or (b) needs support to ameliorate or compensate for the effect of the chronic physical mental condition or disease.

(7) "Habilitation service" means services to assist persons in acquiring and maintaining life skills and to raise, maintain, or support their levels of physical, mental, social, and vocational functioning. "Habilitation services" shall not include major rehabilitative services to assist persons in regaining previously existing bodily functions and life skills.

(8) "Program" means the community-based long-term care secured benefit program established by this chapter.

(9) "Program beneficiary" means a person who has been determined to be functionally disabled and eligible to receive services through the program.

PART I

ADMINISTRATION OF THE COMMUNITY-BASED LONG-TERM CARE SECURED BENEFIT PROGRAM

NEW SECTION. Sec. 3. INTENT REGARDING PROGRAM ADMINISTRATION. It is the intent of the legislature that administration of the program includes active participation by program beneficiaries, their families, and communities in public discussions, service planning, decision making, and service delivery. An independent board, representing payors and functionally disabled persons, shall administer this chapter within statutory guidelines established by the legislature. Administrative entities shall encourage creativity, innovation, and community involvement in the development and implementation of services. Information systems shall be developed to assess program outcomes and to assure state-wide adherence to baseline levels of service availability and quality. A simplified, independent inspection, monitoring and correction function shall be established within the system.

NEW SECTION. Sec. 4. ESTABLISHMENT AND POWERS OF BOARD. (1) The community-based long-term care secured benefit program board is hereby established. The board shall be composed of five members appointed by the governor. At least one member of the board shall represent functionally disabled persons. The chairperson of the board shall be chosen by the vote of a majority of the members of the board.

(2) The governor shall appoint the initial members of the board to staggered terms not to exceed eight years, with three members of the board serving at least four years. Members appointed thereafter shall serve four-year terms, and may serve for up to two terms. Members of the board shall be compensated in accordance with RCW 43.03.250 and shall be reimbursed for their travel expenses while on official business in accordance with RCW 43.03.050 and 43.03.060. Meetings of the board shall be at the call of the chairperson.

(3) The board shall have the following powers and duties:
   (a) To plan, design, and administer two pilot programs, no more than one of which may be located west of the Cascade divide, to test regionally operated systems of community-based long-term care and support services that provides a coordinated system of care and support for functionally disabled persons through regional administrative entities, using family, volunteer, and community resources to the greatest extent possible, in which functionally disabled persons and resources are directed toward the least restrictive and least costly service appropriate for each such person;
   (b) To manage the monies appropriated by this act for the purpose of supporting the two pilot programs;
   (c) To administer program benefits, and to determine the scope of community-based long-term care and support services covered by the program in accordance with this act;
   (i) In determining the scope of services, the board shall maintain the financial integrity of this act;
(ii) The board shall define the scope of transportation services that can be funded by the program in accordance with this act. In defining the scope of transportation services, the board shall consider the appropriate role of paratransit systems;

(d) To develop uniform functional disability assessments that accurately measure the abilities and disabilities of functionally disabled persons of all ages, and determine the entity or entities responsible for conducting such assessments;

(e) To develop performance standards, to the extent not specifically established by this chapter, based upon the recommendations of the long-term care commission and its technical advisory committees, with input from functionally disabled persons, their families, long-term care service providers, and administrators. Performance standards shall emphasize outcomes, rather than the manner in which services are administered. Performance standards shall, to the greatest extent practicable, promote leveraging of family and community resources available to each program beneficiary and shall include consideration of the extent to which each program beneficiary’s plan of care builds on the support available to that individual from their family and the community;

(f) To administer and adjust the sliding fee scale as necessary, in accordance with this act;

(g) To engage in quality assurance activities in accordance with this act;

(h) To develop payment and cost control mechanisms for community-based long-term care and support services;

(i) To design and administer a long-term care information system in accordance with this act;

(j) To develop mechanisms to assure that the program is coordinated with the acute health care services system and the vocational rehabilitation services system;

(k) To coordinate with other relevant entities to plan for development of an appropriately trained long-term care work force;

(l) To contract with and monitor administrative model projects in accordance with this act;

(m) To delegate its authority, when deemed appropriate by the board, to other public or private entities; and

(n) To adopt rules pursuant to chapter 34.05 RCW necessary to carry out the responsibilities established in this chapter.

(4) The board shall employ staff as necessary to fulfill its responsibilities and duties. The program director and up to five other employees are exempt from state civil service law, chapter 41.06 RCW. Remaining staff are subject to the state civil service law, chapter 41.06 RCW. In addition, the board may contract with third parties for services necessary to carry out its responsibilities and duties to the extent not prohibited by RCW 41.06.380.

NEW SECTION. Sec. 5. ESTABLISHMENT OF POLICY ADVISORY COMMITTEE. (1) The community-based long-term care secured benefit program policy advisory committee is hereby established. The committee shall be composed of thirteen members appointed by the board. Committee membership shall be geographically balanced, ethnically and culturally diverse, and representative of persons with differing types of functional disabilities. At least half of the members shall be functionally disabled persons or their advocates, who shall not be paid long-term care services providers.

(2) The committee shall:

(a) Advise the board regarding planning and administration of the program; and

(b) Review and comment upon state policies, programs, and actions that affect program beneficiaries, with the intent of assuring maximum coordination with long-term care and support services, and maximum responsiveness to the needs of program beneficiaries.
The committee shall meet at least quarterly. Committee members shall be reimbursed for travel expenses pursuant to RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 6. QUALITY ASSURANCE. (1) The board is responsible for quality assurance activities relating to licensing, monitoring, and enforcement of performance standards applicable to administrative entities. The department of health shall be responsible for licensing and monitoring community-based long-term care and support service providers. In its quality assurance activities, the board shall emphasize review of service outcomes, rather than the manner in which services are administered.

(2) Quality assurance activities shall include but not be limited to:
(a) Establishment of licensure and certification requirements for and monitoring of administrative entities. The department of health shall administer existing licensing and monitoring programs for community-based long-term care and support service providers, and their employees. The board may request that licensing standards be developed by the legislature or the department of health for community-based long-term care and support services that are not regulated under existing statutes or rules.
(b) Monitoring and investigation of performance by administrative entities and community-based long-term care and support service providers, and their employees, including the establishment of mechanisms to receive and respond to reports of abuse, neglect, malpractice, misfeasance, and contractual violations by such entities and providers;
(c) Imposition of sanctions against administrative entities for abuse, neglect, malpractice, misfeasance, and contractual violations, which shall include withholding or requiring the withholding of payment, terminating or requiring the termination of contracts, injunctive remedies, civil penalties, receivership, and referral for prosecution; and
(d) Retrospective monitoring of data gathered through the information system established by this act.

(3) The board shall provide for an independent office of the inspector general to assist in carrying out the quality assurance powers and duties established in this section, which office shall report directly to the board and which shall annually report to the legislature on the quality of community-based long-term care and support services provided to functionally disabled persons.

(4) By petition to the board, a program beneficiary may initiate, or intervene in, any proceeding in which the board is taking an enforcement action against an administrative entity or community-based long-term care provider serving the program beneficiary.

(5) Contracts with administrative entities shall specify the quality assurance activities that will be undertaken by the administrative entity. Such activities shall include monitoring of contracts between administrative entities and community-based long-term care and support services providers, establishment of program beneficiary complaint resolution mechanisms, and other activities deemed appropriate by the board.

PART II
COMMUNITY-BASED LONG-TERM CARE SERVICES

NEW SECTION. Sec. 7. INTENT REGARDING SERVICES. It is the intent of this act relating to community-based long-term care and support services that such services be defined as noninstitutional services that are primarily habilitative which would allow program beneficiaries to live and otherwise function in their community as independently as practicable. Although these services do not include nursing homes, state institutions, or health care facilities, it is necessary that these functions be coordinated with the community-based long-term care system. Technical, demographic, and cultural changes make it impossible to prescribe a complete list of services or define by program the array of services that could meet the intent and purposes of this chapter. It is the intent of this section to include those services commonly considered "community-based," and to allow flexibility in defining new or additional services that will contribute to the
purpose and intent of this chapter. It is recognized that uniform systems of assessment
and case management are essential for monitoring equity and quality in service delivery,
measuring outcomes, and assuring the most effective use of public and private
expenditures. It is recognized that availability of services does not guarantee their use,
and that aggressive targeting and outreach, and culturally and linguistically accessible and
appropriate services, are necessary to assure that services are available to the most
dispossessed in our communities.

NEW SECTION. Sec. 8. COMMUNITY-BASED LONG-TERM CARE AND
SUPPORT SERVICES. (1) The services available to program beneficiaries shall include,
at a minimum, those services included in subsection (2) of this section and provided in
accordance with subsection (3) of this section. Community-based long-term care and
support services may be provided in a nonresidential setting, a program beneficiary’s
home, or other residential settings not specifically excluded pursuant to subsection (4) of
this section.

(2) Community-based long-term care and support services shall include at least the
following services:

(a) Public education;
(b) Telephone information and assistance, including screening and possible referral
for case management assessment;
(c) Gatekeeper, or other outreach component;
(d) Case management, which shall include:
   (i) A multidimensional assessment of the functionally disabled person’s health and
long-term care needs. No cost-sharing shall be imposed for this modality;
   (ii) Development of a comprehensive care plan negotiated by the program
beneficiary and his or her case manager, which meets minimum standards established by
the board to prevent overly subjective determinations of service needs, and which is
subject to an appeal mechanism that provides an opportunity for informal review prior to
a fair hearing;
   (iii) Initiation, coordination, and monitoring of all long-term care services needed
by a program beneficiary, including those services not funded by the program;
   (iv) Involvement of each program beneficiary’s family and other support systems;
   (v) Reassessment and service termination;
   (e) Personal and household assistance services to assist individuals with activities
of daily living and instrumental activities of daily living;
   (f) Respite care and family support services necessary to maintain the program
beneficiary in his or her family home;
   (g) Nursing services;
   (h) Day care and day health care for functionally disabled persons;
   (i) Mental health day treatment and other mental health counseling;
   (j) Habilitation services; and
   (k) Transportation services, to the extent that the administrative entity can
demonstrate positive planning by the community through the use of a local option tax or
other method to provide paratransit or specialized transportation services to program
beneficiaries.

(3) Each functionally disabled person’s participation in a functional assessment
performed by an entity designated by the board pursuant to this act shall be a precondition
to receipt of all long-term care services, including those long-term care services not
provided through the program.

(4) Services performed by the following institutions shall not be funded by this act,
except as provided in subsection (5) of this section:

(a) Nursing homes licensed pursuant to chapter 18.51 RCW;
(b) State institutions for developmentally disabled persons, defined as residential habilitation centers in chapter 71A.20 RCW; and
(c) State institutions for mentally ill persons, including but not limited to Eastern State Hospital and Western State Hospital.

(5) The board may establish criteria for funding community-based long-term care and support services provided in a nursing home or other health care facility, to the extent that use of such settings is cost-effective and offers appropriate high quality services to program beneficiaries.

(6) In determining whether services not explicitly included pursuant to subsection (2) of this section or excluded pursuant to subsection (4) of this section can be offered through the program, the board shall consider the following criteria:
   (a) Protection of the financial integrity of this act;
   (b) The extent to which the service is consistent with the intent and purposes of this chapter;
   (c) The extent to which the service supports individual dignity and independence;
   (d) The needs of individual local communities;
   (e) The effectiveness and efficiency of the service; and
   (f) The extent of local community and volunteer participation in providing the service.

NEW SECTION. Sec. 9. PROGRAM BENEFICIARY COST-SHARING. (1) The board shall establish a sliding fee scale to determine a program beneficiary's contribution to the cost of community-based long-term care and support services provided to him or her through the program. The sliding fee scale shall be designed to generate a minimum of twenty percent of operating costs of the new system. Sliding fee and other program beneficiary cost sharing payments shall not be imposed prior to state-wide implementation of the program unless a program beneficiary resides within a county served by a regional administrative model project and cost sharing payments for community-based long-term care and support services that program beneficiary is receiving are not prohibited by federal law.

(2) The sliding fee scale shall:
   (a) Base the level of a program beneficiary’s contribution on that individual’s gross household income, giving appropriate consideration to family size. In determining gross household income, the income of an applicant’s spouse shall be considered available to the applicant, and the income of a minor applicant’s parents shall be considered available to that minor. The board shall define “income” and other relevant criteria by rule;
   (b) Provide that for program beneficiaries with gross household income below one hundred fifty percent of the federal poverty level, cost-sharing shall not have the effect of discouraging appropriate use of necessary community-based long-term care and support services;
   (c) Provide for limits on annual cost-sharing obligation for each program beneficiary’s household.

(3) To affect community-based long-term care and support service utilization, the board may establish copayments or deductibles which:
   (a) May be imposed in lieu of the sliding fee scale for program beneficiaries requiring small amounts of community-based long-term care and support services; and
   (b) Shall not have the effect of discouraging appropriate use of necessary community-based long-term care and support services for program beneficiaries with gross household incomes below one hundred fifty percent of the federal poverty level.

NEW SECTION. Sec. 10. RIGHT TO REFUSE SERVICES. Nothing contained in this chapter shall be construed to require a program beneficiary to accept services, except to the extent provided otherwise by chapters 71.05, 11.88, and 11.92 RCW.

PART III
IMPLEMENTING THE NEW COMMUNITY-BASED
LONG-TERM CARE SYSTEM

NEW SECTION. Sec. 11. INTENT RELATING TO IMPLEMENTATION. It is the intent of the legislature that statewide community-based long-term care and support services be modeled through two regional pilot projects that will test various administrative structures. Lessons learned through the pilot projects will be applied to development of the statewide community-based system. During the initial phase, additional community-based long-term care and support services will be provided through Medicaid and other expansions using revenue from the appropriation supporting this act.

NEW SECTION. Sec. 12. IMPLEMENTATION. (1) The board shall adopt a schedule for the orderly development of the delivery of services and availability of the program to functionally disabled residents living in the area of the regional administrative model projects conducted in accordance with this act.

(2) Current categorical long-term care systems shall merge into the program on a fixed future date, to be determined by the board after authorization by the legislature. Upon merger of these categorical systems, the needs of all disability groups shall be equitably addressed through the program, regardless of the administrative model adopted by the board.

NEW SECTION. Sec. 13. REGIONAL ADMINISTRATIVE MODEL PROJECTS.

(1) Regional administrative model projects shall plan, coordinate, and administer community-based long-term care and support services for a designated region composed of one or more counties with a total population of at least forty thousand.

(2) Regional administrative model projects shall satisfy the following criteria:

(a) Have the support of the county authority for the county or counties included in the project site;

(b) Build upon support available to each program beneficiary from the individual's family, community, and local business;

(c) Existing regional and local advisory councils, such as councils on aging, developmental disabilities, and mental health established under state or federal law, and multicultural and multi-ethnic groups will be involved in the proposed long-term care delivery system;

(d) Services to minimize the effects of degenerative and debilitating conditions that result in a loss of independence will be offered. Such a plan might include a mechanism to support people who are at risk of rapid deterioration without support;

(e) Identify mechanisms that will be used to coordinate services with the acute health care and vocational rehabilitation systems;

(f) Identify mechanisms to coordinate services with regional support networks established pursuant to chapter 71.24 RCW, including, but not limited to, formal interagency agreements detailing the roles and responsibilities of the regional support network and the regional administrative model project in meeting the needs of persons whose functional disability is related in whole or in part to mental illness;

(g) Transportation needs will be assessed and addressed;

(h) Identify mechanisms that will be used to control nursing costs;

(i) Provide directly or by contract case management services that include:

(i) A multidimensional assessment of the functionally disabled person's health and long-term care needs. No cost-sharing shall be imposed for this modality;

(ii) Development of a comprehensive care plan negotiated by the program beneficiary and his or her case manager, which meets minimum standards established by the board to prevent overly subjective determinations of service needs, and which is subject to an appeal mechanism that provides an opportunity for informal review prior to a fair hearing;

(iii) Initiation, coordination, and monitoring of all long-term care services needed by a program beneficiary, including those services not funded by the program;
(iv) Involvement of each program beneficiary’s family and other support systems; and

(v) Reassessment and service termination;

(j) Include mechanisms to ensure access to culturally and linguistically appropriate services by minority and limited English speaking populations.

(3) In contracting for regional administrative model project sites, the board shall:

(i) Utilize competitive bidding procedures;

(ii) Issue planning grants and contracts to operate regional administrative model projects in no more than two sites. No more than one site may be comprised west of the Cascade mountains. To the greatest extent possible, giving consideration to applications received and an applicant’s ability to comply with relevant performance standards:

Planning grants shall have a duration of July 1, 1992, through June 30, 1993.

Contracts to operate regional administrative model projects shall have a duration of two years, beginning on or after July 1, 1993 if funds are appropriated by the 53rd legislature for that purpose and shall;

(iii) To the greatest extent possible, contract for a diversity of case management models. At least one of the models shall utilize a case management model in which the case manager authorizes and manages services within budgeted funds.

(iv) Include remedies in the contracts for failure to comply with the terms of the contract, including intermediate remedies in addition to termination of a contract.

NEW SECTION. Sec. 14. EVALUATION OF REGIONAL ADMINISTRATIVE MODEL PROJECTS. The board shall develop criteria to evaluate the success and failure of the regional administrative model projects established pursuant to this act in meeting the intent and purposes of this chapter. The board shall contract with an independent entity to evaluate:

(1) The regional administrative model projects using the criteria developed pursuant to this section; and

(2) The actions taken by the board to implement this chapter giving consideration to this chapter’s intent and purposes.

A report detailing the results of the evaluation shall be submitted to the governor and appropriate committees of the legislature no later than three years following initiation of the regional administrative model projects.

NEW SECTION. Sec. 15. INFORMATION SYSTEM. The board shall design and administer a long-term care information system. In designing the information system, the board shall pursue the following objectives:

(1) Use of a single common identifier for each functionally disabled person using long-term care services;

(2) Ability to track each functionally disabled person’s use of long-term care services;

(3) Protection of confidentiality for functionally disabled persons using long-term care services; and

(4) Access to nonconfidential information relating to available long-term care services, training information for caregivers, and service utilization and cost data for planners and policymakers.

NEW SECTION. Sec. 16. ADMINISTRATION OF LONG-TERM CARE SERVICES PENDING STATE-WIDE IMPLEMENTATION OF PROGRAM. Pending merger of current categorical long-term care systems into the program as provided in this act, other than in the regional administrative model project sites, current long-term care services administration shall continue. During this period, subject to board approval, agencies administering community-based long-term care and support services may make administrative changes consistent with the intent and purposes of this chapter and as otherwise authorized by law.

PART IV
FINANCING COMMUNITY-BASED LONG-TERM CARE SERVICES

NEW SECTION. Sec. 17. INTENT RELATING TO FINANCING. Recognizing that financial stability is essential to success of a comprehensive long-term care system and that current and future demands are exceeding available financial resources, an appropriation of state general funds, matching federal funds, public insurance funds, and sliding fee contributions by program beneficiaries shall be established. The legislature recognizes that development and implementation of the program will involve significant cooperation and partnership between Washington state and the federal government.

NEW SECTION. Sec. 18. FEDERAL/STATE RELATIONSHIP. The board shall identify and request federal statutory waivers necessary to allow federal funds currently used for community-based long-term care and support services to be expended as provided in this chapter.

NEW SECTION. Sec. 19. FINANCING. (1) The secured benefit fund is created in the state treasury. All receipts from sources specified in this section shall be deposited in the fund. Moneys in the fund may be spent only after appropriation and may be used only for carrying out the purposes of this chapter.

(2) The secured benefit fund shall consist of:

(a) Legislative appropriations for general fund-state spending for community-based long-term care and support services;

(b) Federal funds received by the state as payment for community-based long-term care and support services, including but not limited to the medicare program, Title XVIII of the federal social security act, and the medicaid program, Title XIX of the federal social security act; and

(c) Program beneficiary cost-sharing as provided in this act.

NEW SECTION. Sec. 20. PRIVATE LONG-TERM CARE INSURANCE. The private long-term care insurance commission is hereby established. The commission shall be composed of seven members who shall be appointed by the insurance commissioner. Commission members shall be reimbursed for travel expenses pursuant to RCW 43.03.050 and 43.03.060.

(2) The commission shall review and make recommendations regarding the role of long-term care insurance in the new system. The commission shall report its recommendations to the board, the insurance commissioner, and appropriate committees of the legislature on or before December 1, 1992.

NEW SECTION. Sec. 21. IN-MIGRATION. (1) The legislature intends that the program be available to established residents of Washington state.

(2) To discourage relocation of functionally disabled persons from other states into Washington to obtain program benefits, the board shall require, as condition of receipt of program benefits by functionally disabled persons who have not resided in Washington state for a continuous period of twelve months prior to their application for program benefits, that these individuals pay a monthly premium for program benefits actuarially determined based upon the level and type of benefits available through the program.

PART V

TRANSITION PERIOD PENDING FULL IMPLEMENTATION OF THE PROGRAM

NEW SECTION. Sec. 22. The legislature recognizes that state-wide implementation of the community-based long-term care secured benefit program will require four to five years, to allow completion of necessary coordination with the federal government and sufficient testing of regional administrative models. The legislature intends that expenses for regional model administrative projects, including administration, monitoring, data collection, and evaluation be derived from the funds provided by this act. The service expansions authorized by this act shall be temporary measures pending state-wide implementation of the community-based long-term care secured benefit program.
NEW SECTION. Sec. 23. (1) During the transitional period from the effective date of this section until state-wide implementation of the program, the legislature shall appropriate, and the executive shall administer, all community-based long-term care funds except those necessary to administer and provide services through regional administrative model projects, and matching funds and program beneficiary cost sharing collected through such projects.

(2) Regional model administrative project funds shall be administered by the board. Regional model administrative projects shall receive funding for the number of functionally disabled persons in the county or counties served by the project in an amount equal to the per capita community-based long-term care expenditures for functionally disabled persons currently receiving state and federally funded services, and such additional funds determined by the board to be necessary for administration of the projects, including monitoring, data collection, and evaluation.

(3) Upon completion and evaluation of the regional administrative model projects and enactment of legislation establishing the state-wide administrative structure of the program, all community-based long-term care funds shall be deposited into the secured benefit fund pursuant to this act and administered by the board.

Sec. 24. RCW 74.09.510 and 1989 1st ex.s. c 10 s 8 are each amended to read as follows:

Medical assistance may be provided in accordance with eligibility requirements established by the department of social and health services, as defined in the social security Title XIX state plan for mandatory categorically needy persons and: (1) Individuals who would be eligible for cash assistance except for their institutional status; (2) individuals who are under twenty-one years of age, who would be eligible for aid to families with dependent children, but do not qualify as dependent children and who are in (a) foster care, (b) subsidized adoption, (c) an intermediate care facility or an intermediate care facility for the mentally retarded, or (d) inpatient psychiatric facilities; (3) the aged, blind, and disabled who: (a) Receive only a state supplement, or (b) would not be eligible for cash assistance if they were not institutionalized; (4) individuals who would be eligible for but choose not to receive cash assistance; (5) individuals who are enrolled in managed health care systems, who have otherwise lost eligibility for medical assistance, but who have not completed a current six-month enrollment in a managed health care system, and who are eligible for federal financial participation under Title XIX of the social security act; (6) children and pregnant women allowed by federal statute for whom funding is appropriated; (7) disabled children eighteen years of age or younger who require a level of care provided in a hospital, nursing home, or intermediate care facility for the mentally retarded and can be cared for in the community for less than the cost of such institutional care, if such a child would be eligible for medical assistance if he or she were in a medical institution; and (8) other individuals eligible for medical services under RCW 74.09.035 and 74.09.700 for whom federal financial participation is available under Title XIX of the social security act.

Sec. 25. RCW 74.09.520 and 1990 c 33 s 594 and 1990 c 25 s 1 are each reenacted and amended to read as follows:

(1) The term "medical assistance" may include the following care and services: (a) Inpatient hospital services; (b) outpatient hospital services; (c) other laboratory and x-ray services; (d) skilled nursing home services; (e) physicians' services, which shall include prescribed medication and instruction on birth control devices; (f) medical care, or any other type of remedial care as may be established by the secretary; (g) home health care services; (h) private duty nursing services; (i) dental services; (j) physical therapy and related services; (k) prescribed drugs, dentures, and prosthetic devices, and eyeglasses prescribed by a physician skilled in diseases of the eye or by an optometrist, whichever the individual may select; (l) personal care services, as provided in this section; (m) hospice services; (n) community-supported living arrangements for developmentally
disabled persons; (o) other diagnostic, screening, preventive, and rehabilitative services; and ((ee))) (p) like services when furnished to a handicapped child by a school district as part of an individualized education program established pursuant to RCW 28A.155.010 through 28A.155.100. For the purposes of this section, the department may not cut off any prescription medications, oxygen supplies, respiratory services, or other life-sustaining medical services or supplies.

"Medical assistance," notwithstanding any other provision of law, shall not include routine foot care, or dental services delivered by any health care provider, that are not mandated by Title XIX of the social security act unless there is a specific appropriation for these services. Services included in an individualized education program for a handicapped child under RCW 28A.155.010 through 28A.155.100 shall not qualify as medical assistance prior to the implementation of the funding process developed under RCW 74.09.524.

(2) The department shall amend the state plan for medical assistance under Title XIX of the federal social security act to include personal care services, as defined in 42 C.F.R. 440.170(f), in the categorically needy program.

(3) The department shall adopt, amend, or rescind such administrative rules as are necessary to ensure that Title XIX personal care services are provided to eligible persons in conformance with federal regulations.

(a) These administrative rules shall include financial eligibility indexed according to the requirements of the social security act providing for medicaid eligibility.

(4) The department shall design and implement a means to assess the level of functional disability of persons eligible for personal care services under this section. The personal care services benefit shall be provided to the extent funding is available according to the assessed level of functional disability. Any reductions in services made necessary for funding reasons should be accomplished in a manner that assures that priority for maintaining services is given to persons with the greatest need as determined by the assessment of functional disability.

(5) The department shall report to the appropriate fiscal committees of the legislature on the utilization and associated costs of the personal care option under Title XIX of the federal social security act, as defined in 42 C.F.R. 440.170(f), in the categorically needy program. This report shall be submitted by January 1, 1990, and submitted on a yearly basis thereafter.

(6) Effective July 1, 1989, the department shall offer hospice services in accordance with available funds. The department shall provide a complete accounting of the costs of providing hospice services under this section by December 20, 1990. The report shall include an assessment of cost savings which may result by providing hospice to persons who otherwise would use hospitals, nursing homes, or more expensive care. The hospice benefit under this section shall terminate on June 30, 1991, unless extended by the legislature.

Sec. 26. RCW 74.09.700 and 1989 c 87 s 3 are each amended to read as follows:

(1) To the extent of available funds, medical care may be provided under the limited casualty program to persons not otherwise eligible for medical assistance or medical care services who are medically needy as defined in the social security Title XIX state plan and medical indigents in accordance with medical eligibility requirements established by the department. This includes residents of skilled nursing homes, intermediate care facilities, and intermediate care facilities for the mentally retarded who are aged, blind, or disabled as defined in Title XVI of the federal social security act and whose income exceeds three hundred percent of the federal supplement security income benefit level.
(2) Determination of the amount, scope, and duration of medical coverage under the limited casualty program shall be the responsibility of the department, subject to the following:

((((e))) (d) Medical care services provided to the medically indigent and received no more than seven days prior to the date of application shall be retroactively certified and approved for payment on behalf of a person who was otherwise eligible at the time the medical services were furnished: PROVIDED, That eligible persons who fail to apply within the seven-day time period for medical reasons or other good cause may be retroactively certified and approved for payment.

(3) The department shall establish standards of assistance and resource and income exemptions. All nonexempt income and resources of limited casualty program recipients shall be applied against the cost of their medical care services.

NEW SECTION. Sec. 27. A new section is added to chapter 74.09 RCW to read as follows:

SPEAKER’S PRIVILEGE

The Speaker (Mr. Anderson presiding): Earlier this week we passed a resolution honoring our National Guard and, as Chair of the Committee on State Government, I have the pleasure of working closely with the National Guard. This morning we have on the rostrum with us Major General Greg Barlow, The Adjutant General; Brigadier General Tim Lowenberg, The Adjutant General for the Air National Guard; Brigadier General Dennis Hague, who is the commanding general of the 141st Air Refueling Wing; Lieutenant Colonel Joe Jiminez, Public Information Office; and Lieutenant Colonel Kevin Ryan. We also have a number of people in the rear of the Chamber who I will introduce in just a moment.

I want to give a little bit of background first. On August 6, 1990 members of the 141st Air Refueling Wing were called to duty for the war in the Persian Gulf. The first call came to the Washington National Guard at 11:00 p.m. on August 6, 1990, and these citizens and their comrades were at the air base and ready to fly by 5:00 a.m. the next morning. Within six hours these brave and dedicated neighbors of ours—and most of these people come from in and around
SIXTIETH DAY, MARCH 14, 1991 1235

the Spokane area--put their personal lives on hold and came to the aid of our country. I observe that many of us have a hard time getting to a committee meeting on time, even if it has been scheduled for a couple of weeks. These people were ready in six hours to move out. It is a pleasure for me to participate in this welcome home ceremony for them.

Now I would like to introduce our friends in the rear of the Chamber: Colonel Walter Hodgen; Lieutenant Colonel Bob Fuss; Lieutenant Colonel Michael Kvanme; Lieutenant Colonel James McDevitt, who is Squadron Commander of the 116th Air Refueling Squadron--the folks that actually have the planes; Lieutenant Colonel Larry Wilde; Major John Guilbeault; Major Gary Magonigle; Captain Suzanne Dodge; Technical Sergeant Mark Jones; Technical Sergeant Terry Stout; Retired Chief Master Sergeant Ronald Corigliano; Senior Master Sergeant John Coleman; Master Sergeant Ron Thaxton; Master Sergeant John Bartlett; Staff Sergeant Glenn Schmauder; Staff Sergeant Lahomma Cruise; Sergeant Patrick Brookhart; Sergeant Chory; Senior Airman Nensil Hursley. It is a pleasure for me to be able to welcome these people home along with those in the North Gallery, representing the support staff and the communications specialists, and a contingent of Vietnam veterans who are participating in this welcome home.

Please welcome home all of these people.

REMARKS BY BRIGADIER GENERAL DENNIS HAGUE

Brigadier General Hague: Thank you. It's with a great deal of pleasure that I come before you today to represent the armed forces. I speak not only for the members of the Air National Guard and Army National Guard, but for all the folks who went over there to fight that war. We appreciate the support that the country and you people here in the State of Washington have shown to us.

In the Senate this morning it was mentioned that there were some five hundred and thirty-two thousand people who took part in Desert Storm and Desert Shield. I think it is important that you got a chance to see some of these people personally and associate a name and a face. This is about one-third of the people of the Washington National Guard that were deployed. We still have over two hundred people over there and, as we speak, are refueling airplanes that are coming home. I can tell you that we have them in our thoughts and prayers, too--that we want them home as quickly as possible. I can imagine their emotion as they take off, go up and refuel the airplanes that are coming home, and then have to turn around and go back to the desert and start over. Hopefully, they will be with us soon.

Let me tell you some of the accomplishments of these people. I wish I had time to tell you about all of them. The people you see here and the people with whom they served in the desert, through the maintenance community and the operational community and the support and resources people, put this fine fighting package together. In the time they were there at just one of our bases, they flew almost four thousand combat sorties. We have with us pilots and air crew members who flew two combat missions back to back on the day the war started. There is a crew chief whose aircraft flew fifty-eight sorties. There are support and maintenance people who worked eighteen hours a day. As you
know, air refueling is our business. In the time they were there these folks, and those with whom they served, offloaded over sixty million gallons of fuel to the fighters they were refueling. Also, our folks in the combat support group were training in the Middle East long before Saddam Hussein became the threat that he was. So they are not strangers to that area either.

In summary, I would like to tell you that we have a saying in the Guard which is "in the Guard we are family and Americans at our best." I would like to introduce to you folks your family and your Americans at their best. Thank you very much.

NEW SECTION. Sec. 22. The legislature finds that using the liquor control board to regulate and enforce all aspects of the licensing, enforcement, and retailing of liquor in the state creates potential ethical and professional conflicts of interest and limits the opportunity for some officers and employees of the state to do their jobs in a complete and professional manner.
The legislature declares that it is in the best interest of the people of the state for the duties and related powers of the liquor control board to be tailored to those needed for licensing, enforcement, education, and rehabilitation.

The legislature further declares that the people will be better served when the sale and marketing of liquor are left to private sector investors and entrepreneurs operating in a competitive market system.

**NEW SECTION** Sec. 23. A new section is added to chapter 66.08 RCW to read as follows:

(1) There is hereby created a joint committee on liquor control. The committee shall consist of: (a) Four members of the senate appointed by the president of the senate, two of whom shall be members of the majority party and two of whom shall be members of the minority party; and (b) four members of the house of representatives appointed by the speaker of the house of representatives, two of whom shall be members of the majority party and two of whom shall be members of the minority party. The governor shall appoint one member to serve at the pleasure of the governor. Members of the committee shall be appointed before the close of the 1991 legislative session and then as needed to fill vacancies.

(2) Each member's term of office shall run from the time appointed until February 15, 1994. The term of office for a committee member who does not continue as a member of the senate or house of representatives shall cease upon the convening of the next session of the legislature or upon the member's resignation, whichever is earlier. Vacancies on the committee shall be filled by appointment in the same manner as described in subsection (1) of this section. All such vacancies shall be filled from the same political party and from the same house as the member whose seat was vacated.

(3) The committee shall elect a chairperson and a vice-chairperson. The chairperson shall be a member of the senate in even-numbered years and a member of the house of representatives in odd-numbered years.

**NEW SECTION** Sec. 24. A new section is added to chapter 66.08 RCW to read as follows:

(1) The joint committee has the responsibility of developing a process, regulatory structure, and time schedule for transferring responsibilities for the sale, distribution, and marketing of liquor from the Washington state liquor control board to the private sector. The committee's recommendations shall be delivered to the legislature by January 1, 1992.

(2) The report of the joint committee on liquor control shall include but is not limited to recommendations on the following:

(a) An application process that details the fees, permits, and necessary qualifications for the applicants;

(b) A management plan for selling existing stocks, managing and renegotiating existing contracts, and transferring or subleasing any and all property held by the liquor control board;

(c) An assessment of the number of employees that will be needed under each option and the prospects for employment in the private sector for employees no longer needed by the liquor control board. The recommendation of the committee shall be consistent with sections 4 and 5 of this act, with the highest priority given to keeping state workers employed without needlessly hampering the new private sector participants; and

(d) Any information the committee deems necessary.

**NEW SECTION** Sec. 25. A new section is added to chapter 66.08 RCW to read as follows:

The joint committee shall recommend necessary rules and shall review the rules adopted by the Washington state liquor control board. The joint committee shall prepare draft legislation when
the committee believes that a rule is not appropriate for the private marketplace.

POINT OF PERSONAL PRIVILEGE

Mr. Sprenkle: Thank you, Mr. Speaker. Today we have the distinct honor and privilege of having as our guest Dr. Leeon Aller. Dr. Aller is a physician colleague of mine from Snohomish County and is the first and only physician from Washington State to be named the National Family Physician of the Year.

Dr. Aller has led a distinguished career that, in fact, has set for me a goal of doing things other than your medical practice in order to contribute to society. In his practice in Snohomish he has had forty-seven foster children whom he has taken to his home and raised. He and his wife Virginia have raised eight children, seven of them adopted. In his career he has gone all over the world, mainly to Africa and South America, providing health care to third world countries. He has made twenty-eight missions to Guatemala, essentially establishing a new health care delivery system there. Dr. Aller now is in the process of trying, after a full career in the military as well as in his medical
practice, to develop a program that will use the military forces of this country as ambassadors of peace to the third world.

I'd like Dr. Aller and his wife Virginia, who are in the North Gallery, to stand and be recognized by this body.

"NEW SECTION. Sec. 801. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Barrel" means a unit of measurement of volume equal to forty-two U.S. gallons of crude oil or petroleum product.

(2) "Crude oil" means any naturally occurring liquid hydrocarbons at atmospheric temperature and pressure coming from the earth, including condensate and natural gasoline."
NEW SECTION. Sec 802. (1) An oil spill response tax is imposed on the privilege of off-loading crude oil or petroleum products at a marine terminal within this state from a waterborne vessel or barge operating on the navigable waters of this state. The tax imposed in this section is levied upon the owner of the crude oil or petroleum products at the time such off-loading occurs at the rate of two cents per barrel of crude oil or petroleum product off-loaded.

(2) In addition to the tax imposed in subsection (1) of this section, an oil spill administration tax is imposed on the privilege of off-loading crude oil or petroleum products at a marine terminal within this state from a waterborne vessel or barge operating on the navigable waters of this state. The tax imposed in this section is levied upon the owner of the crude oil or petroleum products at the time such off-loading occurs at the rate of three cents per barrel of crude oil or petroleum product off-loaded.

(3) The taxes imposed by this chapter shall be collected by the marine terminal operator from the owner of the crude oil or petroleum products off-loaded at the marine terminal. If any person charged with collecting the taxes fails to bill the taxpayer for the taxes, or in the alternative has not notified the taxpayer in writing of the imposition of the taxes, or having collected the taxes, fails to pay it to the department in the manner prescribed by this chapter, whether such failure is the result of the person's own acts or the result of acts or conditions beyond the person's control, he or she shall, nevertheless, be personally liable to the state for the amount of the taxes. Payment of the taxes by the owner to a marine terminal operator shall relieve the owner from further liability for the taxes.

(4) Taxes collected under this chapter shall be held in trust until paid to the department. Any person collecting the taxes who appropriates or converts the taxes collected shall be guilty of a gross misdemeanor if the money required to be collected is not available for payment on the date payment is due. The taxes required by this chapter to be collected shall be stated separately from other charges made by the marine terminal operator in any invoice or other statement of account provided to the taxpayer.

(5) If a taxpayer fails to pay the taxes imposed by this chapter to the person charged with collection of the taxes and the person charged with collection fails to pay the taxes to the department, the department may, in its discretion, proceed directly against the taxpayer for collection of the taxes.
(6) The taxes shall be due from the marine terminal operator, along with reports and returns on forms prescribed by the department, within twenty-five days after the end of the month in which the taxable activity occurs.

(7) The amount of taxes, until paid by the taxpayer to the marine terminal operator or to the department, shall constitute a debt from the taxpayer to the marine terminal operator. Any person required to collect the taxes under this chapter who, with intent to violate the provisions of this chapter, fails or refuses to do so as required and any taxpayer who refuses to pay any taxes due under this chapter, shall be guilty of a misdemeanor as provided in chapter 9A.20 RCW.

(8) Upon prior approval of the department, the owner of crude oil or petroleum products off-loaded in this state may pay the taxes imposed by this chapter directly to the department. The department shall give its approval for direct payment under this section whenever it appears, in the department’s judgment, that direct payment will enhance the administration of the taxes imposed under this chapter. The department shall provide by rule for the issuance of a direct payment certificate to any taxpayer qualifying for direct payment of the taxes. Good faith acceptance of a direct payment certificate by a terminal operator shall relieve the marine terminal operator from any liability for the collection or payment of the taxes imposed under this chapter.

(9) All receipts from the tax imposed in subsection (1) of this section shall be deposited into the state oil spill response account. All receipts from the tax imposed in subsection (2) of this section shall be deposited into the state oil spill administration account.

(10) Within forty-five days after the end of each calendar quarter, the office of financial management shall determine the balance of the oil spill response account as of the last day of that calendar quarter. Balance determinations by the office of financial management under this section are final and shall not be used to challenge the validity of any tax imposed under this chapter. The office of financial management shall promptly notify the departments of revenue and ecology of the account balance once a determination is made. For each subsequent calendar quarter, the tax imposed by subsection (1) of this section shall be imposed during the entire calendar quarter unless:

(a) Tax was imposed under subsection (1) of this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than twenty-five million dollars; or

(b) Tax was not imposed under subsection (1) of this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than fifteen million dollars.

NEW SECTION. Sec. 803. The taxes imposed under this chapter shall only apply to the first off-loading of crude oil or petroleum products at a marine terminal in this state and not to the later transporting and subsequent off-loading of the same oil or petroleum product, whether in the form originally off-loaded in this state or after refining or other processing.

NEW SECTION. Sec. 804. Credit shall be allowed against the taxes imposed under this chapter for any crude oil or petroleum products off-loaded at a marine terminal and subsequently exported from or sold for export from the state.

NEW SECTION. Sec. 805. The state oil spill response account is created in the custody of the state treasurer. All receipts from section 802(1) of this act shall be deposited in the account. The account is subject to allotment procedures under chapter 43.88 RCW. Only the director of ecology or the director’s designee may authorize expenditures from the account. Expenditures from the account shall be used exclusively for the costs associated with the response to spills of crude oil or petroleum products into the navigable waters of the state. Payment of response costs under this section shall be limited to spills which the director has determined are likely to exceed fifty thousand dollars. Prior to approving an expenditure under this section, the director shall make
reasonable efforts to obtain funding for response costs from the person responsible for the spill and from other sources, including the federal government. Reimbursement for response costs shall be allowed only for costs which are not covered by funds appropriated to the agencies responsible for response activities. Costs associated with the response to spills of crude oil or petroleum products shall include:

1. Natural resource damage assessment and related activities;
2. Spill related response, containment, wildlife rescue, cleanup, disposal, and associated costs;
3. Interagency coordination and public information related to a response; and
4. Appropriate travel, goods and services, contracts, and equipment.

NEW SECTION. Sec. 806. The state oil spill administration account is created in the state treasury. All receipts from section 802(2) of this act shall be deposited in the account. Moneys from the account may be spent only after appropriation. The account is subject to allotment procedures under chapter 43.88 RCW. On July 1 of each odd-numbered year, if receipts from the tax imposed by section 802(2) of this act for the previous fiscal biennium exceed the amount appropriated from the account for the previous fiscal biennium, the state treasurer shall transfer the amount of receipts exceeding the appropriation to the oil spill response account. Expenditures from the oil spill administration account shall be used exclusively for the administrative costs related to the purposes of this chapter, and chapters 90.48, 88.40, and chapter 88. -- (sections 413 through 424 of this act) RCW. Costs of administration include the costs of:

1. Routine responses not covered under section 805 of this act;
2. Management and staff development activities;
3. Development of rules and policies and the state-wide plan provided for in RCW 90.48.378 as recodified by this act;
4. Facility and vessel plan review and approval, drills, inspections, investigations, enforcement, and litigation;
5. Interagency coordination and public outreach and education;
6. Collection and administration of the tax provided for in chapter 82.-- RCW (sections 801 through 804 of this act); and
7. Appropriate travel, goods and services, contracts, and equipment.

NEW SECTION. Sec. 807. The following amounts are appropriated from the oil spill administration account for the biennium ending June 30, 1993, for the purposes of this act and chapters 90.48, 90.56, 88.40, and 88. -- (sections 413 through 424 of this act) RCW.

The purposes of this act are to protect children in the work force and provide the department of labor and industries the education and enforcement resources necessary to assure that minors are employed in accordance with the state’s child labor standards.

NEW SECTION. Sec. 404. (1)(a) Except as otherwise provided in subsection (2) of this section, if the director, or the director’s designee, finds that an employer has violated any of the requirements of RCW 49.12.121, or a rule or order adopted or

An initial citation for failure to comply with RCW 49.12.121 or rules requiring a minor work permit and maintenance of records shall state a specific and reasonable time for abatement of the violation to allow the employer to correct the violation without penalty. The director or the director's designee shall establish a specific time for abatement of other nonserious violations in lieu of a penalty for first time violations. The citation and a proposed penalty assessment shall be given to the highest management official available at the work place and be mailed to the central personnel office of the employer. Citations issued under this section shall be posted at or near the place where the violation occurred.

(b) Except when an employer corrects a violation as provided in (a) of this subsection, he or she shall be assessed a civil penalty of not more than one thousand dollars depending on the size of the business and the gravity of the violation. The employer shall pay the amount assessed within thirty days of receipt of the assessment or notify the director of his or her intent to appeal the citation or the assessment penalty as provided in section 3 of this act.

For the purposes of this subsection, a serious violation shall be deemed to exist where the violation has caused a substantial probability that death or serious physical harm could result to a minor employee, unless the employer did not, and could not with the exercise of reasonable diligence, know of the presence of the violation.

(3) In addition to any other authority provided in this section, if, upon inspection or investigation, the director, or director's designee, believes that an employer has violated RCW 49.12.121, or a rule or order adopted or variance granted under RCW 49.12.121, and that the violation creates a danger from which there is a substantial probability that death or serious physical harm could result to a minor employee, the director, or director's designee, may issue an order immediately restraining the condition, practice, method, process, or means creating the danger in the work place. An order issued under this subsection may require the employer to take steps necessary to avoid, correct, or remove the danger and to prohibit the employment or presence of a minor in locations or under conditions where the danger exists.

(4) An employer who violates any of the posting requirements of RCW 49.12.121 or rules adopted implementing RCW 49.12.121 shall be assessed a civil penalty of not more than one hundred dollars for each violation.

A notice of appeal filed under this section shall stay the effectiveness of a citation or notice of the assessment of a penalty pending review of the appeal by the director, but such appeal shall not stay the effectiveness of an order of immediate restraint issued under section 404 of this act. Upon receipt of an appeal, a hearing shall be held in accordance with chapter 34.05 RCW. The director shall issue all final orders after the hearing. The final orders are
subject to appeal in accordance with chapter 34.05 RCW. Orders not appealed within the
time period specified in chapter 34.05 RCW are final and binding.

requirements of RCW 49.12.121, or a rule or order adopted under RCW 49.12.121, is
guilty of a gross misdemeanor. An employer whose practices in violation of the

chapter is in violation of this chapter, and shall, upon conviction, be guilty of a gross

(3) Upon a finding by the director that an employer who discharges or in any other
manner discriminates against any employee because such employee has made any
complaint to his or her employer, to the director, or his or her authorized representatives
that he or she has not been paid wages in accordance with the provisions of this chapter,
or that the employer has violated any provision of this chapter, or because such employee
has caused to be instituted or is about to cause to be instituted any proceeding under or
related to this chapter, or because such employee has testified or is about to testify in any
such proceeding ((shall be deemed in violation of this chapter and shall, upon conviction
thereof, be guilty of a gross misdemeanor)), the director may require an employer who

the employees are not being paid for their services or if the director determines an 
employer has repeatedly violated the provisions of chapter 49.46 or 49.48 RCW requiring

(2) If within ten days after demand for such bond the employer fails to provide the 
same, the director may commence a suit against the employer in the superior court of

doing business until ((he)) the employer has done so. The employer shall have the burden 
of proving the amount thereof to be excessive.

(3) If the court finds that there is just cause for requiring such bond and that the

of the employees of such employer and his compliance with RCW 49.48.010 through 
49.48.080, the court shall enjoin such employer from doing business in this state until the 
requirement is met, or shall make other, and may make further, orders appropriate to

the claim or make satisfactory explanation to the director of his failure to do so, within 
thirty days thereafter, the employer or former employer shall be liable to a penalty of ten 
percent of that portion of the claim found to be justly due. The director shall have a 
cause of action against the employer or former employer for the recovery of such penalty; 
and the same may be included in any subsequent action by the director on said wage

action.)

"The provisions of Title 29 RCW relating to elections shall govern public hospital districts, except (((that: (1))))) as provided in this chapter.

A public hospital district shall be created when the ballot proposition authorizing the creation of the public hospital district is approved by a simple majority vote of the voters of the proposed district who vote on the proposition and the total vote cast upon the proposition (((to form a hospital district shall))) exceeds forty percent of the total number of votes cast in the (((precincts comprising the)))) proposed district at the preceding
general) county election ((and (2) hospital district commissioners shall hold office
for the term of six years and until their successors are elected and qualified, each term
to commence on the first day in January following the election)).

At the election at which the proposition is submitted to the voters as to whether a
district shall be formed, three commissioners shall be elected ((to hold office, respectively,
for the terms of two, four, and six years. All candidates shall be voted upon by the entire
district, and the candidate residing in commissioner district No. 1 receiving the highest
number of votes in the hospital district shall hold office for the term of six years; the

in the hospital district shall hold office for the term of four years; and the candidate
residing in commissioner district No. 3 receiving the highest number of votes in the
hospital district shall hold office for the term of two years. The first commissioners to
be elected shall take office immediately when qualified in accordance with RCW
29.01.135. Each term of the initial commissioners shall date from the time above
specified following the organizational election, but shall also include the period
intervening between the organizational election and the first day of January following the
next district general election: PROVIDED, That in public hospital districts encompassing
portions of more than one county, the total vote cast upon the proposition to form the
district shall exceed forty percent of the total number of votes cast in each portion of each
county lying within the proposed district at the next preceding general county election.
The portion of the proposed district located within each county shall constitute a separate

Commissioner districts shall be used for residency purposes only in all public

use of commissioner districts. Voters of the entire hospital district may vote at any
election to nominate or elect any commissioner. If the proposed public hospital district
is county-wide, and the county has three county legislative authority districts, the county
legislative authority districts shall be used as hospital commissioner districts. In all other
instances, the county auditor of the county in which all or the largest portion of the
proposed public hospital district is located shall draw the initial three commissioner
districts each of which comprises as nearly as possible one-third of the total population
of the proposed public hospital district and number the districts one, two, and three. Each
of the three commissioner positions shall be numbered one through three and associated
with the district of the same number.

The public hospital district commissioners may redraw commissioner districts so
that each district comprises as nearly as possible one-third of the total population of the
proposed public hospital district.

as follows:

The terms of office of each public hospital district commissioner shall be reduced
to four years, except for those commissioners whose terms of office would have expired
on January 1, 1992. Commencing at the 1991 general election, each person elected as
a public hospital district commissioner shall be elected to a four-year term of office, except
for the staggering of terms and filling of vacancies.

Sec. 3. RCW 70.44.045 and 1982 c 84 s 13 are each amended to read as follows:

A vacancy in the office of commissioner shall occur by death, resignation, removal,
conviction of felony, nonattendance at meetings of the commission for sixty days, unless
excused by the commission, by any statutory disqualification, or by any permanent
disability preventing the proper discharge of ((this)) the commissioner's duty ((or by
creation of positions pursuant to RCW 70.44.051, et seq)). A vacancy or vacancies on
the board shall be filled by appointment by the remaining commissioner or commissioners
until the next regular election for commissioners as provided by RCW 70.44.040:
PROVIDED, That if there is only one remaining commissioner, one vacancy shall be
filled by appointment by the remaining commissioner and the remaining vacancy or
vacancies shall be filled by appointment by the then two commissioners and the appointed
commissioners shall serve until the next regular election for commissioners: PROVIDED
FURTHER, That if there is a vacancy of the entire board, a new board may be appointed
by the board of county commissioners or county council.

Sec. 4. RCW 70.44.051 and 1967 c 77 s 1 are each amended to read as follows:

((In addition to the procedures enumerated in RCW 70.44.020, 70.44.030 and
70.44.035,)) The board of public hospital district commissioners in an existing intracounty
or intercounty district may be increased from three members to five or to seven members;
and the board of public hospital district commissioners in any district created after June
8, 1967 may ((have)) be increased from three((,)) members to five or seven
((commissioners)) members.

Sec. 5. RCW 70.44.053 and 1967 c 77 s 2 are each amended to read as follows:

At any general or special election which may be called for that purpose the board
of public hospital district commissioners may, or on petition of ten percent of the electors
based on the total vote cast in the last district general election in the public hospital
district shall, by resolution, submit to the voters of the district the proposition increasing
the number of commissioners to any number authorized in RCW 70.44.051. The petition
or resolution shall specify whether it is proposed to increase the number of commissioners
to either five or seven members.

If the voters of the district approve the ballot proposition authorizing the increase
in the number of commissioners to either five or seven members, an election to nominate
candidates for the additional positions shall be held at the next September special election,
occurring in either an even or odd-numbered year, and an election to elect each additional
commissioner shall be held at the following November election. Candidates shall run for
specific commissioner positions.

Where the number of commissioners is increased to five, the two new commissioner
positions shall not be associated with a commissioner district. The initial new terms shall
be staggered so that the winning candidate receiving the greatest number of votes shall
be elected to a four-year term of office, if the election was held in an odd-numbered year, or three-year term of office if the election was held in an odd-numbered year, and the other winning candidate shall be elected to a two-year term of office, if the election was held in an odd-numbered year, or a one-year term of office, if the election was held in an even-numbered year. The two new elected commissioners shall assume office as provided in RCW 29.04.170. Successors shall be elected to four-year terms of office.

Where the number of commissioners is increased to seven, one of the new commissioner positions shall be associated with each of the three commissioner districts, and the initial terms of each of the three new commissioner positions shall be staggered, so that at each subsequent district general election one position associated with each of the three commissioner districts is elected to a four-year term of office. The fourth new commissioner position shall not be associated with a commissioner district and the winning candidate shall be elected to a four-year term of office, if the election was held in an odd-numbered year, or a three-year term of office, if the election was held in an even-numbered year. Successors shall be elected to four-year terms of office.

Sec. 1. RCW 70.105.215 and 1986 c 210 s 3 are each amended to read as follows:

(1) The legislature recognizes that even if efforts at hazardous substance use reduction and waste reduction reduce the quantity of hazardous wastes generated in this region, there will probably be a need for new, modified, or expanded facilities to treat, store, incinerate, or otherwise process or dispose of hazardous substances safely. In order to plan for the development of such facilities when needed, the department shall adopt rules as necessary regarding the permitting of such facilities to ensure the most expeditious permit processing possible consistent with the substantive requirements of applicable law.

(2) The department may issue a draft permit for a new hazardous waste incinerator or landfill only if the department determines that the proposed facility is sized no larger than is necessary to meet current and future needed capacity of the region, as determined pursuant to section 2 of this act. The department may impose conditions on or deny a permit application based on the results of this determination.

(3) If the owner(s) and operator(s) of a proposed hazardous waste incinerator or landfill are not the same entity, the operator shall be the permit applicant and responsible for the development of the permit application and all accompanying materials, as long as the owner also signs the application and certifies its ownership of the real property described in the application, and acknowledges its awareness of the contents of the application and receipt of a copy thereof.

NEW SECTION. Sec. 2. A new section is added to chapter 70.105 RCW to read as follows:

As part of the hazardous waste management plan developed pursuant to RCW 70.105.200, the department shall estimate the need for landfill and incineration capacity for hazardous wastes generated in this state in the following ten years. When a draft permit is issued pursuant to RCW 70.105.215, the information in the plan shall be updated with a facility-specific needs determination, using the best available information. To the extent feasible, the department shall take into consideration the following factors in the needs determination:

(1) The available incinerator and landfill capacity and demand on capacity in Washington, Idaho, Oregon, and Alaska, based on information supplied by those states;
(2) The potential for future decreases in demand for incineration and landfilling if the preferred management hierarchy established in RCW 70.105.150 were applied to all hazardous waste generated in this state, so that wastes destined for landfill or incineration would be only those which are appropriate for that method of management; and

(3) The potential future increases in demand due to economic growth, regulatory changes, expanded cleanup activities, and other relevant impacts.

NEW SECTION. Sec. 3. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

Strike everything after the enacting clause and insert:

Sec. 1. RCW 82.64.010 and 1989 c 271 s 505 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Carbonated beverage" has its ordinary meaning and includes any nonalcoholic liquid intended for human consumption which contains carbon dioxide, whether carbonation is obtained by natural or artificial means.

(2) ("Possession" means the control of a carbonated beverage or syrup located within this state and includes both actual and constructive possession. "Actual possession" occurs when the person with control has physical possession. "Constructive possession" occurs when the person with control does not have physical possession. "Control" means the power to sell or use a carbonated beverage or syrup or to authorize the sale or use by another.

(3)) "Previously taxed carbonated beverage or syrup" means a carbonated beverage or syrup in respect to which a tax has been paid under this chapter. A "previously taxed carbonated beverage" includes carbonated beverages in respect to which a tax has been
paid under this chapter on the carbonated beverage or on the syrup in the carbonated beverage.

"Syrup" means a concentrated liquid which is added to carbonated water to produce a carbonated beverage.

Except for terms defined in this section, the definitions in chapters 82.04, 82.08, and 82.12 RCW apply to this chapter.

Sec. 2. RCW 82.64.020 and 1989 c 271 s 506 are each amended to read as follows:

1. A tax is imposed on each sale at wholesale of a carbonated beverage or syrup in this state. The rate of the tax shall be equal to eighty-four one-thousandths of a cent per ounce for carbonated beverages and seventy-five cents per gallon for syrups. Fractional amounts shall be taxed proportionally.

2. A tax is imposed on each sale at retail of a carbonated beverage or syrup in this state. The rate of the tax shall be equal to the rate imposed under subsection (1) of this section.

Moneys collected under this chapter shall be deposited in the drug enforcement and education account under RCW 69.50.520.

Chapter 82.32 RCW applies to the taxes imposed in this chapter. The tax due dates, reporting periods, and return requirements applicable to chapter 82.04 RCW apply equally to the taxes imposed in this chapter.

Sec. 3. RCW 82.64.030 and 1989 c 271 s 507 are each amended to read as follows:

1. Any successive sale of a previously taxed carbonated beverage or syrup. If tax due under this chapter has not been paid with respect to a carbonated beverage or syrup, the department may collect the tax from any person who has had possession of the carbonated beverage or syrup. If the tax is paid by any person other than the first person having taxable possession of a carbonated beverage or syrup, the amount of tax paid constitutes a debt owed by the first person having taxable possession to the person who paid the tax.

2. Any carbonated beverage or syrup that is transferred to a point outside the state for use outside the state. The department shall provide by rule appropriate procedures and exemption certificates for the administration of this exemption.

3. Any sale of a carbonated beverage or syrup where the first possession occurred before July 1, 1989. Any sale of trademarked carbonated beverage or syrup by any person to a person who is licensed by the owner of the trademark to manufacture, distribute, or sell such trademarked carbonated beverage or syrup.

4. Any sale of carbonated beverage or syrup in respect to which a tax on the privilege of possession was paid under this chapter before the effective date of this act.

NEW SECTION. Sec. 4. A new section is added to chapter 82.64 RCW to read as follows:

1. The tax imposed in RCW 82.64.020(1) shall be paid by the buyer to the wholesaler and each wholesaler shall collect from the buyer the full amount of the tax payable in respect to each taxable sale, unless the wholesaler is prohibited from collecting the tax from the buyer under the Constitution of this state or the Constitution or laws of the United States. Regardless of the obligation to collect the tax from the buyer, the wholesaler is liable to the state for the amount of the tax. The buyer is not obligated to pay or report the tax imposed in RCW 82.64.020(1) to the department.

2. The tax required to be collected by the wholesaler shall be stated separately from the selling price in any sales invoice or other instrument of sale.

3. Any wholesaler who fails or refuses to collect tax under this section, with intent to violate the provisions of this chapter or to gain some advantage or benefit, either direct or indirect, is guilty of a misdemeanor.

4. The amount of tax required to be collected under this section shall constitute a debt from the buyer to the wholesaler until paid by the buyer to the wholesaler.
NEW SECTION. Sec. 5. A new section is added to chapter 82.64 RCW to read as follows:

(b) Post shelf notices with the statement specified in subsection (2) of this section. Shelf notices shall be provided by the wholesaler, and shall be posted by the wholesaler or the retailer next to each price label on the carbonated beverage shelves of the retail store.  
(2) Each notice under this section shall state: "Price includes (amount) Washington Drug Fund Tax." In the notice, "(amount)" shall be replaced with the specific amount of the tax imposed under this chapter upon the quantity of carbonated beverage for which the price is stated.  
(3) This section does not apply to the sale, advertising, or shelf display of:  
(a) Syrups;  
(b) Carbonated beverages sold through vending machines;  
(c) Carbonated beverages dispensed into open containers;  
(d) Carbonated beverages sold by a wholesaler who is prohibited under RCW 66.28.010 from having a direct or indirect financial interest in any retail business.  
NEW SECTION. Sec. 6. The taxes imposed in this act are intended to raise revenue for the enforcement of the drug laws of the state. It is the policy of the state to actively combat the problem of drug abuse by aggressive enforcement of the state's drug laws and by extensive promotion of public education programs designed to increase public and consumer awareness of the state's drug problem and its enforcement measures. Pursuant to this policy, the retailers and wholesalers subject to the provisions of this chapter are authorized and encouraged to agree on procedures for posting notices under section 5 of this act.  
Sec. 7. RCW 82.64.040 and 1989 c 271 s 508 are each amended to read as follows:  
(1) Credit shall be allowed, in accordance with rules of the department, against the taxes imposed in this chapter for any carbonated beverage or syrup tax paid to another state with respect to the same carbonated beverage or syrup. The amount of the credit shall not exceed the tax liability arising under this chapter with respect to that carbonated beverage or syrup.  
(2) For the purpose of this section:  
(a) "Carbonated beverage or syrup tax" means a tax:  
(i) That is imposed on the ([act or privilege of possessing]) the sale at wholesale of carbonated beverages or syrup and that is not generally imposed on other activities or privileges; and  
(ii) That is measured by the volume of the carbonated beverage or syrup.  
(b) "State" means (i) a state of the United States other than Washington, or any political subdivision of such other state, (ii) the District of Columbia, and (iii) any foreign country or political subdivision thereof.  
NEW SECTION. Sec. 8. The amendatory sections and repeaters of this act shall not be construed as affecting any existing right acquired or liability or obligation incurred under those sections as they existed before this act or under any rule or order adopted under those sections, nor as affecting any proceeding instituted under those sections.  
NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect June 1, 1991.

Mr. Beck moved adoption of the following amendment by Representatives Beck and Cantwell:

On page 1, strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that electronic equipment manufacturers, as a matter of practice, warrant their equipment against certain defects. The warranties may be honored by retailers of the manufacturers' products as part of their contractual obligation or by independent maintenance and service facilities. The legislature also finds that consumers do not always receive prompt, complete service that returns the product to its working condition at the time of purchase because manufacturers cannot always supply the necessary parts promptly or at a price that keeps the warranty service within the retailer's cost of doing business. Because of these problems, some of the service costs are transferred to customers seeking service without warranties. The legislature further finds that a strong competitive market requires manufacturers and sellers who fully stand behind their products by complying with the spirit of the warranty. The legislature declares that it is in the public interest to establish certain elements as characteristic of express electronic equipment warranties to protect the consumer from dilatory and unfair practices and from manufacturers discontinuing the manufacture of replacement parts within the time period that can be reasonably anticipated as necessary to effect repairs.

NEW SECTION. Sec. 2. For the purposes of this chapter the following definitions apply.

(1) "Buyer" or "retail buyer" means an individual who buys electronic equipment from a person engaged in the business of manufacturing, distributing, or selling such goods at retail.

(2) "Distributor" means a person that stands between the manufacturer and the retail seller in purchases, consignments, or contracts for sale of electronic equipment.

(3) "Independent repair or service facility" or "independent service dealer" means a person or business, not an employee or subsidiary of a manufacturer or distributor, that engages in the business of servicing and repairing consumer goods.

(4) "Retailer," "seller," or "retail seller" means a person who engages in the business of selling electronic goods to retail buyers.

(5) "Person" means an individual, partnership, corporation, association, or other legal entity.

(6) "Home electronic equipment" means a television/monitor, radio, antenna rotator, audio or video recorder or playback equipment, video camera, video game, if it is normally used or sold for personal, family, or household purposes. The term includes any
electronic accessory that is normally used or sold with a home electronic product for one of those purposes. The term excludes any single product with a wholesale price to the retail seller of less than one hundred twenty five dollars.

(7) "Home appliance" means a refrigerator, freezer, range, microwave or convection oven, washer, dryer, dishwasher, garbage disposal, trash compactor, or room air conditioner normally used or sold for personal, family, or household purposes. The term excludes any single product with a wholesale price to the retail seller of less than one hundred twenty five dollars.

(8) "Parts" means individual components of assemblies or circuit boards.

(9) "Literature" means service literature only.

NEW SECTION. Sec. 3. In addition to the requirements of RCW 62A.2-313 every warranty shall state that the warranty period shall be extended for the number of days that the product has been in the repair facility for warranty repairs. If a defect exists within the warranty period and the buyer takes the product to a repair facility for servicing, the warranty shall not expire until the defect has been fixed. The warranty period shall also be extended if the repairs fail within ten days after they were completed. If, after four repair attempts, the defect has not been fixed, the buyer may return the product within sixty days of the completion of the fourth repair for a replacement or refund, subject to the deduction of a reasonable charge for use. This time extension does not affect the protections or remedies the buyer had under other laws.

NEW SECTION. Sec. 4. Every work order or repair invoice for warranty repairs or service shall clearly and conspicuously incorporate in ten point boldface type the following statement either on the face or the reverse side of the work order or repair invoice, or on an attachment to the work order or repair invoice:

A buyer of this product in this state has the right to have this product serviced or repaired during the warranty period. The warranty period is extended for the number of whole days that the product has been out of the buyer's hands for warranty repairs if the buyer takes the product to the repair facility prior to the warranty expiration date. The warranty period is also extended if the warranty repairs have not been performed because parts are not available from the manufacturer, or if the warranty repairs fail within ten days after they were completed. If, after four repair attempts the defect has not been fixed, the buyer may return the product within sixty days of the completion of the fourth repair attempt for a replacement or a refund, subject to the deduction of a reasonable charge for use. This time extension does not affect the protections or remedies the buyer had under other laws.

NEW SECTION. Sec. 5. If a manufacturer of home electronic equipment and appliances sold in this state makes an express warranty on such equipment or appliance, the manufacturer shall maintain sufficient service and repair facilities in this state that are reasonably close to all areas in which its electronic equipment and appliances are sold, except for mail order businesses, or may designate and authorize independent repair or service facilities in this state that are reasonably close to all areas in which its electronic appliances are sold, to carry out the terms of the warranties. As a means of complying with this section, a manufacturer may enter into warranty service contracts with independent service and repair facilities.

NEW SECTION. Sec. 6. A manufacturer entering into a warranty service contract with an independent service and repair facility may include a fixed schedule of rates to be charged for warranty service or warranty repair work. However, the rates fixed by these contracts shall include the actual cost of service and repair, plus a twenty percent markup on part costs and shipping costs, and a reasonable profit on labor. The rates established between the manufacturer and the independent service and repair facility shall not preclude a good faith discount that is reasonably related to reduced credit and general overhead cost factors arising from the manufacturer's payment of warranty charges direct
to the independent service and repair facility. The discount may consider all extra services the manufacturer provides to the independent authorized service dealer. The warranty service contracts authorized by this section may not cover more than one year, and may be renewed only by a separate, new contract or letter of agreement between the manufacturer and the independent service and repair facility. The manufacturer who is a party to a warranty service contract is only liable to the other party for repairs performed under warranty.

**NEW SECTION.** Sec. 7. Every manufacturer contracting with an independent facility for maintenance and repair of electronic or appliance products shall make service literature and replacement parts available to effect repairs within thirty days of the request from the service repair facility. However, the thirty day requirement may be suspended during a period of a national emergency or natural disaster. If the manufacturer fails to supply the necessary part or literature within thirty days of the service repair facility’s request, the manufacturer shall replace the nonworking equipment or appliance with new equipment or appliance upon the owner’s request. Replacement parts and literature for products with a wholesale price to retailers of not less than one hundred twenty-five dollars and not more than one hundred seventy-five dollars and ninety-nine cents, shall be available at the service dealer’s wholesale cost to all established independent service and repair facilities who service the products, whether or not under contract to provide warranty services, for three years after the date the product model or type was last manufactured, regardless of whether the three-year period exceeds the warranty period for the product. Replacement parts and literature for products with a wholesale price to retailers of not less than one hundred seventy-six dollars, shall be available, at the service dealer’s wholesale cost, to all established independent service and repair facilities who service the products, whether or not under contract to provide warranty services, for seven years after the date the product model or type was last manufactured, regardless of whether the seven-year period exceeds the warranty period for the product.

**NEW SECTION.** Sec. 8. Every manufacturer making express warranties whose consumer goods are sold in this state shall be liable as prescribed in this section to any authorized independent service center that performs services or incurs obligations under the express warranties that accompany the manufacturer’s consumer goods. The amount of the liability shall be an amount equal to the actual and reasonable costs of the service and repair, including cost plus twenty percent on parts and any reasonable cost of transporting the goods or parts, plus a reasonable profit on labor, which shall not preclude a good faith discount as described in section 6 of this act. There is a rebuttable presumption affecting the burden of producing evidence that the reasonable cost of service or repair is an amount equal to that which is charged by the independent serviceman for like services or repairs rendered to service or repair customers who are not entitled to warranty protection. Any waiver of the liability of a manufacturer shall be void and unenforceable.

**NEW SECTION.** Sec. 9. A dispute initiated by either party arising from cancellation of a warranty service center contract that cannot be resolved by the parties to the contract must be presented to the American arbitration association or a dispute resolution center operated under chapter 7.75 RCW for third-party committee mediation. Contracts cannot be canceled on the basis of an allegation of nonperformance of contractual obligations without a hearing by the committee. Only after a hearing and a showing of a good faith attempt at resolution may a disputant file a legal action. The statute of limitations controlling filing legal action to resolve a contract dispute shall be tolled for a period of six months or until the third-party mediator takes a final action, either resolving the dispute or declaring it unresolvable, whichever come first.

**NEW SECTION.** Sec. 10. Any protections or remedies in this chapter do not preclude recovery under the consumer protection act, chapter 19.86 RCW.
NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 12. Sections 1 through 11 of this act shall constitute a new chapter in Title 19 RCW.

  (1) To fulfill the responsibilities of the state under the lease between the state of Washington and the federal government executed September 10, 1964, covering one thousand acres of land lying within the Hanford reservation near Richland, Washington. The department of ecology may sublease to private or public entities all or a portion of the land for specific purposes or activities which are determined, after public hearing, to be in agreement with the terms of the lease and in the best interests of the citizens of the state consistent with any criteria that may be developed as a requirement by the legislature;
  (2) To assume the responsibilities of the state under the perpetual care agreement between the state of Washington and the federal government executed July 29, 1965 and the sublease between the state of Washington and the site operator of the Hanford low-level radioactive waste disposal facility. In order to finance perpetual surveillance and maintenance under the agreement and ensure site closure under the sublease, the
department of ecology shall impose and collect fees from parties holding radioactive materials for waste management purposes. The fees shall be established by rule adopted under chapter 34.05 RCW and shall be an amount determined by the department of ecology to be necessary to defray the estimated liability of the state. Such fees shall reflect equity between the disposal facilities of this and other states. All such fees, when received by the department of ecology, shall be transmitted to the state treasurer, who shall act as custodian. The perpetual maintenance fund is created in the state treasury. The treasurer shall place the money in a special fund which may be designated the "perpetual maintenance fund." The perpetual maintenance fund shall be comprised of a site closure account and a perpetual surveillance and maintenance account. The site closure account shall be exclusively available to reimburse, to the extent that moneys are available in the account, the site operator for its costs plus a reasonable profit as agreed by the operator and the state, or to reimburse the state licensing agency and any agencies under contract to the state licensing agency for their costs in final closure and decommissioning of the Hanford low-level radioactive waste disposal facility. If a balance remains in the account after satisfactory performance of closure and decommissioning, this balance shall be transferred to the perpetual surveillance and maintenance account. The perpetual surveillance and maintenance account shall be used exclusively by the state to meet post-closure surveillance and maintenance costs, or for otherwise satisfying surveillance and maintenance obligations. Appropriations are required to permit expenditures and payment of obligations from the site closure account and the perpetual surveillance and maintenance account. Moneys which on July 23, 1989, are in the perpetual maintenance account shall be transferred to the perpetual surveillance and maintenance account. All future moneys, including interest, contributed to the perpetual maintenance fund shall be directed to the site closure account within the perpetual maintenance fund.· All future moneys, including interest, contributed to the perpetual maintenance fund shall be directed to the site closure account until December 31, 1992. Thereafter receipts shall be directed to the perpetual maintenance fund as specified by the department. Moneys in the perpetual maintenance fund shall be invested by the state investment board in the same manner as other state moneys. Any interest accruing as a result of investment shall accrue to the perpetual maintenance fund. Additional moneys specifically appropriated by the legislature or received from any public or private source may be placed in the perpetual maintenance fund;

(3) To collect after January 1, 1993 as an added charge on each cubic foot of waste disposed at any facility in the state a surcharge of seven dollars. The surcharge shall be made specifically on the generator of the waste and shall not be considered applicable in any way to the low-level site operator’s disposal activities. Five dollars of the surcharge shall be deposited in the fund created in section 17 of this act and two dollars of the surcharge shall be remitted monthly to a county in which a low-level radioactive waste disposal facility is located.

(4) To assure maintenance of such insurance coverage by state licensees, lessees, or sublessees as will adequately, in the opinion of the director, protect the citizens of the state against nuclear accidents or incidents that may occur on privately or state-controlled nuclear facilities;

(5) To institute a user permit system and issue site use permits, consistent with regulatory practices, for generators, packagers, or brokers using the Hanford low-level radioactive waste disposal facility. The costs of administering the user permit system shall be borne by the applicants for site use permits. The site use permit fee shall be set at a level that is sufficient to fund completely the executive and legislative participation in activities related to the Northwest Interstate Compact on Low-Level Radioactive Waste Management; and
(6) To make application for or otherwise pursue any federal funds to which the state may be eligible, through the federal resource conservation and recovery act or any other federal programs, for the management, treatment or disposal, and any remedial actions, of wastes that are both radioactive and hazardous at all Hanford low-level radioactive waste disposal facilities; and

(7) To develop contingency plans for duties and options for the department and other state agencies related to the Hanford low-level radioactive waste disposal facility based on various projections of annual levels of waste disposal. These plans shall include an analysis of expected revenue to the state in various taxes and funds related to low-level radioactive waste disposal and the resulting implications that any increase or decrease in revenue may have on state agency duties or responsibilities. The initial set of plans shall be completed by October 1, 1989, and shall be updated annually. (16) "Trust company" means a financial institution, corporation, or other legal entity, authorized to exercise general trust powers.

NEW SECTION. Sec. 2. SCOPE AND JURISDICTION. (1) This chapter applies to a transfer that refers to this chapter in the designation under section 9(1) of this act by which the transfer is made if at the time of the transfer, the transferor, the minor, or the custodian is a resident of this state or the custodial property is located in this state. The custodianship so created remains subject to this chapter despite a subsequent change in residence of a transferor, the minor, or the custodian, or the removal of custodial property from this state.

(2) A person designated as custodian under this chapter is subject to personal jurisdiction in this state with respect to any matter relating to the custodianship.
(3) A transfer that purports to be made and which is valid under the uniform transfers to minors act, the uniform gifts to minors act, or a substantially similar act of another state is governed by the law of the designated state and may be executed and is enforceable in this state if at the time of the transfer, the transferor, the minor, or the custodian is a resident of the designated state or the custodial property is located in the designated state.

(4) A matter under this chapter subject to court determination is governed by the procedures provided in chapter 11.96 RCW. However, no guardian ad litem is required for the minor, except under section 19(1) of this act, in the case of a petition by a unrepresented minor under the age of fourteen years.

NEW SECTION. Sec. 3. NOMINATION OF CUSTODIAN. (1) A person having the right to designate the recipient of property transferable upon the occurrence of a future event may revocably nominate a custodian to receive the property for a minor beneficiary upon the occurrence of the event by naming the custodian followed in substance by the words: "... as custodian for .......... (name of minor) under the Washington uniform transfers to minors act." The nomination may name one or more persons as substitute custodians to whom the property shall be transferred, in the order named, if the first nominated custodian dies before the transfer or is unable, declines, or is ineligible to serve. The nomination may be made in a will, a trust, a deed, an instrument exercising a power of appointment, or in a writing designating a beneficiary of contractual rights which is registered with or delivered to the payor, issuer, or other obligor of the contractual rights.

(2) A custodian nominated under this section shall be a person to whom a transfer of property of that kind may be made under section 9(1) of this act.

(3) The nomination of a custodian under this section does not create custodial property until the nominating instrument becomes irrevocable or a transfer to the nominated custodian is completed under section 9 of this act. Unless the nomination of a custodian has been revoked, upon the occurrence of the future event the custodianship becomes effective and the custodian shall enforce a transfer of the custodial property pursuant to section 9 of this act.

NEW SECTION. Sec. 4. TRANSFER BY GIFT OR EXERCISE OF POWER OF APPOINTMENT. A person may make a transfer by irrevocable gift to, or the irrevocable exercise of a power of appointment in favor of, a custodian for the benefit of a minor pursuant to section 9 of this act.

NEW SECTION. Sec. 5. TRANSFER AUTHORIZED BY WILL OR TRUST. (1) A personal representative or trustee may make an irrevocable transfer pursuant to section 9 of this act to a custodian for the benefit of a minor as authorized in the governing will or trust. The personal representative or trustee may designate himself or herself as custodian provided he or she falls within the class of persons eligible to serve as custodian under section 9(1) of this act.

(2) If the testator or grantor has nominated a custodian under section 3 of this act to receive the custodial property, the transfer shall be made to that person.

(3) If the testator or grantor has not nominated a custodian under section 3 of this act, or all persons so nominated as custodian die before the transfer or are unable, decline, or are ineligible to serve, the personal representative or the trustee, as the case may be, shall designate the custodian from among those eligible to serve as custodian for property of that kind under section 9(1) of this act. The personal representative or trustee may designate himself or herself as custodian, provided he or she falls within the class of persons eligible to serve as custodian under section 9(1) of this act.

NEW SECTION. Sec. 6. OTHER TRANSFER BY FIDUCIARY. (1) A personal representative or trustee may make an irrevocable transfer to an adult or trust company for the benefit of a minor pursuant to section 9 of this act, in the absence of a will or under a will or trust that does not contain an authorization to do so, but only if:
(a) The personal representative or trustee, or the court if an order is requested under (c) of this subsection, considers the transfer to be in the best interest of the minor;
(b) The transfer is not prohibited by or inconsistent with provisions of the applicable will, trust instrument, or other governing instrument; and
(c) The transfer is authorized by the court if it exceeds thirty thousand dollars in value.

The personal representative, the trustee, or a member of the minor's family may select the custodian, subject to court approval. The personal representative or trustee may serve as custodian, provided he or she falls within the class of persons eligible to serve as custodian under section 9(1) of this act.

(2) A member of the minor's family may request that the court establish a custodianship if a custodianship has not already been established, regardless of the value of the transfer.

NEW SECTION. Sec. 7. TRANSFER BY OBLIGOR. (1) Subject to subsections (2) and (3) of this section, a person not subject to section 5 or 6 of this act who holds property of or owes a liquidated debt to a minor not having a guardian may make an irrevocable transfer to a custodian for the benefit of the minor pursuant to section 9 of this act.

(2) If a person having the right to do so under section 3 of this act has nominated a custodian under that section to receive the custodial property, the transfer shall be made to that person.

(3) If no custodian has been nominated under section 3 of this act, or all persons so nominated as custodian die before the transfer or are unable, decline, or are ineligible to serve, a transfer under this section may be made to an adult member of the minor's family or to a trust company unless the property exceeds thirty thousand dollars in value.

(4) A member of the minor's family or the person who holds the property of the minor or who owes a debt to the minor may request that the court establish a custodianship if not previously established, regardless of the value of the transfer.

NEW SECTION. Sec. 8. RECEIPT FOR CUSTODIAL PROPERTY. A written confirmation of delivery by a custodian constitutes a sufficient receipt and discharge of the transferor for custodial property transferred to the custodian under this chapter.

NEW SECTION. Sec. 9. MANNER OF CREATING CUSTODIAL PROPERTY AND EFFECTING TRANSFER--DESIGNATION OF INITIAL CUSTODIAN--CONTROL. (1) Custodial property is created and a transfer is made if:

(a) An uncertificated security or a certificated security in registered form is either:
(i) Registered in the name of the transferor, an adult other than the transferor, or a trust company, followed in substance by the words: "... as custodian for ......... (name of minor) under the Washington uniform transfers to minors act"; or
(ii) Delivered if in certificated form, or any document necessary for the transfer of an uncertificated security is delivered, together with any necessary endorsement to an adult other than the transferor or to a trust company as custodian, accompanied by an instrument in substantially the form set forth in subsection (2) of this section;
(b) Money is paid or delivered, or a security held in the name of a broker, financial institution, or its nominee is transferred, to a broker or financial institution for credit to an account in the name of the transferor, an adult other than the transferor, or a trust company, followed in substance by the words: "... as custodian for ......... (name of minor) under the Washington uniform transfers to minors act";
(c) The ownership of a life or endowment insurance policy or annuity contract is either:
(i) Registered with the issuer in the name of the transferor, an adult other than the transferor, or a trust company, followed in substance by the words: "... as custodian for ......... (name of minor) under the Washington uniform transfers to minors act"; or
(ii) Assigned in a writing delivered to an adult other than the transferor or to a trust company whose name in the assignment is followed in substance by the words: "... as custodian for .......... (name of minor) under the Washington uniform transfers to minors act";

(d) An irrevocable exercise of a power of appointment or an irrevocable present right to future payment under a contract is the subject of a written notification delivered to the payor, issuer, or other obligor that the right is transferred to the transferor, an adult other than the transferor, or a trust company, whose name in the notification is followed in substance by the words: "... as custodian for .......... (name of minor) under the Washington uniform transfers to minors act";

(e) An interest in real property is recorded in the name of the transferor, an adult other than the transferor, or a trust company, followed in substance by the words: "... as custodian for .......... (name of minor) under the Washington uniform transfers to minors act";

(f) A certificate of title issued by a department or agency of a state or of the United States which evidences title to tangible personal property is either:

(i) Issued in the name of the transferor, an adult other than the transferor, or a trust company, followed in substance by the words: "... as custodian for .......... (name of minor) under the Washington uniform transfers to minors act"; or

(ii) Delivered to an adult other than the transferor or to a trust company, endorsed to that person followed in substance by the words: "... as custodian for .......... (name of minor) under the Washington uniform transfers to minors act"; or

(g) An interest in any property not described in (a) through (f) of this subsection is transferred to an adult other than the transferor or to a trust company by a written instrument in substantially the form set forth in subsection (2) of this section.

(2) An instrument in the following form satisfies the requirements of subsection (1) (a)(ii) and (g) of this section:

"TRANSFER UNDER THE WASHINGTON UNIFORM TRANSFERS TO MINORS ACT

I, ........ (name of transferor or name and representative capacity if a fiduciary) hereby transfer to .......... (name of custodian), as custodian for .......... (name of minor) under the Washington uniform transfers to minors act, the following: (insert a description of the custodial property sufficient to identify it).

Dated: ...................... .

(Signature)

.......... (name of custodian) acknowledges receipt of the property described above as custodian for the minor named above under the Washington uniform transfers to minors act.

Dated: ...................... .

(Signature of Custodian)

(3) A transferor shall place the custodian in control of the custodial property as soon as practicable.

NEW SECTION. Sec. 10. SINGLE CUSTODIANSHIP. A transfer may be made only for one minor, and only one person may be the custodian. All custodial property held under this chapter by the same custodian for the benefit of the same minor constitutes a single custodianship.

NEW SECTION. Sec. 11. VALIDITY AND EFFECT OF TRANSFER. (1) The validity of a transfer made in a manner prescribed in this chapter is not affected by:

(a) Failure of the transferor to comply with section 9(3) of this act concerning possession and control;
(b) Designation of an ineligible custodian, except designation of the transferor in the case of property for which the transferor is ineligible to serve as custodian under section 9(1) of this act; or

c) Death or incapacity of a person nominated under section 3 of this act or designated under section 9 of this act as custodian or the disclaimer of the office by that person.

(2) A transfer made pursuant to section 9 of this act is irrevocable, and the custodial property is indefeasibly vested in the minor, but the custodian has all the rights, powers, duties, and authority provided in this chapter, and neither the minor nor the minor's legal representative has any right, power, duty, or authority with respect to the custodial property except as provided in this chapter.

(3) By making a transfer, the transferor incorporates in the disposition all the provisions of this chapter and grants to the custodian, and to any third person dealing with a person designated as custodian, the respective powers, rights, and immunities provided in this chapter.

NEW SECTION. Sec. 12. CARE OF CUSTODIAL PROPERTY. (1) A custodian shall, as soon as custodial property is made available to the custodian:

(a) Take control of custodial property;

(b) Register or record title to custodial property if appropriate; and

(c) Collect, hold, manage, invest, and reinvest custodial property.

(2) In dealing with custodial property, a custodian shall observe the standard of care applicable to fiduciaries under chapter 11.100 RCW. If a custodian has a special skill or expertise or is named custodian on the basis of representations of a special skill or expertise, the custodian shall use that skill or expertise. A custodian, in the custodian's discretion and without liability to the minor or the minor's estate, may retain any custodial property received from a transferor according to the same standards as apply to a fiduciary holding trust funds under RCW 11.100.060. However, the provisions of RCW 11.100.025, 11.100.040, and 11.100.140 shall not apply to a custodian.

(3) A custodian may invest in or pay premiums on life insurance or endowment policies on (a) the life of the minor only if the minor or the minor's estate is the sole beneficiary, or (b) the life of another person in whom the minor has an insurable interest only to the extent that the minor, the minor's estate, or the custodian in the capacity of custodian, is the irrevocable beneficiary.

(4) A custodian at all times shall keep custodial property separate and distinct from all other property in a manner sufficient to identify it clearly as custodial property of the minor. Custodial property consisting of an undivided interest is so identified if the minor's interest is held as a tenant in common and is fixed. Custodial property subject to recordation is so identified if it is recorded, and custodial property subject to registration is so identified if it is either registered, or held in an account designated, in the name of the custodian, followed in substance by the words: "... as custodian for ... (name of minor) under the Washington uniform transfers to minors act."

(5) A custodian shall keep records of all transactions with respect to custodial property, including information necessary for the preparation of the minor's tax returns, and shall make them available upon request for inspection by a parent or legal representative of the minor or by the minor if the minor has attained the age of fourteen years.

NEW SECTION. Sec. 13. POWERS OF CUSTODIAN. (1) A custodian, acting in a custodial capacity, has all the rights, powers, and authority over custodial property that unmarried adult owners have over their own property, including without limitation all the powers granted to a trustee under RCW 11.98.070, but a custodian may exercise those rights, powers, and authority only in a custodial capacity.

(2) This section does not relieve a custodian from liability for breach of section 12 of this act.
NEW SECTION. Sec. 14. USE OF CUSTODIAL PROPERTY. (1) A custodian may deliver or pay to the minor or expend for the minor's benefit so much of the custodial property as the custodian considers advisable for the use and benefit of the minor, without court order and without regard to (a) the duty or ability of the custodian personally or of any other person to support the minor, or (b) any other income or property of the minor which may be applicable or available for that purpose.

(2) On petition of an interested person or the minor if the minor has attained the age of fourteen years, the court may order the custodian to deliver or pay to the minor or expend for the minor's benefit so much of the custodial property as the court considers advisable for the use and benefit of the minor.

(3) A delivery, payment, or expenditure under this section is in addition to, not in substitution for, and does not affect any obligation of a person to support the minor.

NEW SECTION. Sec. 15. CUSTODIAN'S EXPENSES, COMPENSATION, AND BOND. (1) A custodian is entitled to reimbursement from custodial property for reasonable expenses incurred in the performance of the custodian's duties.

(2) Except for one who is a transferor under section 4 of this act, a custodian has a noncumulative election during each calendar year to charge reasonable compensation for services performed during that year.

(3) Except as provided in section 18(6) of this act, a custodian need not give a bond.

(4) Notwithstanding section 19 of this act, a custodian not compensated for services is not liable for losses to the custodial property unless they result from bad faith, intentional wrongdoing, or gross negligence, or from failure to maintain the standard of prudence in investing the custodial property provided in this chapter.

NEW SECTION. Sec. 16. EXEMPTION OF THIRD PERSON FROM LIABILITY. A third person in good faith and without court order may act on the instructions of or otherwise deal with any person purporting to make a transfer or purporting to act in the capacity of a custodian or successor custodian and, in the absence of knowledge, is not responsible for determining:

(1) The validity of the purported custodian's designation;

(2) The propriety of, or the authority under this chapter for, any act of the purported custodian;

(3) The validity or propriety under this chapter of any instrument or instructions executed or given either by the person purporting to make a transfer or by the purported custodian; or

(4) The propriety of the application of any property of the minor delivered to the purported custodian.

NEW SECTION. Sec. 17. LIABILITY TO THIRD PERSONS. (1) A claim based on:

(a) A contract entered into by a custodian acting in a custodial capacity;

(b) An obligation arising from the ownership or control of custodial property;

(c) A tort committed during the custodianship, may be asserted against the custodial property by proceeding against the custodian in the custodial capacity, whether or not the custodian or the minor is personally liable therefor; or

(d) A noncontractual obligation, including obligations in tort, is collectible from the custodial property only if:

(i) The obligation was a common incident of the kind of business activity in which the custodian or the custodian's predecessor was properly engaged for the custodianship;

(ii) Neither the custodian nor the custodian's predecessor, nor any officer or employee of the custodian or the custodian's predecessor was personally at fault in incurring the obligation; or

(iii) Although the obligation did not fall within (d)(i) or (ii) of this subsection, the incident that gave rise to the obligation increased the value of the custodial property.
If the obligation is within (d)(i) or (ii) or this subsection, collection may be had of the full amount of damage proved. If the obligation is within (d)(iii) of this subsection, collection may be had only to the extent of the increase in the value of the trust property.

(2) A custodian is not personally liable:
   (a) On a contract properly entered into in the custodial capacity unless the custodian fails to reveal that capacity. The addition of the words "custodian" or "as custodian" after the signature of a custodian is adequate revelation of this capacity; or
   (b) For an obligation arising from control of custodial property or for a tort committed during the custodianship unless the custodial property is not liable for the obligation under (b) of this subsection and unless the custodian is personally at fault.

(3) A minor is not personally liable for an obligation arising from ownership of custodial property or for a tort committed during the custodianship unless the minor is personally at fault.

NEW SECTION. Sec. 18. RENUNCIATION, RESIGNATION, DEATH, OR REMOVAL OF CUSTODIAN--DESIGNATION OF SUCCESSOR CUSTODIAN. (1) A person nominated under section 3 of this act or designated under section 9 of this act as custodian may decline to serve. If the event giving rise to a transfer has not occurred and no substitute custodian able, willing, and eligible to serve was nominated under section 3 of this act, the person who made the nomination may nominate a substitute custodian under section 3 of this act; otherwise the transferor or the transferor's legal representative shall designate a substitute custodian at the time of the transfer, in either case from among the persons eligible to serve as custodian for that kind of property under section 9(1) of this act. The custodian so designated has the rights of a successor custodian.

(2) A custodian at any time may designate a trust company or an adult other than a transferor under section 4 of this act as successor custodian by executing and dating an instrument of designation. If the instrument of designation does not contain or is not accompanied by the resignation of the custodian, the designation of the successor does not take effect until the custodian resigns, dies, becomes incapacitated, or is removed, and custodial property is transferred to the successor custodian.

(3) A custodian may resign at any time by delivering written notice to the minor, if the minor has attained the age of fourteen years, and to the successor custodian, and by delivering the custodial property to the successor custodian.

(4) If a custodian is ineligible, dies, or becomes incapacitated and no successor custodian has been designated as provided in this chapter, and the minor has attained the age of fourteen years, the minor may designate as successor custodian, in the manner prescribed in subsection (2) of this section, an adult member of the minor's family, a guardian of the minor, or a trust company. If the minor has not attained the age of fourteen years or fails to act within sixty days after the ineligibility, death, or incapacity, the guardian of the minor becomes successor custodian. If the minor has no guardian or the guardian declines to act, the transferor, the legal representative of the transferor or of the custodian, an adult member of the minor's family, or any other interested person may petition the court to designate a successor custodian.

(5) A custodian who declines to serve under subsection (1) of this section or resigns under subsection (3) of this section, or the legal representative of a deceased or incapacitated custodian, as soon as practicable, shall put the custodial property and records in the possession and control of the successor custodian. The successor custodian by action may enforce the obligation to deliver custodial property and records and becomes responsible for each item as received.

(6) A transferor, the legal representative of a transferor, an adult member of the minor's family, a guardian of the minor, or the minor if the minor has attained the age of fourteen years may petition the court to remove the custodian for cause and to
designate a successor custodian other than a transferor under section 4 of this act or to require the custodian to give appropriate bond.

NEW SECTION. Sec. 19. ACCOUNTING BY AND DETERMINATION OF LIABILITY OF CUSTODIAN. (1) A minor who has attained the age of fourteen years, the minor's legal representative, an adult member of the minor's family, a transferor, or a transferor's legal representative may petition the court (a) for an accounting by the custodian or the custodian's legal representative; or (b) for a determination of responsibility, as between the custodial property and the custodian personally, for claims against the custodial property unless the responsibility has been adjudicated in an action under section 17 of this act to which the minor or the minor's legal representative was a party.

(2) A successor custodian may petition the court for an accounting by the predecessor custodian.

(3) The court, in a proceeding under this chapter or in any other proceeding, may require or permit the custodian or the custodian's legal representative to account.

(4) If a custodian is removed under section 18(6) of this act, the court shall require an accounting and order delivery of the custodial property and records to the successor custodian and the execution of all instruments required for transfer of the custodial property.

NEW SECTION. Sec. 20. TERMINATION OF CUSTODIANSHIP. Subject to section 22 of act, the custodian shall transfer in an appropriate manner the custodial property to the minor or to the minor's estate upon the earlier of:

(1) The minor's attainment of twenty-one years of age with respect to custodial property transferred under section 4 or 5 of this act;

(2) The minor's attainment of eighteen years of age with respect to custodial property transferred under section 6 or 7 of this act; or

(3) The minor's death.

NEW SECTION. Sec. 21. APPLICABILITY. This chapter applies to a transfer within the scope of section 2 of this act made after the effective date of section 2 of this act, if:

(1) The transfer purports to have been made under the Washington uniform gifts to minors act; or

(2) The instrument by which the transfer purports to have been made uses in substance the designation "as custodian under the uniform gifts to minors act" or "as custodian under the uniform transfers to minors act" of any other state, and the application of this chapter is necessary to validate the transfer.

NEW SECTION. Sec. 22. EFFECT ON EXISTING CUSTODIANSHIPS. (1) Any transfer of custodial property as now defined in this chapter made before the effective date of this section, is validated notwithstanding that there was no specific authority in the Washington uniform gifts to minors act for the coverage of custodial property of that kind or for a transfer from that source at the time the transfer was made.

(2) This chapter applies to all transfers made before the effective date of this section, in a manner and form prescribed in the Washington uniform gifts to minors act, except insofar as the application impairs constitutionally vested rights or extends the duration of custodianships in existence on the effective date of this section. However, as to any custodianship established after August 9, 1971, but prior to January 1, 1985, a minor has the right after attaining the age of eighteen to demand delivery from the custodian of all or any portion of the custodial property.

NEW SECTION. Sec. 23. UNIFORMITY OF APPLICATION AND CONSTRUCTION. This chapter shall be applied and construed to effectuate its general purpose to make uniform the law with respect to the subject of this chapter among states enacting it.
NEW SECTION. Sec. 24. SHORT TITLE. This chapter may be cited as the uniform transfers to minors act.

NEW SECTION. Sec. 25. CAPTIONS NOT LAW. Section headings as used in this chapter do not constitute any part of the law.

NEW SECTION. Sec. 26. SAVINGS. To the extent that this chapter, by virtue of section 22(2) of this act, does not apply to transfers made in a manner prescribed in the uniform gifts to minors act of Washington or to the powers, duties, and immunities conferred by transfers in that manner upon custodians and persons dealing with custodians, the repeal of the uniform gifts to minors act of Washington does not affect those transfers or those powers, duties, and immunities.

NEW SECTION. Sec. 27. The following acts or parts of acts are each repealed:
(1) RCW 11.93.010 and 1985 c 30 s 12;
(2) RCW 11.93.020 and 1985 c 30 s 13;

Sec. 28. RCW 11.76.095 and 1988 c 29 s 5 are each amended to read as follows: When a decree of distribution is made by the court in administration upon a decedent’s estate or when distribution is made by a personal representative under a nonintervention will and distribution is ordered under such decree or authorized under such nonintervention will to a person under the age of eighteen years, it shall be required that:
(1) The money be deposited in a bank or trust company or be invested in an account in an insured financial institution for the benefit of the minor subject to withdrawal only upon the order of the court in the original probate proceeding, or upon said minor’s attaining the age of eighteen years and furnishing proof thereof satisfactory to the depositary;
(2) A general guardian shall be appointed and qualify and the money or property be paid or delivered to such guardian prior to the discharge of the personal representative in the original probate proceeding; ((eF))
(3) The provisions of ((eithef)) RCW 11.93.020 (or 11.93.020(4)) are complied with; or
(4) A custodian be selected and the money or property be transferred to the custodian subject to chapter 11.93 RCW.

Sec. 29. RCW 11.98.170 and 1985 c 30 s 59 are each amended to read as follows: (1) Any life insurance policy or retirement plan payment provision may designate as beneficiary:
(a) A trustee named or to be named by will, and immediately after the proving of the will, the proceeds of such insurance or of such plan designated as payable to that trustee, in part or in whole, shall be paid to the trustee in accordance with the beneficiary designation, to be held and disposed of under the terms of the will governing the testamentary trust; or
(b) A trustee named or to be named under a trust agreement executed by the insured, the plan participant, or any other person, and the proceeds of such insurance or retirement plan designated as payable to such trustee, in part or in whole, shall be paid
to the trustee in accordance with the beneficiary designation, to be held and disposed of by the trustee as provided in such trust agreement; a trust is valid even if the only corpus consists of the right of the trustee to receive as beneficiary insurance or retirement plan proceeds; any such trustee may also receive assets, other than insurance or retirement plan proceeds, by testamentary disposition or otherwise and, unless directed otherwise by the transferor of the assets, shall administer all property of the trust according to the terms of the trust agreement.

(2) If no qualified trustee makes claim to the insurance policy or retirement plan proceeds from the insurance company or the plan administrator within twelve months after the death of the insured or plan participant, determination of the proper recipient of the proceeds shall be made pursuant to the judicial or nonjudicial dispute resolution procedures of chapter 11.96 RCW, unless prior to the institution of the judicial procedures, a qualified trustee makes claim to the proceeds, except that (a) if satisfactory evidence is furnished the insurance company or plan administrator within the twelve-month period showing that no trustee can or will qualify to receive such proceeds, payment shall be made to those otherwise entitled to the proceeds under the terms of the policy or retirement plan, including the terms of the beneficiary designation except that (b) if there is any dispute as to the proper recipient of insurance policy or retirement plan proceeds, the dispute shall be resolved pursuant to the judicial or nonjudicial resolution procedures in chapter 11.96 RCW.

(3) The proceeds of the insurance or retirement plan as collected by the trustee are not subject to debts of the insured or the plan participant to any greater extent than if the proceeds were payable to any named beneficiary other than the personal representative or the estate of the insured or of the plan participant.

(4) For purposes of this section the following definitions apply:

(a) "Plan administrator" means the person upon whom claim must be made in order for retirement plan proceeds to be paid upon the death of the plan participant.

(b) "Retirement plan" means any plan, account, deposit, annuity, or benefit, other than a life insurance policy, that provides for payment to a beneficiary designated by the plan participant for whom the plan is established. The term includes, without limitation, such plans regardless of source of funding, and, for example, includes pensions, annuities, stock bonus plans, employee stock ownership plans, profit sharing plans, self-employed retirement plans, individual retirement accounts, individual retirement annuities, and retirement bonds, as well as any other retirement plan or program.

(c) "Trustee" includes any custodian under chapter (41-93)) 11.--RCW (sections 1 through 26 of this 1991 act) or any similar statutory provisions of any other state and the terms "trust agreement" and "will" refer to the provisions of chapter (41-93)) 11.-- RCW (sections 1 through 26 of this 1991 act) or such similar statutory provisions of any other state.

(5) Enactment of this section does not invalidate life insurance policy or retirement plan beneficiary designations executed prior to January 1, 1985, naming a trustee established by will or by trust agreement.

Sec. 30. RCW 67.70.220 and 1985 c 7 s 128 are each amended to read as follows:

If the person entitled to a prize is under the age of eighteen years, and such prize is less than five thousand dollars, the director may direct payment of the prize by delivery to an adult member of the minor's family or a guardian of the minor of a check or draft payable to the order of such minor. If the person entitled to a prize is under the age of eighteen years, and such prize is five thousand dollars or more, the director may direct payment to such minor by depositing the amount of the prize in any bank to the credit of an adult member of the minor's family or a guardian of the minor as custodian for such minor. The person so named as custodian shall have the same duties and powers as a person designated as a custodian in a manner prescribed by the Washington uniform (gifts) transfers to minors act, chapter (41-93)) 11.-- RCW (sections 1 through 26 of
this 1991 act), and for the purposes of this section the terms "adult member of a minor's family," "guardian of a minor," and "bank" shall have the same meaning as in chapter (11.93) 11.-- RCW (sections 1 through 26 of this 1991 act). The commission and the director shall be discharged of all further liability upon payment of a prize to a minor pursuant to this section.

NEW SECTION. Sec. 31. RCW 11.76.090 and 1988 c 29 s 4, 1974 ex.s. c 117 s 11, 1971 c 28 s 2, & 1965 c 145 s 11.76.090 are each repealed.

Sec. 32. RCW 11.92.140 and 1990 c 122 s 32 are each amended to read as follows:

The court, upon the petition of a guardian of the estate of an incapacitated person other than the guardian of a minor, and after such notice as the court directs and other notice to all persons interested as required by chapter 11.96 RCW, may authorize the guardian to take any action, or to apply funds not required for the incapacitated person's own maintenance and support, in any fashion the court approves as being in keeping with the incapacitated person's wishes so far as they can be ascertained and as designed to minimize insofar as possible current or prospective state or federal income and estate taxes, permit entitlement under otherwise available federal or state medical or other assistance programs, and to provide for gifts to such charities, relatives, and friends as would be likely recipients of donations from the incapacitated person.

The action or application of funds may include but shall not be limited to the making of gifts, to the conveyance or release of the incapacitated person's contingent and expectant interests in property including marital property rights and any right of survivorship incident to joint tenancy or tenancy by the entirety, to the exercise or release of the incapacitated person's powers as donee of a power of appointment, the making of contracts, the creation of revocable or irrevocable trusts of property of the incapacitated person's estate which may extend beyond the incapacitated person's disability or life, the establishment of custodianships for the benefit of a minor under chapter 11.93 RCW, the Washington uniform transfers to minors act, the exercise of options of the incapacitated person to purchase securities or other property, the exercise of the incapacitated person's right to elect options and to change beneficiaries under insurance and annuity policies and the surrendering of policies for their cash value, the exercise of the incapacitated person's right to any elective share in the estate of the incapacitated person's deceased spouse, and the renunciation or disclaimer of any interest acquired by testate or intestate succession or by inter vivos transfer.

The guardian in the petition shall briefly outline the action or application of funds for which approval is sought, the results expected to be accomplished thereby and the savings expected to accrue. The proposed action or application of funds may include gifts of the incapacitated person's personal or real property. Gifts may be for the benefit of prospective legatees, devisees, or heirs apparent of the incapacitated person, or may be made to individuals or charities in which the incapacitated person is believed to have an interest. Gifts may or may not, in the discretion of the court, be treated as advancements to donees who would otherwise inherit property from the incapacitated person under the incapacitated person's will or under the laws of descent and distribution. The guardian shall also indicate in the petition that any planned disposition is consistent with the intentions of the incapacitated person insofar as the intentions can be ascertained, and if the incapacitated person's intentions cannot be ascertained, the incapacitated person will be presumed to favor reduction in the incidence of the various forms of taxation and the partial distribution of the incapacitated person's estate as provided in this section. The guardian shall not, however, be required to include as a beneficiary any person whom there is reason to believe would be excluded by the incapacitated person. No guardian may be required to file a petition as provided in this section, and a failure or refusal to so petition the court does not constitute a breach of the guardian's fiduciary duties.

NEW SECTION. Sec. 33. Sections 1 through 26 of this act shall constitute a new chapter in Title 11 RCW.
NEW SECTION. Sec. 34. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1991.

NEW SECTION. Sec. 35. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

The protection provided by this act is particularly important for those individuals less able to make a decision to wear a safety belt, passengers under the age of sixteen years and the unborn life carried by a pregnant passenger. In view of the legislature's intent to protect human life, it is incompatible that the legislature provide funding to any program administered in whole or in part by the state, that directly harms a human life, including the voluntary termination of a pregnancy."

POINT OF ORDER

The House resumed consideration of Substitute House Bill No. 1649 on second reading.

The Speaker stated the question before the House to be the Point of Order by Representative Rust regarding the scope and object of the amendment on page 2, line 26 by Representatives Chandler and Van Luven.

SPEAKER’S RULING

The Speaker: The Speaker has examined a Point of Order on Substitute House Bill No. 1649 raised by Representative Rust. The original substitute bill was very simple and very clear. It raises to fifteen cents per residence per month the amount that can be charged as the maximum fee for municipal domestic wastewater facility permits. That was the intent of the bill. The Speaker has examined the amendment and asks the basic question of whether or not the amendment perfects what we initially tried to do, or does it bring in a new subject. This amendment brings in a new subject. It notifies the department that cost recovery for permits for indirect dischargers who send wastewater directly to a municipal wastewater treatment facility should be related to the expense of administration. Again, the Speaker rules that this brings in an additional subject. It doesn’t perfect the original intention, which was simply to raise the fee to fifteen cents. Representative Rust, the Speaker finds that your point is well taken; that the amendment is outside the scope and object of the original legislation.

With consent of the House, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Ms. Rust spoke in favor of passage of the bill.

POINT OF ORDER

Mr. Braddock: Mr. Speaker, with deep regret I request a ruling on scope and object of this amendment.

SPEAKER'S RULING

The Speaker: Representative Braddock, the Speaker has examined Substitute House Bill No. 1931 and the amendment offered by Representatives O'Brien and May. The bill is clear and straightforward—an act relating to limits on nonprofit raffles. All the bill does is raise the exemption from five to ten thousand dollars on the raffles. The amendment applies to a tax exemption for auctions. The Speaker finds that the amendment does not perfect; it brings in an additional subject. I find, Representative Braddock, that your point is well taken. The amendment offered by Representatives O'Brien and May is outside the scope and object of the original bill.

With consent of the House, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

The Speaker stated the question before the House to the Point of Order by Representative Spanel regarding the scope and object of the amendment by on page 10, after line 24, by Representative R. King.

SPEAKER'S RULING

The Speaker: Representative Spanel, the Speaker has examined Substitute House Bill No. 1915 and the amendment offered by Representative R. King. The legislation deals with services that a county mental health program will provide for employment services, which may include several subjects. The amendment offered by Representative R. King authorizes the Secretary of the Department of Social and Health Services to establish student loan forgiveness and conditional scholarship programs to recruit and retain community mental health professionals. I think the amendment clearly introduces a new subject; it does not perfect the original intent of the legislation. Representative Spanel, I find that your point is well taken. The amendment is outside the scope and object of the original bill.

With consent of the House, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

The Speaker: Representative Pruitt, the Speaker has examined both Substitute House Bill No. 1653 and the amendments offered by Representative Brough. The bill talks about employees being able to take time off for a number of specified duties, basically volunteering somewhere in the educational system. The amendments, while it looks a little bit parallel in offering a new reason for giving an employee some time off, bring in an entirely new subject-- a major change in who can teach in a classroom. I find that the amendment is not perfecting; it brings in a whole new subject. Representative Pruitt, I find that your point is well taken. The amendment is outside the scope and object of the original bill.

Strike everything after the enacting clause and insert the following:

"PART 1
TEMPORARY PRACTICE PERMITS
CONTINUED HEALTH PROFESSIONAL COMPETENCY DEMONSTRATION PROJECTS"

Sec. 1. RCW 18.130.010 and 1986 c 259 s 1 are each amended to read as follows:
It is the intent of the legislature to strengthen and consolidate disciplinary and licensure procedures for the licensed health and health-related professions and businesses by providing a uniform disciplinary act with standardized procedures for the licensure of health care professionals and the enforcement of laws the purpose of which is to assure the public of the adequacy of professional competence and conduct in the healing arts.

It is also the intent of the legislature that all health and health-related professions newly credentialed by the state come under the uniform disciplinary act.

Further, the legislature declares that the addition of public members on all health care boards can give both the state and the public, which it has a statutory responsibility to protect, assurances of accountability and confidence in the various practices of health care.

NEW SECTION. Sec. 2. A new section is added to chapter 18.130 RCW to read as follows:

If an individual licensed in another state, that has licensing standards substantially equivalent to Washington, applies for a license, the disciplining authority shall issue a temporary practice permit authorizing the applicant to practice the profession pending completion of documentation that the applicant meets the requirements for a license and is also not subject to denial of a license or issuance of a conditional license under this chapter. The temporary permit may reflect statutory limitations on the scope of practice. The permit shall be issued only upon the disciplining authority receiving verification from the states in which the applicant is licensed that the applicant is currently licensed and is not subject to charges or disciplinary action for unprofessional conduct or impairment. Notwithstanding RCW 34.05.422(3), the disciplining authority shall establish, by rule, the duration of the temporary practice permits. Failure to surrender the permit is a misdemeanor under RCW 9A.20.010 and shall be unprofessional conduct under this chapter. The issuance of temporary permits is subject to the provisions of this chapter, including summary suspensions.

"PART 2
STATE-WIDE HEALTH PERSONNEL RESOURCE PLAN"

NEW SECTION. Sec. 3. INTENT. The legislature finds that certain health care professional shortages exist and result in entire communities or specific populations within communities not having access to basic health care services. The legislature further finds that the state currently does not have a state-wide comprehensive and systematic policy for the purpose of identifying shortages and designing and implementing activities to address shortages. The legislature declares that the establishment of higher educational programming and other activities necessary to address health professional shortages should be a state policy concern and that a means to accomplish this in a manner so as not to impair the high quality of current higher education programming and activities should be established. The legislature further declares that the development of state policy on professional shortages should involve close coordination and consultation between state government, institutions of higher education that conduct health care research and train health care professionals, health care service providers, consumers, and others. The legislature further declares that the health care needs of the people of this state should be a primary factor determining state policymaking designed to address health professional shortages.

The institutional plan shall identify programming and activities of the institution that address the higher education portion of the state-wide health professional resource plan listed in subsection (9) of this section. The higher education coordinating board shall assess whether it meets the criteria and standards developed in the state-wide plan. the principal and interest shall begin the next payment period and continue until the
remains of the participant's repayment obligation is satisfied. Except for circumstances beyond their control, participants who serve less than the required service obligation shall be obliged to repay to the program an amount equal to twice the total amount paid by the program on their behalf.

(5) The board is responsible for collection of repayments made under this section and shall exercise due diligence in such collection, maintaining all necessary records to ensure that maximum repayments are made. Sec. 17. RCW 28B.20.500 and 1990 c 271 s 9 are each amended to read as follows:

The school of medicine at the University of Washington shall develop and implement a policy to grant admission preference to prospective medical students from rural areas of the state who agree to serve for at least five years as primary care physicians in rural areas of Washington after completion of their medical education and have applied for and meet the qualifications of the program under ((RCW 70.180.050)) chapter 28B.50 (codified pursuant to section 26 of this act). Should the school of medicine be unable to fill any or all of the admission openings due to a lack of applicants from rural areas who meet minimum qualifications for study at the medical school, it may admit students not eligible for preferential admission under this section.

Sec. 18. RCW 70.180.005 and 1990 c 271 s 1 are each amended to read as follows:

The legislature finds that a health care access problem exists in rural areas of the state ((due to a lack of practicing physicians, physician assistants, pharmacists, and advanced registered nurse practitioners. In addition, many of these)) because rural health care providers are unable to leave the community for short-term periods of time to attend required continuing education training or for personal matters because their absence would leave the community without adequate medical care coverage. The lack of adequate medical coverage in geographically remote rural communities constitutes a threat to the health and safety of the people in those communities.

The legislature declares that it is in the public interest to recruit and maintain a pool of physicians, physician assistants, pharmacists, and advanced registered nurse practitioners willing and able on short notice to practice in rural communities on a short-term basis to meet the medical needs of the community.
NEW SECTION. Sec. 19. DEDICATED ACCOUNT--TRUST FUND. (1) Any funds appropriated by the legislature for the health professional loan repayment and scholarship program or any other public or private funds intended for loan repayments or scholarships under this program shall be placed in the account created by this section.

(2) The health professional loan repayment and scholarship program fund is created in custody of the state treasurer. All receipts from the program shall be deposited into the fund. Only the higher education coordinating board, or its designee, may authorize expenditures from the fund. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

NEW SECTION. Sec. 20. A new section is added to chapter 70.180 RCW to read as follows:

The following conduct, acts, or conditions constitute unprofessional conduct for any license holder or applicant under the jurisdiction of this chapter:

1. The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person's profession, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person's violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

2. Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;

3. All advertising which is false, fraudulent, or misleading;

4. Incompetence, negligence, or malpractice which results in injury to a patient or which creates an unreasonable risk that a patient may be harmed. The use of a nontraditional treatment by itself shall not constitute unprofessional conduct, provided that it does not result in injury to a patient or create an unreasonable risk that a patient may be harmed;

5. Suspension, revocation, or restriction of the individual's license to practice the profession by competent authority in any state, federal, or foreign jurisdiction, a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;

6. The possession, use, prescription for use, or distribution of controlled substances or legend drugs in any way other than for legitimate or therapeutic purposes, diversion of controlled substances or legend drugs, the violation of any drug law, or prescribing controlled substances for oneself;

7. Violation of any state or federal statute or administrative rule regulating the profession in question, including any statute or rule defining or establishing standards of patient care or professional conduct or practice;
(8) Failure to cooperate with the disciplining authority by:
(a) Not furnishing any papers or documents;
(b) Not furnishing in writing a full and complete explanation covering the matter contained in the complaint filed with the disciplining authority; or
(c) Not responding to subpoenas issued by the disciplining authority, whether or not the recipient of the subpoena is the accused in the proceeding;
(9) Failure to comply with an order issued by the disciplining authority or an assurance of discontinuance entered into with the disciplining authority;
(10) Aiding or abetting an unlicensed person to practice when a license is required;
(11) Violations of rules established by any health agency;
(12) Practice beyond the scope of practice as defined by law or rule;
(13) Misrepresentation or fraud in any aspect of the conduct of the business or profession;
(14) Failure to adequately supervise auxiliary staff to the extent that the consumer's health or safety is at risk;
(15) Engaging in a profession involving contact with the public while suffering from a contagious or infectious disease involving serious risk to public health;
(16) Promotion for personal gain of any unnecessary or inefficacious drug, device, treatment, procedure, or service;
(17) Conviction of any gross misdemeanor or felony relating to the practice of the person's profession. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;
(18) The procuring, or aiding or abetting in procuring, a criminal abortion;
(19) The offering, undertaking, or agreeing to cure or treat disease by a secret method, procedure, treatment, or medicine, or the treating, operating, or prescribing for any health condition by a method, means, or procedure which the licensee refuses to divulge upon demand of the disciplining authority;
(20) The willful betrayal of a practitioner-patient privilege as recognized by law;
(21) Violation of chapter 19.68 RCW;
(22) Interference with an investigation or disciplinary proceeding by willful misrepresentation of facts before the disciplining authority or its authorized representative, or by the use of threats or harassment against any patient or witness to prevent them from providing evidence in a disciplinary proceeding or any other legal action;
(23) Current misuse of:
(a) Alcohol;
(b) Controlled substances; or
(c) Legend drugs;
(24) Abuse of a client or patient or sexual contact with a client or patient.

**NEW SECTION.** Sec. 30. Section captions and part headings as used in sections 3, 4, 10 through 12, 14, 16, 19 through 24, and 25 through 30 of this act constitute no part of the law.

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature acknowledges that the workplace environment may expose individuals to substances that may cause birth defects or constitute a hazard to an employee's reproductive system or to a fetus. Therefore, employers should disclose information to employees about workplace exposure to chemical or physical substances or workplace conditions that may cause birth defects or harm an individual's reproductive capacity. The legislature further finds that discrimination in the workplace because of reproductive status is an increasing concern. Information about workplace reproductive hazards is needed to assist in individual, corporate, and government decision making.

Sec. 2. RCW 49.17.050 and 1973 c 80 s 5 are each amended to read as follows:

In the adoption of rules (and regulations) under the authority of this chapter, the director shall:

(1) Provide for the preparation, adoption, amendment, or repeal of rules (and regulations) of safety and health standards governing the conditions of employment of general and special application in all work places;

(2) Provide for the adoption of occupational health and safety standards which are at least as effective as those adopted or recognized by the United States secretary of labor under the authority of the Occupational Safety and Health Act of 1970 (Public Law 91-596; 84 Stat. 1590);

(3) Provide a method of encouraging employers and employees in their efforts to reduce the number of safety and health hazards at their work places and to stimulate employers and employees to institute new and to perfect existing programs for providing safe and healthful working conditions;

(4) Provide for the promulgation of health and safety standards and the control of conditions in all work places concerning gases, vapors, dust, or other airborne particles, toxic materials, or harmful physical agents which shall set a standard which most adequately assures, to the extent feasible, on the basis of the best available evidence, that no employee will suffer material impairment of health or functional capacity even if such employee has regular exposure to the hazard dealt with by such standard for the period of his or her working life; any such standards shall require where appropriate the use of protective devices or equipment and for monitoring or measuring any such gases, vapors, dust, or other airborne particles, toxic materials, or harmful physical agents;

(5) Provide for appropriate reporting procedures by employers with respect to such information relating to conditions of employment which will assist in achieving the objectives of this chapter;

(6) Provide for the frequency, method, and manner of the making of inspections of work places without advance notice; (and)

(7) Provide for the publication and dissemination to employers, employees, and labor organizations and the posting where appropriate by employers of informational, education, or training materials calculated to aid and assist in achieving the objectives of this chapter;
(8) Provide for the establishment of new and the perfection and expansion of existing programs for occupational safety and health education for employers and employees, and, in addition institute methods and procedures for the establishment of a program for voluntary compliance solely through the use of advice and consultation with employers and employees with recommendations including recommendations of methods to abate violations relating to the requirements of this chapter and all applicable safety and health standards and rules ((and regulations)) promulgated pursuant to the authority of this chapter;

(9) Provide for the adoption of safety and health standards requiring the use of safeguards in trenches and excavations and around openings of hoistways, hatchways, elevators, stairways, and similar openings;

(10) Provide for the promulgation of health and safety standards requiring the use of safeguards for all vats, pans, trimmers, cut off, gang edger, and other saws, planers, presses, formers, cogs, gearing, belting, shafting, coupling, set screws, live rollers, conveyors, mangles in laundries, and machinery of similar description, which can be effectively guarded with due regard to the ordinary use of such machinery and appliances and the danger to employees therefrom, and with which the employees of any such work place may come in contact while in the performance of their duties and prescribe methods, practices, or processes to be followed by employers which will enhance the health and safety of employees in the performance of their duties when in proximity to machinery or appliances mentioned in this subsection;

(11) Provide for the adoption of health and safety standards addressing employee exposure to chemical, biological, or physical reproductive hazards or hazards to a fetus, which shall set a standard that most adequately assures, to the extent feasible, on the basis of the best available evidence, that no employee or fetus will suffer material impairment of health or functional capacity even if the employee has regular exposure to the hazard dealt with by the standard for the period of his or her working life. The standards shall include, but not be limited to, requirements for informing employees and prospective employees of these hazards. In adopting rules under this subsection, the department shall consult with a scientific advisory committee appointed by the department. An employer may request the department to identify all hazards in the employer's workplace that pose a hazard under this subsection, and the employer may rely on the information provided by the department in complying with the rules adopted under this subsection.

NEW SECTION. Sec. 3. A new section is added to chapter 49.44 RCW to read as follows:

(1) No employer, including the state or any political subdivision thereof, may condition the employment, transfer, or promotion of any individual on the sterilization of that individual, nor shall reproductive status be a criterion of employment. An employer is not liable for civil damages to any employee, employee's child, or employee's spouse for injury to the employee, the employee's fetus, or the employee's child because of exposure in the workplace to substances or conditions that cause birth
defects or constitute a hazard to the employee’s reproductive system or capacity if, in full compliance with rules adopted by the department of labor and industries under RCW 49.17.050(11), the employer has informed the employee of the hazard or potential hazard of the substances or conditions. This section shall apply without regard to any determination of coverage under Title 51 RCW."

With consent of the House, Representative Vance withdrew the amendment.

NEW SECTION. Sec. 1. A new section is added to chapter 43.21F RCW to read as follows:

DEVELOPMENT OF STATE ENERGY STRATEGY. (1) The state energy office shall develop a state energy strategy under the guidance of an advisory committee. The advisory committee shall include nineteen members and represent different regions of the state, including fourteen citizens appointed by the governor from the following groups: One person recommended by the investor-owned electric utilities, one person recommended by the investor-owned natural gas utilities, one person recommended by the suppliers of petroleum products, one person recommended by municipally owned electric utilities, one person recommended by the public utility districts, one person recommended by industrial energy users, one person recommended by commercial energy users, one person recommended by agricultural energy users, one person recommended by the association of Washington cities, one person recommended by the Washington association of counties, two persons recommended by civic organizations, and two persons recommended by environmental organizations. In addition, the advisory committee shall include one of the representatives of the state of Washington to the Pacific Northwest electric power and conservation planning council selected by the governor; the chair of the energy facility site evaluation council; one member of the utilities and transportation commission selected by the chair of the commission; one member of the house of representatives selected by the speaker of the house of representatives; and one member of the senate selected by the majority leader of the senate. The chair of the advisory committee will be appointed by the governor from citizen members. The director may establish technical advisory groups as necessary to assist in the development of the strategy. The director shall provide for extensive public involvement throughout the development of the strategy.

(2) The state energy strategy shall consider all forms of energy and each major sector of energy consumption and shall:

(a) Assess future needs of the state and future resources available for use in the state for each form of energy;
(b) Identify measures to assist in maintaining adequate, reliable, secure, economic, and environmentally acceptable supplies;

(c) Identify and, to the extent possible, quantify the costs and benefits of energy alternatives including direct economic costs and benefits, environmental costs and benefits, and the costs of inadequate or unreliable energy supplies;

(d) Develop a framework in which public decisions and actions affecting energy supply and use can be evaluated including the impact of decisions in other areas of public policy on energy supply and cost and on the use of energy and the establishment of goals to guide energy-related decisions;

(e) Evaluate the future role of the state energy office and means of financing those activities determined essential to that role; and

(f) Recommend energy goals and policies to the governor and the legislature.

(3) In developing the state energy strategy, the state energy office shall:

(a) Ensure that the information developed is objective and impartial and facilitates the effective and efficient operation of such energy markets as may exist and recognizes and conforms to the pattern of regulation governing public service companies but shall not mandate the use of one energy source over another;

(b) Draw upon existing public and private sector information and expertise in energy matters to the fullest extent possible through consultation and cooperation;

(c) Recognize the planning horizons required for each segment of the energy industry and the need for state actions and decisions to take those planning horizons into consideration; and

(d) Ensure that the strategy is coordinated with the energy planning activities of federal, state, and private entities and does not duplicate what is already available.

(4) The energy office shall provide a progress report to the house of representatives and senate committees on energy and utilities in January 1992. A final report shall be provided to the governor and the legislature by December 1, 1992.

NEW SECTION. Sec. 2. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Cogeneration" means the sequential generation of two or more forms of energy from a common fuel or energy source. If these forms are electricity and thermal energy, then the operating and efficiency standards established by 18 C.F.R. Sec. 292.205 and the definitions established by 18 C.F.R. Sec. 292.202 (c) through (m) apply.

(2) "Conservation" means reduced energy consumption or energy cost, or increased efficiency in the use of energy, and activities, measures, or equipment designed to achieve such results, but does not include thermal or electric energy production from cogeneration.

(3) "Cost-effective" means that the present value to a state agency or school district of the energy reasonably expected to be saved or produced by a facility, activity, measure, or piece of equipment over its useful life, including any compensation received from a utility or the bonneville power administration, is greater than the net present value of the costs of implementing, maintaining, and operating such facility, activity, measure, or piece of equipment over its useful life, when discounted at the cost of public borrowing.

(4) "Energy" means energy as defined in RCW 43.21F.025(1).

(5) "Energy efficiency" means a conservation or cogeneration project.

(6) "Energy office" means the Washington state energy office.

(7) "Performance-based contracting" means contracts for which payment is conditional on achieving contractually specified energy savings.

(8) "Public facility" means a building or structure, or a group of buildings or structures at a single site, owned by a state agency or school district.

(9) "State agency" means every state office or department, whether elective or appointive, state institutions of higher education, and all boards, commissions, or divisions of state government, however designated.
(10) "State facility" means a building or structure, or a group of buildings or structures at a single site, owned by a state agency.
(11) "Utility" means privately or publicly owned electric and gas utilities, electric cooperatives and mutuals, whether located within or without Washington state.
(12) "Local utility" means the utility or utilities in whose service territory a public facility is located.

NEW SECTION. Sec. 3. CONSERVATION PROJECTS: ROLES AND RESPONSIBILITIES. (1) Each state agency and school district shall implement cost-effective conservation improvements and maintain efficient operation of its facilities in order to minimize energy consumption and related environmental impacts and reduce operating costs.
(2) The energy office shall assist state agencies and school districts in identifying, evaluating, and implementing cost-effective conservation projects at their facilities. The assistance shall include the following:
   (a) Notifying state agencies and school districts of their responsibilities under this chapter;
   (b) Apprising state agencies and school districts of opportunities to develop and finance such projects;
   (c) Providing technical and analytical support, including procurement of performance-based contracting services;
   (d) Reviewing verification procedures for energy savings; and
   (e) Assisting in the structuring and arranging of financing for cost-effective conservation projects.
(3) Conservation projects implemented under this chapter shall have appropriate levels of monitoring to verify the performance and measure the energy savings over the life of the project. The energy office shall solicit involvement in program planning and implementation from utilities and other energy conservation suppliers, especially those that have demonstrated experience in performance-based energy programs.
(4) The energy office shall comply with the requirements of chapter 39.80 RCW when contracting for architectural or engineering services.
(5) The energy office shall recover any costs and expenses it incurs in providing assistance pursuant to this section, including reimbursement from third parties participating in conservation projects. The energy office shall enter into a written agreement with the state agency or school district for the recovery of costs.

NEW SECTION. Sec. 4. COORDINATION OF CONSERVATION DEVELOPMENT WITH UTILITIES. (1) The energy office shall consult with the local utilities to develop priorities for energy conservation projects pursuant to this chapter, cooperate where possible with existing utility programs, and consult with the local utilities prior to implementing projects in their service territory.
(2) A local utility shall be offered the initial opportunity to participate in the development of conservation projects in the following manner:
   (a) Before initiating projects in a local utility service territory, the energy office shall notify the local utility in writing, on an annual basis, of public facilities in the local utility's service territory at which the energy office anticipates cost-effective conservation projects will be developed.
   (b) Within sixty days of receipt of this notification, the local utility may express interest in these projects by submitting to the energy office a written description of the role the local utility is willing to perform in developing and acquiring the conservation at these facilities. This role may include any local utility conservation programs which would be available to the public facility, any competitive bidding or solicitation process which the local utility will be undertaking in accordance with the rules of the utilities and transportation commission or the public utility district, municipal utility, cooperative, or
mutual governing body for which the public facility would be eligible, or any other role
the local utility may be willing to perform.

(c) Upon receipt of the written description from the local utility, the energy office
shall, through discussions with the local utility, and with involvement from state agencies
and school districts responsible for the public facilities, develop a plan for coordinated
delivery of conservation services and financing or make a determination of whether to
participate in the local utility's competitive bidding or solicitation process. The plan shall
identify the local utility in roles that the local utility is willing to perform and that are
consistent with the provisions of section 5(2) (d) and (e) of this act.

NEW SECTION. Sec. 5. SALE OF CONSERVED ENERGY. (1) It is the intent
of this chapter that the state, state agencies, and school districts are compensated fairly
for the energy savings provided to utilities and be allowed to participate on an equal basis
in any utility conservation program, bidding, or solicitation process. State agencies and
school districts shall not receive preferential treatment. For the purposes of this section,
any type of compensation from a utility or the bonneville power administration intended
to achieve reductions or efficiencies in energy use which are cost-effective to the utility
or the bonneville power administration shall be regarded as a sale of energy savings.
Such compensation may include credits to the energy bill, low or no interest loans,
rebates, or payment per unit of energy saved. The energy office shall, in coordination
with utilities, the bonneville power administration, state agencies, and school districts,
facilitate the sale of energy savings at public facilities including participation in any
competitive bidding or solicitation which has been agreed to by the state agency or school
district. Energy savings may only be sold to local utilities or, under conditions specified
in this section, to the bonneville power administration. The energy office shall not
attempt to sell energy savings occurring in one utility service territory to a different
utility. Nothing in this chapter mandates that utilities purchase the energy savings.

(2) To ensure an equitable allocation of benefits to the state, state agencies, and
school districts, the following conditions shall apply to transactions between utilities or
the bonneville power administration and state agencies or school districts for sales of
energy savings:

(a) A transaction shall be approved by both the energy office and the state agency
or school district.

(b) The energy office and the state agency or school district shall work together
throughout the planning and negotiation process for such transactions unless the energy
office determines that its participation will not further the purposes of this section.

(c) Before making a decision under (d) of this subsection, the energy office shall
review the proposed transaction for its technical and economic feasibility, the adequacy
and reasonableness of procedures proposed for verification of project or program
performance, the degree of certainty of benefits to the state, state agency, or school
district, the degree of risk assumed by the state or school district, the benefits offered to
the state, state agency, or school district and such other factors as the energy office
determines to be prudent.

(d) The energy office shall approve a transaction unless it finds, pursuant to the
review in (c) of this subsection, that the transaction would not result in an equitable
allocation of costs and benefits to the state, state agency, or school district, in which case
the transaction shall be disapproved.

(e) In addition to the requirements of (c) and (d) of this subsection, in areas in
which the bonneville power administration has a program for the purchase of energy
savings at public facilities, the energy office shall approve the transaction unless the local
utility cannot offer a benefit substantially equivalent to that offered by the bonneville
power administration, in which case the transaction shall be disapproved. In determining
whether the local utility can offer a substantially equivalent benefit, the energy office shall
consider the net present value of the payment for energy savings; any goods, services, or
financial assistance provided by the local utility; and any risks borne by the local utility. Any direct negative financial impact on a nongrowing, local utility shall be considered.

(3) Any party to a potential transaction may, within thirty days of any decision to disapprove a transaction made pursuant to subsection (2) (c), (d), or (e) of this section, request an independent reviewer who is mutually agreeable to all parties to the transaction to review the decision. The parties shall within thirty days of selection submit to the independent reviewer documentation supporting their positions. The independent reviewer shall render advice regarding the validity of the disapproval within an additional thirty days.

NEW SECTION. Sec. 6. AUTHORITIES OF STATE AGENCIES AND SCHOOL DISTRICTS TO IMPLEMENT CONSERVATION. In addition to any other authorities conferred by law:

(1) The energy office, with the consent of the state agency or school district responsible for a facility, a state or regional university acting independently, and any other state agency acting through the department of general administration or as otherwise authorized by law, may:

(a) Develop and finance conservation at public facilities in accordance with express provisions of this chapter;
(b) Contract for energy services, including performance-based contracts; and
(c) Contract to sell energy savings from a conservation project at public facilities to local utilities or the bonneville power administration.

(2) A state or regional university acting independently, and any other state agency acting through the department of general administration or as otherwise authorized by law, may undertake procurements for third-party development of conservation at its facilities.

(3) A school district may:

(a) Develop and finance conservation at school district facilities;
(b) Contract for energy services, including performance-based contracts at school district facilities; and
(c) Contract to sell energy savings from energy conservation projects at school district facilities to local utilities or the bonneville power administration directly or to local utilities or the bonneville power administration through third parties.

(4) In exercising the authority granted by subsections (1), (2), and (3) of this section, a school district or state agency must comply with the provisions of section 5 of this act.

NEW SECTION. Sec. 7. AUTHORITY TO FINANCE CONSERVATION IN SCHOOL DISTRICTS AND STATE AGENCIES. (1) The energy office, in accordance with RCW 43.21F.060(2) may use appropriated moneys to make loans to school districts to provide all or part of the financing for conservation projects. The energy office shall determine the eligibility of such projects for conservation loans and the terms of such loans. If loans are from moneys appropriated from bond proceeds, the repayments of the loans shall be sufficient to pay, when due, the principal and interest on the bonds and shall be paid to the energy efficiency construction account established in section 11 of this act. To the extent that a school district applies the proceeds of such loans to a modernization or new construction project, such proceeds shall be considered a portion of the school district’s share of the costs of such project.

(2) State agencies may use financing contracts under chapter 39.94 RCW to provide all or part of the funding for conservation projects. The energy office shall determine the eligibility of such projects for financing contracts. The repayments of the financing contracts shall be sufficient to pay, when due, the principal and interest on the contracts.

NEW SECTION. Sec. 8. ROLES AND RESPONSIBILITIES OF COGENERATION PROJECTS WITH UTILITIES AND PRIVATE DEVELOPERS.

(1) Consistent with the region’s need to develop cost-effective, high efficiency electric energy resources, the state shall investigate and, if appropriate, pursue
development of cost-effective opportunities for cogeneration in existing or new state facilities.

(2) To assist state agencies in identifying, evaluating, and developing potential cogeneration projects at their facilities, the energy office shall notify state agencies of their responsibilities under this chapter; apprise them of opportunities to develop and finance such projects; and provide technical and analytical support. The energy office shall recover costs for such assistance through written agreements, including reimbursement from third parties participating in such projects, for any costs and expenses incurred in providing such assistance.

(3)(a) The energy office shall identify priorities for cogeneration projects at state facilities, and, where such projects are initially deemed desirable by the energy office and the appropriate state agency, the energy office shall notify the local utility serving the state facility of its intent to conduct a feasibility study at such facility. The energy office shall consult with the local utility and provide the local utility an opportunity to participate in the development of the feasibility study for the state facility it serves.

(b) If the local utility has an interest in participating in the feasibility study, it shall notify the energy office and the state agency whose facility or facilities it serves within sixty days of receipt of notification pursuant to (a) of this subsection as to the nature and scope of its desired participation. The energy office, state agency, and local utility shall negotiate the responsibilities, if any, of each in conducting the feasibility study, and these responsibilities shall be specified in a written agreement.

(c) If a local utility identifies a potential cogeneration project at a state facility for which it intends to conduct a feasibility study, it shall notify the energy office and the appropriate state agency. The energy office, state agency, and local utility shall negotiate the responsibilities, if any, of each in conducting the feasibility study, and these responsibilities shall be specified in a written agreement. Nothing in this section shall preclude a local utility from conducting an independent assessment of a potential cogeneration project at a state facility.

(d) Agreements written pursuant to (a) and (b) of this subsection shall include a provision for the recovery of costs incurred by a local utility in performing a feasibility study in the event such utility does not participate in the development of the cogeneration project. If the local utility does participate in the cogeneration project through energy purchase, project development or ownership, recovery of the utility’s costs may be deferred or provided for through negotiation on agreements for energy purchase, project development or ownership.

(e) If the local utility declines participation in the feasibility study, the energy office and the state agency may receive and solicit proposals to conduct the feasibility study from other parties. Participation of these other parties shall also be secured and defined by a written agreement which may include the provision for reimbursement of costs incurred in the formulation of the feasibility study.

(4) The feasibility study shall include consideration of regional and local utility needs for power, the consistency of the proposed cogeneration project with the state energy strategy, the cost and certainty of fuel supplies, the value of electricity produced, the capability of the state agency to own and/or operate such facilities, the capability of utilities or third parties to own and/or operate such facilities, requirements for and costs of standby sources of power, costs associated with interconnection with the local electric utility’s transmission system, the capability of the local electric utility to wheel electricity generated by the facility, costs associated with obtaining wheeling services, potential financial risks and losses to the state and/or state agency, measures to mitigate the financial risk to the state and/or state agency, and benefits to the state and to the state agency from a range of design configurations, ownership, and operation options.

(5) Based upon the findings of the feasibility study, the energy office and the state agency shall determine whether a cogeneration project will be cost-effective and whether
development of a cogeneration project should be pursued. This determination shall be made in consultation with the local utility or, if the local utility had not participated in the development of the feasibility study, with any third party that may have participated in the development of the feasibility study.

(a) Recognizing the local utility's expertise, knowledge, and ownership and operation of the local utility systems, the energy office and the state agency shall have the authority to negotiate directly with the local utility for the purpose of entering into a sole source contract to develop, own, and/or operate the cogeneration facility. The contract may also include provisions for the purchase of electricity or thermal energy from the cogeneration facility, the acquisition of a fuel source, and any financial considerations which may accrue to the state from ownership and/or operation of the cogeneration facility by the local utility.

(b) The energy office may enter into contracts through competitive negotiation under this subsection for the development, ownership, and/or operation of a cogeneration facility. In determining an acceptable bid, the energy office and the state agency may consider such factors as technical knowledge, experience, management, staff, or schedule, as may be necessary to achieve economical construction or operation of the project. The selection of a developer or operator of a cogeneration facility shall be made in accordance with procedures for competitive bidding under chapter 43.19 RCW.

(c) The energy office shall comply with the requirements of chapter 39.80 RCW when contracting for architectural or engineering services.

(b) (a) The state may own and/or operate a cogeneration project at a state facility. However, unless the cogeneration project is determined to be cost-effective, based on the findings of the feasibility study, the energy office and state agency shall not pursue development of the project as a state-owned facility. If the project is found to be cost-effective, and the energy office and the state agency agree development of the cogeneration project should be pursued as a state-owned and/or operated facility, the energy office shall assist the state agency in the preparation of a finance and development plan for the cogeneration project. Any such plan shall fully account for and specify all costs to the state for developing and/or operating the cogeneration facility.

(b) It is the general intent of this chapter that cogeneration projects developed and owned by the state will be sized to the projected thermal energy load of the state facility over the useful life of the project. The principal purpose and use of such projects is to supply thermal energy to a state facility and not primarily to develop generating capacity for the sale of electricity. For state-owned projects with electricity production in excess of projected thermal requirements, the energy office shall seek and obtain legislative appropriation and approval for development. Nothing in this act shall be construed to authorize any state agency to sell electricity or thermal energy on a retail basis.

(7) When a cogeneration facility will be developed, owned, and/or operated by a state agency or third party other than the local serving utility, the energy office and the state agency shall negotiate a written agreement with the local utility. Elements of such an agreement shall include provisions to ensure system safety, provisions to ensure reliability of any interconnected operations equipment necessary for parallel operation and switching equipment capable of isolating the generation facility, the provision of and reimbursement for standby services, if required, and the provision of and reimbursement for wheeling electricity, if the provision of such has been agreed to by the local utility.

(8) The state may develop and own a thermal energy distribution system associated with a cogeneration project for the principal purpose of distributing thermal energy at the state facility. If thermal energy is to be sold outside the state facility, the state may only sell the thermal energy to a utility.

NEW SECTION. Sec. 9. SALE OF COGENERATED ELECTRICITY AND STEAM. It is the intention of this act that the state and its agencies are compensated fairly for the energy provided to utilities from cogeneration at state facilities. Such
compensation may include revenues from sales of electricity or thermal energy to utilities, lease of state properties, and value of thermal energy provided to the facility. It is also the intent of this act that the state and its agencies be accorded the opportunity to compete on a fair and reasonable basis to fulfill a utility's new resource acquisition needs when selling the energy produced from cogeneration projects at state facilities through energy purchase agreements.

1(a) The energy office and state agencies may participate in any utility request for resource proposal process, as either established under the rules and regulations of the utilities and transportation commission, or by the governing board of a public utility district, municipal utility, cooperative, or mutual.

(b) If a local utility does not have a request for resource proposal pending, the energy office or a state agency may negotiate an equitable and mutually beneficial energy purchase agreement with that utility.

(2) To ensure an equitable allocation of benefits to the state and its agencies, the following conditions shall apply to energy purchase agreements negotiated between utilities and state agencies:

(a) An energy purchase agreement shall be approved by both the energy office and the affected state agency.

(b) The energy office and the state agency shall work together throughout the planning and negotiation process for energy purchase agreements, unless the energy office determines that its participation will not further the purposes of this section.

(c) Before approving an energy purchase agreement, the energy office shall review the proposed agreement for its technical and economic feasibility, the degree of certainty of benefits, the degree of financial risk assumed by the state and/or the state agency, the benefits offered to the state and/or state agency, and other such factors as the energy office deems prudent. The energy office shall approve an energy purchase agreement unless it finds that such an agreement would not result in an equitable allocation of costs and benefits, in which case the transaction shall be disapproved.

3(a) The state or state agency shall comply with and shall be bound by applicable avoided cost schedules, electric power wheeling charges, interconnection requirements, utility tariffs, and regulatory provisions to the same extent it would be required to comply and would be bound if it were a private citizen. The state shall neither seek regulatory advantage, nor change regulations, regulatory policy, process, or decisions to its advantage as a seller of cogenerated energy. Nothing contained in this act shall be construed to mandate or require public or private utilities to wheel electric energy resources within or beyond their service territories. Nothing contained in this act requires a utility to purchase energy from the state or a state agency or enter into any agreement in connection with a cogeneration facility.

(b) The state shall neither construct, nor be party to an agreement for developing a cogeneration project at a state facility for the purpose of supplying its own electrical needs, unless it can show that such an arrangement would be in the economic interest of the state taking into account the cost of (i) interconnection requirements, as specified by the local electric utility, (ii) standby charges, as may be required by the local electric utility, and (iii) the current price of electricity offered by the local electric utility. If the local electric utility can demonstrate that the cogeneration project may place an undue burden on the electric utility, the energy office or the state agency shall attempt to negotiate a mutually beneficial agreement that would minimize the burden upon the ratepayers of the local electric utility.

(4) Any party to an energy purchase agreement may, within thirty days of any decision made pursuant to subsection (2)(c) of this section to disapprove the agreement made pursuant to this section, request an independent reviewer who is mutually agreeable to all parties to review the decision. The parties shall within thirty days of selection submit to the independent reviewer documentation supporting their positions. The
independent reviewer shall render advice regarding the validity of the disapproval within
an additional thirty days.

**NEW SECTION.** Sec. 10. AUTHORITIES RELATED TO COGENERATION AT
STATE AGENCIES. In addition to any other authorities conferred by law:

(1) The energy office, with the consent of the state agency responsible for a
facility, a state or regional university acting independently, and any other state agency
acting through the department of general administration or as otherwise authorized by law,
may:

(a) Contract to sell electric energy generated at state facilities to a utility; and
(b) Contract to sell thermal energy produced at state facilities to a utility.

(2) A state or regional university acting independently, and any other state agency
acting through the department of general administration or as otherwise authorized by law,
may:

(a) Acquire, install, permit, construct, own, operate, and maintain cogeneration and
facility heating and cooling measures or equipment, or both, at its facilities;
(b) Lease state property for the installation and operation of cogeneration and
facility heating and cooling equipment at its facilities;

its facilities, with successful bidders to be selected based on the responsible bid, including
nonprice elements listed in RCW 43.19.1911, that offers the greatest net achievable
benefits to the state and its agencies.

(3) After the effective date of this section, a state agency shall consult with the
energy office prior to exercising any authority granted by this section.

(4) In exercising the authority granted by subsections (1) and (2) of this section, a
state agency must comply with the provisions of section 9 of this act.

**NEW SECTION.** Sec. 11: ENERGY EFFICIENCY CONSTRUCTION
ACCOUNT. (1) The energy efficiency construction account is hereby created in the state
treasury. Moneys in the account may be spent only after appropriation and only for the
following purposes:

(a) Construction of energy efficiency projects, including project evaluation and
verification of benefits, project design, project development, project construction, and
project administration.
(b) Payment of principal and interest and other costs required under bond covenant
on bonds issued for the purpose of (a) of this subsection.

(2) Sources for this account may include:

(a) General obligation and revenue bond proceeds appropriated by the legislature;
(b) Loan repayments under section 7 of this act sufficient to pay principal and
interest obligations; and
(c) Funding from federal, state, and local agencies.

(3) The energy office shall establish criteria for approving energy efficiency projects
to be financed from moneys disbursed from this account. The criteria shall include
cost-effectiveness, reliability of energy systems, and environmental costs or benefits. The
energy office shall ensure that the criteria are applied with professional standards for
engineering and review.

**NEW SECTION.** Sec. 12. ENERGY EFFICIENCY SERVICES ACCOUNT. (1)
The energy efficiency services account is created in the state treasury. Moneys in the
account may be spent only after appropriation. Expenditures from the account may be
used only (a) for the energy office to provide energy efficiency services to state agencies
and school districts including review of life-cycle cost analyses and (b) for transfer by the legislature to the state general fund.

(2) All receipts from the following sources shall be deposited into the account:
   (a) Project fees charged under this section and sections 3, 8, and 16 of this act;
   (b) After payment of any principal and interest obligations, moneys from repayments of loans under section 7 of this act;
   (c) Revenue from sales of energy generated or saved at public facilities under this chapter, except those retained by state agencies and school districts under section 13 of this act; and
   (d) Payments by utilities and federal power marketing agencies under this chapter, except those retained by state agencies and school districts under section 13 of this act.

(3) The energy office may accept moneys and make deposits to the account from federal, state, or local government agencies.

(4) Within one hundred eighty days after the effective date of this act, the energy office shall adopt rules establishing criteria and procedures for setting a fee schedule, establishing working capital requirements, and receiving deposits for this account.

NEW SECTION. Sec. 13. PROJECT BENEFITS. (1) Potential benefits from energy efficiency projects at public facilities include savings in the form of reduced energy costs; revenues from lease payments, sales of energy or energy savings, or other sources; avoided capital costs; site enhancements; and additional operating and maintenance resources.

(2) To encourage these projects at state facilities, and notwithstanding any other provision of law, the following benefits from energy efficiency projects completed after the effective date of this chapter shall be apportioned as specified:
   (a) As to conservation, state agencies may retain all net savings in the form of reduced energy costs, and one-half of all net revenues from any transaction with a utility, the bonneville power administration, or other entity;
   (b) As to cogeneration projects, state agencies may retain one-half of all net savings in the form of reduced energy costs and twenty percent of all net revenues generated by the project from any source except that state institutions of higher education may retain one-half of all net revenues generated by the project; and
   (c) The remaining net revenues from conservation projects, and remaining net savings and revenues from cogeneration projects, shall be remitted to the state for the disposition and uses specified in subsection (4) of this section.

(3) Each state agency's share of net savings from cogeneration projects and of all net revenues shall be credited to a special local account created under section 18 of this act, the use of which shall be limited, in priority order, to ongoing operation, maintenance, and improvements of energy systems and energy efficiency measures, to other ongoing and deferred maintenance, and to other infrastructure improvements at the facility that was the site of the energy efficiency project.

(4) The state's share of net savings from cogeneration projects and of all net revenues, and any portion of the state agency's share which exceeds its needs for the purposes specified in subsection (3) of this section, shall be deposited in the energy efficiency services account established by section 12 of this act.

(5) The use by state agencies of net savings and net revenues from energy efficiency projects shall be in addition to, and shall not supplant or replace, funding from traditional sources for their normal operations and maintenance or capital budgets. It is the intent of this subsection to ensure that such institutions receive the full benefit intended by this section, and that such effect will not be diminished by budget adjustments inconsistent with this intent.

(6) Energy efficiency projects in school districts, funded in whole or in part with state assistance provided under chapter 28A.525 RCW, or with the financing mechanisms
authorized by this chapter, shall be subject to the provisions of this section governing the apportionment and use of savings and revenues from energy efficiency projects.

(7) For purposes of this section, "net" savings and revenues shall mean savings and revenues remaining after payment of project capital costs, including debt service, and other payments and reserves as required by a bond resolution or loan agreement under this chapter, and payment of project operating and maintenance expenses. The energy office shall develop guidelines and procedures for determining net savings and net revenues for energy efficiency projects at public facilities by April 1, 1992.

(8) The energy office shall report annually until the year 2006 to the director of the office of financial management and the chairs of the Senate Ways and Means Committee and the appropriate House of Representatives fiscal committees regarding the amount of savings and revenues from energy conservation and cogeneration retained by individual state agencies.

Sec. 14. RCW 39.35.030 and 1982 c 159 s 3 are each amended to read as follows:

For the purposes of this chapter the following words and phrases shall have the following meanings unless the context clearly requires otherwise:

(1) "Public agency" means every state office, officer, board, commission, committee, bureau, department, and all political subdivisions of the state.

(2) "Office" means the Washington state energy office.

(3) "Major facility" means any publicly owned or leased building having twenty-five thousand square feet or more of usable floor space.

(4) "Initial cost" means the moneys required for the capital construction or renovation of a major facility.

(5) "Renovation" means additions, alterations, or repairs within any twelve-month period which exceed fifty percent of the value of a major facility and which will affect any energy system.

(6) "Economic life" means the projected or anticipated useful life of a major facility as expressed by a term of years.

(7) "Life-cycle cost" means the initial cost and cost of operation of a major facility over its economic life. This shall be calculated as the initial cost plus the operation, maintenance, and energy costs over its economic life, reflecting anticipated increases in these costs discounted to present value at the current rate for borrowing public funds, as determined by the (state finance committee) office of financial management. The energy cost(projections) used shall be those (projected) provided by the state energy office. The office shall update (the) these projections (of energy costs) at least every two years.

(8) "Life-cycle cost analysis" includes, but is not limited to, the following elements:

(a) The coordination and positioning of a major facility on its physical site;

(b) The amount and type of fenestration employed in a major facility;

(c) The amount of insulation incorporated into the design of a major facility;

(d) The variable occupancy and operating conditions of a major facility; and

(e) An energy-consumption analysis of a major facility.

(9) "Energy systems" means all utilities, including, but not limited to, heating, air-conditioning, ventilating, lighting, and the supplying of domestic hot water.

(10) "Energy-consumption analysis" means the evaluation of all energy systems and components by demand and type of energy including the internal energy load imposed on a major facility by its occupants, equipment, and components, and the external energy load imposed on a major facility by the climatic conditions of its location. An energy-consumption analysis of the operation of energy systems of a major facility shall include, but not be limited to, the following elements:

(a) The comparison of three or more system alternatives, at least one of which shall include renewable energy systems;
(b) The simulation of each system over the entire range of operation of such facility for a year's operating period; and
(c) The evaluation of the energy consumption of component equipment in each system considering the operation of such components at other than full or rated outputs.

The energy-consumption analysis shall be prepared by a professional engineer or licensed architect who may use computers or such other methods as are capable of producing predictable results.

(11) "Renewable energy systems" means methods of facility design and construction and types of equipment for the utilization of renewable energy sources including, but not limited to, active or passive solar space heating or cooling, domestic solar water heating, windmills, waste heat, biomass and/or refuse-derived fuels, (co-generated energy), photovoltaic devices, and geothermal energy.

(12) "Cogeneration" means the sequential generation of two or more forms of energy from a common fuel or energy source. Where these forms are electricity and thermal energy, then the operating and efficiency standards established by 18 C.F.R. Sec. 292.205 and the definitions established by 18 C.F.R. 292.202 (c) through (m) as of the effective date of this act shall apply.

NEW SECTION. Sec. 15. A new section is added to chapter 39.35 RCW to read as follows:

GUIDELINES FOR LIFE-CYCLE COST ANALYSIS. The office, in consultation with affected public agencies, shall develop and issue guidelines for administering this chapter. The purpose of the guidelines is to define a procedure and method for performance of life-cycle cost analysis to promote the selection of low-life-cycle cost alternatives. At a minimum, the guidelines must contain provisions that:

(1) Address energy considerations during the planning phase of the project;
(2) Identify energy components and system alternatives including renewable energy systems and cogeneration applications prior to commencing the energy consumption analysis;
(3) Establish times during the design process for preparation, review, and approval or disapproval of the life-cycle cost analysis;
(4) Specify the assumptions to be used for escalation and inflation rates, equipment service lives, economic building lives, and maintenance costs;
(5) Determine life-cycle cost analysis format and submittal requirements to meet the provisions of this act;
(6) Provide for review and approval of life-cycle cost analysis.

NEW SECTION. Sec. 16. A new section is added to chapter 39.35 RCW to read as follows:

LIFE-CYCLE COST ANALYSIS REVIEW FEES. The energy office may impose fees upon affected public agencies for the review of life-cycle cost analyses. The fees shall be deposited in the energy efficiency services account established in section 12 of this act. The purpose of the fees is to recover the costs by the office for review of the analyses. The office shall set fees at a level necessary to recover all of its costs related to increasing the energy efficiency of state-supported new construction. The fees shall not exceed one-tenth of one percent of the total cost of any project or exceed two thousand dollars for any project unless mutually agreed to. The office shall provide detailed calculation ensuring that the energy savings resulting from its review of life-cycle cost analysis justify the costs of performing that review.

NEW SECTION. Sec. 17. ADOPTION OF RULES. The energy office may adopt rules to implement sections 3 through 5, 8, 9, 13, and 15 of this act.

Sec. 18. RCW 43.88.195 and 1979 c 151 s 140 are each amended to read as follows:

After August 11, 1969, no state agency, state institution, state institution of higher education, which shall include all state universities, regional universities, The Evergreen
State College, and community colleges, shall establish any new accounts or funds which are to be located outside of the state treasury: PROVIDED, That the office of financial management shall be authorized to grant permission for the establishment of such an account or fund outside of the state treasury only when the requesting agency presents compelling reasons of economy and efficiency which could not be achieved by placing such funds in the state treasury. When the director of financial management authorizes the creation of such fund or account, (the) the director shall forthwith give written notice of the fact to the standing committees on ways and means of the house and senate; PROVIDED FURTHER, That the office of financial management may grant permission for the establishment of accounts outside of the state treasury for the purposes of section 13 of this act.

NEW SECTION. Sec. 24. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

1. "Water distribution business" shall have the meaning in RCW 82.16.010(4).
2. "Person" shall have the meaning in RCW 82.04.030 or any later, superseding action.
3. "Department" means the department of revenue.
5. "Customer" means any person to whom a water system operator furnishes water for sale or hire.
6. "Taxable year" shall have the meaning in RCW 82.04.020.

NEW SECTION. Sec. 25. There is levied and there shall be collected from every water system operator a tax for the act or privilege of providing water for sale or hire to any customer. The tax shall be equal to two dollars for each customer served by the water system operator during a taxable year.

NEW SECTION. Sec. 26. The tax imposed under this chapter shall be due and payable on or before the last day of the first month following the end of a taxable year or at more frequent intervals as the department may prescribe by rule.

NEW SECTION. Sec. 27. Taxes received by the state under this chapter shall be deposited into the water management account created in section 22 of this act and shall be used exclusively to fund grants to local governments to participate in the water resource planning and management process, including data management.

NEW SECTION. Sec. 28. The taxes imposed in this chapter shall not apply to any agency, division, or branch of the federal government.

NEW SECTION. Sec. 29. Chapter 82.32 RCW applies to the taxes imposed under this chapter.

NEW SECTION. Sec. 30. The department of revenue shall adopt such rules as may be necessary to enforce and administer this chapter.

NEW SECTION. Sec. 31. This chapter expires June 30, 1993. The expiration of this chapter shall not be construed as affecting any existing right acquired or liability or obligation incurred under any section making up a part of this chapter or under any rule or order adopted under that section, nor as affecting any proceeding instituted under that section.

NEW SECTION. Sec. 32. A new section is added to chapter 90.03 RCW to read as follows:

1. Each person holding a water right established under this chapter or chapter 90.44 RCW and each person or successor in title claiming a right to water under chapter 90.14 RCW shall remit to the department a one-time fee of fifteen dollars for each water right owned or claimed. The purpose of this fee is to provide a source of funds for updating the pertinent information on each right or claim in the water resource information system. Any water system operator subject to taxation pursuant to section 25 of this act shall not be required to remit the fee required by this subsection.

2. The department shall provide a notice to each water right holder and claimant that the fees required in this section are due and payable to the department no later than two calendar months after the date such notice is mailed. The department shall send a
second notice to any person who fails to remit the fee by the due date. Any fee received by the department more than two weeks after the due date shall be assessed a ten-dollar penalty plus interest from the due date. The department shall send a final notice of delinquency to any person who fails to remit the fee by one month after the due date.

(3) Failure to remit fees or penalties shall, in addition to penalties provided in this chapter, constitute a lien against the real property to which the water right is appurtenant, and shall be reported to the county auditor by the department, supported by proper and conclusive evidence, and collected in the manner and with the same priority over other creditors as prescribed for the collection of delinquent taxes. The final notice of delinquency shall notify the person that the failure to remit fees or penalties shall constitute a lien against the real property to which the water right is appurtenant. Water rights or claims may not be transferred unless the holder or claimant has paid the fee and any penalties in full.

(4) Any person receiving the notice of fees due under this section who does not wish to retain a water right or claim or who does not wish to pay the fee required under this section may elect to voluntarily relinquish the right or claim. If such right is voluntarily relinquished in writing by the owner or claimant prior to two months after the due date, no fee required by this section is payable.

(5) For purposes of efficient administration, the department may undertake the fee notification and payment process required by this section by geographical regions or by counties. This process shall be completed by June 30, 1993.

(6) The funds collected by the department under this section shall be deposited in the water management account created in section 22 of this act. The account shall reimburse the general fund for any costs necessary to initiate the collection of fees required by this section.

In the case of equipment that has become affixed to the land so as to become a part of the realty, the owner of the land so removed from agricultural use shall be liable for the amount of real property tax attributable to the equipment so affixed during such seven-year period. The taxes payable under this subsection shall be due and payable at the time of such removal from agricultural use and shall be considered delinquent thereafter.

(c) All amounts of tax becoming due as a result of removal from agricultural use, together with applicable interest, shall become a lien at the time of removal upon the property against which such taxes are imposed. This lien shall have priority to and shall be fully paid and satisfied before any recognizance, mortgage, judgment, debt, obligation, or responsibility to or with which such property may become chargeable.

(d) In the case of real property taxes becoming due as a result of removal from agricultural use, the lien may be foreclosed upon expiration of the same period after delinquency and in the same manner provided by law for foreclosure of liens for delinquent real property taxes as provided in RCW 84.64.050.

(e) Personal property taxes becoming due as a result of removal from agricultural use shall be subject to collection by the county treasurer in the manner as provided for the collection of delinquent personal property taxes in chapter 84.56 RCW.

(7) The department of revenue shall adopt such rules as are necessary for the administration of this section.

(8) This exemption shall be effective for taxes assessed in 1992 and 1993.

Substitute House Bill No. 2086 was read the second time.
On motion of Ms. Spanel, the committee amendment by Committee on Appropriations was adopted.

Mr. Appelwick moved adoption of the following amendment:
Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The availability of credit is vital for agriculture. For that reason, the legislature has traditionally promoted the availability of agricultural credit. The legislature finds that lenders lack a uniformly effective means of providing notice of a lender's security interest in farm products to purchasers of the products. The legislature further finds that purchasers lack any practical method for discovering the existence of security interests in farm products.

Accordingly, it is the intent of the legislature to promote the development of a central filing system as provided in 7 U.S.C. Sec. 1631 and to encourage private businesses to provide for expeditiously discovery of liens and security interests in farm products.

NEW SECTION. Sec. 2. All of the provisions of Parts 1, 2, 3, and 5 of chapter 62A.9 RCW apply to security interests in farm products except RCW 62A.9-307. A farm products statement constitutes a financing statement for the purposes of the provisions of Parts 1, 2, 3, and 5 of chapter 62A.9 RCW. Part 4 of chapter 62A.9 RCW does not apply to security interests in farm products.

NEW SECTION. Sec. 3. Unless the context clearly requires otherwise, the definitions in this section apply throughout this part.

(1) "Buyer of farm products" means any person, who buys farm products in the ordinary course of business from a person engaged in farming operations who is in the business of selling farm products.

(2) "Commission merchant" means any person engaged in the business of receiving any farm product for sale, on commission, or for or on behalf of another person.

(3) "Farm products" means crops or livestock or supplies used or produced in farming operations or products of crops or livestock in their unmanufactured states, such as ginned cotton, wool-clip, maple syrup, milk and eggs, which are in the possession of an obligor engaged in raising, fattening, grazing, or other farming operations.

(4) "Obligor" means a debtor as defined in RCW 62A.9-105(d), a seller of farm products pursuant to a purchase and sale contract, or a person subject to a statutory lien.

(5) "Purchase and sale agreement" means a written agreement by which a seller of farm products agrees to sell and a buyer agrees to purchase certain farm products. Such a purchase and sale agreement creates a contract interest in the described farm products between the obligor and the buyer of farm products, whether or not money is advanced to the seller by the buyer.

(6) "Security agreement" means an agreement which creates or provides for a security interest, which may be perfected by the filing of a farm products statement.

(7) "Secured party" means a lender, seller, or other person in whose favor there is a security interest in farm products.

(8) "Selling agent" means any person, other than a commission merchant, who is engaged in the business of negotiating the sale and purchase of any farm product on behalf of a person engaged in farming operations.

NEW SECTION. Sec. 4. (1) In order to perfect a security interest in farm products, a secured party or a statutory lien claimant under chapters 60.11 and 60.13 RCW, must file a farm products statement in the office of the department of licensing. In order to perfect a contract interest in farm products, a buyer of farm products must file a farm products statement in the office of the department of licensing.

(2)(a) Except as provided in (b) of this subsection, a farm products statement is filed when the department of licensing has received the farm products statement, the
appropriate filing fee has been tendered, and the farm products statement is entered into
the central filing system.

(b) Any party who is registered with the department of licensing may give the
department of licensing verbal notice of intent to file a farm products statement by
telephone. The department shall log the notice of intent to file in the central filing system
and provide the registrant telephoning a log-in number. If the person calling in files a
farm products statement in the department containing the log-in number within three
business days, excluding weekends and holidays, of the telephonic notice of intent to file,
the filed farm products statement shall relate back to the date and time the notice of intent
to file was logged in. If the person calling fails to file a farm products statement with the
required information within the time period specified, any subsequent farm products
statement shall be effective when filed but shall not relate back in time to the telephonic
notice of intent to file.

(3) The farm products statement must include the following information:
(a) The name and address of the obligor;
(b) The obligor's signature;
(c) The name, address, and signature of the secured party;
(d) The social security number of the obligor or, in the case of an obligor doing
business other than as an individual, the obligor's federal internal revenue service
taxpayer identification number;
(e) A description by category, as prescribed by rule under section 13 of this act, of
the farm products subject to the security interest or contract interest including the amount
of such products if applicable; and
(f) A reasonable description of the real estate where the farm products are produced.
This provision may be satisfied by a designation of the county or counties, and a legal
description shall not be required.

If a statutory lien claim is being filed, the farm products statement shall include the
additional information required by chapters 60.11 and 60.13 RCW.

(4) A farm products statement must be amended in writing within three months, and
similarly signed and filed, to reflect any material changes, including assignment of the
security interest or contract interest. In this Article, unless the context otherwise requires,
the term "farm products statement" means the original farm products statement and any
amendments.

(5) A farm products statement may be filed before a security agreement or purchase
and sale agreement is made or a security interest or contract interest otherwise attaches.
A copy of the security agreement or purchase and sale agreement is sufficient as a farm
products statement if it contains the above information and is signed by the obligor. A
carbon, photographic, or other reproduction of a security agreement, purchase and sale
agreement, or a farm products statement is sufficient as a farm products statement if the
security agreement or purchase and sale agreement so provides or if the original has been
filed in this state.

(6) A farm products statement which otherwise complies with subsection (1) of this
section is sufficient when it is signed by the secured party or buyer of farm products
instead of the obligor, if it is filed to perfect a security interest or contract interest in:
(a) Collateral already subject to a security interest in another jurisdiction when it
is brought into this state or when the obligor's location is changed to this state. Such a
farm products statement must state that the collateral was brought into this state or that
the obligor's location was changed to this state under such circumstances; or
(b) Proceeds under RCW 62A.9-306 if the security interest or contract interest in
the original collateral was perfected. Such a farm products statement must describe the
original collateral; or
(c) Collateral as to which the filing has lapsed; or
(d) Collateral acquired after a change of name, identity, or corporate structure of the obligor.

(7) A farm products statement substantially complying with the requirements of this section is effective even though it contains minor errors which are not seriously misleading.

NEW SECTION. Sec. 5. A secured party with a previously filed financing statement or statutory lien claim covering farm products is required to file a farm products statement. The secured party may, at its option, reference the previously filed financing statement or statutory lien claim on the farm products statement and the signature of the debtor/obligor on the previously filed statement or lien claim shall constitute compliance with the obligor signature requirement under section 4(3)(b) of this act. The priority of the filing of the farm products statement shall relate back to the filing date of the previously filed financing statement or statutory lien claim, for the purposes of determining priority against other farm products statements filings made under this section. The secured party with a previously filed financing statement or statutory lien claim covering farm products may file its farm products statement anytime during a thirty-day time period preceding the implementation of the central filing system.

NEW SECTION. Sec. 6. (1) Except as provided in subsection (2) of this section, conflicting security interests and contract interests in farm products created by farm products statements rank according to priority in time of filing.

(2) The priorities set forth in chapter 60.11 RCW regarding crop liens and in chapter 60.13 RCW regarding processor and preparer liens shall govern the priorities regarding security interests and contract interests in farm products where applicable.

(3) A buyer of farm products, buys and takes free of a security interest created by his or her seller, and a commission merchant or selling agent who in the ordinary course of business sells farm products for a person engaged in farming operations buys, takes, and sells free of a security interest created by his or her seller, even though the security interest is perfected and the buyer, commission merchant, or selling agent knows of the existence of such interest if, prior to the purchase of farm products:

(a) The buyer, commission merchant, or selling agent has registered with the department of licensing under section 12 of this act, and:

(i) The secured party has not filed a farm products statement with the department of licensing under section 4 of this act; or

(ii) The department of licensing fails to disclose a filed farm products statement in its distribution of master lists or response to inquiry from such buyer, commission merchant, or selling agent; or

(iii) The buyer, commission merchant, or selling agent has filed a farm products statement before the secured party has filed a farm products statement; or

(b) The buyer of farm products, commission merchant, or selling agent has not received from the secured party or seller, within one year before the sale of the farm products or before the filing of a farm products statement by the buyer of farm products, commission merchant, or selling agent, written notice of the security interest containing:

(i) The name and address of the secured party;

(ii) The name and address of the obligor;

(iii) The social security number of the obligor or, in the case of an obligor doing business other than as an individual, the obligor's federal internal revenue service taxpayer identification number;

(iv) A description by category of the farm products subject to the security interest, including the amount of such products, if applicable;

(v) The crop year;

(vi) The county or counties where the farm products are produced and, if less than all of such farm products in a county are claimed, a reasonable description of the real property; and
(vii) Any payment obligations imposed by the secured party as a condition for waiver or release of the security interest; or

(c) The buyer, commission merchant, or selling agent has obtained a waiver from the secured party by performing any payment obligation or otherwise.

NEW SECTION. Sec. 7. (1) A filed farm products statement is effective for a period of five years from the date of filing unless a shorter time period is elected by the person filing the statement. A person electing a shorter time period shall indicate the time period of effectiveness on the farm products statement and the statement shall automatically terminate upon expiration of the time period elected. If the person filing the statement fails to make an election, the filing party is required to file a termination statement under section 8 of this act if they wish to terminate the statement prior to the expiration of the five-year period. The effectiveness of a filed farm products statement lapses on the expiration of the applicable time period, unless a continuation statement is filed prior to the lapse.

(2) A continuation statement may be filed by the secured party or buyer of farm products regarding a farm products statement within six months prior to the expiration of the five-year or other applicable time period specified in subsection (1) of this section. Any such continuation statement must be signed by the secured party or buyer of farm products, must identify the original statement by file number, and must state that the original statement is still effective.

(3) Upon timely filing of the continuation statement, the effectiveness of the original statement is continued for the same time period as the original statement, from the date it would have expired whereupon it lapses in the same manner as provided in subsection (1) of this section unless another continuation statement is filed prior to such lapse. Succeeding continuation statements may be filed in the same manner to continue the effectiveness of the original statement.

(4) If a filed farm products statement exists at the time insolvency proceedings are commenced by or against the obligor, the farm products statement remains in effect until termination of the insolvency proceedings and thereafter for a period of sixty days, or until expiration of the applicable time period, whichever occurs later.

(5) Upon lapse of the farm products statement, the security interest or contract interest in the farm products becomes unperfected and the farm products statement is void and of no further force and effect. If the security interest or contract interest becomes unperfected upon lapse, it is deemed to have been unperfected as against a person who became a purchaser or lien creditor before lapse.

NEW SECTION. Sec. 8. (1) A secured party or buyer of farm products is required to file a termination statement with the department of licensing whenever there is no outstanding secured obligation and no commitment to make advances, incur obligations, or otherwise give value. The termination statement must provide that the secured party or buyer of farm products no longer claims a security interest or contract interest under the farm products statement, which shall be identified by file number.

(2) If a secured party or a buyer of farm products who has filed a farm products statement fails to file a termination statement regarding that farm products statement as required under subsection (1) of this section, the obligor may demand in writing that the secured party or buyer of farm products file a termination statement. If a secured party or buyer of farm products fails to file the termination statement within ten days of demand by the obligor, then the secured party or buyer of farm products shall be liable to the obligor for the sum of one hundred dollars plus an additional one hundred dollars per day for each day of delay without reasonable excuse between the date the termination statement should have been filed and the date it is filed, plus compensation for any loss caused to the obligor by the failure.

NEW SECTION. Sec. 9. A secured party or buyer of farm products of record may by his or her signed statement release all or a part of any collateral described in a filed
farm products statement. The statement of release is sufficient if it contains a description of the collateral being released, the name and address of the obligor, the name and address of the secured party or buyer of farm products, and the file number of the farm products statement.

NEW SECTION. Sec. 10. (1) A farm products statement may disclose an assignment of a security interest or contract interest in the collateral described in the farm products statement by indication in the farm products statement of the name and address of the assignee or by an assignment itself or a copy thereof on the face or back of the statement.

(2) A secured party or buyer of farm products may assign all or a part of his or her rights under a farm products statement by the filing in the department of licensing of an amended farm products statement providing the name and address of the assignee as the secured party or buyer of farm products in addition to the other information required in a farm products statement.

(3) After the disclosure or filing of an amended farm products statement under this section, the assignee shall be the secured party or buyer of farm products of record.

NEW SECTION. Sec. 11. (1) The risk of loss caused by an error falls on the party committing the error. If a secured party or buyer of farm products fails to properly complete or file a farm products statement, the secured party or buyer of farm products bears the loss. If a buyer of farm products, commission merchant, or selling agent fails to provide the department of licensing with the correct information regarding the obligor or fails to observe farm products statements properly disclosed to them, the buyer of farm products, commission merchant, or selling agent bears the loss. If the department of licensing fails to properly file or disclose a farm products statement, the department is liable for any losses or damages incurred as a result of such action or inaction.

(2) If an obligor signs a farm products statement which contains an erroneous obligor name, social security number, tax identification number, or departmental number, the obligor will be liable for all losses or damages incurred as a result of the erroneous information; the obligor will be presumed to have committed fraud; and the obligor’s liability shall be nondischargeable in bankruptcy.

NEW SECTION. Sec. 12. (1) The department of licensing shall develop and implement a central filing system containing the information filed with it pursuant to section 4(3) of this act. Under this system, the department shall record the date and time of filing and compile the information into a master list:

(a) That is capable of being reported according to categories of farm products, further subdivided in the following ways:

(i) In alphabetical order according to the last name of the individual obligors, or, in the case of obligors doing business other than as individuals, the first word not an article in the name of such obligors; and

(iii) Geographically by county; and

(iv) By crop year; and

(b) That is capable of being reported by a departmental numbering system which shall be cross-referenced with the social security number, the tax identification number, and the name of the obligor.

(2) The department of licensing shall maintain a list of all buyers of farm products, commission merchants, selling agents, and other persons who register with the department on a form indicating:

(a) The name and address of each buyer, commission merchant, and selling agent;

(b) The interest of each buyer, commission merchant, and selling agent in receiving the lists described in subsection (3) of this section; and
(c) The farm products in which each buyer, commission merchant, and selling agent has an interest.

(3) The department of licensing shall distribute periodically to each registrant who subscribes to the service, a copy in written or printed form of those portions of the master lists that cover the farm products in which such buyer, commission merchant, or selling agent has registered an interest.

(4) The information described in subsection (1) of this section shall be made available to registrants through electronic data transmission.

(5) The information described in subsection (1) of this section shall be made available to registrants through a toll-free telephone line.

(6) Upon the request of any person, the department of licensing shall orally provide the information described in subsection (1) of this section, followed by a written confirmation to be mailed within twenty-four hours after the telephone call.

(7) Upon the request of any person, the department shall furnish copies of particular filed farm products statements if the requestor provides the department with the file numbers of the statement to be copied.

(8) The department shall mark each farm products statement, termination statement, and statement of release with a file number and with the date and hour of filing and shall hold the statement or a microfilm or other photographic copy of the statement for public inspection. The original statement may be destroyed at any time after a microfilm or other photographic copy is made of the original statement. This microfilm or other photographic copy shall thereafter be treated as if it were the original filing for all purposes. The original, microfilm, or photographic record of any lapsed farm product statement shall not be destroyed earlier than one year after the lapse of such statement.

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 70.164.010 and 1987 c 36 s 1 are each amended to read as follows:

(a) The health, welfare, and prosperity of the people of the state of Washington require that all citizens receive essential levels of heat and electric service regardless of economic circumstance;
(b) That weatherization of the residences of low-income households will help conserve energy resources in this state and can reduce the need to obtain energy from more costly conventional energy resources;
(c) That rising energy costs have had a negative effect on the affordability of housing for low-income citizens and have made it difficult for low-income citizens of the state to afford adequate fuel for residential space heat;
(d) Weatherization of residences will lower energy consumption, making space heat more affordable for persons in low-income households, and will reduce the
uncollectible accounts of fuel suppliers resulting from low-income customers not being able to pay fuel bills;

(e) That the best time to make energy conservation improvements to existing residential dwellings is during rehabilitation;

(f) That energy conservation is an important component of housing affordability; and

(g) That the public interest is served by the health and welfare of low-income persons benefited by a substantial increase in the pace of weatherizing low-income homes.

(2) The legislature declares that it is the policy of the state:

(a) To increase the pace of weatherization activities by requiring energy suppliers to have low-income weatherization programs and by improving financial incentives for regulated utilities toward this end;

(b) That energy conservation improvements through the retrofit of existing residential dwellings shall be coordinated with rehabilitation activities funded with state resources or resources administered through the state; and

(c) To weatherize at least one-half of the existing low-income households in the state by the year 2000.

(3) The program implementing the policy of this chapter is necessary to support the poor and infirm and also to benefit the health, safety, and general welfare of all citizens of the state.

HOUSE BILL NO. 1924, by Representatives Grant, Belcher, Rasmussen, Ludwig, Bray, Rayburn and Inslee

Regulating motor fuel marketing.

The bill was read the second time. On motion of Mr. Grant, Substitute House Bill No. 1924 was substituted for House Bill No. 1924, and the substitute bill was placed on the second reading calendar.

Substitute House Bill No. 1924 was read the second time.

Mr. Grant moved adoption of the following amendment:
Strike everything after the enacting clause and insert the following:
NEW SECTION. Sec. 1. The legislature finds and declares that the distribution and sale of motor vehicle fuels in the state of Washington vitally affects the general economy of the state, the public interest, and the public welfare. The legislature further finds that there is public concern over whether there is effective competition in the motor vehicle fuels marketplace and whether there is fairness in the pricing and distribution of motor vehicle fuels in the state. A factor in the public concern is variations in motor vehicle fuel prices that appear to be unrelated to comparative marketing costs.

NEW SECTION. Sec. 2. (1) The joint select committee on motor vehicle fuels marketing is created and shall consist of ten members, three from the majority party and two from the minority party, from each of the senate and the house of representatives. There shall be cochairs, and the president of the senate shall appoint the senate members and senate chair, and the speaker of the house of representatives shall appoint the house members and house of representatives chair.

(2) The staffs of the senate and house of representatives committees on energy and utilities and transportation shall provide staff support for the joint select committee. State agencies, including the departments of transportation and ecology, the state energy office, and the attorney general, shall provide information as requested by the joint select committee. The joint select committee has the power of subpoena.

NEW SECTION. Sec. 3. (1) The joint select committee shall investigate motor vehicle fuels pricing and distribution in the state of Washington. In particular, the joint select committee shall compare, over a length of time and at various locations around the state, the prices charged by oil companies as follows: Retail motor vehicle fuel prices charged by oil company-owned and operated gas stations and wholesale prices charged by oil companies for motor vehicle fuel sold to independent gas station operators and to independent wholesale distributors of motor vehicle fuel. For consistency in the comparison, the marketing costs of company-owned and operated gas stations, independent gas stations, and independent wholesale distributors shall be investigated.
(2) The joint select committee shall determine whether there is discrimination by oil companies in the distribution of motor vehicle fuel. Also, the joint select committee shall determine whether there is unfair motor vehicle fuel pricing resulting in lessening of competition in the motor vehicle fuel marketplace. In particular, oil company marketing practices shall be evaluated as to whether they make it more difficult for small business operators to enter, remain in, or expand their business in the motor vehicle fuels marketplace.

NEW SECTION. Sec. 4. The joint select committee shall report its findings, including legislative recommendations, if any, to the senate and house of representatives committees on energy and utilities by December 1, 1991. This act expires June 30, 1992."

Representatives Grant and Jones spoke in favor of adoption of the amendment, and Representatives Miller, May and Ferguson spoke against it. The amendment was adopted.

With consent of the House, the following amendment by Representative Grant to the title was adopted:

In line 1 of the title, after "fuels;" strike the remainder of the title and insert "creating new sections; and providing an expiration date."

With consent of the House, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

ROLL CALL

(f) By twenty-six, if the worker was normally employed six days a week;
(g) By thirty, if the worker was normally employed seven days a week.

The term "wages" shall include the reasonable value of board, housing, fuel, or other consideration of like nature received from the employer as part of the contract of hire, but shall not include overtime pay except in cases under subsection (2) of this section. However, tips shall also be considered wages only to the extent such tips are reported to the employer for federal income tax purposes. The daily wage shall be the hourly wage multiplied by the number of hours the worker is normally employed. The number of hours the worker is normally employed shall be determined by the department in a fair and reasonable manner, which may include averaging the number of hours worked per day.

(2) In cases where (a) the worker's employment is exclusively seasonal in nature or (b) the worker's current employment or his or her relation to his or her employment is essentially part-time or intermittent, the monthly wage shall be determined by dividing by twelve the total wages earned, including overtime, from all employment in any twelve
successive calendar months preceding the injury which fairly represent the claimant's employment pattern.

(3) If, within the twelve months immediately preceding the injury, the worker has received from the employer at the time of injury a bonus as part of the contract of hire, the average monthly value of such bonus shall be included in determining the worker's monthly wages.

(4) The average monthly wage of a jockey or apprentice jockey is based upon all earnings, including earnings from outside the state. The department shall adopt the rules necessary for gathering and computing the wage information required for compliance with this subsection.

(5) In cases where a wage has not been fixed or cannot be reasonably and fairly determined, the monthly wage shall be computed on the basis of the usual wage paid other employees engaged in like or similar occupations where the wages are fixed.

Sec. 5. RCW 51.16.140 and 1989 c 385 s 3 are each amended to read as follows:

(1) Every employer who is not a self-insurer shall deduct from the pay of each of his or her workers one-half of the amount he or she is required to pay, for medical benefits within each risk classification. Such amount shall be periodically determined by the director and reported by him or her to all employers under this title: PROVIDED, That the state governmental unit shall pay the entire amount into the medical aid fund for volunteers, as defined in RCW 51.12.035, and the state apprenticeship council shall pay the entire amount into the medical aid fund for registered apprentices or trainees, for the purposes of RCW 51.12.130. The deduction under this section is not authorized for premiums assessed under RCW 51.16.210, except as specifically authorized in RCW 51.16.210(5)(b).

(2) It shall be unlawful for the employer, unless specifically authorized by this title, to deduct or obtain any part of the premium or other costs required to be by him or her paid from the wages or earnings of any of his or her workers, and the making of or attempt to make any such deduction shall be a gross misdemeanor.

Sec. 1. RCW 36.70A.010 and 1990 1st ex.s. c 17 s 1 are each amended to read as follows:

LEGISLATIVE FINDINGS. The legislature finds that uncoordinated and unplanned growth, together with a lack of common goals expressing the public's interest in the conservation and the wise use of our lands, pose a threat to the environment, sustainable economic development, and the health, safety, and high quality of life enjoyed by residents of this state. The legislature further finds that the lack of common goals and the absence of effective methods and procedures to plan for environmentally sound land
use to accommodate new economic and population growth at the local and regional level have contributed to severe problems and conflicts. These have affected land use, transportation, water quality and availability, air quality, the health of sensitive lands, the maintenance of agricultural and forest lands, the cost of housing, and economic vitality of local communities and regions in the state. It is in the public interest that citizens, communities, regions, state government, local governments, tribal governments, and the private sector cooperate and coordinate with one another in comprehensive land use planning. A new system of land use planning and governance is needed to provide for the growth and continued vitality of the state’s diverse communities and regions. It must be built upon and promote local accountability and initiative and the active involvement of citizens. It must also provide effective protection for the state’s environmental heritage, conservation of its natural beauty, maintenance of its forest and agricultural lands in a productive and sustainable fashion, and the protection of its critical areas and limited water resources. The legislature further finds that the new system of land use planning must reflect and further the following values:

(1) Land use planning should respect local decision making -- land use planning and growth management should be based on activity in local communities, managed with attention to detail, where diverse citizen concerns can be effectively addressed. Planning should provide greater predictability in the development process by effectively resolving land use disputes earlier in the process.

(2) State government should provide a framework for local planning and environmental and natural resource protection -- state action should support local land use planning and conservation activities. The state should provide guidance and assistance for local planning, assurance of effective local action, and a means for resolving disputes concerning land use planning, development, and the maintenance and protection of critical areas, agricultural lands, forest lands, mineral resource lands, and open space. State government should act consistently with counties and cities, following common rules governing planning, land use, environmental protection, and natural resource conservation.

(3) Elected officials should be accountable for planning decisions -- land use planning decisions have long-term and complex impacts and affect numerous citizens and communities. Therefore, accountability for such decisions should rest with officials elected by and accountable to the public to the maximum extent feasible.

(4) Land use planning disputes should be resolved, when possible, using methods that recognize the value of the positions and needs of all parties to the dispute, resolving disputes through the judicial system only when such methods are not successful.

(5) Necessary regional and state public facilities should be located in a way that the burden of meeting public needs is shared fairly by the communities in a region, and primary responsibility for locating needed facilities should rest with the publicly accountable officials in local regions.

(6) Encouraging strong economies in the state’s diverse regions -- the state has a continuing interest in furthering sustainable regional economic growth and vitality. Rapid economic growth has resulted in severe land use and environmental problems in fast-growing regions of the state. The long-term interest of the state’s citizens is served best when all of the state’s regions have vital economies. A vital regional economy is one which is diverse, competitive in global terms, economically and environmentally sustainable, offers opportunities for new enterprise, and provides ample family-wage employment for its citizens. The state should be an active participant in encouraging economic vitality in the state’s regions, in partnership with counties, cities, citizens, and the private sector. Effective action to encourage economic development should include regional economic development planning, adequate infrastructure, and local and state action to increase the economic capacity of the state’s regions. Further, the legislature finds that it is in the public interest that economic development programs be shared with communities experiencing insufficient economic growth.
It is the intent of the legislature to address growth management and planning issues from state, regional, and local perspectives, to establish certain requirements on a statewide basis, to permit such requirements to be met by counties and cities with maximum local flexibility, to require consistency in the planning of adjacent jurisdictions, to encourage cooperative planning between adjacent jurisdictions, and between adjacent jurisdictions and tribal governments, to provide adequate time to conform with such requirements, to prevent new development which is inconsistent with these requirements from taking place during the interim, and to provide resources to support such efforts in the form of both financial and technical assistance. It is the intent of the legislature to establish a process and system of planning and growth management emphasizing a shared responsibility between the state and counties and cities and including a fair and open process that allows counties and cities broad flexibility to meet the goals and requirements contained in this chapter in a manner best adapted to their local circumstances and diversity. It is not the intent of the legislature to establish a single comprehensive plan applicable without variation throughout the state. Instead, counties and cities are given broad flexibility to tailor a custom fit in their comprehensive plans to meet the goals and requirements contained in this chapter. It is the intent of the legislature to establish certain state-wide requirements and to designate a state role regarding natural resources of state-wide significance and where natural resources planning involves multiple jurisdictions.

Where appropriate, counties and cities should consult with tribal governments and special districts located within their boundaries when developing comprehensive plans and development regulations.

Sec. 2. RCW 36.70A.030 and 1990 1st ex.s. c 17 s 3 are each amended to read as follows:

"PART I - PLANNING GOALS"

Sec. 3. RCW 36.70A.020 and 1990 1st ex.s. c 17 s 2 are each amended to read as follows:

PLANNING GOALS. The plans, regulations, and actions, including expenditures of state-appropriated funds, of state agencies, counties, and cities that are required or
choose to plan under RCW 36.70A.040, and special districts located in counties that are required or choose to plan under RCW 36.70A.040, shall conform to and support the following goals (are adopted to guide the development and adoption of comprehensive plans and development regulations of those counties and cities that are required or choose to plan under RCW 36.70A.040. The following goals) which are not listed in order of priority (and shall be used exclusively for the purpose of guiding the development of comprehensive plans and development regulations):

1. Urban growth areas. (Encourage) Urban development shall occur in urban growth areas where adequate public facilities and services exist or can be provided in an efficient manner.

   Urban growth areas should have concentrated employment centers, separated by adequate open space and protection of critical areas, and need not be uniformly urban in nature.

2. Reduce sprawl. Reduce the inappropriate conversion of undeveloped land into sprawling, low-density development.

3. Transportation. (Encourage efficient multimodal transportation systems that are) Link transportation systems and land use to maintain acceptable levels of transportation service, coordinate the development of transportation facilities between jurisdictions based on regional priorities (and coordinated with county and city comprehensive plans), and develop efficient multimodal transportation systems that include alternatives to single automobile travel and preserve the operational and structural integrity of the transportation system.

4. Housing. (Encourage the availability of affordable) Ensure housing for all economic segments of the population of this state, participate in making available a fair share of affordable housing, including affordable housing for people with special needs, promote zoning classifications which allow a variety of residential densities and housing types, and encourage preservation of existing housing stock, and assure that housing complies with local, state, and federal fair housing laws.

5. Economic development. Encourage economic development throughout the state that is consistent with adopted comprehensive plans, promote economic opportunity for all citizens of this state, especially for unemployed and for disadvantaged persons, build a network of strong regional economies, including urban-rural linkages, and encourage growth in areas experiencing insufficient economic growth, all within the capacities of the state’s natural resources, public services, and public facilities.

6. Property rights. Private property shall not be taken for public use without just compensation having been made. The property rights of landowners shall be protected from arbitrary and discriminatory actions.

7. Permits. Applications for both state and local government permits should be processed in a timely and fair manner to ensure predictability. Overlapping, duplicative, and conflicting regulations shall be avoided.

8. Natural resource industries. Maintain and enhance natural resource-based industries, including productive timber, agricultural, and fisheries industries. Secondary land uses on agricultural lands, forest lands, and mineral resource lands shall be permitted that are related to and are designed to support the primary use of such lands for commercial agricultural, forest, or mineral resource purposes. Limited secondary land uses on agricultural lands, forest lands, and mineral resource lands may be permitted due to unique location factors of such lands, such as locating radio communication facilities. Encourage the conservation of productive forest lands and productive agricultural lands, and discourage incompatible uses.

9. Open space and recreation. Encourage the retention of open space and development of recreational opportunities, conserve fish and wildlife habitat, increase access to water, and develop parks. Open space networks
should separate neighboring cities and, where possible, be linked to regional and state-wide open space networks.

(10) Environment. Protect the environment (and enhance the state’s high quality of life), including critical areas, natural resources of state-wide significance, and air and water quality. To the fullest extent possible, integrate the requirements of RCW 43.21C.030 into the planning process and identify in the comprehensive plan the significant adverse environmental impacts and reasonable alternatives to mitigate cumulative impacts on the environment.

(11) Citizen participation and coordination. Ensure the involvement of citizens in the planning process and ensure coordination between communities and jurisdictions to reconcile conflicts.

(12) Public facilities and services. Ensure that those public facilities and services necessary to support development shall be adequate to serve the development at the time the development is available for occupancy and use without decreasing current service levels below locally established minimum standards. Public facilities shall be sited in such a manner to utilize existing public infrastructure including transportation facilities and services. Ensure the siting of regional and state public facilities, so that each county and city accepts its fair share of public facilities and no community is overburdened.

(13) Historic preservation. Identify and encourage the preservation of lands, districts, sites, and structures, that have historical or archaeological significance.

(14) Water resources. Land use planning and all permit decisions should both protect water quality and quantity and if there is a demand for additional water resources, the demand must be compatible with water resource plans. New growth must be related to water availability. New growth using water for domestic or industrial purposes should be located in the vicinity of where sufficient water resources exist without transporting water significant distances. Each county and its cities must integrate water resource planning for consumptive and nonconsumptive uses into its land use plan to, foremost, ensure the continuous ready supply of fresh and potable water in the amounts necessary to sustain the general good health of all of its residents. Water is key for fish, wildlife, domestic use, industrial use, power, agriculture, aesthetics, and recreation.

(15) Air quality. Land use planning and permit decisions must recognize their effect on air quality and mitigate these effects to the extent possible.

(16) Public utilities. Provide for adequate public utilities by assuring that land will be available for the location of public utilities, including location within transportation corridors, so that efficient, reliable, and cost-effective utility service can be provided.

(17) Support of public institutions. Ensure that state trust lands can be managed for the support of public institutions in accordance with federal law and state law constitutional and statutory requirements. Protect state trust lands from arbitrary or discriminatory land use actions.

"PART II - LOCAL PLANNING"

Sec. 4. RCW 36.70A.040 and 1990 1st ex.s. c 17 s 4 are each amended to read as follows:

WHO MUST PLAN. (1) ((Each county that)) The following counties, and the cities located in whole or in part within such counties, shall adopt comprehensive land use plans and development regulations in accordance with this chapter: (a) The county has a population of one hundred thousand or more; (b) the county has both a population of fifty thousand or more and has had its population increase by more than ten percent in the previous ten years; and (c) any other county regardless of its population that has had its population increase by more than twenty percent in the previous ten years; and the cities located within such county, shall adopt comprehensive land use plans and development regulations under this chapter. However, the county legislative authority of such a county with a population of less than fifty thousand population may adopt a resolution removing the county, and the cities located...
within the county, from the requirements of adopting comprehensive land use plans and development regulations under this chapter if this resolution is adopted and filed with the department by December 31, 1990). Once a county meets ((either)) one of these criteria, the requirement to conform with ((RCW 36.70A.040 through 36.70A.160)) this chapter remains in effect, even if the county no longer meets one of these criteria.

(2) The county legislative authority of any county that does not meet the requirements of subsection (1) of this section may adopt a resolution indicating its intention to have subsection (1) of this section apply to the county. Each city, located in whole or in part within a county that chooses to plan under this subsection, shall adopt a comprehensive land use plan in accordance with this chapter. Once such a resolution has been adopted, the county cannot remove itself from the requirements of this chapter.

(3) Any county or city that is required to adopt a comprehensive land use plan under subsection (1) of this section shall adopt the plan and submit a copy of the plan to the department on or before July 1, 1993. Any county or city that is required to adopt a comprehensive land use plan as a result of the actions taken under subsection (2) of this section shall adopt ((the)): (a) Development regulations under RCW 36.70A.060 within one year from the date the county legislative authority adopts the resolution under subsection (2) of this section; (b) a comprehensive plan not later than three years from the date the county legislative body takes action as required by subsection (2) of this section; and (c) development regulations implementing the comprehensive plan within one year of the date its comprehensive plan is adopted.

(4) If after January 1, 1991, the office of financial management certifies that ((the population of a county has changed sufficiently to meet the requirements of subsection (1) of this section, and the county legislative authority has not adopted a resolution removing the county from these requirements as provided in subsection (1) of this section)) a county, that previously had not been required to plan under this chapter as specified under subsection (1) or (2) of this section, meets the requirements of subsection (1) of this section to become required to plan under this chapter, the county and each city within such county shall adopt: (a) Development regulations under RCW 36.70A.060 within one year of the certification by the office of financial management; (b) a comprehensive land use plan under this chapter within three years of the certification by the office of financial management; and (c) development regulations pursuant to this chapter within one year of having adopted its comprehensive land use plan.

Sec. 5. RCW 36.70A.070 and 1990 1st ex.s. c 17 s 7 are each amended to read as follows:

COMPREHENSIVE PLANS--MANDATORY ELEMENTS. The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140.

Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall include designation of agricultural lands, forest lands, mineral resource lands, critical areas, natural resources of state-wide significance, and lands for open space as provided in section 39 of this act. Each county shall include urban growth areas as established in RCW 36.70A.110 in its comprehensive land use plan. The land use element shall provide
for protection of the quality and quantity of ground water and surface bodies of water used for public water supplies and shall recognize that water availability and quality are key factors in determining the extent, location, distribution, and intensity of land uses. Where applicable, the land use element shall review drainage, flooding, and storm water run-off in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound.

The element shall incorporate noise exposure standards as defined by the department of ecology, identification of sources, including those from transportation facilities, and noise mitigation measures.

The land use element shall provide for the protection of air quality by limiting or conditioning development so that the development will not cause either direct or indirect degradation of air quality below acceptable standards.

(2)(a) A housing element recognizing the vitality and character of established residential neighborhoods that: ((W)) ill.

Includes an inventory and analysis of existing and projected housing needs; ((fbt)) ili2.

Includes a statement of goals, policies, and objectives for the preservation, improvement, and development of housing and for meeting fair share affordable housing goals within the city or county; ((e)) and (iii) identifies and accommodates sufficient developable land for a range of housing types, including, but not limited to, government-assisted housing, housing for people with special needs, housing for low-income families, manufactured housing, multifamily housing, and group homes and foster care facilities((; and (d) makes adequate provisions for existing and projected needs of all economic segments of the community)).

(b) All counties with a population of one hundred twenty-five thousand or more, and cities with a population of twenty thousand or more located within those counties, are also required to include within the housing element: (i) As part of the analysis of existing and projected housing needs, a jobs-housing balance consisting of at least a comparison between the supply of housing and the number of jobs projected in the next ten years in the city or county. The jobs-housing balance must include an assessment of affordable housing; (ii) identification of sufficient densities for a range of housing types; (iii) identification of zoning restrictions that unduly limit density or which unreasonably increase housing development costs; (iv) at least a ten to twenty-year plan for the preservation and development of affordable housing and for meeting the jurisdiction's fair share affordable housing goals. The plan must realistically project the amount of low-income housing units that will be needed in the jurisdiction in the next ten to twenty years, and alternative public and private financing sources; and (v) identification of ways to minimize the displacement of residents from housing.

(c) The department shall develop rules for exempting cities that are already developed near capacity and consist primarily of single-family homes from any of the provisions of (b) of this subsection.

(d) In furtherance of affordable housing objectives, for land use and zoning purposes, manufactured housing that meets the definition of a designated manufactured home, as provided in RCW 35.63.160 1 shall be permitted as single-family housing in undeveloped parts of the urban growth area. Cities and counties are also encouraged to facilitate the siting of mobile home parks in furtherance of affordable housing objectives by decreasing lot size and setback requirements, and by allowing mobile home parks to be sited the same as other residential subdivisions.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; ((am)) (e) an evaluation of
methods of meeting demands for capital facilities that are alternatives to construction, such as conservation or demand management; and (f) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The rural element shall permit land uses that are compatible with the rural character of such lands and provide for a variety of rural densities and do not foster urban growth.

(6) A transportation element that implements, and is consistent with, the land use element. The transportation element shall include the following subelements:
   (a) Land use assumptions used in estimating travel;
   (b) Facilities and services needs, including:
      (i) An inventory of air, water, and land transportation facilities and services, including transit alignments, to define existing capital facilities and travel levels as a basis for future planning;
      (ii) Level of service standards for all arterials and transit routes to serve as a gauge to judge performance of the system. These standards (should) shall, when practicable, address mode split and vehicle occupancy goals and also be regionally coordinated;
      (iii) Specific actions and requirements for bringing into compliance any facilities or services that are below an established level of service standard;
      (iv) Forecasts of traffic for at least ten years, and twenty years if practicable, based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;
      (v) Identification of transportation system management and system expansion needs (and transportation system management needs) to meet current and future demands, including system management or facilities needed for regional or state-wide purposes;
      (vi) Identification of noise mitigation measures needed for existing or planned transportation facilities as identified in the land use element;
   (c) Finance, including:
      (i) An analysis of funding capability to judge needs against probable funding resources;
      (ii) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems;
      (iii) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;
      (d) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;
      (e) Strategies for reducing the impact of transportation on air quality in conformity with the state implementation plan on air quality;

(f) Demand-management strategies.

After adoption of the comprehensive plan by (jurisdictions) counties and cities required to plan or who choose to plan under RCW 36.70A.040, (local jurisdictions) such counties and cities must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a transportation facility to decline below the standards adopted in the transportation element of the comprehensive
plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. (These strategies) Counties and cities may exempt limited high-density areas from the level of service standards requirement provided that the level of service for nonsingle occupant vehicles is improved through strategies which may include increased public (transportation) transit service, ride sharing programs, demand management, and other transportation systems management strategies. The purpose of the exemption is to permit higher density development in certain areas which is conducive to alternatives to the single-occupant vehicle, including public transit. For the purposes of this subsection (6) "concurrent with the development" shall mean that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years.

The transportation element described in this subsection, and the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems, must be consistent. (7) An environmental management element that ensures that cumulative impacts and standards are considered and mitigation efforts are incorporated into land use, economic development, and infrastructure to protect, and when appropriate, to enhance environmental quality. Plans should minimize development and growth impacts on the environment so as not to degrade air, water, and natural resources below acceptable standards. Plans should specify service standards for public facilities and services and mitigation polices to provide better certainty in the development process. Before new development is approved, adequate solid waste facilities and opportunities for recycling and source reduction should be provided. (8) An open space element that provides for local and regional parks, outdoor recreation facilities, trails, resource conservation areas, natural vistas, and greenbelts within and between designated urban growth areas. To the extent possible, open spaces should be linked in a coordinated regional and state-wide network and should be designated permanent open space only if funds or other compensatory techniques are available for acquisition consistent with section 44 of this act. (9) A fair share element for siting state and regional public facilities for: (a) Holding or housing persons who have been arrested or convicted of crimes; and (b) the reduction, recycling, or disposal of solid waste. (10) An historic sites and buildings element that includes but is not limited to, sites listed in or eligible for the Washington state register of historic places, the national register of historic places, or for designation under a local historic preservation ordinance. (11) An economic development element that includes an economic profile of the county or city addressing the economic patterns, potentials, strengths, and weaknesses, and which may include: (a) Methods to strengthen the economic base of the county or city; (b) Identification of an adequate supply of sites of suitable sizes, types, locations, and service levels for industrial and commercial uses; (c) Compatible uses on or near sites that are zoned for industrial or commercial activity; and (d) A description that details how the land use and capital facilities elements of the comprehensive plan carry out the goals and objectives of the economic development element. (12) A private property element that establishes an orderly, consistent process that better enables government agencies to evaluate whether proposed regulatory or administrative actions may result in a taking of private property or violation of due process. It is not the purpose of this subsection to expand or reduce the scope of private property protections provided in the state and federal Constitutions.
(13) Each county with a population of four hundred fifty thousand or more, and the cities with a population of twenty thousand or more located within such counties, shall include a design element, which at a minimum, addresses bulk and scale of new buildings in or adjacent to developed areas.

Sec. 6. RCW 36.70A.080 and 1990 1st ex.s. c 17 s 8 are each amended to read as follows:

COMPREHENSIVE PLANS--OPTIONAL ELEMENTS. (1) A comprehensive plan may include additional elements, items, or studies dealing with other subjects relating to the physical development within its jurisdiction, including, but not limited to:

(a) Conservation;
(b) Solar energy; ((and))
(c) Human resource development;
(d) Cultural resources; and
(e) A design element that enables communities to harmoniously fit new development with planned or existing community character and vision.

(2) A comprehensive plan may include, where appropriate, subarea plans, each of which is consistent with the comprehensive plan.

Sec. 7. RCW 36.70A.110 and 1990 1st ex.s. c 17 s 11 are each amended to read as follows:

COMPREHENSIVE PLANS--URBAN GROWTH AREAS. (1) Each county that is required or chooses to ((adopt a comprehensive land-use)) plan under RCW 36.70A.040 shall designate an urban growth area or areas in its comprehensive plan within which urban growth shall be encouraged and outside of which growth can occur only if it is not urban in nature. Each city that is located in such a county shall be included within an urban growth area. An urban growth area may include more than a single city. An urban growth area may include territory that is located outside of a city only if such territory already is characterized by urban growth ((or)) is adjacent to territory already characterized by urban growth or meets the conditions for establishing new fully contained communities under section 11 of this act.

(2) Based upon the population forecast made for the county by the office of financial management, the urban growth areas in the county shall include areas and densities sufficient to permit the urban growth that is projected to occur in the county for the succeeding ((twenty-year)) ten-year period. Development densities should be sufficient to: (a) Protect open space, natural features and parks, agricultural lands, forest lands, mineral resource lands, and critical areas within and outside of urban growth areas; (b) promote affordable housing; and (c) promote alternatives to single-occupancy vehicle travel. Additionally, the county shall include a second-tier area to accommodate urban growth that is projected to occur in the county for a twenty-year period. The ten-year tier must be developed substantially before suburban or urban development is permitted beyond the ten-year tier. The ten-year and twenty-year urban growth area tiers in a county shall be established in such a manner as to not permit a significantly greater extent of urban growth than is projected to occur in the county within those time periods. Each urban growth area shall permit urban densities and shall include greenbelt and open space areas. Within one year of July 1, 1990, each county required to designate urban growth areas shall begin consulting with each city located within its boundaries and each city shall propose the location of an urban growth area. The county and cities located within the county shall attempt to reach agreement ((with each city)) on the location of ((an)) urban growth areas ((within which the city is located)) within the county. If such an agreement is not reached ((with each city located within the urban growth area)), the county shall justify in writing why it so designated the area or areas an urban growth area or urban growth areas. A city may object formally ((with)) to the department over the designation of the urban growth area within which it is located. Where appropriate, the department shall attempt to resolve the conflicts, including the use of mediation services.
(3) Urban growth should be located first in areas already characterized by urban growth that have existing public facility and service capacities to serve such development, and second in areas already characterized by urban growth that will be served by a combination of both existing public facilities and services and any additional needed public facilities and services that are provided by either public or private sources. Further, it is appropriate that urban government services be provided by cities, and urban government services should not be provided in rural areas.

(4) New development should be designed to respect the planned and existing character of neighborhoods and to mitigate the effect on the environment, including air quality.

(5) Areas for potential annexation or potential incorporation shall be designated in portions of urban growth areas outside of cities. These areas shall relate the potential annexation or incorporation areas with local development patterns, address density, and identify the needed service providers without proliferating special purpose districts, and may include possible sequences or timing for the potential annexations or incorporations.

(6) Open space and lands with significant natural limitations shall be excluded in computing urban area density.

(7) At its option, a county may refer to any or all of the urban growth areas that it establishes as urban service areas.

NEW SECTION. Sec. 8. INTERIM URBAN GROWTH AREAS. (1) A city shall not annex territory located beyond an interim urban growth area established by a county planning under RCW 36.70A.040. A city shall not incorporate territory located beyond an interim urban growth area established by a county planning under RCW 36.70A.040.

(2) Counties that designate interim urban growth areas shall do so based on urban growth areas already established as of the effective date of this act or pursuant to the provisions contained in RCW 36.70A.110(1). Urban growth shall not be allowed outside of the interim urban growth areas. The provisions of RCW 36.70A.110 (2) through (7) shall not apply to the designation of interim urban growth areas.

Sec. 9. RCW 36.70A.130 and 1990 1st ex.s. c 17 s 13 are each amended to read as follows:

URBAN GROWTH AREA REVIEW. (1) Each comprehensive land use plan and development regulations shall be subject to continuing evaluation and review by the county or city that adopted them. Any amendment or revision to a comprehensive land use plan shall conform to this chapter, and any change to development regulations shall be consistent with and implement the comprehensive plan.

(2) Each county and city shall establish procedures whereby proposed amendments or revisions of the comprehensive plan are considered by the governing body of the county or city no more frequently than once every year. All proposals shall be considered by the governing body concurrently so the cumulative effect of the various proposals can be ascertained. However, a county or city may adopt amendments or revisions to its comprehensive plan that conform with this chapter whenever an emergency exists.

(3) Each county that designates urban growth areas under RCW 36.70A.110 shall review, at least every ten years, its designated urban growth area or areas, and the densities permitted within both the incorporated and unincorporated portions of each urban growth area. However, each county with a population of four hundred fifty thousand or more shall review its urban growth area or areas at least every five years. In conjunction with this review by the county, each city located within an urban growth area shall review the densities permitted within its boundaries, and the extent to which the urban growth occurring within the county has located within each city and the unincorporated portions of the urban growth areas. The county comprehensive plan designating urban growth areas, and the densities permitted in the urban growth areas by the comprehensive plans of the county and each city located within the urban growth areas, shall be revised to
accommodate the urban growth projected to occur in the county for the succeeding twenty-year period.

**NEW SECTION.** Sec. 10. A new section is added to chapter 35.02 RCW to read as follows:

**NO INCORPORATION BEYOND URBAN GROWTH BOUNDARIES.** In a county in which urban growth areas have been designated under RCW 36.70A.110, no city may be incorporated beyond an urban growth area boundary.

**NEW SECTION.** Sec. 11. **NEW FULLY CONTAINED COMMUNITIES.** A county required or choosing to plan under RCW 36.70A.040 may establish a process as part of its urban growth areas, that are designated under RCW 36.70A.110, for reviewing proposals to authorize new fully contained communities located outside of the initially designated urban growth areas. Whenever this process is included, the urban growth areas in the county shall be restricted in anticipation of a new fully contained community or communities being approved in the future. When a new fully contained community is approved, the comprehensive plan shall be amended to designate the new fully contained community as an isolated urban growth area. The process contemplates holding in reserve portions of what eventually will become isolated urban growth areas within a county. Whenever the process to allow new fully contained communities is included as part of the urban growth areas within a county, the county shall demonstrate and justify how it restricted its urban growth areas in anticipation of approving a new fully contained community or communities as part of the urban growth areas within the county.

The process for reviewing proposed new fully contained communities shall include broad public participation. The applicant for the proposed new fully contained community shall prepare a proposed subarea plan for the area within which the new fully contained community is proposed to be located that demonstrates how growth-inducing impacts and urban and suburban growth will be precluded from occurring in the vicinity of the new fully contained community. A new fully contained community shall be surrounded by open space corridors and greenbelt areas. The process by which a new fully contained community is approved shall permit the transfer of development rights from property in the near vicinity of the proposed new fully contained community to the proposed new fully contained community. A new fully contained community shall not be located in a critical area or on natural resource lands. New fully contained communities shall be consistent with the requirements of this chapter. In addition, a new fully contained community may be approved only if the following criteria are met:

1. New infrastructure and off-site impacts are fully considered and fully mitigated;
2. Transit-oriented site planning and traffic demand management efforts are implemented;
3. Buffers are provided between the new community and urban growth areas;
4. Provisions are made for a balance of jobs and housing;
5. Sufficient affordable housing is provided within the new fully contained community;
6. Environmental protections have been adequately addressed and provided;
7. Sufficient protection is provided to ensure the new fully contained community is self-contained and will not stimulate or accelerate urban or suburban growth in adjacent areas;
8. Provision is made to minimize impacts on designated agricultural lands, forest lands, or mineral resource lands; and
9. The plan for the new fully contained community is consistent with the development regulations established for the protection of critical areas.

**NEW SECTION.** Sec. 12. **MASTER PLANNED RESORTS.** Counties that are required or choose to plan under RCW 36.70A.040 may permit master planned resorts outside of urban growth areas as limited by this section. A master planned resort means a self-contained and fully integrated planned unit development with a primary and
dominant focus on overnight accommodations and related visitor accommodations associated with on-site recreational activities, that primarily is retained under common ownership. A master planned resort may include limited subdivision or short subdivision of land within its boundaries, but only if such divisions are a minor part of the dominant resort focus that is retained under common ownership.

A master planned resort may be authorized by a county only if the county: (1) Specifically identifies policies to guide the development of such uses in its comprehensive plan; (2) includes a finding as a part of the approval process that the land is better suited, and has more long-term importance, for the master planned resort than for the commercial harvesting of timber, if located on land that otherwise would be designated as forest land; (3) is not located on or in the near vicinity of agricultural lands; (4) includes a finding as part of the approval process that the development will not adversely affect critical areas, and includes adequate binding restrictions to ensure that the development will not adversely affect critical areas; (5) does not permit or encourage other urban or suburban land uses that are not associated directly with the master planned resort; and (6) includes adequate binding restrictions to ensure that the development will not permit or encourage such land uses.

NEW SECTION. Sec. 13. PLANS AND REGULATIONS--SPECIAL DISTRICTS MUST CONFORM. (1) All special districts shall perform all of their activities which affect land use in conformity with the land use plans and zoning ordinances of the county or city having jurisdiction in the area where the activities occur.

(2) Not later than one and one-half years after the adoption of development regulations by a county or city pursuant to RCW 36.70A.120, each special district that provides one or more of the public facilities or public services listed in this subsection, and is located within such a county or city, shall adopt or amend a capital facilities plan for its facilities that is consistent with the comprehensive plan and development regulations and indicates the existing and projected capital facilities that are necessary to serve the projected growth for the area that is served by the special district. These public facilities or public services are: (a) Sanitary sewers; (b) potable water facilities; (c) park and recreation facilities; (d) fire suppression; (e) emergency medical services; (f) libraries; (g) hospitals; (h) schools; and (i) transportation facilities or services, including public transit.

Sec. 14. RCW 82.02.050 and 1990 1st ex.s. c 17 s 43 are each amended to read as follows:

HOUSING REPLACEMENT FEE. (1) It is the intent of the legislature:

(a) To ensure that adequate facilities are available to serve new growth and development;

(b) To promote orderly growth and development by establishing standards by which counties, cities, and towns may require, by ordinance, that new growth and development pay a proportionate share of the cost of new facilities needed to serve new growth and development and that new development reducing the supply of low-income housing contribute to the cost to the community of the development of replacement low-income housing; and

(c) To ensure that impact fees are imposed through established procedures and criteria so that specific developments do not pay arbitrary fees or duplicative fees for the same impact.

(2) Counties, cities, and towns that are required or choose to plan under RCW 36.70A.040 are authorized to impose impact fees on development activity as part of the financing for public facilities, provided that the financing for system improvements to serve new development must provide for a balance between impact fees and other sources of public funds and cannot rely solely on impact fees.

(3) The impact fees:
(a) Shall only be imposed for system improvements that are reasonably related to the new development;
(b) Shall not exceed a proportionate share of the costs of system improvements that are reasonably related to the new development; and
(c) Shall be used for system improvements that will reasonably benefit the new development.

(4) Impact fees may be collected and spent only for the public facilities defined in RCW 82.02.090 which are addressed by a capital facilities plan element of a comprehensive land use plan adopted pursuant to the provisions of RCW 36.70A.070 or the provisions for comprehensive plan adoption contained in chapter 36.70, 35.63, or 35A.63 RCW, or the inherent authority of a charter county or charter city derived from its charter, or for replacement housing. After July 1, 1993, continued authorization to collect and expend impact fees shall be contingent on the county, city, or town adopting or revising a comprehensive plan in compliance with RCW 36.70A.070, and on the capital facilities plan identifying:
(a) Deficiencies in public facilities serving existing development and the means by which existing deficiencies will be eliminated within a reasonable period of time;
(b) Additional demands placed on existing public facilities by new development;
(c) Additional public facility improvements required to serve new development; and
(d) Cumulative significant adverse environmental impacts.

If the capital facilities plan of the county, city, or town is complete other than for the inclusion of those elements which are the responsibility of a special district, the county, city, or town may impose impact fees to address those public facility needs for which the county, city, or town is responsible.

(5) Any county, city, or town authorized to impose impact fees under this section may also impose a housing replacement fee on any development activity that involves the demolition of a structure previously used as low-income housing or the conversion of any such structure to use other than low-income housing. The housing replacement fee may not exceed the estimated cost to the jurisdiction of offsetting the impact of the development activity on the supply of low-income housing in the area in which the development is located. Any housing replacement fee shall be calculated by the jurisdiction in accordance with standards adopted by ordinance or regulation. All replacement housing fees shall be used to provide or finance low-income housing in the manner authorized by RCW 35.21.685 or 36.32.415.

After July 1, 1993, continued authorization to collect housing replacement fees shall be contingent on the jurisdiction adopting or revising a comprehensive plan in compliance with RCW 36.70A.070, and in compliance with the local jurisdiction's fair share affordable housing goal pursuant to chapter 36.70A RCW.

Sec. 15. RCW 82.02.090 and 1990 1st ex.s. c 17 s 48 are each amended to read as follows:

IMPACT FEES--DEFINITIONS. Unless the context clearly requires otherwise, the following definitions shall apply in RCW 82.02.050 through 82.02.090:
(1) "Development activity" means any construction or expansion of a building, structure, or use, any change in use of a building or structure, or any changes in the use of land, that creates additional demand and need for public facilities.
(2) "Development approval" means any written authorization from a county, city, or town which authorizes the commencement of development activity.
(3) "Impact fee" means a payment of money imposed upon development as a condition of development approval to pay for public facilities needed to serve new growth and development, and that is reasonably related to the new development that creates additional demand and need for public facilities, that is a proportionate share of the cost
of the public facilities, and that is used for facilities that reasonably benefit the new development. "Impact fee" does not include a reasonable permit or application fee.

(4) "Owner" means the owner of record of real property, although when real property is being purchased under a real estate contract, the purchaser shall be considered the owner of the real property if the contract is recorded.

(5) "Proportionate share" means that portion of the cost of public facility improvements that are reasonably related to the service demands and needs of new development.

(6) "Project improvements" mean site improvements and facilities that are planned and designed to provide service for a particular development project and that are necessary for the use and convenience of the occupants or users of the project, and are not system improvements. No improvement or facility included in a capital facilities plan approved by the governing body of the county, city, or town shall be considered a project improvement.

(7) "Public facilities" means the following capital facilities owned or operated by government entities: (a) Public streets and roads, sidewalks, bicycle trails, and transit stops; (b) publicly owned parks, open space, and recreation facilities; (c) school facilities; (d) low-income housing; (e) fire protection facilities in jurisdictions that are not part of a fire district; and (f) high-capacity transit systems and alternative transportation accommodations.

(8) "Service area" means a geographic area defined by a county, city, town, or intergovernmental agreement in which a defined set of public facilities provide service to development within the area. Service areas shall be designated on the basis of sound planning or engineering principles.

(9) "System improvements" mean public facilities that are included in the capital facilities plan and are designed to provide service to service areas within the community at large, in contrast to project improvements.

Sec. 16. RCW 43.21C.031 and 1983 c 117 s 1 are each amended to read as follows:

ENVIRONMENTAL IMPACT STATEMENTS. (1) An environmental impact statement (the detailed statement required by RCW 43.21C.030(2)(c)) shall be prepared on proposals for legislation and other major actions having a probable significant, adverse environmental impact. Actions categorically exempt under RCW 43.21C.110(1)(a) do not require environmental review or the preparation of an environmental impact statement under this chapter.

(2)(a) Except as provided in (b) of this subsection, an environmental impact statement is required to analyze only those probable adverse environmental impacts which are significant. Beneficial environmental impacts may be discussed. The responsible official shall consult with agencies and the public to identify such impacts and limit the scope of an environmental impact statement.

(b) An environmental impact statement for a comprehensive plan and development regulations considered for adoption under RCW 36.70A.040 shall analyze the significant adverse environmental impacts of the proposed plan and regulations.

(3) The subjects listed in RCW 43.21C.030(2)(c) need not be treated as separate sections of an environmental impact statement. Discussions of significant short-term and long-term environmental impacts, significant irrevocable commitments of natural resources, significant alternatives including mitigation measures, and significant environmental impacts which cannot be mitigated should be consolidated or included, as applicable, in those sections of an environmental impact statement where the responsible official decides they logically belong.

NEW SECTION. Sec. 17. VESTING DOCTRINE. The following rule is adopted for the vesting of rights in counties and cities that plan under this chapter: A right shall vest upon the issuance of a valid permit or preliminary plat approval. This rule shall
cease to be effective on the effective date of the final ordinance containing development regulations adopted under RCW 36.70A.120, that implement in whole the comprehensive plan adopted under this chapter within the entire planning jurisdiction of each county and city that plan under this chapter.

Sec. 18. RCW 19.27.095 and 1987 c 104 s 1 are each amended to read as follows:
BUILDING PERMIT APPLICATION--CONSIDERATION--REQUIREMENTS DEFINED BY LOCAL ORDINANCE. (1) Except as provided in section 17 of this act, a valid and fully complete building permit application for a structure, that is permitted under the zoning or other land use control ordinances in effect on the date of the application shall be considered under the building permit ordinance in effect at the time of application, and the zoning or other land use control ordinances in effect on the date of application.

(2) The requirements for a fully completed application shall be defined by local ordinance.

(3) The limitations imposed by this section shall not restrict conditions imposed under chapter 43.21C RCW.

Sec. 19. RCW 58.17.033 and 1987 c 104 s 2 are each amended to read as follows:
PROPOSED DIVISION OF LAND--REQUIREMENTS DEFINED BY LOCAL ORDINANCE. (1) Except as provided in section 17 of this act, a proposed division of land, as defined in RCW 58.17.020, shall be considered under the subdivision or short subdivision ordinance, and zoning or other land use control ordinances, in effect on the land at the time a fully completed application for preliminary plat approval of the subdivision, or short plat approval of the short subdivision, has been submitted to the appropriate county, city, or town official.

(2) The requirements for a fully completed application shall be defined by local ordinance.

(3) The limitations imposed by this section shall not restrict conditions imposed under chapter 43.21C RCW.

Sec. 20. RCW 58.17.170 and 1981 c 293 s 10 are each amended to read as follows:
SUBDIVISION, ZONING CONTROLS. When the legislative body of the city, town or county finds that the subdivision proposed for final plat approval conforms to all terms of the preliminary plat approval, and that said subdivision meets the requirements of this chapter, other applicable state laws, and any local ordinances adopted under this chapter which were in effect at the time of preliminary plat approval, it shall suitably inscribe and execute its written approval on the face of the plat. The original of said final plat shall be filed for record with the county auditor. One reproducible copy shall be furnished to the city, town or county engineer. One paper copy shall be filed with the county assessor. Paper copies shall be provided to such other agencies as may be required by ordinance. Any lots in a final plat filed for record shall be a valid land use notwithstanding any change in zoning laws for a period of five years from the date of filing, but during this five-year period are subject to any changed conditions on the valid land use contained in the current zoning or other land use control ordinances as long as the valid land use remains possible. These conditions include, but are not limited to, setback requirements and height limitations. A subdivision shall be governed by the terms of approval of the final plat, and the statutes, ordinances, and regulations in effect at the time of approval under RCW 58.17.150 (1) and (3) for a period of five years after final plat approval unless the legislative body finds that a change in conditions creates a serious threat to the public health or safety in the subdivision.

Sec. 21. RCW 36.70A.140 and 1990 1st ex.s. c 17 s 14 are each amended to read as follows:
NEIGHBORHOOD PARTICIPATION. Each county and city that is required or chooses to plan under RCW 36.70A.040 shall establish procedures providing for early and continuous public participation in the development and amendment of comprehensive land
use plans and development regulations implementing such plans. The procedures shall provide for broad dissemination of proposals and alternatives, opportunity for written comments, public meetings after effective notice, provision for open discussion, communication programs, information services, and consideration of and response to public comments. Errors in exact compliance with the established procedures shall not render the comprehensive land use plan or development regulations invalid if the spirit of the procedures is observed.

Every city with a population of twenty thousand or more that plans under RCW 36.70A.040 shall establish a neighborhood inclusion process. The process shall allow neighborhood groups an opportunity to develop a neighborhood plan that addresses how their neighborhood can help the city meet its overall goals and requirements for growth management. The neighborhood plan must be consistent with the goals, requirements, and priorities of the city, and shall be given substantial consideration by the city council. The city shall: (1) Provide neighborhood groups with a listing of what the city is required to do in order to comply with growth management provisions; (2) assist neighborhood groups with the development of the neighborhood plan when possible; (3) establish timelines for when the neighborhood plans must be submitted to the city for review; and (4) help in the development of impact mitigation measures for the neighborhood when a neighborhood increases its density, or when state or regional public facilities are sited in the neighborhood. If the neighborhood plan does not proceed in a timely manner, the city may assume control over the process and complete the plan.

Every city with a population of twenty thousand or more shall establish citizen advisory councils to assist in the development of the comprehensive land use plans and development regulations. Counties and cities may establish citizen advisory councils. The councils shall be consulted on the development of methods to meet fair share housing goals, and be consulted at key planning milestones.

Nothing in this section shall require a city to establish a neighborhood inclusion process or a citizen advisory council if the city already has a similar neighborhood inclusion process or a citizen advisory council already established.

Sec. 22. RCW 36.93.170 and 1989 c 84 s 5 are each amended to read as follows:

FACTORS FOR BOUNDARY REVIEW BOARD TO CONSIDER. In reaching a decision on a proposal or an alternative, the board shall consider the factors affecting such proposal, which shall include, but not be limited to the following:

(1) Population and territory; population density; land area and land uses; comprehensive plans and zoning, as adopted under chapter 35.63, 35A.63, or 36.70 RCW; per capita assessed valuation; topography, natural boundaries and drainage basins, proximity to other populated areas; the existence and preservation of prime agricultural soils and productive agricultural uses; the likelihood of significant growth in the area and in adjacent incorporated and unincorporated areas during the next ten years; location and most desirable future location of community facilities;

(2) Municipal services; need for municipal services; effect of ordinances, governmental codes, regulations and resolutions on existing uses; present cost and adequacy of governmental services and controls in area; prospects of governmental services from other sources; probable future needs for such services and controls; probable effect of proposal or alternative on cost and adequacy of services and controls in area and adjacent area; the effect on the finances, debt structure, and contractual obligations and rights of all affected governmental units; the added net costs for a city, town, or special district to provide services and facilities in an area that it proposes to annex; and

(3) The effect of the proposal or alternative on adjacent areas, on mutual economic and social interests, and on the local governmental structure of the county.

The provisions of chapter 43.21C RCW, State Environmental Policy, shall not apply to incorporation proceedings covered by chapter 35.02 RCW.

Sec. 23. RCW 36.93.180 and 1989 c 84 s 6 are each amended to read as follows:
OBJECTIVES OF BOUNDARY REVIEW BOARD. The decisions of the boundary review board shall attempt to achieve the following objectives:

1. Preservation of natural neighborhoods and communities;
2. Use of physical boundaries, including but not limited to bodies of water, highways, and land contours;
3. Creation and preservation of logical service areas;
4. Prevention of abnormally irregular boundaries;
5. Discouragement of multiple incorporations of small cities and encouragement of incorporation of cities in excess of ten thousand population in heavily populated urban areas;
6. Dissolution of inactive special purpose districts;
7. Adjustment of impractical boundaries;
8. Incorporation as cities or towns or annexation to cities or towns of unincorporated areas which are urban in character;
9. Protection of agricultural and rural lands which are designated for long term productive agricultural and resource use by a comprehensive plan adopted by the county legislative authority;
10. Evaluation of whether the proposed annexation by a city or town, or proposed incorporation of a city or town, in a county that is required or chooses to plan under RCW 36.70A.040, is located within an urban growth area and is consistent with the annexation and incorporation portions of the urban growth area. Cities and towns located in a county that is required or chooses to plan under RCW 36.70A.040 shall not annex areas outside of an urban growth area. A city or town shall not be incorporated outside of an urban growth area in any county that is required or chooses to plan under RCW 36.70A.040.

NEW SECTION. Sec. 24. A new section is added to chapter 36.93 RCW to read as follows:

POWER TO DISBAND BOUNDARY REVIEW BOARD. When a county has adopted a comprehensive plan and consistent development regulations pursuant to the provisions of chapter 36.70A RCW and this act, the county may at the discretion of the county legislative authority, disband the boundary review board in that county.

Sec. 25. RCW 35.13.130 and 1990 c 33 s 566 are each amended to read as follows:

PETITION METHOD--PETITION--SIGNERS--CONTENT. A petition for annexation of an area contiguous to a city or town may be made in writing addressed to and filed with the legislative body of the municipality to which annexation is desired. Except where all the property sought to be annexed is property of a school district, and the school directors thereof file the petition for annexation as in RCW 28A.335.110 authorized, the petition must be signed by the owners of not less than seventy-five percent in value according to the assessed valuation for general taxation of the property for which annexation is petitioned, except the petition for a city or town that is located in a county planning under RCW 36.70A.040, to annex property located in such a county, must be signed by the owners of not less than sixty percent in value according to the assessed valuation for general taxation of the property for which annexation is petitioned, except the petition for a city or town that is located in a county planning under RCW 36.70A.040, to annex property located in such a county, must be signed by the owners of not less than sixty percent in value according to the assessed valuation for general taxation of the property for which annexation is petitioned:

PROVIDED, That in cities and towns with populations greater than one hundred sixty thousand located east of the Cascade mountains, the owner of tax exempt property may sign an annexation petition and have the tax exempt property annexed into the city or town, but the value of the tax exempt property shall not be used in calculating the sufficiency of the required property owner signatures unless only tax exempt property is proposed to be annexed into the city or town. The petition shall set forth a description of the property according to government legal subdivisions or legal plats which is in compliance with RCW 35.02.170, and shall be accompanied by a plat which outlines the boundaries of the property sought to be annexed. If the legislative body has required the assumption of all or of any portion of city or town indebtedness by the area annexed,
and/or the adoption of a comprehensive plan for the area to be annexed, these facts, together with a quotation of the minute entry of such requirement or requirements shall be set forth in the petition.

NEW SECTION. Sec. 26. A new section is added to chapter 35.13 RCW to read as follows:

CITY ANNEXATIONS. Each unincorporated area that as of January 1, 1991, lies wholly within the boundaries of a city or town shall become part of the city or town within whose boundaries the unincorporated area lies, as of the effective date of an ordinance adopted by the city or town governing body providing for the annexation of the area, after the governing body holds a public hearing on the proposed annexation of the area. Land which is owned by a county and used for the purposes of an agricultural fair under chapter 15.76 or 36.37 RCW, or a county park, shall not be annexed under this section without the consent of a majority of the members of the county legislative authority of the county that owns the land. For purposes of this section, an unincorporated area that is bounded completely by both a state boundary, or a body or bodies of navigable water, and a city or town shall not be construed to lie wholly within the boundaries of a city or town. Annexations under this section shall not be reviewed by a boundary review board or other annexation review board.

NEW SECTION. Sec. 27. A new section is added to chapter 35.13 RCW to read as follows:

CITY ANNEXATIONS. (1) A city or town shall not annex territory under any method where, after the proposed annexation has occurred, any closed plane figure of unincorporated area could be drawn that includes a portion of the boundary of the newly annexed area so that eighty percent or more of the figure's perimeter is conterminous with any of the annexing city's or town's boundaries. In addition, a city or town shall not annex unincorporated territory under any method of annexation if, as a result of the annexation, an area would become entirely surrounded by a body or bodies of navigable water and the annexing city or town, unless the annexation reduced the size of an area that prior to the annexation was entirely surrounded by a body or bodies of navigable water and the annexing city or town.

(2) However, a city or town may annex territory that lies within a corridor of unincorporated territory which existed before the effective date of this act where, after the annexation has occurred, a closed plane figure could be drawn that is prohibited under subsection (1) of this section, if, after the proposed annexation has occurred, another closed plane figure cannot be drawn within the corridor so that a greater percentage of the perimeter is conterminous with a portion of the boundaries of the city or town than was the case with the perimeter of the original figure.

NEW SECTION. Sec. 28. A new section is added to chapter 35A.14 RCW to read as follows:

CITY ANNEXATIONS. Each unincorporated area that as of January 1, 1991, lies wholly within the boundaries of a code city shall become part of the city within whose boundaries the unincorporated area lies, as of the effective date of an ordinance adopted by the city governing body providing for the annexation of the area, after the governing body holds a public hearing on the proposed annexation of the area. Land which is owned by a county and used for the purposes of an agricultural fair under chapter 15.76 or 36.37 RCW, or a county park, shall not be annexed under this section without the consent of a majority of the members of the county legislative authority of the county that owns the land. For purposes of this section, an unincorporated area that is bounded completely by both a state boundary, or a body or bodies of navigable water, and a city shall not be construed to lie wholly within the boundaries of a city. Annexations under this section shall not be reviewed by a boundary review board or other annexation review board.
NEW SECTION. Sec. 29. A new section is added to chapter 35A.14 RCW to read as follows:

CITY ANNEXATIONS. (1) A code city shall not annex territory under any method where, after the proposed annexation has occurred, any closed plane figure of unincorporated area could be drawn that includes a portion of the boundary of the newly annexed area so that eighty percent or more of the figure's perimeter is coterminous with any of the annexing city's boundaries. In addition, a code city shall not annex unincorporated territory under any method of annexation if, as a result of the annexation, an area would become entirely surrounded by a body or bodies of navigable water and the annexing city, unless the annexation reduced the size of an area that prior to the annexation was entirely surrounded by a body or bodies of navigable water and the annexing city.

(2) However, a code city may annex territory that lies within a corridor of unincorporated territory which existed before the effective date of this act where, after the annexation has occurred, a closed plane figure could be drawn that is prohibited under subsection (1) of this section, if, after the proposed annexation has occurred, another closed plane figure cannot be drawn within the corridor so that a greater percentage of the perimeter is coterminous with a portion of the boundaries of the city than was the case with the perimeter of the original figure.

"PART III - HOUSING"

Sec. 30. RCW 82.46.010 and 1990 1st ex.s. c 17 s 36 are each amended to read as follows:

REAL ESTATE EXCISE TAX--HOUSING PROJECTS. (1) The governing body of any county or any city may impose an excise tax on each sale of real property in the unincorporated areas of the county for the county tax and in the corporate limits of the city for the city tax at a rate not exceeding one-quarter of one percent of the selling price. The revenues from this tax shall be used by the respective jurisdictions for local capital improvements, including those listed in RCW 35.43.040.

After July 1, 1990, revenues generated from the tax imposed under this subsection in counties and cities that are required or choose to plan under RCW 36.70A.040 shall be used primarily for financing capital projects specified in a capital facilities plan element of a comprehensive plan, housing projects, and housing relocation assistance under RCW 59.18.440 and 59.18.450. However, revenues (a) pledged by such counties and cities to debt retirement prior to July 1, 1990, may continue to be used for that purpose until all outstanding debt is retired, or (b) committed prior to July 1, 1990, by such counties or cities to a capital project may continue to be used for that purpose until the project is completed.

(2) In lieu of imposing the tax authorized in RCW 82.14.030(2), the governing body of any county or any city may impose an additional excise tax on each sale of real property in the unincorporated areas of the county for the county tax and in the corporate limits of the city for the city tax at a rate not exceeding one-half of one percent of the selling price.

(3) Taxes imposed under this section shall be collected from persons who are taxable by the state under chapter 82.45 RCW upon the occurrence of any taxable event within the unincorporated areas of the county or within the corporate limits of the city, as the case may be.

(4) Taxes imposed under this section shall comply with all applicable rules, regulations, laws, and court decisions regarding real estate excise taxes as imposed by the state under chapter 82.45 RCW.

(5) As used in this section, "city" means any city or town; and "housing project" includes the construction, reconstruction, acquisition, or rehabilitation of housing to serve low-income persons by the city or county, or as provided in RCW 35.21.685 and 36.32.415.
NEW SECTION. Sec. 31. FAIR SHARE HOUSING. (1) Each county and city that is required or chooses to plan under RCW 36.70A.040 shall determine its fair share affordable housing goal pursuant to the regional policy plan process established in section 50 of this act. The process shall utilize county-wide data provided by the office of financial management to establish the fair share affordable housing goals, except that data from more than one county may be aggregated when it is appropriate.

(2) The department shall require each city and county to submit a report every five years that describes the progress that is being made to meet its fair share affordable housing goal. Jurisdictions that meet their fair share affordable housing goals shall receive preference points in applications for grants or loans under the public works assistance account and the housing trust fund. A jurisdiction can demonstrate progress at meeting its fair share affordable housing goals by indicating efforts in reducing minimum lot and frontage sizes, the amount of local effort compared to the tax capacity, the submission of any bond and levy measures to the voters for affordable housing, the identification and elimination of restrictive zoning or regulations that unreasonably impact affordable housing, the enactment of density bonuses and land use techniques such as cluster housing and planned unit developments, the siting of affordable higher density mobile home parks, the adoption of a current use classification for assessing low-income housing, and efforts to preserve federally assisted housing developments.

NEW SECTION. Sec. 32. A new section is added to chapter 8.26 RCW to read as follows:

REPLACEMENT HOUSING. Whenever the state or a local public agency demolishes or otherwise eliminates low-income housing as defined in RCW 36.32.415 for a public works project, it shall deposit moneys in a local jurisdiction housing replacement fund in an amount equal to the cost of providing an equal number of new low-income rental housing units in the same location. The moneys may only be used for acquiring, constructing, or rehabilitating low-income housing stock. Nothing in this section shall require a state or local public agency to pay an impact fee for demolishing housing that constitutes a nuisance or a health or safety hazard to the community.

Sec. 33. RCW 35.21.685 and 1986 c 248 s 1 are each amended to read as follows:

A city or town may assist in the development or preservation of publicly or privately owned housing for persons of low income by providing loans or grants ((of general municipal funds)) to the owners or developers of the housing. The loans or grants shall be pursuant to a plan or program authorized by the legislative authority of the city or town((They may be made)) to finance all or a portion of the cost of construction, reconstruction, acquisition, or rehabilitation of housing that will be occupied by ((a)) one or more persons or ((family)) families of low income or relocation assistance for such persons or families. As used in this section, "low income" means income that does not exceed eighty percent of the median income for the county or, if applicable, the standard metropolitan statistical area in which the city or town is located. For the purpose of this section, "owner" includes a lessee under a ground lease or a master lease. Housing constructed or rehabilitated with loans or grants made under this section shall not be considered public works or improvements subject to competitive bidding or a purchase of services subject to the prohibition against advance payment for services: PROVIDED, That whenever feasible the borrower or grantee shall make every reasonable and practicable effort to utilize a competitive public bidding process.

Sec. 34. RCW 36.32.415 and 1986 c 248 s 2 are each amended to read as follows:

LOW-INCOME HOUSING. A county may assist in the development or preservation of publicly or privately owned housing for persons of low income by providing loans or grants ((of general county funds)) to the owners or developers of the housing. will be occupied by ((a)) one or more persons or ((family)) families of low income or relocation assistance for such persons or families. As used in this section, "low income" means income that does not exceed eighty percent of the median income for the county or, if applicable, the standard metropolitan statistical area in which the county is located. For the purpose of this section, "owner" includes a lessee under a ground lease or master lease. Housing constructed or rehabilitated with loans or grants made under this section shall not be considered public works or improvements subject to competitive bidding or a purchase of services subject to the prohibition against advance payment for services: PROVIDED, That whenever feasible the borrower or grantee shall make every reasonable and practicable effort to utilize a competitive public bidding process.

Sec. 35. RCW 59.18.440 and 1990 1st ex.s. c 17 s 49 are each amended to read as follows:

HOUSING RELOCATION ASSISTANCE. (1) Any city, town, or county((,...eF
llHH½ieip0rati0n)) that is required to or chooses to develop a comprehensive plan under RCW ((36.70A.040(1))) 36.70A.040 is authorized to require, after reasonable notice to the public and a public hearing, property owners to provide their portion of reasonable relocation assistance to low-income tenants upon the demolition, substantial rehabilitation whether due to code enforcement or any other reason, or change of use of residential property, or upon the removal of use restrictions in an assisted-housing development. No city, town, or county((, er rnlIDieip0rati0a)) may require property owners to provide relocation assistance to low-income tenants, as defined in this chapter, upon the demolition, substantial rehabilitation, upon the change of use of residential property, or upon the removal of use restrictions in an assisted-housing development, except as expressly authorized herein or when authorized or required by state or federal law. As used in this section, "assisted housing development" means a multifamily rental housing development that either receives government assistance and is defined as federally assisted housing in RCW 59.28.020, or that receives other federal, state, or local government assistance and is subject to use restrictions.

(2) As used in this section, "low-income tenants" means tenants whose combined total income per dwelling unit is at or below fifty percent of the median income, adjusted for family size, in the county where the tenants reside.

The department of community development shall adopt rules defining county median income in accordance with the definitions promulgated by the federal department of housing and urban development.

(3) A requirement that property owners provide relocation assistance shall include the amounts of such assistance to be provided to low-income tenants. In determining such amounts, the ((jurisdiction)) county, city, or town imposing the requirement shall evaluate, and receive public testimony on, what relocation expenses displaced tenants would reasonably incur in that jurisdiction including:

(a) Actual physical moving costs and expenses;
(b) Advance payments required for moving into a new residence such as the cost of first and last month's rent and security and damage deposits;
(c) Utility connection fees and deposits; and
(d) Anticipated additional rent and utility costs in the residence for one year after relocation.

(4) Relocation assistance provided to low-income tenants under this section shall not exceed two thousand dollars for each dwelling unit displaced by actions of the property owner under subsection (1) of this section. A city, town, or county((,...eF

(b) The property owner’s portion of any relocation assistance provided to low-income tenants under this section shall not exceed one-half of the required relocation assistance under (a) of this subsection in cash or services. A city, town, or county may authorize the cash portion of the relocation assistance provided by the property owner to be in the form of foregone rent, and may establish a value on services provided by the landlord, such as moving, that assist the tenants to relocate.

(c) The portion of relocation assistance not covered by the property owner under (b) of this subsection shall be paid by the city, town, or county(ies, or municipal corporation) authorized to require relocation assistance under subsection (1) of this section. The relocation assistance may be paid from proceeds collected from the excise tax imposed under RCW 82.46.010.

(5) A city, town, or county(ies, or municipal corporation) requiring the provision of relocation assistance under this section shall adopt policies, procedures, or regulations to implement such requirement. Such policies, procedures, or regulations shall include provisions for administrative hearings to resolve disputes between tenants and property owners relating to relocation assistance or unlawful detainer actions during relocation, and shall require a decision within thirty days of a request for a hearing by either a tenant or property owner.

Judicial review of an administrative hearing decision relating to relocation assistance may be had by filing a petition, within ten days of the decision, in the superior court in the county where the residential property is located. Judicial review shall be confined to the record of the administrative hearing and the court may reverse the decision only if the administrative findings, inferences, conclusions, or decision is:

(a) In violation of constitutional provisions;
(b) In excess of the authority or jurisdiction of the administrative hearing officer;
(c) Made upon unlawful procedure or otherwise is contrary to law; or

(7)(a) Persons who move from a dwelling unit prior to the application by the owner of the dwelling unit for any governmental permit necessary for the demolition, substantial rehabilitation, or change of use of residential property or prior to any notification or filing required for condominium conversion shall not be entitled to the assistance authorized by this section.

(b) Persons who move into a dwelling unit after the application for any necessary governmental permit or after any required condominium conversion notification or filing required for condominium conversion shall not be entitled to the assistance authorized by this section.

Sec. 37. RCW 36.70A.060 and 1990 1st ex.s. c 17 s 6 are each amended to read as follows:

FOREST, AGRICULTURE, AND MINERAL RESOURCE LANDS AND CRITICAL AREAS--DEVELOPMENT REGULATIONS. (1) Each county that is required or chooses to plan under RCW 36.70A.040, and each city within such county, shall adopt development regulations on or before September 1, 1991, to assure the conservation of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170. Regulations adopted under this subsection may not prohibit uses legally existing on any parcel prior to their adoption unless provisions are made for amortizing the use and shall remain in effect until the county or city adopts development regulations pursuant to RCW 36.70A.120. Such regulations shall assure that the use of lands adjacent to agricultural, forest, or mineral resource lands shall not interfere with the continued use, in the accustomed manner and in accordance with best management practices, of these designated lands for the production of food, agricultural products, or timber, or for the extraction of minerals. Counties and cities shall require that all plats, short plats, development permits, and building permits issued for development activities on, or within three hundred feet of, lands designated as agricultural lands, forest lands, or mineral resource lands, contain a notice that the subject property is within or near designated agricultural lands, forest lands, or mineral resource lands on which a variety of commercial activities may occur that are not compatible with residential development for certain periods of limited duration.

(2) Each county that is required or chooses to plan under RCW 36.70A.040, and each city within such county, shall adopt development regulations on or before September 1, 1991, precluding land uses or development that is incompatible with the critical areas that are required to be designated under RCW 36.70A.170.

(3) Such counties and cities shall review these designations and development regulations when adopting their comprehensive plans under RCW 36.70A.040 and implementing development regulations under RCW 36.70A.120 and may alter such designations and development regulations to insures consistency.

NEW SECTION. Sec. 38. FOREST, AGRICULTURE, AND MINERAL RESOURCE LANDS AND CRITICAL AREAS--REMAINING JURISDICTIONS TO ADOPT DEVELOPMENT REGULATIONS. (1) Each county and city not planning under RCW 36.70A.060 shall adopt development regulations on or before September 1, 1992, to assure the conservation of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170. Regulations adopted under this subsection may not prohibit uses legally existing on any parcel prior to their adoption unless provisions are made for amortizing the use. Such regulations shall assure that the use of lands adjacent to agricultural, forest, or mineral resource lands shall not interfere with the continued use, in the accustomed manner, of these designated lands for the production of food, agricultural products, or timber, or for the extraction of minerals.

(2) Each county and city covered by this section shall adopt development regulations on or before September 1, 1992, precluding land uses or development that is incompatible with the critical areas that are required to be designated under RCW 36.70A.170.
(3) Each county and city under this section shall perform its activities, including adoption of development regulations, and make capital budget decisions in conformity with their designations under RCW 36.70A.170.

NEW SECTION. Sec. 39. OPEN SPACE LANDS--IDENTIFICATION. In addition to designation of agricultural lands, forest lands, mineral resource lands, and critical areas as required under RCW 36.70A.170, every county and city required or choosing to plan under RCW 36.70A.040 shall identify existing open space lands permanently protected by the county or city by June 30, 1992. This identification shall be consistent with the requirements contained in RCW 36.70A.160.

NEW SECTION. Sec. 40. EXTENSION OF TIME TO DESIGNATE AND PROTECT FOREST, AGRICULTURE, AND MINERAL RESOURCE LANDS AND CRITICAL AREAS. The department may extend the date by which a county or city is required to designate agricultural lands, forest lands, mineral resource lands, and critical areas under RCW 36.70A.170, or the date by which a county or city is required to protect such lands and critical areas under RCW 36.70A.060, if the county or city demonstrates that it is proceeding in an orderly fashion, and is making a good faith effort, to meet these requirements. An extension may be for up to an additional one hundred eighty days. The length of an extension shall be based upon the difficulty of the effort to conform with these requirements.

Sec. 41. RCW 36.70A.050 and 1990 1st ex.s. c 17 s 5 are each amended to read as follows:

MINIMUM GUIDELINES TO CLASSIFY AGRICULTURE, FOREST, AND MINERAL LANDS AND CRITICAL AREAS. The department shall consult with the department of agriculture regarding guidelines for agricultural lands, the department of natural resources regarding forest lands and mineral resource lands, and the department of ecology regarding critical areas.

(2) In carrying out its duties under this section, the department shall consult with interested parties, including but not limited to: (a) Representatives of cities; (b) representatives of counties; (c) representatives of developers; (d) representatives of builders; (e) representatives of owners of agricultural lands, forest lands, and mining lands; (f) representatives of local economic development officials; (g) representatives of environmental organizations; (h) representatives of special districts; (i) representatives of the governor's office and federal and state agencies; and (j) representatives of Indian tribes. In addition to the consultation required under this subsection, the department shall conduct public hearings in the various regions of the state. The department shall consider the public input obtained at such public hearings when adopting the guidelines.

(3) The guidelines under subsection (1) of this section shall be minimum guidelines that apply to all counties and cities, but also shall allow for regional differences that exist in Washington state. The intent of these guidelines is to assist counties and cities in designating the classification of agricultural lands, forest lands, mineral resource lands, and critical areas under RCW 36.70A.170.

(4) The guidelines established by the department under this section regarding classification of forest lands shall not be inconsistent with guidelines adopted by the department of natural resources.

(5) Once classified, such lands shall be protected according to RCW 36.70A.060 and section 38 of this act.

NEW SECTION. Sec. 42. OPEN SPACE MAP. (1) To assist counties and cities in carrying out the goals and requirements of this chapter, the committee created in section 45 of this act shall prepare a state-wide open space map identifying existing areas of protected open space lands and networks as described in RCW 36.70A.020.
(2) The committee shall prepare the map and submit it to the governor and the joint select committee on growth management by December 1, 1992. The committee shall distribute the map to all counties and cities planning under RCW 36.70A.040 to adopt comprehensive land use plans under this chapter.

(3) The process shall consist of:
(a) The identification by the committee of existing open space lands protected by state agencies; and
(b) The identification, in those counties or cities planning under RCW 36.70A.040, of existing open space lands protected by counties and cities.

(4) The committee shall assist the department in developing guidelines pursuant to RCW 36.70A.070(9) to encourage open space networks which link together existing lands identified in subsection (3) of this section.

(5) In preparing the map, the committee shall cooperate to the maximum degree feasible with counties and cities preparing comprehensive plans under RCW 36.70A.040 and with counties and cities designating and adopting development regulations to protect forest, agricultural, and mineral resource lands and critical areas. The map is to be prepared using existing resources information available from federal, state, and local governments, including the designations of forest, agricultural, and mineral resource lands, and critical areas required under this chapter, designations of natural resources of state-wide significance required under section 47 of this act, and the identification of open space corridors provided for in RCW 36.70A.160. The committee shall provide opportunities for public review and comment during preparation of the map.

NEW SECTION. Sec. 43. OPEN SPACE MAP--STATE AGENCIES SHALL COOPERATE. To foster the efforts of counties and cities to identify and protect open space networks in their comprehensive plans and development regulations as required in RCW 36.70A.160 and this act, all state agencies with natural resources land management, regulation, or planning authorities shall cooperate with county and city efforts to protect open space lands and networks.

NEW SECTION. Sec. 44. OPEN SPACE PROTECTION. When open space is to be protected permanently for the purpose of public use and access, and is not necessary for protection of critical areas, a county or city shall do so by a permanent conveyance of sufficient interest to prevent its development. County and city governments may utilize a variety of methods to limit the future use of, or otherwise conserve, selected open space including, but not limited to, incentive zoning, the acquisition by gift, purchase, grant, bequest, devise, lease, or otherwise, the fee simple interest or lesser interest, transfer of development right, easement, covenant, or other contractual right.

NEW SECTION. Sec. 45. COMMITTEE ON NATURAL RESOURCES OF STATE-WIDE SIGNIFICANCE. There is created a committee consisting of the commissioner of public lands, the director of parks and recreation, the director of wildlife, the director of fisheries, the director of ecology, the director of community development, the director of the interagency committee for outdoor recreation, or their designees, one representative from the association of Washington cities, one representative from the Washington state association of counties, and by appointment of the governor, three members of the public. In selecting the three members of the public to serve on this committee, the governor shall keep in mind the diversity of the state's natural resources and the diverse needs of state residents. The director of community development shall serve as the chair of the committee and the department shall provide staff to the committee. Members employed by the state shall serve without additional pay, and participation in the work of the committee shall be deemed performance of their employment. Members from the public at large shall be compensated in accordance with RCW 43.03.240 and shall be entitled to reimbursement individually for travel expenses incurred in performance of their duties as members of the committee in accordance with RCW 43.03.050 and 43.03.060.
NEW SECTION. Sec. 46. COMMITTEE ON NATURAL RESOURCES OF STATE-WIDE SIGNIFICANCE. (1) The committee established in section 45 of this act shall: (a) Develop recommendations on criteria to be used in identifying natural resources of state-wide significance; (b) develop recommendations on minimum standards to be used by counties and cities to protect natural resources of state-wide significance within their jurisdictions; and (c) assist the department in reviewing plans and development regulations as provided in section 56(2) of this act. In carrying out the responsibilities under (a) and (b) of this subsection, the committee shall consult with interested parties and shall conduct public hearings in the various regions of the state. The committee shall consider the public input obtained at such public hearings when developing the recommendations. These recommendations shall be submitted to the department on or before September 1, 1991.

(2) The department shall prepare final draft rules, under chapter 34.05 RCW, on criteria for identifying natural resources of state-wide significance and minimum standards for protecting natural resources of state-wide significance based on the recommendations prepared by the committee under subsection (1) of this section. These rules shall be submitted to the joint select committee on growth management created in section 60 of this act for review and shall take effect on May 1, 1992, unless they are rejected by the legislature during the 1992 session.

NEW SECTION. Sec. 47. DESIGNATION OF NATURAL RESOURCES OF STATE-WIDE SIGNIFICANCE. (1)(a) Every county and city shall identify and designate natural resources of state-wide significance located in its jurisdiction based on the criteria adopted by the department pursuant to section 46(2) of this act, to the extent that such natural resources occur within the county or city. Counties and cities may request assistance in identifying these natural resources from the departments of wildlife, ecology, fisheries, and natural resources, and the parks and recreation commission. If requested, these agencies shall, to the maximum extent feasible, provide assessments of which natural resources within the county’s or city’s jurisdiction meet the criteria established under section 46(2) of this act.

(b) When a county or a city designates a natural resource of state-wide significance that is not wholly contained in the jurisdiction making the designation, the county or city shall notify other counties and/or cities that may share a common interest in the designation.

(2) Every county and city that designates natural resources of state-wide significance shall adopt development regulations on or before September 1, 1992, precluding land uses or development incompatible with the level of protection required by the minimum standards adopted under section 46(2) of this act.

NEW SECTION. Sec. 48. INTERJURISDICTIONAL COORDINATION. When a natural resource of state-wide significance designated under section 47 of this act or a critical area designated under RCW 36.70A.170 crosses a city or county border, or where a designated natural resource of state-wide significance or critical area borders two or more counties or cities, these jurisdictions shall enter into negotiations to arrive at a mutually acceptable set of development regulations that preclude land uses or development that is incompatible with these designations. If the counties or cities cannot reach agreement, then the proposal from the jurisdiction with the strictest provisions for the protection of the shared natural resource of state-wide significance or critical area shall be adopted by all counties or cities involved in the negotiations, except that if a jurisdiction believes that other counties or cities have not negotiated in good faith to reach an agreement, the counties or cities may prepare alternative development regulations and request that the department review the adequacy of the alternative as provided in section 56(3) of this act.
NEW SECTION. Sec. 49. STATE TRUST LANDS. Nothing in this act shall be construed as affecting the state's obligation to manage federally granted trust lands for the primary benefit of the designated beneficiary.

"PART V - REGIONAL PLANNING"

NEW SECTION. Sec. 50. REGIONAL POLICY PLANS. (1) The legislature recognizes that counties are the regional governments within their boundaries, and cities are the primary providers of urban governmental services within urban growth areas. It is further recognized that cities are responsible to plan for and to provide services within their incorporated boundaries. The adopted regional policy plan shall ensure that city and county comprehensive plans are consistent with county-wide issues specified in subsection (5) of this section. For purposes of this section, a "regional policy plan" is a written policy statement or statements establishing a county-wide framework from which county and city comprehensive plans are developed and adopted pursuant to this chapter.

(2) The legislative authority of a county that plans under RCW 36.70A.040 shall adopt a regional policy plan with the cooperation of cities located in whole or in part within the county as provided in this section. As soon as is practical after the effective date of this act, the legislative authority of the county shall convene a meeting with representatives of each city located in whole or in part within the county to establish a process leading to the adoption of a regional policy plan. No later than July 1, 1992, the legislative authority of the county shall adopt a regional policy plan according to this process and after holding a public hearing or hearings on the proposed regional policy plan. A regional policy plan shall address, at a minimum, the following elements:
   (a) Designation of rural lands and urban lands;
   (b) Distribution of future population and employment growth;
   (c) Promotion of contiguous development and provision of urban services;
   (d) Regional public capital facilities;
   (e) Regional transportation facilities and strategies;
   (f) Fair share of affordable housing;
   (g) Open space, buffers, and community separators;
   (h) New communities;
   (i) Annexation and incorporation; and
   (j) Economic development.

(3) Federal agencies may participate in and cooperate with the regional policy planning. Adopted regional policy plans shall be adhered to by state agencies to the maximum extent feasible.

(4) Failure to adopt a regional policy plan that does not meet the requirements of subsection (2) of this section may result in the imposition of a sanction or sanctions on a county or city within the county, as specified in section 74 of this act. In imposing a sanction or sanctions, the governor shall determine the precise reasons for failure to adopt a regional policy plan in order that any imposed sanction or sanctions are fairly and equitably related to the failure to adopt a regional policy plan.

(5) The comprehensive plans adopted under this chapter by the county and each city located in whole or in part within the county shall be consistent with the adopted regional policy plan.

(6) Cities and the governor may appeal adopted regional policy plans to the state growth management board within sixty days of the adoption of the regional policy plan.

(7) Regional policy plans may be adopted by two or more counties using the same procedure described in subsection (2) of this section, except that the legislative authorities of all of these counties shall convene the meeting with representatives of each city located in whole or in part within any of these counties to establish a process leading to the adoption of a regional policy plan throughout the multicounty region.

NEW SECTION. Sec. 51. A new section is added to chapter 43.63A RCW to read as follows:
REGIONAL ECONOMIC DEVELOPMENT PLANS. A regional economic development plan shall be developed by regions formed under section 50 of this act or developed voluntarily by counties and cities not planning under RCW 36.70A.040 and shall include, but is not limited to, the following contents:

1. An economic profile and forecast of the region;
2. A set of economic development goals, objectives, and policies for the region;
3. An identification of priority development areas, as defined by the state agency coordinating council created in section 53 of this act, where there is a need for economic growth and where there is the physical capacity, realistic ability, and local support to attract such growth; and
4. An identification of any economic development-related project of regional or state significance. When such a project is identified, the regional plan shall identify the financial impacts caused by the project and propose alternatives to address these impacts, including financing for infrastructure and transportation and public facilities necessitated by the project. The alternatives should include state assistance the region will seek to help offset the impacts of the project.

5. A biennial regional economic development strategy that evaluates the results of the preceding economic development strategies; establishes short-term priorities; identifies tasks and responsibilities for implementation of adopted goals, objectives, and policies; and targets implementation efforts to priority development areas.

The plan element, including biennial strategy, must be developed with the full consultation, involvement, and support of cities, economic development organizations, and businesses within the region; and must be consistent with comprehensive plans required by counties and cities within the region. The department of trade and economic development shall adopt guidelines, definitions, and procedural rules, as necessary, to implement this section.

"PART VI - STATE AGENCY PLANNING AND REVIEW"

NEW SECTION. Sec. 52. STATE AGENCIES REQUIRED TO PLAN CONSISTENT WITH PLANNING GOALS. (1) State agencies proposing development shall: (a) Plan in conformance with the planning goals contained in RCW 36.70A.020; (b) notify the state agency coordinating council of the proposed development; (c) comply with local comprehensive plans and development regulations adopted pursuant to RCW 36.70A.040 and 36.70A.120; (d) comply with amendments to comprehensive land use plans as provided for in RCW 36.70A.130; and (e) comply with development regulations adopted pursuant to RCW 36.70A.060 and section 38 of this act. Nothing in this chapter shall be construed to alter the regulatory practices or policies of the utilities and transportation commission.

(2) The state shall also protect private property by evaluating whether proposed regulatory or administrative actions may result in a taking of private property or violation of due process. It is not the purpose of this subsection to expand or reduce the scope of private property protections provided in the state and federal Constitutions.

NEW SECTION. Sec. 53. STATE AGENCY COORDINATING COUNCIL CREATED. (1) There is hereby created in the office of the governor the state agency coordinating council. The council shall be comprised of thirteen members as follows:

NEW SECTION. Sec. 54. STATE AGENCY COORDINATING COUNCIL--DUTIES. The state agency coordinating council shall:

(1) Make recommendations to the legislature and governor regarding:
   (a) Developing a capital investment strategy that can coordinate the infrastructure planning and financing of all state agencies based on defined state policies and criteria, and coordinating state infrastructure planning and financing with regional organizations and counties and cities;
   (b) Adopting a state policy of catching up and keeping up with infrastructure needs to sustain a healthy economy and a high quality of life. Given limited resources, the state should ensure that public infrastructure spending is efficient and serves desired growth strategies;
   (c) Changing state agency programs and existing funds to reprioritize these programs and funds once a state capital investment strategy is adopted;
   (d) Creating a new growth management financing account which would finance infrastructure needs based on regional economic planning under section 51 of this act;
   (e) Providing incentives to counties and cities to comply with growth management requirements, including counties and cities not required to plan under RCW 36.70A.040; and

(2) Make agencies more responsive to businesses by directing and advising state agencies on improving the state permit process. Specific timeframes should be established by rule for the processing of permits.

(3) Identify priority development areas for the purposes of regional planning under section 51 of this act, and coordinate state assistance to economic development-related projects of regional or state significance under section 51(4) of this act.

(4) Coordinate state agencies in delivering economic development services and in enacting regulations so that the services and regulations are provided or enacted consistently and efficiently across agency lines. This shall include attempting to balance the state's need for environmental protection through regulation with the economic development needs of the state and counties and cities.

(5) Advise the governor on growth management issues, particularly ensuring that state agencies comply with section 52 of this act.

(6) Mediate issues or disputes among state agencies regarding the siting of regional and state public facilities.

NEW SECTION. Sec. 55. LIMITATIONS ON STATE RULE MAKING. In addition to the requirement for adopting guidelines to assist the designation of agricultural lands, forest lands, mineral resource lands, and critical areas, as specified under RCW 36.70A.050, the department shall adopt advisory guidelines, advisory model elements, and benchmarks to assist and provide guidance for counties and cities to adopt creative and locally appropriate comprehensive plans and development regulations meeting the goals and requirements of this chapter. The advisory guidelines shall reflect regional and local variations and the diversity that exist among the different counties and cities that plan under this chapter. The advisory model elements shall include options reflecting the regional and local variations and diversity that exist among the different counties and cities that plan under this chapter. The advisory model elements shall contain those items
that, if included in a county’s or city’s comprehensive plan and development regulations, would meet the goals and requirements of this chapter.

The department shall obtain input from counties, cities, and citizens throughout the state to assist in its development of these model elements and benchmarks.

NEW SECTION. Sec. 56. COMPREHENSIVE PLANS--DEVELOPMENT REGULATIONS--REVIEW AND COMMENT. (1) Each county and city preparing a comprehensive plan and/or development regulations, or amendments thereto, under this chapter shall submit its final draft plan and development regulations, or amendments, to the department before adoption. In addition, the county or city shall submit a copy of those documents to adjacent jurisdictions.

(2) The department shall review plans and development regulations, or amendments, for compliance with the goals and requirements of this chapter. The department shall compile its comments and forward the comments to the county or city within sixty days of receiving the draft plan and regulations, or amendments, or the department may be presumed to agree with the plan and regulations, or amendments, as submitted. This presumption of agreement shall not apply to changes in the proposed comprehensive plans or development regulations, or amendments, made after submission under this section.

(3)(a) The department, with assistance from the committee established under section 45 of this act, shall prepare an assessment of the degree to which these documents: (i) Meet the minimum standards required for protection of natural resources of state-wide significance; (ii) cumulatively provide adequate protection for resources of state-wide significance; and (iii) preclude land uses or development incompatible with critical areas.

(b) If a county or city would be required to adopt stricter development regulations under section 48 of this act than it believes are necessary, the department shall review the county's or city's proposed alternative development regulations as part of the assessment in subsection (3) of this section. Where the department finds that the proposed alternative development regulations adequately preclude land uses or development incompatible with critical areas and/or natural resources of state-wide significance, it shall recommend that the proposed alternative regulations provided for under section 48 of this act be adopted by the county or city. This recommendation shall be included in the comments prepared by the department.

(4) In addition to the comments provided under this section, counties and cities are encouraged to seek comments from the department, other state agencies, and adjacent jurisdictions on proposed comprehensive plans and development regulations, and any amendments proposed after initial adoption, throughout their development. This consultation should supplement the public involvement opportunities under RCW 36.70A.140.

NEW SECTION. Sec. 57. FILING OF PLANS AND DEVELOPMENT REGULATIONS--AMENDMENTS. (1) Each county and city planning under this chapter shall send a complete and accurate copy of its comprehensive plan and/or development regulations, or amendment thereof, to the department within thirty working days after final adoption. The period for filing requests for review of comprehensive plans or development regulations with the board shall start once the department has received a complete submission of all required materials.

(2) Any amendments that are adopted by a county or city to its adopted plan or regulations shall be submitted for comment and filed with the department after adoption in the same manner as for initial plans and regulations under this section.

Priority for assistance shall be based on a county's or city's population growth rates, commercial and industrial development rates, the existence and quality of a comprehensive plan and development regulations, the need for the assistance, the extent to which the county and adjacent jurisdictions are engaging in cooperative regional planning efforts, and other relevant factors.

(3) The department shall develop and administer a grant program to provide direct financial assistance to counties and cities for activities under this chapter. The department may establish provisions for county and city matching funds to conduct activities under this subsection. Grants may be expended for any purpose directly related to the preparation of a county or city comprehensive plan, development regulations, and actions relating to agricultural lands, forest lands, mineral resource lands, and critical areas as the county or city and the department may agree, including, without limitation, the conducting of surveys, inventories and other data gathering and management activities, the retention of planning consultants, contracts with regional councils for planning and related services, and other related purposes.

(4) The department shall establish a program of technical assistance utilizing department staff, the staff of other state agencies, and the technical resources of counties and cities to help in preparing comprehensive plans and development regulations, and taking actions relating to agricultural lands, forest lands, mineral resource lands, and critical areas required under this chapter. The technical assistance may include, but not be limited to, model land use ordinances, regional education and training programs, and information for local and regional inventories.

The speaker of the house of representatives shall appoint four members from each of the two major caucuses in the house of representatives and the president of the senate shall appoint four members from each of the two major caucuses in the senate. A staggering of the chair of the committee shall occur so that a member of each of the four caucuses serves as the chair for a one-year term once every four years.

The committee shall: (1) Advise the department on any matters concerning growth management within the jurisdiction of the department; (2) review and make recommendations to the legislature on the goals, guidelines, and rules adopted by the department and on proposals to improve the growth management regulatory process; and (3) monitor the cumulative effects of the efforts of counties and cities to implement the goals and requirements of this chapter.

NEW SECTION. Sec. 61. AIR QUALITY IMPACTS. The department of community development, in consultation with the department of ecology, the department

An appeal by the governor or commissioner of public lands shall be in writing and shall detail the alleged violation and include a finding that the violation is of such significance as to warrant review by the growth management hearings board.

(2) An appeal by the governor or the commissioner of public lands, relating to whether comprehensive plans or development regulations conform with the goals and requirements of this chapter, must be filed with the growth management hearings board within sixty days of submittal of the plans or development regulations, or amendments to the plans or development regulations, to the department and is limited to allegations that the comprehensive plans or development regulations:

(a) Do not prevent low-density sprawl by failing to provide: (i) Concentrated employment centers and sufficient residential densities to facilitate public transit; (ii) an adequate balance of housing and job opportunities; or (iii) restrictions precluding suburban or urban development beyond the ten-year tier, until the ten-year tier has been developed substantially;

(b) Do not permit a mix of housing types providing for the fair share distribution of housing opportunities for persons of low and moderate income within the urban growth areas;

(c) Do not prevent the loss of agricultural lands or forest lands with long-term commercial significance;

(h) Do not: (i) Address existing or projected traffic congestion through demand management or transportation system management strategies; (ii) coordinate and protect existing and future transportation corridors; and (iii) implement regional transportation plans;

In any request for review of a comprehensive plan or development regulation permitted under this chapter, the requesting party shall have the burden of demonstrating that the comprehensive plan or development regulation is not consistent with the goals or requirements of this chapter, or the rules adopted under this chapter. In reviews of development regulations, when consistency of the development regulation with the plan of the affected jurisdiction is at issue, the requesting party must also bear the burden of demonstrating that the development regulation is not consistent with the comprehensive plan.

"PART VIII - INCENTIVES AND SANCTIONS"

Sec. 71. RCW 43.155.070 and 1990 1st ex.s. c 17 s 82 are each amended to read as follows:

BOARD TO CONSIDER WHETHER REGIONAL PLANS ARE ADOPTED WHEN MAKING LOANS. (1) To qualify for loans or pledges under this chapter the board must determine that a local government meets all of the following conditions:

(a) The city or county must be imposing a tax under chapter 82.46 RCW at a rate of at least one-quarter of one percent;
(b) The local government must have developed a long-term plan for financing public works needs; ((a)(b))
(c) The local government must be using all local revenue sources which are reasonably available for funding public works, taking into consideration local employment and economic factors; and
(d) A county, city, or town that is required or chooses to plan under RCW 36.70A.040 must have adopted a comprehensive plan in conformance with the requirements of chapter 36.70A RCW, after it is required that the comprehensive plan be adopted, and must have adopted development regulations in conformance with the requirements of chapter 36.70A RCW, after it is required that development regulations be adopted.

(2) The board shall develop a priority process for public works projects as provided in this section. The intent of the priority process is to maximize the value of public works projects accomplished with assistance under this chapter. The board shall attempt to assure a geographical balance in assigning priorities to projects. The board shall consider at least the following factors in assigning a priority to a project:

(a) Whether the local government receiving assistance has experienced severe fiscal distress resulting from natural disaster or emergency public works needs;
(b) Whether the project is critical in nature and would affect the health and safety of a great number of citizens;

c) The cost of the project compared to the size of the local government and amount of loan money available;

d) The number of communities served by or funding the project;

e) Whether the project is located in an area of high unemployment, compared to the average state unemployment;

(f) Whether the project is the acquisition, expansion, improvement, or renovation by a local government of a public water system that is in violation of health and safety standards, including the cost of extending existing service to such a system;

(g) The relative benefit of the project to the community, considering the present level of economic activity in the community and the existing local capacity to increase local economic activity in communities that have low economic growth; and

(h) The existence of regional policy plans as provided in section 73 of this act; and

(i) Other criteria that the board considers advisable.

(3) Existing debt or financial obligations of local governments shall not be refinanced under this chapter. Each local government applicant shall provide documentation of attempts to secure additional local or other sources of funding for each public works project for which financial assistance is sought under this chapter.

(4) Before November 1 of each year, the board shall develop and submit to the chairs of the ways and means committees of the senate and house of representatives a description of the emergency loans made under RCW 43.155.065 during the preceding fiscal year and a prioritized list of projects which are recommended for funding by the legislature, including one copy to the staff of each of the committees. The list shall include, but not be limited to, a description of each project and recommended financing, the terms and conditions of the loan or financial guarantee, the local government jurisdiction and unemployment rate, demonstration of the jurisdiction's critical need for the project and documentation of local funds being used to finance the public works project. The list shall also include measures of fiscal capacity for each jurisdiction recommended for financial assistance, compared to authorized limits and state averages, including local government sales taxes; real estate excise taxes; property taxes; and charges for or taxes on sewerage, water, garbage, and other utilities.

(5) The board shall not sign contracts or otherwise financially obligate funds from the public works assistance account before the legislature has appropriated funds for a specific list of public works projects. The legislature may remove projects from the list recommended by the board. The legislature shall not change the order of the priorities recommended for funding by the board.

(6) Subsections (4) and (5) of this section do not apply to loans made for emergency public works projects under RCW 43.155.065.

Sec. 72. RCW 70.146.070 and 1986 c 3 s 10 are each amended to read as follows:

DEPARTMENT TO CONSIDER WHETHER REGIONAL PLANS ARE ADOPTED WHEN MAKING GRANTS OR LOANS. When making grants or loans for water pollution control facilities, the department shall consider the following:

(1) The protection of water quality and public health;

(2) The cost to residential ratepayers if they had to finance water pollution control facilities without state assistance;

(3) Actions required under federal and state permits and compliance orders;

(4) The level of local fiscal effort by residential ratepayers since 1972 in financing water pollution control facilities;

(5) The extent to which the applicant county or city, or if the applicant is another public body, the extent to which the county or city in which the applicant public body is located, has established programs to mitigate nonpoint pollution of the surface or
subterranean water sought to be protected by the water pollution control facility named in the application for state assistance; ((and))

(6) The recommendations of the Puget Sound water quality authority and any other board, council, commission, or group established by the legislature or a state agency to study water pollution control issues in the state; and

(7) The existence of regional policy plans as provided in section 73 of this act. A county, city, or town that is required or chooses to plan under RCW 36.70A.040 may not receive a grant or loan for water pollution control facilities unless it has adopted a comprehensive plan in conformance with the requirements of chapter 36.70A RCW, after it is required that the comprehensive plan be adopted, or unless it has adopted development regulations in conformance with the requirements of chapter 36.70A RCW, after it is required that development regulations be adopted.

NEW SECTION. Sec. 73. A new section is added to chapter 43.01 RCW to read as follows:

REGIONAL PLANNING INCENTIVES. Whenever a state agency is considering awarding grants or loans for a county, city, or town to finance public facilities, it shall consider whether the county, city, or town that is requesting the grant or loan is a party to regional policy plans under section 50 of this act relating to the type of public facility for which the grant or loan is sought, and shall accord additional preference to the county, city, or town if such regional policy plans exist. Whenever a state agency is considering awarding grants or loans to a special district for public facilities, it shall consider whether the county, city, or town in whose planning jurisdiction the proposed facility is located is a party to regional policy plans under section 50 of this act relating to the type of public facility for which the grant or loan is sought, and shall accord additional preference to the special district if such regional policy plans exist.

NEW SECTION. Sec. 74. NONCOMPLIANCE AND SANCTIONS. (1) The department may find a county, city, or state agency in noncompliance if:

(a) A county or city that is required or chooses to plan under RCW 36.70A.040 does not complete its comprehensive land use plan by the dates required or by the department’s schedule for submittal; or

(b) The board has heard an appeal and issued a final order on a county’s or city’s comprehensive plan, development regulations, or a state agency’s plans or actions, and the county, city, or state agency has not complied with the order within one year. If the department finds a county, city, or state agency in noncompliance, the department may request the governor to invoke one or more of the sanctions provided in subsection (2) of this section. The department shall attempt to resolve issues causing noncompliance prior to requesting the governor to invoke one or more of the sanctions.

(2) If requested, the governor may either:

(a) Notify and direct the director of the office of financial management to revise allotments in appropriation levels;

(b) Notify and direct the state treasurer to withhold the portion of revenues to which the county or city is entitled under one or more of the following: The motor vehicle fuel tax, as provided in chapter 82.36 RCW; the transportation improvement account as provided in RCW 47.26.084; the urban arterial trust account as provided in RCW 47.26.080; the rural arterial trust account as provided in RCW 36.79.150; the sales and use tax, as provided in chapter 82.14 RCW; the liquor profit tax, as provided in RCW 66.08.190; and the liquor excise tax, as provided in RCW 82.08.170; or

(c) File a notice of noncompliance with the secretary of state and the county or city, which shall temporarily rescind the county or city’s authority to collect the real estate excise tax under RCW 82.46.030 until the governor files a notice rescinding the notice of noncompliance.

Sec. 75. RCW 43.88.110 and 1987 c 502 s 5 are each amended to read as follows:
EXPENDITURE PROGRAMS--ALLOTMENTS--RESERVES. This section sets forth the expenditure programs and the allotment and reserve procedures to be followed by the executive branch for public funds. Allotments of an appropriation for any fiscal period shall conform to the terms, limits, or conditions of the appropriation.

(1) The director of financial management shall provide all agencies with a complete set of instructions for preparing a statement of proposed expenditures at least thirty days before the beginning of a fiscal period. The set of instructions need not include specific appropriation amounts for the agency.

(2) Within forty-five days after the beginning of the fiscal period or within forty-five days after the governor signs the omnibus biennial appropriations act, whichever is later, all agencies shall submit to the governor a statement of proposed expenditures at such times and in such form as may be required by the governor. If at any time during the fiscal period the governor projects a cash deficit as defined by RCW 43.88.050, the governor shall make across-the-board reductions in allotments so as to prevent a cash deficit, unless the legislature has directed the liquidation of the cash deficit over one or more fiscal periods. Except for the legislative and judicial branches and other agencies headed by elective officials, the governor shall review the statement of proposed expenditures for reasonableness and conformance with legislative intent. Once the governor approves the statements of proposed expenditures, further revisions shall be made only at the beginning of the second fiscal year and must be initiated by the governor. However, changes in appropriation level authorized by the legislature, changes required by across-the-board reductions mandated by the governor, and changes caused by executive increases to spending authority, and changes caused by executive decreases to spending authority for failure to comply with the provisions of chapter 36.70A RCW may require additional revisions. Revisions shall not be made retroactively. Revisions caused by executive increases to spending authority shall not be made after June 30, 1987. However, the governor may assign to a reserve status any portion of an agency appropriation withheld as part of across-the-board reductions made by the governor and any portion of an agency appropriation conditioned on a contingent event by the appropriations act. The governor may remove these amounts from reserve status if the across-the-board reductions are subsequently modified or if the contingent event occurs. The director of financial management shall enter approved statements of proposed expenditures into the state budgeting, accounting, and reporting system within forty-five days after receipt of the proposed statements from the agencies. If an agency or the director of financial management is unable to meet these requirements, the director of financial management shall provide a timely explanation in writing to the legislative fiscal committees.

(3) It is expressly provided that all agencies shall be required to maintain accounting records and to report thereon in the manner prescribed in this chapter and under the regulations issued pursuant to this chapter. Within ninety days of the end of the fiscal year, all agencies shall submit to the director of financial management their final adjustments to close their books for the fiscal year. Prior to submitting fiscal data, written or oral, to committees of the legislature, it is the responsibility of the agency submitting the data to reconcile it with the budget and accounting data reported by the agency to the director of financial management. The director of financial management shall monitor agency expenditures against the approved statement of proposed expenditures and shall provide the legislature with quarterly explanations of major variances.

(4) The director of financial management may exempt certain public funds from the allotment controls established under this chapter if it is not practical or necessary to allot the funds. Allotment control exemptions expire at the end of the fiscal biennium for which they are granted. The director of financial management shall report any exemptions granted under this subsection to the legislative fiscal committees.
Sec. 76. RCW 36.79.150 and 1983 1st ex.s. c 49 s 15 are each amended to read as follows:

RURAL ARTERIAL TRUST ACCOUNT. (1) Whenever the board approves a rural arterial project it shall determine the amount of rural arterial trust account funds to be allocated for such project. The allocation shall be based upon information contained in the six-year plan submitted by the county seeking approval of the project and upon such further investigation as the board deems necessary. The board shall adopt reasonable rules pursuant to which rural arterial trust account funds allocated to a project may be increased upon a subsequent application of the county constructing the project. The rules adopted by the board shall take into account, but shall not be limited to, the following factors: ((44)) (a) The financial effect of increasing the original allocation for the project upon other rural arterial projects either approved or requested; ((42)) (b) whether the project for which an additional allocation is requested can be reduced in scope while retaining a usable segment; ((44)) (c) whether the original cost of the project shown in the applicant's six-year program was based upon reasonable engineering estimates; and ((44)) (d) whether the requested additional allocation is to pay for an expansion in the scope of work originally approved.

(2) The board shall not allocate funds, nor make payments under RCW 36.79.160, to any county or city identified by the governor as not being in compliance with section 74 of this act.

Any county choosing to plan under RCW 36.70A.040(2) and any city within such a county may only adopt an ordinance imposing the excise tax authorized by this section if the ordinance is first authorized by a proposition approved by a majority of the voters of the taxing district voting on the proposition at a general election held within the district or at a special election within the taxing district called by the district for the purpose of submitting such proposition to the voters.

(2) Revenues generated from the tax imposed under subsection (1) of this section shall be used by such counties and cities solely for financing capital projects specified in a capital facilities plan element of a comprehensive plan.

WITHHOLDING REVENUE--NONCOMPLIANCE. The governor may notify and direct the state treasurer to withhold the revenues to which the counties and cities are entitled under RCW 82.08.170 if the counties or cities are found to be in noncompliance pursuant to section 74 of this act.

"PART IX - TRANSPORTATION"

Sec. 82. RCW 36.79.080 and 1983 1st ex.s. c 49 s 8 are each amended to read as follows:

PROJECT CRITERIA--RURAL ARTERIAL PROGRAM. In preparing their respective six-year programs relating to rural arterial improvements, counties shall select specific priority improvement projects for each functional class of arterial based on the rating of each arterial section proposed to be improved in relation to other arterial sections within the same functional class, taking into account the following:

(1) Its structural ability to carry loads imposed upon it;

(2) Its capacity to ((move traffic at reasonable speeds;

(3)) provide efficient, dependable, and rapid accessibility for movement of people and goods including access management provisions under chapter 47.26 RCW;

(3) Its consistency with local and regional transportation and land use plans;

(4) Its consistency with state, regional, and local transit plans, where applicable;

(5) Its consistency with state, regional, and local freight rail considerations;

(6) Its adequacy of alignment and related geometrics;

(7) Its accident experience; and

(8) Its fatal accident experience.

With assistance from regional transportation planning organizations, where applicable, adjacent counties, and the county road administration board, long-term plans shall be used to guide development of the six-year programs. The six-year construction programs shall remain flexible and subject to annual revision as provided in RCW 36.81.121.
Sec. 83. RCW 36.81.121 and 1990 1st ex.s. c 17 s 58 are each amended to read as follows:

SIX-YEAR COUNTY ROAD PLANS. (1) Before July 1st of each year, the legislative authority of each county with the advice and assistance of the county road engineer, and pursuant to one or more public hearings thereon, shall prepare and adopt a comprehensive road program for the ensuing six calendar years. If the county has adopted a comprehensive plan pursuant to chapter 35.63 or 36.70 RCW, the inherent authority of a charter county derived from its charter, or chapter 36.70A RCW, the program shall be consistent with this comprehensive plan.

The program shall include proposed road and bridge construction work, and for those counties operating ferries shall also include a separate section showing proposed capital expenditures for ferries, docks, and related facilities. Copies of the program shall be filed with the county road administration board ((and with)), the state secretary of transportation, and the regional transportation planning organization, where applicable, not more than thirty days after its adoption by the legislative authority. The purpose of this section is to assure that each county shall perpetually have available advanced plans looking to the future for not less than six years as a guide in carrying out a coordinated road construction program that reflects the transportation goals set forth in chapter 36.70A RCW. The program may at any time be revised by a majority of the legislative authority but only after a public hearing thereon.

(2) The six-year program of each county having an urban area within its boundaries shall contain a separate section setting forth the six-year program for arterial road construction based upon its long-range construction plan and formulated in accordance with regulations of the transportation improvement board. The six-year program for arterial road construction shall be submitted to the transportation improvement board forthwith after its annual revision and adoption by the legislative authority of each county. The six-year program for arterial road construction shall be based upon estimated revenues available for such construction together with such additional sums as the legislative authority of each county may request for urban arterials from the urban arterial trust account or the transportation improvement account for the six-year period. The arterial road construction program shall provide for a more rapid rate of completion of the long-range construction needs of principal arterial roads than for minor and collector arterial roads, pursuant to regulations of the transportation improvement board.

(3) Each six-year program forwarded to the secretary in compliance with subsection (1) of this section shall contain information as to how a county will expend its moneys, including funds made available pursuant to chapter 47.30 RCW, for bicycles, pedestrians, and equestrian purposes.

Sec. 84. RCW 47.05.030 and 1987 c 179 s 2 are each amended to read as follows:

PRIORITY PROGRAMMING FOR STATE HIGHWAYS. The transportation commission shall adopt and periodically revise, after consultation with the legislative transportation committee, a comprehensive six-year program and financial plan for highway improvements specifying program objectives for each of the highway categories, "A," "B," "C," and "H," defined in this section, and within the framework of estimated funds for such period. The program and plan shall be based upon the improvement needs (for state highways as determined by the department from time to time) identified in the state highway system plan, as required under section 93 of this act.

With such reasonable deviations as may be required to effectively utilize the estimated funds and to adjust to unanticipated delays in programmed projects, the commission shall allocate the estimated funds among the following described categories of highway improvements, so as to carry out the commission's program objectives:

(1) Category A shall consist of those improvements necessary to sustain the structural, safety, and operational integrity of the existing state highway system (other than improvements to the interstate system to be funded with federal aid at the regular
interstate rate under federal law and regulations, and improvements designated in subsections (2) through (4) of this section).

(2) Category B shall consist of improvements for the continued development of the interstate system to be funded with federal aid at the regular interstate rate under federal law and regulations.

(3) Category C shall consist of the development of major transportation improvements (other than improvements to the interstate system to be funded with federal aid at the regular interstate rate under federal law and regulations) including designated but unconstructed highways which are vital to the state-wide transportation network.

(4) Category H shall consist of those improvements necessary to sustain the structural and operational integrity of existing bridges on the highway system (other than bridges on the interstate system or bridge work included in another category because of its association with a highway project in such category).

Projects which are financed one hundred percent by federal funds or other agency funds shall, if the commission determines that such work will improve the state highway system, be managed separately from the above categories.

Sec. 85. RCW 47.26.084 and 1988 c 167 s 2 are each amended to read as follows:

PROJECT CRITERIA--TRANSPORTATION IMPROVEMENT ACCOUNT. The transportation improvement account is hereby created in the motor vehicle fund. The board shall adopt rules and procedures which shall govern the allocation of funds in the transportation improvement account at such time as funds become available.

The board shall allocate funds from the account by June 30 of each year for the ensuing fiscal year and shall endeavor to provide geographical diversity in selecting improvement projects to be funded from the account.

Of the amount made available to the transportation improvement board from the transportation improvement account for improvement projects:

(1) Eighty-seven percent shall be allocated to counties, to cities with a population of over five thousand, and to transportation benefit districts. Improvement projects may include, but are not limited to, multi-agency and suburban arterial improvement projects.

(To be eligible to receive these funds, a project must be (a) consistent with state, regional, and local transportation plans and consideration shall be given to the project's relationship, both actual and potential, with rapid mass transit and at such time as a rail plan is developed by the rail development commission, projects must be consistent therewith, (b) necessitated by existing or reasonably foreseeable congestion levels attributable to economic development or growth, and (c) partially funded by local government or private contributions, or a combination of such contributions.) Before awarding funding for any specific project the transportation improvement board shall determine if the following criteria have been considered:

(a) The project is necessitated by existing or reasonably foreseeable congestion levels attributable to economic development or growth;

(b) The project emphasizes the movement of people and goods rather than vehicles;

(c) The project includes, where appropriate, other modes of transportation such as transit, high occupancy vehicle lanes, and high-capacity transit;

(d) The project conforms to local and regional transportation plans and county, city, and town comprehensive plans including access management provisions;

(e) The project is consistent with local and regional high-capacity transportation considerations;

(f) The project is consistent with state, regional, and local freight rail considerations in accordance with RCW 47.80.030; and

(g) The project is partially funded by local government or private contributions, or a combination of such contributions.

The board shall, for those projects meeting the eligibility criteria, determine what percentage of each project is funded by local and/or private contribution. Priority
consideration shall be given to those projects with the greatest percentage of local and/or private contribution.

Within one year after board approval of an application for funding, a county, city, or transportation benefit district shall provide written certification to the board of the pledged local and/or private funding. Funds allocated to an applicant that does not certify its funding within one year after approval may be reallocated by the board.

(2) Thirteen percent shall be allocated by the board to cities with a population of five thousand or less for street improvement projects in a manner determined by the board.

The board shall not allocate funds, nor make payments of the funds under RCW 47.26.265, to any county or city identified by the governor as not being in compliance with section 74 of this act. The board shall reduce its allocation of funds to any public benefit district in proportion to the proportion of improvements being made to the roads of any county or the streets of any city which is identified by the governor as not being in compliance with section 74 of this act.

Sec. 86. RCW 47.26.220 and 1989 c 160 s 1 are each amended to read as follows:

In developing its program, the municipality shall consider those policy recommendations affecting public transportation contained in the state transportation
policy plan approved by the state transportation commission and, where appropriate, adopted by the legislature. The municipality shall conduct one or more public hearings while developing its program and for each annual update.

Sec. 88. RCW 35.58.2796 and 1989 c 396 s 2 are each amended to read as follows:

ANNUAL TRANSIT REPORTS. The department of transportation shall develop an annual report summarizing the status of public transportation systems in the state. Sec. 90. RCW 47.80.040 and 1990 1st ex.s. c 17 s 56 are each amended to read as follows:

PLANNING ORGANIZATION BOARD. Each regional transportation planning organization shall create a transportation policy board. Transportation policy boards shall provide policy advice to the regional transportation planning organization and shall allow representatives of major employers within the region, the department of transportation, transit districts, port districts, and member cities, towns, and counties within the region to participate in policy making. Citizens or citizen organizations may also be represented on the board.

NEW SECTION. Sec. 91. PLANNING GUIDELINES. The legislature recognizes that the ownership and operation of Washington's transportation system is spread among federal, state, and local government agencies, regional transit agencies, port districts, and the private sector. Therefore, transportation planning must be a comprehensive and coordinated effort. The specific role of the department in transportation planning shall be (1) ongoing coordination and development of state-wide transportation policies that guide all Washington transportation providers, (2) ongoing system planning for state transportation systems that identifies investment needs and meets federal requirements for state-wide transportation plans, (3) coordinating the state high-capacity transportation planning and regional transportation planning programs, and (4) conducting special transportation planning studies that impact state transportation facilities or relate to transportation issues of state-wide significance. Specific requirements for each of these state transportation planning components are described in this chapter.

NEW SECTION. Sec. 92. TRANSPORTATION POLICY PLAN. The department shall develop a state transportation policy plan that (1) establishes a vision and goals for the development of the state-wide transportation system consistent with the state's growth management goals, (2) identifies significant state-wide transportation policy issues, and (3) recommends state-wide transportation policies and strategies to the legislature to fulfill the requirements of RCW 47.01.071(1). The state transportation policy plan shall be the product of an ongoing process that shall involve representatives of significant transportation interests and the general public from across the state.

NEW SECTION. Sec. 93. TRANSPORTATION SYSTEM PLAN. The department shall produce a state-wide transportation plan under RCW 47.01.071(3) consisting of a highway system plan, ferry system plan, airport system plan, freight rail plan, and bicycle plan. These plans shall guide state investment in transportation facilities to ensure the continued mobility of people and goods within regions across the state in a cost-effective manner. These plans must be consistent with the state transportation policy plan and with each other, and shall reflect public involvement and be coordinated with regional transportation planning, high-capacity transportation planning, and county, city, and town comprehensive plans. The specific requirements for these plans are:

(1) State highway system plan - A plan that identifies program needs and specific improvements recommended to preserve the structural integrity of the state highway system and ensure acceptable operating conditions. The state highway system plan must contain the following elements:

(a) System preservation - This element establishes structural preservation standards for the state highway system including bridges, identifies current and future structural deficiencies based upon analysis of current condition and engineering analysis of future deterioration, and recommends program funding levels and specific improvements necessary to preserve the structural integrity of the state highway system at adopted standards. This element shall serve as the basis for the preservation component of the six-year highway construction program.
(b) Capacity and operational improvement - This element establishes operational standards, including safety considerations, for moving people and goods on the state highway system, identifies current and future capacity and operational and safety deficiencies, and proposes program funding levels and specific improvements and strategies necessary to maintain the established operational standards. Forecasts of travel shall be based upon adopted local land use plans, and shall be consistent with those developed for regional transportation planning. Capacity and operational improvement plans shall first assess strategies that enhance the operational efficiency of the existing system before recommending system expansion. Capacity improvement recommendations shall be based upon which alternative moves the most people or goods, or both. Strategies that enhance the operational efficiency include access management, transportation system management, demand management, and high occupancy vehicle facility development.

The capacity and operational improvement element must conform to the state implementation plan for air quality, and be consistent with regional transportation plans adopted under chapter 47.80 RCW, and provide the basis for the capacity and operational improvement portions of the highway construction program.

(c) Scenic and recreational highways element - This element shall identify and recommend designation of scenic and recreational highways, provide for enhanced access to scenic, recreational, and cultural resources associated with designated routes, and ensure, through a variety of appropriate management strategies, the protection, preservation, and enhancement of these resources. The department, affected counties, cities, towns, regional transportation planning organizations, and other state or federal agencies shall jointly develop this element.

(2) The Washington state ferry system plan - A plan to guide state investments in the Washington state ferry system to ensure a mobility link across Puget Sound. The plan shall establish service standards for state ferry routes, forecast travel demand for the various markets served by the state ferry system, and develop strategies for ferry system investment that consider both vehicle and passenger needs, meet regional and state-wide travel purposes, support local land use plans, and are fully integrated into land transportation connections.

The Washington state ferry system plan shall be developed in conjunction with the regional transportation planning organizations designated for counties served by the Washington state ferry system and the ferry advisory committees.

(3) The airport systems plan - A plan to identify the program needs for public use airports in the state, and to fulfill the state-wide aviation planning requirements of the federal government.

(4) The state freight rail plan - A plan to identify light-density freight rail lines threatened with abandonment, establish criteria for the importance of preserving the service or line, recommend priorities for the use of state rail assistance and state rail banking program funds, and fulfill federal state-wide rail planning requirements.

(5) The state bicycle plan - A plan to identify bicycling needs on the state transportation systems and to provide a basis for the investment of state highway funds dedicated to bicycling facilities under chapter 47.30 RCW.

NEW SECTION. Sec. 94. HIGH-CAPACITY TRANSPORTATION PLANNING--DEPARTMENT OF TRANSPORTATION. The department's role in high-capacity transportation planning and regional transportation planning is to administer state planning grants for these purposes, participate in these regional planning processes, and coordinate other department planning with these regional efforts including the provisions of RCW 81.104.060.

NEW SECTION. Sec. 95. SPECIAL PLANNING STUDIES. The department may carry out special transportation planning studies to resolve specific issues with the development of the state transportation system or other state-wide transportation issues.
"PART X - MISCELLANEOUS"

NEW SECTION. Sec. 96. RULE OF CONSTRUCTION. This chapter is exempted from the rule of strict construction, and shall be liberally construed to give full effect to the objectives and purposes for which it was enacted. In addition, construction of this act shall emphasize the protection of the environment.

NEW SECTION. Sec. 97. APPLICATION TO STATE, LOCAL, AND OTHER PUBLIC AGENCIES. Except as otherwise provided in this chapter or other state law, the comprehensive plans and development regulations adopted under this chapter shall be applicable to all state agencies, counties, cities, special districts, and other public and municipal corporations including quasi-municipal corporations in the state.

NEW SECTION. Sec. 98. TREATY RIGHTS. Nothing in this chapter affects any rights established by treaty to which the United States is a party.

Coordination of on-reservation land use planning activities where tribes have jurisdiction with county or city land use planning activities cannot be required absent congressional mandate. As a consequence, the coordination between tribes and counties and cities regarding land use planning activities should focus on encouraging the voluntary participation of tribal governments with county and city planning processes required by this chapter.

REPORTS OF STANDING COMMITTEES

March 19, 1991

SB 5047 Prime Sponsor, Representative Bauer: Designating a state tartan.
Reported by Committee on State Government

MAJORITY recommendation: Do pass. Signed by Representatives Anderson, Chair; Pruitt, Vice Chair; McLean, Ranking Minority Member; Bowman, Assistant Ranking Minority Member; Chandler; Grant; Moyer; and Sheldon.

Excused: Representatives Pruitt, Vice Chair; R. Fisher; and O'Brien.

Passed to Committee on Rules for second reading.
SSB 5806  Prime Sponsor, Committee on Transportation: Authorizing loans and grants to preserve underground petroleum storage tanks in rural areas. Reported by Committee on Financial Institutions & Insurance

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes as a fundamental government purpose the need to protect the environment and human health and safety. To that end the state has enacted laws designed to limit and prevent environmental damage and risk to public health and safety caused by underground petroleum storage tank leaks. Because of the costs associated with compliance with such laws and the high costs associated with correcting past environmental damage, many owners and operators of underground petroleum storage tanks have discontinued the use of or have planned to discontinue the use of such tanks. As a consequence, isolated communities face the loss of their source of motor vehicle fuel and face the risk that the owner or operator will have insufficient funds to take corrective action for pollution caused by past leaks from the tanks. In particular, rural communities face the risk that essential emergency, medical, fire and police services may be disrupted through the diminution or elimination of local sellers of petroleum products and by the closure of underground storage tanks owned by local government entities serving these communities.

The legislature also recognizes as a fundamental government purpose the need to preserve a minimum level of economic viability in rural communities so that public revenues generated from economic activity are sufficient to sustain necessary governmental functions. The closing of local service stations adversely affects local economies by reducing or eliminating reasonable access to fuel for agricultural, commercial, and transportation needs.

The legislature intends to assist small communities within this state by authorizing:

(1) Cities, towns, and counties to certify that a local private owner or operator of an underground petroleum storage tank meets a vital local government, public health or safety need thereby qualifying the owner or operator for state financial assistance in complying with environmental regulations and assistance in taking needed corrective action for existing tank leaks; and

(2) Local government entities to obtain state financial assistance to bring local government underground petroleum storage tanks into compliance with environmental regulations and to take needed corrective action for existing tank leaks.

NEW SECTION. Sec. 2. (1) Subject to the conditions and limitations of sections 1 through 6 of this act, the director shall establish and manage a program for providing financial assistance to public and private owners and operators of underground storage tanks who have been certified by the governing body of the county, city, or town in which the tanks are located as meeting a vital local government, public health or safety need. In providing such financial assistance the director shall:

(a) Require owners and operators, including local government owners and operators, to demonstrate serious financial hardship;

(b) Limit assistance to only that amount necessary to supplement applicant financial resources;

(c) Limit assistance to no more than one hundred fifty thousand dollars in value for any one underground storage tank site of which amount no more than seventy-five thousand dollars in value may be provided for corrective action; and

(d) Whenever practicable, provide assistance through the direct payment of contractors and other professionals for labor, materials, and other services.
(2) Except as otherwise provided in sections 1 through 6 of this act, no grant of financial assistance may be used for any purpose other than for corrective action and repair, replacement, reconstruction, and improvement of underground storage tanks and tank sites. If at any time prior to providing financial assistance or in the course of providing such assistance, it appears to the director that corrective action costs may exceed seventy-five thousand dollars, the director may not provide further financial assistance until the owner or operator has developed and implemented a corrective action plan with the department of ecology.

(3) When requests for financial assistance exceed available funds, the director shall give preference to providing assistance first to those underground storage tank sites which constitute the sole source of petroleum products in remote rural communities.

(4) The director shall consult with the department of ecology in approving financial assistance for corrective action to ensure compliance with regulations governing underground petroleum storage tanks and corrective action.

(5) The director shall approve or disapprove applications for financial assistance within sixty days of receipt of a completed application meeting the requirements of sections 1 through 6 of this act. The certification by local government of an owner or operator shall not preclude the director from disapproving an application for financial assistance if the director finds that such assistance would not meet the purposes of sections 1 through 6 of this act.

(6) The director may adopt all rules necessary to implement the financial assistance program and shall consult with the technical advisory committee established under RCW 70.148.030 in developing such rules and in reviewing applications for financial assistance.

NEW SECTION. Sec. 3. (1) To qualify for financial assistance, a private owner or operator retailing petroleum products to the public must:

(a) First apply for insurance from the pollution liability insurance program and request financial assistance in a form and manner required by the director;

(b) If the director makes a preliminary determination of possible eligibility for financial assistance, apply to the appropriate governing body of the city or town in which the tanks are located or in the case where the tanks are located outside of the jurisdiction of a city or town, then to the appropriate governing body of the county in which the tanks are located, for a determination by the governing body of the city, town, or county that the continued operation of the tanks meets a vital local government, or public health or safety need; and

(c) Qualify for insurance coverage from the pollution liability insurance program if such financial assistance were to be provided.

(2) In consideration for financial assistance and prior to receiving such assistance the owner and operator must enter into an agreement with the state whereby the owner and operator agree:

(a) To sell petroleum products to the public;

(b) To maintain the tank site for use in the retail sale of petroleum products for a period of not less than fifteen years from the date of agreement;

(c) To sell petroleum products to local government entities within the affected community on a cost-plus basis periodically negotiated between the owner and operator and the city, town, or county in which the tanks are located; and

(d) To maintain compliance with state underground storage tank financial responsibility and environmental regulations.

(3) The agreement shall be filed as a real property lien against the tank site with the county auditor in which the tanks are located. If the owner or operator transfers his or her interest in such property, the new owner or operator must agree to abide by the agreement or any financial assistance provided under sections 1 through 6 of this act shall be immediately repaid to the state by the owner or operator who received such assistance.
(4) As determined by the director, if an owner or operator materially breaches the agreement, any financial assistance provided shall be immediately repaid by such owner or operator.

(5) The agreement between an owner and operator and the state required under this section shall expire fifteen years from the date of entering into the agreement.

NEW SECTION. Sec. 4. (1) To qualify for financial assistance, a public owner or operator must:
(a) First apply for insurance from the pollution liability insurance program and request financial assistance in a form and manner required by the director;
(b) Provide to the director a copy of the resolution by the governing body of the city, town, or county having jurisdiction, finding that the continued operation of the tanks is necessary to maintain vital local public health, education, or safety needs;
(c) Qualify for insurance coverage from the pollution liability insurance program if such financial assistance were to be provided.

(2) The director shall give priority to and shall encourage local government entities to consolidate multiple operational underground storage tank sites into as few sites as possible. For this purpose, the director may provide financial assistance for the establishment of a new local government underground storage tank site contingent upon the closure of other operational sites in accordance with environmental regulations. Within the per site financial limits imposed under sections 1 through 6 of this act, the director may authorize financial assistance for the closure of operational sites when closure is for the purpose of consolidation.

NEW SECTION. Sec. 5. To qualify for financial assistance, a rural hospital as defined in RCW 18.89.020, owning or operating an underground storage tank must:
(1) First apply for insurance from the pollution liability insurance program and request financial assistance in a form and manner required by the director;
(2) Apply to the governing body of the city, town, or county in which the hospital is located for certification that the continued operation of the tank or tanks is necessary to maintain vital local public health or safety needs;
(3) Qualify for insurance coverage from the pollution liability insurance program if such financial assistance were to be provided; and
(4) Agree to provide charity care as defined in RCW 70.39.020 in an amount of equivalent value to the financial assistance provided under sections 1 through 6 of this act. The director shall consult with the department of health to monitor and determine the time period over which such care should be expected to be provided in the local community.

NEW SECTION. Sec. 6. (1) The director shall develop and distribute to appropriate cities, towns, and counties a form for use by the local government in making the certification required for all private owner and operator financial assistance along with instructions on the use of such form.

(2) In certifying a private owner or operator retailing petroleum products to the public as meeting vital local government, public health or safety needs, the local government shall:
(a) Consider and find that other retail suppliers of petroleum products are located remote from the local community;
(b) Consider and find that the owner or operator requesting certification is capable of faithfully fulfilling the agreement required for financial assistance;
(c) Designate the local government official who will be responsible for negotiating the price of petroleum products to be sold on a cost-plus basis to the local government entities in the affected communities and the entities eligible to receive petroleum products at such price; and
(d) State the vital need or needs that the owner or operator meets.
(3) In certifying a hospital as meeting local public health and safety needs the local
government shall:
(a) Consider and find that the continued use of the underground storage tank by the
hospital is necessary; and
(b) Consider and find that the hospital provides health care services to the poor and
otherwise provides charity care.

(4) The director shall notify the governing body of the city, town, or county
providing certification when financial assistance for a private owner or operator has been
approved.

Sec. 7. RCW 70.148.020 and 1990 c 64 s 3 are each amended to read as follows:
(1) The pollution liability insurance program trust account is established in the
custody of the state treasurer. All funds appropriated for this chapter and all premiums
collected for reinsurance shall be deposited in the account. Expenditures from the account
shall be used exclusively for the purposes of this chapter including payment of costs of
administering the pollution liability insurance and underground storage tank community
assistance programs. The account is subject to allotment procedures under chapter 43.88
RCW. Expenditures for payment of the costs of administering the program may be made
only after appropriation by statute. No appropriation is required for other expenditures
from the account. The earnings on any surplus balances in the pollution liability
insurance program trust account shall be credited to the account notwithstanding RCW
43.84.090.

(2) Each calendar quarter, the director shall report to the insurance commissioner
and the chairs of the senate ways and means, senate financial institutions, house of
representatives revenue, and house of representatives financial institutions committees, the
loss and surplus reserves required for the calendar quarter. The director shall notify the
department of revenue of this amount by the fifteenth day of each calendar quarter.

(3) Each calendar quarter the director shall report to the chairs of the senate ways
and means, senate financial institutions, house of representatives revenue, and house of
representatives financial institutions and insurance committees, the amount of reserves
necessary to fund commitments made to provide financial assistance under section 2 of
this act to the extent that the financial assistance reserves do not jeopardize the operations
and liabilities of the pollution liability insurance program. The director shall notify the
department of revenue of this amount by the fifteenth day of each calendar quarter. The
director may immediately establish an initial financial assistance reserve of five million
dollars from available revenues. The director may not expend more than fifteen million
dollars for the financial assistance program.

Sec. 8. RCW 82.23A.020 and 1990 c 64 s 12 are each amended to read as follows:
(1) A tax is imposed on the privilege of possession of petroleum products in this
state. The rate of the tax shall be fifty one-hundredths of one percent multiplied by the
wholesale value of the petroleum product.

(2) Moneys collected under this chapter shall be deposited in the pollution liability
insurance program trust account under RCW 70.148.020.

(3) Chapter 82.32 RCW applies to the tax imposed in this chapter. The tax due
dates, reporting periods, and return requirements applicable to chapter 82.04 RCW apply
equally to the tax imposed in this chapter.

(4) Within thirty days after the end of each calendar quarter the department shall
determine the "quarterly balance," which shall be the cash balance in the pollution
liability insurance program trust account as of the last day of that calendar quarter, after
excluding the reserves determined for that quarter under RCW 70.148.020(2) and (3).
Balance determinations by the department under this section are final and shall not be
used to challenge the validity of any tax imposed under this section. For each subsequent
calendar quarter, tax shall be imposed under this section during the entire calendar quarter
unless:
(a) Tax was imposed under this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than fifteen million dollars; or
(b) Tax was not imposed under this section during the immediately preceding calendar quarter, and the most recent quarterly balance is more than seven million five hundred thousand dollars.

**NEW SECTION.** Sec. 9. Sections 1 through 6 of this act shall each be added to chapter 70.148 RCW.

**NEW SECTION.** Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

**NEW SECTION.** Sec. 11. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

On page 1, line 2 of the title, after "products;" strike the remainder of the title and insert "amending RCW 70.148.020 and 82.23A.020; adding new sections to chapter 70.148 RCW; and declaring an emergency."

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:
NEW SECTION. Sec. 1. A new section is added to chapter 18.64 RCW to read as follows:

(1) A pharmacist who dispenses a prescription product in the form manufactured by a commercial manufacturer pursuant to a prescription issued by a licensed practitioner is not liable to a person who was injured through the use of the product, based on a claim of the following:

(a) Strict liability in tort; or
(b) Implied warranty provisions under the uniform commercial code Title 62 RCW.

(2) The limitation on pharmacist’s liability as provided in subsection (1) of this section shall only apply if the pharmacist complies with recordkeeping requirements pursuant to chapters 18.64, 69.41, and 69.50 RCW, and related administrative rules.

(3) A pharmacist who dispenses a prescription product in the form manufactured by a commercial manufacturer issued by a licensed practitioner is liable to the claimant only if the claimant’s harm was proximately caused by (a) the negligence of the pharmacist; (b) breach of an express warranty made by the pharmacist; or (c) the intentional misrepresentation of facts about the product by the pharmacist or the intentional concealment of information about the product by the pharmacist. A pharmacist shall not be liable for the product manufacturer’s liability except as provided in RCW 7.72.040.

Sec. 2. RCW 7.72.040 and 1981 c 27 s 5 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, a product seller other than a manufacturer is liable to the claimant only if the claimant’s harm was proximately caused by:

(a) The negligence of such product seller; or
(b) Breach of an express warranty made by such product seller; or
(c) The intentional misrepresentation of facts about the product by such product seller or the intentional concealment of information about the product by such product seller.

(2) A product seller, other than a manufacturer, shall have the liability of a manufacturer to the claimant if:

(a) No solvent manufacturer who would be liable to the claimant is subject to service of process under the laws of the claimant’s domicile or the state of Washington; or
(b) The court determines that it is highly probable that the claimant would be unable to enforce a judgment against any manufacturer; or
(c) The product seller is a controlled subsidiary of a manufacturer, or the manufacturer is a controlled subsidiary of the product seller; or
(d) The product seller provided the plans or specifications for the manufacture or preparation of the product and such plans or specifications were a proximate cause of the defect in the product; or
(e) The product was marketed under a trade name or brand name of the product seller.

(3) Subsection (2) of this section does not apply to a pharmacist who dispenses a prescription product in the form manufactured by a commercial manufacturer pursuant to a prescription issued by a licensed practitioner if the pharmacist complies with recordkeeping requirements pursuant to chapters 18.64, 69.41, and 69.50 RCW, and related administrative rules.

Sec. 3. RCW 7.72.010 and 1981 c 27 s 2 are each amended to read as follows:

For the purposes of this chapter, unless the context clearly indicates to the contrary:

(1) Product seller. "Product seller" means any person or entity that is engaged in the business of selling products, whether the sale is for resale, or for use or consumption. The term includes a manufacturer, wholesaler, distributor, or retailer of the relevant product. The term also includes a party who is in the business of leasing or bailing such products. The term "product seller" does not include:
(a) A seller of real property, unless that person is engaged in the mass production and sale of standardized dwellings or is otherwise a product seller;

(b) A provider of professional services who utilizes or sells products within the legally authorized scope of the professional practice of the provider;

(c) A commercial seller of used products who resells a product after use by a consumer or other product user: PROVIDED, That when it is resold, the used product is in essentially the same condition as when it was acquired for resale; (and)

(d) A finance lessor who is not otherwise a product seller. A "finance lessor" is one who acts in a financial capacity, who is not a manufacturer, wholesaler, distributor, or retailer, and who leases a product without having a reasonable opportunity to inspect and discover defects in the product, under a lease arrangement in which the selection, possession, maintenance, and operation of the product are controlled by a person other than the lessor; and

(e) A licensed pharmacist who dispenses a prescription product manufactured by a commercial manufacturer pursuant to a prescription issued by a licensed prescribing practitioner if the claim against the pharmacist is based upon strict liability in tort or the implied warranty provisions under the uniform commercial code, Title 62A RCW, and if the pharmacist complies with recordkeeping requirements pursuant to chapters 18.64, 69.41, and 69.50 RCW, and related administrative rules as provided in section 2 of this act. Nothing in this subsection (1)(e) affects a pharmacist's liability under RCW 7.72.040(1).

(2) Manufacturer. "Manufacturer" includes a product seller who designs, produces, makes, fabricates, constructs, or remanufactures the relevant product or component part of a product before its sale to a user or consumer. The term also includes a product seller or entity not otherwise a manufacturer that holds itself out as a manufacturer.

A product seller acting primarily as a wholesaler, distributor, or retailer of a product may be a "manufacturer" but only to the extent that it designs, produces, makes, fabricates, constructs, or remanufactures the product for its sale. A product seller who performs minor assembly of a product in accordance with the instructions of the manufacturer shall not be deemed a manufacturer. A product seller that did not participate in the design of a product and that constructed the product in accordance with the design specifications of the claimant or another product seller shall not be deemed a manufacturer for the purposes of RCW 7.72.030(1)(a).

(3) Product. "Product" means any object possessing intrinsic value, capable of delivery either as an assembled whole or as a component part or parts, and produced for introduction into trade or commerce. Human tissue and organs, including human blood and its components, are excluded from this term.

The "relevant product" under this chapter is that product or its component part or parts, which gave rise to the product liability claim.

(4) Product liability claim. "Product liability claim" includes any claim or action brought for harm caused by the manufacture, production, making, construction, fabrication, design, formula, preparation, assembly, installation, testing, warnings, instructions, marketing, packaging, storage or labeling of the relevant product. It includes, but is not limited to, any claim or action previously based on: Strict liability in tort; negligence; breach of express or implied warranty; breach of, or failure to, discharge a duty to warn or instruct, whether negligent or innocent; misrepresentation, concealment, or nondisclosure, whether negligent or innocent; or other claim or action previously based on any other substantive legal theory except fraud, intentionally caused harm or a claim or action under the consumer protection act, chapter 19.86 RCW.

(5) Claimant. "Claimant" means a person or entity asserting a product liability claim, including a wrongful death action, and, if the claim is asserted through or on behalf of an estate, the term includes claimant's decedent. "Claimant" includes any person or entity that suffers harm. A claim may be asserted under this chapter even though the
claimant did not buy the product from, or enter into any contractual relationship with, the product seller.

(6) Harm. "Harm" includes any damages recognized by the courts of this state: PROVIDED, That the term "harm" does not include direct or consequential economic loss under Title 62A RCW.

On page 1, line 3 of the title, after "62A RCW," strike the remainder of the title and insert "amending RCW 7.72.040 and 7.72.010; and adding a new section to chapter 18.64 RCW."

Signed by Representatives Ludwig, Vice Chair; Padden, Ranking Minority Member; Paris, Assistant Ranking Minority Member; Broback; Inslee; R. Meyers; Mielke; Riley; Scott; D. Sommers; Tate; and Vance.

(1) No person may operate a motor vehicle subject to registration under chapter 46.16 RCW in this state unless the person is insured under a motor vehicle liability policy with liability limits of at least the amounts provided in RCW 46.29.090, is self-insured as provided in RCW 46.29.630, is covered by a certificate of deposit in conformance with RCW 46.29.550, or is covered by a liability bond of at least the amounts provided in RCW 46.29.090.
(2) A violation of this section constitutes a traffic infraction ((punishable by a fine of two hundred and fifty dollars unless a court determines that in the interest of justice the fine should be reduced. In lieu of the fine, a court may permit the defendant to perform community service designated by the court)). A person found to have committed such infraction shall be assessed a monetary penalty or community service in accordance with RCW 46.63.110 and 46.63.120.

(3) If a person cited for a violation of this section appears in person before the court and provides written evidence that at the time the person was cited, he or she was in compliance with this section, the citation shall be dismissed without cost. In lieu of personal appearance, a person cited for a violation of this section may, before the date scheduled for the person’s appearance before the court, submit by mail to the court written evidence that at the time the person was cited, he or she was in compliance with this section, in which case the citation shall be dismissed without cost.

(4) The provisions of this chapter shall not govern:

(a) The operation of a motor vehicle registered under RCW ((46.16.310 or 46.16.315)) 46.16.305(1), governed by RCW 46.16.020, or registered with the Washington utilities and transportation commission as common or contract carriers; or

(6) An investigating officer may issue a citation for a violation of this section if the person fails to provide evidence of financial responsibility or insurance as required under RCW 46.30.040.

Sec. 2. RCW 46.30.040 and 1989 c 353 s 4 are each amended to read as follows:

(2) Every person who drives a motor vehicle required to be registered in another state that requires drivers and owners of vehicles in that state to maintain insurance or financial responsibility shall, when requested by a law enforcement officer, provide evidence of financial responsibility or insurance as is required by the laws of the state in which the vehicle is registered.

(3) A violation of subsection (1) or (2) of this section is not a traffic infraction. Failure to provide evidence of financial responsibility as required under subsection (1) or (2) of this section is reasonable cause for an investigating officer to believe that the person driving the motor vehicle is not insured or otherwise financially responsible as required by RCW 46.30.020(1). The officer may cite the person for a traffic infraction under RCW 46.30.020.

(4) Any person who knowingly provides false evidence of financial responsibility to a law enforcement officer or to a court, including an expired or canceled insurance policy, bond, or certificate of deposit is guilty of a misdemeanor.

(b) Private locations:
(i) On residential property
(ii) On private, nonresidential property, properly posted under RCW 46.55.070
(iii) On private, nonresidential property, not posted

Sec. 2. RCW 46.55.230 and 1987 c 311 s 19 are each amended to read as follows:

(1) Notwithstanding any other provision of law, any law enforcement officer having jurisdiction or any person authorized by the director may inspect and authorize the disposal of an abandoned junk vehicle. The person making the inspection shall record the make and vehicle identification number or license number of the vehicle if available, and shall also verify that the approximate value of the junk vehicle is equivalent only to the approximate value of the scrap in it.

(2) The law enforcement officer or department representative shall provide information on the vehicle’s registered and legal owner to the landowner.

(3) Upon receiving information on the vehicle’s registered and legal owner, the landowner shall mail a notice to the registered and legal owners shown on the records of the department. The notification shall describe the redemption procedure and the right to arrange for the removal of the vehicle.

(4) If the vehicle remains unclaimed more than fifteen days after the landowner has mailed notification to the registered and legal owner, the landowner may dispose of the vehicle or sign an affidavit of sale to be used as a title document.

(5) If no information on the vehicle’s registered and legal owner is found in the records of the department, the landowner may immediately dispose of the vehicle or sign an affidavit of sale to be used as a title document.

(6) The landowner of the property upon which the junk vehicle is located is entitled to recover from the vehicle’s registered owner any costs incurred in the removal of the junk vehicle.

(7) For the purposes of this section, the term "landowner" includes a legal owner of private property, a person with possession or control of private property, or a public official having jurisdiction over public property.

(8) A person complying in good faith with the requirements of this section is immune from any liability arising out of an action taken or omission made in the compliance.

Sec. 3. RCW 46.55.240 and 1989 c 111 s 17 are each amended to read as follows:
(1) A city, town, or county that adopts an ordinance or resolution concerning unauthorized, abandoned, or impounded vehicles shall include the applicable provisions of this chapter.

(a) A city, town, or county may, by ordinance, authorize other impound situations that may arise locally upon the public right-of-way or other publicly owned or controlled property.

(b) A city, town, or county ordinance shall contain language that establishes a written form of authorization to impound, which may include a law enforcement notice of infraction or citation, clearly denoting the agency's authorization to impound.

(c) A city, town, or county may, by ordinance, provide for release of an impounded vehicle by means of a promissory note in lieu of immediate payment, if at the time of redemption the legal or registered owner requests a hearing on the validity of the impoundment. If the municipal ordinance directs the release of an impounded vehicle before the payment of the impoundment charges, the municipality is responsible for the payment of those charges to the registered tow truck operator within thirty days of the hearing date.

(d) The hearing specified in RCW 46.55.120(2) and in this section may be conducted by an administrative hearings officer instead of in the district court. A decision made by an administrative hearing officer may be appealed to the district court for final judgment.

(2) A city, town, or county may adopt an ordinance establishing procedures for the abatement and removal as public nuisances of ((unauthorized)) junk vehicles or parts thereof from private property. Costs of removal may be assessed against the registered owner of the vehicle if the identity of the owner can be determined, unless the owner in the transfer of ownership of the vehicle has complied with RCW 46.12.101, or the costs may be assessed against the owner of the property on which the vehicle is stored.

(3) Ordinances pertaining to public nuisances shall contain:

(a) A provision requiring notice to the last registered owner of record and the property owner of record that a hearing may be requested and that if no hearing is requested, the vehicle will be removed;

(b) A provision requiring that if a request for a hearing is received, a notice giving the time, location, and date of the hearing on the question of abatement and removal of the vehicle or part thereof as a public nuisance shall be mailed, by certified mail, with a five-day return receipt requested, to the owner of the land as shown on the last equalized assessment roll and to the last registered and legal owner of record unless the vehicle is in such condition that identification numbers are not available to determine ownership;

(c) A provision that the ordinance shall not apply to (i) a vehicle or part thereof that is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property or (ii) a vehicle or part thereof that is stored or parked in a lawful manner on private property in connection with the business of a licensed dismantler or licensed vehicle dealer and is fenced according to RCW 46.80.130;

(d) A provision that the owner of the land on which the vehicle is located may appear in person at the hearing or present a written statement in time for consideration at the hearing, and deny responsibility for the presence of the vehicle on the land, with his reasons for the denial. If it is determined at the hearing that the vehicle was placed on the land without the consent of the landowner and that he has not subsequently acquiesced in its presence, then the local agency shall not assess costs of administration or removal of the vehicle against the property upon which the vehicle is located or otherwise attempt to collect the cost from the owner;

(e) A provision that after notice has been given of the intent of the city, town, or county to dispose of the vehicle and after a hearing, if requested, has been held, the vehicle or part thereof shall be removed at the request of a law enforcement officer with notice to the Washington state patrol and the department of licensing that the vehicle has
been wrecked. The city, town, or county may operate such a disposal site when its
governing body determines that commercial channels of disposition are not available or
are inadequate, and it may make final disposition of such vehicles or parts, or may
transfer such vehicle or parts to another governmental body provided such disposal shall
be only as scrap.

(4) A registered disposer under contract to a city or county for the impounding of
vehicles shall comply with any administrative regulations adopted by the city or county
on the handling and disposing of vehicles.

ROLL CALL OF FORMER OFFICERS

SPEAKER'S PRIVILEGE

The Speaker: It gives me great pleasure on behalf of all the current members of the House of Representatives to welcome these former members. Let's give them a rousing round of applause. Welcome back.

Last year we had the former Speakers make a few brief remarks. This year we thought it might be fitting if other alumni make some remarks, starting with the member who served the longest ago, putting aside Speaker Charlie Hodde and Speaker John O'Brien.
Former Sergeant at Arms Elmer Hyppa, who served from 1957 to 1965, briefly addressed the members.

Former Representative K. O. Rosenberg, who served from 1949 to 1959 and 1963 to 1965, briefly addressed the members.

Former Representative Chuck Riemcke, who served from 1949 to 1952, briefly addressed the members.

Former Representative Bob Ford, who served from 1941 to 1945, briefly addressed the members.

Former Representative Chet Thomas, who served from 1949 to 1951, briefly addressed the members.

POINT OF PERSONAL PRIVILEGE

Mr. Prince: It is a real pleasure to take this opportunity to honor those who have been here before us. I am personally pleased to see old friends who broke me into this system a few years ago.

You mentioned the cigars a few minutes ago, and I want to mention a tradition that you’ll probably have trouble believing. When a freshman passed a bill, he was required to buy cigars for the body. They passed out two boxes of cigars and everybody lit up. Can you imagine that, when in today’s environment you can’t smoke a cigar anywhere and cigarettes only in the stairwell. Things have definitely changed.

Another thing some members will remember: When you wanted to make a telephone, you had to go to the Chief Clerk of the House, explain to him who you wanted to call and why it was state business. If he believed you, he’d let you make the call. Things have definitely changed.

It is a pleasure to have all of you here today. We think it appropriate. We’ll all be in your position here one of these days. We appreciate you taking time to come back and share your stories with us.

The Speaker announced he was signing:

SUBSTITUTE HOUSE BILL NO. 1702.

E2SSB 5025 Prime Sponsor, Committee on Ways & Means: Providing services for at-risk youth and their families. Reported by Committee on Human Services

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:
NEW SECTION. Sec. 1. Evaluation of programs is essential in determining their effectiveness and cost benefit and in obtaining data for improving services. The department of social and health services shall conduct an evaluation of the family reconciliation services program. The study shall include the following information:
(1) A description of services offered in phase I and phase II;
(2) The number and characteristics of youth and families served in family reconciliation services phase I and phase II and the outcome of services provided to youth and families;

(3) A description of outreach services including program information provided to referring agencies and the general public;

(4) The number and type of referrals to family reconciliation services from law enforcement, juvenile courts, schools, and community agencies and their perception of its effectiveness;

(5) Follow-up contact with a random sample of youth and families receiving family reconciliation services assistance and their perception of the effectiveness of these services;

(6) The number of youth referred again after services were terminated and outcome of services provided;

(7) The number of youth and families who requested specific services but who did not receive services because they were not available, including a list of the services requested but not available; and

(8) Recommendations for improving services to at-risk youth and families.

NEW SECTION. Sec. 2. The demand for family reconciliation services continues to increase. The number of families served by the family reconciliation services program has nearly doubled in the past ten years while the number of staff providing these services has decreased. The department of social and health services shall expand family reconciliation services to serve an additional one thousand families per year.

NEW SECTION. Sec. 3. The behavioral sciences institute homebuilders intensive in-home counseling program has been highly successful in serving at-risk youth and families. This program shall expand to serve an additional one hundred twenty-six youth and families while preserving program integrity and quality.

NEW SECTION. Sec. 4. There is a lack of knowledge of existing laws and services on the part of those agencies and organizations serving at-risk youth and on the part of the general public. The office of the administrator for the courts is requested to develop a curriculum on at-risk youth for superior court judges and court personnel to be presented at a regularly scheduled educational session. The department of social and health services is directed to produce a videotape on at-risk youth laws and services for use by law enforcement, family reconciliation services staff, prosecuting and defense attorneys, other agencies and organizations dealing with at-risk youth, and the general public. The department shall consult with other agencies and organizations providing services to at-risk youth in the production of the videotape.

NEW SECTION. Sec. 5. A new section is added to chapter 74.13 RCW to read as follows:

The department of social and health services shall implement a therapeutic family home program for up to fifteen youth in the custody of the department under chapter 13.34 RCW. The program shall develop and maintain a mutually reinforcing relationship between the youth and the therapeutic staff associated with the program.

Sec. 6. RCW 74.13.034 and 1981 c 298 s 17 are each amended to read as follows:

(1) A child taken into custody and taken to a crisis residential center established pursuant to RCW 74.13.032(2) may, if the center is unable to provide appropriate treatment, supervision, and structure to the child, be taken at department expense to another crisis residential center or the nearest regional crisis residential center. Placement in both centers shall not exceed seventy-two hours from the point of intake as provided in RCW 13.32A.130.

(2) A child taken into custody and taken to a crisis residential center established by this chapter may be placed physically by the department or the department’s designee and, at departmental expense and approval, in a secure juvenile detention facility operated by the county in which the center is located for a maximum of forty-eight hours, including
Saturdays, Sundays, and holidays, if the person in charge of the crisis residential center finds that the child is seriously assaultive or seriously destructive towards others and the center is unable to provide appropriate supervision and structure. Any child who takes unauthorized leave from the center, if the child has taken unauthorized leave from the center in violation of a court order and the person in charge of the center determines that the center cannot provide supervision and structure adequate to ensure that the child will not again take unauthorized leave, may be taken to a juvenile detention facility subject to the provisions of this section: PROVIDED, That). Juveniles placed in such a facility pursuant to this section may not, to the extent possible, come in contact with alleged or convicted juvenile or adult offenders.

(3) Any child placed in secure detention pursuant to this section shall, during the period of confinement, be provided with appropriate treatment by the department or the department's designee, which shall include the services defined in RCW 74.13.033(2). If the child placed in secure detention is not returned home or if an alternative living arrangement agreeable to the parent and the child is not made within twenty-four hours after the child's admission, the child shall be taken at the department's expense to a crisis residential center. Placement in the crisis residential center or centers plus placement in juvenile detention shall not exceed seventy-two hours from the point of intake as provided in RCW 13.32A.130.

(4) Juvenile detention facilities used pursuant to this section shall first be certified by the department to ensure that juveniles placed in the facility pursuant to this section are provided with living conditions suitable to the well-being of the child. Where space is available, juvenile courts, when certified by the department to do so, shall provide secure placement for juveniles pursuant to this section, at department expense.

(5) It is the intent of the legislature that by July 1, 1982, crisis residential centers, supplemented by community mental health programs and mental health professionals, will be able to respond appropriately to children admitted to centers under this chapter and will be able to respond to the needs of such children with appropriate treatment, supervision, and structure.

NEW SECTION. Sec. 7. A new section is added to chapter 43.20A RCW to read as follows:

The department shall ensure that the administration of chapter 13.32A RCW and applicable portions of chapter 74.13 RCW relating to runaway youth, at-risk youth, and families in conflict is consistent in all areas of the state and in accordance with statutory requirements.

Sec. 8. RCW 74.13.032 and 1979 c 155 s 78 are each amended to read as follows:

(1) The department shall establish, by contracts with private vendors, not less than eight regional crisis residential centers, which shall be structured group care facilities licensed under rules adopted by the department. (Each regional center shall have an average of at least four adult staff members and in no event less than three adult staff members to every eight children.) The staff shall be trained so that they may effectively counsel juveniles admitted to the centers, provide treatment, supervision, and structure to the juveniles, and carry out the responsibilities outlined in RCW 13.32A.090.

(2) The department shall, in addition to the regional facilities established under subsection (1) of this section, establish not less than thirty additional crisis residential centers pursuant to contract with licensed private group care or specialized foster home facilities. The staff at the facilities shall be trained so that they may effectively counsel juveniles admitted to the centers, provide treatment, supervision, and structure to the juveniles, and carry out the responsibilities stated in RCW 13.32A.090. The responsibilities stated in RCW 13.32A.090 may, in any of the centers, be carried out by the department.

Crisis residential facilities shall be operated as semi-secure facilities.

Sec. 9. RCW 74.13.035 and 1979 c 155 s 81 are each amended to read as follows:
Crisis residential centers shall compile yearly records which shall be transmitted to the department and which shall contain information regarding population profiles of the children admitted to the centers during each past calendar year. Such information shall include but shall not be limited to the following:

1. The number, age, and sex of children admitted to custody;
2. Who brought the children to the center;
3. Services provided to children admitted to the center;
4. The circumstances which necessitated the children being brought to the center;
5. The ultimate disposition of cases;
6. The number of children admitted to custody who ran away from the center and their ultimate disposition, if any;
7. Length of stay.

The department may require the provision of additional information and may require each center to provide all such necessary information in a uniform manner.

NEW SECTION. Sec. 10. The legislature finds that the use of alcohol and illicit drugs continues to be a primary crippler of our youth. This translates into incredible costs to individuals, families, and society in terms of traffic fatalities, suicides, criminal activity including homicides, sexual promiscuity, familial incorrigibility, and conduct disorders, and educational fallout. Among children of all socioeconomic groups lower expectations for the future, low motivation and self-esteem, alienation, and depression are associated with alcohol and drug abuse.

Studies reveal that deaths from alcohol and other drug-related injuries rise sharply through adolescence, peaking in the early twenties. But second peak occurs in later life, where it accounts for three times as many deaths from chronic diseases. A young victim's life expectancy is likely to be reduced by an average of twenty-six years.

Yet the cost of treating alcohol and drug addicts can be recouped in the first three years of abstinence in health care savings alone. Public money spent on treatment saves not only the life of the chemical abuser, it makes us safer as individuals, and in the long-run costs less.

The legislature further finds that many children who abuse alcohol and other drugs may not require involuntary treatment, but still are not adequately served. These children remain at risk for future chemical dependency, and may become mentally ill or a juvenile offender or need out-of-home placement. Children placed at risk because of chemical abuse may be better served by the creation of a comprehensive integrated system for children in crisis.

The legislature declares that an emphasis on the treatment of youth will pay the largest dividend in terms of preventable costs to individuals themselves, their families, and to society. The provision of augmented involuntary alcohol treatment services to youths, as well as involuntary treatment for youths addicted by other drugs, is in the interest of the public health and safety.

Consent of the parent, parents, or legal guardian of a person less than eighteen years of age is not necessary to authorize the care, except that the person shall not become a resident of the treatment program without such permission except as provided in RCW 70.96A.120 or 70.96A.140. The parent, parents, or legal guardian of a person less than eighteen years of age are not liable for payment of care for such persons pursuant to this chapter, unless they have joined in the consent to the counseling, care, treatment, or rehabilitation.

Sec. 13. RCW 70.96A.140 and 1990 c 151 s 3 are each amended to read as follows:

(1) When a designated chemical dependency specialist((,) receives information alleging that a person is incapacitated as a result of alcoholism, or in the case of a minor incapacitated by alcoholism and/or other drug addiction, the designated chemical dependency specialist, after investigation and evaluation of the specific facts alleged and of the reliability and credibility of the information, may file a petition for commitment of such person with the superior court or district court. If the designated chemical dependency specialist((,) finds that the initial needs of such person would be better served by placement within the mental health system, the person shall be referred to an evaluation and treatment facility as defined in RCW 71.05.020 or 71.34.020. If placement in an alcohol treatment program is available and deemed appropriate, the petition shall allege that: The person is an alcoholic who is incapacitated by alcohol, or in the case of a minor incapacitated by alcoholism and/or other drug addiction, or that the person has twice before in the preceding twelve months been admitted for detoxification or treatment for alcoholism pursuant to RCW 70.96A.110, or in the case of a minor, detoxification or treatment for alcohol or drug addiction, and is in need of a more sustained treatment program, or that the person is an alcoholic, or in the case of a minor, an alcoholic or other drug addict, who has threatened, attempted, or inflicted physical harm on another and is likely to inflict physical harm on another unless committed. A refusal to undergo treatment, by itself, does not constitute evidence of lack of judgment as to the need for treatment. The petition shall be accompanied by a certificate of a licensed physician who has examined the person within five days before submission of the petition, unless the person whose commitment is sought has refused to submit to a medical examination, in which case the fact of refusal shall be alleged in the petition. The certificate shall set forth the licensed physician's findings in support of the allegations of the petition. A physician employed by the petitioning program or the department is eligible to be the certifying physician.

(2) Upon filing the petition, the court shall fix a date for a hearing no less than two and no more than seven days after the date the petition was filed unless the person petitioned against is presently being detained in a program, pursuant to RCW 70.96A.120 ((eF)), 71.05.210, or 71.34.050, as now or hereafter amended, in which case the hearing shall be held within seventy-two hours of the filing of the petition: PROVIDED, HOWEVER, That the above specified seventy-two hours shall be computed by excluding Saturdays, Sundays, and holidays: PROVIDED FURTHER, That, the court may, upon motion of the person whose commitment is sought, or upon motion of petitioner with written permission of the person whose commitment is sought, or his or her counsel and, upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of the hearing, including the date fixed by the court, shall be served by the
designated chemical dependency specialist on the person whose commitment is sought, his or her next of kin, a parent or his or her legal guardian if he or she is a minor, and any other person the court believes advisable. A copy of the petition and certificate shall be delivered to each person notified.

(3) At the hearing the court shall hear all relevant testimony, including, if possible, the testimony, which may be telephonic, of at least one licensed physician who has examined the person whose commitment is sought. Communications otherwise deemed privileged under the laws of this state are deemed to be waived in proceedings under this chapter when a court of competent jurisdiction in its discretion determines that the waiver is necessary to protect either the detained person or the public. The waiver of a privilege under this section is limited to records or testimony relevant to evaluation of the detained person for purposes of a proceeding under this chapter. Upon motion by the detained person, or on its own motion, the court shall examine a record or testimony sought by a petitioner to determine whether it is within the scope of the waiver.

The record maker shall not be required to testify in order to introduce medical, nursing, or psychological records of detained persons so long as the requirements of RCW 5.45.020 are met, except that portions of the record that contain opinions as to whether the detained person is an alcoholic, or in the case of a minor incapacitated by alcoholism and/or other drug addiction, must be deleted from the records unless the person offering the opinions is available for cross-examination. The person shall be present unless the court believes that his or her presence is likely to be injurious to him or her; in this event the court may deem it appropriate to appoint a guardian ad litem to represent him or her throughout the proceeding. If deemed advisable, the court may examine the person out of courtroom. If the person has refused to be examined by a licensed physician, he or she shall be given an opportunity to be examined by a court appointed licensed physician. If he or she refuses and there is sufficient evidence to believe that the allegations of the petition are true, or if the court believes that more medical evidence is necessary, the court may make a temporary order committing him or her to the department for a period of not more than five days for purposes of a diagnostic examination.

(4) If after hearing all relevant evidence, including the results of any diagnostic examination, the court finds that grounds for involuntary commitment have been established by clear, cogent, and convincing proof, it shall make an order of commitment to an approved treatment program. It shall not order commitment of a person unless it determines that an approved treatment program is available and able to provide adequate and appropriate treatment for him or her.

(5) A person committed under this section shall remain in the program for treatment for a period of sixty days unless sooner discharged. At the end of the sixty-day period, he or she shall be discharged automatically unless the program, before expiration of the period, files a petition for his or her recommitment upon the grounds set forth in subsection (1) of this section for a further period of ninety days unless sooner discharged. If a person has been committed because he or she is an alcoholic, or, in the case of a minor, an alcoholic or other drug addict, likely to inflict physical harm on another, the program shall apply for recommitment if after examination it is determined that the likelihood still exists.

(6) Upon the filing of a petition for recommitment under subsection (5) of this section, the court shall fix a date for hearing no less than two and no more than seven days after the date the petition was filed: PROVIDED, That, the court may, upon motion of the person whose commitment is sought and upon good cause shown, extend the date for the hearing. A copy of the petition and of the notice of hearing, including the date fixed by the court, shall be served by the treatment program on the person whose commitment is sought, his or her next of kin, the original petitioner under subsection (1) of this section if different from the petitioner for recommitment, one of his or her parents or his or her legal guardian if he or she is a minor, and his or her attorney and any other
person the court believes advisable. At the hearing the court shall proceed as provided in subsection (3) of this section.

(7) The approved treatment program shall provide for adequate and appropriate treatment of a person committed to its custody. A person committed under this section may be transferred from one approved public treatment program to another if transfer is medically advisable.

(8) A person committed to the custody of a program for treatment shall be discharged at any time before the end of the period for which he or she has been committed and he or she shall be discharged by order of the court if either of the following conditions are met:

(a) In case of an alcoholic committed on the grounds of likelihood of infliction of physical harm upon himself, herself, or another, or, in the case of a minor, an alcoholic or other drug addict, the likelihood no longer exists; or further treatment will not be likely to bring about significant improvement in the person's condition, or treatment is no longer adequate or appropriate.

(b) In case of an alcoholic committed on the grounds of the need of treatment and incapacity or, in the case of a minor, incapacitated by alcoholism and/or other drug addiction, that the incapacity no longer exists.

(9) The court shall inform the person whose commitment or recommitment is sought of his or her right to contest the application, be represented by counsel at every stage of any proceedings relating to his or her commitment and recommitment, and have counsel appointed by the court or provided by the court, if he or she wants the assistance of counsel and is unable to obtain counsel. If the court believes that the person needs the assistance of counsel, the court shall require, by appointment if necessary, counsel for him or her regardless of his or her wishes. The person shall, if he or she is financially able, bear the costs of such legal service; otherwise such legal service shall be at public expense. The person whose commitment or recommitment is sought shall be informed of his or her right to be examined by a licensed physician of his or her choice. If the person is unable to obtain a licensed physician and requests examination by a physician, the court shall employ a licensed physician.

(10) A person committed under this chapter may at any time seek to be discharged from commitment by writ of habeas corpus in a court of competent jurisdiction.

(11) The venue for proceedings under this section is the county in which person to be committed resides or is present.

(12) When in the opinion of the professional person in charge of the program providing involuntary treatment under this chapter, the committed patient can be appropriately served by less restrictive treatment before expiration of the period of commitment, then the less restrictive care may be required as a condition for early release for a period which, when added to the initial treatment period, does not exceed the period of commitment. If the program designated to provide the less restrictive treatment is other than the program providing the initial involuntary treatment, the program so designated must agree in writing to assume such responsibility. A copy of the conditions for early release shall be given to the patient, the designated chemical dependency specialist of original commitment, and the court of original commitment. The program designated to provide less restrictive care may modify the conditions for continued release when the modifications are in the best interests of the patient. If the program providing less restrictive care and the designated chemical dependency specialist determine that a conditionally released patient is failing to adhere to the terms and conditions of his or her release, or that substantial deterioration in the patient’s functioning has occurred, then the designated chemical dependency specialist shall notify the court of original commitment and request a hearing to be held no less than two and no more than seven days after the date of the request to determine whether or not the person should be returned to more restrictive care. The designated chemical dependency specialist shall file a petition with
the court stating the facts substantiating the need for the hearing along with the treatment recommendations. The patient shall have the same rights with respect to notice, hearing, and counsel as for the original involuntary treatment proceedings. The issues to be determined at the hearing are whether the conditionally released patient did or did not adhere to the terms and conditions of his or her release to less restrictive care or that substantial deterioration of the patient’s functioning has occurred and whether the conditions of release should be modified or the person should be returned to a more restrictive program. The hearing may be waived by the patient and his or her counsel and his or her guardian or conservator, if any, but may not be waived unless all such persons agree to the waiver. Upon waiver, the person may be returned for involuntary treatment or continued on conditional release on the same or modified conditions.

Sec. 14. RCW 71.05.210 and 1989 c 120 s 6 are each amended to read as follows:

Each person involuntarily admitted to an evaluation and treatment facility shall, within twenty-four hours of his or her admission, be examined and evaluated by a licensed physician who may be assisted by a physician assistant according to chapter 18.71A RCW or a nurse practitioner according to chapter 18.88 RCW and a mental health professional as defined in this chapter, and shall receive such treatment and care as his or her condition requires including treatment on an outpatient basis for the period that he or she is detained, except that, beginning twenty-four hours prior to a court proceeding, the individual may refuse all but emergency life-saving treatment, and the individual shall be informed at an appropriate time of his or her right to such refusal of treatment. Such person shall be detained up to seventy-two hours, if, in the opinion of the professional person in charge of the facility, or his or her professional designee, the person presents a likelihood of serious harm to himself or herself or others, or is gravely disabled. A person who has been detained for seventy-two hours shall no later than the end of such period be released, unless referred for further care on a voluntary basis, or detained pursuant to court order for further treatment as provided in this chapter.

If, after examination and evaluation, the licensed physician and mental health professional determine that the initial needs of the person would be better served by placement in a chemical dependency treatment facility, then the person shall be referred to an approved treatment program defined under RCW 70.96A.020.

An evaluation and treatment center admitting any person pursuant to this chapter whose physical condition reveals the need for hospitalization shall assure that such person is transferred to an appropriate hospital for treatment. Notice of such fact shall be given to the court, the designated attorney, and the designated county mental health professional and the court shall order such continuance in proceedings under this chapter as may be necessary, but in no event may this continuance be more than fourteen days.

Sec. 15. RCW 71.34.060 and 1985 c 354 s 6 are each amended to read as follows:

(1) Each minor approved by the facility for inpatient admission shall be examined and evaluated by a children’s mental health specialist as to the child’s mental condition and by a physician as to the child’s physical condition within twenty-four hours of admission. Reasonable measures shall be taken to ensure medical treatment is provided for any condition requiring immediate medical attention.

(2) If, after examination and evaluation, the children’s mental health specialist and the physician determine that the initial needs of the minor would be better served by placement in a chemical dependency treatment facility, then the minor shall be referred to an approved treatment program defined under RCW 70.96A.020.

(3) The admitting facility shall take reasonable steps to notify immediately the minor’s parent of the admission.

(4) During the initial seventy-two hour treatment period, the minor has a right to associate or receive communications from parents or others unless the professional person in charge determines that such communication would be seriously detrimental to
the minor’s condition or treatment and so indicates in the minor’s clinical record, and notifies the minor’s parents of this determination. In no event may the minor be denied the opportunity to consult an attorney.

If the evaluation and treatment facility admits the minor, it may detain the minor for evaluation and treatment for a period not to exceed seventy-two hours from the time of provisional acceptance. The computation of such seventy-two hour period shall exclude Saturdays, Sundays, and holidays. This initial treatment period shall not exceed seventy-two hours except when an application for voluntary inpatient treatment is received or a petition for fourteen-day commitment is filed.

Within twelve hours of the admission, the facility shall advise the minor of his or her rights as set forth in this chapter.

NEW SECTION. Sec. 16. The purpose of sections 10 through 15 of this act is solely to provide authority for the involuntary commitment of minors addicted by drugs within available funds and current programs and facilities. Nothing in sections 10 through 15 of this act shall be construed to require the addition of new facilities nor affect the department’s authority for the uses of existing programs and facilities authorized by law. Nothing in sections 10 through 15 of this act shall prevent a parent or guardian from requesting the involuntary commitment of a minor through a county designated chemical dependency specialist on an ability to pay basis.

Sec. 17. RCW 13.32A.196 and 1990 c 276 s 14 are each amended to read as follows:

(1) At the dispositional hearing regarding an adjudicated at-risk youth, the court shall consider the recommendations of the parties and the recommendations of any dispositional plan submitted by the department. The court may enter a dispositional order that will assist the parent in maintaining the care, custody, and control of the child and assist the family to resolve family conflicts or problems.

(2) The court may set conditions of supervision for the child that include:

(a) Regular school attendance;
(b) Counseling;
(c) Participation in a substance abuse treatment program;
(d) Reporting on a regular basis to the department or any other designated person or agency; and
(e) Any other condition the court deems an appropriate condition of supervision.

(3) No dispositional order or condition of supervision ordered by a court pursuant to this section shall include involuntary commitment of a child for substance abuse or mental health treatment.

(4) The court may order the parent to participate in counseling services or any other services for the child requiring parental participation. The parent shall cooperate with the court-ordered case plan and shall take necessary steps to help implement the case plan. The parent shall be financially responsible for costs related to the court-ordered plan; however, this requirement shall not affect the eligibility of the parent or child for public assistance or other benefits to which the parent or child may otherwise be entitled. The parent may request dismissal of an at-risk youth proceeding at any time and upon such a request, the court shall dismiss the matter and cease court supervision of the child unless a contempt action is pending in the case. The court may retain jurisdiction over the matter for the purpose of concluding any pending contempt proceedings, including the full satisfaction of any penalties imposed as a result of a contempt finding.

(5) The court may order the department to monitor compliance with the dispositional order, assist in coordinating the provision of court-ordered services, and submit reports at subsequent review hearings regarding the status of the case.

and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. SSB 5086  Prime Sponsor, Committee on Health & Long-Term Care: Providing for HIV testing without consent for certain persons. Reported by Committee on Health Care

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:
Sec. 1. RCW 70.24.105 and 1989 c 123 s 1 are each amended to read as follows:
(1) No person may disclose or be compelled to disclose the identity of any person who has investigated, considered, or requested a test or treatment for a sexually transmitted disease, except as authorized by this chapter.

(2) No person may disclose or be compelled to disclose the identity of any person upon whom an HIV antibody test is performed, or the results of such a test, nor may the result of a test for any other sexually transmitted disease when it is positive be disclosed. This protection against disclosure of test subject, diagnosis, or treatment also applies to any information relating to diagnosis of or treatment for HIV infection and for any other confirmed sexually transmitted disease. The following persons, however, may receive such information:

(a) The subject of the test or the subject's legal representative for health care decisions in accordance with RCW 7.70.065, with the exception of such a representative of a minor child over fourteen years of age and otherwise competent;

(b) Any person who secures a specific release of test results or information relating to HIV or confirmed diagnosis of or treatment for any other sexually transmitted disease executed by the subject or the subject's legal representative for health care decisions in accordance with RCW 7.70.065, with the exception of such a representative of a minor child over fourteen years of age and otherwise competent;

(c) The state public health officer, a local public health officer, or the centers for disease control of the United States public health service in accordance with reporting requirements for a diagnosed case of a sexually transmitted disease;

(d) A health facility or health care provider that procures, processes, distributes, or uses: (i) A human body part, tissue, or blood from a deceased person with respect to
medical information regarding that person; (ii) semen, including that provided prior to March 23, 1988, for the purpose of artificial insemination; or (iii) blood specimens; (e) Any state or local public health officer conducting an investigation pursuant to RCW 70.24.024, provided that such record was obtained by means of court ordered HIV testing pursuant to RCW 70.24.340 or 70.24.024; (f) A person allowed access to the record by a court order granted after application showing good cause therefor. In assessing good cause, the court shall weigh the public interest and the need for disclosure against the injury to the patient, to the physician-patient relationship, and to the treatment services. Upon the granting of the order, the court, in determining the extent to which any disclosure of all or any part of the record of any such test is necessary, shall impose appropriate safeguards against unauthorized disclosure. An order authorizing disclosure shall: (i) Limit disclosure to those parts of the patient's record deemed essential to fulfill the objective for which the order was granted; (ii) limit disclosure to those persons whose need for information is the basis for the order; and (iii) include any other appropriate measures to keep disclosure to a minimum for the protection of the patient, the physician-patient relationship, and the treatment services, including but not limited to the written statement set forth in subsection (5) of this section; (g) Persons who, because of their behavioral interaction with the infected individual, have been placed at risk for acquisition of a sexually transmitted disease, as provided in RCW 70.24.022, if the health officer or authorized representative believes that the exposed person was unaware that a risk of disease exposure existed and that the disclosure of the identity of the infected person is necessary; (h) A law enforcement officer, fire fighter, health care provider, health care facility staff person, or other person who has requested a test pursuant to RCW 70.24.340(4), if a state or local public health officer performs the test; (i) Claims management personnel employed by or associated with an insurer, health care service contractor, health maintenance organization, self-funded health plan, state-administered health care claims payer, or any other payer of health care claims where such disclosure is to be used solely for the prompt and accurate evaluation and payment of medical or related claims. Information released under this subsection shall be confidential and shall not be released or available to persons who are not involved in handling or determining medical claims payment; (j) A department of social and health services worker, a child placing agency worker, or a guardian ad litem who is responsible for making or reviewing placement or case-planning decisions or recommendations to the court regarding a child, who is less than fourteen years of age, has a sexually transmitted disease, and is in the custody of the department of social and health services or a licensed child placing agency; this information may also be received by a person responsible for providing residential care for such a child when the department of social and health services or a licensed child placing agency determines that it is necessary for the provision of child care services; (k) A person named as a victim of a charged criminal offense where the prosecuting attorney has requested a test of the accused pursuant to RCW 70.24.340(3); and (l) A person named as a victim of a criminal offense where the offender is tested for HIV under RCW 70.24.340(2). (3) No person to whom the results of a test for a sexually transmitted disease have been disclosed pursuant to subsection (2) of this section may disclose the test results to another person except as authorized by that subsection. (4) The release of sexually transmitted disease information regarding an offender, except as provided in subsection (2)(e) of this section, shall be governed as follows:
(a) The sexually transmitted disease status of a department of corrections offender shall be made available by department of corrections health care providers to a department of corrections superintendent or administrator as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. The information may be submitted to transporting officers and receiving facilities, including facilities that are not under the department of correction’s jurisdiction.

(b) The sexually transmitted disease status of a person detained in a jail shall be made available by the local public health officer to a jail administrator as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. The information may be submitted to transporting officers and receiving facilities.

(c) Information regarding a department of corrections offender’s sexually transmitted disease status is confidential and may be disclosed by a correctional superintendent or administrator or local jail administrator only as necessary for disease prevention or control and for protection of the safety and security of the staff, offenders, and the public. Unauthorized disclosure of this information to any person may result in disciplinary action, in addition to any other penalties as may be prescribed by law.

(5) Whenever disclosure is made pursuant to this section, except for subsections (2)(a) and (6) of this section, it shall be accompanied by a statement in writing which includes the following or substantially similar language: "This information has been disclosed to you from records whose confidentiality is protected by state law. State law prohibits you from making any further disclosure of it without the specific written consent of the person to whom it pertains, or as otherwise permitted by state law. A general authorization for the release of medical or other information is NOT sufficient for this purpose.” An oral disclosure shall be accompanied or followed by such a notice within ten days.

(6) The requirements of this section shall not apply to the customary methods utilized for the exchange of medical information among health care providers in order to provide health care services to the patient, nor shall they apply within health care facilities where there is a need for access to confidential medical information to fulfill professional duties.

(7) If the victim of a charged or convicted criminal offense is a minor, the victim’s parents or legal guardian shall have all of the rights and remedies of a victim under this section.

Sec. 2. RCW 70.24.320 and 1988 c 206 s 701 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Pretest counseling" means counseling aimed at helping the individual understand ways to reduce the risk of HIV infection, the nature and purpose of the tests, the significance of the results, and the potential dangers of the disease, and to assess the individual’s ability to cope with the results.

(2) "Posttest counseling" means further counseling following testing usually directed toward increasing the individual’s understanding of the human immunodeficiency virus infection, changing the individual’s behavior, and, if necessary, encouraging the individual to notify persons with whom there has been contact capable of spreading HIV.

(3) "AIDS counseling" means counseling directed toward increasing the individual’s understanding of acquired immunodeficiency syndrome and changing the individual’s behavior.

(4) "HIV testing" means a test indicative of infection with the human immunodeficiency virus (as specified by the board of health by), and subsequent tests at such intervals sufficient to detect HIV infection, as determined by the board in rule.

Sec. 3. RCW 70.24.340 and 1988 c 206 s 703 are each amended to read as follows:
(1) Local health departments authorized under this chapter shall conduct or cause to be conducted pretest counseling, HIV testing, and posttest counseling of all persons:

(a) Convicted of a sexual offense under chapter 9A.44 RCW;
(b) Convicted of prostitution or offenses relating to prostitution under chapter 9A.88 RCW; or
(c) Convicted of drug offenses under chapter 69.50 RCW if the court determines at the time of conviction that the related drug offense is one associated with the use of hypodermic needles.

(2) The purposes of the testing and disclosure provided in this section are:
(a) To benefit the victim of a crime or assault which involved the substantial exposure to another's bodily fluids, creating a risk of transmission of HIV, by informing the victim whether the defendant or assailant is infected with the AIDS virus;
(b) to protect the health of both victims of crime and assault and of those accused or convicted of committing a crime, or assailants; and
(c) to protect the health of the public. The legislature respects the need for confidentiality; requirements of confidentiality must be maintained as prescribed in RCW 70.24.105.

(2)(a) All persons who are convicted of the following offenses or equivalent juvenile offenses where the offense involved substantial exposure of bodily fluids presenting a possible risk of HIV infection, shall submit to pretest counseling, HIV testing, and posttest counseling to be performed by a local public health officer.

(i) Sexual offenses under chapter 9A.44 RCW or under local ordinance;
(ii) Prostitution or offenses relating to prostitution under chapter 9A.88 RCW or under local ordinance;
(iii) Drug offenses under chapter 69.50 RCW or under local ordinance, if a court determines at the time of conviction that the related drug offense is one associated with the use of hypodermic needles.

(b) Pretest counseling, HIV testing, and posttest counseling shall be conducted as soon as possible after sentencing and shall be so ordered by the sentencing judge.

(((3))) (c) This section applies only to offenses committed after March 23, 1988.

(3)(a) The prosecuting attorney may request, at any time, that the defendant submit to pretest counseling, HIV testing, and posttest counseling.

(b) The prosecuting attorney in the jurisdiction where the criminal charge was filed shall advise the victim, in writing, of the right to receive counseling and testing. The prosecutor shall refer the victim to the local health officer, who shall make available counseling to help that person understand the extent to which the particular circumstances of the crime may or may not have put the victim at the risk of transmission of HIV, to ensure that the victim understands both the benefits and limitations of the current tests, and to help the victim decide whether he or she wants to be tested.

(c) Upon request of the victim, the public health officer shall perform counseling and testing for the victim.

(d) Upon the request of the victim, the prosecuting attorney shall petition the court, as soon as possible after charging, for an order mandating that the defendant submit to counseling and testing, unless the defendant consents to such counseling and testing.

(e) The court in which the criminal charge is filed shall order the defendant to submit to tests to be performed by the local public health officer if the court finds, by a preponderance of the evidence, that during the course of the alleged criminal offense, the victim was substantially exposed to the defendant's bodily fluids, presenting a possible risk of HIV infection. The board in rule shall define "substantial exposure" and "exposure presenting possible risk."

(f) The court shall base its finding upon affidavits submitted by the victim, the defendant, the public health officer, or the prosecuting attorney. Any affidavit of the public health officer should set forth the circumstances under which a victim may be substantially exposed to the bodily fluids of another, presenting a possible risk of
transmission. The prosecuting attorney may present the request for an order and supporting affidavits to the court and obtain the order without the presence of the victim or the public health officer.

(g) Once the order is granted, the prosecuting attorney shall notify the public health officer of the order and of the location of the defendant. The order shall require the accused to report to the local public health department for testing if the person is not in custody or if the accused is released from custody prior to testing. The public health officer shall complete the counseling and testing process as soon as possible, and at such subsequent intervals as are sufficient to detect infection, as determined by the board in rule under section 4 of this act. The public health officer shall notify the prosecuting attorney of the fact that the initial testing process has been completed. Subsequent testing shall not be performed if the defendant is acquitted or charges are dismissed.

(h) The public health officer shall have the responsibility for disclosing test results to, and counseling, the victim who requested the test and to the accused who was tested, as soon as possible after the results become available.

(i) The results of any blood tested pursuant to (e) of this subsection shall not be used in any criminal proceeding as evidence of either guilt or innocence.

(4) A law enforcement officer, fire fighter, health care provider, health care facility staff person, or other categories of employment determined by the board in rule to be at risk of substantial exposure to HIV, who has experienced a substantial exposure to another person’s bodily fluids in the course of his or her employment, or a good samaritan who is immune from liability under RCW 4.24.300 who has experienced a substantial exposure to another person’s bodily fluids, may request a state or local public health officer to order pretest counseling, HIV testing, and posttest counseling for the person whose bodily fluids he or she has been exposed to. The person who is subject to the order shall be given written notice of the order promptly, personally, and confidentially, stating the grounds and provisions of the order, including the factual basis therefor. If the person who is subject to the order refuses to comply, the state or local public health officer may petition the superior court for a hearing. The standard of review for the order is whether substantial exposure occurred and whether that exposure presents a possible risk of transmission of the HIV virus as defined by the board by rule. Upon conclusion of the hearing, the court shall issue the appropriate order. The state or local public health officer shall perform counseling and testing under this subsection if he or she ((finds that the exposure was substantial and presents a possible risk as defined by the board of health by rule)) receives the consent of the person to be tested, or if ordered by the court to do so.

(5) If the victim of a charged criminal offense is a minor, the victim’s parent or legal guardian shall have all of the rights and remedies of a victim under this section.

NEW SECTION. Sec. 4. A new section is added to chapter 70.24 RCW to read as follows:

E2SSB 5096 Prime Sponsor, Committee on Ways & Means: Requiring state laws and rules to be assessed to determine adverse impacts on agriculture. Reported by Committee on Agriculture & Rural Development

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:
NEW SECTION. Sec. 1. A new section is added to chapter 15.04 RCW to read as follows:
The history, economy, culture, and the future of Washington state to a large degree all involve agriculture, which is vital to the economic well-being of the state. The legislature finds that farmers and ranchers are responsible stewards of the land, but are increasingly subjected to complaints and unwarranted restrictions that encourage, and even force, the premature removal of lands from agricultural uses.
The legislature further finds that it is now in the overriding public interest that support for agriculture be clearly expressed and that adequate protection be given to agricultural lands, uses, activities, and operations.
The legislature further finds that the department of agriculture has a duty to promote and protect agriculture and its dependent rural community in Washington state.
NEW SECTION. Sec. 2. A new section is added to chapter 15.04 RCW to read as follows:
The department shall seek to enhance, protect, and perpetuate the ability of the private sector to produce food and fiber. Additionally, the department shall seek to maintain the economic well-being of the agricultural industry and its dependent rural community in Washington state.

On page 1, line 2 of the title, after "agriculture;" strike the remainder of the title and insert "and adding new sections to chapter 15.04 RCW."

For the purposes of this chapter, the term dealer includes any person who purchases livestock on behalf of and for the account of another, or who purchases cattle in another state or country and imports these cattle into this state for resale.

(a) A delivery receipt for the consignor that indicates the variety of horticultural product delivered, the number of containers, or the weight and tare thereof;

(b) Horticultural products received for handling and sale in the fresh market shall be accounted for to the consignor with individual pack-out records that shall include variety, grade, size, and date of delivery. Individual daily packing summaries shall be available within forty-eight hours after packing occurs. However, platform inspection shall be acceptable by mutual contract agreement on small deliveries to determine variety, grade, size, and date of delivery;

(c) Terms under which the commission merchant may use his or her judgment in regard to the sale of the pooled horticultural product;

(d) The charges to be paid by the consignor as filed with the state of Washington;
(e) A provision that the consignor shall be paid for his or her pool contribution when the pool is in the process of being marketed in direct proportion, not less than eighty percent of his or her interest less expenses directly incurred, prior liens, and other advances on the grower’s crop unless otherwise mutually agreed upon between grower and commission merchant.

Sec. 2. RCW 60.13.010 and 1987 c 148 s 1 are each amended to read as follows:

As used in this chapter, the terms defined in this section have the meanings indicated unless the context clearly requires otherwise.

(1) "Agricultural product((,))" means any unprocessed horticultural product, poultry or poultry product, livestock, hay, or straw, grain, or other unprocessed agricultural product. When used in RCW 60.13.020, "agricultural product" means horticultural, aquacultural, viticultural, or berry products, hay or straw, milk or milk products, and turf or forage seed and applies only when such products are delivered to a processor or conditioner in an unprocessed form.

(2) "Conditioner," "consignor," "person," (("producer,")) and "producer" have the meanings defined in RCW 20.01.010.

((22)) (3) "Delivers" means that a producer completes the performance of all contractual obligations with reference to the transfer of actual or constructive possession or control of an agricultural product to a processor or conditioner or preparer, regardless of whether the processor or conditioner or preparer takes physical possession.

((3)) (4) "Preparer" means a person engaged in the business of feeding livestock or preparing livestock products for market.

((34)) (5) "Processor" means any person, firm, company, or other organization that purchases agricultural products from a consignor and that cans, freezes, dries, dehydrates, cooks, presses, powders, or otherwise processes those agricultural products in any manner whatsoever for eventual resale, or that purchases or markets milk from a dairy producer and is obligated to remit payment to such dairy producer directly.

(6) "Commercial fisherman" means a person licensed to fish commercially for or to take food fish or shellfish or steelhead legally caught pursuant to executive order, treaty right, or federal statute.

((4)) (7) "Fish" means food fish or shellfish or steelhead legally caught pursuant to executive order, treaty right, or federal statute.

NEW SECTION. Sec. 3. A new section is added to chapter 60.13 RCW to read as follows:

A person who controls or possesses amounts payable to the processor of agricultural products or the processor’s assigns, which are properly encumbered by a processor’s lien upon an account receivable shall not be obligated to pay a producer amounts to which the
producer's processor lien has attached until that person receives written notice of such lien, nor shall that person be liable to the producer for any amounts paid out prior to receipt of the notice. The notice required by this section shall contain the information described in RCW 60.13.040(2). If requested by the person responsible for payment of such amounts, the producer must seasonably furnish reasonable proof that the processor lien continues to exist and unless such proof is so furnished, that person has no obligation to pay the producer. A processor shall provide the name of the purchaser or marketing agent of the products to the producer upon request.

Failure to furnish the written notice as provided in this section does not affect the status of the lien established under this chapter in regard to the relationship with other creditors.

On page 1, line 1 of the title, after "liens;" strike the remainder of the title and insert "amending RCW 20.01.010 and 60.13.010; and adding a new section to chapter 60.13 RCW."

E2SSB 5120 Prime Sponsor, Committee on Ways & Means: Making adjustments to child support guidelines. Reported by Committee on Judiciary

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Basic child support obligation" means the monthly child support obligation determined from the economic table based on the parties' combined monthly net income and the number of children for whom support is owed.

(2) "Child support schedule" means the standards, economic table, worksheets, and instructions, as defined in this chapter.

(3) "Court" means a superior court judge, court commissioner, and presiding and reviewing officers who administratively determine or enforce child support orders.

(4) "Deviation" means a child support amount that differs from the standard calculation.

(5) "Economic table" means the child support table for the basic support obligation provided in section 2 of this act.

(6) "Instructions" means the instructions developed by the office of the administrator for the courts pursuant to RCW 26.19.050 for use in completing the worksheets.

(7) "Multiple families" means all the possible combinations of families in which a party has children from more than one relationship to whom the party owes a duty to support. Possible combinations include any natural, adopted, or stepchildren to whom the person owes a duty of support, whether or not the children are illegitimate or were born during a former or existing marriage, and whether or not the children reside with the person obligated to support them.

(8) "Standards" means the standards for determination of child support as provided in sections 3 through 7 of this act and RCW 26.19.090.

(9) "Standard calculation" means the presumptive amount of child support owed as determined from the child support schedule before the court considers any reasons for deviation.

(10) "Support transfer payment" means the amount of money the court orders one parent to pay to another parent or custodian for child support after determination of the standard calculation and deviations. If certain expenses or credits are expected to fluctuate and the order states a formula or percentage to determine the additional amount or credit on an ongoing basis, the term "support transfer payment" does not mean the additional amount or credit.

(11) "Worksheets" means the forms developed by the office of the administrator for the courts pursuant to RCW 26.19.050 for use in determining the amount of child support.

NEW SECTION. Sec. 3. STANDARDS FOR CHILD SUPPORT SCHEDULE APPLICATION. (1) Application of the child support schedule. The child support schedule shall be applied:
(a) In each county of the state;
(b) In judicial and administrative proceedings under this title or Title 13 or 74 RCW;
(c) In all proceedings in which child support is determined or modified;
(d) In setting temporary and permanent support;
(e) In automatic modification provisions or decrees entered pursuant to RCW 26.09.100; and
(f) In addition to proceedings in which child support is determined for minors, to adult children who are dependent on their parents and for whom support is ordered pursuant to RCW 26.09.100.

The provisions of this chapter for determining child support and reasons for deviation from the standard calculation shall be applied in the same manner by the court, presiding officers, and reviewing officers.

(2) Written findings of fact supported by the evidence. An order for child support shall be supported by written findings of fact upon which the support determination is based and shall include reasons for any deviation from the standard calculation and reasons for denial of a party’s request for deviation from the standard calculation.

(3) Completion of worksheets. Worksheets in the form developed by the office of the administrator for the courts shall be completed under penalty of perjury and filed in every proceeding in which child support is determined. The court shall not accept incomplete worksheets or worksheets that vary from the worksheets developed by the office of the administrator for the courts.

(4) Court review of the worksheets and order. The court shall review the worksheets and the order setting support for the adequacy of the reasons set forth for any deviation or denial of any request for deviation and for the adequacy of the amount of support ordered. Each order shall state the amount of child support calculated using the standard calculation and the amount of child support actually ordered. Worksheets shall be attached to the decree or order or if filed separately shall be initialed or signed by the judge and filed with the order.

NEW SECTION. Sec. 4. STANDARDS FOR ALLOCATION OF CHILD SUPPORT OBLIGATION BETWEEN PARENTS. (1) The parents’ total obligation for support shall be based on their combined monthly net income, resources, and special child rearing costs.

(2) The basic child support obligation derived from the economic table shall be allocated between the parents based on each parent’s share of the combined monthly net income.

(3) Ordinary health care expenses are included in the economic table. Monthly health care expenses that exceed five percent of the basic support obligation shall be considered extraordinary health care expenses. Extraordinary health care expenses, day care expenses, and special child rearing expenses such as tuition and long distance transportation costs to and from the parents for visitation purposes, are not included in the economic table. These expenses shall be shared by the parents in the same proportion as the basic support obligation. These expenses may be listed as a specific dollar amount or as a percentage amount. Day care expenses include, but are not limited to, day care expenses incurred while the parent in custody of the child is working, pursuing accredited educational training, or obtaining medical care.

(4) The court shall exercise discretion to determine the necessity for and the reasonableness of all amounts ordered in excess of the basic support obligation.

NEW SECTION. Sec. 5. STANDARDS FOR DETERMINATION OF INCOME. (1) Consideration of all income. All income and resources of each parent’s household shall be disclosed and considered by the court when the court determines the child support obligation of each parent. However, for purposes of calculating the basic support obligation, only the income of the parents of the children whose support is at issue shall
be calculated. Income and resources of any other person shall not be included in calculating the basic support obligation.

(2) Verification of income. Tax returns for the preceding two years and current paystubs shall be provided to verify income and deductions. Other sufficient verification shall be required for income and deductions which do not appear on tax returns or paystubs.

(3) Income sources included in gross monthly income. Except as specifically excluded in subsection (4) of this section, monthly gross income shall include income from any source, including:
   (a) Salaries;
   (b) Wages;
   (c) Commissions;
   (d) Deferred compensation;
   (e) Recurring bonuses;
   (f) Dividends;
   (g) Interest;
   (h) Trust income;
   (i) Severance pay;
   (j) Annuities;
   (k) Capital gains;
   (l) Pension retirement benefits;
   (m) Workers' compensation;
   (n) Unemployment benefits; and
   (o) Spousal maintenance actually received.

(4) Income sources excluded from gross monthly income. The following income and resources shall be disclosed but shall not be included in gross income:
   (a) Income of a new spouse or income of other adults in the household;
   (b) Child support received from other relationships;
   (c) Nonrecurring income from bonuses, contract-related cash benefits, gifts, and prizes. The burden of proving that these sources of income are nonrecurring is on the parent seeking to exclude them from gross income;
   (d) Overtime, whether mandatory or voluntary;
   (e) If the parent has at least one full-time job that requires the parent to work a minimum of forty hours per week, income derived from a second job or additional jobs other than the full-time job;
   (f) Aid to families with dependent children;
   (g) Supplemental security income;
   (h) General assistance;
   (i) Veterans aid and attendance allowance or special medical compensation paid under 38 U.S.C. Sec. 314 (k) through (r); and
   (j) Food stamps.

Receipt of income and resources from aid to families with dependent children, supplemental security income, general assistance, veterans aid and attendance allowance or special medical compensation paid under 38 U.S.C. Sec. 314 (k) through (r), and food stamps shall not be a reason to deviate from the standard calculation.

(5) Determination of net income. The following expenses shall be disclosed and deducted from gross monthly income to calculate net monthly income:
   (a) Federal and state income taxes;
   (b) Federal insurance contributions act deductions;
   (c) Mandatory pension plan payments;
   (d) Mandatory union or professional dues;
   (e) State industrial insurance premiums;
   (f) Court-ordered spousal maintenance to the extent actually actually paid;
(g) Up to two thousand dollars per year in voluntary pension payments actually made if the contributions were made for the two tax years preceding the earlier of the (i) tax year in which the parties separated with intent to live separate and apart or (ii) tax year in which the parties filed for dissolution; and
(h) Normal business expenses and self-employment taxes for self-employed persons. Justification shall be required for any business expense deduction about which there is disagreement.

Items deducted from gross income under this subsection shall not be a reason to deviate from the standard calculation.

(6) Imputation of income. The court shall impute income to a parent when the parent is voluntarily unemployed or voluntarily underemployed. The court shall determine whether the parent is voluntarily underemployed or voluntarily unemployed based upon that parent's work history, education, health, age, and other relevant factors. A parent will not be deemed underemployed if that parent is gainfully employed on a full-time basis. Income shall not be imputed for an unemployable parent.

NEW SECTION. Sec. 6. STANDARDS FOR DEVIATION FROM THE STANDARD CALCULATION. (1) Reasons for deviation from the standard calculation include but are not limited to the following:
(a) Sources of income and tax planning. The court may deviate from the standard calculation after consideration of the following resources and income:
(i) Income of a new spouse;
(ii) Income of other adults in the household;
(iii) Child support actually received from other relationships;
(iv) Overtime, whether mandatory or voluntary;
(v) Nonrecurring bonuses;
(vi) Contract-related cash benefits;
(vii) Gifts;
(viii) Prizes;
(ix) Income derived from a second job or additional jobs that was excluded from gross income under section 5 of this act;
(x) Possession of wealth, including but not limited to savings, investments, real estate holdings and business interests, vehicles, boats, pensions, bank accounts, insurance plans, or other assets;
(xi) Extraordinary income of a child; or
(xii) Tax planning considerations. A deviation for tax planning may be granted only if the child would not receive a lesser economic benefit due to the tax planning.
(b) Debt and high expenses. The court may deviate from the standard calculation after consideration of the following expenses:
(i) Extraordinary debt not voluntarily incurred;
(ii) A significant disparity in the living costs of the parents due to conditions beyond their control;
(iii) Special needs of disabled children; or
(iv) Special medical, educational, or psychological needs of the children.
(c) Residential schedule. The court may deviate from the standard calculation if the child spends a significant amount of time with the parent who is obligated to make a support transfer payment. The court may not deviate on that basis if the deviation will result in insufficient funds in the house receiving the support to meet the basic needs of the child or if the child is receiving aid to families with dependent children. When determining the amount of the deviation, the court shall consider evidence concerning the increased expenses to a parent making support transfer payments resulting from the significant amount of time spent with that parent and shall consider the decreased expenses, if any, to the party receiving the support resulting from the significant amount of time the child spends with the parent making the support transfer payment.
(d) Multiple families. The court may deviate from the standard calculation when either or both of the parents before the court have children in multiple families to whom the parent owes a duty of support.

(i) The child support schedule shall be applied to the mother, father, and children of the family before the court to determine the presumptive amount of support.

(ii) Children from families other than the children of the parties before the court shall not be counted in the number of children for purposes of determining the basic support obligation and the standard calculation.

(iii) When considering a deviation from the standard calculation for children in the family before the court, the court may consider only other children to whom the parent owes a duty of support. The court may consider court-ordered payments of child support for children from other families only to the extent that the support is actually paid.

(iv) When the court has determined that either or both parents have multiple families, deviations under this section shall be based on consideration of the total circumstances of both households. All child support obligations paid, received, and owed for all children in the multiple families shall be disclosed and considered.

(2) All income and resources of the parties before the court, new spouses, and other adults in the households shall be disclosed and considered. The presumptive amount of support shall be determined according to the child support schedule. Unless specific reasons for deviation are set forth in the written findings of fact and are supported by the evidence, the court shall order each parent to pay the amount of support determined by using the standard calculation.

(3) The court shall enter findings that specify reasons for any deviation or any denial of a party's request for any deviation from the standard calculation made by the court. The court shall not consider reasons for deviation until the court determines the standard calculation for each parent.

(4) When reasons exist for deviation, the court shall exercise discretion in considering the extent to which the factors would affect the support obligation.

(5) Agreement of the parties is not by itself adequate reason for any deviation from the standard calculation.

NEW SECTION. Sec. 7. STANDARDS FOR ESTABLISHING LOWER AND UPPER LIMITS ON CHILD SUPPORT AMOUNTS. (1) Limit at fifty percent of a parent's net income. Neither parent’s total child support obligation may exceed fifty percent of net income except for good cause shown. Good cause includes but is not limited to possession of substantial wealth, children with day care expenses, special medical need, educational need, psychological need, and larger families.

(2) Income below six hundred dollars. When combined monthly net income is less than six hundred dollars, a support order of not less than twenty-five dollars per child per month shall be entered for each parent. A parent's support obligation shall not reduce his or her net income below the need standard for one person established pursuant to RCW 74.04.770, except for the mandatory minimum payment of twenty-five dollars per child per month as required in this section or in cases where the court finds reasons for deviation under section 6 of this act. This section shall not be construed to require monthly substantiation of income.

(3) Income above seven thousand dollars. When combined monthly net income exceeds the highest combined monthly net income for which a presumptive amount of support is established, child support shall not be set at a level lower than that amount from the table unless the court finds reasons for deviation below that level, but the court has discretion to establish support at higher levels upon written findings of fact.

NEW SECTION. Sec. 8. The following acts or parts of acts are each repealed:

(2) RCW 26.19.010 and 1988 c 275 s 2;

ESSB 5121 Prime Sponsor, Committee on Governmental Operations: Protecting whistleblowers. Reported by Committee on State Government

MAJORITY recommendation: Do pass with the following amendments: Strike everything after the enacting clause and insert the following: Sec. 1. RCW 42.40.020 and 1989 c 284 s 1 are each amended to read as follows: As used in this chapter, the terms defined in this section shall have the meanings indicated unless the context clearly requires otherwise.
(1) "Auditor" means the office of the state auditor.
(2) "Employee" means any individual employed or holding office in any department or agency of state government.
(3)(a) "Improper governmental action" means any action by an employee:
(i) Which is undertaken in the performance of the employee's official duties, whether or not the action is within the scope of the employee's employment; and
(ii) Which is in violation of any state law or rule, is an abuse of authority, is of substantial and specific danger to the public health or safety, or is a gross waste of public funds.

(b) "Improper governmental action" does not include personnel actions including but not limited to employee grievances, complaints, appointments, promotions, transfers, assignments, reassignments, reinstatements, restorations, reemploys, performance evaluations, reductions in pay, dismissals, suspensions, demotions, violations of the state civil service law, alleged labor agreement violations, reprimands, or any action which may be taken under chapter 41.06 or 28B.16 RCW, or other disciplinary action except as provided in RCW 42.40.030.

(4) "Use of official authority or influence" includes taking, directing others to take, recommending, processing, or approving any personnel action such as an appointment, promotion, transfer, assignment, reassignment, reinstatement, restoration, reemployment, performance evaluation, or any adverse action under chapter 41.06 or 28B.16 RCW, or other disciplinary action.

(5) "Whistleblower" means an employee who in good faith reports alleged improper governmental action to the auditor, initiating an investigation under RCW 42.40.040. For purposes of the provisions of this chapter and chapter 49.60 RCW relating to reprisals and retaliatory action, the term "whistleblower" also means an employee who in good faith provides information to the auditor in connection with an investigation under RCW 42.40.040 and an employee who is believed to have reported alleged improper governmental action to the auditor or to have provided information to the auditor in connection with an investigation under RCW 42.40.040 but who, in fact, has not reported such action or provided such information.

Sec. 2. RCW 42.40.040 and 1989 c 284 s 3 are each amended to read as follows:

(1) Upon receiving specific information that an employee has engaged in improper governmental action, the auditor shall, within five working days of receipt of the information, mail written acknowledgement to the whistleblower at the address provided. For a period not to exceed thirty days, the auditor shall conduct such preliminary investigation of the matter as the auditor deems appropriate. In conducting the investigation, the identity of the ((person providing the information which initiated the investigation)) whistleblower shall be kept confidential.

(2) In addition to the authority under subsection (1) of this section, the auditor may, on its own initiative, investigate incidents of improper state governmental action.

(3)(a) If it appears to the auditor, upon completion of the preliminary investigation, that the matter is so unsubstantiated that no further investigation, prosecution, or administrative action is warranted, the auditor shall so notify the ((person, if known, who provided the information initiating the investigation)) whistleblower.

(b) The notification shall be by memorandum containing a summary of the information received, a summary of the results of the preliminary investigation with regard to each allegation of improper governmental action, and any determination made by the auditor under (c) of this subsection.

(c) In any case to which this section applies, the identity of the ((person who provided the information initiating the investigation)) whistleblower shall be kept confidential unless the auditor determines that the information has been provided other than in good faith.

(d) If it appears to the auditor that the matter does not meet the definition of an "improper governmental action" under RCW 42.40.020(3), or is other than a gross waste of public funds, the auditor may forward a summary of the allegations to the appropriate agency for investigation and require a response by memorandum containing a summary of the investigation with regard to each allegation and any determination of corrective action taken. The auditor will keep the identity of the ((person who provided the information initiating the investigation)) whistleblower confidential. Upon receipt of the
results of the investigation from the appropriate agency, the auditor will notify the whistleblower as prescribed under (a), (b), and (c) of this subsection.

(4) If it appears to the auditor after completion of the preliminary investigation that further investigation, prosecution, or administrative action is warranted, the auditor shall notify the whistleblower and either conduct further investigations or issue a report under subsection (6) of this section. Within sixty days after the thirty-day period in subsection (1) of this section, the auditor shall complete the investigation and report its findings to the whistleblower unless written justification for the delay is furnished to the whistleblower. In all such cases, the report of the auditor’s investigation and findings shall be sent to the whistleblower within one year after the information was filed under subsection (1) of this section.

(5)(a) At any stage of an investigation under this section the auditor may require by subpoena the attendance and testimony of witnesses and the production of documentary or other evidence relating to the investigation at any designated place in the state. The auditor may issue subpoenas, administer oaths, examine witnesses, and receive evidence. In the case of contumacy or failure to obey a subpoena, the superior court for the county in which the person to whom the subpoena is addressed resides or is served may issue an order requiring the person to appear at any designated place to testify or to produce documentary or other evidence. Any failure to obey the order of the court may be punished by the court as a contempt thereof.

(b) The auditor may order the taking of depositions at any stage of a proceeding or investigation under this chapter. Depositions shall be taken before an individual designated by the auditor and having the power to administer oaths. Testimony shall be reduced to writing by or under the direction of the individual taking the deposition and shall be subscribed by the deponent.

(6)(a) If the auditor determines that there is reasonable cause to believe that an employee has engaged in any improper activity, the auditor shall report the nature and details of the activity to:

(i) The employee and the head of the employing agency; and

(ii) If appropriate, the attorney general or such other authority as the auditor determines appropriate.

(b) The auditor has no enforcement power except that in any case in which the auditor submits a report of alleged improper activity to the head of an agency, the attorney general, or any other individual to which a report has been made under this section, the individual shall report to the auditor with respect to any action taken by the individual regarding the activity, the first report being transmitted no later than thirty days after the date of the auditor’s report and monthly thereafter until final action is taken. If the auditor determines that appropriate action is not being taken within a reasonable time, the auditor shall report the determination to the governor and to the legislature.

(7) This section does not limit any authority conferred upon the attorney general or any other agency of government to investigate any matter.

Sec. 3. RCW 42.40.050 and 1989 c 284 s 4 are each amended to read as follows:

(((1) Any employee (a) who provides his or her name and specific information to the auditor on any matter which is found to warrant further investigation or other action, or which is provided by the employee in good faith, as determined by the auditor, whether or not further action is warranted and (b) who is subjected to any reprisal or retaliatory action undertaken during the period beginning on the day after the date on which the specific information is received by the auditor alleging improper governmental action, may seek judicial review of the reprisal or retaliatory action in superior court, whether or not there has been an administrative review of the action. In such an action, the reviewing court may award reasonable attorney’s fees.))
The employee who provided specific information shall notify the state auditor in writing if any changes in the employee’s work situation exist which are related to the employee’s having provided information. If the auditor has reason to believe that such a change in work situation has occurred, the auditor shall investigate and report on the matter in accordance with this chapter.

Any person who is a whistleblower, as defined in RCW 42.40.020, and who as a result of being a whistleblower has been subjected to workplace reprisal or retaliatory action has the remedies provided under chapter 49.60 RCW. For the purpose of this section “reprisal or retaliatory action” means but is not limited to:

1. Denial of adequate staff to perform duties;
2. Frequent staff changes;
3. Frequent and undesirable office changes;
4. Refusal to assign meaningful work;
5. Unwarranted and unsubstantiated letters of reprimand or unsatisfactory performance evaluations;
6. Demotion;
7. Reduction in pay;
8. Denial of promotion;
9. Suspension;
10. Dismissal;
11. Denial of employment; and
12. A supervisor or superior encouraging coworkers to behave in a hostile manner toward the whistleblower.

Nothing in this section prohibits an agency from making any decision exercising its authority to terminate, suspend, or discipline an employee who engages in workplace reprisal or retaliatory action against a whistleblower. However, the agency also shall implement any order under chapter 49.60 RCW (other than an order of suspension if the agency has terminated the retaliator).

Sec. 4. RCW 49.60.210 and 1985 c 185 s 18 are each amended to read as follows:

1. It is an unfair practice for any employer, employment agency, labor union, or other person to discharge, expel, or otherwise discriminate against any person because he or she has opposed any practices forbidden by this chapter, or because he or she has filed a charge, testified, or assisted in any proceeding under this chapter.

2. It is an unfair practice for a government agency or government manager or supervisor to retaliate against a whistleblower as defined in chapter 42.40 RCW.

Sec. 5. RCW 49.60.250 and 1989 c 175 s 115 are each amended to read as follows:

1. In case of failure to reach an agreement for the elimination of such unfair practice, and upon the entry of findings to that effect, the entire file, including the complaint and any and all findings made, shall be certified to the chairperson of the commission. The chairperson of the commission shall thereupon request the appointment of an administrative law judge under Title 34 RCW to hear the complaint and shall cause to be issued and served in the name of the commission a written notice, together with a copy of the complaint, as the same may have been amended, requiring the respondent to answer the charges of the complaint at a hearing before the administrative law judge, at a time and place to be specified in such notice.

2. The place of any such hearing may be the office of the commission or another place designated by it. The case in support of the complaint shall be presented at the hearing by counsel for the commission: PROVIDED, That the complainant may retain independent counsel and submit testimony and be fully heard. No member or employee of the commission who previously made the investigation or caused the notice to be issued shall participate in the hearing except as a witness, nor shall the member or employee participate in the deliberations of the administrative law judge in such case. Any endeavors or negotiations for conciliation shall not be received in evidence.
(3) The respondent shall file a written answer to the complaint and appear at the hearing in person or otherwise, with or without counsel, and submit testimony and be fully heard. The respondent has the right to cross-examine the complainant.

(4) The administrative law judge conducting any hearing may permit reasonable amendment to any complaint or answer. Testimony taken at the hearing shall be under oath and recorded.

(5) If, upon all the evidence, the administrative law judge finds that the respondent has engaged in any unfair practice, the administrative law judge shall state findings of fact and shall issue and file with the commission and cause to be served on such respondent an order requiring such respondent to cease and desist from such unfair practice and to take such affirmative action, including, (but not limited to) hiring, reinstatement or upgrading of employees, with or without back pay, an admission or restoration to full membership rights in any respondent organization, or to take such other action as, in the judgment of the administrative law judge, will effectuate the purposes of this chapter, including action that could be ordered by a court, except that damages for humiliation and mental suffering shall not exceed one thousand dollars, and including a requirement for report of the matter on compliance.

(6) If a determination is made that retaliatory action, as defined in RCW 42.40.050, has been taken against a whistleblower, as defined in RCW 42.40.020, the administrative law judge may, in addition to any other remedy, impose a civil penalty upon the retaliator of up to three thousand dollars and issue an order to the state employer to suspend the retaliator for up to thirty days without pay. At a minimum, the administrative law judge shall require that a letter of reprimand be placed in the retaliator's personnel file. All penalties recovered shall be paid into the state treasury and credited to the general fund.

(7) The final order of the administrative law judge shall include a notice to the parties of the right to obtain judicial review of the order by appeal in accordance with the provisions of RCW 34.05.510 through 34.05.598, and that such appeal must be served and filed within thirty days after the service of the order on the parties.

(8) If, upon all the evidence, the administrative law judge finds that the respondent has not engaged in any alleged unfair practice, the administrative law judge shall state findings of fact and shall similarly issue and file an order dismissing the complaint.

(9) An order dismissing a complaint may include an award of reasonable attorneys' fees in favor of the respondent if the administrative law judge concludes that the complaint was frivolous, unreasonable, or groundless.

(10) The commission shall establish rules of practice to govern, expedite, and effectuate the foregoing procedure.

Sec. 6. RCW 43.09.050 and 1979 c 151 s 91 are each amended to read as follows:

The auditor shall:

1. Except as otherwise specifically provided by law, audit the accounts of all collectors of the revenue and other holders of public money required by law to pay the same into the treasury;
2. In his or her discretion, inspect the books of any person charged with the receipt, safekeeping, and disbursement of public moneys;
3. Investigate improper governmental activity under chapter 42.40 RCW;
4. Inform the attorney general in writing of the necessity for the attorney general to direct prosecutions in the name of the state for all official delinquencies in relation to the assessment, collection, and payment of the revenue, against all persons who, by any means, become possessed of public money or property, and fail to pay over or deliver the same, and against all debtors of the state;
5. Give information in writing to the legislature, whenever required, upon any subject relating to the financial affairs of the state, or touching any duties of his or her office;
Report to the director of financial management in writing the names of all persons who have received any moneys belonging to the state, and have not accounted therefor;

Authenticate with his or her official seal papers issued from his or her office;

Make his or her official report annually on or before the 31st of December.

Sec. 7. RCW 43.88.160 and 1987 c 505 s 36 are each amended to read as follows:

This section sets forth the major fiscal duties and responsibilities of officers and agencies of the executive branch. The regulations issued by the governor pursuant to this chapter shall provide for a comprehensive, orderly basis for fiscal management and control, including efficient accounting and reporting therefor, for the executive branch of the state government and may include, in addition, such requirements as will generally promote more efficient public management in the state.

(1) Governor; director of financial management. The governor, through the director of financial management, shall devise and supervise a modern and complete accounting system for each agency to the end that all revenues, expenditures, receipts, disbursements, resources and obligations of the state shall be properly and systematically accounted for. The accounting system shall include the development of accurate, timely records and reports of all financial affairs of the state. The system shall also provide for central accounts in the office of financial management at the level of detail deemed necessary by the director to perform central financial management. The director of financial management shall adopt and periodically update an accounting procedures manual. Any agency maintaining its own accounting and reporting system shall comply with the updated accounting procedures manual and the rules of the director adopted under this chapter. An agency may receive a waiver from complying with this requirement if the waiver is approved by the director. Waivers expire at the end of the fiscal biennium for which they are granted. The director shall forward notice of waivers granted to the legislative fiscal committees. The director of financial management may require such financial, statistical, and other reports as the director deems necessary from all agencies covering any period.

The director of financial management is responsible for quarterly reporting of primary budget drivers such as applicable workloads, caseload estimates, and appropriate unit cost data. These reports shall be transmitted to the legislative fiscal committees or by electronic means to the legislative evaluation and accountability program committee. Quarterly reports shall include actual monthly data and the variance between actual and estimated data to date. The reports shall also include estimates of these items for the remainder of the budget period.

In addition, the director of financial management, as agent of the governor, shall:

The director shall advise and confer with agencies including appropriate standing committees of the legislature as may be designated by the speaker of the house and the president of the senate regarding the fiscal impact of such plans and may amend or alter said plans, except that for the
following agencies no amendment or alteration of said plans may be made without the approval of the agency concerned: Agencies headed by elective officials;

(d) Fix the number and classes of positions or authorized man years of employment for each agency and during the fiscal period amend the determinations previously fixed by the director except that the director shall not be empowered to fix said number or said classes for the following: Agencies headed by elective officials;

(e) Provide for transfers and repayments between the budget stabilization account and the general fund as directed by appropriation and RCW 43.88.525 through 43.88.540;

(2) The treasurer shall:

(b) Disburse public funds under the treasurer’s supervision or custody by warrant or check;

(c) Keep a correct and current account of all moneys received and disbursed by the treasurer, classified by fund or account;

(d) Perform such other duties as may be required by law or by regulations issued pursuant to this law.

It shall be unlawful for the treasurer to issue any warrant or check for public funds in the treasury except upon forms duly prescribed by the director of financial management. Said forms shall provide for authentication and certification by the agency head or the agency head’s designee that the services have been rendered or the materials have been furnished; or, in the case of loans or grants, that the loans or grants are authorized by law; or, in the case of payments for periodic maintenance services to be performed on state owned equipment, that a written contract for such periodic maintenance services is currently in effect and copies thereof are on file with the office of financial management; and the treasurer shall not be liable under the treasurer’s surety bond for erroneous or improper payments so made: PROVIDED, That when services are lawfully paid for in advance of full performance by any private individual or business entity other than as provided for by RCW 42.24.035, such individual or entity other than central stores rendering such services shall make a cash deposit or furnish surety bond coverage to the state as shall be fixed in an amount by law, or if not fixed by law, then in such amounts as shall be fixed by the director of the department of general administration but in no case shall such required cash deposit or surety bond be less than an amount which will fully indemnify the state against any and all losses on account of breach of promise to fully perform such services: AND PROVIDED FURTHER, That no payments shall be made in advance for any equipment maintenance services to be performed more than three months after such payment. The responsibility for recovery of erroneous or improper payments made under this section shall lie with the agency head or the agency head’s designee in accordance with regulations issued pursuant to this chapter. Nothing in this section shall be construed to permit a public body to advance funds to a private service provider pursuant to a grant or loan before services have been rendered or material furnished.

(3) The state auditor shall:

(a) Report to the legislature the results of current post audits that have been made of the financial transactions of each agency; to this end the auditor may, in the auditor’s discretion, examine the books and accounts of any agency, official or employee charged with the receipt, custody or safekeeping of public funds. The current post audit of each

(b) Give information to the legislature, whenever required, upon any subject relating to the financial affairs of the state.

(c) Make the auditor's official report on or before the thirty-first of December which precedes the meeting of the legislature. The report shall be for the last complete fiscal period and shall include at least the following:

Determinations as to whether agencies, in making expenditures, complied with the laws of this state: PROVIDED, That nothing in this act shall be construed to grant the state auditor the right to perform performance audits. A performance audit for the purpose of this act shall be the examination of the effectiveness of the administration, its efficiency and its adequacy in terms of the programs of departments or agencies as previously approved by the legislature. The authority and responsibility to conduct such an examination shall be vested in the legislative budget committee as prescribed in RCW 44.28.085 as now or hereafter amended.

(d) Be empowered to take exception to specific expenditures that have been incurred by any agency or to take exception to other practices related in any way to the agency's financial transactions and to cause such exceptions to be made a matter of public record, including disclosure to the agency concerned and to the director of financial management. NEW SECTION. Sec. 8. A new section is added to chapter 42.40 RCW to read as follows:

(1) Each local government is encouraged to adopt a whistleblower program so that its employees can disclose improper governmental actions without fear of retaliation. Until such time as a local government adopts a whistleblower program that is approved by the state auditor under this section, the local government and its employees shall be subject to the provisions of this chapter as if the local government were a state agency and its employees were state employees. For purposes of applying the provisions of this chapter to a local government and its employees, the reference to "state law or rule" in RCW 42.40.020(3)(a)(ii) also shall include local government laws or rules; and the term "improper governmental action" in RCW 42.40.020(3)(b) also excludes a local government civil service system or personnel system. A local government employee who is a whistleblower as a result of this subsection is also a whistleblower under chapter 49.60 RCW.
(2) Any local government may submit its whistleblower program to the state auditor and request the auditor to approve the program. The state auditor shall approve any local government program that the auditor finds is substantially similar to the provisions of the state whistleblower program. In considering whether or not to approve a local government whistleblower program, the state auditor shall take into consideration the degree to which local government whistleblower complaints will be investigated and the amount of protection offered to local government whistleblowers against retaliatory actions.

(3) Any person who is a whistleblower under an approved local government whistleblower program also is a whistleblower under RCW 42.40.020 for purposes of chapter 49.60 RCW.

NEW SECTION. Sec. 9. A new section is added to chapter 43.09 RCW to read as follows:

The expense of investigating improper local governmental activity as provided in chapter 42.40 RCW shall be borne by each entity subject to such investigation. 2SSB 5143 Prime Sponsor, Committee on Ways & Means: Increasing the procurement of recycled products. Reported by Committee on Environmental Affairs

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. FINDINGS AND INTENT. It is the purpose of this chapter to:
(1) Substantially increase the procurement of recycled content products by all local and state governmental agencies and public schools, and provide a model to encourage a comparable commitment by Washington state citizens and businesses in their purchasing practices;
(2) Target government procurement policies and goals toward those recycled products for which there are significant market development needs or that may substantially contribute to solutions to the state’s waste management problem;
(3) Provide standards for recycled products for use in procurement programs by all governmental agencies;
(4) Provide the authority for all governmental agencies to adopt preferential purchasing policies for recycled products;
(5) Direct state agencies to develop strategies to increase recycled product purchases, and to provide specific goals for procurement of recycled paper products and organic recovered materials; and
(6) Provide guidance and direction for local governments and other public agencies to develop plans for increasing the procurement of recycled content products.

NEW SECTION. Sec. 2. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
(1) "Compost products" means mulch, soil amendments, ground cover, or other landscaping material derived from the biological or mechanical conversion of cellulose-containing waste materials.
(2) "Local government" means a city, town, county, special purpose district, school district, or other municipal corporation.
(3) "Lubricating oil" means petroleum-based oils for reducing friction in engine parts and other mechanical parts.

(12) "USEPA product standards" means the product standards of the United States environmental protection agency for recycled content published in the code of federal regulations.

NEW SECTION. Sec. 3. STANDARDS FOR RECYCLED CONTENT. (1) The director shall adopt standards specifying the minimum content of recycled materials in products or product categories. The standards shall:
   (a) Be consistent with the USEPA product standards, unless the director finds that a different standard would significantly increase recycled product availability or competition;
   (b) Consider the standards of other states, to encourage consistency of manufacturing standards;
   (c) Consider regional product manufacturing capability;
   (d) Address specific products or classes of products; and
   (e) Consider postconsumer waste content and the recyclability of the product.

(2) The director shall consult with the supply management board and department of ecology prior to adopting the recycled content standards.

(3) The director shall adopt recycled content standards for at least the following products by the dates indicated:
   (a) By July 1, 1992:
      (i) Paper and paper products;
      (ii) Organic recovered materials; and

      (iv) Automotive batteries; and
      (v) Building insulation.

(4) The standards required by this section shall be applied to recycled product purchasing by the department and other state agencies. The standards may be adopted or applied by any other local government in product procurement. The standards shall provide for exceptions under appropriate circumstances to allow purchases of recycled products that do not meet the minimum content requirements of the standards.

NEW SECTION. Sec. 4. LOCAL GOVERNMENT PROCUREMENT PROGRAMS. (1) By January 1, 1993, each local government shall review its existing procurement policies and specifications to determine whether recycled products are intentionally or unintentionally excluded. The policies and specifications shall be revised to include such products unless a recycled content product does not meet an established performance standard of the agency.

(2) By fiscal year 1994, each local government shall adopt a minimum purchasing goal for recycled content as a percentage of the total dollar value of supplies purchased. To assist in achieving this goal each local government shall adopt a strategy by January 1, 1993, and shall submit a description of the strategy to the department. The department shall report to the appropriate standing committees of the legislature by October 1, 1993, on the progress of implementation by local governments, and shall thereafter periodically report on the progress of recycled product purchasing by state and other public agencies. All public agencies shall respond to requests for information from the department for the purpose of its reporting requirements under this section.

(3) Each local government shall designate a procurement officer who shall serve as the primary contact with the department for compliance with the requirements of this chapter.

(4) This section shall apply only to local governments with expenditures for supplies exceeding five hundred thousand dollars for fiscal year 1989. Expenditures for capital
goods and for electricity, water, or gas for resale shall not be considered a supply expenditure.

Sec. 5. RCW 43.19.538 and 1988 c 175 s 2 are each amended to read as follows:

(1) The director of general administration, through the state purchasing director, shall develop specifications and adopt rules for the purchase of products which will provide for preferential purchase of products containing recovered recycled material by:

(a) The use of a weighting factor determined by the amount of recovered recycled material in a product, where appropriate and known in advance to potential bidders, to determine the lowest responsible bidder. The actual dollars bid shall be the contracted amount. If the department determines, according to criteria established by rule that the use of this weighting factor does not encourage the use of more recovered recycled material, the department shall consider and award bids without regard to the weighting factor. In making this determination, the department shall consider but not be limited to such factors as adequate competition, economics or environmental constraints, quality, and availability.

(b) Requiring a written statement of the percentage range of recovered recycled content from the bidder providing products containing recovered recycled. The range may be stated in fifteen percent increments.

(2) The director shall develop a directory of businesses that supply products containing significant quantities of recovered recycled materials. This directory may be combined with and made accessible through the data base of recycled content products to be developed under section 8 of this act.

(3) The director shall encourage all parties using the state purchasing office to purchase products containing recovered recycled materials.

(4) The rules, specifications, and bid evaluation shall be consistent with recycled content standards adopted under section 3 of this act.

NEW SECTION. Sec. 6. (1) Each local government shall consider the adoption of policies, rules, or ordinances to provide for the preferential purchase of recycled content products. Any local government may adopt the preferential purchasing policy of the department of general administration, or portions of such policy, or another policy that provides a preference for recycled content products.

(2) The department of general administration shall prepare one or more model recycled content preferential purchase policies suitable for adoption by local governments. The model policy shall be widely distributed and provided through the technical assistance and workshops under section 9 of this act.

(3) A local government that is not subject to the purchasing authority of the department of general administration, and that adopts the preferential purchase policy or rules of the department, shall not be limited by the percentage price preference included in such policy or rules.

NEW SECTION. Sec. 7. STATE AGENCY PROCUREMENT. The department shall prepare a mandatory state plan to increase purchases of recycled-content products by the department and all state agencies, including higher education institutions. The plan shall include purchases from public works contracts. The plan shall address the purchase of plastic products, retread and remanufactured tires, motor vehicle lubricants, latex paint, and lead acid batteries having recycled content. In addition, the plan shall incorporate actions to achieve the following purchase level goals of recycled content paper and compost products:

(1) Paper products as a percentage of the total dollar amount purchased on an annual basis:

(a) At least forty percent by 1993;
(b) At least fifty percent by 1994;
(c) At least sixty percent by 1995.
(2) Compost products as a percentage of the total dollar amount on an annual basis:
(a) At least twenty-five percent by 1993;
(b) At least forty percent by 1995;
(c) At least sixty percent by 1997.

NEW SECTION. Sec. 8. DATA BASE. (1) The department shall develop a data base of available products with recycled-content products, and vendors supplying such products. The data base shall incorporate information regarding product consistency with the content standards adopted under section 3 of this act. The data base shall incorporate information developed through state and local government procurement of recycled-content products.
(2) By December 1, 1992, the department shall report to the appropriate standing committees of the legislature on the cost of making the data base accessible to all state and local governments and to the private sector.
(3) The department shall compile information on purchases made by the department or pursuant to the department's purchasing authority, and information provided by local governments, regarding:
(a) The percentage of recycled content and, if known, the amount of postconsumer waste in the products purchased;
(b) Price;
(c) Agency experience with the performance of recycled products and the supplier under the terms of the purchase; and
(d) Any other information deemed appropriate by the department.

NEW SECTION. Sec. 9. PROCUREMENT EDUCATION PROGRAM. (1) The department shall implement an education program to encourage maximum procurement of recycled products by state and local government entities. The program shall include at least the following:
(a) Technical assistance to all public agencies and their designated procurement officers on the requirements of this chapter, including preparation of model purchase contracts, the preparation of procurement plans, and the availability of recycled products;
(b) Two or more workshops annually in which all state and local government entities are invited;
(c) Information on intergovernmental agreements to facilitate procurement of recycled products.
(2) The director shall, in consultation with the department of ecology, make available to the public, local jurisdictions, and the private sector, a comprehensive list of substitutes for extremely hazardous, hazardous, toxic, and nonrecyclable products, and disposable products intended for a single use. The department and all state agencies exercising the purchasing authorities of the department shall include the substitute products on bid notifications, except where the department allows an exception based upon product availability, price, suitability for intended use, or similar reasons.
(3) The department shall prepare model procurement guidelines for use by local governments.

NEW SECTION. Sec. 10. A new section is added to chapter 43.78 RCW to read as follows:

NEW SECTION. Sec. 11. BID NOTIFICATION. A notification regarding a state or local government's intent to procure products with recycled content must be prominently displayed in the procurement solicitation or invitation to bid including:
(1) A description of the postconsumer waste content or recycled content requirements; and
NEW SECTION. Sec. 12. VENDOR CERTIFICATION. (1) After July 1, 1992, vendors shall certify the percentage of recycled content in products sold to state and local governments, including the percentage of postconsumer waste that is in the product. The certification shall be in the form of a label on the product or a statement by the vendor attached to the bid documents.

(2) The certification on multicomponent or multimaterial products shall verify the percentage and type of postconsumer waste and recycled content by volume contained in the major constituents of the product.

(3) The procuring agency may state in bid solicitations that permission to verify the certification by review of the bidder or manufacturer's records must be granted as a condition of the bid award, in the event of a bidder's protest or other challenge to the bid accepted.

(4) The department shall adopt rules by May 1, 1992, describing the contents of the certification required by this section.

NEW SECTION. Sec. 13. PROCUREMENT OF COMPOST PRODUCTS. (1) The department shall increase the procurement of compost products for all state facilities and grounds that require landscaping or similar work. The department shall survey available vendors and state facilities for which such products are suitable, and attempt to match such supplies and need to lower transportation and other costs. The department shall consider and implement modification of performance standards where appropriate to achieve greater procurement of compost products.

(2) Beginning July 1, 1992, the total of department contracts awarded in whole or in part for the purchase of landscaping materials or soil amendments shall include compost products as follows:

SSB 5174 Prime Sponsor, Committee on Higher Education: Providing for additional enrollments at state institutions of higher education. Reported by Committee on Higher Education

April 3, 1991

MAJORITY recommendation: Do pass with the following amendments: Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. This act shall be known as the higher education opportunity act of 1991.

NEW SECTION. Sec. 2. The state of Washington has historically given high priority to the higher education needs of its citizens. As we move to the twenty-first century and to the more competitive world economy that it brings, it is imperative that we provide access to all of the types of higher education that are needed by the citizens
of Washington, including access to the community college system, one of the finest community college systems in the country.

The higher education coordinating board has determined that there is a need in this state for increased participation at the upper-division and graduate levels and that baccalaureate and graduate degrees need to be earned at an increased rate for our citizens to maintain competitiveness in the world economy. There is also a need to increase the opportunity for citizens to learn entry-level skills and trades resulting in their ability to become productive individuals in our society and not depend on the state for subsistence grants.

It is the intent of the legislature to endorse the long-term enrollment goals established by the higher education coordinating board. This act begins the process of achieving the board’s goals of a participation rate equal to the 70th percentile of national participation rates for upper-division and graduate students and a participation rate equal to the 90th percentile of national participation rates for all students.

It is the intent of this act to begin the process of providing a place in the higher education system for all citizens of Washington who are qualified for and desirous of earning a college degree, and to assure that the quality of those degrees are not jeopardized by inadequate funding levels.

It is the further intent of this act to modify the present enrollment lids which limit the size of the student population on the public higher education campuses in the state. This act will be the first step toward meeting the educational needs of our citizens in the 1990's. The legislature finds that the present enrollment lids at the public institutions are artificially set and that an increase in the number of full-time equivalent enrollments on the campuses can be accomplished without additional capital construction. The legislature further finds that at many of our state institutions of higher education there is the physical capacity available to accept new students, and there is also a desire among the institutions to accept new enrollments in the coming biennium. It is the intent of this act to remain sensitive to the capability and capacity of each institution to accept additional enrollments.

It is not the intent of this act to emphasize access to the detriment of quality in the educational programs of our institutions. Therefore, it is the intent of the legislature that this act be approved during the fifty-second legislative session only if the legislature fully restores the essential requirements funding level of the state’s colleges and universities in the 1991-93 biennial budget. It is the further intent of the legislature that the funding formula for new enrollments under this act are based on the 1990 higher education coordinating board cost study and include both the direct and indirect costs associated with additional student enrollments.

NEW SECTION. Sec. 3. The new enrollments authorized in sections 4 through 10 of this act are additional state-funded enrollments at our state institutions of higher education above the level established for each institution during the 1989-91 biennium: PROVIDED, That should the level of funding for enrollment increases, in the omnibus appropriations act or in Senate Bill No. 5814, be insufficient to provide for the full level of enrollment increases set forth in sections 4 through 10 of this act the enrollment increases set forth in those sections shall be reduced proportionate to the actual level of funding provided in either of the aforementioned acts.

NEW SECTION. Sec. 4. Subject to the provisions of section 3 of this act, the state-funded enrollment level at the University of Washington shall be increased by three hundred twenty-eight full-time equivalent students during the 1991-92 fiscal year, plus an additional four hundred eighty-one full-time equivalent students during the 1992-93 fiscal year. SSB 5184  Prime Sponsor, Committee on Higher Education: Creating a work force training and education coordinating board, and combining community and vocational-technical schools under one agency. Reported by Committee on Higher Education

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the state's system of work force training and education is inadequate for meeting the needs of the state's workers, employers, and economy. A growing shortage of skilled workers is already hurting the state's economy. There is a shortage of available workers and too often prospective employees lack the skills and training needed by employers. Moreover, with demographic changes in the state's population employers will need to employ a more culturally diverse work force in the future.

The legislature further finds that the state's current work force training and education system is fragmented among numerous agencies, councils, boards, and committees, with inadequate overall coordination. No comprehensive strategic plan guides the different parts of the system. There is no single point of leadership and responsibility. There is insufficient guidance from employers and workers built into the system to ensure that the system is responsive to the needs of its customers. Adult work force education lacks a uniform system of governance, with an inefficient division in governance between community colleges and vocational technical institutes, and inadequate local authority. The parts of the system providing adult basic skills and literacy education are especially uncoordinated and lack sufficient visibility to adequately address the needs of the large number of adults in the state who are functionally illiterate. The work force training and education system’s data and evaluation methods are inconsistent and unable to provide adequate information for determining how well the system is performing on a regular basis so that the system may be held accountable for the outcomes it produces. Much of the work force training and education system provides inadequate opportunities to meet the needs of people from culturally diverse backgrounds. Finally, our educational institutions are not producing the number of people educated in vocational/technical skills needed by employers.

The legislature recognizes that we must make certain that our institutions of education place appropriate emphasis on the needs of employers and on the needs of the approximately eighty percent of our young people who enter the world of work without completing a four-year program of higher education. We must make our work force education and training system better coordinated, more efficient, more responsive to the needs of business and workers and local communities, more accountable for its performance, and more open to the needs of a culturally diverse population.
NEW SECTION. Sec. 2. Unless the context clearly requires otherwise, the definitions in this section apply throughout this title.

(1) Offer an open door to every citizen, regardless of his or her academic background or experience, at a cost normally within his or her economic means;

(2) Ensure that each college district shall offer thoroughly comprehensive educational, training and service programs to meet the needs of both the communities and students served by combining high standards of excellence in academic transfer courses; realistic and practical courses in occupational education, both graded and ungraded; community services of an educational, cultural, and recreational nature; and adult education, including basic skills and general, family, and work force literacy programs and services. However, college districts containing only technical colleges shall maintain programs solely for occupational education, basic skills, and literacy purposes, and, for as long as a need exists, may continue those programs, activities, and services offered by the technical colleges during the twelve-month period preceding the effective date of this section;

(6) Allow for the growth, improvement, flexibility and modification of the community colleges and their education, training and service programs as future needs occur; and

(7) Establish firmly that community colleges are, for purposes of academic training, two year institutions, and are an independent, unique, and vital section of our
state's higher education system, separate from both the common school system and other
institutions of higher learning, and never to be considered for conversion into four-year

Within thirty-five days from the date of start of each quarter all building fees of each such community and technical college shall be paid into the state treasury, and shall be credited as follows:

1. On or before June 30th of each year the college board if issuing bonds payable out of building fees shall certify to the state treasurer the amounts required in the ensuing twelve-month period to pay and secure the payment of the principal of and interest on such bonds. The state treasurer shall thereupon deposit the amounts so certified in the community and technical college bond retirement fund which fund as required, is hereby created in the state treasury. Such amounts of the funds deposited in the bond retirement fund as are necessary to pay and secure the payment of the principal of and interest on the building bonds issued by the college board as authorized by this chapter shall be exclusively devoted to that purpose. If in any twelve-month period it shall appear that the amount certified by the college board is insufficient to pay and secure the payment of the principal of and interest on the outstanding building bonds, the state treasurer shall notify the college board and such board shall adjust its certificate so that all requirements of moneys to pay and secure the payment of the principal and interest on all such bonds then outstanding shall be fully met at all times.

2. That portion of the building fees not required for or in excess of the amounts necessary to pay and secure the payment of any of the bonds as provided in subsection (1) (above) of this section shall be deposited in the community and technical college capital projects account which account is hereby created in the state treasury. The sums deposited in the capital projects account shall be appropriated and expended exclusively for the construction, reconstruction, erection, equipping, maintenance, demolition and major alteration of buildings and other capital assets owned by the state board for community and technical colleges (education) in the name of the state of Washington, and the acquisition of sites, rights-of-way, easements, improvements or appurtenances in relation thereto, and for the payment of principal of and interest on any bonds issued for such purposes. All earnings of investments of balances in the (community college) capital projects account shall be credited to the general fund.

3. Notwithstanding the provisions of subsections (1) and (2) (above) of this section, at such time as all outstanding building bonds of the college board payable from the community and technical college bond retirement fund have been paid, redeemed, and retired, or at such time as ample provision has been made by the state for full payment, from some source other than the (community college) bond retirement fund, of the principal of and the interest on and call premium, if applicable, of such bonds as they mature and/or upon their call prior to their maturity, through refunding or otherwise, that portion of all building fees of the community and technical colleges equal to the amount required to pay yearly debt service on any general obligation bonds issued by the state in accordance with Article VIII, section 1, Washington state Constitution, for community and technical college purposes, shall be paid into the general fund of the state treasury. The state finance committee shall determine whether ample provision has been made for payment of such bonds payable from the said bond retirement fund and shall determine the amount required to pay yearly debt service on such general obligation bonds of the state. Nothing in this subsection shall be construed as obligating the legislature or the state to provide for payment of such (community) college building bonds from some source other than the community and technical college bond retirement fund or as pledging the general credit of the state to the payment of such bonds.

2. Any grants which may be made, or may become available for the purpose of furthering the construction of any authorized projects, or for the repayment of the costs thereof;

Sec. 64. RCW 28B.50.835 and 1990 c 29 s 1 are each amended to read as follows: The legislature recognizes that quality in the state's community and technical colleges would be strengthened by additional partnerships between citizens and the institutions. The institution may augment its endowment fund with additional unrestricted private donations. The principal of the invested endowment fund shall not be invaded.

(3) The proceeds from the endowment fund shall be used to pay expenses for faculty awards, which may include in-service training, temporary substitute or replacement costs directly associated with faculty development programs, conferences, travel, publication and dissemination of exemplary projects; to supplement the salary of the holder or holders of a faculty award; or to pay expenses associated with the holder's program area. Funds from this program shall not be used to supplant existing faculty development funds.

Sec. 68. RCW 28B.50.843 and 1990 c 29 s 5 are each amended to read as follows:

It shall be the purpose of RCW 28B.50.850 through 28B.50.869 to establish a system of faculty tenure which protects the concepts of faculty employment rights and faculty involvement in the protection of those rights in the state system of community and technical colleges. RCW 28B.50.850 through 28B.50.869 shall define a reasonable and orderly process for appointment of faculty members to tenure status and the dismissal of the tenured faculty member.

Sec. 70. RCW 28B.50.851 and 1988 c 32 s 2 are each amended to read as follows:

As used in RCW 28B.50.850 through 28B.50.869:

(1) "Tenure" shall mean a faculty appointment for an indefinite period of time which may be revoked only for adequate cause and by due process;

(2)(a) "Faculty appointment", except as otherwise provided in (subsection (2))(b) (below) of this subsection, shall mean full time employment as a teacher, counselor, librarian or other position for which the training, experience and responsibilities are comparable as determined by the appointing authority, except administrative appointments; "faculty appointment" shall also mean department heads, division heads and administrators to the extent that such department heads, division heads or administrators have had or do have status as a teacher, counselor, or librarian; faculty appointment shall also mean employment on a reduced work load basis when a faculty member has retained tenure under RCW 28B.50.859;

(b) "Faculty appointment" shall not mean special faculty appointment as a teacher, counselor, librarian, or other position as enumerated in (subsection (2))(a) of this subsection, when such employment results from special funds provided to a community college district from federal moneys or other special funds which other funds are designated as "special funds" by the (state) college board (for community college education): PROVIDED, That such "special funds" so designated by the (state) college board for purposes of this section shall apply only to teachers, counselors and librarians hired from grants and service agreements and teachers, counselors and librarians hired in
nonformula positions. A special faculty appointment resulting from such special financing may be terminated upon a reduction or elimination of funding or a reduction or elimination of program: PROVIDED FURTHER, That "faculty appointees" holding faculty appointments pursuant to subsections (1) or (2)(a) of this section who have been subsequently transferred to positions financed from "special funds" pursuant to ((subsection (2))) (b) of this subsection and who thereafter lose their positions upon reduction or elimination of such "special funding" shall be entitled to be returned to previous status as faculty appointees pursuant to subsection (1) or (2)(a) of this section depending upon their status prior to the "special funding" transfer. Notwithstanding the fact that tenure shall not be granted to anyone holding a special faculty appointment, the termination of any such faculty appointment prior to the expiration of the term of such faculty member's individual contract for any cause which is not related to elimination or reduction of financing or the elimination or reduction of program shall be considered a termination for cause subject to the provisions of this chapter;

(3) "Probationary faculty appointment" shall mean a faculty appointment for a designated period of time which may be terminated without cause upon expiration of the probationer's terms of employment;

(4) "Probationer" shall mean an individual holding a probationary faculty appointment;

(6) "Appointing authority" shall mean the board of trustees of a ((community)) college district;

(7) "Review committee" shall mean a committee composed of the probationer's faculty peers, a student representative, and the administrative staff of the community or technical college: PROVIDED, That the majority of the committee shall consist of the probationer's faculty peers.

Sec. 71. RCW 28B.50.867 and 1969 ex.s. c 283 s 43 are each amended to read as follows:

Upon transfer of employment from one community or technical college to another community or technical college within a district, a tenured faculty member shall have the right to retain tenure and the rights accruing thereto which he or she had in his or her previous employment: PROVIDED, That upon permanent transfer of employment to another ((community)) college district a tenured faculty member shall not have the right to retain his tenure or any of the rights accruing thereto.

Sec. 72. RCW 28B.50.869 and 1974 ex.s. c 33 s 2 are each amended to read as follows:

The review committees required by RCW 28B.50.850 through 28B.50.869 shall be composed of members of the administrative staff, a student representative, and the teaching faculty. The representatives of the teaching faculty shall represent a majority of the members on each review committee. The members representing the teaching faculty on each review committee shall be selected by a majority of the teaching faculty and faculty department heads acting in a body. The student representative, who shall be a full time student, shall be chosen by the student association of the particular community or technical college in such manner as the members thereof shall determine.

Sec. 73. RCW 28B.50.870 and 1977 ex.s. c 282 s 1 are each amended to read as follows:

The district board of trustees of any ((community)) college district currently operating an educational program with funds provided by another state agency, including federal funds, which program has been in existence for five or more years under the administration of one or more ((community)) college districts, shall provide for the award or denial of tenure to anyone who holds a special faculty appointment in such curricular program and for as long as the program continues to be funded in such manner, utilizing
the prescribed probationary processes and procedures set forth in this chapter with the exception that no student representative shall be required to serve on the review committee defined in RCW 28B.50.851: PROVIDED, That such review processes and procedures shall not be applicable to faculty members whose contracts are renewed after the effective date of this 1977 amendatory act and who have completed at least three consecutive years of satisfactory full time service in such program, who shall be granted tenure by the (community) college district: PROVIDED FURTHER, That faculty members who have completed one year or more of satisfactory full time service in such program shall be credited with such service for the purposes of this section: PROVIDED, FURTHER, That provisions relating to tenure for faculty under the provisions of this section shall be distinct from provisions relating to tenure for other faculty of the (community) college district and faculty appointed to such special curricular program shall be treated as a separate unit as respects selection, retention, reduction in force or dismissal hereunder: AND PROVIDED FURTHER, That the provisions of this section shall only be applicable to faculty holding a special faculty appointment in an educational program operated in a state correctional institution pursuant to a written contract with a (community) college district.

Sec. 74. RCW 28B.50.873 and 1990 c 33 s 559 are each amended to read as follows:

The (state) college board ((for community college education)) may declare a financial emergency under the following conditions: (1) Reduction of allotments by the governor pursuant to RCW 43.88.110(2), or (2) reduction by the legislature from one biennium to the next or within a biennium of appropriated funds based on constant dollars using the implicit price deflator. When a district board of trustees determines that a reduction in force of tenured or probationary faculty members may be necessary due to financial emergency as declared by the state board, written notice of the reduction in force and separation from employment shall be given the faculty members so affected by the president or district president as the case may be. Said notice shall clearly indicate that separation is not due to the job performance of the employee and hence is without prejudice to such employee and need only state in addition the basis for the reduction in force as one or more of the reasons enumerated in subsections (1) and (2) of this section.

Said tenured or probationary faculty members will have a right to request a formal hearing when being dismissed pursuant to subsections (1) and (2) of this section. The only issue to be determined shall be whether under the applicable policies, rules or collective bargaining agreement the particular faculty member or members advised of severance are the proper ones to be terminated. Said hearing shall be initiated by filing a written request therefor with the president or district president, as the case may be, within ten days after issuance of such notice. At such formal hearing the tenure review committee provided for in RCW 28B.50.863 may observe the formal hearing procedure and after the conclusion of such hearing offer its recommended decision for consideration by the hearing officer. Failure to timely request such a hearing shall cause separation from service of such faculty members so notified on the effective date as stated in the notice, regardless of the duration of any individual employment contract.

The hearing required by this section shall be an adjudicative proceeding pursuant to chapter 34.05 RCW, the Administrative Procedure Act, conducted by a hearing officer appointed by the board of trustees and shall be concluded by the hearing officer within sixty days after written notice of the reduction in force has been issued. Ten days written notice of the formal hearing will be given to faculty members who have requested such a hearing by the president or district president as the case may be. The hearing officer within ten days after conclusion of such formal hearing shall prepare findings, conclusions of law and a recommended decision which shall be forwarded to the board of trustees for its final action thereon. Any such determination by the hearing officer under this section
shall not be subject to further tenure review committee action as otherwise provided in this chapter.

Notwithstanding any other provision of this section, at the time of a faculty member or members request for formal hearing said faculty member or members may ask for participation in the choosing of the hearing officer in the manner provided in RCW 28A.405.310(4), said employee therein being a faculty member for the purposes hereof and said board of directors therein being the board of trustees for the purposes hereof: PROVIDED, That where there is more than one faculty member affected by the board of trustees' reduction in force such faculty members requesting hearing must act collectively in making such request: PROVIDED FURTHER, That costs incurred for the services and expenses of such hearing officer shall be shared equally by the community or technical college and the faculty member or faculty members requesting hearing.

When more than one faculty member is notified of termination because of a reduction in force as provided in this section, hearings for all such faculty members requesting formal hearing shall be consolidated and only one such hearing for the affected faculty members shall be held, and such consolidated hearing shall be concluded within the time frame set forth herein.

Separation from service without prejudice after formal hearing under the provisions of this section shall become effective upon final action by the board of trustees.

It is the intent of the legislature by enactment of this section and in accordance with RCW 28B.52.035, to modify any collective bargaining agreements in effect, or any conflicting board policies or rules, so that any reductions in force which take place after December 21, 1981, whether in progress or to be initiated, will comply solely with the provisions of this section: PROVIDED, That any applicable policies, rules, or provisions contained in a collective bargaining agreement related to lay-off units, seniority and re-employment rights shall not be affected by the provisions of this paragraph.

Nothing in this section shall be construed to affect the right of the board of trustees or its designated appointing authority not to renew a probationary faculty appointment pursuant to RCW 28B.50.857.

Sec. 75. RCW 28B.50.875 and 1969 ex.s. c 261 s 35 are each amended to read as follows:

Local law enforcement agencies or such other public agencies that shall be in need of such service may contract with any community or technical college for laboratory services for the analyzing of samples that chemists associated with such ((community)) colleges may be able to perform under such terms and conditions as the individual ((community)) college may determine.

Employees of the Seattle Vocational Institute are exempt from this section until July 1, 1993.

Sec. 76. RCW 15.76.120 and 1961 c 61 s 3 are each amended to read as follows:

For the purposes of this chapter all agricultural fairs in the state which may become eligible for state allocations shall be divided into categories, to wit:

(2) "County and district fairs"--organized to serve the interests of single counties other than those in which a recognized area fair or a district fair as defined in RCW 36.37.050, is held and which are under the direct control and supervision of the county commissioners of the respective counties, which have both open and junior participation, but whose classes, displays and exhibits may be more restricted or limited than in the case of area or district fairs. There may be but one county fair in a single county: PROVIDED, HOWEVER, That the county commissioners of two or more counties may, by resolution, jointly sponsor a county fair.
(3) "Community fairs"—organized primarily to serve a smaller area than an area or county fair, which may have open or junior classes, displays, or exhibits. There may be more than one community fair in a county.

The superintendent or designee, and the director of the state board shall work out a mutually agreeable schedule to accomplish this transfer by no later than July 1, 1991.

NEW SECTION. Sec. 89. **NEW SECTION.** Sec. 95. The legislature finds that a vocational institute in the central area of the city of Seattle provides civic, social, and economic benefits to the people of the state of Washington.

Economic development is enhanced by increasing the number of skilled individuals who enter the labor market and social welfare costs are reduced by the training of individuals lacking marketable skills. The students at the institute are historically economically disadvantaged, and include racial and ethnic minorities, recent immigrants, single-parent heads of households, and persons who are dislocated workers or without specific occupational skills. The institute presents a unique opportunity for business, labor, and community-based organizations, and educators to work together to provide effective vocational-technical training to the economically disadvantaged of urban Seattle, and to serve as a national model of such cooperation. Moreover, a trained work force is a major factor in attracting new employers, and with greater minority participation in the work force, the institute is uniquely located to deliver training and education to the individuals employers must increasingly turn to for their future workers.

**NEW SECTION.** Sec. 96. The public nonprofit corporation for the Washington institute for applied technology is hereby abolished and its powers, duties, and functions are hereby transferred to the sixth college district. The Washington institute for applied technology shall be renamed the Seattle Vocational Institute. The Seattle Vocational Institute shall become a fourth unit of the sixth college district. All references to the director or public nonprofit corporation for the Washington institute for applied technology in the Revised Code of Washington shall be construed to mean the director of the Seattle Vocational Institute.

**NEW SECTION.** Sec. 97. All reports, documents, surveys, books, records, files, papers, or written material in the possession of the public nonprofit corporation for the Washington institute for applied technology shall be delivered to the custody of the sixth college district. All cabinets, furniture, office equipment, motor vehicles, and other tangible property employed by the public nonprofit corporation for the Washington institute for applied technology shall be made available to the sixth college district for the
use of the Seattle Vocational Institute. All funds, credits, or other assets held by the public nonprofit corporation for the Washington institute for applied technology shall be assigned to the sixth college district for the use of the institute.

Any appropriations made to the public nonprofit corporation for the Washington institute for applied technology shall, on the effective date of this section, be transferred and credited to the sixth college district.

Whenever any question arises as to the transfer of any personnel, funds, books, documents, records, papers, files, equipment, or other tangible property used or held in the exercise of the powers and the performance of the duties and functions transferred, the director of financial management shall make a determination as to the proper allocation and certify the same to the state agencies concerned.

NEW SECTION. Sec. 98. All contractual obligations, rules, and all pending business before the public nonprofit corporation for the Washington institute for applied technology shall be continued and acted upon by the sixth college district. All existing contracts and obligations shall remain in full force and shall be performed by the sixth college district.

NEW SECTION. Sec. 99. All employees of the Washington institute for applied technology engaged in performing the powers, functions, and duties transferred are transferred to the jurisdiction of the Seattle Vocational Institute. All employees classified under chapter 41.06 RCW, the state civil service law, are assigned to the Seattle Vocational Institute to perform their usual duties upon the same terms as formerly, without any loss of rights, subject to any action that may be appropriate thereafter in accordance with the laws and rules governing state civil service.

NEW SECTION. Sec. 100. The transfer of the powers, duties, functions, and personnel of the public nonprofit corporation for the Washington institute for applied technology shall not affect the validity of any act performed prior to the effective date of this section.

The mission of the institute shall be to provide occupational, basic skills, and literacy education opportunities to economically disadvantaged populations in urban areas of the college district it serves. The mission shall be achieved primarily through open-entry, open-exit, short-term, competency-based basic skill, and job training programs targeted primarily to adults. The board of trustees of the sixth college district shall appoint a nine-member advisory committee consisting of equal representation from business, labor, and community representatives to provide advice and counsel to the administration of the institute and the district administration.

NEW SECTION. Sec. 103. Funding for the institute shall be included in a separate allocation to the sixth college district, and funds allocated for the institute shall be used only for purposes of the institute.

NEW SECTION. Sec. 104. The sixth college district shall conduct a survey of the capital facilities and equipment necessary to operate the program at the institute. The district shall present the survey to the state board for community and technical colleges by December 1, 1991. The board shall include the survey in its budget request to the legislature which shall consider a supplementary appropriation for the 1992-93 fiscal year to the sixth college district based on the results of this survey.

NEW SECTION. Sec. 105. The district may provide for waivers of tuition and fees and provide scholarships for students at the institute. The district may negotiate with applicable public or private service providers to conduct the instructional activities of the
institute. The district may employ instructional staff or faculty. The district may also contract with private individuals for instructional services. Until at least July 1, 1993, all faculty and staff serve at the pleasure of the district. In order to allow the district flexibility in its personnel policies with the institute, the district and the institute, with reference to employees of the institute employed during an initial two-year period until July 1, 1993, are exempt from chapters 28B.16, 28B.52 (relating to collective bargaining), 41.04, 41.05, 41.06, and 41.40 RCW; from RCW 43.01.040 through 43.01.044; and from RCW 28B.50.551 and 28B.50.850 through 28B.50.875 (relating to faculty tenure).

Cash, funds, accounts, or other deposits obtained or raised by a school district to pay for indebtedness, bonded or otherwise, contracted on or before the effective date of this section, for vocational-technical institute purposes shall remain with and continue to be, after February 2, 1992, an asset of the school district. for vocational-technical institute purposes or postsecondary vocational education purposes, or used or obtained primarily for vocational education purposes, and all liabilities including, but not limited to court claims incurred on behalf of a vocational-technical institute by a school district, shall, on the date on which the first board of trustees of each college district takes office, vest in or be assigned to the state board for community and technical colleges. Grounds that have been used primarily as a playground for children shall continue to be made available for such use.

Cash, funds, accounts, or other deposits obtained or raised by a school district to pay for indebtedness, bonded or otherwise, contracted on or before the effective date of this section for vocational-technical institute purposes shall remain with and continue to be, after the effective date of this section, an asset of the school district.

For the purposes of this section and to facilitate the process of allocating the assets, the board of directors of each school district in which a vocational-technical institute is located, and the director of each vocational-technical institute, shall each submit to the state board of education, and the state board for community and technical colleges within ninety days of the effective date of this section, an inventory listing all real estate, personal property, choses in action, and other assets, held by a school district which, under the criteria of this section, will become the assets of the state board for community and technical colleges.

However, assets used primarily for vocational-technical institute purposes shall include, but not be limited to, all assets currently held by school districts which have been used on an average of at least seventy-five percent of the time during the 1989-90 school year, or if acquired subsequent to July 1, 1990, since its time of acquisition, for vocational-technical institute purposes, except that facilities used during school construction and remodeling periods to house vocational-technical institute programs temporarily and facilities that were vacated by the vocational-technical institute and returned to the school district during 1990-91 are not subject to this requirement.

The ultimate decision and approval with respect to the allocation and dispositions of the assets and liabilities including court claims under this section shall be made by a task force appointed by the governor in consultation with the superintendent of public instruction and the state board for community and technical colleges. Any issues remaining in dispute shall be settled by the governor or the governor's designee. The decision of the governor, the governor's designee, or the task force may be appealed within sixty days after such decision is issued by appealing to the district court of Thurston county. The determination of convenience shall be based solely upon the best interests of the students involved.
If a vocational-technical institute district board and a common school district board are sharing the use of a single facility, the program occupying the majority of the space of such facility, exclusive of space utilized equally by both, shall determine which board will be charged with the administration and control of such facility. The determination of occupancy shall be based upon the space occupied as of January 1, 1990.

The board charged with the administration and control of such facility may share expenses with the other board for the use of the facility.

In the event that the two boards are unable to agree upon which board is to administer and control the facility or upon a fair share of expenses for the use of the facility, the governor shall appoint an arbitrator to settle the matter. The decisions of the arbitrator shall be final and binding upon both boards. The expenses of the arbitration shall be divided equally by each board.

**NEW SECTION.** Sec. 135. The legislature finds that the needs of the work force and the economy necessitate enhanced vocational education opportunities in secondary education including curriculum which integrates vocational and academic education. In order for the state's work force to be competitive in the world market, employees need competencies in both vocational/technical skills and in core essential competencies such as English, math, science/technology, geography, history, and critical thinking. Curriculum which integrates vocational and academic education reflects that many students learn best through applied learning, and that students should be offered flexible education opportunities which prepare them for both the world of work and for higher education.

NEW SECTION. Sec. 143. The superintendent of public instruction shall with the advice of the work force training and education coordinating board develop model curriculum integrating vocational and academic education at the secondary level. The curriculum shall integrate vocational education for gainful employment with education in the academic subjects of English, math, science/technology, geography, and history, and with education in critical thinking. Upon completion, the model curriculum shall be provided for consideration and use by school districts.

NEW SECTION. Sec. 144. A new section is added to chapter 28A.320 RCW to read as follows:

As of the effective date of this section, school districts shall not remove facilities, equipment, or property from the jurisdiction or use of the technical colleges. This shall include direct and indirect funds other than those indirect charges provided for in the 1990-91 appropriations act. School districts shall not increase direct or indirect charges for central district administrative support for technical college programs above the percentage rate charged in the 1990-91 school year. This provision on administrative charges for technical college programs shall apply to any state and federal grants, tuition, and other revenues generated by technical college programs. School districts and the superintendent of public instruction shall cooperate fully with the technical colleges and the state board for community and technical colleges with regard to the implementation of chapter ..., Laws of 1991 (this act). No employee of a technical college may be discriminated against based on actions or opinions expressed on issues surrounding chapter ..., Laws of 1991 (this act). Any dispute related to issues contained in this section shall be resolved under section 133 of this act.

NEW SECTION. Sec. 145. During the period from the effective date of this section until September 1, 1991:

(1) The executive director of the state board for community and technical colleges, or the executive director's designee, may enter into contracts, or agreements for goods, services, and personnel, on behalf of the technical college, which are effective after September 1, 1991. The executive director, or the executive director's designee, may conduct business, including budget approval, relevant to the operation of the technical college in the period subsequent to September 1, 1991.

(2) Vocational-technical institute directors may conduct business relevant to the operation of the vocational-technical institutes. School boards and superintendents may not restrict or remove powers previously delegated to the vocational-technical institute directors during the 1990-91 school year.

(3) Technical colleges' boards of trustees appointed before September 1, 1991, shall serve in an advisory capacity to the vocational-technical institute director.

As of September 1, 1991, technical colleges may, by interlocal agreement, continue to purchase from the school districts, support services within mutually agreed upon categories at a cost not to exceed the indirect rate charged during the 1990-91 school year. No employee of a technical college may be discriminated against based on actions or opinions expressed on issues surrounding chapter ..., Laws of 1991 (this act). Any
dispute related to issues contained in this section shall be resolved under section 133 of this act.

**NEW SECTION.** Sec. 146. The colleges in each overlapping service area shall jointly submit for approval to the state board for community and technical colleges not later than December 1, 1991, a regional planning agreement. The agreement shall provide for the ongoing interinstitutional coordination of community and technical college programs and services operated in the overlapping service area. The agreement shall include the means for the adjudication of issues arising from overlapping service areas. The agreement shall include a definitive statement of mission, scope, and purpose for each college including the nature of courses, programs, and services to be offered by each college. The statement shall include a provision that the technical colleges shall not offer courses designed for transfer to baccalaureate granting institutions. This shall not preclude such offerings provided through contracts or agreements with a community college in the service area.

Any part of the agreement that is not approved by all the colleges in the service area, shall be determined by the state board for community and technical colleges. Approved regional planning agreements shall be enforced by the full authority of the state board for community and technical colleges. Changes to the agreement are subject to state board approval.

Sec. 147. RCW 28B.52.010 and 1987 c 314 s 1 are each amended to read as follows:

It is the purpose of this chapter to strengthen methods of administering employer-employee relations through the establishment of orderly methods of communication between academic employees and the ((community)) college districts by which they are employed.

It is the purpose of this chapter to promote cooperative efforts by prescribing certain rights and obligations of the employees and employers and by establishing orderly procedures governing the relationship between the employees and their employers which procedures are designed to meet the special requirements and needs of public employment in higher education. It is the intent of this chapter to promote activity that includes the elements of open communication and access to information in a timely manner, with reasonable discussion and interpretation of that information. It is the further intent that such activity shall be characterized by mutual respect, integrity, reasonableness, and a desire on the part of the parties to address and resolve the points of concern.

Sec. 148. RCW 28B.52.020 and 1987 c 314 s 2 are each amended to read as follows:

As used in this chapter:

1. "Employee organization" means any organization which includes as members the academic employees of a ((community)) college district and which has as one of its purposes the representation of the employees in their employment relations with the ((community)) college district.

2. "Academic employee" means any teacher, counselor, librarian, or department head, who is employed by any ((community)) college district, whether full or part time, with the exception of the chief administrative officer of, and any administrator in, each ((community)) college district.

3. "Administrator" means any person employed either full or part time by the ((community)) college district and who performs administrative functions as at least fifty percent or more of his or her assignments, and has responsibilities to hire, dismiss, or discipline other employees. Administrators shall not be members of the bargaining unit unless a majority of such administrators and a majority of the bargaining unit elect by secret ballot for such inclusion pursuant to rules ((and regulations)) as adopted in accordance with RCW 28B.52.080.

4. "Commission" means the public employment relations commission.
(5) "Unfair labor practice" means any unfair labor practice listed in RCW 28B.52.073.

(6) "Union security provision" means a provision in a collective bargaining agreement under which some or all employees in the bargaining unit may be required, as a condition of continued employment on or after the thirtieth day following the beginning of such employment or the effective date of the provision, whichever is later, to become a member of the exclusive bargaining representative or pay an agency fee equal to the periodic dues and initiation fees uniformly required as a condition of acquiring or retaining membership in the exclusive bargaining representative.

(7) "Exclusive bargaining representative" means any employee organization which has:

(a) Been certified or recognized under this chapter as the representative of the employees in an appropriate collective bargaining unit; or
(b) Before July 26, 1987, been certified or recognized under a predecessor statute as the representative of the employees in a bargaining unit which continues to be appropriate under this chapter.

(8) "Collective bargaining" and "bargaining" mean the performance of the mutual obligation of the representatives of the employer and the exclusive bargaining representative to meet at reasonable times to bargain in good faith in an effort to reach agreement with respect to wages, hours, and other terms and conditions of employment, such as procedures related to nonretention, dismissal, denial of tenure, and reduction in force. Prior law, practice, or interpretation shall be neither restrictive, expansive, nor determinative with respect to the scope of bargaining. A written contract incorporating any agreements reached shall be executed if requested by either party. The obligation to bargain does not compel either party to agree to a proposal or to make a concession.

In the event of a dispute between an employer and an exclusive bargaining representative over the matters that are terms and conditions of employment, the commission shall decide which items are mandatory subjects for bargaining.

Sec. 149. RCW 28B.52.030 and 1987 c 314 s 3 are each amended to read as follows:

Provisions of written contracts relating to salary increases shall not exceed the amount or percentage established by the legislature in the appropriations act and allocated to the board of trustees by the state board for community and technical colleges. The length of term of any such agreement shall be for not more than three fiscal years. Any provisions of these agreements pertaining to salary increases will not be binding upon future actions of the legislature. If any provision of a salary increase is changed by subsequent modification of the appropriations act by the legislature, both parties shall immediately enter into collective bargaining for the sole purpose of arriving at a mutually agreed upon replacement for the modified provision.

Sec. 151. RCW 28B.52.050 and 1971 ex.s. c 196 s 4 are each amended to read as follows:
Nothing in this chapter shall prohibit any academic employee from appearing in his or her own behalf on matters relating to his or her employment relations with the ((community)) college district.

Nothing in this section prohibits an employer and an employee organization from agreeing to substitute, at their own expense, some other impasse procedure or other means of resolving matters considered under this chapter.

Should either a strike or lockout occur, the representative of the faculty or board of trustees may invoke the jurisdiction of the superior court in the county in which the labor dispute exists and such court shall have jurisdiction to issue an appropriate order against either or both parties. In fashioning an order, the court shall take into consideration not only the elements necessary for injunctive relief but also the purpose and goals of this chapter and any mitigating factors such as the commission of an unfair labor practice by either party.

Sec. 155. RCW 28B.52.090 and 1971 ex.s. c 196 s 8 are each amended to read as follows:

Nothing in this chapter shall be construed to annul or modify, or to preclude the renewal or continuation of, any lawful agreement heretofore entered into between any ((community)) college district and any representative of its employees.

(a) Their purpose is to promote the convenience, safety, or welfare of the residents, protect and preserve the premises from abusive use, or make a fair distribution of services and facilities made available for the tenants generally;
(b) They are reasonably related to the purpose for which they are adopted;
(c) They apply to all tenants in a fair manner;
(d) They are not for the purpose of evading an obligation of the landlord;
(e) They are not retaliatory or discriminatory in nature; and
(f) They are sufficiently explicit in prohibition, direction, or limitation of the tenants' conduct to fairly inform the tenants of what the tenants must do to comply.

(2) At least thirty days' written notice must be provided to all tenants in the mobile home park before any changes, additions, deletions, or amendments to the rules and regulations can become effective unless the tenants consent.

NEW SECTION. Sec. 3. If the tenant fails to comply with RCW 59.20.140, and the noncompliance can substantially affect the health and safety of the tenant or other tenants, or substantially increase the hazards of fire or accident that can be remedied by repair, replacement of a damaged item, or cleaning, the tenant shall comply within fifteen days after the sending of written notice by the landlord specifying the noncompliance, or, in the case of emergency as promptly as conditions require. If the tenant fails to remedy the condition in noncompliance within that period the landlord may enter the mobile home lot and cause the work to be done in a skillful manner, and submit an itemized bill of the actual and reasonable cost of repair. The bill may be made payable on the next date when periodic rent is due, or on terms that are mutually agreed to by the landlord and tenant, or immediately if the tenancy is terminated.

NEW SECTION. Sec. 4. A tenant may not sublet or assign his or her tenancy in the mobile home park without the express written consent of the landlord unless a greater right is conferred in the rental agreement. The landlord shall approve or disapprove of the subletting or the assignment on the same basis that the landlord approves or disapproves of any new tenant. Notice of approval or disapproval shall be given in writing within five working days of receiving a written request from the tenant. The landlord may not unreasonably withhold consent. Transfers of rental agreements when the tenant sells or transfers title of the mobile home are governed by RCW 59.20.073.

NEW SECTION. Sec. 5. (1) If a court finds as a matter of law that:
(a) A rental agreement, or any clause of it, was unconscionable at the time it was made, it may refuse to enforce the rental agreement or it may enforce the remainder of the rental agreement without the unconscionable clause. The court may also limit the application of the unconscionable clause to avoid any unconscionable result.
(b) A settlement in which a party waives or agrees to forego a claim or right under this chapter or under the rental agreement was unconscionable at the time it was made, the court may refuse to enforce the settlement, or it may enforce the remainder of the settlement without the unconscionable provision. The court may also limit the application of any unconscionable provision to avoid an unconscionable result.
(2) When it is claimed or appears to the court that the rental agreement or settlement, or any clause of it, may be unconscionable, the parties shall be afforded an opportunity to present evidence as to the setting, purpose, and effect to aid the court in making its determination.

NEW SECTION. Sec. 6. If a landlord intentionally causes the termination or interruption of any tenant's utility services, including water, heat, electricity, or gas, except when an interruption of a reasonable duration is required to make necessary repairs, then the tenant may require the restoration of the utility services or terminate the rental agreement, and in either case maintain an action for damages. Damages shall be
the actual damages sustained, and up to one hundred dollars for each day or part thereof the tenant is deprived of any utility service.

A landlord shall give the tenants at least twenty-four hours' notice in writing whenever possible when planned repairs of a utility service which the mobile home park provides will cause an interruption of the utility service.

It shall be unlawful for a tenant to intentionally cause the termination or interruption of utility services provided by the landlord, including water, heat, electricity, or gas, excepting as resulting from the normal occupancy of the premises. If a tenant intentionally causes the termination or interruption of utility services in violation of this section, the tenant shall be liable for any actual damages sustained, and up to one hundred dollars for each day or part thereof that the utility services are unavailable.

NEW SECTION. Sec. 7. (1) If a landlord uses a rental agreement containing provisions known by the landlord to be prohibited under RCW 59.20.060(2), then the tenant may recover actual damages sustained or one hundred dollars, whichever is greater.

(2) If a landlord violates the right of entry provided in RCW 59.20.130(7), after receiving notice from the tenant in writing of a violation of this right, then the tenant may recover actual damages or one hundred dollars, whichever is greater, for each violation.

(3) If a landlord retaliates against a tenant in violation of RCW 59.20.070(4), a court in its discretion may award an amount not to exceed five hundred dollars for each violation in addition to actual damages sustained.

(4) If a landlord violates other provisions of RCW 59.20.070, then the tenant may recover actual damages or one hundred dollars, whichever is greater, for each violation.

(5) A tenant may recover his or her actual damages when the landlord violates other provisions of this chapter.

NEW SECTION. Sec. 8. Any person who violates the terms of a restraining order or an injunction issued by a court to prevent violations of this chapter, or any of the terms of an assurance of voluntary compliance duly filed in court, shall pay to the court a civil penalty not to exceed one thousand dollars for each violation. For the purposes of this section, the court issuing the restraining order or injunction, or in which an assurance of voluntary compliance is filed, shall retain jurisdiction over the action.

NEW SECTION. Sec. 9. The attorney general may bring an action in the name of the state against any person to restrain and prevent the doing of any act prohibited or declared to be unlawful in this chapter. The prevailing party may, in the discretion of the court, recover the costs of the action including a reasonable attorney's fee.

Sec. 10. RCW 59.20.080 and 1989 c 201 s 12 are each amended to read as follows:

(1) ((Except as provided in subsection (2) of this section, the)) A landlord shall not terminate a tenancy, of whatever duration except for one or more of the following reasons:

(a) Substantial violation, or repeated or periodic violations of the rules of the mobile home park as established by the landlord at the inception of the tenancy or as assumed subsequently with the consent of the tenant or for violation of the tenant's duties as provided in RCW 59.20.140. The tenant shall be given written notice to cease the rule violation immediately. The notice shall state that failure to cease the violation of the rule or any subsequent violation of that or any other rule shall result in termination of the tenancy, and that the tenant shall vacate the premises within fifteen days: PROVIDED, That for a periodic violation the notice shall also specify that repetition of the same violation shall result in termination: PROVIDED FURTHER, That in the case of a violation of a "material change" in park rules with respect to pets, tenants with minor children living with them, or recreational facilities, the tenant shall be given written notice under this chapter of a six month period in which to comply or vacate;

(b) Nonpayment of rent or other charges specified in the rental agreement, upon five days written notice to pay rent and/or other charges or to vacate;
(c) Conviction of the tenant of a crime, commission of which threatens the health, safety, or welfare of the other mobile home park tenants. The tenant shall be given written notice of a fifteen day period in which to vacate;

(d) Failure of the tenant to comply with local ordinances and state laws and regulations relating to mobile homes or mobile home living within a reasonable time after the tenant's receipt of notice of such noncompliance from the appropriate governmental agency;

(e) Change of land use of the mobile home park including, but not limited to, conversion to a use other than for mobile homes or conversion of the mobile home park to a mobile home park cooperative or mobile home park subdivision: PROVIDED, That the landlord shall give the tenants twelve months' notice in advance of the effective date of such change, except that for the period of six months following April 28, 1989, the landlord shall give the tenants eighteen months' notice in advance of the proposed effective date of such change;

A park owner seeking to evict a tenant pursuant to this subsection need not produce evidence of a criminal conviction, even if the alleged misconduct constitutes a criminal offense. Notice from a law enforcement agency of drug activity pursuant to RCW 59.20.155 shall constitute sufficient grounds, but not the only grounds, for an eviction under this subsection. If drug-related activity is alleged to be a basis of termination, the park owner may proceed directly to an unlawful detainer action; or

(g) The tenant's application for tenancy contained a material misstatement which induced the park owner to approve the tenant as a resident of the park, and the park owner discovers and acts upon the misstatement within one year of the time the resident began paying rent.

Sec. 11. RCW 59.20.090 and 1980 c 152 s 2 are each amended to read as follows:

(1) Unless otherwise agreed rental agreements shall be for a term of one year. Any rental agreement of whatever duration shall be automatically renewed for the term of the original rental agreement, unless OTHERWISE AGREED.

(3) A tenant shall notify the landlord in writing one month prior to the expiration of a rental agreement of an intention not to renew.

(4)(a) The tenant may terminate the rental agreement upon thirty days written notice whenever a change in the location of the tenant’s employment requires a change in his residence, and shall not be liable for rental following such termination unless after due diligence and reasonable effort the landlord is not able to rent the mobile home lot at a fair rental. If the landlord is not able to rent the lot, the tenant shall remain liable for the rental specified in the rental agreement until the lot is rented or the original term ends;

(b) Any tenant who is a member of the armed forces may terminate a rental agreement with less than thirty days notice if he receives reassignment orders which do not allow greater notice.

NEW SECTION. Sec. 12. A new section is added to chapter 48.18 RCW to read as follows:

2SSB 5341 Prime Sponsor, Committee on Ways & Means: Providing liability insurance to foster parents. Reported by Committee on Human Services

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes the unique legal risks that foster parents face in taking children into their care. Third parties have filed claims against foster parents for losses and damage caused by foster children. Additionally, foster children and their parents have sued foster parents for actions occurring while the children were in foster care. The legislature finds that some potential foster parents are unwilling to subject themselves to potential liability without insurance protection. The legislature further finds that to encourage those people to serve as foster parents, it is necessary to assure that such insurance is available to them.

NEW SECTION. Sec. 2. A new section is added to chapter 74.14B RCW to read as follows:

(1) Subject to subsection (2) of this section, the secretary of social and health services shall provide liability insurance to foster parents licensed under chapter 74.15 RCW. The coverage shall be for personal injury and property damage caused by foster parents or foster children that occurred while the children were in foster care. Such insurance shall cover acts of ordinary negligence but shall not cover illegal conduct or bad faith acts taken by foster parents in providing foster care. Moneys paid from liability insurance for any claim are limited to the amount by which the claim exceeds the amount available to the claimant from any valid and collectible liability insurance.

(2) The secretary of social and health services may purchase the insurance required in subsection (1) of this section or may choose a self-insurance method. The total moneys expended pursuant to this authorization shall not exceed five hundred thousand dollars per biennium. If the secretary elects a method of self-insurance, the expenditure shall include all administrative and staff costs. If the secretary elects a method of self-insurance, he or she may, by rule, place a limit on the maximum amount to be paid on each claim.

(3) Nothing in this section or section 3 of this act is intended to modify the foster parent reimbursement plan in place on the effective date of this act.

(4) The liability insurance program shall be available by July 1, 1991.

NEW SECTION. Sec. 3. A new section is added to chapter 4.24 RCW to read as follows:

In actions for personal injury or property damage commenced by foster children or their parents against foster parents licensed pursuant to chapter 74.15 RCW, the liability of foster parents for the care and supervision of foster children shall be the same as the liability of biological and adoptive parents for the care and supervision of their children.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1991, in the omnibus appropriations act, this act shall be null and void.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1991.

SSB 5342 Prime Sponsor, Committee on Commerce & Labor: Authorizing payment by annuity by self-insured employers. Reported by Committee on Commerce & Labor

MAJORITY recommendation: Do pass with the following amendments: Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 51.44.070 and 1989 c 190 s 1 are each amended to read as follows:

(1) For every case resulting in death or permanent total disability the department shall transfer on its books from the accident fund of the proper class and/or appropriate account to the "reserve fund" a sum of money for that case equal to the estimated present cash value of the monthly payments provided for it, to be calculated upon the basis of an annuity covering the payments in this title provided to be made for the case. Such annuity values shall be based upon rates of mortality, disability, remarriage, and interest as determined by the department, taking into account the experience of the reserve fund in such respects.

Similarly, a self-insurer in these circumstances shall pay into the reserve fund a sum of money computed in the same manner, and the disbursements therefrom shall be made as in other cases.

(2) As an alternative to payment procedures otherwise provided under law, in the event of death or permanent total disability to workers of self-insured employers, a self-insured employer may upon establishment of such obligation file with the department a bond, an assignment of account from a federally or state chartered commercial banking institution authorized to conduct business in the state of Washington, or purchase an annuity in an amount deemed by the department to be reasonably sufficient to insure payment of the pension benefits provided by law. Any purchase of an annuity shall be from an institution meeting the following minimum requirements: (a) The institution must be rated no less than "A+" by A.M. Best, and no less than "AA" by Moody’s and by Standard & Poor’s; (b) the value of the assets of the institution must not be less than ten billion dollars; (c) not more than ten percent of the institution’s assets may include bonds that are rated less than "BBB" by Moody’s and Standard & Poor’s; (d) not more than five percent of the assets may be held as equity in real estate; and (e) not more than twenty-five percent of the assets may be first mortgages, and not more than five percent may be second mortgages. The department shall adopt rules governing assignments of account and annuities. Such rules shall ensure that the funds are available if needed, even in the case of failure of the banking institution, the institution authorized to provide annuities, or the employer’s business.

The annuity value for every such case shall be determined by the department based upon the department’s experience as to rates of mortality, disability, remarriage, and interest. The amount of the required bond, assignment of account, or annuity may be reviewed and adjusted periodically by the department, based upon periodic redeterminations by the department as to the outstanding annuity value for the case.
Under such alternative, the department shall (make the monthly payments from the pension reserve fund for the benefits provided for by RCW 51.32.050 and 51.32.060 to the self-insured beneficiary or beneficiaries and the department shall be reimbursed for all such payments from the particular self-insured employer through periodic charges not less than quarterly in a manner to be determined by the director.

Any self-insured employer electing this alternative method of providing for payment) administer the payment of this obligation to the beneficiary or beneficiaries. The department shall be reimbursed for all such payments from the self-insured employer through periodic charges not less than quarterly in a manner to be determined by the director. The self-insured employer shall additionally pay to the department a deposit equal to the first three months' payments otherwise required under RCW 51.32.050 and 51.32.060. Such deposit shall be placed in the reserve fund in accordance with RCW 51.44.140 and shall be returned to the respective self-insured employer when monthly payments are no longer required for such particular obligation.

If a self-insurer delays or refuses to reimburse the department beyond fifteen days after the reimbursement charges become due, there shall be a penalty paid by the self-insurer upon order of the director of an additional amount equal to twenty-five percent of the amount then due which shall be paid into the pension reserve fund. Such an order shall conform to the requirements of RCW 51.52.050.

SSB 5347  Prime Sponsor, Committee on Ways & Means: Establishing regional health promotion and disease prevention programs. Reported by Committee on Health Care

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the current system of health care and public health has been successful in identifying and reducing many communicable diseases that were major public health threats in years past but has not made efforts to reduce death and disability from preventable noncommunicable diseases. The leading cause of preventable death in our state is tobacco use. Washington business has provided leadership in the adult community by implementing smoke-free environments and cessation programs and Washington citizens eliminated tobacco use on public school property. However, the legislature recognizes the remaining high rate of tobacco-caused disease among ethnic minority populations, and smoking prevalence by youth and young pregnant women in our state. It is imperative that prevention efforts be developed and implemented.

The legislature acknowledges the United States surgeon general’s findings that nicotine is the active drug in tobacco rendering it as addictive as heroin and cocaine. The vast majority of new smokers are teenagers or younger children. The earlier a child starts using tobacco the more likely that he or she will be unable to quit. Washington state has no organized effort to discourage children from using tobacco.

The legislature finds that access to tobacco by minors is a major problem. Youth obtain tobacco products with ease. Tobacco products that are provided free or at nominal charge are likely to fall into the hands of youth and the sale of single cigarettes are more affordable to youth. The present system of prohibiting sales of tobacco to minors has proven significantly defective. It is imperative to enforce the prohibition of sales to minors.

The legislature finds that scientific evidence demonstrates that environmental tobacco smoke causes lung cancer and is a contributor to indoor air pollution, increasing the risk of disease and disability among nonsmoking adults and children.

The most effective state, regional, and local strategy for reducing the impact of tobacco use is through the collaborative efforts of educators, business, local, state, and
tribal government officials, local health and community agencies, ethnic minority groups, law enforcement, health care providers, and concerned community and citizen groups to promote healthy lifestyles and tobacco-free environments.

NEW SECTION. Sec. 2. The purpose of this chapter is to prevent tobacco-caused disease by reducing the use of and subsequent addiction to tobacco by youth and to promote tobacco reduction programs. The legislature intends to support the development of community and state efforts to reduce the effects of tobacco use by:

1. Regulating the sale, distribution, and sampling of tobacco products to minors;
2. Conducting a state-wide advertising and public awareness campaign informing youth and their families about the negative health effects of using tobacco; and
3. Providing funding for prevention, education, cessation programs, and activities identified by communities that have brought together local leadership and interested citizens, to help reduce tobacco use and addiction. The department shall provide assistance and support to help communities develop and carry out effective intervention strategies and implement tobacco control programs.

NEW SECTION. Sec. 3. The definitions set forth in this section apply throughout this chapter.

1. "Department" means the state department of health.
2. "Minor" means an individual who is less than eighteen years old.
3. "Package" means a pack, box, or container of any kind in which a tobacco product is offered for sale, sold, or otherwise distributed.
4. "Person" means an individual, partnership, corporation, or other business or legal entity and includes the state or any political subdivision of the state.
5. "Regional program" means a program developed by two or more mutually agreed counties approved by the department to address the purposes of this chapter.
6. "Retailer" means a person, firm, association, company, partnership, or corporation who operates a store, stand, booth, concession, or other place at which sales are made to purchasers for consumption or use.
7. "Vending machine" means a machine or device designated for or used for the vending of cigarettes, cigars, tobacco, or tobacco products upon the insertion of coins, trade checks, or slugs.

NEW SECTION. Sec. 4. The department of health shall collaborate with entities within state, local, tribal, and federal governments, and public and private agencies to use available information and resources to carry out the following:

1. Identify and monitor the leading causes of death and disease caused by tobacco;
2. Identify trends, geographic areas, and population groups at risk for preventable tobacco-related disease;
3. Establish a culturally relevant broad public media and education campaign designed to prevent tobacco use among children, teenagers, pregnant women, and other high-risk groups;
4. Act as a clearinghouse for tobacco-related policy and information including referral services to cessation programs and information on effective prevention programs for health care providers, business and industry, schools, and the general public;
5. Evaluate, monitor, and report on the impact of tobacco use intervention efforts state-wide;
6. Request and receive funds, gifts, grants, or appropriations from the legislature, the federal government, or private sources to pursue the department's duties under this chapter; and
7. Develop, if deemed appropriate, regional health promotion and disease prevention programs that focus on minors who use tobacco.

NEW SECTION. Sec. 5. The legislature finds that a practical method of responding to health problems, including direct access to target populations, is found at the community level.
(1) The department shall, within available funds, provide grants to local communities to develop and implement coordinated tobacco intervention strategies to reduce the incidence and impact of tobacco use. Geographic boundaries for local communities shall be the same as that of local public health departments. In order to receive local community grants, communities must demonstrate a commitment to carrying out a coordinated intervention strategy plan and meet local matching requirements. Intervention strategy plans must involve the active participation by leadership from local public health, education, health care providers, tribal government, law enforcement, business and industry, labor, and other concerned citizens and community groups. In consultation with the state board of health, the department shall develop criteria by which funding allocations are determined for this section.

(2) Grant applications shall be submitted on behalf of the community by the local health department. If the local health department does not wish to participate in submission of a grant application the application may be submitted by a local organization. If a grant application is not received from a local community, the department may work with the community to develop an intervention strategy plan.

(3) Community intervention strategies shall be sensitive to cultural and ethnic differences and shall focus on at least the following:
(a) Education to school-aged children and teenagers;
(b) Strategies focused on high-risk populations;
(c) Increased local and, if deemed appropriate, regional availability of smoking and tobacco use cessation classes and programs;
(d) Distribution of cessation messages and prevention materials to high-risk groups, using local and, if deemed appropriate, regional versions of the state-wide media and marketing campaign; and
(e) Creation of local and, if deemed appropriate, regional coalitions to encourage changes in community attitudes about tobacco use.

(4) The department shall develop criteria for local and, if deemed appropriate, regional match requirements. It shall ensure that contracts for local grants maximize expenditures on developing and implementing tobacco intervention strategies. Grants shall not exceed ninety-five percent of the local tobacco intervention budgets, and the department shall make available to local intervention programs at least twenty-five percent of the total revenues authorized under this chapter. Funds designated for local intervention programs that remain unexpended may be expended on other authorized tobacco intervention strategies.

(5) Local communities and, if deemed appropriate, regions shall not supplant existing financial resources with grants issued under this chapter.

NEW SECTION. Sec. 6. Effective July 1, 1991, no tobacco product may be sold or offered for sale from a vending machine unless the machine is located:
(1) In a portion of a commercial building or industrial plant where the public is expressly prohibited and where no minor employees are usually admitted; or
(2) On any premises or portion thereof to which access by minors is expressly prohibited by law if, and only if, the tobacco vending machine is located fully within such premises from which minors are prohibited and not less than ten feet from all entrance or exit ways.

If an appropriate enforcing agency has reason to believe that a violation of this chapter has occurred, the enforcing agency shall issue an order of noncompliance to the alleged violator, informing the alleged violator that a civil action shall begin in one week if the tobacco vending machine is not removed. If after one week the tobacco vending machine has not been removed, the enforcing agency shall initiate a civil action in superior court to enforce the provisions of this chapter. If the court finds that one or more violations have occurred, the court shall award the prevailing party its costs, including reasonable attorneys' fees. The court may also enjoin future violations and
impose a civil penalty of up to one thousand dollars per violation. For purposes of this section enforcing agencies shall include state and local health departments, local fire departments or fire districts and local law enforcement.

A person who gives or provides by a coupon, tobacco products to a person at no cost or at a nominal cost is guilty of a gross misdemeanor, except that a retailer whose annual gross sales from the sale of tobacco products exceeds sixty percent of annual gross sales may distribute single serving samples of tobacco to adults without violating this section.

NEW SECTION. Sec. 9. A retailer or employee who sells or permits to be sold cigarettes or other tobacco products to an individual without requesting and examining identification from the purchaser positively establishing the purchaser's age as eighteen years or greater, unless the seller has some other conclusive basis for determining the buyer is over the age of eighteen years, is guilty of a gross misdemeanor.

For purposes of this section, the purchaser shall be required to present one of the following officially issued cards of identification which shows his or her correct age and bears his or her signature and photograph:

The notice must be black letters at least one inch in height on a white background. The notice will be made available through the state department of licensing at the time of issuing the state license. A retailer failing to post the notice is guilty of a gross misdemeanor.

NEW SECTION. Sec. 11. The provisions of this chapter shall not preempt any ordinance or rule adopted by any political subdivisions of the state to enact rules governing the retail sale or use of tobacco products, provided that such ordinances or rules are at least as restrictive as those of applicable state law.

NEW SECTION. Sec. 12. A new section is added to chapter 43.20 RCW to read as follows:

NEW SECTION. Sec. 1. "EARNINGS," "DISPOSABLE EARNINGS," AND "OBLIGEE" DEFINED. As used in this chapter, the term "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, hours, or otherwise, and notwithstanding any other provision of law making such payments exempt from garnishment, attachment, or other process to satisfy court-ordered legal financial obligations, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type. Earnings shall specifically include all gain derived from capital, from labor, or from both, not including profit gained through sale or conversion of capital assets. The term "disposable earnings" means that part of the earnings of any individual remaining after the deduction from those earnings of any amount required by law to be withheld. The term "obligee" means the department, party, or entity to whom the legal financial obligation is owed, or the department, party, or entity to whom the right to receive or collect support has been assigned.

Sec. 2. RCW 9.94A.145 and 1989 c 252 s 3 are each amended to read as follows:

(1) Whenever a person is convicted of a felony, the court may order the payment of a legal financial obligation as part of the sentence. The court must on either the judgment and sentence or on a subsequent order to pay, designate the total amount of a legal financial obligation and segregate this amount among the separate assessments made for restitution, costs, fines, and other assessments required by law. On the same order, the court is also to set a sum that the offender is required to pay on a monthly basis towards satisfying the legal financial obligation. If the court fails to set the offender monthly payment amount, the department shall set the amount. Upon receipt of an offender's monthly payment, after restitution is satisfied, the county clerk shall distribute the payment proportionally among all other fines, costs, and assessments imposed, unless otherwise ordered by the court.

(2) If the court determines that the offender, at the time of sentencing, has the means to pay for the cost of incarceration, the court may require the offender to pay for the cost of incarceration at a rate of fifty dollars per day of incarceration. Payment of other court-ordered financial obligations, including all legal financial obligations and costs of supervision shall take precedence over the payment of the cost of incarceration ordered by the court. All funds recovered from offenders for the cost of incarceration in the county jail shall be remitted to the county and the costs of incarceration in a prison shall be remitted to the department of corrections.

(3) The court may add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction is to be immediately issued. If the court chooses not to order the immediate issuance of a notice of payroll deduction at sentencing, the court shall add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction may be issued or other income-withholding action may be taken, without further notice to the offender if a monthly court-ordered legal financial obligation payment is not paid when due, and an amount equal to or greater than the amount payable for one month is owed.

If a judgment and sentence or subsequent order to pay does not include the statement that a notice of payroll deduction may be issued or other income-withholding action may be taken if a monthly legal financial obligation payment is past due, the department may serve a notice on the offender stating such requirements and...
(4) All legal financial obligations that are ordered as a result of a conviction for a felony, may also be enforced in the same manner as a judgment in a civil action by the party or entity to whom the legal financial obligation is owed. These obligations may be enforced at any time during the ten-year period following the offender's release from total confinement or within ten years of entry of the judgment and sentence, whichever period is longer. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation.

(5) In order to assist the court in setting a monthly sum that the offender must pay during the period of supervision, the offender is required to report to the department for purposes of preparing a recommendation to the court. When reporting, the offender is required, under oath, to truthfully and honestly respond to all questions concerning present, past, and future earning capabilities and the location and nature of all property or financial assets. The offender is further required to bring any and all documents as requested by the department.

(6) After completing the investigation, the department shall make a report to the court on the amount of the monthly payment that the offender should be required to make towards a satisfied legal financial obligation.

(7) During the period of supervision, the department may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. If the department sets the monthly payment amount, the department may modify the monthly payment amount without the matter being returned to the court. Also, during the period of supervision, the offender may be required at the request of the department to report to the department for the purposes of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to truthfully and honestly respond to all questions concerning earning capabilities and the location and nature of all property or financial assets. Also, the offender is required to bring any and all documents as requested by the department in order to prepare the collection schedule.

(8) After the judgment and sentence or payment order is entered, the department shall for any period of supervision be authorized to collect the legal financial obligation from the offender. Any amount collected by the department shall be remitted daily to the county clerk for the purposes of disbursements. The department is authorized to accept credit cards as payment for a legal financial obligation, and any costs incurred related to accepting credit card payments shall be the responsibility of the offender.

(9) The department or any obligee of the legal financial obligation may seek a mandatory wage assignment for the purposes of obtaining satisfaction for the legal financial obligation pursuant to RCW 9.94A.2001.

(10) The requirement that the offender pay a monthly sum towards a legal financial obligation constitutes a condition (and term of community supervision) or requirement of a sentence and the offender is subject to the penalties as provided in RCW 9.94A.200 for noncompliance.

(11) The county clerk shall provide the department with individualized monthly billings for each offender with an unsatisfied legal financial obligation and shall provide the department with (written) notice of payments by such offenders no less frequently than weekly.

NEW SECTION. Sec. 3. LEGAL FINANCIAL OBLIGATION--NOTICE OF PAYROLL DEDUCTION--ISSUANCE AND CONTENT. (1) The department may issue a notice of payroll deduction in a criminal action if:

(a) The court at sentencing orders its immediate issuance; or
(b) The offender is more than thirty days past due in monthly payments in an amount equal to or greater than the amount payable for one month, provided:

(i) The judgment and sentence or subsequent order to pay contains a statement that a notice of payroll deduction may be issued without further notice to the offender; or

(ii) The department has served a notice on the offender stating such requirements and authorization. Service of such notice shall be made by personal service or any form of mail requiring a return receipt.

(2) The notice of payroll deduction is to be in writing and include:

(a) The name, social security number, and identifying court case number of the offender/employee;

(b) The amount to be deducted from the offender/employee’s disposable earnings each month, or alternative amounts and frequencies as may be necessary to facilitate processing of the payroll deduction by the employer;

(c) A statement that the total amount withheld on all payroll deduction notices for payment of court-ordered legal financial obligations combined shall not exceed twenty-five percent of the offender/employee’s disposable earnings; and

(d) The address to which the payments are to be mailed or delivered.

(3) An informational copy of the notice of payroll deduction shall be mailed to the offender’s last known address by regular mail or shall be personally served.

(4) Neither the department nor any agents of the department shall be held liable for actions taken under RCW 9.94A.145 and sections 1 and 3 through 11 of this act.

NEW SECTION. Sec. 4. LEGAL FINANCIAL OBLIGATIONS--NOTICE OF PAYROLL DEDUCTION--AMOUNTS TO BE WITHHELD. (1) The total amount to be withheld from the offender/employee’s earnings each month, or from each earnings disbursement, shall not exceed twenty-five percent of the disposable earnings of the offender.

(2) If the offender is subject to two or more notices of payroll deduction for payment of a court-ordered legal financial obligation from different obligees, the employer or entity shall, if the nonexempt portion of the offender’s earnings is not sufficient to respond fully to all notices of payroll deduction, apportion the offender’s nonexempt disposable earnings between or among the various obligees equally.

NEW SECTION. Sec. 5. LEGAL FINANCIAL OBLIGATIONS--NOTICE OF PAYROLL DEDUCTION--EMPLOYER OR ENTITY RESPONSIBILITIES. (1) An employer or entity upon whom a notice of payroll deduction is served, shall make an answer to the department within twenty days after the date of service. The answer shall confirm compliance and institution of the payroll deduction or explain the circumstances if no payroll deduction is in effect. The answer shall also state whether the employer is employed by or receives earnings from the employer or entity, whether the employer or entity anticipates paying earnings, and the amount of earnings. If the offender is no longer employed, or receiving earnings from the employer or entity, the answer shall state the present employer or entity’s name and address, if known.

(2) Service of a notice of payroll deduction upon an employer or entity requires an employer or entity to immediately make a mandatory payroll deduction from the offender/employee’s unpaid disposable earnings. The employer or entity shall thereafter at each pay period deduct the amount stated in the notice divided by the number of pay periods per month. The employer or entity must remit the proper amounts to the appropriate clerk of the court on each date the offender/employee is due to be paid.

(3) The employer or entity may combine amounts withheld from the earnings of more than one employee in a single payment to the clerk of the court, listing separately the amount of the payment that is attributable to each individual employee.

(4) The employer or entity may deduct a processing fee from the remainder of the employee’s earnings after withholding under the notice of payroll deduction, even if the remainder is exempt under section 11 of this act. The processing fee may not exceed:
(a) Ten dollars for the first disbursement made by the employer to the clerk of the court; and
(b) One dollar for each subsequent disbursement made under the notice of payroll deduction.

(5) The notice of payroll deduction shall remain in effect until released by the department or the court enters an order terminating the notice.

(6) An employer shall be liable to the obligee for the amount of court-ordered legal financial obligation moneys that should have been withheld from the offender/employee’s earnings, if the employer:
   (a) Fails or refuses, after being served with a notice of payroll deduction, to deduct and promptly remit from unpaid earnings the amounts of money required in the notice; or
   (b) Fails or refuses to submit an answer to the notice of payroll deduction after being served. In such cases, liability may be established in superior court. Awards in superior court shall include costs, interest under RCW 19.52.020 and 4.56.110, reasonable attorney fees, and staff costs as part of the award.

(7) No employer who complies with a notice of payroll deduction under this chapter may be liable to the employee for wrongful withholding.

(8) No employer may discipline or discharge an employee or refuse to hire a person by reason of an action authorized in this chapter. If an employer disciplines or discharges an employee or refuses to hire a person in violation of this section, the employee or person shall have a cause of action against the employer. The employer shall be liable for double the amount of lost wages and any other damages suffered as a result of the violation and for costs and reasonable attorney fees, and shall be subject to a civil penalty of not more than two thousand five hundred dollars for each violation. The employer may also be ordered to hire, rehire, or reinstate the aggrieved individual.

NEW SECTION. Sec. 6. MOTION TO QUASH, MODIFY, OR TERMINATE PAYROLL DEDUCTION--GROUNDS FOR RELIEF. (1) The offender subject to a payroll deduction under this chapter, may file a motion in superior court to quash, modify, or terminate the payroll deduction. The court may grant relief if:
   (a) It is demonstrated that the payroll deduction causes extreme hardship or substantial injustice; or
   (b) In cases where the court did not immediately order the issuance of a notice of payroll deduction at sentencing, that a court-ordered legal financial obligation payment was not more than thirty days past due in an amount equal to or greater than the amount payable for one month.

(2) Satisfactions by the offender of all past-due payments subsequent to the issuance of the notice of payroll deduction is not grounds to quash, modify, or terminate the notice of payroll deduction. If a notice of payroll deduction has been in operation for twelve consecutive months and the offender’s payment towards a court-ordered legal financial obligation is current, upon motion of the offender, the court may order the department to terminate the payroll deduction, unless the department can show good cause as to why the notice of payroll deduction should remain in effect.

NEW SECTION. Sec. 7. LEGAL FINANCIAL OBLIGATIONS--ORDER TO WITHHOLD AND DELIVER--ISSUE AND CONTENTS. (1) The department may issue to any person or entity an order to withhold and deliver property of any kind, including but not restricted to, earnings that are due, owing, or belonging to the offender, if the department has reason to believe that there is in the possession of such person or entity, property that is due, owing, or belonging to the offender. Such order to withhold and deliver may be issued when a court-ordered legal financial obligation payment is past due:
   (a) If an offender’s judgment and sentence or a subsequent order to pay includes a statement that other income-withholding action under this chapter may be taken without further notice to the offender.
If a judgment and sentence or a subsequent order to pay does not include the statement that other income-withholding action under this chapter may be taken without further notice to the offender but the department has served a notice on the offender stating such requirements and authorizations. The service shall have been made by personal service or any form of mail requiring a return receipt.

(2) The order to withhold and deliver shall:
   (a) Include the amount of the court-ordered legal financial obligation;
   (b) Contain a summary of moneys that may be exempt from the order to withhold and deliver and a summary of the civil liability upon failure to comply with the order; and
   (c) Be served by personal service or by any form of mail requiring a return receipt.

(3) The department shall also, on or before the date of service of the order to withhold and deliver, mail or cause to be mailed by any form of mail requiring a return receipt, a copy of the order to withhold and deliver to the offender at the offender's last known post office address, or, in the alternative, a copy of the order shall be personally served on the offender on or before the date of service of the order or within two days thereafter. The copy of the order shall be mailed or served together with an explanation of the right to petition for judicial review. If the copy is not mailed or served as this section provides, or if any irregularity appears with respect to the mailing or service, the superior court, in its discretion on motion of the offender promptly made and supported by affidavit showing that the offender has suffered substantial injury due to the failure to mail the copy, may set aside the order to withhold and deliver.

NEW SECTION. Sec. 8. LEGAL FINANCIAL OBLIGATIONS--ORDER TO WITHHOLD AND DELIVER--DUTIES OF PERSON OR ENTITY SERVED.

(1) A person or entity upon whom service has been made is hereby required to:

   (b) Furnish the appropriate clerk of the court a good and sufficient bond, satisfactory to the clerk, conditioned upon final determination of liability.

(3) Where money is due and owing under any contract of employment, expressed or implied, or is held by any person or entity subject to withdrawal by the offender, the money shall be delivered by remittance payable to the order of the appropriate clerk of the court.

(4) Delivery to the appropriate clerk of the court of the money or other property held or claimed shall satisfy the requirement and serve as full acquittance of the order to withhold and deliver.

(5) The person or entity required to withhold and deliver the earnings of a debtor under this action may deduct a processing fee from the remainder of the offender's earnings, even if the remainder would otherwise be exempt under section 11 of this act. The processing fee may not exceed:
(a) Ten dollars for the first disbursement to the appropriate clerk of the court; and
(b) One dollar for each subsequent disbursement.

(6) A person or entity shall be liable to the obligee in an amount equal to one hundred percent of the value of the court-ordered legal financial obligation that is the basis of the order to withhold and deliver, or the amount that should have been withheld, whichever amount is less, together with costs, interest, and reasonable attorneys' fees if that person or entity fails or refuses to deliver property under the order.

The department is authorized to issue a notice of debt pursuant to and to take appropriate action to collect the debt under this chapter if a judgment has been entered as the result of an action by the court against a person or entity based on a violation of this section.

(7) Persons or entities delivering money or property to the appropriate clerk of the court under this chapter shall not be held liable for wrongful delivery.

(8) Persons or entities withholding money or property under this chapter shall not be held liable for wrongful withholding.

Service on the main office shall be effective to attach the deposits of an offender in the financial institution and compensation payable for personal services due the offender from the financial institution. Service on a branch office shall be effective to attach the deposits, accounts, credits, or other personal property of the offender, excluding compensation payable for personal services, in the possession or control of the particular branch served.

Notwithstanding any other provision of this act, if the department initiates collection action against a joint bank account, with or without the right of survivorship, or any other funds which are subject to the community property laws of this state, notice shall be given to all affected parties that the account or funds are subject to potential withholding.

Such notice shall be by first class mail, return receipt required, or by personal service and be given at least twenty calendar days before withholding is made. Upon receipt of such notice, the nonobligated person shall have ten calendar days to file a petition with the department contesting the withholding of his or her interest in the account or funds. The department shall provide notice of the right of the filing of the petition with the notice provided in this paragraph. If the petition is not filed within the period provided for herein, the department is authorized to proceed with the collection action.

(2) The notice of debt may be personally served upon the offender or be mailed to the offender at his or her last known address by any form of mail requiring a return receipt, demanding payment within twenty days of the date of receipt.

(3) The notice of debt shall include:
(a) A statement of the total court-ordered legal financial obligation and the amount to be paid each month.
(b) A statement that earnings are subject to a notice of payroll deduction.
(c) A statement that earnings or property, or both, are subject to an order to withhold and deliver.
(d) A statement that the net proceeds will be applied to the satisfaction of the court-ordered legal financial obligation.

(4) Action to collect a court-ordered legal financial obligation by notice of payroll deduction or an order to withhold and deliver shall be lawful after twenty days from the date of service upon the offender or twenty days from the receipt or refusal by the offender of the notice of debt.

(5) The notice of debt will take effect only if the offender’s monthly court-ordered legal financial obligation payment is not paid when due, and an amount equal to or greater than the amount payable for one month is owned.

(6) The department shall not be required to issue or serve the notice of debt in order to enforce and collect a court-ordered legal financial obligation debt through either a notice of payroll deduction or an order to withhold and deliver if either the offender’s judgment and sentence or a subsequent order to pay includes a statement that income-withholding action under this chapter may be taken without further notice to the offender.

NEW SECTION. Sec. 11. LEGAL FINANCIAL OBLIGATIONS--CERTAIN AMOUNT OF EARNINGS EXEMPT FROM NOTICE OF PAYROLL DEDUCTION OR ORDER TO WITHHOLD AND DELIVER. Whenever a notice of payroll deduction or order to withhold and deliver is served upon a person or entity asserting a court-ordered legal financial obligation debt against earnings and there is in the possession of the person or entity any of the earnings, RCW 6.27.150 shall not apply, but seventy-five percent of the disposable earnings shall be exempt and may be disbursed to the offender whether such earnings are paid, or to be paid weekly, monthly, or at other intervals and whether there is due the offender earnings for one week or for a longer period. The notice of payroll deduction or order to withhold and deliver shall continue to operate and require said person or entity to withhold the nonexempt portion of earnings, at each succeeding earnings disbursement interval until the entire amount of the court-ordered legal financial obligation debt has been withheld.

ESSB 5411  Prime Sponsor, Committee on Agriculture & Water Resources: Making changes relating to flood damage. Reported by Committee on Natural Resources & Parks

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:
NEW SECTION. Sec. 1. (1) The legislature finds that:
(a) Floods pose threats to public health and safety including loss or endangerment to human life; damage to homes; damage to public roads, highways, bridges, and utilities; interruption of travel, communication, and commerce; damage to private and public property; degradation of water quality; damage to fisheries, fish hatcheries, and fish habitat; harm to livestock; destruction or degradation of environmentally sensitive areas;
erosion of soil, stream banks, and beds; and harmful accumulation of soil and debris in
the beds of streams or other bodies of water and on public and private lands;
(b) Alleviation of flood damage to property and to public health and safety is a
matter of public concern;
(c) Many land uses alter the pattern of runoff by decreasing the ability of upstream
lands to store waters, thus increasing the rate of runoff and attendant downstream impacts;
and
(d) Prevention of flood damage requires a comprehensive approach, incorporating
storm water management and basin-wide flood damage protection planning.
(2) It is the intent of the legislature to develop a coordinated and comprehensive
state policy to address the problems of flooding and the minimization of flood damage.
NEW SECTION. Sec. 2. A new section is added to chapter 90.03 RCW to read
as follows:
(1) A person unlawfully diverting, impounding, or altering the natural flow of
surface waters or water flowing in a natural watercourse shall be liable in an action for
property damages to a person whose property is damaged by such unlawful diversion,
impoundment, or alteration. Such person shall not be liable under this section where the
action was taken in compliance with a permit issued by a state agency or local
government.
(2) For purposes of this section, "natural watercourse" means a channel with a
defined bed and banks or a depression or swale that in its natural condition acts to drain
water flowing perennially or intermittently.
(3) This section shall not apply to the diversion and collection of water for irrigation
of agricultural lands, including the discharge of used irrigation water.
(4) This section shall apply only to actions taken subsequent to the effective date
of this act.
Sec. 3. RCW 36.70A.150 and 1990 1st ex.s. c 17 s 15 are each amended to read
as follows:
Each county and city that is required or chooses to prepare a comprehensive land
use plan under RCW 36.70A.040 shall identify lands useful for public purposes such as
utility corridors, transportation corridors, landfills, sewage treatment facilities, storm water
management facilities, recreation, schools, and other public uses. The county shall work
with the state and the cities within its borders to identify areas of shared need for public
facilities. The jurisdictions within the county shall prepare a prioritized list of lands
necessary for the identified public uses including an estimated date by which the
acquisition will be needed.
The respective capital acquisition budgets for each jurisdiction shall reflect the
jointly agreed upon priorities and time schedule.
Sec. 4. RCW 82.02.090 and 1990 1st ex.s. c 17 s 48 are each amended to read as
follows:
Unless the context clearly requires otherwise, the following definitions shall apply in
RCW 82.02.050 through 82.02.090:
(1) "Development activity" means any construction or expansion of a building,
structure, or use, any change in use of a building or structure, or any changes in the use
of land, that creates additional demand and need for public facilities.
(2) "Development approval" means any written authorization from a county, city,
or town which authorizes the commencement of development activity.
(3) "Impact fee" means a payment of money imposed upon development as a
condition of development approval to pay for public facilities needed to serve new growth
and development, and that is reasonably related to the new development that creates
additional demand and need for public facilities, that is a proportionate share of the cost
of the public facilities, and that is used for facilities that reasonably benefit the new
development. "Impact fee" does not include a reasonable permit or application fee.
(4) "Owner" means the owner of record of real property, although when real property is being purchased under a real estate contract, the purchaser shall be considered the owner of the real property if the contract is recorded.

(5) "Proportionate share" means that portion of the cost of public facility improvements that are reasonably related to the service demands and needs of new development.

(6) "Project improvements" mean site improvements and facilities that are planned and designed to provide service for a particular development project and that are necessary for the use and convenience of the occupants or users of the project, and are not system improvements. No improvement or facility included in a capital facilities plan approved by the governing body of the county, city, or town shall be considered a project improvement.

(7) "Public facilities" means the following capital facilities owned or operated by government entities: (a) Public streets and roads; (b) publicly owned parks, open space, and recreation facilities; (c) storm water management facilities; (d) school facilities; and (e) fire protection facilities in jurisdictions that are not part of a fire district.

(8) "Service area" means a geographic area defined by a county, city, town, or intergovernmental agreement in which a defined set of public facilities provide service to development within the area. Service areas shall be designated on the basis of sound planning or engineering principles.

(9) "System improvements" mean public facilities that are included in the capital facilities plan and are designed to provide service to service areas within the community at large, in contrast to project improvements.

NEW SECTION. Sec. 5. A new section is added to chapter 36.70A RCW to read as follows:

Within one year of the adoption of comprehensive plans by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, such jurisdictions shall adopt ordinances that require the provision of storm water management facilities concurrently with development approval and that meet the standards for level of service provided in the comprehensive plan.

Sec. 6. RCW 36.70A.070 and 1990 1st ex.s. c 17 s 7 are each amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140.

Each comprehensive plan shall include a plan, scheme, or design for each of the following:

1. A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, public utilities, public facilities, and other land uses. The land use element shall include density, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of ground water used for public water supplies. Where applicable, the land use element shall review drainage, flooding, and storm water run-off in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound. Where applicable the land use element shall incorporate storm water management programs adopted pursuant to the Puget Sound water quality management plan required under RCW 90.70.060.
(2) A housing element recognizing the vitality and character of established residential neighborhoods that: (a) Includes an inventory and analysis of existing and projected housing needs; (b) includes a statement of goals, policies, and objectives for the preservation, improvement, and development of housing; (c) identifies sufficient land for housing, including, but not limited to, government-assisted housing, housing for low-income families, manufactured housing, multifamily housing, and group homes and foster care facilities; and (d) makes adequate provisions for existing and projected needs of all economic segments of the community.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The rural element shall permit land uses that are compatible with the rural character of such lands and provide for a variety of rural densities.

(6) A transportation element that implements, and is consistent with, the land use element. The transportation element shall include the following subelements:

(a) Land use assumptions used in estimating travel;
(b) Facilities and services needs, including:
   (i) An inventory of air, water, and land transportation facilities and services, including transit alignments, to define existing capital facilities and travel levels as a basis for future planning;
   (ii) Level of service standards for all arterials and transit routes to serve as a gauge to judge performance of the system. These standards should be regionally coordinated;
   (iii) Specific actions and requirements for bringing into compliance any facilities or services that are below an established level of service standard;
   (iv) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;
   (v) Identification of system expansion needs and transportation system management needs to meet current and future demands;
(c) Finance, including:
   (i) An analysis of funding capability to judge needs against probable funding resources;
   (ii) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems;
   (iii) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;
(d) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;
(e) Demand-management strategies.
After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include increased public transportation service, ride sharing programs, demand management, and other transportation systems management strategies. For the purposes of this ((subsection -{(}}} section "concurrent with the development" shall mean that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years.

The transportation element described in this subsection, and the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems, must be consistent.

(7) The land use, capital facilities, and transportation elements of comprehensive plans shall incorporate and be consistent with applicable provisions of watershed management plans adopted pursuant to the Puget Sound water quality management plan.

NEW SECTION. Sec. 7. The purpose of sections 7 through 18 of this act is to permit counties to adopt a comprehensive system of flood control management and protection within drainage basins and to coordinate the flood control activities of the state, counties, cities, towns, and special districts within such drainage basins.

NEW SECTION. Sec. 8. A new section is added to chapter 86.12 RCW to read as follows:

The county legislative authority of any county may adopt a comprehensive flood control management plan for any drainage basin that is located wholly or partially within the county.

A comprehensive flood control management plan shall include the following elements:

(1) Designation of areas that are susceptible to periodic flooding, from inundation by bodies of water or surface water runoff, or both, including the river’s meander belt or floodway;

(2) Establishment of a comprehensive scheme of flood control protection and improvements for the areas that are subject to such periodic flooding, that includes: (a) Determining the need for, and desirable location of, flood control improvements to protect or preclude flood damage to structures, works, and improvements, based upon a cost/benefit ratio between the expense of providing and maintaining these improvements and the benefits arising from these improvements; (b) establishing the level of flood protection that each portion of the system of flood control improvements will be permitted; (c) identifying alternatives to in-stream flood control work; (d) identifying areas where flood waters could be directed during a flood to avoid damage to buildings and other structures; and (e) identifying sources of revenue that will be sufficient to finance the comprehensive scheme of flood control protection and improvements;

(3) Establishing land use regulations that preclude the location of structures, works, or improvements in critical portions of such areas subject to periodic flooding, including a river’s meander belt or floodway, and permitting only flood-compatible land uses in such areas;

(4) Establishing restrictions on construction activities in areas subject to periodic floods that require the flood proofing of those structures that are permitted to be constructed or remodeled; and

(5) Establishing restrictions on land clearing activities and development practices that exacerbate flood problems by increasing the flow or accumulation of flood waters,
or the intensity of drainage, on low-lying areas. Land clearing activities do not include forest practices as defined in chapter 76.09 RCW.

A comprehensive flood control management plan shall be subject to the minimum requirements for participation in the national flood insurance program, requirements exceeding the minimum national flood insurance program that have been adopted by the department of ecology for a specific flood plain pursuant to RCW 86.16.031, and rules adopted by the department of ecology pursuant to RCW 86.26.050 relating to flood plain management activities. When a county plans under chapter 36.70A RCW, it may incorporate the portion of its comprehensive flood control management plan relating to land use restrictions in its comprehensive plan and development regulations adopted pursuant to chapter 36.70A RCW.

NEW SECTION. Sec. 9. A new section is added to chapter 86.12 RCW to read as follows:

A comprehensive flood control management plan that includes an area within which a city or town, or a special district subject to chapter 85.38 RCW, is located shall be developed by the county with the participation of officials from the city, town, or special district, including conservation districts, and appropriate state and federal agencies. Where a comprehensive flood control management plan is being prepared for a river that is part of the common boundary between two counties, the county legislative authority of the county preparing the plan may allow participation by officials of the adjacent county.

A comprehensive flood control management plan shall be binding on each city, town, and special district that is located within an area included in the plan, except that the land use regulations and restrictions on construction activities contained in a comprehensive flood control management plan applicable to a city or town shall be minimum standards that the city or town may exceed.

NEW SECTION. Sec. 10. A new section is added to chapter 86.12 RCW to read as follows:

A county may create one or more advisory committees to assist in the development of proposed comprehensive flood control management plans and to provide general advice on flood problems. The advisory committees may include city and town officials, officials of special districts subject to chapter 85.38 RCW, conservation districts, appropriate state and federal officials, and officials of other counties and other interested persons.

Sec. 11. RCW 86.26.050 and 1988 c 36 s 64 are each amended to read as follows:

(1) State participation shall be in such preparation of comprehensive flood control management plans under this chapter and chapter 86.12 RCW, cost sharing feasibility studies for new flood control projects, and flood control maintenance projects as are affected with a general public and state interest, as differentiated from a private interest, and as are likely to bring about public benefits commensurate with the amount of state funds allocated thereto.

(2) No participation for flood control maintenance projects may occur with a county or other municipal corporation unless the director of ecology has approved the flood plain management activities of the county, city, or town having planning jurisdiction over the area where the flood control maintenance project will be, on the one hundred year flood plain surrounding such area.

The department of ecology shall adopt rules concerning the flood plain management activities of a county, city, or town that are adequate to protect or preclude flood damage to structures, works, and improvements, including the restriction of land uses within a river’s meander belt or floodway to only flood-compatible uses. Whenever the department has approved county, city, and town flood plain management activities, as a condition of receiving an allocation of funds under this chapter, each revision to the flood
plain management activities must be approved by the department of ecology, in
consultation with the department of fisheries and the department of wildlife.

No participation with a county or other municipal corporation for flood control
maintenance projects may occur unless the county engineer of the county within which
the flood control maintenance project is located certifies that a comprehensive flood
control management plan has been completed and adopted by the appropriate local
authority, or is being prepared for all portions of the river basin or other area, within
which the project is located in that county, that are subject to flooding with a frequency
of one hundred years or less.

(3) Participation for flood control maintenance projects and preparation of
comprehensive flood control management plans shall be made from grants made by the
department of ecology from the flood control assistance account. Comprehensive flood
control management plans, and any revisions to the plans, must be approved by the
department of ecology, in consultation with the department of fisheries and the department
of wildlife. The department may only grant financial assistance to local governments that,
in the opinion of the department, are making good faith efforts to take advantage of, or
comply with, federal and state flood control programs.

Sec. 12. RCW 86.26.090 and 1984 c 212 s 7 are each amended to read as follows:

The state shall participate with eligible local authorities in maintaining and restoring
the normal and reasonably stable river and stream channel alignment and the normal and
reasonably stable river and stream channel capacity for carrying off flood waters with a
minimum of damage from bank erosion or overflow of adjacent lands and property; and
in restoring, maintaining and repairing natural conditions, works and structures for the
maintenance of such conditions. State participation in the repair of flood control facilities
may include the enhancement of such facilities. The state shall likewise participate in the
restoration and maintenance of natural conditions, works or structures for the
protection of lands and other property from inundation or other damage by the sea or other bodies
of water. Funds from the flood control assistance account shall not be available for
maintenance of works or structures maintained solely for the detention or storage of flood
waters.

Sec. 13. RCW 86.26.100 and 1986 c 46 s 4 are each amended to read as follows:

State participation in the cost of any flood control maintenance project shall be
provided for by a written memorandum agreement between the director of ecology and
the legislative authority of the county submitting the request, which agreement, among
other things, shall state the estimated cost and the percentage thereof to be borne by the
state. In no instance, except on emergency projects, shall the state's share exceed one­
half the cost of the project, to include project planning and design. Grants for cost
sharing feasibility studies for new flood control projects shall not exceed fifty percent of
the matching funds that are required by the federal government, and shall not exceed
twenty-five percent of the total costs of the feasibility study. However, grants to prepare
a comprehensive flood control management plan required under RCW 86.26.050 shall not
exceed seventy-five percent of the full planning costs, but not to exceed amounts for
either purpose specified in rule and regulation by the department of ecology.

NEW SECTION. Sec. 14. A new section is added to chapter 86.15 RCW to read
as follows:

A board may not establish a zone including an area located in another zone unless
this area is removed from the other zone, or the other zone is dissolved, as part of the
action creating the new zone.

Sec. 15. RCW 86.15.178 and 1983 c 315 s 23 and 1983 c 167 s 212 are each
reenacted to read as follows:

(1) The supervisors may authorize the issuance of revenue bonds to finance any
flood control improvement or storm water control improvement. The bonds may be
issued by the supervisors in the same manner as prescribed in RCW 36.67.510 through
36.67.570 pertaining to counties. The bonds shall be issued on behalf of the zone or participating zones when the improvement has by the resolution, provided in RCW 86.15.110, been found to be of benefit to a zone or participating zones. The bonds may be in any form, including bearer bonds or registered bonds.

Each revenue bond shall state on its face that it is payable from a special fund, naming the fund and the resolution creating the fund.

Revenue bond principal, interest, and all other related necessary expenses shall be payable only out of the appropriate special fund.

A zone or participating zones shall have a lien for delinquent service charges, including interest thereon, against the premises benefited by a flood control improvement or storm water control improvement, which lien shall be superior to all other liens and encumbrances except general taxes and local and special assessments. The lien shall be effective and shall be enforced and foreclosed in the same manner as provided for sewerage liens of cities and towns by RCW 35.67.200 through 35.67.290.

(2) Notwithstanding subsection (1) of this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW.

Sec. 16. RCW 86.16.110 and 1987 c 109 s 23 are each reenacted and amended to read as follows:

Any person, association, or corporation, public, municipal, or private, feeling aggrieved at any order, decision, or determination of the department or director pursuant to this chapter, affecting his or her interest, may have the same reviewed pursuant to RCW 43.21B.310.

NEW SECTION. Sec. 17. The department of fisheries and the department of wildlife shall process hydraulic project applications submitted under RCW 75.20.100 or 75.20.103 within thirty days of receipt of the application. This requirement is only applicable for the repair and reconstruction of legally constructed dikes, seawalls, and other flood control structures damaged as a result of flooding or windstorms that occurred in November and December 1990.

NEW SECTION. Sec. 18. The following acts or parts of acts are each repealed:

(1) RCW 86.15.040 and 1961 c 153 s 4;
(2) RCW 86.16.027 and 1987 c 109 s 51 & 1935 c 159 s 9;

NEW SECTION. Sec. 19. The department of community development shall convene a state flood damage reduction commission composed of twenty-two members as follows: (1) Four members of the senate, two from each of the major caucuses, who are appointed by the president of the senate; (2) four members of the house of representatives, two from each of the major caucuses, who are appointed by the speaker of the house of representatives; (3) the director of the department of community development, or the director’s designee, who shall act as chair of the commission; (4) the director of the department of fisheries, or the director’s designee; (5) the director of the department of wildlife, or the director’s designee; (6) the director of the department of agriculture, or the director’s designee; (7) the director of the department of ecology, or the director’s designee; (8) the director of the department of transportation, or the director’s designee, (9) the commissioner of public lands, or the commissioner’s designee; (10) the director of the parks and recreation commission, or the director’s designee; (11)

The commission may seek assistance from appropriate federal agencies, including the United States army corp of engineers. The department of community development shall provide staff for the commission and pay the expenses of commission members who are appointed by the governor. The expenses of the legislative members shall be paid by the legislature. The expenses of the state agency officials, or their designees, shall be paid by their state agencies.

NEW SECTION. Sec. 20. The state flood damage reduction commission shall consider the development of comprehensive state flood policies and a comprehensive and coordinated flood damage reduction plan, including the following elements:

(1) Structural and nonstructural flood damage reduction projects;
(2) Forest practice effects on watershed hydraulics as determined by applicable research projects conducted under the timber-fish-wildlife cooperative monitoring, evaluation, and research program, including: (a) Percentage of watershed clearcut; (b) logging in very steep areas; and (c) logging in slide-prone areas;
(3) Growth management and land uses, including: (a) Flood plain development patterns; (b) loss of potential natural flood water storage areas; (c) future development restrictions in flood-prone areas; and (d) coordination with the state's growth management act and county flood comprehensive planning;
(4) Comprehensive watershed and flood damage management;
(5) Storm water runoff pattern alterations and accompanying liabilities;

SSB 5456 Prime Sponsor, Committee on Higher Education: Modifying tenure at community colleges. Reported by Committee on Higher Education

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Improving the quality of instruction at our state institutions of higher education is a priority of the legislature. Recently, many efforts have been made by the legislature, the colleges, and the higher education coordinating board to assess and improve the quality of instruction received by students at our state institutions. It is the intent of the legislature that, in conjunction with these various efforts, the process for the award of faculty tenure at community colleges should allow for a thorough review of the performance of faculty appointees prior to the granting of tenure.

Sec. 2. RCW 28B.50.851 and 1988 c 32 s 2 are each amended to read as follows:

As used in RCW 28B.50.850 through 28B.50.869:

(1) "Tenure" shall mean a faculty appointment for an indefinite period of time which may be revoked only for adequate cause and by due process;

(2) (a) "Faculty appointment", except as otherwise provided in subsection (2)(b) below, shall mean full time employment as a teacher, counselor, librarian or other position for which the training, experience and responsibilities are comparable as determined by the appointing authority, except administrative appointments; "faculty appointment" shall also mean department heads, division heads and administrators to the extent that such department heads, division heads or administrators have had or do have status as a teacher, counselor, or librarian; faculty appointment shall also mean employment on a reduced work load basis when a faculty member has retained tenure under RCW 28B.50.859;

(b) "Faculty appointment" shall not mean special faculty appointment as a teacher, counselor, librarian, or other position as enumerated in subsection (2)(a) of this section, when such employment results from special funds provided to a community college district from federal moneys or other special funds which other funds are designated as "special funds" by the state board for community college education: PROVIDED, That such "special funds" so designated by the state board for purposes of this section shall apply only to teachers, counselors and librarians hired from grants and service agreements and teachers, counselors and librarians hired in nonformula positions. A special faculty appointment resulting from such special financing may be terminated upon a reduction or elimination of funding or a reduction or elimination of program: PROVIDED FURTHER, That "faculty appointees" holding faculty appointments pursuant to subsections (1) or (2)(a) who have been subsequently transferred to positions financed from "special funds" pursuant to subsection (2)(b) and who thereafter lose their positions upon reduction or elimination of such "special funding" shall be entitled to be returned to previous status as faculty appointees pursuant to subsection (1) or (2)(a) depending upon their status prior to the "special funding" transfer. Notwithstanding the fact that tenure shall not be granted to anyone holding a special faculty appointment, the termination of any such faculty appointment prior to the expiration of the term of such faculty member's individual contract for any cause which is not related to elimination or
reduction of financing or the elimination or reduction of program shall be considered a termination for cause subject to the provisions of this chapter;

(3) "Probationary faculty appointment" shall mean a faculty appointment for a designated period of time which may be terminated without cause upon expiration of the probationer's terms of employment;

(4) "Probationer" shall mean an individual holding a probationary faculty appointment;

(5) "Administrative appointment" shall mean employment in a specific administrative position as determined by the appointing authority;

(6) "Appointing authority" shall mean the board of trustees of a community college district;

(7) "Review committee" shall mean a committee composed of the probationer's faculty peers or tenured faculty member's peers, a student representative, and the administrative staff of the community college: PROVIDED, That the majority of the committee shall consist of the probationer's faculty peers or tenured faculty member's peers.

Sec. 3. RCW 28B.50.852 and 1969 ex.s. c 283 s 34 are each amended to read as follows:

The appointing authority shall promulgate rules and regulations implementing RCW 28B.50.850 through 28B.50.869 and shall provide for the award of faculty tenure following a probationary period not to exceed ((three consecutive regular college years)) nine consecutive college quarters, excluding summer quarter and approved leaves of absence: PROVIDED, That tenure may be awarded at any time as may be determined by the appointing authority after it has given reasonable consideration to the recommendations of the review committee. Upon formal recommendation of the review committee and with the written consent of the probationary faculty member, the appointing authority may extend its probationary period for one, two, or three quarters, excluding summer quarter, beyond the maximum probationary period established herein. No such extension shall be made, however, unless the review committee's recommendation is based on its belief that the probationary faculty member needs additional time to complete satisfactorily a professional improvement plan already in progress and in the committee's further belief that the probationary faculty member will complete the plan satisfactorily. At the conclusion of any such extension, the appointing authority may award tenure unless the probationary faculty member has, in the judgment of the committee, failed to complete the professional improvement plan satisfactorily.

Sec. 4. RCW 28B.50.857 and 1969 ex.s. c 283 s 37 are each amended to read as follows:

Upon the decision not to renew a probationary faculty appointment, the appointing authority shall notify the probationer of such decision as soon as possible during the regular college year: PROVIDED, That such notice may not be given (subsequent to the last day of the winter quarter) later than one complete quarter, except summer quarter, before the expiration of the probationary faculty appointment.

NEW SECTION. Sec. 5. A new section is added to chapter 28B.50 RCW to read as follows:

(1) The effectiveness and performance of each tenured faculty member of a community college shall be reviewed and formally evaluated by a review committee at least once every fifteen regular college quarters in which the tenured faculty member is employed by the community college. The size, composition, and duties of the review committee defined in RCW 28B.50.851(7) may be altered for the purposes of this section with the mutual consent of the exclusive bargaining agent and the appointing authority.

(2) If, after the review conducted pursuant to subsection (1) of this section, the performance of the tenured faculty member is judged to be unsatisfactory by the review committee, the tenured faculty member may be required by the appointing authority to
implement a performance improvement plan for a period of no more than three regular college quarters, not including summer quarter.

(3) If, after the three quarter period in subsection (2) of this section, the tenured faculty member's performance is deemed to be unsatisfactory by the review committee, the appointing authority may revoke tenure and return the faculty member to a probationary faculty appointment. The appointing authority shall ensure due process for tenured faculty members in the decision to return any member to a probationary faculty appointment.

Service with such forces in a civilian capacity, or in any capacity wherein a person retained the right to terminate his or her service or to refuse full obedience to military superiors, shall not be the basis for eligibility for such benefits. Other similar organizations do not include any groups defined as "veterans" in RCW 41.04.005.

THIS IS NOT A LIEN: This notice is sent to you to tell you who is providing professional services, materials, or equipment for the improvement of your property and to advise you of the rights of these persons and your responsibilities. Also take note that laborers on your project may claim a lien without sending you a notice.

OWNER/ OCCUPIER OF EXISTING RESIDENTIAL PROPERTY
Under Washington law, those who work on or provide materials for the repair, remodel, or alteration of your owner-occupied principal residence and who are not paid, have a right to enforce their claim for payment against your property. This claim is known as a construction lien.

The law limits the amount that a lien claimant can claim against your property. Claims may only be made against that portion of the contract you have not yet paid to your prime contractor as of the time you received this notice. Review the back of this notice for more information and ways to avoid lien claims.

COMMERCIAL AND/OR NEW RESIDENTIAL PROPERTY

We have or will be providing labor, materials, professional services, or equipment for the improvement of your commercial or new residential project. In the event you or your contractor fail to pay us, we may file a lien against your property. A lien may be claimed for all materials, equipment, and professional services furnished after a date that is sixty days before this notice was mailed to you, unless the improvement to your property is the construction of a new single-family residence, then ten days before this notice was mailed to you.

This notice is sent to inform you that we have or will provide materials, professional services, or equipment for the repair, remodel, or alteration of your property. We expect to be paid by the person who ordered our services, but if we are not paid, we have the right to enforce our claim by filing a construction lien against your property.

COMMON METHODS TO AVOID CONSTRUCTION LIENS: There are several methods available to protect your property from construction liens. The following are two of the more commonly used methods.

DUAL PAYCHECKS (Joint Checks): When paying your contractor for services or materials, you may make checks payable jointly to the contractor and the firms furnishing you this notice.

LIEN RELEASES: You may require your contractor to provide lien releases signed by all the suppliers and subcontractors from whom you have received this notice. If they cannot obtain lien releases because you have not paid them, you may use the dual payee check method to protect yourself.

YOU SHOULD TAKE WHATEVER STEPS YOU BELIEVE NECESSARY TO PROTECT YOUR PROPERTY FROM LIENS.

(5) Every potential lien claimant providing professional services where no improvement as defined in section 1(5) (a) or (b) of this act has been commenced, and the professional services provided are not visible from an inspection of the real property shall record in the real property records of the county where the property is located a notice which shall contain the provider's name, address, telephone number, legal description of the property, the owner or reputed owner's name, and the general nature of the professional services provided. If such notice is not recorded, the lien claimed
shall be subordinate to the interest of any subsequent mortgagee and invalid as to the
interest of any subsequent purchaser who acts in good faith and for a valuable
consideration acquires an interest in the property prior to the commencement of an
improvement as defined in section 1(5) (a) or (b) of this act without notice of the
professional services being provided.

(6) A lien authorized by this chapter shall not be enforced unless the lien claimant
has complied with the provisions of this section.

NEW SECTION. Sec. 4. CONTRACTOR REGISTRATION. A contractor or
subcontractor required to be registered under chapter 18.27 RCW or licensed under
chapter 19.28 RCW, or otherwise required to be registered or licensed by law, shall be
deemed the construction agent of the owner for the purposes of establishing the lien
created by this chapter only if so registered or licensed. Persons dealing with contractors
or subcontractors may rely, for the purposes of this section, upon a certificate of
registration issued pursuant to chapter 18.27 RCW or license issued pursuant to chapter
19.28 RCW, or other certificate or license issued pursuant to law, covering the period
when the labor, professional services, material, or equipment shall be furnished, and the
lien rights shall not be lost by suspension or revocation of registration or license without
their knowledge. No lien rights described in this section shall be lost or denied by virtue
of the absence, suspension, or revocation of such registration or license with respect to
any contractor or subcontractor not in immediate contractual privity with the lien
claimant.

NEW SECTION. Sec. 5. PROPERTY SUBJECT TO LIEN. The lot, tract, or
parcel of land which is improved is subject to a lien to the extent of the interest of the
person for whom the labor, professional services, equipment, or materials were furnished,
as the court deems appropriate for satisfaction of the lien. If, for any reason, the title or
interest in the land upon which the improvement is situated cannot be subjected to the
lien, the court in order to satisfy the lien may order the sale and removal of the
improvement which is subject to the lien, from the land.

NEW SECTION. Sec. 6. PRIORITY OF LIEN. The claim of lien created by this
chapter upon any lot or parcel of land shall be prior to any lien, mortgage, deed of trust,
or other encumbrance which attached to the land after or was unrecorded at the time of
commencement of labor or professional services or first delivery of materials or
equipment by the lien claimant.

NEW SECTION. Sec. 7. RELEASE OF LIEN RIGHTS. Upon payment and
acceptance of the amount due to the lien claimant and upon demand of the owner or the
person making payment, the lien claimant shall immediately prepare and execute a release
of all lien rights for which payment has been made, and deliver the release to the person
making payment. In any suit to compel deliverance of the release thereafter in which the
court determines the delay was unjustified, the court shall, in addition to ordering the
deliverance of the release, award the costs of the action including reasonable attorneys’
fees and any damages.

NEW SECTION. Sec. 8. FRIVOLOUS CLAIM--PROCEDURE. (1) Any owner
of real property subject to a recorded notice of claim of lien under this chapter, or the
contractor or subcontractor who believes the claim of lien to be frivolous and made
without reasonable cause, or clearly excessive may apply to the superior court for the
county where the property, or some part thereof is located, for an order directing the lien
claimant to appear before the court at a time no earlier than six nor later than fifteen days
following the date of service of the application and order on the lien claimant, and show
cause, if any he or she has, why the lien claim should not be dismissed, with prejudice.

(2) The order shall clearly state that if the lien claimant fails to appear at the time
and place noted the lien claim shall be dismissed, with prejudice and that the lien
claimant shall be ordered to pay the costs requested by the applicant including reasonable
attorneys’ fees.
If no action to foreclose the lien claim has been filed, the clerk of the court shall assign a cause number to the application and obtain from the applicant a filing fee of thirty-five dollars. If an action has been filed to foreclose the lien claim, the application shall be made a part of that action.

If, following a full hearing on the matter, the court determines that the lien claim is frivolous and made without reasonable cause, or clearly excessive, the court shall issue an order dismissing the lien claim if frivolous or reducing the claim if clearly excessive, and awarding costs and reasonable attorneys' fees to the applicant to be paid by the lien claimant. If the court determines that the claim of lien is not frivolous and made with reasonable cause, and is not clearly excessive, the court shall issue and order so stating and awarding costs and reasonable attorneys' fees to the lien claimant to be paid by the applicant.

(5) Proceedings under this section shall not affect other rights and remedies available to the parties under this chapter or otherwise.

NEW SECTION. Sec. 9. RECORDING--TIME--CONTENTS OF LIEN. Every person claiming a lien under section 2 of this act shall record, in the county where the subject property is located, a notice of claim of lien not later than ninety days after the person has ceased to furnish labor, professional services, materials, or equipment or the last date on which employee benefit contributions were due. The notice of claim of lien:

(1) Shall state in substance and effect:
(a) The name, phone number, and address of the claimant;
(b) The first and last date on which the labor, professional services, materials, or equipment was furnished or employee benefit contributions were due;
(c) The name of the person indebted to the claimant;
(d) The street address, legal description, or other description reasonably calculated to identify, for a person familiar with the area, the location of the real property to be charged with the lien;
(e) The name of the owner or reputed owner of the property, if known, and, if not known, that fact shall be stated; and
(f) The principal amount for which the lien is claimed.
(2) Shall be signed by the claimant or some person authorized to act on his or her behalf who shall affirmatively state they have read the notice of claim of lien and believe the notice of claim of lien to be true and correct under penalty of perjury, and shall be acknowledged pursuant to chapter 64.08 RCW. If the claim has been assigned, the name of the assignee shall be stated. Where an action to foreclose the lien has been commenced such notice of claim of lien may be amended as pleadings may be by order of the court insofar as the interests of third parties are not adversely affected by such amendment. A claim of lien substantially in the following form shall be sufficient:

Notice is hereby given that on the ..... day of ..... (date of commencement of furnishing labor, professional services, materials, or equipment and the last date contributions to any type of employee benefit plan became due), ..... at the request of .........., .......... commenced to (perform labor, furnish professional services, materials, or equipment) upon .......... (here describe property subject to the lien) of which property the owner, or reputed owner, is .......... (or if the owner or reputed owner is not known, insert the word "unknown"), the (furnishing of labor, professional services, materials, or equipment) ceased on the ..... day of ............ that said (labor, professional services, material, or equipment) was of the value of .......... dollars, for which the undersigned claims a lien upon the property herein described for the sum of .......... dollars. (In case the claim has been assigned, add the words "and .......... is assignee of said claim", or claims, if several are united.)

.........., Claimant.
STATE OF WASHINGTON, COUNTY OF .......... ,ss.

being sworn, says: I am the claimant (or attorney of the claimant, or administrator, representative, or agent of the trustees of an employee benefit plan) above named; I have read or heard the foregoing claim, read and know the contents thereof, and believe the same to be true and correct under penalty of perjury.

Subscribed and sworn to before me this ..... day of .......... 

The period provided for recording the notice is a period of limitation and no action to foreclose a claim of lien shall be maintained unless the notice is recorded within the ninety-day period stated. The lien claimant shall give notice of the claim of lien to the owner or reputed owner by certified or registered mail or by personal service within fourteen days of the time the claim is recorded. Failure to do so results in a forfeiture of any right the claimant may have to attorneys’ fees and costs against the owner under section 18 of this act.

NEW SECTION. Sec. 10. SEPARATE RESIDENTIAL UNITS--TIME FOR FILING. When furnishing labor, professional services, materials, or equipment for the construction of two or more separate residential units, the time for filing claims of lien against each separate residential unit shall commence to run upon the cessation of the furnishing of labor, professional services, materials, or equipment on each residential unit, as provided in this chapter. For the purposes of this section a separate residential unit is defined as consisting of one residential structure together with any garages or other outbuildings appurtenant thereto.

NEW SECTION. Sec. 11. RECORDING--FEES. The county auditor shall record the notice of claim of lien in the same manner as deeds and other instruments of title are recorded under chapter 65.08 RCW. Notices of claim of lien for registered land need not be recorded in the Torrens register. The county auditor shall charge no higher fee for recording notices of claim of lien than other documents.

NEW SECTION. Sec. 12. LIEN--ASSIGNMENT. Any lien or right of lien created by this chapter and the right of action to recover therefor, shall be assignable so as to vest in the assignee all rights and remedies of the assignor, subject to all defenses thereto that might be made.

NEW SECTION. Sec. 13. CLAIMS--DESIGNATION OF AMOUNT DUE. In every case in which the notice of claim of lien is recorded against two or more separate pieces of property owned by the same person or owned by two or more persons jointly or otherwise, who contracted for the labor, professional services, material, or equipment for which the notice of claim of lien is recorded, the person recording the notice of claim of lien shall designate in the notice of claim of lien the amount due on each piece of property, otherwise the lien is subordinated to other liens that may be established under
this chapter. The lien of such claim does not extend beyond the amount designated as 
against other creditors having liens upon any of such pieces of property.

NEW SECTION. Sec. 14. LIEN--DURATION--PROCEDURAL LIMITATIONS.
No lien created by this chapter binds the property subject to the lien for a longer period 
than eight calendar months after the notice of claim of lien has been recorded unless an 
action is filed by the lien claimant within that time in the superior court in the county 
where the subject property is located to enforce the lien, and service is made upon the 
owner of the subject property within ninety days of the date of filing the action; or, if 
credit is given and the terms thereof are stated in the notice of claim of lien, then eight 
calendar months after the expiration of such credit; and in case the action is not 
prosecuted to judgment within two years after the commencement thereof, the court, in 
its discretion, may dismiss the action for want of prosecution, and the dismissal of the 
action or a judgment rendered thereon that no lien exists shall constitute a cancellation 
of the lien. This is a period of limitation, which shall be tolled by the filing of any 
petition seeking protection under Title Eleven, United States Code by an owner of any 
property subject to the lien established by this chapter.

NEW SECTION. Sec. 15. RIGHTS OF OWNER--RECOVERY OPTIONS. The 
lien claimant shall be entitled to recover upon the claim recorded the contract price after 
deducting all claims of other lien claimants to whom the claimant is liable, for furnishing 
labor, professional services, materials, or equipment; and in all cases where a notice of 
claim of lien shall be recorded under this chapter for labor, professional services, 
materials, or equipment supplied to any lien claimant, he or she shall defend any action 
brought thereupon at his or her own expense; and during the pendency of the action, the 
owner may withhold from the prime contractor the amount of money for which a claim is 
recorded by any subcontractor, supplier, or laborer; and in case of judgment against the 
owner or the owner's property, upon the lien, the owner shall be entitled to deduct the 
principal amount of the judgment from any amount due or to become due from him or 
her to the lien claimant plus such costs, including interest and attorneys' fees, as the court 
deems just and equitable, and he or she shall be entitled to recover back from the lien 
claimant the amount for which the lien is established in excess of any sum that may 
remain due from him or her to the lien claimant.

NEW SECTION. Sec. 16. BOND IN LIEU OF CLAIM. Any owner of real 
property subject to a recorded notice of claim of lien under this chapter, or the contractor 
or subcontractor who disputes the correctness or validity of the notice of claim of lien 
may record, either before or after the commencement of an action to enforce the lien, in 
the office of the county recorder or auditor in the county where the notice of claim of lien 
was recorded, a bond issued by a surety company authorized to issue surety bonds in the 
state. The surety shall be listed in the latest federal department of the treasury list of 
surety companies acceptable on federal bonds, published in the Federal Register, as 
authorized to issue bonds on United States government projects with an underwriting 
limitation, including applicable reinsurance, equal to or greater than the amount of the 
bond to be recorded. The bond shall contain a description of the notice of claim of lien 
and real property involved, and be in an amount equal to the greater of five thousand 
dollars or two times the amount of the lien claimed if it is ten thousand dollars or less, 
and in an amount equal to or greater than one and one-half times the amount of the lien 
if it is in excess of ten thousand dollars. If the notice of claim of lien affects more than 
one parcel of real property and is segregated to each parcel, the bond may be segregated 
the same as in the notice of claim of lien. A separate bond shall be required for each 
notice of claim of lien made by separate claimants. However, a single bond may be used 
to guarantee payment of amounts claimed by more than one lien claim by a single 
claimant so long as the amount of the bond meets the requirements of this section as 
applied to the aggregate sum of all claims by such claimant. The condition of the bond 
shall be to guarantee payment of any judgment upon the lien in favor of the lien claimant
entered in any action to recover the amount claimed in a notice of claim of lien, or on the claim asserted in the notice of claim of lien. The effect of recording a bond shall be to release the real property described in the notice of claim of lien from the lien and any action brought to recover the amount claimed. Unless otherwise prohibited by law, if no action is commenced to recover on a lien within the time specified in section 14 of this act, the surety shall be discharged from liability under the bond. If an action is timely commenced, then on payment of any judgment entered in the action or on payment of the full amount of the bond to the holder of the judgment, whichever is less, the surety shall be discharged from liability under the bond.

Nothing in this section shall in any way prohibit or limit the use of other methods, devised by the affected parties to secure the obligation underlying a claim of lien and to obtain a release of real property from a claim of lien.

NEW SECTION. Sec. 17. FORECLOSURE--PARTIES. The lien provided by this chapter, for which claims of lien have been recorded, may be foreclosed and enforced by a civil action in the court having jurisdiction in the manner prescribed for the judicial foreclosure of a mortgage. The court shall have the power to order the sale of the property. In any action brought to foreclose a lien, the owner shall be joined as a party. The lien claims of all persons who, prior to the commencement of the action, have legally recorded claims of lien against the same property, or any part thereof, shall not be foreclosed or affected unless they are joined as a party.

A person shall not begin an action to foreclose a lien upon any property while a prior action begun to foreclose another lien on the same property is pending, but if not made a party plaintiff or defendant to the prior action, he or she may apply to the court to be joined as a party thereto, and his or her lien may be foreclosed in the same action. The filing of such application shall toll the running of the period of limitation established by section 14 of this act until disposition of the application or other time set by the court. The court shall grant the application for joinder unless to do so would create an undue delay or cause hardship which cannot be cured by the imposition of costs or other conditions as the court deems just. If a lien foreclosure action is filed during the pendency of another such action, the court may, on its own motion or the motion of any party, consolidate actions upon such terms and conditions as the court deems just, unless to do so would create an undue delay or cause hardship which cannot be cured by the imposition of costs or other conditions. If consolidation of actions is not permissible under this section, the lien foreclosure action filed during the pendency of another such action shall not be dismissed if the filing was the result of mistake, inadvertence, surprise, excusable neglect, or irregularity. An action to foreclose a lien shall not be dismissed at the instance of a plaintiff therein to the prejudice of another party to the suit who claims a lien.

NEW SECTION. Sec. 18. RANK OF LIEN--APPLICATION OF PROCEEDS--ATTORNEYS’ FEES. (1) In every case in which different construction liens are claimed against the same property, the court shall declare the rank of such lien or class of liens, which liens shall be in the following order:
(a) Liens for the performance of labor;
(b) Liens for contributions owed to employee benefit plans;
(c) Liens for furnishing material, supplies, or equipment;
(d) Liens for subcontractors, including but not limited to their labor and materials; and
(e) Liens for prime contractors, or for professional services.
(2) The proceeds of the sale of property must be applied to each lien or class of liens in order of its rank and, in an action brought to foreclose a lien, pro rata among each claimant in each separate priority class. A personal judgment may be rendered against any party personally liable for any debt for which the lien is claimed. If the lien is established, the judgment shall provide for the enforcement thereof upon the property.
liable as in the case of foreclosure of judgment liens. The amount realized by such enforcement of the lien shall be credited upon the proper personal judgment. The deficiency, if any, remaining unsatisfied, shall stand as a personal judgment, and may be collected by execution against any party liable therefor.

(3) The court may allow the prevailing party in the action, whether plaintiff or defendant, as part of the costs of the action, the moneys paid for recording the notice of claim of lien, costs of title report, bond costs, and attorneys' fees and necessary expenses incurred by the attorney in the superior court, court of appeals, supreme court, or arbitration, as the court or arbitrator deems reasonable. Such costs shall have the priority of the class of lien to which they are related, as established by subsection (1) of this section.

(4) Real property against which a lien under this chapter is enforced may be ordered sold by the court and the proceeds deposited into the registry of the clerk of the court, pending further determination respecting distribution of the proceeds of the sale.

NEW SECTION. Sec. 19. EFFECT OF NOTE--PERSONAL ACTION PRESERVED. The taking of a promissory note or other evidence of indebtedness for any labor, professional services, material, or equipment furnished for which a lien is created by this chapter does not discharge the lien therefor, unless expressly received as payment and so specified therein.

Nothing in this chapter shall be construed to impair or affect the right of any person to whom any debt may be due for the furnishing of labor, professional services, material, or equipment to maintain a personal action to recover the debt against any person liable therefor.

NEW SECTION. Sec. 20. MATERIAL EXEMPT FROM PROCESS--EXCEPTION. Whenever material is furnished for use in the improvement of property subject to a lien created by this chapter, the material is not subject to attachment, execution, or other legal process to enforce any debt due by the purchaser of the material, except a debt due for the purchase money thereof, so long as in good faith, the material is about to be applied in the improvement of such property.

NEW SECTION. Sec. 21. LIEN--EFFECT ON COMMUNITY INTEREST. The claim of lien, when filed as required by this chapter, shall be notice to the husband or wife of the person who appears of record to be the owner of the property sought to be charged with the lien, and shall subject all the community interest of both husband and wife to the lien.

NEW SECTION. Sec. 22. NOTICE TO LENDER--WITHHOLDING OF FUNDS. Any lender providing interim or construction financing where there is not a payment bond of at least fifty percent of the amount of construction financing shall observe the following procedures and the rights and liabilities of the lender and potential lien claimant shall be affected as follows:

(1) Any potential lien claimant who has not received a payment within five days after the date required by their contract, invoice, employee benefit plan agreement, or purchase order may within thirty-five days of the date required for payment of the contract, invoice, employee benefit plan agreement, or purchase order, file a notice as provided in subsections (2) and (3) of this section of the sums due and to become due, for which a potential lien claimant may claim a lien under this chapter.

(2) The notice shall be signed by the potential lien claimant or some person authorized to act on his or her behalf who shall affirmatively state under penalty of perjury, they have read the notice and believe it to be true and correct.

(3) The notice shall be filed in writing with the lender at the office administering the interim or construction financing, with a copy furnished to the owner and appropriate prime contractor. The notice shall state in substance and effect as follows:

(4) After the receipt of the notice, the lender shall withhold from the next and subsequent draws the amount claimed to be due as stated in the notice. Alternatively, the lender may obtain from the prime contractor or borrower a payment bond for the benefit of the potential lien claimant in an amount sufficient to cover the amount stated in the potential lien claimant's notice. The lender shall be obligated to withhold amounts only to the extent that sufficient interim or construction financing funds remain undisbursed as of the date the lender receives the notice.

(5) Sums so withheld shall not be disbursed by the lender, except by the written agreement of the potential lien claimant, owner, and prime contractor in such form as may be prescribed by the lender, or the order of a court of competent jurisdiction.

(6) In the event a lender fails to abide by the provisions of subsections (4) and (5) of this section, then the mortgage, deed of trust, or other encumbrance securing the lender will be subordinated to the lien of the potential lien claimant to the extent of the interim or construction financing wrongfully disbursed, but in no event more than the amount stated in the notice plus costs as fixed by the court, including reasonable attorneys' fees.

(7) Any potential lien claimant shall be liable for any loss, cost, or expense, including reasonable attorneys' fees and statutory costs, to a party injured thereby arising out of any unjust, excessive, or premature notice filed under purported authority of this section. "Notice" as used in this subsection does not include notice given by a potential lien claimant of the right to claim liens under this chapter where no actual claim is made.

(8)(a) Any owner of real property subject to a notice to real property lender under this section, or the contractor or subcontractor who believes the claim that underlies the notice is frivolous and made without reasonable cause, or clearly excessive may apply to the superior court for the county where the property, or some part thereof is located, for an order commanding the potential lien claimant who issued the notice to the real property lender to appear before the court at a time no earlier than six nor later than fifteen days from the date of service of the application and order on the potential lien claimant, and show cause, if any he or she has, why the notice to real property lender should not be declared void.

(b) The order shall clearly state that if the potential lien claimant fails to appear at the time and place noted, the notice to lender shall be declared void and that the potential lien claimant issuing the notice shall be ordered to pay the costs requested by the applicant including reasonable attorneys' fees.

(c) The clerk of the court shall assign a cause number to the application and obtain from the applicant a filing fee of thirty-five dollars.

(d) If, following a full hearing on the matter, the court determines that the claim upon which the notice to real property lender is based is frivolous and made without reasonable cause, or clearly excessive, the court shall issue an order declaring the notice...
to real property lender void if frivolous, or reducing the amount stated in the notice if clearly excessive, and awarding costs and reasonable attorneys’ fees to the applicant to be paid by the person who issued the notice. If the court determines that the claim underlying the notice to real property lender is not frivolous and made with reasonable cause, and is not clearly excessive, the court shall issue an order so stating and awarding costs and reasonable attorneys’ fees to the issuer of the notice to be paid by the applicant.

(e) Proceedings under this subsection shall not affect other rights and remedies available to the parties under this chapter or otherwise.

NEW SECTION. Sec. 23. FINANCIAL ENCUMBRANCES--PRIORITIES. Except as otherwise provided in section 6 or 22 of this act, any mortgage or deed of trust shall be prior to all liens, mortgages, deeds of trust, and other encumbrances which have not been recorded prior to the recording of the mortgage or deed of trust to the extent of all sums secured by the mortgage or deed of trust regardless of when the same are disbursed or whether the disbursements are obligatory.

NEW SECTION. Sec. 24. AVAILABILITY OF INFORMATION. The prime contractor shall immediately supply the information listed in RCW 19.27.095(2) to any person who has contracted to supply materials, equipment, or professional services or who is a subcontractor on the improvement, as soon as the identity and mailing address of such subcontractor, supplier, or professional is made known to the prime contractor either directly or through another subcontractor, supplier, or professional.

NEW SECTION. Sec. 25. LIBERAL CONSTRUCTION. RCW 19.27.095, 60.04.230, and sections 1 through 24 of this act are to be liberally construed to provide security for all parties intended to be protected by their provisions.

NEW SECTION. Sec. 26. CAPTIONS--NOT PART OF LAW. Section headings as used in sections 1 through 26 of this act do not constitute any part of the law.

Sec. 27. RCW 19.27.095 and 1987 c 104 s 1 are each amended to read as follows:

(1) A valid and fully complete building permit application for a structure, that is permitted under the zoning or other land use control ordinances in effect on the date of the application shall be considered under the building permit ordinance in effect at the time of application, and the zoning or other land use control ordinances in effect on the date of application.

(2) The requirements for a fully completed application shall be defined by local ordinance but for any construction project costing more than five thousand dollars the application shall include, at a minimum:

(4) The information required by subsection (2) of this section and information supplied by the applicant after the permit is issued under subsection (3) of this section
shall be kept on record in the office where building permits are issued and made available to any person on request. If a copy is requested, a reasonable charge may be made.

(5) If any of the information required by subsection (2)(d) of this section is not available at the time the application is submitted, the applicant shall so state and the application shall be processed forthwith and the permit issued as if the information had been supplied, and the lack of the information shall not cause the application to be deemed incomplete for the purposes of vesting under subsection (1) of this section. However, the applicant shall provide the remaining information as soon as the applicant can reasonably obtain such information.

(6) The limitations imposed by this section shall not restrict conditions imposed under chapter 43.21C RCW.

Sec. 28. RCW 60.04.230 and 1984 c 202 s 3 are each amended to read as follows:

SSB 5501 Prime Sponsor, Committee on Environment & Natural Resources: Concerning license renewal for commercial salmon fishers. Reported by Committee on Fisheries & Wildlife

MAJORITY recommendation: Do pass with the following amendment:

"NEW SECTION. Sec. 1. The fishing capacity of the non-treaty salmon industry in the state of Washington may exceed that required to harvest non-treaty salmon allocations. This overcapacity can negatively impact the economic stability of the salmon fishing industry and in some instances impedes orderly fisheries. The legislature finds that it is in the best interest of the long term economic stability of the salmon industry to determine the optimum number of commercial salmon licenses that should be available.

NEW SECTION. Sec. 2. The director of the department of fisheries shall, in close cooperation with the salmon fishing industry, investigate the requirements for issuance, retention, and transfer of commercial salmon licenses, shall determine the optimum number of such licenses for each existing gear type and licensing area, and shall determine the best means for attaining that optimum number. The director shall, in making this determination, consider the impacts of all non-treaty fisheries on weak stocks of salmon including those originating in Hood Canal. The director shall also consider possible environmental factors contributing to the declining fishery in Hood Canal. The director shall specifically evaluate the following issues in Hood Canal:

(1) Whether commercial salmon fisheries in Hood Canal should be restricted to certain areas;
(2) Whether guidelines pertaining to depth of nets and distance from the shoreline for vessels or skiffs are necessary; and
(3) Whether more effective methods of minimizing incidental catch in Hood Canal of blackmouth during commercial net fisheries and of coho salmon during the chum salmon fishery are needed.

Based on this evaluation, the director shall determine whether fishing regulations for Hood Canal commercial salmon fisheries should be modified, and how to minimize environmental damage to the bottom and aquatic plant life of Hood Canal.

NEW SECTION. Sec. 3. The director of the department of fisheries shall, in determining the number of licenses that should be issued, consider the impact of commercial incidental catch of fish on the recreational fishery. The director shall evaluate the need for a study for observing and documenting incidental catch of fish in non-treaty commercial fisheries. If a study is determined to be necessary, the director shall develop a study plan for observing and documenting incidental catch. The director shall initiate discussions with tribal representatives concerning evaluation of the incidental catch in tribal fisheries. The department shall present its findings and recommendations under sections 2 and 3 of this act to the legislature on or before December 1, 1991.

The director shall invite members of the house fisheries and wildlife committee and the senate committee on environment and natural resources to attend meetings in which these recommendations are being developed."

Prime Sponsor, Senator McCaslin: Prohibiting connection of a sewer without approval of sewer district. Reported by Committee on Local Government

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 56.08 RCW to read as follows:

It is unlawful and a misdemeanor to make, or cause to be made, or to maintain any sewer connection with any sewer of any sewer district, or with any sewer which is connected directly or indirectly with any sewer of any sewer district without having permission from the sewer district.

Sec. 2. RCW 56.12.015 and 1990 c 259 s 23 are each amended to read as follows:

If a three-member board of commissioners of any sewer district with any number of customers determines by resolution ((and approves by unanimous vote of the board)) that it would be in the best interest of the district to increase the number of commissioners from three to five, or if the board of a sewer district with any number of customers is presented with a petition signed by ten percent of the registered voters resident within the district who voted in the last general municipal election calling for an increase in the number of commissioners of the district, the board shall submit a resolution to the county auditor requesting that an election be held. Upon receipt of the resolution, the county auditor shall call a special election to be held within the sewer district in accordance with RCW 29.13.010 and 29.13.020, at which election a proposition in substantially the following language shall be submitted to the voters:

Shall the Board of Commissioners of ..... (Name and/or No. of sewer district) ..... be increased from three to five members?

Yes ..... 
No ..... 

If the proposition receives a majority approval at the election the board of commissioners of the sewer district shall be increased to five members. In any sewer district with more than ten thousand customers, if a three-member board of commissioners determines by resolution and approves by unanimous vote of the board that it would be in the best interest of the district to increase the number of commissioners from three to five, the number of commissioners shall be so increased, without an election, unless within ninety days of adoption of that resolution, a petition requesting an election and signed by at least ten percent of the registered voters who voted in the last general municipal election is filed with the board. If such a petition is received, the board shall submit the resolution and the petition to the county auditor, who shall call a special election in the manner described in this section and in accordance with the provisions of RCW 29.13.010 and 29.13.020.

The two positions created on boards of sewer commissioners by this section shall be filled initially as for a vacancy, except that the appointees shall draw lots, one appointee to serve until the next general sewer district election after the appointment, at which two commissioners shall be elected for six-year terms, and the other appointee to
1986 JOURNAL OF THE HOUSE

serve until the second general sewer district election after the appointment, at which two commissioners shall be elected for six-year terms.

Sec. 3. RCW 56.20.030 and 1986 c 256 s 2 are each amended to read as follows:

Whether the improvement is initiated by petition or resolution, the board shall conduct a public hearing at the time and place designated in the notice to property owners. At this hearing the board shall hear objections from any person affected by the formation of the local district and may make such changes in the boundaries of the district or such modifications in plans for the proposed improvement as shall be deemed necessary. The board may not change the boundaries of the district to include property not previously included in it without first passing a new resolution of intention and giving a new notice to property owners in the manner and form and within the time provided in this chapter for the original notice.

After the hearing and the expiration of the ten-day period for filing written protests, the commissioners shall have jurisdiction to overrule protests and proceed with any such improvement initiated by petition or resolution. The jurisdiction of the commissioners to proceed with any improvement initiated by resolution shall be divested: (a) By protests filed with the secretary of the board (before the public hearing) no later than ten days after the hearing, signed by the owners, according to the records of the county auditor, of at least forty percent of the area of land within the proposed local district or (b) by the commissioners not adopting a resolution ordering the improvement at a public hearing held not more than ninety days from the day the resolution of intention was adopted, unless the commissioners file with the county auditor a copy of the notice required by RCW 56.20.020, and in no event at a hearing held more than two years from the day the resolution of intention was adopted.

If the commissioners find that the district should be formed, they shall by resolution form the district and order the improvement. After execution of the resolution forming the district, the secretary of the board of commissioners shall publish, in a legal publication that serves the area subject to the district, a notice setting forth that a resolution has been passed forming the district and that a lawsuit challenging the jurisdiction or authority of the sewer district to proceed with the improvement and creating the district must be filed, and notice to the sewer district served, within thirty days of the publication of the notice. The notice shall set forth the nature of the appeal. Property owners bringing the appeal shall follow the procedures as set forth under appeal under RCW 56.20.080. Whenever a resolution forming a district has been adopted, the formation is conclusive in all things upon all parties, and cannot be contested or questioned in any manner in any proceeding whatsoever by any person not commencing a lawsuit in the manner and within the time provided in this section, except for lawsuits made under RCW 56.20.080.

Following an appeal, if it is unsuccessful or if no appeal is made under RCW 56.20.080, the commissioners may proceed with the improvement and provide the general funds of the sewer district to be applied thereto, adopt detailed plans of the utility local improvement district and declare the estimated cost thereof, acquire all necessary land therefor, pay all damages caused thereby, and commence in the name of the sewer district such eminent domain proceedings and supplemental assessment or reassessment proceedings to pay all eminent domain awards as may be necessary to entitle the district to proceed with the work. The board of sewer commissioners shall proceed with the work and file with the county treasurer of each county in which the real property is to be assessed its roll levying special assessments in the amount to be paid by special assessment against the property situated within the local improvement district in proportion to the special benefits to be derived by the property therein from the improvement.

Sec. 4. RCW 56.20.080 and 1971 ex.s. c 272 s 11 are each amended to read as follows:
The decision of the sewer commission upon any objections made within the time and in the manner herein prescribed, may be reviewed by the superior court upon an appeal thereto taken in the following manner. Such appeal shall be made by filing written notice of appeal with the secretary of said sewer commission and with the clerk of the superior court in the county in which the real property is situated within ten days after publication of a notice that the resolution confirming such assessment roll has been adopted, and such notice of appeal shall describe the property and set forth the objections of such appellant to such assessment. Within ten days from the filing of such notice of appeal with the clerk of the superior court, the appellant shall file with the clerk of said court, a transcript consisting of the assessment roll and his or her objections thereto, together with the resolution confirming such assessment roll and the record of the sewer district commission with reference to said assessment, which transcript, upon payment of the necessary fees therefor, shall be furnished by such secretary of said sewer commission and by him or her certified to contain full, true and correct copies of all matters and proceedings required to be included in such transcript. Such fees shall be the same as the fees payable to the county clerk for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions. At the time of the filing of the notice of appeal with the clerk of the superior court a sufficient bond in the penal sum of two hundred dollars, with sureties thereon as provided by law for appeals in civil cases, shall be filed conditioned to prosecute such appeal without delay, and if unsuccessful, to pay all costs to which the sewer district is put by reason of such appeal. The court may order the appellant upon application therefor, to execute and file such additional bond or bonds as the necessity of the case may require. Within three days after such transcript is filed in the superior court, as aforesaid, the appellant shall give written notice to the secretary of such sewer district, that such transcript is filed. Said notice shall state a time, not less than three days from the service thereof, when the appellant will call up the said cause for hearing. The superior court shall, at said time or at such further time as may be fixed by order of the court, hear and determine such appeal without a jury, and such cause shall have preference over all civil causes pending in said court, except proceedings under an act relating to eminent domain in such sewer district and actions of forcible entry and detainer. The judgment of the court shall confirm, unless the court shall find from the evidence that such assessment is either founded upon a fundamentally wrong basis or a decision of the council or other legislative body thereon was arbitrary or capricious, or both; in which event the judgment of the court shall correct, modify or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the decision of the court shall be filed with the officer who shall have the custody of the assessment roll, and he or she shall modify and correct such assessment roll in accordance with such decision. An appeal shall lie to the supreme court or the court of appeals from the judgment of the superior court, as in other cases, however, such appeal must be taken within fifteen days after the date of the entry of the judgment of such superior court, and the record and opening brief of the appellant in said cause shall be filed in the supreme court or the court of appeals within sixty days after the appeal shall have been taken by notice as provided in this title. The time for filing such record and serving and filing of briefs in this section prescribed may be extended by order of the superior court, or by stipulation of the parties concerned. The supreme court or the court of appeals on such appeal may correct, change, modify, confirm or annul the assessment insofar as the same affects the property of the appellant. A certified copy of the order of the supreme court or the court of appeals upon such appeal shall be filed with the officer having custody of such assessment roll, who shall thereupon modify and correct such assessment roll in accordance with such decision.

NEW SECTION. Sec. 5. A new section is added to chapter 57.08 RCW to read as follows:
It is unlawful and a misdemeanor to make, or cause to be made, or to maintain any sewer connection with any sewer of any water district, or with any sewer which is connected directly or indirectly with any sewer of any water district without having permission from the water district.

Sec. 6. RCW 57.12.015 and 1990 c 259 s 29 are each amended to read as follows:

In the event a three-member board of commissioners of any water district with any number of customers determines by resolution (and approves by unanimous vote of the board) that it would be in the best interest of the district to increase the number of commissioners from three to five, or in the event the board of a district with any number of customers is presented with a petition signed by ten percent of the registered voters resident within the district who voted in the last general municipal election calling for an increase in the number of commissioners of the district, the board shall submit a resolution to the county auditor requesting that an election be held. Upon receipt of the resolution, the county auditor shall call a special election to be held within the water district in accordance with RCW 29.13.010 and 29.13.020, at which election a proposition in substantially the following language shall be submitted to the voters:

Shall the Board of Commissioners of (Name and/or No. of water district) be increased from three to five members?

Yes ....

No ....

If the proposition receives a majority approval at the election the board of commissioners of the water district shall be increased to five members. In any water district with more than ten thousand customers, if a three-member board of commissioners determines by resolution and approves by unanimous vote of the board that it would be in the best interest of the district to increase the number of commissioners from three to five, the number of commissioners shall be so increased, without an election, unless within ninety days of adoption of that resolution a petition requesting an election and signed by at least ten percent of the registered voters who voted in the last general municipal election is filed with the board. If such a petition is received, the board shall submit the resolution and the petition to the county auditor, who shall call a special election in the manner described in this section and in accordance with the provisions of RCW 29.13.010 and 29.13.020.

The two positions created on boards of water commissioners by this section shall be filled initially as for a vacancy, except that the appointees shall draw lots, one appointee to serve until the next general water district election after the appointment, at which two commissioners shall be elected for six-year terms, and the other appointee to serve until the second general water district election after the appointment, at which two commissioners shall be elected for six-year terms.

Sec. 7. RCW 57.16.060 and 1986 c 256 s 3 are each amended to read as follows:

Local improvement districts or utility local improvement districts to carry out the whole or any portion of the general comprehensive plan of improvements or plan providing for additions and betterments to the original general comprehensive plan previously adopted may be initiated either by resolution of the board of water commissioners or by petition signed by the owners according to the records of the office of the applicable county auditor of at least fifty-one percent of the area of the land within the limits of the local improvement district to be created.

In case the board of water commissioners desires to initiate the formation of a local improvement district or a utility local improvement district by resolution, it shall first pass a resolution declaring its intention to order such improvement, setting forth the nature and territorial extent of such proposed improvement, designating the number of the proposed local improvement district or utility local improvement district, and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed
In case any such local improvement district or utility local improvement district is initiated by petition, such petition shall set forth the nature and territorial extent of the proposed improvement requested to be ordered and the fact that the signers thereof are the owners according to the records of the applicable county auditor of at least fifty-one percent of the area of land within the limits of the local improvement district or utility local improvement district to be created. Upon the filing of such petition the board shall determine whether the petition is sufficient, and the board's determination thereof shall be conclusive upon all persons. No person may withdraw his or her name from the petition after it has been filed with the board of water commissioners. If the board finds the petition to be sufficient, it shall proceed to adopt a resolution declaring its intention to order the improvement petitioned for, setting forth the nature and territorial extent of the improvement, designating the number of the proposed local district and describing the boundaries thereof, stating the estimated cost and expense of the improvement and the proportionate amount thereof which will be borne by the property within the proposed local district, and fixing a date, time, and place for a public hearing on the formation of the proposed local district.

Notice of the adoption of the resolution of intention, whether the resolution was adopted on the initiative of the board or pursuant to a petition of the property owners, shall be published in at least two consecutive issues of a newspaper of general circulation in the proposed local district, the date of the first publication to be at least fifteen days prior to the date fixed by such resolution for hearing before the board of water commissioners. Notice of the adoption of the resolution of intention shall also be given each owner or reputed owner of any lot, tract, parcel of land, or other property within the proposed improvement district by mailing the notice at least fifteen days before the date fixed for the public hearing to the owner or reputed owner of the property as shown on the tax rolls of the county treasurer of the county in which the real property is located at the address shown thereon. Whenever such notices are mailed, the water commissioners shall maintain a list of such reputed property owners, which list shall be kept on file at a location within the water district and shall be made available for public perusal. The notices shall refer to the resolution of intention and designate the proposed improvement district by number. The notices shall also set forth the nature of the proposed improvement, the total estimated cost, the proportion of total cost to be borne by assessments, the date, time, and place of the hearing before the board of water commissioners. In the case of improvements initiated by resolution, the notice shall also:

1. State that all persons desiring to object to the formation of the proposed district must file their written protests with the secretary of the board of water commissioners no later than ten days after the public hearing;
2. State that if owners of at least forty percent of the area of land within the proposed district file written protests with the secretary of the board, the power of the water commissioners to proceed with the creation of the proposed district shall be divested;
3. Provide the name and address of the secretary of the board; and
4. State the hours and location within the water district where the names of the property owners within the proposed district are kept available for public perusal. In the case of the notice given each owner or reputed owner by mail, the notice shall set forth the estimated amount of the cost and expense of such improvement to be borne by the particular lot, tract, parcel of land, or other property.

Whether the improvement is initiated by petition or resolution, the board shall conduct a public hearing at the time and place designated in the notice to property owners. At this hearing the board shall hear objections from any person affected by the formation of the local district and may make such changes in the boundaries of the district or such modifications in the plans for the proposed improvement as shall be deemed necessary. The board may not change the boundaries of the district to include
property not previously included in it without first passing a new resolution of intention and giving a new notice to property owners in the manner and form and within the time provided in this chapter for the original notice.

After the hearing and the expiration of the ten-day period for filing written protests, the commissioners shall have jurisdiction to overrule protests and proceed with any such improvement initiated by petition or resolution. The jurisdiction of the commissioners to proceed with any improvement initiated by resolution shall be divested by protests filed with the secretary of the board (before the public hearing) no later than ten days after the hearing, signed by the owners, according to the records of the applicable county auditor, of at least forty percent of the area of land within the proposed local district.

If the commissioners find that the district should be formed, they shall by resolution form the district and order the improvement. After execution of the resolution forming the district, the secretary of the board of commissioners shall publish, in a legal publication that serves the area subject to the district, a notice setting forth that a resolution has been passed forming the district and that a lawsuit challenging the jurisdiction or authority of the water district to proceed with the improvement and creating the district must be filed, and notice to the water district served, within thirty days of the publication of the notice. The notice shall set forth the nature of the appeal. Property owners bringing the appeal shall follow the procedures as set forth under RCW 57.16.090. Whenever a resolution forming a district has been adopted, the formation is conclusive in all things upon all parties, and cannot be contested or questioned in any manner in any proceeding whatsoever by any person not commencing a lawsuit in the manner and within the time provided in this section, except for lawsuits made under RCW 57.16.090.

Following an appeal, if it is unsuccessful or if no appeal is made under RCW 57.16.090, the commissioners may proceed with the improvement and provide the general funds of the water district to be applied thereto, adopt detailed plans of the local improvement district or utility local improvement district and declare the estimated cost thereof, acquire all necessary land therefor, pay all damages caused thereby, and commence in the name of the water district such eminent domain proceedings as may be necessary to entitle the district to proceed with the work. The board shall thereupon proceed with the work and file with the county treasurer of the county in which the real property is located its roll levying special assessments in the amount to be paid by special assessment against the property situated within the improvement district in proportion to the special benefits to be derived by the property therein from the improvement.

Sec. 8. RCW 57.16.090 and 1988 c 202 s 53 are each amended to read as follows:

The decision of the water district commission upon any objections made within the time and in the manner herein prescribed, may be reviewed by the superior court upon an appeal thereto taken in the following manner. Such appeal shall be made by filing written notice of appeal with the secretary of said water district commission and with the clerk of the superior court in the county in which the real property is situated within ten days after publication of a notice that the resolution confirming such assessment roll has been adopted, and such notice of appeal shall describe the property and set forth the objections of such appellant to such assessment; and within ten days from the filing of such notice of appeal with the clerk of the superior court, the appellant shall file with the clerk of the court, a transcript consisting of the assessment roll and the appellant’s objections thereto, together with the resolution confirming such assessment roll and the record of the water district commission with reference to the assessment, which transcript, upon payment of the necessary fees therefor, shall be furnished by the secretary of the water district commission certified by the secretary to contain full, true and correct copies of all matters and proceedings required to be included in such transcript. Such fees shall be the same as the fees payable to the county clerk for the preparation and certification of transcripts on appeal to the supreme court or the court of appeals in civil actions. At

ESSB 5555 Prime Sponsor, Committee on Ways & Means: Providing assistance for timber harvesting areas. Reported by Committee on Trade & Economic Development

MAJORITY recommendation: Do pass with the following amendments:  
Strike everything after the enacting clause and insert the following:  
NEW SECTION. Sec. 1. FINDINGS AND INTENT. The legislature finds that:  
(1) The economic health and well-being of timber-dependent communities is of substantial public concern. The significant reduction in annual timber harvest levels likely will result in reduced economic activity and persistent unemployment and underemployment over time, which would be a serious threat to the safety, health, and welfare of residents of the timber-dependent communities, decreasing the value of private investments and jeopardizing the sources of public revenue.  
(2) The state is experiencing a dual economy, where growth is occurring rapidly in some areas and is occurring slowly or not at all in other areas. This uneven growth rate across the state is causing some areas to suffer negative impacts from too much growth while other areas experience difficulty in creating adequate economic development. Inadequate economic development is a serious threat to the public safety, health, and welfare of a community. The state has an interest in encouraging growth state-wide, which reduces the negative impacts of growth in rapidly growing areas and assists areas of the state in need of economic development.  
(3) Timber-dependent communities are most often located in areas that are experiencing little or no economic growth, creating an even greater risk to the health, safety, and welfare of these communities. The ability to remedy problems caused by the substantial reduction in harvest activity is beyond the power and control of the regulatory process and influence of the state, and the ordinary operations of private enterprise without additional governmental assistance are insufficient to adequately remedy the resulting problems of poverty and unemployment.
(4) The revitalization and diversification of the economies of timber-dependent communities require the stimulation of private investment, the development of new business ventures, the provision of capital to ventures sponsored by local organizations and capable of growth in the business markets, and assistance to viable, but under-financed, small businesses in order to create and preserve jobs that are sustainable in the local economy. Therefore, the legislature declares there to be a substantial public purpose in providing capital to promote economic development and job creation in distressed areas in general and timber-dependent communities in particular. To accomplish this purpose, it is the intent of the legislature to:

(a) Increase the public financing of infrastructure necessary for economic development and make such financing more flexible;

(b) Increase and target the amount of public financing available to businesses to better create or preserve jobs through formation or expansion of viable enterprises;

(c) Provide technical and financial assistance to businesses to increase the export of products from timber-dependent communities;

(d) Increase the resources available to associated development organizations to provide economic and community development services in timber-dependent communities and to provide resource and referral services to the community regarding state and local economic and community development services;

(e) Increase training and retraining services accessible to timber-dependent communities; and

(f) Provide for coordination of noneconomic development services in timber-dependent communities as economic development efforts will not succeed unless social, housing, health, and other needs are addressed.

Sec. 2. RCW 43.160.010 and 1989 c 431 s 61 are each amended to read as follows:

INFRASTRUCTURE FINANCING--CERB--INTENT. (1) The legislature finds that it is the public policy of the state of Washington to direct financial resources toward the fostering of economic development through the stimulation of investment and job opportunities and the retention of sustainable existing employment for the general welfare of the inhabitants of the state. Reducing unemployment and reducing the time citizens remain jobless is important for the economic welfare of the state. A valuable means of fostering economic development is the construction of public facilities which contribute to the stability and growth of the state’s economic base. Strengthening the economic base through issuance of industrial development bonds, whether single or umbrella, further serves to reduce unemployment. Consolidating issues of industrial development bonds when feasible to reduce costs additionally advances the state’s purpose to improve economic vitality. Expenditures made for these purposes as authorized in this chapter are declared to be in the public interest, and constitute a proper use of public funds. A community economic revitalization board is needed which shall aid the development of economic opportunities. The general objectives of the board should include:

(a) Strengthening the economies of areas of the state which have experienced or are expected to experience chronically high unemployment rates or below average growth in their economies;

(b) Encouraging the diversification of the economies of the state and regions within the state in order to provide greater seasonal and cyclical stability of income and employment;

(c) Encouraging wider access to financial resources for both large and small industrial development projects;

(d) Encouraging new economic development or expansions to maximize employment;

(e) Encouraging the retention of viable existing firms and employment; and
(f) Providing incentives for expansion of employment opportunities for groups of state residents that have been less successful relative to other groups in efforts to gain permanent employment.

(2) The legislature also finds that the state's economic development efforts can be enhanced by, in certain instances, providing funds to improve state highways in the vicinity of new industries considering locating in this state or existing industries that are considering significant expansion.

(a) The legislature finds it desirable to provide a process whereby the need for diverse public works improvements necessitated by planned economic development can be addressed in a timely fashion and with coordination among all responsible governmental entities.

(b) It is the intent of the legislature to create an economic development account within the motor vehicle fund from which expenditures can be made by the department of transportation for state highway improvements necessitated by planned economic development. All such improvements must first be approved by the state transportation commission and the community economic revitalization board in accordance with the procedures established by RCW 43.160.074 and 47.01.280. It is further the intent of the legislature that such improvements not jeopardize any other planned highway construction projects. The improvements are intended to be of limited size and cost, and to include such items as additional turn lanes, signalization, illumination, and safety improvements.

(3) The legislature also finds that the state's economic development efforts can be enhanced by providing funds to improve markets for those recyclable materials representing a large fraction of the waste stream. The legislature finds that public facilities which result in private construction of processing or remanufacturing facilities for recyclable materials are eligible for consideration from the board.

(4) The legislature finds that sharing economic growth state-wide is important to the welfare of the state. Distressed areas and timber-dependent communities do not share in the economic vitality of the Puget Sound region. Infrastructure is one of several ingredients that are critical for economic development. Distressed areas and timber-dependent communities generally lack the infrastructure necessary to diversify and revitalize their economies. It is, therefore, the intent of the legislature to increase the availability of funds to help provide infrastructure to distressed areas and timber-dependent communities.

Sec. 3. RCW 43.160.020 and 1985 c 466 s 58 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

NEW SECTION. Sec. 4. A new section is added to chapter 43.160 RCW to read as follows:

(1) The economic development account is created within the public facilities construction loan revolving fund under RCW 43.160.080. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the purposes of RCW 43.160.010(4) and this section. The account is subject to allotment procedures under chapter 43.88 RCW.

(2) Applications under this section for assistance from the economic development account are subject to all of the applicable criteria set forth under this chapter, as well as procedures and criteria established by the board, except as otherwise provided.

(3) Eligible applicants under this section are limited to political subdivisions of the state in timber-dependent communities that demonstrate, to the satisfaction of the board, the local economy’s dependence on the forest products industry.

(4) Applicants must demonstrate that their request is part of an economic development plan consistent with applicable state planning requirements. Industrial projects must be approved by the local government and the associate development organization. (1) Forfeiture shall be deemed to have commenced by the seizure. Notice of seizure shall be given to the ((department)) board immediately if the seizure is made by someone other than an agent of the ((department)) board authorized to collect taxes.

(2) Upon notification or seizure by the ((department)) board or upon receipt of property subject to forfeiture under this chapter from any other person, the ((department)) board shall list and particularly describe the property seized in duplicate and have the property appraised by a qualified person not employed by the ((department)) board or acting as its agent. Listing and appraisement of the property shall be properly attested by the ((department)) board and the appraiser, who shall be allowed a reasonable appraisal fee. No appraisal is required if the property seized is judged by the ((department)) board to be less than one hundred dollars in value.

(3) The ((department)) board shall cause notice to be served within five days following the seizure or notification to the ((department)) board of the seizure on the owner of the property seized, if known, on the person in charge thereof, and on any other person having any known right or interest therein, of the seizure and intended forfeiture of the seized property. The notice may be served by any method authorized by law or court rule including but not limited to service by mail. If service is by mail it shall be by both certified mail with return receipt requested and regular mail. Service by mail shall be deemed complete upon mailing within the five-day period following the seizure or notification of the seizure to the ((department)) board.

(4) If no person notifies the ((department)) board in writing of the person's claim of ownership or right to possession of the items seized within fifteen days of the date of the notice of seizure, the item seized shall be considered forfeited.

(5) If any person notifies the ((department)) board, in writing, of the person’s claim of ownership or right to possession of the items seized within fifteen days of the date of the notice of seizure, the person or persons shall be afforded a reasonable opportunity to be heard as to the claim or right. The hearing shall be before the ((director)) board or the ((director’s)) board's designee, except that any person asserting a claim or right may bring an action for return of the seized items in the superior court of the county in which such property was seized, if the aggregate value of the article or articles involved is more than five hundred dollars. A hearing before the seizing agency and any appeal therefrom shall be in accordance with chapter 34.05 RCW. The burden of proof by a preponderance of the evidence shall be upon the person claiming to be the lawful owner or the person claiming to have the lawful right to possession of the items seized. The ((department)) board shall promptly return the article or articles to the claimant upon a determination that the claimant is the present lawful owner or is lawfully entitled to possession thereof of the items seized.
Sec. 15. RCW 82.24.145 and 1987 c 496 s 4 are each amended to read as follows:

When property is forfeited under this chapter the ((department)) board may:

(1) Retain the property or any part thereof for official use or upon application by any law enforcement agency of this state, another state, or the District of Columbia, or of the United States for the exclusive use of enforcing the provisions of this chapter or the laws of any other state or the District of Columbia or of the United States.

(2) Sell the property at public auction to the highest bidder after due advertisement, but the ((department)) board before delivering any of the goods so seized shall require the person to whom the property is sold to affix the proper amount of stamps. The proceeds of the sale and all moneys forfeited under this chapter shall be first applied to the payment of all proper expenses of any investigation leading to the seizure and of the proceedings for forfeiture and sale, including expenses of seizure, maintenance of custody, advertising, and court costs. The balance of the proceeds and all moneys shall be deposited in the general fund of the state. Proper expenses of investigation includes costs incurred by any law enforcement agency or any federal, state, or local agency.

Sec. 16. RCW 82.24.180 and 1990 c 267 s 2 are each amended to read as follows:

The ((department)) board may return any property, seized under the provisions of this chapter when it is shown that there was no intention to violate the provisions thereof.

When any property is returned under this section, the ((department)) board may return such goods to the parties from whom they were seized if and when such parties affix the proper amount of stamps thereto, and pay to the ((department)) board as penalty an amount equal to the greater of ten dollars per package of unstamped cigarettes or two hundred fifty dollars, and interest thereon at the rate of one percent for each thirty days or portion thereof from the date the tax became due, and in such cases, no advertisement shall be made or notices posted in connection with said seizure.

Sec. 17. RCW 82.24.190 and 1987 c 202 s 244 are each amended to read as follows:

When the ((department)) board has good reason to believe that any of the articles taxed herein are being kept, sold, offered for sale, or given away in violation of the provisions of this chapter or ((regulations)) rules issued under authority hereof, it may make affidavit of such fact, describing the place or thing to be searched, before any judge of any court in this state, and such judge shall issue a search warrant directed to the sheriff, any deputy, police officer, or duly authorized agent of the ((department)) board commanding him or her diligently to search any building, room in a building, place, or vehicle as may be designated in the affidavit and search warrant, and to seize such tobacco so possessed and to hold the same until disposed of by law, and to arrest the person in possession or control thereof. If upon the return of such warrant, it shall appear that any of the articles taxed herein, unlawfully possessed, were seized, the same shall be sold as provided in this chapter.

Sec. 18. RCW 82.24.210 and 1975 1st ex.s. c 278 s 68 are each amended to read as follows:

The ((department)) board may promulgate rules ((and regulations)) providing for the refund to dealers for the cost of stamps affixed to articles taxed herein, which by reason of damage become unfit for sale and are destroyed by the dealer or returned to the manufacturer or jobber. In the case of any articles to which stamps have been affixed, and which articles have been sold and shipped to a regular dealer in such articles in another state, the seller in this state shall be entitled to a refund of the actual amount of the stamps so affixed, less the affixing discount, upon condition that the seller in this state makes affidavit that the articles were sold and shipped outside of the state and that ((he)) the seller has received from the purchaser outside the state a written acknowledgment that ((he)) the purchaser has received such articles with the amount of stamps affixed thereto, together with the name and address of such purchaser. The
Board may redeem any unused stamps purchased from it at the face value thereof less the affixing discount.

Sec. 19. RCW 82.24.230 and 1961 c 15 s 82.24.230 are each amended to read as follows:

All of the provisions contained in chapter 82.32 RCW except RCW 82.32.050, 82.32.060, 82.32.070, 82.32.100, and 82.32.270 shall have full force and application with respect to taxes imposed under the provisions of this chapter (except the following sections thereof: RCW 82.32.050, 82.32.060, 82.32.070, 82.32.100 and 82.32.270) except that "department of revenue" or "department" means the liquor control board.

In the case of transportation of unstamped cigarettes such persons shall have in their actual possession invoices or delivery tickets for such cigarettes, which shall show the true name and address of the consignor or seller, the true name of the consignee or purchaser, and the quantity and brands of the cigarettes so transported. If the cigarettes are consigned to or purchased by any person in this state such purchaser or consignee must be a person who is authorized by chapter 82.24 RCW to possess unstamped, untaxed, or untaxed stamped cigarettes in this state. In the absence of such invoices or delivery tickets, or, if the name or address of the consignee or purchaser is falsified or if the purchaser or consignee is not authorized by chapter 82.24 RCW to possess unstamped, untaxed, or untaxed stamped cigarettes, the cigarettes so transported shall be deemed contraband subject to seizure and sale under the provisions of RCW 82.24.130.

Transportation of cigarettes from a point outside this state to a point in some other state will not be considered a violation of this section provided that the person so transporting such cigarettes has in his or her possession adequate invoices or delivery tickets which give the true name and address of such out-of-state seller or consignor and such out-of-state purchaser or consignee.

In any case where the department or its duly authorized agent, or any peace officer of the state, has knowledge or reasonable grounds to believe that any vehicle is transporting cigarettes in violation of this section, the department, such agent, or such police officer, is authorized to stop such vehicle and inspect the same for contraband cigarettes.

For purposes of this section, the term "person authorized by chapter 82.24 RCW to possess unstamped, untaxed, or untaxed stamped cigarettes" shall mean a wholesaler or retailer, licensed under Washington state law, the United States or an agency thereof, and any Indian tribal organization authorized under rules adopted by the department to possess these articles.

(a) A wholesaler's license.
(b) A retailer's license.
(c) A vending machine license.

(2) Application for the licenses shall be made through the master license system under chapter 19.02 RCW. The department board shall adopt rules regarding the regulation of the licenses. The department board may refrain from the issuance of any license under this chapter if the department board has reasonable cause to believe that the applicant has willfully withheld information requested for the purpose of determining the eligibility of the applicant to receive a license, or if the department board has reasonable cause to believe that information submitted in the
application is false or misleading or is not made in good faith. Each such license shall expire on the master license expiration date, and each such license shall be continued annually if the licensee has paid the required fee and complied with all the provisions of this chapter and the rules of the ((department of revenue)) board made pursuant thereto.

Sec. 22. RCW 82.24.520 and 1986 c 321 s 6 are each amended to read as follows:

A fee of six hundred fifty dollars shall accompany each wholesaler’s license application or license renewal application. If a wholesaler sells or intends to sell cigarettes at two or more places of business, whether established or temporary, a separate license with a license fee of one hundred fifteen dollars shall be required for each additional place of business. Each license, or certificate thereof, and such other evidence of license as the ((department of revenue)) board requires, shall be exhibited in the place of business for which it is issued and in such manner as is prescribed for the display of a master license. The ((department of revenue)) board shall require each licensed wholesaler to file with the ((department)) board a bond in an amount not less than ((one)) five thousand dollars to guarantee the proper performance of the duties and the discharge of the liabilities under this chapter. The bond shall be executed by such licensed wholesaler as principal, and by a corporation approved by the ((department of revenue)) board and authorized to engage in business as a surety company in this state, as surety. The bond shall run concurrently with the wholesaler’s license.

Sec. 23. RCW 82.24.550 and 1986 c 321 s 9 are each amended to read as follows:

(1) The ((department of revenue)) board shall enforce the provisions of this chapter. The ((department of revenue)) board may adopt, amend, and repeal rules necessary to enforce and administer the provisions of this chapter. The ((department of revenue)) board has full power and authority to revoke or suspend the license or permit of any wholesale or retail cigarette dealer in the state upon sufficient cause appearing of the violation of this chapter or upon the failure of such licensee to comply with any of the provisions of this chapter.

(2) A license shall not be suspended or revoked except upon notice to the licensee and after a hearing as prescribed by the ((department of revenue)) board. The ((department of revenue)) board, upon a finding by same, that the licensee has failed to comply with any provision of this chapter or any rule promulgated thereunder, shall, in the case of the first offender, suspend the license or licenses of the licensee for a period of not less than thirty consecutive business days, and, in the case of a second or plural offender, shall suspend the license or licenses for a period of not less than ninety consecutive business days nor more than twelve months, and, in the event the ((department of revenue)) board finds the offender has been guilty of willful and persistent violations, it may revoke the license or licenses.

(3) Any person whose license or licenses have been so revoked may apply to the ((department of revenue)) board at the expiration of one year for a reinstatement of the license or licenses. The ((department of revenue)) board may reinstated by the ((department of revenue)) board if it appears to the satisfaction of the ((department of revenue)) board that the licensee will comply with the provisions of this chapter and the rules promulgated thereunder.

(4) A person whose license has been suspended or revoked shall not sell cigarettes or permit cigarettes to be sold during the period of such suspension or revocation on the premises occupied by the person or upon other premises controlled by the person or others or in any other manner or form whatever.

(5) Any determination and order by the ((department of revenue)) board, and any order of suspension or revocation by the ((department of revenue)) board of the license or licenses, or refusal to reinstate a license or licenses after revocation shall be reviewable by an appeal to the superior court of Thurston county. The superior court shall review the order or ruling of the ((department of revenue)) board and may hear the matter de

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that nonprofit community-based organizations, that rely on both private and public resources, are invaluable providers of services to our state's communities. State agencies increasingly turn to community-based organizations for the delivery of services to meet social, health, training, and community development needs in our communities. Private support flows to community-based organizations because they are very close to their constituencies and have the capacity to act quickly in response to emergency needs. Many community organizations, however, need technical assistance to expand the vision of their boards, to improve the expertise of their staff, and to widen their resource base. Therefore, it is the purpose of this act to authorize and fund the community partnership program to provide technical assistance and managerial support to community-based organizations in the state.
NEW SECTION. Sec. 2. There is established within the department of community development the community partnership program. The program is designed to provide technical assistance and managerial support to community-based organizations in the state. An exempt position under RCW 41.06.072 is hereby created within the department of community development for the managing director of the community partnership program. In carrying out the purposes of this chapter, the managing director shall solicit volunteer assistance; work with other agencies which rely on community-based nonprofits for service delivery; work with private sector organizations interested in working with community-based organizations in the delivery of services; contract with private consultants, with the approval of the director of the department, for such services as the managing director deems advisable; and solicit resources from federal and private sources.

NEW SECTION. Sec. 3. The community partnership program shall:

(1) Act as a clearinghouse for community-based organizations, providing information and referral services to these organizations through such methods as a computerized network that allows organizations to access the program's information base.

(2) Provide management training courses designed specifically for nonprofit managers, staff, and boards. These include both individualized training for single nonprofit organizations, and skill-building workshops and seminars on planning, budgeting, marketing, and other topics.

(3) Provide short-term direct assistance customized to meet the management needs of individual organizations.

(4) Assist organizations in soliciting and managing volunteers.

(5) Coordinate activities with the state volunteer center, other state agencies, local service providers, and other volunteer organizations giving similar assistance.

NEW SECTION. Sec. 4. The managing director of the program may charge a fee for the services offered by the program. The fees may be based on a sliding scale but in no case shall the fees exceed the actual cost of providing these services.

NEW SECTION. Sec. 5. (1) The community partnership program may receive such gifts, grants, and endowments from any source as may be made from time to time for the activities of the program and may expend the same according to the terms of the gifts, grants, or endowments.

(2) An account known as the community partnership program account is created and all gifts, grants, endowments, and fees received for the purposes of the community partnership program shall be deposited into the account. The state treasurer is the custodian of the account. Disbursements from the account shall be on the authorization of the managing director of the program or the director's designee. Moneys from the account shall be used for carrying out the purposes of the community partnership program and all other activities deemed appropriate by the advisory committee. The fund is subject to the allotment procedure provided under chapter 43.88 RCW, but no appropriation is required for disbursements.

ESSB 5590 Prime Sponsor, Committee on Financial Institutions & Insurance: Affecting administration of the state investment board. Reported by Committee on State Government
MAJORITY recommendation: Do pass with the following amendments:

On page 1, after line 4, strike everything after the enacting clause and insert:

NEW SECTION. Sec. 1. (1) The legislature recognizes that the state investment board is, at its own initiation, undergoing an extensive review of its organization and operation. The legislature is pleased that the scope of this review is to include an analysis of the functions, responsibilities, and salaries of board members and staff; the composition of the board and its staff; the relationship between the board, its staff, consultants, investment organizations, and other state agencies; and other issues relevant to the organizational structure and operation of the board.

(2) The legislature also acknowledges that the state investment board is undertaking a review of its entire investment strategy and will be recruiting a new executive director, incorporating the findings from the review described in subsection (1) into the recruitment process.

(3) Given the extensive review and evaluation underway concerning the board's organization, directorship, and overall investment strategy, the legislature finds that it would be imprudent at this time to make changes in the statutes governing the state investment board. Therefore, the legislature directs the state investment board to report the findings and conclusions of this extensive review to the joint committee on pension policy. The investment board shall issue this report to the joint committee no later than January 1, 1992. The joint committee on pension policy shall consider the report and make any recommendations to the legislature that it deems necessary as directed by RCW 44.44.060.

(1) The management of solid waste can pose a wide range of hazards to public health and safety and to the environment;

(2) Packaging comprises a significant percentage of the overall solid waste stream;

(3) The presence of heavy metals in packaging is a part of the total concern in light of their likely presence in emissions or ash when packaging is incinerated, or in leachate when packaging is landfilled;

(4) Lead, mercury, cadmium, and hexavalent chromium, on the basis of available scientific and medical evidence, are of particular concern;

(5) The intent of this chapter is to achieve a reduction in toxicity without impeding or discouraging the expanded use of postconsumer materials in the production of packaging and its components.

NEW SECTION. Sec. 111. Requests from a member of the public for any certificate of compliance shall be:

(1) Made in writing to the department of ecology;

PART II

CLEAN WASHINGTON CENTER

NEW SECTION. Sec. 201. (1) The legislature finds that:
(a) Recycling conserves energy and landfill space, provides jobs and valuable feedstock materials to industry, and promotes health and environmental protection;
(b) Seventy-eight percent of the citizens of the state actively participate in recycling programs and Washington currently has the highest recycling rate in the nation;
(c) The current supply of many recycled commodities far exceeds the demand for such commodities;
(d) Many local governments and private entities cumulatively affect, and are affected by, the market for recycled commodities but have limited jurisdiction and cannot adequately address the problems of market development that are complex, wide-ranging, and regional in nature; and
(e) The private sector has the greatest capacity for creating and expanding markets for recycled commodities, and the development of private markets for recycled commodities is in the public interest.

(2) It is therefore the policy of the state to create a single entity to be known as the center for recycling markets development to develop new, and expand existing, markets for recycled commodities.

NEW SECTION. Sec. 202. There is created the center for recycling markets development within the department of trade and economic development. As used in this chapter, "center" means the center for recycling markets development.

NEW SECTION. Sec. 203. The purpose of the center is to provide or facilitate basic and applied research and development, marketing assistance, public education, and policy analysis in furthering the development of markets for recycled products. As used in this chapter, market development consists of public and private activities that are used to overcome impediments preventing full use of secondary materials diverted from the waste stream, and that encourage and expand use of those materials and subsequent products. In fulfilling this mission the center shall primarily direct its services to recycling businesses, which as used in this chapter mean those businesses engaged in transforming or remanufacturing waste materials into usable or marketable materials or products for use other than landfill disposal or incineration.

NEW SECTION. Sec. 204. (1) The center's activities shall be conducted with the assistance of a policy committee. Except as otherwise provided, policy committee members shall be appointed by the directors of the department of trade and economic development and department of ecology as follows:
(a) Two representatives of the legislature, one appointed by the speaker of the house of representatives and one appointed by the president of the senate;
(b) One member to represent cities;
(c) One member to represent counties;
(d) Five private sector members to represent the end users and marketers of post consumer recovered materials;
(e) The directors of the departments of trade and economic development and ecology shall represent the executive branch as non-voting members; and

(f) Non-voting, temporary appointments to the committee can be made by the chairman where specific expertise is needed.

(2) The initial appointments of the five private sector members will be two members with three-year terms and three members with two year terms. Thereafter, members shall serve two-year renewable terms. Vacancies shall be filled by the chair with majority consent from the members.

(3) Members of the committee, exclusive of those representing the legislative or executive branches, shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060

(4) The committee shall meet at least quarterly.

(5) The chair shall be selected from among the members by a simple majority vote

(6) The committee may adopt and exercise bylaws for the regulation of its business for the purposes of this chapter.

NEW SECTION. Sec. 205. The center shall:

(1) Provide targeted business assistance to recycling businesses, including:
   (a) Development of business plans;
   (b) Market research and planning information;
   (c) Access to financing programs;
   (d) Referral and information on market conditions; and
   (e) Information on new technology and product development;

(2) Negotiate voluntary agreements with manufacturers to increase the use of recycled materials in product development;

(3) Support research and development to stimulate new technologies and products using recycled materials;

(4) Undertake an integrated, comprehensive education effort directed to recycling businesses to promote processing, manufacturing, and purchase of recycled products, including:
   (a) Providing information to recycling businesses on the availability and benefits of using recycled materials;
   (b) Providing information and referral services on recycled material markets;
   (c) Providing information on new research and technologies that may be used by local businesses and governments; and
   (d) Participating in projects to demonstrate new market uses or applications for recycled products;

(5) Assist the departments of ecology and general administration in the development of consistent definitions and standards on recycled content, product performance, and availability;

(6) Undertake studies on the unmet capital needs of reprocessing and manufacturing firms using recycled materials;

(7) Undertake and participate in marketing promotions for the purposes of achieving expanded market penetration for recycled content products;

(8) Coordinate with the department of ecology to ensure that the education programs of both are mutually reinforcing, with the center acting as the lead entity with respect to recycling businesses, and the department as the lead entity with respect to the general public and retailers; and

(9) Develop an annual work plan. The plan shall describe actions and recommendations for developing markets for commodities comprising a significant percentage of the waste stream and having potential for use as an industrial or commercial feedstock. The plan shall specify amounts, types, sources, and end uses of recycled material targeted for remanufacture, and shall show the budgeted expenses associated with each commodity. The initial plan shall, at a minimum, address mixed waste paper, waste
tires, yard and food waste, and plastics. The center shall submit its annual work plan to
the legislature by December 1st of each year.

NEW SECTION. Sec. 206. In order to carry out its responsibilities under this
chapter, the center may:
(1) Receive such gifts, grants, funds, fees, and endowments, in trust or otherwise,
for the use and benefit of the purposes of the center. The center may expend the same
or any income therefrom according to the terms of the gifts, grants, or endowments;
(2) Initiate, conduct, or contract for studies and searches relating to market
development for recyclable materials, including but not limited to applied research,
technology transfer, and pilot demonstration projects;

recyclable materials from other state and local agencies;
(4) Enter into, amend, and terminate contracts with individuals, corporations, trade
associations, and research institutions for the purposes of this chapter;

development of recycling markets;
(6) Provide business and marketing assistance to public and private sector entities
within the state; and
(7) Evaluate, analyze, and make recommendations on state policies that may affect
markets for recyclable materials.

NEW SECTION. Sec. 207. The center shall solicit financial contributions and
support from manufacturing industries and other private sector sources, foundations, and
grants from governmental sources to assist in conducting its activities. It may also use
separately appropriated funds of the department of trade and economic development for
the center's activities.

NEW SECTION. Sec. 208. The center may appoint advisory committees to assist
in the development or implementation of the work plan.

NEW SECTION. Sec. 209. Section headings as used in this chapter do not
constitute any part of the law.

NEW SECTION. Sec. 210. A new section is added to chapter 70.93 RCW to read
as follows:

Washington account. Moneys deposited in the clean Washington account shall be subject
to appropriation and shall be used for the administration and implementation of the center
for recycling markets development established under section 204 of this act.

Sec. 1. RCW 60.11.010 and 1986 c 242 s 1 are each amended to read as follows:
As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Crop" means all products of the soil either growing or cropped, cut, or gathered which require annual planting, harvesting, or cultivating. A crop does not include vegetation produced by the powers of nature alone, nursery stock, or vegetation intended as a permanent enhancement of the land itself.

(2) "Handler" means a person: Who prepares an orchard crop for market for the account of, or as agent for, the producer of the crop, which preparation includes, but is not limited to, receiving, storing, packing, marketing, selling, or delivering the orchard crop; and who takes delivery of the crop from the producer of the crop or from another handler. "Handler" does not include a person who solely transports the crop from the producer to another person.

(3) "Landlord" means a person who leases or subleases to a tenant real property upon which crops are growing or will be grown.

(4) "Orchard crop" means cherries, peaches, nectarines, plums or prunes, pears, apricots, and apples.

(5) "Secured party" and "security interest" have the same meaning as used in the Uniform Commercial Code, Title 62A RCW.

(6) "Supplier" includes, but is not limited to, a person who furnishes seed, furnishes and/or applies commercial fertilizer, pesticide, fungicide, weed killer, or herbicide, including spraying and dusting, upon the land of the grower or landowner, or furnishes any work or labor upon the land of the grower or landowner including tilling, preparing for the growing of crops, sowing, planting, cultivating, cutting, digging, picking, pulling, or otherwise harvesting any crop grown thereon, or in gathering, securing, or housing any crop grown thereon, or in threshing any grain or hauling to any warehouse any crop or grain grown thereon.

(7) "Lien debtor" means the person who is obligated or owes payment or other performance. If the lien debtor and the owner of the collateral are not the same person, "lien debtor" means the owner of the collateral.

(8) "Lien holder" means a person who, by statute, has acquired a lien on the property of the lien debtor, or such person's successor in interest.

Sec. 2. RCW 60.11.020 and 1986 c 242 s 2 are each amended to read as follows:

(1) A landlord whose lease or other agreement with the tenant provides for cash rental payment shall have a lien upon all crops grown upon the demised land in which the landlord has an interest for no more than one year's rent due or to become due within six months following harvest. A landlord with a crop share agreement has an interest in the growing crop which shall not be encumbered by crop liens except as provided in subsections (2) and (3) of this section.

(2) A supplier shall have a lien upon all crops for which the supplies are used or applied to secure payment of the purchase price of the supplies and/or services performed: PROVIDED, That the landlord's interest in the crop shall only be subject to the lien for the amount obligated to be paid by the landlord if prior written consent of the landlord is obtained or if the landlord has agreed in writing with the tenant to pay or be responsible for a portion of the supplies and/or services provided by the lien holder.
(3) A handler shall have a lien on all orchard crops delivered by the lien debtor or another handler to the handler and on all proceeds of the orchard crops for: (a) All customary charges for the ordinary and necessary handling of the crop, including but not limited to charges for transporting, receiving, inspecting, materials and supplies furnished, washing, waxing, sorting, packing, storing, promoting, marketing, selling, advertising, insuring, or otherwise handling the lien debtor’s crop; and (b) reasonable cooperative per unit retainages, and for all governmental or quasi-governmental assessments imposed by statute, ordinance, or government regulation. Charges shall not include direct or indirect advances or extensions of credit to lien debtor.

Sec. 3. RCW 60.11.030 and 1986 c 242 s 3 are each amended to read as follows:
(1) Upon filing, the liens described in RCW 60.11.020 (1) and (2) shall attach to the crop for all sums then and thereafter due and owing the lien holder and shall continue in all identifiable cash proceeds of the crop.
(2) Upon the delivery of an orchard crop by the lien debtor, without the necessity of filing, the lien for charges as set forth in RCW 60.11.020(3) shall attach to the delivered crop and shall continue in both the crop and all proceeds of the crop.

Sec. 4. RCW 60.11.040 and 1989 c 229 s 1 are each amended to read as follows:
(1) Except as provided in subsection (4) of this section with respect to the lien of a landlord, and except for the lien of a handler as provided in RCW 60.11.020(3), any lien holder must after the commencement of delivery of such supplies and/or of provision of such services, but before the completion of the harvest of the crops for which the lien is claimed, or in the case of a lien for furnishing work or labor within twenty days after the cessation of the work or labor for which the lien is claimed: (a) File a statement evidencing the lien with the department of licensing; and (b) if the lien holder is to be allowed costs, disbursements, and attorneys’ fees, mail a copy of such statement to the last known address of the debtor by certified mail, return receipt requested, within ten days.
(2) The statement shall be in writing, signed by the claimant, and shall contain in substance the following information:
(a) The name and address of the claimant;
(b) The name and address of the debtor;
(c) The date of commencement of performance for which the lien is claimed;
(d) A description of the labor services, materials, or supplies furnished;
(e) A description of the crop and its location to be charged with the lien sufficient for identification; and
(f) The signature of the claimant.
(3) The department of licensing may by rule prescribe standard filing forms, fees, and uniform procedures for filing with, and obtaining information from, filing officers, including provisions for filing crop liens together with financing statements filed pursuant to RCW 62A.9-401 so that one request will reveal all filed crop liens and security interests.
(4) Any landlord claiming a lien under this chapter for rent shall file a statement evidencing the lien with the department of licensing. A lien for rent claimed by a landlord pursuant to this chapter shall be effective during the term of the lease for a period of up to five years. A landlord lien covering a lease term longer than five years may be refiled in accordance with RCW 60.11.050(((4))) (5). A landlord who has a right to a share of the crop may place suppliers on notice by filing evidence of such interest in the same manner as provided for filing a landlord’s lien.

Sec. 5. RCW 60.11.050 and 1986 c 242 s 5 are each amended to read as follows:
(1) Except as provided in subsections (2), (3), ((and)) (4), and (5) of this section, conflicting liens and security interests shall rank in accordance with the time of filing.
(2) The lien created in RCW 60.11.020(2) in favor of any person who furnishes any work or labor upon the land of the grower or landowner shall be preferred and prior to
any other lien or security interest upon the crops to which they attach including the liens described in subsections (3), (4), and (5) of this section.

(3) The lien created in RCW 60.11.020(3) in favor of handlers is preferred and prior to a lien or security interest described in subsection (4) or (5) of this section and to any other lien or security interest upon the crops to which they attach except the liens in favor of a person who furnishes work or labor upon the land of the grower or landlord. Whenever more than one handler holds a handler’s lien created by RCW 60.11.020(3) in the same crop, unless the affected parties otherwise agree in writing, the later of the liens to attach has priority over all previously attached handlers’ liens.

(4) A lien or security interest in crops otherwise entitled to priority pursuant to subsection (1) of this section shall be subordinate to a later filed lien or security interest incurred to produce the crop to the extent that obligations secured by such earlier filed security interest or lien were not incurred to produce such crops.

(((4)) (5)) A lien or security interest in crops otherwise entitled to priority pursuant to subsection (1) of this section shall be subordinate to a properly filed landlord’s lien. A landlord’s lien shall retain its priority if refiled within six months prior to its expiration.

Sec. 6. RCW 60.11.140 and 1986 c 242 s 14 are each amended to read as follows:

(1) Whenever the total amount of the lien has been fully paid, the lien holder filing a lien shall, within fifteen days following receipt of full payment, file its lien termination statement with the department of licensing. Failure to file a lien termination statement by the lien holder or the assignee of the lien holder shall cause the lien holder or its assignee to be liable to the debtor for the attorneys’ fees and costs incurred by the debtor to have the lien terminated together with damages incurred by the debtor due to the failure of the lien holder to terminate the lien.

(2) There shall be no charge by the department of licensing for entering the lien termination statement and indexing the same and returning a copy of the lien termination statement stamped as "filed" with the filing date thereon.

(3) The department of licensing may enter the lien termination statement on microfilm or other photographic record and destroy all originals of the lien and lien satisfaction filed with him or her.

Sec. 7. RCW 62A.9-310 and 1986 c 242 s 16 are each amended to read as follows:

(1) When a person in the ordinary course of his business furnishes services or materials with respect to goods subject to a security interest, a lien upon goods in the possession of such person given by statute or rule of law for such materials or services takes priority over a perfected security interest only if the lien is statutory and the statute expressly provides for such priority.

(2) A preparer lien or processor lien properly created pursuant to chapter 60.13 RCW or a depositor’s lien created pursuant to chapter 22.09 RCW takes priority over any perfected or unperfected security interest.

(3) Conflicting priorities between crop liens created under chapter 60.11 RCW and security interests shall be governed by chapter 60.11 RCW.

Harassment, for purposes of this section, means any threat, without lawful authority, which the recipient has good reason to fear will be carried out and which would cause injury to the person or property of the recipient, result in the recipient’s physical confinement or restraint, or maliciously do any other act intended to substantially cause harm to the recipient’s mental health or safety.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

(6) Small and medium-sized manufacturers relatively new to exporting with gross annual revenues less than twenty-five million dollars require a comprehensive public export assistance program designed specifically to devise and manage complete introductory export strategies and secure export financing and credit guarantees. This comprehensive program for small and medium-sized manufacturers shall complement existing export assistance services offered by the department of trade and economic development and the Washington state department of agriculture by working with them in a close, cooperative, and strategic manner to promote the sale of Washington state products abroad.

(7) There is a need for a Pacific Northwest export assistance project which will specialize in providing comprehensive export assistance to small and medium-sized manufacturers relatively new to exporting throughout the state in acquiring international business information, designing and managing introductory export strategies, and in securing company specific financing and credit guarantees for exporting.

(8) It is the intent of the legislature to establish the Pacific Northwest export assistance project as a comprehensive export program within the department of trade and economic development. The department shall work with the small business export finance assistance center to insure that the project complements the center’s efforts to assist businesses in securing financing and credit guarantees for export transactions. The department shall consult with the center about the project, and may contract with the center, in order to take full advantage of the center’s expertise and experience in providing export finance assistance.

(9) The economic health of our neighboring states and provinces has a direct impact on commercial activity in Washington state. Washington’s ports, private export management firms, commercial banking institutions, business community at large, and consumers rely on strong exporting sectors in our neighboring states and provinces to stimulate business activity in Washington state. It is in the best interest of Washington state, and each state and province in the Pacific Northwest region, to work cooperatively in building a strong and competitive exporting base of value-added manufacturing businesses.

NEW SECTION. Sec. 2. The Pacific Northwest export assistance project is hereby created within the department of trade and economic development for the following purposes:

(1) To assist small to medium-sized manufacturers relatively new to exporting with gross annual revenues less than twenty-five million dollars with comprehensive services for designing and managing introductory export strategies and in securing financing and credit guarantees for export transactions;

(2) To provide, in cooperation with the export promotion services offered by the small business export finance assistance center and the Washington state department of agriculture, information and assistance to businesses with gross annual revenues less than twenty-five million dollars about the methods and procedures of structuring company specific export financing and credit guarantee alternatives; or

(3) To provide information to their clients about opportunities in organizing cooperative export networks, foreign sales corporations, or export trading companies under the United States export trading company act of 1982, for the purpose of increasing their comparative sales volume and ability to export their products to foreign markets.

NEW SECTION. Sec. 3. (1) The department of trade and economic development has the following powers and duties when exercising its authority regarding the Pacific Northwest export assistance project:

(a) Solicit and accept grants, contributions, and any other financial assistance from the federal government, federal agencies, and any other public or private sources to fund the activities of the Pacific Northwest export assistance project;
(b) Offer comprehensive export assistance and counseling to manufacturers relatively new to exporting with gross annual revenues less than twenty-five million dollars. As close to ninety percent as possible of each year's new cadre of project clients must have gross annual revenues of less than five million dollars at the time of their initial contract. Counseling may include, but not be limited to, helping clients obtain debt or equity financing, in constructing competent proposals, and assessing federal guarantee and/or insurance programs that underwrite exporting risk; assisting clients in evaluating their international marketplace by developing marketing materials, assessing and selecting targeted markets; assisting firms in finding foreign customers by conducting foreign market research, evaluating distribution systems, selecting and assisting in identification of and/or negotiations with foreign agents, distributors, retailers, and by promoting products through attending trade shows abroad; advising companies on their products, guarantees, and after sales service requirements necessary to compete effectively in a foreign market; designing a competitive strategy for a firm's products in targeted markets and methods of minimizing their commercial and political risks; securing for clients specific assistance as needed, outside the department's field of expertise, by referrals to other public or private organizations. The Pacific Northwest export assistance project shall focus its efforts on facilitating export transactions for its clients, and in doing so, provide such technical services as are appropriate to accomplish its mission either with staff or outside consultants;

(c) Sign three-year counseling agreements with its clients that provide for termination if adequate funding for the Pacific Northwest export assistance project is not provided in future appropriations. Counseling agreements shall not be renewed unless there are compelling reasons to do so, and under no circumstances shall they be renewed for more than two additional years. A counseling agreement may not be renewed more than once. The counseling agreements shall have mutual performance clauses, that if not met, will be grounds for releasing each party, without penalty, from the provisions of the agreement. Clients shall be immediately released from a counseling agreement with the Pacific Northwest export assistance project, without penalty, if a client wishes to switch to a private export management service and produces a valid contract signed with a private export management service, or if the director of the department of trade and economic development determines there are compelling reasons to release a client from the provisions of the counseling agreement;

(d) May contract with private or public international trade education services to provide Pacific Northwest export assistance project clients with training in international business. The director of the department of trade and economic development shall decide the amount of funding allocated for educational services based on the availability of resources in the operating budget of the budget of the Pacific Northwest export assistance project;

(e) May contract with the Washington state international trade fair to provide services for Pacific Northwest export assistance project clients to participate in one trade show annually. The director of the department of trade and economic development shall decide the amount of funding allocated for trade fair assistance based on the availability of resources in the operating budget of the Pacific Northwest export assistance project;

(f) Provide biennial assessments of the Pacific Northwest export assistance project's performance. The Pacific Northwest export assistance project is an innovative program for the promotion of international trade. As such, the project personnel shall work with the department of revenue and employment security department to confidentially track the performance of the project's clients in increasing tax revenues to the state, increasing gross sales revenues and volume of products destined to foreign clients, and in creating new jobs for Washington citizens. A biennial report shall be prepared for the governor and legislature to assess the costs and benefits to the state from creating the project. The director of the department of trade and economic development shall design an
appropriate methodology for biennial assessments in consultation with the director of the Washington state department of agriculture. The department of revenue and the employment security department shall provide data necessary to complete this biennial evaluation, if the data being requested is available from existing data bases. Client-specific information generated from the files of the department of revenue and the employment security department for the purposes of this evaluation shall be kept strictly confidential by each department;

(g) Take whatever action may be necessary to accomplish the purposes set forth in sections 1 through 5 of this act; and

(h) Limit its assistance to promoting the exportation of value-added manufactured goods. The project shall not provide counseling or assistance, under any circumstances, for the importation of foreign made goods into the United States.

(2) The Pacific Northwest export assistance project shall not, under any circumstances, assume ownership or take title to the goods of its clients.

(3) The Pacific Northwest export assistance project may not use any Washington state funds which come from the public treasury of the state of Washington to make loans or to make any payment under a loan guarantee agreement.

(4) The Pacific Northwest export assistance project shall make every effort to seek nonstate funds to supplement its operations.

(5) The Pacific Northwest export assistance project shall take whatever steps are necessary to provide its services, if requested, to the states of Oregon, Idaho, Montana, Alaska, and the Canadian provinces of British Columbia and Alberta. Interstate services shall not be provided by the Pacific Northwest export assistance project during its first biennium of operation. The provision of services may be temporary and subject to the payment of fees, or each state may request permanent services contingent upon a level of permanent funding adequate for services provided. Temporary services and fees may be negotiated by the director of the department of trade and economic development. The director of the department of trade and economic development may enter into negotiations with neighboring states to contract for delivery of the project's services. Final contracts for providing the project's counseling and services outside of the state of Washington on a permanent basis shall be subject to approval of the governor and appropriate legislative oversight committees.

(6) The department of trade and economic development may receive such gifts, grants, and endowments from public or private sources as may be made from time to time, in trust or otherwise, for the use and benefit of the purposes of the Pacific Northwest export assistance project and expend the same or any income therefrom according to the terms of the gifts, grants, or endowments.

(7) The department of trade and economic development may use the following formula in determining the number of clients that can be reasonably served by the Pacific Northwest export assistance project relative to its appropriation. Divide the amount appropriated for administration of the Pacific Northwest export assistance project by the marginal cost of adding each additional Pacific Northwest export assistance project client. For the purposes of this calculation, and only for the first biennium of operation, the biennial marginal cost of adding each additional Pacific Northwest export assistance project client shall be fifty-seven thousand ninety-five dollars. The biennial marginal cost of adding each additional client after the first biennium of operation shall be established from the actual operating experience of the Pacific Northwest export assistance project.

(8) All receipts from the Pacific Northwest export assistance project shall be deposited into the general fund.

NEW SECTION. Sec. 4. The department of trade and economic development shall adopt rules under chapter 34.05 RCW as necessary to carry out the purposes of sections 1 through 5 of this act.
NEW SECTION. Sec. 5. The Pacific Northwest export assistance project fund is created in the custody of the state treasurer. Expenditures from the fund may be used only for the purposes of funding the services of the Pacific Northwest export assistance project under this chapter. Only the director of the department of trade and economic development or the director's designee may authorize expenditures from the fund. Funding appropriated by the state of Washington shall not be used to provide services to other states or provinces. The fund is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

NEW SECTION. Sec. 6. Sections 1 through 5 of this act are each added to chapter 43.31 RCW.

NEW SECTION. Sec. 7. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

NEW SECTION. Sec. 8. If specific funding for the Pacific Northwest export assistance project, referencing this act by bill number, is not provided by June 30, 1991, in the omnibus appropriations act, this act shall be null and void.

NEW SECTION. Sec. 9. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

On page 1, line 2 of the title, after "center;" strike the remainder of the title and insert "adding new sections to chapter 43.31 RCW; creating a new section; and declaring an emergency."

(e) The person, or his or her marital community, furnishes ten percent or more of the capital, whether in cash, goods, or services, for the operation of the business during any calendar year.

NEW SECTION. Sec. 3. (1) It is a gross misdemeanor for a person to own, operate, or manage, or act as the agent for one who owns, operates, or manages, an adult entertainment business in the state of Washington unless the person has obtained a business license pursuant to this chapter.

(2) It is a gross misdemeanor for a performer to appear nude or seminude in an adult entertainment business unless the performer has obtained a performer’s license pursuant to this chapter.

NEW SECTION. Sec. 4. (1) Each owner, operator, manager, or agent of a business must obtain and maintain a separate business license.

(2) An application for a business license must be made on a form provided by the department. The applicant shall provide: (a) The name, address, phone number, and date of birth of the applicant; (b) two passport-size color photographs of the applicant; (c) the applicant’s principal occupation; (d) a description of the proposed establishment; (e) the nature of the proposed business; (f) the trade name of the proposed business; (g) location of the proposed business; and (h) such other information as the department may require by rule.

(3) At the time of applying, the applicant shall post notice of the application at the proposed business location in a form and manner as required by the department by rule.

NEW SECTION. Sec. 5. (1) The department shall grant or refuse a business license in accordance with this chapter.
(2) Every business license shall be issued in the name of the applicant or applicants, and the holder of a license shall not allow any other person to use it.

(3) No business license may be issued to:

(a) An individual, partnership, or corporation, unless qualified to obtain a business license, as provided in this chapter;

(b) An applicant whose business is conducted by a manager or agent, unless the manager or agent possesses the same qualifications as are required of the business licensee;

(c) A corporation, unless it was created under the laws of the state of Washington or holds a certificate of authority to transact business in the state of Washington;

(d) An applicant who is under eighteen years of age;

(e) An applicant who has failed to provide information reasonably necessary for issuance of the business license or who has falsely answered a question or request for information on the application form; or

(f) An applicant who has proposed the location of the business within a zone where such use is prohibited by state or local authority.

(4) Upon receipt of an application for a business license, the department shall give notice of the application to the chief executive officer of the incorporated city or town, if the application is for a business license within an incorporated city or town, or to the county legislative authority, if the application is for a business license outside the boundaries of incorporated cities or towns, or to all the appropriate executive officers in the case of a regional adult entertainment business plan. Upon the granting of a business license under this chapter the department shall send a duplicate of the license or written notification to the chief executive officer of the incorporated city or town in which the license is granted, or to the county legislative authority if the license is granted outside the boundaries of incorporated cities or towns, or to all chief executive officers of impacted cities, towns, or counties participating in a regional adult entertainment business plan.

(5)(a) Except as set forth in (b) of this subsection, the department shall not issue an initial business license covering any premises, if at the time the initial license is to be issued the premises are within a buffer zone of one thousand feet surrounding any residential zone, single or multifamily dwelling, church, park, playground, day care center, or elementary or secondary school. The one thousand feet shall be measured on a straight line between the closest points of the property on which the premises are located and the property of the residential zone, dwelling, church, park, playground, day care center, or school. For the purpose of this section, church means a building erected for and used exclusively for religious worship and schooling or other activity in connection with the worship and schooling. The department may rely on the measurements of the relevant local jurisdictions in determining the boundaries of a buffer zone.

(b) The legislative authority of a city, town, or county:

(i) Shall establish a buffer zone less than that established in (a) of this subsection if the legislative authority finds (A) that the adverse secondary effects of adult entertainment businesses on public health, safety, or welfare would not be greater as a result of the smaller buffer zone or (B) that failure to establish a smaller buffer zone will effectively prohibit any adult entertainment business in the city, town, or county and there is no regional agreement with neighboring cities, towns, or counties that provides adequate opportunities for such businesses; or

(ii) May establish a buffer zone greater than that established in (a) of this subsection if the legislative authority finds (A) that the adverse secondary effects of adult entertainment businesses on public health, safety, or welfare would not be reasonably and effectively mitigated without the larger buffer zone and (B) that establishing a larger buffer zone will not effectively prohibit any adult entertainment business in the city, town,
or county, or that there is a regional agreement with neighboring cities, towns, or counties that provides adequate opportunities for such businesses.

(c) If the location requirements established pursuant to this chapter effectively preclude location of adult entertainment businesses within a city, town, or county, such city, town, or county shall join with neighboring cities, towns, or counties in a regional adult entertainment business location plan in order to provide reasonable opportunity for location of adult entertainment businesses in the regional area.

NEW SECTION. Sec. 6. (1) The department may, subject to the provisions of this chapter and as provided by rule, suspend or cancel a business license; and all rights of the licensee under this chapter shall be suspended or terminated, as the case may be.

(2) Upon receipt of notice of the suspension or cancellation of a business license, the licensee shall forthwith deliver the license to the department. Where the business license has been suspended only, the department shall return the license to the licensee at the expiration or termination of the period of suspension.

NEW SECTION. Sec. 7. (1) Every business license issued under this chapter is subject to all conditions and restrictions imposed by this chapter. All conditions and restrictions imposed by the department in the issuance of an individual business license shall be listed on the face of the individual license along with the trade name, address, and expiration date.

(2) Every business licensee shall post and keep posted its license in a conspicuous place on the premises.

NEW SECTION. Sec. 8. The department shall not issue a business license to a transferee until the transferee has applied for and received a business license under this chapter.

NEW SECTION. Sec. 9. (1)(a) At the time of the original issuance of a business license, the department shall prorate the license fee charged to the new licensee according to the number of calendar quarters, or portion thereof, remaining until the first renewal of that license is required.

(b) Unless canceled sooner, every business license issued by the department shall expire at midnight of the thirtieth day of June of the fiscal year for which it was issued. However, if the department deems it feasible and desirable to do so, it may establish, by rule pursuant to chapter 34.05 RCW, a system for staggering the annual renewal dates for business licenses. If such a system of staggered annual renewal dates is established by the department, the business license fees provided by this chapter shall be appropriately prorated during the first year that the system is in effect.

(2) The adult entertainment business license fee shall be established under RCW 43.24.086, but shall be at least seven hundred fifty dollars per annum, and shall be paid at the time of application. One-half of the fee shall be refunded if the application is withdrawn prior to a denial of the license by the department.

NEW SECTION. Sec. 10. (1) The holder of a business license may not assign or transfer the license, except that a transfer may be made to the surviving spouse of a deceased licensee if the transferor and transferee were maintaining a marital community and the license was issued in the name of one or both of them.

(2) A change in an owner or operator of a licensed business or a change in the manager or agent of a business must be reported to the department within thirty days, and any new owner, operator, manager, or agent must meet the requirements of section 5 of this act. The department shall charge a fee established under RCW 43.24.086 that is at least seventy-five dollars for the processing of a change in an owner, operator, manager, or agent.

NEW SECTION. Sec. 11. The department in suspending a business license may further provide in the order of suspension that such suspension shall be vacated upon payment to the department by the licensee of a monetary penalty in an amount fixed by the department but not to exceed ten thousand dollars.
NEW SECTION. Sec. 12. (1)(a) An application for a performer's license must be made on a form provided by the department. The performer shall provide the following: (i) The performer's name, including all aliases, address, phone number, and date of birth; (ii) two passport-size color photographs of the performer; (iii) principal occupation; (iv) the name and address of any business, if known, at which the performer will perform; and (v) such other information as the department may require by rule.

(b) Identifying information provided by an applicant under this subsection is exempt from public disclosure, and the department shall not disclose such information except to the extent necessary to carry out its responsibilities under this chapter, or to comply with a request from another governmental entity, or to comply with a court order.

(2) No performer's license may be issued to:
(a) A performer who is under eighteen years of age;
(b) A performer who has failed to provide information reasonably necessary for issuance of the license or has falsely answered a question or request for information on the application form.

(3) The performer's license fee shall be established under RCW 43.24.086, but shall be at least seventy-five dollars per annum and shall be paid at the time of application. One-half of the fee shall be refunded if the application is withdrawn prior to denial of the license by the department.

(4) Every performer shall keep his or her performer's license on the premises while performing.

NEW SECTION. Sec. 13. Every business licensed under section 5 of this act shall file monthly reports with the department pursuant to rule. The reports shall include the following: (1) The name, address, and date of birth of all performers appearing nude or seminude during the month; and (2) such further information as the department may require.

NEW SECTION. Sec. 14. An action, order, or decision of the department as to a denial of an application for the issuance or renewal of a business or performer's license or as to a revocation, suspension, or modification of a license is subject to the applicable provisions of chapter 34.05 RCW.

(1) An opportunity for a hearing must be provided a licensee prior to a revocation or modification of a business or performer's license and, except as provided in subsection (3) of this section, prior to the suspension of a license.

(2) No hearing shall be required until demanded by the applicant or licensee.

(3) The department may summarily suspend a business or performer's license for a period of up to thirty days without a prior hearing if it finds that public health, safety, or welfare imperatively requires emergency action, and incorporates a finding to that effect in its order; and proceedings for revocation or other action must be promptly instituted and determined.

NEW SECTION. Sec. 15. No provision in this chapter limits the authority of cities, towns, and counties from further regulating adult entertainment businesses as to hours of operation, location of premises, or manner of operation.

The provisions of this chapter relating to the licensing of any adult entertainment business shall not be exclusive and any city, town, or county within whose jurisdiction the adult entertainment business is located may require any registrations or licenses, or charge any fee for the same or similar purpose; and nothing in this chapter shall limit or abridge the authority of any city, town, or county to levy and collect a general and nondiscriminatory license fee levied upon all businesses, or to levy a tax based upon gross business conducted by any firm within the city, town, or county.

NEW SECTION. Sec. 16. The director has the following authority:
(1) To adopt, amend, or repeal such rules as are deemed necessary to carry out this chapter;
(2) To investigate all complaints or reports of conduct in violation of this chapter and to hold hearings as provided in this chapter;

(3) To issue subpoenas and administer oaths in connection with any investigation, hearing, or proceeding held under this chapter;

(4) To take or cause depositions to be taken and use other discovery procedures as needed in any investigation, hearing, or proceeding held under this chapter;

(5) To compel attendance of witnesses at hearings;

(6) To take emergency action ordering summary suspension of a business or performer's license, or restriction or limitation of the licensee's practice pending further disciplinary action under section 21 of this act;

(7) To use the office of administrative hearings as authorized in chapter 34.12 RCW to conduct hearings. However, the director or the director's designee shall make the final decision in the hearing;

(8) To enter into contracts for professional services determined to be necessary for adequate enforcement of this chapter;

(9) To grant or deny business or performer's license applications, and to impose any sanction against a license applicant or license holder provided by this chapter;

(10) To establish or increase in accordance with RCW 43.24.086 business and performer's license fees above the minimum set by this chapter;

(11) To enter into an assurance of discontinuance in lieu of issuing a statement of charges or conducting a hearing. The assurance shall consist of a statement of the law in question and an agreement not to violate the stated provision. The applicant or license holder shall not be required to admit to any violation of the law, nor shall the assurance be construed as such an admission. Violation of an assurance under this subsection is grounds for disciplinary action;

(12) To designate individuals authorized to sign subpoenas and statements of charges; and

(13) To employ such investigative, administrative, and clerical staff as necessary for the enforcement of this chapter.

NEW SECTION. Sec. 17. A person, including but not limited to a customer, licensee, corporation, organization, or state or local governmental agency, may submit a written complaint to the department charging a business or performer's license holder or applicant with a violation of this chapter. If the department determines that the complaint merits investigation, or if the department has reason to believe, without a formal complaint, that a license holder or applicant may have violated this chapter, the department may investigate to determine whether there has been a violation. A person who files a complaint under this section in good faith is immune from suit in any civil action related to the filing or contents of the complaint.

NEW SECTION. Sec. 18. (1) If the department determines, upon investigation pursuant to section 17 of this act, that there is reason to believe a violation of this chapter has occurred, a statement of charge or charges may be prepared and served upon the business or performer's license holder or applicant. The statement of charge or charges shall be accompanied by a notice that the license holder or applicant may request a hearing to contest the charge or charges. The license holder or applicant must file a request for hearing with the department within twenty days after being served the statement of charges. The failure to request a hearing constitutes a default, upon which the director or the director's designee may enter an order pursuant to RCW 34.05.440(1).

(2) If a hearing is requested, the time of the hearing shall be scheduled but the hearing shall not be held earlier than thirty days after service of the charges upon the license holder or applicant. A notice of hearing shall be issued at least twenty days prior to the hearing, specifying the time, date, and place of the hearing.
NEW SECTION. Sec. 19. The procedures governing adjudicative proceedings before agencies under chapter 34.05 RCW, the administrative procedure act, govern all hearings requested under section 18 of this act.

NEW SECTION. Sec. 20. (1) Upon a finding that a business or performer’s license holder or applicant has engaged in conduct or violated conditions that are grounds for denial of a license or for disciplinary action under section 21 of this act, the director may issue an order providing for one or any combination of the following:
   (a) Revocation of the license;
   (b) Suspension of the license for a fixed or indefinite term;
   (c) Censure or reprimand;
   (d) Compliance with conditions of probation for a designated period of time;
   (e) Payment of a fine for each violation of this chapter, not to exceed one thousand dollars per violation, which shall be paid to the department;
   (f) Denial of the license request.

(2) Any of the actions under this section may be totally or partly stayed by the director. All costs associated with compliance with orders issued under this section are the obligation of the license holder or applicant.

NEW SECTION. Sec. 21. The following conduct, acts, or conditions, constitute grounds for denial of a license or for disciplinary action against any business or performer’s license holder or applicant under the jurisdiction of this chapter:

(1) With respect to a license holder, commission of an act that constitutes an obscenity or pornography offense under chapter 9.68 RCW, a sexual exploitation of children offense under chapter 9.68A RCW, a sexual offense under chapter 9A.44 RCW, a prostitution or indecent exposure offense under chapter 9A.88 RCW, or a substantially similar ordinance adopted by the legislative authority of a city, town, or county or other state statute. Conviction in a criminal proceeding is not a condition precedent to disciplinary action under this section. Upon a conviction, however, the judgment and sentence is conclusive evidence at an ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person’s violation of the statute on which it is based. For the purposes of this section, conviction includes a plea of guilty or nolo contendere and also includes all sentence deferrals or suspensions;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in license reinstatement;

(3) All advertising that is false, fraudulent, or misleading;

(4) Failure to cooperate with the department in the conduct of an investigation by:
   (a) Not furnishing any requested papers or documents;
   (b) Not furnishing in writing a full and complete explanation regarding the matter under investigation;
   (c) Not responding to subpoenas issued by the director, whether or not the recipient of the subpoena is the subject of the investigation;

(5) Failure to comply with an order issued by the director or an assurance of discontinuance entered into with the director;

(6) Aiding and abetting an unlicensed person to own or operate a business or to perform when a license is required;

(7) Interference with an investigation or disciplinary proceeding by willful misrepresentation of facts before the director or the director’s authorized representative, or by the use of threats or harassment against any witness to prevent him or her from providing evidence in a disciplinary proceeding or any other legal action;

(8) Violating this chapter or any rule adopted pursuant to this chapter.

NEW SECTION. Sec. 22. (1) The director may investigate complaints under this chapter concerning ownership or operation of a business without a license or performing without a license. In the investigation of the complaints, the director shall have the same
authority as provided the director under section 16 of this act. The director may issue a cease and desist order to a person after notice and hearing and upon a determination that the person has owned or operated a business without a license, or has performed without a license, in violation of this chapter. If the director makes a written finding of fact that the public interest will be irreparably harmed by delay in issuing an order, the director may issue a temporary cease and desist order before the notice and hearing. A cease and desist order does not relieve the person so owning or operating a business or performing without a license from criminal prosecution. The remedy of a cease and desist order is in addition to any criminal liability. A cease and desist order is conclusive proof of unlicensed practice and may be enforced through remedial sanctions under chapter 7.21 RCW. Enforcement of the cease and desist order under chapter 7.21 RCW may be used in addition to, or as an alternative to, any provisions for enforcement of agency orders set out in chapter 34.05 RCW.

(2) The attorney general, a county prosecuting attorney, the department, or any person may, in accordance with the law of this state governing injunctions, maintain an action to enjoin any person owning or operating a business, or performing, without a license required by this chapter from continuing such ownership, operation, or performing until the required license is secured. However, an injunction does not relieve a person from criminal prosecution and the remedy by injunction is in addition to any criminal liability.

NEW SECTION. Sec. 23. A person or business that violates an injunction issued under this chapter shall pay a civil penalty, as determined by the court, of not more than twenty-five thousand dollars, which shall be paid to the department. For the purpose of this section, the superior court issuing any injunction shall retain jurisdiction and the cause shall be continued, and in such cases the attorney general acting in the name of the state may petition for the recovery of civil penalties.

NEW SECTION. Sec. 24. (1) The director or individuals acting on the director's behalf are immune from suit in any civil or criminal action based on any disciplinary proceedings or other official acts performed in the course of their duties in the administration and enforcement of this chapter.

(2) Legislative authorities of cities, towns, and counties are immune from suit in any civil or criminal action based on any official acts performed in the course of their duties in the administration or enforcement of this chapter.

In any challenge to location, distance, or conduct requirements imposed by the legislative authority of a city, town, or county pursuant to this chapter, the legislative authority may request that the state assume some or all of the obligation to defend the constitutionality of this chapter. The attorney general may grant or deny the request. Nothing in this chapter creates any state liability for actions of a city, town, or county.

NEW SECTION. Sec. 25. Existing adult entertainment businesses are exempt from any location restrictions imposed by this chapter until January 1, 1995.

NEW SECTION. Sec. 26. It is a gross misdemeanor for any person to permit any person under the age of eighteen on the premises of any adult entertainment business under his or her control.

NEW SECTION. Sec. 27. It is a class C felony for any person to employ or permit any person under the age of eighteen to appear nude or seminude on the premises of any adult entertainment business under his or her control.

NEW SECTION. Sec. 28. Sections 1 through 27 of this act shall constitute a new chapter in Title 18 RCW.

NEW SECTION. Sec. 29. A new section is added to chapter 43.43 RCW to read as follows:

The department of licensing may request information from the Washington state patrol criminal identification system regarding the conviction of offenses listed under
section 21(1) of this act for a license holder who is the subject of an investigation under section 17 of this act.

Sec. 30. RCW 7.48A.040 and 1985 c 235 s 1 are each amended to read as follows:

(1) No person shall with knowledge maintain a moral nuisance.

(2) Upon a determination that a defendant has with knowledge maintained a moral nuisance, the court shall impose a civil fine and judgment of an amount as the court shall determine to be appropriate. In imposing the civil fine, the court shall consider the wilfulness of the defendant's conduct and the profits made by the defendant attributable to the lewd matter, lewdness, or prostitution, whichever is applicable. In no event shall the civil fine exceed the greater of ((twenty-five)) fifty thousand dollars or these profits.

NEW SECTION. Sec. 31. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 32. This act shall take effect January 1, 1992. The department of licensing may take such steps before then, including the adoption of rules, as are necessary to ensure that this act is implemented on January 1, 1992.

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that specialized child care services and early childhood education services are needed to meet the needs of homeless children younger than school age to improve their physical, social, medical, and emotional state. These services will prevent later educational and social failures and resulting societal costs. Continuity in child care arrangements is vital for children who are experiencing constant disruption in their living arrangements.

The legislature further finds that homeless parents, in order to achieve independence, need an appropriate place to provide care for their children while they seek or maintain employment, attend treatment, or seek permanent housing.

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:
Sec. 1. RCW 43.185.060 and 1986 c 298 s 7 are each amended to read as follows:
Organizations that may receive assistance from the department under this chapter are local governments, local housing authorities, regional support networks established under chapter 71.24 RCW, nonprofit community or neighborhood-based organizations, and regional or state-wide nonprofit housing assistance organizations.

Sec. 2. RCW 43.185.070 and 1988 c 286 s 1 are each amended to read as follows:
(1) During each calendar year in which funds are available for use by the department from the housing trust fund, as prescribed in RCW 43.185.030, the department shall announce to all known interested parties, and through major media throughout the state, a grant and loan application period of at least ninety days' duration. This announcement shall be made as often as the director deems appropriate for proper utilization of resources, but at least twice annually. The department shall then promptly grant as many applications as will utilize available funds less appropriate administrative costs of the department. Administrative costs paid out of the housing trust fund may not exceed (thirty-seven thousand five hundred dollars in the fiscal year ending June 30, 1988, and seventy-five thousand dollars in the fiscal year ending June 30, 1989, and not to exceed) five percent of annual revenues (available for distribution to housing trust fund projects. In awarding funds under this chapter, the department shall provide for a geographic distribution on a state-wide basis.

(2) The department shall give first priority to applications for projects and activities which utilize existing privately owned housing stock including privately owned housing stock purchased by nonprofit public development authorities. Such projects and activities shall be evaluated under subsection (3) of this section. Second priority shall be given to activities and projects which utilize existing publicly owned housing stock. Such projects and activities shall be evaluated under subsection (3) of this section.
(3) The department shall give preference for applications based on some or all of the following criteria under this subsection, and similar projects and activities shall be evaluated under the same criteria:

(a) The degree of leveraging of other funds that will occur;
(b) The degree of commitment from programs to provide necessary habilitation and support services for projects focusing on special needs populations;
(c) Recipient contributions to total project costs, including allied contributions from other sources such as professional, craft and trade services, and lender interest rate subsidies;
(d) Local government project contributions in the form of infrastructure improvements, and others;
(e) Projects that encourage ownership, management, and other project-related responsibility opportunities;
(f) Projects that demonstrate a strong probability of serving the original target group or income level for a period of at least twenty-five years;
(g) The applicant has the demonstrated ability, stability and resources to implement the project;
(h) Projects which demonstrate serving the greatest need; and
(i) Projects that provide housing for persons and families with the lowest incomes;
(j) Projects serving special needs populations which are under statutory mandate to develop community housing;
(k) Project location and access to employment centers in the region or area; and
(l) Project location and access to available public transportation services.

(4) The department shall only approve applications for projects for mentally ill persons that are consistent with a regional support network six-year capital and operating plan.

Sec. 3. RCW 71.24.300 and 1989 c 205 s 5 are each amended to read as follows:

A county authority or a group of county authorities whose combined population is no less than forty thousand may enter into a joint operating agreement to form a regional support network. The roles and responsibilities of county authorities shall be determined by the terms of that agreement and the provisions of law. The state mental health authority may not determine the roles and responsibilities of county authorities as to each other under regional support networks by rule, except to assure that all duties required of regional support networks are assigned and that a single authority has final responsibility for all available resources and performance under the regional support network's contract with the secretary.

Regional support networks shall within three months of recognition submit an overall six-year operating and capital plan, timeline, and budget and submit progress reports and an updated two-year plan biennially thereafter, to assume within available resources all of the following duties by July 1, 1995, instead of those presently assigned to counties under RCW 71.24.045(1):

(a) Administer and provide for the availability of all resource management services, residential services, and community support services.
(b) Administer and provide for the availability of all investigation, transportation, court-related, and other services provided by the state or counties pursuant to chapter 71.05 RCW.
(c) By July 1, 1993, provide within the boundaries of each regional support network evaluation and treatment services for at least eighty-five percent of persons detained or committed for periods up to seventeen days according to chapter 71.05 RCW. Regional support networks with populations of less than one hundred fifty thousand may contract to purchase evaluation and treatment services from other networks. For regional support
networks that are created after June 30, 1991, the requirements of (c) of this subsection must be met by July 1, 1995.

(d) By July 1, 1993, administer a portion of funds appropriated by the legislature to house mentally ill persons in state institutions from counties within the boundaries of any regional support network, with the exception of mentally ill offenders, and provide for the care of all persons needing evaluation and treatment services for periods up to seventeen days according to chapter 71.05 RCW in appropriate residential services, which may include state institutions. The regional support networks shall reimburse the state for use of state institutions at a rate equal to that assumed by the legislature when appropriating funds for such care at state institutions during the biennium when reimbursement occurs. The duty of a state hospital to accept persons for evaluation and treatment under chapter 71.05 RCW is limited by the responsibilities assigned to regional support networks under this section. For regional support networks that are created after June 30, 1991, the requirements of (d) of this subsection must be met by July 1, 1995.

(e) Administer and provide for the availability of all other mental health services, which shall include patient counseling, day treatment, consultation, education services, and mental health services to children as provided in this chapter.

(f) Establish standards and procedures for reviewing individual service plans and determining when that person may be discharged from resource management services.

(2) Regional support networks shall assume all duties assigned to county authorities by this chapter and chapter 71.05 RCW.

(3) A regional support network may request that any state-owned land, building, facility, or other capital asset which was ever purchased, deeded, given, or placed in trust for the care of the mentally ill and which is within the boundaries of a regional support network be made available to support the operations of the regional support network. State agencies managing such capital assets shall give first priority to requests for their use pursuant to this chapter.

(4) Each regional support network shall appoint a mental health advisory board which shall review and provide comments on plans and policies developed under this chapter. The composition of the board shall be broadly representative of the demographic character of the region and the mentally ill persons served therein. Length of terms of board members shall be determined by the regional support network.

(5) Regional support networks shall assume all duties specified in their plans and joint operating agreements through biennial contractual agreements with the secretary.

(6) Counties or groups of counties participating in a regional support network are not subject to RCW 71.24.045(7). The office of financial management shall consider information gathered in studies required in this chapter and information about the experience of other states to propose a mental health services administrative cost lid to the 1991 legislature which shall include administrative costs of licensed service providers, the state psychiatric hospitals and the department.

(7) The first regional support network contract may include a pilot project to: Establish standards and procedures for (a) making referrals for comprehensive medical examinations and treatment programs for those whose mental illness is caused or exacerbated by organic disease, and (b) training staff in recognizing the relationship between mental illness and organic disease.

(8) Regional support networks may receive technical assistance from the housing trust fund and may identify and submit projects for housing and housing support services to the housing trust fund established under chapter 43.185 RCW. Projects identified or submitted under this subsection must be fully integrated with the regional support network six-year operating and capital plan, timeline, and budget required by subsection (1) of this section.
On page 1, line 2 of the title, after "networks;" strike the remainder of the title and insert "amending RCW 43.185.060, 43.185.070, and 71.24.300."

SSB 5670 Prime Sponsor, Committee on Health & Long-Term Care: Changing provisions relating to children's mental health. Reported by Committee on Human Services

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 71.24.015 and 1989 c 205 s 1 are each amended to read as follows:

It is the intent of the legislature to establish a community mental health program which shall help people experiencing mental illness to retain a respected and productive position in the community. This will be accomplished through programs which provide for:

(1) Access to mental health services for adults (and children) of the state who are acutely mentally ill, chronically mentally ill, or seriously disturbed (and children of the state who are acutely mentally ill, severely emotionally disturbed, or seriously disturbed) which services recognize the special needs of underserved populations, including minorities, children, the elderly, disabled, and low-income persons. It is also the purpose of this chapter to promote the early identification of mentally ill children (in need of mental health care and treatment) and to ensure that they receive the mental health care and treatment which is appropriate to their developmental level. This care should improve home, school, and community functioning, maintain children in a safe and nurturing home environment, and ensure that treatment decisions be made in response to clinical needs in accordance with sound professional judgment while also recognizing parents' rights to participate in treatment decisions for their children;

(2) Accountability of services through state-wide standards for monitoring and reporting of information;

(3) Minimum service delivery standards;

(4) Priorities for the use of available resources for the care of the mentally ill;

(5) Coordination of services within the department, including those divisions within the department that provide services to children, between the department and the office of the superintendent of public instruction, and among state mental hospitals, county authorities, community mental health services, and other support services, which shall to the maximum extent feasible also include the families of the mentally ill, and other service providers; and

(6) Coordination of services aimed at reducing duplication in service delivery and promoting complementary services among all entities that provide mental health services to adults and children.

It is the policy of the state to encourage the provision of a full range of treatment and rehabilitation services in the state for mental disorders. The legislature intends to
encourage the development of county-based and county-managed mental health services with adequate local flexibility to assure eligible people in need of care access to the least-restrictive treatment alternative appropriate to their needs, and the availability of treatment components to assure continuity of care. To this end, counties are encouraged to enter into joint operating agreements with other counties to form regional systems of care which integrate planning, administration, and service delivery duties assigned to counties under chapters 71.05 and 71.24 RCW to consolidate administration, reduce administrative layering, and reduce administrative costs.

It is further the intent of the legislature to integrate the provision of services to provide continuity of care through all phases of treatment. To this end the legislature intends to promote active engagement with mentally ill persons and collaboration between families and service providers.

services to persons who are acutely mentally ill, chronically mentally ill, or at risk of becoming so. The study shall also include an assessment of the impact of Title XIX funds and the definition of institutions for mental diseases on the use of state funds to provide needed mental health services to the chronically mentally ill.

(h)) Deny funding allocations to regional support networks based solely upon formal findings of noncompliance with the terms of the regional support network's contract with the department. Written notice and at least thirty days for corrective action must precede any such action. In such cases, regional support networks shall have full rights to appeal under chapter 34.05 RCW.

(( )) (h) Identify in its departmental biennial operating and capital budget requests the funds requested by regional support networks to implement their responsibilities under this chapter.

Sec. 5. RCW 71.24.045 and 1989 c 205 s 4 are each amended to read as follows: The county authority shall:

(1) Submit biennial needs assessments beginning January 1, 1983, and mental health service plans which incorporate all services provided for by the county authority consistent with state minimum standards and which provide access to treatment for the county's residents including children and other underserved populations who are acutely mentally ill, chronically mentally ill, severely emotionally disturbed, or seriously disturbed. The county program shall provide:

Each county authority may appoint a county mental health advisory board which shall review and provide comments on plans and policies developed by the county authority under this chapter. The composition of the board shall be broadly representative of the demographic character of the county and the mentally ill persons served therein. Length of terms of board members shall be determined by the county authority;

(3) Operate as a licensed service provider if it deems that doing so is more efficient and cost effective than contracting for services. When doing so, the county authority shall comply with rules promulgated by the secretary that shall provide measurements to determine when a county provided service is more efficient and cost effective.

(4) Monitor and perform biennial fiscal audits of licensed service providers who have contracted with the county to provide services required by this chapter. The monitoring and audits shall be performed by means of a formal process which insures that the licensed service providers and professionals designated in this subsection meet the terms of their contracts, including the minimum standards of service delivery as established by the department;

(8) Coordinate services for individuals who have received services through the community mental health system and who become patients at a state mental hospital.

NEW SECTION. Sec. 6. RCW 71.24.800 and 1987 c 439 s 4 are each repealed.
NEW SECTION. Sec. 7. If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the
operation of the remainder of this act in its application to the agencies concerned. The rules under this act shall meet federal requirements that are a necessary condition to the receipt of federal funds by the state.

However, if any part of this act conflicts with such federal requirements, the state appropriation for mental health services provided to children whose mental disorders are discovered under screening through the federal Title XIX early and periodic screening, diagnosis, and treatment program shall be provided through the division of medical assistance and no state funds appropriated to the division of mental health shall be expended or transferred for this purpose.

SB 5675 Prime Sponsor, Senator Metcalf: Requiring a restoration plan for Skagit river salmon. Reported by Committee on Fisheries & Wildlife

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that some stocks of Skagit river salmon are declining, and that no recovery plan exists for these stocks. The legislature declares that the recovery and enhancement of Skagit river salmon should receive high priority since the status of these stocks affects the ocean fishery as well as the fishery on the Skagit river. The legislature further finds that dislocated timber workers represent a potential work force to conduct salmon enhancement projects, if adequate training is provided in the area of fish management to these dislocated workers, and if sufficient coordination exists between potential employers and employees.
NEW SECTION. Sec. 2. The director of fisheries shall prepare a salmon recovery plan for the Skagit river. The plan shall incorporate the best available technology in order to achieve maximum restoration of depressed salmon stocks. MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:
Sec. 1. RCW 86.16.025 and 1989 c 64 s 2 are each amended to read as follows:
With respect to such features as may affect flood conditions, the department shall have authority to examine, approve or reject designs and plans for any structure or works, public or private, to be erected or built or to be reconstructed or modified upon the banks or in or over the channel or over and across the floodway of any stream or body of water in this state. If a county, or an incorporated city or town, within which a flood plain exists, fails to adopt by October 31, 1991, a flood plain management ordinance that meets the minimum requirements of the national flood insurance program, the department shall adopt by rule a flood plain management ordinance for that entity that meets the minimum federal requirements.

NEW SECTION. Sec. 2. The department of community development shall convene a state flood damage reduction commission composed of twenty-two members as follows: (1) Four members of the senate, two from each of the major caucuses, who are appointed by the president of the senate; (2) four members of the house of representatives, two from each of the major caucuses, who are appointed by the speaker of the house of representatives; (3) the director of the department of community development, or the director's designee, who shall act as chair of the commission; (4) the

The commission may seek assistance from appropriate federal agencies, including the United States army corps of engineers. The department of community development shall provide staff for the commission and pay the expenses of commission members who are appointed by the governor. The expenses of the legislative members shall be paid by the legislature. The expenses of the state agency officials, or their designees, shall be paid by their state agencies.

NEW SECTION. Sec. 3. The state flood damage reduction commission shall consider the development of comprehensive state flood policies and a comprehensive and coordinated flood damage reduction plan, including the following elements:

(1) Structural and nonstructural flood damage reduction projects;
(2) Forest practice effects on watershed hydraulics, including: (a) Percentage of watershed clearcut; (b) logging in very steep areas; and (c) logging in slide-prone areas;
(3) Growth management and land uses, including: (a) Flood plain development patterns; (b) loss of potential natural flood water storage areas; (c) future development restrictions in flood-prone areas; and (d) coordination with the state's growth management act and county flood comprehensive planning;
(4) Comprehensive watershed and flood damage management;
(5) Storm water runoff pattern alterations and accompanying liabilities;
(6) Analysis of the federal, state, and local permitting requirements necessary for projects designed to reduce future flood damage or to restore areas damaged by floods, including any conflicting requirements that may exist;
(7) Emergency work and coordination, and emergency preparedness planning;

(9) The role of dredging in flood damage reduction, including environmental effects, funding sources, and upstream uses that alter its effectiveness;
(10) The role of dikes and levees in flood damage reduction, including environmental effects, construction and maintenance standards, sources of funding for construction and maintenance, and resultant upstream and downstream hydrologic effects;
(11) Review criteria for evaluating and approving local plans and projects funded by grants from the flood control account; and
(12) Public acquisition of properties to reduce flood damage.

NEW SECTION. Sec. 4. The state flood reduction commission shall report to the legislature on or before December 31, 1991. The report shall include the following: (1) Findings relating to a state flood damage reduction plan; (2) commitments to implement the plan; (3) recommended state agency regulation and policy changes; (4) proposed legislation and associated costs to implement the state flood damage reduction plan; and (5) recommended local flood reduction and mitigation measures.

NEW SECTION. Sec. 5. The purposes of sections 6 through 15 of this act are to permit counties to adopt a comprehensive system of flood control management and protection within drainage basins and to coordinate the flood control activities of the state, counties, cities, towns, and special districts within such drainage basins.
NEW SECTION. Sec. 6: A new section is added to chapter 86.12 RCW to read as follows:

The county legislative authority of any county may adopt a comprehensive flood control management plan for any drainage basin that is located wholly or partially within the county.

A comprehensive flood control management plan shall include the following elements:

(1) Designation of areas that are susceptible to periodic flooding, from inundation by bodies of water or surface water runoff, or both, including the river’s meander belt or floodway;

(2) Establishment of a comprehensive scheme of flood control protection and improvements for the areas that are subject to such periodic flooding, that includes: (a) Determining the need for, and desirable location of, flood control improvements to protect or preclude flood damage to structures, works, and improvements, based upon a cost/benefit ratio between the expense of providing and maintaining these improvements and the benefits arising from these improvements; (b) establishing the level of flood protection that each portion of the system of flood control improvements will be permitted; (c) identifying alternatives to in-stream flood control work; (d) identifying areas where flood waters could be directed during a flood to avoid damage to buildings and other structures; and (e) identifying sources of revenue that will be sufficient to finance the comprehensive scheme of flood control protection and improvements;

(3) Establishing land use regulations that preclude the location of structures, works, or improvements in critical portions of such areas subject to periodic flooding, including a river’s meander belt or floodway, and permitting only flood-compatible land uses in such areas;

(4) Establishing restrictions on construction activities in areas subject to periodic floods that require the flood proofing of those structures that are permitted to be constructed or remodeled; and

(5) Establishing restrictions on land clearing activities and development practices that exacerbate flood problems by increasing the flow or accumulation of flood waters, or the intensity of drainage, on low-lying areas.

A comprehensive flood control management plan shall be subject to the minimum requirements for participation in the national flood insurance program, requirements exceeding the minimum national flood control insurance program that have been adopted by the department of ecology for a specific flood plain pursuant to RCW 86.16.031, and rules adopted by the department of ecology pursuant to RCW 86.26.050 relating to flood plain management activities. When a county plans under chapter 36.70A RCW, it may incorporate the portion of its comprehensive flood control management plan relating to land use restrictions in its comprehensive plan and development regulations adopted pursuant to chapter 36.70A RCW.

NEW SECTION. Sec. 7. A new section is added to chapter 86.12 RCW to read as follows:

A comprehensive flood control management plan that includes an area within which a city or town, or a special district subject to chapter 85.38 RCW, is located shall be developed by the county with the participation of officials from the city, town, or special district, including conservation districts, and appropriate state and federal agencies. Where a comprehensive flood control management plan is being prepared for a river that is part of the common boundary between two counties, the county legislative authority of the county preparing the plan may allow participation by officials of the adjacently located county.

A comprehensive flood control management plan shall be binding on each city, town, and special district that is located within an area included in the plan, except that the land use regulations and restrictions on construction activities contained in a
comprehensive flood control management plan applicable to a city or town shall be minimum standards that the city or town may exceed.

NEW SECTION. Sec. 8. A new section is added to chapter 86.12 RCW to read as follows:

A county may create one or more advisory committees to assist in the development of proposed comprehensive flood control management plans and to provide general advice on flood problems. The advisory committees may include city and town officials, officials of special districts subject to chapter 85.38 RCW, conservation districts, appropriate state and federal officials, and officials of other counties and other interested persons.

Sec. 9. RCW 86.26.050 and 1988 c 36 s 64 are each amended to read as follows:

(1) State participation shall be in such preparation of comprehensive flood control management plans under this chapter and chapter 86.12 RCW, cost sharing feasibility studies for new flood control projects, and flood control maintenance projects as are affected with a general public and state interest, as differentiated from a private interest, and as are likely to bring about public benefits commensurate with the amount of state funds allocated thereto.

(2) No participation for flood control maintenance projects may occur with a county or other municipal corporation unless the director of ecology has approved the flood plain management activities of the county, city, or town having planning jurisdiction over the area where the flood control maintenance project will be, on the one hundred year flood plain surrounding such area.

The department of ecology shall adopt rules concerning the flood plain management activities of a county, city, or town that are adequate to protect or preclude flood damage to structures, works, and improvements, including the restriction of land uses within a river’s meander belt or floodway to only flood-compatible uses. Whenever the department has approved county, city, and town flood plain management activities, as a condition of receiving an allocation of funds under this chapter, each revision to the flood plain management activities must be approved by the department of ecology, in consultation with the department of fisheries and the department of wildlife.

No participation with a county or other municipal corporation for flood control maintenance projects may occur unless the county engineer of the county within which the flood control maintenance project is located certifies that a comprehensive flood control management plan has been completed and adopted by the appropriate local authority, or is being prepared for all portions of the river basin or other area, within which the project is located in that county, that are subject to flooding with a frequency of one hundred years or less.

(3) Participation for flood control maintenance projects and preparation of comprehensive flood control management plans shall be made from grants made by the department of ecology from the flood control assistance account. Comprehensive flood control management plans, and any revisions to the plans, must be approved by the department of ecology, in consultation with the department of fisheries and the department of wildlife. The department may only grant financial assistance to local governments that, in the opinion of the department, are making good faith efforts to take advantage of, or comply with, federal and state flood control programs.

Sec. 10. RCW 86.26.090 and 1984 c 212 s 7 are each amended to read as follows:

The state shall participate with eligible local authorities in maintaining and restoring the normal and reasonably stable river and stream channel alignment and the normal and reasonably stable river and stream channel capacity for carrying off flood waters with a minimum of damage from bank erosion or overflow of adjacent lands and property; and in restoring, maintaining and repairing natural conditions, works and structures for the maintenance of such conditions. State participation in the repair of flood control facilities may include the enhancement of such facilities. The state shall likewise participate in the
restoration and maintenance of natural conditions, works or structures for the protection of lands and other property from inundation or other damage by the sea or other bodies of water. Funds from the flood control assistance account shall not be available for maintenance of works or structures maintained solely for the detention or storage of flood waters.

Sec. 11. RCW 86.26.100 and 1986 c 46 s 4 are each amended to read as follows:

State participation in the cost of any flood control maintenance project shall be provided for by a written memorandum agreement between the director of ecology and the legislative authority of the county submitting the request, which agreement, among other things, shall state the estimated cost and the percentage thereof to be borne by the state. In no instance, except on emergency projects, shall the state's share exceed one-half the cost of the project, to include project planning and design. Grants for cost sharing feasibility studies for new flood control projects shall not exceed fifty percent of the matching funds that are required by the federal government, and shall not exceed twenty-five percent of the total costs of the feasibility study. However, grants to prepare a comprehensive flood control management plan required under RCW 86.26.050 shall not exceed seventy-five percent of the full planning costs, but not to exceed amounts for either purpose specified in rule and regulation by the department of ecology.

NEW SECTION. Sec. 12. A new section is added to chapter 86.15 RCW to read as follows:

A board may not establish a zone including an area located in another zone unless this area is removed from the other zone, or the other zone is dissolved, as part of the action creating the new zone.

Sec. 13. RCW 86.15.178 and 1983 c 315 s 23 and 1983 c 167 s 212 are each reenacted to read as follows:

(1) The supervisors may authorize the issuance of revenue bonds to finance any flood control improvement or storm water control improvement. The bonds may be issued by the supervisors in the same manner as prescribed in RCW 36.67.510 through 36.67.570 pertaining to counties. The bonds shall be issued on behalf of the zone or participating zones when the improvement has by the resolution, provided in RCW 86.15.110, been found to be of benefit to a zone or participating zones. The bonds may be in any form, including bearer bonds or registered bonds.

Each revenue bond shall state on its face that it is payable from a special fund, naming the fund and the resolution creating the fund.

Revenue bond principal, interest, and all other related necessary expenses shall be payable only out of the appropriate special fund.

A zone or participating zones shall have a lien for delinquent service charges, including interest thereon, against the premises benefited by a flood control improvement or storm water control improvement, which lien shall be superior to all other liens and encumbrances except general taxes and local and special assessments. The lien shall be effective and shall be enforced and foreclosed in the same manner as provided for sewerage liens of cities and towns by RCW 35.67.200 through 35.67.290.

(2) Notwithstanding subsection (1) of this section, such bonds may be issued and sold in accordance with chapter 39.46 RCW.

Sec. 14. RCW 86.16.110 and 1987 c 109 s 23 are each reenacted and amended to read as follows:

Any person, association, or corporation, public, municipal, or private, feeling aggrieved at any order, decision, or determination of the department or director pursuant to this chapter, affecting his or her interest, may have the same reviewed pursuant to RCW 43.21B.310.

NEW SECTION. Sec. 15. The department of fisheries and the department of wildlife shall process hydraulic project applications submitted under RCW 75.20.100 or 75.20.103 within thirty days of receipt of the application. This requirement is only
applicable for the repair and reconstruction of legally constructed dikes, seawalls, and other flood control structures damaged as a result of flooding or windstorms which occurred in November and December 1990.

NEW SECTION. Sec. 16. The following acts or parts of acts are each repealed:

1. RCW 86.15.040 and 1961 c 153 s 4;
2. RCW 86.16.027 and 1987 c 109 s 51 & 1935 c 159 s 9;

State and national policy directs that the management of low-level radioactive waste be accomplished by a system of interstate compacts and the development of regional disposal sites. The Northwest regional compact, comprised of the states of Alaska, Hawaii, Idaho, Montana, Oregon, Utah, and Washington, has as its disposal facility the low-level radioactive waste disposal site located near Richland, Washington. This site is expected to be the sole site for disposal of low-level radioactive waste for compact members effective January 1, 1993. Future closure of this site will require significant financial resources.

Low-level radioactive waste is generated by essential activities and services that benefit the citizens of the state. Washington state's low-level radioactive waste disposal site has been used by the nation and the Northwest compact as a disposal site since 1965. The public has come to rely on access to this site for disposal of low-level radioactive waste, which requires separate handling from other solid and hazardous wastes. The price of disposing of low-level radioactive waste at the Washington state low-level radioactive waste disposal site is anticipated to increase when the federal low-level radioactive waste policy amendments act of 1985 is implemented and waste generated outside the Northwest compact states is excluded.

When these events occur, to protect Washington and other Northwest compact states' businesses and services, such as electrical production, medical and university research, and private industries, upon which the public relies, there will be a need to regulate the rates charged by the operator of Washington's low-level radioactive waste disposal site. This chapter is adopted pursuant to section 8, chapter 21, Laws of 1990.

NEW SECTION. Sec. 2. Definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Commission" means the Washington utilities and transportation commission.

(2) "Effective rate" means the highest permissible rate, calculated as the lowest contract rate plus an administrative fee, if applicable, determined pursuant to section 5 of this act.

(3) "Extraordinary volume" means volumes of low-level radioactive waste delivered to a site caused by nonrecurring events, outside normal operations of a generator, that are
in excess of twenty thousand cubic feet or twenty percent of the preceding year's total volume at such site, whichever is less.

(4) "Extraordinary volume adjustment" means a mechanism that allocates the potential rate reduction benefits of an extraordinary volume between all generators and the generator responsible for such extraordinary volume as described in section 8 of this act.

(5) "Generator" means a person, partnership, association, corporation, or any other entity whatsoever that, as a part of its activities, produces low-level radioactive waste.

(10) "Site operator" means a low-level radioactive waste site operating company as defined in RCW 81.04.010.

(11) "Volume adjustment" means a mechanism that adjusts the maximum disposal rate in response to material changes in volumes of waste deposited at the site during the preceding period so as to provide a level of total revenues sufficient to recover the costs to operate and maintain the site.

NEW SECTION. Sec. 4. (1) The commission shall have jurisdiction over the sites and site operators as set forth in this chapter.

(2)(a) The commission shall establish rates to be charged by site operators. In establishing the rates, the commission shall assure that they are fair, just, reasonable, and sufficient considering the value of the site operator's leasehold and license interests, the unique nature of its business operations, the site operator's liability associated with the site, its investment incurred over the term of its operations, and the rate of return equivalent to that earned by comparable enterprises. Such rates shall only take effect following a finding that the site operator is a monopoly pursuant to section 11 of this act.

(b) In exercising the power in this subsection the commission may use any standard, formula, method, or theory of valuation reasonably calculated to arrive at the objective of prescribing and authorizing fair, just, reasonable, and sufficient rates. The relation of site operator expenses to site operator revenues may be deemed the proper test of a reasonable return.

(3) In all respects in which the commission has power and authority under this chapter, applications and complaints may be made and filed with it, process issued, hearings held, opinions, orders, and decisions made and filed, petitions for rehearing filed and acted upon, and petitions for review to the superior court filed therewith, appeals filed with the appellate courts of this state, considered and disposed of by said courts in the
manner, under the conditions, and subject to the limitations, and with the effect specified in this title for public service companies generally.

(4) At any time after January 1, 1992, the commission may: (a) Prescribe a system of accounts for site operators using as a starting point the existing system used by site operators; (b) audit the books of site operators; (c) obtain books and records from site operators; (d) assess penalties; and (e) require semiannual reports regarding the results of operations for the site.

(5) The commission may adopt rules necessary to carry out its functions under this chapter.

NEW SECTION. Sec. 5. (1) On or before March 1, 1992, site operators shall file a request with the commission to establish an initial maximum disposal rate. The filing shall include, at a minimum, testimony, exhibits, workpapers, summaries, annual reports, cost studies, proposed tariffs, and other documents as required by the commission in rate cases generally under its jurisdiction.

(2) After receipt of a request, the commission shall set the request for a hearing and require the site operator to provide for notice to all known customers that ship or deliver waste to the site. The proceedings before the commission shall be conducted in accordance with chapter 34.05 RCW and rules of procedure established by the commission.

(3) No later than January 1, 1993, the commission shall establish the initial maximum disposal rates that may be charged by site operators.

(4) In the initial rate proceeding the commission also shall determine the factors necessary to calculate the inflation, volume, and extraordinary volume adjustments.

(5) The commission also shall determine the administrative fee, which shall be a percentage or an amount that represents increased administrative costs associated with acceptance of small volumes of waste by a site operator. The administrative fee may be revised by the commission from time to time upon its own motion or upon the petition of an interested person.

(6) The rates specified in this section shall only take effect following a finding that the site operator is a monopoly pursuant to section 11 of this act.

NEW SECTION. Sec. 6. (1) The maximum disposal rates that a site operator may charge generators shall be determined in accordance with this section. The rates shall include all charges for disposal services at the site.

(2) Initially, the maximum disposal rates shall be the initial rates established pursuant to section 5 of this act.

(3) Subsequently, the maximum disposal rates shall be adjusted semiannually in January and July of each year to incorporate inflation and volume adjustments. Such adjustments shall take effect thirty days after filing with the commission unless the commission authorizes that the adjustments take effect earlier, or the commission contests the calculation of the adjustments, in which case the commission may suspend the filing. A site operator shall provide notice to its customers concurrent with the filing.

(4)(a) Subsequently, a site operator may also file for revisions to the maximum disposal rates due to:

(i) Changes in any governmentally imposed fee, surcharge, or tax assessed on a volume or a gross revenue basis against or collected by the site operator, including site closure fees, perpetual care and maintenance fees, business and occupation taxes, site surveillance fees, leasehold excise taxes, commission regulatory fees, municipal taxes, and a tax or payment in lieu of taxes authorized by the state to compensate the county in which a site is located for that county’s legitimate costs arising out of the presence of that site within that county; or

(ii) Factors outside the control of the site operator such as a material change in regulatory requirements regarding the physical operation of the site.
(b) Revisions to the maximum disposal rate shall take effect thirty days after filing with the commission unless the commission suspends the filing or authorizes the proposed adjustments to take effect earlier.

(5) Upon establishment of a contract rate pursuant to section 7 of this act for a disposal fee, the site operator may not collect a disposal fee that is greater than the effective rate. The effective rate shall be in effect so long as such contract rate remains in effect. Adjustments to the maximum disposal rates may be made during the time an effective rate is in place. Contracts for disposal of extraordinary volumes pursuant to section 8 of this act shall not be considered in determining the effective rate.

(6) The site operator may petition the commission for new maximum disposal rates at any time. Upon receipt of such a petition, the commission shall set the matter for hearing and shall issue an order within seven months of the filing of the petition. The petition shall be accompanied by the documents required to accompany the filing for initial rates. The hearing on the petition shall be conducted in accordance with the commission's rules of practice and procedure.

(7) This section shall only take effect following a finding that the site operator is a monopoly pursuant to section 11 of this act.

NEW SECTION. Sec. 7. (1) At any time, a site operator may contract with any person to provide a contract disposal rate lower than the maximum disposal rate.

(2) A contract or contract amendment shall be submitted to the commission for approval at least thirty days before its effective date. The commission may approve the contract or suspend the contract and set it for hearing. If the commission takes no action within thirty days of filing, the contract or amendment shall go into effect according to its terms. Each contract filing shall be accompanied with documentation to show that the contract does not result in discrimination between generators receiving like and contemporaneous service under substantially similar circumstances and provides for the recovery of all costs associated with the provision of the service.

(3) This section shall only take effect following a finding that the site operator is a monopoly pursuant to section 11 of this act.

NEW SECTION. Sec. 8. (1) In establishing the extraordinary volume adjustment, unless the site operator and generator of the extraordinary volume agree to a contract disposal rate, one-half of the extraordinary volume delivery shall be priced at the maximum disposal rate and one-half shall be priced at the site operator's incremental cost to receive the delivery. Such incremental cost shall be determined in the initial rate proceeding.

(2) For purposes of the subsequent calculation of the volume adjustment, one-half of the total extraordinary volume shall be included in the calculation.

(3) This section shall only take effect following a finding that the site operator is a monopoly pursuant to section 11 of this act.

NEW SECTION. Sec. 9. (1) At any time, the commission or an interested person may file a complaint against a site operator alleging that the rates established pursuant to section 5 or 6 of this act are not in conformity with the standards set forth in section 4 of this act or that the site operator is otherwise not acting in conformity with the requirements of this chapter. Upon filing of the complaint, the commission shall cause a copy thereof to be served upon the site operator. The complaining party shall have the burden of proving that the maximum disposal rates determined pursuant to section 6 of this act are not just, fair, reasonable, or sufficient. The hearing shall conform to the rules of practice and procedure of the commission for other complaint cases.

(2) The commission shall encourage alternate forms of dispute resolution to resolve disputes between a site operator and any other person regarding matters covered by this chapter.

NEW SECTION. Sec. 10. (1) A site operator shall, on or before May 1, 1992, and each year thereafter, file with the commission a statement showing its gross operating
revenue from intrastate operations for the preceding calendar year, or portion thereof, and pay to the commission a fee equal to one percent of the amount of the gross operating revenue, exclusive of site surveillance fees, perpetual care and maintenance fees, site closure fees, and state or federally imposed out-of-region surcharges.

(2) Fees collected under this chapter shall reasonably approximate the cost of supervising and regulating site operators. The commission may order a decrease in fees by March 1st of any year in which it determines that the moneys then in the radioactive waste disposal companies account of the public service revolving fund and the fees currently to be paid will exceed the reasonable cost of supervising and regulating site operators.

(3) Fees collected under this section or under any other provision of this chapter shall be paid to the commission and shall be transmitted to the state treasurer within thirty days to be deposited to the credit of the public service revolving fund.

NEW SECTION. Sec. 11. (1) A low-level waste disposal site operator is exempt as specified in sections 4(2)(a), 5(6), 6(7), 7(3), and 8(3) of this act unless a monopoly situation exists with respect to the site operated by such site operator. A monopoly situation exists if either of the following is present:

(a) No disposal facility is available to Northwest compact generators of low-level radioactive waste other than the site or sites operated by such site operator or its affiliates; or

(b) Disposal rates at other sites are not reasonable alternatives for Northwest compact generators, considering: Disposal rates at other facilities; current disposal rates charged by the site operator; historic relationships between the site operator’s rates and rates at other facilities; and changes in the operator’s rates considering changes in waste volumes, taxes, and fees; provided, however, that a monopoly situation does not exist if either of the following facilities operates or is projected to operate after December 31, 1992:

(i) Any existing low-level radioactive waste disposal site outside the state of Washington, other than facilities operated by affiliates of a site operator, provided that such site or sites do not charge disposal rates that discriminate against Northwest compact generators except to the extent, through December 31, 1994, such discrimination is authorized by amendment of current federal law; or

(ii) An existing facility within the Northwest compact not receiving low-level radioactive waste receives or offers to receive such waste under substantially similar terms and conditions.

(2) Such exemption shall be in effect until such time as the commission finds, after notice and hearing, upon motion by the commission or upon petition by any interested party, that a monopoly situation exists or will exist as of January 1, 1993. Such finding shall be based upon application of the criteria set forth in this section. The commission may assess a site operator for all of the commission's costs of supervision and regulation prior to and relative to determining whether such exemption applies to the site operator. If the commission determines that a site operator is not subject to such exemption, it shall collect its costs of supervision and regulation under section 10 of this act.

(3) When such an exemption is in effect, any increase in rates charged by the operator effective January 1, 1993, for services other than the base rate for disposal of solid material in packages of twelve cubic feet or less shall be no more than the percentage increase in said base rate in effect on January 1, 1993.

NEW SECTION. Sec. 12. (1) At any time after this chapter has been implemented with respect to a site operator, such site operator may petition the commission to be classified as competitive. The commission may initiate classification proceedings on its own motion. The commission shall enter its final order with respect to classification within seven months from the date of filing of a company's petition or the commission's motion.
(2) The commission shall classify a site operator as a competitive company if the commission finds, after notice and hearing, that the disposal services offered are subject to competition because the company's customers have reasonably available alternatives. In determining whether a company is competitive, the commission's consideration shall include, but not be limited to:

   (a) Whether the system of interstate compacts and regional disposal sites established by federal law has been implemented so that the Northwest compact site located near Richland, Washington is the exclusive site option for disposal by customers within the Northwest compact states;

   (b) Whether waste generated outside the Northwest compact states is excluded; and

   (c) The ability of alternative disposal sites to make functionally equivalent services readily available at competitive rates, terms, and conditions.

(3) The commission may reclassify a competitive site operator if reclassification would protect the public interest as set forth in this section.

(4) Competitive low-level radioactive waste disposal companies shall be exempt from commission regulation and fees during the time they are so classified.

NEW SECTION. Sec. 13. Nothing in this chapter shall be construed to affect the jurisdiction of another state agency.

Sec. 16. RCW 43.200.080 and 1990 c 21 s 6 are each amended to read as follows: 

The director of ecology shall, in addition to the powers and duties otherwise imposed by law, have the following special powers and duties: 

(1) To fulfill the responsibilities of the state under the lease between the state of Washington and the federal government executed September 10, 1964, covering one thousand acres of land lying within the Hanford reservation near Richland, Washington. The department of ecology may sublease to private or public entities all or a portion of the land for specific purposes or activities which are determined, after public hearing, to be in agreement with the terms of the lease and in the best interests of the citizens of the state consistent with any criteria that may be developed as a requirement by the legislature; 

(2) To assume the responsibilities of the state under the perpetual care agreement between the state of Washington and the federal government executed July 29, 1965 and the sublease between the state of Washington and the site operator of the Hanford low-level radioactive waste disposal facility. In order to finance perpetual surveillance and maintenance under the agreement and ensure site closure under the sublease, the department of ecology shall impose and collect fees from parties holding radioactive materials for waste management purposes. The fees shall be established by rule adopted under chapter 34.05 RCW and shall be an amount determined by the department of ecology to be necessary to defray the estimated liability of the state. Such fees shall reflect equity between the disposal facilities of this and other states. All such fees, when received by the department of ecology, shall be transmitted to the state treasurer, who shall act as custodian. The perpetual maintenance fund is created in the state treasury. The treasurer shall place the money in a special fund which may be designated the "perpetual maintenance fund." The perpetual maintenance fund shall be comprised of a site closure account and a perpetual surveillance and maintenance account. The site closure account shall be exclusively available to reimburse, to the extent that moneys are available in the account, the site operator for its costs plus a reasonable profit as agreed by the operator and the state, or to reimburse the state licensing agency and any agencies under contract to the state licensing agency for their costs in final closure and decommissioning of the Hanford low-level radioactive waste disposal facility. If a balance remains in the account after satisfactory performance of closure and decommissioning, this balance shall be transferred to the perpetual surveillance and maintenance account. The perpetual surveillance and maintenance account shall be used exclusively by the state to meet post-closure surveillance and maintenance costs, or for otherwise satisfying surveillance and maintenance obligations. Appropriations are required to permit expenditures and payment of obligations from the site closure account and the perpetual surveillance and maintenance account. Moneys which on July 23, 1989, are in the perpetual maintenance account shall be transferred to the perpetual surveillance
and maintenance account. All moneys currently administered by the department of ecology for closure of the Hanford low-level radioactive waste disposal facility shall be transferred to the site closure account within the perpetual maintenance fund. MAJORITY recommendation: Do pass with the following amendments:

NEW SECTION. Sec. 1. The legislature finds that the state is facing an energy shortage as growth occurs and that inadequate supplies of energy will cause harmful impacts on the entire range of state citizens. The legislature further finds that energy efficiency improvement is the single most effective near term measure to lessen the risk of energy shortage. In the area of electricity, the legislature additionally finds that the Northwest power planning council has made several recommendations, including an update of the commercial building energy code and granting flexible ratemaking alternatives for utility commissions to encourage prudent acquisition of new electric resources.

Sec. 2. RCW 80.04.250 and 1961 c 14 s 80.04.250 are each amended to read as follows:

The commission shall have power upon complaint or upon its own motion to ascertain and determine the fair value for rate making purposes of the property of any public service company used and useful for service in this state and shall exercise such power whenever it shall deem such valuation or determination necessary or proper under
any of the provisions of this title. In determining what property is used and useful for service, the commission may include the reasonable costs of construction work in progress to the extent that the commission finds that inclusion is in the public interest.

The commission shall have the power to make revaluations of the property of any public service company from time to time.

The commission shall, before any hearing is had, notify the complainants and the public service company concerned of the time and place of such hearing by giving at least thirty days' written notice thereof, specifying that at the time and place designated a hearing will be held for the purpose of ascertaining the value of the company's property, used and useful as aforesaid, which notice shall be sufficient to authorize the commission to inquire into and pass upon the matters designated in this section.

NEW SECTION. Sec. 3. A new section is added to chapter 19.27A RCW to read as follows:

(1) The minimum state energy code for new nonresidential buildings shall be the Washington state energy code, 1986 edition, as amended. The state building code council may, by rule adopted pursuant to chapter 34.05 RCW, amend that code's requirements for new nonresidential buildings provided that:

(a) Such amendments increase the energy efficiency of typical newly constructed nonresidential buildings; and

(b) Any new measures, standards, or requirements adopted must be technically feasible, commercially available, and cost-effective to building owners and tenants.

(2) In considering amendments to the state energy code for nonresidential buildings, the state building code council shall establish and consult with a technical advisory committee including representatives of appropriate state agencies, local governments, general contractors, building owners and managers, design professionals, utilities, and other interested and affected parties.

(3) Decisions to amend the Washington state energy code for new nonresidential buildings shall be made prior to December 15th of any year and shall not take effect before the end of the regular legislative session in the next year. Any disputed provisions within an amendment presented to the legislature shall be approved by the legislature before going into effect. A disputed provision is one which was adopted by the state building code council with less than a two-thirds majority vote. Substantial amendments to the code shall be adopted no more frequently than every three years.

NEW SECTION. Sec. 4. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:
NEW SECTION. Sec. 1. A new section is added to chapter 71A.12 RCW to read as follows:
The legislature recognizes that developmentally disabled citizens are active, involved, and contributing community members. The legislature finds that scarce resources limit the state’s ability to meet the needs of all unserved developmentally disabled citizens. Due to this limited resource availability, developmentally disabled high school graduates and other adults are often placed on a waiting list for residential services, employment services, or other appropriate day programs. Waiting lists cause developmentally disabled high school graduates and other adults to experience a deterioration in life and work skills. The legislature declares that current waiting lists limit the unserved developmentally disabled citizen’s immense potential for contribution to their community.

Effective July 1, 1992, the legislature intends to expand services through the regional disabilities employment function in order to promote an effective transition from school to employment or other community activities for developmentally disabled secondary school students within available resources.

NEW SECTION. Sec. 2. A new section is added to chapter 43.20A RCW to read as follows:
The secretary shall establish a regional disabilities employment function that shall provide services to promote and enhance effective transition from educational or treatment programs to employment for persons with developmental disabilities, as defined in RCW 71A.10.020. The regional disabilities employment function shall also enhance the use of alternative resources such as social security work incentives and natural supports and promote competitive, integrated employment opportunities in both the public and private sector.

The regional disabilities employment function shall: (1) Develop a package of incentives, offered by application to interested local school districts, that enhance the disabled student’s transition from school to work. The incentives may include, but are not limited to, technical assistance and training for teachers or staff, curriculum development, and other measures necessary to promote flexible teaching and educational practices that support the transition to integrated, competitive, and continuing employment; and (2) collaborate with businesses, government agencies, local schools, postsecondary educational institutions, developmental disabilities boards, or other relevant county authorities to develop and encourage collaborative community linkages and partnerships that create placement opportunities, provide mentors and prepare developmentally disabled citizens for the transition from school or treatment programs to work.

The secretary shall contract for this function on a competitive basis from a list provided by the regional disabilities employment advisory councils pursuant to section 3 of this act.

2. The city or town shall exercise full responsibility for and control over any such street beyond the curbs and if no curb is installed, beyond that portion of the highway used for highway purposes. However, within incorporated cities and towns the title to a state limited access highway vests in the state, and, notwithstanding any other provision of this section, the department shall exercise full jurisdiction, responsibility, and control to and over such facility as provided in chapter 47.52 RCW;

3. The department has authority to prohibit the suspension of signs, banners, or decorations above the portion of such street between the curbs or portion used for highway purposes up to a vertical height of twenty feet above the surface of the roadway;

4. The city or town shall at its own expense maintain all underground facilities in such streets, and has the right to construct such additional underground facilities as may be necessary in such streets;

5. The city or town has the right to grant the privilege to open the surface of any such street, but all damage occasioned thereby shall promptly be repaired either by the city or town itself or at its direction;

No franchise for transportation of passengers in motor vehicles may be granted on such streets without the approval of the department, but the department shall not refuse to approve such franchise unless another street conveniently located and of strength of construction to sustain travel of such vehicles is accessible;

9. Every franchise or permit granted any person by a city or town for use of any portion of such street by a public utility shall require the grantee or permittee to restore, repair, and replace to its original condition any portion of the street damaged or injured by it;

(11) Cities and towns shall regulate and enforce all traffic and parking restrictions on such streets, but all regulations adopted by a city or town relating to speed, parking, and traffic control devices on such streets not identical to state law relating thereto are subject to the approval of the department before becoming effective. Such cities and towns may submit to the department a plan for traffic control signals, signs, and traffic control devices desired by them, indicating the location, nature of installation, or type thereof, or a proposed amendment to such an existing plan or installation, and the department shall consult with the cities or towns concerning the plan before installing such signals, signs, or devices. When the population of a city or town reaches fifteen thousand after January 1, 1990, the state shall retain the responsibility for installing, operating, maintaining, and controlling such signals, signs, and devices until the legislature acts upon the findings of the task force created in section 53 of this act or until June 30, 1993, whichever occurs first. For the purpose of this subsection, striping, lane marking, and channelization are considered traffic control devices;

(14) All revenue from parking meters placed on such streets belongs to the city or town;

(15) Rights of way for such streets shall be acquired by either the city or town or by the state as shall be mutually agreed upon. Costs of acquiring rights of way may be at the sole expense of the state or at the expense of the city or town or at the expense of the state and the city or town as may be mutually agreed upon. Title to all such rights of way so acquired shall vest in the city or town: PROVIDED, That no vacation, sale, rental, or any other nontransportation use of any unused portion of any such street may be made by the city or town without the prior written approval of the department; and all revenue derived from sale, vacation, rental, or any nontransportation use of such rights of way shall be shared by the city or town and the state in the same proportion as the purchase costs were shared;

(16) If any city or town fails to perform any of its obligations as set forth in this section or in any cooperative agreement entered into with the department for the maintenance of a city or town street forming part of the route of a state highway, the department may notify the mayor of the city or town to perform the necessary maintenance within thirty days. If the city or town within the thirty days fails to perform the maintenance or fails to authorize the department to perform the maintenance as provided by RCW 47.24.050, the department may perform the maintenance, the cost of which is to be deducted from any sums in the motor vehicle fund credited or to be credited to the city or town.

ESSB 5810 Prime Sponsor, Committee on Governmental Operations: Creating state-wide affordable housing. Reported by Committee on Housing

MAJORITY recommendation: Do pass with the following amendments: Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. This act may be known and cited as the affordable housing act.

NEW SECTION. Sec. 2. (1) The legislature finds and declares that there is a tremendous unmet need for new housing to shelter Washington’s population. The unmet housing needs will be further aggravated by the severe cutbacks in federal housing programs.

(2) The legislature finds and declares that our existing housing resources are vastly underutilized due in large part to the changes in social patterns. The improved utilization of this state’s existing housing resources offers an innovative and cost-effective solution to this housing crisis.
(3) The legislature finds and declares that the state has a role in increasing the utilization of our housing resources and in reducing the barriers to the provision of affordable housing.

(4) The legislature finds and declares that there are many benefits associated with the creation of second-family residential units on existing single-family lots, which include:

(a) Providing a cost-effective means of serving development through the use of existing infrastructures, as contrasted to requiring the construction of new costly infrastructures to serve development in undeveloped areas; and

(b) Providing relatively affordable housing for low and moderate-income households without public subsidy.

NEW SECTION. Sec. 3. A new section is added to chapter 35.63 RCW to read as follows:

Each city may issue a zoning variance, special use permit, or conditional use permit for a dwelling unit to be constructed, or which is attached to or detached from, a primary residence on a parcel zoned for a single-family residence.

NEW SECTION. Sec. 4. A new section is added to chapter 35A.63 RCW to read as follows:

Each code city may issue a zoning variance, special use permit, or conditional use permit for a dwelling unit to be constructed, or which is attached to or detached from, a primary residence on a parcel zoned for a single-family residence.

NEW SECTION. Sec. 5. A new section is added to chapter 36.70 RCW to read as follows:

Each county may issue a zoning variance, special use permit, or conditional use permit for a dwelling unit to be constructed, or which is attached to or detached from, a primary residence on a parcel zoned for a single-family residence.

NEW SECTION. Sec. 6. A new section is added to chapter 36.70A RCW to read as follows:

Each city and county may issue a zoning variance, special use permit, or conditional use permit for a dwelling unit to be constructed, or which is attached to or detached from, a primary residence on a parcel zoned for a single-family residence.

NEW SECTION. Sec. 7. A new section is added to chapter 35.63 RCW to read as follows:

(1) Each city may, by ordinance, provide for the creation of second units in single-family and multifamily residential zones consistent with all of the following provisions:

(a) Areas may be designated within the jurisdiction of each city where second units may be permitted;

(b) The designation of areas may be based on criteria, which may include, but are not limited to, the adequacy of water and sewer services and the impact of second units on traffic flow;

(c) Each city may find that second units do not exceed the allowable density for the lot upon which the second unit is located, and that second units are a residential use that is consistent with the existing general plan and zoning designation for the lot;

(d) The second units created shall not be considered in the application of any local ordinance, policy, or program to limit residential growth; and

(e) Each city may establish a process for the issuance of a conditional use permit for second units. Before a city designates areas within the city where second units may be permitted, it shall provide neighborhood groups an opportunity to submit a neighborhood plan that addresses how the impacts of second units on parking and other matters may be mitigated. The city shall assist neighborhood groups with the development of the plan when possible.

(2) When a city with a population of at least twenty thousand which has not adopted an ordinance governing second units in accordance with subsection (1) of this section
receives its first application on or after July 1, 1994, for a conditional use permit pursuant to this subsection, it shall accept the application and approve or disapprove the application pursuant to this subsection unless it adopts an ordinance in accordance with subsection (1) of this section within one hundred twenty days after receiving the application. Each city shall grant a special use or a conditional use permit for the creation of a second unit if the second unit complies with all of the following:

(a) The unit is not intended for sale and may be rented;
(b) The lot is zoned for single-family or multifamily use;
(c) The lot contains an existing single-family dwelling;
(d) The second unit is either attached to the existing dwelling and located within the living area of the existing dwelling or detached from the existing dwelling and located on the same lot as the existing dwelling;
(e) Any construction shall conform to height, setback, lot coverage, architectural review, site plan review, fees, charges, and other zoning requirements generally applicable to residential construction in the zone in which the property is located;
(f) Local building code requirements which apply to detached dwellings, as appropriate; and
(g) Approval by the local health officer where a private sewage disposal system is being used, if required.

A city is not required to grant special use or conditional use permits under this section for failing to adopt an ordinance authorizing the siting of secondary units if the city makes a finding that adequate affordable housing exists within the city, or that adequate affordable housing will be provided through increased densities or other means.

(3)(a) Subsection (2) of this section establishes the maximum standards that local agencies shall use to evaluate proposed second units on lots zoned for residential use which contain an existing single-family dwelling. No additional standards, other than those provided in subsection (1) or (2) of this section, shall be utilized or imposed, except that a city may require an applicant for a permit issued pursuant to subsection (2) of this section to be an owner-occupant.

(b) This subsection does not limit the authority of local agencies to adopt less restrictive requirements for the creation of second units.

(c) No changes in zoning ordinances or other ordinances or any changes in the general plan shall be required to implement this subsection. Any local agency may amend its zoning ordinance or general plan to incorporate the policies, procedures, or other provisions applicable to the creation of second units if these provisions are consistent with the limitations of this subsection.

(d) A second unit which conforms to the requirements of this subsection shall not be considered to exceed the allowable density for the lot upon which it is located, and shall be deemed to be a residential use which is consistent with the existing general plan and zoning designations for the lot. The second units shall not be considered in the application of any local ordinance, policy, or program to limit residential growth.

(e) A city shall not adopt an ordinance which totally precludes second units within single-family and multifamily zoned areas unless the ordinance contains findings acknowledging that the ordinance may limit housing opportunities of the region and further contains findings that specific adverse impacts on the public health, safety, and welfare that would result from allowing second units within single-family and multifamily zoned areas justify adopting the ordinance.

NEW SECTION. Sec. 8. A new section is added to chapter 35A.63 RCW to read as follows:

(1) Each code city may, by ordinance, provide for the creation of second units in single-family and multifamily residential zones consistent with all of the following provisions:
(a) Areas may be designated within the jurisdiction of each code city where second units may be permitted;

(b) The designation of areas may be based on criteria, which may include, but are not limited to, the adequacy of water and sewer services and the impact of second units on traffic flow;

(c) Each code city may find that second units do not exceed the allowable density for the lot upon which the second unit is located, and that second units are a residential use that is consistent with the existing general plan and zoning designation for the lot;

(d) The second units created shall not be considered in the application of any local ordinance, policy, or program to limit residential growth; and

(e) Each code city may establish a process for the issuance of a conditional use permit for second units. Before a city designates areas within the city where second units may be permitted, it shall provide neighborhood groups an opportunity to submit a neighborhood plan that addresses how the impacts of second units on parking and other matters may be mitigated. The city shall assist neighborhood groups with the development of the plan when possible.

(2) When a code city with a population of at least twenty thousand which has not adopted an ordinance governing second units in accordance with subsection (1) of this section receives its first application on or after July 1, 1994, for a conditional use permit pursuant to this subsection, it shall accept the application and approve or disapprove the application pursuant to this subsection unless it adopts an ordinance in accordance with subsection (1) of this section within one hundred twenty days after receiving the application. Each code city shall grant a special use or a conditional use permit for the creation of a second unit if the second unit complies with all of the following:

(a) The unit is not intended for sale and may be rented;

(b) The lot is zoned for single-family or multifamily use;

(c) The lot contains an existing single-family dwelling;

(d) The second unit is either attached to the existing dwelling and located within the living area of the existing dwelling or detached from the existing dwelling and located on the same lot as the existing dwelling;

(e) Any construction shall conform to height, setback, lot coverage, architectural review, site plan review, fees, charges, and other zoning requirements generally applicable to residential construction in the zone in which the property is located;

(f) Local building code requirements which apply to detached dwellings, as appropriate; and

(g) Approval by the local health officer where a private sewage disposal system is being used, if required.

A city is not required to grant special use or conditional use permits under this section for failing to adopt an ordinance authorizing the siting of secondary units if the city makes a finding that adequate affordable housing exists within the city, or that adequate affordable housing will be provided through increased densities or other means.

(3)(a) Subsection (2) of this section establishes the maximum standards that local agencies shall use to evaluate proposed second units on lots zoned for residential use which contain an existing single-family dwelling. No additional standards, other than those provided in subsection (1) or (2) of this section, shall be utilized or imposed, except that a code city may require an applicant for a permit issued pursuant to subsection (2) of this section to be an owner-occupant.

(b) This subsection does not limit the authority of local agencies to adopt less restrictive requirements for the creation of second units.

(c) No changes in zoning ordinances or other ordinances or any changes in the general plan shall be required to implement this subsection. Any local agency may amend its zoning ordinance or general plan to incorporate the policies, procedures, or
other provisions applicable to the creation of second units if these provisions are consistent with the limitations of this subsection.

(d) A second unit which conforms to the requirements of this subsection shall not be considered to exceed the allowable density for the lot upon which it is located, and shall be deemed to be a residential use which is consistent with the existing general plan and zoning designations for the lot. The second units shall not be considered in the application of any local ordinance, policy, or program to limit residential growth.

(e) A code city shall not adopt an ordinance which totally precludes second units within single-family and multifamily zoned areas unless the ordinance contains findings acknowledging that the ordinance may limit housing opportunities of the region and further contains findings that specific adverse impacts on the public health, safety, and welfare that would result from allowing second units within single-family and multifamily zoned areas justify adopting the ordinance.

NEW SECTION. Sec. 9. A new section is added to chapter 36.70 RCW to read as follows:

A county is not required to grant special use or conditional use permits under this section for failing to adopt an ordinance authorizing the siting of secondary units if the county makes a finding that adequate affordable housing exists within the county, or that adequate affordable housing will be provided through increased densities or other means.

(3)(a) Subsection (2) of this section establishes the maximum standards that local agencies shall use to evaluate proposed second units on lots zoned for residential use which contain an existing single-family dwelling. No additional standards, other than those provided in subsection (1) or (2) of this section, shall be utilized or imposed, except that a county may require an applicant for a permit issued pursuant to subsection (2) of this section to be an owner-occupant.

NEW SECTION. Sec. 10. A new section is added to chapter 36.70A RCW to read as follows:

(1) Each city and county may, by ordinance, provide for the creation of second units in single-family and multifamily residential zones consistent with all of the following provisions:

(3)(a) Subsection (2) of this section establishes the maximum standards that local agencies shall use to evaluate proposed second units on lots zoned for residential use which contain an existing single-family dwelling. SB 5816 Prime Sponsor, Senator McCaslin: Allowing the county to award to multiple bidders for the procurement of road maintenance materials. Reported by Committee on Local Government

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 36.32 RCW to read as follows:

A city when calling for competitive bids for the procurement of road maintenance materials may award to multiple bidders for the same commodity when the bid specifications provide for the factors of haul distance to be included in the determination of which vendor is truly the lowest price to the city. The city may readvertise for additional bidders and vendors if it deems it necessary in the public interest.

NEW SECTION. Sec. 2. A new section is added to chapter 36.88 RCW to read as follows:

At its option, a county may include the value of right of way or property that is donated or given to the county for purposes of an improvement to be financed by a road improvement district, together with the costs of acquiring other rights of way or property for the improvement that was not donated or given to the county, in the costs of the improvement and credit or reduce the assessments imposed on benefited property for the value of the right of way or property that the owner of the benefited property donated or gave to the county for the improvement.

Sec. 3. RCW 36.70.540 and 1963 c 4 s 36.70.540 are each amended to read as follows:

Whenever a county legislative authority has approved by motion and certified all or part of a comprehensive plan, no road, square, park or other public ground or open space shall be acquired by dedication or otherwise and no public building or structure shall be constructed or authorized to be constructed in the area to which the comprehensive plan applies until its location, purpose and extent has been submitted to and reported upon by
the planning agency. The report by the planning agency shall set forth the manner and
the degree to which the proposed project does or does not conform to the objectives of
the comprehensive plan. If final authority is vested by law in some governmental officer
or body other than the (board) county legislative authority, such officer or governmental
body shall report the project to the planning agency and the planning agency shall render
its report to such officer or governmental body. In both cases the report of the planning
agency shall be advisory only. Failure of the planning agency to report on such matter
so referred to it within forty days or such longer time as the (board) county legislative
authority or other governmental officer or body may indicate, shall be deemed to be
approval.

Sec. 4. RCW 47.76.030 and 1990 c 43 s 11 are each amended to read as follows:

(1) The essential rail assistance account is hereby created in the state treasury.
Moneys in the account may be appropriated only for the purposes specified in this
section.

(2) Moneys appropriated from the account to the department of transportation may
be distributed by the department to first class cities, county rail districts, counties, and
port districts for the purpose of:

(a) Acquiring, maintaining, or improving branch rail lines;
(b) Operating railroad equipment necessary to maintain essential rail service;
(c) Construction of transloading facilities to increase business on light density lines
or to mitigate the impacts of abandonment; or
(d) Preservation, including operation, of viable light density lines, as identified by
the Washington state department of transportation, in compliance with this chapter.

(3) First class cities, county rail districts, counties, and port districts may grant
franchises to private railroads for the right to operate on lines acquired, repaired, or
improved under this chapter.

(4) If rail lines or rail rights of way are used by county rail districts, port districts,
state agencies, or other public agencies for the purposes of rail operations and are later
abandoned, the rail lines or rail rights of way cannot be used for any other purposes
without the consent of the underlying fee title holder or reversionary rights holder, or
compensation has been made to the underlying fee title holder or reversionary rights
holder.

(5) Moneys distributed under subsection (2) of this section shall not exceed eighty
percent of the cost of the service or project undertaken. At least twenty percent of the
cost shall be provided by the first class city, county, port district, or other local sources.

(6) The amount distributed under this section shall be repaid to the state by the first
class city, county rail district, county, or port district. The repayment shall occur within
a period not longer than fifteen years, as set by the department, of the distribution of the
moneys and shall be deposited in the essential rail assistance account. The repayment
schedule and rate of interest, if any, shall be set at the time of the distribution of the
moneys.

(7) All earnings of investments of balances in the essential rail assistance account
shall be credited to that account except as provided in RCW 43.84.090 and 43.84.092.

Sec. 5. RCW 47.76.040 and 1985 c 432 s 3 are each amended to read as follows:

The department shall sell property acquired under RCW 47.76.030 to a county rail
district established under chapter 36.60 RCW, a county, a port district, or any other public
or private entity authorized to operate rail service. Any public or private entity which
originally donated funds to the department pursuant to RCW 47.76.030 shall receive
credit against the purchase price for the amount donated to the department, less
management costs, in the event such public or private entity purchases the property from
the department.

If no county rail district, county, port district, or other public or private entity
authorized to operate rail service offers to purchase such property within six years after
its acquisition by the department, the department may sell such property in the manner provided in RCW 47.76.050. Failing this, the department may sell or convey all such property in the manner provided in RCW 47.76.060 or 47.76.080.

Sec. 6. RCW 47.76.160 and 1990 c 43 s 7 are each amended to read as follows:

(1) The essential rail banking account is created in the state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the purposes specified in this section.

(2) Moneys in the account may be used by the department to:
(a) Purchase unused rail rights of way; or
(b) Provide up to eighty percent of the funding through loans to first class cities, port districts, counties, and county rail districts to purchase unused rail rights of way.

(3) Use of the moneys pursuant to subsection (2) of this section shall be for rights of way that meet the following criteria:
(a) The right of way has been identified, evaluated, and analyzed in the state rail plan prepared pursuant to this chapter;
(b) The right of way may be or has been abandoned;
(c) The right of way has potential for future rail service; and
(d) Reestablishment of rail service would benefit the state of Washington; and this benefit shall be based on the public and private costs and benefits of reestablishing the service compared with alternative service including necessary road improvement costs, or of taking no action.

Funds in the account may be expended for this purpose only with legislative appropriation. Funds for acquisition of any line shall be expended only after obtaining the approval of the legislative transportation committee. The department may also expend funds from the receipt of a donation of funds sufficient to cover the property acquisition and management costs. The department may receive donations of funds for this purpose, which shall be conditioned upon, and made in consideration for the repurchase rights contained in RCW 47.76.040. The department or the participating local jurisdiction shall be responsible for maintaining the right of way, including provisions for fire and weed control and for liability associated with ownership. Nothing in this section and in RCW 47.76.140 and 47.76.030 shall be interpreted or applied so as to impair the reversionary rights of abutting landowners, if any, without just compensation.

(4) All earnings of investments of balances in the essential rail banking account shall be credited to that account except as provided in RCW 43.84.090 and 43.84.092.

On page 1, line 1 of the title, after "counties," strike the remainder of the title and insert "amending RCW 36.70.540, 47.76.030, 47.76.040, and 47.76.160; adding a new section to chapter 36.32 RCW; and adding a new section to chapter 36.88 RCW."

SB 5821 Prime Sponsor, Senator Craswell: Modifying provisions relating to the creation of air pollution control authorities. Reported by Committee on Environmental Affairs
MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 70.94.053 and 1987 c 505 s 60 and 1987 c 109 s 34 are each reenacted and amended to read as follows:

(1) In each county of the state there is hereby created an air pollution control authority, which shall bear the name of the county within which it is located. The boundaries of each authority shall be coextensive with the boundaries of the county within which it is located. An authority shall include all incorporated and unincorporated areas of the county within which it is located.

(2) Except as provided in section 2 of this act, all authorities which are presently or may hereafter be within counties of the first class, class A or class AA, are hereby designated as activated authorities and shall carry out the duties and exercise the powers provided in this chapter. Those authorities hereby activated which encompass contiguous counties located in one or the other of the two major areas determined in RCW 70.94.011 are declared to be and directed to function as a multicounty authority.

(3) Except as provided in RCW 70.94.232, all other air pollution control authorities are hereby designated as inactive authorities.

(4) The boards of those authorities designated as activated authorities by this chapter shall be comprised of such appointees and/or county commissioners or other officers as is provided in RCW 70.94.100. The first meeting of the boards of those authorities designated as activated authorities by this chapter shall be on or before sixty days after June 8, 1967.

(5) The department is directed to conduct the necessary evaluations and delineate appropriate air pollution regions throughout the state, taking into consideration:

(a) The natural climatic and topographic features affecting the potential for buildup of air contaminant concentrations.

(b) The degree of urbanization and industrialization and the existence of activities which are likely to cause air pollution.

(c) The county boundaries as related to the air pollution regions and the practicality of administering air pollution control programs.

NEW SECTION. Sec. 2. A new section is added to chapter 70.94 RCW to read as follows:

(1) Any county that is part of a multicounty authority, pursuant to RCW 70.94.053, may withdraw from the multicounty authority after January 1, 1992, if the county wishes to provide for air quality protection and regulation by an alternate air quality authority. The county shall:

(a) Create its own single county authority;

(b) Join another existing multicounty authority with which its boundaries are contiguous;

(c) Join with one or more contiguous inactive authorities to operate as a new multicounty authority; or

(d) Become an inactive authority and subject to regulation by the department of ecology.

(2) In order to withdraw from an existing multicounty authority, the county shall comply with the following:

(a) The majority consent of the governing body of the withdrawing county and the existing multicounty authority and any other counties or authorities that are to be joined is necessary; and

(b) Make arrangements for payment at fair market value to the multicounty authority it is withdrawing from, for all in-place assets, monitors, equipment, and property, and pay all indebtedness thereto, and release any and all interest in and to the real and personal property of the multicounty authority.
(3) In order to effectuate any of the alternate arrangements in subsection (1) of this section, the procedures of this chapter to create an air pollution control authority shall be met and the actions must be taken at least six months prior to the effective date of withdrawal. The rules of the original multicounty authority shall continue in force for the withdrawing county until such time as all conditions to create an air pollution control authority have been met and payment for the equipment and property and all indebtedness has been made.

(4) At the effective date of the county's withdrawal, the remaining counties shall reorganize and reconstitute the legislative authority pursuant to this chapter. The air pollution control regulations of the existing multicounty authority shall remain in force and effect after the reorganization.

(5) If a county elects to withdraw from an existing multicounty authority, the air pollution control regulations remain in effect for the withdrawing county until suspended by the adoption of rules, regulations, or ordinances adopted under one of the alternatives of subsection (1) of this section.

NEW SECTION. Sec. 1. A new section is added to chapter 51.08 RCW to read as follows:

(1) "Employment," subject only to the provisions of this title, means personal service, of whatever nature, unlimited by the relationship of master and servant as known to the common law or any other legal relationship, including service in interstate commerce, performed for wages or under contract calling for the performance of personal services, written or oral, express or implied.

Except as expressly provided in this title, personal services are considered employment by the employer if the personal services are performed for an employing unit by one or more contractors or subcontractors, acting individually or as a partnership, and do not meet the provisions of subsection (2) of this section. However, the contractor or subcontractor is an employer under this title with respect to personal services performed by individuals for the contractor or subcontractor.

(2) Services performed by an individual in the course of employment by an employer under this title, whether by way of manual labor or otherwise, including all services performed by an individual for remuneration constitute employment unless and until it is shown to the satisfaction of the department that:

(a) The individual has been and will continue to be free from control or direction over the performance of the service, both under the contract of service and in fact; and

(b) The service is either outside the usual course of business for which the service is performed, or the service is performed outside all of the places of business of the enterprise for which the service is performed, or the individual is responsible, both under the contract and in fact, for the costs of the principal place of business from which the service is performed; and

(c) The individual is customarily engaged in an independently established trade, occupation, profession, or business, of the same nature as that involved in the contract of service, or the individual has a principal place of business for the business the individual is conducting that is eligible for a business deduction for federal income tax purposes; and

(d) The individual is filing a schedule of expenses with the internal revenue service for the type of business the individual is conducting; and

(e) The individual has established an account with the department of revenue, and other state agencies as required by the particular case, for the business the individual is conducting for the payment of all state taxes normally paid by employers and businesses and has registered for and received a unified business identifier number from the state of Washington; and

(f) The individual maintains a separate set of books or records that reflect all items of income and expenses of the business which the individual is conducting.

Sec. 2. RCW 51.08.070 and 1981 c 128 s 1 are each amended to read as follows:

2SSB 5882 Prime Sponsor, Committee on Ways & Means: Creating a drug asset forfeiture and criminal profiteering unit in the attorney general's office. Reported by Committee on Financial Institutions & Insurance

MAJORITY recommendation: Do pass with the following amendments: Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that drug asset forfeiture and criminal profiteering laws allow law enforcement officials and the courts to strip drug dealers and other successful criminals of the wealth they have acquired from their crimes and the assets they have used to facilitate those crimes. These laws are rarely used by prosecutors, however, because of the difficulty in identifying profiteering and the assets that criminals may have as a result of their crimes. It is the intent of the legislature to provide assistance to local law enforcement officials and state agencies to seize the assets of criminals and the proceeds of their profiteering.

NEW SECTION. Sec. 2. A new section is added to chapter 43.10 RCW to read as follows:

The attorney general shall: (1) Assist local law enforcement officials in the development of cases arising under the criminal profiteering laws with special emphasis on narcotics related cases; (2) assist local prosecutors in the litigation of criminal profiteering or drug asset forfeiture cases, or, at the request of a prosecutor's office,
litigate such cases on its behalf; and (3) conduct seminars and training sessions on prosecution of criminal profiteering cases and drug asset forfeiture cases.

NEW SECTION. Sec. 3. A new section is added to chapter 43.10 RCW to read as follows:

All assets recovered pursuant to section 2 of this act shall be distributed in the following manner: (1) For drug asset forfeitures, pursuant to the provisions of RCW 69.50.505; and (2) for criminal profiteering cases, pursuant to the provisions of RCW 9A.82.100.

NEW SECTION. Sec. 4. If specific funding for the purposes of this act, referencing this act by bill number, is not provided by June 30, 1991, in the omnibus appropriations act, this act shall be null and void.

On page 1, line 1 of the title, after "criminals;" strike the remainder of the title and insert "adding new sections to chapter 43.10 RCW; and creating new sections."

Excused: Representatives Dorn and Scott.

Passed to Committee on Rules for second reading.

April 4, 1991

MAJORITY recommendation: Do pass with the following amendments:
Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that the health and welfare of the people of the state of Washington require that all citizens receive essential levels of heat and electric service regardless of economic circumstance and that rising energy costs have had a negative effect on the affordability of housing for low-income citizens and have made it difficult for low-income citizens of the state to afford adequate fuel for residential space heat. The legislature further finds that level payment plans, the protection against winter heating shutoff, and house weatherization programs have all been beneficial to low-income persons.

Sec. 2. RCW 35.21.300 and 1990 1st ex.s. c 1 s 1 are each amended to read as follows:
(1) The lien for charges for service by a city waterworks, or electric light or power plant may be enforced only by cutting off the service until the delinquent and unpaid charges are paid, except that until June 30, 1991, utility service for residential space heating may be terminated between November 15 and March 15 only as provided in subsections (2) and (3) of this section. In the event of a disputed account and tender by the owner of the premises of the amount he claims to be due before the service is cut off, the right to refuse service to any premises shall not accrue until suit has been entered by the city and judgment entered in the case.
(2) Utility service for residential space heating shall not be terminated between November 15 through March 15 if the customer:
((iii)) (a) Notifies the utility of the inability to pay the bill, including a security deposit. This notice should be provided within five business days of receiving a payment overdue notice unless there are extenuating circumstances. If the customer fails to notify the utility within five business days and service is terminated, the customer can, by paying reconnection charges, if any, and fulfilling the requirements of this section, receive the protections of this chapter;

((iii)) (b) Provides self-certification of household income for the prior twelve months to a grantee of the department of community development which administers federally funded energy assistance programs. The grantee shall determine that the household income does not exceed the maximum allowed for eligibility under the state’s plan for low-income energy assistance under 42 U.S.C. 8624 and shall provide a dollar figure that is seven percent of household income. The grantee may verify information in the self-certification;

((iii)) (c) Has applied for home heating assistance from applicable government and private sector organizations and certifies that any assistance received will be applied to the current bill and future utility bills;

((iv)) (d) Has applied for low-income weatherization assistance to the utility or other appropriate agency if such assistance is available for the dwelling;

((v)) (e) Agrees to a payment plan and agrees to maintain the payment plan. The plan will be designed both to pay the past due bill by the following October 15 and to pay for continued utility service. If the past due bill is not paid by the following October 15, the customer shall not be eligible for protections under this chapter until the past due bill is paid. The plan shall not require monthly payments in excess of seven percent of the customer’s monthly income plus one-twelfth of any arrearage accrued from the date application is made and thereafter during November 15 through March 15. A customer may agree to pay a higher percentage during this period, but shall not be in default unless payment during this period is less than seven percent of monthly income plus one-twelfth of any arrearage accrued from the date application is made and thereafter. If assistance payments are received by the customer subsequent to implementation of the plan, the customer shall contact the utility to reformulate the plan; and

((vi)) (f) Agrees to pay the moneys owed even if he or she moves.

((b)) (3) The utility shall:

((i)) (a) Include in any notice that an account is delinquent and that service may be subject to termination, a description of the customer’s duties in this section;

((ii)) (b) Assist the customer in fulfilling the requirements under this section;

((iii)) (c) Be authorized to transfer an account to a new residence when a customer who has established a plan under this section moves from one residence to another within the same utility service area;

((iv)) (d) Be permitted to disconnect service if the customer fails to honor the payment program. Utilities may continue to disconnect service for those practices authorized by law other than for nonpayment as provided for in this section. Customers who qualify for payment plans under this section who default on their payment plans and are disconnected can be reconnected and maintain the protections afforded under this chapter by paying reconnection charges, if any, and by paying all amounts that would have been due and owing under the terms of the applicable payment plan, absent default, on the date on which service is reconnected; and

((v)) (e) Advise the customer in writing at the time it disconnects service that it will restore service if the customer contacts the utility and fulfills the other requirements of this section.

((3)) (4) All municipal utilities shall offer residential customers the option of a budget billing or equal payment plan. The budget billing or equal payment plan shall be offered low-income customers eligible under the state’s plan for low-income energy assistance prepared in accordance with 42 U.S.C. 8624(C)(1) without limiting availability
to certain months of the year, without regard to the length of time the customer has occupied the premises, and without regard to whether the customer is the tenant or owner of the premises occupied.

An agreement between the customer and the utility, whether oral or written, shall not waive the protections afforded under this chapter.

Sec. 3. RCW 54.16.285 and 1990 1st ex.s. c 1 s 3 are each amended to read as follows:

(1) A district providing utility service for residential space heating shall not terminate such utility service between November 15 through March 15 if the customer:

(a) Notifies the utility of the inability to pay the bill, including a security deposit. This notice should be provided within five business days of receiving a payment overdue notice unless there are extenuating circumstances. If the customer fails to notify the utility within five business days and service is terminated, the customer can, by paying reconnection charges, if any, and fulfilling the requirements of this section, receive the protections of this chapter;

(b) Provides self-certification of household income for the prior twelve months to a grantee of the department of community development which administers federally funded energy assistance programs. The grantee shall determine that the household income does not exceed the maximum allowed for eligibility under the state's plan for low-income energy assistance under 42 U.S.C. 8624 and shall provide a dollar figure that is seven percent of household income. The grantee may verify information provided in the self-certification;

(c) Has applied for home heating assistance from applicable government and private sector organizations and certifies that any assistance received will be applied to the current bill and future utility bills;

(d) Has applied for low-income weatherization assistance to the utility or other appropriate agency if such assistance is available for the dwelling;

(e) Agrees to a payment plan and agrees to maintain the payment plan. The plan will be designed both to pay the past due bill by the following October 15 and to pay for continued utility service. If the past due bill is not paid by the following October 15, the customer shall not be eligible for protections under this chapter until the past due bill is paid. The plan shall not require monthly payments in excess of seven percent of the customer's monthly income plus one-twelfth of any arrearage accrued from the date application is made and thereafter during November 15 through March 15. A customer may agree to pay a higher percentage during this period, but shall not be in default unless payment during this period is less than seven percent of monthly income plus one-twelfth of any arrearage accrued from the date application is made and thereafter. If assistance payments are received by the customer subsequent to implementation of the plan, the customer shall contact the utility to reformulate the plan; and

(f) Agrees to pay the moneys owed even if he or she moves.

(2) The utility shall:

(a) Include in any notice that an account is delinquent and that service may be subject to termination, a description of the customer's duties in this section;

(b) Assist the customer in fulfilling the requirements under this section;

(c) Be authorized to transfer an account to a new residence when a customer who has established a plan under this section moves from one residence to another within the same utility service area;

(d) Be permitted to disconnect service if the customer fails to honor the payment program. Utilities may continue to disconnect service for those practices authorized by law other than for nonpayment as provided for in this section. Customers who qualify for payment plans under this section who default on their payment plans and are disconnected can be reconnected and maintain the protections afforded under this chapter by paying reconnection charges, if any, and by paying all amounts that would have been
due and owing under the terms of the applicable payment plan, absent default, on the date on which service is reconnected; and

(e) Advise the customer in writing at the time it disconnects service that it will restore service if the customer contacts the utility and fulfills the other requirements of this section.

(3) All districts providing utility service for residential space heating shall offer residential customers the option of a budget billing or equal payment plan. The budget billing or equal payment plan shall be offered low-income customers eligible under the state’s plan for low-income energy assistance prepared in accordance with 42 U.S.C. 8624(C)(1) without limiting availability to certain months of the year, without regard to the length of time the customer has occupied the premises, and without regard to whether the customer is the tenant or owner of the premises occupied.

(4) An agreement between the customer and the utility, whether oral or written, shall not waive the protections afforded under this chapter.

Sec. 4. RCW 80.28.010 and 1990 1st ex.s. c 1 s 5 are each amended to read as follows:

(1) All charges made, demanded or received by any gas company, electrical company or water company for gas, electricity or water, or for any service rendered or to be rendered in connection therewith, shall be just, fair, reasonable and sufficient.

(2) Every gas company, electrical company and water company shall furnish and supply such service, instrumentalities and facilities as shall be safe, adequate and efficient, and in all respects just and reasonable.

(3) All rules and regulations issued by any gas company, electrical company or water company, affecting or pertaining to the sale or distribution of its product, shall be just and reasonable.

(4) Utility service for residential space heating shall not be terminated between November 15 through March 15 if the customer:

(a) Notifies the utility of the inability to pay the bill, including a security deposit. This notice should be provided within five business days of receiving a payment overdue notice unless there are extenuating circumstances. If the customer fails to notify the utility within five business days and service is terminated, the customer can, by paying reconnection charges, if any, and fulfilling the requirements of this section, receive the protections of this chapter;

The grantee shall determine that the household income does not exceed the maximum allowed for eligibility under the state’s plan for low-income energy assistance under 42 U.S.C. 8624 and shall provide a dollar figure that is seven percent of household income. The grantee may verify information provided in the self-certification;

(c) Has applied for home heating assistance from applicable government and private sector organizations and certifies that any assistance received will be applied to the current bill and future utility bills;

(d) Has applied for low-income weatherization assistance to the utility or other appropriate agency if such assistance is available for the dwelling;

(e) Agrees to a payment plan and agrees to maintain the payment plan. The plan will be designed both to pay the past due bill by the following October 15 and to pay for continued utility service. If the past due bill is not paid by the following October 15, the customer shall not be eligible for protections under this chapter until the past due bill is paid. The plan shall not require monthly payments in excess of seven percent of the customer’s monthly income plus one-twelfth of any arrearage accrued from the date
application is made and thereafter during November 15 through March 15. A customer may agree to pay a higher percentage during this period, but shall not be in default unless payment during this period is less than seven percent of monthly income plus one-twelfth of any arrearage accrued from the date application is made and thereafter. If assistance payments are received by the customer subsequent to implementation of the plan, the customer shall contact the utility to reformulate the plan; and

((vi)) (f) Agrees to pay the moneys owed even if he or she moves.

((b)) (5) The utility shall:

((i)) (a) Include in any notice that an account is delinquent and that service may be subject to termination, a description of the customer's duties in this section;

((iii)) (b) Assist the customer in fulfilling the requirements under this section;

((iii)) (c) Be authorized to transfer an account to a new residence when a customer who has established a plan under this section moves from one residence to another within the same utility service area;

((iv)) (d) Be permitted to disconnect service if the customer fails to honor the payment program. Utilities may continue to disconnect service for those practices authorized by law other than for nonpayment as provided for in this subsection. Customers who qualify for payment plans under this section who default on their payment plans and are disconnected can be reconnected and maintain the protections afforded under this chapter by paying reconnection charges, if any, and by paying all amounts that would have been due and owing under the terms of the applicable payment plan, absent default, on the date on which service is reconnected; and

((v)) (e) Advise the customer in writing at the time it disconnects service that it will restore service if the customer contacts the utility and fulfills the other requirements of this section.

((e)) (6) A payment plan implemented under this section is consistent with RCW 80.28.080.

((f)) (7) Every gas company and electrical company shall offer residential customers the option of a budget billing or equal payment plan. The budget billing or equal payment plan shall be offered low-income customers eligible under the state's plan for low-income energy assistance prepared in accordance with 42 U.S.C. 8624(C)(1) without limiting availability to certain months of the year, without regard to the length of time the customer has occupied the premises, and without regard to whether the customer is the tenant or owner of the premises occupied.

((g)) (8) Every gas company, electrical company and water company shall construct and maintain such facilities in connection with the manufacture and distribution of its product as will be efficient and safe to its employees and the public.

((h)) (9) An agreement between the customer and the utility, whether oral or written, shall not waive the protections afforded under this chapter.

NEW SECTION. Sec. 1. It is the intent of the legislature to provide timely, thorough, and fair procedures for resolution of grievances of clients, foster parents, and the community resulting from decisions made by the department of social and health services related to programs administered pursuant to this chapter. Grievances should be resolved at the lowest level possible. However, all levels of the department should be accountable and responsible to individuals who are experiencing difficulties with agency services or decisions. It is the intent of the legislature that grievance procedures be made available to individuals who do not have other remedies available through judicial review or adjudicative proceedings.

NEW SECTION. Sec. 2. A new section is added to chapter 74.13 RCW to read as follows:

The department shall develop and implement an informal, nonadversarial complaint resolution process to be used by clients of the department, foster parents, and other affected individuals who have complaints regarding a department policy or procedure, or the application of such a policy or procedure, related to programs administered under this chapter. The process shall not apply in circumstances where the complainant has the right under Title 13, 26, or 74 RCW to seek resolution of the complaint through judicial review or through an adjudicative proceeding.

Nothing in this section shall be construed to create substantive or procedural rights in any person. Participation in the complaint resolution process shall not entitle any person to an adjudicative proceeding under chapter 34.05 RCW or to superior court review. Participation in the process shall not affect the right of any person to seek other statutorily or constitutionally permitted remedies.

The department shall develop procedures to assure that clients and foster parents are informed of the availability of the complaint resolution process and how to access it. The department shall incorporate information regarding the complaint resolution process into the training for foster parents and caseworkers.

The department shall compile complaint resolution data including the nature of the complaint and the outcome of the process. The department shall submit semi-annual reports, due January and July of each year, beginning July 1992, to the senate children and family services committee and the house of representatives human services committee.

Sec. 3. RCW 13.34.110 and 1983 c 311 s 4 are each amended to read as follows:

The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor, and after it has announced its findings of fact shall hold a hearing to consider disposition of the case immediately following the fact-finding hearing or at a continued hearing within fourteen days or longer for good cause shown. The parties need not appear at the fact-finding or dispositional hearing if all are in agreement; but the court shall receive and review a social study before entering an order based on agreement. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by mail of the time and place of any continued hearing.
All hearings may be conducted at any time or place within the limits of the county, and such cases may not be heard in conjunction with other business of any other division of the superior court. The general public shall be excluded, and only such persons may be admitted who are found by the judge to have a direct interest in the case or in the work of the court. If a child resides in foster care or in the home of a relative pursuant to a disposition order entered under RCW 13.34.130, the court may allow the child’s foster parent or relative care provider to attend dependency review proceedings pertaining to the child for the sole purpose of providing information about the child to the court. Stenographic notes or any device which accurately records the proceedings may be required as provided in other civil cases pursuant to RCW 2.32.200.

Sec. 4. RCW 74.13.280 and 1990 c 284 s 10 are each amended to read as follows:

(1) Except as provided in RCW 70.24.105, whenever a child is placed in out-of-home care by the department or a child-placing agency, the department or agency may share information about the child and the child’s family with the care provider and may consult with the care provider regarding the child’s case plan. If the child is dependent pursuant to a proceeding under chapter 13.34 RCW, the department or agency shall keep the care provider informed regarding the dates and location of dependency review hearings pertaining to the child.

(2) Any person who receives information about a child or a child’s family pursuant to this section shall keep the information confidential and shall not further disclose or disseminate the information except as authorized by law.

(3) Nothing in this section shall be construed to limit the authority of the department or child-placing agencies to disclose client information or to maintain client confidentiality as provided by law.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

MAJORITY Recommendation: Do pass as amended by Committee on State Government (For committee amendments, see Journal, 82nd Day, April 5, 1991.) as amended with the following amendments by Committee on Appropriations:

On page 16, after line 24 of the amendments, strike all material through the remainder of the amendments and insert the following:

NEW SECTION. Sec. 8. A new section is added to chapter 42.40 RCW to read as follows:

(1) Each local government is encouraged to adopt a whistleblower program so that its employees can disclose improper governmental actions without fear of retaliation. Each local government and its employees also shall be subject to the provisions of this chapter as if the local government were a state agency and its employees state employees. However, the auditor may decline to investigate a report of improper governmental action from a local government employee if the local government has a whistleblower program that has been approved under subsection (2) of this section and if the local government has agreed to conduct an investigation of the report. For purposes of applying the provisions of this chapter to a local government and its employees, the reference to a "state law or rule" in RCW 42.40.020(3)(a)(ii) also shall include local government laws or rules; and the term "improper governmental action" in RCW 42.40.020(3)(b) also does not include actions covered by a local government civil service system, personnel system, or collective bargaining system or law. A local government employee who is a whistleblower as a result of this subsection is also a whistleblower under chapter 49.60 RCW.

(2) Any local government may submit its whistleblower program to the state auditor and request the auditor to approve the program. The state auditor shall approve any local government program that the auditor finds accomplishes the purposes of the provisions of the state whistleblower program. In considering whether or not to approve a local government whistleblower program, the state auditor shall take into consideration the degree to which local government whistleblower complaints will be investigated and the amount of protection offered to local government whistleblowers against retaliatory actions.

(3) Any person who is a whistleblower under an approved local government whistleblower program also is a whistleblower under RCW 42.40.020 for purposes of the application of chapter 49.60 RCW.

NEW SECTION. Sec. 9. (1) Sections 8 and 11 of this act shall become effective on July 1, 1992.
(2) Prior to July 1, 1992, the state auditor shall establish and consult with a nine-member committee of officials or their representatives from cities, counties, school districts, and special purpose districts to develop model whistleblower programs that meet the intent and requirements of this act and that conform to the structure and procedures of the different types and sizes of affected local governments. The state auditor shall also consult with the state human rights commission with respect to the development of the model programs.

(3) The committee established in subsection (2) of this section and the state auditor may make recommendations to the legislature by December 1, 1991, on amendments to this act that are necessary to develop workable local government programs.

NEW SECTION. Sec. 10. A new section is added to chapter 42.40 RCW to read as follows:

(1) No local government or local government official or supervisory employee may take any retaliatory action against an employee of the local government as a result of the employee's good faith report of improper governmental action by the local government or by any of its officials or employees. Any person who is retaliated against in violation of this section has a right of action for damages against the offending local government, official or employee. In any such action, the court also may require the defendants to cease and desist from such retaliatory action, and to take such affirmative action as the court believes appropriate, including but not limited to reinstatement or upgrading of the employment position. For purposes of this section, the following definitions apply: (a) "Good faith report" means a good faith report to a governmental official or employee who the reporting employee believes possesses authority to investigate the matter reported; (b) "Improper governmental action" has the meaning prescribed under RCW 42.40.020(3) except that the reference to "state law or rule" in subsection (3)(a)(ii) also includes local government laws or rules and that "improper governmental action" does not include any action taken under a local government civil service system, personnel system, or collective bargaining system or law; and (c) "Retaliatory action" has the meaning prescribed under RCW 42.40.050 for "reprisal or retaliatory action."

(2) This section expires on July 1, 1992.

NEW SECTION. Sec. 11. A new section is added to chapter 43.09 RCW to read as follows:

The expense of approving local government whistleblower programs and investigating improper local governmental activity as provided in chapter 42.40 RCW shall be borne by each entity submitting a program for approval or subject to such investigation. Procedures established by the division of municipal corporations concerning the municipal revolving fund shall be made applicable to these investigations and their expenses.

NEW SECTION. Sec. 12. The sum of twenty thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1993, from the general fund to the human rights commission for the purposes of this act.

2SSB 5568 Prime Sponsor, Committee on Ways & Means: Addressing hunger and nutritional problems. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. Hunger and malnutrition threaten the future of a whole generation of children in Washington. Children who are hungry or malnourished are unable to function optimally in the classroom and are thus at risk of lower achievement in school. The resultant diminished future capacity of and opportunities for these children will affect this state's economic and social future. Thus, the legislature finds that the state has an interest in helping families provide nutritious meals to children.

The legislature also finds that the state has an interest in helping hungry and malnourished adults obtain necessary nourishment. Adequate nourishment is necessary for physical health, and physical health is the foundation of self-sufficiency. Adequate nourishment is especially critical in the case of pregnant and lactating women, both to ensure that all mothers and babies are as healthy as possible and to minimize the costs associated with the care of low-birthweight babies.

"PART I
WIC"

NEW SECTION. Sec. 101. The legislature finds that the special supplemental food program for women, infants, and children has proven effective in preventing infant mortality, reducing the number of undernourished children with retarded growth, reducing the incidence of delayed cognitive development and decreasing the number of low-birthweight babies. However, not all of the eligible mothers and children in this state are currently served by the program. Therefore, the legislature intends to increase the number of eligible women and children served by the program.

"PART II
EMERGENCY FOOD ASSISTANCE PROGRAM"

NEW SECTION. Sec. 201. The legislature finds that the emergency food assistance program has been successful in defraying the costs of operating food banks and food distribution programs in the state. However, current resources are inadequate to meet the needs of the hungry and malnourished people in this state. Additional funding for the emergency food assistance program is needed to provide for the purchase, transportation, and storage of food and to support the operation of food banks, food distribution programs, and tribal voucher programs.

Additionally, many of the people who receive food from food banks have special nutritional needs that are not currently being met. These include infants and children with disabilities, pregnant and lactating women, adults with chronic diseases, people with
acquired immune deficiency syndrome, people with lactose intolerance, people who have
difficulty chewing, alcoholics, intravenous drug users, and people with cultural food
preferences. The legislature finds that additional funds to provide special nutritional foods
are necessary and that training regarding these special nutritional needs is needed for food
bank staff and volunteers.

"PART III
FOOD STAMPS"

NEW SECTION. Sec. 301. The legislature finds that delays in receiving food
stamps often drive hungry families to food banks. Expediting the issuance of food stamps
to eligible applicants will ease some of the pressure on the food bank system. The
legislature also finds that some of those who currently apply for the expedited issuance
of food stamps are not receiving them within the five-day waiting period. Therefore, the
department is directed to issue food stamps to eligible applicants within twenty-four hours
of application.

NEW SECTION. Sec. 302. The department shall issue expedited food stamps to
eligible recipients within twenty-four hours of application. The department shall establish
an eligibility process for the expedited issuance of food stamps that conforms to federal
requirements and results in the least additional workload increase to department staff.

"PART IV
NUTRITIONAL PROGRAMS"

NEW SECTION. Sec. 401. The legislature finds that the school breakfast and
lunch programs, the summer feeding program, and the child and adult day care feeding
programs authorized by the United States department of agriculture are effective in
addressing unmet nutritional needs. However, some communities in the state do not
participate in these programs. The result is hunger, malnutrition, and inadequate nutrition
education for otherwise eligible persons living in nonparticipating communities.

NEW SECTION. Sec. 402. The superintendent of public instruction shall
aggressively solicit eligible schools, child and adult day care centers, and other
organizations to participate in the nutrition programs authorized by the United States
department of agriculture.

"PART V
MISCELLANEOUS"

NEW SECTION. Sec. 501. Following the 1991 legislative session, the senate
children and family services committee and the house of representatives human services
committee shall conduct a joint interim study on:
(1) The need for nutrition programs for at-risk youth;
(2) The nutritional needs of persons served in out-of-home care settings;
(3) The nutritional needs of senior citizens; and
(4) The nutritional needs of persons under the age of sixty who receive services
through the long-term care system.

NEW SECTION. Sec. 502. Parts and headings as used in this act constitute no
part of the law.

NEW SECTION. Sec. 503. If any provision of this act or its application to any
person or circumstance is held invalid, the remainder of the act or the application of the
provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 504. This act is necessary for the immediate preservation
of the public peace, health, or safety, or support of the state government and its existing
public institutions, and shall take effect July 1, 1991.

NEW SECTION. Sec. 505. If specific funding for the purposes of section 101 of
this act, referencing section 101 of this act by bill number and section, is not provided
by June 30, 1991, in the omnibus appropriations act, section 101 of this act shall be null
and void.
NEW SECTION. Sec. 506. If specific funding for the purposes of section 201 of this act, referencing section 201 of this act by bill number and section, is not provided by June 30, 1991, in the omnibus appropriations act, section 201 of this act shall be null and void.

NEW SECTION. Sec. 507. If specific funding for the purposes of sections 301 and 302 of this act, referencing sections 301 and 302 of this act by bill number and section, is not provided by June 30, 1991, in the omnibus appropriations act, sections 301 and 302 of this act shall be null and void.

NEW SECTION. Sec. 508. If specific funding for the purposes of section 402 of this act, referencing section 402 of this act by bill number and section, is not provided by June 30, 1991, in the omnibus appropriations act, section 402 of this act shall be null and void.

Sec. 101. RCW 70.93.020 and 1979 c 94 s 2 are each amended to read as follows:
The purpose of this chapter is to accomplish litter control and stimulate private recycling programs throughout this state by delegating to the department of ecology the authority to:
(1) Conduct a permanent and continuous program to control and remove litter from this state to the maximum practical extent possible;
(2) Recover and recycle waste materials related to litter and littering;
(3) Foster private recycling and markets for recyclable materials; and

It is further the intent and purpose of this chapter to create jobs for employment of youth in litter cleanup and related activities and to stimulate and encourage small, private recycling centers. This program shall include the compatible goal of recovery of recyclable materials to conserve energy and natural resources wherever practicable. Every other
department of state government and all local governmental units and agencies of this state
shall cooperate with the department of ecology in the administration and enforcement of
this chapter. The intent of this chapter is to add to and to coordinate existing recycling
and litter control and removal efforts and not terminate or supplant such efforts.

NEW SECTION. Sec. 106. The legislature finds and declares that:

(1) The management of solid waste can pose a wide range of hazards to public health and safety and to the environment;

(2) Packaging comprises a significant percentage of the overall solid waste stream;

(3) The presence of heavy metals in packaging is a part of the total concern in light of their likely presence in emissions or ash when packaging is incinerated, or in leachate when packaging is landfilled;

(4) Lead, mercury, cadmium, and hexavalent chromium, on the basis of available scientific and medical evidence, are of particular concern;

(5) The intent of this chapter is to achieve a reduction in toxicity without impeding or discouraging the expanded use of postconsumer materials in the production of packaging and its components.

NEW SECTION. Sec. 109. All packages and packaging components shall be subject to this chapter except the following:

1. Those packages or package components with a code indicating date of manufacture that were manufactured prior to the effective date of this section;
2. Those packages or packaging components that have been purchased by, delivered to, or are possessed by a retailer on or before twenty-four months following the effective date of this section to permit opportunity to clear existing inventory of the proscribed packaging material;
3. Those packages or packaging components to which lead, cadmium, mercury, or hexavalent chromium have been added in the manufacturing, forming, printing, or distribution process in order to comply with health or safety requirements of federal law or for which there is no feasible alternative; or

The certificate of compliance shall be signed by an authorized official of the manufacturing company. The certificate of compliance shall be kept on file by the manufacturer for as long as the package or packaging component is in use, and for three years from the date of the last sale or distribution by the manufacturer. Certificates of compliance, or copies thereof, shall be furnished to the department of ecology upon request within sixty days. If manufacturers are required under any other state statute to provide a certificate of compliance, one certificate may be developed containing all required information.

If the manufacturer or supplier of the package or packaging component reformulates or creates a new package or packaging component, the manufacturer shall develop an amended or new certificate of compliance for the reformulated or new package or packaging component.

NEW SECTION. Sec. 111. Requests from a member of the public for any certificate of compliance shall be:

1. Made in writing to the department of ecology;
2. Made specific as to package or packaging component information requested; and
3. Responded to by the department of ecology within ninety days.

NEW SECTION. Sec. 112. The department of ecology may prohibit the sale of any package for which a manufacturer has failed to respond to a request by the department for a certificate of compliance within the allotted period of time pursuant to section 110 of this act.
NEW SECTION. Sec. 113. By July 1, 1993, the solid waste advisory committee created under chapter 70.95 RCW shall report to the appropriate standing committees of the legislature on the effectiveness of reducing toxic metals from packaging. The report shall contain recommendations to add other toxic substances contained in packaging to the list set forth in this chapter, including but not limited to mutagens, carcinogens, and teratogens, in order to further reduce the toxicity of packaging waste, and shall contain a recommendation regarding imposition of penalty for violation of section 108 of this act, and a recommendation whether or not to continue the recycling exemption as it is provided for in section 109 of this act.

The office of waste reduction shall develop, in consultation with the superintendent of public instruction, an awards program to achieve waste reduction and recycling in the public schools, grades kindergarten through high school. The office shall develop guidelines for program development and implementation. Each public school shall implement a waste reduction and recycling program conforming to guidelines developed by the office.

For the purpose of granting awards, the office may group schools into not more than three classes, based upon student population, distance to markets for recyclable materials, and other criteria, as deemed appropriate by the office. Except as otherwise provided, five or more awards shall be granted to each of the three classes. Each award shall be a sum of not less than two thousand dollars nor more than five thousand dollars. Awards shall be granted each year to the schools that achieve the greatest levels of waste reduction and recycling. ((Each)) A single award ((shall be of a sum)) of not less than ((ten)) five thousand dollars shall be presented to the school having the best recycling program as measured by the total amount of materials recycled, including materials generated outside of the school. A single award of not less than five thousand dollars shall be presented to the school having the best waste reduction program as determined by the office. ((The office shall also develop recommendations for an awards program for waste reduction in the public schools. The office shall submit these recommendations to the appropriate standing committees in the house of representatives and senate on or before November 30, 1989.))

PART II

CLEAN WASHINGTON CENTER

NEW SECTION. Sec. 201. (1) The legislature finds that:

(a) Recycling conserves energy and landfill space, provides jobs and valuable feedstock materials to industry, and promotes health and environmental protection;

(b) Seventy-eight percent of the citizens of the state actively participate in recycling programs and Washington currently has the highest recycling rate in the nation;

(c) The current supply of many recycled commodities far exceeds the demand for such commodities;

(d) Many local governments and private entities cumulatively affect, and are affected by, the market for recycled commodities but have limited jurisdiction and cannot adequately address the problems of market development that are complex, wide-ranging, and regional in nature; and

(e) The private sector has the greatest capacity for creating and expanding markets for recycled commodities, and the development of private markets for recycled commodities is in the public interest.

(2) It is therefore the policy of the state to create a single entity to be known as the clean washington center to develop new, and expand existing, markets for recycled commodities.

NEW SECTION. Sec. 202. There is created the clean washington within the department of trade and economic development. As used in this chapter, “center” means the clean washington center.

NEW SECTION. Sec. 203. The purpose of the center is to provide or facilitate business assistance, basic and applied research and development, marketing, public education, and policy analysis in furthering the development of markets for recycled products. As used in this chapter, market development consists of public and private activities that are used to overcome impediments preventing full use of secondary materials diverted from the waste stream, and that encourage and expand use of those materials and subsequent products. In fulfilling this mission the center shall primarily direct its services to recycling businesses, which as used in this chapter mean those businesses engaged in transforming or remanufacturing waste materials into usable or marketable materials or products for use other than landfill disposal or incineration.

NEW SECTION. Sec. 204. (1) The center’s activities shall be conducted with the assistance of a policy board. Except as otherwise provided, policy board members shall be appointed by the directors of the department of trade and economic development and department of ecology as follows:

(a) Two representatives of the legislature, one appointed by the speaker of the house of representatives and one appointed by the president of the senate;

(b) One member to represent cities;

(c) One member to represent counties;

(d) Five private sector members to represent the end users and marketers of post consumer recovered materials, including one member to represent recycling businesses;

(e) The directors of the departments of trade and economic development and ecology shall represent the executive branch as non-voting members; and

(f) Non-voting, temporary appointments to the board can be made by the chairman where specific expertise is needed.

(2) The initial appointments of the five private sector members will be two members with three-year terms and three members with two year terms. Thereafter, members shall serve two-year renewable terms. Vacancies shall be filled by the chair with majority consent from the members.
(3) Members of the board, exclusive of those representing the legislative or executive branches, shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

(4) The board shall meet at least quarterly.

(5) The chair shall be elected from among the members by a simple majority vote.

(6) The board may adopt and exercise bylaws for the regulation of its business for the purposes of this chapter.

NEW SECTION. Sec. 205. The center shall:

(1) Provide targeted business assistance to recycling businesses, including:
   (a) Development of business plans;
   (b) Market research and planning information;
   (c) Access to financing programs;
   (d) Referral and information on market conditions; and
   (e) Information on new technology and product development;

(2) Negotiate voluntary agreements with manufacturers to increase the use of recycled materials in product development;

(3) Support and provide research and development to stimulate and commercialize new and existing technologies and products using recycled materials;

(4) Undertake an integrated, comprehensive education effort directed to recycling businesses to promote processing, manufacturing, and purchase of recycled products, including:
   (a) Provide information to recycling businesses on the availability and benefits of using recycled materials;
   (b) Provide information and referral services on recycled material markets;
   (c) Provide information on new research and technologies that may be used by local businesses and governments; and
   (d) Participate in projects to demonstrate new market uses or applications for recycled products;

(5) Assist the departments of ecology and general administration in the development of consistent definitions and standards on recycled content, product performance, and availability;

(6) Undertake studies on the unmet capital needs of reprocessing and manufacturing firms using recycled materials;

(7) Undertake and participating in marketing promotions for the purposes of achieving expanded market penetration for recycled content products;

(8) Coordinate with the department of ecology to ensure that the education programs of both are mutually reinforcing, with the center acting as the lead entity with respect to recycling businesses, and the department as the lead entity with respect to the general public and retailers;

(9) Develop an annual work plan. The plan shall describe actions and recommendations for developing markets for commodities comprising a significant percentage of the waste stream and having potential for use as an industrial or commercial feedstock. The initial plan shall address, but not be limited to, mixed waste paper, waste tires, yard and food waste, and plastics; and

(10) Represent the state in regional and national market development issues.

NEW SECTION. Sec. 206. In order to carry out its responsibilities under this chapter, the center may:

(1) Receive such gifts, grants, funds, fees, and endowments, in trust or otherwise, for the use and benefit of the purposes of the center. The center may expend the same or any income therefrom according to the terms of the gifts, grants, or endowments;

(2) Initiate, conduct, or contract for studies and searches relating to market development for recyclable materials, including but not limited to applied research, technology transfer, and pilot demonstration projects;

(6) Provide business and marketing assistance to public and private sector entities within the state; and
(7) Evaluate, analyze, and make recommendations on state policies that may affect markets for recyclable materials.

NEW SECTION. Sec. 207. The center shall solicit financial contributions and support from manufacturing industries and other private sector sources, foundations, and grants from governmental sources to assist in conducting its activities. It may also use separately appropriated funds of the department of trade and economic development for the center's activities.

NEW SECTION. Sec. 208. The center may appoint advisory committees to assist in the development or implementation of the work plan.

NEW SECTION. Sec. 209. The center shall terminate on June 30, 1997.

Sec. 210. RCW 43.31.545 and 1989 c 431 s 64 are each amended to read as follows:

(1) The department is the lead state agency to assist in establishing and improving markets for recyclable materials generated in the state. (This priority on creating and expanding a recyclables market should be fully integrated into the current targeted sector marketing programs of the department. In carrying out these marketing responsibilities, the department shall work closely with the office of waste reduction in the department of ecology.)

(2) The department of trade and economic development, with the assistance of the department of ecology and the committee for recycling markets created by RCW 43.31.552, shall develop programs to accomplish the following:
   (a) Develop new markets inside and outside this state for recycled materials;
   (b) Attract new businesses to this state whose purpose is to use recycled materials;

NEW SECTION. Sec. 211. Section headings as used in this chapter do not constitute any part of the law.

NEW SECTION. Sec. 212. A new section is added to chapter 70.93 RCW to read as follows:

There is created an account within the state treasury to be known as the clean Washington account. Moneys deposited in the clean Washington account shall be subject to appropriation and shall be used for the administration and implementation of the clean Washington center established under section 204 of this act.

NEW SECTION. Sec. 213. The following acts or parts of acts are each repealed:
(1) RCW 43.31.552 and 1989 c 431 s 100;

PART III
USED OIL RECYCLING

NEW SECTION. Sec. 301. INTENT. (1) The legislature finds that:
(a) Millions of gallons of used oil are generated each year in this state, and used oil is a valuable petroleum resource that can be recycled;
(b) The improper collection, transportation, recycling, use, or disposal of used oil contributes to the pollution of air, water, and land, and endangers public health and welfare;
(c) The private sector is a vital resource in the collection and recycling of used oil and should be involved in its collection and recycling whenever practicable.
(2) In light of the harmful consequences of improper disposal and use of used oil, and its value as a resource, the legislature declares that the collection, recycling, and reuse of used oil is in the public interest.
(3) The department, when appropriate, should promote the rerefining of used oil in its grants, public education, regulatory, and other programs.

NEW SECTION. Sec. 302. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
(1) "Rerefining used oil" means the reclaiming of base lube stock from used oil for use again in the production of lube stock. Rerefining used oil does not mean combustion or landfilling.
(2) "Used oil" means: (a) Lubricating fluids that have been removed from an engine crankcase, transmission, gearbox, hydraulic device, or differential of an automobile, bus, truck, vessel, plane, heavy equipment, or machinery powered by an internal combustion engine; (b) any oil that has been refined from crude oil, used, and as a result of use, has been contaminated with physical or chemical impurities; and (c) any oil that has been refined from crude oil and, as a consequence of extended storage, spillage, or contamination, is no longer useful to the original purchaser.
(3) "Public used oil collection site" means a site where a used oil collection tank has been placed for the purpose of collecting household generated used oil. "Public used oil collection site" also means a vehicle designed or operated to collect used oil from the public.
(4) "Lubricating oil" means any oil designed for use in, or maintenance of, a vehicle, including, but not limited to, motor oil, gear oil, and hydraulic oil. "Lubricating oil" does not mean petroleum hydrocarbons with a flash point below one hundred degrees Centigrade.
(5) "Vehicle" includes every device physically capable of being moved upon a public or private highway, road, street, watercourse, or trail, and in, upon, or by which any person or property is or may be transported or drawn upon a public or private highway, road, street, watercourse, or trail, except devices moved by human or animal power.
(6) "Department" means the department of ecology.
(7) "Local government" means a city or county developing a local hazardous waste plan under RCW 70.105.220.

NEW SECTION. Sec. 303. PUBLIC USED OIL COLLECTION. (1) Each local government and its local hazardous waste plan under RCW 70.105.220 is required to include a used oil recycling element. This element shall include:
(a) A plan to reach the local goals for household used oil recycling established by the local government and the department under section 304 of this act. The plan shall, to the maximum extent possible, incorporate voluntary agreements with the private sector and state agencies to provide sites for the collection of used oil. Where provided, the plan shall also incorporate residential collection of used oil;
(b) A plan for enforcing the sign and container ordinances required by section 305 of this act;

c) A plan for public education on used oil recycling; and

d) An estimate of funding needed to implement the requirements of this chapter. This estimate shall include a budget reserve for disposal of contaminated oil detected at any public used oil collection site administered by the local government.

(2) By July 1, 1993, each local government or combination of contiguous local governments shall submit its used oil recycling element to the department. The department shall approve or disapprove the used oil recycling element by January 1, 1994, or within ninety days of submission, whichever is later. The department shall approve or disapprove the used oil recycling element if it determines that the element is consistent with this chapter and the guidelines developed by the department under section 304 of this act.

(3) Each local government, or combination of contiguous local governments, shall submit an annual statement to the department describing the number of used oil collection sites and the quantity of household used oil recycled for the jurisdiction during the previous calendar year. The first statement shall be due April 1, 1994. Subsequent statements shall be due April 1st of each year.

NEW SECTION. Sec. 304. RECYCLING GOALS. (1) By July 1, 1992, the department shall, in consultation with local governments, prepare guidelines for the used oil recycling elements required by section 303 of this act. The guidelines shall:

(a) Require development of local collection and rerefining goals for household used oil for each entity preparing a used oil recycling element under section 303 of this act;

(b) Require local government to recommend the number of used oil collection sites needed to meet the local goals. The department shall establish criteria regarding minimum levels of used oil collection sites;

(c) Require local government to identify locations suitable as public used oil collection sites as described under section 303(1)(a) of this act.

(2) The department may waive all or part of the specific requirements of section 303 of this act if a local government demonstrates to the satisfaction of the department that the objectives of this chapter have been met.

(3) The department may prepare and implement a used oil recycling plan for any local government failing to complete the used oil recycling element of the plan.

(4) The department shall develop state-wide collection and rerefining goals for household used oil for each calendar year beginning with calendar year 1994. Goals shall be based on the estimated state-wide collection and rerefining rate for calendar year 1993, and shall increase each year until calendar year 1996, when the rate shall be eighty percent.

(5) By July 1, 1993, the department shall prepare guidelines establishing state-wide equipment and operating standards for public used oil collection sites. Standards shall:

(a) Allow the use of used oil collection igloos and other types of portable used oil collection tanks;

(b) Prohibit the disposal of nonhousehold-generated used oil;

(c) Limit the amount of used oil deposited to five gallons per household per day;

(d) Ensure adequate protection against leaks and spills; and

(e) Include other requirements deemed appropriate by the department.

NEW SECTION. Sec. 305. SIGNS AND CONTAINERS. (1) A person annually selling one thousand or more gallons of lubricating oil to ultimate consumers for use or installation off the premises, or five hundred or more vehicle oil filters to ultimate consumers for use or installation off the premises within a city or county having an approved used oil recycling element, shall:
(a) Post and maintain at or near the point of sale, durable and legible signs informing the public of the importance of used oil recycling and how and where used oil may be properly recycled; and

(b) Provide for sale at or near the display location of the lubricating oil or vehicle oil filters, household used oil recycling containers. The department shall design and print the signs required by this section, and shall make them available to local governments and retail outlets.

(2) A person, who, after notice, violates this section is guilty of a misdemeanor and on conviction is subject to a fine not to exceed one thousand dollars.

(1) The judge of a court of record, the chief of police of a municipality, or the sheriff of a county, shall within thirty days after the filing of an application of any person issue a license to such person to carry a pistol concealed on his or her person within this state for four years from date of issue, for the purposes of protection or while engaged in business, sport, or while traveling. However, if the applicant does not have a valid
permanent Washington driver's license or Washington state identification card or has not been a resident of the state for the previous consecutive ninety days, the issuing authority shall have up to sixty days after the filing of the application to issue a license. Such applicant's constitutional right to bear arms shall not be denied (to him), unless he or she:

(a) Is ineligible to own a pistol under the provisions of RCW 9.41.040; or
(b) Is under twenty-one years of age; or
(c) Is subject to a court order or injunction regarding firearms pursuant to RCW 10.99.040, 10.99.045, or 26.09.060; or
(d) Is free on bond or personal recognizance pending trial, appeal, or sentencing for a crime of violence; or
(e) Has an outstanding warrant for his or her arrest from any court of competent jurisdiction for a felony or misdemeanor; or
(f) Has been ordered to forfeit a firearm under RCW 9.41.098(1)(d) within one year before filing an application to carry a pistol concealed on his or her person; or
(g) Is ineligible under federal law to possess a weapon.

The license shall be revoked by the issuing authority immediately upon conviction of a crime which makes such a person ineligible to own a pistol or upon the third conviction for a violation of this chapter within five calendar years.

(2) Upon an order to forfeit a firearm under RCW 9.41.098(1)(d) the issuing authority shall:

(a) On the first forfeiture, (be revoked by the department of licensing) revoke the license for one year;
(b) On the second forfeiture, (be revoked by the department of licensing) revoke the license for two years;
(c) On the third or subsequent forfeiture, (be revoked by the department of licensing) revoke the license for five years.

The license application shall contain a warning substantially as follows:

CAUTION: Although state and local laws do not differ, federal law and state law on the possession of firearms differ. If you are prohibited by federal law from possessing a firearm, you may be prosecuted in federal court. A state license is not a defense to a federal prosecution.

The license application shall contain a description of the major differences between state and federal law and an explanation of the fact that local laws and ordinances on firearms are preempted by state law and must be consistent with state law. The application shall contain questions about the applicant's place of birth, whether the applicant is a United States citizen, and if not a citizen whether the applicant has declared the intent to become a citizen and whether he or she has been required to register with the state or federal government and any identification or registration number, if applicable. The applicant shall not be required to produce a birth certificate or other evidence of citizenship. An applicant who is not a citizen shall provide documentation showing resident alien status and the applicant's intent to become a citizen. A person who makes a false statement regarding citizenship on the application is guilty of a misdemeanor. A person who is not a citizen of the United States, or has not declared his
or her intention to become a citizen shall meet the additional requirements of RCW 9.41.170.

The original thereof shall be delivered to the licensee, the duplicate shall within seven days be sent by registered mail to the director of licensing and the triplicate shall be preserved for six years, by the authority issuing said license.

(3) The fee for the original issuance of a four-year license shall be twenty-three dollars: PROVIDED, That no other additional charges by any branch or unit of government shall be borne by the applicant for the issuance of the license: PROVIDED FURTHER, That the fee shall be distributed as follows:

(5) Payment shall be by cash, check, or money order at the option of the applicant. Additional methods of payment may be allowed at the option of the issuing authority.

(6) A licensee may renew a license if the licensee applies for renewal within ninety days before or after the expiration date of the license. A license so renewed shall take effect on the expiration date of the prior license. A licensee renewing after the expiration date of the license must pay a late renewal penalty of ten dollars in addition to the renewal fee specified in subsection (4) of this section. The fee shall be distributed as follows:

(a) Three dollars shall be deposited in the state wildlife fund and used exclusively for the printing and distribution of a pamphlet on the legal limits of the use of firearms, firearms safety, and the preemptive nature of state law. The pamphlet shall be given to each applicant for a license; and

(8) A political subdivision of the state shall not modify the requirements of this section or chapter, nor may a political subdivision ask the applicant to voluntarily submit any information not required by this section. A civil suit may be brought to enjoin a wrongful refusal to issue a license or a wrongful modification of the requirements of this section or chapter. The civil suit may be brought in the county in which the application was made or in Thurston county at the discretion of the petitioner. The appropriation in this section is subject to the following conditions and limitations:
(1) $500,438,000 of the general fund appropriation is provided solely for the remaining months of the 1990-91 school year.

(2) Allocations for certificated staff salaries for the 1991-92 and 1992-93 school years shall be determined using formula-generated staff units calculated pursuant to this subsection. Small school enrollments in kindergarten through grade six shall generate funding under (a) of this subsection, and shall not generate allocations under (d) and (e) of this subsection, if the staffing allocations generated under (a) of this subsection exceed those generated under (d) and (e) of this subsection. The certificated staffing allocations shall be as follows:

(a) On the basis of average annual full time equivalent enrollments, excluding full time equivalent enrollment otherwise recognized for certificated staff unit allocations under (c) through (f) of this subsection:

(i) Four certificated administrative staff units for each one thousand full time equivalent kindergarten through twelfth grade students excluding full time equivalent handicapped enrollment as recognized for funding purposes under section 510 of this act;

(ii) 54.3 certificated instructional staff units for each one thousand full time equivalent students in kindergarten through third grade, excluding full time equivalent handicapped students ages six through eight; and

(iii) Forty-six certificated instructional staff units for each one thousand full time equivalent students, excluding full time equivalent handicapped students ages nine and above;

(b) For school districts with a minimum enrollment of 250 full time equivalent students, whose full time equivalent student enrollment count in a given month exceeds the first of the month full time equivalent enrollment count by 5 percent, an additional state allocation of 110 percent of the share that such increased enrollment would have generated had such additional full time equivalent students been included in the normal enrollment count for that particular month.

(c) On the basis of full time equivalent enrollment in vocational education programs and skill center programs approved by the superintendent of public instruction, 0.92 certificated instructional staff units and 0.08 certificated administrative staff units for each 16.67 full time equivalent vocational students;

(d) For districts enrolling not more than twenty-five average annual full time equivalent students in kindergarten through grade eight, and for small school plants within any school district which have been judged to be remote and necessary by the state board of education and enroll not more than twenty-five average annual full-time equivalent students in kindergarten through grade eight:

(i) For those enrolling no students in grades seven and eight, 1.76 certificated instructional staff units and 0.24 certificated administrative staff units for enrollment of not more than five students, plus one-twentieth of a certificated instructional staff unit for each additional student enrolled; and

(ii) For those enrolling students in grades seven or eight, 1.68 certificated instructional staff units and 0.32 certificated administrative staff units for enrollment of not more than five students, plus one-tenth of a certificated instructional staff unit for each additional student enrolled.

(e) For specified enrollments in districts enrolling more than twenty-five but not more than one hundred average annual full time equivalent students in kindergarten through grade eight, and for small school plants within any school district which enroll more than twenty-five average annual full time equivalent kindergarten through eighth grade students and have been judged to be remote and necessary by the state board of education:

(i) For enrollment of up to sixty annual average full time equivalent students in kindergarten through grade six, 2.76 certificated instructional staff units and 0.24 certificated administrative staff units; and
(ii) For enrollment of up to twenty annual average full time equivalent students in grades seven and eight, 0.92 certificated instructional staff units and 0.08 certificated administrative staff units.

(f) For districts operating no more than two high schools with enrollments of less than three hundred average annual full time equivalent students, for enrollment in grades nine through twelve in each such school, other than alternative schools:

(i) For remote and necessary schools enrolling students in any grades nine through twelve but no more than twenty-five average annual full time equivalent kindergarten through twelfth grade students, four and one-half certificated instructional staff units and one-quarter of a certificated administrative staff unit;

(ii) For all other small high schools under this subsection, nine certificated instructional staff units and one-half of a certificated administrative staff unit for the first sixty average annual full time equivalent students, and additional staff units based on a ratio of 0.8732 certificated instructional staff units and 0.1268 certificated administrative staff units per each additional forty-three and one-half average annual full time equivalent students.

Units calculated under (f)(ii) of this subsection shall be reduced by certificated staff units at the rate of forty-six certificated instructional staff units and four certificated administrative staff units per thousand vocational and handicapped full time equivalent students.

(g) For each nonhigh school district having an enrollment of more than seventy annual average full time equivalent students and less than one hundred eighty students, operating a grades K-8 program or a grades 1-8 program, an additional one-half of a certificated instructional staff unit.

(h) For each nonhigh school district having an enrollment of more than fifty annual average full time equivalent students and less than one hundred eighty students, operating a grades K-6 program or a grades 1-6 program, an additional one-half of a certificated instructional staff unit.

(3) Allocations for classified salaries for the 1991-92 and 1992-93 school years shall be calculated using formula-generated classified staff units determined as follows:

(a) For enrollments generating certificated staff unit allocations under subsection (2)(d) through (h) of this section, one classified staff unit for each three certificated staff units allocated under such subsections.

(b) For all other enrollment in grades kindergarten through twelve, including vocational but excluding handicapped full time equivalent enrollments, one classified staff unit for each sixty average annual full time equivalent students.

(c) For each nonhigh school district with an enrollment of more than fifty annual average full time equivalent students and less than one hundred eighty students, an additional one-half of a classified staff unit.

(4) Fringe benefit allocations shall be calculated at a rate of 21.11 percent in the 1991-92 and 1992-93 school years of certificated salary allocations provided under subsection (2) of this section, and a rate of 18.84 percent in the 1991-92 and 1992-93 school years of classified salary allocations provided under subsection (3) of this section.

(5) Insurance benefit allocations shall be calculated at the rates specified in section 506 of this act, based on:

(a) The number of certificated staff units determined in subsection (2) of this section; and

(b) The number of classified staff units determined in subsection (3) of this section multiplied by 1.152. This factor is intended to adjust allocations so that, for the purposes of distributing insurance benefits, full time equivalent classified employees may be calculated on the basis of 1440 hours of work per year, with no individual employee counted as more than one full time equivalent.
(6)(a) For nonemployee related costs associated with each certificated staff unit allocated under subsection (2)(a), (b), and (d) through (h) of this section, there shall be provided a maximum of $6,654 per certificated staff unit in the 1991-92 and 1992-93 school years.

(b) For nonemployee related costs associated with each certificated staff unit allocated under subsection (2)(c) of this section, there shall be provided a maximum of $12,679 per certificated staff unit in the 1991-92 and 1992-93 school years.

(7) Allocations for substitute costs for classroom teachers shall be distributed at a maximum rate of $318 for the 1991-92 school year and $318 per year for the 1992-93 school year for allocated classroom teachers. Solely for the purposes of this subsection, allocated classroom teachers shall be equal to the number of certificated instructional staff units allocated under subsection (2) of this section, multiplied by the ratio between the number of actual basic education certificated teachers and the number of actual basic education certificated instructional staff reported state-wide for the 1990-91 school year.

(8) The superintendent may distribute a maximum of $4,546,000 outside the basic education formula during fiscal years 1992 and 1993 as follows:

(a) For fire protection for school districts located in a fire protection district as now or hereafter established pursuant to chapter 52.04 RCW, a maximum of $375,000 may be expended in each fiscal year.

(b) For summer vocational programs at skills centers, a maximum of $1,762,000 may be expended in fiscal year 1992 and a maximum of $1,762,000 may be expended in fiscal year 1993.

(c) A maximum of $272,000 may be expended for school district emergencies.

(9) For the purposes of RCW 84.52.0531, the increase per full time equivalent student in state basic education appropriations provided under this act, including appropriations for salary and benefits increases, is 5.7 percent from the 1990-91 school year to the 1991-92 school year, and 4.6 percent from the 1991-92 school year to the 1992-93 school year.

(10) A maximum of $2,450,000 may be expended in the 1991-92 fiscal year and a maximum of $2,450,000 may be expended in the 1992-93 fiscal year for high technology vocational equipment for secondary vocational education programs and skill centers.

(11)(a) For each school year, the funding provided under subsection (2)(a)(ii) of this section shall be based on a ratio of 54.3 certificated instructional staff per thousand students in kindergarten through grade three only if the district documents an actual ratio of at least 54.3 full time basic education certificated instructional staff per thousand full time equivalent students at those grade levels.

(b) Districts at or above 52.3 certificated instructional staff per one thousand full time equivalent students may dedicate up to 1.3 of the 54.3 funding ratio to employ classified instructional assistants assigned to basic education classrooms in kindergarten through grade three. For any school district documenting a lower ratio, the funding provided under subsection (2)(a)(ii) of this section shall be based on the district’s actual K-3 ratio achieved in that school year, or the statutory minimum ratio established under RCW 28A.150.260(2)(c), if greater.

(c) Districts may not use allocations provided above the statutory minimum ratio established under RCW 28A.150.160(2)(c) to supplant other moneys previously used to employ K-3 certificated instructional staff or K-3 classified instructional assistants. However, a district that has achieved a ratio of 54.3 basic education certificated instructional staff per thousand full time equivalent students in grades K-3 may also use the allocation to employ additional basic education certificated instructional staff or classified instructional assistants in any grades K-12.

   a. Salary allocations for certificated instructional staff units shall be determined for each district by multiplying the district's certificated instructional derived base salary shown on LEAP Document 12, by the district's average staff mix factor for basic education certificated instructional staff in that school year, computed using LEAP Document 1A.

(5) The following amounts from the appropriations in sections 602 through 610 of this act, or as much thereof as may be necessary, shall be spent to provide employees classified by the higher education personnel board:

(a) A 4.0 percent across-the-board increase effective January 1, 1992, and an additional 3.5 percent across-the-board increase effective January 1, 1993; and

(b) An additional increase effective January 1, 1992, which, when calculated in combination with the 4.0 percent increase granted under (a) of this subsection, raises employees' salaries to the salary range closest to 15 percent behind prevailing rate.

Calculations for determining the increase granted in this subsection shall be made subsequent to the calculations for the general salary increase of 4.0 percent granted on January 1, 1992. The findings of the 1990 comprehensive salary survey as adopted by the higher education personnel board, expressed as the number of ranges behind prevailing rate, shall be used to determine the salary increase under this subsection. However, the number of ranges behind prevailing rate shall be adjusted to reflect salary changes resulting from:

(i) Any job classification revision approved after June 1, 1990; and

(ii) The salary increase granted on January 1, 1991, to raise employees' salaries to within twenty percent of prevailing rate based on the findings of the 1988 trend salary survey.
The general across-the-board salary increase granted on January 1, 1991, shall not be considered when calculating the number of ranges between employee salaries and prevailing rate as shown in the findings of the 1990 survey.

Increases to reduce the number of ranges behind prevailing rate may be granted only in whole-range increments.

(c) The salary increases granted in this subsection (5) shall be implemented in compliance and conformity with all requirements of the comparable worth agreement ratified by the 1986 Senate Concurrent Resolution No. 126, where applicable.

(d) No salary increases may be paid under this subsection (5) to any person whose salary has been Y-rated pursuant to rules adopted by the higher education personnel board.

Pursuant to RCW 43.88.037, moneys disbursed from the treasury on the basis of a formal loan agreement shall be recorded as loans receivable and not as expenditures for accounting purposes. To the extent that moneys are disbursed on a loan basis, the corresponding appropriation shall be reduced by the amount of loan moneys disbursed from the treasury during the 1991-93 biennium.

NEW SECTION, Sec. 902. INFORMATION SYSTEMS PROJECTS. Agencies shall comply with the following requirements regarding information systems projects when specifically directed to do so by this act.

1) The agency shall produce a feasibility study for each information systems project in accordance with instructions from the office of financial management. In addition to these requirements, the study shall examine and evaluate the costs and benefits of maintaining the status quo and the costs and benefits of the proposed project. The study shall identify when and in what amount any fiscal savings will accrue, and what programs or fund sources will be affected.
(2) The agency shall produce a project management plan for each project. The plan or plans shall address all factors critical to successful completion of each project. The plan shall include, but is not limited to, the following elements: A description of the problem or opportunity that the information systems project is intended to address; a statement of project objectives and assumptions; definition of phases, tasks, and activities to be accomplished and the estimated cost of each phase; a description of how the agency will facilitate responsibilities of oversight agencies; a description of key decision points in the project life cycle; a description of variance control measures; a definitive schedule that shows the elapsed time estimated to complete the project and when each task is to be started and completed; and a description of resource requirements to accomplish the activities within specified time, cost, and functionality constraints.

(3) A copy of each feasibility study and project management plan shall be provided to the office of financial management and appropriate legislative committees. Authority to expend any funds for individual information systems projects is conditioned on approval of the relevant feasibility study and project management plan by the office of financial management.

(4) A project status report shall be submitted to the office of financial management and appropriate legislative committees for each project prior to reaching key decision points identified in the project management plan. Project status reports shall examine and evaluate project management, accomplishments, budget, action to address variances, risk management, cost and benefits analysis, and other aspects critical to completion of a project.

Work shall not commence on any task in a subsequent phase of a project until the status report for the preceding key decision point has been approved by the office of financial management.

(5) If a project review is requested in accordance with the policies of the office of financial management, the reviews shall examine and evaluate: System requirements specifications; scope; system architecture; change controls; documentation; user involvement; training; availability and capability of resources; programming languages and techniques; system inputs and outputs; plans for testing, conversion, implementation, and post-implementation; and other aspects critical to successful construction, integration, and implementation of automated systems. Copies of project review written reports shall be forwarded to the appropriate legislative committees by the agency.

(6) A written post-implementation review report shall be prepared by the agency for each information systems project in accordance with published instructions of the office of financial management. In addition to the information requested pursuant to the instructions, the post-implementation report shall evaluate the degree to which a project accomplished its major objectives including, but not limited to, a comparison of original cost and benefit estimates to actual costs and benefits achieved. Copies of the post-implementation review report shall be provided to the office of financial management and appropriate legislative committees.

NEW SECTION. Sec. 4. The legislature finds that an increasing number of children are entering the state's public schools with learning impairments caused by the use of drugs, alcohol, and tobacco by their mothers during pregnancy. Many of these children suffer from mental retardation, poor social abilities, low cognitive skills, attention deficit disorders, hyperactivity, or speech problems.

The legislature further finds that educating these children will require additional resources, and perhaps new educational strategies and techniques. The extent of these additional resources and the most appropriate strategies and techniques are not known at this time. If additional resources are not provided, teachers will be required to devote significant time to these students to the detriment of other children in the classroom.

The legislature further finds that many of these learning impairments are preventable, and that increased parental education on the effects of substance abuse during pregnancy would aid in reducing the number of children with learning impairments.

NEW SECTION. Sec. 5. The task force on the children of substance abusers is created. The task force shall:

(1) Consult with the task force created in section 1 of this act to identify current methods of data collection and reporting about children in Washington born affected by alcohol or drugs;

(2) Determine, to the extent feasible with available resources, the current and projected number of children in Washington born affected by alcohol or drugs, and estimate the number that can be expected to have learning impairments during school age;

(3) Investigate the nature of the special needs of children born affected by alcohol or drugs;

(4) Identify the categories of education and social services in the state likely to be significantly affected by changes in the number of children born affected by alcohol or drugs;

(5) Identify current public education and social service programs designed to address the special needs of children born affected by alcohol or drugs, including, to the extent feasible, total expenditures and number of children served;

(6) Identify current educational and treatment programs designed to reduce substance abuse during pregnancy, including, to the extent feasible, total expenditures and number of women served; and

(7) Based on the findings in subsections (1) through (6) of this section:

(a) Examine implications for the public school system and social services in Washington;

(b) Investigate promising models for addressing the needs of children born affected by alcohol or drugs within the public education and social service settings, including, to the extent feasible, estimates of cost per child;

(c) Investigate ways to reduce the problem of substance abuse during pregnancy, including, but not limited to, ways to reduce the social acceptance of alcohol and drug use during pregnancy and ways to reduce the availability of harmful substances to pregnant women;

(d) Investigate such related issues as the task force deems appropriate; and

(e) Develop recommendations for state action.

NEW SECTION. Sec. 6. (1) Membership on the task force created in section 5 of this act shall include representatives from the:
(a) Senate, one each from the majority and minority parties, selected by the president of the senate;
(b) House of representatives, one each from the majority and minority parties, selected by the speaker of the house of representatives;
(c) Office of the superintendent of public instruction;
(d) Department of health;
(e) County health departments;
(f) Department of social and health services;
(g) University of Washington's center for child development and mental retardation;

(i) Association of Washington school principals;
(j) Washington state school directors' association;
(k) Washington association of school administrators;
(l) Washington state parent-teachers association;
(m) Learning disability association of Washington;
(n) Department of community development;
(o) Chemical dependency associations, not more than three representatives; and
(p) Private advocacy groups serving families and children, not more than three representatives.

(2) Organizations shall select their respective representatives. The task force shall select a chair from among its members at its first meeting.

(3) All task force members shall be appointed within twenty days and the first meeting of the task force shall be within thirty days of the effective date of this act.

NEW SECTION. Sec. 7. Staff support for the task force created in section 5 of this act shall be provided by the office of the superintendent of public instruction.

NEW SECTION. Sec. 8. The task force created in section 5 of this act shall report its final findings and recommendations to the appropriate standing committees of the legislature before December 1, 1991.

NEW SECTION. Sec. 9. This act shall expire December 31, 1991.

NEW SECTION. Sec. 10. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

MAJORITY recommendation: The substitute bill by Committee on Transportation be substituted therefor, and the substitute bill do pass with the following amendments:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The state finance committee is authorized to issue general obligation bonds of the state of Washington in the sum of fifty million one hundred fifty thousand dollars, or as much thereof as may be required, to finance the state patrol headquarters construction project parking facility and nonparking components described and authorized by the legislature in the capital and operating appropriations acts for the 1991-93 fiscal biennium and subsequent fiscal biennia, and all costs incidental thereto.

Bonds authorized in this section shall be sold in such manner, at such time or times, in such amounts, and at such price as the state finance committee shall determine. No such bonds may be offered for sale without prior legislative appropriation of the net proceeds of the sale of the bonds. The state finance committee may obtain insurance or letters of credit and may authorize the execution and delivery of agreements, promissory notes, and other obligations for the purpose of insuring the payment or enhancing the marketability of bonds authorized in this section. Promissory notes or other obligations issued pursuant to this section shall not constitute a debt or the contracting of indebtedness under any constitutional or statutory indebtedness limitation if their payment is conditioned upon the failure of the state to pay the principal of or interest on the bonds with respect to which the same relate.

NEW SECTION. Sec. 2. Bonds issued under section 1 of this act are subject to the following conditions and limitations:

General obligation bonds of the state of Washington in the sum of fifty million one hundred fifty thousand dollars, or as much thereof as may be required, shall be issued for the state patrol headquarters construction project described and authorized by the legislature in the capital and operating appropriations acts for the 1991-93 fiscal biennium and subsequent fiscal biennia, and to provide for the administrative cost of such project, including costs of bond issuance and retirement, salaries and related costs of officials and employees of the state, costs of insurance or credit enhancement agreements, and other expenses incidental to the administration of capital projects. Forty-two million two hundred forty thousand dollars of the bonds, or as much thereof as may be required, shall be solely for the nonparking component of the project, otherwise designated in this chapter as the building, and seven million nine hundred twenty thousand dollars of the bonds, or as much thereof as may be required, shall be solely for the parking facility component of the project. Subject to such changes as may be required in the appropriations acts, the proceeds from the sale of the bonds issued for the state patrol headquarters construction project shall be deposited in the state patrol construction account hereby created in the state treasury.

These proceeds shall be used exclusively for the purposes specified in this section, and for the payment of expenses incurred in the issuance and sale of the bonds issued for the purposes of this section, and shall be administered by the Washington state patrol, subject to legislative appropriation. Notwithstanding the authority granted the department of general administration in RCW 79.24.560, the director of general administration shall
give absolute priority to the state patrol for use of the building. Thereafter, priority
consideration shall be given to other transportation agencies for use of additional space
in the building.

NEW SECTION. Sec. 3. Both principal of and interest on the bonds issued for the
state patrol headquarters construction project parking facility and nonparking components
shall be payable from the state general obligation bond retirement fund. The state finance
committee may provide that a special account be created in such fund to facilitate
payment of such principal and interest.

On or before June 30th of each year, the state finance committee shall certify to the
state treasurer the amount required for principal and interest on such bonds in accordance
with the provisions of the bond proceedings. The state treasurer shall withdraw from any
general state revenues received in the state treasury and deposit in the state general
obligation bond retirement fund, or a special account in such fund, such amounts and at
such times as are required by the bond proceedings.

NEW SECTION. Sec. 4. Bonds issued under section 1 of this act shall state that
they are a general obligation of the state of Washington, shall pledge the full faith and
credit of the state to the payment of the principal thereof and the interest thereon, and
shall contain an unconditional promise to pay the principal and interest as the same shall
become due.

The owner and holder of each of the bonds or the trustee for the owner and holder
of any of the bonds may by mandamus or other appropriate proceeding require the
transfer and payment of funds as directed in this section.

NEW SECTION. Sec. 5. (1) The director of the office of financial management,
in consultation with the Washington state patrol, the department of general administration,
and the appropriate legislative committees, shall notify the state financial committee, on
or before June 30th of each year, of the relative shares of the principal and interest
requirements determined pursuant to section 3 of this act, attributable to the state patrol
headquarters construction project parking facility and nonparking components in
proportion to the principal amount of bonds issued under this chapter for purposes of
funding each component.

(2) On each date on which any interest or principal and interest payment is due, the
state finance committee shall certify to the state treasurer the amount for the state patrol
headquarters construction project nonparking component to be paid out of the state patrol
highway account for deposit into the general fund of the state treasury. At the time of
sale of the bonds issued under this chapter, and on or before June 30th of each succeeding
year while such bonds remain outstanding, the state finance committee shall determine,
based on current balances and estimated receipts and expenditures from the state patrol
highway account, that portion of principal and interest on the bonds issued under section
1 of this act, subject to section 2 of this act, which will, by virtue of payments from the
state patrol highway account, be reimbursed from sources other than "general state
revenues" as that term is defined in Article VIII, section 1 of the state Constitution. The
amount so determined by the state finance committee, as from time to time adjusted in
accordance with this section, shall not constitute indebtedness for purposes of the
limitations set forth in RCW 39.42.060.

(3) On each date on which any interest or principal and interest payment is due the
state finance committee shall certify to the state treasurer the amount due for the state
patrol headquarters construction project parking component to be paid out of the capitol
building construction account for deposit into the general fund of the state treasury. At
the time of sale of the bonds issued under this chapter, and on or before June 30th of
each succeeding year while such bonds remain outstanding, the state finance committee
shall determine, based on current balances and estimated receipts and expenditures from
the capitol building construction account, that portion of principal and interest on the
bonds issued under section 1 of this act, subject to section 2 of this act, which will, by
virtue of payments from the capitol building construction account, be reimbursed from sources other than "general state revenues" as that term is defined in Article VIII, section 1 of the state Constitution. The amount so determined by the state finance committee, as from time to time adjusted in accordance with this section, shall not constitute indebtedness for purposes of the limitations set forth in RCW 39.42.060.

NEW SECTION. Sec. 6. In addition to any other charges authorized by law and to assist in the reimbursement of principal and interest payments on bonds issued for the purposes of the state patrol headquarters construction project, the following revenues may be collected and transferred:

(1) The director of general administration in consultation with the office of financial management and the appropriate legislative committees shall assess a charge against each state board, commission, agency, office, department, activity, or other occupant, of the facility or building constructed with bonds issued for the state patrol headquarters construction project nonparking component. The charge shall be based on the percentage of space occupied relative to the total required annual principal and interest payments due for the entire building. The director of general administration shall deposit the payment in the state patrol highway account.

In order to determine the fair share of debt service for each fund or account, before the building is occupied, on the building component of the state patrol headquarters construction project, the office of financial management shall determine a pro rata share of each fund or account based upon the percentage of total Washington state patrol headquarters programs or functions projected to occupy the building supported by each fund or account. The office of financial management shall then notify the state treasurer of the amounts to transfer from the various fund sources to the Washington state patrol highway account based on those pro rata amounts.

(2) The director of general administration, after such time as the current restrictions on capitol campus parking revenues have expired, shall deposit all parking rental income collected by the department of general administration from parking space developed as a part of the facility constructed with bonds issued for the state patrol headquarters construction project parking facility component, into the capitol building construction account.

NEW SECTION. Sec. 7. The legislature may provide additional means for raising moneys for the payment of the principal of and interest on the bonds authorized in section 1 of this act, and section 3 of this act shall not be deemed to provide an exclusive method for the payment.

NEW SECTION. Sec. 8. The bonds authorized in section 1 of this act shall be a legal investment for all state funds or funds under state control and for all funds of any other public body.

NEW SECTION. Sec. 9. Sections 1 through 8 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 10. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 11. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

On page 1, line 2 of the title, after "project;" strike the remainder of the title and insert "adding a new chapter to Title 43 RCW; and declaring an emergency."

(1) Except as otherwise specifically provided herein, the practice in civil action shall govern all proceedings under this chapter, except that trial by jury is dispensed with.

(2) A proceeding for dissolution of marriage, legal separation or a declaration concerning the validity of a marriage shall be entitled "In re the marriage of .......... and .........." Such proceeding shall be filed in the superior court of the county where the petitioner or respondent resides. Upon motion and hearing before the superior court of the county where the proceeding is filed, the court may waive venue in that county for good cause shown.

(3) In cases where there has been no prior proceeding in this state involving the marital status of the parties or support obligations for a minor child, a separate parenting and support proceeding between the parents shall be entitled "In re the parenting and support of .........." Such proceeding shall be filed in the superior court of the county where the petitioner or respondent resides. Upon motion and hearing before the superior court of the county where the proceeding is filed, the court may waive venue in that county for good cause shown.

(4) The initial pleading in all proceedings under this chapter shall be denominated a petition. A responsive pleading shall be denominated a response. Other pleadings, and all pleadings in other matters under this chapter shall be denominated as provided in the civil rules for superior court.

(5) In this chapter, "decree" includes "judgment".

(6) A decree of dissolution, of legal separation, or a declaration concerning the validity of a marriage shall not be awarded to one of the parties, but shall provide that it affects the status previously existing between the parties in the manner decreed.

Sec. 2. RCW 26.09.015 and 1989 c 375 s 2 are each amended to read as follows:

(1) In any proceeding under this chapter, the matter may be set for mediation of the contested issues before or concurrent with the setting of the matter for hearing. The purpose of the mediation proceeding shall be to reduce acrimony which may exist between the parties and to develop an agreement assuring the child's close and continuing contact with both parents after the marriage is dissolved. The mediator shall use his or her best efforts to effect a settlement of the dispute.

(2) Each superior court may make available a mediator. The mediator may be a member of the professional staff of a family court or mental health services agency, or may be any other person or agency designated by the court. In order to provide mediation services, the court is not required to institute a family court.

(3) Mediation proceedings shall be held in private and shall be confidential. The mediator shall not testify as to any aspect of the mediation proceedings. This subsection shall not apply to postdecree mediation required pursuant to a parenting plan.

(4) The mediator shall assess the needs and interests of the child or children involved in the controversy and may interview the child or children if the mediator deems such interview appropriate or necessary.

(5) Any agreement reached by the parties as a result of mediation shall be reported to the court and to counsel for the parties by the mediator on the day set for mediation or any time thereafter designated by the court.

Sec. 3. RCW 26.09.100 and 1990 1st ex.s. c 2 s 1 are each amended to read as follows:

(1) In a proceeding for dissolution of marriage, legal separation, declaration of invalidity, maintenance, or child support, after considering all relevant factors but without
regard to marital misconduct, the court shall order either or both parents owing a duty of support to any child of the marriage dependent upon either or both spouses to pay an amount determined under chapter 26.19 RCW.

(2) The court may require periodic modifications of child support. That portion of any decree that requires periodic modifications of child support shall use the provisions in chapter 26.19 RCW as the basis for the modification. That portion of any decree that requires periodic modification of child support that uses a basis for modification other than chapter 26.19 RCW shall be void. Provisions in the decree for periodic modification shall not conflict with RCW 26.09.170 except that the decree may require periodic modifications of support more frequently than the time periods established pursuant to RCW 26.09.170. The automatic modification provision may be modified by the court due to economic hardship consistent with the provisions of RCW 26.09.170(4)(a).

Sec. 4. RCW 26.09.160 and 1989 c 318 s 1 are each amended to read as follows:

(1) The performance of parental functions and the duty to provide child support are distinct responsibilities in the care of a child. If a party fails to comply with a provision of a decree or temporary order of injunction, the obligation of the other party to make payments for support or maintenance or to permit contact with children is not suspended. An attempt by a parent, in either the negotiation or the performance of a parenting plan, to condition one aspect of the parenting plan upon another, to condition payment of child support upon an aspect of the parenting plan, to refuse to pay ordered child support, to refuse to perform the duties provided in the parenting plan, or to hinder the performance by the other parent of duties provided in the parenting plan, shall be deemed bad faith and shall be punished by the court by holding the party in contempt of court and by awarding to the aggrieved party reasonable attorneys' fees and costs incidental in bringing a motion for contempt of court.

(2)(a) A motion may be filed to initiate a contempt action to coerce a parent to comply with an order establishing residential provisions for a child. If the court finds there is reasonable cause to believe the parent has not complied with the order, the court may issue an order to show cause why the relief requested should not be granted.

(b) If, based on all the facts and circumstances, the court finds after hearing that the parent, in bad faith, has not complied with the order establishing residential provisions for the child, the court may find the parent in contempt of court. Upon a finding of contempt, the court shall order:

(i) The noncomplying parent to provide the moving party additional time with the child. The additional time shall be equal to the time missed with the child, due to the parent's noncompliance;

(ii) The parent to pay, to the moving party, all court costs and reasonable attorneys' fees incurred as a result of the noncompliance, and any reasonable expenses incurred in locating or returning a child; and

(iii) The parent to pay, to the moving party, a civil penalty, not less than the sum of one hundred dollars.

The court may also order the parent to be imprisoned in the county jail, if the parent is presently able to comply with the provisions of the court-ordered parenting plan and is presently unwilling to comply. The parent may be imprisoned until he or she agrees to comply with the order, but in no event for more than one hundred eighty days.

(3) On a second failure within three years to comply with a residential provision of a court-ordered parenting plan, a motion may be filed to initiate contempt of court proceedings according to the procedure set forth in subsection (2) (a) and (b) of this section. On a finding of contempt under this subsection, the court shall order:

(a) The noncomplying parent to provide the other parent or party additional time with the child. The additional time shall be twice the amount of the time missed with the child, due to the parent's noncompliance;
(b) The noncomplying parent to pay, to the other parent or party, all court costs and reasonable attorneys' fees incurred as a result of the noncompliance, and any reasonable expenses incurred in locating or returning a child; and

c) The noncomplying parent to pay, to the moving party, a civil penalty of not less than two hundred fifty dollars.

The court may also order the parent to be imprisoned in the county jail, if the parent is presently able to comply with the provisions of the court-ordered parenting plan and is presently unwilling to comply. The parent may be imprisoned until he or she agrees to comply with the order but in no event for more than one hundred eighty days.

(4) For purposes of subsections (1), (2), and (3) of this section, the parent shall be deemed to have the present ability to comply with the order establishing residential provisions unless he or she establishes otherwise by a preponderance of the evidence. The parent shall establish a reasonable excuse for failure to comply with the residential provision of a court-ordered parenting plan by a preponderance of the evidence.

(5) Any monetary award ordered under subsections (1), (2), and (3) of this section may be enforced, by the party to whom it is awarded, in the same manner as a civil judgment.

(6) Subsections (1), (2), and (3) of this section authorize the exercise of the court's power to impose remedial sanctions for contempt of court and is in addition to any other contempt power the court may possess.

(7) Upon motion for contempt of court under subsections (1) through (3) of this section, if the court finds the motion was brought without reasonable basis, the court shall order the moving party to pay to the nonmoving party, all costs, reasonable attorneys' fees, and a civil penalty of not less than one hundred dollars.

Sec. 5. RCW 26.09.170 and 1990 1st ex.s. c 2 s 2 are each amended to read as follows:

(1) Except as otherwise provided in subsection (7) of RCW 26.09.070 and subsection (10) of this section, the provisions of any decree respecting maintenance or support may be modified only as to installments accruing subsequent to the filing of the motion for modification and, except as otherwise provided in subsections (4), (5), ((and)) (8), (9), and (10) of this section, only upon a showing of a substantial change of circumstances. Any modification granted shall be effective as of the date of the filing of the motion. The provisions as to property disposition may not be revoked or modified, unless the court finds the existence of conditions that justify the reopening of a judgment under the laws of this state. An increase in the wage or salary of a parent who is receiving support transfer payments as defined in section 24 of this act is not a substantial change in circumstances.

(2) Unless otherwise agreed in writing or expressly provided in the decree the obligation to pay future maintenance is terminated upon the death of either party or the remarriage of the party receiving maintenance.

(3) Unless otherwise agreed in writing or expressly provided in the decree, provisions for the support of a child are terminated by emancipation of the child or by the death of the parent obligated to support the child.

(4) Unless a decree provides for more frequent modifications of child support as provided in RCW 26.09.100, an order of child support may be modified one year or more after it has been entered without showing a substantial change of circumstances:

(a) If the order in practice works a severe economic hardship on either party or the child;

(b) If a party requests a modification in an order for child support which was based on guidelines which determined the amount of support according to the child's age, and the child is no longer in the age category on which the current support amount was based;
(c) If a child is still in high school, upon a finding that there is a need to extend support beyond the eighteenth birthday to complete high school; or

(d) To add (aa) automatic (adjustment) modification of support provisions (consistent with) as provided in RCW 26.09.100.

(5) An order or decree entered prior to June 7, 1984, may be modified without showing a substantial change of circumstances if the requested modification is to:

(a) Require health insurance coverage for a child named therein; or

(b) Modify an existing order for health insurance coverage.

(6) An obligor’s voluntary unemployment or voluntary underemployment, by itself, is not a substantial change of circumstances.

(7) The department of social and health services may file an action to modify an order of child support if public assistance money is being paid to or for the benefit of the child and the child support order is twenty-five percent or more below the (appropriate) presumptive child support amount set forth in the standard calculation as defined in section ((4(2))) 24 of this act and reasons for the deviation are not set forth in the findings of fact or order. The determination of twenty-five percent or more shall be based on the current income of the parties and the department shall not be required to show a substantial change of circumstances if the reasons for the deviations were not set forth in the findings of fact or order.

(8)(a) Unless a decree provides for more frequent modification of child support as provided in RCW 26.09.100, all decrees entered on, before, or after September 1, 1991, that contain orders regarding child support (decrees) may be (adjusted) modified once every twenty-four months based upon changes in the income of the parents without a showing of substantially changed circumstances. Either party may initiate the modification pursuant to procedures of RCW 26.09.175.

(b) All decrees entered on, before, or after September 1, 1991, may be modified based upon changes in the child support schedule established in chapter 26.19 RCW without a substantial change in circumstances. Parents whose decrees are entered on, before (the effective date of) or after the effective date of this section may petition the court for a modification based on the changes in the child support schedule after twelve months has expired from the entry of the decree or the most recent modification setting child support, whichever is later. However, if a party is granted relief under this provision, twenty-four months must pass before another petition for modification may be filed pursuant to (a) of this subsection.

(c) A party may petition for modification in cases of substantially changed circumstances, under subsection (1) of this section, at any time. However, if relief is granted under subsection (1) of this section, twenty-four months must pass before a petition for modification under (a) of this subsection may be filed.

(d) If, pursuant to (a) and (b) of this subsection, the court modifies a child support obligation by more than thirty percent and the change would cause significant hardship, the court may implement the change in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a petition for modification under (a) of this subsection may be filed.

(9) Any decree, separation agreement, contract, or other agreement that conflicts with RCW 26.09.170(8) shall, upon motion of a party, be modified to conform to the requirements of RCW 26.09.170(8).
(10) A parent obligated to pay support, who was on active duty for the United States military for the "Desert Shield" or "Desert Storm" operations of the United States war with Iraq, may bring a motion for modification of child support without a substantial change of circumstances for purposes of a retroactive adjustment of child support commencing from the beginning of the active duty until the date the parent was no longer on active duty. The parent must bring the motion for modification within ninety days of the end of the parent's active duty. The motion for modification may only be granted if the parent's income or resources were reduced while on active duty. Any modification granted that reduces child support during the parent's term of active duty shall be a prospective credit against future child support payments in an amount and over a period of time as determined in the court's discretion.

Sec. 6. RCW 26.09.175 and 1990 1st ex.s. c 2 s 3 are each amended to read as follows:

(1) A proceeding for the modification of an order of child support shall commence with the filing of a petition and worksheets. The petition shall be in substantially the form prescribed by the administrator for the courts. There shall be a fee of twenty dollars for the filing of a petition for modification of dissolution.

(2) The petitioner shall serve upon the other party the summons, a copy of the petition and affidavit, and the worksheets in the form prescribed by the administrator for the courts. If the modification proceeding is the first action filed in this state, service shall be made by personal service. If the decree to be modified was entered in this state, service shall be by personal service or by any form of mail requiring a return receipt. If the support obligation has been assigned to the state pursuant to RCW 74.20330 or the state has a subrogated interest under RCW 74.20A.030, the summons, petition, and worksheets shall also be served on the attorney general. Proof of service shall be filed with the court.

(3) The responding party's answer and worksheets shall be served and the answer filed within twenty days after service of the petition or sixty days if served out of state. The responding party's failure to file an answer within the time required shall result in entry of a default judgment for the petitioner.

(4) At any time after responsive pleadings are filed, either party may schedule the matter for hearing.

(5) Unless both parties stipulate to arbitration or the presiding judge authorizes oral testimony pursuant to subsection (6) of this section, a petition for modification of an order of child support shall be heard by the court on affidavits, the petition, answer, and worksheets only.

(6) A party seeking authority to present oral testimony on the petition to modify a support order shall file an appropriate motion not later than ten days after the time of notice of hearing. Affidavits and exhibits setting forth the reasons oral testimony is necessary to a just adjudication of the issues shall accompany the petition. The affidavits and exhibits must demonstrate the extraordinary features of the case. Factors which may be considered include, but are not limited to: (a) Substantial questions of credibility on a major issue; (b) insufficient or inconsistent discovery materials not correctable by further discovery; or (c) particularly complex circumstances requiring expert testimony.

(7) The administrator for the courts shall develop and prepare, in consultation with interested persons, model forms or notices for the use of the procedure provided by this section, including a notice advising of the right of a party to proceed with or without benefit of counsel.

Sec. 7. RCW 26.09.184 and 1989 c 375 s 9 are each amended to read as follows:

(1) OBJECTIVES. The objectives of the permanent parenting plan are to:
(a) Provide for the child’s physical care;
(b) Maintain the child’s emotional stability;
(c) Provide for the child’s changing needs as the child grows and matures, in a way that minimizes the need for future modifications to the permanent parenting plan;
(d) Set forth the authority and responsibilities of each parent with respect to the child, consistent with the criteria in RCW 26.09.187 and 26.09.191;
(e) Minimize the child’s exposure to harmful parental conflict;
(f) Encourage the parents, where appropriate under RCW 26.09.187 and 26.09.191, to meet their responsibilities to their minor children through agreements in the permanent parenting plan, rather than by relying on judicial intervention; and
(g) To otherwise protect the best interests of the child consistent with RCW 26.09.002.

(2) CONTENTS OF THE PERMANENT PARENTING PLAN. The permanent parenting plan shall contain provisions for resolution of future disputes between the parents, allocation of decision-making authority, and residential provisions for the child.

(3) DISPUTE RESOLUTION. A process for resolving disputes, other than court action, shall be provided unless precluded or limited by RCW 26.09.187 or 26.09.191. A dispute resolution process may include counseling, mediation, or arbitration by a specified individual or agency, or court action. In the dispute resolution process:
(a) Preference shall be given to carrying out the parenting plan;
(b) The parents shall use the designated process to resolve disputes relating to implementation of the plan, except those related to financial support, unless an emergency exists;
(c) A written record shall be prepared of any agreement reached in counseling or mediation and of each arbitration award and shall be provided to each party;
(d) If the court finds that a parent has used or frustrated the dispute resolution process without good reason, the court shall award attorneys’ fees and financial sanctions to the prevailing parent;
(e) The parties have the right of review from the dispute resolution process to the superior court; and
(f) The provisions of (a) through (e) of this subsection shall be set forth in the decree.

(4) ALLOCATION OF DECISION-MAKING AUTHORITY.
(a) The plan shall allocate decision-making authority to one or both parties regarding the children’s education, health care, and religious upbringing. The parties may incorporate an agreement related to the care and growth of the child in these specified areas, or in other areas, into their plan, consistent with the criteria in RCW 26.09.187 and 26.09.191. Regardless of the allocation of decision-making in the parenting plan, either parent may make emergency decisions affecting the health or safety of the child.
(b) Each parent may make decisions regarding the day-to-day care and control of the child while the child is residing with that parent.
(c) When mutual decision making is designated but cannot be achieved, the parties shall make a good-faith effort to resolve the issue through the dispute resolution process.

(5) RESIDENTIAL PROVISIONS FOR THE CHILD. The plan shall include a residential schedule which designates in which parent’s home each minor child shall reside on given days of the year, including provision for holidays, birthdays of family members, vacations, and other special occasions, consistent with the criteria in RCW 26.09.187 and 26.09.191.

(6) PARENTS’ OBLIGATION UNAFFECTED. If a parent fails to comply with a provision of a parenting plan or a child support order, the other parent’s obligations under the parenting plan or the child support order are not affected. Failure to comply with a provision in a parenting plan or a child support order may result in a finding of contempt of court, under RCW 26.09.160.
(7) PROVISIONS TO BE SET FORTH IN PERMANENT PARENTING PLAN. The permanent parenting plan shall set forth the provisions of subsections (3) (a) through (c), (4) (b) and (c), and (6) of this section.

Sec. 8. RCW 26.09.225 and 1990 1st ex.s. c 2 s 18 are each amended to read as follows:

(1) Each parent shall have full and equal access to the education (and health care) records of the child absent a court order to the contrary. Educational records include records of public and private schools in all grades kindergarten through twelve and any form of alternative school or postsecondary educational institution for all periods for which child support is paid or the child is the dependent in fact of the parent requesting access to the records. Neither parent may veto the access requested by the other parent and neither parent nor child nor any educational institution may assert a privilege on behalf of the child.

(2) Each parent shall have full and equal access to the health care records of the child absent a court order to the contrary. Neither parent may veto the access requested by the other parent and neither parent nor child nor health care provider may assert a privilege on behalf of the child.

Sec. 9. RCW 26.09.260 and 1989 c 375 s 14 and 1989 c 318 s 3 are each reenacted and amended to read as follows:

(1) Except as otherwise provided in subsection (4) of this section, the court shall not modify a prior custody decree or a parenting plan unless it finds, upon the basis of facts that have arisen since the prior decree or plan or that were unknown to the court at the time of the prior decree or plan, that a substantial change has occurred in the circumstances of the child or the nonmoving party and that the modification is in the best interest of the child and is necessary to serve the best interests of the child.

In applying these standards, the court shall retain the residential schedule established by the decree or parenting plan unless:

(a) The parents agree to the modification;
(b) The child has been integrated into the family of the petitioner with the consent of the other parent in substantial deviation from the parenting plan;
(c) The child’s present environment is detrimental to the child’s physical, mental, or emotional health and the harm likely to be caused by a change of environment is outweighed by the advantage of a change to the child; or
(d) The court has found the nonmoving parent in contempt of court at least twice within three years because the parent failed to comply with the residential time provisions in the court-ordered parenting plan, or the parent has been convicted of custodial interference in the first or second degree under RCW 9A.40.060 or 9A.40.070.

(2) The court may order adjustments to a parenting plan upon a showing of a substantial change in circumstances of either parent or of the child, and without consideration of the factors set forth in subsection (2) of this section, if the proposed modification is only a:

(a) Modification in the dispute resolution process; or
(b) Minor modification in the residential schedule that:
(i) Does not change the residence the child is scheduled to reside in the majority of the time; and
(ii) Does not exceed twenty-four full days in a calendar year or five full days in a calendar month; or
(iii) Is based on a change of residence or an involuntary change in work schedule by a parent which makes the residential schedule in the parenting plan impractical to follow.
If the court finds that a motion to modify a prior decree or parenting plan has been brought in bad faith, the court shall assess the attorney's fees and court costs of the nonmoving parent against the moving party.

Sec. 10. RCW 26.09.280 and 1987 c 460 s 20 are each amended to read as follows:

(Hereafter) Every action or proceeding to change, modify, or enforce any final order, judgment, or decree (hereinafter or hereafter) entered in any dissolution or legal separation or declaration concerning the validity of a marriage, whether under this chapter or prior law, (in relation to) regarding the parenting plan or child support for the minor children of the marriage may be brought in the county where (said) the minor children are then residing, or in the court in which (said) the final order, judgment, or decree was entered, or in the county where the parent or other person who has the care, custody, or control of the (said) children is then residing.

Sec. 11. RCW 26.12.010 and 1983 c 219 s 1 are each amended to read as follows:

Each superior court shall exercise the jurisdiction conferred by this chapter and while sitting in the exercise of such jurisdiction shall be known and referred to as the "family court." A family law proceeding under this chapter is any proceeding under this title or any proceeding in which the family court is requested to adjudicate or enforce the rights of the parties or their children regarding the determination or modification of parenting plans, child custody, visitation, or support, or the distribution of property or obligations.

Sec. 12. RCW 26.12.060 and 1988 c 232 s 4 are each amended to read as follows:

The (family) court commissioners shall: (1) (Receive all applications and complaints filed in the family court for the purpose of disposing of them pursuant to this chapter) Make appropriate referrals to county family court services program if the county has a family court services program; (2) (Investigate) order investigation and reporting of the facts upon which to base warrants, subpoenas, orders or directions in actions or proceedings (filed in or transferred to the family court pursuant to) under this chapter; (3) (for the purpose of this chapter) exercise all the powers and perform all the duties of (regular) court commissioners; (4) (Hold reconciliation conferences with parties to and hearings in proceedings under this chapter and) make written reports of all proceedings had which shall become a part of the record of the family court; (5) provide (such) supervision (in connection with) over the exercise of its jurisdiction as the judge of the family court may order; (6) cause the orders and findings of the family court to be entered in the same manner as orders and findings are entered in cases in the superior court; (7) cause (such) other reports to be made and records kept as will indicate the value and extent of (such reconciliation services) reconciliation, mediation, investigation, and treatment services; and (8) conduct hearings under chapter 13.34 RCW as provided in RCW 13.04.021.

Sec. 13. RCW 26.12.170 and 1983 c 219 s 5 are each amended to read as follows:

(The hearing shall be conducted informally as a conference or series of conferences to effect the reconciliation of the parties or an amicable adjustment or settlement of the issues of the controversy.) To facilitate and promote the purposes of this chapter, (the) family court judges and court commissioners may order or recommend family court services, drug and alcohol abuse evaluations and monitoring of the parties through public or private treatment services, other treatment services, the aid of physicians, psychiatrists, (or) other specialists, or other services or may recommend the aid of the pastor or director of any religious denomination to which the parties may belong. (Such aid, however, shall be at the expense of the parties involved and shall not be at the expense of the court or of the county unless the board of county commissioners shall specifically authorize such aid.)

If the court has reasonable cause to believe that a child of the parties has suffered abuse or neglect it may file a report with the proper law enforcement agency or the department of social and health services as provided in RCW 26.44.040. Upon receipt
of such a report the law enforcement agency or the department of social and health services will conduct an investigation into the cause and extent of the abuse or neglect. The findings of the investigation may be made available to the court if ordered by the court as provided in RCW 42.17.310(3). The findings shall be restricted to the issue of abuse and neglect and shall not be considered custody investigations.

Sec. 14. RCW 26.12.190 and 1983 c 219 s 7 are each amended to read as follows:

1. (During the period of thirty days after filing a petition for conciliation no family law proceeding shall be filed by either party and further proceedings in a family law proceeding then pending in the superior court shall be stayed and the case transferred to the family court.) The family court shall have jurisdiction and full power in all pending cases to make, alter, modify, and enforce all temporary and permanent orders((orders for)) regarding the following: Parenting plans, child support, custody of children, visitation, possession of property, maintenance, contempt, custodial interference, and orders for attorneys' fees, suit money or costs as may appear just and equitable. Court commissioners or judges shall not have authority to require the parties to mediate disputes concerning child support.

2. (If, after the expiration of such thirty-day period or the formal conclusion of the proceedings for conciliation, the controversy between the parties has not been terminated, either party may apply for further relief by filing in the clerk's office additional pleadings or by asking that the pending case be set for trial. The family court has full jurisdiction to hear, try, and determine family law proceedings under the laws relating thereto, and to retain jurisdiction of the case for further hearings on decrees or orders to be made therein.

3. The conciliation provisions of this chapter may be used concerning support, visitation, contempt, or for modification based on changed conditions or for other problems between the parties related to the family law proceeding.

4. Except as specifically so provided in this chapter shall be construed to repeal, nullify or change the law and procedure relating to family law proceedings. The family court shall, when application for relief is made under this chapter, apply provisions governing family law proceedings in the same manner as if the action had been brought thereunder in the superior court, save that the conciliation procedures of the family court shall be applied so far as appropriate to arrive at an amicable settlement of all issues in controversy.) Family court investigation, evaluation, mediation, treatment, and reconciliation services, and any other services may be used to assist the court to develop an order as the court deems necessary to preserve the marriage, implement an amicable settlement, and resolve the issues in controversy.

Sec. 15. RCW 26.12.220 and 1980 c 124 s 1 are each amended to read as follows:

1. The legislative authority of any county may authorize family court services as provided in RCW 26.12.230. The legislative authority may impose a fee in excess of that prescribed in RCW 36.18.010 for the issuance of a marriage license((provided, that such)). The fee shall not exceed eight dollars.

2. In addition to any other funds used therefor, the governing body of any county shall use the proceeds from the fee increase authorized by this section to pay the expenses of the family court and the family court services under chapter 26.12 RCW. If there is no family court in the county, the legislative authority may provide such services through other county agencies or may contract with a public or private agency or person to provide such services. Family court services also may be provided jointly with other counties as provided in RCW 26.12.230.

3. The family court services program may hire professional employees to provide the investigation, evaluation and reporting, and mediation services, or the county may contract for these services, or both. To facilitate and promote the purposes of this chapter, the court may order or recommend the aid of physicians, psychiatrists, or other specialists.
(4) The family court services program may provide or contract for: (a) Mediation; (b) investigation, evaluation, and reporting to the court; and (c) reconciliation; and may provide a referral mechanism for drug and alcohol testing, monitoring, and treatment; and any other treatment, parenting, or anger management programs the family court professional considers necessary or appropriate.

(5) Services other than family court investigation, evaluation, reconciliation, and mediation services shall be at the expense of the parties involved absent a court order to the contrary. The parties shall bear all or a portion of the family court investigation, evaluation, reconciliation, and mediation services according to the parties' ability to pay.

(6) The county legislative authority may establish rules of eligibility for the family court services funded under this section. The rules shall not conflict with rules of the court adopted under chapter 26.12 RCW or any other statute.

(7) The legislative authority may establish fees for family court investigation, evaluation, reconciliation, and mediation services under this chapter according to the parties' ability to pay for the services. Fees collected under this section shall be collected and deposited in the same manner as other county funds are collected and deposited, and shall be maintained in a separate account to be used as provided in this section.

NEW SECTION. Sec. 16. The family court shall give proceedings involving children priority over cases without children.

NEW SECTION. Sec. 17. The court may appoint a guardian ad litem to represent the interests of a minor or dependent child when the court believes the appointment of a guardian is in the best interests of the child in any proceeding under this chapter. The family court services professionals shall make a recommendation to the court regarding whether a guardian ad litem should be appointed for the child. The court shall enter an order for costs, fees, and disbursements to cover the costs of the guardian ad litem. The court may order either or both parents to pay for the costs of the guardian ad litem, according to their ability to pay. If both parents are indigent, the county shall bear the cost of the guardian, subject to appropriation for guardians' ad litem services by the county legislative authority.

NEW SECTION. Sec. 18. All acts and proceedings of the court commissioners shall be subject to revision by the superior court as provided in RCW 2.24.050.

NEW SECTION. Sec. 19. (1) Any state funds appropriated in the omnibus operating budget appropriations act for the 1991-93 biennium to the office of the administrator for the courts for the purposes of funding county family courts and county family court services shall be distributed to the eligible counties as provided in this section.

(2) Any appropriation in the omnibus operating budget appropriations act for the purposes of implementing this section is contingent on an equal amount of money being provided by the county from nonstate sources, whether public or private.

(3) Any county that has implemented or has committed to implement a family court and family court services on or before January 1, 1993, is eligible for available appropriated state funds if the county: (a) Obtains approval of an application under subsection (4) of this section; and (b) commits to spend money from public or private nonstate funding sources over a one-year period beginning on the date the county receives state funding, in an amount that is equal to or greater than the state funds distributed to the county under subsection (4) of this section. Any state funding is contingent on the county maintaining the family court and the family court services over the one-year period after disbursement of state funds to the county.

(4) The office of the administrator for the courts shall accept applications for state funds until March 1, 1992. After the application period expires, the office of the administrator for the courts shall determine each eligible county's percentage of the funds appropriated for family courts and family court services. An eligible county's percentage
share of the appropriated funds shall be the same percentage as the number of cases filed in that county under Title 26 RCW, divided by the number of cases filed under Title 26 RCW in all the eligible counties. The initial determination of the number of case filings in each eligible county shall be based upon the office of the administrator for the courts’ most recent annual report. The office of the administrator for the courts shall adjust the calculation of the number of filings in each county if any county has a disproportionate number of filings due to changes of venue or cases in which both parties live in another county. The office of the administrator for the courts may begin disbursing the state funds by July 1, 1992, to eligible counties. The office of the administrator for the courts shall disburse the state funds not later than January 1, 1993, to eligible counties. The counties must use the state funds over a one-year period from the date of disbursement. The counties that provide family courts and family court services pursuant to a joint family court services contract under RCW 26.12.230 may apply for state funds jointly and their eligibility for state funding shall be determined in the same manner as the eligibility of individual counties.

(5) The office of the administrator for the courts shall develop an application form for applying for state funds under this subsection. The office of the administrator for the courts shall develop rules to determine whether a county applying for state funds (a) has implemented or has committed to implement a family court and family court services under this chapter; (b) has committed nonstate funds for a one-year period following disbursement of the state funds to continue the family court and the family court services through that one-year period; and (c) has spent the matching funds required to obtain the state funds.

a. The court that the wage assignment has been modified or terminated;
b. The Washington state support registry, office of support enforcement that the accrued child support debt has been paid;
   c. The court that has entered an order delaying, modifying, or terminating the wage assignment order and has approved an alternate payment plan as provided in RCW 26.23.050(2).

You shall promptly notify the court and the Washington state support registry if and when the employee is no longer employed by you. If you no longer employ the employee, the wage assignment order shall remain in effect for one year after the employee has left your employment or you are no longer in possession of any earnings owed to the employee. You shall continue to hold the wage assignment order during that one-year period. If the employee returns to your employment during the one-year period, you shall immediately begin to withhold the employee’s earnings according to the terms of the wage assignment order. If the employee has not returned to your employment within one year, the wage assignment will cease to have effect at the expiration of the one-year period.

You shall deliver the withheld earnings to the Washington state support registry at each regular pay interval (but the first delivery shall occur no sooner than twenty days after your receipt of this wage assignment order).

You shall deliver a copy of this order to the obligor as soon as is reasonably possible. This wage assignment order has priority over any other wage assignment or garnishment, except for another wage assignment or garnishment for child support, or order to withhold or deliver under chapter 74.20A RCW.

WHETHER OR NOT YOU OWE ANYTHING TO THE OBLIGOR, YOUR FAILURE TO ANSWER AS REQUIRED MAY MAKE YOU LIABLE FOR
OBLIGOR'S CLAIMED SUPPORT DEBT TO THE OBLIGEE OR SUBJECT TO CONTEMPT OF COURT.

NOTICE TO OBLIGOR: YOU HAVE A RIGHT TO REQUEST A HEARING IN THE SUPERIOR COURT THAT ISSUED THIS WAGE ASSIGNMENT ORDER, TO REQUEST THAT THE COURT QUASH, MODIFY, OR TERMINATE THE WAGE ASSIGNMENT ORDER.

DATED THIS ... day of ..., 19 ....

Sec. 21. RCW 26.18.110 and 1989 c 416 s 11 are each amended to read as follows:

(1) An employer upon whom service of a wage assignment order has been made shall answer the order by sworn affidavit within twenty days after the date of service. The answer shall state whether the obligor is employed by or receives earnings from the employer, whether the employer will honor the wage assignment order, and whether there are multiple child support attachments against the obligor.

(2) If the employer possesses any earnings due and owing to the obligor, the earnings subject to the wage assignment order shall be withheld immediately upon receipt of the wage assignment order. The withheld earnings shall be delivered to the Washington state support registry at each regular pay interval, but the first delivery shall occur no sooner than twenty days after receipt of the wage assignment order.

(3) The employer shall continue to withhold the ordered amounts from nonexempt earnings of the obligor until notified by:

(a) The court that the wage assignment has been modified or terminated; (or)
(b) The Washington state support registry that the accrued child support debt has been paid, provided the wage assignment order contains the language set forth under RCW 26.18.100(2)(b). The employer shall promptly notify the Washington state support registry when the employee is no longer employed. If the employer no longer employs the employee, the wage assignment order shall remain in effect for one year after the employee has left the employment or the employer has been in possession of any earnings owed to the employee. The employer shall continue to hold the wage assignment order during that one-year period. If the employee returns to the employer's employment during the one-year period the employer shall immediately begin to withhold the employee's earnings according to the terms of the wage assignment order. If the employee has not returned within one year, the wage assignment shall cease to have effect at the expiration of the one-year period; or
(c) The court that has entered an order delaying, modifying, or terminating the wage assignment order and has approved an alternate payment plan as provided in RCW 26.23.050(2).

(4) The employer may deduct a processing fee from the remainder of the employee's earnings after withholding under the wage assignment order, even if the remainder is exempt under RCW 26.18.090. The processing fee may not exceed (a) ten dollars for the first disbursement made by the employer to the Washington state support registry; and (b) one dollar for each subsequent disbursement to the clerk.

(5) An order for wage assignment for support entered under this chapter shall have priority over any other wage assignment or garnishment, except for another wage assignment or garnishment for child support, or order to withhold and deliver under chapter 74.20A RCW.
(6) An employer who fails to withhold earnings as required by a wage assignment issued under this chapter may be held liable to the obligee for ((the amounts disbursed to the obligor in violation of the wage assignment order, and may be found by the court to be in contempt of court and may be punished as provided by law)) one hundred percent of the support debt, or the amount of support moneys that should have been withheld from the employee's earnings whichever is the lesser amount, if the employer:

(a) Fails or refuses, after being served with a wage assignment order, to deduct and promptly remit from the unpaid earnings the amounts of money required in the order;

(b) Fails or refuses to submit an answer to the notice of wage assignment after being served; or

(c) Is unwilling to comply with the other requirements of this section.

Liability may be established in superior court. Awards in superior court shall include costs, interest under RCW 19.52.020 and 4.56.110, and reasonable attorneys' fees.

(7) No employer who complies with a wage assignment issued under this chapter may be liable to the employee for wrongful withholding.

(8) No employer may discharge, discipline, or refuse to hire an employee because of the entry or service of a wage assignment issued and executed under this chapter. ((A person who violates this subsection may be found by the court to be in contempt of court and may be punished as provided by law)) If an employer discharges, disciplines, or refuses to hire an employee in violation of this section, the employee or person shall have a cause of action against the employer. The employer shall be liable for double the amount of damages suffered as a result of the violation and for costs and reasonable attorneys’ fees, and shall be subject to a civil penalty of not more than two thousand five hundred dollars for each violation. The employer may also be ordered to hire, rehire, or reinstate the aggrieved individual.

(9) An employer may combine amounts withheld from various employees into a single payment to the Washington state support registry, if the payment includes a listing of the amounts attributable to each employee and other information as required by the registry.

(10) An employer shall deliver a copy of the wage assignment order to the obligor as soon as is reasonably possible.

Sec. 22. RCW 26.18.140 and 1984 c 260 s 14 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, in a hearing to quash, modify, or terminate the wage assignment order, the court may grant relief only upon a showing that the wage assignment order causes extreme hardship or substantial injustice. Satisfaction by the obligor of all past due payments subsequent to the issuance of the wage assignment order is not grounds to quash, modify, or terminate the wage assignment order. If a wage assignment order has been in operation for twelve consecutive months and the obligor's support obligation is current, the court may terminate the order upon motion of the obligor unless the obligee can show good cause as to why the wage assignment order should remain in effect.

(2) The court may enter an order delaying, modifying, or terminating the wage assignment order and order the obligor to make payments directly to the obligee if the court approves an alternate payment plan as provided in RCW 26.23.050(2).

Sec. 23. RCW 26.19.001 and 1988 c 275 s 1 are each amended to read as follows:

The legislature intends, in establishing a child support schedule, to insure that child support orders are adequate to meet a child's basic needs and to provide additional child support commensurate with the parents' own income((,)) and resources((, and standard of living)) while recognizing that all parties to a divorce may by necessity suffer a reduced standard of living as a result of the divorce. The legislature also intends that the child support obligation should be equitably apportioned between the parents.
The legislature finds that these goals will be best achieved by the adoption and use of a state-wide child support schedule. Use of a state-wide schedule will benefit children and their parents by:

(1) Increasing the adequacy of child support orders through the use of economic data as the basis for establishing the child support schedule;

(2) Increasing the equity of child support orders by providing for comparable orders in cases with similar circumstances; and

(3) Reducing the adversarial nature of the proceedings by increasing voluntary settlements as a result of the greater predictability achieved by a uniform state-wide child support schedule.

NEW SECTION. Sec. 24. DEFINITIONS. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Basic child support obligation" means the monthly child support obligation determined from the economic table based on the parties' combined monthly net income and the number of children for whom support is owed.

(2) "Child support schedule" means the standards, economic table, worksheets, and instructions, as defined in this chapter.

(3) "Court" means a superior court judge, court commissioner, and presiding and reviewing officers who administratively determine or enforce child support orders.

(4) "Deviation" means a child support amount that differs from the standard calculation.

(5) "Economic table" means the child support table for the basic support obligation provided in RCW 26.19.020.

(6) "Instructions" means the instructions developed by the office of the administrator for use in completing the worksheets.

(7) "Multiple families" means all the possible combinations of families in which a party has children from more than one relationship to whom the party owes a duty to support. Possible combinations include any natural, adopted, or stepchildren to whom the person owes a duty of support, whether or not the children are illegitimate or were born during a former or existing marriage, and whether or not the children reside with the person obligated to support them.

(8) "Standards" means the standards for determination of child support as provided in sections 27 through 33 of this act and RCW 26.19.090.

(9) "Standard calculation" means the presumptive amount of child support owed as determined from the child support schedule before the court considers any reasons for deviation.

(10) "Support transfer payment" means the amount of money the court orders one parent to pay to another parent or custodian for child support after determination of the standard calculation and deviations. If certain expenses or credits are expected to fluctuate and the order states a formula or percentage to determine the additional amount or credit on an ongoing basis, the term "support transfer payment" does not mean the additional amount or credit.

(11) "Worksheets" means the forms developed by the office of the administrator for use in determining the amount of child support.

Sec. 25. RCW 26.19.020 and 1990 1st ex.s. c 2 s 19 are each amended to read as follows:

((If approved by a majority vote of the superior court judges of a county, the superior court may adopt by local court rule an economic table that shall be used by the superior court of that county, instead of the economic table adopted by the commission, to determine the appropriate amount of child support. The economic table adopted by the superior court shall not vary by more than twenty-five percent from the economic table adopted by the commission and shall not vary the economic table for combined monthly net income of two thousand five hundred dollars or less.)))

The economic table is presumptive for combined monthly net incomes up to and including five thousand dollars. When combined monthly net income exceeds five thousand dollars, support shall not be set at an amount lower than the presumptive amount of support set for combined monthly net incomes of five thousand dollars unless the court finds a reason to deviate below that amount. The economic table is advisory but not presumptive for combined monthly net incomes that exceed five thousand dollars. When combined monthly net income exceeds seven thousand dollars, the court may set support at an advisory amount of support set for combined monthly net incomes between five thousand and seven thousand dollars or the court may exceed the advisory amount of support set for combined monthly net incomes of seven thousand dollars upon written findings of fact.

NEW SECTION. Sec. 26. The legislature shall review the support schedule every four years to determine if the application of the support schedule results in appropriate support orders.

NEW SECTION. Sec. 27. STANDARDS FOR CHILD SUPPORT SCHEDULE APPLICATION. (1) Application of the child support schedule. The child support schedule shall be applied:
(a) In each county of the state;
(b) In judicial and administrative proceedings under this title or Title 13 or 74 RCW;
(c) In all proceedings in which child support is determined or modified;
(d) In setting temporary and permanent support;
(e) In automatic modification provisions or decrees entered pursuant to RCW 26.09.100; and
(f) In addition to proceedings in which child support is determined for minors, to adult children who are dependent on their parents and for whom support is ordered pursuant to RCW 26.09.100.

The provisions of this chapter for determining child support and reasons for deviation from the standard calculation shall be applied in the same manner by the court, presiding officers, and reviewing officers.

(2) Written findings of fact supported by the evidence. An order for child support shall be supported by written findings of fact upon which the support determination is based and shall include reasons for any deviation from the standard calculation and reasons for denial of a party's request for deviation from the standard calculation.

(3) Completion of worksheets. Worksheets in the form developed by the office of the administrator for the courts shall be completed under penalty of perjury and filed in every proceeding in which child support is determined. The court shall not accept incomplete worksheets or worksheets that vary from the worksheets developed by the office of the administrator for the courts.

(4) Court review of the worksheets and order. The court shall review the worksheets and the order setting support for the adequacy of the reasons set forth for any deviation or denial of any request for deviation and for the adequacy of the amount of support ordered. Each order shall state the amount of child support calculated using the standard calculation and the amount of child support actually ordered. Worksheets shall
be attached to the decree or order or if filed separately shall be initialed or signed by the judge and filed with the order.

NEW SECTION. Sec. 28. STANDARDS FOR ALLOCATION OF CHILD SUPPORT OBLIGATION BETWEEN PARENTS. (1) The parents’ total obligation for support shall be based on their combined monthly net income, resources, and special child rearing costs.

(2) The basic child support obligation derived from the economic table shall be allocated between the parents based on each parent’s share of the combined monthly net income.

(3) Ordinary health care expenses are included in the economic table. Monthly health care expenses that exceed five percent of the basic support obligation shall be considered extraordinary health care expenses. Extraordinary health care expenses, day care expenses, and special child rearing expenses such as tuition and long distance transportation costs to and from the parents for visitation purposes, are not included in the economic table. These expenses shall be shared by the parents in the same proportion as the basic support obligation. These expenses may be listed as a specific dollar amount or as a percentage amount. Day care expenses include, but are not limited to, day care expenses incurred while the parent in custody of the child is working, pursuing accredited educational training, or obtaining medical care.

(4) The court shall exercise discretion to determine the necessity for and the reasonableness of all amounts ordered in excess of the basic support obligation.

NEW SECTION. Sec. 29. STANDARDS FOR DETERMINATION OF INCOME.

(1) Consideration of all income. All income and resources of each parent shall be disclosed and considered by the court when the court determines the child support obligation of each parent as provided in sections 29 through 33 of this act. Only the income of the parents of the children whose support is at issue shall be calculated for purposes of calculating the basic support obligation. Income and resources of any other person shall not be included in calculating the basic support obligation. The income of new spouses or cohabitants shall be disclosed but shall not be considered by the court for deviation unless either parent obligated to pay support seeks a deviation from the standard calculation for support of children for whom the new spouse or cohabitant also owes a duty of support. If a deviation is sought for the support of the new spouse’s or cohabitant’s children, all income and resources of both parents and both parents’ new spouses or cohabitants if any shall be disclosed and considered by the court.

(2) Verification of income. Tax returns for the preceding two years and current paystubs shall be provided to verify income and deductions. Other sufficient verification shall be required for income and deductions which do not appear on tax returns or paystubs.

(3) Income sources included in gross monthly income. Except as specifically excluded in subsection (4) of this section, monthly gross income shall include income from any source, including:

(a) Salaries;
(b) Wages;
(c) Commissions;
(d) Deferred compensation;
(e) Recurring bonuses;
(f) Dividends;
(g) Interest;
(h) Trust income;
(i) Severance pay;
(j) Annuities;
(k) Capital gains;
(l) Pension retirement benefits;
(m) Workers' compensation;
(n) Unemployment benefits; and
(o) Spousal maintenance actually received.
(4) Income sources excluded from gross monthly income. The following income and resources shall be disclosed but shall not be included in gross income:
(a) Income of a new spouse or income of other adults in the household;
(b) Child support received from other relationships;
(c) Nonrecurring income from bonuses, contract-related cash and noncash benefits, gifts, and prizes. The burden of proving that these sources of income are nonrecurring is on the parent seeking to exclude them from gross income;
(d) Overtime, whether mandatory or voluntary;
(e) If the parent has at least one full-time job that requires the parent to work a minimum of forty hours per week, income derived from a second job or additional jobs other than the full-time job;
(f) Aid to families with dependent children;
(g) Supplemental security income;
(h) General assistance; and
(i) Food stamps.
Receipt of income and resources from aid to families with dependent children, supplemental security income, general assistance, and food stamps shall not be a reason to deviate from the standard calculation.
Income of a new spouse or income from other adults in the household shall not be a reason to deviate unless a parent is asking for a deviation either upward or downward to support the child of the new spouse or other adult in the household as provided in section 32 of this act.
(5) Determination of net income. The following expenses shall be disclosed and deducted from gross monthly income to calculate net monthly income:
(a) Federal and state income taxes;
(b) Federal insurance contributions act deductions;
(c) Mandatory pension plan payments;
(d) Mandatory union or professional dues;
(e) State industrial insurance premiums;
(f) Court-ordered spousal maintenance to the extent actually paid;
(g) Up to two thousand dollars per year in voluntary pension payments actually made if the contributions were made for the two tax years preceding the earlier of the (i) tax year in which the parties separated with intent to live separate and apart or (ii) tax year in which the parties filed for dissolution; and
(h) Normal business expenses and self-employment taxes for self-employed persons. Justification shall be required for any business expense deduction about which there is disagreement.
Items deducted from gross income under this subsection shall not be a reason to deviate from the standard calculation.
(6) Imputation of income. The court shall impute income to a parent when the parent is voluntarily unemployed or voluntarily underemployed. The court shall determine whether the parent is voluntarily underemployed or voluntarily unemployed based upon that parent's work history, education, health, age, and other relevant factors. A parent will not be deemed underemployed if that parent is gainfully employed on a full-time basis. Income shall not be imputed for an unemployable parent.
NEW SECTION. Sec. 30. Veterans' disability pensions or regular compensation for disability incurred in or aggravated by service in the United States armed forces paid by the veterans' administration shall be disclosed to the court. The court may consider either type of compensation as disposable income for purposes of calculating the child support obligation. Aid and attendant care payments to prevent hospitalization paid by
the veterans' administration solely to provide physical home care for a disabled veteran, and special medical compensation paid under 38 U.S.C. Sec. 314 (k) through (r) to provide either special care or special aids, or both, to assist with routine daily functions shall also be disclosed. The court may not include either aid and attendant care or special medical compensation payments in gross income for purposes of calculating the child support obligation or for purposes of deviating from the standard calculation.

NEW SECTION. Sec. 31. Payments from any source, other than veterans' aid and attendance allowances or special medical compensation paid under 38 U.S.C. Sec. 314 (k) through (r), for services provided by an attendant in case of a disability when the disability necessitates the hiring of the services of an attendant shall be disclosed but shall not be included in gross income and shall not be a reason to deviate from the standard calculation.

NEW SECTION. Sec. 32. STANDARDS FOR DEVIATION FROM THE STANDARD CALCULATION. (1) Reasons for deviation from the standard calculation include but are not limited to the following:

(a) Sources of income and tax planning. The court may deviate from the standard calculation after consideration of the following resources and income:
   (i) Income of a new spouse if either parent is asking for a deviation upward or downward to support a child of the new spouse to whom the parent and the new spouse owe a duty to support;
   (ii) Income of another adult in the household if either parent is asking for a deviation upward or downward to support a child of the other adult to whom the parent and the other adult owe a duty of support;
   (iii) Child support actually received from other relationships;
   (iv) Overtime, whether mandatory or voluntary;
   (v) Nonrecurring bonuses;
   (vi) Contract-related cash benefits and contract-related noncash benefits that reduce living expenses;
   (vii) Gifts;
   (viii) Prizes;
   (ix) Income derived from a second job or additional jobs that was excluded from gross income under section 29 of this act;
   (x) Possession of wealth, including but not limited to savings, investments, real estate holdings and business interests, vehicles, boats, pensions, bank accounts, insurance plans, or other assets;
   (xi) Extraordinary income of a child; or
   (xii) Tax planning considerations. A deviation for tax planning may be granted only if the child would not receive a lesser economic benefit due to the tax planning.

(b) Debt and high expenses. The court may deviate from the standard calculation after consideration of the following expenses:
   (i) Extraordinary debt not voluntarily incurred;
   (ii) A significant disparity in the living costs of the parents due to conditions beyond their control;
   (iii) Special needs of disabled children; or
   (iv) Special medical, educational, or psychological needs of the children.

(c) Residential schedule. The court may deviate from the standard calculation if the child spends a significant amount of time with the parent who is obligated to make a support transfer payment. The court may not deviate on that basis if the deviation will result in insufficient funds in the house receiving the support to meet the basic needs of the child or if the child is receiving aid to families with dependent children. When determining the amount of the deviation, the court shall consider evidence concerning the increased expenses to a parent making support transfer payments resulting from the significant amount of time spent with that parent and shall consider the decreased
expenses, if any, to the party receiving the support resulting from the significant amount of time the child spends with the parent making the support transfer payment.

(d) Multiple families. The court may deviate from the standard calculation when either or both of the parents before the court have children in multiple families to whom the parent owes a duty of support.

(i) The child support schedule shall be applied to the mother, father, and children of the family before the court to determine the presumptive amount of support.

(ii) Children from families other than the children of the parties before the court shall not be counted in the number of children for purposes of determining the basic support obligation and the standard calculation.

(iii) When considering a deviation from the standard calculation for children in the family before the court, the court may consider only other children to whom the parent owes a duty of support. The court may consider court-ordered payments of child support for children from other families only to the extent that the support is actually paid.

(iv) When a parent is asking for a deviation upward or downward under this section to support a child from another relationship, the court shall consider the income of the new spouse or other adult in the household of the parent requesting the deviation, but only if the parent is asking for the deviation to support the child of that new spouse or other adult. When deviating for the support of children of a new spouse or children of another adult in the household the deviation shall be based on consideration of the total circumstances of both households.

All child support obligations paid, received, and owed for all children in the households shall be disclosed and considered.

(v) When a parent is asking for a deviation upward or downward under this section to support a child from another relationship that is not the child of the parent's new spouse or other adult in the parent's household, the court shall not consider the income of the new spouse or other adult, but shall consider the total circumstances of the households that have children to whom the parent owes a duty of support. All child support obligations paid, received, and owed for all children in those households shall be disclosed and considered.

(2) The income and resources of the parties before the court, new spouses, and other adults shall be disclosed and considered as provided in this section. The presumptive amount of support shall be determined according to the child support schedule. Unless specific reasons for deviation are set forth in the written findings of fact and are supported by the evidence, the court shall order each parent to pay the amount of support determined by using the standard calculation.

(3) The court shall enter findings that specify reasons for any deviation or any denial of a party's request for any deviation from the standard calculation made by the court. The court shall not consider reasons for deviation until the court determines the standard calculation for each parent.

(4) When reasons exist for deviation, the court shall exercise discretion in considering the extent to which the factors would affect the support obligation.

(5) Agreement of the parties is not by itself adequate reason for any deviations from the standard calculation.

NEW SECTION. Sec. 33. STANDARDS FOR ESTABLISHING LOWER AND UPPER LIMITS ON CHILD SUPPORT AMOUNTS. (1) Limit at forty-five percent of a parent's net income. Neither parent's total child support obligation may exceed forty-five percent of net income except for good cause shown. Good cause includes but is not limited to possession of substantial wealth, children with day care expenses, special medical need, educational need, psychological need, and larger families.

(2) Income below six hundred dollars. When combined monthly net income is less than six hundred dollars, a support order of not less than twenty-five dollars per child per month shall be entered for each parent. A parent's support obligation shall not reduce his
or her net income below the need standard for one person established pursuant to RCW 74.04.770, except for the mandatory minimum payment of twenty-five dollars per child per month as required in this section or in cases where the court finds reasons for deviation under section 32 of this act. This section shall not be construed to require monthly substantiation of income.

(3) Income above five thousand and seven thousand dollars. The economic table is presumptive for combined monthly net incomes up to and including five thousand dollars. When combined monthly net income exceeds five thousand dollars, support shall not be set at an amount lower than the presumptive amount of support set for combined monthly net incomes of five thousand dollars unless the court finds a reason to deviate below that amount. The economic table is advisory but not presumptive for combined monthly net incomes that exceed five thousand dollars. When combined monthly net income exceeds seven thousand dollars, the court may set support at an advisory amount of support set for combined monthly net incomes between five thousand and seven thousand dollars or the court may exceed the advisory amount of support set for combined monthly net incomes of seven thousand dollars upon written findings of fact.

Sec. 34. RCW 26.19.090 and 1990 1st ex.s. c 2 s 9 are each amended to read as follows:

STANDARDS FOR POSTSECONDARY EDUCATIONAL SUPPORT AWARDS.

(1) The child support schedule shall be advisory and not mandatory for postsecondary educational support. The maximum amount of child support the court may award to pay for the cost of tuition is the amount of tuition set for students who are residents of the state of Washington who attend a state-funded four-year university.

(2) When considering whether to order support for postsecondary educational expenses, the court shall determine whether the child is in fact dependent and is relying upon the parents for the reasonable necessities of life. The court shall exercise its discretion when determining whether and for how long to award postsecondary educational support based upon consideration of factors that include but are not limited to the following: Age of the child; the child's needs; the expectations of the parties for their children when the parents were together; the child's prospects, desires, aptitudes, abilities or disabilities; the nature of the postsecondary education sought; and the parents' level of education, standard of living, and current and future resources. Also to be considered are the amount and type of support that the child would have been afforded if the parents had stayed together.

(3) The child must be enrolled in an accredited academic or vocational school, actively pursuing a course of study commensurate with the child's vocational goals, and must be in good academic standing as defined by the institution. The child shall also make available all academic records and grades to both parents as a condition of receiving postsecondary educational support. Each parent shall have full and equal access to the postsecondary education records as provided in RCW 26.09.225. The court-ordered postsecondary educational support shall be automatically suspended during the period or periods the child fails to comply with these conditions. The court shall not order the payment of postsecondary educational expenses beyond the child's twenty-third birthday, except for exceptional circumstances, such as mental, physical, or emotional disabilities.

(4) The court shall direct that either or both parents' payments for postsecondary educational expenses be made directly to the educational institution if feasible. If direct payments are not feasible, then the court in its discretion may order that either or both parents' payments be made directly to the child if the child does not reside with either parent. If the child resides with one of the parents the court may direct that the parent
making the support transfer payments make the payments to the child or to the parent who has been receiving the support transfer payments.

NEW SECTION. Sec. 35. REIMBURSEMENT AND VERIFICATION OF EXTRAORDINARY EXPENSES. (1)(a) If sum certain amounts are established for day care, transportation costs, extraordinary health care, or other extraordinary expenses, and are set forth in the decree, those sums shall be payable as part of the regularly paid support transfer payment ordered by the court. The parent making the support transfer payment is entitled to proof of the amount paid for those expenses.

(b) If an amount for those expenses is not specified in the decree or those amounts fluctuate and are not part of the support transfer payment, the parent paying those expenses shall be entitled to prompt reimbursement of the other parent’s share of those expenses. Reimbursement must be made promptly but not later than thirty days after receipt of proof of payment of these expenditures. The parent paying those expenses is entitled to proof of the amount paid for those expenses.

(2)(a) If reimbursement is not made within the thirty-day period or is incomplete due to a nonsufficient fund check or other failure to pay, the parent seeking reimbursement may by motion obtain an order compelling payment with statutory interest. If a parent requests proof of payment and it is not provided within thirty days, the party may move to compel production of the documents. The court shall award actual court costs and reasonable attorneys’ fees to the prevailing party in every motion filed under this section except upon a showing of good cause for nonpayment.

(b) Wage assignment orders may be obtained pursuant to chapter 26.18 RCW to collect court-ordered basic child support, day care, health care, long-distance transportation costs, or other extraordinary expenses, attorneys’ fees, court costs, or any other item ordered by the court. A parent to whom basic child support, day care, health care, long-distance transportation costs, or other extraordinary expenses are to be paid based on a percentage share of the costs, may by motion obtain a court order reducing the amounts owed to a sum certain and then enforce collection of that amount by a wage assignment order. The office of support enforcement shall not request a wage assignment in any case of purported nonsupport without obtaining documentation from both parents, except that the office of support enforcement may request a wage assignment after receipt of documentation from the party seeking payment of the extraordinary expenses, if the parent obligated to make the payment fails to comply with the request for documentation within thirty days of the date requested.

NEW SECTION. Sec. 36. A new section is added to chapter 26.23 RCW to read as follows:

If a support order does not state the current and future support obligation for extraordinary expenses such as day care, extraordinary health care, long-distance transportation costs, other extraordinary expenses or other variable costs in a fixed dollar amount but states them as a percentage share of the costs or as variable expenses subject to collection as those expenses are incurred as provided in section 35 of this act, then the office of support enforcement must obtain documentation as required in this section prior to issuing a notice of support owed pursuant to RCW 26.23.110. The office of support enforcement must obtain documentation from the payee which verifies the actual expenditure of any variable expense or extraordinary expense that the office of support enforcement seeks to collect as part of the support debt. In addition, prior to issuing a notice of support owed under RCW 26.23.100, the office of support enforcement must request documentation from the payor to determine whether the payor has paid all or a portion of the variable or extraordinary expenses or has any documentation regarding the amount of any variable or extraordinary expense the office of support enforcement seeks to collect. If the payor fails to respond to the request for documentation within thirty days from the date of the request, and the office of support enforcement has obtained
documentation from the payee, the office of support enforcement may issue the notice of support owed pursuant to RCW 26.23.110.

Sec. 37. RCW 26.21.230 and 1963 c 45 s 30 are each amended to read as follows:

The obligee, the prosecuting attorney, or the attorney general may register the foreign support order in a court of this state in the manner((, with the effect and for the purposes herein)) provided for in this chapter for the purpose of modification and enforcement of the support provisions. The court shall only have jurisdiction to consider the child support provisions of the order. The modification shall be pursuant to RCW 26.09.170 and 26.09.175.

Sec. 38. RCW 26.23.035 and 1989 c 360 s 34 are each amended to read as follows:

(1) ((The child support registry shall distribute all moneys received in compliance with 42 U.S.C. Sec. 657. Support received by the office of support enforcement shall be distributed promptly but not later than eight days from the date of receipt unless circumstances exist which make such distribution impossible. Such circumstances include when: (a) The location of the custodial parent is unknown; (b) the child support debt is in litigation; or (c) the responsible parent or custodial parent cannot be identified. When, following termination of public assistance, the office of support enforcement collects support, all moneys collected up to the maximum of the support due for the period following termination from public assistance shall, to the extent permitted by federal law, be paid to the custodial parent before any distribution to the office of support enforcement under federal law. This section shall not apply to support collected through intercepting federal tax refunds under 42 U.S.C. Sec. 664. When a responsible parent has more than one support obligation, or a support debt is owed to more than one party, moneys received will be distributed between the parties proportionally, based upon the amount of the support obligation and/or support debt owed.)) The department of social and health services shall adopt rules for the distribution of support money collected by the office of support enforcement. These rules shall:

(a) Comply with 42 U.S.C. Sec. 657;

(b) Direct the office of support enforcement to distribute support money within eight days of receipt, unless one of the following circumstances, or similar circumstances specified in the rules, prevents prompt distribution:

(i) The location of the custodial parent is unknown;

(ii) The support debt is in litigation;

(iii) The office of support enforcement cannot identify the responsible parent or the custodian;

(c) Provide for proportionate distribution of support payments if the responsible parent owes a support obligation or a support debt for two or more Title IV-D cases; and

(d) Authorize the distribution of support money, except money collected under 42 U.S.C. Sec. 664, to satisfy a support debt owed to the IV-D custodian before the debt owed to the state when the custodian stops receiving a public assistance grant.

(2) The office of support enforcement may distribute support payments to the payee under the support order or to another person who has lawful physical custody of the child or custody with the payee's consent. The payee may file an application for an adjudicative proceeding to challenge distribution to such other person. Prior to distributing support payments to any person other than the payee, the registry shall:

(a) Obtain a written statement from the child's physical custodian, under penalty of perjury, that the custodian has lawful custody of the child or custody with the payee's consent;

(b) Mail to the responsible parent and to the payee at the payee's last known address a copy of the physical custodian's statement and a notice which states that support payments will be sent to the physical custodian; and

(c) File a copy of the notice with the clerk of the court that entered the original support order.
(3) If the Washington state support registry distributes a support payment to a person in error, the registry may obtain restitution by means of a set-off against future payments received on behalf of the person receiving the erroneous payment, or may act according to RCW 74.20A.270 as deemed appropriate. Any set-off against future support payments shall be limited to amounts collected on the support debt and ten percent of amounts collected as current support.

Sec. 39. RCW 26.23.050 and 1989 c 360 s 15 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, the superior court shall include in all superior court orders which establish or modify a support obligation:

(a) A provision which orders and directs that the responsible parent make all support payments to the Washington state support registry;

(b) A statement that a notice of payroll deduction may be issued or other income withholding action under chapter 26.18 RCW or chapter 74.20A RCW may be taken, without further notice to the responsible parent((f)

(i) If a support payment is not paid when due, and an amount equal to or greater than the support payable for one month is owed under an order entered prior to July 1, 1990; or

(ii)) at any time after entry of the court order ((for orders entered by the court on or after July 1, 1990)), unless:

(i) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding; or

(ii) The parties reach a written agreement that is approved by the court that provides for an alternate arrangement; and

(c) A statement that the receiving parent may be required to submit an accounting of how the support is being spent to benefit the child.

(2) The court may order the responsible parent to make payments directly to the person entitled to receive the payments or, for orders entered on or after July 1, 1990, direct that the issuance of a notice of payroll deduction or other income withholding actions be delayed until a support payment is past due if the court approves an alternate payment plan. The parties to the order must agree to such a plan and the plan must contain reasonable assurances that payments will be made in a regular and timely manner. The court may approve such a plan and modify or terminate the payroll deduction or other income withholding action at the time of entry of the order or at a later date upon motion and agreement of the parties. If the order directs payment to the person entitled to receive the payments instead of to the Washington state support registry, the order shall include a statement that the order may be submitted to the registry if a support payment is past due. If the order directs delayed issuance of the notice of payroll deduction or other income withholding action, the order shall include a statement that such action may be taken, without further notice, at any time after a support payment is past due. The provisions of this subsection do not apply if the department is providing public assistance under Title 74 RCW.

(3) The office of administrative hearings and the department of social and health services shall require that all support obligations established as administrative orders include a provision which orders and directs that the responsible parent shall make all support payments to the Washington state support registry. All administrative orders shall also state that a notice of payroll deduction may be issued, or other income withholding action taken without further notice to the responsible parent((f)

(a) If a support payment is not paid when due and an amount equal to or greater than the support payable for one month is owed under an order entered prior to July 1, 1990; or

(b)) at any time after entry of the order ((for administrative orders entered on or after July 1, 1990)), unless:
(a) One of the parties demonstrates, and the presiding officer finds, that there is good cause not to require immediate income withholding; or

(b) The parties reach a written agreement that is approved by the presiding officer that provides for an alternate agreement.

(4) If the support order does not include the provision ordering and directing that all payments be made to the Washington state support registry and a statement that a notice of payroll deduction may be issued if a support payment is past due or at any time after the entry of the order, the office of support enforcement may serve a notice on the responsible parent stating such requirements and authorizations. Service may be by personal service or any form of mail requiring a return receipt.

(5) Every support order shall state:

(a) That payment shall be made to the Washington state support registry or in accordance with the alternate payment plan approved by the court;

(b) That a notice of payroll deduction may be issued or other income withholding action under chapter 26.18 RCW or chapter 74.20A RCW may be taken, without further notice to the responsible parent(

(i) If a support payment is not paid when due and an amount equal to or greater than the support payable for one month is owed under an order entered prior to July 1, 1990; or

(ii)) at any time after entry of an order by the court ((on or after July 1, 1990)), unless:

(i) The court approves an alternate payment plan under subsection (2) of this section;

(ii) One of the parties demonstrates, and the court finds, that there is good cause not to require immediate income withholding; or

(iii) The parties reach an alternate agreement that is approved by the court that provides for an alternate arrangement;

(c) The income of the parties, if known, or that their income is unknown and the income upon which the support award is based;

(d) The support award as a sum certain amount;

(e) The specific day or date on which the support payment is due;

(f) The social security number, residence address, and name of employer of the responsible parent;

(g) The social security number and residence address of the physical custodian except as provided in subsection (6) of this section;

(h) The names, dates of birth, and social security numbers, if any, of the dependent children;

(i) That the parties are to notify the Washington state support registry of any change in residence address;

(j) That any parent owing a duty of child support shall be obligated to provide health insurance coverage for his or her child if coverage that can be extended to cover the child is or becomes available to that parent through employment or is union-related as provided under RCW 26.09.105;

(k) That if proof of health insurance coverage is not provided within twenty days, the obligee or the department may seek direct enforcement of the coverage through the obligor's employer or union without further notice to the obligor as provided under chapter 26.18 RCW; and

(l) The reasons for not ordering health insurance coverage if the order fails to require such coverage.

(6) The physical custodian's address shall be omitted from an order entered under the administrative procedure act. A responsible parent whose support obligation has been determined by such administrative order may request the physical custodian's residence address by submission of a request for disclosure under RCW 26.23.120.
(7) The superior court clerk, the office of administrative hearings, and the department of social and health services shall, within five days of entry, forward to the Washington state support registry, a true and correct copy of all superior court orders or administrative orders establishing or modifying a support obligation which provide that support payments shall be made to the support registry. If a superior court order entered prior to January 1, 1988, directs the responsible parent to make support payments to the clerk, the clerk shall send a true and correct copy of the support order and the payment record to the registry for enforcement action when the clerk identifies that a payment is more than fifteen days past due. The office of support enforcement shall reimburse the clerk for the reasonable costs of copying and sending copies of court orders to the registry at the reimbursement rate provided in Title IV-D of the social security act.

(8) Receipt of a support order by the registry or other action under this section on behalf of a person or persons who are not recipients of public assistance is deemed to be a request for support enforcement services under RCW 74.20.040 to the fullest extent permitted under federal law.

(9) After the responsible parent has been ordered or notified to make payments to the Washington state support registry in accordance with subsection (1), (((2), (3)), (3), or (4) of this section, the responsible parent shall be fully responsible for making all payments to the Washington state support registry and shall be subject to payroll deduction or other income withholding action. The responsible parent shall not be entitled to credit against a support obligation for any payments made to a person or agency other than to the Washington state support registry. A civil action may be brought by the payor to recover payments made to persons or agencies who have received and retained support moneys paid contrary to the provisions of this section.

Sec. 40. RCW 26.23.060 and 1989 c 360 s 32 are each amended to read as follows:

(1) The office of support enforcement may issue a notice of payroll deduction:

(a) As authorized by a support order that contains the income withholding notice provisions in RCW 26.23.050 or a substantially similar notice; or

(b) After service of a notice containing an income withholding provision under this chapter or chapter 74.20A RCW.

(2) The ((department may)) office of support enforcement shall serve a notice of payroll deduction upon a responsible parent's employer (((for child support obligations if the responsible parent fails to pay child support as due in an amount equal to or greater than the support payable for one month. Service shall be)) or upon the employment security department for the state in possession of or owing any benefits from the unemployment compensation fund to the responsible parent pursuant to Title 50 RCW by personal service or by any form of mail requiring a return receipt.

(((2))) (3) Service of a notice of payroll deduction upon an employer or employment security department requires (((an))) the employer or employment security department to immediately make a mandatory payroll deduction from the responsible parent's unpaid disposable earnings or unemployment compensation benefits. The employer or employment security department shall thereafter deduct each pay period the amount stated in the notice divided by the number of pay periods per month. The payroll deduction each pay period shall not exceed fifty percent of the responsible parent's disposable earnings.

(((2))) (4) A notice of payroll deduction for support shall have priority over any wage assignment (((of))) garnishment, attachment, or other legal process.

(((4))) (5) The notice of payroll deduction shall be in writing and include:

(a) The name and social security number of the ((employee's)) responsible parent;

(b) The amount to be deducted from the responsible parent's disposable earnings each month, or alternate amounts and frequencies as may be necessary to facilitate processing of the payroll deduction (((by the employer)));
(c) A statement that the total amount withheld shall not exceed fifty percent of the responsible parent’s disposable earnings; and
(d) The address to which the payments are to be mailed or delivered.
(((5))) (6) An informational copy of the notice of payroll deduction shall be mailed to the last known address of the responsible parent by regular mail.
(((6))) (7) An employer ((who)) or employment security department that receives a notice of payroll deduction shall make immediate deductions from the ((employee’s)) responsible parent’s unpaid disposable earnings and remit proper amounts to the Washington state support registry on each date the ((employee)) responsible parent is due to be paid.

The answer shall confirm compliance and institution of the payroll deduction or explain the circumstances if no payroll deduction is in effect. The answer shall also state whether the responsible parent is employed by or receives earnings from the employer or receives unemployment compensation benefits from the employment security department, whether the employer or employment security department anticipates paying earnings or unemployment compensation benefits and the amount of earnings. If the responsible parent is no longer employed, or receiving earnings from the employer, the answer shall state the present employer’s name and address, if known. If the responsible parent is no longer receiving unemployment compensation benefits from the employment security department, the answer shall state the present employer’s name and address, if known.
(((8))) (9) The employer or employment security department may deduct a processing fee from the remainder of the ((employee’s)) responsible parent’s earnings after withholding under the notice of payroll deduction, even if the remainder is exempt under RCW 26.18.090. (((9))) (10) The notice of payroll deduction shall remain in effect until released by the office of support enforcement ((of))., the court enters an order terminating the notice and approving an alternate payment plan under RCW 26.23.050(2), or one year has expired since the employer has employed the responsible parent or has been in possession of or owing any earnings to the responsible parent or the employment security department has been in possession of or owing any unemployment compensation benefits to the responsible parent.

Sec. 41. RCW 26.23.070 and 1987 c 435 s 7 are each amended to read as follows:
(1) The employer or the employment security department may combine amounts withheld from the earnings of more than one ((employee)) responsible parent in a single payment to the Washington state support registry, listing separately the amount of the payment which is attributable to each individual ((employee)).
(2) No employer ((who)) nor employment security department that complies with a notice of payroll deduction under this chapter shall be civilly liable to the ((employee)) responsible parent for complying with a notice of payroll deduction under this chapter.

Sec. 42. RCW 26.23.100 and 1989 c 360 s 31 are each amended to read as follows:
(1) The responsible parent subject to a payroll deduction pursuant to this chapter, may file a motion in superior court to quash, modify, or terminate the payroll deduction.
(2) Except as provided in subsections (4) and (5) of this section, the court may grant relief only upon a showing: (a) That the payroll deduction causes extreme hardship or substantial injustice; or (b) that the support payment was not past due ((in an amount equal to or greater than the support payable for one month)) under the terms of the order when the notice of payroll deduction was served on the employer.
(3) Satisfaction by the obligor of all past due payments subsequent to the issuance of the notice of payroll deduction is not grounds to quash, modify, or terminate the notice of payroll deduction.

(4) If a notice of payroll deduction has been in operation for twelve consecutive months and the obligor's support obligation is current, upon motion of the obligor, the court may order the office of support enforcement to terminate the payroll deduction, unless the obligee can show good cause as to why the payroll deduction should remain in effect.

(5) Subsection (2) of this section shall not prevent the court from ordering an alternative payment plan as provided under RCW 26.23.050(2).

NEW SECTION. Sec. 43. A new section is added to chapter 26.23 RCW to read as follows:

The department shall be given twenty calendar days prior notice of the entry of any final order and five days prior notice of the entry of any temporary order in any proceeding involving child support or maintenance if the department has a financial interest based on an assignment of support rights under RCW 74.20.330 or the state has a subrogated interest under RCW 74.20A.030. Service of this notice upon the department shall be by personal service on, or mailing by any form of mail requiring a return receipt to, the office of the attorney general. The department shall not be entitled to terms for a party's failure to serve the department within the time requirements for this section, unless the department proves that the party knew that the department had an assignment of support rights or a subrogated interest and that the failure to serve the department was intentional.

Sec. 44. RCW 74.20.220 and 1979 c 141 s 367 are each amended to read as follows:

In order to carry out its responsibilities imposed under this chapter and as required by federal law, the state department of social and health services, through the attorney general or prosecuting attorney, is hereby authorized to:

1. ((Represent)) Initiate an action in superior court to obtain a support order or obtain other relief related to support for a dependent child (or dependent children) on whose behalf the department is providing public assistance (is being provided in obtaining any support order necessary to provide for his or their needs) or support enforcement services under RCW 74.20.040, or to enforce (any such order previously entered) a superior court order.

2. ((Appear as a friend of the court in divorce and separate maintenance suits, or proceedings supplemental thereto, when either or both of the parties thereto are receiving public assistance, for the purpose of advising the court as to the financial interest of the state of Washington therein.))

3. APPEAR ON BEHALF OF THE CUSTODIAL PARENT OF A DEPENDENT CHILD OR CHILDREN ON WHOM BEHALF PUBLIC ASSISTANCE IS BEING PROVIDED, WHEN SO REQUESTED BY SUCH PARENT, FOR THE PURPOSE OF ASSISTING SUCH PARENT IN SECURING A MODIFICATION OF A DIVORCE OR SEPARATE MAINTENANCE DEGREE WHEREIN NO SUPPORT, OR INADEQUATE SUPPORT, WAS GIVEN FOR SUCH CHILD OR CHILDREN; PROVIDED, THAT THE ATTORNEY GENERAL SHALL BE AUTHORIZED TO SO APPEAR ONLY WHERE IT APPEARS TO THE SATISFACTION OF THE COURT THAT THE PARENT IS WITHOUT FUNDS TO EMPLOY PRIVATE COUNSEL. IF THE PARENT DOES NOT REQUEST SUCH ASSISTANCE, OR REFUSES IT WHEN OFFERED, THE ATTORNEY GENERAL MAY NEVERTHELESS APPEAR AS A FRIEND OF THE COURT AT ANY SUPPLEMENTAL PROCEEDING, AND MAY ADVISE THE COURT OF SUCH FACTS AS WILL SHOW THE FINANCIAL INTEREST OF THE STATE OF WASHINGTON THEREIN; BUT THE ATTORNEY GENERAL SHALL NOT OTHERWISE PARTICIPATE IN THE PROCEEDING. APPEAR AS A PARTY IN DISSOLUTION, CHILD SUPPORT, PARENTAGE, MAINTENANCE SUITS, OR OTHER PROCEEDINGS, FOR THE PURPOSE OF REPRESENTING THE FINANCIAL INTEREST AND ACTIONS OF THE STATE OF WASHINGTON THEREIN.

3. Petition the court for modification of a superior court order when the office of support enforcement is providing support enforcement services under RCW 74.20.040.
(4) When the attorney general or prosecuting attorney appears in, defends, or initiates actions to establish, modify, or enforce child support obligations he or she represents the state, the best interests of the child relating to parentage, and the best interests of the children of the state, but does not represent the interests of any other individual.

(5) If public assistance has been applied for or granted on behalf of a child of parents who are divorced or legally separated, the attorney general or prosecuting attorney may apply to the superior court in such action for an order directing either parent or both to show cause:
   (a) Why an order of support for the child should not be entered, or
   (b) Why the amount of support previously ordered should not be increased, or
   (c) Why the parent should not be held in contempt for his or her failure to comply with any order of support previously entered.

(6) Initiate any civil proceedings deemed necessary by the department to secure reimbursement from the parent or parents of minor dependent children for all moneys expended by the state in providing assistance or services to said children.

(7) Nothing in this section limits the authority of the attorney general or prosecuting attorney to use any and all civil and criminal remedies to enforce, establish, or modify child support obligations whether or not the custodial parent receives public assistance.

Sec. 45. RCW 74.20.310 and 1979 ex.s. c 171 s 15 are each amended to read as follows:

(1) The provisions of RCW 26.26.090 requiring appointment of a general guardian or guardian ad litem to represent the child in an action brought to determine the parent and child relationship do not apply to actions brought under chapter 26.26 RCW if:
   (a) The action is brought by the attorney general on behalf of the department of social and health services((,)) and the child((, or the natural mother))); or
   (b) The action is brought by any prosecuting attorney on behalf of the state((,)) and the child((, or the natural mother)) when referral has been made to the prosecuting attorney by the department of social and health services requesting such action.

(2) On the issue of parentage, the attorney general or prosecuting attorney functions as the child's guardian ad litem provided the interests of the state and the child are not in conflict.

(3) The court, on its own motion or on motion of a party, may appoint a guardian ad litem when necessary.

(4) The summons shall contain a notice to the parents that the parents have a right to move the court for a guardian ad litem for the child other than the prosecuting attorney or the attorney general subject to subsection (2) of this section.

Sec. 46. RCW 74.20A.055 and 1990 1st ex.s. c 2 s 21 are each amended to read as follows:

(1) The secretary may, in the absence of a superior court order, serve on the responsible parent or parents a notice and finding of financial responsibility requiring a responsible parent or parents to appear and show cause in an adjudicative proceeding why the finding of responsibility and/or the amount thereof is incorrect, should not be finally ordered, but should be rescinded or modified. This notice and finding shall relate to the support debt accrued and/or accruing under this chapter and/or RCW 26.16.205, including periodic payments to be made in the future ((for such period of time as the child or children of said responsible parent or parents are in need)). The hearing shall be held pursuant to ((RCW 74.20A.055)) this section, chapter 34.05 RCW, the Administrative Procedure Act, and the rules of the department.

(2) The notice and finding of financial responsibility shall be served in the same manner prescribed for the service of a summons in a civil action or may be served on the responsible parent by certified mail, return receipt requested. The receipt shall be prima
facie evidence of service. The notice shall be served upon the debtor within sixty days from the date the state assumes responsibility for the support of the dependent child or children on whose behalf support is sought. If the notice is not served within sixty days from such date, the department shall lose the right to reimbursement of payments made after the sixty-day period and before the date of notification: PROVIDED, That if the department exercises reasonable efforts to locate the debtor and is unable to do so the entire sixty-day period is tolled until such time as the debtor can be located. (Any responsible parent who objects to all or any part of the notice and finding shall have the right for not more than twenty days from the date of service to file an application for an adjudicative proceeding. The application shall be served upon the department by registered or certified mail or personally. If no such application is made, the notice and finding of responsibility shall become final, and the debt created therein shall be subject to collection action as authorized under this chapter. If a timely application is made, the execution of notice and finding of responsibility shall be stayed pending the entry of the final administrative order. If no timely written application has previously been made, the responsible parent may petition the secretary or the secretary's designee at any time for an adjudicative proceeding as provided for in this section upon a showing of good cause for the failure to make a timely application. The filing of the petition for an adjudicative proceeding after the twenty-day period shall not affect any collection action previously taken under this chapter. The granting of an application after the twenty-day period operates as a stay on any future collection action, pending entry of the final administrative order. Moneys withheld as a result of collection action in effect at the time of the granting of the application after the twenty-day period shall be delivered to the department and shall be held in trust by the department pending entry of the final administrative order. The department may petition the presiding or reviewing officer to set temporary current and future support to be paid beginning with the month in which the application after the twenty-day period is granted. The presiding or reviewing officer shall order payment of temporary current and future support if appropriate in an amount determined pursuant to the child support schedule adopted under RCW 26.19.040. In the event the responsible parent does not make payment of the temporary current and future support as ordered by the presiding or reviewing officer, the department may take collection action pursuant to chapter 74.20A RCW during the pendency of the adjudicative proceeding or thereafter to collect any amounts owing under the order. Temporary current and future support paid, or collected, during the pendency of the adjudicative proceeding shall be disbursed to the custodial parent or as otherwise appropriate when received by the department. If the final administrative order is that the department has collected from the responsible parent other than temporary current or future support, an amount greater than such parent's past support debt, the department shall promptly refund any such excess amount to such parent.

(3) Hearings may be held in the county of residence or other place convenient to the responsible parent. (3) The notice and finding of financial responsibility shall set forth the amount the department has determined the responsible parent owes, the support debt accrued and/or accruing, and periodic payments to be made in the future (for such period of time as the child or children of the responsible parent are in need, all computable on the basis of the need alleged). The notice and finding shall also include:

(a) A statement of the name of the recipient or custodian and the name of the child or children for whom ((need)) support is ((alleged)) sought; ((and/or))

(b) A statement of the amount of periodic future support payments as to which financial responsibility is alleged((c));

(((4) The notice and finding shall include)) (c) A statement that the responsible parent may object to all or any part of the notice and finding, and file an application for an adjudicative proceeding to show cause why said responsible parent should not be determined to be liable for any or all of the debt, past and future((d));
((The notice and finding shall include))

(d) A statement that, if the responsible parent fails in timely fashion to file an application for an adjudicative proceeding, the support debt and payments stated in the notice and finding, including periodic support payments in the future, shall be assessed and determined and ordered by the department and that this debt and amounts due under the notice shall be subject to collection action;

(e) A statement that the property of the debtor, without further advance notice or hearing, will be subject to lien and foreclosure, distraint, seizure and sale, (or) order to withhold and deliver, notice of payroll deduction or other collection action to satisfy the debt and enforce the support obligation established under the notice.

(4) A responsible parent who objects to the notice and finding of financial responsibility may file an application for an adjudicative proceeding within twenty days of the date of service of the notice or thereafter as provided under this subsection. An adjudicative proceeding shall be held in the county of residence or other place convenient to the responsible parent.

(a) If the responsible parent files the application within twenty days, the department shall schedule an adjudicative proceeding to hear the parent's objection and determine the parents' support obligation for the entire period covered by the notice and finding of financial responsibility. The filing of the application stays collection action pending the entry of a final administrative order;

(b) If the responsible parent fails to file an application within twenty days, the notice and finding shall become a final administrative order. The amounts for current and future support and the support debt stated in the notice are final and subject to collection, except as provided under (c) and (d) of this subsection;

(c) If the responsible parent files the application more than twenty days after, but within one year of the date of service, the department shall schedule an adjudicative proceeding to hear the parents' objection and determine the parent's support obligation for the entire period covered by the notice and finding of financial responsibility. The filing of the application does not stay further collection action, pending the entry of a final administrative order, and does not affect any prior collection action;

(d) If the responsible parent files the application more than one year after the date of service, the department shall schedule an adjudicative proceeding at which the responsible parent must show good cause for failure to file a timely application. The filing of the application does not stay future collection action and does not affect prior collection action:

(i) If the presiding officer finds that good cause exists, the presiding officer shall proceed to hear the parent's objection to the notice and determine the parent's support obligation;

(ii) If the presiding officer finds that good cause does not exist, the presiding officer shall treat the application as a petition for prospective modification of the amount for current and future support established under the notice and finding. In the modification proceeding, the presiding officer shall set current and future support under chapter 26.19 RCW. The responsible parent need show neither good cause nor a substantial change of circumstances to justify modification of current and future support;

(e) The department shall retain and/or shall not refund support money collected more than twenty days after the date of service of the notice. Money withheld as the result of collection action shall be delivered to the department. The department shall distribute such money, as provided in published rules.

(5) If an application for an adjudicative proceeding is filed, the presiding or reviewing officer shall determine the past liability and responsibility, if any, of the alleged responsible parent and shall also determine the amount of periodic payments to be made in the future, which amount is not limited by the amount of any public assistance payment made to or for the benefit of the child. If deviating from the child support schedule
(6) If the responsible parent fails to attend or participate in the hearing or other stage of an adjudicative proceeding, upon a showing of valid service, the presiding officer shall enter an (initial decision and) administrative order declaring the support debt and payment provisions stated in the notice and finding of financial responsibility to be assessed and determined and subject to collection action.

((6)) (7) The final administrative order establishing liability and/or future periodic support payments shall be superseded upon entry of a superior court order for support to the extent the superior court order is inconsistent with the administrative order( (PROVIDED, That in the absence of a superior court order, either the responsible parent or the department may petition the secretary or his designee for issuance of an order to appear and show cause based on a showing of good cause and material change of circumstances, to require the other party to appear and show cause why the order previously entered should not be prospectively modified. Said order to appear and show cause together with a copy of the petition and affidavit upon which the order is based shall be served in the manner of a summons in a civil action or by certified mail, return receipt requested, on the other party by the petitioning party. Prospective modification may be ordered, but only upon a showing of good cause and material change of circumstances.

(7) The presiding or reviewing officer shall order support payments under the child support schedule adapted under RCW 26.19.040).

(8) Debts determined pursuant to this section, accrued and not paid, are subject to collection action under this chapter without further necessity of action by a presiding or reviewing officer.

((9)) "Need" as used in this section shall mean the necessary costs of food, clothing, shelter, and medical attendance for the support of a dependent child or children. The amount determined by reference to the child support schedule adopted under RCW 26.19.040, shall be a rebuttable presumption of the alleged responsible parent's ability to pay and the need of the family. PROVIDED, That such responsible parent shall be presumed to have no ability to pay child support under this chapter from any income received from aid to families with dependent children, supplemental security income, or continuing general assistance.)

NEW SECTION. Sec. 47. A new section is added to chapter 74.20A RCW to read as follows:

(1) The department, the physical custodian, or the responsible parent may petition for a prospective modification of a final administrative order if:
(a) The administrative order has not been superseded by a superior court order; and
(b) There has been a substantial change of circumstances, except as provided under RCW 74.20A.055(4)(d).

(2) An order of child support may be modified one year or more after it has been entered without showing a substantial change of circumstances:
(a) If the order in practice works a severe economic hardship on either party or the child; or
(b) If a party requests an adjustment in an order for child support that was based on guidelines which determined the amount of support according to the child's age, and the child is no longer in the age category on which the current support amount was based; or
(c) If a child is a full-time student and reasonably expected to complete secondary school or the equivalent level of vocational or technical training before the child becomes...
nineteen years of age upon a finding that there is a need to extend support beyond the eighteenth birthday.

(3) An order may be modified without showing a substantial change of circumstances if the requested modification is to:
   (a) Require health insurance coverage for a child covered by the order; or
   (b) Modify an existing order for health insurance coverage.

(4) Support orders may be adjusted once every twenty-four months based upon changes in the income of the parents without a showing of substantially changed circumstances.

(5)(a) All administrative orders entered on, before, or after September 1, 1991, may be modified based upon changes in the child support schedule established in chapter 26.19 RCW without a substantial change of circumstances. The petition may be filed based on changes in the child support schedule after twelve months has expired from the entry of the administrative order or the most recent modification order setting child support, whichever is later. However, if a party is granted relief under this provision, twenty-four months must pass before another petition for modification may be filed pursuant to subsection (4) of this section.

(b) If, pursuant to subsection (4) of this section or (a) of this subsection, the order modifies a child support obligation by more than thirty percent and the change would cause significant hardship, the change may be implemented in two equal increments, one at the time of the entry of the order and the second six months from the entry of the order. Twenty-four months must pass following the second change before a petition for modification under subsection (4) of this section may be filed.

(6) An increase in the wage or salary of the parent or custodian who is receiving the support transfer payments as defined in section 24 of this act is not a substantial change in circumstances for purposes of modification under subsection (l)(b) of this section. An obligor’s voluntary unemployment or voluntary underemployment, by itself, is not a substantial change of circumstances.

(7) The department shall file the petition and a supporting affidavit with the secretary or the secretary’s designee when the department petitions for modification.

(8) The responsible parent or the physical custodian shall follow the procedures in this chapter for filing an application for an adjudicative proceeding to petition for modification.

(9) Upon the filing of a proper petition or application, the secretary or the secretary’s designee shall issue an order directing each party to appear and show cause why the order should not be modified.

(10) If the presiding or reviewing officer finds a modification is appropriate, the officer shall modify the order and set current and future support under chapter 26.19 RCW.

NEW SECTION. Sec. 48. A new section is added to chapter 74.20A RCW to read as follows:

When providing support enforcement services, the office of support enforcement may take action, under this chapter and chapter 26.23 RCW, against a responsible parent’s earnings, located in, or subject to the jurisdiction of, the state of Washington regardless of the presence or residence of the responsible parent. If the responsible parent resides in another state or country, the office of support enforcement shall serve a notice under RCW 74.20A.040 more than sixty days before taking collection action.

NEW SECTION. Sec. 52. If by June 30, 1991, the omnibus operating budget appropriations act for the 1991-93 biennium does not provide specific funding for section 19 of this act, referencing this act by bill number, section 19 of this act is null and void.

POINT OF PARLIAMENTARY INQUIRY

Mr. Padden: Thank you, Mr. Speaker. We have two striking amendments and now an amendment to the striking amendment. Could you let us know how the process is going to work this evening?

SPEAKER’S RULING

The Speaker: Thank you, Representative Padden. We have before us two striking amendments. The Speaker will rule that, if the first striking amendment—which was chosen because it was the first amendment received at the bar of the House, a blind decision the Speaker made—is adopted, by your action you have precluded action on the second striking amendment. I'll repeat that. The question before us will be the first striking amendment, the first one received at the bar. If the body adopts that striking amendment, by your action you have at the same time precluded adopting the second striking amendment. If the body fails to adopt or rejects the first striking amendment, we will then consider the second striking amendment.

The rationale behind this decision is that a rational body would not adopt two conflicting striking amendments. As the debate proceeds on the first striking amendment, we will allow discussion of both amendments and reference to the second amendment. The effect of this will be that we are giving the members a choice between striking amendment "A" and striking amendment "B."

POINT OF PARLIAMENTARY INQUIRY

Mr. Paris: Mr. Speaker, would Representative Appelwick's amendments apply to the first striking amendment or to the second, regardless of which is adopted. Or do they only apply to the first striking amendment?

SPEAKER’S REPLY

The Speaker: They are before us on the first striking amendment.

Representatives Appelwick, Belcher, Inslee and Brough spoke in favor of adoption of the amendments to the amendment, and Representatives Hargrove, Padden, R. Meyers and Horn spoke against them. Mr. Hargrove again opposed the amendments to the amendment, and Ms. Brough again spoke in favor of them.

The Speaker stated the question before the House to be adoption of the amendments on pages 40, 42, 44 and 46 by Representative Appelwick to the amendment by Representative R. Meyers and others.
The Speaker, being in doubt, called upon the House to divide. The result of the division was: Yeas - 49, Nays - 45. The amendments to the amendment were adopted.

POINT OF PARLIAMENTARY INQUIRY

Mr. R. Meyers: When we deal with an amendment to an amendment, is that three minutes per speaker? And then is the amendment as amended or not amended another three minutes?

SPEAKER'S RULING

The Speaker: Three minutes for each question, Representative Meyers.

Representatives R. Meyers, Hargrove, Padden, Edmondson and Bowman spoke in favor of adoption of the amendment as amended, and Representatives Appelwick, Forner, Belcher, Cole and Wineberry spoke against it. Mr. Hargrove again spoke in favor of the amendment as amended.

The Speaker stated the question before the House to be adoption of the amendment by Representative R. Meyers and others as amended.

The Speaker, being in doubt, called upon the House to divide. The result of the division was: Yeas - 54, Nays - 40. The amendment as amended was adopted.

With consent of the House, the following amendment by Representative R. Meyers, Hargrove and Padden to the title was adopted:

On motion of Mr. Dorn, the rules were suspended, the second reading considered the third, and the bill was placed on final passage.

Representatives Appelwick, Padden and R. Meyers spoke in favor of passage of the bill, and Representatives Belcher, Spanel and Wineberry spoke against it.
ROLL CALL

The Clerk called the roll on the final passage of Engrossed Second Substitute Senate Bill No. 5120 as amended by the House, and the bill passed the House by the following vote: Yeas - 67, Nays - 27, Absent - 0, Excused - 4.

Engrossed Second Substitute Senate Bill No. 5120 as amended by the House, having received the constitutional majority, was declared passed.

There being no objection, the House reverted to the fourth order of business.

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES--MENTAL HEALTH PROGRAM

(1) COMMUNITY SERVICES

General Fund Appropriation--State ...................... $ 176,113,000
General Fund Appropriation--Federal .................... $ 94,342,000
General Fund Appropriation--Local ...................... $ 3,753,000
TOTAL APPROPRIATION ................ $ 274,208,000

The appropriations in this subsection are subject to the following conditions and limitations:

(a) A maximum of $35,212,000 of the general fund--state appropriation and $17,127,000 of the general fund--federal appropriation are provided for approved regional network plans through contracts negotiated with the secretary of social and health services.

(i) It is the intent of the legislature to implement mental health reform on a multi-year schedule. Dramatic escalation of costs for new programs would impair the state's ability to proceed with subsequent expansion. The contracts shall contain a fiscal plan that will ensure that the increased cost of maintaining fiscal year 1991 programs in fiscal year 1992 will not unduly exceed the rate of inflation. Of the amounts provided in this subsection, a maximum of $500,000 from the general fund--state appropriation may be used for planning and technical assistance grants to counties or regions wishing to form networks. The amounts in this subsection include moneys needed to implement the federal omnibus budget and reconciliation act of 1987 ("OBRA"). First priority for necessary mental health services shall be given to individuals transferred from nursing homes because of OBRA. Such services shall be consistent with an individual's discharge plan and shall include residential services, if needed. Assumptions regarding the number of transfers from the nursing homes shall be incorporated into each contract.
and shall be consistent with the state-wide plan. The department shall coordinate OBRA transfers consistent with the provisions of each contract. The secretary shall negotiate contracts only with regional support networks that received recognition under chapter 205, Laws of 1989 as of January 1, 1990. Funding for the north sound and north central networks shall commence no sooner than January 1, 1991. Networks funded after January 1990 shall be subject to the same contracting process as networks funded in January 1990.

(ii) The department shall continue contracting directly for the Kitsap mental health services residential care alternative project until such time as Kitsap county becomes or joins a regional support network. The reimbursement rate per available bed-day shall not exceed $206 in fiscal year 1990 and $210 in fiscal year 1991. During the contract period, all eligible involuntary treatment referrals for Kitsap county residents shall be made to the project. No involuntary referrals shall be made to western state hospital unless the Kitsap residential treatment facility is filled to capacity and the mental health division and the Kitsap county mental health coordinator concur with the referral. Priority for referral to western state hospital shall be given to individuals under ninety-day or one hundred eighty-day commitments and individuals who have exhausted all community placement options.

(iii) The department may continue to contract directly with Chartley house until King county joins or becomes a regional support network.

(b) $2,000,000 of the general fund--state appropriation is provided solely for a mental health housing reserve. The secretary of social and health services shall transfer funds from the reserve to the state hospitals in any quarter in which hospital census exceeds the December 1988 forecast adjusted to eliminate the bed contract assumption. Any amount remaining after March 1991 may be used for one-time grants. In making grants, the secretary shall give priority to proposals that facilitate network development, demonstrate integration with other mental health services, and are designed to reduce involuntary treatment.

(c) $5,500,000 of the general fund--state appropriation is provided solely for increases for involuntary treatment act administration, including costs associated with involuntary medication hearings.

(d) $2,200,000 of the general fund--state appropriation is provided solely for information system requirements associated with chapter 205, Laws of 1989. (f) $1,400,000 of the general fund--state appropriation and $500,000 of the general fund--federal appropriation are for community mental health services for children. Priority for the remaining moneys shall be given to maintaining Title XIX eligibility for children's outpatient services at risk of losing federal financial participation because of lack of state match.

(g) $3,509,000 of the general fund--state appropriation and $1,322,000 of the general fund--federal appropriation are for vendor rate increases for vendors providing services to the mental health program, as specified in section 202 of this act.

(h) $165,000 of the general fund--state appropriation is provided solely for a pilot project on the delivery of children's mental health services. The amount provided in this subsection is contingent on receipt by the department of $393,000 from private sources.

(i) $1,500,000 of the general fund--state appropriation and $720,000 of the general fund--federal appropriation are provided solely for the enhancement of children's mental health services. The department shall contract with networks and counties through separate performance-based contracts. Contracts shall include a provision expanding services for underserved or difficult-to-service children, including minorities.
Applications from counties and networks shall include endorsements from affected school districts, child welfare agencies, juvenile court systems, and tribes. Of these amounts, $200,000 is provided solely for the development of a state-wide action plan for children's mental health. The plan shall include strategies to reduce duplicate case management. It shall recommend changes, if necessary, to mental health statutes and other statutes to accommodate children's special needs and circumstances. It shall include proposals to increase access and availability of culturally relevant mental health services for minority children. It shall propose a protocol for client referrals from educational and social service agencies and a cross-system collaborative process for ranking those referrals. In developing the plan, the department shall involve representatives of the education, juvenile justice, child welfare, and mental health systems. The department shall present the plan by December 1, 1990, to the appropriate program and fiscal committees of the house of representatives and the senate.

(j) $500,000 of the general fund--state appropriation is provided solely for a comprehensive community-based pilot program for the prevention of community violence:

(i) The pilot program shall be established through a competitive selection process and shall provide for coordination between local law enforcement agencies and courts, local government, domestic violence and victims' support programs, regional support networks, public health agencies, health care providers, schools, and relevant programs within state agencies. The program shall designate a lead agency and develop written interagency agreements to provide a coordinated continuum of services. The pilot program shall make every effort to preserve existing violence intervention programs and coordinate available funding for services related to community violence prevention and services to victims of violence.

(ii) The pilot program shall provide at least the following services: Services to family members who are victims of violence; services to victims of violent crime; case management services; specialized intervention programs for treatment of perpetrators of violence; parenting and caregiver training to families experiencing or at-risk of experiencing violence; and public education regarding community violence.

If necessary, the increase shall be granted from state funds only. In no case shall the annual value of the rate increase exceed $50,000. needed to prepare an assessment of the timber supply in Washington state. The inventory shall be prepared in such a way that it may be updated periodically. The inventory shall include all state, private, county, federal, and commercial forest lands and shall include estimates on the acreage and volumes of timber withdrawn from harvest from lands such as parks, watersheds, and similar lands reserved for nontimber producing activities. $1,000,000, of which $750,000 is from the general fund--state appropriation, $75,000 is from the forest development account appropriation, and $175,000 is from the resource management cost account appropriation, are provided solely for the purposes of this subsection.

(13) $163,000 of the general fund--state appropriation is provided solely for the department to contract with the University of Washington college of forest resources for a timber supply study. The study shall identify the quantity of timber present now and quantity of timber that may be available from forest lands in the future, use various assumptions of landowner management, and include changes in the forest land base, amount of capital invested in timber management, and expected harvest age. No portion of this appropriation may be expended for indirect costs associated with the study.

(14) $1,351,000, of which $608,000 is from the general fund--state appropriation, $324,000 is from the forest development account appropriation, and $419,000 is from the resource management cost account appropriation, is provided solely for costs related to forestry camp No. 1.

(15) $6,500 of the general fund--state appropriation is provided solely to provide additional resources to subsidize amateur radio repeaters on trust lands.

(16) The department of natural resources shall sell approximately 800 acres of undeveloped land at the Northern State multiservice center to Skagit county. The land shall be sold at fair market value, but not less than $833,000. Proceeds of the sale shall be deposited in the charitable, educational, penal and reformatory institutions account. The sale of the land shall be conditioned on the permanent dedication of the land for public recreational uses, which may include fairgrounds.

(17) $136,000 of the general fund--state appropriation is provided solely to implement forest practices reviews required under the state environmental policy act and the federal threatened and endangered species act.

Sec. 304. 1990 1st ex.s. c 16 s 311 (uncodified) is amended to read as follows:

FOR TIMBER LAND PURCHASES AND COMMON SCHOOL CONSTRUCTION
General Fund Appropriation ............................................. $ 100,000,000

The appropriation in this section is subject to the following conditions and limitations:

(1) $20,000,000 of this appropriation is provided to the state parks and recreation commission solely to acquire common school trust lands that have been identified in the commission's 1989 agreement with the department of natural resources as appropriate for state park use.

(2) The remainder of the appropriation shall be deposited in the school construction revolving fund, hereby created in the custody of the state treasurer. Funds shall be expended, without further appropriation, by the department of natural resources to acquire, in fee simple, common school trust lands lying west of the crest of the Cascade mountain range. Timber on these lands shall be commercially unsuitable for harvest due to economic considerations, good forest practices, or other interests of the state.

(3) Lands and timber purchased under this section shall be appraised and (purchased) acquired at fair market value. For purposes of this appropriation, notwithstanding RCW 43.51.270, as to moneys addressed in subsection (1) of this section, the proceeds from the (sale) transfer of the timber shall be deposited by the department in the same manner as timber revenues from other common school trust lands except that no deduction shall be made for the resource management cost account under RCW 79.64.040. The proceeds from the (sale) transfer of the land under subsection (2) of this
section shall be used by the department, without further appropriation, to acquire timber land of equal value to be managed as common school trust land and to maintain a sustainable yield.

(4) The department shall attempt to maintain an aggregate ratio of 92:8 timber-to-land value in these transactions.

(5) Intergrant transfers, between common school and noncommon school trust lands of equal value, may occur, if the noncommon school trust land meets the criteria established by the department for selection of sites and if the exchange is in the interest of both trusts.

(6) Lands and timber purchased under subsection (2) of this section shall be managed under chapter 79.70 or 79.71 RCW as determined by the department of natural resources.

"PART V
EDUCATION"

Sec. 501. 1990 1st ex.s. c 16 s 502 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION--FOR GENERAL APPORTIONMENT (BASIC EDUCATION)

General Fund Appropriation ........................................ $ ((4,340,690,000))

The appropriation in this section is subject to the following conditions and limitations:

(1) $((419,407,000)) 419,450,000 of the general fund appropriation is provided solely for the remaining months of the 1988-89 school year.

(2) Allocations for certificated staff salaries for the 1989-90 and 1990-91 school years shall be determined using formula-generated staff units calculated pursuant to this subsection. Small school enrollments in kindergarten through grade six shall generate funding under (a) of this subsection, and shall not generate allocations under (e) and (f) of this subsection, if the staffing allocations generated under (a) of this subsection exceed those generated under (e) and (f) of this subsection. The certificated staffing allocations shall be as follows:

(a) On the basis of average annual full time equivalent enrollments, excluding full time equivalent enrollment otherwise recognized for certificated staff unit allocations under (d) through (g) of this subsection:

(i) Four certificated administrative staff units for each one thousand full time equivalent kindergarten through twelfth grade students excluding full time equivalent handicapped enrollment as recognized for funding purposes under section 510 of this act;

(ii) Fifty-one certificated instructional staff units for each one thousand full time equivalent students in kindergarten through third grade, excluding full time equivalent handicapped students ages six through eight; and

(iii) Forty-six certificated instructional staff units for each one thousand full time equivalent students in grades four through twelve, excluding full time equivalent handicapped students ages nine and above;

(b) For the 1990-91 school year, an additional 1.3 certificated instructional staff units for each one thousand full time equivalent students in kindergarten through third grade, excluding full time equivalent handicapped students ages six through eight;

(c) For school districts with a minimum enrollment of 250 full time equivalent students, whose full time equivalent student enrollment count in a given month exceeds the first of the month full time equivalent enrollment count by 5 percent, an additional state allocation of 110 percent of the share that such increased enrollment would have generated had such additional full time equivalent students been included in the normal enrollment count for that particular month.
(d)(i) On the basis of full time equivalent enrollment in vocational education programs approved by the superintendent of public instruction, other than skills center programs, 0.92 certificated instructional staff units and 0.08 certificated administrative staff units for each 17.5 full time equivalent vocational students in the 1989-90 school year and for each 17.075 full time equivalent students in the 1990-91 school year;

(ii) For skills center programs the allocation ratios shall be 0.92 certificated instructional staff units and 0.08 certificated administrative staff units for each 16.67 full time equivalent vocational students;

(e) For districts enrolling not more than twenty-five average annual full time equivalent students in kindergarten through grade eight, and for small school plants within any school district which have been judged to be remote and necessary by the state board of education and enroll not more than twenty-five average annual full time equivalent students in kindergarten through grade eight:

(i) For those enrolling no students in grades seven and eight, 1.76 certificated instructional staff units and 0.24 certificated administrative staff units for enrollment of not more than five students, plus one-twentieth of a certificated instructional staff unit for each additional student enrolled; and

(ii) For those enrolling students in grades seven or eight, 1.68 certificated instructional staff units and 0.32 certificated administrative staff units for enrollment of not more than five students, plus one-tenth of a certificated instructional staff unit for each additional student enrolled.

(f) For specified enrollments in districts enrolling more than twenty-five but not more than one hundred average annual full time equivalent students in kindergarten through grade eight, and for small school plants within any school district which enroll more than twenty-five average annual full time equivalent kindergarten through eighth grade students and have been judged to be remote and necessary by the state board of education:

(i) For enrollment of up to sixty annual average full time equivalent students in kindergarten through grade six, 2.76 certificated instructional staff units and 0.24 certificated administrative staff units; and

(ii) For enrollment of up to twenty annual average full time equivalent students in grades seven and eight, 0.92 certificated instructional staff units and 0.08 certificated administrative staff units.

(g) For districts operating no more than two high schools with enrollments of less than three hundred average annual full time equivalent students, for enrollment in grades nine through twelve in each such school, other than alternative schools:

(i) For remote and necessary schools enrolling students in any grades nine through twelve but no more than twenty-five average annual full time equivalent kindergarten through twelfth grade students, four and one-quarter of a certificated instructional staff unit and one-quarter of a certificated administrative staff unit;

(ii) For all other small high schools under this subsection, nine certificated instructional staff units and one-half of a certificated administrative staff unit for the first sixty average annual full time equivalent students, and additional staff units based on a ratio of 0.8732 certificated instructional staff units and 0.1268 certificated administrative staff units per each additional forty-three and one-half average annual full time equivalent students.

Units calculated under (g)(ii) of this subsection shall be reduced by certificated staff units at the rate of forty-six certificated instructional staff units and four certificated administrative staff units per thousand vocational and handicapped full time equivalent students.

(h) For each nonhigh school district having an enrollment of more than seventy annual average full time equivalent students and less than one hundred eighty students,
operating a grades K-8 program or a grades 1-8 program, an additional one-half of a certificated instructional staff unit.

(i) For each nonhigh school district having an enrollment of more than fifty annual average full time equivalent students and less than one hundred eighty students, operating a grades K-6 program or a grades 1-6 program, an additional one-half of a certificated instructional staff unit.

(3) Allocations for classified salaries for the 1989-90 and 1990-91 school years shall be calculated using formula-generated classified staff units determined as follows:

(a) For enrollments generating certificated staff unit allocations under subsections (2)(e) through (i) of this section, one classified staff unit for each three certificated staff units allocated under such subsections.

(b) For all other enrollment in grades kindergarten through twelve, including vocational but excluding handicapped full time equivalent enrollments, one classified staff unit for each sixty average annual full time equivalent students.

(c) For each nonhigh school district with an enrollment of more than fifty annual average full time equivalent students and less than one hundred eighty students, an additional one-half of a classified staff unit.

(4) Fringe benefit allocations shall be calculated at a rate of 19.80 percent in the 1989-90 school year and 19.85 percent in the 1990-91 school year of certificated salary allocations provided under subsection (2) of this section, and a rate of 17.32 percent in the 1989-90 school year and 17.37 percent in the 1990-91 school year of classified salary allocations provided under subsection (3) of this section.

(5) Insurance benefit allocations shall be calculated at the rates specified in section 505 of this act, based on:

(a) The number of certificated staff units determined in subsection (2) of this section; and

(b) The number of classified staff units determined in subsection (3) of this section multiplied by 1.152. This factor is intended to adjust allocations so that, for the purposes of distributing insurance benefits, full time equivalent classified employees may be calculated on the basis of 1440 hours of work per year, with no individual employee counted as more than one full time equivalent.

(6)(a) For nonemployee related costs associated with each certificated staff unit allocated under subsection (2)(a), (b), (c), and (e) through (i) of this section, there shall be provided a maximum of $6,355 per certificated staff unit in the 1989-90 school year and a maximum of $6,654 per certificated staff unit in the 1990-91 school year.

(b) For nonemployee related costs associated with each certificated staff unit allocated under subsection (2)(d) of this section, there shall be provided a maximum of $12,110 per certificated staff unit in the 1989-90 school year and a maximum of $12,679 per certificated staff unit in the 1990-91 school year.

(7) Allocations for substitute costs for classroom teachers shall be distributed at a maximum rate of $290 per year for allocated classroom teachers. Solely for the purposes of this subsection, allocated classroom teachers shall be equal to the number of certificated instructional staff units allocated under subsection (2) of this section, multiplied by the ratio between the number of actual basic education certificated teachers and the number of actual basic education certificated instructional staff reported state-wide for the 1987-88 school year.

(8) The superintendent may distribute a maximum of $(9,925,000) 9,829,000 outside the basic education formula during fiscal years 1990 and 1991 as follows:

(a) For fire protection for school districts located in a fire protection district as now or hereafter established pursuant to chapter 52.04 RCW, a maximum of $(358,000) 350,000 may be expended in fiscal year 1990 and a maximum of $375,000 in fiscal year 1991.
(b) For summer vocational programs at skills centers, a maximum of $1,321,000 may be expended in fiscal year 1990 and a maximum of $1,599,000 may be expended in fiscal year 1991.

(c) A maximum of $((272,000)) 184,000 may be expended for school district emergencies.

(d) A maximum of $6,000,000 is provided solely for the purchase of new and replacement vocational education equipment for use primarily in approved vocational-secondary and skill center programs. These moneys shall be allocated to school districts during the 1989-90 school year on the basis of full time equivalent enrollment in vocational programs.

(9) For the purposes of RCW 84.52.0531, the increase per full time equivalent student in state basic education appropriations provided under this act, including appropriations for salary and benefits increases, is 6.07 percent from the 1988-89 school year to the 1989-90 school year, and ((7.0)) 8.0 percent from the 1989-90 school year to the 1990-91 school year.

(10)(a) The superintendent of public instruction shall revise personnel reporting systems to include information on grade level assignments of basic education certificated instructional staff, by grade level groupings of K-3, 4-6, and 7-12. The superintendent of public instruction shall collect such information from school districts beginning in the 1989-90 school year. School districts may submit supplemental information on changes in staffing levels after the initial personnel report for each school year. Staffing ratios calculated under this subsection may recognize additional staff reported, prorated by the number of months of employment during the academic year.

(b) For each school year, the funding provided under subsection (2)(a) of this section shall be based on a ratio of fifty-one certificated instructional staff per thousand students in kindergarten through grade three only if the district documents an actual ratio of at least fifty-one full time basic education certificated instructional staff per thousand full time equivalent students at those grade levels. For any school district documenting a lower ratio, the funding provided under this section shall be based on the district’s actual K-3 ratio achieved in that school year, or the statutory minimum ratio established under RCW 28A.41.140(2)(c), if greater.

(c) School districts that had a ratio of fifty-one basic education certificated instructional staff per thousand students in kindergarten through grade three in the 1988-89 school year shall expend additional funding generated by the increase in staffing ratios provided in this section solely to improve staffing ratios in kindergarten through grade twelve.

(11) School districts shall use allocations for salaries and benefits generated under subsection (2)(b) of this section only to increase the district’s ratio of basic education certificated instructional staff per thousand full time equivalent students in grades K-3 above fifty-one per thousand, or to employ classified instructional assistants assigned to K-3 basic education classrooms. However, a district that has achieved a ratio of fifty-three basic education certificated instructional staff per thousand full time equivalent students in grades K-3 may also use the allocation to employ additional basic education certificated instructional staff or classified instructional assistants in any grades K-12. School districts shall document to the superintendent of public instruction how the allocation was used and shall submit documentation on the number of classified instructional assistants employed in grades K-3 in the 1989-90 and 1990-91 school years. If a district uses moneys provided under subsection (2)(b) of this section for K-3 certificated instructional staff, these staff shall be excluded when determining the district’s actual K-3 staffing ratio under subsection (10) of this section. A district shall be ineligible to receive allocations under subsection (2)(b) of this section unless the district documents to the superintendent of public instruction that its actual K-3 ratio under subsection (10) of this section for the 1990-91 school year is at least fifty-one full time
basic education certificated instructional staff per thousand full time equivalent students. Districts may not use allocations provided under this subsection to supplant other moneys previously used to employ K-3 certificated instructional staff or K-3 classified instructional assistants. The superintendent of public instruction shall recover funding allocated under subsection (2)(b) of this section if the district does not submit documentation showing that the funding was used for the purposes specified.

(12) The additional moneys allocated due to the increase in the vocational-secondary staff ratio provided in subsection (2)(d) of this section shall be expended solely for expanded vocational-secondary programs approved by the superintendent of public instruction. Funds provided may be expended for extended day contracts. The percentage rate of indirect charges to vocational-secondary programs, in total, shall not exceed the state-wide average percentage rates of indirect charges in all other state-funded categorical programs.

Sec. 502. 1990 1st ex.s. c 16 s 504 (uncodified) is amended to read as follows:

FOR THE SUPERINTENDENT OF PUBLIC INSTRUCTION--BASIC EDUCATION EMPLOYEE COMPENSATION INCREASES

General Fund Appropriation .................. $((221,451,000)) 222,564,000

The appropriation in this section is subject to the following conditions and limitations:

(1) The following calculations determine the salaries used in the general fund allocations for certificated instructional, certificated administrative, and classified staff units under section 502 of this act:

(a) Salary allocations for certificated instructional staff units shall be determined for each district by multiplying the district's certificated instructional derived base salary shown on LEAP Document 12 by the district's average staff mix factor for basic education certificated instructional staff in that school year, computed using LEAP Document 1.

(b) Salary allocations for certificated administrative staff units and classified staff units shall be determined for each district by the district's certificated administrative and classified salary allocation amounts shown on LEAP Document 12.

(2)(a) Districts shall certify to the superintendent of public instruction such information as may be necessary regarding the years of service and educational experience of basic education certificated instructional employees for the purposes of calculating certificated instructional staff salary allocations pursuant to this section. Any change in information previously certified, on the basis of years of experience or educational credits, shall be reported and certified to the superintendent of public instruction at the time such change takes place.

(b) For the purposes of this section, "basic education certificated instructional staff" is defined as provided in RCW 28A.41.110.

(c) "LEAP Document 1" means the computerized tabulation establishing staff mix factors for basic education certificated instructional staff according to education and years of experience, as developed by the legislative evaluation and accountability program committee on August 18, 1987, at 13:26 hours.

(d) "LEAP Document 1R" means the computerized tabulation establishing staff mix factors for basic education certificated instructional staff according to education and years of experience, as developed on March 29, 1990, at 11:00 hours.

(e) "LEAP Document 12" means the computerized tabulation of 1988-89 salary allocations for basic education certificated administrative staff and basic education classified staff and 1988-89 derived base salaries for basic education certificated instructional staff as developed on April 20, 1989, at 14:15 hours.

(f) The incremental fringe benefits factors applied to salary increases in this section shall be 1.1916 for certificated salaries and 1.1379 for classified salaries in the 1989-90
school year, and 1.1921 for certificated salaries and 1.1384 for classified salaries in the 1990-91 school year.

(3) $7,527,000 is provided solely to increase allocations for certificated administrative staff units provided under section 502 of this act, pursuant to this subsection. For the 1989-90 and 1990-91 school years, the allocation for each certificated administrative staff unit shall be increased by 2.5 percent of the 1988-89 state-wide average certificated administrative salary shown on LEAP Document 12, multiplied by incremental fringe benefits.

(4) $30,426,000 is provided solely to increase allocations for classified staff units provided under section 502 of this act, pursuant to this subsection. For the 1989-90 and 1990-91 school years, the allocation for each classified staff unit shall be increased by 4.0 percent of the 1988-89 state-wide average classified salary shown on LEAP Document 12, multiplied by incremental fringe benefits. For the 1990-91 school year, the allocation for each classified staff unit shall be further increased by an additional 4.16 percent of the 1988-89 state-wide average classified salary shown on LEAP Document 12, multiplied by incremental fringe benefits.

(5) $184,611,000 is provided solely to increase allocations for certificated instructional staff units provided under section 502 of this act, pursuant to this subsection:

(a) For any district with a derived base salary of $17,600 on LEAP Document 12, the allocation for each certificated instructional staff unit in the 1989-90 school year shall be increased by the difference between:

(i) The district’s salary allocation per certificated instructional staff unit computed under subsection (1)(a) of this section, adjusted for incremental fringe benefits; and

(ii) The district’s 1989-90 average certificated instructional staff allocation salary as determined by placing the district’s actual full time equivalent basic education certificated instructional staff on the state-wide salary allocation schedule established in subsection (6) of this section, adjusted for incremental fringe benefits.

(b) For any district with a derived base salary greater than $17,600 on LEAP Document 12, the allocation for each certificated instructional staff unit in the 1989-90 school year shall be increased by 4.0 percent of the district’s salary allocation per certificated instructional staff unit computed under subsection (1)(a) of this section, adjusted for incremental fringe benefits.

(c) For any district with a derived base salary of $17,600 on LEAP Document 12, the allocation for each certificated instructional staff unit in the 1990-91 school year shall be increased by the difference between:

(i) The district’s salary allocation per certificated instructional staff unit computed under subsection (1)(a) of this section, adjusted for incremental fringe benefits; and

(ii) The district’s 1990-91 average certificated instructional staff allocation salary as determined by placing the district’s actual full time equivalent basic education certificated instructional staff on the state-wide salary allocation schedule established in subsection (7) of this section, adjusted for incremental fringe benefits.

(d) For any district with a derived base salary greater than $17,600 on LEAP Document 12, the allocation for each certificated instructional staff unit in the 1990-91 school year shall be increased by the difference between:

(i) The district’s salary allocation per certificated instructional staff unit computed under subsection (1)(a) of this section, adjusted for incremental fringe benefits; and

(ii) The district’s salary allocation per certificated instructional staff unit computed under subsection (1)(a) of this section multiplied by the compounded increase provided in this subsection, adjusted for incremental fringe benefits. The compounded increase for each district shall be 7.12 percent, compounded by the percentage difference between the district’s average staff mix factor for actual 1990-91 full time equivalent basic education
certificated instructional employees computed using LEAP Document 1R and such factor for the same 1990-91 employees computed using LEAP Document 1.

(6)(a) Pursuant to RCW 28A.41.112, the following state-wide salary allocation schedule for certificated instructional staff is established for basic education salary allocations for the 1989-90 school year:

(b) As used in this subsection, the column headings "BA+(N)" refer to the number of credits earned since receiving the baccalaureate degree.

(c) For credits earned after the baccalaureate degree but before the masters degree, any credits in excess of forty-five credits may be counted after the masters degree. Thus, as used in this subsection, the column headings "MA+(N)" refer to the total of:

(i) Credits earned since receiving the masters degree; and

(ii) Any credits in excess of forty-five credits that were earned after the baccalaureate degree but before the masters degree.

(b) For the purposes of this section:

(a) "BA" means a baccalaureate degree.

(b) "MA" means a masters degree.

(c) "PHD" means a doctorate degree.
(d) "Years of service" shall be calculated under the same rules used by the superintendent of public instruction for salary allocations in the 1988-89 school year.

(e) "Credits" means college quarter hour credits and equivalent inservice credits computed in accordance with RCW 28A.71.110.

(9) The salary allocation schedules established in subsections (6) and (7) of this section are for allocation purposes only. However, it is the legislature's intent to respond to salary needs of many senior teachers who have not been receiving salary increments on either state or local salary schedules. The legislature and the public recognize the need to provide salary growth for these senior teachers in order to encourage them to continue teaching. School districts should target moneys generated by the additional seniority steps provided for state salary funding in the 1990-91 school year to senior certificational instructional staff. By December 1, 1990, each school district shall submit to the superintendent of public instruction a statement signed by the district's board of directors explaining how the moneys generated by the additional seniority steps were used and whether these moneys were targeted to senior staff.
