NEW SECTION, Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Domestic partners" means two adults who meet the requirements of section 3 of this act.

(2) "Secretary" means the secretary of state's office.

NEW SECTION, Sec. 3. Two adults are considered domestic partners when the following requirements are met:

1. Both are at least eighteen years of age;
2. Neither is married to another person or in a domestic partnership with another person;
3. They are capable of consenting to the partnership without fraud or duress;
4. They share a common residence;
5. They are legally prohibited from marrying each other under RCW 26.04.020;
6. They execute a mutual beneficiary contract provided by the secretary; and
7. They file the mutual beneficiary contract with the secretary.

NEW SECTION, Sec. 4. (1) Two adults who meet the criteria in section 3(1) through (5) of this act may enter into a mutual beneficiary contract and file a "declaration of domestic partners in a mutual beneficiary contract" with the secretary. Upon receipt of a signed, notarized declaration and the filing fee, the secretary shall provide a copy of the declaration to both parties. The secretary shall maintain a record of each declaration filed with the secretary.

(2) An adult who is a domestic partner in a mutual beneficiary contract filed with the secretary, may terminate the domestic partnership by filing a signed, notarized "termination of domestic partnership" with the secretary and pay a filing fee. The party seeking to terminate the partnership must include in his or her filing an affidavit stating that the other party has received notice of the termination.

(3) Upon receipt of a signed, notarized termination of domestic partnership, filing fee, and affidavit, the secretary shall provide a copy of the termination of domestic partnership to each of the parties to the domestic partnership. The secretary shall maintain a record of each termination of domestic partnership filed with the secretary.

(4) The secretary shall create forms entitled "declaration of domestic partners in a mutual beneficiary contract" and "termination of domestic partnership" and shall make those forms available to the public. The secretary shall set and collect a fee, not to exceed fifty dollars, for filing a declaration of domestic partnership and a fee, not to exceed fifty dollars, for filing a termination of domestic partnership. The secretary is authorized to adopt rules to administer this chapter.

NEW SECTION, Sec. 5. Domestic partners shall have the rights and benefits provided under this act. Nothing in this act may be construed to create any rights, benefits, protections, or responsibilities not specifically enumerated in this act.

NEW SECTION, Sec. 6. (1) A domestic partnership created by a subdivision of the state is not a domestic partnership for the purposes of this chapter. Those persons desiring to become state registered domestic partners under this chapter must register pursuant to section 5 of this act. Nothing in this act shall affect domestic partnerships created by any public entity.

(2) A domestic partnership, civil union, or other relationship recognized by another state or jurisdiction that confers some or all of the benefits, rights, or obligations of marriage to persons who would not be eligible to marry in the state of Washington shall be deemed to have executed a declaration of domestic partners in a mutual beneficiary contract under this chapter, provided they would qualify for a mutual beneficiary contract under section 3 of this act.

NEW SECTION, Sec. 7. A patient's domestic partner shall have the same rights as a spouse with respect to visitation of the patient in a health care facility as defined in RCW 48.43.005.

NEW SECTION, Sec. 8. A new section is added to chapter 41.05 RCW to read as follows:

A declaration of domestic partnership issued to a couple of the same sex under the provisions of section 4 of this act shall be recognized as evidence of a qualified same sex domestic partnership fulfilling all necessary eligibility criteria for the partner of the employee to receive benefits. Nothing in this section affects the requirements of same sex domestic partners to complete documentation related to federal tax status that may currently be required by the board for employees choosing to make premium payments on a pretax basis.

Sec. 9. RCW 41.05.065 and 2006 c 299 s 2 are each amended to read as follows:

(1) The board shall study all matters connected with the provision of health care coverage, life insurance, liability insurance, accidental death and dismemberment insurance, and disability income insurance or any of; or a combination of, the enumerated types of insurance for employees and their dependents on the best basis possible with relation both to the welfare of the employees and to the state. However, liability insurance shall not be made available to dependents.

(2) The board shall develop employee benefit plans that include comprehensive health care benefits for all employees. In developing these plans, the board shall consider the following elements:

(a) Methods of maximizing cost containment while ensuring access to quality health care;

(b) Development of provider arrangements that encourage cost containment and ensure access to quality care, including but not limited to limited to prepaid delivery systems and prospective payment methods;

(c) Wellness incentives that focus on proven strategies, such as smoking cessation, injury and accident prevention, reduction of alcohol misuse, appropriate weight reduction, exercise, automobile and motorcycle safety, blood cholesterol reduction, and nutrition education;

(d) Utilization review procedures including, but not limited to a cost-efficient method for prior authorization of services, hospital inpatient length of stay review, requirements for use of outpatient surgeries and second opinions for surgeries, review of invoices or claims submitted by service providers, and performance audit of providers;

(e) Effective coordination of benefits;

(f) Minimum standards for insuring entities; and

(g) Minimum scope and content of public employee benefit plans to be offered to enrollees participating in the employee health benefit plans. To maintain the comprehensive nature of employee health care benefits, employee eligibility criteria related to the number of hours worked and the benefits provided to employees shall be substantially equivalent to the state employees' health benefits plan and eligibility criteria in effect on January 1, 1993. Nothing in this subsection (2)(g) shall prohibit changes or increases in employee point-of-service payments or employee premium payments for benefits or the administration of a high deductible health plan in conjunction with a health savings account.

(3) The board shall design benefit plans and determine the terms and conditions of employee and retired employee participation and coverage, including establishment of eligibility criteria subject to the requirements of section 8 of this act. The same terms and conditions of participation and coverage, including eligibility criteria, shall apply to state employees and to school district employees and educational service district employees.

(4) The board may authorize premium contributions for an employee and the employee's dependents in a manner that encourages the use of cost-efficient managed health care systems. During the 2005-2007 fiscal biennium, the board may only authorize premium contributions for an employee and the employee's dependents that are the same, regardless of an employee's status as represented or nonrepresented by a collective bargaining unit under
the personnel system reform act of 2002. The board shall require participating school district and educational service district employees to pay at least the same employee premiums by plan and family employees pay.

(5) The board shall develop a health savings account option for employees that conform to section 223, Part VII of subchapter B of chapter 1 of the internal revenue code of 1986. The board shall comply with all applicable federal standards related to the establishment of health savings accounts.

(6) Notwithstanding any other provision of this chapter, the board shall develop a high deductible health plan to be offered in conjunction with a health savings account developed under subsection (5) of this section.

(7) Employees shall choose participation in one of the health care benefit plans developed by the board and may be permitted to waive coverage under terms and conditions established by the board.

(8) The board shall review plans proposed by insurers that desire to offer property insurance and/or accident and casualty insurance to state employees through payroll deduction. The board may approve any such plan for payroll deduction by insuring entities holding a valid certificate of authority in the state of Washington and which the board determines to be in the best interests of employees and the state. The board shall promulgate rules setting forth criteria by which it shall evaluate the plans.

(9) Before January 1, 1998, the public employees' benefits board shall make available one or more fully insured long-term care insurance plans that comply with the requirements of chapter 48.84 RCW. Such programs shall be made available to eligible employees, retired employees, and retired school employees as well as eligible dependents which, for the purpose of this section, includes the parents of the employee or retiree and the parents of the spouse of the employee or retiree. Employees of local governments and employees of political subdivisions not otherwise enrolled in the public employees' benefits board sponsored medical programs may enroll under terms and conditions established by the administrator, if it does not jeopardize the financial viability of the public employees' benefits board's long-term care offering.

(a) Participation of eligible employees or retired employees and retired school employees in any long-term care insurance plan made available by the public employees' benefits board is voluntary and shall not be subject to binding arbitration under chapter 41.56 RCW.

(b) The employee, retired employee, and retired school employee are solely responsible for the payment of the premium rates developed by the health care authority. The health care authority is authorized to charge a reasonable administrative fee in addition to the premium charged by the long-term care insurer, which shall include the health care authority's cost of administration, marketing, and consumer education materials prepared by the health care authority and the office of the insurance commissioner.

(c) To the extent administratively possible, the state shall establish an automatic payroll or pension deduction system for the payment of the long-term care insurance premiums.

(d) The public employees' benefits board and the health care authority shall establish a technical advisory committee to provide advice in the development of the benefit design and establishment of underwriting guidelines and eligibility rules. The committee shall also advise the board and authority on effective and cost-effective ways to market and distribute the long-term care product. The technical advisory committee shall be comprised, at a minimum, of representatives of the office of the insurance commissioner, providers of long-term care services, licensed insurance agents with expertise in long-term care insurance, employers, retired employees, retired school employees, and other interested parties determined to be appropriate.

(e) The health care authority shall offer employees, retired employees, and retired school employees the option of purchasing long-term care insurance through licensed agents or brokers appointed by the long-term care insurer. The authority, in consultation with the public employees' benefits board, shall establish marketing procedures and may consider all premium components as a part of the contract negotiations with the long-term care insurer.

(f) In developing the long-term care insurance benefit designs, the public employees' benefits board shall include an alternative plan of care benefit, including adult day services, as approved by the office of the insurance commissioner.

(g) The health care authority, with the cooperation of the office of the insurance commissioner, shall develop a consumer education program for the eligible employees, retired employees, and retired school employees designed to provide education on the potential need for long-term care, methods of financing long-term care, and the availability of long-term care insurance products including the products offered by the board.

(h) By December 1998, the health care authority, in consultation with the public employees' benefits board, shall submit a report to the appropriate committees of the legislature, including an analysis of the marketing and distribution of the long-term care insurance provided under this section.

(2) Informed consent for health care, including mental health care, for a patient who is not competent, as defined in RCW 11.88.010(1)(e), because he or she is under the age of majority and who is not otherwise authorized to provide informed consent, may be obtained from a person authorized to consent on behalf of such a patient.

(a) Persons authorized to provide informed consent to health care, including mental health care, on behalf of a patient who is incapacitated, as defined in RCW 11.88.010(1)(e), because he or she...

(b) To a person who obtains information for purposes of an audit, if that person agrees in writing to:

(i) Remove or destroy, at the earliest opportunity consistent with the purpose of the audit, information that would enable the patient to be identified; and

Sec. 12. RCW 11.07.010 and 2002 c 18 s 1 are each amended to read as follows:

(1) This section applies to all nonprobate assets, wherever situated, held at the time of entry by a superior court of this state of a decree of dissolution of marriage or a declaration of invalidity or termination of a domestic partnership.

(2)(a) If a marriage is dissolved or invalidated, or a domestic partnership terminated, a provision made prior to that event that relates to the payment or transfer at death of the decedent's interest in a nonprobate asset in favor of or granting an interest or power to the decedent's former spouse or domestic partner, is revoked. A provision affected by this section must be interpreted, and the nonprobate asset affected passes, as if the former spouse or former domestic partner, failed to survive the decedent, having died at the time of entry of the decree of dissolution or declaration of invalidity or termination of domestic partnership.

(b) This subsection does not apply if and to the extent that:

(i) The instrument governing disposition of the nonprobate asset expressly provides otherwise;

(ii) The decedee's former spouse or former domestic partner, by reason of the decedee's death either outright or in trust, and other nonprobate assets of the decedee fulfilling such a requirement for the benefit of the former spouse or former domestic partner or children of the marriage or domestic partnership, do not exist at the decedee's death; or

(iii) If not for this subsection, the decedee could not have effected the revocation by unilateral action because of the terms of the decree, declaration, termination of domestic partnership, or for any other reason, immediately after the entry of the decree of dissolution or declaration of invalidity or termination of domestic partnership.

(3)(a) A payor or other third party in possession or control of a nonprobate asset at the time of the decedent's death is not liable for making a payment or transferring an interest in a nonprobate asset to a decedent's former spouse or domestic partner, whose interest in the nonprobate asset is revoked under this section; for taking another action in reliance on the validity of the instrument governing disposition of the nonprobate asset, before the payor or other third party has actual knowledge of the dissolution or other invalidation of marriage or termination of the domestic partnership, or for any other reason, if the payor or other third party is liable for a payment or transfer made or other action taken after the payor or other third party has actual knowledge of a revocation under this section.

(b) This section does not require a payor or other third party to pay or transfer a nonprobate asset to a beneficiary designated in a governing instrument affected by the dissolution of marriage or termination of domestic partnership as a result of the application of this section among beneficiaries or other persons, to an officer of a payor or third party, or to an attorney for a payor or third party, or among other persons, or if the payor or third party is otherwise uncertain as to who is entitled to the nonprobate asset under this section. In such a case, the payor or third party may, without liability, refuse to pay or transfer a nonprobate asset in such a circumstance to a beneficiary or other person claiming an interest until the time that either:

(i) All beneficiaries or other interested persons claiming an interest have consented in writing to the payment or transfer; or

(ii) The payment or transfer is authorized or directed by a court of proper jurisdiction.

(c) Notwithstanding subsections (1) and (2) of this section and (a) and (b) of this subsection, a payor or other third party having actual knowledge of the existence of a dispute between beneficiaries or other persons concerning rights to a nonprobate asset as a result of the application of this section, may condition the payment or transfer of the nonprobate asset on execution, in a form and with security acceptable to the payor or other third party, of a bond in an amount that is double the fair market value of the nonprobate asset at the time of the decedent's death or the amount of an adverse claim, whichever is the lesser, or of a similar instrument to provide security to the payor or other third party, indemnifying the payor or other third party for any liability, loss, damage, costs, and expenses for and on account of payment or transfer of the nonprobate asset.

(d) As used in this subsection, "actual knowledge" means, for a payor or other third party in possession or control of the nonprobate asset at or following the decedent's death, written notice to the payor or other third party, or to an officer of a payor or third party in the course of his or her employment, received after the decedent's death and within a time that is sufficient to afford the payor or third party a reasonable opportunity to act upon the knowledge. The notice must identify the nonprobate asset with reasonable specificity. The notice must also be sufficient to inform the payor or other third party of the revocation of the provisions in favor of the decedent's spouse or former domestic partner, by reason of the dissolution or termination of domestic partnership, of the decedent. In such a case, the payor or third party may, without liability, refuse to pay or transfer a nonprobate asset to a beneficiary designated in a nonprobate asset in favor of or granting an interest or power to the payor or other third party, or to an attorney for a payor or third party, or to an attorney for a payor or other third party, or among other persons, or if the payor or third party is otherwise uncertain as to who is entitled to the nonprobate asset under this section.

(4)(a) A person who purchases a nonprobate asset from a former spouse, former domestic partner, or other person, for value and without actual knowledge, or who receives from a former spouse, former domestic partner, or other person payment or transfer of a nonprobate asset without actual knowledge and in partial or full satisfaction of a legally enforceable obligation, is neither obligated under this section to return the payment, property, or benefit nor is liable under this section for the amount of the payment or the value of the nonprobate asset, to a former spouse, former domestic partner, or other person who, with actual knowledge, not for value, or not in satisfaction of a legally enforceable obligation, receives payment or transfer of a nonprobate asset to which that person is not entitled under this section is obligated to return the payment or nonprobate asset, or is personally liable for the amount of the
payment or value of the nonprobate asset, to the person who is
entitled to it under this section.

(b) As used in this subsection, "actual knowledge" means, for a
person described in (a) of this subsection who purchases or receives
a nonprobate asset from a former spouse, former domestic partner, or
other person, personal knowledge or possession of documents
relating to the revocation upon dissolution or invalidation of marriage
of provisions relating to the payment or transfer at the decedent's
death of the nonprobate asset, received within a time after the
decedent's death and before the purchase or receipt that is sufficient
to afford the person purchasing or receiving the nonprobate asset
reasonable opportunity to act upon the knowledge. Receipt of the
personal knowledge or possession of the documents for a period of
more than thirty days is presumed to be received within a time that
is sufficient to afford the payor or third party a reasonable
opportunity to act upon the knowledge, but receipt of the notice for
a period of less than five business days is presumed not to be a
sufficient time for these purposes. These presumptions may be
rebutted only by clear and convincing evidence to the contrary.

(5) As used in this section, "nonprobate asset" means those
rights and interests of a person having beneficial ownership of an
asset that pass on the person's death under only the following written
instruments or arrangements other than the decedent's will:
(a) A pay-on-death provision of a life insurance policy,
employee benefit plan, annuity or similar contract, or individual
retirement account, unless provided otherwise by controlling federal
law;
(b) A payable-on-death, trust, or joint with right of survivorship
bank account;
(c) A trust of which the person is a grantor and that becomes
effective or irrevocable only upon the person's death; or
(d) Transfer on death beneficiary designations of a transfer on
death or pay on death security, if such designation is authorized
under Washington law.

For the general definition in this title of "nonprobate asset," see
RCW 11.02.005(15) and for the definition of "nonprobate asset
relating to testamentary disposition of nonprobate assets, see RCW
11.11.010(7).

(6) This section is remedial in nature and applies as of July 25,

to read as follows:

Sec. 30. RCW 11.94.010 and 2005 c 97 s 12 are each amended to read as follows:

(1) Whenever a principal designates another as his or her attorney in fact or agent, by a power of attorney in writing, and the writing contains the words "This power of attorney shall not be affected by disability of the principal," or "This power of attorney shall become effective upon the disability of the principal," or similar words showing the intent of the principal that the authority conferred
shall be exercisable notwithstanding the principal's disability, the
authority of the attorney in fact or agent is exercisable on behalf of
the principal as provided notwithstanding later disability or
incapacity of the principal at law or later uncertainty as to whether
the principal is dead or alive. All acts done by the attorney in fact
or agent pursuant to the power during any period of disability or
incompetence or uncertainty as to whether the principal is dead or
alive have the same effect and inure to the benefit of and bind the
principal or the principal's guardian or heirs, devisees, and personal
representatives as if the principal were alive, competent, and not
disabled. A principal may nominate, by a durable power of attorney,
the guardian or limited guardian of his or her estate or person for
consideration by the court if protective proceedings for the principal's
person or estate are thereafter commenced. The court shall make its
appointment in accordance with the principal's most recent
nomination in a durable power of attorney except for good cause or
disqualification. If a guardian thereafter is appointed for the
principal, the attorney in fact or agent, during the continuance of the
appointment, shall account to the guardian rather than the principal.
The guardian has the same power the principal would have had if the
principal were not disabled or incompetent, to revoke, suspend or
terminate all or any part of the power of attorney or agency.

Persons shall place reasonable reliance on any determination of
disability or incompetence as provided in the instrument that
specifies the time and the circumstances under which the power of
attorney document becomes effective.

(3)(a) A principal may authorize his or her attorney-in-fact to
provide informed consent for health care decisions on the principal's
behalf. If a principal has appointed more than one agent with
authority to make mental health treatment decisions in accordance
with a directive under chapter 71.32 RCW, to the extent of any
conflict, the most recently appointed agent shall be treated as the
principal's agent for mental health treatment decisions unless
provided otherwise in either appointment.

(b) Unless he or she is the spouse, domestic partner as defined
under section 2 of this act, or adult child or brother or sister of the
principal, none of the following persons may act as the attorney-in-
fact for the principal: Any of the principal's physicians, the
physicians' employees, or the owners, administrators, or employees
of the health care facility or long-term care facility as defined in
RCW 43.190.020 where the principal resides or receives care.
Except when the principal has consented in a mental health advance
directive executed under chapter 71.32 RCW to inpatient admission
or electroconvulsive therapy, this authorization is subject to the same
limitations as those that apply to a guardian under RCW 11.92.043(5)
(a) through (c).

(4) A parent or guardian, by a properly executed power of
attorney, may authorize an attorney in fact to make health care
decisions on behalf of one or more of his or her children, or children
for whom he or she is the legal guardian, who are under the age of
majority as defined in RCW 26.28.015, to be effective if the child has
no other parent or legal representative readily available and
authorized to give such consent.

(5) A principal may further nominate a guardian or guardians of
the person, or of the estate or both, of a minor child, whether born at
the time of making the durable power of attorney or afterwards, to
continue during the disability of the principal, during the minority of
the child or for any less time by including such a provision in his or
her power of attorney.

(6) The authority of any guardian of the person of any minor
child shall supersede the authority of a designated attorney in fact to
make health care decisions for the minor only after such designated
guardian has been appointed by the court.

(7) In the event a conflict between the provisions of a will
nominating a testamentary guardian under the authority of RCW
11.38.080 and the nomination of a guardian under the authority of
this statute, the most recent designation shall control.

NEW SECTION. Sec. 31. A new section is added to chapter
70.58 RCW to read as follows:

domestic partnership status and the surviving partner's information
to the same extent such information is recorded for marital status and

Correct the title.

Representative Miloscia spoke in favor of the adoption of
the amendment.

Representative Lantz spoke against the adoption of
the amendment.

The amendment was not adopted.

Representative Rodne moved the adoption of amendment
(684):

Strike everything after the enacting clause and insert the
following:

NEW SECTION. Sec. 1. (1) The purpose of this act is to
extend certain rights and obligations to two adults who provide
mutual care and support for each other.

(2) The legislature finds that the people of Washington have
chosen to limit marriage to the union of one man and one woman.
As such, marriage is subject to restrictions, such as the prohibitions
under RCW 26.04.020 between parties who are first cousins or nearer
of kin to each other or of the same sex.

(3) The legislature recognizes that many choose to live in
relationships that include financial interdependence and other mutual
care and support. The state has an interest in promoting these
relationships to encourage private dependencies rather than reliance
on state benefits. The legislature recognizes that these mutually
beneficial relationships would be assisted if certain rights, benefits,
and obligations were made available to them. Examples include two
individuals who are related to each other such as a widowed mother
and her unmarried daughter, a grandmother caring for her grandson,
or unrelated adults of the same gender.

(4) The legislature finds that certain rights, benefits, and
obligations should be extended to two adults who seek to mutually
care for each other.

(5) The legislature has declared that this state has a compelling
state interest in reaffirming its historical commitment to the
institution of marriage as a union between a man and a woman as
husband and wife and in protecting that institution. The legislature
has further declared its intent to establish public policy against same-
sex marriage in statutory law that clearly and definitively declares
same-sex marriages will not be recognized in Washington, even if
they are made legal in other states. The legislature has enacted
statutory law that prohibits marriages when the parties are persons
other than a male and a female that are recognized as valid in another
district are not valid in this state. Nothing in this act is intended to
or shall be construed to promote or endorse same-
sex marriage or to modify or supersede state law related to marriage.

NEW SECTION. Sec. 2. The definitions in this section apply
throughout this chapter unless the context clearly requires otherwise.

"Secretary" means the secretary of state's office.

NEW SECTION. Sec. 3. Two adults are considered mutual
beneficiaries when the following requirements are met:

(1) Both are at least eighteen years of age;
(2) Neither is married to another person or in a mutual
beneficiary contract with another person;
(3) Both are capable of consenting to the mutual beneficiary
contract without fraud or duress;
NEW SECTION. Sec. 4. Two adults who meet the criteria in section 3 (1) through (3) of this act may enter into a mutual beneficiary contract and file a "declaration of mutual beneficiaries" with the secretary. Upon receipt of a signed and notarized declaration and the filing fee, the secretary shall provide a copy of the declaration to both parties. The secretary shall maintain a record of each declaration filed with the secretary.

1. An adult who is in a mutual beneficiary contract filed with the secretary may terminate the mutual beneficiary contract by filing a signed and notarized "termination of mutual beneficiary contract" with the secretary and paying a filing fee. The party seeking to terminate the mutual beneficiary contract must include in his or her filing an affidavit stating that the other party to the contract has received notice of the termination.

2. Upon receipt of a signed and notarized termination of mutual beneficiary contract, the filing fee, and affidavit, the secretary shall provide a copy of the termination of mutual beneficiary contract to each of the parties to the contract. The secretary shall maintain a record of each termination of mutual beneficiary contract filed with the secretary.

3. The secretary shall create forms entitled "declaration of mutual beneficiaries" and "termination of mutual beneficiary contract," and shall make those forms available to the public. The secretary shall set and collect fees for filing a declaration of mutual beneficiaries and filing a termination of mutual beneficiary contract. The secretary is authorized to adopt rules to administer this chapter.

NEW SECTION. Sec. 5. Mutual beneficiaries shall have the rights and benefits provided under this act. Nothing in this act may be construed to create any rights, benefits, protections, or responsibilities not specifically enumerated in this act.

NEW SECTION. Sec. 6. Persons in a domestic partnership, civil union, or other relationship recognized by another state or jurisdiction that confers some or all of the benefits, rights, or obligations of marriage to persons who are not eligible to marry in the state of Washington must otherwise qualify for a mutual beneficiary contract under section 3 of this act in order to be considered mutual beneficiaries.

NEW SECTION. Sec. 7. (1) A patient's mutual beneficiary shall have the same rights as a family member with respect to visitation of the patient in a health care facility as defined in RCW 48.43.005.

(2) Informed consent for health care for a patient may be obtained from the mutual beneficiary of the patient to the same extent such consent may be obtained from a patient's spouse under RCW 7.70.065.

(3) Disclosure of health care information may be made to a patient's mutual beneficiary to the same extent such disclosure is authorized to a patient's family member under RCW 70.02.050.

(4) To the extent a mutual beneficiary is named a beneficiary to nonprobate assets, RCW 11.07.010 shall apply upon the termination of the mutual beneficiary contract.

(5) To the extent a mutual beneficiary is appointed as attorney in fact in a power of attorney, RCW 11.94.080 shall apply upon the termination of the mutual beneficiary contract.

(6) Mutual beneficiaries shall have the same rights and interests regarding vested rights of placement and titles and certificates of ownership to family plots as provided to spouses under RCW 68.32.020, 68.32.040, 68.32.060, 68.32.110, and 68.32.130.

(7) A mutual beneficiary shall have the right to control the disposition of the remains of his or her mutual beneficiary to the same extent provided to spouses under RCW 68.50.160.

(8) A mutual beneficiary shall have the right to make an anatomical gift of his or her mutual beneficiary to the same extent provided to a spouse under RCW 68.50.550.

(9) If a mutual beneficiary dies intestate, the decedent's estate shall be distributed to the surviving mutual beneficiary to same extent as a spouse under RCW 11.04.015.

(10) If a mutual beneficiary dies intestate or if the personal representative or representatives named in the will declines or is unable to serve, the surviving mutual beneficiary shall be entitled to serve as the personal representative to the same extent as a spouse under RCW 11.28.120.

NEW SECTION. Sec. 8. Sections 2 through 7 of this act constitute a new chapter in Title 26 RCW.

NEW SECTION. Sec. 9. This act may be known and cited as the mutual beneficiary contract act of 2007.

NEW SECTION. Sec. 10. The secretary of state shall submit this act to the people for their adoption and ratification, or rejection, at the next general election to be held in this state, in accordance with Article II, section 1 of the state Constitution and the laws adopted to facilitate its operation.

Sec. 3. RCW 26.44.030 and 2005 c 417 s 1 are each amended to read as follows:

(1)(a) When any practitioner, county coroner or medical examiner, law enforcement officer, professional school personnel, registered or licensed nurse, social service counselor, psychologist, pharmacist, employee of the department of early learning, licensed or certified child care providers or their employees, employee of the department, juvenile probation officer, placement and liaison specialist, responsible living skills program staff, HOPE center staff, or state family and children's ombudsman or any volunteer in the ombudsman's office has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident, or cause a report to be made, to the proper law enforcement agency provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060. Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, either for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of a person's employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The report must be made at the first opportunity, but in no case later than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the person alleged to have caused the abuse or neglect. The report must also include the identity of the person making the report.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.
(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged to third parties.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute.

(10) Upon receiving reports of alleged abuse or neglect, the department or the law enforcement agency shall interview children. The interviews may be conducted on school premises, at day care facilities, at the child’s home, or at other suitable locations outside of the presence of parents. Parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation.

(11) Upon receiving a report of alleged child abuse and neglect, the department or investigating law enforcement agency shall have access to all relevant records of the child in the possession of a mandated reporter or their employees.

(12) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(13) The department shall maintain investigation records and conduct timely and periodic reviews of all cases constituting abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(14) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(15) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if malice is involved in the reporting.

(16) The department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which: (a) The department believes there is a serious threat of substantial harm to the child; (b) the report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or (c) the department has, after investigation, a report of abuse or neglect that has been founded with regard to a member of the household within three years of receipt of the referral.

Sec. 4. RCW 43.43.842 and 1998 c 10 s 4 are each amended to read as follows:

(1) (a) The secretary of social and health services and the secretary of health shall adopt additional requirements for the licensed or relicensable facilities, agencies, facilities, and licensed individuals who provide care and treatment to vulnerable adults, including nursing pools registered under chapter 18.52C RCW. These additional requirements shall ensure that any person associated with a licensed agency or facility having unsupervised access with a vulnerable adult shall not be the respondent in an active protective order under RCW 74.34.130, nor have been: (1) convicted of a crime against persons as defined in RCW 43.43.830, except as provided in this section; (ii) convicted of crimes relating to financial exploitation as defined in RCW 43.43.830, except as provided in this section; or (iii) found in any disciplinary board final decision to have abused a vulnerable adult under RCW 43.43.830((i) or (ii) the subject in a protective proceeding under chapter 74.34 (RCW)).

(b) A person associated with a licensed agency or facility who has unsupervised access with a vulnerable adult shall make the disclosures specified in RCW 43.43.834(2). The person shall make the disclosures in writing, sign, and swear to the contents under penalty of perjury. The person shall, in the disclosures, specify all crimes against children or other persons, all crimes relating to financial exploitation, and all crimes relating to drugs as defined in RCW 43.43.830, committed by the person.

(2) The rules adopted under this section shall permit the licensee to consider the criminal history of an applicant for employment in a licensed facility when the applicant has one or more convictions for a past offense and:
(a) The offense was simple assault, assault in the fourth degree, or the same offense as it may be renamed, and three or more years have passed between the most recent conviction and the date of application for employment;

(b) The offense was prostitution, or the same offense as it may be renamed, and three or more years have passed between the most recent conviction and the date of application for employment;

(c) The offense was theft in the third degree, or the same offense as it may be renamed, and three or more years have passed between the most recent conviction and the date of application for employment;

(d) The offense was theft in the second degree, or the same offense as it may be renamed, and five or more years have passed between the most recent conviction and the date of application for employment;

(e) The offense was forgery, or the same offense as it may be renamed, and five or more years have passed between the most recent conviction and the date of application for employment.

The offenses set forth in (a) through (e) of this subsection do not automatically disqualify an applicant from employment by a licensee. Nothing in this section may be construed to require the employment of any person against a licensee's judgment.

(3) In consultation with law enforcement personnel, the secretary of social and health services and the secretary of health shall investigate, or cause to be investigated, the conviction record and the protection proceeding record information under this chapter of the staff of each agency or facility under their respective jurisdictions seeking licensure or relicensure. An individual responding to a criminal background inquiry request from his or her employer or potential employer shall disclose the information about his or her criminal history under penalty of perjury. The secretaries shall use the information solely for the purpose of determining eligibility for licensure or relicensure. Criminal justice agencies shall provide the secretaries such information as they may have and that the secretaries may require for such purpose.

Sec. 5. RCW 74.15.030 and 2006 c 265 s 402 and 2006 c 54 s 8 are each reenacted and amended to read as follows:

The secretary shall have the power and it shall be the secretary's duty:

(1) In consultation with the children's services advisory committee, and with the advice and assistance of persons representative of the various type agencies to be licensed, to designate categories of facilities for which separate or different requirements shall be developed as may be appropriate whether because of variations in the ages, sex and other characteristics of persons served, variations in the purposes and services offered or size or structure of the agencies to be licensed hereunder, or because of any other factor relevant thereto;

(2) In consultation with the children's services advisory committee, and with the advice and assistance of persons representative of the various type agencies to be licensed, to adopt and publish minimum requirements for licensing applicable to each of the various categories of agencies to be licensed.

The minimum requirements shall be limited to:

(a) The size and suitability of a facility and the plan of operation for carrying out the purpose for which an applicant seeks a license;

(b) (The character, suitability and competence of an agency and other persons associated with an agency directly responsible for the care and treatment of children, expectant mothers or developmentally disabled persons.

In consultation with law enforcement personnel, the secretary shall investigate the conviction record pending charges and dependency record information under chapter 43.42 RCW of each agency and its staff seeking licensure or relicensure.

Any unfounded allegation of child abuse or neglect as defined in RCW 26.44.020 may be disclosed to a child-placing agency, private adoption agency, or any other provider licensed under this chapter.

In order to determine the suitability of applicants for an agency license, licensees, their employees, and other persons who have unsupervised access to children in care, and who have not resided in the state of Washington during the three-year period before being authorized to care for children shall be fingerprinted. The fingerprints shall be forwarded to the Washington state patrol and federal bureau of investigation for a criminal history records check.

The fingerprint criminal history records checks will be at the expense of the applicant except that in the case of a foster family home, if the expense would work a hardship on the licensee, the department shall pay the expense.

The license may not pass this cost on to the employee or prospective employee, unless the employee is determined to be unsuitable due to his or her criminal history record. The secretary shall use the information solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children, expectant mothers, and developmentally disabled persons. Criminal justice agencies shall provide the secretary such information as they may have and that the secretary may require for such purpose:

(e) Obtaining background information and any out-of-state equivalent, to determine whether the applicant or service provider is disqualified and to determine the character, suitability, and competence of an agency, the agency's employees, volunteers, and other persons associated with an agency;

(f) Conducting background checks for those who will or may have unsupervised access to children, expectant mothers, or individuals with a developmental disability;

(g) Obtaining child protective services information or records maintained in the department case management information system.

No unfounded allegation of child abuse or neglect as defined in RCW 26.44.020 may be disclosed to a child-placing agency, private adoption agency, or any other provider licensed under this chapter.

(h) Submitting a fingerprint-based background check through the Washington state patrol under chapter 10.97 RCW and through the federal bureau of investigation for:

(i) Agencies and their staff, volunteers, students, and interns when the agency is seeking license or relicense;

(j) Foster care and adoption placements; and

(k) Any adult living in a home where a child may be placed;

(l) If any adult living in the home has not resided in the state of Washington for the preceding five years, the department shall review any child abuse and neglect registries maintained by any state where the adult has resided over the preceding five years;

(m) The cost of fingerprint background check fees will be paid as required in section 1 of this act;

(n) National and state background information must be used solely for the purpose of determining eligibility for a license and for determining the character, suitability, and competence of those persons or agencies, excluding parents, not required to be licensed who are authorized to care for children or expectant mothers;

(o) The number of qualified persons required to render the type of care and treatment for which an agency seeks a license;

(p) The safety, cleanliness, and general adequacy of the premises to provide for the comfort, care and well-being of children, expectant mothers or developmentally disabled persons;

(q) The provision of necessary care, including food, clothing, supervision and discipline; physical, mental and social well-being; and educational, recreational and spiritual opportunities for those served;

(q) The financial ability of an agency to comply with minimum requirements established pursuant to chapter 74.15 RCW and RCW 74.13.031; and

(q) The maintenance of records pertaining to the admission, progress, health and discharge of persons served;

(3) To investigate any person, including relatives by blood or marriage except for parents, for character, suitability, and competence in the care and treatment of children, expectant mothers, and developmentally disabled persons.

However, if a applicant is convicted under RCW 13.34.065 or 13.34.130, and if such relative appears otherwise suitable and competent to provide care and treatment the criminal history background check required by this section need not be completed before placement, but shall be completed as soon as possible after placement;
NEW SECTION. Sec. 6. Federal and state law require the balancing of the privacy interests of individuals with the government's interest in the protection of children and vulnerable adults. The legislature finds that the balancing of these interests may be skewed in favor of the privacy rights of individuals. Therefore, a work group is created to research the current laws regarding background checks for prospective employees of public and private entities which work with vulnerable adults or children. The legislature finds that a comprehensive background check which includes both civil and criminal information is a valuable tool in safeguarding vulnerable adults and children from preventable risk.

NEW SECTION. Sec. 7. (1) The department of social and health services shall convene a work group to: (a) Review the current federal and state laws and administrative rules and practices with respect to sharing confidential information; (b) analyze how state agencies use background check information to make employment decisions, including how such information may disqualify an individual for employment; and (c) examine the need for and feasibility of verifying citizenship or immigration status of persons for whom background checks are required.

(2) The work group shall include but not be limited to the following members, chosen by the chief executive officer of each entity:

(i) A representative of the department of social and health services;
(ii) A representative of the department of early learning;

(vi) A representative of the Washington state patrol;
(vii) A representative from the Washington state bar association;
(viii) A representative of the Washington association of sheriffs and police chiefs;
(ix) A representative from the department of justice;
(x) A representative of the Washington association of criminal defense attorneys;
(xi) A representative from the administrative office of the courts; and
(xii) A representative from the department of information services.

(3) The work group shall also include as nonvoting ex officio members:

(i) One member from each of the two largest caucuses of the senate, appointed by the president of the senate; and
(ii) One member from each of the two largest caucuses of the house of representatives, appointed by the speaker of the house of representatives.

(c) Additional voting members may be invited to participate as determined by the work group.

(3) Appointments to the work group shall be completed within thirty days of the effective date of this section.

(4) The work group may form an executive committee, create subcommittees, designate alternative representatives, and define other procedures, as needed, for operation of the work group.

(5) Legislative members of the work group shall be reimbursed for travel expenses under RCW 44.04.120. Nonlegislative members, except those representing an employee or organization, are entitled to be reimbursed for travel expenses in accordance with RCW 43.03.050 and 43.03.060.

(6) The secretary of the department of social and health services or the secretary's designee shall serve as chair of the work group.

(7) The department of social and health services shall provide staff support to the work group.

(8) The work group shall:

(a) Provide an interim report to the legislature and the governor by December 1, 2007; and
(b) Make recommendations to the legislature and the governor by July 1, 2008, regarding improving current processes for sharing and use of background information, including but not limited to the feasibility of creating a clearinghouse of information.

(9) The clearinghouse shall simplify administrative handling of background check requests and reduce the total costs and number of full-time employees involved in doing the work, develop expertise in searching multiple databases, and include a process for reducing the total amount of time it takes to process background checks, including using workflow management software to improve transparency of process impediments.

(ii) The workgroup should consider where to locate the administrative work, possibly considering the use of the department of licensing's facilities for collecting fingerprints and other identifying information about applicants.

(9) This section expires November 30, 2008.

Sec. 8. RCW 41.06.475 and 2002 c 354 s 222 are each amended to read as follows:

Under Article IX, section 1 of the state Constitution, it is the paramount duty of the state to make ample provision for the education of all of Washington's children. According to the state supreme court, this constitutional provision requires that the legislature define and fully fund a program of K-12 basic education before the legislature funds any other statutory programs. For these reasons, it is the intent of the legislature to require that all appropriations for K-12 basic education, together with appropriations for other K-12 education programs, be enacted into law before the legislature takes executive action on other omnibus appropriations legislation.

Sec. 6. RCW 28A.150.380 and 2001 c 3 s 10 are each amended to read as follows:

(1) The state legislature shall, at each regular session in an odd-numbered year, appropriate from the state general fund for the current use of the common schools such amounts as needed for state support to the common schools during the ensuing biennium as provided in this chapter, RCW 28A.160.150 through 28A.160.210, 28A.300.170, and 28A.500.010.

(2) The state legislature shall also, at each regular session in an odd-numbered year, appropriate from the student achievement fund and education construction fund solely for the purposes of and in accordance with the provisions of the student achievement act during the ensuing biennium.

(3) Beginning with the 2009-11 fiscal biennium and thereafter, appropriations for the purposes of this section and other K-12 education purposes must be made in legislation that is separate from the omnibus operating appropriations act. Such appropriations must be enacted into law before it is in order for either house of the legislature to take executive action on omnibus operating appropriations legislation.

NEW SECTION. Sec. 7. A new section is added to chapter 44.04 RCW to read as follows:

Beginning with the 2009-11 fiscal biennium and thereafter, appropriations for the purposes of RCW 28A.150.380 and other K-12 education purposes must be enacted into law before it is in order for either house of the legislature to take executive action on omnibus operating or transportation appropriations legislation.

"USE STATE PURCHASING TO IMPROVE HEALTH CARE QUALITY"

NEW SECTION. Sec. 1. (1) The health care authority and the department of social and health services shall, by September 1, 2007, develop a five-year plan to change reimbursement within their health care programs to:

(a) Reward quality health outcomes rather than simply paying for the receipt of particular services or procedures;
(b) Pay for care that reflects patient preference and is of proven value;
(c) Require the use of evidence-based standards of care where available;
(d) Tie provider rate increases to measurable improvements in access to quality care;
(e) Direct enrollees to quality care systems;
(f) Better support primary care and provide a medical home to all enrollees through reimbursement policies that create incentives for providers to enter and remain in primary care practice and that address disparities in payment between specialty procedures and primary care services; and
(g) Pay for e-mail consultations, telemedicine, and telehealth where doing so reduces the overall cost of care.

(2) In developing any component of the plan that links payment to health care provider performance, the authority and the department shall work in collaboration with the department of health, health carriers, local public health jurisdictions, physicians and other health care providers, the Puget Sound health alliance, and other purchasers.

(3) The plan shall (a) identify any existing barriers and opportunities to support implementation, including needed changes to state or federal law; (b) identify the goals the plan is intended to achieve and how progress toward those goals will be measured; and (c) be submitted to the governor and the legislature upon completion. The agencies shall report to the legislature by September 1, 2007. Any component of the plan that links payment to health care provider performance must be submitted to the legislature for consideration prior to implementation by the department or the authority.

NEW SECTION. Sec. 2. A new section is added to chapter 41.05 RCW to read as follows:

(1) The legislature finds that there is growing evidence that, for preference-sensitive care involving elective surgery, patient-practitioner communication is improved through the use of high-quality decision aids that detail the benefits, harms, and uncertainty of available treatment options. Improved communication leads to more fully informed patient decisions. The legislature intends to increase the extent to which patients make genuinely informed, preference-based treatment decisions, by promoting public/private collaborative efforts to broaden the development, certification, use, and evaluation of effective decision aids and by recognition of shared decision making and patient decision aids in the state’s laws on informed consent.

(2) The health care authority shall implement a shared decision-making demonstration project. The demonstration project shall be conducted at one or more multispecialty group practice sites providing state purchased health care in the state of Washington, and may include other practice sites providing state purchased health care. The demonstration project shall include the following elements:

(a) Incorporation into clinical practice of one or more decision aids for one or more identified preference-sensitive care areas combined with ongoing training and support of involved practitioners and practice teams, preferably at sites with necessary supportive health information technology;
(b) An evaluation of the impact of the use of shared decision making with decision aids, including the use of preference-sensitive health care services selected for the demonstration project and expenditures for those services, the impact on patients, including
patient understanding of the treatment options presented and concordance between patient values and the care received, and patient and practitioner satisfaction with the shared decision-making process.

(c) As a condition of participating in the demonstration project, a participating practice site must bear the cost of selecting, purchasing, and incorporating the chosen decision aids into clinical practice.

(3) The health care authority may solicit and accept funding and in-kind contributions to support the demonstration and evaluation, and may scale the evaluation to fall within resulting resource parameters.

Sec. 3.  RCW 7.70.060 and 1975-'76 2nd ex.s.c 56 s 11 are each amended to read as follows:

(1) If a patient, while legally competent, or his or her representative if he or she is not competent, signs a consent form which sets forth the following, the signed consent form shall constitute prima facie evidence that the patient gave his or her informed consent to the treatment administered and the patient has the burden of rebutting this by a preponderance of the evidence:

(i) High-quality, up-to-date information about the condition, including presentation of the condition and treatment options, benefits, and risks, including if appropriate, a discussion of the limits of scientific knowledge about outcomes, and that is certified by one or more national certifying organizations.

(ii) Values clarification to help patients sort out their values and preferences; and

(iii) Guidance or coaching in deliberation, designed to improve the patient's understanding of the treatment options presented and concordance between patient values and the care received, and patient and practitioner satisfaction with the shared decision-making process.

(4) As used in this section, "patient decision aid" means a written, audio-visual, or online tool that provides a balanced presentation of the condition and treatment options, benefits, and harms, including if appropriate, a discussion of the limits of scientific knowledge about outcomes, and that is certified by one or more national certifying organizations.

(5) Failure to use a form or to engage in shared decision making, with or without the use of a patient decision aid, shall not be admissible as evidence of failure to obtain informed consent. There shall be no liability, civil or otherwise, resulting from a health care provider choosing either the signed consent form set forth in subsection (1)(a) of this section or the signed acknowledgement of shared decision making set forth in subsection (2) of this section.

NEW SECTION. Sec. 6. REINSURANCE

NEW SECTION. Sec. 25. (1) The office of financial management, in collaboration with the office of the insurance commissioner and state plan amendment board, shall evaluate options and design a state-supported reinsurance program to address the impact of high cost enrollees in the individual and small group health insurance markets, and submit an interim report to the governor and the legislature by December 1, 2007, and a final report, including implementing legislation and supporting information, including financing options, by September 1, 2008. In designing the program, the office of financial management shall:
(a) Estimate the quantitative impact on premium savings, premium stability over time and across groups of enrollees, individual and employer take-up, number of uninsured, and government costs associated with a government-funded stop-loss insurance program, including distinguishing between one-time premium savings and savings in subsequent years. In evaluating the various reinsurance models, evaluate and consider (i) the reduction in total health care costs to the state and private sector, and (ii) the reduction in individual premiums paid by employers, employees, and individuals;
(b) Identify all relevant design issues and alternative options for each issue. At a minimum, the evaluation shall examine (i) a reinsurance corridor of ten thousand dollars to ninety thousand dollars, and a reimbursement of ninety percent; (ii) the impacts of providing reinsurance for all small group products or a subset of products; and (iii) the applicability of a chronic care program such as the approach used by the department of labor and industries with the centers of occupational health and education. Where quantitative impacts cannot be estimated, the office of financial management shall assess qualitative impacts of design issues and their options, including potential disincentives for reducing premiums, achieving premium stability, sustaining/increasing take-up, decreasing the number of uninsured, and managing government's stop-loss insurance costs;
(c) Identify market and regulatory changes needed to maximize the chance of the program achieving its policy goals, including how the program will relate to other coverage programs and markets. Design efforts shall coordinate with other design efforts targeting small group programs that may be directed by the legislature, as well as other approaches examining alternatives to managing risk;
(d) Address conditions under which overall expenditures could increase as a result of a government-funded stop-loss program and options to mitigate those conditions, such as passive versus aggressive use of disease and care management programs by insurers;
(e) Determine whether the Washington state health insurance pool should be retained, and if so, develop options for additional sources of funding;
(f) Evaluate, and quantify where possible, the behavioral responses of insurers to the program including impacts on insurer premiums and practices for settling legal disputes around large claims; and
(g) Provide alternatives for transitioning from the status quo and, where applicable, alternatives for phasing in some design elements, such as threshold or corridor levels, to balance government costs and premium savings.
(2) Within funds specifically appropriated for this purpose, the office of financial management may contract with actuaries and other experts as necessary to meet the requirements of this section.

THE WASHINGTON STATE HEALTH INSURANCE POOL AND THE BASIC HEALTH PLAN

Sec. 26. RCW 48.41.110 and 2001 c 196 s 4 are each amended to read as follows:
(1) The pool shall offer one or more care management plans of coverage. Such plans may, but are not required to, include point of service features that permit participants to receive in-network benefits and out-of-network benefits subject to different cost shares. (Covered persons enrolled in the pool on January 1, 2001, may continue coverage under the pool plan in which they are enrolled on that date. However.) The pool may incorporate managed care features into ((much)) existing plans.
(2) The administrator shall prepare a brochure outlining the benefits and exclusions of ((the pool ((policy)) policies in plain language. After approval by the board, such a brochure shall be made reasonably available to participants or potential participants.
(3) The health insurance ((policy)) policies issued by the pool shall pay only reasonable amounts for medically necessary eligible health care services rendered or furnished for the diagnosis or treatment of covered illnesses, injuries, and conditions ((which are not otherwise limited or excluded)). (4) The pool shall offer at least two policies, one of which will be a comprehensive policy that must comply with RCW 48.41.120 and must at a minimum include the following services or related items:

(a) Hospital services, including charges for the most common semiprivate room, for the most common private room if semiprivate rooms do not exist in the health care facility, or for the private room if medically necessary, (((but limited to))) including no less than a total of one hundred eighty inpatient days in a calendar year, and (((limited to))) no less than thirty days inpatient care for mental and nervous conditions, or alcohol, drug, or chemical dependency or abuse per calendar year;

(b) Professional services including surgery for the treatment of injuries, illnesses, or conditions, other than dental, which are rendered by a health care provider, or at the direction of a health care provider, by a staff of registered or licensed practical nurses, or other health care providers;

(r) Other medical equipment, services, or supplies required by physician's orders and medically necessary and consistent with the diagnosis, treatment, and condition.

(((4))) (5) The board shall design and employ cost containment measures and requirements such as, but not limited to, care coordination, provider network limitations, predetermination certification, and concurrent inpatient review which may make the pool more cost-effective.

((5))) (6) The pool benefit policy may contain benefit limitations, exceptions, and cost shares such as copayments, coinsurance, and deductibles that are consistent with managed care products, except that differential cost shares may be adopted by the board for nonnetwork providers under point of service plans. (((The pool benefit policy cost shares and limitations must be consistent with those that are generally included in health plans approved by the insurance commissioner, however.))) No limitation, exception, or reduction may be used that would exclude coverage for any disease, illness, or injury.

(((6))) (7) The pool may not reject an individual for health plan coverage based upon preexisting conditions of the individual or deny, exclude, or otherwise limit coverage for an individual's preexisting health conditions; except that it shall impose a six-month benefit waiting period for preexisting conditions for which medical advice was given, for which a health care provider recommended or provided treatment, or for which a prudent layperson would have sought advice or treatment, within six months before the effective date of coverage. The preexisting condition waiting period shall not apply to prenatal care services. The pool may not avoid the requirements of this section through the creation of a new rate classification or the modification of an existing rate classification. Credit against the waiting period shall be as provided in subsection (((7))) (8) of this section.

(((7))) (8) (a) Except as provided in (b) of this subsection, the pool shall credit any preexisting condition waiting period in its plans for a person who was enrolled at any time during the sixty-three day period immediately preceding the date of application for the new pool plan. For the person previously enrolled in a group health benefit plan, the pool must credit the aggregate of all periods of preexisting care not separated by more than sixty-three days toward the waiting period of the new health plan. For the person previously enrolled in an individual health benefit plan other than a catastrophic health plan, the pool must credit the period of coverage the person was continuously covered under the immediately preceding health plan toward the waiting period of the new health plan. For the purposes of this subsection, a preceding health plan includes an employer-provided self-funded health plan.

(b) The pool shall waive any preexisting condition waiting period for a person who is an eligible individual as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. 300gg-41(b)).

(6) (9) If an application is made for the pool policy as a result of rejection by a carrier, then the date of application to the carrier, rather than to the pool, should govern for purposes of determining preexisting condition credit.

(10) The pool shall contract with organizations that provide care management that has been demonstrated to be effective and shall encourage enrollees who are eligible for care management services to participate.

Sec. 27. RCW 48.41.160 and 1987 c 431 s 16 are each amended to read as follows:

((1))) (1) A pool policy offered under this chapter shall contain provisions under which the pool is obligated to renew the policy until the individual becomes eligible for Medicare coverage when the individual becomes eligible for Medicare coverage. At that time, coverage of dependents shall terminate if such dependents are eligible for coverage under a different health plan. Dependents who become eligible for Medicare prior to the individual whose the policy is issued, shall receive benefits in accordance with RCW 48.41.150.

On or before December 31, 2007, the pool shall cancel all existing pool policies and replace them with policies that are identical to the existing policies except for the inclusion of a provision providing for a guarantee of the continuity of coverage consistent with this section. As a means to minimize the number of policy changes for enrollees, replacement policies provided under this subsection also may include the plan modifications authorized in RCW 48.41.100, 48.41.110, and 48.41.120.

((2))) (2) A pool policy shall contain a guarantee of the individual's right to continued coverage, subject to the provisions of subsections (4) and (5) of this section.

((3))) (3) The guarantee of continuity of coverage required by this section shall not prevent the pool from canceling or nonrenewing a policy for:

(a) Nonpayment of premium;

(b) Violation of published policies of the pool;

(c) Failure of a covered person who becomes eligible for Medicare benefits by reason of age to apply for a pool medical supplement plan, or a Medicare supplement plan or other similar plan offered by a carrier pursuant to federal laws and regulations;
NINTY FIFTH DAY, APRIL 12, 2007 1281

(d) Failure of a covered person to pay any deductible or copayment amount owed to the pool and not the provider of health care services;

(3) Covered persons committing fraudulent acts as to the pool;

(i) Covered persons materially breaching the pool policy; or

(ii) Changes adopted to federal or state laws when such changes no longer permit the continued offering of such coverage.

(4)(a) The guarantee of continuity of coverage provided by this section requires that if the pool replaces a plan, it must make the replacement plan available to all individuals in the plan being replaced. The replacement plan must include all of the services covered under the replaced plan, and must not significantly limit access to the kind of services covered under the replacement plan through unreasonable cost-sharing requirements or otherwise. The pool may also allow individuals who are covered by a plan that is being replaced an unrestricted right to transfer to a fully comparable plan.

(b) The guarantee of continuity of coverage provided by this section requires that if the pool discontinues offering a plan: (i) The pool must provide notice to each individual of the discontinuation at least ninety days prior to the date of the discontinuation; (ii) the pool must offer to each individual provided coverage under the discontinuing plan the option to enroll in any other plan currently offered by the pool for which the individual is otherwise eligible; and (iii) in exercising the option to discontinue a plan and in offering the option of coverage under (b)(ii) of this subsection, the pool must act uniformly without regard to any health status-related factor of enrolled individuals or individuals who may become eligible for this coverage.

(c) The pool cannot replace a plan under this subsection until it has completed an evaluation of the impact of replacing the plan upon:

(i) The cost and quality of care to pool enrollees;

(ii) Pool financing and enrollment;

(iii) The board’s ability to offer comprehensive and other plans to its enrollees;

(iv) Other items identified by the board.

In its evaluation, the board must request input from the constituents represented by the board members.

(d) The guarantee of continuity of coverage provided by this section does not apply if the pool has zero enrollment in a plan.

(5) The pool may not change the rates for pool policies except on a class basis, with a clear disclosure in the policy of the pool’s right to do so.

((2)(d)) (6) A pool policy offered under this chapter shall provide that, upon the death of the individual in whose name the policy is issued, every other individual then covered under the policy may elect, within a period specified in the policy, to continue coverage under the same or a different policy.

Sec. 28. RCW 48.41.200 and 2000 c 79 s 17 are each amended to read as follows:

(1) The pool shall determine the average individual standard rate charged for coverage comparable to pool coverage by the five largest members, measured in terms of individual market enrollment, offering such coverages in the state. In the event five members do not offer comparable coverage, the standard rate shall be established using reasonable actuarial techniques and shall reflect anticipated experience and expenses for such coverage in the individual market.

(b) Maximum rates for a pool indemnity health plan shall be one hundred twenty-five percent of the rate calculated under subsection (1) of this section; and

(c) Maximum rates for a pool care management plan shall be one hundred twenty-five percent of the rate calculated under subsection (1) of this section; and

(d) Maximum rates for a person eligible for pool coverage pursuant to RCW 48.41.100(1)(a) who was enrolled at any time during the sixty-three day period immediately prior to the date of application for pool coverage in a group health benefit plan or an individual health benefit plan other than a catastrophic health plan as defined in RCW 48.43.005, where such coverage was continuous for at least eighteen months, shall be:

(i) For a pool indemnity health plan, one hundred twenty-five percent of the rate calculated under subsection (1) of this section; and

(ii) For a pool care management plan, one hundred ten percent of the rate calculated under subsection (1) of this section.

(3)(a) Subject to (b) and (c) of this subsection:

(i) The rate for any person (aged fifty to sixty-four) whose current gross family income is less than two hundred fifty-one percent of the federal poverty level shall be reduced by ten percent from what it would otherwise be;

(ii) The rate for any person (aged fifty to sixty-four) whose current gross family income is more than two hundred fifty but less than three hundred one percent of the federal poverty level shall be reduced by fifteen percent from what it would otherwise be;

(iii) The rate for any person who has been enrolled in the pool for more than thirty-six months shall be reduced by five percent from what it would otherwise be.

(b) In no event shall the rate for any person be less than one hundred ten percent of the rate calculated under subsection (1) of this section.

(c) Rate reductions under (a)(i) and (ii) of this subsection shall be available only to the extent that funds are specifically appropriated for this purpose in the omnibus appropriations act.

Sec. 29. RCW 48.41.037 and 2000 c 79 s 36 are each amended to read as follows:

The Washington state health insurance pool account is created in the custody of the state treasurer. All receipts from moneys specifically appropriated to the account must be deposited in the account. Expenditures from this account shall be used to cover deficits incurred by the Washington state health insurance pool under this chapter in excess of the threshold established in this section. To the extent funds are available in the account, funds shall be expended from the account to offset that portion of the deficit that would otherwise have to be recovered by imposing an assessment on members in excess of a threshold of seventy cents per insured person per month. The commissioner shall authorize expenditures from the account, to the extent that funds are available in the account, upon certification by the pool board that assessments will exceed the threshold level established in this section. The account is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

Whether the assessment has reached the threshold of seventy cents per insured person per month shall be determined by dividing the total aggregate amount of assessment by the proportion of total assessed members. Thus, stop loss members shall be counted as one-tenth of a whole member in the denominator given that is the amount they are assessed proportionately relative to a fully insured medical member.

Sec. 30. RCW 48.41.100 and 2001 c 196 s 3 are each amended to read as follows:

(1) The following persons who are residents of this state are eligible for pool coverage:

(a) Any person who provides evidence of a carrier’s decision not to accept him or her for enrollment in an individual health benefit plan as defined in RCW 48.43.005 based upon, and within ninety days of the receipt of, the results of the standard health questionnaire designated by the board and administered by health carriers under RCW 48.43.018;

(b) Any person who continues to be eligible for pool coverage based upon the results of the standard health questionnaire designated by the board and administered by the pool administrator pursuant to subsection (3) of this section;

(c) Any person who resides in a county of the state where no carrier or insurer eligible under chapter 48.15 RCW offers to the public an individual health benefit plan other than a catastrophic health plan as defined in RCW 48.43.005 at the time of application to the pool, and who makes direct application to the pool; and

(d) Any medicare eligible person upon providing evidence of rejection for medical reasons, a requirement of restrictive riders, an up-rated premium, or a preexisting conditions limitation on a
medicare supplemental insurance policy under chapter 48.66 RCW, the effect of which is to substantially reduce coverage from that received by a person considered a standard risk by at least one member within six months of the date of application.

(2) The following persons are not eligible for coverage by the pool:

(a) Any person having terminated coverage in the pool unless (i) twelve months have lapsed since termination, or (ii) that person can show continuous other coverage which has been involuntarily terminated for any reason other than nonpayment of premiums. However, these exclusions do not apply to eligible individuals as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. Sec. 300gg-41(b));

(b) Any person on whose behalf the pool has paid out ((two)) two million dollars in benefits;

(c) Inmates of public institutions and persons whose benefits are duplicated under public programs. However, these exclusions do not apply to eligible individuals as defined in section 2741(b) of the federal health insurance portability and accountability act of 1996 (42 U.S.C. Sec. 300gg-41(b));

(d) Any person who resides in a county of the state where any carrier or insurer regulated under chapter 48.15 RCW offers to the public an individual health benefit plan other than a catastrophic health plan as defined in RCW 48.43.005 at the time of application to the pool and who does not qualify for pool coverage based upon the results of the standard health questionnaire, or pursuant to subsection (1)(d) of this section.

(3) When a carrier or insurer regulated under chapter 48.15 RCW begins to offer an individual health benefit plan in a county no carrier had been offering an individual health benefit plan:

(a) If the health benefit plan offered is other than a catastrophic health plan as defined in RCW 48.43.005, any person enrolled in a pool plan pursuant to subsection (1)(c) of this section in that county shall no longer be eligible for coverage under that plan pursuant to subsection (1)(c) of this section, but may continue to be eligible for pool coverage based upon the results of the standard health questionnaire designated by the board and administered by the pool administrator. The pool administrator shall offer to administer the questionnaire to determine the person's continued eligibility for coverage under subsection (1)(c) of this section within thirty days of determining that he or she is no longer eligible;

(b) Losing eligibility for pool coverage under this subsection (3) does not affect a person's eligibility for pool coverage under subsection (1)(a), (b), or (d) of this section; and

(c) The pool administrator shall provide written notice to any person who is no longer eligible for coverage under a pool plan under this subsection (3) within thirty days of the administrator's determination that a person is no longer eligible for the pool plan. The notice shall:

(i) Indicate that coverage under the plan will cease sixty days from the date that the notice is dated; (ii) describe any other coverage options, either in or outside of the pool, available to the person; (iii) describe the procedures for the administration of the standard health questionnaire to determine the person's continued eligibility for coverage under subsection (1)(b) of this section; and (iv) describe the enrollment process for the available options outside of the pool.

(4) The board shall ensure that an independent analysis of the eligibility standards for the pool coverage is conducted, including examining the eight percent eligibility threshold, eligibility for medicare enrollees and other publicly sponsored enrollees, and the impacts on the pool and the state budget. The board shall report the findings to the legislature by December 1, 2007.

Sec. 31. RCW 48.41.120 and 2000 c 79 s 14 are each amended to read as follows:

(1) Subject to the limitation provided in subsection (3) of this section, ((a)) the comprehensive pool policy offered (immeasurable under RCW 48.41.110((ee))) (a) shall impose a deductible as provided in this subsection. Deductibles of five hundred dollars and one thousand dollars on a per person per calendar year basis shall initially be offered. The board may authorize deductibles in other amounts. The deductible shall be applied to the first five hundred dollars, one thousand dollars, or other authorized amount of eligible expenses incurred by the covered person.

(2) Subject to the limitations provided in subsection (3) of this section, a mandatory coinsurance requirement shall be imposed at ((the)) a rate ((of)) not to exceed twenty percent of eligible expenses in excess of the mandatory deductible and which supports the efficient delivery of high quality health care services for the medical conditions of pool enrollees.

(3) The maximum aggregate out of pocket payments for eligible expenses by the insured in the form of deductibles and coinsurance under ((m)) the comprehensive policy offered (immeasurable under RCW 48.41.110((ee))) (a) shall not exceed in a calendar year:

(a) One thousand five hundred dollars per individual, or three thousand dollars per family, per calendar year for the five hundred dollar deductible policy;

(b) Two thousand five hundred dollars per individual, or five thousand dollars per family per calendar year for the one thousand dollar deductible policy;

(c) An amount authorized by the board for any other deductible policy.

(4) Except for those enrolled in a high deductible health plan qualified under federal law for use with a health savings account, eligible expenses incurred by a covered person in the last three months of any calendar year, and applied toward a deductible, shall also be applied toward the deductible amount in the next calendar year.

(5) The board may modify cost-sharing as an incentive for enrollees to participate in care management services and other cost-effective programs and policies.

Except as otherwise specifically provided, a small employer shall continue to be considered a small employer until the plan anniversary following the date the small employer no longer meets the requirements of this definition. A self-employed individual or sole proprietor must derive at least seventy-five percent of his or her income from a trade or business through which the individual or sole proprietor has attempted to earn taxable income and for which he or she has filed the appropriate internal revenue service form 1040, schedule C or F.
for the previous taxable year except for a self-employed individual or sole proprietor in an agricultural trade or business, who must derive at least fifty-one percent of his or her income from the trade or business through which the individual or sole proprietor has attempted to earn taxable income and for which he or she has filed the appropriate internal revenue service form 1040, for the previous taxable year. A self-employed individual or sole proprietor who is covered as a group of one on the day prior to June 10, 2004, shall also be considered a "small employer" to the extent that individual or group of one is entitled to have his or her coverage renewed as provided in RCW 48.43.035(6).

25) "Utilization review" means the prospective, concurrent, or retrospective assessment of the necessity and appropriateness of the allocation of health care resources and services of a provider or facility, given or proposed to be given to an enrollee or group of enrollees.

26) "Wellness activity" means an explicit program of an activity consistent with department of health guidelines, such as, smoking cessation, injury and accident prevention, reduction of alcohol misuse, appropriate weight reduction, exercise, automobile and motorcycle safety, blood cholesterol reduction, and nutrition education for the purpose of improving enrollee health status and reducing health service costs.

Sec. 33. RCW 48.41.190 and 1989 c 121 s 10 are each amended to read as follows:

(1) The administrator shall provide benefit plans designed by the board through a contract or contracts with insuring entities, through self-funding, self-insurance, or other methods of providing insurance coverage authorized by RCW 41.05.140.

(2) The administrator shall establish a contract bidding process that:

(a) Encourages competition among insuring entities;
(b) Maintains an equitable relationship between premiums charged for similar benefits and between risk pools including premiums charged for retired state and school district employees under the separate risk pools established by RCW 41.05.022 and 41.05.080 such that insuring entities may not avoid risk when establishing the premium rates for retirees eligible for medicare;
(c) Is timely to the state budgetary process; and
(d) Sets conditions for awarding contracts to any insuring entity.

3) The administrator shall establish a requirement for review of utilization and financial data from participating insuring entities on a quarterly basis.

4) The administrator shall centralize the enrollment files for all employee and retired or disabled school employee health plans authorized under chapter 41.05 RCW and develop enrollment demographics on a plan-specific basis.

5) All claims data shall be the property of the state. The administrator may require of any insuring entity that submits a bid to contract for coverage all information deemed necessary including:

(a) Subscriber or member demographic and claims data necessary for risk assessment and adjustment calculations in order to fulfill the administrator's duties as set forth in this chapter; and
(b) Subscriber or member demographic and claims data necessary to implement performance measures or financial incentives related to performance under subsection (7) of this section.

6) All contracts with insuring entities for the provision of health care benefits shall provide that the beneficiaries of such benefit plans may use on an equal participation basis the services of practitioners licensed pursuant to chapters 18.22, 18.25, 18.32, 18.53, 18.57, 18.71, 18.74, 18.83, and 18.79 RCW, as it applies to registered nurses and advanced registered nurse practitioners. However, nothing in this subsection may preclude the administrator from establishing appropriate utilization controls approved pursuant to RCW 41.05.065(2) (a), (b), and (d).

7) The administrator shall, in collaboration with other state agencies that administer state purchased health care programs, private health care purchasers, health care facilities, providers, and carriers:

(a) Use evidence-based medicine principles to develop common performance measures and implement financial incentives in contracts with insuring entities, health care facilities, and providers that:

(i) Reward improvements in health outcomes for individuals with chronic diseases, increased utilization of appropriate preventive health services, and reductions in medical errors; and
(ii) Increase, through appropriate incentives to insuring entities, health care facilities, and providers, the adoption and use of information technology that contributes to improved health outcomes, better coordination of care, and decreased medical errors;
(b) Through state health purchasing, reimbursement, or pilot strategies, promote and increase the adoption of health information technology systems, including electronic medical records, by hospitals as defined in RCW 70.41.020(4), integrated delivery systems, and providers that:

(i) Facilitate diagnosis or treatment;
(ii) Reduce unnecessary duplication of medical tests;
(iii) Promote efficient electronic physician order entry;
(iv) Increase access to health information for consumers and their providers; and
(v) Improve health outcomes;
(c) Coordinate a strategy for the adoption of health information technology systems using the final health information technology report and recommendations developed under chapter 261, Laws of 2005.

8) The administrator may permit the Washington state health insurance pool to contract to utilize any network maintained by the authority or any network under contract with the authority.

Sec. 35. RCW 70.47.020 and 2005 c 188 s 2 are each amended to read as follows:

As used in this chapter:

1) "Washington basic health plan" or "plan" means the system of enrollment and payment for basic health care services, administered by the plan administrator through participating managed health care systems, created by this chapter.

2) "Administrator" means the Washington basic health plan administrator, who also holds the position of administrator of the Washington state health care authority.

3) "Health coverage tax credit program" means the program created by the Trade Act of 2002 (P.L. 107-210) that provides a federal tax credit that subsidizes private health insurance coverage for displaced workers certified to receive certain trade adjustment assistance benefits and for individuals receiving benefits from the pension benefit guaranty corporation.

4) "Health coverage tax credit eligible enrollee" means individual workers and their qualified family members who lose their jobs due to the effects of international trade and are eligible for certain trade adjustment assistance benefits; or are eligible for benefits under the alternative trade adjustment assistance program; or are people who receive benefits from the pension benefit guaranty corporation and are at least fifty-five years old.
(5) "Managed health care system" means: (a) Any health care organization, including health care providers, insurers, health care service contractors, health maintenance organizations, or any combination thereof, that provides directly or by contract basic health care services, as defined by the administrator and rendered by duly licensed providers, to a defined patient population enrolled in the plan and in the managed health care system; or (b) a self-funded or self-insured method of providing insurance coverage to subsidized enrollees provided under RCW 41.05.140 and subject to the limitations under RCW 70.47.100(7)

(6) "Subsidized enrollee" means:

(a) An individual, or an individual plus the individual's spouse or dependent children:

   (((i))) (i) Who is not eligible for medicare;

   (((ii))) (ii) Who is not confined or residing in a government-operated institution, unless he or she meets eligibility criteria adopted by the administrator;

   (((iii))) (iii) Who is not a full-time student who has received a temporary visa to study in the United States;

   (((iv))) (iv) Who resides in an area of the state served by a managed health care system participating in the plan;

   (((v))) (v) Whose gross family income at the time of enrollment does not exceed two hundred percent of the federal poverty level as adjusted for family size and determined annually by the federal department of health and human services; and

   (((vi))) (vi) Who chooses to obtain basic health care coverage from a particular managed health care system in return for periodic payments to the plan;

(b) An individual who meets the requirements in (a)(i) through (vi) of this subsection and who is a foster parent licensed under chapter 74.15 RCW and whose gross family income at the time of enrollment does not exceed three hundred percent of the federal poverty level as adjusted for family size and determined annually by the federal department of health and human services; and

(c) To determine the periodic premiums due the administrator from subsidized enrollees under RCW 70.47.020(6)(b). Premiums due for foster parents with gross family income up to two hundred percent of the federal poverty level shall be set at the minimum premium amount charged to enrollees with income below sixty-five percent of the federal poverty level. Premiums due for foster parents with gross family income between two hundred percent and three hundred percent of the federal poverty level shall not exceed one hundred dollars per month.

(2)(a) To design and implement a structure of periodic premiums due the administrator from subsidized enrollees that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members. The enrollment of children shall not require the enrollment of their parent or parents who are eligible for the plan. The structure of periodic premiums shall be applied to subsidized enrollees entering the plan as individuals pursuant to subsection (11) of this section and to the share of the cost of the plan due from subsidized enrollees entering the plan as employees pursuant to subsection (12) of this section.

(b) To determine the periodic premiums due the administrator from subsidized enrollees under RCW 70.47.020(6)(b). Premiums due for foster parents with gross family income up to two hundred percent of the federal poverty level shall be set at the minimum premium amount charged to enrollees with income below sixty-five percent of the federal poverty level. Premiums due for foster parents with gross family income between two hundred percent and three hundred percent of the federal poverty level shall not exceed one hundred dollars per month.

(c) To determine the periodic premiums due the administrator from nonsubsidized enrollees. Premiums due from nonsubsidized enrollees shall be in an amount equal to the cost charged by the managed health care system to the state for the plan plus the administrative cost of providing the plan to those enrollees and the premium tax under RCW 48.14.0201. Premiums due from health care providers shall be in an amount equal to the cost charged by the provider to the state for the plan plus the administrative cost of providing the plan to those enrollees and the premium tax under RCW 48.14.0201. The administrator will consider the impact of eligibility determination by the appropriate federal agency designated by the Trade Act of 2002 (P.L. 107-210) as well as the premium collection and remittance activities by the United States internal
revenue service when determining the administrative cost charged for health coverage tax credit eligible enrollees.

((#)) (e) An employer or other financial sponsor may, with the prior approval of the administrator, pay the premium, rate, or any other amount on behalf of a subsidized or nonsubsidized enrollee, by arrangement with the enrollee and through a mechanism acceptable to the administrator. The administrator shall establish a mechanism for receiving premium payments from the United States internal revenue service for health coverage tax credit eligible enrollees.

(4) To develop, as an offering by every health carrier providing coverage identical to the basic health plan, as configured on January 1, 2001, a basic health plan model plan with uniformity in enrollee cost-sharing requirements.

(3) To evaluate, with the cooperation of participating managed health care system providers, the impact on the basic health plan of enrolling health coverage tax credit eligible enrollees. The administrator shall issue to the appropriate committees of the legislature preliminary evaluations on June 1, 2005, and January 1, 2006, and a final evaluation by June 1, 2006. The evaluation shall address the number of persons enrolled, the duration of their enrollment, their utilization of covered services relative to other basic health plan enrollees, and the extent to which their enrollment contributed to any change in the cost of the basic health plan.

(4) To end the participation of health coverage tax credit eligible enrollees in the basic health plan if the federal government reduces or terminates premium payments on their behalf through the United States internal revenue service.

(5) To design and implement a structure of enrollee cost-sharing due to a managed health care system from subsidized, nonsubsidized, and health coverage tax credit eligible enrollees. The structure shall provide appropriate enrollee utilization of health care services, and may utilize copayments, deductibles, and other cost-sharing mechanisms, but shall not be so costly to enrollees as to constitute a barrier to appropriate utilization of necessary health care services.

(6) To limit enrollment of persons who qualify for subsidies so as to prevent an overexpenditure of appropriations for such purposes. Whenever the administrator finds that there is danger of such an overexpenditure, the administrator shall close enrollment until the administrator finds the danger no longer exists. Such a closure does not apply to health coverage tax credit eligible enrollees who receive a premium subsidy from the United States internal revenue service as long as the enrollees qualify for the health coverage tax credit program.

(7) To limit the payment of subsidies to subsidized enrollees, as defined in RCW 70.47.020. The level of subsidy provided to persons who qualify may be based on the lowest cost plans, as defined by the administrator.

(8) To adopt a schedule for the orderly development of the delivery of services and availability of the plan to residents of the state, subject to the limitations contained in RCW 70.47.080 or any act appropriating funds for the plan.

(9) To solicit and accept applications from managed health care systems, as defined in this chapter, for inclusion as eligible basic health care providers under the plan for subsidized enrollees; nonsubsidized enrollees, or health coverage tax credit eligible enrollees. The administrator shall endeavor to assure that covered basic health care services are available to any enrollee of the plan from among a selection of two or more participating managed health care systems. In adopting any rules or procedures applicable to managed health care systems and in its dealings with such systems, the administrator shall consider and make suitable allowance for the need for health care services and the differences in local availability of health care resources, along with other resources, within and among the several areas of the state. Contracts with participating managed health care systems shall ensure that basic health plan enrollees who become eligible for medical assistance may, at their option, receive services from such systems within the managed health care system if such providers have entered into provider agreements with the department of social and health services.

(10) To receive periodic premiums from or on behalf of subsidized, nonsubsidized, and health coverage tax credit eligible enrollees, deposit them in the basic health plan operating account, keep records of enrollee status, and authorize periodic payments to managed health care systems on the basis of the number of enrollees participating in the respective managed health care systems.

(11) To accept applications from individuals residing in areas served by the plan, on behalf of themselves and their spouses and dependent children, for enrollment in the Washington basic health plan as subsidized, nonsubsidized, or health coverage tax credit eligible enrollees, to give priority to members of the Washington national guard and reserves who served in Operation Enduring Freedom, Operation Iraqi Freedom, or Operation Noble Eagle, and their spouses and dependents, for enrollment in the Washington basic health plan, to establish appropriate minimum-enrollment periods for enrollees as may be necessary, and to determine, upon application and on a reasonable schedule defined by the authority, or at the request of any enrollee, eligibility due to current gross family income for sliding scale premiums. Funds received by a family as part of participation in the adoption support program authorized under RCW 26.33.320 and 74.13.100 through 74.13.145 shall not be counted toward a family's current gross family income for the purposes of this chapter. When an enrollee fails to report income or income changes accurately, the administrator shall have the authority either to bill the enrollee for the amounts overpaid by the state or to impose civil sanctions of up to two hundred percent of the subsidy overpaid due to the enrollee incorrectly reporting income. The administrator shall adopt rules to define the appropriate application of these sanctions and the processes to implement the sanctions provided in this subsection, within available resources. No subsidy may be paid with respect to any enrollee whose current gross family income exceeds twice the federal poverty level or, subject to RCW 70.47.110, who is a recipient of medical assistance or medical care services under chapter 74.09 RCW. If a number of enrollees drop their enrollment for no apparent good cause, the administrator may establish appropriate rules or requirements that are applicable to such individuals before they will be allowed to reenroll in the plan.

(12) To accept applications from business owners on behalf of themselves and their employees, spouses, and dependent children, as subsidized or nonsubsidized enrollees, who reside in an area served by the plan. The administrator may require all or the substantial majority of the eligible employees of such businesses to enroll in the plan and establish those procedures necessary to facilitate the orderly enrollment of groups in the plan and into a managed health care system. The administrator may require that a business owner pay at least an amount equal to what the employee pays after the state pays its portion of the subsidized premium cost of the plan on behalf of each employee enrolled in the plan. Enrollment is limited to those not eligible for medicare who wish to enroll in the plan and choose to enroll in the basic health care coverage and services from a managed health system. The amount determined to be due on behalf of or from all such enrollees whenever the amount negotiated by the administrator with the participating managed health care system or systems is modified or the administrative cost of providing the plan to such enrollees.

(13) To determine the rate to be paid to each participating managed health care system in return for the provision of covered basic health care services to enrollees in the system. Although the schedule of covered basic health care services will be the same or actuarially equivalent for similar enrollees, the rates negotiated with participating managed health care systems may vary among the systems. In negotiating rates with participating systems, the administrator shall consider the characteristics of the populations served by the respective systems, economic circumstances of the local area, the need to conserve the resources of the basic health plan trust account, and other factors the administrator finds relevant.

(14) To monitor the provision of covered services to enrollees by participating managed health care systems in order to assure that enrollees have access to good quality health care services. The data reports concerning the utilization of health care services rendered to enrollees in order to provide adequate information for evaluation, and to inspect the books and records of participating managed health care systems to assure compliance with the purposes of this chapter. In requiring reports from participating managed health care systems, including data on services rendered enrollees,
the administrator shall endeavor to minimize costs, both to the managed health care systems and to the plan. The administrator shall coordinate any such reporting requirements with other state agencies, such as the insurance commissioner and the department of health, to minimize duplication of effort.

(15) To evaluate the effects this chapter has on private employer-based health care coverage and to take appropriate measures consistent with state and federal statutes that will discourage the reduction of such coverage in the state.

(16) To develop a program of proven preventive health measures and to integrate it into the plan wherever possible and consistent with this chapter.

(17) To provide, consistent with available funding, assistance for rural residents, underserved populations, and persons of color.

(18) In consultation with appropriate state and local government agencies, to establish criteria defining eligibility for persons confined or residing in government-operated institutions.

(19) To administer the premium discounts provided under RCW 48.41.200(3)(a) (i) and (ii) pursuant to a contract with the Washington state health insurance pool.

(20) To give priority in enrollment to persons who disenrolled from the program in order to enroll in medicaid, and subsequently became ineligible for medicaid coverage.

Sec. 37. RCW 48.43.018 and 2004 c 244 s 3 are each amended to read as follows:

(1) Except as provided in (a) through (e) of this subsection, a health carrier may require any person applying for an individual health benefit plan and the health care authority shall require any person applying for nonsubsidized enrollment in the basic health plan to complete the standard health questionnaire designated under chapter 48.41 RCW.

(a) If a person is seeking an individual health benefit plan or enrollment in the basic health plan as a nonsubsidized enrollee due to his or her change of residence from one geographic area in Washington state to another geographic area in Washington state where his or her current health plan is not offered, completion of the standard health questionnaire shall not be a condition of coverage if application for coverage is made within ninety days of relocation.

(b) If a person is seeking an individual health benefit plan or enrollment in the basic health plan as a nonsubsidized enrollee:

(i) Because a health care provider with whom he or she has an established care relationship and from whom he or she has received treatment within the past twelve months is no longer part of the carrier's provider network under his or her existing Washington individual health benefit plan;

(ii) His or her health care provider is part of another carrier's or a basic health plan managed care system's provider network; and

(iii) Application for a health benefit plan under that carrier's provider network individual coverage or for basic health plan nonsubsidized enrollment is made within ninety days of his or her provider leaving the previous carrier's provider network; then completion of the standard health questionnaire shall not be a condition of coverage.

(c) If a person is seeking an individual health benefit plan or enrollment in the basic health plan as a nonsubsidized enrollee due to his or her having exhausted continued coverage provided under 29 U.S.C. Sec. 1161 et seq., completion of the standard health questionnaire shall not be a condition of coverage if application for coverage is made within ninety days of exhaustion of continuation coverage. A health carrier or the health care authority, as administrator of basic health plan nonsubsidized coverage, shall accept an application without a standard health questionnaire from a person currently covered by such continuation coverage if application is made within ninety days prior to the date of discontinuation of eligibility under the conversion contract. A health carrier or the health care authority as administrator of basic health plan nonsubsidized coverage shall accept an application without a standard health questionnaire from a person currently covered by such conversion contract if application is made within ninety days prior to the date eligibility under the conversion contract would be discontinued and the effective date of the individual coverage applied for is the date eligibility under the conversion contract would be discontinued, or within ninety days thereof.

(e) If a person is seeking an individual health benefit plan (and, but for the number of persons employed by his or her employer, would have qualified) or enrollment in the basic health plan as a nonsubsidized enrollee following disenrollment from a health plan that is exempt from continuation coverage provided under 29 U.S.C. Sec. 1161 et seq., completion of the standard health questionnaire shall not be a condition of coverage if: (i) Application for coverage is made within ninety days of a qualifying event as defined in 29 U.S.C. Sec. 1162; and (ii) the person had at least twenty-four months of continuous group coverage; and (iii) the effective date of the individual coverage applied for is the date of (i) (the qualifying event) or (ii) or within ninety days thereafter.

(2) If, based upon the results of the standard health questionnaire, the person qualifies for coverage under the Washington state health insurance pool, the following shall apply:

(a) The carrier may decide not to accept the person's application for enrollment in its individual health benefit plan and the health care authority, as administrator of basic health plan nonsubsidized coverage, shall not accept the person's application for enrollment as a nonsubsidized enrollee.

(b) Within fifteen business days of receipt of a completed application, the carrier or the health care authority as administrator of basic health plan nonsubsidized coverage shall provide written notice of the decision not to accept the person's application for enrollment to both the person and the administrator of the Washington state health insurance pool. The notice to the person shall state that the person is eligible for health insurance provided by the Washington state health insurance pool, and shall include information about the Washington state health insurance pool and an application for such coverage. If the carrier or the health care authority as administrator of basic health plan nonsubsidized coverage does not provide or postmark such notice within fifteen business days, the application is deemed approved.

(3) If the person applying for an individual health benefit plan:

(a) Does not qualify for coverage under the Washington state health insurance pool based upon the results of the standard health questionnaire; (b) does qualify for coverage under the Washington state health insurance pool based upon the results of the standard health questionnaire and the carrier elects to accept the person for enrollment; or (c) is not required to complete the standard health questionnaire designated under this chapter under subsection (1)(a) or (b) of this section, the carrier or the health care authority as administrator of basic health plan nonsubsidized coverage, whichever entity administered the standard health questionnaire, shall accept the person for enrollment if he or she resides within the carrier's or the
basic health plan's service area and provide or assure the provision of all covered services regardless of age, sex, family structure, ethnicity, race, health condition, geographic location, employment status, socioeconomic status, other condition or situation, or the provisions of RCW 49.60.174(2). The commissioner may grant a temporary exemption from this subsection if, upon application by a health carrier, the commissioner finds that the clinical, financial, or administrative capacity to serve existing enrollees will be impaired if a health carrier is required to continue enrollment of additional eligible individuals.

Sec. 38. RCW 43.70.670 and 2003 c 274 s 2 are each amended to read as follows:

(1) "Human immunodeficiency virus insurance program," as used in this section, means a program that provides health insurance coverage for individuals with human immunodeficiency virus, as defined in RCW 70.24.017(7), who are not eligible for medical assistance programs from the department of social and health services as defined in RCW 74.09.010(8) and meet eligibility requirements established by the department of health.

(2) The department of health may pay for health insurance coverage on behalf of persons with human immunodeficiency virus, who meet department eligibility requirements, and who are eligible for "continuation coverage" as provided by the federal consolidated omnibus budget reconciliation act of 1985, group health insurance policies, or individual policies. ((The number of insurance policies supported by this program in the Washington state health insurance pool as defined in RCW 48.41.030(18) shall not grow beyond the July 1, 2003, level.))

(5) A dispenser or practitioner acting in good faith is immune from any civil, criminal, or administrative liability that might otherwise be incurred or imposed for requesting, receiving, or using information from the program.

NEW SECTION. Sec. 46. The department may contract with another agency of this state or with a private vendor, as necessary, to ensure the effective operation of the prescription monitoring program. (5) "Office" means the office of financial management.

(6) "Strategy" means the statewide health resources strategy.

NEW SECTION. Sec. 51. (1) The office shall serve as a coordinating body for public and private efforts to improve quality in health care, promote cost-effectiveness in health care, and plan health facility and health service availability. In addition, the office shall facilitate access to health care data collected by public and private organizations as needed to conduct its planning responsibilities.

(2) The office shall:
   (a) Conduct strategic health planning activities related to the preparation of the strategy, as specified in this chapter;
   (b) Develop a computerized system for accessing, analyzing, and disseminating data relevant to strategic health planning responsibilities. The office may contract with an organization to create the computerized system capable of meeting the needs of the office;
   (c) Maintain access to deidentified data collected and stored by any public and private organizations as necessary to support its planning responsibilities, including state-purchased health care program data, hospital discharge data, and private efforts to collect utilization and claims-related data. The office is authorized to enter into any data sharing agreements and contractual arrangements necessary to obtain data or to distribute data. Among the sources of deidentified data that the office may access are any databases established pursuant to the recommendations of the health information infrastructure advisory board established by chapter 261, Laws of 2005. The office may store limited data sets as necessary to support its activities. Unless specifically authorized, the office shall not collect data directly from the records of health care providers and health care facilities, but shall make use of databases that have already collected such information; and

The committee shall include members with experience in the provision of health services to rural communities.

NEW SECTION. Sec. 52. (1) The office, in consultation with the technical advisory committee established under section 51 of this act, shall develop a statewide health resources strategy. The strategy shall establish statewide health planning policies and goals related to the availability of health care facilities and services, quality of care, and cost of care. The strategy shall identify needs according to geographic regions suitable for comprehensive health planning as designated by the office.

(2) The development of the strategy shall consider the following general goals and principles:
   (a) That excess capacity of health services and facilities place considerable economic burden on the public who pay for the construction and operation of these facilities as patients, health insurance purchasers, carriers, and taxpayers; and
(b) That the development and ongoing maintenance of current and accurate health care information and statistics related to cost and quality of health care, as well as projections of need for health care facilities and services, are essential to effective strategic health planning.

(3) The strategy, with public input by health service areas, shall include:

(a) A health system assessment and objectives component that:

(i) Describes state and regional population demographics, health status indicators, and trends in health status and health care needs; and

(ii) Identifies key policy objectives for the state health system related to access to care, health outcomes, quality, and cost-effectiveness;

(b) A health care facilities and services plan that shall assess the demand for health care facilities and services to inform state health planning efforts and direct certificate of need determinations, for those facilities and services subject to certificate of need as provided in chapter 70.38 RCW. The plan shall include:

(i) An inventory of each geographic region's existing health care facilities and services;

(ii) Projections of need for each category of health care facility and service, including those subject to certificate of need;

(iii) Policies to guide the addition of new or expanded health care facilities and services to promote the use of quality, evidence-based, cost-effective health care delivery options, including any recommendations for criteria, standards, and methods relevant to the certificate of need review process; and

(iv) An assessment of the availability of health care providers, public health resources, transportation infrastructure, and other considerations necessary to support the needed health care facilities and services in each region;

(c) A health care data resource plan that identifies data elements necessary to properly conduct planning activities and to review certificate of need applications, including data related to inpatient and outpatient utilization and outcomes information, and financial and utilization information related to charity care, quality, and cost. The plan shall inventory existing data resources, both public and private, that store and disclose information relevant to the health planning process, including information necessary to conduct certificate of need activities pursuant to chapter 70.38 RCW. The plan shall identify any deficiencies in the inventory of existing data resources and the data necessary to conduct comprehensive health planning activities. The plan may recommend that the office be authorized to access existing data sources and conduct appropriate analyses of such data or that other agencies expand their data collection activities as statutory authority permits. The plan may identify any computing infrastructure deficiencies that impede the proper storage, transmission, and analysis of health planning data. The plan shall provide recommendations for increasing the availability of data related to health planning to provide greater community involvement in the health planning process and consistency in data used for certificate of need applications and determinations;

(d) An assessment of emerging trends in health care delivery and technology as they relate to access to health care facilities and services, quality of care, and costs of care. The assessment shall recommend any changes to the scope of health care facilities and services covered by the certificate of need program that may be warranted by these emerging trends. In addition, the assessment may recommend any changes to criteria used by the department to review certificate of need applications, as necessary;

(e) A rural health resource plan to assess the availability of health resources in rural areas of the state, assess the unmet needs of these communities, and evaluate how federal and state reimbursement policies can be modified, if necessary, to more effectively meet the health care needs of rural communities. The plan shall consider the unique health care needs of rural communities, the adequacy of the rural health workforce, and transportation needs for accessing appropriate care.

(4) The office shall submit the initial strategy to the governor by January 1, 2010. Every two years the office shall submit an updated strategy. The health care facilities and services plan as it pertains to a distinct geographic planning region may be updated by individual categories on a rotating, biannual schedule.

(5) The office shall hold at least one public hearing and allow opportunity to submit written comments prior to the issuance of the initial strategy or an updated strategy. A public hearing shall be held prior to issuing a draft of an updated health care facilities and services plan, and another public hearing shall be held before final adoption of an updated health care facilities and services plan. Any hearing related to updating a health care facilities and services plan for a specific planning region shall be held in that region with sufficient notice to the public and an opportunity to comment.

NEW SECTION. Sec. 53. The office shall submit the strategy to the department of health to direct its activities related to the certificate of need review program under chapter 70.38 RCW. As the health care facilities and services plan is updated for any specific geographic planning region, the office shall submit that plan to the department of health to direct its activities related to the certificate of need review program under chapter 70.38 RCW. The office shall not issue determinations of the merits of specific project proposals submitted by applicants for certificates of need.

NEW SECTION. Sec. 54. (1) The office may respond to requests for data and other information from its computerized system for special studies and analysis consistent with requirements for confidentiality of patient, provider, and facility-specific records. The office may require requestors to pay any or all of the reasonable costs associated with such requests that might be approved.

(2) Data elements related to the identification of individual patient's, provider's, and facility's care outcomes are confidential, are exempt from RCW 42.56.030 through 42.56.570 and 42.17.350 through 42.17.450, and are not subject to discovery by subpoena or admissible as evidence.

Sec. 55. RCW 70.38.015 and 1989 1st ex.s. c 9 s 601 are each amended to read as follows:

It is declared to be the public policy of this state:

(1) That strategic health planning (i.e.,) efforts must be supported by appropriately tailored regulatory activities that can effectuate the goals and principles of the statewide health resources strategy developed pursuant to chapter 48. (sections 50 through 54 of this act). The implementation of the strategy can promote, maintain, and assure the health of all citizens in the state, (i.e.,) provide accessible health services, health manpower, health facilities, and other resources while controlling (excessive) increases in costs, and (i.e,) recognize prevention as a high priority in health programs. ((That the development of health services and resources, including the construction, modernization, and conversion of health facilities, should be accomplished in a planned, orderly fashion, consistent with identified priorities and meet unmet needs))

(2) (That the development of health services and resources, including the construction, modernization, and conversion of health facilities, should be accomplished in a planned, orderly fashion, consistent with identified priorities and meet unmet needs) That the certificate of need program is a component of a health planning regulatory process that is consistent with the statewide health resources strategy and public policy goals that are clearly articulated and regularly updated.

(3) That the development and maintenance of adequate health care information, statistics and projections of need for health facilities and services is essential to effective health planning and resources development;

(4) That the development of nonregulatory approaches to health care cost containment should be considered, including the strengthening of price competition; and

(5) That health planners should be concerned with public health and health care financing, access, and quality, recognizing their close interrelationship and emphasizing cost control of health services, including cost-effectiveness and cost-benefit analysis.

NEW SECTION. Sec. 56. (1) For the purposes of this section and RCW 70.38.015 and 70.38.135, "statewide health resource
strategy" or "strategy" means the statewide health resource strategy developed by the office of financial management pursuant to chapter 43. -- RCW (sections 50 through 54 of this act).

(2) Effective January 1, 2010, for those facilities and services covered by the certificate of need programs, certificate of need determinations must be consistent with the statewide health resources strategy developed pursuant to section 52 of this act, including any health planning policies and goals identified in the statewide health resources strategy in effect at the time of application. The department may waive specific terms of the strategy if the applicant demonstrates that consistency with those terms will create an undue burden on the population that a particular project would serve, or in emergency circumstances which pose a threat to public health.

Sec. 57. RCW 70.38.135 and 1989 1st ex.s. c 9 s 607 are each amended to read as follows:

The secretary shall have authority to:

(1) Provide when needed temporary or intermittent services of experts or consultants or organizations thereof, by contract, when such services are to be performed on a part time or fee-for-service basis;

(2) Make or cause to be made such on-site surveys of health care or medical facilities as may be necessary for the administration of the certificate of need program;

(3) Upon review of recommendations, if any, from the board of health or the office of financial management as contained in the Washington health resources strategy:

(a) Promulgate rules under which health care facilities providers doing business within the state shall submit to the department such data related to health and health care as the department finds necessary to the performance of its functions under this chapter;

(b) Promulgate rules pertaining to the maintenance and operation of medical facilities which receive federal assistance under the provisions of Title XVI;

(c) Promulgate rules in implementation of the provisions of this chapter, including the establishment of procedures for public hearings for predischions and post-dischions on applications for certificate of need;

(d) Promulgate rules providing circumstances and procedures of expedited certificate of need review if there has not been a significant change in existing health facilities of the same type or in the need for such health facilities and services;

(4) Grant allocated state funds to qualified entities, as defined by the department, to fund not more than seventy-five percent of the costs of regional planning activities, excluding costs related to review of applications for certificates of need, provided for in this chapter or approved by the department; and

(5) Contract with and provide reasonable reimbursement for qualified entities to assist in determinations of certificates of need.

HEALTH INSURANCE PARTNERSHIP

Sec. 58. RCW 70.47A.010 and 2006 c 255 s 1 are each amended to read as follows:

(1) The legislature finds that many small employers struggle with the cost of providing employer-sponsored health insurance coverage to their employees, while others are unable to offer employer-sponsored health insurance due to its high cost. Low-wage workers also struggle with the burden of paying their share of the costs of employer-sponsored health insurance, while others turn down their employer’s offer of coverage due to its costs.

(2) The legislature intends, through establishment of a (small employer)) health insurance partnership program, to remove economic barriers to health insurance coverage for low-wage employees of small employers by building on the private sector health benefit plan system and encouraging employer and employee participation in employer-sponsored health benefit plan coverage.

Sec. 59. RCW 70.47A.020 and 2006 c 255 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Administrator" means the administrator of the Washington state health care authority, established under chapter 41.05 RCW.

(2) "Board" means the health insurance partnership board established in section 61 of this act.

(3) "Eligible ((employee)) partnership participant" means an individual who:

(a) Is a resident of the state of Washington;

(b) Has family income ((less than)) that does not exceed two hundred percent of the federal poverty level, as determined annually by the federal department of health and human services; and

(c) Is employed by a participating small employer or is a former employee of a participating small employer who chooses to continue receiving coverage through the partnership following separation from employment.

((7)) (4) "Health benefit plan" has the same meaning as defined in RCW 48.43.005 ((or any plan provided by a self-funded multiple employer welfare arrangement as defined in RCW 48.125.010 or by another benefit arrangement defined in the federal employee retirement income security act of 1974, as amended)).

(((8))) (5) "Participating small employer" means a small employer that employs at least one eligible partnership participant and has entered into an agreement with the partnership for the employer to offer to administer the small employer’s group health benefit plan, as defined in federal law, Sec. 706 of ERISA (29 U.S.C. Sec. 1167), for enrollees in the plan.

(6) "Partnership" means the ((small employer)) health insurance partnership ((program)) established in RCW 70.47A.030.

(((9))) (7) "Partnership participant" means an employee of a participating small employer, or a former employee of a participating small employer who chooses to continue receiving coverage through the partnership following separation from employment.

(8) "Small employer" has the same meaning as defined in RCW 48.43.005.

(((10)) (9) "Subsidy" or "premium subsidy" means payment or reimbursement to an eligible ((employee)) partnership participant toward the purchase of a health benefit plan, and may include a net billing arrangement with insurance carriers or a prospective or retrospective payment for health benefit plan premiums.

Sec. 60. RCW 70.47A.030 and 2006 c 255 s 3 are each amended to read as follows:

(1) To the extent funding is appropriated in the operating budget for this purpose, the ((small employer)) health insurance partnership ((program)) is established. The administrator shall be responsible for the implementation and operation of the ((small employer)) health insurance partnership ((program)), directly or by contract. The administrator shall offer premium subsidies to eligible ((employees)) partnership participants with small employers that choose to participate in this program.

(2) Consistent with policies adopted by the board under section 61 of this act, the administrator shall, directly or by contract:

(a) Establish and administer procedures for enrolling small employers in the partnership, including publicizing the existence of the partnership and disseminating information on enrollment, and establishing rules related to minimum participation of employers in small groups purchasing health insurance through the partnership.

Opportunities to publicize the program for outreach and education of small employers on the value of insurance shall explore the use of online employer guides. As a condition of participating in the partnership, a small employer must agree to establish a cafeteria plan under section 125 of the federal internal revenue code that will enable employees to use pretax dollars to pay their share of their health benefit plan premium. The partnership shall provide technical assistance to small employers for this purpose;

(b) Establish and administer procedures for health benefit plan enrollment by employees of small employers during open enrollment periods and outside of open enrollment periods upon the occurrence of a qualifying event which, under the federal health care portability and accountability act of 1996 or applicable state law. Neither the employer nor the partnership shall limit an employee’s choice of coverage from among all the health benefit plans offered;

(c) Establish and manage a system for the partnership to be designated as the sponsor or administrator of a participating small
employer health benefit plan and to undertake the obligations required of a plan administrator under federal law:

(d) Establish and manage a system of collecting and transmitting to the applicable carriers all premium payments or contributions made by or on behalf of partnership participants, including employer contributions, automatic payroll deductions for partnership participants, premium subsidy payments, and contributions from philanthropies;

(c) Establish and manage a system for determining eligibility for and making premium subsidy payments under this act;

(f) Establish a mechanism to apply a surcharge to all health benefit plans, which shall be used only to pay for administrative and operational expenses of the partnership. The surcharge must be applied uniformly to all health benefit plans offered through the partnership and must be included in the premium for each health benefit plan. Surcharges may not be used to pay any premium assistance payments under this chapter;

(g) Design a schedule of premium subsidies that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members based on a benchmark health benefit plan designated by the board. The amount of an eligible partnership participant’s premium subsidy shall be determined by applying a sliding-scale subsidy schedule with the percentage of premium similar to that developed for subsidized basic health plan enrollees under RCW 70.47.060. The subsidy shall be applied to the employee’s premium obligation for his or her health benefit plan, so that employees benefit financially from any employer contribution to the cost of their coverage through the partnership.

(3) The administrator may enter into interdepartmental agreements with the office of the insurance commissioner, the department of social and health services, and any other state agencies necessary to implement this chapter.

NEW SECTION. Sec. 61. A new section is added to chapter 70.47A RCW to read as follows:

(a) Two representatives of small employers;

(b) Two representatives of employees of small employers, one of whom shall represent low-wage employees;

(c) Four employee health plan benefits specialists; and

(d) The administrator.

The governor shall appoint the initial members of the board to staggered terms not to exceed four years. Initial appointments shall be made on or before June 1, 2007. Members appointed thereafter shall serve two-year terms. Members of the board shall be compensated in accordance with RCW 43.03.050 and shall be reimbursed for their travel expenses while on official business in accordance with RCW 43.03.060. The board shall prescribe rules for the conduct of its business. The administrator shall be chair of the board. Meetings of the board shall be at the call of the chair.

The board may establish technical advisory committees or seek the advice of technical experts when necessary to execute the powers and duties included in this section.

(4) The board and employees of the board shall not be civilly or criminally liable and shall not have any penalty or cause of action of any nature arise against them for any action taken or not taken, including any discretionary decision or failure to make a discretionary decision, when the action or inaction is done in good faith and in the performance of the powers and duties under this chapter. Nothing in this section prohibits legal actions against the board to enforce the board’s statutory or contractual duties or obligations.

NEW SECTION. Sec. 62. A new section is added to chapter 70.47A RCW to read as follows:

(1) The health insurance partnership board shall:

(a) Develop policies for enrollment of small employers in the partnership, including minimum participation rules for small employer groups. The small employer shall determine the criteria for eligibility and enrollment in his or her plan and the terms and amounts of the employer’s contributions to that plan, consistent with any minimum employer premium contribution level established by the board under (d) of this subsection;

(b) Designate health benefit plans that are currently offered in the small group market that will qualify for premium subsidy payments. At least four health benefit plans shall be chosen, with multiple deductible and point-of-service cost-sharing options. The health benefit plans shall range from catastrophic to comprehensive coverage, and one health benefit plan shall be a high deductible health plan. Every effort shall be made to include health benefit plans that include components to maximize the quality of care provided and result in improved health outcomes, such as preventive care, wellness incentives, chronic care management services, and provider network development and payment policies related to quality of care;

(c) Approve a mid-range benefit plan from those selected to be used as a benchmark plan for calculating premium subsidies;

(d) Determine whether there should be a minimum employer premium contribution on behalf of employees, and if so, how much;

(e) Determine appropriate health benefit plan rating methodologies. The methodologies shall be based on the small group adjusted community rate as defined in Title 48 RCW. The board shall evaluate the impact of applying the small group community rating with the partnership principle of allowing each employee to choose their health benefit plan, and consider options to reduce uncertainty for carriers and provide for efficient risk management of high-cost enrollees through risk adjustment, reinsurance, or other mechanisms;

(f) Conduct analyses and provide recommendations as requested by the legislature and the governor, with the assistance of staff from the health care authority and the office of the insurance commissioner.

(2) The board may authorize one or more limited health care service plans for dental care services to be offered by limited health care service contractors under RCW 48.44.035. However, such plan shall not qualify for subsidy payments.

In fulfilling the requirements of this section, the board shall consult with small employers, the office of the insurance commissioner, members in good standing of the American academy of actuaries, health carriers, agents and brokers, and employees of small business.

Sec. 63. RCW 70.47A.040 and 2006 c 255 s 4 are each amended to read as follows:

(new)(+) Beginning (July 1, 2007) September 1, 2008, the administrator shall accept applications from eligible ((employees)) partnership participants, on behalf of themselves, their spouses, and their dependent children, to receive premium subsidies through the ((small employer)) health insurance partnership ((program)).

(2) Premium subsidy payments may be provided to eligible employees if:

(a) The eligible employee is employed by a small employer;

(b) The actuarial value of the health benefit plan offered by the small employer is at least equivalent to that of the basic health plan benefit offered under this section; and the office of the insurance commissioner under Title 48 RCW shall certify those small employer health benefit plans that are at least actuarially equivalent to the basic health plan benefit;

(c) The small employer will pay at least forty percent of the monthly premium cost for health benefit plan coverage of the eligible employee.

(3) The amount of an eligible employee’s premium subsidy shall be determined by applying the sliding-scale subsidy schedule developed for subsidized basic health plan enrollees under RCW 70.47.060 to the employee’s premium obligation for his or her employer’s health benefit plan.

(4) After an eligible individual has enrolled in the program, the program shall issue subsidies to or with the assistance of the insurance commissioner under subsection (3) of this section to either the eligible employee or to the carrier designated by the eligible employee:

(a) To provide verification of continued enrollment in his or her small employer’s health benefit plan on a semianual basis or to notify the administrator whenever his or her enrollment status changes, whichever is earlier.
Verification or notification may be made directly by the employee, or through his or her employer or the carrier providing the small employer health benefit plan. When necessary, the administrator has the authority to perform retrospective audits on premium subsidy accounts. The administrator may suspend or terminate an employee's participation in the program and seek repayment of any subsidy amounts paid due to the omission or misrepresentation of an applicant or enrolled employee. The administrator shall adopt rules to define the appropriate application of these sanctions and the procedures to implement the sanctions provided in this subsection (within available resources).

Sec. 64. RCW 48.21.045 and 2004 c 244 s 1 are each amended to read as follows:

(1)(a) An insurer offering any health benefit plan to a small employer, either directly or through an association or member-governed group formed specifically for the purpose of purchasing health care, may offer and actively market to the small employer a health benefit plan featuring a limited schedule of covered health care services. Nothing in this subsection shall preclude an insurer from offering, or a small employer from purchasing, other health benefit plans that may have more comprehensive benefits than those included in the product offered under this subsection. An insurer offering a health benefit plan under this subsection shall clearly disclose all covered benefits to the small employer in a brochure filed with the commissioner.

(2) Nothing in this section shall prohibit an insurer from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

(3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The insurer shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

(i) Geographic area;

(ii) Family size;

(iii) Age; and

(iv) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments, which shall begin with age twenty and end with age sixty-five. Employees under the age of twenty shall be treated as those age twenty.

(c) The insurer shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which Medicare is the primary payer and coverage for which Medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (3).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1998, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

(i) Changes to the enrollment of the small employer;

(ii) Changes to the family composition of the employee;

(iii) Changes to the health benefit plan requested by the small employer; or

(iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs due to network provider reimbursement schedules or type of network. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the actuarial experience of all small groups purchasing coverage, including the small group participants in the health insurance partnership established in RCW 70.47A.030. However, annual rate adjustments for each small group health benefit plan may vary by up to plus or minus four percentage points from the overall adjustment of a carrier's entire small group pool, such overall adjustment to be approved by the commissioner, upon a showing by the carrier, certified by a member of the American academy of actuaries that:

(1) The variation is a result of deductible leverage, benefit design, or provider network characteristics; and

(ii) for a rate renewal period, the projected weighted average of all small group benefit plans will have a revenue neutral effect on the carrier's small group pool.

Variations of greater than four percentage points are subject to review by the commissioner, and must be approved or denied within sixty days of submittal. A variation that is not denied within sixty days shall be deemed approved. The commissioner must provide to the carrier a detailed actuarial justification for any denial within thirty days of the denial.

(4) Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5) (a) Except as provided in this subsection, requirements used by an insurer in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) An insurer shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and

(ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) An insurer may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(6) An insurer must offer coverage to all eligible employees of a small employer and their dependents. An insurer may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. An insurer may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements, or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

(7) As used in this section, "health benefit plan," "small employer," "adjusted community rate," and "wellness activities" mean the same as defined in RCW 48.43.005.

Sec. 65. RCW 48.44.023 and 2004 c 244 s 7 are each amended to read as follows:

(1)(a) A health care services contractor offering any health benefit plan to a small employer, either directly or through an association or member-governed group formed specifically for the purpose of purchasing health care, may offer and actively market to the small employer a health benefit plan featuring a limited schedule...

Nothing in this subsection shall preclude a contractor from offering, or a small employer from purchasing, other health benefit plans that may have more comprehensive benefits than those included in the product offered under this subsection. A contractor offering a health benefit plan under this subsection shall clearly disclose all covered benefits to the small employer in a brochure filed with the commissioner.

(b) A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.44.225, 48.44.240, 48.44.245, 48.44.290, 48.44.300, 48.44.310, 48.44.320, 48.44.325, 48.44.330, 48.44.335, 48.44.340, 48.44.344, 48.44.360, 48.44.400, 48.44.440, 48.44.450, and 48.44.460.

(2) Nothing in this section shall prohibit a health care service contractor from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits therefor.

(3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The contractor shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

(i) Geographic area;

(ii) Family size;

(iii) Age; and

(iv) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments, which shall begin with age twenty and end with age sixty-five. Employees under the age of twenty shall be treated as those age twenty.

(c) The contractor shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (3).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

(i) Changes to the enrollment of the small employer;

(ii) Changes to the family composition of the employee;

(iii) Changes to the health benefit plan requested by the small employer; or

(iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs due to network provider reimbursement schedules or type of network. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the medical experience of all groups purchasing coverage, including the small group participants in the health insurance partnership established in RCW 70.47A.030. Variations of greater than four percentage points are subject to review by the commissioner, and must be approved or denied within sixty days of submittal. A variation that is not denied within sixty days shall be deemed approved. The commissioner must provide to the carrier a detailed actuarial justification for any denial within thirty days of the denial.

(4) Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5)(a) Except as provided in this subsection, requirements used by a contractor in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) A contractor shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and

(ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) A contractor may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(e) A contractor must offer coverage to all eligible employees of a small employer and their dependents. A contractor may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. A contractor may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

(i) Changes to the enrollment of the small employer;

(2) The impact of applying small group health benefit plan regulations on access to health services and the cost of coverage for these markets; and

(3) How the composition of the board should be modified to reflect the incorporation of the individual and small group markets in the partnership.

NEW SECTION. Sec. 68. On or before December 1, 2009, the health insurance partnership board shall submit a report and recommendations to the governor and the legislature regarding:

(1) The risks and benefits of additional markets participating in the partnership:

(a) The report shall examine the following markets:

(ii) Basic health plan under chapter 70.47 RCW;

(iii) Public employees’ benefits board enrollees under chapter 41.05 RCW; and

(iv) Public school employees; and

(b) The report shall examine at least the following issues:

(i) The impact of these markets participating in the partnership, with respect to the utilization of services and cost of health plans offered through the partnership;

(ii) Whether any distinction should be made in participation between active and retired employees enrolled in public employees’ benefits board plans, giving consideration to the implicit subsidy that nondisability-eligible retirees currently benefit from by being pooled with active employees, and how medicare-eligible retirees would be affected;

(iii) The impact of applying small group health benefit plan regulations on access to health services and the cost of coverage for these markets; and

(iv) If the board recommends the inclusion of additional markets, how the composition of the board should be modified to reflect the participation of these markets; and

(2) The risks and benefits of establishing a requirement that residents of the state of Washington age eighteen and over obtain and maintain affordable creditable coverage, as defined in the federal health insurance portability and accountability act of 1996 (42 U.S.C. 1296 JOURNAL OF THE HOUSE
Sec. 300g(g)(c). The report shall address the question of how a requirement that residents maintain coverage could be enforced in the state of Washington.

Sec. 69. RCW 70.47A.050 and 2006 c 255 s 5 are each amended to read as follows:  
Enrollment in the ((small employer)) health insurance partnership ((program)) is not an entitlement and shall not result in expenditures that exceed the amount that has been appropriated for the program in the operating budget. If it appears that continued enrollment will result in expenditures exceeding the appropriated level for a particular fiscal year, the administrator may freeze new enrollment in the program and establish a waiting list of eligible employees who shall receive subsidies only when sufficient funds are available.

Sec. 70. RCW 70.47A.060 and 2006 c 255 s 6 are each amended to read as follows:  
The administrator shall adopt all rules necessary for the implementation and operation of the ((small employer)) health insurance partnership ((program)). All rules shall be adopted in accordance with chapter 34.05 RCW.

Sec. 71. RCW 70.47A.080 and 2006 c 255 s 8 are each amended to read as follows:  
The ((small employer)) health insurance partnership ((program)) account is hereby established in the custody of the state treasurer. Any nongeneral fund--state funds collected for the ((small employer)) health insurance partnership ((program)) shall be deposited in the ((small employer)) health insurance partnership ((program)) account. Moneys in the account shall be used exclusively for the purposes of administering the ((small employer)) health insurance partnership ((program)), including payments to ((participating managed health care systems)) insurance carriers on behalf of ((small employer)) health insurance partnership enrollees. Only the administrator of the health care authority or his or her designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

PUBLIC HEALTH

NEW SECTION. Sec. 73. A new section is added to chapter 43.70 RCW to read as follows:  
(1) Protecting the public's health across the state is a fundamental responsibility of the state. With any new state funding of the public health system as provided in section 74 of this act, the state expects that measurable benefits will be realized to the health of the residents of Washington. A transparent process that shows the impact of increased public health spending on performance measures related to the health outcomes in subsection (2) of this section is of great value to the state and its residents. In addition, a well-funded public health system is expected to become a more integral part of the state's emergency preparedness system.  
(2) Distributions from the local public health financing account in section 74 of this act shall deliver the following outcomes, subject to the availability of amounts appropriated to the account for this specific purpose:  
(a) Create a disease response system capable of responding at all times;  
(b) Stop the increase in, and reduce, sexually transmitted disease rates;  
(c) Reduce vaccine preventable diseases;  
(d) Build capacity to quickly contain disease outbreaks;  
(e) Decrease childhood and adult obesity and types I and II diabetes rates, and resulting kidney failure and dialysis;  
(f) Increase childhood immunization rates;  
(g) Improve birth outcomes and decrease child abuse;  
(h) Reduce animal-to-human disease rates; and  
(i) Monitor and protect drinking water across jurisdictional boundaries.  
(3) Benchmarks for these outcomes shall be drawn from the national healthy people 2010 goals, other reliable data sets, and any subsequent national goals.

NEW SECTION. Sec. 74. A new section is added to chapter 43.70 RCW to read as follows:  
(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.  
(a) "Base year funding" means the 2007 budgeted amount of local and state funding for public health functions passed through ordinance by each county by December 31, 2006.  
(b) "Core public health functions of statewide significance" or "public health functions" means health services that:  
(i) Address: Communicable disease prevention and response; preparation for, and response to, public health emergencies caused by pandemic disease, earthquake, flood, or terrorism; prevention and management of chronic diseases and disabilities; promotion of healthy families and the development of children; assessment of local health conditions, risks, and trends, and evaluation of the effectiveness of intervention efforts; and environmental health concerns;  
(ii) Promote uniformity in the public health activities conducted by all local health jurisdictions in the public health system, or apply to broad public health efforts; and  
(iii) If left neglected or inadequately addressed, are reasonably likely to have a significant adverse impact on counties beyond the borders of the local health jurisdiction.  
(c) "Local funding" means discretionary local resources for public health functions, including amounts from general and special revenue funds, but excluding amounts received from fees and licenses and other user fee types of payments for service. "Local funding" does not include payments received from the state or federal government.  
(d) "Local health jurisdiction" or "jurisdiction" means a county board of health organized under chapter 70.05 RCW, a health district organized under chapter 70.46 RCW, or a combined city and county health department organized under chapter 70.08 RCW.  
(e) "Population" means the most recent population estimates by the office of financial management for state revenue allocations.  
(2) The local public health financing account is created in the state treasury. Expenditures from the account must be used for the purposes specified in subsections (3) and (4) of this section, except for such moneys appropriated to the department of health for the purpose of conducting its responsibilities under sections 75, 76, and 78 of this act.

(3) During the month of January 2008, and during the month of each January thereafter, the state treasurer shall distribute from the local public health financing account any amounts in the account up to a maximum of five million four hundred twenty-five thousand dollars to be shared equally amongst all local health jurisdictions to address core public health functions of statewide significance.  
(4) During the month of January 2008, and during the first month of each fiscal quarter thereafter, the state treasurer, in consultation with the department of revenue or the department of health, as necessary, shall distribute money in the local public health financing account as provided in this subsection. The distributions under this subsection (4) are subsequent to the distribution under subsection (3) of this section.
Appropriated funds remaining following the distribution of money under subsection (3) of this section must be apportioned to local health jurisdictions in the manner provided in this subsection (4). The apportionment factor for each jurisdiction is the population of the jurisdiction’s county as a percentage of the statewide population for the prior calendar year. For two or more counties that have jointly created a health district under chapter 70.46 RCW, the combined population of all counties comprising the health district must be used. Money received by a jurisdiction under this subsection (4) must be used to fund core public health functions of statewide significance; and until July 1, 2008, money shall be used to fund only known deficiencies in core public health functions of statewide significance of the jurisdiction.

(5) To receive distributions under subsections (3) and (4) of this section in calendar year 2010 and thereafter, total local funding spent by the jurisdiction on public health functions in the calendar year prior to the previous calendar year must have equalled or exceeded base year funding. The department of health shall notify the state treasurer to discontinue distributions if the jurisdiction does not meet this requirement.

(6) In the event of an extraordinary financial circumstance beyond the control of a county that results in funding for local public health functions being reduced to an amount lower than the base year funding, the county may petition the secretary for a waiver from the local funding requirement in subsection (5) of this section. The secretary, after reviewing the county’s petition and determining that the local funding reduction is necessary, may grant the county a waiver from the requirements of subsection (5) of this section. In order for the waiver to continue beyond one calendar year, the county must demonstrate to the secretary that an effort is being made to restore funding to the base year funding level.

(7) The department may adopt rules necessary to administer this section.

NEW SECTION. Sec. 75. A new section is added to chapter 43.70 RCW to read as follows:

(1) The department shall accomplish the tasks included in subsection (2) of this section by utilizing the expertise of varied interests, as provided in this subsection.

(a) In addition to the perspectives of local health jurisdictions, the state board of health, the Washington health foundation, and department staff that are currently engaged in development of the public health services improvement plan under RCW 43.70.520, the secretary shall actively engage:

(i) Individuals or entities with expertise in the development of performance measures, accountability and systems management, such as the University of Washington school of public health and community medicine, and experts in the development of evidence-based medical guidelines or public health practice guidelines; and

(ii) Individuals or entities who will be impacted by performance measures developed under this section and have relevant expertise, such as community clinics, public health nurses, large employers, tribal health providers, family planning providers, and physicians.

(b) In developing the performance measures, consideration shall be given to levels of performance necessary to promote uniformity in core public health functions of statewide significance among all local health jurisdictions, best scientific evidence, national standards of performance, and innovations in public health practice. The performance measures shall be developed to meet the goals and outcomes in section 1 of this act. The office of the state auditor shall provide advice and consultation to the committee to assist in the development of effective performance measures and health status indicators.

(c) On or before November 1, 2007, the experts assembled under this section shall provide recommendations to the secretary related to the activities and services that qualify as core public health functions of statewide significance and performance measures. The secretary shall provide written justification for any departure from the recommendations.

(2) By January 1, 2008, the department shall:

(a) Adopt a prioritized list of activities and services performed by local health jurisdictions that qualify as core public health functions of statewide significance as defined in section 74 of this act; and

(b) Adopt appropriate performance measures with the intent of improving health status indicators applicable to the core public health functions of statewide significance that local health jurisdictions must provide pursuant to section 74 of this act.

(3) The secretary may revise the list of activities and the performance measures in future years as appropriate. Prior to modifying either the list or the performance measures, the secretary must provide a written explanation of the rationale for such changes.

(4) The department and the local health jurisdictions shall abide by the prioritized list of activities and services and the performance measures developed pursuant to this section.

(5) The department, in consultation with representatives of county governments, shall provide local jurisdictions with financial incentives to encourage and increase local investments in core public health functions. The local jurisdictions shall not supplant existing local funding with such state-incented resources.

NEW SECTION. Sec. 76. A new section is added to chapter 43.70 RCW to read as follows:

Beginning November 15, 2009, the department shall report to the legislature and the governor annually on the distribution of funds under section 74 of this act and the use of those funds. The initial report must discuss the performance measures adopted by the secretary and any impact the funding in this act has had on local public health jurisdiction performance and health status indicators. Future reports shall evaluate trends in performance over time and the effects of expenditures on performance over time.

Sec. 77. RCW 43.70.520 and 1993 c 492 s 467 are each amended to read as follows:

(1) The legislature finds that the public health functions of community assessment, policy development, and assurance of service delivery are essential elements in achieving the objectives of health reform in Washington state. The legislature further finds that the population-based services provided by state and local health departments are cost-effective and are a critical strategy for the long-term containment of health care costs. The legislature further finds that the public health system in the state lacks the capacity to fulfill these functions consistent with the needs of a reformed health care system. The legislature further finds that public health nurses and nursing services are an essential part of our public health system, delivering evidence-based care and providing core services including prevention of illness, injury, or disability; the promotion of health; and maintenance of the health of populations.

(2) The department of health shall develop, in consultation with local health departments, the state health services commission, area Indian health service, and other state agencies, health services providers, and citizens concerned about public health, a public health services improvement plan. The plan shall provide a detailed accounting of deficits in the core functions of assessment, policy development, assurance of the current public health system, how additional public health funding would be used, and describe the benefits expected from expanded expenditures.

(3) The plan shall include:

(a) Definition of minimum standards for public health protection through assessment, policy development, and assurances:

(i) Enumeration of communities not meeting those standards;

(ii) A budget and staffing plan for bringing all communities up to minimum standards;

(iii) An analysis of the costs and benefits expected from adopting minimum public health standards for assessment, policy development, and assurances;

(b) Recommended strategies and a schedule for improving public health programs throughout the state, including:

(i) Strategies for transferring personal health care services from the public health system into the uniform benefits package where feasible; and

(ii) ((Timing of increased funding for public health services linked to specific objectives for improving public health)) Linking funding for public health services to performance measures that relate to achieving improved health outcomes; and
(c) A recommended level of dedicated funding for public health services to be expressed in terms of a percentage of total health service expenditures in the state or a set per person amount; such recommendation shall also include methods to ensure that such funding does not supplant existing federal, state, and local funds received by local health departments, and methods of distributing funds among local health departments.

(4) The department shall coordinate this planning process with the study activities required in section 258, chapter 492, Laws of 1993.

(5) By March 1, 1994, the department shall provide initial recommendations of the public health services improvement plan to the legislature regarding minimum public health standards, and public health programs needed to address urgent needs, such as those cited in subsection (7) of this section.

(1)(c)(i) An insurer offering any health benefit plan to a small employer, either directly or through an association or member-governed group formed specifically for the purpose of purchasing health care, may offer and actively market to the small employer (ii) no more than one health benefit plan featuring a limited schedule of covered health care services. (Nothing in this subsection shall preclude an insurer from offering, or a small employer from purchasing, other health benefit plans that may have more comprehensive benefits than those included in the product offered under this subsection. An insurer offering a health benefit plan under this subsection shall clearly disclose all covered benefits to the small employer in a brochure filed with the commissioner.

(ii) A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a

(2)(a) The plan offered under this subsection may be offered with a choice of cost-sharing arrangements, and may, but is not required to, comply with: RCW 48.21.130 through 48.21.240, 48.21.244 through 48.21.280, 48.21.300 through 48.21.320, 48.43.045(1) except as required in (b) of this subsection, 48.43.093, 48.43.115 through 48.43.185, 48.43.515(5), or 48.43.120.

(b) In offering the plan under this subsection, the insurer must offer the small employer the option of permitting every category of health care provider to provide health services or care for conditions covered by the plan pursuant to RCW 48.43.045(1).

(2) An insurer offering the plan under subsection (1) of this section must also offer and actively market to the small employer at least one additional health benefit plan.

(3) Nothing in this section shall prohibit an insurer from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

(((2))) (4) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The insurer shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

(i) Geographic area;
(ii) Family size;
(iii) Age; and
(iv) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments, which shall begin with age twenty and end with age sixty-five. Employees under the age of twenty shall be treated as those age twenty.

(c) The insurer shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (((2))) (4).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

(i) Changes to the enrollment of the small employer;
(ii) Changes to the family composition of the employee;
(iii) Changes to the health benefit plan requested by the small employer; or
(iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs due to network provider reimbursement schedules or type of network. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the medical experience of all small groups purchasing coverage. However, annual rate adjustments for each small group health benefit plan may vary by up to plus or minus four percentage points from the overall adjustment of a carrier’s entire small group pool, such overall adjustment to be approved by the commissioner, upon a showing by the carrier, certified by a member of the American academy of actuaries that:

(i) The variation is a result of deductible leverage, benefit design, or provider network characteristics; and (ii) for a rate renewal period, the projected weighted average of all small group health benefit plans will have a revenue neutral effect on the carrier’s small group pool.

Variations of greater than four percentage points are subject to review by the commissioner, and must be approved or denied within sixty days of submittal. A variation that is not denied within sixty days shall be deemed approved. The commissioner must provide to the carrier a detailed actuarial justification for any denial within thirty days of the denial.

(((4))) (5) Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(((4))) (6)(a) Except as provided in this subsection, requirements used by an insurer in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) An insurer shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and
(ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) An insurer may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(((6))) (7) An insurer must offer coverage to all eligible employees of a small employer and their dependents. An insurer may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. An insurer may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

Representatives Hinkle, Condotta, Curtis, Ericksen, Bailey and Schindler spoke in favor of the adoption of the amendment to amendment (759).

Representatives Linville, Schual-Berke and Morrell spoke against the adoption of the amendment to amendment (759).

The amendment to the amendment was not adopted.

Representative Curtis moved the adoption of amendment (760) to amendment (759):

On page 92, after line 5 of the amendment, insert the following:

"Sec. 79. RCW 70.48.130 and 1993 c 409 s 1 are each amended to read as follows:

It is the intent of the legislature that all jail inmates receive appropriate and cost-effective emergency and necessary medical care. Governing units, the department of social and health services, and medical care providers shall cooperate to achieve the best rates consistent with adequate care."
Payment for emergency or necessary health care shall be by the governing unit, except that the department of social and health services shall directly reimburse the provider pursuant to chapter 74.09 RCW, in accordance with the rates and benefits established by the department, if the confined person is eligible under the department's medical care programs as authorized under chapter 74.09 RCW. After payment by the department, the financial responsibility for any remaining balance, including unpaid client liabilities that are a condition of eligibility or participation under chapter 74.09 RCW, shall be borne by the medical care provider and the governing unit as may be mutually agreed upon between the medical care provider and the governing unit. In the absence of mutual agreement between the medical care provider and the governing unit, the financial responsibility for any remaining balance shall be borne equally between the medical care provider and the governing unit. Total payments from all sources to providers for care rendered to confined persons eligible under chapter 74.09 RCW shall not exceed the amounts that would be paid by the department for similar services provided under Title XIX medicaid, unless additional resources are obtained from the confined person.

As part of the screening process upon booking or preparation of an inmate into jail, general information concerning the inmate's ability to pay for medical care shall be identified, including insurance or other medical benefits or resources to which an inmate is entitled. This information shall be made available to the department, the governing unit, and any provider of health care services.

The governing unit or provider may obtain reimbursement from the confined person for the cost of health care services not provided under chapter 74.09 RCW, including reimbursement from any insurance program or from other medical benefit programs available to the confined person. Nothing in this chapter precludes civil or criminal remedies to recover the costs of medical care provided jail inmates or paid for on behalf of inmates by the governing unit. As part of a judgment and sentence, the courts are authorized to order defendants to repay all or part of the medical costs incurred by the governing unit or provider during confinement.

To the extent that a confined person is unable to be financially responsible for medical care and is ineligible for the department's medical care programs under chapter 74.09 RCW, or for coverage from private sources, and in the absence of an interlocal agreement or other contracts to the contrary, the governing unit may obtain reimbursement for the cost of such medical services from the unit of government ("whom law enforcement officers") that initiated the charges on which the person is being held in the jail. PROVIDED, That reimbursement for the cost of such services shall be by the state for state prisoners being held in a jail who are accused of either escaping from a state facility or of committing an offense in a state facility if a person is unable to be financially responsible for medical care and is ineligible for the department's medical care programs under chapter 74.09 RCW, the rate charged for any medical care provided by a health care provider shall not exceed one hundred sixty percent of the medicaid rates for such service.

There shall be no right of reimbursement to the governing unit from units of government ("whom law enforcement officers") that initiated the charges for which a person is being held in the jail for care provided after the charges are disposed of by sentencing or otherwise, unless by intergovernmental agreement pursuant to chapter 39.44 RCW.

Under no circumstance shall necessary medical services be denied or delayed because of disputes over the cost of medical care or a determination of financial responsibility for payment of the costs of medical care provided to confined persons.

Nothing in this section shall limit any existing right of any party, governing unit, or unit of government against the person receiving the care for the cost of the care provided.

Representatives Curtis and Cody spoke in favor of the adoption of the amendment to amendment (759).

Representative Hinkle moved the adoption of amendment (761) to amendment (759):

"USE STATE PURCHASING TO IMPROVE HEALTH CARE QUALITY"

NEW SECTION. Sec. 1. (1) The health care authority and the department of social and health services shall, by September 1, 2007, develop a five-year plan to change reimbursement within their health care programs to:

(a) Reward quality health outcomes rather than simply paying for the receipt of particular services or procedures;
(b) Pay for care that reflects patient preference and is of proven value;
(c) Require the use of evidence-based standards of care where available;
(d) Tie provider rate increases to measurable improvements in access to quality care;
(e) Direct enrollees to quality care systems;
(f) Better support primary care and provide a medical home to all enrollees through reimbursement policies that create incentives for providers to enter and remain in primary care practice and that address disparities in payment between specialty procedures and primary care services; and
(g) Pay for e-mail consultations, telemedicine, and telehealth where doing so reduces the overall cost of care.

(2) In developing any component of the plan that links payment to health care provider performance, the authority and the department shall work in collaboration with the department of health, health carriers, local public health jurisdictions, physicians and other health care providers, the Puget Sound health alliance, and other purchasers.

(3) The plan shall (a) identify any existing barriers and opportunities to support implementation, including needed changes to state or federal law; (b) identify the goals the plan is intended to achieve and how progress toward those goals will be measured; and (c) be submitted to the governor and the legislature upon completion. The agencies shall report to the legislature by September 1, 2007. Any component of the plan that links payment to health care provider performance must be submitted to the legislature for consideration prior to implementation by the department or the authority.

NEW SECTION. Sec. 2. A new section is added to chapter 41.05 RCW to read as follows:

"(1) The legislature finds that there is growing evidence that, for preference-sensitive care involving elective surgery, patient-practitioner communication is improved through the use of high-quality decision aids that detail the benefits, harms, and uncertainty of available treatment options. Improved communication leads to more fully informed patient decisions. The legislature intends to increase the extent to which patients make genuinely informed, preference-based treatment decisions, by promoting public/private collaborative efforts to broaden the development, certification, use, and evaluation of effective decision aids and by recognition of shared decision making and patient decision aids in the state's laws on informed consent.

(2) The health care authority shall:

(a) Work in collaboration with the health professions, contracting health carriers, nonproprietary public interest or university-based research groups, and quality improvement organizations to increase awareness of appropriate, high-quality decision aids, and to train physicians and other practitioners in their use."

On page 93, after line 10 of the amendment, insert the following:

"NEW SECTION. Sec. 87. Section 79 of this act expires June 30, 2009."
(b) In consultation with the national committee for quality assurance, identify a certification process for patient decision aids.
(c) Implement a shared decision-making demonstration project. The demonstration project shall:
(1) Incorporation into clinical practice of one or more decision aids for one or more identified preference-sensitive care areas combined with ongoing training and support of involved practitioners and practice teams, preferably at sites with necessary supportive health information technology; and
(2) An evaluation of the impact of the use of shared decision making with decision aids, including the use of preference-sensitive health care services selected for the demonstration project and expenditures for those services, the impact on patients, including patient understanding of the treatment options presented and concordance between patient values and the care received, and patient and practitioner satisfaction with the shared decision-making process.
(3) The health care authority may solicit and accept funding to support the demonstration and evaluation.

Sec. 3. RCW 7.70.060 and 1975-76 2nd ex.s.c 56 s 11 are each amended to read as follows;
(1) If a patient while legally competent, or his or her representative if he or she is not competent, signs a consent form which sets forth the following, the signed consent form shall constitute prima facie evidence that the patient gave his or her informed consent to the treatment administered and the patient has the burden of rebutting this by a preponderance of the evidence:
(1)) (a) A description, in language the patient could reasonably be expected to understand, of:
(1) The nature and character of the proposed treatment;
(2) The anticipated results of the proposed treatment;
(3) The recognized possible alternative forms of treatment; and
(4) The recognized serious possible risks, complications, and anticipated benefits involved in the treatment and in the recognized possible alternative forms of treatment, including non-treatment;
(b) Or as an alternative, a statement that the patient elects not to be informed of the elements set forth in (a) of this subsection (((2))) (b) and
(c) A brief description of the patient decision aid or aids that

(e) A statement certifying that the patient or his or her representative has had the opportunity to ask the provider questions, and to have any questions answered to the patient’s satisfaction, and indicating the patient’s intent to receive the identified services.
(2) As used in this section, “shared decision making” means a process in which the physician or other health care practitioner discusses with the patient or his or her representative the information specified in subsection (2) of this section with the use of a patient decision aid and the patient shares with the provider such relevant personal information as might make one treatment or side effect more or less tolerable than others.
(3) As used in this section, "patient decision aid" means a written, audio-visual, or online tool that provides a balanced presentation of the condition and treatment options, benefits, and harms, including, if appropriate, a discussion of the limits of scientific knowledge about outcomes, and that is certified by one or more national certifying organizations approved by the health care authority under section 2 of this act.
(4) Failure to use a form or to engage in shared decision making, with or without the use of a patient decision aid, shall not be admissible as evidence of failure to obtain informed consent. There shall be no liability, civil or otherwise, resulting from a health care provider’s failing either the signed consent form set forth in subsection (1)(a) of this section or the signed acknowledgement of shared decision making as set forth in subsection (2) of this section.

REINSURANCE

NEW SECTION. Sec. 25. (1) The office of financial management, in collaboration with the office of the insurance commissioner, shall evaluate options and design a state-supported reinsurance program to address the impact of high cost enrollees in the individual and small group health insurance markets, and submit implementing legislation and supporting information, including financing options, to the governor and the legislature by December 1, 2007. In designing the program, the office of financial management shall:

(a) Estimate the quantitative impact on premium savings, premium stability over time and across groups of enrollees, and government costs associated with a government-funded stop-loss insurance program, including distinguishing between one-time premium savings and savings in subsequent years. In evaluating the various reinsurance models, evaluate and consider (i) the reduction in total health care costs to the state and private sector, and (ii) the reduction in individual premiums paid by employers, employees, and individuals;

(b) Identify all relevant design issues and alternative options for each issue. At a minimum, the evaluation shall examine (i) a reinsurance corridor of ten thousand dollars to ninety thousand dollars, and a reimbursement of ninety percent; (ii) the impacts of providing reinsurance for all small group products or a subset of products; and (iii) the applicability of a chronic care program such as the one adopted by the department of labor and industries with the centers of occupational health and education. Where quantitative impacts cannot be estimated, the office of financial management shall assess qualitative impacts of design issues and their options, including potential disincentives for reducing premiums, achieving premium stability, sustaining/increasing take-up, decreasing the number of uninsured, and managing government's stop-loss insurance costs;

(c) Identify market and regulatory changes needed to maximize the chance of the program achieving its policy goals, including how the program will relate to other coverage programs and markets. Design efforts shall coordinate with other design efforts targeting small group programs that may be directed by the legislature, as well as other approaches examining alternatives to managing risk;

(d) Address conditions under which overall expenditures could increase as a result of a government-funded stop-loss program and options to mitigate those conditions, such as passive versus aggressive use of disease and care management programs by insurers;

(e) Determine whether the Washington state health insurance pool should be retained, and if so, develop options for additional sources of funding;

(f) Evaluate, and quantify where possible, the behavioral responses of insurers to the program including impacts on insurer premiums and practices for settling legal disputes around large claims; and

(g) Provide alternatives for transitioning from the status quo and, where applicable, alternatives for phasing in some design elements, such as threshold or corridor levels, to balance government costs and premium savings.

(2) Within funds specifically appropriated for this purpose, the office of financial management may contract with actuaries and other experts as necessary to meet the requirements of this section.

For the person previously enrolled in a group health benefit plan, the pool must credit the aggregate of all periods of preceding coverage not separated by more than sixty-three days toward the waiting period of the new health plan. For the person previously enrolled in an individual health benefit plan other than a catastrophic health plan, the pool must credit the period of coverage the person was continuously covered under the immediately preceding health plan toward the waiting period of the new health plan. For the purposes of this subsection, a preceding health plan includes an employer-provided self-funded health plan.

(10) If an application is made for the pool policy as a result of rejection by a carrier, then the date of application to the carrier, rather than to the pool, would govern for purposes of determining preexisting condition credit.

(11) The pool shall contract with organizations that provide care management that has been demonstrated to be effective and shall encourage enrollees who are eligible for care management services to participate.

Sec. 27. RCW 48.41.160 and 1987 c 431 s 16 are each amended to read as follows:

(1) (A pool policy offered under this chapter shall contain provisions under which the pool is obligated to renew the policy until the day on which the individual in whose name the policy is issued first becomes eligible for Medicare coverage. At that time, coverage of dependents shall terminate if such dependents are eligible for
coverage under a different health plan. Dependents who become eligible for medicare prior to the individual in whose name the policy is issued, shall receive benefits in accordance with RCW 48.41.130.

On or before December 31, 2007, the pool shall cancel all existing pool policies and replace them with policies that are identical to the existing policies except for the inclusion of a provision providing for a guarantee of the continuity of coverage consistent with this section.

(2) A pool policy shall contain a guarantee of the individual’s right to continued coverage, subject to the provisions of subsections (4) and (5) of this section.

(3) The guarantee of continuity of coverage required by this section shall not prevent the pool from canceling or nonrenewing a policy for:

(a) Nonpayment of premium;
(b) Violation of published policies of the pool;
(c) Failure of an individual other than a covered person to charge

(4)(a) The guarantee of continuity of coverage provided by this section requires that if the pool replaces a plan, it must make the replacement plan available to all individuals in the plan being replaced. The replacement plan must include all of the services covered under the replaced plan, through unreasonable cost-sharing requirements or otherwise. The pool may also allow individuals who are covered by a plan that is being replaced an unrestricted right to transfer to a fully comparable plan.

(b) The guarantee of continuity of coverage provided by this section requires that if the pool discontinues offering a plan: (i) The pool must provide notice to each individual of the discontinuation at least ninety days prior to the date of the discontinuation; (ii) The pool must offer to each individual covered under the discontinued plan the option to enroll in any other plan currently offered by the pool for which the individual is otherwise eligible; and (iii) in exercising the option to discontinue a plan and in offering the option of coverage under (b)(ii) of this subsection, the pool must act uniformly without regard to any health status-related factor of enrolled individuals or individuals who may become eligible for this coverage.

(c) The pool cannot replace a plan under this subsection until it has completed an evaluation of the impact of replacing the plan upon:

(i) The cost and quality of care to pool enrollees;
(ii) Pool financing and enrollment;
(iii) The board’s ability to offer comprehensive and other plans to its enrollees;
(iv) Other items identified by the board.

In its evaluation, the board must request input from the constituents represented by the board members.

(d) The guarantee of continuity of coverage provided by this section does not apply if the pool has zero enrollment in a plan.

(e) The pool may not change the rates for pool policies except on a class basis, with a clear disclosure in the policy of the pool’s right to do so.

(f) A pool policy offered under this chapter shall provide that, upon the death of the individual in whose name the policy is issued, every other individual then covered under the policy may elect, within a period specified in the policy, to continue coverage under the same or a different policy.

Sec. 28. RCW 48.41.200 and 2000 c 79 s 17 are each amended to read as follows:

(1) The pool shall determine the standard risk rate by calculating the average individual standard rate charged for coverage comparable to pool coverage by the five largest members, measured in terms of individual market enrollment, offering such coverages in the state. In the event five members do not offer comparable coverage, the standard risk rate shall be established using reasonable actuarial techniques and shall reflect anticipated experience and expenses for such coverage in the individual market.

(2) Subject to subsection (3) of this section, maximum rates for pool coverage shall be as follows:

(a) Maximum rates for a pool indemnity health plan shall be one hundred fifty percent of the rate calculated under subsection (1) of this section;
(b) Maximum rates for a pool care management plan shall be one hundred twenty-five percent of the rate calculated under subsection (1) of this section; and
(c) Maximum rates for a pool care management plan shall be one hundred fifty percent of the rate calculated under subsection (1) of this section.

(3)(a) Subject to (b) and (c) of this subsection:

(i) The rate for any person (age fifty to sixty-four) whose current gross family income is less than two hundred fifty-one percent of the federal poverty level shall be reduced by thirty percent from what it would otherwise be;
(ii) The rate for any person (age fifty to sixty-four) whose current gross family income is more than two hundred fifty but less than three hundred one percent of the federal poverty level shall be reduced by fifteen percent from what it would otherwise be;
(iii) The rate for any person who has been enrolled in the pool for more than thirty-six months shall be reduced by five percent from what it would otherwise be.

(b) In no event shall the rate for any person be less than one hundred ten percent of the rate calculated under subsection (1) of this section.

(c) Rate reductions under (a)(i) and (ii) of this subsection shall be available only to the extent that funds are specifically appropriated for this purpose in the omnibus appropriations act.

Sec. 29. RCW 48.41.037 and 2000 c 79 s 36 are each amended to read as follows:

The Washington state health insurance pool account is created in the custody of the state treasurer. All receipts from moneys specifically appropriated to the account must be deposited in the account. Expenditures from this account shall be used to cover deficits incurred by the Washington state health insurance pool under this chapter in excess of the threshold established in this section. To the extent funds are available in the account, funds shall be expended from the account to offset that portion of the deficit that would otherwise have to be recovered by imposing an assessment on members in excess of a threshold of seventy cents per insured person per month. The commissioner shall authorize expenditures from the account, to the extent that funds are available in the account, upon certification by the pool board that assessments will exceed the threshold level established in this section. The account is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

Whether the assessment has reached the threshold of seventy cents per insured person per month shall be determined by dividing the total aggregate amount of assessment by the proportion of total assessed members. Thus, stop loss members shall be counted as one-tenth of a whole member in the denominator given that is the amount they are assessed proportionately relative to a fully insured medical member.

Sec. 30. RCW 48.41.100 and 2001 c 196 s 3 are each amended to read as follows:

(1) The following persons who are residents of this state are eligible for pool coverage:

(a) Any person who provides evidence of a carrier’s decision not to accept him or her for enrollment in an individual health benefit
plan as defined in RCW 48.43.005 based upon, and within ninety
days of the receipt of, the results of the standard health questionnaire
designated by the board and administered by health carriers under
RCW 48.43.018;

(b) Any person who continues to be eligible for pool coverage
based upon the results of the standard health questionnaire designated
by the board and administered by the pool administrator pursuant to
subsection (3) of this section;

(c) Any person who resides in a county of the state where no
carrier or insurer eligible under chapter 48.15 RCW offers to the
public an individual health benefit plan other than a catastrophic
health plan as defined in RCW 48.43.005 at the time of application
to the pool, and who makes direct application to the pool; and

(d) Any medicare eligible person upon providing evidence of
rejection for medical reasons, a requirement of restrictive riders, an
up-rated premium, or a preexisting conditions limitation on a
medicare supplemental insurance policy under chapter 48.66 RCW,
the effect of which is to substantially reduce coverage from that
received by a person considered a standard risk by at least one
member within six months of the date of application.

(2) The following persons are not eligible for coverage by the
pool:

(a) Any person having terminated coverage in the pool unless (i)
twelve months have lapsed since termination, or (ii) that person can
show continuous other coverage which has been involuntarily
terminated for any reason other than nonpayment of premiums.
However, these exclusions do not apply to eligible individuals as
defined in section 2741(b) of the federal health insurance portability
and accountability act of 1996 (42 U.S.C. Sec. 300gg-41(b));

(b) Any person on whose behalf the pool has paid out ((some))

(d) Any person who resides in a county of the state where any
carrier or insurer regulated under chapter 48.15 RCW offers to the
public an individual health benefit plan other than a catastrophic
health plan as defined in RCW 48.43.005 at the time of application
to the pool and who does not qualify for pool coverage based upon
the results of the standard health questionnaire, or pursuant to
subsection (1)(d) of this section.

(3) When a carrier or insurer regulated under chapter 48.15
RCW begins to offer an individual health benefit plan in a county
where no carrier had been offering an individual health benefit plan:

(a) If the health benefit plan offered is other than a catastrophic
health plan as defined in RCW 48.43.005, any person enrolled in a
pool plan pursuant to subsection (1)(a), (b), or (d) of this section; and

(b) Losing eligibility for pool coverage under this subsection (3)
does not affect a person's eligibility for pool coverage under
subsection (1)(a), (b), or (d) of this section; and

(c) The pool administrator shall provide written notice to any
person who is no longer eligible for coverage under a pool plan
under this subsection (3) within thirty days of the administrator's
determination that the person is no longer eligible. The notice shall:
(i) Indicate that coverage under the plan will cease ninety days from
the date that the notice is dated; (ii) describe any other coverage options
outside of the pool, available to the person; (iii) describe the procedures for the administration of the standard health
questionnaire to determine the person's continued eligibility for
coverage under subsection (1)(b) of this section; and (iv) describe the

eligibility standards for the pool coverage is conducted, including
examining the eight percent eligibility threshold, eligibility for
medicaid enrollees and other publicly sponsored enrollees, and the
impacts on the pool and the state budget. The board shall report the
findings to the legislature by December 1, 2007.

Sec. 31. RCW 48.41.110 and 2000 c 79 s 14 are each amended
to read as follows:

(1) Subject to the limitation provided in subsection (3) of this
section, a pool policy offered in accordance with RCW 48.41.110(3)
shall impose a deductible. Deductibles of five hundred dollars and
one thousand dollars on a per person per calendar year basis shall
initially be offered. The board may authorize deductibles in other
amounts. The deductible shall be applied to the first five hundred
dollars, one thousand dollars, or other authorized amount of eligible
expenses incurred by the covered person.

(2) Subject to the limitations provided in subsection (3) of this
section, a mandatory coinsurance requirement shall be imposed at
((the @ rate ((of)) not to exceed twenty percent of eligible expenses
in excess of the mandatory deductible and which supports the
efficient delivery of high quality health care services for the medical
conditions of pool enrollees.

(3) The maximum aggregate out of pocket payments for eligible
expenses by the insured in the form of deductibles and coinsurance
under a pool policy offered in accordance with RCW 48.41.110(3)

be applied toward the deductible amount in the next calendar year.

(5) The board may modify cost-sharing as an incentive for

(3) The amount of an eligible employee's premium subsidy shall be determined by applying the sliding scale subsidy schedule developed for subsidized basic health plan enrollees under RCW 70.47.060 to the employee's premium obligation for his or her employer's health benefit plan.

(4) After an eligible individual has enrolled in the program, the program shall issue subsidies in an amount determined pursuant to subsection (3) of this section to either the eligible employee or to the carrier designated by the eligible employee.

Verification or notification may be made directly by the employee, or through his or her employer or the carrier providing the small employer health benefit plan. When necessary, the administrator has the authority to perform retrospective audits on premium subsidy accounts. The administrator may suspend or terminate an employee's participation in the program and seek repayment of any subsidy amounts paid due to the omission or misrepresentation of an applicant or enrolled employee. The administrator shall adopt rules to define the appropriate application of these sanctions and the processes to implement the sanctions provided in this subsection, within available resources.

(d) An insurer may not increase any requirement for minimum employer participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(6) An insurer must offer coverage to all eligible employees of a small employer and their dependents. An insurer may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. An insurer may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

subsection may not restrict or enhance the portability of benefits as
provided in RCW 48.43.015.

"NEW SECTION, Sec. 1. It is the public policy of Washington to promote access to medical care for all citizens and to encourage innovative arrangements between patients and providers that will help provide all citizens with a medical home.

Washington needs a multipronged approach to provide adequate health care to many citizens who lack adequate access to it. Direct patient-provider practices, in which patients enter into a direct relationship with medical practitioners and pay a fixed amount directly to the health care provider for primary care services, represent an innovative, affordable option which could improve access to medical care, reduce the number of people who now lack such access, and cut down on emergency room use for primary care purposes, thereby freeing up emergency room facilities to treat true emergencies.

Sec. 2. RCW 48.44.010 and 1990 c 120 s 1 are each amended to read as follows:

For the purposes of this chapter:

(1) "Health care services" means and includes medical, surgical, dental, chiropractic, hospital, optometric, podiatric, pharmaceutical, ambulance, custodial, mental health, and other therapeutic services.

"Health care service contractor" does not include direct patient-provider primary care practices as defined in section 3 of this act.

(4) "Participating provider" means a provider, who or which has contracted in writing with a health care service contractor to accept payment from and to look solely to such contractor according to the terms of the subscriber contract for any health care services rendered to a person who has previously paid, or on whose behalf payment has been made, to such contractor for such services.

The term does not include expenditures for covered services when a provider has agreed not to bill the enrolled participant even though the provider is not paid by the health care service contractor, or for services that are guaranteed, insured or assumed by a person or organization other than the health care service contractor.

(8) "Copayment" means an amount specified in a group or individual contract which is an obligation of an enrolled participant for a specific service which is not fully prepaid.

(9) "Deductible" means the amount an enrolled participant is responsible to pay before the health care service contractor begins to pay the costs associated with treatment.

(10) "Group contract" means a contract for health care services which by its terms limits eligibility to members of a specific group. The group contract may include coverage for dependents.

(11) "Individual contract" means a contract for health care services issued to and covering an individual. An individual contract may include dependents.

have ever been in Clark County and had an emergency and
you had a satisfactory outcome it was because of the
leadership he has provided in our community. The good

The commission shall not decide in a proceeding under this subsection (5) issues involving the actual costs to construct and operate the selected resource, cost recovery, or other issues reserved by the commission for decision in a general rate case or other proceeding for recovery of the resource or contract costs. A proceeding under this subsection (5) shall be conducted pursuant to chapter 34.05 RCW (Part IV). The commission shall adopt rules to provide that the schedule for a proceeding under this subsection takes into account both (a) the needs of the parties to the proposed resource acquisition or power purchase agreement for timely decisions that allow transactions to be completed and (b) the procedural rights to be provided to parties in chapter 34.05 RCW (Part IV), including intervention, discovery, briefing, and hearing.

(6) An electrical company may account for and defer for later consideration by the commission costs incurred in connection with the long-term financial commitment, including operating and maintenance costs, depreciation, taxes, and cost of invested capital. The deferral begins with the date on which the power plant begins commercial operation or the effective date of the power purchase agreement and continues for a period not to exceed 24 months; provided that if during such period the company files a general rate case or other proceeding for the recovery of such costs, deferral ends on the effective date of the final decision by the commission in such proceeding. Creation of such a deferral account does not by itself determine the actual costs of the long-term financial commitment, whether recovery of any or all of these costs is appropriate, or other issues to be decided by the commission in a general rate case or other proceeding for recovery of these costs."

COLLOQUIY

Representative DeBolt: "Does the bill provide a backstop for an IGCC facility that is in the EFSEC permitting process on the effective date of this act?"

Representative Dunshee: "Yes. If that facility is sited and concludes after 5 years of real effort that it cannot in fact permanently sequester CO2 emissions to meet the emissions performance standard, it is allowed another option for compliance. That option ensures that the facility will purchase verifiable, additional emissions reductions from another power plant. We must be clear in our intent -- the idea is not to provide an alternative compliance path to meeting the emissions performance standard. Instead, this is a provision specific to power plants on the drawing board now, and recognizes that the technology for permanent sequestration is still in its early stages. Those power plants may propose real CO2 sequestration plans, as provided in the bill, and must pursue solid efforts to permanently sequester emissions. Permanent sequestration is critical to reducing our greenhouse gas emissions footprint."

INTRODUCTION & FIRST READING

SB 6167 By Senators Pridemore, Zaretti and Prentice; by request of Department of Retirement Systems

AN ACT Relating to clarifying the director's authority to determine interest in certain public retirement systems; and adding a new section to chapter 41.50 RCW.

Referred to Committee on Appropriations.

There being no objection, the House advanced to the sixth order of business.

SECOND READING

ENGROSSED SENATE BILL NO. 5498, by Senators Regala, Clements, Morton, Brandland, Pridemore, Delvin, Prentice, Hatfield and Rasmussen

Revising voter-approved funding sources for local taxing districts.

The bill was read the second time.

POINT OF ORDER

Representative Orcutt: "Thank you Mr. Speaker. Given that Engrossed Senate Bill 5498 was not reported out of the House Finance Committee until Friday, April 6th, four days after the cutoff date set in House Concurrent Resolution 4401 and considering the ruling on House Bill 2403, I ask is Engrossed Senate Bill 5498 properly before us for consideration?"

SPEAKER'S RULING

Mr. Speaker (Representative Lovick presiding): "The Speaker would direct the members to Sections 111 and 112 of Reed's Rules. These sections provide that any objection to a question being considered because of conflicts with rules and orders already established, or with proceedings already determined upon by the assembly, must be presented in a timely fashion. Once action has been taken it is too late.

The bill is on the House Second Reading calendar. The Speaker would note that HCR 4401, the cutoff resolution, sets a deadline for today at 5:00 p.m. for the House to consider Senate bills, with limited exceptions not relevant here. That is the only part of the cutoff resolution relevant to this body's consideration of this measure, and it clearly allows consideration of the bill until the stated deadline.

Any inquiry or objection as to whether the bill met earlier cutoff deadlines are out of order because they were not raised in a timely fashion."

As used in this chapter:

(1) "Inflation" means the percentage change in the implicit price deflator for personal consumption expenditures for the United States as published for the most recent twelve-month period by the bureau of economic analysis of the federal department of commerce in September of the year before the taxes are payable;

POINT OF ORDER

Representative Springer requested a scope and object ruling on the amendment (697) to Engrossed Senate Bill No. 5498.

SPEAKER'S RULING

The Speaker (Representative Lovick presiding): "ENGROSSED SENATE BILL NO. 5498 is entitled AN ACT relating to "revising voter-approved funding sources for local taxing districts." The bill modifies non-supplantation requirements for voter-approved sales and property tax increases, and extends to other taxing districts the authority that cities and counties have to seek voter-approved multi-year regular levy increases above the 1 percent limit.

Amendment (697) strikes the entire bill and reenacts the regular levy growth limitations adopted under Initiative 747. Section 1 of the amendment places a limit on the rate by which
The legislative authority of a taxing district may increase its regular levy annually in the absence of a public vote.

The amendment is not limited to voter-approved taxes but also extends to non-voter-approved taxes. The Speaker therefore finds the amendment is beyond the scope and object of the bill.

Representative Springer, your point of order is well taken."

There being no objection, the rules were suspended, the second reading considered the third and the bill was placed on final passage.

(1) Two billion seven hundred million dollars for the improvement and replacement of the state route number 520 bridge replacement and HOV project between Interstate 5 and Interstate 405; and

Representative Clibborn moved the adoption of amendment (857) to the committee amendment:

On page 1, beginning on line 3 of the amendment, strike all of sections 1 through 5 and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the replacement of the vulnerable state route number 520 corridor is a matter of urgency for the safety of Washington's traveling public and the needs of the transportation system in central Puget Sound. The state route number 520 floating bridge is susceptible to damage, closure, or even catastrophic failure from earthquakes, windstorms, and waves. Additionally, the bridge serves as a vital route for vehicles to cross Lake Washington, carrying over three times its design capacity in traffic, resulting in more than seven hours of congestion per day.

Therefore, it is the conclusion of the legislature that time is of the essence, and that Washington state cannot wait for a disaster to make it fully appreciate the urgency of the need to replace this vulnerable structure. The state must take the necessary steps to move forward with a state route number 520 bridge replacement project design that provides six total lanes, with four general purpose lanes and two lanes that are for high occupancy vehicle travel that could also accommodate high capacity transportation, and the bridge shall
also be designed to accommodate light rail in the future. High occupancy vehicle lanes in the state route 520 corridor must also be able to support a bus rapid transit system.

NEW SECTION. Sec. 2. A new section is added to chapter 47.01 RCW to read as follows:

(1) As soon as practicable after the effective date of this act, and after consulting with the city of Seattle, the office of financial management shall hire a mediator, and appropriate planning staff, including urban, transportation, and neighborhood planners, to develop a state route number 520 project impact plan for addressing the impacts of the project number 520 bridge replacement and HOV project design on Seattle city neighborhoods, parks, including the Washington park arboretum, and institutions of higher education. The mediator must have significant professional experience in working with communities that surround major transportation construction projects, and mitigating the impacts of those transportation projects on those communities. The office of financial management shall hire the mediator and the planning staff within existing appropriations allocated for the state route number 520 bridge replacement and HOV project. The position of mediator under this section is not considered a certified or legally binding position.

(2) The mediator’s responsibility to develop a project impact plan is highly time sensitive. As a result, competitive bidding is not cost-effective or appropriate for personal service contracts to hire the mediator. The director of the office of financial management shall, by director’s authority under RCW 39.29.011(5), exempt any such personal service contract from the competitive bidding requirements of chapter 39.29 RCW.

(3) In evaluating the project impacts, the mediator must consider the concerns of neighborhoods and institutions of higher education directly impacted by the proposed design, establish a process that incorporates interest-based negotiation, and work with the appropriate planning staff to develop mitigation recommendations related to the project design. The mediator shall work to ensure that the project impact plan provides a comprehensive approach to mitigating the impacts of the project, including incorporating construction mitigation plans.

(4) The ultimate goal of the mediation and planning process established in subsection (1) of this section is to develop a project impact plan agreed to by all appropriate parties including, but not limited to, those parties listed in subsection (6) of this section. The project impact plan must be consistent with RCW 47.01.380, and must support and be consistent with the approved purpose and need statement for the project, which is “The purpose of the project is to improve mobility for people and goods across Lake Washington, within the SR 520 corridor from Seattle to Redmond in a manner that is safe, reliable, and cost-effective while avoiding, minimizing, and/or mitigating impacts on the affected neighborhoods and the environment.” The mediator must strive to develop a consensus-based plan. In the event that the mediation process does not result in consensus, the mediator shall submit a project impact plan to the governor and the joint transportation committee that reflects the views of the majority of the mediation participants.

(5) The process established in subsection (1) of this section shall result in a project design that provides six total lanes, with four general purpose lanes and two lanes that are for high occupancy vehicle travel that could also accommodate high capacity transportation. The bridge shall also be designed to accommodate light rail in the future and to support a bus rapid transit system. Additionally, the mediator shall strive to develop a project impact plan within the constraints of the range of estimated project costs as of May 1, 2007.

(6)(a) In performing the duties of this section, and consistent with the governor’s findings and conclusions, dated December 15, 2006, the mediator shall work with interested parties directly affected by the state route number 520 bridge replacement and HOV project including, but not limited to, at least the following:

(i) Representation from each neighborhood directly impacted by the project;
(ii) Representation from local governments on both ends of the bridge directly impacted by the project;
(iii) Representation from King county;
(iv) Representation from the Washington park arboretum;
(v) Representation from the University of Washington; and
(vi) Representation from sound transit.

(b) The mediator shall also work with the department and others as necessary.

(c) Before the mediator may submit the project impact plan, it must be reviewed by the mayor of Seattle and the Seattle city council. The project impact plan must reflect whether the mayor and council concur or do not concur with the plan and include an explanation regarding their positions.

(7) Until December 1, 2008, the mediator must provide periodic reports to the joint transportation committee and the governor regarding the status of the project impact plan development process. The mediator must submit a progress report to the joint transportation committee and the governor by August 1, 2007. The mediator must submit a final project impact plan to the governor and legislature by December 1, 2008.

NEW SECTION. Sec. 3. A new section is added to chapter 47.01 RCW to read as follows:

In developing the state route number 520 project impact plan provided in section 2 of this act, the mediator and associated planning staff shall review the department's project design plans in the draft environmental impact statement for conformance with the following legislative goals described in section 3 of this act. The mediator shall contract with an engineering firm to conduct an independent feasibility analysis of the following proposals: A combination of tunnels and submerged tubes under Lake Washington; a partial tunnel from Interstate 5 to the west end of the state route number 520 bridge; and a proposal to move state route number 520 from its current alignment through the arboretum. The analyses for all alternative concept design plans must be submitted to the joint transportation committee and the governor by September 1, 2007. The mediator shall hold a public hearing regarding the results of the independent review and reflect the independent review findings in the project impact plan. Up to two hundred fifty thousand dollars of the existing funding appropriation to the project shall be used for reviewing these alternative concept design plans.

NEW SECTION. Sec. 4. A new section is added to chapter 47.01 RCW to read as follows:

In addition to the review required in section 3 of this act, the mediator may determine that additional alternative concept designs should be considered for the west end of the project to best meet the expressed legislative goals described in section 3 of this act. The mediator may contract with an engineering firm to conduct an independent feasibility analysis of the following proposals: A combination of tunnels and submerged tubes under Lake Washington; a partial tunnel from Interstate 5 to the west end of the state route number 520 bridge; and a proposal to move state route number 520 from its current alignment through the arboretum. The analyses for all alternative concept design plans must be submitted to the joint transportation committee and the governor by September 1, 2007. The mediator shall hold a public hearing regarding the results of the independent review and reflect the independent review findings in the project impact plan. Up to two hundred fifty thousand dollars of the existing funding appropriation to the project shall be used for reviewing these alternative concept design plans.

Sec. 5. RCW 47.01.380 and 2006 c 311 s 26 are each amended to read as follows:

(1) The department shall not commence construction on any part of the state route number 520 bridge replacement and HOV project until a record of decision has been reached providing reasonable assurance that project impacts will be avoided, minimized, or mitigated as much as practicable to protect against further adverse

Representative Simpson moved the adoption of amendment (858) to the committee amendment:

Strike everything after page 1, line 2 of the amendment and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that the goal of preserving Washington's agricultural lands is shared by citizens throughout the state. The legislature recognizes that efforts to achieve a balance between the productive use of these resource lands and associated regulatory requirements have proven difficult, but that good faith efforts to seek solutions have yielded successes. The legislature believes that this willingness to find and pursue common ground will enable Washingtonians to enjoy the benefits of a successful agricultural economy and a healthy environment, while also preventing the unnecessary conversion of valuable agricultural lands.

(2) The legislature, therefore, intends this act, the temporary delays it establishes for amending or adopting provisions of certain critical area ordinances, and the duties and requirements it prescribes for the William D. Ruckelshaus Center, to be expressions of progress in resolving, harmonizing, and advancing commonly held environmental protection and agricultural viability goals.

(3) The legislature fully expects the duties and requirements it is prescribing for the Ruckelshaus Center to be successful. If, however, the efforts of the center do not result in agreement on how to best address the conflicts between agricultural activities and certain regulatory requirements as they apply to agricultural activities, the legislature intends, upon the expiration of the delay, to require jurisdictions that have delayed amending or adopting certain regulatory measures to promptly complete all regulatory amendments or adoptions necessary to comply with the growth management act.

(4) The legislature does not intend this act to reduce or otherwise diminish existing critical area ordinances that apply to agricultural activities during the deferral period established in section 2 of this act.

NEW SECTION. Sec. 2. A new section is added to chapter 36.70A RCW to read as follows:

(1) For the period beginning May 1, 2007, and concluding July 1, 2010, counties and cities may not amend or adopt critical area

forest, and mineral resource lands designated under RCW 36.70A.170. Regulations adopted under this subsection may not prohibit uses legally existing on any parcel prior to their adoption and shall remain in effect until the county or city adopts development regulations pursuant to RCW 36.70A.040. Such regulations shall assure that the use of lands adjacent to agricultural, forest, or mineral resource lands shall not interfere with the continued use, in the accustomed manner and in accordance with best management practices, of these designated lands for the production of food, agricultural products, or timber, or for the extraction of minerals.

(b) Counties and cities shall require that all plats, short plats, development permits, and building permits issued for development activities on, or within five hundred feet of, lands designated as agricultural lands, forest lands, or mineral resource lands, contain a notice that the subject property is within or near designated agricultural lands, forest lands, or mineral resource lands on which a variety of commercial activities may occur that are not compatible with residential development for certain periods of limited duration. The notice for mineral resource lands shall also inform that an application might be made for mining-related activities, including mining, extraction, washing, crushing, stockpiling, blasting, transporting, and recycling of minerals.

(2) Each county and city shall adopt development regulations that protect critical areas that are required to be designated under RCW 36.70A.170. For counties and cities that are required or choose to plan under RCW 36.70A.040, such development regulations shall be adopted on or before September 1, 1991. For the remainder of the counties and cities, such development regulations shall be adopted on or before March 1, 1992.

(3) Such counties and cities shall review these designations and development regulations when adopting their comprehensive plans under RCW 36.70A.040 and implementing development regulations under RCW 36.70A.120 and may alter such designations and development regulations to insure consistency.

(4) Forest land and agricultural land located within urban growth areas shall not be designated by a county or city as forest land or agricultural land of long-term commercial significance under RCW 36.70A.170 unless the county or city has enacted a program authorizing transfer or purchase of development rights.

(5) Critical area ordinances and development regulations developed or amended after the effective date of this section by local governments under this chapter may not prohibit legally existing agricultural activities occurring on agricultural land, as defined in RCW 90.58.065, and may not require removal of agricultural land from production. This section applies only to this chapter and does not affect any other authority of local governments.

(2) Counties and cities subject to deferral requirements under subsection (1) of this section:

(3) For purposes of this section and section 3 of this act, "agricultural activities" means agricultural uses and practices currently existing or legally allowed on rural land or agricultural land designated under RCW 36.70A.170 including, but not limited to: Producing, breeding, or increasing agricultural products; rotating and changing agricultural crops; allowing land used for agricultural activities to lie fallow in which it is plowed and tilled but left unseeded; allowing land used for agricultural activities to lie dormant as a result of adverse agricultural market conditions; allowing land used for agricultural activities to lie dormant because the land is enrolled in a local, state, or federal conservation program, or the land is subject to a conservation easement; conducting agricultural operations; maintaining, repairing, and replacing agricultural equipment; maintaining, repairing, and replacing agricultural facilities, when the replacement facility is no closer to a critical area than the original facility; and maintaining agricultural lands under production or cultivation.

NEW SECTION. Sec. 3. (1) Subject to the availability of amounts appropriated for this specific purpose, the William D. (a) In the first phase, the center must conduct fact-finding and stakeholder discussions with stakeholders identified in subsection (2) of this section. These discussions must identify stakeholder concerns, desired outcomes, opportunities, and barriers. The fact-finding must identify existing regulatory, management, and scientific information related to agricultural activities and critical areas including, but not limited to: (i) Critical area ordinances adopted under chapter 36.70A RCW; (ii) Acreage enrolled in the conservation reserve enhancement program; (iii) Acreage protected by conservation easements; (iv) Buffer widths; (v) Requirements of federally approved salmon recovery plans; (vi) The impacts of agricultural activities on Puget Sound recovery efforts; and (vii) Compliance with water quality requirements. The center must issue two reports of its fact-finding efforts and stakeholder discussions to the governor and the appropriate committees of the house of representatives and the senate by December 1, 2007, and December 1, 2008; and
(b)(i) In the second phase, the center must facilitate discussions between the stakeholders identified in subsection (2) of this section to identify policy and financial options or opportunities to address the issues and desired outcomes identified by stakeholders in the first phase of the center's examination efforts.

(ii) In particular, the stakeholders must examine innovative solutions including, but not limited to, outcome-based approaches that incorporate, to the maximum extent practicable, voluntary programs or approaches. Additionally, stakeholders must examine ways to modify statutory provisions to ensure that regulatory constraints on agricultural activities are used as a last resort if desired outcomes are not achieved through voluntary programs or approaches.

(iii) The center must work to achieve agreement among participating stakeholders and to develop a coalition that can be used to support agreed upon changes or new approaches to protecting critical areas during the 2010 legislative session.

(4) The center must issue a final report of findings and legislative recommendations to the governor and the appropriate committees of the house of representatives and the senate by September 1, 2009.

NEW SECTION. Sec. 1. FINDINGS AND DECLARATIONS. The legislature finds that, although family and medical leave laws have assisted individuals to balance the demands of the workplace with their family responsibilities, more needs to be done to achieve the goals of parent-child bonding, workforce stability, and economic security. In particular, the legislature finds that many individuals do not have access to family and medical leave laws, and those who do may not be in a financial position to take family and medical leave that is unpaid, and that employer-paid benefits meet only a relatively small part of this need. The legislature declares it to be in the public interest to establish a program that: (1) Allows parents to bond with a newborn or newly placed child; (2) provides limited and additional income support for a reasonable period while an individual is away from work on family and medical leave; (3) reduces the impact on state income support programs by increasing an individual's ability to provide caregiving services for a child while maintaining an employment relationship; and (4) establishes a wage replacement benefit to be coordinated with placement of a child as defined in RCW 49.78.020 and described in RCW 49.78.220(1)(a) or (b).

NEW SECTION. Sec. 2. DEFINITIONS. The definitions in this section apply throughout this act unless the context clearly requires otherwise.

(1) "Application year" means the twelve-month period beginning on the first day of the calendar week in which an individual files an application for family and medical leave insurance benefits and, thereafter, the twelve-month period beginning with the first day of the calendar week in which the individual next files an application for family and medical leave insurance benefits after the expiration of the individual's last preceding application year.

(2) "Calendar quarter" means the same as in RCW 50.04.050.

(3) "Child" means the same as in RCW 49.78.020.

(4) "Employer" means: (a) The same as in RCW 50.04.080; and (b) the state and its political subdivisions.

(5) "Employment" means the same as in RCW 50.04.100.

(6) "Family and medical leave" means leave for the birth or placement of a child as defined in RCW 49.78.020 and described in RCW 49.78.220(1)(a) or (b).

(7) "Family and medical leave insurance benefits" means the benefits payable under section 3 of this act.

(8) "Qualifying year" means the first four of the last five completed calendar quarters or the last four completed calendar quarters immediately preceding the first day of the individual's application year.

(9) "Regularly working" means the average number of hours per workweek that an individual worked in the two quarters of the individual's qualifying year in which total wages were highest.

NEW SECTION. Sec. 3. BENEFITS. (1) Beginning October 1, 2009, family and medical leave insurance benefits are payable to an individual during a period in which the individual is unable to perform his or her regular or customary work because he or she is on family and medical leave if the individual has been employed for at least six hundred eighty hours in employment during the individual's qualifying year.

(2) The maximum number of weeks during which family and medical leave insurance benefits are payable in an application year is five weeks. However, benefits are not payable during a waiting period consisting of the first seven calendar days of family and medical leave.

(3) The amount of family and medical leave insurance benefits shall be determined as follows:

(a) The weekly benefit shall be two hundred fifty dollars per week for an individual who at the time of beginning family and medical leave was regularly working thirty-five hours or more per week.

(b) For an individual who was regularly working thirty-five hours or more per week at the time of beginning family and medical leave and is on family and medical leave for less than thirty-five hours but at least eight hours in a week, the weekly benefit shall be .025 times the maximum weekly benefit times the number of hours of family and medical leave taken in the week.

(c) For an individual who was regularly working less than thirty-five hours per week at the time of beginning family and medical leave and is on family and medical leave for less than thirty-five hours but at least eight hours in a week, the weekly benefit shall be .025 times the maximum weekly benefit times the number of hours of family and medical leave that must be taken in a week for benefits to be payable. The prorated schedule shall be based on the amounts and the calculations specified under (a) and (b) of this subsection.

NEW SECTION. Sec. 4. NO CONTINUING ENTITLEMENT OR CONTRACTUAL RIGHT. This act does not create a continuing entitlement or contractual right. The legislature reserves the right to amend or repeal all or part of this act at any time, and a benefit or other right granted under this act exists subject to the legislature's power to amend or repeal this act. There is no vested private right of any kind against such amendment or repeal.

NEW SECTION. Sec. 5. LEAVE AND EMPLOYMENT PROTECTION. (1) Beginning October 1, 2009, during a period in which an individual receives family and medical leave insurance benefits or earns waiting period credits under this act, the individual is entitled to family and medical leave and, at the established ending date of leave, to be restored to a position of employment with the employer from whom leave was taken.

(2) The individual entitled to leave under this section shall be restored to a position of employment in the same manner as an employee entitled to leave under chapter 49.78 RCW is restored to a position of employment, as specified in RCW 49.78.280.

(3) This section applies only to an individual if:
The employer from whom the individual takes family and medical leave employs more than twenty-five employees; and

(b) The individual has been employed for at least twelve months by that employer, and for at least one thousand two hundred fifty hours of service with that employer during the previous twelve-month period.

(4) This section shall be enforced as provided in chapter 49.78 RCW.

NEW SECTION. Sec. 6. COORDINATION OF LEAVE. (1)(a) Leave taken under this act must be taken concurrently with any leave taken under the federal family and medical leave act of 1993 (Act Feb. 5, 1993, P.L. 103-3, 107 Stat. 6) or under chapter 49.78 RCW.

(b) An employer may require that leave taken under this act be taken concurrently or otherwise coordinated with leave allowed under the terms of a collective bargaining agreement or employer policy, as applicable, for the birth or placement of a child. The employer must give individuals in its employ written notice of this requirement.

(2)(a) This act does not diminish an employer's obligation to comply with a collective bargaining agreement or employer policy, as applicable, that provides greater leave for the birth or placement of a child.

(b) An individual's right to leave under this act may not be diminished by a collective bargaining agreement entered into or renewed or an employer policy adopted or retained after the effective date of this section. Any agreement by an individual to waive his or her rights under this act is void as against public policy.

NEW SECTION. Sec. 7. ADMINISTRATIVE COSTS. Beginning July 1, 2011, the costs of administering this act may not exceed ten percent of the total costs of family and medical leave insurance benefits.

NEW SECTION. Sec. 8. JOINT LEGISLATIVE TASK FORCE. (1)(a) The joint legislative task force on family and medical leave insurance is established, with members as provided in this subsection.

MESSAGE FROM THE SENATE

April 10, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1051 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that the goal of Washington's education reform is for all students to meet rigorous academic standards so that they are prepared for success in college, work, and life. Educators know that not all students learn at the same rate or in the same way. Some students will take longer to meet the state's standards for high school graduation. Older students who cannot graduate with their peers need an appropriate learning environment and flexible programming that enables them simultaneously to earn a diploma, work, and pursue other training options. Providing learning options in locations in addition to high schools will encourage older students to complete their diplomas. Therefore the legislature intends to create a pilot high school completion program at two community and technical colleges for older students who have not yet received a diploma but are eligible for state basic education support.

Sec. 2. RCW 28B.50.535 and 1991 c 238 s 58 are each amended to read as follows:

A community or technical college may issue a high school diploma or certificate, subject to rules (and regulations promulgated) adopted by the superintendent of public instruction and the state board of education.
NEW SECTION. Sec. 3. A new section is added to chapter 28A.30 RCW to read as follows:

(1) A pilot program is created for two community or technical colleges to make available courses or a program of study, on the college campus, designed to enable students under the age of twenty-one who have completed all state and local high school graduation requirements except the certificate of academic achievement or certificate of individual achievement to complete their high school education and obtain a high school diploma.

(a) The colleges participating in the pilot program in this section may make courses or programs under this section available by entering into contracts with local school districts to deliver the courses or programs. Colleges participating in the pilot program that offer courses or programs under contract shall be reimbursed for each enrolled eligible student as provided in the contract, and the high school diploma shall be issued by the local school district;

(b) Colleges participating in the pilot program may deliver courses or programs under this section directly. Colleges that deliver courses or programs directly shall be reimbursed for each enrolled eligible student as provided in section 4 of this act, and the high school diploma shall be issued by the college;

(c) Colleges participating in the pilot program may make courses or programs under this section available through a combination of contracts with local school districts, collaboration with educational service districts, and direct service delivery. Colleges participating in the pilot program may also make courses or programs under this section available for students at locations in addition to the college campus;

(d) Colleges participating in the pilot program may enter into regional partnerships to carry out the provisions of this subsection (1).

(2) Regardless of the service delivery method chosen, colleges participating in the pilot program shall ensure that all eligible students have an opportunity to enroll in a course or program under this section.

(3) Colleges participating in the pilot program shall not require students enrolled under this section to pay tuition or services and activities fees; however, this waiver of tuition and services and activities fees shall be in effect only for those courses that lead to a high school diploma.

(4) Nothing in this section or section 4 of this act precludes a community or technical college from offering courses or a program of study for students other than eligible students as defined by section 4 of this act to obtain a high school diploma, nor is this section or section 4 of this act intended to restrict diploma completion programs offered by school districts or educational service districts. Community and technical colleges and school districts are encouraged to consult with educational service districts in the development and delivery of programs and courses required under this section.

(5) Community and technical colleges participating in the pilot program shall not be required to administer the Washington assessment of student learning.

NEW SECTION. Sec. 4. A new section is added to chapter 28A.600 RCW to read as follows:

(1) For purposes of this section and section 3 of this act, "eligible student" means a student who has completed all state and local high school graduation requirements except the certificate of academic achievement under RCW 28A.155.061 or the certificate of individual achievement under RCW 28A.155.045, who is less than age twenty-one as of September 1st of the academic year the student enrolls at a community and technical college under this section, and who meets the following criteria:

(a) Receives a level 2 (basic) score on the reading and writing content areas of the high school Washington assessment of student learning;

(b) Has not successfully met state standards on a retake of the assessment or an alternative assessment;

(c) Has participated in assessment remediation; and

(d) Receives a recommendation to enroll in courses or a program of study made available under section 3 of this act from his or her high school principal.

(2) An eligible student may enroll in courses or a program of study made available by a community or technical college participating in the pilot program created under section 3 of this act for the purpose of obtaining a high school diploma.

(3) For eligible students in courses or programs delivered directly by the community or technical college participating in the pilot program under section 3 of this act and only for enrollment in courses that lead to a high school diploma, the superintendent of public instruction shall transmit to the colleges participating in the pilot program an amount per each full-time equivalent college student at statewide uniform rates. The amount shall be the sum of (a), (b), (c), and (d) of this subsection, as applicable.

(a) The superintendent shall separately calculate and allocate moneys appropriated for basic education under RCW 28A.150.260 for purposes of making payments under this section. The calculations and allocations shall be based upon the estimated statewide annual average per full-time equivalent high school student allocations under RCW 28A.150.260, excluding small high school enhancements, and applicable rules adopted under chapter 34.05 RCW.

(b) The superintendent shall allocate an amount equal to the per funded student state allocation for the learning assistance program under chapter 28A.165 RCW for each full-time equivalent college student or a pro rata amount for less than full-time enrollment.

(c) The superintendent shall allocate an amount equal to the per full-time equivalent student allocation for the student achievement program under RCW 28A.505.210 for each full-time equivalent college student or a pro rata amount for less than full-time enrollment.

(d) For eligible students who meet eligibility criteria for the state transitional bilingual instruction program under chapter 28A.180 RCW, the superintendent shall allocate an amount equal to the per student state allocation for the transitional bilingual instruction program or a pro rata amount for less than full-time enrollment.

(4) The superintendent may adopt rules establishing enrollment reporting, recordkeeping, and accounting requirements necessary to ensure accountability for the use of basic education, learning assistance, and transitional bilingual program funding under this section for the pilot program created under section 3 of this act.

(5) All school districts in the geographic area of the two community and technical colleges selected pursuant to section 8 of this act to participate in the pilot program shall provide information about the high school completion option under section 3 of this act to students in grades ten, eleven, and twelve and the parents or guardians of those students.

(6) The Washington state institute for public policy shall conduct a review of the high school completion pilot program authorized under section 3 of this act. The institute shall begin the study after July 1, 2010, and report to the superintendent of public instruction, the state board for community and technical colleges, and the education and fiscal committees of the legislature by January 1, 2011. At a minimum, the report shall include the following:

(a) The number of students taking part in the high school completion programs, reported by their high school of last attendance and the community or technical college that offered the program;

(b) The types of high school completion programs offered at the two community or technical colleges;

(c) The number of students successfully receiving a high school diploma and other identified outcome measures; and

(d) The amount of funds spent in support of this effort compared to actual reimbursement costs that are provided under subsection (3)(a), (b), (c), and (d) of this section.

Sec. 5. RCW 28A.655.061 and 2006 c 115 s 4 are each amended to read as follows:

(1) The high school assessment system shall include but need not be limited to the Washington assessment of student learning, opportunities for a student to retake the content areas of the assessment in which the student was not successful, and if approved by the legislature pursuant to subsection (10) of this section, one or more objective alternative assessments for a student to demonstrate achievement of state academic standards. The objective alternative assessments for each content area shall be comparable in rigor to the
skills and knowledge that the student must demonstrate on the
Washington assessment of student learning for each content area.

(2) To meet the conditions in this section, a certificate of
academic achievement shall be obtained by most students at about
the age of sixteen, and is evidence that the students have successfully
met the state standard in the content areas included in the certificate.

With the exception of students satisfying the provisions of RCW
28A.155.045, acquisition of the certificate is required for graduation
from a public high school but is not the only requirement for graduation.

(3) Beginning with the graduating class of 2008, with the
exception of students satisfying the provisions of RCW 28A.155.045,
a student who meets the state standards on the reading, writing, and
mathematics content areas of the high school Washington assessment
of student learning shall earn a certificate of academic achievement.

If a student does not successfully meet the state standards in one or
more content areas required for the certificate of academic
achievement, then the student may retake the assessment in the
content area up to four times at no cost to the student. If the student
successfully meets the state standards on a retake of the assessment
then the student shall earn a certificate of academic achievement.

Once objective alternative assessments are authorized pursuant to
subsection (10) of this section, a student may use the objective
alternative assessments to demonstrate that the student successfully
meets the state standards for that content area if the student has
retaken the Washington assessment of student learning at least once.

If the student successfully meets the state standards on the objective
alternative assessments then the student shall earn a certificate of
academic achievement.

(4) Beginning with the graduating class of 2010, a student must
meet the state standards in science in addition to the other content
areas required under subsection (3) of this section on the Washington
assessment of student learning or the objective alternative
assessments in order to earn a certificate of academic achievement.

(5) The state board of education may not require the acquisition
of the certificate of academic achievement for students in home-
based instruction under chapter 28A.200 RCW, for students enrolled
in private schools under chapter 28A.195 RCW, or for students
satisfying the provisions of RCW 28A.155.045.

(6) A student may retain and use the highest result from each
successfully completed content area of the high school assessment.

(7) Beginning in 2006, school districts must make available to
students the following options:

(a) To retake the Washington assessment of student learning up to
four times in the content areas in which the student did not meet
the state standards if the student is enrolled in a public school; or
the Washington assessment of student learning up to four times in the content areas in which the student did not meet
the state standards if the student is enrolled in a high school
completion program at a community or technical college. The
superintendent of public instruction and the state board for
community and technical colleges shall jointly identify means by
which students in these programs can be assessed.

(b) Students who achieve the standard in a content area of the
high school assessment but who wish to improve their results shall
pay for retaking the assessment, using a uniform cost determined by the
superintendent of public instruction.

(9) Subject to available funding, the superintendent shall pilot
opportunities for retaking the high school assessment beginning in the
2004-05 school year. Beginning no later than September 2006,
opportunities to retake the assessment at least twice a year shall be
available to each school district.

(10)(a) The office of the superintendent of public instruction
shall develop options for implementing objective alternative
assessments, which may include an appeals process, for students to
demonstrate achievement of the state academic standards.
The objective alternative assessments shall be comparable in rigor to the
skills and knowledge that the student must demonstrate on the
Washington assessment of student learning and be objective in its
determination of student achievement of the state standards. Before
any objective alternative assessments in addition to those authorized in
RCW 28A.655.065 or (b) of this subsection are used by a student
to demonstrate that the student has met the state standards in a
content area required to obtain a certificate, the legislature shall
formally approve the use of any objective alternative assessments
through the omnibus appropriations act or by statute or concurrent
resolution.

(b) A student's score on the mathematics portion of the
preliminary scholastic assessment test (PSAT), the scholastic
assessment test (SAT), or the American college test (ACT) may be
used as an objective alternative assessment under this section for
demonstrating that a student has met or exceeded the mathematics
standards for the certificate of academic achievement. The state
board of education shall identify the scores students must achieve on
the mathematics portion of the PSAT, SAT, or ACT to meet or exceed
the state standard for mathematics. The state board of
education shall identify the first scores by December 1, 2006,
and thereafter may increase but not decrease the scores required
for students to meet or exceed the state standard for mathematics.

(11) By December 15, 2004, the house of representatives and
senate education committees shall obtain information and
conclusions from recognized, independent, national assessment
experts regarding the validity and reliability of the high school
Washington assessment of student learning for making individual
student high school graduation determinations.

(12) To help assure continued progress in academic achievement
as a foundation for high school graduation and to assure that students
are on track for high school graduation, each school district shall
prepare plans for students as provided in this subsection (12).

(a) Student learning plans are required for eighth through twelfth
grade students who were not successful on any or all of the content
areas of the Washington assessment for student learning during the
previous school year. The plan shall include the courses, competency,
and other steps needed to be taken by the student to
meet state academic standards and stay on track for graduation. If
applicable, the plan shall also include the high school completion
pilot program created under section 3 of this act. This requirement
shall be phased in as follows:

(i) Beginning no later than the 2004-05 school year ninth grade
students as described in this subsection (12)(a) shall have a plan.

(ii) Beginning no later than the 2005-06 school year and every
year thereafter eighth grade students as described in this subsection
(12)(a) shall have a plan.

(b) Beginning with the 2005-06 school year and every year
thereafter, all fifth grade students who were not successful in one or
more of the content areas of the fourth grade Washington assessment
of student learning shall have a student learning plan.

(i) The parent or guardian shall be notified, preferably through a
parent conference, of the student's results on the Washington
assessment of student learning, actions the school intends to take to
improve the student's skills in any content area in which the student
was unsuccessful, strategies to help them improve their student's
skills, and the content of the student's plan.

(ii) Progress made on the student plan shall be reported to the
student's parents or guardian at least annually and adjustments to the
plan made as necessary.

Sec. 6. RCW 28B.15.520 and 1993 sp.s.c 18 s 16 are each
amended to read as follows:

Subject to the limitations of RCW 28B.15.910, the governing
boards of the community colleges may:

(1) Waive all or a portion of tuition fees and services and
activities fees for:

(a) Students nineteen years of age or older who are eligible for
resident tuition and fee rates as defined in RCW 28B.15.012 through
28B.15.015 (((333s))) who enroll in a course of study or program
which will enable them to finish their high school education and obtain a high school diploma or certificate, but who are not eligible students as defined by section 4 of this act; and

(b) Children of any law enforcement officer or fire fighter who lost his or her life or became totally disabled in the line of duty while employed by any public law enforcement agency or full time or volunteer fire department in this state: PROVIDED, That such persons may receive the waiver only if they begin their course of study at a community college within ten years of their graduation from high school;

(2) Waive all or a portion of the nonresident tuition fees differential for:
(a) Nonresident students enrolled in a community college course of study or program which will enable them to finish their high school education and obtain a high school diploma or certificate but who are not eligible students as defined by section 4 of this act. The waiver shall be in effect only for those courses which lead to a high school diploma or certificate; and
(b) Up to forty percent of the students enrolled in the regional education program for deaf students, subject to federal funding of such program.

Sec. 7. RCW 28B.15.067 and 2006 c 161 s 6 are each amended to read as follows:
(1) Tuition fees shall be established under the provisions of this chapter.
(2) Beginning with the 2003-04 academic year and ending with the 2008-09 academic year, reductions or increases in full-time tuition fees for resident undergraduates shall be as provided in the omnibus appropriations act.
(3) Beginning with the 2003-04 academic year and ending with the 2008-09 academic year, the governing boards of the state universities, the regional universities, The Evergreen State College, and the state board for community and technical colleges may reduce or increase full-time tuition fees for all students other than resident undergraduates, including summer school students and students in other self-supporting degree programs. Percentage increases in full-time tuition fees may exceed the fiscal growth factor. Reductions or increases may be made for all or portions of an institution's programs, campuses, courses, or students.
(4) Academic year tuition for full-time students at the state's institutions of higher education beginning with 2009-10, other than summer term, shall be as charged during the 2008-09 academic year unless different rates are adopted by the legislature.
(5) The tuition fees established under this chapter shall not apply to high school students enrolling in participating institutions of higher education under RCW 28A.600.400.
(6) The tuition fees established under this chapter shall not apply to eligible students enrolling in a community or technical college under RCW 28C.04.610.
(7) The tuition fees established under this chapter shall not apply to eligible students enrolling in a community or technical college participating in the pilot program under section 3 of this act for the purpose of obtaining a high school diploma.
(8) For the academic years 2003-04 through 2008-09, the University of Washington shall use an amount equivalent to ten percent of all revenues received as a result of law school tuition increases beginning in academic year 2000-01 through academic year 2008-09 to assist needy low and middle income resident law students.

Sec. 8. The office of the superintendent of public instruction and the state board for community and technical colleges shall:
(1) By June 30, 2007, select the two community and technical colleges to be involved in the pilot program created in section 3 of this act. The criteria for selecting the two pilot program sites shall include, but are not limited to: (a) The quality of the courses or program offerings; (b) having the appropriate type of staff and facility to deliver the program; (c) the number of eligible students; and (d) the willingness to participate and provide requested data and information for the evaluation under section 4(6) of this act conducted pursuant to section 4(6) of this act.
(2) Develop an estimate of the number of students statewide likely to participate in the program authorized under section 3 of this act if established on a statewide basis. The assumptions shall take into account programs and alternatives offered for fifth-year seniors by school districts and educational service districts;
(3) Identify and analyze possible service delivery models in addition to those described in section 3 of this act, particularly to address the challenges faced by community and technical colleges serving school districts dispersed across large geographic areas and with limited staffing and facilities resources for the programs; and
(4) Submit a report with an implementation plan for the two community and technical colleges participating in the pilot program created under section 3 of this act and submit findings and recommendations to the education and fiscal committees of the legislature by December 15, 2007.

On page 1, line 1 of the title, after "programs," strike the remainder of the title and insert "amending RCW 28B.50.535, 28A.655.061, 28B.15.520, and 28B.15.067; adding a new section to chapter 28B.50 RCW; adding a new section to chapter 28A.600 RCW; and creating new sections." and the same is herewith transmitted.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to SUBSTITUTE HOUSE BILL NO. 1396 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 10, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1624 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 13.34 RCW to read as follows:

(1) A child may petition the juvenile court to reinstate the previously terminated parental rights of his or her parent under the following circumstances:

(a) The child was previously found to be a dependent child under this chapter;

(b) The child's parent's parental rights were terminated in a proceeding under this chapter; and

(c) The child has not achieved his or her permanency plan within three years of a final order of termination, or if the final order was appealed, within three years of exhaustion of any right to appeal the order terminating parental rights.

(2) The child may file the petition prior to the expiration of this three-year period if the department or the supervising or custodial agency that is responsible for the custody or supervision of the child and the child stipulate that the child is not likely to achieve his or her permanency plan.

(3) A child seeking to petition under this section shall be provided counsel at no cost to the child.

(4) The petition must be signed by the child in the absence of a showing of good cause as to why the child could not do so.

(5) If, after a threshold hearing to consider the parent's apparent fitness and interest in reinstatement of parental rights, it appears that the best interests of the child may be served by reinstatement of parental rights, the juvenile court shall order that a hearing be held.

(6) The court shall give prior notice for any proceeding under this section, or cause prior notice to be given, to the department, the child's attorney, and the child. The court shall also order the department to give prior notice of any hearing to the child's former parent whose parental rights are the subject of the petition, any parent whose rights have not been terminated, the child's current foster parent, relative caregiver, guardian or custodian, and the child's tribe, if applicable.

(7) The juvenile court shall grant the petition if it finds by clear and convincing evidence that the child has not achieved his or her permanency plan and is not likely to imminently achieve his or her permanency plan and that reinstatement of parental rights is in the child's best interest. In determining whether reinstatement is in the child's best interest the court shall consider, but is not limited to, the following:

(a) Whether the parent whose rights are to be reinstated is a fit parent and has remedied his or her deficits as provided in the record of the prior termination proceedings and prior termination order;

(b) The age and maturity of the child, and the ability of the child to express his or her preference;

(c) Whether the reinstatement of parental rights will present a risk to the child's health, welfare, or safety; and

(d) Other material changes in circumstances, if any, that may have occurred which warrant the granting of the petition.

(8) In determining whether the child has or has not achieved his or her permanency plan or whether the child is likely to achieve his or her permanency plan, the department shall provide the court, and the court shall review, information related to any efforts to achieve the permanency plan including efforts to achieve adoption or a permanent guardianship.

(9) The court shall grant the petition and dismiss the dependency only if the child and the parent or parents who were the subject of a petition under this section and whose parental rights were reinstated agree that the child will return to the legal custody of the parent or parents and the court finds that returning to the legal custody of the parent or parents is in the best interests of the child and will not present a risk to the child's health, welfare, or safety. The court shall order the department to provide services necessary to ensure the child's health, welfare, and safety, including a home study, as the child transitions back into the parent's legal custody.

(10) The granting of the petition under this section does not vacate or otherwise affect the validity of the original termination order.
NEW SECTION.  Sec. 3. A new section is added to chapter 43.20A RCW to read as follows:

The state is not liable for civil damages resulting from any act or omission in the delivery of child welfare services or child protective services through the children's administration of the department of social and health services unless the act or omission constitutes gross negligence. This section does not create any duty and shall not be construed to create a duty where none exists.

Sec. 4.  RCW 13.34.060 and 2002 c 52 s 4 are each amended to read as follows:

(1) A child taken into custody pursuant to RCW 13.34.050 or 26.44.050 shall be immediately placed in shelter care. A child taken by a relative of the child in violation of RCW 9A.40.060 or 9A.40.070 shall be placed in shelter care only when permitted under RCW 13.34.055. No child may be held longer than seventy-two hours, excluding Saturdays, Sundays, and holidays, after such child is taken into custody unless a court order has been entered for continued shelter care. In no case may a child who is taken into custody pursuant to RCW 13.34.050, 13.34.055, or 26.44.050 be detained in a secure detention facility.

Sec. 5.  RCW 13.34.062 and 2004 c 147 s 2 are each amended to read as follows:

(1)(a) Whenever a child is taken into custody by child protective services pursuant to a court order issued under RCW 13.34.050 or when child protective services is notified that a child has been taken into custody by child protective services, the person making reasonable efforts to inform the parents, guardian, or legal custodian of the fact that the child has been taken into custody, the reasons why the child was taken into custody, and their legal rights under this title as soon as possible and in no event shall notice be provided more than twenty-four hours after the child has been taken into custody or twenty-four hours after child protective services has been notified that the child has been taken into custody. The notice of custody and rights may be given by any means reasonably certain of notifying the parents including, but not limited to, written, telephone, or in person oral notification. If the initial notification is provided by a means other than writing, child protective services shall make reasonable efforts to also provide written notification.

(2)(a) The notice of custody and rights may be given by any means reasonably certain of notifying the parents including, but not limited to, written, telephone, or in person oral notification. If the initial notification is provided by a means other than writing, child protective services shall make reasonable efforts to also provide written notification.

(b) The written notice of custody and rights required by ((RCW 13.34.056)) this section shall be in substantially the following form:

*NOTICE*

Your child has been placed in temporary custody under the supervision of Child Protective Services (or other person or agency).
You have important legal rights and you must take steps to protect your interests.

1. A court hearing will be held before a judge within 72 hours of the time your child is taken into custody excluding Saturdays, Sundays, and holidays. You should call the court at (insert appropriate phone number here) for specific information about the date, time, and location of the court hearing. You may call the Child Protective Services' caseworker for more information about your child. The caseworker's name and telephone number are: (insert name and telephone number).

2. You have the right to a lawyer represent you at the hearing. You right to representation continues after the shelter care hearing. You have the right to records the department intends to rely upon. A lawyer can look at the files in your case, talk to child protective services and other agencies, tell you about the law, help you understand your rights, and help you at hearings. If you cannot afford a lawyer, the court will appoint one to represent you. To get a court-appointed lawyer you must contact: (explain local procedure).

3. At the hearing, you have the right to speak on your own behalf, to introduce evidence, to examine witnesses, and to receive a decision based solely on the evidence presented to the judge.

4. If your hearing occurs before a court commissioner, you have the right to have the decision of the court commissioner reviewed by a superior court judge. To obtain that review, you must, within ten days after the entry of the decision of the court commissioner, file with the court a motion for revision of the decision, as provided in RCW 2.24.050.

You should be present at any shelter care hearing. If you do not come, the judge will not hear what you have to say.

You may call the Child Protective Services' caseworker for more information about your child. The caseworker's name and telephone number are: (insert name and telephone number).

5. You have the right to a case conference to develop a written service agreement following the shelter care hearing. The service agreement may not conflict with the court's order of shelter care.

You may request that a multidisciplinary team, family group conference, or prognostic staffing be convened for your child's case. You may participate in these processes with your counsel present."

Upon receipt of the written notice, the parent, Guardian, or legal Custodian shall acknowledge such notice by signing a receipt prepared by child protective services. If the parent, Guardian, or legal custodian does not sign the receipt, the reason for lack of a signature shall be written on the receipt. The receipt shall be made a part of the court's file in the dependency action.

If after making reasonable efforts to provide notification, child protective services is unable to determine the whereabouts of the parent, Guardian, or legal custodian, the notice shall be delivered or sent to the last known address of the parent, Guardian, or legal custodian.

((2))) (3) If child protective services is not required to give notice under RCW 13.34.060(2) and subsection (1)(b)), this section, the juvenile court counselor assigned to the matter shall make all reasonable efforts to advise the parents, Guardian, or legal custodian of the time and place of any shelter care hearing, request that they be present, and inform them of their basic rights as provided in RCW 13.34.090.

((2))) (4) Reasonable efforts to advise and to give notice, as required in RCW 13.34.060(2) and subsections (1)(a) and (2)(c)) this section, shall include, at a minimum, investigation of the whereabouts of the parent, Guardian, or legal custodian. If such reasonable efforts are not successful, or the parent, Guardian, or legal custodian does not appear at the shelter care hearing, the petitioner shall testify at the hearing or state in a declaration:

(a) The efforts made to investigate the whereabouts of, and to advise, the parent, Guardian, or legal custodian; and

(b) Whether actual advice of rights was made, to whom it was made, and how it was made, including the substance of any oral communication or copies of written materials used.

((2))) The court shall hear evidence regarding notice given to, and efforts to notify, the parent, Guardian, or legal custodian and shall examine the need for shelter care. The court shall hear evidence regarding the efforts made to place the child with a relative. The court shall make an express finding as to whether the notice required under RCW 13.34.060(2) and subsections (1)(a) and (2)(c) of this section was given to the parent, Guardian, or legal custodian. All parties have the right to present testimony to the court regarding the need or lack of need for shelter care. Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(5)(a) A shelter care order issued pursuant to RCW 13.34.065 shall include the requirements for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days prior to the fact-finding hearing.

(c) The court may order a conference or meeting as an alternative to the case conference required under RCW 13.34.065 so long as the conference or meeting ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent, Guardian, or legal custodian.

Sec. 6. RCW 13.34.065 and 2001 c 332 s 3 are each amended to read as follows:

(1)(a) When a child is taken into custody, the court shall hold a shelter care hearing within seventy-two hours, excluding Saturdays, Sundays, and holidays. The primary purpose of the shelter care hearing is to determine whether the child can be immediately and safely returned home while the adjudication of the dependency is pending.

(b) Any parent, Guardian, or legal custodian who for good cause is unable to attend the initial shelter care hearing may request that a subsequent shelter care hearing be scheduled. The request shall be made to the clerk of the court where the petition is filed prior to the initial shelter care hearing. Upon the request of the parent, the court shall schedule the hearing within seventy-two hours of the request, excluding Saturdays, Sundays, and holidays. The clerk shall notify all other parties of the hearing by any reasonable means.

(2)(a) The juvenile court probation counselor or department of social and health services shall submit a recommendation to the court as to the further need for shelter care (unless the petition has been filed by the department, in which case the recommendation shall be submitted by the department) in all cases in which it is the petitioner. In all other cases, the recommendation shall be submitted by the juvenile court probation counselor.

(b) All parties have the right to present testimony to the court regarding the need or lack of need for shelter care.

(c) Hearsay evidence before the court regarding the need or lack of need for shelter care must be supported by sworn testimony, affidavit, or declaration of the person offering such evidence.

(3) At the commencement of the hearing, the court shall notify the parent, Guardian, or custodian of the following:

(a) The parent, Guardian, or Custodian has the right to a shelter care hearing;

(b) The nature of the shelter care hearing and the proceedings that will follow; and

(c) If the parent, Guardian, or Custodian is not represented by counsel, the right to be represented. If the parent, Guardian, or
custodian is indigent, the court shall appoint counsel as provided in RCW 13.34.090.

(d) Any shelter care hearing the court shall examine the need for shelter care and inquire into the status of the case. The paramount consideration for the court shall be the health, welfare, and safety of the child. At a minimum, the court shall inquire into the following:

(a) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians of the child; the court shall make an express finding as to whether the notice required under RCW 13.34.062 was given to the parent, guardian, or legal custodian. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department of social and health services to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090;

(b) Whether the child can be safely returned home while the adjudication of the dependency is pending;

(c) What efforts have been made to place the child with a relative;

(d) What services were provided to the family to prevent or eliminate the need for removal of the child from the child’s home;

(e) Is the placement proposed by the agency the least disruptive and most family-like setting that meets the needs of the child;

(f) Whether it is in the best interest of the child to remain enrolled in the school, developmental program, or child care the child was in prior to treatment;

(g) Appointment of a guardian ad litem or attorney;

(h) Whether the child is or may be an Indian child as defined in 25 U.S.C. Sec. 1903, whether the provisions of the Indian child welfare act apply, and whether there is compliance with the Indian child welfare act, including notice to the child’s tribe;

(i) Whether restraining orders, or orders expelling an allegedly abusive parent from the home, will allow the child to safely remain in the home;

(j) Whether any orders, agreed to by all parties, for examinations, evaluations, or immediate services are needed;

(k) The terms and conditions for parental, sibling, and family visitation;

(l) Whether the notice required under RCW 13.34.062 was given to all known parents, guardians, or legal custodians unless the court finds there is reasonable cause to believe that:

(((iii))) (i) After consideration of the specific services that have been provided, reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child’s home and to make it possible for the child to return home; and

(((iv))) ((ii)) (A) The child has no parent, guardian, or legal custodian to provide supervision and care for such child; or

(((v))) ((B) The release of such child would present a serious threat of substantial harm to such child; or

(((vi))) (C) The parent, guardian, or custodian to whom the child could be released has been charged with violating RCW 9A.40.060 or 9A.40.070.

(b) If the court does not release the child to his or her parent, guardian, or legal custodian, and the child was initially placed with a relative pursuant to RCW 13.34.060(1), the court shall order continued placement with a relative, unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or that the efforts to reunite the parent and child will be hindered. The relative must be willing and available to:

(i) Care for the child and be able to meet any special needs of the child;

(ii) Facilitate the child’s visitation with siblings, if such visitation is a part of the supervising agency’s plan or is ordered by the court; and

(iii) Cooperate with the department in providing necessary background checks and home studies.

(c) If the child was not initially placed with a relative, and the court does not release the child to his or her parent, guardian, or legal custodian, the supervising agency shall make reasonable efforts to locate a relative pursuant to RCW 13.34.060(1).

(d) If a relative is not available, the court shall order continued shelter care or placement with another suitable person, and the court shall set forth its reasons for the order. The court shall order a finding as to whether RCW 13.34.060(2) and subsections (1) and (2) of this section have been complied with. If actual notice was not given to the parent, guardian, or legal custodian and the whereabouts of such person is known or can be ascertained, the court shall order the supervising agency or the department of social and health services to make reasonable efforts to advise the parent, guardian, or legal custodian of the status of the case, including the date and time of any subsequent hearings, and their rights under RCW 13.34.090.

(3)) If the court orders placement of the child with a person not related to the child and not licensed to provide foster care, the placement is subject to all terms and conditions of this section that apply to relative placements.

(c) Any placement with a relative, or other person approved by the court pursuant to this section, shall be contingent upon cooperation with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order is grounds for removal of the child from the home of the relative or other person, subject to review by the court.

(6)(a) A shelter care order issued pursuant to this section shall include the requirement for a case conference as provided in RCW 13.34.067. However, if the parent is not present at the shelter care hearing, or does not agree to the case conference, the court shall not include the requirement for the case conference in the shelter care order.

(b) If the court orders a case conference, the shelter care order shall include notice to all parties and establish the date, time, and location of the case conference which shall be no later than thirty days before the fact-finding hearing.

(c) The court may order another conference, case staffing, or hearing as an alternative to the case conference required under RCW 13.34.067 so long as the conference, case staffing, or hearing ordered by the court meets all requirements under RCW 13.34.067, including the requirement of a written agreement specifying the services to be provided to the parent.

(7) A shelter care order issued pursuant to this section may be amended at any time with notice and hearing thereon. The shelter care decision of placement shall be modified only upon a showing of change in circumstances. No child may be placed in shelter care for longer than thirty days without an order, signed by the judge, authorizing continued shelter care.

(8) (a) If a child is returned home from shelter care a second time in the case, or if the supervisor of the caseworker deems it necessary, the multidisciplinary team may be reconvened.

(((5))) (i) The court shall consider whether nonconformance with any conditions resulted from circumstances beyond the control of the parent, guardian, or legal custodian and give weight to that fact before ordering return of the child to shelter care.

((g))) (8)(b) If a child is returned home from shelter care a second time in the case a law enforcement officer must be present and file a report to the department.

Sec. 7. RCW 13.34.110 and 2001 c 332 s 7 are each amended to read as follows:

(1) The court shall hold a fact-finding hearing on the petition and, unless the court dismisses the petition, shall make written findings of fact, stating the reasons therefor. The rules of evidence shall apply at the fact-finding hearing and the parent, guardian, or legal custodian of the child shall have all of the rights provided in RCW 13.34.090(1). The petitioner shall have the burden of establishing by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030.

(2) The court in a fact-finding hearing may consider the history of past involvement of child protective services or law enforcement
agencies with the family for the purpose of establishing a pattern of conduct, behavior, or inaction with regard to the health, safety, or welfare of the child on the part of the child’s parent, guardian, or legal custodian, or for the purpose of establishing that reasonable efforts have been made by the department to prevent or eliminate the need for removal of the child from the child’s home. No report of child abuse or neglect that has been destroyed or expunged under RCW 26.44.031 may be used for such purposes.

(ii) The parent, guardian, or legal custodian of the child may waive his or her right to a fact-finding hearing by stipulating or agreeing to the entry of an order of dependency establishing that the child is dependent within the meaning of RCW 13.34.030. The parent, guardian, or legal custodian may also stipulate or agree to an order of disposition pursuant to RCW 13.34.130 at the same time. Any stipulated or agreed order of dependency or disposition must be signed by the parent, guardian, or legal custodian and his or her attorney, unless the parent, guardian, or legal custodian has waived his or her right to an attorney in open court, and by the petitioner and the attorney, guardian ad litem, or court-appointed special advocate for the child, if any. If the department of social and health services is not the petitioner and is required by the order to supervise the placement of the child or provide services to any party, the department must also agree to and sign the order.

(b) Entry of any stipulated or agreed order of dependency or disposition is subject to approval by the court. The court shall receive and review a social study before entering a stipulated or agreed order and shall consider whether the order is consistent with the allegations of the dependency petition and the problems that necessitated the child’s placement in out-of-home care. No social file or social study may be considered by the court in connection with the fact-finding hearing or prior to factual determination, except as otherwise admissible under the rules of evidence.

(c) Prior to the entry of any stipulated or agreed order of dependency, the parent, guardian, or legal custodian of the child and his or her attorney must appear before the court and the court and within available resources must inquire and establish on the record that:

(i) The parent, guardian, or legal custodian understands the terms of the order or orders he or she has signed, including his or her responsibility to participate in remedial services as provided in any disposition order;

(ii) The parent, guardian, or legal custodian understands that entry of the order starts a process that could result in the filing of a petition to terminate his or her relationship with the child within the time frames required by state and federal law if he or she fails to comply with the terms of the dependency or disposition orders or fails to substantially remedy the problems that necessitated the child’s placement in out-of-home care;

(iii) The parent, guardian, or legal custodian understands that the entry of the stipulated or agreed order of dependency is an admission that the child is dependent within the meaning of RCW 13.34.030 and shall have the same legal effect as a finding by the court that the child is dependent by at least a preponderance of the evidence, and that the parent, guardian, or legal custodian shall not have the right in any subsequent proceeding for termination of parental rights or dependency guardianship pursuant to this chapter or nonparental custody pursuant to chapter 26.10 RCW to challenge or dispute the fact that the child was found to be dependent; and

(iv) The parent, guardian, or legal custodian knowingly and willingly stipulated and agreed to and signed the order or orders, without duress, and without misrepresentation or fraud by any other party.

If a parent, guardian, or legal custodian fails to appear before the court after stipulating or agreeing to entry of an order of dependency, the court may enter the order upon a finding that the parent, guardian, or legal custodian had actual notice of the right to appear before the court and chose not to do so. The court may require other parties to the order, including the attorney for the parent, guardian, or legal custodian, to appear and advise the court of the parent’s, guardian’s, or legal custodian’s notice of the right to appear and understanding of the factors specified in this subsection. A parent, guardian, or legal custodian may choose to waive his or her presence at the in-court hearing for entry of the stipulated or agreed order of dependency by submitting to the court through counsel a completed stipulated or agreed dependency fact-finding/disposition statement in a form determined by the Washington state supreme court pursuant to General Rule GR 9 (d).

(4) Immediately after the entry of the findings of fact, the court shall hold a disposition hearing, unless there is good cause for continuing the matter for up to fourteen days. If good cause is shown, the case may be continued for longer than fourteen days. Notice of the time and place of the continued hearing may be given in open court. If notice in open court is not given to a party, that party shall be notified by certified mail of the time and place of any continued hearing. Unless there is reasonable cause to believe the health, safety, or welfare of the child would be jeopardized or efforts to reunite the parent and child would be hindered, the court shall direct the department to notify those adult persons who: (a) Are related by blood or marriage to the child in the following degrees: Parent, grandparent, brother, sister, stepparent, stepbrother, stepsister, uncle, or aunt; (b) are known to the department as having been in contact with the family or child within the past twelve months; and (c) would be an appropriate placement for the child. Reasonable cause to dispense with notification to a parent under this section must be proved by clear, cogent, and convincing evidence. Notice of the time, place, and purpose of the disposition hearing if the parties, their attorneys, the guardian ad litem, and court-appointed special advocates, if any, are all in agreement.

Sec. 8. RCW 13.34.136 and 2004 c 146 s 1 are each amended to read as follows:

(1) Whenever a child is ordered removed from the child’s home, a permanency plan shall be developed no later than sixty days from the time the supervising agency assumes responsibility for providing services, including placing the child, or at the time of a hearing under RCW 13.34.130, whichever occurs first. The permanency planning process continues until a permanency planning goal is achieved or dependency is dismissed. The planning process shall include reasonable efforts to return the child to the parent’s home.

(2) The agency (charged with his or her care shall provide the court with) supervising the dependency shall submit a written permanency plan to all parties and the court not less than fourteen days prior to the scheduled hearing. Responsive reports of parties not in agreement with the supervising agency’s proposed permanency plan must be provided to the supervising agency, all other parties, and the court at least seven days prior to the hearing.

The permanency plan shall include:

(a) A permanency plan of care that shall identify one of the following outcomes as a primary goal and may identify additional outcomes as alternative goals: Return of the child to the home of the child’s parent, guardian, or legal custodian; adoption; guardianship; permanent legal custody; long-term relative or foster care, until the child is age eighteen, with a written agreement between the parties and the care provider; successful completion of a responsible living skills program; or independent living, if appropriate and if the child is age sixteen or older. The department shall not discharge a child to an independent living situation before the child is eighteen years of age unless the child becomes emancipated pursuant to chapter 13.64 RCW;

(b) Unless the court has ordered, pursuant to RCW 13.34.130(4), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to return the child home, what steps the agency will take to promote existing appropriate sibling relationships and or facilitate placement together or contact in accordance with the best interests of each child, and what actions the agency will take to maintain parent-child ties. All aspects of the plan shall include the goal of achieving permanence for the child.

(i) The agency plan shall specify what services the parents will be offered in order to enable them to reunite, custody, what requirements the parents must meet to reunite, and a time limit for each service plan and parental requirement.

(ii) Visitation is the right of the family, including the child and the parent, in cases in which visitation is in the best interest of the child. Early, consistent, and frequent visitation is crucial for maintaining parent-child relationships and making it possible for parents and children to safely reunite. The agency shall encourage
the maximum parent and child and sibling contact possible, when it is in the best interest of the child, including regular visitation and participation by the parents in the care of the child while the child is in placement. Visitation shall not be limited as a sanction for a parent's failure to comply with court orders or services where the health, safety, or welfare of the child is not at risk as a result of the visitation. Visitation may be limited or denied only if the court determines that such limitation or denial is necessary to protect the child's health, safety, or welfare. The court and the agency should rely upon community resources, relatives, foster parents, and other appropriate persons to provide transportation and supervision for visitation to the extent that such resources are available, and appropriate, and the child's safety would not be compromised.

(iii) A child shall be placed as close to the child's home as possible, preferably in the child's own neighborhood, unless the court finds that placement at a greater distance is necessary to promote the child's or parents' well-being.

(iv) Unless it is not in the best interests of the child, the plan should ensure the child remains enrolled in the school the child was attending at the time the child entered foster care.

The agency charged with supervising a child in placement shall provide all reasonable services that are available within the agency, or within the community, or those services which the department has existing contracts to purchase. It shall report to the court if it is unable to provide such services; and

(c) If the court has ordered, pursuant to RCW 13.34.130(4), that a termination petition be filed, a specific plan as to where the child will be placed, what steps will be taken to achieve permanency for the child, services to be offered or provided to the child, and, if visitation would be in the best interests of the child, a recommendation to the court regarding visitation between parent and child pending a fact-finding hearing on the termination petition. The agency shall not be required to develop a plan of services for the parents or provide services to the parents if the court orders a termination petition be filed. However, reasonable efforts to ensure visitation and contact between siblings shall be made unless there is reasonable cause to believe the best interests of the child or siblings would be jeopardized.

(3) Permanency planning goals should be achieved at the earliest possible date, preferably before the child has been in out-of-home care for fifteen months. In cases where parental rights have been terminated, the child is legally free for adoption, and adoption has been identified as the primary permanency planning goal, it shall be a goal to complete the adoption within six months following entry of the termination order.

(d) If the court determines that the continuation of reasonable efforts to provide services to the family to eliminate the need to remove the child from his or her home or to safely return the child home should not be part of the permanency plan of care for the child, reasonable efforts shall be made to place the child in a timely manner and to complete whatever steps are necessary to finalize the permanent placement of the child.

(5) The identified outcomes and goals of the permanency plan may change over time based upon the circumstances of the particular case.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(b) When any person, in his or her official supervisory capacity with a nonprofit or for-profit organization, has reasonable cause to believe that a child has suffered abuse or neglect caused by a person over whom he or she regularly exercises supervisory authority, he or she shall report such incident or cause a report to be made, to the proper law enforcement agency, provided that the person alleged to have caused the abuse or neglect is employed by, contracted by, or volunteers with the organization and coaches, trains, educates, or counsels a child or children or regularly has unsupervised access to a child or children as part of the employment, contract, or voluntary service. No one shall be required to report under this section when he or she obtains the information solely as a result of a privileged communication as provided in RCW 5.60.060.

Nothing in this subsection (1)(b) shall limit a person's duty to report under (a) of this subsection.

For the purposes of this subsection, the following definitions apply:

(i) "Official supervisory capacity" means a position, status, or role created, recognized, or designated by any nonprofit or for-profit organization, whether for financial gain or without financial gain, whose scope includes, but is not limited to, overseeing, directing, or managing another person who is employed by, contracted by, or volunteers with the nonprofit or for-profit organization.

(ii) "Regularly exercises supervisory authority" means to act in his or her official supervisory capacity on an ongoing or continuing basis with regards to a particular person.

(c) The reporting requirement also applies to department of corrections personnel who, in the course of their employment, observe offenders or the children with whom the offenders are in contact. If, as a result of observations or information received in the course of his or her employment, any department of corrections personnel has reasonable cause to believe that a child has suffered abuse or neglect, he or she shall report the incident, or cause a report to be made, to the proper law enforcement agency or to the department as provided in RCW 26.44.040.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bleeding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The report must be made at the first opportunity, but in no case later than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall
notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the law enforcement agency.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct such planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be removed from the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;
(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or
(c) The department has a prior founded report of abuse or neglect to a member of the household that is within three years of receipt of the referral.

(11) (a) For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.040 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.
(b) If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has caused or neglected the child, the department shall adopt the finding in its investigation.

(12) In conducting an investigation of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. Parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation.

(11) Upon receiving a report of alleged child abuse and neglect, the department or investigating law enforcement agency;

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(13) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases (constituting) of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(14) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(15) The department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of child abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;
(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or
(c) The department has a prior founded report of abuse or neglect to a member of the household that is within three years of receipt of the referral.

Sec. 15. RCW 26.44.031 and 1997 c 282 s 1 are each amended to read as follows:

(1) To protect the privacy in reporting and the maintenance of reports of nonaccidental injury, neglect, death, sexual abuse, and cruelty to children by their parents, and to safeguard against arbitrary, malicious, or erroneous information or actions, the department shall not disclose or maintain information related to (unfounded referrals) reports of child abuse or neglect ((for longer than six years)) except as provided in this section or as otherwise required by state and federal law.

(2) The department shall destroy all of its records concerning:
(a) A screened-out report, within three years from the receipt of the report; and

(b) An unfounded or inconclusive report, within six years of completion of the investigation, unless a prior or subsequent founded report has been received regarding the child who is the subject of the report, a sibling or half-sibling of the child, or a parent, guardian, or legal custodian of the child before the records are destroyed.

(3) The department may keep records concerning founded reports of child abuse or neglect as the department determines by rule.

(b) "High-risk behavior" means an observed or reported and documented history of one or more of the following:

(i) Suicide attempts or suicidal behavior or ideation;

(ii) Self-mutilation or similar self-destructive behavior;

(iii) Fire-setting or a developmentally inappropriate fascination with fire;

(c) "Physically assaultive or physically aggressive" means a child who exhibits one or more of the following behaviors that are developmentally inappropriate and harmful to the child or to others:

(i) Observed assaultive behavior;

(ii) Reported and documented history of the child willfully assaulting or inflicting bodily harm; or

(iii) Attempting to assault or inflict bodily harm on other children or adults under circumstances where the child has the apparent ability or capability to carry out the attempted assaults including threats to use a weapon.

NEW SECTION. Sec. 17. A new section is added to chapter 74.15 RCW to read as follows:

(1) A care provider may not be found to have abused or neglected a child under chapter 26.44 RCW or be denied a license pursuant to chapter 74.15 RCW and RCW 74.13.031 for any allegations of failure to supervise wherein:

(a) The allegations arise from the child's conduct that is substantially similar to prior behavior of the child, and:

(i) The child is a sexually reactive youth, exhibits high-risk behaviors, or is physically assaultive or physically aggressive as defined in RCW 74.13.280, and this information and the child's prior behavior was not disclosed to the care provider as required by RCW 74.13.280; and

(ii) The care provider did not know or have reason to know that the child needed supervision as a sexually reactive or physically assaultive or physically aggressive youth, or because of a documented history of high-risk behaviors, as a result of the care provider's involvement with or independent knowledge of the child or training and experience; or

(b) The child was not within the reasonable control of the care provider at the time of the incident that is the subject of the allegation, and the care provider was acting in good faith and did not know or have reason to know that reasonable control or supervision of the child was necessary to prevent harm or risk of harm to the child or other persons.

(2) Allegations of child abuse or neglect that meet the provisions of this section shall be designated as "unfounded" as defined in RCW 26.44.020.

Sec. 18. RCW 74.15.130 and 2006 c 265 s 404 are each amended to read as follows:

(1) An agency may be denied a license, or any license issued pursuant to chapter 74.15 RCW and RCW 74.13.031 may be suspended, revoked, modified, or not renewed by the secretary upon proof (a) that the agency has failed or refused to comply with the provisions of chapter 74.15 RCW and RCW 74.13.031 or the requirements promulgated pursuant to the provisions of chapter 74.15 RCW and RCW 74.13.031; or (b) that the conditions required for the issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such license.

RCW 43.20A.205 governs notice of a license denial, revocation, suspension, or modification and provides the right to an adjudicative proceeding.

(2) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of a foster family home license, the department's decision shall be upheld if there is reasonable cause to believe that:

(a) The applicant or licensee lacks the character, suitability, or competence to care for children placed in out-of-home care, however, no unfounded, inconclusive, or screened-out report of child abuse or neglect may be used to deny employment or a license; or

(b) The applicant or licensee has failed or refused to comply with any provision of chapter 74.15 RCW, RCW 74.13.031, or the requirements adopted pursuant to such provisions; or
(c) The conditions required for issuance of a license under chapter 74.15 RCW and RCW 74.13.031 have ceased to exist with respect to such licensing.

(3) In any adjudicative proceeding regarding the denial, modification, suspension, or revocation of any license under this chapter, other than a foster family home license, the department's decision shall be upheld if it is supported by a preponderance of the evidence.

(4) The department may assess civil monetary penalties upon proof that an agency has failed or refused to comply with the rules adopted under the provisions of this chapter and RCW 74.13.031 or that an agency subject to licensing under this chapter and RCW 74.13.031 is operating without a license except that civil monetary penalties shall not be levied against a licensed foster home. Monetary penalties levied against unlicensed agencies that submit an application for licensure within thirty days of notification and subsequently become licensed will be forgiven. These penalties may be assessed in addition to or in lieu of other disciplinary actions. Civil monetary penalties, if imposed, may be assessed and collected, with interest, for each day an agency is or was out of compliance. Civil monetary penalties shall not exceed two hundred fifty dollars per violation for group homes and child-placing agencies. Each day upon which the same or substantially similar action occurs is a separate violation subject to the assessment of a separate penalty. The department shall provide a notification period before a monetary penalty is effective and may forgive the penalty levied if the agency comes into compliance during this period. The department may suspend, revoke, or not renew a license for failure to pay a civil monetary penalty it has assessed pursuant to this chapter within ten days after such assessment becomes final. Chapter 43.20A RCW governs notice of a civil monetary penalty and provides the right of an adjudicative proceeding. The preponderance of evidence standard shall apply in adjudicative proceedings related to assessment of civil monetary penalties.

Sec. 19. RCW 74.13.650 and 2006 c 353 s 2 are each amended to read as follows:

NEW SECTION. Sec. 22. A new section is added to chapter 26.44 RCW to read as follows:

Thomas Hoemann, Secretary
SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to ENGROSSED SUBSTITUTE HOUSE BILL NO. 1624 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 4, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1694 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 47.06B.010 and 1999 c 385 s 1 are each amended to read as follows:

The legislature finds that transportation systems for persons with special needs are not operated as efficiently as possible. In many cases, programs established by the legislature to assist persons with special needs can not be accessed due to these inefficiencies and coordination barriers.

It is the intent of the legislature that public transportation agencies, pupil transportation programs, private nonprofit transportation providers, and other public agencies sponsoring programs that require transportation services coordinate those transportation services. Through coordination of transportation services, programs will achieve increased efficiencies and will be able to provide more rides to a greater number of persons with special needs.

Sec. 2. RCW 47.06B.020 and 1998 c 173 s 2 are each amended to read as follows:

1. The agency council on coordinated transportation is created. The council is composed of ten voting members and four nonvoting, legislative members.

2. The ten voting members are the superintendent of public instruction or a designee, the secretary of transportation or a designee, the secretary of the department of social and health services or a designee, and seven members appointed by the governor as follows:
   (a) One representative from the office of the governor;
   (b) (Two) Three persons who are consumers of special needs transportation services, which must include:
      (i) One person designated by the executive director of the governor's committee on disability issues and employment; and
      (ii) One person who is designated by the executive director of the developmental disabilities council;
   (c) One representative from the Washington association of pupil transportation;
   (d) One representative from the Washington state transit association; and
   (e) One of the following:
      (i) A representative from the community transportation association of the Northwest; or
      (ii) A representative from the community action council association.

3. The four nonvoting members are legislators as follows:
   (a) (Four) Two members from the house of representatives, one from each of the two largest caucuses, appointed by the speaker of the house of representatives, including at least one member from the house transportation policy and budget committee or the house appropriations committee; and
   (b) (Four) Two members from the senate, one from each of the two largest caucuses, appointed by the president of the senate, or the senate ways and means committee.

4. Gubernatorial appointees of the council will serve two-year terms. Members may not receive compensation for their service on the council, but will be reimbursed for actual and necessary expenses incurred in performing their duties as members as set forth in RCW 43.03.220.

5. The secretary of transportation or a designee shall serve as the chair.

6. The department of transportation shall provide necessary staff support for the council.

7. The council may receive gifts, grants, or endowments from public or private sources that are made from time to time, in trust or otherwise, for the use and benefit of the purposes of the council and spend gifts, grants, or endowments or income from the public or private sources according to their terms, unless the receipt of the gifts, grants, or endowments violates RCW 42.17.710.

8. The meetings of the council must be open to the public, with the agenda published in advance, and minutes kept and made available to the public. The public notice of the meetings must indicate that accommodations for persons with disabilities will be made available upon request.

9. All meetings of the council must be held in locations that are readily accessible to public transportation, and must be scheduled for times when public transportation is available.

10. The council shall make an effort to include presentations by and work sessions including persons with special transportation needs.

Sec. 3. RCW 47.06B.030 and 1999 c 385 s 5 are each reenacted and amended to read as follows:

1. To assure implementation of an effective system of coordinated transportation that meets the needs of persons with special transportation needs, the agency council on coordinated transportation shall:
   (i) Develop guidelines for local planning of coordinated transportation in accordance with this chapter;
   (ii) Initiate local planning processes by contacting the board of commissioners and county councils in each county and encouraging them to convene local planning forums for the purpose of implementing special needs coordinated transportation programs at the community level;
   (iii) Work with local community forums to designate a local lead organization that shall cooperate and coordinate with private and nonprofit transportation brokers and providers, local public transportation agencies, local governments, and user groups;
   (iv) Provide a forum at the state level in which state agencies will discuss and resolve coordinated systems and programs policy issues that may impact transportation coordination and costs;

The program shall be updated at least every two years for the ensuing six-year period.

6. Designate a lead planning agency to coordinate preparation of the regional transportation plan and carry out the other responsibilities of the organization. The lead planning agency may be a regional organization, a component county, city, or town agency, or the appropriate Washington state department of transportation district office.

8. Work with cities, counties, transit agencies, the department of transportation, and others to develop level of service standards or alternative transportation performance measures.

(2) In any prosecution for a violation of this chapter's requirements to obtain or possess a specialized forest products permit or true copy thereof, an authorization, sales invoice, or bill of lading, it is an affirmative defense, if established by the defendant by a preponderance of the evidence, that: (a) The specialized forest products were harvested from the defendant's own land; or (b) the specialized forest products were harvested with the permission of the landowner."

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to SUBSTITUTE HOUSE BILL NO. 1909 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 10, 2007

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 2070 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. In State v. Pillatos, 150 P.3d 1130 (2007), the Washington supreme court held that the changes made to the sentencing reform act concerning exceptional circumstances in chapter 68, Laws of 2005 do not apply to cases where the trials had already begun or guilty pleas had already been entered prior to the effective date of the act on April 15, 2005. The legislature intends that the superior courts shall have the authority to impanel juries to find aggravating circumstances in all cases that come before the courts for trial or sentencing, regardless of the date of the original trial or sentencing.

Sec. 2. RCW 9.94A.537 and 2005 c 68 s 4 are each amended to read as follows:

(1) At any time prior to trial or entry of the guilty plea if substantial rights of the defendant are not prejudiced, the state may give notice that it is seeking a sentence above the standard sentencing range. The notice shall state aggravating circumstances upon which the requested sentence will be based.

(2) In any case where an exceptional sentence above the standard range was imposed and where a new sentencing hearing is required, the superior court may impanel a jury to consider any alleged aggravating circumstances listed in RCW 9.94A.535(3), that were relied upon by the superior court in imposing the previous sentence, at the new sentencing hearing.

(3) The facts supporting aggravating circumstances shall be proved to a jury beyond a reasonable doubt. The jury's verdict on the aggravating factor must be unanimous, and by special interrogatory. If a jury is waived, proof shall be to the court beyond a reasonable doubt, unless the defendant stipulates to the aggravating facts. (((4))) (4) Evidence regarding any facts supporting aggravating circumstances under RCW 9.94A.535(3) (a) through (y) shall be presented to the jury during the trial of the alleged crime, unless the jury has been impaneled solely for resentencing, or unless the state alleges the aggravating circumstances listed in RCW 9.94A.535(3) (e)(iv), (b)(i), (o), or (l). If one of these aggravating circumstances is alleged, the trial court may conduct a separate proceeding if the evidence supporting the aggravating fact is not part of the res gestae of the charged crime, if the evidence is not otherwise admissible in

NINETY SEVENTH DAY, APRIL 14, 2007
trial of the charged crime, and if the court finds that the probative value of the evidence to the aggravated fact is substantially outweighed by its prejudicial effect on the jury's ability to determine guilt or innocence for the underlying crime.

((45)) (5) If the superior court conducts a separate proceeding to determine the existence of aggravating circumstances listed in RCW 9.94A.535(3) (e)(iv), (b)(1), (o), or (l), the proceeding shall immediately follow the trial on the underlying conviction, if possible. If any person who served on the jury is unable to continue, the court shall substitute an alternate juror.

((46)) (6) If the jury finds, unanimously and beyond a reasonable doubt, one or more of the facts alleged by the state in support of an aggravated sentence, the court may sentence the offender pursuant to RCW 9.94A.535 to a term of confinement up to the maximum allowed under RCW 9A.20.021 for the underlying conviction if it finds, considering the purposes of this chapter, that the facts found are substantial and compelling reasons justifying an exceptional sentence.

Sec. 3. RCW 9.94A.030 and 2006 c 139 s 5, 2006 c 124 s 1, 2006 c 122 s 7, and 2006 c 73 s 5 are each reenacted and amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the indeterminate sentence review board created under chapter 9.95 RCW.

(2) "Collect," or any derivative thereof, "collect and remit," or "collect and deliver," when used with reference to the department means that the department, either directly or through a collection agreement authorized by RCW 9.94A.760, is responsible for monitoring and enforcing the offender's sentence with regard to the legal financial obligation, receiving payment thereof from the offender, and, consistent with current law, delivering daily the entire payment to the superior court clerk without depositing it in a departmental account.

(3) "Commission" means the sentencing guidelines commission.

(4) "Community corrections officer" means an employee of the department who is responsible for carrying out specific duties in supervision of sentenced offenders and monitoring of sentence conditions.

(5) "Community custody" means that portion of an offender's sentence of confinement in lieu of earned release time or imposed pursuant to RCW 9.94A.505(2)(b), 9.94A.650 through 9.94A.670, 9.94A.690, 9.94A.700 through 9.94A.715, or 9.94A.545, served in the community subject to controls placed on the offender's movement and activities by the department. For offenders placed on community custody, as weighed by its prejudicial effect on the jury's ability to determine guilt or innocence for the underlying conviction, if it finds, considering the purposes of this chapter, that the facts found are substantial and compelling reasons justifying an exceptional sentence.

(6) "Community custody range" means the minimum and maximum period of community custody included as part of a sentence under RCW 9.94A.715, as established by the commission or the legislature under RCW 9.94A.850, for crimes committed on or after July 1, 2000.

(7) "Community placement" means that period during which the offender is subject to the conditions of community custody and/or postrelease supervision, which begins either upon completion of the term of confinement (postrelease supervision) or at such time as the offender is transferred to community custody in lieu of earned release. Community placement may consist of entirely community custody, entirely postrelease supervision, or a combination of the two.

(8) "Community protection zone" means the area within eight hundred eighty feet of the facilities and grounds of a public or private school.

(9) "Community restitution" means compulsory service, without compensation, performed for the benefit of the community by the offender.

(10) "Community supervision" means a period of time during which a convicted offender is subject to crime-related prohibitions and other sentence conditions imposed by a court pursuant to this chapter or RCW 16.52.200(6) or 46.61.524. Where the court finds that any offender has a chemical dependency that has contributed to his or her offense, the conditions of supervision may, subject to available resources, include treatment. For purposes of the interstate compact for out-of-state supervision of parolees and probationers, RCW 9.95.270, community supervision is the functional equivalent of probation and should be considered the same as probation by other states.

(11) "Confinement" means total or partial confinement.

(12) "Conviction" means an adjudication of guilt pursuant to Titles 10 or 13 RCW and includes a verdict of guilty, a finding of guilty, and acceptance of a plea of guilty.

(13) "Crime-related prohibition" means an order of a court prohibiting conduct that directly relates to the circumstances of the crime for which the offender has been convicted, and shall not be construed to mean orders directing an offender affirmatively to participate in rehabilitative programs or to otherwise perform affirmative conduct. However, affirmative acts necessary to monitor compliance with the order of a court may be required by the department.

(14) "Criminal history" means the list of a defendant's prior convictions and juvenile adjudications, whether in this state, in federal court, or elsewhere.

(a) The history shall include, where known, for each conviction (i) whether the defendant has been placed on probation and the length and terms thereof; and (ii) whether the defendant has been incarcerated and the length of incarceration.

(b) A conviction may be removed from a defendant's criminal history only if it is vacated pursuant to RCW 9.96.060, 9.94A.640, 9.95.240, or a similar out-of-state statute, or if the conviction has been vacated pursuant to a governor's pardon.

(c) The determination of a defendant's criminal history is distinct from the determination of an offender score. A prior conviction that was not included in an offender score calculated pursuant to a former version of the sentencing reform act remains part of the defendant's criminal history.

(15) "Day fine" means a fine imposed by the sentencing court that equals the difference between the offender's net daily income and the reasonable obligations that the offender has for the support of the offender and any dependents.

(16) "Day reporting" means a program of enhanced supervision designed to monitor the offender's daily activities and compliance with sentence conditions, and in which the offender is required to report daily to a specific location designated by the department or the sentencing court.

(17) "Department" means the department of corrections.

(18) "Determinate sentence" means a sentence that states with exactitude the number of actual years, months, or days of total confinement, of partial confinement, of community supervision, the number of actual hours or days of community restitution work, or dollars or terms of a legal financial obligation. The fact that an offender through earned release can reduce the actual period of confinement shall not affect the classification of the sentence as a determinate sentence.

(19) "Disposable earnings" means that part of the earnings of an offender remaining after the deduction from those earnings of any amount required by law to be withheld. For the purposes of this definition, "earnings" means compensation paid or payable for personal services, whether denominated as wages, salary, commission, bonuses, or otherwise, and, notwithstanding any other provision of law making the payments exempt from garnishment, attachment, or other process to satisfy a court-ordered legal financial obligation, specifically includes periodic payments pursuant to pension or retirement programs, or insurance policies of any type, but does not include payments made under Title 50 RCW, except as provided in RCW 50.40.020 and 50.40.050, or Title 74 RCW.

(21) "Drug offense" means:
(a) Any felony violation of chapter 69.50 RCW except possession of a controlled substance (RCW 69.50.4013) or forged prescription for a controlled substance (RCW 69.50.403);
(b) Any offense defined as a felony under federal law that relates to the possession, manufacture, distribution, or transportation of a controlled substance; or

(22) "Earned release" means earned release from confinement as provided in RCW 9.94A.728.

(23) "Escape" means:
(a) Sexually violent predator escape (RCW 9A.76.115), escape in the first degree (RCW 9A.76.110), escape in the second degree (RCW 9A.76.120), willful failure to return from furlough (RCW 72.65.070), or willful failure to be available for supervision by the department while in community custody (RCW 72.09.310); or
(b) Any federal or out-of-state conviction for an offense that under the laws of this state would be a felony classified as an escape under (a) of this subsection.

(24) "Felony traffic offense" means:
(a) Vehicular homicide (RCW 46.61.520), vehicular assault (RCW 46.61.522), eluding a police officer (RCW 46.61.024), felony hit-and-run injury-accident (RCW 46.52.020(4)), felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)); or

(25) "Fine" means a specific sum of money ordered by the sentencing court to be paid by the offender to the court over a specific period of time.

(26) "First-time offender" means any person who has no prior convictions for a felony and is eligible for the first-time offender waiver under RCW 9.94A.650.

(27) "Home detention" means a program of partial confinement available to offenders wherein the offender is confined in a private residence subject to electronic surveillance.

(28) "Legal financial obligation" means a sum of money that is ordered by a superior court of the state of Washington for legal financial obligations which may include restitution to the victim, statutorily imposed crime victims' compensation fees as assessed pursuant to RCW 7.68.035, court costs, counties or interlocal drug funds, court-appointed attorneys' fees, and costs of defense, fines, and any other financial obligation that is assessed to the offender as a result of a felony conviction. Upon conviction for vehicular assault while under the influence of intoxicating liquor or any drug, RCW 46.61.522(1)(b), or vehicular homicide while under the influence of intoxicating liquor or any drug, RCW 46.61.520(1)(a), legal financial obligations may also include payment to a public agency of the expense of an emergency response to the incident resulting in the conviction, subject to RCW 38.52.430.

(29) "Most serious offense" means any of the following felonies or a felony attempt to commit any of the following felonies:

POINT OF ORDER

Representative Springer requested a scope and object ruling on the Senate amendment to ENGROSSED HOUSE BILL NO. 2070.

SPEAKER'S RULING

Mr. Speaker (Representative Lovick presiding): "Engrossed House Bill No. 2070 is titled AN ACT relating to "exceptional sentences". The bill as passed by the House grants superior courts authority to empanel a jury in new trials and sentencing hearings for purposes of imposing exceptional sentences above the standard range.

The Senate amendment revises the House provisions regarding the authority to empanel juries for such purposes, and in addition creates a Task Force on Sentencing of Persistent Offenders, and adds an offense to the definition of most serious offenses for purposes of persistent offender sentencing.

Those parts of the Senate amendment relating to persistent offenders do not fit within the title of "exceptional sentences" and are unrelated to the bill's purpose in granting statutory authority to courts to empanel juries to consider exceptional sentences.

The Speaker therefore finds that the Senate amendment is beyond the scope and objection of the House bill.

Representative Springer, your point of order is well taken."

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to ENGROSSED HOUSE BILL NO. 2070 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 4, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2358 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION, Sec. 1. The legislature finds from the 2006 Washington state ferries financing study that the state has limited information on state ferry users and markets. Accurate user and market information is vital in order to find ways to maximize the ferry systems' current capacity and to make the most efficient use of citizens' tax dollars. Therefore, it is the intent of the legislature that Washington state ferries be given the tools necessary to maximize existing capacity and to make the most efficient use of existing assets and tax dollars.

Sec. 2. RCW 47.06.140 and 1998 c 171 s 7 are each amended to read as follows:

(1) The legislature declares the following transportation facilities and services to be of statewide significance: The interstate highway system, interregional state principal arterials including ferry connections that serve statewide travel, intercity passenger rail services, intercity high-speed ground transportation, major passenger intermodal terminals excluding all airport facilities and services, the freight railroad system, the Columbia/Snake navigable river system, marine port facilities and services that are related solely to marine activities affecting international and interstate trade, and high-capacity transportation systems serving regions as defined in RCW 81.104.015. The department, in cooperation with regional transportation planning organizations, counties, cities, transit agencies, public ports, private railroad operators, and private..."
transportation providers, as appropriate, shall plan for improvements to transportation facilities and services of statewide significance in the statewide multimodal plan. Improvements to facilities and services of statewide significance identified in the statewide multimodal plan are essential state public facilities under RCW 36.70A.200.

(2) The department of transportation, in consultation with local governments, shall set level of service standards for state highways and state ferry routes of statewide significance. Although the department shall consult with local governments when setting level of service standards, the department retains authority to make final decisions regarding level of service standards for state highways and state ferry routes of statewide significance. In establishing level of service standards for state highways and state ferry routes of statewide significance, the department shall consider the necessary balance between providing for the free interjurisdictional movement of people and goods and the needs of local communities using these facilities. When setting the level of service standards under this section for state ferry routes, the department may allow for a standard that is adjustable for seasonality.

(2) The commission may adopt by rule fares that are effective for more or less than one year for the purposes of transitioning to the fare and schedule in subsection (1) of this section.

(3) The commission may increase ferry fares included in the schedule of charges adopted under this section by a percentage that exceeds the fiscal growth factor.

(4) The chief executive officer of the ferry system may authorize the use of promotional, discounted, and special event fares to the general public and commercial enterprises for the purpose of maximizing capacity use and the revenues collected by the ferry system. The department shall report to the commission a summary of the promotional, discounted, and special event fares offered during each fiscal year and the financial results from these activities.

(5) Fare revenues and other revenues deposited in the Puget Sound ferry operations account created in RCW 47.60.530 may not be used to support the Puget Sound capital construction account created in RCW 47.60.505, unless the support for capital is separately identified in the fare.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to ENGROSSED SUBSTITUTE HOUSE BILL NO. 2358 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 5, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1029 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1.  RCW 19.112.010 and 2006 c 338 s 15 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Alcohol fuel" means any alcohol made from a product other than petroleum or natural gas that is used alone or in combination with gasoline or other petroleum products for use as a fuel in self-propelled motor vehicles.

(2) "Alternative fuel" means all products or energy sources used to propel motor vehicles, other than conventional gasoline, diesel, or reformulated gasoline.  Alternative fuel includes, but is not limited to, liquefied petroleum gas, liquefied natural gas, compressed natural gas, biodiesel fuel, E85 motor fuel, fuels containing seventy percent or more by volume of alcohol fuel, fuels that are derived from biomass, hydrogen fuel, anhydrous ammonia fuel, nonhazardous motor fuel, or electricity, excluding onboard electric generation.

(3) "Biodiesel fuel" means the monoalkyl esters of long chain fatty acids derived from plant or animal matter that meet the registration requirements for fuels and fuel additives established by the federal environmental protection agency and standards established by the American society of testing and materials.

(4) "Diesel means special fuel as defined in RCW 82.38.020, and diesel fuel dyed in accordance with the regulations in 26 C.F.R. Sec. 48.4082-1T as of October 24, 2005.

(5) "Director" means the director of agriculture.

(6) "E85 motor fuel" means an alternative fuel that is a blend of ethanol and hydrocarbon of which the ethanol portion is nominally seventy-five to eighty-five percent denatured fuel ethanol by volume that complies with the most recent version of American society of testing and materials specification D 5798.

(7) "Motor fuel" means any liquid product used for the generation of power in an internal combustion engine used for the propulsion of a motor vehicle upon the highways of this state, and any biodiesel fuel. Motor fuels containing ethanol may be marketed, if either (a) the base motor fuel meets the applicable standards before the addition of the ethanol or (b) the resultant blend meets the applicable standards after the addition of the ethanol.

(8) "Nonhazardous motor fuel" means any fuel of a type distributed for use in self-propelled motor vehicles that does not contain a hazardous liquid as defined in RCW 19.122.020.

Sec. 2.  RCW 19.112.120 and 2006 c 338 s 3 are each amended to read as follows:

(1) By December 1, 2008, motor vehicle fuel licensees under chapter 82.36 RCW, other than motor vehicle fuel distributors, shall provide evidence to the department of licensing that at least two percent of the total gasoline sold in Washington, measured on a quarterly basis, is denatured ethanol.

(2) If the director of ecology determines that ethanol content greater than two percent of the total gasoline sold in Washington will not jeopardize continued attainment of the federal clean air act's national ambient air quality standard for ozone pollution in Washington and the director of agriculture determines and publishes this determination in the Washington State Register that sufficient raw materials are available within Washington to support economical production of ethanol at higher levels, the director of agriculture may require by rule that licensees provide evidence to the department of licensing that denatured ethanol comprises between two percent and at least ten percent of total gasoline sold in Washington, measured on a quarterly basis.

(3) The requirements of subsections (1) and (2) of this section shall take effect no sooner than one hundred eighty days after the determination has been published in the Washington State Register.

(4) The director and the director of licensing shall each adopt rules, in coordination with each other, for enforcing and carrying out the purposes of this section.

(5) Nothing in this section is intended to prohibit the production, sale, or use of motor fuel for use in federally designated flexibly fueled vehicles capable of using ((up to eighty-five percent ethanol fuel blends)) E85 motor fuel. Nothing in this section is intended to limit the use of high octane gasoline not blended with ethanol for use in aircraft.

Sec. 3.  RCW 82.04.4334 and 2003 c 63 s 1 are each amended to read as follows:

(1) In computing tax there may be deducted from the measure of tax amounts received from the retail sale, or for the distribution, of:
(a) Biodiesel fuel; or
(b) (“Alcohol fuel blend” means fuel that contains at least eighty-five percent of the volume of the fuel being sold or distributed) E85 motor fuel.

(2) For the purposes of this section and RCW 82.08.955 and 82.12.955, the following definitions apply:

(a) “Biodiesel fuel” means a mono alkyl ester of long chain fatty acids derived from vegetable oils or animal fats for use in compression-ignition engines and that meets the requirements of the American society of testing and materials specification D 6751 in effect as of January 1, 2003.

(b) (“Alcohol fuel blend” means any alcohol made from a product other than petroleum or natural gas, which is used alone or in combination with gasoline or other petroleum products for use as a fuel for motor vehicles, farm implements and machinery, or implements of husbandry) “E85 motor fuel” means an alternative fuel that is a blend of ethanol and hydrocarbon of which the ethanol portion is nominally seventy-five to eighty-five percent denatured fuel ethanol by volume that complies with the most recent version of American society of testing and materials specification D 5798.

(c) “Distribution” means any of the actions specified in RCW 82.36.020(2).

(3) This section expires July 1, ((2009)) 2015.

Sec. 4. RCW 82.08.955 and 2003 c 63 s 2 are each amended to read as follows:

Structures and machinery and equipment that are used for the retail sale of a biodiesel (or alcohol fuel) blend or E85 motor fuel and for other purposes are exempt only on the portion used directly for the retail sale of a biodiesel (or alcohol fuel) blend or E85 motor fuel.

(2) The tax levied by RCW 82.08.020 does not apply to sales of fuel delivery vehicles or to sales of or charges made for labor and services rendered in respect to installing, repairing, cleaning, altering, or improving the vehicles including repair parts and replacement parts if at least seventy-five percent of the fuel distributed by the vehicles is a biodiesel (or alcohol fuel) blend or E85 motor fuel.

(3) A person taking the exemption under this section must keep records necessary for the department to verify eligibility under this section. The exemption is available only when the buyer provides the seller with an exemption certificate in a form and manner prescribed by the department. The seller shall retain a copy of the certificate for the seller’s files.

(4) For the purposes of this section, the definitions in RCW 82.04.4334 and this subsection apply.

(a) (“Alcohol fuel blend” means fuel that contains at least eighty-five percent of the volume of the fuel being sold or distributed) E85 motor fuel.

(b)) “Biodiesel blend” means fuel that contains at least eighty-five percent biodiesel fuel by volume.

(2) The provisions of this chapter do not apply in respect to the use of fuel delivery vehicles including repair parts and replacement parts and to services rendered in respect to installing, repairing, cleaning, altering, or improving the vehicles if at least seventy-five percent of the fuel distributed by the vehicles is a biodiesel or (“alcohol fuel blend”) E85 motor fuel.

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1131 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1)(a) The legislature finds that in Washington, there are more than seven thousand three hundred children in foster family or group care. These children face unique obstacles and burdens as they transition to adulthood, including lacking continuity in their elementary and high school educations. As compared to the general population of students, twice as many foster care youth change schools at least once during their elementary and secondary school careers, and three times as many change schools at least three times. Only thirty-four percent of foster care youth graduate from high school within four years, compared to seventy percent for the general population. Of the former foster care youth who earn a high school diploma, more than twenty-eight percent earn a GED instead of a traditional high school diploma. This is almost six times the rate of the general population. Research indicates that GED holders tend not to be as economically successful as the holders of traditional high school diplomas. Only twenty percent of former foster care youth who earn a high school degree enroll in college, compared to over sixty percent of the population generally. Of the former foster care youth who do enroll in college, very few go on to earn a degree. Less than two percent of former foster care youth hold bachelor's degrees, compared to twenty-eight percent of Washington's population generally.

(b) Former foster care youth face two critical hurdles to enrolling in college. The first is a lack of information regarding preparation for higher education and their options for enrolling in higher education. The second is finding the financial resources to fund their education. As a result of the unique hurdles and challenges that face former foster care youth, a disproportionate number of them are part of society's large group of marginalized youth and are at increased risk of continuing the cycle of poverty and violence that frequently plagues their families.

(c) Former foster care youth suffer from mental health problems at a rate greater than that of the general population. For example, one in four former foster care youth report having suffered from posttraumatic stress disorder within the previous twelve months, compared to only four percent of the general population. Similarly, the incidence of major depression among former foster care youth is twice that of the general population, twenty percent versus ten percent.

(d) There are other barriers for former foster care youth to achieving successful adulthood. One-third of former foster care youth live in households that are at or below the poverty level. This is three times the rate for the general population. The percentage of former foster care youth who report being homeless within one year of leaving foster care varies from over ten percent to almost twenty-five percent. By comparison, only one percent of the general population reports having been homeless at sometime during the past year. One in three former foster care youth lack health insurance, compared to less than one in five people in the general population. One in six former foster care youth receive cash public assistance. This is five times the rate of the general population.

(e) Approximately twenty-five percent of former foster care youth are incarcerated at sometime after leaving foster care. This is
NEW SECTION. Sec. 2. The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Cost of attendance" means the cost associated with attending a particular institution of higher education as determined by the higher education coordinating board, including but not limited to tuition, fees, room, board, books, personal expenses, and transportation, plus the cost of reasonable additional expenses incurred by an eligible student and approved by a financial aid administrator at the student's school of attendance.

(2) "Emancipated from foster care" means a person who was a dependent of the state in accordance with chapter 13.34 RCW and who was receiving foster care in the state of Washington when he or she reached his or her eighteenth birthday.

(3) "Financial need" means the difference between a student's cost of attendance and the student's total family contribution as determined by the method prescribed by the United States department of education.

(4) "Independent college or university" means a private, nonprofit institution of higher education, open to residents of the state, providing programs of education beyond the high school level and leading to at least the baccalaureate degree, and accredited by the Northwest association of schools and colleges, and other institutions as may be developed that are approved by the higher education coordinating board as meeting equivalent standards as those institutions accredited under this section.

(5) "Institution of higher education" means:

(a) Any public university, college, community college, or technical college operated by the state of Washington or any political subdivision thereof; or
(b) Any independent college or university in Washington; or
(c) Any other university, college, school, or institute in the state of Washington offering instruction beyond the high school level that is a member institution of an accrediting association recognized by rule of the higher education coordinating board for the purposes of this section: PROVIDED, That any institution, branch, extension, or facility operating within the state of Washington that is affiliated with an institution operating in another state must be a separately accredited member institution of any such accrediting association, or a branch of a member institution of an accrediting association recognized by rule of the board for purposes of this section, that is eligible for federal student financial aid assistance and has operated as a nonprofit college or university delivering on-site classroom instruction for a minimum of twenty consecutive years within the state of Washington, and has an annual enrollment of at least seven hundred full-time equivalent students.

(6) "Program" means the passport to college promise pilot program created in this chapter.

NEW SECTION. Sec. 3. The passport to college promise pilot program is created. The purpose of the program is:

(1) To encourage current and former foster care youth to prepare for, attend, and successfully complete higher education; and

(2) To provide current and former foster care youth with the educational planning, information, institutional support, and direct financial resources necessary for them to succeed in higher education.

NEW SECTION. Sec. 4. (1) The higher education coordinating board shall design and, to the extent funds are appropriated for this purpose, implement, a program of supplemental scholarship and student assistance for students who have emancipated from the state foster care system after having spent at least one year in care.

(2) The board shall convene and consult with an advisory committee to assist with program design and implementation. The committee shall include but not be limited to former foster care youth and their advocates; representatives from the state board for community and technical colleges, and from public and private agencies that assist current and former foster care recipients in their transition to adulthood; and student support specialists from public and private colleges and universities.

(3) To the extent that sufficient funds have been appropriated for this purpose, a student is eligible for assistance under this section if he or she:

(a) Emancipated from foster care on or after January 1, 2007, after having spent at least one year in foster care subsequent to his or her sixteenth birthday;
(b) Is a resident student, as defined in RCW 28B.15.012(2);
(c) Is enrolled with or will enroll on at least a half-time basis with an institution of higher education in Washington state by the age of twenty-one;
(d) Is making satisfactory academic progress toward the completion of a degree or certificate program, if receiving supplemental scholarship assistance;
(e) Has not earned a bachelor's or professional degree; and
(f) Is not pursuing a degree in theology.

(4) A passport to college scholarship under this section:

(a) Shall not exceed resident undergraduate tuition and fees at the highest-priced public institution of higher education in the state; and
(b) Shall not exceed the student's financial need, less a reasonable self-help amount defined by the board, when combined with all other public and private grant, scholarship, and waiver assistance the student receives.

(5) An eligible student may receive a passport to college scholarship under this section for a maximum of five years after the student first enrolled with an institution of higher education or until the student turns age twenty-six, whichever occurs first. If a student turns age twenty-six during an academic year, and would otherwise be eligible for a scholarship under this section, the student shall continue to be eligible for a scholarship for the remainder of the academic year.

(6) The higher education coordinating board, in consultation with and with assistance from the state board for community and technical colleges, shall perform an annual analysis to verify that those institutions of higher education at which students have received a scholarship under this section have awarded the student all available need-based and merit-based grant and scholarship aid for which the student qualifies.

(7) In designing and implementing the passport to college student support program under this section, the board, in consultation with and with assistance from the state board for community and technical colleges, shall ensure that a participating college or university:

(a) Has a viable plan for identifying students eligible for assistance under this section, for tracking and enhancing their academic progress, for addressing their unique needs for assistance during school vacations and academic interims, and for linking them to appropriate sources of assistance in their transition to adulthood;
(b) Receives financial and other incentives for achieving measurable progress in the recruitment, retention, and graduation of eligible students.

NEW SECTION. Sec. 5. Effective operation of the passport to college promise pilot program requires early and accurate identification of former foster care youth so that they can be linked to the financial and other assistance that will help them succeed in college. To that end:
NEW SECTION. Sec. 6. (1) To the extent funds are appropriated for this purpose, the higher education coordinating board, with input from the state board for community and technical colleges, the foster care partnership, and institutions of higher education, shall develop and maintain an internet web site and outreach program to serve as a comprehensive portal for foster care youth in Washington state to obtain information regarding higher education including, but not necessarily limited to:

(a) Academic, social, family, financial, and logistical information important to successful postsecondary educational success;
(b) How and when to obtain and complete college applications;
(c) What college placement tests, if any, are generally required for admission to college and when and how to register for such tests;
(d) How and when to obtain and complete a federal free application for federal student aid (FAFSA); and

In addition, the board of park commissioners may levy or cause to be levied a general tax on all property located in said park district each year not to exceed twenty-five cents per thousand dollars of assessed valuation. any excess of money arising from the sale of any personal property,
the treasurer shall pay such excess less any cost of the auction to
the owner of the property so sold or to his or her legal representative:
PROVIDED, That whenever it shall become necessary to distraint any
standing timber owned separately from the ownership of the land
upon which the same may stand, or any fish trap, pound net, reef net,

a copy of the notice shall also be sent to the owner or reputed owner
at his last known address, by registered letter at least thirty days prior
to the date of sale: AND PROVIDED FURTHER, That if the county
treasurer has reasonable grounds to believe that any personal
property, including mobile homes, manufactured homes, or park
model trailers, upon which taxes have been levied, but not paid, is
about to be removed from the county where the same has been
assessed, or is about to be destroyed, sold or disposed of, the county
treasurer may demand such taxes, without the notice provided for in
this section, and if necessary may forthwith distraint sufficient goods
and chattels to pay the same.

Sec. 6. RCW 84.56.090 and 1985 c 83 s 1 are each amended to
read as follows:

removed from the limits of the state, is being dissipated or about to

the county so as to jeopardize collection of taxes, at any time
subsequent to the first day of January in any year, and prior to the
levy of taxes thereon, the taxes upon such property so distraint shall
be computed upon the rate of levy for state, county and local
purposes for the preceding year; and all taxes collected in advance of
levy under this section and RCW 84.56.120, together with the name
of the owner and a brief description of the property assessed shall be
entered forthwith by the county treasurer upon the personal property
tax rolls of such preceding year, and all collections thereon shall be
considered and treated in all respects, and without recourse by either
the owner or any taxing unit, as collections for such preceding year.
Property on which taxes are thus collected shall thereupon become
discharged from the lien of any taxes that may thereafter be levied in
the year in which payment or collection is made.

Whenever property has been removed from the county wherein
it has been assessed, on which the taxes have not been paid, then the
county treasurer, or his deputy, shall have the same power to distraint
and sell said property for the satisfaction of said taxes as he would
have if said property were situated in the county in which the
property was taxed, and in addition thereto, said treasurer, or his
deputy, in the distraint and sale of property for the payment of taxes,
shall have the same powers as are now by law given to the sheriff in
making levy and sale of property on execution.

Sec. 7. RCW 84.64.200 and 1981 c 322 s 6 are each amended to
read as follows:

All lots, tracts and parcels of land upon which taxes levied prior
to January 9, 1926 remain due and unpaid at the date when such taxes
would have become delinquent as provided in the act under which
they were levied shall be deemed to be delinquent under the
provisions of this title, and the same proceedings may be had to
enforce the payment of such unpaid taxes, with interest and costs,
and payment enforced and liens foreclosed under and by virtue of the
provisions of this chapter. For the purposes of foreclosure under this
chapter, the date of delinquency shall be construed to mean the date
when the taxes first became delinquent. At all sales of property for
which certificates of delinquency are held by the county, if no other
bids are received, the county shall be considered a bidder for the full
area of each tract or lot to the amount of all taxes, interest and costs
due thereon, and where no bidder appears, acquire title ((thereto)) in
trust for the taxing districts as absolutely as if purchased by an
individual under the provisions of this chapter. All bidders except the
county at sales of property for which certificates of delinquency are
held by the county shall pay the full amount of taxes, interest and
costs for which judgment is rendered, together with all taxes, interest
and costs which are delinquent at the time of sale, regardless of
whether the taxes, interest, or costs are included in the judgment."

For the purposes of this section, sharing information is presumed to be in substantial good faith. However, the presumption may be rebutted upon a showing of clear, cogent, and convincing evidence that the information shared was knowingly false or deliberately misleading.

Each ambulatory surgical facility shall produce and make accessible to the commission or board the appropriate records and otherwise facilitate the review and audit. Information so gained is not subject to the discovery process and confidentiality shall be respected as required by subsection (3) of this section. NEW SECTION. Sec. 11. (1) The department shall make or cause to be made a survey of all ambulatory surgical facilities every eighteen months. Every survey of an ambulatory surgical facility may include an examination of every part of the surgical facility. The department may make an examination of all phases of the ambulatory surgical facility operations necessary to determine compliance with all applicable statutes, rules, and regulations. In the event that the department is unable to make a survey or cause a survey to be made during the three years of the term of the license, the license of the ambulatory surgical facility shall remain in effect until the state conducts a survey or a substitute survey is performed if the ambulatory surgical facility is in compliance with all other licensing requirements.
(2) An ambulatory surgical facility shall be deemed to have met the survey standards of this section if it submits proof of certification as a Medicare ambulatory surgical facility or accreditation by an organization that the secretary has determined to have substantially equivalent survey standards to those of the department. A survey performed pursuant to Medicare certification or by an approved accrediting organization may substitute for a survey by the department if:

(a) The ambulatory surgical facility has satisfactorily completed a survey by the department in the previous eighteen months; and

(b) Within thirty days of learning the result of a survey, the ambulatory surgical facility provides the department with documentary evidence that the ambulatory surgical facility has been certified or accredited as a result of a survey and the date of the survey.

(3) Ambulatory surgical facilities shall make the written reports of surveys conducted pursuant to Medicare certification procedures or by an approved accrediting organization available to department surveyors during any department surveys, upon request.

NEW SECTION. Sec. 12. The department shall require ambulatory surgical facilities to submit data related to the quality of patient care for review by the department. The data shall be submitted every eighteen months. The department shall consider the reporting standards of other public and private organizations that measure quality in order to maintain consistency in reporting and minimize the burden on the ambulatory surgical facility. The department shall review the data to determine the maintenance of quality patient care at the facility. If the department determines that the care offered at the facility may present a risk to the health and safety of patients, the department may conduct an inspection of the facility and initiate appropriate actions to protect the public. The chief administrator or executive officer shall also report any voluntary restriction or termination of the practice of a health care provider licensed by a disciplining authority under RCW 18.130.040 while the provider is under investigation or the subject of a proceeding by the ambulatory surgical facility regarding unprofessional conduct, or in response to the ambulatory surgical facility not conducting such an investigation or proceeding or not taking action. The department shall forward the report to the appropriate disciplining authority.

(2) Reports made under subsection (1) of this section must be made within fifteen days of the date of: (a) A conviction, determination, or finding by the ambulatory surgical facility that the health care provider has committed an action defined as unprofessional conduct under RCW 18.130.180; or (b) acceptance by the ambulatory surgical facility of the voluntary restriction or termination of the practice of a health care provider, including his or her voluntary resignation, while under investigation or the subject of proceedings regarding unprofessional conduct under RCW 18.130.180.

(b) The secretary may adopt rules to require other persons, including corporations, organizations, health care facilities, impaired practitioner programs, or voluntary substance abuse monitoring programs approved by a disciplining authority, and state or local government agencies to report:

(i) Any conviction, determination, or finding that a license holder has committed an act which constitutes unprofessional conduct, or

(ii) Information to the disciplining authority, an impaired practitioner program, or voluntary substance abuse monitoring program approved by the disciplining authority, which indicates that the license holder may not be able to practice his or her profession with reasonable skill and safety to consumers as a result of a mental or physical condition.

(c) If a report has been made by a hospital to the department pursuant to RCW 70.41.210 or by an ambulatory surgical facility

(d) Reporting under this section is not required by:

(i) Any entity with a peer review committee, quality improvement committee or other similarly designated professional review committee, or by a license holder who is a member of such committee, during the investigative phase of the respective committee's operations if the investigation is completed in a timely manner; or

2. If a person fails to furnish a required report, the disciplining authority may petition the superior court of the county in which the person resides or is found, and the court shall issue to the person an order to furnish the required report. A failure to obey the order is a contempt of court as provided in chapter 7.21 RCW.

3. A person is immune from civil liability, whether direct or derivative, for providing information to the disciplining authority pursuant to the rules adopted under subsection (1) of this section.

MESSAGE FROM THE SENATE

April 11, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1599 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 9.46.0209 and 2000 c 233 s 1 are each amended to read as follows:

(1)(a) "Bona fide charitable or nonprofit organization," as used in this chapter, means: (i) Any organization duly existing under the provisions of chapter 42.16 or 24.03 RCW, any agricultural fair authorized under the provisions of chapters 15.76 or 36.37 RCW, or any nonprofit corporation duly existing under the provisions of chapter 24.28 RCW for charitable, benevolent, eleemosynary, educational, civic, patriotic, political, social, fraternal, athletic or agricultural purposes only, or any nonprofit organization, whether incorporated or otherwise, when found by the commission to be organized and operating for one or more of the aforesaid purposes only, all of which in the opinion of the commission have been organized and are operated primarily for purposes other than the operation of gambling activities authorized under this chapter; or (i) Any corporation which has been incorporated under Title 36 U.S.C. and whose principal purposes are to furnish volunteer aid to members of the armed forces of the United States and also to carry on a system of national and international relief and to apply the same in mitigating the sufferings caused by pestilence, famine, fire, floods, and other national calamities and to devise and carry on measures for preventing the same."

(b) An organization defined under (a) of this subsection must:

(i) Have been organized and continuously operating for at least twelve calendar months immediately preceding making application for any license to operate a gambling activity, or the operation of any gambling activity authorized by this chapter for which no license is required; (ii) Have not less than fifteen bona fide active members each with the right to an equal vote in the election of the officers, or board members, if any, who determine the policies of the organization in order to receive a gambling license; and (iii) Demonstrate to the commission that it has made significant progress toward the accomplishment of the purposes of the organization during the twelve consecutive month period preceding the date of application for a license or license renewal. The fact that contributions to an organization do not qualify for charitable contribution deduction purposes or that the organization is not otherwise exempt from payment of federal income taxes pursuant to the internal revenue code of 1954, as amended, shall constitute prima facie evidence that the organization is not a bona fide charitable or nonprofit organization for the purposes of this section."
(c) Any person, association or organization which pays its employees, including members, compensation other than is reasonable therefor under the local prevailing wage scale shall be deemed paying compensation based in part or whole upon receipts relating to gambling activities authorized under this chapter and shall not be a bona fide charitable or nonprofit organization for the purposes of this chapter.

(2) For the purposes of RCW 9.46.0315 and 9.46.110, a bona fide nonprofit organization also includes:

(a) A credit union organized and operating under state or federal law. All revenue less prizes and expenses received from raffles conducted by credit unions must be devoted to purposes authorized under this section for charitable and nonprofit organizations; and

(b) A group of executive branch state employees that:

(i) Has requested and received revocable approval from the agency's chief executive official, or such official's designee, to conduct one or more raffles in compliance with this section;

(ii) Conducts a raffle solely to raise funds for either the state combined fund drive, created under RCW 41.04.033; an entity approved to receive funds from the state combined fund drive; or a charitable or benevolent entity, including but not limited to a person or family in need, as determined by a majority vote of the approved group of employees. No person or other entity may receive compensation in any form from the group for services rendered in support of this purpose;

(iii) Promptly provides such information about the group's receipts, expenditures, and other activities as the agency's chief executive official or designee may periodically require, and otherwise complies with this section and RCW 9.46.0315; and

(iv) Limits the participation in the raffle such that raffle tickets are sold only to, and winners are determined only from, the employees of the agency.

NEW SECTION. Sec. 2. A new section is added to chapter 42.52 RCW to read as follows:

(1) When soliciting gifts, grants, or donations solely to support the charitable activities of executive branch state employees conducted pursuant to RCW 9.46.0209, the executive branch state officers and executive branch state employees are presumed not to be in violation of the solicitation and receipt of gift provisions in RCW 42.52.140. However, the gifts, grants, or donations must only be solicited from state employees or businesses and organizations that have no business dealings with the soliciting employee's agency. For the purposes of this subsection, "business dealings" includes being subject to regulation by the agency, having a contractual relationship with the agency, and purchasing goods or services from the agency.

(2) For purposes of this section, activities are deemed to be charitable if the activities are devoted to the purposes authorized under RCW 9.46.0209 for charitable and nonprofit organizations listed in that section, or are in support of the activities of those charitable or nonprofit organizations."

On page 1, line 1 of the title, after "employees;" strike the remainder of the title and insert "amending RCW 9.46.0209; and adding a new section to chapter 42.52 RCW."

HOUSE BILL NO. 1599, as amended by the Senate, having received the constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 9, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1592 with the following amendment:

1. RCW 9.95.011 and 2002 c 174 s 2 are each amended to read as follows:

(1) When the court commits a convicted person to the department of corrections on or after July 1, 1986, for an offense committed before July 1, 1984, the court shall, at the time of sentencing or revocation of probation, fix the minimum term. The term so fixed shall not exceed the maximum sentence provided by law for the offense of which the person is convicted.

The court shall attempt to set the minimum term reasonably consistent with the purposes, standards, and sentencing ranges adopted under RCW 9.94A.850, but the court is subject to the same limitations as those placed on the board under RCW 9.92.090, 9.95.040 (1) through (4), 9.95.115, 9.3A.32.040, 9.4A.44.045, and chapter 69.50 RCW. The court's minimum term decision is subject to review by the parole board before July 1, 1986.

Thereafter, the expiration of the minimum term set by the court minus any time credits earned under RCW 9.95.070 and 9.95.110 constitutes the parole eligibility review date, at which time the board may consider the convicted person for parole under RCW 9.95.100 and 9.95.110 and chapter 72.04A RCW. Nothing in this section affects the board's authority to reduce or increase the minimum term, once set by the court, under RCW 9.95.040, 9.95.052, 9.95.055, 9.95.070, 9.95.080, 9.95.100, 9.95.115, 9.95.125, or 9.95.047.

(a) Except as provided in (b) of this subsection, not less than ninety days prior to the expiration of the minimum term of a person sentenced under RCW 9.94A.712, for a sex offense committed on or
after September 1, 2001, less any time credits permitted by statute, the board shall review the person for conditional release to community custody as provided in RCW 9.95.420. If the board does not release the person, it shall set a new minimum term not to exceed an additional ((two)) five years. The board shall review the person again not less than ninety days prior to the expiration of the new minimum term.

(b) If at the time a person sentenced under RCW 9.94A.712 for a sex offense committed on or after September 1, 2001, and released on a department of corrections facility, the offender's minimum term has expired or will expire within one hundred twenty days of the offender's arrival, then no later than one hundred twenty days after the offender's arrival at a department of corrections facility, but after the board receives the results from the end of sentence review process and the recommendations for additional or modified conditions of community custody from the department, the board shall conduct a hearing to determine whether it is more likely than not that the offender will engage in sex offenses if released on conditions to be set by the board. The board may consider an offender's failure to participate in an evaluation under subsection (1) of this section in determining whether to release the offender.

The board shall order the offender released, under such affirmative and other conditions as the board determines appropriate, unless the board determines by a preponderance of the evidence that, despite such conditions, it is more likely than not that the offender will commit sex offenses if released. If the board does not order the offender released, the board shall establish a new minimum term (not to exceed an additional two years) as provided in RCW 9.95.011.

(4) In a hearing conducted under subsection (3) of this section, the board shall provide opportunities for the victims of any crimes for which the offender has been convicted to present oral, video, written, or in-person testimony to the board. The procedures for victim input shall be developed by rule. To facilitate victim involvement, county prosecutor's offices shall ensure that any victim impact statements and known contact information for victims of record are forwarded as part of the judgment and sentence.

Sec. 2. RCW 9.95.420 and 2006 c 313 s 2 are each amended to read as follows:

(1)(a) Except as provided in (c) of this subsection, before the expiration of the minimum term, as part of the end of sentence review process under RCW 72.09.340, 72.09.345, and where appropriate, 72.09.370, the department shall conduct, and the offender shall participate in, an examination of the offender, incorporating methodologies that are recognized by experts in the prediction of sexual dangerousness, and including a prediction of the probability that the offender will engage in sex offenses if released.

(b) The board may contract for an additional, independent examination, subject to the standards in this section.

(c) If at the time the sentence is imposed by the superior court the offender's minimum term has expired or will expire within one hundred twenty days of the sentencing hearing, the department shall conduct, within ninety days of the offender's arrival at a department of corrections facility, and the offender shall participate in, an examination of the offender, incorporating methodologies that are recognized by experts in the prediction of sexual dangerousness, and including a prediction of the probability that the offender will engage in sex offenses if released.

(2) The board shall impose the conditions and instructions provided for in RCW 9.94A.720. The board shall consider the department's recommendations and may impose conditions in addition to those recommended by the department. The board may impose or modify conditions of community custody following notice to the offender.

(3)(a) Except as provided in (b) of this subsection, no later than ninety days before expiration of the minimum term, but after the board receives the results from the end of sentence review process and the recommendations for additional or modified conditions of community custody from the department, the board shall conduct a hearing to determine whether it is more likely than not that the offender will engage in sex offenses if released on conditions to be set by the board. The board may consider an offender's failure to participate in an evaluation under subsection (1) of this section in determining whether to release the offender.

(b) If at the time the offender's minimum term has expired or will expire within one hundred twenty days of the offender's arrival at a department of corrections facility, but after the board receives the results from the end of sentence review process and the recommendations for additional or modified conditions of community custody from the department, the board shall conduct a hearing to determine whether it is more likely than not that the offender will engage in sex offenses if released on conditions to be set by the board. The board may consider an offender's failure to participate in an evaluation under subsection (1) of this section in determining whether to release the offender.

The board shall order the offender released, under such affirmative and other conditions as the board determines appropriate, unless the board determines by a preponderance of the evidence that, despite such conditions, it is more likely than not that the offender will commit sex offenses if released. If the board does not order the offender released, the board shall establish a new minimum term (not to exceed an additional two years) as provided in RCW 9.95.011.

Sec. 3. RCW 9.95.435 and 2003 c 218 s 1 are each amended to read as follows:

(1) If an offender released by the board under RCW 9.95.420 violates any condition or requirement of community custody, the board may transfer the offender to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation and subject to the limitations of subsection (2) of this section.

(2) Following the hearing specified in subsection (3) of this section, the board may impose sanctions such as work release, home detention with electronic monitoring, work crew, community restitution, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other sanctions available in the community, or may suspend the release and sanction up to sixty days' confinement in a local correctional facility for each violation, or revoke the release from community custody whenever an offender released by the board under RCW 9.95.420 violates any condition or requirement of community custody.

(3) If an offender released by the board under RCW 9.95.420 is accused of violating any condition or requirement of community custody, he or she is entitled to a hearing before the board or a designee of the board prior to the imposition of sanctions. The hearing shall be considered as offender disciplinary proceedings and shall not be subject to chapter 34.05 RCW. The board shall develop hearing procedures and a structure of graduated sanctions consistent with the hearing procedures and graduated sanctions developed pursuant to RCW 9.94A.737. The board may suspend the offender's release to community custody and confine the offender in a correctional institution owned, operated by, or operated under contract with the state prior to the hearing unless the offender has been arrested and confined for a new criminal offense.

(4) The hearing procedures required under subsection (3) of this section shall be developed by rule and include the following:

(a) Hearings shall be conducted by members or designees of the board unless the board enters into an agreement with the department to use the hearing officers established under RCW 9.94A.737;

(b) The board shall provide the offender with (written notice of the violation)) findings and conclusions which include the evidence relied upon, and the reasons the particular sanction was imposed. (The notice shall include a statement of the rights specified in this section, and the offender's) The board shall notify the offender of the right to appeal the sanction and the right to file a personal
(c) The hearing shall be held unless waived by the offender, and shall be electronically recorded. For offenders not in total confinement, the hearing shall be held within thirty days of service of notice of the violation, but not less than twenty-four hours after notice of the violation. For offenders in total confinement, the hearing shall be held within thirty days of service of notice of the violation, but not less than twenty-four hours after notice of the violation. The board or its designee shall make a determination whether probable cause exists to believe the violation or violations occurred. The determination shall be made within forty-eight hours of receipt of the allegation;

(d) The offender shall have the right to: (i) Be present at the hearing; (ii) have the assistance of a person qualified to assist the offender in the hearing, appointed by the ((hearing examiner)) presiding hearing officer if the offender has a language or communications barrier; (iii) testify or remain silent; (iv) call witnesses and present documentary evidence; (v) question witnesses who appear and testify; and (vi) be represented by counsel if revocation of the release to community custody upon a finding of violation is a probable sanction for the violation. The board may not revoke the release to community custody of any offender who was not represented by counsel at the hearing, unless the offender has waived the right to counsel;

(e) The sanction shall take effect if affirmed by the ((hearing examiner)) presiding hearing officer.

(5) Within seven days after the ((hearing examiner's)) presiding hearing officer's decision, the offender may appeal the decision to the full board or to a panel of three reviewing examiners designated by the chair of the board or by the chair's designee. The sanction shall be reversed or modified if a majority of the panel finds that the sanction was not reasonably related to any of the following: (a) The crime of conviction; (b) the violation committed; (c) the offender's risk of reoffending; or (d) the safety of the community.

This may include site-specific advice to persons who are conducting or otherwise interested in independent remedial actions. Any such advice or assistance shall be advisory only, and shall not be binding on the department. As a part of providing this advice and assistance for independent remedial actions, the department may prepare written opinions regarding whether the independent remedial actions or proposals for those actions meet the substantive requirements of this chapter or whether the department believes further remedial action is necessary at the facility. The department may collect, from persons requesting advice and assistance, the costs incurred by the department in providing such advice and assistance; however, the department shall, where appropriate, waive collection of costs in order to provide an appropriate level of technical assistance in support of public participation. The state, the department, and officers and employees of the state are immune from all liability, and no cause of action of any nature may arise from any act or omission in providing, or failing to provide, informal advice and assistance; and

(j) Take any other actions necessary to carry out the provisions of this chapter, including the power to adopt rules under chapter 34.05 RCW.

(2) The department shall immediately implement all provisions of this chapter to the maximum extent practicable, including investigative and remedial actions where appropriate. The department shall adopt, and thereafter enforce, rules under chapter 34.05 RCW to:

(b) Establish a hazard ranking system for hazardous waste sites;

(c) Provide for requiring the reporting by an owner or operator of releases of hazardous substances to the environment that may be a threat to human health or the environment within ninety days of discovery, including such exemptions from reporting as the department deems appropriate, however this requirement shall not modify any existing requirements provided for under other laws;

(d) Establish reasonable deadlines not to exceed ninety days for initiating an investigation of a hazardous waste site after the department receives notice or otherwise receives information that the site may pose a threat to human health or the environment and other reasonable deadlines for remediated releases or threatened releases at the site;

(e) Publish and periodically update minimum cleanup standards for remedial actions at least as stringent as the cleanup standards under section 121 of the federal cleanup law, 42 U.S.C. Sec. 9621, and at least as stringent as all applicable state and federal laws, including health-based standards under state and federal law; and

(f) Apply industrial clean-up standards at industrial properties. Rules adopted under this subsection shall ensure that industrial properties cleaned up to industrial standards cannot be converted to nonindustrial uses without approval from the department. The department may require that a property cleaned up to industrial standards is cleaned up to a more stringent applicable standard as a condition of conversion to a nonindustrial use. Industrial clean-up standards may not be applied to industrial properties where hazardous substances remaining at the property after remedial action pose a threat to human health or the environment in adjacent nonindustrial areas.

(3) To achieve and protect the state's long-term ecological health, the department shall prioritize sufficient funding to clean up hazardous waste sites and prevent the creation of future hazards due to improper disposal of toxic wastes, and create financing tools to clean up large-scale hazardous waste sites requiring multiyear commitments. To effectively monitor toxic accounts expenditures, the department shall develop a comprehensive ten-year financing report that identifies long-term remedial action project costs, tracks expenses, and projects future needs.

(4) Before (November 1st) December 20th of each even-numbered year, the department shall (develop, with public notice and hearing and submit):

(a) Develop a comprehensive ten-year financing report in coordination with all local governments with clean-up responsibilities that identifies the projected biennial hazardous waste site remedial action needs that are eligible for funding from the local toxics control account;

(b) Work with local governments to develop working capital reserves to be incorporated in the ten-year financing report;

(c) Identify the projected remedial action needs for orphaned, abandoned, and other clean-up sites that are eligible for funding from the state toxics control account;

(d) Project the remedial action need, cost, revenue, and any recommended working capital reserve estimate to the next biennium's long-term remedial action needs from both the state toxics control account and the state toxics control account, and submit this information to the (ways and means and) appropriate standing fiscal and environmental committees of the senate and house of representatives (a ranked list of projects and expenditures recommended for appropriation from both the state and local toxics control accounts. The department shall also) this submittal must
also include a ranked list of such remedial action projects for both
accounts, and
(5) Provide the legislature and the public each year with an
accounting of the department's activities supported by appropriations
from the state and local toxics control accounts, including a list of
known hazardous waste sites and their hazard rankings, actions taken
and planned at each site, how the department is meeting its ((top
two)) waste management priorities under RCW 70.105.150, and all
funds expended under this chapter.
(6) The department shall establish a scientific advisory
board to render advice to the department with respect to the hazard
ranking system, cleanup standards, remedial actions, deadlines for
remedial actions, monitoring, the classification of substances as
hazardous substances for purposes of RCW 70.105D.020(7) and
the classification of substances or products as hazardous substances for
purposes of RCW 82.21.020(1). The board shall consist of five
independent members to serve staggered three-year terms. No
members may be employees of the department. Members shall be
reimbursed for travel expenses as provided in RCW 43.03.050 and
43.03.060.
(7) The department shall establish a program to identify
potential hazardous waste sites and to encourage persons to provide
information about hazardous waste sites.

Sec. 2. RCW 70.105D.070 and 2005 c 488 s 926 are each
amended to read as follows:
(1) The state toxics control account and the local toxics control
account are hereby created in the state treasury:
(a) Those revenues which are raised by the tax
imposed under RCW 82.21.030 and which are attributable to that
portion of the rate equal to thirty-seven one-hundredths of one
percent.
(b) Moneys deposited in the local toxics control account shall be
used by the department for grants or loans to local governments for
the following purposes in descending order of priority: (i) Remedial
actions; (ii) hazardous waste plans and programs under chapter
70.105 RCW; (iii) solid waste plans and programs under chapters
70.95, 70.95C, 70.95I, and 70.105 RCW; (iv) funds for a program to
assist in the assessment and cleanup of sites of methamphetamine
production, but not to be used for the initial containment of such
sites, consistent with the responsibilities and intent of RCW
69.50.511; and (v) cleanup and disposal of hazardous substances
from abandoned or derelict vessels that pose a threat to human health
or the environment. For purposes of this subsection ((3)(a)(v)),
"abandoned or derelict vessels" means vessels that have little or no
value and either have no identified owner or have an identified owner
lacking financial resources to clean up and dispose of the vessel.
Funds for plans and programs shall be allocated consistent with the
priorities and matching requirements established in chapters 70.105,
70.95C, 70.95I, and 70.95 RCW. During the 1999-2001 fiscal
biennium, moneys in the account may also be used for the following
activities: Conducting a study of whether dioxins occur in fertilizers,
soil amendments, and soils; reviewing applications for registration of
fertilizers; and conducting a study of plant uptake of metals. During
the 2005-2007 fiscal biennium, the legislature may transfer from
the local toxics control account to the state toxics control account such
amounts as specified in the omnibus capital budget bill. During the
2005-2007 fiscal biennium, moneys in the account may also be used
for grants to local governments to retrofit public sector diesel
equipment and for storm water planning and implementation activities.
(b) Funds may also be appropriated to the department of health
to implement programs to reduce testing requirements under the
federal safe drinking water act for public water systems. The
department of health shall reimburse the account from fees assessed
under RCW 70.119A.115 by June 30, 1995.
(c) To expedite cleanups throughout the state, the department
shall partner with local communities and liable parties for cleanups.
The department is authorized to use the following additional
strategies in order to ensure a healthy environment for future
generations:
(i) The director may alter grant-matching requirements to create
incentives for local governments to expedite cleanups when one of
the following conditions exists:
(A) Funding would prevent or mitigate unfair economic
hardship imposed by the clean-up liability;
(B) Funding would create new substantial economic
development, public recreational, or habitat restoration opportunities
that would not otherwise occur; or
(C) Funding would create an opportunity for acquisition and
redevelopment of vacant, orphaned, or abandoned property under
RCW 70.105D.040(5) that would not otherwise occur;
(ii) The use of outside contracts to conduct necessary studies;
(iii) The purchase of remedial action cost-cap insurance, when
necessary to expedite multiparty clean-up efforts.
(4) Except for unanticipated receipts under RCW 43.79.260
through 43.79.282, moneys in the state and local toxics control
accounts may be spent only after appropriation by statute.
(5) One percent of the moneys deposited into the state and local
toxics control accounts shall be allocated only for public participation
grants to persons who may be adversely affected by a release or
threatened release of a hazardous substance and to not-for-profit
public interest organizations. The primary purpose of these grants is
to facilitate the participation by persons and organizations in the
investigation and remedying of releases or threatened releases of
hazardous substances and to implement the state's solid and
hazardous waste management priorities. However, during the 1999-
2001 fiscal biennium, funding may not be granted to entities engaged
in lobbying activities, and applicants may not be awarded grants if
their cumulative grant awards under this section exceed two hundred
thousand dollars. No grant may exceed sixty thousand dollars.
Grants may be renewed annually. Moneys appropriated for public
participation from either account which are not expended at the close of any biennium shall revert to the state toxics control account.

(6) No monies deposited into either the state or local toxics control account may be used for solid waste incinerator feasibility studies, construction, maintenance, or operation.

(7) The department shall adopt rules for grant or loan issuance and performance.

(8) During the 2005-2007 fiscal biennium, the legislature may transfer from the state toxics control account to the water quality account such amounts as reflect the excess fund balance of the fund."

On page 1, line 2 of the title, after "clearances;" strike the remainder of the title and insert "and amending RCW 70.105D.030 and 70.105D.070."

"NEW SECTION, Sec. 1. (1) The GET ready for math and science scholarship program is established. The purpose of the program is to provide scholarships to students who achieve level four on the mathematics or science portions of the tenth grade Washington assessment of student learning or achieve a score in the math section of the SAT or the math section of the ACT that is above the ninety-fifth percentile, major in a mathematics, science, or related field in college, and commit to working in mathematics, science, or a related field for at least three years in Washington following completion of their bachelor's degree. The program shall be administered by the nonprofit organization selected as the private partner in the public-private partnership.

(2) The total annual amount of each GET ready for math and science scholarship may vary, but shall not exceed the annual cost of resident undergraduate tuition fees and mandatory fees at the University of Washington. Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1896 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that Washington is committed to economic development and supporting the tourism industry, and that economic development is achieved by promoting the state and the goods produced around the state. The legislature further finds that tourism is encouraged providing a memorable experience and an opportunity for visitors to take something back home with them to remind them of this experience. There are many visitors every day to the legislative building, including tourists, school children, and people from around the state visiting the state capitol. These visitors offer an opportunity for the state to showcase its products and history. Therefore, the legislature finds that a gift center in the legislative building would be an appropriate response to this opportunity, and further, that such a gift center could provide a source of revenue to help fund the oral history program and to pay for the restoration and repurchase of historical capitol furnishings.

NEW SECTION. Sec. 2. (1) There is created in the legislature a legislative gift center for the retail sale of products bearing the state seal, Washington state souvenirs, other Washington products, and other products as approved. Wholesale purchase of products for sale at the legislative gift center is not subject to competitive bidding.

(2) Governance for the legislative gift center shall be under the chief clerk of the house of representatives and secretary of the senate. They may designate a legislative staff member as the lead staff person to oversee management and operation of the gift shop.

(3) The chief clerk of the house of representatives and secretary of the senate shall consult with the department of general administration in planning, siting, and maintaining legislative building space for the gift center.

(4) Products bearing the "Seal of the State of Washington" as described in Article XVIII, section 1 of the Washington state Constitution and RCW 1.20.080, must be purchased from the secretary of state pursuant to an agreement between the chief clerk of the house of representatives, the secretary of the senate, and the secretary of state.

NEW SECTION. Sec. 3. (1) The legislative gift center account is created in the custody of the state treasurer. All moneys received by the gift center from the sale of Washington state souvenirs, other Washington products, and other products as approved shall be deposited in the account. Expenditures from the account may be used only for the operations and maintenance of the gift center, including the purchase of inventory, and for other purposes as
provided in this section. Only the chief clerk of the house of representatives and the secretary of the senate, or the lead staff person designated by them to oversee management and operation of the gift center, shall be deposited as provided in this subsection:

1. Net profits, after expenses, from the sale of Washington state souvenirs, other Washington products, and products approved by the legislative gift center, shall be deposited as provided in this subsection:
   (a) Twenty-five percent in the legislative oral history account in chapter 44.04 RCW (created in Substitute House Bill No. 1741);
   (b) Twenty-five percent in the oral history, state library, and archives account created in RCW 43.07.380; and
   (c) Fifty percent in the capitol furnishings preservation committee account created in RCW 27.48.040.

2. Net profits, after expenses, from the sale of items bearing the state seal by the legislative gift center shall be deposited in the capitol furnishings preservation committee account created in RCW 27.48.040.

(3) Net profits, after expenses, from the sale of items bearing the state seal by the legislative gift center shall be deposited in the capitol furnishings preservation committee account created in RCW 27.48.040. A full accounting thereof shall be provided to the secretary of state.

(4) The legislative gift center may designate special sales, the proceeds of which shall go to an account specified at the time of designation.

Sec. 4. RCW 43.04.100 and 1988 c 120 s 10 are each amended to read as follows:
All fees, penalties, and damages received under this chapter shall be paid to the secretary of state and with the exception of the filing fee authorized in RCW 43.04.040(2) shall be deposited by the secretary into the capitol (building construction account in the state treasury, for use in the historical restoration and completion of the legislative building) furnishings preservation committee account created in RCW 27.48.040.

NEW SECTION. Sec. 5. Sections 1 through 3 of this act constitute a new chapter in Title 44 RCW.

On page 1, line 1 of the title, after "center;" strike the remainder of the title and insert "amending RCW 43.04.100; and adding a new chapter to Title 44 RCW."

FINAL PASSAGE OF HOUSE BILL AS SENATE AMENDED

Representative Quall spoke in favor of the passage of the bill.

The Speaker (Representative Lovick presiding) stated the question before the House to be final passage of Engrossed House Bill No. 1898, as amended by the Senate.

ROLL CALL

The Clerk called the roll on the final passage of Engrossed House Bill No. 1898, as amended by the Senate, and the bill passed the House by the following vote: Yeas - 69, Nays - 25, Absent - 0, Excused - 4.

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1910 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 84.14.005 and 1995 c 375 s 1 are each amended to read as follows:

The legislature finds:

(1) That in many of Washington's urban centers there is insufficient availability of desirable and convenient residential units, including affordable housing units, to meet the needs of a growing number of the public who would live in these urban centers if these desirable, convenient, attractive, affordable, and livable places to live were available;

(2) That the development of additional and desirable residential units, including affordable housing units, in these urban centers that will attract and maintain a significant increase in the number of permanent residents in these areas will help to alleviate the detrimental conditions and social liability that tend to exist in the absence of a viable mixed income residential population and will help to achieve the planning goals mandated by the growth management act under RCW 36.70A.020; and

(3) That planning solutions to solve the problems of urban sprawl often lack incentive and implementation techniques needed to encourage residential redevelopment in those urban centers lacking a sufficient variety of residential opportunities, and it is in the public interest and will benefit, provide, and promote the public health, safety, and welfare to stimulate new or enhanced residential opportunities, including affordable housing opportunities, within urban centers through a tax incentive as provided by this chapter.

Sec. 2. RCW 84.14.007 and 1995 c 375 s 2 are each amended to read as follows:

It is the purpose of this chapter to encourage increased residential opportunities, including affordable housing opportunities, in cities that are required to plan or choose to plan under the growth management act within urban centers where the (legislative body) governing authority of the affected city has found there is insufficient housing opportunities, including affordable housing opportunities. It is further the purpose of this chapter to stimulate the construction of new multifamily housing and the rehabilitation of existing vacant and underutilized buildings for multifamily housing in urban centers having insufficient housing opportunities that will increase and improve residential opportunities, including affordable housing opportunities, within these urban centers. To achieve these purposes, this chapter provides for special valuations in residentially deficient urban centers for eligible improvements associated with multifamily housing (in residentially deficient urban centers), which includes affordable housing.

Sec. 3. RCW 84.14.010 and 2002 c 146 s 1 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(3) "City" means either (a) a city or town with a population of at least ((thirty)) fifteen thousand ((or)), (b) the largest city or town, if there is no city or town with a population of at least ((thirty)) fifteen thousand, located in a county planning under the growth management act, or (c) a city or town with a population of at least five thousand located in a county subject to the provisions of RCW 36.70A.215.

(2) "Affordable housing" means residential housing that is within the means of low or moderate-income households.

(3) "Household" means a single person, family, or unrelated persons living together.

(4) "Low-income household" means a single person, family, or unrelated persons living together whose adjusted income is at or below eighty percent of the median family income adjusted for family size, for the county where the project is located, as reported by the United States department of housing and urban development. For cities located in high-cost areas, "low-income household" means a household that has an income that is more than one hundred percent but at or below one hundred fifty percent, of the median family income adjusted for family size, for the county where the project is located.

(5) "Moderate-income household" means a single person, family, or unrelated persons living together whose adjusted income is more than eighty percent but is at or below one hundred fifteen percent of the median family income adjusted for family size, for the county where the project is located.

(6) "High cost area" means a county where the third quarter median house price for the previous year as reported by the Washington center for real estate research at Washington State University is equal to or greater than one hundred thirty percent of the statewide median house price published during the same time period.

(7) "Governing authority" means the local legislative authority of a city having jurisdiction over the property for which an exemption may be applied for under this chapter.

(8) "Growth management act" means chapter 36.70A RCW.

(9) "Multiple-unit housing" means a building having four or more dwelling units not designed or used as transient accommodations and not including hotels and motels. Multifamily units may result from new construction or rehabilitated or conversion of vacant, underutilized, or substandard buildings to multifamily housing.

(10) "Owner" means the property owner of record.

(11) "Permanent residential occupancy" means multifamily housing that provides either rental or owner occupancy on a nontransient basis. This includes owner-occupied or rental accommodation that is leased for a period of at least one month. This excludes hotels and motels that predominantly offer rental accommodation on a daily or weekly basis.

(12) "Rehabilitation improvements" means modifications to existing structures, that are vacant for twelve months or longer, that are made to achieve a condition of substantial compliance with existing building codes or modification to existing occupied structures, which increase the number of multifamily housing units.

(13) "Residential targeted area" means an area within an urban center that has been designated by the governing authority as a residential targeted area in accordance with this chapter.

(14) "Substantial compliance" means compliance with local building or housing code requirements that are typically required for rehabilitation as opposed to new construction.
Sec. 4. RCW 84.14.020 and 2002 c 146 s 2 are each amended to read as follows:

1(a) The value of new housing construction, conversion, and rehabilitation improvements qualifying under this chapter is exempt from ad valorem property taxation, as follows:

(1) For properties for which applications for certificates of tax exemption eligibility are submitted under chapter 84.14 RCW before the effective date of this act, the value is exempt for ten successive years beginning January 1 of the year immediately following the calendar year of issuance of the certificate. However, the exemption does not include the value of land or nonhousing-related improvements not qualifying under this chapter;

(ii) For properties for which applications for certificates of tax exemption eligibility are submitted under chapter 84.14 RCW on or after the effective date of this act, the value is exempt:

(A) For eight successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate; or

(B) For twelve successive years beginning January 1st of the year immediately following the calendar year of issuance of the certificate, if the property otherwise qualifies for the exemption under this subsection (1)(a)(ii)(B). For the property to qualify for the twelve-year exemption under this subsection, the applicant must commit to renting or selling at least twenty percent of the multifamily housing units as affordable housing units to low and moderate-income households, and the property must satisfy that commitment and any additional affordability and income eligibility conditions adopted by the local government under this chapter. In the case of projects intended exclusively for owner occupancy, the minimum requirement of this subsection (1)(a)(ii)(B) may be satisfied solely through housing affordable to moderate-income households.

(b) The area must lack, as determined by the governing authority, adequate public facilities including streets, sidewalks, lighting, transit, domestic water, and sanitary sewer systems; and

c) A mixture of uses and activities that may include housing, recreation, and cultural activities in association with either commercial or office, or both, use.

Sec. 5. RCW 84.14.030 and 2005 c 80 s 1 are each amended to read as follows:

An owner of property making application under this chapter must meet the following requirements:

1. The new or rehabilitated multiple-unit housing must be located in a residential targeted area as designated by the city;

2. The multiple-unit housing must meet ((the)) guidelines as adopted by the governing authority that may include height, density, public benefit features, number and size of proposed development, parking, (low-income or moderate income limits for occupancy requirements), limits on rents or sale prices, and other adopted requirements indicated necessary by the city. The required amenities should be relative to the size of the project and tax benefit to be obtained;

3. The new, converted, or rehabilitated multiple-unit housing must provide for a minimum of fifty percent of the space for permanent residential occupancy. In the case of existing occupied multifamily development, the multifamily housing must also provide for a minimum of four additional multifamily units. Existing multifamily vacant housing that has been vacant for twelve months or more does not have to provide additional multifamily units;

4. New construction multifamily housing and rehabilitation improvements must be completed within three years from the date of approval of the application;

5. Property proposed to be rehabilitated must fail to comply with one or more standards of the applicable state or local building or housing codes on or after July 23, 1995. If the property proposed to be rehabilitated is not vacant, an applicant shall provide each existing tenant housing of comparable size, quality, and price and a reasonable opportunity to reloclate;

6. The applicant must enter into a contract with the city approved by the governing authority, or an administrative official or commission authorized by the governing authority, under which the applicant has agreed to the implementation of the development on terms and conditions satisfactory to the governing authority.

Sec. 6. RCW 84.14.040 and 1995 c 375 s 7 are each amended to read as follows:

1. The following criteria must be met before an area may be designated as a residential targeted area:

(a) The area must be within an urban center, as determined by the governing authority;

(b) The area must lack, as determined by the governing authority, sufficient available, desirable, and convenient residential housing, including affordable housing, to meet the needs of the public who would be likely to live in the urban center, if the affordable, desirable, attractive, and livable places to live were available;

The resolution must state the time and place of a hearing to be held by the governing authority to consider the designation of the area and may include such other information pertaining to the designation of the area as the governing authority determines to be appropriate to apprise the public of the action intended.

3. 4. Following the hearing, or a continuance of the hearing, the governing authority may designate all or a portion of the area described in the resolution of intent as a residential targeted area if it...
finds, in its sole discretion, that the criteria in subsections (1) through (3) of this section have been met.

The standards and guidelines must establish basic requirements for both new construction and rehabilitation (including), which must include:

(a) Application process and procedures (These guidelines may include, but not be limited to):

((iii)) (b) Requirements that address demolition of existing structures and site utilization; and

(((v))) (c) Building requirements that may include elements addressing parking, height, density, environmental impact, and compatibility with the existing surrounding property and such other amenities as will attract and keep permanent residents and that will properly enhance the livability of the residential targeted area in which they are to be located.

(6) The governing authority may adopt and implement, either as conditions to eight-year exemptions or as conditions to an extended exemption period under RCW 84.14.020(2), or both, more stringent income eligibility, rent, or sale price limits, including limits that apply to a higher percentage of units, than the minimum conditions for an extended exemption period under RCW 84.14.020(2).

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1922 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that providing needy youth aging out of the state dependency system with safe and viable options for housing to avoid homelessness confers a valuable benefit on the public that is intended to improve public health, safety, and welfare.

(2) It is the goal of this state to:

(a) Ensure that all youth aging out of the state dependency system have access to a decent, appropriate, and affordable home in a healthy safe environment to prevent such young people from experiencing homelessness; and

(b) Reduce each year the percentage of young people eligible for state assistance upon aging out of the state dependency system.

NEW SECTION. Sec. 2. A new section is added to chapter 43.65A RCW to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Department" means the department of community, trade, and economic development.

(2) "Eligible youth" means an individual who:

(a) On or after September 1, 2006, is at least eighteen, was a dependent of the state under chapter 13.34 RCW in the month before his or her eighteenth birthday, and has not yet reached the age of twenty-three;

(b) Except as provided in section 42(a) of this act, has a total income from all sources, except for temporary sources that include, but are not limited to, overtime wages, bonuses, or short-term temporary assignments, that does not exceed fifty percent of the area median income;

(4) "Independent housing" means a housing unit that is not owned by or located within the home of the eligible youth's biological parents or any of the eligible youth's former foster care families or dependency guardians. "Independent housing" may include a unit in a transitional or other supportive housing facility.

(5) "Individual development account" or "account" means an account established by contract between a low-income individual and a sponsoring organization for the benefit of the low-income individual and funded through periodic contributions by the low-income individual that are matched with contributions by or through the sponsoring organization.

(6) "Subcontractor organization" means an eligible organization described under RCW 43.185A.040 that contracts with the department to administer the independent youth housing program.

NEW SECTION. Sec. 3. A new section is added to chapter 43.65A RCW to read as follows:

(1) The independent youth housing program is created in the department to provide housing stipends to eligible youth to be used for independent housing. In developing a plan for the design, implementation, and operation of the independent youth housing program, the department shall:

(a) Adopt policies, requirements, and procedures necessary to administer the program;

(b) Contract with one or more eligible organizations described under RCW 43.185A.040 to provide services and conduct administrative activities as described in subsection (3) of this section;

(c) Establish eligibility criteria for youth to participate in the independent youth housing program, giving priority to youth who have been dependents of the state for at least one year;

(d) Refer interested youth to the designated subcontractor organization administering the program in the area in which the youth intends to reside;

(e) Develop a method for determining the amount of the housing stipend, first and last month's rent, and security deposit, where applicable, to be dedicated to participating youth. The method for determining a housing stipend must take into account a youth's age, the youth's total income from all sources, the fair market rent for the area in which the youth lives or intends to live, and a variety of possible living situations for the youth. The amount of housing stipends must be adjusted, by a method and formula established by the department, to promote the successful transition for youth to complete housing self-sufficiency over time;
(f) Ensure that the independent youth housing program is integrated and aligned with other state rental assistance and case management programs operated by the department, as well as case management and supportive services programs, including the independent living program, the transitional living program, and other related programs offered by the department of social and health services; and

(g) Consult with the department of social and health services and other stakeholders involved with dependent youth, homeless youth, and homeless young adults, as appropriate.

(2) The department of social and health services shall collaborate with the department in implementing and operating the independent youth housing program including, but not limited to, the following:

(a) Refer potential eligible youth to the department before the youth’s eighteenth birthday, if feasible, to include an indication, if known, of where the youth plans to reside after aging out of foster care;

(b) Provide information to all youth aged fifteen or older, who are dependents of the state under chapter 13.34 RCW, about the independent youth housing program, encouraging dependents nearing their eighteenth birthday to consider applying for enrollment in the program;

(c) Encourage organizations participating in the independent living program and the transitional living program to collaborate with independent youth housing program providers whenever possible to capitalize on resources and provide the greatest amount and variety of services to eligible youth;

(d) Annually provide to the department data reflecting changes in the percentage of youth aging out of the state dependency system each year who are eligible for state assistance, as well as any other data and performance measures that may assist the department to measure program success; and

(e) Annually, beginning by December 31, 2007, provide to the appropriate committees of the legislature and the interagency council on homelessness as described under RCW 43.185C.170 recommendations of strategies to reach the goals described in section 5(2)(g) of this act.

(3) Under the independent youth housing program, subcontractor organizations shall:

(a) Use moneys awarded to the organizations for housing stipends, security deposits, first and last month's rent stipends, case management program costs, and administrative costs;

(i) Administrative costs for each subcontractor organization may not exceed twelve percent of the estimated total annual grant amount to the subcontractor organization;

(ii) All housing stipends must be payable only to a landlord or housing manager of any type of independent housing;

(b) Enroll eligible youth who are referred by the department and who choose to reside in their assigned service area;

(c) Enter eligible youth program participants into the homeless client management information system as described in RCW 43.185C.180;

(d) Monitor participating youth's housing status;

(e) Evaluate participating youth's eligibility and compliance with department policies and procedures at least twice a year;

(f) Assist participating youth to develop or update an independent living plan focused on obtaining and retaining independent housing or collaborate with a case manager with whom the youth is already involved to ensure that the youth has an independent living plan;

(g) Educate participating youth on tenant rights and responsibilities;

(h) Provide support to participating youth in the form of general case management and information and referral services, when necessary, or collaborate with a case manager with whom the youth is already involved to ensure that the youth is receiving the case management and information and referral services needed;

(i) Connect participating youth, when possible, with individual development account programs, other financial literacy programs, and other programs that are designed to help young people acquire economic independence and self-sufficiency, or collaborate with a case manager with whom the youth is already involved to ensure that

the youth is receiving information and referrals to these programs, when appropriate;

(j) Submit expenditure and performance reports, including information related to the performance measures in section 5 of this act, to the department on a time schedule determined by the department; and

(k) Provide recommendations to the department regarding program improvements and strategies that might assist the state to reach its goals as described in section 5(2)(g) of this act.

NEW SECTION. Sec. 4. A new section is added to chapter 43.63A RCW to read as follows:

(1) An eligible youth participating in the independent youth housing program must:

(a) Sign a program compliance agreement stating that the youth agrees to:

(i) Timely pay his or her portion of the independent housing cost;

(ii) Comply with an independent living plan; and

(iii) Comply with other program requirements and policies the department may establish; and

(b) Maintain his or her status as an eligible youth, except as provided in subsection (2) of this section.

(2) The department shall establish policies and procedures to allow the youth to remain in the program and continue to receive a housing stipend if the youth's total income exceeds fifty percent of the area median income during the course of his or her participation in the program. The policies must require the youth to:

(a) Participate in the individual development account program established under RCW 43.31.460 and invest a portion, to be determined by the department, of his or her income that exceeds fifty percent of the area median income in an individual development account; or

(b) If the youth is unable to participate in the individual development account program due to the program's capacity limits or eligibility requirements, participate in an alternate supervised savings program approved by the department, as long as the youth qualifies for and may participate in this savings program.

(3) An eligible youth may participate in the independent youth housing program for any duration of time and may apply to enroll in the program with the department at any time.

(4)(a) A youth may be terminated from the independent youth housing program for a violation of department policies.

(b) Youth who are terminated from the program may apply to the department for reenrollment in the program through a procedure to be developed by the department. The department shall establish criteria to evaluate a reenrollment application and may accept or deny a reenrollment application based on the department's evaluation.

NEW SECTION. Sec. 5. A new section is added to chapter 43.63A RCW to read as follows:

Beginning in 2007, the department must annually review and report on the performance of subcontractor organizations participating in the independent youth housing program, as well as the performance of the program as a whole.

1. Reporting should be within the context of the state homeless housing strategic plan under RCW 43.185C.040 and any other relevant state or local homeless or affordable housing plans. The legislature declares that section 2 of this act is intended to reverse the result of Okeson v. City of Seattle (January 18, 2007), by expressly granting municipal utilities the statutory authority to engage in mitigation activities to offset their utility's impact on the environment.

NEW SECTION. Sec. 2. A new section is added to chapter 35.92 RCW to read as follows:

(1) A city or town authorized to acquire and operate utilities for the purpose of furnishing the city or town and its inhabitants and other persons with water, with electricity for lighting and other purposes, or with service from sewerage, storm water, surface water, or solid waste handling facilities, may develop and make publicly available a plan to reduce its greenhouse gases emissions or achieve no-net emissions from all sources of greenhouse gases that the utility owns, leases, uses, contracts for, or otherwise controls.

(2) A city or town authorized to acquire and operate utilities for the purpose of furnishing the city or town and its inhabitants and other persons with water, with electricity for lighting and other purposes, or with service from sewerage, storm water, surface water, or solid waste handling facilities, may, as part of its utility operation, mitigate the environmental impacts, such as greenhouse gases emissions, of its operation, including any power purchases. The
mitigation may include, but is not limited to, those greenhouse gases mitigation mechanisms recognized by independent, qualified organizations with proven experience in emissions mitigation activities. Mitigation mechanisms may include the purchase, trade, and banking of greenhouse gases offsets or credits. If a state greenhouse gases registry is established, a utility that has purchased, traded, or banked greenhouse gases mitigation mechanisms under this section shall receive credit in the registry.

NEW SECTION. Sec. 3. Mitigation may include, but is not limited to, those greenhouse gases mitigation mechanisms recognized by independent, qualified organizations with proven experience in emissions mitigation activities. Mitigation mechanisms may include the purchase, trade, and banking of greenhouse gases offsets or credits. If a state greenhouse gases registry is established, a public utility district that has purchased, traded, or banked greenhouse gases mitigation mechanisms under this section shall receive credit in the registry.

NEW SECTION. Sec. 5. The legislature finds and declares that greenhouse gases offset contracts, credits, and other greenhouse gases mitigation efforts are a recognized utility purpose that confers a direct benefit on the utility's ratepayers. The legislature declares that section 6 of this act is intended to reverse the result of Okeson v. City of Seattle (January 18, 2007), by expressly granting counties the statutory authority to engage in mitigation activities to offset the impact on the environment of their utilities and certain other proprietary and user and ratepayer funded activities.

NEW SECTION. Sec. 6. A new section is added to chapter 36.01 RCW to read as follows:

MESSAGE FROM THE SENATE

April 6, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2034 with the following amendment:

"NEW SECTION. Sec. 1. The legislature finds the challenge of developing realistic, effective, and efficient solutions to the conservation and management issues facing Puget Sound and Washington's outer coast requires calling on all available sources of knowledge and creative thinking available in the collective wisdom of Washington's citizens. The legislature further finds that both Puget Sound and the outer coast are dynamic and localized ecosystems with unique local challenges and unique local solutions.

As such, it is essential for the future management of these ecosystems that citizens, through their local government, have a voice and an opportunity to share their dedication and interest in the well-being of their community's unique marine waters, while providing a valuable contribution to the statewide efforts aimed at restoring the outer coast and Puget Sound as a whole.

(2) The legislature further finds that federally led efforts to establish marine resources committees have proven to be an exciting vehicle for involving local citizens and community leaders in the future discussions, decisions, and restoration commitments in the waters most important to the community. The existing model of using a community-based, nonregulatory organization to examine issues particular to a community's corner of Puget Sound, applying for grants, and thoroughly and fairly investigating available options and solutions has proved to be a valuable asset to Puget Sound and its communities, and is worthy of replication throughout the Puget Sound basin and the outer coast.

(3) In this chapter, the legislature intends to establish a structure on which interested local communities can harness the dedication, creativity, and wisdom of their residents in the form of marine resources committees. These committees are intended to complement, and not compete with or undermine, any other governmental efforts to restore and manage the Puget Sound. The legislature further intends that the department of fish and wildlife should apply the lessons learned from Puget Sound to work with county governments on the outer coast to establish marine resources committees.

NEW SECTION. Sec. 2. (1)(a) The legislative authority for each county that borders the marine waters of southern Puget Sound may establish marine resources committees consistent with the procedures outlined in section 3 of this act. Counties authorized to establish marine resources committees in the southern Puget Sound area are: King, Pierce, Thurston, Kitsap, and Mason counties.

(b) The legislative authority for each county bordering the marine waters of the outer coast may develop a marine resources committee consistent with the procedures outlined in section 3 of this act.
act. Counties authorized to establish marine resources committees on
the outer coast are: Pacific, Grays Harbor, and Wahkiakum counties.

(5) Jefferson and Clallam counties may establish a new marine
resources committee or a subcommittee of the county’s existing
marine resources committee, consistent with the procedures outlined
in section 3 of this act, specifically to address the marine ecosystems
for the outer coast or Puget Sound, where appropriate.

(2) The mission of a marine resources committee created under
this section is to address, utilizing sound science, the needs of the
marine ecosystem local to the county initiating the marine resources
committee.

(3) A marine resources committee created under this section
should review current data and resource conservation and
management programs and make prioritized recommendations for
additional measures that might be necessary to enhance protection of
marine resources.

(4) The role of a marine resources committee in developing
recommendations includes, but is not limited to:
(a) Utilizing existing data and, to the extent necessary, helping
to gather new data on the health of local marine resources;
(b) Making scientifically based recommendations on local
candidate sites for marine protected areas;
(c) Working closely with local and state officials to help
implement recommendations of the marine resources committee;
(d) Promoting public outreach and education around marine
resource conservation and management issues; and
(e) Engaging in any other activities that the initiating county
deems appropriate.

NEW SECTION. Sec. 3. (1) A marine resources committee, as
described in section 2 of this act, may be created by the legislative
authority of any county bordering the marine waters of the outer
coast or Puget Sound, in cooperation with all appropriate cities and
special districts within their boundaries. Adjacent county legislative
authorities shall coordinate their efforts whenever there is a mutual
interest in creating a marine resources committee.

(2) A county may delegate the management and oversight of a
marine resources committee created by the county under section 2 of
this act to a city, or cities, within its jurisdiction, if the city or cities
are located on the marine waters of the outer coast or southern Puget
Sound and are willing to accept the delegation.

(3) Participating county legislative authorities must select
members of the marine resources committee, ensuring balanced
representation from: Local government; scientific experts; affected
economic interests; affected recreational interests; and environmental
and conservation interests. Additionally, participating county
legislative authorities must invite tribal representatives to participate
in the marine resources committee. An initiating county may
delegate its appointment authority to a city or cities that have
received from the county the delegated responsibilities of managing
and overseeing the marine resources committee.

(4) County residents may petition the county legislative
authority to create a marine resources committee. Upon receipt of a
petition, the county legislative authority must respond in writing
within sixty days as to whether they will authorize the creation of a
marine resources committee as well as the reasons for their decision.

NEW SECTION. Sec. 4. (1) The Puget Sound action team, or
its successor organization, shall serve as the regional coordinating
entity for marine resources committees created in the southern Puget
Sound and the department of fish and wildlife shall serve as the
regional coordinating entity for marine resources committees created
for the outer coast.

(2) The regional coordinating entity shall serve as a resource to,
at a minimum:
(a) Coordinate and pool grant applications and other funding
requests for marine resources committees;
(b) Coordinate communications and information among marine
resources committees;
(c) Assist marine resources committees to measure themselves
against regional performance benchmarks;
(d) Assist marine resources committees with coordinating local
projects to complement regional priorities;
(e) Assist marine resources committees to interact with and
complement other marine resources committees, and other similar
groups, constituted under a different authority; and
(f) Coordinate with the Northwest Straits commission on issues
common to marine resources committees statewide.

NEW SECTION. Sec. 5. Nothing in section 2 or 3 of this act
is intended to expand or limit the authority of local marine resources
committees established under the Northwest Straits marine
conservation initiative by federal act in San Juan, Whatcom, Skagit,
Island, Snohomish, Clallam, and Jefferson counties and existing as
of the effective date of this section.

NEW SECTION. Sec. 6. Outer coast marine resources
committees, in conjunction with their regional coordinating entity,
shall meet and consult with key state, federal, local, and tribal
governments, and private interest groups to develop a collaborative
process to address ocean policy issues. This collaborative process
should use Washington’s "Ocean Action Plan: Enhancing
Management of Washington State’s Ocean and Outer Coasts" developed by the Washington ocean policy work group as a guide to
begin the work of developing and coordinating state and local ocean
policy and providing better management of Washington’s coastal
areas.

NEW SECTION. Sec. 7. Sections 1 through 6 of this act
constitute a new chapter in Title 36 R.C.W.

On page 1, line 1 of the title, after "committees," strike the
remainder of the title and insert "and adding a new chapter to Title 36
R.C.W."

and the same is herewith transmitted.

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1041 with the following amendment:

Beginning on page 3, line 19, strike all of section 5 and insert the following:

"NEW SECTION. Sec. 5. A new section is added to chapter 23B.10 RCW to read as follows:

(1) Unless the articles of incorporation (a) specifically prohibit the adoption of a bylaw pursuant to this section, (b) alter the vote specified in RCW 23B.07.280(2), or (c) allow for or do not exclude cumulative voting, a public company may elect in its bylaws to be governed in the election of directors as follows:

(i) Each vote entitled to be cast may be voted for, voted against, or withheld for one or more candidates up to that number of candidates that is equal to the number of directors to be elected but without cumulating the votes, or a shareholder may indicate an abstention for one or more candidates;

(ii) To be elected, a candidate must have received the number, percentage, or level of votes specified in the bylaws; provided that holders of shares entitled to vote in the election and constituting a quorum are present at the meeting. A candidate who does not receive the number, percentage, or level of votes specified in the bylaws but who was a director at the time of the election shall continue to serve as a director for a term that shall terminate on the date that is the earlier of (A) the date specified in the bylaw, but not longer than ninety days from the date on which the voting results are determined pursuant to RCW 23B.07.300(2), or (B) the date on which an individual is selected by the board of directors to fill the office held by such director, which selection shall be deemed to constitute the filling of a vacancy by the board to which RCW 23B.08.100 applies;

(iii) A bylaw adopted pursuant to this section may provide that votes cast against and/or withheld as to a candidate are to be taken into account in determining whether the number, percentage, or level of votes required for election has been received. Unless the bylaw specifies otherwise, only votes cast are to be taken into account and a ballot marked "withheld" in respect to a share is deemed to be a vote cast. Unless the bylaws specify otherwise, shares otherwise present at the meeting but for which there is an abstention or as to which no authority or direction to vote in the election is given or specified, are not deemed to be votes cast in the election;

(iv) The board of directors may select any qualified individual to fill the office held by a director who did not receive the specified vote for election referenced in (c)(ii) of this subsection; and

(v) Unless the bylaw specifies otherwise, a bylaw adopted pursuant to this subsection (1) shall not apply to an election of directors by a voting group if (A) at the expiration of the time fixed under a provision requiring advance notification of director candidates, or (B) absent such a provision, at a time fixed by the board of directors which is not more than fourteen days before notice is given of the meeting at which the election is to occur, there are more candidates for election by the voting group than the number of directors to be elected, one or more of whom are properly proposed by shareholders. An individual shall not be considered a candidate for purposes of this subsection (1)(c)(v) if the board of directors determines before the notice of meeting is given that such individual's candidacy does not create a bona fide election contest.

(2) A bylaw containing an election to be governed by this section may be repealed or amended:

(a) If originally adopted by the shareholders, only by the shareholders, unless the bylaw otherwise provides; or

(b) If adopted by the board of directors, by the board of directors or the shareholders."
SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to SUBSTITUTE HOUSE BILL NO. 1098 and asked the Senate to recede therefrom.

Thomas Hoemann, Secretary

POINT OF ORDER

Representative Springer requested a scope and object ruling on the Senate amendment to Substitute House Bill No. 1098.

SPEAKER'S RULING

Mr. Speaker (Representative Lovick presiding): "Substitute House Bill 1098 is titled AN ACT relating to the "availability of vaccines during outbreaks." Current law prohibits the vaccination of pregnant women and children under the age of three with vaccines containing mercury above a specific limit, with the exception of influenza vaccines. The bill authorizes the Secretary of the Department of Health to suspend this prohibition during the duration of a declared outbreak of vaccine-preventable disease or a shortage of vaccines.

The Senate amendment adds a provision requiring notice to pregnant women and parents or legal guardians of any child under the age of eighteen before vaccination with products containing mercury above the limit referenced above. The Senate amendment's requirement of notice is not limited to the same group of persons subject to current statutory prohibitions nor is it limited to vaccinations during declared outbreaks or shortages. The Speaker therefore finds the amendment expands the scope and object of the bill.

Representative Springer, your point of order is well taken."

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate Amendment to SUBSTITUTE HOUSE BILL NO. 1098 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 9, 2007

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1573 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. It is the intent of the legislature that increasing academic success and increasing graduation rates be dual goals for the K-12 system. The legislature finds that only seventy-four percent of the class of 2005 graduated on time. Students of color, students living in poverty, students in foster care, students in the juvenile justice system, students who are homeless, students for whom English is not their primary language, and students with disabilities have lower graduation rates than the average. The legislature further finds that students who drop out experience more frequent occurrences of early pregnancy, delinquency, substance abuse, and mental health issues, and have greater need of publicly funded health and social services. The legislature further finds that helping all students be successful in school requires active participation in coordinating services from schools, parents, and other stakeholders and agencies in the local community. The legislature finds that existing resources to vulnerable youth are used more efficiently and effectively when there is significant coordination across local and state entities. The legislature further finds that efficiency and accountability of the K-12 system would be improved by creating a dropout prevention and intervention grant program that implements research-based and emerging best practices and evaluates results.

NEW SECTION. Sec. 2. Subject to the availability of funds appropriated for this purpose, the office of the superintendent of public instruction shall create a grant program and award grants to local partnerships of schools, families, and communities to begin the phase in of a statewide comprehensive dropout prevention, intervention, and retrieval system. This program shall be known as the building bridges program.

(1) For purposes of sections 2 through 7 of this act, a "building bridges program" means a local partnership of schools, families, and communities to begin the phase in of a statewide comprehensive dropout prevention, intervention, and retrieval system. This program shall be known as the building bridges program.

(2) A system that identifies individual students at risk of dropping out from middle through high school based on local predictive data, including state assessment data starting in the fourth grade, and provides timely interventions for such students and for dropouts, including a plan for educational success as already required by the student learning plan as defined under RCW 28A.655.061. Students identified shall include foster care youth, youth involved in the juvenile justice system, and students receiving special education services under chapter 28A.155 RCW;

(b) Coaches or mentors for students as necessary;
(c) Staff responsible for coordination of community partners that provide a seamless continuum of academic and nonacademic support in schools and communities;
(d) Retrieval or reentry activities; and
(e) Alternative educational programming, including, but not limited to, career and technical education exploratory and preparatory programs and online learning opportunities.

(2) One of the grants awarded under this section shall be for a two-year demonstration project focusing on providing fifth through twelfth grade students with a program that utilizes technology and is integrated with state standards, basic academics, cross-cultural exposures, and age-appropriate preemployment training. The project shall:
(a) Establish programs in two western Washington and one eastern Washington urban areas;
(b) Identify at-risk students in each of the distinct communities and populations and implement strategies to close the achievement gap;
(c) Collect and report data on participant characteristics and outcomes of the project, including the characteristics and outcomes specified under section 3(1)(e) of this act; and
(d) Submit a report to the legislature by December 1, 2009.

NEW SECTION. Sec. 3. (1) The office of the superintendent of public instruction shall:
(a) Identify criteria for grants and evaluate proposals for funding in consultation with the workforce training and education coordinating board to ensure state standards, basic academics, cross-cultural development of a functional sustainability plan, including the identification of potential funding sources for future operation.
(b) At the request of a local partnership established under a grant awarded under section 2 of this act, provide assistance in the development of a functional sustainability plan, including the identification of potential funding sources for future operation.
(2) Local partnerships established under a grant awarded under section 2 of this act may contract with an educational service district, workforce development council, or a private agency for specialized training in such areas as cultural competency, identifying diverse learning styles, and intervention strategies for students at risk of dropping out of school.

NEW SECTION. Sec. 4. In awarding the grants under section 2 of this act, the office of the superintendent of public instruction shall prioritize schools or districts with dropout rates above the statewide average and shall attempt to award building bridges program grants to different geographic regions of the state. Eligible recipients shall be one of the following entities acting as a lead agency for the local partnership: A school district, a tribal school, an area workforce development council, an educational service district, an accredited institution of higher education, a vocational skills center, a federally recognized tribe, a community organization, or a nonprofit 501(c)(3) corporation. If the recipient is not a school district, at least one school district must be identified within the partnership. The superintendent of public instruction shall ensure that grants are distributed proportionately between school districts and other recipients. This requirement may be waived if the superintendent of public instruction finds that the quality of the programs or applications from these entities does not warrant the awarding of the grants proportionately.

NEW SECTION. Sec. 5. To be eligible for a grant under section 2 of this act, grant applicants shall:
(1) Build or demonstrate a commitment to building a broad-based partnership of schools, families, and community members to provide an effective and efficient building bridges program. The partnership shall consider an effective model for school-community partnerships and include local membership from, but not limited to, school districts, tribal schools, secondary career and technical education programs, skill centers that serve the local community, an educational service district, the area workforce development council, accredited institutions of higher education, tribes or other cultural organizations, the parent-teacher association, the juvenile court, prosecutors and defenders, the local health department, health care agencies, public transportation agencies, local division representatives of the department of social and health services, businesses, city or county government agencies, civic organizations, and appropriate youth-serving community-based organizations. Interested parents and students shall be actively included whenever possible;
(2) Demonstrate how the grant will enhance any dropout prevention and intervention programs and services already in place in the district;
(3) Provide a twenty-five percent match that may include in-kind resources from within the partnership;
(4) Track and report data required by the grant; and
(5) Describe how the dropout prevention, intervention, and retrieval system will be sustained after initial funding, including roles of each of the partners.

NEW SECTION. Sec. 6. (1) Educational service districts, in collaboration with area workforce development councils, shall:
(a) Provide technical assistance to local partnerships established under a grant awarded under section 2 of this act in collecting and using performance data; and
(b) At the request of a local partnership established under a grant awarded under section 2 of this act, provide assistance in the development of a functional sustainability plan, including the identification of potential funding sources for future operation.

NEW SECTION. Sec. 7. (1) The office of the superintendent of public instruction shall establish a state-level work group that includes K-12 and state agencies that work with youth who have dropped out or are at risk of dropping out of school. The state-level leadership group shall consist of one representative from each of the following agencies and organizations: The workforce training and education coordinating board; career and technical education including skill centers; relevant divisions of the department of social and health services; the juvenile courts; the Washington association of prosecuting attorneys; the Washington state office of public defense; the employment security department; accredited institutions of higher education; the educational service districts; the area...
workforce development councils; parent and educator associations; the department of health; local school districts; agencies or organizations that provide services to special education students; community organizations serving youth; federally recognized tribes and urban tribal centers; each of the major political caucuses of the senate and house of representatives; and the minority commissions.

(2) To assist and enhance the work of the building bridges programs established in section 5 of this act, the state-level work group shall:

(a) Identify and make recommendations to the legislature for the reduction of fiscal, legal, and regulatory barriers that prevent coordination of program resources across agencies at the state and local level;

(b) Develop and track performance measures and benchmarks for each partner agency or organization across the state including performance measures and benchmarks based on student characteristics and outcomes specified in section 3(1)(e) of this act; and

(c) Identify research-based and emerging best practices regarding prevention, intervention, and retrieval programs.

(3) The work group shall report to the legislature and the governor on an annual basis beginning December 1, 2007, with recommendations for implementing emerging best practices, needed additional resources, and eliminating barriers.

NEW SECTION. Sec. 8. (1) During the 2007-2009 biennium, school districts that contract with eligible alternative educational service providers to provide education programs, including GED preparation, that generate course credits towards high school graduation, for students who are at risk of dropping out of school, or who have dropped out of school, may continue to use basic education allocations under RCW 28A.150.250 to fund contracts with those providers. For purposes of this section, "eligible alternative educational service providers" includes community and technical colleges and community-based organizations that meet all state requirements for receiving state K-12 formula allocations.

(2) All school districts with contracts with eligible alternative educational service providers shall provide information to the office of the superintendent of public instruction including, but not limited to: (a) The number of students enrolled in those programs; (b) the amount of weekly instructional hours provided; (c) the location of the instruction program provided; and (d) the number and types of staff providing the instruction in the programs. By December 1, 2008, the office of the superintendent of public instruction shall submit a report to the office of financial management and the appropriate policy and fiscal committees of the legislature that summarizes the information provided by the school districts pursuant to this subsection.

(3) The state-level work group established under section 7 of this act shall examine issues related to school districts' use of basic education allocations under this section including, but not limited to, findings or other relevant communications by the state auditor. The work group shall develop recommendations and submit a report to the appropriate legislative committees by December 1, 2009.

NEW SECTION. Sec. 9. Sections 2 through 7 of this act are each added to chapter 28A.175 RCW.

NEW SECTION. Sec. 10. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2007, in the omnibus appropriations act, this act is null and void."

NEW SECTION. Sec. 3. A new section is added to chapter 71.36 RCW to read as follows:

ELEMENTS OF A CHILDREN'S MENTAL HEALTH SYSTEM. (1) It is the goal of the legislature that, by 2012, the children's mental health system in Washington state include the following elements:

A continuum of services from early identification, intervention, and prevention through crisis intervention and inpatient treatment, including peer support and parent mentoring services;

(b) Equity in access to services for similarly situated children, including children with co-occurring disorders;

(c) Developmentally appropriate, high quality, and culturally competent services available statewide;

(d) Treatment of each child in the context of his or her family and other persons that are a source of support and stability in his or her life;

(e) A sufficient supply of qualified and culturally competent children's mental health providers;

(g) Integrated and flexible services to meet the needs of children who, due to mental illness or emotional or behavioral disturbance, are at risk of out-of-home placement or involved with multiple child-serving systems.

(2) The effectiveness of the children's mental health system shall be determined through the use of outcome-based performance measures. The department and the evidence-based practice institute established in section 7 of this act, in consultation with parents, caregivers, youth, regional support networks, mental health services providers, health plans, primary care providers, tribes, and others, shall develop outcome-based performance measures such as:

(a) Decreased emergency room utilization;

(b) Decreased psychiatric hospitalization;

(c) Lessening of symptoms, as measured by commonly used assessment tools;

(d) Decreased out-of-home placement, including residential, group, and foster care, and increased stability of such placements, when necessary;

(e) Decreased runaways from home or residential placements;

(f) Decreased rates of chemical dependency;

(g) Decreased involvement with the juvenile justice system;

(h) Improved school attendance and performance;

(i) Reductions in school or child care suspensions or expulsions;

(j) Reductions in use of prescribed medication where cognitive behavioral therapies are indicated;

(k) Improved rates of high school graduation and employment; and

(l) Decreased use of mental health services upon reaching adulthood for mental disorders other than those that require ongoing treatment to maintain stability.

Performance measure reporting for children's mental health services should be integrated into existing performance measurement and reporting systems developed and implemented under chapter 71.24 RCW.

NEW SECTION. Sec. 4. REGIONAL SUPPORT NETWORK SERVICES—CHILDREN'S ACCESS TO CARE STANDARDS AND BENEFIT PACKAGE. As part of the system transformation initiative, the department of social and health services shall undertake the following activities related specifically to children's mental health services:

(1) The development of recommended revisions to the access to care standards for children. The recommended revisions shall reflect the policies and principles set out in RCW 71.36.005, 71.36.010, and section 3 of this act, and recognize that early identification, intervention and prevention services, and brief intervention services may be provided outside of the regional support network system. Revised access to care standards shall assess a child's need for mental health services based upon the child's diagnosis and its negative impact upon his or her persistent impaired functioning in family, school, or the community, and should not solely condition the receipt of services upon a determination that a child is engaged in high risk behavior or is in imminent need of hospitalization or out-of-home placement. Assessment and diagnosis for children under five years of age shall be determined using a nationally accepted assessment tool designed specifically for children of that age. The recommendations shall also address whether amendments to RCW 71.24.025 (26) and (27) and 71.24.035(5) are necessary to implement revised access to care standards;

(2) Development of a revised children's mental health benefit package. The department shall ensure that services included in the children's mental health benefit package reflect the policies and principles included in RCW 71.36.005 and section 3 of this act, to the extent allowable under medicaid, Title XIX of the federal social security act. Strong consideration shall be given to developmentally appropriate evidence-based, research-based, promising, or consensus-based practices, family-based interventions, the use of natural and peer supports, and community support services. This effort shall include a review of other states' efforts to fund family-centered children's mental health services through their medicaid programs;

(3) Consistent with the timeline developed for the system transformation initiative, recommendations for revisions to the children's access to care standards and the children's mental health services benefits package shall be presented to the legislature by January 1, 2009.

NEW SECTION. Sec. 5. A new section is added to chapter 74.09 RCW to read as follows:

IMPROVING MEDICATION MANAGEMENT AND CARE COORDINATION. (1)(a) The department, in consultation with the evidence-based practice institute established in section 7 of this act, shall develop and implement policies to improve prescribing practices for treatment of emotional or behavioral disturbances in children, improve the quality of children's mental health therapy through increased use of evidence-based, research-based, promising, or consensus-based practices and reduced variation in practice, improve communication and care coordination between primary care and mental health providers, and prioritize care in the family home or care which integrates the family where out-of-home placement is required.

(b) The department shall identify those children with emotional or behavioral disturbances who may be at high risk due to off-label use of prescription medication, use of multiple medications, high medication dosage, or lack of coordination among multiple prescribing providers, and establish one or more mechanisms to evaluate the appropriateness of the medication these children are using, including but not limited to obtaining second opinions from experts in child psychiatry.

(c) The department shall review the psychotropic medications of all children under five and establish one or more mechanisms to evaluate the appropriateness of the medication these children are using, including but not limited to obtaining second opinions from experts in child psychiatry.
(d) The department shall track prescriptive practices with respect to psychotropic medications with the goal of reducing the use of medication.

(e) The department shall encourage the use of cognitive behavioral therapies and other treatments which are empirically supported or evidence-based, in addition to or in the place of prescription medication where appropriate.

(2) The department shall convene a representative group of regional support networks, community mental health centers, and managed health care systems contracting with the department under RCW 74.09.522 to:

(a) Establish mechanisms and develop contract language that ensures increased coordination of and access to medicaid mental health benefits available to children and their families, including ensuring access to services that are identified as a result of a developmental screen administered through early periodic screening, diagnosis, and treatment;

(b) Define managed health care system and regional support network contractual performance standards that track access to and utilization of services; and

(c) Set standards for reducing the number of children that are prescribed antipsychotic drugs and receive no outpatient mental health services with their medication.

(3) The department shall report on progress and any findings under this section to the legislature by January 1, 2009.

NEW SECTION. Sec. 6. A new section is added to chapter 71.36 RCW to read as follows:

MEDICAID ELIGIBLE CHILDREN IN TEMPORARY JUVENILE DETENTION. The department shall explore the feasibility of obtaining a medicaid state plan amendment to allow the state to receive medicaid matching funds for health services provided to medicaid enrolled youth who are temporarily placed in a juvenile detention facility. Temporary placement shall be defined as until adjudication or up to sixty continuous days, whichever occurs first.

NEW SECTION. Sec. 7. A new section is added to chapter 71.24 RCW to read as follows:

CHILDREN'S MENTAL HEALTH PROVIDERS. (1) The department shall provide flexibility in provider contracting to regional support networks for children's mental health services. Beginning with 2007-2009 biennium contracts, regional support network contracts shall authorize regional support networks to allow and encourage licensed community mental health centers to subcontract with individual licensed mental health professionals when necessary to meet the need for an adequate, culturally competent, and affordable mental health care for children in their mental health care network.

(2) To the extent that funds are specifically appropriated for this purpose or that nonstate funds are available, a children's mental health evidence-based practice institute shall be established at the University of Washington division of public behavioral health and justice policy. The institute shall closely collaborate with entities currently engaged in evaluating and promoting the use of evidence-based, research-based, promising, or consensus-based practices in children's mental health treatment, including but not limited to the University of Washington department of psychology and behavioral sciences, children's hospital and regional medical center, the University of Washington school of nursing, the University of Washington school of social work, and the Washington state institute for public policy. To ensure that funds appropriated are used to the greatest extent possible for their intended purpose, the University of Washington's indirect costs of administration shall not exceed ten percent of appropriated funding. The institute shall:

(a) Improve the implementation of evidence-based, research-based, promising, or consensus-based practices by providing sustained and effective training and consultation to licensed children's mental health providers and child-serving agencies who are implementing evidence-based or promising practices for treatment of children's emotional or behavioral disorders, or who are interested in adapting these practices to better serve ethically or culturally diverse children. Efforts under this subsection should include a focus on appropriate oversight of implementation of evidence-based practices to ensure fidelity to these practices and thereby achieve positive outcomes;

(b) Continue the successful implementation of the "partnerships for success" model by consulting with communities so they may select, implement, and continually evaluate the success of evidence-based practices that are relevant to the needs of children, youth, and families in their community;

(c) Partner with youth, family members, family advocacy, and culturally competent provider organizations to develop a series of information sessions, literature, and on-line resources for families to become informed and engaged in evidence-based, research-based, promising, or consensus-based practices;

(d) Participate in the identification of outcome-based performance measures under section 3(2) of this act and partner in a statewide effort to implement statewide outcomes monitoring and quality improvement processes; and

(e) Serve as a statewide resource to the department and other entities on child and adolescent evidence-based, research-based, promising, or consensus-based practices for children's mental health treatment, maintaining a working knowledge through ongoing review of academic and professional literature, and knowledge of other evidence-based practice implementation efforts in Washington and other states.

(3) To the extent that funds are specifically appropriated for this purpose, the department in collaboration with the evidence-based practice institute shall implement a pilot program to support primary care providers in the assessment and provision of appropriate diagnosis and treatment of children with mental and behavioral health disorders and track outcomes of this program. The program shall be designed to promote more accurate diagnoses and treatment through timely case consultation between primary care providers and child psychiatric specialists, and focused educational learning collaboratives with primary care providers.

NEW SECTION. Sec. 8. A new section is added to chapter 74.09 RCW to read as follows:

(1) The department shall adopt rules and policies providing that when youth who were enrolled in a medical assistance program immediately prior to confinement are released from confinement, their medical assistance coverage will be fully reinstated on the day of their release, subject to any expedited review of their continued eligibility for medical assistance coverage that is required under federal or state law.

(2) The department, in collaboration with county juvenile court administrators and regional support networks, shall establish procedures for coordination between department field offices, juvenile rehabilitation administration institutions, and county juvenile courts that result in prompt reinstatement of eligibility and speedy eligibility determinations for youth who are likely to be eligible for medical assistance services upon release from confinement. Procedures developed under this subsection must address:

(a) Mechanisms for receiving medical assistance services' applications on behalf of confined youth in anticipation of their release from confinement;

(b) Expedient review of applications filed by or on behalf of confined youth and, to the extent practicable, completion of the review before the youth is released; and

(c) Mechanisms for providing medical assistance services' identity cards to youth eligible for medical assistance services immediately upon their release from confinement.

(3) For purposes of this section, "confined" or "confinement" means detained in a facility operated by or under contract with the department of social and health services, juvenile rehabilitation administration, or detained in a juvenile detention facility operated under chapter 13.04 RCW.

(4) The department shall adopt standardized statewide screening and application practices and forms designed to facilitate the application of a confined youth who is likely to be eligible for a medical assistance program.

NEW SECTION. Sec. 9. Educational service district boards may partner with regional support networks to respond to a request for proposal for operation of a wraparound model site under this act.
and, if selected, may contract for the provision of services to coordinate care and facilitate the delivery of services and other supports under a wraparound model.

NEW SECTION. Sec. 10. WRAPAROUND MODEL OF INTEGRATED CHILDREN'S MENTAL HEALTH SERVICES DELIVERY. To the extent funds are specifically appropriated for this purpose, the department of social and health services shall contract for implementation of a wraparound model of integrated children's mental health services delivery in up to three counties in Washington state.

(1) Funding provided may be expended for: Costs associated with a request for proposal and contracting process; administrative costs associated with successful bidders' operation of the wraparound model; the evaluation under subsection (5) of this section; and funding for services needed by children enrolled in wraparound model sites that are not otherwise covered under existing state programs. The services provided through the wraparound model sites shall include, but not be limited to, services covered under the medicaid program. The department shall maximize the use of medicaid and other existing state-funded programs as a funding source. However, state funds provided may be used to develop a broader service package to meet needs identified in a child's care plan. Amounts provided shall supplement, and not supplant, state, local, or other funding for services that a child being served through a wraparound site would otherwise be eligible to receive.

(2) The wraparound model sites shall serve children with serious emotional or behavioral disturbances who are at high risk of residential or correctional placement or psychiatric hospitalization, and who have been referred for services from the department, a county juvenile court, a tribal court, a school, or a licensed mental health provider or agency.

(3) Through a request for proposal process, the department shall contract, with educational service districts, regional support networks, or entities licensed to provide mental health services to children with serious emotional or behavioral disturbances, to operate the wraparound model sites. The contractor shall provide care coordination and facilitate the delivery of services and other supports to families using a strength-based, highly individualized wraparound process. The request for proposal shall require that the contractor provide evidence of commitments from at least the following entities to participate in wraparound care plan development and service provision when appropriate: Regional support networks, community mental health agencies, schools, the department of social and health services children's administration, juvenile courts, the department of social and health services juvenile rehabilitation administration, and managed health care systems contracting with the department under RCW 74.09.522.

(4) Contracts for operation of the wraparound model sites shall be executed on or before April 1, 2008, with enrollment and service delivery beginning on or before July 1, 2008.

(5) The evidence-based practice institute established in section 7 of this act shall evaluatewraparound model sites, measuring outcomes for children served. Outcomes measured shall include, but are not limited to: Decreased out-of-home placement, including residential, group, and foster care, and increased stability of such placements, school attendance, school performance, recidivism, emergency room utilization, involvement with the juvenile justice system, and decreased hospitalization.

NEW SECTION. Sec. 11. A new section is added to chapter 74.09 RCW to read as follows:

(1) To the extent that funds are specifically appropriated for this purpose the department shall revise its medicaid healthy options managed care and fee-for-service program standards under medicaid, Title XIX of the federal social security act to improve access to mental health services for children who do not meet the regional support network access to care standards. Effective July 1, 2008, the program standards shall be revised to allow outpatient therapy services to be provided by licensed mental health professionals, as defined in RCW 71.34.020, and up to twenty outpatient therapy hours per calendar year, including family therapy visits integral to a child's treatment.

MESSAGE FROM THE SENATE

April 11, 2007

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1106 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that each year health care-associated infections affect two million Americans. These infections result in the unnecessary death of ninety thousand patients and costs the health care system 4.5 billion dollars. Hospitals should be implementing evidence-based measures to reduce hospital-acquired infections. The legislature further finds the public should have access to data on outcome measures regarding hospital-acquired infections. Data reporting should be consistent with national hospital reporting standards.

NEW SECTION. Sec. 2. A new section is added to chapter 43.70 RCW to read as follows:

(1) The definitions in this subsection apply throughout this section unless the context clearly requires otherwise.

(a) "Health care-associated infection" means a localized or systemic condition that results from adverse reaction to the presence of an infectious agent or its toxins and that was not present or incubating at the time of admission to the hospital.

(b) "Hospital" means a health care facility licensed under chapter 70.41 RCW.

(2)(a) A hospital shall collect data related to health care-associated infections as required under this subsection (2) on the following:

(i) Beginning July 1, 2008, central line-associated bloodstream infection in the intensive care unit;

(ii) Beginning January 1, 2009, ventilator-associated pneumonia; and

(iii) Beginning January 1, 2010, surgical site infection for the following procedures:

(A) Deep sternal wound for cardiac surgery, including coronary artery bypass graft;

(B) Total hip and knee replacement surgery; and

(C) Hysterectomy, abdominal and vaginal.

(b) Until required otherwise under (c) of this subsection, a hospital must routinely collect and submit the data required to be collected under (a) of this subsection to the national healthcare safety network of the United States centers for disease control and prevention in accordance with national healthcare safety network definitions, methods, requirements, and procedures.

(e)(i) With respect to any of the health care-associated infection measures for which reporting is required under (a) of this subsection, the hospital must release to the department, or grant the department access to, its hospital-specific information contained in the reports submitted under this subsection (2), as requested by the department.

(ii) The hospital reports obtained by the department shall be released in the report and on excluding from the report selected recommendations to assist the department in carrying out its responsibilities under this section, including making recommendations on allowing a hospital to review and verify data to be released in the report and on excluding from the report data from certified critical access hospitals.

(b) In developing its recommendations, the advisory committee established in subsection (5) of this section for additional reporting requirements related to health care-associated infections, considering the methodologies and practices of the United States centers for disease control and prevention, the centers for medicare and medicaid services, the joint commission, the national quality forum, the institute for healthcare improvement, and other relevant organizations;

(c) Delete, by rule, the reporting of categories that the department determines are no longer necessary to protect public health and safety;

(d) By December 1, 2009, and by each December 1st thereafter, prepare and publish a report on the department's web site that compares the health care-associated infection rates at individual hospitals in the state using the data reported in the previous calendar year pursuant to subsection (2) of this section. The department may update the reports quarterly. In developing a methodology for the report and determining its contents, the department shall consider the recommendations of the advisory committee established in subsection (5) of this section. The report is subject to the following:

(i) The report must disclose in a format that does not release health information about any individual patient; and

(ii) The report must not include data if the department determines that a data set is too small or possesses other characteristics that make it otherwise unrepresentative of a hospital's particular ability to achieve a specific outcome; and

(e) Evaluate, on a regular basis, the quality and accuracy of health care-associated infection reporting required under subsection (2) of this section and the data collection, analysis, and reporting methodologies.

(4) The department may respond to requests for data and other information from the data required to be reported under subsection (2) of this section, at the requestor's expense, for special studies and analysis consistent with requirements for confidentiality of patient records.

(5)(a) The department shall establish an advisory committee which may include members representing infection control professionals and epidemiologists, licensed health care providers, nursing staff, organizations that represent health care providers and facilities, health maintenance organizations, health care payers and consumers, and the department. The advisory committee shall make recommendations to assist the department in carrying out its responsibilities under this section, including making recommendations on allowing a hospital to review and verify data to be released in the report and on excluding from the report data from certified critical access hospitals.

(b) In developing its recommendations, the advisory committee shall consider methodologies and practices related to health care-associated infections of the United States centers for disease control and prevention, the centers for medicare and medicaid services, the
joint commission, the national quality forum, the institute for healthcare improvement, and other relevant organizations.

(6) The department shall adopt rules as necessary to carry out its responsibilities under this section.

Sec. 3. RCW 70.41.200 and 2005 c 291 s 3 and 2005 c 33 s 7 are each reenacted and amended to read as follows:

(1) Every hospital shall maintain a coordinated quality improvement program for the improvement of the quality of health care services rendered to patients and the identification and prevention of medical malpractice. The program shall include at least the following:

(a) The establishment of a quality improvement committee with the responsibility to review the services rendered in the hospital, both retrospectively and prospectively, in order to improve the quality of medical care of patients and to prevent medical malpractice. The committee shall oversee and coordinate the quality improvement and medical malpractice prevention program and shall ensure that information gathered pursuant to the program is used to review and to revise hospital policies and procedures;

(b) A medical staff privileges sanction procedure through which credentials, physical and mental capacity, and competence in delivering health care services are periodically reviewed as part of an evaluation of staff privileges;

(c) The periodic review of the credentials, physical and mental capacity, and competence in delivering health care services of all persons who are employed or associated with the hospital;

(d) A procedure for the prompt resolution of grievances by patients or their representatives related to accidents, injuries, treatment, and other events that may result in claims of medical malpractice;

(h) Policies to ensure compliance with the reporting requirements of this section.

(2) Any person who, in substantial good faith, provides information to further the purposes of the quality improvement and medical malpractice prevention program or who, in substantial good faith, participates on the quality improvement committee shall not be subject to an action for civil damages or other relief as a result of such activity. Any person or entity participating in a coordinated quality improvement program that, in substantial good faith, shares information or documents with one or more other programs, committees, or boards under subsection (8) of this section is not subject to an action for civil damages or other relief as a result of the activity. For the purposes of this section, sharing information is presumed to be in substantial good faith. However, the presumption may be rebutted upon a showing of clear, cogent, and convincing evidence that the information shared was knowingly false or deliberately misleading.

(3) Informaton and documents, including complaints and incident reports, created specifically for, and collected and maintained by, a quality improvement committee are not subject to review or disclosure, except as provided in this section, or discovery or introduction into evidence in any civil action, and no person who was in attendance at a meeting of such committee or who participated in the creation, collection, or maintenance of information or documents specifically for the committee shall be permitted or required to testify in any civil action as to the content of such proceedings or the documents and information prepared specifically for the committee. This subsection does not preclude: (a) In any civil action, the discovery of the identity of persons involved in the medical care that is the basis of the civil action whose involvement was independent of any quality improvement activity; (b) in any civil action, the testimony of any person concerning the facts which form the basis for the institution of such proceedings of which the person has personal knowledge acquired independently of such proceedings; (c) any civil action by a health care provider regarding the restriction or revocation of that individual's clinical or staff privileges, introduction into evidence information collected and maintained by quality improvement committees regarding such health care provider; (d) in any civil action, disclosure of the fact that staff privileges were terminated or restricted, including the specific restrictions imposed, if any and the reasons for the restrictions; or (e) in any civil action, discovery and introduction into evidence of the patient's medical records required by regulation of the department of health to be made regarding the care and treatment received.

(4) Each quality improvement committee shall, on at least a semiannual basis, report to the governing board of the hospital in which the committee is located. The report shall review the quality improvement activities conducted by the committee, and any actions taken as a result of those activities.

(5) The department of health shall adopt such rules as are deemed appropriate to effectuate the purposes of this section.

(6) The medical quality assurance commission or the board of osteopathic medicine and surgery, or a private party, may review and audit the records of committee decisions in which a physician's privileges are terminated or restricted. Each hospital shall produce and make accessible to the commission or board the appropriate records and otherwise facilitate the review and audit. Information so gained shall not be subject to the discovery process and confidentiality shall be respected as required by subsection (3) of this section. Failure of a hospital to comply with this subsection is punishable by a civil penalty not to exceed two hundred fifty dollars.

Each hospital shall produce and make accessible to the department the appropriate records and otherwise facilitate the review and audit.

SECOND SUBSTITUTE HOUSE BILL NO. 1106, as amended by the Senate, having received the constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

April 13, 2007

Mr. Speaker:
The Senate has passed SUBSTITUTE HOUSE BILL NO. 1256 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 43.215 RCW to read as follows:

(1) Minimum licensing requirements under this chapter shall include a prohibition on the use of window blinds or other window coverings with pull cords or inner cords capable of forming a loop and posing a risk of strangulation to young children. Window blinds and other coverings that have been manufactured or properly retrofitted in a manner that eliminates the formation of loops posing a risk of strangulation are not prohibited under this section.

(2) When developing and periodically reviewing minimum licensing requirements related to safety of the premises, the director shall consult and give serious consideration to publications of the United States consumer product safety commission.

(3) The department may provide information as available regarding reduced cost or no-cost options for retrofitting or replacing unsafe window blinds and window coverings.

NEW SECTION. Sec. 2. This act may be known and cited as the Jaclyn Frank act."
and to award contracts to the lowest responsible bidder, as defined in RCW 43.19.1911. Invitations for quotations shall include an estimate of the scope and nature of the work to be performed as well as materials and equipment to be furnished. However, detailed plans and specifications need not be included in the invitation. This subsection does not eliminate other requirements for architectural or engineering approvals as to quality and compliance with building codes. Quotations may be invited from all appropriate contractors on the appropriate small works roster. As an alternative, quotations may be solicited from at least five contractors on the appropriate small works roster who have indicated the capability of performing the kind of work being contracted, in a manner that will equitably distribute the opportunity among the contractors on the appropriate roster. However, if the estimated cost of the work is from one hundred thousand dollars to two hundred thousand dollars, a state agency or local government, other than a port district, that chooses to solicit bids from less than all the appropriate contractors on the appropriate small works roster must also notify the remaining contractors on the appropriate small works roster that quotations on the work are being sought. The government has the sole option of determining whether this notice to the remaining contractors is made by: (i) Publishing notice in a legal newspaper in general circulation in the area where the work is to be done; (ii) mailing a notice to these contractors; or (iii) sending a notice to these contractors by facsimile or other electronic means. For purposes of this subsection (2)(c), "equitably distribute" means that a state agency or local government soliciting bids may not favor certain contractors on the appropriate small works roster over other contractors on the appropriate small works roster who perform similar services.

(d) A contract awarded from a small works roster under this section need not be advertised.

(e) Immediately after an award is made, the bid quotations obtained shall be recorded, open to public inspection, and available by telephone inquiry.

(3) In lieu of awarding contracts under subsection (2) of this section, a state agency or authorized local government may award a contract for work, construction, alteration, repair, or improvement projects estimated to cost less than thirty-five thousand dollars using the limited public works process provided under this subsection. Public works projects awarded under this subsection are exempt from the other requirements of the small works roster process provided under subsection (2) of this section and are exempt from the requirement that contracts be awarded after advertisement as provided under RCW 39.04.010.

For limited public works projects, a state agency or authorized local government shall solicit electronic or written quotations from a minimum of the three contractors from the appropriate small works roster and shall award the contract to the lowest responsible bidder as defined under RCW 43.19.1911. After an award is made, the quotations shall be open to public inspection and available by electronic request. A state agency or authorized local government shall attempt to distribute opportunities for limited public works projects equitably among contractors willing to perform in the geographic area of the work. A state agency or authorized local government shall maintain a list of the contractors contacted and the contracts awarded during the previous twenty-four months under the limited public works process, including the name of the contractor, the contractor's registration number, the amount of the contract, a brief description of the type of work performed, and the date the contract was awarded. For limited public works projects, a state agency or authorized local government may waive the payment and performance bond requirements of chapter 39.08 RCW and the retainage requirements of chapter 60.28 RCW, thereby assuming the liability for the contractor's nonpayment of laborers, mechanics, subcontractors, materialpersons, suppliers, and taxes imposed under Title 82 RCW that may be due from the contractor for the limited public works project, however the state agency or authorized local government shall have the right of recovery against the contractor for any payments made on the contractor's behalf.

(4) The breaking of any project into units or accomplishing any projects by phases is prohibited if it is done for the purpose of avoiding the maximum dollar amount of a contract that may be let using the small works roster process or limited public works process.

(5)(a) A state agency or authorized local government may use the limited public works process of subsection (3) of this section to solicit and award small works roster contracts to small businesses that are registered contractors with gross revenues under one million dollars annually as reported on their federal tax return.

(b) A state agency or authorized local government may adopt additional procedures to encourage small businesses that are registered contractors with gross revenues under two hundred fifty thousand dollars annually as reported on their federal tax return to submit quotations or bids on small works roster contracts.

(6) As used in this section, "state agency" means the department of general administration, the state parks and recreation commission, the department of natural resources, the department of fish and wildlife, the department of transportation, any institution of higher education as defined under RCW 28B.10.016, and any other state agency delegated authority by the department of general administration to engage in construction, building, renovation, remodeling, alteration, improvement, or repair activities.

Sec. 2. RCW 60.28.051 and 1992 c 223 s 4 are each amended to read as follows:

Upon completion of a contract, the state, county, or other municipal officer charged with the duty of disbursing or authorizing disbursement of payment of such contracts shall forthwith notify the department of revenue of the completion of contracts over ((twenty)) thirty-five thousand dollars. Such officer shall not make any payment from the retained percentage fund or release any retained percentage fund escrow account to any person, until he or she has received a statement from the department of revenue that all taxes, increases, and penalties due from the contractor and, and all taxes due and to become due with respect to such contract have been paid in full or that they are, in the department's opinion, readily collectible without recourse to the state's lien on the retained percentage.

Sec. 3. RCW 39.08.010 and 1989 c 145 s 1 are each amended to read as follows:

Whenever any board, council, commission, trustees, or body acting for the state or any county or municipality or any public body shall contract with any person or corporation to do any work for the state, county, or municipality, or other public body, city, town, or district, such board, council, commission, trustees, or body shall require the person or persons with whom such contract is made to make, execute, and deliver to such board, council, commission, trustees, or body a good and sufficient bond, with a surety company as surety, conditioned that such person or persons shall faithfully perform all the provisions of such contract and pay all laborers, mechanics, and subcontractors and materialmen, and all persons who supply such person or persons, or subcontractors, with provisions and supplies for the carrying on of such work, which bond in cases of cities and towns shall be filed with the clerk or comptroller thereof, and any person or persons performing such services or furnishing material to any subcontractor shall have the same right under the provisions of such bond as if such work, services, or material was furnished to the original contractor: PROVIDED, HOWEVER, That the provisions of RCW 39.08.010 through 39.08.030 shall not apply to any money loaned or advanced to any such contractor, subcontractor or other person in the performance of any such work: PROVIDED FURTHER, That on contracts of ((twenty-five)) thirty-five thousand dollars or less, at the option of the contractor the respective public entity may, in lieu of the bond, retain fifty percent of the contract amount for a period of thirty days after date of final acceptance, or until receipt of all necessary releases from the department of revenue and the department of labor and industries and settlement of any liens filed under chapter 60.28 RCW, whichever is later: PROVIDED FURTHER, That for contracts of one hundred thousand dollars or less, the public entity may accept a full payment and performance bond from an individual surety or sureties: AND PROVIDED FURTHER, That the surety must agree to be bound by the laws of the state of Washington and subjected to the jurisdiction of the state of Washington.

Sec. 4. RCW 39.12.040 and 1991 c 15 s 1 are each amended to read as follows:
and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1371 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 46.63.073 and 2005 c 331 s 2 are each amended to read as follows:

(1) In the event a traffic infraction is based on a vehicle's identification, and the registered owner of the vehicle is a rental car business, the law enforcement agency shall, before a notice of infraction may be issued, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within thirty days of receiving the written notice, provide to the issuing agency by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft.

Timely mailing of this statement to the parking facility relieves a rental car business of any liability under this chapter for the notice of infraction. In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty. (((())) For the purpose of this (((section))) subsection, a "traffic infraction based on a vehicle's identification" includes, but is not limited to, parking infractions, high-occupancy toll lane violations, and violations recorded by automated traffic safety cameras.

(2) In the event a parking infraction is issued by a private parking facility and is based on a vehicle's identification, and the registered owner of the vehicle is a rental car business, the parking facility shall, before a notice of infraction may be issued, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within thirty days of receiving the written notice, provide to the parking facility by return mail:

(a) A statement under oath stating the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred; or

(b) A statement under oath that the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred because the vehicle was stolen at the time of the infraction. A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft.

Timely mailing of this statement to the parking facility relieves a rental car business of any liability under this chapter for the notice of infraction. In lieu of identifying the vehicle operator, the rental car business may pay the applicable penalty. For the purpose of this subsection, a "parking infraction based on a vehicle's identification" is limited to parking infractions occurring on a private parking facility's premises.

Sec. 2. RCW 46.63.160 and 2004 c 231 s 6 are each amended to read as follows:

(1) This section applies only to traffic infractions issued under RCW 46.61.690 for toll collection evasion.

(2) Nothing in this section prohibits a law enforcement officer from issuing a notice of traffic infraction to a person in control of a vehicle at the time a violation occurs under RCW 46.63.030(1) (a), (b), or (c).

(3) Toll collection systems include manual cash collection, electronic toll collection, and photo enforcement systems.

(4) "Electronic toll collection system" means a system of collecting tolls or charges that is capable of charging the account of the toll patron the appropriate toll or charge by electronic transmission from the motor vehicle to the toll collection system, which information is used to charge the appropriate toll or charge to the patron's account.

(5) "Photo enforcement system" means a vehicle sensor installed to work in conjunction with an electronic toll collection system that automatically produces one or more photographs, one or more microphotographs, a videotape, or other recorded images of a vehicle operated in violation of an infraction under this chapter."
The use of a toll collection system is subject to the following requirements:

(a) The department of transportation shall adopt rules that allow an open standard for automatic vehicle identification transponders used for electronic toll collection to be compatible with other electronic payment devices or transponders from the Washington state ferry system, other public transportation systems, or other toll collection systems to the extent that technology permits. The rules must also allow for multiple vendors providing electronic payment devices or transponders and technology permits.

(b) The department of transportation may not sell, distribute, or make available in any way, the names and addresses of electronic toll collection system account holders.

(c) Systems are not part of the registered owner's driving record under the law enforcement agency shall, before a notice of infraction being issued under this section, provide a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, videotape, or other recorded images produced by a photo enforcement system, stating the facts supporting the notice of infraction. This certificate or facsimile is prima facie evidence of the facts contained in it and is admissible in a proceeding charging a violation under this chapter. The photographs, microphotographs, videotape, or other recorded images evidencing the violation must be available for inspection and admission into evidence in a proceeding to adjudicate the liability for the infraction.

(d) Infractions detected through the use of photo enforcement systems are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120.

9 If the registered owner of the vehicle is a rental car business the department of transportation or a law enforcement agency shall, before a notice of infraction being issued under this section, provide a written notice to the rental car business that a notice of infraction may be issued to the rental car business if the rental car business does not, within eighteen days of the mailing of the written notice, provide to the issuing agency by return mail:

A statement provided under this subsection must be accompanied by a copy of a filed police report regarding the vehicle theft;

(c) In lieu of identifying the vehicle operator, the rental car business may pay the applicable toll and fee.

Timely mailing of this statement to the issuing law enforcement agency relieves a rental car business of any liability under this chapter for the notice of infraction.

Sec. 3. RCW 46.63.170 and 2005 c 167 s 1 are each amended to read as follows:

The use of automated traffic safety cameras for issuance of notices of infraction is subject to the following requirements:

(a) The appropriate local legislative authority must first enact an ordinance allowing for their use to detect one or more of the following: Stoplight, railroad crossing, or school speed zone violations. At a minimum, the local ordinance must contain the restrictions described in this section and provisions for public notice and signage. Cities and counties using automated traffic safety cameras before July 24, 2005, are subject to the restrictions described in this section, but are not required to enact an authorizing ordinance.

(d) A notice of infraction must be mailed to the registered owner of the vehicle within fourteen days of the violation, or to the renter of a vehicle within fourteen days of establishing the renter's name and address under subsection (3)(a) of this section. The law enforcement officer issuing the notice of infraction shall include with it a certificate or facsimile thereof, based upon inspection of photographs, microphotographs, or electronic images produced by an automated traffic safety camera, stating the facts supporting the notice of infraction. No photograph, digital photograph, microphotograph, videotape, or other recorded image may be used for any purpose other than enforcement of violations under this chapter or retained longer than necessary to enforce this chapter or verify that tolls are paid.

(g) Infractions detected through the use of photo enforcement systems are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120.

(d) Authority granted by chapter 90.58 RCW, the "Shoreline Management Act of 1971".

(2) To improve the administration of the forest excise tax created in chapter 54.33 RCW, a county, city, or town that regulates forest practices under this section shall report permit information to the department of revenue for all approved forest practices permits. The permit information shall be reported to the department of revenue no later than sixty days after the date the permit was approved and shall be in a form and manner agreed to by the county, city, or town and the department of revenue. Permit information includes the landowner's legal name, address, telephone number, and parcel number.

Sec. 2. A new section is added to chapter 36.70A RCW to read as follows:

(1) Each county, city, and town assuming regulation of forest practices as provided in RCW 76.09.240 (1) and (2) shall adopt development regulations that:

(a) Protect public resources, as defined in RCW 76.09.020, from material damage or the potential for material damage;

(b) Require appropriate approvals for all phases of the conversion of forest lands, including clearing and grading;

(c) Are guided by the planning goals in RCW 36.70A.020 and

(d) Are consistent with or supplement development regulations that protect critical areas pursuant to RCW 36.70A.060.

(2) If necessary, each county, city, or town that assumes regulation of forest practices under RCW 76.09.240 shall amend its comprehensive plan to ensure consistency between its comprehensive plan and development regulations.

(3) Before a county, city, or town may regulate forest practices under RCW 76.09.240 (1) and (2), it shall update its development regulations as required by RCW 36.70A.130 and, if applicable, RCW 36.70A.215. Forest practices regulations adopted under RCW 76.09.240 (1) and (2) may be adopted as part of the legislative action taken under RCW 36.70A.130 or 36.70A.215.

NEW SECTION. Sec. 1. The legislature recognizes the significant impact on the lives and well-being of children and families when a parent is incarcerated. It is the intent of the legislature to support children and families, and maintain familial connections when appropriate, during the period a parent is incarcerated. Further, the legislature finds that there must be a greater emphasis placed on identifying state policies and programs impacting children with incarcerated parents. Additionally, greater effort must be made to ensure that the policies and programs of the state are supportive of the children, and meet their needs during the time the parent is incarcerated.

According to the final report of the children of incarcerated parents oversight committee, helping offenders build durable family relationships may reduce the likelihood that their children will go to prison later in life. Additionally, the report indicates that offenders who reconnect with their families in sustaining ways are less likely to reoffend. In all efforts to help offenders build these relationships with their children, the safety of the children will be paramount.

AS SENATE AMENDED

Representatives B. Sullivan and Orcutt spoke in favor of the passage of the bill.

The Speaker (Representative Lovick presiding) stated the question before the House to be final passage of Substitute House Bill No. 1409, as amended by the Senate.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1422, as amended by the Senate, having received the constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 31, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1461 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that there are factors unique to the relationship between a manufactured/mobile home landlord and a manufactured/mobile home community landlord. Once occupancy has commenced, the difficulty and expense in moving and relocating a manufactured/mobile home can affect the operation of market forces and lead to an inequality of the bargaining position of the parties. Once occupancy has commenced, a tenant may be subject to violations of the manufactured/mobile home landlord-tenant act without an adequate remedy at law. This chapter is created for the purpose of protecting the public, fostering fair and honest competition, and regulating the factors unique to the relationship between the manufactured/mobile home tenant and manufactured/mobile home landlord.

(2) The legislature finds that taking legal action against a manufactured/mobile home community landlord for violations of the manufactured/mobile home landlord-tenant act can be a costly and lengthy process, and that many people cannot afford to pursue a court process to vindicate statutory rights. Manufactured/mobile home community landlords will also benefit by having access to a process that resolves disputes quickly and efficiently.

(3)(a) Therefore, it is the intent of the legislature to provide an equitable as well as a less costly and more efficient way for manufactured/mobile home tenants and manufactured/mobile home community landlords to resolve disputes, and to provide a mechanism for state authorities to quickly locate manufactured/mobile home community landlords.

(b) The legislature intends to authorize the department of licensing to register manufactured/mobile home communities and collect a registration fee.

(c) The legislature intends to authorize the attorney general to:

(i) Produce and distribute educational materials regarding the manufactured/mobile home landlord-tenant act and the manufactured/mobile home dispute resolution program created in section 3 of this act;

(ii) Administer the dispute resolution program by taking complaints, conducting investigations, making determinations, issuing fines and other penalties, and participating in administrative dispute resolutions, when necessary, when there are alleged violations of the manufactured/mobile home landlord-tenant act; and

(iii) Collect and annually report upon data related to disputes and violations, and make recommendations on modifying chapter 59.20 RCW, to the appropriate committees of the legislature.

NEW SECTION. Sec. 2. For purposes of this chapter:

(1) "Complainant" means a landlord, community owner, or tenant, who has a complaint alleging a violation of chapter 59.20 RCW;
"Department" means the department of licensing;

"Director" means the director of licensing;

"Landlord" or "community owner" means the owner of a mobile home park or a manufactured housing community and includes the agents of a landlord;

"Mobile home" means a factory-built dwelling built prior to June 15, 1976, to standards other than the United States department of housing and urban development code, and acceptable under applicable state codes in effect at the time of construction or introduction of the home into the state. Mobile homes have not been built since the introduction of the United States department of housing and urban development manufactured home construction and safety act;

"Manufactured/mobile home" means either a manufactured home or a mobile home;

"Manufactured/mobile home lot" means a portion of a manufactured/mobile home community designated as the location of one mobile home, manufactured home, or park model and its accessory buildings, and intended for the exclusive use as a primary residence by the occupants of that mobile home, manufactured home, or park model;

"Mobile home park," "manufactured housing community," or "manufactured/mobile home community" means any real property that is rented or held out for rent to others for the placement of two or more mobile homes, manufactured homes, park models, or recreational vehicles for the primary purpose of production of income, except where the real property is rented or held out for rent for seasonal recreational purposes only and is not used for year-round occupancy;

"Owner" means one or more persons, jointly or severally, in whom is vested:

(a) All or part of the legal title to the real property; or
(b) All or part of the beneficial ownership, and a right to present use and enjoyment of the real property;

"Park model" means a recreational vehicle intended for permanent or semi-permanent installation and is used as a permanent residence;

"Recreational vehicle" means a travel trailer, motor home, truck camper, or camping trailer that is primarily used as a permanent residence located in a mobile home park or manufactured housing community;

"Respondent" means a landlord, community owner, or tenant, alleged to have committed violation of chapter 59.20 RCW;

"Tenant" means any person, except a transient as defined in RCW 59.20.030, who rents a mobile home lot.

NEW SECTION. Sec. 3. (1) The attorney general shall administer a manufactured/mobile home dispute resolution program.

(2) The purpose of the manufactured/mobile home dispute resolution program is to provide manufactured/mobile home community landlords and tenants with a cost-effective and time-efficient process to resolve disputes regarding alleged violations of the manufactured/mobile home landlord-tenant act.

(3) The attorney general under the manufactured/mobile home dispute resolution program shall:

(a) Produce educational materials regarding chapter 59.20 RCW and the manufactured/mobile home dispute resolution program, including a notice in a format that a landlord can reasonably post in a manufactured/mobile home community that summarizes tenant rights and responsibilities, includes information on how to file a complaint with the attorney general, and includes a toll-free telephone number and web site address that landlords and tenants can use to seek additional information and communicate complaints;

(b) Distribute the educational materials described in (a) of this subsection to all known landlords and information alerting landlords that:

(i) All landlords must post the notice provided by the attorney general that summarizes tenant rights and responsibilities and includes information on how to file complaints, in a clearly visible location in all common areas of manufactured/mobile home communities, including in each clubhouse;

(ii) The attorney general may visually confirm that the notice is appropriately posted; and

(iii) The attorney general may issue a fine or other penalty if the attorney general discovers that the landlord has not appropriately posted the notice or that the landlord has not maintained the posted notice so that it is clearly visible to tenants;

(c) Distribute the educational materials described in (a) of this subsection to any complainants and respondents, as requested;

(d) Perform dispute resolution activities, including investigations, negotiations, determinations of violations, and imposition of fines or other penalties as described in section 4 of this act;

(e) Create and maintain a database of manufactured/mobile home communities that have had complaints filed against them. For each manufactured/mobile home community in the database, the following information must be contained, at a minimum:

(i) The number of complaints received;

(ii) The nature and extent of the complaints received;

(iii) The violation of law complained of; and

(iv) The outcomes for each complaint;

(f) Provide an annual report to the appropriate committees of the legislature on the data collected under this section, including program performance measures and recommendations regarding how the manufactured/mobile home dispute resolution program may be improved, by December 31st, beginning in 2007;

(4) The manufactured/mobile home dispute resolution program, including all of the duties of the attorney general under the program as described in this section, shall be funded by the collection of fines, other penalties, and fees deposited into the manufactured/mobile home dispute resolution program account created in section 8 of this act, and all other sources directed to the manufactured/mobile home dispute resolution program.

NEW SECTION. Sec. 4. (1) An aggrieved party has the right to file a complaint with the attorney general alleging a violation of chapter 59.20 RCW.

(2) Upon receiving a complaint under this act, the attorney general must:

(a) Inform the complainant of any notification requirements under RCW 59.20.080 for tenant violations or RCW 59.20.200 for landlord violations and encourage the complainant to appropriately notify the respondent of the complaint; and

(b) If a statutory time period is applicable, inform the complainant of the time frame that the respondent has to remedy the complaint under RCW 59.20.080 for tenant violations or RCW 59.20.200 for landlord violations.

(3) After receiving a complaint under this act, the attorney general shall initiate the manufactured/mobile home dispute resolution program by investigating the alleged violations at its discretion and, if appropriate, facilitating negotiations between the complainant and the respondent.

(4)(a) Complainants and respondents shall cooperate with the attorney general in the course of an investigation by (i) responding to subpoenas issued by the attorney general, which may consist of providing access to papers or other documents, and (ii) providing access to the manufactured/mobile home facilities relevant to the investigation. Complainants and respondents must respond to attorney general subpoenas within thirty days.

(b) Failure to cooperate with the attorney general in the course of an investigation is a violation of this chapter.

(5) If after an investigation the attorney general determines that an agreement cannot be negotiated between the parties, the attorney general shall make a written determination on whether a violation of chapter 59.20 RCW has occurred.
(a) If the attorney general finds by a written determination that a violation of chapter 59.20 RCW has occurred, the attorney general shall deliver a written notice of violation to the respondent who committed the violation by certified mail. The notice of violation must specify the violation, the corrective action required, the time within which the corrective action must be taken, the penalties including fines, other penalties, and actions that will result if corrective action is not taken within the specified time period, and the process for contesting the determination, fines, penalties, and other actions included in the notice of violation through an administrative hearing. The attorney general must deliver to the complainant a copy of the notice of violation by certified mail.

(b) If the attorney general finds by a written determination that a violation of chapter 59.20 RCW has not occurred, the attorney general shall deliver a written notice of nonviolation to both the complainant and the respondent by certified mail. The notice of nonviolation must include the process for contesting the determination included in the notice of nonviolation through an administrative hearing.

(6) Corrective action must take place within fifteen business days of the respondent's receipt of a notice of violation, except as required otherwise by the attorney general, unless the respondent has submitted a timely request for an administrative hearing to contest the notice of violation as required under subsection (8) of this section. If a respondent, which includes either a landlord or a tenant, fails to take corrective action within the required time period and the attorney general has not received a timely request for an administrative hearing, the attorney general may impose a fine, up to a maximum of two hundred fifty dollars per violation per day, for each day that a violation remains uncorrected. The attorney general must consider the severity and duration of the violation and the violation's impact on other community residents when determining the appropriate amount of a fine or the appropriate penalty to impose on a respondent. If the respondent shows upon timely application to the attorney general that a good faith effort to comply with the corrective action requirements of the notice of violation has been made and that the corrective action has not been completed because of mitigating factors beyond the respondent's control, the attorney general may delay the imposition of a fine or penalty.

(7) The attorney general may issue an order requiring the respondent, or its assignee or agent, to cease and desist from an unlawful practice and take affirmative actions that in the judgment of the attorney general will carry out the purposes of this chapter. The affirmative actions may include, but are not limited to, the following: (a) Refunds of rent increases, improper fees, charges, and assessments collected in violation of this chapter; (b) Filing and utilization of documents that correct a statutory or rule violation; and (c) Reasonable action necessary to correct a statutory or rule violation.

(8) A complainant or respondent may request an administrative hearing before an administrative law judge under chapter 34.05 RCW to contest: (a) A notice of violation issued under subsection (5)(a) of this section or a notice of nonviolation issued under subsection (5)(b) of this section; (b) A fine or other penalty imposed under subsection (6) of this section; or (c) An order to cease and desist or an order to take affirmative actions under subsection (7) of this section. The complaint or respondent must request an administrative hearing within fifteen business days of receipt of a notice of violation, notice of nonviolation, fine, other penalty, order, or action. If an administrative hearing is not requested within this time period, the notice of violation, notice of nonviolation, fine, other penalty, order, or action constitutes a final order of the attorney general and is not subject to review by any court or agency. (9) If an administrative hearing is initiated, the respondent and complainant shall each bear the cost of his or her own legal expenses.

(10) The administrative law judge appointed under chapter 34.12 RCW shall: (a) Hear and receive pertinent evidence and testimony; (b) Decide whether the evidence supports the attorney general finding by a preponderance of the evidence; and (c) Enter an appropriate order within thirty days after the close of the hearing and immediately mail copies of the order to the affected parties.

The order of the administrative law judge constitutes the final agency order of the attorney general and may be appealed to the superior court under chapter 34.05 RCW.

(11) When the attorney general imposes a fine, refund, or other penalty against a respondent, the respondent may not seek any recovery or reimbursement of the fine, refund, or other penalty from a complainant or from other manufactured/mobile home tenants.

(12) All receipts from the imposition of fines or other penalties collected under this section other than those due to a complainant must be deposited into the manufactured/mobile home dispute resolution program account created in section 8 of this act.

(13) This section is not exclusive and does not limit the right of landlords or tenants to take legal action against another party as provided in chapter 59.20 RCW or otherwise. Exhaustion of the administrative remedy provided in this chapter is not required before a landlord or tenants may bring a legal action. This section does not apply to unlawful detainer actions initiated under RCW 59.20.080 prior to the filing and service of an unlawful detainer court action; however, a tenant is not precluded from seeking relief under this chapter if the complaint claims the notice of termination violates RCW 59.20.080 prior to the filing and service of an unlawful detainer action.

NEW SECTION. Sec. 5. The attorney general, director, or individuals acting on behalf of the attorney general or director are immune from suit in any action, civil or criminal, based upon any disciplinary actions or other official acts performed in the course of their duties under this chapter, except their intentional or willful misconduct.

NEW SECTION. Sec. 6. (1) The department shall annually register all manufactured/mobile home communities. Each community must be registered separately. The department must deliver by certified mail registration notifications to all known manufactured/mobile home community landlords. Registration information packets must include: (a) Registration forms; and (b) Registration assessment information, including registration due dates and late fees, and the collections procedures, liens, and charging costs to tenants.

(2) To apply for registration, the landlord of a manufactured/mobile home community must file with the department an application for registration on a form provided by the department and must pay a registration fee as described in subsection (3) of this section. The department may require the submission of information necessary to assist in identifying and locating a manufactured/mobile home community and other information that may be useful to the state which must include, at a minimum: (a) The names and addresses of the owners of the manufactured/mobile home community; (b) The name and address of the manufactured/mobile home community; (c) The name and address of the landlord and manager of the manufactured/mobile home community; (d) The number of lots within the manufactured/mobile home community that are subject to chapter 59.20 RCW; and (e) The addresses of each manufactured/mobile home lot within the manufactured/mobile home community that is subject to chapter 59.20 RCW.

(3) Each manufactured/mobile home community landlord shall pay to the department: (a) A one-time master application fee for the first year of registration and, in subsequent years, an annual master renewal application fee, as provided in RCW 19.02.075; and (b) An annual registration assessment of ten dollars for each manufactured/mobile home that is subject to chapter 59.20 RCW within a manufactured/mobile home community. Manufactured/mobile home community landlords may charge a
maximum of five dollars of this assessment to tenants. Nine dollars of the registration assessment for each manufactured/mobile home shall be deposited into the manufactured/mobile home dispute resolution program account created in section 8 of this act to fund the costs associated with the manufactured/mobile home dispute resolution program. The remaining one dollar shall be deposited into the master license fund created in RCW 19.02.210. The annual registration assessment must be reviewed once each biennium by the department and the attorney general and may be adjusted to reasonably relate to the cost of administering this chapter. The registration assessment may not exceed ten dollars, but if the assessment is reduced, the portion allocated to the manufactured/mobile home dispute resolution program account and the master license fund shall be adjusted proportionately.

(4) Initial registrations of mobile/manufactured housing communities must be filed with the department before November 1, 2007, or within three months of the availability of mobile home lots for rent within the community. The manufactured/mobile home community is subject to a delinquency fee of two hundred fifty dollars for late initial registrations. The delinquency fee shall be deposited in the master license fund. Renewal registrations that are not renewed by the expiration date as assigned by the department are subject to delinquency fees under RCW 19.02.085.

(5) Thirty days after sending late fee notices to a noncomplying landlord, the department may refer the past due account to a collection agency. If there is no response from a noncomplying landlord after sixty days in collections, the department may file an action to enforce payment of unpaid registration assessments and late fees in the superior court for Thurston county or in the county in which the manufactured/mobile home community is located. If the Department prevails, the manufactured/mobile home community landlord shall pay the department's costs, including reasonable attorneys' fees, for the enforcement proceedings.

(6) Registration is effective on the date determined by the department, and the department shall issue a registration number to each registered manufactured/mobile home community. The department must provide an expiration date, assigned by the department, to each manufactured/mobile home community who registers.

NEW SECTION. Sec. 7. The department must have the capability to compile, update, and maintain the most accurate database possible of all the manufactured/mobile home communities in the state, which must include all of the information collected under section 6 of this act, except for the addresses of each manufactured/mobile home lot within the manufactured/mobile home community that is subject to chapter 59.20 RCW, which must be made available to the attorney general and the department of community, trade, and economic development in a format to be determined by a collaborative agreement between the department of licensing and the attorney general.

NEW SECTION. Sec. 8. The manufactured/mobile home dispute resolution program account is created in the custody of the state treasurer. All receipts from sources directed to the manufactured/mobile home dispute resolution program must be deposited in the account. MESSAGE FROM THE SENATE

April 5, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1472 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that one in five of Washington's one and one-half million children are children of color. Broken out by racial groups, approximately six percent of children are Asian/Pacific Islander, six percent are multiracial, four and one-half percent are African American, and two percent are Native American. Thirteen percent of Washington children are of Hispanic origin, but representation of this group increases in the lower age ranges. For example, seventeen percent of children birth to four years of age are Hispanic.

The legislature also finds that in counties such as Adams, Franklin, Yakima, and Grant, more than half of the births are of Hispanic origin. Three-quarters of the state's African American children and two-thirds of Asian/Pacific Islander children live in King and Pierce counties. The legislature finds further that despite some progress closing the achievement gap in recent years, children of color continue to lag behind their classmates on the Washington assessment of student learning. In 2005 children of color trailed in every category of the fourth-grade reading, writing, and math assessments. On the reading test alone, sixty-nine percent of African American students, sixty-four percent of Native American students, and sixty-one percent of Hispanic students met the standards, compared with eighty-five percent of Caucasian students. And, since 1993, the number of Washington students for which English is not their first language has doubled to more than seven percent of students statewide.

The legislature finds further that according to national research, African American children enter the child welfare system at far higher rates than Caucasian children, despite no greater incidence of maltreatment in African American families compared to Caucasian families. This trend holds true for Washington state, where African American children represent approximately nine and one-half percent of the children in out-of-home care even though they represent slightly more than four percent of the state's total child population. Native American children represent slightly over ten percent of the children in out-of-home care although they represent only two percent of the children in the state. In King county, African American and Native American children are over represented at nearly every decision point in the child welfare system. Although these two groups of children represent only eight percent of the child population in King county, they account for one-third of all children removed from their homes and one-half of children in foster care for more than four years.

The legislature finds also that children of immigrants are the fastest growing component of the United States' child population. While immigrants are eleven percent of the nation's total population, the children of immigrants make up twenty-two percent of the nation's children under six years of age. These immigrant children are twice as likely as native-born children to be poor.

NEW SECTION. Sec. 2. (1) The secretary of the department of social and health services shall convene an advisory committee to analyze and make recommendations on the disproportionate representation of children of color in Washington's child welfare system. The department shall collaborate with the Washington institute for public policy and private sector entities to develop a methodology for the advisory committee to follow in conducting a baseline analysis of data from the child welfare system to determine whether racial disproportionality and racial disparity exist in this system. The Washington institute for public policy shall serve as technical staff for the advisory committee. In determining whether racial disproportionality or racial disparity exists, the committee shall utilize existing research and evaluations conducted within Washington state, nationally, and in other states and localities that have similarly analyzed the prevalence of racial disproportionality and disparity in child welfare.

(2) At a minimum, the advisory committee shall examine and analyze: (a) The level of involvement of children of color at each stage in the state's child welfare system, including the points of entry and exit, and each point at which a treatment decision is made; (b) the number of children of color in low-income or single-parent families involved in the state's child welfare system; (c) the family structures of families involved in the state's child welfare system; and (d) the outcomes for children in the existing child welfare system. This analysis shall be disaggregated by racial and ethnic group, and by geographic region.

(3) The committee of not more than fifteen individuals shall consist of experts in social work, law, child welfare, psychology, or related fields, at least two tribal representatives, a representative of the governor's juvenile justice advisory committee, a representative of a community-based organization involved with child welfare issues, a representative of the department of social and health services, a current or former foster care youth, a current or former foster care parent, and a parent previously involved with Washington's child welfare system. Committee members shall be selected as follows: (a) Five members selected by the senate majority leader; (b) five members selected by the speaker of the house of representatives; and (c) five members selected by the secretary of the department of social and health services. The secretary, the senate majority leader, and the speaker of the house of representatives shall coordinate appointments to ensure the representation specified in this subsection is achieved. After the advisory committee appointments are finalized, the committee shall select two individuals to serve as co-chairs of the committee, one of whom shall be a representative from a nongovernmental entity.

(4) The secretary shall make reasonable efforts to seek public and private funding for the advisory committee.

(5) Not later than June 1, 2008, the advisory committee created in subsection (1) of this section shall report to the secretary of the department of social and health services on the results of the analysis. If the results of the analysis indicate disproportionality or disparity exists for any racial or ethnic group in any region of the state, the committee, in conjunction with the secretary of the department of social and health services, shall develop a plan for remedying the disproportionality or disparity. The remediation plan shall include: (a) Recommendations for administrative and legislative actions related to appropriate programs and services to reduce and eliminate disparities in the system and improve the long-term outcomes for children of color who are served by the system; and (b) performance measures for implementing the remediation plan. To the extent possible and appropriate, the remediation plan shall be developed to integrate the recommendations required in this subsection with the department's existing compliance plans, training efforts, and other practice improvement and reform initiatives in progress. The advisory committee shall be responsible for ongoing evaluation of current and prospective policies and procedures for their contribution to or effect on racial disproportionality and disparity.

(6) Not later than December 1, 2008, the secretary shall report the results of the analysis conducted under subsection (2) of this section and shall describe the remediation plan required under
subsection (5) of this section to the appropriate committees of the legislature with jurisdiction over policy and fiscal matters relating to children, families, and human services. Beginning January 1, 2010, the secretary shall report annually to the appropriate committees of the legislature on the implementation of the remediation plan, including any measurable progress made in reducing and eliminating racial disproportionality and disparity in the state's child welfare system.

NEW SECTION. Sec. 3. This act expires June 30, 2014."

On page 1, line 2 of the title, after "welfare;" strike the remainder of the title and insert "creating new sections; and providing an expiration date."

and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 1488 with the following amendment:

"NEW SECTION. Sec. 1. (1) The legislature finds that the state's oil spill prevention and response programs perform essential services in protecting the environment and natural resource economy of Washington. Due to increased demand for services, the legislature finds that these programs have been expanded several times in the twenty years since the funding mechanisms for these programs were authorized, but the funding mechanisms for these programs have remained unchanged. Without additional funding, these programs face a structural funding deficit beginning in the 2007-2009 biennium. The legislature further finds that the current source of funding for these programs is derived from only one segment of activities that present oil spill risks in the state, and that there is a need for a comprehensive assessment of the sources of oil spill risks and potential funding mechanisms by which all sectors that are a source of oil spill risks may contribute to ensuring adequate funding for programs that prevent as well as respond to oil spills. (2) The legislature finds that the Strait of Juan de Fuca is a significant international avenue of waterborne commerce. Over five thousand transits by vessels greater than three hundred gross tons occur in the Strait each year. Reliable, safe vessel transits are vitally important to Washington state, the United States, and Canada. The legislature finds that comprehensive measures to prevent oil spills must be implemented in the Strait. The legislature further finds that stationing a response tug at the west entrance to the Strait is a critical component of such comprehensive measures, evidenced by the fact that the seasonal tug stationed at Neah Bay has conducted more than thirty assists since 1999. Because of the national significance of this waterway and the national interest in preventing oil spills there, the federal government should undertake to ensure that a year-round response tug is stationed at the west entrance to the Strait, either by providing sufficient federal funding for this purpose or to require through federal regulation that the commercial shipping interests benefiting from this service provide for a stationed tug. The legislature therefore directs the department of ecology to request that federal agencies with jurisdiction seek to require or fund the stationing of a response tug at such location, and seek reimbursement for the funding provided by the state for this purpose commencing with the fiscal year 2008 costs to the state.

NEW SECTION. Sec. 2. By September 1, 2008, the joint legislative audit and review committee shall examine the funding mechanism for the oil spill prevention and response programs. This study shall evaluate the state's oil spill prevention, preparedness, and response programs to compare the sources of oil spill risk with the funding mechanism. The study shall include:

(1) A review of existing oil spill risk evaluations and qualitative models, including:

(a) Evaluations or models for a risk evaluation framework, considering such factors as volume of oil, time at sea, proximity to water, organizational readiness, and damage done; and

(b) Evaluations or models for risk allocation, assessing how much of the risk goes with the product and how much with where and how the product is handled and who is handling it;

(2) A review of empirical data related to actual spill numbers, spill volumes, spill locations, and other circumstances related to individual spills;

(3) Comparisons of the risk allocation to the actual funding contributed by sector; and

(4) Options to allocate the state's costs to the major risk categories, by sector."

On page 1, line 2 of the title, after "program;" strike the remainder of the title and insert "and creating new sections." and the same is herewith transmitted.

MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1569 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 70.47A.010 and 2006 c 255 s 1 are each amended to read as follows:
(1) The legislature finds that many small employers struggle with the cost of providing employer-sponsored health insurance coverage to their employees, while others are unable to offer employer-sponsored health insurance due to its high cost. Low-wage workers also struggle with the burden of paying their share of the costs of employer-sponsored health insurance, while others turn down their employer's offer of coverage due to its costs.

(2) The legislature intends, through establishment of a ((small employer)) health insurance partnership program, to remove economic barriers to health insurance coverage for low-wage employees of small employers by building on the private sector health benefit plan system and encouraging employer and employee participation in employer-sponsored health benefit plan coverage.

Sec. 2. RCW 70.47A.020 and 2006 c 255 s 2 are each amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Administrator" means the administrator of the Washington state health care authority, established under chapter 41.05 RCW.

(2) "Board" means the health insurance partnership board established in section 4 of this act.

(3) "Eligible ((employees)) partnership participant" means an individual who:

(a) Is a resident of the state of Washington;

(b) Has family income ((less than)) that does not exceed two hundred percent of the federal poverty level, as determined annually by the federal department of health and human services; and

(c) Is employed by a participating small employer or is a former employee of a participating small employer who chooses to continue receiving coverage through the partnership following separation from employment.

(((4)) (4) "Health benefit plan" has the same meaning as defined in RCW 48.43.005 ((or any plan provided by a self-funded multiple employer welfare arrangement as defined in RCW 48.125.010 or by another benefit arrangement defined in the federal employee retirement income security act of 1974, as amended)).

(((5))) (5) "Participating small employer" means a small employer that employs at least one eligible partnership participant and has entered into an agreement with the partnership for the partnership to offer and administer the small employer's group health benefit plan, as defined in federal law, Sec. 706 of ERISA (29 U.S.C. Sec. 1167), for enrollees in the plan.

(6) "Partnership" means the ((small employer)) health insurance partnership ((program)) established in RCW 70.47A.030.

(((7))) (7) "Partnership participant" means an employee of a participating small employer or a former employee of a participating small employer who chooses to continue receiving coverage through the partnership following separation from employment.

(8) "Small employer" has the same meaning as defined in RCW 48.43.005.

(((9)) (9) "Subsidy" or "premium subsidy" means payment or reimbursement to an eligible ((employee)) partnership participant toward the purchase of a health benefit plan, and may include a net billing arrangement with insurance carriers or a prospective or retrospective payment for health benefit plan premiums.

Sec. 3. RCW 70.47A.030 and 2006 c 255 s 3 are each amended to read as follows:

(1) To the extent funding is appropriated in the operating budget for this purpose, the ((small employer)) health insurance partnership ((program)) is established. The administrator shall be responsible for the implementation and operation of the ((small employer)) health insurance partnership ((program)), directly or by contract. The administrator shall offer premium subsidies to eligible ((employees)) partnership participants under RCW 70.47A.040.

(2) Consistent with policies adopted by the board under section 4 of this act, the administrator shall, directly or by contract:

(a) Establish and administer procedures for enrolling small employers in the partnership, including publicizing the existence of the partnership and disseminating information on enrollment, and establishing rules related to minimum participation of employers in small groups purchasing health insurance through the partnership; Opportunities to publicize the program for outreach and education of small employers on the value of insurance shall explore the use of online employer guides. As a condition of participating in the partnership, a small employer must agree to establish a cafeteria plan under section 125 of the federal internal revenue code that will enable employees to use pretax dollars to pay their share of their health benefit plan premium. The partnership shall provide technical assistance to small employers for this purpose;

(b) Establish and administer procedures for health benefit plan enrollment by employees of small employers during open enrollment periods and outside of open enrollment periods upon the occurrence of any qualifying event specified in the federal health insurance portability and accountability act of 1996 or applicable state law. Neither the employer nor the partnership shall limit an employee's choice of coverage from among all the health benefit plans offered;

(c) Establish and manage a system for the partnership to be designated as the sponsor or administrator of a participating small employer health benefit plan and to undertake the obligations required of a plan administrator under federal law;

(d) Establish and manage a system of collecting and transmitting to the applicable carriers all premium payments or contributions made by or on behalf of partnership participants, including employer contributions, automatic payroll deductions for partnership participants, premium subsidy payments, and contributions from philanthropies;

(e) Establish and manage a system for determining eligibility for and making premium subsidy payments under this act;

(f) Establish a mechanism to apply a surcharge to all health benefit plans, which shall be used only to pay for administrative and operational expenses of the partnership. The surcharge must be applied uniformly to all health benefit plans offered through the partnership and must be included in the premium for each health benefit plan. Surcharges may not be used to pay any premium assistance payments under this chapter;

(g) Design a schedule of premium subsidies that is based upon gross family income, giving appropriate consideration to family size and the ages of all family members based on a benchmark health benefit plan designated by the board. The amount of an eligible partnership participant's premium subsidy shall be determined by applying a sliding scale subsidy schedule with the percentage of premium similar to that developed for subsidized basic health plan enrollees under RCW 70.47.060. The subsidy shall be applied to the employee's premium obligation for his or her health benefit plan, so that employees benefit financially from any employer contribution to the cost of their coverage through the partnership. Employees shall not be eligible for premium assistance if they have immediately transitioned from employer-sponsored insurance, until they have fulfilled a six-month waiting period. During that time, the employee may participate in the program but not receive state-sponsored premium assistance.

(3) The administrator may enter into interdepartmental agreements with the office of the insurance commissioner, the department of social and health services, and any other state agencies necessary to implement this chapter.

NEW SECTION. Sec. 4. A new section is added to chapter 70.47A RCW to read as follows:

(1) The health insurance partnership board is hereby established. The governor shall appoint a seven-member health insurance partnership board by June 30, 2007. The board shall be composed of persons with expertise in the health insurance market and benefit design, and be chaired by the administrator.

(2) The governor shall appoint the initial members of the board to staggered terms not to exceed four years. Initial appointments shall be made on or before June 1, 2007. Members appointed thereafter shall serve two-year terms. Members of the board shall be compensated in accordance with RCW 43.03.250 and shall be reimbursed for their travel expenses while on official business in accordance with RCW 43.03.050 and 43.03.060. The board shall prescribe rules for the conduct of its business. Meetings of the board shall be at the call of the chair.
(3) The board may establish technical advisory committees or seek the advice of technical experts when necessary to execute the powers and duties included in this section.

(4) The board and employees of the board shall not be civilly or criminally liable and shall not have any penalty or cause of action of any nature arise against them for any action taken or not taken, including any discretionary decision or failure to make a discretionary decision, when the action or inaction is done in good faith in the performance of the powers and duties under this chapter. Nothing in this section prohibits legal actions against the board to enforce the board’s statutory or contractual duties or obligations.

NEW SECTION. Sec. 5. A new section is added to chapter 70.47A RCW to read as follows:

(1) The health insurance partnership board shall:
   (a) Develop policies for enrollment of small employers in the partnership, including minimum participation rules for small employer groups. The small employer shall determine the criteria for eligibility and enrollment in his or her plan and the terms and amounts of the employer’s contributions to that plan, consistent with any minimum employer premium contribution level established by the board under (d) of this subsection;
   (b) Designate health benefit plans that are currently offered in the small group market that will qualify for premium subsidy payments. At least four health benefit plans shall be chosen, with multiple deductible and point-of-service cost-sharing options. The health benefit plans shall range from catastrophic to comprehensive coverage, and one health benefit plan shall be a high deductible health plan. Every effort shall be made to include health benefit plans that include components to maximize the quality of care provided and result in improved health outcomes, such as preventive care, wellness incentives, chronic care management services, and provider network development and payment policies related to quality of care;
   (c) Approve a mid-range benefit plan from those selected to be used as a benchmark plan for calculating premium subsidies;
   (d) Determine whether there should be a minimum employer premium contribution on behalf of employees, and if so, how much;
   (e) Determine appropriate health benefit plan rating methodologies. The methodologies shall be based on the small group adjusted community rate as defined in Title 48 RCW. The board shall evaluate the impact of applying the small group community rating with the partnership principle of allowing each employee to choose their health benefit plan, and consider options to reduce uncertainty for carriers and provide for efficient risk management of high-cost enrollees through risk adjustment, reinsurance, or other mechanisms;
   (f) Conduct analyses and provide recommendations as requested by the legislature and the governor, with the assistance of staff from the health care authority and the office of the insurance commissioner.

(2) The board may authorize one or more limited health care service plans for dental care services to be offered by limited health care service contractors under RCW 48.44.035. However, such plan shall not qualify for subsidy payments.

(3) In fulfilling the requirements of this section, the board shall consult with small employers, the office of the insurance commissioner, members in good standing of the American academy of actuaries, health carriers, agents and brokers, and employees of small business.

Sec. 6. RCW 70.47A.040 and 2006 c 255 s 4 are each amended to read as follows:

(((4))) Beginning (July 1, 2006)) September 1, 2008, the administrator shall accept applications from eligible ((employees)) partners for the partnership on behalf of themselves, their spouses, and their dependent children, to receive premium subsidies through the ((small employer)) health insurance partnership ((program)).

(((2))) Premium subsidy payments may be provided to eligible employees if:

(a) The eligible employee is employed by a small employer.
(b) The actuarial value of the health benefit plan offered by the small employer is at least equivalent to that of the basic health plan benefit offered under chapter 70.47 RCW. The office of the insurance commissioner under Title 48 RCW shall certify those small employer health benefit plans that are at least actuarially equivalent to the basic health plan benefit and
   (c) The small employer will pay at least forty percent of the monthly premium cost for health benefit plan coverage of the eligible employee.

(3) The amount of an eligible employee’s premium subsidy shall be determined by agreement on the sliding scale subsidy schedule developed for authorized basic health plan enrollees under RCW 70.47.060 to the employee’s premium obligation for his or her employer’s health benefit plan.

(4) After an eligible individual has enrolled in the program, the program shall issue subsidies in an amount determined pursuant to subsection (3) of this section to either the eligible employee or to the carrier designated by the eligible employee.

(5) An eligible employee must agree to provide verification of continued enrollment in his or her small employer’s health benefit plan on a semianual basis or to notify the administrator whenever his or her enrollment status changes, whichever is earlier. Verification or notification may be made directly by the employee or through his or her employer or the carrier providing the small employer health benefit plan. When necessary, the administrator has the authority to perform retrospective audits on premium subsidy accounts. The administrator may suspend or terminate an employee’s participation in the program and seek repayment of any subsidy amounts paid due to the omission or misrepresentation of an application or employee.

(6) The board shall adopt rules to define the appropriate application of these sanctions and the processes to implement the sanctions provided in this subsection (within available resources).

Sec. 7. RCW 48.21.045 and 2004 c 244 s 1 are each amended to read as follows:

(a) An insurer offering any health benefit plan to a small employer, either directly or through an association or member-governed group formed specifically for the purpose of purchasing health care, may offer and actively market to the small employer a health benefit plan featuring a limited schedule of covered health care services. Nothing in this subsection shall preclude an insurer from offering, or a small employer from purchasing, other health benefit plans that may have more comprehensive benefits than those included in the product offered under this subsection. An insurer offering a health benefit plan under this subsection shall clearly disclose all covered benefits to the small employer in a brochure filed with the commissioner.

(2) Nothing in this section shall prohibit an insurer from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

(3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The insurer shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:
   (i) Geographic area;
   (ii) Family size; and
   (iii) Age;

(b) Wellness activities.

The adjustment for age in (a)(ii) of this subsection may not use age brackets smaller than five-year increments, which shall begin with age twenty and end with age sixty-five. Employees under the age of twenty shall be treated as those age twenty.
(c) The insurer shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (3).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

(i) Changes to the enrollment of the small employer;
(ii) Changes to the family composition of the employee;
(iii) Changes to the health benefit plan requested by the small employer; or
(iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs due to network provider reimbursement schedules or type of network. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the medical experience of all small groups purchasing coverage, including the small group participants in the health insurance partnership established in RCW 70.47A.030. However, annual rate adjustments for each small group health benefit plan may vary by up to plus or minus four percentage points from the overall adjustment of a carrier’s entire small group pool, such overall adjustment to be approved by the commissioner, upon a showing by the carrier, certified by a member of the American academy of actuaries that: (i) The variation is a result of deductible leverage, benefit design, or provider network characteristics; and (ii) for a rate renewal period, the projected weighted average of all small group benefit plans will have a revenue neutral effect on the carrier’s small group pool. Variations of greater than four percentage points are subject to review by the commissioner, and must be approved or denied within sixty days of submission. A variation that is not denied within sixty days shall be deemed approved. The commissioner must provide to the carrier a detailed actuarial justification for any denial within thirty days of the denial.

(d) Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5)(a) Except as provided in this subsection, requirements used by an insurer in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) An insurer shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and
(ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(c) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(d) An insurer may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(e) An insurer must offer coverage to all eligible employees of a small employer and their dependents. An insurer may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. An insurer may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

(f) As used in this section, "health benefit plan," "small employer," "adjusted community rate," and "wellness activities" mean the same as defined in RCW 48.43.005.

Sec. 8. RCW 48.44.023 and 2004 c 244 s 7 are each amended to read as follows:

(i) A health care services contractor offering any health benefit plan to a small employer, either directly or through an association or member-governed group formed specifically for the purpose of purchasing health care, may offer and actively market to the small employer a health benefit plan featuring a limited schedule of covered health care services. Nothing in this subsection shall preclude a contractor from offering, or a small employer from purchasing, other health benefit plans that may have more comprehensive benefits than those included in the product offered under this subsection. A contractor offering a health benefit plan under this subsection shall clearly disclose all covered benefits to the small employer in a brochure filed with the commissioner.

(ii) A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.44.225, 48.44.240, 48.44.245, 48.44.290, 48.44.300, 48.44.310, 48.44.320, 48.44.325, 48.44.330, 48.44.335, 48.44.340, 48.44.344, 48.44.360, 48.44.400, 48.44.440, 48.44.450, and 48.44.460.

(ii) Nothing in this subsection shall prohibit a health care service contractor from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. All forms, policies, and contracts shall be submitted for approval to the commissioner, and the rates of any plan offered under this section shall be reasonable in relation to the benefits thereto.

(iii) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(a) The contractor shall develop its rates based on an adjusted community rate and may only vary the adjusted community rate for:

(i) Geographical area;
(ii) Family size;
(iii) Age; and
(iv) Wellness activities.

(b) The adjustment for age in (a)(iii) of this subsection may not use age brackets smaller than five-year increments, which shall begin with age twenty and end with age sixty-five. Employees under the age of twenty shall be treated as those age twenty.

(c) The contractor shall be permitted to develop separate rates for individuals age sixty-five or older for coverage for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (3).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs.

(f) The rate charged for a health benefit plan offered under this section may not be adjusted more frequently than annually except that the premium may be changed to reflect:

(i) Changes to the enrollment of the small employer;
(ii) Changes to the family composition of the employee;
(iii) Changes to the health benefit plan requested by the small employer; or
(iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

(h) For the purposes of this section, a health benefit plan that contains a restricted network provision shall not be considered similar coverage to a health benefit plan that does not contain such a provision, provided that the restrictions of benefits to network providers result in substantial differences in claims costs. A carrier may develop its rates based on claims costs due to network provider reimbursement schedules or type of network. This subsection does not restrict or enhance the portability of benefits as provided in RCW 48.43.015.

(i) Adjusted community rates established under this section shall pool the medical experience of all groups purchasing coverage, including the small group participants in the health insurance partnership established in RCW 70.47A.030. However, annual rate adjustments for each small group health benefit plan may vary by up to plus or minus four percentage points from the overall adjustment of a carrier's entire small group pool, such overall adjustment to be approved by the commissioner, upon a showing by the carrier, certified by a member of the American academy of actuaries that: (i) The variation is a result of deductible leverage, benefit design, or provider network characteristics; and (ii) for a rate renewal period, the variation within the small group benefit plans of all small group benefit plans will have a revenue neutral effect on the carrier's small group pool. Variations of greater than four percentage points are subject to review by the commissioner, and must be approved or denied within sixty days of the denial. A variation that is not deemed approved within sixty days shall be deemed approved. The commissioner must provide to the carrier a detailed actuarial justification for any denial within thirty days of the denial.

(4) Nothing in this section shall restrict the right of employees to collectively bargain for insurance providing benefits in excess of those provided herein.

(5)(a) Except as provided in this subsection, requirements used by a contractor in determining whether to provide coverage to a small employer shall be applied uniformly among all small employers applying for coverage or receiving coverage from the carrier.

(b) A contractor shall not require a minimum participation level greater than:

(i) One hundred percent of eligible employees working for groups with three or less employees; and
(ii) Seventy-five percent of eligible employees working for groups with more than three employees.

(e) In applying minimum participation requirements with respect to a small employer, a small employer shall not consider employees or dependents who have similar existing coverage in determining whether the applicable percentage of participation is met.

(f) A contractor may not increase any requirement for minimum employee participation or modify any requirement for minimum employer contribution applicable to a small employer at any time after the small employer has been accepted for coverage.

(6) A contractor must offer coverage to all eligible employees of a small employer and their dependents. A contractor may not offer coverage to only certain individuals or dependents in a small employer group or to only part of the group. A contractor may not modify a health plan with respect to a small employer or any eligible employee or dependent, through riders, endorsements or otherwise, to restrict or exclude coverage or benefits for specific diseases, medical conditions, or services otherwise covered by the plan.

Sec. 9. RCW 48.46.066 and 2004 c 244 s 9 are each amended to read as follows:

(1)(a) A health maintenance organization offering any health benefit plan to a small employer, either directly or through an association or member-governed group formed specifically for the purpose of purchasing health care, may offer and actively market to the small employer a health benefit plan featuring a limited schedule of covered health care services. Nothing in this subsection shall preclude a health maintenance organization from offering, or a small employer from purchasing, other health benefit plans that may have more comprehensive benefits than those included in the product offered under this subsection. A health maintenance organization offering a health benefit plan under this subsection shall clearly disclose all the covered benefits to the small employer in a brochure filed with the commissioner.

(b) A health benefit plan offered under this subsection shall provide coverage for hospital expenses and services rendered by a physician licensed under chapter 18.57 or 18.71 RCW but is not subject to the requirements of RCW 48.46.275, 48.46.280, 48.46.285, 48.46.290, 48.46.350, 48.46.355, 48.46.375, 48.46.440, 48.46.480, 48.46.510, 48.46.520, and 48.46.530.

(2) Nothing in this section shall prohibit a health maintenance organization from offering, or a purchaser from seeking, health benefit plans with benefits in excess of the health benefit plan offered under subsection (1) of this section. (3) Premium rates for health benefit plans for small employers as defined in this section shall be subject to the following provisions:

(c) The health maintenance organization shall be permitted to develop separate rates for individuals age sixty-five or older for which medicare is the primary payer and coverage for which medicare is not the primary payer. Both rates shall be subject to the requirements of this subsection (3).

(d) The permitted rates for any age group shall be no more than four hundred twenty-five percent of the lowest rate for all age groups on January 1, 1996, four hundred percent on January 1, 1997, and three hundred seventy-five percent on January 1, 2000, and thereafter.

(e) A discount for wellness activities shall be permitted to reflect actuarially justified differences in utilization or cost attributed to such programs.

(i) Changes to the enrollment of the small employer;
(ii) Changes to the family composition of the employee;
(iii) Changes to the health benefit plan requested by the small employer; or
(iv) Changes in government requirements affecting the health benefit plan.

(g) Rating factors shall produce premiums for identical groups that differ only by the amounts attributable to plan design, with the exception of discounts for health improvement programs.

of a carrier's entire small group pool, such overall adjustment to be approved by the commissioner, upon a showing by the carrier, certified by a member of the American academy of actuaries that: (i) The variation is a result of deductible leverage, benefit design, or provider network characteristics; and (ii) for a rate renewal period, the projected weighted average of all small group benefit plans will have a revenue neutral effect on the carrier's small group pool. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.
(2) The office of the insurance commissioner shall submit an interim report to the governor and appropriate committees of the legislature by December 1, 2007, and a final report by December 1, 2008.

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 1644 with the following amendment:

"Strike everything after the enacting clause and insert the following:

"Sec. 1. 2006 c 308 s 1 (uncodified) is amended to read as follows:

Part-time academic employees at community and technical colleges are currently eligible for full health care benefits beginning the second consecutive quarter of employment, at half-time or more of an academic workload, as defined in RCW 28B.50.489. They are also eligible for health benefits through the summer even if they receive no work at all that quarter, if they have worked half-time or more of an academic workload in each of the three ((of the four)) preceding quarters. However, workload fluctuations below these thresholds may result in the loss of employer contributions for health care benefits. It is the intent of the legislature to provide for continuous health care eligibility for part-time academic employees based on averaging workload gained during the two preceding academic years.

Sec. 2. RCW 41.05.053 and 2006 c 308 s 2 are each amended to read as follows:

1) Part-time academic employees, as defined in RCW 28B.50.489, who have established eligibility as determined from the payroll records of the employing community or technical college districts, for employer contributions for benefits under this chapter and who have worked an average of half-time or more in each of the two preceding academic years, through employment at one or more community or technical college districts, are eligible for continuation of employer contributions for the subsequent summer quarter period including the break between summer and fall quarters.

2) Once a part-time academic employee meets the criteria in subsection (1) of this section, the employee shall continue to receive uninterrupted employer contributions for benefits if the employee works at least ((three of the four)) two quarters of the academic year with an average academic workload of half-time or more for three quarters of the academic year. Benefits provided under this section cease ((at the end of the academic year)) if this criteria is not met. Continuous benefits shall be reinstated once the employee reestablishes eligibility under subsection (1) of this section ((and will meet the thresholds established under subsection (1)) if this criteria is not met. Continuous benefits shall be reinstated once the employee reestablishes eligibility under subsection (1) of this section (and will be maintained as long as the employee works at least three of the four quarters of the academic year with an average academic workload of half-time or more)).

3) As used in this section, "academic year" means summer, fall, winter, and spring quarters.

4) This section does not modify rules in existence on June 7, 2006, adopted under this chapter regarding the initial establishment of eligibility for benefits."
This section does not preclude individuals from being eligible for benefits under other laws or rules that may apply or for which they may be eligible.

(6) The employer must notify part-time academic employees of their potential right to benefits under this section.

(7) To be eligible for maintenance of benefits through averaging, part-time academic employees must notify their employers of their potential eligibility. The state board for community and technical colleges shall report back to the legislature by November 15, 2009, on the feasibility of eliminating the self-reporting requirement for employees.

On page 1, line 2 of the title, after "colleges," strike the remainder of the title and insert "amending RCW 41.05.053; and amending 2006 c 308 s 1 (uncodified)."

(8) The board of law library trustees of each county shall keep and maintain a complete and current set of registers and compilations when required for use and inspection as provided in ((RCW 27.24.0691)) chapter 27.24 RCW. If the register is published exclusively by electronic means on the code reviser web site, providing on-site access to the electronic version of the register shall satisfy the requirements of this subsection for access to the register.

(9) Registers shall be made available in written form to the same parties and under the same terms as those listed in subsection (7) of this section, unless the register is published exclusively by electronic means on the code reviser web site.

(10) Judicial notice shall be taken of rules filed and published as provided in RCW 34.05.380 and this section.

Sec. 4. RCW 34.05.312 and 2003 c 246 s 4 are each amended to read as follows:

Each agency shall designate a rules coordinator, who shall have knowledge of the subjects of rules being proposed or prepared within the agency for proposal, maintain the records of any such action, and respond to public inquiries about possible, proposed, or adopted rules and the identity of agency personnel working, reviewing, or commenting on them. The office and mailing address of the rules coordinator shall be published in the state register at the time of designation and ((in the first issue of each calendar year)) maintained thereafter on the code reviser web site for the duration of the designation. (a) Such action is required by the state or federal Constitution, a statute, or court order;

(b) The rule only delays the effective date of another rule that is not yet effective; and

(c) The earlier effective date is necessary because of imminent peril to the public health, safety, or welfare.

The finding and a brief statement of the reasons therefor required by this subsection shall be made a part of the order adopting the rule.

(4) With respect to a rule made effective pursuant to subsection (3) of this section, each agency shall make reasonable efforts to make the effective date known to persons who may be affected by it.

(1) Each state and local agency shall appoint and publicly identify a public records officer whose responsibility is to serve as a point of contact for members of the public in requesting disclosure of public records and to oversee the agency's compliance with the public records disclosure requirements of this chapter. A state or local agency's public records officer may appoint an employee or official of another agency as its public records officer.

(2) For state agencies, the name and contact information of the agency's public records officer to whom members of the public may direct requests for disclosure of public records and who will oversee the agency's compliance with the public records disclosure requirements of this chapter shall be published in the state register at the time of designation and ((annually every year)) maintained thereafter on the code reviser web site for the duration of the designation.

(3) For local agencies, the name and contact information of the agency's public records officer to whom members of the public may direct requests for disclosure of public records and who will oversee the agency's compliance within the public records disclosure requirements of this chapter shall be published in the state register at the time of designation and ((annually every year)) maintained thereafter on the code reviser web site for the duration of the designation.

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1916 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 41.56.465 and 1995 c 273 s 2 are each amended to read as follows:

(1) In making its determination, the panel shall be mindful of the legislative purpose enumerated in RCW 41.56.430 and, as additional standards or guidelines to aid it in reaching a decision, (((f))) the panel shall take into consideration the following factors: (a) The constitutional and statutory authority of the employer; (b) The panel may consider: (i) The financial ability of the state to pay for the compensation and benefit provisions of a collective bargaining agreement; and (ii) The financial ability of the state to pay for the compensation and fringe benefit provisions of a collective bargaining agreement; and (c) Such other factors, not confined to the factors under (a) through (((e))) ((d)) of this subsection, that are normally or traditionally taken into consideration in the determination of wages, hours, and conditions of employment. For those employees listed in RCW 41.56.030(7) who are employed by the governing body of a city or town with a population of less than fifteen thousand, or a county with a population of less than seventy thousand, consideration must also be given to regional differences in the cost of living.

(2) For employees listed in RCW 41.56.030((7))) (a) through (d), the panel shall also consider a comparison of the wages, hours, and conditions of employment of personnel involved in the proceedings with the wages, hours, and conditions of employment of like personnel of like employers of similar size on the west coast of the United States.

(3) For employees listed in RCW 41.56.030((7))) (e) through (h), the panel shall also consider a comparison of the wages, hours, and conditions of employment of personnel involved in the proceedings with the wages, hours, and conditions of employment of like personnel of like employers of similar size on the west coast of the United States. However, when an adequate number of comparable employers exists within the state of Washington, other west coast employers may not be considered.

(4) For employees listed in RCW 41.56.028:

(a) The panel shall also consider:

(i) A comparison of child care provider subsidy rates and reimbursement programs by public entities, including counties and municipalities, along the west coast of the United States; and

(ii) The financial ability of the state to pay for the compensation and benefit provisions of a collective bargaining agreement; and

(b) The panel may consider:

(i) The public's interest in reducing turnover and increasing retention of child care providers; and

(ii) The state's interest in promoting, through education and training, a stable child care workforce to provide quality and reliable child care from all providers throughout the state; and

(iii) In addition, for employees exempt from licensing under chapter 74.15 RCW, the state's fiscal interest in reducing reliance upon public benefit programs including but not limited to medical coupons, food stamps, subsidized housing, and emergency medical services.

(5) For employees listed in RCW 74.39A.270:

(a) The panel shall consider:

(i) A comparison of wages, hours, and conditions of employment of publicly employed personnel providing similar services to similar clients, including clients who are elderly, frail, or have developmental disabilities, both in the state and across the United States; and

(ii) The financial ability of the state to pay for the compensation and fringe benefit provisions of a collective bargaining agreement; and

(b) The panel may consider:

(i) A comparison of wages, hours, and conditions of employment of publicly employed personnel providing similar services to similar clients, including clients who are elderly, frail, or have developmental disabilities, both in the state and across the United States; and

(ii) The state's interest in ensuring access to affordable, quality health care for all state citizens; and

(iv) The state's fiscal interest in reducing reliance upon public benefit programs including but not limited to medical coupons, food stamps, subsidized housing, and emergency medical services.

Subsections (((f))) (2) and (3) of this section may not be construed to authorize the panel to require the employer to pay, directly or indirectly, the increased employee contributions resulting from chapter 502, Laws of 1993 or chapter 517, Laws of 1993 as required under chapter 41.26 RCW.

Sec. 2. RCW 41.56.028 and 2006 c 54 s 1 are each amended to read as follows:
(1) In addition to the entities listed in RCW 41.56.020, this chapter applies to the governor with respect to family child care providers. Solely for the purposes of collective bargaining and as expressly limited under subsections (2) and (3) of this section, the governor is the public employer of family child care providers who, solely for the purposes of collective bargaining, are public employees. The public employer shall be represented for bargaining purposes by the governor or the governor's designee appointed under chapter 41.80 RCW.

(2) This chapter governs the collective bargaining relationship between the governor and family child care providers, except as follows:

(a) A statewide unit of all family child care providers is the only unit appropriate for purposes of collective bargaining under RCW 41.56.430 through 41.56.470 and 41.56.480 apply, except that:

(i) Economic compensation, such as manner and rate of subsidy and reimbursement, including tiered reimbursements; (ii) health and welfare benefits; (iii) professional development and training; (iv) labor-management committees; (v) grievance procedures; and (vi) other economic matters. Retirement benefits shall not be subject to collective bargaining. By such obligation neither party shall be compelled to agree to a proposal or be required to make a concession unless otherwise provided in this chapter.

(b) The mediation and interest arbitration provisions of RCW 41.56.430 through 41.56.470 and 41.56.480 apply, except that:

(i) With respect to commencement of negotiations between the governor and the exclusive bargaining representative of family child care providers, negotiations shall be commenced initially upon certification of an exclusive bargaining representative under (a) of this subsection and, thereafter, by February 1st of any even-numbered year; and

(ii) (In addition to the factors to be taken into consideration by an interest arbitration panel under RCW 41.56.465, the panel shall consider the financial ability of the state to pay for the compensation and benefit provisions of a collective bargaining agreement; and

(mm)) The decision of the arbitration panel is not binding on the legislature.

(3) Family child care providers who are public employees solely for the purposes of collective bargaining under subsection (1) of this section are not, for that reason, employees of the state for any purpose. This section applies only to the governance of the collective bargaining relationship between the employer and family child care providers as provided in subsections (1) and (2) of this section.

(4) This section does not create or modify:

(a) The parents' or legal guardians' right to choose and terminate the services of any family child care provider that provides care for their child or children;

(b) The secretary of the department of social and health services' right to adopt requirements under RCW 74.15.030, except for requirements related to grievance procedures and collective negotiations on personnel matters as specified in subsection (2)(c) of this section;

(c) Chapter 26.44 RCW, RCW 43.43.832, 43.20A.205, and 74.15.130; and

(d) The legislature's right to make programmatic modifications to the delivery of state services through child care subsidy programs, including standards of eligibility of parents, legal guardians, and family child care providers participating in child care subsidy programs, and the nature of services provided. The governor shall not enter into, extend, or renew any agreement under this section that does not expressly reserve the legislative rights described in this subsection (4)(d).

(5) Upon meeting the requirements of subsection (6) of this section, the governor must submit, as a part of the proposed biennial or supplemental operating budget submitted to the legislature under RCW 43.88.030, a request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section or for legislation necessary to implement such agreement.

(6) A request for funds necessary to implement the compensation and benefit provisions of a collective bargaining agreement entered into under this section shall not be submitted by the governor to the legislature unless such request has been:

(a) Submitted to the director of financial management by October 1st before the legislative session at which the request is to be considered, except that, for initial negotiations under this section, the request must be submitted by November 15, 2006; and

(b) Certified by the director of financial management as being feasible financially for the state or reflects the binding decision of an arbitration panel reached under this section.

(7) The legislature must approve or reject the submission of the request for funds as a whole. If the legislature rejects or fails to act on the submission, any such agreement will be reopened solely for the purpose of renegotiating the funds necessary to implement the agreement.

(8) The governor shall periodically consult with the joint committee on employment relations established by RCW 41.80.010 regarding appropriations necessary to implement the compensation and benefit provisions of any collective bargaining agreement and, upon completion of negotiations, advise the committee on the elements of the agreement and on any legislation necessary to implement such agreement.

(9) After the expiration date of any collective bargaining agreement entered into under this section, all of the terms and conditions specified in any such agreement remain in effect until the effective date of a subsequent agreement, not to exceed one year from the expiration date stated in the agreement, except as provided in subsection (4)(d) of this section.

(10) If, after the compensation and benefit provisions of an agreement are approved by the legislature, a significant revenue shortfall occurs resulting in reduced appropriations, as declared by proclamation of the governor or by resolution of the legislature, both parties shall immediately enter into collective bargaining for a mutually agreed upon modification of the agreement.

(11) In enacting this section, the legislature intends to provide state action immunity under federal and state antitrust laws for the joint activities of family child care providers and their exclusive bargaining representative to the extent such activities are authorized by this chapter.

Sec. 3. RCW 74.39A.270 and 2006 c 106 s 1 are each amended to read as follows:

(1) Solely for the purposes of collective bargaining and as expressly limited under subsections (2) and (3) of this section, the governor is the public employer, as defined in chapter 41.56 RCW, of individual providers, who, solely for the purposes of collective bargaining, are public employees as defined in chapter 41.56 RCW. To accommodate the role of the state as payor for the community-based services provided under this chapter and to ensure coordination with state employee collective bargaining under chapter 41.80 RCW and the coordination necessary to implement RCW 74.39A.300, the public employer shall be represented for bargaining purposes by the governor or the governor's designee appointed under chapter 41.80 RCW. The governor or governor's designee shall periodically consult with the authority during the collective bargaining process to allow the authority to communicate issues relating to the long-term in-home care services received by consumers. The governor or the governor's designee shall consult the authority on all issues for which the exclusive bargaining representative requests to engage in collective bargaining under subsection (6) of this section. The authority shall work with the developmental disabilities council, the governor's committee on disability issues and employment, the state
council on aging, and other consumer advocacy organizations to obtain informed input from consumers on their interests, including impacts on consumer choice, for all issues proposed for collective bargaining under subsection (6) of this section.

(2) Chapter 41.56 RCW governs the collective bargaining relationship between the governor and individual providers, except as otherwise expressly provided in this chapter and except as follows:

(a) The only unit appropriate for the purpose of collective bargaining under RCW 41.56.060 is a statewide unit of all individual providers;

(b) The showing of interest required to request an election under RCW 41.56.060 is ten percent of the unit, and any intervenor seeking to appear on the ballot must make the same showing of interest;

(c) The mediation and interest arbitration provisions of RCW 41.56.430 through 41.56.470 and 41.56.480 apply, except that:

(i) With respect to commencement of negotiations between the governor and the bargaining representative of individual providers, negotiations shall be commenced by May 1st of any year prior to the year in which an existing collective bargaining agreement expires; and

(ii) (With respect to factors to be taken into consideration by an interest arbitration panel, the panel shall consider the financial ability of the state to pay for the compensation and fringe benefit provisions of a collective bargaining agreement; and

(iii)) The decision of the arbitration panel is not binding on the legislature and, if the legislature does not approve the request for funds necessary to implement the compensation and fringe benefit provisions of the arbitrated collective bargaining agreement, is not binding on the authority or the state;

(d) Individual providers do not have the right to strike; and

(e) Individual providers who are related to, or family members of, consumers or prospective consumers are not, for that reason, exempt from this chapter or chapter 41.56 RCW.

(3) Individual providers who are public employees solely for the purposes of collective bargaining under subsection (1) of this section are not, for that reason, employees of the state, its political subdivisions, or an area agency on aging for any purpose. Chapter 41.56 RCW applies only to the governance of the collective bargaining relationship between the employer and individual providers as provided in subsections (1) and (2) of this section.

(4) Consumers and prospective consumers retain the right to select, hire, supervise the work of, and terminate any individual provider providing services to them. Consumers may elect to receive long-term in-home care services from individual providers who are not referred to them by the authority.

(5) In implementing and administering this chapter, neither the authority nor any of its contractors may reduce or increase the hours of service for any consumer below or above the amount determined to be necessary under any assessment prepared by the department or an area agency on aging.

(6) Except as expressly limited in this section and RCW 74.39A.300, the wages, hours, and working conditions of individual providers are determined solely through collective bargaining as provided in this chapter. No agency or department of the state may establish policies or rules governing the wages or hours of individual providers. However, this subsection does not modify:

(a) The department's authority to establish a plan of care for each consumer or its core responsibility to manage long-term in-home care services under this chapter, including determination of the level of care that each consumer is eligible to receive. However, at the request of the exclusive bargaining representative, the governor or the governor's designee appointed under chapter 41.80 RCW shall engage in collective bargaining, as defined in RCW 41.56.030(4), with the exclusive bargaining representative over how the department's core responsibility affects hours of work for individual providers of the arbitrated collective bargaining agreement.

(b) The department's authority to terminate its contracts with individual providers who are not adequately meeting the needs of a particular consumer, or to deny a contract under RCW 74.39A.095(8);

(c) The consumer's right to assign hours to one or more individual providers selected by the consumer within the maximum hours determined by his or her plan of care;

(d) The consumer's right to select, hire, terminate, supervise the work of, and determine the conditions of employment for each individual provider providing services to the consumer under this chapter;

(e) The department's obligation to comply with the federal medicaid statute and regulations and the terms of any community-based waiver granted by the federal department of health and human services and to ensure federal financial participation in the provision of the services; and

(f) The legislature's right to make programmatic modifications to the delivery of state services under this title, including standards of eligibility of consumers and individual providers participating in the programs under this title, and the nature of services provided. The governor shall not enter into, extend, or renew any agreement under this chapter that does not expressly reserve the legislative rights described in this subsection (6)(f).

(7)(a) The state, the department, the authority, the area agencies on aging, or their contractors under this chapter or chapter 41.56 RCW shall not be considered, and any contract made by the state, the department, the authority, the area agencies on aging, or their contractors under this chapter shall not be interpreted as a contract with any individual provider or prospective individual provider, whether or not individual provider or prospective individual provider was included on the authority's referral registry or referred to a consumer or prospective consumer. The existence of a collective bargaining agreement, the placement of an individual provider on the referral registry, or the development or approval of a plan of care for a consumer who chooses to use the services of an individual provider and the provision of case management services to that consumer, by the department or an area agency on aging, does not constitute a special relationship with the consumer.

(b) The members of the board are immune from any liability resulting from implementation of this chapter.

(8) Nothing in this section affects the state's responsibility with respect to unemployment insurance for individual providers. However, individual providers are not to be considered, as a result of the state assuming this responsibility, employees of the state."

On page 1, line 2 of the title, after "providers;" strike the remainder of the title and insert "and amending RCW 41.56.465, 41.56.028, and 74.39A.270."

and the same is herewith transmitted.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 70.94.473 and 2005 c 197 s 1 are each amended to read as follows:

(1) Any person in a residence or commercial establishment which has an adequate source of heat without burning wood shall:
(a) Not burn wood in any solid fuel burning device whenever the department has determined under RCW 70.94.715 that any air pollution episode exists in that area;
(b) Not burn wood in any solid fuel burning device except those which are either Oregon department of environmental quality phase II or United States environmental protection agency certified or certified by the department under RCW 70.94.457(1) or a pellet stove either certified or issued an exemption by the United States environmental protection agency in accordance with Title 40, Part 60 of the code of federal regulations, in the geographical area and for the period of time that a first stage of impaired air quality has been determined, by the department or any authority, for that area. A first stage of impaired air quality is reached when:
(i) Fine particulates are at an ambient level of thirty-five micrograms per cubic meter measured on a twenty-four hour average; and
(ii) Forecasted meteorological conditions are not expected to allow levels of fine particulates to decline below thirty-five micrograms per cubic meter for a period of forty-eight hours or more from the time that the fine particulates are measured at the trigger level and

(2) Until June 30, 2009, an authority comprised of one county east of the crest of the Cascade mountains with a population of equal to or greater than four hundred thousand people, may determine by rule an alternative ambient air level of fine particulates that defines when a first stage and when a second stage of impaired air quality exists under subsection (1) of this section. All other criteria of subsection (1) of this section continue to apply to a county subject to this subsection.

(3) Actions of the department and local air pollution control authorities under this section shall preempt actions of other state agencies and local governments for the purposes of controlling air pollution from solid fuel burning devices, except where authorized by chapter 199, Laws of 1991.

NEW SECTION. Sec. 2. A new section is added to chapter 70.94 RCW to read as follows:
The legislature finds that there are some communities in the state in which the national ambient air quality standards for PM 2.5 are exceeded, primarily due to wood smoke emissions, and that current strategies are not sufficient to reduce wood smoke emissions to levels that comply with the federal standards or adequately protect public health. The legislature finds that it is in the state's interest and to the benefit of the people of the state to evaluate additional measures to reduce wood smoke emissions and update the state wood smoke control program.

NEW SECTION. Sec. 3. A new section is added to chapter 70.94 RCW to read as follows:
(1) The department shall convene and chair a work group to study the impacts of wood smoke from solid fuel burning devices on communities in Washington and make recommendations to the legislature on practical and cost-effective opportunities to reduce exposure to wood smoke from solid fuel burning devices and meet the new national air quality standards for fine particulates in Washington state. The work group shall be established by the director and include representatives from the department, the state department of health, regional air quality agencies, local health departments, related industry representatives, and nongovernmental health organizations. Recommendations may include statutory or regulatory changes, incentives, and other strategies that will reduce ambient PM 2.5 pollution. Recommendations should be presented to the governor and to the legislature by December 1, 2007.
(2) In carrying out its assignment the work group shall include, but not be limited to, the following considerations:
(a) Communities in the state that have elevated levels of PM 2.5 pollution;
(b) The contribution of pollution from solid fuel burning devices to potential violations of federal air quality standards;
(c) Strategies used in other states, regions, or cities to reduce wood smoke pollution levels and effectiveness of these strategies;
(d) State laws, rules, fees, utility regulations, and other policies that may affect the ability to reduce emissions from solid fuel burning devices or encourage the use of cleaner burning devices; and
(e) Potential financial incentives and sources of funding to change out older solid fuel burning devices to cleaner burning devices."

On page 1, line 2 of the title, after "program;" strike the remainder of the title and insert "amending RCW 70.94.473; and adding new sections to chapter 70.94 RCW."

In addition, where a member has been a member of the state legislature for five or more years, earnable compensation for the member's two highest compensated consecutive years of service shall include a sum not to exceed thirty-six hundred dollars for each of such two consecutive years, regardless of whether or not legislative service was rendered during those two years.

(v) "Earnable compensation" does not include:

(A) Remuneration for unused sick leave authorized under RCW 41.04.340, 28A.400.210, or 28A.310.490;

(i) If a member is employed either in an eligible position or as a substitute teacher for nine months of the twelve month period between September through August of the following year but earns earnable compensation for less than eight hundred ten hours but for at least six hundred thirty hours, he or she will receive one-half of a service credit month for each month of the twelve month period;

(i) Go on leave without pay status; or

(ii) Terminate state employment;

(c) The employee's absence and the use of shared leave are justified;

(d) The employee has depleted or will shortly deplete his or her:

2. The agency head shall determine the amount of leave, if any, which an employee may receive under this section. However, an employee shall not receive a total of more than two hundred sixty-one days of leave.

3. An employee may transfer annual leave, sick leave, and his or her personal holiday, as follows:

(a) An employee who has an accrued annual leave balance of more than ten days may request that the head of the agency for which the employee works transfer a specified amount of annual leave to another employee authorized to receive leave under subsection (1) of this section. In no event may the employee request a transfer of an amount of leave that would result in his or her annual leave account going below twenty-two days.

(b) An employee may transfer a specified amount of sick leave to an employee requesting shared leave only when the donating employee retains a minimum of one hundred seventy-six hours of sick leave after the transfer.

(c) An employee may transfer, under the provisions of this section relating to the transfer of leave, all or part of his or her personal holiday, as that term is defined under RCW 1.16.050, or as such holidays are provided to employees by agreement with a school district's board of directors if the leave transferred under this subsection does not exceed the amount of time provided for personal holidays under RCW 1.16.050.

(d) An employee of an institution of higher education under RCW 28B.10.016, school district, or educational service district who does not accrue annual leave but does accrue sick leave and who has an accrued sick leave balance of more than twenty-two days may request that the head of the agency for which the employee works transfer a specified amount of sick leave to another employee authorized to receive leave under subsection (1) of this section. In no event may such an employee request a transfer that would result in his or her sick leave account going below twenty-two days.

Transfers of sick leave under this subsection are limited to transfers among those employees authorized to receive leave under subsection (1) of this section. In no event may the employee request a transfer of an amount of leave that would result in his or her sick leave balance going below twenty-two days.

Transfers of sick leave under this subsection are limited to transfers from employees who do not accrue annual leave. Under this subsection, "sick leave" also includes leave accrued pursuant to RCW 28A.400.300(2) or 28A.310.240(1) with compensation for illness, injury, and emergencies.
(5) Transfers of leave made by an agency head under subsections (3) and (4) of this section shall not exceed the requested amount.

(6) Leave transferred under this section may be transferred from employees of one agency to an employee of the same agency or, with the approval of the heads of both agencies, to an employee of another state agency. However, leave transferred to or from employees of school districts or educational service districts is limited to transfers to or from employees within the same employing district.

(7) While an employee is on leave transferred under this section, he or she shall continue to be classified as a state employee and shall receive the same treatment in respect to salary, wages, and employee benefits as the employee would normally receive if using accrued annual leave or sick leave.

(a) All salary and wage payments made to employees while on leave transferred under this section shall be made by the agency employing the person receiving the leave. The value of leave transferred shall be based upon the leave value of the person receiving the leave.

(i) Pursuant to rules adopted by the office of financial management, funds shall not be transferred under this section if the transfer would violate any constitutional or statutory restrictions on the funds being transferred.

(ii) The office of financial management may adjust the appropriation authority of an agency receiving funds under this section only if and to the extent that the agency's existing appropriation authority would prevent it from expending the funds received.

(iii) Where any questions arise in the transfer of funds or the adjustment of appropriation authority, the director of financial management shall determine the appropriate transfer or adjustment.

(8) Leave transferred under this section shall not be used in any calculation to determine an agency's allocation of full time equivalent staff positions.

(9) The value of any leave transferred under this section which remains unused shall be returned at its original value to the employee or employees who transferred the leave when the agency head finds that the leave is no longer needed or will not be needed at a future time in connection with the illness or injury for which the leave was transferred or for any other qualifying condition. Before the agency head makes a determination to return unused leave in connection with an illness or injury, or any other qualifying condition, he or she must receive from the affected employee a statement from the employee's doctor verifying that the illness or injury is resolved. To the extent administratively feasible, the value of unused leave which was transferred by more than one employee shall be returned on a pro rata basis.

(10) An employee who uses leave that is transferred to him or her under this section may not be required to repay the value of the leave that he or she used.

On page 1, line 1 of the title, after "leave;" strike the remainder of the title and insert "and amending RCW 41.04.665."

following amendment:

Strike everything after the enacting clause and insert the
following:

"NEW SECTION. Sec. 1. (1) Except as provided in subsection

body with the power to issue a subpoena or other compulsory process

disclose:
(a) The identity of a source of any news or information or any
information that would tend to identify the source where such source
has a reasonable expectation of confidentiality; or
(b) Any news or information obtained or prepared by the news
media in its capacity in gathering, receiving, or processing news or
information for potential communication to the public, including, but
not limited to, any notes, outtakes, photographs, video or sound
tapes, film, or other data of whatever sort in any medium now known
or hereafter devised. This does not include physical evidence of a
crime.
(2) A court may compel disclosure of the news or information
described in subsection (1)(b) of this section if the court finds that the
party seeking such news or information established by clear and
convincing evidence:
(a) In a criminal investigation or prosecution, based on
information other than that information being sought, that there are
reasonable grounds to believe that a crime has occurred; or
(ii) In a civil action or proceeding, based on information other
than that information being sought, that there is a prima facie cause
of action; and
(b) In all matters, whether criminal or civil, that:

in disclosure.
(3) The protection from compelled disclosure contained in
subsection (1) of this section also applies to any subpoena issued to,

thereafter as it is determined that such notification will no longer
pose a clear and substantial threat to the integrity of the investigation.

MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 1141 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 13.50.050 and 2004 c 42 s 1 are each amended to read as follows:

(1) This section governs records relating to the commission of juvenile offenses, including records relating to diversions.

(2) The official juvenile court file of any alleged or proven juvenile offender shall be open to public inspection, unless sealed pursuant to subsection (12) of this section.

(3) All records other than the official juvenile court file are confidential and may be released only as provided in this section, RCW 13.50.010, 13.40.215, and 4.24.550.

(4) Except as otherwise provided in this section and RCW 13.50.010, records retained or produced by any juvenile justice or care agency may be released to other participants in the juvenile justice or care system only when an investigation or case involving the juvenile in question is being pursued by the other participant or
when that other participant is assigned the responsibility for supervising the juvenile.

(5) Except as provided in RCW 4.24.550, information not in an official juvenile court file concerning a juvenile or a juvenile's family may be released to the public only when that information could not reasonably be expected to identify the juvenile or the juvenile's family.

(6) Notwithstanding any other provision of this chapter, the release, to the juvenile or his or her attorney, of law enforcement and prosecuting attorneys' records pertaining to investigating, diverting, and prosecution of juvenile offenses shall be governed by the rules of discovery and other rules of law applicable in adult criminal investigations and prosecutions.

(7) Upon the decision to arrest or the arrest, law enforcement and prosecuting attorneys may cooperate with schools in releasing information to a school pertaining to the investigation, diversion, and prosecution of a juvenile attending the school. Upon the decision to arrest or the arrest, incident reports may be released unless releasing the records would jeopardize the investigation or prosecution or endanger witnesses. If release of incident reports would jeopardize the investigation or prosecution or endanger witnesses, law enforcement and prosecuting attorneys may release information to the maximum extent possible to assist schools in protecting other students, staff, and school property.

(8) The juvenile court and the prosecutor may set up and maintain a central record-keeping system which may receive information on all alleged juvenile offenders against whom a complaint has been filed pursuant to RCW 13.40.070 whether or not their cases are currently pending before the court. The central record-keeping system may be computerized. If a complaint has been referred to a diversion unit, the diversion unit shall promptly report to the juvenile court or the prosecuting attorney when the juvenile has agreed to diversion. An offense shall not be reported as criminal history in any central record-keeping system without notification by the diversion unit of the date on which the offender agreed to diversion.

(9) Upon request of the victim of a crime or the victim's immediate family, the identity of an alleged or proven juvenile offender alleged or found to have committed a crime against the victim and the identity of the alleged or proven juvenile offender's parent, guardian, or custodian and the circumstance of the alleged or proven crime shall be released to the victim of the crime or the victim's immediate family.

(10) Subject to the rules of discovery applicable in adult criminal proceedings, the juvenile offense records of an adult criminal defendant or witness in an adult criminal proceeding shall not be released to a diversion unit as defined in subsection (6)(a) unless that individual's case is referred pursuant to RCW 13.40.070. If the person referred for diversion is eligible for destruction, the obscene language file or other records relating to the case as are named in the order. This section, order sealed the official juvenile court file, the social file, and records of the court and referred for diversion pursuant to RCW 13.40.070, the person served the date of this act, unless it finds that:

(a) For class B offenses other than sex offenses, since the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent two consecutive years in the community without committing any offense or crime that subsequently results in conviction. For gross misdemeanors and misdemeanors, the last date of release from confinement, including full-time residential treatment, if any, or entry of disposition, the person has spent two consecutive years in the community without committing any offense or crime that subsequently results in conviction.

(b) No proceeding is pending against the moving party seeking the formation of a diversion agreement with that person.

(c) No proceeding is pending against the moving party seeking the formation of a diversion agreement with that person;

(d) The person has not been convicted of a class A or sex offense; and

(e) Full restitution has been paid.

(11) If the court finds that the information or complaint is at least eighteen years of age:

(A) The person who is the subject of the information or complaint is at least eighteen years of age;

(B) His or her criminal history consists entirely of one diversion agreement or counsel and release entered on or after the effective date of this act;

(C) Two years have elapsed since completion of the agreement or counsel and release;

(D) No proceeding is pending against the person seeking the conviction of a criminal offense;

(E) There is no restitution owing in the case;

(ii) No less than quarterly, the administrative office of the courts shall provide a report to the juvenile courts of those individuals whose records may be eligible for destruction. The juvenile court shall verify eligibility and notify the Washington state patrol and the appropriate local law enforcement agency and prosecutor's office of the records to be destroyed. The requirement to destroy records under this subsection is not dependent on a court hearing or the issuance of a court order to destroy records;

(iii) The state and local governments and their officers and employees are not liable for civil damages for the failure to destroy records pursuant to this section.
(b) A person eighteen years of age or older whose criminal history consists entirely of one diversion agreement or counsel and release entered prior to the effective date of this act, may request that the court order the records in his or her case destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that two years have elapsed since completion of the agreement or counsel and release.

(c) A person twenty-three years of age or older whose criminal history consists of only referrals for diversion may request that the court order the records in those cases destroyed. The request shall be granted, subject to subsection (23) of this section, if the court finds that all diversion agreements have been successfully completed and no proceeding is pending against the person seeking the conviction of a criminal offense.

(18) If the court grants the motion to destroy records made pursuant to subsection (17)(b) or (c) of this section, it shall, subject to subsection (23) of this section, order the official juvenile court file, the social file, and any other records named in the order to be destroyed.

(19) The person making the motion pursuant to subsection (17)(b) or (c) of this section shall give reasonable notice of the motion to the prosecuting attorney and to any agency whose records are sought to be destroyed.

(20) Any juvenile to whom the provisions of this section may apply shall be given written notice of his or her rights under this section at the time of his or her disposition hearing or during the diversion process.

(21) Nothing in this section may be construed to prevent a crime victim or a member of the victim's family from divulging the identity of the alleged or proven juvenile offender or his or her family when necessary in a civil proceeding.

(22) Any juvenile justice or care agency may, subject to the limitations in subsection (23) of this section and (a) and (b) of this subsection, develop procedures for the routine destruction of records relating to juvenile offenses and diversions.

(a) Records may be routinely destroyed only when the person the subject of the information or complaint has attained twenty-three years of age or older (or is eighteen years of age or older and his or her criminal history consists entirely of one diversion agreement and two years have passed since completion of the agreement) or pursuant to subsection (17)(a) of this section.

(b) The court may not routinely destroy the official juvenile court file or recordings or transcripts of any proceedings.

(23) No identifying information held by the Washington state patrol in accordance with chapter 43.43 RCW is subject to destruction or sealing under this section. For the purposes of this subsection, identifying information includes photographs, fingerprints, palmprints, soleprints, toeprints and any other data that identifies a person by physical characteristics, name, birthdate or address, but does not include information regarding criminal activity, arrest, charging, diversion, conviction or other information about a person's treatment by the criminal justice system or about the person's behavior.

(24) Information identifying child victims under age eighteen who are victims of sexual assaults by juvenile offenders is confidential and not subject to release to the press or public without the permission of the child victim or the child's legal guardian. Identifying information includes the child victim's name, addresses, location, photographs, and in cases in which the child victim is a relative of the alleged perpetrator, identification of the relationship between the child and the alleged perpetrator. Information identifying a child victim of sexual assault may be released to law enforcement, prosecutors, judges, defense attorneys, or private or governmental agencies that provide services to the child victim of sexual assault.

NEW SECTION. Sec. 2. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2007, in the omnibus appropriations act, this act is null and void.

On page 1, line 1 of the title, after "records;" strike the remainder of the title and insert "amending RCW 13.50.050; and creating a new section;" and the same is herewith transmitted.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to SUBSTITUTE HOUSE BILL NO. 1141 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1303 with the following amendment:

"NEW SECTION. Sec. 1. (1) The legislature finds that excessive dependence on fossil fuels jeopardizes Washington's economic security, environmental integrity, and public health. Accelerated development and use of clean fuels and clean vehicle technologies will reduce the drain on Washington's economy from importing fossil fuels. As fossil fuel prices rise, clean fuels and vehicles can save consumers money while promoting the development of a major, sustainable industry that provides good jobs and a new source of rural prosperity. In addition, clean fuels and vehicles protect public health by reducing toxic air and climate change emissions.

(2) The legislature also finds that climate change is expected to have significant impacts in the Pacific Northwest region in the near and long-term future. These impacts include: Increased temperatures, declining snowpack, more frequent heavy rainfall and flooding, receding glaciers, rising sea levels, increased risks to public health due to insect and rodent-borne diseases, declining salmon populations, and increased drought and risk of forest fires. The legislature recognizes the need at this time to continue to gather and analyze information related to climate protection. This analysis will allow prudent steps to be taken to avoid, mitigate, or respond to climate impacts and protect our communities.

(3) Finally, the legislature finds that to reduce fossil fuel dependence, build our clean energy economy, and reduce climate impacts, the state should develop policies and incentives that help businesses, consumers, and farmers gain greater access to affordable clean fuels and vehicles and to produce clean fuels in the state. These policies and incentives should include: Incentives for replacement of the most polluting diesel engines, especially in school buses; transitional incentives for development of the most promising in-state clean fuels and fuel feedstocks, including biodiesel crops, ethanol from plant waste, and liquid natural gas from landfill or wastewater treatment gases; reduced fossil fuel consumption by state fleets; development of promising new technologies for displacing petroleum with electricity, such as "plug-in hybrids"; and impact analysis and emission accounting procedures that prepare Washington to respond and prosper as climate change impacts occur, and as policies and markets to reduce climate pollution are developed.

PART 1 INVESTING IN CLEAN AIR

NEW SECTION. Sec. 101. A new section is added to chapter 28A.300 RCW to read as follows:

(1) The office of the superintendent of public instruction shall implement a school bus replacement incentive program. As part of
the program, the office shall fund up to ten percent of the cost of a
new 2007 or later model year school bus that meets the 2007 federal
motor vehicle emission control standards and is purchased by a
school district by no later than June 30, 2009, provided that the new
bus is replacing a 1994 or older school bus in the school district's
fleet. Replacement of the oldest buses must be given highest priority.

(2) The office of the superintendent of public instruction shall
ensure that buses being replaced through this program are surplused
under RCW 28A.335.180. As part of the surplus process, school
districts must provide written documentation to the office of the
superintendent of public instruction demonstrating that buses being
replaced are scrapped and not purchased for road use. The
documentation must include bus make, model, year, vehicle
identification number, engine make, engine serial number, and
salvage yard receipts; and must demonstrate that the engine and body
of the bus being replaced has been rendered unusable.

(3) The office of the superintendent of public instruction may
adopt any rules necessary for the implementation of this act.

Sec. 102. RCW 70.94.017 and 2005 c 295 s 5 are each amended
to read as follows:

(1) Money deposited in the segregated subaccount of the air
pollution control account under RCW 46.68.020(2) shall be
distributed as follows:

(a) Eighty-five percent shall be distributed to air pollution
control authorities created under this chapter. The money must be
distributed in direct proportion with the amount of fees imposed
under RCW 46.12.080, 46.12.170, and 46.12.181 that are collected
within the boundaries of each authority. However, an amount in
direct proportion with those fees collected in counties for which no
air pollution control authority exists must be distributed to the
department.

(b) The remaining fifteen percent shall be distributed to the
department.

(2) Money distributed to air pollution control authorities and the
department under subsection (1) of this section must be used as
follows:

(a) Eighty-five percent of the money received by an air pollution
control authority or the department is available on a priority basis
to retrofit school buses with exhaust emission control devices or to
provide funding for fueling infrastructure necessary to allow school
bus fleets to use alternative, cleaner fuels. In addition, the director
of ecology or the air pollution control officer may direct funding
under this section for other publicly or privately owned diesel
equipment if the director of ecology or the air pollution control
officer finds that funding for other publicly or privately owned diesel
equipment will provide public health benefits and further the
purposes of this chapter.

(b) The remaining fifteen percent may be used by the air
pollution control authority or department to reduce transportation-
related air contaminant emissions and clean up air pollution, or
reduce and monitor toxic air contaminants.

(3) Money in the air pollution control account may be spent by
the department only after appropriation.

(4) This section expires July 1, 2020.

Sec. 103. RCW 53.08.040 and 1989 c 298 s 1 are each amended
to read as follows:

(1) A district may improve its lands by dredging, filling,
bulkheading, providing waterways or otherwise developing such
lands for industrial and commercial purposes. A district may also
acquire, construct, install, improve, and operate sewer and water
utilities to serve its own property and other property owners under
terms, conditions, and rates to be fixed and approved by the port
commission. A district may also acquire, by purchase, construction,
lease, or in any other manner, and may maintain and operate other
facilities for the control or elimination of air, water, or other
pollution, including, but not limited to, facilities for the treatment
and/or disposal of industrial wastes, and may make such facilities
available to others under terms, conditions and rates to be fixed and
approved by the port commission. Such conditions and rates shall be
sufficient to reimburse the port for all costs, including reasonable
amortization of capital outlays caused by or incidental to providing
such other pollution control facilities. However, no part of such costs of providing any pollution control
equipment to others shall be paid out of any tax revenues of the port((and provided further, That)) and no port shall enter into an
agreement or contract to provide sewer and/or water utilities or
pollution control facilities if substantially similar utilities or facilities
are available from another source (or sources) which is able and
willing to provide such utilities or facilities on a reasonable and
nondiscriminatory basis unless such other source (or sources) consents thereto.

(2) In the event that a port elects to make such other pollution
control facilities available to others, it shall do so by lease, lease
purchase agreement, or other agreement binding such user to pay for
the use of said facilities for the full term of the revenue bonds issued
by the port for the acquisition of said facilities, and said payments
shall at least fully reimburse the port for all principal and interest
paid by it on said bonds and for all operating or other costs, if any,
icurred by the port in connection with said facilities((and provided, That)) where there is more than one user
of any such facilities, each user shall be responsible for its pro rata
share of such costs and payment of principal and interest. Any port
intending to provide pollution control facilities to others shall first
survey the port district to ascertain the potential users of such
facilities and the extent of their needs. The port shall conduct a
public hearing upon the proposal and shall give each potential user
an opportunity to participate in the use of such facilities upon equal
terms and conditions.

43.19 RCW to read as follows:

(1) Effective June 1, 2015, all state agencies and local
government subdivisions of the state, to the extent determined

trade, and economic development pursuant to section 204 of this act,
are required to satisfy one hundred percent of their fuel usage for
operating publicly owned vessels, vehicles, and construction
equipment from electricity or biofuel.

(2)(a) In any case in which the court orders that a dependent child may be returned to or remain in the child’s home, the in-home placement shall be contingent upon the following:
(i) The compliance of the parents with court orders related to the care and supervision of the child, including compliance with an agency case plan; and
(ii) The continued participation of the parents, if applicable, in available substance abuse or mental health treatment if substance abuse or mental illness was a contributing factor to the removal of the child.
(b) The following may be grounds for removal of the child from the home, subject to review by the court:
(i) Noncompliance by the parents with the agency case plan or court order;
(ii) The parent’s inability, unwillingness, or failure to participate in available services or treatment for themselves or the child, including substance abuse treatment if a parent’s substance abuse was a contributing factor to the abuse or neglect; or
(iii) The failure of the parents to successfully and substantially complete available services or treatment for themselves or the child, including substance abuse treatment if a parent’s substance abuse was a contributing factor to the abuse or neglect.
(c) In a pending dependency case in which the court orders that a dependent child may be returned home and that child is later removed from the home, the court shall hold a review hearing within thirty days from the date of removal to determine whether the permanency plan should be changed, a termination petition should be filed, or other action is warranted. The best interests of the child shall be the court’s primary consideration in the review hearing.

(3) The court’s ability to order housing assistance under RCW 13.34.130 and this section is:
(a) Limited to cases in which homelessness or the lack of adequate and safe housing is the primary reason for an out-of-home placement; and
(b) Subject to the availability of funds appropriated for this specific purpose.

Sec. 2. RCW 13.34.025 and 2002 c 52 s 2 are each amended to read as follows:
(1) The department of social and health services shall develop methods for coordination of services to parents and children in child dependency cases. To the maximum extent possible under current funding levels, the department must:
(a) Coordinate and integrate services to children and families, using service plans and activities that address the children’s and families’ multiple needs, including ensuring that siblings have regular visits with each other, as appropriate. Assessment criteria should screen for multiple needs;
(b) Develop treatment plans for the individual needs of the client in a manner that minimizes the number of contacts the client is required to make;
(c) Access training for department staff to increase skills across disciplines to assess needs for mental health, substance abuse, developmental disabilities, and other areas.

(2) The department shall coordinate within the administrations of the department, and with contracted service providers, to ensure that parents in dependency proceedings under this chapter receive priority access to remedial services recommended by the department in its social study or ordered by the court for the purpose of correcting any parental deficiencies identified in the dependency proceeding that are capable of being corrected in the foreseeable future. Services may also be provided to caregivers other than the parents as identified in RCW 13.34.138.

(3) For purposes of this chapter, remedial services are those services defined in the federal adoption and safe families act as time-limited family reunification services. Remedial services include individual, group, and family counseling; substance abuse treatment services; mental health services; assistance to address domestic violence; services designed to provide temporary child care and therapeutic services for families; and transportation to or from any of the above services and activities.

(b) The department shall provide funds for remedial services if the parent is unable to pay to the extent funding is appropriated in the operating budget or otherwise available to the department for such specific services. As a condition for receiving funded remedial services, the court may inquire into the parent’s ability to pay for all or part of such services or may require that the parent make appropriate applications for funding to alternative funding sources for such services.

(c) If court-ordered remedial services are unavailable for any reason, including lack of funding, lack of services, or language barriers, the department shall promptly notify the court that the parent is unable to engage in the treatment due to the inability to access such services.

(d) This section does not create an entitlement to services and does not create judicial authority to order the provision of services except for the specific purpose of making reasonable efforts to remedy parental deficiencies identified in a dependency proceeding under this chapter.

NEW SECTION. Sec. 3. A new section is added to chapter 26.44 RCW to read as follows:

The protocols shall address the coordination of child fatigue, child physical abuse, and criminal child neglect investigations between the county and city prosecutor’s offices, law enforcement, children’s protective services, local advocacy groups, emergency medical services, and any other local agency involved in the investigation of such cases. The protocol revision and expansion shall be developed by the prosecuting attorney in collaboration with the agencies referenced in this section.

For the purpose of this chapter and RCW 74.13.031, and unless otherwise clearly indicated by the context thereof, the following terms shall mean:

(1) "Agency" means any person, firm, partnership, corporation, or facility which receives children, expectant mothers, or persons with developmental disabilities for control, care, or maintenance outside their own homes, or which places, arranges the placement of, or assists in the placement of children, expectant mothers, or persons with developmental disabilities for foster care or placement of children for adoption, and shall include the following irrespective of whether there is compensation to the agency or to the children, expectant mothers or persons with developmental disabilities for services rendered:

(a) "Child-placing agency" means an agency which places a child or children for temporary care, continued care, or for adoption;

(b) "Community facility" means a group care facility operated for the care of juveniles committed to the department under RCW 13.40.185. A county detention facility that houses juveniles committed to the department under RCW 13.40.185 pursuant to a contract with the department is not a community facility;

(c) "Crisis residential center" means an agency which is a temporary protective residential facility operated to perform the duties specified in chapter 13.32A RCW, in the manner provided in RCW 74.13.032 through 74.13.036;

(d) "Emergency respite center" is an agency that may be commonly known as a crisis nursery, that provides emergency and crisis care for up to seventy-two hours to children who have been admitted by their parents or guardians to prevent abuse or neglect. Emergency respite centers may operate for up to twenty-four hours a day, and for up to seven days a week. Emergency respite centers may provide care for children ages birth through seventeen, and for persons eighteen through twenty with developmental disabilities who are admitted with a sibling or siblings through age seventeen. Emergency respite centers may not substitute for crisis residential centers or HOPE centers, or any other services defined under this section, and may not substitute for services which are required under chapter 13.32A or 13.34 RCW;

(e) "Foster-family home" means an agency which regularly provides care on a twenty-four hour basis to one or more children, expectant mothers, or persons with developmental disabilities in the family abode of the person or persons under whose direct care and supervision the child, expectant mother, or person with a developmental disability is placed;

(f) "Group-care facility" means an agency, other than a foster-family home, which is maintained and operated for the care of a group of children on a twenty-four hour basis;

(g) "HOPE center" means an agency licensed by the secretary to provide temporary residential placement and other services to street youth. A street youth may remain in a HOPE center for thirty days while services are arranged and permanent placement is coordinated. No street youth may stay longer than thirty days unless approved by the department and any additional days approved by the department must be based on the unavailability of a long-term placement option. A street youth whose parent wants him or her returned to home may remain in a HOPE center until his or her parent arranges return of the youth, not longer. Sec. 2. RCW 13.34.130 and 2003 c 227 s 3 are each amended to read as follows:

If, after a fact-finding hearing pursuant to RCW 13.34.110, it has been proven by a preponderance of the evidence that the child is dependent within the meaning of RCW 13.34.030 after consideration of the factors in (1), (2), or (3) of this section, the court shall enter an order of disposition pursuant to this section.

(1) The court shall order one of the following dispositions of the case:

(a) Order a disposition other than removal of the child from his or her home, which shall provide a program designed to alleviate the immediate danger to the child, to mitigate or cure any damage the child has already suffered, and to aid the parents so that the child will not be endangered in the future. In determining the disposition, the court should choose those services, including housing assistance, that least interfere with family autonomy and are adequate to protect the child;

(b) Order the child to be removed from his or her home and into the custody, control, and care of a relative or the department or a licensed child placing agency for ((placement)) supervision of the child's placement. The department or agency supervising the child's placement has the authority to place the child, subject to review and approval by the court (i) with a relative as defined in RCW 74.15.020(2)(a), (ii) in a foster family home or group care facility licensed pursuant to chapter 74.15 RCW, or ((not a home not required to be licensed pursuant to chapter 74.15 RCW)) (iii) in the home of another suitable person if the child or family has a preexisting relationship with that person, and the person has completed all required criminal history background checks and otherwise appears to the department or supervising agency to be suitable and competent to provide care for the child. Absent good cause, the department or
supervising agency shall follow the wishes of the natural parent regarding the placement of the child in accordance with RCW 13.34.200. The department or supervising agency may only place a child with a person not related to the child as defined in RCW 74.15.020(2)(a) when the court finds that such placement is in the best interest of the child. Unless there is reasonable cause to believe that the health, safety, or welfare of the child would be jeopardized or that efforts to reunite the parent and child will be hindered, such child shall be placed with a person who is: ((6) by (A) Related to the child as defined in RCW 74.15.020(2)(a) with whom the child has a relationship and is comfortable; and (((i))) (B) willing and available to care for the child.

(2) ((Placement of the child with a relative under this subsection shall be given preference by the court.)) An order for out-of-home placement may be made only if the court finds that reasonable efforts have been made to prevent or eliminate the need for removal of the child from the child's home and to make it possible for the child to return home, specifying the services that have been provided to the child and the child's parent, guardian, or legal custodian, and that preventive services have been offered or provided and have failed to prevent the need for out-of-home placement, unless the health, safety, and welfare of the child cannot be protected adequately in the home, and that:

(a) There is no parent or guardian available to care for such child;
(b) The parent, guardian, or legal custodian is not willing to take custody of the child; or
(c) The court finds, by clear, cogent, and convincing evidence, a manifest danger exists that the child will suffer serious abuse or neglect if the child is not removed from the home and an order under RCW 26.44.063 would not protect the child from danger.

(3) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court shall consider whether it is in a child’s best interest to be placed with, have contact with, or have visits with siblings.

(a) There shall be a presumption that such placement, contact, or visits are in the best interests of the child provided that:
(i) The court has jurisdiction over all siblings subject to the order of placement, contact, or visitation pursuant to petitions filed under this chapter or the parents of a child for whom there is no jurisdiction are willing to agree; and
(ii) There is no reason to believe that the health, safety, or welfare of any child subject to the order of placement, contact, or visitation would be jeopardized or that efforts to reunite the parent and child would be hindered by such placement, contact, or visitation. In no event shall parental visitation time be reduced in order to provide sibling visitation.

(b) The court may also order placement, contact, or visitation of a child with a step-brother or step-sister provided that in addition to the factors in (a) of this subsection, the child has a relationship and is comfortable with the step-sibling.

(4) If the court has ordered a child removed from his or her home pursuant to subsection (1)(b) of this section, the court may order that a petition seeking termination of the parent and child relationship be filed if the requirements of RCW 13.34.132 are met.

(5) If there is insufficient information at the time of the disposition hearing upon which to base a determination regarding the suitability of a proposed placement with a relative, the child shall remain in foster care and the court shall direct the supervising agency to conduct necessary background investigations as provided in chapter 74.15 RCW and report the results of such investigation to the court within thirty days. However, if such relative appears otherwise suitable and competent to provide care and treatment, the criminal history background check need not be completed before placement, but as soon as possible after placement. Any placements with relatives, pursuant to this section, shall be contingent upon cooperation by the relative with the agency case plan and compliance with court orders related to the care and supervision of the child including, but not limited to, court orders regarding parent-child contacts, sibling contacts, and any other conditions imposed by the court. Noncompliance with the case plan or court order shall be grounds for removal of the child from the relative's home, subject to review by the court.

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 1432 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 12, 2007

Mr. Speaker:

The Senate has passed SECOND SUBSTITUTE HOUSE BILL NO. 2220 with the following amendment:

"NEW SECTION. Sec. 1. A new section is added to chapter 28B.20 RCW to read as follows:

(1) The sea grant program at the University of Washington shall, consistent with this section, commission a series of scientific research studies that examines the possible effects, including the cumulative effects, of the current prevalent geoduck aquaculture techniques and practices on the natural environment in and around Puget Sound, including the Strait of Juan de Fuca. The sea grant program shall use funding provided from the geoduck aquaculture research account created in section 2 of this act to review existing literature, directly perform research identified as needed, or enter into and manage contracts with scientific organizations or institutions to accomplish these results.

(2) Prior to entering into a contract with a scientific organization or institution, the sea grant program must:

(a) Analyze, through peer review, the credibility of the proposed party to the contract, including whether the party has credible experience and knowledge and has access to the facilities necessary to fully execute the research required by the contract; and
(b) Require that all proposed parties to a contract fully disclose any past, present, or planned future personal or professional connections with the shellfish industry or public interest groups.

(3) All research commissioned under this section must be subjected to a rigorous peer review process prior to being accepted and reported by the sea grant program."
(4) In prioritizing and directing research under this section, the sea grant program shall meet with the department of ecology at least annually and rely on guidance submitted by the department of ecology. The department of ecology shall convene the shellfish aquaculture regulatory committee created in section 4 of this act as necessary to serve as an oversight committee to formulate the guidance provided to the sea grant program. The objective of the oversight committee, and the resulting guidance provided to the sea grant program, is to ensure that the research required under this section satisfies the planning, permitting, and data management needs of the state, to assist in the prioritization of research given limited funding, and to help identify any research that is beneficial to complete other than what is listed in subsection (5) of this section.

(5) To satisfy the minimum requirements of subsection (1) of this section, the sea grant program shall review all scientific research that is existing or in progress that examines the possible effect of currently prevalent geoduck practices, on the natural environment, and prioritize and conduct new studies as needed, to measure and assess the following:

(a) The environmental effects of structures commonly used in the aquaculture industry to protect juvenile geoducks from predation;
(b) The environmental effects of commercial harvesting of geoducks from intertidal geoduck beds, focusing on current prevalent harvesting techniques, including a review of the recovery rates for benthic communities after harvest;
(c) The extent to which geoducks in standard aquaculture tracts alter the ecological characteristics of overlying waters while the tracts are submerged, including impacts on species diversity, and the abundance of other benthic organisms;
(d) Baseline information regarding naturally existing parasites and diseases in wild and cultured geoducks, including whether and to what extent commercial intertidal geoduck aquaculture practices impact the baseline;
(e) Genetic interactions between cultured and wild geoduck, including measurements of differences between cultured geoducks and wild geoducks in terms of genetics and reproductive status; and
(f) The impact of the use of sterile triploid geoducks and whether triploid animals diminish the genetic interactions between wild and cultured geoducks.

(6) If adequate funding is not made available for the completion of all research required under this section, the sea grant program shall consult with the shellfish aquaculture regulatory committee, via the department of ecology, to prioritize which of the enumerated research projects have the greatest cost/benefit ratio in terms of providing information important for regulatory decisions. The prioritization process may include the addition of any new studies that may be appropriate to, or in place of, studies listed in this section.

(7) When appropriate, all research commissioned under this section must address localized and cumulative effects of geoduck aquaculture.

(8) The sea grant program and the University of Washington are prohibited from retaining greater than fifteen percent of any funding provided to implement this section for administrative overhead or other deductions not directly associated with conducting the research required by this section.

(9) Individual commissioned contracts under this section may address single or multiple components listed for study under this section.

(10) All research commissioned under this section must be completed and the results reported to the appropriate committees of the legislature by December 1, 2013. In addition, the sea grant program shall provide the appropriate committees of the legislature with annual reports updating the status and progress of the ongoing studies that are completed in advance of the 2013 deadline.

NEW SECTION. Sec. 2. A new section is added to chapter 28B.20 RCW to read as follows:

The geoduck aquaculture research account is created in the custody of the state treasurer. All receipts from any legislative appropriations, the industry, or any other private or public source directed to the account must be deposited in the account. Expenditures from the account may only be used by the sea grant program for the geoduck research projects identified by section 1 of this act. Only the president of the University of Washington or the president’s designee may authorize expenditures from the account. The account is subject to the allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

Sec. 3. RCW 79.135.100 and 1984 c 221 s 10 are each amended to read as follows:

(1) If state-owned aquatic lands are used for aquaculture production or harvesting, rents and fees shall be established through competitive bidding or negotiation.

(2) The department is prohibited from offering leases that would permit the intertidal commercial aquaculture of geoducks on more than a total of twenty-three acres of state-owned aquatic lands until:

(a) The department of ecology and the shellfish aquaculture regulatory committee have submitted a final report containing recommendations as required under section 4 of this act; and
(b) The legislature has had at least one full legislative session to consider and act upon the recommendations. If the legislature does not take action limiting the department’s authority to lease state-owned aquatic lands for geoduck aquaculture under (b) of this subsection, then the department may resume leasing property consistent with any applicable federal, state, and local guidelines or regulations.

(3) All rents and fees collected from leases of state-owned aquatic lands for purposes of geoduck aquaculture must be deposited into the geoduck aquaculture research account created under section 2 of this act.

(4) Any intertidal leases entered into by the department for geoduck aquaculture must be conditioned in such a way that:

(a) The department can engage in monitoring of the environmental impacts of the lease's execution, without unreasonably diminishing the economic viability of the lease, and that the lease tracts are eligible to be made part of the studies conducted under section 1 of this act; and
(b) Any aquaculture equipment and materials used in the cultivation, protection, or harvest of geoducks be marked with the registration number of the aquatic farmer as required under RCW 77.115.040. The department must notify all abutting landowners of the intent of the department to lease the tidal and subtidal lands for the purposes of geoduck aquaculture. An intertidal lease entered into by the department for the purpose of geoduck aquaculture may not contain an automatic right of renewal.

NEW SECTION. Sec. 4. (1) The shellfish aquaculture regulatory committee is established to, consistent with this section, serve as an advisory body to the department of ecology on regulatory processes and approvals for all current and new shellfish aquaculture activities, and the activities conducted pursuant to RCW 90.58.060, as the activities relate to shellfish. The shellfish aquaculture regulatory committee is established to, consistent with this section, serve as an advisory body to the department of ecology on regulatory processes and approvals for all current and new shellfish aquaculture activities, and the activities conducted pursuant to RCW 90.58.060, as the activities relate to shellfish. The shellfish aquaculture regulatory committee is established to, consistent with this section, serve as an advisory body to the department of ecology on regulatory processes and approvals for all current and new shellfish aquaculture activities, and the activities conducted pursuant to RCW 90.58.060, as the activities relate to shellfish. The shellfish aquaculture regulatory committee is established to, consistent with this section, serve as an advisory body to the department of ecology on regulatory processes and approvals for all current and new shellfish aquaculture activities, and the activities conducted pursuant to RCW 90.58.060, as the activities relate to shellfish. (2) The shellfish aquaculture regulatory committee shall develop recommendations as to:

(a) A regulatory system or permit process for all current and new shellfish aquaculture projects and activities that integrates all applicable existing local, state, and federal regulations and is efficient both for the regulators and the regulated; and
(b) Appropriate guidelines for geoduck aquaculture operations to be included in shoreline master programs under section 5 of this act.

(3)(a) The members of the shellfish aquaculture regulatory committee shall be appointed by the director of the department of ecology as follows:

(i) Two representatives of county government, one from a county located on the Puget Sound, and one from a county located on the Pacific Ocean;

(4) The department of ecology shall provide administrative and clerical assistance to the shellfish aquaculture regulatory committee and all agencies listed in subsection (3) of this section shall provide technical assistance.

(7) The shellfish aquaculture regulatory committee is authorized to form technical advisory panels as needed and appoint to them members not on the shellfish aquaculture regulatory committee.

(8) The department of ecology shall report the recommendations and findings of the shellfish aquaculture regulatory committee to the appropriate committees of the legislature by December 1, 2007, with a further report, if necessary, by December 1, 2008.

SENNATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to SECOND SUBSTITUTE HOUSE BILL NO. 2220 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

April 4, 2007

Mr. Speaker:

The Senate has passed ENGROSSED THIRD SUBSTITUTE HOUSE BILL NO. 1001 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that:

(a) Automobiles are an essential part of our everyday lives. The west coast is the only region of the United States with an increase of over three percent in motor vehicle thefts over the last several years. The family car is a priority of most individuals and families. The family car is typically the second largest investment a person has next to the home, so when a car is stolen, it causes a significant loss and inconvenience to people, imposes financial hardship, and negatively impacts their work, school, and personal activities. Appropriate and meaningful penalties that are proportionate to the crime committed must be imposed on those who steal motor vehicles;

(b) In Washington, more than one car is stolen every eleven minutes, one hundred thirty-eight cars are stolen every day, someone's car has a one in one hundred seventy-nine chance of being stolen, and more vehicles were stolen in 2005 than in any other previous year. Since 1994, auto theft has increased over fifty-five percent, while other property crimes like burglary are on the decline or holding steady. The national crime insurance bureau reports that Seattle and Tacoma ranked in the top ten places for the most auto thefts, ninth and tenth respectively, in 2004. In 2005, over fifty thousand auto thefts were reported costing Washington citizens more than three hundred twenty-five million dollars in higher insurance rates and lost vehicles. Nearly eighty percent of these crimes occurred in the central Puget Sound region consisting of the heavily populated areas of King, Pierce, and Snohomish counties;

(c) Law enforcement has determined that auto theft, along with all the grief it causes the immediate victims, is linked more and more to offenders engaged in other crimes. Many stolen vehicles are used by criminals involved in such crimes as robbery, burglary, and assault. In addition, many people who are stopped in stolen vehicles are found to possess the personal identification of other persons, or to possess methamphetamine, precursors to methamphetamine, or equipment used to cook methamphetamine;"
(d) Juveniles account for over half of the reported auto thefts with many of these thefts being their first criminal offense. It is critical that they, along with first time adult offenders, are appropriately punished for their crimes. However, it is also important that first time offenders who qualify receive appropriate counseling treatment for associated problems that may have contributed to the commission of the crime, such as drugs, alcohol, and anger management; and

NEW SECTION. Sec. 7. A new section is added to chapter 9A.56 RCW to read as follows:

(2) Possessing stolen property in the first degree if:

(a) He or she possesses stolen property other than a firearm as defined in RCW 9.41.010 or a motor vehicle, which exceeds two hundred fifty dollars in value but does not exceed one thousand five hundred dollars in value;

(b) He or she possesses a stolen public record, writing or instrument kept, filed, or deposited according to law;

(c) He or she possesses a stolen access device;

(d) He or she possesses a stolen motor vehicle of a value less than one thousand five hundred dollars).

(2) Possessing stolen property in the second degree is a class C felony.

Sec. 8. RCW 9.4A.525 and 2006 c 128 s 6 and 2006 c 73 s 7 are each reenacted and amended to read as follows:

The offender score is the sum of pointsc accrued under this subsection, class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent ten consecutive years in the community without committing any crime that subsequently results in a conviction.

(c) Except as provided in (e) of this subsection, class C prior felony convictions other than sex offenses shall be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent ten consecutive years in the community without committing any crime that subsequently results in a conviction.

Sec. 9. RCW 9A.56.160 and 1995 c 129 s 15 are each amended to read as follows:

1. A person is guilty of possession stolen property in the first degree if he or she possesses stolen property other than a firearm as defined in RCW 9.41.010 or a motor vehicle, which exceeds one thousand five hundred dollars in value.

2. Possessing stolen property in the first degree is a class B felony.

Sec. 10. RCW 9.4A.589.

POSSIBLE PENALTIES.

(a) Class A and sex prior felony convictions shall always be included in the offender score.

(b) Class B prior felony convictions other than sex offenses shall be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender had spent ten consecutive years in the community without committing any crime that subsequently results in a conviction.

(c) Except as provided in (e) of this subsection, class C prior felony convictions other than sex offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent ten consecutive years in the community without committing any crime that subsequently results in a conviction.

(d) Except as provided in (e) of this subsection, serious traffic offenses shall not be included in the offender score if, since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, the offender spent five years in the community without committing any crime that subsequently results in a conviction.

(e) If the present conviction is felony driving while under the influence of intoxicating liquor or any drug (RCW 46.61.502(6)) or felony physical control of a vehicle while under the influence of intoxicating liquor or any drug (RCW 46.61.504(6)), prior convictions of felony driving while under the influence of intoxicating liquor or any drug, felony physical control of a vehicle while under the influence of intoxicating liquor or any drug, and serious traffic offenses shall be included in the offender score if: (i) The prior convictions were committed within five years since the last date of release from confinement (including full-time residential treatment) pursuant to a felony conviction, if any, or entry of judgment and sentence, and (ii) the prior convictions would be considered "prior offenses within ten years" as defined in RCW 46.61.5055.

(f) This subsection applies to both adult and juvenile prior convictions.
be classified according to the comparable offense definitions and sentences provided by Washington law. If there is no clearly comparable offense under Washington law or the offense is one that is usually considered subject to exclusive federal jurisdiction, the offense shall be scored as a class C felony equivalent if it was a felony under the relevant federal statute.

(4) Score prior convictions for felony anticipatory offenses (attempts, criminal solicitations, and criminal conspiracies) the same as it is for the offenses these offenses are covering for purposes of computing the offender score, count all convictions separately, except:

(i) Prior offenses which were found, under RCW 9.94A.589(1)(a), to encompass the same criminal conduct, shall be counted as one offense, the offense that yields the highest offender score. The current sentencing court shall determine with respect to other prior adult offenses for which sentences were served concurrently or prior juvenile offenses for which sentences were served consecutively, whether those offenses shall be counted as one offense or as separate offenses using the "same criminal conduct" analysis found in RCW 9.94A.589(1)(a), and if the court finds that they shall be counted as one offense, then the offense that yields the highest offender score shall be used. The current sentencing court may presume that such other prior offenses were not the same criminal conduct from sentences imposed on separate dates, or in separate counties or jurisdictions, or in separate complaints, indictments, or informations;

(ii) In the case of multiple prior convictions for offenses committed before July 1, 1986, for the purpose of computing the offender score, count all adult convictions served concurrently as one offense, and count all juvenile convictions entered on the same date as one offense. Use the conviction for the offense that yields the highest offender score.

(b) As used in this subsection (5), "served concurrently" means that: (i) The latter sentence was imposed with specific reference to the former; (ii) the concurrent relationship of the sentences was judicially imposed; and (iii) the concurrent timing of the sentences was not the result of a probation or parole revocation on the former offense.

(6) If the present conviction is one of the anticipatory offenses of criminal attempt, solicitation, or conspiracy, count each prior conviction as if the present conviction were for a completed offense. When these convictions are used as criminal history, score them the same as a completed crime.

(7) If the present conviction is for a nonviolent offense and not covered by subsection (11) or (12) of this section, count one point for each prior adult or juvenile prior conviction and one point for each juvenile prior violent felony conviction and 1/2 point for each juvenile prior nonviolent felony conviction.

(8) If the present conviction is for a violent offense and not covered in subsection (9), (10), (11), or (12) of this section, count two points for each prior adult and juvenile violent felony conviction, one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(9) If the present conviction is for a serious violent offense, count three points for prior adult and juvenile convictions for crimes in this category, two points for each prior adult and juvenile violent conviction (not already counted), one point for each prior adult nonviolent felony conviction, and 1/2 point for each prior juvenile nonviolent felony conviction.

(10) If the present conviction is for Burglary 1, count prior convictions as in subsection (8) of this section; however, count two points for each prior adult Burglary 2 or residential burglary conviction, and one point for each prior juvenile Burglary 2 or residential burglary conviction.

(11) If the present conviction is for a felony traffic offense count two points for each adult or juvenile prior conviction for Vehicular Homicide or Vehicular Assault; for each felony offense count one point for each adult and 1/2 point for each juvenile prior conviction; for each serious traffic offense, other than those used for an enhancement pursuant to RCW 46.61.520(2), count one point for each adult and 1/2 point for each juvenile prior conviction.

(12) If the present conviction is for manufacture of methamphetamine count three points for each adult prior manufacture of methamphetamine conviction and two points for each juvenile manufacture of methamphetamine offense. If the present conviction is for a drug offense and the offender has a criminal history that includes a sex offense or serious violent offense, count three points for each adult prior felony drug offense conviction and two points for each juvenile drug offense. All other adult and juvenile felony offenses are scored as in subsection (8) of this section if the current drug offense is violent, or as in subsection (7) of this section if the current drug offense is nonviolent.

(13) If the present conviction is for Escape from Community Custody, RCW 72.09.310, count only prior escape convictions in the offender score. Count adult prior escape convictions as one point and juvenile prior escape convictions as 1/2 point.

(14) If the present conviction is for Escape 1, RCW 9A.76.110, or Escape 2, RCW 9A.76.120, count adult prior convictions as one point and juvenile prior convictions as 1/2 point.

(15) If the present conviction is for Burglary 2 or residential burglary, count priors as in subsection (7) of this section; however, count two points for each adult and juvenile prior Burglary 1 conviction, two points for each adult prior Burglary 2 or residential burglary conviction, and one point for each juvenile prior Burglary 2 or residential burglary conviction.

(16) If the present conviction is for a sex offense, count priors as in subsections (7) through (15) of this section; however, count three points for each adult and juvenile prior sex offense conviction.

(17) If the present conviction is for failure to register as a sex offender under RCW 9A.44.130(10), count priors as in subsections (7) through (15) of this section; however, count three points for each adult and juvenile prior sex offense conviction, excluding prior convictions for failure to register as a sex offender under RCW 9A.44.130(10), which shall count as one point.

(18) If the present conviction is for an offense committed while the offender was under community placement, add one point.

(19) If the present conviction is for Theft of a Motor Vehicle, Possession of a Stolen Vehicle, Taking a Motor Vehicle Without Permission 1, or Taking a Motor Vehicle Without Permission 2, count priors as in subsections (7) through (18) of this section; however, count one point for prior convictions of Vehicle Prowling 2, and three points for each adult and juvenile prior Theft 1 (of a motor vehicle), Theft 2 (of a motor vehicle), Possession of Stolen Property 1 (of a motor vehicle), Possession of Stolen Property 2 (of a motor vehicle), Theft of a Motor Vehicle, Possession of a Stolen Vehicle, Taking a Motor Vehicle Without Permission 1, or Taking a Motor Vehicle Without Permission 2 conviction.

(20) The fact that a prior conviction was not included in an offender's offender score or criminal history at a previous sentencing shall have no bearing on whether it is included in the criminal history or offender score for the current offense. Accordingly, prior convictions that were not counted in the offender score or included in criminal history under repealed or previous versions of the sentencing reform act shall be included in criminal history and shall count in the offender score if the current version of the sentencing reform act requires including or counting those convictions.

Participation in the home detention program for medical or health-related reasons is conditioned on the offender abiding by the rules of the home detention program and complying with court-ordered restitution.

#### NOTE: References in the grid to days or weeks mean periods of confinement.

1. The vertical axis of the grid is the current offense category. The current offense category is determined by the offense of adjudication.
2. The horizontal axis of the grid is the number of prior adjudications included in the juvenile's criminal history. Each prior felony adjudication shall count as one point. Each prior violation, misdemeanor, and gross misdemeanor adjudication shall count as 1/4 point. Fractional points shall be rounded down.
3. The standard range disposition for each offense is determined by the intersection of the column defined by the prior adjudications and the row defined by the current offense category.
4. RCW 13.40.180 applies if the offender is being sentenced for more than one offense.
5. A current offense that is a violation is equivalent to an offense category of E. However, a disposition for a violation shall not include confinement.

### OPTION B

**SUSPENDED DISPOSITION ALTERNATIVE**

1. If the offender is subject to a standard range disposition involving confinement by the department, the court may impose the standard range and suspend the disposition on condition that the offender comply with one or more local sanctions and any educational or treatment requirement. The treatment programs provided to the offender must be research-based best practice programs as identified by the Washington state institute for public policy or the joint legislative audit and review committee.
2. If the offender fails to comply with the suspended disposition, the court may impose sanctions pursuant to RCW 13.40.200 or may revoke the suspended disposition and order the disposition's execution.
3. An offender is ineligible for the suspended disposition option under this section if the offender is:
   (a) Adjudicated of an A+ offense;
   (b) Fourteen years of age or older and is adjudicated of one or more of the following offenses:
      (i) A class A offense, or an attempt, conspiracy, or solicitation to commit a class A offense;
      (ii) Manslaughter in the first degree (RCW 9A.36.030), driving under the influence of alcohol or any other intoxicant (RCW 46.61.510), vehicular homicide (RCW 9A.36.045), vehicular manslaughter (RCW 46.61.520), and hit and run death (RCW 46.61.520(4)(a)), or assault in the second degree (RCW 9A.40.030), residential burglary (RCW 9A.52.025), burglary in the second degree (RCW 9A.52.030), drive-by shooting (RCW 9A.36.045), vehicular homicide (RCW 46.61.520), hit and run death (RCW 46.61.520(4)(a)), or assault in the second degree (RCW 9A.40.030), or
      (iii) Adjudicated of a sex offense as defined in RCW 9.94A.030.
4. Ordered to serve a disposition for a firearm violation under RCW 13.40.193; or
5. Adjudicated of a sex offense as defined in RCW 9.94A.030.

### OPTION C

**CHEMICAL DEPENDENCY DISPOSITION ALTERNATIVE**

If the juvenile offender is subject to a standard range disposition of local sanctions or 15 to 36 weeks of confinement and has not committed an A+ or B+ offense, the court may impose a disposition under RCW 13.40.160(4) and 13.40.165.

### OPTION D

**MANIFEST INJUSTICE**

If the court determines that a disposition under option A, B, or C would effectuate a manifest injustice, the court shall impose a disposition outside the standard range under RCW 13.40.160(2).
NEW SECTION. Sec. 12. A new section is added to chapter 13.40 RCW to read as follows:

(a) If a juvenile is adjudicated of theft of a motor vehicle under section 2 of this act, possession of a stolen vehicle under section 5 of this act, taking a motor vehicle without permission in the first degree as defined in RCW 9A.56.070(1), or taking a motor vehicle without permission in the second degree as defined in RCW 9A.56.075(1) and is sentenced to local sanctions, the juvenile's disposition shall include an evaluation to determine whether the juvenile is in need of community-based rehabilitation services and to complete any treatment recommended by the evaluation.

(b) When the court sentences an offender to a local sanction as provided in RCW 13.40.0357 or 13.40.030 except as provided in RCW 13.40.320 concerning offenders the department determines are eligible for the juvenile offender basic training camp program. Such dates shall be determined prior to the expiration of sixty percent of a juvenile's minimum term of confinement included within the prescribed range to which the juvenile has been committed. The secretary shall release any juvenile committed to the custody of the department within four calendar days prior to the juvenile's release date or on the release date set under this chapter. Days spent in the custody of the department shall be tolled by any period of time during which a juvenile has absented himself or herself from the department's supervision without the prior approval of the secretary or the secretary's designee.

(2) The secretary shall monitor the average daily population of the state's juvenile residential facilities. When the secretary concludes that in-residence population of residential facilities exceeds one hundred five percent of the rated bed capacity specified in statute, or in absence of such specification, as specified by the department in rule, the secretary may recommend reductions to the governor. On certification by the governor that the recommended reductions are necessary, the secretary has authority to administratively release a sufficient number of offenders to reduce in-residence population to one hundred percent of rated bed capacity. The secretary shall release those offenders who have served the greatest proportion of their sentence. However, the secretary may deny release in a particular case at the request of an offender, or if the secretary finds that there is no responsible custodian, as determined by the department, to whom to release the offender, or if the release of the offender would pose a clear danger to society. The department shall notify the committing court of the release at the time of release if any such early releases have occurred as a result of excessive in-residence population. In no event shall an offender adjudicated of a violent offense be granted release under the provisions of this section.

(3)(a) Following the release of any juvenile under subsection (1) of this section, the secretary may require the juvenile to comply with a program of parole to be administered by the department in his or her community which shall last no longer than eighteen months, except that in the case of a juvenile sentenced for rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, or indecent liberties with forcible compulsion, the period of parole shall be twenty-four months and, in the discretion of the secretary, may be up to thirty-six months when the secretary finds that an additional period of parole is necessary and appropriate in the interests of public safety or to meet the ongoing needs of the juvenile. A parole program is mandatory for offenders released under subsection (2) of this section and for offenders who receive a juvenile residential commitment sentence of theft of a motor vehicle, possession of a stolen motor vehicle, or taking a motor vehicle without permission. The decision to place an offender on parole shall be based on an assessment by the department of the offender's risk for reoffending upon release. The department shall prioritize available parole resources to provide supervision and services to offenders at moderate to high risk for reoffending and devote specific resources to provide parole services to offenders who reoffend at a rate higher than other parolees.

(b) The secretary shall, for the period of parole, facilitate the juvenile's reintegration into his or her community and to further this goal shall require the juvenile to refrain from possessing a firearm or using a deadly weapon and refrain from committing new offenses and may require the juvenile to: (i) Undergo available medical, psychiatric, drug and alcohol, sex offender, mental health, and other offense-related treatment services; (ii) report as directed to a parole officer and/or designee; (iii) pursue a course of study, vocational training, or employment; (iv) notify the parole officer of the current address where he or she resides; (v) be present at a particular address during specified hours; (vi) remain within prescribed geographical boundaries; (vii) submit to electronic monitoring; (viii) refrain from using illegal drugs and alcohol, and submit to random urinalysis when requested by the assigned parole officer; (ix) refrain from contact with specific individuals or a specified class of individuals; (x) meet other conditions determined by the parole officer to further enhance the juvenile's reintegration into the community; (xi) pay any court-ordered fines, restitution, or costs; and (xii) perform work restitution. Community restitution for the purpose of this section means compulsory service, without compensation, performed for the benefit of the community by the offender. Community restitution may be performed through public or private organizations or through work crews.

(c) The secretary may further require up to twenty-five percent of the highest risk juvenile offenders who are placed on parole to participate in an intensive supervision program. Offenders participating in an intensive supervision program shall be required to comply with all terms and conditions listed in (b) of this subsection and shall also be required to comply with the following additional terms and conditions: (i) Obey all laws and refrain from any conduct that threatens public safety; (ii) report at least once a week to an assigned community case manager; and (iii) meet all other requirements imposed by the community case manager related to participating in the intensive supervision program. As a part of the intensive supervision program, the secretary may require day reporting.

(d) After termination of the parole period, the juvenile shall be discharged from the department's supervision.

(e) The department may also modify parole for violation thereof. If, after affording a juvenile all of the due process rights to which he or she would be entitled if the juvenile were an adult, the secretary finds that a juvenile has violated a condition of his or her parole, the secretary shall order one of the following which is reasonably likely to effectuate the purpose of the parole and to protect the public: (i) Continued supervision under the same conditions previously imposed; (ii) intensified supervision with increased reporting requirements; (iii) additional conditions of supervision authorized by this chapter; (iv) except as provided in (a)(v) and (vi) of this subsection, imposition of a period of confinement not to exceed thirty days in a facility operated by or pursuant to a contract with the state of Washington or any city or county for a portion of each day or for a certain number of days each week with the balance of the days or weeks spent under supervision; (v) the secretary may order any of the conditions or may return the offender to confinement for the remainder of the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9A.56.090(1); (vi) order the offender to perform community restitution.

(f) If a juvenile is sentenced to a determinate juvenile sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9A.56.090(1) and (2), the period of parole shall be based on the sentence range if the offense for which the offender was sentenced is rape in the first or second degree, rape of a child in the first or second degree, child molestation in the first degree, indecent liberties with forcible compulsion, or a sex offense that is also a serious violent offense as defined by RCW 9A.56.090(1) and (2).

Sec. 14. RCW 13.40.160 and 2002 c 175 s 27 are each amended to read as follows:

(1) When the court sentences an offender to a local sanction as provided in RCW 13.40.0357 or 13.40.030 except as provided in RCW 13.40.320 concerning offenders the department determines are eligible for the juvenile offender basic training camp program, such dates shall be based on the specifications of this act, possession of a stolen vehicle under section 5 of this act, and (2) the court shall impose a determinate disposition within the standard ranges, except as provided in subsection (2), (3), (4), (5), or (6) of this section. The dispositional specification, as specified by the department in rule, the secretary may specify

(3) As specified by the department in rule, or in absence of such specification, as specified by the department in rule, the secretary may specify.

(4) As specified by the department in rule, or in absence of such specification, as specified by the department in rule, the secretary may specify.

(5) As specified by the department in rule, or in absence of such specification, as specified by the department in rule, the secretary may specify.

(6) As specified by the department in rule, or in absence of such specification, as specified by the department in rule, the secretary may specify.
(b) When the court sentences an offender to a standard range as provided in RCW 13.40.0357 option A that includes a term of confinement exceeding thirty days, commitment shall be to the department for the standard range of confinement, except as provided in subsection (2), (3), (4), (5), or (6) of this section.

(2) If the court concludes, and enters reasons for its conclusion, that disposition within the standard range would effectuate a manifest injustice the court shall impose a disposition outside the standard range, as indicated in subsection D of RCW 13.40.0357. The court’s finding of manifest injustice shall be supported by clear and convincing evidence.

A disposition outside the standard range shall be determinate and shall be comprised of confinement or community supervision, or a combination thereof. When a judge finds a manifest injustice and imposes a sentence of confinement exceeding thirty days, the court shall sentence the juvenile to a maximum term, and the provisions of RCW 13.40.030(2) shall be used to determine the range. A disposition outside the standard range is not appealable under RCW 13.40.230.

(3) When a juvenile offender is found to have committed a sex offense, other than a sex offense that is also a serious violent offense as defined by RCW 9.94A.030, and has no history of a prior sex offense, the court, on its own motion or the motion of the state or the respondent, may order an examination to determine whether the respondent is amenable to treatment.

The report of the examination shall include at a minimum the following: The respondent’s version of the facts and the official version of the facts, the respondent’s offense history, an assessment of problems in addition to alleged deviant behaviors, the respondent’s social, educational, and employment situation, and other evaluation measures used. The report shall set forth the sources of the evaluator’s information.

The examiner shall assess and report regarding the respondent’s amenability to treatment and relative risk to the community. A proposed treatment plan shall be provided and shall include, at a minimum:

(i) Frequency and type of contact between the offender and therapist;

(ii) Specific issues to be addressed in the treatment and description of planned treatment modalities;

(iii) Monitoring plans, including any requirements regarding living conditions, lifestyle requirements, and monitoring by family members, legal guardians, or others;

(iv) Anticipated length of treatment; and

(v) Recommended crime-related prohibitions.

The court on its own motion may order, or on a motion by the state shall order, a second examination regarding the offender’s amenability to treatment. The evaluator shall be selected by the party making the motion. The second examination shall pay the cost of any second examination ordered unless the court finds the defendant to be indigent in which case the state shall pay the cost.

After receipt of reports of the examination, the court shall then consider whether the offender and the community will benefit from use of this special sex offender disposition alternative and consider the victim’s opinion whether the offender would receive a treatment disposition under this section. If the court determines that this special sex offender disposition alternative is appropriate, then the court shall impose a determinate disposition within the standard range for the offense, or if the court concludes, and enters reasons for its conclusions, that such disposition would cause a manifest injustice, the court shall impose a disposition under option D, and the court may suspend the execution of the disposition and place the offender on community supervision for at least two years. As a condition of the suspended disposition, the court may impose the conditions of community supervision and other conditions, including up to thirty days of confinement and requirements that the offender do any one or more of the following:

(vii) Comply with the conditions of any court-ordered probation bond; or

(viii) The court shall order that the offender shall not attend the public or approved private elementary, middle, or high school attended by the victim or the victim’s siblings. The parents or legal guardians of the offender are responsible for transportation or other costs associated with the offender's change of school that would otherwise be paid by the school district. The court shall send notice of the disposition and restriction on attending the same school as the victim or victim's siblings to the public or approved private school the juvenile will attend, if known, or if unknown, to the approved private schools and the public school district board of directors of the district in which the juvenile resides or intends to reside. This notice must be sent at the earliest possible date but not later than ten calendar days after entry of the disposition.

The court may order both execution of the disposition and up to thirty days’ confinement for violating conditions of the disposition. The court may order both execution of the disposition and up to thirty days’ confinement for violating the conditions of this disposition. The court shall give credit for any confinement time previously served that was for the offense for which the suspension is being revoked.

(7) RCW 13.40.193 shall govern the disposition of any juvenile adjudicated of possessing a firearm in violation of RCW 9.41.040(2)(a)(i) or any crime in which a special finding is entered that the juvenile was armed with a firearm.

Expenditures from the account may be used only for activities relating to motor vehicle theft, including education, prevention, law enforcement, investigation, prosecution, and confinement.

(2) The authority shall allocate moneys appropriated from the account to public agencies for the purpose of establishing, maintaining, and

(3) The costs of administration shall not exceed ten percent of the
moneys in the account in any one year so that the greatest possible portion
of the moneys available to the authority is expended on combating motor
vehicle theft.

(4) Prior to awarding any moneys from the Washington auto theft
prevention authority account for motor vehicle theft enforcement, the auto

confinement costs; (b) administration costs; (c) law enforcement costs; (d)
prosecutor costs; and (e) court costs, with a priority being given to
ensuring that sufficient funding is available to cover state, municipal, and

Sec. 28. RCW 46.63.110 and 2005 c 413 s 2, 2005 c 320 s 2, and
2005 c 288 s 8 are each reenacted and amended to read as follows:

(1) A person found to have committed a traffic infraction shall be
assessed a monetary penalty. No penalty may exceed two hundred and
fifty dollars for each offense unless authorized by this chapter or title.

(2) The monetary penalty for a violation of (a) RCW 46.55.105(2) is
two hundred fifty dollars for each offense; (b) RCW 46.61.210(1) is five
hundred dollars for each offense. No penalty assessed under this
subsection (2) may be reduced.

(3) The supreme court shall prescribe by rule a schedule of monetary
penalties for designated traffic infractions. This rule shall also specify the
conditions under which local courts may exercise discretion in assessing
fines and penalties for traffic infractions. The legislature respectfully
requests the supreme court to adjust this schedule every two years for inflation.

(4) There shall be a penalty of twenty-five dollars for failure to
respond to a notice of traffic infraction except where the infraction relates
to parking as defined by local law, ordinance, regulation, or resolution or
failure to pay a monetary penalty imposed pursuant to this chapter. A
local legislative body may set a monetary penalty not to exceed twenty-five
dollars for failure to respond to a notice of traffic infraction relating
to parking as defined by local law, ordinance, regulation, or resolution.
The local court, whether a municipal, police, or district court, shall impose
the monetary penalty set by the local legislative body.

(5) Monetary penalties provided for in chapter 46.70 RCW which are
civil in nature and penalties which may be assessed for violations of
chapter 46.44 RCW relating to size, weight, and load of motor vehicles are
not subject to the limitation on the amount of monetary penalties which
may be imposed pursuant to this chapter.

(6) Whenever a monetary penalty, fee, cost, assessment, or other
monetary obligation is imposed by a court under this chapter it is
immediately payable. If the court determines, in its discretion, that a
person is not able to pay a monetary obligation in full, and not more than
one year has passed since the later of July 1, 2005, or the date the
monetary obligation initially became due and payable, the court shall enter
into a payment plan with the person, unless the person has previously been
granted a payment plan with respect to the same monetary obligation, or
unless the person is in noncompliance of any existing or prior payment
plan, in which case the court may, at its discretion, implement a payment
plan. If the court has notified the department that the person has failed to
pay or comply and the person has subsequently entered into a payment
plan and made an initial payment, the court shall notify the department that
the infraction has been adjudicated, and the department shall rescind any
suspension of the person's driver's license or driver's privilege based on
failure to respond to that infraction. "Payment plan," as used in this section,
means a plan that requires reasonable payments based on the financial
ability of the person to pay. The person may voluntarily pay an
amount at any time in addition to the payments required under the payment
plan.

(a) If a payment required to be made under the payment plan is
delinquent or the person fails to complete a community restitution program
on or before the time established under the payment plan, unless the court
determines good cause therefor and adjusts the payment plan or the
community restitution plan accordingly, the court shall notify the
department of the person's failure to meet the conditions of the plan, and
the department shall suspend the person's driver's license or driving
privilege until all monetary obligations, including those imposed under
subsections (3) and (4) of this section, have been paid, and court authorized
community restitution has been completed, or until the department has
been notified that the court has entered into a new time payment or
community restitution agreement with the person.

(b) If a person has not entered into a payment plan with the court and
has not paid the monetary obligation in full on or before the time
established for payment, the court shall notify the department of the
delinquency. The department shall suspend the person's driver's license or
driving privilege until all monetary obligations have been paid, including
those imposed under subsections (3) and (4) of this section, or until the
person has entered into a payment plan under this section.

(c) If the payment plan is to be administered by the court, the court
may assess the person a reasonable administrative fee to be wholly retained
by the city or county with jurisdiction. The administrative fee shall not
exceed ten dollars per infraction or twenty-five dollars per payment plan,
whichever is less.

(d) Nothing in this section precludes a court from contracting with
outside entities to administer its payment plan system. When outside
entities are used for the administration of a payment plan, the court may
assess the person a reasonable fee for such administrative services, which
fee may be calculated on a periodic, percentage, or other basis.

(e) If a court authorized community restitution program for offenders
is available in the jurisdiction, the court may allow conversion of all or part
of the monetary obligations due under this section to court authorized
community restitution in lieu of time payments if the person is unable to
make reasonable time payments.

(7) In addition to any other penalties imposed under this section and
not subject to the limitation of subsection (1) of this section, a person found
to have committed a traffic infraction shall be assessed:

(a) A fee of five dollars per infraction. Under no circumstances shall this
fee be reduced or waived. Revenue from this fee shall be forwarded
for deposit in the emergency medical services and trauma care system trust account under RCW 70.168.040; and

(b) A fee of ten dollars per infraction. Under no circumstances shall this fee be reduced or waived. Revenue from this fee shall be forwarded
to the state treasurer for deposit in the emergency medical services and trauma care system trust account under RCW 70.168.040; and

(8)(a) In addition to any other penalties imposed under this section and
not subject to the limitation of subsection (1) of this section, a person found
to have committed a traffic infraction other than of RCW 46.61.527 shall
be assessed an additional penalty of twenty dollars. The court may
not reduce, waive, or suspend the additional penalty unless the court finds
the offender to be indigent. If a court authorized community restitution
program for offenders is available in the jurisdiction, the court shall allow
offenders to offset all or a part of the penalty due under this subsection (8)
by participation in the court authorized community restitution program.

(b) Eight dollars and fifty cents of the additional penalty under (a) of
this subsection shall be remitted to the state treasurer. The remaining
revenue from the additional penalty must be remitted under chapters 2.08,
3.46, 3.50, 3.62, 10.82, and 35.20 RCW. Money remitted under this
subsection to the state treasurer under this subsection must be deposited into the county or city current expense fund. Moneys retained by the city or county under this
subsection shall constitute reimbursement for any liabilities under RCW 43.153.060.

ENGROSSED SUBSTITUTE SENATE JOINT RESOLUTION NO. 8206,

MESSAGE FROM THE SENATE
April 11, 2007
Mr. Speaker:
The Senate has passed ENGROSSED SUBSTITUTE HOUSE
BILL NO. 1008 with the following amendment:
Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 74.34.020 and 2006 c 339 s 109 are each amended to
read as follows:
Unless the context clearly requires otherwise, the definitions in this
section apply throughout this chapter."
present danger to the vulnerable adult's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100.

(4)(b) "Mandated reporter" means any person, including but not limited to, an employee of a financial institution, attorney, or volunteer in a facility or program providing services for vulnerable adults.

(5) "Protective services" means any services provided by the department to a vulnerable adult with the consent of the vulnerable adult, or the legal representative of the vulnerable adult, who has been abandoned, abused, financially exploited, neglected, or in a state of self-neglect. These services may include, but are not limited to case management, social casework, home care, placement, arranging for medical evaluations, psychological evaluations, day care, or referral for legal assistance.

(6) "Self-neglect" means the failure of a vulnerable adult, not living in a facility, to provide for himself or herself the goods and services necessary for the vulnerable adult's physical or mental health, and the absence of which impairs or threatens the vulnerable adult's well-being. This definition may include a vulnerable adult who is receiving services through home health, hospice, or a home care agency, or an individual provider when the neglect is not a result of inaction by that agency or individual provider.

(7) "Vulnerable adult" includes a person:
(a) Sixty years of age or older who has the functional, mental, or physical inability to care for himself or herself; or
(b) Found incapacitated under chapter 11.88 RCW; or
(c) Who has a developmental disability as defined under RCW 71A.10A.020; or
(d) Admitted to any facility; or
(e) Receiving services from home health, hospice, or home care agencies licensed or required to be licensed under chapter 70.127 RCW; or
(f) Receiving services from an individual provider.

Sec. 2. RCW 74.34.067 and 1999 c 176 s 9 are each amended to read as follows:

(1) Where appropriate, an investigation by the department may include a private interview with the vulnerable adult regarding the alleged abandonment, abuse, financial exploitation, neglect, or self-neglect.

(2) In conducting the investigation, the department shall interview the complainant, unless anonymous, and shall use its best efforts to interview the vulnerable adult or adults harmed, and, consistent with the protection of the vulnerable adult shall interview facility staff, any available independent sources of relevant information, including if appropriate the family members of the vulnerable adult.

(3) The department may conduct ongoing case planning and consultation with: (a) Those persons or agencies required to report under this chapter who are the person's protector(s) or guardian; (b) consultants designated by the department; and (c) designated representatives of Washington Indian tribes if client information exchanged is pertinent to cases under investigation or the provision of protective services. Information considered privileged by statute and not directly related to reports required by this chapter must not be divulged without a valid written waiver of the privilege.

(4) The department shall prepare and keep on file a report of each investigation conducted by the department for a period of time in accordance with policies established by the department.

(5) If the department ((determines)) has reason to believe that the vulnerable adult has suffered from abuse, neglect, self-neglect, abandonment, or financial exploitation, and lacks the ability or capacity to consent, and needs the protection of a guardian, the department may bring a guardianship action under chapter 11.88 RCW ((as an interested person)).

(6) When the investigation is completed and the department determines that an incident of abandonment, abuse, financial exploitation, neglect, or self-neglect has occurred, the department shall inform the vulnerable adult of their right to refuse protective services, and ensure that, if necessary, appropriate protective services are provided to the vulnerable adult, with the consent of the vulnerable adult. The vulnerable adult has the right to withdraw or refuse protective services.

(7) The department may photograph a vulnerable adult or their environment for the purpose of providing documentary evidence of the physical condition of the vulnerable adult or his or her environment. When photographing the vulnerable adult, the department shall obtain permission from the vulnerable adult or his or her legal representative unless
immediate photographing is necessary to preserve evidence. However, if the legal representative is alleged to have abused, neglected, abandoned, or exploited the vulnerable adult, consent from the legal representative is not necessary. No such consent is necessary when photographing the physical environment.

(8) When the investigation is complete and the department determines that the incident of abandonment, abuse, financial exploitation, or neglect has occurred, the department shall inform the facility in which the incident occurred, consistent with confidentiality requirements concerning the vulnerable adult, witnesses, and complainants.

Sec. 3. RCW 74.34.110 and 1999 c 176 s 12 are each amended to read as follows:

An action known as a petition for an order for protection of a vulnerable adult in cases of abandonment, abuse, financial exploitation, or neglect is created.

(1) A vulnerable adult, or interested person on behalf of the vulnerable adult, may seek relief from abandonment, abuse, financial exploitation, or neglect, or the threat thereof, by filing a petition for an order for protection in superior court.

(2) A petition shall allege that the petitioner, or person on whose behalf the petition is brought, is a vulnerable adult and that the petitioner, or person on whose behalf the petition is brought, has been abandoned, abused, financially exploited, or neglected; or is threatened with abandonment, abuse, financial exploitation, or neglect by respondent.

(3) A petition shall be accompanied by affidavit made under oath, or a declaration signed under penalty of perjury, stating the specific facts and circumstances which demonstrate the need for the relief sought. If the petition is filed by an interested person, the affidavit or declaration must also include a statement of why the petitioner qualifies as an interested person.

(4) A petition for an order may be made whether or not there is a pending lawsuit, complaint, petition, or other action ((between the parties)) pending that relates to the issues presented in the petition for an order for protection.

(5) Within ninety days of receipt of the master copy from the administrative office of the courts, all court clerk's offices shall make available the standardized forms and instructions required by section 4 of this act.

(6) Any assistance or information provided by any person, including, but not limited to, court clerks, employees of the department, and other court facilitators, to another to complete the forms provided by the court in subsection (5) of this section does not constitute the practice of law.

(7) A petitioner is not required to post bond to obtain relief in any proceeding under this section.

(8) An action under this section shall be filed in the county where ((the petitioner)) the vulnerable adult resides; except that if the ((petitioner)) vulnerable adult has left or been removed from the residence as a result of abandonment, abuse, financial exploitation, or neglect, or in order to avoid abandonment, abuse, financial exploitation, or neglect, the petitioner may bring an action in the county of either the vulnerable adult's previous or new residence.

(9) No filing fee may be charged to the petitioner for proceedings under this section. Standard forms and written instructions shall be provided free of charge.

NEW SECTION. Sec. 4. A new section is added to chapter 74.34 RCW to read as follows:
