ESSB 5988 Prime Sponsor, Senate Committee on Education: Changing provisions relating to truancy.
Reported by Committee on Education

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28A.225.010 and 1998 c 244 s 14 are each amended to read as follows:

(1) All parents in this state of any child eight years of age and under eighteen years of age shall cause such child to attend the public school of the district in which the child resides and such child shall have the responsibility to and therefore shall attend for the full time when such school may be in session unless:

(a) The child is attending an approved private school for the same time or is enrolled in an extension program as provided in RCW 28A.195.010(4);

(b) The child is receiving home-based instruction as provided in subsection ~~((4))~~ (5) of this section;

(c) The child is attending an education center as provided in chapter 28A.205 RCW;

(d) The school district superintendent of the district in which the child resides shall have excused such child from attendance because the child is physically or mentally unable to attend school, is attending a residential school operated by the department of social and health services, is incarcerated in an adult correctional facility, or has been temporarily excused upon the request of his or her parents for purposes agreed upon by the school authorities and the parent: PROVIDED, That such excused absences shall not be permitted if deemed to cause a serious adverse effect upon the student's educational progress: PROVIDED FURTHER, That students excused for such temporary absences may be claimed as full time equivalent students to the extent they would otherwise have been so claimed for the purposes of RCW 28A.150.250 and 28A.150.260 and shall not affect school district compliance with the provisions of RCW 28A.150.220; or

(e) The child is sixteen years of age or older and:

(i) The child is regularly and lawfully employed and either the parent agrees that the child should not be required to attend school or the child is emancipated in accordance with chapter 13.64 RCW;

(ii) The child has already met graduation requirements in accordance with state board of education rules and regulations; or

(iii) The child has received a certificate of educational competence under rules and regulations established by the state board of education under RCW 28A.305.190.

(2) If a parent enrolls a child six years of age and under eight years of age in the public school of the district in which the child resides, that parent has the responsibility to ensure the child attends, and the child has the responsibility to attend, for the full time when that school is in session, unless one of the exceptions in subsection (1) of this section is met. This subsection does not apply to a child enrolled in a public school part-time for the purpose of receiving ancillary services. An exception shall be made to this requirement for children whose parents formally remove them from enrollment in kindergarten if the child is less than eight years old.

(3) A parent for the purpose of this chapter means a parent, guardian, or person having legal custody of a child.

~~((3))~~ (4) An approved private school for the purposes of this chapter and chapter 28A.200 RCW shall be one approved under regulations established by the state board of education pursuant to RCW 28A.305.130.

~~((4))~~ (5) For the purposes of this chapter and chapter 28A.200 RCW, instruction shall be home-based if it consists of planned and supervised instructional and related educational activities, including a curriculum and instruction in the basic skills of occupational education, science, mathematics, language, social studies, history, health, reading, writing, spelling, and the development of an appreciation of art and music, provided for a number of hours equivalent to the total annual program hours per grade level

established for approved private schools under RCW 28A.195.010 and 28A.195.040 and if such activities are:

(a) Provided by a parent who is instructing his or her child only and are supervised by a certificated person. A certificated person for purposes of this chapter and chapter 28A.200 RCW shall be a person certified under chapter 28A.410 RCW. For purposes of this section, "supervised by a certificated person" means: The planning by the certificated person and the parent of objectives consistent with this subsection; a minimum each month of an average of one contact hour per week with the child being supervised by the certificated person; and evaluation of such child's progress by the certificated person. The number of children supervised by the certificated person shall not exceed thirty for purposes of this subsection; or

(b) Provided by a parent who is instructing his or her child only and who has either earned forty-five college level quarter credit hours or its equivalent in semester hours or has completed a course in home-based instruction at a postsecondary institution or a vocational-technical institute; or

(c) Provided by a parent who is deemed sufficiently qualified to provide home-based instruction by the superintendent of the local school district in which the child resides.

~~((5))~~ (6) The legislature recognizes that home-based instruction is less structured and more experiential than the instruction normally provided in a classroom setting. Therefore, the provisions of subsection ~~((4))~~ (5) of this section relating to the nature and quantity of instructional and related educational activities shall be liberally construed.

Sec. 2. RCW 28A.225.020 and 1996 c 134 s 2 are each amended to read as follows:

(1) If a child required to attend school under RCW 28A.225.010 fails to attend school without valid justification, the public school in which the child is enrolled shall:

(a) Inform the child's custodial parent, parents, or guardian by a notice in writing or by telephone whenever the child has failed to attend school after one unexcused absence within any month during the current school year. School officials shall inform the parent of the potential consequences of additional unexcused absences;

(b) Schedule a conference or conferences with the custodial parent, parents, or guardian and child at a time reasonably convenient for all persons included for the purpose of analyzing the causes of the child's absences after two unexcused absences within any month during the current school year. If a regularly scheduled parent-teacher conference day is to take place within thirty days of the second unexcused absence, then the school district may schedule this conference on that day; and

(c) Take steps to eliminate or reduce the child's absences. These steps shall include, where appropriate, adjusting the child's school program or school or course assignment, providing more individualized or remedial instruction, providing appropriate vocational courses or work experience, referring the child to a community truancy board, requiring the child to attend an alternative school or program, or assisting the parent or child to obtain supplementary services that might eliminate or ameliorate the cause or causes for the absence from school. If the child's parent does not attend the scheduled conference, the conference may be conducted with the student and school official. However, the parent shall be notified of the steps to be taken to eliminate or reduce the child's absence.

(2) For purposes of this chapter, an "unexcused absence" means that a child:

(a) Has failed to attend the majority of hours or periods in an average school day or has failed to comply with a more restrictive school district policy; and

(b) Has failed to meet the school district's policy for excused absences.

(3) If a child transfers from one school district to another, the receiving school or school district shall honor the attendance record including the unexcused absences accumulated at the previous school or from the previous school district.

Sec. 3. RCW 28A.225.030 and 1996 c 134 s 3 are each amended to read as follows:

(1) If a child is required to attend school under RCW 28A.225.010 and if the actions taken by a school district under RCW 28A.225.020 are not successful in substantially reducing an enrolled student's

absences from public school, not later than the seventh unexcused absence by a child within any month during the current school year or not later than the tenth unexcused absence during the current school year the school district shall file a petition and supporting affidavit for a civil action with the juvenile court alleging a violation of RCW 28A.225.010: (a) By the parent; (b) by the child; or (c) by the parent and the child. However, if the petition alleges a violation of RCW 28A.225.010(2), the petition shall only allege a violation by the parent. Except as provided in this subsection, no additional documents need be filed with the petition.

(2) The district shall not later than the fifth unexcused absence in a month:

(a) Enter into an agreement with a student and parent that establishes school attendance requirements;

(b) Refer a student to a community truancy board as defined in RCW 28A.225.025. The community truancy board shall enter into an agreement with the student and parent that establishes school attendance requirements and take other appropriate actions to reduce the child's absences; or

(c) File a petition under subsection (1) of this section.

(3) The petition may be filed by a school district employee who is not an attorney.

(4) If the school district fails to file a petition under this section, the parent of a child with five or more unexcused absences in any month during the current school year or upon the tenth unexcused absence during the current school year may file a petition with the juvenile court alleging a violation of RCW 28A.225.010.

(5) Petitions filed under this section may be served by certified mail, return receipt requested. If such service is unsuccessful, or the return receipt is not signed by the addressee, personal service is required.

Sec. 4. RCW 28A.225.035 and 1997 c 68 s 1 are each amended to read as follows:

(1) A petition for a civil action under RCW 28A.225.030 shall consist of a written notification to the court alleging that:

(a) The child has unexcused absences during the current school year;

(b) Actions taken by the school district have not been successful in substantially reducing the child's absences from school; and

(c) Court intervention and supervision are necessary to assist the school district or parent to reduce the child's absences from school.

(2) The petition shall set forth the name, age, school, and residence of the child and the names and residence of the child's parents.

(3) The petition shall set forth facts that support the allegations in this section and shall generally request relief available under this chapter and provide information about what the court might order under RCW 28A.225.090.

(4) ((When a petition is filed under RCW 28A.225.030)) Upon receipt of a petition and supporting affidavit from a school district alleging a violation of RCW 28A.225.010 by a child subject to this chapter, the juvenile court shall require that the child, if age eight or older, a parent, and a school representative appear before a truancy board as defined in RCW 28A.225.025, unless the respondent requests a hearing before the court.

(5) Within thirty days of receipt of the truancy referral, the truancy board shall meet with the child, a parent, and the school representative, and enter into an agreement regarding expectations and any actions necessary to address the truancy. The agreement shall be presented to the court for its approval. The court may approve the agreement without a separate hearing. The court shall approve the agreement by order or shall schedule a hearing. The court may, if the school district and community truancy board agree, permit the truancy board to provide continued supervision over the student and report on compliance with the agreement.

(6) Notwithstanding the provisions in subsection (4) of this section, if the juvenile court finds that a truancy board would not be the most effective means of addressing the underlying truancy due to extenuating circumstances, the juvenile court shall schedule a hearing at which the court shall consider

the petition. However, a hearing shall not be required if other actions by the court would substantially reduce the child's unexcused absences. When a hearing is held, the court shall:

- (a) Separately notify the child, the parent of the child, and the school district of the hearing;
- (b) Notify the parent and the child of their rights to present evidence at the hearing; and
- (c) Notify the parent and the child of the options and rights available under chapter 13.32A RCW.

~~((5))~~ (7) Except as provided in RCW 28A.225.030(1), the court may require the attendance of both the child and the parents at any hearing on a petition filed under RCW 28A.225.030.

~~((6))~~ (8) A school district is responsible for determining who shall represent the school district at hearings on a petition filed under RCW 28A.225.030.

(9) The court may permit the first hearing to be held without requiring that either party be represented by legal counsel, and to be held without a guardian ad litem for the child under RCW 4.08.050. At the request of the school district, the court ~~((may))~~ shall permit a school district representative who is not an attorney to represent the school district at any future hearings.

~~((7))~~ (10) If the allegations in the petition are established by a preponderance of the evidence, the court shall grant the petition and enter an order assuming jurisdiction to intervene for the period of time determined by the court, after considering the facts alleged in the petition and the circumstances of the juvenile, to most likely cause the juvenile to return to and remain in school while the juvenile is subject to this chapter. In no case may the order expire before the end of the school year in which it is entered.

~~((8))~~ (11) If the court assumes jurisdiction, the school district shall regularly report to the court any additional unexcused absences by the child.

~~((9))~~ (12) Community truancy boards and the courts shall coordinate, to the extent possible, proceedings and actions pertaining to children who are subject to truancy petitions and at-risk youth petitions in RCW 13.32A.191 or child in need of services petitions in RCW 13.32A.140.

(13) If after a juvenile court assumes jurisdiction in one county the child relocates to another county, the juvenile court in the receiving county shall, upon the request of a school district or parent, assume jurisdiction of the petition filed in the previous county.

Sec. 5. RCW 28A.225.090 and 1998 c 296 s 39 are each amended to read as follows:

(1) A court may order a child subject to a petition under RCW 28A.225.035 to:

(a) Attend the child's current school;

(b) If there is space available and the program can provide educational services appropriate for the child, order the child to attend another public school, an alternative education program, center, a skill center, dropout prevention program, or another public educational program;

(c) Attend a private nonsectarian school or program including an education center. Before ordering a child to attend an approved or certified private nonsectarian school or program, the court shall: (i) Consider the public and private programs available; (ii) find that placement is in the best interest of the child; and (iii) find that the private school or program is willing to accept the child and will not charge any fees in addition to those established by contract with the student's school district. If the court orders the child to enroll in a private school or program, the child's school district shall contract with the school or program to provide educational services for the child. The school district shall not be required to contract for a weekly rate that exceeds the state general apportionment dollars calculated on a weekly basis generated by the child and received by the district. A school district shall not be required to enter into a contract that is longer than the remainder of the school year. A school district shall not be required to enter into or continue a contract if the child is no longer enrolled in the district;

(d) Be referred to a community truancy board, if available; or

(e) Submit to testing for the use of controlled substances or alcohol based on a determination that such testing is appropriate to the circumstances and behavior of the child and will facilitate the child's compliance with the mandatory attendance law.

(2) If the child fails to comply with the court order, the court may order the child to be punished by detention, as provided in RCW 7.21.030(2)(e), or may impose alternatives to detention such as

community service. Failure by a child to comply with an order issued under this subsection shall not be punishable by detention for a period greater than that permitted pursuant to a civil contempt proceeding against a child under chapter 13.32A RCW.

(3) If the child continues to be truant after entering into a court-approved agreement with the truancy board under RCW 28A.225.035, or if the child fails to enter into an agreement with the truancy board, the truancy board shall return the matter to the juvenile court for a hearing. If upon entering an order the child continues to be truant, the juvenile court shall find the child in contempt and impose a remedial sanction in accordance with chapter 7.21 RCW designed to immediately return the child to school, including the actual imposition of detention. The court shall consider the fact that the child was provided ample opportunity to attend school with assistance from the truancy board.

(4) Any parent violating any of the provisions of either RCW 28A.225.010 or 28A.225.080 shall be fined not more than twenty-five dollars for each day of unexcused absence from school. It shall be a defense for a parent charged with violating RCW 28A.225.010 to show that he or she exercised reasonable diligence in attempting to cause a child in his or her custody to attend school or that the child's school did not perform its duties as required in RCW 28A.225.020. The court may order the parent to provide community service instead of imposing a fine. Any fine imposed pursuant to this section may be suspended upon the condition that a parent charged with violating RCW 28A.225.010 shall participate with the school and the child in a supervised plan for the child's attendance at school or upon condition that the parent attend a conference or conferences scheduled by a school for the purpose of analyzing the causes of a child's absence.

Sec. 6. RCW 28A.225.025 and 1996 c 134 s 9 are each amended to read as follows:

For purposes of this chapter, "community truancy board" means a board composed of members of the local community in which the child attends school. Juvenile courts shall establish and operate community truancy boards. However, establishment and operation of community truancy boards may be delegated to school districts with the agreement of both the court and the school district. The ~~((local school district boards of directors may create a community truancy board or))~~ juvenile courts may use other ~~((boards))~~ entities that exist or are created, such as diversion ~~((boards))~~ units. However, a diversion unit or other existing ~~((board))~~ entity must agree before it is used as a truancy board. ~~((Members of the board shall be selected from representatives of the community.))~~ Duties of a community truancy board shall include, but not be limited to, recommending methods for improving school attendance such as assisting the parent or the child to obtain supplementary services that might eliminate or ameliorate the causes for the absences or suggesting to the school district that the child enroll in another school, an alternative education program, an education center, a skill center, a dropout prevention program, or another public or private educational program.

NEW SECTION. **Sec. 7.** A new section is added to chapter 28A.300 RCW to read as follows:

The superintendent of public instruction shall provide, to the extent funds are appropriated, start-up grants for alternative programs and services that provide instruction and learning for truant, at-risk, and expelled students. Each grant application shall contain proposed performance indicators and an evaluation plan to measure the success of the program and its impact on improved student learning. Applications shall contain the applicant's plan for maintaining the program and services after the grant period.

NEW SECTION. **Sec. 8.** If funds are appropriated by the legislature for this specific purpose the superintendent of public instruction shall contract with the institute of public policy or a similar agency to: Evaluate the effectiveness of the petition process and community truancy boards in chapter 28A.225 RCW in reducing truancy; determine whether students who do return to school after being subject to court action have disciplinary actions such as suspensions or expulsions, establish patterns of improved attendance, are successful in their classes, and successfully complete their education program; and

determine the costs imposed on school districts by the petition process and other truancy-related procedural requirements required by the legislature in 1992 and thereafter.

The cost determination shall be submitted to the appropriate committees of the legislature by December 15, 1999. The evaluation shall be submitted to the appropriate committees of the legislature by December 15, 2000.

(4) This section expires December 31, 2000.

NEW SECTION. **Sec. 9.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28B.15 RCW to read as follows:

In addition to waivers granted under the authority of RCW 28B.15.910, the governing boards of the state universities, the regional universities, The Evergreen State College, and the community colleges may waive all or a portion of the operating fees for any student. State general fund appropriations shall not be provided to replace tuition and fees revenue forgone as a result of waivers granted under this section. The governing boards shall take public action to adopt rules for granting tuition waivers authorized under this section. Actions by governing boards of community colleges to grant waivers under this section shall be subject to rules of the state board for community and technical colleges.

NEW SECTION. Sec. 2. The higher education coordinating board, with the assistance of the institutions of higher education, shall evaluate the impact and the effectiveness of the new waiver authority granted under this act. The evaluation shall include, but not be limited to: (1) Information on how the institutions used their authority to waive tuition, including what rates were put into effect for categories of students or programs, and the impact on tuition revenue; and (2) an analysis of the impact of additional waivers on student enrollment patterns including changes in the proportion of resident students, changes in the proportion of undergraduate students and changes in the proportion of day-on-campus students. By November 1, 2000, the board shall report its findings and make recommendations to the governor and the legislature.

Sec. 3. RCW 28B.15.066 and 1995 1st sp.s. c 9 s 3 are each amended to read as follows:

As used in this section, "gross authorized operating fees revenue" means the estimated gross operating fees revenue as estimated under RCW 82.33.020 or as revised by the office of financial management, before granting any waivers. MAJORITY recommendation: Do pass as amended.

On page 1, after line 2, strike all material through page 4, line 17, and insert the following:

"THAT, At the next general election to be held in this state the secretary of state shall submit to the qualified voters of the state for their approval and ratification, or rejection, an amendment to Article VIII, section 1 of the Constitution of the state of Washington to read as follows:

Article VIII, section 1. (a) The state may contract debt, the principal of which shall be paid and discharged within thirty years from the time of contracting thereof, in the manner set forth herein.

(b) The aggregate debt contracted by the state shall not exceed that amount for which payments of principal and interest in any fiscal year would require the state to expend more than nine percent of the arithmetic mean of its general state revenues for the three immediately preceding fiscal years as certified by the treasurer. The term "fiscal year" means that period of time commencing July 1 of any year and ending on June 30 of the following year.

(c) The term "general state revenues" when used in this section, shall include all state money received in the treasury from each and every source whatsoever except: (1) Fees and revenues derived from the ownership or operation of any undertaking, facility, or project; (2) Moneys received as gifts, grants, donations, aid, or assistance or otherwise from the United States or any department, bureau, or corporation thereof, or any person, firm, or corporation, public or private, when the terms and conditions of such gift, grant, donation, aid, or assistance require the application and disbursement of such moneys otherwise than for the general purposes of the state of Washington; (3) Moneys to be paid into and received from retirement system funds, and performance bonds and deposits; (4) Moneys to be paid into and received from trust funds including but not limited to moneys received from taxes levied for specific purposes and the several permanent and irreducible funds of the state and the moneys derived therefrom but excluding bond redemption funds; (5) Proceeds received from the sale of bonds or other evidences of indebtedness.

(d) In computing the amount required for payment of principal and interest on outstanding debt under this section, debt shall be construed to mean borrowed money represented by bonds, notes, or other evidences of indebtedness which are secured by the full faith and credit of the state or are required to be repaid, directly or indirectly, from general state revenues and which are incurred by the state, any department, authority, public corporation, or quasi public corporation of the state, any state university or college, or any other public agency created by the state but not by counties, cities, towns, school districts, or other municipal corporations, but shall not include obligations for the payment of current expenses of

state government, nor shall it include debt hereafter incurred pursuant to section 3 of this article, obligations guaranteed as provided for in subsection ~~((f))~~ (g) of this section, principal of bond anticipation notes or obligations issued to fund or refund the indebtedness of the Washington state building authority.

(e) The state may pledge the full faith, credit, and taxing power of the state to guarantee the voter approved general obligation debt of school districts in the manner authorized by the legislature. Any such guarantee does not remove the debt obligation of the school district and is not state debt.

~~(f)~~ (f) The state may, without limitation, fund or refund, at or prior to maturity, the whole or any part of any existing debt or of any debt hereafter contracted pursuant to section 1, section 2, or section 3 of this article, including any premium payable with respect thereto and interest thereon, or fund or refund, at or prior to maturity, the whole or any part of any indebtedness incurred or authorized prior to the effective date of this amendment by any entity of the type described in subsection ~~((g))~~ (h) of this section, including any premium payable with respect thereto and any interest thereon. Such funding or refunding shall not be deemed to be contracting debt by the state.

~~((f))~~ (g) Notwithstanding the limitation contained in subsection (b) of this section, the state may pledge its full faith, credit, and taxing power to guarantee the payment of any obligation payable from revenues received from any of the following sources: (1) Fees collected by the state as license fees for motor vehicles; (2) Excise taxes collected by the state on the sale, distribution or use of motor vehicle fuel; and (3) Interest on the permanent common school fund: *Provided*, That the legislature shall, at all times, provide sufficient revenues from such sources to pay the principal and interest due on all obligations for which said source of revenue is pledged.

~~((g))~~ (h) No money shall be paid from funds in custody of the treasurer with respect to any debt contracted after the effective date of this amendment by the Washington state building authority, the capitol committee, or any similar entity existing or operating for similar purposes pursuant to which such entity undertakes to finance or provide a facility for use or occupancy by the state or any agency, department, or instrumentality thereof.

~~((h))~~ (i) The legislature shall prescribe all matters relating to the contracting, funding or refunding of debt pursuant to this section, including: The purposes for which debt may be contracted; by a favorable vote of three-fifths of the members elected to each house, the amount of debt which may be contracted for any class of such purposes; the kinds of notes, bonds, or other evidences of debt which may be issued by the state; and the manner by which the treasurer shall determine and advise the legislature, any appropriate agency, officer, or instrumentality of the state as to the available debt capacity within the limitation set forth in this section. The legislature may delegate to any state officer, agency, or instrumentality any of its powers relating to the contracting, funding or refunding of debt pursuant to this section except its power to determine the amount and purposes for which debt may be contracted.

~~((i))~~ (j) The full faith, credit, and taxing power of the state of Washington are pledged to the payment of the debt created on behalf of the state pursuant to this section and the legislature shall provide by appropriation for the payment of the interest upon and installments of principal of all such debt as the same falls due, but in any event, any court of record may compel such payment.

~~((j))~~ (k) Notwithstanding the limitations contained in subsection (b) of this section, the state may issue certificates of indebtedness in such sum or sums as may be necessary to meet temporary deficiencies of the treasury, to preserve the best interests of the state in the conduct of the various state institutions, departments, bureaus, and agencies during each fiscal year; such certificates may be issued only to provide for appropriations already made by the legislature and such certificates must be retired and the debt discharged other than by refunding within twelve months after the date of incurrence.

~~((k))~~ (l) Bonds, notes, or other obligations issued and sold by the state of Washington pursuant to and in conformity with this article shall not be invalid for any irregularity or defect in the proceedings of the issuance or sale thereof and shall be incontestable in the hands of a bona fide purchaser or holder thereof."

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Natural Resources (For amendment, see Journal 82nd Day, April 2, 1999).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that increased human population has resulted in growth and development into areas previously wild in nature. This growth is leading to an inevitable interaction between wild animals and humans. These interactions may threaten homes, property, pets, and livestock, and may even be life threatening. The legislature further finds that the population levels of both black bear and cougar have experienced steady growth in recent years. These populations, though fluctuating, have the potential to reach unmanageable levels.

Sec. 2. RCW 77.16.360 and 1997 c 1 s 1 are each amended to read as follows:

(1) Notwithstanding the provisions of RCW (~~77.12.240 and 77.12.265 or other provisions of law~~) 77.36.020 or 77.36.030, it is unlawful to take, hunt, or attract black bear with the aid of bait.

(a) Nothing in this subsection shall be construed to prohibit the killing of black bear with the aid of bait by employees or agents of county, state, or federal agencies while acting in their official capacities for the purpose of protecting livestock, domestic animals, private property, or the public safety.

(b) Nothing in this subsection shall be construed to prevent the establishment and operation of feeding stations for black bear in order to prevent damage to commercial timberland.

(c) Nothing in this subsection shall be construed to prohibit the director from issuing a permit or memorandum of understanding to a public agency, university, or scientific or educational institution for the use of bait to attract black bear for scientific purposes.

(d) As used in this subsection, "bait" means a substance placed, exposed, deposited, distributed, scattered, or otherwise used for the purpose of attracting black bears to an area where one or more persons hunt or intend to hunt them.

(2) Notwithstanding RCW (~~77.12.240 or any other provisions of law~~) 77.36.020 or 77.36.030, it is unlawful to hunt or pursue black bear, cougar, bobcat, or lynx with the aid of a dog or dogs.

(a) Nothing in this subsection shall be construed to prohibit the killing of black bear, cougar, bobcat, or lynx with the aid of a dog or dogs by employees or agents of county, state, or federal agencies while acting in their official capacities for the purpose of protecting livestock, domestic animals, private property, or the public safety. (~~(A dog or dogs may be used by the owner or tenant of real property consistent with a permit issued and conditioned by the director under RCW 77.12.265.)~~)

(b) Nothing in this subsection shall be construed to prohibit the director from issuing a permit or memorandum of understanding to a public agency, university, or scientific or educational institution for the use of a dog or dogs for the pursuit of black bear, cougar, bobcat, or lynx for scientific purposes.

(3) Notwithstanding subsection (2) of this section:

(a) The commission shall authorize the use of dogs only in selected areas within a game management unit or units to address a specific cougar population or public safety need. This authority may only be exercised after the commission has determined that no other practical alternative to the use of dogs exists, and after the commission has adopted a rule or rules describing the conditions in which dogs may be used. Conditions which may warrant the use of dogs within a game management unit include, but are not limited to, confirmed cougar/human safety incidents, confirmed cougar/livestock or pet depredations, and the number of cougar capture attempts and relocations;

(b) The director may authorize the use of dogs with a permit issued pursuant to RCW 77.12.240.

(4) A person who violates subsection (1) or (2) of this section is guilty of a gross misdemeanor. In addition to appropriate criminal penalties, the director shall revoke the hunting license of a person who violates subsection (1) or (2) of this section and a hunting license shall not be issued for a period of five years following the revocation. Following a subsequent violation of

subsection (1) or (2) of this section by the same person, a hunting license shall not be issued to the person at any time."

If the psychiatrist or psychologist so recommends, the person shall also be evaluated for chemical dependency within seventy-two hours of the arrest and in accordance with chapter 70.96A RCW. The results of each evaluation shall be sent immediately to the court, and the court shall consider those results in making any determination about the person.

 - (b) Without a court order, by a law enforcement officer if grounds exist for the arrest of an adult in identical circumstances. Admission to, and continued custody in, a court detention facility shall be governed by subsection (2) of this section; or
 - (c) Pursuant to a court order that the juvenile be held as a material witness; or
 - (d) Where the secretary or the secretary's designee has suspended the parole of a juvenile offender.

- (4) Except as provided in RCW 9.41.280, a juvenile detained under this section may be released upon posting a probation bond set by the court. The juvenile's parent or guardian may sign for the probation bond. A court authorizing such a release shall issue an order containing a statement of conditions imposed upon the juvenile and shall set the date of his or her next court appearance. The

court shall advise the juvenile of any conditions specified in the order and may at any time amend such an order in order to impose additional or different conditions of release upon the juvenile or to return the juvenile to custody for failing to conform to the conditions imposed. In addition to requiring the juvenile to appear at the next court date, the court may condition the probation bond on the juvenile's compliance with conditions of release. The juvenile's parent or guardian may notify the court that the juvenile has failed to conform to the conditions of release or the provisions in the probation bond. If the parent notifies the court of the juvenile's failure to comply with the probation bond, the court shall notify the surety. As provided in the terms of the bond, the surety shall provide notice to the court of the offender's noncompliance. A juvenile may be released only to a responsible adult or the department of social and health services. Failure to appear on the date scheduled by the court pursuant to this section shall constitute the crime of bail jumping.

ESSB 5424 Prime Sponsor, Senate Committee on Senate Environmental Quality & Water Resources: Allowing the use of certain commercially approved herbicides for aquatic plant management. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** The legislature finds that the environmental, recreational, and aesthetic values of many of the state's lakes are threatened by the invasion of noxious aquatic weeds. Once established, these noxious aquatic weeds can colonize the shallow shorelines of lakes with dense surface vegetation mats that degrade water quality, pose a threat to swimmers, and restrict use of lakes. Many commercially available herbicides have been demonstrated to be effective in controlling noxious aquatic weeds and do not pose a risk to the environment or public health. The purpose of this act is to allow the use of commercially available herbicides that have been approved by the environmental protection agency and the department of agriculture and subject to rigorous evaluation by the department of ecology through an environmental impact statement for the aquatic plant management program.

NEW SECTION. **Sec. 2.** A new section is added to chapter 90.48 RCW to read as follows:
The department of ecology shall update the final supplemental environmental impact statement completed in 1992 for the aquatic plant management program to reflect new information on herbicides evaluated in 1992 and new, commercially available herbicides. The department shall maintain the currency of the information on herbicides and evaluate new herbicides as they become commercially available.

NEW SECTION. **Sec. 3.** A new section is added to chapter 90.48 RCW to read as follows:

(1) Subject to restrictions in this section, a government entity seeking to control a limited infestation of Eurasian water milfoil may use the pesticide 2,4-D to treat the milfoil infestation, without obtaining a permit under RCW 90.48.445, if the milfoil infestation is either recently documented or remaining after the application of other control measures, and is limited to twenty percent or less of the littoral zone of the lake. Any pesticide application made under this section must be made according to all label requirements for the product and must meet the public notice requirements of subsection (2) of this section.

(2) Before applying 2,4-D, the government entity shall: (a) Provide at least twenty-one days' notice to the department of ecology, the department of fish and wildlife, the department of agriculture, the department of health, and all lake residents; (b) post notices of the intent to apply 2,4-D at all public access points; and (c) place informational buoys around the treatment area.

(3) The department of fish and wildlife may impose timing restrictions on the use of 2,4-D to protect salmon and other fish and wildlife.

(4) The department may prohibit the use of 2,4-D if the department finds the product contains dioxin.

(5) Government entities using this section to apply 2,4-D may apply for funds from the freshwater aquatic weeds account consistent with the freshwater aquatic weeds management program as provided in RCW 43.21A.660.

(6) Government entities using this section shall consider development of long-term control strategies for eradication and control of the Eurasian water milfoil.

(7) For the purpose of this section, "government entities" includes cities, counties, state agencies, tribes, special purpose districts, and county weed boards.

NEW SECTION. **Sec. 4.** If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 1999, in the omnibus appropriations act, this act is null and void."

A facilities district additionally may issue general obligation bonds for capital purposes only, together with any outstanding general obligation indebtedness, not to exceed an amount equal to one and one-fourth percent of the value of the taxable property within the district, as the term "value of the taxable property" is defined in RCW 39.36.015, when authorized by the voters of the public facilities district pursuant to Article VIII, section 6 of the state Constitution, and to provide for the retirement thereof by taxes authorized in this act.

This amount or proportion shall be a lien and charge against these revenues, subject only to operating and maintenance expenses. The board shall have due regard for the cost of operation and maintenance of the public improvements, projects, or facilities, or additions, that are funded by the revenue bonds, and shall not set aside into the special fund or funds a greater amount or proportion of the revenues that in its judgment will be available over and above the cost of maintenance and operation and the amount or proportion, if any, of the revenue so previously pledged. The board may also provide that revenue bonds payable out of the same source or sources of revenue may later be issued on a parity with any revenue bonds being issued and sold.

(2) Revenue bonds issued under this section shall not be an indebtedness of the district issuing the bonds, and the interest and principal on the bonds shall only be payable from the revenues lawfully pledged to meet the principal and interest requirements and any reserves created under RCW 39.44.140. The tax authorized in this section shall be in addition to any other taxes authorized by law and shall be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the public facilities district. The tax is in addition to other taxes authorized by law and shall be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the public facilities district. The rate of tax shall not exceed 0.033 percent of the selling price in the case of a sales tax or value of the article used in the case of a use tax.

If both a public facilities district created under chapter 35.-- RCW (sections 1 through 11 of this act) and a public facilities district created under chapter 36.100 RCW impose a tax under this section, the tax imposed by a public facilities district created under chapter 35.-- RCW (sections 1 through 11 of this act) shall be credited against the tax imposed by a public facilities district created under chapter 36.100 RCW.

(6) A public facilities district created under chapter 36.100 RCW is not eligible to impose the tax under this section if the legislative authority of the county where the public facilities district is located has imposed a sales and use tax under RCW 82.14.0485 or 82.14.0494.

Sec. 14. RCW 82.14.050 and 1991 sp.s. c 13 s 34 are each amended to read as follows:

The remainder of any portion of any tax authorized by this chapter which is collected by the department of revenue shall be deposited by the state department of revenue in the local sales and use tax account hereby created in the state treasury. Moneys in the local sales and use tax account may be spent only for distribution to counties, cities, transportation authorities, and public facilities districts imposing a sales and use tax. All administrative provisions in chapters 82.03, 82.08, 82.12, and 82.32 RCW, as they now exist or may hereafter be amended, shall, insofar as they are applicable to state sales and use taxes, be applicable to taxes imposed pursuant to this chapter. The tax authorized under this section shall be at the rate of not more than ten percent.

Sec. 19. RCW 35.21.280 and 1995 3rd sp.s. c 1 s 202 are each amended to read as follows:

Every city and town may levy and fix a tax of not more than one cent on twenty cents or fraction thereof to be paid by the person who pays an admission charge to any place: PROVIDED, No city or town shall impose such tax on persons paying an admission to any activity of any elementary or secondary school or any public facility of a public facility district under chapter 35.-- RCW (sections 1 through 11 of this act) or chapter 36.100 RCW for which a tax is imposed under section 10 or 17 of this act. This includes a tax on persons who are admitted free of charge or at reduced rates to any place for which other persons pay a charge or a regular higher charge for the same privileges or accommodations. A city that is located in a county with a population of one million or more may not levy a tax on events in stadia constructed on or after January 1, 1995, that are owned by a public facilities district under chapter 36.100 RCW and that have seating capacities over forty thousand. The city or town may require anyone who receives payment for an admission charge to collect and remit the tax to the city or town.

The term "admission charge" includes:

- (1) A charge made for season tickets or subscriptions;
- (2) A cover charge, or a charge made for use of seats and tables reserved or otherwise, and other similar accommodations;
- (3) A charge made for food and refreshment in any place where free entertainment, recreation or amusement is provided;
- (4) A charge made for rental or use of equipment or facilities for purposes of recreation or amusement; if the rental of the equipment or facilities is necessary to the enjoyment of a privilege for which a general admission is charged, the combined charges shall be considered as the admission charge;
- (5) Automobile parking charges if the amount of the charge is determined according to the number of passengers in the automobile.

Sec. 20. RCW 36.38.010 and 1997 c 220 s 301 (Referendum Bill No. 48) are each amended to read as follows:

(1) Any county may by ordinance enacted by its county legislative authority, levy and fix a tax of not more than one cent on twenty cents or fraction thereof to be paid for county purposes by persons who pay an admission charge to any place, including a tax on persons who are admitted free of charge or at reduced rates to any place for which other persons pay a charge or a regular higher charge for the same or similar privileges or accommodations; and require that one who receives any admission charge to any place shall collect and remit the tax to the county treasurer of the county: PROVIDED, No county shall impose such tax on persons paying an admission to any activity of any elementary or secondary school or any public facility of a public facility district under chapter 35.-- RCW (sections 1 through 11 of this act) or chapter 36.100 RCW for which a tax is imposed under section 10 or 17 of this act.

(2) As used in this chapter, the term "admission charge" includes a charge made for season tickets or subscriptions, a cover charge, or a charge made for use of seats and tables, reserved or otherwise, and other similar accommodations; a charge made for food and refreshments in any place where any free entertainment, recreation, or amusement is provided; a charge made for rental or use of equipment or facilities for purpose of recreation or amusement, and where the rental of the equipment or facilities is necessary to the enjoyment of a privilege for which a general admission is charged, the combined charges shall be considered as the admission charge. It shall also include any automobile parking charge where the amount of such charge is determined according to the number of passengers in any automobile.

(3) Subject to subsections (4) and (5) of this section, the tax herein authorized shall not be exclusive and shall not prevent any city or town within the taxing county, when authorized by law, from imposing within its corporate limits a tax of the same or similar kind: PROVIDED, That whenever the same or similar kind of tax is imposed by any such city or town, no such tax shall be levied within the corporate limits of such city or town by the county.

(4) Notwithstanding subsection (3) of this section, the legislative authority of a county with a population of one million or more may exclusively levy taxes on events in baseball stadiums

constructed on or after January 1, 1995, that are owned by a public facilities district under chapter 36.100 RCW and that have seating capacities over forty thousand at the rates of:

(a) Not more than one cent on twenty cents or fraction thereof, to be used for the purpose of paying the principal and interest payments on bonds issued by a county to construct a baseball stadium as defined in RCW 82.14.0485. If the revenue from the tax exceeds the amount needed for that purpose, the excess shall be placed in a contingency fund which may only be used to pay unanticipated capital costs on the baseball stadium, excluding any cost overruns on initial construction; and

(b) Not more than one cent on twenty cents or fraction thereof, to be used for the purpose of paying the principal and interest payments on bonds issued by a county to construct a baseball stadium as defined in RCW 82.14.0485. The tax imposed under this subsection (4)(b) shall expire when the bonds issued for the construction of the baseball stadium are retired, but not later than twenty years after the tax is first collected.

(5) Notwithstanding subsection (3) of this section, the legislative authority of a county that has created a public stadium authority to develop a stadium and exhibition center under RCW 36.102.050 may levy and fix a tax on charges for admission to events in a stadium and exhibition center, as defined in RCW 36.102.010, constructed in the county on or after January 1, 1998, that is owned by a public stadium authority under chapter 36.102 RCW. The tax shall be exclusive and shall preclude the city or town within which the stadium and exhibition center is located from imposing a tax of the same or similar kind on charges for admission to events in the stadium and exhibition center, and shall preclude the imposition of a general county admissions tax on charges for admission to events in the stadium and exhibition center. For the purposes of this subsection, "charges for admission to events" means only the actual admission charge, exclusive of taxes and service charges and the value of any other benefit conferred by the admission. The tax authorized under this subsection shall be at the rate of not more than one cent on ten cents or fraction thereof. Revenues collected under this subsection shall be deposited in the stadium and exhibition center account under RCW 43.99N.060 until the bonds issued under RCW 43.99N.020 for the construction of the stadium and exhibition center are retired. After the bonds issued for the construction of the stadium and exhibition center are retired, the tax authorized under this section shall be used exclusively to fund repair, reequipping, and capital improvement of the stadium and exhibition center. The tax under this subsection may be levied upon the first use of any part of the stadium and exhibition center but shall not be collected at any facility already in operation as of July 17, 1997.

(4) If a person does not meet the requirements of this section by the end of the calendar year following the year in which the project is certified as operationally complete, all deferred taxes are immediately due.

ESSB 5661 Prime Sponsor, Senate Committee on Ways & Means: Providing clarification and administrative simplification for the leasehold excise tax. Reported by Committee on Finance

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 82.29A.010 and 1975-'76 2nd ex.s. c 61 s 1 are each amended to read as follows:

(1)(a) The legislature hereby recognizes that properties of the state of Washington, counties, school districts, and other municipal corporations are exempted by Article 7, section 1 of the state Constitution from property tax obligations, but that private lessees of such public properties receive substantial benefits from governmental services provided by units of government.

(b) The legislature further recognizes that a uniform method of taxation should apply to such leasehold interests in publicly owned property.

(c) The legislature finds that lessees of publicly owned property are entitled to those same governmental services and does hereby provide for a leasehold excise tax to fairly compensate governmental units for services rendered to such lessees of publicly owned property.

(2) The legislature further finds that experience gained by lessors, lessees, and the department of revenue since enactment of the leasehold excise tax under this chapter has shed light on areas in the

leasehold excise statutes that need explanation and clarification. The purpose of chapter . . . , Laws of 1999 (this act) is to make those changes.

Sec. 2. RCW 82.29A.020 and 1991 c 272 s 23 are each amended to read as follows:

As used in this chapter the following terms shall be defined as follows, unless the context otherwise requires:

(1) "Leasehold interest" shall mean an interest in publicly owned real or personal property which exists by virtue of any lease, permit, license, or any other agreement, written or verbal, between the public owner of the property and a person who would not be exempt from property taxes if that person owned the property in fee, granting possession and use, to a degree less than fee simple ownership: PROVIDED, That no interest in personal property (excluding land or buildings) which is owned by the United States, whether or not as trustee, or by any foreign government shall constitute a leasehold interest hereunder when the right to use such property is granted pursuant to a contract solely for the manufacture or production of articles for sale to the United States or any foreign government. The term "leasehold interest" shall include the rights of use or occupancy by others of property which is owned in fee or held in trust by a public corporation, commission, or authority created under RCW 35.21.730 or 35.21.660 if the property is listed on or is within a district listed on any federal or state register of historical sites. The term "leasehold interest" shall not include road or utility easements ~~((or))~~, rights of access, occupancy, or use granted solely for the purpose of removing materials or products purchased from a public owner or the lessee of a public owner, or rights of access, occupancy, or use granted solely for the purpose of natural energy resource exploration.

(2) "Taxable rent" shall mean contract rent as defined in subsection (a) of this subsection in all cases where the lease or agreement has been established or renegotiated through competitive bidding, or negotiated or renegotiated in accordance with statutory requirements regarding the rent payable, or negotiated or renegotiated under circumstances, established by public record, clearly showing that the contract rent was the maximum attainable by the lessor: PROVIDED, That after January 1, 1986, with respect to any lease which has been in effect for ten years or more without renegotiation, taxable rent may be established by procedures set forth in subsection (b) of this subsection. All other leasehold interests shall be subject to the determination of taxable rent under the terms of subsection (b) of this subsection.

For purposes of determining leasehold excise tax on any lands on the Hanford reservation subleased to a private or public entity by the department of ecology, taxable rent shall include only the annual cash rental payment made by such entity to the department of ecology as specifically referred to as rent in the sublease agreement between the parties and shall not include any other fees, assessments, or charges imposed on or collected by such entity irrespective of whether the private or public entity pays or collects such other fees, assessments, or charges as specified in the sublease agreement.

(a) "Contract rent" shall mean the amount of consideration due as payment for a leasehold interest, including: The total of cash payments made to the lessor or to another party for the benefit of the lessor according to the requirements of the lease or agreement, including any rents paid by a sublessee; expenditures for the protection of the lessor's interest when required by the terms of the lease or agreement; and expenditures for improvements to the property to the extent that such improvements become the property of the lessor. Where the consideration conveyed for the leasehold interest is made in combination with payment for concession or other rights granted by the lessor, only that portion of such payment which represents consideration for the leasehold interest shall be part of contract rent.

"Contract rent" shall not include: (i) Expenditures made by the lessee, which under the terms of the lease or agreement, are to be reimbursed by the lessor to the lessee or expenditures for improvements and protection made pursuant to a lease or an agreement which requires that the use of the improved property be open to the general public and that no profit will inure to the lessee from the lease; (ii) expenditures made by the lessee for the replacement or repair of facilities due to fire or other casualty including payments for insurance to provide reimbursement for losses or payments to a public or private entity for protection of such property from damage or loss or for alterations or additions made necessary by an action of government taken after the date of the execution of the lease or agreement; (iii) improvements added to publicly owned property by a sublessee under an agreement

executed prior to January 1, 1976, which have been taxed as personal property of the sublessee prior to January 1, 1976, or improvements made by a sublessee of the same lessee under a similar agreement executed prior to January 1, 1976, and such improvements shall be taxable to the sublessee as personal property; (iv) improvements added to publicly owned property if such improvements are being taxed as personal property to any person.

Any prepaid contract rent shall be considered to have been paid in the year due and not in the year actually paid with respect to prepayment for a period of more than one year. Expenditures for improvements with a useful life of more than one year which are included as part of contract rent shall be treated as prepaid contract rent and prorated over the useful life of the improvement or the remaining term of the lease or agreement if the useful life is in excess of the remaining term of the lease or agreement. Rent prepaid prior to January 1, 1976, shall be prorated from the date of prepayment.

With respect to a "product lease", the value ~~((of agricultural products received as rent shall be the value at the place of delivery as of the fifteenth day of the month of delivery; with respect to all other products received as contract rent, the value))~~ shall be that value determined at the time of sale under terms of the lease.

(b) If it shall be determined by the department of revenue, upon examination of a lessee's accounts or those of a lessor of publicly owned property, that a lessee is occupying or using publicly owned property in such a manner as to create a leasehold interest and that such leasehold interest has not been established through competitive bidding, or negotiated in accordance with statutory requirements regarding the rent payable, or negotiated under circumstances, established by public record, clearly showing that the contract rent was the maximum attainable by the lessor, the department may establish a taxable rent computation for use in determining the tax payable under authority granted in this chapter based upon the following criteria: (i) Consideration shall be given to rental being paid to other lessors by lessees of similar property for similar purposes over similar periods of time; (ii) consideration shall be given to what would be considered a fair rate of return on the market value of the property leased less reasonable deductions for any restrictions on use, special operating requirements or provisions for concurrent use by the lessor, another person or the general public.

(3) "Product lease" as used in this chapter shall mean a lease of property for use in the production of agricultural or marine products to the extent that such lease provides for the contract rent to be paid by the delivery of a stated percentage of the production of such agricultural or marine products to the credit of the lessor or the payment to the lessor of a stated percentage of the proceeds from the sale of such products.

(4) "Renegotiated" means a change in the lease agreement which changes the agreed time of possession, restrictions on use, the rate of the cash rental or of any other consideration payable by the lessee to or for the benefit of the lessor, other than any such change required by the terms of the lease or agreement. In addition "renegotiated" shall mean a continuation of possession by the lessee beyond the date when, under the terms of the lease agreement, the lessee had the right to vacate the premises without any further liability to the lessor.

(5) "City" means any city or town.

(6) "Products" includes natural resource products such as cut or picked evergreen foliage, Cascara bark, wild edible mushrooms, native ornamental trees and shrubs, ore and minerals, natural gas, geothermal water and steam, and forage removed through the grazing of livestock."

(b) Property managers who are taxable under this chapter and provide financial incentives to persons employed at a worksite managed by the property manager in this state for ride sharing, for using public transportation, or for using nonmotorized commuting before June 30, 2006, shall be allowed a credit for amounts paid to or on behalf of these persons for ride sharing in vehicles carrying two or more persons, for using public transportation, or for using nonmotorized commuting, not to exceed sixty dollars per person per year. A person may not take a credit under this section for amounts claimed for credit by other persons.

MAJORITY recommendation: Do pass as amended by Committee on Appropriations and without amendment by Committee on Health Care (For amendment, see Journal 82nd Day, April 2, 1999).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that there is a need for a consistent and enforceable claims payment standard for the provision of health care services by health care facilities and providers to enrollees of carrier health plans and enrollees and beneficiaries of public programs.

NEW SECTION. Sec. 2. A new section is added to chapter 48.43 RCW to read as follows:
(1) For the purposes of this section:
(a) "Payer" means any group or individual disability insurer regulated under chapter 48.20 or 48.21 RCW, a health care service contractor regulated under chapter 48.44 RCW, a health maintenance organization regulated under chapter 48.46 RCW, self-insured entities subject to the jurisdiction of the state of Washington, except for self-insurers operating under chapter 51.14 RCW, the department of social and health services operating under chapter 74.09 RCW, and the Washington state health care authority as established pursuant to chapter 41.05 RCW and as authorized pursuant to chapter 70.47 RCW.

(b) "Clean claim" means a claim that has no defect or impropriety, including any lack of any required substantiating documentation, or particular circumstances requiring special treatment that prevents timely payments from being made on the claim under this law.

(c) "Provider" means "health care facility" or "facility," "health care provider" or "provider" as defined in RCW 48.43.005, and services licensed under chapter 18.73 RCW.

(2)(a) For health services provided to covered persons, a payer shall pay providers as soon as practical but subject to the following minimum standards: (i) Ninety-five percent of the monthly volume of clean claims shall be paid within thirty days of receipt by the responsible payer or agent; and (ii) ninety-five percent of the monthly volume of all claims shall be paid or denied within sixty days of receipt by the responsible payer or agent, except as agreed to in writing by the parties on a claim-by-claim basis. Denial of a claim must be communicated to the provider and must include the reason the claim was denied.

(b) The receipt date of a claim is the date the responsible payer or its agent receives either written or electronic notice of the claim.

(3) Any payer failing to pay claims within the standard established under subsection (2) of this section shall pay interest on undenied and unpaid clean claims more than sixty-one days old until the payer meets the standard under subsection (2) of this section. Interest shall be assessed at the rate of one percent per month, and shall be calculated monthly as simple interest prorated for any portion of a month. The payer shall add the interest payable to the amount of the unpaid claim without the necessity of the provider submitting an additional claim. Any interest paid under this section shall not be applied by the payer to an enrollee's deductible, copayment, coinsurance, or any similar obligation of the enrollee.

(4) This section does not apply to claims where there is substantial evidence of fraud or misrepresentation by providers or patients, or instances where the payer has not been granted access to information under the provider's control.

(5) Providers and payers are not required to comply with this section if the failure to comply is occasioned by an act of God, bankruptcy, act of a governmental authority responding to an act of God or other emergency; or the result of a strike, lockout, or other labor dispute.

(6) The insurance commissioner is prohibited from adopting rules regarding this section.

NEW SECTION. Sec. 3. The department of health shall establish a committee composed of three representatives from payers, three representatives from providers, and one representative from the department of health. The committee shall study trends and issues and make recommendations regarding future legislative, regulatory, or private solutions, including electronic billings, that will promote timely and accurate payment of health claims.

Sec. 4. RCW 51.36.080 and 1998 c 245 s 104 are each amended to read as follows:

(1) All fees and medical charges under this title shall conform to the fee schedule established by the director ~~((and))~~. At least ninety-five percent of the monthly volume of proper billings shall be paid within sixty days of receipt by the department of a proper billing in the form prescribed by department rule or sixty days after the claim is allowed by final order or judgment, if an otherwise proper billing is received by the department prior to final adjudication of claim allowance. The department shall pay interest at the rate of one percent per month, but at least one dollar per month, whenever the payment period exceeds the applicable sixty-day period on all proper fees and medical charges.

Beginning in fiscal year 1987, interest payments under this subsection may be paid only from funds appropriated to the department for administrative purposes.

Nothing in this section may be construed to require the payment of interest on any billing, fee, or charge if the industrial insurance claim on which the billing, fee, or charge is predicated is ultimately rejected or the billing, fee, or charge is otherwise not allowable.

In establishing fees for medical and other health care services, the director shall consider the director's duty to purchase health care in a prudent, cost-effective manner without unduly restricting access to necessary care by persons entitled to the care. With respect to workers admitted as hospital inpatients on or after July 1, 1987, the director shall pay for inpatient hospital services on the basis of

diagnosis-related groups, contracting for services, or other prudent, cost-effective payment method, which the director shall establish by rules adopted in accordance with chapter 34.05 RCW.

SB 5837 Prime Sponsor, Senator Bauer: Allowing the chief administrative officer of a public utility district, port district, or county to join the retirement system. Reported by Committee on Appropriations

MAJORITY recommendation: Do pass as amended.

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** It is the intent of the legislature that retirement benefits represent a valuable element of the total compensation and benefits employees receive for their service. The value of these benefits is contained in the retirement income and cost-of-living adjustments provided to

employees who remain in public service until retirement. For the majority of public employees, this requires membership in the public employees' retirement system.

The legislature recognizes, however, that certain occupations display a pattern of interstate mobility which requires retirement benefits which are highly portable. Incumbents in these occupations gain little value from membership in the public employees' retirement system. In order to remove any barrier to employing qualified personnel in positions with high mobility, membership in the retirement system should be optional in those occupations.

Sec. 2. RCW 41.40.023 and 1997 c 254 s 11 are each amended to read as follows:

Membership in the retirement system shall consist of all regularly compensated employees and appointive and elective officials of employers, as defined in this chapter, with the following exceptions:

(1) Persons in ineligible positions;

(2) Employees of the legislature except the officers thereof elected by the members of the senate and the house and legislative committees, unless membership of such employees be authorized by the said committee;

(3)(a) Persons holding elective offices or persons appointed directly by the governor:

PROVIDED, That such persons shall have the option of applying for membership during such periods of employment: AND PROVIDED FURTHER, That any persons holding or who have held elective offices or persons appointed by the governor who are members in the retirement system and who have, prior to becoming such members, previously held an elective office, and did not at the start of such initial or successive terms of office exercise their option to become members, may apply for membership to be effective during such term or terms of office, and shall be allowed to establish the service credit applicable to such term or terms of office upon payment of the employee contributions therefor by the employee with interest as determined by the director and employer contributions therefor by the employer or employee with interest as determined by the director: AND PROVIDED FURTHER, That all contributions with interest submitted by the employee under this subsection shall be placed in the employee's individual account in the employee's savings fund and be treated as any other contribution made by the employee, with the exception that any contributions submitted by the employee in payment of the employer's obligation, together with the interest the director may apply to the employer's contribution, shall not be considered part of the member's annuity for any purpose except withdrawal of contributions;

(b) A member holding elective office who has elected to apply for membership pursuant to (a) of this subsection and who later wishes to be eligible for a retirement allowance shall have the option of ending his or her membership in the retirement system. A member wishing to end his or her membership under this subsection must file, on a form supplied by the department, a statement indicating that the member agrees to irrevocably abandon any claim for service for future periods served as an elected official. A member who receives more than fifteen thousand dollars per year in compensation for his or her elective service, adjusted annually for inflation by the director, is not eligible for the option provided by this subsection (3)(b);

(4) Employees holding membership in, or receiving pension benefits under, any retirement plan operated wholly or in part by an agency of the state or political subdivision thereof, or who are by reason of their current employment contributing to or otherwise establishing the right to receive benefits from any such retirement plan: PROVIDED, HOWEVER, In any case where the retirement system has in existence an agreement with another retirement system in connection with exchange of service credit or an agreement whereby members can retain service credit in more than one system, such an employee shall be allowed membership rights should the agreement so provide: AND PROVIDED FURTHER, That an employee shall be allowed membership if otherwise eligible while receiving survivor's benefits: AND PROVIDED FURTHER, That an employee shall not either before or after June 7, 1984, be excluded from membership or denied service credit pursuant to this subsection solely on account of: (a) Membership in the plan created under chapter 2.14 RCW; or (b) enrollment under the relief and compensation provisions or the pension provisions of the volunteer fire fighters' relief and pension fund under chapter 41.24 RCW;

(5) Patient and inmate help in state charitable, penal, and correctional institutions;

(6) "Members" of a state veterans' home or state soldiers' home;

(7) Persons employed by an institution of higher learning or community college, primarily as an incident to and in furtherance of their education or training, or the education or training of a spouse;

(8) Employees of an institution of higher learning or community college during the period of service necessary to establish eligibility for membership in the retirement plans operated by such institutions;

(9) Persons rendering professional services to an employer on a fee, retainer, or contract basis or when the income from these services is less than fifty percent of the gross income received from the person's practice of a profession;

(10) Persons appointed after April 1, 1963, by the liquor control board as agency vendors;

(11) Employees of a labor guild, association, or organization: PROVIDED, That elective officials and employees of a labor guild, association, or organization which qualifies as an employer within this chapter shall have the option of applying for membership;

(12) Retirement system retirees: PROVIDED, That following reemployment in an eligible position, a retiree may elect to prospectively become a member of the retirement system if otherwise eligible;

(13) Persons employed by or appointed or elected as an official of a first class city that has its own retirement system: PROVIDED, That any member elected or appointed to an elective office on or after April 1, 1971, shall have the option of continuing as a member of this system in lieu of becoming a member of the city system. A member who elects to continue as a member of this system shall pay the appropriate member contributions and the city shall pay the employer contributions at the rates prescribed by this chapter. The city shall also transfer to this system all of such member's accumulated contributions together with such further amounts as necessary to equal all employee and employer contributions which would have been paid into this system on account of such service with the city and thereupon the member shall be granted credit for all such service. Any city that becomes an employer as defined in RCW 41.40.010(4) as the result of an individual's election under this subsection shall not be required to have all employees covered for retirement under the provisions of this chapter. Nothing in this subsection shall prohibit a city of the first class with its own retirement system from: (a) Transferring all of its current employees to the retirement system established under this chapter, or (b) allowing newly hired employees the option of continuing coverage under the retirement system established by this chapter.

Notwithstanding any other provision of this chapter, persons transferring from employment with a first class city of over four hundred thousand population that has its own retirement system to employment with the state department of agriculture may elect to remain within the retirement system of such city and the state shall pay the employer contributions for such persons at like rates as prescribed for employers of other members of such system;

(14) Employees who (a) are not citizens of the United States, (b) do not reside in the United States, and (c) perform duties outside of the United States;

(15) Employees who (a) are not citizens of the United States, (b) are not covered by chapter 41.48 RCW, (c) are not excluded from membership under this chapter or chapter 41.04 RCW, (d) are residents of this state, and (e) make an irrevocable election to be excluded from membership, in writing, which is submitted to the director within thirty days after employment in an eligible position;

(16) Employees who are citizens of the United States and who reside and perform duties for an employer outside of the United States: PROVIDED, That unless otherwise excluded under this chapter or chapter 41.04 RCW, the employee may apply for membership (a) within thirty days after employment in an eligible position and membership service credit shall be granted from the first day of membership service, and (b) after this thirty-day period, but membership service credit shall be granted only if payment is made for the noncredited membership service under RCW 41.50.165(2), otherwise service shall be from the date of application;

(17) The city manager or chief administrative officer of a city or town, other than a retiree, who serves at the pleasure of an appointing authority: PROVIDED, That such persons shall have the option of applying for membership within thirty days from date of their appointment to such positions. Persons serving in such positions as of April 4, 1986, shall continue to be members in the retirement system unless they notify the director in writing prior to December 31, 1986, of their desire to

withdraw from membership in the retirement system. A member who withdraws from membership in the system under this section shall receive a refund of the member's accumulated contributions.

Persons serving in such positions who have not opted for membership within the specified thirty days, may do so by paying the amount required under RCW 41.50.165(2) for the period from the date of their appointment to the date of acceptance into membership;

(18) Persons serving as: (a) The chief administrative officer of a public utility district as defined in RCW 54.16.100; (b) the chief administrative officer of a port district formed under chapter 53.04 RCW; or (c) the chief administrative officer of a county who serves at the pleasure of an appointing authority: PROVIDED, That such persons shall have the option of applying for membership within thirty days from the date of their appointment to such positions. Persons serving in such positions as of the effective date of this act shall continue to be members in the retirement system unless they notify the director in writing prior to December 31, 1999, of their desire to withdraw from membership in the retirement system. A member who withdraws from membership in the system under this section shall receive a refund of the member's accumulated contributions upon termination of employment or as otherwise consistent with the plan's tax qualification status as defined in internal revenue code section 401.

Persons serving in such positions who have not opted for membership within the specified thirty days, may do so at a later date by paying the amount required under RCW 41.50.165(2) for the period from the date of their appointment to the date of acceptance into membership;

(19) Persons enrolled in state-approved apprenticeship programs, authorized under chapter 49.04 RCW, and who are employed by local governments to earn hours to complete such apprenticeship programs, if the employee is a member of a union-sponsored retirement plan and is making contributions to such a retirement plan or if the employee is a member of a Taft-Hartley retirement plan."

(d) The school district superintendent of the district in which the child resides shall have excused such child from attendance because the child is physically or mentally unable to attend school, is attending a residential school operated by the department of social and health services, is incarcerated in an adult correctional facility, or has been temporarily excused upon the request of his or her parents for purposes agreed upon by the school authorities and the parent: PROVIDED, That such excused absences shall not be permitted if deemed to cause a serious adverse effect upon the student's educational progress: PROVIDED FURTHER, That students excused for such temporary absences may be claimed as full time equivalent students to the extent they would otherwise have been so claimed for the purposes of RCW 28A.150.250 and 28A.150.260 and shall not affect school district compliance with the provisions of RCW 28A.150.220; or

(e) The child is sixteen years of age or older and:

(i) The child is regularly and lawfully employed and either the parent agrees that the child should not be required to attend school or the child is emancipated in accordance with chapter 13.64 RCW;

(iii) The child has received a certificate of educational competence under rules and regulations established by the state board of education under RCW 28A.305.190.

(2) If a parent enrolls a child six years of age and under eight years of age in the public school of the district in which the child resides, that parent has the responsibility to ensure the child attends, and the child has the responsibility to attend, for the full time when that school is in session, except for a child who is or will be home schooled under chapter 28A.200 RCW or unless one of the other exceptions in subsection (1) of this section is met. This subsection does not apply to a child enrolled in a public school part-time for the purpose of receiving ancillary services. An exception shall be made to this requirement for children whose parents formally remove them from enrollment in kindergarten if the child is less than eight years old.

(3) A parent for the purpose of this chapter means a parent, guardian, or person having legal custody of a child.

~~((3))~~ (4) An approved private school for the purposes of this chapter and chapter 28A.200 RCW shall be one approved under regulations established by the state board of education pursuant to RCW 28A.305.130.

~~((4))~~ (5) For the purposes of this chapter and chapter 28A.200 RCW, instruction shall be home-based if it consists of planned and supervised instructional and related educational activities, including a curriculum and instruction in the basic skills of occupational education, science, mathematics, language, social studies, history, health, reading, writing, spelling, and the development of an appreciation of art and music, provided for a number of hours equivalent to the total annual program hours per grade level established for approved private schools under RCW 28A.195.010 and 28A.195.040 and if such activities are:

For purposes of this section, "supervised by a certificated person" means: The planning by the certificated person and the parent of objectives

consistent with this subsection; a minimum each month of an average of one contact hour per week with the child being supervised by the certificated person; and evaluation of such child's progress by the certificated person. The number of children supervised by the certificated person shall not exceed thirty for purposes of this subsection; or

(b) Provided by a parent who is instructing his or her child only and who has either earned forty-five college level quarter credit hours or its equivalent in semester hours or has completed a course in home-based instruction at a postsecondary institution or a vocational-technical institute; or

(c) Provided by a parent who is deemed sufficiently qualified to provide home-based instruction by the superintendent of the local school district in which the child resides.

~~((5))~~ (6) The legislature recognizes that home-based instruction is less structured and more experiential than the instruction normally provided in a classroom setting. Therefore, the provisions of subsection ~~((4))~~ (5) of this section relating to the nature and quantity of instructional and related educational activities shall be liberally construed.

Sec. 2. RCW 28A.225.020 and 1996 c 134 s 2 are each amended to read as follows:

(1) If a child required to attend school under RCW 28A.225.010 fails to attend school without valid justification, the public school in which the child is enrolled shall:

(a) Inform the child's custodial parent, parents, or guardian by a notice in writing or by telephone whenever the child has failed to attend school after one unexcused absence within any month during the current school year. School officials shall inform the parent of the potential consequences of additional unexcused absences;

(b) Schedule a conference or conferences with the custodial parent, parents, or guardian and child at a time reasonably convenient for all persons included for the purpose of analyzing the causes of the child's absences after two unexcused absences within any month during the current school year. If a regularly scheduled parent-teacher conference day is to take place within thirty days of the second unexcused absence, then the school district may schedule this conference on that day; and

(c) Take steps to eliminate or reduce the child's absences. These steps shall include, where appropriate, adjusting the child's school program or school or course assignment, providing more individualized or remedial instruction, providing appropriate vocational courses or work experience, referring the child to a community truancy board, requiring the child to attend an alternative school or program, or assisting the parent or child to obtain supplementary services that might eliminate or ameliorate the cause or causes for the absence from school. If the child's parent does not attend the scheduled conference, the conference may be conducted with the student and school official. However, the parent shall be notified of the steps to be taken to eliminate or reduce the child's absence.

(2) For purposes of this chapter, an "unexcused absence" means that a child:

(a) Has failed to attend the majority of hours or periods in an average school day or has failed to comply with a more restrictive school district policy; and

(b) Has failed to meet the school district's policy for excused absences.

(3) If a child transfers from one school district to another, the receiving school or school district shall honor the attendance record including the unexcused absences accumulated at the previous school or from the previous school district.

Sec. 3. RCW 28A.225.030 and 1996 c 134 s 3 are each amended to read as follows:

(1) If a child is required to attend school under RCW 28A.225.010 and if the actions taken by a school district under RCW 28A.225.020 are not successful in substantially reducing an enrolled student's absences from public school, not later than the seventh unexcused absence by a child within any month during the current school year or not later than the tenth unexcused absence during the current school year the school district shall file a petition and supporting affidavit for a civil action with the juvenile court alleging a violation of RCW 28A.225.010: (a) By the parent; (b) by the child; or (c) by the parent and the child. However, if the petition alleges a violation of RCW 28A.225.010(2), the petition shall only allege a violation by the parent. Except as provided in this subsection, no additional documents need be filed with the petition.

(2) The district shall not later than the fifth unexcused absence in a month:

- (a) Enter into an agreement with a student and parent that establishes school attendance requirements;
- (b) Refer a student to a community truancy board as defined in RCW 28A.225.025. The community truancy board shall enter into an agreement with the student and parent that establishes school attendance requirements and take other appropriate actions to reduce the child's absences; or
- (c) File a petition under subsection (1) of this section.
- (3) The petition may be filed by a school district employee who is not an attorney.
- (4) If the school district fails to file a petition under this section, the parent of a child with five or more unexcused absences in any month during the current school year or upon the tenth unexcused absence during the current school year may file a petition with the juvenile court alleging a violation of RCW 28A.225.010.
- (5) Petitions filed under this section may be served by certified mail, return receipt requested. If such service is unsuccessful, or the return receipt is not signed by the addressee, personal service is required.

Sec. 4. RCW 28A.225.035 and 1997 c 68 s 1 are each amended to read as follows:

- (1) A petition for a civil action under RCW 28A.225.030 shall consist of a written notification to the court alleging that:
 - (a) The child has unexcused absences during the current school year;
 - (b) Actions taken by the school district have not been successful in substantially reducing the child's absences from school; and
 - (c) Court intervention and supervision are necessary to assist the school district or parent to reduce the child's absences from school.
- (2) The petition shall set forth the name, age, school, and residence of the child and the names and residence of the child's parents.
- (3) The petition shall set forth facts that support the allegations in this section and shall generally request relief available under this chapter and provide information about what the court might order under RCW 28A.225.090.
- (4) ~~((When a petition is filed under RCW 28A.225.030))~~ Upon receipt of a petition and supporting affidavit from a school district alleging a violation of RCW 28A.225.010 by a child subject to this chapter, the juvenile court shall require that the child, if age eight or older, a parent, and a school representative appear before a truancy board as defined in RCW 28A.225.025, unless the respondent requests a hearing before the court.
- (5) Within thirty days of receipt of the truancy referral, the truancy board shall meet with the child, a parent, and the school representative, and enter into an agreement regarding expectations and any actions necessary to address the truancy. The agreement shall be presented to the court for its approval. The court may approve the agreement without a separate hearing. The court shall approve the agreement by order or shall schedule a hearing. The court may, if the school district and community truancy board agree, permit the truancy board to provide continued supervision over the student and report on compliance with the agreement.
- (6) Notwithstanding the provisions in subsection (4) of this section, if the juvenile court finds that a truancy board would not be the most effective means of addressing the underlying truancy due to extenuating circumstances, the juvenile court shall schedule a hearing at which the court shall consider the petition. However, a hearing shall not be required if other actions by the court would substantially reduce the child's unexcused absences. When a hearing is held, the court shall:
 - (a) Separately notify the child, the parent of the child, and the school district of the hearing;
 - (b) Notify the parent and the child of their rights to present evidence at the hearing; and
 - (c) Notify the parent and the child of the options and rights available under chapter 13.32A RCW.
- ~~((5))~~ (7) Except as provided in RCW 28A.225.030(1) the court may require the attendance of both the child and the parents at any hearing on a petition filed under RCW 28A.225.030.
- ~~((6))~~ (8) A school district is responsible for determining who shall represent the school district at hearings on a petition filed under RCW 28A.225.030.

(9) The court may permit the first hearing to be held without requiring that either party be represented by legal counsel, and to be held without a guardian ad litem for the child under RCW 4.08.050. At the request of the school district, the court (~~may~~) shall permit a school district representative who is not an attorney to represent the school district at any future hearings.

~~((7))~~ (10) If the allegations in the petition are established by a preponderance of the evidence, the court shall grant the petition and enter an order assuming jurisdiction to intervene for the period of time determined by the court, after considering the facts alleged in the petition and the circumstances of the juvenile, to most likely cause the juvenile to return to and remain in school while the juvenile is subject to this chapter. In no case may the order expire before the end of the school year in which it is entered.

~~((8))~~ (11) If the court assumes jurisdiction, the school district shall regularly report to the court any additional unexcused absences by the child.

~~((9))~~ (12) Community truancy boards and the courts shall coordinate, to the extent possible, proceedings and actions pertaining to children who are subject to truancy petitions and at-risk youth petitions in RCW 13.32A.191 or child in need of services petitions in RCW 13.32A.140.

(13) If after a juvenile court assumes jurisdiction in one county the child relocates to another county, the juvenile court in the receiving county shall, upon the request of a school district or parent, assume jurisdiction of the petition filed in the previous county.

Sec. 5. RCW 28A.225.090 and 1998 c 296 s 39 are each amended to read as follows:

(1) A court may order a child subject to a petition under RCW 28A.225.035 to:

(a) Attend the child's current school;

(b) If there is space available and the program can provide educational services appropriate for the child, order the child to attend another public school, an alternative education program, center, a skill center, dropout prevention program, or another public educational program;

(c) Attend a private nonsectarian school or program including an education center. Before ordering a child to attend an approved or certified private nonsectarian school or program, the court shall: (i) Consider the public and private programs available; (ii) find that placement is in the best interest of the child; and (iii) find that the private school or program is willing to accept the child and will not charge any fees in addition to those established by contract with the student's school district. If the court orders the child to enroll in a private school or program, the child's school district shall contract with the school or program to provide educational services for the child. The school district shall not be required to contract for a weekly rate that exceeds the state general apportionment dollars calculated on a weekly basis generated by the child and received by the district. A school district shall not be required to enter into a contract that is longer than the remainder of the school year. A school district shall not be required to enter into or continue a contract if the child is no longer enrolled in the district;

(d) Be referred to a community truancy board, if available; or

(e) Submit to testing for the use of controlled substances or alcohol based on a determination that such testing is appropriate to the circumstances and behavior of the child and will facilitate the child's compliance with the mandatory attendance law.

(2) If the child fails to comply with the court order, the court may order the child to be punished by detention, as provided in RCW 7.21.030(2)(e), or may impose alternatives to detention such as community service. Failure by a child to comply with an order issued under this subsection shall not be punishable by detention for a period greater than that permitted pursuant to a civil contempt proceeding against a child under chapter 13.32A RCW.

(3) If the child continues to be truant after entering into a court-approved agreement with the truancy board under RCW 28A.225.035, or if the child fails to enter into an agreement with the truancy board, the truancy board shall return the matter to the juvenile court for a hearing. If upon entering an order the child continues to be truant, the juvenile court shall find the child in contempt and impose a remedial sanction in accordance with chapter 7.21 RCW designed to immediately return the child to school, including the actual imposition of detention. The court shall consider the fact that the child was provided ample opportunity to attend school with assistance from the truancy board.

(4) Any parent violating any of the provisions of either RCW 28A.225.010 or 28A.225.080 shall be fined not more than twenty-five dollars for each day of unexcused absence from school. It shall be a defense for a parent charged with violating RCW 28A.225.010 to show that he or she exercised reasonable diligence in attempting to cause a child in his or her custody to attend school or that the child's school did not perform its duties as required in RCW 28A.225.020. The court may order the parent to provide community service instead of imposing a fine. Any fine imposed pursuant to this section may be suspended upon the condition that a parent charged with violating RCW 28A.225.010 shall participate with the school and the child in a supervised plan for the child's attendance at school or upon condition that the parent attend a conference or conferences scheduled by a school for the purpose of analyzing the causes of a child's absence.

Sec. 6. RCW 28A.225.025 and 1996 c 134 s 9 are each amended to read as follows:

For purposes of this chapter, "community truancy board" means a board composed of members of the local community in which the child attends school. Juvenile courts shall establish and operate community truancy boards. However, establishment and operation of community truancy boards may be delegated to school districts with the agreement of both the court and the school district. The ~~((local school district boards of directors may create a community truancy board or))~~ juvenile courts may use other ~~((boards))~~ entities that exist or are created, such as diversion ~~((boards))~~ units. However, a diversion unit or other existing ~~((board))~~ entity must agree before it is used as a truancy board. ~~((Members of the board shall be selected from representatives of the community.))~~ Duties of a community truancy board shall include, but not be limited to, recommending methods for improving school attendance such as assisting the parent or the child to obtain supplementary services that might eliminate or ameliorate the causes for the absences or suggesting to the school district that the child enroll in another school, an alternative education program, an education center, a skill center, a dropout prevention program, or another public or private educational program.

NEW SECTION. **Sec. 7.** A new section is added to chapter 28A.300 RCW to read as follows:

The superintendent of public instruction shall provide, to the extent funds are appropriated, start-up grants for alternative programs and services that provide instruction and learning for truant, at-risk, and expelled students. Each grant application shall contain proposed performance indicators and an evaluation plan to measure the success of the program and its impact on improved student learning. Applications shall contain the applicant's plan for maintaining the program and services after the grant period.

NEW SECTION. **Sec. 8.** If funds are appropriated by the legislature for this specific purpose the superintendent of public instruction shall contract with the institute for public policy or a similar agency to: Evaluate the effectiveness of the petition process and community truancy boards in chapter 28A.225 RCW in reducing truancy; determine whether students who do return to school after being subject to court action have disciplinary actions such as suspensions or expulsions, establish patterns of improved attendance, are successful in their classes, and successfully complete their education program; and determine the costs imposed on school districts by the petition process and other truancy-related procedural requirements required by the legislature in 1992 and thereafter.

The cost determination shall be submitted to the appropriate committees of the legislature by December 15, 1999. The evaluation shall be submitted to the appropriate committees of the legislature by December 15, 2000.

This section expires December 31, 2000.

NEW SECTION. **Sec. 9.** If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected."

merger or acquisition to European insurers which sold policies which were in effect between 1933 and 1945. But does it cover American insurers whose only relationship to the affected insurers is through a policy of re-insurance purchased by the American company?"

Representative Schual-Berke: "No, this language, and language that may appear elsewhere in the bill, refers only to a relationship by merger or acquisition, by which a common ownership is created. A policy of re-insurance is a routine business transaction between separately-owned companies, and does not alone render this bill applicable to the American company."

Upon timely receipt of such a request for a formal hearing, including receipt of the required one hundred dollar fee, the department shall afford the person an opportunity for a hearing. The department may waive the required one hundred dollar fee if the person is an indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within sixty days following the arrest or following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license marked under subsection (6)(c) of this section extended, if the person is otherwise eligible for licensing. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration in violation of RCW 46.61.503 and was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered without express consent as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person was age twenty-one or over at the time of the arrest, or was in violation of RCW 46.61.502, 46.61.503, or 46.61.504 if the person was under the age of twenty-one at the time of the arrest. The sworn report or report under a declaration authorized by RCW 9A.72.085 submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration in violation of RCW 46.61.503 and was under the age of twenty-one and that the officer complied with the requirements of this section.

A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the

request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by RCW 9A.72.085 of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.

(9) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(10) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (7) of this section, other than as a result of a breath or blood test refusal, and who has not committed an offense within the last five years for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (7) of this section, the court may direct the department to stay any actual or proposed suspension, revocation, or denial for at least forty-five days but not more than ninety days. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license marked under subsection (6) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary marked license or extension of a temporary license issued under this subsection.

A suspension, revocation, or denial imposed under this section, other than as a result of a breath or blood test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(11) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license."

Renumber the sections consecutively and correct the title and any internal references accordingly.

(1) If it appears to the director that a person has engaged or is about to engage in an act or practice constituting a violation of this chapter, or a rule adopted or an order issued under this chapter, the director may issue an order directing the person to cease and desist from continuing the act or practice. Reasonable notice of and opportunity for a hearing shall be given. The director may issue a temporary order pending a hearing. (2) The director may levy and collect a civil penalty, in an amount not to exceed one thousand dollars for each violation, against a person found by the director to be curbstoning, as that term is defined in subsection (3) of this section. A person against whom a civil penalty has been imposed must receive reasonable notice and an opportunity for a hearing on the issue. The civil penalty is due ten days after receipt of the notice, or if a hearing is requested, within ten days after an order is entered upon a final adjudication of the issue.

Representative Kessler moved the adoption of amendment (192):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that while Washington's economy is currently prospering, economic growth continues to be uneven, particularly as between metropolitan and rural areas. This has created in effect two Washingtons. One afflicted by inadequate infrastructure to support and attract investment, another suffering from congestion and soaring housing prices. In order to address these problems, the legislature intends to use resources strategically to build on our state's strengths while addressing threats to our prosperity.

PART I RURAL ECONOMIC DEVELOPMENT

Enhanced Flexibility for Use of Community Economic Revitalization Board Funds

Sec. 101. RCW 43.160.010 and 1996 c 51 s 1 are each amended to read as follows:

(1) The legislature finds that it is the public policy of the state of Washington to direct financial resources toward the fostering of economic development through the stimulation of investment and job opportunities and the retention of sustainable existing employment for the general welfare of the inhabitants of the state. Reducing unemployment and reducing the time citizens remain jobless is important for the economic welfare of the state. A valuable means of fostering economic development is the construction of public facilities which contribute to the stability and growth of the state's

economic base. Strengthening the economic base through issuance of industrial development bonds, whether single or umbrella, further serves to reduce unemployment. Consolidating issues of industrial development bonds when feasible to reduce costs additionally advances the state's purpose to improve economic vitality. Expenditures made for these purposes as authorized in this chapter are declared to be in the public interest, and constitute a proper use of public funds. A community economic revitalization board is needed which shall aid the development of economic opportunities. The general objectives of the board should include:

- (a) Strengthening the economies of areas of the state which have experienced or are expected to experience chronically high unemployment rates or below average growth in their economies;
- (b) Encouraging the diversification of the economies of the state and regions within the state in order to provide greater seasonal and cyclical stability of income and employment;
- (c) Encouraging wider access to financial resources for both large and small industrial development projects;
- (d) Encouraging new economic development or expansions to maximize employment;
- (e) Encouraging the retention of viable existing firms and employment; and
- (f) Providing incentives for expansion of employment opportunities for groups of state residents that have been less successful relative to other groups in efforts to gain permanent employment.

(2) The legislature also finds that the state's economic development efforts can be enhanced by, in certain instances, providing funds to improve state highways ~~((in the vicinity of new)), county roads, or city streets for industries considering locating or expanding in this state ((or existing industries that are considering significant expansion))~~.

(a) The legislature finds it desirable to provide a process whereby the need for diverse public works improvements necessitated by planned economic development can be addressed in a timely fashion and with coordination among all responsible governmental entities.

(b) ~~((It is the intent of the legislature to create an economic development account within the motor vehicle fund from which expenditures can be made by the department of transportation for state highway improvements necessitated by planned economic development.))~~ All ~~((such))~~ transportation improvements on state highways must first be approved by the state transportation commission and the community economic revitalization board in accordance with the procedures established by RCW 43.160.074 and 47.01.280. ~~((It is further the intent of the legislature that such improvements not jeopardize any other planned highway construction projects. The improvements are intended to be of limited size and cost, and to include such items as additional turn lanes, signalization, illumination, and safety improvements.))~~

(3) The legislature also finds that the state's economic development efforts can be enhanced by, in certain instances, providing funds to assist development of telecommunications infrastructure that supports business development, retention, and expansion in rural natural resources impact areas and rural counties of the state.

(4) The legislature also finds that the state's economic development efforts can be enhanced by providing funds to improve markets for those recyclable materials representing a large fraction of the waste stream. The legislature finds that public facilities which result in private construction of processing or remanufacturing facilities for recyclable materials are eligible for consideration from the board.

~~((4))~~ (5) The legislature finds that sharing economic growth state-wide is important to the welfare of the state. Rural counties and rural natural resources impact areas do not share in the economic vitality of the Puget Sound region. The ability of these communities to pursue business and job retention, expansion, and development opportunities depends on their capacity to ready necessary economic development project plans, sites, permits, and infrastructure for private investments. Project-specific planning, predevelopment, and infrastructure ((is one of several)) are critical ingredients ((that are critical)) for economic development. Rural counties and rural natural resources impact areas generally lack ((the infrastructure)) these necessary tools and resources to diversify and revitalize their economies. It is, therefore, the intent of the legislature to increase the ((availability of funds to help provide infrastructure to rural natural resource impact areas)) amount of funding available through the community economic revitalization board for rural counties and rural natural resources impact areas, and to authorize flexibility for available resources in these areas to help fund planning,

predevelopment, and construction costs of infrastructure and facilities and sites that foster economic vitality and diversification.

Sec. 102. RCW 43.160.020 and 1997 c 367 s 8 are each amended to read as follows:

For the purposes of administration of programs under this chapter, the United States post office five-digit zip code delivery areas will be used to determine residence status for eligibility purposes. For the purpose of this definition, a zip code delivery area of which any part is ten miles or more from an urbanized area is considered nonurbanized. A zip code totally surrounded by zip codes qualifying as nonurbanized under this definition is also considered nonurbanized. The office of financial management shall make available a zip code listing of the areas to all agencies and organizations providing services under this chapter.

Sec. 103. RCW 43.160.060 and 1996 c 51 s 5 are each amended to read as follows:

The board is authorized to make direct loans to political subdivisions of the state for the purposes of assisting the political subdivisions in financing the cost of public facilities, including development of land and improvements for public facilities, project-specific environmental, capital facilities, land use, permitting, feasibility and marketing studies and plans; project design, site planning, and analysis; project debt and revenue impact analysis; as well as the construction, rehabilitation, alteration, expansion, or improvement of the facilities. A grant may also be authorized for purposes designated in this chapter, but only when, and to the extent that, a loan is not reasonably possible, given the limited resources of the political subdivision and the finding by the board that ~~((unique)) financial circumstances ((exist. The board shall not obligate more than twenty percent of its biennial appropriation as grants))~~ require grant assistance to enable the project to move forward.

Application for funds shall be made in the form and manner as the board may prescribe. In making grants or loans the board shall conform to the following requirements:

(1) The board shall not provide financial assistance:

(a) For a project the primary purpose of which is to facilitate or promote a retail shopping development or expansion.

(b) For any project that evidence exists would result in a development or expansion that would displace existing jobs in any other community in the state, except a project that would relocate a business from a nondistressed urban area to a rural county or rural natural resources impact area.

(c) For the acquisition of real property, including buildings and other fixtures which are a part of real property.

(d) For a construction project to any local government applicant that is not, at the time of application for financial assistance, in compliance with the provisions of chapter 36.70A RCW.

(2) The board shall only provide financial assistance:

(a) For those projects which would result in specific private developments or expansions (i) in manufacturing, production, food processing, assembly, warehousing, advanced technology, research and development, and industrial distribution; (ii) for processing recyclable materials or for facilities that support recycling, including processes not currently provided in the state, including but not limited to, de-inking facilities, mixed waste paper, plastics, yard waste, and problem-waste processing; (iii) for manufacturing facilities that rely significantly on recyclable materials, including but not limited to waste tires and mixed waste paper; (iv) which support the relocation of businesses from nondistressed urban areas to ~~((distressed))~~ rural counties or rural natural resources impact areas; or (v) which substantially support the trading of goods or services outside of the state's borders.

(b) For projects which it finds will improve the opportunities for the successful maintenance, establishment, or expansion of industrial or commercial plants or will otherwise assist in the creation or retention of long-term economic opportunities.

(c) When the application includes convincing evidence that a specific private development or expansion is ready to occur and will occur only if the public facility improvement is made.

(3) The board shall prioritize each proposed project according to:

(a) The relative benefits provided to the community by the jobs the project would create, not just the total number of jobs it would create after the project is completed and according to the unemployment rate in the area in which the jobs would be located~~((As long as there is more demand for financial assistance than there are funds available, the board is instructed to fund projects in order of their priority)); and~~

(b) The rate of return of the state's investment, that includes the expected increase in state and local tax revenues associated with the project.

(4) A responsible official of the political subdivision shall be present during board deliberations and provide information that the board requests.

Before any financial assistance application is approved, the political subdivision seeking the assistance must demonstrate to the community economic revitalization board that no other timely source of funding is available to it at costs reasonably similar to financing available from the community economic revitalization board.

Sec. 104. RCW 43.160.070 and 1998 c 321 s 27 (Referendum Bill No. 49) are each amended to read as follows:

Public facilities financial assistance, when authorized by the board, is subject to the following conditions:

(1) The moneys in the public facilities construction loan revolving account and the distressed county public facilities construction loan account shall be used solely to fulfill commitments arising from financial assistance authorized in this chapter or, during the 1989-91 fiscal biennium, for economic development purposes as appropriated by the legislature. The total outstanding amount which the board shall dispense at any time pursuant to this section shall not exceed the moneys available from the accounts. The total amount of outstanding financial assistance in Pierce, King, and Snohomish counties shall never exceed sixty percent of the total amount of outstanding financial assistance disbursed by the board under this chapter without reference to financial assistance provided under RCW 43.160.220.

(2) On contracts made for public facilities loans the board shall determine the interest rate which loans shall bear. The interest rate shall not exceed ten percent per annum. The board may provide reasonable terms and conditions for repayment for loans, including partial forgiveness of loan principal and interest payments on projects located in rural counties or rural natural resources impact areas, as the board determines. The loans shall not exceed twenty years in duration.

(3) Repayments of loans made from the public facilities construction loan revolving account under the contracts for public facilities construction loans shall be paid into the public facilities construction loan revolving account. Repayments of loans made from the distressed county public facilities construction loan account under the contracts for public facilities construction loans shall be paid into the distressed county public facilities construction loan account. Repayments of loans from moneys from the new appropriation from the public works assistance account for the fiscal biennium ending June 30, 1999, shall be paid into the public works assistance account.

(4) When every feasible effort has been made to provide loans and loans are not possible, the board may provide grants upon finding that unique circumstances exist.

Sec. 105. RCW 43.160.076 and 1998 c 321 s 28 (Referendum Bill No. 49) and 1998 c 55 s 4 are each reenacted and amended to read as follows:

(1) Except as authorized to the contrary under subsection (2) of this section, from all funds available to the board for financial assistance in a biennium under this chapter without reference to financial assistance provided under RCW 43.160.220, the board shall spend at least seventy-five percent for financial assistance for projects in ~~((distressed))~~ rural counties or rural natural resources impact areas. ~~((For purposes of this section, the term "distressed counties" includes any county, in which the average level of unemployment for the three years before the year in which an application for financial assistance is filed, exceeds the average state unemployment for those years by twenty percent.))~~

(2) If at any time during the last six months of a biennium the board finds that the actual and anticipated applications for qualified projects in ~~((distressed))~~ rural counties or rural natural resources impact areas are clearly insufficient to use up the seventy-five percent allocation under subsection (1) of this section, then the board shall estimate the amount of the insufficiency and during the remainder of the biennium may use that amount of the allocation for financial assistance to projects not located in ~~((distressed))~~ rural counties or rural natural resources impact areas.

~~((3) This section expires June 30, 2000.))~~

Sec. 106. RCW 43.160.900 and 1993 c 320 s 8 are each amended to read as follows:

(1) The community economic revitalization board shall report to the appropriate standing committees of the legislature biennially on the implementation of this chapter. The report shall include information on the number of applications for community economic revitalization board assistance, the number and types of projects approved, the grant or loan amount awarded each project, the projected number of jobs created or retained by each project, the actual number of jobs created or retained by each project, the amount of state and local tax revenue generated by projects funded under this chapter, the number of delinquent loans, and the number of project terminations. The report may also include additional performance measures and recommendations for programmatic changes. The first report shall be submitted by December 1, 1994.

(2) The joint legislative audit and review committee shall conduct performance reviews on the effectiveness of the program administered by the board under this chapter. The committee may contract for services to conduct the performance reviews. The costs for the performance reviews shall be paid from repayments of principal and interest on loans made under this chapter. The performance reviews shall be submitted to the appropriate committees of the legislature by December 1, 2000, December 1, 2004, and December 1, 2008.

Sec. 107. RCW 43.160.200 and 1996 c 51 s 9 are each amended to read as follows:

(1) The economic development account is created within the public facilities construction loan revolving fund under RCW 43.160.080. Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for the purposes of RCW 43.160.010(~~((3))~~) (5) and this section. The account is subject to allotment procedures under chapter 43.88 RCW.

(2) Applications under this section for assistance from the economic development account are subject to all of the applicable criteria set forth under this chapter, as well as procedures and criteria established by the board, except as otherwise provided.

(3) Eligible applicants under this section are limited to political subdivisions of the state in rural natural resources impact areas (~~((that demonstrate, to the satisfaction of the board, the local economy's dependence on the forest products and salmon fishing industries))~~) and rural counties.

(4) Applicants must demonstrate that their request is part of an economic development plan consistent with applicable state planning requirements. Applicants must demonstrate that tourism projects have been approved by the local government. Industrial projects must be approved by the local government and the associate development organization.

(b) The positions will be filled by persons who at the time of hire are residents of the community empowerment zone in which the project is located. (b) "Eligible business project" does not include any portion of a business project undertaken by a light and power business as defined in RCW 82.16.010(5) or that portion of a business project creating qualified full-time employment positions outside an eligible area or those recipients of a sales tax deferral under chapter 82.61 RCW.

If all or part of an application for credit is disallowed under this subsection, the disallowed portion shall be carried over for approval the next fiscal year. (3) No recipient may use the tax credits to decertify a union or to displace existing jobs in any community in the state.

(4) No recipient may receive a tax credit on taxes which have not been paid during the taxable year.

PART IV ECONOMIC VITALITY COMMITTEE

NEW SECTION. Sec. 401. (1) The legislature shall establish an ad hoc economic development group to analyze potential economic development projects of state-wide significance and recommend appropriate administrative or legislative actions.

(2) The group shall include one representative each from the department of community, trade, and economic development, the department of agriculture, and the department of revenue as well as two representatives from rural economic development councils appointed by the legislature.

(3) The group shall promote economic development and business diversification throughout the state with special attention given to the economic difficulties of rural counties.

(4) In order to expedite coordinated responses, the governor may direct the group to meet on an emergency basis when projects of state-wide significance arise.

(5) The department of community, trade, and economic development shall establish criteria to determine whether a project meets the standards of a "project of state-wide significance." These criteria may include such economic indicators as local unemployment and personal income levels and project scope indicators such as the assessed value of the project in relation to the assessed value of the county.

PART V RURAL WASHINGTON LOAN FUND

NEW SECTION. Sec. 501. (1) The legislature finds that:

(a) The economic health and well-being of the state is of substantial public concern, particularly in geographic areas of high unemployment, economic stagnation, and poverty;

(b) The consequences of minimal economic activity and persistent unemployment and underemployment are serious threats to the safety, health, and welfare of residents of these geographic areas, decreasing the value of private investments and jeopardizing the sources of public revenue;

(c) The economic and social interdependence of communities and the vitality of industrial and economic activity necessitates and partially depends upon preventing substantial dislocation of residents and rebuilding the diversification of the areas' economy;

(d) The ability to remedy problems in stagnant areas of the state is beyond the power and control of the regulatory process and influence of the state, and the ordinary operations of private enterprise, without additional governmental assistance, are insufficient to adequately remedy the problems of poverty and unemployment; and

(e) Revitalization of depressed communities requires stimulation of private investment, development of new business ventures, provision of capital to ventures sponsored by local organizations and capable of growth in the business markets, and assistance to viable, but underfinanced, small businesses in order to create and preserve jobs that are sustainable in the local economy.

(2) Therefore, the legislature declares there to be a substantial public purpose in providing capital to promote economic development and job creation in areas of economic stagnation, unemployment, and poverty. To accomplish this purpose, the legislature hereby creates the rural Washington loan fund and vests in the department of community, trade, and economic development the authority to spend federal funds to stimulate the economy of distressed areas.

NEW SECTION. Sec. 502. Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Department" means the department of community, trade, and economic development.

(2) "Director" means the director of community, trade, and economic development.

(3) "Disabled person" means a person with a physical or mental impairment that substantially limits a major life activity. The impairment must be material and medically cognizable or diagnosable. The impairment must also be permanent in that it is seldom significantly corrected by medical replacement, therapy, or surgical means. Impairment does not include drug or alcohol addiction or any negative effects brought on by the use of drugs or alcohol.

(4) "Distressed area" means: (a) A rural county; (b) a metropolitan statistical area, as defined by the office of federal statistical policy and standards, United States department of commerce, in which the average level of unemployment for the calendar year immediately preceding the year in which an application is filed under this chapter exceeds the average state unemployment for such calendar year by twenty percent; (c) an area within a county, which area: (i) Is composed of contiguous census tracts; (ii) has a minimum population of five thousand persons; (iii) has at least seventy percent of its families and unrelated individuals with incomes below eighty percent of the county's median income for families and unrelated individuals; and (iv) has an unemployment rate which is at least forty percent higher than the county's unemployment rate; or (d) a county designated as a rural natural resources impact area under RCW 43.31.601. For purposes of this subsection, "families and unrelated individuals" has the same meaning that is ascribed to that term by the federal department of housing and urban development in its regulations authorizing action grants for economic development and neighborhood revitalization projects.

(5) "Fund" means the rural Washington loan fund.

(6) "Local development organization" means a nonprofit organization which is organized to operate within an area, demonstrates a commitment to a long-standing effort for an economic development program, and makes a demonstrable effort to assist in the employment of unemployed or underemployed residents in an area.

(7) "Project" means the establishment of a new or expanded business in an area, which business, when completed, will provide employment opportunities. "Project" also means the retention of an existing business in an area, which business, when completed, will provide employment opportunities.

(8) "Rural county" means a county with a population density of fewer than one hundred persons per square mile, as determined by the office of financial management.

NEW SECTION. Sec. 503. Subject to the restrictions contained in this chapter, the department is authorized to approve applications of local governments for federal community

development block grant funds or other federal funds that the local governments would use to make loans to finance business projects within their jurisdictions. Applications approved by the department under this chapter must conform to applicable federal requirements.

NEW SECTION. Sec. 504. (1) The department may approve an application providing a loan for a project only if the department finds that the project:

(a) Will result in creation of employment opportunities, maintenance of threatened employment, or development or expansion of business ownership by disabled persons, minorities, and women;

(b) Has been approved by the director as conforming to federal rules and regulations governing the spending of federal community development block grant funds or other applicable federal funds;

(c) Will be of public benefit and for a public purpose, and that the benefits, including increased or maintained employment, improved standard of living, employment of disadvantaged workers, and development or expansion of business ownership by disabled persons, minorities, and women, will primarily accrue to residents of the area;

(d) Will probably be successful; and

(e) Would probably not be completed without the loan because other capital or financing at feasible terms is unavailable, or because the return on investment is inadequate.

(2)(a) The department shall, subject to applicable federal funding criteria, give priority to applications that capitalize or recapitalize an existing or new local revolving loan fund based on criteria established by the department.

(b) The department shall, subject to applicable federal funding criteria, give higher priority to economic development projects that contain provisions for child care.

(3) The department may not approve an application that fails to provide for adequate reporting or disclosure of financial data to the department. The department may require an annual or other periodic audit of the project books.

(4) The department may require that the project be managed in whole or in part by a local development organization and may prescribe a management fee to be paid to that organization by the recipient of the loan or grant.

(5) The department shall fix the terms and rates pertaining to its loans.

(6) If there is more demand for loans than funds available for lending, the department shall provide loans for those projects which will lead to the greatest amount of employment or benefit to a community. In determining the "greatest amount of employment or benefit," the department shall also consider the employment which would be saved by its loan and the benefit relative to the community, not just the total number of new jobs or jobs saved.

(7) To the extent permitted under federal law, the department shall require applicants to provide for the transfer of all payments of principal and interest on loans to the rural Washington loan fund created under this chapter. Under circumstances where federal law does not permit the department to require the transfer, the department shall give priority to applicants who on their own volition make commitments to provide for the transfer.

(8) The department may not approve any application to finance or help finance a shopping mall.

(9) For loans not made to minority and women-owned businesses and businesses owned by disabled persons, the department shall make at least eighty percent of the appropriated funds available to projects located in distressed areas, and may make up to twenty percent available to projects located in areas not designated as distressed.

(10) If an objection is raised to a project on the basis of unfair business competition, the department shall evaluate the potential impact of a project on similar businesses located in the local market area. The department may deny a grant if the department determines the proposed project is not likely to result in a net increase in employment within a local market area.

(11) For loans to minority and women-owned businesses and businesses owned by disabled persons that do not meet the credit criteria, the department may consider nontraditional credit standards to offset past discrimination that has precluded full participation of minority or women-owned businesses or businesses owned by disabled persons in the economy. For applicants with high potential

who do not meet the credit criteria, the department shall consider developing alternative borrowing methods. For applicants denied loans due to credit problems, the department shall provide financial counseling within available resources and provide referrals to credit rehabilitation services. In circumstances of competing applications, the department shall give priority to members of eligible groups which previously have been least served by this fund.

NEW SECTION. **Sec. 505.** The department is encouraged to work with local development organizations to promote applications for loans by the fund. The department shall also provide assistance to local development organizations and local governments to identify viable projects for consideration by the department. The department shall provide technical assistance to organizations that administer local revolving loan funds regarding practices to establish sustainable operations. The department shall adopt such rules and regulations as are appropriate to carry out its authority under this chapter.

NEW SECTION. **Sec. 506.** The department may receive and approve applications on a monthly basis but shall receive and approve applications on at least a quarterly basis for each fiscal year. The department shall make every effort to simplify the loan process for applicants. Department staff shall process and assist in the preparation of applications. Each application shall show in detail the nature of the project, the types and numbers of jobs to be created, wages to be paid to new employees, and methods of hiring unemployed persons from the local market area. Each application must contain a credit analysis of the business to receive the loan.

NEW SECTION. **Sec. 507.** The department shall make available an amount of federal community development block grant funds equal to the amount of state funds transferred or appropriated to the department for purposes of supplementing the department's block grant funds.

NEW SECTION. **Sec. 508.** The department may make grants of state funds to local governments that qualify as entitlement communities under the federal law authorizing community development block grants. These grants may be made only on condition that the entitlement community provide the department with assurances that the entitlement community will: (1) Spend the grant moneys for purposes and in a manner satisfying state constitutional requirements; (2) spend the grant moneys for purposes and in a manner satisfying federal requirements; and (3) spend at least the same amount of the grant for loans to businesses from the federal funds received by the entitlement community.

NEW SECTION. **Sec. 509.** There is established the rural Washington loan fund, which shall be an account in the state treasury. The rural Washington loan fund shall include revenue from the sources established by this chapter, appropriations by the legislature, federal funds, private contributions, all loan payments of principal and interest that are transferred under section 504 of this act, and all other sources. Moneys in the account may be spent only after legislative appropriation for loans or grants under this chapter. Any expenditures of federal moneys must conform to applicable federal law.

NEW SECTION. **Sec. 510.** (1) The department shall develop guidelines for rural Washington loan funds to be used to fund local economic development revolving loan funds. The department shall consider the selection process for grantees, loan quality criteria, legal and regulatory issues, and ways to minimize duplication between development loan funds and local economic development revolving loan funds.

(2) The department may make loans or grants from the rural Washington loan fund to local governments to capitalize new, or to recapitalize existing, economic development revolving loan funds in distressed areas.

WHEREAS, Washingtonians in other communities no doubt also grasp our responsibility to keep in heart and mind the memory of those who came before us; and

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The state of Washington affirms the importance of ensuring that crimes involving child sexual abuse are investigated thoroughly and objectively. Children who have been victims of crime deserve to have those who committed the crimes against them brought to justice. Those who may have been accused should expect that investigative agencies will make every effort to conduct thorough and impartial investigations.

The best approach to investigations of child sexual abuse crimes involves a coordinated effort by investigative agencies that minimizes repetitive investigative interviews and improves the quality of the investigations. The legislature intends to improve the training and resources available to individuals who conduct these interviews and to increase the accuracy of risk assessments and determinations of fact associated with interviews.

NEW SECTION. Sec. 2. A new section is added to chapter 43.101 RCW to read as follows:

(1) On-going specialized training shall be provided for persons responsible for investigating child sexual abuse. Training participants shall have the opportunity to practice interview skills and receive feedback from instructors.

(2) The commission, the department of social and health services, the Washington association of sheriffs and police chiefs, and the Washington association of prosecuting attorneys shall design and implement state-wide training that contains consistent elements for persons engaged in the interviewing of children for child sexual abuse cases, including law enforcement, prosecution, and child protective services.

(3) The training shall: (a) Be based on research-based practices and standards; (b) minimize the trauma of all persons who are interviewed during abuse investigations; (c) provide methods of reducing the number of investigative interviews necessary whenever possible; (d) assure, to the extent possible, that investigative interviews are thorough, objective, and complete; (e) recognize needs of special populations, such as persons with developmental disabilities; (f) recognize the nature and consequences of victimization; (g) require investigative interviews to be conducted in a manner most likely to permit the interviewed persons the maximum emotional comfort under the circumstances; (h) address record retention and retrieval; and (i) documentation of investigative interviews.

NEW SECTION. Sec. 3. The Washington state institute for public policy shall convene a work group to develop state guidelines for the development of child sexual abuse investigations protocols. The work group shall consist of representatives from the department of social and health services, the Washington association of sheriffs and police chiefs, and the Washington association of prosecuting attorneys.

The work group shall solicit input from a mental health professional certified under chapter 18.19 RCW, a physician licensed under chapter 18.71 RCW with substantial experience in child sexual abuse examinations, a member of the Washington state bar whose practice is primarily defense-oriented, the attorney general, a superior court judge, a child development specialist, a representative from an agency serving the developmentally disabled, an advanced registered nurse practitioner licensed under chapter 18.79 RCW, a representative from a child serving agency, and a victim's advocate.

The work group guidelines shall include issues to be addressed within local protocols adopted pursuant to this act. Those issues shall include multivictim cases, cases involving multiple suspects, information sharing between the department and law enforcement, methods to reduce the number of investigative interviews, and documentation of investigations.

The work group guidelines shall be provided as a resource to local agencies in developing local protocols mandated under this act.

(2) Each county shall develop a written protocol for handling criminal child sexual abuse investigations. The protocol shall address the coordination of child sexual abuse investigations between the prosecutor's office, law enforcement, the department, local advocacy groups, and any other local agency involved in the criminal investigation of child sexual abuse, including those investigations involving multiple victims and multiple offenders. The protocol shall be developed by the prosecuting attorney with the assistance of the agencies referenced in this subsection.

(3) Local protocols under this section shall be adopted and in place by July 1, 2000, and shall be submitted to the legislature prior to that date.

Sec. 5. RCW 74.14B.010 and 1987 c 503 s 8 are each amended to read as follows:

The parent, guardian, or foster parent may also be made a party to later court proceedings and be subject to a court-ordered examination by a physician, psychologist, or psychiatrist. It is the intent of the legislature by enacting section 9 of this act to avoid actual or perceived conflicts of interest that may occur when the parent, guardian, or foster parent is also a law enforcement officer and is assigned to conduct the investigation of alleged abuse or neglect concerning the child.

A law enforcement agency shall not allow a law enforcement officer to participate as an investigator in the investigation of alleged abuse or neglect concerning a child for whom the law enforcement officer is, or has been, a parent, guardian, or foster parent. This section is not intended to limit the authority or duty of a law enforcement officer to report, testify, or be examined as authorized or required by this chapter, or to perform other official duties as a law enforcement officer.

NEW SECTION. Sec. 10. If specific funding for the purposes of sections 1 through 7 this act, referencing sections 1 through 7 of this act by bill or chapter number, is not provided by June 30, 1999, in the omnibus appropriations act, sections 1 through 7 this act are null and void."

WHEREAS, Mother Joseph of the Sacred Heart, the founder of the Sisters of Providence in the Northwest, was born as Esther Pariseau on April 16, 1823, in St. Elzear, a town near Montreal, Canada. She entered the newly formed Sisters of Providence in Montreal at twenty years of age; and

WHEREAS, Her carriage-maker father made a prophetic remark upon her entry: "I bring to you my daughter, Esther, who wishes to dedicate herself to the religious life. She can read, write, figure accurately, sew, cook, and spin and do all manner of housework. She can do carpentry, handling a hammer and a saw as well as her father. She can also plan for others and she succeeds in anything she undertakes. I assure you, Madam, she will make a good superior some day"; and

WHEREAS, The Sisters of Providence responded to the pleas for help that were coming from the new frontier settlements in the western United States. Mother Joseph was chosen to lead the group of five sisters to the Washington Territory in 1856; and

WHEREAS, By February 1857, the young Sisters inherited their first convent, an old fur storage building abandoned by the Hudson Bay Company, and later used as a barn. Mother Joseph designed a chapel, built the altar herself, and fashioned a tabernacle out of an old candle box; and

WHEREAS, From this home base the Sisters began visiting the sick, and soon opened the first permanent hospital in the territory, which is still operating today as Southwest Washington Medical Center. They also cared for Indian children displaced by the Yakima Indian wars. By spring of the first year, preparations had been completed for a school. The first student arrived early--a three-year-old orphan, and soon a tiny baby boy was also placed at the doorstep; and

WHEREAS, In 1859 Mother Joseph incorporated the Sisters' charitable works and became the President of the Sisters of Charity of the House of Providence in the Territory of Washington, one of Washington's first corporations; and

WHEREAS, From the 1850's to the 1890's Mother Joseph established no less than eleven hospitals, seven academies, five Indian schools, and two orphanages throughout an area that today encompasses Northern Oregon, Idaho, Montana, British Columbia, and Washington, including hospitals that continue in operation in Vancouver, Walla Walla, Seattle, Spokane, Olympia, Port Townsend, Yakima, and Colfax; and

WHEREAS, Some of her most demanding work was raising funds to complete her buildings. She found that the people of Vancouver generally had modest incomes or were poor, and began "begging tours" to the mining camps of Idaho, the Blue Mountains of eastern Washington, Montana, and western Canada; and

WHEREAS, From 1856 to 1873, while she worked on other facilities, Mother Joseph planned and built her home for the Sisters' various medical, spiritual, and educational ministries in Vancouver, Washington. The House of Providence, later called Providence Academy, was three stories high, and was considered to be the biggest brick building in the Washington Territory. Today, it has been declared an historic monument in the "National Register of Historic Places"; and

WHEREAS, After her death from a brain tumor in January 1902, her close friend, Mother Mary Antoinette, honored Mother Joseph in a letter to the community, "She had the characteristics of a genius: incessant works, immense sacrifices, great undertakings; and she never counted the cost to self. She exercised an extraordinary influence on the Church in the West"; and

WHEREAS, In 1953 Mother Joseph was recognized as one of the first architects in the Pacific Northwest, because she was among the first to appreciate the use of Douglas Fir for both carving and building, she was recognized as the "first white artisan to work with wood in the Pacific Northwest," by the West Coast Lumberman's Association; and

WHEREAS, In 1980 Mother Joseph was honored as one of Washington State's two representatives in National Statuary Hall, Washington, D.C.;

"Sec. 1. RCW 9.94A.010 and 1981 c 137 s 1 are each amended to read as follows:

The purpose of this chapter is to make the criminal justice system accountable to the public by developing a system for the sentencing of felony offenders which structures, but does not eliminate, discretionary decisions affecting sentences, and to ~~((add a new chapter to Title 9 RCW designed to))~~:

- (1) Ensure that the punishment for a criminal offense is proportionate to the seriousness of the offense and the offender's criminal history;
- (2) Promote respect for the law by providing punishment which is just;
- (3) Be commensurate with the punishment imposed on others committing similar offenses;
- (4) Protect the public;
- (5) Offer the offender an opportunity to improve him or herself; ~~((and))~~
- (6) Make frugal use of the state's and local governments' resources; and
- (7) Reduce the risk of reoffending by offenders in the community.

Sec. 2. RCW 9.94A.030 and 1998 c 290 s 3 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department of corrections, means that the department, either directly or through a collection agreement authorized by RCW 9.94A.145, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(2) "Commission" means the sentencing guidelines commission.

(3) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

For offenders placed on community custody for crimes committed on or after July 1, 2000, the department shall assess the offender's risk of reoffense and may establish and modify conditions of community custody, in addition to those imposed by the court, based upon the risk to community safety.

(5) "Community custody range" means the minimum and maximum period of community custody included as part of a sentence under RCW 9.94A.120(11), as established by the sentencing guidelines commission or the legislature under RCW 9.94A.040, for crimes committed on or after July 1, 2000.

~~((6))~~ (6) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned ~~((early))~~ release. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120(5). For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270,

The evaluations shall be submitted to the legislature on December 1 of each odd-numbered year. The department of social and health services shall provide the commission with available data concerning the implementation of the disposition standards and related statutes and

their effect on the performance of the department's responsibilities relating to juvenile offenders, and with recommendations for modification of the disposition standards. Not later than December 31 of each year, the commission may propose modifications to the ranges. The ranges shall be based on the principles in RCW 9.94A.010, and shall take into account the funds available to the department for community custody. The minimum term in each range shall not be less than one-half of the maximum term.

(b) The legislature may, by enactment of a legislative bill, adopt or modify the community custody ranges proposed by the commission. If the legislature fails to adopt or modify the initial ranges in its next regular session after they are proposed, the proposed ranges shall take effect without legislative approval for crimes committed on or after July 1, 2000.

(c) When the commission proposes modifications to ranges pursuant to this subsection, the legislature may, by enactment of a bill, adopt or modify the ranges proposed by the commission for crimes committed on or after July 1 of the year after they were proposed. Unless the legislature adopts or modifies the commission's proposal in its next regular session, the proposed ranges shall not take effect.

(6) The commission shall exercise its duties under this section in conformity with chapter 34.05 RCW.

Sec. 4. RCW 9.94A.110 and 1998 c 260 s 2 are each amended to read as follows:

Before imposing a sentence upon a defendant, the court shall conduct a sentencing hearing. The sentencing hearing shall be held within forty court days following conviction. Upon the motion of either party for good cause shown, or on its own motion, the court may extend the time period for conducting the sentencing hearing.

Except in cases where the defendant shall be sentenced to a term of total confinement for life without the possibility of release or, when authorized by RCW 10.95.030 for the crime of aggravated murder in the first degree, sentenced to death, the court may order the department to complete a risk assessment report. If available before sentencing, the report shall be provided to the court.

The court shall, at the time of plea or conviction, order the department to complete a presentence report before imposing a sentence upon a defendant who has been convicted of a felony sexual offense. The department of corrections shall give priority to presentence investigations for sexual offenders. If the court determines that the defendant may be a mentally ill person as defined in

RCW 71.24.025, although the defendant has not established that at the time of the crime he or she lacked the capacity to commit the crime, was incompetent to commit the crime, or was insane at the time of the crime, the court shall order the department to complete a presentence report before imposing a sentence.

The court shall consider the risk assessment report and presentence reports, if any, including any victim impact statement and criminal history, and allow arguments from the prosecutor, the defense counsel, the offender, the victim, the survivor of the victim, or a representative of the victim or survivor, and an investigative law enforcement officer as to the sentence to be imposed.

If the court is satisfied by a preponderance of the evidence that the defendant has a criminal history, the court shall specify the convictions it has found to exist. All of this information shall be part of the record. Copies of all risk assessment reports and presentence reports presented to the sentencing court and all written findings of facts and conclusions of law as to sentencing entered by the court shall be sent to the department by the clerk of the court at the conclusion of the sentencing and shall accompany the offender if the offender is committed to the custody of the department. Court clerks shall provide, without charge, certified copies of documents relating to criminal convictions requested by prosecuting attorneys.

Sec. 5. RCW 9.94A.120 and 1998 c 260 s 3 are each amended to read as follows:

When a person is convicted of a felony, the court shall impose punishment as provided in this section.

(1) Except as authorized in subsections (2), (4), (5), (6), and (8) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) A persistent offender shall be sentenced to a term of total confinement for life without the possibility of parole or, when authorized by RCW 10.95.030 for the crime of aggravated murder in the first degree, sentenced to death, notwithstanding the maximum sentence under any other law. An offender convicted of the crime of murder in the first degree shall be sentenced to a term of total confinement not less than twenty years. An offender convicted of the crime of assault in the first degree or assault of a child in the first degree where the offender used force or means likely to result in death or intended to kill the victim shall be sentenced to a term of total confinement not less than five years. An offender convicted of the crime of rape in the first degree shall be sentenced to a term of total confinement not less than five years. The foregoing minimum terms of total confinement are mandatory and shall not be varied or modified as provided in subsection (2) of this section. In addition, all offenders subject to the provisions of this subsection shall not be eligible for community custody, earned (~~early~~) release time, furlough, home detention, partial confinement, work crew, work release, or any other form of early release as defined under RCW 9.94A.150 (1), (2), (3), (5), (7), or (8), or any other form of authorized leave of absence from the correctional facility while not in the direct custody of a corrections officer or officers during such minimum terms of total confinement except in the case of an offender in need of emergency medical treatment or for the purpose of commitment to an inpatient treatment facility in the case of an offender convicted of the crime of rape in the first degree.

(5)(a) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include (~~up to two years of community supervision~~) a term of community supervision or community custody as specified in (b) of this subsection, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(~~(a)~~) (i) Devote time to a specific employment or occupation;

~~((b))~~ (ii) Undergo available outpatient treatment for up to ~~((two years))~~ the period specified in (b) of this subsection, or inpatient treatment not to exceed the standard range of confinement for that offense;

~~((c))~~ (iii) Pursue a prescribed, secular course of study or vocational training;

~~((d))~~ (iv) Remain within prescribed geographical boundaries and notify ~~((the court or))~~ the community corrections officer prior to any change in the offender's address or employment;

~~((e))~~ (v) Report as directed to ~~((the court and))~~ a community corrections officer; or

~~((f))~~ (vi) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030 and/or perform community service work.

(b) The terms and statuses applicable to sentences under (a) of this subsection are:

(i) For sentences imposed on or after the effective date of this section, for crimes committed before July 1, 2000, up to one year of community supervision. If treatment is ordered, the period of community supervision may include up to the period of treatment, but shall not exceed two years; and

(ii) For crimes committed on or after July 1, 2000, up to one year of community custody unless treatment is ordered, in which case the period of community custody may include up to the period of treatment, but shall not exceed two years. Any term of community custody imposed under this subsection (5) is subject to conditions and sanctions as authorized in this subsection (5) and in subsection (11)(b) and (c) of this section.

(c) The department shall discharge from community supervision any offender sentenced under this subsection (5) before the effective date of this section who has served at least one year of community supervision and has completed any treatment ordered by the court.

(6)(a) An offender is eligible for the special drug offender sentencing alternative if:

(i) The offender is convicted of the manufacture, delivery, or possession with intent to manufacture or deliver a controlled substance classified in Schedule I or II that is a narcotic drug or a felony that is, under chapter 9A.28 RCW or RCW 69.50.407, a criminal attempt, criminal solicitation, or criminal conspiracy to commit such crimes, and the violation does not involve a sentence enhancement under RCW 9.94A.310 (3) or (4);

(ii) The offender has no prior convictions for a felony in this state, another state, or the United States; and

(iii) The offense involved only a small quantity of the particular controlled substance as determined by the judge upon consideration of such factors as the weight, purity, packaging, sale price, and street value of the controlled substance.

(b) If the midpoint of the standard range is greater than one year and the sentencing judge determines that the offender is eligible for this option and that the offender and the community will benefit from the use of the special drug offender sentencing alternative, the judge may waive imposition of a sentence within the standard range and impose a sentence that must include a period of total confinement in a state facility for one-half of the midpoint of the standard range. During incarceration in the state facility, offenders sentenced under this subsection shall undergo a comprehensive substance abuse assessment and receive, within available resources, treatment services appropriate for the offender. The treatment services shall be designed by the division of alcohol and substance abuse of the department of social and health services, in cooperation with the department of corrections. If the midpoint of the standard range is twenty-four months or less, no more than three months of the sentence may be served in a work release status. The court shall also impose one year of concurrent community custody and community supervision that must include appropriate outpatient substance abuse treatment, crime-related prohibitions including a condition not to use illegal controlled substances, and a requirement to submit to urinalysis or other testing to monitor that status. The court may require that the monitoring for controlled substances be conducted by the department or by a treatment alternatives to street crime program or a comparable court or agency-referred program. The offender may be required to pay thirty dollars per month while on community custody to offset the cost of monitoring. In addition, the court shall impose three or more of the following conditions:

(i) Devote time to a specific employment or training;

(ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer before any change in the offender's address or employment;

(iii) Report as directed to a community corrections officer;

- (iv) Pay all court-ordered legal financial obligations;
- (v) Perform community service work;
- (vi) Stay out of areas designated by the sentencing judge.

(c) If the offender violates any of the sentence conditions in (b) of this subsection, the department shall impose sanctions administratively, with notice to the prosecuting attorney and the sentencing court. Upon motion of the court or the prosecuting attorney, a violation hearing shall be held by the court. If the court finds that conditions have been willfully violated, the court may impose confinement consisting of up to the remaining one-half of the midpoint of the standard range. All total confinement served during the period of community custody shall be credited to the offender, regardless of whether the total confinement is served as a result of the original sentence, as a result of a sanction imposed by the department, or as a result of a violation found by the court. The term of community supervision shall be tolled by any period of time served in total confinement as a result of a violation found by the court.

(d) The department shall determine the rules for calculating the value of a day fine based on the offender's income and reasonable obligations which the offender has for the support of the offender and any dependents. These rules shall be developed in consultation with the administrator for the courts, the office of financial management, and the commission.

(7) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement~~((7))~~; community service work; until July 1, 2000, a term of community supervision not to exceed one year((7)) and on and after July 1, 2000, a term of community custody not to exceed one year, subject to conditions and sanctions as authorized in subsection (11)(b) and (c) of this section; and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(8)(a)(i) When an offender is convicted of a sex offense other than a violation of RCW 9A.44.050 or a sex offense that is also a serious violent offense and has no prior convictions for a sex offense or any other felony sex offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

The report of the examination shall include at a minimum the following: The defendant's version of the facts and the official version of the facts, the defendant's offense history, an assessment of problems in addition to alleged deviant behaviors, the offender's social and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the defendant's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (A) Frequency and type of contact between offender and therapist;
- (B) Specific issues to be addressed in the treatment and description of planned treatment modalities;
- (C) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members and others;
- (D) Anticipated length of treatment; and
- (E) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

(ii) After receipt of the reports, the court shall consider whether the offender and the community will benefit from use of this special sex offender sentencing alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this subsection. If the court determines that this special sex offender sentencing alternative is appropriate, the court shall then impose a sentence within the sentence range. If this sentence is less than eleven years of

confinement, the court may suspend the execution of the sentence and impose the following conditions of suspension:

(A) The court shall place the defendant on community custody for the length of the suspended sentence or three years, whichever is greater, and require the offender to comply with any conditions imposed by the department of corrections under subsection ~~((14))~~ (15) of this section;

(B) The court shall order treatment for any period up to three years in duration. The court in its discretion shall order outpatient sex offender treatment or inpatient sex offender treatment, if available. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The offender shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the community corrections officer, and the court, and shall not change providers without court approval after a hearing if the prosecutor or community corrections officer object to the change. In addition, as conditions of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(I) Devote time to a specific employment or occupation;

(II) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;

(III) Report as directed to the court and a community corrections officer;

(IV) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030, perform community service work, or any combination thereof; or

(V) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime; and

(C) Sex offenders sentenced under this special sex offender sentencing alternative are not eligible to accrue any earned ~~((early))~~ release time while serving a suspended sentence.

(iii) The sex offender therapist shall submit quarterly reports on the defendant's progress in treatment to the court and the parties. The report shall reference the treatment plan and include at a minimum the following: Dates of attendance, defendant's compliance with requirements, treatment activities, the defendant's relative progress in treatment, and any other material as specified by the court at sentencing.

(iv) At the time of sentencing, the court shall set a treatment termination hearing for three months prior to the anticipated date for completion of treatment. Prior to the treatment termination hearing, the treatment professional and community corrections officer shall submit written reports to the court and parties regarding the defendant's compliance with treatment and monitoring requirements, and recommendations regarding termination from treatment, including proposed community supervision conditions. Either party may request and the court may order another evaluation regarding the advisability of termination from treatment. The defendant shall pay the cost of any additional evaluation ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost. At the treatment termination hearing the court may: (A) Modify conditions of community custody, and either (B) terminate treatment, or (C) extend treatment for up to the remaining period of community custody.

(v) If a violation of conditions occurs during community custody, the department shall either impose sanctions as provided for in RCW 9.94A.205(2)(a) or refer the violation to the court and recommend revocation of the suspended sentence as provided for in (a)(vi) of this subsection.

(vi) The court may revoke the suspended sentence at any time during the period of community custody and order execution of the sentence if: (A) The defendant violates the conditions of the suspended sentence, or (B) the court finds that the defendant is failing to make satisfactory progress in treatment. All confinement time served during the period of community custody shall be credited to the offender if the suspended sentence is revoked.

(vii) Except as provided in (a)(viii) of this subsection, after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW.

(viii) A sex offender therapist who examines or treats a sex offender pursuant to this subsection (8) does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the

court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (8) and the rules adopted by the department of health.

(ix) For purposes of this subsection (8), "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a result of the crime charged. "Victim" also means a parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(x) If the defendant was less than eighteen years of age when the charge was filed, the state shall pay for the cost of initial evaluation and treatment.

(b) When an offender commits any felony sex offense on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

Except for an offender who has been convicted of a violation of RCW 9A.44.040 or 9A.44.050, if the offender completes the treatment program before the expiration of his or her term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his or her community supervision, the court may order the offender to serve out the balance of his or her community supervision term in confinement in the custody of the department of corrections.

Nothing in this subsection (8)(b) shall confer eligibility for such programs for offenders convicted and sentenced for a sex offense committed prior to July 1, 1987. This subsection (8)(b) does not apply to any crime committed after July 1, 1990.

(c) Offenders convicted and sentenced for a sex offense committed prior to July 1, 1987, may, subject to available funds, request an evaluation by the department of corrections to determine whether they are amenable to treatment. If the offender is determined to be amenable to treatment, the offender may request placement in a treatment program within a correctional facility operated by the department. Placement in such treatment program is subject to available funds.

(d) Within the funds available for this purpose, the department shall develop and monitor transition and relapse prevention strategies, including risk assessment and release plans, to reduce risk to the community after sex offenders' terms of confinement in the custody of the department.

(9)(a)(i) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense or a serious violent offense committed after July 1, 1988, but before July 1, 1990, assault in the second degree, assault of a child in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW not sentenced under subsection (6) of this section, committed on or after July 1, 1988, but before the effective date of this section, the court shall in addition to the other terms of the sentence, sentence the offender to a one-year term of community placement beginning either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned (~~early~~) release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of such community custody to which the offender may become eligible, in accordance

with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence.

(ii) Except for persons sentenced under (b) of this subsection or subsection (10)(a) of this section, when a court sentences a person to a term of total confinement to the custody of the department of corrections for a violent offense, any crime against a person under RCW 9.94A.440(2), or any felony offense under chapter 69.50 or 69.52 RCW not sentenced under subsection (6) of this section, committed on or after the effective date of this section but before July 1, 2000, the court shall in addition to the other terms of the sentence, sentence the offender to a one-year term of community placement beginning either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences the offender under this subsection (9)(a)(ii) to the statutory maximum period of confinement, then the community placement portion of the sentence shall consist entirely of such community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence.

(b) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense committed on or after July 1, 1990, but before June 6, 1996, or a serious violent offense, vehicular homicide, or vehicular assault, committed on or after July 1, 1990, but before July 1, 2000, the court shall in addition to other terms of the sentence, sentence the offender to community placement for two years or up to the period of earned ~~((early))~~ release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community placement shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned ~~((early))~~ release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of the community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence. Unless a condition is waived by the court, the terms of community placement for offenders sentenced pursuant to this section shall include the following conditions:

- (i) The offender shall report to and be available for contact with the assigned community corrections officer as directed;
- (ii) The offender shall work at department of corrections-approved education, employment, and/or community service;
- (iii) The offender shall not possess or consume controlled substances except pursuant to lawfully issued prescriptions;
- (iv) The offender shall pay supervision fees as determined by the department of corrections;
- (v) The residence location and living arrangements are subject to the prior approval of the department of corrections during the period of community placement; and
- (vi) The offender shall submit to affirmative acts necessary to monitor compliance with the orders of the court as required by the department.

(c) As a part of any sentence imposed under (a) or (b) of this subsection, the court may also order any of the following special conditions:

- (i) The offender shall remain within, or outside of, a specified geographical boundary;
- (ii) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;
- (iii) The offender shall participate in crime-related treatment or counseling services;
- (iv) The offender shall not consume alcohol;
- (v) The offender shall comply with any crime-related prohibitions; or
- (vi) For an offender convicted of a felony sex offense against a minor victim after June 6, 1996, the offender shall comply with any terms and conditions of community placement imposed by the department of corrections relating to contact between the sex offender and a minor victim or a child of similar age or circumstance as a previous victim.

(d) Prior to transfer to, or during, community placement, any conditions of community placement may be removed or modified so as not to be more restrictive by the sentencing court, upon recommendation of the department of corrections.

(10)(a) When a court sentences a person to the custody of the department of corrections for an offense categorized as a sex offense committed on or after June 6, 1996, but before July 1, 2000, the court shall, in addition to other terms of the sentence, sentence the offender to community custody for three years or up to the period of earned (~~early~~) release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community custody shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned (~~early~~) release in accordance with RCW 9.94A.150 (1) and (2).

(b) Unless a condition is waived by the court, the terms of community custody shall be the same as those provided for in subsection (9)(b) of this section and may include those provided for in subsection (9)(c) of this section. As part of any sentence that includes a term of community custody imposed under this subsection, the court shall also require the offender to comply with any conditions imposed by the department of corrections under subsection (~~(14)~~) (15) of this section.

(c) At any time prior to the completion of a sex offender's term of community custody, if the court finds that public safety would be enhanced, the court may impose and enforce an order extending any or all of the conditions imposed pursuant to this section for a period up to the maximum allowable sentence for the crime as it is classified in chapter 9A.20 RCW, regardless of the expiration of the offender's term of community custody. If a violation of a condition extended under this subsection occurs after the expiration of the offender's term of community custody, it shall be deemed a violation of the sentence for the purposes of RCW 9.94A.195 and may be punishable as contempt of court as provided for in RCW 7.21.040.

(11)(a) When a court sentences a person to the custody of the department of corrections for a sex offense, a violent offense, any crime against a person under RCW 9.94A.440(2), or a felony offense under chapter 69.50 or 69.52 RCW not sentenced under subsection (6) of this section, committed on or after July 1, 2000, the court shall in addition to the other terms of the sentence, sentence the offender to community custody for the community custody range or up to the period of earned release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community custody shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned release in accordance with RCW 9.94A.150 (1) and (2).

(b) Unless a condition is waived by the court, the conditions of community custody shall include those provided for in subsection (9)(b)(i) through (vi) of this section. The conditions may also include those provided for in subsection (9)(c)(i) through (vi) of this section. The court may also order the offender to participate in rehabilitative programs or otherwise perform affirmative conduct reasonably related to the circumstances of the offense, the offender's risk of reoffending, or the safety of the community, and the department shall enforce such conditions pursuant to (f) of this subsection. As part of any sentence that includes a term of community custody imposed under this subsection, the court shall also require the offender to comply with any conditions imposed by the department of corrections under subsection (15) of this section. The department shall assess the offender's risk of reoffense and may establish and modify additional conditions of the offender's community custody based upon the risk to community safety. The department may not impose conditions that are contrary to those ordered by the court and may not contravene or decrease court imposed conditions. The department shall notify the offender in writing of any such conditions or modifications. In setting, modifying, and enforcing conditions of community custody, the department shall be deemed to be performing a quasi-judicial function.

(c) If an offender violates conditions imposed by the court or the department pursuant to this subsection during community custody, the department may transfer the offender to a more restrictive confinement status and impose other available sanctions as provided in RCW 9.94A.205 and 9.94A.207.

(d) Except for terms of community custody under subsection (8) of this section, the department shall discharge the offender from community custody on a date determined by the department, which

the department may modify, based on risk and performance of the offender, within the range or at the end of the period of earned release, whichever is later.

(e) At any time prior to the completion or termination of a sex offender's term of community custody, if the court finds that public safety would be enhanced, the court may impose and enforce an order extending any or all of the conditions imposed pursuant to this section for a period up to the maximum allowable sentence for the crime as it is classified in chapter 9A.20 RCW, regardless of the expiration of the offender's term of community custody. If a violation of a condition extended under this subsection occurs after the expiration of the offender's term of community custody, it shall be deemed a violation of the sentence for the purposes of RCW 9.94A.195 and may be punishable as contempt of court as provided for in RCW 7.21.040. If the court extends a condition beyond the expiration of the term of community custody, the department is not responsible for supervision of the offender's compliance with the condition.

(f) Within the funds available for community custody, the department shall determine conditions and duration of community custody on the basis of risk to community safety, and shall supervise offenders during community custody on the basis of risk to community safety and conditions imposed by the court. The secretary shall adopt rules to implement the provisions of this subsection (11)(f).

(g) By the close of the next business day after receiving notice of a condition imposed or modified by the department, an offender may request an administrative review under rules adopted by the department. The condition shall remain in effect unless the reviewing officer finds that it is not reasonably related to any of the following: (i) The crime of conviction; (ii) the offender's risk of reoffending; or (iii) the safety of the community.

(12) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

~~((12))~~ (13) If a sentence imposed includes payment of a legal financial obligation, the sentence shall specify the total amount of the legal financial obligation owed, and shall require the offender to pay a specified monthly sum toward that legal financial obligation. Restitution to victims shall be paid prior to any other payments of monetary obligations. Any legal financial obligation that is imposed by the court may be collected by the department, which shall deliver the amount paid to the county clerk for credit. The offender's compliance with payment of legal financial obligations shall be supervised by the department for ten years following the entry of the judgment and sentence or ten years following the offender's release from total confinement. All monetary payments ordered shall be paid no later than ten years after the last date of release from confinement pursuant to a felony conviction or the date the sentence was entered unless the superior court extends the criminal judgment an additional ten years. If the legal financial obligations including crime victims' assessments are not paid during the initial ten-year period, the superior court may extend jurisdiction under the criminal judgment an additional ten years as provided in RCW 9.94A.140, 9.94A.142, and 9.94A.145. If jurisdiction under the criminal judgment is extended, the department is not responsible for supervision of the offender during the subsequent period. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation. Nothing in this section makes the department, the state, or any of its employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations. If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order.

~~((13))~~ (14) Except as provided under RCW 9.94A.140(1) and 9.94A.142(1), a court may not impose a sentence providing for a term of confinement or community supervision ~~((or))~~ community placement, or community custody which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

~~((14))~~ (15) All offenders sentenced to terms involving community supervision, community service, community placement, community custody, or legal financial obligation shall be under the supervision of the department of corrections and shall follow explicitly the instructions and conditions

of the department of corrections. The department may require an offender to perform affirmative acts it deems appropriate to monitor compliance with the conditions of the sentence imposed.

(a) The instructions shall include, at a minimum, reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, notifying the community corrections officer of any change in the offender's address or employment, and paying the supervision fee assessment.

(b) For offenders sentenced to terms involving community custody for crimes committed on or after June 6, 1996, the department may include, in addition to the instructions in (a) of this subsection, any appropriate conditions of supervision, including but not limited to, prohibiting the offender from having contact with any other specified individuals or specific class of individuals. For offenders sentenced to terms of community custody for crimes committed on or after July 1, 2000, the department may additionally require the offender to participate in rehabilitative programs or otherwise perform affirmative conduct, and to obey all laws.

The conditions authorized under this subsection (~~((14))~~) (15)(b) may be imposed by the department prior to or during an offender's community custody term. If a violation of conditions imposed by the court or the department pursuant to subsection (10) of this section occurs during community custody, it shall be deemed a violation of community placement for the purposes of RCW 9.94A.207 and shall authorize the department to transfer an offender to a more restrictive confinement status as provided in RCW 9.94A.205. At any time prior to the completion of (~~(a sex))~~ an offender's term of community custody, the department may recommend to the court that any or all of the conditions imposed by the court or the department pursuant to subsection (10) or (11) of this section be continued beyond the expiration of the offender's term of community custody as authorized in subsection (10)(c) or (11)(e) of this section.

The department may require offenders to pay for special services rendered on or after July 25, 1993, including electronic monitoring, day reporting, and telephone reporting, dependent upon the offender's ability to pay. The department may pay for these services for offenders who are not able to pay.

~~((15))~~ (16) All offenders sentenced to terms involving community supervision, community service, community custody, or community placement under the supervision of the department of corrections shall not own, use, or possess firearms or ammunition. Offenders who own, use, or are found to be in actual or constructive possession of firearms or ammunition shall be subject to the appropriate violation process and sanctions. "Constructive possession" as used in this subsection means the power and intent to control the firearm or ammunition. "Firearm" as used in this subsection means a weapon or device from which a projectile may be fired by an explosive such as gunpowder.

~~((16))~~ (17) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

~~((17))~~ (18) A departure from the standards in RCW 9.94A.400 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210 (2) through (6).

~~((18))~~ (19) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

~~((19))~~ (20) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision or community placement.

~~((20))~~ (21) The court may order an offender whose sentence includes community placement or community supervision to undergo a mental status evaluation and to participate in available outpatient mental health treatment, if the court finds that reasonable grounds exist to believe that the

offender is a mentally ill person as defined in RCW 71.24.025, and that this condition is likely to have influenced the offense. An order requiring mental status evaluation or treatment must be based on a presentence report and, if applicable, mental status evaluations that have been filed with the court to determine the offender's competency or eligibility for a defense of insanity. The court may order additional evaluations at a later date if deemed appropriate.

~~((24))~~ (22) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

~~((22))~~ (23) All court-ordered legal financial obligations collected by the department and remitted to the county clerk shall be credited and paid where restitution is ordered. Restitution shall be paid prior to any other payments of monetary obligations.

(24)(a) Sex offender examinations and treatment ordered as a special condition of community placement or community custody under this section shall be conducted only by sex offender treatment providers certified by the department of health under chapter 18.155 RCW unless the court finds that: (i) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (ii) no certified providers are available for treatment within a reasonable geographic distance of the offender's home, as determined in rules adopted by the secretary; (iii) the evaluation and treatment plan comply with the rules adopted by the department of health; or (iv) the treatment provider is employed by the department. A treatment provider selected by an offender who is not certified by the department of health shall consult with a certified provider during the offender's period of treatment to ensure compliance with the rules adopted by the department of health. The frequency and content of the consultation shall be based on the recommendation of the certified provider.

(b) A sex offender's failure to participate in treatment required as a condition of community placement or community custody is a violation that will not be excused on the basis that no treatment provider was located within a reasonable geographic distance of the offender's home.

Sec. 6. RCW 9.94A.145 and 1997 c 121 s 5 and 1997 c 52 s 3 are each reenacted and amended to read as follows:

(1) Whenever a person is convicted of a felony, the court may order the payment of a legal financial obligation as part of the sentence. The court must on either the judgment and sentence or on a subsequent order to pay, designate the total amount of a legal financial obligation and segregate this amount among the separate assessments made for restitution, costs, fines, and other assessments required by law. On the same order, the court is also to set a sum that the offender is required to pay on a monthly basis towards satisfying the legal financial obligation. If the court fails to set the offender monthly payment amount, the department shall set the amount. Upon receipt of an offender's monthly payment, after restitution is satisfied, the county clerk shall distribute the payment proportionally among all other fines, costs, and assessments imposed, unless otherwise ordered by the court.

(2) If the court determines that the offender, at the time of sentencing, has the means to pay for the cost of incarceration, the court may require the offender to pay for the cost of incarceration at a rate of fifty dollars per day of incarceration. Payment of other court-ordered financial obligations, including all legal financial obligations and costs of supervision shall take precedence over the payment of the cost of incarceration ordered by the court. All funds recovered from offenders for the cost of incarceration in the county jail shall be remitted to the county and the costs of incarceration in a prison shall be remitted to the department of corrections.

(3) The court may add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction is to be immediately issued. If the court chooses not to order the immediate issuance of a notice of payroll deduction at sentencing, the court shall add to the judgment and sentence or subsequent order to pay a statement that a notice of payroll deduction may be issued or other income-withholding action may be taken, without further notice to the offender if a monthly court-ordered legal financial obligation payment is not paid when due, and an amount equal to or greater than the amount payable for one month is owed.

If a judgment and sentence or subsequent order to pay does not include the statement that a notice of payroll deduction may be issued or other income-withholding action may be taken if a

monthly legal financial obligation payment is past due, the department may serve a notice on the offender stating such requirements and authorizations. Service shall be by personal service or any form of mail requiring a return receipt.

(4) All legal financial obligations that are ordered as a result of a conviction for a felony, may also be enforced in the same manner as a judgment in a civil action by the party or entity to whom the legal financial obligation is owed. Restitution collected through civil enforcement must be paid through the registry of the court and must be distributed proportionately according to each victim's loss when there is more than one victim. The judgment and sentence shall identify the party or entity to whom restitution is owed so that the state, party, or entity may enforce the judgment. If restitution is ordered pursuant to RCW 9.94A.140(3) or 9.94A.142(3) to a victim of rape of a child and the victim's child born from the rape, the Washington state child support registry shall be identified as the party to whom payments must be made. Restitution obligations arising from the rape of a child in the first, second, or third degree that result in the pregnancy of the victim may be enforced for the time periods provided under RCW 9.94A.140(3) and 9.94A.142(3). All other legal financial obligations may be enforced at any time during the ten-year period following the offender's release from total confinement or within ten years of entry of the judgment and sentence, whichever period is longer. Prior to the expiration of the initial ten-year period, the superior court may extend the criminal judgment an additional ten years for payment of legal financial obligations including crime victims' assessments. If jurisdiction under the criminal judgment is extended, the department is not responsible for supervision of the offender during the subsequent period. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation.

(5) In order to assist the court in setting a monthly sum that the offender must pay during the period of supervision, the offender is required to report to the department for purposes of preparing a recommendation to the court. When reporting, the offender is required, under oath, to truthfully and honestly respond to all questions concerning present, past, and future earning capabilities and the location and nature of all property or financial assets. The offender is further required to bring any and all documents as requested by the department.

(6) After completing the investigation, the department shall make a report to the court on the amount of the monthly payment that the offender should be required to make towards a satisfied legal financial obligation.

(7) During the period of supervision, the department may make a recommendation to the court that the offender's monthly payment schedule be modified so as to reflect a change in financial circumstances. If the department sets the monthly payment amount, the department may modify the monthly payment amount without the matter being returned to the court. Also, during the period of supervision, the offender may be required at the request of the department to report to the department for the purposes of reviewing the appropriateness of the collection schedule for the legal financial obligation. During this reporting, the offender is required under oath to truthfully and honestly respond to all questions concerning earning capabilities and the location and nature of all property or financial assets. Also, the offender is required to bring any and all documents as requested by the department in order to prepare the collection schedule.

(8) After the judgment and sentence or payment order is entered, the department shall for any period of supervision be authorized to collect the legal financial obligation from the offender. Any amount collected by the department shall be remitted daily to the county clerk for the purposes of disbursements. The department is authorized to accept credit cards as payment for a legal financial obligation, and any costs incurred related to accepting credit card payments shall be the responsibility of the offender.

(9) The department or any obligee of the legal financial obligation may seek a mandatory wage assignment for the purposes of obtaining satisfaction for the legal financial obligation pursuant to RCW 9.94A.2001.

(10) The requirement that the offender pay a monthly sum towards a legal financial obligation constitutes a condition or requirement of a sentence and the offender is subject to the penalties as provided in RCW 9.94A.200 for noncompliance.

(11) The county clerk shall provide the department with individualized monthly billings for each offender with an unsatisfied legal financial obligation and shall provide the department with notice of payments by such offenders no less frequently than weekly.

(12) The department may arrange for the collection of unpaid legal financial obligations through the county clerk, or through another entity if the clerk does not assume responsibility for collection. The costs for collection services shall be paid by the offender.

Sec. 7. RCW 9.94A.170 and 1993 c 31 s 2 are each amended to read as follows:

(1) A term of confinement(~~(, including community custody,)~~) ordered in a sentence pursuant to this chapter shall be tolled by any period of time during which the offender has absented (~~(him)~~) himself or herself from confinement without the prior approval of the entity in whose custody the offender has been placed. A term of partial confinement shall be tolled during any period of time spent in total confinement pursuant to a new conviction or pursuant to sanctions for violation of sentence conditions on a separate felony conviction.

(2) A term of (~~(supervision, including postrelease supervision)~~) community custody ordered in a sentence pursuant to this chapter shall be tolled by any period of time during which the offender has absented himself or herself from supervision without prior approval of the entity under whose (~~(supervision)~~) community custody the offender has been placed.

(3) Any period of (~~(supervision)~~) community custody shall be tolled during any period of time the offender is in confinement for any reason. However, if an offender is detained pursuant to RCW 9.94A.207 or 9.94A.195 and is later found not to have violated a condition or requirement of (~~(supervision)~~) community custody, time spent in confinement due to such detention shall not toll (~~(to the)~~) the period of ((supervision)) community custody.

(4) For confinement or (~~(supervision)~~) community custody sentences, the date for the tolling of the sentence shall be established by the entity responsible for the confinement or (~~(supervision)~~) community custody.

Sec. 8. RCW 9.94A.205 and 1996 c 275 s 3 are each amended to read as follows:

(1) If an (~~(inmate)~~) offender violates any condition or requirement of community custody, the department may transfer the (~~(inmate)~~) offender to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation and subject to the limitations of subsection (2) of this section.

(2)(a) For a sex offender sentenced to a term of community custody under RCW 9.94A.120(8) who violates any condition of community custody, the department may impose a sanction of up to sixty days' confinement in a local correctional facility for each violation. If the department imposes a sanction, the department shall submit within seventy-two hours a report to the court and the prosecuting attorney outlining the violation or violations and the sanctions imposed.

(b) For a sex offender sentenced to a term of community custody under RCW 9.94A.120(10) who violates any condition of community custody after having completed his or her maximum term of total confinement, including time served on community custody in lieu of earned (~~(early)~~) release, the department may impose a sanction of up to sixty days in a local correctional facility for each violation.

(c) For an offender sentenced to a term of community custody under RCW 9.94A.120 (5), (7), or (11), or under RCW 9.94A.383, for a crime committed on or after July 1, 2000, who violates any condition of community custody after having completed his or her maximum term of total confinement, including time served on community custody in lieu of earned release, the department may impose a sanction of up to sixty days in total confinement for each violation. The department may impose sanctions such as work release, home detention with electronic monitoring, work crew, community service, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other sanctions available in the community.

(d) For an offender sentenced to a term of community placement under RCW 9.94A.120(9)(a)(ii) who violates any condition of community placement after having completed his or her maximum term of total confinement, including time served on community custody in lieu of earned release, the department may impose a sanction of up to sixty days in total confinement for each

violation. The department may impose sanctions such as work release, home detention with electronic monitoring, work crew, community service, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other sanctions available in the community.

(3) If an ((inmate)) offender is accused of violating any condition or requirement of community custody, he or she is entitled to a hearing before the department prior to the imposition of sanctions. The hearing shall be considered as ((inmate)) offender disciplinary proceedings and shall not be subject to chapter 34.05 RCW. The department shall develop hearing procedures and a structure of graduated sanctions.

(4) The hearing procedures required under subsection (3) of this section shall be developed by rule and include the following:

(a) Hearing officers shall report through a chain of command separate from that of community corrections officers;

(b) The department shall provide the offender with written notice of the violation, the evidence relied upon, and the reasons the particular sanction was imposed. The notice shall include a statement of the rights specified in this subsection, and the offender's right to file a personal restraint petition under court rules after the final decision of the department;

(c) The hearing shall be held unless waived by the offender, and shall be electronically recorded. For offenders not in total confinement, the hearing shall be held within fifteen working days, but not less than twenty-four hours, after notice of the violation. For offenders in total confinement, the hearing shall be held within five working days, but not less than twenty-four hours, after notice of the violation;

(d) The offender shall have the right to: (i) Be present at the hearing; (ii) have the assistance of a person qualified to assist the offender in the hearing, appointed by the hearing officer if the offender has a language or communications barrier; (iii) testify or remain silent; (iv) call witnesses and present documentary evidence; and (v) question witnesses who appear and testify; and

(e) The sanction shall take effect if affirmed by the hearing officer. Within seven days after the hearing officer's decision, the offender may appeal the decision to a panel of three reviewing officers designated by the secretary or by the secretary's designee. The sanction shall be reversed or modified if a majority of the panel finds that the sanction was not reasonably related to any of the following: (i) The crime of conviction; (ii) the violation committed; (iii) the offender's risk of reoffending; or (iv) the safety of the community.

(5) For purposes of this section, no finding of a violation of conditions may be based on unconfirmed or unconfirmable allegations.

Sec. 9. RCW 9.94A.207 and 1996 c 275 s 4 are each amended to read as follows:

(1) The secretary may issue warrants for the arrest of any offender who violates a condition of community placement or community custody. The arrest warrants shall authorize any law enforcement or peace officer or community corrections officer of this state or any other state where such offender may be located, to arrest the offender and place him or her in total confinement pending disposition of the alleged violation. The department shall compensate the local jurisdiction at the office of financial management's adjudicated rate, in accordance with RCW 70.48.440. A community corrections officer, if he or she has reasonable cause to believe an offender in community placement or community custody has violated a condition of community placement or community custody, may suspend the person's community placement or community custody status and arrest or cause the arrest and detention in total confinement of the offender, pending the determination of the secretary as to whether the violation has occurred. The community corrections officer shall report to the secretary all facts and circumstances and the reasons for the action of suspending community placement or community custody status. A violation of a condition of community placement or community custody shall be deemed a violation of the sentence for purposes of RCW 9.94A.195. The authority granted to community corrections officers under this section shall be in addition to that set forth in RCW 9.94A.195.

(2) Inmates, as defined in RCW 72.09.015, who have been transferred to community custody and who are detained in a local correctional facility are the financial responsibility of the department of

corrections, except as provided in subsection (3) of this section. The community custody inmate shall be removed from the local correctional facility, except as provided in subsection (3) of this section, not later than eight days, excluding weekends and holidays, following admittance to the local correctional facility and notification that the inmate is available for movement to a state correctional institution.

(3) The department may negotiate with local correctional authorities for an additional period of detention; however, sex offenders sanctioned for community custody violations under RCW 9.94A.205(2) to a term of confinement shall remain in the local correctional facility for the complete term of the sanction. For confinement sanctions imposed under RCW 9.94A.205(2)(a), the local correctional facility shall be financially responsible. For confinement sanctions imposed under RCW 9.94A.205(2)(b), the department of corrections shall be financially responsible for that portion of the sanction served during the time in which the sex offender is on community custody in lieu of earned (~~early~~) release, and the local correctional facility shall be financially responsible for that portion of the sanction served by the sex offender after the time in which the sex offender is on community custody in lieu of earned (~~early~~) release. The department, in consultation with the Washington association of sheriffs and police chiefs and those counties in which the sheriff does not operate a correctional facility, shall establish a methodology for determining the department's local correctional facilities bed utilization rate, for each county in calendar year 1998, for offenders being held for violations of conditions of community custody, community placement, or community supervision. For confinement sanctions imposed under RCW 9.94A.205(2) (c) or (d), the local correctional facility shall continue to be financially responsible to the extent of the calendar year 1998 bed utilization rate. If the department's use of bed space in local correctional facilities of any county for confinement sanctions imposed on offenders sentenced to a term of community custody under RCW 9.94A.205(2) (c) or (d) exceeds the 1998 bed utilization rate for the county, the department shall compensate the county for the excess use at the per diem rate equal to the lowest rate charged by the county under its contract with a municipal government during the year in which the use occurs.

Sec. 10. RCW 9.94A.383 and 1988 c 143 s 23 are each amended to read as follows:

On all sentences of confinement for one year or less, the court may impose up to one year of community (~~supervision~~) custody, subject to conditions and sanctions as authorized in RCW 9.94A.120(11) (b) and (c). An offender shall be on community (~~supervision~~) custody as of the date of sentencing. However, during the time for which the offender is in total or partial confinement pursuant to the sentence or a violation of the sentence, the period of community (~~supervision~~) custody shall toll.

Sec. 11. RCW 9.94A.440 and 1996 c 93 s 2 are each amended to read as follows:

(1) Decision not to prosecute.

STANDARD: A prosecuting attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

GUIDELINE/COMMENTARY:

Examples

The following are examples of reasons not to prosecute which could satisfy the standard.

(a) Contrary to Legislative Intent - It may be proper to decline to charge where the application of criminal sanctions would be clearly contrary to the intent of the legislature in enacting the particular statute.

(b) Antiquated Statute - It may be proper to decline to charge where the statute in question is antiquated in that:

- (i) It has not been enforced for many years; and
- (ii) Most members of society act as if it were no longer in existence; and
- (iii) It serves no deterrent or protective purpose in today's society; and
- (iv) The statute has not been recently reconsidered by the legislature.

This reason is not to be construed as the basis for declining cases because the law in question is unpopular or because it is difficult to enforce.

(c) De Minimus Violation - It may be proper to decline to charge where the violation of law is only technical or insubstantial and where no public interest or deterrent purpose would be served by prosecution.

(d) Confinement on Other Charges - It may be proper to decline to charge because the accused has been sentenced on another charge to a lengthy period of confinement; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iii) Conviction of the new offense would not serve any significant deterrent purpose.

(e) Pending Conviction on Another Charge - It may be proper to decline to charge because the accused is facing a pending prosecution in the same or another county; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) Conviction in the pending prosecution is imminent;

(iii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iv) Conviction of the new offense would not serve any significant deterrent purpose.

(f) High Disproportionate Cost of Prosecution - It may be proper to decline to charge where the cost of locating or transporting, or the burden on, prosecution witnesses is highly disproportionate to the importance of prosecuting the offense in question. This reason should be limited to minor cases and should not be relied upon in serious cases.

(g) Improper Motives of Complainant - It may be proper to decline charges because the motives of the complainant are improper and prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

(h) Immunity - It may be proper to decline to charge where immunity is to be given to an accused in order to prosecute another where the accused's information or testimony will reasonably lead to the conviction of others who are responsible for more serious criminal conduct or who represent a greater danger to the public interest.

(i) Victim Request - It may be proper to decline to charge because the victim requests that no criminal charges be filed and the case involves the following crimes or situations:

(i) Assault cases where the victim has suffered little or no injury;

(ii) Crimes against property, not involving violence, where no major loss was suffered;

(iii) Where doing so would not jeopardize the safety of society.

Care should be taken to insure that the victim's request is freely made and is not the product of threats or pressure by the accused.

The presence of these factors may also justify the decision to dismiss a prosecution which has been commenced.

Notification

The prosecutor is encouraged to notify the victim, when practical, and the law enforcement personnel, of the decision not to prosecute.

(2) Decision to prosecute.

(a) STANDARD:

Crimes against persons will be filed if sufficient admissible evidence exists, which, when considered with the most plausible, reasonably foreseeable defense that could be raised under the evidence, would justify conviction by a reasonable and objective fact-finder. With regard to offenses prohibited by RCW 9A.44.040, 9A.44.050, 9A.44.073, 9A.44.076, 9A.44.079, 9A.44.083, 9A.44.086, 9A.44.089, and 9A.64.020 the prosecutor should avoid pre-filing agreements or diversions intended to place the accused in a program of treatment or counseling, so that treatment, if determined to be beneficial, can be provided pursuant to RCW 9.94A.120(8).

Crimes against property/other crimes will be filed if the admissible evidence is of such convincing force as to make it probable that a reasonable and objective fact-finder would convict after hearing all the admissible evidence and the most plausible defense that could be raised.

~~((a))~~ (A) Will significantly enhance the strength of the state's case at trial; or

~~((b))~~ (B) Will result in restitution to all victims.

~~((2))~~ (ii) The prosecutor should not overcharge to obtain a guilty plea. Overcharging includes:

~~((a))~~ (A) Charging a higher degree;

~~((b))~~ (B) Charging additional counts.

This standard is intended to direct prosecutors to charge those crimes which demonstrate the nature and seriousness of a defendant's criminal conduct, but to decline to charge crimes which are not necessary to such an indication. Crimes which do not merge as a matter of law, but which arise from the same course of conduct, do not all have to be charged.

(b) GUIDELINES/COMMENTARY:

(i) Police Investigation

A prosecuting attorney is dependent upon law enforcement agencies to conduct the necessary factual investigation which must precede the decision to prosecute. The prosecuting attorney shall ensure that a thorough factual investigation has been conducted before a decision to prosecute is made. In ordinary circumstances the investigation should include the following:

~~((4))~~ (A) The interviewing of all material witnesses, together with the obtaining of written statements whenever possible;

~~((2))~~ (B) The completion of necessary laboratory tests; and
~~((3))~~ (C) The obtaining, in accordance with constitutional requirements, of the suspect's version of the events.

If the initial investigation is incomplete, a prosecuting attorney should insist upon further investigation before a decision to prosecute is made, and specify what the investigation needs to include.

(ii) Exceptions

In certain situations, a prosecuting attorney may authorize filing of a criminal complaint before the investigation is complete if:

~~((4))~~ (A) Probable cause exists to believe the suspect is guilty; and
~~((2))~~ (B) The suspect presents a danger to the community or is likely to flee if not apprehended; or

~~((3))~~ (C) The arrest of the suspect is necessary to complete the investigation of the crime.

In the event that the exception to the standard is applied, the prosecuting attorney shall obtain a commitment from the law enforcement agency involved to complete the investigation in a timely manner. If the subsequent investigation does not produce sufficient evidence to meet the normal charging standard, the complaint should be dismissed.

(iii) Investigation Techniques

The prosecutor should be fully advised of the investigatory techniques that were used in the case investigation including:

~~((4))~~ (A) Polygraph testing;
~~((2))~~ (B) Hypnosis;
~~((3))~~ (C) Electronic surveillance;
~~((4))~~ (D) Use of informants.

(iv) Pre-Filing Discussions with Defendant

Discussions with the defendant or his/her representative regarding the selection or disposition of charges may occur prior to the filing of charges, and potential agreements can be reached.

(v) Pre-Filing Discussions with Victim(s)

Discussions with the victim(s) or victims' representatives regarding the selection or disposition of charges may occur before the filing of charges. The discussions may be considered by the prosecutor in charging and disposition decisions, and should be considered before reaching any agreement with the defendant regarding these decisions.

As used in this section "cherry harvest temporary labor camp" means a place where housing and related facilities are provided to agricultural employees by agricultural employers for no more than twenty-one days in any one calendar year. Temporary labor camps licensed under this section may be occupied for more than twenty-one days if the following conditions are met: (a) The secretary or an

The extended occupancy shall not exceed seven days.

(2) Facilities licensed under rules adopted under this section may not be used to provide housing for agricultural employees who are nonimmigrant aliens admitted to the United States for agricultural labor or services of a temporary or seasonal nature under section 1101(a)(15)(H)(ii)(a) of the immigration and nationality act (8 U.S.C. The secretary of the department or authorized representative may inspect housing covered by chapter 220, Laws of 1995, to enforce temporary worker housing rules adopted by the state board of health prior to the effective date of this act or the department, or when the secretary or representative has reasonable cause to believe that a violation of temporary worker housing rules adopted by the state board of health prior to the effective date of this act or the department is occurring or is being maintained. If the buildings or premises are occupied as a residence, a reasonable effort shall be made to obtain permission from the resident. If the premises or building is unoccupied, a reasonable effort shall be made to locate the owner or other person having charge or control of the building or premises

(f) The temporary worker building code shall include standards for temporary worker housing that are to be used only during periods when no auxiliary heat is required; and

(g) The temporary worker building code shall provide that persons operating temporary worker housing consisting of four or fewer dwelling units or combinations of dwelling units, dormitories, or spaces that house nine or fewer occupants may elect to comply with the provisions of the temporary worker building code, and that unless the election is made, such housing is subject to the codes adopted under RCW 19.27.031.

(2) In adopting the temporary worker building code, the department shall make exceptions to the codes listed in RCW 19.27.031 and chapter 19.27A RCW, in keeping with the guidelines set forth in this section. (3) The temporary worker building code authorized and required by this section shall be enforced by the department.

The department shall have the authority to allow minor variations from the temporary worker building code that do not compromise the health or safety of workers. Procedures for requesting variations and guidelines for granting such requests shall be included in the rules adopted under this section.

The license shall be conspicuously displayed on site.

(2) Licenses issued under this chapter may be suspended or revoked upon the failure or refusal of the person providing temporary worker housing to comply with (~~the provisions of RCW 70.54.110,~~

(3) The department may assess a civil fine in accordance with RCW 43.70.095 for failure or refusal to obtain a license prior to occupancy of temporary worker housing. The department may refund all or part of the civil fine collected once the operator obtains a valid operating license.

(4) Civil fines under this section shall not exceed twice the cost of the license plus the cost of the initial on-site inspection for the first violation of this section, and shall not exceed ten times the cost of the license plus the cost of the initial on-site inspection for second and subsequent violations within any five-year period. The department may adopt rules as necessary to assure compliance with this section.

NEW SECTION. **Sec. 11.** A new section is added to chapter 70.114A RCW to read as follows:

The department shall prepare a report to the legislature on utilization of the temporary worker building code authorized by RCW 70.114A.081. The report shall be transmitted to the senate committee on commerce, trade, housing and financial institutions and the house of representatives committee on economic development, housing and trade by December 15, 2000, and an update shall be transmitted every two years thereafter.

In addition, we have a commitment from the Governor's Office and the departments of Health and Labor and Industries to vigorously defend the standards in court and in negotiations with federal agencies."

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1999

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1006 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.94A.030 and 1998 c 290 s 3 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department of corrections, means that the department is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(2) "Commission" means the sentencing guidelines commission.

(3) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(4) "Community custody" means that portion of an inmate's sentence of confinement in lieu of earned early release time or imposed pursuant to RCW 9.94A.120 (6), (8), or (10) served in the community subject to controls placed on the inmate's movement and activities by the department of corrections.

(5) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned early release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(6) "Community service" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(7) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 16.52.200(6) or 46.61.524. For first-time offenders, the supervision may include crime-related prohibitions and other conditions imposed pursuant to RCW 9.94A.120(5). Where the court finds that any offender has a chemical dependency that has contributed to his or her offense, the conditions of supervision may, subject to available resources, include treatment. For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(8) "Confinement" means total or partial confinement as defined in this section.

(9) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(10) "Court-ordered legal financial obligation" means a sum of money that is ordered by a superior court of the state of Washington for legal financial obligations which may include restitution to the victim, statutorily imposed crime victims' compensation fees as assessed pursuant to RCW 7.68.035, court costs, county or interlocal drug funds, court-appointed attorneys' fees, and costs of defense, fines, and any other financial obligation that is assessed to the offender as a result of a felony conviction. Upon conviction for vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b), or vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a), legal financial obligations may also include payment to a public agency of the expense of an emergency response to the incident resulting in the conviction, subject to the provisions in RCW 38.52.430.

(11) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(12) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere. The history shall include, where known, for each conviction (a) whether the defendant has been placed on probation and the length and terms thereof; and (b) whether the defendant has been incarcerated and the length of incarceration.

(13) "Day fine" means a fine imposed by the sentencing judge that equals the difference between the offender's net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

(14) "Day reporting" means a program of enhanced supervision designed to monitor the defendant's daily activities and compliance with sentence conditions, and in which the defendant is required to report daily to a specific location designated by the department or the sentencing judge.

(15) "Department" means the department of corrections.

(16) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the

number of actual hours or days of community service work, or dollars or terms of a legal financial obligation. The fact that an offender through "earned early release" can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(17) "Disposable earnings" means that part of the earnings of an individual remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(18) "Drug offense" means:

Before imposing a sentence upon a defendant, the court shall conduct a sentencing hearing. The sentencing hearing shall be held within forty court days following conviction. In addition, the court shall, at the time of plea or conviction, order the department to complete a presentence report before imposing a sentence upon a defendant who has been convicted of a felony sexual offense. The department of corrections shall give priority to presentence investigations for sexual offenders. If the court determines that the defendant may be a mentally ill person as defined in RCW 71.24.025, although the defendant has not established that at the time of the crime he or she lacked the capacity to commit the crime, was incompetent to commit the crime, or was insane at the time of the crime, the court shall order the department to complete a presentence report before imposing a sentence.

The court shall consider the presentence reports, if any, including any victim impact statement and criminal history, and allow arguments from the prosecutor, the defense counsel, the offender, the

(4) A persistent offender shall be sentenced to a term of total confinement for life without the possibility of parole or, when authorized by RCW 10.95.030 for the crime of aggravated murder in the first degree, sentenced to death, notwithstanding the maximum sentence under any other law. (5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

(iv) The offender has not been found by the United States attorney general to be subject to a deportation detainer or order.

(b) If the ~~((midpoint of the))~~ standard range is greater than one year and the sentencing judge determines that the offender is eligible for this option and that the offender and the community will benefit from the use of the special drug offender sentencing alternative, the judge may waive imposition of a sentence within the standard range and impose a sentence that must include a period of total confinement in a state facility for one-half of the midpoint of the standard range. During incarceration in the state facility, offenders sentenced under this subsection shall undergo a comprehensive substance abuse assessment and receive, within available resources, treatment services appropriate for the offender. The treatment services shall be designed by the division of alcohol and substance abuse of the department of social and health services, in cooperation with the department of corrections. ~~((If the midpoint of the standard range is twenty four months or less, no more than three months of the sentence may be served in a work release status.))~~

(c) If the offender violates any of the sentence conditions in (b) of this subsection, ~~((the department shall impose sanctions administratively, with notice to the prosecuting attorney and the sentencing court. Upon motion of the court or the prosecuting attorney,))~~ a violation hearing shall be held by the ~~((court))~~ department unless waived by the offender. If the ~~((court))~~ department finds that conditions have been willfully violated, the ~~((court may impose confinement consisting of up to the~~

All total confinement served during the period of community custody shall be credited to the offender, regardless of whether the total confinement is served as a result of the original sentence, as a result of a sanction imposed by the department, or as a result of a violation found by the court. The term of community supervision shall be tolled by any period of time served in total confinement as a result of a violation found by the court.)~~ offender may be reclassified to serve the remaining balance of the original sentence.

(d) The department shall determine the rules for calculating the value of a day fine based on the offender's income and reasonable obligations which the offender has for the support of the offender and any dependents. (e) An offender who fails to complete the special drug offender sentencing alternative program or who is administratively terminated from the program shall be reclassified to serve the unexpired term of his or her sentence as ordered by the sentencing judge and shall be subject to all rules relating to earned early release time. An offender who violates any conditions of supervision as defined by the department shall be sanctioned. Sanctions may include, but are not limited to, reclassifying the offender to serve the unexpired term of his or her sentence as ordered by the sentencing judge. If an offender is reclassified to serve the unexpired term of his or her sentence, the offender shall be subject to all rules relating to earned early release time.

(7) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(8)(a)(i) When an offender is convicted of a sex offense other than a violation of RCW 9A.44.050 or a sex offense that is also a serious violent offense and has no prior convictions for a sex offense or any other felony sex offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

The report of the examination shall include at a minimum the following: The defendant's version of the facts and the official version of the facts, the defendant's offense history, an assessment of problems in addition to alleged deviant behaviors, the offender's social and employment situation, and other evaluation measures used. The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

(ii) After receipt of the reports, the court shall consider whether the offender and the community will benefit from use of this special sex offender sentencing alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this subsection. If the court determines that this special sex offender sentencing alternative is appropriate, the court shall then impose a sentence within the sentence range. If this sentence is less than eleven years of

confinement, the court may suspend the execution of the sentence and impose the following conditions of suspension:

(A) The court shall place the defendant on community custody for the length of the suspended sentence or three years, whichever is greater, and require the offender to comply with any conditions imposed by the department of corrections under subsection (14) of this section;

The report shall reference the treatment plan and include at a minimum the following: Dates of attendance, defendant's compliance with requirements, treatment activities, the defendant's relative progress in treatment, and any other material as specified by the court at sentencing.

(iv) At the time of sentencing, the court shall set a treatment termination hearing for three months prior to the anticipated date for completion of treatment. Prior to the treatment termination hearing, the treatment professional and community corrections officer shall submit written reports to the court and parties regarding the defendant's compliance with treatment and monitoring requirements, and recommendations regarding termination from treatment, including proposed community supervision conditions. Either party may request and the court may order another evaluation regarding the advisability of termination from treatment. The defendant shall pay the cost of any additional evaluation ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost. At the treatment termination hearing the court may: (A) Modify conditions of community custody, and either (B) terminate treatment, or (C) extend treatment for up to the remaining period of community custody.

(v) If a violation of conditions occurs during community custody, the department shall either impose sanctions as provided for in RCW 9.94A.205(2)(a) or refer the violation to the court and recommend revocation of the suspended sentence as provided for in (a)(vi) of this subsection.

All confinement time served during the period of community custody shall be credited to the offender if the suspended sentence is revoked.

(vii) Except as provided in (a)(viii) of this subsection, after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW.

(viii) A sex offender therapist who examines or treats a sex offender pursuant to this subsection (8) does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the

court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (8) and the rules adopted by the department of health.

(ix) For purposes of this subsection (8), "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a result of the crime charged. "Victim" also means a parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(x) If the defendant was less than eighteen years of age when the charge was filed, the state shall pay for the cost of initial evaluation and treatment.

(b) When an offender commits any felony sex offense on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

Except for an offender who has been convicted of a violation of RCW 9A.44.040 or 9A.44.050, if the offender completes the treatment program before the expiration of his or her term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his or her community supervision, the court may order the offender to serve out the balance of his or her community supervision term in confinement in the custody of the department of corrections.

Nothing in this subsection (8)(b) shall confer eligibility for such programs for offenders convicted and sentenced for a sex offense committed prior to July 1, 1987. This subsection (8)(b) does not apply to any crime committed after July 1, 1990.

(c) Offenders convicted and sentenced for a sex offense committed prior to July 1, 1987, may, subject to available funds, request an evaluation by the department of corrections to determine whether they are amenable to treatment. If the offender is determined to be amenable to treatment, the offender may request placement in a treatment program within a correctional facility operated by the department. Placement in such treatment program is subject to available funds.

(9)(a) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense or a serious violent offense committed after July 1, 1988, but before July 1, 1990, assault in the second degree, assault of a child in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW not sentenced under subsection (6) of this section, committed on or after July 1, 1988, the court shall in addition to the other terms of the sentence, sentence the offender to a one-year term of community placement beginning either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of such community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence.

(b) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense committed on or after July 1,

1990, but before June 6, 1996, a serious violent offense, vehicular homicide, or vehicular assault, committed on or after July 1, 1990, the court shall in addition to other terms of the sentence, sentence the offender to community placement for two years or up to the period of earned early release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community placement shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of the community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence. Unless a condition is waived by the court, the terms of community placement for offenders sentenced pursuant to this section shall include the following conditions:

(i) The offender shall report to and be available for contact with the assigned community corrections officer as directed;

(ii) The offender shall work at department of corrections-approved education, employment, and/or community service;

(iii) The offender shall not possess or consume controlled substances except pursuant to lawfully issued prescriptions;

(iv) The offender shall pay supervision fees as determined by the department of corrections;

(v) The residence location and living arrangements are subject to the prior approval of the department of corrections during the period of community placement; and

(vi) The offender shall submit to affirmative acts necessary to monitor compliance with the orders of the court as required by the department.

(c) As a part of any sentence imposed under (a) or (b) of this subsection, the court may also order any of the following special conditions:

(i) The offender shall remain within, or outside of, a specified geographical boundary;

(ii) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;

(iii) The offender shall participate in crime-related treatment or counseling services;

(iv) The offender shall not consume alcohol;

(v) The offender shall comply with any crime-related prohibitions; or

(vi) For an offender convicted of a felony sex offense against a minor victim after June 6, 1996, the offender shall comply with any terms and conditions of community placement imposed by the department of corrections relating to contact between the sex offender and a minor victim or a child of similar age or circumstance as a previous victim.

(d) Prior to transfer to, or during, community placement, any conditions of community placement may be removed or modified so as not to be more restrictive by the sentencing court, upon recommendation of the department of corrections.

(10)(a) When a court sentences a person to the custody of the department of corrections for an offense categorized as a sex offense committed on or after June 6, 1996, the court shall, in addition to other terms of the sentence, sentence the offender to community custody for three years or up to the period of earned early release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community custody shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2).

(b) Unless a condition is waived by the court, the terms of community custody shall be the same as those provided for in subsection (9)(b) of this section and may include those provided for in subsection (9)(c) of this section. As part of any sentence that includes a term of community custody imposed under this subsection, the court shall also require the offender to comply with any conditions imposed by the department of corrections under subsection (14) of this section.

(c) At any time prior to the completion of a sex offender's term of community custody, if the court finds that public safety would be enhanced, the court may impose and enforce an order extending any or all of the conditions imposed pursuant to this section for a period up to the maximum allowable sentence for the crime as it is classified in chapter 9A.20 RCW, regardless of the expiration of the

offender's term of community custody. If a violation of a condition extended under this subsection occurs after the expiration of the offender's term of community custody, it shall be deemed a violation of the sentence for the purposes of RCW 9.94A.195 and may be punishable as contempt of court as provided for in RCW 7.21.040.

(11) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(12) If a sentence imposed includes payment of a legal financial obligation, the sentence shall specify the total amount of the legal financial obligation owed, and shall require the offender to pay a specified monthly sum toward that legal financial obligation. Restitution to victims shall be paid prior to any other payments of monetary obligations. Any legal financial obligation that is imposed by the court may be collected by the department, which shall deliver the amount paid to the county clerk for credit. The offender's compliance with payment of legal financial obligations shall be supervised by the department for ten years following the entry of the judgment and sentence or ten years following the offender's release from total confinement. All monetary payments ordered shall be paid no later than ten years after the last date of release from confinement pursuant to a felony conviction or the date the sentence was entered unless the superior court extends the criminal judgment an additional ten years. If the legal financial obligations including crime victims' assessments are not paid during the initial ten-year period, the superior court may extend jurisdiction under the criminal judgment an additional ten years as provided in RCW 9.94A.140, 9.94A.142, and 9.94A.145. If jurisdiction under the criminal judgment is extended, the department is not responsible for supervision of the offender during the subsequent period. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation. Nothing in this section makes the department, the state, or any of its employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations. If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order.

(13) Except as provided under RCW 9.94A.140(1) and 9.94A.142(1), a court may not impose a sentence providing for a term of confinement or community supervision or community placement which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(14) All offenders sentenced to terms involving community supervision, community service, community placement, or legal financial obligation shall be under the supervision of the department of corrections and shall follow explicitly the instructions and conditions of the department of corrections. The department may require an offender to perform affirmative acts it deems appropriate to monitor compliance with the conditions of the sentence imposed.

(a) The instructions shall include, at a minimum, reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, notifying the community corrections officer of any change in the offender's address or employment, and paying the supervision fee assessment.

(b) For offenders sentenced to terms involving community custody for crimes committed on or after June 6, 1996, the department may include, in addition to the instructions in (a) of this subsection, any appropriate conditions of supervision, including but not limited to, prohibiting the offender from having contact with any other specified individuals or specific class of individuals. The conditions authorized under this subsection (14)(b) may be imposed by the department prior to or during an offender's community custody term. If a violation of conditions imposed by the court or the department pursuant to subsection (10) of this section occurs during community custody, it shall be deemed a violation of community placement for the purposes of RCW 9.94A.207 and shall authorize the department to transfer an offender to a more restrictive confinement status as provided in RCW 9.94A.205. At any time prior to the completion of a sex offender's term of community custody, the department may recommend to the court that any or all of the conditions imposed by the court or the department pursuant to subsection (10) of this section be continued beyond the expiration of the offender's term of community custody as authorized in subsection (10)(c) of this section.

The department may require offenders to pay for special services rendered on or after July 25, 1993, including electronic monitoring, day reporting, and telephone reporting, dependent upon the offender's ability to pay. The department may pay for these services for offenders who are not able to pay.

(15) All offenders sentenced to terms involving community supervision, community service, or community placement under the supervision of the department of corrections shall not own, use, or possess firearms or ammunition. Offenders who own, use, or are found to be in actual or constructive possession of firearms or ammunition shall be subject to the appropriate violation process and sanctions. "Constructive possession" as used in this subsection means the power and intent to control the firearm or ammunition. "Firearm" as used in this subsection means a weapon or device from which a projectile may be fired by an explosive such as gunpowder.

(16) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(17) A departure from the standards in RCW 9.94A.400 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210 (2) through (6).

(18) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

(19) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision or community placement.

(20) The court may order an offender whose sentence includes community placement or community supervision to undergo a mental status evaluation and to participate in available outpatient mental health treatment, if the court finds that reasonable grounds exist to believe that the offender is a mentally ill person as defined in RCW 71.24.025, and that this condition is likely to have influenced the offense. An order requiring mental status evaluation or treatment must be based on a presentence report and, if applicable, mental status evaluations that have been filed with the court to determine the offender's competency or eligibility for a defense of insanity. The court may order additional evaluations at a later date if deemed appropriate.

(21) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

(22) All court-ordered legal financial obligations collected by the department and remitted to the county clerk shall be credited and paid where restitution is ordered. Restitution shall be paid prior to any other payments of monetary obligations.

Sec. 5. RCW 9.94A.137 and 1995 1st sp.s. c 19 s 20 are each amended to read as follows:

(1)(a) An offender is eligible to be sentenced to a work ethic camp if the offender:

(i) Is sentenced to a term of total confinement of not less than ~~((sixteen))~~ twelve months and one day or more than thirty-six months; ~~((and))~~

(ii) Has no current or prior convictions for any sex offenses or for violent offenses ~~((other than drug offenses for manufacturing, possession, delivery, or intent to deliver a controlled substance)); and~~

(iii) Is not currently subject to a sentence for, or being prosecuted for, a violation of the uniform controlled substances act or a criminal solicitation to commit such a violation under chapter 9A.28 or 69.50 RCW.

(b) The length of the work ethic camp shall be at least one hundred twenty days and not more than one hundred eighty days. ~~((Because of the conversion ratio, earned early release time shall not accrue to offenders who successfully complete the program.))~~

(2) If the sentencing judge determines that the offender is eligible for the work ethic camp and is likely to qualify under subsection (3) of this section, the judge shall impose a sentence within the standard range and may recommend that the offender serve the sentence at a work ethic camp. ~~((The sentence shall provide that if the offender successfully completes the program, the department shall convert the period of work ethic camp confinement at the rate of one day of work ethic camp confinement to three days of total standard confinement.))~~ In sentencing an offender to the work ethic camp, the court shall specify: (a) That upon completion of the work ethic camp the offender shall be released on community custody for any remaining time of total confinement; (b) the applicable conditions of supervision on community custody status as required by RCW 9.94A.120(9)(b) and authorized by RCW 9.94A.120(9)(c); and (c) that violation of the conditions may result in a return to total confinement for the balance of the offender's remaining time of confinement.

(3) The department shall place the offender in the work ethic camp program, subject to capacity, unless: (a) The department determines that the offender has physical or mental impairments that would prevent participation and completion of the program; (b) the department determines that the offender's custody level prevents placement in the program; ~~((c))~~ (c) the offender refuses to agree to the terms and conditions of the program; (d) the offender has been found by the United States attorney general to be subject to a deportation detainer or order; or (e) the offender has participated in the work ethic camp program in the past.

(4) An offender who fails to complete the work ethic camp program, who is administratively terminated from the program, or who otherwise violates any conditions of supervision, as defined by the department, shall be reclassified to serve the unexpired term of his or her sentence as ordered by the sentencing judge and shall be subject to all rules relating to earned early release time.

(5) During the last two weeks prior to release from the work ethic camp program the department shall provide the offender with comprehensive transition training.

Sec. 6. RCW 9.94A.380 and 1988 c 157 s 4 and 1988 c 155 s 3 are each reenacted and amended to read as follows:

Alternatives to total confinement are available for offenders with sentences of one year or less. These alternatives include the following sentence conditions that the court may order as substitutes for total confinement:

(1) One day of partial confinement may be substituted for one day of total confinement;

(2) In addition, for offenders convicted of nonviolent offenses only, eight hours of community service may be substituted for one day of total confinement, with a maximum conversion limit of two hundred forty hours or thirty days. Community service hours must be completed within the period of community supervision or a time period specified by the court, which shall not exceed twenty-four months, pursuant to a schedule determined by the department; and

(3) For offenders convicted of nonviolent and nonsex offenses, the court may authorize county jails to convert jail confinement to an available county supervised community option and may require the offender to perform affirmative conduct pursuant to section 2 of this act.

For sentences of nonviolent offenders for one year or less, the court shall consider and give priority to available alternatives to total confinement and shall state its reasons in writing on the judgment and sentence form if the alternatives are not used.

NEW SECTION. **Sec. 7.** The legislature recognizes the utility of drug court programs in reducing recidivism and assisting the courts by diverting potential offenders from the normal course of criminal trial proceedings.

NEW SECTION. **Sec. 8.** A new section is added to chapter 10.01 RCW to read as follows:

(1) The superior and district courts of Washington may establish drug court programs to accept offenders that have been diverted by the courts from the normal course of prosecution for drug offenses.

(1) Counties may establish and operate drug courts.

(2) For the purposes of this section, "drug court" means a court that has special calendars or dockets designed to achieve a reduction in recidivism and substance abuse among nonviolent, substance abusing offenders by increasing their likelihood for successful rehabilitation through early, continuous, and intense judicially supervised treatment; mandatory periodic drug testing; and the use of appropriate sanctions and other rehabilitation services.

(3) Any jurisdiction that seeks a state appropriation to fund a drug court program must first:

(a) Exhaust all federal funding received from the office of national drug control policy that is available to support the operations of its drug court and associated services; and

(b) Match, on a dollar-for-dollar basis, state moneys allocated for drug court programs with local resources. Moneys allocated by the state must be used to supplement, not supplant, other federal, state, and local funds for drug court operations and associated services.

Sec. 3. RCW 9.94A.440 and 1996 c 93 s 2 are each amended to read as follows:

(1) Decision not to prosecute.

STANDARD: A prosecuting attorney may decline to prosecute, even though technically sufficient evidence to prosecute exists, in situations where prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

GUIDELINE/COMMENTARY:

Examples

The following are examples of reasons not to prosecute which could satisfy the standard.

(a) Contrary to Legislative Intent - It may be proper to decline to charge where the application of criminal sanctions would be clearly contrary to the intent of the legislature in enacting the particular statute.

(b) Antiquated Statute - It may be proper to decline to charge where the statute in question is antiquated in that:

- (i) It has not been enforced for many years; and
- (ii) Most members of society act as if it were no longer in existence; and
- (iii) It serves no deterrent or protective purpose in today's society; and
- (iv) The statute has not been recently reconsidered by the legislature.

This reason is not to be construed as the basis for declining cases because the law in question is unpopular or because it is difficult to enforce.

(c) De Minimus Violation - It may be proper to decline to charge where the violation of law is only technical or insubstantial and where no public interest or deterrent purpose would be served by prosecution.

(d) Confinement on Other Charges - It may be proper to decline to charge because the accused has been sentenced on another charge to a lengthy period of confinement; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iii) Conviction of the new offense would not serve any significant deterrent purpose.

(e) Pending Conviction on Another Charge - It may be proper to decline to charge because the accused is facing a pending prosecution in the same or another county; and

(i) Conviction of the new offense would not merit any additional direct or collateral punishment;

(ii) Conviction in the pending prosecution is imminent;

(iii) The new offense is either a misdemeanor or a felony which is not particularly aggravated; and

(iv) Conviction of the new offense would not serve any significant deterrent purpose.

(f) High Disproportionate Cost of Prosecution - It may be proper to decline to charge where the cost of locating or transporting, or the burden on, prosecution witnesses is highly disproportionate to the importance of prosecuting the offense in question. This reason should be limited to minor cases and should not be relied upon in serious cases.

(g) Improper Motives of Complainant - It may be proper to decline charges because the motives of the complainant are improper and prosecution would serve no public purpose, would defeat the underlying purpose of the law in question or would result in decreased respect for the law.

(h) Immunity - It may be proper to decline to charge where immunity is to be given to an accused in order to prosecute another where the accused's information or testimony will reasonably lead to the conviction of others who are responsible for more serious criminal conduct or who represent a greater danger to the public interest.

(i) Victim Request - It may be proper to decline to charge because the victim requests that no criminal charges be filed and the case involves the following crimes or situations:

(i) Assault cases where the victim has suffered little or no injury;

(ii) Crimes against property, not involving violence, where no major loss was suffered;

(iii) Where doing so would not jeopardize the safety of society.

Care should be taken to insure that the victim's request is freely made and is not the product of threats or pressure by the accused.

The presence of these factors may also justify the decision to dismiss a prosecution which has been commenced.

Notification

The prosecutor is encouraged to notify the victim, when practical, and the law enforcement personnel, of the decision not to prosecute.

(2) Decision to prosecute.

STANDARD:

Crimes against persons will be filed if sufficient admissible evidence exists, which, when considered with the most plausible, reasonably foreseeable defense that could be raised under the evidence, would justify conviction by a reasonable and objective fact-finder. With regard to offenses prohibited by RCW 9A.44.040, 9A.44.050, 9A.44.073, 9A.44.076, 9A.44.079, 9A.44.083, 9A.44.086, 9A.44.089, and 9A.64.020 the prosecutor should avoid pre-filing agreements or diversions intended to place the accused in a program of treatment or counseling, so that treatment, if determined to be beneficial, can be provided pursuant to RCW 9.94A.120(8).

Crimes against property/other crimes will be filed if the admissible evidence is of such convincing force as to make it probable that a reasonable and objective fact-finder would convict after hearing all the admissible evidence and the most plausible defense that could be raised.

See table below for the crimes within these categories.

Selection of Charges/Degree of Charge

(1) The prosecutor should file charges which adequately describe the nature of defendant's conduct. Other offenses may be charged only if they are necessary to ensure that the charges:

- (a) Will significantly enhance the strength of the state's case at trial; or
- (b) Will result in restitution to all victims.

(2) The prosecutor should not overcharge to obtain a guilty plea. Overcharging includes:

- (a) Charging a higher degree;
- (b) Charging additional counts.

This standard is intended to direct prosecutors to charge those crimes which demonstrate the nature and seriousness of a defendant's criminal conduct, but to decline to charge crimes which are not necessary to such an indication. Crimes which do not merge as a matter of law, but which arise from the same course of conduct, do not all have to be charged.

GUIDELINES/COMMENTARY:

Police Investigation

A prosecuting attorney is dependent upon law enforcement agencies to conduct the necessary factual investigation which must precede the decision to prosecute. The prosecuting attorney shall ensure that a thorough factual investigation has been conducted before a decision to prosecute is made. In ordinary circumstances the investigation should include the following:

- (1) The interviewing of all material witnesses, together with the obtaining of written statements whenever possible;
- (2) The completion of necessary laboratory tests; and

(3) The obtaining, in accordance with constitutional requirements, of the suspect's version of the events.

If the initial investigation is incomplete, a prosecuting attorney should insist upon further investigation before a decision to prosecute is made, and specify what the investigation needs to include.

Exceptions

In certain situations, a prosecuting attorney may authorize filing of a criminal complaint before the investigation is complete if:

- (1) Probable cause exists to believe the suspect is guilty; and
- (2) The suspect presents a danger to the community or is likely to flee if not apprehended; or
- (3) The arrest of the suspect is necessary to complete the investigation of the crime.

In the event that the exception to the standard is applied, the prosecuting attorney shall obtain a commitment from the law enforcement agency involved to complete the investigation in a timely manner. If the subsequent investigation does not produce sufficient evidence to meet the normal charging standard, the complaint should be dismissed.

Investigation Techniques

The prosecutor should be fully advised of the investigatory techniques that were used in the case investigation including:

- (1) Polygraph testing;
- (2) Hypnosis;
- (3) Electronic surveillance;
- (4) Use of informants.

Pre-Filing Discussions with Defendant

Discussions with the defendant or his/her representative regarding the selection or disposition of charges may occur prior to the filing of charges, and potential agreements can be reached.

Pre-Filing Discussions with Victim(s)

Discussions with the victim(s) or victims' representatives regarding the selection or disposition of charges may occur before the filing of charges. The discussions may be considered by the prosecutor in charging and disposition decisions, and should be considered before reaching any agreement with the defendant regarding these decisions."

SENATE AMENDMENTS TO HOUSE BILL

April 8, 1999

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1140 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 28B.10 RCW to read as follows:

(1) The legislature finds that the higher education coordinating board, in consultation with the higher education community, has completed a review of the state need grant program. It is the intent of the legislature to endorse the board's proposed changes to the state need grant program, including:

(a) Reaffirmation that the primary purpose of the state need grant program is to assist low-income, needy, and disadvantaged Washington residents attending institutions of higher education;

(b) A goal that the base state need grant amount over time be increased to be equivalent to the rate of tuition charged to resident undergraduate students attending Washington state public colleges and universities;

(c) State need grant recipients be required to contribute a portion of the total cost of their education through self-help;

(d) State need grant recipients be required to document their need for dependent care assistance after taking into account other public funds provided for like purposes; and

(e) Institutional aid administrators be allowed to determine whether a student eligible for a state need grant in a given academic year may remain eligible for the ensuing year if the student's family income increases by no more than a marginal amount.

(2) The legislature further finds that the higher education coordinating board, under its authority to implement the proposed changes in subsection (1) of this section, should do so in a timely manner.

(3) The legislature also finds that:

(a) In most circumstances, need grant eligibility should not extend beyond five years or one hundred twenty-five percent of the published length of the program in which the student is enrolled or the credit or clock-hour equivalent; and

(b) State financial aid programs should continue to adhere to the principle that funding follows resident students to their choice of institution of higher education.

Sec. 2. RCW 28B.10.800 and 1993 sp.s. c 18 s 2 are each amended to read as follows:

The ~~((sole))~~ purposes of RCW 28B.10.800 through 28B.10.824 ~~((is))~~ are to establish ~~((a))~~ the principles upon which the state financial aid programs will be based and to establish the state of Washington ~~((student financial aid))~~ state need grant program, thus assisting financially needy or disadvantaged students domiciled in Washington to obtain the opportunity of attending an accredited institution of higher education, as defined in RCW 28B.10.802(1). ~~((Financial aid))~~ State need grants under RCW 28B.10.800 through 28B.10.824 ~~((is))~~ are available only to students who are resident students as defined in RCW 28B.15.012(2) (a) through (d).

Sec. 3. RCW 28B.10.804 and 1995 c 269 s 801 are each amended to read as follows:

The ~~((commission))~~ board shall be cognizant of the following guidelines in the performance of its duties:

(1) The ~~((commission))~~ board shall be research oriented, not only at its inception but continually through its existence.

(2) The ~~((commission))~~ board shall coordinate all existing programs of financial aid except those specifically dedicated to a particular institution by the donor.

(3) The ~~((commission))~~ board shall take the initiative and responsibility for coordinating all federal student financial aid programs to ~~((insure))~~ ensure that the state recognizes the maximum potential effect of these programs, and shall design ~~((the))~~ state programs ~~((which))~~ that complement~~((s))~~ existing federal, state, and institutional programs. The board shall ensure that state programs continue to follow the principle that state financial aid funding follows the student to the student's choice of institution of higher education.

(4) Counseling is a paramount function of the state need grant and other state student financial aid programs, and in most cases could only be properly implemented at the institutional levels; therefore, state student financial aid programs shall be concerned with the attainment of those goals which, in the judgment of the ~~((commission))~~ board, are the reasons for the existence of a student financial aid program, and not solely with administration of the program on an individual basis.

(5) The "package" approach of combining loans, grants and employment for student financial aid shall be the ~~((exceptional))~~ conceptual element of the state's involvement.

Sec. 4. RCW 28B.10.806 and 1989 c 254 s 3 are each amended to read as follows:

The ~~((commission))~~ board shall have the following powers and duties:

(1) Conduct a full analysis of student financial aid as a means of:

- (a) Fulfilling educational aspirations of students of the state of Washington, and
- (b) Improving the general, social, cultural, and economic character of the state.

Such an analysis will be a continuous one and will yield current information relevant to needed improvements in the state program of student financial aid. The ~~((commission))~~ board will disseminate the information yielded by their analyses to all appropriate individuals and agents.

~~((e) This study should include information on the following:~~

- ~~(i) all programs and sources of available student financial aid,~~
- ~~(ii) distribution of Washington citizens by socio-economic class,~~
- ~~(iii) data from federal and state studies useful in identifying:~~
- ~~(A) demands of students for specific educational goals in colleges, and~~
- ~~(B) the discrepancy between high school students' preferences and the colleges they actually~~

~~selected.)~~

(2) Design a state program of student financial aid based on the data of the study referred to in this section. The state programs will supplement available federal and local aid programs. The state programs of student financial aid will not exceed the difference between the budgetary costs of attending an institution of higher ~~((learning))~~ education and the student's total resources, including family support, personal savings, employment, and federal, state, and local aid programs.

(3) Determine and establish criteria for financial need of the individual applicant based upon the consideration of that particular applicant. In making this determination the ~~((commission))~~ board shall consider the following:

- (a) Assets and income of the student.
- (b) Assets and income of the parents, or the individuals legally responsible for the care and maintenance of the student.
- (c) The cost of attending the institution the student is attending or planning to attend.
- (d) Any other criteria deemed relevant to the ~~((commission))~~ board.

(4) Set the amount of financial aid to be awarded to any individual needy or disadvantaged student in any school year.

(5) Award financial aid to needy or disadvantaged students for a school year based upon only that amount necessary to fill the financial gap between the budgetary cost of attending an institution of higher education and the family and student contribution.

(6) Review the need and eligibility of all applications on an annual basis and adjust financial aid to reflect changes in the financial need of the recipients and the cost of attending the institution of higher education.

Sec. 5. RCW 28B.10.808 and 1991 c 164 s 4 are each amended to read as follows:

In awarding need grants, the ~~((commission))~~ board shall proceed substantially as follows:

PROVIDED, That nothing contained herein shall be construed to prevent the ~~((commission))~~ board, in

NEW SECTION. Sec. 384. FOR THE DEPARTMENT OF NATURAL RESOURCES
 Trust Land Transfer (00-2-001)

The state building construction account appropriation in this section is subject to the following conditions and limitations:

(1) The total appropriation is provided to the department solely to transfer from trust status or enter into thirty-year timber harvest restrictive easements for certain trust lands of state-wide significance deemed appropriate for state park, fish and wildlife habitat, natural area preserve, natural resources conservation area, open space, or recreation purposes.

(2) Property transferred under this section shall be appraised and transferred at fair market value. The value of the timber transferred shall be deposited by the department to the common school

construction account in the same manner as timber revenues from other common school trust lands. No deduction shall be made for the resource management cost account under RCW 79.64.040. The value of the land transferred shall be deposited in the natural resources real property replacement account. These funds shall be expended by the department for the exclusive purpose of acquiring real property of equal value to be managed as common school trust land.

(3) Property subject to easement agreements under this section shall be appraised at fair market value both with and without the imposition of the easement. The entire difference in appraised value shall be deposited by the department to the common school construction fund in the same manner as lease revenues from other common school trust lands. No deduction shall be made for the resource management cost account under RCW 79.64.040.

(4) All reasonable costs incurred by the department to implement this section are authorized to be paid out of this appropriation. Authorized costs include the actual cost of appraisals, staff time, environmental reviews, surveys, and other similar costs.

(5) Intergrant exchanges between common school and other trust lands of equal value may occur if the exchange is in the interest of each trust, as determined by the board of natural resources.

(6) Prior to or concurrent with conveyance of these properties, the department, with full cooperation of the receiving agencies, shall execute and record a real property instrument that dedicates the transferred properties to the purposes identified in subsection (1) of this section for a minimum period of thirty years. The department of natural resources, in consultation with the receiving state agencies, shall develop policy to address requests to replace transferred properties subject to the recorded property instrument that are no longer deemed appropriate for the purposes identified in subsection (1) of this section.

(7) The department and receiving agencies shall work in good faith to carry out the intent of this section. However, the department or receiving agencies may remove a property from the transfer list in subsection (8) of this section if, based on new, substantive information, it is determined that transfer of the property is not in the state-wide interest of either the common school trust or the receiving agency.

(8) The appropriation in this section is provided to execute transfers or easements for the list of properties identified in LEAP capital document No. 99-3, as developed on April 8, 1999, as follows: Projects in category A shall be transferred; to the extent that local funding is provided for the land value of the property, projects in category B shall be transferred; and projects in category C and remaining projects in category B may be transferred or leased as funding allows.

(9) The department shall execute trust land transfers and easements such that 90 percent of the appropriation in this section is deposited in the common school construction fund. To achieve the 90:10 ratio, the department may offset transfers of property with low timber-to-land ratios with easements on other properties.

(10) On June 30, 2001, the state treasurer shall transfer all remaining uncommitted funds from this appropriation to the common school construction fund and the appropriation in this section shall be reduced by an equivalent amount.

NEW SECTION. **Sec. 907.** The amounts shown under the headings "Prior Biennia," "Future Biennia," and "Total" in this act are for informational purposes only and do not constitute legislative approval of these amounts.

NEW SECTION. **Sec. 908.** "Reappropriations" in this act are appropriations and, unless the context clearly provides otherwise, are subject to the relevant conditions and limitations applicable to appropriations. Reappropriations shall be limited to the unexpended balances remaining on June 30, 1999, from the 1997-99 biennial appropriations for each project.

NEW SECTION. **Sec. 909.** To carry out the provisions of this act, the governor may assign responsibility for predesign, design, construction, and other related activities to any appropriate agency.

NEW SECTION. **Sec. 910.** If any federal moneys appropriated by this act for capital projects are not received by the state, the department or agency to which the moneys were appropriated may replace the federal moneys with funds available from private or local sources. No replacement may occur under this section without the prior approval of the director of financial management in consultation with the senate committee on ways and means and the house of representatives capital budget committee.

NEW SECTION. **Sec. 911.** (1) Unless otherwise stated, for all appropriations under this act that require a match of nonstate money or in-kind contributions, the following requirement, consistent with RCW 43.88.150, shall apply: Expenditures of state money shall be timed so that the state share of project expenditures never exceeds the intended state share of total project costs.

(2) Provision of the full amount of required matching funds is not required to permit the expenditure of capital budget appropriations for phased projects if a proportional amount of the required matching funds is provided for each distinct, identifiable phase of the project.

NEW SECTION. **Sec. 912.** Any capital improvements or capital projects involving construction or major expansion of a state office facility, including, but not limited to, district headquarters, detachment offices, and off-campus faculty offices, shall be reviewed by the department of general administration for possible consolidation, colocation, and compliance with state office standards before allotment of funds. NEW SECTION. **Sec. 913.** The governor, through the office of financial management, may authorize a transfer of appropriation authority provided for a capital project that is in excess of the amount required for the completion of such project to another capital project for which the appropriation is insufficient. No such transfer may be used to expand the capacity of any facility beyond that intended by the legislature in making the appropriation. Such transfers may be effected only between capital appropriations to a specific department, commission, agency, or institution of higher education and only between capital projects that are funded from the same fund or account. No transfers may occur between projects to local government agencies except where the grants are provided within a single omnibus appropriation and where such transfers are specifically authorized by the implementing statutes which govern the grants.

For purposes of this section, the governor may find that an amount is in excess of the amount required for the completion of a project only if: (1) The project as defined in the notes to the budget document is substantially complete and there are funds remaining; or (2) bids have been let on a project and it appears to a substantial certainty that the project as defined in the notes to the budget document can be completed within the biennium for less than the amount appropriated in this act.

For the purposes of this section, the legislature intends that each project be defined as proposed to the legislature in the governor's budget document, unless it clearly appears from the legislative history that the legislature intended to define the scope of a project in a different way.

A report of any transfer effected under this section except emergency projects or any transfer under \$250,000 shall be filed with the legislative fiscal committees of the senate and house of representatives by the office of financial management at least thirty days before the date the transfer is effected. The office of financial management shall report all emergency or smaller transfers within thirty days from the date of transfer.

The office of the superintendent of public instruction shall coordinate the use of the video telecommunications in public schools by providing educational information to local school districts and shall assist local school districts and educational service districts in telecommunications planning and curriculum development. Before any such expenditure by a public institution of postsecondary education, a telecommunications expenditure plan shall be approved by the higher education coordinating board. These documents will serve as a means to share information and lessons that may be useful in other projects. Best practices, changes in technology and materials, new approaches to resolving facility and construction problems, and any other useful information will be shared among all agencies and the public through use of the Internet.

NEW SECTION. Sec. 916. The legislature finds that opportunities for additional student enrollment capacity at higher education facilities can be created by increased course scheduling, more intensive space utilization practices, and the delivery of distance learning programs. By May 1, 2000, the institutions of higher education and the state board for community and technical colleges shall review course scheduling and weekly room use standards and determine if additional student capacity can be reasonably obtained by changes in practices. Further, this review shall include an assessment of options to increase distance learning programs as a means to further increase student full-time equivalent capacity. The findings of this review and the delineation of the course scheduling and weekly room use assumptions shall be submitted to the higher education coordinating board and the office of financial management for review and approval.

Institutions of higher education receiving appropriations for predesign, design, or construction of branch campus facilities in this act shall work with the higher education coordinating board and the office of financial management to identify options and prepare plans to increase the full-time equivalent capacity of these projects and all future construction phases for these campuses. The goal of these plans is to substantially increase full-time equivalent delivery capacity above the level identified in the appropriation section. The plans shall identify alternative program delivery strategies, options to increase use of distance learning and technology, plans to improve space utilization, and other recommendations to meet this goal. Branch campuses to be analyzed in these plans include Vancouver,

Tacoma, Bothell, Tri-Cities, and Spokane. The development of these plans shall include consultation with every institution that is planned to offer services at each site. Proposals for changes in the facilities to be constructed in future phases shall clearly identify costs and schedule alternatives, and currently designed construction projects shall proceed on schedule.

SENATE AMENDMENTS TO HOUSE BILL

April 13, 1999

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1222 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"NEW SECTION. **Sec. 1.** A new section is added to chapter 43.63A RCW to read as follows:

(1) A competitive grant program to assist nonprofit organizations in acquiring, constructing, or rehabilitating performing arts, art museums, and cultural facilities is created.

(2)(a) The department shall submit a list of recommended performing arts, art museum projects, and cultural organization projects eligible for funding to the governor and the legislature in the department's biennial capital budget request beginning with the 2001-2003 biennium and thereafter. The list, in priority order, shall include a description of each project, the amount of recommended state funding, and documentation of nonstate funds to be used for the project. The total amount of recommended state funding for projects on a biennial project list shall not exceed four million dollars. The department may provide an additional alternate project list which shall not exceed five hundred thousand dollars.

(b) The department shall establish a competitive process to prioritize applications for state assistance as follows:

(i) The department shall conduct a state-wide solicitation of project applications from nonprofit organizations, local governments, and other entities, as determined by the department. The department shall evaluate and rank applications in consultation with a citizen advisory committee, including a representative from the state arts commission, using objective criteria. The evaluation and ranking process shall also consider local community support for projects and an examination of existing assets that applicants may apply to projects.

(ii) The department may establish the amount of state grant assistance for individual project applications but the amount shall not exceed twenty percent of the estimated total capital cost or actual cost of a project, whichever is less. The remaining portions of the project capital cost shall be a match

from nonstate sources. The nonstate match may include cash, the value of real property when acquired solely for the purpose of the project, and in-kind contributions. The department is authorized to set matching requirements for individual projects. State assistance may be used to fund separate definable phases of a project if the project demonstrates adequate progress and has secured the necessary match funding.

(iii) The department shall not sign contracts or otherwise financially obligate funds under this section until the legislature has approved a specific list of projects. In contracts for grants authorized under this section, the department shall include provisions requiring that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

Sec. 2. RCW 27.34.330 and 1995 c 182 s 2 are each amended to read as follows:

The society, with the advice of leaders in the heritage field, including but not limited to representatives from the office of the secretary of state, the eastern Washington state historical society, and the state office of archaeology and historic preservation, shall establish and submit a prioritized list of heritage capital projects to ~~((be recommended to the governor and the legislature by September 1st of each even numbered year, beginning in 1996. The list shall include a description of each project, the amount of recommended state funding, and documentation of nonstate funds to be used for the project. The total amount of recommended state funding for projects on a biennial project list shall not exceed four million dollars. The department may provide an additional alternate project list which shall not exceed five hundred thousand dollars. The prioritized list shall be developed through open and public meetings and the amount of state funding shall not exceed thirty-three percent of the total cost of the project. The nonstate portion of the total project cost may include cash, the value of real property when acquired solely for the purpose of the project, and in-kind contributions. The department shall not sign contracts or otherwise financially obligate funds under this section until the legislature has approved a specific list of projects. In contracts for grants authorized under this section, the society shall include provisions requiring that capital improvements be held by the grantee for a specified period of time appropriate to the amount of the grant and that facilities be used for the express purpose of the grant. If the grantee is found to be out of compliance with provisions of the contract, the grantee shall repay to the state general fund the principal amount of the grant plus interest calculated at the rate of interest on state of Washington general obligation bonds issued most closely to the date of authorization of the grant.

The evaluation and ranking process shall also include an examination of existing assets that applicants may apply to projects. Grant assistance under this section shall not exceed twenty-five percent of the total cost of the project. The nonstate portion of the total project cost may include ~~(, but is not limited to, land, facilities)~~ cash, the value of real property when acquired solely for the purpose of the project, and in-kind contributions.

NEW SECTION. Sec. 4. Section 1 of this act, RCW 27.34.330, and 43.63A.125 shall expire June 30, 2007.

Sec. 5. RCW 80.36.005 and 1993 c 249 s 1 are each amended to read as follows:

~~((As used in this chapter))~~ The definitions in this section apply throughout RCW 80.36.410 through 80.36.475, unless the context ~~((indicates))~~ clearly requires otherwise~~((,))~~.

(1) "Community action agency" means local community action agencies or local community service agencies designated by the department of community, trade, and economic development under chapter 43.63A RCW.

(2) "Community service voice mail" means a computerized telephone answering service with the capabilities described in RCW 80.36.420(4).

(3) "Department" means the department of social and health services.

Sec. 6. RCW 80.36.410 and 1987 c 229 s 3 are each amended to read as follows:

(1) The legislature finds that universal telephone service is an important policy goal of the state. The legislature further finds that: (a) Recent changes in the telecommunications industry, such as federal access charges, raise concerns about the ability of low-income persons to continue to afford access to local exchange telephone service; and (b) many low-income persons do not have a permanent residence in which to receive local exchange telephone service.

(2) Therefore, the legislature finds that: (a) It is in the public interest to take steps to mitigate the effects of these changes on low-income persons; and (b) advances in telecommunications technologies, such as community service voice mail, provide new and economically efficient ways to

secure many of the benefits of universal service to low-income persons who are not customers of local exchange telephone service.

Sec. 7. RCW 80.36.420 and 1990 c 170 s 2 are each amended to read as follows:

The Washington telephone assistance program shall be available to ~~((participants))~~ eligible clients of department programs ((set forth in RCW 80.36.470)) and community action agency services, except that clients of community action agency services shall be eligible only for the community service voice mail described in subsection (4) of this section. Assistance shall consist of the following components:

(1) A discount on service connection fees of fifty percent or more as set forth in RCW 80.36.460.

(2) A waiver of deposit requirements on local exchange service, as set forth in RCW 80.36.460.

(3) A discounted flat rate service for local exchange service, which shall be subject to the following conditions:

(a) The commission shall establish a single telephone assistance rate for all local exchange companies operating in the state of Washington. The telephone assistance rate shall include any federal end user access charges and any other charges necessary to obtain local exchange service.

(b) The commission shall, in establishing the telephone assistance rate, consider all charges for local exchange service, including federal end user access charges, mileage charges, extended area service, and any other charges necessary to obtain local exchange service.

(c) The telephone assistance rate shall only be available to eligible customers subscribing to the lowest available local exchange flat rate service, where the lowest local exchange flat rate, including any federal end user access charges and any other charges necessary to obtain local exchange service, is greater than the telephone assistance rate. Low-income senior citizens sixty years of age and older and other low-income persons identified by the department as medically needy shall, where single-party service is available, be provided with single-party service as the lowest available local exchange flat rate service.

(d) The cost of providing the service shall be paid, to the maximum extent possible, by a waiver of all or part of the federal end user access charge and, to the extent necessary, from the telephone assistance fund created by RCW 80.36.430.

(4) A community service voice mailbox that provides recipients with: (a) An individually assigned telephone number; (b) the ability to record a personal greeting; and (c) a secure private security code to retrieve messages. The community service voice mailbox may also include a toll-free line through which recipients can access their community service voice mailboxes at no charge.

Sec. 8. RCW 80.36.430 and 1990 c 170 s 3 are each amended to read as follows:

(1) The Washington telephone assistance program shall be funded by a telephone assistance excise tax on all switched access lines and by funds from any federal government or other programs for this purpose. Switched access lines are defined in RCW 82.14B.020. The telephone assistance excise tax shall be applied equally to all residential and business access lines not to exceed fourteen cents per month. The telephone assistance excise tax shall be separately identified on each ratepayer's bill as the "Washington telephone assistance program." All money collected from the telephone assistance excise tax shall be transferred to a telephone assistance fund administered by the department.

(2) The department shall be the fund administrator for local exchange companies, and the department of community, trade, and economic development shall be the fund administrator for community action agencies. Local exchange companies and community action agencies shall bill ~~((the))~~ their fund administrator for their expenses incurred in offering the telephone assistance program, including administrative and program expenses.

(3) The department shall disburse the money to the local exchange companies and to the department of community, trade, and economic development, except that the total amount of funds that may be paid annually to the department of community, trade, and economic development shall not exceed ten percent of the total annual telephone assistance fund revenues collected. The department is exempted from having to conclude a contract with local exchange companies in order to effect this

reimbursement. The department of community, trade, and economic development shall disburse the money to the community action agencies.

(4) The ((department)) fund administrators shall recover ((its)) their administrative costs from the fund. The ((department)) fund administrator may specify by rule the range and extent of administrative and program expenses that will be reimbursed to local exchange companies or community action agencies.

Sec. 9. RCW 80.36.440 and 1990 c 170 s 4 are each amended to read as follows:

(1) The commission ((and)), the department, and the department of community, trade, and economic development may adopt any rules necessary to implement RCW 80.36.410 through 80.36.470.

Within available resources, funding shall be made available for: (a) Deployment of new community service voice mail systems, including costs for start-up and installation, staff to train participating agencies, and maintaining program data; (b) installation of toll-free lines through which recipients of existing community service voice mail can access their community service voice mailboxes at no charge; (c) expansion of the capacity of existing community service voice mail; and (d) payment for continuing and expanding telephone services of existing community service voice mail, including maintenance expenses, operating expenses, and administrative expenses. The rules may require community action agencies to match up to fifty percent of the funds received from the telephone assistance program or to demonstrate the acquisition of in-kind contributions from local exchange companies or vendors of community service voice mail hardware or software.

Sec. 10. RCW 80.36.450 and 1993 c 249 s 2 are each amended to read as follows:

The Washington telephone assistance program shall be limited to one residential access line per eligible household for services provided by local exchange companies or to one community service voice mailbox per eligible person for services provided by community action agencies.

Sec. 11. RCW 80.36.460 and 1990 c 170 s 5 are each amended to read as follows:

(1) Local exchange companies shall file tariffs with the commission which waive deposits on local exchange service for eligible subscribers and which establish a fifty percent discount on service connection fees for eligible subscribers. Part or all of the remaining fifty percent of service connection fees may be paid by funds from federal government or other programs for this purpose. The commission or other appropriate agency shall make timely application for any available federal funds. The remaining portion of the connection fee to be paid by the subscriber shall be expressly payable by installment fees spread over a period of months. A subscriber may, however, choose to pay the connection fee in a lump sum. Costs associated with the waiver and discount shall be accounted for separately and recovered from the telephone assistance fund. Eligible subscribers shall be allowed one waiver of a deposit and one discount on service connection fees per year.

(2) Community action agencies may not charge recipients for community service voice mail.

Sec. 12. RCW 80.36.470 and 1990 c 170 s 6 are each amended to read as follows:

The department shall notify the participants of their eligibility.

(2) Adult clients of community action agency services are eligible for participation in the community service voice mail of the telephone assistance program if they do not reside in a residence with local exchange telephone service or do not have a reliable means of directly receiving telephone calls or messages.

Sec. 13. RCW 80.36.475 and 1990 c 170 s 7 are each amended to read as follows:

The department shall report to the ((~~energy and utilities~~)) committees of the house of representatives and the senate with jurisdiction over telecommunications services by December 1 of each year on the status of the Washington telephone assistance program. The report shall include the number of participants by qualifying ((~~social service~~)) department or community action agency programs receiving benefits from the telephone assistance program and the type of benefits participants receive. The report shall also include a description of the geographical distribution of participants, the program's annual revenue and expenditures, and any recommendations for legislative action.

POINT OF ORDER

Representative Mastin requested a scope and object ruling on the Senate amendments to Substitute House Bill No. 1222.

SPEAKERS' RULING

Speaker Ballard: "Representative Mastin, the Speaker is prepared to rule on your request for scope and object on the Senate amendments to Substitute House Bill No. 1222.

The title of the bill is "AN ACT relating to capital projects for local nonprofit art, cultural, heritage, and social service organizations."

The Senate amendment would establish community service voice mail as a component of the Washington Telephone Assistance Program and permits eligible clients of community action agencies and the Department of Social and Health Services to receive voice mail services.

The Speaker finds that community services voice mail is beyond both the scope of the title and the object of the bill.

Speaker Chopp concurs in this ruling.

Representative Mastin, your Point of Order is well taken."

There being no objection, the House did not concur in the Senate amendment(s) to Substitute House Bill No. 1222 and asked the Senate to recede therefrom.

There being no objection, the House deferred action on House Bill No. 1299, and the bill held its place on the concurrence calendar.

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1999

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1673 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The Washington supreme court in a case involving a ballot measure, *State v. 119 Vote No! Committee*, 135 Wn.2d 618 (1998), found the statute that prohibits persons from sponsoring, with actual malice, political advertising containing false statements of material fact to be invalid under the First Amendment to the United States Constitution.

(2) The legislature finds that a review of the opinions indicates that a majority of the supreme court may find valid a statute that limited such a prohibition on sponsoring with actual malice false statements of material fact in a political campaign to statements about a candidate in an election for public office.

(3) It is the intent of the legislature to amend the current law to provide protection for candidates for public office against false statements of material fact sponsored with actual malice.

Sec. 2. RCW 42.17.530 and 1988 c 199 s 2 are each amended to read as follows:

(1) It is a violation of this chapter for a person to sponsor with actual malice:

(a) Political advertising that contains a false statement of material fact about a candidate for public office. However, this subsection (1)(a) does not apply to statements about a candidate made by the candidate or the candidate's agent;

(b) Political advertising that falsely represents that a candidate is the incumbent for the office sought when in fact the candidate is not the incumbent;

(c) Political advertising that makes either directly or indirectly, a false claim stating or implying the support or endorsement of any person or organization when in fact the candidate does not have such support or endorsement.

(2) Any violation of this section shall be proven by clear and convincing evidence."

In line 1 of the title, after "advertising;" strike the remainder of the title and insert "amending RCW 42.17.530; and creating a new section."

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1681 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that it is beneficial to improve opportunities for trout fishing in order to satisfy the public's demand for recreational fishing during a time of declining opportunities to catch anadromous salmon and steelhead trout.

Fish farmers can produce trout in a triploid genetic configuration for the purpose of certifying that the fish are sterile and that they cannot interbreed with wild trout. These fish are ideally suited to planting into public lakes and ponds to provide immediate recreational fishing at a reasonable cost. The fish continue to grow throughout their life cycle and have the potential to grow to trophy size.

Planting of these catchable trout can provide increased angler participation, increased fishing license sales, increased tourism activities, and a boost to local economies.

The department of fish and wildlife is authorized to purchase these privately produced fish to supplement existing department trout hatchery production. The planting of these catchable trout in water bodies with water quality sufficient to support fish life must not have an adverse impact on the wild trout population.

NEW SECTION. **Sec. 2.** The fish and wildlife commission in consultation with the department is authorized to determine which waters of the state are appropriate for this use during the 1999 and 2000 calendar years. In making this determination, the commission shall seek geographic distribution to assure opportunity to fishers state-wide.

The commission in consultation with the department will determine the maximum number of fish that may be planted into state waters so as not to compete with the wild populations of fish species in the water body.

NEW SECTION. **Sec. 3.** The fish and wildlife commission may authorize purchase of privately produced fish only if the cost of the program will be recovered by the increase in license sales directly attributable to the planting of these privately purchased fish.

NEW SECTION. **Sec. 4.** The department of fish and wildlife shall report to the appropriate legislative committees by February 1, 2001, regarding the implementation of this act. The report shall include information regarding the location and number of fish planted, the size of the fish planted, and information relating to the cost-effectiveness of the catchable trout program, including an estimate of new license sales generated by the programs.

NEW SECTION. **Sec. 5.** Sections 1 through 3 of this act are each added to Title 77 RCW.

NEW SECTION. **Sec. 6.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1871 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

NEW SECTION. **Sec. 1.** The legislature finds that salmon recovery in Washington state will involve everyone and will require funds to accomplish recovery measures. Several species of salmon in Washington are, or are expected to be, listed as threatened or endangered under the federal endangered species act. At present, these species include chinook, chum, bull trout and coho. To bring attention to the importance of the recovery of salmon and their place in Washington's heritage, raise funds for salmon recovery projects, and involve citizens of all ages, the Washington salmon stamp and Washington junior salmon stamp programs are created.

NEW SECTION. **Sec. 2.** The definitions in this section apply throughout sections 2 through 7 of this act unless the context clearly requires otherwise.

(1) "Salmon" means all species of the genus *Oncorhynchus*, dolly varden trout, bull trout, cutthroat trout, and steelhead trout.

(2) "Department" means the department of fish and wildlife.

(3) "Committee" means the salmon stamp selection committee created in section 5 of this act.

(4) "Stamp" means the stamp created under the Washington salmon stamp program and the Washington junior salmon stamp program, created in sections 2 through 7 of this act.

NEW SECTION. **Sec. 3.** (1) The Washington salmon stamp program is created in the department. The purpose of the program is the creation of a stamp that will portray a salmonid species native to Washington and will be used for stamps, prints, and posters that can be sold in a wide range of prices and editions to appeal to citizens and collectors interested in supporting salmon restoration. The proceeds from the sale of the Washington salmon stamp shall be used for protection, preservation, and restoration of salmonid habitat in Washington.

(2) Every year the department will announce competition, open to all Washington artists, for the creation of the year's Washington salmon stamp. The department will market the stamp and prints through a wide distribution method including web sites, license sites, and at public events.

(3) The winning artist will receive a monetary award and a certain number of artist proof prints.

NEW SECTION. **Sec. 4.** (1) The Washington junior salmon stamp program is created in the department. The purpose of the program is the creation of a stamp that will portray a salmonid species native to Washington and will be used for stamps, prints, and posters that can be sold in a wide range of prices and editions to appeal to citizens and collectors interested in supporting salmon restoration.

(2) Every year the department will announce a competition for the Washington junior salmon stamp program among Washington K-12 students. The top winner will receive a scholarship award.

NEW SECTION. Sec. 5. The salmon stamp selection committee is created. The committee is comprised of five individuals selected by the governor who will judge and select the winning entrant for the Washington salmon stamp program and Washington junior salmon stamp program. The governor will select names from a collection of names forwarded from the department and from the state arts commission in the following categories: Artist, not competing in the salmon stamp program; art collector; fish biologist; printer; and public school teacher.

NEW SECTION. Sec. 6. All receipts from the salmon stamp program created under sections 2 through 7 of this act must be deposited into the regional fisheries enhancement salmonid recovery account created under RCW 75.50.125, except that an amount equal to the department's cost of accomplishing the program shall be deposited into the wildlife fund. The department shall report biennially to the legislature on the amount of money the salmon stamp program has generated.

NEW SECTION. Sec. 7. The department is granted the authority to establish by rule the method for selecting appropriate designs for the Washington salmon stamp program and Washington junior salmon stamp program. The stamp shall be designed and produced in accordance with department rules.

Sec. 8. RCW 75.50.125 and 1997 c 389 s 3 are each amended to read as follows:

Expenditures from the account may be used for the ~~((sole))~~ purposes of fisheries enhancement and habitat restoration by regional fisheries enhancement groups, and this act.

NEW SECTION. Sec. 9. Sections 2 through 7 of this act are each added to chapter 77.12 RCW.

NEW SECTION. Sec. 10. A new section is added to chapter 46.16 RCW to read as follows:

The department, the Washington state patrol, and the department of fish and wildlife shall jointly create, design, and issue a special salmon license plate that may be used in lieu of regular or personalized license plates for motor vehicles required to display two motor vehicle license plates, excluding vehicles registered under chapter 46.87 RCW, upon terms and conditions established by the department. NEW SECTION. Sec. 12. A new section is added to chapter 75.46 RCW to read as follows:

(1) On an annual basis, the department of fish and wildlife shall solicit, from the public and private sector, proposed salmon preservation, protection, perpetuation, education, and enhancement projects and prioritize projects it recommends for funding from the salmon species enrichment license fees account by giving preference to projects that:

POINT OF ORDER

Representative Mastin requested a scope and object ruling on the Senate amendments to Second Substitute House Bill No. 1871.

SPEAKERS' RULING

Speaker Ballard: "Representative Mastin, the Speaker is prepared to rule on your request for scope and object to the Senate amendments to Second Substitute House Bill No. 1871.

"The Title of the bill is "AN ACT Relating to salmon stamps."

The amendment deals with license plates.

The Speaker finds that a license plate is not a stamp. The Senate amendment is beyond the scope of the title and the object of the bill.

"Speaker Chopp concurs in this ruling.

"Representative Mastin, your Point of Order is well taken.

There being no objection, the House did not concur in the Senate amendment(s) to Second Substitute House Bill No. 1871 and asked the Senate to recede therefrom.

SENATE AMENDMENTS TO HOUSE BILL

April 9, 1999

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1893 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that facilitating the environmental permit process will increase citizen satisfaction and compliance with state and local permit requirements. Lack of coordination in the processing of permit applications causes costly delays and frustration to the applicant and the public. The public deserves a clear, predictable system for land-use decisions that ensures an adequate opportunity for public participation and comment. The legislature also finds that permit processes can be improved by enabling and requiring state and local permit agencies to coordinate their permit processes to the greatest extent possible.

Sec. 2. RCW 36.70A.020 and 1990 1st ex.s. c 17 s 2 are each amended to read as follows:

The following goals are adopted to guide the development and adoption of comprehensive plans and development regulations of those counties and cities that are required or choose to plan under RCW 36.70A.040. The following goals are not listed in order of priority and shall be used exclusively for the purpose of guiding the development of comprehensive plans and development regulations:

(1) Urban growth. Encourage development in urban areas where adequate public facilities and services exist or can be provided in an efficient manner.

(2) Reduce sprawl. Reduce the inappropriate conversion of undeveloped land into sprawling, low-density development.

(3) Transportation. Encourage efficient multimodal transportation systems that are based on regional priorities and coordinated with county and city comprehensive plans.

(4) Housing. Encourage the availability of affordable housing to all economic segments of the population of this state, promote a variety of residential densities and housing types, and encourage preservation of existing housing stock.

(5) Economic development. Encourage economic development throughout the state that is consistent with adopted comprehensive plans, promote economic opportunity for all citizens of this state, especially for unemployed and for disadvantaged persons, and encourage growth in areas experiencing insufficient economic growth, all within the capacities of the state's natural resources, public services, and public facilities.

(6) Property rights. Private property shall not be taken for public use without just compensation having been made. The property rights of landowners shall be protected from arbitrary and discriminatory actions.

(7) Permits. ~~((Applications for both))~~ State and local government permit~~(s)~~ agencies should ~~((be processed))~~ coordinate and process permits in a timely and fair manner to ensure predictability for applicants.

(8) Natural resource industries. Maintain and enhance natural resource-based industries, including productive timber, agricultural, and fisheries industries. Encourage the conservation of productive forest lands and productive agricultural lands, and discourage incompatible uses.

(9) Open space and recreation. Encourage the retention of open space and development of recreational opportunities, conserve fish and wildlife habitat, increase access to natural resource lands and water, and develop parks.

(10) Environment. Protect the environment and enhance the state's high quality of life, including air and water quality, and the availability of water.

(11) Citizen participation and coordination. Encourage the involvement of citizens in the planning process and ensure coordination between communities and jurisdictions to reconcile conflicts.

(12) Public facilities and services. Ensure that those public facilities and services necessary to support development shall be adequate to serve the development at the time the development is available for occupancy and use without decreasing current service levels below locally established minimum standards.

(13) Historic preservation. Identify and encourage the preservation of lands, sites, and structures, that have historical or archaeological significance.

Sec. 3. RCW 58.17.095 and 1986 c 233 s 1 are each amended to read as follows:

(1) A county, city, or town may adopt an ordinance providing for the administrative review of a preliminary plat without a public hearing ~~((by adopting an ordinance providing for such administrative review))~~. The ordinance may specify a threshold number of lots in a subdivision above which a public hearing must be held, and may specify other factors which necessitate the holding of a public hearing. ~~((The administrative review process shall include the))~~

(2) If the county, city, or town has not adopted consolidated permitting procedures and time frames as provided in chapter 36.70B RCW, it shall conduct administrative review of preliminary plats consistent with the following minimum conditions:

~~((4))~~ (a) The notice requirements of RCW 58.17.090 shall be followed, except that the publication shall be made within ten days of the filing of the application. Additionally, at least ten days after the filing of the application notice both shall be: ~~((4))~~ (i) Posted on or around the land proposed to be subdivided in at least five conspicuous places designed to attract public awareness of the proposal; and ~~((4))~~ (ii) mailed to the owner of each lot or parcel of property located within at least three hundred feet of the site. The applicant shall provide the county, city, or town with a list of such property owners and their addresses. The notice shall include notification that no public hearing will be held on the application, except as provided by this section. The notice shall set out the procedures and time limitations for persons to require a public hearing and make comments.

~~((2))~~ (b) Any person shall have a period of twenty days from the date of the notice to comment upon the proposed preliminary plat. All comments received shall be provided to the applicant. The applicant has seven days from receipt of the comments to respond thereto.

~~((3))~~ (c) A public hearing on the proposed subdivision shall be held if any person files a request for a hearing with the county, city, or town within twenty-one days of the publishing of such notice. If such a hearing is requested, notice requirements for the public hearing shall be in conformance with RCW 58.17.090, and the ninety-day period for approval or disapproval of the proposed subdivision provided for in RCW 58.17.140 shall commence with the date of the filing of the request for a public hearing. Any hearing ordered under this subsection shall be conducted by the planning commission or hearings officer as required by county or city ordinance.

~~((4))~~ (d) On its own initiative within twenty-one days of the filing of the request for approval of the subdivision, the governing body, or a designated employee or official, of the county, city, or

town, shall be authorized to cause a public hearing to be held on the proposed subdivision within ninety days of the filing of the request for the subdivision.

~~((5))~~ (e) If the public hearing is waived as provided in this section, the planning commission or planning agency shall complete the review of the proposed preliminary plat and transmit its recommendation to the legislative body as provided in RCW 58.17.100.

(3) If the county, city, or town has adopted consolidated permitting procedures and time frames as provided in chapter 36.70B RCW, it may conduct administrative review of preliminary plats consistent with its procedures and time frames. At a minimum, local permitting procedures and time frames related to administrative review of preliminary plats shall provide for:

(a) Notice of application by publication, posting, and mailing. All forms of notice shall include a prominent statement that no public hearing will be held on the application, except as provided by this section. All forms of notice shall clearly state procedures and time frames for persons to make comments on the proposal and request a public hearing.

(b) Written comments on the application by any person. Comments received shall be provided to the applicant, and the applicant shall be provided seven days from receipt of the comments to respond thereto.

(c) A public hearing on the application if any person files a request for a hearing within the time frame specified. If a hearing is requested, notice requirements for the public hearing and the time frame for approval or disapproval of the application shall be consistent with other local permitting procedures. Any hearing conducted under this subsection shall be conducted by the planning commission or hearing officer as required by local ordinance.

(d) A public hearing on the application if the legislative or executive branch of the county, city, or town so requests within the time frame specified.

(e) Expedited agency review and transmittal of its recommendation on the application to the legislative body of the county, city, or town, if there is no request for public hearing.

Sec. 4. RCW 90.60.010 and 1995 c 347 s 601 are each amended to read as follows:
The legislature hereby finds and declares:

(1) Washington's environmental protection programs have established strict standards to reduce pollution and protect the public health and safety and the environment. The single-purpose programs instituted to achieve these standards have been successful in many respects, and have produced significant gains in protecting Washington's environment in the face of substantial population growth.

(2) Continued progress to achieve the environmental standards in the face of continued population growth will require greater coordination between the single-purpose environmental programs and more efficient operation of these programs overall. Pollution must be prevented and controlled and not simply transferred to another media or another place. This goal can only be achieved by maintaining the current environmental protection standards and by greater integration of the existing programs.

(3) As the number of environmental laws and regulations have grown in Washington, so have the number of permits required of business and government. This regulatory burden has significantly added to the cost and time needed to obtain essential permits in Washington. The increasing number of individual permits and permit authorities has generated the continuing potential for conflict, overlap, and duplication between the various state, local, and federal permits.

(4) The purpose of this chapter is to institute new, efficient procedures that will assist businesses and public agencies in complying with the environmental quality laws in an expedited fashion, without reducing protection of public health and safety and the environment.

(5) Those procedures need to provide a permit process that promotes effective dialogue and ensures ease in the transfer and clarification of technical information, while preventing duplication. It is necessary that the procedures establish a process for preliminary and ongoing meetings between the applicant, the coordinating permit agency, and the participating permit agencies, but do not preclude the applicant or participating permit agencies from individually coordinating with each other.

(6) It is necessary, to the maximum extent practicable, that the procedures established in this chapter ensure that the coordinated permit agency process and applicable permit requirements and criteria are integrated and run concurrently, rather than consecutively.

(7) It is necessary to provide a reliable and consolidated source of information concerning federal, state, and local environmental and land use laws and procedures that apply to any given proposal.

(8) It is the intent of this chapter to provide an optional process by which a project proponent may obtain active coordination of all applicable regulatory and land-use permitting procedures. This process is not to replace individual laws, or diminish the substantive decision-making role of individual jurisdictions. Rather it is to provide predictability, administrative consolidation, and, where possible, consolidation of appeal processes.

(9) It is also the intent of this chapter (~~(to provide)~~) that by providing an optional coordinated permit process, measures are taken by the parties that promote the public's trust and confidence in the underlying permit process, including providing consolidated, effective, and easier opportunities for members of the public to receive information and present their views about proposed projects.

Sec. 5. RCW 90.60.020 and 1995 c 347 s 602 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

NEW SECTION. Sec. 10. A new section is added to chapter 90.60 RCW to read as follows:

- (1) It is the intent of this chapter to provide an interagency forum for the discussion of significant issues related to the permitting processes and use authorizations for projects that are proposed on state-owned aquatic lands where there are multiple permits, programs, and legal authorities involved.
- (2) It is a goal of this chapter to encourage all agencies and local governments involved in issuing permits or granting use authorizations for a single project on state-owned aquatic lands to communicate with each other on a timely basis and early in the project review process in order to maximize coordination, facilitate problem resolution, promote the effectiveness of permit decisions, and enhance citizen understanding and involvement in the permit process. It is also a goal of this chapter that all permitting or authorizing federal and state agencies, local governments, and tribal governments be involved in coordinating their respective roles related to permits or authorizations from the outset of any review process. Tribes with fisheries interests in the project area shall also be invited to participate.
- (3) For the purposes of this section, "aquatic lands" means as it is defined in RCW 79.90.010.

NEW SECTION. Sec. 11. A new section is added to chapter 90.60 RCW to read as follows:

- (1) The applicant, a local government, or the state agency with the greatest overall jurisdiction for a project may submit a joint aquatic resource permit application to the permit assistance center if a project proposed for the use of state-owned aquatic lands requires:

 - (c) A substantial development permit under chapter 90.58 RCW.
- (2) If the local government or state agency with the greatest overall jurisdiction is uncertain about whether all of the permits identified under subsection (1) of this section are required, it shall submit the completed form to the permit assistance center and allow the center to determine which permits are required.
- (3) The permit assistance center shall facilitate a project scoping meeting including the project applicant, the department of natural resources, the department of ecology, the department of fish and wildlife, and the local governments in whose jurisdiction the project is proposed. Federal agencies and tribal governments that either issue or may require a permit, or that may require a use authorization for the project or have fishery resources that might be affected by the project, shall each be invited to name a representative to participate in the coordinated permit review process for proposed projects on state-owned aquatic lands. All participating agencies are encouraged to remain in communication for purposes of coordination throughout the permit review processes until final permit decisions are made.
- (4) The purpose of the scoping meeting is to share perspectives and identify the issues and information needs of concern to each participant with regard to the proposed project, and jointly develop a strategy for coordinating permitting and issuance of use authorization issues. This project scoping process shall be concluded within sixty days of the date of receipt of the joint aquatic resource permit application by the permit assistance center.

- (a) During this review, the participating agencies shall identify:
- (i) The specific information needs and issues of concern and their significance to each participant with regard to the permitting processes involved;
 - (ii) Any statutory or regulatory conflicts that might arise relating to differing legal authorities and roles of the agencies issuing the permit or use authorization of the project;
 - (iii) Any state or local jurisdiction or private sector liability that might result from permitting or issuing a use authorization for the project; and
 - (iv) Any natural resources, including federal or state listed species, that might be adversely affected by the permitting or authorizing decision.
- (b) Following this project scoping review, the outcome shall be documented in written form and furnished to the applicant, and be available to the public.
- (c) Upon completion of this review, the permitting and authorizing agencies and governments shall proceed according to their respective statutes. Nothing in this section may prevent the parties from reconvening later in the course of the permitting or use authorization process.

NEW SECTION. Sec. 12. A new section is added to chapter 75.20 RCW to read as follows:

(1) The department shall conduct a study of the hydraulic permit program to assess the adequacy and effectiveness of the program to meet the requirements of the federal endangered species act and in providing an efficient and predictable permitting process for the public while maintaining the department's oversight of the state-wide interest in fish habitat. The study shall evaluate the potential effects of authorizing a local government to issue, enforce site-specific permits, or both, and recommend changes to the program to comply with the requirements of the federal endangered species act. The department shall provide an interim report to the legislature by January 15, 2000, and a final report on the results of the study to the legislature by December 1, 2000.

(2) The legislature encourages the department to review its hydraulic project approval program to determine the extent to which the program meets the requirements of the federal endangered species act, and to seek approval of the program under the federal endangered species act.

(3) The department shall report to the legislature on January 1, 2000, and January 1, 2001, on the status of any program submitted for review to federal agencies implementing the federal endangered species act.

Sec. 13. RCW 75.20.100 and 1998 c 190 s 87 are each amended to read as follows:

(1) In the event that any person or government agency desires to construct any form of hydraulic project or perform other work that will use, divert, obstruct, or change the natural flow or bed of any of the salt or fresh waters of the state, such person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure the approval of the department as to the adequacy of the means proposed for the protection of fish life. This approval shall not be unreasonably withheld.

(2)(a) Except as provided in RCW 75.20.1001, the department shall grant or deny approval of a standard permit within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section.

(b) The applicant may document receipt of application by filing in person or by registered mail. A complete application for approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within the mean higher high water line in salt water or within the ordinary high water line in fresh water, and complete plans and specifications for the proper protection of fish life.

(c) The forty-five day requirement shall be suspended if:

- (i) After ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project;
- (ii) The site is physically inaccessible for inspection; or
- (iii) The applicant requests delay. Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay.

(d) For purposes of this section, "standard permit" means a written permit issued by the department when the conditions under subsections (3) and (5)(b) of this section are not met.

(3)(a) The department may issue an expedited written permit in those instances where normal permit processing would result in significant hardship for the applicant or unacceptable damage to the environment. In cases of imminent danger, the department shall issue an expedited written permit, upon request, for work to repair existing structures, move obstructions, restore banks, protect property, or protect fish resources. Expedited permit requests require a complete written application as provided in subsection (2)(b) of this section and shall be issued within fifteen calendar days of the receipt of a complete written application. Approval of an expedited permit is valid for up to sixty days from the date of issuance.

(b) For the purposes of this subsection, "imminent danger" means a threat by weather, water flow, or other natural conditions that is likely to occur within sixty days of a request for a permit application.

(c) The department may not require the provisions of the state environmental policy act, chapter 43.21C RCW, to be met as a condition of issuing a permit under this subsection.

(d) The department or the county legislative authority may determine if an imminent danger exists. The county legislative authority shall notify the department, in writing, if it determines that an imminent danger exists.

(4) Approval of a standard permit is valid for a period of up to five years from date of issuance. The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life based on sound science and applicable documentation. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Chapter 34.05 RCW applies to any denial of project approval, conditional approval, or requirements for project modification upon which approval may be contingent.

(5)(a) In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department, through its authorized representatives, shall issue immediately, upon request, oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval to protect fish life shall be established by the department and reduced to writing within thirty days and complied with as provided for in this section. Oral approval shall be granted immediately, upon request, for a stream crossing during an emergency situation.

(b) For purposes of this section and RCW 75.20.103, "emergency" means an immediate threat to life, the public, property, or of environmental degradation.

(c) The department or the county legislative authority may declare and continue an emergency when one or more of the criteria under (b) of this subsection are met. The county legislative authority shall immediately notify the department if it declares an emergency under this subsection.

(6) The department shall, at the request of a county, develop five-year maintenance approval agreements, consistent with comprehensive flood control management plans adopted under the authority of RCW 86.12.200, or other watershed plan approved by a county legislative authority, to allow for work on public and private property for bank stabilization, bridge repair, removal of sand bars and debris, channel maintenance, and other flood damage repair and reduction activity under agreed-upon conditions and times without obtaining permits for specific projects.

(7) This section shall not apply to the construction of any form of hydraulic project or other work which diverts water for agricultural irrigation or stock watering purposes authorized under or recognized as being valid by the state's water codes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020. These irrigation or stock watering diversion and streambank stabilization projects shall be governed by RCW 75.20.103.

A landscape management plan approved by the department and the department of natural resources under RCW 76.09.350(2), shall serve as a hydraulic project approval for the life of the plan if fish are selected as one of the public resources for coverage under such a plan.

(8) For the purposes of this section and RCW 75.20.103, "bed" means the land below the ordinary high water lines of state waters. This definition does not include irrigation ditches, canals, storm water run-off devices, or other artificial watercourses except where they exist in a natural watercourse that has been altered by man.

(9) The phrase "to construct any form of hydraulic project or perform other work" does not include the act of driving across an established ford. Driving across streams or on wetted stream beds at areas other than established fords requires approval. Work within the ordinary high water line of state waters to construct or repair a ford or crossing requires approval.

This section does not apply to small scale prospecting and mining activities, which are governed by section 14 of this act.

NEW SECTION. Sec. 14. A new section is added to chapter 75.20 RCW to read as follows:

(1) Small scale prospecting and mining is exempt from the provisions of this chapter, provided that aggregate containing fish eggs or fry are not collected or processed at any time.

(2) Small scale prospecting and mining may take place landward of the ordinary high water mark of any stream at any time of the year, if such activity does not require an approved plan of operation on public lands provided for in 43 C.F.R. Sec. 3830 through 3850 or 36 C.F.R. Sec. 228 subpart A as they existed on the effective date of this section.

(3) For the purposes of this chapter, "small scale prospecting and mining" means the use of methods such as pans, sluice boxes, concentrators, and minirocker boxes for the discovery and recovery of minerals at or below the ordinary high water mark.

NEW SECTION. Sec. 15. A new section is added to chapter 47.01 RCW to read as follows:

The legislature recognizes that the department is restructuring its transportation construction and maintenance programs in order to meet the requirements of the federal endangered species act, and intends to seek approval of these programs under the federal endangered species act. The legislature further recognizes that local government transportation construction and maintenance programs might benefit from approval of the department's program under the federal endangered species act. The department shall collaborate with local government in developing its strategy for compliance with the federal endangered species act for its transportation construction and maintenance programs.

The department shall report to the legislature on January 1, 2000, and January 1, 2001, on the status of any program submitted for review to federal agencies implementing the federal endangered species act.

Sec. 16. RCW 90.58.080 and 1995 c 347 s 305 are each amended to read as follows:

(1) Local governments shall develop or amend(~~(, within twenty four months after the adoption of guidelines as provided in RCW 90.58.060,)~~) a master program for regulation of uses of the shorelines of the state consistent with the required elements of the guidelines adopted by the department. Except as provided in subsection (2) of this section, master programs shall be reviewed for compliance with the guidelines and adopted or amended as necessary within twenty-four months after the adoption of guidelines as provided in RCW 90.58.060.

(2) Consistent with the priority salmon recovery regions and WRIA's map, as defined in the state-wide strategy to recover salmon volume 1, page V.95, and population growth data provided by the office of financial management, the following master program development or amendment schedule applies for guidelines adopted by the department before December 31, 2000:

(a) For King, Snohomish, Pierce, Clark, and Kitsap counties and the cities and towns therein with shorelines of the state, master programs shall be reviewed for compliance with the guidelines and adopted or amended as necessary within thirty-six months after the adoption of guidelines as provided in RCW 90.58.060;

(c) For all other counties, cities, and towns with shorelines of the state, master programs shall be reviewed for compliance with the guidelines and adopted or amended as necessary within sixty months after the adoption of guidelines amendments as provided in RCW 90.58.060.

(3) Local governments failing to meet the schedule provided in subsection (2) of this section shall not be eligible for grant moneys from the department pursuant to implementation of this section.

NEW SECTION. Sec. 17. The following acts or parts of acts are each repealed:

(1) RCW 43.131.387 (Permit assistance center--Termination) and 1995 c 347 s 617; and

SENATE AMENDMENTS TO HOUSE BILL

April 7, 1999

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1936 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 74.08A.010 and 1997 c 58 s 103 are each amended to read as follows:

(1) A family that includes an adult who has received temporary assistance for needy families for sixty months after July 27, 1997, shall be ineligible for further temporary assistance for needy families assistance. The number of recipients exempted or deferred from the time limit in this subsection shall not exceed twenty percent of the temporary assistance for needy families caseload.

(2) For the purposes of applying the rules of this section, the department shall count any month in which an adult family member received a temporary assistance for needy families cash assistance grant unless the assistance was provided when the family member was a minor child and not the head

of the household or married to the head of the household or the recipient received a deferral under section 2 of this act.

(3) The department shall refer recipients who require specialized assistance to appropriate department programs, crime victims' programs through the department of community, trade, and economic development, or the crime victims' compensation program of the department of labor and industries.

(4) The department may exempt a recipient and the recipient's family from the application of subsection (1) of this section by reason of hardship or if the recipient meets the family violence options of section 402(A)(7) of Title IVA of the federal social security act as amended by P.L. 104-193. ~~((The number of recipients and their families exempted from subsection (1) of this section for a fiscal year shall not exceed twenty percent of the average monthly number of recipients and their families to which assistance is provided under the temporary assistance for needy families program.~~

~~(5) The department shall not exempt a recipient and his or her family from the application of subsection (1) of this section until after the recipient has received fifty two months of assistance under this chapter.)~~

NEW SECTION. Sec. 2. A new section is added to chapter 74.08A RCW to read as follows:

(1) Each recipient approved to receive temporary assistance for needy families shall be subject to an employability screen as a condition of eligibility. If the employability screen determines the recipient meets the criteria specified in RCW 74.08A.270 for a good cause exemption to work requirements the department shall defer the work requirement under RCW 74.08A.260, as long as the condition of the recipient that causes him or her to meet the exemption criteria exists. When the condition ceases to exist, the exemption terminates.

(2) All recipients not deferred shall be placed in the job search component. Failure to participate in the job search component shall result in sanctions as provided in RCW 74.08A.260. If a recipient fails to find employment during the job search component, the department may refer the recipient to those work activities that are directly related to improving the recipient's employability.

(3) The department shall adopt rules providing for the review of recipients granted deferrals under this section.

Sec. 3. RCW 74.08A.260 and 1997 c 58 s 313 are each amended to read as follows:

Recipients who have not obtained a deferral under section 2 of this act or paid, unsubsidized employment ~~((by the end of the job search component authorized in section 312 of this act))~~ shall be referred to a work activity.

(1) Each recipient shall be assessed immediately upon completion of the job search component. Assessments shall be based upon factors that are critical to obtaining employment, including but not limited to education, employment strengths, and employment history. Assessments may be performed by the department or by a contracted entity. The assessment shall be based on a uniform, consistent, transferable format that will be accepted by all agencies and organizations serving the recipient. Based on the assessment, an individual responsibility plan shall be prepared that: (a) Sets forth an employment goal and a plan for moving the recipient immediately into employment; (b) contains the obligation of the recipient to become and remain employed; (c) moves the recipient into whatever employment the recipient is capable of handling as quickly as possible; and (d) describes the services available to the recipient to enable the recipient to obtain and keep employment.

(2) Recipients who are not engaged in work and work activities, and do not qualify for a good cause exemption under RCW 74.08A.270, shall engage in self-directed service as provided in RCW 74.08A.330.

(3) If a recipient refuses to engage in work and work activities required by the department, the family's grant shall be reduced by the recipient's share, and may, if the department determines it appropriate, be terminated.

(4) The department may waive the penalties required under subsection (3) of this section, subject to a finding that the recipient refused to engage in work for good cause provided in RCW 74.08A.270.

(5) In implementing this section, the department shall assign the highest priority to the most employable clients, including adults in two-parent families and parents in single-parent families that include older preschool or school-age children to be engaged in work activities.

(6) In consultation with the recipient, the department or contractor shall place the recipient into a work activity that is available in the local area where the recipient resides.

(7) The department shall encourage and facilitate placement of recipients into apprenticeships or preapprenticeship training programs.

Sec. 4. RCW 74.08A.270 and 1997 c 58 s 314 are each amended to read as follows:

(1) Good cause reasons for failure to participate in WorkFirst program components include: ~~((4))~~ (a) Situations where the recipient is a parent or other relative personally providing care for a child under the age of six years, and formal or informal child care, or day care for an incapacitated individual living in the same home as a dependent child, is necessary for an individual to participate or continue participation in the program or accept employment, and such care is not available, and the department fails to provide such care; or ~~((2) until June 30, 1999,))~~ (b) if the recipient is a parent with a child under the age of one year. A parent may only receive this exemption for a total of twelve months, which may be consecutive or nonconsecutive; or ~~((3) after June 30, 1999, if the recipient is a parent with a child under three months of age))~~ (c) if the recipient is a victim of domestic violence; or (d) if the recipient is incapacitated; or (e) if the recipient is caring for an incapacitated child; or (f) if the recipient is fifty-five years of age or older and is the grandparent or nonparent relative of the dependent child.

(2) For purposes of this section, domestic violence victimization must be documented by either a protection order or a written confirmation of treatment by a health care professional licensed under chapter 18.57, 18.57A, 18.71, 18.71A, 18.79, or 18.83 RCW for the effects of domestic violence. (3) When the domestic violence victimization or the incapacity of the recipient or child no longer exist, the good cause deferral under this section terminates. The department shall notify the recipient of the termination of the good cause exemption.

NEW SECTION. **Sec. 5.** A new section is added to chapter 74.08A RCW to read as follows:

Recipients who are not required to meet work requirements under RCW 74.08A.270 shall receive grants, child care, and related services that are not supported by the temporary assistance for needy families block grant.

NEW SECTION. **Sec. 6.** If any part of this act is found to be in conflict with federal requirements that are a prescribed condition to the allocation of federal funds to the state, the conflicting part of this act is inoperative solely to the extent of the conflict and with respect to the agencies directly affected, and this finding does not affect the operation of the remainder of this act in its application to the agencies concerned. Rules adopted under this act must meet federal requirements that are a necessary condition to the receipt of federal funds by the state."

The strategy shall serve as a guide in preparation of the regional transportation plan.

(2) Prepare a regional transportation plan as set forth in RCW 47.80.030 that is consistent with county-wide planning policies if such have been adopted pursuant to chapter 36.70A RCW, with county, city, and town comprehensive plans, and state transportation plans.

(3) Certify by December 31, 1996, that the transportation elements of comprehensive plans adopted by counties, cities, and towns within the region reflect the guidelines and principles developed

pursuant to RCW 47.80.026, are consistent with the adopted regional transportation plan, and, where appropriate, conform with the requirements of RCW 36.70A.070.

(4) Where appropriate, certify that county-wide planning policies adopted under RCW 36.70A.210 and the adopted regional transportation plan are consistent.

(5) Develop, in cooperation with the department of transportation, operators of public transportation services and local governments within the region, a six-year regional transportation improvement program which proposes regionally significant transportation projects and programs and transportation demand management measures. The regional transportation improvement program shall be based on the programs, projects, and transportation demand management measures of regional significance as identified by transit agencies, cities, and counties pursuant to RCW 35.58.2795, 35.77.010, and 36.81.121, respectively. Sec. 3. RCW 47.80.070 and 1994 c 158 s 5 are each amended to read as follows:

In order to ensure state-wide consistency in the regional transportation planning process, the state department of transportation, in conformance with chapter 34.05 RCW, shall:

SENATE AMENDMENTS TO HOUSE BILL

April 14, 1999

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1376 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"**Sec. 1.** RCW 46.16.381 and 1998 c 294 s 1 are each amended to read as follows:

(1) The director shall grant special parking privileges to any person who has a disability that limits or impairs the ability to walk and meets one of the following criteria, as determined by a licensed physician:

- (a) Cannot walk two hundred feet without stopping to rest;
- (b) Is severely limited in ability to walk due to arthritic, neurological, or orthopedic condition;
- (c) Is so severely disabled, that the person cannot walk without the use of or assistance from a brace, cane, another person, prosthetic device, wheelchair, or other assistive device;
- (d) Uses portable oxygen;
- (e) Is restricted by lung disease to such an extent that forced expiratory respiratory volume, when measured by spirometry is less than one liter per second or the arterial oxygen tension is less than sixty mm/hg on room air at rest;
- (f) Impairment by cardiovascular disease or cardiac condition to the extent that the person's functional limitations are classified as class III or IV under standards accepted by the American Heart Association; or

(g) Has a disability resulting from an acute sensitivity to automobile emissions which limits or impairs the ability to walk. The personal physician of the applicant shall document that the disability is comparable in severity to the others listed in this subsection.

(2) The applications for disabled parking permits and temporary disabled parking permits are official state documents. Knowingly providing false information in conjunction with the application is a gross misdemeanor punishable under chapter 9A.20 RCW. The following statement must appear on each application form immediately below the physician's signature and immediately below the applicant's signature: "A disabled parking permit may be issued only for a medical necessity that severely affects mobility (RCW 46.16.381). Knowingly providing false information on this application is a gross misdemeanor. The penalty is up to one year in jail and a fine of up to \$5,000 or both."

(3) Those individuals who have lost a lower extremity, partially or completely, are exempt from the physician certification requirement necessary to receive special parking privileges. In order to qualify for special parking privileges, these individuals must apply at a licensing office, and authorized department staff must visually confirm the loss of the lower extremity. The applicant must sign a form certifying that he or she meets the criteria of subsection (1)(a) of this section. Based on this confirmation and certification, the certification of the person's disability is satisfied. The department shall note the criteria for the issuance of the disabled parking permit on the identification card issued under subsection (4) of this section. In addition to other penalties for providing false information on the application, the penalty for providing false information under this subsection is immediate cancellation of the disabled parking permit.

(4) Persons who qualify for special parking privileges are entitled to receive from the department of licensing a removable windshield placard bearing the international symbol of access and an individual serial number, along with a special identification card bearing the photograph, name, and date of birth of the person to whom the placard is issued, and the placard's serial number. The

department shall design the placard to be displayed when the vehicle is parked by suspending it from the rearview mirror, or in the absence of a rearview mirror the card may be displayed on the dashboard of any vehicle used to transport the disabled person. Instead of regular motor vehicle license plates, disabled persons are entitled to receive special license plates bearing the international symbol of access for one vehicle registered in the disabled person's name. Disabled persons who are not issued the special license plates are entitled to receive a second special placard upon submitting a written request to the department. Persons who have been issued the parking privileges and who are using a vehicle or are riding in a vehicle displaying the special license plates or placard may park in places reserved for mobility disabled persons. The director shall adopt rules providing for the issuance of special placards and license plates to public transportation authorities, nursing homes licensed under chapter 18.51 RCW, boarding homes licensed under chapter 18.20 RCW, senior citizen centers, private nonprofit agencies as defined in chapter 24.03 RCW, and vehicles registered with the department as cabulances that regularly transport disabled persons who have been determined eligible for special parking privileges provided under this section. The director may issue special license plates for a vehicle registered in the name of the public transportation authority, nursing home, boarding homes, senior citizen center, private nonprofit agency, or cabulance service if the vehicle is primarily used to transport persons with disabilities described in this section. Public transportation authorities, nursing homes, boarding homes, senior citizen centers, private nonprofit agencies, and cabulance services are responsible for insuring that the special placards and license plates are not used improperly and are responsible for all fines and penalties for improper use.

~~((4))~~ (5) Whenever the disabled person transfers or assigns his or her interest in the vehicle, the special license plates shall be removed from the motor vehicle. If another vehicle is acquired by the disabled person and the vehicle owner qualifies for a special plate, the plate shall be attached to the vehicle, and the director shall be immediately notified of the transfer of the plate. If another vehicle is not acquired by the disabled person, the removed plate shall be immediately surrendered to the director.

~~((5))~~ (6) The special license plate shall be renewed in the same manner and at the time required for the renewal of regular motor vehicle license plates under this chapter. No special license plate may be issued to a person who is temporarily disabled. A person who has a condition expected to improve within six months may be issued a temporary placard for a period not to exceed six months. If the condition exists after six months a new temporary placard shall be issued upon receipt of a new certification from the disabled person's physician. The permanent parking placard and photo identification card of a disabled person shall be renewed at least every five years, as required by the director, by satisfactory proof of the right to continued use of the privileges. In the event of the permit holder's death, the parking placard and photo identification card must be immediately surrendered to the department. The department shall match and purge its disabled permit data base with available death record information at least every twelve months.

~~((6))~~ (7) Each person who has been issued a permanent disabled parking permit on or before July 1, 1998, must renew the permit no later than July 1, 2003, subject to a schedule to be set by the department, or the permit will expire.

~~((7))~~ (8) The department may not require existing permit holders to obtain a physician's recertification of their disability in order to renew their disabled parking permits.

(9) Additional fees shall not be charged for the issuance of the special placards or the photo identification cards. No additional fee may be charged for the issuance of the special license plates except the regular motor vehicle registration fee and any other fees and taxes required to be paid upon registration of a motor vehicle.

~~((8))~~ (10) Any unauthorized use of the special placard, special license plate, or photo identification card is a traffic infraction with a monetary penalty of two hundred fifty dollars.

~~((9))~~ (11) It is a parking infraction, with a monetary penalty of two hundred fifty dollars for a person to make inaccessible the access aisle located next to a space reserved for physically disabled persons. The clerk of the court shall report all violations related to this subsection to the department.

~~((10))~~ (12) It is a parking infraction, with a monetary penalty of two hundred fifty dollars for any person to park a vehicle in a parking place provided on private property without charge or on public property reserved for physically disabled persons without a special license plate or placard. If a

person is charged with a violation, the person shall not be determined to have committed an infraction if the person produces in court or before the court appearance the special license plate or placard required under this section. A local jurisdiction providing nonmetered, on-street parking places reserved for physically disabled persons may impose by ordinance time restrictions of no less than four hours on the use of these parking places. A local jurisdiction may impose by ordinance time restrictions of no less than four hours on the use of nonreserved, on-street parking spaces by vehicles displaying the special parking placards. All time restrictions must be clearly posted.

~~((11))~~ (13) The penalties imposed under subsections ~~((9) and (10))~~ (11) and (12) of this section shall be used by that local jurisdiction exclusively for law enforcement. The court may also impose an additional penalty sufficient to reimburse the local jurisdiction for any costs it may have incurred in removal and storage of the improperly parked vehicle.

~~((12))~~ (14) Except as provided by subsection (2) of this section, it is a traffic infraction with a monetary penalty of two hundred fifty dollars for any person willfully to obtain a special license plate, placard, or photo identification card in a manner other than that established under this section.

~~((13))~~ (15)(a) A law enforcement agency authorized to enforce parking laws may appoint volunteers, with a limited commission, to issue notices of infractions for violations of this section or RCW 46.61.581. Volunteers must be at least twenty-one years of age. The law enforcement agency appointing volunteers may establish any other qualifications the agency deems desirable.

(b) An agency appointing volunteers under this section must provide training to the volunteers before authorizing them to issue notices of infractions.

(c) A notice of infraction issued by a volunteer appointed under this subsection has the same force and effect as a notice of infraction issued by a police officer for the same offense.

(d) A police officer or a volunteer may request a person to show the person's photo identification card or special parking placard when investigating the possibility of a violation of this section. If the request is refused, the person in charge of the vehicle may be issued a notice of infraction for a violation of this section.

~~((14))~~ (16) For second or subsequent violations of this section, in addition to a monetary fine, the violator must complete a minimum of forty hours of:

(a) Community service for a nonprofit organization that serves the disabled community or persons having disabling diseases; or

(b) Any other community service that may sensitize the violator to the needs and obstacles faced by persons who have disabilities.

~~((15))~~ (17) The court may not suspend more than one-half of any fine imposed under subsection ~~((8), (9),)~~ (10), ~~((8))~~ (11), (12), or (14) of this section."

In line 1 of the title, after "amputees;" strike the remainder of the title and insert "amending RCW 46.16.381; and prescribing penalties."

and the same are herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1999

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1562 with the following amendment(s)

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 14.08.122 and 1987 c 254 s 2 are each amended to read as follows:

An airport operator may adopt all regulations necessary for rental and use of airport facilities and for the expeditious collection of airport charges. The regulations may also establish procedures for the enforcement of these regulations by the airport operator. The regulations shall include the following:

(1) Procedures authorizing airport personnel to take reasonable measures including, but not limited to, the use of chains, ropes, and locks to secure aircraft within the airport facility so that the aircraft are in the possession and control of the airport operator and cannot be removed from the airport. These procedures may be used if an owner hangaring or parking an aircraft at the airport fails, after being notified that charges are owing and of the owner's right to contest that such charges are owing, to pay the airport charges owed ~~((and the account is at least sixty days delinquent))~~ or to commence legal proceedings. Notification shall be by registered mail to the owner at his or her last known address. In the case of an aircraft where an owner's address cannot be determined or obtained after reasonable effort, the airport operator need not give such notice prior to securing the aircraft. At the time of securing the aircraft, an authorized airport employee shall attach to the aircraft a readily visible notice and shall make a reasonable attempt to send a copy of the notice to the owner at his or her last known address by registered mail, return receipt requested, and ~~((a))~~ an additional copy of the notice by first class mail. The notice shall be of a reasonable size and shall contain the following information:

(a) The date and time the notice was attached;
(b) A reasonable description of the aircraft;
(c) The identity of the authorized employee;
(d) The amount of airport charges owing;
(e) A statement that if the account is not paid in full within ~~((one hundred eighty))~~ ninety days from the time the notice was attached the aircraft may be sold at public auction to satisfy the airport charges;
(f) ~~((The time and place of sale;~~
~~((g))~~ A statement of the owner's right to commence legal proceedings to contest the charges owing and to have the aircraft released upon posting of an adequate cash bond or other security; and
~~((h))~~ (g) The address and telephone number where additional information may be obtained concerning the release of the aircraft.

(2) Procedures authorizing airport personnel at their discretion to ~~((place))~~ move aircraft ~~((in))~~ to an area within the airport operator's control or for storage with private persons under the airport operator's control as bailees of the airport facility. ~~((Reasonable))~~ Costs of any such procedure shall be paid by the aircraft's owner.

(3) If an aircraft is secured under subsection (1) of this section or moved under conditions authorized ~~((under))~~ by subsection (2) of this section the owner who is obligated for hangaring or parking or other airport charges may regain possession of the aircraft by:

(a) Making arrangements satisfactory with the airport operator for the immediate removal of the aircraft from the airport's hangar, or making arrangements for authorized parking; and

(b) By making payment to the airport operator of all airport charges or by posting with the airport operator a sufficient cash bond or other security acceptable to such operator, to be held in trust by the airport operator pending written agreement of the parties with respect to payment by the aircraft owner of the amount owing, or pending resolution of charges in a civil action in a court of competent jurisdiction. Upon written agreement or judicial resolution, the trust shall terminate and the airport operator shall receive so much of the bond or other security as is necessary to satisfy the agreement, or any judgment, costs, and interest as may be awarded to the airport operator. The balance shall be refunded immediately to the owner at the owner's last known address by registered mail, return receipt requested. The airport operator shall send to the owner by first class mail a notice that the balance of funds was forwarded to him or her by registered mail, return receipt requested.

(4) If an aircraft parked or hangared at an airport is abandoned, the airport operator may authorize the public sale of the aircraft by authorized personnel to the highest and best bidder for cash as follows:

(a) If an aircraft has been secured by the airport operator under subsection (1) of this section and is not released to the owner under the bonding provisions of this section within ~~((one hundred eighty))~~ ninety days after notifying or attempting to notify the owner under subsection (1) of this section, or in all other cases, for ~~((one hundred eighty))~~ ninety days after the airport operator secures the aircraft, the aircraft shall be conclusively presumed to have been abandoned by the owner;

(b) Before the aircraft is sold, the owner of the aircraft shall be given at least twenty days' notice of sale by registered mail, return receipt requested, if the name and address of the owner are known, and the notice of sale shall be published at least once, more than ten but less than twenty days before the sale, in a newspaper of general circulation in the county in which the airport is located. The notice shall include the name of the aircraft, if any, its aircraft identification number, the last known owner and address, the time and place of sale, the amount of airport charges that will be owing at the time of sale, a reasonable description of the aircraft to be sold and a statement that the airport operator may bid all or part of its airport charges at the sale and may become a purchaser at the sale;

(c) Before the aircraft is sold, any person seeking to redeem an impounded aircraft under this section may commence a lawsuit in the superior court of the county in which the aircraft was impounded, to contest the validity of the impoundment or the amount of airport charges owing. Such lawsuit must be commenced within ten days of the date the notification was provided under subsection (1) of this section, or the right to a hearing is waived and the owner is liable for any airport charges owing the airport operator. In the event of litigation, the prevailing party is entitled to reasonable attorneys' fees and costs;

(d) The proceeds of a sale under this section shall first be applied to payment of airport charges owed. The balance, if any, shall be deposited with the department of revenue to be held in trust for the owner or owners and lienholders for a period of one year. If more than one owner appears on the aircraft title, and/or if any liens appear on the title, the department must, if a claim is made, interplead the balance into a court of competent jurisdiction for distribution. The department may release the balance to the legal owner provided that the claim is made within one year of sale and only one legal owner and no lienholders appear on the title. If no valid claim is made within one year of the date of sale, the excess funds from the sale shall be deposited in the aircraft search and rescue, safety, and education account created in RCW 47.68.236. If the sale is for a sum less than the applicable airport charges, the airport operator is entitled to assert a claim against the aircraft owner or owners for the deficiency;

(e) In the event that no one purchases the aircraft at a sale, or that the aircraft is not removed from the premises or other arrangements are not made within ten days of the sale, title to the aircraft shall revert to the airport operator.

(5) The regulations authorized under this section shall be enforceable only if:

(a) The airport operator has had its tariff and/or regulations, including any and all regulations authorizing the impoundment of an aircraft that is the subject of delinquent airport charges, conspicuously posted at the airport manager's office at all times.

(b) All impounding remedies available to the airport operator are included in any written contract for airport charges between an airport operator and an aircraft owner; and

~~((6))~~ (c) All rules and regulations authorized under this section are adopted either pursuant to chapter 34.05 RCW, or by resolution of the appropriate legislative authority, as applicable.

Sec. 2. RCW 47.68.250 and 1998 c 188 s 1 are each amended to read as follows:

Every aircraft shall be registered with the department for each calendar year in which the aircraft is operated or is based within this state. A fee of ~~((four))~~ eight dollars shall be charged for each such registration and each annual renewal thereof.

Possession of the appropriate effective federal certificate, permit, rating, or license relating to ownership and airworthiness of the aircraft, and payment of the excise tax imposed by Title 82 RCW for the privilege of using the aircraft within this state during the year for which the registration is sought, and payment of the registration fee required by this section shall be the only requisites for registration of an aircraft under this section.

The registration fee imposed by this section shall be payable to and collected by the secretary. The fee for any calendar year must be paid during the month of January, and shall be collected by the

secretary at the time of the collection by him or her of the said excise tax. If the secretary is satisfied that the requirements for registration of the aircraft have been met, he or she shall thereupon issue to the owner of the aircraft a certificate of registration therefor. The secretary shall pay to the state treasurer the registration fees collected under this section, which registration fees shall be credited to the aeronautics account in the transportation fund.

It shall not be necessary for the registrant to provide the secretary with originals or copies of federal certificates, permits, ratings, or licenses. The secretary shall issue certificates of registration, or such other evidences of registration or payment of fees as he or she may deem proper; and in connection therewith may prescribe requirements for the possession and exhibition of such certificates or other evidences.

The provisions of this section shall not apply to:

(1) An aircraft owned by and used exclusively in the service of any government or any political subdivision thereof, including the government of the United States, any state, territory, or possession of the United States, or the District of Columbia, which is not engaged in carrying persons or property for commercial purposes;

(2) An aircraft registered under the laws of a foreign country;

(3) An aircraft which is owned by a nonresident and registered in another state: PROVIDED, That if said aircraft shall remain in and/or be based in this state for a period of ninety days or longer it shall not be exempt under this section;

(7) An aircraft based within the state that is in an unairworthy condition, is not operated within the registration period, and has obtained a written exemption issued by the secretary.

The secretary shall be notified within one week of any change in ownership of a registered aircraft. The notification shall contain the N, NC, NR, NL, or NX number of the aircraft, the full name and address of the former owner, and the full name and address of the new owner. For failure to so notify the secretary, the registration of that aircraft may be canceled by the secretary, subject to reinstatement upon application and payment of a reinstatement fee of ten dollars by the new owner.

A municipality or port district that owns, operates, or leases an airport, as defined in RCW 47.68.020, with the intent to operate, shall require from an aircraft owner proof of aircraft registration or proof of intent to register an aircraft as a condition of leasing or selling tiedown or hangar space for an aircraft. The airport shall inform the lessee or purchaser of the tiedown or hangar space of the state law requiring registration and direct the person to comply with the state law if the person has not already done so. The airport may lease or sell tiedown or hangar space to owners of nonregistered aircraft after presenting them with the appropriate state registration forms. It is then the responsibility of the lessee or purchaser to register the aircraft. The airport shall report to the department's aviation division at the end of each month, the names, addresses, and "N" numbers of those aircraft owners not yet registered.

Sec. 3. RCW 82.48.100 and 1965 ex.s. c 173 s 28 are each amended to read as follows:

Aircraft being held for sale, exchange, delivery, test, or demonstration purposes solely as stock in trade of an aircraft dealer licensed under Title 14 RCW;

Aircraft owned by a nonresident of this state if the aircraft is kept at an airport in this state and that airport is jointly owned or operated by a municipal corporation or other governmental entity of this state and a municipal corporation or other governmental entity of another state, and the owner or operator of the aircraft provides the department with proof that the owner or operator has paid all taxes, license fees, and registration fees required by the state in which the owner or operator resides."

On page 1, line 2 of the title, after "charges;" strike the remainder of the title and insert "and amending RCW 14.08.122, 47.68.250, and 82.48.100."

Sec. 8. RCW 75.08.230 and 1996 c 267 s 3 are each amended to read as follows:

(4) Proceeds from the sale of food fish or shellfish taken in test fishing conducted by the department, to the extent that these proceeds exceed the estimates in the budget approved by the legislature, may be allocated as unanticipated receipts under RCW 43.79.270 to reimburse the department for unanticipated costs for test fishing operations in excess of the allowance in the budget approved by the legislature.

(5) Proceeds from the sale of salmon carcasses and salmon eggs from state general funded hatcheries by the department of general administration shall be deposited in the regional fisheries enhancement group account established in RCW 75.50.100 (as recodified by this act).

(6) Moneys received by the commission under RCW 75.08.045 (as recodified by this act), to the extent these moneys exceed estimates in the budget approved by the legislature, may be allocated as unanticipated receipts under RCW 43.79.270. Allocations under this subsection shall be made only for the specific purpose for which the moneys were received, unless the moneys were received in settlement of a claim for damages to food fish or shellfish, in which case the moneys may be expended for the conservation of these resources.

(7) Proceeds from the sale of herring spawn on kelp fishery licenses by the department, to the extent those proceeds exceed estimates in the budget approved by the legislature, may be allocated as unanticipated receipts under RCW 43.79.270. Sec. 9. RCW 75.08.245 and 1988 c 115 s 1 are each amended to read as follows:

The department may supply, at a reasonable charge, surplus salmon eggs to a person for use in the cultivation of salmon. The department shall not intentionally create a surplus of salmon to provide eggs for sale. The department shall only sell salmon eggs from stocks that are not suitable for salmon population rehabilitation or enhancement in state waters in Washington. All sales or transfers shall be consistent with the department's egg transfer and aquaculture disease control regulations as now existing or hereafter amended. Prior to department determination that eggs of a salmon stock are surplus and available for sale, the department shall assess the productivity of each watershed that is suitable for receiving eggs.

~~((The salmon enhancement advisory council, created in RCW 75.48.120, shall consider egg sales at each meeting.))~~

Sec. 10. RCW 75.10.150 and 1996 c 267 s 14 are each amended to read as follows:

Since violation of the rules of the department relating to the accounting of the commercial harvest of food fish and shellfish result in damage to the resources of the state, liability for damage to food fish and shellfish resources is imposed on a wholesale fish dealer for violation of a provision in chapter 75.28 RCW (as recodified by this act) or a rule of the department related to the accounting of the commercial harvest of food fish and shellfish and shall be for the actual damages or for damages imposed as follows:

(1) For violation of rules requiring the timely presentation to the department of documents relating to the accounting of commercial harvest, fifty dollars for each of the first fifteen documents in a series and ten dollars for each subsequent document in the same series. If documents relating to the accounting of commercial harvest of food fish and shellfish are lost or destroyed and the wholesale dealer notifies the department in writing within seven days of the loss or destruction, the director shall waive the requirement for timely presentation of the documents.

(2) For violation of rules requiring accurate and legible information relating to species, value, harvest area, or amount of harvest, twenty-five dollars for each of the first five violations of this subsection following July 28, 1985, and fifty dollars for each violation after the first five violations.

(3) For violations of rules requiring certain signatures, fifty dollars for each of the first two violations and one hundred dollars for each subsequent violation. For the purposes of this subsection, each signature is a separate requirement.

(4) For other violations of rules relating to the accounting of the commercial harvest, fifty dollars for each separate violation.

Sec. 11. RCW 75.12.230 and 1998 c 190 s 81 are each amended to read as follows:

Within the waters described in RCW 75.12.210 (as recodified by this act), a person shall not transport or possess salmon on board a vessel carrying fishing gear of a type other than troll lines or angling gear, unless accompanied by a certificate issued by a state or country showing that the salmon have been lawfully taken within the territorial waters of the state or country.

Sec. 12. RCW 75.20.061 and 1983 1st ex.s. c 46 s 73 are each amended to read as follows:

If the director determines that a fishway or fish guard described in RCW 75.20.040 and 75.20.060 (as recodified by this act) and in existence on September 1, 1963, is inadequate, in addition

to other authority granted in this chapter, the director may remove, relocate, reconstruct, or modify the device, without cost to the owner. The director shall not materially modify the amount of flow of water through the device. After the department has completed the improvements, the fishways and fish guards shall be operated and maintained at the expense of the owner in accordance with RCW 75.20.040 and 75.20.060 (as recodified by this act).

Sec. 13. RCW 75.20.098 and 1997 c 424 s 6 are each amended to read as follows:

When reviewing a mitigation plan under RCW 75.20.100 or 75.20.103 (as recodified by this act), the department shall, at the request of the project proponent, follow the guidance contained in RCW 90.74.005 through 90.74.030.

Sec. 14. RCW 75.20.100 and 1998 c 190 s 87 are each amended to read as follows:

(1) In the event that any person or government agency desires to construct any form of hydraulic project or perform other work that will use, divert, obstruct, or change the natural flow or bed of any of the salt or fresh waters of the state, such person or government agency shall, before commencing construction or work thereon and to ensure the proper protection of fish life, secure the approval of the department as to the adequacy of the means proposed for the protection of fish life. This approval shall not be unreasonably withheld.

(2)(a) Except as provided in RCW 75.20.1001 (as recodified by this act), the department shall grant or deny approval of a standard permit within forty-five calendar days of the receipt of a complete application and notice of compliance with any applicable requirements of the state environmental policy act, made in the manner prescribed in this section.

(b) The applicant may document receipt of application by filing in person or by registered mail. A complete application for approval shall contain general plans for the overall project, complete plans and specifications of the proposed construction or work within the mean higher high water line in salt water or within the ordinary high water line in fresh water, and complete plans and specifications for the proper protection of fish life.

(c) The forty-five day requirement shall be suspended if:

(i) After ten working days of receipt of the application, the applicant remains unavailable or unable to arrange for a timely field evaluation of the proposed project;

(ii) The site is physically inaccessible for inspection; or

(iii) The applicant requests delay. Immediately upon determination that the forty-five day period is suspended, the department shall notify the applicant in writing of the reasons for the delay.

(d) For purposes of this section, "standard permit" means a written permit issued by the department when the conditions under subsections (3) and (5)(b) of this section are not met.

(3)(a) The department may issue an expedited written permit in those instances where normal permit processing would result in significant hardship for the applicant or unacceptable damage to the environment. In cases of imminent danger, the department shall issue an expedited written permit, upon request, for work to repair existing structures, move obstructions, restore banks, protect property, or protect fish resources. Expedited permit requests require a complete written application as provided in subsection (2)(b) of this section and shall be issued within fifteen calendar days of the receipt of a complete written application. Approval of an expedited permit is valid for up to sixty days from the date of issuance.

(b) For the purposes of this subsection, "imminent danger" means a threat by weather, water flow, or other natural conditions that is likely to occur within sixty days of a request for a permit application.

(c) The department may not require the provisions of the state environmental policy act, chapter 43.21C RCW, to be met as a condition of issuing a permit under this subsection.

(d) The department or the county legislative authority may determine if an imminent danger exists. The county legislative authority shall notify the department, in writing, if it determines that an imminent danger exists.

(4) Approval of a standard permit is valid for a period of up to five years from date of issuance. The permittee must demonstrate substantial progress on construction of that portion of the project relating to the approval within two years of the date of issuance. If the department denies

approval, the department shall provide the applicant, in writing, a statement of the specific reasons why and how the proposed project would adversely affect fish life. Protection of fish life shall be the only ground upon which approval may be denied or conditioned. Chapter 34.05 RCW applies to any denial of project approval, conditional approval, or requirements for project modification upon which approval may be contingent.

(5)(a) In case of an emergency arising from weather or stream flow conditions or other natural conditions, the department, through its authorized representatives, shall issue immediately, upon request, oral approval for removing any obstructions, repairing existing structures, restoring stream banks, or to protect property threatened by the stream or a change in the stream flow without the necessity of obtaining a written approval prior to commencing work. Conditions of an oral approval to protect fish life shall be established by the department and reduced to writing within thirty days and complied with as provided for in this section. Oral approval shall be granted immediately, upon request, for a stream crossing during an emergency situation.

(b) For purposes of this section and RCW 75.20.103 (as recodified by this act), "emergency" means an immediate threat to life, the public, property, or of environmental degradation.

(c) The department or the county legislative authority may declare and continue an emergency when one or more of the criteria under (b) of this subsection are met. The county legislative authority shall immediately notify the department if it declares an emergency under this subsection.

(6) The department shall, at the request of a county, develop five-year maintenance approval agreements, consistent with comprehensive flood control management plans adopted under the authority of RCW 86.12.200, or other watershed plan approved by a county legislative authority, to allow for work on public and private property for bank stabilization, bridge repair, removal of sand bars and debris, channel maintenance, and other flood damage repair and reduction activity under agreed-upon conditions and times without obtaining permits for specific projects.

(7) This section shall not apply to the construction of any form of hydraulic project or other work which diverts water for agricultural irrigation or stock watering purposes authorized under or recognized as being valid by the state's water codes, or when such hydraulic project or other work is associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020. These irrigation or stock watering diversion and streambank stabilization projects shall be governed by RCW 75.20.103 (as recodified by this act).

A landscape management plan approved by the department and the department of natural resources under RCW 76.09.350(2), shall serve as a hydraulic project approval for the life of the plan if fish are selected as one of the public resources for coverage under such a plan.

(8) For the purposes of this section and RCW 75.20.103 (as recodified by this act), "bed" means the land below the ordinary high water lines of state waters. This definition does not include irrigation ditches, canals, storm water run-off devices, or other artificial watercourses except where they exist in a natural watercourse that has been altered by man.

(9) The phrase "to construct any form of hydraulic project or perform other work" does not include the act of driving across an established ford. Driving across streams or on wetted stream beds at areas other than established fords requires approval. Work within the ordinary high water line of state waters to construct or repair a ford or crossing requires approval.

Sec. 15. RCW 75.20.1001 and 1993 sp.s. c 2 s 31 are each amended to read as follows:

The department shall process hydraulic project applications submitted under RCW 75.20.100 or 75.20.103 (as recodified by this act) within thirty days of receipt of the application. This requirement is only applicable for the repair and reconstruction of legally constructed dikes, seawalls, and other flood control structures damaged as a result of flooding or windstorms that occurred in November and December 1990.

Sec. 16. RCW 75.20.104 and 1993 sp.s. c 2 s 33 are each amended to read as follows:

Whenever the placement of woody debris is required as a condition of a hydraulic permit approval issued pursuant to RCW 75.20.100 or 75.20.103 (as recodified by this act), the department, upon request, shall invite comment regarding that placement from the local governmental authority, affected tribes, affected federal and state agencies, and the project applicant.

Sec. 17. RCW 75.20.1041 and 1993 sp.s. c 2 s 34 are each amended to read as follows:

The department and the department of ecology will work cooperatively with the United States army corps of engineers to develop a memorandum of agreement outlining dike vegetation management guidelines so that dike owners are eligible for coverage under P.L. 84-99, and state requirements established pursuant to RCW 75.20.100 and 75.20.103 (as recodified by this act) are met.

Sec. 18. RCW 75.20.106 and 1993 sp.s. c 2 s 35 are each amended to read as follows:

The department may levy civil penalties of up to one hundred dollars per day for violation of any provisions of RCW 75.20.100 or 75.20.103 (as recodified by this act). The penalty provided shall be imposed by notice in writing, either by certified mail or personal service to the person incurring the penalty, from the director or the director's designee describing the violation. Any person incurring any penalty under this chapter may appeal the same under chapter 34.05 RCW to the director. Appeals shall be filed within thirty days of receipt of notice imposing any penalty. The penalty imposed shall become due and payable thirty days after receipt of a notice imposing the penalty unless an appeal is filed. Whenever an appeal of any penalty incurred under this chapter is filed, the penalty shall become due and payable only upon completion of all review proceedings and the issuance of a final order confirming the penalty in whole or in part.

If the amount of any penalty is not paid within thirty days after it becomes due and payable the attorney general, upon the request of the director shall bring an action in the name of the state of Washington in the superior court of Thurston county or of any county in which such violator may do business, to recover such penalty. In all such actions the procedure and rules of evidence shall be the same as an ordinary civil action. All penalties recovered under this section shall be paid into the state's general fund.

Sec. 19. RCW 75.20.130 and 1996 c 276 s 2 are each amended to read as follows:

(2) The hydraulic appeals board shall consist of three members: The director of the department of ecology or the director's designee, the director of the department of agriculture or the director's designee, and the director or the director's designee of the department whose action is appealed under subsection (6) of this section. A decision must be agreed to by at least two members of the board to be final.

(3) The board may adopt rules necessary for the conduct of its powers and duties or for transacting other official business.

(4) The board shall make findings of fact and prepare a written decision in each case decided by it, and that finding and decision shall be effective upon being signed by two or more board members and upon being filed at the hydraulic appeals board's principal office, and shall be open to public inspection at all reasonable times.

(5) The board has exclusive jurisdiction to hear appeals arising from the approval, denial, conditioning, or modification of a hydraulic approval issued by the department: (a) Under the authority granted in RCW 75.20.103 (as recodified by this act) for the diversion of water for agricultural irrigation or stock watering purposes or when associated with streambank stabilization to protect farm and agricultural land as defined in RCW 84.34.020; or (b) under the authority granted in RCW 75.20.190 (as recodified by this act) for off-site mitigation proposals.

(6)(a) Any person aggrieved by the approval, denial, conditioning, or modification of a hydraulic approval pursuant to RCW 75.20.103 (as recodified by this act) may seek review from the board by filing a request for the same within thirty days of notice of the approval, denial, conditioning, or modification of such approval.

(b) The review proceedings authorized in (a) of this subsection are subject to the provisions of chapter 34.05 RCW pertaining to procedures in adjudicative proceedings.

Sec. 21. RCW 75.24.060 and 1998 c 245 s 152 are each amended to read as follows:

It is the policy of the state to improve state oyster reserves so that they are productive and yield a revenue sufficient for their maintenance. In fixing the price of oysters and other shellfish sold from the reserves, the director shall take into consideration this policy. It is also the policy of the state to maintain the oyster reserves to furnish shellfish to growers and processors and to stock public beaches.

Shellfish may be harvested from state oyster reserves for personal use as prescribed by rule of the director.

The ((department)) director shall periodically inventory the state oyster reserves and assign the reserve lands into management categories:

- (1) Native Olympia oyster broodstock reserves;

- (4) Public recreational shellfish harvesting zones;
- (5) Unproductive land.

The ((department)) director shall manage each category of oyster reserve land to maximize the sustained yield production of shellfish consistent with the purpose for establishment of each management category.

The ((department)) commission shall develop an oyster reserve management plan, to include recommendations for leasing reserve lands, in coordination with the shellfish industry, by January 1, 1986.

The director shall protect, reseed, improve the habitat of, and replant state oyster reserves ((and)). The director shall also issue cultch permits and oyster reserve fishery licenses.

Sec. 22. RCW 75.24.065 and 1993 sp.s. c 2 s 40 are each amended to read as follows:

The legislature finds that current environmental and economic conditions warrant a renewal of the state's historical practice of actively cultivating and managing its oyster reserves in Puget Sound to produce the state's native oyster, the Olympia oyster. The ((department)) director shall reestablish dike cultivated production of Olympia oysters on such reserves on a trial basis as a tool for planning more comprehensive cultivation by the state.

Sec. 23. RCW 75.24.070 and 1983 1st ex.s. c 46 s 82 are each amended to read as follows:

The director shall determine the time, place, and method of sale of oysters and other shellfish from state oyster reserves. Any person who commercially takes shellfish from state oyster reserves must possess an oyster reserve fishery license issued by the director pursuant to RCW 75.28.290 (as recodified by this act). Any person engaged in the commercial cultching of oysters on state oyster reserves must possess an oyster cultch permit issued by the director pursuant to RCW 75.28.295 (as recodified by this act).

To maintain local communities and industries and to restrain the formation of monopolies in the industry, the director shall determine the number of bushels which shall be sold to a person. When the shellfish are sold at public auction, the director may reject any and all bids.

Sec. 24. RCW 75.24.100 and 1998 c 190 s 91 are each amended to read as follows:

Periodically, the ~~((commission))~~ director shall determine the effect of each type or unit of gear upon the geoduck population or the substrate they inhabit. The ~~((commission))~~ director may require modification of the gear or stop its use if it is being operated in a wasteful or destructive manner or if its operation may cause permanent damage to the bottom or adjacent shellfish populations.

Sec. 25. RCW 75.24.130 and 1995 1st sp.s. c 2 s 30 are each amended to read as follows:

The commission may examine the clam, mussel, and oyster beds located on aquatic lands belonging to the state and request the commissioner of public lands to withdraw these lands from sale and lease for the purpose of establishing reserves or public beaches. The ~~((commission))~~ director shall conserve, protect, and develop these reserves and the oyster, shrimp, clam, and mussel beds on state lands.

(3) A commercial license that is transferable under this title survives the death of the holder.

Though such licenses are not personal property, they shall be treated as analogous to personal property for purposes of inheritance and intestacy. Such licenses are subject to state laws governing wills, trusts, estates, intestate succession, and community property, except that such licenses are exempt from claims of creditors of the estate and tax liens. The surviving spouse, estate, or beneficiary of the estate may apply for a renewal of the license. (2) A salmon charter license designating a vessel is required to operate a charter boat to take salmon, other food fish, and shellfish. The director may issue a salmon charter license only to a person who meets the qualifications of RCW 75.30.065 (as recodified by this act).

(3) A nonsalmon charter license designating a vessel is required to operate a charter boat to take food fish other than salmon and shellfish. As used in this subsection, "food fish" does not include salmon.

(4) "Charter boat" means a vessel from which persons may, for a fee, fish for food fish or shellfish for personal use, and that brings food fish or shellfish into state ports or brings food fish or shellfish taken from state waters into United States ports. The director may specify by rule when a vessel is a "charter boat" within this definition. "Charter boat" does not mean a vessel used by a guide for clients fishing for food fish for personal use in freshwater rivers, streams, and lakes, other than Lake Washington or that part of the Columbia River below the bridge at Longview.

(5) A charter boat licensed in Oregon may fish without a Washington charter license under the same rules as Washington charter boat operators in ocean waters within the jurisdiction of Washington state from the southern border of the state of Washington to Leadbetter Point, as long as the Oregon vessel does not land at any Washington port with the purpose of taking on or discharging passengers.

The provisions of this subsection shall be in effect as long as the state of Oregon has reciprocal laws and regulations.

(6) A salmon charter license under subsection (1)(b) of this section may be renewed if the license holder notifies the department by May 1st of that year that he or she will not participate in the fishery during that calendar year. The license holder must pay the one hundred-dollar enhancement surcharge, plus a fifteen-dollar handling charge, in order to be considered a valid renewal and eligible to renew the license the following year.

Sec. 36. RCW 75.28.110 and 1997 c 76 s 1 are each amended to read as follows:

(1) The following commercial salmon fishery licenses are required for the license holder to use the specified gear to fish for salmon in state waters. Only a person who meets the qualifications of RCW 75.30.120 (as recodified by this act) may hold a license listed in this subsection. The licenses and their annual fees and surcharges under RCW 75.50.100 (as recodified by this act) are:

Fishery License	Resident Fee	Nonresident Fee	Surcharge
(a) Salmon Gill Net--Grays Harbor-Columbia river	\$380	\$685	plus \$100
(b) Salmon Gill Net--Puget Sound	\$380	\$685	plus \$100
(c) Salmon Gill Net--Willapa Bay-Columbia river	\$380	\$685	plus \$100
(d) Salmon purse seine	\$530	\$985	plus \$100
(e) Salmon reef net	\$380	\$685	plus \$100
(f) Salmon troll	\$380	\$685	plus \$100

(2) A license issued under this section authorizes no taking or delivery of salmon or other food fish unless a vessel is designated under RCW 75.28.045 (as recodified by this act).

(3) Holders of commercial salmon fishery licenses may retain incidentally caught food fish other than salmon, subject to rules of the department.

(4) A salmon troll license includes a salmon delivery license.

(5) A salmon gill net license authorizes the taking of salmon only in the geographical area for which the license is issued. The geographical designations in subsection (1) of this section have the following meanings:

(a) "Puget Sound" includes waters of the Strait of Juan de Fuca, Georgia Strait, Puget Sound and all bays, inlets, canals, coves, sounds, and estuaries lying easterly and southerly of the international boundary line and a line at the entrance to the Strait of Juan de Fuca projected northerly from Cape Flattery to the lighthouse on Tatoosh Island and then to Bonilla Point on Vancouver Island.

(b) "Grays Harbor-Columbia river" includes waters of Grays Harbor and tributary estuaries lying easterly of a line projected northerly from Point Chehalis Light to Point Brown and those waters of the Columbia river and tributary sloughs and estuaries easterly of a line at the entrance to the Columbia river projected southerly from the most westerly point of the North jetty to the most westerly point of the South jetty.

(c) "Willapa Bay-Columbia river" includes waters of Willapa Bay and tributary estuaries and easterly of a line projected northerly from Leadbetter Point to the Cape Shoalwater tower and those waters of the Columbia river and tributary sloughs described in (b) of this subsection.

(6) A commercial salmon troll fishery license may be renewed under this section if the license holder notifies the department by May 1st of that year that he or she will not participate in the fishery during that calendar year. A commercial salmon gill net, reef net, or seine fishery license may be renewed under this section if the license holder notifies the department by August 1st of that year that he or she will not participate in the fishery during that calendar year. The license holder must pay the one hundred-dollar enhancement surcharge, plus a fifteen-dollar handling charge, in order to be considered a valid renewal and eligible to renew the license the following year.

Sec. 37. RCW 75.28.113 and 1998 c 190 s 96 are each amended to read as follows:

(1) A salmon delivery license is required to deliver salmon taken in offshore waters to a place or port in the state. The annual fee for a salmon delivery license is three hundred eighty dollars for residents and six hundred eighty-five dollars for nonresidents. The annual surcharge under RCW 75.50.100 (as recodified by this act) is one hundred dollars for each license. Holders of nonlimited entry delivery licenses issued under RCW 75.28.125 (as recodified by this act) may apply the nonlimited entry delivery license fee against the salmon delivery license fee.

(2) Only a person who meets the qualifications established in RCW 75.30.120 (as recodified by this act) may hold a salmon delivery license issued under this section.

(3) A salmon delivery license authorizes no taking of salmon or other food fish or shellfish from the waters of the state.

(4) If the director determines that the operation of a vessel under a salmon delivery license results in the depletion or destruction of the state's salmon resource or the delivery into this state of salmon products prohibited by law, the director may revoke the license under the procedures of chapter 34.05 RCW.

Sec. 38. RCW 75.28.116 and 1993 sp.s. c 17 s 37 are each amended to read as follows:

A person who does not qualify for a license under RCW 75.30.120 (as recodified by this act) shall obtain a nontransferable emergency salmon delivery license to make one delivery of salmon taken in offshore waters. The director shall not issue an emergency salmon delivery license unless, as determined by the director, a bona fide emergency exists. The license fee is two hundred twenty-five dollars for residents and four hundred seventy-five dollars for nonresidents. An applicant for an emergency salmon delivery license shall designate no more than one vessel that will be used with the license. Alternate operator licenses are not required of persons delivering salmon under an emergency salmon delivery license. Emergency salmon delivery licenses are not renewable.

Sec. 39. RCW 75.28.120 and 1993 sp.s. c 17 s 38 are each amended to read as follows:

(1) This section establishes commercial fishery licenses required for food fish fisheries and the annual fees for those licenses. As used in this section, "food fish" does not include salmon. The director may issue a limited-entry commercial fishery license only to a person who meets the qualifications established in applicable governing sections of this title.

Where a fishery license has been established for a particular species, gear, geographical area, or combination thereof, a more general fishery license may not be used to take food fish in that fishery.

Sec. 40. RCW 75.28.125 and 1998 c 190 s 97 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, a person may not use a commercial fishing vessel to deliver food fish or shellfish taken in offshore waters to a port in the state without a nonlimited entry delivery license. As used in this section, "food fish" does not include salmon. As used in this section, "shellfish" does not include ocean pink shrimp or coastal crab. The annual license fee for a nonlimited entry delivery license is one hundred ten dollars for residents and two hundred dollars for nonresidents.

(2) Holders of salmon troll fishery licenses issued under RCW 75.28.110 (as recodified by this act), salmon delivery licenses issued under RCW 75.28.113 (as recodified by this act), crab pot fishery licenses issued under RCW 75.28.130 (as recodified by this act), food fish trawl--Non-Puget Sound fishery licenses issued under RCW 75.28.120 (as recodified by this act), Dungeness crab--coastal fishery licenses, ocean pink shrimp delivery licenses, and shrimp trawl--Non-Puget Sound fishery licenses issued under RCW 75.28.130 (as recodified by this act) may deliver food fish or shellfish taken in offshore waters without a nonlimited entry delivery license.

(3) A nonlimited entry delivery license authorizes no taking of food fish or shellfish from state waters.

Sec. 41. RCW 75.28.130 and 1994 c 260 s 14 are each amended to read as follows:

Where a fishery license has been established for a particular species, gear, geographical area, or combination thereof, a more general fishery license may not be used to take shellfish in that fishery.

Sec. 42. RCW 75.28.132 and 1994 c 260 s 15 are each amended to read as follows:

A surcharge of fifty dollars shall be collected with each Dungeness crab-coastal fishery license issued under RCW 75.28.130 (as recodified by this act) until June 30, 2000, and with each Dungeness crab-coastal class B fishery license issued under RCW 75.28.130 (as recodified by this act) until December 31, 1997. Moneys collected under this section shall be placed in the Dungeness crab appeals account hereby created in the state treasury. The account is subject to allotment procedures under chapter 43.88 RCW, but no appropriation is required for expenditures. Expenditures from the account shall only be used for processing appeals related to the issuance of Dungeness crab-coastal fishery licenses.

Sec. 43. RCW 75.28.133 and 1997 c 418 s 5 are each amended to read as follows:

A surcharge of one hundred twenty dollars shall be collected with each Dungeness crab-coastal fishery license and with each Dungeness crab-coastal class B fishery license issued under RCW 75.28.130 (as recodified by this act). Moneys collected under this section shall be placed in the coastal crab account created under RCW 75.30.390 (as recodified by this act).

Sec. 44. RCW 75.28.280 and 1993 c 340 s 19 are each amended to read as follows:

A hardshell clam mechanical harvester fishery license is required to operate a mechanical or hydraulic device for commercially harvesting clams, other than geoduck clams, unless the requirements of RCW 75.20.100 (as recodified by this act) are fulfilled for the proposed activity.

Sec. 45. RCW 75.28.290 and 1993 c 340 s 20 are each amended to read as follows:

A person who commercially takes shellfish from state oyster reserves under RCW 75.24.070 (as recodified by this act) must have an oyster reserve fishery license.

Sec. 46. RCW 75.28.300 and 1993 sp.s. c 17 s 43 are each amended to read as follows:

A wholesale fish dealer's license is required for:

- (1) A business in the state to engage in the commercial processing of food fish or shellfish, including custom canning or processing of personal use food fish or shellfish.
- (2) A business in the state to engage in the wholesale selling, buying, or brokering of food fish or shellfish. A wholesale fish dealer's license is not required of those businesses which buy exclusively from Washington licensed wholesale dealers and sell solely at retail.
- (3) Fishermen who land and sell their catch or harvest in the state to anyone other than a licensed wholesale dealer within or outside the state.
- (4) A business to engage in the commercial manufacture or preparation of fertilizer, oil, meal, caviar, fish bait, or other byproducts from food fish or shellfish.
- (5) A business employing a fish buyer as defined under RCW 75.28.340 (as recodified by this act).

The annual license fee for a wholesale dealer is two hundred fifty dollars. A wholesale fish dealer's license is not required for persons engaged in the processing, wholesale selling, buying, or brokering of private sector cultured aquatic products as defined in RCW 15.85.020. However, if a means of identifying such products is required by rules adopted under RCW 15.85.060, the exemption from licensing requirements established by this subsection applies only if the aquatic products are identified in conformance with those rules.

Sec. 47. RCW 75.28.323 and 1996 c 267 s 30 are each amended to read as follows:

(1) A wholesale fish dealer shall not take possession of food fish or shellfish until the dealer has deposited with the department an acceptable performance bond on forms prescribed and furnished by the department. This performance bond shall be a corporate surety bond executed in favor of the department by a corporation authorized to do business in the state of Washington under chapter 48.28 RCW and approved by the department. The bond shall be filed and maintained in an amount equal to one thousand dollars for each buyer engaged by the wholesale dealer. In no case shall the bond be less than two thousand dollars nor more than fifty thousand dollars.

(2) A wholesale dealer shall, within seven days of engaging additional fish buyers, notify the department and increase the amount of the bonding required in subsection (1) of this section.

(3) The director may suspend and refuse to reissue a wholesale fish dealer's license of a dealer who has taken possession of food fish or shellfish without an acceptable performance bond on deposit with the department.

(4) The bond shall be conditioned upon the compliance with the requirements of this chapter and rules of the department relating to the payment of fines for violations of rules for the accounting of the commercial harvest of food fish or shellfish. In lieu of the surety bond required by this section the wholesale fish dealer may file with the department a cash deposit, negotiable securities acceptable to the department, or an assignment of a savings account or of a savings certificate in a Washington bank on an assignment form prescribed by the department.

(5) Liability under the bond shall be maintained as long as the wholesale fish dealer engages in activities under RCW 75.28.300 (as recodified by this act) unless released. Liability under the bond may be released only upon written notification from the department. Notification shall be given upon acceptance by the department of a substitute bond or forty-five days after the expiration of the wholesale fish dealer's annual license. In no event shall the liability of the surety exceed the amount of the surety bond required under this chapter.

Sec. 48. RCW 75.28.340 and 1993 sp.s. c 17 s 46 are each amended to read as follows:

Sec. 49. RCW 75.28.730 and 1993 c 376 s 4 are each amended to read as follows:

An ocean pink shrimp delivery license is required to deliver ocean pink shrimp taken in offshore waters and delivered to a port in the state. ~~((Unless adjusted by the director pursuant to the director's authority granted in RCW 75.28.065,))~~ The annual license fee is one hundred fifty dollars for residents and three hundred dollars for nonresidents. Ocean pink shrimp delivery licenses are transferable.

Sec. 50. RCW 75.28.740 and 1998 c 190 s 99 are each amended to read as follows:

(1) The director may by rule designate a fishery as an emerging commercial fishery. The director shall include in the designation whether the fishery is one that requires a vessel.

(2) "Emerging commercial fishery" means the commercial taking of a newly classified species of food fish or shellfish, the commercial taking of a classified species with gear not previously used for that species, or the commercial taking of a classified species in an area from which that species has not previously been commercially taken. Any species of food fish or shellfish commercially harvested in Washington state as of June 7, 1990, may be designated as a species in an emerging commercial fishery, except that no fishery subject to a license limitation program in chapter 75.30 RCW (as recodified by this act) may be designated as an emerging commercial fishery.

(3) A person shall not take food fish or shellfish in a fishery designated as an emerging commercial fishery without an emerging commercial fishery license and a permit from the director. The director shall issue two types of permits to accompany emerging commercial fishery licenses: Trial fishery permits and experimental fishery permits. Trial fishery permits are governed by subsection (4) of this section. Experimental fishery permits are governed by RCW 75.30.220 (as recodified by this act).

(4) The director shall issue trial fishery permits for a fishery designated as an emerging commercial fishery unless the director determines there is a need to limit the number of participants under RCW 75.30.220 (as recodified by this act). A person who meets the qualifications of RCW 75.28.020 (as recodified by this act) may hold a trial fishery permit. The holder of a trial fishery permit shall comply with the terms of the permit. Trial fishery permits are not transferable from the permit holder to any other person.

Sec. 51. RCW 75.28.760 and 1993 sp.s. c 4 s 2 are each amended to read as follows:

By July 1, 1994, the ~~((departments of fisheries and wildlife))~~ commission jointly with the appropriate Indian tribes, shall each establish a wild salmonid policy. The policy shall ensure that department actions and programs are consistent with the goals of rebuilding wild stock populations to levels that permit commercial and recreational fishing opportunities.

Sec. 52. RCW 75.28.770 and 1998 c 245 s 153 are each amended to read as follows:

The ~~((department))~~ director shall evaluate and recommend, in consultation with the Indian tribes, salmon fishery management strategies and gear types, as well as a schedule for implementation, that will minimize the impact of commercial and recreational fishing in the mixed stock fishery on

critical and depressed wild stocks of salmonids. As part of this evaluation, the ((department)) director, in conjunction with the commercial and recreational fishing industries, shall evaluate commercial and recreational salmon fishing gear types developed by these industries.

Sec. 53. RCW 75.28.780 and 1993 sp.s. c 17 s 42 are each amended to read as follows:

	(plus \$20) (plus \$100)	

Sec. 54. RCW 75.30.021 and 1995 c 227 s 2 are each amended to read as follows:

(1) The ((department)) director shall waive license requirements, including landing or poundage requirements, if, during the calendar year that a license issued pursuant to chapter 75.28 RCW (as recodified by this act) is valid, no harvest opportunity occurs in the fishery corresponding to the license.

(2) For each license limitation program, where the person failed to hold the license and failed to make landing or poundage requirements because of a license waiver by the ((department)) director during the previous year, the person shall qualify for a license by establishing that the person held the license during the last year in which the license was not waived.

Sec. 55. RCW 75.30.050 and 1995 c 269 s 3101 are each amended to read as follows:

(1) The director shall appoint three-member advisory review boards to hear cases as provided in RCW 75.30.060 (as recodified by this act). Members shall be from:

Sec. 56. RCW 75.30.060 and 1995 1st sp.s. c 2 s 32 are each amended to read as follows:

A person aggrieved by a decision of the department under this chapter may request administrative review under the informal procedure established by this section.

In an informal hearing before a review board, the rules of evidence do not apply. A record of the proceeding shall be kept as provided by chapter 34.05 RCW. After hearing the case the review board shall notify in writing the ~~((commission))~~ director and the initiating party whether the review board agrees or disagrees with the department's decision and the reasons for the review board's findings. Upon receipt of the review board's findings the ~~((commission))~~ director may order such relief as the ~~((commission))~~ director deems appropriate under the circumstances.

Nothing in this section: (1) Impairs an aggrieved person's right to proceed under chapter 34.05 RCW; or (2) imposes a liability on members of a review board for their actions under this section.

Sec. 57. RCW 75.30.065 and 1993 c 340 s 28 are each amended to read as follows:

(1) After May 28, 1977, the director shall issue no new salmon charter licenses. A person may renew an existing salmon charter license only if the person held the license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and if the person has not subsequently transferred the license to another person.

(2) Salmon charter licenses may be renewed each year. A salmon charter license which is not renewed each year shall not be renewed further.

(3) Subject to the restrictions in ~~((section 11 of this act))~~ RCW 75.28.011 (as recodified by this act), salmon charter licenses are transferrable from one license holder to another.

Sec. 58. RCW 75.30.070 and 1998 c 190 s 100 are each amended to read as follows:

(1) Except as provided in subsection (3) of this section, a person shall not operate a vessel as a charter boat from which salmon are taken in salt water without an angler permit. The angler permit shall specify the maximum number of persons that may fish from the charter boat per trip. The angler permit expires if the salmon charter license is not renewed.

(2) Only a person who holds a salmon charter license issued under RCW 75.28.095 and 75.30.065 (as recodified by this act) may hold an angler permit.

(3) An angler permit shall not be required for charter boats licensed in Oregon and fishing in ocean waters within the jurisdiction of Washington state from the southern border of the state of Washington to Leadbetter Point under the same regulations as Washington charter boat operators, as long as the Oregon vessel does not land at any Washington port with the purpose of taking on or discharging passengers. The provisions of this subsection shall be in effect as long as the state of Oregon has reciprocal laws and regulations.

Sec. 59. RCW 75.30.090 and 1993 c 340 s 30 are each amended to read as follows:

A salmon charter boat may not carry more anglers than the number specified in the angler permit issued under RCW 75.30.070 (as recodified by this act). Members of the crew may fish from the boat only to the extent that the number of anglers specified in the angler permit exceeds the number of noncrew passengers on the boat at that time.

Sec. 60. RCW 75.30.100 and 1993 c 340 s 31 are each amended to read as follows:

(1) The total number of anglers authorized by the ~~((department))~~ director shall not exceed the total number authorized for 1980.

(2) Angler permits issued under RCW 75.30.070 (as recodified by this act) are transferable. All or a portion of the permit may be transferred to another salmon charter license holder.

(3) The angler permit holder and proposed transferee shall notify the department when transferring an angler permit, and the ~~((department))~~ director shall issue a new angler permit certificate. If the original permit holder retains a portion of the permit, the ~~((department))~~ director shall issue a new angler permit certificate reflecting the decrease in angler capacity.

(4) The department shall collect a fee of ten dollars for each certificate issued under subsection (3) of this section.

Sec. 61. RCW 75.30.120 and 1995 c 135 s 7 are each amended to read as follows:

(1) Except as provided in subsection (2) of this section, after May 6, 1974, the director shall issue no new commercial salmon fishery licenses or salmon delivery licenses. A person may renew an existing license only if the person held the license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and if the person has not subsequently transferred the license to another person.

(2) Where the person failed to obtain the license during the previous year because of a license suspension, the person may qualify for a license by establishing that the person held such a license during the last year in which the license was not suspended.

(3) Subject to the restrictions in RCW 75.28.011 (as recodified by this act), commercial salmon fishery licenses and salmon delivery licenses are transferable from one license holder to another.

Sec. 62. RCW 75.30.125 and 1993 c 340 s 33 are each amended to read as follows:

Any commercial salmon fishery license issued under RCW 75.28.110 (as recodified by this act) or salmon delivery license issued under RCW 75.28.113 (as recodified by this act) shall revert to the department when any government confiscates and sells the vessel designated on the license. Upon application of the person named on the license as license holder and the approval of the director, the department shall transfer the license to the applicant. Application for transfer of the license must be made within the calendar year for which the license was issued.

Sec. 63. RCW 75.30.130 and 1998 c 190 s 101 are each amended to read as follows:

(1) A person shall not commercially take Dungeness crab (*Cancer magister*) in Puget Sound without first obtaining a Dungeness crab--Puget Sound fishery license. As used in this section, "Puget Sound" has the meaning given in RCW 75.28.110(5)(a)(as recodified by this act). A Dungeness crab--Puget Sound fishery license is not required to take other species of crab, including red rock crab (*Cancer productus*).

(2) Except as provided in subsections (3) and (6) of this section, after January 1, 1982, the director shall issue no new Dungeness crab--Puget Sound fishery licenses. Only a person who meets the following qualification may renew an existing license: The person shall have held the Dungeness crab--Puget Sound fishery license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and shall not have subsequently transferred the license to another person.

(3) Where the person failed to obtain the license during the previous year because of a license suspension, the person may qualify for a license by establishing that the person held such a license during the last year in which the license was not suspended.

(4) This section does not restrict the issuance of commercial crab licenses for areas other than Puget Sound or for species other than Dungeness crab.

(5) Dungeness crab--Puget Sound fishery licenses are transferable from one license holder to another.

(6) If fewer than one hundred twenty-five persons are eligible for Dungeness crab--Puget Sound fishery licenses, the director may accept applications for new licenses. The director shall determine by random selection the successful applicants for the additional licenses. The number of additional licenses issued shall be sufficient to maintain one hundred twenty-five licenses in the Puget Sound Dungeness crab fishery. The director shall adopt rules governing the application, selection, and issuance procedures for new Dungeness crab--Puget Sound fishery licenses, based upon recommendations of (~~a board of~~) an advisory review board established under RCW 75.30.050 (as recodified by this act).

Sec. 64. RCW 75.30.140 and 1998 c 190 s 102 are each amended to read as follows:

(1) A person shall not fish commercially for herring in state waters without a herring fishery license. As used in this section, "herring fishery license" means any of the following commercial fishery licenses issued under RCW 75.28.120 (as recodified by this act): Herring dip bag net; herring drag seine; herring gill net; herring lampara; herring purse seine.

(2) Except as provided in this section, a herring fishery license may be issued only to a person who held the license sought to be renewed during the previous year or acquired the license by transfer

from someone who held it during the previous year, and if the person has not subsequently transferred the license to another person.

(3) Herring fishery licenses may be renewed each year. A herring fishery license that is not renewed each year shall not be renewed further.

(4) The ~~((department))~~ director may issue additional herring fishery licenses if the stocks of herring will not be jeopardized by granting additional licenses.

(5) Subject to the restrictions of RCW 75.28.011 (as recodified by this act), herring fishery licenses are transferable from one license holder to another.

Sec. 65. RCW 75.30.170 and 1993 c 340 s 39 are each amended to read as follows:

(1) A person shall not commercially take whiting from areas that the department designates within the waters described in RCW 75.28.110(5)(a) (as recodified by this act) without a whiting-Puget Sound fishery license.

(2) A whiting-Puget Sound fishery license may be issued only to an individual who:

(a) Delivered at least fifty thousand pounds of whiting during the period from January 1, 1981, through February 22, 1985, as verified by fish delivery tickets;

(b) Possessed, on January 1, 1986, all equipment necessary to fish for whiting; and

(c) Held a whiting-Puget Sound fishery license during the previous year or acquired such a license by transfer from someone who held it during the previous year.

~~((2))~~ (3) After January 1, 1995, the director shall issue no new whiting-Puget Sound fishery licenses. After January 1, 1995, only an individual who meets the following qualifications may renew an existing license: The individual shall have held the license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and shall not have subsequently transferred the license to another person.

~~((3))~~ (4) Whiting-Puget Sound fishery licenses may be renewed each year. A whiting-Puget Sound fishery license that is not renewed each year shall not be renewed further.

Sec. 66. RCW 75.30.180 and 1993 c 340 s 40 are each amended to read as follows:

A whiting-Puget Sound fishery license may be transferred through gift, devise, bequest, or descent to members of the license holder's immediate family which shall be limited to spouse, children, or stepchildren. The holder of a whiting-Puget Sound fishery license shall be present on any vessel taking whiting under the license. In no instance may temporary permits be issued.

The director may adopt rules necessary to implement RCW ~~((75.30.160 through))~~ 75.30.170 and 75.30.180 (as recodified by this act).

Sec. 67. RCW 75.30.210 and 1998 c 190 s 104 are each amended to read as follows:

(1) A person shall not commercially take any species of sea urchin using shellfish diver gear without first obtaining a sea urchin dive fishery license.

(2) Except as provided in subsections (3) and (6) of this section, after December 31, 1991, the director shall issue no new sea urchin dive fishery licenses. Only a person who meets the following qualifications may renew an existing license:

(a) The person shall have held the sea urchin dive fishery license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year; and

(b) The person shall document, by valid shellfish receiving tickets issued by the department, that twenty thousand pounds of sea urchins were caught and sold under the license sought to be renewed during the two-year period ending March 31 of the most recent odd-numbered year.

(3) Where the person failed to obtain the license during the previous year because of a license suspension or revocation by the ~~((department))~~ director or the court, the person may qualify for a license by establishing that the person held such a license during the last year in which the person was eligible.

(4) The director may reduce or waive the poundage requirement of subsection (2)(b) of this section upon the recommendation of ~~((a board of))~~ an advisory review board established under RCW 75.30.050 (as recodified by this act). The review board ~~((of review))~~ may recommend a reduction or

waiver of the poundage requirement in individual cases if, in the review board's judgment, extenuating circumstances prevent achievement of the poundage requirement. The director shall adopt rules governing the operation of the ~~((board of))~~ review board and defining "extenuating circumstances."

(5) Sea urchin dive fishery licenses are not transferable from one license holder to another, except from parent to child, or from spouse to spouse during marriage or as a result of marriage dissolution, or upon the death of the license holder.

(6) If fewer than forty-five persons are eligible for sea urchin dive fishery licenses, the director may accept applications for new licenses. The director shall determine by random selection the successful applicants for the additional licenses. The number of additional licenses issued shall be sufficient to maintain up to forty-five licenses in the sea urchin dive fishery. The director shall adopt rules governing the application, selection, and issuance procedure for new sea urchin dive fishery licenses, based upon recommendations of ~~((a board of))~~ an advisory review board established under RCW 75.30.050 (as recodified by this act).

Sec. 68. RCW 75.30.220 and 1993 c 340 s 42 are each amended to read as follows:

(1) The director may issue experimental fishery permits for commercial harvest in an emerging commercial fishery for which the director has determined there is a need to limit the number of participants. The director shall determine by rule the number and qualifications of participants for such experimental fishery permits. Only a person who holds an emerging commercial fishery license issued under RCW 75.28.740 (as recodified by this act) and who meets the qualifications established in those rules may hold an experimental fishery permit. The director shall limit the number of these permits to prevent habitat damage, ensure conservation of the resource, and prevent overharvesting. In developing rules for limiting participation in an emerging or expanding commercial fishery, the director shall appoint a five-person advisory board representative of the affected fishery industry. The advisory board shall review and make recommendations to the director on rules relating to the number and qualifications of the participants for such experimental fishery permits.

(2) RCW 34.05.422(3) does not apply to applications for new experimental fishery permits.

(3) Experimental fishery permits are not transferable from the permit holder to any other person.

Sec. 69. RCW 75.30.250 and 1998 c 190 s 105 are each amended to read as follows:

(1) A person shall not commercially take while using shellfish diver gear any species of sea cucumber without first obtaining a sea cucumber dive fishery license.

(2) Except as provided in subsection (6) of this section, after December 31, 1991, the director shall issue no new sea cucumber dive fishery licenses. Only a person who meets the following qualifications may renew an existing license:

(a) The person shall have held the sea cucumber dive fishery license sought to be renewed during the previous two years or acquired the license by transfer from someone who held it during the previous year; and

(b) The person shall establish, by means of dated shellfish receiving documents issued by the department, that thirty landings of sea cucumbers totaling at least ten thousand pounds were made under the license during the previous two-year period ending December 31 of the odd-numbered year.

(3) Where the person failed to obtain the license during either of the previous two years because of a license suspension by the ~~((department))~~ director or the court, the person may qualify for a license by establishing that the person held such a license during the last year in which the person was eligible.

(4) The director may reduce or waive any landing or poundage requirement established under this section upon the recommendation of ~~((a board of))~~ an advisory review board established under RCW 75.30.050 (as recodified by this act). The ~~((board of))~~ review board may recommend a reduction or waiver of any landing or poundage requirement in individual cases if, in the review board's judgment, extenuating circumstances prevent achievement of the landing or poundage requirement. The director shall adopt rules governing the operation of the ~~((board of))~~ review board and defining "extenuating circumstances."

(5) Sea cucumber dive fishery licenses are not transferable from one license holder to another except from parent to child, from spouse to spouse during marriage or as a result of marriage dissolution, or upon death of the license holder.

(6) If fewer than fifty persons are eligible for sea cucumber dive fishery licenses, the director may accept applications for new licenses from those persons who can demonstrate two years' experience in the Washington state sea cucumber dive fishery. The director shall determine by random selection the successful applicants for the additional licenses. The number of additional licenses issued shall be sufficient to maintain up to fifty licenses in the sea cucumber dive fishery. The director shall adopt rules governing the application, selection, and issuance procedure for new sea cucumber dive fishery licenses, based upon recommendations of ~~((a board of))~~ an advisory review board established under RCW 75.30.050 (as recodified by this act).

Sec. 70. RCW 75.30.270 and 1993 c 340 s 37 are each amended to read as follows:

(1) A herring spawn on kelp fishery license is required to commercially take herring eggs which have been deposited on vegetation of any type.

(2) A herring spawn on kelp fishery license may be issued only to a person who:

(a) Holds a herring fishery license issued under RCW 75.28.120 and 75.30.140 (as recodified by this act); and

(b) Is the highest bidder in an auction conducted under subsection (3) of this section.

(3) The department shall sell herring spawn on kelp commercial fishery licenses at auction to the highest bidder. Bidders shall identify their sources of kelp. Kelp harvested from state-owned aquatic lands as defined in RCW 79.90.465 requires the written consent of the department of natural resources. The department shall give all holders of herring fishery licenses thirty days' notice of the auction.

Sec. 71. RCW 75.30.280 and 1998 c 190 s 106 are each amended to read as follows:

(1) A person shall not harvest geoduck clams commercially without a geoduck fishery license. This section does not apply to the harvest of private sector cultured aquatic products as defined in RCW 15.85.020.

(2) Only a person who has entered into a geoduck harvesting agreement with the department of natural resources under RCW 79.96.080 may hold a geoduck fishery license.

(3) A geoduck fishery license authorizes no taking of geoducks outside the boundaries of the public lands designated in the underlying harvesting agreement, or beyond the harvest ceiling set in the underlying harvesting agreement.

(4) A geoduck fishery license expires when the underlying geoduck harvesting agreement terminates.

(5) The director shall determine the number of geoduck fishery licenses that may be issued for each geoduck harvesting agreement, the number of units of gear whose use the license authorizes, and the type of gear that may be used, subject to RCW 75.24.100 (as recodified by this act). In making those determinations, the director shall seek to conserve the geoduck resource and prevent damage to its habitat.

(6) The holder of a geoduck fishery license and the holder's agents and representatives shall comply with all applicable commercial diving safety regulations adopted by the federal occupational safety and health administration established under the federal occupational safety and health act of 1970 as such law exists on May 8, 1979, 84 Stat. 1590 et seq.; 29 U.S.C. Sec. 651 et seq. A violation of those regulations is a violation of this subsection. For the purposes of this section, persons who dive for geoducks are "employees" as defined by the federal occupational safety and health act. A violation of this subsection is grounds for suspension or revocation of a geoduck fishery license following a hearing under the procedures of chapter 34.05 RCW. The ~~((department))~~ director shall not suspend or revoke a geoduck fishery license if the violation has been corrected within ten days of the date the license holder receives written notice of the violation. If there is a substantial probability that a violation of the commercial diving standards could result in death or serious physical harm to a person engaged in harvesting geoduck clams, the ~~((department))~~ director shall suspend the license immediately until the violation has been corrected. If the license holder is not the operator of the harvest vessel and

has contracted with another person for the harvesting of geoducks, the ~~((department))~~ director shall not suspend or revoke the license if the license holder terminates its business relationship with that person until compliance with this subsection is secured.

Sec. 72. RCW 75.30.290 and 1998 c 190 s 107 are each amended to read as follows:

A person shall not commercially deliver into any Washington state port ocean pink shrimp caught in offshore waters without an ocean pink shrimp delivery license issued under RCW 75.28.730 (as recodified by this act), or an ocean pink shrimp single delivery license issued under RCW 75.30.320 (as recodified by this act). An ocean pink shrimp delivery license shall be issued to a vessel that:

(1) Landed a total of at least five thousand pounds of ocean pink shrimp in Washington in any single calendar year between January 1, 1983, and December 31, 1992, as documented by a valid shellfish receiving ticket; and

(2) Can show continuous participation in the Washington, Oregon, or California ocean pink shrimp fishery by being eligible to land ocean pink shrimp in either Washington, Oregon, or California each year since the landing made under subsection (1) of this section. Evidence of such eligibility shall be a certified statement from the relevant state licensing agency that the applicant for a Washington ocean pink shrimp delivery license held at least one of the following permits:

(a) For Washington: Possession of a delivery permit or delivery license issued under RCW 75.28.125 ~~((or a trawl license (other than Puget Sound) issued under RCW 75.28.140))~~ (as recodified by this act);

(b) For Oregon: Possession of a vessel permit issued under Oregon Revised Statute 508.880; or

(c) For California: A trawl permit issued under California Fish and Game Code sec. 8842.

Sec. 73. RCW 75.30.300 and 1993 c 376 s 6 are each amended to read as follows:

An applicant who can show historical participation under RCW 75.30.290(1) (as recodified by this act) but does not satisfy the continuous participation requirement of RCW 75.30.290(2) (as recodified by this act) shall be issued an ocean pink shrimp delivery license if:

(1) The owner can prove that the owner was in the process on December 31, 1992, of constructing a vessel for the purpose of ocean pink shrimp harvest. For purposes of this section, "construction" means having the keel laid, and "for the purpose of ocean pink shrimp harvest" means the vessel is designed as a trawl vessel. An ocean pink shrimp delivery license issued to a vessel under construction is not renewable after December 31, 1994, unless the vessel lands a total of at least five thousand pounds of ocean pink shrimp into a Washington state port before December 31, 1994; or

(2) The applicant's vessel is a replacement for a vessel that is otherwise eligible for an ocean pink shrimp delivery license.

Sec. 74. RCW 75.30.320 and 1993 c 376 s 8 are each amended to read as follows:

The owner of an ocean pink shrimp fishing vessel that does not qualify for an ocean pink shrimp delivery license issued under RCW 75.28.730 (as recodified by this act) shall obtain an ocean pink shrimp single delivery license in order to make a landing into a state port of ocean pink shrimp taken in offshore waters. The director shall not issue an ocean pink shrimp single delivery license unless, as determined by the director, a bona fide emergency exists. A maximum of six ocean pink shrimp single delivery licenses may be issued annually to any vessel. ~~((Unless adjusted by the director pursuant to the director's authority granted in RCW 75.28.065,))~~ The fee for an ocean pink shrimp single delivery license is one hundred dollars.

Sec. 75. RCW 75.30.330 and 1993 c 376 s 10 are each amended to read as follows:

The director may reduce the landing requirements established under RCW 75.30.290 (as recodified by this act) upon the recommendation of an advisory review board established under RCW 75.30.050 (as recodified by this act), but the director may not entirely waive the landing requirement. The advisory review board may recommend a reduction of the landing requirement in individual cases if in the advisory review board's judgment, extenuating circumstances prevented achievement of the

landing requirement. The director shall adopt rules governing the operation of the advisory review board and defining "extenuating circumstances."

Sec. 76. RCW 75.30.350 and 1998 c 190 s 108 are each amended to read as follows:

(1) A person shall not commercially fish for coastal crab in Washington state waters without a Dungeness crab--coastal or a Dungeness crab--coastal class B fishery license. Gear used must consist of one buoy attached to each crab pot. Each crab pot must be fished individually.

(2) A Dungeness crab--coastal fishery license is transferable. Except as provided in subsection (3) of this section, such a license shall only be issued to a person who proved active historical participation in the coastal crab fishery by having designated, after December 31, 1993, a vessel or a replacement vessel on the qualifying license that singly or in combination meets the following criteria:

(a) Made a minimum of eight coastal crab landings totaling a minimum of five thousand pounds per season in at least two of the four qualifying seasons identified in subsection (5) of this section, as documented by valid Washington state shellfish receiving tickets; and showed historical and continuous participation in the coastal crab fishery by having held one of the following licenses or their equivalents each calendar year beginning 1990 through 1993, and was designated on the qualifying license of the person who held one of the following licenses in 1994:

(i) Crab pot--Non-Puget Sound license, issued under RCW 75.28.130(1)(b) (as recodified by this act);

(ii) Nonsalmon delivery license, issued under RCW 75.28.125 (as recodified by this act);

(iii) Salmon troll license, issued under RCW 75.28.110 (as recodified by this act);

(iv) Salmon delivery license, issued under RCW 75.28.113 (as recodified by this act);

(v) Food fish trawl license, issued under RCW 75.28.120 (as recodified by this act); or

(vi) Shrimp trawl license, issued under RCW 75.28.130 (as recodified by this act); or

(b) Made a minimum of four Washington landings of coastal crab totaling two thousand pounds during the period from December 1, 1991, to March 20, 1992, and made a minimum of eight crab landings totaling a minimum of five thousand pounds of coastal crab during each of the following periods: December 1, 1991, to September 15, 1992; December 1, 1992, to September 15, 1993; and December 1, 1993, to September 15, 1994. For landings made after December 31, 1993, the vessel shall have been designated on the qualifying license of the person making the landings; or

(c) Made any number of coastal crab landings totaling a minimum of twenty thousand pounds per season in at least two of the four qualifying seasons identified in subsection (5) of this section, as documented by valid Washington state shellfish receiving tickets, showed historical and continuous participation in the coastal crab fishery by having held one of the qualifying licenses each calendar year beginning 1990 through 1993, and the vessel was designated on the qualifying license of the person who held that license in 1994.

(3) A Dungeness crab-coastal fishery license shall be issued to a person who had a new vessel under construction between December 1, 1988, and September 15, 1992, if the vessel made coastal crab landings totaling a minimum of five thousand pounds by September 15, 1993, and the new vessel was designated on the qualifying license of the person who held that license in 1994. All landings shall be documented by valid Washington state shellfish receiving tickets. License applications under this subsection may be subject to review by the advisory review board in accordance with RCW 75.30.050 (as recodified by this act). For purposes of this subsection, "under construction" means either:

(a)(i) A contract for any part of the work was signed before September 15, 1992; and

(ii) The contract for the vessel under construction was not transferred or otherwise alienated from the contract holder between the date of the contract and the issuance of the Dungeness crab-coastal fishery license; and

(iii) Construction had not been completed before December 1, 1988; or

(b)(i) The keel was laid before September 15, 1992; and

(ii) Vessel ownership was not transferred or otherwise alienated from the owner between the time the keel was laid and the issuance of the Dungeness crab-coastal fishery license; and

(iii) Construction had not been completed before December 1, 1988.

(4) A Dungeness crab--coastal class B fishery license is not transferable. Such a license shall be issued to persons who do not meet the qualification criteria for a Dungeness crab--coastal fishery

license, if the person has designated on a qualifying license after December 31, 1993, a vessel or replacement vessel that, singly or in combination, made a minimum of four landings totaling a minimum of two thousand pounds of coastal crab, documented by valid Washington state shellfish receiving tickets, during at least one of the four qualifying seasons, and if the person has participated continuously in the coastal crab fishery by having held or by having owned a vessel that held one or more of the licenses listed in subsection (2) of this section in each calendar year subsequent to the qualifying season in which qualifying landings were made through 1994. Dungeness crab--coastal class B fishery licenses cease to exist after December 31, 1999, and the continuing license provisions of RCW 34.05.422(3) are not applicable.

(5) The four qualifying seasons for purposes of this section are:

- (a) December 1, 1988, through September 15, 1989;
- (b) December 1, 1989, through September 15, 1990;
- (c) December 1, 1990, through September 15, 1991; and
- (d) December 1, 1991, through September 15, 1992.

(6) For purposes of this section and RCW 75.30.420 (as recodified by this act), "coastal crab" means Dungeness crab (cancer magister) taken in all Washington territorial and offshore waters south of the United States-Canada boundary and west of the Bonilla-Tatoosh line (a line from the western end of Cape Flattery to Tatoosh Island lighthouse, then to the buoy adjacent to Duntz Rock, then in a straight line to Bonilla Point of Vancouver island), Grays Harbor, Willapa Bay, and the Columbia river.

(7) For purposes of this section, "replacement vessel" means a vessel used in the coastal crab fishery in 1994, and that replaces a vessel used in the coastal crab fishery during any period from 1988 through 1993, and which vessel's licensing and catch history, together with the licensing and catch history of the vessel it replaces, qualifies a single applicant for a Dungeness crab--coastal or Dungeness crab--coastal class B fishery license. A Dungeness crab--coastal or Dungeness crab--coastal class B fishery license may only be issued to a person who designated a vessel in the 1994 coastal crab fishery and who designated the same vessel in 1995.

Sec. 77. RCW 75.30.370 and 1994 c 260 s 4 are each amended to read as follows:

A person commercially fishing for Dungeness crab in offshore waters outside of Washington state jurisdiction shall obtain a Dungeness crab offshore delivery license from the director if the person does not possess a valid Dungeness crab-coastal fishery license or a valid Dungeness crab-coastal class B fishery license and the person wishes to land Dungeness crab into a place or a port in the state. The annual fee for a Dungeness crab offshore delivery license is two hundred fifty dollars. The director may specify restrictions on landings of offshore Dungeness crab in Washington state as authorized in RCW 75.30.360 (as recodified by this act).

Fees from the offshore Dungeness crab delivery license shall be placed in the (~~coastal~~ ~~fishery~~) coastal crab account created in RCW 75.30.390 (as recodified by this act).

Sec. 78. RCW 75.30.380 and 1997 c 418 s 3 are each amended to read as follows:

Dungeness crab-coastal fishery licenses are freely transferable on a willing seller-willing buyer basis after paying the transfer fee in RCW 75.28.011 (as recodified by this act).

Sec. 79. RCW 75.30.390 and 1997 c 418 s 4 are each amended to read as follows:

The coastal crab account is created in the custody of the state treasurer. The account shall consist of revenues from fees from the transfer of each Dungeness crab-coastal fishery license assessed under RCW 75.28.011 (as recodified by this act), delivery fees assessed under RCW 75.30.370 (as recodified by this act), and the license surcharge under RCW 75.28.133 (as recodified by this act). Only the director or the director's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW but no appropriation is required for expenditures. Funds may be used for coastal crab management activities as provided in RCW 75.30.410 (as recodified by this act).

Sec. 80. RCW 75.30.420 and 1994 c 260 s 9 are each amended to read as follows:

(1) An Oregon resident who can show historical and continuous participation in the Washington state coastal crab fishery by having held a nonresident non-Puget Sound crab pot license issued under RCW 75.28.130 (as recodified by this act) each year from 1990 through 1994, and who has delivered a minimum of eight landings totaling five thousand pounds of crab into Oregon during any two of the four qualifying seasons as provided in RCW 75.30.350(~~(4)~~) (5) (as recodified by this act) as evidenced by valid Oregon fish receiving tickets, shall be issued a nonresident Dungeness crab-coastal fishery license valid for fishing in Washington state waters north from the Oregon-Washington boundary to United States latitude forty-six degrees thirty minutes north. Such license shall be issued upon application and submission of proof of delivery.

(2) This section shall become effective contingent upon reciprocal statutory authority in the state of Oregon providing for equal access for Washington state coastal crab fishers to Oregon territorial coastal waters north of United States latitude forty-five degrees fifty-eight minutes north, and Oregon waters of the Columbia river.

Sec. 81. RCW 75.30.440 and 1994 c 260 s 13 are each amended to read as follows:

Except as provided under RCW 75.30.460 (as recodified by this act), the director shall issue no new Dungeness crab-coastal fishery licenses after December 31, 1995. A person may renew an existing license only if the person held the license sought to be renewed during the previous year or acquired the license by transfer from someone who held it during the previous year, and if the person has not subsequently transferred the license to another person. Where the person failed to obtain the license during the previous year because of a license suspension, the person may qualify for a license by establishing that the person held such a license during the last year in which the license was not suspended.

Sec. 82. RCW 75.30.460 and 1994 c 260 s 17 are each amended to read as follows:

If fewer than one hundred seventy-five persons are eligible for Dungeness crab-coastal fishery licenses, the director may accept applications for new licenses. Additional licenses issued may maintain a maximum of one hundred seventy-five licenses in the Washington coastal crab fishery. If additional licenses are to be issued, the director shall adopt rules governing the notification, application, selection, and issuance procedures for new Dungeness crab-coastal fishery licenses, based on recommendations of the advisory review board established under RCW 75.30.050 (as recodified by this act).

The advisory review board may recommend a reduction of the landing requirement in individual cases if in the advisory review board's judgment, extenuating circumstances prevented achievement of the landing requirement. The director shall adopt rules governing the operation of the advisory review board and defining "extenuating circumstances." Extenuating circumstances may include situations in which a person had a vessel under construction such that qualifying landings could not be made. In defining extenuating circumstances, special consideration shall be given to individuals who can provide evidence of lack of access to capital based on past discrimination due to race, creed, color, sex, national origin, or disability.

Revocation shall be documented in writing to the volunteer group. Cause for revocation may include: (a) The unavailability of adequate biological or financial resources; (b) the development of unacceptable biological or resource management conflicts; or (c) a violation of agreement provisions. Notice of cause to revoke for a violation of agreement provisions may specify a reasonable period of time within which the volunteer group must comply with any violated provisions of the agreement.

(5) An appropriate method of distributing among volunteer groups fish, bird, or animal food or other supplies available for the program.

Sec. 108. RCW 75.52.070 and 1984 c 72 s 7 are each amended to read as follows:

(1) The volunteer group shall:

(a) Provide care and diligence in conducting the cooperative project; and

(b) Maintain accurately the required records of the project on forms provided by the department.

(2) The volunteer group shall acknowledge that fish and game reared in cooperative projects are public property and must be handled and released for the benefit of all citizens of the state. The fish and game are to remain public property until reduced to private ownership under rules of the ~~((department))~~ commission.

Sec. 109. RCW 75.52.100 and 1993 sp.s. c 2 s 52 are each amended to read as follows:

A salmon spawning channel shall be constructed on the Cedar river with the assistance and cooperation of the department. The technical committee will be guided by a policy committee, also to be chaired by the department, which shall consist of not more than six members: One representative from the department, one from the Muckleshoot Indian tribe, and one from either the national marine fisheries service or the United States fish and wildlife service; and three representatives from the public utility described in RCW 75.52.130 (as recodified by this act). The policy committee shall oversee the operation and evaluation of the spawning channel. The policy committee will continue its oversight until the policy committee concludes that the channel is meeting the production goals specified in RCW 75.52.120 (as recodified by this act).

Sec. 111. RCW 75.52.130 and 1989 c 85 s 6 are each amended to read as follows:

The legislature recognizes that, if funding for planning, design, evaluation, construction, and operating expenses is provided by a public utility that diverts water for beneficial public use, and if the performance of the spawning channel meets the production goals described in RCW 75.52.120 (as recodified by this act), the spawning channel project will serve, at a minimum, as compensation for lost sockeye salmon spawning habitat upstream of the Landsburg diversion. The amount of funding to be supplied by ~~((said))~~ the utility will fully fund the total cost of planning, design, evaluation, and construction of the spawning channel.

Sec. 112. RCW 75.52.140 and 1989 c 85 s 7 are each amended to read as follows:

In order to provide operation and maintenance funds for the facility authorized by RCW 75.52.100 through 75.52.160 (as recodified by this act), the utility shall place two million five hundred thousand dollars in the state general fund Cedar river channel construction and operation account herein created. The interest from the fund shall be used for operation and maintenance of the spawning channel and any unused interest shall be added to the fund to increase the principal to cover possible future operation cost increases. The state treasurer may invest funds from the account as provided by law.

Sec. 113. RCW 75.52.160 and 1993 sp.s. c 2 s 54 are each amended to read as follows:

Should the requirements of RCW 75.52.100 through 75.52.160 (as recodified by this act) not be met, the department shall seek immediate legal clarification of the steps which must be taken to fully mitigate water diversion projects on the Cedar river.

Sec. 114. RCW 75.54.140 and 1998 c 191 s 28 are each amended to read as follows:

As provided in RCW 77.32.440, a portion of each saltwater and combination fishing license fee shall be deposited in the recreational fisheries enhancement account created in RCW 75.54.150 (as recodified by this act).

Sec. 115. RCW 75.54.150 and 1993 sp.s. c 2 s 98 are each amended to read as follows:

Moneys in the account may be spent only after appropriation. Expenditures from the account may be used only for recreational fisheries enhancement programs.

Sec. 116. RCW 75.56.050 and 1998 c 60 s 2 are each amended to read as follows:

(1) A pilot program for steelhead recovery is established in Clark, Cowlitz, Lewis, Skamania, and Wahkiakum counties within the habitat area classified as evolutionarily significant unit 4 by the federal national marine fisheries service. The management board created under subsection (2) of this section is responsible for implementing the habitat portion of the approved steelhead recovery initiative and is empowered to receive and disburse funds for the approved steelhead recovery initiative. The management board created pursuant to this section shall constitute the ~~((regional council for this area responsible for fulfilling the requirements and exercising the powers of a regional council under~~

~~chapter 246, Laws of 1998~~) lead entity and the committee established under RCW 75.46.060 (as recodified by this act) responsible for fulfilling the requirements and exercising powers under this chapter.

(2) A management board consisting of fifteen voting members is created within evolutionarily significant unit 4. The members shall consist of one county commissioner or designee from each of the five participating counties selected by each county legislative authority; one member representing the cities contained within evolutionarily significant unit 4 as a voting member selected by the cities in evolutionarily significant unit 4; a representative of the Cowlitz Tribe appointed by the tribe; one state legislator elected from one of the legislative districts contained within evolutionarily significant unit 4 selected by that group of state legislators representing the area; five representatives to include at least one member who represents private property interests appointed by the five county commissioners or designees; one hydro utility representative nominated by hydro utilities and appointed by the five county commissioners or designees; and one representative nominated from the environmental community who resides in evolutionarily significant unit 4 appointed by the five county commissioners or designees. The board shall appoint and consult a technical advisory committee, which shall include four representatives of state agencies one each appointed by the directors of the departments of ecology, fish and wildlife, and transportation, and the commissioner of public lands. The board may also appoint additional persons to the technical advisory committee as needed. The chair of the board shall be selected from among the five county commissioners or designees and the legislator on the board. In making appointments under this subsection, the county commissioners shall consider recommendations of interested parties. Vacancies shall be filled in the same manner as the original appointments were selected. No action may be brought or maintained against any management board member, the management board, or any of its agents, officers, or employees for any noncontractual acts or omissions in carrying out the purposes of this section.

(3)(a) The management board shall participate in the development of a recovery plan to implement its responsibilities under (b) of this subsection. The management board shall consider local watershed efforts and activities as well as habitat conservation plans in the implementation of the recovery plan. Any of the participating counties may continue its own efforts for restoring steelhead habitat. Nothing in this section limits the authority of units of local government to enter into interlocal agreements under chapter 39.34 RCW or any other provision of law.

(b) The management board is responsible for implementing the habitat portions of the local government responsibilities of the lower Columbia steelhead conservation initiative approved by the state and the national marine fisheries service. The management board may work in cooperation with the state and the national marine fisheries service to modify the initiative, or to address habitat for other aquatic species that may be subsequently listed under the federal endangered species act. The management board may not exercise authority over land or water within the individual counties or otherwise preempt the authority of any units of local government.

(c) The management board shall prioritize as appropriate and approve projects and programs related to the recovery of lower Columbia river steelhead runs, including the funding of those projects and programs, and coordinate local government efforts as prescribed in the recovery plan. The management board shall establish criteria for funding projects and programs based upon their likely value in steelhead recovery. The management board may consider local economic impact among the criteria, but jurisdictional boundaries and factors related to jurisdictional population may not be considered as part of the criteria.

(d) The management board shall assess the factors for decline along each prioritized stream as listed in the lower Columbia steelhead conservation initiative. The management board is encouraged to take a stream-by-stream approach in conducting the assessment which utilizes state and local expertise, including volunteer groups, interest groups, and affected units of local government.

(4) The management board has the authority to hire and fire staff, including an executive director, enter into contracts, accept grants and other moneys, disburse funds, make recommendations to cities and counties about potential code changes and the development of programs and incentives upon request, pay all necessary expenses, and may choose a fiduciary agent. The management board shall report on its progress on a quarterly basis to the legislative bodies of the five participating counties and the state natural resource-related agencies.

(5) The pilot program terminates on July 1, 2002.

(6) For purposes of this section, "evolutionarily significant unit" means the habitat area identified for an evolutionarily significant unit of an aquatic species listed or proposed for listing as a threatened or endangered species under the federal endangered species act (16 U.S.C. Sec. 1531 et seq.).

Sec. 117. RCW 75.58.010 and 1998 c 190 s 110 are each amended to read as follows:

(1) The director of agriculture and the director shall jointly develop a program of disease inspection and control for aquatic farmers as defined in RCW 15.85.020. The program shall be administered by the department under rules established under this section. The purpose of the program is to protect the aquaculture industry and wildstock fisheries from a loss of productivity due to aquatic diseases or maladies. As used in this section "diseases" means, in addition to its ordinary meaning, infestations of parasites or pests. The disease program may include, but is not limited to, the following elements:

- (a) Disease diagnosis;
- (b) Import and transfer requirements;
- (c) Provision for certification of stocks;
- (d) Classification of diseases by severity;
- (e) Provision for treatment of selected high-risk diseases;
- (f) Provision for containment and eradication of high-risk diseases;
- (g) Provision for destruction of diseased cultured aquatic products;

- (j) Provision for development of preventative or control measures;
- (k) Provision for cooperative consultation service to aquatic farmers; and
- (l) Provision for disease history records.

(2) The commission shall adopt rules implementing this section. However, such rules shall have the prior approval of the director of agriculture and shall provide therein that the director of agriculture has provided such approval. The director of agriculture or the director's designee shall attend the rule-making hearings conducted under chapter 34.05 RCW and shall assist in conducting those hearings. The authorities granted the department by these rules and by RCW 75.08.080(1)(g), 75.24.080, 75.24.110, 75.28.125, 75.58.020, 75.58.030, and 75.58.040 (as recodified by this act) constitute the only authorities of the department to regulate private sector cultured aquatic products and aquatic farmers as defined in RCW 15.85.020. Except as provided in subsection (3) of this section, no action may be taken against any person to enforce these rules unless the department has first provided the person an opportunity for a hearing. In such a case, if the hearing is requested, no enforcement action may be taken before the conclusion of that hearing.

(3) The rules adopted under this section shall specify the emergency enforcement actions that may be taken by the department, and the circumstances under which they may be taken, without first providing the affected party with an opportunity for a hearing. Neither the provisions of this subsection nor the provisions of subsection (2) of this section shall preclude the department from requesting the initiation of criminal proceedings for violations of the disease inspection and control rules.

(4) A person shall not violate the rules adopted under subsection (2) or (3) of this section or violate RCW 75.58.040 (as recodified by this act).

(5) In administering the program established under this section, the department shall use the services of a pathologist licensed to practice veterinary medicine.

(6) The director in administering the program shall not place constraints on or take enforcement actions in respect to the aquaculture industry that are more rigorous than those placed on the department or other fish-rearing entities.

Sec. 118. RCW 75.58.020 and 1993 sp.s. c 2 s 56 are each amended to read as follows:

The directors of agriculture and fish and wildlife shall jointly adopt by rule, in the manner prescribed in RCW 75.58.010(2) (as recodified by this act), a schedule of user fees for the disease

inspection and control program established under RCW 75.58.010 (as recodified by this act). The fees shall be established such that the program shall be entirely funded by revenues derived from the user fees by the beginning of the 1987-89 biennium.

There is established in the state treasury an account known as the aquaculture disease control account which is subject to appropriation. Proceeds of fees charged under this section shall be deposited in the account. Moneys from the account shall be used solely for administering the disease inspection and control program established under RCW 75.58.010 (as recodified by this act).

Sec. 119. RCW 75.58.030 and 1993 sp.s. c 2 s 57 are each amended to read as follows:

(1) The director shall consult regarding the disease inspection and control program established under RCW 75.58.010 (as recodified by this act) with federal agencies and Indian tribes to assure protection of state, federal, and tribal aquatic resources and to protect private sector cultured aquatic products from disease that could originate from waters or facilities managed by those agencies.

(2) With regard to the program, the director may enter into contracts or interagency agreements for diagnostic field services with government agencies and institutions of higher education and private industry.

(3) The director shall provide for the creation and distribution of a roster of biologists having a (~~speciality~~ ~~speciality~~) specialty in the diagnosis or treatment of diseases of fish or shellfish. The director shall adopt rules specifying the qualifications which a person must have in order to be placed on the roster.

The purpose of RCW 77.12.450 through 77.12.490 (as recodified by this act) is to avoid the conflict, confusion, and difficulty of locating the state boundary in or on the boundary waters and islands of the Snake river. These sections do not allow the holder of a Washington license to fish or hunt on the shoreline, sloughs, or tributaries on the Idaho side, nor allow the holder of an Idaho license to fish or hunt on the shoreline, sloughs, or tributaries on the Washington side.

Sec. 225. RCW 77.12.610 and 1982 c 155 s 1 are each amended to read as follows:

The purposes of RCW 77.12.610 through 77.12.630 ~~((and 77.16.610))~~ are to facilitate the department's gathering of biological data for managing wildlife resources of this state and to protect wildlife resources by assuring compliance with Title 77 RCW, and rules adopted thereunder, in a manner designed to minimize inconvenience to the public.

Sec. 226. RCW 77.12.620 and 1982 c 155 s 2 are each amended to read as follows:

The department is authorized to require hunters and fishermen occupying a motor vehicle approaching or entering a check station to stop and produce for inspection: (1) Any wildlife in their possession; (2) licenses, permits, tags, stamps, or ~~((punchcards))~~ catch record cards, required under Title 77 RCW, or rules adopted thereunder. For these purposes, the department is authorized to operate check stations which shall be plainly marked by signs, operated by at least one uniformed fish and wildlife ((agent)) officer, and operated in a safe manner.

Sec. 227. RCW 77.12.630 and 1982 c 155 s 4 are each amended to read as follows:

The powers conferred by RCW 77.12.610 through 77.12.630 ~~((and 77.16.610))~~ are in addition to all other powers conferred by law upon the department. Nothing in RCW 77.12.610 through 77.12.630 ~~((and 77.16.610))~~ shall be construed to prohibit the department from operating wildlife information stations at which persons shall not be required to stop and report, or from executing arrests, searches, or seizures otherwise authorized by law.

Sec. 228. RCW 77.12.830 and 1997 c 425 s 3 are each amended to read as follows:

(1) Beginning in January 1998, the department of fish and wildlife and the department of natural resources shall implement a habitat incentives program based on the recommendations of federally recognized Indian tribes, landowners, the regional fisheries enhancement groups, the timber, fish, and wildlife cooperators, and other interested parties. The program shall allow a private landowner to enter into an agreement with the departments to enhance habitat on the landowner's property for food fish, game fish, or other wildlife species. In exchange, the landowner shall receive state regulatory certainty with regard to future applications for hydraulic project approval or a forest practices permit on the property covered by the agreement. The overall goal of the program is to provide a mechanism that facilitates habitat development on private property while avoiding an adverse state regulatory impact to the landowner at some future date. A single agreement between the departments and a landowner may encompass up to one thousand acres. A landowner may enter into multiple agreements with the departments, provided that the total acreage covered by such agreements with a single landowner does not exceed ten thousand acres. The departments are not obligated to enter into an agreement unless the departments find that the agreement is in the best interest of protecting fish or wildlife species or their habitat.

(2) A habitat incentives agreement shall be in writing and shall contain at least the following: A description of the property covered by the agreement, an expiration date, a description of the condition of the property prior to the implementation of the agreement, and other information needed by the landowner and the departments for future reference and decisions.

(3) As part of the agreement, the department of fish and wildlife may stipulate the factors that will be considered when the department evaluates a landowner's application for hydraulic project approval under RCW 75.20.100 or 75.20.103 (as recodified by this act) on property covered by the agreement. The department's identification of these evaluation factors shall be in concurrence with the department of natural resources and affected federally recognized Indian tribes. In general, future decisions related to the issuance, conditioning, or denial of hydraulic project approval shall be based on the conditions present on the landowner's property at the time of the agreement, unless all parties agree otherwise.

(4) As part of the agreement, the department of natural resources may stipulate the factors that will be considered when the department evaluates a landowner's application for a forest practices permit under chapter 76.09 RCW on property covered by the agreement. The department's identification of these evaluation factors shall be in concurrence with the department of fish and wildlife and affected federally recognized Indian tribes. In general, future decisions related to the issuance, conditioning, or denial of forest practices permits shall be based on the conditions present on the landowner's property at the time of the agreement, unless all parties agree otherwise.

(5) The agreement is binding on and may be used by only the landowner who entered into the agreement with the department. The agreement shall not be appurtenant with the land. However, if a new landowner chooses to maintain the habitat enhancement efforts on the property, the new landowner and the departments may jointly choose to retain the agreement on the property.

(6) If the departments receive multiple requests for agreements with private landowners under the habitat incentives program, the departments shall prioritize these requests and shall enter into as many agreements as possible within available budgetary resources.

Sec. 229. RCW 77.15.070 and 1998 c 190 s 69 are each amended to read as follows:

(1) Fish and wildlife officers and ex officio fish and wildlife officers may seize without warrant boats, airplanes, vehicles, gear, appliances, or other articles they have probable cause to believe have been used in violation of this chapter. However, fish and wildlife officers or ex officio fish and wildlife officers may not seize any item or article, other than for evidence, if under the circumstances, it is reasonable to conclude that the violation was inadvertent. The property seized is subject to forfeiture to the state under this section regardless of ownership. Property seized may be recovered by its owner by depositing into court a cash bond equal to the value of the seized property but not more than twenty-five thousand dollars. Such cash bond is subject to forfeiture in lieu of the property. Forfeiture of property seized under this section is a civil forfeiture against property and is intended to be a remedial civil sanction.

(2) In the event of a seizure of property under this section, jurisdiction to begin the forfeiture proceedings shall commence upon seizure. Within fifteen days following the seizure, the seizing authority shall serve a written notice of intent to forfeit property on the owner of the property seized and on any person having any known right or interest in the property seized. Notice may be served by any method authorized by law or court rule, including service by certified mail with return receipt requested. Service by mail is deemed complete upon mailing within the fifteen-day period following the seizure.

(3) Persons claiming a right of ownership or right to possession of property are entitled to a hearing to contest forfeiture. Such a claim shall specify the claim of ownership or possession and shall be made in writing and served on the director within forty-five days of the seizure. If the seizing authority has complied with notice requirements and there is no claim made within forty-five days, then the property shall be forfeited to the state.

(4) If any person timely serves the director with a claim to property, the person shall be afforded an opportunity to be heard as to the person's claim or right. The hearing shall be before the director or director's designee, or before an administrative law judge appointed under chapter 34.12 RCW, except that a person asserting a claim or right may remove the matter to a court of competent jurisdiction if the aggregate value of the property seized is more than five thousand dollars.

(5) The hearing to contest forfeiture and any subsequent appeal shall be as provided for in Title 34 RCW. The seizing authority has the burden to demonstrate that it had reason to believe the property was held with intent to violate or was used in violation of this title or rule of the commission or director. The person contesting forfeiture has the burden of production and proof by a preponderance of evidence that the person owns or has a right to possess the property and:

(a) That the property was not held with intent to violate or used in violation of this title (~~or Title 75 RCW~~); or

(b) If the property is a boat, airplane, or vehicle, that the illegal use or planned illegal use of the boat, airplane, or vehicle occurred without the owner's knowledge or consent, and that the owner acted reasonably to prevent illegal uses of such boat, airplane, or vehicle.

(6) A forfeiture of a conveyance encumbered by a perfected security interest is subject to the interest of the secured party if the secured party neither had knowledge (~~of~~) of nor consented to the act or omission. No security interest in seized property may be perfected after seizure.

(7) If seized property is forfeited under this section the department may retain it for official use unless the property is required to be destroyed, or upon application by any law enforcement agency of the state, release such property to the agency for the use of enforcing this title, or sell such property, and deposit the proceeds to the wildlife fund, as provided for in RCW 77.12.170.

Sec. 230. RCW 77.15.080 and 1998 c 190 s 113 are each amended to read as follows:

Based upon articulable facts that a person is engaged in fishing or hunting activities, fish and wildlife officers have the authority to temporarily stop the person and check for valid licenses, tags,

permits, stamps, or catch record cards, and to inspect all fish and wildlife in possession as well as the equipment being used to ensure compliance with the requirements of this title (~~and Title 75 RCW~~).

Sec. 231. RCW 77.15.090 and 1998 c 190 s 117 are each amended to read as follows:

On a showing of probable cause that there has been a violation of any fish or wildlife law of the state of Washington, or upon a showing of probable cause to believe that evidence of such violation may be found at a place, a court shall issue a search warrant or arrest warrant. Fish and wildlife officers may execute any such arrest or search warrant reasonably necessary to their duties under this title (~~or Title 75 RCW~~) and may seize fish and wildlife or any evidence of a crime and the fruits or instrumentalities of a crime as provided by warrant. The court may have a building, enclosure, vehicle, vessel, container, or receptacle opened or entered and the contents examined.

Sec. 232. RCW 77.15.100 and 1998 c 190 s 63 are each amended to read as follows:

(1) Unless otherwise provided in this title (~~or Title 75 RCW~~), fish, shellfish, or wildlife unlawfully taken or possessed, or involved in a violation shall be forfeited to the state upon conviction. Unless already held by, sold, destroyed, or disposed of by the department, the court shall order such fish or wildlife to be delivered to the department. Where delay will cause loss to the value of the property and a ready wholesale buying market exists, the department may sell property to a wholesale buyer at a fair market value.

(2) (~~The department may use, sell, or destroy any other~~) When seized property is forfeited (by the court or) to the department, the department may retain it for official use unless the property is required to be destroyed, or upon application by any law enforcement agency of the state, release the property to the agency for the use of enforcing this title, or sell such property and deposit the proceeds into the state wildlife fund established under RCW 77.12.170. Any sale of other property shall be at public auction or after public advertisement reasonably designed to obtain the highest price. The time, place, and manner of holding the sale shall be determined by the director. The director may contract for the sale to be through the department of general administration as state surplus property, or, except where not justifiable by the value of the property, the director shall publish notice of the sale once a week for at least two consecutive weeks before the sale in at least one newspaper of general circulation in the county in which the sale is to be held. (~~Proceeds of the sale shall be deposited in the state treasury to be credited to the state wildlife fund.~~)

(5) The governor, upon recommendation from the clemency and pardons board, may grant an extraordinary release for reasons of serious health problems, senility, advanced age, extraordinary meritorious acts, or other extraordinary circumstances;

(1) Except as authorized in subsections (2), (4), (5), (6), and (8) of this section, the court shall impose a sentence within the sentence range for the offense.

(2) The court may impose a sentence outside the standard sentence range for that offense if it finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(3) Whenever a sentence outside the standard range is imposed, the court shall set forth the reasons for its decision in written findings of fact and conclusions of law. A sentence outside the standard range shall be a determinate sentence.

(4) A persistent offender shall be sentenced to a term of total confinement for life without the possibility of parole or, when authorized by RCW 10.95.030 for the crime of aggravated murder in the first degree, sentenced to death, notwithstanding the maximum sentence under any other law. (5) In sentencing a first-time offender the court may waive the imposition of a sentence within the sentence range and impose a sentence which may include up to ninety days of confinement in a facility operated or utilized under contract by the county and a requirement that the offender refrain from committing new offenses. The sentence may also include up to two years of community supervision, which, in addition to crime-related prohibitions, may include requirements that the offender perform any one or more of the following:

- (a) Devote time to a specific employment or occupation;
- (b) Undergo available outpatient treatment for up to two years, or inpatient treatment not to exceed the standard range of confinement for that offense;

- (e) Report as directed to the court and a community corrections officer; or
- (f) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030 and/or perform community service work.

(6)(a) An offender is eligible for the special drug offender sentencing alternative if:

(i) The offender is convicted of the manufacture, delivery, or possession with intent to manufacture or deliver a controlled substance classified in Schedule I or II that is a narcotic drug or a felony that is, under chapter 9A.28 RCW or RCW 69.50.407, a criminal attempt, criminal solicitation, or criminal conspiracy to commit such crimes, and the violation does not involve a sentence enhancement under RCW 9.94A.310 (3) or (4);

(ii) The offender has no prior convictions for a felony in this state, another state, or the United States; and

(iii) The offense involved only a small quantity of the particular controlled substance as determined by the judge upon consideration of such factors as the weight, purity, packaging, sale price, and street value of the controlled substance.

(b) If the midpoint of the standard range is greater than one year and the sentencing judge determines that the offender is eligible for this option and that the offender and the community will benefit from the use of the special drug offender sentencing alternative, the judge may waive imposition of a sentence within the standard range and impose a sentence that must include a period of total confinement in a state facility for one-half of the midpoint of the standard range. During incarceration in the state facility, offenders sentenced under this subsection shall undergo a

comprehensive substance abuse assessment and receive, within available resources, treatment services appropriate for the offender. The treatment services shall be designed by the division of alcohol and substance abuse of the department of social and health services, in cooperation with the department of corrections. If the midpoint of the standard range is twenty-four months or less, no more than three months of the sentence may be served in a work release status. The court shall also impose one year of concurrent community custody and community supervision that must include appropriate outpatient substance abuse treatment, crime-related prohibitions including a condition not to use illegal controlled substances, and a requirement to submit to urinalysis or other testing to monitor that status. The court may require that the monitoring for controlled substances be conducted by the department or by a treatment alternatives to street crime program or a comparable court or agency-referred program. The offender may be required to pay thirty dollars per month while on community custody to offset the cost of monitoring. In addition, the court shall impose three or more of the following conditions:

- (i) Devote time to a specific employment or training;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer before any change in the offender's address or employment;
- (iii) Report as directed to a community corrections officer;
- (iv) Pay all court-ordered legal financial obligations;
- (v) Perform community service work;
- (vi) Stay out of areas designated by the sentencing judge.

(c) If the offender violates any of the sentence conditions in (b) of this subsection, the department shall impose sanctions administratively, with notice to the prosecuting attorney and the sentencing court. Upon motion of the court or the prosecuting attorney, a violation hearing shall be held by the court. If the court finds that conditions have been willfully violated, the court may impose confinement consisting of up to the remaining one-half of the midpoint of the standard range. All total confinement served during the period of community custody shall be credited to the offender, regardless of whether the total confinement is served as a result of the original sentence, as a result of a sanction imposed by the department, or as a result of a violation found by the court. The term of community supervision shall be tolled by any period of time served in total confinement as a result of a violation found by the court.

(d) The department shall determine the rules for calculating the value of a day fine based on the offender's income and reasonable obligations which the offender has for the support of the offender and any dependents. These rules shall be developed in consultation with the administrator for the courts, the office of financial management, and the commission.

(7) If a sentence range has not been established for the defendant's crime, the court shall impose a determinate sentence which may include not more than one year of confinement, community service work, a term of community supervision not to exceed one year, and/or other legal financial obligations. The court may impose a sentence which provides more than one year of confinement if the court finds, considering the purpose of this chapter, that there are substantial and compelling reasons justifying an exceptional sentence.

(8)(a)(i) When an offender is convicted of a sex offense other than a violation of RCW 9A.44.050 or a sex offense that is also a serious violent offense and has no prior convictions for a sex offense or any other felony sex offenses in this or any other state, the sentencing court, on its own motion or the motion of the state or the defendant, may order an examination to determine whether the defendant is amenable to treatment.

The report of the examination shall include at a minimum the following: The defendant's version of the facts and the official version of the facts, the defendant's offense history, an assessment of problems in addition to alleged deviant behaviors, the offender's social and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator's information.

The examiner shall assess and report regarding the defendant's amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

- (A) Frequency and type of contact between offender and therapist;

(B) Specific issues to be addressed in the treatment and description of planned treatment modalities;

(C) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members and others;

(D) Anticipated length of treatment; and

(E) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender's amenability to treatment. The evaluator shall be selected by the party making the motion. The defendant shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

(ii) After receipt of the reports, the court shall consider whether the offender and the community will benefit from use of this special sex offender sentencing alternative and consider the victim's opinion whether the offender should receive a treatment disposition under this subsection. If the court determines that this special sex offender sentencing alternative is appropriate, the court shall then impose a sentence within the sentence range. If this sentence is less than eleven years of confinement, the court may suspend the execution of the sentence and impose the following conditions of suspension:

(A) The court shall place the defendant on community custody for the length of the suspended sentence or three years, whichever is greater, and require the offender to comply with any conditions imposed by the department of corrections under subsection (14) of this section;

(B) The court shall order treatment for any period up to three years in duration. The court in its discretion shall order outpatient sex offender treatment or inpatient sex offender treatment, if available. A community mental health center may not be used for such treatment unless it has an appropriate program designed for sex offender treatment. The offender shall not change sex offender treatment providers or treatment conditions without first notifying the prosecutor, the community corrections officer, and the court, and shall not change providers without court approval after a hearing if the prosecutor or community corrections officer object to the change. In addition, as conditions of the suspended sentence, the court may impose other sentence conditions including up to six months of confinement, not to exceed the sentence range of confinement for that offense, crime-related prohibitions, and requirements that the offender perform any one or more of the following:

(I) Devote time to a specific employment or occupation;

(II) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;

(III) Report as directed to the court and a community corrections officer;

(IV) Pay all court-ordered legal financial obligations as provided in RCW 9.94A.030, perform community service work, or any combination thereof; or

(V) Make recoupment to the victim for the cost of any counseling required as a result of the offender's crime; and

(C) Sex offenders sentenced under this special sex offender sentencing alternative are not eligible to accrue any earned early release time while serving a suspended sentence.

(iii) The sex offender therapist shall submit quarterly reports on the defendant's progress in treatment to the court and the parties. The report shall reference the treatment plan and include at a minimum the following: Dates of attendance, defendant's compliance with requirements, treatment activities, the defendant's relative progress in treatment, and any other material as specified by the court at sentencing.

(iv) At the time of sentencing, the court shall set a treatment termination hearing for three months prior to the anticipated date for completion of treatment. Prior to the treatment termination hearing, the treatment professional and community corrections officer shall submit written reports to the court and parties regarding the defendant's compliance with treatment and monitoring requirements, and recommendations regarding termination from treatment, including proposed community supervision conditions. Either party may request and the court may order another evaluation regarding the advisability of termination from treatment. The defendant shall pay the cost of any additional evaluation ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost. At the treatment termination hearing the court may: (A) Modify conditions of community

custody, and either (B) terminate treatment, or (C) extend treatment for up to the remaining period of community custody.

(v) If a violation of conditions occurs during community custody, the department shall either impose sanctions as provided for in RCW 9.94A.205(2)(a) or refer the violation to the court and recommend revocation of the suspended sentence as provided for in (a)(vi) of this subsection.

(vi) The court may revoke the suspended sentence at any time during the period of community custody and order execution of the sentence if: (A) The defendant violates the conditions of the suspended sentence, or (B) the court finds that the defendant is failing to make satisfactory progress in treatment. All confinement time served during the period of community custody shall be credited to the offender if the suspended sentence is revoked.

(vii) Except as provided in (a)(viii) of this subsection, after July 1, 1991, examinations and treatment ordered pursuant to this subsection shall only be conducted by sex offender treatment providers certified by the department of health pursuant to chapter 18.155 RCW.

(viii) A sex offender therapist who examines or treats a sex offender pursuant to this subsection (8) does not have to be certified by the department of health pursuant to chapter 18.155 RCW if the court finds that: (A) The offender has already moved to another state or plans to move to another state for reasons other than circumventing the certification requirements; (B) no certified providers are available for treatment within a reasonable geographical distance of the offender's home; and (C) the evaluation and treatment plan comply with this subsection (8) and the rules adopted by the department of health.

(ix) For purposes of this subsection (8), "victim" means any person who has sustained emotional, psychological, physical, or financial injury to person or property as a result of the crime charged. "Victim" also means a parent or guardian of a victim who is a minor child unless the parent or guardian is the perpetrator of the offense.

(x) If the defendant was less than eighteen years of age when the charge was filed, the state shall pay for the cost of initial evaluation and treatment.

(b) When an offender commits any felony sex offense on or after July 1, 1987, and is sentenced to a term of confinement of more than one year but less than six years, the sentencing court may, on its own motion or on the motion of the offender or the state, request the department of corrections to evaluate whether the offender is amenable to treatment and the department may place the offender in a treatment program within a correctional facility operated by the department.

Except for an offender who has been convicted of a violation of RCW 9A.44.040 or 9A.44.050, if the offender completes the treatment program before the expiration of his or her term of confinement, the department of corrections may request the court to convert the balance of confinement to community supervision and to place conditions on the offender including crime-related prohibitions and requirements that the offender perform any one or more of the following:

- (i) Devote time to a specific employment or occupation;
- (ii) Remain within prescribed geographical boundaries and notify the court or the community corrections officer prior to any change in the offender's address or employment;
- (iii) Report as directed to the court and a community corrections officer;
- (iv) Undergo available outpatient treatment.

If the offender violates any of the terms of his or her community supervision, the court may order the offender to serve out the balance of his or her community supervision term in confinement in the custody of the department of corrections.

Nothing in this subsection (8)(b) shall confer eligibility for such programs for offenders convicted and sentenced for a sex offense committed prior to July 1, 1987. This subsection (8)(b) does not apply to any crime committed after July 1, 1990.

(c) Offenders convicted and sentenced for a sex offense committed prior to July 1, 1987, may, subject to available funds, request an evaluation by the department of corrections to determine whether they are amenable to treatment. If the offender is determined to be amenable to treatment, the offender may request placement in a treatment program within a correctional facility operated by the department. Placement in such treatment program is subject to available funds.

(9)(a) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense or a serious violent offense

committed after July 1, 1988, but before July 1, 1990, assault in the second degree, assault of a child in the second degree, any crime against a person where it is determined in accordance with RCW 9.94A.125 that the defendant or an accomplice was armed with a deadly weapon at the time of commission, or any felony offense under chapter 69.50 or 69.52 RCW not sentenced under subsection (6) of this section, committed on or after July 1, 1988, the court shall in addition to the other terms of the sentence, sentence the offender to a one-year term of community placement beginning either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of such community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence.

(b) When a court sentences a person to a term of total confinement to the custody of the department of corrections for an offense categorized as a sex offense committed on or after July 1, 1990, but before June 6, 1996, a serious violent offense, vehicular homicide, or vehicular assault, committed on or after July 1, 1990, the court shall in addition to other terms of the sentence, sentence the offender to community placement for two years or up to the period of earned early release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community placement shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2). When the court sentences an offender under this subsection to the statutory maximum period of confinement then the community placement portion of the sentence shall consist entirely of the community custody to which the offender may become eligible, in accordance with RCW 9.94A.150 (1) and (2). Any period of community custody actually served shall be credited against the community placement portion of the sentence. Unless a condition is waived by the court, the terms of community placement for offenders sentenced pursuant to this section shall include the following conditions:

- (i) The offender shall report to and be available for contact with the assigned community corrections officer as directed;
- (ii) The offender shall work at department of corrections-approved education, employment, and/or community service;
- (iii) The offender shall not possess or consume controlled substances except pursuant to lawfully issued prescriptions;
- (iv) The offender shall pay supervision fees as determined by the department of corrections;
- (v) The residence location and living arrangements are subject to the prior approval of the department of corrections during the period of community placement; and
- (vi) The offender shall submit to affirmative acts necessary to monitor compliance with the orders of the court as required by the department.

(c) As a part of any sentence imposed under (a) or (b) of this subsection, the court may also order any of the following special conditions:

- (i) The offender shall remain within, or outside of, a specified geographical boundary;
- (ii) The offender shall not have direct or indirect contact with the victim of the crime or a specified class of individuals;
- (iii) The offender shall participate in crime-related treatment or counseling services;
- (iv) The offender shall not consume alcohol;
- (v) The offender shall comply with any crime-related prohibitions; or
- (vi) For an offender convicted of a felony sex offense against a minor victim after June 6, 1996, the offender shall comply with any terms and conditions of community placement imposed by the department of corrections relating to contact between the sex offender and a minor victim or a child of similar age or circumstance as a previous victim.

(d) Prior to transfer to, or during, community placement, any conditions of community placement may be removed or modified so as not to be more restrictive by the sentencing court, upon recommendation of the department of corrections.

(10)(a) When a court sentences a person to the custody of the department of corrections for an offense categorized as a sex offense committed on or after June 6, 1996, the court shall, in addition to other terms of the sentence, sentence the offender to community custody for three years or up to the period of earned early release awarded pursuant to RCW 9.94A.150 (1) and (2), whichever is longer. The community custody shall begin either upon completion of the term of confinement or at such time as the offender is transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.150 (1) and (2).

(b) Unless a condition is waived by the court, the terms of community custody shall be the same as those provided for in subsection (9)(b) of this section and may include those provided for in subsection (9)(c) of this section. As part of any sentence that includes a term of community custody imposed under this subsection, the court shall also require the offender to comply with any conditions imposed by the department of corrections under subsection (14) of this section.

(c) At any time prior to the completion of a sex offender's term of community custody, if the court finds that public safety would be enhanced, the court may impose and enforce an order extending any or all of the conditions imposed pursuant to this section for a period up to the maximum allowable sentence for the crime as it is classified in chapter 9A.20 RCW, regardless of the expiration of the offender's term of community custody. If a violation of a condition extended under this subsection occurs after the expiration of the offender's term of community custody, it shall be deemed a violation of the sentence for the purposes of RCW 9.94A.195 and may be punishable as contempt of court as provided for in RCW 7.21.040.

(11) If the court imposes a sentence requiring confinement of thirty days or less, the court may, in its discretion, specify that the sentence be served on consecutive or intermittent days. A sentence requiring more than thirty days of confinement shall be served on consecutive days. Local jail administrators may schedule court-ordered intermittent sentences as space permits.

(12) If a sentence imposed includes payment of a legal financial obligation, the sentence shall specify the total amount of the legal financial obligation owed, and shall require the offender to pay a specified monthly sum toward that legal financial obligation. Restitution to victims shall be paid prior to any other payments of monetary obligations. Any legal financial obligation that is imposed by the court may be collected by the department, which shall deliver the amount paid to the county clerk for credit. The offender's compliance with payment of legal financial obligations shall be supervised by the department for ten years following the entry of the judgment and sentence or ten years following the offender's release from total confinement. All monetary payments ordered shall be paid no later than ten years after the last date of release from confinement pursuant to a felony conviction or the date the sentence was entered unless the superior court extends the criminal judgment an additional ten years. If the legal financial obligations including crime victims' assessments are not paid during the initial ten-year period, the superior court may extend jurisdiction under the criminal judgment an additional ten years as provided in RCW 9.94A.140, 9.94A.142, and 9.94A.145. If jurisdiction under the criminal judgment is extended, the department is not responsible for supervision of the offender during the subsequent period. Independent of the department, the party or entity to whom the legal financial obligation is owed shall have the authority to utilize any other remedies available to the party or entity to collect the legal financial obligation. Nothing in this section makes the department, the state, or any of its employees, agents, or other persons acting on their behalf liable under any circumstances for the payment of these legal financial obligations. If an order includes restitution as one of the monetary assessments, the county clerk shall make disbursements to victims named in the order.

(13) Except as provided under RCW 9.94A.140(1) and 9.94A.142(1), a court may not impose a sentence providing for a term of confinement or community supervision or community placement which exceeds the statutory maximum for the crime as provided in chapter 9A.20 RCW.

(14) All offenders sentenced to terms involving community supervision, community service, community placement, or legal financial obligation shall be under the supervision of the department of corrections and shall follow explicitly the instructions and conditions of the department of corrections. The department may require an offender to perform affirmative acts it deems appropriate to monitor compliance with the conditions of the sentence imposed.

(a) The instructions shall include, at a minimum, reporting as directed to a community corrections officer, remaining within prescribed geographical boundaries, notifying the community corrections officer of any change in the offender's address or employment, and paying the supervision fee assessment.

(b) For offenders sentenced to terms involving community custody for crimes committed on or after June 6, 1996, the department may include, in addition to the instructions in (a) of this subsection, any appropriate conditions of supervision, including but not limited to, prohibiting the offender from having contact with any other specified individuals or specific class of individuals. The conditions authorized under this subsection (14)(b) may be imposed by the department prior to or during an offender's community custody term. If a violation of conditions imposed by the court or the department pursuant to subsection (10) of this section occurs during community custody, it shall be deemed a violation of community placement for the purposes of RCW 9.94A.207 and shall authorize the department to transfer an offender to a more restrictive confinement status as provided in RCW 9.94A.205. At any time prior to the completion of a sex offender's term of community custody, the department may recommend to the court that any or all of the conditions imposed by the court or the department pursuant to subsection (10) of this section be continued beyond the expiration of the offender's term of community custody as authorized in subsection (10)(c) of this section.

The department may require offenders to pay for special services rendered on or after July 25, 1993, including electronic monitoring, day reporting, and telephone reporting, dependent upon the offender's ability to pay. The department may pay for these services for offenders who are not able to pay.

(15) All offenders sentenced to terms involving community supervision, community service, or community placement under the supervision of the department of corrections shall not own, use, or possess firearms or ammunition. Offenders who own, use, or are found to be in actual or constructive possession of firearms or ammunition shall be subject to the appropriate violation process and sanctions. "Constructive possession" as used in this subsection means the power and intent to control the firearm or ammunition. "Firearm" as used in this subsection means a weapon or device from which a projectile may be fired by an explosive such as gunpowder.

(16) The sentencing court shall give the offender credit for all confinement time served before the sentencing if that confinement was solely in regard to the offense for which the offender is being sentenced.

(17) A departure from the standards in RCW 9.94A.400 (1) and (2) governing whether sentences are to be served consecutively or concurrently is an exceptional sentence subject to the limitations in subsections (2) and (3) of this section, and may be appealed by the defendant or the state as set forth in RCW 9.94A.210 (2) through (6).

(18) The court shall order restitution whenever the offender is convicted of a felony that results in injury to any person or damage to or loss of property, whether the offender is sentenced to confinement or placed under community supervision, unless extraordinary circumstances exist that make restitution inappropriate in the court's judgment. The court shall set forth the extraordinary circumstances in the record if it does not order restitution.

(19) As a part of any sentence, the court may impose and enforce an order that relates directly to the circumstances of the crime for which the offender has been convicted, prohibiting the offender from having any contact with other specified individuals or a specific class of individuals for a period not to exceed the maximum allowable sentence for the crime, regardless of the expiration of the offender's term of community supervision or community placement.

(20) The court may order an offender whose sentence includes community placement or community supervision to undergo a mental status evaluation and to participate in available outpatient mental health treatment, if the court finds that reasonable grounds exist to believe that the offender is a mentally ill person as defined in RCW 71.24.025, and that this condition is likely to have influenced the offense. An order requiring mental status evaluation or treatment must be based on a presentence report and, if applicable, mental status evaluations that have been filed with the court to determine the offender's competency or eligibility for a defense of insanity. The court may order additional evaluations at a later date if deemed appropriate.

(21) In any sentence of partial confinement, the court may require the defendant to serve the partial confinement in work release, in a program of home detention, on work crew, or in a combined program of work crew and home detention.

(22) All court-ordered legal financial obligations collected by the department and remitted to the county clerk shall be credited and paid where restitution is ordered. Restitution shall be paid prior to any other payments of monetary obligations.

Sec. 3. RCW 9.94A.310 and 1998 c 235 s 1 and 1998 c 211 s 3 are each reenacted and amended to read as follows:

NOTE: Numbers in the first horizontal row of each seriousness category represent sentencing midpoints in years(y) and months(m). Numbers in the second and third rows represent presumptive sentencing ranges in months, or in days if so designated. 12+ equals one year and one day.

(2) For persons convicted of the anticipatory offenses of criminal attempt, solicitation, or conspiracy under chapter 9A.28 RCW, the presumptive sentence is determined by locating the sentencing grid sentence range defined by the appropriate offender score and the seriousness level of the completed crime, and multiplying the range by 75 percent.

(3) The following additional times shall be added to the presumptive sentence for felony crimes committed after July 23, 1995, if the offender or an accomplice was armed with a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for any firearm enhancements based on the classification of the completed felony crime. If the offender is being sentenced for more than one offense, the firearm enhancement or enhancements must be added to the total period of confinement for all offenses, regardless of which underlying offense is subject to a firearm enhancement. If the offender or an accomplice was armed with a firearm as

defined in RCW 9.41.010 and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection as eligible for any firearm enhancements, the following additional times shall be added to the presumptive sentence determined under subsection (2) of this section based on the felony crime of conviction as classified under RCW 9A.28.020:

(a) Five years for any felony defined under any law as a class A felony or with a maximum sentence of at least twenty years, or both, and not covered under (f) of this subsection.

(b) Three years for any felony defined under any law as a class B felony or with a maximum sentence of ten years, or both, and not covered under (f) of this subsection.

(c) Eighteen months for any felony defined under any law as a class C felony or with a maximum sentence of five years, or both, and not covered under (f) of this subsection.

(d) If the offender is being sentenced for any firearm enhancements under (a), (b), and/or (c) of this subsection and the offender has previously been sentenced for any deadly weapon enhancements after July 23, 1995, under (a), (b), and/or (c) of this subsection or subsection (4)(a), (b), and/or (c) of this section, or both, any and all firearm enhancements under this subsection shall be twice the amount of the enhancement listed.

(e) Notwithstanding any other provision of law, any and all firearm enhancements under this section are mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other firearm or deadly weapon enhancements, for all offenses sentenced under this chapter. However, whether or not a mandatory minimum term has expired, an offender serving a sentence under this subsection may be granted an extraordinary medical placement when authorized under RCW 9.94A.150(4).

(f) The firearm enhancements in this section shall apply to all felony crimes except the following: Possession of a machine gun, possessing a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, and use of a machine gun in a felony.

(g) If the presumptive sentence under this section exceeds the statutory maximum for the offense, the statutory maximum sentence shall be the presumptive sentence unless the offender is a persistent offender as defined in RCW 9.94A.030. If the addition of a firearm enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced.

(4) The following additional times shall be added to the presumptive sentence for felony crimes committed after July 23, 1995, if the offender or an accomplice was armed with a deadly weapon as defined in this chapter other than a firearm as defined in RCW 9.41.010 and the offender is being sentenced for one of the crimes listed in this subsection as eligible for any deadly weapon enhancements based on the classification of the completed felony crime. If the offender is being sentenced for more than one offense, the deadly weapon enhancement or enhancements must be added to the total period of confinement for all offenses, regardless of which underlying offense is subject to a deadly weapon enhancement. If the offender or an accomplice was armed with a deadly weapon other than a firearm as defined in RCW 9.41.010 and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection as eligible for any deadly weapon enhancements, the following additional times shall be added to the presumptive sentence determined under subsection (2) of this section based on the felony crime of conviction as classified under RCW 9A.28.020:

(a) Two years for any felony defined under any law as a class A felony or with a maximum sentence of at least twenty years, or both, and not covered under (f) of this subsection.

(b) One year for any felony defined under any law as a class B felony or with a maximum sentence of ten years, or both, and not covered under (f) of this subsection.

(c) Six months for any felony defined under any law as a class C felony or with a maximum sentence of five years, or both, and not covered under (f) of this subsection.

(d) If the offender is being sentenced under (a), (b), and/or (c) of this subsection for any deadly weapon enhancements and the offender has previously been sentenced for any deadly weapon enhancements after July 23, 1995, under (a), (b), and/or (c) of this subsection or subsection (3)(a), (b),

and/or (c) of this section, or both, any and all deadly weapon enhancements under this subsection shall be twice the amount of the enhancement listed.

(e) Notwithstanding any other provision of law, any and all deadly weapon enhancements under this section are mandatory, shall be served in total confinement, and shall run consecutively to all other sentencing provisions, including other firearm or deadly weapon enhancements, for all offenses sentenced under this chapter. However, whether or not a mandatory minimum term has expired, an offender serving a sentence under this subsection may be granted an extraordinary medical placement when authorized under RCW 9.94A.150(4).

(f) The deadly weapon enhancements in this section shall apply to all felony crimes except the following: Possession of a machine gun, possessing a stolen firearm, drive-by shooting, theft of a firearm, unlawful possession of a firearm in the first and second degree, and use of a machine gun in a felony.

(g) If the presumptive sentence under this section exceeds the statutory maximum for the offense, the statutory maximum sentence shall be the presumptive sentence unless the offender is a persistent offender as defined in RCW 9.94A.030. If the addition of a deadly weapon enhancement increases the sentence so that it would exceed the statutory maximum for the offense, the portion of the sentence representing the enhancement may not be reduced.

(5) The following additional times shall be added to the presumptive sentence if the offender or an accomplice committed the offense while in a county jail or state correctional facility as that term is defined in this chapter and the offender is being sentenced for one of the crimes listed in this subsection. If the offender or an accomplice committed one of the crimes listed in this subsection while in a county jail or state correctional facility as that term is defined in this chapter, and the offender is being sentenced for an anticipatory offense under chapter 9A.28 RCW to commit one of the crimes listed in this subsection, the following additional times shall be added to the presumptive sentence determined under subsection (2) of this section:

(a) Eighteen months for offenses committed under RCW 69.50.401(a)(1) (i) or (ii) or 69.50.410;

(b) Fifteen months for offenses committed under RCW 69.50.401(a)(1) (iii), (iv), and (v);

(c) Twelve months for offenses committed under RCW 69.50.401(d).

For the purposes of this subsection, all of the real property of a state correctional facility or county jail shall be deemed to be part of that facility or county jail.

(6) An additional twenty-four months shall be added to the presumptive sentence for any ranked offense involving a violation of chapter 69.50 RCW if the offense was also a violation of RCW 69.50.435.

(7) An additional two years shall be added to the presumptive sentence for vehicular homicide committed while under the influence of intoxicating liquor or any drug as defined by RCW 46.61.502 for each prior offense as defined in RCW 46.61.5055.

(4) Any person convicted of embezzling funds from any institution of public deposit of which the person was an officer or stockholder, the duration of confinement shall be fixed at not less than five years.

Except when an inmate of a state correctional facility has been convicted of murder in the first or second degree, the board may parole an inmate prior to the expiration of a mandatory minimum term, provided such inmate has demonstrated a meritorious effort in rehabilitation and at least two-thirds of the board members concur in such action: PROVIDED, That any inmate who has a mandatory minimum term and is paroled prior to the expiration of such term according to the provisions of this chapter shall not receive a conditional release from supervision while on parole until after the mandatory minimum term has expired.

SENATE AMENDMENTS TO HOUSE BILL

April 7, 1999

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1068 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The pardoning power is vested in the governor under such regulations and restrictions as may be prescribed by law. To assist the governor in gathering the facts necessary to the wise exercise of this power, the legislature created the clemency and pardons board.

In recognition of the severe and detrimental impact of crime on victims, survivors of victims, and witnesses of crime, an intelligent recommendation on an application for clemency is dependent upon input from the victims and survivors of victims of crimes. It is the intent of the legislature to ensure that all victims and survivors of victims of crimes are afforded a meaningful role in the clemency process.

The impact of the crime on the community must also be assessed when passing upon an application for clemency. The prosecuting attorney who obtained the conviction and the law enforcement agency that conducted the investigation are uniquely situated to provide an accurate account of the offense and the impact felt by the community as a result of the offense. It is the intent of the legislature to ensure that the prosecuting attorney who obtained the conviction and the law enforcement agency that conducted the investigation are afforded a meaningful role in the clemency process.

Sec. 2. RCW 7.69.030 and 1997 c 343 s 1 are each amended to read as follows:

There shall be a reasonable effort made to ensure that victims, survivors of victims, and witnesses of crimes have the following rights:

(1) With respect to victims of violent or sex crimes, to receive, at the time of reporting the crime to law enforcement officials, a written statement of the rights of crime victims as provided in this chapter. The written statement shall include the name, address, and telephone number of a county or local crime victim/witness program, if such a crime victim/witness program exists in the county;

- (2) To be informed by local law enforcement agencies or the prosecuting attorney of the final disposition of the case in which the victim, survivor, or witness is involved;
- (3) To be notified by the party who issued the subpoena that a court proceeding to which they have been subpoenaed will not occur as scheduled, in order to save the person an unnecessary trip to court;
- (4) To receive protection from harm and threats of harm arising out of cooperation with law enforcement and prosecution efforts, and to be provided with information as to the level of protection available;
- (5) To be informed of the procedure to be followed to apply for and receive any witness fees to which they are entitled;
- (6) To be provided, whenever practical, a secure waiting area during court proceedings that does not require them to be in close proximity to defendants and families or friends of defendants;
- (7) To have any stolen or other personal property expeditiously returned by law enforcement agencies or the superior court when no longer needed as evidence. When feasible, all such property, except weapons, currency, contraband, property subject to evidentiary analysis, and property of which ownership is disputed, shall be photographed and returned to the owner within ten days of being taken;
- (8) To be provided with appropriate employer intercession services to ensure that employers of victims, survivors of victims, and witnesses of crime will cooperate with the criminal justice process in order to minimize an employee's loss of pay and other benefits resulting from court appearance;
- (9) To access to immediate medical assistance and not to be detained for an unreasonable length of time by a law enforcement agency before having such assistance administered. However, an employee of the law enforcement agency may, if necessary, accompany the person to a medical facility to question the person about the criminal incident if the questioning does not hinder the administration of medical assistance;
- (10) With respect to victims of violent and sex crimes, to have a crime victim advocate from a crime victim/witness program present at any prosecutorial or defense interviews with the victim, and at any judicial proceedings related to criminal acts committed against the victim. This subsection applies if practical and if the presence of the crime victim advocate does not cause any unnecessary delay in the investigation or prosecution of the case. The role of the crime victim advocate is to provide emotional support to the crime victim;
- (11) With respect to victims and survivors of victims, to be physically present in court during trial, or if subpoenaed to testify, to be scheduled as early as practical in the proceedings in order to be physically present during trial after testifying and not to be excluded solely because they have testified;
- (12) With respect to victims and survivors of victims, to be informed by the prosecuting attorney of the date, time, and place of the trial and of the sentencing hearing for felony convictions upon request by a victim or survivor;
- (13) To submit a victim impact statement or report to the court, with the assistance of the prosecuting attorney if requested, which shall be included in all presentence reports and permanently included in the files and records accompanying the offender committed to the custody of a state agency or institution;
- (14) With respect to victims and survivors of victims, to present a statement personally or by representation, at the sentencing hearing for felony convictions; ~~((and))~~
- (15) With respect to victims and survivors of victims, to entry of an order of restitution by the court in all felony cases, even when the offender is sentenced to confinement, unless extraordinary circumstances exist which make restitution inappropriate in the court's judgment; and
- (16) With respect to victims and survivors of victims, to present a statement in person, via audio or videotape, in writing or by representation at any hearing conducted regarding an application for pardon or commutation of sentence.

Sec. 3. RCW 9.94A.260 and 1989 c 214 s 2 are each amended to read as follows:

(1) The clemency and pardons board shall receive petitions from individuals, organizations, and the department for review and commutation of sentences and pardoning of offenders in extraordinary cases, and shall make recommendations thereon to the governor.

(2) The board shall receive petitions from individuals or organizations for the restoration of civil rights lost by operation of state law as a result of convictions for federal offenses or out-of-state felonies. The board may issue certificates of restoration limited to the elective rights to vote and to engage in political office. Any certifications granted by the board must be filed with the secretary of state to be effective. In all other cases, the board shall make recommendations to the governor.

(3) The board shall not recommend that the governor grant clemency under subsection (1) of this section until a public hearing has been held on the petition. The prosecuting attorney of the county where the conviction was obtained shall be notified at least thirty days prior to the scheduled hearing that a petition has been filed and the date and place at which the hearing on the petition will be held. The board may waive the thirty-day notice requirement in cases where it determines that waiver is necessary to permit timely action on the petition. A copy of the petition shall be sent to the prosecuting attorney. The prosecuting attorney shall make reasonable efforts to notify victims, survivors of victims, witnesses, and the law enforcement agency or agencies that conducted the investigation, of the date and place of the hearing. Information regarding victims, survivors of victims, or witnesses receiving this notice are confidential and shall not be available to the offender. The board shall consider written, oral, audio, or videotaped statements regarding the petition received, personally or by representation, from the individuals who receive notice pursuant to this section. This subsection is intended solely for the guidance of the board. Nothing in this section is intended or may be relied upon to create a right or benefit, substantive or procedural, enforceable at law by any person.

Sec. 4. RCW 9.95.260 and 1981 c 136 s 44 are each amended to read as follows:

(1) It shall be the duty of the indeterminate sentence review board (~~(of prison terms and paroles)~~), when requested by the governor, to pass on the representations made in support of applications for pardons for convicted persons and to make recommendations thereon to the governor.

(2) It will be the duty of the secretary of corrections to exercise supervision over such convicted persons as have been conditionally pardoned by the governor, to the end that such persons shall faithfully comply with the conditions of such pardons. The indeterminate sentence review board (~~(of prison terms and paroles)~~) shall also pass on any representations made in support of applications for restoration of civil rights of convicted persons, and make recommendations to the governor. The department of corrections shall prepare materials and make investigations requested by the indeterminate sentence review board (~~(of prison terms and paroles)~~) in order to assist the board in passing on the representations made in support of applications for pardon or for the restoration of civil rights.

(3) The board shall make no recommendations to the governor in support of an application for pardon until a public hearing has been held under this section or RCW 9.94A.260(3) upon the application. The prosecuting attorney of the county where the conviction was obtained shall be notified at least thirty days prior to the scheduled hearing that an application for pardon has been filed and the date and place at which the hearing on the application for pardon will be held. The board may waive the thirty-day notice requirement in cases where it determines that waiver is necessary to permit timely action on the petition. A copy of the application for pardon shall be sent to the prosecuting attorney. The prosecuting attorney shall make reasonable efforts to notify victims, survivors of victims, witnesses, and the law enforcement agency or agencies that conducted the investigation of the date and place of the hearing. Information regarding victims, survivors of victims, or witnesses receiving this notice are confidential and shall not be available to the offender. The board shall consider written, oral, audio, or videotaped statements regarding the application for pardon received, personally or by representation, from the individuals who receive notice pursuant to this section. This subsection is intended solely for the guidance of the board. Nothing in this section is intended or may be relied upon to create a right or benefit, substantive or procedural, enforceable at law by any person."

On page 1, line 1 of the title, after "pardons;" strike the remainder of the title and insert "amending RCW 7.69.030, 9.94A.260, and 9.95.260; and creating a new section."

and the same are herewith transmitted.

SENATE AMENDMENTS TO HOUSE BILL

April 12, 1999

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1080 with the following amendment(s):

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that citizens who assist individuals in emergency situations perform a needed and valuable role that deserves recognition and support. The legislature further finds that emergency assistance in the form of mouth to mouth resuscitation or other emergency medical procedures resulting in the exchange of bodily fluids significantly increases the odds of being exposed to a deadly infectious disease. Some of the more life-threatening diseases that can be transferred during an emergency procedure where bodily fluids are exchanged include hepatitis A, B, and C, and human immunodeficiency virus (HIV). Individuals infected by these diseases value confidentiality regarding this information. A number of good samaritans who perform life-saving emergency procedures such as cardiopulmonary resuscitation are unable to pay for the tests necessary for detecting infectious diseases that could have been transmitted during the emergency procedure. It is the purpose of this act to provide infectious disease testing at no cost to good samaritans who request testing for infectious diseases after rendering emergency assistance that has brought them into contact

with a bodily fluid and to further protect the testing information once obtained through confidentiality provisions.

NEW SECTION. Sec. 2. A new section is added to chapter 70.05 RCW to read as follows:

A person rendering emergency care or transportation, commonly known as a "Good Samaritan," as described in RCW 4.24.300 and 4.24.310, may request and receive appropriate infectious disease testing free of charge from the local health department of the county of her or his residence, if: (1) While rendering emergency care she or he came into contact with bodily fluids; and (2) she or he does not have health insurance that covers the testing. Nothing in this section requires a local health department to provide health care services beyond testing. The department shall adopt rules implementing this section.

The information obtained from infectious disease testing is subject to statutory confidentiality provisions, including those of chapters 70.24 and 70.05 RCW.

NEW SECTION. Sec. 3. A new section is added to chapter 70.24 RCW to read as follows:

(1) In order to assure compliance with the protections under this chapter and the rules of the board, and to assure public confidence in the confidentiality of reported information, the department shall:

(a) Report annually to the board any incidents of unauthorized disclosure by the department, local health departments, or their employees of information protected under RCW 70.24.105. The report shall include recommendations for preventing future unauthorized disclosures and improving the system of confidentiality for reported information; and

(b) Assist health care providers, facilities that conduct tests, local health departments, and other persons involved in disease reporting to understand, implement, and comply with this chapter and the rules of the board related to disease reporting.

(2) This section is exempt from RCW 70.24.084, 70.05.070, and 70.05.120.

Sec. 4. RCW 70.24.084 and 1988 c 206 s 914 are each amended to read as follows:

(1) Any person aggrieved by a violation of this chapter shall have a right of action in superior court and may recover for each violation:

(a) Against any person who negligently violates a provision of this chapter, one thousand dollars, or actual damages, whichever is greater, for each violation.

(b) Against any person who intentionally or recklessly violates a provision of this chapter, ~~((two))~~ ten thousand dollars, or actual damages, whichever is greater, for each violation.

(c) Reasonable attorneys' fees and costs.

(d) Such other relief, including an injunction, as the court may deem appropriate.

(2) Any action under this chapter is barred unless the action is commenced within three years after the cause of action accrues.

(3) Nothing in this chapter limits the rights of the subject of a test for a sexually transmitted disease to recover damages or other relief under any other applicable law.

(4) Nothing in this chapter may be construed to impose civil liability or criminal sanction for disclosure of a test result for a sexually transmitted disease in accordance with any reporting requirement for a diagnosed case of sexually transmitted disease by the department or the centers for disease control of the United States public health service.

Sec. 5. RCW 70.05.070 and 1993 c 492 s 239 are each amended to read as follows:

The local health officer, acting under the direction of the local board of health or under direction of the administrative officer appointed under RCW 70.05.040 or 70.05.035, if any, shall:

(1) Enforce the public health statutes of the state, rules of the state board of health and the secretary of health, and all local health rules, regulations and ordinances within his or her jurisdiction including imposition of penalties authorized under RCW 70.119A.030, the confidentiality provisions in RCW 70.24.105 and rules adopted to implement those provisions, and filing of actions authorized by RCW 43.70.190;

- (2) Take such action as is necessary to maintain health and sanitation supervision over the territory within his or her jurisdiction;
- (3) Control and prevent the spread of any dangerous, contagious or infectious diseases that may occur within his or her jurisdiction;
- (4) Inform the public as to the causes, nature, and prevention of disease and disability and the preservation, promotion and improvement of health within his or her jurisdiction;
- (5) Prevent, control or abate nuisances which are detrimental to the public health;
- (6) Attend all conferences called by the secretary of health or his or her authorized representative;
