks out on the battle field and shoots the wounded. When I was in college, I studied a lot of mathematics. I find the Legislature is like one of my math books—the further I get into it, the less sense it makes. I will miss you all. If some of you think I have been a nuisance while I have been sitting here in this seat, just wait until next year when you start getting my hotline messages. I don't know that I have retired from football yet. Fred, I have to wait and see if I make the team next year. I have done some interesting things in my life. Being here with you people has been one of the most fascinating things, and I am sure I will miss it. I’ll probably come down and visit you next year—once. Then I will look down from the balcony, shake my head, walk out and say, "I am out of there." I will miss you, but I don't miss having to run again. So good luck to you. I think we would have gotten a lot of things done, if everybody would have agreed with me on everything. But you didn't. So, if you'll run the state for me when I am gone, I'll appreciate it. Thank you.

Ms. Hine: Thank you, Mr. Speaker. I would also like to say a couple of words to my district-mate, Representative Barnes. It is true that we don’t always agree, but when we disagree, we usually do it in a very friendly fashion. I have enjoyed the years serving with Dick. It is always fun on the campaign trail with Dick, because we talk on different issues and often on different sides of the issues. I have really enjoyed the gentlemanly and courteous way in which he has always treated the young one from the district. That's been kind of fun. I am especially pleased, because the other day, when we were honoring Ed Munro, Representative Barnes was complaining that I had never invited him to that fancy champagne brunch that I have every couple of years. This year, Dick, you get an invitation.

SPEAKER'S PRIVILEGE

The Speaker (Mr. O'Brien presiding): Representative Barnes, we are all going to miss you in that corner. You remind me often of an anchorman. You are always in there in energy matters and certainly have been a good, loyal member of this body. We are going to miss you very much. The Speaker would also like to recognize Representative Barnes' wife, Sylvia, who has always been a very diligent part of this operation.

The members of the House of Representatives recognized Mrs. Sylvia Barnes.

POINTS OF PERSONAL PRIVILEGE

Mr. Nelson: Thank you, Mr. Speaker. It has been my privilege, and usually my pleasure, to have sat next to Dick Barnes for a number of years on the House Energy & Utilities Committee. It was certainly a pleasure when Dick took the chair of that committee and set a different kind of tone for some of the issues that we dealt with there. He didn't bring his computer to the committee; he didn't bring piles of very esoteric data to the committee. That was certainly very helpful and beneficial for all of us, who had to deal with some very technical questions. We dealt with them on the basis of what was best policy and not whether or not we could out-gun the other person with our computers. Dick, I am sure many of you know, is a person of many parts. He is, as some people have already mentioned, a football player. I can remember many stories in Monday morning committee meetings, when Dick would come back from football games, where he had kicked winning field goals, had made tackles as the kickoff person, or was the last man to
stop the person who had fielded that football and was heading for the goal line. As someone over sixty, I admired him very much. I hope I am still on my feet when I am over sixty. He is also a rugby player—you may not know that. I think the word is scrum, or something like that. You scrum every weekend. He tells me he is going to become an instructor of pilots again. He is a pilot, and he is going after his instructor’s license. And he certainly is a musician. All of that adds up to, if not a renaissance person, at least a person who has a lot of energy, a lot to enjoy and to give to his community and his world. Dick comes on like a person who doesn’t quite understand something. I think he is one of those dumb-like-a-fox persons. In a committee he is always asking questions; he is always digging; he is always getting to the answer. It is usually a good answer. I am going to miss Dick Barnes as a colleague and as a person who shares some of the same interests. I hope, Dick, that you will find a person to fill your seat on the Energy Committee—somebody who will do just as good a job as you. Thank you very much for being my friend.

Mr. Sanders: Thank you, Mr. Speaker. I, too, would like to thank Representative Dick Barnes for his many years of service to the people of the state of Washington. I am sure all of you on the House floor are wondering why I have a perfect voting record this year. Of course, it is because of the coaching that I have received from my seat mate, Representative Barnes. It is a joy working with Dick and to be with him on the Constitution, Elections and Ethics Committee. He certainly is not only an expert in the energy area and the energy issues, but also on governmental issues as well. It is also a pleasure to know his wife Sylvia and how much she supports Dick and how interested she is in politics, as well as his daughter Cindy. It is one of the joys of my life to know this family and to consider them friends. We will miss you, Dick, very much. We wish you Godspeed.

Mr. Todd: Thank you, Mr. Speaker. Ladies and gentlemen of the House: Representative Barnes, I also will miss you here, your wife Sylvia and your daughter Cindy for the fine work you have done for the House of Representatives. I have spent many hours in Representative Barnes’ office going back to 1980, discussing an issue—a minor, technical issue as I recall—called the energy code. We had what were known as the smoking-calculator wars at that time. That started in 1980 and progressed through 1984 or 1985. I always appreciated the fairness. We did not always agree on the issues, but I appreciate the sessions that we had. I think we have come a long way on the energy issue, and you were a major part of that discussion. I sincerely appreciate your fairness in those discussions. I have to tell you that one of my most memorable nights in the Legislature was when a former representative, Barney McClure, and you were over in the wings and rolled out the piano. You brought out your trombone and we had one of the best jam sessions ever—one of the best ever that I have heard. I appreciate that. I will miss you. I wish you, Sylvia and your daughter Cindy the best. Thank you.

Ms. Valle: Thank you, Mr. Speaker. Ladies and gentlemen: There are about three things that no one has mentioned here. We are going to miss the Charleston, and, if you haven’t seen the Barnes’ doing the Charleston, you haven’t seen anything. I would like to say that you have moved from the back to the front. I would like to say that you have moved from being a conservative to a moderate. I didn’t think that would ever happen. I think that is very interesting, and that means that I have really watched you. You joined me on the no smoking issue, and I can only say that it is too bad that you won’t be here to vote on disposable diapers, because that is an issue that is going to come up soon. The best to you and to Sylvia.

SPEAKER’S PRIVILEGE

The Speaker (Mr. O’Brien presiding): The Speaker would also like to recognize Representative Barnes’ daughter, Cindy, who is also a thirteen-year veteran of our institution. Cindy, it is nice to see you again.

The members of the House of Representatives recognized Ms. Cindy Barnes.

SENATE AMENDMENTS TO HOUSE BILL

February 26, 1988

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 318 with the following amendments:

On page 3, after line 22, insert the following section and renumber the remaining sections accordingly:

"NEW SECTION. Sec. 5. A new section is added to chapter 48.07 RCW to read as follows:

(1)(a) Any insurer duly organized under the laws of any other state and admitted to transact insurance business in this state may become a domestic insurer upon complying with all requirements of law for the organization of a domestic insurer in this state and by designating its principal place of business at a location in this state. Such domestic insurer is entitled to a certificate of authority to transact insurance in this state, subject to the conditions set forth in (b) of this subsection, and is subject to the authority and the jurisdiction of this state.

(b) Before being eligible to become a domestic insurer under this section, an admitted insurer shall advise the commissioner, in writing, thirty days in advance of the proposed date of its plan to become a domestic insurer. The commissioner must approve the plan in advance of the proposed date. The commissioner shall not approve any such plan unless, after a hearing, pursuant to such notice as the commissioner may require, the commissioner finds that the plan is consistent with law, and that no reasonable objection to the plan exists. If the commissioner fails to approve the plan, the commissioner shall state his or her reasons for failure to approve the plan in an order issued at the hearing.

(2) After providing thirty days advance written notice of its plan to the commissioner and upon the written approval of the commissioner in advance of the proposed transfer date, any domestic insurer of this state may transfer its domicile to any other state in which it is admitted to transact the business of insurance. Upon transfer of domicile, the insurer ceases to be a domestic insurer of this state. If otherwise qualified under the laws of this state, the commissioner shall admit the insurer to do business in this state as a foreign insurer. The commissioner shall approve any proposed transfer of domicile unless the commissioner determines after a hearing, pursuant to such notice as the commissioner may require, that the transfer is not in the best interests of the public or the insurer's policyholders in this state. If the commissioner fails to approve a proposed transfer of domicile, the commissioner shall state his or her reasons for failure to approve the transfer in an order issued at the hearing.

(3) When a foreign insurer, admitted to transact business in this state, transfers its corporate domicile to this state or to any other state, the certificate of authority, appointment of statutory agent, and all approved licenses, policy forms, rates, filings, and other authorizations and approvals in effect at the time the foreign insurer transfers its corporate domicile shall continue in effect.

(4) Any insurer transferring its corporate domicile under this section shall file any amendments to articles of incorporation, bylaws, or other corporate documents that are required to be filed in this state before the insurer may receive approval of its proposed plan by the commissioner.

On page 12, line 4, after "companies" insert "or insurance brokers whose average daily balance for premiums received on behalf of insureds in the state of Washington equals or exceeds one million dollars"

On page 12, line 12, strike "or damage" and insert "(or damages)"

On page 16, after line 3, insert the following:

"NEW SECTION. Sec. 20. Section 5 of this act is necessary for the immediate preservation of the public peace, health, and safety, the support of the state government and its existing public institutions, and shall take effect immediately."

On page 16, after line 3, insert the following and renumber the remaining sections accordingly:

"NEW SECTION. Sec. 21. (1) The insurance commissioner shall establish a committee to review health care coverage relating to temporomandibular joint disorder. This committee shall include one member from each of the four caucuses of the legislature to be appointed by the appropriate presiding officer in the House or Senate, representatives of the commissioner, the medical and dental professions, insurers, health care service contractors, health maintenance organizations, health care providers and those representing persons with temporomandibular joint disorder.

(2) Not later than November 1, 1988, the commissioner shall receive a report from the committee established under this section. This report shall include any recommendations for legislation, if needed."
(3) Any legislative recommendations presented to the commissioner pursuant to this section shall be referred to the state health coordinating council for its review and recommendation.

(4) The committee established under this section shall be dissolved on January 1, 1989.

On page 1, line 1 of the title strike "and" and on line 4 before the period "; and adding a new section to chapter 48.07 RCW"

On page 1, line 1 of the title, after "insurance;" strike "and" and on line 4 before the period insert "; and creating a new section"

and the same is herewith transmitted.

Gordon A. Golub, Secretary.

MOTION

Mr. Lux moved that the House do concur in the Senate amendments to Second Substitute House Bill No. 318. The motion was carried.

FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

The Speaker (Mr. O'Brien presiding) stated the question before the House to be the final passage of Second Substitute House Bill No. 318 as amended by the Senate.

ROLL CALL

The Clerk called the roll on the final passage of Second Substitute House Bill No. 318 as amended by the Senate, and the bill passed the House by the following vote: Yeas, 97; excused, 1.

Excused: Representative Allen - 1.

Second Substitute House Bill No. 318 as amended by the Senate, having received the constitutional majority, was declared passed. There being no objection, the title of the bill was ordered to stand as the title of the act.

POINT OF PERSONAL PRIVILEGE

Mr. Betrozoff: Thank you, Mr. Speaker. Members of the House: I would like to take this opportunity to honor another member, who is retiring from the Legislature, Representative Ren Taylor. Ren, this is my opportunity to do a monologue, so you are going to have to listen during this period of time and you will not be able to reply. It has been my honor to serve with Ren since 1983 and, prior to that time, I served as a staff member here. Ren came to the Legislature after thirty years of service in the public school system. He served as an assistant superintendent in administration on the west side in the Clover Park area for a number of years and spent his remaining years in education in the Spokane area as the West Valley superintendent. His ten years in the Legislature have been ones that, I think, most people will remember. I know some of the people, who were around here in 1981 and 1982, probably will remember Representative Taylor for some time—you probably still call him Mr. House Bill 166. Those of you, who were not around at that time, can ask some of the other members. They will tell you a little bit about how that bill passed. You know, Representative Taylor is very diplomatic, does everything in a smooth way, and was very concerned about both Republicans and Democrats on the House Education Committee at all times—very concerned. In fact, he did such a good job on House Bill No. 166 that the members of the other party were able to leave the committee meeting early that day—they left prior to the time that there was a vote on that bill. That's how efficient Representative Taylor was. The other thing that we will remember Ren Taylor for is Rule 14(C). Rule 14(C) is the rule that clutters our books and is seldom, if ever, used.
POINT OF ORDER

Mr. Taylor: Under House Rule 14(C) we are now operating illegally, and I move that we adjourn.

The Speaker (Mr. O'Brien presiding): You want to do that after all the nice things he is saying about you?

POINTS OF PERSONAL PRIVILEGE

Mr. Betrozoff: I don't think we ever adjourned at 10 o'clock, and if we did, it was probably more accidental than on purpose. Ren, the one thing that has come across—and you will recall when we talked about you in House Education—almost without exception people said that you have to be one of the most dedicated people to education that has ever served in the Legislature. Nobody ever doubted your dedication to the public schools and to public service. You certainly brought a wealth of experience to the Legislature. We certainly have benefited by it during your ten years here. For that we thank you very much and wish you the best of everything for the future.

Mr. Padden: Mr. Speaker, ladies and gentlemen of the House: I, too, wanted to say a few things about Representative Renwick Taylor. Ren came into the Legislature in 1978. At that time our 4th Legislative District was represented by three members on the other side of the aisle. Ren was a trailblazer, when he was elected in a very close election in 1978, and led the way, for better or worse, for a couple of other members of our party two years later. One thing about Ren is you never know where he stands on anything; he is kind of wishy-washy, shy and retiring. In all seriousness the people of the Spokane Valley, Millwood, Opportunity, Veradale, Greenacres, Olympia Lake and Newman Lake are going to miss Ren for the things that he has done in very effectively and very competently serving our district. There are a lot of things that legislators do, when we are not in session, in dealing with constituent problems and public agencies. Ren has always been very effective in numerous activities, and the people in our area are going to miss his service. They are also going to miss his lovely wife, Virginia, and both of them as residents in our area. It is going to be our loss and the gain of Lakewood and University Place, where Ren is going to be moving. We are going to miss you very much, Ren, and we thank you for your service.

Ms. Silver: I would like to say a few words about Ren Taylor. I had my first introduction to Ren six years ago. I want to tell you it was a back view only that I got of Ren Taylor, because we were on the campaign trail and I saw Ren get up from the chair to speak before our constituents. I want to tell you what he always did—I could count on it every time. Ren would stand and hitch up his pants every time. I had a tough time keeping a straight face. I would always look at Ren and wait for him to hitch up his pants. You will note now, when Ren gets up to talk to us, he will stand and hitch up his pants. And, Georgette, I hate to tell you this, but you are never going to have Ren on that no smoking bill—there is just no way he is going to go with that. He has been such an asset to our caucus. Whenever we needed the tough questions asked, whenever we needed a tough speech given, we could look to Ren. And he did a good job. He knew the issues; he reads his bills; he knows what is going on here; he is ethical and so honest and such a good legislator. We will really miss you, Ren. We really will. We always have needed you. I do want to share one more thing with you. I want to tell you this, but you are never going to have Ren on that no smoking bill—there is just no way he is going to go with that. He has been such an asset to our caucus. Whenever we needed the tough questions asked, whenever we needed a tough speech given, we could look to Ren. And he did a good job. He knew the issues; he reads his bills; he knows what is going on here; he is ethical and so honest and such a good legislator. We will really miss you, Ren. We really will. We always have needed you. I do want to share one more thing with you. I want to tell you this man is in debt. He has been in debt since May 18, 1987. He is in debt, and he should hold his head in shame. Interest is going on this debt and within twenty-five minutes this debt is going to be doubled. Doubled. I want all of you to know so that I can get paid in twenty-five minutes, and I am holding you all responsible to help me get paid. He owes me ten dollars—five dollars from last session, when I said we were going to get out on a certain time and he said it would be another time. I won five dollars. He has never paid his debt. We have doubled the bet. I say we are going to get out tonight; he says we are not. I think I have ten dollars coming. Thank you.

Mr. Lewis: Thank you, Mr. Speaker. Members of the House: It is sad for me to see us honoring Ren, but at least he is still alive. I think it is appropriate that at 11:37, in total violation of House Rule 14(C) which he so adamantly stuck with, he is
forced to abide by House Rule 30, which prohibits smoking in the Chambers. So I think it is only fitting that we honor him tonight at 11:37. My first experience with Ren was as a freshman in 1981, when he was chairman of the House Education Committee. The House Education Committee is a very nonpartisan, cooperative group obviously aimed at promoting the welfare of students. I used to be nice—really a nice person, not a mean bone in my body, no acidic tongue—until sitting on that committee. During my first experience to see your side walk out of the committee in a huff, I was thinking, "Is this the way things go around here?" Ren assured me that, yes, that was the way he operated. Ren, we are going to miss you. but I have a feeling that we are going to be seeing you around here in these hallowed halls, violating House Rule 30. I think we will give you a special dispensation. It has been good working with you. Ren. I look forward to working with you in the future.

The Speaker resumed the Chair.

POINTS OF PERSONAL PRIVILEGE

Mr. Smith: I have to say that Ren is the last, except for me, of the group that came in 1978. Representative Taylor and I have always been good friends; we get along fine—our wives have been sitting up in the gallery all evening. I must say that the Chairman of the Senate Ways & Means Committee came in at that same time, and he seems to be very important now. We have another one, who also seems to be very important, who is running for Governor and will probably be our next Governor. We have Representative Ren Taylor, who, I learned tonight, has several sons who are attorneys. I have been thinking about what I am going to do here—the last one of the last McCoys, you might say. Then I thought there has to be somebody to put seed in the ground—being the old sod buster that I am, a real farmer. It was our group that gave us the 49-49 tie. Maybe that is the reason I am around here—to plant that seed, so that we will at least have a 49-49 tie and maybe that 55 that we see in our caucus. Representative Taylor, I appreciate you being here with me all these years. I know that this is not the last time we are going to see each other. You and your opinions have been a great support to me. Even though I don't speak much on the floor, I do an awful lot of thinking out here as I'm listening to all this chatter.

Ms. Winsley: Thank you, Mr. Speaker. I stand here with mixed emotions, because, not only am I losing a good friend here in the Legislature, but also I am gaining a constituent. That certainly gives me mixed emotions. I already represent one of his lawyer sons, who lives in my district. I have his sister and brother-in-law. This is getting to be a big family now that I have in my district. I hope Ren doesn't know the hotline number. There have been a lot of good times throughout the years. I think back on the time when we were tied 49-49 and also when we were in the majority in 1981. Sometimes I think that Ren and I have dared to go where angels dare not tread, particularly when it comes to some tax and budget issues. I think I am going to feel mighty lonely, when I cast one of those controversial votes, because Taylor is not going to be there to back me up. Maybe as a constituent he will understand. Good luck, Ren.

Mr. Dellwo: Thank you, Mr. Speaker. To close debate... We want to get home. Ren. We will be back here tomorrow. I think, to get a chance to wish you well again. I did want to take this chance not to be sad that you are leaving, but to be happy that you are leaving with your health, your beautiful wife and your family. Again, returning to Tacoma. Again, going to be over here more often than we will probably want, visiting us, giving us advice—and we look forward to that. I also wanted to make sure that the record shows that I am thankful for the help you have given me in my years, especially in the beginning, and for your ability to talk with us back and forth. Republican and Democratic. You have been one of the warm spots on that side of the aisle, and I thank you for that. We'll see you again;
we'll see you tomorrow for sure. Enjoy your vacation. Enjoy your sons and daughter-in-law, who is the daughter of a very good friend of mine—lots of good lawyers. Hopefully, they can bend their father’s will and get him back in here. Congratulations.

Ms. Cole: Thank you, Mr. Speaker. I am going to miss you, Ren, both as a friend and as a colleague. Ren sat behind me for four years on the Education Committee. He certainly contributed a lot to that committee. His experience at the local level as an educator, as an administrator and as a legislator has been a great contribution to the children of the state of Washington. One thing about Ren is we all know that he truly cares about children and that he was committed to quality education for all the children in this state. We will miss you.

Mr. Ebersole: Thank you, Mr. Speaker. I also wanted to pay tribute to my good friend, Ren Taylor. He was a former Chair of the Education Committee and did a great job. He served on the committee when I was Chair, and I always relied on Ren’s vast experience with public education. We always got along quite well. In fact, Ren was my biggest supporter; he was one of my best votes on the committee. Ren has a deep love of children. He has commitment; he has dedication; he has conviction. He grew up in Pierce County and went to Lincoln High School with the Swift boys, Al and Larry. I don’t know where he went wrong in his party affiliation, but we all go down a few wrong paths. Ren is going to be returning home to Pierce County. We are going to be glad to have him. He is a heck of a good guy, a person who is just fun to be around. He has a warmth and a wit about him. He has good humor. I am going to greatly miss Ren. He is the kind of person who makes it a pleasure to serve in the Legislature. I am going to miss you, my friend.

Ms. Walker: Thank you, Mr. Speaker. We have been lauding Ren tonight and talking about the years of service that he has given to this Legislature and to education. The Representative from the 3rd District said that he thought he’d be back. The Representative from the 29th District mentioned that Representative Taylor was moving back to Pierce County and that perhaps he was a member of the wrong party. He is a member of my party and he is going to live. I think, in my district. If you keep telling him how invaluable he is, I may have a primary opponent. I would think that, at the least, I can expect to receive some excellent guidance from Representative Taylor. I would sure hate to take him on in a campaign. I am going to enjoy having him as a person to whom I can turn when some of the tough decisions need to be made.

Ms. Hine: Thank you, Mr. Speaker. I have heard all the wonderful statements about Ren Taylor, but when I first came into the Legislature in the 1981 session. Ren was Chair of the Education Committee. There is no tougher son-of-a-gun that I have ever met. I am not going to say all these nice things about Ren. He wielded a fast gavel and he was intent on his agenda. As a freshman legislator, he made me shake. Ren, when you are listening to all these good things, I want to tell you, there were some tough times. During my first session I was on the Education Committee; I was also on the Energy Committee which Representative Barnes chaired; and I was on the Local Government Committee which former Representative Isaacson chaired. I wonder if there is something about me that sends you guys out early? Subsequent to the time when I served on that committee—and incidentally I am exaggerating—Representative Taylor and I became fast friends. I will long cherish some of our conversations in the cafeteria, just talking over philosophies of education, local government and the Legislature. Ren is a real statesman and has always admired and respected the system, and for that I am proud to have served with him. One of the things I like the most is that Ren always calls me Mayor. That local government title is one that I cherish. We will miss you, but we know we will see more of you.

The Speaker called on Representative Grimm to preside.

Mr. O’Brien: Mr. Speaker, ladies and gentlemen of the House: I have not served on the Education Committee with Representative Taylor, but I can tell you that he has a great interest in the arts. One time he offered an amendment to give some relief to art production and activities. I was presiding while the Speaker of the
House was in his office, and he heard me put that motion by Representative Taylor to help the arts people and activities. I was able to give a pretty fast motion, and it carried through his effort and foresight. Generally, the arts community functions and activities do not have a great amount of income, and they are more or less activities that need assistance. Representative Taylor, being an artist himself, saw in his own mind that something should be done to alleviate that. You have been a great legislator, and I have enjoyed working with you. You have a lot of good common sense, and you are very diligent and dedicated to your activities here. I wish you well in your future endeavors.

The Speaker resumed the Chair.

Mr. Lux: Thank you, Mr. Speaker: I have never had the privilege of serving on a committee with Ren Taylor, but I have had the opportunity and the privilege to vote with him a number of times on the floor. Education was never my long suit, Ren. I always thought it would be nice to have an opportunity to take advantage of some of that public education, but I had the opportunity to go to a school called ICS—International Correspondence School. We had a little song that we used to sing when we went to graduation down at the post office. We would get our graduation certificate, and we'd sing, "Down with Harvard; down with Yale; we're the boys that learned by mail." I have often thought, Ren, it's been a real experience to have the opportunity to serve with you, and I appreciate it. Thank you very much.

Mr. Day: Thank you, Mr. Speaker. Members of the House: I have had the honor of knowing Representative Ren Taylor for quite some time. I want you to know that fellow there gave my father some headaches, but afterwards they could sit down, have a drink, talk about it, and go back and work on something else together. I have also worked on campaigns against Ren Taylor—I was raised in the 4th District—but afterwards, at a rally or something, I could go up, shake Ren's hand and have a nice friendly conversation with him. Working with Ren Taylor over here has been some kind of an honor, let me tell you. I have made a friend over here that transcends party lines—somebody I could go to for advice, and he would give it honestly, and somebody that wouldn't pull any punches and would tell me the truth—unwavering integrity. I am going to miss you, Ren, here, but I am not going to miss your friendship, because I hope it continues through many more years. Thank you for the help and advice. It has been a pleasure.

Mr. D. Sommers: Thank you, Mr. Speaker. Ren. I have enjoyed working and serving with you this past year and a half. I first got to know Ren about a year and a half ago, when I was a candidate. When I would go around to various groups to speak and Ren was there as a veteran legislator, he seemed to be so knowledgeable on so many issues. I was still having trouble learning a lot of the issues. However, I remember that one time after the election and after the session. Ren and I and two or three other legislators were at a meeting. I remember that the group was very upset over something that DSHS had done to them. I remember that we listened for awhile. and one woman got up and was very. very angry. She got so mad that she said she wanted to punch every legislator in the meeting in the nose. At this time Ren stood up and said, "Wait, wait, just a minute. I didn't come here to be insulted. I didn't come here to have my nose punched. If you will please sit down, then we can talk calmly." She muttered, "No way, no way." stood up, put her coat on and left. We went ahead and heard the rest of the people. Normally, Ren is pretty convincing, but that was one person he was not able to convince. She wasn't going to listen to him, but she had problems, of course. Ren, I have learned much from you. You are the dean of the legislators in Eastern Washington, a very good mentor, and very much of an educator. I learned a lot from you. Thank you, Ren.

Mr. Todd: Thank you, Mr. Speaker. Ladies and gentlemen of the House: Ren. I have enjoyed serving with you on the Education Committee. You have been a good friend. I have appreciated your advice and your analysis of the issues. I would also like to say how late the hour is. I was just observing that those of us who wear contacts know that it is way past ten o'clock and time that we should be home and in bed. I would also observe that I know that you are a student of lexicography. I know that the gentleman from the 33rd District would appreciate
some of your wisdom. We had a meeting late one night. There was an amendment offered by me to a bill, and I was described as being very pernicious, a fact that was reported in the newspaper the next day. The gentleman from the 33rd District said, "No, I didn't mean pernicious. I meant persistent." Perhaps in your retirement, you might want to explain to the gentleman from the 33rd District, who is also retiring, the difference in meaning between those two words. I do thank you for your help on the committee. All the best to you and your wife.

Mr. Taylor: Thank you. You have all been so wonderful tonight. I was dreading this speech, I will tell you. Maybe I should get back, Lorraine, and pound that gavel again. I saw two people flinch tonight, when John was describing it---one was Lorraine and the other was Georgette Valle. I think they are the only two left that know. I was sorry to have that secret come out. but I hope. Lorraine and Georgette, that I have smoothed out a little since 1981 and that you will forgive me at this point in time. I never ask forgiveness. but this time I will. Seriously. this is very difficult. I will miss you all. You people in University Place, Federal Way, Gig Harbor and Lakewood may wonder why I have been checking your voting records. I will see you all later. Thank you so much.

HOUSE FLOOR RESOLUTION NO. 88-4786, by Representatives Hine and Prince

WHEREAS, the staff of the new Cafeteria recognized the importance of nutrition and its effect on the decision-making abilities of all legislators, and they worked with nutritionist, Sandra Marvinney, during the interim to develop healthy well-balanced menus; and

WHEREAS, the staff has also reorganized the Cafeteria to facilitate better eating habits, placing the desserts in the nutrition bar out of direct sight of legislators, leading them, perhaps, to think first, eat second; and

WHEREAS, the entire Cafeteria staff has played a role in making the Cafeteria a pleasant place where Legislators can spend time isolated from the demands of their staff and lobbyists; and

WHEREAS, the Cafeteria staff deserves special recognition for their hard work and conscientiousness: Sara Tuey, Cafeteria Supervisor, for her efforts in researching and developing well-balanced menus and coordinating the services of the

NOW, THEREFORE, BE IT RESOLVED, That the members of the House of Representatives highly commend the members' Cafeteria staff for their untiring commitment and dedication to quality foods and healthy cuisine; and

BE IT FURTHER RESOLVED, That copies of this Resolution be immediately transmitted by the Chief Clerk of the House of Representatives to Sara Tuyey, Bonnie Smith, Carma Carlson, Nora Schiele, Sandra Marvinney, Mimi Price, Bruce Zook, Irene Kane, Steve McKnight, Suzanne Mykol, Barbara Vant and Jeanne Smith.

Ms. Hine moved adoption of the resolution. Representatives Hine, Kremen, Butterfield, Sayan and Todd spoke in favor of the resolution, and it was adopted.

POINT OF PERSONAL PRIVILEGE

Mr. Lux: Mr. Speaker, I obviously supported the resolution we just passed, but I do want to express to this body and to those fine folks in the gallery how much their efforts have meant to me. This has been a real encouragement at campaign time, because there isn't a whole lot to look forward to down here. Down in the gallery it is a whole lot different, and that has kept me going for a number of years. At my age appetite is all I have left, and I certainly appreciate everything you have done for us. Thank you very much.

The Speaker (Mr. O'Brien presiding): You were given some bad advice. We do not know the length of the Special Session, so I could rule either one way or the other. It might last until tomorrow and then you will be out. There is a lot of flexibility in a Special Session regarding length of debate.

Mr. Padden spoke against passage of the bill.

POINT OF ORDER

Ms. Hine: Mr. Speaker, I believe we are on final passage of Engrossed House Bill No. 2058, a capital budget. I would think the speaker's remarks are straying a bit from the content of that document.

SPEAKER'S RULING

The Speaker (Mr. O'Brien presiding): Would you hold your remarks to the issue at hand, the supplemental capital budget and items within that budget?

Mr. Padden continued his remarks against passage of the bill.

POINTS OF PERSONAL PRIVILEGE
Ms. Hine: Thank you, Mr. Speaker. I request permission for Representative Prince and myself to approach the rostrum. Mr. Speaker, the Chair of the Republican Caucus and the Chair of the Democratic Caucus would like to present you with a gift, showing our appreciation for last year's session and for this year's, for a term of office as Speaker, that we have all appreciated. We would like to say that in the future we hope you will be just a little more forthright and let us know how you feel, so that we won't have to guess. We would like to have you delegate a little bit more. We would like to have you get more people up here on the rostrum, since you feel that anyone up here never serves a real term as Speaker. In all sincerity, I think we have had a very successful session. I think we have worked together as a
SECOND DAY, MARCH 12, 1988

legislature. My colleague, Representative Prince, and I are very pleased to present to you this gift with our thanks, appreciation and good wishes.

Mr. Prince: On behalf of my caucus, as well, we are happy to present this to you. We have enjoyed the way that you have treated us—there were times when we didn’t enjoy it that much—but basically it has been a good relationship. We really appreciate that.

SPEAKER’S PRIVILEGE

The Speaker: I reflected in our caucus a few minutes ago about the miracle of this legislature and the miracle, particularly, of this session. We have had an issue before us that has divided us deeply, especially during the end of this special session. It has divided us along philosophical grounds, and those have shown up. The miracle of this legislature and of the legislative process in general—but particularly of this session—is that with philosophical differences deeply dividing us, we are able to be as productive as we are. I think this entire body ought to be enormously proud of itself, and we owe ourselves a hand. Thank you very much for your support.

POINT OF PERSONAL PRIVILEGE

Ms. Brough: Thank you, Mr. Speaker. There are often times when the differences between those of you who sit on that side of the aisle and those of us on this side of the aisle are quite obvious. There are other times when the differences are not quite so obvious. There are a lot of arenas where we deal with each other, and there are times when we use terminology such as level playing field. There are times when we need a level playing field. There are times when we keep score, one upon the other—sometimes more appropriately than at other times. I think that there is definitely an arena where the extraordinary talents of those on this side of the aisle, our athletic expertise, will simply overshadow your very best efforts. I would like to reissue the challenge on April 16 that the Democrats in the Legislature meet us in Tacoma at the Tacoma Dome for our soccer game, a rematch perhaps of the legislative session. The rules are very clear in this game. The only eligible players are members, either from the House or Senate, or members of permanent staff. We will play indoor soccer rules and there must be at least one man on each team at all times. You know the coaches—Alan “Tatu” Thompson and Vito “Pele” Chiechi. I hope that you are looking forward to April 16 at 6:00 as much as we are. Thank you.

There being no objection, the House advanced to the eighth order of business.

RESOLUTION

HOUSE FLOOR RESOLUTION NO. 88-4785, by Representatives Hine and Prince

WHEREAS, The staff of the House of Representatives is most appreciated and cherished; and

WHEREAS, Our professional nonpartisan committee staff is the best in state government, laboring long hours to research, draft and perfect the thousands of great bills we dream up; and

WHEREAS, The Billroom and Workroom staff probably would win a case charging cruel and unusual punishment for the long, tiring hours they work to prepare the tons of paperwork we need to work all those swell bills; and

WHEREAS, Our professional partisan staff has provided us with the necessary resources to prove that we are each the best Democrat/Republican in the state and that our Democrat/Republican solutions are the most newsworthy; and

WHEREAS, The session workers have guarded us, fed us, transported us, staffed our committees, and in all ways helped us perform our jobs; and

WHEREAS, Our personal aides have once again performed the impossible by shuffling thousands of pieces of mail, answering our constantly ringing telephones, keeping our hectic schedules and managing to deal politely with all our visitors; and

WHEREAS, The faithful assistance of all these people contributes greatly to our ability to fulfill our duties as state legislators;
NOW, THEREFORE, BE IT RESOLVED, That the members of the House of Representatives extend our sincere appreciation to all those employees who have worked long and hard for the good of all of us; and
BE IT FURTHER RESOLVED, That copies of this Resolution be distributed to staff offices and work areas in appreciation for a job well done.

Ms. Hine moved adoption of the resolution. Representatives Hine, Prince and Wineberry spoke in favor of the resolution, and it was adopted.

The Speaker called on Representative O'Brien to preside.

SPEAKER’S PRIVILEGE

The Speaker (Mr. O'Brien presiding) invited the staff of the House Workroom to the rostrum where they were acknowledged by the members of the House of Representatives.

POINTS OF PERSONAL PRIVILEGE

Mr. Locke: Thank you, Mr. Speaker. While the members are still here and before they go, recognizing that these are the last few minutes of the session, I wanted to rise and indicate that it is somewhat of an emotional time when we adjourn. This is the last of the legislature. We have continuing committee weekends, but for several here in this Chamber, it will be the last regular session. There are three who have indicated an intent to retire—Representative Barnes, Representative Taylor and Representative Williams. We have at least one person who is going to be running for the U.S. Congress and therefore will not be with us next year. We have several who are contemplating running for the State Senate and will not be with us next year. Obviously, there are some on both sides of the aisle, who will be up for re-election as House members and who will be defeated—hopefully none, but we cannot guarantee who will be back next year. So it is an opportunity for all of us to reflect on the contributions that we make to this body and to this institution, regardless of party, regardless of the part of the state we come from and our viewpoints and philosophies. We are members of a very distinguished club and a very distinguished chamber. I think that all of us recognize just how valuable we are to the process and to the institution and how much of a contribution we make in our small, individual ways.

As we depart this evening, I think we all wish everyone else a good future, good luck and success. Thank you.

Mr. Taylor: This is the last session and hopefully, there will be no other Special Sessions. I will see you on committee weekends. This has been a wonderful experience for me, something I have wanted to do since I was a young lad, six years old, when I delivered my first Republican handbill. Thank you all so much for everything.

Mr. Brooks: Thank you, Mr. Speaker. Ladies and gentlemen of the House: I want to rise to congratulate the whole House for helping us pass what I think is one of the most extraordinary bills that we have had before us. It was a very difficult thing to do. It took a lot of soul searching on everybody's part. I think we finely got together and passed a national bill—not just a state bill, but a national bill—to start the fight in earnest against this terrible scourge of AIDS. I want to take this moment to thank everybody who helped and all those who, although they couldn't always agree with us completely, also helped. My heartfels thanks to the whole House.

There being no objection, the House reverted to the fourth order of business.

POINT OF PERSONAL PRIVILEGE

Mr. Appelwick: They always say the Legislature isn't over until the fat lady sings. I looked futilely for her this afternoon. It's been an auspicious occasion, and I would note a couple of things. We had a birthday for Representative Basich, and we have a wedding waiting outside the door. I don't know how you are going to gavel, when they say, "I do." We have several near retirements. But if we don't have a fat lady to sing, I can at least say, "Arrivederci, Fiftieth Legislature, it's been a lot of fun."

MOTION

On motion of Mr. Ebersole, reading of the Journal of the Second Day of the 1988 First Special Session of the Fiftieth Legislature was dispensed with and it was ordered to stand approved.

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 1, Substitute House
Bill No. 752 entitled:

"AN ACT Relating to assault in the second degree."

This measure attempts to create a statutory definition of assault and adds a
standard of liability for assault in the second degree.

There has been widespread agreement, since the enactment of the sentencing
reform act, that assault statutes have needed redefinition. In 1986 and 1987, the
Legislature enacted measures which would clarify sentencing directions for these
crimes, and allowed review by delaying the effective dates of those acts until July
of this year. Substitute House Bill No. 752 is a further attempt at clarifying these
statutes.

I believe this measure fails to achieve the ends sought when the assault stat­
tutes were originally addressed. The definition contained in section 1 is unclear and
eliminates a standard of assault that has been accepted throughout the criminal
justice system. That is, mere contact, without the consent of the victim, can be con­
strued as an assault irrespective of any bodily harm that may result. When the
Sentencing Guidelines Commission convened a meeting of interested parties to
address the problems evident in the assault statutes, all members agreed that an
indepth, long-term review of the assault definition was needed. That discussion has
not taken place and I urge all involved members to again pursue that course.

Section 2 of this act adds an element of culpability to the harm caused by an
assault. Historically, an offender's intention has been an element in defining the
seriousness of a criminal act. Our criminal justice system punishes persons who
realize the consequences of their unlawful acts to a greater degree than those who
act in ignorance. On the other hand, we should prohibit persons from preying on
defenseless victims and then hiding their crimes behind a contrived veil of
ignorance.

The standard of strict liability that will take effect on July of this year would
provide greater penalties for those individuals who assault and harm children but
claim that the resulting injury was unforeseen. At the same time, there is a possibil­
ity that unintended actions will be prosecuted as second degree assaults where a
truly regrettable and unforeseen circumstance results. The Legislature has decided
that a "recklessness" standard of liability will offer protection against such unwarr­
nanted charges while still allowing for successful prosecution of truly assaultive
persons.

I do not agree with this view, and continue to believe that we must do more to
protect children who suffer abuse at the hands of adults. Although I am signing
section 2 into law, I strongly urge the Legislature to consider measures next year
that would provide for stricter liability in the case of children, or provide other
charges under which these abusers can be appropriately prosecuted in cases
where substantial bodily injury results. I believe the Sentencing Guidelines Com­
mission can be the starting point for this discussion in the interim.
With the exception of section 1, Substitute House Bill No. 752 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 21, 1988

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 22, Substitute House Bill No. 1271 entitled:

"AN ACT Relating to the department of corrections."

Section 22 of this bill clarifies language relating to the tolling of sentences when offenders have absented themselves from supervision or are confined for violations of sentence conditions. Similar language is contained in Engrossed Substitute House Bill No. 1424, section 9, which establishes a program of community placement. The language of that bill is more comprehensive and includes elements of the newly authorized program. In order to avoid confusion, I have vetoed section 22 of this bill.

With the exception of section 22, Substitute House Bill No. 1271 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 21, 1988

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 1, Substitute House Bill No. 1279 entitled:

"AN ACT Relating to financial and legal obligations for victims of crime."

Section 1 of this bill amends a subsection of RCW 9.94A.120 relating to payment schedules for monetary obligations of offenders. Similar language is contained in Engrossed Substitute House Bill No. 1424, section 2. In order to avoid confusion, I am vetoing section 1 of this measure.

With the exception of section 1, Substitute House Bill No. 1279 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 21, 1988

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 306(10) and a portion of section 401(5), Engrossed Substitute House Bill No. 1312 entitled:

"AN ACT Relating to fiscal matters."

Section 306(10) provides $125,000 solely to develop a salmon and steelhead rehabilitation plan for the Stillaguamish River. In 1985, the Legislature directed the Department of Fisheries to develop comprehensive resource restoration and enhancement plans for watersheds throughout the state, including the Stillaguamish River. Efforts funded under this section would be duplicative of ongoing and completed efforts under that watershed planning program. Therefore, I am vetoing this section. By separate letter I will be asking the Department of Fisheries to return the appropriation to the General Fund.

The phrase "to establish a separate unit" on line 8, section 401(5), establishes a major crimes investigation unit within the Washington State Patrol for the purposes of developing a computerized database and record system for crime scene information and to provide investigative expertise and assistance to local law enforcement agencies. There is currently a study project being conducted by the Patrol which will assess the level of assistance and technical expertise that is appropriate
for the Patrol to provide to local law enforcement agencies. Consequently, it is premature to establish a separate unit within the Patrol until the study and pilot project is completed. It should be noted that during the 1988 and 1987 legislative sessions, the Legislature did consider, but failed to enact, the legislation which would have created, in statute, a separate unit dedicated to major crimes investigation within the Patrol. My veto allows the Patrol funding to work on this project without the requirement of establishing a separate dedicated unit.

With the exception of section 306(10) and a portion of section 401(5), Engrossed Substitute House Bill No. 1312 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 23, 1988

To the Honorable, the House of Representatives of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to sections 6 and 7, Engrossed Substitute House Bill No. 1404, entitled:

"AN ACT Relating to nursing."

Sections 6 and 7 contain identical language to sections 1 and 2, Engrossed Senate Bill No. 6119. To avoid confusion in the law, I have vetoed sections 6 and 7.

With the exception of sections 6 and 7, Engrossed Substitute House Bill No. 1404 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 21, 1988

To the Honorable, the House of Representatives of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 13, Engrossed Substitute House Bill No. 1424 entitled:

"AN ACT Relating to community placement."

Section 13 amends RCW 9.94A.330, the offender score matrix, to include an additional one point sentencing enhancement for offenders who commit crimes while on community placement. This same provision is amended by section 12 into RCW 9.94A.360 which establishes offender scoring procedures.

Substitute Senate Bill No. 6462, section 6, repeals RCW 9.94A.330. This measure is intended to clarify statutes relating to sentencing, and repeals the offender score matrix on the grounds that it is redundant and potentially confusing. I agree that this statute should be repealed for clarification purposes. Because the sentencing enhancement will be included in RCW 9.94A.360, there will be no effect on the substance of Engrossed Substitute House Bill No. 1424.

With the exception of section 13, Engrossed Substitute House Bill No. 1424 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 21, 1988

To the Honorable, the House of Representatives of the State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 1, Substitute House Bill No. 1429 entitled:

"AN ACT Relating to home detention under the sentencing reform act."

Section 1 of this bill contains legislative findings regarding population overcrowding in local jails. Reasons for these conditions have not been fully determined
but are attributable to myriad causes and it is inappropriate to codify what appear to be only conclusions.

I support the use of home detention as an alternative, due to pressure of jail overcrowding. This bill contains reasonable provisions preventing the use of home detention for persons who committed violent crimes and other offenses where the court feels the public or victims would be at risk. I view this as an experiment worth trying.

With the exception of section 1, Substitute House Bill No. 1429 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 24, 1988

To the Honorable, the House of Representatives of the State of Washington
Ladies and Gentlemen:
I am returning herewith, without my approval as to sections 17(1) through (4) Substitute House Bill No. 1465, entitled:
"AN ACT Relating to child support."
Substitute House Bill No. 1465 establishes a statewide schedule for determining child support payments. This legislation is in the best interest of children, for it will result in support payments which more closely reflect the cost of raising children.
A veto of section 17(1) through (4), will retain language adopted in 1987 at the request of the Department of Social and Health Services and upon the recommendation of the Governor's Executive Task Force on Support Enforcement. It makes access to court easier for correcting unintended and unforeseen inequities in child support orders. This section was included in the legislation based on a fear that improved access to the courts would result in an unmanageable increase in the number of actions brought to the court. The Office of the Administrator for the Courts has determined that this increase has not occurred in Washington to date or in other states which have had similar laws for a longer time.
With the exception of section 17(1) through (4), Substitute House Bill No. 1465 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 25, 1988

To the Honorable, the House of Representatives of the State of Washington
Ladies and Gentlemen:
I am returning herewith, without my approval as to sections 701(32), 702, and a portion of section 202(3), House Bill No. 1515, entitled:
"AN ACT Relating to state government."
I have vetoed section 701(32), which repeals a section of law that is also amended in section 409 of the bill. To allow section 701(32) to become law could create confusion regarding the validity of the amendatory language in section 409.
I am also vetoing section 702. Under the current public disclosure law, agencies may waive the requirement to maintain an index of a variety of records if doing so would be "unduly burdensome." Section 702 amends that law by deleting this waiver option for all final opinions, orders, and statements of policy and interpretations of policy. This amendment would, in effect, require agencies and institutions to maintain indexes that provide identifying information on these kinds of records, regardless of cost or the significance of the indexed records.
I recognize that these indexes, if prepared in sufficient detail, could be useful to both the public and agency officials. However, agencies report that preparation and maintenance of the indexes would be costly. Since it is unlikely that necessary additional appropriations will be made available for indexing, I reluctantly cannot
approve this new requirement. I would, however, be willing to work with the Legislature to devise an indexing requirement that would be both prudent from the standpoint of cost and useful in content.

In vetoing section 702, it is also necessary to veto a portion of section 202(3), which stipulates that final orders cannot be relied upon as precedent until they have been indexed. This partial veto is necessary to achieve consistency between the two sections.

With the exception of sections 701(32), 702, and a portion of section 202(3), House Bill No. 1515 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 24, 1988

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 7(4) and 10(3), Engrossed Substitute House Bill No. 1530 entitled:

"AN ACT Relating to nursing assistants."

Section 7(4) and section 16 both give authority to determine which states have credentialing requirements equivalent to those in this state, and to issue certificates, by endorsement without examination, to those individuals credentialed in those states. Section 7(4) gives this authority to the Board of Nursing and section 16 gives this authority to the Department of Licensing.

Section 10(3) and section 14 both give authority to determine what constitutes adequate proof of meeting the criteria for certification. Section 10(3) gives this authority to the Board of Nursing and section 14 gives this authority to the Department of Licensing.

Giving similar authority to two separate regulatory entities will result in confusion. Since these functions are primarily administrative in nature and the department has all other administrative functions, I am vetoing the sections which give these authorities to the Board of Nursing.

With the exception of sections 7(4) and 10(3), Engrossed Substitute House Bill No. 1530 is approved.

Respectfully submitted,
Booth Gardner, Governor
March 23, 1988

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 2, House Bill No. 1585, entitled:

"AN ACT Relating to juvenile dependency proceedings."

This legislation requires that all children in contested dependency proceedings have a court-appointed guardian ad litem or attorney. In uncontested hearings, the court would have discretion in making such an appointment.

The effort to make the dependency and the child abuse and neglect statutes similar to each other in this regard would put the state out of compliance with federal requirements under the Child Abuse Prevention and Treatment Act. The result will be to disqualify the state from eligibility to receive federal funds under the act. Therefore, a veto of this section is necessary to assure continued receipt of federal funds for child abuse and neglect prevention. Return of the child abuse and neglect statute to its original status still ensures that all children in contested dependency proceedings have a court-appointed guardian ad litem or attorney.

With the exception of section 2, House Bill No. 1585 is approved.

Respectfully submitted,
Booth Gardner, Governor
To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to sections 3, 9, 14, and 17, Substitute House Bill No. 1592 entitled:

"AN ACT Relating to industrial insurance benefits for occupational diseases."

Section 3 of this bill is similar to, and serves the same purpose as, section 5 of Engrossed House Bill No. 1396, which I have signed into law. To avoid confusion, I have vetoed section 3.

Section 9 would mandate weekly safety meetings for asbestos projects. There is no flexibility for projects that might deserve more frequent or less frequent meetings. Requirements established by rule can better address the variety of different situations that would necessitate meetings. I am directing the Department of Labor and Industries to establish appropriate requirements through its rule-making authority. For this reason, I have vetoed section 9.

Section 14 would require the owners of all buildings and facilities public or private to inventory their property to identify all materials containing asbestos. Records of this inventory would have to be maintained and made available for inspection by the Department of Labor and Industries and other parties.

These inventories may be of value to companies. I would encourage the state’s employers to undertake such surveys. The section is so broadly worded, however, that it is unworkable. The bill would technically require every citizen of the state who owns a building to conduct an inventory. It is not reasonable to expect homeowners to conduct an inventory in order that it be available whenever they plan remodeling or other work on their house. I feel that section 14 would create difficulties for individuals that it was not intended to affect.

I am asking the Department of Labor and Industries to review the issue and to suggest appropriate requirements for asbestos inventories. For these reasons, I have vetoed section 14.

Section 17 would require workers who are currently certified for a two-year period to be recertified after only one year. I do not feel that this is necessary, since these individuals will begin annual recertification when their current certification expires. Therefore, I have vetoed section 17.

With the exception of sections 3, 9, 14, and 17, Substitute House Bill No. 1592 is approved.

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 8, Substitute House Bill No. 1652, entitled:

"AN ACT Relating to investment of public funds."

Section 8 of Substitute House Bill No. 1652 would amend existing law to allow public transportation benefit area authorities to appoint their own treasurers, without prior approval of the county treasurer. Under current law, the county treasurer must approve such an appointment.

I understand that the problem giving rise to this amendment has been resolved, and that there is no statewide concern about the existing approval requirement. Indeed, county treasurers have in most instances granted this authority when asked. In those instances where the authority to appoint a treasurer has been denied, there were reportedly good operational reasons for the denial. As operations improved, authorities were granted the power to hire their own treasurers. The current system seems to work.
Further, from a public policy perspective, it makes sense for the chief financial officer of a county, who is an elected official directly accountable to the citizens, to exercise some control over the appointment of those individuals who will be managing and investing public funds.

With the exception of section 8, Substitute House Bill No. 1652 is approved.

To the Honorable, the House of Representatives of the State of Washington
Ladies and Gentlemen:
I am returning herewith, without my approval as to section 1, Substitute House Bill No. 1672, entitled:
"AN ACT Relating to identification of trucks."

Section 1, if signed, would place an additional burden on owners of trucks. All trucks and truck-trailer combinations weighing over 26,000 lbs. would be required to display identification in four-inch high letters. This includes recreational and farm trucks. Currently, non-farm commercial trucks display identification in two- to three-inch high letters. These trucks would be required to remove or paint over existing identification to display the larger letters. This is an unnecessary regulatory burden on owners of recreational, farm and commercial vehicles. The larger numbers are not needed for law enforcement officers to do their jobs.

With the exception of section 1, Substitute House Bill No. 1672 is approved.

To the Honorable, the House of Representatives of the State of Washington
Ladies and Gentlemen:
I am returning herewith, without my approval as to sections 1 and 2(2), Substitute House Bill No. 1673 entitled:
"AN ACT Relating to an office of mobile home affairs."

Substitute House Bill No. 1673 establishes an office of mobile home affairs within the Department of Community Development to coordinate state services related to mobile homes and to provide an ombudsman service. The office is to be supported through a fee on mobile home lots within mobile home parks. A new advisory committee on mobile home and manufactured housing affairs is created. Finally, mobile home park owners who wish to be licensed as mobile home dealers are exempted from certain licensing requirements.

I agree that a point of coordination in state government for mobile home and manufactured housing issues is needed. In light of the limited state resources available to support new programs, I am pleased to see that the potential clients of this service have agreed to support the office through an annual user fee. Last year, the Department of Community Development began collecting information on mobile home issues and providing technical assistance to mobile home park tenants and park owners. Establishment of an office to coordinate these activities is a logical next step.

Section 2(2) would establish a narrowly-focused advisory committee in statute. Boards, commissions, committees, task forces and similar entities have proliferated in this state, and now number over 400. The director of the Department of Community Development has authority to create ad hoc advisory committees as the need arises. This authority makes it unnecessary to create advisory committees in statute.

Section 1 amends the Unfair Motor Vehicle Business Practices Act to exempt mobile home park owners from certain dealer licensing requirements. I am vetoing this section because I support the consumer protection provisions included in
the law and required of all dealers. Existing law allows the director of the Department of Licensing to waive place of business requirements if this is warranted. In addition, mobile home park owners are able to sell up to five units each year without applying for a dealer license. This should provide enough flexibility for park owners to continue to provide this invaluable assistance to tenants. Finally, in approving this language, the Legislature has not indicated the reasons one group of dealers should be treated differently from others. Failure to outline this distinction creates the basis for a legal challenge.

With the exception of sections 1 and 2(2), Substitute House Bill No. 1673 is approved.

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 26, Engrossed Substitute House Bill No. 1701 entitled:

"AN ACT Relating to transportation appropriations."

This section creates a committee to study the state motor vehicle excise tax. The same provision was included in Substitute Senate Bill No. 6376, section 2, with the exception that the senate bill included an appropriate sunset date for the committee. I am vetoing this section in order to provide for clarity in the record and to avoid duplicative provisions in the statute.

With the exception of section 26, Engrossed Substitute House Bill No. 1701 is approved.

March 25, 1988

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 3, Substitute House Bill No. 1883, entitled:

"AN ACT Relating to vehicle dealer regulation."

This bill was presented to the Legislature to amend a 1986 exemption in the statute which allowed financial institutions to sell vehicles. Prior to this 1986 amendment, financial institutions had been authorized to sell only vehicles which had been foreclosed upon or repossessed. Sections 1 and 2 of this Act amend the prior law and prohibit financial institutions from brokering vehicles. Apparently, the concern was that some financial institutions were brokering vehicles which resulted in cars being sold that were not under the new Washington State "lemon law," even though new car warranties were provided.

Section 3, however, would inadvertently prohibit leasing companies and new car dealers who wish to lease other makes of cars outside their franchise agreements from leasing those new cars with an option to purchase. These leasing companies would not be able to meet the requirements of having a "current service agreement with a manufacturer, or distributor of a foreign manufacturer." If the law was signed as written, the leasing operations would cease. This would reduce competition in the new car marketplace and harm the consuming public.

In addition, section 3 would prohibit the practice of "buyer's agents." Typically, "buyer's agents" are employed by consumers, not dealers, to negotiate car purchases on behalf of the consumer. This practice provides a consumer service of shopping and negotiating a car purchase at a competitive price. Further, the Executive has no record of consumers being harmed from the activities of buyer's
agents employed by the consumer. At this point, it does not appear that this practice places the consumer at any disadvantage relative to the "lemon law" or warranty provisions allowed under state and federal law. This business provides a consumer option for those interested in paying for the service.

With the exception of section 3, Substitute House Bill No. 1883 is approved.

To the Honorable, the House
of Representatives of the
State of Washington
Ladies and Gentlemen:

I am returning herewith, without my approval as to section 22(5), Engrossed House Bill No. 2057 entitled:
"AN ACT Relating to public facilities."

With the exception of section 22(5), I fully endorse House Bill No. 2057. The principal objectives of sections 1 through 10 of this bill (originally an executive request) relate to the Washington State Convention and Trade Center now under construction in Seattle. Substantive changes have been enacted to current law modifying its provisions on facility design, state bond financing and the state-imposed hotel tax supporting the construction and operation of the Center. These changes are clearly in the best interest of the state, and credit must be given to the Joint Legislative Committee which recommended their adoption after careful study.

Sections 11 through 19 of this bill provide for the creation of a public facilities taxing district encompassing Spokane County for the purpose of siting, constructing and financing public assembly facilities that will meet the needs of the local community. This is a unique and resourceful approach in which the state is providing a significant new local tool to help a community to meet its needs. I fully support this approach where appropriate.

Similarly, sections 20, 21, 24 and 25 of the bill authorize certain communities to levy a local option hotel tax to fund tourism-related public facilities, and to pledge revenues from the tax to retire financial obligations incurred to fund such public facilities. I also support these provisions.

A third part of the bill, section 22, is another local option taxing authority provided to Pierce County expressly for the purpose of constructing and operating an indoor aquatic facility, and to Thurston County solely for the purpose of constructing and operating an Olympic academy facility. These are both worthwhile projects.

However, section 22(5) would restrict Pierce County from including specific recreation-scale aquatic features in its proposed competition pool facility. This sets an inappropriate state restriction on the ability of Pierce County to responsibly plan, construct, finance and operate the aquatic facility that is expressly authorized in the other subsections of section 22. Proponents of this restriction claim the proposed public aquatic facility will have a potentially negative impact on a commercial aquatic attraction operating in the area. Opponents of this restriction point out that the modest aquatic recreation features being planned as part of the project are necessary for attracting the level of community patronage required for a fiscally responsible operation and pose no competitive threat to commercial enterprises. Further, backers of the Pierce County pool have stated that there are no plans for developing any additional commercial-scale features for the proposed aquatic complex.

The issue here is one of possible unfair public sector competition with private sector activities, and it has been debated widely in the Pierce County community and before the Legislature. From this debate, and my own review of this issue, I have concluded this restriction is inappropriate, and I am vetoing subsection 5 for the following reasons:
1. Assurances on the record from the Park District and the City of Tacoma state
   that the proposed project will not include commercial-scale aquatic attractions
   which would compete with the private sector.

2. Retaining this provision would unduly hamper Pierce County’s ability to
devlop a facility that is versatile enough to accommodate high level competitive
aquatic sports, as well as general community use.

3. Subsection 5 is inconsistent with the purpose of the local option approach,
which provides for the discussion and resolution of this and other issues connected
with the proposed project at the local community level rather than through pre­
emption by state law.

4. Subsection 5 is also overly broad, in that its language refers to all taxes lev­
ied and collected under this entire act rather than just section 22.

Accordingly, with the exception of section 22(5), House Bill No. 2057 is
approved.

Booth Gardner, Governor
