NEW SECTION. Sec. 21. (1) An ambulatory surgical center that is certified or accredited as an ambulatory surgical center by the federal medicare program or any private accrediting organization shall be granted the applicable renewal license without the necessity of an on-site state licensure survey if:

(a) The department determines that the applicable survey standards of the certification or accreditation program are substantially equivalent to those required by this chapter;

(b) An on-site survey has been conducted for the purposes of certification or accreditation during the previous twenty-four months; and
(c) The department receives directly from the certifying or accrediting entity or from the licensee or applicant copies of the initial and subsequent survey reports and other relevant reports or findings that indicate compliance with licensure requirements.

(2) In reviewing whether the federal medicare program or any private accrediting organization has survey standards that are of substantial equivalency to those set forth in this chapter, the department is directed to provide the most liberal interpretation consistent with the intent of this chapter. In the event the department determines at any time that the survey standards are not substantially equivalent to those required by this chapter, the department is directed to notify the affected licensees. The notification shall contain a detailed description of the deficiencies in the alternative survey process, as well as an explanation concerning the risk to the consumer. The determination of substantial equivalency for an alternative survey process and lack of substantial equivalency are agency actions and subject to the provisions of chapter 34.05 RCW.

(3) Ambulatory surgical centers receiving a license without an on-site survey by the department under this chapter shall pay the same licensure fee as other ambulatory surgical centers.

(4) This section does not affect the department’s enforcement authority for licensed ambulatory surgical centers.

Sec. 22. RCW 18.106.010 and 1983 c 124 s 1 are each amended to read as follows:

The bill was read the second time.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representative Casada spoke in favor of passage of the bill.

POINT OF INQUIRY

Representative Casada yielded to a question by Representative Hankins.

Representative Hankins: For purposes of clarification, does the term "continuous" include a thermal power plant’s planned or unplanned shutdown periods? For example would the shutdown of a plant for maintenance interrupt the "continuous" nature of the power rating for purposes of the measurement?

Representative Casada: No. The term "continuous" means or refers to what the plant can sustain over a continuous period of time. This is the performance level which would be certified by the manufacturer for continuous operation of the plant for an extended period of time. So, to respond to your example, planned or unplanned shutdowns for maintenance or other operational reasons would not affect the calculation of the two hundred fifty thousand kilowatts, as that term is defined under this amendment, which would be measured using the continuous power rating, less minimum auxiliary load, at average ambient temperature and pressure.

Representative Hankins: Does then that whole phrase, "maximum continuous electric generating capacity", mean the highest possible amount of electric generation the plant is capable of achieving?

Representative Casada: No. The phrase "maximum continuous electric generation capacity" means the electric generating level that the plant can sustain when operated at the performance level guaranteed by the electric generating equipment manufacturer for continuous operation of the plant for an extended period of time.

Representative Hankins: Also for purposes of clarification, does the term "plant" mean only the electric generating equipment?

Representative Casada: No. The term "plant" means the entire electric generation facility, including all associated facilities, together with all integrated control devices.

Representative Hankins: For further clarification, is there a specific location at which the electric generation capacity is "measured" as referenced in the statute?

Representative Casada: Yes. The term "measured" means at the plant interconnect with the electric distribution system to which the plant supplies electricity.

Substitute House Bill No. 1775 was read the second time.
Representative Chandler moved adoption of the following amendment by Representative Chandler:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 90.03.380 and 1991 c 347 s 15 are each amended to read as follows:

(1) The right to the use of water which has been applied to a beneficial use in the state shall be and remain appurtenant to the land or place upon which the same is used: PROVIDED, HOWEVER, That ((said)) the right may be transferred to another or to others and become appurtenant to any other land or place of use without loss of priority of right theretofore established if such change can be made without detriment or injury to existing rights. The point of diversion of water for beneficial use or the purpose of use may be changed, if such change can be made without detriment or injury to existing rights. Before any transfer of such right to use water or change of the point of diversion of water or change of purpose of use can be made, any person having an interest in the transfer or change, shall file a written application therefor with the department, and ((said)) the application shall not be granted until notice of ((said)) the application ((shall be)) is published as provided in RCW 90.03.280. If it shall appear that such transfer or such change may be made without injury or detriment to existing rights, the department shall issue to the applicant a certificate in duplicate granting the right for such transfer or for such change of point of diversion or of use. The certificate so issued shall be filed and be made a record with the department and the duplicate certificate issued to the applicant may be filed with the county auditor in like manner and with the same effect as provided in the original certificate or permit to divert water.

(2) If an application for change proposes to transfer water rights from one irrigation district to another, the department shall, before publication of notice, receive concurrence from each of the irrigation districts that such transfer or change will not adversely affect the ability to deliver water to other landowners or impair the financial or operational integrity of either of the districts.

(3) A change in place of use by an individual water user or users of water provided by an irrigation district need only receive approval for the change from the board of directors of the district if the use of water continues within the irrigation district. The board of directors may approve such a change if the board determines that the change will not adversely affect the district's ability to deliver water to other landowners, will not require the construction by the district of diversion or drainage facilities unless the board finds that the construction by the district is in the interest of the district; will not impair the financial or operational integrity of the district; and is consistent with the contractual obligations of the district.

(4) Subsections (1), (2), and (3) of this section do not apply to a change regarding a portion of the water governed by a water right that is made surplus to the beneficial use exercised under the right through the implementation of practices or technologies, including but not limited to conveyance practices or technologies, which are more efficient or more water use efficient than those under which the right was perfected or through a change in the crops grown under the water right. The use within an irrigation district of water supplied by the district and made surplus as provided in this subsection shall be regulated solely as provided by the board of directors of the irrigation district except as follows: Such a use requires the approval of the board of directors of the irrigation district or must otherwise be authorized by the board; the board may approve or authorize such a use only if the use does not impair the financial or operational integrity of the district; and water made surplus through a change in the crops grown with district-supplied water is not available for use as a matter of right by the individual water user making the change, but may be used by the board for the benefit of the district generally. The district's board of directors may approve or otherwise authorize under this subsection uses of such surplus water that result in the total irrigated acreage within the district exceeding the irrigated acreage recorded with the department for the district's water right if the board notifies the department of the change in the irrigated acreage within the district. Such a notification provides a change in the district's water right and, upon receiving the notification, the department shall revise its records for the district's right to reflect the change. The use of water other than irrigation district-supplied water that is made surplus as provided in this subsection is governed by section 2 of this act.

(5) This section shall not apply to trust water rights acquired by the state through the funding of water conservation projects under chapter 90.38 RCW or RCW 90.42.010 through 90.42.070."
The department may not initiate relinquishment proceedings under chapter 90.14 RCW regarding a water right for which an application for a transfer or change is filed under this section for a period of two years after the date the department receives the filing.

NEW SECTION. Sec. 2. A new section is added to chapter 90.03 RCW to read as follows:

If a portion of the water governed by a water right is made surplus to the beneficial uses exercised under the right through the implementation of practices or technologies, including but not limited to conveyance practices or technologies, which are more efficient or more water use efficient than those under which the right was perfected or through a change in the crops grown under the water right, the right to use the surplus water may be changed to use on other lands owned by the holder of the water right that are contiguous to the lands upon which the use of the water was authorized by the right before such a change. Such a change shall be made without loss of priority of the right. The holder of the water right shall notify the department of such a change. The notification provides a change in the holder's water right and, upon receiving the notification, the department shall revise its records for the water right to reflect the change.

This section does not apply to water supplied by an irrigation district.

Sec. 3. RCW 90.44.100 and 1987 c 109 s 113 are each amended to read as follows:

(1) After an application to, and upon the issuance by the department of an amendment to the appropriate permit or certificate of ground water right, the holder of a valid right to withdraw public ground waters may, without losing his priority of right, construct wells or other means of withdrawal at a new location in substitution for or in addition to those at the original location, or he may change the manner or the place of use of the water(Provided, however, that such). An amendment shall be issued only after publication of notice of the application and findings as prescribed in the case of an original application. Such amendment shall be issued by the department only on the conditions that: (a) The additional or substitute well or wells shall tap the same body of public ground water as the original well or wells; (b) use of the original well or wells shall be discontinued upon construction of the substitute well or wells; (c) the construction of an additional well or wells shall not enlarge the right conveyed by the original permit or certificate; and (d) other existing rights shall not be impaired. The department may specify an approved manner of construction and shall require a showing of compliance with the terms of the amendment, as provided in RCW 90.44.080 in the case of an original permit.

(2) This section does not apply to a change in use of a portion of the water governed by a ground water right that is made surplus to the beneficial uses exercised under the right through the implementation of practices or technologies, which are more efficient or more water use efficient than those under which the right was perfected or through a change in the crops grown under the water right. RCW 90.03.380(4) and section 2 of this act apply to water made surplus as provided in this subsection.

(3) The department may not initiate relinquishment proceedings under chapter 90.14 RCW regarding a water right for which an application for a transfer or change is filed under this section for a period of two years after the date the department receives the filing.

Sec. 4. RCW 90.03.290 and 1994 c 264 s 84 are each amended to read as follows:

When an application complying with the provisions of this chapter and with the rules and regulations of the department has been filed, the same shall be placed on record with the department, and it shall be its duty to investigate the application, and determine what water, if any, is available for appropriation, and find and determine to what beneficial use or uses it can be applied. If it is proposed to appropriate water for irrigation purposes, the department shall investigate, determine and find whether the proposed development is likely to prove detrimental to the public interest, having in mind the highest feasible use of the waters belonging to the public. If the application does not contain, and the applicant does not promptly furnish sufficient information on which to base such findings, the department may issue a preliminary permit, for a period of not to exceed three years, requiring the applicant to make such surveys, investigations, studies, and progress reports, as in the opinion of the department may be necessary. If the applicant fails to comply with the conditions of the preliminary permit, it and the application or applications on which it is based shall be automatically
canceled and the applicant so notified. If the holder of a preliminary permit shall, before its expiration, file with the department a verified report of expenditures made and work done under the preliminary permit, which, in the opinion of the department, establishes the good faith, intent and ability of the applicant to carry on the proposed development, the preliminary permit may, with the approval of the governor, be extended, but not to exceed a maximum period of five years from the date of the issuance of the preliminary permit. The department shall make and file as part of the record in the matter, written findings of fact concerning all things investigated, and if it shall find that there is water available for appropriation for a beneficial use, and the appropriation thereof as proposed in the application will not impair existing rights or be detrimental to the public welfare, it shall issue a permit stating the amount of water to which the applicant shall be entitled and the beneficial use or uses to which it may be applied: PROVIDED, That where the water applied for is to be used for irrigation purposes, it shall become appurtenant only to such land as may be reclaimed thereby to the full extent of the soil for agricultural purposes. But where there is no unappropriated water in the proposed source of supply, or where the proposed use conflicts with existing rights, or threatens to prove detrimental to the public interest, having due regard to the highest feasible development of the use of the waters belonging to the public, it shall be duty of the department to reject such application and to refuse to issue the permit asked for. If the permit is refused because of conflict with existing rights and such applicant shall acquire same by purchase or condemnation under RCW 90.03.040, the department may thereupon grant such permit. Any application may be approved for a less amount of water than that applied for, if there exists substantial reason therefor, and in any event shall not be approved for more water than can be applied to beneficial use for the purposes named in the application. In determining whether or not a permit shall issue upon any application, it shall be the duty of the department to investigate all facts relevant and material to the application. After the department approves said application in whole or in part and before any permit shall be issued thereon to the applicant, such applicant shall pay the fee provided in RCW 90.03.470: PROVIDED FURTHER, That in the event a permit is issued by the department upon any application, it shall be its duty to notify the director of fish and wildlife of such issuance.

This section does not apply to changes made under section 2 of this act or to applications for transfers or changes made under RCW 90.03.380 or 90.44.100.

Sec. 5. RCW 90.44.445 and 1993 c 99 s 1 are each amended to read as follows:

In any acreage expansion program adopted by the department as an element of a ground water management program, the authorization for a water right certificate holder to participate in the program shall be on an annual basis for the first two years. After the two-year period, the department may authorize participation for ten-year periods. The department may authorize participation for ten-year periods for certificate holders who have already participated in an acreage expansion program for two years. The department may require annual certification that the certificate holder has complied with all requirements of the program. The department may terminate the authority of a certificate holder to participate in the program for one calendar year if the certificate holder fails to comply with the requirements of the program.

This section applies only in an area with a ground water area or subarea management program in effect on the effective date of this section. The provisions of section 2 of this act, RCW 90.03.380, and 90.44.100 apply to transfers, changes, and amendments to permits or rights for the beneficial use of ground water in any other area.

Correct the title accordingly.

On page 1 after line 12, insert the following:

"NEW SECTION. Sec. 2. (1) The legislature hereby authorizes cities and counties to enact ordinances limiting or prohibiting the sounding of locomotive horns, provided the ordinance applies only at crossings equipped with supplemental safety measures. A supplemental safety measure is a safety device defined in Public Law 103-440, section 20153 (a) (3), as that law existed on November 2, 1994. A supplemental safety measure that prevents careless movement over the crossing (e.g., as where adequate median barriers prevent movement around crossing gates extending over the full width of the lanes in a particular direction of travel), shall be deemed to conform to those standards required under P. L. 103-440 unless specifically rejected by Emergency Order issued by the U. S. Secretary of the Department of Transportation.

(2) Prior to enacting the ordinance, the cities and counties shall provide written notification to the railroad companies affected by the proposed ordinance, and to the state utilities and transportation commission, for the purpose of providing an opportunity to comment on the proposed ordinance.

(3) Nothing in this section shall be construed as limiting the state’s power, guaranteed by tenth amendment to the Constitution of the United States, to enact laws necessary for the health, safety or welfare of the people of the state of Washington.

Representatives Crouse and G. Fisher spoke in favor of the adoption of the amendment.

The amendment was adopted.
The bill was ordered engrossed.

There being no objection, rules were suspended, the second reading considered the third and the bill was placed on final passage.

Second Substitute House Bill No. 1417 was read the second time.

Representative Wolfe moved adoption of the following amendment by Representative Wolfe:

On page 3, line 29, after "(5)" insert ""Multidisciplinary team" means those persons involved in helping a child who meets the definition of an at-risk youth. This group shall include the parent, guardian, or custodian, a department case worker, a representative of the counties, and a member of the following disciplines: Mental health and substance abuse. This group may include, but is not limited to the following persons: Educators, law enforcement personnel, probation officers, employers, church persons, tribal members, a member of the child's cultural community, therapists,
medical personnel, social service providers, placement providers, and extended family members. Team members shall be volunteers who do not receive compensation for team activities unless an individual team member’s employer chooses to provide such compensation.

(6)"

On page 4, after line 10, insert the following:

"Sec. 5. RCW 13.32A.040 and 1994 c 304 s 3 are each amended to read as follows:

Families who are in conflict or who are experiencing problems with at-risk youth may request family reconciliation services from the department. The department shall involve the local multidisciplinary teams in determining the services to be provided and in providing those services, if a local multidisciplinary team exists. Such services shall be provided to alleviate personal or family situations which present a serious and imminent threat to the health or stability of the child or family and to maintain families intact wherever possible. Family reconciliation services shall be designed to develop skills and supports within families to resolve problems related to at-risk youth or family conflicts and may include but are not limited to referral to services for suicide prevention, psychiatric or other medical care, or psychological, welfare, legal, educational, or other social services, as appropriate to the needs of the child and the family. Upon a referral by a school or other appropriate agency, family reconciliation services may also include training in parenting, conflict management, and dispute resolution skills.

Sec. 6. RCW 13.32A.130 and 1994 sp.s. c 7 s 508 are each amended to read as follows:

(1) A child admitted to a crisis residential center under this chapter who is not returned to the home of his or her parent or who is not placed in an alternative residential placement under an agreement between the parent and child, shall, except as provided for by RCW 13.32A.140 and 13.32A.160(2), reside in the placement under the rules established for the center for a period not to exceed five consecutive days from the time of intake, except as otherwise provided by this chapter. Crisis residential center staff shall make ((a concerted)) every reasonable effort to protect the child and achieve a reconciliation of the family. If a reconciliation, using family reconciliation services, and voluntary return of the child has not been achieved within forty-eight hours from the time of intake, and if the person in charge of the center does not consider it likely that reconciliation will be achieved within the five-day period, then the ((person in charge shall inform the parent and child of (1) the availability of counseling services; (2) the right to file a petition for an alternative residential placement, the right of a parent to file an at-risk youth petition, and the right of the parent and child to obtain assistance in filing the petition; and (3) the right to request a review of any alternative residential placement)) facility administrator or his or her designee shall immediately convene the multidisciplinary team, if one exists.

At no time shall information regarding a parent’s or child’s rights be withheld if requested. The department shall develop and distribute to all law enforcement agencies and to each crisis residential center administrator a written statement delineating the services and rights. Every officer taking a child into custody shall provide the child and his or her parent(s) or responsible adult with whom the child is placed with a copy of the statement. In addition, the administrator of the facility or his or her designee shall provide every resident and parent with a copy of the statement.

NEW SECTION. Sec. 7. A new section is added to chapter 13.32A RCW to read as follows:

(1) Each county shall have the authority to assemble a multidisciplinary team. To the extent possible, the multidisciplinary team shall draw upon existing community resources.

(2) The multidisciplinary team, if one exists, shall make every reasonable effort to protect the child and achieve a reconciliation of the family whenever possible. If a crisis residential center administrator or his or her designee makes a referral, the team must respond as soon as possible but no later than twelve hours after the referral is made. The team shall have the authority to assess the juvenile, and family members, if appropriate and agreed to, and shall:

(a) With parental input, develop a plan of appropriate available services and assist the family in obtaining those services;

(b) Make a referral to the designated chemical dependency specialist or the county designated mental health professional, if appropriate;
(c) Recommend no further intervention because the juvenile and his or her family have resolved the problem causing the family conflict; or
(d) With the family’s consent, work with the family on a longer-term basis to achieve reconciliation of the child and family, whenever possible.

(3) To the maximum extent possible, the members of the multidisciplinary team shall include members who are representative of the cultures in the family’s community.

NEW SECTION. Sec. 8. A new section is added to chapter 13.32A RCW to read as follows:
(1) The purpose of the multidisciplinary team is to coordinate and communicate about services offered to the child and family.
(2) At the first meeting of the multidisciplinary team, it shall choose a member to act as case manager for the family. The parent member of the multidisciplinary team must agree with the choice of case manager. Thereafter, the team shall meet periodically.

Sec. 9. RCW 13.32A.140 and 1990 c 276 s 9 are each amended to read as follows:
((The department shall)) A juvenile, his or her parent, guardian, or custodian, or the case manager of the multidisciplinary team may file a petition to approve an alternative residential placement on behalf of a child under any of the following sets of circumstances:
(1) The child has been admitted to a crisis residential center or has been placed with a responsible person other than his or her parent, and:
(a) The parent has been notified that the child was so admitted or placed;
(b) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such notification;
(c) No agreement between the parent and the child as to where the child shall live has been reached;
(d) No petition requesting approval of an alternative residential placement has been filed by either the child or parent or legal custodian;
(e) The parent has not filed an at-risk youth petition; and
(f) The child has no suitable place to live other than the home of his or her parent.
(2) The child has been admitted to a crisis residential center and:
(a) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such placement;
(b) The staff, after searching with due diligence, have been unable to contact the parent of such child; and
(c) The child has no suitable place to live other than the home of his or her parent.
(3) An agreement between parent and child made pursuant to RCW 13.32A.090(2)(e) or pursuant to RCW 13.32A.120(1) is no longer acceptable to parent or child, and:
(a) The party to whom the arrangement is no longer acceptable has so notified the department;
(b) Seventy-two hours, including Saturdays, Sundays, and holidays, have passed since such notification;
(c) No new agreement between parent and child as to where the child shall live has been reached;
(d) No petition requesting approval of an alternative residential placement has been filed by either the child or the parent;
(e) The parent has not filed an at-risk youth petition; and
(f) The child has no suitable place to live other than the home of his or her parent.

Under the circumstances of subsections (1), (2), or (3) of this section, the child shall remain in a licensed child care facility, including but not limited to a crisis residential center, or in any other suitable residence to be determined by the department until an alternative residential placement petition filed by the department on behalf of the child is reviewed by the juvenile court and is resolved by such court. The department may authorize emergency medical or dental care for a child placed under this section. The state, when the department files a petition for alternative residential placement under this section, shall be represented as provided for in RCW 13.04.093.

Sec. 10. RCW 13.32A.150 and 1992 c 205 s 208 are each amended to read as follows:
(1) Except as otherwise provided in this section the juvenile court shall not accept the filing of an alternative residential placement petition by the child or the parents or the filing of an at-risk youth
petition by the parent, unless verification is provided that a family assessment has been completed by
the department. The family assessment provided by the department shall involve the multidisciplinary
team as provided in RCW 13.32A.040, if one exists. The family assessment or plan of services
developed by the multidisciplinary team shall be aimed at family reconciliation, reunification, and
avoidance of the out-of-home placement of the child. If the department is unable to complete an
assessment within two working days following a request for assessment the child or the parents may
proceed under subsection (2) of this section or the parent may proceed under subsection (3) of this
section.

(2) A child or a child’s parent may file with the juvenile court a petition to approve an
alternative residential placement for the child outside the parent’s home. The department shall, when
requested, assist either a parent or child in the filing of the petition. The petition shall only ask that the
placement of a child outside the home of his or her parent be approved. The filing of a petition to
approve such placement is not dependent upon the court’s having obtained any prior jurisdiction over
the child or his or her parent, and confers upon the court a special jurisdiction to approve or disapprove
an alternative residential placement.

(3) A child’s parent may file with the juvenile court a petition in the interest of a child alleged
to be an at-risk youth. The department shall, when requested, assist the parent in filing the petition.
The petition shall be filed in the county where the petitioning parent resides. The petition shall set
forth the name, age, and residence of the child and the names and residence of the child’s parents and
shall allege that:

(a) The child is an at-risk youth as defined in this chapter;
(b) The petitioning parent has the right to legal custody of the child;
(c) Court intervention and supervision are necessary to assist the parent to maintain the care,
custody, and control of the child; and
(d) Alternatives to court intervention have been attempted or there is good cause why such
alternatives have not been attempted.

The petition shall set forth facts that support the allegations in this subsection and shall
generally request relief available under this chapter. The petition need not specify any proposed
disposition following adjudication of the petition. The filing of an at-risk youth petition is not
dependent upon the court’s having obtained any prior jurisdiction over the child or his or her parent
and confers upon the court the special jurisdiction to assist the parent in maintaining parental authority
and responsibility for the child. An at-risk youth petition may not be filed if the court has approved an
alternative residential placement petition regarding the child or if the child is the subject of a
proceeding under chapter 13.34 RCW. A petition may be accepted for filing only if alternatives to
court intervention have been attempted. Juvenile court personnel may screen all at-risk youth petitions
and may refuse to allow the filing of any petition that lacks merit, fails to comply with the requirements
of this section, or fails to allege sufficient facts in support of allegations in the petition.

Sec. 11. RCW 13.50.010 and 1994 sp.s.c 7 s 541 are each amended to read as follows:

(1) For purposes of this chapter:
(a) "Juvenile justice or care agency" means any of the following: Police, diversion units,
court, prosecuting attorney, defense attorney, detention center, attorney general, the multidisciplinary
team formed under chapter 13.32A RCW, the department of social and health services and its
contracting agencies, schools; and, in addition, persons or public or private agencies having children
committed to their custody;
(b) "Official juvenile court file" means the legal file of the juvenile court containing the petition
or information, motions, memorandums, briefs, findings of the court, and court orders;
(c) "Social file" means the juvenile court file containing the records and reports of the
probation counselor;
(d) "Records" means the official juvenile court file, the social file, and records of any other
juvenile justice or care agency in the case.
(2) Each petition or information filed with the court may include only one juvenile and each
petition or information shall be filed under a separate docket number. The social file shall be filed
separately from the official juvenile court file.
(3) It is the duty of any juvenile justice or care agency to maintain accurate records. To this
end:
(a) The agency may never knowingly record inaccurate information. Any information in records maintained by the department of social and health services relating to a petition filed pursuant to chapter 13.34 RCW that is found by the court, upon proof presented, to be false or inaccurate shall be corrected or expunged from such records by the agency;

(b) An agency shall take reasonable steps to assure the security of its records and prevent tampering with them; and

c) An agency shall make reasonable efforts to insure the completeness of its records, including action taken by other agencies with respect to matters in its files.

(4) Each juvenile justice or care agency shall implement procedures consistent with the provisions of this chapter to facilitate inquiries concerning records.

(5) Any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency and who has been denied access to those records by the agency may make a motion to the court for an order authorizing that person to inspect the juvenile justice or care agency record concerning that person. The court shall grant the motion to examine records unless it finds that in the interests of justice or in the best interests of the juvenile the records or parts of them should remain confidential.

(6) A juvenile, or his or her parents, or any person who has reasonable cause to believe information concerning that person is included in the records of a juvenile justice or care agency may make a motion to the court challenging the accuracy of any information concerning the moving party in the record or challenging the continued possession of the record by the agency. If the court grants the motion, it shall order the record or information to be corrected or destroyed.

(7) The person making a motion under subsection (5) or (6) of this section shall give reasonable notice of the motion to all parties to the original action and to any agency whose records will be affected by the motion.

(8) The court may permit inspection of records by, or release of information to, any clinic, hospital, or agency which has the subject person under care or treatment. The court may also permit inspection by or release to individuals or agencies, including juvenile justice advisory committees of county law and justice councils, engaged in legitimate research for educational, scientific, or public purposes. The court may also permit inspection of, or release of information from, records which have been sealed pursuant to RCW 13.50.050(11). Access to records or information for research purposes shall be permitted only if the anonymity of all persons mentioned in the records or information will be preserved. Each person granted permission to inspect juvenile justice or care agency records for research purposes shall present a notarized statement to the court stating that the names of juveniles and parents will remain confidential.

(9) Juvenile detention facilities shall release records to the juvenile disposition standards commission under RCW 13.40.025 upon request. The commission shall not disclose the names of any juveniles or parents mentioned in the records without the named individual's written permission."

Renumber the remaining sections consecutively, correct any internal references accordingly, and correct the title.

Representatives Wolfe and Carrell spoke in favor of the adoption of the amendment.

The amendment was adopted.

Representative Carrell moved adoption of the following amendment by Representative Carrell:

On page 8, after line 23, insert the following:

"Sec. 12. RCW 13.32A.196 and 1991 c 364 s 14 are each amended to read as follows:

(1) At the dispositional hearing regarding an adjudicated at-risk youth, the court shall consider the recommendations of the parties and the recommendations of any dispositional plan submitted by the department. The court may enter a dispositional order that will assist the parent in maintaining the care, custody, and control of the child and assist the family to resolve family conflicts or problems.

(2) The court may set conditions of supervision for the child that include:

(a) Regular school attendance;

(b) Counseling;
(c) Participation in a substance abuse treatment program;
(d) If ordered under subsection (3) of this section, placement in a secure facility or other secure program of treatment;
(e) Reporting on a regular basis to the department or any other designated person or agency; and
((e))) (f) Any other condition the court deems an appropriate condition of supervision.

(3) If requested by a parent of an at-risk youth who is a habitual runaway, the court may include in its dispositional order or orders a requirement that the youth be placed, for up to one hundred eighty consecutive days, in a secure facility or other court-ordered secure program of treatment. The court may not include this requirement unless, at the disposition hearing, it finds that the placement is necessary in order to protect the at-risk youth and that a less-restrictive order or orders not requiring such placement would be inadequate to protect the youth, given the youth's age, maturity, propensity to run away from home, past exposure to serious risk when the youth ran away from home, and possible future exposure to serious risk should the youth run away from home again. For purposes of this section, an at-risk youth is a “habitual runaway” if the youth, on each of three or more occasions within the twelve-month period preceding the month in which the at-risk youth petition was filed, has been absent from home for more than seventy-two consecutive hours without parental consent, or if the youth during such twelve-month period has been absent from home without parental consent for more than thirty consecutive days. This subsection constitutes a method of placement or commitment that is in addition to methods prescribed under other laws and is not intended as the exclusive method for placement or commitment of children who qualify as at-risk youth.

(4) Except as provided in this section for habitual runaways, no dispositional order or condition of supervision ordered by a court pursuant to this section shall include involuntary commitment of a child for substance abuse or mental health treatment.

((4))) (5) The court may order the parent to participate in counseling services or any other services for the child requiring parental participation. The parent shall cooperate with the court-ordered case plan and shall take necessary steps to help implement the case plan. The parent shall be financially responsible for costs related to the court-ordered plan; however, this requirement shall not affect the eligibility of the parent or child for public assistance or other benefits to which the parent or child may otherwise be entitled. The parent may request dismissal of an at-risk youth proceeding at any time and upon such a request, the court shall dismiss the matter and cease court supervision of the child unless a contempt action is pending in the case. The court may retain jurisdiction over the matter for the purpose of concluding any pending contempt proceedings, including the full satisfaction of any penalties imposed as a result of a contempt finding.

((5))) (6) The court may order the department to monitor compliance with the dispositional order, assist in coordinating the provision of court-ordered services, and submit reports at subsequent review hearings regarding the status of the case.

Sec. 13. RCW 13.32A.198 and 1990 c 276 s 15 are each amended to read as follows:

(1) Upon making a disposition regarding an adjudicated at-risk youth, the court shall schedule the matter on the calendar for review (within three months), advise the parties of the date thereof, appoint legal counsel for the child, advise the parent of the right to be represented by legal counsel at the review hearing at the parent's own expense, and notify the parties of their rights to present evidence at the hearing. The review hearing shall commence within ninety consecutive days after the date in which the dispositional order or orders are entered. However, if the order or orders provide for the placement of a habitual runaway in a secure facility or secure program of treatment, then the review hearing shall commence within thirty consecutive days after such date.

(2) At the review hearing, the court shall approve or disapprove the continuation of court supervision in accordance with the goal of assisting the parent to maintain the care, custody, and control of the child. The court shall determine whether the parent and child are complying with the dispositional plan. If court supervision is continued, the court may modify the dispositional plan. However, in the case of a habitual runaway placed in a secure facility or secure program of treatment, the court may continue the placement for an additional period only if requested by the parent and if the court finds that its findings under RCW 13.32A.196 are still accurate.

(3) Except for the placement of a habitual runaway in a secure facility or secure program of treatment, court supervision of the child may not be continued past one hundred eighty consecutive days from the day the review hearing commenced unless the court finds, and the parent agrees, that
there are compelling reasons for an extension of supervision. Any extension granted pursuant to this subsection shall not exceed ninety days. The court may not require the placement of a habitual runaway for longer than a period of one hundred eighty consecutive days and may not provide for any extension of the placement beyond such period.

(4) The court may dismiss an at-risk youth proceeding at any time if the court finds good cause to believe that continuation of court supervision, including the placement of a habitual runaway, would serve no useful purpose or that the parent is not cooperating with the court-ordered case plan. The court shall dismiss an at-risk youth proceeding if the child is the subject of a proceeding under chapter 13.34 RCW."

Representatives Carrell and Wolfe spoke in favor of the adoption of the amendment.

The amendment was adopted.

Representative Regala moved adoption of the following amendment by Representative Regala:

On page 26, after line 9, insert the following:

POINT OF ORDER

Representative L. Thomas: Thank you Mr. Speaker. I would ask for a ruling on the scope and object of amendment number 145 to Substitute House Bill No. 1247.

SPEAKER'S RULING

Representative L. Thomas, The Speaker is prepared to Rule on your Point of Order which challenges amendment 145 to Substitute House Bill No. 1247 as being beyond the Scope and Object of the bill.

The title of Substitute House Bill No. 1247 is "AN ACT Relating to Washington thoroughbred racing"

The title is broad. The bill amends RCW 67.16.105 Amendment 145 to Substitute House Bill No. 1247 would add a new section to the bill amending RCW 67.16.010. The amendment would add new definitions to the chapter defining the operation of a race track and the meaning of "racing day". The Speaker finds that this amendment is within the scope of the broad title of Substitute House Bill No. 1247.

The object of Substitute House Bill No. 1247 is to continue a law which allows the retention of certain amounts of money from gross receipts and directs those amounts toward the construction of a new facility.

Amendment 145 is unrelated to the object of Substitute House Bill No. 1247. The Speaker finds that amendment 145 is beyond the scope and object of the bill.

Representative L. Thomas, Your Point of Order is well taken.

Representative Padden moved adoption of the following amendment by Representative Padden:

On page 3, line 15, after "Sec. 3." insert "(1)"

On page 3, after line 23, insert the following:
“(2) The Washington state horse racing commission shall study the feasibility, costs to the state, broad fiscal impacts, and necessary statutory changes for implementing dual card satelliting, as it is commonly known, at Washington horse race tracks. The review of necessary statutory changes shall include, but is not limited to compliance with federal definitions of “operating race tracks” and “racing day.” This report shall be submitted to the senate and house of representatives no later than January 1, 1996.”

POINT OF ORDER

Representative L. Thomas: Thank you Mr. Speaker. I would ask for a ruling on the scope and object of amendment number 113 to Substitute House Bill No. 1247.

SPEAKER’S RULING

Representative L. Thomas, The Speaker is prepared to Rule on your Point of Order which challenges amendment 213 to Substitute House Bill No. 1247 as not being beyond the Scope and Object of the bill.

The title of Substitute House Bill No. 1247 is "AN ACT Relating to Washington thoroughbred racing"

The title is broad. The bill amends RCW 67.16.105

Amendment 213 to Substitute House Bill No. 1247 would add a new sub section to the bill requiring the state horse racing commission to study the feasibility for implementing dual card satelliting in Washington. The Speaker finds that this amendment is within the scope and object of the broad title of Substitute House Bill No. 1247.

The object of Substitute House Bill No. 1247 is to continue a law which allows the retention of certain amounts of money from gross receipts and directs those amounts toward the construction of a new facility.

Amendment 213 and the study it directs relate to the object of opening a new track in Western Washington. The Speaker is unable to conclude that amendment 213 is beyond the scope and object of Substitute House Bill No. 1247.

The Speaker finds that amendment 213 is not beyond the scope and object of the bill.

Representative L. Thomas your Point of Order is not well taken.

Representative Padden, please continue.

Representatives Padden, Schoesler, Van Luven and Crouse spoke in favor of the adoption of the amendment.

Representatives L. Thomas, Lisk, Robertson, Kremen, Brown and Honeyford spoke against the adoption of the amendment.

Representative Padden again spoke in favor of the adoption of the amendment.

"Sec. 22. RCW 48.14.020 and 1986 c 296 s 1 are each amended to read as follows:

(1) Subject to other provisions of this chapter, each authorized insurer except title insurers shall on or before the first day of March of each year pay to the state treasurer through the commissioner's office a tax on premiums; three tenths of one percent of the tax collected shall be deposited in the insurance antifraud account created in section 16 of this act, and the remainder shall be deposited in the general fund. Except as provided in subsection (2) of this section, such tax shall be in the amount of two percent of all premiums, excluding amounts returned to or the amount of reductions in premiums allowed to holders of industrial life policies for payment of premiums directly to an office of the insurer, collected or received by the insurer during the preceding calendar year other than ocean marine and foreign trade insurances, after deducting premiums paid to policyholders as returned premiums, upon risks or property resident, situated, or to be performed in this state. For the purposes of this section the consideration received by an insurer for the granting of an annuity shall not be deemed to be a premium.

(2) In the case of insurers which require the payment by their policyholders at the inception of their policies of the entire premium thereon in the form of premiums or premium deposits which are the same in amount, based on the character of the risks, regardless of the length of term for which such policies are written, such tax shall be in the amount of two percent of the gross amount of such premiums and premium deposits upon policies on risks resident, located, or to be performed in this state, in force on the thirty-first day of December next preceding, less the unused or unabsorbed portion of such premiums and premium deposits computed at the average rate thereof actually paid or credited to policyholders or applied in part payment of any renewal premiums or premium deposits on one-year policies expiring during such year.

(3) Each authorized insurer shall with respect to all ocean marine and foreign trade insurance contracts written within this state during the preceding calendar year, on or before the first day of March of each year pay to the state treasurer through the commissioner's office a tax of ninety-five one-hundredths of one percent on its gross underwriting profit. Such gross underwriting profit shall be ascertained by deducting from the net premiums (i.e., gross premiums less all return premiums and
premiums for reinsurance) on such ocean marine and foreign trade insurance contracts the net losses paid (i.e., gross losses paid less salvage and recoveries on reinsurance ceded) during such calendar year under such contracts. In the case of insurers issuing participating contracts, such gross underwriting profit shall not include, for computation of the tax prescribed by this subsection, the amounts refunded, or paid as participation dividends, by such insurers to the holders of such contracts.

(4) The state does hereby preempt the field of imposing excise or privilege taxes upon insurers or their agents, other than title insurers, and no county, city, town or other municipal subdivision shall have the right to impose any such taxes upon such insurers or their agents.

(5) If an authorized insurer collects or receives any such premiums on account of policies in force in this state which were originally issued by another insurer and which other insurer is not authorized to transact insurance in this state on its own account, such collecting insurer shall be liable for and shall pay the tax on such premiums.”

POINT OF INQUIRY

Representative L. Thomas yielded to a question by Representative Campbell.

Representative Campbell: Is section 3 intended to affect referrals that are part of the usual business relationships regarding health practitioners or attorney’s, where there is no intent to commit or participate in the commission of fraud.

Representative L. Thomas: No. Section 3 is intended to prohibit unethical conduct where there is a clear intent that the referral is part of an organized effort to commit fraud.

Representatives Wolfe and Chopp spoke against passage of the bill.

POINT OF INQUIRY

Representative L. Thomas yielded to a question by Representative Robertson.

Representative Robertson: What is the legislative intent of House Bill No. 1557, Section 3 as to its effect on insurance company claims cost containment efforts involving arrangements with preferred providers, including auto repair facilities, for services and the nonobligatory referral of insured with claims to these preferred providers?

Representative L. Thomas: The legislative intent of House Bill No. 1557 Section 3 is to impede criminal activities. There is no legislative intent to impair or prohibit insurance company efforts to pursue claims cost containment through the use of preferred provider arrangements. The legislative acknowledges and encourages these kinds of programs as a reasonable means of keeping insurance affordable for everyone in Washington.

Representative McMahan moved adoption of the following amendment by Representative McMahan:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The purpose of this chapter is to allow for the establishment of charter schools. The purposes of charter schools are to:

(1) Improve student learning;
(2) Increase learning opportunities for pupils;
(3) Encourage the use of different and innovative methods of teaching;
(4) Require the measurement of learning standards and create different and innovative forms of measuring standards;
(5) Establish new forms of accountability for schools; and
(6) Create professional opportunities for teachers and other educators, including the opportunity to be responsible for the learning program at the school site.

NEW SECTION. Sec. 2. This chapter applies only to charter schools formed and operated under this chapter.

NEW SECTION. Sec. 3. (1) School districts may sponsor charter schools. A sponsor may authorize one or more individuals or an organization to form and operate a charter school. If a school board rejects an application for a charter school, the application may be submitted to the state board of education for approval or disapproval. The sponsor’s authorization shall be in the form of a written contract between the sponsor and the board of directors of the charter school.

(2) The total number of charter schools operating in the state in any school year shall not exceed ten, with not more than one charter school in any single school district. For purposes of implementing this subsection, a school district shall notify the state board of education when it receives a charter school application, when it approves a charter school pursuant to this section, and when a
charter school contract expires or is terminated. Once ten charter schools are approved by school boards or the state board of education, the state board shall notify school districts. The state board also shall notify school districts when additional charter schools may be approved due to charter school contract expirations or terminations.

NEW SECTION. Sec. 4. The contract shall be in writing and contain at least the following:
(1) A description of a program that carries out one or more of the purposes in section 1 of this act;
(2) Specific standards to be achieved by the pupils;
(3) Admission policies and procedures;
(4) Management and administration of the school;
(5) Requirements and procedures for program and financial audits;
(6) Assumption of liability by the charter school;
(7) Types and amounts of insurance coverage to be obtained by the charter school; and
(8) The term of the contract, which may be up to three years.

NEW SECTION. Sec. 5. Except as provided in this section, a charter school is exempt from all statutes and rules applicable to a school board or school district, although it may elect to comply with one or more provisions of such statutes or rules. However, a charter school shall meet the same health and safety requirements required of a school district.

NEW SECTION. Sec. 6. (1) The school location may not be prescribed or limited by a sponsor or other authority, except a zoning authority.
(2) The school must be nonsectarian in its programs, admission policies, employment practices, and all other operations.
(3) The primary focus of the school shall be to provide a comprehensive program of instruction for at least one grade or age group from five through eighteen years of age. Instruction may be provided to people younger than five years and older than eighteen years of age.
(4) The school may not charge tuition.

NEW SECTION. Sec. 7. Charter schools shall not discriminate in the admission of students, hiring practices, or otherwise on the basis of race, ethnicity, color, or national origin.

NEW SECTION. Sec. 8. (1) A school may limit admission in the following ways:
(a) Pupils within an age group or grade level; or
(b) Pupils who have attributes designating them as at risk of failure.
(2) The school shall not limit admission to students on the basis of athletic ability.

NEW SECTION. Sec. 9. A charter school shall design its programs to meet the standards contained in the contract with the sponsor.

NEW SECTION. Sec. 10. The school shall provide instruction each year for at least the number of days required of school districts.

NEW SECTION. Sec. 11. Transportation for students enrolled at a charter school shall be provided by the school district in which the school is located for a student who resides in the same school district in which the charter school is located. Transportation may be provided by the school district in which the school is located for a student residing in a different school district.

NEW SECTION. Sec. 12. If a teacher employed by a school district makes a written request for an extended leave of absence to teach at a charter school, the school district shall grant the leave.

NEW SECTION. Sec. 13. (1) The superintendent of public instruction shall separately calculate and allocate moneys appropriated for basic education under RCW 28A.150.260 to charter schools. The amount of state funding for charter schools shall be determined by the number of full-time equivalent students enrolled in the school multiplied by the estimated state-wide annual average per full-time equivalent student allocation under RCW 28A.150.260 and applicable rules.
(2) State funding for students who are eligible for special education under chapter 28A.155 RCW, the learning assistance program under chapter 28A.165 RCW, and the transitional bilingual instruction program under chapter 28A.180 RCW shall be determined in accordance with applicable statutes and rules that apply to school districts.

(3) For each annual full-time equivalent student enrolled in a charter school, the charter schools shall be entitled to an amount equal to the maintenance and operation excess tax levy rate per annual average full-time equivalent student of the district in which each full-time equivalent student who attends the charter school resides. These funds shall be paid to the charter school by the school district in which the student resides.

(4) The superintendent shall establish rules for the calculation and payment of funds to charter schools.

(5) The board of trustees may not levy taxes or issue bonds.

(6) Charter schools may receive funds from other governmental and private sources, excluding sectarian organizations.

(7) Money received from the state shall not be used to purchase land or buildings. The school may own land and buildings if obtained through nonstate sources. If school districts have excess classroom space, facilities, and buildings suitable for a charter school, the school district shall make such space and facilities available to the charter school.

NEW SECTION. Sec. 14. (1) The approving agency may unilaterally terminate a contract during the term of the contract for any reason in subsection (2) of this section. At least sixty days before not renewing or terminating a contract, the approving agency shall notify the board of trustees of the school of the proposed action in writing. The notice shall state the reasons for the proposed action in reasonable detail and the school's board of trustees may request in writing an informal hearing before the approving agency within fourteen days of receiving notice of nonrenewal or termination of the contract. Failure by the board of trustees to make a written request for a hearing within the fourteen-day period shall be treated as acquiescence to the proposed actions. Upon receiving a timely written request for a hearing, the approving agency shall give reasonable notice to the school's board of trustees of the hearing date. The approving agency shall conduct an informal hearing before taking final action.

(2) A contract may be terminated for the following reasons:

   (a) The failure to meet the requirements for student performance contained in the contract;

   (b) The failure to meet generally accepted standards of fiscal management;

   (c) Violations of the law; or

   (d) Other good cause shown.

(3) If a contract is terminated, the school shall be dissolved.

(4) If a contract is terminated or not renewed, students who attended the school may enroll in the resident district, or may submit an application to a nonresident district according to RCW 28A.225.220 through 28A.225.230. Applications and notices required by RCW 28A.225.220 through 28A.225.230 shall be processed and provided in a prompt manner.

NEW SECTION. Sec. 15. Sections 1 through 14 of this act shall constitute a new chapter in Title 28A RCW.

Representatives McMahan, Robertson, B. Thomas, Padden, Elliot, Carrell and Buck spoke in favor of the adoption of the amendment.

POINT OF PERSONAL PRIVILEGE

Representative Ebersole: Thank you Mr. Speaker. Mr. Speaker, as you and I know it's difficult to assertion what a true Point of Order is or not, and perhaps it would be useful and maybe at this time or at some future time if the Speaker could review for the members what is actually impugning the members of a motive. We've heard numerous points of objection, points of orders raised that in my opinion are objectionable because people have heard objectionable or harsh language. Certainly harsh and objectionable language or a direct impugning of a members motive is not permissible under the rules under which we operate perhaps we can have a clarification of that Parliamentary Rule at this time or at some future time.
Representatives Quall, G. Fisher, B. Thomas, Cole, Ebersole, Radcliff, Chopp, Sehlin, Morris and Brumsickle spoke against the adoption of the amendment.

MOTION

Absent: Representatives Appelwick and Fisher, G. - 2.

Excused: Representatives Blanton and Dyer - 2.

Substitute House Bill No. 1560, having received the constitutional majority, was declared passed.

The Speaker (Representative Horn presiding) declared the House to be at ease.

The Speaker called the House to order.

SPEAKER’S PRIVILEGE

Mr. Speaker: Before we start working this morning, with your indulgence, the Speaker would like to take a few minutes of your time.

I want to thank the members of the House for the time, effort, and dedication to service that you have brought to the House of Representatives. Working together, through some times of tension and some times of fun. We have done well, but much remains to be done.

The Minority Leader, and former Speaker, Representative Ebersole, has suggested that this would be a good time at which to discuss the matter of decorum in debate. I appreciate and welcome his wise recommendation.
I have asked the Chief Clerk of the House to put on every member's desk a copy of Reed's Rule 212. Some of the language suggested for use in 1894, when Reed’s Rules were first published, would be considered a comedy of manners if used in 1995. Modern customs and manners are less formal, but the need to respect each other and to respect the institution is no less today, than it was over 100 years ago.

Every member has a right to debate the issues that are put before the House of Representatives. Every member has a right to make as forceful and vigorous a defense of their position as their intellectual capacity enables them to develop.

With only this caveat, the debate must proceed in a manner that respects the dignity of every member of the House and the responsibility that all of us hold, individually and collectively, to protect this institution.

Well constructed appeals to passion move people, they can be effective and legitimate techniques of debate, but unless carefully employed, they can do more to raise heat than they do to shed light.

Remarks about past or future election results almost always serve to raise blood pressures and almost never serve to raise understanding about the issue being debated. We live in a time of great anger and violence. As leaders, we must show the way to settle disputes without anger and without violence. We must show respect for one another and ourselves if we hope to lead others on that path.

Allow me to talk for a minute or two if you will, about the other side of the debate issue, the duty of those to whom remarks are addressed to really listen to the remarks that the Representative is making.

Is it all together unreasonable for the person speaking to make remarks that may push the limits of proper debate if employing that tactic is the only means to cause you to listen to their remarks? Will raising a Point of Order each time a Representative goes near or slightly beyond the illusive line of proper debate, reduce or increase the tensions of debate?

A Point of Order, which alleges that a member of the House has gone too far in debate, and has in some manner violated the decorum expected of all members, is a serious charge, not to be lightly undertaken. While any member has the right to raise a Point of Order regarding decorum, custom has given that duty to the Speaker on his own volition, and to the senior elected leaders of the two caucus'.

The Speaker is fully aware of his right and duty to maintain an appropriate level of respect and decorum in debate. The Speaker is also aware that it is custom of our political process, regrettably not always followed, to vote when you have the votes and talk when you don't.

Those Representatives who find themselves in a Minority voting position on a measure, are often the members who seek to change hearts, minds, votes, and in a completely proper manner, how the story is told.

The Speaker has a duty to all members to maintain the dignity and decorum of this institution, to encourage respect for all members of his House, but he also has a special duty to protect the rights of the Minority, so that they have their say on the issues and have a chance to put their spin on the story.

Often when a Point of Order is raised regarding decorum, the Speaker is faced with the nearly impossible task of balancing the rights of all members to speak, especially those who are in the Minority position on the issue being discussed, and the duty of all members to respect one another in their debate.

The Speaker at times may remind the members of rules. Not to embarrass any member, but as a method of maintaining proper decorum.

The Speaker would like to share a personal observation about debate. A person who’s goal is to make their political point to convince others, is usually most successful in dealing with the subject and relevant facts. The least successful method, if that is your intent, is to push the line with personal or partisan attacks.

However, the Speaker is quick to state that at times this may be the intent. In cases of impugning a person's motives, either directly or by other comparisons is not acceptable.

I will ask these two things of all members:

(1) When you are speaking please be sensitive as to how your remarks may be perceived by other members; and
(2) To those to whom the remarks are directed, please listen, and if, because we are all human, the person speaking briefly allows their passion to exceed what you believe to be the proper limits of debate, forgive them, allow the transgression. The Speaker can and will take action without any motion from the floor.

Thank you for your attention, we have a lot of work to do, let's get started.

There being no objection, the House considered the following bills in the following order: House Bill No. 1451, House Bill No. 1821, House Bill No. 1421, House Bill No. 1518 and House Bill No. 1200.

No application shall be valid or claim thereunder enforceable unless filed within one year after the day upon which the injury occurred or the rights of dependents or beneficiaries accrued, except as provided in RCW 51.28.055. If the failure to file the application or take action to enforce a claim under this section results from an act prohibited by section 22 of this act, then the time period for filing under this section shall commence from the date of the prohibited act.

Sec. 26. RCW 51.28.055 and 1984 c 159 s 2 are each amended to read as follows:

Claims for occupational disease or infection to be valid and compensable must be filed within two years following the date the worker had written notice from a physician: (1) Of the existence of his or her occupational disease, and (2) that a claim for disability benefits may be filed. The notice
shall also contain a statement that the worker has two years from the date of the notice to file a claim. The physician shall file the notice with the department. The department shall send a copy to the worker and to the self-insurer if the worker’s employer is self-insured. However, a claim is valid if it is filed within two years from the date of death of the worker suffering from an occupational disease.

If the failure to file the application or take action to enforce a claim under this section results from an act prohibited by section 22 of this act, then the time period for filing under this section shall commenced from the date of the prohibited act."

"NEW SECTION. Sec. 14. A new section is added to chapter 36.70A RCW to read as follows:

(1) A county required or choosing to plan under RCW 36.70A.040 may establish, in consultation with cities under the provisions of RCW 36.70A.120, a process for reviewing and approving proposals to authorize the siting of specific major industrial developments outside urban growth areas in the county.

(2) A major industrial development may be approved outside an urban growth area in a county planning under this chapter if criteria including, but not limited to the following, are met:

(a) Infrastructure is provided and impact fees are established consistent with the requirements of RCW 82.02.060;

(b) Transit-oriented site planning and traffic demand management programs are implemented;

(c) Buffers are provided between the major industrial development and adjacent nonurban areas;

(d) Environmental protection including air and water quality has been addressed and provided for;

(e) Development regulations are established that discourage urban growth in adjacent nonurban area;

(f) Provision is made to mitigate adverse impacts on designated agricultural lands, forest lands, and mineral resource lands;

(g) The plan for the major industrial development is consistent with the county’s development regulations established for protection of critical areas; and

(h) Based upon an inventory of industrial sites available in the county that the county maintains, the county has determined and entered findings that land suitable to site the major industrial development is unavailable within the county. Priority shall be given to applications for sites that are adjacent to or in close proximity to the urban growth area.

(3) "Major industrial development" means a master planned location for a specific manufacturing or industrial business that: (a) Requires a parcel of land so large that no suitable parcels, without critical areas, are available within any urban growth area located in the same county; or (b) is a natural-resource-based industry requiring a location near agricultural land, forest land, or mineral resource land upon which it is dependent."

"Sec. 15. RCW 43.62.035 and 1991 sp.s. c 32 s 30 are each amended to read as follows:

The office of financial management shall determine the population of each county of the state annually as of April 1st of each year and on or before July 1st of each year shall file a certificate with the secretary of state showing its determination of the population for each county. The office of financial management also shall determine the percentage increase in population for each county over the preceding ten-year period, as of April 1st, and shall file a certificate with the secretary of state by
July 1st showing its determination. At least once every ten years the office of financial management shall prepare twenty-year growth management planning population projections required by RCW 36.70A.110 for each county that adopts a comprehensive plan under RCW 36.70A.040 and shall review these projections with such counties and the cities in those counties before final adoption. Each projection may be expressed as a range, the median of which shall represent the office's estimate of the most likely population projection for the county. The higher end of the range shall not exceed one hundred twenty percent of the lower end of the range. If any city or county believes that a projection does not accurately reflect actual population growth in a county, it may petition the office to revise the projection accordingly."

Representative Honeyford moved adoption of the following amendment by Representative Honeyford:

On page 4, beginning on line 15, strike all of section 2 and insert the following:

"Sec. 2. RCW 36.70A.040 and 1993 sp.s c 6 s 1 are each amended to read as follows:

(1) Each county that has both a population of fifty thousand or more and has had its population increase by more than ten percent in the previous ten years, and the cities located within such county, and any other county regardless of its population that has had its population increase by more than twenty percent in the previous ten years, and the cities located within such county, shall ((conform with all of the requirements of this chapter)) plan under this section. ((However, the county legislative authority of such a county with a population of less than fifty thousand population may adopt a resolution removing the county, and the cities located within the county, from the requirements of adopting comprehensive land use plans and development regulations under this chapter if this resolution is adopted and filed with the department by December 31, 1990, for counties initially meeting this set of criteria, or within sixty days of the date the office of financial management certifies that a county meets this set of criteria under subsection (5) of this section.))

Once a county meets either of these sets of criteria, the requirement to ((conform with all of the requirements of this chapter)) plan under this section remains in effect, even if the county no longer meets one of these sets of criteria unless the county removes itself under subsection (6) of this section.

(2) The county legislative authority of any county that does not ((meet either of the sets of criteria established)) plan under ((subsection (1) of)) this section may adopt a resolution indicating its intention ((to have subsection (1) of this section apply to)) that the county plan under this section. Each city((,)) located in a county that ((chooses to plan)) adopts a resolution under this subsection((,)) shall ((conform with all of the requirements of this chapter)) plan under this section. Once such a resolution has been adopted, the county and the cities located within the county remain subject to all of the requirements of this ((chapter)) section unless the county removes itself under subsection (6) of this section.

(3) Any county or city that is initially required to ((conform with all of the requirements of this chapter)) plan under this section by subsection (1) of this section, and, where applicable, the county legislative authority has not adopted a resolution removing the county from these requirements as provided in subsection (6) of this section, shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city located within the county shall designate critical areas, agricultural lands, forest lands, and mineral resource lands, and adopt development regulations conserving these designated agricultural lands, forest lands, and mineral resource lands and protecting these designated critical areas, under RCW 36.70A.170 and 36.70A.060; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; (d) if the county has a population of fifty thousand or more, the county and each city located within the county shall adopt a comprehensive plan under this chapter and development regulations that are consistent with and implement the comprehensive plan on or before July 1, 1994, and if the county has a population of less than fifty thousand, the county and each city located within the county shall adopt a comprehensive plan under this chapter and development regulations that are consistent with and implement the comprehensive plan by January 1, 1995, but if the governor makes written findings that a county with a population of
less than fifty thousand or a city located within such a county is not making reasonable progress toward adopting a comprehensive plan and development regulations the governor may reduce this deadline for such actions to be taken by no more than one hundred eighty days. Any county or city subject to this subsection may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department ((of community development)) of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(4) Any county or city that is required to ((conform with all the requirements of this chapter)) plan under this section, as a result of the county legislative authority adopting its resolution of intention under subsection (2) of this section, and, where applicable, the county legislative authority has not adopted a resolution removing the county from these requirements as provided in subsection (6) of this section, shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city that is located within the county shall adopt development regulations conserving agricultural lands, forest lands, and mineral resource lands it designated under RCW 36.70A.060 within one year of the date the county legislative authority adopts its resolution of intention; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; and (d) the county and each city that is located within the county shall adopt a comprehensive plan and development regulations that are consistent with and implement the comprehensive plan not later than four years from the date the county legislative authority adopts its resolution of intention, but a county or city may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department ((of community development)) of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(5) If the office of financial management certifies that the population of a county that ((previously had not been required to)) does not plan under ((subsection (1) or (2) of)) this section has changed sufficiently to meet either of the sets of criteria specified under subsection (1) of this section, and where applicable, the county legislative authority has not adopted a resolution removing the county from these requirements as provided in subsection (1) of this section, the county legislative authority shall take actions under this chapter as follows: (a) The county legislative authority shall adopt a county-wide planning policy under RCW 36.70A.210; (b) the county and each city located within the county shall adopt development regulations under RCW 36.70A.060 conserving agricultural lands, forest lands, and mineral resource lands it designated within one year of the certification by the office of financial management; (c) the county shall designate and take other actions related to urban growth areas under RCW 36.70A.110; and (d) the county and each city located within the county shall adopt a comprehensive land use plan and development regulations that are consistent with and implement the comprehensive plan within four years of the certification by the office of financial management, but a county or city may obtain an additional six months before it is required to have adopted its development regulations by submitting a letter notifying the department ((of community development)) of its need prior to the deadline for adopting both a comprehensive plan and development regulations.

(6) The county legislative authority of any county that is planning under this chapter may adopt a resolution removing the county, and the cities located within the county, from the requirements of this chapter. The removal shall be effective on the date the resolution is filed with the department.  

(7) A copy of each document that is required under this section shall be submitted to the department at the time of its adoption."

"Sec. 2. RCW 43.79A.040 and 1993 sp.s. c 8 s 2 and 1993 c 500 s 5 are each reenacted and amended to read as follows:

(1) Money in the treasurer’s trust fund may be deposited, invested and reinvested by the state treasurer in accordance with RCW 43.84.080 in the same manner and to the same extent as if the money were in the state treasury.

(2) All income received from investment of the treasurer’s trust fund shall be set aside in an account in the treasury trust fund to be known as the investment income account.

(3) The investment income account may be utilized for the payment of purchased banking services on behalf of treasurer’s trust funds including, but not limited to, depository, safekeeping, and disbursement functions for the state treasurer or affected state agencies. The investment income account is subject in all respects to chapter 43.88 RCW, but no appropriation is required for payments to financial institutions. Payments shall occur prior to distribution of earnings set forth in subsection (4) of this section.

(4)(a) Monthly, the state treasurer shall distribute the earnings credited to the investment income account to the state general fund except under (b) and (c) of this subsection.

(b) The following accounts and funds shall receive their proportionate share of earnings based upon each account’s or fund’s average daily balance for the period: The American Indian scholarship endowment fund, the energy account, the game farm alternative account, and the self-insurance revolving fund. However, the earnings to be distributed shall first be reduced by the allocation to the state treasurer’s service fund pursuant to RCW 43.08.190."

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 64.40.010 and 1982 c 232 s 1 are each amended to read as follows:

As used in this chapter, the terms in this section shall have the meanings indicated unless the context clearly requires otherwise.

(1) "Agency" means the state of Washington including any state agency, any of its political subdivisions, including any city, town, or county, and any other public body exercising regulatory authority or control over the use of real property in the state.

(2) "Permit" means any governmental approval required by law before an owner of a property interest may improve, sell, transfer, or otherwise put real property to use.

(3) "Property interest" means any interest or right in real property in the state.

(4) "Damages" means reasonable expenses and losses, other than speculative losses or profits, incurred between the time a cause of action arises and the time a holder of an interest in real property is granted relief as provided in RCW 64.40.020. Damages must be caused by an act, necessarily incurred, and actually suffered, realized, or expended, but are not based upon diminution in value of or damage to real property, or litigation expenses.

(5) "Regulation" means any ordinance, resolution, ((or other)) rule ((or)), regulation, or any other law adopted pursuant to the authority provided by state law, which imposes or alters restrictions, limitations, ((of)), or any other matter relates to the use of real property.

(6) "Act" means a final decision by an agency which places requirements, limitations, or conditions upon the use of real property in excess of those allowed by applicable regulations in effect on the date an application for a permit is filed. "Act" also means the failure of an agency to act within time limits established by law in response to a property owner's application for a permit: PROVIDED, That there is no "act" within the meaning of this section when the owner of a property interest agrees in writing to extensions of time, or to the conditions or limitations imposed upon an application for a permit. "Act" shall not include lawful decisions of an agency which are designed to prevent a condition which would constitute a threat to the health, safety, welfare, or morals of residents in the area.

In any action brought pursuant to this chapter, a defense is available to a political subdivision of this state that its act was mandated by a change in statute or state rule or regulation and that such a change became effective subsequent to the filing of an application for a permit.

(7) "Legal action" means any action filed with a court enforcing this chapter and includes seeking relief in the form of damages.

Sec. 2. RCW 64.40.020 and 1982 c 232 s 2 are each amended to read as follows:

(1) Owners of a property interest who have filed an application for a permit have an action for damages or may bring any other legal action to obtain relief from acts of an agency which are arbitrary, capricious, unlawful, or exceed lawful authority, or relief from a failure to act within time limits established by law((: PROVIDED. That the action is unlawful or in excess of lawful authority only if the final decision of the agency was made with knowledge of its unlawfulness or that it was in excess of lawful authority, or it should reasonably have been known to have been unlawful or in excess of lawful authority)).

(2) The prevailing party ((in)) who has commenced an action brought pursuant to this chapter may be entitled to reasonable costs, expenses of litigation, and attorney's fees.

(3) No cause of action is created for relief from unintentional procedural or ministerial errors of an agency.

(4) Invalidation of any regulation in effect prior to the date an application for a permit is filed with the agency shall not constitute a cause of action under this chapter.

NEW SECTION. Sec. 3. RCW 64.40.030 and 1982 c 232 s 3 are each repealed."

Representative Morris: I’ve read the bill, I’ve listened to debate, I’ve heard the pluses and minuses, I’ve read current law, I’ve heard what I know of the rule on it. Can you tell me exactly who
would be able to take care of a child under your legislation without a license who could not do it now without a license? And could they indeed keep as many as twelve children without a license?

Representative Lambert: Under the current law, let's see, it says stepmother, stepfather and then it talks about people who were once related to you by marriage and then through divorce you still wanted them to be a part of your family. It also says sister-in-laws, nieces and nephews, first and second cousins. And then it talks about provisions for Indian families also it just extends the number of family members who could do this as well as friends and neighbors on a long term basis. Friends and neighbors before could only do it on a short term non-reoccurring basis.

(1) This section shall not apply to commercial activities operating in an institution of higher education before January 1, 1995.

(2) If a dispute arises regarding a proposed commercial activity exempt or nonexempt under this chapter, the institutional governing board shall at the official written request of a local chamber of commerce or the local city council conduct a public hearing. The request shall state with reasonable particularity the issue regarding (a) the institution’s commercial activity; or (b) compliance with the policy development process in RCW 28B.63.030; or (c) exemptions to the commercial activity policy development process. The request shall include a statement of economic impact on the local area. The statement shall include a brief description of the commercial activity, the volume of business anticipated, the number of businesses in the community involved in the same or a similar commercial activity and the estimated fiscal impact of the activity on the local business community. Written notice and an opportunity to be heard shall be provided to all interested parties. Pending the outcome of the hearing the institution shall not proceed with the proposed commercial activity or act on the policy that is in question.

(3) If the dispute is not resolved after a governing board hearing held in accordance with subsection (2) of this section the governing board shall upon receipt of a petition opposing a proposed commercial activity that is signed by fifty percent of local business persons subject to taxation under chapter 82.04 RCW, direct the institution of higher education to cease the activity or refrain from engaging in a proposed activity.

Representative Carlson moved adoption of the following amendment by Representative Carlson:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature recognizes that teachers, principals, and district administrators need the ability to make transitions to other public or private sector careers, and that the retirement system should not be a barrier to exercise of employee choice. The legislature also recognizes that teachers, principals, and district administrators need a secure and viable retirement benefit, not only for their own financial protection, but also that public funds are spent prudently for their intended purpose.

It is the legislative intent to create a new public retirement system that balances flexibility with stability, provides both increased employee control of investments and responsible protection of the public’s investment in employee benefits, and encourages the pursuit of public sector careers without preventing employees from transitioning into other public or private sector employment.

Therefore, the purpose of chapter . . ., Laws of 1995 (this act) is to continue to provide teachers, principals, and district administrators with a guaranteed pension at retirement age based on years of public service with an element of inflation protection. It is further the purpose of chapter . . ., Laws of 1995 (this act) to create a parallel retirement plan where employees have options regarding the investment of their retirement contributions and have the opportunity, along with the accompanying
risk, to receive a full rate of return on their investments and where employees who leave public
employment prior to retirement receive a fair and reasonable value from the retirement system.

PART I
DEFINED BENEFIT--TRS III

Sec. 101. RCW 41.32.005 and 1992 c 72 s 4 are each amended to read as follows:
RCW 41.32.010 through 41.32.067 shall apply to members of plan I, plan II, and plan III.

Sec. 102. RCW 41.32.010 and 1994 c 298 s 3, 1994 c 247 s 2, and 1994 c 197 s 12 are each
reenacted and amended to read as follows:
As used in this chapter, unless a different meaning is plainly required by the context:
(1)(a) "Accumulated contributions" for plan I members, means the sum of all regular annuity
contributions and, except for the purpose of withdrawal at the time of retirement, any amount paid
under RCW 41.50.165(2) with regular interest thereon.
(b) "Accumulated contributions" for plan II members, means the sum of all contributions
standing to the credit of a member in the member’s individual account, including any amount paid
under RCW 41.50.165(2), together with the regular interest thereon.
(2) "Actuarial equivalent" means a benefit of equal value when computed upon the basis of
such mortality tables and regulations as shall be adopted by the director and regular interest.
(3) "Annuity" means the moneys payable per year during life by reason of accumulated
contributions of a member.
(4) "Member reserve" means the fund in which all of the accumulated contributions of
members are held.
(5)(a) "Beneficiary" for plan I members, means any person in receipt of a retirement allowance
or other benefit provided by this chapter.
(b) "Beneficiary" for plan II and plan III members, means any person in receipt of a retirement
allowance or other benefit provided by this chapter resulting from service rendered to an employer by
another person.
(6) "Contract" means any agreement for service and compensation between a member and an
employer.
(7) "Creditable service" means membership service plus prior service for which credit is
allowable. This subsection shall apply only to plan I members.
(8) "Dependent" means receiving one-half or more of support from a member.
(9) "Disability allowance" means monthly payments during disability. This subsection shall
apply only to plan I members.
(10)(a) "Earnable compensation" for plan I members, means:
(i) All salaries and wages paid by an employer to an employee member of the retirement
system for personal services rendered during a fiscal year. In all cases where compensation includes
maintenance the employer shall fix the value of that part of the compensation not paid in money.
(ii) "Earnable compensation" for plan I members also includes the following actual or imputed
payments, which are not paid for personal services:
(A) Retroactive payments to an individual by an employer on reinstatement of the employee in
a position, or payments by an employer to an individual in lieu of reinstatement in a position which are
awarded or granted as the equivalent of the salary or wages which the individual would have earned
during a payroll period shall be considered earnable compensation and the individual shall receive the
equivalent service credit.
(B) If a leave of absence, without pay, is taken by a member for the purpose of serving as a
member of the state legislature, and such member has served in the legislature five or more years, the
salary which would have been received for the position from which the leave of absence was taken
shall be considered as compensation earnable if the employee’s contribution thereon is paid by the
employee. In addition, where a member has been a member of the state legislature for five or more
years, earnable compensation for the member’s two highest compensated consecutive years of service
shall include a sum not to exceed thirty-six hundred dollars for each of such two consecutive years,
regardless of whether or not legislative service was rendered during those two years.
For members employed less than full time under written contract with a school district, or community college district, in an instructional position, for which the member receives service credit of less than one year in all of the years used to determine the earnable compensation used for computing benefits due under RCW 41.32.497, 41.32.498, and 41.32.520, the member may elect to have earnable compensation defined as provided in RCW 41.32.345. For the purposes of this subsection, the term " instructional position" means a position in which more than seventy-five percent of the member's time is spent as a classroom instructor (including office hours), a librarian, or a counselor. Earnable compensation shall be so defined only for the purpose of the calculation of retirement benefits and only as necessary to insure that members who receive fractional service credit under RCW 41.32.270 receive benefits proportional to those received by members who have received full-time service credit.

(iv) "Earnable compensation" does not include:

(A) Remuneration for unused sick leave authorized under RCW 41.04.340, 28A.400.210, or 28A.310.490;
(B) Remuneration for unused annual leave in excess of thirty days as authorized by RCW 43.01.044 and 43.01.041.

(b) "Earnable compensation" for plan II and plan III members, means salaries or wages earned by a member during a payroll period for personal services, including overtime payments, and shall include wages and salaries deferred under provisions established pursuant to sections 403(b), 414(h), and 457 of the United States Internal Revenue Code, but shall exclude lump sum payments for deferred annual sick leave, unused accumulated vacation, unused accumulated annual leave, or any form of severance pay.

"Earnable compensation" for plan II and plan III members also includes the following actual or imputed payments which, except in the case of (b)(ii)(B) of this subsection, are not paid for personal services:

(i) Retroactive payments to an individual by an employer on reinstatement of the employee in a position or payments by an employer to an individual in lieu of reinstatement in a position which are awarded or granted as the equivalent of the salary or wages which the individual would have earned during a payroll period shall be considered earnable compensation, to the extent provided above, and the individual shall receive the equivalent service credit.

(ii) In any year in which a member serves in the legislature the member shall have the option of having such member's earnable compensation be the greater of:

(A) The earnable compensation the member would have received had such member not served in the legislature; or
(B) Such member's actual earnable compensation received for teaching and legislative service combined. Any additional contributions to the retirement system required because compensation earnable under (b)(ii)(A) of this subsection is greater than compensation earnable under (b)(ii)(B) of this subsection shall be paid by the member for both member and employer contributions.

(11) "Employer" means the state of Washington, the school district, or any agency of the state of Washington by which the member is paid.

(12) "Fiscal year" means a year which begins July 1st and ends June 30th of the following year.

(13) "Former state fund" means the state retirement fund in operation for teachers under chapter 187, Laws of 1923, as amended.

(14) "Local fund" means any of the local retirement funds for teachers operated in any school district in accordance with the provisions of chapter 163, Laws of 1917 as amended.

(15) "Member" means any teacher included in the membership of the retirement system. Also, any other employee of the public schools who, on July 1, 1947, had not elected to be exempt from membership and who, prior to that date, had by an authorized payroll deduction, contributed to the member reserve.

(16) "Membership service" means service rendered subsequent to the first day of eligibility of a person to membership in the retirement system: PROVIDED, That where a member is employed by two or more employers the individual shall receive no more than one service credit month during any calendar month in which multiple service is rendered. The provisions of this subsection shall apply only to plan I members.

(17) "Pension" means the moneys payable per year during life from the pension reserve.
(18) "Pension reserve" is a fund in which shall be accumulated an actuarial reserve adequate to meet present and future pension liabilities of the system and from which all pension obligations are to be paid.

(19) "Prior service" means service rendered prior to the first date of eligibility to membership in the retirement system for which credit is allowable. The provisions of this subsection shall apply only to plan I members.

(20) "Prior service contributions" means contributions made by a member to secure credit for prior service. The provisions of this subsection shall apply only to plan I members.

(21) "Public school" means any institution or activity operated by the state of Washington or any instrumentality or political subdivision thereof employing teachers, except the University of Washington and Washington State University.

(22) "Regular contributions" means the amounts required to be deducted from the compensation of a member and credited to the member’s individual account in the member reserve. This subsection shall apply only to plan I members.

(23) "Regular interest" means such rate as the director may determine.

(24)(a) "Retirement allowance" for plan I members, means monthly payments based on the sum of annuity and pension, or any optional benefits payable in lieu thereof.

(b) "Retirement allowance" for plan II and plan III members, means monthly payments to a retiree or beneficiary as provided in this chapter.

(25) "Retirement system" means the Washington state teachers’ retirement system.

(26)(a) "Service" for plan I members means the time during which a member has been employed by an employer for compensation.

(i) If a member is employed by two or more employers the individual shall receive no more than one service credit month during any calendar month in which multiple service is rendered.

(ii) As authorized by RCW 28A.400.300, up to forty-five days of sick leave may be creditable as service solely for the purpose of determining eligibility to retire under RCW 41.32.470.

(iii) As authorized in RCW 41.32.065, service earned in an out-of-state retirement system that covers teachers in public schools may be applied solely for the purpose of determining eligibility to retire under RCW 41.32.470.

(b) "Service" for plan II and plan III members, means periods of employment by a member for one or more employers for which earnable compensation is earned subject to the following conditions:

(i) A member employed in an eligible position or as a substitute shall receive one service credit month for each month of September through August of the following year if he or she earns earnable compensation for eighty hours or more during that period and is employed during nine of those months, except that a member may not receive credit for any period prior to the member’s employment in an eligible position except as provided in RCW 41.32.812 and 41.50.132;

(ii) If a member is employed either in an eligible position or as a substitute teacher for nine months of the twelve month period between September through August of the following year but earns earnable compensation for less than eighty hours but for at least six hundred thirty hours, he or she will receive one-half of a service credit month for each month of the twelve month period;

(iii) All other members in an eligible position or as a substitute teacher shall receive service credit as follows:

(A) A service credit month is earned in those calendar months where earnable compensation is earned for ninety or more hours;

(B) A half-service credit month is earned in those calendar months where earnable compensation is earned for at least seventy hours but less than ninety hours; and

(C) A quarter-service credit month is earned in those calendar months where earnable compensation is earned for less than seventy hours.

(iv) Any person who is a member of the teachers’ retirement system and who is elected or appointed to a state elective position may continue to be a member of the retirement system and continue to receive a service credit month for each of the months in a state elective position by making the required member contributions.

(v) When an individual is employed by two or more employers the individual shall only receive one month’s service credit during any calendar month in which multiple service for ninety or more hours is rendered.

(vi) As authorized by RCW 28A.400.300, up to forty-five days of sick leave may be creditable as service solely for the purpose of determining eligibility to retire under RCW 41.32.470. For
purposes of plan II "forty-five days" as used in RCW 28A.400.300 is equal to two service credit
months. Use of less than forty-five days of sick leave is creditable as allowed under this subsection as
follows:

(A) Less than eleven days equals one-quarter service credit month;
(B) Eleven or more days but less than twenty-two days equals one-half service credit month;
(C) Twenty-two days equals one service credit month;
(D) More than twenty-two days but less than thirty-three days equals one and one-quarter
service credit month;
(E) Thirty-three or more days but less than forty-five days equals one and one-half service
credit month.

(vii) As authorized in RCW 41.32.065, service earned in an out-of-state retirement system that
covers teachers in public schools may be applied solely for the purpose of determining eligibility to
retire under RCW 41.32.470.

(viii) The department shall adopt rules implementing this subsection.

(27) "Service credit year" means an accumulation of months of service credit which is equal to
one when divided by twelve.

(28) "Service credit month" means a full service credit month or an accumulation of partial
service credit months that are equal to one.

(29) "Teacher" means any person qualified to teach who is engaged by a public school in an
instructional, administrative, or supervisory capacity. The term includes state, educational service
district, and school district superintendents and their assistants and all employees certificated by the
superintendent of public instruction; and in addition thereto any full time school doctor who is
employed by a public school and renders service of an instructional or educational nature.

(30) "Average final compensation" for plan II and plan III members, means the member’s
average earnable compensation of the highest consecutive sixty service credit months prior to such
member’s retirement, termination, or death. Periods constituting authorized leaves of absence may not
be used in the calculation of average final compensation except under RCW 41.32.810(2).

(31) "Retiree" means any person in receipt of a retirement allowance or other benefit provided
by this chapter resulting from service rendered to an employer while a member. A person is in receipt
of a retirement allowance as defined in subsection (24) of this section or other benefit as provided by
this chapter when the department mails, causes to be mailed, or otherwise transmits the retirement
allowance warrant.

(32) "Department" means the department of retirement systems created in chapter 41.50 RCW.

(33) "Director" means the director of the department.

(34) "State elective position" means any position held by any person elected or appointed to
state-wide office or elected or appointed as a member of the legislature.

(35) "State actuary" or "actuary" means the person appointed pursuant to RCW 44.44.010(2).

(36) "Substitute teacher" means:
(a) A teacher who is hired by an employer to work as a temporary teacher, except for teachers
who are annual contract employees of an employer and are guaranteed a minimum number of hours, or
(b) Teachers who either (i) work in ineligible positions for more than one employer or (ii) work
in an ineligible position or positions together with an eligible position.

(37)(a) "Eligible position" for plan II members from June 7, 1990, through September 1, 1991,
means a position which normally requires two or more uninterrupted months of creditable service
during September through August of the following year.

(b) "Eligible position" for plan II on and after September 1, 1991, means a position that, as
defined by the employer, normally requires five or more months of at least seventy hours of earnable
compensation during September through August of the following year.

(c) For purposes of this chapter an employer shall not define "position" in such a manner that
an employee’s monthly work for that employer is divided into more than one position.

(d) The elected position of the superintendent of public instruction is an eligible position.

(38) "Plan I" means the teachers’ retirement system, plan I providing the benefits and funding
provisions covering persons who first became members of the system prior to October 1, 1977.

(39) "Plan II" means the teachers’ retirement system, plan II providing the benefits and funding
provisions covering persons who first became members of the system on and after October 1, 1977; and
prior to the effective date of this act.
"Plan III" means the teachers' retirement system, plan III providing the benefits and funding provisions covering persons who first become members of the system on and after the effective date of this act or who transfer under section 303 of this act.

"Education association" means an association organized to carry out collective bargaining activities, the majority of whose members are employees covered by chapter 41.59 RCW or academic employees covered by chapter 28B.52 RCW.

"Index" means, for any calendar year, that year's annual average consumer price index, Seattle, Washington area, for urban wage earners and clerical workers, all items compiled by the bureau of labor statistics, United States department of labor.

"Index A" means the index for the year prior to the determination of a postretirement adjustment.

"Index B" means the index for the year prior to index A.

"Index year" means the earliest calendar year in which the index is more than sixty percent of index A.

"Adjustment ratio" means the value of index A divided by index B.

Sec. 103. RCW 41.32.032 and 1992 c 212 s 17 are each amended to read as follows:

(1) Any teacher, as defined under RCW 41.32.010, who is first employed by a public school on or after June 7, 1984, shall become a member of the retirement system ((as directed under RCW 41.32.780)) if otherwise eligible.

(2) Any person who before June 7, 1984, has established service credit under chapter 41.40 RCW while employed in an educational staff associate position and who is employed in such a position on or after June 7, 1984 has the following options:

(a) To remain a member of the public employees' retirement system notwithstanding the provisions of RCW 41.32.240 or 41.32.780; or

(b) To irrevocably elect to join the retirement system under this chapter and to receive service credit for previous periods of employment in any position included under RCW 41.32.010. This service credit and corresponding employee contribution shall be computed as though the person had then been a member of the retirement system under this chapter. All employee contributions credited to a member under chapter 41.40 RCW for service now to be credited to the retirement system under this chapter shall be transferred to the system and the member shall not receive any credit nor enjoy any rights under chapter 41.40 RCW for those periods of service. The member shall pay any difference between the employee contributions made under chapter 41.40 RCW and transferred under this subsection and what would have been required under this chapter, including interest as set by the director. The member shall be given until July 1, 1989, to make the irrevocable election permitted under this section. The election shall be made by submitting written notification as required by the department requesting credit under this section and by remitting any necessary proof of service or payments within the time set by the department.

Any person, not employed as an educational staff associate on June 7, 1984, may, before June 30 of the fifth school year after that person's return to employment as a teacher, request and establish membership and credit under this subsection.

PLAN III

NEW SECTION. Sec. 104. (1) Sections 104 through 117 of this act shall apply only to plan III members.

(2) Plan III shall consist of two separate elements: (a) A defined benefit portion covered under this subchapter; and (b) a defined contribution portion covered under chapter 41.-- RCW (sections 201 through 209 of this act). All contributions on behalf of the employer paid by an employee shall be made to the defined benefit portion of plan III and shall be nonrefundable when paid to the fund described in RCW 41.50.075(3).

(3) Unless otherwise specified, all references to "plan III" in this subchapter refer to the defined benefit portion of plan III.

NEW SECTION. Sec. 105. All teachers who become employed by an employer in an eligible position on or after the effective date of this act shall be members of plan III.
NEW SECTION. Sec. 106. A member of the retirement system shall receive a retirement allowance equal to one percent of such member’s average final compensation for each service credit year.

NEW SECTION. Sec. 107. Retirement allowances paid under the defined benefit portion of plan III shall have a postretirement cost-of-living allowance calculated and paid as provided in RCW 41.32.770.

NEW SECTION. Sec. 108. (1) Upon retirement for service as prescribed in section 113 of this act or retirement for disability under section 114 of this act, a member shall elect to have the retirement allowance paid pursuant to one of the following options, calculated so as to be actuarially equivalent to each other.

(a) Standard allowance. A member electing this option shall receive a retirement allowance payable throughout such member’s life. Upon the death of the retired member, all benefits shall cease.

(b) The department shall adopt rules that allow a member to select a retirement option that pays the member a reduced retirement allowance and upon death, such portion of the member’s reduced retirement allowance as the department by rule designates shall be continued throughout the life of and paid to the member’s estate or such person or persons, trust, or organization as the retiree shall have nominated by written designation duly executed and filed with the department at the time of retirement. The options adopted by the department shall include, but are not limited to, a joint and one hundred percent survivor option and joint and fifty percent survivor option.

(2) A member, if married, must provide the written consent of his or her spouse to the option selected under this section. If a member is married and both the member and the member’s spouse do not give written consent to an option under this section, the department shall pay a joint and fifty percent survivor benefit calculated to be actuarially equivalent to the benefit options available under subsection (1) of this section.

NEW SECTION. Sec. 109. Any member or beneficiary eligible to receive a retirement allowance under the provisions of section 113, 114, or 117 of this act shall be eligible to commence receiving a retirement allowance after having filed written application with the department.

(1) Retirement allowances paid to members shall accrue from the first day of the calendar month immediately following such member’s separation from employment.

(2) Retirement allowances paid to vested members no longer in service, but qualifying for such an allowance pursuant to section 112 of this act shall accrue from the first day of the calendar month immediately following such qualification.

(3) Disability allowances paid to disabled members shall accrue from the first day of the calendar month immediately following such member’s separation from employment for disability.

(4) Retirement allowances paid as death benefits shall accrue from the first day of the calendar month immediately following the member’s death.

NEW SECTION. Sec. 110. (1) No retiree shall be eligible to receive such retiree’s monthly retirement allowance if he or she is employed in an eligible position as defined in RCW 41.40.010 or 41.32.010, or as a law enforcement officer or firefighter as defined in RCW 41.26.030, except that a plan III retiree may work in eligible positions on a temporary basis for up to five months per calendar year.

(2) If a retiree’s benefits have been suspended under this section, his or her benefits shall be reinstated when the retiree terminates the employment that caused the suspension of benefits. Upon reinstatement, the retiree’s benefits shall be actuarially recomputed pursuant to the rules adopted by the department.

NEW SECTION. Sec. 111. (1) A member who is on a paid leave of absence authorized by a member’s employer shall continue to receive service credit.

(2) A member who receives compensation from an employer while on an authorized leave of absence to serve as an elected official of a labor organization, and whose employer is reimbursed by the labor organization for the compensation paid to the member during the period of absence, may also be considered to be on a paid leave of absence. This subsection shall only apply if the member’s leave of absence is authorized by a collective bargaining agreement that provides that the member retains
seniority rights with the employer during the period of leave. The earnable compensation reported for a member who establishes service credit under this subsection may not be greater than the salary paid to the highest paid job class covered by the collective bargaining agreement.

(3) Except as specified in subsection (4) of this section, a member shall be eligible to receive a maximum of two years service credit during a member's entire working career for those periods when a member is on an unpaid leave of absence authorized by an employer. Such credit may be obtained only if:

(a) The member makes the contribution on behalf of the employer, plus interest, as determined by the department; and

(b) The member makes the employee contribution, plus interest, as determined by the department, to the defined contribution portion.

The contributions required shall be based on the average of the member's earnable compensation at both the time the authorized leave of absence was granted and the time the member resumed employment.

(4) A member who leaves the employ of an employer to enter the armed forces of the United States shall be entitled to retirement system service credit for up to four years of military service if within ninety days of the member's honorable discharge from the United States armed forces, the member applies for reemployment with the employer who employed the member immediately prior to the member entering the United States armed forces.

The department shall bill the employer for its contribution required under this act for the period of military service, plus interest as determined by the department. Service credit under this subsection may be obtained only if the member makes the employee contribution plus interest to the defined contribution portion as determined by the department.

The contributions required shall be based on the average of the member's earnable compensation at both the time the member left the employ of the employer to enter the armed forces and the time the member resumed employment.

NEW SECTION. Sec. 112. (1) The director may pay a member eligible to receive a retirement allowance or the member's beneficiary a lump sum payment in lieu of a monthly benefit if the initial monthly benefit would be less than one hundred dollars. The one hundred dollar limit shall be increased by three percent compounded annually on January 1. The lump sum payment shall be the actuarial equivalent of the monthly benefit.

(2) Persons covered under the provisions of subsection (1) of this section may upon returning to member status reinstate all previous service by depositing the lump sum payment received, with interest as computed by the director, within two years of returning to service or prior to retiring again, whichever comes first. In computing the amount due, the director shall exclude the accumulated value of the normal payments the member would have received while in beneficiary status if the lump sum payment had not occurred.

(3) Any member who receives a settlement under this section shall be deemed to be retired from this system.

NEW SECTION. Sec. 113. (1) NORMAL RETIREMENT. Any member who has vested and attained at least age sixty-five shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 106 of this act.

(2) EARLY RETIREMENT. Any member who has attained at least age fifty-five and has completed at least ten years of service shall be eligible to retire and to receive a retirement allowance computed according to the provisions of section 106 of this act, except that a member retiring pursuant to this subsection shall have the retirement allowance actuarially reduced to reflect the difference in the number of years between age at retirement and the attainment of age sixty-five.

NEW SECTION. Sec. 114. (1) A member of the retirement system who becomes totally incapacitated for continued employment by an employer as determined by the department shall be eligible to receive an allowance under the provisions of plan III. The member shall receive a monthly disability allowance computed as provided for in section 106 of this act and shall have this allowance actuarially reduced to reflect the difference in the number of years between age at disability and the attainment of age sixty-five.
Any member who receives an allowance under the provisions of this section shall be subject to comprehensive medical examinations as required by the department. If these medical examinations reveal that a member has recovered from the incapacitating disability and the member is offered reemployment by an employer at a comparable compensation, the member shall cease to be eligible for the allowance.

(2) If the recipient of a monthly retirement allowance under this section dies, any further benefit payments shall be conditioned by the payment option selected by the retiree as provided in section 108 of this act.

NEW SECTION. Sec. 115. (1) An active member shall become vested in the right to a benefit upon completing ten years of service or upon completing five years of service and attaining age fifty-five.

(2) A vested member who separates or has separated may remain a member during the period of such member’s absence from service for the exclusive purpose only of receiving a retirement allowance under the provisions of section 113 of this act.

(3) The retirement allowance payable under section 113 of this act to a member who separates after having completed at least twenty years of service shall be increased by twenty-five one-hundredths of one percent, compounded for each month from the date of separation to the date that the retirement allowance commences.

NEW SECTION. Sec. 116. A nonvested member who leaves service and then reenters membership must earn an additional twelve service credit months to restore past service credit in the defined benefit portion of plan III.

NEW SECTION. Sec. 117. If a member who is vested dies prior to retirement, the surviving spouse or eligible child or children shall receive a retirement allowance computed as provided in section 108 of this act actuarially reduced to reflect a joint and one hundred percent survivor option and if the member was not eligible for normal retirement at the date of death a further reduction as described in section 113(2) of this act.

If the surviving spouse who is receiving the retirement allowance dies leaving a child or children under the age of majority, then such child or children shall continue to receive an allowance in an amount equal to that which was being received by the surviving spouse, share and share alike, until such child or children reach the age of majority.

If there is no surviving spouse eligible to receive an allowance at the time of the member’s death, such member’s child or children under the age of majority shall receive an allowance, share and share alike. The allowance shall be calculated with the assumption that the age of the spouse and member were equal at the time of the member’s death.

NEW SECTION. Sec. 118. Sections 104 through 117 of this act are designated as a subchapter within chapter 41.32 RCW with the subchapter heading "Provisions Applicable to Plan III."

PART II
DEFINED CONTRIBUTION PORTION OF PLAN III

NEW SECTION. Sec. 201. The purpose of chapter . . . , Laws of 1995 (this act) is to:

(1) Provide a fair and reasonable value from the retirement system for those who leave public employment before retirement;

(2) Increase flexibility for such employees to make transitions into other public or private sector employment;

(3) Increase employee options for addressing retirement needs, personal financial planning, and career transitions; and

(4) Continue the legislature’s established policy of having employees contribute toward their retirement benefits.

NEW SECTION. Sec. 202. As used in this chapter, the following terms have the meanings indicated:

(1) "Actuary" means the state actuary or the office of the state actuary.
(2) "Board" means the employee retirement benefits board authorized in chapter 41.50 RCW.
(3) "Department" means the department of retirement systems.
(4) "Compensation" for purposes of this chapter is the same as "earnable compensation" for plan III in chapter 41.32 RCW.
(5) "Member" means any employee included in the membership of a retirement system as provided for plan III in chapter 41.32 RCW.
(6) "Member account" means the sum of the contributions and earnings on behalf of the member.
(7) "Retiree" means any member in receipt of an allowance or other benefit provided by this chapter resulting from service rendered to an employer by such member.

NEW SECTION. Sec. 203. (1) This chapter applies only to members of plan III retirement systems created under chapters 41.32 and 41.40 RCW.
(2) Plan III consists of two separate elements: (a) A defined benefit portion covered under sections 101 through 117, chapter . . ., Laws of 1995 (sections 101 through 117 of this act); and (b) a defined contribution portion covered under this chapter. Unless specified otherwise, all references to "plan III" in this chapter refer to the defined contribution portion of plan III.

NEW SECTION. Sec. 204. (1) A member shall contribute from his or her compensation according to one of the following rate structures:

Option A     Contribution Rate
All Ages      5.0% fixed
Option B
Up to Age 35    5.0%
   Age 35 to 44    6.0%
   Age 45 and above 7.5%
Option C
Up to Age 35    6.0%
   Age 35 to 44    7.5%
   Age 45 and above 8.5%

(2) The board shall have the right to offer contribution rate options in addition to those listed in subsection (1) of this section, provided that no significant additional administrative costs are created. All options offered by the board shall conform to the requirements stated in subsections (3) and (4) of this section.
(3) Within ninety days of the date that an employee becomes a member of plan III, he or she has an irrevocable option to choose one of the above contribution rate structures. If the member does not select an option within this ninety-day period, he or she shall be assigned option A. Such assignment shall be irrevocable.
(4) Contributions shall begin the first day of the month immediately following the earlier of the selection of an option or the end of the ninety-day period.

NEW SECTION. Sec. 205. The legislature may authorize a contribution to the members' accounts for a biennium through budget appropriation.

NEW SECTION. Sec. 206. The member's account shall be invested by the state investment board unless the member elects to self-direct investments as authorized by the board. Members who make this election shall pay the expenses for self-directed investment.

NEW SECTION. Sec. 207. (1) If the member retires, becomes disabled, or otherwise terminates employment, the balance in the member's account may be distributed in accordance with an option selected by the member either as a lump sum or pursuant to other options authorized by the board.
(2) If the member dies while in service, the balance of the member's account may be distributed in accordance with an option selected by the member either as a lump sum or pursuant to other options authorized by the board. The distribution shall be made to such person or persons as the
member shall have nominated by written designation duly executed and filed with the department. If
there be no such designated person or persons still living at the time of the member’s death, the balance
of the member’s account in the retirement system, less any amount identified as owing to an obligee
upon withdrawal of such account balance pursuant to a court order filed under RCW 41.50.670, shall
be paid to the member’s surviving spouse as if in fact such spouse had been nominated by written
designation, or if there is no surviving spouse, then to such person or persons, trust, or organization as
the member shall have nominated by written designation duly executed and filed with the department.

(3) The distribution under subsections (1) or (2) of this section shall be less any amount
identified as owing to an obligee upon withdrawal pursuant to a court order filed under RCW
41.50.670.

NEW SECTION. Sec. 208. (1) Subject to subsections (2) and (3) of this section, the right of
a person to a pension, an annuity, a retirement allowance, any optional benefit, any other right accrued
or accruing to any person under the provisions of this chapter, and the various funds created by chapter
. . . , Laws of 1995 (this act) and all moneys and investments and income thereof, is hereby exempt
from any state, county, municipal, or other local tax, and shall not be subject to execution,
garnishment, attachment, the operation of bankruptcy or insolvency laws, or other process of law
whatsoever, and shall be unassignable.

(2) This section shall not be deemed to prohibit a beneficiary of a retirement allowance from
authorizing deductions therefrom for payment of premiums due on any group insurance policy or plan
issued for the benefit of a group comprised of public employees of the state of Washington or its
political subdivisions and that has been approved for deduction in accordance with rules that may be
adopted by the state health care authority and/or the department. This section shall not be deemed to
prohibit a beneficiary of a retirement allowance from authorizing deductions therefrom for payment of
dues and other membership fees to any retirement association or organization the membership of which
is composed of retired public employees, if a total of three hundred or more of such retired employees
have authorized such deduction for payment to the same retirement association or organization.

(3) Subsection (1) of this section shall not prohibit the department from complying with (a) a
wage assignment order for child support issued pursuant to chapter 26.18 RCW, (b) an order to
withhold and deliver issued pursuant to chapter 74.20A RCW, (c) a notice of payroll deduction issued
pursuant to RCW 26.23.060, (d) a mandatory benefits assignment order issued by the department, (e) a
court order directing the department to pay benefits directly to an obligee under a dissolution order as
defined in RCW 41.50.500(3) which fully complies with RCW 41.50.670 and 41.50.700, or (f) any
administrative or court order expressly authorized by federal law.

NEW SECTION. Sec. 209. (1) The retirement plan created by this chapter shall be
administered so as to comply with the federal Internal Revenue Code, Title 26 U.S.C., and specifically
with plan qualification requirements imposed on governmental plans by section 401(a) of the Internal
Revenue Code.

(2) Any section or provision of this chapter which may be susceptible to more than one
construction shall be interpreted in favor of the construction most likely to satisfy requirements
imposed by section 401(a) of the Internal Revenue Code.

(3) If any section or provision of this chapter is found to be in conflict with the plan
qualification requirements for governmental plans in section 401(a) of the Internal Revenue Code, the
conflicting part of this chapter is hereby inoperative solely to the extent of the conflict, and such
finding shall not affect the operation of the remainder of this chapter.

NEW SECTION. Sec. 210. Sections 201 through 209 of this act shall constitute a new
chapter in Title 41 RCW.

PART III
MISCELLANEOUS

NEW SECTION. Sec. 301. A new section is added to chapter 41.50 RCW to read as follows:
(1) The employee retirement benefits board is created within the department of retirement
systems.
The board shall be composed of eight members appointed by the governor and one ex officio member as follows:

(a) Three members representing the public employees' retirement system: One retired, two active. The members shall be appointed from a list of nominations submitted by organizations representing each category. The initial term of appointment shall be two years for the retired member, one year for one active member, and three years for the remaining active member.

(b) Three members representing the teachers' retirement system: One retired, two active. The members shall be appointed from a list of nominations submitted by organizations representing each category. The initial term of appointment shall be one year for the retired member, two years for one active member, and three years for the remaining active member.

(c) Two members with experience in defined contribution plan administration. The initial term for these members shall be two years for one member and three years for the remaining member.

(d) The director of the department shall serve ex officio and shall be the chair of the board.

(3) After the initial appointments, members shall be appointed to three-year terms.

(4) The board shall meet at least quarterly during the calendar year, at the call of the chair.

(5) Members of the board shall serve without compensation but shall receive travel expenses as provided for in RCW 43.03.050 and 43.03.060. Such travel expenses shall be reimbursed by the department from the retirement system expense fund.

(6) The board shall adopt rules governing its procedures and conduct of business.

(7) The actuary shall perform all actuarial services for the board and provide advice and support.

(8) The state investment board shall provide advice and support to the board.

NEW SECTION. Sec. 302. A new section is added to chapter 41.50 RCW to read as follows:

The board shall adopt rules as necessary and exercise all the powers and perform all duties prescribed by law with respect to:

(1) The preselection of options for members to choose from for self-directed investment deemed by the board to be in the best interest of the member. At the board's request, the state investment board may provide investment options for purposes of this subsection;

(2) The selection of optional benefit payment schedules available to members and survivors of members upon the death, disability, retirement, or termination of the member. The optional benefit payments may include but not be limited to: Fixed and participating annuities, joint and survivor annuities, and payments that bridge to social security or defined benefit plan payments;

(3) Approval of actuarially equivalent annuities that may be purchased from the combined plan II and plan III funds under RCW 41.50.075 (2) or (3);

(4) Determination of the basis for administrative charges to the self-directed investment fund to offset self-directed account expenses; and

(5) Selection of investment options for the deferred compensation program.

NEW SECTION. Sec. 303. A new section is added to chapter 41.32 RCW under the subchapter heading "Plan II" to read as follows:

(1) Every plan II member employed by an employer in an eligible position may make an irrevocable option to transfer to plan III. For those who elect to transfer:

(a) All service credit in plan II shall be transferred to the defined benefit portion of plan III.

(b) The accumulated contributions in plan II shall be transferred to the member's account in the defined contribution portion established in sections 201 through 209 of this act, pursuant to procedures developed by the department and subject to section 209 of this act.

(c) A member vested on the effective date of this act under plan II shall be automatically vested in plan III upon transfer.

(d) Members employed by an employer in an eligible position on January 1, 1998, who request to transfer to plan III by January 1, 1998, shall have their account in the defined contribution portion of plan III, other than those accumulated contributions attributable to restorations made under RCW 41.50.165(2), increased by twenty percent of their plan II accumulated contributions as of January 1, 1996. If the member who requests to transfer dies before January 1, 1998, the additional payment provided by this subsection shall be paid to the member's estate, or such person or persons, trust, or organization as the member shall have nominated by written designation duly executed and filed with the department.
The legislature reserves the right to discontinue the right to transfer under this section.

Any member who elects to transfer to plan III and has eligible unrestored withdrawn contributions in plan II, may subsequently restore such contributions under the provisions of RCW 41.32.825. The restored plan II service credit will be automatically transferred to plan III. Contributions restored will be transferred to the member's account in plan III.

Anyone previously retired from plan II is prohibited from transferring to plan III.

Sec. 304. RCW 41.45.010 and 1989 c 273 s 1 are each amended to read as follows:
It is the intent of the legislature to provide a dependable and systematic process for funding the benefits provided to members and retirees of the public employees' retirement system, chapter 41.40 RCW; the teachers' retirement system, chapter 41.32 RCW; the law enforcement officers' and firefighters' retirement system, chapter 41.26 RCW; and the Washington state patrol retirement system, chapter 43.43 RCW.

The funding process established by this chapter is intended to achieve the following goals:

1. To continue to fully fund the public employees' retirement system plan II, the teachers' retirement system plans II and III, and the law enforcement officers' and firefighters' retirement system plan II as provided by law;
2. To fully amortize the total costs of the public employees' retirement system plan I, the teachers' retirement system plan I, and the law enforcement officers' and firefighters' retirement system plan I not later than June 30, 2024;
3. To establish predictable long-term employer contribution rates which will remain a relatively constant proportion of the future state budgets; and
4. To fund, to the extent feasible, benefit increases for plan I members and all benefits for plan II and III members over the working lives of those members so that the cost of those benefits are paid by the taxpayers who receive the benefit of those members' service.

Sec. 305. RCW 41.45.020 and 1989 c 273 s 2 are each amended to read as follows:
As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

1. "Council" means the economic and revenue forecast council created in RCW (82.01.130)
2. "Department" means the department of retirement systems.
3. "Law enforcement officers' and firefighters' retirement system plan I," and "law enforcement officers' and firefighters' retirement system plan II" mean(s) the benefits and funding provisions covering persons who first became members of the law enforcement officers' and firefighters' retirement system prior to October 1, 1977.
4. "Law enforcement officers' and firefighters' retirement system plan II" means the benefits and funding provisions covering persons who first became members of the law enforcement officers' and firefighters' retirement system on or after October 1, 1977.
5. "Public employees' retirement system plan I" means the benefits and funding provisions covering persons who first became members of the public employees' retirement system prior to October 1, 1977.
6. "Public employees' retirement system plan II" means the benefits and funding provisions covering persons who first became members of the public employees' retirement system on or after October 1, 1977.
7. "Teachers' retirement system plan I," "teachers' retirement system plan II," and "teachers' retirement system plan III" mean(s) the benefits and funding provisions covering persons who first became members of the teachers' retirement system prior to October 1, 1977.
8. "Teachers' retirement system plan III" means the benefits and funding provisions covering persons who first became members of the teachers' retirement system on or after October 1, 1977.
9. "Washington state patrol retirement system" means the retirement benefits provided under chapter 43.43 RCW.
10. "Unfunded liability" means the unfunded actuarial accrued liability of a retirement system.
11. "Actuary" or "state actuary" means the state actuary employed under chapter 44.44 RCW.
"State retirement systems" means the retirement systems listed in RCW 41.50.030.

Sec. 306. RCW 41.45.030 and 1993 c 519 s 17 are each amended to read as follows:
(1) Beginning September 1, 1989, and every six years thereafter, the state actuary shall submit to the council information regarding the experience and financial condition of each state retirement system. The council shall review this and such other information as it may require.
(2) The council shall review the information submitted by the state actuary and by December 31, 1995, and every six years thereafter, the council, by affirmative vote of five members, shall adopt the following long-term economic assumptions:
   (a) Growth in system membership;
   (b) Growth in salaries, exclusive of merit or longevity increases;
   (c) Growth in inflation; and
   (d) Investment rate of return.
(3) The assumptions adopted by the council shall be used by the state actuary in conducting valuation studies of the state retirement systems.

Sec. 307. RCW 41.45.050 and 1989 c 273 s 5 are each amended to read as follows:
(1) Beginning September 1, 1990, employers of members of the public employees' retirement system, the teachers' retirement system, and the Washington state patrol retirement system shall make contributions to those systems based on the rates established in RCW 41.45.060 and 41.45.070.
(2) The state shall make contributions to the law enforcement officers' and fire fighters' retirement system based on the rates established in RCW 41.45.060 and 41.45.070. The state treasurer shall transfer the required contributions each month on the basis of salary data provided by the department.
(3) The department shall bill employers, and the state shall make contributions to the law enforcement officers' and fire fighters' retirement system, using the combined rates established in RCW 41.45.060 and 41.45.070 regardless of the level of pension funding provided in the biennial budget. Any member of an affected retirement system may, by mandamus or other appropriate proceeding, require the transfer and payment of funds as directed in this section.
(4) The contributions received for the public employees' retirement system shall be allocated between the public employees' retirement system plan I fund and public employees' retirement system plan II fund as follows: The contributions necessary to fully fund the public employees' retirement system plan II employer contribution required by RCW 41.40.650 shall first be deposited in the public employees' retirement system plan I fund. All remaining public employees' retirement system employer contributions shall be deposited in the public employees' retirement system plan II fund.
(5) The plans II and III employer contributions for the teachers' retirement system and the law enforcement officers' and fire fighters' retirement system shall be combined and allocated in the same manner as the public employees' retirement system and in accordance with the law enforcement officers' and fire fighters' retirement system plan II contribution rates required by RCW 41.26.450 and 41.32.775 respectively.
(6) The contributions received under RCW 41.26.450 for the law enforcement officers' and fire fighters' retirement system shall be allocated between the law enforcement officers' and fire fighters' retirement system plan I and the law enforcement officers' and fire fighters' retirement system plan II fund as follows: The contributions necessary to fully fund the law enforcement officers' and fire fighters' retirement system plan II employer contributions shall be first deposited in the law enforcement officers' and fire fighters' retirement system plan II fund. All remaining law enforcement officers' and fire fighters' retirement system employer contributions shall be deposited in the law enforcement officers' and fire fighters' retirement system plan I fund.

Sec. 308. RCW 41.45.060 and 1993 c 519 s 19 are each amended to read as follows:
(1) (For the period of September 1, 1993, through August 31, 1995, the basic state contribution rate for the law enforcement officers' and fire fighters' retirement system, and the basic employer contribution rates for the public employees' retirement system, the teachers' retirement system, and the Washington state patrol retirement system shall be as determined in the 1991 valuations prepared by the office of the state actuary.) The state actuary shall provide actuarial valuation results based on the assumptions adopted under RCW 41.45.030.

(2) Not later than September 30, 1994, and every two years thereafter: ((a)) consistent with the assumptions adopted under RCW 41.45.030, the council shall adopt ((the contributions to be used in the ensuing biennial period for the systems specified in subsection (1) of this section. (b)) both: (a) A basic state contribution rate for the law enforcement officers' and fire fighters' retirement system; and (b) basic employer contribution rates for the public employees' retirement system and the teachers' retirement system to be used in the ensuing biennial period.

(3) The employer and state contribution rates adopted by the council shall be the level percentages of pay that are needed:

(a) To fully amortize the total costs of the public employees' retirement system plan I, the teachers' retirement system plan I, the law enforcement officers' and fire fighters' retirement system plan I, and the unfunded liability of the Washington state patrol retirement system not later than June 30, 2024; and

(b) To also continue to fully fund the public employees' retirement system plan II, the teachers' retirement system plans II and III, and the law enforcement officers' and fire fighters' retirement system plan II in accordance with this section.

(4) The aggregate actuarial cost method shall be used to calculate a combined plan II and III employer contribution rate.

(5) The council shall immediately notify the directors of the office of financial management and department of retirement systems of the state and employer contribution rates adopted ((under (a) of this subsection))

(6) The director of the department of retirement systems shall collect those rates adopted by the council (under this chapter).

Sec. 309. RCW 41.45.070 and 1990 c 18 s 2 are each amended to read as follows:

(1) (Beginning September 1, 1994,)) In addition to the basic employer contribution rate established in RCW ((41.45.060)) 41.45.030, the department shall also charge employers of public employees' retirement system, teachers' retirement system, or Washington state patrol retirement system members an additional supplemental rate to pay for the cost of additional benefits, if any, granted to members of those systems ((after January 1, 1990)). The supplemental contribution rates required by this section shall be calculated by the state actuary and shall be charged regardless of language to the contrary contained in the statute which authorizes additional benefits.

(2) (Beginning September 1, 1994,)) In addition to the basic state contribution rate established in RCW ((41.45.060)) 41.45.030 for the law enforcement officers' and fire fighters' retirement system the department shall also establish a supplemental rate to pay for the cost of additional benefits, if any, granted to members of the law enforcement officers' and fire fighters' retirement system ((after January 1, 1990)). This supplemental rate shall be calculated by the state actuary and the state treasurer shall transfer the additional required contributions regardless of language to the contrary contained in the statute which authorizes the additional benefits.

(3) The supplemental rate charged under this section to fund benefit increases provided to active members of the public employees' retirement system plan I, the teachers' retirement system plan I, the law enforcement officers' and fire fighters' retirement system plan I, and Washington state patrol retirement system, shall be calculated as the level percentage of all members' pay needed to fund the cost of the benefit not later than June 30, 2024.

(4) The supplemental rate charged under this section to fund benefit increases provided to active and retired members of the public employees' retirement system plan II, the teachers' retirement system plan II and plan III, or the law enforcement officers' and fire fighters' retirement system plan II, shall be calculated as the level percentage of all members' pay needed to fund the cost of the benefit, as calculated under RCW 41.40.650, 41.32.775, or 41.26.450, respectively.

(5) The supplemental rate charged under this section to fund postretirement adjustments which are provided on a nonautomatic basis to current retirees shall be calculated as the percentage of pay
needed to fund the adjustments as they are paid to the retirees. The supplemental rate charged under this section to fund automatic postretirement adjustments for active or retired members of the public employees' retirement system plan I and the teachers' retirement system plan I shall be calculated as the level percentage of pay needed to fund the cost of the automatic adjustments not later than June 30, 2024.

NEW SECTION. Sec. 310. A new section is added to chapter 41.45 RCW to read as follows:

(1) The required contribution rates for members of the plan II public employees' retirement system and teachers' retirement system shall be fixed at the rates in effect on the effective date of this act, subject to the following:
   (a) Beginning September 1, 1998, except as provided in (b) of this subsection, the employee contribution rate shall not exceed the employer plan II and III rates adopted under RCW 41.45.030 and 41.45.070 for the public employees' retirement system and teachers' retirement system and shall not exceed the sum of the employer and state rate in plan II of the law enforcement officers' and fire fighters' retirement system;
   (b) In addition, the employee contribution rate for plan II shall be increased by fifty percent of the contribution rate increase caused by any plan II benefit increase passed after the effective date of this act.

(2) The required plan II and III contribution rates for employers shall be adopted in the manner described in RCW 41.45.030.

(3) The state shall pay twenty percent of the employer plan II cost of the law enforcement officers' and fire fighters' retirement system, except for port districts established under Title 53 RCW, institutions of higher education as defined in RCW 28B.10.016 and the Washington state patrol.

(4) The employer and employee contributions collected under this section for the law enforcement officers' and fire fighters' retirement system plan II shall be deposited in the law enforcement officers' and fire fighters' retirement system plan II fund.

(5) The employer and employee contributions collected under this section for the public employees' retirement system plan II and teachers' retirement system plans II and III shall be deposited in their respective plan II and III funds.

Sec. 311. RCW 41.50.075 and 1991 c 35 s 108 are each amended to read as follows:

(1) Two funds are hereby created and established in the state treasury to be known as the Washington law enforcement officers' and fire fighters' system plan I retirement fund, and the Washington law enforcement officers' and fire fighters' system plan II retirement fund which shall consist of all moneys paid into them in accordance with the provisions of this chapter and chapter 41.26 RCW, whether such moneys take the form of cash, securities, or other assets. The plan I fund shall consist of all moneys paid to finance the benefits provided to members of the law enforcement officers' and fire fighters' retirement system plan I, and the plan II fund shall consist of all moneys paid to finance the benefits provided to members of the law enforcement officers' and fire fighters' retirement system plan II.

(2) All of the assets of the Washington state teachers' retirement system shall be credited according to the purposes for which they are held, to two funds to be maintained in the state treasury, namely, the teachers' retirement system plan I fund and the teachers' retirement system combined plan II and III fund. The plan I fund shall consist of all moneys paid to finance the benefits provided to members of the Washington state teachers' retirement system plan I, and the combined plan II and III fund shall consist of all moneys paid to finance the benefits provided to members of the Washington state teachers' retirement system plan II and III.

(3) There is hereby established in the state treasury two separate funds, namely the public employees' retirement system plan I fund and the public employees' retirement system plan II fund. The plan I fund shall consist of all moneys paid to finance the benefits provided to members of the public employees' retirement system plan I, and the plan II fund shall consist of all moneys paid to finance the benefits provided to members of the public employees' retirement system plan II.

(4) There is hereby established in the state treasury the plan III defined contribution fund which shall consist of all contributions and earnings paid on behalf of members, except as otherwise provided.

Sec. 312. RCW 41.50.110 and 1990 c 8 s 3 are each amended to read as follows:
(1) Notwithstanding any provision of law to the contrary, the retirement system expense fund is hereby redesignated as the department of retirement systems expense fund from which shall be paid the expenses of the administration of the department and the expenses of administration of the retirement systems created in chapters 2.10, 2.12, 41.26, 41.32, 41.40, 41.-- (sections 201 through 209 of this act), and 43.43 RCW.

(2) In order to reimburse the department of retirement systems expense fund on an equitable basis the department shall ascertain and report to each employer, as defined in RCW 41.26.030, 41.32.010, or 41.40.010, the sum necessary to defray its proportional share of the entire expense of the administration of the retirement system that the employer participates in during the ensuing biennium or fiscal year whichever may be required. Such sum is to be computed in an amount directly proportional to the estimated entire expense of the administration as the ratio of monthly salaries of the employer’s members bears to the total salaries of all members in the entire system. It shall then be the duty of all such employers to include in their budgets or otherwise provide the amounts so required.

(3) The department shall compute and bill each employer, as defined in RCW 41.26.030, 41.32.010, or 41.40.010, at the end of each month for the amount due for that month to the department of retirement systems expense fund and the same shall be paid as are its other obligations. Such computation as to each employer shall be made on a percentage rate of salary established by the department. However, the department may at its discretion establish a system of billing based upon calendar year quarters in which event the said billing shall be at the end of each such quarter.

(4) The director may adjust the expense fund contribution rate for each system at any time when necessary to reflect unanticipated costs or savings in administering the department.

((3) All employers shall pay a standard fee to the department to cover the cost of administering the system.) (5) An employer who fails to submit timely and accurate reports to the department may be assessed an additional fee related to the increased costs incurred by the department in processing the deficient reports. Fees paid under this subsection shall be deposited in the retirement system expense fund.

(a) Every six months the department shall determine the amount of an employer’s fee by reviewing the timeliness and accuracy of the reports submitted by the employer in the preceding six months. If those reports were not both timely and accurate the department may prospectively assess an additional fee under this subsection.

(b) An additional fee assessed by the department under this subsection shall not exceed fifty percent of the standard fee.

(c) The department shall adopt rules implementing this section.

(6) Expenses incurred pursuant to section 206 of this act shall be deducted from the defined contribution fund in accordance with rules established by the board under section 302 of this act.

NEW SECTION. Sec. 313. A new section is added to chapter 41.50 RCW to read as follows:

(1) "Employee" as used in this section and section 314 of this act includes all full-time, part-time, and career seasonal employees of the state, a county, a municipality, or other political subdivision of the state, whether or not covered by civil service; elected and appointed officials of the executive branch of the government, including full-time members of boards, commissions, or committees; justices of the supreme court and judges of the court of appeals and of the superior and district courts; and members of the state legislature or of the legislative authority of any county, city, or town.

(2) The state, through the department, and any county, municipality, or other political subdivision of the state acting through its principal supervising official or governing body is authorized to contract with an employee to defer a portion of that employee’s income, which deferred portion shall in no event exceed the amount allowable under 26 U.S.C. Sec. 457, and deposit or invest such deferred portion in a credit union, savings and loan association, bank, or mutual savings bank or purchase life insurance, shares of an investment company, or fixed and/or variable annuity contracts from any insurance company or any investment company licensed to contract business in this state.

(3) The department can provide such plans as the employee retirement benefits board, established under section 301 of this act, deems are in the interests of state employees. In addition to the types of investments described in this section, the department may invest the deferred portion of an employee’s income, without limitation as to amount, in any of the class of investments described in RCW 43.84.150 as in effect on January 1, 1981. Any income deferred under such a plan shall
continue to be included as regular compensation, for the purpose of computing the state or local retirement and pension benefits earned by any employee.

(4) Coverage of an employee under a deferred compensation plan under this section shall not render such employee ineligible for simultaneous membership and participation in any pension system for public employees.

NEW SECTION. Sec. 314. A new section is added to chapter 41.50 RCW to read as follows:

(1) The deferred compensation principal account is hereby created in the state treasury. Any deficiency in the deferred compensation administrative account caused by an excess of administrative expenses disbursed from that account over earnings of investments of balances credited to that account shall be eliminated by transferring moneys to that account from the deferred compensation principal account.

(2) The amount of compensation deferred by employees under agreements entered into under the authority contained in section 313 of this act shall be paid into the deferred compensation principal account and shall be sufficient to cover costs of administration and staffing in addition to such other amounts as determined by the department. The deferred compensation principal account shall be used to carry out the purposes of section 313 of this act. All eligible state employees shall be given the opportunity to participate in agreements entered into by the department under section 313 of this act. State agencies shall cooperate with the department in providing employees with the opportunity to participate.

(3) Any county, municipality, or other subdivision of the state may elect to participate in any agreements entered into by the department under section 313 of this act, including the making of payments therefrom to the employees participating in a deferred compensation plan upon their separation from state or other qualifying service. Accordingly, the deferred compensation principal account shall be considered to be a public pension or retirement fund within the meaning of Article XXIX, section 1 of the state Constitution, for the purpose of determining eligible investments and deposits of the moneys therein.

(4) All moneys in the deferred compensation principal account, all property and rights purchased therewith, and all income attributable thereto, shall remain (until made available to the participating employee or other beneficiary) solely the money, property, and rights of the state and participating counties, municipalities, and subdivisions (without being restricted to the provision of benefits under the plan) subject only to the claims of the state's and participating jurisdictions' general creditors. Participating jurisdictions shall each retain property rights separately.

(5) The state investment board, at the request of the employee retirement benefits board as established under section 301 of this act, is authorized to invest moneys in the deferred compensation principal account in accordance with RCW 43.84.150. Except as provided in RCW 43.33A.160, one hundred percent of all earnings from these investments shall accrue directly to the deferred compensation principal account.

(6) The deferred compensation administrative account is hereby created in the state treasury. All expenses of the department pertaining to the deferred compensation plan including staffing and administrative expenses shall be paid out of the deferred compensation administrative account. Any excess of earnings of investments of balances credited to this account over administrative expenses disbursed from this account shall be transferred to the deferred compensation principal account. Any deficiency in the deferred compensation administrative account caused by an excess of administrative expenses disbursed from this account over earnings of investments of balances credited to this account shall be transferred to this account from the deferred compensation principal account.

(7) In addition to the duties specified in this section and section 313 of this act, the department shall administer the salary reduction plan established in RCW 41.04.600 through 41.04.645.

(8) The department shall keep or cause to be kept full and adequate accounts and records of the assets, obligations, transactions, and affairs of any deferred compensation plans created under section 313 of this act and this section.

(9) The department shall file an annual report of the financial condition, transactions, and affairs of the deferred compensation plans under its jurisdiction. A copy of the annual report shall be filed with the speaker of the house of representatives, the president of the senate, the governor, and the state auditor.

(10) Members of the employee retirement benefits board established under section 301 of this act shall be deemed to stand in a fiduciary relationship to the employees participating in the deferred
compensation plans created under section 313 of this act and this section and shall discharge the duties of their respective positions in good faith and with that diligence, care, and skill which ordinary prudent persons would exercise under similar circumstances in like positions.

(11) The department may adopt rules necessary to carry out the purposes of section 313 of this act and this section.

Sec. 315. RCW 41.50.030 and 1975-'76 2nd ex.s. c 105 s 5 are each amended to read as follows:

(1) As soon as possible but not more than one hundred and eighty days after March 19, 1976, there is transferred to the department of retirement systems, except as otherwise provided in this chapter, all powers, duties, and functions of:

((4)) (a) The Washington public employees' retirement system ((and the retirement board thereof));
((2)) (b) The Washington state teachers' retirement system ((and the board of trustees thereof));
((3)) (c) The Washington law enforcement officers' and firefighters' retirement system ((and the retirement board thereof));
((4)) (d) The Washington state patrol retirement system ((and the retirement board thereof));
((5)) (e) The Washington judicial retirement system ((and the retirement board thereof)); and
((6)) (f) The state treasurer with respect to the administration of the judges' retirement fund imposed pursuant to chapter 2.12 RCW.

(2) On the effective date of this act there is transferred to the department all powers, duties, and functions of the deferred compensation committee.

(3) The department shall administer sections 201 through 209 of this act.

Sec. 316. RCW 41.50.050 and 1993 c 61 s 1 are each amended to read as follows:

The director shall:

(1) Have the authority to organize the department into not more than ((three)) four divisions, each headed by an assistant director;

(2) Have free access to all files and records of various funds assigned to the department and inspect and audit the files and records as deemed necessary;

(3) Employ personnel to carry out the general administration of the department;

(4) Submit an annual written report of the activities of the department to the governor and the chairs of the appropriate legislative committees with one copy to the staff of each of the committees, including recommendations for statutory changes the director believes to be desirable;

(5) Adopt such rules and regulations as are necessary to carry out the powers, duties, and functions of the department pursuant to the provisions of chapter 34.05 RCW.

Sec. 317. RCW 41.50.060 and 1975-'76 2nd ex.s. c 105 s 8 are each amended to read as follows:

The director may delegate the performance of such powers, duties, and functions, other than those relating to rule making, to employees of the department, but the director shall remain and be responsible for the official acts of the employees of the department.

The director shall be responsible for the public employees' retirement system, the teachers' retirement system, the judicial retirement system, the law enforcement officers' and firefighters' retirement system, and the Washington state patrol retirement system. The director shall also be responsible for the deferred compensation program.

Sec. 318. RCW 41.54.030 and 1990 c 192 s 2 are each amended to read as follows:

(1) A dual member((s)) may combine service in all systems ((may be combined)) for the purpose of:

(a) Determining the member’s eligibility to receive a service retirement allowance; and

(b) Qualifying for a benefit under section 115(3) of this act.

(2) A dual member who is eligible to retire under any system may elect to retire from all the member’s systems and to receive service retirement allowances calculated as provided in this section. Each system shall calculate the allowance using its own criteria except that the member shall be
allowed to substitute the member’s base salary from any system as the compensation used in calculating the allowance.

(3) The service retirement allowances from a system which, but for this section, would not be allowed to be paid at this date based on the dual member’s age shall be either actuarially adjusted from the earliest age upon which the combined service would have made such dual member eligible in that system, or the dual member may choose to defer the benefit until fully eligible.

NEW SECTION. Sec. 319. A new section is added to chapter 41.54 RCW to read as follows:

Any dual member who elects to transfer under section 303 of this act may:
(1) Similarly transfer any other prior plan II service credit to plan III of the same retirement system; or
(2) Combine service credit in all systems for purposes of vesting pursuant to sections 303(1)(c) of this act.

NEW SECTION. Sec. 320. A new section is added to chapter 43.33A RCW to read as follows:

Pursuant to section 302 of this act, the state investment board, at the request of the employee retirement benefits board, is authorized to offer investment options for self-directed investment under plan III.

Sec. 321. RCW 41.04.440 and 1984 c 227 s 1 are each amended to read as follows:
(1) The sole purpose of RCW 41.04.445 and 41.04.450 is to allow the members of the retirement systems created in sections 201 through 209 of this act, and 43.43 RCW to enjoy the tax deferral benefits allowed under 26 USC 414(h). This act does not alter in any manner the provisions of RCW 41.26.450(9) and 41.40.650 which require that the member contribution rates shall be set so as to provide fifty percent of the cost((s)) of the law enforcement officers’ and fire fighters’ retirement system.
(2) Should the legislature revoke any benefit allowed under 26 U.S.C. 414(h), no affected employee shall be entitled thereafter to receive such benefit as a matter of contractual right.

Sec. 322. RCW 41.04.445 and 1992 c 212 s 15 are each amended to read as follows:
(1) This section applies to all members who are:
(a) Judges under the retirement system established under chapter 2.10, 2.12, or 2.14 RCW;
(b) Employees of the state under the retirement system established by chapter 41.32, 41.40, or 43.43 RCW;
(c) Employees of school districts under the retirement system established by chapter 41.32 or 41.40 RCW, except for substitute teachers as defined by RCW 41.32.010;
(d) Employees of educational service districts under the retirement system established by chapter 41.32 or 41.40 RCW;
(e) Employees of community college districts under the retirement system established by chapter 41.32 or 41.40 RCW.
(2) Only for compensation earned after the effective date of the implementation of this section and as provided by section 414(h) of the federal internal revenue code, the employer of all the members specified in subsection (1) of this section shall pick up only those member contributions as required under:
(a) RCW 2.10.090(1);
(b) RCW 2.12.060;
(c) RCW 2.14.090;
(d) RCW 41.32.263;
(e) RCW 41.32.350;
(f) RCW 41.32.775;
(g) RCW 41.40.330 (1) and (3);
(h) RCW 41.40.650; and
(i) Section 204 of this act.
(3) Only for the purposes of federal income taxation, the gross income of the member shall be reduced by the amount of the contribution to the respective retirement system picked up by the employer.

(4) All member contributions to the respective retirement system picked up by the employer as provided by this section, plus the accrued interest earned thereon, shall be paid to the member upon the withdrawal of funds or lump-sum payment of accumulated contributions as provided under the provisions of the retirement systems.

(5) At least forty-five days prior to implementing this section, the employer shall provide:
(a) A complete explanation of the effects of this section to all members; and
(b) Notification of such implementation to the director of the department of retirement systems.

Sec. 323. RCW 41.04.450 and 1985 c 13 s 3 are each amended to read as follows:
(1) Employers of those members under chapters 41.26, 41.40, and 41.-- (sections 201 through 209 of this act) RCW who are not specified in RCW 41.04.445 may choose to implement the employer pick up of all member contributions without exception under RCW 41.26.080(1), 41.26.450, 41.40.330(1), 41.40.650, and chapter 41.-- RCW (sections 201 through 209 of this act). If the employer does so choose, the employer and members shall be subject to the conditions and limitations of RCW 41.04.445 (3), (4), and (5) and RCW 41.04.455.

(2) An employer exercising the option under this section may later choose to withdraw from and/or reestablish the employer pick up of member contributions only once in a calendar year following forty-five days prior notice to the director of the department of retirement systems.

NEW SECTION. Sec. 324. The following acts or parts of acts are each repealed:
(1) RCW 41.04.250 and 1981 c 256 s 2, 1975 1st ex.s. c 274 s 2, 1973 1st ex.s. c 99 s 1, 1972 ex.s. c 19 s 1, & 1971 ex.s. c 264 s 1;

NEW SECTION. Sec. 325. This act shall take effect July 1, 1996.

NEW SECTION. Sec. 326. Part headings and subchapter headings as used in this act constitute no part of the law."

Representatives Carlson, Sommers and B. Thomas spoke in favor of the adoption of the amendment.

The amendment was adopted.

The bill was ordered engrossed.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representatives Carlson, Sommers and Wolfe spoke in favor of passage of the bill.

The Speaker stated the question before the House to be final passage of Engrossed Substitute House Bill No. 1206.

ROLL CALL
The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1206, and the bill passed the House by the following vote: Yeas - 95, Nays - 1, Absent - 0, Excused - 2.

Voting nay: Representative Goldsmith - 1.

Excused: Representatives Blanton and Ogden - 2.

Engrossed Substitute House Bill No. 1206, having received the constitutional majority, was declared passed.

There being no objection, the House deferred consideration of House Bill No. 1724 and the bill held its place on the second reading calendar.

HOUSE BILL NO. 1914, by Representatives Stevens

Changing provisions relating to child abuse and neglect.

The bill was read the second time.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representatives Stevens, Thibaudeau, Cooke and Carrell spoke in favor of passage of the bill.

Representatives Tokuda and Quall spoke against passage of the bill.

The Speaker stated the question before the House to be final passage of House Bill No. 1914.

ROLL CALL

The Clerk called the roll on the final passage of House Bill No. 1914, and the bill passed the House by the following vote: Yeas - 62, Nays - 34, Absent - 0, Excused - 2.

Excused: Representatives Blanton and Ogden - 2.

House Bill No. 1914, having received the constitutional majority, was declared passed.

HOUSE BILL NO. 1791, by Representatives Chandler, Mastin, McMorris, Sheldon, Delvin, Kremen, Clements, Chappell, Crouse, Scott, Costa, Horn, Robertson, Quall, Hankins, Skinner,
Kessler, Schoesler, Grant, Sheahan, Brumsickle, Padden, Morris, Buck, Hatfield, Patterson, Cooke, Mulliken, Honeyford, Backlund and Basich

Revising water resource governance and planning.

The bill was read the second time. There being no objection, Substitute House Bill No. 1791 was substituted for House Bill No. 1791 and the substitute bill was placed on the second reading calendar.

Substitute House Bill No. 1791 was read the second time.

Representative Chandler moved adoption of the following amendment by Representative Chandler:

Strike everything after the enacting clause and insert the following:

"PART I
WATER RESOURCE COMMISSIONS

NEW SECTION. Sec. 1. The legislature finds that balanced administration and management of the state water resources is of paramount importance to the citizens of the state. The legislature finds that regional differences in water resource conditions require greater consideration in the development and administration of water resource policy. The legislature finds that to effectively take regional differences into consideration, the decision-making authority needs to be based on water resource plans developed by local elected officials and interested persons from various regions of the state.

It is the intent of the legislature to establish two state water resources commissions. Further, it is the direction of the legislature that the commissions implement programs that are balanced with the interests of all sectors of the state’s residents taken in account.

It is further the intent of the legislature that all existing water rights be protected and not diminished by the actions of the state and that the principles of the prior appropriation doctrine of western water law remain unchanged by this enactment (chapter . . ., Laws of 1995).

NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter.

(1) "Commission" means the western or eastern Washington water resource commissions established pursuant to this chapter.

(2) "Water supply special purpose district" means a water, combined water-sewer, irrigation, reclamation, or public utility district that provides water to persons or other water users within the district.

(3) "State engineer" means the person hired by the commissions to administer the state engineer’s office and the water resource programs and responsibilities assigned to that office.

(4) "WRIA" means a water resource inventory area established in WAC 173-500-030, as it exists on January 1, 1995.

NEW SECTION. Sec. 3. (1) There is hereby created and established two state commissions to be known and designated jointly as the Washington water resources commissions, hereinafter referred to as the commissions. One commission, to be known as the eastern Washington water resources commission, shall have jurisdiction throughout the area of the state east of the crest of the Cascade mountains and including all of Skamania county. One commission, to be known as the western Washington water resources commission, shall have jurisdiction throughout the area of the state west of the crest of the Cascade mountains, exclusive of Skamania county.

(2) The members of a commission shall serve four-year terms. Each of the commissioners shall hold office until his or her successor is appointed. The commissioners shall biennially choose a chair from among themselves.

(3) Each commission shall be composed of eight members nominated by the counties and appointed by the governor as provided in this section.
(a) The counties within the jurisdiction of the eastern Washington water resources commission are divided into two groups: (i) Benton, Chelan, Douglas, Franklin, Grant, Kittitas, Klickitat, Okanogan, Skamania, and Yakima counties; and (ii) the remaining counties within the jurisdiction of the commission. The counties assigned to a particular group shall collectively nominate six persons for appointment to the eastern Washington water resources commission and submit this list of nominations to the governor. The governor shall appoint four members of the commission from each of the two lists submitted in this manner.

(b) The counties within the jurisdiction of the western Washington water resources commission are divided into four groups: (i) King, Pierce, and Snohomish counties; (ii) Island, San Juan, Skagit, and Whatcom counties; (iii) Clallam, Jefferson, Kitsap, Mason, and Grays Harbor counties; and (iv) the remaining counties within the jurisdiction of the commission. Nominations for appointment to the western Washington water resources commission from each group shall be submitted to the governor.

(c) Each of the counties listed in (b)(i) of this subsection shall nominate two persons and each of the cities of Seattle, Tacoma, and Everett shall nominate two persons for appointment to the commission and the governor shall appoint five members to the western Washington water resources commission from these nominations.

(d) The counties in (b)(ii) of this subsection shall collectively nominate three persons for appointment to the commission and the governor shall appoint one member to the western Washington water resources commission from these nominations. The counties in (b)(iii) of this subsection shall collectively nominate three persons for appointment to the commission and the governor shall appoint one member to the western Washington water resources commission from these nominations. The counties in (b)(iv) of this subsection shall collectively nominate three persons for appointment to the commission and the governor shall appoint one member to the western Washington water resources commission from these nominations.

(e) The members of the legislative authorities of the counties assigned to a group by (a) of this subsection or assigned to a group by (b) of this subsection shall convene to nominate persons for appointment to the eastern or western Washington water resources commission. The counties and the counties and cities in (c) of this subsection shall provide their lists of nominees to the governor not later than thirty days after the effective date of this section. If the counties assigned to a group do not provide nominations within the prescribed time, the governor may make the appointments allocated to the group without nominations. Each county assigned to a group by this subsection (3) for one or more collective nominations shall be entitled to three votes for each nomination and shall divide the votes equally among the members of the legislative authority of the county. Nominations shall be made by a majority vote of all of such members assigned to the group based on the votes allocated to them under this section. The governor shall make all appointments to the commissions within ninety days of the effective date of this section.

Nominations and appointments to fill vacancies on the commission shall be made as provided by this section for original appointments to the positions. Such nominations shall be made within sixty days of the date the vacancy is created or the appointment shall be made without nominations. The governor shall appoint a person to fill a vacancy within thirty days of the date the vacancy is created.

Nominations and appointments to fill expired terms of office of the members of the commission shall be made as prescribed for nominations and appointments for the initial membership of the commissions. The members of the county legislative authorities shall make nominations sixty days before the expiration of terms of office and the governor shall make appointments not later than the date of the expiration of the terms of office, which appointments shall take effect upon the expiration of those terms.

(4) Each person nominated for appointment to a commission shall be knowledgeable about state water law and have at least five years’ experience in water resource matters.

(5) No elective state official, state officer, or state employee shall be a member of a commission nor may a member of the commission have been such an official, officer, or employee within two years of being appointed to the commission. At the time of their appointment and thereafter during their respective terms of office, the members of the eastern commission shall reside within the eastern jurisdiction and the members of the western commission shall reside within the western jurisdiction. No more than two members of each commission shall reside in the same county.

(6) The governor may remove any member of a commission for malfeasance or misfeasance in office or for having at least five unexcused absences during the person’s term of office which constitute twenty percent or more of the meetings that have been conducted by the commission during the term.
A person’s absence from a meeting may be excused: By the chair of the commission if a written request to do so is received by the chair before the meeting from which the member is to be absent; or by a majority vote of the members of the commission at the meeting during which the member is absent.

Each member of the commissions may receive reimbursement for travel expenses incurred in the discharge of his or her duties in accordance with RCW 43.03.050 and 43.03.060. Commissions shall operate on a part-time basis and each member shall receive compensation pursuant to RCW 43.03.250. The principal office of each commission shall be located within the jurisdictional boundaries of each commission.

NEW SECTION. Sec. 4. For actions taken by the commissions jointly, a majority of all of the commissioners shall constitute a quorum. A majority of the members of a commission shall constitute a quorum of the commission for the transaction of any business, for the performance of any duty, or for the exercise of any power of the commission. Any investigation, inquiry, or hearing that a commission has power to undertake or to hold may be undertaken or held by or before any commissioner. All investigations, inquiries, and hearings of a commission, and all findings, orders, or decisions, made by a commissioner, when approved and confirmed by the commission and filed in its office, shall be and be deemed to be the orders or decisions of the commission. All actions of a commission, the commissions jointly, or of a commissioner acting individually under the authority of this section shall be conducted in accordance with the administrative procedure act, chapter 34.05 RCW.

NEW SECTION. Sec. 5. (1) In addition to the powers, duties, and functions in sections 23 and 24 of this act, the commissions have the following powers and duties:
(a) Rule adoption for their joint operation;
(b) The commissions, acting jointly, shall appoint the state engineer. The state engineer shall serve at the pleasure of the commissions;
(c) The commissions, acting jointly, shall prepare and approve a proposed budget for the commissions and the office of the state engineer;
(d) Each commission shall appoint and employ staff as may be necessary for the direct support of the activities of the commission;
(e) Pursuant to section 12 of this act, the commissions shall review all water resource plans submitted from within their respective jurisdictions and shall provide advice as to whether the plans are in conflict with state or federal laws;
(f) Each commission shall approve or deny all interbasin transfers within its jurisdiction with the advice of the state engineer. The commissions, acting jointly, shall by rule adopt procedures for interbasin transfers, consistent with state law.
(2) The commissions, jointly or severally, may adopt rules only: To the extent specifically required by federal law or a court order; to the extent explicitly authorized by state law; or to implement a specific objective of a state statute.
(3) The state engineer shall administer the state’s water quantity programs on behalf of the commissions through an office of the state engineer which is hereby created. The state engineer shall be the administrator of the office and the supervisor of the employees of the office.

NEW SECTION. Sec. 6. All proceedings of a commission or of the commissions acting jointly are subject to the open public meetings act, chapter 42.30 RCW. All public records in possession of the commissions and the state engineer shall be subject to chapter 42.17 RCW regarding public records. The commissions shall jointly make and submit to the governor and the legislature a biennial report beginning January 1997 containing a statement of the transactions and proceedings of its office, together with the information gathered by the commissions and the state engineer and such other facts, suggestions, and recommendations as the governor may require or the legislature request.

NEW SECTION. Sec. 7. In exercising the powers, duties, and functions transferred to the state engineer in sections 23 and 24 of this act, the state engineer is encouraged to collect data from available sources, conduct analyses and studies by contract, and conduct field investigations by means of memoranda of understanding with units of local government.
Notwithstanding any provision of law transferred to the jurisdiction of the state engineer by chapter . . ., Laws of 1995 (this act), the commissions, a commission, or the state engineer may not: Initiate or conduct WRIA management planning activities except as expressly authorized under section 12 of this act; or establish an instream flow except as required by a WRIA plan adopted under section 12 of this act.

NEW SECTION. Sec. 8. (1) It is the intent of the legislature that water resource planning be done locally, at the watershed level.

Of the counties located in whole or in part in a WRIA, the county with the largest population residing within the boundaries of the WRIA is the lead agency for any WRIA planning conducted for that WRIA under this chapter, except as provided in section 9 of this act. Such a county may convene a meeting of the members of the legislative authorities of the counties with territory within a WRIA for the appointment of a WRIA planning unit. The county shall also notify the cities, water supply special purpose districts, and conservation districts with territory within the WRIA that these groups are to meet to appoint their members of the WRIA planning unit. For the purposes of this section and sections 9 and 12 of this act, a county is considered to have territory within a WRIA only if the territory of the county located in whole or in part in a WRIA constitutes at least fifteen percent of the area of the WRIA.

(a) One WRIA planning unit shall be appointed for the WRIA as provided by this section or by section 9 of this act for joint WRIA planning. The planning unit shall be composed of: One member from each county with territory in the WRIA representing the county and appointed by the county; one member for each county with territory in the WRIA, but not less than two members, representing cities with territory in the WRIA and appointed jointly by those cities; two members representing all water supply special purpose districts with territory within the WRIA and appointed jointly by those districts; one member representing all conservation districts with territory within the WRIA and appointed jointly by those districts; four members representing the general citizenry, of which at least two shall be holders of water rights, appointed jointly by the counties with territory within the WRIA; and six members representing various special interest groups appointed jointly by the counties with territory within the WRIA.

(b) In addition, for a WRIA located within Pierce, King, or Snohomish county, a representative of the largest water purveyor using water from the WRIA shall be an ex officio member of the planning unit whether the principal offices of the purveyor are or are not located within the WRIA.

(3) Except for a person who is an ex officio member of the planning unit under subsection (2)(b) of this section, each person appointed to a WRIA planning unit shall have been a resident of the WRIA for at least five years. No state employee or state official may be appointed to the planning unit. In appointing persons to the WRIA planning unit representing special interest groups, the counties shall consider industrial water users, general businesses, hydroelectric and thermal power producers, and irrigated agriculture, nonirrigated agriculture, forestry, recreation, environmental, and fisheries interest groups and other groups with interests in the WRIA, including tribal representatives.

(4) In voting to appoint the members of a WRIA planning unit, to approve a WRIA plan under section 12 of this act, or to elect to conduct multi-WRIA planning under section 9 of this act, each county with territory within the WRIA shall have one vote and appointments shall be made by majority vote based on the votes allocated under this section. In voting to appoint members of a WRIA planning unit: Each city with territory within the WRIA shall have one vote and appointments shall be made by majority vote of such cities; each water supply special purpose district with territory within the WRIA shall have one vote and appointments shall be made by majority vote of such districts; and each conservation district with territory within the WRIA shall have one vote and appointments shall be made by majority vote of such districts. All appointments shall be made within sixty days of the date the county acting as lead agency in the WRIA notifies the other appointing authorities to convene to make appointments or the appointments shall be made by the counties with territory in the WRIA in the same manner the counties make other appointments. A vacancy on the planning unit shall be filled by appointment in the same manner prescribed for appointing the position that has become vacant.

NEW SECTION. Sec. 9. (1) Counties convened to make appointments to a WRIA planning unit under section 8 of this act may elect to conduct multi-WRIA planning with the counties with territory in one or more other WRIAs. If the counties with territory in these other WRIAs convene and
also elect to conduct such multi-WRIA planning, one planning unit shall be appointed for the multi-WRIA area.

(a) The planning unit shall be composed of: Up to one member, as that number is determined by the counties jointly, for each county with territory in the multi-WRIA area representing the counties and appointed by the counties jointly; up to one member, as that number is determined by the cities jointly, for each county with territory in the multi-WRIA area, representing cities with territory in the multi-WRIA area and appointed jointly by those cities; up to three members, as that number is determined by the districts, representing all water supply special purpose districts with territory within the multi-WRIA area and appointed jointly by those districts; up to two members, as that number is determined by the districts, representing all conservation districts with territory within the multi-WRIA area and appointed jointly by those districts; four members representing the general citizenry, of which at least two shall be holders of water rights, appointed jointly by the counties with territory within the multi-WRIA area; and six members representing various special interest groups appointed jointly by the counties with territory within the multi-WRIA area.

(b) In addition, for a WRIA located within Pierce, King, or Snohomish county, a representative of the largest water purveyor using water from the multi-WRIA area shall be an ex officio member of the planning unit whether the principal offices of the purveyor are or are not located within the multi-WRIA area.

(c) Except for a person who is an ex officio member of the planning unit under subsection (1)(b) of this section, each person appointed to a multi-WRIA planning unit shall have been a resident of the multi-WRIA area for at least five years. No state employee or state official may be appointed to the planning unit. In appointing persons to the multi-WRIA planning unit representing special interest groups the counties shall consider industrial water users, general businesses, hydroelectric and thermal power producers, and irrigated agriculture, nonirrigated agriculture, forestry, recreation, environmental, and fisheries interest groups and other groups with interests in the multi-WRIA area, including tribal representatives.

(2) The counties in the multi-WRIA area shall select a county as a lead agency from among those that would qualify as a lead agency in each WRIA. All appointments shall be made within sixty days of the date the county acting as lead agency in the multi-WRIA area notifies the other appointing authorities to convene to make appointments or the appointments shall be made by the counties with territory in the multi-WRIA area in the same manner the counties make other appointments. A vacancy on the planning unit shall be filled by appointment in the same manner prescribed for appointing the position that has become vacant.

(3) A planning unit for a multi-WRIA area shall perform all of the functions assigned by this chapter to a WRIA planning unit and is subject to all of the provisions of this chapter that apply to a WRIA planning unit.

NEW SECTION. Sec. 10. The lead agency shall provide staff support for the work of the WRIA planning unit. Each WRIA planning unit may establish its own methods of operation that are consistent with this chapter and may establish methods for reviewing the operations of its lead agency. Each WRIA planning unit is encouraged to: Consider information and plans that may have been previously developed by other entities in establishing water resource management plans for the WRIA; consider existing data regarding water resources in the WRIA; and, for a WRIA that borders another state, cooperate with local government counterparts in the adjacent state regarding water resource planning. Water resource plans developed under this chapter for a WRIA may not interfere in any manner with a general adjudication of water rights, completed or ongoing. Such a WRIA plan may not in any manner impair, diminish, or interfere with a water right that exists before the adoption of the plan by the appropriate commission under section 12 of this act.

All meetings of a WRIA planning unit shall be conducted as public meetings as required for such meetings by the open public meetings act, chapter 42.30 RCW. Some time shall be set aside at the end of each meeting of a WRIA planning unit for public comments.

No person who is a member of a WRIA planning unit may designate another to act on behalf of the person as a member or to attend as a member a meeting of the unit on behalf of the person. If a member of a WRIA planning unit is absent from more than five meetings of the WRIA planning unit that constitute twenty percent or more of the meetings that have been conducted by the planning unit while the person is a member of the unit and these absences have not been excused as provided by this section, the member's position on the WRIA planning unit is to be considered vacant. A person's
absence from a meeting may be excused: By the chair of the planning unit if a written request to do so is received by the chair before the meeting from which the member is to be absent; or by a majority vote of the members of the planning unit at the meeting during which the member is absent.

NEW SECTION. Sec. 11. (1) Each WRIA planning unit shall develop a water resource plan. The plan must contain the elements listed in subsection (2) of this section and may include other elements added by the planning unit. Once organized, the first task of the planning unit is to prioritize these elements regarding their importance in the WRIA and in developing a water resource plan for the WRIA. A plan shall not be developed such that its provisions are in conflict with state or federal law.

(2) The plan must include the following:
(a) A quantitative estimation of how much surface and ground water is in the planning unit using United States geological survey information and other existing sources;
(b) A quantitative estimation using existing sources of information, of how much surface and ground water is available for use, both in-stream and out-of-stream, for agricultural, fisheries, recreational, environmental, industrial, municipal, and residential purposes;
(c) A quantitative estimation using existing sources of information, of how much surface and ground water is being used, both in-stream and out-of-stream, for agricultural, industrial, fisheries, recreational, environmental, municipal, and residential purposes, and including amounts claimed or permitted for future municipal needs;
(d) A quantitative estimation of how much water, approximately, is claimed or permitted, including in-stream flows;
(e) A quantitative description of future water-based in-stream and out-of-stream needs in the planning unit, based on projected population and agricultural and other economic growth;
(f) Instream flows established prior to January 1, 1995, by rule. Notwithstanding any other provisions of state law, the planning unit will set instream flows as part of the plan for the other rivers, streams, and lakes in the WRIA or combined WRIAs for which flows have not been set and may make adjustments to flows that have already been set. Planning units are encouraged to set the flow levels as soon as is practicable;
(g) Management strategies for achieving present and future needs, including:
(ii) Conservation measures;
(ii) Storage enhancements, including modifications to existing reservoirs and new reservoirs;
(iii) Market transfers;
(iv) In-stream flows;
(h) An estimation of hydraulic continuity between ground and surface waters that is to be taken into consideration for the allocation and use of water resources. This estimation shall be based on available data and any data the planning unit may secure with funds other than the funds provided to the unit by the state engineer for WRIA planning;
(i) A description of the strategies for plan implementation and the entities responsible for implementing the plan, including but not limited to local, tribal, state, and federal governments working singularly or in combination. The implementing entities may also include activities conducted by private organizations and individuals.
(3) Water resource management plans developed pursuant to the process in this chapter and subsequently adopted by a commission under chapter 34.05 RCW are presumed valid. This presumption shall apply in any petition or action filed against a plan. Adopted plans shall be used by the state engineer as the basis for all water resource decisions and actions within the WRIA.

NEW SECTION. Sec. 12. (1) Upon completing a proposed water resource plan for the WRIA, the WRIA planning unit shall conduct at least one public hearing in the WRIA on the proposed plan. After considering the public comments presented at the hearing or hearings, the planning unit shall submit a copy of its proposed plan to the commission with jurisdiction over the WRIA. A proposed plan may be submitted to the commission only if the unit has provided interim approval of the plan for this purpose by a majority vote of the members of the planning unit.

(2) The commission shall conduct at least one public hearing, announced in accordance with chapter 34.05 RCW, on each proposed WRIA water resource plan submitted under this section. The commission shall provide advice as to any aspects of the plan that the commission believes to be in conflict with state or federal law and may provide other recommendations regarding the plan. The
commission shall transmit its advice and recommendations regarding the plan to the WRIA planning unit within sixty days of receiving it for review.

(3) The WRIA planning unit shall vote on each recommendation provided by the commission and on the commission's advice regarding any elements of the proposed WRIA plan the commission believed to be in conflict with state or federal law. The planning unit may adopt such a recommendation or provide changes to respond to the advice of the commission by a majority vote of the members of the planning unit.

The WRIA planning unit shall approve a water resource plan for the WRIA by a two-thirds majority vote of the members of the planning unit. An approved plan shall be submitted to the counties with territory within the WRIA for adoption. If a WRIA planning unit does not approve a plan for submission to the counties within three years of the date the planning unit receives its first funding from the state engineer for the planning process under section 13 of this act, the state engineer shall develop a proposed plan for the WRIA, submit the plan to the commission with jurisdiction for the WRIA, and the commission shall adopt or amend and adopt such a water resource plan for the WRIA.

(4) The legislative authority of each of the counties with territory within the WRIA shall conduct at least two public hearings on the WRIA plan submitted to the county under this section. After the public hearings, the legislative authorities of these counties shall convene in joint session to consider the plan. The counties may approve or reject the plan, but may not amend the plan. Approval of a plan, or of recommendations for a plan that is not approved, shall be made by a majority vote of the members of the various legislative authorities of the counties with territory in the WRIA based on the votes allocated under section 8 of this act.

If the plan is not approved, it shall be returned to the WRIA planning unit with recommendations for revisions. Any revised plan prepared by the planning unit shall be submitted to the commission with jurisdiction and to the counties as provided by this section for WRIA water resource plans generally.

(5) If the plan is approved by the members of the legislative authorities, the plan shall be transmitted to the commission with jurisdiction over the WRIA for adoption. The commission shall adopt such an approved WRIA water resource plan by rule. The commission has no discretion to amend or reject the plan. A copy of the plan and notice of its adoption as rules shall be published in the state register under chapter 34.05 RCW.

(6) If the commission advises a planning unit that an element of its WRIA plan is in conflict with state or federal law and the unit does not remove the conflict created by the element from its plan, the state is not liable for any judgment that may be awarded regarding the conflict. This subsection shall not be construed as establishing such state liability for any other element of the plan adopted as rules.

NEW SECTION. Sec. 13. Once a WRIA planning unit is organized and has established priorities under section 11 of this act, it may apply to the state engineer for funding assistance for developing a water resource plan for the WRIA. The state engineer shall provide five hundred thousand dollars per WRIA for each planning unit applying in this manner from appropriations made expressly for this purpose. The funding shall be provided on a first-come, first-served basis to the extent of the appropriations except that preference shall be given to planning units requesting funding for multi-WRIA planning under section 9 of this act. Funding provided under this section shall be considered to be a contractual obligation against the moneys appropriated for this purpose. No more than five hundred thousand dollars per WRIA may be provided by the state engineer to a planning unit.

If a planning unit is organized and has established its priorities under section 11 of this act, but the transfer of authority from the department of ecology to the commissions and state engineer under sections 23 and 24 of this act has not yet taken place, the unit may notify the department of ecology that it is organized, has set its priorities, and will be applying for funding assistance from the state engineer under this section. Such a notification establishes the date of application for the unit for the purposes of satisfying the first-come, first-served requirement established by this section for the distribution of such funding assistance by the state engineer.

NEW SECTION. Sec. 14. The WRIA planning units may accept grants, funds, and other financing, as well as enter into cooperative agreements with private and public entities for planning assistance and funding, including but not limited to funding of the implementation strategies.
NEW SECTION. Sec. 15. (1) Notwithstanding any other provisions in law, the state engineer shall rule in a timely manner upon applications to appropriate public surface and ground water. For applications that seek to appropriate water from within a WRIA for which a WRIA plan has been adopted, the state engineer shall grant or deny the application within one hundred eighty days of the priority date of the application. For applications that seek to appropriate water from within a WRIA for which no WRIA plan has been adopted, the state engineer shall grant or deny the application within one year of the priority date of the application. The times allowed in this section to rule upon an application shall not include the time it takes the applicant to respond to an explicit request for additional information reasonably required to make a determination on the application. The state engineer shall be allowed only one such request for additional information. The cost of obtaining such information shall be reasonable in relation to the quantity and value of the water right applied for. Once the applicant responds to an information request, the stay of the time allowed for the permit decision shall end.

(2) This section shall take effect July 1, 1996.

PART II
TRANSFER OF POWER

Sec. 16. RCW 43.27A.020 and 1987 c 109 s 31 are each amended to read as follows:
As used in this chapter, and unless the context indicates otherwise, words and phrases shall mean:
(1) "((Department)) Commission" means the ((department of ecology;)) water resources commissions.
(2) "Director" means the ((director of ecology;)) state engineer.
(3) "State agency" and "state agencies" mean any branch, department or unit of state government, however designated or constituted((;)).
(4) "Water resources" means all waters above, upon, or beneath the surface of the earth, located within the state and over which the state has sole or concurrent jurisdiction.
(5) "Beneficial use" means, but its meaning shall not be limited to: Domestic water supplies; irrigation; fish, shellfish, game, and other aquatic life; recreation; industrial water supplies; generation of hydroelectric power; and navigation.

Sec. 17. RCW 43.27A.090 and 1988 c 127 s 25 are each amended to read as follows:
The ((department)) commissions shall be empowered as follows:
(1) To represent the state at, and fully participate in, the activities of any basin or regional commission, interagency committee, or any other joint interstate or federal-state agency, committee or commission, or publicly financed entity engaged in the planning, development, administration, management, conservation or preservation of the water resources of the state.
(2) To prepare the views and recommendations of the state of Washington on any project, plan, or program relating to the planning, development, administration, management, conservation, and preservation of any waters located in or affecting the state of Washington, including any federal permit or license proposal, and appear on behalf of, and present views and recommendations of the state at any proceeding, negotiation or hearing conducted by the federal government, interstate agency, state or other agency.
(3) To cooperate with, assist, advise and coordinate plans with the federal government and its offices and agencies, and serve as a state liaison agency with the federal government in matters relating to the use, conservation, preservation, ((quality, disposal)) or control of water and activities related thereto.
(4) To cooperate with appropriate agencies of the federal government and/or agencies of other states, to enter into contracts, and to make appropriate contributions to federal or interstate projects and programs and governmental bodies to carry out the provisions of this chapter.
(5) To apply for, accept, administer and expend grants, gifts and loans from the federal government or any other entity to carry out the purposes of this chapter and make contracts and do such other acts as are necessary insofar as they are not inconsistent with other provisions hereof.
(6) ((To develop and maintain a coordinated and comprehensive state water and water resources related development plan, and adopt, with regard to such plan, such policies as are necessary to insure that the waters of the state are used, conserved and preserved for the best interest of the
There shall be included in the state plan a description of developmental objectives and a statement of the recommended means of accomplishing these objectives. To the extent the director deems desirable, the plan shall integrate into the state plan, the plans, programs, reports, research and studies of other state agencies.

To assemble and correlate information relating to water supply, power development, irrigation, watersheds, water use, future possibilities of water use and prospective demands for all purposes served through or affected by water resources development.

To assemble and correlate state, local and federal laws, regulations, plans, programs, and policies affecting the beneficial use, control, or conservation of water, river basin development, flood prevention, parks, reservations, forests, wildlife refuges, drainage systems, water works, watershed protection and development, instream flows, soil conservation, power facilities and area and municipal water supply needs, and recommend suitable legislation or other action to the legislature, the congress of the United States, or any city, municipality, or to responsible state, local or federal executive departments or agencies.

To cooperate with federal, state, regional, interstate and local public and private agencies in the making of plans for drainage, flood control, use, conservation, allocation and distribution of existing water supplies and the development of new water resource projects.

To encourage, assist and advise regional, and city and municipal agencies, officials or bodies responsible for relation to water aspects of their programs, and to collect information that facilitates the coordination of local water resources activities, programs, and plans.

To adopt such rules as are necessary to carry out the purposes of this chapter.

To hold public hearings, and make such investigations, studies and surveys as are necessary to carry out the purposes of the chapter.

To subpoena witnesses, compel their attendance, administer oaths, take the testimony of any person under oath and require the production of any books or papers when the commission deems such measures necessary in the exercise of its rule-making power or in determining whether or not any license, certificate, or permit shall be granted or extended.

Sec. 18. RCW 43.27A.130 and 1988 c 127 s 26 are each amended to read as follows:
The state engineer may make complete inventories of the state's water resources and enter into such agreements with the director of the United States geological survey as will insure that investigations and surveys are carried on in an economical manner.

Sec. 19. RCW 43.27A.190 and 1987 c 109 s 11 are each amended to read as follows:
Notwithstanding and in addition to any other powers granted to the state engineer, whenever it appears to the engineer that a person is violating or is about to violate any of the provisions of the following:
(1) Chapter 90.03 RCW; or
(2) Chapter 90.44 RCW; or
(3) Chapter 86.16 RCW; or
(4) Chapter 43.37 RCW; or
(5) Chapter 43.27A RCW; or
(6) Any other law relating to water resources administered by the engineer; or
(7) A rule adopted, or a directive or order issued by the commission or engineer relating to subsections (1) through (6) of this section; the engineer may cause a written regulatory order to be served upon said person either personally, or by registered or certified mail delivered to addressee only with return receipt requested and acknowledged by him or her. The order shall specify the violation is being or about to be violated, and the facts upon which the conclusion of violating or potential violation is based, and shall order the act constituting the violation or the potential violation to cease and desist or, in appropriate cases, shall order necessary corrective action to be taken with regard to such acts within a specific and reasonable time. The regulation of a headgate or controlling works as provided in RCW 90.03.070, by a watermaster, stream patrolman, or other
person so authorized by the ((department)) engineer shall constitute a regulatory order within the
testing the meaning of this section. A regulatory order issued hereunder shall become effective immediately upon
receipt by the person to whom the order is directed, except for regulations under RCW 90.03.070
which shall become effective when a written notice is attached as provided therein. Any person
agrieved by such order may appeal the order pursuant to RCW 43.21B.310 unless the order is a water
quantity decision as defined in RCW 43.21A.070, in which case it may be appealed to an
administrative law judge or to a superior court as provided in section 45 of this act.

Sec. 20. RCW 43.21A.020 and 1970 ex.s. c 62 s 2 are each amended to read as follows:
In recognition of the responsibility of state government to carry out the policies set forth in
RCW 43.21A.010, it is the purpose of this chapter to establish a single state agency with the authority
to manage ((and develop)) our air ((and water)) resources in an orderly, efficient, and effective manner
and to carry out a coordinated program of pollution control involving ((these)) air, water, and related
land resources. To this end a department of ecology is created by this chapter to undertake, in an
integrated manner, the ((various)) regulation, management, and planning ((and development)) of
water quality programs now authorized to be performed by ((the department of water resources and
the water pollution control commission, the air regulation and management program now performed by
the state air pollution control board, the solid waste regulation and management program authorized to
be performed by state government as provided by chapter 70.95 RCW, and such other environmental,
management protection and development programs as may be authorized by the legislature.

Sec. 21. RCW 43.21A.067 and 1987 c 109 s 27 are each amended to read as follows:
The ((director of ecology)) state engineer may create within ((his department)) the engineer’s
office a fund to be known as the “basic data fund.”
Into such fund shall be deposited all moneys contributed by persons for stream flow, ground
water, and water quality data or other hydrographic information furnished by the ((department))
engineer in cooperation with the United States geological survey, and the fund shall be expended on a
matching basis with the United States geological survey for the purpose of obtaining additional basic
information needed for an intelligent inventory of water resources in the state.
Disbursements from the basic data fund shall be on vouchers approved by the ((department))
engineer and the district engineer of the United States geological survey.

Sec. 22. RCW 90.54.040 and 1988 c 47 s 5 are each amended to read as follows:
(1) The ((department)) commissions, through the adoption of appropriate rules, (iis) are
directed((as a matter of high priority to insure that the waters of the state are utilized for the best
interests of the people.)) to develop and implement in accordance with the policies of this chapter
a ((comprehensive state)) water resources program ((which will provide a process for making decisions))
that implements policies on future water resource allocation and use. ((The department may develop
the program in segments so that immediate attention may be given to waters of a given physiographic
region of the state or to specific critical problems of water allocation and use. The current guidelines,
standards, or criteria governing the elements of the water resource program established pursuant to this
subsection shall not be altered or amended after March 15, 1988, in accordance with RCW 90.54.022(5).
)) The commissions shall have the sole and exclusive authority
to adopt rules concerning the regulation of surface and ground water.
(2) In relation to the management and regulatory programs relating to water resources vested in
((deposits)) the ((department)) commissions are further directed to modify existing ((regulations))
rules and adopt new ((regulations)) rules, when needed and possible, to insure that existing regulatory
programs are in accord with the ((water resource policy of this chapter and the program established in
subsection (1) of this section.)) current guidelines, standards, or criteria governing the department’s
implementation of this subsection shall not be altered or amended after March 15, 1988, in accordance
with subsection (1) of this section)) policies of chapter . . ., Laws of 1995 (this act).
(3) The ((department)) commissions are directed to review all statutes relating to water
resources which ((are)) they are responsible for implementing. When any of the same appear to the
((department)) commissions to be ambiguous, burdensome, unclear, unworkable, unnecessary, or
otherwise deficient, (iis) they shall make recommendations to the legislature including appropriate
proposals for statutory modifications or additions. Whenever it appears that the policies of any such
statutes are in conflict with the policies of chapter . . ., Laws of 1995 (this ((chapter)) act), and the
(department is) commissions are unable to fully perform as provided in subsection (2) of this section, the (department is) commissions are directed to submit statutory modifications to the legislature which, if enacted, would allow the (department) commissions to carry out such statutes in harmony with this chapter.

NEW SECTION. Sec. 23. (1) On the effective date of this section, all powers, duties, and functions of the department of ecology pertaining to water resource quantity are transferred to the western Washington and eastern Washington water resources commissions or the state engineer. The authority to adopt rules regarding those powers, duties, and functions is transferred to the commissions and the administration of those powers, duties, and functions is transferred to the state engineer. All references to the director or the department of ecology in the Revised Code of Washington shall be construed to mean the western Washington and eastern Washington water resources commissions or the state engineer when referring to the functions transferred in this section.

(2)(a) All reports, documents, surveys, books, records, files, papers, or written material including but not limited to the water resources information system established and maintained under RCW 90.54.030, in the possession of the department of ecology pertaining to the powers, functions, and duties transferred shall be delivered to the custody of the state engineer. All cabinets, furniture, office equipment, motor vehicles, and other tangible property employed by the department of ecology in carrying out the powers, functions, and duties transferred shall be made available to the western Washington and eastern Washington water resources commissions and the state engineer. All funds, credits, or other assets held in connection with the powers, functions, and duties transferred shall be assigned to the western Washington and eastern Washington water resources commissions and the state engineer.

(b) Any appropriations made to the department of ecology for carrying out the powers, functions, and duties transferred shall, on the effective date of this section, be transferred and credited to the western Washington and eastern Washington water resources commissions and the state engineer.

(c) Whenever any question arises as to the transfer of any personnel, funds, books, documents, records, papers, files, equipment, or other tangible property used or held in the exercise of the powers and the performance of the duties and functions transferred, the director of financial management shall make a determination as to the proper allocation and certify the same to the state agencies concerned.

(3) All employees classified under chapter 41.06 RCW, the state civil service law, of the department of ecology engaged in performing the powers, functions, and duties transferred are transferred to the jurisdiction of the western Washington and eastern Washington water resources commissions and the state engineer. The employees are assigned to the western Washington and eastern Washington water resources commissions and the state engineer to perform their usual duties upon the same terms as formerly, without any loss of rights, subject to any action that may be appropriate thereafter in accordance with the laws and rules governing state civil service.

(4) All rules and all pending business before the department of ecology pertaining to the powers, functions, and duties transferred shall be continued and acted upon by the western Washington and eastern Washington water resources commissions and the state engineer. All existing contracts and obligations shall remain in full force and shall be performed by the western Washington and eastern Washington water resources commissions and the state engineer.

(5) The transfer of the powers, duties, functions, and personnel of the department of ecology shall not affect the validity of any act performed before the effective date of this section.

(6) If apportionments of budgeted funds are required because of the transfers directed by this section, the director of financial management shall certify the apportionments to the agencies affected, the state auditor, and the state treasurer. Each of these shall make the appropriate transfer and adjustments in funds and appropriation accounts and equipment records in accordance with the certification.

(7) Nothing contained in this section may be construed to alter any existing collective bargaining unit or the provisions of any existing collective bargaining agreement until the agreement has expired or until the bargaining unit has been modified by action of the personnel board as provided by law.

(8) This section shall take effect July 1, 1996.
NEW SECTION. Sec. 24. Effective July 1, 1996, the powers and duties of the department of ecology concerning water quantity under the following statutes are transferred to the commissions and the state engineer: RCW 43.20.230, 43.21A.061, 43.21A.064 except 43.21A.064(2), 43.21A.067, 43.21A.450, 43.21A.460, 43.21A.470, 43.27A.020, 43.27A.090, 43.27A.130, 43.27A.190, chapter 43.83B RCW, RCW 43.99E.025, Title 87 RCW, and chapters 18.104, 89.12, 89.16, 89.30, 90.03, 90.08, 90.14, 90.16, 90.22, 90.24, 90.38, 90.40, 90.42, 90.44, and 90.54 RCW. More specifically, the following powers, duties, programs, and services presently administered and enforced by the department of ecology are transferred to the commissions and the state engineer:

(1) Water regulation, management, and development;
(2) Permitting authority regarding appropriation, diversion, and use of water;
(3) Data collection and other hydrographic information duties;
(4) Technical assistance powers and duties regarding water quantity;
(5) Authority regarding the water resource aspects of international issues, such as Lake Osoyoos;
(6) Participation with the federal government in development of the Columbia basin project and the Yakima enhancement project;
(7) Duties and powers regarding irrigation districts and reclamation districts;
(8) Reclamation authority for agricultural lands;
(9) Powers and duties, both enforcement and administrative authority over water quantity aspects of water resources, including:
   (a) The water codes;
   (b) Stream patrolmen and watermasters;
   (c) Water rights, including but not limited to registration, relinquishment, waiver, and transfer;
   (d) Appropriation of water for public and industrial purposes;
   (e) Minimum flows and levels;
   (f) Regulation of outflow of lakes;
   (g) Yakima river basin water rights;
   (h) Water resource management;
   (i) Regulation of public ground waters; and
   (j) Water well construction.

NEW SECTION. Sec. 25. Although authorities are not transferred from the department of ecology to the eastern and western Washington water resources commissions and the state engineer until July 1, 1996, the governor, department, commissions, and state engineer shall take all actions necessary before July 1, 1996, that will ensure an orderly and effective transfer of authority on that date.

PART III

INTERIESTS

Sec. 26. RCW 90.03.383 and 1991 c 350 s 1 are each amended to read as follows:

(1) The legislature recognizes the value of interties for improving the reliability of public water systems, enhancing their management, and more efficiently utilizing the increasingly limited resource. Given the continued growth in the most populous areas of the state, the increased complexity of public water supply management, and the trend toward regional planning and regional solutions to resource issues, interconnections of public water systems through interties provide a valuable tool to ensure reliable public water supplies for the citizens of the state. Public water systems have been encouraged in the past to utilize interties to achieve public health and resource management objectives. The legislature finds that it is in the public interest to recognize interties existing and in use as of January 1, 1991, and to have associated water rights modified by the department of ecology or its successor to reflect current use of water through those interties, pursuant to subsection (3) of this section. The legislature further finds it in the public interest to develop a coordinated process to review proposals for interties commencing use after January 1, 1991.

(2) For the purposes of this section, the following definitions shall apply:
   (a) "Interies" are interconnections between public water systems permitting exchange, acquisition, or delivery of wholesale and/or retail water between those systems for other than emergency supply purposes, where such exchange, acquisition, or delivery is within established
instantaneous and annual withdrawal rates specified in the systems' existing water right permits or certificates, or contained in claims filed pursuant to chapter 90.14 RCW, and which results in better management of public water supply consistent with existing rights and obligations. Interconnections include interconnections between public water systems permitting exchange, acquisition, or delivery of water to serve as primary or secondary sources of supply but do not include development of new sources of supply to meet future demand.

(b) "Service area" is the area designated as the wholesale and/or retail area in a water system plan or a coordinated water system plan pursuant to chapter 43.20 or 70.116 RCW respectively. When a public water system does not have a designated service area subject to the approval process of those chapters, the service area shall be the designated place of use contained in the water right permit or certificate, or contained in the claim filed pursuant to chapter 90.14 RCW.

(3) Public water systems with interties existing and in use as of January 1, 1991, or that have received written approval from the department of health prior to that date, shall file written notice of those interties with the department of health and the department of ecology or its successor. The notice may be incorporated into the public water system's five-year update of its water system plan, but shall be filed no later than June 30, 1996. The notice shall identify the location of the intertie; the dates of its first use; the purpose, capacity, and current use; the intertie agreement of the parties and the service areas assigned; and other information reasonably necessary to modify the public water system's water right (permit). Notwithstanding the provisions of RCW 90.03.380 and 90.44.100, for public water systems with interties existing and in use or with written approval as of January 1, 1991, the department of ecology or its successor, upon receipt of notice meeting the requirements of this subsection, shall, as soon as practicable, modify the place of use designations in the water right permits, certificates, or claims to reflect the actual use through such interties, provided that the place of use is within service area designations established in a water system plan approved pursuant to chapter 43.20 RCW, or a coordinated water system plan approved pursuant to chapter 70.116 RCW, and further provided that the water used is within the instantaneous and annual withdrawal rates specified in the water rights (permit) and that no outstanding complaints of impairment to existing water rights have been filed with the department of ecology or its successor prior to September 1, 1991. Where such complaints of impairment have been received, the department of ecology or its successor shall make all reasonable efforts to resolve them in a timely manner through agreement of the parties or through available administrative remedies.

(4) Notwithstanding the provisions of RCW 90.03.380 and 90.44.100, exchange, acquisition, or delivery of water through interties approved by the department of health commencing use after January 1, 1991, shall be permitted when the intertie improves overall system reliability, enhances the manageability of the systems, provides opportunities for conjunctive use, or delays or avoids the need to develop new water sources, and otherwise meets the requirements of this section, provided that each public water system's water use shall not exceed the instantaneous and annual withdrawal rate specified in its water right authorization, shall not adversely affect existing water rights, and shall not be inconsistent with state-approved plans such as water system plans or other plans which include specific proposals for construction of interties. InterEight approved and commencing use after January 1, 1991, shall not be inconsistent with regional water resource plans developed pursuant to chapter 90.54 RCW.

(5) For public water systems subject to the approval process of chapter 43.20 RCW or chapter 70.116 RCW, proposals for interties commencing use after January 1, 1991, shall be incorporated into water system plans pursuant to chapter 43.20 RCW or coordinated water system plans pursuant to chapter 70.116 RCW and submitted to the department of health and the department of ecology or its successor for review and approval as provided for in subsections (5) through (9) of this section. The plan shall state how the proposed intertie will improve overall system reliability, enhance the manageability of the systems, provide opportunities for conjunctive use, delay or avoid the need to develop new water sources.

(6) The department of health shall be responsible for review and approval of proposals for new interties. In its review the department of health shall determine whether the intertie satisfies the criteria of subsection (4) of this section, with the exception of water rights considerations, which are the responsibility of the department of ecology or its successor, and shall determine whether the intertie is necessary to address emergent public health or safety concerns associated with public water supply.

(7) If the intertie is determined by the department of health to be necessary to address emergent public health or safety concerns associated with public water supply, the public water system shall amend its water system plan as required and shall file an application with the department of ecology or
its successor to change its existing water right to reflect the proposed use of the water as described in the approved water system plan. The department of ecology or its successor shall process the application for change pursuant to RCW 90.03.380 or 90.44.100 as appropriate, except that, notwithstanding the requirements of those sections regarding notice and protest periods, applicants shall be required to publish notice one time, and the comment period shall be fifteen days from the date of publication of the notice. Within sixty days of receiving the application, the department of ecology or its successor shall issue findings and advise the department of health if existing water rights are determined to be adversely affected. If no determination is provided by the department of ecology or its successor within the sixty-day period, the department of health shall proceed as if existing rights are not adversely affected by the proposed intertie. The department of ecology or its successor may obtain an extension of the sixty-day period by submitting written notice to the department of health and to the applicant indicating a definite date by which its determination will be made. No additional extensions shall be granted, and in no event shall the total review period for the department of ecology or its successor exceed one hundred eighty days.

If the department of health determines the proposed intertie appears to meet the requirements of subsection (4) of this section but is not necessary to address emergent public health or safety concerns associated with public water supply, the department of health shall instruct the applicant to submit to the department of ecology or its successor an application for change to the underlying water right or claim as necessary to reflect the new place of use. The department of ecology or its successor shall consider the applications pursuant to the provisions of RCW 90.03.380 and 90.44.100 as appropriate. The department of ecology or its successor shall not deny or limit a change of place of use for an intertie on the grounds that the holder of a permit has not yet put all of the water authorized in the permit to beneficial use. If in its review of proposed interties and associated water rights the department of ecology or its successor determines that additional information is required to act on the application, the department or its successor may request applicants to provide information necessary for its decision, consistent with agency rules and written guidelines. Parties disagreeing with the decision of the department of ecology ((on)) or its successor to approve or deny the application for change in place of use may appeal the decision to ((the pollution control hearings board)) an administrative law judge or a superior court as provided in section 45 of this act.

The department of health may approve plans containing intertie proposals prior to the department of ecology’s or its successor’s decision on the water right application for change in place of use. However, notwithstanding such approval, construction work on the intertie shall not begin until the department of ecology or its successor issues the appropriate water right document to the applicant consistent with the approved plan.

PART IV
WATER-RELATED ACTIONS AND APPEALS

Sec. 27. RCW 43.21A.070 and 1970 ex.s.c 62 s 7 are each amended to read as follows:

(1) the administrative procedure act, chapter 34.05 RCW, shall apply to the review of (decisions) a water quantity decision by the director (to the same extent as it applied to decisions issued by the directors of the various departments whose powers, duties and functions are transferred by this 1970 amendatory act to the department of ecology), the state engineer, or the water resource commissions when an administrative hearing is elected under section 45 of this act. The administrative procedure act shall further apply to all other decisions of the director ((as in chapter 34.05 RCW provided)) except as limited by RCW 43.21B.240. In any adjudicative proceeding commenced under chapter 34.05 RCW in response to a water quantity decision, an administrative law judge shall serve as the presiding officer for the hearing in accordance with RCW 34.05.425((3)).

(2) For purposes of this section, a "water quantity decision" includes, but is not limited to, the following:

(a) A decision to grant or deny a permit or certificate for a right to the beneficial use of water or to amend, change, or transfer such a right;

(b) A decision to enforce the conditions of a permit for, or right to, the beneficial use of water or to require any person to discontinue the use of water; and

(c) A decision to establish a minimum flow or level for water under chapter 90.03, 90.22, or 90.54 RCW, or to reserve water for such a minimum flow or level.
(3) A water quantity decision includes any decision made by the department of ecology under subsection (2) of this section before July 1, 1996, and any decision made by the state engineer or the water resource commissions on or after July 1, 1996, as provided in chapter ..., Laws of 1995 (this act).

**Sec. 28.** RCW 34.05.425 and 1989 c 175 s 14 are each amended to read as follows:

(1) Except as provided in subsections (2) and (3) of this section, in the discretion of the agency head, the presiding officer in an administrative hearing shall be:

(a) The agency head or one or more members of the agency head;

(b) If the agency has statutory authority to do so, a person other than the agency head or an administrative law judge designated by the agency head to make the final decision and enter the final order; or

(c) One or more administrative law judges assigned by the office of administrative hearings in accordance with chapter 34.12 RCW.

(2) An agency expressly exempted under RCW 34.12.020(4) or other statute from the provisions of chapter 34.12 RCW or an institution of higher education shall designate a presiding officer as provided by rules adopted by the agency.

(3) The presiding officer in an administrative hearing for a water quantity decision, as defined in RCW 43.21A.070, when an administrative hearing is elected under section 45 of this act, shall be an administrative law judge assigned by the office of administrative hearings in accordance with chapter 34.12 RCW. The administrative law judge shall make the final decision and enter the final order for these hearings.

(4) Any individual serving or designated to serve alone or with others as presiding officer is subject to disqualification for bias, prejudice, interest, or any other cause provided in this chapter or for which a judge is disqualified.

((4))) (5) Any party may petition for the disqualification of an individual promptly after receipt of notice indicating that the individual will preside or, if later, promptly upon discovering facts establishing grounds for disqualification.

((5))) (6) The individual whose disqualification is requested shall determine whether to grant the petition, stating facts and reasons for the determination.

((6))) (7) When the presiding officer is an administrative law judge, the provisions of this section regarding disqualification for cause are in addition to the motion of prejudice available under RCW 34.12.050.

((7))) (8) If a substitute is required for an individual who becomes unavailable as a result of disqualification or any other reason, the substitute must be appointed by the appropriate appointing authority.

((8))) (9) Any action taken by a duly appointed substitute for an unavailable individual is as effective as if taken by the unavailable individual.

**Sec. 29.** RCW 34.05.419 and 1988 c 288 s 404 are each amended to read as follows:

After receipt of an application for an adjudicative proceeding, other than a declaratory order, an agency shall proceed as follows:

(1) Except in situations governed by subsection (2) ((or)) (3), or (4) of this section, within ninety days after receipt of the application or of the response to a timely request made by the agency under subsection (2) of this section, the agency shall do one of the following:

(a) Approve or deny the application, in whole or in part, on the basis of brief or emergency adjudicative proceedings, if those proceedings are available under this chapter for disposition of the matter;

(b) Commence an adjudicative proceeding in accordance with this chapter; or

(c) Dispose of the application in accordance with RCW 34.05.416;

(2) Within thirty days after receipt of the application, the agency shall examine the application, notify the applicant of any obvious errors or omissions, request any additional information the agency wishes to obtain and is permitted by law to require, and notify the applicant of the name, mailing address, and telephone number of an office that may be contacted regarding the application;

(3) If the application seeks relief that is not available when the application is filed but may be available in the future, the agency may proceed to make a determination of eligibility within the time limits provided in subsection (1) of this section. If the agency determines that the applicant is eligible,
the agency shall maintain the application on the agency’s list of eligible applicants as provided by law and, upon request, shall notify the applicant of the status of the application;

(4) After receipt of an application for an adjudicative proceeding under chapter 34.05 RCW in response to a water quantity decision, as defined in RCW 43.21A.070, the department of ecology, state engineer, or water resource commission shall within thirty days of the receipt of the application commence an adjudicatory proceeding in accordance with this chapter.

Sec. 30. RCW 34.05.461 and 1989 c 175 s 19 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section:

(a) If the presiding officer is the agency head or one or more members of the agency head, the presiding officer may enter an initial order if further review is available within the agency, or a final order if further review is not available;

(b) If the presiding officer is a person designated by the agency to make the final decision and enter the final order, the presiding officer shall enter a final order, or is an administrative law judge acting pursuant to RCW 34.05.425(3); and

(c) If the presiding officer is one or more administrative law judges, the presiding officer shall enter an initial order.

(2) With respect to agencies exempt from chapter 34.12 RCW or an institution of higher education, the presiding officer shall transmit a full and complete record of the proceedings, including such comments upon demeanor of witnesses as the presiding officer deems relevant, to each agency official who is to enter a final or initial order after considering the record and evidence so transmitted.

(3) Initial and final orders shall include a statement of findings and conclusions, and the reasons and basis therefor, on all the material issues of fact, law, or discretion presented on the record, including the remedy or sanction and, if applicable, the action taken on a petition for a stay of effectiveness. Any findings based substantially on credibility of evidence or demeanor of witnesses shall be so identified. Findings set forth in language that is essentially a repetition or paraphrase of the relevant provision of law shall be accompanied by a concise and explicit statement of the underlying evidence of record to support the findings. The order shall also include a statement of the available procedures and time limits for seeking reconsideration or other administrative relief. An initial order shall include a statement of any circumstances under which the initial order, without further notice, may become a final order.

(4) Findings of fact shall be based exclusively on the evidence of record in the adjudicative proceeding and on matters officially noticed in that proceeding. Findings shall be based on the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their affairs. Findings may be based on such evidence even if it would be inadmissible in a civil trial. However, the presiding officer shall not base a finding exclusively on such inadmissible evidence unless the presiding officer determines that doing so would not unduly abridge the parties’ opportunities to confront witnesses and rebut evidence. The basis for this determination shall appear in the order.

(5) Where it bears on the issues presented, the agency’s experience, technical competency, and specialized knowledge may be used in the evaluation of evidence.

(6) If a person serving or designated to serve as presiding officer becomes unavailable for any reason before entry of the order, a substitute presiding officer shall be appointed as provided in RCW 34.05.425. The substitute presiding officer shall use any existing record and may conduct any further proceedings appropriate in the interests of justice.

(7) The presiding officer may allow the parties a designated time after conclusion of the hearing for the submission of memos, briefs, or proposed findings.

(8) Initial or final orders shall be served in writing within ninety days after conclusion of the hearing or after submission of memos, briefs, or proposed findings in accordance with subsection (7) of this section unless this period is waived or extended for good cause shown.

(9) The presiding officer shall cause copies of the order to be served on each party and the agency.

Sec. 31. RCW 34.05.514 and 1994 c 257 s 23 are each amended to read as follows:

(1) Except as provided in subsections (2) and (3) of this section ((and RCW 36.70A.300(3))), proceedings for review under this chapter shall be instituted by filing a petition in the superior court, at the petitioner’s option, for (a) Thurston county, (b) the county of the petitioner’s residence or principal
place of business, or (c) in any county where the property owned by the petitioner and affected by the
contested decision is located.

(2) For proceedings involving institutions of higher education, the petition shall be filed either
in the county in which the principal office of the institution involved is located or in the county of a
branch campus if the action involves such branch.

(3) For proceedings involving water quantity decisions, as defined in RCW 43.21A.070, the
petition shall be filed in the superior court in the county that will be directly and immediately affected
by the decision.

Sec. 32. RCW 34.05.530 and 1988 c 288 s 506 are each amended to read as follows:
A person has standing to obtain judicial review of agency action if that person is aggrieved or
adversely affected by the agency action. An agency has standing to obtain judicial review of a final
order if the final order is adverse to the agency and is issued by an administrative law judge acting
pursuant to RCW 34.05.425(3). A person is aggrieved or adversely affected within the meaning of this
section only when all three of the following conditions are present:
(1) The agency action has prejudiced or is likely to prejudice that person;
(2) That person’s asserted interests are among those that the agency was required to consider
when it engaged in the agency action challenged; and
(3) A judgment in favor of that person would substantially eliminate or redress the prejudice to
that person caused or likely to be caused by the agency action.

Sec. 33. RCW 34.05.534 and 1988 c 288 s 507 are each amended to read as follows:
A person may file a petition for judicial review under this chapter only after exhausting all
administrative remedies available within the agency whose action is being challenged, or available
within any other agency authorized to exercise administrative review, except:
(1) A petitioner for judicial review of a rule need not have participated in the rule-making
proceeding upon which that rule is based, or have petitioned for its amendment or repeal;
(2) A petitioner for judicial review need not exhaust administrative remedies to the extent that
this chapter or any other statute states that exhaustion is not required; ((or)
(3) The court may relieve a petitioner of the requirement to exhaust any or all administrative
remedies upon a showing that:
(a) The remedies would be patently inadequate;
(b) The exhaustion of remedies would be futile; or
(c) The grave irreparable harm that would result from having to exhaust administrative
remedies would clearly outweigh the public policy requiring exhaustion of administrative remedies; or
(4) A petitioner for judicial review of a final order issued by an administrative law judge acting
pursuant to RCW 34.05.425(3) need not exhaust any other administrative remedy.

Sec. 34. RCW 34.12.040 and 1981 c 67 s 4 are each amended to read as follows:
Whenever a state agency conducts a hearing which is not presided over by officials of the
agency who are to render the final decision, the hearing shall be conducted by an administrative law
judge assigned under this chapter. In any adjudicative proceeding commenced under chapter 34.05
RCW in response to a water quantity decision, as defined in RCW 43.21A.070, the hearing shall be
conducted by an administrative law judge assigned under this chapter according to procedural rules
developed by the chief administrative law judge. The chief administrative law judge shall ensure that
hearings pertaining to water quantity decisions by the department of ecology will be conducted in the
general area where the petitioner resides, or provide for the hearings to be conducted by telephone. In
assigning administrative law judges, the chief administrative law judge shall whenever practical (1) use
personnel having expertise in the field or subject matter of the hearing, and (2) assign administrative
law judges primarily to the hearings of particular agencies on a long-term basis.

Sec. 35. RCW 43.21B.110 and 1993 c 387 s 22 are each amended to read as follows:
(1) The pollution control hearings board shall only have jurisdiction to hear and decide appeals
from the following decisions of the department, the director, the administrator of the office of marine
safety, and the air pollution control boards or authorities as established pursuant to chapter 70.94
RCW, or local health departments:
(a) Civil penalties imposed pursuant to RCW 18.104.155, 70.94.431, 70.105.080, 70.107.050, 88.46.090, 90.48.144, 90.56.310, and 90.56.330.
(b) Orders issued pursuant to RCW 18.104.043, 18.104.060, 43.27A.190, 70.94.211, 70.94.332, 70.105.095, 86.16.020, 88.46.070, 90.48.120.
(c) The issuance, modification, or termination of any permit, certificate, or license by the department or any air authority in the exercise of its jurisdiction, including the issuance or termination of a waste disposal permit, the denial of an application for a waste disposal permit, or the modification of the conditions or the terms of a waste disposal permit.
(d) Decisions of local health departments regarding the grant or denial of solid waste permits pursuant to chapter 70.95 RCW.
(e) Decisions of local health departments regarding the issuance and enforcement of permits to use or dispose of biosolids under RCW 70.95J.080.
(f) Any other decision by the department, the administrator of the office of marine safety, or an air authority which pursuant to law must be decided as an adjudicative proceeding under chapter 34.05 RCW.

(2) The jurisdiction of the pollution control hearings board is further limited as follows:
(a) The hearings board shall have no jurisdiction whatsoever to review water quantity decisions as defined in RCW 43.21A.070, to review orders pertaining to the relinquishment of a water right under RCW 90.14.130, or to review proceedings regarding general adjudications of water rights conducted under chapter 90.03 or 90.44 RCW.
(b) The following hearings shall not be conducted by the hearings board:
(i) Hearings required by law to be conducted by the shorelines hearings board pursuant to chapter 90.58 RCW.
(ii) Hearings conducted by the department pursuant to RCW 70.94.332, 70.94.390, 70.94.395, 70.94.400, 70.94.405, 70.94.410, and 90.44.180.
(iii) Proceedings by the department relating to general adjudications of water rights pursuant to chapter 90.03 or 90.44 RCW.
(iv) Hearings conducted by the department to adopt, modify, or repeal rules.
(3) Review of rules and regulations adopted by the hearings board shall be subject to review in accordance with the provisions of the Administrative Procedure Act, chapter 34.05 RCW.

Sec. 36. RCW 43.21B.130 and 1990 c 65 s 3 are each amended to read as follows:
The administrative procedure act, chapter 34.05 RCW, shall apply to the appeal of rules and regulations adopted by the board to the same extent as it applied to the review of rules and regulations adopted by the directors and/or boards or commissions of the various departments whose powers, duties and functions were transferred by section 6, chapter 62, Laws of 1970 ex. sess. to the department. Except with regard to water quantity decisions by the department, as defined in RCW 43.21A.070, which are appealable to a superior court or to an administrative law judge under section 45 of this act, and orders pertaining to the relinquishment of a water right under RCW 90.14.130, all other decisions and orders of the director and all decisions of air pollution control boards or authorities established pursuant to chapter 70.94 RCW shall be subject to review by the hearings board as provided in this chapter.

Sec. 37. RCW 43.21B.240 and 1989 c 175 s 105 are each amended to read as follows:
The department and air authorities shall not have authority to hold adjudicative proceedings pursuant to the Administrative Procedure Act, chapter 34.05 RCW, except with regard to water quantity decisions as defined in RCW 43.21A.070 that may be appealed to an administrative law judge as provided in RCW 34.05.425(3). All other hearings, except for water quantity decisions that are appealed to a superior court under section 45 of this act and appeals of orders pertaining to the relinquishment of a water right under RCW 90.14.130, shall be held by the pollution control hearings board.

Sec. 38. RCW 43.21B.300 and 1993 c 387 s 23 are each amended to read as follows:
(1) Any civil penalty provided in RCW 18.104.155, 70.94.431, 70.105.080, 70.107.050, 88.46.090, 90.48.144, 90.56.310, and 90.56.330 shall be imposed by a notice in writing, either by certified mail with return receipt requested or by personal service, to the person incurring the penalty from the department, the administrator of the office of marine safety, or the local
air authority, describing the violation with reasonable particularity. Within fifteen days after the notice is received, the person incurring the penalty may apply in writing to the department, the administrator, or the authority for the remission or mitigation of the penalty. Upon receipt of the application, the department, the administrator, or authority may remit or mitigate the penalty upon whatever terms the department, the administrator, or the authority in its discretion deems proper. The department or the authority may ascertain the facts regarding all such applications in such reasonable manner and under such rules as it may deem proper and shall remit or mitigate the penalty only upon a demonstration of extraordinary circumstances such as the presence of information or factors not considered in setting the original penalty.

(2) Any penalty imposed under this section may be appealed to the pollution control hearings board in accordance with this chapter if the appeal is filed with the hearings board and served on the department, the administrator, or authority thirty days after receipt by the person penalized of the notice imposing the penalty or thirty days after receipt of the notice of disposition of the application for relief from penalty.

(3) A penalty shall become due and payable on the later of:
   (a) Thirty days after receipt of the notice imposing the penalty;
   (b) Thirty days after receipt of the notice of disposition on application for relief from penalty, if such an application is made; or
   (c) Thirty days after receipt of the notice of decision of the hearings board if the penalty is appealed.

(4) If the amount of any penalty is not paid to the department or the administrator within thirty days after it becomes due and payable, the attorney general, upon request of the department or the administrator, shall bring an action in the name of the state of Washington in the superior court of Thurston county, or of any county in which the violator does business, to recover the penalty. If the amount of the penalty is not paid to the authority within thirty days after it becomes due and payable, the authority may bring an action to recover the penalty in the superior court of the county of the authority’s main office or of any county in which the violator does business. In these actions, the procedures and rules of evidence shall be the same as in an ordinary civil action.

(5) All penalties recovered shall be paid into the state treasury and credited to the general fund except those penalties imposed pursuant to RCW 18.104.155, which shall be credited to the reclamation account as provided in RCW 18.104.155(7), RCW 70.94.431, the disposition of which shall be governed by that provision, RCW 70.105.080, which shall be credited to the hazardous waste control and elimination account, created by RCW 70.105.180, and RCW 90.56.330, which shall be credited to the coastal protection fund created by RCW 90.48.390.

Sec. 39. RCW 43.21B.310 and 1992 c 73 s 3 are each amended to read as follows:
(1) Except as provided in subsection (2) of this section, any order issued by the department, the administrator of the office of marine safety, or authority pursuant to RCW 70.94.211, 70.94.332, 70.105.095, 43.27A.190, 86.16.020, 88.46.070, or 90.48.120(2) or any provision enacted after July 26, 1987, or any permit, certificate, or license issued by the department may be appealed to the pollution control hearings board if the appeal is filed with the board and served on the department or authority within thirty days after receipt of the order. Except as provided under chapter 70.105D RCW, these are the exclusive means of appeal of such an order.

(2) (a) The department, the administrator, or the authority in its discretion may stay the effectiveness of any order during the pendency of such an appeal.

(3) (b) At any time during the pendency of an appeal of such an order to the board or to an administrative law judge acting pursuant to RCW 34.05.425(3), the appellant may apply pursuant to RCW 43.21B.320 to the hearings board or administrative law judge for a stay of the order or for the removal thereof.

(4) (c) Any appeal before the hearings board must contain the following in accordance with the rules of the hearings board:

(i) The appellant’s name and address;

(ii) The date and docket number of the order, permit, or license appealed;

(iii) A description of the substance of the order, permit, or license that is the subject of the appeal;

(iv) A clear, separate, and concise statement of every error alleged to have been committed;
A clear and concise statement of facts upon which the requester relies to sustain his or her statements of error; and
A statement setting forth the relief sought.
(d) Upon failure to comply with any final order of the department or the administrator or the administrative law judge acting pursuant to RCW 34.05.425(3), the attorney general, on request of the department or the administrator, may bring an action in the superior court of the county where the violation occurred or the potential violation is about to occur to obtain such relief as necessary, including injunctive relief, to insure compliance with the order. The air authorities may bring similar actions to enforce their orders.
(e) An appealable decision or order shall be identified as such and shall contain a conspicuous notice to the recipient that it may be appealed only by filing an appeal with the hearings board and serving it on the department within thirty days of receipt.

(2) Water quantity decisions, as defined in RCW 43.21A.070, may not be appealed to the hearings board; they may be appealed either to an administrative law judge or to a superior court as provided in section 45 of this act. Appeals of orders pertaining to the relinquishment of a water right shall be filed in a superior court as provided by RCW 90.14.130.

Sec. 40. RCW 43.21B.320 and 1987 c 109 s 7 are each amended to read as follows:
(1) A person appealing to the hearings board, or to an administrative law judge acting pursuant to RCW 34.05.425(3), an order of the department or an authority, not stayed by the issuing agency, may obtain a stay of the effectiveness of that order only as set forth in this section.
(2) An appealing party may request a stay by including such a request in the appeal document, in a subsequent motion, or by such other means as the rules of the hearings board or the procedural rules developed by the chief administrative law judge for appeals made pursuant to RCW 34.05.425(3) shall prescribe. The request must be accompanied by a statement of grounds for the stay and evidence setting forth the factual basis upon which request is based. The hearings board or the administrative law judge shall hear the request for a stay as soon as possible. The hearing on the request for stay may be consolidated with the hearing on the merits.
(3) The applicant may make a prima facie case for stay if the applicant demonstrates either a likelihood of success on the merits of the appeal or irreparable harm. Upon such a showing, the hearings board or administrative law judge shall grant the stay unless the department or authority demonstrates either (a) a substantial probability of success on the merits or (b) likelihood of success on the merits and an overriding public interest which justifies denial of the stay.
(4) Unless otherwise stipulated by the parties, the hearings board or administrative law judge, after granting or denying an application for a stay, shall expedite the hearing and decision on the merits.
(5) Any party or other person aggrieved by the grant or denial of a stay by the hearings board may petition the superior court for Thurston county for review of that decision pursuant to chapter 34.05 RCW pending the appeal on the merits before the board. Any party or other person aggrieved by the grant or denial of a stay by an administrative law judge acting pursuant to RCW 34.05.425(3) may petition the superior court for the county that will be directly and immediately affected by the stay. The superior court shall expedite its review of the decision of the hearings board or administrative law judge.

Sec. 41. RCW 90.14.130 and 1987 c 109 s 13 are each amended to read as follows:
When it appears to the department of ecology that a person entitled to the use of water has not beneficially used his or her water right or some portion thereof, and it appears that the right has or may have reverted to the state because of such nonuse, as provided by RCW 90.14.160, 90.14.170, or 90.14.180, the department of ecology shall notify such person by order: PROVIDED, That where a company, association, district, or the United States has filed a blanket claim under the provisions of RCW 90.14.060 for the total benefits of those served by it, the notice shall be served on such company, association, district or the United States and not upon any of its individual water users who may not have used the water or some portion thereof which they were entitled to use. The order shall contain: (1) A description of the water right, including the approximate location of the point of diversion, the general description of the lands or places where such waters were used, the water source, the amount involved, the purpose of use, and the apparent authority upon which the right is based; (2) a statement that unless sufficient cause be shown on appeal the water right will be declared
relinquished; and (3) a statement that such order may be appealed to ((the pollution control hearings board)) a superior court. Any person aggrieved by such an order may appeal it to ((the pollution control hearings board pursuant to RCW 43.21B.310)) the superior court in the county where the land is located upon which the water was used. Any such appeal to a superior court shall be de novo. The order shall be served by registered or certified mail to the last known address of the person and be posted at the point of division or withdrawal. The order by itself shall not alter the recipient’s right to use water, if any.

Sec. 42. RCW 90.14.190 and 1987 c 109 s 14 are each amended to read as follows:
Any person feeling aggrieved by any water quantity decision ((of the department of ecology)) as defined in RCW 43.21A.070 may have the same reviewed ((pursuant to RCW 43.21B.310)) by an administrative law judge or a superior court under section 45 of this act. In any such review, the findings of fact as set forth in the report of the department of ecology shall be prima facie evidence of the fact of any waiver or relinquishment of a water right or portion thereof. If the ((hearings board)) administrative law judge affirms the decision of the department, a party seeks review in superior court of ((that hearings board)) the administrative law judge’s decision pursuant to chapter 34.05 RCW, and the court determines that the party was injured by an arbitrary, capricious, or erroneous order of the department, the court may award reasonable attorneys’ fees. An order regarding the relinquishment of a water right shall be appealed under RCW 90.14.130.

Sec. 43. RCW 90.14.200 and 1989 c 175 s 180 are each amended to read as follows:
(1) All matters relating to the implementation and enforcement of this chapter by the department of ecology shall be carried out in accordance with chapter 34.05 RCW, the Administrative Procedure Act, except where the provisions of this chapter expressly conflict with chapter 34.05 RCW. Proceedings held ((pursuant to)) under RCW 90.14.130 are ((adjudicative proceedings within the meaning of chapter 34.05 RCW. Final decisions of the department of ecology in these proceedings)) appealable to a superior court as provided in that section. Other final decisions of the department of ecology under this chapter are subject to review by an administrative law judge or a superior court in accordance with ((chapter 43.21B RCW)) section 45 of this act.
(2) RCW 90.14.130 provides nonexclusive procedures for determining a relinquishment of water rights under RCW 90.14.160, 90.14.170, and 90.14.180. RCW 90.14.160, 90.14.170, and 90.14.180 may be applied in, among other proceedings, general adjudication proceedings initiated under RCW 90.03.110 or 90.44.220: PROVIDED, That nothing herein shall apply to litigation involving determinations of the department of ecology under RCW 90.03.290 relating to the impairment of existing rights.

Sec. 44. RCW 90.66.080 and 1979 c 3 s 8 are each amended to read as follows:
The department is hereby empowered to promulgate such rules as may be necessary to carry out the provisions of this chapter. Decisions of the department, other than rule making, shall be subject to review by an administrative law judge or a superior court in accordance with ((chapter 43.21B RCW)) section 45 of this act.

NEW SECTION. Sec. 45. A new section is added to chapter 43.21B RCW to read as follows:
A person who is aggrieved or adversely affected by a water quantity decision, as defined in RCW 43.21A.070, may appeal the decision either to an administrative law judge under RCW 34.05.425(3) or directly to a superior court. Any direct appeal to a superior court as authorized by this section shall be de novo and must be filed in the superior court in the county that will be directly and immediately affected by the decision.

Sec. 46. RCW 43.27A.190 and 1987 c 109 s 11 are each amended to read as follows:
Notwithstanding and in addition to any other powers granted to the department of ecology, whenever it appears to the department that a person is violating or is about to violate any of the provisions of the following:
(1) Chapter 90.03 RCW; or
(2) Chapter 90.44 RCW; or
(3) Chapter 86.16 RCW; or
(4) Chapter 43.37 RCW; or
(5) Chapter 43.27A RCW; or
(6) Any other law relating to water resources administered by the department; or
(7) A rule or regulation adopted, or a directive or order issued by the department relating to
subsections (1) through (6) of this section; the department may cause a written regulatory order to be
served upon said person either personally, or by registered or certified mail delivered to addressee only
with return receipt requested and acknowledged by him. The order shall specify the provision of the
statute, rule, regulation, directive or order alleged to be or about to be violated, and the facts upon
which the conclusion of violating or potential violation is based, and shall order the act constituting the
violation or the potential violation to cease and desist or, in appropriate cases, shall order necessary
corrective action to be taken with regard to such acts within a specific and reasonable time. The
regulation of a headgate or controlling works as provided in RCW 90.03.070, by a watermaster,
stream patrolman, or other person so authorized by the department shall constitute a regulatory order
within the meaning of this section. A regulatory order issued hereunder shall become effective
immediately upon receipt by the person to whom the order is directed, except for regulations under
RCW 90.03.070 which shall become effective when a written notice is attached as provided therein.
Any person aggrieved by such order may appeal the order pursuant to RCW 43.21B.310 unless the
order is a water quantity decision as defined in RCW 43.21A.070, in which case it may be appealed to
an administrative law judge or to a superior court as provided in section 45 of this act.

PART V
TRANSFERS AND SPREADING

Sec. 47.  RCW 90.03.380 and 1991 c 347 s 15 are each amended to read as follows:
(1) The right to the use of water which has been applied to a beneficial use in the state shall be
and remain appurtenant to the land or place upon which the same is used: PROVIDED, HOWEVER,
That (said) the right may be transferred to another or to others and become appurtenant to any other
land or place of use without loss of priority of right theretofore established if such change can be made
without detriment or injury to existing rights. The point of diversion of water for beneficial use or the
purpose of use may be changed, if such change can be made without detriment or injury to existing
rights. Before any transfer of such right to use water or change of the point of diversion of water or
change of purpose of use can be made, any person having an interest in the transfer or change, shall
file a written application therefor with the department, and (said) the application shall not be granted
until notice of (said) the application (shall be) is published as provided in RCW 90.03.280. If it
shall appear that such transfer or such change may be made without injury or detriment to existing
rights, the department shall issue to the applicant a certificate in duplicate granting the right for such
transfer or for such change of point of diversion or of use. The certificate so issued shall be filed and
be made a record with the department and the duplicate certificate issued to the applicant may be filed
with the county auditor in like manner and with the same effect as provided in the original certificate or
permit to divert water.

(2) If an application for change proposes to transfer water rights from one irrigation district to
another, the department shall, before publication of notice, receive concurrence from each of the
irrigation districts that such transfer or change will not adversely affect the ability to deliver water to
other landowners or impair the financial or operational integrity of either of the districts.

(3) A change in place of use by an individual water user or users of water provided by an
irrigation district need only receive approval for the change from the board of directors of the district if
the use of water continues within the irrigation district. The board of directors may approve such a
change if the board determines that the change: Will not adversely affect the district's ability to deliver
water to other landowners; will not require the construction by the district of diversion or drainage
facilities unless the board finds that the construction by the district is in the interest of the district; will
not impair the financial or operational integrity of the district; and is consistent with the contractual
obligations of the district.

(4) Subsections (1), (2), and (3) of this section do not apply to a change regarding a portion of
the water governed by a water right that is made surplus to the beneficial uses exercised under the right
through the implementation of practices or technologies, including but not limited to conveyance
practices or technologies, which are more efficient or more water use efficient than those under which
the right was perfected or through a change in the crops grown under the water right. The use within
an irrigation district of water supplied by the district and made surplus as provided in this subsection
shall be regulated solely as provided by the board of directors of the irrigation district except as
follows: Such a use requires the approval of the board of directors of the irrigation district or must
otherwise be authorized by the board; the board may approve or authorize such a use only if the use
does not impair the financial or operational integrity of the district; and water made surplus through a
change in the crops grown with district-supplied water is not available for use as a matter of right by
the individual water user making the change, but may be used by the board for the benefit of the
district generally. The district’s board of directors may approve or otherwise authorize under this
subsection uses of such surplus water that result in the total irrigated acreage within the district
exceeding the irrigated acreage recorded with the department for the district’s water right if the board
notifies the department of the change in the irrigated acreage within the district. Such a notification
provides a change in the district’s water right and, upon receiving the notification, the department shall
revise its records for the district’s right to reflect the change. The use of water other than irrigation
district-supplied water that is made surplus as provided in this subsection is governed by section 48 of
this act.

(5) This section shall not apply to trust water rights acquired by the state through the funding of
water conservation projects under chapter 90.38 RCW or RCW 90.42.010 through 90.42.070.
(6) The department may not initiate relinquishment proceedings under chapter 90.14 RCW
regarding a water right for which an application for a transfer or change is filed under this section for a
period of two years after the date the department receives the filing.

NEW SECTION. Sec. 48. A new section is added to chapter 90.03 RCW to read as follows:
If a portion of the water governed by a water right is made surplus to the beneficial uses
exercised under the right through the implementation of practices or technologies, including but not
limited to conveyance practices or technologies, which are more efficient or more water use efficient
than those under which the right was perfected or through a change in the crops grown under the water
right, the right to use the surplus water may be changed to use on other lands owned by the holder of
the water right that are contiguous to the lands upon which the use of the water was authorized by the
right before such a change. Such a change shall be made without loss of priority of the right. The
holder of the water right shall notify the department of such a change. The notification provides a
change in the holder’s water right and, upon receiving the notification, the department shall revise its
records for the water right to reflect the change.
This section does not apply to water supplied by an irrigation district.

Sec. 49. RCW 90.44.100 and 1987 c 109 s 113 are each amended to read as follows:
(1) After an application to, and upon the issuance by the department of an amendment to the
appropriate permit or certificate of ground water right, the holder of a valid right to withdraw public
ground waters may, without losing his priority of right, construct wells or other means of withdrawal at
a new location in substitution for or in addition to those at the original location, or he may change the
manner or the place of use of the water (PROVIDED, HOWEVER, That such). An
amendment shall be issued only after publication of notice of the application and findings as prescribed in the case
of an original application. Such amendment shall be issued by the department only on the conditions
that: (4) (a) The additional or substitute well or wells shall tap the same body of public ground
water as the original well or wells; (2) (b) use of the original well or wells shall be discontinued
upon construction of the substitute well or wells; (3) (c) the construction of an additional well or
wells shall not enlarge the right conveyed by the original permit or certificate; and (4) (d) other
existing rights shall not be impaired. The department may specify an approved manner of construction
and shall require a showing of compliance with the terms of the amendment, as provided in RCW
90.44.080 in the case of an original permit.

(2) This section does not apply to a change in use of a portion of the water governed by a
ground water right that is made surplus to the beneficial uses exercised under the right through the
implementation of practices or technologies, including but not limited to conveyance practices or
technologies, which are more efficient or more water use efficient than those under which the right was
perfected or through a change in the crops grown under the water right. RCW 90.03.380(4) and
section 48 of this act apply to water made surplus as provided in this subsection.
The department may not initiate relinquishment proceedings under chapter 90.14 RCW regarding a water right for which an application for a transfer or change is filed under this section for a period of two years after the date the department receives the filing.

Sec. 50. RCW 90.03.290 and 1994 c 264 s 84 are each amended to read as follows:

When an application complying with the provisions of this chapter and with the rules and regulations of the department has been filed, the same shall be placed on record with the department, and it shall be its duty to investigate the application, and determine what water, if any, is available for appropriation, and find and determine to what beneficial use or uses it can be applied. If it is proposed to appropriate water for irrigation purposes, the department shall investigate, determine and find what lands are capable of irrigation by means of water found available for appropriation. If it is proposed to appropriate water for the purpose of power development, the department shall investigate, determine and find whether the proposed development is likely to prove detrimental to the public interest, having in mind the highest feasible use of the waters belonging to the public. If the application does not contain, and the applicant does not promptly furnish sufficient information on which to base such findings, the department may issue a preliminary permit, for a period of not to exceed three years, requiring the applicant to make such surveys, investigations, studies, and progress reports, as in the opinion of the department may be necessary. If the applicant fails to comply with the conditions of the preliminary permit, it and the application or applications on which it is based shall be automatically canceled and the applicant so notified. If the holder of a preliminary permit shall, before its expiration, file with the department a verified report of expenditures made and work done under the preliminary permit, which, in the opinion of the department, establishes the good faith, intent and ability of the applicant to carry on the proposed development, the preliminary permit may, with the approval of the governor, be extended, but not to exceed a maximum period of five years from the date of the issuance of the preliminary permit. The department shall make and file as part of the record in the matter, written findings of fact concerning all things investigated, and if it shall find that there is water available for appropriation for a beneficial use, and the appropriation thereof as proposed in the application will not impair existing rights or be detrimental to the public welfare, it shall issue a permit stating the amount of water to which the applicant shall be entitled and the beneficial use or uses to which it may be applied: PROVIDED, That where the water applied for is to be used for irrigation purposes, it shall become appurtenant only to such land as may be reclaimed thereby to the full extent of the soil for agricultural purposes. But where there is no unappropriated water in the proposed source of supply, or where the proposed use conflicts with existing rights, or threatens to prove detrimental to the public interest, having due regard to the highest feasible development of the use of the waters belonging to the public, it shall be duty of the department to reject such application and to refuse to issue the permit asked for. If the permit is refused because of conflict with existing rights and such applicant shall acquire same by purchase or condemnation under RCW 90.03.040, the department may thereupon grant such permit. Any application may be approved for a less amount of water than that applied for, if there exists substantial reason therefor, and in any event shall not be approved for more water than can be applied to beneficial use for the purposes named in the application. In determining whether or not a permit shall issue upon any application, it shall be the duty of the department to investigate all facts relevant and material to the application. After the department approves said application in whole or in part and before any permit shall be issued thereon to the applicant, such applicant shall pay the fee provided in RCW 90.03.470: PROVIDED FURTHER, That in the event a permit is issued by the department upon any application, it shall be its duty to notify the director of fish and wildlife of such issuance.

This section does not apply to changes made under section 48 of this act or to applications for transfers or changes made under RCW 90.03.380 or 90.44.100.

Sec. 51. RCW 90.44.445 and 1993 c 99 s 1 are each amended to read as follows:

In any acreage expansion program adopted by the department as an element of a ground water management program, the authorization for a water right certificate holder to participate in the program shall be on an annual basis for the first two years. After the two-year period, the department may authorize participation for ten-year periods. The department may authorize participation for ten-year periods for certificate holders who have already participated in an acreage expansion program for two years. The department may require annual certification that the certificate holder has complied with all requirements of the program. The department may terminate the authority of a certificate holder to
participate in the program for one calendar year if the certificate holder fails to comply with the
requirements of the program.

This section applies only in an area with a ground water area or subarea management program
in effect on the effective date of this section. The provisions of section 48 of this act, RCW 90.03.380,
and 90.44.100 apply to transfers, changes, and amendments to permits or rights for the beneficial use
of ground water in any other area.

NEW SECTION. Sec. 52. A new section is added to chapter 34.05 RCW to read as follows:
(1) Once the eastern or western Washington water resources commission receives a water
resource plan submitted by a WRIA planning unit for advice and recommendations under section 12 of
this act, the commission shall conduct at least one public hearing on the plan and shall provide notice of
the hearing and proposed plan as provided in RCW 34.05.320 for the proposal of a rule. The
commission shall maintain a file for the plan. Once the plan has been adopted by the counties in the
WRIA under section 12 of this act and the plan has been submitted to the commission, the commission
shall file the plan with the code reviser along with an order adopting the plan as rules. The code
reviser shall cause the order and the water resource plan to be published in the Washington state
register in the manner provided for the adoption of final rules and shall incorporate the plan into the
Washington Administrative Code. No other aspect of this chapter that establishes procedures for the
adoption of rules applies to the adoption of the plan by the commission.
(2) For the purposes of this section, "WRIA" has the meaning established in section 2 of this
act.

NEW SECTION. Sec. 53. A new section is added to chapter 43.21A RCW to read as
follows:
A rule, order, or directive of the department adopted or issued under chapter 86.16 or 43.37
RCW shall be adopted or issued in accordance with the administrative procedure act, chapter 34.05
RCW, and may be appealed as provided by chapter 43.21B RCW.

PART VI
HYDRAULIC CONTINUITY AND INSTREAM FLOW

NEW SECTION. Sec. 54. A new section is added to chapter 90.44 RCW to read as follows:
(1) Section 55 of this act establishes criteria to guide the department in making determinations
whether the water in wells is in hydraulic continuity with surface water. Section 55 of this act applies
to all wells, and to all existing and proposed appropriations of ground water except exempt uses. The
authority under section 55 of this act may be locally superseded by a WRIA plan adopted under section
12 of this act.
(2) For the purposes of this section and section 55 of this act:
(a) "Confined aquifer" means an aquifer in which ground water is under sufficient hydrostatic
head to rise above the bottom of the overlying confining bed, whether or not the water rises above land
surface.
(b) "Confining bed" means a layer of low permeability material immediately overlying a
confined aquifer.
(c) "Department" means the department of ecology or its successor.
(d) "Director" means the director of ecology.
(e) "Hydraulic continuity" means that water can move between a surface water source and an
adjacent aquifer.
(f) "Unconfined aquifer" means an aquifer in which the hydrostatic head at the upper surface of
the ground water is atmospheric.

NEW SECTION. Sec. 55. A new section is added to chapter 90.44 RCW to read as follows:
For the purposes of permitting and distributing ground water, the hydraulic continuity of
ground water with surface water shall be determined by the department.
(1) The department shall determine whether wells produce water from an unconfined or
confined aquifer. Except for wells that satisfy the conditions in subsection (2) of this section, the
department shall further determine whether the aquifer is hydraulically continuous to the surface water
source. The basis of the determination shall be information provided on the water well report for any
well in question. If there is no water well report available or if the information provided is inadequate, the department shall make the determination on the basis of the best available information. Such information may include other water well reports, topographic maps, hydrogeologic maps or reports, water level and other pertinent data collected during a field inspection, or any other available data or information that is appropriate, including any that is provided by potentially affected parties.

(2) All wells located a horizontal distance less than one-fourth mile from a surface water source that produce water from an unconfined aquifer shall be assumed to be hydraulically continuous to the surface water source, unless the applicant or appropriator provides satisfactory information or demonstration to the contrary. Department staff may provide reasonable assistance to the applicant or appropriator in acquiring the satisfactory information.

(3) The department shall determine the horizontal distance between any well in question and the nearest surface water source on the basis of the edge of the surface water source as also determined by the department.

(4) All wells that produce water from an aquifer that is determined to be hydraulically continuous to a surface water source shall be assumed to have the potential to cause substantial interference with the surface water source if the existing or proposed ground water appropriation is within one of the following categories:

(a) The point of appropriation is a horizontal distance less than one-fourth mile from the surface water source;
(b) The rate of appropriation is greater than five cubic feet per second, if the point of appropriation is a horizontal distance less than one mile from the surface water source;
(c) The rate of appropriation is greater than one percent of the pertinent adopted minimum perennial streamflow or instream water right with a senior priority date, if one is applicable, or of the discharge that is equalled or exceeded eighty percent of the time, as determined or estimated by the department, and if the point of appropriation is a horizontal distance less than one mile from the surface water source; or
(d) The ground water appropriation, if continued for a period of thirty days, would result in stream depletion greater than twenty-five percent of the rate of appropriation, if the point of appropriation is a horizontal distance less than one mile from the surface water source. Using the best available information, stream depletion shall be determined or estimated by the department, employing at least one of the following methods:

(i) Suitable equations and graphical techniques that are described in pertinent publications (such as "Computation of Rate and Volume of Stream Depletion by Wells", by C.T. Jenkins, in: "Techniques of Water-Resources Investigations of the United States Geological Survey: Book 4, Chapter D1");
(ii) A computer program or ground water model that is based on such or similar equations or techniques.

(5) Any wells, other than those covered in subsection (4) of this section, that produce water from an aquifer that is determined to be hydraulically continuous to the surface water source may be determined by the department to have the potential to cause substantial interference with the surface water source. In making this determination, the department shall consider at least the following factors:

(a) The potential for a reduction in streamflow or surface water supply; or
(b) The potential to impair or detrimentally affect the public interest as expressed by an applicable closure on surface water appropriation, minimum perennial streamflow, or instream water right with a senior priority date; or
(c) The percentage of the ground water appropriation that was, or would have become, surface water; or
(d) Whether the potential interference would be immediate or delayed; or
(e) The potential for a cumulative adverse impact on streamflow or surface water supply.

(6) All wells that produce water from an aquifer that is not hydraulically continuous to a surface water source shall be assumed not to interfere with the surface water source.

Sec. 56. RCW 90.22.010 and 1994 c 264 s 86 are each amended to read as follows:

(5) A WRIA plan adopted under section 12 of this act may establish minimum water flows or levels for streams, lakes or other public waters for the purposes of protecting fish, game, birds or other wildlife resources, or recreational or aesthetic values of said public waters.
whenever it appears to be in the public interest to establish the same. ((In addition, the department of ecology shall, when requested by the department of fish and wildlife to protect fish, game or other wildlife resources under the jurisdiction of the requesting state agency, or if the department of ecology finds it necessary to preserve water quality, establish such minimum flows or levels as are required to protect the resource or preserve the water quality described in the request or determination. Any request submitted by the department of fish and wildlife shall include a statement setting forth the need for establishing a minimum flow or level. When the department acts to preserve water quality, it shall include a similar statement with the proposed rule filed with the code reviser.)) This section shall not apply to waters artificially stored in reservoirs, provided that in the granting of storage permits by the department of ecology or its successor agency in the future, full recognition shall be given to downstream minimum flows, if any there may be, which have theretofore been established hereunder.

The current guidelines, standards, or criteria governing the instream flow programs established pursuant to this chapter shall not be altered or amended after March 15, 1988, in accordance with RCW 90.54.022(5).

Sec. 57. RCW 90.03.247 and 1994 c 264 s 82 are each amended to read as follows:
Whenever an application for a permit to make beneficial use of public waters is approved relating to a stream or other water body for which minimum flows or levels have been adopted and are in effect at the time of approval, the permit shall be conditioned to protect the levels or flows. No agency may establish minimum flows and levels or similar water flow or level restrictions for any stream or lake of the state ((other than the department of ecology whose authority to establish is exclusive,)) except as provided in ((chapter 90.03 RCW and RCW 90.22.010 and 90.54.040)) section 12 of this act. The provisions of other statutes, including but not limited to RCW 75.20.100 and chapter 43.21C RCW, may not be interpreted in a manner that is inconsistent with this section. ((In establishing such minimum flows, levels, or similar restrictions, the department shall, during all stages of development by the department of ecology of minimum flow proposals, consult with, and carefully consider the recommendations of, the department of fish and wildlife, the state energy office, the department of agriculture, and representatives of the affected Indian tribes.)) Nothing herein shall preclude the commission, state engineer, department of ecology, department of fish and wildlife, the energy office, or the department of agriculture from presenting its views on minimum flow needs at any public hearing or to any person or agency, and the department of fish and wildlife, the energy office, and the department of agriculture are each empowered to participate in proceedings of the federal energy regulatory commission and other agencies to present its views on minimum flow needs.

NEW SECTION. Sec. 58. The following acts or parts of acts are each repealed:
(1) RCW 90.22.020 and 1994 c 264 s 87, 1987 c 506 s 97, 1985 c 196 s 1, 1984 c 7 s 384, & 1969 ex.s. c 284 s 4; and
(2) RCW 90.22.060 and 1993 sp.s. c 4 s 13.

PART VII
MISCELLANEOUS

NEW SECTION. Sec. 59. Part headings as used in this act do not constitute any part of the law.

NEW SECTION. Sec. 60. Sections 1 through 15, 23, and 24 of this act shall constitute a new chapter in Title 43 RCW.

NEW SECTION. Sec. 61. RCW 90.14.043 is decodified.

NEW SECTION. Sec. 62. RCW 43.21A.067 as amended by this act shall be recodified as a section in the new chapter created in section 60 of this act.

NEW SECTION. Sec. 63. The following acts or parts of acts are each repealed:
(1) RCW 43.21A.064 and 1977 c 75 s 46 & 1965 c 8 s 43.21.130; and
(2) RCW 90.54.030 and 1990 c 295 s 2, 1988 c 47 s 4, & 1971 ex.s. c 225 s 3.
NEW SECTION. Sec. 64. Sections 16, 17, 19 through 21, 53, and 61 through 63 of this act shall take effect July 1, 1996.

NEW SECTION. Sec. 65. Section 46 of this act shall expire July 1, 1996.

NEW SECTION. Sec. 66. Sections 22 and 54 through 58 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

Correct the title accordingly.

Representative Chandler moved adoption of the following amendment to the striking amendment by Representative Chandler:

On page 6, line 32 of the amendment, after "level." insert "Such local planning is not required, but may be conducted as provided in this chapter."

On page 7, line 1, after "may" insert "choose to initiate water resource planning for the WRIA under this chapter and may"

On page 7, line 3, after "unit." strike "The" and insert "If it convenes the counties in this manner, the"

Representative Chandler spoke in favor of the adoption of the amendment to the striking amendment.

The amendment to the striking amendment was adopted.

Representative Sheldon moved adoption of the following amendment to the striking amendment by Representative Sheldon:

On page 54, after line 13 of the amendment, insert the following:

"PART VII
GENERAL PERMITS

NEW SECTION. Sec. 57. The legislature finds that the present delay in the processing of water right applications is not beneficial to the citizens of the state nor is it in keeping with the goal of managing the resource to the highest possible standard and maximum net benefit.

The legislature further finds that water conservation efforts would be greatly enhanced by a permit system that encourages water right applicants to use only for the amount of water actually necessary to meet their needs.

NEW SECTION. Sec. 58. A new section is added to chapter 90.03 RCW to read as follows:

(1) The department shall develop a general permit system for appropriating water for nonconsumptive, nonbypass uses. This system must be designed and used to accurately identify and register any water right application that qualifies for the streamlined process of appropriation of water by meeting the requirements in this section and registering the use. The general permit system must be applicable state-wide, and all waters of the state shall be eligible for coverage under the system. The evaluation and report required for an application under RCW 90.03.290 are not required for applications processed under the general permit system. For the purposes of this section:

(a) "Nonconsumptive, nonbypass use" means a use of water in which water is diverted from a stream or drawn from an aquifer and following its use is discharged back into or near the point of diversion or withdrawal without diminishment in quality and less than five thousand gallons of net consumption per day excluding evaporation, seepage, or recycling; and

(b) "Without diminishment of quality" means that, before being discharged back to its source, the water being discharged meets state water quality standards adopted under chapter 90.48 RCW.

(2) The department shall, by January 1, 1996, establish the general permit system by adopting rules in accordance with chapter 34.05 RCW. Before the adoption of rules for a system, the
department shall consult with representatives of the following interest groups: Agriculture; aquaculture; home construction and development; county government; city government; surface mining; and the environmental community. At least four public hearings must be held at various locations around the state. The rules must identify criteria for proposed uses of water for which applications might be processed under the system and must establish procedures for filing and processing applications and issuing water rights certificates under the general permit system.

(3) The fee for general permits authorized under chapter . . . Laws of 1995 (this act) shall be two hundred fifty dollars.

NEW SECTION. Sec. 59. A new section is added to chapter 90.03 RCW to read as follows:

An application for registration as a nonconsumptive, nonbypass water user under the general permit system established under section 58 of this act must be made on a form adopted and provided by the department. Within sixty days of receipt of a completed application, the department shall determine whether the proposed use is eligible to be processed under the general permit system. If the department determines that the proposed use is eligible to be processed under the system, the application must be processed under the system within the next sixty days. The priority date of the water right established pursuant to this section shall be the date that the application is submitted. If the department determines that the proposed use is not eligible for the processing, the department shall explain to the applicant in writing the reasons for its determination. For a proposed use determined ineligible for the processing, if the department finds that the information contained on the application form substantially satisfies the information requirements for an application for a use that would normally be filed for processing the application outside of the general permit system, the department shall notify the applicant of its finding and shall process the application as if it were filed for processing outside of the system. If the department finds that the information does not substantially satisfy the requirements, the application must be considered to be incomplete for the processing and the applicant must be notified of this consideration.

NEW SECTION. Sec. 60. Nothing in sections 58 and 59 of this act authorizes the impairment or operates to impair any existing water rights. A water right holder under sections 58 and 59 of this act shall not make withdrawals that impair a senior water right. A holder of a senior water right who believes his or her water right is impaired may file a complaint with the department of ecology. Where such complaints of impairment have been received, the department of ecology shall make all reasonable efforts to resolve them in a timely manner through agreement of the parties or through available administrative remedies."

Renumber the remaining sections and parts consecutively, correct any internal references accordingly, and correct the title.

Representatives Sheldon and Chandler spoke in favor of the adoption of the amendment to the striking amendment.

The amendment was adopted.

The striking amendment as amended was adopted.

The bill was ordered engrossed.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representatives Chandler and Mastin spoke in favor of passage of the bill.

Representative Rust spoke against passage of the bill.

The Speaker stated the question before the House to be final passage of Engrossed Substitute House Bill No. 1791.
ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1791, and the bill passed the House by the following vote: Yeas - 77, Nays - 19, Absent - 0, Excused - 2.

Excused: Representatives Blanton and Ogden - 2.

Engrossed Substitute House Bill No. 1791, having received the constitutional majority, was declared passed.

HOUSE BILL NO. 1523, by Representatives Boldt, Mulliken, Fuhrman, Goldsmith, Benton, Pennington, Stevens, Johnson, Sherstad, McMahan, Hargrove, Padden, Sheahan, Campbell, Chandler, D. Schmidt, Koster, Beeksma, Backlund and Smith

Requiring parental notice of abortion.

The bill was read the second time. On motion of Representative Padden, Substitute House Bill No. 1523 was substituted for House Bill No. 1523 and the substitute bill was placed on second reading.

POINT OF ORDER

Representative Appelwick: Thank you Mr. Speaker. I would ask for a ruling on the scope and object on the substitute to House Bill No. 1523.

There being no objection, the House deferred further consideration of House Bill No. 1523 and the bill held it’s place on the second reading calendar.

There being no objection, the House advanced to the eleventh order of business.

MOTION

On motion of Representative Foreman, the House adjourned until 8:30 a.m., Tuesday, March 14, 1995.

TIMOTHY A. MARTIN, Chief Clerk

CLYDE BALLARD, Speaker
The House was called to order at 8:30 by the Speaker (Representative Horn presiding). The Clerk called the roll and a quorum was present.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Joy Sehring, Anna Thompson, Megan Watson and Devin McGee, Girl Scouts of the United States of America. Prayer was offered by Representative Carlson.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

There being no objection, the House immediately considered House Resolution No. 4636.

RESOLUTION

HOUSE RESOLUTION NO. 95-4636, by Representatives Romero, Chappell, Cooke, Quall, Ballasiotes, K. Schmidt, Mason, Chopp, Dellwo, Conway, Cody, Kremen, Robertson, Rust and Hatfield

WHEREAS, Tuesday, March 14, 1995, marks the first national GIRL SCOUTS' BE YOUR BEST DAY initiated by Girl Scouts of the United States of America, the world's largest voluntary organization for girls; and

WHEREAS, BE YOUR BEST DAY falls during Girl Scout Week, which commemorates the founding of the Girl Scout organization 83 years ago; and

WHEREAS, Girl Scouting has inspired generations of girls to improve the world around them in their homes, communities, and their society; and

WHEREAS, The values-based structure of Girl Scouting gives girls a solid foundation on which to build the rest of their lives; and

WHEREAS, Girl Scout programs act as a prevention tool by offering girls a safe environment in which to learn and have fun; and

WHEREAS, Girl Scouting's positive adult role models help girls see that women leaders are the norm and not the exception; and

WHEREAS, The all-girl setting of Girl Scouts helps a girl know that she can be all that she wants to be;

NOW, THEREFORE, BE IT RESOLVED, By the Washington State House of Representatives, that the members issue this call to action by urging every man, woman, and child in the state of Washington to join with the rest of the nation on GIRL SCOUTS' BE YOUR BEST DAY by pledging to be their individual best; and

BE IT FURTHER RESOLVED, That today each member of the House of Representatives pledges to do their best for the citizens of the state of Washington; and
BE IT FURTHER RESOLVED, That the members of the House of Representatives support the on-going work of Girl Scouts of the United States of America and the councils that serve the communities of the state of Washington; and

BE IT FURTHER RESOLVED, That the members of the House of Representatives do all they can in their home districts to promote the programs and ideals of Girl Scouting; and

BE IT FURTHER RESOLVED, That copies of this resolution be immediately transmitted by the Chief Clerk of the House of Representatives to the five Girl Scout councils in the state of Washington.

Representative Romero moved adoption of the resolution.

Representatives Romero, Rust and Mason spoke in favor of adoption of the resolution.

House Resolution No. 4636 was adopted.

The Speaker (Representative Horn presiding) declared the House to be at ease.

The Speaker called the House to order.

HOUSE BILL NO. 1083, by Representatives Carlson, Sommers, Sehlin, Cooke, Dellwo, Regala, Campbell, Conway, Kessler, Valle, Romero, Wolfe, Costa, Cody, Veloria, Mastin, Sheldon, Thibaudau, Kremen, Dickerson, Poulsen, Mason, Scott, Quall, Basich, Morris, Chopp, Patterson, Appelwick and Tokuda

Modifying the cost of living allowance for retirement purposes.

The bill was read the second time. There being no objection, Substitute House Bill No. 1083 was substituted for House Bill No. 1083 and the substitute bill was placed on the second reading calendar.

Substitute House Bill No. 1083 was read the second time.

Representative Morris moved adoption of the following amendment by Representative Morris:

On page 13, line 25, strike "fifty-nine" and insert "sixty-two"

On page 23, line 5, strike "fifty-nine" and insert "sixty-two"

On page 23, after line 7, insert the following:

"Sec. 11. RCW 41.04.275 and 1994 c 298 s 6 are each amended to read as follows:
The pension funding account is created in the state treasury. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the (continuing) costs of any state retirement system benefits ((in effect on July 1, 1993, consistent with section 919, chapter 24, Laws of 1993 s. sess))."

On page 1, line 2 of the title, after "purposes;" insert "amending RCW 41.04.275;"

Representatives Morris, G. Fisher and Ebersole spoke in favor of the adoption of the amendment.

Representatives Carlson and Cooke spoke against the adoption of the amendment.

Representative Patterson demanded an electronic roll call vote and the demand was sustained.

ROLL CALL
The Clerk called the roll on the adoption of the amendment on page 13, line 25, to Substitute House Bill No. 1083, and the amendment was not adopted by the following vote: Yeas - 39, Nays - 59, Absent - 0, Excused - 0.

With the consent of the House, amendment number 234 to Substitute House Bill No. 1083 was adopted.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representatives Carlson, Sommers and Basich spoke in favor of passage of the bill.

The Speaker stated the question before the House to be final passage of Substitute House Bill No. 1083.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 1083, and the bill passed the House by the following vote: Yeas - 97, Nays - 1, Absent - 0, Excused - 0.

Substitute House Bill No. 1083, having received the constitutional majority, was declared passed.

HOUSE BILL NO. 1131, by Representatives Silver and G. Fisher; by request of Office of the Forecast Council

Changing provisions relating to economic assumptions for actuarial studies and retirement contribution rates.

The bill was read the second time.

Representative Silver moved adoption of the following amendment by Representative Silver:

On page 1, after line 19, insert the following:
"The council shall work with the department of retirement systems, the state actuary, and the executive director of the state investment board, and shall consider long-term historical averages, in developing the economic assumptions."

Representative Silver spoke in favor of the adoption of the amendment.

The amendment was adopted.

The bill was ordered engrossed.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representative Silver spoke in favor of passage of the bill.

The Speaker stated the question before the House to be final passage of Engrossed House Bill No. 1131.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 1131, and the bill passed the House by the following vote: Yea - 98, Nays - 0, Absent - 0, Excused - 0.

Engrossed House Bill No. 1131, having received the constitutional majority, was declared passed.

There being no objection, the House considered the following bills in the following order: House Bill No. 1486, Substitute House Bill No. 1645, House Bill No. 1724 and House Bill No. 2072.

There being no objection, the House resumed consideration of House Bill No. 1486.

SPEAKER'S RULING

Representative Appelwick, the Speaker is prepared to Rule on your Point of Order which challenges Substitute House Bill No. 1486 as being beyond the Scope and Object of House Bill No. 1486.

The title of both House Bill No. 1486 and Substitute House Bill No. 1486 is "AN ACT Relating to adult entertainment businesses. Both House Bill No. 1486 and Substitute House Bill No. 1486 amend the same sections of law and both add a new chapter to title 18 RCW. The Speaker finds that both House Bill No. 1486 and Substitute House Bill No. 1486 fit within the scope of the title to House Bill No. 1486.

House Bill No. 1486 has as it purpose the regulation of certain adult entertainment businesses. Section 2 of the bill defined the businesses to be regulate as those which regularly feature live performances of nude or seminude persons.

Substitute House Bill No. 1486 may very well be intended to combat many of the same problems as are caused by businesses which regularly feature live performances of nude or seminude
persons, but Substitute House Bill No. 1486 seeks to regulate "sexually oriented businesses" which include adult book stores and adult motion picture theaters, and other businesses which the Speaker believes are not known to regularly feature live performances of nude or seminude persons.

The Speaker finds that the object of Substitute House Bill No. 1486 is broader than the object of House Bill No. 1486. Substitute House Bill No. 1486 is beyond the scope and object of House Bill No. 1486.

Representative Appelwick, Your Point of Order is well taken.

MOTION

Representative Padden moved that the House defer further consideration of House Bill No. 1486 and the bill held its place on the second reading calendar.

There being no objection, the House resumed consideration of Substitute House Bill No. 1645.

SPEAKER'S RULING

Representative K. Schmidt, the Speaker is prepared to Rule on your Point of Order which challenges Amendment 315 to Substitute House Bill No. 1645 as being beyond the Scope and Object of the bill.

The title of Substitute House Bill No. 1645 is "AN ACT Relating to transportation planning". The title is broad. The bill amends several sections of chapter 36.70A RCW and adds a new section to chapter 47.06 RCW. Amendment 315 to Substitute House Bill No. 1645 would add "airports that have scheduled air services" to the list of transportation facilities and services declared to be of state wide significance. The Speaker finds that this amendment is within the scope of the broad title of Substitute House Bill No. 1645.

The object of Substitute House Bill No. 1645 is to require that cities and counties when planning under the growth management act to include state owned transportation facilities in the transportation element of their comprehensive plans. In addition the bill provides that certain transportation facilities and services are of state wide significance. Many of the facilities declared to be of state wide significance are not owned or operated by the state. Amendment 315 is related to the object of Substitute House Bill No. 1645. The Speaker finds that Amendment 315 is not beyond the scope and object of the bill.

Representative K. Schmidt, Your Point of Order is not well taken.

Representative Valle you may continue.

Representative Silver moved adoption of the following amendment by Representative Valle:

On page 14, line 36, after "terminals," insert "airports that have scheduled air services,"

Representatives Silver and Mitchell spoke in favor of the adoption of the amendment.

Representative K. Schmidt spoke against the adoption of the amendment.

The amendment was not adopted.

With the consent of the House, amendment number 316 to Substitute House Bill No. 1645 was withdrawn.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.
Representatives K. Schmidt and R. Fisher spoke in favor of passage of the bill.

The Speaker stated the question before the House to be final passage of Substitute House Bill No. 1645.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 1645, and the bill passed the House by the following vote: Yea - 93, Nay - 5, Absent - 0, Excused - 0.

Voting nay: Representatives Fisher, G., Hargrove, Patterson, Poulsen and Valle - 5.

Substitute House Bill No. 1645, having received the constitutional majority, was declared passed.

HOUSE BILL NO. 1724, by Representatives Reams, Rust, L. Thomas, Goldsmith, Ogden, Patterson, Poulsen, Scott, Regala, Mastin, Valle and Chopp; by request of Governor Lowry

Revising provisions relating to growth management.

The bill was read the second time.

POINT OF ORDER

Representative Appelwick: Thank you Mr. Speaker. I would request a ruling on the scope and object of the substitute to House Bill No. 1724.

SPEAKER’S RULING

Representative Appelwick, the Speaker is prepared to Rule on your Point of Order which challenges Substitute House Bill No. 1724 as being beyond the Scope and Object of House Bill No. 1724.

The title of both House Bill No. 1724 and Substitute House Bill No. 1724 is "AN ACT Relating to implementing the recommendations of the governor’s task force on regulatory reform on integrating growth management planning and environmental review. This very specific title was followed by amendments to over 100 sections of the law spread throughout the revised code of Washington. The title of the bill requires that both the bill and the substitute address the issues that are in the recommendations of the governor’s task force. The Speaker finds that both House Bill No. 1724 and Substitute House Bill No. 1724 are within the scope of the title of House Bill No. 1724.

The object of House Bill No. 1724 was to implement the recommendations of the governor’s task force on regulatory reform and growth management.

The Speaker finds that while Substitute House Bill No. 1724 proposes some different answers to the issues raised by House Bill No. 1724 it has the same object as House Bill No. 1724; and that is addressing those issues.

If the Speaker were to rule that amendments to task force recommendations could not alter the proposed recommendations, task force reports would hold a status far above the rights that members have individually.
The Speaker finds that the object of Substitute House Bill No. 1724 is not beyond the object of House Bill No. 1724.

Representative Appelwick, Your Point of Order is not well taken.

There being no objection, Substitute House Bill No. 1724 was substituted for House Bill No. 1724 and the substitute bill was placed on second reading.

Substitute House Bill No. 1724 was read the second time.

There being no objection, the committee amendment was adopted. Committee on Appropriations recommendation: Majority, do pass as amended. (For committee amendment, see Journal, 57th Day, March 6, 1995).

With the consent of the House, amendment number 309 to Substitute House Bill No. 1724 was withdrawn.

Representative Reams moved adoption of the following amendment by Representative Reams:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes by this act that the growth management act is a fundamental building block of regulatory reform. The state and local governments have invested considerable resources in an act that should serve as the integrating framework for all other land-use related laws. The growth management act provides the means to effectively combine certainty for development decisions, reasonable environmental protection, long-range planning for cost-effective infrastructure, and orderly growth and development.

PART I - PLANNING AND ENVIRONMENTAL REVIEW

NEW SECTION. Sec. 101. In reviewing a development permit application and making permit decisions, a county or city planning under RCW 36.70A.040 shall rely on its development regulations and comprehensive plan to determine permitted land uses, including conditional and special uses, allowable densities, system improvements related to the proposal if the comprehensive plan and development regulations provide for funding of these improvements, and other matters. During the project review the county or city shall not reexamine alternatives to or hear appeals on these matters, except for code interpretation.

A proposed project’s consistency with development regulations shall be determined by the county or city considering the type of land use, the level of development, infrastructure, including public facilities and public services needed to serve the development, and the character of development, such as design and development standards. Determination of a project’s consistency does not require documentation or use of any specific procedure.

Specific project design and conditions relating to the character of development, the payment of impact fees, or other measures to mitigate a proposal’s probable adverse environmental impacts, if applicable, shall be identified during the project review.

If the conditions of section 103 of this act are met, the requirements for environmental analysis and mitigation measures in development regulations are presumed to provide adequate mitigation for the specific adverse environmental impacts to which the requirements apply. Permitting agencies shall continue to have the authority to approve, condition, or deny projects as provided in their development regulations and in their policies adopted under RCW 43.21C.060.

NEW SECTION. Sec. 102. A new section is added to chapter 36.70A RCW to read as follows:

Project review by a county or city planning under RCW 36.70A.040 shall be used to make individual project decisions, not land use planning decisions. If, during project review, a county or city identifies deficiencies in plans or regulations, the project review shall continue and shall not be used as a comprehensive planning process, but any deficiencies in the comprehensive plan or
For purposes of this section, a deficiency in a comprehensive plan or development regulation refers to the absence of required or potentially desirable contents of a comprehensive plan or development regulation. It does not refer to whether a development regulation addresses a project’s probable site-specific adverse environmental impacts that the permitting agency could mitigate in the normal project review process.

NEW SECTION. Sec. 103. A new section is added to chapter 43.21C RCW to read as follows:

(1) The legislature finds that a wide range of environmental subjects and impacts have been addressed by counties, cities, and towns in comprehensive plans and development regulations adopted under chapter 36.70A RCW, and by the state and federal government in environmental rules and laws. These plans, regulations, rules, and laws often provide environmental analysis and mitigation measures for project actions without the need for an environmental impact statement or further project mitigation. When existing plans, regulations, rules, or laws provide environmental analysis and mitigation measures for the specific adverse environmental impacts of proposed projects, these requirements should be integrated with, and should not be duplicated by, environmental review under this chapter. The legislature reaffirms that a primary role of environmental review under this chapter is to focus on the gaps and overlaps that may exist, taking into account the other laws and requirements. Review of project actions in counties, cities, and towns planning under RCW 36.70A.040 should integrate environmental review with project review and not use this chapter to substitute for other land use planning and environmental requirements.

A county or city planning under RCW 36.70A.040 shall attempt to prepare an enhanced detailed statement, or enhanced environmental analysis, of its proposed comprehensive plan, subarea plans, and development regulations that is of sufficient detail in addressing impacts and alternatives to allow the detailed statement to be used in whole or in part by applicants for development permits within the geographic area covered by the statement.

(2) In reviewing a project action, a county, city, or town planning under RCW 36.70A.040 shall presume that requirements for environmental analysis, protection, and mitigation measures in development regulations, comprehensive plans, and other applicable local, state, or federal laws and rules provide adequate analysis of and mitigation for the specific adverse environmental impacts to which the requirements apply, and shall not conduct environmental analysis or impose mitigation under this chapter if the following has occurred:

(a)(i) The local government has considered the probable adverse environmental impacts of the proposed action and has determined that these impacts are adequately addressed by the development regulations or other applicable requirements of the comprehensive plan, subarea plan element of the comprehensive plan, or other local, state, or federal rules or laws; and

(ii) The local government has based or conditioned its approval on compliance with these requirements or mitigation measures.

(b) If the requirements of (a) of this subsection are not satisfied for some or all of the probable adverse environmental impacts of the project action, environmental review under this chapter shall be limited to those impacts and their effect on and relationship with other impacts, if any, consistent with the intent of this section, and shall be subject to the provisions of RCW 43.21C.060.

(3) For a county, city, or town planning under RCW 36.70A.040, project review shall not require additional environmental analysis or mitigation if the comprehensive plans, subarea plans, or development regulations already address a project’s probable site-specific adverse environmental impacts, as determined under subsection (2) of this section. If a comprehensive plan, subarea plan, or development regulation adopted pursuant to chapter 36.70A RCW does not address a project’s probable site-specific adverse environmental impacts, project review shall be integrated with environmental analysis under this chapter.

(4) The addressing of impacts in a comprehensive plan, subarea plan, or development regulation shall include but not be limited to the adoption or designation of levels of service, land use designations, or development standards.

(5) In deciding whether a specific adverse environmental impact has been addressed by an existing rule or law of another agency with jurisdiction with environmental expertise with regard to a
specific environmental impact, the local government shall consult with that agency and may expressly defer to that agency. In making this deferral, the local government shall base or condition its project approval on compliance with these other existing rules or laws.

Sec. 104. RCW 43.21C.075 and 1994 c 253 s 4 are each amended to read as follows:
(1) Because a major purpose of this chapter is to combine environmental considerations with public decisions, any appeal brought under this chapter shall be linked to a specific governmental action. The State Environmental Policy Act provides a basis for challenging whether governmental action is in compliance with the substantive and procedural provisions of this chapter. The State Environmental Policy Act is not intended to create a cause of action unrelated to a specific governmental action.
(2) Unless otherwise provided by this section:
(a) Appeals under this chapter shall be of the governmental action together with its accompanying environmental determinations.
(b) Appeals of environmental determinations made (or lacking) under this chapter shall be commenced within the time required to appeal the governmental action which is subject to environmental review.
(3) If an agency has a procedure for appeals of agency environmental determinations made under this chapter, such procedure:
(a) Shall not allow more than one agency appeal proceeding on a procedural determination (the adequacy of a determination of significance/nonsignificance or of a final environmental impact statement) consistent with any state statutory requirements for appeals to local legislative bodies. The appeal proceeding on a determination of significance (nonsignificance) may occur before the agency’s final decision on a proposed action. Such an appeal shall also be allowed for a determination of significance/nonsignificance which may be issued by the agency after supplemental review;
(b) Shall consolidate an appeal of procedural issues and of substantive determinations made under this chapter (such as a decision to require particular mitigation measures or to deny a proposal) with a hearing or appeal on the underlying governmental action by providing for a single simultaneous ((appeal of an)) hearing before one hearing officer or body to consider the agency decision on a proposal and any environmental determinations made under this chapter, with the exception of the ((threshold determination)) appeal, if any, of a determination of significance as provided in (a) of this subsection or an appeal to the local legislative authority under RCW 43.21C.060 or other applicable state statutes;
(c) Shall provide for the preparation of a record for use in any subsequent appeal proceedings, and shall provide for any subsequent appeal proceedings to be conducted on the record, consistent with other applicable law. An adequate record consists of findings and conclusions, testimony under oath, and taped or written transcript. An electronically recorded transcript will suffice for purposes of review under this subsection; and
(d) Shall provide that procedural determinations made by the responsible official shall be entitled to substantial weight.
(4) If a person aggrieved by an agency action has the right to judicial appeal and if an agency has an appeal procedure, such person shall, prior to seeking any judicial review, use such agency procedure if any such procedure is available, unless expressly provided otherwise by state statute.
(5) ((RCW 43.21C.080 establishes an optional "notice of action" procedure which, if used, imposes a time period for appealing decisions under this chapter.:)) Some statutes and ordinances contain time periods for challenging governmental actions which are subject to review under this chapter, such as various local land use approvals (the "underlying governmental action"). RCW 43.21C.080 establishes an optional "notice of action" procedure which, if used, imposes a time period for appealing decisions under this chapter. This ((section)) subsection does not modify any such time periods. This section governs when a judicial appeal must be brought under this chapter where a "notice of action" is used, and/or where there is another time period which is required by statute or ordinance for challenging the underlying governmental action.) In this subsection, the term "appeal" refers to a judicial appeal only.
(a) If there is a time period for appealing the underlying governmental action, appeals under this chapter shall be commenced within ((thirty days)) such time period. The agency shall give official notice stating the date and place for commencing an appeal. ((If there is an agency proceeding under subsection (3) of this section, the appellant shall, prior to commencing a judicial appeal, submit to the...)}
... responsible official a notice of intent to commence a judicial appeal. This notice of intent shall be given within the time period for commencing a judicial appeal on the underlying governmental action.));
(b) If there is no time period for appealing the underlying governmental action, and a notice of action under RCW 43.21C.080((may be used. If a notice of action))) is used, ((judicial)) appeals shall be commenced within the time period specified by RCW 43.21C.080((unless there is a time period for appealing the underlying governmental action in which case (a) of this subsection shall apply.))
(c) Notwithstanding RCW 43.21C.080(1), if there is a time period for appealing the underlying governmental action, a notice of action may be published within such time period).
6(a) Judicial review under subsection (3) of this section of an appeal decision made by an agency under ((RCW 43.21C.075(5))) subsection (3) of this section shall be on the record, consistent with other applicable law.
(b) A taped or written transcript may be used. If a taped transcript is to be reviewed, a record shall identify the location on the taped transcript of testimony and evidence to be reviewed. Parties are encouraged to designate only those portions of the testimony necessary to present the issues raised on review, but if a party alleges that a finding of fact is not supported by evidence, the party should include in the record all evidence relevant to the disputed finding. Any other party may designate additional portions of the taped transcript relating to issues raised on review. A party may provide a written transcript of portions of the testimony at the party's own expense or apply to that court for an order requiring the party seeking review to pay for additional portions of the written transcript.
(c) Judicial review under this chapter shall without exception be of the governmental action together with its accompanying environmental determinations.
7 Jurisdiction over the review of determinations under this chapter in an appeal before an agency or superior court shall upon consent of the parties be transferred in whole or part to the shorelines hearings board. The shorelines hearings board shall hear the matter and sign the final order expeditiously. The superior court shall certify the final order of the shorelines hearings board and said certified final order may only be appealed to an appellate court. In the case of an appeal under this chapter regarding a project or other matter that is also the subject of an appeal to the shorelines hearings board under chapter 90.58 RCW, the shorelines hearings board shall have sole jurisdiction over both the appeal under this section and the appeal under chapter 90.58 RCW, shall consider them together, and shall issue a final order within one hundred eighty days as provided in RCW 90.58.180.
8 For purposes of this section and RCW 43.21C.080, the words "action", "decision", and "determination" mean substantive agency action including any accompanying procedural determinations under this chapter (except where the word "action" means "appeal" in RCW 43.21C.080(2) and (3)). The word "action" in this section and RCW 43.21C.080 does not mean a procedural determination by itself made under this chapter. The word "determination" includes any environmental document required by this chapter and state or local implementing rules. The word "agency" refers to any state or local unit of government. Except as provided in subsection (5) of this section, the word "appeal" refers to administrative, legislative, or judicial appeals.
9 The court in its discretion may award reasonable attorney's fees of up to one thousand dollars in the aggregate to the prevailing party, including a governmental agency, on issues arising out of this chapter if the court makes specific findings that the legal position of a party is frivolous and without reasonable basis.

Sec. 105. RCW 43.21C.031 and 1983 c 117 s 1 are each amended to read as follows:
(1) An environmental impact statement (the detailed statement required by RCW 43.21C.030(2)(c)) shall be prepared on proposals for legislation and other major actions having a probable significant, adverse environmental impact. The environmental impact statement may be combined with the recommendation or report on the proposal or issued as a separate document. Actions categorically exempt under RCW 43.21C.110(1)(a) do not require environmental review or the preparation of an environmental impact statement under this chapter. In a county, city, or town planning under RCW 36.70A.040, a planned action, as provided for in subsection (2) of this section, does not require a threshold determination or the preparation of an environmental impact statement under this chapter, but is subject to environmental review and mitigation as provided in this chapter.

An environmental impact statement is required to analyze only those probable adverse environmental impacts which are significant. Beneficial environmental impacts may be discussed. The responsible official shall consult with agencies and the public to identify such impacts and limit the scope of an environmental impact statement. The subjects listed in RCW 43.21C.030(2)(c) need not be
treated as separate sections of an environmental impact statement. Discussions of significant short-term and long-term environmental impacts, significant irrevocable commitments of natural resources, significant alternatives including mitigation measures, and significant environmental impacts which cannot be mitigated should be consolidated or included, as applicable, in those sections of an environmental impact statement where the responsible official decides they logically belong.

(2)(a) For purposes of this section, a planned action means one or more types of project action that:

(i) Are designated planned actions by an ordinance or resolution adopted by a county, city, or town planning under RCW 36.70A.040;

(ii) Have had the significant impacts adequately addressed in an environmental impact statement prepared in conjunction with (A) a comprehensive plan or subarea plan adopted under chapter 36.70A RCW, or (B) a fully contained community, a master planned resort, a master planned development, or a phased project;

(iii) Are subsequent or implementing projects for the proposals listed in (a)(ii) of this subsection;

(iv) Are located within an urban growth area, as defined in RCW 36.70A.030;

(v) Are not essential public facilities, as defined in RCW 36.70A.200; and

(vi) Are consistent with a comprehensive plan adopted under chapter 36.70A RCW.

(b) A county, city, or town shall limit planned actions to certain types of development or to specific geographical areas that are less extensive than the jurisdictional boundaries of the county, city, or town and may limit a planned action to a time period identified in the environmental impact statement or the ordinance or resolution adopted under this subsection.

Sec. 106. RCW 43.21C.110 and 1983 c 117 s 7 are each amended to read as follows:

It shall be the duty and function of the department of ecology((, which may utilize proposed rules developed by the environmental policy commission)):

(1) To adopt and amend thereafter rules of interpretation and implementation of this chapter (((the state environmental policy act of 1971)), subject to the requirements of chapter 34.05 RCW, for the purpose of providing uniform rules and guidelines to all branches of government including state agencies, political subdivisions, public and municipal corporations, and counties. The proposed rules shall be subject to full public hearings requirements associated with rule promulgation. Suggestions for modifications of the proposed rules shall be considered on their merits, and the department shall have the authority and responsibility for full and appropriate independent promulgation and adoption of rules, assuring consistency with this chapter as amended and with the preservation of protections afforded by this chapter. The rule making powers authorized in this section shall include, but shall not be limited to, the following phases of interpretation and implementation of this chapter (((the state environmental policy act of 1971))):

(a) Categories of governmental actions which are not to be considered as potential major actions significantly affecting the quality of the environment, including categories pertaining to applications for water right permits pursuant to chapters 90.03 and 90.44 RCW. The types of actions included as categorical exemptions in the rules shall be limited to those types which are not major actions significantly affecting the quality of the environment. The rules shall provide for certain circumstances where actions which potentially are categorically exempt require environmental review.

An action that is determined to be categorically exempted under the rules adopted by the department may not be conditioned or denied under this chapter.

(b) Rules for criteria and procedures applicable to the determination of when an act of a branch of government is a major action significantly affecting the quality of the environment for which a detailed statement is required to be prepared pursuant to RCW 43.21C.030.

(c) Rules and procedures applicable to the preparation of detailed statements and other environmental documents, including but not limited to rules for timing of environmental review, obtaining comments, data and other information, and providing for and determining areas of public participation which shall include the scope and review of draft environmental impact statements.

(d) Scope of coverage and contents of detailed statements ensuring that such statements are simple, uniform, and as short as practicable; statements are required to analyze only reasonable alternatives and probable adverse environmental impacts which are significant, and may analyze beneficial impacts.

(e) Rules and procedures for public notification of actions taken and documents prepared.
(f) Definition of terms relevant to the implementation of this chapter including the establishment of a list of elements of the environment. Analysis of environmental considerations under RCW 43.21C.030(2) may be required only for those subjects listed as elements of the environment (or portions thereof). The list of elements of the environment shall consist of the "natural" and "built" environment. The elements of the built environment shall consist of public services and utilities (such as water, sewer, schools, fire and police protection), transportation, environmental health (such as explosive materials and toxic waste), and land and shoreline use (including housing, and a description of the relationships with land use and shoreline plans and designations, including population).

(g) Rules for determining the obligations and powers under this chapter of two or more branches of government involved in the same project significantly affecting the quality of the environment.

(h) Methods to assure adequate public awareness of the preparation and issuance of detailed statements required by RCW 43.21C.030(2)(c).

(i) To prepare rules for projects setting forth the time limits within which the governmental entity responsible for the action shall comply with the provisions of this chapter.

(j) Rules for utilization of a detailed statement for more than one action and rules improving environmental analysis of nonproject proposals and encouraging better interagency coordination and integration between this chapter and other environmental laws.

(k) Rules relating to actions which shall be exempt from the provisions of this chapter in situations of emergency.

(l) Rules relating to the use of environmental documents in planning and decision making and the implementation of the substantive policies and requirements of this chapter, including procedures for appeals under this chapter.

(m) Rules and procedures that provide for the integration of environmental review with project review as provided in section 103 of this act. The rules and procedures shall be jointly developed with the department of community, trade, and economic development and shall be applicable to the preparation of environmental documents for actions in counties, cities, and towns planning under RCW 36.70A.040. The rules and procedures shall also include criteria to analyze the consistency of project actions, including planned actions under RCW 43.21C.031(2), with development regulations adopted pursuant to chapter 36.70A RCW, or in the absence of applicable development regulations, the appropriate elements of a comprehensive plan or subarea plan adopted pursuant to chapter 36.70A RCW. Ordinances or procedures adopted by a county, city, or town to implement the provisions of section 103 of this act prior to the effective date of rules adopted pursuant to this subsection (1)(m) shall continue to be effective until the adoption of any new or revised ordinances or procedures that may be required. If any revisions are required as a result of rules adopted pursuant to this subsection (1)(m), those revisions shall be made within the time limits specified in RCW 43.21C.120.

(2) In exercising its powers, functions, and duties under this section, the department may:

(a) Consult with the state agencies and with representatives of science, industry, agriculture, labor, conservation organizations, state and local governments and other groups, as it deems advisable; and

(b) Utilize, to the fullest extent possible, the services, facilities, and information (including statistical information) of public and private agencies, organizations, and individuals, in order to avoid duplication of effort and expense, overlap, or conflict with similar activities authorized by law and performed by established agencies.

(3) Rules adopted pursuant to this section shall be subject to the review procedures of chapter 34.05 RCW.

Sec. 107. RCW 43.21C.080 and 1977 ex.s. c 278 s 1 are each amended to read as follows:

(1) Notice of any action taken by a governmental agency may be publicized by the acting governmental agency, the applicant for, or the proponent of such action, in substantially the form as set forth in (subsection (3) of this section and in the following manner) rules adopted pursuant to RCW 43.21C.110:

(a) By publishing notice on the same day of each week for two consecutive weeks in a legal newspaper of general circulation in the area where the property which is the subject of the action is located;

(b) By filing notice of such action with the department of ecology at its main office in Olympia prior to the date of the last newspaper publication; and
(c) Except for those actions which are of a nonproject nature, by one of the following methods which shall be accomplished prior to the date of (last) first newspaper publication:

(i) Mailing to the latest recorded real property owners, as shown by the records of the county treasurer, who share a common boundary line with the property upon which the project is proposed through United States mail, first class, postage prepaid.

(ii) Posting of the notice in a conspicuous manner on the property upon which the project is to be constructed.

(2)((a)) Except as otherwise provided in RCW 43.21C.075(5)(a), any action to set aside, enjoin, review, or otherwise challenge any such governmental action or subsequent government action for which notice is given as provided in subsection (1) of this section on grounds of noncompliance with the provisions of this chapter shall be commenced within ((thirty)) twenty-one days from the date of last newspaper publication of the notice pursuant to subsection (1) of this section, or be barred. PROVIDED, HOWEVER, That the time period within which an action shall be commenced shall be ninety days (i) for projects to be performed by a governmental agency or to be performed under government contract, or (ii) for thermal power plant projects.

Any subsequent governmental action on the proposal for which notice has been given as provided in subsection (1) of this section shall not be set aside, enjoined, reviewed, or otherwise challenged on grounds of noncompliance with the provisions of RCW 43.21C.030(2)(a) through (h) unless there has been a substantial change in the proposal between the time of the first governmental action and the subsequent governmental action that is likely to have adverse environmental impacts beyond the range of impacts previously analyzed, or unless the action now being considered was identified in an earlier detailed statement or declaration of nonsignificance as being one which would require further environmental evaluation.

(((b)) Any action to challenge a subsequent governmental action based upon any provisions of this chapter shall be commenced within thirty days from the date of last newspaper publication of the subsequent governmental action except (i) for projects to be performed by a governmental agency or to be performed under government contract, or (ii) for thermal power plant projects which shall be challenged within ninety days from the date of last newspaper publication of the subsequent governmental action, or be barred.

(3) The form for such notice of action shall be issued by the department of ecology and shall be made available by the governmental agency taking an action subject to being publicized pursuant to this section, by the county auditor, and/or the city clerk to the project applicant or proposer. The form of such notice shall be substantially as follows:

NOTICE OF ACTION BY

(Government agency or entity)

Pursuant to the provisions of chapter 43.21C RCW, notice is hereby given that:

The (Government agency or entity) did on (date), take the action described below.

Any action to set aside, enjoin, review, or otherwise challenge such action on the grounds of noncompliance with the provisions of chapter 43.21C RCW (State Environmental Policy Act) shall be commenced within days or be barred.

The action taken by (Government agency or entity), notice of which is hereby given, was as follows:

(1) (Here insert description of action taken such as: Adoption Ordinance No. ----; Issued Building Permit; Approved preliminary (or final) plat, etc.)
(2) (Here insert brief description of the complete project or proposal.)
(3) Said action pertained to property commonly known as:

(Sufficient description to locate property, but complete legal description not required)

(4) Pertinent documents may be examined during regular business hours at the office of:

NEW SECTION. Sec. 108. A new section is added to chapter 36.70A RCW to read as follows:

(1) In designating and protecting critical areas under this chapter, counties and cities shall include the best available science in developing policies and development regulations to protect the functions and values of critical areas. In addition, counties and cities shall give special consideration to conservation or protection measures necessary to preserve or enhance anadromous fisheries.

(2) If it determines that advice from scientific or other experts is necessary or will be of substantial assistance in reaching its decision, a growth management hearings board may retain scientific or other expert advice to assist in reviewing a petition under RCW 36.70A.290 that involves critical areas.

Sec. 109. RCW 36.70A.140 and 1990 1st ex.s. c 17 s 14 are each amended to read as follows:

Each county and city that is required or chooses to plan under RCW 36.70A.040 shall establish and broadly disseminate to the public a public participation program identifying procedures providing for early and continuous public participation in the development and amendment of comprehensive land use plans and development regulations implementing such plans. The procedures shall provide for broad dissemination of proposals and alternatives, opportunity for written comments, public meetings after effective notice, provision for open discussion, communication programs, information services, and consideration of and response to public comments. The public participation program and procedures shall apply to a response made by a county or city to a decision by a growth management hearings board under RCW 36.70A.300 that the comprehensive plan or development regulations were not in compliance with this chapter. Errors in exact compliance with the established program and procedures shall not render the comprehensive land use plan or development regulations invalid if the spirit of the program and procedures is observed.

Sec. 110. RCW 36.70A.300 and 1991 s.s. c 32 s 11 are each amended to read as follows:

(1) The board shall issue a final order within one hundred eighty days of receipt of the petition for review, or, when multiple petitions are filed, within one hundred eighty days of receipt of the last petition that is consolidated. Such a final order shall be based exclusively on whether or not a state agency, county, or city is in compliance with the requirements of this chapter, chapter 90.58 RCW as it relates to adoption or amendment of shoreline master programs, or chapter 43.21C RCW as it relates to plans, development regulations, and amendments thereto, adopted under RCW 36.70A.040 or chapter 90.58 RCW. In the final order, the board shall either: (a) Find that the state agency, county, or city is in compliance with the requirements of this chapter or chapter 90.58 RCW as it relates to the adoption or amendment of shoreline master programs; or (b) find that the state agency, county, or city is not in compliance with the requirements of this chapter or chapter 90.58 RCW as it relates to the adoption or amendment of shoreline master programs, in which case the board shall remand the matter to the affected state agency, county, or city and specify a reasonable time not in excess of one hundred eighty days within which the state agency, county, or city shall comply with the requirements of this chapter.

(2) A finding of noncompliance and an order of remand shall not affect the validity of comprehensive plans and development regulations during the period of remand, unless the board’s final order also:

(a) Includes a determination, supported by findings of fact and conclusions of law, that the continued validity of the plan or regulation would substantially interfere with the fulfillment of the goals of this chapter; and

(b) Specifies the particular part or parts of the plan or regulation that are determined to be invalid, and the reasons for their invalidity.

(3) A determination of invalidity shall:

(a) Be prospective in effect and shall not extinguish rights that vested under state or local law before the date of the board’s order; and
(b) Subject any development application that would otherwise vest after the date of the board's order to the development regulations in effect pursuant to subsection (2) or (4) of this section.

(4) If the ordinance that adopts a plan or development regulation under this chapter includes a savings clause intended to revive prior policies or regulations in the event the new plan or regulations are determined to be invalid, the board shall determine under subsection (2) of this section whether the prior policies or regulations are valid during the period of remand.

(5) Any party aggrieved by a final decision of the hearings board may appeal the decision as provided in RCW 34.05.514 to ([Thurston county]) superior court within thirty days of the final order of the board.

Sec. 111. RCW 36.70A.330 and 1991 s.s. c 32 s 14 are each amended to read as follows:

(1) After the time set for complying with the requirements of this chapter under RCW 36.70A.300(1)(b) has expired, or at an earlier time upon the motion of a county or city subject to a determination of invalidity under RCW 36.70A.300, the board((, on its own motion or motion of the petitioner,)) shall set a hearing for the purpose of determining whether the state agency, county, or city is in compliance with the requirements of this chapter.

(2) The board shall conduct a hearing and issue a finding of compliance or noncompliance with the requirements of this chapter. A person with standing to challenge the legislation enacted in response to the board’s final order may participate in the hearing along with the petitioner and the state agency, city, or county. A hearing under this subsection shall be given the highest priority of business to be conducted by the board, and a finding shall be issued within forty-five days of the filing of the motion under subsection (1) of this section with the board.

(3) If the board finds that the state agency, county, or city is not in compliance, the board shall transmit its finding to the governor. The board may recommend to the governor that the sanctions authorized by this chapter be imposed. The board shall also reconsider its final order and decide:

(a) If a determination of invalidity has been made, whether such a determination should be rescinded or modified under the standards in RCW 36.70A.300(2); or

(b) If no determination of invalidity has been made, whether one now should be made under the standards in RCW 36.70A.300(2).

The board shall schedule additional hearings as appropriate pursuant to subsections (1) and (2) of this section.

NEW SECTION. Sec. 112. A new section is added to chapter 36.70A RCW to read as follows:

A city planning under RCW 36.70A.040 that operates public facilities and services shall serve within its service area if service is technically feasible and in compliance with local regulations.

Such a city that provides water or sewer service outside of its corporate boundaries shall not require, as a condition of providing water or sewer service that the property owner who has requested the water or sewer service agree to: (1) Lot sizes different from those authorized by the county or city within whose planning jurisdiction the property is located; or (2) other development or design requirements that are not required by the county or city within whose planning jurisdiction the property is located.

NEW SECTION. Sec. 113. A new section is added to chapter 36.70A RCW to read as follows:

Nothing in this chapter shall preclude public sanitary sewer systems and public domestic water systems designed for and serving rural uses in areas included within the rural area designated under RCW 36.70A.070(5).

NEW SECTION. Sec. 114. A new section is added to chapter 36.70A RCW to read as follows:

Urban growth areas designated under RCW 36.70A.110 shall include transition areas that are designed to eventually have urban growth but which are temporarily zoned to lower densities and lower intensities of land use.

Sec. 115. RCW 36.70A.030 and 1994 c 307 s 2 and 1994 c 257 s 5 are each reenacted and amended to read as follows:
Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

1. "Adopt a comprehensive land use plan" means to enact a new comprehensive land use plan or to update an existing comprehensive land use plan.

2. "Agricultural land" means land primarily devoted to the commercial production of horticultural, viticultural, floricultural, dairy, apiary, vegetable, or animal products or of berries, grain, hay, straw, turf, seed, Christmas trees not subject to the excise tax imposed by RCW 84.33.100 through 84.33.140, finfish in upland hatcheries, or livestock, and that has long-term commercial significance for agricultural production.

3. "City" means any city or town, including a code city.

4. "Comprehensive land use plan," "comprehensive plan," or "plan" means a generalized coordinated land use policy statement of the governing body of a county or city that is adopted pursuant to this chapter.

5. "Critical areas" include the following areas and ecosystems: (a) Wetlands; (b) areas with a critical recharging effect on aquifers used for potable water; (c) fish and wildlife habitat conservation areas; (d) frequently flooded areas; and (e) geologically hazardous areas.

6. "Department" means the department of community, trade, and economic development.

7. For purposes of RCW 36.70A.065 and 36.70A.440, "development permit application" means any application for a development proposal for a use that could be permitted under a plan adopted pursuant to this chapter and is consistent with the underlying land use and zoning, including but not limited to building permits, subdivisions, binding site plans, planned unit developments, conditional uses or other applications pertaining to land uses, but shall not include rezones, proposed amendments to comprehensive plans or the adoption or amendment of development regulations.

8. "Development regulations" means any controls placed on development or land use activities by a county or city, including, but not limited to, zoning ordinances, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances.

9. "Forest land" means land primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, including Christmas trees subject to the excise tax imposed under RCW 84.33.100 through 84.33.140, and that has long-term commercial significance. In determining whether forest land is primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, the following factors shall be considered: (a) The proximity of the land to urban, suburban, and rural settlements; (b) surrounding parcel size and the compatibility and intensity of adjacent and nearby land uses; (c) long-term local economic conditions that affect the ability to manage for timber production; and (d) the availability of public facilities and services conducive to conversion of forest land to other uses.

10. "Geologically hazardous areas" means areas that because of their susceptibility to erosion, sliding, earthquake, or other geological events, are not suited to the siting of commercial, residential, or industrial development consistent with public health or safety concerns.

11. "Long-term commercial significance" includes the growing capacity, productivity, and soil composition of the land for long-term commercial production, in consideration with the land's proximity to population areas, and the possibility of more intense uses of the land.

12. "Minerals" include gravel, sand, and valuable metallic substances.

13. "Public facilities" include streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, domestic water systems, storm and sanitary sewer systems, parks and recreational facilities, and schools.

14. "Public services" include fire protection and suppression, law enforcement, public health, education, recreation, environmental protection, and other governmental services.

15. "Urban growth" refers to growth that makes intensive use of land for the location of buildings, structures, and impermeable surfaces to such a degree as to be incompatible with the primary use of such land for the production of food, other agricultural products, or fiber, or the extraction of mineral resources. When allowed to spread over wide areas, urban growth typically requires urban governmental services. "Characterized by urban growth" refers to land having urban growth located on it, or to land located in relationship to an area with urban growth on it as to be appropriate for urban growth.

16. "Urban growth areas" means those areas designated by a county pursuant to RCW 36.70A.110.
Urban governmental services include those governmental services historically and typically delivered by cities, and include storm and sanitary sewer systems, domestic water systems, street cleaning services, fire and police protection services, public transit services, and other public utilities associated with urban areas and normally not associated with nonurban areas.

"Wetland" or "wetlands" means areas that are inundated or saturated by surface water or ground water at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities. However, wetlands may include those artificial wetlands intentionally created from nonwetland areas created to mitigate conversion of wetlands, if permitted by the county or city defined as wetlands under section 401 of the clean water act, 33 U.S.C. Sec. 1344. Wetlands do not include inadvertent wetlands unintentionally created after July 1, 1990, as a result of development activity, including the construction of roads, streets, or highways.

Sec. 116. RCW 90.58.020 and 1992 c 105 s 1 are each amended to read as follows:
The legislature finds that the shorelines of the state are among the most valuable and fragile of its natural resources and that there is great concern throughout the state relating to their utilization, protection, restoration, and preservation. In addition it finds that ever increasing pressures of additional uses are being placed on the shorelines necessitating increased coordination in the management and development of the shorelines of the state. The legislature further finds that much of the shorelines of the state and the uplands adjacent thereto are in private ownership; that unrestricted construction on the privately owned or publicly owned shorelines of the state is not in the best public interest; and therefore, coordinated planning is necessary in order to protect the public interest associated with the shorelines of the state while, at the same time, recognizing and protecting private property rights consistent with the public interest. There is, therefore, a clear and urgent demand for a planned, rational, and concerted effort, jointly performed by federal, state, and local governments, to prevent the inherent harm in an uncoordinated and piecemeal development of the state's shorelines.

It is the policy of the state to provide for the management of the shorelines of the state by planning for and fostering all reasonable and appropriate uses. This policy is designed to insure the development of these shorelines in a manner which, while allowing for limited reduction of rights of the public in the navigable waters, will promote and enhance the public interest. This policy contemplates protecting against adverse effects to the public health, the land and its vegetation and wildlife, and the waters of the state and their aquatic life, while protecting generally public rights of navigation and corollary rights incidental thereto.

The legislature declares that the interest of all of the people shall be paramount in the management of shorelines of state-wide significance. The department, in adopting guidelines for shorelines of state-wide significance, and local government, in developing master programs for shorelines of state-wide significance, shall give preference to uses in the following order of preference which:

1. Recognize and protect the state-wide interest over local interest;
2. Preserve the natural character of the shoreline;
3. Result in long term over short term benefit;
4. Protect the resources and ecology of the shoreline;
5. Increase public access to publicly owned areas of the shorelines;
6. Increase recreational opportunities for the public in the shoreline;
7. Provide for any other element as defined in RCW 90.58.100 deemed appropriate or necessary.

In the implementation of this policy the public's opportunity to enjoy the physical and aesthetic qualities of natural shorelines of the state shall be preserved to the greatest extent feasible consistent with the overall best interest of the state and the people generally. To this end uses shall be preferred which are consistent with control of pollution and prevention of damage to the natural environment, or are unique to or dependent upon use of the state's shoreline. Alterations of the natural condition of the shorelines of the state, in those limited instances when authorized, shall be given priority for single family residences and their appurtenant structures, ports, shoreline recreational uses including but not limited to parks, marinas, piers, and other improvements facilitating public access to shorelines of the state.
state, industrial and commercial developments which are particularly dependent on their location on or use of the shorelines of the state and other development that will provide an opportunity for substantial numbers of the people to enjoy the shorelines of the state. Alterations of the natural condition of the shorelines and ((wetlands)) shorelands of the state shall be recognized by the department. Shorelines and ((wetlands)) shorelands of the state shall be appropriately classified and these classifications shall be revised when circumstances warrant regardless of whether the change in circumstances occurs through man-made causes or natural causes. Any areas resulting from alterations of the natural condition of the shorelines and ((wetlands)) shorelands of the state no longer meeting the definition of "shorelines of the state" shall not be subject to the provisions of chapter 90.58 RCW.

Permitted uses in the shorelines of the state shall be designed and conducted in a manner to minimize, insofar as practical, any resultant damage to the ecology and environment of the shoreline area and any interference with the public’s use of the water.

Sec. 117. RCW 90.58.030 and 1987 c 474 s 1 are each amended to read as follows:

As used in this chapter, unless the context otherwise requires, the following definitions and concepts apply:

1. Administration:
   a) "Department" means the department of ecology;
   b) "Director" means the director of the department of ecology;
   c) "Local government" means any county, incorporated city, or town which contains within its boundaries any lands or waters subject to this chapter;
   d) "Person" means an individual, partnership, corporation, association, organization, cooperative, public or municipal corporation, or agency of the state or local governmental unit however designated;
   e) "Hearing board" means the shoreline hearings board established by this chapter.

2. Geographical:
   a) "Extreme low tide" means the lowest line on the land reached by a receding tide;
   b) "Ordinary high water mark" on all lakes, streams, and tidal water is that mark that will be found by examining the bed and banks and ascertaining where the presence and action of waters are so common and usual, and so long continued in all ordinary years, as to mark upon the soil a character distinct from that of the abutting upland, in respect to vegetation as that condition exists on June 1, 1971, as it may naturally change thereafter, or as it may change thereafter in accordance with permits issued by a local government or the department: PROVIDED, That in any area where the ordinary high water mark cannot be found, the ordinary high water mark adjoining salt water shall be the line of mean high water and the ordinary high water mark adjoining fresh water shall be the line of mean high water;
   c) "Shorelines of the state" are the total of all "shorelines" and "shorelines of state-wide significance" within the state;
   d) "Shorelines" means all of the water areas of the state, including reservoirs, and their associated ((wetlands)) shorelands, together with the lands underlying them; except (i) shorelines of state-wide significance; (ii) shorelines on segments of streams upstream of a point where the mean annual flow is twenty cubic feet per second or less and the wetlands associated with such upstream segments; and (iii) shorelines on lakes less than twenty acres in size and wetlands associated with such small lakes;
   e) "Shorelines of state-wide significance" means the following shorelines of the state:
      i) The area between the ordinary high water mark and the western boundary of the state from Cape Disappointment on the south to Cape Flattery on the north, including harbors, bays, estuaries, and inlets;
      ii) Those areas of Puget Sound and adjacent salt waters and the Strait of Juan de Fuca between the ordinary high water mark and the line of extreme low tide as follows:
         A) Nisqually Delta--from DelWolf Bight to Tatso Point,
         B) Birch Bay--from Point Whitehorn to Birch Point,
         C) Hood Canal--from Tala Point to Foulweather Bluff,
         D) Skagit Bay and adjacent area--from Brown Point to Yokeko Point, and
         E) Padilla Bay--from March Point to William Point;
      iii) Those areas of Puget Sound and the Strait of Juan de Fuca and adjacent salt waters north to the Canadian line and lying seaward from the line of extreme low tide;
Those lakes, whether natural, artificial, or a combination thereof, with a surface acreage of one thousand acres or more measured at the ordinary high water mark;

Those natural rivers or segments thereof as follows:

(A) Any west of the crest of the Cascade range downstream of a point where the mean annual flow is measured at one thousand cubic feet per second or more,

(B) Any east of the crest of the Cascade range downstream of a point where the annual flow is measured at two hundred cubic feet per second or more, or those portions of rivers east of the crest of the Cascade range downstream from the first three hundred square miles of drainage area, whichever is longer;

(vi) Those (wetlands) shorelands associated with (i), (ii), (iv), and (v) of this subsection (2)(e);

(f) "((Wetlands)) Shorelands" or "((wetland)) shoreland areas" means those lands extending landward for two hundred feet in all directions as measured on a horizontal plane from the ordinary high water mark; floodways and contiguous floodplain areas landward two hundred feet from such floodways; and all (marshes, bogs, swamps, ((wetlands))) wetlands and river deltas associated with the streams, lakes, and tidal waters which are subject to the provisions of this chapter; the same to be designated as to location by the department of ecology. Any county or city may determine that portion of a one-hundred-year-flood plain to be included in its master program as long as such portion includes, as a minimum, the floodway and the adjacent land extending landward two hundred feet therefrom;

(g) "Floodway" means those portions of the area of a river valley lying streamward from the outer limits of a watercourse upon which flood waters are carried during periods of flooding that occur with reasonable regularity, although not necessarily annually, said floodway being identified, under normal condition, by changes in surface soil conditions or changes in types or quality of vegetative ground cover condition. The floodway shall not include those lands that can reasonably be expected to be protected from flood waters by flood control devices maintained by or maintained under license from the federal government, the state, or a political subdivision of the state;

(h) "Wetlands" means areas defined as wetlands under section 401 of the clean water act, 33 U.S.C. Sec. 1344. Wetlands do not include inadvertent wetlands unintentionally created after July 1, 1990, as a result of development activity, including the construction of roads, streets, or highways.

3) Procedural terms:

(a) "Guidelines" means those standards adopted to implement the policy of this chapter for regulation of use of the shorelines of the state prior to adoption of master programs. Such standards shall also provide criteria to local governments and the department in developing master programs;

(b) "Master program" shall mean the comprehensive use plan for a described area, and the use regulations together with maps, diagrams, charts, or other descriptive material and text, a statement of desired goals, and standards developed in accordance with the policies enunciated in RCW 90.58.020;

(c) "State master program" is the cumulative total of all master programs approved or adopted by the department of ecology;

(d) "Development" means any use consisting of the construction or exterior alteration of structures; dredging; drilling; dumping; filling; removal of any sand, gravel, or minerals; bulkheading; driving of piling; placing of obstructions; or any project of a permanent or temporary nature which interferes with the normal public use of the surface of the waters overlying lands subject to this chapter at any state of water level;

(e) "Substantial development" shall mean any development of which the total cost or fair market value exceeds two thousand five hundred dollars, or any development which materially interferes with the normal public use of the water or shorelines of the state; except that the following shall not be considered substantial developments for the purpose of this chapter:

(i) Normal maintenance or repair of existing structures or developments, including damage by accident, fire, or elements;

(ii) Construction of the normal protective bulkhead common to single family residences;

(iii) Emergency construction necessary to protect property from damage by the elements;

(iv) Construction and practices normal or necessary for farming, irrigation, and ranching activities, including agricultural service roads and utilities on ((wetlands)) shorelands, and the construction and maintenance of irrigation structures including but not limited to head gates, pumping facilities, and irrigation channels. A feedlot of any size, all processing plants, other activities of a commercial nature, alteration of the contour of the ((wetlands)) shorelands by
leveling or filling other than that which results from normal cultivation, shall not be considered normal or necessary farming or ranching activities. A feedlot shall be an enclosure or facility used or capable of being used for feeding livestock hay, grain, silage, or other livestock feed, but shall not include land for growing crops or vegetation for livestock feeding and/or grazing, nor shall it include normal livestock wintering operations;

(v) Construction or modification of navigational aids such as channel markers and anchor buoys;

(vi) Construction on ((wetlands)) shorelands by an owner, lessee, or contract purchaser of a single family residence for his own use or for the use of his family, which residence does not exceed a height of thirty-five feet above average grade level and which meets all requirements of the state agency or local government having jurisdiction thereof, other than requirements imposed pursuant to this chapter;

(vii) Construction of a dock, including a community dock, designed for pleasure craft only, for the private noncommercial use of the owner, lessee, or contract purchaser of single and multiple family residences, the cost of which does not exceed two thousand five hundred dollars;

(viii) Operation, maintenance, or construction of canals, waterways, drains, reservoirs, or other facilities that now exist or are hereafter created or developed as a part of an irrigation system for the primary purpose of making use of system waters, including return flow and artificially stored ground water for the irrigation of lands;

(ix) The marking of property lines or corners on state owned lands, when such marking does not significantly interfere with normal public use of the surface of the water;

(x) Operation and maintenance of any system of dikes, ditches, drains, or other facilities existing on September 8, 1975, which were created, developed, or utilized primarily as a part of an agricultural drainage or diking system((;

(xi) Any action commenced prior to December 31, 1982, pertaining to (A) the restoration of interim transportation services as may be necessary as a consequence of the destruction of the Hood Canal bridge, including, but not limited to, improvements to highways, development of park and ride facilities, and development of ferry terminal facilities until a new or reconstructed Hood Canal bridge is open to traffic; and (B) the reconstruction of a permanent bridge at the site of the original Hood Canal bridge)).

Sec. 118. RCW 90.58.050 and 1971 ex.s. c 286 s 5 are each amended to read as follows:

This chapter establishes a cooperative program of shoreline management between local government and the state. Local government shall have the primary responsibility for initiating the planning required by this chapter and administering the regulatory program consistent with the policy and provisions of this chapter. The department shall act primarily in a supportive and review capacity with ((primary)) an emphasis on providing assistance to local government and on insuring compliance with the policy and provisions of this chapter.

Sec. 119. RCW 90.58.060 and 1971 ex.s. c 286 s 6 are each amended to read as follows:

(1) (Within one hundred twenty days from June 1, 1971,)) The department shall (submit to local governments proposed)) periodically review and adopt guidelines consistent with RCW 90.58.020, containing the elements specified in RCW 90.58.100 for:

(a) Development of master programs for regulation of the uses of shorelines; and

(b) Development of master programs for regulation of the uses of shorelines of state-wide significance.

(2) Before adopting or amending guidelines under this section, the department shall provide an opportunity for public review and comment as follows:

(a) The department shall mail copies of the proposal to all cities, counties, and federally recognized Indian tribes, and to any other person who has requested a copy, and shall publish the proposed guidelines in the Washington state register. Comments shall be submitted in writing to the department within sixty days from ((receipt of such proposed guidelines, local governments shall submit to the department in writing proposed changes, if any, and comments upon the proposed guidelines.

(3) Thereafter and within one hundred twenty days from the submission of such proposed guidelines to local governments, the department, after review and consideration of the comments and suggestions submitted to it, shall resubmit final proposed guidelines.
(4) Within sixty days thereafter public hearings shall be held by) the date the proposal has been published in the register.

(b) The department ((in Olympia and Spokane, at which interested public and private parties shall have the opportunity)) shall hold at least four public hearings on the proposal in different locations throughout the state to provide a reasonable opportunity for residents in all parts of the state to present statements and views on the proposed guidelines. Notice of ((such)) the hearings shall be published at least once in each of the three weeks immediately preceding the hearing in one or more newspapers of general circulation in each county of the state. If an amendment to the guidelines addresses an issue limited to one geographic area, the number and location of hearings may be adjusted consistent with the intent of this subsection to assure all parties a reasonable opportunity to comment on the proposed amendment. The department shall accept written comments on the proposal during the sixty-day public comment period and for seven days after the final public hearing.

(c) At the conclusion of the public comment period, the department shall review the comments received and modify the proposal consistent with the provisions of this chapter. The proposal shall then be published for adoption pursuant to the provisions of chapter 34.05 RCW.

((5) Within ninety days following such public hearings, the department at a public hearing to be held in Olympia shall adopt guidelines.) (3) The department may propose amendments to the guidelines not more than once each year. At least once every five years the department shall conduct a review of the guidelines pursuant to the procedures outlined in subsection (2) of this section.

Sec. 120. RCW 90.58.080 and 1974 ex.s. c 61 s 1 are each amended to read as follows:

Local governments ((are directed with regard to shorelines of the state within their various jurisdictions as follows:

(1) To complete within eighteen months after June 1, 1971, a comprehensive inventory of such shorelines. Such inventory shall include but not be limited to the general ownership patterns of the lands located therein in terms of public and private ownership, a survey of the general natural characteristics thereof, present uses conducted therein and initial projected uses thereof;

(2) To)) shall develop or amend, within twenty-four months after the adoption of guidelines as provided in RCW 90.58.060, a master program for regulation of uses of the shorelines of the state consistent with the required elements of the guidelines adopted by the department.

Sec. 121. RCW 90.58.090 and 1971 ex.s. c 286 s 9 are each amended to read as follows:

(1) A master program((s or segments thereof)), segment of a master program, or an amendment to a master program shall become effective when ((adopted or)) approved by the department ((as appropriate)). Within the time period provided in RCW 90.58.080, each local government shall have submitted a master program, either totally or by segments, for all shorelines of the state within its jurisdiction to the department for review and approval.

(2) Upon receipt of a proposed master program or amendment, the department shall:

(a) Provide notice to and opportunity for written comment by all interested parties of record as a part of the local government review process for the proposal and to all persons, groups, and agencies that have requested in writing notice of proposed master programs or amendments generally or for a specific area, subject matter, or issue. The comment period shall be at least thirty days, unless the department determines that the level of complexity or controversy involved supports a shorter period;

(b) In the department’s discretion, conduct a public hearing during the thirty-day comment period in the jurisdiction proposing the master program or amendment;

(c) Within fifteen days after the close of public comment, request the local government to review the issues identified by the public, interested parties, groups, and agencies and provide a written response as to how the proposal addresses the identified issues;

(d) Within thirty days after receipt of the local government response pursuant to (c) of this subsection, make written findings and conclusions regarding the consistency of the proposal with the policy of RCW 90.58.020 and the applicable guidelines, provide a response to the issues identified in (c) of this subsection, and either approve the proposal as submitted, recommend specific changes necessary to make the proposal approvable, or deny approval of the proposal in those instances where no alteration of the proposal appears likely to accomplish the purposes for which it was submitted and the requirements of this chapter. The written findings and conclusions shall be provided to the local government, all interested persons, parties, groups, and agencies of record on the proposal;
If the department recommends changes to the proposed master program or amendment, within thirty days after the department mails the written findings and conclusions to the local government, the local government may:

(i) Agree to the proposed changes. The receipt by the department of the written notice of agreement constitutes final action by the department approving the amendment; or

(ii) Submit an alternative proposal. If, in the opinion of the department, the alternative is consistent with the purpose and intent of the changes originally submitted by the department and with this chapter it shall approve the changes and provide written notice to all recipients of the written findings and conclusions. If the department determines the proposal is not consistent with the purpose and intent of the changes proposed by the department, the department may resubmit the proposal for public and agency review pursuant to this section or reject the proposal.

((1) As to those segments of the master program relating to shorelines, they shall be approved by))

(3) The department shall approve the segment of a master program relating to shorelines unless it determines that the submitted segments are not consistent with the policy of RCW 90.58.020 and the applicable guidelines. (If approval is denied, the department shall state within ninety days from the date of submission in detail the precise facts upon which that decision is based, and shall submit to the local government suggested modifications to the program to make it consistent with said policy and guidelines. The local government shall have ninety days after it receives recommendations from the department to make modifications designed to eliminate the inconsistencies and to resubmit the program to the department for approval. Any resubmitted program shall take effect when and in such form and content as is approved by the department.

((2) As to)) (4) The department shall approve those segments of the master program relating to shorelines of state-wide significance ((the department shall have full authority following review and evaluation of the submission by local government to develop and adopt an alternative to the local government's proposal if in the department's opinion the program submitted does not)) only after determining the program provides the optimum implementation of the policy of this chapter to satisfy the state-wide interest. (If the submission by local government is not approved, the department shall suggest modifications to the local government within ninety days from receipt of the submission. The local government shall have ninety days after it receives said modifications to consider the same and resubmit a master program to the department. Thereafter, the department shall adopt the resubmitted program or, if the department determines that said program does not provide for optimum implementation, it may develop and adopt an alternative as hereinbefore provided.) If the department does not approve a segment of a local government master program relating to a shoreline of state-wide significance, the department may develop and by rule adopt an alternative to the local governments proposal.

((3)) (5) In the event a local government has not complied with the requirements of RCW 90.58.070 it may thereafter upon written notice to the department elect to adopt a master program for the shorelines within its jurisdiction, in which event it shall comply with the provisions established by this chapter for the adoption of a master program for such shorelines.

Upon approval of such master program by the department it shall supersede such master program as may have been adopted by the department for such shorelines.

(6) A master program or amendment to a master program takes effect when and in such form as approved or adopted by the department. The department shall maintain a record of each master program, the action taken on any proposal for adoption or amendment of the master program, and any appeal of the department's action. The department's approved document of record constitutes the official master program.

Sec. 122. RCW 90.58.100 and 1992 c 105 s 2 are each amended to read as follows:

(1) The master programs provided for in this chapter, when adopted ((and)) or approved by the department((, as appropriate)) shall constitute use regulations for the various shorelines of the state.

In preparing the master programs, and any amendments thereto, the department and local governments shall to the extent feasible:

(a) Utilize a systematic interdisciplinary approach which will insure the integrated use of the natural and social sciences and the environmental design arts;

(b) Consult with and obtain the comments of any federal, state, regional, or local agency having any special expertise with respect to any environmental impact;
Sec. 123. RCW 90.58.120 and 1989 c 175 s 182 are each amended to read as follows:

All rules, regulations, ((master programs,)) designations, and guidelines, issued by the department, and master programs and amendments adopted by the department pursuant to RCW 90.58.070(2) or 90.58.090(4) shall be adopted or approved in accordance with the provisions of RCW
Sec. 124. RCW 90.58.140 and 1992 c 105 s 3 are each amended to read as follows:
(1) A development shall not be undertaken on the shorelines of the state unless it is consistent with the policy of this chapter and, after adoption or approval, as appropriate, the applicable guidelines, rules, or master program.
(2) A substantial development shall not be undertaken on shorelines of the state without first obtaining a permit from the government entity having administrative jurisdiction under this chapter. A permit shall be granted:
(a) From June 1, 1971, until such time as an applicable master program has become effective, only when the development proposed is consistent with: (i) The policy of RCW 90.58.020; and (ii) after their adoption, the guidelines and rules of the department; and (iii) so far as can be ascertained, the master program being developed for the area;
(b) After adoption or approval, as appropriate, by the department of an applicable master program, only when the development proposed is consistent with the applicable master program and ((the provisions of
((90.58 RCW)))) this chapter ((90.58 RCW)).
(3) The local government shall establish a program, consistent with rules adopted by the department, for the administration and enforcement of the permit system provided in this section. The administration of the system so established shall be performed exclusively by the local government.
(4) Except as otherwise specifically provided in subsection (((13)) (11)) of this section, the local government shall require notification of the public of all applications for permits governed by any permit system established pursuant to subsection (3) of this section by ensuring that:
(a) A notice of such an application is published at least once a week on the same day of the week for two consecutive weeks in a legal newspaper of general circulation within the area in which the development is proposed; and
(b) Additional notice of (such an) the application is given by at least one of the following methods:
((44)) (a) Mailing of the notice to the latest recorded real property owners as shown by the records of the county assessor within at least three hundred feet of the boundary of the property upon which the substantial development is proposed;
((44)) (b) Posting of the notice in a conspicuous manner on the property upon which the project is to be constructed; or
((44)) (c) Any other manner deemed appropriate by local authorities to accomplish the objectives of reasonable notice to adjacent landowners and the public.
The notices shall include a statement that any person desiring to submit written comments concerning an application, or desiring to receive (a copy) notification of the final (order) decision concerning an application as expeditiously as possible after the issuance of the (decision), may submit the comments or requests for (decisions) to the local government within thirty days of the last date the notice is to be published pursuant to (subsection (a) of) this subsection. The local government shall forward, in a timely manner following the issuance of (an order) a decision, a copy of the (decision) to each person who submits a request for the (decision).
If a hearing is to be held on an application, notices of such a hearing shall include a statement that any person may submit oral or written comments on an application at the hearing.
(5) The system shall include provisions to assure that construction pursuant to a permit will not begin or be authorized until ((thirty)) twenty-one days from the date the (final order) permit decision was filed as provided in subsection (6) of this section; or until all review proceedings are terminated if
the proceedings were initiated within ((thirty)) twenty-one days from the date of filing as defined in subsection (6) of this section except as follows:

(a) In the case of any permit issued to the state of Washington, department of transportation, for the construction and modification of SR 90 (I-90) on or adjacent to Lake Washington, the construction may begin after thirty days from the date of filing, and the permits are valid until December 31, 1995;

(b) Construction may be commenced thirty days after the date the appeal of the board's decision is filed if a permit is granted by the local government and (i) the granting of the permit is appealed to the shorelines hearings board within ((thirty)) twenty-one days of the date of filing, (ii) the hearings board approves the granting of the permit by the local government or approves a portion of the substantial development for which the local government issued the permit, and (iii) an appeal for judicial review of the hearings board decision is filed pursuant to chapter 34.05 RCW((, the appeal shall be so remanded and construction pursuant to such a permit shall be governed by the provisions of subsection (b) of this subsection or may otherwise begin after review proceedings before the board are terminated if judicial review is not thereafter requested pursuant to chapter 34.05 RCW;

(c) If a permit is granted by the local government and the granting of the permit is appealed directly to the superior court for judicial review pursuant to the proviso in RCW 90.58.180(1), the permittee may request the court to remand the appeal to the shorelines hearings board, in which case the appeal shall be so remanded and construction pursuant to such a permit shall be governed by the provisions of subsection (b) of this subsection or may otherwise begin after review proceedings before the board are terminated if judicial review is not thereafter requested pursuant to chapter 34.05 RCW;

(d)) If the permit is for a substantial development meeting the requirements of subsection (((13)))) (11) of this section, construction pursuant to that permit may not begin or be authorized until ((thirty)) twenty-one days from the date the ((final order)) permit decision was filed as provided in subsection (6) of this section.

If a permittee begins construction pursuant to subsections (a), (b), or (c)((–or–(d))) of this subsection, the construction is begun at the permittee's own risk. If, as a result of judicial review, the courts order the removal of any portion of the construction or the restoration of any portion of the environment involved or require the alteration of any portion of a substantial development constructed pursuant to a permit, the permittee is barred from recovering damages or costs involved in adhering to such requirements from the local government that granted the permit, the hearings board, or any intervener.

(6) Any ((ruling)) decision on an application for a permit under the authority of this section, whether it is an approval or a denial, shall, concurrently with the transmittal of the ruling to the applicant, be filed with the department and the attorney general. With regard to a permit other than a permit governed by subsection (((12))) (10) of this section, "date of filing" as used herein means the date of actual receipt by the department. With regard to a permit for a variance or a conditional use, "date of filing" means the date a decision of the department rendered on the permit pursuant to subsection (((42))) (10) of this section is transmitted by the department to the local government. The department shall notify in writing the local government and the applicant of the date of filing.

(7) Applicants for permits under this section have the burden of proving that a proposed substantial development is consistent with the criteria that must be met before a permit is granted. In
any review of the granting or denial of an application for a permit as provided in RCW 90.58.180 (1) and (2), the person requesting the review has the burden of proof.

(8) Any permit may, after a hearing with adequate notice to the permittee and the public, be rescinded by the issuing authority upon the finding that a permittee has not complied with conditions of a permit. If the department is of the opinion that noncompliance exists, the department shall provide written notice to the local government and the permittee. If the department is of the opinion that the noncompliance continues to exist thirty days after the date of the notice, and the local government has taken no action to rescind the permit, the department may petition the hearings board for a rescission of the permit upon written notice of the petition to the local government and the permittee if the request by the department is made to the hearings board within fifteen days of the termination of the thirty-day notice to the local government.

(9) The holder of a certification from the governor pursuant to chapter 80.50 RCW shall not be required to obtain a permit under this section.

(10) A permit may, after a hearing with adequate notice to the permittee and the public, be rescinded by the issuing authority upon the finding that a permittee has not complied with conditions of a permit. If the department is of the opinion that noncompliance exists, the department shall provide written notice to the local government and the permittee. If the department is of the opinion that noncompliance continues to exist thirty days after the date of the notice, and the local government has taken no action to rescind the permit, the department may petition the hearings board for a rescission of the permit upon written notice of the petition to the local government and the permittee if the request by the department is made to the hearings board within fifteen days of the termination of the thirty-day notice to the local government.

Sec. 125. RCW 90.58.180 and 1994 c 253 s 3 are each amended to read as follows:

(1) Any person aggrieved by the granting, denying, or rescinding of a permit on shorelines of the state pursuant to RCW 90.58.140 may seek review from the shorelines hearings board by filing a ((request for the same)) petition for review within ((thirty)) twenty-one days of the date of filing as defined in RCW 90.58.140(6).

(Concurrently with)) Within seven days of the filing of any ((request)) petition for review with the board as provided in this section pertaining to a final ((order)) decision of a local government, the ((requester)) petitioner shall ((file a copy)) serve copies of ((his or her request with)) the petition on the department and the office of the attorney general. ((If it appears to the department or the attorney general that the requester has valid reasons to seek review, either the department or the attorney general may petition the shorelines hearings board for review of the petition on the basis of the requester's valid reasons.))
general may certify the request within thirty days after its receipt to the shorelines hearings board following which the board shall then, but not otherwise, review the matter covered by the request. The failure to obtain such certification shall not preclude the requestor from obtaining a review in the superior court under any right to review otherwise available to the requestor.  

The department and the attorney general may intervene to protect the public interest and insure that the provisions of this chapter are complied with at any time within fifteen days from the date of the receipt by the department or the attorney general of a copy of the (request) petition for review filed pursuant to this section. The shorelines hearings board shall (initially) schedule review proceedings on (such requests) the petition for review without regard as to whether (such requests have or have not been certified or as to whether) the period for the department or the attorney general to intervene has or has not expired, unless such review is to begin within thirty days of such scheduling. If at the end of the thirty day period for certification neither the department nor the attorney general has certified a request for review, the hearings board shall remove the request from its review schedule.  

(2) The department or the attorney general may obtain review of any final (order) decision granting a permit, or granting or denying an application for a permit issued by a local government by filing a written (request) petition with the shorelines hearings board and the appropriate local government within (thirty) twenty-one days from the date the final (order) decision was filed as provided in RCW 90.58.140(6).

(3) The review proceedings authorized in subsections (1) and (2) of this section are subject to the provisions of chapter 34.05 RCW pertaining to procedures in adjudicative proceedings. Judicial review of such proceedings of the shorelines hearings board is governed by chapter 34.05 RCW. The board shall issue its decision on the appeal authorized under subsections (1) and (2) of this section within one hundred eighty days after the date the petition is filed with the board or a petition to intervene is filed by the department or the attorney general, whichever is later. The time period may be waived by the parties or may be extended by the board for a period of thirty days upon a showing of good cause.  

(4) (A local government may appeal to the shorelines hearings board) Any person may appeal any rules, regulations, or guidelines adopted or approved by the department within thirty days of the date of the adoption or approval. The board shall make a final decision within sixty days following the hearing held thereon.  

(5) The board shall find the rule, regulation, or guideline to be valid and enter a final decision to that effect unless it determines that the rule, regulation, or guideline:  

(a) Is clearly erroneous in light of the policy of this chapter; or  

(b) Constitutes an implementation of this chapter in violation of constitutional or statutory provisions; or  

(c) Is arbitrary and capricious; or  

(d) Was developed without fully considering and evaluating all material submitted to the department (by the local government) during public review and comment; or  

(e) Was not adopted in accordance with required procedures( ).  

(6) If the board makes a determination under subsection (5) (a) through (e) of this section, it shall enter a final decision declaring the rule, regulation, or guideline invalid, remanding the rule, regulation, or guideline to the department with a statement of the reasons in support of the determination, and directing the department to adopt, after a thorough consultation with the affected local government and any other interested party, a new rule, regulation, or guideline consistent with the board's decision.  

(7) A decision of the board on the validity of a rule, regulation, or guideline shall be subject to review in superior court, if authorized pursuant to (RCW 34.05.570(2)). No review shall be granted by a superior court on petition from a local government unless the local government shall first have obtained review under subsection (4) of this section and the petition for court review is chapter 34.05 RCW. A petition for review of the decision of the shorelines hearings board on a rule, regulation, or guideline shall be filed within (three months) thirty days after the date of final decision by the shorelines hearings board.  

Sec. 126. RCW 90.58.190 and 1989 c 175 s 184 are each amended to read as follows:
The department and each local government shall periodically review any master programs under its jurisdiction and make such adjustments thereto as are necessary. Any adjustments proposed by a local government to its master program shall be forwarded to the department for review. The department shall approve, reject, or propose modification to the adjustment. If the department either rejects or proposes modification to the master program adjustment, it shall provide substantive written comments as to why the proposal is being rejected or modified. The appeal of the department's decision to adopt a master program or amendment pursuant to RCW 90.58.070(2) or 90.58.090(4) is governed by RCW 34.05.510 through 34.05.598.

(a) The department's decision to approve, reject, or modify a proposed master program or amendment adopted by a local government planning under RCW 36.70A.040 shall be appealed to the growth management hearings board with jurisdiction over the local government. The appeal shall be initiated by filing a petition as provided in RCW 36.70A.250 through 36.70A.320.

(b) In an appeal relating to shorelines, the growth management hearings board shall review the proposed master program or amendment for compliance with the requirements of this chapter and chapter 36.70A RCW, the policy of RCW 90.58.020 and the applicable guidelines, and chapter 43.21C RCW as it relates to the adoption of master programs and amendments under chapter 90.58 RCW.

(c) If the appeal to the growth management hearings board concerns a shoreline of state-wide significance, the board shall uphold the decision by the department unless the board, by clear and convincing evidence, determines that the decision of the department is inconsistent with the policy of RCW 90.58.020 and the applicable guidelines.

(d) The appellant has the burden of proof in all appeals to the growth management hearings board under this subsection.

(e) Any party aggrieved by a final decision of a growth management hearings board under this subsection may appeal the decision to superior court as provided in RCW 36.70A.300.

(3)(a) Except as provided in subsection (2) of this section, any local government not planning under RCW 36.70A.040 that is aggrieved by the department's decision to approve, reject, or modify its proposed master program or master program amendment may appeal the department's decision by filing a petition to the shorelines hearings board within thirty days of the date of the department's written notice to the local government of the department's decision to approve, reject, or modify a proposed master program or master program amendment as provided in RCW 90.58.090(2).

(b) In an appeal relating to shorelines, the shorelines hearings board shall review the proposed master program or master program amendment and, after full consideration of the presentations of the local government and the department, shall determine the validity of the local government's master program or amendment in light of the policy of RCW 90.58.020 and the applicable guidelines.

(c) In an appeal relating to shorelines of state-wide significance, the shorelines hearings board shall uphold the decision by the department unless the local government persuades the board, by clear and convincing evidence, that the decision of the department is inconsistent with the policy of RCW 90.58.020 and the applicable guidelines.

(d) Review by the shorelines hearings board shall be considered an adjudicative proceeding under chapter 34.05 RCW, the Administrative Procedure Act. The aggrieved local government shall have the burden of proof in all such reviews.

(e) Whenever possible, the review by the shorelines hearings board shall be heard within the county where the land subject to the proposed master program or master program amendment is primarily located. The department and any local government aggrieved by a final decision of the hearings board may appeal the decision to the superior court of Thurston county as provided in chapter 34.05 RCW.

(4) A master program amendment shall become effective after the approval of the department or after the decision of the shorelines hearings board to uphold the master program or master program amendment, provided that the board may remand the master program or master program adjustment to the local government or the department for modification prior to the final adoption of the master program or master program amendment.

Sec. 127. RCW 34.05.461 and 1989 c 175 s 19 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section:
(a) If the presiding officer is the agency head or one or more members of the agency head, the presiding officer may enter an initial order if further review is available within the agency, or a final order if further review is not available;

(b) If the presiding officer is a person designated by the agency to make the final decision and enter the final order, the presiding officer shall enter a final order; and

(c) If the presiding officer is one or more administrative law judges, the presiding officer shall enter an initial order.

(2) With respect to agencies exempt from chapter 34.12 RCW or an institution of higher education, the presiding officer shall transmit a full and complete record of the proceedings, including such comments upon demeanor of witnesses as the presiding officer deems relevant, to each agency official who is to enter a final or initial order after considering the record and evidence so transmitted.

(3) Initial and final orders shall include a statement of findings and conclusions, and the reasons and basis therefor, on all the material issues of fact, law, or discretion presented on the record, including the remedy or sanction and, if applicable, the action taken on a petition for a stay of effectiveness. Any findings based substantially on credibility of evidence or demeanor of witnesses shall be so identified. Findings set forth in language that is essentially a repetition or paraphrase of the relevant provision of law shall be accompanied by a concise and explicit statement of the underlying evidence of record to support the findings. The order shall also include a statement of the available procedures and time limits for seeking reconsideration or other administrative relief. An initial order shall include a statement of any circumstances under which the initial order, without further notice, may become a final order.

(4) Findings of fact shall be based exclusively on the evidence of record in the adjudicative proceeding and on matters officially noticed in that proceeding. Findings shall be based on the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their affairs. Findings may be based on such evidence even if it would be inadmissible in a civil trial. However, the presiding officer shall not base a finding exclusively on such inadmissible evidence unless the presiding officer determines that doing so would not unduly abridge the parties' opportunities to confront witnesses and rebut evidence. The basis for this determination shall appear in the order.

(5) Where it bears on the issues presented, the agency's experience, technical competency, and specialized knowledge may be used in the evaluation of evidence.

(6) If a person serving or designated to serve as presiding officer becomes unavailable for any reason before entry of the order, a substitute presiding officer shall be appointed as provided in RCW 34.05.425. The substitute presiding officer shall use any existing record and may conduct any further proceedings appropriate in the interests of justice.

(7) The presiding officer may allow the parties a designated time after conclusion of the hearing for the submission of memos, briefs, or proposed findings.

(8)(a) Except as otherwise provided in (b) of this subsection, initial or final orders shall be served in writing within ninety days after conclusion of the hearing or after submission of memos, briefs, or proposed findings in accordance with subsection (7) of this section unless this period is waived or extended for good cause shown.

(b) This subsection does not apply to the final order of the shorelines hearings board on appeal under RCW 90.58.180(3).

(9) The presiding officer shall cause copies of the order to be served on each party and the agency.

Sec. 128. RCW 34.05.514 and 1994 c 257 s 23 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section ((and RCW 36.70A.300(3))), proceedings for review under this chapter shall be instituted by filing a petition in the superior court, at the petitioner's option, for (a) Thurston county, (b) the county of the petitioner's residence or principal place of business, or (c) in any county where the property owned by the petitioner and affected by the contested decision is located.

(2) For proceedings involving institutions of higher education, the petition shall be filed either in the county in which the principal office of the institution involved is located or in the county of a branch campus if the action involves such branch.

NEW SECTION. Sec. 129. A new section is added to chapter 36.70A RCW to read as follows:
For shorelines of the state, the goals and policies of the shoreline management act as set forth in RCW 90.58.020 are added as one of the goals of this chapter as set forth in RCW 36.70A.020. The comprehensive plan of a county or city planning under RCW 36.70A.040 must also include a separate shorelines element consisting of the goals, policies, and use guidelines segments of the shoreline master program adopted under chapter 90.58 RCW. All other portions of the shoreline master program, including regulations, shall be considered part of the county’s or city’s development regulations.

The shoreline master program shall be adopted pursuant to the procedures of chapter 90.58 RCW rather than the procedures set forth in this chapter for the adoption of a comprehensive plan and development regulations, including approval by the department of ecology, except that an appeal from the actions by the department of ecology are appealable to the appropriate growth management hearings board rather than the shorelines hearings board.

Sec. 130. RCW 36.70A.130 and 1990 1st ex.s. c 17 s 13 are each amended to read as follows:

(1) Each comprehensive land use plan and development regulations shall be subject to continuing evaluation and review by the county or city that adopted them.

Any amendment or revision to a comprehensive land use plan shall conform to this chapter, and any change to development regulations shall be consistent with and implement the comprehensive plan.

(2)(a) Each county and city shall establish and broadly disseminate to the public a public participation program identifying procedures whereby proposed amendments or revisions of the comprehensive plan are considered by the governing body of the county or city no more frequently than once every year except under the following circumstances:

(i) The initial adoption of a subarea plan; and
(ii) The adoption or amendment of a shoreline master program under the procedures set forth in chapter 90.58 RCW.

(b) All proposals shall be considered by the governing body concurrently so the cumulative effect of the various proposals can be ascertained. However, after appropriate public participation, a county or city may adopt amendments or revisions to its comprehensive plan that conform with this chapter whenever an emergency exists or to resolve an appeal of a comprehensive plan filed with the growth management hearings board or with the court.

(3) Each county that designates urban growth areas under RCW 36.70A.110 shall review, at least every ten years, its designated urban growth area or areas, and the densities permitted within both the incorporated and unincorporated portions of each urban growth area. In conjunction with this review by the county, each city located within an urban growth area shall review the densities permitted within its boundaries, and the extent to which the urban growth occurring within the county has located within each city and the unincorporated portions of the urban growth areas. The county comprehensive plan designating urban growth areas, and the densities permitted in the urban growth areas by the comprehensive plans of the county and each city located within the urban growth areas, shall be revised to accommodate the urban growth projected to occur in the county for the succeeding twenty-year period.

Sec. 131. RCW 36.70A.290 and 1994 c 257 s 2 and 1994 c 249 s 26 are each reenacted and amended to read as follows:

(1) All requests for review to a growth management hearings board shall be initiated by filing a petition that includes a detailed statement of issues presented for resolution by the board.

(2) All petitions relating to whether or not an adopted comprehensive plan, development regulation, or permanent amendment thereto, is in compliance with the goals and requirements of this chapter or chapter 90.58 or 43.21C RCW must be filed within sixty days after publication by the legislative bodies of the county or city.

(a) Except as provided in (c) of this subsection, the date of publication for a city shall be the date the city publishes the ordinance, or summary of the ordinance, adopting the comprehensive plan or development regulations, or amendment thereto, as is required to be published.

(b) Promptly after adoption, a county shall publish a notice that it has adopted the comprehensive plan or development regulations, or amendment thereto.

Except as provided in (c) of this subsection, for purposes of this section the date of publication for a county shall be the date the county publishes the notice that it has adopted the comprehensive plan or development regulations, or amendment thereto.
For local governments planning under RCW 36.70A.040, promptly after approval or disapproval of a local government's shoreline master program or amendment thereto by the department of ecology as provided in RCW 90.58.090, the local government shall publish a notice that the shoreline master program or amendment thereto has been approved or disapproved by the department of ecology. For purposes of this section, the date of publication for the adoption or amendment of a shoreline master program is the date the local government publishes notice that the shoreline master program or amendment thereto has been approved or disapproved by the department of ecology.

(3) Unless the board dismisses the petition as frivolous or finds that the person filing the petition lacks standing, the board shall, within ten days of receipt of the petition, set a time for hearing the matter.

(4) The board shall base its decision on the record developed by the city, county, or the state and supplemented with additional evidence if the board determines that such additional evidence would be necessary or of substantial assistance to the board in reaching its decision.

(5) The board, shall consolidate, when appropriate, all petitions involving the review of the same comprehensive plan or the same development regulation or regulations.

Sec. 132. RCW 36.70A.320 and 1991 s.s. c 32 s 13 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, comprehensive plans and development regulations, and amendments thereto, adopted under this chapter are presumed valid upon adoption. In any petition under this chapter, the board, after full consideration of the petition, shall determine whether there is compliance with the requirements of this chapter. In making its determination, the board shall consider the criteria adopted by the department under RCW 36.70A.190(4). The board shall find compliance unless it finds by a preponderance of the evidence that the state agency, county, or city erroneously interpreted or applied this chapter.

(2) The shoreline element of a comprehensive plan and the applicable development regulations adopted by a county or city shall take effect as provided in chapter 90.58 RCW.

Sec. 133. RCW 82.02.090 and 1990 1st ex.s. c 17 s 48 are each amended to read as follows:

Unless the context clearly requires otherwise, the following definitions shall apply (in RCW 82.02.050 through 82.02.090) throughout this chapter:

(1) "Development" means any proposed change in use of land for which review of environmental impacts is required under chapter 43.21C RCW, any proposed construction or expansion of a building, structure, or use, or any proposed change in use of a building or structure.

(2) "Development activity" means any construction or expansion of a building, structure, or use, any change in use of a building or structure, or any changes in the use of land, that creates additional demand and need for public facilities.

(3) "Development approval" means any written authorization from a county, city, or town which authorizes the commencement of development activity.

(4) "Environmental analysis" means review under chapter 43.21C RCW of environmental impacts of an action required or authorized by chapter 36.70A RCW.

(5) "Environmental analysis fees" means a payment of money imposed on development as a condition of development approval to pay for environmental analysis needed to establish the system capacity projected to accommodate implementation of a comprehensive plan adopted under chapter 36.70A RCW.

(6) "Impact fee" means a payment of money imposed upon development as a condition of development approval to pay for public facilities needed to serve new growth and development, and that is reasonably related to the new development that creates additional demand and need for public facilities, that is a proportionate share of the cost of the public facilities, and that is used for facilities that reasonably benefit the new development. "Impact fee" does not include a reasonable permit or application fee.

(7) "Owner" means the owner of record of real property, although when real property is being purchased under a real estate contract, the purchaser shall be considered the owner of the real property if the contract is recorded.

(8) "Proportionate share" means that portion of the cost of public facility improvements that are reasonably related to the service demands and needs of new development.

(9) "Project improvements" mean site improvements and facilities that are planned and designed to provide service for a particular development project and that are necessary for the use and
convenience of the occupants or users of the project, and are not system improvements. No improvement or facility included in a capital facilities plan approved by the governing body of the county, city, or town shall be considered a project improvement.

"Public facilities" means the following capital facilities owned or operated by government entities: (a) Public streets and roads; (b) publicly owned parks, open space, and recreation facilities; (c) school facilities; and (d) fire protection facilities in jurisdictions that are not part of a fire district.

"Service area" means a geographic area defined by a county, city, town, or intergovernmental agreement in which a defined set of public facilities provide service to development within the area. Service areas shall be designated on the basis of sound planning or engineering principles.

"System capacity" means the capacity of a county, city, or town to accommodate new development determined by the limiting capacities of specific natural or built systems identified in the comprehensive plan adopted pursuant to RCW 36.70A.040.

"System improvements" mean public facilities that are included in the capital facilities plan and are designed to provide service to service areas within the community at large, in contrast to project improvements.

NEW SECTION. Sec. 134. A new section is added to chapter 82.02 RCW to read as follows:

Except only as expressly provided in RCW 67.28.180 and 67.28.190 and in chapter 82.14 RCW, the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision has the right to impose taxes of that nature.

Sec. 135. RCW 82.02.020 and 1990 1st ex.s. c 17 s 42 are each amended to read as follows:

Except only as expressly provided in RCW 67.28.180 and 67.28.190 and the provisions of chapter 82.14 RCW, the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature. (1) Except as provided in (RCW 82.02.050 through 82.02.090) this chapter, a county, city, town, or other municipal corporation shall not impose any tax, fee, or charge, either direct or indirect, on the construction or reconstruction of residential buildings, commercial buildings, industrial buildings, or on any other building or building space or appurtenance thereto, or on the development, subdivision, classification, or reclassification of land. However, this section does not preclude dedications of land or easements within the proposed development or plat which the county, city, town, or other municipal corporation can demonstrate are reasonably necessary as a direct result of the proposed development or plat to which the dedication of land or easement is to apply.

(2) This section does not prohibit voluntary agreements with a county, city, town, or other municipal corporation that allows a payment in lieu of a dedication of land or to mitigate a direct impact that has been identified as a consequence of a proposed development, subdivision, or plat. A local government shall not use such voluntary agreements for local off-site transportation improvements within the geographic boundaries of the area or areas covered by an adopted transportation program authorized by chapter 39.92 RCW. Any such voluntary agreement is subject to the following provisions:

(a) The payment shall be held in a reserve account and may only be expended to fund a capital improvement agreed upon by the parties to mitigate the identified, direct impact;
(b) The payment shall be expended in all cases within five years of collection; and
(c) Any payment not so expended shall be refunded with interest at the rate applied to judgments to the property owners of record at the time of the refund; however, if the payment is not expended within five years due to delay attributable to the developer, the payment shall be refunded without interest.

(3) A county, city, town, or other municipal corporation shall not require any payment as part of such a voluntary agreement which the county, city, town, or other municipal corporation cannot establish is reasonably necessary as a direct result of the proposed development or plat.
(4)(a) Nothing in this section prohibits cities, towns, counties, or other municipal corporations from collecting reasonable fees from an applicant for a permit or other governmental approval to cover the cost to the city, town, county, or other municipal corporation of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW.

(b) This section does not limit the existing authority of any county, city, town, or other municipal corporation to impose special assessments on property specifically benefitted thereby in the manner prescribed by law.

(c) Nothing in this section prohibits counties, cities, or towns from imposing or permits counties, cities, or towns to impose water, sewer, natural gas, drainage utility, and drainage system charges. No such charge may exceed the proportionate share of such utility or system's capital costs which the county, city, or town can demonstrate are attributable to the property being charged. These provisions shall not be interpreted to expand or contract any existing authority of counties, cities, or towns to impose such charges.

(d) Nothing in this section prohibits a transportation benefit district from imposing fees or charges authorized in RCW 36.73.120 nor prohibits the legislative authority of a county, city, or town from approving the imposition of such fees within a transportation benefit district.

(e) Nothing in this section prohibits counties, cities, or towns from imposing transportation impact fees authorized pursuant to chapter 39.92 RCW.

(f) Nothing in this section prohibits counties, cities, or towns from requiring property owners to provide relocation assistance to tenants under RCW 59.18.440 and 59.18.450.

(5) This section does not apply to special purpose districts formed and acting pursuant to Titles 54, 56, 57, or 87 RCW, nor is the authority conferred by these titles affected.

NEW SECTION. Sec. 136. (1) The legislature finds that:
(a) As of the effective date of this section, twenty-nine counties and two hundred eight cities are conducting comprehensive planning under the growth management act, chapter 36.70A RCW, which together comprise over ninety percent of the state's population;
(b) Comprehensive plans for many of the jurisdictions were due by July 1, 1994, and the remaining jurisdictions must complete plans under due dates ranging from October 1994 to September 1997;
(c) Concurrently with these comprehensive planning activities, local governments must conduct several other planning requirements under the growth management act, such as the adoption of capital facilities plans, urban growth areas, and development regulations;
(d) Local governments must also comply with the state environmental policy act, chapter 43.21C RCW, in the development of comprehensive plans;
(e) The combined activities of comprehensive planning and the state environmental policy act present a serious fiscal burden upon counties, cities, and towns;
(f) This fiscal burden will be experienced over a relatively short period of time, whereas the benefits of growth management and environmental protection achieved through the comprehensive plans will accrue to each area over a much longer period in the future; and
(g) The revenues from fees assessed at the time of county, city, or town government approval of projects that are consistent with the comprehensive plan may provide the basis for these local governments to issue both general obligations and revenue obligations in order to provide the early funding necessary to carry out their comprehensive planning and accompanying environmental analysis responsibilities.

(2) Therefore it is the intent of the legislature by enacting this chapter to authorize counties, cities, and towns planning under RCW 36.70A.040 to assess environmental analysis fees at the time of project review, issue both general indebtedness and revenue indebtedness payable from the environmental analysis fees, and assist in financing the enhanced environmental review of comprehensive plans, subarea plans, and development regulations.

NEW SECTION. Sec. 137. (1) A county, city, or town planning under RCW 36.70A.040 may impose environmental analysis fees on development to partially finance the enhanced environmental analysis of its comprehensive plan, subarea plans, and development regulations, as provided in section 103 of this act.

(2) Environmental analysis fees may not be assessed or collected on development that is categorically exempt from a threshold determination under chapter 43.21C RCW.
(3) Environmental analysis fees shall be proportionate to the amount of system capacity or capacities projected to be consumed by the new development.

(4) Environmental analysis fees shall be collected and spent only for the costs of environmental analysis upon which the system capacity forecast in a comprehensive plan adopted pursuant to RCW 36.70A.070 or subarea plan is based.

(5) Environmental analysis fees shall not be used to recover more than seventy-five percent of the costs previously incurred by a county, city, or town for environmental analysis required to establish the system capacity forecast in a comprehensive plan or subarea plan.

NEW SECTION. Sec. 138. A county, city, or town in its ordinance establishing environmental analysis fees shall:

(1) Include a schedule of environmental analysis fees based upon a formula or other method of calculating such fees. The formula or calculation shall incorporate at least the following:
   (a) The amount of system capacity to be used by the new development;
   (b) The total cost of environmental analysis required to establish the system capacity forecast in the comprehensive plan; and
   (c) The amount of the total cost of environmental analysis allocated to each capacity element used to determine the amount of the fee;

(2) Allow the county, city, or town to adjust the standard fee at the time the fee is imposed to consider unusual circumstances in specific cases to ensure that environmental analysis fees are imposed fairly;

(3) Not assess or collect environmental analysis fees to recover costs of environmental analysis that have already been fully recovered through environmental impact fees or through other sources.

NEW SECTION. Sec. 139. A county, city, or town planning under RCW 36.70A.040 may issue general obligations and revenue obligations payable from environmental analysis fees to assist in financing the enhanced environmental review of comprehensive plans, subarea plans, and development regulations that is in sufficient detail to allow the environmental impact statement to be used in whole or in part by an applicant for a development within the geographic area covered by the plan or regulations that receives the enhanced environmental review. The comprehensive plan, subarea plan, or development regulations must include mechanisms to monitor the usefulness of the enhanced environmental review by applicants for development permits authorizing development consistent with the plan and regulations.

The obligations issued to finance the enhanced environmental review may not have a maturity in excess of ten years. The obligations shall be issued as provided in chapter 39.46 RCW.

At least twenty-five percent of the funding for the enhanced environmental review must come from sources other than the environmental analysis fees.

NEW SECTION. Sec. 140. A new section is added to chapter 36.70A RCW to read as follows:

The growth management planning and environmental review loan fund is hereby established in the state treasury. Moneys may be placed in the fund from the proceeds of bond sales, tax revenues, budget transfers, federal appropriations, gifts, or any other lawful source. Moneys in the fund may be spent only after appropriation. Moneys in the fund shall be used to make low-interest loans to counties and cities for the purposes set forth in section 103 of this act or RCW 43.21C.031. Loans from the fund shall be made by loan agreement under chapter 39.69 RCW.

NEW SECTION. Sec. 141. A new section is added to chapter 36.70A RCW to read as follows:

(1) The department of community, trade, and economic development shall provide management services for the fund created by section 140 of this act. The department by rule shall establish procedures for fund management.

(2) A county or city applicant must be making substantial progress towards compliance with the requirements of chapter 36.70A RCW in order to qualify for financial assistance from the fund established pursuant to section 140 of this act. A county or city that is more than six months out of compliance with a requirement of this chapter is deemed not to be making substantial progress towards compliance.
(3) The department by loan agreement may permit a deferred payment on the principal repayment of any loan for a period not to exceed two years. Interest shall continue to accrue during this period.

NEW SECTION. Sec. 142. Capitalization of the growth management planning and environmental review loan fund shall be made by:
(1) A transfer of four million dollars from the public works assistance account; and
(2) A transfer of two million dollars from the transportation fund.

NEW SECTION. Sec. 143. A new section is added to chapter 35.22 RCW to read as follows:
A first class city may directly contract with the owner of real estate that is proposed to be developed, or with the developer of the real estate, without following competitive bidding procedures under RCW 35.22.620 to construct or improve transportation improvements, sanitary sewer facilities, storm sewer facilities, and water facilities, that will in whole or in part serve or be used by the proposed development.

NEW SECTION. Sec. 144. A new section is added to chapter 35.23 RCW to read as follows:
A second class city or town may directly contract with the owner of real estate that is proposed to be developed, or with the developer of the real estate, without following competitive bidding procedures under RCW 35.23.352 to construct or improve transportation improvements, sanitary sewer facilities, storm sewer facilities, and water facilities, that will in whole or in part serve or be used by the proposed development.

NEW SECTION. Sec. 145. A new section is added to chapter 35.43 RCW to read as follows:
A city, town, or public corporation may directly contract with the owner of real estate that is proposed to be developed, or with the developer of the real estate, within a local improvement district or utility local improvement district, without following competitive bidding procedures under RCW 35.43.190 to construct or improve transportation improvements, sanitary sewer facilities, storm sewer facilities, and water facilities, that are proposed to be financed by special assessments imposed within the improvement district that will in whole or in part serve or be used by the proposed development.

Sec. 146. RCW 35A.40.210 and 1989 c 11 s 8 are each amended to read as follows:
Procedures for any public work or improvement contracts or purchases for code cities shall be governed by the following statutes, as indicated:
(1) For code cities of twenty thousand population or over, RCW 35.22.620 and section 143 of this act; and
(2) For code cities under twenty thousand population((; RCW 35.23.352 and section 144 of this act.

NEW SECTION. Sec. 147. A new section is added to chapter 36.32 RCW to read as follows:
A county may directly contract with the owner of real estate that is proposed to be developed, or with the developer of the real estate, within a local improvement district or utility local improvement district, without following competitive bidding procedures under RCW 36.32.250 to construct or improve sanitary sewer facilities, storm sewer facilities, and water facilities, that will in whole or in part serve or be used by the proposed development, including facilities that are financed by special assessments imposed within a local improvement district or utility local improvement district created under chapter 36.94 RCW.

NEW SECTION. Sec. 148. A new section is added to chapter 36.77 RCW to read as follows:
A county may directly contract with the owner of real estate that is proposed to be developed, or with the developer of the real estate, without following competitive bidding procedures under this chapter to construct or improve transportation improvements that will in whole or in part serve or be used by the proposed development, including facilities that are financed by special assessments imposed within a road improvement district created under chapter 36.88 RCW.

NEW SECTION. Sec. 149. A new section is added to chapter 56.08 RCW to read as follows:
A sewer district may directly contract with the owner of real estate that is proposed to be developed, or with the developer of the real estate, without following competitive bidding procedures
under RCW 56.08.070 to construct or improve sanitary sewer facilities or storm sewer facilities, that will in whole or in part serve or be used by the proposed development, including facilities that are financed by special assessments imposed within a local improvement district or utility local improvement district created under chapter 56.20 RCW.

NEW SECTION. Sec. 150. A new section is added to chapter 57.08 RCW to read as follows:
A water district may directly contract with the owner of real estate that is proposed to be developed, or with the developer of the real estate, without following competitive bidding procedures under RCW 57.08.050 to construct or improve water facilities that will in whole or in part serve or be used by the proposed development, including facilities that are financed by special assessments imposed within a local improvement district or utility local improvement district created under chapter 57.16 RCW.

NEW SECTION. Sec. 151. A new section is added to chapter 35.63 RCW to read as follows:
A city or county planning under this chapter must allow cellular antenna facilities to be sited in any zone within its planning jurisdiction, but may establish conditions and requirements on the siting of such facilities and require the issuance of a conditional use permit or special use permit before a cellular antenna facility is authorized.

NEW SECTION. Sec. 152. A new section is added to chapter 35A.63 RCW to read as follows:
A code city must allow cellular antenna facilities to be sited in any zone within its planning jurisdiction, but may establish conditions and requirements on the siting of such facilities and require the issuance of a conditional use permit or special use permit before a cellular antenna facility is authorized.

NEW SECTION. Sec. 153. A new section is added to chapter 36.70 RCW to read as follows:
A county planning under this chapter must allow cellular antenna facilities to be sited in any zone within its planning jurisdiction, but may establish conditions and requirements on the siting of such facilities and require the issuance of a conditional use permit or special use permit before a cellular antenna facility is authorized.

NEW SECTION. Sec. 154. A new section is added to chapter 36.70A RCW to read as follows:
A county or city planning under RCW 36.70A.040 must allow cellular antenna facilities to be sited in any zone within its planning jurisdiction, but may establish conditions and requirements on the siting of such facilities and require the issuance of a conditional use permit or special use permit before a cellular antenna facility is authorized.

NEW SECTION. Sec. 155. A new section is added to chapter 43.21C RCW to read as follows:
An authorization of cellular antenna facilities shall be categorically exempt from a threshold decision under the rules adopted by the department for categorical exemptions.

NEW SECTION. Sec. 156. Sections 136 through 139 of this act shall constitute a new chapter in Title 36 RCW.

NEW SECTION. Sec. 157. RCW 82.02.020, 82.02.050, 82.02.060, 82.02.070, 82.02.080, 82.02.090, and 82.02.100 are each recodified as sections within a new chapter created in Title 36 RCW.

NEW SECTION. Sec. 158. RCW 90.58.145 and 1979 ex.s. c 84 s 4 are each repealed.

PART II - PERMITTING

NEW SECTION. Sec. 201. The legislature finds and declares the following:
As the number of environmental laws and development regulations has increased for land uses and development, so has the number of required local land use permits, each with its own separate approval process.

The increasing number of local and state land use permits and separate environmental review processes required by agencies has generated continuing potential for conflict, overlap, and duplication between the various permit and review processes.

This regulatory burden has significantly added to the cost and time needed to obtain local and state land use permits and has made it difficult for the public to know how and when to provide timely comments on land use proposals that require multiple permits and have separate environmental review processes.

NEW SECTION. Sec. 202. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Closed record appeal" means an appeal to a local government body or officer, including the legislative body, following an open record hearing and a decision by the body or officer on a development permit application when the appeal is on the record with no or limited new evidence or information allowed to be submitted and only appeal argument allowed.

(2) "Development permit" or "development permit application" means any land use or environmental permit or license required from a local government for a project action, including but not limited to building permits, subdivisions, binding site plans, planned unit developments, conditional uses, shoreline substantial development permits, and other land use applications, but does not include proposed amendments to comprehensive plans or the adoption or amendment of development regulations.

(3) "Development regulations" means the controls placed on development or land use activities by a local government, including, but not limited to, zoning ordinances, critical areas ordinances, shoreline master programs, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances, together with any amendments, but does not include decisions to approve a development permit application, even though such decisions may be expressed in a resolution or ordinance of the legislative body of the local government.

(4) "Local government" means a county, city, or town.

(5) "Open record hearing" means a hearing conducted by a hearing body or officer of the local government that creates a record through testimony and submission of evidence and information, whether the hearing is open to members of the general public for purposes of hearing public comments prior to a decision on a development permit application or is limited to those filing an appeal of a staff decision.

NEW SECTION. Sec. 203. Not later than December 31, 1996, each local government that does not plan under RCW 36.70A.040 shall provide by ordinance or resolution for review of development permit applications to achieve the following objectives:

(1) Combine the environmental review process, both procedural and substantive, with the procedure for review of development permits;

(2) Except as provided in RCW 43.21C.075(3), provide for no more than one open record hearing and one closed record appeal; and

(3) Eliminate any appeal period for judicial appeals that conflicts with the uniform twenty-one day appeal period provided in section 305 of this act.

NEW SECTION. Sec. 204. Not later than December 31, 1996, each local government planning under RCW 36.70A.040 shall establish by ordinance or resolution an integrated and consolidated development permit process that includes the following required elements:

(1) A notice of completion to the applicant as required by RCW 36.70A.440 (as recodified by this act);

(2) A notice of application to the public and agencies with jurisdiction as required by section 208 of this act;

(3) With the exception of a determination of significance, which shall be issued in advance of the agency decision or recommendation on the project action as provided in chapter 43.21C RCW, a single report by the decision maker that combines the local government’s threshold determination, if required under chapter 43.21C RCW, with the agency’s decision or recommendation on all
development permits included in the consolidated permit review and also includes any mitigation required pursuant to the development regulations or the agency’s authority under RCW 43.21C.060;

(4) Except as provided in section 211 of this act, the consolidation into a single review process of all development permits requested by an applicant for part or all of a project action, including no more than one consolidated open record hearing before a single hearing body or officer;

(5) Except for the appeal of a determination of significance as provided in RCW 43.21C.075, if a local government elects to provide an appeal of its threshold determinations or development permit decisions, the local government shall provide for no more than one consolidated open record hearing before a single hearing body or officer. The local government need not provide for any further appeal. If a closed record appeal is provided, the appeal shall be on the record before a single decision-making body or officer;

(6) A notice of decision as required by section 210 of this act and issued within the time period provided in RCW 36.70A.065 (as recodified by this act) and section 207 of this act; and

(7) Any other provisions not inconsistent with the requirements of this chapter or chapter 43.21C RCW.

Sec. 205. RCW 36.70A.440 and 1994 c 257 s 4 are each amended to read as follows:

((Each city and county)) (1) Within twenty-eight days after receiving a development permit application, a local government planning pursuant to RCW 36.70A.040 shall mail or provide in person a written determination to the applicant, stating either:

(a) That the application is complete; or

(b) That the application is incomplete and what is necessary to make the application complete.

(2)(a) An application shall be deemed complete under this section if the local government does not provide a written determination to the applicant that the application is incomplete as provided in subsection (1)(b) of this section.

(b) Within ten days after an applicant has submitted to a local government additional information identified by the local government as being necessary for a complete application, the local government shall notify the applicant whether the information submitted adequately responds to the notice given under (a) of this subsection and thereby makes the application complete or what additional information is necessary.

(3) To the extent known by the local government, the local government shall identify other agencies of local, state, or federal governments that may have jurisdiction over some aspect of the application.

Sec. 206. RCW 36.70A.065 and 1994 c 257 s 3 are each amended to read as follows:

Development regulations adopted pursuant to RCW 36.70A.040 shall establish time periods consistent with section 207 of this act for local government actions on specific development permit applications and provide timely and predictable procedures to determine whether a completed development permit application meets the requirements of those development regulations. Such development regulations shall specify the contents of a completed development permit application necessary for the application of such time periods and procedures.

NEW SECTION. Sec. 207. (1) Except as otherwise provided in subsection (2) of this section, a local government planning under RCW 36.70A.040 shall issue its notice of final decision within one hundred twenty days after the local government notifies the applicant for a project that the application is complete or is deemed complete, as provided in RCW 36.70A.440 (as recodified by this act). In determining the number of days that have elapsed after the local government has notified the applicant that the application is complete, the following periods shall be excluded:

(a) Any period during which an environmental impact statement is being prepared following a determination of significance pursuant to chapter 43.21C RCW, if the local government by ordinance or resolution has established time periods for completion of environmental impact statements, or if the local government and the applicant in writing agree to a time period for completion of an environmental impact statement; and

(b) A period, not to exceed sixty days, to consider and decide closed record appeals, unless the parties voluntarily agree to extend the period.
(2) The time limits established by subsection (1) of this section do not apply if a development permit:
   (a) Requires an amendment to the comprehensive plan or a development regulation;
   (b) Involves a new fully contained community as provided in RCW 36.70A.350, a master planned resort as provided in RCW 36.70A.360, or the siting of an essential public facility as provided in RCW 36.70A.200; or
   (c) Involves substantial revisions to the project proposal at the applicant’s request, in which case the time period shall start from the date at which the revised project application is determined to be complete under RCW 36.70A.440 (as recodified by this act).

(3) If the local government has failed to issue its notice of final decision within one hundred twenty days after the local government notifies the applicant for a project that the application is complete or is deemed complete, as provided in RCW 36.70A.440 (as recodified by this act), but not including time excluded under subsections (1) and (2) of this section the application shall be deemed approved, in the absence of extraordinary circumstances.

(4) After an application is complete as provided in RCW 36.70A.440 (as recodified by this act), the local government may not require the applicant to submit additional information. The local government may, in the course of processing the application, request the applicant to clarify, explain, or correct information the applicant has submitted.

(5) Failure of an applicant to submit adequate information required pursuant to RCW 36.70A.440 (as recodified by this act) may constitute grounds for disapproving the application.

(6) The notice of completeness may include the following as optional information:
   (a) A preliminary determination of those development regulations that will be used for project mitigation;
   (b) A preliminary determination of consistency, as provided under section 101 of this act; or
   (c) Other information the local government chooses to include.

(7) A local government may require the applicant for a development permit to designate a single person or entity to receive notice required by this section.

NEW SECTION. Sec. 208. (1) Not later than December 31, 1996, a local government planning under RCW 36.70A.040 shall provide a notice of application to the public and the departments and agencies with jurisdiction as provided in this section.

(2) The notice of application shall include the following:
   (a) The date of application;
   (b) The proposed project action and the development permits included in the application and, if applicable, any studies requested under RCW 36.70A.440 (as recodified by this act) or section 207 of this act;
   (c) The identification of other development or related permits not included in the application to the extent known by the local government;
   (d) A public comment period of not less than fourteen nor more than twenty-eight days following the date of notice of application, and statements of the right of any person to request a copy of the decision once made and any appeal rights;
   (e) The date for open record hearing, if applicable and scheduled at the date of notice of the application;
   (f) A statement of the preliminary determination, if one has been made at the time of notice, of those development regulations that will be used for project mitigation and of consistency as provided in section 101 of this act; and
   (g) Any other information determined appropriate by the local government, including the optional information required in section 207(5) of this act.

(3) If an open record hearing is required for the requested development permits, the notice of application shall be provided at least fourteen days prior to the open record hearing.

(4) A local government shall use reasonable methods to give the notice of application to the public and agencies with jurisdiction and may use its existing notice procedures. A local government may use different types of notice for different categories of development permits or types or project actions. Examples of reasonable methods to inform the public are:
   (a) Posting the property for site-specific proposals;
   (b) Publishing notice in the newspaper of general circulation in the local government or general area where the proposal is located;
(c) Notifying public or private groups with known interest in a certain proposal or in the type of proposal being considered;
(d) Notifying the news media;
(e) Placing notices in appropriate regional or neighborhood newspapers or trade journals;
(f) Publishing notice in agency newsletters or sending notice to agency mailing lists, either general lists or lists for specific proposals or subject areas; and
(g) Mailing to neighboring property owners.

(5) A notice of application shall not be required for development permits that are categorically exempt under chapter 43.21C RCW, unless an open record hearing is required.

(6) The local government may not issue its threshold determination or issue a decision or recommendation on a development permit until expiration of the public comment period. Comments shall be as specific as possible. If an agency with jurisdiction or a member of the public does not respond with written comments within the public comment period, the local government shall assume that such agency or person has no objection to the proposed development permit if the procedures of this section have been met.

NEW SECTION. Sec. 209. (1) Each local government planning under RCW 36.70A.040 shall establish a permit review process that provides for the integrated and consolidated review and decision on two or more development permits relating to a proposed project action, including a single application review and approval process covering all development permits requested by an applicant for all or part of a project action and a designated permit coordinator. If an applicant elects the consolidated permit review process, the notice of completion, notice of application, and notice of final decision must include all development permits being reviewed through the consolidated permit review process.

(2) Consolidated permit review may provide different procedures for different categories of development permits, but if a project action requires development permits from more than one category, the local government shall provide for consolidated permit review with a single open record hearing and no more than one closed record appeal. Each local government shall determine which development permits are subject to an open record hearing and a closed record appeal. Examples of categories of development permits include but are not limited to:
(a) Categorically exempt proposals, such as variances, lot boundary adjustments, and certain construction permits, which require no environmental review or public notice;
(b) Administrative permits that require environmental review, but no open record hearing except on appeal;
(c) Administrative permits that require a threshold determination and an open record hearing; and
(d) Permits that require environmental review and a decision by the local government legislative body.

(3) A local government is not required to provide for appeals. If provided, an appeal must be filed within fourteen days after notice of the decision being appealed. The applicant for a development permit is deemed to be a participant in any comment period, open record hearing, and closed record appeal.

(4) A local government may provide by ordinance or resolution for the same or a different decision maker or hearing body or officer for different categories of development permits. In the case of consolidated development permit review, the local government shall specify which decision makers shall make the decision or recommendation, conduct the hearing, or decide the appeal to ensure that consolidated permit review occurs as provided in this section. The consolidated permit review may combine an open record public hearing with an open record appeal hearing. In such cases, the local government by ordinance or resolution shall specify which development permits, if any, shall be subject to a closed record appeal.

(5) Each local government planning under RCW 36.70A.040 shall adopt procedures for administrative interpretation of its development regulations.

NEW SECTION. Sec. 210. A local government planning under RCW 36.70A.040 shall provide a notice of decision, which may be a copy of the report, recommendation, or decision, to the applicant and to any person requesting notice of the decision prior to the rendering of the decision. The local government may publish or otherwise provide for additional notice of its decision.
NEW SECTION. Sec. 211. A local government by ordinance or resolution may exclude the following development permits from the provisions of RCW 36.70A.440 (as recodified by this act), 36.70A.065 (as recodified by this act), sections 204, and 207 through 210 of this act:

(1) Variances, lot line or boundary adjustments, short subdivision approval, building and other construction permits categorically exempt from environmental review under chapter 43.21C RCW or similar administrative approvals; and

(2) Landmark designations, street vacations, or other approvals relating to the use of public areas or facilities, or other development permits that the local government by ordinance or resolution has determined present special circumstances that warrant a review process different from that provided in RCW 36.70A.440 (as recodified by this act), 36.70A.065 (as recodified by this act), sections 204, and 207 through 210 of this act.

NEW SECTION. Sec. 212. A local government not planning under RCW 36.70A.040 may incorporate some or all of the provisions of sections 204 and 207 through 210 of this act and RCW 36.70A.065 and 36.70A.440 (as recodified by this act) into its procedures for review of development permits or other project actions.

NEW SECTION. Sec. 213. (1) Each local government is encouraged to adopt further project review provisions to provide prompt, coordinated review and ensure accountability to applicants and the public, including expedited review for development permits for projects that are consistent with adopted development regulations and within the capacity of system-wide infrastructure improvements.

(2) Nothing in this chapter is intended or shall be construed to prevent a local government from requiring by rule, ordinance, or resolution a preapplication conference or meeting, design review, or hearing on some or all proposed projects to obtain public comments on scoping or a draft environmental impact statement pursuant to chapter 43.21C RCW and its applicable rules.

(3) Each local government is encouraged to develop a system of professional certification whereby qualified engineers or other professionals certify an application's compliance with adopted development regulations for the purpose of expediting or eliminating certain aspects of agency review of compliance with those regulations.

(4) Each local government shall adopt procedures to monitor and enforce permit decisions and conditions.

(5) Nothing in this chapter modifies any independent statutory authority for a government agency to appeal a development permit issued by a local government.

NEW SECTION. Sec. 214. A new section is added to chapter 64.40 RCW to read as follows:

A local government is not liable for damages under this chapter due to the local government's failure to make a final decision within the time limits established in section 207 of this act.

Sec. 215. RCW 58.17.090 and 1981 c 293 s 5 are each amended to read as follows:

(1) Upon receipt of an application for preliminary plat approval the administrative officer charged by ordinance with responsibility for administration of regulations pertaining to platting and subdivisions shall provide public notice and set a date for a public hearing. Except as provided in section 208 of this act, at a minimum, notice of the hearing shall be given in the following manner:

1. Notice shall be published not less than ten days prior to the hearing in a newspaper of general circulation within the county and a newspaper of general circulation in the area where the real property which is proposed to be subdivided is located; and

2. Special notice of the hearing shall be given to adjacent landowners by any other reasonable method local authorities deem necessary. Adjacent landowners are the owners of real property, as shown by the records of the county assessor, located within three hundred feet of any portion of the boundary of the proposed subdivision. If the owner of the real property which is proposed to be subdivided owns another parcel or parcels of real property which lie adjacent to the real property proposed to be subdivided, notice under this subsection (1)(b) shall be given to owners of real property located within three hundred feet of any portion of the boundaries of such adjacently located parcels of real property owned by the owner of the real property proposed to be subdivided.

(2) All hearings shall be public. All hearing notices shall include a description of the location of the proposed subdivision. The description may be in the form of either a vicinity location sketch or a written description other than a legal description.
Sec. 216.  RCW 58.17.092 and 1988 c 168 s 12 are each amended to read as follows:

Any notice made under chapter 58.17 or 36.--- (sections 101, 201 through 204, and 207 through 213 of this act) RCW that identifies affected property may identify this affected property without using a legal description of the property including, but not limited to, identification by an address, written description, vicinity sketch, or other reasonable means.

Sec. 217.  RCW 58.17.100 and 1981 c 293 s 6 are each amended to read as follows:

If a city, town or county has established a planning commission or planning agency in accordance with state law or local charter, such commission or agency shall review all preliminary plats and make recommendations thereon to the city, town or county legislative body to assure conformance of the proposed subdivision to the general purposes of the comprehensive plan and to planning standards and specifications as adopted by the city, town or county. Reports of the planning commission or agency shall be advisory only: PROVIDED, That the legislative body of the city, town or county may, by ordinance, assign to such commission or agency, or any department official or group of officials, such administrative functions, powers and duties as may be appropriate, including the holding of hearings, and recommendations for approval or disapproval of preliminary plats of proposed subdivisions.

Such recommendation shall be submitted to the legislative body not later than fourteen days following action by the hearing body. Upon receipt of the recommendation on any preliminary plat the legislative body shall at its next public meeting set the date for the public meeting where it shall consider the recommendations of the hearing body and may adopt or reject the recommendations of such hearing body based on the record established at the public hearing. If, after considering the matter at a public meeting, the legislative body deems a change in the planning commission’s or planning agency’s recommendation approving or disapproving any preliminary plat is necessary, (((the change of the recommendation shall not be made until)))) the legislative body shall (((conduct a public hearing and thereupon))) adopt its own recommendations and approve or disapprove the preliminary plat. (((Such public hearing may be held before a committee constituting a majority of the legislative body. If the hearing is before a committee, the committee shall report its recommendations on the matter to the legislative body for final action.)))

Every decision or recommendation made under this section shall be in writing and shall include findings of fact and conclusions to support the decision or recommendation.

A record of all public meetings and public hearings shall be kept by the appropriate city, town or county authority and shall be open to public inspection.

Sole authority to approve final plats, and to adopt or amend platting ordinances shall reside in the legislative bodies.

Sec. 218.  RCW 58.17.330 and 1994 c 257 s 6 are each amended to read as follows:

(1) As an alternative to those provisions of this chapter requiring a planning commission to hear and issue recommendations for plat approval, the county or city legislative body may adopt a hearing examiner system and shall specify by ordinance the legal effect of the decisions made by the examiner. (((Except as provided in subsection (2) of this section,))) The legal effect of such decisions shall include one of the following:

(a) The decision may be given the effect of a recommendation to the legislative body;
(b) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative body; or
(c) The decision may be given the effect of a final decision of the legislative body.

The legislative authority shall prescribe procedures to be followed by a hearing examiner.

(2) (((The legislative body shall specify the legal effect of a hearing examiner’s procedural determination under the state environmental policy act, as defined in RCW 43.21C.075(3)(a). It may have the effect under subsection (1) (a) or (b) of this section, or may be given the effect of a final decision of the legislative body.)))

(3) Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Each final decision of a hearing examiner, unless a longer period is mutually agreed to by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.
NEW SECTION. Sec. 219. The legislature finds that the lack of certainty in the approval of
development projects can result in a waste of public and private resources, escalate housing costs for
consumers and discourage the commitment to comprehensive planning which would make maximum
efficient use of resources at the least economic cost to the public. Assurance to a development project
applicant that upon government approval the project may proceed in accordance with existing policies
and regulations, and subject to conditions of approval, all as set forth in a development agreement, will
strengthen the public planning process, encourage private participation and comprehensive planning,
and reduce the economic costs of development. Further, the lack of public facilities and services is a
serious impediment to development of new housing and commercial uses. Project applicants and local
governments may include provisions and agreements whereby applicants are reimbursed over time for
financing public facilities. It is the intent of the legislature by sections 220 through 224 of this act to
allow local governments and owners and developers of real property to enter into development
agreements.

NEW SECTION. Sec. 220. A new section is added to chapter 36.70A RCW to read as
follows:

(1) A county or city may enter into a development agreement with a person having ownership
or control of real property within its jurisdiction. A city may enter into a development agreement for
real property outside its boundaries as part of a proposed annexation or a service agreement. A
development agreement must set forth the development standards and other provisions that shall apply
to and govern and vest the development, use, and mitigation of the development of the real property for
the duration specified in the agreement.

(2) Sections 219 through 222 of this act do not affect the validity of a contract rezone,
concomitant agreement, annexation agreement, or other agreement in existence on the effective date of
sections 219 through 222 of this act, or adopted under separate authority, that includes some or all of
the development standards provided in subsection (3) of this section.

(3) For the purposes of this section, “development standards” includes, but is not limited to:
(a) Project elements such as permitted uses, residential densities, and nonresidential densities
and intensities or building sizes;
(b) The amount and payment of impact fees imposed or agreed to in accordance with chapter
36.-- RCW (the new chapter created in section 157 of this act) or any other applicable provisions of
state law, other financial contributions by the property owner, inspection fees, or dedications;
(c) Mitigation measures, development conditions, and other requirements under chapter 43.21C
RCW;
(d) Design standards such as maximum heights, setbacks, drainage and water quality
requirements, landscaping, and other development features;
(e) Affordable housing;
(f) Parks and open space preservation;
(g) Phasing;
(h) Review procedures and standards for implementing decisions;
(i) A build-out or vesting period for applicable standards; and
(j) Any other appropriate development requirement or procedure.

(4) The execution of a development agreement is a proper exercise of county and city police
power and contract authority. A development agreement may obligate a party to fund or provide
services, infrastructure, or other facilities. A development agreement shall reserve authority to impose
new or different regulations to the extent required by a serious threat to public health and safety.

NEW SECTION. Sec. 221. A new section is added to chapter 36.70A RCW to read as
follows:

Unless amended or terminated, a development agreement is enforceable during its term by a
party. A development agreement and the development standards in the agreement govern during the
term of the agreement, or for all or that part of the build-out period specified in the agreement, and
may not be subject to an amendment to a zoning ordinance or development standard or regulation or a
new zoning ordinance or development standard or regulation adopted after the effective date of the
agreement. A permit or approval issued by the county or city after the execution of the development
agreement must be consistent with the development agreement.
NEW SECTION.  Sec. 222. A new section is added to chapter 36.70A RCW to read as follows:
A development agreement may be recorded with the real property records of the county in which the property is located. During the term of the development agreement, the agreement is binding on and will inure to the benefit of the parties and their successors, including a city that assumes jurisdiction through incorporation or annexation of the area covering the property covered by the development agreement.

NEW SECTION.  Sec. 223. A new section is added to chapter 36.70A RCW to read as follows:
A county or city shall only approve a development agreement by ordinance or resolution after a public hearing. The county or city legislative body or a planning commission, hearing examiner, or other body designated by the legislative body to conduct the public hearing may conduct the hearing. If the development agreement relates to a development permit application, the provisions of chapter 36.-- RCW (sections 301 through 312 of this act) shall apply to the appeal of the decision on the development agreement.

NEW SECTION.  Sec. 224. Nothing in sections 219 through 223 of this act is intended to authorize local governments to impose impact fees, inspection fees, or dedications or to require any other financial contributions or mitigation measures except as authorized in RCW 82.02.020 (as recodified by this act) and as otherwise expressly authorized by other applicable provisions of state law.

Sec. 225. RCW 35.63.130 and 1994 c 257 s 8 are each amended to read as follows:
(1) As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and report on any proposal to amend a zoning ordinance, the legislative body of a city or county may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and decide applications for amending the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative body may vest in a hearing examiner the power to hear and decide those issues it believes should be reviewed and decided by a hearing examiner, including but not limited to:
(a) Applications for conditional uses, variances, subdivisions, shoreline permits, or any other class of applications for or pertaining to development of land or land use((which the legislative body believes should be reviewed and decided by a hearing examiner));
(b) Appeals of administrative decisions or determinations, and
(c) Appeals of administrative decisions or determinations pursuant to chapter 43.21C RCW.
The legislative body shall prescribe procedures to be followed by the hearing examiner.
(2) Each city or county legislative body electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. ((Except as provided in subsection (2) of this section,)) The legal effect of such decisions may vary for the different classes of applications decided by the examiner but shall include one of the following:
(a) The decision may be given the effect of a recommendation to the legislative body;
(b) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative body(;
(2) The legislative body may specify the legal effect of a hearing examiner's procedural determination under the state environmental policy act, as defined in RCW 43.21C.075(3)(a). It may have the effect under subsection (1) (a) or (b) of this section, or)
(c) The decision may be given the effect of a final decision of the legislative body, except that applications for rezones may not be given the effect of a final decision of a legislative body.
(3) Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the city’s or county’s comprehensive plan and the city’s or county’s development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.
Sec. 226. RCW 35A.63.170 and 1994 c 257 s 7 are each amended to read as follows:

(1) As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and report on any proposal to amend a zoning ordinance, the legislative body of a city may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and decide applications for amending the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative body may vest in a hearing examiner the power to hear and decide those issues it believes should be reviewed and decided by a hearing examiner, including but not limited to:

(a) Applications for conditional uses, variances, subdivisions, shoreline permits, or any other class of applications for or pertaining to development of land or land use(s) which the legislative body believes should be reviewed and decided by a hearing examiner;

(b) Appeals of administrative decisions or determinations; and

(c) Appeals of administrative decisions or determinations pursuant to chapter 43.21C RCW.

The legislative body shall prescribe procedures to be followed by a hearing examiner. If the legislative authority vests in a hearing examiner the authority to hear and decide variances, then the provisions of RCW 35A.63.110 shall not apply to the city.

(2) Each city legislative body electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. (Except as provided in subsection (2) of this section,) The legal effect of such decisions may vary for the different classes of applications decided by the examiner but shall include one of the following:

(a) The decision may be given the effect of a recommendation to the legislative body;

(b) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative body;

(c) The decision may be given the effect of a final decision of the legislative body, except that applications for a rezone may not be given the effect of a final decision of a legislative body.

(3) Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the city’s comprehensive plan and the city’s development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

Sec. 227. RCW 36.70.970 and 1994 c 257 s 9 are each amended to read as follows:

(1) As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and issue recommendations on applications for plat approval and applications for amendments to the zoning ordinance, the county legislative authority may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and issue decisions on proposals for plat approval and for amendments to the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative authority may vest in a hearing examiner the power to hear and decide those issues it believes should be reviewed and decided by a hearing examiner, including but not limited to:

(a) Applications for conditional uses, variances, subdivisions, shoreline permits, or any other class of applications for or pertaining to development of land or land use(s);

(b) Appeals of administrative decisions or determinations; and

(c) Appeals of administrative decisions or determinations pursuant to chapter 43.21C RCW.

The legislative authority shall prescribe procedures to be followed by a hearing examiner. Any county which vests in a hearing examiner the authority to hear and decide conditional uses and variances shall not be required to have a zoning adjuster or board of adjustment.

(2) Each county legislative authority electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. (Except as provided in subsection (2) of this section,) Such legal effect may vary for the different classes of applications decided by the examiner but shall include one of the following:

(a) The decision may be given the effect of a recommendation to the legislative authority;
(b) The decision may be given the effect of an administrative decision appealable within a
specified time limit to the legislative authority;(c)
(2) The legislative authority may specify the legal effect of a hearing examiner's procedural
determination under the state environmental policy act, as defined in RCW 43.21C.075(3)(a). It may
have the effect under subsection (1) (a) or (b) of this section, or); or
(c) The decision may be given the effect of a final decision of the legislative authority, except
that applications for rezones may not be given the effect of a final decision of a legislative authority.
(3) Each final decision of a hearing examiner shall be in writing and shall include findings and
conclusions, based on the record, to support the decision. Such findings and conclusions shall also set
forth the manner in which the decision would carry out and conform to the county's comprehensive
plan and the county's development regulations. Each final decision of a hearing examiner, unless a
longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be
rendered within ten working days following conclusion of all testimony and hearings.

NEW SECTION. Sec. 228. The legislature hereby finds and declares:
(1) Washington's environmental protection programs have established strict standards to reduce
pollution and protect the public health and safety and the environment. The single-purpose programs
instituted to achieve these standards have been successful in many respects, and have produced
significant gains in protecting Washington's environment in the face of substantial population growth.
(2) Continued progress to achieve the environmental standards in the face of continued
population growth will require greater coordination between the single-purpose environmental
programs and more efficient operation of these programs overall. Pollution must be prevented and
controlled and not simply transferred to another media or another place. This goal can only be
achieved by maintaining the current environmental protection standards and by greater integration of
the existing programs.
(3) As the number of environmental laws and regulations have grown in Washington, so have
the number of permits required of business and government. This regulatory burden has significantly
added to the cost and time needed to obtain essential permits in Washington. The increasing number of
individual permits and permit authorities has generated the continuing potential for conflict, overlap,
and duplication between the various state, local, and federal permits.
(4) To ensure that local needs and environmental conditions receive the proper attention, the
issuance and renewal of permits should continue to be made, to the extent feasible, at the regional and
local levels of the environmental programs.
(5) The purpose of this chapter is to require the department of ecology to institute new,
efficient procedures that will assist businesses and public agencies in complying with the environmental
quality laws in an expedited fashion, without reducing protection of public health and safety and the
environment.
(6) Those procedures need to provide a permit process that promotes effective dialogue and
ensures ease in the transfer and clarification of technical information, while preventing duplication. It
is necessary that the procedures establish a process for preliminary and ongoing meetings between the
applicant, the consolidated permit agency, and the participating permit agencies, but do not preclude
the applicant or participating permit agencies from individually coordinating with each other.
(7) It is necessary, to the maximum extent practicable, that the procedures established in this
chapter ensure that the consolidated permit agency process and applicable permit requirements and
criteria are integrated and run concurrently, rather than consecutively.
(8) It is necessary to provide a reliable and consolidated source of information concerning the
environmental and land use laws and procedures that apply to any given proposal. This information is
to be current and encompass all state and local jurisdictions. To the extent possible, it is to encompass
federal jurisdictions and functions, as well.
(9) The process shall provide an optional process by which a project proponent may obtain
active coordination of all applicable regulatory and land-use permitting procedures. This process is not
to replace individual laws, or diminish the substantive decision-making role of individual jurisdictions.
Rather it is to provide predictability, administrative consolidation, and, where possible, consolidation
of appeal processes.
(10) The process shall provide consolidated, effective, and easier opportunities for members of
the public to receive information and present their views about proposed projects.
NEW SECTION. Sec. 229. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Center" means the permit assistance center established in the department by section 230 of this act.

(2) "Consolidated permit agency" means the permit agency that has the greatest overall jurisdiction over a project.

(3) "Department" means the department of ecology.

(4) "Participating permit agency" means a permit agency, other than the consolidated permit agency, that is responsible for the issuance of a permit for a project.

(5) "Permit" means any license, certificate, registration, permit, or other form of authorization required by a permit agency to engage in a particular activity.

(6) "Permit agency" means:

(a) The department of ecology, an air pollution control authority, the department of natural resources, the department of fish and wildlife, and the department of health; and

(b) Any other state or federal agency, county, city, or town for the project that participates at the request of the permit applicant and upon the agency's agreement to be subject to this chapter.

(7) "Project" means an activity, the conduct of which requires a permit from two or more permit agencies.

NEW SECTION. Sec. 230. The permit assistance center is established within the department. The center shall:

(1) Publish and keep current one or more handbooks containing lists and explanations of all permit laws. The center shall coordinate with the business assistance center in providing and maintaining this information to applicants and others. To the extent possible, the handbook shall include relevant federal laws. A state agency or local government shall provide a reasonable number of copies of application forms, statutes, ordinances, rules, handbooks, and other informational material requested by the center and shall otherwise fully cooperate with the center. The center shall seek the cooperation of relevant federal agencies;

(2) Establish, and make known, a point of contact for distribution of the handbook and advice to the public as to its interpretation in any given case;

(3) Work closely and cooperatively with the business license center and the business assistance center in providing efficient and nonduplicative service to the public; and

(4) Provide a permit coordination training program designed to:

(a) Educate project facilitators as to the role and requirements of all jurisdictions;

(b) Share permit coordination experiences;

(c) Improve the quality and efficiency of project facilitation; and

(d) Certify project facilitators.

NEW SECTION. Sec. 231. (1) Not later than January 1, 1996, the center shall establish by rule an administrative process for the designation of a consolidated permit agency for a project.

(2) The administrative process shall consist of the establishment of guidelines for designating the consolidated permit agency for a project. If a permit agency is the lead agency for purposes of chapter 43.21C RCW, that permit agency shall be the consolidated permit agency. In other cases, the guidelines shall require that at least the following factors be considered in determining which permit agency has the greatest overall jurisdiction over the project:

(a) The types of facilities or activities that make up the project;

(b) The types of public health and safety and environmental concerns that should be considered in issuing permits for the project;

(c) The environmental medium that may be affected by the project, the extent of those potential effects, and the environmental protection measures that may be taken to prevent the occurrence of, or to mitigate, those potential effects;

(d) The regulatory activity that is of greatest importance in preventing or mitigating the effects that the project may have on public health and safety or the environment; and

(e) The statutory and regulatory requirements that apply to the project and the complexity of those requirements.
NEW SECTION.  Sec. 232. Upon the request of a project applicant, the center shall appoint a project facilitator to assist the applicant in determining which regulatory requirements, processes, and permits may be required for development and operation of the proposed project. The project facilitator shall provide the information to the applicant and explain the options available to the applicant in obtaining the required permits. If the applicant requests, the center shall designate a coordinating permit agency as provided in section 233 of this act.

NEW SECTION.  Sec. 233. (1) A permit applicant who requests the designation of a consolidated permit agency shall provide the center with a description of the project, a preliminary list of the permits that the project may require, the identity of any public agency that has been designated the lead agency for the project pursuant to chapter 43.21C RCW, and the identity of the participating permit agencies. The center may request any information from the permit applicant that is necessary to make the designation under this section, and may convene a scoping meeting of the likely consolidated permit agency and participating permit agencies in order to make that designation.

(2) The consolidated permit agency shall serve as the main point of contact for the permit applicant with regard to the processing of the consolidated permit process for the project and shall manage the procedural aspects of that processing consistent with existing laws governing the consolidated permit agency and participating permit agencies, and with the procedures agreed to by those agencies in accordance with section 234 of this act. In carrying out these responsibilities, the consolidated permit agency shall ensure that the permit applicant has all the information needed to apply for all the component permits that are incorporated in the consolidated permit process for the project, coordinate the review of those permits by the respective participating permit agencies, ensure that timely permit decisions are made by the participating permit agencies, and assist in resolving any conflict or inconsistency among the permit requirements and conditions that are to be imposed by the participating permit agencies with regard to the project. The coordinating permit agency shall keep in contact with the applicant as well as other permit agencies in order to assure that the process is progressing as scheduled. The coordinating permit agency shall recommend appropriate alternatives that may be more efficient and identify potential problems to successful completion of the process.

(3) This chapter shall not be construed to limit or abridge the powers and duties granted to a participating permit agency under the law that authorizes or requires the agency to issue a permit for a project. Each participating permit agency shall retain its authority to make all decisions on all nonprocedural matters with regard to the respective component permit that is within its scope of its responsibility, including, but not limited to, the determination of permit application completeness, permit approval or approval with conditions, or permit denial. The consolidated permit agency may not substitute its judgment for that of a participating permit agency on any such nonprocedural matters.

NEW SECTION.  Sec. 234. (1) Within twenty-one days of the date that the consolidated permit agency is designated, it shall convene a meeting with the permit applicant for the project and the participating permit agencies. The meeting agenda shall include at least all of the following matters:

(a) A determination of the permits that are required for the project;

(b) A review of the permit application forms and other application requirements of the agencies that are participating in the consolidated permit process;

(c)(i) A determination of the timelines that will be used by the consolidated permit agency and each participating permit agency to make permit decisions, including the time periods required to determine if the permit applications are complete, to review the application or applications, and to process the component permits, and the timelines that will be used by the consolidated permit agency to aggregate the component permits into, and to issue the consolidated permit process. In the development of this timeline, full attention shall be given to achieving the maximum efficiencies possible through concurrent studies, consolidated applications, hearings, and comment periods. Except as provided in (c)(ii) of this subsection, the timelines established under this subsection, with the assent of the consolidated permit agency and each participating permit agency, shall commit the consolidated permit agency and each participating permit agency to act on the component permit within time periods that are different than those required by other applicable provisions of law.

(ii) An accelerated time period for the consideration of a permit application may not be set if that accelerated time period would be inconsistent with, or in conflict with, any time period or series of time periods set by statute for that consideration, or with any statute, rule, or regulation, or adopted state policy, standard, or guideline that requires any of the following:
(A) Other agencies, interested persons, federally recognized Indian tribes, or the public to be
given adequate notice of the application;
(B) Other agencies to be given a role in, or be allowed to participate in, the decision to approve
or disapprove the application; or
(C) Interested persons or the public to be provided the opportunity to challenge, comment on,
or otherwise voice their concerns regarding the application;
(d) The scheduling of any public hearings that are required to issue permits for the project and
a determination of the feasibility of coordinating or consolidating any of those required public hearings;
and
(e) A discussion of fee arrangements for the consolidated permit process, including an estimate
of the costs allowed under section 237 of this act and the billing schedule.
(2) Each agency shall send at least one representative qualified to make decisions concerning
the applicability and timelines associated with all permits administered by that jurisdiction. At the
request of the applicant, the consolidated permit agency shall notify any relevant federal agency of the
date of the meeting and invite that agency’s participation in the process.
(3) If a permit agency or the applicant foresees, at any time, that it will be unable to meet its
obligations under the agreement, it shall notify the consolidated permit agency of the problem. The
coordinating permit agency shall notify the permit agencies and the applicant and, upon agreement of
all parties, adjust the schedule, or, if necessary, schedule another work plan meeting.
(4) The consolidated permit agency may request any information from the applicant that is
necessary to comply with its obligations under this section, consistent with the timelines set pursuant to
this section.
(5) A summary of the decisions made under this section shall be made available for public
review upon the filing of the consolidated permit process application or permit applications.

NEW SECTION. Sec. 235. (1) The permit applicant may withdraw from the consolidated
permit process by submitting to the consolidated permit agency a written request that the process be
terminated. Upon receipt of the request, the consolidated permit agency shall notify the center and
each participating permit agency that a consolidated permit process is no longer applicable to the
project.
(2) The permit applicant may submit a written request to the consolidated permit agency that
the permit applicant wishes a participating permit agency to withdraw from participation on the basis of
a reasonable belief that the issuance of the consolidated permit process would be accelerated if the
participating permit agency withdraws. In that event, the participating permit agency shall withdraw
from participation if the consolidated permit agency approves the request.

NEW SECTION. Sec. 236. The consolidated permit agency shall ensure that the participating
permit agencies make all the permit decisions that are necessary for the incorporation of the permits
into the consolidated permit process and act on the component permits within the time periods
established pursuant to section 234 of this act.

NEW SECTION. Sec. 237. (1) The consolidated permit agency may enter into a written
agreement with the applicant to recover from the applicant the reasonable costs incurred by the
consolidated permit agency in carrying out the requirements of this chapter.
(2) The consolidated permit agency may recover only the costs of performing those
consolidated permit services and shall be negotiated with the permit applicant in the meeting required
pursuant to section 234 of this act. The billing process shall provide for accurate time and cost
accounting and may include a billing cycle that provides for progress payments.

NEW SECTION. Sec. 238. A petition by the permit applicant for review of an agency action
in issuing, denying, or amending a permit, or any portion of a consolidated permit agency permit, shall
be submitted by the permit applicant to the consolidated permit agency or the participating permit
agency having jurisdiction over that permit and shall be processed in accordance with the procedures of
that permit agency. Within thirty days of receiving the petition, the consolidated permit agency shall
notify the other environmental agencies participating in the original consolidated permit process.
NEW SECTION. Sec. 239. If an applicant petitions for a significant amendment or modification to a consolidated permit process application or any of its component permit applications, the consolidated permit agency shall reconvene a meeting of the participating permit agencies, conducted in accordance with section 234 of this act.

NEW SECTION. Sec. 240. If an applicant fails to provide information required for the processing of the component permit applications for a consolidated permit process or for the designation of a consolidated permit agency, the time requirements of this chapter shall be tolled until such time as the information is provided.

NEW SECTION. Sec. 241. (1) The center, by rule, shall establish an expedited appeals process by which a petitioner or applicant may appeal any failure by a permit agency to take timely action on the issuance or denial of a permit in accordance with the time limits established under this chapter.

(2) If the center finds that the time limits under appeal have been violated without good cause, it shall establish a date certain by which the permit agency shall act on the permit application with adequate provision for the requirements of section 234(1)(c)(ii) (A) through (C) of this act, and provide for the full reimbursement of any filing or permit processing fees paid by the applicant to the permit agency for the permit application under appeal.

NEW SECTION. Sec. 242. By December 1, 1997, the center shall submit a report to the appropriate committees of both houses of the legislature detailing the following information:

(1) The number of instances in which a consolidated permit agency has been requested and used, and the disposition of those cases;

(2) The amount of time elapsed between an initial request by a permit applicant for a consolidated permit process and the ultimate approval or disapproval of the permits included in the process;

(3) The number of instances in which the expedited appeals process was requested, and the disposition of those cases; and

(4) Potential conflicts and perceived inconsistencies among existing statutes.

NEW SECTION. Sec. 243. The sum of seventy thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1997, from the general fund; the sum of ninety thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1997, from the state toxics account; the sum of one hundred sixty thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1997, from the water quality permit fee account; and the sum of fifty-five thousand dollars, or as much thereof as may be necessary, is appropriated for the biennium ending June 30, 1997, from the air operating permit fee account to the department of ecology for the purposes of sections 228 through 242 of this act.

NEW SECTION. Sec. 244. A new section is added to chapter 43.131 RCW to read as follows:
The permit assistance center and its powers and duties shall be terminated June 30, 1999, as provided in section 245 of this act.

NEW SECTION. Sec. 245. A new section is added to chapter 43.131 RCW to read as follows:
The following acts or parts of acts, as now existing or hereafter amended, are each repealed, effective June 30, 2000:

(1) RCW 90.--.-- and 1995 c -- s 228 (section 228 of this act);
(2) RCW 90.--.-- and 1995 c -- s 229 (section 229 of this act);
(3) RCW 90.--.-- and 1995 c -- s 230 (section 230 of this act);
(4) RCW 90.--.-- and 1995 c -- s 231 (section 231 of this act);
(5) RCW 90.--.-- and 1995 c -- s 232 (section 232 of this act);
(6) RCW 90.--.-- and 1995 c -- s 233 (section 233 of this act);
(7) RCW 90.--.-- and 1995 c -- s 234 (section 234 of this act);
(8) RCW 90.--.-- and 1995 c -- s 235 (section 235 of this act);
(9) RCW 90.--.--- and 1995 c -- s 236 (section 236 of this act);
(10) RCW 90.--.--- and 1995 c -- s 237 (section 237 of this act);
(11) RCW 90.--.--- and 1995 c -- s 238 (section 238 of this act);
(12) RCW 90.--.--- and 1995 c -- s 239 (section 239 of this act);
(13) RCW 90.--.--- and 1995 c -- s 240 (section 240 of this act); and
(14) RCW 90.--.--- and 1995 c -- s 241 (section 241 of this act).

NEW SECTION.  Sec. 246. The following acts or parts of acts are each repealed:
(1) RCW 90.62.010 and 1982 c 179 s 1, 1977 c 54 s 1, & 1973 1st ex.s. c 185 s 1;
(2) RCW 90.62.020 and 1994 c 264 s 96, 1988 c 36 s 71, 1977 c 54 s 2, & 1973 1st ex.s. c 185 s 2;
(3) RCW 90.62.030 and 1973 1st ex.s. c 185 s 3;
(4) RCW 90.62.040 and 1990 c 137 s 1, 1977 c 54 s 3, & 1973 1st ex.s. c 185 s 4;
(5) RCW 90.62.050 and 1977 c 54 s 4 & 1973 1st ex.s. c 185 s 5;
(6) RCW 90.62.060 and 1982 c 179 s 2, 1977 c 54 s 5, & 1973 1st ex.s. c 185 s 6;
(7) RCW 90.62.070 and 1973 1st ex.s. c 185 s 7;
(8) RCW 90.62.080 and 1987 c 109 s 156, 1977 c 54 s 6, & 1973 1st ex.s. c 185 s 8;
(9) RCW 90.62.090 and 1977 c 54 s 7 & 1973 1st ex.s. c 185 s 9;
(10) RCW 90.62.100 and 1977 c 54 s 8 & 1973 1st ex.s. c 185 s 10;
(11) RCW 90.62.110 and 1973 1st ex.s. c 185 s 11;
(12) RCW 90.62.120 and 1973 1st ex.s. c 185 s 12;
(13) RCW 90.62.130 and 1977 c 54 s 9;

(15) RCW 90.62.901 and 1973 1st ex.s. c 185 s 14;
(16) RCW 90.62.904 and 1973 1st ex.s. c 185 s 15;
(17) RCW 90.62.905 and 1973 1st ex.s. c 185 s 16;
(18) RCW 90.62.906 and 1973 1st ex.s. c 185 s 18;
(19) RCW 90.62.907 and 1973 1st ex.s. c 185 s 19; and
(20) RCW 90.62.908 and 1977 c 54 s 10.

NEW SECTION.  Sec. 247. Sections 101, 201 through 204, and 207 through 213 of this act shall constitute a new chapter in Title 36 RCW.

NEW SECTION.  Sec. 248. Sections 228 through 241 of this act shall constitute a new chapter in Title 90 RCW.

NEW SECTION.  Sec. 249. RCW 36.70A.065 and 36.70A.440 are recodified as sections within the new chapter created in section 247 of this act.

NEW SECTION.  Sec. 250. The department of community, trade, and economic development shall provide training and technical assistance to counties and cities to assist them in fulfilling the requirements of chapter 36.-- RCW (sections 101, 201 through 204, and 207 through 213 of this act). The land use study commission created by section 401 of this act shall monitor local government consolidated permit procedures and the effectiveness of the timelines established by section 207 of this act. The commission shall include in its report submitted to the governor and the legislature on November 30, 1997, its recommendation about what timelines, if any, should be imposed on the local government consolidated permit process required by chapter 36.-- RCW (sections 101, 201 through 204, and 207 through 213 of this act).

PART III - APPEALS

NEW SECTION.  Sec. 301. This chapter may be known and cited as the land use petition act. A petition brought under this chapter must be called a land use petition.

NEW SECTION.  Sec. 302. The purpose of this chapter is to reform the process for judicial review of land use decisions made by local jurisdictions, by establishing uniform, expedited appeal
procedures and uniform criteria for reviewing such decisions, in order to provide consistent, predictable, and timely judicial review.

NEW SECTION. Sec. 303. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Land use decision" means a final determination by a local jurisdiction's body or officer with the highest level of authority to make the determination, including those with authority to hear appeals, on:
   (a) An application for a development permit or other governmental approval required by law before real property may be improved, developed, modified, sold, transferred, or used, but excluding applications for permits or approvals to use streets, parks, and similar types of public property and excluding applications for legislative approvals such as rezones;
   (b) An interpretative or declaratory decision regarding the application to a specific property of zoning or other ordinances or rules regulating the development, modification, maintenance, or use of real property; and
   (c) The enforcement of ordinances regulating the development, modification, maintenance, or use of real property. However, when a local jurisdiction is required by law to enforce the ordinances in a court of limited jurisdiction, a petition may not be brought under this chapter.

(2) "Local jurisdiction" means a county, city, or town, or special purpose district as defined in RCW 36.96.010.

(3) "Person" means an individual, partnership, corporation, association, public or private organization, or governmental agency.

NEW SECTION. Sec. 304. (1) This chapter replaces the writ of certiorari for judicial review of local jurisdictions' land use decisions.

(2) This chapter does not apply to judicial review procedures established by other laws, including, but not limited to judicial review of:
   (a) Land use decisions made by bodies that are not part of a local jurisdiction;
   (b) Land use decisions of a local jurisdiction that are subject to review by a quasi-judicial body created by state law, such as the shorelines hearings board or the growth management hearings board;
   (c) Claims provided by any law for monetary damages or compensation; or
   (d) Applications for injunctive relief, including a writ of prohibition or mandamus.

(3) If one or more claims for damages or compensation are set forth in the same complaint with a land use petition brought under this chapter, the procedures and standards, including deadlines, provided in this chapter for review of the petition do not apply to the claims for damages or compensation. The judge who hears the land use petition may, if appropriate, preside at a trial for damages or compensation.

(4) The court rules govern procedural matters under this chapter to the extent that the rules are consistent with this chapter.

NEW SECTION. Sec. 305. (1) Proceedings for review under this chapter must be commenced by filing a land use petition in superior court.

(2) A land use petition is barred, and the court may not grant review, unless the petition is timely filed with the court. The petition must be served on the following parties:
   (a) The local jurisdiction, which for purposes of the petition shall be the jurisdiction's corporate entity and not an individual decision maker or department; and
   (b) Each of the following, if not the petitioner:
      (i) Any person identified by name and address in the local jurisdiction's written decision as an applicant for the permit or approval at issue or as a property owner of the property at issue;
      (ii) If no person is named in the decision as provided in (b)(i) of this subsection, any such person identified in the application for a permit or approval at issue; and
      (iii) Any person who filed an appeal to a quasi-judicial decision maker regarding the land use decision at issue, unless the person has abandoned the appeal or the person's claims were dismissed before the quasi-judicial decision was rendered. Any person who later intervened or joined in the appeal is not required to be made a party under this subsection.

(3) The petition is timely if it is filed within twenty-one days of the issuance of the land use decision.
(4) For the purposes of this section, a land use decision is issued on the date on which a written
decision is mailed or if not mailed, the date on which the local jurisdiction provides notice that a
written decision is publicly available. However, if written notification is not required to be provided,
the decision is issued on the later of:
(a) The date that the decision is made at a public meeting; or
(b) The date that the decision is entered into the public record.
(5) Service on the local jurisdiction must be by delivery of a copy of the petition pursuant to
RCW 4.28.080. Service on other parties must be in accordance with the civil rules or, for parties who
provided an address to the local jurisdiction during a quasi-judicial proceeding regarding the land use
decision at issue, service may be by deposit in the United States mail to the address. Service by mail is
effective on the date of mailing. Proof of service must be evidenced by affidavit.

NEW SECTION. Sec. 306. Standing to bring a land use petition under this chapter, and to
intervene in a proceeding under this chapter, is limited to the following parties:
(1) The applicant and the owner of property to which the land use decision is directed;
(2) Another person aggrieved or adversely affected by the land use decision, or who would be
aggrieved or adversely affected by a reversal or modification of the land use decision, and who will
suffer direct and substantial impacts from the decision, reversal, or modification.

NEW SECTION. Sec. 307. (1) A petitioner shall set forth in a land use petition:
(a) The name and mailing address of the petitioner;
(b) The name and mailing address of the petitioner’s attorney, if any;
(c) The name and mailing address of the local jurisdiction whose land use decision is at issue;
(d) Identification of the decision-making body or officer, together with a duplicate copy of the
decision, or if not a written decision, a summary or brief description of it;
(e) Identification of persons who were named petitioners or appellants in any quasi-judicial
proceedings regarding the land use decision at issue;
(f) Facts demonstrating that the petitioner is entitled to seek judicial review; and
(g) A request for relief, specifying the type of relief requested.
(2) Within sixty days of service of a land use petition on the local jurisdiction, the local
jurisdiction must certify and submit to the court and serve on all parties to the petition a complete
record of the proceedings leading to the decision identified in the land use petition pursuant to
subsection (1)(d) of this section.
(3) The local jurisdiction need not certify the record, if the court determines that the petition
should be dismissed for any reason, including improper service, lack of standing, failure to join an
indispensable party, or failure to comply with subsection (1) of this section.
(4) The court may grant additional time for the certification of the record, if additional time is
determined by the court to be necessary.
(5) Within fifteen days of service of the petition, the local jurisdiction shall notify the petitioner
of the estimated cost of preparing the record.
(6) The petitioner shall pay the cost of preparing the record within fifteen days of service of the
record on the petitioner.

NEW SECTION. Sec. 308. The court shall provide expedited review of petitions filed under
this chapter. If judicial review is granted, the matter must be set for hearing within sixty days of the
date set for submitting the local jurisdiction’s record, absent a showing of compelling reasons for a
different date or a stipulation of the parties.

NEW SECTION. Sec. 309. (1) A petitioner for judicial review of a land use decision may
request the court to stay or suspend an action by the local jurisdiction or another party to implement the
decision under review, by including the request in the petition. The request must set forth a statement
of grounds for the stay and the factual basis for the request. The court shall rule on the request at the
hearing on the order to show cause.
(2) Another party to the judicial review proceedings may request a stay by making a motion in
accordance with the court rules. The motion must be filed with the party’s first pleading in the matter.
(3) The court shall deny a request for a stay that is made after the times required by subsections
(1) and (2) of this section unless the party requesting the stay establishes that the reasons justifying the
stay did not exist, or could not have been discovered, at the times set forth in subsections (1) and (2) of this section.

(4) A court may grant a stay only if the court finds that:
   (a) The party requesting the stay is likely to prevail on the merits;
   (b) Without the stay the party requesting it will suffer irreparable harm; and
   (c) The grant of a stay will not substantially harm other parties to the proceedings or the public.

(5) The court may grant the request for a stay upon such terms and conditions, such as the filing of security, as are necessary to prevent harm to other parties from the stay.

NEW SECTION. Sec. 310. (1) If the land use decision being reviewed was made by a quasi-judicial body or officer who was making factual determinations and the parties had the opportunity to make a record on the factual issues, judicial review of factual issues, and the conclusions drawn from the factual issues, must be confined to the record created by the quasi-judicial body or officer, except as provided in this section.

(2) For decisions described in subsection (1) of this section, the record may be supplemented by additional evidence only if the additional evidence relates to:
   (a) Disputed factual issues regarding the authority or jurisdiction of the body or officer that made the land use decision;
   (b) Grounds for disqualification of a member of the body or of the officer that made the land use decision;
   (c) Unlawfulness of the procedure used to make the decision;
   (d) Matters that were improperly excluded from the record after being offered by a party to the quasi-judicial proceeding; or
   (e) Matters that were outside the jurisdiction of the body or officer that made the land use decision.

(3) For land use decisions other than those described in subsection (1) of this section, the record for judicial review may be supplemented by evidence of material facts that were not required to be made part of the local jurisdiction's record.

(4) The parties may not conduct civil discovery prior to the determination of the land use petition except in regard to the issues listed in subsection (2) of this section. Requests made under chapter 42.17 RCW for records relating to the matters at issue in the pending land use petition must be treated as requests for civil discovery and must meet the requirements of this section and the court rules.

NEW SECTION. Sec. 311. (1) The superior court, acting without a jury, shall review the record and such supplemental evidence as is permitted under RCW 36.70B.100. The court may grant relief only if the party seeking relief has carried the burden of establishing that one of the standards set forth in (a), (b), and (c) of this subsection have been met. The standards are:
   (a) The party seeking relief has been substantially prejudiced as a result of the claimed error or errors, and:
      (i) The body or officer that made the land use decision engaged in unlawful procedure or failed to follow a prescribed process;
      (ii) The land use decision under review is a clearly erroneous interpretation or application of the law, in light of the law's purpose; or
      (iii) The land use decision under review is not supported by substantial evidence;
   (b) The land use decision under review was outside the authority or jurisdiction of the body or officer making the decision; and
   (c) The land use decision violates the constitutional rights of the party seeking relief.

(2) In order to grant relief under this chapter, it is not necessary for the court to find that the local jurisdiction engaged in arbitrary and capricious conduct.

NEW SECTION. Sec. 312. The court may affirm or reverse the land use decision under review, modify it, or remand it for modification or further proceedings. If the decision is remanded for modification or further proceedings, the court may make the order as it finds necessary to preserve the interests of the parties and the public, pending further proceedings or action by the local jurisdiction.
Sec. 313. RCW 7.16.360 and 1989 c 175 s 38 are each amended to read as follows:
This chapter does not apply to state agency action reviewable under chapter 34.05 RCW or the land use decisions of local jurisdictions reviewable under chapter 36.-- RCW (sections 301 through 312 of this act).

Sec. 314. RCW 58.17.180 and 1983 c 121 s 5 are each amended to read as follows:
Any decision approving or disapproving any plat shall be reviewable for ((unlawful, arbitrary, capricious or corrupt action or nonaction by writ of review before)) under chapter 36.-- RCW (sections 301 through 312 of this act) by the superior court of the county in which such matter is pending.
((Standing to bring the action is limited to the following parties:
(1) The applicant or owner of the property on which the subdivision is proposed;
(2) Any property owner entitled to special notice under RCW 58.17.090;
(3) Any property owner who deems himself aggrieved thereby and who will suffer direct and substantial impacts from the proposed subdivision.
Application for a writ of review shall be made to the court within thirty days from any decision so to be reviewed. The cost of transcription of all records ordered certified by the court for such review shall be borne by the appellant.))

NEW SECTION. Sec. 315. A new section is added to chapter 4.84 RCW to read as follows:
Notwithstanding any other provisions of this chapter, reasonable attorneys fees and costs shall be awarded to the prevailing party or substantially prevailing party on appeal before the superior court, court of appeals, or the supreme court of a decision by a county, city, or town to issue, condition, or deny a development permit involving a site-specific rezone, zoning, plat, conditional use, variance, shoreline permit, building permit, site plan, or similar land use approval or decision.

NEW SECTION. Sec. 316. Sections 301 through 312 of this act constitute a new chapter in Title 36 RCW.

PART IV - STUDY

NEW SECTION. Sec. 401. The land use study commission is hereby established. The commission's goal shall be the integration and consolidation of the state's land use and environmental laws into a single, manageable statute. In fulfilling its responsibilities, the commission shall evaluate the effectiveness of the growth management act, the state environmental policy act, the shoreline management act, and other state land use, planning, environmental, and permitting statutes.

NEW SECTION. Sec. 402. The commission shall consist of not more than thirteen members. Seven members of the commission shall be appointed by the governor, two members shall be appointed by the speaker of the house of representatives, and two members shall be appointed by the president of the senate. Membership shall reflect the interests of business, agriculture, labor, the environment, other citizens, the legislature, cities, counties, federally recognized Indian tribes, and state agencies. The director of the department of community, trade, and economic development, or the director's designee, shall serve in a nonvoting capacity as chair of the commission. The director of the department of ecology, or the director's designee, shall also be a member of the commission in a nonvoting capacity. Staff for the commission shall be provided by the department of community, trade, and economic development, with additional staff to be provided by other state agencies and the legislature, as may be required. State agencies shall provide the commission with information and assistance as needed.

NEW SECTION. Sec. 403. The commission shall convene commencing June 1, 1995, and shall complete its work by June 30, 1998. The commission shall submit a report to the governor and the legislature stating its findings, conclusions, and recommendations not later than November 1 of each year. The commission shall submit its final report to the governor and the legislature not later than November 1, 1997.

NEW SECTION. Sec. 404. The commission shall:
(1) Consider the effectiveness of state and local government efforts to consolidate and integrate the growth management act, the state environmental policy act, the shoreline management act, and other land use, planning, environmental, and permitting laws.

(2) Identify the revisions and modifications needed in state land use, planning, and environmental law and practice to adequately plan for growth, to adequately assess environmental impacts of comprehensive plans, development regulations, and growth, and to reduce the time and cost of obtaining project permits.

(3) Draft a consolidated land use procedure, following these guidelines:
   (a) Conduct land use planning through the comprehensive planning process under chapter 36.70A RCW rather than through review of individual projects;
   (b) Involve diverse sectors of the public in the planning process. Early and informal environmental analysis should be incorporated into planning and decision making;
   (c) Recognize that different questions need to be answered and different levels of detail applied at each planning phase, from the initial development of plan concepts or plan elements to implementation programs;
   (d) Integrate and combine to the fullest extent possible the processes, analysis, and documents currently required under chapters 36.70A and 43.21C RCW, so that subsequent plan decisions and subsequent implementation will incorporate measures to promote the environmental, economic, and other goals and to mitigate undesirable or unintended adverse impacts on a community's quality of life;
   (e) Focus environmental review and the level of detail needed for different stages of plan and project decisions on the environmental considerations most relevant to that stage of the process;
   (f) Avoid duplicating review that has occurred for plan decisions when specific projects are proposed;
   (g) Use environmental review on projects to: (i) Review and document consistency with comprehensive plans and development regulations; (ii) provide prompt and coordinated review by agencies, tribes, and the public on compliance with applicable environmental laws and plans, including mitigation for site specific project impacts that have not been considered and addressed at the plan or development regulation level; and (iii) ensure accountability by local government to applicants and the public for requiring and implementing mitigation measures;
   (h) Maintain or improve the quality of environmental analysis both for plan and for project decisions, while integrating these analyses with improved state and local planning and permitting processes;
   (i) Examine existing land use and environmental permits for necessity and utility. To the extent possible, existing permits should be combined into fewer permits, assuring that the values and principles intended to be protected by those permits remain protected; and
   (j) Consolidate local government appeal processes to allow a single appeal of permits at local government levels, a single state level administrative appeal, and a final judicial appeal.

(4) These guidelines are intended to guide the work of the commission, without limiting its charge to integrate and consolidate Washington's land use and environmental laws into a single, manageable code.

NEW SECTION. Sec. 405. Members of the commission shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 406. Sections 401 through 405 of this act shall expire June 30, 1998.

PART V - MISCELLANEOUS

NEW SECTION. Sec. 501. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 502. Part headings and the table of contents as used in this act do not constitute any part of the law.
NEW SECTION. Sec. 503. Sections 401 through 406 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect June 1, 1995."

Reducing business and occupation tax rates.

The bill was read the second time.

Representative Honeyford moved adoption of the following amendment by Representative Honeyford:

On page 2, after line 3, insert:

"Sec. 2. RCW 82.04.260 and 1993 s.s. c 25 § 104 are each amended to read as follows:

(1) Upon every person engaging within this state in the business of buying wheat, oats, dry peas, dry beans, lentils, triticale, corn, rye and barley, but not including any manufactured or processed products thereof, and selling the same at wholesale; the tax imposed shall be equal to the gross proceeds derived from such sales multiplied by the rate of 0.011 percent.

(2) Upon every person engaging within this state in the business of manufacturing wheat into flour, barley into pearl barley, soybeans into soybean oil, or sunflower seeds into sunflower oil; as to such persons the amount of tax with respect to such business shall be equal to the value of the flour, pearl barley, or oil manufactured, multiplied by the rate of 0.138 percent.

(3) Upon every person engaging within this state in the business of splitting or processing dried peas; as to such persons the amount of tax with respect to such business shall be equal to the value of the peas split or processed, multiplied by the rate of 0.275 percent.

(4) Upon every person engaging within this state in the business of manufacturing seafood products which remain in a raw, raw frozen, or raw salted state at the completion of the manufacturing by that person; as to such persons the amount of tax with respect to such business shall be equal to the value of the products manufactured, multiplied by the rate of 0.138 percent.

(5) Upon every person engaging within this state in the business of manufacturing by canning, preserving, freezing or dehydrating fresh fruits and vegetables, or selling at wholesale fresh fruits and vegetables canned, preserved, or dehydrated by the seller and sold to purchasers who immediately transport the goods out of this state; as to such persons the amount of tax with respect to such business shall be equal to the value of the products canned, preserved, frozen or dehydrated multiplied by the rate of 0.33 percent. As proof of sale to a person who immediately transports goods out of this state, the seller shall obtain an affidavit in a form prescribed by the department and retain the affidavit as a business record.

(6) Upon every nonprofit corporation and nonprofit association engaging within this state in research and development, as to such corporations and associations, the amount of tax with respect to such activities shall be equal to the gross income derived from such activities multiplied by the rate of 0.484 percent.

(7) Upon every person engaging within this state in the business of slaughtering, breaking and/or processing perishable meat products and/or selling the same at wholesale only and not at retail; as to such persons the tax imposed shall be equal to the gross proceeds derived from such sales multiplied by the rate of 0.138 percent.

(8) Upon every person engaging within this state in the business of making sales, at retail or wholesale, of nuclear fuel assemblies manufactured by that person, as to such persons the amount of tax with respect to such business shall be equal to the gross proceeds of sales of the assemblies multiplied by the rate of 0.275 percent.
Upon every person engaging within this state in the business of manufacturing nuclear fuel assemblies, as to such persons the amount of tax with respect to such business shall be equal to the value of the products manufactured multiplied by the rate of 0.275 percent.

Upon every person engaging within this state in the business of acting as a travel agent; as to such persons the amount of tax with respect to such activities shall be equal to the gross income derived from such activities multiplied by the rate of 0.275 percent.

Upon every person engaging within this state in business as an international steamship agent, international customs house broker, international freight forwarder, vessel and/or cargo charter broker in foreign commerce, and/or international air cargo agent; as to such persons the amount of the tax with respect to only international activities shall be equal to the gross income derived from such activities multiplied by the rate of 0.363 percent.

Upon every person engaging within this state in the business of stevedoring and associated activities pertinent to the movement of goods and commodities in waterborne interstate or foreign commerce; as to such persons the amount of tax with respect to such business shall be equal to the gross proceeds derived from such activities multiplied by the rate of 0.363 percent. Persons subject to taxation under this subsection shall be exempt from payment of taxes imposed by chapter 82.16 RCW for that portion of their business subject to taxation under this subsection. Stevedoring and associated activities pertinent to the conduct of goods and commodities in waterborne interstate or foreign commerce are defined as all activities of a labor, service or transportation nature whereby cargo may be loaded or unloaded to or from vessels or barges, passing over, onto or under a wharf, pier, or similar structure; cargo may be moved to a warehouse or similar holding or storage yard or area to await further movement in import or export or may move to a consolidation freight station and be stuffed, unstuffed, containerized, separated or otherwise segregated or aggregated for delivery or loaded on any mode of transportation for delivery to its consignee. Specific activities included in this definition are: Wharfage, handling, loading, unloading, moving of cargo to a convenient place of delivery to the consignee or a convenient place for further movement to export mode; documentation services in connection with the receipt, delivery, checking, care, custody and control of cargo required in the transfer of cargo; imported automobile handling prior to delivery to consignee; terminal stevedoring and incidental vessel services, including but not limited to plugging and unplugging refrigerator service to containers, trailers, and other refrigerated cargo receptacles, and securing ship hatch covers.

Upon every person engaging within this state in the business of disposing of low-level waste, as defined in RCW 43.145.010; as to such persons the amount of the tax with respect to such business shall be equal to the gross income of the business, excluding any fees imposed under chapter 43.200 RCW, multiplied by the rate of 3.3 percent. If the gross income of the taxpayer is attributable to activities both within and without this state, the gross income attributable to this state shall be determined in accordance with the methods of apportionment required under RCW 82.04.460.

Upon every person engaging within this state as an insurance agent, insurance broker, or insurance solicitor licensed under chapter 48.17 RCW; as to such persons, the amount of tax with respect to such licensed activities shall be equal to the gross income of such business multiplied by the rate of 1.1 percent.

Upon every person engaging within this state in business as a hospital, as defined in chapter 70.41 RCW, that is operated as a nonprofit corporation or by the state or any of its political subdivisions, as to such persons, the amount of tax with respect to such activities shall be equal to the gross income of the business multiplied by the rate of 0.75 percent through June 30, 1995, and 1.5 percent thereafter. The moneys collected under this subsection shall be deposited in the health services account created under RCW 43.72.900.

Representative Pennington moved adoption of the following amendment by Representative Pennington:

On page 2, after line 10 insert the following:

"NEW SECTION. Sec. 2. RCW 28A.335.210 and 1983 c 204 s 7, 1982 c 191 s 2, & 1974 ex.s. c 176 s 5 are each repealed.

Sec. 3. RCW 28B.10.025 and 1990 c 33 s 557 are each amended to read as follows: The Washington state arts commission shall, in consultation with the boards of regents of the University of Washington and Washington State University and with the boards of trustees of the regional universities, The Evergreen State College, and the community college districts, determine the amount to be made available for the purchases of art under RCW 28B.10.027, and payment therefor shall be made in accordance with law. The designation of projects and sites, the selection, contracting, purchase, commissioning, reviewing of design, execution and placement, acceptance, maintenance, and sale, exchange, or disposition of works of art shall be the responsibility of the Washington state arts
commission in consultation with the board of regents or trustees. However, the costs to carry out the Washington state arts commission’s responsibility for maintenance shall not be funded from the moneys referred to under this section, RCW 43.17.200, or 43.19.455, ((or 28A.335.210,)) but shall be contingent upon adequate appropriations being made for that purpose.

Sec. 4. RCW 43.17.205 and 1990 c 33 s 574 are each amended to read as follows:
The funds allocated under RCW 43.17.200((, 28A.335.210,)) and 28B.10.025 shall be subject to interagency reimbursement for expenditure by the visual arts program of the Washington state arts commission when the particular law providing for the appropriation becomes effective. For appropriations which are dependent upon the sale of bonds, the amount or proportionate amount of the moneys under RCW 43.17.200((, 28A.335.210,)) and 28B.10.025 shall be subject to interagency reimbursement for expenditure by the visual arts program of the Washington state arts commission thirty days after the sale of a bond or bonds.

Sec. 5. RCW 43.17.210 and 1990 c 33 s 575 are each amended to read as follows:
The Washington state arts commission shall determine the amount to be made available for the purchase of art in consultation with the agency, except where another person or agency is specified under RCW 43.19.455((, 28A.335.210,)) or 28B.10.025, and payments therefor shall be made in accordance with law. The designation of projects and sites, selection, contracting, purchase, commissioning, reviewing of design, execution and placement, acceptance, maintenance, and sale, exchange, or disposition of works of art shall be the responsibility of the Washington state arts commission in consultation with the directors of the state agencies. However, the costs to carry out the Washington state arts commission’s responsibility for maintenance shall not be funded from the moneys referred to in RCW 43.17.200, 43.19.455, ((28A.335.210,)) or 28B.10.025, but shall be contingent upon adequate appropriations being made for that purpose.

Sec. 6. RCW 43.19.455 and 1990 c 33 s 576 are each amended to read as follows:
Except as provided under RCW 43.17.210, the Washington state arts commission shall determine the amount to be made available for the purchase of art under RCW 43.17.200 in consultation with the director of general administration, and payments therefor shall be made in accordance with law. The designation of projects and sites, selection, contracting, purchase, commissioning, reviewing of design, execution and placement, acceptance, maintenance, and sale, exchange, or disposition of works of art shall be the responsibility of the Washington state arts commission in consultation with the director of general administration. However, the costs to carry out the Washington state arts commission’s responsibility for maintenance shall not be funded from the moneys referred to under this section, RCW 43.17.200, ((28A.335.210,)) or 28B.10.025, but shall be contingent upon adequate appropriations being made for that purpose.”

ROLL CALL
The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1135, and the bill passed the House by the following vote: Yea's - 60, Nays - 38, Absent - 0, Excused - 0.

Voting yea: Representatives Backlund, Beeksma, Benton, Boldt, Brumsickle, Buck, Cairnes, Campbell, Carroll, Casada, Chandler, Chappell, Cooke, Crouse, Delvin, Dickerson, Dyer, Elliot, Fisher, Foreman, Fuhrman, Goldsmith, Grant, Hankins, Hargrove, Hickel, Honeyford, Huff, Hymes, Johnson, Koster, Kremen, Lambert, Lisk, Mastin, McMahan, McMorris, Mielke, Morris, Mulliken, Padden, Patterson, Pelesky, Pennington, Reams, Robertson, Schmidt, D., Schoesler, Sehlin, Sheahan, Sheldon, Sherstad, Silver, Smith, Stevens, Talcott, Thomas, B., Thompson, Van Luvan and Mr. Speaker - 60.

Engrossed Substitute House Bill No. 1135, having received the constitutional majority, was declared passed.

There being no objection, the House resumed consideration of Substitute House Bill No. 1523.

SPEAKER'S RULING

Representative Appelwick, the Speaker is prepared to Rule on your Point of Order which challenges Substitute House Bill No. 1523 as being beyond the Scope and Object of House Bill No. 1523.

The title of both House Bill No. 1523 and Substitute House Bill No. 1523 is "AN ACT Relating to parental notice of abortion. Both House Bill No. 1523 and Substitute House Bill No. 1523 add new sections to chapter 9.02 RCW, prescribe penalties and declare an emergency. The Speaker finds that both House Bill No. 1523 and Substitute House Bill No. 1523 are within the scope of House Bill No. 1523.

House Bill No. 1523 has as its object the requiring of parental notification prior to abortions. Substitute House Bill No. 1523 appears to have an identical objective.

Representative Appelwick, in your Scope objection you made reference to a different treatment of public assistance in the two measures. The Speaker would note that both section 7 of House Bill No. 1523 and Substitute House Bill No. 1523 address the issue of public assistance. The Speaker does not find such differences in treatment of the issue as to conclude that the substitute is beyond the object of the underlying bill.

The Speaker finds that Substitute House Bill No. 1523 is not beyond the scope and object of House Bill No. 1523.

Representative Appelwick, Your Point of Order is not well taken.

There being no objection, the House deferred consideration of Substitute House Bill No. 1523 and the bill held it's place on the second reading calendar.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

HOUSE BILL NO. 1413, by Representatives Boldt, Morris, Lisk, Mulliken and Kremen

Allowing a business and occupation tax deduction for certain amusement devices.

The bill was read the second time. There being no objection, Substitute House Bill No. 1413 was substituted for House Bill No. 1413 and the substitute bill was placed on second reading.

Substitute House Bill No. 1413 was read the second time.
There being no objection, the rules were suspended, the second reading considered the third
and the bill was placed on final passage.

Representative Boldt spoke in favor of passage of the bill.

The Speaker stated the question before the House to be final passage of Substitute House Bill
No. 1413.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 1413, and the bill
passed the House by the following vote: Y eas - 84, Nays - 14, Absent - 0, Excused - 0.

Voting yea: Representatives Backlund, Ballasiotes, Basich, Beeksma, Benton, Blanton, Boldt,
Brown, Brumsickle, Buck, Cairnes, Campbell, Carlson, Carrell, Casada, Chandler, Chappell,

Representative Johnson moved adoption of the following amendment by Representative Johnson:

On page 1, after line 21, insert the following:

"Sec. 2. RCW 59.20.080 and 1993 c 66 s 19 are each amended to read as follows:

(1) A landlord shall not terminate or fail to renew a tenancy, of whatever duration except for one or more of the following reasons:

(a) Substantial violation, or repeated or periodic violations of the rules of the mobile home park as established by the landlord at the inception of the tenancy or as assumed subsequently with the consent of the tenant or for violation of the tenant’s duties as provided in RCW 59.20.140. The tenant shall be given written notice to cease the rule violation immediately. The notice shall state that failure to cease the violation of the rule or any subsequent violation of that or any other rule shall result in"
termination of the tenancy, and that the tenant shall vacate the premises within fifteen days:

Provided, That for a periodic violation the notice shall also specify that repetition of the same violation shall result in termination: Provided further, That in the case of a violation of a "material change" in park rules with respect to pets, tenants with minor children living with them, or recreational facilities, the tenant shall be given written notice under this chapter of a six month period in which to comply or vacate;

(b) Nonpayment of rent or other charges specified in the rental agreement, upon five days written notice to pay rent and/or other charges or to vacate;

(c) Conviction of the tenant of a crime, commission of which threatens the health, safety, or welfare of the other mobile home park tenants. The tenants shall be given written notice of a fifteen day period in which to vacate;

(d) Failure of the tenant to comply with local ordinances and state laws and regulations relating to mobile homes or mobile home living within a reasonable time after the tenant's receipt of notice of such noncompliance from the appropriate governmental agency;

(e) Change of land use of the mobile home park including, but not limited to, conversion to a use other than for mobile homes or conversion of the mobile home park to a mobile home park cooperative or mobile home park subdivision: Provided, That the landlord shall give the tenants twelve months' notice in advance of the effective date of such change, except that for the period of six months following April 28, 1989, the landlord shall give the tenants eighteen months' notice in advance of the proposed effective date of such change;

(f) Engaging in "criminal activity." "Criminal activity" means a criminal act defined by statute or ordinance that threatens the health, safety, or welfare of the tenants. A park owner seeking to evict a tenant under this subsection need not produce evidence of a criminal conviction, even if the alleged misconduct constitutes a criminal offense. Notice from a law enforcement agency of criminal activity constitutes sufficient grounds, but not the only grounds, for an eviction under this subsection. Notification of the seizure of illegal drugs under RCW 59.20.155 is evidence of criminal activity and is grounds for an eviction under this subsection. If criminal activity is alleged to be a basis of termination, the park owner may proceed directly to an unlawful detainer action;

(g) The tenant's application for tenancy contained a material misstatement that induced the park owner to approve the tenant as a resident of the park, and the park owner discovers and acts upon the misstatement within one year of the time the resident began paying rent;

(h) If the landlord serves a tenant three (fifteen day) notices within a twelve-month period for failure to comply (or vacate for failure to comply) with the material terms of the rental agreement or park rules, and if the tenant has been served a fifteen-day notice to comply or vacate for failure to comply with each of the first two offenses, the landlord may evict the tenant immediately after issuing a third notice designated as a fifteen-day notice to vacate for failure to comply, without mediation and without further written notice to comply, regardless if the tenant has complied with any other previous notices. The applicable twelve-month period shall commence on the date of the first violation;

(i) Failure of the tenant to comply with obligations imposed upon tenants by applicable provisions of municipal, county, and state codes, statutes, ordinances, and regulations, including chapter 59.20 RCW. The landlord shall give the tenant written notice to comply immediately. The notice must state that failure to comply will result in termination of the tenancy and that the tenant shall vacate the premises within fifteen days;

(j) The tenant engages in disorderly or substantially annoying conduct upon the park premises that results in the destruction of the rights of others to the peaceful enjoyment and use of the premises. The landlord shall give the tenant written notice to comply immediately. The notice must state that failure to comply will result in termination of the tenancy and that the tenant shall vacate the premises within fifteen days;

(k) The tenant creates a nuisance that materially affects the health, safety, and welfare of other park residents. The landlord shall give the tenant written notice to cease the conduct that constitutes a nuisance immediately. The notice must state that failure to cease the conduct will result in termination of the tenancy and that the tenant shall vacate the premises in five days;

(l) Any other substantial just cause that materially affects the health, safety, and welfare of other park residents. The landlord shall give the tenant written notice to comply immediately. The notice must state that failure to comply will result in termination of the tenancy and that the tenant shall vacate the premises within fifteen days; or
(m) Failure to pay rent by the due date provided for in the rental agreement three or more times in a twelve-month period, commencing with the date of the first violation, (after service of a five-day notice to pay rent or vacate for each of the first two violations. The landlord may evict immediately after giving a third notice designated as a notice to terminate tenancy for late rent payments, regardless if the tenant has complied with any of the previous five-day notices to pay rent or vacate.

(2) Within five days of a notice of eviction as required by subsection (1)(a) of this section, the landlord and tenant shall submit any dispute to mediation. The parties may agree in writing to mediation by an independent third party or through industry mediation procedures. If the parties cannot agree, mediation shall be through industry mediation procedures. A duty is imposed upon both parties to participate in the mediation process in good faith for a period of ten days for an eviction under subsection (1)(a) of this section. It is a defense to an eviction under subsection (1)(a) of this section that a landlord did not participate in the mediation process in good faith.

(3) Chapters 59.12 and 59.18 RCW govern the eviction of recreational vehicles from mobile home parks.

The bill was read the second time. There being no objection, Substitute House Bill No. 1913 was substituted for House Bill No. 1913 and the substitute bill was placed on second reading.

Substitute House Bill No. 1913 was read the second time.

Representative G. Fisher moved adoption of the following amendment by Representative G. Fisher:

On page 2, after line 12, insert the following:
"(3) The exemption provided for in this section shall not apply to rental of production equipment, or the sale of production services, to a motion picture or video production business that is engaged, to any degree, in the production of erotic material, as defined in RCW 9.68.050."

On page 2, after line 25, insert the following:
"(3) The exemption provided for in this section shall not apply to the use of production equipment rented to, or production equipment acquired and used by, a motion picture or video production business that is engaged, to any degree, in the production of erotic material, as defined in RCW 9.68.050."

Representatives G. Fisher and Van Luven spoke in favor of the adoption of the amendment.

The amendment was adopted.

The bill was ordered engrossed.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representatives Van Luven and Beeksma spoke in favor of passage of the bill.

The Speaker (Representative Horn presiding) stated the question before the House to be final passage of Engrossed Substitute House Bill No. 1913.

ROLL CALL
The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1913, and the bill passed the House by the following vote: Yea - 96, Nays - 2, Absent - 0, Excused - 0.

Voting nay: Representatives Pennington and Rust - 2.

Engrossed Substitute House Bill No. 1913, having received the constitutional majority, was declared passed.

POINT OF PERSONAL PRIVILEGE

Representative Lisk: As we go into the final hours before cut off, I want you all to understand that sometimes I sit here and look around at the counties and I think of the various places we come from, from all around the state and I appreciate everyone of you. And I think the next couple of days, maybe the next day to be very difficult. And I want us all to consider that we bring issues from all of our districts here, they are difficult issues and we hammer them out, and I just want you to know I appreciate everyone of you. The reason I'm saying this is I want to let you know a little bit about my background and why I'm up here talking. It's obviously an emotional moment for me.

My mother is an immigrant, she came to the United States from Great Britain, she is now an American citizen, and unfortunately she can't be with us here today but there are members of my family here that are visiting from Great Britain. And we had quite a time this weekend talking about their House of Commons and it brought it home to me how I appreciate each and everyone of you. Because when someone is recognized in the House of Commons, my cousin told me that what one of the first things that the opposition party does it usually let out a loud belch, that's how they start their debates in Great Britain.

And when you flip over to the House of Lords and their peerage and those appointed positions by the Queen, you can scan the audience and for those that are there they're usually sprawled out and asleep and not doing the business of the land. And so, I think as we go into those most difficult hours, when we discuss those difficult issues in front of us, when we take those votes that probably are going to be continuous but we are representing those that send us here to express their views and our own personal beliefs on those views. I just want you to know that I appreciate you and I think we'll get through it.

There being no objection, the House reverted to the third order of business.

Representatives Clements and K. Schmidt spoke in favor of passage of the bill.

Representatives Romero and Conway spoke against passage of the bill.

POINT OF INQUIRY

Representative Clements yielded to a question by Representative K. Schmidt.

Representative K. Schmidt: Does House Bill No. 1749 disqualify a person from unemployment benefits if the person is fired for engaging in legal activity off-the-job, such as smoking at home?

Representative Clements: No. To be disqualifying, the employee’s activity must have a reasonable and direct relation to the conduct of the employer’s business and must result in some harm to the employer’s interest.

This is a very high standard that is very difficult to meet. The Washington Supreme Court established this standard for off-the-job conduct and suggested that it would rarely be used. In refusing to rule out the possibility of disqualification based on off-the-job conduct, the court stated “[t]here may be occasions when a reasonable person would conclude [that] misconduct off the job is in fact connected with the work of the employee.”

By adopting this bill, we are adopting the court’s test and allowing the possibility of a disqualification in those unusual circumstances where the employee’s off-the-job conduct has a direct and harmful bearing on the employer’s business.

The Speaker stated the question before the House to be final passage of Engrossed House Bill No. 1749.

ROLL CALL

Substitute House Bill No. 1589 was read the second time.

Representative Dyer moved adoption of the following amendment by Representative Dyer:

On page 15, after "section." on line 2, insert the following:

"NEW SECTION. Sec. 9. A new section is added to chapter 48.43 RCW to read as follows:

"No public or private health care payers subject to the jurisdiction of the state of Washington shall propose, issue, sign, or renew a provider agreement or enrollee service agreement that contains a clause whose effect, in any way, is to disclaim liability for the care delivered or not delivered to an enrollee because of a decision of the payer as to whether the care was a covered service, medically necessary, economically provided, medically appropriate, or similar consideration. Similarly, no clause shall attempt to shift liability for harm caused by such payer decision as to whether care should be delivered, as opposed to paid for, is between the provider and patient alone as if the fact of whether or not care is paid for played little or no role in a patient's decision to obtain care. Nothing in this section shall be inferred to result in liability to anyone for the payer's payment decisions that are consistent with the language of the applicable service agreement or consistent with the cost-effective delivery of health care. The intent of this section is only to prevent payers from shifting their liability for payment decisions to either providers, or enrollees, or both."

Renumber the sections consecutively, correct internal references accordingly.

Representatives Dyer and Dellwo spoke in favor of the adoption of the amendment.

The amendment was adopted.

Representative Backlund moved adoption of the following amendment by Representative Backlund:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. HOSPITAL DISCHARGE DATA--OTHER DATA REQUIREMENTS. (1) To promote the public interest consistent with the purposes of chapter 492, Laws of 1993 as amended by chapter . . ., Laws of 1995 (this act), the department shall continue to require hospitals to submit hospital financial and patient discharge information, which shall be collected, maintained, analyzed, and disseminated by the department. The department shall, if deemed cost-effective and efficient, contract with a private entity for any or all parts of data collection. Data elements shall be reported in conformance with a uniform reporting system established by the department. This includes data elements identifying each hospital's revenues, expenses, contractual allowances, charity care, bad debt, other income, total units of inpatient and outpatient services, and other financial information reasonably necessary to fulfill the purposes of chapter 492, Laws of 1993 as amended by chapter . . ., Laws of 1995 (this act). Data elements relating to use of hospital services by
patients shall be the same as those currently compiled by hospitals through inpatient discharge abstracts. The department shall encourage and permit reporting by electronic transmission or hard copy as is practical and economical to reporters.

(2) In identifying financial reporting requirements, the department may require both annual reports and condensed quarterly reports from hospitals, so as to achieve both accuracy and timeliness in reporting, but shall craft such requirements with due regard of the data reporting burdens of hospitals.

(3) The health care data collected, maintained, and studied by the department shall only be available for retrieval in original or processed form to public and private requestors and shall be available within a reasonable period of time after the date of request. The cost of retrieving data for state officials and agencies shall be funded through the state general appropriation. The cost of retrieving data for research or private use of data or studies shall be funded by a fee schedule developed by the department that reflects the direct cost of retrieving the data or study in the requested form.

(4) The department shall, in consultation and collaboration with the federal Indian tribes, urban or other Indian health service organizations, and the federal area Indian health service, design, develop, and maintain an American Indian-specific health data, statistics information system. The department rules regarding confidentiality shall apply to safeguard the information from inappropriate use or release.

(5) All persons subject to the data collection requirements of chapter 492, Laws of 1993 as amended shall comply with departmental requirements established by rule in the acquisition of data.

NEW SECTION. Sec. 2. HEALTH CARE QUALITY--FINDINGS AND INTENT. The legislature finds that it is difficult for consumers of health care services to determine the quality of health care prior to purchase or utilization of medical care. The legislature also finds that accountability is a key component in promoting quality assurance and quality improvement throughout the health care delivery system, including public programs. Quality assurance and improvement standards are necessary to promote the public interest, contribute to cost efficiencies, and improve the ability of consumers to ascertain quality health care purchases.

The legislature intends to have consumers, health carriers, health care providers and facilities, and public agencies participate in the development of quality assurance and improvement standards that can be used to develop a uniform quality assurance program for use by all public and private health plans, providers, and facilities. To that end, in conducting the study required under section 3 of this act, the department of health shall:

(1) Consider the needs of consumers, employers, health care providers and facilities, and public and private health plans;

(2) Take full advantage of existing national standards of quality assurance to extend to middle-income populations the protections required for state management of health programs for low-income populations;

(3) Consider the appropriate minimum level of quality assurance standards that should be disclosed to consumers and employers by health care providers and facilities, and public and private health plans; and

(4) Consider standards that permit health care providers and facilities to share responsibility for participation in a uniform quality assurance program.

NEW SECTION. Sec. 3. UNIFORM QUALITY ASSURANCE. (1) The department of health shall study the feasibility of a uniform quality assurance and improvement program for use by all public and private health plans and health care providers and facilities. In this study, the department shall consult with:

(a) Public and private purchasers of health care services;

(b) Health carriers;

(c) Health care providers and facilities; and

(d) Consumers of health services.

(2) In conducting the study, the department shall propose standards that meet the needs of affected persons and organizations, whether public or private, without creation of differing levels of quality assurance. All consumers of health services should be afforded the same level of quality assurance.
(3) At a minimum, the study shall include but not be limited to the following program components and indicators appropriate for consumer disclosure:

(a) Health care provider training, credentialing, and licensure standards;
(b) Health care facility credentialing and recredentialing;
(c) Staff ratios in health care facilities;
(d) Annual mortality and morbidity rates of cases based on a defined set of procedures performed or diagnoses treated in health care facilities, adjusted to fairly consider variable factors such as patient demographics and case severity;
(e) The average total cost and average length of hospital stay for a defined set of procedures and diagnoses;
(f) The total number of the defined set of procedures, by specialty, performed by each physician at a health care facility within the previous twelve months;
(g) Utilization performance profiles by provider, both primary care and specialty care, that have been adjusted to fairly consider variable factors such as patient demographics and severity of case;
(h) Health plan fiscal performance standards;
(i) Health care provider and facility recordkeeping and reporting standards;
(j) Health care utilization management that monitors trends in health service under-utilization, as well as over-utilization of services;
(k) Health monitoring that is responsive to consumer, purchaser, and public health assessment needs; and
(l) Assessment of consumer satisfaction and disclosure of consumer survey results.

(4) In conducting the study, the department shall develop standards that permit each health care facility, provider group, or health carrier to assume responsibility for and determine the physical method of collection, storage, and assimilation of quality indicators for consumer disclosure. The study may define the forms, frequency, and posting requirements for disclosure of information. In developing proposed standards under this subsection, the department shall identify options that would minimize provider burden and administrative cost resulting from duplicative private sector data submission requirements. Duplicative burdens imposed by state agencies shall be addressed pursuant to section 4 of this act.

(5) The department shall submit a preliminary report to the legislature by December 31, 1995, including recommendations for initial legislation pursuant to subsection (6) of this section, and shall submit supplementary reports and recommendations as completed, consistent with appropriated funds and staffing.

(6) The department shall not adopt any rule implementing the uniform quality assurance program or consumer disclosure provisions unless expressly directed to do so by an act of law.

NEW SECTION. Sec. 4. QUALITY ASSURANCE--INTERAGENCY COOPERATION--ELIMINATION AND COORDINATION OF DUPLICATE STATE PROGRAMS. No later than July 1, 1995, the department of health together with the health care authority, the department of social and health services, the office of the insurance commissioner, and the department of labor and industries shall form an interagency group for coordination and consultation on quality assurance activities and collaboration on final recommendations for the study required under section 3 of this act. By December 31, 1996, the group shall review all state agency programs governing health service quality assurance, in light of legislative actions pursuant to section 3(6) of this act, and shall recommend to the legislature, the consolidation, coordination, or elimination of rules and programs that would be made unnecessary pursuant to the development of a uniform quality assurance and improvement program.

NEW SECTION. Sec. 5. A new section is added to chapter 18.130 RCW to read as follows:

PRESERVATION OF ETHICAL STANDARDS IN MANAGED CARE CONTRACTING.

(1) Any quality assurance commission, professional regulatory board, committee, or professional association for professions subject to RCW 18.130.040, or any other person, may recommend to the secretary the adoption of rules providing for standards of ethical conduct with respect to the terms and conditions of a contract or agreement between a practitioner subject to RCW 18.130.040 and a payer of health services, including but not limited to a carrier regulated under Title 48 RCW. Recommendations shall be considered by the secretary only if the proposed rule would foster strict compliance with standards of patient care, professional conduct, and scopes of practice; would promote quality medical and health practice; or would protect the public health and safety.
The secretary is authorized to adopt rules, pursuant to chapter 34.05 RCW, based upon recommendations made in accordance with subsection (1) of this section. When practical and appropriate and with the approval of the appropriate commission, board, or committee, the secretary shall apply the rules to all practitioners subject to RCW 18.130.040 to promote consistent standards for contracting process between such practitioners and payers of health services.

Sec. 6. RCW 18.130.180 and 1993 c 367 s 22 are each amended to read as follows:

UNPROFESSIONAL CONDUCT--MODIFIED. The following conduct, acts, or conditions constitute unprofessional conduct for any license holder or applicant under the jurisdiction of this chapter:

(1) The commission of any act involving moral turpitude, dishonesty, or corruption relating to the practice of the person’s profession, whether the act constitutes a crime or not. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license holder or applicant of the crime described in the indictment or information, and of the person’s violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(2) Misrepresentation or concealment of a material fact in obtaining a license or in reinstatement thereof;

(3) All advertising which is false, fraudulent, or misleading;

(4) Incompetence, negligence, or malpractice which results in injury to a patient or which creates an unreasonable risk that a patient may be harmed. The use of a nontraditional treatment by itself shall not constitute unprofessional conduct, provided that it does not result in injury to a patient or create an unreasonable risk that a patient may be harmed;

(5) Suspension, revocation, or restriction of the individual’s license to practice the profession by competent authority in any state, federal, or foreign jurisdiction, a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;

(6) The possession, use, prescription for use, or distribution of controlled substances or legend drugs in any way other than for legitimate or therapeutic purposes, diversion of controlled substances or legend drugs, the violation of any drug law, or prescribing controlled substances for oneself;

(7) Violation of any state or federal statute or administrative rule regulating the profession in question, including any statute or rule defining or establishing standards of patient care or professional conduct or practice;

(8) Failure to cooperate with the disciplining authority by:

(a) Not furnishing any papers or documents;

(b) Not furnishing in writing a full and complete explanation covering the matter contained in the complaint filed with the disciplining authority; or

(c) Not responding to subpoenas issued by the disciplining authority, whether or not the recipient of the subpoena is the accused in the proceeding;

(9) Failure to comply with an order issued by the disciplinary authority or a stipulation for informal disposition entered into with the disciplinary authority;

(10) Aiding or abetting an unlicensed person to practice when a license is required;

(11) Violations of rules established by any health agency;

(12) Practice beyond the scope of practice as defined by law or rule;

(13) Misrepresentation or fraud in any aspect of the conduct of the business or profession;

(14) Failure to adequately supervise auxiliary staff to the extent that the consumer’s health or safety is at risk;

(15) Engaging in a profession involving contact with the public while suffering from a contagious or infectious disease involving serious risk to public health;

(16) Promotion for personal gain of any unnecessary or inefficacious drug, device, treatment, procedure, or service;

(17) Conviction of any gross misdemeanor or felony relating to the practice of the person’s profession. For the purposes of this subsection, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;
(18) The procuring, or aiding or abetting in procuring, a criminal abortion;
(19) The offering, undertaking, or agreeing to cure or treat disease by a secret method, procedure, treatment, or medicine, or the treating, operating, or prescribing for any health condition by a method, means, or procedure which the licensee refuses to divulge upon demand of the disciplining authority;
(20) The willful betrayal of a practitioner-patient privilege as recognized by law;
(21) Violation of chapter 19.68 RCW;
(22) Interference with an investigation or disciplinary proceeding by willful misrepresentation of facts before the disciplining authority or its authorized representative, or by the use of threats or harassment against any patient or witness to prevent them from providing evidence in a disciplinary proceeding or any other legal action;
(23) Current misuse of:
(a) Alcohol;
(b) Controlled substances; or
(c) Legend drugs;
(24) Abuse of a client or patient or sexual contact with a client or patient;
(25) Acceptance of more than a nominal gratuity, hospitality, or subsidy offered by a representative or vendor of medical or health-related products or services intended for patients, in contemplation of a sale or for use in research publishable in professional journals, where a conflict of interest is presented, as defined by rules of the disciplining authority, in consultation with the department, based on recognized professional ethical standards;
(26) Violation of standards of ethics in contracting established under section 5 of this act.

Sec. 7. RCW 42.17.310 and 1994 c 233 s 2 and 1994 c 182 s 1 are each reenacted and amended to read as follows:

RECORDS EXEMPT FROM PUBLIC INSPECTION--MODIFIED. (1) The following are exempt from public inspection and copying:
(a) Personal information in any files maintained for students in public schools, patients or clients of public institutions or public health agencies, or welfare recipients.
(b) Personal information in files maintained for employees, appointees, or elected officials of any public agency to the extent that disclosure would violate their right to privacy.
(c) Information required of any taxpayer in connection with the assessment or collection of any tax if the disclosure of the information to other persons would (i) be prohibited to such persons by RCW 82.32.330 or (ii) violate the taxpayer's right to privacy or result in unfair competitive disadvantage to the taxpayer.
(d) Specific intelligence information and specific investigative records compiled by investigative, law enforcement, and penology agencies, and state agencies vested with the responsibility to discipline members of any profession, the nondisclosure of which is essential to effective law enforcement or for the protection of any person's right to privacy.
(e) Information revealing the identity of persons who are witnesses to or victims of crime or who file complaints with investigative, law enforcement, or penology agencies, other than the public disclosure commission, if disclosure would endanger any person's life, physical safety, or property. If at the time a complaint is filed the complainant, victim or witness indicates a desire for disclosure or nondisclosure, such desire shall govern. However, all complaints filed with the public disclosure commission about any elected official or candidate for public office must be made in writing and signed by the complainant under oath.
(f) Test questions, scoring keys, and other examination data used to administer a license, employment, or academic examination.
(g) Except as provided by chapter 8.26 RCW, the contents of real estate appraisals, made for or by any agency relative to the acquisition or sale of property, until the project or prospective sale is abandoned or until such time as all of the property has been acquired or the property to which the sale appraisal relates is sold, but in no event shall disclosure be denied for more than three years after the appraisal.
(h) Valuable formulae, designs, drawings, and research data obtained by any agency within five years of the request for disclosure when disclosure would produce private gain and public loss.
(i) Preliminary drafts, notes, recommendations, and intra-agency memorandums in which opinions are expressed or policies formulated or recommended except that a specific record shall not be exempt when publicly cited by an agency in connection with any agency action.

(j) Records which are relevant to a controversy to which an agency is a party but which records would not be available to another party under the rules of pretrial discovery for causes pending in the superior courts.

(k) Records, maps, or other information identifying the location of archaeological sites in order to avoid the looting or depredation of such sites.

(l) Any library record, the primary purpose of which is to maintain control of library materials, or to gain access to information, which discloses or could be used to disclose the identity of a library user.

(m) Financial information supplied by or on behalf of a person, firm, or corporation for the purpose of qualifying to submit a bid or proposal for (i) a ferry system construction or repair contract as required by RCW 47.60.680 through 47.60.750 or (ii) highway construction or improvement as required by RCW 47.28.070.

(n) Railroad company contracts filed prior to July 28, 1991, with the utilities and transportation commission under RCW 81.34.070, except that the summaries of the contracts are open to public inspection and copying as otherwise provided by this chapter.

(o) Financial and commercial information and records supplied by private persons pertaining to export services provided pursuant to chapter 43.163 RCW and chapter 53.31 RCW.

(p) Financial disclosures filed by private vocational schools under chapter 28C.10 RCW.

(q) Records filed with the utilities and transportation commission or attorney general under RCW 80.04.095 that a court has determined are confidential under RCW 80.04.095.

(r) Financial and commercial information and records supplied by businesses or individuals during application for loans or program services provided by chapters 43.163, 43.160, 43.330, and 43.168 RCW, or during application for economic development loans or program services provided by any local agency.

(s) Membership lists or lists of members or owners of interests of units in timeshare projects, subdivisions, camping resorts, condominiums, land developments, or common-interest communities affiliated with such projects, regulated by the department of licensing, in the files or possession of the department.

(t) All applications for public employment, including the names of applicants, resumes, and other related materials submitted with respect to an applicant.

(u) The residential addresses and residential telephone numbers of employees or volunteers of a public agency which are held by the agency in personnel records, employment or volunteer rosters, or mailing lists of employees or volunteers.

(v) The residential addresses and residential telephone numbers of the customers of a public utility contained in the records or lists held by the public utility of which they are customers.

(w)(i) The federal social security number of individuals governed under chapter 18.130 RCW maintained in the files of the department of health, except this exemption does not apply to requests made directly to the department from federal, state, and local agencies of government, and national and state licensing, credentialing, investigatory, disciplinary, and examination organizations; (ii) the current residential address and current residential telephone number of a health care provider governed under chapter 18.130 RCW maintained in the files of the department, if the provider requests that this information be withheld from public inspection and copying, and provides to the department an accurate alternate or business address and business telephone number. On or after January 1, 1995, the current residential address and residential telephone number of a health care provider governed under RCW 18.130.140 maintained in the files of the department shall automatically be withheld from public inspection and copying if the provider has provided the department with an accurate alternative or business address and telephone number.

(x) Information obtained by the board of pharmacy as provided in RCW 69.45.090.

(y) Information obtained by the board of pharmacy or the department of health and its representatives as provided in RCW 69.41.044, 69.41.280, and 18.64.420.

(z) Financial information, business plans, examination reports, and any information produced or obtained in evaluating or examining a business and industrial development corporation organized or seeking certification under chapter 31.24 RCW.
Financial and commercial information supplied to the state investment board by any person when the information relates to the investment of public trust or retirement funds and when disclosure would result in loss to such funds or in private loss to the providers of this information.

Financial and valuable trade information under RCW 51.36.120.

Client records maintained by an agency that is a domestic violence program as defined in RCW 70.123.020 or 70.123.075 or a rape crisis center as defined in RCW 70.125.030.

Information that identifies a person who, while an agency employee: (i) Seeks advice, under an informal process established by the employing agency, in order to ascertain his or her rights in connection with a possible unfair practice under chapter 49.60 RCW against the person; and (ii) requests his or her identity or any identifying information not be disclosed.

Investigative records compiled by an employing agency conducting a current investigation of a possible unfair practice under chapter 49.60 RCW or of a possible violation of other federal, state, or local laws prohibiting discrimination in employment.

Business related information protected from public inspection and copying under RCW 15.86.110.

Financial, commercial, operations, and technical and research information and data submitted to or obtained by the clean Washington center in applications for, or delivery of, program services under chapter 70.95H RCW.

Information and documents created specifically for, or collected or maintained by a quality improvement committee pursuant to RCW 43.70.510, regardless of which agency is in possession of the information and documents.

Except for information described in subsection (1)(c)(i) of this section and confidential income data exempted from public inspection pursuant to RCW 84.40.020, the exemptions of this section are inapplicable to the extent that information, the disclosure of which would violate personal privacy or vital governmental interests, can be deleted from the specific records sought. No exemption may be construed to permit the nondisclosure of statistical information not descriptive of any readily identifiable person or persons.

Inspection or copying of any specific records exempt under the provisions of this section may be permitted if the superior court in the county in which the record is maintained finds, after a hearing with notice thereof to every person in interest and the agency, that the exemption of such records is clearly unnecessary to protect any individual’s right of privacy or any vital governmental function.

Agency responses refusing, in whole or in part, inspection of any public record shall include a statement of the specific exemption authorizing the withholding of the record (or part) and a brief explanation of how the exemption applies to the record withheld.

SEC. 8. RCW 43.70.510 and 1993 c 492 s 417 are each amended to read as follows:

QUALITY IMPROVEMENT PROGRAMS--ADDING CERTAIN STATE AGENCIES AND HEALTH CARRIERS. (1)(a) Health care institutions and medical facilities, other than hospitals, that are licensed by the department, professional societies or organizations, ((and certified)) health care service contractors, health maintenance organizations, health ((plans)) carriers approved pursuant to ((RCW 43.72.100)) chapter 48.43 RCW, and any other person or entity providing health care coverage under chapter 48.42 RCW that is subject to the jurisdiction and regulation of any state agency or any subdivision thereof may maintain a coordinated quality improvement program for the improvement of the quality of health care services rendered to patients and the identification and prevention of medical malpractice as set forth in RCW 70.41.200.

(b) All such programs shall comply with the requirements of RCW 70.41.200(1)(a), (c), (d), (e), (f), (g), and (h) as modified to reflect the structural organization of the institution, facility, professional societies or organizations, ((or certified)) health care service contractors, health maintenance organizations, health ((plans)) carriers, or any other person or entity providing health care coverage under chapter 48.42 RCW that is subject to the jurisdiction and regulation of any state agency or any subdivision thereof, unless an alternative quality improvement program substantially equivalent to RCW 70.41.200(1)(a) is developed. All such programs, whether complying with the requirement set forth in RCW 70.41.200(1)(a) or in the form of an alternative program, must be approved by the department before the discovery limitations provided in subsections (3) and (4) of this section and the exemption under RCW 42.17.310(1)(hh) and subsection (5) of this section shall apply. In reviewing plans submitted by licensed entities that are associated with physicians’ offices, the department shall
ensure that the exemption under RCW 42.17.310(1)(hh) and the discovery limitations of this section are applied only to information and documents related specifically to quality improvement activities undertaken by the licensed entity.

(2) Health care provider groups of ten or more providers may maintain a coordinated quality improvement program for the improvement of the quality of health care services rendered to patients and the identification and prevention of medical malpractice as set forth in RCW 70.41.200. All such programs shall comply with the requirements of RCW 70.41.200(1)(a), (c), (d), (e), (f), (g), and (h) as modified to reflect the structural organization of the health care provider group. All such programs must be approved by the department before the discovery limitations provided in subsections (3) and (4) of this section and the exemption under RCW 42.17.310(1)(hh) and subsection (5) of this section shall apply.

(3) Any person who, in substantial good faith, provides information to further the purposes of the quality improvement and medical malpractice prevention program or who, in substantial good faith, participates on the quality improvement committee shall not be subject to an action for civil damages or other relief as a result of such activity.

(4) Information and documents, including complaints and incident reports, created specifically for, and collected, and maintained by a quality improvement committee are not subject to discovery or introduction into evidence in any civil action, and no person who was in attendance at a meeting of such committee or who participated in the creation, collection, or maintenance of information or documents specifically for the committee shall be permitted or required to testify in any civil action as to the content of such proceedings or the documents and information prepared specifically for the committee. This subsection does not preclude: (a) In any civil action, the discovery of the identity of persons involved in the medical care that is the basis of the civil action whose involvement was independent of any quality improvement activity; (b) in any civil action, the testimony of any person concerning the facts that form the basis for the institution of such proceedings of which the person had personal knowledge acquired independently of such proceedings; (c) in any civil action by a health care provider regarding the restriction or revocation of that individual’s clinical or staff privileges, introduction into evidence information collected and maintained by quality improvement committees regarding such health care provider; (d) in any civil action challenging the termination of a contract by a state agency with any entity maintaining a coordinated quality improvement program under this section if the termination was on the basis of quality of care concerns, introduction into evidence of information created, collected, or maintained by the quality improvement committees of the subject entity, which may be under terms of a protective order as specified by the court; (e) in any civil action, disclosure of the fact that staff privileges were terminated or restricted, including the specific restrictions imposed, if any and the reasons for the restrictions; or ((ee)) (f) in any civil action, discovery and introduction into evidence of the patient’s medical records required by rule of the department of health to be made regarding the care and treatment received.

(5) Information and documents created specifically for, or collected or maintained by a quality improvement committee are exempt from disclosure under chapter 42.17 RCW.

(6) The department of health shall adopt rules as are necessary to implement this section.

NEW SECTION. Sec. 9. REPEALERS. The following acts or parts of acts are each repealed:

(1) RCW 70.170.100 and 1993 c 492 s 259, 1990 c 269 s 12, & 1989 1st ex.s. c 9 s 510;
(2) RCW 70.170.110 and 1993 c 492 s 260 & 1989 1st ex.s. c 9 s 511;
(3) RCW 70.170.120 and 1993 c 492 s 261;
(4) RCW 70.170.130 and 1993 c 492 s 262;
(5) RCW 70.170.140 and 1993 c 492 s 263; and
(6) RCW 43.72.070 and 1993 c 492 s 409.

NEW SECTION. Sec. 10. CODIFICATION. Sections 1 through 4 of this act are each added to chapter 43.70 RCW.

NEW SECTION. Sec. 11. CAPTIONS. Captions as used in this act constitute no part of the law.
NEW SECTION. Sec. 12. SEVERABILITY. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 13. EMERGENCY CLAUSE--EFFECTIVE DATE. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1995."

Representative Mielke moved adoption of the following amendment by Representative Mielke:

On page 11, after line 2, insert the following:

"Sec. 14. RCW 18.85.230 and 1990 c 85 s 1 are each amended to read as follows:
The director may, upon his or her own motion, and shall upon verified complaint in writing by any person, investigate the actions of any person engaged in the business or acting in the capacity of a real estate broker, associate real estate broker, or real estate salesperson, regardless of whether the transaction was for his or her own account or in his or her capacity as broker, associate real estate broker, or real estate salesperson, and may impose any one or more of the following sanctions: Suspend or revoke, levy a fine not to exceed one thousand dollars for each offense, require the completion of a course in a selected area of real estate practice relevant to the section of this chapter or rule violated, or deny the license of any holder or applicant who is guilty of:

(1) Obtaining a license by means of fraud, misrepresentation, concealment, or through the mistake or inadvertence of the director;
(2) Violating any of the provisions of this chapter or any lawful rules or regulations made by the director pursuant thereto or violating a provision of chapter 64.36, 18.-- (sections 1 through 13 of this act), 19.105, or 58.19 RCW or the rules adopted under those chapters;
(3) Being convicted in a court of competent jurisdiction of this or any other state, or federal court, of forgery, embezzlement, obtaining money under false pretenses, bribery, larceny, extortion, conspiracy to defraud, or any similar offense or offenses: PROVIDED, That for the purposes of this section being convicted shall include all instances in which a plea of guilty or nolo contendere is the basis for the conviction, and all proceedings in which the sentence has been deferred or suspended;
(4) Making, printing, publishing, distributing, or causing, authorizing, or knowingly permitting the making, printing, publication or distribution of false statements, descriptions or promises of such character as to reasonably induce any person to act thereon, if the statements, descriptions or promises purport to be made or to be performed by either the licensee or his or her principal and the licensee then knew or, by the exercise of reasonable care and inquiry, could have known, of the falsity of the statements, descriptions or promises;
(5) Knowingly committing, or being a party to, any material fraud, misrepresentation, concealment, conspiracy, collusion, trick, scheme or device whereby any other person lawfully relies upon the word, representation or conduct of the licensee;
(6) Accepting the services of, or continuing in a representative capacity, any associate broker or salesperson who has not been granted a license, or after his or her license has been revoked or during a suspension thereof;
(7) Conversion of any money, contract, deed, note, mortgage, or abstract or other evidence of title, to his or her own use or to the use of his or her principal or of any other person, when delivered to him or her in trust or on condition, in violation of the trust or before the happening of the condition; and failure to return any money or contract, deed, note, mortgage, abstract or other evidence of title within thirty days after the owner thereof is entitled thereto, and makes demand therefor, shall be prima facie evidence of such conversion;
(8) Failing, upon demand, to disclose any information within his or her knowledge to, or to produce any document, book or record in his or her possession for inspection of the director or his or her authorized representatives acting by authority of law;
(9) Continuing to sell any real estate, or operating according to a plan of selling, whereby the interests of the public are endangered, after the director has, by order in writing, stated objections thereto;
(10) Committing any act of fraudulent or dishonest dealing or a crime involving moral turpitude, and a certified copy of the final holding of any court of competent jurisdiction in such matter shall be conclusive evidence in any hearing under this chapter;
Advertising in any manner without affixing the broker's name as licensed, and in the case of a salesperson or associate broker, without affixing the name of the broker as licensed for whom or under whom the salesperson or associate broker operates, to the advertisement; except, that a real estate broker, associate real estate broker, or real estate salesperson advertising their personally owned real property must only disclose that they hold a real estate license;

(12) Accepting other than cash or its equivalent as earnest money unless that fact is communicated to the owner prior to his or her acceptance of the offer to purchase, and such fact is shown in the earnest money receipt;

(13) Charging or accepting compensation from more than one party in any one transaction without first making full disclosure in writing of all the facts to all the parties interested in the transaction;

(14) Accepting, taking or charging any undisclosed commission, rebate or direct profit on expenditures made for the principal;

(15) Accepting employment or compensation for appraisal of real property contingent upon reporting a predetermined value;

(16) Issuing an appraisal report on any real property in which the broker, associate broker, or salesperson has an interest unless his or her interest is clearly stated in the appraisal report;

(17) Misrepresentation of his or her membership in any state or national real estate association;

(18) Discrimination against any person in hiring or in sales activity, on the basis of race, color, creed or national origin, or violating any of the provisions of any state or federal antidiscrimination law;

(19) Failing to keep an escrow or trustee account of funds deposited with him or her relating to a real estate transaction, for a period of three years, showing to whom paid, and such other pertinent information as the director may require, such records to be available to the director, or his or her representatives, on demand, or upon written notice given to the bank;

(20) Failing to preserve for three years following its consummation records relating to any real estate transaction;

(21) Failing to furnish a copy of any listing, sale, lease or other contract relevant to a real estate transaction to all signatories thereof at the time of execution;

(22) Acceptance by a branch manager, associate broker, or salesperson of a commission or any valuable consideration for the performance of any acts specified in this chapter, from any person, except the licensed real estate broker with whom he or she is licensed;

(23) To direct any transaction involving his or her principal, to any lending institution for financing or to any escrow company, in expectation of receiving a kickback or rebate therefrom, without first disclosing such expectation to his or her principal;

(24) Buying, selling, or leasing directly, or through a third party, any interest in real property without disclosing in writing that he or she holds a real estate license;

(25) In the case of a broker licensee, failing to exercise adequate supervision over the activities of his or her licensed associate brokers and salespersons within the scope of this chapter;

(26) Any conduct in a real estate transaction which demonstrates bad faith, dishonesty, untrustworthiness or incompetency;

(27) Acting as a mobile home and travel trailer dealer or salesperson, as defined in RCW 46.70.011 as now or hereafter amended, without having a license to do so;

(28) Failing to assure that the title is transferred under chapter 46.12 RCW when engaging in a transaction involving a mobile home as a broker, associate broker, or salesperson; or

(29) Violation of an order to cease and desist which is issued by the director under this chapter.

On page 1, line 1 of the title, after "relationships," insert "amending RCW 18.85.230;"

Representative Mielke spoke in favor of the adoption of the amendment.

The amendment was adopted.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representatives Mielke and Cairnes spoke in favor of passage of the bill.

Representatives Appelwick and Romero spoke against passage of the bill.

The Speaker stated the question before the House to be final passage of Engrossed House Bill No. 1659.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 1659, and the bill passed the House by the following vote: Yeas - 69, Nays - 29, Absent - 0, Excused - 0.

Engrossed House Bill No. 1659, having received the constitutional majority, was declared passed.

There being no objection, the House resumed consideration of House Bill No. 2072.

SPEAKER'S RULING

Representative Appelwick, the Speaker is prepared to Rule on your Point of Order which challenges Amendment 353 to House Bill No. 2072 as being beyond the Scope and Object of the bill.

The title of House Bill No. 2072 is "AN ACT Relating to reducing business and occupation tax rates.

The title is broad. The bill amends RCW 82.04.255 and RCW 82.04.290.

Amendment 353 to House Bill No. 2072 would add a new section to the bill amending RCW 82.04.260. The amendment would extend the existing B&O tax rate that applies to the business of canning, preserving, freezing or dehydrating fresh fruits and vegetables to the business of selling at wholesale fresh fruits and vegetables canned, preserved, or dehydrated by the seller and sold to purchasers who immediately transport the goods out of this state.

The effect of Amendment 353 would be to reduce the business and occupation tax rate for those businesses added in the amendment.

The Speaker finds that this amendment is within the scope of the broad title of House Bill No. 2072.

Amendment 353 would be to reduce the business and occupation tax rate for those businesses added in the amendment.

The Speaker finds that this amendment is within the scope of the broad title of House Bill No. 2072.

The object of House Bill No. 2072 is to reduce the B&O tax rates that were imposed on various service industries in 1993 through a two-year tax rate reduction phase-in. Amendment 353 reduces the B&O tax rate for certain manufacturing industries and establishes a requirement that sellers shall obtain certain affidavits from the department as proof of sale.

Amendment 353 is unrelated to the object to House Bill No. 2072.

The Speaker finds that Amendment 353 is beyond the scope and object of the bill.

Representative Appelwick, Your Point of Order is well taken.
Representative Chappell moved adoption of the following amendment by Representative Chappell:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 82.04.255 and 1993 s.s. c 25 s 202 are each amended to read as follows:
Upon every person engaging within the state as a real estate broker; as to such persons, the amount of the tax with respect to such business shall be equal to the gross income of the business, multiplied by the rate of ((2.0)) 1.5 percent.

The measure of the tax on real estate commissions earned by the real estate broker shall be the gross commission earned by the particular real estate brokerage office including that portion of the commission paid to salesmen or associate brokers in the same office on a particular transaction:
PROVIDED, HOWEVER, That where a real estate commission is divided between an originating brokerage office and a cooperating brokerage office on a particular transaction, each brokerage office shall pay the tax only upon their respective shares of said commission: AND PROVIDED FURTHER, That where the brokerage office has paid the tax as provided herein, salesmen or associate brokers within the same brokerage office shall not be required to pay a similar tax upon the same transaction.

Sec. 2. RCW 82.04.290 and 1993 s.s. c 25 s 203 are each amended to read as follows:
(1) Upon every person engaging within this state in the business of providing selected business services other than or in addition to those enumerated in RCW 82.04.250 or 82.04.270; as to such persons the amount of tax on account of such activities shall be equal to the gross income of the business multiplied by the rate of ((2.5)) 1.5 percent.

(2) Upon every person engaging within this state in banking, loan, security, investment management, investment advisory, or other financial businesses; as to such persons, the amount of the tax with respect to such business shall be equal to the gross income of the business, multiplied by the rate of ((1.70)) 1.5 percent.

(3) Upon every person engaging within this state in any business activity other than or in addition to those enumerated in RCW 82.04.230, 82.04.240, 82.04.250, 82.04.255, 82.04.260, 82.04.270, and 82.04.280, and subsections (1) and (2) of this section; as to such persons the amount of tax on account of such activities shall be equal to the gross income of the business multiplied by the rate of ((2.0)) 1.5 percent.

This section includes, among others, and without limiting the scope hereof (whether or not title to materials used in the performance of such business passes to another by accession, confusion or other than by outright sale), persons engaged in the business of rendering any type of service which does not constitute a "sale at retail" or a "sale at wholesale." The value of advertising, demonstration, and promotional supplies and materials furnished to an agent by his principal or supplier to be used for informational, educational and promotional purposes shall not be considered a part of the agent’s remuneration or commission and shall not be subject to taxation under this section.

NEW SECTION. Sec. 3. RCW 82.04.2201 and 1994 s.s. c 10 s 1 & 1993 s.s. c 25 s 204 are each repealed.

NEW SECTION. Sec. 4. The repeal in section 3 of this act shall not be construed as affecting any existing right acquired or liability or obligation incurred under the statute repealed or under any rule or order adopted pursuant to that statute; nor as affecting any proceeding instituted under it.

NEW SECTION. Sec. 5. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1995."

On page 15, after line 11 insert the following:
"NEW SECTION. Sec. 9. A new section is added to chapter 48.43 RCW to read as follows:
"No public or private health care payer subject to the jurisdiction of the state of Washington shall propose, issue, sign, or renew a provider agreement or enrollee service agreement that contains a clause whose effect, in any way, is to disclaim liability for the care delivered or not delivered to an enrollee because of a decision of the payer as to whether the care was a covered service, medically necessary, economically provided, medically appropriate, or similar consideration. Similarly, no clause shall attempt to shift liability for harm caused by such payer decision as to whether care should be delivered, as opposed to paid for, is between the provider and patient alone as if the fact of whether or not care is paid for played little or no role in a patient's decision to obtain care. Nothing in this section shall be inferred to result in liability to anyone for the payer's payment decisions that are consistent with the language of the applicable service agreement or consistent with the cost-effective delivery of health care. The intent of this section is only to prevent payers from shifting their liability for payment decisions to either providers, or enrollees, or both."

Renumber the sections consecutively, correct internal references accordingly.

ROLL CALL

The Clerk called the roll on the amendment on page 3, line 28 to Substitute House Bill No. 1523 and the amendment was not adopted by the following vote: Yea - 11, Nays - 87, Absent - 0, Excused - 0.

Voting yea: Representatives Grant, Hankins, Kessler, Mason, Ogden, Patterson, Rust, Thibaudeau, Tokuda, Valle and Wolfe - 11.

Representative Dellwo moved adoption of the following amendment by Representative Dellwo:

On page 3, line 35, after "notice." insert "For purposes of this section, a reasonable effort to make actual notice means phoning a parent or guardian at his or her home or place of business three times."

Representative Dellwo spoke in favor of the adoption of the amendment.

Representative Padden spoke against the adoption of the amendment.

The amendment was not adopted.

Representative Mastin moved adoption of the following amendment by Representative Mastin:

On page 3, line 35, after "notice." insert "For purposes of this section, a reasonable effort to make actual notice means phoning a parent or guardian at his or her home or place of business three times."

Representative Dellwo spoke in favor of the adoption of the amendment.

Representative Padden spoke against the adoption of the amendment.

The amendment was not adopted.

On page 4, line 26, after "9" insert "or 11"

On page 5, line 11 after "state." insert "The requirements and procedures of this section are available as alternatives to the provisions of section 11 of this act and may be used prior to, simultaneously with, or following the use of those provisions. A waiver under this section is valid, notwithstanding a denial of a waiver under section 11 of this act."
On page 6, after line 33, insert the following:

"NEW SECTION. Sec. 11. (1) The requirements and procedures under this section are available to unemancipated minors and incompetents whether or not they are residents of this state. The requirements and procedures of this section are available as alternatives to the provisions of section 9 of this act and may be used prior to, simultaneously with, or following the use of those provisions. A waiver under this section is valid, notwithstanding a denial of a petition under section 9 of this act.

(2) The unemancipated minor or incompetent may request a counselor licensed under chapter 18.19 RCW or a licensed or ordained member of the clergy as defined in RCW 26.44.020, for a waiver of the notice requirement. The request shall include a statement that the requesting party is unemancipated or incompetent.

(3) A counselling session under this section shall be conducted within one week of the request and shall be confidential and shall ensure the anonymity of the unemancipated minor or incompetent. All counselling sessions under this section shall be sealed. The unemancipated minor or incompetent has the right to request her counselling session using a pseudonym or using solely her initials. All documents related to the counselling session shall be confidential and shall not be available to the public. The counsellor or clergy member shall provide a written professional decision within forty-eight hours of the time after the counselling session. If the counsellor or clergy member fails to conduct a counselling session within one week or fails to issue a decision within forty-eight hours after a counselling session, the notice requirement shall be waived.

(4) At the time the minor or incompetent requests a counselling session, the counsellor or clergy member shall provide her with a signed statement that either:

(a) Declares that a counselling session will not be conducted within seven days; or
(b) Sets a counselling session at a reasonable time within seven days.

(5) If a counselling session occurs in compliance with 4(b) of this act, the counsellor or clergy member must provide a signed statement that either:

(a) No decision was reached within forty-eight hours of the counselling session; or
(b) The counsellor or clergy member finds that:

(i) The unemancipated minor or incompetent is sufficiently mature or able to decide whether to have an abortion;
(ii) There is evidence of a pattern of physical or sexual abuse by one or both of the parents or by the guardian of the unemancipated minor or incompetent;
(iii) The notification of a parent or guardian is not in the best interest of the unemancipated minor or incompetent; or
(c) A decision was reached within forty-eight hours of the counselling session, but none of the findings in (b) of this subsection was made.

(6) If the counsellor or clergy member makes any of the findings in (5)(b) of this section, or fails to reach a decision within forty-eight hours of a counselling session, the counsellor or clergy member shall provide the unemancipated minor or incompetent with a signed statement authorizing her to consent to the performance or inducement of an abortion without the notification of a parent or guardian. If, following a counselling session, the counsellor or clergy member indicates in the signed statement under (5) of this section that none of the findings under (5)(b) of this section was made, the counsellor or clergy member shall deny the request for a waiver.

(7) If an unemancipated minor or incompetent has been denied a waiver under this section, she may request a waiver from no more than one additional counsellor or clergy member."

Renumber the remaining sections and correct internal references accordingly. Correct the title.

POINT OF ORDER

Representative Padden: Thank you Mr. Speaker. I would request a ruling on the scope and object of the amendment.

The Speaker declared the House to be at ease.

The Speaker called the House to order.

With the consent of the House, amendment number 406 to Substitute House Bill No. 1523 was withdrawn.

Representative Sheldon moved adoption of the following amendment by Representative Sheldon:

On page 3, line 29, after "incompetent" insert "and to the wife of the father of the baby if the father is married to someone other than the mother of the baby"

POINT OF ORDER

Representative Padden: Thank you Mr. Speaker. I would request a ruling on the scope and object of the amendment.

NOTICE OF RECONSIDERATION

Representative Kremen: Having voted on the prevailing side of amendment number 391 to Substitute House Bill No. 1523, moved for immediately reconsideration.

Representative Kremen spoke in favor of the motion.

Representative Foreman spoke against the motion.

A division was called on the motion to reconsider amendment number 391 to Substitute House Bill No. 1523. The Speaker called on the House to divide. The results of the division was: YEAS-46; NAYS-51. The motion to reconsider the vote on amendment number 391 to Substitute House Bill No. 1523 failed.

SPEAKER'S RULING
Representative Padden, the Speaker is prepared to rule on your Point of Order to the amendment by Representative Sheldon to the Parental notice of abortion bill which would have required that the wife of a father be notified. The amendment is not within the scope of the bill title. Representative Padden, your Point of Order is well taken.

POINT OF PERSONAL PRIVILEGE

Representative Sheldon: Thank you Mr. Speaker. I guess I’ll have to wait for another bill to find out if Joey Budauffo’s wife is a step-parent.

Speaker’s Ruling

"Representative Padden, the Speaker is prepared to Rule on your Point of Order which challenges Amendment 402 to Substitute House Bill No. 1523 as being beyond the Scope and Object of the bill.

"The title of Substitute House Bill No. 1523 is "AN ACT Relating to parental notice of abortion.

"The title is broad. The bill amends RCW 9.02.100 and adds new sections to chapter 9.02 RCW.

"Amendment 402 to Substitute House Bill No. 1523 would add a new section to the bill that creates an alternative bypass to the exclusive bypass process established in the bill.

"In section 9, the bill creates a judicial bypass procedure whereby an unemancipated minor may petition a superior court for a waiver of the notice requirement. The object of the bill, therefore, is to create a bypass procedure that requires a judicial determination and that complies with current U. S. Supreme Court jurisprudence.

"While the bill establishes a state-involved bypass procedure, the Amendment 402 establishes a non state-involved bypass procedure. The amendment creates a process whereby certain counselors or members of the clergy may waive the notice requirement without the involvement of a court.

"Although this amendment is within the scope of the title of Substitute House Bill No. 1523, the amendment goes beyond the object of the bill.

"The Speaker finds that Amendment 402 is beyond the scope and object of the bill.

"Representative Padden, Your Point of Order is well taken."

There being no objection, the House deferred further consideration of Substitute House Bill No. 1523 and the bill held it’s place on the second reading calendar.

There being no objection, the House resumed consideration of Substitute House Bill No. 1546.

Speaker’s Ruling

"Representative Padden, the Speaker is prepared to Rule on your Point of Order which challenges Amendment 360 to Substitute House Bill No. 1546 as being beyond the Scope and Object of the bill.

"The title of Substitute House Bill No. 1546 is "AN ACT Relating to reducing incidents of breast cancer linked to abortion."

The scope of the bill is narrowly defined by this title. The title clearly states that it is incidents of breast cancer linked to abortion that are covered by the bill. Incidents of breast cancer linked to other possible causes are outside the express language of the title.

"Amendment 360 seeks to include other possible causes of breast cancer such as smoking, caffeine, high fat diets, and alcohol consumption.

"The Speaker finds that this amendment is not within the scope of the narrow title of Substitute House Bill No. 1546 and that Amendment 360 is beyond the scope and object of the bill.

"Representative Padden, Your Point of Order is well taken."
There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

The bill was ordered engrossed.

Representatives Casada, Morris, Backlund and Dyer spoke in favor of passage of the bill.

Representatives Brown, Mitchell, Cody and Thibaudeau spoke against passage of the bill.

The Speaker stated the question before the House to be final passage of Engrossed Substitute House Bill No. 1546.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1546, and the bill passed the House by the following vote: Yeas - 60, Nays - 38, Absent - 0, Excused - 0.

Engrossed Substitute House Bill No. 1546, having received the constitutional majority, was declared passed.

There being no objection, the House advanced to the eleventh order of business.

MOTION

On motion of Representative Foreman, the House adjourned until 9:00 a.m., Wednesday, March 15, 1995.

CLYDE BALLARD, Speaker

TIMOTHY A. MARTIN, Chief Clerk
The House was called to order at 9:00 a.m. by the Speaker (Representative Horn presiding). The Clerk called the roll and a quorum was present.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Jake Tomlin and Aaron Mostofi. Prayer was offered by Pastor Galen Olsen, Vancouver Hillcrest Church of the Nazarene.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

There being no objection, the House advanced to the third order of business.

There being no objection, the House advanced to the sixth order of business.

SECOND READING

HOUSE BILL NO. 1447, by Representatives Lisk, Romero, Fuhrman and Horn

Changing certain local government gambling taxes.

The bill was read the second time. There being no objection, Substitute House Bill No. 1447 was substituted for House Bill No. 1447 and the substitute bill was placed on second reading.

Substitute House Bill No. 1447 was read the second time.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.
Representative Lisk spoke in favor of passage of the bill.

Representatives Conway and Romero spoke against passage of the bill.

MOTION

On motion of Representative Brown, Representatives Patterson, G. Fisher, Kessler and Chopp were excused.

POINT OF INQUIRY

Representative Morris yielded to a question by Representative Lisk:

Representative Lisk: Under current law is there anything that would prohibit the cities and counties from lowering their taxes anyway under current law?

Representative Morris: I'm not sure what the answer is to that but I would assume that anyone could lower taxes if they want to.

Representative Lisk again spoke in favor of passage of the bill.

The Speaker stated the question before the House to be final passage of Substitute House Bill No. 1447.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 1447, and the bill passed the House by the following vote: Yeaas - 62, Nays - 31, Absent - 2, Excused - 3.

Absent: Representatives Costa and Silver - 2.

Substitute House Bill No. 1447, having received the constitutional majority, was declared passed.

There being no objection, the House resumed consideration of Substitute House Bill No. 1724.

With the consent of the House, amendment numbers 352, 351, 383 and 403 to Substitute House Bill No. 1724 were withdrawn.

Representative Reams moved adoption of the following amendment by Representative Reams:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature recognizes by this act that the growth management act is a fundamental building block of regulatory reform. The state and local governments have
invested considerable resources in an act that should serve as the integrating framework for all other
land-use related laws. The growth management act provides the means to effectively combine certainty
for development decisions, reasonable environmental protection, long-range planning for cost-effective
infrastructure, and orderly growth and development.

PART I - PLANNING AND ENVIRONMENTAL REVIEW

NEW SECTION. Sec. 101. In reviewing a development permit application and making
permit decisions, a county or city planning under RCW 36.70A.040 shall rely on its development
regulations and comprehensive plan to determine permitted land uses, including conditional and special
uses, allowable densities, system improvements related to the proposal if the comprehensive plan and
development regulations provide for funding of these improvements, and other matters. During the
project review the county or city shall not reexamine alternatives to or hear appeals on these matters, except for code interpretation.

A proposed project's consistency with development regulations shall be determined by the
county or city considering the type of land use, the level of development, infrastructure, including
public facilities and public services needed to serve the development, and the character of development,
such as design and development standards. Determination of a project's consistency does not require
documentation or use of any specific procedure.

Specific project design and conditions relating to the character of development, the payment of
impact fees, or other measures to mitigate a proposal’s probable adverse environmental impacts, if
applicable, shall be identified during the project review.

If the conditions of section 103 of this act are met, the requirements for environmental analysis
and mitigation measures in development regulations are presumed to provide adequate mitigation for
the specific adverse environmental impacts to which the requirements apply. Permitting agencies shall
continue to have the authority to approve, condition, or deny projects as provided in their development
regulations and in their policies adopted under RCW 43.21C.060.

NEW SECTION. Sec. 102. A new section is added to chapter 36.70A RCW to read as
follows:

Project review by a county or city planning under RCW 36.70A.040 shall be used to make
individual project decisions, not land use planning decisions. If, during project review, a county or
city identifies deficiencies in plans or regulations, the project review shall continue and shall not be
used as a comprehensive planning process, but any deficiencies in the comprehensive plan or
development regulations shall be noted for consideration during the periodic review of the
comprehensive plan and development regulations. Procedures shall include allowing persons to suggest
changes in the comprehensive plan and development regulations.

For purposes of this section, a deficiency in a comprehensive plan or development regulation
refers to the absence of required or potentially desirable contents of a comprehensive plan or
development regulation. It does not refer to whether a development regulation addresses a project’s
probable site-specific adverse environmental impacts that the permitting agency could mitigate in the
normal project review process.

NEW SECTION. Sec. 103. A new section is added to chapter 43.21C RCW to read as
follows:

(1) The legislature finds that a wide range of environmental subjects and impacts have been
addressed by counties, cities, and towns in comprehensive plans and development regulations adopted
under chapter 36.70A RCW, and by the state and federal government in environmental rules and laws.
These plans, regulations, rules, and laws often provide environmental analysis and mitigation measures
for project actions without the need for an environmental impact statement or further project
mitigation. When existing plans, regulations, rules, or laws provide environmental analysis and
mitigation measures for the specific adverse environmental impacts of proposed projects, these
requirements should be integrated with, and should not be duplicated by, environmental review under
this chapter. The legislature reiterates that a primary role of environmental review under this chapter
is to focus on the gaps and overlaps that may exist, taking into account the other laws and
requirements. Review of project actions in counties, cities, and towns planning under RCW
36.70A.040 should integrate environmental review with project review and not use this chapter to substitute for other land use planning and environmental requirements.

A county or city planning under RCW 36.70A.040 shall attempt to prepare an enhanced detailed statement, or enhanced environmental analysis, of its proposed comprehensive plan, subarea plans, and development regulations that is of sufficient detail in addressing impacts and alternatives to allow the detailed statement to be used in whole or in part by applicants for development permits within the geographic area covered by the statement.

(2) In reviewing a project action, a county, city, or town planning under RCW 36.70A.040 shall presume that requirements for environmental analysis, protection, and mitigation measures in development regulations, comprehensive plans, and other applicable local, state, or federal laws and rules provide adequate analysis of and mitigation for the specific adverse environmental impacts to which the requirements apply, and shall not conduct environmental analysis or impose mitigation under this chapter if the following has occurred:

(a)(i) The local government has considered the probable adverse environmental impacts of the proposed action and has determined that these impacts are adequately addressed by the development regulations or other applicable requirements of the comprehensive plan, subarea plan element of the comprehensive plan, or other local, state, or federal rules or laws; and

(ii) The local government has based or conditioned its approval on compliance with these requirements or mitigation measures.

(b) If the requirements of (a) of this subsection are not satisfied for some or all of the probable adverse environmental impacts of the project action, environmental review under this chapter shall be limited to those impacts and their effect on and relationship with other impacts, if any, consistent with the intent of this section, and shall be subject to the provisions of RCW 43.21C.060.

(3) For a county, city, or town planning under RCW 36.70A.040, project review shall not require additional environmental analysis or mitigation if the comprehensive plans, subarea plans, or development regulations already address a project's probable site-specific adverse environmental impacts, as determined under subsection (2) of this section. If a comprehensive plan, subarea plan, or development regulation adopted pursuant to chapter 36.70A RCW does not address a project's probable site-specific adverse environmental impacts, project review shall be integrated with environmental analysis under this chapter.

(4) The addressing of impacts in a comprehensive plan, subarea plan, or development regulation shall include but not be limited to the adoption or designation of levels of service, land use designations, or development standards.

(5) In deciding whether a specific adverse environmental impact has been addressed by an existing rule or law of another agency with jurisdiction with environmental expertise with regard to a specific environmental impact, the local government shall consult with that agency and may expressly defer to that agency. In making this deferral, the local government shall base or condition its project approval on compliance with these other existing rules or laws.

Sec. 104. RCW 43.21C.075 and 1994 c 253 s 4 are each amended to read as follows:

(1) Because a major purpose of this chapter is to combine environmental considerations with public decisions, any appeal brought under this chapter shall be linked to a specific governmental action. The State Environmental Policy Act provides a basis for challenging whether governmental action is in compliance with the substantive and procedural provisions of this chapter. The State Environmental Policy Act is not intended to create a cause of action unrelated to a specific governmental action.

(2) Unless otherwise provided by this section:

(a) Appeals under this chapter shall be of the governmental action together with its accompanying environmental determinations.

(b) Appeals of environmental determinations made (or lacking) under this chapter shall be commenced within the time required to appeal the governmental action which is subject to environmental review.

(3) If an agency has a procedure for appeals of agency environmental determinations made under this chapter, such procedure:

(a) Shall not allow more than one agency appeal proceeding on a procedural determination (the adequacy of a determination of significance/nonsignificance or of a final environmental impact statement)((, consistent with any state statutory requirements for appeals to local legislative bodies)).
The appeal proceeding on a determination of significance(nonsignificance) may occur before the agency’s final decision on a proposed action. Such an appeal shall also be allowed for a determination of significance/nonsignificance which may be issued by the agency after supplemental review;

(b) Shall consolidate an appeal of procedural issues and of substantive determinations made under this chapter (such as a decision to require particular mitigation measures or to deny a proposal) with a hearing or appeal on the underlying governmental action by providing for a single simultaneous (appeal of an) hearing before one hearing officer or body to consider the agency decision on a proposal and any environmental determinations made under this chapter, with the exception of the (threshold determination) appeal, if any, of a determination of significance as provided in (a) of this subsection or an appeal to the local legislative authority under RCW 43.21C.060 or other applicable state statutes;

(c) Shall provide for the preparation of a record for use in any subsequent appeal proceedings, and shall provide for any subsequent appeal proceedings to be conducted on the record, consistent with other applicable law. An adequate record consists of findings and conclusions, testimony under oath, and taped or written transcript. An electronically recorded transcript will suffice for purposes of review under this subsection; and

(d) Shall provide that procedural determinations made by the responsible official shall be entitled to substantial weight.

(4) If a person aggrieved by an agency action has the right to judicial appeal and if an agency has an appeal procedure, such person shall, prior to seeking any judicial review, use such agency procedure if any such procedure is available, unless expressly provided otherwise by state statute.

(5) (RCW 43.21C.080 establishes an optional "notice of action" procedure which, if used, imposes a time period for appealing decisions under this chapter.) Some statutes and ordinances contain time periods for challenging governmental actions which are subject to review under this chapter, such as various local land use approvals (the "underlying governmental action"). RCW 43.21C.080 establishes an optional "notice of action" procedure which, if used, imposes a time period for appealing decisions under this chapter. This (section) subsection does not modify any such time periods. (This section governs when a judicial appeal must be brought under this chapter where a "notice of action" is used, and/or where there is another time period which is required by statute or ordinance for challenging the underlying governmental action.) In this subsection, the term "appeal" refers to a judicial appeal only.

(a) If there is a time period for appealing the underlying governmental action, appeals under this chapter shall be commenced within ((thirty days)) such time period. The agency shall give official notice stating the date and place for commencing an appeal. (If there is an agency proceeding under subsection (3) of this section, the appellant shall, prior to commencing a judicial appeal, submit to the responsible official a notice of intent to commence a judicial appeal. This notice of intent shall be given within the time period for commencing a judicial appeal on the underlying governmental action.)

(b) If there is no time period for appealing the underlying governmental action, and a notice of action under RCW 43.21C.080 ((may be used. If a notice of action)) is used, ((judicial)) appeals shall be commenced within the time period specified by RCW 43.21C.080(1) unless there is a time period for appealing the underlying governmental action in which case (a) of this subsection shall apply.

(c) Notwithstanding RCW 43.21C.080(1), if there is a time period for appealing the underlying governmental action, a notice of action may be published within such time period).

(6)(a) Judicial review under subsection (3) of this section of an appeal decision made by an agency under ((RCW 43.21C.075(5))) subsection (3) of this section shall be on the record, consistent with other applicable law.

(b) A taped or written transcript may be used. If a taped transcript is to be reviewed, a record shall identify the location on the taped transcript of testimony and evidence to be reviewed. Parties are encouraged to designate only those portions of the testimony necessary to present the issues raised on review, but if a party alleges that a finding of fact is not supported by evidence, the party should include in the record all evidence relevant to the disputed finding. Any other party may designate additional portions of the taped transcript relating to issues raised on review. A party may provide a written transcript of portions of the testimony at the party’s own expense or apply to that court for an order requiring the party seeking review to pay for additional portions of the written transcript.

(c) Judicial review under this chapter shall without exception be of the governmental action together with its accompanying environmental determinations.
(7) Jurisdiction over the review of determinations under this chapter in an appeal before an agency or superior court shall upon consent of the parties be transferred in whole or part to the shorelines hearings board. The shorelines hearings board shall hear the matter and sign the final order expeditiously. The superior court shall certify the final order of the shorelines hearings board and said certified final order may only be appealed to an appellate court. In the case of an appeal under this chapter regarding a project or other matter that is also the subject of an appeal to the shorelines hearings board under chapter 90.58 RCW, the shorelines hearings board shall have sole jurisdiction over both the appeal under this section and the appeal under chapter 90.58 RCW, shall consider them together, and shall issue a final order within one hundred eighty days as provided in RCW 90.58.180.

(8) For purposes of this section and RCW 43.21C.080, the words "action", "decision", and "determination" mean substantive agency action including any accompanying procedural determinations under this chapter (except where the word "action" means "appeal" in RCW 43.21C.080(2) and (3)). The word "action" in this section and RCW 43.21C.080 does not mean a procedural determination by itself made under this chapter. The word "determination" includes any environmental document required by this chapter and state or local implementing rules. The word "agency" refers to any state or local unit of government. Except as provided in subsection (5) of this section, the word "appeal" refers to administrative, legislative, or judicial appeals.

(9) The court in its discretion may award reasonable attorney's fees of up to one thousand dollars in the aggregate to the prevailing party, including a governmental agency, on issues arising out of this chapter if the court makes specific findings that the legal position of a party is frivolous and without reasonable basis.

Sec. 105. RCW 43.21C.031 and 1983 c 117 s 1 are each amended to read as follows:

(1) An environmental impact statement (the detailed statement required by RCW 43.21C.030(2)(c)) shall be prepared on proposals for legislation and other major actions having a probable significant, adverse environmental impact. The environmental impact statement may be combined with the recommendation or report on the proposal or issued as a separate document. Actions categorically exempt under RCW 43.21C.110(1)(a) do not require environmental review or the preparation of an environmental impact statement under this chapter. In a county, city, or town planning under RCW 36.70A.040, a planned action, as provided for in subsection (2) of this section, does not require a threshold determination or the preparation of an environmental impact statement under this chapter, but is subject to environmental review and mitigation as provided in this chapter.

An environmental impact statement is required to analyze only those probable adverse environmental impacts which are significant. Beneficial environmental impacts may be discussed. The responsible official shall consult with agencies and the public to identify such impacts and limit the scope of an environmental impact statement. The subjects listed in RCW 43.21C.030(2)(c) need not be treated as separate sections of an environmental impact statement. Discussions of significant short-term and long-term environmental impacts, significant irrevocable commitments of natural resources, significant alternatives including mitigation measures, and significant environmental impacts which cannot be mitigated should be consolidated or included, as applicable, in those sections of an environmental impact statement where the responsible official decides they logically belong.

(2)(a) For purposes of this section, a planned action means one or more types of project action that:

(i) Are designated planned actions by an ordinance or resolution adopted by a county, city, or town planning under RCW 36.70A.040;

(ii) Have had the significant impacts adequately addressed in an environmental impact statement prepared in conjunction with (A) a comprehensive plan or subarea plan adopted under chapter 36.70A RCW, or (B) a fully contained community, a master planned resort, a master planned development, or a phased project;

(iii) Are subsequent or implementing projects for the proposals listed in (a)(i) of this subsection;

(iv) Are located within an urban growth area, as defined in RCW 36.70A.030;

(v) Are not essential public facilities, as defined in RCW 36.70A.200; and

(vi) Are consistent with a comprehensive plan adopted under chapter 36.70A RCW.

(b) A county, city, or town shall limit planned actions to certain types of development or to specific geographical areas that are less extensive than the jurisdictional boundaries of the county, city,
or town and may limit a planned action to a time period identified in the environmental impact statement or the ordinance or resolution adopted under this subsection.

Sec. 106. RCW 43.21C.110 and 1983 c 117 s 7 are each amended to read as follows:

It shall be the duty and function of the department of ecology((, which may utilize proposed rules developed by the environmental policy commission)):

(1) To adopt and amend thereafter rules of interpretation and implementation of this chapter (((the state environmental policy act of 1971)), subject to the requirements of chapter 34.05 RCW, for the purpose of providing uniform rules and guidelines to all branches of government including state agencies, political subdivisions, public and municipal corporations, and counties. The proposed rules shall be subject to full public hearings requirements associated with rule promulgation. Suggestions for modifications of the proposed rules shall be considered on their merits, and the department shall have the authority and responsibility for full and appropriate independent promulgation and adoption of rules, assuring consistency with this chapter as amended and with the preservation of protections afforded by this chapter. The rule making powers authorized in this section shall include, but shall not be limited to, the following phases of interpretation and implementation of this chapter (((the state environmental policy act of 1971))):

(a) Categories of governmental actions which are not to be considered as potential major actions significantly affecting the quality of the environment, including categories pertaining to applications for water right permits pursuant to chapters 90.03 and 90.44 RCW. The types of actions included as categorical exemptions in the rules shall be limited to those types which are not major actions significantly affecting the quality of the environment. The rules shall provide for certain circumstances where actions which potentially are categorically exempt require environmental review. An action that is determined to be categorically exempted under the rules adopted by the department may not be conditioned or denied under this chapter.

(b) Rules for criteria and procedures applicable to the determination of when an act of a branch of government is a major action significantly affecting the quality of the environment for which a detailed statement is required to be prepared pursuant to RCW 43.21C.030.

(c) Rules and procedures applicable to the preparation of detailed statements and other environmental documents, including but not limited to rules for timing of environmental review, obtaining comments, data and other information, and providing for and determining areas of public participation which shall include the scope and review of draft environmental impact statements.

(d) Scope of coverage and contents of detailed statements assuring that such statements are simple, uniform, and as short as practicable; statements are required to analyze only reasonable alternatives and probable adverse environmental impacts which are significant, and may analyze beneficial impacts.

(e) Rules and procedures for public notification of actions taken and documents prepared.

(f) Definition of terms relevant to the implementation of this chapter including the establishment of a list of elements of the environment. Analysis of environmental considerations under RCW 43.21C.030(2) may be required only for those subjects listed as elements of the environment (or portions thereof). The list of elements of the environment shall consist of the "natural" and "built" environment. The elements of the built environment shall consist of public services and utilities (such as water, sewer, schools, fire and police protection), transportation, environmental health (such as explosive materials and toxic waste), and land and shoreline use (including housing, and a description of the relationships with land use and shoreline plans and designations, including population).

(g) Rules for determining the obligations and powers under this chapter of two or more branches of government involved in the same project significantly affecting the quality of the environment.

(h) Methods to assure adequate public awareness of the preparation and issuance of detailed statements required by RCW 43.21C.030(2)(c).

(i) To prepare rules for projects setting forth the time limits within which the governmental entity responsible for the action shall comply with the provisions of this chapter.

(j) Rules for utilization of a detailed statement for more than one action and rules improving environmental analysis of nonproject proposals and encouraging better interagency coordination and integration between this chapter and other environmental laws.

(k) Rules relating to actions which shall be exempt from the provisions of this chapter in situations of emergency.
(l) Rules relating to the use of environmental documents in planning and decision making and the implementation of the substantive policies and requirements of this chapter, including procedures for appeals under this chapter.

(m) Rules and procedures that provide for the integration of environmental review with project review as provided in section 103 of this act. The rules and procedures shall be jointly developed with the department of community, trade, and economic development and shall be applicable to the preparation of environmental documents for actions in counties, cities, and towns planning under RCW 36.70A.040. The rules and procedures shall also include criteria to analyze the consistency of project actions, including planned actions under RCW 43.21C.031(2), with development regulations adopted pursuant to chapter 36.70A RCW, or in the absence of applicable development regulations, the appropriate elements of a comprehensive plan or subarea plan adopted pursuant to chapter 36.70A RCW. Ordinances or procedures adopted by a county, city, or town to implement the provisions of section 103 of this act prior to the effective date of rules adopted pursuant to this subsection (1)(m) shall continue to be effective until the adoption of any new or revised ordinances or procedures that may be required. If any revisions are required as a result of rules adopted pursuant to this subsection (1)(m), those revisions shall be made within the time limits specified in RCW 43.21C.120.

(2) In exercising its powers, functions, and duties under this section, the department may:

(a) Consult with the state agencies and with representatives of science, industry, agriculture, labor, conservation organizations, state and local governments and other groups, as it deems advisable; and

(b) Utilize, to the fullest extent possible, the services, facilities, and information (including statistical information) of public and private agencies, organizations, and individuals, in order to avoid duplication of effort and expense, overlap, or conflict with similar activities authorized by law and performed by established agencies.

(3) Rules adopted pursuant to this section shall be subject to the review procedures of chapter 34.05 RCW (34.05.538 and 34.05.240).

Sec. 107. RCW 43.21C.080 and 1977 ex.s. c 278 s 1 are each amended to read as follows:

(1) Notice of any action taken by a governmental agency may be publicized by the acting governmental agency, the applicant for, or the proponent of such action, in substantially the form as set forth in (subsection (3) of this section and in the following manner) rules adopted pursuant to RCW 43.21C.110:

(a) By publishing notice on the same day of each week for two consecutive weeks in a legal newspaper of general circulation in the area where the property which is the subject of the action is located;

(b) By filing notice of such action with the department of ecology at its main office in Olympia prior to the date of the last newspaper publication; and

(c) Except for those actions which are of a nonproject nature, by one of the following methods which shall be accomplished prior to the date of (last) first newspaper publication;

(i) Mailing to the latest recorded real property owners, as shown by the records of the county treasurer, who share a common boundary line with the property upon which the project is proposed through United States mail, first class, postage prepaid.

(ii) Posting of the notice in a conspicuous manner on the property upon which the project is to be constructed.

(2)(((a))) Except as otherwise provided in RCW 43.21C.075(5)(a), any action to set aside, enjoin, review, or otherwise challenge any such governmental action or subsequent government action for which notice is given as provided in subsection (1) of this section on grounds of noncompliance with the provisions of this chapter shall be commenced within ((thirty)) twenty-one days from the date of last newspaper publication of the notice pursuant to subsection (1) of this section, or be barred ((provided, however, that the time period within which an action shall be commenced shall be ninety days (i) for projects to be performed by a governmental agency or to be performed under government contract, or (ii) for thermal power plant projects: provided further, That))).

Any subsequent governmental action on the proposal for which notice has been given as provided in subsection (1) of this section shall not be set aside, enjoined, reviewed, or otherwise challenged on grounds of noncompliance with the provisions of RCW 43.21C.030(2)(a) through (h) unless there has been a substantial change in the proposal between the time of the first governmental action and the subsequent governmental action that is likely to have adverse environmental impacts
beyond the range of impacts previously analyzed, or unless the action now being considered was identified in an earlier detailed statement or declaration of nonsignificance as being one which would require further environmental evaluation.

((b) Any action to challenge a subsequent governmental action based upon any provisions of this chapter shall be commenced within thirty days from the date of last newspaper publication of the subsequent governmental action except (i) for projects to be performed by a governmental agency or to be performed under governmental contract, or (ii) for thermal power plant projects which shall be challenged within ninety days from the date of last newspaper publication of the subsequent governmental action, or be barred.

(3) The form for such notice of action shall be issued by the department of ecology and shall be made available by the governmental agency taking an action subject to being publicized pursuant to this section, by the county auditor, and/or the city clerk to the project applicant or proposer. The form of such notice shall be substantially as follows:

NOTICE OF ACTION BY

(Government agency or entity)

Pursuant to the provisions of chapter 43.21C RCW, notice is hereby given that:

The ............... (Government agency or entity) did on ........... (date), take the action described below.

Any action to set aside, enjoin, review, or otherwise challenge such action on the grounds of noncompliance with the provisions of chapter 43.21C RCW (State Environmental Policy Act) shall be commenced within ........... days or be barred.

The action taken by ............... (Government agency or entity), notice of which is hereby given, was as follows:

(1) ............... (Here insert description of action taken such as: Adoption Ordinance No. ...........; Issued Building Permit; Approved preliminary (or final) plat, etc.)

(2) ............... (Here insert brief description of the complete project or proposal.)

(3) Said action pertained to property commonly known as:

(Sufficient description to locate property, but complete legal description not required)

(4) Pertinent documents may be examined during regular business hours at the office of: ............... located at: ..............

(Location, including room number)

(Name of government agency, proponent, or applicant giving notice)

Filed by--

(Signature of individual and capacity in which such individual is signing))

NEW SECTION. Sec. 108. A new section is added to chapter 36.70A RCW to read as follows:

(1) In designating and protecting critical areas under this chapter, counties and cities shall include the best available science in developing policies and development regulations to protect the functions and values of critical areas. In addition, counties and cities shall give special consideration to conservation or protection measures necessary to preserve or enhance anadromous fisheries.

(2) If it determines that advice from scientific or other experts is necessary or will be of substantial assistance in reaching its decision, a growth management hearings board may retain scientific or other expert advice to assist in reviewing a petition under RCW 36.70A.290 that involves critical areas.

Sec. 109. RCW 36.70A.140 and 1990 1st ex.s. c 17 s 14 are each amended to read as follows:
Each county and city that is required or chooses to plan under RCW 36.70A.040 shall establish and broadly disseminate to the public a public participation program identifying procedures providing for early and continuous public participation in the development and amendment of comprehensive land use plans and development regulations implementing such plans. The procedures shall provide for broad dissemination of proposals and alternatives, opportunity for written comments, public meetings after effective notice, provision for open discussion, communication programs, information services, and consideration of and response to public comments. The public participation program and procedures shall apply to a response made by a county or city to a decision by a growth management hearings board under RCW 36.70A.300 that the comprehensive plan or development regulations were not in compliance with this chapter. Errors in exact compliance with the established program and procedures shall not render the comprehensive land use plan or development regulations invalid if the spirit of the program and procedures is observed.

Sec. 110. RCW 36.70A.300 and 1991 sp.s. c 32 s 11 are each amended to read as follows:

(1) The board shall issue a final order within one hundred eighty days of receipt of the petition for review, or, when multiple petitions are filed, within one hundred eighty days of receipt of the last petition that is consolidated. Such a final order shall be based exclusively on whether or not a state agency, county, or city is in compliance with the requirements of this chapter, chapter 90.58 RCW as it relates to adoption or amendment of shoreline master programs, or chapter 43.21C RCW as it relates to plans, development regulations, and amendments thereto, adopted under RCW 36.70A.040 or chapter 90.58 RCW. In the final order, the board shall either: (a) Find that the state agency, county, or city is in compliance with the requirements of this chapter or chapter 90.58 RCW as it relates to the adoption or amendment of shoreline master programs, or (b) find that the state agency, county, or city is not in compliance with the requirements of this chapter or chapter 90.58 RCW as it relates to the adoption or amendment of shoreline master programs, in which case the board shall remand the matter to the affected state agency, county, or city and specify a reasonable time not in excess of one hundred eighty days within which the state agency, county, or city shall comply with the requirements of this chapter.

(2) A finding of noncompliance and an order of remand shall not affect the validity of comprehensive plans and development regulations during the period of remand, unless the board’s final order also:

(a) Includes a determination, supported by findings of fact and conclusions of law, that the continued validity of the plan or regulation would substantially interfere with the fulfillment of the goals of this chapter; and

(b) Specifies the particular part or parts of the plan or regulation that are determined to be invalid, and the reasons for their invalidity.

(3) A determination of invalidity shall:

(a) Be prospective in effect and shall not extinguish rights that vested under state or local law before the date of the board’s order; and

(b) Subject any development application that would otherwise vest after the date of the board’s order to the development regulations in effect pursuant to subsection (2) or (4) of this section.

(4) If the ordinance that adopts a plan or development regulation under this chapter includes a savings clause intended to revive prior policies or regulations in the event the new plan or regulations are determined to be invalid, the board shall determine under subsection (2) of this section whether the prior policies or regulations are valid during the period of remand.

(5) Any party aggrieved by a final decision of the hearings board may appeal the decision as provided in RCW 34.05.514 to ((Thurston county)) superior court within thirty days of the final order of the board.

Sec. 111. RCW 36.70A.330 and 1991 sp.s. c 32 s 14 are each amended to read as follows:

(1) After the time set for complying with the requirements of this chapter under RCW 36.70A.300(1)(b) has expired, or at an earlier time upon the motion of a county or city subject to a determination of invalidity under RCW 36.70A.300, the board, on its own motion or motion of the petitioner, shall set a hearing for the purpose of determining whether the state agency, county, or city is in compliance with the requirements of this chapter.

(2) The board shall conduct a hearing and issue a finding of compliance or noncompliance with the requirements of this chapter. A person with standing to challenge the legislation enacted in
response to the board’s final order may participate in the hearing along with the petitioner and the state agency, city, or county. A hearing under this subsection shall be given the highest priority of business to be conducted by the board, and a finding shall be issued within forty-five days of the filing of the motion under subsection (1) of this section with the board.

(3) If the board finds that the state agency, county, or city is not in compliance, the board shall transmit its finding to the governor. The board may recommend to the governor that the sanctions authorized by this chapter be imposed. The board shall also reconsider its final order and decide:

(a) If a determination of invalidity has been made, whether such a determination should be rescinded or modified under the standards in RCW 36.70A.300(2); or

(b) If no determination of invalidity has been made, whether one now should be made under the standards in RCW 36.70A.300(2).

The board shall schedule additional hearings as appropriate pursuant to subsections (1) and (2) of this section.

NEW SECTION. Sec. 112. A new section is added to chapter 36.70A RCW to read as follows:

A city planning under RCW 36.70A.040 that operates public facilities and services shall serve within its service area if service is technically feasible and in compliance with local regulations. Such a city that provides water or sewer service outside of its corporate boundaries shall not require, as a condition of providing water or sewer service that the property owner who has requested the water or sewer service agree to: (1) Lot sizes different from those authorized by the county or city within whose planning jurisdiction the property is located; or (2) other development or design requirements that are not required by the county or city within whose planning jurisdiction the property is located.

NEW SECTION. Sec. 113. A new section is added to chapter 36.70A RCW to read as follows:

Nothing in this chapter shall preclude public sanitary sewer systems and public domestic water systems designed for and serving rural uses in areas included within the rural area designated under RCW 36.70A.070(5).

NEW SECTION. Sec. 114. A new section is added to chapter 36.70A RCW to read as follows:

Urban growth areas designated under RCW 36.70A.110 shall include transition areas that are designed to eventually have urban growth but which are temporarily zoned to lower densities and lower intensities of land use.

Sec. 115. RCW 36.70A.030 and 1994 c 307 s 2 and 1994 c 257 s 5 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Adopt a comprehensive land use plan" means to enact a new comprehensive land use plan or to update an existing comprehensive land use plan.

(2) "Agricultural land" means land primarily devoted to the commercial production of horticultural, viticultural, floricultural, dairy, apiary, vegetable, or animal products or of berries, grain, hay, straw, turf, seed, Christmas trees not subject to the excise tax imposed by RCW 84.33.100 through 84.33.140, finish in upland hatcheries, or livestock, and that has long-term commercial significance for agricultural production.

(3) "City" means any city or town, including a code city.

(4) "Comprehensive land use plan," "comprehensive plan," or "plan" means a generalized coordinated land use policy statement of the governing body of a county or city that is adopted pursuant to this chapter.

(5) "Critical areas" include the following areas and ecosystems: (a) Wetlands; (b) areas with a critical recharging effect on aquifers used for potable water; (c) fish and wildlife habitat conservation areas; (d) frequently flooded areas; and (e) geologically hazardous areas.

(6) "Department" means the department of community, trade, and economic development.
For purposes of RCW 36.70A.065 and 36.70A.440, "development permit application" means any application for a development proposal for a use that could be permitted under a plan adopted pursuant to this chapter and is consistent with the underlying land use and zoning, including but not limited to building permits, subdivisions, binding site plans, planned unit developments, conditional uses or other applications pertaining to land uses, but shall not include rezones, proposed amendments to comprehensive plans or the adoption or amendment of development regulations.

(8) "Development regulations" means any controls placed on development or land use activities by a county or city, including, but not limited to, zoning ordinances, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances.

(9) "Forest land" means land primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, including Christmas trees subject to the excise tax imposed under RCW 84.33.100 through 84.33.140, and that has long-term commercial significance. In determining whether forest land is primarily devoted to growing trees for long-term commercial timber production on land that can be economically and practically managed for such production, the following factors shall be considered: (a) The proximity of the land to urban, suburban, and rural settlements; (b) surrounding parcel size and the compatibility and intensity of adjacent and nearby land uses; (c) long-term local economic conditions that affect the ability to manage for timber production; and (d) the availability of public facilities and services conducive to conversion of forest land to other uses.

(10) "Geologically hazardous areas" means areas that because of their susceptibility to erosion, sliding, earthquake, or other geological events, are not suited to the siting of commercial, residential, or industrial development consistent with public health or safety concerns.

(11) "Long-term commercial significance" includes the growing capacity, productivity, and soil composition of the land for long-term commercial production, in consideration with the land's proximity to population areas, and the possibility of more intense uses of the land.

(12) "Minerals" include gravel, sand, and valuable metallic substances.

(13) "Public facilities" include streets, roads, highways, sidewalks, street and road lighting systems, traffic signals, domestic water systems, storm and sanitary sewer systems, parks and recreational facilities, and schools.

(14) "Public services" include fire protection and suppression, law enforcement, public health, education, recreation, environmental protection, and other governmental services.

(15) "Urban growth" refers to growth that makes intensive use of land for the location of buildings, structures, and impermeable surfaces to such a degree as to be incompatible with the primary use of such land for the production of food, other agricultural products, or fiber, or the extraction of mineral resources. When allowed to spread over wide areas, urban growth typically requires urban governmental services. "Characterized by urban growth" refers to land having urban growth located on it, or to land located in relationship to an area with urban growth on it as to be appropriate for urban growth.

(16) "Urban growth areas" means those areas designated by a county pursuant to RCW 36.70A.110.

(17) "Urban governmental services" include those governmental services historically and typically delivered by cities, and include storm and sanitary sewer systems, domestic water systems, street cleaning services, fire and police protection services, public transit services, and other public utilities associated with urban areas and normally not associated with nonurban areas.

(18) "Wetland" or "wetlands" means areas ((that are inundated or saturated by surface water or ground water at a frequency and duration sufficient to support, and that under normal circumstances do support, a prevalence of vegetation typically adapted for life in saturated soil conditions. Wetlands generally include swamps, marshes, bogs, and similar areas. Wetlands do not include those artificial wetlands intentionally created from nonwetland sites, including, but not limited to, irrigation and drainage ditches, grass-lined swales, canals, detention facilities, wastewater treatment facilities, farm ponds, and landscape amenities. However, wetlands may include those artificial wetlands intentionally created from nonwetland areas created to mitigate conversion of wetlands, if permitted by the county or city)) defined as wetlands under section 401 of the clean water act, 33 U.S.C. Sec. 1344. Wetlands do not include inadvertent wetlands unintentionally created after July 1, 1990, as a result of development activity, including the construction of roads, streets, or highways.

Sec. 116. RCW 90.58.020 and 1992 c 105 s 1 are each amended to read as follows:
The legislature finds that the shorelines of the state are among the most valuable and fragile of its natural resources and that there is great concern throughout the state relating to their utilization, protection, restoration, and preservation. In addition it finds that ever increasing pressures of additional uses are being placed on the shorelines necessitating increased coordination in the management and development of the shorelines of the state. The legislature further finds that much of the shorelines of the state and the uplands adjacent thereto are in private ownership; that unrestricted construction on the privately owned or publicly owned shorelines of the state is not in the best public interest; and therefore, coordinated planning is necessary in order to protect the public interest associated with the shorelines of the state while, at the same time, recognizing and protecting private property rights consistent with the public interest. There is, therefore, a clear and urgent demand for a planned, rational, and concerted effort, jointly performed by federal, state, and local governments, to prevent the inherent harm in an uncoordinated and piecemeal development of the state's shorelines.

It is the policy of the state to provide for the management of the shorelines of the state by planning for and fostering all reasonable and appropriate uses. This policy is designed to insure the development of these shorelines in a manner which, while allowing for limited reduction of rights of the public in the navigable waters, will promote and enhance the public interest. This policy contemplates protecting against adverse effects to the public health, the land and its vegetation and wildlife, and the waters of the state and their aquatic life, while protecting generally public rights of navigation and corollary rights incidental thereto.

The legislature declares that the interest of all of the people shall be paramount in the management of shorelines of state-wide significance. The department, in adopting guidelines for shorelines of state-wide significance, and local government, in developing master programs for shorelines of state-wide significance, shall give preference to uses in the following order of preference which:

1. Recognize and protect the state-wide interest over local interest;
2. Preserve the natural character of the shoreline;
3. Result in long term over short term benefit;
4. Protect the resources and ecology of the shoreline;
5. Increase public access to publicly owned areas of the shorelines;
6. Increase recreational opportunities for the public in the shoreline;
7. Provide for any other element as defined in RCW 90.58.100 deemed appropriate or necessary.

In the implementation of this policy the public's opportunity to enjoy the physical and aesthetic qualities of natural shorelines of the state shall be preserved to the greatest extent feasible consistent with the overall best interest of the state and the people generally. To this end uses shall be preferred which are consistent with control of pollution and prevention of damage to the natural environment, or are unique to or dependent upon use of the state's shoreline. Alterations of the natural condition of the shorelines of the state, in those limited instances when authorized, shall be given priority for single family residences and their appurtenant structures, ports, shoreline recreational uses including but not limited to parks, marinas, piers, and other improvements facilitating public access to shorelines of the state, industrial and commercial developments which are particularly dependent on their location on or use of the shorelines of the state and other development that will provide an opportunity for substantial numbers of the people to enjoy the shorelines of the state. Alterations of the natural condition of the shorelines and ((wetlands)) shorelands of the state shall be recognized by the department. Shorelines and ((wetlands)) shorelands of the state shall be appropriately classified and these classifications shall be revised when circumstances warrant regardless of whether the change in circumstances occurs through man-made causes or natural causes. Any areas resulting from alterations of the natural condition of the shorelines and ((wetlands)) shorelands of the state no longer meeting the definition of "shorelines of the state" shall not be subject to the provisions of chapter 90.58 RCW.

Permitted uses in the shorelines of the state shall be designed and conducted in a manner to minimize, insofar as practical, any resultant damage to the ecology and environment of the shoreline area and any interference with the public's use of the water.

Sec. 117. RCW 90.58.030 and 1987 c 474 s 1 are each amended to read as follows:

As used in this chapter, unless the context otherwise requires, the following definitions and concepts apply:

1. Administration:
(a) "Department" means the department of ecology;
(b) "Director" means the director of the department of ecology;
(c) "Local government" means any county, incorporated city, or town which contains within its boundaries any lands or waters subject to this chapter;
(d) "Person" means an individual, partnership, corporation, association, organization, cooperative, public or municipal corporation, or agency of the state or local governmental unit however designated;
(e) "Hearing board" means the shoreline hearings board established by this chapter.

(2) Geographical:
(a) "Extreme low tide" means the lowest line on the land reached by a receding tide;
(b) "Ordinary high water mark" on all lakes, streams, and tidal water is that mark that will be found by examining the bed and banks and ascertaining where the presence and action of waters are so common and usual, and so long continued in all ordinary years, as to mark upon the soil a character distinct from that of the abutting upland, in respect to vegetation as that condition exists on June 1, 1971, as it may naturally change thereafter, or as it may change thereafter in accordance with permits issued by a local government or the department: PROVIDED, That in any area where the ordinary high water mark cannot be found, the ordinary high water mark adjoining salt water shall be the line of mean higher high tide and the ordinary high water mark adjoining fresh water shall be the line of mean high water;
(c) "Shorelines of the state" are the total of all "shorelines" and "shorelines of state-wide significance" within the state;
(d) "Shorelines" means all of the water areas of the state, including reservoirs, and their associated ((wetlands)) shorelands, together with the lands underlying them; except (i) shorelines of state-wide significance; (ii) shorelines on segments of streams upstream of a point where the mean annual flow is twenty cubic feet per second or less and the wetlands associated with such upstream segments; and (iii) shorelines on lakes less than twenty acres in size and wetlands associated with such small lakes;
(e) "Shorelines of state-wide significance" means the following shorelines of the state:
   (i) The area between the ordinary high water mark and the western boundary of the state from Cape Disappointment on the south to Cape Flattery on the north, including harbors, bays, estuaries, and inlets;
   (ii) Those areas of Puget Sound and adjacent salt waters and the Strait of Juan de Fuca between the ordinary high water mark and the line of extreme low tide as follows:
      (A) Nisqually Delta--from DeWolf Bight to Tatsolo Point,
      (B) Birch Bay--from Point Whitehorn to Birch Point,
      (C) Hood Canal--from Tala Point to Foulweather Bluff,
      (D) Skagit Bay and adjacent area--from Brown Point to Yokeko Point, and
      (E) Padilla Bay--from March Point to William Point;
   (iii) Those areas of Puget Sound and the Strait of Juan de Fuca and adjacent salt waters north to the Canadian line and lying seaward from the line of extreme low tide;
   (iv) Those lakes, whether natural, artificial, or a combination thereof, with a surface acreage of one thousand acres or more measured at the ordinary high water mark;
   (v) Those natural rivers or segments thereof as follows:
      (A) Any west of the crest of the Cascade range downstream of a point where the mean annual flow is measured at one thousand cubic feet per second or more,
      (B) Any east of the crest of the Cascade range downstream of a point where the annual flow is measured at two hundred cubic feet per second or more, or those portions of rivers east of the crest of the Cascade range downstream from the first three hundred square miles of drainage area, whichever is longer;
   (vi) Those ((wetlands)) shorelands associated with (i), (ii), (iv), and (v) of this subsection (2)(e);
(f) "((Wetlands)) Shorelands" or "((wetland)) shoreland areas" means those lands extending landward for two hundred feet in all directions as measured on a horizontal plane from the ordinary high water mark; floodways and contiguous floodplain areas landward two hundred feet from such floodways; and all ((marshes, bogs, swamps)) wetlands and river deltas associated with the streams, lakes, and tidal waters which are subject to the provisions of this chapter; the same to be designated as to location by the department of ecology((: PROVIDED, That)). Any county or city may determine
that portion of a one-hundred-year-flood plain to be included in its master program as long as such portion includes, as a minimum, the floodway and the adjacent land extending landward two hundred feet therefrom;

(g) "Floodway" means those portions of the area of a river valley lying streamward from the outer limits of a watercourse upon which flood waters are carried during periods of flooding that occur with reasonable regularity, although not necessarily annually, said floodway being identified, under normal condition, by changes in surface soil conditions or changes in types or quality of vegetative ground cover condition. The floodway shall not include those lands that can reasonably be expected to be protected from flood waters by flood control devices maintained by or maintained under license from the federal government, the state, or a political subdivision of the state;

(h) "Wetlands" means areas defined as wetlands under section 401 of the clean water act, 33 U.S.C. Sec. 1344. Wetlands do not include inadvertent wetlands unintentionally created after July 1, 1990, as a result of development activity, including the construction of roads, streets, or highways.

(3) Procedural terms:

(a) "Guidelines" means those standards adopted to implement the policy of this chapter for regulation of use of the shorelines of the state prior to adoption of master programs. Such standards shall also provide criteria to local governments and the department in developing master programs;

(b) "Master program" shall mean the comprehensive use plan for a described area, and the use regulations together with maps, diagrams, charts, or other descriptive material and text, a statement of desired goals, and standards developed in accordance with the policies enunciated in RCW 90.58.020;

(c) "State master program" is the cumulative total of all master programs approved or adopted by the department of ecology;

(d) "Development" means a use consisting of the construction or exterior alteration of structures; dredging; drilling; dumping; filling; removal of any sand, gravel, or minerals; bulkheading; driving of piling; placing of obstructions; or any project of a permanent or temporary nature which interferes with the normal public use of the surface of the waters overlying lands subject to this chapter at any state of water level;

(e) "Substantial development" shall mean any development of which the total cost or fair market value exceeds two thousand five hundred dollars, or any development which materially interferes with the normal public use of the water or shorelines of the state; except that the following shall not be considered substantial developments for the purpose of this chapter:

(i) Normal maintenance or repair of existing structures or developments, including damage by accident, fire, or elements;

(ii) Construction of the normal protective bulkhead common to single family residences;

(iii) Emergency construction necessary to protect property from damage by the elements;

(iv) Construction and practices normal or necessary for farming, irrigation, and ranching activities, including agricultural service roads and utilities on ((wetlands)) shorelands, and the construction and maintenance of irrigation structures including but not limited to head gates, pumping facilities, and irrigation channels((—PROVIDED.—That)). A feedlot of any size, all processing plants, other activities of a commercial nature, alteration of the contour of the ((wetlands)) shorelands by leveling or filling other than that which results from normal cultivation, shall not be considered normal or necessary farming or ranching activities. A feedlot shall be an enclosure or facility used or capable of being used for feeding livestock hay, grain, silage, or other livestock feed, but shall not include land for growing crops or vegetation for livestock feeding and/or grazing, nor shall it include normal livestock wintering operations;

(v) Construction or modification of navigational aids such as channel markers and anchor buoys;

(vi) Construction on ((wetlands)) shorelands by an owner, lessee, or contract purchaser of a single family residence for his own use or for the use of his family, which residence does not exceed a height of thirty-five feet above average grade level and which meets all requirements of the state agency or local government having jurisdiction thereof, other than requirements imposed pursuant to this chapter;

(vii) Construction of a dock, including a community dock, designed for pleasure craft only, for the private noncommercial use of the owner, lessee, or contract purchaser of single and multiple family residences, the cost of which does not exceed two thousand five hundred dollars;

(viii) Operation, maintenance, or construction of canals, waterways, drains, reservoirs, or other facilities that now exist or are hereafter created or developed as a part of an irrigation system for
the primary purpose of making use of system waters, including return flow and artificially stored ground water for the irrigation of lands;

(ix) The marking of property lines or corners on state owned lands, when such marking does not significantly interfere with normal public use of the surface of the water;

(x) Operation and maintenance of any system of dikes, ditches, drains, or other facilities existing on September 8, 1975, which were created, developed, or utilized primarily as a part of an agricultural drainage or diking system;

(xi) Any action commenced prior to December 31, 1982, pertaining to (A) the restoration of interim transportation services as may be necessary as a consequence of the destruction of the Hood Canal bridge, including, but not limited to, improvements to highways, development of park and ride facilities, and development of ferry terminal facilities until a new or reconstructed Hood Canal bridge is open to traffic; and (B) the reconstruction of a permanent bridge at the site of the original Hood Canal bridge).

Sec. 118. RCW 90.58.050 and 1971 ex.s. c 286 s 5 are each amended to read as follows:
This chapter establishes a cooperative program of shoreline management between local government and the state. Local government shall have the primary responsibility for initiating the planning required by this chapter and administering the regulatory program consistent with the policy and provisions of this chapter. The department shall act primarily in a supportive and review capacity with (primary) an emphasis on providing assistance to local government and on insuring compliance with the policy and provisions of this chapter.

Sec. 119. RCW 90.58.060 and 1971 ex.s. c 286 s 6 are each amended to read as follows:
(1) Within one hundred twenty days from June 1, 1971, the department shall periodically review and adopt guidelines consistent with RCW 90.58.020, containing the elements specified in RCW 90.58.100 for:
(a) Development of master programs for regulation of the uses of shorelines; and
(b) Development of master programs for regulation of the uses of shorelines of state-wide significance.
(2) Before adopting or amending guidelines under this section, the department shall provide an opportunity for public review and comment as follows:
(a) The department shall mail copies of the proposal to all cities, counties, and federally recognized Indian tribes, and to any other person who has requested a copy, and shall publish the proposed guidelines in the Washington state register. Comments shall be submitted in writing to the department within sixty days from receipt of such proposed guidelines, local governments shall submit to the department in writing proposed changes, if any, and comments upon the proposed guidelines.
(3) Thereafter and within one hundred twenty days from the submission of such proposed guidelines to local governments, the department, after review and consideration of the comments and suggestions submitted to it, shall resubmit final proposed guidelines.
(4) Within sixty days thereafter public hearings shall be held by the department in Olympia and Spokane, at which interested public and private parties shall have the opportunity to hold at least four public hearings on the proposal in different locations throughout the state to provide a reasonable opportunity for residents in all parts of the state to present statements and views on the proposed guidelines. Notice of the hearings shall be published at least once in each of the three weeks immediately preceding the hearing in one or more newspapers of general circulation in each county of the state. If an amendment to the guidelines addresses an issue limited to one geographic area, the number and location of hearings may be adjusted consistent with the intent of this subsection to assure all parties a reasonable opportunity to comment on the proposed amendment. The department shall accept written comments on the proposal during the sixty-day public comment period and for seven days after the final public hearing.
(c) At the conclusion of the public comment period, the department shall review the comments received and modify the proposal consistent with the provisions of this chapter. The proposal shall then be published for adoption pursuant to the provisions of chapter 34.05 RCW.
(5) Within ninety days following such public hearings, the department at a public hearing to be held in Olympia shall adopt guidelines. (3) The department may propose amendments to the
guidelines not more than once each year. At least once every five years the department shall conduct a review of the guidelines pursuant to the procedures outlined in subsection (2) of this section.

Sec. 120. RCW 90.58.080 and 1974 ex.s. c 61 s 1 are each amended to read as follows:
Local governments ((are directed with regard to shorelines of the state within their various jurisdictions as follows:
(1) To complete within eighteen months after June 1, 1971, a comprehensive inventory of such shorelines. Such inventory shall include but not be limited to the general ownership patterns of the lands located therein in terms of public and private ownership, a survey of the general natural characteristics thereof, present uses conducted therein and initial projected uses thereof;
(2) To develop or amend, within twenty-four months after the adoption of guidelines as provided in RCW 90.58.060, a master program for regulation of uses of the shorelines of the state consistent with the required elements of the guidelines adopted by the department.

Sec. 121. RCW 90.58.090 and 1971 ex.s. c 286 s 9 are each amended to read as follows:
(1) A master program((s or segments thereof)), segment of a master program, or an amendment to a master program shall become effective when ((adopted or)) approved by the department ((as appropriate)). Within the time period provided in RCW 90.58.080, each local government shall have submitted a master program, either totally or by segments, for all shorelines of the state within its jurisdiction to the department for review and approval.
(2) Upon receipt of a proposed master program or amendment, the department shall:
(a) Provide notice to and opportunity for written comment by all interested parties of record as a part of the local government review process for the proposal and to all persons, groups, and agencies that have requested in writing notice of proposed master programs or amendments generally or for a specific area, subject matter, or issue. The comment period shall be at least thirty days, unless the department determines that the level of complexity or controversy involved supports a shorter period;
(b) In the department’s discretion, conduct a public hearing during the thirty-day comment period in the jurisdiction proposing the master program or amendment;
(c) Within fifteen days after the close of public comment, request the local government to review the issues identified by the public, interested parties, groups, and agencies and provide a written response as to how the proposal addresses the identified issues;
(d) Within thirty days after receipt of the local government response pursuant to (c) of this subsection, make written findings and conclusions regarding the consistency of the proposal with the policy of RCW 90.58.020 and the applicable guidelines, provide a response to the issues identified in (c) of this subsection, and either approve the proposal as submitted, recommend specific changes necessary to make the proposal approvable, or deny approval of the proposal in those instances where no alteration of the proposal appears likely to accomplish the purposes for which it was submitted and the requirements of this chapter. The written findings and conclusions shall be provided to the local government, all interested persons, parties, groups, and agencies of record on the proposal;
(e) If the department recommends changes to the proposed master program or amendment, within thirty days after the department mails the written findings and conclusions to the local government, the local government may:
(i) Agree to the proposed changes. The receipt by the department of the written notice of agreement constitutes final action by the department approving the amendment; or
(ii) Submit an alternative proposal. If, in the opinion of the department, the alternative is consistent with the purpose and intent of the changes originally submitted by the department and with this chapter it shall approve the changes and provide written notice to all recipients of the written findings and conclusions. If the department determines the proposal is not consistent with the purpose and intent of the changes proposed by the department, the department may resubmit the proposal for public and agency review pursuant to this section or reject the proposal.

(((1) As to those segments of the master program relating to shorelines, they shall be approved by))

(3) The department shall approve the segment of a master program relating to shorelines unless it determines that the submitted segments are not consistent with the policy of RCW 90.58.020 and the applicable guidelines. (((If approval is denied, the department shall state within ninety days from the date of submission in detail the precise facts upon which that decision is based, and shall submit to the local government suggested modifications to the program to make it consistent with said policy and)))
The local government shall have ninety days after it receives recommendations from the department to make modifications designed to eliminate the inconsistencies and to resubmit the program to the department for approval. Any resubmitted program shall take effect when and in such form and content as is approved by the department.

(2) As to 4) The department shall approve those segments of the master program relating to shorelines of state-wide significance only after determining the program provides the optimum implementation of the policy of this chapter to satisfy the state-wide interest. If the submission by local government is not approved, the department shall develop and adopt an alternative as hereinbefore provided. If the department does not approve a segment of a local government master program relating to a shoreline of state-wide significance, the department may develop and by rule adopt an alternative to the local government's proposal.

Sec. 122. RCW 90.58.100 and 1992 c 105 s 2 are each amended to read as follows:

(1) The master programs provided for in this chapter, when adopted (and) shall constitute use regulations for the various shorelines of the state. In preparing the master programs, and any amendments thereto, the department and local governments shall to the extent feasible:

(a) Utilize a systematic interdisciplinary approach which will insure the integrated use of the natural and social sciences and the environmental design arts;

(b) Consult with and obtain the comments of any federal, state, regional, or local agency having any special expertise with respect to any environmental impact;

(c) Consider all plans, studies, surveys, inventories, and systems of classification made or being made by federal, state, regional, or local agencies, by private individuals, or by organizations dealing with pertinent shorelines of the state;

(d) Conduct or support such further research, studies, surveys, and interviews as are deemed necessary;

(e) Utilize all available information regarding hydrology, geography, topography, ecology, economics, and other pertinent data;

(f) Employ, when feasible, all appropriate, modern scientific data processing and computer techniques to store, index, analyze, and manage the information gathered.

(2) The master programs shall include, when appropriate, the following:

(a) An economic development element for the location and design of industries, transportation facilities, port facilities, tourist facilities, commerce and other developments that are particularly dependent on their location on or use of the shorelines of the state;

(b) A public access element making provision for public access to publicly owned areas;

(c) A recreational element for the preservation and enlargement of recreational opportunities, including but not limited to parks, tidelands, beaches, and recreational areas;
(d) A circulation element consisting of the general location and extent of existing and proposed major thoroughfares, transportation routes, terminals, and other public utilities and facilities, all correlated with the shoreline use element;

(e) A use element which considers the proposed general distribution and general location and extent of the use on shorelines and adjacent land areas for housing, business, industry, transportation, agriculture, natural resources, recreation, education, public buildings and grounds, and other categories of public and private uses of the land;

(f) A conservation element for the preservation of natural resources, including but not limited to scenic vistas, aesthetics, and vital estuarine areas for fisheries and wildlife protection;

(g) An historic, cultural, scientific, and educational element for the protection and restoration of buildings, sites, and areas having historic, cultural, scientific, or educational values;

(h) An element that gives consideration to the state-wide interest in the prevention and minimization of flood damages; and

(i) Any other element deemed appropriate or necessary to effectuate the policy of this chapter.

(3) The master programs shall include such map or maps, descriptive text, diagrams and charts, or other descriptive material as are necessary to provide for ease of understanding.

(4) Master programs will reflect that state-owned shorelines of the state are particularly adapted to providing wilderness beaches, ecological study areas, and other recreational activities for the public and will give appropriate special consideration to same.

(5) Each master program shall contain provisions to allow for the varying of the application of use regulations of the program, including provisions for permits for conditional uses and variances, to insure that strict implementation of a program will not create unnecessary hardships or thwart the policy enumerated in RCW 90.58.020. Any such varying shall be allowed only if extraordinary circumstances are shown and the public interest suffers no substantial detrimental effect. The concept of this subsection shall be incorporated in the rules adopted by the department relating to the establishment of a permit system as provided in RCW 90.58.140(3).

(6) Each master program shall contain standards governing the protection of single family residences and appurtenant structures against damage or loss due to shoreline erosion. The standards shall govern the issuance of substantial development permits for shoreline protection, including structural methods such as construction of bulkheads, and nonstructural methods of protection. The standards shall provide for methods which achieve effective and timely protection against loss or damage to single family residences and appurtenant structures due to shoreline erosion. The standards shall provide a preference for permit issuance for measures to protect single family residences occupied prior to January 1, 1992, where the proposed measure is designed to minimize harm to the shoreline natural environment.

Sec. 123. RCW 90.58.120 and 1989 c 175 s 182 are each amended to read as follows:

All rules, regulations, ((master programs,)) designations, and guidelines, issued by the department, and master programs and amendments adopted by the department pursuant to RCW 90.58.070(2) or 90.58.090(4) shall be adopted or approved in accordance with the provisions of RCW 34.05.310 through 34.05.395 insofar as such provisions are not inconsistent with the provisions of this chapter. In addition:

(1) Prior to the ((approval or)) adoption by the department of a master program, or portion thereof pursuant to RCW 90.58.070(2) or 90.58.090(4), at least one public hearing shall be held in each county affected by a program or portion thereof for the purpose of obtaining the views and comments of the public. Notice of each such hearing shall be published at least once in each of the three weeks immediately preceding the hearing in one or more newspapers of general circulation in the county in which the hearing is to be held.

(2) All guidelines, regulations, designations, or master programs adopted or approved under this chapter shall be available for public inspection at the office of the department or the appropriate county ((auditor)) and city ((clerk)). The terms "adopt" and "approve" for purposes of this section, shall include modifications and rescission of guidelines.

Sec. 124. RCW 90.58.140 and 1992 c 105 s 3 are each amended to read as follows:

(1) A development shall not be undertaken on the shorelines of the state unless it is consistent with the policy of this chapter and, after adoption or approval, as appropriate, the applicable guidelines, rules, or master program.
(2) A substantial development shall not be undertaken on shorelines of the state without first obtaining a permit from the government entity having administrative jurisdiction under this chapter.

A permit shall be granted:

(a) From June 1, 1971, until such time as an applicable master program has become effective, only when the development proposed is consistent with: (i) The policy of RCW 90.58.020; and (ii) after their adoption, the guidelines and rules of the department; and (iii) so far as can be ascertained, the master program being developed for the area;

(b) After adoption or approval, as appropriate, by the department of an applicable master program, only when the development proposed is consistent with the applicable master program and ((the provisions of) this chapter ((90.58 RCW)).

(3) The local government shall establish a program, consistent with rules adopted by the department, for the administration and enforcement of the permit system provided in this section. The administration of the system so established shall be performed exclusively by the local government.

(4) Except as otherwise specifically provided in subsection ((43)) (11) of this section, the local government shall require notification of the public of all applications for permits governed by any permit system established pursuant to subsection (3) of this section by ensuring that:

(a) A notice of such an application is published at least once a week on the same day of the week for two consecutive weeks in a legal newspaper of general circulation within the area in which the development is proposed; and

(b) Additional notice of ((such an)) the application is given by at least one of the following methods:

   (((i))) (a) Mailing of the notice to the latest recorded real property owners as shown by the records of the county assessor within at least three hundred feet of the boundary of the property upon which the substantial development is proposed;

   (((ii))) (b) Posting of the notice in a conspicuous manner on the property upon which the project is to be constructed; or

   (((iii))) (c) Any other manner deemed appropriate by local authorities to accomplish the objectives of reasonable notice to adjacent landowners and the public.

The notices shall include a statement that any person desiring to submit written comments concerning an application, or desiring to receive ((a copy)) notification of the final ((order)) decision concerning an application as expeditiously as possible after the issuance of the ((order)) decision, may submit the comments or requests for ((orders)) decisions to the local government within thirty days of the last date the notice is to be published pursuant to ((subsection (a) of)) this subsection. The local government shall forward, in a timely manner following the issuance of ((an order)) a decision, a copy of the ((order)) decision to each person who submits a request for the ((order)) decision.

If a hearing is to be held on an application, notices of such a hearing shall include a statement that any person may submit oral or written comments on an application at the hearing.

(5) The system shall include provisions to assure that construction pursuant to a permit will not begin or be authorized until ((thirty)) twenty-one days from the date the ((final order)) permit decision was filed as provided in subsection (6) of this section; or until all review proceedings are terminated if the proceedings were initiated within ((thirty)) twenty-one days from the date of filing as defined in subsection (6) of this section except as follows:

(a) In the case of any permit issued to the state of Washington, department of transportation, for the construction and modification of SR 90 (I-90) on or adjacent to Lake Washington, the construction may begin after thirty days from the date of filing, and the permits are valid until December 31, 1995;

(b) Construction may be commenced thirty days after the date the appeal of the board's decision is filed if a permit is granted by the local government and (i) the granting of the permit is appealed to the shorelines hearings board within ((thirty)) twenty-one days of the date of filing, (ii) the hearings board approves the granting of the permit by the local government or approves a portion of the substantial development for which the local government issued the permit, and (iii) an appeal for judicial review of the hearings board decision is filed pursuant to chapter 34.05 RCW((—the permittee)). The appellant may request, within ten days of the filing of the appeal with the court, a hearing before the court to determine whether construction ((may begin)) pursuant to the permit approved by the hearings board or to a revised permit issued pursuant to the order of the hearings board should not commence. If, at the conclusion of the hearing, the court finds that construction pursuant to such a permit would ((not)) involve a significant, irreversible damaging of the environment,
the court ((may allow)) shall prohibit the permittee ((to begin)) from commencing the construction pursuant to the approved or revised permit ((as the court deems appropriate. The court may require the permittee to post bonds, in the name of the local government that issued the permit, sufficient to remove the substantial development or to restore the environment if the permit is ultimately disapproved by the courts or to alter the substantial development if the alteration is ultimately ordered by the courts)) until all review proceedings are final. Construction pursuant to a permit revised at the direction of the hearings board may begin only on that portion of the substantial development for which the local government had originally issued the permit, and construction pursuant to such a revised permit on other portions of the substantial development may not begin until after all review proceedings are terminated. In such a hearing before the court, the burden of proving whether the construction may involve significant irreversible damage to the environment and demonstrating whether such construction would or would not be appropriate is on the appellant;

(c) ((If a permit is granted by the local government and the granting of the permit is appealed directly to the superior court for judicial review pursuant to the proviso in RCW 90.58.180(1), the permittee may request the court to remand the appeal to the shorelines hearings board, in which case the appeal shall be so remanded and construction pursuant to such a permit shall be governed by the provisions of subsection (b) of this subsection or may otherwise begin after review proceedings before the hearings board are terminated if judicial review is not thereafter requested pursuant to chapter 34.05 RCW;

(d)) If the permit is for a substantial development meeting the requirements of subsection (((13)) (11)) of this section, construction pursuant to that permit may not begin or be authorized until ((thirty)) twenty-one days from the date the ((final order)) permit decision was filed as provided in subsection (6) of this section.

If a permittee begins construction pursuant to subsections (a), (b), or (c)((, or (d))) of this subsection, the construction is begun at the permittee’s own risk. If, as a result of judicial review, the courts order the removal of any portion of the construction or the restoration of any portion of the environment involved or require the alteration of any portion of a substantial development constructed pursuant to a permit, the permittee is barred from recovering damages or costs involved in adhering to such requirements from the local government that granted the permit, the hearings board, or any appellant or intervener.

(6) Any ((ruling)) decision on an application for a permit under the authority of this section, whether it is an approval or a denial, shall, concurrently with the transmittal of the ruling to the applicant, be filed with the department and the attorney general. With regard to a permit other than a permit governed by subsection (((13)) (11)) of this section, "date of filing" as used herein means the date of actual receipt by the department. With regard to a permit for a variance or a conditional use, "date of filing" means the date a decision of the department rendered on the permit pursuant to subsection (((13)) (11)) of this section is transmitted by the department to the local government. The department shall notify in writing the local government and the applicant of the date of filing.

(7) Applicants for permits under this section have the burden of proving that a proposed substantial development is consistent with the criteria that must be met before a permit is granted. In any review of the granting or denial of an application for a permit as provided in RCW 90.58.180 (1) and (2), the person requesting the review has the burden of proof.

(8) Any permit may, after a hearing with adequate notice to the permittee and the public, be rescinded by the issuing authority upon the finding that a permittee has not complied with conditions of a permit. If the department is of the opinion that noncompliance exists, the department shall provide written notice to the local government and the permittee. If the department is of the opinion that the noncompliance continues to exist thirty days after the date of the notice, and the local government has taken no action to rescind the permit, the department may petition the hearings board for a rescission of the permit upon written notice of the petition to the local government and the permittee if the request by the department is made to the hearings board within fifteen days of the termination of the thirty-day notice to the local government.

(9) The holder of a certification from the governor pursuant to chapter 80.50 RCW shall not be required to obtain a permit under this section.

(10) (A permit shall not be required for any development on shorelines of the state included within a preliminary or final plat approved by the applicable state agency or local government before April 1, 1971, if:
(a) The final plat was approved after April 13, 1961, or the preliminary plat was approved after April 30, 1969; and
(b) The development is completed within two years after June 1, 1971.

(11) The applicable state agency or local government is authorized to approve a final plat with respect to shorelines of the state included within a preliminary plat approved after April 30, 1969, and before April 1, 1971; PROVIDED, That any substantial development within the platted shorelines of the state is authorized by a permit granted pursuant to this section, or does not require a permit as provided in subsection (10) of this section, or does not require a permit because of substantial development occurred before June 1, 1971.

(12) Any permit for a variance or a conditional use by local government under approved master programs must be submitted to the department for its approval or disapproval.

(13) An application for a substantial development permit for a limited utility extension or for the construction of a bulkhead or other measures to protect a single family residence and its appurtenant structures from shoreline erosion shall be subject to the following procedures:

(i) The public comment period under subsection (4) of this section shall be twenty days. The notice provided under subsection (4) of this section shall state the manner in which the public may obtain a copy of the local government decision on the application no later than two days following its issuance;

(ii) The local government shall issue its decision to grant or deny the permit within twenty-one days of the last day of the comment period specified in (i) of this subsection; and

(iii) If there is an appeal of the decision to grant or deny the permit to the local government legislative authority, the appeal shall be finally determined by the legislative authority within thirty days.

(b) For purposes of this section, a limited utility extension means the extension of a utility service that:

(i) Is categorically exempt under chapter 43.21C RCW for one or more of the following: Natural gas, electricity, telephone, water, or sewer;

(ii) Will serve an existing use in compliance with this chapter;

(iii) Will not extend more than twenty-five hundred linear feet within the shorelines of the state.

Sec. 125. RCW 90.58.180 and 1994 c 253 s 3 are each amended to read as follows:

(1) Any person aggrieved by the granting, denying, or rescinding of a permit on shorelines of the state pursuant to RCW 90.58.140 may seek review from the shorelines hearings board by filing a petition for review within thirty days of the date of filing as defined in RCW 90.58.140(6).

(2) The department or the attorney general may obtain review of any final decision granting a permit, or granting or denying an application for a permit issued by a local government by filing a written petition with the shorelines hearings board and the appropriate local...
government within ((thirty)) twenty-one days from the date the final ((order)) decision was filed as provided in RCW 90.58.140(6).

(3) The review proceedings authorized in subsections (1) and (2) of this section are subject to the provisions of chapter 34.05 RCW pertaining to procedures in adjudicative proceedings. Judicial review of such proceedings of the shorelines hearings board is governed by chapter 34.05 RCW. The board shall issue its decision on the appeal authorized under subsections (1) and (2) of this section within one hundred eighty days after the date the petition is filed with the board or a petition to intervene is filed by the department or the attorney general, whichever is later. The time period may be waived by the parties or may be extended by the board for a period of thirty days upon a showing of good cause.

(4) (((A local government may appeal to the shorelines hearings board)) Any person may appeal any rules, regulations, or guidelines adopted or approved by the department within thirty days of the date of adoption or approval. The board shall make a final decision within sixty days following the hearing held thereon.

(5) The board shall find the rule, regulation, or guideline to be valid and enter a final decision to that effect unless it determines that the rule, regulation, or guideline:

(a) Is clearly erroneous in light of the policy of this chapter; or
(b) Constitutes an implementation of this chapter in violation of constitutional or statutory provisions or
(c) Is arbitrary and capricious; or
(d) Was developed without fully considering and evaluating all material submitted to the department ((by the local government)) during public review and comment; or
(e) Was not adopted in accordance with required procedures((;)).

(6) If the board makes a determination under subsection (5) (a) through (e) of this section, it shall enter a final decision declaring the rule, regulation, or guideline invalid, remanding the rule, regulation, or guideline to the department with a statement of the reasons in support of the determination, and directing the department to adopt, after a thorough consultation with the affected local government and any other interested party, a new rule, regulation, or guideline consistent with the board’s decision. (Unless the board makes one or more of the determinations as hereinbefore provided, the board shall find the rule, regulation, or guideline to be valid and enter a final decision to that effect.

(5) Rules, regulations, and guidelines) (7) A decision of the board on the validity of a rule, regulation, or guideline shall be subject to review in superior court, if authorized pursuant to ((RCW 34.05.570(2). No review shall be granted by a superior court on petition from a local government unless the local government shall first have obtained review under subsection (4) of this section and the petition for court review is)) chapter 34.05 RCW. A petition for review of the decision of the shorelines hearings board on a rule, regulation, or guideline shall be filed within ((three months)) thirty days after the date of final decision by the shorelines hearings board.

Sec. 126. RCW 90.58.190 and 1989 c 175 s 184 are each amended to read as follows:

(1) (((The department and each local government shall periodically review any master programs under its jurisdiction and make such adjustments thereto as are necessary. Any adjustments proposed by a local government to its master program shall be forwarded to the department for review. The department shall approve, reject, or propose modification to the adjustment. If the department either rejects or proposes modification to the master program adjustment, it shall provide substantive written comments as to why the proposal is being rejected or modified.)) The appeal of the department’s decision to adopt a master program or amendment pursuant to RCW 90.58.070(2) or 90.58.090(4) is governed by RCW 34.05.510 through 34.05.598.

(2)(a) The department’s decision to approve, reject, or modify a proposed master program or amendment adopted by a local government planning under RCW 36.70A.040 shall be appealed to the growth management hearings board with jurisdiction over the local government. The appeal shall be initiated by filing a petition as provided in RCW 36.70A.250 through 36.70A.320.

(b) If the appeal to the growth management hearings board concerns shorelines, the growth management hearings board shall review the proposed master program or amendment for compliance with the requirements of this chapter and chapter 36.70A RCW, the policy of RCW 90.58.020 and the applicable guidelines, and chapter 43.21C RCW as it relates to the adoption of master programs and amendments under chapter 90.58 RCW.
(c) If the appeal to the growth management hearings board concerns a shoreline of state-wide significance, the board shall uphold the decision by the department unless the board, by clear and convincing evidence, determines that the decision of the department is inconsistent with the policy of RCW 90.58.020 and the applicable guidelines.

(d) The appellant has the burden of proof in all appeals to the growth management hearings board under this subsection.

(e) Any party aggrieved by a final decision of a growth management hearings board under this subsection may appeal the decision to superior court as provided in RCW 36.70A.300.

(3)(a) Except as provided in subsection (2) of this section, any local government not planning under RCW 36.70A.040 that is aggrieved by the department’s decision to approve, reject, or modify its proposed master program or master program amendment may appeal the department’s decision by filing a petition to the shorelines hearings board within thirty days of the date of the department’s written notice to the local government of the department’s decision to approve, reject, or modify a proposed master program or master program amendment as provided in RCW 90.58.090(2).

(b) In an appeal relating to shorelines, the shorelines hearings board shall review the proposed master program or master program amendment and, after full consideration of the presentations of the local government and the department, shall determine the validity of the local government’s master program or amendment in light of the policy of RCW 90.58.020 and the applicable guidelines.

(c) In an appeal relating to shorelines of state-wide significance, the shorelines hearings board shall uphold the decision by the department unless the board determines, by clear and convincing evidence (and argument, persuade the board) that the decision of the department is inconsistent with the policy of RCW 90.58.020 and the applicable guidelines.

(d) Review by the shorelines hearings board shall be considered an adjudicative proceeding under chapter 34.05 RCW, the Administrative Procedure Act. The aggrieved local government shall have the burden of proof in all such reviews.

(e) Whenever possible, the review by the shorelines hearings board shall be heard within the county where the land subject to the proposed master program or master program amendment is primarily located. The department and any local government aggrieved by a final decision of the hearings board may appeal the decision to superior court (of Thurston county) as provided in chapter 34.05 RCW.

(4) A master program amendment shall become effective after the approval of the department or after the decision of the shorelines hearings board to uphold the master program or master program amendment, provided that the board may remand the master program or master program adjustment to the local government or the department for modification prior to the final adoption of the master program or master program amendment.

Sec. 127. RCW 34.05.461 and 1989 c 175 s 19 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section:

(a) If the presiding officer is the agency head or one or more members of the agency head, the presiding officer may enter an initial order if further review is available within the agency, or a final order if further review is not available;

(b) If the presiding officer is a person designated by the agency to make the final decision and enter the final order, the presiding officer shall enter a final order; and

(c) If the presiding officer is one or more administrative law judges, the presiding officer shall enter an initial order.

(2) With respect to agencies exempt from chapter 34.12 RCW or an institution of higher education, the presiding officer shall transmit a full and complete record of the proceedings, including such comments upon demeanor of witnesses as the presiding officer deems relevant, to each agency official who is to enter a final or initial order after considering the record and evidence so transmitted.

(3) Initial and final orders shall include a statement of findings and conclusions, and the reasons and basis therefor, on all the material issues of fact, law, or discretion presented on the record, including the remedy or sanction and, if applicable, the action taken on a petition for a stay of effectiveness. Any findings based substantially on credibility of evidence or demeanor of witnesses shall be so identified. Findings set forth in language that is essentially a repetition or paraphrase of the relevant provision of law shall be accompanied by a concise and explicit statement of the underlying
evidence of record to support the findings. The order shall also include a statement of the available procedures and time limits for seeking reconsideration or other administrative relief. An initial order shall include a statement of any circumstances under which the initial order, without further notice, may become a final order.

(4) Findings of fact shall be based exclusively on the evidence of record in the adjudicative proceeding and on matters officially noticed in that proceeding. Findings shall be based on the kind of evidence on which reasonably prudent persons are accustomed to rely in the conduct of their affairs. Findings may be based on such evidence even if it would be inadmissible in a civil trial. However, the presiding officer shall not base a finding exclusively on such inadmissible evidence unless the presiding officer determines that doing so would not unduly abridge the parties' opportunities to confront witnesses and rebut evidence. The basis for this determination shall appear in the order.

(5) Where it bears on the issues presented, the agency's experience, technical competency, and specialized knowledge may be used in the evaluation of evidence.

(6) If a person serving or designated to serve as presiding officer becomes unavailable for any reason before entry of the order, a substitute presiding officer shall be appointed as provided in RCW 34.05.425. The substitute presiding officer shall use any existing record and may conduct any further proceedings appropriate in the interests of justice.

(7) The presiding officer may allow the parties a designated time after conclusion of the hearing for the submission of memos, briefs, or proposed findings.

(8) (a) Except as otherwise provided in (b) of this subsection, initial or final orders shall be served in writing within ninety days after conclusion of the hearing or after submission of memos, briefs, or proposed findings in accordance with subsection (7) of this section unless this period is waived or extended for good cause shown.

(b) This subsection does not apply to the final order of the shorelines hearings board on appeal under RCW 90.58.180(3).

(9) The presiding officer shall cause copies of the order to be served on each party and the agency.

Sec. 128. RCW 34.05.514 and 1994 c 257 s 23 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section ((and RCW 36.70A.300(3))), proceedings for review under this chapter shall be instituted by filing a petition in the superior court, at the petitioner's option, for (a) Thurston county, (b) the county of the petitioner's residence or principal place of business, or (c) in any county where the property owned by the petitioner and affected by the contested decision is located.

(2) For proceedings involving institutions of higher education, the petition shall be filed either in the county in which the principal office of the institution involved is located or in the county of a branch campus if the action involves such branch.

NEW SECTION. Sec. 129. A new section is added to chapter 36.70A RCW to read as follows:

For shorelines of the state, the goals and policies of the shoreline management act as set forth in RCW 90.58.020 are added as one of the goals of this chapter as set forth in RCW 36.70A.020. The comprehensive plan of a county or city planning under RCW 36.70A.040 must also include a separate shorelines element consisting of the goals, policies, and use guidelines segments of the shoreline master program adopted under chapter 90.58 RCW. All other portions of the shoreline master program, including regulations, shall be considered part of the county’s or city’s development regulations.

The shoreline master program shall be adopted pursuant to the procedures of chapter 90.58 RCW rather than the procedures set forth in this chapter for the adoption of a comprehensive plan and development regulations, including approval by the department of ecology, except that an appeal from the actions by the department of ecology are appealable to the appropriate growth management hearings board rather than the shorelines hearings board.

Sec. 130. RCW 36.70A.130 and 1990 1st ex.s. c 17 s 13 are each amended to read as follows:

(1) Each comprehensive land use plan and development regulations shall be subject to continuing evaluation and review by the county or city that adopted them.
Any amendment or revision to a comprehensive land use plan shall conform to this chapter, and any change to development regulations shall be consistent with and implement the comprehensive plan.

(2)(a) Each county and city shall establish and broadly disseminate to the public a public participation program identifying procedures whereby proposed amendments or revisions of the comprehensive plan are considered by the governing body of the county or city no more frequently than once every year except under the following circumstances:
   (i) The initial adoption of a subarea plan; and
   (ii) The adoption or amendment of a shoreline master program under the procedures set forth in chapter 90.58 RCW.

(b) All proposals shall be considered by the governing body concurrently so the cumulative effect of the various proposals can be ascertained. However, after appropriate public participation, a county or city may adopt amendments or revisions to its comprehensive plan that conform with this chapter whenever an emergency exists or to resolve an appeal of a comprehensive plan filed with the growth management hearings board or with the court.

(3) Each county that designates urban growth areas under RCW 36.70A.110 shall review, at least every ten years, its designated urban growth area or areas, and the densities permitted within both the incorporated and unincorporated portions of each urban growth area. In conjunction with this review by the county, each city located within an urban growth area shall review the densities permitted within its boundaries, and the extent to which the urban growth occurring within the county has located within each city and the unincorporated portions of the urban growth areas. The county comprehensive plan designating urban growth areas, and the densities permitted in the urban growth areas by the comprehensive plans of the county and each city located within the urban growth areas, shall be revised to accommodate the urban growth projected to occur in the county for the succeeding twenty-year period.

Sec. 131. RCW 36.70A.290 and 1994 c 257 s 2 and 1994 c 249 s 26 are each reenacted and amended to read as follows:

(1) All requests for review to a growth management hearings board shall be initiated by filing a petition that includes a detailed statement of issues presented for resolution by the board.

(2) All petitions relating to whether or not an adopted comprehensive plan, development regulation, or permanent amendment thereto, is in compliance with the goals and requirements of this chapter or chapter 90.58 or 43.21C RCW must be filed within sixty days after publication by the legislative bodies of the county or city.

   (a) Except as provided in (c) of this subsection, the date of publication for a city shall be the date the city publishes the ordinance, or summary of the ordinance, adopting the comprehensive plan or development regulations, or amendment thereto, as is required to be published.

   (b) Promptly after adoption, a county shall publish a notice that it has adopted the comprehensive plan or development regulations, or amendment thereto.

   Except as provided in (c) of this subsection, for purposes of this section the date of publication for a county shall be the date the county publishes the notice that it has adopted the comprehensive plan or development regulations, or amendment thereto.

   (c) For local governments planning under RCW 36.70A.040, promptly after approval or disapproval of a local governments shoreline master program or amendment thereto by the department of ecology as provided in RCW 90.58.090, the local government shall publish a notice that the shoreline master program or amendment thereto has been approved or disapproved by the department of ecology. For purposes of this section, the date of publication for the adoption or amendment of a shoreline master program is the date the local government publishes notice that the shoreline master program or amendment thereto has been approved or disapproved by the department of ecology.

(3) Unless the board dismisses the petition as frivolous or finds that the person filing the petition lacks standing, the board shall, within ten days of receipt of the petition, set a time for hearing the matter.

(4) The board shall base its decision on the record developed by the city, county, or the state and supplemented with additional evidence if the board determines that such additional evidence would be necessary or of substantial assistance to the board in reaching its decision.

(5) The board, shall consolidate, when appropriate, all petitions involving the review of the same comprehensive plan or the same development regulation or regulations.
Sec. 132. RCW 36.70A.320 and 1991 sp.s c 32 s 13 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, comprehensive plans and development regulations, and amendments thereto, adopted under this chapter are presumed valid upon adoption. In any petition under this chapter, the board, after full consideration of the petition, shall determine whether there is compliance with the requirements of this chapter. In making its determination, the board shall consider the criteria adopted by the department under RCW 36.70A.190(4). The board shall find compliance unless it finds by a preponderance of the evidence that the state agency, county, or city erroneously interpreted or applied this chapter.

(2) The shoreline element of a comprehensive plan and the applicable development regulations adopted by a county or city shall take effect as provided in chapter 90.58 RCW.

Sec. 133. RCW 82.02.090 and 1990 1st ex.s c 17 s 48 are each amended to read as follows:

Unless the context clearly requires otherwise, the following definitions shall apply (in RCW 82.02.090 through 82.02.099) throughout this chapter:

(1) "Development" means any proposed change in use of land for which review of environmental impacts is required under chapter 43.21C RCW, any proposed construction or expansion of a building, structure, or use, or any proposed change in use of a building or structure.

(2) "Development activity" means any construction or expansion of a building, structure, or use, any change in use of a building or structure, or any changes in the use of land, that creates additional demand and need for public facilities.

(3) "Development approval" means any written authorization from a county, city, or town which authorizes the commencement of development activity.

(4) "Environmental analysis" means review under chapter 43.21C RCW of environmental impacts of an action required or authorized by chapter 36.70A RCW.

(5) "Environmental analysis fees" means a payment of money imposed on development as a condition of development approval to pay for environmental analysis needed to establish the system capacity projected to accommodate implementation of a comprehensive plan adopted under chapter 36.70A RCW.

(6) "Impact fee" means a payment of money imposed upon development as a condition of development approval to pay for public facilities needed to serve new growth and development, and that is reasonably related to the new development that creates additional demand and need for public facilities, that is a proportionate share of the cost of the public facilities, and that is used for facilities that reasonably benefit the new development. "Impact fee" does not include a reasonable permit or application fee.

(7) "Owner" means the owner of record of real property, although when real property is being purchased under a real estate contract, the purchaser shall be considered the owner of the real property if the contract is recorded.

(8) "Proportionate share" means that portion of the cost of public facility improvements that are reasonably related to the service demands and needs of new development.

(9) "Project improvements" mean site improvements and facilities that are planned and designed to provide service for a particular development project and that are necessary for the use and convenience of the occupants or users of the project, and are not system improvements. No improvement or facility included in a capital facilities plan approved by the governing body of the county, city, or town shall be considered a project improvement.

(10) "Public facilities" means the following capital facilities owned or operated by government entities: (a) Public streets and roads; (b) publicly owned parks, open space, and recreation facilities; (c) school facilities; and (d) fire protection facilities in jurisdictions that are not part of a fire district.

(11) "Service area" means a geographic area defined by a county, city, town, or intergovernmental agreement in which a defined set of public facilities provide service to development within the area. Service areas shall be designated on the basis of sound planning or engineering principles.

(12) "System capacity" means the capacity of a county, city, or town to accommodate new development determined by the limiting capacities of specific natural or built systems identified in the comprehensive plan adopted pursuant to RCW 36.70A.040.
(13) "System improvements" mean public facilities that are included in the capital facilities plan and are designed to provide service to service areas within the community at large, in contrast to project improvements.

NEW SECTION. Sec. 134. A new section is added to chapter 82.02 RCW to read as follows:

Except only as expressly provided in RCW 67.28.180 and 67.28.190 and in chapter 82.14 RCW, the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision has the right to impose taxes of that nature.

Sec. 135. RCW 82.02.020 and 1990 1st ex.s. c 17 s 42 are each amended to read as follows:

(1) Except only as expressly provided in RCW 67.28.180 and 67.28.190 and the provisions of chapter 82.14 RCW, the state preempts the field of imposing taxes upon retail sales of tangible personal property, the use of tangible personal property, parimutuel wagering authorized pursuant to RCW 67.16.060, conveyances, and cigarettes, and no county, town, or other municipal subdivision shall have the right to impose taxes of that nature.

(2) This section does not prohibit voluntary agreements with (a city, town, or other municipal corporation) that allows a payment in lieu of a dedication of land or to mitigate a direct impact that has been identified as a consequence of a proposed development, subdivision, or plat. A local government shall not use such voluntary agreements for local off-site transportation improvements within the geographic boundaries of the area or areas covered by an adopted transportation program authorized by chapter 39.92 RCW. Any such voluntary agreement is subject to the following provisions:

(a) The payment shall be held in a reserve account and may only be expended to fund a capital improvement agreed upon by the parties to mitigate the identified, direct impact;

(b) The payment shall be expended in all cases within five years of collection; and

(c) Any payment not so expended shall be refunded with interest at the rate applied to judgments to the property owners of record at the time of the refund; however, if the payment is not expended within five years due to delay attributable to the developer, the payment shall be refunded without interest.

(3) A county, city, town, or other municipal corporation shall not require any payment as part of such a voluntary agreement which the county, city, town, or other municipal corporation cannot establish is reasonably necessary as a direct result of the proposed development or plat.

(4)(a) Nothing in this section prohibits cities, towns, counties, or other municipal corporations from collecting reasonable fees from an applicant for a permit or other governmental approval to cover the cost to the city, town, county, or other municipal corporation of processing applications, inspecting and reviewing plans, or preparing detailed statements required by chapter 43.21C RCW.

(b) This section does not limit the existing authority of any county, city, town, or other municipal corporation to impose special assessments on property specifically benefited thereby in the manner prescribed by law.

(c) Nothing in this section prohibits counties, cities, or towns from imposing or permits counties, cities, or towns to impose water, sewer, natural gas, drainage utility, and drainage system charges( (Provided, That). No such charge (shall)) may exceed the proportionate share of such utility or system's capital costs which the county, city, or town can demonstrate are attributable to the property being charged( (Provided Further, That). These provisions shall not be interpreted to expand or contract any existing authority of counties, cities, or towns to impose such charges.
(d) Nothing in this section prohibits a transportation benefit district from imposing fees or charges authorized in RCW 36.73.120 nor prohibits the legislative authority of a county, city, or town from approving the imposition of such fees within a transportation benefit district.

(e) Nothing in this section prohibits counties, cities, or towns from imposing transportation impact fees authorized pursuant to chapter 39.92 RCW.

(f) Nothing in this section prohibits counties, cities, or towns from requiring property owners to provide relocation assistance to tenants under RCW 59.18.440 and 59.18.450.

(5) This section does not apply to special purpose districts formed and acting pursuant to Titles 54, 56, 57, or 87 RCW, nor is the authority conferred by these titles affected.

NEW SECTION. Sec. 136. (1) The legislature finds that:

(a) As of the effective date of this section, twenty-nine counties and two hundred eight cities are conducting comprehensive planning under the growth management act, chapter 36.70A RCW, which together comprise over ninety percent of the state’s population;

(b) Comprehensive plans for many of the jurisdictions were due by July 1, 1994, and the remaining jurisdictions must complete plans under due dates ranging from October 1994 to September 1997;

(c) Concurrently with these comprehensive planning activities, local governments must conduct several other planning requirements under the growth management act, such as the adoption of capital facilities plans, urban growth areas, and development regulations;

(d) Local governments must also comply with the state environmental policy act, chapter 43.21C RCW, in the development of comprehensive plans;

(e) The combined activities of comprehensive planning and the state environmental policy act present a serious fiscal burden upon counties, cities, and towns;

(f) This fiscal burden will be experienced over a relatively short period of time, whereas the benefits of growth management and environmental protection achieved through the comprehensive plans will accrue to each area over a much longer period in the future; and

(g) The revenues from fees assessed at the time of county, city, or town government approval of projects that are consistent with the comprehensive plan may provide the basis for these local governments to issue both general obligations and revenue obligations in order to provide the early funding necessary to carry out their comprehensive planning and accompanying environmental analysis responsibilities.

(2) Therefore it is the intent of the legislature by enacting this chapter to authorize counties, cities, and towns planning under RCW 36.70A.040 to assess environmental analysis fees at the time of project review, issue both general indebtedness and revenue indebtedness payable from the environmental analysis fees, and assist in financing the enhanced environmental review of comprehensive plans, subarea plans, and development regulations.

NEW SECTION. Sec. 137. (1) A county, city, or town planning under RCW 36.70A.040 may impose environmental analysis fees on development to partially finance the enhanced environmental analysis of its comprehensive plan, subarea plans, and development regulations, as provided in section 103 of this act.

(2) Environmental analysis fees may not be assessed or collected on development that is categorically exempt from a threshold determination under chapter 43.21C RCW.

(3) Environmental analysis fees shall be proportionate to the amount of system capacity or capacities projected to be consumed by the new development.

(4) Environmental analysis fees shall be collected and spent only for the costs of environmental analysis upon which the system capacity forecast in a comprehensive plan adopted pursuant to RCW 36.70A.070 or subarea plan is based.

(5) Environmental analysis fees shall not be used to recover more than seventy-five percent of the costs previously incurred by a county, city, or town for environmental analysis required to establish the system capacity forecast in a comprehensive plan or subarea plan.

NEW SECTION. Sec. 138. A county, city, or town in its ordinance establishing environmental analysis fees shall:

(1) Include a schedule of environmental analysis fees based upon a formula or other method of calculating such fees. The formula or calculation shall incorporate at least the following:
(a) The amount of system capacity to be used by the new development;
(b) The total cost of environmental analysis required to establish the system capacity forecast in the comprehensive plan; and
(c) The amount of the total cost of environmental analysis allocated to each capacity element used to determine the amount of the fee;

(2) Allow the county, city, or town to adjust the standard fee at the time the fee is imposed to consider unusual circumstances in specific cases to ensure that environmental analysis fees are imposed fairly;
(3) Not assess or collect environmental analysis fees to recover costs of environmental analysis that have already been fully recovered through environmental impact fees or through other sources.

NEW SECTION. Sec. 139. A county, city, or town planning under RCW 36.70A.040 may issue general obligations and revenue obligations payable from environmental analysis fees to assist in financing the enhanced environmental review of comprehensive plans, subarea plans, and development regulations that is in sufficient detail to allow the environmental impact statement to be used in whole or in part by an applicant for a development within the geographic area covered by the plan or regulations that receives the enhanced environmental review. The comprehensive plan, subarea plan, or development regulations must include mechanisms to monitor the usefulness of the enhanced environmental review by applicants for development permits authorizing development consistent with the plan and regulations. The obligations issued to finance the enhanced environmental review may not have a maturity in excess of ten years. The obligations shall be issued as provided in chapter 39.46 RCW. At least twenty-five percent of the funding for the enhanced environmental review must come from sources other than the environmental analysis fees.

NEW SECTION. Sec. 140. A new section is added to chapter 36.70A RCW to read as follows:
The growth management planning and environmental review loan fund is hereby established in the state treasury. Moneys may be placed in the fund from the proceeds of bond sales, tax revenues, budget transfers, federal appropriations, gifts, or any other lawful source. Moneys in the fund may be spent only after appropriation. Moneys in the fund shall be used to make low-interest loans to counties and cities for the purposes set forth in section 103 of this act or RCW 43.21C.031. Loans from the fund shall be made by loan agreement under chapter 39.69 RCW.

NEW SECTION. Sec. 141. A new section is added to chapter 36.70A RCW to read as follows:
(1) The department of community, trade, and economic development shall provide management services for the fund created by section 140 of this act. The department by rule shall establish procedures for fund management.
(2) A county or city applicant must be making substantial progress towards compliance with the requirements of chapter 36.70A RCW in order to qualify for financial assistance from the fund established pursuant to section 140 of this act. A county or city that is more than six months out of compliance with a requirement of this chapter is deemed not to be making substantial progress towards compliance.
(3) The department by loan agreement may permit a deferred payment on the principal repayment of any loan for a period not to exceed two years. Interest shall continue to accrue during this period.

NEW SECTION. Sec. 142. Sections 136 through 139 of this act shall constitute a new chapter in Title 36 RCW.

NEW SECTION. Sec. 143. RCW 82.02.020, 82.02.050, 82.02.060, 82.02.070, 82.02.080, 82.02.090, and 82.02.100 are each recodified as sections within a new chapter created in Title 36 RCW.

NEW SECTION. Sec. 144. RCW 90.58.145 and 1979 ex.s. c 84 s 4 are each repealed.
PART II - PERMITTING

NEW SECTION. Sec. 201. The legislature finds and declares the following:
(1) As the number of environmental laws and development regulations has increased for land uses and development, so has the number of required local land use permits, each with its own separate approval process.
(2) The increasing number of local and state land use permits and separate environmental review processes required by agencies has generated continuing potential for conflict, overlap, and duplication between the various permit and review processes.
(3) This regulatory burden has significantly added to the cost and time needed to obtain local and state land use permits and has made it difficult for the public to know how and when to provide timely comments on land use proposals that require multiple permits and have separate environmental review processes.

NEW SECTION. Sec. 202. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
(1) "Closed record appeal" means an appeal to a local government body or officer, including the legislative body, following an open record hearing and a decision by the body or officer on a development permit application when the appeal is on the record with no or limited new evidence or information allowed to be submitted and only appeal argument allowed.
(2) "Development permit" or "development permit application" means any land use or environmental permit or license required from a local government for a project action, including but not limited to building permits, subdivisions, binding site plans, planned unit developments, conditional uses, shoreline substantial development permits, and other land use applications, but does not include proposed amendments to comprehensive plans or the adoption or amendment of development regulations.
(3) "Development regulations" means the controls placed on development or land use activities by a local government, including, but not limited to, zoning ordinances, critical areas ordinances, shoreline master programs, official controls, planned unit development ordinances, subdivision ordinances, and binding site plan ordinances, together with any amendments, but does not include decisions to approve a development permit application, even though such decisions may be expressed in a resolution or ordinance of the legislative body of the local government.
(4) "Local government" means a county, city, or town.
(5) "Open record hearing" means a hearing conducted by a hearing body or officer of the local government that creates a record through testimony and submission of evidence and information, whether the hearing is open to members of the general public for purposes of hearing public comments prior to a decision on a development permit application or is limited to those filing an appeal of a staff decision.

NEW SECTION. Sec. 203. Not later than December 31, 1996, each local government that does not plan under RCW 36.70A.040 shall provide by ordinance or resolution for review of development permit applications to achieve the following objectives:
(1) Combine the environmental review process, both procedural and substantive, with the procedure for review of development permits;
(2) Except as provided in RCW 43.21C.075(3), provide for no more than one open record hearing and one closed record appeal; and
(3) Eliminate any appeal period for judicial appeals that conflicts with the uniform twenty-one day appeal period provided in section 305 of this act.

NEW SECTION. Sec. 204. Not later than December 31, 1996, each local government planning under RCW 36.70A.040 shall establish by ordinance or resolution an integrated and consolidated development permit process that includes the following required elements:
(1) A notice of completion to the applicant as required by RCW 36.70A.440 (as recodified by this act);
(2) A notice of application to the public and agencies with jurisdiction as required by section 208 of this act;
(3) With the exception of a determination of significance, which shall be issued in advance of the agency decision or recommendation on the project action as provided in chapter 43.21C RCW, a single report by the decision maker that combines the local government’s threshold determination, if required under chapter 43.21C RCW, with the agency’s decision or recommendation on all development permits included in the consolidated permit review and also includes any mitigation required pursuant to the development regulations or the agency’s authority under RCW 43.21C.060;

(4) Except as provided in section 211 of this act, the consolidation into a single review process of all development permits requested by an applicant for part or all of a project action, including no more than one consolidated open record hearing before a single hearing body or officer;

(5) Except for the appeal of a determination of significance as provided in RCW 43.21C.075, if a local government elects to provide an appeal of its threshold determinations or development permit decisions, the local government shall provide for no more than one consolidated open record hearing before a single hearing body or officer. The local government need not provide for any further appeal. If a closed record appeal is provided, the appeal shall be on the record before a single decision-making body or officer;

(6) A notice of decision as required by section 210 of this act and issued within the time period provided in RCW 36.70A.065 (as recodified by this act) and section 207 of this act; and

(7) Any other provisions not inconsistent with the requirements of this chapter or chapter 43.21C RCW.

Sec. 205. RCW 36.70A.440 and 1994 c 257 s 4 are each amended to read as follows:

((Each city and county)) (1) Within twenty-eight days after receiving a development permit application, a local government planning pursuant to RCW 36.70A.040 shall mail or provide in person a written determination to the applicant, stating either:

(a) That the application is complete; or

(b) That the application is incomplete and what is necessary to make the application complete.

(2)(a) An application shall be deemed complete under this section if the local government does not provide a written determination to the applicant that the application is incomplete as provided in subsection (1)(b) of this section.

(b) Within ten days after an applicant has submitted to a local government additional information identified by the local government as being necessary for a complete application, the local government shall notify the applicant whether the information submitted adequately responds to the notice given under (a) of this subsection and thereby makes the application complete or what additional information is necessary.

(3) To the extent known by the ((city or county)) local government, the ((notice)) local government shall identify other agencies of local, state, or federal governments that may have jurisdiction over some aspect of the application.

Sec. 206. RCW 36.70A.065 and 1994 c 257 s 3 are each amended to read as follows:

Development regulations adopted pursuant to RCW 36.70A.040 shall establish time periods consistent with section 207 of this act for local government actions on specific development permit applications and provide timely and predictable procedures to determine whether a completed development permit application meets the requirements of those development regulations. Such development regulations shall specify the contents of a completed development permit application necessary for the application of such time periods and procedures.

NEW SECTION. Sec. 207. (1) Except as otherwise provided in subsection (2) of this section, a local government planning under RCW 36.70A.040 shall issue its notice of final decision within one hundred twenty days after the local government notifies the applicant for a project that the application is complete or is deemed complete, as provided in RCW 36.70A.440 (as recodified by this act). In determining the number of days that have elapsed after the local government has notified the applicant that the application is complete, the following periods shall be excluded:

(a) Any period during which an environmental impact statement is being prepared following a determination of significance pursuant to chapter 43.21C RCW, if the local government by ordinance or resolution has established time periods for completion of environmental impact statements, or if the
local government and the applicant in writing agree to a time period for completion of an
environmental impact statement; and
(b) A period, not to exceed sixty days, to consider and decide closed record appeals, unless the
parties voluntarily agree to extend the period.
(2) The time limits established by subsection (1) of this section do not apply if a development
permit:
(a) Requires an amendment to the comprehensive plan or a development regulation;
(b) Involves a new fully contained community as provided in RCW 36.70A.350, a master
planned resort as provided in RCW 36.70A.360, or the siting of an essential public facility as provided
in RCW 36.70A.200; or
(c) Involves substantial revisions to the project proposal at the applicant’s request, in which
case the time period shall start from the date at which the revised project application is determined to
be complete under RCW 36.70A.440 (as recodified by this act).
(3) If the local government has failed to issue its notice of final decision within one hundred
twenty days after the local government notifies the applicant for a project that the application is
complete or is deemed complete, as provided in RCW 36.70A.440 (as recodified by this act), but not
including time excluded under subsections (1) and (2) of this section the application shall be deemed
approved, in the absence of extraordinary circumstances.
(4) After an application is complete as provided in RCW 36.70A.440 (as recodified by this
act), the local government may not require the applicant to submit additional information. The local
government may, in the course of processing the application, request the applicant to clarify, explain,
or correct information the applicant has submitted.
(5) Failure of an applicant to submit adequate information required pursuant to RCW
36.70A.440 (as recodified by this act) may constitute grounds for disapproving the application.
(6) The notice of completeness may include the following as optional information:
(a) A preliminary determination of those development regulations that will be used for project
mitigation;
(b) A preliminary determination of consistency, as provided under section 101 of this act; or
(c) Other information the local government chooses to include.
(7) A local government may require the applicant for a development permit to designate a
single person or entity to receive notice required by this section.

NEW SECTION. Sec. 208. (1) Not later than December 31, 1996, a local government
planning under RCW 36.70A.040 shall provide a notice of application to the public and the
departments and agencies with jurisdiction as provided in this section.
(2) The notice of application shall include the following:
(a) The date of application;
(b) The proposed project action and the development permits included in the application and, if
applicable, any studies requested under RCW 36.70A.440 (as recodified by this act) or section 207 of
this act;
(c) The identification of other development or related permits not included in the application to
the extent known by the local government;
(d) A public comment period of not less than fourteen nor more than twenty-eight days
following the date of notice of application, and statements of the right of any person to request a copy
of the decision once made and any appeal rights;
(e) The date for open record hearing, if applicable and scheduled at the date of notice of the
application;
(f) A statement of the preliminary determination, if one has been made at the time of notice, of
those development regulations that will be used for project mitigation and of consistency as provided in
section 101 of this act; and
(g) Any other information determined appropriate by the local government, including the
optional information required in section 207(5) of this act.
(3) If an open record hearing is required for the requested development permits, the notice of
application shall be provided at least fourteen days prior to the open record hearing.
(4) A local government shall use reasonable methods to give the notice of application to the
public and agencies with jurisdiction and may use its existing notice procedures. A local government
may use different types of notice for different categories of development permits or types or project actions. Examples of reasonable methods to inform the public are:

(a) Posting the property for site-specific proposals;
(b) Publishing notice in the newspaper of general circulation in the local government or general area where the proposal is located;
(c) Notifying public or private groups with known interest in a certain proposal or in the type of proposal being considered;
(d) Notifying the news media;
(e) Placing notices in appropriate regional or neighborhood newspapers or trade journals;
(f) Publishing notice in agency newsletters or sending notice to agency mailing lists, either general lists or lists for specific proposals or subject areas; and
(g) Mailing to neighboring property owners.

(5) A notice of application shall not be required for development permits that are categorically exempt under chapter 43.21C RCW, unless an open record hearing is required.

(6) The local government may not issue its threshold determination or issue a decision or recommendation on a development permit until expiration of the public comment period. Comments shall be as specific as possible. If an agency with jurisdiction or a member of the public does not respond with written comments within the public comment period, the local government shall assume that such agency or person has no objection to the proposed development permit if the procedures of this section have been met.

NEW SECTION. Sec. 209. (1) Each local government planning under RCW 36.70A.040 shall establish a permit review process that provides for the integrated and consolidated review and decision on two or more development permits relating to a proposed project action, including a single application review and approval process covering all development permits requested by an applicant for all or part of a project action and a designated permit coordinator. If an applicant elects the consolidated permit review process, the notice of completion, notice of application, and notice of final decision must include all development permits being reviewed through the consolidated permit review process.

(2) Consolidated permit review may provide different procedures for different categories of development permits, but if a project action requires development permits from more than one category, the local government shall provide for consolidated permit review with a single open record hearing and no more than one closed record appeal. Each local government shall determine which development permits are subject to an open record hearing and a closed record appeal. Examples of categories of development permits include but are not limited to:
(a) Categorically exempt proposals, such as variances, lot boundary adjustments, and certain construction permits, which require no environmental review or public notice;
(b) Administrative permits that require environmental review, but no open record hearing except on appeal;
(c) Administrative permits that require a threshold determination and an open record hearing; and
(d) Permits that require environmental review and a decision by the local government legislative body.

(3) A local government is not required to provide for appeals. If provided, an appeal must be filed within fourteen days after notice of the decision being appealed. The applicant for a development permit is deemed to be a participant in any comment period, open record hearing, and closed record appeal.

(4) A local government may provide by ordinance or resolution for the same or a different decision maker or hearing body or officer for different categories of development permits. In the case of consolidated development permit review, the local government shall specify which decision makers shall make the decision or recommendation, conduct the hearing, or decide the appeal to ensure that consolidated permit review occurs as provided in this section. The consolidated permit review may combine an open record public hearing with an open record appeal hearing. In such cases, the local government by ordinance or resolution shall specify which development permits, if any, shall be subject to a closed record appeal.

(5) Each local government planning under RCW 36.70A.040 shall adopt procedures for administrative interpretation of its development regulations.
NEW SECTION. Sec. 210. A local government planning under RCW 36.70A.040 shall provide a notice of decision, which may be a copy of the report, recommendation, or decision, to the applicant and to any person requesting notice of the decision prior to the rendering of the decision. The local government may publish or otherwise provide for additional notice of its decision.

NEW SECTION. Sec. 211. A local government by ordinance or resolution may exclude the following development permits from the provisions of RCW 36.70A.440 (as recodified by this act), 36.70A.065 (as recodified by this act), sections 204, and 207 through 210 of this act:

(1) Variances, lot line or boundary adjustments, short subdivision approval, building and other construction permits categorically exempt from environmental review under chapter 43.21C RCW or similar administrative approvals; and

(2) Landmark designations, street vacations, or other approvals relating to the use of public areas or facilities, or other development permits that the local government by ordinance or resolution has determined present special circumstances that warrant a review process different from that provided in RCW 36.70A.440 (as recodified by this act), 36.70A.065 (as recodified by this act), sections 204, and 207 through 210 of this act.

NEW SECTION. Sec. 212. A local government not planning under RCW 36.70A.040 may incorporate some or all of the provisions of sections 204 and 207 through 210 of this act and RCW 36.70A.065 and 36.70A.440 (as recodified by this act) into its procedures for review of development permits or other project actions.

NEW SECTION. Sec. 213. (1) Each local government is encouraged to adopt further project review provisions to provide prompt, coordinated review and ensure accountability to applicants and the public, including expedited review for development permits for projects that are consistent with adopted development regulations and within the capacity of system-wide infrastructure improvements.

(2) Nothing in this chapter is intended or shall be construed to prevent a local government from requiring by rule, ordinance, or resolution a preapplication conference or meeting, design review, or hearing on some or all proposed projects to obtain public comments on scoping or a draft environmental impact statement pursuant to chapter 43.21C RCW and its applicable rules.

(3) Each local government is encouraged to develop a system of professional certification whereby qualified engineers or other professionals certify an application’s compliance with adopted development regulations for the purpose of expediting or eliminating certain aspects of agency review of compliance with those regulations.

(4) Each local government shall adopt procedures to monitor and enforce permit decisions and conditions.

(5) Nothing in this chapter modifies any independent statutory authority for a government agency to appeal a development permit issued by a local government.

NEW SECTION. Sec. 214. A new section is added to chapter 64.40 RCW to read as follows:

A local government is not liable for damages under this chapter due to the local government’s failure to make a final decision within the time limits established in section 207 of this act.

Sec. 215. RCW 58.17.090 and 1981 c 293 s 5 are each amended to read as follows:

(1) Upon receipt of an application for preliminary plat approval the administrative officer charged by ordinance with responsibility for administration of regulations pertaining to platting and subdivisions shall provide public notice and set a date for a public hearing. Except as provided in section 208 of this act, at a minimum, notice of the hearing shall be given in the following manner:

((4))) (a) Notice shall be published not less than ten days prior to the hearing in a newspaper of general circulation in the county and a newspaper of general circulation in the area where the real property which is proposed to be subdivided is located; and

((2))) (b) Special notice of the hearing shall be given to adjacent landowners by any other reasonable method local authorities deem necessary. Adjacent landowners are the owners of real property, as shown by the records of the county assessor, located within three hundred feet of any portion of the boundary of the proposed subdivision. If the owner of the real property which is proposed to be subdivided owns another parcel or parcels of real property which lie adjacent to the real property proposed to be subdivided, notice under this subsection ((1)(b) shall be given to owners of real
property located within three hundred feet of any portion of the boundaries of such adjacently located parcels of real property owned by the owner of the real property proposed to be subdivided.

(2) All hearings shall be public. All hearing notices shall include a description of the location of the proposed subdivision. The description may be in the form of either a vicinity location sketch or a written description other than a legal description.

Sec. 216. RCW 58.17.092 and 1988 c 168 s 12 are each amended to read as follows:
Any notice made under chapter 58.17 or 36.--- (sections 101, 201 through 204, and 207 through 213 of this act) RCW that identifies affected property may identify this affected property without using a legal description of the property including, but not limited to, identification by an address, written description, vicinity sketch, or other reasonable means.

Sec. 217. RCW 58.17.100 and 1981 c 293 s 6 are each amended to read as follows:
If a city, town or county has established a planning commission or planning agency in accordance with state law or local charter, such commission or agency shall review all preliminary plats and make recommendations thereon to the city, town or county legislative body to assure conformance of the proposed subdivision to the general purposes of the comprehensive plan and to planning standards and specifications as adopted by the city, town or county. Reports of the planning commission or agency shall be advisory only: PROVIDED, That the legislative body of the city, town or county may, by ordinance, assign to such commission or agency, or any department official or group of officials, such administrative functions, powers and duties as may be appropriate, including the holding of hearings, and recommendations for approval or disapproval of preliminary plats of proposed subdivisions.

Such recommendation shall be submitted to the legislative body not later than fourteen days following action by the hearing body. Upon receipt of the recommendation on any preliminary plat the legislative body shall at its next public meeting set the date for the public meeting where it shall consider the recommendations of the hearing body and may adopt or reject the recommendations of such hearing body based on the record established at the public hearing. If, after considering the matter at a public meeting, the legislative body deems a change in the planning commission’s or planning agency’s recommendation approving or disapproving any preliminary plat is necessary, (the change of the recommendation shall not be made until) the legislative body shall adopt its own recommendations and approve or disapprove the preliminary plat. ((Such public hearing may be held before a committee constituting a majority of the legislative body. If the hearing is before a committee, the committee shall report its recommendations on the matter to the legislative body))) Such decision or recommendation made under this section shall be in writing and shall include findings of fact and conclusions to support the decision or recommendation.

A record of all public meetings and public hearings shall be kept by the appropriate city, town or county authority and shall be open to public inspection.

Sole authority to approve final plats, and to adopt or amend platting ordinances shall reside in the legislative bodies.

Sec. 218. RCW 58.17.330 and 1994 c 257 s 6 are each amended to read as follows:
(1) As an alternative to those provisions of this chapter requiring a planning commission to hear and issue recommendations for plat approval, the county or city legislative body may adopt a hearing examiner system and shall specify by ordinance the legal effect of the decisions made by the examiner. (Except as provided in subsection (2) of this section,)) The legal effect of such decisions shall include one of the following:
(a) The decision may be given the effect of a recommendation to the legislative body;
(b) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative body; or
(c) The decision may be given the effect of a final decision of the legislative body.

The legislative authority shall prescribe procedures to be followed by a hearing examiner.

(2) (((The legislative body shall specify the legal effect of a hearing examiner’s procedural determination under the state environmental policy act, as defined in RCW 43.21C.075(3)(a). It may have the effect under subsection (1) (a) or (b) of this section, or may be given the effect of a final decision of the legislative body.)))
Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Each final decision of a hearing examiner, unless a longer period is mutually agreed to by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

NEW SECTION. Sec. 219. The legislature finds that the lack of certainty in the approval of development projects can result in a waste of public and private resources, escalate housing costs for consumers and discourage the commitment to comprehensive planning which would make maximum efficient use of resources at the least economic cost to the public. Assurance to a development project applicant that upon government approval the project may proceed in accordance with existing policies and regulations, and subject to conditions of approval, will strengthen the public planning process, encourage private participation and comprehensive planning, and reduce the economic costs of development. Further, the lack of public facilities and services is a serious impediment to development of new housing and commercial uses. Project applicants and local governments may include provisions and agreements whereby applicants are reimbursed over time for financing public facilities. It is the intent of the legislature by sections 220 through 224 of this act to allow local governments and owners and developers of real property to enter into development agreements.

NEW SECTION. Sec. 220. A new section is added to chapter 36.70A RCW to read as follows:

(1) A county or city may enter into a development agreement with a person having ownership or control of real property within its jurisdiction. A city may enter into a development agreement for real property outside its boundaries as part of a proposed annexation or a service agreement. A development agreement must set forth the development standards and other provisions that shall apply to and govern and vest the development, use, and mitigation of the development of the real property for the duration specified in the agreement.

(2) Sections 219 through 222 of this act do not affect the validity of a contract rezone, concomitant agreement, annexation agreement, or other agreement in existence on the effective date of sections 219 through 222 of this act, or adopted under separate authority, that includes some or all of the development standards provided in subsection (3) of this section.

(3) For the purposes of this section, "development standards" includes, but is not limited to:

(a) Project elements such as permitted uses, residential densities, and nonresidential densities and intensities or building sizes;
(b) The amount and payment of impact fees imposed or agreed to in accordance with chapter 36.-- RCW (the new chapter created in section 143 of this act) or any other applicable provisions of state law, other financial contributions by the property owner, inspection fees, or dedications;
(c) Mitigation measures, development conditions, and other requirements under chapter 43.21C RCW;
(d) Design standards such as maximum heights, setbacks, drainage and water quality requirements, landscaping, and other development features;
(e) Affordable housing;
(f) Parks and open space preservation;
(g) Phasing;
(h) Review procedures and standards for implementing decisions;
(i) A build-out or vesting period for applicable standards; and
(j) Any other appropriate development requirement or procedure.

(4) The execution of a development agreement is a proper exercise of county and city police power and contract authority. A development agreement may obligate a party to fund or provide services, infrastructure, or other facilities. A development agreement shall reserve authority to impose new or different regulations to the extent required by a serious threat to public health and safety.

NEW SECTION. Sec. 221. A new section is added to chapter 36.70A RCW to read as follows:

Unless amended or terminated, a development agreement is enforceable during its term by a party. A development agreement and the development standards in the agreement govern during the term of the agreement, or for all or that part of the build-out period specified in the agreement, and
may not be subject to an amendment to a zoning ordinance or development standard or regulation or a new zoning ordinance or development standard or regulation adopted after the effective date of the agreement. A permit or approval issued by the county or city after the execution of the development agreement must be consistent with the development agreement.

NEW SECTION. Sec. 222. A new section is added to chapter 36.70A RCW to read as follows:

A development agreement may be recorded with the real property records of the county in which the property is located. During the term of the development agreement, the agreement is binding on and will inure to the benefit of the parties and their successors, including a city that assumes jurisdiction through incorporation or annexation of the area covering the property covered by the development agreement.

NEW SECTION. Sec. 223. A new section is added to chapter 36.70A RCW to read as follows:

A county or city shall only approve a development agreement by ordinance or resolution after a public hearing. The county or city legislative body or a planning commission, hearing examiner, or other body designated by the legislative body to conduct the public hearing may conduct the hearing. If the development agreement relates to a development permit application, the provisions of chapter 36.-- RCW (sections 301 through 312 of this act) shall apply to the appeal of the decision on the development agreement.

NEW SECTION. Sec. 224. Nothing in sections 219 through 223 of this act is intended to authorize local governments to impose impact fees, inspection fees, or dedications or to require any other financial contributions or mitigation measures except as authorized in RCW 82.02.020 (as recodified by this act) and as otherwise expressly authorized by other applicable provisions of state law.

Sec. 225. RCW 35.63.130 and 1994 c 257 s 8 are each amended to read as follows:

(1) As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and report on any proposal to amend a zoning ordinance, the legislative body of a city or county may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and decide applications for amending the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative body may vest in a hearing examiner the power to hear and decide those issues it believes should be reviewed and decided by a hearing examiner, including but not limited to:

(a) Applications for conditional uses, variances, subdivisions, shoreline permits, or any other class of applications or pertaining to development of land or land use(s which the legislative body believes should be reviewed and decided by a hearing examiner));
(b) Appeals of administrative decisions or determinations; and
(c) Appeals of administrative decisions or determinations pursuant to chapter 43.21C RCW.

The legislative body shall prescribe procedures to be followed by the hearing examiner.

(2) Each city or county legislative body electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. ((Except as provided in subsection (2) of this section,)) The legal effect of such decisions may vary for the different classes of applications decided by the examiner but shall include one of the following:

(a) The decision may be given the effect of a recommendation to the legislative body;
(b) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative body((,

(2) The legislative body may specify the legal effect of a hearing examiner's procedural determination under the state environmental policy act, as defined in RCW 43.21C.075(3)(a). It may have the effect under subsection (1) (a) or (b) of this section, or)

(c) The decision may be given the effect of a final decision of the legislative body, except that applications for rezones may not be given the effect of a final decision of a legislative body.

(3) Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the city's or county's
comprehensive plan and the city's or county's development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

Sec. 226. RCW 35A.63.170 and 1994 c 257 s 7 are each amended to read as follows:

(1) As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and report on any proposal to amend a zoning ordinance, the legislative body of a city may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and decide applications for amending the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative body may vest in a hearing examiner the power to hear and decide those issues it believes should be reviewed and decided by a hearing examiner, including but not limited to:

(a) Applications for conditional uses, variances, subdivisions, shoreline permits, or any other class of applications for or pertaining to development of land or land use((s which the legislative body believes should be reviewed and decided by a hearing examiner));

(b) Appeals of administrative decisions or determinations; and

(c) Appeals of administrative decisions or determinations pursuant to chapter 43.21C RCW.

The legislative body shall prescribe procedures to be followed by a hearing examiner. If the legislative authority vests in a hearing examiner the authority to hear and decide variances, then the provisions of RCW 35A.63.110 shall not apply to the city.

(2) Each city legislative body electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. (Except as provided in subsection (2) of this section,) The legal effect of such decisions may vary for the different classes of applications decided by the examiner but shall include one of the following:

(a) The decision may be given the effect of a recommendation to the legislative body;

(b) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative body;

(2) The legislative body shall specify the legal effect of a hearing examiner's procedural determination under the state environmental policy act, as defined in RCW 43.21C.075(3)(a). It may have the effect under subsection (1) (a) or (b) of this section, or);

(c) The decision may be given the effect of a final decision of the legislative body, except that applications for a rezone may not be given the effect of a final decision of a legislative body.

(3) Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the city's comprehensive plan and the city's development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

Sec. 227. RCW 36.70.970 and 1994 c 257 s 9 are each amended to read as follows:

(1) As an alternative to those provisions of this chapter relating to powers or duties of the planning commission to hear and issue recommendations on applications for plat approval and applications for amendments to the zoning ordinance, the county legislative authority may adopt a hearing examiner system under which a hearing examiner or hearing examiners may hear and issue decisions on proposals for plat approval and for amendments to the zoning ordinance when the amendment which is applied for is not of general applicability. In addition, the legislative authority may vest in a hearing examiner the power to hear and decide those issues it believes should be reviewed and decided by a hearing examiner, including but not limited to:

(a) Applications for conditional uses ((applications)), variances ((applications)), ((applications for)) shoreline permits, or any other class of applications for or pertaining to development of land or land use(s);

(b) Appeals of administrative decisions or determinations; and

(c) Appeals of administrative decisions or determinations pursuant to chapter 43.21C RCW.

The legislative authority shall prescribe procedures to be followed by a hearing examiner.

Any county which vests in a hearing examiner the authority to hear and decide conditional uses and variances shall not be required to have a zoning adjuster or board of adjustment.
(2) Each county legislative authority electing to use a hearing examiner pursuant to this section shall by ordinance specify the legal effect of the decisions made by the examiner. (Except as provided in subsection (2) of this section,) Such legal effect may vary for the different classes of applications decided by the examiner but shall include one of the following:

(a) The decision may be given the effect of a recommendation to the legislative authority;
(b) The decision may be given the effect of an administrative decision appealable within a specified time limit to the legislative authority;
(c) The decision may be given the effect of a final decision of the legislative authority, except that applications for rezones may not be given the effect of a final decision of a legislative authority.

(2) The legislative authority may specify the legal effect of a hearing examiner's procedural determination under the state environmental policy act, as defined in RCW 43.21C.075(3)(a). It may have the effect under subsection (1) (a) or (b) of this section, or

(3) Each final decision of a hearing examiner shall be in writing and shall include findings and conclusions, based on the record, to support the decision. Such findings and conclusions shall also set forth the manner in which the decision would carry out and conform to the county's comprehensive plan and the county's development regulations. Each final decision of a hearing examiner, unless a longer period is mutually agreed to in writing by the applicant and the hearing examiner, shall be rendered within ten working days following conclusion of all testimony and hearings.

NEW SECTION. Sec. 228. The legislature hereby finds and declares:

(1) Washington's environmental protection programs have established strict standards to reduce pollution and protect the public health and safety and the environment. The single-purpose programs instituted to achieve these standards have been successful in many respects, and have produced significant gains in protecting Washington's environment in the face of substantial population growth.

(2) Continued progress to achieve the environmental standards in the face of continued population growth will require greater coordination between the single-purpose environmental programs and more efficient operation of these programs overall. Pollution must be prevented and controlled and not simply transferred to another media or another place. This goal can only be achieved by maintaining the current environmental protection standards and by greater integration of the existing programs.

(3) As the number of environmental laws and regulations have grown in Washington, so have the number of permits required of business and government. This regulatory burden has significantly added to the cost and time needed to obtain essential permits in Washington. The increasing number of individual permits and permit authorities has generated the continuing potential for conflict, overlap, and duplication between the various state, local, and federal permits.

(4) To ensure that local needs and environmental conditions receive the proper attention, the issuance and renewal of permits should continue to be made, to the extent feasible, at the regional and local levels of the environmental programs.

(5) The purpose of this chapter is to require the department of ecology to institute new, efficient procedures that will assist businesses and public agencies in complying with the environmental quality laws in an expedited fashion, without reducing protection of public health and safety and the environment.

(6) Those procedures need to provide a permit process that promotes effective dialogue and ensures ease in the transfer and clarification of technical information, while preventing duplication. It is necessary that the procedures establish a process for preliminary and ongoing meetings between the applicant, the consolidated permit agency, and the participating permit agencies, but do not preclude the applicant or participating permit agencies from individually coordinating with each other.

(7) It is necessary, to the maximum extent practicable, that the procedures established in this chapter ensure that the consolidated permit agency process and applicable permit requirements and criteria are integrated and run concurrently, rather than consecutively.

(8) It is necessary to provide a reliable and consolidated source of information concerning the environmental and land use laws and procedures that apply to any given proposal. This information is to be current and encompass all state and local jurisdictions. To the extent possible, it is to encompass federal jurisdictions and functions, as well.

(9) The process shall provide an optional process by which a project proponent may obtain active coordination of all applicable regulatory and land-use permitting procedures. This process is not to replace individual laws, or diminish the substantive decision-making role of individual jurisdictions.
Rather it is to provide predictability, administrative consolidation, and, where possible, consolidation of appeal processes.

(10) The process shall provide consolidated, effective, and easier opportunities for members of the public to receive information and present their views about proposed projects.

NEW SECTION. Sec. 229. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Center" means the permit assistance center established in the department by section 230 of this act.

(2) "Consolidated permit agency" means the permit agency that has the greatest overall jurisdiction over a project.

(3) "Department" means the department of ecology.

(4) "Participating permit agency" means a permit agency, other than the consolidated permit agency, that is responsible for the issuance of a permit for a project.

(5) "Permit" means any license, certificate, registration, permit, or other form of authorization required by a permit agency to engage in a particular activity.

(6) "Permit agency" means:
(a) The department of ecology, an air pollution control authority, the department of natural resources, the department of fish and wildlife, and the department of health; and
(b) Any other state or federal agency, county, city, or town for the project that participates at the request of the permit applicant and upon the agency’s agreement to be subject to this chapter.

(7) "Project" means an activity, the conduct of which requires a permit from two or more permit agencies.

NEW SECTION. Sec. 230. The permit assistance center is established within the department. The center shall:

(1) Publish and keep current one or more handbooks containing lists and explanations of all permit laws. The center shall coordinate with the business assistance center in providing and maintaining this information to applicants and others. To the extent possible, the handbook shall include relevant federal laws. A state agency or local government shall provide a reasonable number of copies of application forms, statutes, ordinances, rules, handbooks, and other informational material requested by the center and shall otherwise fully cooperate with the center. The center shall seek the cooperation of relevant federal agencies;

(2) Establish, and make known, a point of contact for distribution of the handbook and advice to the public as to its interpretation in any given case;

(3) Work closely and cooperatively with the business license center and the business assistance center in providing efficient and nonduplicative service to the public; and

(4) Provide a permit coordination training program designed to:
(a) Educate project facilitators as to the role and requirements of all jurisdictions;
(b) Share permit coordination experiences;
(c) Improve the quality and efficiency of project facilitation; and
(d) Certify project facilitators.

NEW SECTION. Sec. 231. (1) Not later than January 1, 1996, the center shall establish by rule an administrative process for the designation of a consolidated permit agency for a project.

(2) The administrative process shall consist of the establishment of guidelines for designating the consolidated permit agency for a project. If a permit agency is the lead agency for purposes of chapter 43.21C RCW, that permit agency shall be the consolidated permit agency. In other cases, the guidelines shall require that at least the following factors be considered in determining which permit agency has the greatest overall jurisdiction over the project:
(a) The types of facilities or activities that make up the project;
(b) The types of public health and safety and environmental concerns that should be considered in issuing permits for the project;
(c) The environmental medium that may be affected by the project, the extent of those potential effects, and the environmental protection measures that may be taken to prevent the occurrence of, or to mitigate, those potential effects;
(d) The regulatory activity that is of greatest importance in preventing or mitigating the effects that the project may have on public health and safety or the environment; and

(e) The statutory and regulatory requirements that apply to the project and the complexity of those requirements.

NEW SECTION.  Sec. 232. Upon the request of a project applicant, the center shall appoint a project facilitator to assist the applicant in determining which regulatory requirements, processes, and permits may be required for development and operation of the proposed project. The project facilitator shall provide the information to the applicant and explain the options available to the applicant in obtaining the required permits. If the applicant requests, the center shall designate a coordinating permit agency as provided in section 233 of this act.

NEW SECTION.  Sec. 233. (1) A permit applicant who requests the designation of a consolidated permit agency shall provide the center with a description of the project, a preliminary list of the permits that the project may require, the identity of any public agency that has been designated the lead agency for the project pursuant to chapter 43.21C RCW, and the identity of the participating permit agencies. The center may request any information from the permit applicant that is necessary to make the designation under this section, and may convene a scoping meeting of the likely consolidated permit agency and participating permit agencies in order to make that designation.

(2) The consolidated permit agency shall serve as the main point of contact for the permit applicant with regard to the processing of the consolidated permit process for the project and shall manage the procedural aspects of that processing consistent with existing laws governing the consolidated permit agency and participating permit agencies, and with the procedures agreed to by those agencies in accordance with section 234 of this act. In carrying out these responsibilities, the consolidated permit agency shall ensure that the permit applicant has all the information needed to apply for all the component permits that are incorporated in the consolidated permit process for the project, coordinate the review of those permits by the respective participating permit agencies, ensure that timely permit decisions are made by the participating permit agencies, and assist in resolving any conflict or inconsistency among the permit requirements and conditions that are to be imposed by the participating permit agencies with regard to the project. The coordinating permit agency shall keep in contact with the applicant as well as other permit agencies in order to assure that the process is progressing as scheduled. The coordinating permit agency shall recommend appropriate alternatives that may be more efficient and identify potential problems to successful completion of the process.

(3) This chapter shall not be construed to limit or abridge the powers and duties granted to a participating permit agency under the law that authorizes or requires the agency to issue a permit for a project. Each participating permit agency shall retain its authority to make all decisions on all nonprocedural matters with regard to the respective component permit that is within its scope of its responsibility, including, but not limited to, the determination of permit application completeness, permit approval or approval with conditions, or permit denial. The consolidated permit agency may not substitute its judgment for that of a participating permit agency on any such nonprocedural matters.

NEW SECTION.  Sec. 234. (1) Within twenty-one days of the date that the consolidated permit agency is designated, it shall convene a meeting with the permit applicant for the project and the participating permit agencies. The meeting agenda shall include at least all of the following matters:

(a) A determination of the permits that are required for the project;

(b) A review of the permit application forms and other application requirements of the agencies that are participating in the consolidated permit process;

(c)(i) A determination of the timelines that will be used by the consolidated permit agency and each participating permit agency to make permit decisions, including the time periods required to determine if the permit applications are complete, to review the application or applications, and to process the component permits, and the timelines that will be used by the consolidated permit agency to aggregate the component permits into, and to issue the consolidated permit process. In the development of this timeline, full attention shall be given to achieving the maximum efficiencies possible through concurrent studies, consolidated applications, hearings, and comment periods. Except as provided in (c)(ii) of this subsection, the timelines established under this subsection, with the assent of the consolidated permit agency and each participating permit agency, shall commit the consolidated
permit agency and each participating permit agency to act on the component permit within time periods that are different than those required by other applicable provisions of law.

(ii) An accelerated time period for the consideration of a permit application may not be set if that accelerated time period would be inconsistent with, or in conflict with, any time period or series of time periods set by statute for that consideration, or with any statute, rule, or regulation, or adopted state policy, standard, or guideline that requires any of the following:

(A) Other agencies, interested persons, federally recognized Indian tribes, or the public to be given adequate notice of the application;
(B) Other agencies to be given a role in, or be allowed to participate in, the decision to approve or disapprove the application; or
(C) Interested persons or the public to be provided the opportunity to challenge, comment on, or otherwise voice their concerns regarding the application;
(d) The scheduling of any public hearings that are required to issue permits for the project and a determination of the feasibility of coordinating or consolidating any of those required public hearings; and
(e) A discussion of fee arrangements for the consolidated permit process, including an estimate of the costs allowed under section 237 of this act and the billing schedule.

(2) Each agency shall send at least one representative qualified to make decisions concerning the applicability and timelines associated with all permits administered by that jurisdiction. At the request of the applicant, the consolidated permit agency shall notify any relevant federal agency of the date of the meeting and invite that agency’s participation in the process.

(3) If a permit agency or the applicant foresees, at any time, that it will be unable to meet its obligations under the agreement, it shall notify the consolidated permit agency of the problem. The coordinating permit agency shall notify the permit agencies and the applicant and, upon agreement of all parties, adjust the schedule, or, if necessary, schedule another work plan meeting.

(4) The consolidated permit agency may request any information from the applicant that is necessary to comply with its obligations under this section, consistent with the timelines set pursuant to this section.

(5) A summary of the decisions made under this section shall be made available for public review upon the filing of the consolidated permit application or permit applications.

NEW SECTION. Sec. 235. (1) The permit applicant may withdraw from the consolidated permit process by submitting to the consolidated permit agency a written request that the process be terminated. Upon receipt of the request, the consolidated permit agency shall notify the center and each participating permit agency that a consolidated permit process is no longer applicable to the project.

(2) The permit applicant may submit a written request to the consolidated permit agency that the permit applicant wishes a participating permit agency to withdraw from participation on the basis of a reasonable belief that the issuance of the consolidated permit process would be accelerated if the participating permit agency withdraws. In that event, the participating permit agency shall withdraw from participation if the consolidated permit agency approves the request.

NEW SECTION. Sec. 236. The consolidated permit agency shall ensure that the participating permit agencies make all the permit decisions that are necessary for the incorporation of the permits into the consolidated permit process and act on the component permits within the time periods established pursuant to section 234 of this act.

NEW SECTION. Sec. 237. (1) The consolidated permit agency may enter into a written agreement with the applicant to recover from the applicant the reasonable costs incurred by the consolidated permit agency in carrying out the requirements of this chapter.

(2) The consolidated permit agency may recover only the costs of performing those consolidated permit services and shall be negotiated with the permit applicant in the meeting required pursuant to section 234 of this act. The billing process shall provide for accurate time and cost accounting and may include a billing cycle that provides for progress payments.

NEW SECTION. Sec. 238. A petition by the permit applicant for review of an agency action in issuing, denying, or amending a permit, or any portion of a consolidated permit agency permit, shall
be submitted by the permit applicant to the consolidated permit agency or the participating permit agency having jurisdiction over that permit and shall be processed in accordance with the procedures of that permit agency. Within thirty days of receiving the petition, the consolidated permit agency shall notify the other environmental agencies participating in the original consolidated permit process.

NEW SECTION. Sec. 239. If an applicant petitions for a significant amendment or modification to a consolidated permit process application or any of its component permit applications, the consolidated permit agency shall reconvene a meeting of the participating permit agencies, conducted in accordance with section 234 of this act.

NEW SECTION. Sec. 240. If an applicant fails to provide information required for the processing of the component permit applications for a consolidated permit process or for the designation of a consolidated permit agency, the time requirements of this chapter shall be tolled until such time as the information is provided.

NEW SECTION. Sec. 241. (1) The center, by rule, shall establish an expedited appeals process by which a petitioner or applicant may appeal any failure by a permit agency to take timely action on the issuance or denial of a permit in accordance with the time limits established under this chapter.

(2) If the center finds that the time limits under appeal have been violated without good cause, it shall establish a date certain by which the permit agency shall act on the permit application with adequate provision for the requirements of section 234(1)(c)(ii) (A) through (C) of this act, and provide for the full reimbursement of any filing or permit processing fees paid by the applicant to the permit agency for the permit application under appeal.

NEW SECTION. Sec. 242. By December 1, 1997, the center shall submit a report to the appropriate committees of both houses of the legislature detailing the following information:

(1) The number of instances in which a consolidated permit agency has been requested and used, and the disposition of those cases;

(2) The amount of time elapsed between an initial request by a permit applicant for a consolidated permit process and the ultimate approval or disapproval of the permits included in the process;

(3) The number of instances in which the expedited appeals process was requested, and the disposition of those cases; and

(4) Potential conflicts and perceived inconsistencies among existing statutes.

NEW SECTION. Sec. 243. A new section is added to chapter 43.131 RCW to read as follows:

The permit assistance center and its powers and duties shall be terminated June 30, 1999, as provided in section 244 of this act.

NEW SECTION. Sec. 244. A new section is added to chapter 43.131 RCW to read as follows:

The following acts or parts of acts, as now existing or hereafter amended, are each repealed, effective June 30, 2000:

(1) RCW 90-.-.-. and 1995 c-- s 228 (section 228 of this act);
(2) RCW 90-.-.-. and 1995 c-- s 229 (section 229 of this act);
(3) RCW 90-.-.-. and 1995 c-- s 230 (section 230 of this act);
(4) RCW 90-.-.-. and 1995 c-- s 231 (section 231 of this act);
(5) RCW 90-.-.-. and 1995 c-- s 232 (section 232 of this act);
(6) RCW 90-.-.-. and 1995 c-- s 233 (section 233 of this act);
(7) RCW 90-.-.-. and 1995 c-- s 234 (section 234 of this act);
(8) RCW 90-.-.-. and 1995 c-- s 235 (section 235 of this act);
(9) RCW 90-.-.-. and 1995 c-- s 236 (section 236 of this act);
(10) RCW 90-.-.-. and 1995 c-- s 237 (section 237 of this act);
(11) RCW 90-.-.-. and 1995 c-- s 238 (section 238 of this act);
(12) RCW 90-.-.-. and 1995 c-- s 239 (section 239 of this act);
NEW SECTION. Sec. 245. The following acts or parts of acts are each repealed:
(1) RCW 90.62.010 and 1982 c 179 s 1, 1977 c 54 s 1, & 1973 1st ex.s. c 185 s 1;
(2) RCW 90.62.020 and 1994 c 264 s 96, 1988 c 36 s 71, 1977 c 54 s 2, & 1973 1st ex.s. c 185 s 2;
(3) RCW 90.62.030 and 1973 1st ex.s. c 185 s 3;
(4) RCW 90.62.040 and 1990 c 137 s 1, 1977 c 54 s 3, & 1973 1st ex.s. c 185 s 4;
(5) RCW 90.62.050 and 1977 c 54 s 4 & 1973 1st ex.s. c 185 s 5;
(6) RCW 90.62.060 and 1982 c 179 s 2, 1977 c 54 s 5, & 1973 1st ex.s. c 185 s 6;
(7) RCW 90.62.070 and 1973 1st ex.s. c 185 s 7;
(8) RCW 90.62.080 and 1987 c 109 s 156, 1977 c 54 s 6, & 1973 1st ex.s. c 185 s 8;
(9) RCW 90.62.090 and 1977 c 54 s 7 & 1973 1st ex.s. c 185 s 9;

(17) RCW 90.62.905 and 1973 1st ex.s. c 185 s 16;
(18) RCW 90.62.906 and 1973 1st ex.s. c 185 s 18;
(19) RCW 90.62.907 and 1973 1st ex.s. c 185 s 19; and
(20) RCW 90.62.908 and 1977 c 54 s 10.

NEW SECTION. Sec. 246. Sections 101, 201 through 204, and 207 through 213 of this act shall constitute a new chapter in Title 36 RCW.

NEW SECTION. Sec. 247. Sections 228 through 241 of this act shall constitute a new chapter in Title 90 RCW.

NEW SECTION. Sec. 248. RCW 36.70A.065 and 36.70A.440 are recodified as sections within the new chapter created in section 246 of this act.

NEW SECTION. Sec. 249. The department of community, trade, and economic development shall provide training and technical assistance to counties and cities to assist them in fulfilling the requirements of chapter 36.-- RCW (sections 101, 201 through 204, and 207 through 213 of this act). The land use study commission created by section 401 of this act shall monitor local government consolidated permit procedures and the effectiveness of the timelines established by section 207 of this act. The commission shall include in its report submitted to the governor and the legislature on November 30, 1997, its recommendation about what timelines, if any, should be imposed on the local government consolidated permit process required by chapter 36.-- RCW (sections 101, 201 through 204, and 207 through 213 of this act).

PART III - APPEALS

NEW SECTION. Sec. 301. This chapter may be known and cited as the land use petition act. A petition brought under this chapter must be called a land use petition.

NEW SECTION. Sec. 302. The purpose of this chapter is to reform the process for judicial review of land use decisions made by local jurisdictions, by establishing uniform, expedited appeal procedures and uniform criteria for reviewing such decisions, in order to provide consistent, predictable, and timely judicial review.

NEW SECTION. Sec. 303. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
"Land use decision" means a final determination by a local jurisdiction's body or officer with the highest level of authority to make the determination, including those with authority to hear appeals, on:
(a) An application for a development permit or other governmental approval required by law before real property may be improved, developed, modified, sold, transferred, or used, but excluding applications for permits or approvals to use streets, parks, and similar types of public property and excluding applications for legislative approvals such as rezones;
(b) An interpretative or declaratory decision regarding the application to a specific property of zoning or other ordinances or rules regulating the development, modification, maintenance, or use of real property; and
(c) The enforcement of ordinances regulating the development, modification, maintenance, or use of real property. However, when a local jurisdiction is required by law to enforce the ordinances in a court of limited jurisdiction, a petition may not be brought under this chapter.

"Local jurisdiction" means a county, city, or town, or special purpose district as defined in RCW 36.96.010.

"Person" means an individual, partnership, corporation, association, public or private organization, or governmental agency.

NEW SECTION. Sec. 304. (1) This chapter replaces the writ of certiorari for judicial review of local jurisdictions' land use decisions.
(2) This chapter does not apply to judicial review procedures established by other laws, including, but not limited to judicial review of:
(a) Land use decisions made by bodies that are not part of a local jurisdiction;
(b) Land use decisions of a local jurisdiction that are subject to review by a quasi-judicial body created by state law, such as the shorelines hearings board or the growth management hearings board;
(c) Claims provided by any law for monetary damages or compensation; or
(d) Applications for injunctive relief, including a writ of prohibition or mandamus.
(3) If one or more claims for damages or compensation are set forth in the same complaint with a land use petition brought under this chapter, the procedures and standards, including deadlines, provided in this chapter for review of the petition do not apply to the claims for damages or compensation. The judge who hears the land use petition may, if appropriate, preside at a trial for damages or compensation.
(4) The court rules govern procedural matters under this chapter to the extent that the rules are consistent with this chapter.

NEW SECTION. Sec. 305. (1) Proceedings for review under this chapter must be commenced by filing a land use petition in superior court.
(2) A land use petition is barred, and the court may not grant review, unless the petition is timely filed with the court. The petition must be served on the following parties:
(a) The local jurisdiction, which for purposes of the petition shall be the jurisdiction's corporate entity and not an individual decision maker or department; and
(b) Each of the following, if not the petitioner:
(i) Any person identified by name and address in the local jurisdiction's written decision as an applicant for the permit or approval at issue or as a property owner of the property at issue;
(ii) If no person is named in the decision as provided in (b)(i) of this subsection, any such person identified in the application for a permit or approval at issue; and
(iii) Any person who filed an appeal to a quasi-judicial decision maker regarding the land use decision at issue, unless the person has abandoned the appeal or the person's claims were dismissed before the quasi-judicial decision was rendered. Any person who later intervened or joined in the appeal is not required to be made a party under this subsection.
(3) The petition is timely if it is filed within twenty-one days of the issuance of the land use decision.
(4) For the purposes of this section, a land use decision is issued on the date on which a written decision is mailed or if not mailed, the date on which the local jurisdiction provides notice that a written decision is publicly available. However, if written notification is not required to be provided, the decision is issued on the later of:
(a) The date that the decision is made at a public meeting; or
(b) The date that the decision is entered into the public record.
(5) Service on the local jurisdiction must be by delivery of a copy of the petition pursuant to
RCW 4.28.080. Service on other parties must be in accordance with the civil rules or, for parties who
provided an address to the local jurisdiction during a quasi-judicial proceeding regarding the land use
decision at issue, service may be by deposit in the United States mail to the address. Service by mail is
effective on the date of mailing. Proof of service must be evidenced by affidavit.

NEW SECTION. Sec. 306. Standing to bring a land use petition under this chapter, and to
intervene in a proceeding under this chapter, is limited to the following parties:
(1) The applicant and the owner of property to which the land use decision is directed;
(2) Another person aggrieved or adversely affected by the land use decision, or who would be
aggrieved or adversely affected by a reversal or modification of the land use decision, and who will
suffer direct and substantial impacts from the decision, reversal, or modification.

NEW SECTION. Sec. 307. (1) A petitioner shall set forth in a land use petition:
(a) The name and mailing address of the petitioner;
(b) The name and mailing address of the petitioner’s attorney, if any;
(c) The name and mailing address of the local jurisdiction whose land use decision is at issue;
(d) Identification of the decision-making body or officer, together with a duplicate copy of the
decision, or if not a written decision, a summary or brief description of it;
(e) Identification of persons who were named petitioners or appellants in any quasi-judicial
proceedings regarding the land use decision at issue;
(f) Facts demonstrating that the petitioner is entitled to seek judicial review; and
(g) A request for relief, specifying the type of relief requested.
(2) Within sixty days of service of a land use petition on the local jurisdiction, the local
jurisdiction must certify and submit to the court and serve on all parties to the petition a complete
record of the proceedings leading to the decision identified in the land use petition pursuant to
subsection (1)(d) of this section.
(3) The local jurisdiction need not certify the record, if the court determines that the petition
should be dismissed for any reason, including improper service, lack of standing, failure to join an
indispensable party, or failure to comply with subsection (1) of this section.
(4) The court may grant additional time for the certification of the record, if additional time is
determined by the court to be necessary.
(5) Within fifteen days of service of the petition, the local jurisdiction shall notify the petitioner
of the estimated cost of preparing the record.
(6) The petitioner shall pay the cost of preparing the record within fifteen days of service of the
record on the petitioner.

NEW SECTION. Sec. 308. The court shall provide expedited review of petitions filed under
this chapter. If judicial review is granted, the matter must be set for hearing within sixty days of the
date set for submitting the local jurisdiction’s record, absent a showing of compelling reasons for a
different date or a stipulation of the parties.

NEW SECTION. Sec. 309. (1) A petitioner for judicial review of a land use decision may
request the court to stay or suspend an action by the local jurisdiction or another party to implement the
decision under review, by including the request in the petition. The request must set forth a statement
of grounds for the stay and the factual basis for the request. The court shall rule on the request at the
hearing on the order to show cause.
(2) Another party to the judicial review proceedings may request a stay by making a motion in
accordance with the court rules. The motion must be filed with the party’s first pleading in the matter.
(3) The court shall deny a request for a stay that is made after the times required by subsections
(1) and (2) of this section unless the party requesting the stay establishes that the reasons justifying the
stay did not exist, or could not have been discovered, at the times set forth in subsections (1) and (2) of
this section.
(4) A court may grant a stay only if the court finds that:
(a) The party requesting the stay is likely to prevail on the merits;
(b) Without the stay the party requesting it will suffer irreparable harm; and
(c) The grant of a stay will not substantially harm other parties to the proceedings or the public.
(5) The court may grant the request for a stay upon such terms and conditions, such as the filing of security, as are necessary to prevent harm to other parties from the stay.

NEW SECTION. Sec. 310. (1) If the land use decision being reviewed was made by a quasi-judicial body or officer who was making factual determinations and the parties had the opportunity to make a record on the factual issues, judicial review of factual issues, and the conclusions drawn from the factual issues, must be confined to the record created by the quasi-judicial body or officer, except as provided in this section.
(2) For decisions described in subsection (1) of this section, the record may be supplemented by additional evidence only if the additional evidence relates to:
(a) Disputed factual issues regarding the authority or jurisdiction of the body or officer that made the land use decision;
(b) Grounds for disqualification of a member of the body or of the officer that made the land use decision;
(c) Unlawfulness of the procedure used to make the decision;
(d) Matters that were improperly excluded from the record after being offered by a party to the quasi-judicial proceeding;
(e) Matters that were outside the jurisdiction of the body or officer that made the land use decision.
(3) For land use decisions other than those described in subsection (1) of this section, the record for judicial review may be supplemented by evidence of material facts that were not required to be made part of the local jurisdiction's record.
(4) The parties may not conduct civil discovery prior to the determination of the land use petition except in regard to the issues listed in subsection (2) of this section. Requests made under chapter 42.17 RCW for records relating to the matters at issue in the pending land use petition must be treated as requests for civil discovery and must meet the requirements of this section and the court rules.

NEW SECTION. Sec. 311. (1) The superior court, acting without a jury, shall review the record and such supplemental evidence as is permitted under RCW 36.70B.100. The court may grant relief only if the party seeking relief has carried the burden of establishing that one of the standards set forth in (a), (b), and (c) of this subsection have been met. The standards are:
(a) The party seeking relief has been substantially prejudiced as a result of the claimed error or errors, and:
(i) The body or officer that made the land use decision engaged in unlawful procedure or failed to follow a prescribed process;
(ii) The land use decision under review is a clearly erroneous interpretation or application of the law, in light of the law's purpose; or
(iii) The land use decision under review is not supported by substantial evidence;
(b) The land use decision under review was outside the authority or jurisdiction of the body or officer making the decision; and
(c) The land use decision violates the constitutional rights of the party seeking relief.
(2) In order to grant relief under this chapter, it is not necessary for the court to find that the local jurisdiction engaged in arbitrary and capricious conduct.

NEW SECTION. Sec. 312. The court may affirm or reverse the land use decision under review, modify it, or remand it for modification or further proceedings. If the decision is remanded for modification or further proceedings, the court may make the order as it finds necessary to preserve the interests of the parties and the public, pending further proceedings or action by the local jurisdiction.

Sec. 313. RCW 7.16.360 and 1989 c 175 s 38 are each amended to read as follows:
This chapter does not apply to state agency action reviewable under chapter 34.05 RCW or the land use decisions of local jurisdictions reviewable under chapter 36.-- RCW (sections 301 through 312 of this act).
Sec. 314. RCW 58.17.180 and 1983 c 121 s 5 are each amended to read as follows:

Any decision approving or disapproving any plat shall be reviewable for ((unlawful, arbitrary, capricious or corrupt action or nonaction by writ of review before)) under chapter 36.-- RCW (sections 301 through 312 of this act) by the superior court of the county in which such matter is pending.

((Standing to bring the action is limited to the following parties:
(1) The applicant or owner of the property on which the subdivision is proposed;
(2) Any property owner entitled to special notice under RCW 58.17.090;
(3) Any property owner who deems himself aggrieved thereby and who will suffer direct and substantial impacts from the proposed subdivision.

Application for a writ of review shall be made to the court within thirty days from any decision so to be reviewed. The cost of transcription of all records ordered certified by the court for such review shall be borne by the appellant.)))

NEW SECTION. Sec. 315. A new section is added to chapter 4.84 RCW to read as follows:

Notwithstanding any other provisions of this chapter, reasonable attorneys fees and costs shall be awarded to the prevailing party or substantially prevailing party on appeal before the superior court, court of appeals, or the supreme court of a decision by a county, city, or town to issue, condition, or deny a development permit involving a site-specific rezone, zoning, plat, conditional use, variance, shoreline permit, building permit, site plan, or similar land use approval or decision.

NEW SECTION. Sec. 316. Sections 301 through 312 of this act constitute a new chapter in Title 36 RCW.

PART IV - STUDY

NEW SECTION. Sec. 401. The land use study commission is hereby established. The commission's goal shall be the integration and consolidation of the state's land use and environmental laws into a single, manageable statute. In fulfilling its responsibilities, the commission shall evaluate the effectiveness of the growth management act, the state environmental policy act, the shoreline management act, and other state land use, planning, environmental, and permitting statutes.

NEW SECTION. Sec. 402. The commission shall consist of not more than thirteen members. Seven members of the commission shall be appointed by the governor, two members shall be appointed by the speaker of the house of representatives, and two members shall be appointed by the president of the senate. Membership shall reflect the interests of business, agriculture, labor, the environment, other citizens, the legislature, cities, counties, federally recognized Indian tribes, and state agencies. The director of the department of community, trade, and economic development, or the director's designee, shall serve in a nonvoting capacity as chair of the commission. The director of the department of ecology, or the director's designee, shall also be a member of the commission in a nonvoting capacity. Staff for the commission shall be provided by the department of community, trade, and economic development, with additional staff to be provided by other state agencies and the legislature, as may be required. State agencies shall provide the commission with information and assistance as needed.

NEW SECTION. Sec. 403. The commission shall convene commencing June 1, 1995, and shall complete its work by June 30, 1998. The commission shall submit a report to the governor and the legislature stating its findings, conclusions, and recommendations not later than November 1 of each year. The commission shall submit its final report to the governor and the legislature not later than November 1, 1997.

NEW SECTION. Sec. 404. The commission shall:

(1) Consider the effectiveness of state and local government efforts to consolidate and integrate the growth management act, the state environmental policy act, the shoreline management act, and other land use, planning, environmental, and permitting laws.

(2) Identify the revisions and modifications needed in state land use, planning, and environmental law and practice to adequately plan for growth, to adequately assess environmental
impacts of comprehensive plans, development regulations, and growth, and to reduce the time and cost of obtaining project permits.

(3) Draft a consolidated land use procedure, following these guidelines:
(a) Conduct land use planning through the comprehensive planning process under chapter 36.70A RCW rather than through review of individual projects;
(b) Involve diverse sectors of the public in the planning process. Early and informal environmental analysis should be incorporated into planning and decision making;
(c) Recognize that different questions need to be answered and different levels of detail applied at each planning phase, from the initial development of plan concepts or plan elements to implementation programs;
(d) Integrate and combine to the fullest extent possible the processes, analysis, and documents currently required under chapters 36.70A and 43.21C RCW, so that subsequent plan decisions and subsequent implementation will incorporate measures to promote the environmental, economic, and other goals and to mitigate undesirable or unintended adverse impacts on a community's quality of life;
(e) Focus environmental review and the level of detail needed for different stages of plan and project decisions on the environmental considerations most relevant to that stage of the process;
(f) Avoid duplicating review that has occurred for plan decisions when specific projects are proposed;
(g) Use environmental review on projects to: (i) Review and document consistency with comprehensive plans and development regulations; (ii) provide prompt and coordinated review by agencies, tribes, and the public on compliance with applicable environmental laws and plans, including mitigation for site specific project impacts that have not been considered and addressed at the plan or development regulation level; and (iii) ensure accountability by local government to applicants and the public for requiring and implementing mitigation measures;
(h) Maintain or improve the quality of environmental analysis both for plan and for project decisions, while integrating these analyses with improved state and local planning and permitting processes;
(i) Examine existing land use and environmental permits for necessity and utility. To the extent possible, existing permits should be combined into fewer permits, assuring that the values and principles intended to be protected by those permits remain protected; and
(j) Consolidate local government appeal processes to allow a single appeal of permits at local government levels, a single state level administrative appeal, and a final judicial appeal.

(4) These guidelines are intended to guide the work of the commission, without limiting its charge to integrate and consolidate Washington's land use and environmental laws into a single, manageable code.

NEW SECTION. Sec. 405. Members of the commission shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

NEW SECTION. Sec. 406. Sections 401 through 405 of this act shall expire June 30, 1998.

PART V - MISCELLANEOUS

NEW SECTION. Sec. 501. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 502. Part headings and the table of contents as used in this act do not constitute any part of the law.

NEW SECTION. Sec. 503. Sections 401 through 406 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect June 1, 1995."

POINT OF ORDER

Representative B. Thomas: Thank you Mr. Speaker. Amendment number 417 is drawn to the striker.

Representative B. Thomas moved adoption of the following amendment to the striking amendment by Representative B. Thomas:

On page 58, after line 5, insert the following:

"Sec. 142. RCW 35.44.020 and 1987 c 242 s 4 are each amended to read as follows:

There shall be included in the cost and expense of every local improvement for assessment against the property in the district created to pay the same, or any part thereof:

1. The cost of all of the construction or improvement authorized for the district including, but not limited to, that portion of the improvement within the street intersections;

2. The estimated cost and expense of all engineering and surveying necessary for the improvement done under the supervision of the city or town engineer;

3. The estimated cost and expense of ascertaining the ownership of the lots or parcels of land included in the assessment district;

4. The estimated cost and expense of advertising, mailing, and publishing all necessary notices;

5. The estimated cost and expense of accounting, clerical labor, and of books and blanks extended or used on the part of the city or town clerk and city or town treasurer in connection with the improvement;

6. All cost of the acquisition of rights of way, property, easements, or other facilities or rights, including without limitation rights to use property, facilities, or other improvements appurtenant, related to, and/or useful in connection with the local improvement, whether by eminent domain, purchase, gift, payment of connection charges, capacity charges, or other similar charges, or in any other manner;

7. The cost for legal, financial, and appraisal services and any other expenses incurred by the city, town, or public corporation for the district or in the formation thereof, or by the city, town, or public corporation in connection with such construction or improvement, and in the financing thereof, including the issuance of any bonds and the cost of providing for increases in the local improvement guaranty fund, or providing for a separate reserve fund or other security for the payment of principal of and interest on such bonds.

Any of the costs set forth in this section may be excluded from the cost and expense to be assessed against the property in such local improvement district and may be paid from any other moneys available therefor if the legislative body of the city or town so designates by ordinance at any time."

Substitute House Bill No. 1860 was read the second time.

Representative L. Thomas moved adoption of the following amendment by Representative L. Thomas:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 18.140.005 and 1993 c 30 s 1 are each amended to read as follows:
It is the intent of the legislature that only individuals who meet and maintain minimum standards of competence and conduct ((may provide)) established under this chapter for certified or licensed real estate appraisers may provide real estate appraisal services to the public.

Sec. 2. RCW 18.140.010 and 1993 c 30 s 2 are each amended to read as follows:
As used in this chapter, the following terms have the meanings indicated unless the context clearly requires otherwise.

(1) "Appraisal" ((or "real estate appraisal")) means ((an analysis, opinion, or conclusion relating to the nature, quality, value, or utility of specified interests in, or aspects of, identified real estate, for or in expectation of compensation. An appraisal may be classified by subject matter into either a valuation or an analysis. A "valuation" is an estimate of the value of real estate or real property. An "analysis" is a study of real estate or real property other than estimating value)) the act or process of estimating value; an estimate of value; or of or pertaining to appraising and related functions.

(2) "Appraisal report" means any communication, written or oral, of an appraisal, ((except that all appraisal reports in federally related transactions are required to be written reports)) review, or consulting service in accordance with the standards of professional conduct or practice, adopted by the director, that is transmitted to the client upon completion of an assignment.

(3) "Appraisal assignment" means an engagement for which an appraiser is employed or retained to act, or would be perceived by third parties or the public as acting, as a disinterested third party in rendering an unbiased analysis, opinion, or conclusion relating to the ((nature, quality,)) value((or utility)) of specified interests in, or aspects of, identified real estate. The term "appraisal assignment" may apply to valuation work and analysis work.

(4) "Brokers price opinion" means an oral or written report of property value that is prepared by a real estate broker or salesperson licensed under chapter 18.85 RCW for listing, sale, purchase, or rental purposes.
(5) "Certified appraisal" means an appraisal prepared or signed by a state-certified real estate appraiser. A certified appraisal represents to the public that it meets the appraisal standards defined in this chapter.

(6) "Client" means any party for whom an appraiser performs a service.

(7) "Committee" means the real estate appraiser advisory committee of the state of Washington.

(8) "Comparative market analysis" means a brokers price opinion.

(9) "Department" means the department of licensing.

(10) "Director" means the director of the department of licensing.

(11) "Expert review appraiser" means a state-certified or state-licensed real estate appraiser chosen by the director for the purpose of providing appraisal review assistance to the director.

(12) "Federal department" means an executive department of the United States of America specifically concerned with housing finance issues, such as the department of housing and urban development, the department of veterans affairs, or their legal federal successors.

(13) "Federal financial institutions regulatory agency" means the board of governors of the federal reserve system, the federal deposit insurance corporation, the office of the comptroller of the currency, the office of thrift supervision, the national credit union administration, their successors and/or such other agencies as may be named in future amendments to 12 U.S.C. Sec. 3350(6).

(14) "Federal secondary mortgage marketing agency" means the federal national mortgage association, the government national mortgage association, the federal home loan mortgage corporation, their successors and/or such other similarly functioning housing finance agencies as may be federally chartered in the future.

(15) "Financial institution" means any person doing business under the laws of this state or the United States relating to banks, bank holding companies, savings banks, trust companies, savings and loan associations, credit unions, consumer loan companies, and the affiliates, subsidiaries, and service corporations thereof.

(16) "Licensed appraisal" means an appraisal prepared or signed by a state-licensed real estate appraiser. A licensed appraisal represents to the public that it meets the appraisal standards defined in this chapter.

(17) "Mortgage broker" for the purpose of this chapter means a mortgage broker licensed under chapter 19.146 RCW, any mortgage broker approved and subject to audit by the federal national mortgage association, the government national mortgage association, or the federal home loan mortgage corporation as provided in RCW 19.146.020, any mortgage broker approved by the United States secretary of housing and urban development for participation in any mortgage insurance under the national housing Act, 12 U.S.C. Sec. 1201, and the affiliates, subsidiaries, and service corporations thereof.

(18) "Real estate" means an identified parcel or tract of land, including improvements, if any.

(19) "Real property" means one or more defined interests, benefits, or rights inherent in the ownership of real estate.

(20) "Review" means the act or process of critically studying an appraisal report prepared by another.

(21) "Specialized appraisal services" means all appraisal services which do not fall within the definition of appraisal assignment. The term "specialized appraisal service" may apply to valuation work and to analysis work. Regardless of the intention of the client or employer, if the appraiser would be perceived by third parties or the public as acting as a disinterested third party in rendering an unbiased analysis, opinion, or conclusion, the work is classified as an appraisal assignment and not a specialized appraisal service.

(22) "State-certified general real estate appraiser" means a person certified by the director to develop and communicate real estate appraisals of all types of property. A state-certified general real estate appraiser may designate or identify an appraisal rendered by him or her as a "certified appraisal."

(23) "State-certified residential real estate appraiser" means a person certified by the director to develop and communicate real estate appraisals of all types of residential property of one to four units without regard to transaction value or complexity and nonresidential property having a transaction value as specified in rules adopted by the director. A state-certified residential real estate appraiser may designate or identify an appraisal rendered by him or her as a "certified appraisal."
"State-licensed real estate appraiser" means a person licensed by the director to develop and communicate real estate appraisals of noncomplex one to four residential units and complex one to four residential units and nonresidential property having transaction values as specified in rules adopted by the director.

Sec. 3. RCW 18.140.020 and 1993 c 30 s 3 are each amended to read as follows:
(1) No person other than a state-certified or state-licensed real estate appraiser may receive compensation of any form for a real estate appraisal or an appraisal review.
(2) No person, other than a state-certified or state-licensed real estate appraiser, may assume or use that title or any title, designation, or abbreviation likely to create the impression of certification or licensure as a real estate appraiser by this state.
(3) A person who is not certified or licensed under this chapter shall not ((describe or refer to)) prepare any appraisal of real estate located in this state ((by the term "certified" or "licensed."))
(2) This section does not preclude a person who is not certified or licensed as a state-certified or state-licensed real estate appraiser from appraising real estate in this state for compensation, except in federally related transactions requiring licensure or certification to perform appraisal services), except as provided under subsection (1) of this section.
(4) This section does not preclude a staff employee of a governmental entity from performing an appraisal or an appraisal assignment within the scope of his or her employment insofar as the performance of official duties for the governmental entity are concerned. Such an activity for the benefit of the governmental entity is exempt from the requirements of this chapter.
(5) This section does not preclude an individual person licensed by the state of Washington as a real estate broker or as a real estate salesperson and who performs a brokers price opinion as a service to a prospective seller, buyer, lessor, or lessee as the only intended user, and not for dissemination to a third party, within the scope of his or her employment or agency. Such an activity for the sole benefit of the prospective seller, buyer, lessor, or lessee is exempt from the requirements of this chapter.
(6) This section does not apply to an appraisal or an appraisal review performed for a financial institution or mortgage broker, whether conducted by an employee or third party, when such appraisal or appraisal review is not required to be performed by a state-certified or state-licensed real estate appraiser by the appropriate federal financial institutions regulatory agency.
(7) This section does not apply to a certified public accountant, as defined in RCW 18.04.025, who evaluates real property in the normal scope of his or her professional services.

Sec. 4. RCW 18.140.030 and 1993 c 30 s 4 are each amended to read as follows:
The director shall have the following powers and duties:
(1) To adopt rules in accordance with chapter 34.05 RCW necessary to implement this chapter;
(2) To receive and approve or deny applications for certification or licensure as a state-certified or state-licensed real estate appraiser under this chapter; to establish appropriate administrative procedures for the processing of such applications; to issue certificates or licenses to qualified applicants pursuant to the provisions of this chapter; and to maintain a register of the names and addresses of individuals who are currently certified or licensed under this chapter;
(3) To establish, provide administrative assistance, and appoint the members for the real estate appraiser advisory committee to enable the committee to act in an advisory capacity to the director;
(4) To solicit bids and enter into contracts with educational testing services or organizations for the preparation of questions and answers for certification or licensure examinations;
(5) To administer or contract for administration of certification or licensure examinations at locations and times as may be required to carry out the responsibilities under this chapter;
(6) To enter into contracts for professional services determined to be necessary for adequate enforcement of this chapter;
(7) To consider recommendations by the real estate appraiser advisory committee relating to the experience, education, and examination requirements for each classification of state-certified appraiser and for licensure;
(8) To impose continuing education requirements as a prerequisite to renewal of certification or licensure;
(9) To consider recommendations by the real estate appraiser advisory committee relating to standards of professional appraisal practice in the enforcement of this chapter;
To investigate all complaints or reports of unprofessional conduct as defined in this chapter and to hold hearings as provided in this chapter;

To establish appropriate administrative procedures for disciplinary proceedings conducted pursuant to the provisions of this chapter;

To compel the attendance of witnesses and production of books, documents, records, and other papers; to administer oaths; and to take testimony and receive evidence concerning all matters within their jurisdiction. These powers may be exercised directly by the director or the director’s authorized representatives acting by authority of law;

To take emergency action ordering summary suspension of a license or certification pending proceedings by the director;

To employ such professional, clerical, and technical assistance as may be necessary to properly administer the work of the director;

To establish forms necessary to administer this chapter;

To adopt standards of professional conduct or practice; ((and))

To establish an expert review appraiser roster comprised of state-certified or licensed real estate appraisers whose purpose is to assist the director by applying their individual expertise by reviewing real estate appraisals for compliance with this chapter. Qualifications to act as an expert review appraiser shall be established by the director with the advice of the committee. An application to serve as an expert review appraiser shall be submitted to the real estate appraiser program, and the roster of accepted expert review appraisers shall be maintained by the department. An expert review appraiser may be added to or deleted from that roster by the director. The expert review appraiser shall be reimbursed for expenses in the same manner as the department reimburses the committee; and

To do all other things necessary to carry out the provisions of this chapter and minimally meet the requirements of federal guidelines regarding state certification or licensure of appraisers that the director determines are appropriate for state-certified and state-licensed appraisers in this state.

Sec. 5. RCW 18.140.090 and 1993 c 30 s 9 are each amended to read as follows:

(1) As a prerequisite to taking an examination for certification or licensure, an applicant must meet the experience requirements adopted by the director.

(2) The preexamination experience claimed by an applicant, and accepted by the department for the purpose of taking the examination, shall remain subject to postlicensure auditing by the department.

Sec. 6. RCW 18.140.130 and 1993 c 30 s 13 are each amended to read as follows:

(1) Each original and renewal license or certificate issued under this chapter shall expire on the applicant’s second birthday following issuance of the license or certificate.

(2) To be renewed as a state-licensed or state-certified real estate appraiser, the holder of a valid license or certificate shall apply and pay the prescribed fee to the director no earlier than one hundred twenty days prior to the expiration date of the license or certificate and shall demonstrate satisfaction of any continuing education requirements.

(3) If a person fails to renew a license or certificate prior to its expiration and no more than two years have passed since the person last held a valid license or certificate, the person may obtain a renewal license or certificate by satisfying all of the requirements for renewal and paying late renewal fees.

The director shall cancel the license or certificate of any person whose renewal fee is not received within two years from the date of expiration. A person may obtain a new license or certificate by satisfying the procedures and qualifications for initial licensure or certification, including the successful completion of any applicable examinations.

Sec. 7. RCW 18.140.140 and 1993 c 30 s 14 are each amended to read as follows:

(1) A license or certificate issued under this chapter shall bear the signature or facsimile signature of the director and a license or certificate number assigned by the director.

(2) Each state-licensed or state-certified real estate appraiser shall place his or her license or certificate number adjacent to or immediately below the title "state-licensed real estate appraiser," "state-certified residential real estate appraiser," or "state-certified general real estate appraiser" when used in an appraisal report or in a contract or other instrument used by the licensee or certificate holder in conducting real property appraisal activities, except that the license or certificate number shall not be
required to appear when the title is not accompanied by a signature as is typical on such promotional and stationary items as brochures, business cards, forms, or letterhead.

**Sec. 8.** RCW 18.140.150 and 1993 c 30 s 15 are each amended to read as follows:

(1) The term "state-licensed" or "state-certified real estate appraiser" may only be used to refer to individuals who hold the license or certificate and may not be used following or immediately in connection with the name or signature of a firm, partnership, corporation, ((or)) group, or limited liability company, or in such manner that it might be interpreted as referring to a firm, partnership, corporation, group, limited liability company, or anyone other than an individual holder of the license or certificate.

(2) No license or certificate may be issued under this chapter to a corporation, partnership, firm, limited liability company, or group. This shall not be construed to prevent a state-licensed or state-certified appraiser from signing an appraisal report on behalf of a corporation, partnership, firm, ((or)) group practice, or limited liability company.

**Sec. 9.** RCW 18.140.160 and 1993 c 30 s 17 are each amended to read as follows:

The director may deny an application for licensure or certification and may ((be denied. The director may)) impose any one or more of the following sanctions against a state-licensed or state-certified appraiser: Suspend, revoke, or levy a fine not to exceed one thousand dollars for each offense and/or otherwise discipline in accordance with the provisions of this chapter, for any of the following acts or omissions:

(1) Failing to meet the minimum qualifications for state licensure or certification established by or pursuant to this chapter;

(2) Procuring or attempting to procure state licensure or certification under this chapter by knowingly making a false statement, knowingly submitting false information, or knowingly making a material misrepresentation on any application filed with the director;

(3) Paying money other than the fees provided for by this chapter to any employee of the director or the committee to procure state licensure or certification under this chapter;

(4) Obtaining a license or certification through the mistake or inadvertence of the director;

(5) Conviction of any gross misdemeanor or felony or the commission of any act involving moral turpitude, dishonesty, or corruption whether or not the act constitutes a crime. If the act constitutes a crime, conviction in a criminal proceeding is not a condition precedent to disciplinary action. Upon such a conviction, however, the judgment and sentence is conclusive evidence at the ensuing disciplinary hearing of the guilt of the license or certificate holder or applicant of the crime described in the indictment or information, and of the person’s violation of the statute on which it is based. For the purposes of this section, conviction includes all instances in which a plea of guilty or nolo contendere is the basis for the conviction and all proceedings in which the sentence has been deferred or suspended. Nothing in this section abrogates rights guaranteed under chapter 9.96A RCW;

(6) Failure or refusal without good cause to exercise reasonable diligence in developing an appraisal, preparing an appraisal report, or communicating an appraisal;

(7) Negligence or incompetence in developing an appraisal, preparing an appraisal report, or communicating an appraisal;

(8) Continuing to act as a state-licensed or state-certified real estate appraiser when his or her license or certificate is on an expired status;

(9) Failing, upon demand, to disclose any information within his or her knowledge to, or to produce any document, book, or record in his or her possession for inspection of the director or the director’s authorized representatives acting by authority of law;

(10) Violating any provision of this chapter or any lawful rule or regulation made by the director pursuant thereto;

(11) Advertising in a false, fraudulent, or misleading manner;

(12) Suspension, revocation, or restriction of the individual’s license or certification to practice the profession by competent authority in any state, federal, or foreign jurisdiction, with a certified copy of the order, stipulation, or agreement being conclusive evidence of the revocation, suspension, or restriction;

(13) Failing to comply with an order issued by the director;
Committing any act of fraudulent or dishonest dealing or a crime involving moral turpitude, with a certified copy of the final holding of any court of competent jurisdiction in such matter being conclusive evidence in any hearing under this chapter; and

Issuing an appraisal report on any real property in which the appraiser has an interest unless his or her interest is clearly stated in the appraisal report.

Sec. 10. RCW 18.140.170 and 1993 c 30 s 18 are each amended to read as follows:

The director may investigate the actions of a state-licensed or state-certified real estate appraiser or an applicant for licensure or certification or relicensure or recertification. Upon receipt of information indicating that a state-licensed or state-certified real estate appraiser under this chapter may have violated this chapter, the director shall cause one or more of the staff investigators to make an investigation of the facts to determine whether or not there is admissible evidence of any such violation. If technical assistance is required, a staff investigator may consult with one or more of the members of the committee.

In any investigation made by the director’s investigative staff, the director shall have the power to compel the attendance of witnesses and the production of books, documents, records, and other papers, to administer oaths, and to take testimony and receive evidence concerning all matters within the director’s jurisdiction.

If the director determines, upon investigation, that a state-licensed or state-certified real estate appraiser under this chapter has violated this chapter, a statement of charges shall be prepared and served upon the state-licensed or state-certified real estate appraiser. The statement of charges shall be served as follows: The statement of charges shall be sent by certified or registered mail, and if no receipt of service is received, two attempts to personally serve the statement of charges shall be made. This statement of charges shall require the accused party to file an answer to the statement of charges within twenty days of the date of service.

In responding to a statement of charges, the accused party may admit to the allegations, deny the allegations, or otherwise plead. Failure to make a timely response shall be deemed an admission of the allegations contained in the statement of charges and will result in a default whereupon the director may enter an order under RCW 34.05.440. If a hearing is requested, the time of the hearing shall be scheduled but the hearing shall not be held earlier than thirty days after service of the charges upon the accused. A notice of hearing shall be issued at least twenty days prior to the hearing, specifying the time, date, and place of hearing.

NEW SECTION. Sec. 11. All fees required under this chapter shall be set by the director in accordance with RCW 18.140.050 and shall be paid to the state treasurer. All fees paid under the provisions of this chapter shall be placed in the real estate appraiser account in the state treasury. The account is subject to appropriation under chapter 43.88 RCW. All moneys derived from fines imposed under this chapter also shall be deposited in the real estate appraiser account.

NEW SECTION. Sec. 12. The director may refer a complaint for violation of any section of this chapter before any court of competent jurisdiction.

Any violation of the provisions of this chapter shall be prosecuted by the prosecuting attorney of each county in which the violation occurs, and if the prosecuting attorney fails to act, the director may request the attorney general to take action in lieu of the prosecuting attorney.

Whenever evidence satisfactory to the director suggests that any person has violated any of the provisions of this chapter, or any part or provision thereof, the director may bring an action, in the superior court in the county where the person resides, against the person to enjoin any person from continuing a violation or engaging or doing any act or acts in furtherance thereof. In this action an order or judgment may be entered awarding a preliminary or final injunction as may be proper.

The director may petition the superior court in any county in this state for the appointment of a receiver to take over, operate, or close any real estate appraisal activity or practice in this state which is found upon inspection of its books and records to be operating in violation of the provisions of this chapter, pending a hearing.

NEW SECTION. Sec. 13. Any person acting as a state-certified or state-licensed real estate appraiser without a certificate or license that is currently valid or who is currently subject to a revocation or suspension for violating any provision of this chapter is guilty of a misdemeanor.
NEW SECTION.  Sec. 14.  RCW 18.140.085 and 1993 c 30 s 23 are each repealed.

NEW SECTION.  Sec. 15.  A new section is added to chapter 50.04 RCW to read as follows:
The term "employment" does not include services performed by an appraisal practitioner
certified or licensed under chapter 18.140 RCW in an appraisal business if the use of the business
facilities is contingent upon compensation to the owner of the business facilities and the person receives
no compensation from the owner for the services performed.

NEW SECTION.  Sec. 16.  Sections 11 through 13 of this act are each added to chapter
18.140 RCW.

NEW SECTION.  Sec. 17.  This act is necessary for the immediate preservation of the public
peace, health, or safety, or support of the state government and its existing public institutions, and shall
take effect July 1, 1995, except section 3 of this act, which shall take effect July 1, 1996."

On page 1, line 1 of the title, after "appraisers;" strike the remainder of the title and insert
"amending RCW 18.140.005, 18.140.010, 18.140.020, 18.140.030, 18.140.090, 18.140.130,
18.140.140, 18.140.150, 18.140.160, and 18.140.170; adding new sections to chapter 18.140 RCW;
adding a new section to chapter 50.04 RCW; repealing RCW 18.140.085; prescribing penalties;
providing effective dates; and declaring an emergency."

On page 3, after line 9, insert the following:

“(b) Investigate all allegations or instances of malicious harassment, assault, battery, abuse, or other crimes against child protective services case workers;

(c) Investigate and make recommendations to the legislature to improve the safety and effectiveness of child protective services case workers as they perform their responsibilities;”

Reletter the remaining subsections accordingly.

POINT OF ORDER

Representative Padden: Thank you Mr. Speaker (Representative Horn presiding). I would request a ruling on the scope and object of the amendment to Second Substitute House Bill No. 1882.

SPEAKER’S RULING
Second Substitute House Bill No. 1882 is an act relating to an inspector general. The purpose of the act is to have an inspector general who will investigate complaints about CPS case worker actions. Amendments 434 and 435 were both ruled within the scope of the title but beyond the object of the bill because they were going to expand the duties of the inspector general to include review of complaints by case workers against persons they must deal with.

Representative Padden, Your Point of Order is well taken.

Representative Chopp moved adoption of the following amendment by Representative Chopp:

On page 3, after line 9, insert the following:

"(b) Investigate allegations or instances of malicious harassment, assault, battery, abuse, or other crimes against child protective services case workers;
(c) Investigate and make recommendations to the legislature to improve the safety and effectiveness of child protective services case workers as they perform their responsibilities;"

On page 3, after line 23 insert the following:

"Sec. 6. RCW 9A.36.031 and 1990 c 236 s 1 are each amended to read as follows:
(1) A person is guilty of assault in the third degree if he or she, under circumstances not amounting to assault in the first or second degree:
(a) With intent to prevent or resist the execution of any lawful process or mandate of any court officer or the lawful apprehension or detention of himself or another person, assaults another; or
(b) Assaults a person employed as a transit operator or driver by a public or private transit company while that person is operating or is in control of a vehicle that is owned or operated by the transit company and that is occupied by one or more passengers; or
(c) Assaults a school bus driver employed by a school district or a private company under contract for transportation services with a school district while the driver is operating or is in control of a school bus that is occupied by one or more passengers; or
(d) With criminal negligence, causes bodily harm to another person by means of a weapon or other instrument or thing likely to produce bodily harm; or
(e) Assaults a fire fighter or other employee of a fire department or fire protection district who was performing his or her official duties at the time of the assault; or
(f) With criminal negligence, causes bodily harm accompanied by substantial pain that extends for a period sufficient to cause considerable suffering; or
(g) Assaults a child protective services case worker who was performing his or her official duties at the time of the assault; or
(h) Assaults a law enforcement officer or other employee of a law enforcement agency who was performing his or her official duties at the time of the assault.
(2) Assault in the third degree is a class C felony."
Representatives Stevens, Padden, Thompson and Backlund spoke in favor of passage of the bill.

Representatives Ebersole, Thibaudeau, Quall, Dickerson, Basich and Chopp spoke against passage of the bill.

Representative Stevens again spoke in favor of passage of the bill.

The Speaker (Representative Horn presiding) stated the question before the House to be final passage of Second Substitute House Bill No. 1882.

ROLL CALL

The Clerk called the roll on the final passage of Second Substitute House Bill No. 1882, and the bill passed the House by the following vote: Y eas - 65, Nays - 32, Absent - 0, Excused - 1.

Excused: Representative Pelesky - 1.

Second Substitute House Bill No. 1882, having received the constitutional majority, was declared passed.

The Speaker (Representative Horn presiding) declared the House to be at ease.

The Speaker (Representative Horn presiding) called the House to order.

There being no objection, the House considered House Bill No. 1305.

HOUSE BILL NO. 1305, by Representatives Johnson, Sheldon, Reams, Mastin, L. Thomas and Basich

Revising restrictions on growth outside of urban growth areas.

The bill was read the second time.

Representative Reams moved adoption of the following amendment by Representative Reams:

Strike everything after the enacting clause and insert the following:

*NEW SECTION. Sec. 1. A new section is added to chapter 36.70A RCW to read as follows:

(1) A county required or choosing to plan under RCW 36.70A.040 may establish, in consultation with cities, a process for reviewing proposals to authorize siting of major industrial developments outside urban growth areas.

(2) A major industrial development may be approved outside an urban growth area in a county planning under this chapter if criteria including, but not limited to the following, are met:
(a) Infrastructure is provided and/or impact fees are established consistent with the requirements of RCW 82.02.060;
(b) Transit-oriented site planning and traffic demand management programs are implemented;
(c) Buffers are provided between the major industrial development and adjacent nonurban areas;
(d) Environmental protection including air and water quality has been addressed and provided for;
(e) Development regulations are established that discourage urban growth in adjacent nonurban area;
(f) Provision is made to mitigate adverse impacts on designated agricultural lands, forest lands, and mineral resource lands;
(g) The plan for the major industrial development is consistent with the county’s development regulations established for protection of critical areas; and
(h) The county has determined and entered findings that land suitable to site the major industrial development is unavailable within the urban growth area. Priority shall be given to applications for sites that are adjacent to or in close proximity to the urban growth area.

Sec. 2. RCW 36.70A.110 and 1994 c 249 s 27 are each amended to read as follows:
(1) Each county that is required or chooses to plan under RCW 36.70A.040 shall designate an urban growth area or areas within which urban growth shall be encouraged and outside of which growth can occur only if it is not urban in nature. Each city that is located in such a county shall be included within an urban growth area. An urban growth area may include more than a single city. An urban growth area may include territory that is located outside of a city only if such territory already is characterized by urban growth or is adjacent to territory already characterized by urban growth.

(2) Based upon the population growth management planning population projection made for the county by the office of financial management as modified by the county in light of information regarding growth projection or other local conditions, the urban growth areas in the county shall include areas and densities at least sufficient to permit the urban growth that is projected to occur in the county for the succeeding twenty-year period. Each urban growth area shall permit a range of urban densities and shall include greenbelt and open space areas. Within one year of July 1, 1990, each county that as of June 1, 1991, was required or chose to plan under RCW 36.70A.040, shall begin consulting with each city located within its boundaries and each city shall propose the location of an urban growth area. Within sixty days of the date the county legislative authority of a county adopts its resolution of intention or of certification by the office of financial management, all other counties that are required or choose to plan under RCW 36.70A.040 shall begin this consultation with each city located within its boundaries. The county shall attempt to reach agreement with each city on the location of an urban growth area within which the city is located. If such an agreement is not reached with each city located within the urban growth area, the county shall justify in writing why it so designated the area an urban growth area. A city may object formally with the department over the designation of the urban growth area within which it is located. Where appropriate, the department shall attempt to resolve the conflicts, including the use of mediation services.

(3) Urban growth should be located ((first)) in areas: (a) Already characterized by urban growth that have existing public facility and service capacities to serve such development, ((and second)) (b) already characterized by urban growth that will be served by a combination of both existing public facilities and services and any additional needed public facilities and services that are provided by either public or private sources, and (c) adjacent to territory already characterized by urban growth, or so situated in light of geographic or utility considerations as to be appropriate for urban growth within the succeeding twenty-year period. Further, it is usually appropriate that urban government services be provided by cities, and urban government services ((should)) not be provided in rural areas.

(4) On or before October 1, 1993, each county that was initially required to plan under RCW 36.70A.040(1) shall adopt development regulations designating interim urban growth areas under this
Within three years and three months of the date the county legislative authority of a county adopts its resolution of intention or of certification by the office of financial management, all other counties that are required or choose to plan under RCW 36.70A.040 shall adopt development regulations designating interim urban growth areas under this chapter. Adoption of the interim urban growth areas may only occur after public notice; public hearing; and compliance with the state environmental policy act, chapter 43.21C RCW, and RCW 36.70A.110. Such action may be appealed to the appropriate growth management hearings board under RCW 36.70A.280. Final urban growth areas shall be adopted at the time of comprehensive plan adoption under this chapter.

(5) Each county shall include designations of urban growth areas in its comprehensive plan.

Sec. 3. RCW 36.70A.070 and 1990 1st ex.s. c 17 s 7 are each amended to read as follows:

The comprehensive plan of a county or city that is required or chooses to plan under RCW 36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and standards used to develop the comprehensive plan. The plan shall be an internally consistent document and all elements shall be consistent with the future land use map. A comprehensive plan shall be adopted and amended with public participation as provided in RCW 36.70A.140.

Each comprehensive plan shall include a plan, scheme, or design for each of the following:

(1) A land use element designating the proposed general distribution and general location and extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce, industry, recreation, open spaces, public utilities, public facilities, and other land uses. The land use element shall include population densities, building intensities, and estimates of future population growth. The land use element shall provide for protection of the quality and quantity of ground water used for public water supplies. Where applicable, the land use element shall review drainage, flooding, and storm water run-off in the area and nearby jurisdictions and provide guidance for corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including Puget Sound or waters entering Puget Sound.

(2) A housing element recognizing the vitality and character of established residential neighborhoods that: (a) Includes an inventory and analysis of existing and projected housing needs; (b) includes a statement of goals, policies, and objectives for the preservation, improvement, and development of housing; (c) identifies sufficient land for housing, including, but not limited to, government-assisted housing, housing for low-income families, manufactured housing, multifamily housing, and group homes and foster care facilities; and (d) makes adequate provisions for existing and projected needs of all economic segments of the community.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected funding capacities and clearly identifies sources of public money for such purposes; and (e) a requirement to reassess the land use element if probable funding falls short of meeting existing needs and to ensure that the land use element, capital facilities plan element, and financing plan within the capital facilities plan element are coordinated and consistent.

(4) A utilities element consisting of the general location, proposed location, and capacity of all existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines, and natural gas lines.

(5) Counties shall include a rural element including lands that are not designated for urban growth, agriculture, forest, or mineral resources. The rural element shall permit residential and nonresidential land uses that are compatible with the rural character of such lands and provide for a variety of rural densities.

(6) A transportation element that implements, and is consistent with, the land use element. The transportation element shall include the following subelements:

(a) Land use assumptions used in estimating travel;
(b) Facilities and services needs, including:
   (i) An inventory of air, water, and land transportation facilities and services, including transit alignments, to define existing capital facilities and travel levels as a basis for future planning;
   (ii) Level of service standards for all arterials and transit routes to serve as a gauge to judge performance of the system. These standards should be regionally coordinated;
(iii) Specific actions and requirements for bringing into compliance any facilities or services that are below an established level of service standard;

(iv) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;

(v) Identification of system expansion needs and transportation system management needs to meet current and future demands;

(c) Finance, including:

(i) An analysis of funding capability to judge needs against probable funding resources;

(ii) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems;

(iii) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;

(d) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;

(e) Demand-management strategies.

After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include increased public transportation service, ride sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6) "concurrent with the development" shall mean that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years.

The transportation element described in this subsection, and the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems, must be consistent.

Sec. 4. RCW 36.70A.210 and 1994 c 249 s 28 are each amended to read as follows:

(1) The legislature recognizes that counties are ((regional governments within their boundaries)) usually the unit of local government most appropriate to provide regional governmental services, and cities are ((primary providers of)) usually the unit of local government most appropriate to provide urban governmental services ((within urban growth areas)). For the purposes of this section, a "county-wide planning policy" is a written policy statement or statements used solely for establishing a county-wide framework from which county and city comprehensive plans are developed and adopted pursuant to this chapter. This framework shall ensure that city and county comprehensive plans are consistent as required in RCW 36.70A.100. Nothing in this section shall be construed to alter the land-use powers of cities or the authority of counties to provide urban governmental services. It is the intent of the legislature that urban governmental service decisions be made through the flexible process established in chapter 36.115 RCW.

(2) The legislative authority of a county that plans under RCW 36.70A.040 shall adopt a county-wide planning policy in cooperation with the cities located in whole or in part within the county as follows:

(a) No later than sixty calendar days from July 16, 1991, the legislative authority of each county that as of June 1, 1991, was required or chose to plan under RCW 36.70A.040 shall convene a meeting with representatives of each city located within the county for the purpose of establishing a collaborative process that will provide a framework for the adoption of a county-wide planning policy. In other counties that are required or choose to plan under RCW 36.70A.040, this meeting shall be convened no later than sixty days after the date the county adopts its resolution of intention or was certified by the office of financial management.

(b) The process and framework for adoption of a county-wide planning policy specified in (a) of this subsection shall determine the manner in which the county and the cities agree to all procedures
and provisions including but not limited to desired planning policies, deadlines, ratification of final agreements and demonstration thereof, and financing, if any, of all activities associated therewith.

(c) If a county fails for any reason to convene a meeting with representatives of cities as required in (a) of this subsection, the governor may immediately impose any appropriate sanction or sanctions on the county from those specified under RCW 36.70A.340.

(d) If there is no agreement by October 1, 1991, in a county that was required or chose to plan under RCW 36.70A.040 as of June 1, 1991, or if there is no agreement within one hundred twenty days of the date the county adopted its resolution of intention or was certified by the office of financial management in any other county that is required or chooses to plan under RCW 36.70A.040, the governor shall first inquire of the jurisdictions as to the reason or reasons for failure to reach an agreement. If the governor deems it appropriate, the governor may immediately request the assistance of the department of community, trade, and economic development to mediate any disputes that preclude agreement. If mediation is unsuccessful in resolving all disputes that will lead to agreement, the governor may impose appropriate sanctions from those specified under RCW 36.70A.340 on the county, city, or cities for failure to reach an agreement as provided in this section. The governor shall specify the reason or reasons for the imposition of any sanction.

(e) No later than July 1, 1992, the legislative authority of each county that was required or chose to plan under RCW 36.70A.040 as of June 1, 1991, or no later than fourteen months after the date the county adopted its resolution of intention or was certified by the office of financial management the county legislative authority of any other county that is required or chooses to plan under RCW 36.70A.040, shall adopt a county-wide planning policy according to the process provided under this section and that is consistent with the agreement pursuant to (b) of this subsection, and after holding a public hearing or hearings on the proposed county-wide planning policy.

(3) A county-wide planning policy shall at a minimum, address the following:
   (a) Policies to implement RCW 36.70A.110;
   (b) Policies for promotion of contiguous and orderly development and provision of urban services to such development;
   (c) Policies for siting public capital facilities of a county-wide or state-wide nature;
   (d) Policies for county-wide transportation facilities and strategies;
   (e) Policies that consider the need for affordable housing, such as housing for all economic segments of the population and parameters for its distribution;
   (f) Policies for joint county and city planning within urban growth areas;
   (g) Policies for county-wide economic development and employment; and
   (h) An analysis of the fiscal impact.

(4) Federal agencies and Indian tribes may participate in and cooperate with the county-wide planning policy adoption process. Adopted county-wide planning policies shall be adhered to by state agencies.

(5) Failure to adopt a county-wide planning policy that meets the requirements of this section may result in the imposition of a sanction or sanctions on a county or city within the county, as specified in RCW 36.70A.340. In imposing a sanction or sanctions, the governor shall specify the reasons for failure to adopt a county-wide planning policy in order that any imposed sanction or sanctions are fairly and equitably related to the failure to adopt a county-wide planning policy.

(6) Cities and the governor may appeal an adopted county-wide planning policy to the growth management hearings board within sixty days of the adoption of the county-wide planning policy.

(7) Multicounty planning policies shall be adopted by two or more counties, each with a population of four hundred fifty thousand or more, with contiguous urban areas and may be adopted by other counties, according to the process established under this section or other processes agreed to among the counties and cities within the affected counties throughout the multicounty region.

NEW SECTION. Sec. 5. A new section is added to chapter 36.70A RCW to read as follows: A county or city planning under RCW 36.70A.040 must allow cellular antenna facilities to be sited in any zone within its planning jurisdiction, but may establish conditions and requirements on the siting of such facilities and require the issuance of a conditional use permit or special use permit before a cellular antenna facility is authorized.

NEW SECTION. Sec. 6. A new section is added to chapter 43.21C RCW to read as follows:
An authorization of cellular antenna facilities under section 5 of this act shall be categorically exempt from a threshold decision under the rules adopted by the department for categorical exemptions.”

On page 1, line 1 of the title, after "management;" strike the remainder of the title and insert "amending RCW 36.70A.110, 36.70A.070, and 36.70A.210; adding new sections to chapter 36.70A RCW; and adding a new section to chapter 43.21C RCW."

Representatives Reams, Elliot, Ebersole and Johnson spoke in favor of the adoption of the amendment.

Representative Rust spoke against the adoption of the amendment.

The amendment was adopted.

The bill was ordered engrossed.

MOTION

On motion of Representative Brown, Representative Regal was excused.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

Representatives Johnson and Sheldon spoke in favor of passage of the bill.

Representative Rust spoke against passage of the bill.

The Speaker (Representative Horn presiding) stated the question before the House to be final passage of Engrossed House Bill No. 1305.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 1305, and the bill passed the House by the following vote: Yea - 71, Nays - 24, Absent - 1, Excused - 2.

Absent: Representative Mr. Speaker - 1.

Excused: Representatives Pelesky and Regala - 2.

Engrossed House Bill No. 1305, having received the constitutional majority, was declared passed.

There being no objection, the House resumed consideration of Substitute House Bill No. 1451.

Representative Dyer moved adoption of the following amendment by Representative Dyer:
Strike everything after the enacting clause and insert the following:

**NEW SECTION. Sec. 1.** (1) This chapter applies to self-insurance groups under this title, except for self-insurance groups covered under RCW 51.14.150. However, a self-insurance group under RCW 51.14.150(2)(c) may elect to be covered under this chapter.

(2)(a) Except as otherwise provided in (b) of this subsection, self-insurance groups under this chapter are subject to all the requirements applying to self-insured employers under this title.

**NEW SECTION. Sec. 2.** Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Administrator" means an individual, partnership, or corporation engaged by a self-insurance group's board of trustees to carry out the policies established by the group's board of trustees and to provide day-to-day management of the group.

(2) "Insolvent" or "insolvency" means the inability of a self-insurance group to pay its outstanding lawful obligations as they mature in the regular course of business, as shown either by an excess of its required reserves and other liabilities over its assets or by it not having sufficient assets to reinsure all of its outstanding liabilities after paying all accrued claims owed by it.

(3) "Net premium" means premium derived from standard premium adjusted by any advance premium discounts.

(4) "Service company" means any person or entity that provides services to a self-insurance group not provided by the administrator, including but not limited to:

(a) Claims adjustment;

(b) Safety engineering;

(c) Compilation of statistics and the preparation of premium, loss, and tax reports;

(d) Preparation of other required self-insurance reports;

(e) Development of members' assessments and fees; and

(f) Administration of a claims fund.

(5) "Standard premium" means the premium derived from the manual rates adjusted by experience modification factors but before advance premium discounts.

(6) "Self-insurance group" or "group" means: (a) A not-for-profit group consisting of five or more employers who are engaged in the same or similar type of business and who enter into agreements to pool assets to cover the employers' liabilities under this title; or (b) two or more local government entities as specified in section 4 of this act.

**NEW SECTION. Sec. 3.** No person, group, or other entity shall act as a self-insurance group under this chapter unless it has been issued a certificate of approval by the director.

**NEW SECTION. Sec. 4.** Two or more local government entities, as defined in RCW 48.62.021, that are jointly self-insured under chapter 48.62 RCW may also apply for and be issued a certificate of approval under this chapter as a workers' compensation self-insurance group to cover the entities' liabilities under this title. The entities may contract for or hire personnel to provide administrative services and other services as required or permitted by this chapter and shall possess any other powers and perform all other functions reasonably necessary to carry out the purposes of this chapter. The entities applying for a certificate of approval under this chapter shall provide notice of the application to the state risk manager, as defined in RCW 48.62.021.

**NEW SECTION. Sec. 5.** (1) A proposed self-insurance group shall file with the director its application for a certificate of approval as a self-insurance group accompanied by a nonrefundable filing fee in an amount of one hundred fifty dollars or such larger sum as the director finds necessary for the administrative costs of evaluating the group's qualifications. The application shall include the group's name, location of its principal office, date of organization, name and address of each member, and such other information as the director may reasonably require together with the following information:

(a) Proof of compliance with the provisions of subsection (2) of this section;
(b) A copy of the articles of the group, if any;
(c) A copy of agreements with the administrator and with any service company;
(d) A copy of the bylaws of the proposed group;
(e) A copy of the group’s safety and occupational health plan;
(f) A copy of the agreement between the group and each member securing the payment of each member’s liability to its employees covered by this title, and the payment of assessments under section 18 of this act;
(g) A copy of the indemnity agreement jointly and severally binding each member for the liability of the group and other members of the group under this title;
(h) Designation of the initial board of trustees and administrator;
(i) The address in this state where the books and records, including claims files, of the group will be maintained at all times;
(j) A pro forma financial statement on a form acceptable to the director showing the financial ability of the group to pay the obligations of its members under this title; and
(k) Proof of payment to the group by each member of not less than twenty-five percent of that member’s first year estimated annual net premium on a date prescribed by the director. Each payment shall be considered to be part of the first year premium payment of each member if the proposed group is granted a certificate of approval.

(2) To obtain and maintain its certificate of approval, a self-insurance group shall comply with the following requirements as well as any other requirements established by rule of the director:
(a) A combined net worth of all members of the group of at least two million dollars;
(b) Security in the form and amount prescribed by the director which shall be provided by a surety bond, security deposit, letter of credit, or financial security endorsement, or any combination thereof. If a surety bond is used to meet the security requirement, it shall be issued by a corporate surety company authorized to transact business in this state. If a security deposit is used to meet the security requirement, securities shall be limited to: Bonds or other evidences of indebtedness issued, assumed, or guaranteed by the United States, or by an agency or instrumentality thereof; certificates of deposit in a federally insured bank; shares or savings deposits in a federally insured savings and loan association or credit union; or any bond or security issued by a state of the United States and backed by the full faith and credit of the state. Any such securities shall be deposited in an escrow account in a depository designated by the director. Interest accruing on a negotiable security so deposited shall be collected and transmitted to the depositor provided the depositor is not in default. A financial security endorsement issued as part of an acceptable excess insurance contract may be used to meet all or part of the security requirement. The bond, security deposit, letter of credit, or financial security endorsement shall be for the benefit of the state solely to pay claims and associated expenses and payable on the failure of the group to pay workers’ compensation benefits that it is legally obligated to pay under this title. The director may establish and adjust, from time to time, requirements for the amount of security based on differences among groups in their size, types of employment, years in existence, and other relevant factors;
(c) Specific and aggregate excess insurance in an approved form, in a stated amount, and by an insurance company authorized to transact insurance business in the state of Washington;
(d) An estimated annual standard premium of at least one million dollars during a group’s first year of operation. Thereafter, the annual standard premium per member shall be at least five hundred dollars;
(e) An indemnity agreement jointly and severally binding the group and each member thereof to meet the obligations of each member under this title. The indemnity agreement shall be in a form prescribed by the director and shall include minimum uniform substantive provisions prescribed by the director. Subject to the director’s approval, a group may add other provisions needed because of its particular circumstances;
(f) A fidelity bond for the administrator in a form and amount prescribed by the director; and
(g) A fidelity bond for the service company in a form and amount prescribed by the director.
The director may also require the service company providing claim services to furnish a performance bond in a form and amount prescribed by the director.

(3) A group shall notify the director of any change in the information required to be filed under subsection (1) of this section or in the manner of its compliance with subsection (2) of this section no later than thirty days after the change.
The director shall evaluate the information provided by the application required to be filed under subsection (1) of this section to assure that no gaps in funding exist and that funds necessary to pay benefits under this title will be available on a timely basis.

The director shall act on a completed application for a certificate of approval as a self-insurance group within sixty days. If, because of the number of applications, the director is unable to act on an application within this period, the director shall have an additional sixty days to so act.

The director shall issue a certificate of approval on finding that the proposed self-insurance group has met all the requirements of this chapter, or the director shall issue an order denying the certificate on finding that the proposed group does not meet all requirements. An order denying a certificate shall set forth the reasons for the denial.

Each self-insurance group shall be deemed to have appointed the director as its attorney-in-fact to receive service of legal process issued against it in this state. The appointment shall be irrevocable, shall bind any successor in interest, and shall remain in effect as long as there is in this state any obligation or liability of the group for benefits under this title.

NEW SECTION. Sec. 6. (1) A certificate of approval issued by the director to a self-insurance group authorizes the group to carry its own liability under this title to its employees covered by this title. The certificate of approval remains in effect until terminated at the request of the group or revoked by the director pursuant to section 21 of this act.

(2)(a) The director may grant the request of any self-insurance group to terminate its certificate of approval, effective not less than thirty days after the request for termination. However, the termination of a group under this section may not be effective until each member of the group has filed with the director for industrial insurance coverage under this title, has become a member of another self-insurance group, has become an approved self-insurer, or has ceased being an employer.

(b) A self-insurance group that has had its certificate of approval terminated under this section must maintain surety deemed sufficient in the director’s discretion to cover the entire liability of the group to its employees for injuries or occupational diseases that occurred during the period that the group was self-insured.

(3) Subject to the approval of the director, a group may merge with another group engaged in the same or similar type of business only if the resulting group assumes in full all obligations of the merging groups. The director may hold a hearing on the merger and shall do so if any party, including a member of either group, so requests.

NEW SECTION. Sec. 7. Each self-insurance group shall be operated by a board of trustees which shall consist of not less than five persons elected by the members of a group for stated terms of office. At least two-thirds of the trustees shall be employees, officers, or directors of members of the group. The group’s administrator, service company, or any owner, officer, or employee of, or any other person affiliated with such administrator or service company shall not serve on the board of trustees of the group. All trustees shall be residents of this state or officers of corporations authorized to do business in this state. The board of trustees of each group shall ensure that all claims under this title are paid promptly and shall take all necessary precautions to safeguard the assets of the group, including all of the following:

(1) The board of trustees shall:

(a) Maintain responsibility for all moneys collected or disbursed from the group and segregate all moneys into a claims fund account and an administrative fund account. At least seventy percent of the net premium shall be placed into a designated depository for the sole purpose of paying claims, allocated claims expenses, reinsurance or excess insurance, and special fund contributions, including second injury and other loss-related funds. This shall be called the claims fund account. The remaining net premium shall be placed into a designated depository for the payment of taxes, general regulatory fees and assessments, and administrative costs. This shall be called the administrative fund account. The director may approve an administrative fund account of more than thirty percent and a claims fund account of less than seventy percent only if the group shows to the director’s satisfaction that more than thirty percent is needed for an effective safety and loss control program or the group’s aggregate excess insurance attaches at less than seventy percent;

(b) Maintain minutes of its meetings and make such minutes available to the director;
(c) Designate an administrator to carry out the policies established by the board of trustees and to provide day-to-day management of the group, and delineate in the written minutes of its meetings the areas of authority it delegates to the administrator; and 

(d) Retain an independent certified public accountant to prepare the statement of financial condition required by section 11(1) of this act.

(2) The board of trustees shall not:

(a) Extend credit to individual members for payment of a premium, except pursuant to payment plans approved by the director; or

(b) Borrow any moneys from the group or in the name of the group except in the ordinary course of business without first advising the director of the nature and purpose of the loan and obtaining prior approval from the director.

NEW SECTION. Sec. 8. (1) An employer joining a self-insurance group after the group has been issued a certificate of approval shall submit an application for membership to the board of trustees or its administrator, and enter into the indemnity agreement required by section 5(2)(e) of this act. Membership may take effect no earlier than the date of approval of the application. The application for membership and its approval shall be maintained as permanent records of the board of trustees and a copy filed with the director.

(2) Individual members of a group shall be subject to cancellation by the group pursuant to the group's bylaws or by the director for a violation of RCW 51.14.080(2). In addition, individual members may elect to terminate their participation in the group. The group shall notify the director of the termination or cancellation of a member within ten days and shall maintain coverage of each canceled or terminated member for thirty days after such notice, at the terminating member's expense, unless the group is notified sooner by the department that the canceled or terminated member has filed with the director for industrial insurance under this title, has become an approved self-insurer, has become a member of another self-insurance group, or has ceased being an employer.

(3) The group shall pay all benefits under this title for which each member incurs liability during its period of membership. A member who elects to terminate its membership or is canceled by a group remains jointly and severally liable for the obligations under this title of the group and its members that were incurred during the canceled or terminated member's period of membership.

(4) A group member is not relieved of its liabilities under this title incurred during its period of membership except through payment by the group or the member of the liabilities.

(5) The insolvency or bankruptcy of a member does not relieve the group or any other member of liability for the payment of any obligations under this title incurred during the insolvent or bankrupt member's period of membership.

NEW SECTION. Sec. 9. (1) No service company or its employees, officers, or directors may be an employee, officer, or director of or have either a direct or indirect financial interest in an administrator. No administrator or its employees, officers, or directors may be an employee, officer, or director of or have either a direct or indirect financial interest in a service company.

(2) The service contract shall state that unless the director permits or requires otherwise the service company shall handle, to their conclusion, all claims and other obligations incurred during the contract period.

NEW SECTION. Sec. 10. Except for an employee of a self-insurance group, its administrator, or its service company, any person soliciting membership in a self-insurance group under this chapter must have a solicitation permit as provided in chapter 48.06 RCW.

NEW SECTION. Sec. 11. (1) Each self-insurance group shall submit to the director a statement of financial condition audited by an independent certified public accountant on or before the last day of the sixth month following the end of the group's fiscal year. The financial statement shall be on a form prescribed by the director and shall include, but not be limited to, actuarially appropriate reserves for known claims and expenses associated therewith, claims incurred but not reported and expenses associated therewith, unearned premiums, and bad debts, which reserves shall be shown as liabilities. An actuarial opinion regarding reserves for known claims and expenses associated therewith and claims incurred but not reported and expenses associated therewith shall be included in the audited financial statement. The actuarial opinion shall be approved by the director or be given by a member
of the American academy of actuaries or other qualified loss reserve specialist as defined in the annual statement adopted by the national association of insurance commissioners.

(2) The director may prescribe the format and frequency of other reports which may include, but shall not be limited to, payroll audit reports, summary loss reports, and quarterly financial statements.

NEW SECTION. Sec. 12. No person may make a material misrepresentation or omission of a material fact in connection with the solicitation of membership in a self-insurance group.

NEW SECTION. Sec. 13. Funds not needed for current obligations may be invested by a self-insurance group’s board of trustees in accordance with chapter 48.13 RCW.

NEW SECTION. Sec. 14. (1) Every self-insurance group shall adhere to the uniform classification system, uniform experience rating plan, and manual rates and rules filed with the director by an advisory organization designated by the director.

(2) Premium contributions to the group shall be determined by applying the manual rates and rules to the appropriate classification of each member which shall be adjusted by each member’s experience credit or debit. Subject to approval by the director, premium contributions may also be reduced by an advance premium discount reflecting the group’s expense levels and loss experience. A group may apply to the director for permission to make its own rates, and if permission is granted, the rates must be based on at least five years of the group’s experience.

(3) Each group shall be audited at least annually by an auditor acceptable to the director to verify proper classifications, experience rating, payroll, and rates. A report of the audit shall be filed with the director in a form acceptable to the director. A group or any member thereof may request a hearing on any objection to the classification. If the director determines that as a result of an improper classification a member’s premium contribution is insufficient, the director shall order the group to assess that member an amount equal to the deficiency. If the director determines that as a result of an improper classification a member’s premium is excessive, the director shall order the group to refund to the member the excess collected. The audit shall be at the expense of the group.

NEW SECTION. Sec. 15. (1) Any moneys for a fund year in excess of the amount necessary to fund all obligations under this title for that fund year may be declared to be refundable by the self-insurance group’s board of trustees not less than twelve months after the end of the fund year.

(2) Each member shall be given a written description of the refund plan at the time of application for membership. A refund for any fund year shall be paid only to those employers who remain participants in the group for the entire fund year. Payment of a refund based on a previous fund year shall not be contingent on continued membership in the group after that fund year.

NEW SECTION. Sec. 16. (1) Each self-insurance group shall establish to the satisfaction of the director a premium payment plan which shall include an initial payment by each member of at least twenty-five percent of that member’s annual premium before the start of the group’s fund year and payment of the balance of each member’s annual premium in monthly or quarterly installments.

(2) Each group shall establish and maintain actuarially appropriate loss reserves which shall include reserves for known claims and expenses associated therewith and claims incurred but not reported and expenses associated therewith.

(3) Each group shall establish and maintain bad debt reserves based on the historical experience of the group or other groups.

NEW SECTION. Sec. 17. (1) If the assets of a self-insurance group are at any time insufficient to enable the group to discharge its liabilities under this title and to maintain the reserves required of it under this chapter, it shall forthwith make up the deficiency or levy an assessment on its members for the amount needed to make up the deficiency.

(2) In the event of a deficiency in any fund year, the deficiency shall be made up immediately from surplus from a fund year other than the current fund year, administrative funds, assessment of the membership if ordered by the group, or such alternative method as the director approves or directs. The director shall be notified prior to any transfer of surplus funds from one fund year to another.
(3)(a) If the group fails to assess its members or to otherwise make up such deficit within thirty days, the director shall order it to do so.

(b) If the group fails to make the required assessment of its members within thirty days after the director orders it to do so, or if the deficiency is not fully made up within sixty days after the date on which such assessment is made, or within such longer period of time as specified by the director, the group shall be deemed to be insolvent.

(c) The director shall proceed against an insolvent group in the same manner as the director would proceed against an insolvent self-insurer under chapter 51.14 RCW.

(d) If a self-insurance group is liquidated, the director shall levy an assessment on its members for an amount determined by the director to be necessary to discharge all liabilities of the group, including the reasonable costs of liquidation.

(4) A self-insurance group insolvency trust shall be established following the rules pursuant to RCW 51.14.077.

NEW SECTION. Sec. 18. If liquidation occurs under section 17 of this act, after exhausting the security required under section 5(2)(b) of this act, the director shall levy an assessment against all self-insurance groups under this chapter to assure prompt payment of such benefits. The assessment on each group shall be based on the proportion that the premium of each group bears to the total premium of all groups under this chapter. The director may exempt a group from assessment on finding that the payment of the assessment would render the group insolvent. Such assessment shall not relieve any member of an insolvent group of its joint and several liability. After any such assessment is made, the director shall take action to enforce the joint and several liability provisions of the insolvent group's indemnity agreement, and shall recoup all costs incurred by the director in enforcing such joint and several liability provisions, amounts that the director assessed any other groups pursuant to this section, and any obligations included within section 17(3)(d) of this act.

NEW SECTION. Sec. 19. After notice and opportunity for a hearing, the director may impose a monetary penalty on any person or self-insurance group found to be in violation of any provision of this chapter or of any rules adopted under this chapter. Such monetary penalty shall not exceed one thousand dollars for each violation and shall not exceed ten thousand dollars in the aggregate. The amount of any monetary penalty shall be paid to the director for deposit in the state general fund.

NEW SECTION. Sec. 20. (1) After notice and opportunity for a hearing, the director may issue an order requiring a person or self-insurance group to cease and desist from engaging in an act or practice found to be in violation of this chapter or of any rules adopted under this chapter. Such order not to exceed an aggregate monetary penalty of one hundred thousand dollars; or

(a) Impose a monetary penalty of not more than ten thousand dollars for each violation of the order not to exceed an aggregate monetary penalty of one hundred thousand dollars; or

(b) Revoke the group's certificate of approval.

NEW SECTION. Sec. 21. (1) After notice and opportunity for a hearing, the director may revoke a self-insurance group's certificate of approval if it is found to be insolvent, fails to pay a regulatory fee, assessment, or special fund contribution imposed on it, or fails to comply with any of the provisions of this chapter, with any rules adopted under this chapter, or with any lawful order of the director, within the time prescribed. In addition, the director may revoke a group's certificate of approval if, after notice and opportunity for a hearing, the director finds that the certificate of approval was issued by fraud, that there was a material misrepresentation in the application for the certificate of approval, that the group or its administrator has misappropriated, converted, illegally withheld, or refused to pay over any moneys that belong to a member, an employee of a member, or a person otherwise entitled thereto and that have been entrusted to the group or its administrator in its fiduciary capacities.

(2) The director shall serve on the self-insurance group, personally or by certified mail, a notice of intention to revoke the group's certificate of approval, which notice shall describe the nature and location of the plants or operations involved and the specific nature of the reasons for the decision. The notice shall include: (a) The period of time within which the grounds for revocation existed or
arose; (b) a directive to the group specifying the manner in which the grounds may be eliminated; and (c) the date, not less than thirty days after the self-insurer's receipt of the notice, when the certificate of approval will be withdrawn in the absence of a satisfactory elimination of the grounds for withdrawal of the certificate.

(3) An appeal of any action by the director under this section may be taken by the self-insurance group. Proceedings on the appeal shall be as prescribed in this title. Appeal by a group of a notice of intention to withdraw a certificate of approval or to take corrective action shall not act as a stay of the withdrawal or corrective action unless the board or court, for good cause shown, orders otherwise.

NEW SECTION. Sec. 22. The director may adopt rules to implement this chapter, including rules providing for administrative assessments of self-insurance groups under this chapter.

NEW SECTION. Sec. 23. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

Sec. 24. RCW 48.62.011 and 1991 sp.s. c 30 s 1 are each amended to read as follows:
This chapter is intended to provide the exclusive source of local government entity authority to individually or jointly self-insure risks, jointly purchase insurance or reinsurance, and to contract for risk management, claims, and administrative services. This chapter shall be liberally construed to grant local government entities maximum flexibility in self-insuring to the extent the self-insurance programs are operated in a safe and sound manner. This chapter is intended to require prior approval for the establishment of every individual local government self-insured employee health and welfare benefit program and every joint local government self-insurance program. In addition, this chapter is intended to require every local government entity that establishes a self-insurance program not subject to prior approval to notify the state of the existence of the program and to comply with the regulatory and statutory standards governing the management and operation of the programs as provided in this chapter. This chapter is not intended to authorize or regulate self-insurance of unemployment compensation under chapter 50.44 RCW, or industrial insurance under (chapter 51.14) Title 51 RCW.

Sec. 25. RCW 51.14.080 and 1986 c 57 s 7 are each amended to read as follows:

(1) Certification of a self-insurer shall be withdrawn by the director upon one or more of the following grounds:
   (((4))) (a) The employer no longer meets the requirements of a self-insurer; or
   (((2))) (b) The self-insurer's deposit is insufficient; or
   (((3))) (c) The self-insurer intentionally or repeatedly induces employees to fail to report injuries, induces claimants to treat injuries in the course of employment as off-the-job injuries, persuades claimants to accept less than the compensation due, or unreasonably makes it necessary for claimants to resort to proceedings against the employer to obtain compensation; or
   (((4))) (d) The self-insurer habitually fails to comply with rules and regulations of the director regarding reports or other requirements necessary to carry out the purposes of this title; or
   (((5))) (e) The self-insurer habitually engages in a practice of arbitrarily or unreasonably refusing employment to applicants for employment or discharging employees because of nondisabling bodily conditions; or
   (((6))) (f) The self-insurer fails to pay an insolvency assessment under the procedures established pursuant to RCW 51.14.077.

(2) Certification of a self-insurance group subject to chapter 51.-- RCW (sections 1 through 23 of this act) shall be withdrawn by the director or an employer's membership in the group shall be canceled by the director upon any of the grounds listed in subsection (1) of this section or upon any of the following grounds, or both:
   (a) The self-insurance group, employer member of the group, or group's or employer's representative unreasonably attempts to influence an employee's attending physician with regard to releasing the employee for return to work;
(b) The self-insurance group, employer member of the group, or group's or employer's representative requires claimants to submit to an unreasonable number of medical examinations as a condition of receiving benefits under this title; or

(c) The self-insurance group, employer member of the group, or group's or employer's representative unreasonably interferes with the claimants' choice of health services providers to treat the injuries covered by this title.

Sec. 26. RCW 51.48.025 and 1985 c 347 s 8 are each amended to read as follows:

(1) No employer may discharge or in any manner discriminate against any employee because such employee has filed or communicated to the employer an intent to file a claim for compensation or exercises any rights provided under this title. However, nothing in this section prevents an employer from taking any action against a worker for other reasons including, but not limited to, the worker's failure to observe health or safety standards adopted by the employer, or the frequency or nature of the worker's job-related accidents.

(2) Any employee who believes that he or she has been discharged or otherwise discriminated against by an employer in violation of this section may file a complaint with the director alleging discrimination within ninety days of the date of the alleged violation. Upon receipt of such complaint, the director shall cause an investigation to be made as the director deems appropriate. Within ninety days of the receipt of a complaint filed under this section, the director shall notify the complainant of his or her determination. If upon such investigation, it is determined that this section has been violated, the director shall bring an action in the superior court of the county in which the violation is alleged to have occurred.

(3) If the director determines that this section has not been violated, the employee may institute the action on his or her own behalf.

(4) In any action brought under this section, the superior court shall have jurisdiction, for cause shown, to restrain violations of subsection (1) of this section and to order all appropriate relief including rehiring or reinstatement of the employee with back pay. The party who prevails in an action under this section against a self-insurance group subject to chapter 51.-- RCW (sections 1 through 23 of this act) or against an employer member of such a group shall be entitled to recover reasonable attorneys' fees.

NEW SECTION. Sec. 27. Sections 1 through 23 of this act shall constitute a new chapter in Title 51 RCW.

On page 1, line 2 of the title, after "self-insurance;" strike the remainder of the title and insert "amending RCW 48.62.011, 51.14.080, and 51.48.025; adding a new chapter to Title 51 RCW; and prescribing penalties."

With the consent of the House, amendment number 405 to Substitute House Bill No. 1451 was withdrawn.

Representative Campbell moved adoption of the following amendment to the striking amendment by Representative Campbell:

On page 15, line 18 of the striking amendment, after "title" insert ", and no self-insurance group subject to chapter 51.-- RCW (sections 1 through 23 of this act) or the group's representative, or employer member of the group or the employer's representative, may unreasonably attempt to influence an employee not to report an industrial accident, or unreasonably attempt to influence an employee to treat an industrial accident as an off-the-job injury"

On page 15, line 24 of the striking amendment, after "employer" insert ", or has been subject to unreasonable attempts to influence by a self-insurance group subject to chapter 51.-- RCW (sections 1 through 23 of this act) or the group's representative, or employer member of the group or the employer's representative."

Representatives Campbell, Appelwick, Mastin, Conway and Smith spoke in favor of the adoption of the amendment to the striking amendment.

On motion of Representative Foreman, Substitute Senate Bill No. 5992 was re-referred from the Committee on Trade & Economic Development to the Committee on Commerce & Labor.

POINT OF INQUIRY

Representative Appelwick: Thank you Mr. Speaker. Representative Clements, during the debate on that last bill you made some reference to "We all know what happens when you go here Kitty, Kitty, Kitty." And I'm not sure everyone knows, what is it that happens?

Representative Clements: I hope that curiosity does not kill the cat. For the fine Representative from the 46th District, we were talking in Caucus about some of the strategy, and I said some of the issues, it's like Daniel going into the lions den and peering in and saying "Here Kitty, Kitty."

There being no objection, the House advanced to the eleventh order of business.

MOTION

On motion of Representative Foreman, the House adjourned until 9:55 a.m., Thursday, March 16, 1995.

TIMOTHY A. MARTIN, Chief Clerk

CLYDE BALLARD, Speaker
The House was called to order at 9:55 a.m. by the Speaker (Representative Horn presiding).

HOUSE RESOLUTION NO. 95-4638, by Representatives Foreman, Dyer, Lambert and Robertson

WHEREAS, It is the policy of the Washington State House of Representatives to recognize and honor the unique and extraordinary characteristics of the various regions of the great State of Washington; and

WHEREAS, The State of Washington, which produces nearly fifty percent of all apples grown in the United States, takes great pride in being the largest producer of apples in the entire nation; and

WHEREAS, The Wenatchee Valley is well known not only for its natural beauty but for producing apples of the highest quality; and
WHEREAS, The City of Wenatchee is preparing to celebrate the 76th annual Washington State Apple Blossom Festival to take place from April 27 through May 7, 1995; and

WHEREAS, The festival, an event steeped in tradition, started in 1919 when Mrs. E. Wagner arrived from New Zealand, bringing with her the custom of celebrating the apple, and organized Blossom Day, a one-day gathering of poetry and song in Wenatchee's Memorial Park; and

WHEREAS, Today, the annual Apple Blossom Festival lasts no less than ten days and brings in an excess of one hundred thousand visitors to Wenatchee to take part in the celebration, which features arts and crafts, delicious food, and youth and family activities, and is highlighted by the regal Grand Parade honoring the Apple Blossom Festival Court; and

WHEREAS, Wenatchee has selected the 1995 Apple Blossom Festival Court representing the spirit and enthusiasm of the festival and consisting of: Apple Blossom Queen Mari Foreman, a senior at Wenatchee High School who is vice-president of the National Honor Society and gifted in music, drama, and art; Princess Tabitha Alexander, a senior at Wenatchee High School who has represented her class for four years while remaining active in both music and drama; and Princess Tanya Rodriguez, a senior at Eastmont High School, who is both president and secretary of the Concert Choir and excels in music and academics;

NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives take great pleasure in recognizing and honoring the talented and worthy members of the Apple Blossom Festival Court and joins the City of Wenatchee and the people of the State of Washington in celebrating the Washington State Apple Blossom Festival; and

BE IT FURTHER RESOLVED, That copies of this resolution be immediately transmitted by the Chief Clerk of the House of Representatives to Queen Mari Foreman, Princess Tabitha Alexander, and Princess Tanya Rodriguez.

Representative Foreman moved adoption of the resolution.

Representative Foreman spoke in favor of adoption of the resolution.

House Resolution No. 4638 was adopted.

There being no objection the House reverted to the third order of business.

March 16, 1995

SB 5287 Prime Sponsor, Wood: Providing school loan forgiveness in exchange for service within Washington state. Reported by Committee on Higher Education

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28B.80.160 and 1985 c 370 s 18 are each amended to read as follows:

In the development of any such plans as called for within RCW 28B.80.150, the board shall use at least the following criteria:

(1) Students who are eligible to attend compact-authorized programs in other states shall meet the Washington residency requirements of chapter 28B.15 RCW prior to being awarded tuition assistance (grants);

(2) For recipients named after January 1, 1995, the tuition assistance shall be in the form of loans that may be completely forgiven in exchange for the student's service within the state of Washington after graduation. The requirements for such service and provisions for loan forgiveness shall be determined in rules adopted by the board;

(3) If appropriations are insufficient to fund all students qualifying under subsection (1) of this section, then the plans shall include criteria for student selection that would be in the best interest in meeting the state's educational needs, as well as recognizing the financial needs of students.

(4) Receipts from the payment of principal or interest or any other subsidies to which the board as administrator is entitled, that are paid by or on behalf of participants under this section, shall be deposited with the board and placed in an account created in this section and shall be used to cover the costs of granting the scholarships, maintaining necessary records, and making collections. The board shall maintain accurate records of these costs, and all receipts beyond those necessary to pay such costs shall be used to grant conditional loans to eligible students.

(5) The Washington interstate commission on higher education professional student exchange program trust fund is created in the custody of the state treasurer. All receipts from loan repayment shall be deposited into the fund. Only the higher education coordinating board, or its designee, may authorize expenditures from the fund. No appropriation is required for expenditures from this fund."
NEW SECTION. Sec. 2. RCW 28B.102.900 and 1994 c 126 s 4 & 1987 c 437 s 9 are each repealed.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

On page 1, beginning on line 1 of the title, after "aid:" strike the remainder of the title and insert "amending RCW 28B.80.160; repealing RCW 28B.102.900; and declaring an emergency."

Signed by Representatives Carlson, Chairman; Mulliken, Vice Chairman; Jacobsen, Ranking Minority Member; Mason, Assistant Ranking Minority Member; Blanton; Delvin and Sheahan.

(i) An ownership or investment interest; or
(ii) A compensation arrangement.
For purposes of this subsection, "compensation arrangement" means an arrangement involving remuneration between a physician, or an immediate family member of a physician, and an entity.
(c) The department is authorized to adopt by rule amendments to 42 U.S.C. 1395 nn enacted after the effective date of this act.
(d) This section shall not apply in any case covered by a general exception specified in 42 U.S.C. Sec. 1395 nn.
(4) Subsections (1) and (2) of this section shall not apply to
(a) a discount or other reduction in price obtained by a provider of services or other entity under this chapter if the reduction in price is properly disclosed and appropriately reflected in the costs claimed or charges made by the provider or entity under this chapter, and
(b) any amount paid by an employer to an employee (who has a bona fide employment relationship with such employer) for employment in the provision of covered items or services.
((4)) (5) Subsections (1) and (2) of this section, if applicable to the conduct involved, shall supersede the criminal provisions of chapter 19.68 RCW, but shall not preclude administrative proceedings authorized by chapter 19.68 RCW.

SB 5401 Prime Sponsor, Quigley: Extending deadlines for studies of medical benefits for injured workers under a consolidated health care system. Reported by Committee on Health Care

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 51.04 RCW to read as follows: On or before January 1, 1996, the department of labor and industries and the workers' compensation advisory committee, in coordination with the joint committee on health systems oversight, if created by law, shall study and make an interim report, and on or before January 1, 1997, a final report, to the governor and appropriate committees of the legislature on the provision of medical benefits for injured workers under a consolidated health care system. The study shall includeconstudy of options and recommendations for modifying the industrial insurance system to provide medical services for injured workers in a more cost-effective manner under a consolidated system, and may include consideration of the purchase of industrial insurance medical benefits through the health care authority or the inclusion of industrial insurance medical benefits in the services offered by health carriers or other appropriate options. The committee should also give consideration to at least the following issues: The use of various health care coverage arrangements and the effect of various health care coverage arrangements on the injured workers' choice of health services provider; the potential cost savings or other impacts of various consolidation options; the benefit structure required under industrial insurance; the potential for consolidation to meet or exceed existing medical cost management of the medical aid fund; the impact of separating the medical management of claims from the disability management of claims; the relationship between return-to-work efforts, medical services, and disability prevention; the relationship between medical services and rehabilitation services; and the effects of the quasi-judicial system that determines industrial insurance rights and obligations. In addition, the final report shall include a proposed plan and timeline for including the medical benefits of the industrial insurance system in the services offered by health carriers. The proposed plan shall assure that:

(1) The plan shall not take effect until at least ninety-seven percent of state residents have access to the standard benefits package, if created in statute;
(2) The standard benefits package, if created in statute, will provide benefits for injured workers that are at least equivalent to the medical benefits provided to injured workers under this title as determined by the department of labor and industries as of the effective date of the plan, including payments for services that are ancillary to industrial insurance medical benefits, such as, but not limited to, medical examinations for permanent disabilities;
(3) Other nonmedical benefits required to be provided under this title, such as, but not limited to, total or partial disability benefits or vocational rehabilitation benefits, are not affected;
(4) Employers who do not choose to offer benefits under the plan will continue to be required to provide industrial insurance medical benefits under this title;
(5) Employees participating in the plan shall not be required to pay deductibles, copayments, or other point-of-service charges for services related to industrial insurance injuries or diseases, such costs to be paid by the department of labor and industries or the self-insured employer, as applicable;
(6) The plan includes a mechanism to return to workers and employers, in equal shares, any savings that are realized in the costs of medical services for injured workers, as identified by the department of labor and industries;"
(7) The majority of the employer's employees or, if the employees are represented for collective bargaining purposes, the exclusive bargaining representative voluntarily agree to the employer's participation in the plan.

In addition, the study shall include review of an option for an employer to elect to provide medical aid benefits under this title through the employer-sponsored general health plan if the employer pays one hundred percent of the premium cost of the general employee health care benefit plan and the medical aid premium.

NEW SECTION.  Sec. 2. A new section is added to chapter 51.04 RCW to read as follows:
(1) The department of labor and industries, in consultation with the workers' compensation advisory committee, may conduct pilot projects to purchase medical services for injured workers through various health care coverage arrangements. The projects shall assess the effects of various health care coverage arrangements on the cost and quality of, and employer and employee satisfaction with, medical services provided to injured workers.

(2) The pilot projects may be limited to specific employers. The implementation of a pilot project shall be conditioned upon a participating employer and a majority of its employees, or, if the employees are represented for collective bargaining purposes, the exclusive bargaining representative, voluntarily agreeing to the terms of the pilot. Unless the project is terminated by the department, both the employer and employees are bound by the project agreements for the duration of the project.

(3) Solely for the purpose and duration of a pilot project, the specific requirements of this title that are identified by the department as otherwise prohibiting implementation of the pilot project shall not apply to the participating employers and employees to the extent necessary for conducting the project. The various health care coverage arrangements for the pilot projects may include the designation of doctors responsible for the care delivered to injured workers participating in the projects.

(4) The projects shall conclude no later than January 1, 1997. The department shall make an interim report on the projects to the governor and appropriate committees of the legislature on or before October 1, 1996. The department shall present the final results of the pilot projects and any final recommendations related to the projects to the governor and appropriate committees of the legislature on or before April 1, 1997.

NEW SECTION.  Sec. 3. The following acts or parts of acts are each repealed:
(1) RCW 43.72.850 and 1993 c 492 s 485; and
(2) RCW 43.72.860 and 1993 c 492 s 486."

Correct the title accordingly.

Signed by Representatives Dyer, Chairman; Backlund, Vice Chairman; Hymes, Vice Chairman; Dellwo, Ranking Minority Member; Cody, Assistant Ranking Minority Member; Campbell; Casada; Conway; Crouse; Kessler; Sherstad and Skinner.

Voting Yea: Representatives Backlund, Campbell, Casada, Cody, Conway, Crouse, Dellwo, Dyer, Hymes, Kessler, Sherstad and Skinner.

Excused: Representative Morris.

REMARKS BY PRESIDENT PRITCHARD

President Pritchard: Ladies and gentlemen, it is my pleasure to welcome the Governor, Members of the Supreme Court, and our State Elected Officials who are with us for this Medal of Merit Ceremony.

The President of the Senate appoints Representatives Ballasotes, Jacobsen, Honeyford and Cody and Senators Decio and Prentice to escort Honorees from the State Reception Room to the rostrum.

The President of the Senate introduces Secretary of State, Ralph Munro.

REMARKS BY SECRETARY OF STATE, RALPH MUNRO
Mr. Speaker and Mr. President, members of the Court, Elected Officials and distinguished guests all. In the mid 1980’s Speaker John O’Brien and others proposed an award to be offered by Washington State government to "any person who has been distinguished by his exceptionally meritorious conduct in performing outstanding services to the people of Washington State". The legislature passed Speaker O’Brien’s proposal and it was signed by Governor Booth Gardner.

Each year the Governor, the Lieutenant Governor, the Speaker of the House of Representatives, the Chief Justice of the Washington state Supreme Court and the Secretary of State meet to discuss candidates for the Medal of Merit. Some proposed nominations come from the public, some from members of the legislature and other elected officials throughout the state, and some come from the Committee itself.

Previous winners include the very best of Washington State:

Doctor Lester Sauvage, world renown heart surgeon and scientist now leads the Hope Heart Clinic in Seattle.
Professor Orval Vogel, researcher and inventor of Washington’s super wheat to feed the world from Pullman in the Palouse.

Senator Henry M. Scoop Jackson, defender of freedom around the globe, the school kid from Everett who went to the top.

Dorothy Bullit, benefactor and entrepreneur and philanthropist from Seattle, a pioneer in broadcasting.

Senator Warren G. Magnuson, prosecutor, politician and President Pro Tempore of the United State Senate. In the era of bringing home the bacon Maggie brought home the whole pig.

Eddie Carlson, who went from bellhop at the Olympic to Civic Leader of the pacific northwest.

Julia Butler Hansen, Chairman of the Interior Committee of the United States House of Representatives, because of her, every cabinet member in the United States government learned exactly where Kathlamet Washington is located.

Dr. Beldine Skribbner, physician, inventor, research and development of the kidney dialysis equipment for the world.

Francis Penrose Owen, civil leader, business executive, organizer of numerous charitable and illuminosary activities and long time regent at Washington State University.

James Reed Ellis, Seattle advocate and attorney, founder of Metro, cleaning up western Washington waters and forward thinker of forward thrust.

Dr. Charles O’dgand, professor, educator and leader who struggled during the difficult and often tumultuous 1960’s to build one of the finest universities in the world [U.W.]

And finally, Dr. William Hutchinson, the ballplayer’s brother who went to medical school and who refused to strike out against cancer, and continues to beat it on a daily basis, the founder of the Freddy Hutchinson Cancer Research Center.

During the years of 1991, 1992, 1993 and 1994 your committee met, reviewed nominations and decided to wait. We have always remembered that the law says "exceptional meritorious conduct and outstanding service". It is with greatest respect today that the committee reports that two names have been selected for 1995. These two outstanding individual Washingtonians are Dr. Michael Copass of Seattle and King County and Dr. Kathleen Ross of Toppenish in Yakima County. Thank you.
The President of the Senate is honored to introduce guests to honor Dr. Kathleen Ross and guests here to honor Dr. Michael Copass, his wife, Lucy, their daughter, Chloanthia.

The President of the Senate introduced the delegation from Uruguay: Mr. Gonzalo Cibils, Mr. Medardo Manini Rios, Mr. Gonzalo Izrrazabal Buquet, Mr. Roberto Yavarone, Mr. Alvaro Alonso, Ms. Carina Gomez, Mr. Arturo Collazo Miranda, Mr. Juan Maspoli Bianchi and Mr. Gustavo Faulord Calisto.

The Speaker assumed the chair.

Speaker: The purpose of the Joint Session is to present Medal of Merit Awards for the fifth time, honoring two deserving Washington State citizens who have been distinguished by exceptionally meritorious conduct in performing outstanding services to the people and State of Washington.

At this time I will take the gavel from the President for the purpose of introducing him as a participant in the Ceremony.

SPEAKER’S PRIVILEGE

Ladies and Gentlemen, the Speaker has the honor to present to you, Lt. Governor, Joel Pritchard for the purpose of introducing and honoring Dr. Michael Copass.

REMARKS BY PRESIDENT PRITCHARD

I believe all of you have read the program, but just to remind you Dr. Copass directed the emergency center at Harborview, the medical director of the airlift northwest, medical director of the King County medic one program 911, spectacular achievement! You realize that, and it's said not in jest, but in truth that the safest place in the world to have a heart attack is Seattle. And this gentleman was the driving force, and he was the key to putting in this team. And besides that he also has time to work and teach at the University of Washington as a professor of neurology.

I think the easiest way to explain what Mike has accomplished.... I was over on Bainbridge Island and I was watching a playfield where some children were playing and there was a father there and he was playing with the children. And I realized that was the same man who two years ago was hit, he was on a bike and he was hit by a car and he was run over and dragged two-hundred feet. People thought he was dead, but he was alive. They said he isn't going to make it but they got a hold of a helicopter and they flew him to Harborview. They said he may live he may not, he is obviously is going to be in terrible shape if he does live. Two years later he's playing with baseball with his children. That's the legacy that this man has left.

And I know that he'd be the first one to say, "that many other people have been involved, I don't do it alone." Personally he's saved hundreds of people by his actions, his staff has saved thousands. And because of the system he's put together has been replicated in so many other systems, now he's saved thousands.

And just two weeks ago I had someone from a foreign country come and say, "We want to go up to Harborview and see how they do it. We're going to put a system like this in our country." So he's going to affect the lives of millions of people. So it's with great pleasure that I introduce Mike Copass, Doctor Michael Copass, here Medal of Merit winner.

REMARKS BY DR. MICHAEL COPASS

It is an intimidating job to face down things that are said about you. I frequently start speeches by reminding people that I could be prematurely grey and likewise prematurely senile but I'll let you be the judge of that.

I once started a speech by the phrase, "in my farming days". I was 18, I was practicing that speech in a courtroom of a man whose standards I wasn't sure I could meet. He was a little man from west Texas, who was absolutely sure I needed as much work as I could possibly do. So he guaranteed that I could work for one of his friends who farmed a fairly large and somewhat desperate collection of sand in Franklin County.
When you think about activities that impress you, farming for an 18 year old, when you’re all alone, always hot, insufferably so, always cold, the same does leave you with a memory. I think my life passed fairly quickly.

And so the second real impact came upon me and that was ... I could start a speech and say, “In my Harborview days”. I’ve been at Harborview for a long time, my entire professional life, save that spent in the military. Education passes by like the speed of light, no matter whether it’s collegiate or medical school, but one’s professional duties add like the skin of an onion. And I think about that particular facility which has existed in the state under the largess of the University, and I think about the contribution that facility has made to this State, to the county of King, to the city of Seattle, and to the region. And I think we are very lucky and I think it is a privilege to serve there.

So the truth of this speech is that I thank you for allowing me the privilege to be one of your servants. I’ve enjoyed my time in that institution. We’ve spent every day trying to make ourselves better, we’ve spent every day trying to get the most we can out of what resources we have and we use them wisely. Our goal and our ambition is to provide reasonable care for the citizens of this place and to provide an educational format for those individuals who come from this state who need to be the next generations physicians. People that we see as leaders in their communities they are chosen to go to school for their talent, they must leave the school professionally skilled as leaders.

So I thank you for this monumental award. And I also thank you for allowing me these last twenty-two years to function as a member of this intellectual community -- the University of Washington School of Medicine, to participate in the activities of this remarkable state and to be able to do the things that we had done in the institution under the golden dome at 9th and Jefferson, for the people who need our help. May I thank you.

REMARKS BY GOVERNOR LOWRY

Thank you Mr. President, Mr. Speaker, members of the State Supreme Court, members of the State Legislature, Citizens of the State of Washington, thank you for allowing me the honor to make this next presentation of our Medal of Merit.

Dr. Kathleen Ross has dedicated her life to education as founding President of Heritage College. Dr. Ross has sought to bring higher education to culturally diverse students who otherwise might not have a Four-year college opportunity. The success of Heritage College has been phenomenal, in 1982 the college had an initial class of approximately 80 students, now the college enrolls more than 1100 students a year. 50% of the undergraduate students are either Native American or Hispanic, and 85% are the first persons from their families to attend college. In addition, 70% of the students are women and 60% live below the poverty level.

Heritage College started as an outreach effort of Ft. Wright College in Spokane where Dr. Ross was academic Vice President. When Ft. Wright closed community leaders from the Yakima Indian Nation and Yakima Valley refused to let the program die. Along with Dr. Ross they established a new college specifically for the people of the Yakima Valley region.

Today the College graduates between 700 - 800 students a year in education, social sciences, liberal arts and business management. Heritage College also offers a Masters of Education degree that produces close to 100 graduates each year making Heritage College the school that graduates the most minority teachers in Washington State. Importantly, many Heritage graduates return to their home communities to teach.

Dr. Ross is nationally known as a leader in higher education especially in the field of cross cultural communication. In 1989 she was one of three recipients of the National Herald McGraw prize in education. In 1991 Georgetown University presented her with the John Kennedy Award. She has honor degrees from Dartmouth, Alverno, Pomona and Whitworth Colleges and Seattle University. Dr. Ross holds a Ph.D. and is an instrumental member of the Sisters of the Holy Names of Jesus and Mary. And I’m very honored to present her with the 1995 Washington State Medal of Merit. Dr. Ross.

REMARKS BY DR. KATHLEEN ROSS

Thank you Governor Lowry; Speaker of the House, Clyde Ballard, from a city dear to my heart, Wenatchee. Lt. Governor Joel Pritchard; Our Secretary of State, Ralph Monroe; and
distinguished members of the Legislature; our Chief Justice Durham and Justices of the Court; and all of my new friends and my old friends here.

I'm really thrilled to accept this medal today because it symbolizes to me, how people who dream together, who create a vision together, who support each other in pursuit of that vision and who trust in God's providence together, can make a difference.

So I accept this medal today not just for myself but on behalf of all those people who have made a difference by creating and nurturing and sustaining Heritage College. This includes the more than 5,000 individual students that have taken at least one course at Heritage College, in a place where on four year college existed fourteen years ago. It also includes the faculty, the staff, the administrators, the board of directors. The faculty, staff and administrators work for private college wages but they provide a tremendous public service for the State of Washington and are proud of it.

I accept this on behalf also of the hundreds of persons in the Yakima Valley and throughout the State that have given not only a beautiful new library to Heritage, and there's a nice picture of it out in that display [in the capitol rotunda] but have also given dozens of vital scholarships and other operational support.

I also think, most especially, in accepting this award of the Yakima Indian Nation whose educational leaders provided the original vision of what could be and who continue to support the growth of our multi-ethnic College. And unfortunately all of those education leaders are in Washington D.C. for a major Indian conference today, so they couldn't join us here.

My sharing this award also includes thanks to the Sisters of the Holy Name who supported the college at the very beginning even though it was to be a nonsectarian institution.

I also want to thank the members of this legislature especially and the Governor's office because you have provided financial aid in the form of the Washington State Need Grant, the Educational Opportunity Grant, the Work Study Funds and without these vital funds Heritage would be without 95% of its students. That would be a petty small school.

And last but not least, in people who have made a difference for me I include my Mother Mary Ross of Wenatchee, and my sister Rosemary of the Dalles in Oregon.

In receiving this medal today I was asking myself what makes the Heritage story so unique and seemingly deserving of recognition? And my answer is a very simple word: Opportunity. Heritage has demonstrated that creating opportunities for people brings success for an entire community which could not even have been imagined before hand.

What do I mean when I say opportunity? Well, I mean opportunity that knocks at each citizen's door regardless of the geographic location, regardless of the financial condition, regardless of the ethnic background. Opportunity that expresses the belief that each citizen can become a contributor to society not just a consumer of society's benefits. An opportunity that comes into being when each person is treated with dignity empowering each to have the courage to reach for his or her full God-given human potential. This is the kind of opportunity which Heritage is dedicated to creating.

As I was thinking of what to share with you the last couple of days one of our faculty brought a thank you note to me that he had received in the mail and I would like to share it with all of you:

Dear Doctor;

I just wanted to take this opportunity to thank you for the enormous changes your work has brought in my life. When we first met in 1991 I was living on public assistance with not much hope for anything. Since that time I have not only managed to become self supporting but to increase my income by about $10,000 a year. This has certainly improved my and my children's lives. The work you do is so important and you'll always have my respect and gratitude. Thanks Again.

Signed one of our students

That is what opportunity is about.

I thank you today for this very high honor bestowed on me and on Heritage College and in accepting it I challenge each of us to measure what we are doing against that yard stick of creating opportunities. Opportunities which will allow for the creation of a better world for the generations yet to come. This will mean creating opportunities proportionally for all people at all levels of society. Opportunities for individuals to become contributors to society and not just bigger consumers of either private or public wealth.
How exciting it is to me to think of the future if all our expectations are focused on increasing opportunities for everybody at every level of society and not simply meeting the popular short-term expectations of increasing everyone’s disposable income.

I feel a great joy and pride in accepting this medal today. The joy and satisfaction of creating opportunities which allows people to change their lives is a far greater award than any material award I can imagine. And this medal today celebrates that joy and pride.

And on a spiritual level I have to say it’s truly an awesome privilege to participate in God’s own work of creating new life in others. My wish for each of you here today is that you would experience the same joy and satisfaction.

Again, Thank you. To our legislators please consider continuing your support for financial aid. And God Bless everyone of you.

The President of the Senate instructed the special committee to escort Dr. Ross and Dr. Copass the State Reception Room.

The President of the Senate instructed the special committee to escort Governor Lowry to the State Reception Room.

The President of the Senate instructed the special committee to escort the Statewide Elected Officials to the State Reception Room.

The President of the Senate instructed the special committee to escort the Supreme Court Justices to the State Reception Room.

DATE . . . . . . . SELLER . . . . . . . . .  SELLER

II. BUYER’S ACKNOWLEDGMENT
A. As buyer(s), I/we acknowledge the duty to pay diligent attention to any material defects which are known to me/us or can be known to me/us by utilizing diligent attention and observation.
B. Each buyer acknowledges and understands that the disclosures set forth in this statement and in any amendments to this statement are made only by the seller.

C. Buyer (which term includes all persons signing the "buyer's acceptance" portion of this disclosure statement below) hereby acknowledges receipt of a copy of this disclosure statement (including attachments, if any) bearing seller's signature.

DISCLOSURES CONTAINED IN THIS FORM ARE PROVIDED BY THE SELLER ON THE BASIS OF SELLER'S ACTUAL KNOWLEDGE OF THE PROPERTY AT THE TIME OF DISCLOSURE. YOU, THE BUYER, HAVE (___) THREE BUSINESS DAYS ((OR THREE BUSINESS DAYS IF NOT FILLED IN)), UNLESS OTHERWISE AGREED, FROM THE SELLER'S DELIVERY OF THIS SELLER'S DISCLOSURE STATEMENT TO ((REVOCATION)) RESCIND YOUR AGREEMENT BY DELIVERING YOUR SEPARATE SIGNED WRITTEN STATEMENT OF ((REVOCATION)) RESCISSION TO THE SELLER UNLESS YOU WAIVE THIS RIGHT OF ((REVOCATION)) RESCISSION. BUYER HEREBY ACKNOWLEDGES RECEIPT OF A COPY OF THIS REAL PROPERTY TRANSFER DISCLOSURE STATEMENT AND ACKNOWLEDGES THAT THE DISCLOSURES MADE HEREIN ARE THOSE OF THE SELLER ONLY, AND NOT OF ANY REAL ESTATE LICENSEE OR OTHER PARTY.

DATE . . . . . . . BUYER . . . . . . . . . BUYER

(2) The real property transfer disclosure statement shall be for disclosure only, and shall not be considered part of any written agreement between the buyer and seller of residential real property. The real property transfer disclosure statement shall be only a disclosure made by the seller, and not any real estate licensee involved in the transaction, and shall not be construed as a warranty of any kind by the seller or any real estate licensee involved in the transaction.

Sec. 3. RCW 64.06.030 and 1994 c 200 s 4 are each amended to read as follows:

Unless the buyer has expressly waived the right to receive the disclosure statement, ((within)) not later than five business days or as otherwise agreed to, ((of)) after mutual acceptance of a written agreement between a buyer and a seller for the purchase and sale of residential real property, the seller shall deliver to the buyer a completed, signed, and dated real property transfer disclosure statement. Within three business days, or as otherwise agreed to, of receipt of the real property transfer disclosure statement, the buyer shall have the right to exercise one of the following two options: (1) Approving and accepting the real property transfer disclosure statement; or (2) rescinding the agreement for the purchase and sale of the property, which decision may be made by the buyer in the buyer's sole discretion. If the buyer elects to rescind the agreement, the buyer must deliver written notice of rescission to the seller within the three-business-day period, or as otherwise agreed to, and upon delivery of the written rescission notice the buyer shall be entitled to immediate return of all deposits and other considerations less any agreed disbursements paid to the seller, or to the seller's agent or an escrow agent for the seller's account, and the agreement for purchase and sale shall be void. If the buyer does not deliver a written rescission notice to the seller within the three-business-day period, or as otherwise agreed to, the real property transfer disclosure statement will be deemed approved and accepted by the buyer.

Sec. 4. RCW 64.06.040 and 1994 c 200 s 5 are each amended to read as follows:

(1) If, after the date that a seller of residential real property completes a real property transfer disclosure statement, the seller becomes aware of additional information, or an adverse change occurs which makes any of the disclosures made inaccurate, the seller shall amend the real property transfer disclosure statement, and deliver the amendment to the buyer. No amendment shall be required, however, if the seller takes whatever corrective action is necessary so that the accuracy of the disclosure is restored, or the adverse change is corrected, at least three business days prior to the closing date. Unless the corrective action is completed by the seller prior to the closing date, the buyer shall have the right to exercise one of the following two options: (a) Approving and accepting the amendment, or (b) rescinding the agreement of purchase and sale of the property within three business days after receiving the amended real property transfer disclosure statement. Acceptance or rescission shall be subject to the same procedures described in RCW
64.06.030. If the closing date provided in the purchase and sale agreement is scheduled to occur
within the three-business-day rescission period provided for in this section, the closing date shall be
extended until the expiration of the three-business-day rescission period. The buyer shall have no right
of rescission if the seller takes whatever action is necessary so that the accuracy of the disclosure is
restored at least three business days prior to the closing date.

(2) In the event any act, occurrence, or agreement arising or becoming known after the closing
of a residential real property transfer causes a real property transfer disclosure statement to be
inaccurate in any way, the seller of such property shall have no obligation to amend the disclosure
statement, and the buyer shall not have the right to rescind the transaction under this chapter.

(3) If the seller in a residential real property transfer fails or refuses to provide to the
prospective buyer a real property transfer disclosure statement as required under this chapter,
the prospective buyer’s right of rescission under this section shall apply until the earlier of three business
days after receipt of the real property transfer disclosure statement or the date the transfer has closed,
unless the buyer has otherwise waived the right of rescission in writing. Closing is deemed to occur
when the buyer has paid the purchase price, or down payment, and the conveyance document,
including a deed or real estate contract, from the seller has been delivered and recorded. After closing,
the seller’s obligation to deliver the real property transfer disclosure statement and the buyer’s rights
and remedies under this chapter shall terminate.

Sec. 5. RCW 64.06.050 and 1994 c 200 s 6 are each amended to read as follows:
(1) The seller of residential real property shall not be liable for any error, inaccuracy, or
omission in the real property transfer disclosure statement if the seller had no ((personal)) actual
knowledge of the error, inaccuracy, or omission. Unless the seller of residential real property has
actual knowledge of an error, inaccuracy, or omission in a real property transfer disclosure statement,
the seller shall not be liable for such error, inaccuracy, or omission if the disclosure was based on
information provided by public agencies, or by other persons providing information within the scope of
their professional license or expertise, including, but not limited to, a report or opinion delivered by a
land surveyor, title company, title insurance company, structural inspector, pest inspector, licensed
engineer, or contractor.

(2) Any licensed real estate salesperson or broker involved in a residential real property
transaction is not liable for any error, inaccuracy, or omission in the real property transfer disclosure
statement if the licensee had no ((personal)) actual knowledge of the error, inaccuracy, or omission.
Unless the salesperson or broker has actual knowledge of an error, inaccuracy, or omission in a real
property transfer disclosure statement, the salesperson or broker shall not be liable for such error,
inaccuracy, or omission if the disclosure was based on information provided by public agencies, or by
other persons providing information within the scope of their professional license or expertise,
including, but not limited to, a report or opinion delivered by a land surveyor, title company, title
insurance company, structural inspector, pest inspector, licensed engineer, or contractor.

Sec. 6. RCW 64.06.070 and 1994 c 200 s 8 are each amended to read as follows:
Except as provided in RCW 64.06.050, nothing in this chapter shall extinguish or impair any
rights or remedies of a buyer of real estate against the seller or against any agent acting for the seller
otherwise existing pursuant to common law, statute, or contract; nor shall anything in this chapter
create any new right or remedy for a buyer of residential real property other than the right of rescission
exercised on the basis and within the time limits provided in this chapter.

NEW SECTION. Sec. 7. Section 2 of this act shall take effect January 1, 1996."

2SSB 5387 Prime Sponsor, Committee on Ways & Means: Providing tax incentives for multiple-unit housing in urban centers. Reported by Committee on Trade & Economic Development

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds:
(1) That in many of Washington's urban centers there is insufficient availability of desirable and convenient residential units to meet the needs of a growing number of the public who would live in these urban centers if these desirable, convenient, attractive, and livable places to live were available;
(2) That the lack of these sufficient residential opportunities has resulted in an underutilization of these areas as a place to live by permanent residents and such absence of permanent residents has contributed to the existence of vandalism, juvenile delinquency, the proclivity by some to commit crimes, unreported crimes, and a perception by a large segment of the public that some urban centers are unsafe or undesirable areas to visit or to inhabit after normal working hours;
(3) That the development of additional and desirable residential units in these urban centers that will attract and maintain a significant increase in the number of permanent residents in these areas will help to alleviate the detrimental conditions and social liability that tend to exist in the absence of a viable residential population and will help to achieve the planning goals mandated by the growth
management act under RCW 36.70A.020, including, but not limited to, the encouragement of
development in urban areas where adequate public facilities and services exist or can be provided in an
efficient manner, the reduction of sprawl, the efficient utilization of multimode transportation systems,
and the increased availability of housing to all economic segments of the population of this state;
(4) That planning solutions to solve the problems of urban sprawl often lack incentive and
implementation techniques needed to encourage residential redevelopment in those urban centers
lacking sufficient residential opportunities, and it is in the public interest and will benefit, provide, and
promote the public health, safety, and welfare to stimulate new or enhanced residential opportunities
within urban centers through a tax incentive as provided by this chapter; and
(5) That in order to maximize the purpose of this chapter to provide needed livable and
attractive places to live in urban centers and to achieve the objectives of the growth management act, it
is necessary to allow for the maximum participation by cities in determining where the greatest need
for increased residential opportunity exists within urban centers and the location, configuration, and
amenities of such residential redevelopment which will best meet the objectives of this chapter and the
growth management plan of a city adopted in conformance with the growth management act.

NEW SECTION. Sec. 2. It is the purpose of this chapter to encourage increased residential
opportunities for individuals of all income levels in cities with a population of at least one hundred fifty
thousand that are required to plan or choose to plan under the growth management act within urban
centers where the legislative body of the affected city has found there is insufficient housing
opportunities, and that a particular residential development or redevelopment is needed to properly
advance the intent and purposes of this chapter. It is further the purpose of this chapter to stimulate the
construction of new multifamily housing and the rehabilitation of existing vacant and underutilized
buildings for multifamily housing in urban centers having insufficient housing opportunities that will
increase and improve residential opportunities within these urban centers and that will assist in reducing
urban sprawl, locating housing close to work locations, promoting land use patterns that support and
encourage the use of public transit or other alternatives to automobile use and in making these urban
centers a place where more people can, and will, live. To achieve these purposes, this chapter
provides for special valuations for eligible improvements associated with multiunit housing in
residentially deficient urban centers.

NEW SECTION. Sec. 3. Unless the context clearly requires otherwise, the definitions in this
section apply throughout this chapter.
(1) "City" means a city with a population of at least one hundred fifty thousand located in a
county planning under the growth management act.
(2) "Governing authority" means the local legislative authority of a city having jurisdiction over
the property for which an exemption may be applied for under this chapter.
(3) "Growth management act" means chapter 36.70A RCW.
(4) "Multiple-unit housing" or "multifamily housing" means a building having four or more
dwelling units not designed or used as transient accommodations and not including hotels and motels.
Multifamily units may result from new construction or rehabilitated or conversion of vacant,
underutilized, or substandard buildings to multifamily housing. At least twenty percent of the units
may be set aside for households that earn no more than fifty percent of the median income or forty
percent of the units may be set aside for households who earn no more than sixty percent of the median
income, adjusted for household size.
(5) "Owner" means the property owner of record.
(6) "Permanent residential occupancy" means multiunit housing that provides either rental or
owner occupancy on a nontransient basis. This includes owner-occupied or rental accommodation that
is leased for a period of at least one month. This excludes hotels and motels that predominately offer
rental accommodation on a daily or weekly basis.
(7) "Public benefit features" means amenities, uses, and other features of benefit to the public
as may be locally designated. Examples include, but are not limited to, plazas, public open spaces,
sidewalk surfacing, midblock connections, light standards, street level awnings, canopies or other
weather protection features, street level retail uses, street furniture, pedestrian amenities, miniparks, tot
lots, daycare centers, common meeting rooms, and other public amenities.
"Rehabilitation improvements" means modifications made to existing structures that have been vacant for at least twelve months and failed to comply with one or more standards of the applicable state or local building or housing codes on or after the effective date of this section.

"Residential targeted area" means an area within an urban center that has been designated by the governing authority as a residential targeted area in accordance with this chapter.

"Substantial compliance" means compliance with local building or housing code requirements that are typically required for rehabilitation as opposed to new construction.

"Urban center" means a compact identifiable district where urban residents may obtain a variety of products and services. An urban center must contain:

(a) Several existing or previous, or both, business establishments that may include but are not limited to shops, offices, banks, restaurants, governmental agencies;
(b) Adequate public facilities including streets, sidewalks, lighting, transit, domestic water, and sanitary sewer systems; and
(c) A mixture of uses and activities that may include housing, recreation, and cultural activities in association with either commercial or office, or both, use.

NEW SECTION. Sec. 4. The provisions of this chapter relating to special valuation apply only to locally designated residential targeted areas of those cities planning under the growth management act.

NEW SECTION. Sec. 5. (1) The appraised value of new housing construction, conversion, rehabilitation improvements, and public benefit features qualifying under this chapter is exempt from ad valorem property taxation, for ten successive years beginning January 1 of the year immediately following the calendar year after issuance of the certificate of tax exempt eligibility. However, the exemption does not include the value of land or nonhousing-related improvements not qualifying under this chapter.

(2) In the case of rehabilitation of existing buildings, the exemption does not include the value of improvements constructed prior to the submission of the application required under this chapter. The incentive provided by this chapter is in addition to any other incentives, tax credits, grants, or other incentives provided by law.

(3) This chapter does not apply to increases in assessed valuation made by the assessor on nonqualifying portions of building and value of land nor to increases made by lawful order of a county board of equalization, the department of revenue, or a county, to a class of property throughout the county or specific area of the county to achieve the uniformity of assessment or appraisal required by law.

NEW SECTION. Sec. 6. An owner of property making application under this chapter must meet the following requirements:

(1) The new or rehabilitated multiple-unit housing must be located in a residential targeted area as designated by the city;

(2) The multiple-unit housing must meet the guidelines as adopted by the governing authority that may include height, density, public benefit features, number and size of proposed development, parking, design, and other adopted requirements indicated necessary by the city. The required amenities should be relative to the size of the project and tax benefit to be obtained. The governing authority may determine design and other criteria necessary for the new or rehabilitated multihousing unit to attract and keep permanent residents and to properly enhance the appearance and livability of the residential targeted area in which it is to be located;

(3) The new, converted, or rehabilitated multiple-unit housing must provide for a minimum of fifty percent of the space for permanent residential occupancy. At least twenty percent of the units may be set aside for households that earn no more than fifty percent of the median income or forty percent of the units may be set aside for households who earn no more than sixty percent of the median income, adjusted for household size;

(4) New construction of multifamily housing and rehabilitation improvements must be completed within three years from the date of approval of the application;

(5) Property proposed to be rehabilitated must be vacant at least twelve months before submitting an application and fail to comply with one or more standards of the applicable state or local building or housing codes on or after the effective date of this section;
(6) The applicant must enter into a contract with the city approved by the governing body under which the applicant has agreed to the implementation of the development on terms and conditions satisfactory to the governing authority; and

(7) The applicant must not have received an exemption under this chapter for this multiunit housing project.

NEW SECTION. Sec. 7. (1) The following criteria must be met before an area may be designated as a residential targeted area:

(a) The area must be within an urban center, as determined by the governing authority;
(b) The area must lack, as determined by the governing authority, sufficient available, desirable, and convenient residential housing for persons of all incomes to meet the needs of the public who would be likely to live in the urban center, if the desirable, attractive, and livable places to live were available; and
(c) The providing of additional housing opportunity in the area, as determined by the governing authority, will assist in achieving one or more of the stated purposes of this chapter.

(2) For the purpose of designating a residential targeted area or areas, the governing authority may adopt a resolution of intention to so designate an area as generally described in the resolution. The resolution must state the time and place of a hearing to be held by the governing authority to consider the designation of the area and may include such other information pertaining to the designation of the area as the governing authority determines to be appropriate to apprise the public of the action intended.

(3) The governing authority shall give notice of a hearing held under this chapter by publication of the notice once each week for two consecutive weeks, not less than seven days, nor more than thirty days before the date of the hearing in a paper having a general circulation in the city where the proposed residential targeted area is located. The notice must state the time, date, place, and purpose of the hearing and generally identify the area proposed to be designated as a residential targeted area.

(4) Following the hearing, or a continuance of the hearing, the governing authority may designate by resolution, all or a portion of the area described in the resolution of intent as a residential targeted area if it finds, in its sole discretion, that the criteria in subsections (1) through (3) of this section have been met.

(5) After designation of a residential targeted area, the governing authority shall adopt standards and guidelines to be utilized in considering applications and making the determinations required under section 9 of this act. The standards and guidelines must establish basic requirements for both new construction and rehabilitation including application process and procedures. These guidelines may include the following:

(a) Requirements that address demolition of existing structures and site utilization;
(b) Building design requirements that may include elements addressing aesthetics, parking, height, density, environmental impact, public benefit features, and compatibility with the existing surrounding property and such other amenities as will attract and keep permanent residents and that will properly enhance the appearance and livability of the residential targeted area in which they are to be located; and
(c) Provision for providing public benefit features and continued use of public facilities constructed.

NEW SECTION. Sec. 8. An owner of property seeking tax incentives under this chapter must complete the following procedures:

(1) In the case of rehabilitation or where demolition or new construction is required, the owner shall secure from the governing authority or duly authorized agent, before commencement of rehabilitation improvements or new construction, verification of property noncompliance with applicable building and housing codes;

(2) In the case of new and rehabilitated multifamily housing, the owner shall apply to the city on forms adopted by the governing authority. The application must contain the following:

(a) Information setting forth the grounds supporting the requested exemption including information indicated on the application form or in the guidelines;
(b) A description of the project and site plan, including location of public facilities, floor plan of units, and other information requested;
(c) A statement that the applicant is aware of the potential tax liability involved when the property ceases to be eligible for the incentive provided under this chapter;

(3) The applicant must verify the application by oath or affirmation; and

(4) The application must be made on or before April 1 and must be accompanied by the application fee, if any, required under section 10 of this act. The governing authority may permit the applicant to revise an application before final action by the governing authority.

NEW SECTION. Sec. 9. The duly authorized administrative official or committee of the city may approve the application if it finds that:

(1) The owner has agreed to include in the new construction or rehabilitation of housing one or more public benefit features;

(2) A minimum of four units are being constructed or rehabilitated;

(3) The proposed project is or will be, at the time of completion, in conformance with all local plans and regulations that apply at the time the application is approved;

(4) The owner has complied with all standards and guidelines adopted by the city under this chapter; and

(5) The site is located in a residential targeted area of an urban center that has been designated by the governing authority in accordance with procedures and guidelines indicated in section 7 of this act.

NEW SECTION. Sec. 10. (1) The governing authority or an administrative official or commission authorized by the governing authority shall approve or deny an application filed under this chapter within ninety days after receipt of the application.

(2) If the application is approved, the city shall issue the owner of the property a conditional certificate of acceptance of tax exemption. The certificate must contain a statement by a duly authorized administrative official of the governing authority that the property has complied with the required findings indicated in section 8 of this act.

(3) If the application is denied by the authorized administrative official or commission authorized by the governing authority, the deciding administrative official or commission shall state in writing the reasons for denial and send the notice to the applicant at the applicant’s last known address within ten days of the denial.

(4) Upon denial by a duly authorized administrative official or commission, an applicant may appeal the denial to the governing authority within thirty days after receipt of the denial. The appeal before the governing authority will be based upon the record made before the administrative official with the burden of proof on the applicant to show that there was no substantial evidence to support the administrative official’s decision. The decision of the governing body in denying or approving the application is final.

NEW SECTION. Sec. 11. The governing authority may establish an application fee. This fee may not exceed an amount determined to be required to cover the cost to be incurred by the governing authority and the assessor in administering this chapter. The application fee must be paid at the time the application for limited exemption is filed. If the application is approved, the governing authority shall pay the application fee to the county assessor for deposit in the county current expense fund, after first deducting that portion of the fee attributable to its own administrative costs in processing the application. If the application is denied, the governing authority shall retain that portion of the application fee attributable to its own administrative costs and refund the balance to the applicant.

NEW SECTION. Sec. 12. (1) Upon completion of rehabilitation or new construction for which an application for limited exemption under this chapter has been approved and after issuance of the certificate of occupancy, the owner shall file with the city the following:

(a) A statement of the amount of rehabilitation or construction expenditures made with respect to each housing unit and the composite expenditures made in the rehabilitation or construction of the entire property;

(b) A description of the work that has been completed and a statement that the rehabilitation improvements or new construction on the owner’s property qualify the property for limited exemption under this chapter; and
(c) A statement that the work has been completed within three years of the issuance of the conditional certificate of tax exemption.

(2) Within thirty days after receipt of the statements required under subsection (1) of this section, the authorized representative of the city shall determine whether the work completed is consistent with the application and the contract approved by the governing authority and is qualified for limited exemption under this chapter. The city shall also determine which specific improvements completed meet the requirements and required findings.

(3) If the rehabilitation, conversion, or construction is completed within three years of the date the application for limited exemption is filed under this chapter, or within an authorized extension of this time limit, and the authorized representative of the city determines that improvements were constructed consistent with the application and other applicable requirements and the owner’s property is qualified for limited exemption under this chapter, the city shall file the certificate of tax exemption with the county assessor within ten days of the expiration of the thirty-day period provided under subsection (2) of this section. The county assessor shall determine the appraised value of the improvements eligible for the tax exemption under this chapter.

(4) The authorized representative of the city shall notify the applicant that a certificate of tax exemption is not going to be filed if the representative determines that:

(a) The rehabilitation or new construction was not completed within three years of the application date, or within any authorized extension of the time limit;
(b) The improvements were not constructed consistent with the application or other applicable requirements; or
(c) The owner’s property is otherwise not qualified for limited exemption under this chapter.

(5) If the authorized representative of the city finds that construction or rehabilitation of multiple-unit housing was not completed within the required time period due to circumstances beyond the control of the owner and that the owner has been acting and could reasonably be expected to act in good faith and with due diligence, the governing authority or the city official authorized by the governing authority may extend the deadline for completion of construction or rehabilitation for a period not to exceed twenty-four consecutive months.

(6) The governing authority may provide by ordinance for an appeal of a decision by the deciding officer or authority that an owner is not entitled to a certificate of tax exemption to the governing authority, a hearing examiner, or other city officer authorized by the governing authority to hear the appeal in accordance with such reasonable procedures and time periods as provided by ordinance of the governing authority. The owner may appeal a decision by the deciding officer or authority that is not subject to local appeal or a decision by the local appeal authority that the owner is not entitled to a certificate of tax exemption in superior court under RCW 34.05.510 through 34.05.598, if the appeal is filed within thirty days of notification by the city to the owner of the decision being challenged.

NEW SECTION. Sec. 13. (1) Within thirty days of the anniversary of the date of the certificate of tax exemption and each year for a period of ten years, the owner of the rehabilitated or newly constructed property shall file with a designated agent of the city an annual report indicating the following:

(a) A statement of occupancy and vacancy of the rehabilitated or newly constructed property during the previous twelve months ending with the anniversary date;
(b) A certification by the owner that the property has not changed use since the date of the certificate approved by the city;
(c) A certification that all public amenities and improvements are still available for use by the public;
(d) A description of changes or improvements constructed after issuance of the certificate of tax exemption; and
(e) For applicable projects, a certification of income eligibility for low-income tenants inhabiting the rehabilitated or newly constructed housing units during the previous twelve months.

(2) The designated agent of the city shall forward a copy of the annual report to the county assessor.

NEW SECTION. Sec. 14. (1) If improvements have been exempted under this chapter, the improvements continue to be exempted and not be converted to another use for at least ten years from
date of issuance of the certificate of tax exemption. If the owner intends to convert the multifamily
development to another use, the owner shall notify the assessor within sixty days of the change in use.
If, after a certificate of tax exemption has been filed with the county assessor the city or assessor or
agent discovers that a portion of the property is changed or will be changed to a use that is other than
residential or that housing or amenities no longer meet the requirements as previously approved or
agreed upon by contract between the governing authority and the owner and that the multifamily
housing, or a portion of the housing, no longer qualifies for the exemption, the tax exemption must be
canceled and the following must occur:

(a) Additional real property tax must be imposed upon the value of the nonqualifying
improvements in the amount that would normally be imposed, plus a penalty amounting to twenty
percent. The tax shall be imposed on the value of the improvement at the time the tax exemption
certificate was issued. This additional tax is calculated based upon the difference between the property
tax paid and the property tax that would have been paid if it had included the value of the nonqualifying
improvements dated back to the date that the improvements were converted to a nonmultifamily use;

(b) The tax must include interest upon the amounts of the additional tax at the same statutory
rate charged on delinquent property taxes from the dates on which the additional tax could have been
paid without penalty if the improvements had been assessed at a value without regard to this chapter;
and

(c) The additional tax owed together with interest and penalty must become a lien on the land
and attach at the time the property or portion of the property is removed from multifamily use or the
amenities no longer meet applicable requirements, and has priority to and must be fully paid and
satisfied before a recognition, mortgage, judgment, debt, obligation, or responsibility to or with
which the land may become charged or liable. The lien may be foreclosed upon expiration of the same
period after delinquency and in the same manner provided by law for foreclosure of liens for
delinquent real property taxes. An additional tax unpaid on its due date is delinquent. From the date
of delinquency until paid, interest must be charged at the same rate applied by law to delinquent ad
avalorem property taxes.

(2) Upon a determination that a tax exemption is to be canceled for a reason stated in this
section, the governing authority shall notify the record owner of the property as shown by the tax rolls
by mail, return receipt requested, of the determination to cancel the exemption. The owner may appeal
the determination to the governing authority within thirty days by filing a notice of appeal with the
clerk of the governing authority, which notice must specify the factual and legal basis on which the
determination of cancellation is alleged to be erroneous. The governing authority or a hearing
examiner or other official authorized by the governing authority may hear the appeal. At the hearing,
all interested parties may be heard and all competent evidence received. After the hearing, the
deciding body or officer shall either affirm, modify, or repeal the decision of cancellation of exemption
based on the evidence received. An aggrieved party may appeal the decision of the deciding body or
officer to the superior court under RCW 34.05.510 through 34.05.598.

(3) Upon determination by the governing authority or authorized representative to terminate an
exemption, the county officials having possession of the assessment and tax rolls shall correct the rolls
in the manner provided for omitted property under RCW 84.40.080. The county assessor shall make
such a valuation of the property and improvements as is necessary to permit the correction of the rolls.
The owner may appeal the valuation to the county board of equalization under chapter 84.48 RCW. If
there has been a failure to comply with this chapter, the property must be listed as an omitted
assessment for assessment years beginning January 1 of the calendar year in which the noncompliance
first occurred, but the listing as an omitted assessment may not be for a period more than three
calendar years preceding the year in which the failure to comply was discovered.

ESSB 5662 Prime Sponsor, Committee on Natural Resources: Clarifying the existing authority of the department of ecology and the department of natural resources to require performance security for metals mining and milling operations. Reported by Committee on Natural Resources

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 78.56.110 and 1994 c 232 s 11 are each amended to read as follows:

(1) The department of ecology (and the department of natural resources) shall not issue necessary permits to an applicant for a metals mining and milling operation until the applicant has deposited with the department of ecology a performance security which is acceptable to ((both agencies)) the department of ecology based on the requirements of subsection (2) of this section. This performance security may be:

(a) Bank letters of credit ((acceptable to both agencies));
(b) A cash deposit;
(c) Negotiable securities ((acceptable to both agencies));
(d) An assignment of a savings account;
(e) A savings certificate in a Washington bank; or
(f) A corporate surety bond executed in favor of the department of ecology by a corporation authorized to do business in the state of Washington under Title 48 RCW ((and acceptable to both agencies)).

The ((agencies)) department of ecology may, for any reason, refuse any performance security not deemed adequate.

(2) The performance security shall be conditioned on the faithful performance of the applicant or operator in meeting the following obligations:

(a) Compliance with the environmental protection laws of the state of Washington administered by the department of ecology, or permit conditions administered by the department of ecology, associated with the construction, operation, and closure pertaining to metals mining and milling operations, and with the related (rules) environmental protection ordinances and permit conditions established by ((state and)) local government (with respect to those operations as defined in RCW 78.44.031(17) and the construction, operation, reclamation, and closure of a metals mining and milling operation) when requested by local government;
(b) Reclamation of metals mining and milling operations that do not meet the threshold of surface mining as defined by RCW 78.44.031(17);
(c) Postclosure environmental monitoring as determined by the department of ecology ((and the department of natural resources)); and
((c))) (d) Provision of sufficient funding as determined by the department of ecology for cleanup of potential problems revealed during or after closure.

(3) The department of ecology ((and the department of natural resources shall jointly)) may, if it deems appropriate, adopt rules for determining the amount of the performance security, requirements for the performance security, requirements for the issuer of the performance security, and any other requirements necessary for the implementation of this section.

(4) The department of ecology ((and the department of natural resources, acting jointly)) may increase or decrease the amount of the performance security at any time to compensate for any
alteration in the operation that affects meeting the obligations in subsection (2) of this section. At a
minimum, the ((agencies)) department shall ((jointly)) review the adequacy of the performance security
every two years.

(5) Liability under the performance security shall be maintained until the obligations in
subsection (2) of this section are met to the satisfaction of the department of ecology ((and the
department of natural resources)). Liability under the performance security may be released only upon
written notification by the department of ecology((—with the concurrence of the department of natural
resources)).

(6) Any interest or appreciation on the performance security shall be held by the department of
ecology until the obligations in subsection (2) of this section have been met to the satisfaction of the
department of ecology ((and the department of natural resources)). At such time, the interest shall be
remitted to the applicant or operator. However, if the applicant or operator fails to comply with the
obligations of subsection (2) of this section, the interest or appreciation may be used by ((either
agency)) the department of ecology to comply with the obligations.

(7) Only one agency may require a performance security to satisfy the deposit requirements of
RCW 78.44.087, and only one agency may require a performance security to satisfy the deposit
requirements of this section. However, a single performance security, when acceptable to both the
department of ecology and the department of natural resources, may be utilized by both agencies to
satisfy the requirements of this section and RCW 78.44.087.

Sec. 2. RCW 78.56.120 and 1994 c 232 s 12 are each amended to read as follows:
The department of ecology may, with staff, equipment, and material under its control, or by
contract with others, remediate or mitigate any impact of a metals mining and milling operation when it
finds that the operator or permit holder has failed to comply with relevant statutes, rules, or permits,
and the operator or permit holder has failed to take adequate or timely action to rectify these impacts.
If the department intends to remediate or mitigate such impacts, the department shall issue an
order to submit performance security requiring the permit holder or surety to submit to the depar
tment the amount of moneys posted pursuant to ((chapter 232, Laws of 1994)) RCW 78.56.110. If the
amount specified in the order to submit performance security is not paid within twenty days after
issuance of the notice, the attorney general upon request of the department shall bring an action on
behalf of the state in a superior court to recover the amount specified and associated legal fees.
The department may proceed at any time after issuing the order to submit performance security
to remediate or mitigate adverse impacts.
The department shall keep a record of all expenses incurred in carrying out any remediation or
mitigation activities authorized under this section, including:
(1) Remediation or mitigation;
(2) A reasonable charge for the services performed by the state’s personnel and the state’s
equipment and materials utilized; and
(3) Administrative and legal expenses related to remediation or mitigation.
The department shall refund to the surety or permit holder all amounts received in excess of the
amount of expenses incurred. If the amount received is less than the expenses incurred, the attorney
general, upon request of the department of ecology, may bring an action against the permit holder on
behalf of the state in the superior court to recover the remaining costs listed in this section.
((If the department of natural resources finds that reclamation has not occurred according to the
standards required under chapter 78.44 RCW in a metals mining and milling operation, then the
department of natural resources may cause reclamation to occur pursuant to RCW 78.44.240. Upon
approval of the department of ecology, the department of natural resources may reclaim part or all of
the metals mining and milling operation using that portion of the surety posted pursuant to chapter 232,
Laws of 1994 that has been identified for reclamation.))

Sec. 3. RCW 78.44.087 and 1994 c 232 s 23 are each amended to read as follows:
(1) The department shall not issue a reclamation permit until the applicant has deposited with
the department an acceptable performance security on forms prescribed and furnished by the
department. A public or governmental agency shall not be required to post performance security nor
shall a permit holder be required to post surface mining performance security with more than one state
or local agency.
(2) This performance security may be:
(1) Bank letters of credit acceptable to the department;
(2) A cash deposit;
(3) Negotiable securities acceptable to the department;
(4) An assignment of a savings account;
(5) A savings certificate in a Washington bank on an assignment form prescribed by the department;
(6) Assignments of interests in real property within the state of Washington; or
(7) A corporate surety bond executed in favor of the department by a corporation authorized to do business in the state of Washington under Title 48 RCW and authorized by the department.

(3) The performance security shall be conditioned upon the faithful performance of the requirements set forth in this chapter and of the rules adopted under it.

(4) The department shall have the authority to determine the amount of the performance security using a standardized performance security formula developed by the department. The amount of the security shall be determined by the department and based on the estimated costs of completing reclamation according to the approved reclamation plan or minimum standards and related administrative overhead for the area to be surface mined during (a) the next twelve-month period, (b) the following twenty-four months, and (c) any previously disturbed areas on which the reclamation has not been satisfactorily completed and approved.

(5) The department may increase or decrease the amount of the performance security at any time to compensate for a change in the disturbed area, the depth of excavation, a modification of the reclamation plan, or any other alteration in the conditions of the mine that affects the cost of reclamation. The department may, for any reason, refuse any performance security not deemed adequate.

(6) Liability under the performance security shall be maintained until reclamation is completed according to the approved reclamation plan to the satisfaction of the department unless released as hereinafter provided. Liability under the performance security may be released only upon written notification by the department. Notification shall be given upon completion of compliance or acceptance by the department of a substitute performance security. The liability of the surety shall not exceed the amount of security required by this section and the department’s reasonable legal fees to recover the security.

(7) Any interest or appreciation on the performance security shall be held by the department until reclamation is completed to its satisfaction. At such time, the interest shall be remitted to the permit holder; except that such interest or appreciation may be used by the department to effect reclamation in the event that the permit holder fails to comply with the provisions of this chapter and the costs of reclamation exceed the face value of the performance security.

(8) Except as provided in this section, no other state agency or local government shall require performance security for the purposes of surface mine reclamation and only one agency of government shall require and hold the performance security. The department may enter into written agreements with federal agencies in order to avoid redundant bonding of surface mines straddling boundaries between federally controlled and other lands within Washington state.

RESOLUTION

HOUSE RESOLUTION NO. 95-4630, by Representatives Ogden and Carlson

WHEREAS, The State of Washington will be the recipient of an American Foundation for the Blind "Access 95 Award"; and

WHEREAS, This is a national award which recognizes individuals, organizations, or products that have made a significant difference in improving access for people who are blind and visually impaired; and

WHEREAS, The award will be presented to the State of Washington during the Josephine L. Taylor Leadership Institute which will be held in the Washington, D.C. area on March 16, 1995; and

WHEREAS, The American Foundation for the Blind is a national nonprofit organization founded in 1921 providing services throughout the world to blind and visually impaired persons and their families, and to companies, corporations, and organizations which serve this population; and

WHEREAS, The first president of American Foundation for the Blind was a former Washington State School for the Blind graduate, Robert Irwin. The main school building on campus was named after this prominent educator and leader; and

WHEREAS, The Braille Access Center, located at the Washington State School for the Blind in Vancouver, Washington, is an independent program established in August of 1993 under the direction of Governor Mike Lowry and through the diligent work of a committee made up of various state agencies and blind consumer organizations. Within the Center's first year and one-half of operation over a half million pages of Braille have been produced; and

WHEREAS, Washington is one of the first states to have a system in place where Braille is easily available on demand by blind consumers. The Center also provides a system whereby students at the Washington State School for the Blind can gain important skills through their work in the Center. The Access Center is self-supported and operates on a free-for-service basis;
NOW, THEREFORE, BE IT RESOLVED, That the Washington State House of Representatives recognize the great honor bestowed upon this state by the American Foundation for the Blind.

Representative Ogden moved adoption of the resolution.

Representatives Ogden and Carlson spoke in favor of adoption of the resolution.

House Resolution No. 4630 was adopted.

PART I - OBSOLETE REFERENCES

Sec. 101. RCW 28A.150.360 and 1990 c 33 s 113 are each amended to read as follows:

In the event of an unforeseen emergency, in the nature of either an unavoidable cost to a district or unexpected variation in anticipated revenues to a district, the state superintendent is authorized, for not to exceed two years, to make such an adjustment in the allocation of funds as is consistent with the intent of ((RCW 28A.150.100 through 28A.150.430)) this chapter, RCW 28A.160.150 through ((28A.160.220)) 28A.160.210, 28A.300.170, and 28A.500.010 in providing an equal educational opportunity for the children of such district or districts.

Sec. 102. RCW 28A.150.370 and 1990 c 33 s 114 are each amended to read as follows:

In addition to those state funds provided to school districts for basic education, the legislature shall appropriate funds for pupil transportation, in accordance with ((RCW 28A.150.100 through 28A.150.430)) this chapter, RCW 28A.160.150 through ((28A.160.220)) 28A.160.210, 28A.300.170, and 28A.500.010, and for programs for handicapped students, in accordance with RCW 28A.155.100. The legislature may appropriate funds to be distributed to school districts for population factors such as urban costs, enrollment fluctuations and for special programs, including but not limited to, vocational-technical institutes, compensatory programs, bilingual education, urban, rural, racial and disadvantaged programs, programs for gifted students, and other special programs.

Sec. 103. RCW 28A.150.380 and 1990 c 33 s 115 are each amended to read as follows:

The state legislature shall, at each regular session in an odd-numbered year, appropriate from the state general fund for the current use of the common schools such amounts as needed for state support to the common schools during the ensuing biennium as provided in ((RCW 28A.150.100 through 28A.150.430)) this chapter, RCW 28A.160.150 through ((28A.160.220)) 28A.160.210, 28A.300.170, and 28A.500.010.

Sec. 104. RCW 28A.215.010 and 1969 ex.s. c 223 s 28A.34.010 are each amended to read as follows:

The board of directors of any school district shall have the power to establish and maintain ((nursery schools)) preschools and to provide before-and-after-school and vacation care in connection with the common schools of said district located at such points as the board shall deem most suitable for the convenience of the public, for the care and instruction of infants and children residing in said district. The board shall establish such courses, activities, rules, and regulations governing ((nursery schools)) preschools and before-and-after-school care as it may deem best: PROVIDED, That these courses and activities shall meet the minimum standard for such ((nursery schools)) preschools as established by the United States Department of Health, Education and Welfare, or its successor agency, and the state board of education. Except as otherwise provided by state or federal law, the board of directors may fix a reasonable charge for the care and instruction of children attending such schools.

Sec. 105. RCW 28A.215.040 and 1973 1st ex.s. c 154 s 45 are each amended to read as follows:

Every board of directors shall have power to establish, equip and maintain ((nursery schools)) preschools and/or provide before-and-after-school care for children of working parents, in cooperation with the federal government or any of its agencies, when in their judgment the best interests of their district will be subserved thereby.
Sec. 106. RCW 28A.315.680 and 1991 c 363 s 29 and 1991 c 288 ss 7 and 8 are each reenacted and amended to read as follows:

The school boards of any school district of the first class having within its boundaries a city with a population of four hundred thousand people or more shall establish the director district boundaries. Appointment of a board member to fill any vacancy existing for a new director district prior to the next regular school election shall be by the school board. Prior to the next regular election in the school district and the filing of declarations of candidacy therefor, the incumbent school board shall designate said director districts by number. Directors appointed to fill vacancies as above provided shall be subject to election, one for a six-year term, and one for a two-year term and thereafter the term of their respective successors shall be for four years. The term of office of incumbent members of the board of such district shall not be affected by RCW 28A.315.450, 28A.315.460, 28A.315.570, 28A.315.670, and 28A.315.680((, and 29.21.180)).

Sec. 107. RCW 28A.625.010 and 1990 c 33 s 513 are each amended to read as follows:

RCW 28A.625.020 through ((28A.625.070 and 28B.15.547)) 28A.625.065 may be known and cited as the Washington award for excellence in education program act.

Sec. 108. RCW 28A.625.050 and 1991 c 255 s 8 are each amended to read as follows:

The superintendent of public instruction shall adopt rules under chapter 34.05 RCW to carry out the purposes of RCW 28A.625.010 through ((28A.625.070)) 28A.625.065. These rules shall include establishing the selection criteria for the Washington award for excellence in education program. The superintendent is encouraged to consult with teachers, educational staff associates, principals, administrators, classified employees, superintendents, and school board members in developing the selection criteria. Notwithstanding the provisions of RCW 28A.625.020 (1) and (2), such rules may allow for the selection of individuals whose teaching or administrative duties, or both, may encompass multiple grade level or building assignments, or both.

Sec. 109. RCW 28A.630.868 and 1993 c 335 s 5 are each amended to read as follows:

(1) The superintendent of public instruction shall administer RCW ((28A.630.860)) 28A.630.861 through 28A.630.880.

(2) The school-to-work transitions projects may be conducted for up to six years, if funds are provided.

Sec. 110. RCW 28A.630.870 and 1993 c 335 s 6 are each amended to read as follows:

(1) The superintendent of public instruction may accept, receive, and administer for the purposes of RCW ((28A.630.860)) 28A.630.861 through 28A.630.880 such gifts, grants, and contributions as may be provided from public and private sources for the purposes of RCW ((28A.630.860)) 28A.630.861 through 28A.630.880.

(2) The school-to-work transitions program account is hereby established in the custody of the state treasurer. The superintendent of public instruction shall deposit in the account all moneys received under this section. Moneys in the account may be spent only for the purposes of ((28A.630.860)) RCW 28A.630.861 through 28A.630.880. Disbursements from this account shall be on the authorization of the superintendent of public instruction or the superintendent’s designee. The account is subject to the allotment procedure provided under chapter 43.88 RCW, but no appropriation is required for disbursements.

Sec. 111. RCW 28A.630.874 and 1993 c 335 s 7 are each amended to read as follows:

(1) The superintendent of public instruction, in coordination with the state board of education, the state board for community and technical colleges, the work force training and education coordinating board, and the higher education coordinating board, shall provide technical assistance to selected schools and shall develop a process that coordinates and facilitates linkages among participating school districts, secondary schools, junior high schools, middle schools, technical colleges, and colleges and universities.

(2) The superintendent of public instruction and the state board of education may adopt rules under chapter 34.05 RCW as necessary to implement its duties under RCW ((28A.630.860)) 28A.630.861 through 28A.630.880.
Sec. 112. RCW 28A.630.880 and 1993 c 335 s 10 are each amended to read as follows:
RCW ((28A.630.860)) 28A.630.861 through 28A.630.880 may be known and cited as the school-to-work transitions program.

NEW SECTION. Sec. 113. RCW 28A.310.380 and 1975 1st ex.s. c 275 s 32, 1971 ex.s. c 282 s 23, & 1969 ex.s. c 176 s 16 are each repealed.

PART II - OBSOLETE SECTIONS

Sec. 201. RCW 28A.205.050 and 1993 c 211 s 4 are each amended to read as follows:
In accordance with chapter 34.05 RCW, the administrative procedure act, the state board of education with respect to the matter of certification, and the superintendent of public instruction with respect to all other matters, shall have the power and duty to make the necessary rules ((and regulations)) to carry out the purpose and intent of this chapter.

Sec. 202. RCW 28A.630.400 and 1991 c 285 s 2 are each amended to read as follows:
(1) The state board of education and the state board for community and technical colleges ((education)), in consultation with the superintendent of public instruction, the higher education coordinating board, the state apprenticeship training council, and community colleges, shall ((work cooperatively to develop by September 1, 1992, an educational paraprofessional)) adopt rules as necessary under chapter 34.05 RCW to implement the paraeducator associate of arts degree.

(2) As used in this section, ((an "educational paraprofessional")) a "paraeducator" is an individual who has completed an associate of arts degree for ((an educational paraprofessional)) a paraeducator. The ((educational paraprofessional)) paraeducator may be hired by a school district to assist certificated instructional staff in the direct instruction of children in small and large groups, individualized instruction, testing of children, recordkeeping, and preparation of materials. The ((educational paraprofessional)) paraeducator shall work under the direction of instructional certificated staff.

(3) The training program for ((an educational paraprofessional)) a paraeducator associate of arts degree shall include, but is not limited to, the general requirements for receipt of an associate of arts degree and training in the areas of introduction to childhood education, orientation to handicapped children, fundamentals of childhood education, creative activities for children, instructional materials for children, fine art experiences for children, the psychology of learning, introduction to education, child health and safety, child development and guidance, first aid, and a practicum in a school setting.

(4) ((In developing the program,)) Consideration shall be given to transferability of credit earned in this program to teacher preparation programs at colleges and universities.

(5) The agencies identified under subsection (1) of this section shall adopt rules as necessary under chapter 34.05 RCW to implement this section.

NEW SECTION. Sec. 203. The following acts or parts of acts are each repealed:
(1) RCW 28A.170.010 and 1987 c 518 s 205;
(2) RCW 28A.170.020 and 1990 c 33 s 153, 1989 c 233 s 5, & 1987 c 518 s 206;
(3) RCW 28A.170.030 and 1987 c 518 s 207;
(4) RCW 28A.170.040 and 1990 c 33 s 154 & 1987 c 518 s 208;
(5) RCW 28A.170.060 and 1994 c 245 s 5, 1989 c 271 s 113, & 1987 c 518 s 210;
(6) RCW 28A.170.070 and 1990 c 33 s 155 & 1987 c 518 s 211;
(7) RCW 28A.175.060 and 1987 c 518 s 218;
(8) RCW 28A.210.050 and 1969 ex.s. c 223 s 28A.31.060;
(9) RCW 28A.225.190 and 1969 ex.s. c 223 s 28A.58.220;
(10) RCW 28A.405.150 and 1990 c 33 s 388, 1988 c 241 s 1, 1986 c 73 s 1, & 1985 c 420 s 7;
(11) RCW 28A.405.160 and 1990 c 33 s 389 & 1985 c 420 s 8;
Sec. 204. RCW 28A.170.075 and 1990 c 33 s 156 are each amended to read as follows:

(1) The legislature finds that the provision of drug and alcohol counseling and related prevention and intervention services in schools will enhance the classroom environment for students and teachers, and better enable students to realize their academic and personal potentials.

(2) The legislature finds that it is essential that resources be made available to school districts to provide early drug and alcohol prevention and intervention services to students and their families; to assist in referrals to treatment providers; and to strengthen the transition back to school for students who have had problems of drug and alcohol abuse.

(3) ((New and existing)) Substance abuse awareness programs funded ((pursuant to RCW 28A.170.010 through 28A.170.070)) under this chapter do not fall within the definition of basic education for purposes of Article IX of the state Constitution and the state's funding duty thereunder.

(4) The legislature intends to provide grants for drug and alcohol abuse prevention and intervention in schools, targeted to those schools with the highest concentrations of students at risk.

Sec. 205. RCW 28A.170.090 and 1990 c 33 s 158 are each amended to read as follows:

(1) The superintendent of public instruction shall select school districts and cooperatives of school districts to receive grants for drug and alcohol abuse prevention and intervention programs for students in kindergarten through twelfth grade, from funds appropriated by the legislature for this purpose. The minimum annual grant amount per district or cooperative of districts shall be twenty thousand dollars. Factors to be used in selecting proposals for funding and in determining grant awards shall be developed in consultation with the substance abuse advisory committee appointed under RCW 28A.170.050, with the intent of targeting funding to districts with high-risk populations. These factors may include:

(a) Characteristics of the school attendance areas to be served, such as the number of students from low-income families, truancy rates, juvenile justice referrals, and social services caseloads;
(b) The total number of students who would have access to services; and
(c) Participation of community groups and law enforcement agencies in drug and alcohol abuse prevention and intervention activities.

(2) The application procedures for grants under this section shall ((be consistent with the application procedures for other grants for substance abuse awareness programs under RCW 28A.170.020, including)) include provisions for comprehensive planning, establishment of a school and community substance abuse advisory committee, and documentation of the district's needs assessment. Planning and application for grants under this section may be integrated with the development of other substance abuse awareness programs by school districts ((and other grants under RCW 28A.170.040 through 28A.170.040 shall not require a separate application)). School districts shall, to the maximum extent feasible, coordinate the use of grants provided under this section with other funding available for substance abuse awareness programs. School districts should allocate resources giving emphasis to
drug and alcohol abuse intervention services for students in grades five through nine. Grants may be used to provide services for students who are enrolled in approved private schools.

(3) School districts receiving grants under this section shall be required to establish a means of accessing formal assessment services for determining treatment needs of students with drug and alcohol problems. The grant applications submitted by districts shall identify the districts’ plan for meeting this requirement.

(4) School districts receiving grants under this section shall be required to perform biennial evaluations of their drug and alcohol abuse prevention and intervention programs, and to report on the results of these evaluations to the superintendent of public instruction.

(5) The superintendent of public instruction may adopt rules to implement RCW 28A.170.080 ((through 28A.170.100)) and 28A.170.090.

PART III - RECODIFICATIONS OR TECHNICAL CHANGES

Sec. 301. RCW 28A.610.010 and 1990 c 33 s 505 are each amended to read as follows:

(1) Parents can be the most effective teachers for their children. Providing illiterate or semiliterate parents with opportunities to acquire basic skills and child development knowledge will enhance their ability to assist and support their children in the learning process, and will enhance children’s learning experiences in the formal education environment by providing children with the motivation and positive home environment which contribute to enhanced academic performance.

(2) This chapter may be known and cited as project even start.

Sec. 302. RCW 28A.610.020 and 1990 c 33 s 506 are each amended to read as follows: Unless the context clearly requires otherwise, the definition in this section shall apply throughout ((RCW 28A.610.030 through 28A.610.060)) this chapter.

"Parent" or "parents" means a parent who has less than an eighth grade ability in one or more of the basic skill areas of reading, language arts, or mathematics, as measured by a standardized test, and who has a child or children enrolled in: (1) The state early childhood education and assistance program; (2) a federal head start program; (3) a state or federally funded elementary school basic skills program serving students who have scored below the national average on a standardized test in one or more of the basic skill areas of reading, language arts, or mathematics; or (4) a cooperative ((nursery school)) preschool at a community or technical college ((or vocational technical institute)).

Sec. 303. RCW 28A.610.030 and 1990 c 33 s 507 are each amended to read as follows:

(1) The state board for community and technical colleges, in consultation with the department of community, trade, and economic development, the department of social and health services, the ((state board for community education)) superintendent of public instruction, and community-based, nonprofit providers of adult literacy services, shall develop an adult literacy program to serve eligible parents as defined under RCW 28A.610.020. The program shall give priority to serving parents with children who have not yet enrolled in school or are in grades kindergarten through three.

(2) In addition to providing basic skills instruction to eligible parents, the program may include other program components which may include transportation, child care, and such other directly necessary activities as may be necessary to accomplish the purposes of ((RCW 28A.610.020 through 28A.610.060)) this chapter.

(3) Parents who elect to participate in training or work programs, as a condition of receiving public assistance, shall have the hours spent in parent participation programs, conducted as part of a federal head start program, or the state early childhood education and assistance program under RCW 28A.215.100 through 28A.215.200 and 28A.215.900 through 28A.215.908, or parent literacy programs under these RCW chapters, counted toward the fulfillment of their work and training obligation for the receipt of public assistance.

(4) State funds as may be appropriated for project even start shall be used solely to expand and complement, but not supplant, federal funds for adult literacy programs.

(5) The state board for community and technical colleges shall adopt rules as necessary to carry out the purposes of ((RCW 28A.610.020 through 28A.610.060)) this chapter.
NEW SECTION.  Sec. 304. The following sections are each recodified as new sections in chapter 28A.410 RCW:
RCW 28A.405.010
RCW 28A.405.025

NEW SECTION. Sec. 305. The following sections are recodified as a new chapter in Title 28B RCW:
RCW 28A.610.010
RCW 28A.610.020
RCW 28A.610.030
RCW 28A.610.040
RCW 28A.610.050

NEW SECTION. Sec. 306. The following acts or parts of acts are each repealed:
(1) RCW 28A.175.070 and 1994 c 245 s 6 & 1987 c 518 s 219;
(2) RCW 28A.210.005 and 1989 1st ex.s. c 9 s 239;
(3) RCW 28A.215.300 and 1986 c 150 s 1;
(4) RCW 28A.215.310 and 1990 c 33 s 216 & 1986 c 150 s 2;
(5) RCW 28A.215.320 and 1986 c 150 s 3;
(6) RCW 28A.215.330 and 1990 c 33 s 217 & 1986 c 150 s 4; and
(7) RCW 28A.234.010 and 1993 sp.s. c 4 s 15.

Sec. 307. RCW 28A.215.020 and 1990 c 33 s 210 are each amended to read as follows:
Expenditures under federal funds and/or state appropriations made to carry out the purposes of RCW 28A.215.010 through 28A.215.050 ((and 28A.215.300 through 28A.215.330)) shall be made by warrants issued by the state treasurer upon order of the superintendent of public instruction. The state board of education shall make necessary rules and regulations to carry out the purpose of RCW 28A.215.010.

Sec. 308. RCW 28A.215.030 and 1990 c 33 s 211 are each amended to read as follows:
In the event the legislature appropriates any moneys to carry out the purposes of RCW 28A.215.010 through 28A.215.050 ((and 28A.215.300 through 28A.215.330)), allocations therefrom may be made to school districts for the purpose of underwriting allocations made or requested from federal funds until such federal funds are available. Any school district may allocate a portion of its funds for the purpose of carrying out the provisions of RCW 28A.215.010 through 28A.215.050 ((and 28A.215.300 through 28A.215.330)) pending the receipt of reimbursement from funds made available by acts of congress.

Sec. 309. RCW 28A.215.050 and 1990 c 33 s 212 are each amended to read as follows:
As a supplement to the authority otherwise granted by RCW 28A.215.010 through 28A.215.050 ((and 28A.215.300 through 28A.215.330)) respecting the care or instruction, or both, of children in general, the board of directors of any school district may only utilize funds outside the state basic education appropriation and the state school transportation appropriation to:
(1) Contract with public and private entities to conduct all or any portion of the management and operation of a child care program at a school district site or elsewhere;
(2) Establish charges based upon costs incurred under this section and provide for the reduction or waiver of charges in individual cases based upon the financial ability of the parents or legal guardians of enrolled children to pay the charges, or upon their provision of other valuable consideration to the school district; and
(3) Transport children enrolled in a child care program to the program and to related sites using district-owned school buses and other motor vehicles, or by contracting for such transportation and related services: PROVIDED, That no child three years of age or younger shall be transported under the provisions of this section unless accompanied by a parent or guardian.

PART IV - UNFUNDED PROGRAMS

Sec. 401. RCW 28A.405.120 and 1985 c 420 s 3 are each amended to read as follows:
School districts shall require each administrator, each principal, or other supervisory personnel who has responsibility for evaluating classroom teachers to have training in evaluation procedures. (The superintendent of public instruction shall provide technical assistance to the local school districts and to the educational service districts in providing training to evaluators.)

NEW SECTION. Sec. 402. The following acts or parts of acts are each repealed:

(1) RCW 28A.175.020 and 1987 c 518 s 213;

(27) RCW 28A.630.390 and 1987 c 349 s 7.

Sec. 403. RCW 28A.415.105 and 1991 c 258 s 2 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout RCW ((28A.415.110)) 28A.415.125 through 28A.415.140.

(1) "Cooperating organizations" means that at least one school district, one college or university, and one educational service district are involved jointly with the development of a student teaching center.

(2) "Cooperating teacher" means a teacher who holds a continuing certificate and supervises and coaches a student teacher.

(3) "Field experience" means opportunities for observation, tutoring, microteaching, extended practicums, and clinical and laboratory experiences which do not fall within the meaning of student teaching.

(4) "School setting" means a classroom in a public, common school in the state of Washington.

(5) "Student teacher" means a candidate for initial teacher certification who is in a state board of education-approved, or regionally or nationally accredited teacher preparation program in a school setting as part of the field-based component of their preparation program.

(6) "Student teaching" means the full quarter or semester in a school setting during which the student teacher observes the cooperating teacher, participates in instructional activities, and assumes both part-time and full-time teaching responsibilities under the supervision of the cooperating teacher.

(7) "Student teaching center" means the program established to provide student teachers in a geographic region of the state with special support and training as part of their teacher preparation program.
"Supervisor or university supervisor" means the regular or adjunct faculty member, or college or university-approved designee, who assists and supervises the work of cooperating teachers and student teachers.

Sec. 404. RCW 28B.90.005 and 1993 c 181 s 1 are each amended to read as follows:
The legislature finds that it has previously declared in RCW 28B.107.005 that it is important to the economic future of the state to promote international awareness and understanding, and in RCW 1.20.100 (and 28A.630.300)), that the state's economy and economic well-being depends heavily on foreign trade and international exchange.
The legislature finds that it is appropriate that such policies should be implemented by encouraging universities and colleges domiciled in foreign countries to establish branch campuses in Washington and that it is also important to those foreign colleges and universities that their status as authorized foreign degree-granting institutions be recognized by this state to facilitate the establishment and operation of such branch campuses.
In the furtherance of such policy, the legislature adopts the foreign degree-granting institution approved branch campus act.

NEW SECTION. Sec. 405. RCW 28A.415.120 and 1991 c 258 s 5 are each repealed.

PART V - REPORTS

Sec. 501. RCW 28A.215.170 and 1994 c 166 s 9 are each amended to read as follows:
(1) The governor shall report to the legislature before each regular session of the legislature convened in an odd-numbered year, on the current status of the program, the state-wide need for early childhood program services, and the plans to address these needs. The department shall consult with the office of the superintendent of public instruction in the preparation of the biennial report and on all issues of mutual concern addressed in the report.
The governor's report shall include specific recommendations on at least the following issues:
(1) The desired relationships of a state-funded early childhood education and assistance program with the common school system;
(2) The types of children and their needs that the program should serve;
(3) The appropriate level of state support for implementing a comprehensive early childhood education and assistance program for all eligible children, including related programs to prepare instructors and provide facilities, equipment, and transportation;
(4) The state administrative structure necessary to implement the program; and
(5) The establishment of a system.) The department shall annually report to the governor and the legislature on the findings of the longitudinal study undertaken to examine and monitor the effectiveness of early childhood educational and assistance services for eligible children to measure, among other elements, if possible, how the average level of performance of children completing this program compares to the average level of performance of all state students in their grade level, and to the average level of performance of those eligible students who did not have access to this program. The evaluation system shall examine how the percentage of these children needing access to special education or remedial programs compares to the overall percentage of children needing such services and compares to the percentage of eligible students who did not have access to this program needing such services.

Sec. 502. RCW 28A.320.200 and 1990 c 33 s 333 are each amended to read as follows:
(1) Each school district board of directors shall develop a schedule and process by which each public school within its jurisdiction shall undertake self-study procedures on a regular basis:
PROVIDED, That districts may allow two or more elementary school buildings in the district to undertake jointly the self-study process. Each school may follow the accreditation process developed by the state board of education under RCW 28A.305.130(6), although no school is required to file for actual accreditation, or the school may follow a self-study process developed locally. The initial self-study process within each district shall begin by September 1, 1986, and should be completed for all schools within a district by the end of the 1990-91 school year.
(2) Any self-study process must include the participation of staff, parents, members of the community, and students, where appropriate to their age.
(3) The self-study process that is used must focus upon the quality and appropriateness of the school’s educational program and the results of its operational effort. The primary emphasis throughout the process shall be placed upon:
   (a) Achieving educational excellence and equity;
   (b) Building stronger links with the community; and
   (c) Reaching consensus upon educational expectations through community involvement and corresponding school management.
(4) The state board of education shall adopt rules governing procedural criteria. Such rules should be flexible so as to accommodate local goals and circumstances. The rules may allow for waiver of the self-study for economic reasons and may also allow for waiver of the initial self-study if a district or its schools have participated successfully in an official accreditation process or in a similar assessment of educational programs within the last three years. The self-study process shall be conducted on a cyclical basis every seven years following the initial 1990-91 period.
(5) The superintendent of public instruction shall provide training to assist districts in their self-studies.
(((6) Each district shall report every two years to the superintendent of public instruction on the scheduling and implementation of their self-study activities. The report shall include information about how the district and each school within the district have addressed the issue of class size and staffing patterns.))

Sec. 503. RCW 28A.330.100 and 1991 c 116 s 17 are each amended to read as follows:
Every board of directors of a school district of the first class, in addition to the general powers for directors enumerated in this title, shall have the power:
(1) To employ for a term of not exceeding three years a superintendent of schools of the district, and for cause to dismiss him or her; and to fix his or her duties and compensation.
(2) To employ, and for cause dismiss one or more assistant superintendents and to define their duties and fix their compensation.
(3) To employ a business manager, attorneys, architects, inspectors of construction, superintendents of buildings and a superintendent of supplies, all of whom shall serve at the board’s pleasure, and to prescribe their duties and fix their compensation.
(4) To employ, and for cause dismiss, supervisors of instruction and to define their duties and fix their compensation.
(5) To prescribe a course of study and a program of exercises which shall be consistent with the course of study prepared by the state board of education for the use of the common schools of this state.
(6) To, in addition to the minimum requirements imposed by this title establish and maintain such grades and departments, including night, high, kindergarten, vocational training and, except as otherwise provided by law, industrial schools, and schools and departments for the education and training of any class or classes of handicapped youth, as in the judgment of the board, best shall promote the interests of education in the district.
(7) To determine the length of time over and above one hundred eighty days that school shall be maintained: PROVIDED, That for purposes of apportionment no district shall be credited with more than one hundred and eighty-three days’ attendance in any school year; and to fix the time for annual opening and closing of schools and for the daily dismissal of pupils before the regular time for closing schools.
(8) To maintain a shop and repair department, and to employ, and for cause dismiss, a foreman and the necessary help for the maintenance and conduct thereof.
(9) To provide free textbooks and supplies for all children attending school.
(10) To require of the officers or employees of the district to give a bond for the honest performance of their duties in such penal sum as may be fixed by the board with good and sufficient surety, and to cause the premium for all bonds required of all such officers or employees to be paid by the district: PROVIDED, That the board may, by written policy, allow that such bonds may include a deductible proviso not to exceed two percent of the officer’s or employee’s annual salary.
(11) To prohibit all secret fraternities and sororities among the students in any of the schools of the said districts.
(12) To appoint a practicing physician, resident of the school district, who shall be known as the school district medical inspector, and whose duty it shall be to decide for the board of directors all
questions of sanitation and health affecting the safety and welfare of the public schools of the district
who shall serve at the board's pleasure (the school district medical inspector or authorized deputies
shall make monthly inspections of each school in the district and report the condition of the same to the
board of education and board of health): PROVIDED, That children shall not be required to submit to
vaccination against the will of their parents or guardian.

Sec. 504. RCW 28A.400.306 and 1992 c 159 s 9 are each amended to read as follows:
The state patrol shall accept fingerprints obtained under this chapter only if it can ensure that
the patrol will not retain a record of the fingerprints after the check is complete. It shall not forward
fingerprints obtained under this chapter to the federal bureau of investigation unless it can ensure that
the federal bureau of investigation will not retain a record of the fingerprints after the check is
complete. (The state patrol shall report to the house of representatives appropriations committee and
the senate ways and means committee on measures taken to implement this section before accepting any
fingerprints obtained under this chapter.)

Sec. 505. RCW 28A.630.885 and 1994 c 245 s 13 are each amended to read as follows:
(1) The Washington commission on student learning is hereby established. The primary
purposes of the commission are to identify the knowledge and skills all public school students need to
know and be able to do based on the student learning goals in RCW 28A.150.210, to develop student
assessment and school accountability systems, to review current school district data reporting
requirements and make recommendations on what data is necessary for the purposes of accountability
and meeting state information needs, and to take other steps necessary to develop a performance-based
education system. The commission shall include three members of the state board of education, three
members appointed by the governor before July 1, 1992, and five members appointed no later than
June 1, 1993, by the governor elected in the November 1992 election. The governor shall appoint a
chair from the commission members, and fill any vacancies in gubernatorial appointments that may
occur. The state board of education shall fill any vacancies of state board of education appointments
that may occur. In making the appointments, educators, business leaders, and parents shall be
represented, and nominations from state-wide education, business, and parent organizations shall be
requested. Efforts shall be made to ensure that the commission reflects the racial and ethnic diversity
of the state's K-12 student population and that the major geographic regions in the state are
represented. Appointees shall be qualified individuals who are supportive of educational restructuring,
who have a positive record of service, and who will devote sufficient time to the responsibilities of the
commission to ensure that the objectives of the commission are achieved.

(2) The commission shall establish advisory committees. Membership of the advisory
committees shall include, but not necessarily be limited to, professionals from the office of the
superintendent of public instruction and the state board of education, and other state and local
educational practitioners and student assessment specialists.

(3) The commission, with the assistance of the advisory committees, shall:
(a) Develop essential academic learning requirements based on the student learning goals in
RCW 28A.150.210. Essential academic learning requirements shall be developed, to the extent
possible, for each of the student learning goals in RCW 28A.150.210. Goals one and two shall be
considered primary. Essential academic learning requirements for RCW 28A.150.210(1), goal one,
and the mathematics component of RCW 28A.150.210(2), goal two, shall be completed no later than
March 1, 1995. Essential academic learning requirements that incorporate the remainder of RCW
28A.150.210 (2), (3), and (4), goals two, three, and four, shall be completed no later than March 1,
1996. To the maximum extent possible, the commission shall integrate goal four and the knowledge
and skill areas in the other goals in the development of the essential academic learning requirements;
(b) The commission shall present to the state board of education and superintendent of public
instruction a state-wide academic assessment system for use in the elementary, middle, and high school
years designed to determine if each student has mastered the essential academic learning requirements
identified in (a) of this subsection. The academic assessment system shall include a variety of
assessment methods, including performance-based measures that are criterion-referenced. Performance
standards for determining if a student has successfully completed an assessment shall be initially
determined by the commission in consultation with the advisory committees required in subsection (2)
of this section.
ii) The assessment system shall be designed so that the results under the assessment system are used by educators as tools to evaluate instructional practices, and to initiate appropriate educational support for students who have not mastered the essential academic learning requirements at the appropriate periods in the student's educational development.

(iii) Assessments measuring the essential academic learning requirements developed for RCW 28A.150.210(1), goal one, and the mathematics component of RCW 28A.150.210(2), goal two, shall be initially implemented by the state board of education and superintendent of public instruction no later than the 1996-97 school year, unless the legislature takes action to delay or prevent implementation of the assessment system and essential academic learning requirements. Assessments measuring the essential academic learning requirements developed for RCW 28A.150.210(2), (3), and (4), goals two, three, and four, shall be initially implemented by the state board of education and superintendent of public instruction no later than the 1997-98 school year, unless the legislature takes action to delay or prevent implementation of the assessment system and essential academic learning requirements. To the maximum extent possible, the commission shall integrate knowledge and skill areas in development of the assessments.

(iv) Before the 2000-2001 school year, participation by school districts in the assessment system shall be optional. School districts that desire to participate before the 2000-2001 school year shall notify the superintendent of public instruction in a manner determined by the superintendent. Beginning in the 2000-2001 school year, all school districts shall be required to participate in the assessment system.

(v) The state board of education and superintendent of public instruction may modify the essential academic learning requirements and academic assessment system, as needed, in subsequent school years.

(vi) The commission shall develop assessments that are directly related to the essential academic learning requirements, and are not biased toward persons with different learning styles, racial or ethnic backgrounds, or on the basis of gender;

(c) After a determination is made by the state board of education that the high school assessment system has been implemented and that it is sufficiently reliable and valid, successful completion of the high school assessment shall lead to a certificate of mastery. The certificate of mastery shall be obtained by most students at about the age of sixteen, and is evidence that the student has successfully mastered the essential academic learning requirements during his or her educational career. The certificate of mastery shall be required for graduation but shall not be the only requirement for graduation. The commission shall make recommendations to the state board of education regarding the relationship between the certificate of mastery and high school graduation requirements. Upon achieving the certificate of mastery, schools shall provide students with the opportunity to continue to pursue career and educational objectives through educational pathways that emphasize integration of academic and vocational education. Educational pathways may include, but are not limited to, programs such as work-based learning, school-to-work transition, tech prep, vocational-technical education, running start, and preparation for technical college, community college, or university education;

(d) Consider methods to address the unique needs of special education students when developing the assessments in (b) and (c) of this subsection;

(e) Consider methods to address the unique needs of highly capable students when developing the assessments in (b) and (c) of this subsection;

(f) Develop recommendations on the time, support, and resources, including technical assistance, needed by schools and school districts to help students achieve the essential academic learning requirements. These recommendations shall include an estimate for the legislature, superintendent of public instruction, and governor on the expected cost of implementing the academic assessment system;

(g) Develop recommendations for consideration by the higher education coordinating board for adopting college and university entrance requirements for public school students that are consistent with the essential academic learning requirements and the certificate of mastery;

(h) Review current school district data reporting requirements for the purposes of accountability and meeting state information needs. The commission on student learning shall report recommendations to the joint select committee on education restructuring by September 15, 1996, on:

(i) What data is necessary to compare how school districts are performing before the essential academic learning requirements and the assessment system are implemented with how school districts
are performing after the essential academic learning requirements and the assessment system are implemented; and

(ii) What data is necessary pertaining to school district reports under the accountability systems developed by the commission on student learning under this section:

(i) By December 1, 1998, recommend to the legislature, governor, state board of education, and superintendent of public instruction:

(i) A state-wide accountability system to monitor and evaluate accurately and fairly the level of learning occurring in individual schools and school districts. The accountability system shall be designed to recognize the characteristics of the student population of schools and school districts such as gender, race, ethnicity, socioeconomic status, and other factors. The system shall include school-site, school district, and state-level accountability reports;

(ii) A school assistance program to help schools and school districts that are having difficulty helping students meet the essential academic learning requirements;

(iii) A system to intervene in schools and school districts in which significant numbers of students persistently fail to learn the essential academic learning requirements; and

(iv) An awards program to provide incentives to school staff to help their students learn the essential academic learning requirements, with each school being assessed individually against its own baseline. Incentives shall be based on the rate of percentage change of students achieving the essential academic learning requirements. School staff shall determine how the awards will be spent.

It is the intent of the legislature to begin implementation of programs in this subsection on September 1, 2000;

(j) Report annually by December 1st to the legislature, the governor, the superintendent of public instruction, and the state board of education on the progress, findings, and recommendations of the commission; and

(k) Make recommendations to the legislature and take other actions necessary or desirable to help students meet the student learning goals.

(4) The commission shall coordinate its activities with the state board of education and the office of the superintendent of public instruction.

(5) The commission shall seek advice broadly from the public and all interested educational organizations in the conduct of its work, including holding periodic regional public hearings.

(6) The commission shall select an entity to provide staff support and the office of the superintendent of public instruction shall provide administrative oversight and be the fiscal agent for the commission. The commission may direct the office of the superintendent of public instruction to enter into subcontracts, within the commission's resources, with school districts, teachers, higher education faculty, state agencies, business organizations, and other individuals and organizations to assist the commission in its deliberations.

(7) Members of the commission shall be reimbursed for travel expenses as provided in RCW 43.03.050 and 43.03.060.

Sec. 506. RCW 28A.630.952 and 1994 c 245 s 4 are each amended to read as follows:

(1) In addition to the duties in RCW 28A.630.951, the joint select committee on education restructuring shall review all laws pertaining to K-12 public education and to educator preparation and certification with the intent of identifying laws that inhibit the achievement of the new system of performance-based education. The select committee shall report to the legislature by November 15, 1994. The laws pertaining to home schooling and private schools shall not be reviewed in this study.

(2) The joint select committee on education restructuring shall review (current) the school district data reporting requirements for the purposes of accountability and meeting state information needs reported by the commission on student learning under RCW 28A.630.885. The joint select committee shall report its recommendations to the legislature by January 1996 (on:

(a) What data is necessary to compare how school districts are performing before the essential academic learning requirements and the assessment system are implemented with how school districts are performing after the essential academic learning requirements and the assessment system are implemented; and

(b) What data is necessary pertaining to school district reports under the accountability systems developed by the commission on student learning under RCW 28A.630.885(3)(h)).

Sec. 507. RCW 28A.650.015 and 1994 c 245 s 2 are each amended to read as follows:
The superintendent of public instruction, to the extent funds are appropriated, shall develop and implement a Washington state K-12 education technology plan. The technology plan, which shall be completed by September 1, 1994, and updated on at least a biennial basis, shall be developed to coordinate and expand the use of education technology in the common schools of the state. The plan shall be consistent with applicable provisions of chapter 43.105 RCW. The plan, at a minimum, shall address:

(a) The provision of technical assistance to schools and school districts for the planning, implementation, and training of staff in the use of technology in curricular and administrative functions;
(b) The continued development of a network to connect school districts, institutions of higher learning, and other sources of on-line information; and
(c) Methods to equitably increase the use of education technology by students and school personnel throughout the state.

The superintendent of public instruction shall appoint an educational technology advisory committee to assist in the development and implementation of the technology plan in subsection (1) of this section. The committee shall include, but is not limited to, persons representing: The state board of education, the commission on student learning, the department of information services, educational service districts, school directors, school administrators, school principals, teachers, classified staff, higher education faculty, parents, students, business, labor, scientists and mathematicians, the higher education coordinating board, the work force training and education coordinating board, and the state library.

NEW SECTION. Sec. 508. The following acts or parts of acts are each repealed:
(1) RCW 28A.205.060 and 1993 c 211 s 5 & 1985 c 434 s 2;
(2) RCW 28A.225.180 and 1990 c 33 s 233 & 1969 ex.s. c 223 s 28A.58.215;
(3) RCW 28A.225.320 and 1990 1st ex.s. c 9 s 210;
(4) RCW 28A.300.210 and 1991 c 201 s 201;
(5) RCW 28A.335.310 and 1993 c 461 s 3; and

PART VI - PERMISSIVE LANGUAGE

Sec. 601. RCW 28A.180.080 and 1990 c 33 s 167 are each amended to read as follows:
The superintendent of public instruction shall prepare and submit biennially to the governor and the legislature a budget request for bilingual instruction programs. Moneys appropriated by the legislature for the purposes of RCW 28A.180.010 through 28A.180.080 shall be allocated by the superintendent of public instruction to school districts for the sole purpose of operating an approved bilingual instruction program; priorities for funding shall exist for the early elementary grades. No moneys shall be allocated pursuant to this section to fund more than three school years of bilingual instruction for each eligible pupil within a district: PROVIDED, That such moneys may be allocated to fund more than three school years of bilingual instruction for any pupil who fails to demonstrate improvement in English language skills adequate to remove impairment of learning when taught only in English. The superintendent of public instruction shall set standards and approve a test for the measurement of such English language skills. ((School districts are hereby empowered to accept grants, gifts, donations, devices and other gratuities from private and public sources to aid in accomplishing the purposes of RCW 28A.180.010 through 28A.180.080.))

Sec. 602. RCW 28A.225.220 and 1993 c 336 s 100 are each amended to read as follows:
(1) Any board of directors may make agreements with adults choosing to attend school: PROVIDED, That unless such arrangements are approved by the state superintendent of public instruction, a reasonable tuition charge, fixed by the state superintendent of public instruction, shall be paid by such students as best may be accommodated therein), and may charge the adults reasonable tuition.
(2) A district is strongly encouraged to honor the request of a parent or guardian for his or her child to attend a school in another district.
(3) A district shall release a student to a nonresident district that agrees to accept the student if:
(a) A financial, educational, safety, or health condition affecting the student would likely be reasonably improved as a result of the transfer; or
(b) Attendance at the school in the nonresident district is more accessible to the parent’s place of work or to the location of child care; or
(c) There is a special hardship or detrimental condition.
(4) A district may deny the request of a resident student to transfer to a nonresident district if the release of the student would adversely affect the district’s existing desegregation plan.
(5) For the purpose of helping a district assess the quality of its education program, a resident school district may request an optional exit interview or questionnaire with the parents or guardians of a child transferring to another district. No parent or guardian may be forced to attend such an interview or complete the questionnaire.
(6) Beginning with the 1993-94 school year, school districts may not charge transfer fees or tuition for nonresident students enrolled under subsection (3) of this section and RCW 28A.225.225. Reimbursement of a high school district for cost of educating high school pupils of a nonhigh school district shall not be deemed a transfer fee as affecting the apportionment of current state school funds.

Sec. 603. RCW 28A.225.250 and 1969 c 130 s 11 are each amended to read as follows:
((Notwithstanding any other provision of law,)) (1) The state superintendent of public instruction is directed and authorized to develop and adopt rules ((and regulations to implement such voluntary, tuition free attendance programs among school districts that he)) governing cooperative programs between and among school districts and educational service districts that the superintendent deems necessary ((for the expressed purpose of)) to assure:
((1) Providing educational opportunities, including vocational skills programs, not otherwise provided;
(2) Avoiding unnecessary duplication of specialized or unusually expensive educational programs and facilities; or
(3) Improving racial balance within and among school districts: PROVIDED, That no voluntary, tuition free attendance program among school districts developed by the superintendent of public instruction shall be instituted unless such program receives the approval of the boards of directors of the districts)
(a) Correct calculation of state apportionment payments;

Representatives Appelwick, Ebersole and Pelesky spoke against the motion to reconsider the vote on amendment number 521 to Substitute House Bill No. 1410.

**POINT OF ORDER**

Representative Padden: Thank you Mr. Speaker. I believe just one speech on each side of a motion for reconsideration.

Mr. Speaker: Mr. Padden, according to my advisor a motion for reconsideration is open for debate.

Representative Padden: He’s a very learned advisor, Mr. Speaker.
Representative Patterson demanded an electronic roll call vote on the motion to reconsider amendment number 521 to Substitute House Bill No. 1410 and the demand was sustained.

POINT OF INQUIRY

Representative Appelwick: Is it not the practice of the House that if a member votes erroneously or is unable to vote to allow them to spread upon the Journal their intentions as to how they intended to vote and make the correction known. And certainly if one person has made such a mistake I would expect the tolerance of the body to extend that continued consideration to correct the Journal on such a sensitive issue. But I do not believe we need to resort to a motion to reconsider a re-ballot on such a tender issue.

Mr. Speaker: Representative Appelwick, it certainly has been the practice of the House to allow that consideration. However, it has also been part of procedure for people to vote on a prevailing side in order to make a motion for reconsideration. I think in this case the motion has been made before us. And it's a proper motion, the maker of the motion had in fact voted on the prevailing side that the House will give him that vote on his motion.

Representative Appelwick: If I might inquire further. Should the motion for reconsideration fails and the measure be behind us would the member still have the opportunity to correct his intended vote on the record?

Mr. Speaker: When a member feels they have voted wrong they have the opportunity to enter a note into the Journal, it actually does not change their vote, it simply is a notation for future reference that they have intended a note into a Journal stating that they had voted opposite of what they wanted to vote. So it would really not change their vote as far as the recorded vote is concerned.

Representative Appelwick: But would that opportunity remain open to that person should the motion for reconsideration fail?

Mr. Speaker: That is correct, a person could put a note in the Journal stating whatever they wanted to about their vote.

Representative Pennington demand the previous question and the demand was sustained.

ROLL CALL

The Clerk called the roll on the motion to immediately reconsider the vote on amendment number 521 to Substitute House Bill No. 1410 and the motion was adopted by the following vote:

The amount appropriated in this section shall only be expended to administer an adjudication system that is implemented by means of contracts that are competitively bid. Until this service is implemented, the fee schedule for industrial insurance pharmacy services in effect on January 1, 1995, may not be reduced."

On page 107, after line 24, insert the following:

"Sec. 912. RCW 51.04.030 and 1994 c 164 § 25 are each amended to read as follows:

(1) The director shall supervise the providing of prompt and efficient care and treatment, including care provided by physician assistants governed by the provisions of chapters 18.57A and 18.71A RCW, acting under a supervising physician, and including chiropractic care, to workers injured during the course of their employment at the least cost consistent with promptness and efficiency, without discrimination or favoritism, and with as great uniformity as the various and diverse surrounding circumstances and locations of industries will permit and to that end shall, from time to time, establish and adopt and supervise the administration of printed forms, rules, regulations, and practices for the furnishing of such care and treatment: PROVIDED, That, the department may recommend to an injured worker particular health care services and providers where specialized treatment is indicated or where cost effective payment levels or rates are obtained by the department: AND PROVIDED FURTHER, That the department may enter into contracts for goods and services including, but not limited to, durable medical equipment so long as state-wide access to quality service is maintained for injured workers.

(2)(a) Subject to (b) of this subsection, the director shall, in consultation with interested persons, establish and, in his or her discretion, periodically change as may be necessary, and make available a fee schedule of the maximum charges to be made by any physician, surgeon, chiropractor, hospital, druggist, physicians' assistants as defined in chapters 18.57A and 18.71A RCW, acting under a supervising physician or other agency or person rendering services to injured workers. The department shall coordinate with other state purchasers of health care services to establish as much consistency and uniformity in billing and coding practices as possible, taking into account the unique requirements and differences between programs. No service covered under this title shall be charged or paid at a rate or rates exceeding those specified in such fee schedule, and no contract providing for greater fees shall be valid as to the excess. The establishment of such a schedule, exclusive of conversion factors, does not constitute "agency action" as used in RCW 34.05.010(3), nor does such a fee schedule constitute a "rule" as used in RCW 34.05.010(15).

(b) The pharmacy services fee schedule established under this section and in effect on January 1, 1995, may not be reduced during the fiscal biennium ending June 30, 1997, until the department implements an integrated statewide on-line adjudication system for pharmacy providers.

(3) The director or self-insurer, as the case may be, shall make a record of the commencement of every disability and the termination thereof and, when bills are rendered for the care and treatment of injured workers, shall approve and pay those which conform to the adopted rules, regulations, established fee schedules, and practices of the director and may reject any bill or item thereof incurred in violation of the principles laid down in this section or the rules, regulations, or the established fee schedules and rules and regulations adopted under it."

On page 107, after line 5, insert:

"Sec. 911. RCW 67.16.105 and 1994 c 159 § 2 are each amended to read as follows:
(1) Licensees of race meets that are nonprofit in nature, are of ten days or less, and have an average daily handle of one hundred twenty thousand dollars or less shall withhold and pay to the commission daily for each authorized day of racing one-half percent of the daily gross receipts from all parimutuel machines at each race meet."
(2) Licensees of race meets that do not fall under subsection (1) of this section shall withhold and pay to the commission daily for each authorized day of racing the following applicable percentage of all daily gross receipts from all parimutuel machines at each race meet:
   (a) If the daily gross receipts of all parimutuel machines are more than two hundred fifty thousand dollars, the licensee shall withhold and pay to the commission daily two and one-half percent of the daily gross receipts unless exempt by subsection (7) of this section; and
   (b) If the daily gross receipts of all parimutuel machines are two hundred fifty thousand dollars or less, the licensee shall withhold and pay to the commission daily one percent of the daily gross receipts unless exempt by subsection (7) of this section.

(3) In addition to those amounts in subsections (1) and (2) of this section, all licensees shall forward one-tenth of one percent of the daily gross receipts of all parimutuel machines to the commission daily for payment to those nonprofit race meets as set forth in RCW 67.16.130 and subsection (1) of this section, but said percentage shall not be charged against the licensees. The total of such payments shall not exceed one hundred fifty thousand dollars in any one year and any amount in excess of one hundred fifty thousand dollars shall be remitted to the general fund. Payments to nonprofit race meets under this subsection shall be distributed on a pro rata per-race-day basis and used only for purses at race tracks that have been operating under RCW 67.16.130 and subsection (1) of this section for the five consecutive years immediately preceding the year of payment.

(4) In addition to those sums paid to the commission in subsection (2) of this section, licensees who are nonprofit corporations and have race meets of thirty days or more shall retain and dedicate:
   (a) An amount equal to one and one-quarter percent of the daily gross receipts of all parimutuel machines at each race meet to be used solely for the purpose of increasing purses; and
   (b) An amount equal to one and one-quarter percent of the daily gross receipts of all parimutuel machines at each race meet to be deposited in an escrow or trust account and used solely for construction of a new thoroughbred race track facility in western Washington. Said percentages shall come from that amount the licensee is authorized to retain under RCW 67.16.170(2). The commission shall adopt such rules as may be necessary to enforce this subsection. The provisions of this subsection shall apply through June 1, 1995.

(5) In the event the new race track is not constructed before January 1, 2001, all funds including interest, remaining in the escrow or trust account established in subsection (4) of this section, shall revert to the state general fund.

(6) Effective June 1, 1995, licensees who are nonprofit corporations and have race meets of thirty days or more shall withhold and pay to the commission daily for each authorized day of racing an amount equal to two and one-half percent of the daily gross receipts of all parimutuel machines at each race meet. These percentages shall come from the amount that the licensee is authorized to retain under RCW 67.16.170(2) and shall be in addition to those sums paid to the commission in subsection (2) of this section. The commission shall deposit these moneys in the Washington thoroughbred racing fund created in RCW 67.16.250.

(7) Licensees of race meets with between forty-five and fifty-five race days during the 1995 season are not subject to subsection (2)(a) or subsection (2)(b) of this section during the 1995-97 biennium.

Renumber the remaining subsections consecutively and correct internal references accordingly.

Representative Romero moved adoption of the following amendment by Representative Romero:

On page 112, after line 9, insert the following:

"NEW SECTION. Sec. 920. Washington state government has the vision to be the most effective and best performing service organization in the state. The state of Washington also expects to be the most effective and best performing state government in the United States, measured in terms of quality of customer service, accountability for cost-effective services, and productivity. With the passage of Initiative 601 there are additional constraints on the growth of state government. The system that allows the spending of public money should reward frugality and innovation, not encourage wasteful spending. It is the intent of the legislature to provide incentives to agencies to spend public funds in the most efficient and effective manner possible. Agencies are encouraged to identify savings and entrepreneurial opportunities, then use a portion of the resulting savings and earnings to improve the quality of service to the customers of state government.

NEW SECTION. Sec. 921. (1) The efficiency fund is created in the custody of the state treasurer for the 1995-97 biennium. An account within the fund shall be established for each state agency.

(2) The source of revenue for the fund is as follows: At the close of each fiscal year in the 1995-97 biennium, the state treasurer is to transfer into each agency’s account in the efficiency fund sixty-six percent of each agency’s administrative savings.

(a) The administrative savings shall be approved by the director of the office of financial management; and

(b) The funds may be transferred to the efficiency fund when there are no restrictions on the funds that would prohibit (i) their transfer or (ii) their use for the purposes allowed in subsection (3) of this section.

(3)(a) For the purposes of this section, "administrative savings" means unspent appropriations resulting from cost effectiveness measures or productivity gains such as:

(i) Improved systems and procedures;

(ii) Better deployment and utilization of personnel;

(iii) Elimination of unnecessary expenditures;

(iv) Reductions in the cost of goods and services; or

(v) Elimination of waste, duplication, and operations of doubtful value.

(b) Administrative savings may not result from:

(i) Lower workloads, caseloads, or enrollments than were budgeted;

(ii) A lowering of the quality of services rendered; or

(iii) Shifting of expenses to another unit of government, revenue source, or fiscal period. Administrative savings cannot exceed the amount of reversions due to efficiency measures.

(4) The amount in a particular agency’s account may be authorized for expenditure only by that agency.
Funds may be expended from the efficiency fund to improve the quality of services to the customers of the state. This includes one-time expenditures for employee training, technology improvements, new work processes, program innovations, equipment upgrades, office remodels, performance measurement and benchmarking, or employee bonuses. The expenditure shall not be used to expand a current program or create new programs that would have ongoing costs that would require future appropriations from the legislature.

The fund is not subject to allotment under this chapter and no appropriation is required for expenditures from the efficiency fund.

NEW SECTION. Sec. 922. (1) The enterprise fund is created for the 1995-97 biennium in the custody of the state treasurer. An account within the fund shall be established for each state agency. Revenue for the fund shall come from money each agency earns for services provided. This includes user fees, proceeds from the sale of publications, products, or services, royalties, concessions, rent, and other various services provided. Money not directed by law to another account shall be deposited into the enterprise fund.

(2) Funds may be validly expended from the enterprise fund during the 1995-97 biennium for those purposes that are consistent with the agency’s priorities established in the budget process, and within either the agency’s charter, or statutory intent, or both.

(3) The amount of money in a particular agency’s account may be authorized for expenditure only by that agency.

(4) The fund is not subject to allotment under this chapter, and no appropriation is required for expenditures.

Representative Romero spoke in favor of the adoption of the amendment.

Representative Dyer spoke against the adoption of the amendment.

The amendment was not adopted.

The bill was ordered engrossed.

POINT OF INQUIRY

Representative Ebersole: Thank you Mr. Speaker. It is 3:10 A.M., having stood where you stand, I know that there is no logistical way that a small minority can stop the roll of this budget if we would move to not get the bump, you could go to Rules Committee and call a new day to a Parliamentary maneuver, but I want to register my protest for having heard repeatedly about not doing major bills in the middle of the night, and we’re at 3:10 A.M. and everyone here is so rummy we can’t even think straight to make a coherent speech and we’re going to be debating the most important bill of the session, and I’m not sure if it’s the dead of the night or early of the morning. I’m not sure if it’s daylight out there or not, but I would ask that you consider bringing this back at 8:30 A.M. Monday morning. We’d have an hour of civilized debate on final passage of this measure, if you choose to proceed I know that there is no way we can stop you and we will go ahead with the bump instead of having the extraordinary procedure of the Rules Committee to bring it back out. We don’t want to detain this measure but I do think after all the talk about process you might have gotten even here but you haven’t gotten any better about the process. And I will leave it to your judgment, we can’t resist the bump, but we will register our protest.

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.
Representatives Silver, Foreman and Mielke spoke in favor of passage of the bill.

Representatives Sommers, Kremen, Chopp, Patterson, Ebersole, Rust, Chappell, Sheldon, Brown, Valle, Kessler, Regala and Appelwick spoke against passage of the bill.

The Speaker stated the question before the House to be final passage of Engrossed Substitute House Bill No. 1410.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed Substitute House Bill No. 1410, and the bill passed the House by the following vote: Yea - 59, Nay - 39, Absent - 0, Excused - 0.

Engrossed Substitute House Bill No. 1410, having received the constitutional majority, was declared passed.

There being no objection, the House advanced to the eleventh order of business.

MOTION

On motion of Representative Foreman, the House adjourned until 1:30 p.m., Monday, March 17, 1995.

CLYDE BALLARD, Speaker

TIMOTHY A. MARTIN, Chief Clerk
The House was called to order at 1:30 p.m. by the Speaker. The Clerk called the roll and a quorum was present.

The flag was escorted to the rostrum by a Sergeant at Arms Color Guard, Pages Heidi Waniek and Kristi Waite. Prayer was offered by Reverend Dan Lofgren, Bonney Lake Baptist Church.

Reading of the Journal of the previous day was dispensed with and it was ordered to stand approved.

There being no objection the house advanced to the third order of business.

SSB 5127 Prime Sponsor, Committee on Government Operations: Changing provisions regarding public facilities districts. Reported by Committee on Government Operations

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

```
Sec. 1. RCW 36.100.010 and 1989 1st ex.s.c 8 1 are each amended to read as follows:
(1) A public facilities district may be created in any county ((with three hundred thousand or more population that is located more than one hundred miles from any county in which the state has
```
constructed and owns a convention center. A public facilities district) and shall be coextensive with the boundaries of the county.

(2) A public facilities district shall be created upon adoption of a resolution providing for the creation of such a district by the county legislative authority in which the proposed district is located ((and the city council of the largest city within such county)).

(3) A public facilities district is a municipal corporation, an independent taxing "authority" within the meaning of Article VII, section 1 of the state Constitution, and a "taxing district" within the meaning of Article VII, section 2 of the state Constitution.

(4) No taxes authorized under this chapter may be assessed or levied unless a majority of the voters of the public facilities district has validated the creation of the public facilities district at a general or special election. A single ballot proposition may both authorize the creation of a public facilities district and the imposition of the sales and use tax under RCW 82.14.048 or both the creation of a public facilities district and the imposition of the excise tax under RCW 36.100.040.

(5) A public facilities district shall constitute a body corporate and shall possess all the usual powers of a corporation for public purposes as well as all other powers that may now or hereafter be specifically conferred by statute, including, but not limited to, the authority to hire employees, staff, and services, to enter into contracts, and to sue and be sued.

Sec. 2. RCW 36.100.020 and 1989 1st ex.s. c 8 s 2 are each amended to read as follows:

A public facilities district shall be governed by a board of directors consisting of five or seven members as provided in this section. If the largest city in the county has a population that is at least forty percent of the total county population, the board of directors of the public facilities district shall consist of five members selected as follows: (1) Two members appointed by the county legislative authority to serve for four-year staggered terms; (2) two members appointed by the city council of the largest city in the county to serve for four-year staggered terms; and (3) one person to serve for a four-year term who is selected by the other directors. If the largest city in the county has a population of less than forty percent of the total county population, the county legislative authority shall establish in the resolution creating the public facilities district whether the board of directors of the public facilities district have either five or seven members, and the county legislative authority shall appoint the members of the board of directors to reflect the interests of cities and towns in the county, as well as the unincorporated area of the county.

At least one member on the board of directors shall be representative of the lodging industry in the public facilities district before the public facilities district imposes the excise tax under RCW 36.100.040.

((One of the initial members appointed by the county legislative authority shall have a term of office of two years and the other initial member appointed by the county legislative authority shall have a term of four years. One of the initial members appointed by the city council shall have a term of two years and the other initial member appointed by the city council shall have a term of four years.))

Members of the board of directors shall serve four-year terms of office, except that two of the initial five board members or three of the initial seven board members shall serve two-year terms of office.

Sec. 3. RCW 36.100.030 and 1989 1st ex.s. c 8 s 3 are each amended to read as follows:

A public facilities district is authorized to acquire, construct, own, remodel, maintain, equip, reequip, repair, and operate sports ((and)) facilities, entertainment facilities, or convention facilities, or any combination of such facilities, together with contiguous parking facilities. The taxes that are provided for in this chapter may only be imposed for these purposes.

A public facilities district may enter into agreements under chapter 39.34 RCW for the joint provision and operation of such facilities and may enter into contracts under chapter 39.34 RCW where any party to the contract provides and operates such facilities for the other party or parties to the contract.

A public facilities district may impose charges and fees for the use of its facilities, and may accept and expend or use gifts, grants, and donations. ((The taxes that are provided for in this chapter may only be imposed for such purposes.))

Sec. 4. RCW 36.100.040 and 1989 1st ex.s. c 8 s 4 are each amended to read as follows:

A public facilities district may impose an excise tax on the sale of or charge made for the furnishing of lodging by a hotel, rooming house, tourist court, motel, or trailer camp, and the granting
of any similar license to use real property, as distinguished from the renting or leasing of real property, except that no such tax may be levied on any premises having fewer than forty lodging units. However, if a public facilities district has not imposed such an excise tax prior to December 31, 1995, the public facilities district may only impose the excise tax if a ballot proposition authorizing the imposition of the tax has been approved by a simple majority vote of voters of the public facilities district voting on the proposition.

The rate of the tax shall not exceed two percent and the proceeds of the tax shall only be used for the acquisition, design, construction, remodeling, maintenance, equipping, reequipping, repairing, and operation of its public facilities. This excise tax shall not be imposed until the district has approved the proposal to acquire, design, and construct the public facilities.

A public facilities district may not impose the tax authorized in this section if, after the tax authorized in this section was imposed, the effective combined rate of state and local excise taxes, including sales and use taxes and excise taxes on lodging, imposed on the sale or charge made for furnishing of lodging in any jurisdiction in the public facilities district exceeds eleven and one-half percent.

Sec. 5. RCW 36.100.060 and 1989 1st ex.s. c 8 s 5 are each amended to read as follows:

(1) To carry out the purpose of this chapter, a public facilities district may issue general obligation bonds, not to exceed an amount, together with any outstanding nonvoter approved general obligation indebtedness, equal to three-eighths of one percent of the value of taxable property within the district, as the term "value of taxable property" is defined in RCW 39.36.015. A facilities district additionally may issue general obligation bonds for capital purposes only, together with any outstanding general obligation indebtedness, not to exceed an amount equal to one and one-fourth percent of the value of the taxable property within the district, as the term "value of taxable property" is defined in RCW 39.36.015, when authorized by the voters of the public facilities district pursuant to Article VIII, section 6 of the state Constitution, and to provide for the retirement thereof by excess property tax levies as provided in this chapter.

(2) General obligation bonds may be issued with a maturity of up to thirty years, and shall be issued and sold in accordance with the provisions of chapter 39.46 RCW.

(3) The general obligation bonds may be payable from the operating revenues of the public facilities district in addition to the tax receipts of the district.

(4) The excise tax imposed pursuant to RCW 36.100.040 shall terminate upon final payment of all bonded indebtedness for its public facilities.

Sec. 6. RCW 82.14.048 and 1991 c 207 s 1 are each amended to read as follows:

The governing board of a public facilities district under chapter 36.100 RCW may submit an authorizing proposition to the voters of the district, and if the proposition is approved by a majority of persons voting, fix and impose a sales and use tax in accordance with the terms of this chapter.

The tax authorized in this section shall be in addition to any other taxes authorized by law and shall be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the public facilities district. The rate of tax shall equal one-tenth of one percent of the selling price in the case of a sales tax, or value of the article used, in the case of a use tax.

Moneys received from any tax imposed under this section shall be used for the purpose of providing funds for the costs associated with the financing, design, acquisition, construction, equipping, operating, maintaining, remodeling, repairing, and reequipping of its public facilities ((and contiguous parking)).

NEW SECTION. Sec. 7. The treasurer of the county in which a public facilities district is located shall be the ex officio treasurer of the district.

NEW SECTION. Sec. 8. The board of directors of the public facilities district shall adopt a resolution that may be amended from time to time that shall establish the basic requirements governing methods and amounts of reimbursement payable to such district officials and employees for travel and other business expenses incurred on behalf of the district. The resolution shall, among other things, establish procedures for approving such expenses; the form of the travel and expense voucher; and
requirements governing the use of credit cards issued in the name of the district. The resolution may also establish procedures for payment of per diem to board members. The state auditor shall, as provided by general law, cooperate with the public facilities district in establishing adequate procedures for regulating and auditing the reimbursement of all such expenses.

NEW SECTION. Sec. 9. The board of directors of the public facilities district may authorize payment of actual and necessary expenses of officers and employees for lodging, meals, and travel-related costs incurred in attending meetings or conferences on behalf of the public facilities district and strictly in the public interest and for public purposes. Officers and employees may be advanced sufficient sums to cover their anticipated expenses in accordance with rules adopted by the state auditor, which shall substantially conform to the procedures provided in RCW 43.03.150 through 43.03.210.

NEW SECTION. Sec. 10. Each member of the board of directors of the public facilities district may receive compensation of fifty dollars per day for attending meetings or conferences on behalf of the district, not to exceed three thousand dollars per year. A director may waive all or a portion of his or her compensation under this section as to a month or months during his or her term of office, by a written waiver filed with the public facilities district. The compensation provided in this section is in addition to reimbursement for expenses paid to the directors by the public facilities district.

NEW SECTION. Sec. 11. The board of directors of the public facilities district may purchase liability insurance with such limits as the directors may deem reasonable for the purpose of protecting and holding personally harmless district officers and employees against liability for personal or bodily injuries and property damage arising from their acts or omissions while performing or in good faith purporting to perform their official duties.

NEW SECTION. Sec. 12. Whenever an action, claim, or proceeding is instituted against a person who is or was an officer or employee of the public facilities district arising out of the performance of duties for or employment with the district, the public facilities district may grant a request by the person that the attorney of the district’s choosing be authorized to defend the claim, suit, or proceeding, and the costs of defense, attorneys’ fees, and obligation for payments arising from the action may be paid from the district’s funds. Costs of defense or judgment or settlement against the person shall not be paid in a case where the court has found that the person was not acting in good faith or within the scope of employment with or duties for the public facilities district.

NEW SECTION. Sec. 13. The board of directors of the public facilities district shall have authority to authorize the expenditure of funds for the public purposes of preparing and distributing information to the general public and promoting, advertising, improving, developing, operating, and maintaining facilities of the district. Nothing contained in this section may be construed to authorize preparation and distribution of information to the general public for the purpose of influencing the outcome of a district election.

NEW SECTION. Sec. 14. The public facilities district shall have authority to create and fill positions, fix wages, salaries, and bonds therefor, pay costs involved in securing or arranging to secure employees, and establish benefits for employees, including holiday pay, vacations or vacation pay, retirement benefits, medical, life, accident, or health disability insurance, as approved by the board. Public facilities district board members, at their own expense, shall be entitled to medical, life, accident, or health disability insurance. Insurance for employees and board members shall not be considered compensation. District coverage for the board is not to exceed that provided public facilities district employees.

NEW SECTION. Sec. 15. The public facilities district may secure services by means of an agreement with a service provider. The public facilities district shall publish notice, establish criteria, receive and evaluate proposals, and negotiate with respondents under requirements set forth by district resolution.
NEW SECTION. **Sec. 16.** In addition to provisions contained in chapter 39.04 RCW, the public facilities district is authorized to follow procedures contained in RCW 43.19.1906 and 43.19.1911 for all purchases, contracts for purchase, and sales.

NEW SECTION. **Sec. 17.** (1) A public facilities district may issue revenue bonds to fund revenue generating facilities, or portions of facilities, which it is authorized to provide or operate. Whenever revenue bonds are to be issued, the board of directors of the district shall create or have created a special fund or funds from which, along with any reserves created pursuant to RCW 39.44.140, the principal and interest on such revenue bonds shall exclusively be payable. The board may obligate the district to set aside and pay into the special fund or funds a fixed proportion or a fixed amount of the revenues from the public improvements, projects, or facilities, and all related additions, that are funded by the revenue bonds. This amount or proportion shall be a lien and charge against these revenues, subject only to operating and maintenance expenses. The board shall have due regard for the cost of operation and maintenance of the public improvements, projects, or facilities, or additions, that are funded by the revenue bonds, and shall not set aside into the special fund or funds a greater amount or proportion of the revenues that in its judgment will be available over and above the cost of maintenance and operation and the amount or proportion, if any, of the revenue so previously pledged. The board may also provide that revenue bonds payable out of the same source or sources of revenue may later be issued on a parity with any revenue bonds being issued and sold.

(2) Revenue bonds issued pursuant to this section shall not be an indebtedness of the district issuing the bonds, and the interest and principal on the bonds shall only be payable from the revenues lawfully pledged to meet the principal and interest requirements and any reserves created pursuant to RCW 39.44.140. The owner or bearer of a revenue bond or any interest coupon issued pursuant to this section shall not have any claim against the district arising from the bond or coupon except for payment from the revenues lawfully pledged to meet the principal and interest requirements and any reserves created pursuant to RCW 39.44.140. The substance of the limitations included in this subsection shall be plainly printed, written, or engraved on each bond issued pursuant to this section.

(3) Revenue bonds with a maturity in excess of thirty years shall not be issued. The board of directors of the district shall by resolution determine for each revenue bond issue the amount, date, form, terms, conditions, denominations, maximum fixed or variable interest rate or rates, maturity or maturities, redemption rights, registration privileges, manner of execution, manner of sale, callable provisions, if any, and covenants including the refunding of existing revenue bonds. Facsimile signatures may be used on the bonds and any coupons. Refunding revenue bonds may be issued in the same manner as revenue bonds are issued.

NEW SECTION. **Sec. 18.** Sections 7 through 17 of this act are each added to chapter 36.100 RCW.

NEW SECTION. **Sec. 19.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.”

**SSB 5182** Prime Sponsor, Committee on Government Operations: Allowing county fiscal biennium budgets. Reported by Committee on Government Operations

MAJORITY recommendation: Do pass with the following amendment:
On page 1, after the enacting clause, strike the remainder of the bill and insert:

"NEW SECTION.  Sec. 1. A new section is added to chapter 36.32 RCW to read as follows:
In lieu of adopting an annual budget, the county legislative authority of any county may adopt an ordinance providing for biennial budgets with a mid-biennium review and modification for the second year of the biennium. The county legislative authority may repeal such an ordinance and revert to adopting annual budgets for a period commencing after the end of a biennial budget cycle. The county legislative authority of a county with a biennial budget cycle may adopt supplemental and emergency budgets in the same manner and subject to the same conditions as the county legislative authority in a county with an annual budget cycle.

The procedure and steps for adopting a biennial budget shall conform with the procedure and steps for adopting an annual budget and with requirements established by the state auditor. The state auditor shall establish requirements for preparing and adopting the mid-biennium review and modification for the second year of the biennium.

Expenditures included in the biennium budget, mid-term modification budget, supplemental budget, or emergency budget shall constitute the appropriations for the county during the applicable period of the budget and every county official shall be limited in making expenditures or incurring liabilities to the amount of the detailed appropriation item or classes in the budget.

The county legislative authority shall hold a public hearing on the proposed county property taxes and proposed road district property taxes prior to imposing the property tax levies."

SB 5239 Prime Sponsor, Oke:  Requiring any person convicted of communication with a minor to register as a sex offender.  Reported by Committee on Corrections

MAJORITY recommendation:  Do pass with the following amendment:

On page 4, after line 11, insert the following:

"Sec. 2.  RCW 9A.44.140 and 1991 c 274 s 3 are each amended to read as follows:
(1) The duty to register under RCW 9A.44.130 shall end:
(a) For a person convicted of a class A felony:  Such person may only be relieved of the duty to register under subsection (2) or (3) of this section.
(b) For a person convicted of a class B felony:  Fifteen years after the last date of release from confinement, if any, (including full-time residential treatment) pursuant to the conviction, or entry of the judgment and sentence, if the person has spent fifteen consecutive years in the community without being convicted of any new offenses.
(c) For a person convicted of a class C felony or any violation of RCW 9.68A.090:  Ten years after the last date of release from confinement, if any, (including full-time residential treatment) pursuant to the conviction, or entry of the judgment and sentence, if the person has spent ten consecutive years in the community without being convicted of any new offenses.
(2) Any person having a duty to register under RCW 9A.44.130 may petition the superior court to be relieved of that duty.  The petition shall be made to the court in which the petitioner was convicted of the offense that subjects him or her to the duty to register, or, in the case of convictions in other states, to the court in Thurston county.  The prosecuting attorney of the county shall be named and served as the respondent in any such petition.  The court shall consider the nature of the registrable offense committed, and the criminal and relevant noncriminal behavior of the petitioner both before
and after conviction, and may consider other factors. Except as provided in subsection (3) of this section, the court may relieve the petitioner of the duty to register only if the petitioner shows, with clear and convincing evidence, that future registration of the petitioner will not serve the purposes of RCW 9A.44.130, 10.01.200, 43.43.540, 46.20.187, 70.48.470, and 72.09.330.

(3) An offender having a duty to register under RCW 9A.44.130 for a sex offense committed when the offender was a juvenile may petition the superior court to be relieved of that duty. The court shall consider the nature of the registrable offense committed, and the criminal and relevant noncriminal behavior of the petitioner both before and after adjudication, and may consider other factors. The court may relieve the petitioner of the duty to register for a sex offense that was committed while the petitioner was fifteen years of age or older only if the petitioner shows, with clear and convincing evidence, that future registration of the petitioner will not serve the purposes of RCW 9A.44.130, 10.01.200, 43.43.540, 46.20.187, 70.48.470, and 72.09.330. The court may relieve the petitioner of the duty to register for a sex offense that was committed while the petitioner was under the age of fifteen if the petitioner (a) has not been adjudicated of any additional sex offenses during the twenty-four months following the adjudication for the sex offense giving rise to the duty to register, and (b) the petitioner proves by a preponderance of the evidence that future registration of the petitioner will not serve the purposes of RCW 9A.44.130, 10.01.200, 43.43.540, 46.20.187, 70.48.470, and 72.09.330.

(4) Unless relieved of the duty to register pursuant to this section, a violation of RCW 9A.44.130 is an ongoing offense for purposes of the statute of limitations under RCW 9A.04.080.

(5) Nothing in RCW 9.94A.220 relating to discharge of an offender shall be construed as operating to relieve the offender of his or her duty to register pursuant to RCW 9A.44.130."

ESSB 5466 Prime Sponsor, Committee on Law & Justice: Protecting children from sexually explicit films, publications, and devices. Reported by Committee on Law & Justice

MAJORITY recommendation: Do pass with the following amendment:

"NEW SECTION. Sec. 1. As used in sections 1 through 5 of this act, the following terms have the meanings indicated unless the context clearly requires otherwise.
(1) "Minor" means any person under the age of eighteen years.
(2) "Harmful to minors" means any matter or live performance:
   (a) That the average adult person, applying contemporary community standards, would find, when considered as a whole, appeals to the prurient interest of minors; and
   (b) That explicitly depicts or describes, by prevailing standards in the adult community with respect to what is suitable for minors, patently offensive representations or descriptions of:
      (i) Ultimate sexual acts, normal or perverted, actual or simulated; or
      (ii) Masturbation, fellatio, cunnilingus, bestiality, excretory functions, lewd exhibition of the genitals or genital area, sexually explicit conduct, sexual excitement, or sexually explicit nudity; or
      (iii) Sexual acts that are violent or destructive, including but not limited to human or animal mutilation, dismemberment, rape, or torture; and
   (c) That, when considered as a whole, and in the context in which it is used, lacks serious literary, artistic, political, or scientific value for minors.
(3) "Sexually explicit conduct" means physical contact with a person's clothed or unclothed genitals, pubic area, buttocks, perineum, or, if such person be a female, breast.
(4) "Sexual excitement" means the condition of human male or female genitals when in a state of sexual stimulation or arousal; or the depiction of covered male genitals in a discernibly turgid state.
(5) "Sexually explicit nudity" means the showing of the human male or female genitals, pubic area, buttocks, or perineum with less than a full opaque covering; or the showing of the female breast with less than a full opaque covering of any portion thereof below the top of the nipple.

(6) "Matter" means a motion picture film, a publication, a sexual device, or any combination thereof.

(7) "Motion picture film" means any:
(a) Film or plate negative;
(b) Film or plate positive;
(c) Film designed to be projected on a screen for exhibition;
(d) Film, glass slides, or transparencies, either in negative or positive form, designed for exhibition by projection on a screen;
(e) Video tape; or
(f) Any other medium used to electronically transmit or reproduce images on a screen.

(8) "Publication" means any book, magazine, article, pamphlet, writing, printing illustration, picture, sound recording, telephonic communication, or coin-operated machine.

(9) "Sexual device" means any artificial device primarily designed, promoted, or marketed to physically stimulate or manipulate the human genitals.

(10) "Live performance" means any play, show, skit, dance, or other exhibition performed or presented to or before an audience of one or more, in person or by electronic transmission, or by telephonic communication, with or without consideration.

(11) "Person" means any individual, partnership, firm, association, corporation, or other legal entity.

(12) "Knowledge of its character" means that the person has knowledge that the matter or performance contains, depicts, or describes activity or conduct that may be found to be patently offensive under subsection (2)(b) of this section. Such knowledge may be proved by direct or circumstantial evidence, or both.

(13) "Knowledge" means knowledge as defined in RCW 9A.08.010(1)(b).

NEW SECTION. Sec. 2. No person shall with knowledge of its character:
(1) Display matter that is harmful to minors, as defined in section 1(2) of this act, in such a way that minors, as part of the invited general public, will be exposed to view such matter; however, a person shall be deemed not to have displayed matter harmful to minors if the matter is kept behind devices commonly known as blinder racks so that the lower two-thirds of the matter is not exposed to view. In the case of on-line accessibility to information stored in an electronic form, a person shall be deemed not to have displayed matter harmful to minors if:
   (a) The matter is stored in a restricted area where access is allowed only to persons who are reasonably believed to be eighteen years of age or older based on information supplied as provided for in section 3(3) of this act and who have obtained a password or other authorization necessary for access to the matter; or
   (b) Where it is not reasonably possible to restrict access in the manner described in (a) of this subsection, the matter is stored in an area labelled "adults only";
(2) Sell, furnish, present, distribute, allow to view or hear, or otherwise disseminate to a minor, with or without consideration, any matter that is harmful to minors as defined in section 1(2) of this act; or
(3) Present to a minor or participate in presenting to a minor, with or without consideration, any live performance that is harmful to minors as defined in section 1(2) of this act.

NEW SECTION. Sec. 3. In any prosecution for violation of section 2 of this act, it shall be an affirmative defense that:
(1) The matter or performance involved was displayed or otherwise disseminated to a minor by the minor's parent or legal guardian, for bona fide purposes;
(2) The matter or performance involved was displayed or otherwise disseminated to a minor with the written permission of the minor's parent or legal guardian, for bona fide purposes; or
(3) The person made a reasonable bona fide attempt to ascertain the true age of the minor by requiring production of a driver's license, marriage license, birth certificate, or other governmental or educational identification card or paper, or copy thereof if supplied by mail or electronic facsimile
NEW SECTION. Sec. 4. Any person who is convicted of violating any provision of section 2 of this act is guilty of a gross misdemeanor. Each day that any violation of section 2 of this act occurs or continues shall constitute a separate offense and shall be punishable as a separate violation. Every act, thing, or transaction prohibited by section 2 of this act shall constitute a separate offense as to each item, issue, or title involved and shall be punishable as such. For the purpose of this section, multiple copies of the same identical title, monthly issue, volume, and number issue, or other such identical material shall constitute a single offense.

NEW SECTION. Sec. 5. The state of Washington hereby fully occupies and preempts within the boundaries of the state the entire field of regulation and sanctions for displaying, selling, furnishing, presenting, or otherwise distributing matter or performances that are harmful to minors. Counties, cities, towns, or other municipalities may enact only those laws and ordinances relating to matter and performances harmful to minors that are consistent with this chapter. Local laws and ordinances that are inconsistent with, more restrictive than, or exceed the requirements of this chapter shall not be enacted and are preempted and repealed, regardless of the nature of the code, charter, or home rule status of such county, city, town, or municipality.

NEW SECTION. Sec. 6. The following acts or parts of acts are each repealed:
1. RCW 9.68.015 and 1959 c 260 s 2;
2. RCW 9.68.050 and 1992 c 5 s 1 & 1969 ex.s. c 256 s 13;

5. RCW 9.68.080 and 1969 ex.s. c 256 s 16;
6. RCW 9.68.090 and 1992 c 5 s 3 & 1969 ex.s. c 256 s 17;
7. RCW 9.68.100 and 1969 ex.s. c 256 s 18;
8. RCW 9.68.110 and 1969 ex.s. c 256 s 19;
9. RCW 9.68.120 and 1969 ex.s. c 256 s 20;
10. RCW 9.68.130 and 1975 1st ex.s. c 156 s 1;
11. RCW 9.68A.140 and 1987 c 396 s 1;
12. RCW 9.68A.150 and 1987 c 396 s 2; and

NEW SECTION. Sec. 7. Sections 1 through 5 of this act are each added to chapter 9.68 RCW.

NEW SECTION. Sec. 8. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 9. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

SSB 5537 Prime Sponsor, Committee on Education: Changing teacher preparation provisions. Reported by Committee on Education

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28A.410 RCW to read as follows:
Not later than January 1, 1997, the state board of education shall study, report, and make recommendations to the legislature on the following issues regarding teacher assessment for initial or residency certification:
(1) How an individual assessment would be linked to state board-adopted, performance-based program approval standards;
(2) How an individual assessment would be linked to the performance-based public education system under RCW 28A.630.885; and
(3) Whether, in lieu of requiring the assessment for initial or residency certification, the assessment should be required as a diagnostic tool and the results used for professional growth purposes while the teacher holds the residency certificate.
In conducting this study, the state board shall take into consideration any recommendations from the board's professional education advisory committee and the Washington advisory council for professional teaching standards.
Any recommendation to implement a teacher assessment system, including funding support, must be approved by the legislature before such implementation occurs.

Sec. 2. RCW 28A.305.130 and 1991 c 116 s 11 are each amended to read as follows:
In addition to any other powers and duties as provided by law, the state board of education shall:
(1) Require that no person may be admitted to a professional teacher preparation program within Washington state without first demonstrating that he or she is competent in the basic skills required for oral and written communication and computation. The board shall adopt rules to implement this requirement, including criteria for providing waivers as necessary.
(2) Approve or disapprove the program of courses leading to teacher, school administrator, and
school specialized personnel certification offered by all institutions of higher education within the state
which may be accredited and whose graduates may become entitled to receive such certification.

(((2))) (3) Conduct every five years a review of the program approval standards, including the
minimum standards for teachers, administrators, and educational staff associates, to reflect research
findings and assure continued improvement of preparation programs for teachers, administrators, and
educational staff associates.

(((3))) (4) Investigate the character of the work required to be performed as a condition of
entrance to and graduation from any institution of higher education in this state relative to such
certification as provided for in subsection (((1) above)) (2) of this section, and prepare a list of
accredited institutions of higher education of this and other states whose graduates may be awarded
such certificates.

(((4))) (5)(a) The state board of education shall adopt rules to allow a teacher certification
candidate to fulfill, in part, teacher preparation program requirements through work experience as a
noncertificated teacher’s aide in a public school or private school meeting the requirements of RCW
28A.195.010. The rules shall include, but are not limited to, limitations based upon the recency of the
teacher preparation candidate’s teacher aide work experience, and limitations based on the amount of
work experience that may apply toward teacher preparation program requirements under this chapter.
(b) The state board of education shall require that at the time of the individual’s enrollment in a
teacher preparation program, the supervising teacher and the building principal shall jointly provide to
the teacher preparation program of the higher education institution at which the teacher candidate is
enrolled, a written assessment of the performance of the teacher candidate. The assessment shall
contain such information as determined by the state board of education and shall include: Evidence
that at least fifty percent of the candidate’s work as a noncertificated teacher’s aide was involved in
instructional activities with children under the supervision of a certificated teacher and that the
candidate worked a minimum of six hundred thirty hours for one school year; the type of work
performed by the candidate; and a recommendation of whether the candidate’s work experience as a
noncertificated teacher’s aide should be substituted for teacher preparation program requirements. In
compliance with such rules as may be established by the state board of education under this section, the
teacher preparation programs of the higher education institution where the candidate is
enrolled shall make the final determination as to what teacher preparation program requirements may be fulfilled by
teacher aide work experience.

(((5))) (6) Supervise the issuance of such certificates as provided for in subsection (((1) above))
(2) of this section and specify the types and kinds of certificates necessary for the several departments
of the common schools by rule or regulation in accordance with RCW 28A.410.010.

(((6))) (7) Accredit, subject to such accreditation standards and procedures as may be
established by the state board of education, all schools that apply for accreditation, and approve,
subject to the provisions of RCW 28A.195.010, private schools carrying out a program for any or all
of the grades one through twelve: PROVIDED, That no public or private schools shall be placed upon
the list of accredited schools so long as secret societies are knowingly allowed to exist among its

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 30.04.111 and 1994 c 92 s 12 are each amended to read as follows:
The total loans and extensions of credit by a bank or trust company to a person outstanding at any one time shall not exceed twenty percent of the capital and surplus of such bank or trust company. The following loans and extensions of credit shall not be subject to this limitation:
(1) Loans or extensions of credit arising from the discount of commercial or business paper evidencing an obligation to the person negotiating it with recourse;
(2) Loans or extensions of credit secured by bonds, notes, certificates of indebtedness, or treasury bills of the United States or by other such obligations wholly guaranteed as to principal and interest by the United States;
(3) Loans or extensions of credit to or secured by unconditional takeout commitments or guarantees of any department, agency, bureau, board, commission, or establishment of the United States or any corporation wholly owned directly or indirectly by the United States;
(4) Loans or extensions of credit fully secured by a segregated deposit account or accounts in the lending bank;
(5) Loans or extensions of credit secured by collateral having a readily ascertained market value of at least one hundred fifteen percent of the outstanding amount of the loan or extension of credit;
(6) Loans or extensions of credit secured by bills of lading, warehouse receipts, or similar documents transferring or securing title to readily marketable staples shall be subject to a limitation of thirty-five percent of capital and surplus in addition to the general limitations, if the market value of the staples securing each additional loan or extension of credit at all times equals or exceeds one hundred fifteen percent of the outstanding amount of the loan or extension of credit. The staples shall be fully covered by insurance whenever it is customary to insure the staples;
(7) The purchase of bankers’ acceptances of the kind described in section 13 of the federal reserve act and issued by other banks shall not be subject to any limitation based on capital and surplus;
(8) The unpaid purchase price of a sale of bank property, if secured by such property.
For the purposes of this section "capital" shall include the amount of common stock outstanding and unimpaired, the amount of preferred stock outstanding and unimpaired, and capital notes or debentures issued pursuant to chapter 30.36 RCW.
For the purposes of this section "surplus" shall include capital surplus, reflecting the amounts paid in excess of the par or stated value of capital stock, or amounts contributed to the bank other than for capital stock, and ((amounts transferred to surplus from)) undivided profits ((pursuant to resolution of the board of directors)).
The term "person" shall include an individual, sole proprietor, partnership, joint venture, association, trust, estate, business trust, corporation, sovereign government or agency, instrumentality, or political subdivision thereof, or any similar entity or organization.
The director may prescribe rules to administer and carry out the purposes of this section, including without limitation rules to define or further define terms used in this section and to establish limits or requirements other than those specified in this section for particular classes or categories of loans or extensions of credit, and to determine when a loan putatively made to a person shall, for purposes of this section, be attributed to another person. In adopting the rules, the director shall be guided by rulings of the comptroller of the currency that govern lending limits applicable to national commercial banks.

Sec. 2. RCW 30.04.215 and 1994 c 256 s 37 and 1994 c 92 s 20 are each reenacted to read as follows:
(1) Notwithstanding any other provisions of law, in addition to all powers enumerated by this title, and those necessarily implied therefrom, a bank may engage in other business activities that have been determined by the board of governors of the Federal Reserve System or by the United States Congress to be closely related to the business of banking, as of December 31, 1993.

(2) A bank that desires to perform an activity that is not expressly authorized by subsection (1) of this section shall first apply to the director for authorization to conduct such activity. Within thirty days of the receipt of this application, the director shall determine whether the activity is closely related to the business of banking, whether the public convenience and advantage will be promoted, whether the activity is apt to create an unsafe or unsound practice by the bank and whether the applicant is capable of performing such an activity. If the director finds the activity to be closely related to the business of banking and the bank is otherwise qualified, he or she shall forthwith inform the applicant that the activity is authorized. If the director determines that such activity is not closely related to the business of banking or the bank is not otherwise qualified, he or she shall forthwith inform the applicant in writing. The applicant shall have the right to appeal from an unfavorable determination in accordance with the procedures of the Administrative Procedure Act, chapter 34.05 RCW. In determining whether a particular activity is closely related to the business of banking, the director shall be guided by the rulings of the board of governors of the Federal Reserve System and the comptroller of the currency in making determinations in connection with the powers exercisable by bank holding companies, and the activities performed by other commercial banks or their holding companies.

(3) ((In addition to all powers enumerated by this title, and those necessarily implied therefrom, a bank may engage in other business activities that are determined by the director, by rule adopted pursuant to chapter 34.05 RCW, to be closely related to the business of banking, or necessary or convenient thereto, and the exercise thereof will promote the public convenience and advantage. Provided, however, that such other business activities shall also have been determined by the board of governors of the Federal Reserve System or by the United States Congress to be closely related to the business of banking.)) Notwithstanding any restrictions, limitations, and requirements of law, in addition to all powers, express or implied, that a bank has under the laws of this state, a bank shall have the powers and authorities conferred as of August 31, 1994, upon federally chartered bank doing business in this state. A bank may exercise the powers and authorities conferred on a federally chartered bank after this date, only if the director finds that the exercise of such powers and authorities:

(a) Serves the convenience and advantage of depositors, borrowers, or the general public; and

(b) Maintains the fairness of competition and parity between state-chartered banks and federally chartered banks.

As used in this section, "powers and authorities" include without limitation powers and authorities in corporate governance and operational matters.

The restrictions, limitations, and requirements applicable to specific powers or authorities of federally chartered banks shall apply to banks exercising those powers or authorities permitted under this subsection but only so far as the restrictions, limitations, and requirements relate to exercising the powers or authorities granted banks solely under this subsection.

(4) Any activity which may be performed by a bank, except the taking of deposits, may be performed by (a) a corporation or (b) another entity approved by the director, which in either case is owned in whole or in part by the bank.

Sec. 3. RCW 30.08.180 and 1994 c 92 s 60 are each amended to read as follows:
Every bank and trust company shall make at least three regular reports each year to the director, as of the dates which he or she shall designate, according to form prescribed by him or her, verified by the president, manager or cashier and attested by at least two directors, which shall exhibit under appropriate heads the resources and liabilities of such corporation. The dates designated by the director shall be the dates designated by the comptroller of the currency of the United States for reports of national banking associations. ((Each such report in condensed form, to be prescribed by the director, shall be published once in a newspaper of general circulation, published in a place where the corporation is located, or if there be no newspaper published in such place, then in some newspaper published in the same county.))
Every such corporation shall also make such special reports as the director shall call for.

Sec. 4. RCW 30.08.190 and 1994 c 256 s 51 and 1994 c 92 s 61 are each reenacted and amended to read as follows:
(1) Every regular report shall be filed with the director within thirty days from the date of issuance of the notice. Every special report shall be filed with the director within such time as shall be specified by him or her in the notice therefor.

(2) The director shall provide a copy of any regular report free of charge to any person that submits a written request for the report.

(3) Every bank and trust company which fails to file any report, required to be filed under subsection (1) of this section and within the time specified, shall be subject to a penalty of fifty dollars per day for each day’s delay. A civil action for the recovery of any such penalty may be brought by the attorney general in the name of the state.

On page 1, line 2 of the title, after "institutions;" strike the remainder of the title and insert "amending RCW 30.04.111 and 30.08.180; and reenacting and amending RCW 30.04.215 and 30.08.190."

Signed by Representatives L. Thomas, Chairman; Beeksma, Vice Chairman; Smith, Vice Chairman; Wolfe, Ranking Minority Member; Grant, Assistant Ranking Minority Member; Benton; Campbell; Costa; Dyer; Huff; Kessler; Mielke; Ogden and Pelesky.

Voting Yea: Representatives Beeksma, Benton, Campbell, Costa, Dyer, Grant, Huff, Kessler, Ogden, Mielke, Pelesky, Smith, L. Thomas and Wolfe.

Excused: Representative Dellwo.

Conway, Elliott, Jacobsen, Haffield, Ebersole, Dyer, Ogden, Cody, D. Schmidt, Veloria, Poulsen,
Smith, Chopp and Costa

WHEREAS, The House of Representatives traditionally recognizes February as the celebration
of the many contributions to America by African-Americans; and
WHEREAS, The American slave trade began on the Continent of Africa approximately 1490,
and during the next 373 years more than 100 million Africans were objects of commerce and the
foundation of America’s present economic standing in the world; and
WHEREAS, During the period of the American slave trade, 15 million slaves died and remain
buried in the middle passage between the shores of Africa and America; and
WHEREAS, More than 300,000 black men, women, and children fought, nursed, and assisted
both the Union and Confederate armies during the Civil War; and the Emancipation Proclamation was
signed by President Abraham Lincoln declaring January 1, 1863, as the date ending human bondage
and the practice of labor without compensation in America; and
WHEREAS, Secular and religious education was of paramount importance to freed black
Americans, and the first school for African-Americans was established in Hampton, Virginia in 1865.
Today, 104 traditionally black colleges and universities that were established in the years following
slavery still exist; and
WHEREAS, During Reconstruction, many African-Americans became prominent elected
officials. Hiram Revels, a Republican from Mississippi, was the first black person to serve in the
United States Senate in 1870; and South Carolina sent an all black delegation to Congress; and
WHEREAS, George Washington Bush was the first black to serve in the Washington
Territorial Legislature, and Representatives Charles Stokes and Marjorie Pitter King were the first
black man and woman to serve in the legislature following the proclamation of Washington statehood;
and Charles Z. Smith was the first black, and only person of color, to serve on the Washington State
Supreme Court; and
WHEREAS, In the 40 years following slavery, southern states eliminated black competition at
the ballot box by instituting grandfather clauses permitting citizens to vote only if their grandfather had
exercised that right; and
WHEREAS, Booker T. Washington, founder of Tuskegee College, was the first African-
American to connect academic education with industrial training. He left a legacy of a changed
educational policy for all Americans; and
WHEREAS, The desire to succeed and contribute to America caused African-Americans to
defy racial hostility, lynching, Jim Crow laws, and economic injustices; and
WHEREAS, This willingness to succeed and the love for their country has left a positive impact on American culture and society in areas of education, medicine, industry, the military, religion, social science, philosophy, agriculture, engineering, and the arts; and

WHEREAS, Just a few of the major contributions made by African-American scientists include: Dr. Charles Drew developed the first blood bank; Dr. Elmer Imes, a physicist, expanded the quantum theory to include the rotation status of the molecule; Dr. Percy Julian was the first to find uses for the soybean and applications for cortisone; and Archie Alexander engineered and built the bridge spanning the Potomac River; and

WHEREAS, The civil rights movement grew from the Montgomery, Alabama bus boycott, inspired by Rosa Parks, and led by the Reverend Dr. Martin Luther King, Jr. The 1963 March on Washington brought together participants from all walks of American life to share in the spirit of equality; and

WHEREAS, There have been major contributions made to Washington State history by African-American citizens, including: Edwin T. Pratt, civil rights leader; Mona Lake Jones, poet; Sam Smith, political strategist; Jacob Lawrence and James Washington, artists; Esther Mumford, historian; and Quincy Jones, Ernestine Anderson, and Jimi Hendrix, musicians;

NOW, THEREFORE BE IT RESOLVED, That the House of Representatives of the state of Washington recognize the importance of the contributions made by African-Americans, and acknowledge that February is African-American History Month; and

BE IT FURTHER RESOLVED, That copies of this resolution be immediately transmitted by the Chief Clerk of the House of Representatives to the Chair of the Washington State Commission on African-American Affairs, to Judge Charles Stokes, the first African-American member of the Washington State House of Representatives, and to Justice Charles Z. Smith of the Washington State Supreme Court.

HOUSE RESOLUTION NO. 95-4643, by Representatives K. Schmidt, Robertson, Lambert, Dyer, Chandler, Cooke, Thompson, Campbell and Smith

WHEREAS, It is the policy of the Washington State Legislature to recognize excellence in all fields of endeavor; and

WHEREAS, Mike Padden began his illustrious and distinguished legislative career with the Washington State House of Representatives, as 4th District Representative, and as one of nineteen Republican freshmen in the class of 1980 at which time he enjoyed the luxury of being part of the Bill Polks majority; and

WHEREAS, State Representative Mike Padden was tempered by twelve years in the minority serving under three Speakers, representing the loyal opposition both on the floor and as the ranking member on the Judiciary Committee; and

WHEREAS, In 1994, the voters returned Mike Padden to Olympia to once again return to the majority and to serve as the Chair of the Law and Justice Committee and as majority Floor Leader; and

WHEREAS, Mike Padden became a leader not only in the legislature but state-wide as well, helping to craft and implement outstanding and enduring public policy in a variety of areas, working
for the public good, responding to constituents, fostering trust and integrity in government, and
faithfully steadfast to conscience; and
WHEREAS, Mike Padden has tendered his resignation as State Representative in order to
accept a judicial appointment as District Court Judge for the County of Spokane, State of Washington; and
WHEREAS, Mike Padden is one of the last Troglydotes in the legislature, so named by
Governor John Spellman, because he signed a letter asking the Speaker of the House of Representatives
to look for cuts in the budget before any tax increases; and
WHEREAS, Although inuring a great benefit to the citizens of Spokane County and the
Judiciary, it is with deep and sincere regret that the House of Representatives has learned of
Representative Padden’s resignation and without equivocation the House of Representatives will
experience an inestimable and irreplaceable loss from these hallowed chambers; and
WHEREAS, The respect and admiration for Representative Padden will continue to radiate
with time and will not diminish upon his absence and his work and accomplishments will be an abiding
standard of ideal and attainment for legislative challenges to come;
NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives of the state of
Washington honor the excellence in service and untold legislative and personal accomplishments and
contributions by State Representative Mike Padden to his office, his constituents and colleagues, and
especially to the citizens of this great state of Washington; and
BE IT FURTHER RESOLVED, That the House of Representatives of the state of Washington
extend the very best wishes to Mike Padden, his wife Laura, and their five sons, Justin, Shaun, Andy,
Timothy, and Brendan; and
BE IT FURTHER RESOLVED, That copies of this Resolution be immediately transmitted by
the Chief Clerk of the House of Representatives to Mike Padden.

Representative K. Schmidt moved adoption of the resolution.

Representatives K. Schmidt, Delliwo, Ebersole, Stevens, R. Fisher, Brown, Schoesler,
Appelwick, Hankins, Kremen, Casada and Beeksma spoke in favor of adoption of the resolution.

POINT OF PERSONAL PRIVILEGE

Representative Padden: Thank you Mr., Speaker and Ladies and Gentlemen of the House. I
remember when I was first running for election, actually after I’d been elected but before I’d been
here, I ran into the Gentleman, then of the 13th district, Stewart Bledsoe and he said, “Get ready for
the roller coaster ride of your life! Hold on!” And certainly the fourteen plus years that I’ve been here
have been that. There’s certainly been the ups and downs. But it has been an experience that I shall
always cherish and remember. And of course, so important are the friendships and relationships that
you make with the other legislators that are here, the staff, the individuals from the third house, and
everybody that we come in contact with is something that you’re always going to remember.

I suppose in some respects, part of the most exciting thing was being sworn in that very first
time. I know a lot of you shared that this time. And you win other elections, but there’s nothing like
the very first time because you worked so hard for that goal of getting elected and for the ideas that
you believe in and you can see that you finally have accomplished part of that.

So, I guess I would encourage everybody to remember the vision that got them here. And try
to stay true to that vision and to try to see that vision is implemented. And obviously to do that you’ve
got to temper it sometimes with the proclivities of 98 members with different views. But it doesn’t
mean that you forget the vision. You’ve just got to work at it in the best way that you can.

And the other thing of course, that we’ve always had to remember is that you represent real
people. And I owe a tremendous debt of gratitude to the citizens of the 4th legislative district in
Spokane Valley that returned me eight times. And sometimes I marvel at that myself. But it is a real
honor that they did that.

And so, it is with some sadness that I say goodbye to all here, but I remember of course, we
all know from the Book of Ecclesiastes that, “there is a time for everything under the sun”. And this
time, it’s time for me to go. So thank you very much.

House Resolution No. 4643 was adopted.
The Speaker announced that Representative Sheahan would become the Chair of the Law & Justice committee.

(11) WAC 296-306-09001(2) (liquefied petroleum gases installations), as filed October 19, 1994, and published in WSR 94-21-099.
(12) The following additional requirements shall apply:
(a) Hazardous materials must be stored in containers designed for such storage and must be labelled according to WAC 296-62-05411. Each employer must determine that compressed gas cylinders under his or her control are in a safe condition to the extent that this can be determined by visual inspection.

(b) Agricultural equipment employing open flames or equipment with integral containers, such as flame cultivators, weed burners, and in addition, tractors, shall be shut down during refueling.

(c) The employee or any part of agricultural aerial manlift equipment shall not come within a radius of ten feet from energized high voltage conductors, or into any part of the zone any distance above such a radius (see WAC 296-306-14511, as in effect on March 1, 1994).

(d)(i) To insure safety and serviceability the following precautions on the care of ladders shall be observed:

(A) Ladders shall be maintained in good condition at all times. Joints between steps and side rails shall be tight. All hardware and fittings shall be securely attached, and the moveable parts shall operate freely without binding or undue play.

(B) Ladders shall be inspected prior to being used. Ladders which have developed defects shall be withdrawn from service for repair or destruction and tagged or marked as "dangerous, do not use."

(C) Complete ladder inspection shall be periodical. If a ladder is involved in any of the following, immediate inspection is necessary:

(I) If ladders tip over, inspect ladder for side rails dents or bends, or excessively dented rungs; check all rung-to-side-rail connections; check hardware connections; check rivets for shear.

(II) If ladders are exposed to excessive heat as in the case of fire, the ladder should be inspected visually for damage and tested for deflection and strength characteristics. In doubtful cases, refer to manufacturer.

(D) Ladders shall be stored in a manner designed to protect ladders when not in use.

(E) Ropes or cables shall be inspected frequently and replaced if defective.

(ii) The following safety precautions shall be observed in connection with the use of ladders:

(A) Orchard ladders longer than sixteen feet shall not be used.

(B) Ladders shall be handled with care and not subject to unnecessary dropping, jarring, or misuse. Ladders are designed for a specific purpose or use; therefore, any variation from this use constitutes a mishandling of the equipment.

(C) Employers shall not require or direct employees to stand on the top two steps of the orchard ladder.

(D) Rungs shall be kept reasonably free of any substance which would make them hazardous.

(E) Ladders carried on vehicles should be adequately supported to avoid sagging and securely fastened in position to minimize chafing and the effects of road shocks.

(F) Portable ladders shall be so placed that the side rails have a secure footing. The top rest for portable rung and cleat ladders shall be reasonably rigid and shall have ample strength to support the applied load.

(G) Ladders shall not be placed in front of doors opening toward the ladder unless the door is blocked open, locked, or guarded.

(H) Ladders shall not be placed on boxes, barrels, or other unstable bases to obtain additional height.

(I) Ladders with broken or missing steps, rungs, or cleats, broken side rails, or other faulty equipment shall not be used; improvised repairs shall not be made.

(J) Ladders made by fastening cleats across a single rail shall not be used.

(K) Stepladders shall not be used as single ladders.

(L) When working from a ladder over twenty-five feet from the ground or floor, the ladder shall be secured at both top and bottom.

(M) No type of work shall be performed on a ladder over twenty-five feet from the ground or floor that requires the use of both hands to perform the work, unless a safety belt is worn and the safety lanyard is secured to the ladder.

(N) The ladder base section must be placed with a secure footing. Safety feet of good substantial design should be installed on all ladders except orchard ladders. Where ladders with no safety shoes or spikes are used on hard, slick surfaces, a foot-ladder board should be employed.

(iii) Training and instruction on the use of ladders:
At the beginning of employment, employers shall provide employees with orientation and training on the proper use of ladders including how to set a ladder and properly dismount with a full load.

Employers shall instruct employees to not stand on the top two steps (the top cap and the next step down) of the ladder.

Employers shall instruct employees to not step off the ladder onto branches of trees except onto the main crotch of the tree.

Employers shall instruct employees to not overreach while standing on the ladder to prevent ladder upset.

Employers shall instruct employees that before climbing ladders, shoes and/or boots shall be free and clean of greasy or slippery substances.

This section does not limit the authority of the director to adopt rules that are specifically required by federal law, and only to the extent specifically required, for the standards in this section to be as effective as the standards adopted or recognized by the United States secretary of labor under the authority of the occupational safety and health act of 1970 (Public Law 91-596; 84 Stat. 1590).

Sec. 2. RCW 49.17.060 and 1973 c 80 s 6 are each amended to read as follows:

Each employer:

1. Shall furnish to each of his employees a place of employment free from recognized hazards that are causing or likely to cause serious injury or death to his employees. PROVIDED, That no citation or order assessing a penalty shall be issued to any employer solely under the authority of this subsection except where no applicable rule or regulation has been adopted by the department covering the unsafe or unhealthful condition of employment at the work place; and

2. Shall comply with the rules, regulations, and orders ((promulgated)) adopted under this chapter, or, in the case of agricultural employers, comply with section 1 of this act and rules adopted under section 1 of this act.

NEW SECTION. Sec. 3. A new section is added to chapter 17.21 RCW to read as follows:

(1) The director shall exercise the authority granted by RCW 17.21.030 to adopt as rules the worker protection standard for agricultural workers and handlers of agricultural pesticides adopted by the United States environmental protection agency in 40 C.F.R., part 170, as it exists on the effective date of this act.

(2) Subsection (1) of this section does not limit in any manner the authority of the director to adopt rules under RCW 17.21.030 including, but not limited to, rules amending the rules adopted under subsection (1) of this section.

NEW SECTION. Sec. 4. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.”

On page 1, line 1 of the title, after "standards;" strike the remainder of the title and insert "amending RCW 49.17.060; adding a new section to chapter 49.17 RCW; adding a new section to chapter 17.21 RCW; and declaring an emergency."

MINORITY recommendation: Do not pass. Signed by Representatives R. Fisher; Poulsen; Regala and Rust.

Passed to Committee on Rules for second reading.
MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28B.15.620 and 1994 c 208 s 1 are each amended to read as follows:

(1) The legislature finds that military and naval veterans who have served their country in wars on foreign soil have risked their own lives to defend both the lives of all Americans and the freedoms that define and distinguish our nation. The legislature also finds that veterans of the Vietnam conflict suffered during and after the war as the country anguished over its involvement in the conflict. It is the intent of the legislature to honor Vietnam veterans for the public service they have provided to their country. It is the further intent of the legislature that, for eligible Vietnam veterans, colleges and universities waive tuition and fee increases that have occurred since October 1, 1977.

(2) Subject to the limitations of RCW 28B.15.910, the governing boards of the state universities, the regional universities, The Evergreen State College, and the community colleges may exempt veterans of the Vietnam conflict who have served in the southeast Asia theater of operations from the payment of all or a portion of any increase in tuition and fees that occur after October 1, 1977, if the veteran qualifies as a resident student under RCW 28B.15.012((, was enrolled in state institutions of higher education on or before May 7, 1990, and meets the requirements of subsection (2) of this section.

(((2) Beginning with the fall academic term of 1994, veterans receiving the exemption under subsection (1) of this section must meet these additional requirements:

(a) Remain continuously enrolled for seven or more quarter credits per academic term or their equivalent, except summer term and not including community service courses; 

(b) Have an adjusted gross family income as most recently reported to the internal revenue service that does not exceed Washington state's median family income as established by the federal bureau of the census; and

(c) Have exhausted all entitlement to federal vocational or educational benefits conferred by virtue of their military service.

(3) For the purposes of this section, "veterans of the Vietnam conflict" shall be those persons who have been on active federal service as a member of the armed military or naval forces of the United States between a period commencing August 5, 1964, and ending on May 7, 1975.

(4) This section shall expire June 30, ((1997)) 1999."

Sec. 1. RCW 36.93.090 and 1987 c 477 s 2 are each amended to read as follows:
Whenever any of the following described actions are proposed in a county in which a board has been established, the initiators of the action shall file within one hundred eighty days a notice of intention with the board: PROVIDED, That when the initiator is the legislative body of a governmental unit, the notice of intention may be filed immediately following the body's first acceptance or approval of the action. The board may review any such proposed actions pertaining to:

(1) The: (a) Creation, incorporation, or change in the boundary, other than a consolidation, of any city, town, or special purpose district; (b) consolidation of special purpose districts, but not including consolidation of cities and towns; or (c) dissolution or disincorporation of any city, town, or special purpose district, except that a board may not review the dissolution or disincorporation of a special purpose district which was dissolved or disincorporated pursuant to the provisions of chapter 36.96 RCW: PROVIDED, That the change in the boundary of a city or town arising from the annexation of contiguous city or town owned property held for a public purpose shall be exempted from the requirements of this section; or

(2) The assumption by any city or town of all or part of the assets, facilities, or indebtedness of a special purpose district which lies partially within such city or town; or

(3) The establishment of or change in the boundaries of a mutual water and sewer system or separate sewer system by a water district pursuant to RCW 57.08.065 or chapter 57.40 RCW, as now or hereafter amended; or

(4) The establishment of or change in the boundaries of a mutual sewer and water system or separate water system by a sewer district pursuant to RCW 56.20.015 or chapter 56.36 RCW, as now or hereafter amended; or

(5) The extension of permanent water or sewer service outside of its existing service area by a city, town, or special purpose district. The service area of a city, town, or special purpose district shall include all of the area within the corporate boundaries plus, (a) for extensions of water service, the area outside of the corporate boundaries which it is designated to serve pursuant to a coordinated water system plan approved in accordance with RCW 70.116.050; and (b) for extensions of sewer service, the area outside of the corporate boundaries which it is designated to serve pursuant to a comprehensive sewerage plan approved in accordance with chapter 36.94 RCW and RCW 90.48.110.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

SB 5378 Prime Sponsor, Haugen: Modifying border area fund distribution. Reported by Committee on Government Operations

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 66.08.190 and 1991 sp.s. c 32 s 34 are each amended to read as follows:
When excess funds are distributed, all moneys subject to distribution shall be disbursed as follows:

(1) Three-tenths of one percent to ((the department of community development to be allocated to)) border areas under RCW 66.08.195; and

(2) From the amount remaining after distribution under subsection (1) of this section, fifty percent to the general fund of the state, ten percent to the counties of the state, and forty percent to the incorporated cities and towns of the state.

The governor may notify and direct the state treasurer to withhold the revenues to which the counties and cities are entitled under this section if the counties or cities are found to be in noncompliance pursuant to RCW 36.70A.340.

Sec. 2. RCW 66.08.195 and 1988 c 229 s 3 are each amended to read as follows:
For the purposes of this (section, the term) chapter: (1) "Border area" means ((Blaine, Everson, Friday Harbor, Lynden, Nooksack, Northport, Oroville, Port Angeles, Sumas, and that area of Whatcom county commonly referred to as Point Roberts. Funds allocable to border areas under RCW 66.08.190 shall be distributed pursuant to a formula developed by the department of community development, by rule, based on border traffic and historical public impacts of law enforcement problems caused by the border on local budgets. All such funds received by Whatcom county pursuant to this allocation shall be spent within the Point Roberts area)) any incorporated city or town located within seven miles of the Washington-Canadian border or any unincorporated area that is a point of land surrounded on three sides by saltwater and adjacent to the Canadian border.

(2) "Border area per-capita law-enforcement spending" equals total per capita expenditures in a border area on: Law enforcement operating costs, court costs, law enforcement-related insurance, and detention expenses, minus funds allocated to a border area under RCW 66.08.190 and section 3 of this act.

(3) "Border-crossing traffic total" means the number of vehicles, vessels, and aircraft crossing into the United States through a United States customs service border crossing that enter into the border area during a federal fiscal year, using border crossing statistics and criteria included in guidelines adopted by the department of community, trade, and economic development.

(4) "Border-related crime statistic" means the sum of infractions and citations issued, and arrests of persons permanently residing outside Washington state in a border area during a calendar year.

NEW SECTION. Sec. 3. A new section is added to chapter 66.08 RCW to read as follows:
Distribution of funds to border areas under RCW 66.08.190 shall be as follows:
(1) Sixty-five percent of the funds shall be distributed to border areas ratably based on border area traffic totals;
(2) Twenty-five percent of the funds shall be distributed to border areas ratably based on border-related crime statistics; and
(3) Ten percent of the funds shall be distributed to border areas ratably based upon border area per capita law enforcement spending.
Distributions to an unincorporated area that is a point of land surrounded on three sides by saltwater and adjacent to the Canadian border shall be made to the county in which such an area is located and may only be spent on services provided to that area.

NEW SECTION. Sec. 4. A new section is added to chapter 66.08 RCW to read as follows:
The department of community, trade, and economic development shall develop guidelines to determine the figures used under the three distribution factors defined in RCW 66.08.195. At the request of any border community, the department may review these guidelines once every three years.

Sec. 5. RCW 43.63A.190 and 1984 c 125 s 11 are each amended to read as follows:
Funds appropriated by the legislature as supplemental resources for border areas shall be distributed by the state treasurer pursuant to ((a)) the formula ((developed by the department under chapter 34.05 RCW based on border traffic and historical public impacts of law enforcement problems caused by the border on local budgets. All funds received by Whatcom county under this section shall be spent within the Point Roberts area.))
As used in this section, "border area" means any incorporated city or town located within seven miles of the Washington-Canadian border and any point of land surrounded on three sides by water and adjacent to the Canadian border for distributing funds from the liquor revolving fund to border areas, and expenditure requirements for such distributions, under section 3 of this act.

NEW SECTION. Sec. 6. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect July 1, 1995.

On page 1, line 1 of the title, after "areas," strike the remainder of the title and insert "amending RCW 66.08.190, 66.08.195, and 43.63A.190; adding new sections to chapter 66.08 RCW; providing an effective date; and declaring an emergency."

RESOLUTION

HOUSE RESOLUTION NO. 95-4644, by Representatives Foreman, Ebersole, Robertson, Thompson, Conway, Chandler, Ogden, Rust, Basich and Cooke

WHEREAS, It is the policy of the Washington State House of Representatives to recognize excellence in all fields of endeavor; and

WHEREAS, Deloris Lichter has served the people of the State of Washington with distinction for almost twenty-two years; and
WHEREAS, Deloris began her public service on November 26, 1973, as an Accounting Assistant with the Washington State House of Representatives and became Supervisor of Accounting Services for the House of Representatives on November 26, 1989; and
WHEREAS, Deloris has worked for no less than eight different Speakers of the House of Representatives and eight different Chief Clerks; and
WHEREAS, During her tenure with the House of Representatives, Deloris has distinguished herself as a dedicated and hard-working employee, continually seeking creative and innovative ways to improve accounting services for the members and employees of the House of Representatives; and
WHEREAS, Deloris is especially admired and respected by members and employees of the House of Representatives for her honesty, diligence, and hard work as well as the endless compassion, support, and kindness for which she is so well known; and
WHEREAS, Deloris is particularly appreciated by her own staff for the example she sets through her seemingly tireless hard work, her thoughtful and caring supervision, and her cheerful disposition; and
WHEREAS, Deloris has announced that she will be retiring from state service on March 31, 1995;
NOW, THEREFORE, BE IT RESOLVED, That the House of Representatives recognizes and honors Deloris Lichter for her many years of service and her great contribution to this institution and the people of the State of Washington; and
BE IT FURTHER RESOLVED, That the House of Representatives extends to Deloris a most sincere "thank you" along with wishes for many years of happiness that is so richly deserved; and
BE IT FURTHER RESOLVED, That copies of this resolution be immediately transmitted by the Chief Clerk of the House of Representatives to Deloris Lichter.

Representative Foreman moved adoption of the resolution.

House Resolution No. 4644 was adopted.

POINT OF PERSONAL PRIVILEGE

Representative Veloria: To the families and friends of Susana Remerata Blackwell, Phoebe Dizon and Veronica Laureta, we know that you have gone through some difficult times and we acknowledge you for your tragic loss. Susana, Phoebe and Veronica were all heroes fighting against domestic violence.

This sad event symbolizes the need to deal with domestic violence in our society and I agree with the Speaker. That we hope that lots can be made so we can address this issue. Please, let us not let what they forgot go in vain. I urge you to take a look at domestic violence.

MOTION

Representative Appelwick moved that the House advance to the eighth order of business.

Representative Foreman spoke against the motion and Representative Appelwick spoke for the motion.

Representative Appelwick demanded an electronic roll call vote on the motion and the demand was sustained.

ROLL CALL

The Clerk called the roll on the motion to advance the House to the eighth order of business and the motion failed by the following vote: Yeas - 35, Nays - 58, Absent - 2, Excused - 3.

Voting yea: Representatives Appelwick, Basich, Brown, Chappell, Chopp, Cody, Cole, Conway, Costa, Dellwo, Dickerson, Ebersole, Fisher, R., Grant, Hatfield, Jacobsen, Kessler,
The Speaker (Representative Horn presiding) declared the House to be at ease.

The Speaker (Representative Horn presiding) called the House to order.

There being no objection, the House advanced to the fifth order of business.

REPORTS OF STANDING COMMITTEES

SSB 5129 Prime Sponsor, Committee on Ways & Means: Excluding utility line clearing from the definition of retail sale. Reported by Committee on Energy & Utilities

MAJORITY recommendation: Do pass. Signed by Representatives Casada, Chairman; Crouse, Vice Chairman; Hankins, Vice Chairman; Kessler, Ranking Minority Member; Kremen, Assistant Ranking Minority Member; Huff, Mastin; Mielke; Mitchell and Patterson.

Passed to Committee on Rules for second reading.

March 28, 1995

ESSB 5156 Prime Sponsor, Committee on Energy, Telecommunications & Utilities: Promoting competition for long distance telecommunications. Reported by Committee on Energy & Utilities

MAJORITY recommendation: Do pass. Signed by Representatives Casada, Chairman; Crouse, Vice Chairman; Kessler, Ranking Minority Member; Kremen, Assistant Ranking Minority Member; Huff; Mastin; Mielke; Mitchell and Patterson.

MINORITY recommendation: Do not pass. Signed by Representative Hankins, Vice Chairman.

Voting Nay: Representative Hankins.

Excused: Representative Chandler.

Passed to Committee on Rules for second reading.

March 28, 1995

SSB 5164 Prime Sponsor, Committee on Law & Justice: Allowing a conformed copy of certain orders to be served. Reported by Committee on Law & Justice
MAJORITY recommendation: Do pass. Signed by Representatives Sheahan, Chairman; Delvin, Vice Chairman; Hicke, Vice Chairman; Appelwick, Ranking Minority Member; Costa, Assistant Ranking Minority Member; Campbell; Carrell; Chappell; Cody; Lambert; McMahan; Morris; Robertson; Smith; Thibaudeau and Veloria.

Voting Yea: Representatives Appelwick, Campbell, Carrell, Chappell, Cody, Costa, Delvin, Hicke, Lambert, McMahan, Morris, Robertson, Sheahan, Smith, Thibaudeau and Veloria.

Passed to Committee on Rules for second reading.

SSB 5222 Prime Sponsor, Committee on Transportation: Regulating length of log trucks. Reported by Committee on Transportation

MAJORITY recommendation: Do pass. Signed by Representatives K. Schmidt, Chairman; Benton, Vice Chairman; Mitchell, Vice Chairman; R. Fisher, Ranking Minority Member; Hatfield, Assistant Ranking Minority Member; Backlund; Blanton; Buck; Cairnes; Chopp; Elliot; Hankins; Horn; Johnson; Koster; McMahan; Ogden; Quall; Robertson; Romero; D. Schmidt; Scott and Tokuda.

Voting Yea: Representatives Backlund, Benton, Blanton, Buck, Cairnes, Chopp, R. Fisher, Hankins, Hatfield, Horn, Johnson, Koster, McMahan, Mitchell, Ogden, Patterson, Quall, Robertson, Romero, D. Schmidt, K. Schmidt and Scott.

Excused: Representatives Brown, Chandler, Elliot, Skinner and Tokuda.

Passed to Committee on Rules for second reading.

March 28, 1995

SB 5292 Prime Sponsor, Sutherland: Revising the level of civil penalties for violation of gas pipeline safety regulations. Reported by Committee on Energy & Utilities

MAJORITY recommendation: Do pass with the following amendment:

On page 1, beginning on line 13, after "specified in" strike all material through "1992" on line 15, and insert "federal pipeline safety laws (49 U.S.C. 60101 et seq.) in effect on the effective date of this act"

Signed by Representatives Casada, Chairman; Crouse, Vice Chairman; Hankins, Vice Chairman; Kessler, Ranking Minority Member; Kremen, Assistant Ranking Minority Member; Huff; Mastin; Mielke; Mitchell and Patterson.

Excused: Representative Chandler.

Passed to Committee on Rules for second reading.

SSB 5334 Prime Sponsor, Committee on Law & Justice: Amending the corporations act. Reported by Committee on Law & Justice

MAJORITY recommendation: Do pass. Signed by Representatives Sheahan, Chairman; Delvin, Vice Chairman; Hicke, Vice Chairman; Appelwick, Ranking Minority Member; Costa, Assistant Ranking Minority Member; Campbell; Carrell; Chappell; Cody; Lambert; McMahan; Morris; Robertson; Smith; Thibaudeau and Veloria.
Voting Yea: Representatives Appelwick, Campbell, Carrell, Chappell, Cody, Costa, Delvin, Hickel, Lambert, McMahan, Morris, Robertson, Sheahan, Smith, Thibaudeau and Veloria.

Passed to Committee on Rules for second reading.

March 28, 1995

SSB 5335  Prime Sponsor, Committee on Financial Institutions & Housing:  Updating uniform commercial code provisions on investment securities.  Reported by Committee on Law & Justice

MAJORITY recommendation:  Do pass.  Signed by Representatives Sheahan, Chairman; Delvin, Vice Chairman; Hickel, Vice Chairman; Appelwick, Ranking Minority Member; Costa, Assistant Ranking Minority Member; Campbell; Carrell; Chappell; Cody; Lambert; McMahan; Morris; Robertson; Smith; Thibaudeau and Veloria.

Voting Yea: Representatives Appelwick, Campbell, Carrell, Chappell, Cody, Costa, Delvin, Hickel, Lambert, McMahan, Morris, Robertson, Sheahan, Smith, Thibaudeau and Veloria.

Passed to Committee on Rules for second reading.

March 27, 1995

E2SSB 5632  Prime Sponsor, Committee on Ways & Means:  Providing for flood damage reduction.  Reported by Committee on Agriculture & Ecology

MAJORITY recommendation:  Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION.  Sec.  1.  The legislature finds that river and stream systems can threaten public and private property during flood events.  The legislature therefore declares that reducing flood damage through the use of structural and nonstructural projects is in the public interest and that it is the duty of the state to properly fund flood control projects.  Structural and nonstructural projects include but are not limited to:  Streambank stabilization, river channel maintenance, land use restrictions, land buy-outs, flood easements, and emergency notification.

Sec.  2.  RCW 36.70A.060 and 1991 sp.s.c 32 s 21 are each amended to read as follows:  (1) Each county that is required or chooses to plan under RCW 36.70A.040, and each city within such county, shall adopt development regulations on or before September 1, 1991, to assure the conservation of agricultural, forest, and mineral resource lands designated under RCW 36.70A.170.  Regulations adopted under this subsection may not prohibit uses legally existing on any parcel prior to their adoption and shall remain in effect until the county or city adopts development regulations pursuant to RCW 36.70A.120.  Such regulations shall assure that the use of lands adjacent to agricultural, forest, or mineral resource lands shall not interfere with the continued use, in the accustomed manner and in accordance with best management practices, of these designated lands for the production of food, agricultural products, or timber, or for the extraction of minerals.  Counties and cities shall require that all plats, short plats, development permits, and building permits issued for development activities on, or within three hundred feet of, lands designated as agricultural lands, forest lands, or mineral resource lands, contain a notice that the subject property is within or near designated agricultural lands, forest lands, or mineral resource lands on which a variety of commercial activities may occur that are not compatible with residential development for certain periods of limited duration.

(2) Each county and city shall adopt development regulations that protect critical areas that are required to be designated under RCW 36.70A.170.  For counties and cities that are required or choose to plan under RCW 36.70A.040, such development regulations shall be adopted on or before September 1, 1991.  For the remainder of the counties and cities, such development regulations shall be adopted on or before March 1, 1992.

(3) Such counties and cities shall review these designations and development regulations when adopting their comprehensive plans under RCW 36.70A.040 and implementing development
regulations under RCW 36.70A.120 and may alter such designations and development regulations to
insure consistency.

(4) Forest land and agricultural land located within urban growth areas shall not be designated
by a county or city as forest land or agricultural land of long-term commercial significance under RCW
36.70A.170 unless the city or county has enacted a program authorizing transfer or purchase of
development rights.

(5) All development regulations developed under this section shall be consistent with the flood
plain management plan adopted by the county under RCW 86.26.105.

Sec. 3. RCW 36.70A.070 and 1990 1st ex.s. c 17 s 7 are each amended to read as follows:
The comprehensive plan of a county or city that is required or chooses to plan under RCW
36.70A.040 shall consist of a map or maps, and descriptive text covering objectives, principles, and
standards used to develop the comprehensive plan. The plan shall be an internally consistent document
and all elements shall be consistent with the future land use map, and the comprehensive flood plain
management plan adopted by the county under RCW 86.26.105. A comprehensive plan shall be
adopted and amended with public participation as provided in RCW 36.70A.140.

Each comprehensive plan shall include a plan, scheme, or design for each of the following:
(1) A land use element designating the proposed general distribution and general location and
extent of the uses of land, where appropriate, for agriculture, timber production, housing, commerce,
industry, recreation, open spaces, public utilities, public facilities, and other land uses. The land use
element shall include population densities, building intensities, and estimates of future population
growth. The land use element shall provide for protection of the quality and quantity of ground water
used for public water supplies. Where applicable, the land use element shall review drainage,
flooding, and storm water run-off in the area and nearby jurisdictions and provide guidance for
corrective actions to mitigate or cleanse those discharges that pollute waters of the state, including
Puget Sound or waters entering Puget Sound.

(2) A housing element recognizing the vitality and character of established residential
neighborhoods that: (a) Includes an inventory and analysis of existing and projected housing needs; (b)
includes a statement of goals, policies, and objectives for the preservation, improvement, and
development of housing; (c) identifies sufficient land for housing, including, but not limited to,
government-assisted housing, housing for low-income families, manufactured housing, multifamily
housing, and group homes and foster care facilities; and (d) makes adequate provisions for existing and
projected needs of all economic segments of the community.

(3) A capital facilities plan element consisting of: (a) An inventory of existing capital facilities
owned by public entities, showing the locations and capacities of the capital facilities; (b) a forecast of
the future needs for such capital facilities; (c) the proposed locations and capacities of expanded or new
capital facilities; (d) at least a six-year plan that will finance such capital facilities within projected
funding capacities and clearly identifies sources of public money for such purposes; and (e) a
requirement to reassess the land use element if probable funding falls short of meeting existing needs
and to ensure that the land use element, capital facilities plan element, and financing plan within the
capital facilities plan element are coordinated and consistent.

(4) A utilities element consisting of the general location, proposed location, and capacity of all
existing and proposed utilities, including, but not limited to, electrical lines, telecommunication lines,
and natural gas lines.

(5) Counties shall include a rural element including lands that are not designated for urban
growth, agriculture, forest, or mineral resources. The rural element shall permit land uses that are
compatible with the rural character of such lands and provide for a variety of rural densities.

(6) A transportation element that implements, and is consistent with, the land use element. The
transportation element shall include the following subelements:
(a) Land use assumptions used in estimating travel;
(b) Facilities and services needs, including:
   (i) An inventory of air, water, and land transportation facilities and services, including transit
       alignments, to define existing capital facilities and travel levels as a basis for future planning;
   (ii) Level of service standards for all arterials and transit routes to serve as a gauge to judge
       performance of the system. These standards should be regionally coordinated;
   (iii) Specific actions and requirements for bringing into compliance any facilities or services
       that are below an established level of service standard;
(iv) Forecasts of traffic for at least ten years based on the adopted land use plan to provide information on the location, timing, and capacity needs of future growth;
(v) Identification of system expansion needs and transportation system management needs to meet current and future demands;
(c) Finance, including:
(i) An analysis of funding capability to judge needs against probable funding resources;
(ii) A multiyear financing plan based on the needs identified in the comprehensive plan, the appropriate parts of which shall serve as the basis for the six-year street, road, or transit program required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems;
(iii) If probable funding falls short of meeting identified needs, a discussion of how additional funding will be raised, or how land use assumptions will be reassessed to ensure that level of service standards will be met;
(d) Intergovernmental coordination efforts, including an assessment of the impacts of the transportation plan and land use assumptions on the transportation systems of adjacent jurisdictions;
(e) Demand-management strategies.

After adoption of the comprehensive plan by jurisdictions required to plan or who choose to plan under RCW 36.70A.040, local jurisdictions must adopt and enforce ordinances which prohibit development approval if the development causes the level of service on a transportation facility to decline below the standards adopted in the transportation element of the comprehensive plan, unless transportation improvements or strategies to accommodate the impacts of development are made concurrent with the development. These strategies may include increased public transportation service, ride sharing programs, demand management, and other transportation systems management strategies. For the purposes of this subsection (6) “concurrent with the development” shall mean that improvements or strategies are in place at the time of development, or that a financial commitment is in place to complete the improvements or strategies within six years.

The transportation element described in this subsection, and the six-year plans required by RCW 35.77.010 for cities, RCW 36.81.121 for counties, and RCW 35.58.2795 for public transportation systems, must be consistent.

Sec. 4. RCW 36.70A.170 and 1990 1st ex.s. c 17 s 17 are each amended to read as follows:
(1) On or before September 1, 1991, each county, and each city, shall designate where appropriate:
   (a) Agricultural lands that are not already characterized by urban growth and that have long-term significance for the commercial production of food or other agricultural products;
   (b) Forest lands that are not already characterized by urban growth and that have long-term significance for the commercial production of timber;
   (c) Mineral resource lands that are not already characterized by urban growth and that have long-term significance for the extraction of minerals; and
   (d) Critical areas.
(2) In making the designations required by this section, counties and cities shall consider the guidelines established pursuant to RCW 36.70A.050, and shall make such designations so that they are consistent with the flood plain management plan adopted by the county under RCW 86.26.105.

Sec. 5. RCW 43.21C.020 and 1971 ex.s. c 109 s 2 are each amended to read as follows:
(1) The legislature, recognizing that ((man)) people depend((s)) on ((his)) their biological and physical surroundings for food, shelter, and other needs, and for cultural enrichment as well(), and recognizing further the profound impact of ((man's)) human activity on the interrelations of all components of the natural environment, particularly the profound influences of population growth, high-density urbanization, industrial expansion, resource utilization and exploitation, and new and expanding technological advances, and recognizing further the critical importance of restoring and maintaining environmental quality to the overall welfare and development of ((man)) people, declares that it is the continuing policy of the state of Washington, in cooperation with federal and local governments, and other concerned public and private organizations, to use all practicable means and measures, including financial and technical assistance, in a manner calculated to:
   (a) Foster and promote the general welfare; (b) ((to)) create and maintain conditions under which ((man)) people and
nature can exist in productive harmony; and (c) fulfill the social, economic, and other requirements of
present and future generations of Washington citizens.

(2) In order to carry out the policy set forth in this chapter, it is the continuing responsibility of
the state of Washington and all agencies of the state to use all practicable means, consistent with other
essential considerations of state policy, to improve and coordinate plans, functions, programs, and
resources to the end that the state and its citizens may:

(a) Fulfill the responsibilities of each generation as trustee of the environment for succeeding
generations;
(b) Assure for all people of Washington safe, healthful, productive, and aesthetically and
culturally pleasing surroundings;
(c) Attain the widest range of beneficial uses of the environment without degradation, risk to
health or safety, or other undesirable and unintended consequences;
(d) Preserve important historic, cultural, and natural aspects of our national heritage;
(e) Maintain, wherever possible, an environment which supports diversity and variety of
individual choice;
(f) Achieve a balance between population and resource use which will permit high standards of
living and a wide sharing of life’s amenities; ((and))
(g) Enhance the quality of renewable resources and approach the maximum attainable recycling
of depletable resources; and
(h) Provide for the prevention, minimization, and repair of flood damage as defined in RCW
86.16.120.

(3) The legislature recognizes that each person has a fundamental and inalienable right to a
healthful environment and that each person has a responsibility to contribute to the preservation and
enhancement of the environment.

NEW SECTION. Sec. 6. A new section is added to chapter 75.20 RCW to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply to RCW
75.20.100, 75.20.103, and 75.20.130.

(1) "Bed" means the land below the ordinary high water lines of state waters. This definition
does not include irrigation ditches, canals, storm water run-off devices, or other artificial watercourses
except where they exist in a natural watercourse that has been altered by humans.

(2) "Commercial" means any facility or building used for commerce, including those used for
agricultural or industrial purposes.

(3) "Emergency" means an immediate threat to life, public land, or private property, or an
immediate threat of serious environmental degradation.

(4) "Streambank stabilization" includes but is not limited to log and debris removal; bank
protection including riprap, jetties, and groins; gravel removal; and erosion control.

(5) "To construct any form of hydraulic project or perform other work" does not include the
act of driving across an established ford. Driving across streams or on wetted stream beds at areas
other than established fords requires approval. Work within the ordinary high water line of state
waters to construct or repair a ford or crossing requires approval.

NEW SECTION. Sec. 7. A new section is added to chapter 75.20 RCW to read as follows:
The permitting department may impose the following conditions on persons applying under
RCW 75.20.100 or 75.20.103:

(1) The permittee shall establish an excavation line. "Excavation line" means a line on the dry
bed, parallel to the water’s edge unless otherwise stated, that changes with water level fluctuations.

(2) The permittee may not remove bed material from the water side of the excavation line.

(3) The permittee shall begin excavating at the excavation line and proceed toward the bank,
perpendicular to the alignment of the watercourse.

(4) The permittee shall keep the maximum distance of excavation toward the bank from the
excavation line approximately equal throughout the excavation zone. "Excavation zone" means the
area between the excavation line and the bank.

(5) The permittee shall identify the excavation zone with boundary markers.

(6) The permittee shall maintain a minimum one-half percent gradient upward from the
excavation line in the excavation zone.

(7) The permittee shall ensure that the excavation zone is free of pits or potholes.
The permittee shall not stockpile or spoil excavated materials within the ordinary high water line except from June 15 to October 15.

The permittee may not allow any equipment within the wetted perimeter of the watercourse without specific permission.

The permittee shall dispose of debris in the excavation zone so it does not reenter the watercourse.

The permittee may not perform gravel washing or crushing operations below the ordinary high water line.

The permittee shall be allowed to remove only that amount of rock, sand, gravel, or silt which is naturally replenished on an annual basis, except in instances where a lapse in material removal has occurred. If such lapse has occurred, then an amount of material equivalent to the amount estimated to have accumulated since the last material removal operation, including debris and vegetation, may be removed.

Sec. 8. RCW 75.20.100 and 1993 sp.s. c 2 s 30 are each amended to read as follows:

(1) In the event that any person or government agency desires to construct any form of hydraulic project or perform other work that will use, divert, obstruct, or change the natural flow or bed of any of the salt or fresh waters of the state, such person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure the written approval of the department as to the adequacy of the means proposed for the protection of fish life. The hydraulic project approval authority of the department shall be limited to construction or other work that occurs at or below the mean higher high water line in salt water and estuaries or at or below the ordinary high water line in fresh water. The department shall neither deny nor condition a hydraulic project approval on the basis of human or animal actions or environmental conditions that occur above the higher high water line in salt water and estuaries or above the ordinary high water line in fresh water. The department may not limit, condition, or otherwise affect the amount, timing, or delivery method of water diverted under chapter 90.03 RCW. This approval shall not be unreasonably withheld. Except as provided in RCW 75.20.1001 ((and 75.20.1002)), the department shall grant or deny approval within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section. The applicant may document receipt of application by filing in person or by registered mail. A complete application for approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within the mean higher high water line in salt water or within the ordinary high water line in fresh water, and complete plans and specifications for the proper protection of fish life. The forty-five day requirement shall be suspended if (((1))) (a) after ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project; (((2))) (b) the site is physically inaccessible for inspection; or (((3))) (c) the applicant requests delay. Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay. Approval is valid for a period of up to five years from date of issuance. The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned.

(2) In making a decision as to whether fish life is protected, the department shall determine if a project as proposed or modified:

(a) Presents no substantial risk to fish life and provides fish habitat productivity that is equivalent to preproject conditions at the project site within three years of the project's completion; or

(b)(i) Protects a residential, commercial, or industrial facility or structure that is likely to incur significant flood damage during the next flood season if the project is not completed; and (ii) lessens the loss of fish life or habitat as compared to a project resulting from an emergency request under this section.

The department shall approve a project if it determines that the project meets either (a) or (b) of this subsection. This subsection (2) shall apply only to projects that are consistent with a comprehensive food control management plan, as determined by the county.
Chapter 34.05 RCW applies to any denial of project approval, conditional approval, or requirements for project modification upon which approval may be contingent. If any person or government agency commences construction on any hydraulic works or projects subject to this section without first having obtained written approval of the department as to the adequacy of the means proposed for the protection of fish life, or if any person or government agency fails to follow or carry out any of the requirements or conditions as are made a part of such approval, the person or director of the agency is guilty of a gross misdemeanor. If any such person or government agency is convicted of violating any of the provisions of this section and continues construction on any such works or projects without fully complying with the provisions hereof, such works or projects are hereby declared a public nuisance and shall be subject to abatement as such.

For the purposes of this section and RCW 75.20.103, “bed” shall mean the land below the ordinary high water lines of state waters. This definition shall not include irrigation ditches, canals, storm water run-off devices, or other artificial water courses except where they exist in a natural watercourse that has been altered by man.

The phrase “to construct any form of hydraulic project or perform other work” shall not include the act of driving across an established ford. Driving across streams or on wetted stream beds at areas other than established fords requires approval. Work within the ordinary high water line of state waters to construct or repair a ford or crossing requires approval.

In case of an emergency arising from weather or stream flow conditions or other natural conditions, upon request the department, through its authorized representatives, shall ((issue)) grant immediately, oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or ((to protect)) protecting property threatened by the stream or a change in the stream flow without ((the necessity of obtaining)) requiring a written approval prior to commencing work. Conditions of an oral approval shall be reduced to writing within thirty days and complied with as provided for in this section. Oral approval shall be granted immediately upon request, for a stream crossing during an emergency situation.

In granting approval for projects submitted by local flood control agencies, the department shall grant a special duration hydraulic permit approval if the submitted project is a multiyear maintenance program. The approval shall be granted for up to five years, or the actual number of years covered by the maintenance program, whichever is less.

This section shall not apply to the repair of an existing flood control project if the project is determined by the county to be:
(a) Consistent with a currently approved comprehensive flood control management plan; and
(b) Necessary to avoid flood damage during the next flood season.

This section shall not apply to the construction of any form of hydraulic project or other work which diverts water for agricultural irrigation or stock watering purposes authorized under or recognized as being valid by the state’s water codes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020. These irrigation or stock watering diversion and streambank stabilization projects shall be governed by RCW 75.20.103.

Sec. 9. RCW 75.20.103 and 1993 sp. s. c 2 s 32 are each amended to read as follows:
(1) In the event that any person or government agency desires to construct any form of hydraulic project or other work that diverts water for agricultural irrigation or stock water purposes, or when such hydraulic project or other work is associated with streambank stabilization or flood damage reduction to protect farm and agricultural land as defined in RCW 84.34.020, and when such ((diversion or streambank stabilization)) hydraulic project will use, divert, obstruct, or change the natural flow or bed of any river or stream or will utilize any waters of the state or materials from the stream beds, the person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure a written approval from the department as to the adequacy of the means proposed for the protection of fish life. The hydraulic project approval authority of the department shall be limited to construction or other work that occurs at or below the mean higher high water line in salt water and estuaries or at or below the ordinary high water line in fresh water. The department shall neither deny nor condition a hydraulic project approval on the basis of human or animal actions or environmental conditions that occur above the higher high water line in salt water and estuaries or above the ordinary high water line in fresh water. The department may not limit, condition, or otherwise affect the amount, timing, or delivery method of water diverted under
chapter 90.03 RCW. This approval shall not be unreasonably withheld. Except as provided in RCW 75.20.1001 ((and 75.20.1002)), the department shall grant or deny the approval within forty-five calendar days of the receipt of a complete application ((and notice of compliance with any applicable requirements of the state environmental policy act.)) made in the manner prescribed in this section. The applicant may document receipt of application by filing in person or by registered mail.

(2) A complete application for an approval shall:
   (a) Contain general plans for the overall project, complete plans and specifications of the proposed construction or work within ordinary high water line, and complete plans and specifications for the proper protection of fish life; and
   (b) Not be required to include notice of compliance with any applicable requirements of the state environmental policy act. Final approval of a project may not be granted until any applicable requirements of the state environmental policy act have been satisfied.

(3) The forty-five day requirement shall be suspended if ((1)):
   (a) After ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project; ((2))
   (b) The site is physically inaccessible for inspection; ((or (3))
   (c) After forty-four days of receipt of a complete application, a notice of compliance with the state environmental policy act has not been issued; or
   (d) The applicant requests delay.

(4) Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay.

(5) In making a decision as to whether fish life is protected, the department shall determine if a project as proposed or modified:
   (a) Presents no substantial risk to fish life and provides fish habitat productivity that is equivalent to preproject conditions at the project site within three years of the project's completion; or
   (b)(i) Protects a residential, commercial, or industrial facility or structure that is likely to incur significant flood damage during the next flood season if the project is not completed; and (ii) lessens the loss of fish life or habitat as compared to a project resulting from an emergency request under this section.

   The department shall approve a project if it determines that the project meets either (a) or (b) of this subsection. This subsection (5) shall apply only to projects that are consistent with a comprehensive flood control management plan, as determined by the county.

(6) An approval shall remain in effect without need for periodic renewal for projects that divert water for agricultural irrigation or stock watering purposes and that involve seasonal construction or other work. Approval for streambank stabilization projects shall remain in effect without need for periodic renewal if the problem causing the need for the streambank stabilization occurs on an annual or more frequent basis. The permittee must notify the appropriate agency before commencing the construction or other work within the area covered by the approval.

(7) The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Issuance, denial, conditioning, or modification shall be appealable to the hydraulic appeals board established in RCW 43.21B.005 within thirty days of the notice of decision. The burden shall be upon the department to show that the denial or conditioning of an approval is solely aimed at the protection of fish life.

(8) The department may, after consultation with the permittee, modify an approval due to changed conditions. The modifications shall become effective unless appealed to the hydraulic appeals board within thirty days from the notice of the proposed modification. The burden is on the department to show that changed conditions warrant the modification in order to protect fish life.

(9) A permittee may request modification of an approval due to changed conditions. The request shall be processed within forty-five calendar days of receipt of the written request. A decision by the department may be appealed to the hydraulic appeals board within thirty days of the notice of the decision. The burden is on the permittee to show that changed conditions warrant the requested modification and that such modification will not impair fish life.

(10) If any person or government agency commences construction on any hydraulic works or projects subject to this section without first having obtained written approval of the department as to the
adequacy of the means proposed for the protection of fish life, or if any person or government agency fails to follow or carry out any of the requirements or conditions as are made a part of such approval, the person or director of the agency is guilty of a gross misdemeanor. If any such person or government agency is convicted of violating any of the provisions of this section and continues construction on any such works or projects without fully complying with the provisions hereof, such works or projects are hereby declared a public nuisance and shall be subject to abatement as such.

(11) In granting approval for projects submitted by local flood control agencies, the department shall grant a special duration hydraulic permit approval if the submitted project is a multiyear maintenance program. The approval shall be granted for up to five years, or the actual number of years covered by the maintenance program, whichever is less.

(12) In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department, through its authorized representatives, shall issue immediately upon request oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval shall be reduced to writing within thirty days and complied with as provided for in this section. Oral approval shall be granted immediately upon request, for a stream crossing during an emergency.

((For purposes of this chapter, "streambank stabilization" shall include but not be limited to log and debris removal, bank protection (including riprap, jetties, and groins), gravel removal and erosion control.))

(13) This section shall not apply to a project involving the repair of an existing flood control facility if the project is determined by the county to be:

(a) Consistent with a previously approved comprehensive flood control management plan; and
(b) Necessary to avoid flood damage during the next flood season.

Sec. 10. RCW 75.20.130 and 1993 sp.s.c 2 s 37 are each amended to read as follows:

(1) There is hereby created within the environmental hearings office under RCW 43.21B.005 the hydraulic appeals board of the state of Washington.

(2) The hydraulic appeals board shall consist of three members: The director of the department of ecology or the director's designee, the director of the department of agriculture or the director's designee, and the director or the director's designee of the department whose action is appealed under subsection (6) of this section. A decision must be agreed to by at least two members of the board to be final.

(3) The board may adopt rules necessary for the conduct of its powers and duties or for transacting other official business.

(4) The board shall make findings of fact and prepare a written decision in each case decided by it, and that finding and decision shall be effective upon being signed by two or more board members and upon being filed at the hydraulic appeals board's principal office, and shall be open to public inspection at all reasonable times.

(5) The board has exclusive jurisdiction to hear appeals arising from the approval, denial, conditioning, or modification of a hydraulic approval issued by the department under the authority granted in RCW 75.20.103 for the diversion of water for agricultural irrigation or stock watering purposes or when associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020.

(6)(a) Any person aggrieved by the approval, denial, conditioning, or modification of a hydraulic approval pursuant to RCW 75.20.103 may seek review from the board by filing a request for the same within thirty days of notice of the approval, denial, conditioning, or modification of such approval.

(b) The review proceedings authorized in (a) of this subsection are subject to the provisions of chapter 34.05 RCW pertaining to procedures in adjudicative proceedings.

(c) If a review proceeding authorized in (a) of this subsection finds for the aggrieved permit applicant, the applicant may be awarded any legal and engineering costs involved in challenging the permit decision.

NEW SECTION. Sec. 11. A new section is added to chapter 79.90 RCW to read as follows:

(1) Use or modification, or both, of any river system must involve basic hydraulic principles, as well as harmonize as much as possible with existing aquatic ecosystems, and human needs.
(2) The department, commissioner, and board shall:
(a) Encourage bank and island stabilization programs which rely mainly on natural vegetative
systems as holding elements;
(b) Encourage research to develop alternative methods of channel control, utilizing natural
systems of stabilization;
(c) Recognize natural plant and animal communities and other features that provide an
ecological balance to a streamway in evaluating competing human uses and require protection from
significant human impact; and
(d) Recognize that hydraulic conditions may require the installation of riprap or other similar
measure to further protect natural systems of stabilization.
(3) No person may remove normal stream depositions of logs, uprooted tree snags, and stumps
which abut on shorelands and do not intrude on the navigational channel or reduce flow, or adversely
redirect a river course, and are not harmful to life and property without the department's permission
but the department must consider the need to protect the resultant dependent aquatic systems.
(4) No person may fill indentations such as mudholes, eddies, pools, and aeration drops
without permission of the department.
(5) The department may permit river channel relocations only when an overriding public
benefit can be shown. Filling, grading, lagooning, or dredging which would result in substantial
detriment to navigable waters by reason of erosion, sedimentation, or impairment of fish and aquatic
life are not authorized.
(6) No person may remove sand and gravel below the wetted perimeter of navigable rivers
unless authorized by a hydraulics permit issued by either the department of fisheries or department of
wildlife under RCW 75.20.100 and 75.20.103. These removals may be authorized for maintenance
and improvement of navigational channels or for creating backwater channels for fish rearing or
improvement of the flow capacity of the channels.
(7) The department may allow sand and gravel removals above the wetted perimeter of a
navigable river which are not harmful to public health and safety when any or all of the following
situations exist:
(a) The removal is designed to create or improve a feature such as a pond, wetland, or other
habitat valuable for fish and wildlife;
(b) The removal provides recreational benefits;
(c) The removal will aid in reducing a detrimental accumulation of aggregates in downstream
lakes, reservoirs, and river beds;
(d) The removal will aid in reducing damage to private or public land and property abutting a
navigable river;
(e) The removal will contribute to increased flood protection for private or public land;
(8) The department may not allow sand and gravel removals above the wetted perimeter of a
navigable river when:
(a) The location of such material is below a dam and has inadequate supplementary feeding of
gravel or sand;
(b) Removal will cause unstable hydraulic conditions detrimental to fish, wildlife, public
health, and safety; or
(c) Removal will impact esthetics of nearby recreational facilities.
(9) No person may perform bank dumping or junk revetment on aquatic lands.
(10) The department shall condition sand and gravel removal leases to allow removal of only
that amount which is naturally replenished on an annual basis, except in instances where a lapse in
material removal has occurred. If such a lapse has occurred, then an amount of material equivalent to
the amount estimated to have accumulated since the last material removal operation, including debris
and vegetation, may be removed.

Sec. 12. RCW 79.90.150 and 1991 c 337 s 1 are each amended to read as follows:
When gravel, rock, sand, silt or other material from any aquatic lands is removed by any
public agency or under public contract for channel or harbor improvement, or flood control, use of
such material may be authorized by the department of natural resources for a public purpose on land
owned or leased by the state or any municipality, county, or public corporation: PROVIDED, That
when no public land site is available for deposit of such material, its deposit on private land with the
landowner's permission is authorized and may be designated by the department of natural resources to
be for a public purpose. Prior to removal and use, the state agency, municipality, county, or public
organization contemplating or arranging such use shall first obtain written permission from the
department of natural resources. No payment of royalty shall be required for such gravel, rock, sand,
silt, or other material used for such public purpose, but a charge will be made if such material is
subsequently sold or used for some other purpose. PROVIDED, That the department may authorize
such public agency or private landowner to dispose of such material without charge when necessary to
implement disposal of material. No charge shall be required for any use of the material obtained under
the provisions of this chapter when used solely on an authorized site. No charge shall be required for
any use of the material obtained under the provisions of this chapter if the material is used for public
purposes by local governments. No charge may be required for removal or use of such material if the
removal of the material is determined by the local government to be for flood control purposes.
Public purposes include, but are not limited to, construction and maintenance of roads, dikes, and levees.
Nothing in this section shall repeal or modify the provisions of RCW 75.20.100 or eliminate the
necessity of obtaining a permit for such removal from other state or federal agencies as otherwise
required by law.

Sec. 13. RCW 79.90.300 and 1991 c 322 s 26 are each amended to read as follows:
(1) The department of natural resources, upon application by any person or when determined
by the department to be in the best interest of the state, may enter into a contract or lease providing for
the removal and sale of rock, gravel, sand, and silt, or other valuable materials located within or upon
beds of navigable waters, or upon any tidelands or shorelands belonging to the state and providing for
payment to be made therefor by such royalty as the department may fix, by negotiation, by sealed bid,
or at public auction. If application is made for the purchase of any valuable material situated within or
upon aquatic lands the department shall inspect and appraise the value of the material in the
application. The department may reduce or eliminate royalties in areas prone to flooding. Removal of
material from within the ordinary high water mark must be construed as being removed for flood
control purposes. The department may include a provision in contracts for the removal of rock,
gravel, sand, or silt that allows for payment to be made as the material is sold.
(2) The department shall actively seek to encourage through permit requirements and adjusted
fees the removal of accumulated materials from rivers and streams where there is a flood damage
reduction benefit. The department shall develop policies to accomplish this goal.

Sec. 14. RCW 86.15.030 and 1969 ex. s. c 195 s 2 are each amended to read as follows:
Upon receipt of a petition asking that a zone be created, or upon motion of the board, the board
shall adopt a resolution which shall describe the boundaries of such proposed zone; describe in general
terms the flood control needs or requirements within the zone; set a date for public hearing upon the
creation of such zone, which shall be not more than thirty days after the adoption of such resolution.
Notice of such hearing and publication shall be had in the manner provided in RCW 36.32.120(7).
At the hearing scheduled upon the resolution, the board shall permit all interested parties to be
heard. Thereafter, the board may reject the resolution or it may modify the boundaries of such zone
and make such other corrections or additions to the resolutions as they deem necessary to the
accomplishment of the purpose of this chapter: PROVIDED, That if the boundaries of such zone are
enlarged, the board shall hold an additional hearing following publication and notice of such new
boundaries: PROVIDED FURTHER, That the boundaries of any zone shall generally follow the
boundaries of the watershed area affected: PROVIDED FURTHER, That the immediately preceding
proviso shall in no way limit or be construed to prohibit the formation of a county-wide flood control
zone district authorized to be created by RCW 86.15.025.
Within ((ten)) thirty days after final hearing on a resolution, the board shall issue its ((order))
ordinance creating the flood control zone district.

Sec. 15. RCW 86.15.050 and 1961 c 153 s 5 are each amended to read as follows:
The board ((of county commissioners of each county)) shall be ex officio, by virtue of their
office, supervisors of the zones created in each county. The supervisors of the district shall conduct
the business of the flood control zone district according to the regular rules and procedures that it
adopts.

Sec. 16. RCW 86.15.160 and 1986 c 278 s 60 are each amended to read as follows:
For the purposes of this chapter the supervisors may authorize:

1. An annual excess ad valorem tax levy within any zone or participating zones when authorized by the voters of the zone or participating zones under RCW 84.52.052 and 84.52.054;
2. An assessment upon property, including state property, specially benefitted by flood control improvements or storm water control improvements imposed under chapter 86.09 RCW;
3. Within any zone or participating zones an annual ad valorem property tax levy of not to exceed fifty cents per thousand dollars of assessed value when the levy will not take dollar rates that other taxing districts may lawfully claim and that will not cause the combined levies to exceed the constitutional and/or statutory limitations, and the additional levy, or any portion thereof, may also be made when dollar rates of other taxing units is released therefor by agreement with the other taxing units from their authorized levies under chapter 39.67 RCW;
4. A charge, under RCW 36.89.080 through 36.89.100, for the furnishing of service to those who are receiving or will receive benefits from storm water control facilities (and) or who are contributing to an increase in surface water runoff. Except as otherwise provided in RCW 90.03.525, any public entity and public property, including the state and state property, shall be liable for the charges to the same extent a private person and privately owned property is liable for the charges, and in setting these rates and charges, consideration may be made of in-kind services, such as stream improvements or donation of property;
5. The creation of local improvement districts and utility local improvement districts, the issuance of improvement district bonds and warrants, and the imposition, collection, and enforcement of special assessments on all property, including any state-owned or other publicly-owned property, specially benefitted from improvements in the same manner as provided for counties by chapter 36.94 RCW.

Sec. 17. RCW 86.26.105 and 1986 c 46 s 5 are each amended to read as follows:

(A comprehensive flood control management plan shall determine the need for flood control work, consider alternatives to in-stream flood control work, identify and consider potential impacts of in-stream flood control work on the state's in-stream resources, and identify the river's meander belt or floodway.)

1. A comprehensive flood control management plan shall be completed and adopted (within at least three years of the certification that it is being prepared, as provided in RCW 86.26.050) by any county that has experienced at least two presidentially declared flood disasters within the most recent ten-year period by December 31, 1999, or within two years of a second presidentially declared flood disaster.

2. If (after this three-year period has elapsed), by December 31, 1999, or within two years of a second presidentially declared flood disaster, such a comprehensive flood control plan has not been completed and adopted, grants for flood control maintenance projects shall not be made to the county or municipal corporations in the county until a comprehensive flood control plan is completed and adopted by the appropriate local authority. These limitations on grants shall not preclude allocations for emergency purposes made pursuant to RCW 86.26.060, however, priority consideration for emergency assistance shall be given to those counties that are required to plan, and have completed a plan, as required under this section.

Sec. 18. RCW 90.58.180 and 1994 c 253 s 3 are each amended to read as follows:

1. Any person aggrieved by the granting, denying, or rescinding of a permit on shorelines of the state pursuant to RCW 90.58.140 may seek review from the shorelines hearings board by filing a request for the same within thirty days of the date of filing as defined in RCW 90.58.140(6).

Concurrently with the filing of any request for review with the board as provided in this section pertaining to a final order of a local government, the requestor shall file a copy of his or her request with the department and the attorney general. If it appears to the department or the attorney general that the requestor has valid reasons to seek review, either the department or the attorney general may certify the request within thirty days after its receipt to the shorelines hearings board following which the board shall then, but not otherwise, review the matter covered by the requestor. The failure to obtain such certification shall not preclude the requestor from obtaining a review in the superior court under any right to review otherwise available to the requestor. The department and the attorney general may intervene to protect the public interest and insure that the provisions of this chapter are complied with at any time within fifteen days from the date of the receipt by the department or the attorney general of a copy of the request for review filed pursuant to this section. The shorelines
hearings board shall initially schedule review proceedings on such requests for review without regard as to whether such requests have or have not been certified or as to whether the period for the department or the attorney general to intervene has or has not expired, unless such review is to begin within thirty days of such scheduling. If at the end of the thirty day period for certification neither the department nor the attorney general has certified a request for review, the hearings board shall remove the request from its review schedule.

(2) The department or the attorney general may obtain review of any final order granting a permit, or granting or denying an application for a permit issued by a local government by filing a written request with the shorelines hearings board and the appropriate local government within thirty days from the date the final order was filed as provided in RCW 90.58.140(6).

(3) The review proceedings authorized in subsections (1) and (2) of this section are subject to the provisions of chapter 34.05 RCW pertaining to procedures in adjudicative proceedings. Judicial review of such proceedings of the shorelines hearings board is governed by chapter 34.05 RCW.

(4) If the review proceedings authorized in subsection (1) of this section find for the requestor, and if the requestor is the permit applicant, the requestor may be awarded any legal and engineering costs involved in challenging the permit decision.

(5) A local government may appeal to the shorelines hearings board any rules, regulations, or guidelines adopted or approved by the department within thirty days of the date of the adoption or approval. The board shall make a final decision within sixty days following the hearing held thereon. If the board determines that the rule, regulation, or guideline:
   (a) Is clearly erroneous in light of the policy of this chapter; or
   (b) Constitutes an implementation of this chapter in violation of constitutional or statutory provisions; or
   (c) Is arbitrary and capricious; or
   (d) Was developed without fully considering and evaluating all material submitted to the department by the local government; or
   (e) Was not adopted in accordance with required procedures; the board shall enter a final decision declaring the rule, regulation, or guideline invalid, remanding the rule, regulation, or guideline to the department with a statement of the reasons in support of the determination, and directing the department to adopt, after a thorough consultation with the affected local government, a new rule, regulation, or guideline. Unless the board makes one or more of the determinations as hereinbefore provided, the board shall find the rule, regulation, or guideline to be valid and enter a final decision to that effect.

(6) Rules, regulations, and guidelines shall be subject to review in superior court, if authorized pursuant to RCW 34.05.570(2). No review shall be granted by a superior court on petition from a local government unless the local government shall first have obtained review under subsection (5) of this section and the petition for court review is filed within three months after the date of final decision by the shorelines hearings board.

NEW SECTION. Sec. 19. A new section is added to chapter 43.17 RCW to read as follows:

Each appropriate agency shall actively seek to encourage through permit requirements the removal of accumulated materials from rivers and streams where there is a flood damage reduction benefit. Each agency shall develop policies to accomplish this goal. Policies shall be developed from a designed, open-channel hydraulic engineering criteria to facilitate the natural downstream movement of detrimental material.

Sec. 20. RCW 86.12.200 and 1991 c 322 s 3 are each amended to read as follows:

The county legislative authority of any county may adopt a comprehensive flood control management plan for any drainage basin that is located wholly or partially within the county.

A comprehensive flood control management plan shall include the following elements:

(1) Designation of areas that are susceptible to periodic flooding, from inundation by bodies of water or surface water runoff, or both, including the river’s meander belt or floodway;

(2) Establishment of a comprehensive scheme of flood control protection and improvements for the areas that are subject to such periodic flooding, that includes: (a) Determining the need for, and desirable location of, flood control improvements to protect or preclude flood damage to structures, works, and improvements, based upon a cost-benefit ratio between the expense of providing and maintaining these improvements and the benefits arising from these improvements; (b)
establishing the level of flood protection that each portion of the system of flood control improvements
will be permitted; (c) identifying alternatives to in-stream flood control work; (d) identifying areas
where flood waters could be directed during a flood to avoid damage to buildings and other structures;
((and)) (e) identifying areas where a river may migrate into a new channel and developing options to
prevent the creation of the new channel, and identifying practices that will avoid long-term accretion of
sediments; and (f) identifying sources of revenue that will be sufficient to finance the comprehensive
scheme of flood control protection and improvements;

(3) Establishing land use regulations that preclude the location of structures, works, or
improvements in critical portions of such areas subject to periodic flooding, including a river’s
meander belt or floodway, and permitting only flood-compatible land uses in such areas;
(4) Establishing restrictions on construction activities in areas subject to periodic floods that
require the flood proofing of those structures that are permitted to be constructed or remodeled; and
(5) Establishing restrictions on land clearing activities and development practices that
exacerbate flood problems by increasing the flow or accumulation of flood waters, or the intensity of
drainage, on low-lying areas. Land clearing activities do not include forest practices as defined in
chapter 76.09 RCW.

A comprehensive flood control management plan shall be subject to the minimum requirements
for participation in the national flood insurance program, requirements exceeding the minimum national
flood insurance program that have been adopted by the department of ecology for a specific flood plain
pursuant to RCW 86.16.031, and rules adopted by the department of ecology pursuant to chapter
86.16 RCW and RCW 86.26.050 relating to flood plain management activities. When a county plans
under chapter 36.70A RCW, it ((may)) must incorporate the portion of its comprehensive flood control
management plan relating to land use restrictions in its comprehensive plan and development
regulations adopted pursuant to chapter 36.70A RCW.

Sec. 21. RCW 90.58.030 and 1987 c 474 s 1 are each amended to read as follows:
As used in this chapter, unless the context otherwise requires, the following definitions and
concepts apply:
(1) Administration:
(a) "Department" means the department of ecology;
(b) "Director" means the director of the department of ecology;
(c) "Local government" means any county, incorporated city, or town which contains within its
boundaries any lands or waters subject to this chapter;
(d) "Person" means an individual, partnership, corporation, association, organization,
cooperative, public or municipal corporation, or agency of the state or local governmental unit however
designated;
(e) "Hearing board" means the shoreline hearings board established by this chapter.
(2) Geographical:
(a) "Extreme low tide" means the lowest line on the land reached by a receding tide;
(b) "Ordinary high water mark" on all lakes, streams, and tidal water is that mark that will be
found by examining the bed and banks and ascertaining where the presence and action of waters are so
common and usual, and so long continued in all ordinary years, as to mark upon the soil a character
distinct from that of the abutting upland, in respect to vegetation as that condition exists on June 1,
1971, as it may naturally change thereafter, or as it may change thereafter in accordance with permits
issued by a local government or the department: PROVIDED, That in any area where the ordinary
high water mark cannot be found, the ordinary high water mark adjoining salt water shall be the line of
mean higher high tide and the ordinary high water mark adjoining fresh water shall be the line of mean
high water;
(c) "Shorelines of the state" are the total of all "shorelines" and "shorelines of state-wide
significance" within the state;
(d) "Shorelines" means all of the water areas of the state, including reservoirs, and their
associated wetlands, together with the lands underlying them; except (i) shorelines of state-wide
significance; (ii) shorelines on segments of streams upstream of a point where the mean annual flow is
twenty cubic feet per second or less and the wetlands associated with such upstream segments; and (iii)
shorelines on lakes less than twenty acres in size and wetlands associated with such small lakes;
(e) "Shorelines of state-wide significance" means the following shorelines of the state:
(i) The area between the ordinary high water mark and the western boundary of the state from Cape Disappointment on the south to Cape Flattery on the north, including harbors, bays, estuaries, and inlets;
(ii) Those areas of Puget Sound and adjacent salt waters and the Strait of Juan de Fuca between the ordinary high water mark and the line of extreme low tide as follows:
(A) Nisqually Delta--from DeWolf Bight to Tatsolo Point,
(B) Birch Bay--from Point Whitehorn to Birch Point,
(C) Hood Canal--from Tala Point to Foulweather Bluff,
(D) Skagit Bay and adjacent area--from Brown Point to Yokeko Point, and
(E) Padilla Bay--from March Point to William Point;
(iii) Those areas of Puget Sound and the Strait of Juan de Fuca and adjacent salt waters north to the Canadian line and lying seaward from the line of extreme low tide;
(iv) Those lakes, whether natural, artificial, or a combination thereof, with a surface acreage of one thousand acres or more measured at the ordinary high water mark;
(v) Those natural rivers or segments thereof as follows:
(A) Any west of the crest of the Cascade range downstream of a point where the mean annual flow is measured at one thousand cubic feet per second or more;
(B) Any east of the crest of the Cascade range downstream of a point where the annual flow is measured at two hundred cubic feet per second or more, or those portions of rivers east of the crest of the Cascade range downstream from the first three hundred square miles of drainage area, whichever is longer;
(vi) Those wetlands associated with (i), (ii), (iv), and (v) of this subsection (2)(e);
(f) "Wetlands" or "wetland areas" means those lands extending landward for two hundred feet in all directions as measured on a horizontal plane from the ordinary high water mark; floodways and contiguous floodplain areas landward two hundred feet from such floodways; and all marshes, bogs, swamps, and river deltas associated with the streams, lakes, and tidal waters which are subject to the provisions of this chapter; the same to be designated as to location by the department of ecology((:
PROVIDED, That)). However, any county or city may determine that portion of a one-hundred-year-flood plain to be included in its master program as long as such portion includes, as a minimum, the floodway and the adjacent land extending landward two hundred feet ((therefrom));
(g) "Floodway" means those portions of the area of a river valley lying streamward from the outer limits of a watercourse upon which flood waters are carried during periods of flooding that occur with reasonable regularity, although not necessarily annually, said floodway being identified, under normal condition, by changes in surface soil conditions or changes in types or quality of vegetative ground cover condition. The floodway shall not include those lands that can reasonably be expected to be protected from flood waters by flood control devices maintained by or maintained under license from the federal government, the state, or a political subdivision of the state.
(3) Procedural terms:
(a) "Guidelines" means those standards adopted to implement the policy of this chapter for regulation of use of the shorelines of the state prior to adoption of master programs. Such standards shall also provide criteria to local governments and the department in developing master programs;
(b) "Master program" shall mean the comprehensive use plan for a described area, and the use regulations together with maps, diagrams, charts, or other descriptive material and text, a statement of desired goals, and standards developed in accordance with the policies enunciated in RCW 90.58.020;
(c) "State master program" is the cumulative total of all master programs approved or adopted by the department of ecology;
(d) "Development" means a use consisting of the construction or exterior alteration of structures; dredging; drilling; dumping; filling; removal of any sand, gravel, or minerals; bulkheading; driving of piling; placing of obstructions; or any project of a permanent or temporary nature which interferes with the normal public use of the surface of the waters overlying lands subject to this chapter at any state of water level;
(e) "Substantial development" shall mean any development of which the total cost or fair market value exceeds two thousand five hundred dollars, or any development which materially interferes with the normal public use of the water or shorelines of the state; except that the following shall not be considered substantial developments for the purpose of this chapter:
(i) Normal maintenance or repair of existing structures or developments, including damage by accident, fire, or elements;
Improvements to dikes and levees if the improvement is determined by a county to be consistent with a flood control management plan developed under chapter 86.26 RCW;

Streambed maintenance including sediment removal, sediment disposal, and streambank stabilization if performed to provide public flood control benefit as determined by the appropriate county legislative authority;

Construction of stream flow regulation, retention, or detention facilities if consistent with a flood control management plan developed under chapter 86.26 RCW;

Construction of the normal protective bulkhead common to single family residences;

Emergency construction necessary to protect property from damage by the elements;

Construction and practices normal or necessary for farming, irrigation, and ranching activities, including agricultural service roads and utilities on wetlands, and the construction and maintenance of irrigation structures including but not limited to head gates, pumping facilities, and irrigation channels: PROVIDED, That a feedlot of any size, all processing plants, other activities of a commercial nature, alteration of the contour of the wetlands by leveling or filling other than that which results from normal cultivation, shall not be considered normal or necessary farming or ranching activities. A feedlot shall be an enclosure or facility used or capable of being used for feeding livestock hay, grain, silage, or other livestock feed, but shall not include land for growing crops or vegetation for livestock feeding and/or grazing, nor shall it include normal livestock wintering operations;

Construction or modification of navigational aids such as channel markers and anchor buoys;

Construction on wetlands by an owner, lessee, or contract purchaser of a single family residence for his own use or for the use of his family, which residence does not exceed a height of thirty-five feet above average grade level and which meets all requirements of the state agency or local government having jurisdiction thereof, other than requirements imposed pursuant to this chapter;

Construction of a dock, including a community dock, designed for pleasure craft use only, for the private noncommercial use of the owner, lessee, or contract purchaser of single and multiple family residences, the cost of which does not exceed two thousand five hundred dollars;

Operation, maintenance, or construction of canals, waterways, drains, reservoirs, or other facilities that now exist or are hereafter created or developed as a part of an irrigation system for the primary purpose of making use of system waters, including return flow and artificially stored ground water for the irrigation of lands;

The marking of property lines or corners on state owned lands, when such marking does not significantly interfere with normal public use of the surface of the water;

Operation and maintenance of any system of dikes, ditches, drains, or other facilities existing on September 8, 1975, which were created, developed, or utilized primarily as a part of an agricultural drainage or diking system;

Any action commenced prior to December 31, 1982, pertaining to (A) the restoration of interim transportation services as may be necessary as a consequence of the destruction of the Hood Canal bridge, including, but not limited to, improvements to highways, development of park and ride facilities, and development of ferry terminal facilities until a new or reconstructed Hood Canal bridge is open to traffic; and (B) the reconstruction of a permanent bridge at the site of the original Hood Canal bridge.

NEW SECTION. Sec. 22. A new section is added to chapter 86.26 RCW to read as follows: A flood protection project is work necessary to preserve, restore, or improve either natural or human-made stream banks or flood control facilities that repair or prevent flood damage as defined in RCW 86.16.120 including but not limited to damage by erosion, stream flow, sheet runoff, or other damages by the sea or other bodies of water.

NEW SECTION. Sec. 23. A new section is added to chapter 86.12 RCW to read as follows: Upon request by a county or city preparing a comprehensive flood management plan under chapter 86.12 RCW, the department of transportation shall:

(1) Provide an inventory of all state highways and bridges located in a floodplain as designated by the federal emergency management agency;
Identify any state roads or bridges that may cause a constriction to the natural flow of flood waters;
(3) Identify state roads that, either by themselves or in conjunction with levees or other structures in the floodplain, may entrap floodwaters in areas originally intended to be flood-proofed; and
(4) Provide any other information available to the department to assist in preventing or minimizing flood damages.

NEW SECTION. Sec. 24. A new section is added to chapter 75.20 RCW to read as follows:
By December 31, 1996, the departments of fish and wildlife, natural resources, and ecology shall jointly develop a memorandum of understanding to facilitate the consideration of projects that will aid in the minimization or prevention of flood damage as defined in RCW 86.16.120. To reduce the duplication of information required by a project’s permits, the departments must provide in their memorandum procedures to share data to the extent practicable among themselves and with other agencies that may be involved in approving or denying a permit application. The departments’ memorandum must provide a plan to implement a comprehensive permit process that is streamlined and easily understandable to permit applicants.

NEW SECTION. Sec. 25. RCW 79.90.325 and 1984 c 212 s 10 are each repealed.

NEW SECTION. Sec. 26. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately.

SSB 5992 Prime Sponsor, Committee on Labor, Commerce & Trade: Clarifying the role of the work force training and education coordinating board. Reported by Committee on Commerce & Labor

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature continues to recognize the vital role that work force development efforts play in equipping the state’s workers with the skills they need to succeed in an economy that requires higher levels of skill and knowledge. The legislature also recognizes that
businesses are increasingly relying on the state’s work force development programs and expect them to be responsive to their changing skill requirements. The state benefits from a work force development system that allows firms and workers to be highly competitive in global markets.

(2) The establishment of the work force training and education coordinating board was an integral step in developing a strategic approach to work force development. For the coordinating board to carry out its intended role, the board must be able to give unambiguous guidance to operating agencies, the governor, and the legislature. It is the intent of this act to clarify the preeminent role intended for the work force training and education coordinating board in coordination and policy development of the state’s work force development efforts.

(3) In the event that federal work force development funds are block granted to the state, it is the intent of the legislature to seek the broadest possible input, from local and state-wide organizations concerned with work force development, on the allocation of the federal funds.

(4) For purposes of sections 2 and 4 through 6 of this act, the term "program" shall not refer to the activities of individual institutions such as individual community or technical colleges, common schools, service delivery areas, or job service centers; nor shall it refer to individual fields of study or courses.

NEW SECTION. Sec. 2. (1) The state comprehensive plan for work force training and education shall be updated every two years and presented to the governor and the appropriate legislative policy committees. Following public hearings, the legislature shall, by concurrent resolution, approve or recommend changes to the initial plan and the updates. The plan shall then become the state’s work force training policy unless legislation is enacted to alter the policies set forth in the plan.

(2) The comprehensive plan shall include work force training role and mission statements for the work force development programs of operating agencies represented on the board and sufficient specificity regarding expected actions by the operating agencies to allow them to carry out actions consistent with the comprehensive plan.

(3) Operating agencies represented on the board shall have operating plans for their work force development efforts that are consistent with the comprehensive plan and that provide detail on implementation steps they will take to carry out their responsibilities under the plan. Each operating agency represented on the board shall provide an annual progress report to the board.

(4) The comprehensive plan shall include recommendations to the legislature and the governor on the modification, consolidation, initiation, or elimination of work force training and education programs in the state.

(5) The board shall report to the appropriate legislative policy committees by December 1 of each year on its progress in implementing the comprehensive plan and on the progress of the operating agencies in meeting their obligations under the plan.

Sec. 3. RCW 28C.18.050 and 1991 c 238 s 6 are each amended to read as follows:

(1) The board shall be designated as the state board of vocational education as provided for in P.L. 98-524, as amended, and shall perform such functions as is necessary to comply with federal directives pertaining to the provisions of such law.

(2) The board shall perform the functions of the human resource investment council as provided for in the federal job training partnership act, P.L. 97-300, as amended.

(3) The board shall provide policy advice for any federal act pertaining to work force development that is not required by state or federal law to be provided by another state body.

(4) Upon enactment of new federal initiatives relating to work force development, the board shall advise the governor and the legislature on mechanisms for integrating the federal initiatives into the state’s work force development system and make recommendations on the legislative or administrative measures necessary to streamline and coordinate state efforts to meet federal guidelines.

(5) The board shall monitor for consistency with the state comprehensive plan for work force training and education the policies and plans established by the state job training coordinating council, the advisory council on adult education, and the Washington state plan for adult basic education, and provide guidance for making such policies and plans consistent with the state comprehensive plan for work force training and education.
NEW SECTION.  Sec.  4.  (1) The board shall specify, by December 31, 1995, the common core data to be collected by the operating agencies of the state training system and the standards for data collection and maintenance required in RCW 28C.18.060(8).  
(2) The minimum standards for program evaluation by operating agencies required in RCW 28C.18.060(9) shall include biennial program evaluations; the first of such evaluations shall be completed by the operating agencies July 1, 1996. The program evaluation of adult basic skills education shall be provided by the advisory council on adult education.  
(3) The board shall complete, by January 1, 1996, its first outcome-based evaluation and, by September 1, 1996, its nonexperimental net-impact and cost-benefit evaluations of the training system. The outcome, net-impact, and cost-benefit evaluations shall for the first evaluations, include evaluations of each of the following programs: Secondary vocational-technical education, work-related adult basic skills education, postsecondary work force training, job training partnership act titles II and III, as well as of the system as a whole.  
(4) The board shall use the results of its outcome, net-impact, and cost-benefit evaluations to develop and make recommendations to the legislature and the governor for the modification, consolidation, initiation, or elimination of work force training and education programs in the state.

NEW SECTION.  Sec.  5.  The board shall, by January 1, 1996, and biennially thereafter:  (1) Assess the total demand for training from the perspective of workers, and from the perspective of employers; (2) assess the available supply of publicly and privately provided training which workers and employers are demanding; (3) assess the costs to the state of meeting the demand; and (4) present the legislature and the governor with a strategy for bridging the gap between the supply and the demand for training services.

NEW SECTION.  Sec.  6.  The board shall, in cooperation with the operating agencies, by January 1, 1996:
(1) Identify policies to reduce administrative and other barriers to efficient operation of the state’s work force development system and barriers to improved coordination of work force development in the state. These policies shall include waivers of statutory requirements and administrative rules, as well as implementation of one-stop access to work force development services and school-to-work transition;
(2) Identify ways for operating agencies to share resources, instructors, and curricula through collaboration with other public and private entities to increase training opportunities and reduce costs; and
(3) Report to the governor and the appropriate legislative committees its recommendations for any statutory changes necessary to enhance operational efficiencies or improve coordination. The board shall work with the operating agencies of the state’s work force development system to reduce administrative barriers that do not require statutory changes.

NEW SECTION.  Sec.  7.  Sections 2 and 4 through 6 of this act are each added to chapter 28C.18 RCW."

SB 5830 Prime Sponsor, McAuliffe: Changing provisions for students transferring between private and public schools. Reported by Committee on Education

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28A.195.010 and 1993 c 336 s 1101 are each amended to read as follows:

The legislature hereby recognizes that private schools should be subject only to those minimum state controls necessary to insure the health and safety of all the students in the state and to insure a sufficient basic education to meet usual graduation requirements. The state, any agency or official thereof, shall not restrict or dictate any specific educational or other programs for private schools except as hereinafter in this section provided.

Principals of private schools or superintendents of private school districts shall file each year with the state superintendent of public instruction a statement certifying that the minimum requirements hereinafter set forth are being met, noting any deviations. After review of the statement, the state superintendent will notify schools or school districts of those deviations which must be corrected. In case of major deviations, the school or school district may request and the state board of education may grant provisional status for one year in order that the school or school district may take action to meet the requirements. Minimum requirements shall be as follows:

(1) The minimum school year for instructional purposes shall consist of no less than one hundred eighty school days or the equivalent in annual minimum program hour offerings as prescribed in RCW 28A.150.220.

(2) The school day shall be the same as that required in RCW 28A.150.030 and 28A.150.220, except that the percentages of total program hour offerings as prescribed in RCW 28A.150.220 for basic skills, work skills, and optional subjects and activities shall not apply to private schools or private sectarian schools.

(3) All classroom teachers shall hold appropriate Washington state certification except as follows:
(a) Teachers for religious courses or courses for which no counterpart exists in public schools shall not be required to obtain a state certificate to teach those courses.

(b) In exceptional cases, people of unusual competence but without certification may teach students so long as a certified person exercises general supervision. Annual written statements shall be submitted to the office of the superintendent of public instruction reporting and explaining such circumstances.

(4) An approved private school may operate an extension program for parents, guardians, or persons having legal custody of a child to teach children in their custody. The extension program shall require at a minimum that:
   (a) The parent, guardian, or custodian be under the supervision of an employee of the approved private school who is certified under chapter 28A.410 RCW;
   (b) The planning by the certified person and the parent, guardian, or person having legal custody include objectives consistent with this subsection and subsections (1), (2), (5), (6), and (7) of this section;
   (c) The certified person spend a minimum average each month of one contact hour per week with each student under his or her supervision who is enrolled in the approved private school extension program;
   (d) Each student's progress be evaluated by the certified person; and
   (e) The certified employee shall not supervise more than thirty students enrolled in the approved private school's extension program.

(5) Appropriate measures shall be taken to safeguard all permanent records against loss or damage.

(6) The physical facilities of the school or district shall be adequate to meet the program offered by the school or district: PROVIDED, That each school building shall meet reasonable health and fire safety requirements. However, the state board shall not require private school students to meet the student learning goals, obtain a certificate of mastery to graduate from high school, to master the essential academic learning requirements, or to be assessed pursuant to RCW 28A.630.885. However, private schools may choose, on a voluntary basis, to have their students master these essential academic learning requirements, take these assessments, and obtain certificates of mastery. A residential dwelling of the parent, guardian, or custodian shall be deemed to be an adequate physical facility when a parent, guardian, or person having legal custody is instructing his or her child under subsection (4) of this section.

(7) Private school curriculum shall include instruction of the basic skills of occupational education, science, mathematics, language, social studies, history, health, reading, writing, spelling, and the development of appreciation of art and music, all in sufficient units for meeting state board of education graduation requirements.

(8) Each school or school district shall be required to maintain up-to-date policy statements related to the administration and operation of the school or school district. Policies shall include but not be limited to, requiring the transmission of information by telephone, facsimile, or other means regarding a student's academic performance, special placement, and disciplinary history within two school days after receiving a request when the student transfers from the school. The school shall subsequently send the records as soon as any obligations between the student and the school have been met.

All decisions of policy, philosophy, selection of books, teaching material, curriculum, except as in subsection (7) above provided, school rules and administration, or other matters not specifically referred to in this section, shall be the responsibility of the administration and administrators of the particular private school involved.

Sec. 2. RCW 28A.225.330 and 1994 c 304 s 2 are each amended to read as follows:

(1) When enrolling a student who has attended school in another school district, the school enrolling the student may request the parent and the student to briefly indicate in writing whether or not the student has:
   (a) Any history of placement in special educational programs;
   (b) Any past, current, or pending disciplinary action;
   (c) Any history of violent behavior;
   (d) Any unpaid fines or fees imposed by other schools; and
   (e) Any health conditions affecting the student's educational needs.
(2) The school enrolling the student shall request the school the student previously attended to send the student’s permanent record including records of disciplinary action. If the student has not paid a fine or fee under RCW 28A.635.060, the school may withhold the student’s official transcript, but shall transmit information about the student’s academic performance, special placement, and records of disciplinary action. If the official transcript is not sent due to unpaid fees or fines, the enrolling school shall notify both the student and parent or guardian that the official transcript will not be sent until the obligation is met, and failure to have an official transcript may result in exclusion from extracurricular activities or failure to graduate.

(3) If information is requested under subsection (2) of this section, the information shall be transmitted within two school days after receiving the request and the records shall be sent as soon as possible.

(4) If a student transfers from a public school to a private school that has been approved by the state board of education, the private school enrolling the student may request the public school the student previously attended to send the student’s permanent record including records of disciplinary action. If the student has not paid a fine or fee under RCW 28A.635.060, the public school may withhold the student’s official transcript, but shall transmit information about the student’s academic performance, special placement, and disciplinary history. The public school shall transmit the information by telephone, facsimile, or other means within two school days after receiving the request and shall send the records as soon as possible.

ESB 6045 Prime Sponsor, Bauer: Allowing retired administrators to serve as replacement administrators without a reduction of pension benefits. Reported by Committee on Education

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 41.32.570 and 1994 c 69 s 2 are each amended to read as follows:

(1) Any retired teacher or retired administrator who enters service in any public educational institution in Washington state shall cease to receive pension payments while engaged in such service: PROVIDED, That service may be rendered up to seventy-five days per school year without reduction of pension.

(2) In addition to the seventy-five days of service permitted under subsection (1) of this section, a retired teacher or retired administrator may also serve only as a substitute teacher for up to an additional fifteen days per school year without reduction of pension if:

(a) A school district, which is not a member of a multidistrict substitute cooperative, determines that it has exhausted or can reasonably anticipate that it will exhaust its list of qualified and available substitutes and the school board of the district adopts a resolution to make its substitute teachers who are retired teachers or retired administrators eligible for the additional fifteen days of extended service once the list of qualified and available substitutes has been exhausted. The resolution by the school district shall state that the services of retired teachers and retired administrators are necessary to address the shortage of qualified and available substitutes. The resolution shall be valid only for the school year in which it is adopted. The district shall forward a copy of the resolution with a list of retired teachers and retired administrators who have been employed as substitute teachers to the department and may notify the retired teachers and retired administrators included on the list of their right to take advantage of the provisions of this subsection; or

(b) A multidistrict substitute cooperative determines that the school districts have exhausted or can reasonably anticipate that they will exhaust their list of qualified and available substitutes and each of the school boards adopts a resolution to make their substitute teachers or retired administrators who are retired teachers eligible for the extended service once the list of qualified and available substitutes has been exhausted. The resolutions by each of the school districts shall state that the services of retired teachers and retired administrators are necessary to address the shortage of qualified and available substitutes. The resolutions shall be valid only for the school year in which they are adopted. The cooperative shall forward a copy of the resolutions with a list of retired teachers and retired administrators who have been employed as substitute teachers to the department and may notify the retired teachers and retired administrators included on the list of their right to take advantage of the provisions of this subsection.

(3) In addition to the seventy-five days of service permitted under subsection (1) of this section, a retired administrator may also serve as a substitute administrator up to an additional fifteen days per school year without reduction of pension if a school district board of directors adopts a resolution declaring that the services of a retired administrator or retired teacher are necessary because it cannot find a replacement administrator to fill a vacancy. The resolution shall be valid only for the school year in which it is adopted. The district shall forward a copy of the resolution with the name of the retired administrator or retired teacher who has been employed as a substitute administrator to the department. However, a retired administrator may not serve more than a total of fifteen additional days per school year pursuant to subsections (2) and (3) of this section."
(4) Subsection (1) of this section shall apply to all persons governed by the provisions of plan I, regardless of the date of their retirement, but shall apply only to benefits payable after June 11, 1986.

(5) Subsection (2) of this section shall apply to all persons governed by the provisions of plan I, regardless of the date of their retirement, but shall only apply to benefits payable after September 1, 1994.

NEW SECTION. Sec. 2. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 76.48.020 and 1992 c 184 s 1 are each amended to read as follows:

Unless otherwise required by the context, as used in this chapter:

(1) "Christmas trees" ((shall)) means any evergreen trees or the top thereof, commonly known as Christmas trees, with limbs and branches, with or without roots, including fir, pine, spruce, cedar, and other coniferous species.

(2) "Native ornamental trees and shrubs" ((shall)) means any trees or shrubs which are not nursery grown and which have been removed from the ground with the roots intact.

(3) "Cut or picked evergreen foliage," commonly known as brush, ((shall)) means evergreen boughs, huckleberry, salal, fern, Oregon grape, mosses, bear grass, rhododendron, and other cut or picked evergreen products. "Cut or picked evergreen foliage" does not mean cones or seeds.

(4) "Cedar products" ((shall)) means cedar shakeboards, shake and shingle bolts, and rounds one to three feet in length.

(5) "Cedar salvage" ((shall)) means cedar chunks, slabs, stumps, and logs having a volume greater than one cubic foot and being harvested or transported from areas not associated with the concurrent logging of timber stands (a) under a forest practices application approved or notification received by the department of natural resources, or (b) under a contract or permit issued by an agency of the United States government.

(6) "Processed cedar products" ((shall)) means cedar shakes, shingles, fence posts, hop poles, pickets, stakes, ((or)) rails((;)), or rounds less than one foot in length.

(7) "Cedar processor" ((shall)) means any person who purchases ((and/or)) takes, or retains possession of cedar products or cedar salvage((;)) for later sale in the same or modified form((;)) following ((their)) removal and delivery from the land where harvested.

(8) "Cascara bark" ((shall)) means the bark of a Cascara tree.

(9) "Wild edible mushrooms" means edible mushrooms not cultivated or propagated by artificial means.

(10) "Specialized forest products" ((shall)) means Christmas trees, native ornamental trees and shrubs, cut or picked evergreen foliage, cedar products, cedar salvage, processed cedar products, wild edible mushrooms, and Cascara bark."
(11) "Person" ((shall)) includes the plural and all corporations, foreign or domestic, copartnerships, firms, and associations of persons.

(12) "Harvest" ((shall)) means to separate, by cutting, prying, picking, peeling, breaking, pulling, splitting, or otherwise removing, a specialized forest product (a) from its physical connection ((with)) or contact with the land or vegetation upon which it ((was or has been)) is or was growing((,)) or (b) from the position in which it ((has been)) is lying upon ((such)) the land.

(13) "Transportation" means the physical conveyance of specialized forest products outside or off of a harvest site((, including but not limited to conveyance by a motorized vehicle designed for use on improved roadways, or by vessel, barge, raft, or other waterborne conveyance. "Transportation" also means any conveyance of specialized forest products by helicopter)) by any means.

(14) "Landowner" means, with regard to ((any)) real property, the private owner ((thereof)), the state of Washington or any political subdivision ((thereof)), the federal government, or ((any)) a person who by deed, contract, or lease has authority to harvest and sell forest products of the property. "Landowner" does not include the purchaser or successful high bidder at ((any)) a public or private timber sale.

(15) "Authorization" means a properly completed preprinted form authorizing the transportation or possession of Christmas trees((,)) which ((form)) contains the information required by RCW 76.48.080, ((and)) a sample of which is filed before the harvesting occurs with the sheriff of the county in which the harvesting is to occur.

(16) "Harvest site" means each location where one or more persons are engaged in harvesting specialized forest products close enough to each other that communication can be conducted with an investigating law enforcement officer in a normal conversational tone.

(17) "Specialized forest products permit" ((shall)) means a printed document in a form specified by the department of natural resources, or true copy thereof, that is signed by a landowner or his ((duly)) or her authorized agent or representative ((therein)), referred to in this chapter as "permittors"((,)) and validated by the county sheriff((, authorizing)) and authorizes a designated person ((thereof)), referred to in this chapter as "permittee"((,)) who ((shall)) has also ((have)) signed the permit, to harvest ((and/or)) and transport a designated specialized forest product from land owned or controlled and specified by the permittor((,)) and that is located in the county where ((such)) the permit is issued.

(18) "Sheriff" means, for the purpose of validating specialized forest products permits, the county sheriff, deputy sheriff, or an authorized employee of the sheriff's office or an agent of the office.

(19) "True copy" means a replica of a validated specialized forest products permit as reproduced by a copy machine capable of effectively reproducing the information contained on the permittee's copy of the specialized forest products permit. A copy is made true by the permittee or the permittee and permittee signing in the space provided on the face of the copy. A true copy will be effective until the expiration date of the specialized forest products permit unless the permittee or the permittee and permittee specify an earlier date. A permittee may require the actual signatures of both the permittee and permittee for execution of a true copy by so indicating in the space provided on the original copy of the specialized forest products permit. A permittee, or, if so indicated, the permittee and permittee, may condition the use of the true copy to harvesting only, transportation only, possession only, or any combination thereof.

(20) "Permit area" means a designated tract of land that may contain single or multiple harvest sites.

**Sec. 2.** RCW 76.48.030 and 1979 ex.s. c 94 s 2 are each amended to read as follows:

It ((shall be)) is unlawful for any person to:

(1) Harvest specialized forest products as described in RCW 76.48.020, in the quantities specified in RCW 76.48.060, without first obtaining a validated specialized forest products permit;

(2) Engage in activities or phases of harvesting specialized forest products not authorized by the permit; or

(3) Harvest specialized forest products in any lesser quantities than those specified in RCW 76.48.060, as now or hereafter amended, without first obtaining permission from the landowner or his or her duly authorized agent or representative.

**Sec. 3.** RCW 76.48.040 and 1994 c 264 s 51 are each amended to read as follows:
Agencies charged with the enforcement of this chapter shall include, but not be limited to, the Washington state patrol, county sheriffs and their deputies, county or municipal police forces, authorized personnel of the United States forest service, and authorized personnel of the departments of natural resources and department of fish and wildlife. Primary enforcement responsibility lies in the county sheriffs and their deputies.

Sec. 4. RCW 76.48.050 and 1979 ex.s. c 94 s 4 are each amended to read as follows:

Specialized forest products permits shall consist of properly completed permit forms validated by the sheriff of the county in which the specialized forest products are to be harvested. Each permit shall be separately numbered and the permits shall be issued by consecutive numbers. All specialized forest products permits shall expire at the end of the calendar year in which issued, or sooner, at the discretion of the permittor. A properly completed specialized forest products permit form shall include:

1. The date of its execution and expiration;
2. The name, address, telephone number, if any, and signature of the permittor;
3. The name, address, telephone number, if any, and signature of the permittee;
4. The type of specialized forest products to be harvested or transported;
5. The approximate amount or volume of specialized forest products to be harvested or transported;
6. The legal description of the property from which the specialized forest products are to be harvested or transported, including the name of the county, or the state or province if outside the state of Washington;
7. A description by local landmarks of where the harvesting is to occur, or from where the specialized forest products are to be transported;
8. At the discretion of the county sheriff, the person’s driver’s license number or other valid picture identification number; and
9. Any other condition or limitation which the permittor may specify.

Except for the harvesting of Christmas trees, the permit or true copy thereof must be carried by the permittee and available for inspection at all times. For the harvesting of Christmas trees only a single permit or true copy thereof is necessary to be available at the harvest site.

Sec. 5. RCW 76.48.060 and 1992 c 184 s 2 are each amended to read as follows:

A specialized forest products permit validated by the county sheriff shall be obtained by a person prior to harvesting from any lands, including his or her own, more than five Christmas trees, more than five native ornamental trees or shrubs, more than five pounds of cut or picked evergreen foliage, any cedar products, cedar salvage, processed cedar products, or more than five pounds of Cascara bark, or more than three United States gallons of a single species of wild edible mushroom and (not) more than an aggregate total of nine United States gallons of wild edible mushrooms, plus one wild edible mushroom. Specialized forest products permit forms shall be provided by the department of natural resources, and shall be made available through the office of the county sheriff to permittees or permittors in reasonable quantities. A permit form shall be completed in triplicate for each permittor’s property on which a permittee harvests specialized forest products. A properly completed permit form shall be mailed or presented for validation to the sheriff of the county in which the specialized forest products are to be harvested. Before a permit form is validated by the sheriff, sufficient personal identification may be required to reasonably identify the person mailing or presenting the permit form and the sheriff may conduct other investigations as deemed necessary to determine the validity of the information alleged on the form. When the sheriff is reasonably satisfied as to the truth of the information, the form shall be validated with the sheriff’s validation stamp. Upon validation, the form shall become the specialized forest products permit authorizing the harvesting, possession, or transportation of specialized forest products, subject to any other conditions or limitations which the permittor may specify. Two copies of the permit shall be given or mailed to the permittor, or one copy shall be given or mailed to the permittee and the other copy given or mailed to the permittee. The original permit shall be retained in the office of the county sheriff validating the permit. In the event a single land ownership is situated in two or more counties, a specialized forest product permit shall be completed as to the land situated in each county. While engaged in harvesting
of specialized forest products, permittees, or their agents or employees, must have readily available at each harvest site a valid permit or true copy of the permit.

Sec. 6. RCW 76.48.070 and 1992 c 184 s 3 are each amended to read as follows:

(1) Except as provided in RCW 76.48.100 and 76.48.075, it is unlawful for any person to possess, (a) to transport, or (c) to possess and transport within the state of Washington, subject to any other conditions or limitations specified in the specialized forest products permit by the permitor, more than five Christmas trees, more than five native ornamental trees or shrubs, more than five pounds of cut or picked evergreen foliage, any processed cedar products, or more than five pounds of Cascara bark, or more than three gallons of a single species of wild edible mushrooms and more than an aggregate total of nine gallons of wild edible mushrooms, plus one wild edible mushroom without having in his or her possession a written authorization, sales invoice, bill of lading, or specialized forest products permit or a true copy thereof evidencing his or her title to or authority to have possession of specialized forest products being so possessed or transported.

(2) It is unlawful for any person either (a) to possess, (b) to transport, or (c) to possess and transport within the state of Washington any cedar products or cedar salvage without having in his or her possession a specialized forest products permit or a true copy thereof evidencing his or her title to or authority to have possession of the materials being so possessed or transported.

Sec. 7. RCW 76.48.075 and 1979 ex.s. c 94 s 15 are each amended to read as follows:

(1) It is unlawful for any person to transport or cause to be transported into this state from any other state or province specialized forest products, except those harvested from that person’s own property, without: (a) First acquiring and having readily available for inspection a document indicating the true origin of the specialized forest products as being outside the state, or (b) without acquiring a specialized forest products permit as provided in subsection (4) of this section.

(2) Any person transporting or causing to be transported specialized forest products into this state from any other state or province shall, upon request of any person to whom the specialized forest products are sold or delivered or upon request of any law enforcement officer, prepare and sign a statement indicating the true origin of the specialized forest products, the date of delivery, and the license number of the vehicle making delivery, and shall leave the statement with the person making the request.

(3) It is unlawful for any person to possess specialized forest products, transported into this state, with knowledge that the products were introduced into this state in violation of this chapter.

(4) When any person transporting or causing to be transported into this state specialized forest products elects to acquire a specialized forest products permit, the specialized forest products transported into this state shall be deemed to be harvested in the county of entry, and the sheriff of that county may validate the permit as if the products were so harvested, except that the permit shall also indicate the actual harvest site outside the state.

(5) A cedar processor shall comply with RCW 76.48.096 by requiring a person transporting specialized forest products into this state from any other state or province to display a specialized forest products permit, or true copy thereof, or other document indicating the true origin of the specialized forest products as being outside the state. The cedar processor shall make and maintain a record of the purchase, taking possession, or retention of cedar products and cedar salvage in compliance with RCW 76.48.094.

(6) If, under official inquiry, investigation, or other authorized proceeding regarding specialized forest products not covered by a valid specialized forest products permit or other acceptable document, the inspecting law enforcement officer has probable cause to believe that the specialized forest products were harvested in this state or wrongfully obtained in another state or province, the officer may take into custody and detain, for a reasonable time, the specialized forest products, all supporting documents, invoices, and bills of lading, and the vehicle in which the products were transported until the true origin of the specialized forest products can be determined.

Sec. 8. RCW 76.48.096 and 1979 ex.s. c 94 s 10 are each amended to read as follows:

It is unlawful for any cedar processor to purchase, take possession, or retain cedar products or cedar salvage subsequent to the harvesting and prior to the retail sale of the products, unless the supplier thereof displays a specialized forest products permit, or true copy
Sec. 9. RCW 76.48.098 and 1979 ex.s. c 94 s 11 are each amended to read as follows:
Every cedar processor shall prominently display a valid registration certificate, or copy thereof, obtained from the department of revenue under RCW 82.32.030 at each location where the processor receives cedar products or cedar salvage. Permitees shall sell cedar products or cedar salvage only to cedar processors displaying registration certificates which appear to be valid.

Sec. 10. RCW 76.48.100 and 1979 ex.s. c 94 s 12 are each amended to read as follows:
The provisions of this chapter do not apply to:
(1) Nursery grown products.
(2) Logs (except as included in the definition of "cedar salvage" under RCW 76.48.020), poles, pilings, or other major forest products from which substantially all of the limbs and branches have been removed, and cedar salvage when harvested concurrently with timber stands (a) under an approved forest practices application or notification, or (b) under a contract or permit issued by an agency of the United States government.
(3) The activities of a landowner, his or her agent, or representative, or of a lessee of land in carrying on noncommercial property management, maintenance, or improvements on or in connection with the land of the landowner or lessee.

Sec. 11. RCW 76.48.110 and 1979 ex.s. c 94 s 13 are each amended to read as follows:
Whenever any law enforcement officer has probable cause to believe that a person is harvesting or is in possession of or transporting specialized forest products in violation of the provisions of this chapter, he or she may, at the time of making an arrest, seize and take possession of any specialized forest products found. The law enforcement officer shall provide reasonable protection for the specialized forest products involved during the period of litigation or he or she shall dispose of the specialized forest products at the discretion or order of the court before which the arrested person is ordered to appear.
Upon any disposition of the case by the court, the court shall make a reasonable effort to return the specialized forest products to its rightful owner or pay the proceeds of any sale of specialized forest products less any reasonable expenses of the sale to the rightful owner. If for any reason, the proceeds of the sale cannot be disposed of to the rightful owner, the proceeds, less the reasonable expenses of the sale, shall be paid to the treasurer of the county in which the violation occurred. The county treasurer shall deposit the same in the county general fund. The return of the specialized forest products or the payment of the proceeds of any sale of products seized to the owner shall not preclude the court from imposing any fine or penalty upon the violator for the violation of the provisions of this chapter.

Sec. 12. RCW 76.48.120 and 1979 ex.s. c 94 s 14 are each amended to read as follows:
It is unlawful for any person, upon official inquiry, investigation, or other authorized proceedings, to offer as genuine any paper, document, or other instrument in writing purporting to be a specialized forest products permit, or true copy thereof, authorization, sales invoice, or bill of lading, or to make any representation of authority to possess or conduct harvesting or transporting of specialized forest products, knowing the same to be in any manner false, fraudulent, forged, or stolen.
Any person who knowingly or intentionally violates this section is guilty of forgery, and shall be punished as a class C felony providing for imprisonment in a state correctional institution for a maximum term fixed by the court of not more than five years or by a fine of not more than five thousand dollars, or by both imprisonment and fine.
Whenever any law enforcement officer reasonably suspects that a specialized forest products permit or true copy thereof, authorization, sales invoice, or bill of lading is forged, fraudulent, or stolen, it may be retained by the officer until its authenticity can be verified.

Sec. 13. RCW 76.48.130 and 1977 ex.s. c 147 s 10 are each amended to read as follows:
A person who violates a provision of this chapter, other than the provisions contained in RCW 76.48.120, as now or hereafter amended, is guilty of a gross misdemeanor and upon conviction thereof shall be punished by a fine of not more than one thousand dollars or by imprisonment in the county jail for not to exceed one year or by both a fine and imprisonment.

NEW SECTION. Sec. 14. A new section is added to chapter 76.48 RCW to read as follows: Buyers who purchase specialized forest products are required to record (1) the permit number; (2) the type of forest product purchased; (3) the permit holder’s name; and (4) the amount of forest product purchased. The buyer shall keep a record of this information for a period of one year from the date of purchase and make the records available for inspection by authorized enforcement officials. The buyer of specialized forest products must record the seller’s permit number on the bill of sale. This section shall not apply to transactions involving Christmas trees. This section shall not apply to buyers of specialized forest products at the retail sales level.

NEW SECTION. Sec. 15. A new section is added to chapter 76.48 RCW to read as follows: County sheriffs may contract with other entities to serve as authorized agents to validate specialized forest product permits. These entities include the United States forest service, the bureau of land management, the department of natural resources, local police departments, and other entities as decided upon by the county sheriffs’ departments.

NEW SECTION. Sec. 16. A new section is added to chapter 76.48 RCW to read as follows: Records of buyers of specialized forest products collected under the requirements of section 14 of this act may be made available to colleges and universities for the purpose of research.

NEW SECTION. Sec. 17. A new section is added to chapter 76.48 RCW to read as follows: Minority groups have long been participants in the specialized forest products industry. The legislature encourages agencies serving minority communities, community-based organizations, refugee centers, social service agencies, agencies and organizations with expertise in the specialized forest products industry, and other interested groups to work cooperatively to accomplish the following purposes: (1) To provide assistance and make referrals on translation services and to assist in translating educational materials, laws, and rules regarding specialized forest products; (2) To hold clinics to teach techniques for effective picking; and (3) To work with both minority and nonminority permittees in order to protect resources and foster understanding between minority and nonminority permittees.

To the extent practicable within their existing resources, the commission on Asian-American affairs, the commission on Hispanic affairs, and the department of natural resources are encouraged to coordinate this effort.

NEW SECTION. Sec. 18. RCW 76.48.092 and 1979 ex.s. c 94 s 8 & 1977 ex.s. c 147 s 14 are each repealed.

NEW SECTION. Sec. 19. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."
MAJORITY recommendation:  Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 75.28.011 and 1993 sp.s. c 17 s 34 are each amended to read as follows:
(1) Unless otherwise provided in this title, a license issued under this chapter is not transferable from the license holder to any other person.
(2) The following restrictions apply to transfers of commercial fishery licenses, salmon delivery licenses, and salmon charter licenses that are transferable between license holders:
(a) The license holder shall surrender the previously issued license to the department.
(b) The department shall complete no more than one transfer of the license in any seven-day period.
(c) The fee to transfer a license from one license holder to another is:
(i) The same as the resident license renewal fee if the license is not limited under chapter 75.30 RCW;
(ii) Three and one-half times the resident renewal fee if the license is limited under chapter 75.30 RCW. However, this subsection (2)(c)(ii) does not apply to any commercial salmon license; or
(iii) If a license is transferred from a resident to a nonresident, the difference between the resident and nonresident license fees at the time of transfer, to be paid by the transferee.
(3) A commercial license that is transferable under this title survives the death of the holder. Though such licenses are not personal property, they shall be treated as analogous to personal property for purposes of inheritance and intestacy. Such licenses are subject to state laws governing wills, trusts, estates, intestate succession, and community property, except that such licenses are exempt from claims of creditors of the estate and tax liens. The surviving spouse, estate, or beneficiary of the estate may apply for a renewal of the license. There is no fee for transfer of a license from a license holder to the license holder's surviving spouse or estate, or to a beneficiary of the estate."

On page 1, line 1 of the title, after "licenses;" strike the remainder of the title and insert "and amending RCW 75.28.011."

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 75.28 RCW to read as follows:
If, for any reason, the department does not allow any opportunity for a commercial fishery during a calendar year, the department shall either: (1) Waive the requirement to obtain a license for that commercial fishery for that year; or (2) refund applicable license fees upon return of the license.

NEW SECTION. Sec. 2. A new section is added to chapter 75.30 RCW to read as follows:
(1) The department shall waive license requirements, including landing or poundage requirements, if, during the calendar year that a license issued pursuant to chapter 75.28 RCW is valid, no harvest opportunity occurs in the fishery corresponding to the license.
(2) For each license limitation program, where the person failed to hold the license and failed to make landing or poundage requirements because of a license waiver by the department during the previous year, the person shall qualify for a license by establishing that the person held the license during the last year in which the license was not waived."

E2SSB 5064 Prime Sponsor, Committee on Ways & Means: Revising the regional fisheries enhancement program. Reported by Committee on Natural Resources

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 75.50 RCW to read as follows: The legislature finds that:

(1) Regional enhancement groups are a valuable resource for anadromous fish recovery. They improve critical fish habitat and directly contribute to anadromous fish populations through fish restoration technology.

(2) Due to a decrease in recreational and commercial salmon license sales, regional enhancement groups are receiving fewer financial resources at a time when recovery efforts are needed most.

(3) To maintain regional enhancement groups as an effective enhancement resource, technical assets of state agencies must be coordinated and utilized to maximize the financial resources of regional enhancement groups and overall fish recovery efforts.

NEW SECTION. Sec. 2. A new section is added to chapter 75.50 RCW to read as follows:
The department's habitat division shall work with cities, counties, and regional fisheries enhancement groups to develop a program to identify and expedite the removal of human-made or caused impediments to anadromous fish passage. A priority shall be given to projects that immediately increase access to available and improved spawning and rearing habitat for depressed, threatened, and endangered stocks. The department may contract with cities and counties to assist in the identification and removal of impediments to anadromous fish passage.

A report on the progress of impediment identification and removal and the need for any additional legislative action shall be submitted to the senate and the house of representatives natural resources committees no later than January 1, 1996.

**NEW SECTION. Sec. 3.** A new section is added to chapter 75.50 RCW to read as follows:

To maximize available state resources, the department and the department of transportation shall work in partnership with the regional fisheries enhancement group advisory board to identify cooperative projects to eliminate fish passage barriers caused by state roads and highways. The advisory board may provide input to the department to aid in identifying priority barrier removal projects that can be accomplished with the assistance of regional fisheries enhancement groups. The department of transportation shall provide engineering and other technical services to assist regional fisheries enhancement groups with fish passage barrier removal projects, provided that the barrier removal projects have been identified as a priority by the department of fish and wildlife and the department of transportation has received an appropriation to continue the fish barrier removal program.

**NEW SECTION. Sec. 4.** A new section is added to chapter 90.58 RCW to read as follows:

A regional fisheries enhancement group or cooperative group project that is primarily designed to improve fish habitat or fish passage; has been approved by the department of fish and wildlife; has been given or is qualified to be given a hydraulic permit; and has been determined by local government to not substantially affect other concerns of this chapter is exempt from the permitting requirements of this chapter. A letter of exemption must be obtained from the local government, which shall be provided in a timely manner.

**Sec. 5.** RCW 75.50.110 and 1990 c 58 s 4 are each amended to read as follows:

(1) A regional fisheries enhancement group advisory board is established to make recommendations to the director. The advisory board shall consist of two commercial fishing representatives, two recreational fishing representatives, and three at-large positions. At least two of the advisory board members shall be members of a regional fisheries enhancement group. Advisory board members shall serve three-year terms. The advisory board membership shall include two members serving ex officio to be nominated, one through the Northwest Indian fisheries commission, and one through the Columbia river intertribal fish commission. The chair of the regional fisheries enhancement group advisory board shall be elected annually by members of the regional fisheries enhancement advisory board. The advisory board shall meet at least quarterly. All meetings of the advisory board shall be open to the public under the open public meetings act, chapter 42.30 RCW.

The department shall invite the advisory board to comment and provide input into all relevant policy initiatives, including, but not limited to, wild stock, hatcheries, and habitat restoration efforts.

(2) Members shall not be compensated but shall receive reimbursement for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(3) The department may use account funds to provide agency assistance to the groups, to provide professional, administrative or clerical services to the advisory board, or to implement the training and technical services plan as developed by the advisory board pursuant to section 6 of this act. The level of account funds used by the department shall be determined by the director after review of recommendation by the regional fisheries enhancement group advisory board and shall not exceed twenty percent of annual contributions to the account.

**NEW SECTION. Sec. 6.** A new section is added to chapter 75.50 RCW to read as follows:

(1) The regional fisheries enhancement group advisory board shall:
(a) Assess the training and technical assistance needs of the regional fisheries enhancement groups;

(b) Develop a training and technical assistance services plan in order to provide timely, topical technical assistance and training services to regional fisheries enhancement groups. The plan shall be provided to the director and to the senate and house of representatives natural resources committees no later than October 1, 1995, and shall be updated not less than every year. The advisory board shall provide ample opportunity for the public and interested parties to participate in the development of the plan. The plan shall include but is not limited to:

(i) Establishment of an information clearinghouse service that is readily available to regional fisheries enhancement groups. The information clearinghouse shall collect, collate, and make available a broad range of information on subjects that affect the development, implementation, and operation of diverse fisheries and habitat enhancement projects. The information clearinghouse service may include periodical news and informational bulletins;

(ii) An ongoing program in order to provide direct, on-site technical assistance and services to regional fisheries enhancement groups. The advisory board shall assist regional fisheries enhancement groups in soliciting federal, state, and local agencies, tribal governments, institutions of higher education, and private business for the purpose of providing technical assistance and services to regional fisheries enhancement group projects; and

(iii) A cost estimate for implementing the plan;

(c) Propose a budget to the director for operation of the advisory board and implementation of the technical assistance plan;

(d) Make recommendations to the director regarding regional enhancement group project proposals and funding of those proposals; and

(e) Establish criteria for the redistribution of unspent project funds for any regional enhancement group that has a year ending balance exceeding one hundred thousand dollars.

2 The regional fisheries enhancement group advisory board may:

(a) Facilitate resolution of disputes between regional fisheries enhancement groups and the department;

(b) Promote community and governmental partnerships that enhance the salmon resource and habitat;

(c) Promote environmental ethics and watershed stewardship;

(d) Advocate for watershed management and restoration;

(e) Coordinate regional fisheries enhancement group workshops and training;

(f) Monitor and evaluate regional fisheries enhancement projects;

(g) Provide guidance to regional fisheries enhancement groups; and

(h) Develop recommendations to the director to address identified impediments to the success of regional fisheries enhancement groups.

Sec. 7. RCW 75.50.120 and 1990 c 58 s 5 are each amended to read as follows:

The department and the regional fisheries enhancement group advisory board shall report biennially to the senate ((environment and natural resources committee,)) and the house of representatives ((fisheries and wildlife)) natural resources committees, the senate ways and means committee and house of representatives fiscal committees, or any successor committees beginning October 1, 1991. The report shall include but not be limited to the following:

(1) An evaluation of enhancement efforts;

(2) A description of projects;

(3) A region by region accounting of financial contributions and expenditures including the enhancement group account funds; ((and))

(4) Volunteer participation and member affiliation, including an inventory of volunteer hours dedicated to the program;

(5) An evaluation of technical assistance training efforts and agency participation;

(6) Identification of impediments to regional fisheries enhancement group success; and

(7) Suggestions for legislative action that would further the enhancement of salmonid resources.

Sec. 8. RCW 75.50.100 and 1993 sp.s. c 17 s 11 and 1993 c 340 s 53 are each reenacted and amended to read as follows:
The dedicated regional fisheries enhancement group account is created in the custody of the state treasurer. Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures.

A surcharge of one dollar shall be collected on each recreational personal use food fish license sold in the state. A surcharge of one hundred dollars shall be collected on each commercial salmon fishery license, each salmon delivery license, and each salmon charter license sold in the state. The department shall study methods for collecting and making available, an annual list, including names and addresses, of all persons who obtain recreational and commercial salmon fishing licenses. This list may be used to assist formation of the regional fisheries enhancement groups and allow the broadest participation of license holders in enhancement efforts. The results of the study shall be reported to the house of representatives fisheries and wildlife committee and the senate environment and natural resources committee by October 1, 1990. All receipts shall be placed in the regional fisheries enhancement group account and shall be used exclusively for regional fisheries enhancement group projects for the purposes of RCW 75.50.110. Funds from the regional fisheries enhancement group account shall not serve as replacement funding for department operated salmon projects that exist on January 1, 1991.

All revenue from the department's sale of salmon carcasses and eggs that return to group facilities shall be deposited in the regional fisheries enhancement group account for use by the regional fisheries enhancement group that produced the surplus. Revenue from any enhancement group's sale of salmon carcasses and eggs conducted pursuant to section 9 of this act shall also be deposited in the regional fisheries enhancement group account. The director shall adopt rules to implement this section pursuant to chapter 34.05 RCW.

NEW SECTION. Sec. 9. A new section is added to chapter 75.50 RCW to read as follows: The department shall establish a hatchery egg and carcass take program for projects conducted by regional fisheries enhancement groups. Under the program, salmon that have returned to the hatchery of a regional fisheries enhancement group, and the eggs from those salmon, may be sold by the group in accordance with rules established by the department. All proceeds from sales of salmon eggs and carcasses that return to group facilities shall be deposited in the dedicated regional fisheries enhancement group account for reallocation to the regional fisheries enhancement group or groups sponsoring the project.

Prior to engaging in salmon egg sales under this program, the regional fisheries enhancement group shall ensure that all on-station needs are fulfilled and that the eggs are made available for other appropriate department or tribal hatchery needs, or other group projects.

The department, in consultation with the regional fisheries enhancement group advisory board, shall develop rules in accordance with chapter 34.05 RCW for the purpose of implementing this section. The rules shall include the following:

1. Requirements for conducting sales under the program;
2. Accounting procedures for tracking sales;
3. Provisions for ensuring compliance with the wild salmonid policy established under RCW 75.28.760; and
4. Provisions for reallocating proceeds generated under this section to the regional fisheries enhancement group or groups sponsoring the project that generated the proceeds.

NEW SECTION. Sec. 10. A new section is added to chapter 75.50 RCW to read as follows: The department shall coordinate with the regional fisheries enhancement group advisory board to field test coho and chinook salmon remote site incubators. The purpose of field testing efforts shall be to gather conclusive scientific data on the effectiveness of coho and chinook remote site incubators.

NEW SECTION. Sec. 11. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 12. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and shall take effect immediately."
On page 1, line 1 of the title, after "program;" strike the remainder of the title and insert "amending RCW 75.50.110 and 75.50.120; reenacting and amending RCW 75.50.100; adding new sections to chapter 75.50 RCW; adding a new section to chapter 90.58 RCW; and declaring an emergency."

SSB 5088 Prime Sponsor, Committee on Law & Justice: Revising the law relating to sexual predators. Reported by Committee on Corrections

MAJORITY recommendation: Do pass with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 71.09.020 and 1992 c 145 s 17 are each amended to read as follows:
 Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.
(1) "Sexually violent predator" means any person who has been convicted of or charged with a crime of sexual violence and who suffers from a mental abnormality or personality disorder which makes the person likely to engage in predatory acts of sexual violence if not confined in a secure facility.
(2) "Mental abnormality" means a congenital or acquired condition affecting the emotional or volitional capacity which predisposes the person to the commission of criminal sexual acts in a degree constituting such person a menace to the health and safety of others.
(3) "Likely to engage in predatory acts of sexual violence" means that the person more probably than not will engage in such acts. Such likelihood must be evidenced by a recent overt act if the person is not totally confined at the time the petition is filed under RCW 71.09.030.
(4) "Predatory" means acts directed towards strangers or individuals with whom a relationship has been established or promoted for the primary purpose of victimization.
(5) "Recent overt act" means any act that has either caused harm of a sexually violent nature or creates a reasonable apprehension of such harm.
(6) "Sexually violent offense" means an act committed on, before, or after July 1, 1990, that is: (a) An act defined in Title 9A RCW as rape in the first degree, rape in the second degree by forcible compulsion, rape of a child in the first or second degree, statutory rape in the first or second degree, indecent liberties by forcible compulsion, indecent liberties against a child under age fourteen, incest against a child under age fourteen, or child molestation in the first or second degree; (b) a felony offense in effect at any time prior to July 1, 1990, that is comparable to a sexually violent offense as defined in (a) of this subsection, or any federal or out-of-state conviction for a felony offense that under the laws of this state would be a sexually violent offense as defined in this subsection; (c) an act of murder in the first or second degree, assault in the first or second degree, assault of a child in the first or second degree, kidnapping in the first or second degree, burglary in the first degree, residential burglary, or unlawful imprisonment, which act, either at the time of sentencing for the offense or subsequently during civil commitment proceedings pursuant to chapter 71.09 RCW, has been determined beyond a reasonable doubt to have been sexually motivated, as that term is defined in RCW 9.94A.030; or (d) an act as described in chapter 9A.28 RCW, that is an attempt, criminal solicitation, or criminal conspiracy to commit one of the felonies designated in (a), (b), or (c) of this subsection.
(7) "Less restrictive alternative" means court-ordered treatment in a setting less restrictive than total confinement.
(8) "Secretary" means the secretary of social and health services or his or her designee.
Sec. 2. RCW 71.09.025 and 1992 c 45 s 3 are each amended to read as follows:

(1)(a) When it appears that a person may meet the criteria of a sexually violent predator as defined in RCW 71.09.020(1), the agency with jurisdiction shall refer the person in writing to the prosecuting attorney of the county where that person was charged, three months prior to:

(i) The anticipated release from total confinement of a person who has been convicted of a sexually violent offense;

(ii) The anticipated release from total confinement of a person found to have committed a sexually violent offense as a juvenile;

(iii) Release of a person who has been charged with a sexually violent offense and who has been determined to be incompetent to stand trial pursuant to RCW 10.77.090(3); or

(iv) Release of a person who has been found not guilty by reason of insanity of a sexually violent offense pursuant to RCW 10.77.020(3).

(b) The agency shall ((inform)) provide the prosecutor ((of)) with all relevant information including but not limited to the following information:

(i) ((The person' s name, identifying factors, anticipated future residence, and offense history; and)) A complete copy of the institutional records compiled by the department of corrections relating to the person, and any such out-of-state department of corrections' records, if available;

(ii) ((Documentation of institutional adjustment and any treatment received)) A complete copy, if applicable, of any file compiled by the indeterminate sentence review board relating to the person;

(iii) All records relating to the psychological or psychiatric evaluation and/or treatment of the person;

(iv) A current record of all prior arrests and convictions, and full police case reports relating to those arrests and convictions; and

(v) A current mental health evaluation or mental health records review.

(2) This section applies to acts committed before, on, or after March 26, 1992.

(3) The agency, its employees, and officials shall be immune from liability for any good-faith conduct under this section.

(4) As used in this section, "agency with jurisdiction" means that agency with the authority to direct the release of a person serving a sentence or term of confinement and includes the department of corrections, the indeterminate sentence review board, and the department of social and health services.

Sec. 3. RCW 71.09.030 and 1992 c 45 s 4 are each amended to read as follows:

When it appears that: (1) ((The term of total confinement of)) A person who at any time previously has been convicted of a sexually violent offense is about to ((expire, or has expired)) be released from total confinement on, before, or after July 1, 1990; (2) ((the term of total confinement of)) a person found to have committed a sexually violent offense as a juvenile is about to ((expire, or has expired)) be released from total confinement on, before, or after July 1, 1990; (3) a person who has been charged with a sexually violent offense and who has been determined to be incompetent to stand trial is about to be released, or has been released on, before, or after July 1, 1990, pursuant to RCW 10.77.090(3); (4) a person who has been found not guilty by reason of insanity of a sexually violent offense is about to be released, or has been released on, before, or after July 1, 1990, pursuant to RCW 10.77.020(3), 10.77.110(1) or (3), or 10.77.150; or (5) a person who at any time previously has been convicted of a sexually violent offense and has since been released from total confinement and has committed a recent overt act; and it appears that the person may be a sexually violent predator, the prosecuting attorney of the county where the person was convicted or charged or the attorney general if requested by the prosecuting attorney may file a petition alleging that the person is a "sexually violent predator" and stating sufficient facts to support such allegation.

Sec. 4. RCW 71.09.040 and 1990 c 3 s 1004 are each amended to read as follows:

(1) Upon the filing of a petition under RCW 71.09.030, the judge shall determine whether probable cause exists to believe that the person named in the petition is a sexually violent predator. If such determination is made the judge shall direct that the person be taken into custody ((and)).

(2) Within seventy-two hours after a person is taken into custody pursuant to subsection (1) of this section, the court shall provide the person with notice of, and an opportunity to appear in person at, a hearing to contest probable cause as to whether the person is a sexually violent predator. At this hearing, the court shall (a) verify the person's identity, and (b) determine whether probable cause exists to believe that the person is a sexually violent predator. At the probable cause hearing, the state may
rely upon the petition and certification for determination of probable cause filed pursuant to RCW 71.09.030. The state may supplement this with additional documentary evidence or live testimony.

(3) At the probable cause hearing, the person shall have the following rights in addition to the rights previously specified: (a) To be represented by counsel; (b) to present evidence on his or her behalf; (c) to cross-examine witnesses who testify against him or her; (d) to view and copy all petitions and reports in the court file.

(4) If the probable cause determination is made, the judge shall direct that the person be transferred to an appropriate facility for an evaluation as to whether the person is a sexually violent predator. The evaluation shall be conducted by a person deemed to be professionally qualified to conduct such an examination pursuant to rules developed by the department of social and health services. In adopting such rules, the department of social and health services shall consult with the department of health and the department of corrections. In no event shall the person be released from confinement prior to trial.

Sec. 5. RCW 71.09.050 and 1990 c 3 s 1005 are each amended to read as follows:

(1) Within forty-five days after the completion of any hearing held pursuant to RCW 71.09.040, the court shall conduct a trial to determine whether the person is a sexually violent predator. The trial may be continued upon the request of either party and a showing of good cause, or by the court on its own motion in the due administration of justice, and when the respondent will not be substantially prejudiced. At all stages of the proceedings under this chapter, any person subject to this chapter shall be entitled to the assistance of counsel, and if the person is indigent, the court shall appoint counsel to assist him or her. The person shall be confined in a secure facility for the duration of the trial.

(2) Whenever any person is subjected to an examination under this chapter, he or she may retain experts or professional persons to perform an examination on their behalf. When the person wishes to be examined by a qualified expert or professional person of his or her own choice, such examiner shall be permitted to have reasonable access to the person for the purpose of such examination, as well as to all relevant medical and psychological records and reports. In the case of a person who is indigent, the court shall, upon the person's request, assist the person in obtaining an expert or professional person to perform an examination or participate in the trial on the person's behalf.

(3) The person, the prosecuting attorney or attorney general, or the judge shall have the right to demand that the trial be before a twelve-person jury. If no demand is made, the trial shall be before the court.

Sec. 6. RCW 71.09.060 and 1990 1st ex.s. c 12 s 4 are each amended to read as follows:

(1) The court or jury shall determine whether, beyond a reasonable doubt, the person is a sexually violent predator. When the determination is made by a jury, the verdict must be unanimous.

If, on the date that the petition is filed, the person was living in the community after release from custody, the state must also prove beyond a reasonable doubt that the person had committed a recent overt act. If the state alleges that the prior sexually violent offense that forms the basis for the petition for commitment was an act that was sexually motivated as provided in RCW 71.09.020(((4))(6)(c), the state must prove beyond a reasonable doubt that the alleged sexually violent act was sexually motivated as defined in RCW 9.94A.030. If the court or jury determines that the person is a sexually violent predator, the person shall be committed to the custody of the department of social and health services for placement in a secure facility operated by the department of social and health services for control, care, and treatment until such time as the person's mental abnormality or personality disorder has so changed that the person is safe either (a) to be at large, or (b) to be released to a less restrictive alternative as set forth in section 10 of this act. Such control, care, and treatment shall be provided at a facility operated by the department of social and health services. If the court or jury is not satisfied beyond a reasonable doubt that the person is a sexually violent predator, the court shall direct the person's release.

(2) If the person charged with a sexually violent offense has been found incompetent to stand trial, and is about to or has been released pursuant to RCW 10.77.090(3), and his or her commitment is sought pursuant to subsection (1) of this section, the court shall first hear evidence and determine whether the person did commit the act or acts charged if the court did not enter a finding prior to dismissal under RCW 10.77.090(3) that the person committed the act or acts charged. The hearing on
this issue must comply with all the procedures specified in this section. In addition, the rules of evidence applicable in criminal cases shall apply, and all constitutional rights available to defendants at criminal trials, other than the right not to be tried while incompetent, shall apply. After hearing evidence on this issue, the court shall make specific findings on whether the person did commit the act or acts charged, the extent to which the person’s incompetence or developmental disability affected the outcome of the hearing, including its effect on the person’s ability to consult with and assist counsel and to testify on his or her own behalf, the extent to which the evidence could be reconstructed without the assistance of the person, and the strength of the prosecution’s case. If, after the conclusion of the hearing on this issue, the court finds, beyond a reasonable doubt, that the person did commit the act or acts charged, it shall enter a final order, appealable by the person, on that issue, and may proceed to consider whether the person should be committed pursuant to this section.

(3) The state shall comply with RCW 10.77.220 while confining the person pursuant to this chapter, except that during all court proceedings the person shall be detained in a secure facility. The facility shall not be located on the grounds of any state mental facility or regional habilitation center because these institutions are insufficiently secure for this population.

Sec. 7. RCW 71.09.070 and 1990 c 3 s 1007 are each amended to read as follows:

Each person committed under this chapter shall have a current examination of his or her mental condition made at least once every year. The annual report shall include consideration of whether conditional release to a less restrictive alternative is in the best interest of the person and will adequately protect the community. The person may retain, or if he or she is indigent and so requests, the court may appoint a qualified expert or a professional person to examine him or her, and such expert or professional person shall have access to all records concerning the person. The periodic report shall be provided to the court that committed the person under this chapter.

Sec. 8. RCW 71.09.080 and 1990 c 3 s 1008 are each amended to read as follows:

((The involuntary detention or commitment of persons under this chapter shall conform to constitutional requirements for care and treatment.)) (1) Any person subjected to restricted liberty as a sexually violent predator pursuant to this chapter shall not forfeit any legal right or suffer any legal disability as a consequence of any actions taken or orders made, other than as specifically provided in this chapter.

(2) Any person committed pursuant to this chapter has the right to adequate care and individualized treatment. The department of social and health services shall keep records detailing all medical, expert, and professional care and treatment received by a committed person, and shall keep copies of all reports of periodic examinations made pursuant to this chapter. All such records and reports shall be made available upon request only to: The committed person, his or her attorney, the prosecuting attorney, the court, the protection and advocacy agency, or another expert or professional person who, upon proper showing, demonstrates a need for access to such records.

(3) At the time a person is taken into custody or transferred into a facility pursuant to a petition under this chapter, the professional person in charge of such facility or his or her designee shall take reasonable precautions to inventory and safeguard the personal property of the persons detained or transferred. A copy of the inventory, signed by the staff member making it, shall be given to the person detained and shall, in addition, be open to inspection to any responsible relative, subject to limitations, if any, specifically imposed by the detained person. For purposes of this subsection, "responsible relative" includes the guardian, conservator, attorney, spouse, parent, adult child, or adult brother or sister of the person. The facility shall not disclose the contents of the inventory to any other person without consent of the patient or order of the court.

(4) Nothing in this chapter prohibits a person presently committed from exercising a right presently available to him or her for the purpose of obtaining release from confinement, including the right to petition for a writ of habeas corpus.

(5) No indigent person may be conditionally released or unconditionally discharged under this chapter without suitable clothing, and the secretary shall furnish the person with such sum of money as is required by RCW 72.02.100 for persons without ample funds who are released from correctional institutions. As funds are available, the secretary may provide payment to the indigent persons conditionally released pursuant to this chapter consistent with the optional provisions of RCW 72.02.100 and 72.02.110, and may adopt rules to do so.
Sec. 9. RCW 71.09.090 and 1992 c 45 s 7 are each amended to read as follows:

(1) If the secretary ([of the department of social and health services]) determines that the person's mental abnormality or personality disorder has so changed that the person is not likely to engage in predatory acts of sexual violence if conditionally released to a less restrictive alternative or unconditionally discharged, the secretary shall authorize the person to petition the court for conditional release to a less restrictive alternative or unconditional discharge. The petition shall be served upon the court and the prosecuting attorney. The court, upon receipt of the petition for conditional release to a less restrictive alternative or unconditional discharge, shall within forty-five days order a hearing. The prosecuting attorney or the attorney general, if requested by the county, shall represent the state, and shall have the right to have the petitioner examined by an expert or professional person of his or her choice. The hearing shall be before a jury if demanded by either the petitioner or the prosecuting attorney or attorney general. The burden of proof shall be upon the prosecuting attorney or attorney general to show beyond a reasonable doubt that the petitioner's mental abnormality or personality disorder remains such that the petitioner is not safe to be at large and that if conditionally released to a less restrictive alternative or unconditionally discharged is likely to engage in predatory acts of sexual violence.

(2) Nothing contained in this chapter shall prohibit the person from otherwise petitioning the court for conditional release to a less restrictive alternative or unconditional discharge without the secretary's approval. The secretary shall provide the committed person with an annual written notice of the person's right to petition the court for conditional release to a less restrictive alternative or unconditional discharge over the secretary's objection. The notice shall contain a waiver of rights. The secretary shall forward the notice and waiver form to the court with the annual report. If the person does not affirmatively waive the right to petition, the court shall set a show cause hearing to determine whether facts exist that warrant a hearing on whether the person's condition has so changed that he or she is safe to be ((at large)) conditionally released to a less restrictive alternative or unconditionally discharged. The committed person shall have a right to have an attorney represent him or her at the show cause hearing but the person is not entitled to be present at the show cause hearing.

If the court at the show cause hearing determines that probable cause exists to believe that the person's mental abnormality or personality disorder has so changed that the person is ((safe to be at large and is)) not likely to engage in predatory acts of sexual violence if conditionally released to a less restrictive alternative or unconditionally discharged, then the court shall set a hearing on the issue. At the hearing, the committed person shall be entitled to be present and to the benefit of all constitutional protections that were afforded to the person at the initial commitment proceeding. The prosecuting attorney or the attorney general if requested by the county shall represent the state and shall have a right to a jury trial and to have the committed person evaluated by experts chosen by the state. The committed person shall also have the right to have experts evaluate him or her on his or her behalf and the court shall appoint an expert if the person is indigent and requests an appointment. The burden of proof at the hearing shall be upon the state to prove beyond a reasonable doubt that the committed person's mental abnormality or personality disorder remains such that the person is ((not safe to be at large and if released is)) likely to engage in predatory acts of sexual violence if conditionally released to a less restrictive alternative or unconditionally discharged.

(3) The jurisdiction of the court over a person civilly committed pursuant to this chapter continues until such time as the person is unconditionally discharged.

NEW SECTION. Sec. 10. Before the court may enter an order directing conditional release to a less restrictive alternative, it must find the following: (1) The person will be treated by a treatment provider who is qualified to provide such treatment in the state of Washington under chapter 18.155 RCW; (2) the treatment provider has presented a specific course of treatment and has agreed to assume responsibility for such treatment and will report progress to the court on a regular basis, and will report violations immediately to the court, the prosecutor, the supervising community corrections officer, and the superintendent of the special commitment center; (3) housing exists that is sufficiently secure to protect the community, and the person or agency providing housing to the conditionally released person has agreed in writing to accept the person, to provide the level of security required by the court, and immediately to report to the court, the prosecutor, the supervising community corrections officer, and the superintendent of the special commitment center if the person leaves the housing to which he or she has been assigned without authorization; (4) the person is willing to comply with the treatment provider
and all requirements imposed by the treatment provider and by the court; and (5) the person is willing
to comply with supervision requirements imposed by the department of corrections.

NEW SECTION. Sec. 11. (1) Upon the conclusion of the evidence in a hearing held pursuant
to RCW 71.09.090, if the court finds that there is no legally sufficient evidentiary basis for a
reasonable jury to find that the conditions set forth in section 10 of this act have been met, the court
shall grant a motion by the state for a judgment as a matter of law on the issue of conditional release to
a less restrictive alternative.

(2) Whenever the issue of conditional release to a less restrictive alternative is submitted to the
jury, the court shall instruct the jury to return a verdict in substantially the following form: Has the
state proved beyond a reasonable doubt that the proposed less restrictive alternative is not in the best
interests of respondent or will not adequately protect the community? Answer: Yes or No.

NEW SECTION. Sec. 12. (1) If the court or jury determines that conditional release to a less
restrictive alternative is in the best interest of the person and will adequately protect the community,
and the court determines that the minimum conditions set forth in section 9 of this act are met, the
court shall enter judgment and direct a conditional release.

(2) The court shall impose any additional conditions necessary to ensure compliance with
treatment and to protect the community. If the court finds that conditions do not exist that will both
ensure the person’s compliance with treatment and protect the community, then the person shall be
remanded to the custody of the department of social and health services for control, care, and treatment
in a secure facility as designated in RCW 71.09.060(1).

(3) If the service provider designated to provide inpatient or outpatient treatment or to monitor
or supervise any other terms and conditions of a person’s placement in a less restrictive alternative is
other than the department of social and health services or the department of corrections, then the
service provider so designated must agree in writing to provide such treatment.

(4) Prior to authorizing any release to a less restrictive alternative, the court shall impose such
conditions upon the person as are necessary to ensure the safety of the community. The court shall
order the department of corrections to investigate the less restrictive alternative and recommend any
additional conditions to the court. These conditions shall include, but are not limited to the following:
Specification of residence, prohibition of contact with potential or past victims, prohibition of alcohol
and other drug use, participation in a specific course of inpatient or outpatient treatment that may
include monitoring by the use of polygraph and plethysmograph, supervision by a department of
corrections community corrections officer, a requirement that the person remain within the state unless
the person receives prior authorization by the court, and any other conditions that the court determines
are in the best interest of the person or others. A copy of the conditions of release shall be given to the
person and to any designated service providers.

(5) Any service provider designated to provide inpatient or outpatient treatment shall monthly,
or as otherwise directed by the court, submit to the court, to the department of social and health
services facility from which the person was released, to the prosecutor of the county in which the
person was found to be a sexually violent predator, and to the supervising community corrections
officer, a report stating whether the person is complying with the terms and conditions of the
conditional release to a less restrictive alternative.

(6) Each person released to a less restrictive alternative shall have his or her case reviewed by
the court that released him or her no later than one year after such release and annually thereafter until
the person is unconditionally discharged. Review may occur in a shorter time or more frequently, if
the court, in its discretion on its own motion, or on motion of the person, the secretary, or the
prosecuting attorney so determines. The sole question to be determined by the court is whether the
person shall continue to be conditionally released to a less restrictive alternative. The court in making
its determination shall be aided by the periodic reports filed pursuant to subsection (5) of this section
and the opinions of the secretary and other experts or professional persons.

NEW SECTION. Sec. 13. (1) Any service provider submitting reports pursuant to section
12(5) of this act, the supervising community corrections officer, the prosecuting attorney, or the
attorney general may petition the court, or the court on its own motion may schedule an immediate
hearing, for the purpose of revoking or modifying the terms of the person’s conditional release to a less
restrictive alternative if the petitioner or the court believes the released person is not complying with the terms and conditions of his or her release or is in need of additional care and treatment.

(2) If the prosecuting attorney, the supervising community corrections officer, or the court, based upon information received by them, reasonably believes that a conditionally released person is not complying with the terms and conditions of his or her conditional release to a less restrictive alternative, the court or community corrections officer may order that the conditionally released person be apprehended and taken into custody until such time as a hearing can be scheduled to determine the facts and whether or not the person’s conditional release should be revoked or modified. The court shall be notified before the close of the next judicial day of the person’s apprehension. Both the prosecuting attorney and the conditionally released person shall have the right to request an immediate mental examination of the conditionally released person. If the conditionally released person is indigent, the court shall, upon request, assist him or her in obtaining a qualified expert or professional person to conduct the examination.

(3) The court, upon receiving notification of the person’s apprehension, shall promptly schedule a hearing. The issue to be determined is whether the state has proven by a preponderance of the evidence that the conditionally released person did not comply with the terms and conditions of his or her release. Hearsay evidence is admissible if the court finds it otherwise reliable. At the hearing, the court shall determine whether the person shall continue to be conditionally released on the same or modified conditions or whether his or her conditional release shall be revoked and he or she shall be committed to total confinement, subject to release only in accordance with provisions of this chapter.

Sec. 14.  RCW 71.09.110 and 1990 c 3 s 1011 are each amended to read as follows:
The department of social and health services shall be responsible for all costs relating to the evaluation and treatment of persons committed to their custody whether in a secure facility or under a less restrictive alternative under any provision of this chapter. Reimbursement may be obtained by the department for the cost of care and treatment of persons committed to its custody whether in a secure facility or under a less restrictive alternative pursuant to RCW 43.20B.330 through 43.20B.370.

Sec. 15.  RCW 9A.76.120 and 1982 1st ex.s. c 47 s 24 are each amended to read as follows:
(1) A person is guilty of escape in the second degree if:
(a) He or she escapes from a detention facility; 
(b) Having been charged with a felony or an equivalent juvenile offense, he or she escapes from custody; or 
(c) Having been found to be a sexually violent predator and being under an order of conditional release, he or she leaves the state of Washington without prior court authorization.

(2) Escape in the second degree is a class C felony.

NEW SECTION.  Sec. 16.  In the event of an escape by a person committed under this chapter from a state institution or the disappearance of such a person while on conditional release, the superintendent or community corrections officer shall notify the following as appropriate: Local law enforcement officers, other governmental agencies, the person’s relatives, and any other appropriate persons about information necessary for the public safety or to assist in the apprehension of the person.

NEW SECTION.  Sec. 17.  (1) At the earliest possible date, and in no event later than thirty days before conditional release or unconditional discharge, except in the event of escape, the department of social and health services shall send written notice of conditional release, unconditional discharge, or escape, to the following:
(a) The chief of police of the city, if any, in which the person will reside or in which placement will be made under a less restrictive alternative; 
(b) The sheriff of the county in which the person will reside or in which placement will be made under a less restrictive alternative; and 
(c) The sheriff of the county where the person was last convicted of a sexually violent offense, if the department does not know where the person will reside.
The department shall notify the state patrol of the release of all sexually violent predators and that information shall be placed in the Washington crime information center for dissemination to all law enforcement.
(2) The same notice as required by subsection (1) of this section shall be sent to the following if such notice has been requested in writing about a specific person found to be a sexually violent predator under this chapter:
   (a) The victim or victims of any sexually violent offenses for which the person was convicted in the past or the victim's next of kin if the crime was a homicide. "Next of kin" as used in this section means a person's spouse, parents, siblings, and children;
   (b) Any witnesses who testified against the person in his or her commitment trial under RCW 71.09.060; and
   (c) Any person specified in writing by the prosecuting attorney.

   Information regarding victims, next of kin, or witnesses requesting the notice, information regarding any other person specified in writing by the prosecuting attorney to receive the notice, and the notice are confidential and shall not be available to the committed person.

(3) If a person committed as a sexually violent predator under this chapter escapes from a department of social and health services facility, the department shall immediately notify, by the most reasonable and expedient means available, the chief of police of the city and the sheriff of the county in which the committed person resided immediately before his or her commitment as a sexually violent predator, or immediately before his or her incarceration for his or her most recent offense. If previously requested, the department shall also notify the witnesses and the victims of the sexually violent offenses for which the person was convicted in the past or the victim's next of kin if the crime was a homicide. If the person is recaptured, the department shall send notice to the persons designated in this subsection as soon as possible but in no event later than two working days after the department learns of such recapture.

(4) If the victim or victims of any sexually violent offenses for which the person was convicted in the past or the victim's next of kin, or any witness is under the age of sixteen, the notice required by this section shall be sent to the parents or legal guardian of the child.

(5) The department of social and health services shall send the notices required by this chapter to the last address provided to the department by the requesting party. The requesting party shall furnish the department with a current address.

(6) Nothing in this section shall impose any liability upon a chief of police of a city or sheriff of a county for failing to request in writing a notice as provided in subsection (1) of this section.

NEW SECTION.  Sec. 18. For purposes of sections 19 through 21 of this act:
   (1) "Escorted leave" means a leave of absence from a facility housing persons detained or committed pursuant to this chapter under the continuous supervision of an escort.
   (2) "Escort" means a correctional officer or other person approved by the superintendent or the superintendent's designee to accompany a resident on a leave of absence and be in visual or auditory contact with the resident at all times.
   (3) "Resident" means a person detained or committed pursuant to this chapter.

NEW SECTION.  Sec. 19. The superintendent of any facility housing persons detained or committed pursuant to this chapter may, subject to the approval of the secretary, grant escorted leaves of absence to residents confined in such institutions to:
   (1) Go to the bedside of the resident's wife, husband, child, mother or father, or other member of the resident's immediate family who is seriously ill;
   (2) Attend the funeral of a member of the resident's immediate family listed in subsection (1) of this section; and
   (3) Receive necessary medical or dental care which is not available in the institution.

NEW SECTION.  Sec. 20. A resident shall not be allowed to start a leave of absence under section 19 of this act until the secretary, or the secretary's designee, has notified any county and city law enforcement agency having jurisdiction in the area of the resident's destination.

NEW SECTION.  Sec. 21. (1) The secretary is authorized to adopt rules providing for the conditions under which residents will be granted leaves of absence and providing for safeguards to prevent escapes while on leaves of absence. Leaves of absence granted to residents under section 19 of this act, however, shall not allow or permit any resident to go beyond the boundaries of this state.
The secretary shall adopt rules requiring reimbursement of the state from the resident granted leave of absence, or the resident’s family, for the actual costs incurred arising from any leave of absence granted under the authority of section 19 (1) and (2) of this act. No state funds shall be expended in connection with leaves of absence granted under section 19 (1) and (2) of this act unless the resident and the resident’s immediate family are indigent and without resources sufficient to reimburse the state for the expenses of such leaves of absence.

NEW SECTION. Sec. 22. RCW 71.09.100 and 1990 c 3 s 1010 are each repealed.

NEW SECTION. Sec. 23. Sections 10 through 13 and 16 through 21 of this act are each added to chapter 71.09 RCW.
