MESSAGE FROM THE SENATE

February 29, 2012

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2473 with the following amendment:

On page 1, after line 7, insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that many residents of skilled nursing facilities are vulnerable and their health and well-being are dependent on their caregivers. The quality, skills, and knowledge of their caregivers are often the key to good care and the need for well-trained caregivers with diverse skill sets is growing as the state's population ages and residents' needs increase.

(2) The legislature further finds that the evidence-based practice of allowing nursing assistants certified to administer certain medications and treatments promotes quality and safety for residents in skilled nursing facilities, and that creating opportunities for career advancement and pay improvement through additional training and credentialing will help enhance the working environment for nursing assistants certified in skilled nursing facilities.

(3) The legislature further finds that creating continued opportunities for recruitment into nursing practice and career advancement for nursing assistants certified will help ensure quality care for residents, and nurse training programs should recognize the relevant training and experience obtained by these credentialed professionals."

Renumber the remaining sections consecutively and correct any internal references accordingly.

On page 1, line 5 of the title, after "RCW;" strike "creating a new section" and insert "creating new sections"

and the same is herewith transmitted.

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 36.22.179 and 2011 c 110 s 2 are each amended to read as follows:

(1) In addition to the surcharge authorized in RCW 36.22.178, and except as provided in subsection (2) of this section, an additional surcharge of ten dollars shall be charged by the county auditor for each document recorded, which will be in addition to any other charge allowed by law. From July 1, 2009, through August 31, 2012, and from July 1, 2015, through June 30, 2017, the surcharge shall be thirty dollars. (a) The auditor shall retain two percent for collection of the fee, and of the remainder shall remit sixty percent to the county to be deposited into a fund that must be used by the county and its cities and towns to accomplish the purposes of chapter 484, Laws of 2005, six percent of which may be used by the county for administrative costs related to its homeless housing plan, and the remainder for programs which directly accomplish the goals of the county's local homeless housing plan, except that for each city in the county which elects as authorized in RCW 43.185C.080 to operate its own local homeless housing program, a percentage of the surcharge assessed under this section equal to the percentage of the city's local portion of the real estate excise tax collected by the county shall be transmitted at least quarterly to the city treasurer, without any deduction for county administrative costs, for use by the city for program costs which directly contribute to the goals of the city's local homeless housing plan; of the funds received by the city, it may use six percent for administrative costs for its homeless housing program.

(b) The auditor shall remit the remaining funds to the state treasurer for deposit in the home security fund account. The department may use twelve and one-half percent of this amount for administration of the program established in RCW 43.185C.020, including the costs of creating the statewide homeless housing strategic plan, measuring performance, providing technical assistance to local governments, and managing the homeless housing grant program. The remaining eighty-seven and one-half percent is to be used by the department to:

(i) Provide housing and shelter for homeless people including, but not limited to: Grants to operate, repair, and staff shelters; grants to operate transitional housing; partial payments for rental assistance; consolidated emergency assistance; overnight youth shelters; grants and vouchers designated for victims of human trafficking and their families; and emergency shelter assistance; and

(2) The surcharge imposed in this section applies to documents required to be recorded or filed under RCW 65.04.030(1) including, but not limited to: Full reconveyance; deeds of trust; deeds; liens related to real property; release of liens related to real property; notice of trustee sales; judgments related to real property; and all other documents pertaining to real property as determined by the department. (4) If section 2, chapter . . . , Laws of 2012 (section 2 of this act) is not enacted into law by July 31, 2012, section 1, chapter . . . , Laws of 2012 (section 1 of this act) is null and void.

NEW SECTION. Sec. 2. A new section is added to chapter 43.185C RCW to read as follows:

(1) As a means of efficiently and cost-effectively providing housing assistance to very-low income and homeless households:

(a) Any local government that has the authority to issue housing vouchers, directly or through a contractor, using document recording surcharge funds collected pursuant to RCW 36.22.178, 36.22.179, or 36.22.1791 must:

(2) A health benefit plan meeting the definition of a catastrophic plan in RCW 48.43.005(8)(c)(i) may only be sold through the exchange.

(3) By December 1, 2016, the exchange board, in consultation with the commissioner, must complete a review of the impact of this section on the health and viability of the markets inside and outside the exchange and submit the recommendations to the legislature on whether to maintain the market rules or let them expire.

(4) The commissioner shall evaluate plans offered at each actuarial value defined in section 1302 of P.L. 111-148 of 2010, as amended, and determine whether variation in prescription drug
benefit cost-sharing, both inside and outside the exchange in both the individual and small group markets results in adverse selection. If so, the commissioner may adopt rules to assure substantial equivalence of prescription drug cost-sharing.

NEW SECTION. Sec. 7. A new section is added to chapter 48.43 RCW to read as follows:

All health plans, other than catastrophic health plans, offered outside of the exchange must conform with the actuarial value tiers specified in section 1302 of P.L. 111-148 of 2010, as amended, as bronze, silver, gold, or platinum.

PART IV
QUALIFIED HEALTH PLANS

NEW SECTION. Sec. 8. A new section is added to chapter 43.71 RCW to read as follows:

(1) The board shall certify a plan as a qualified health plan to be offered through the exchange if the plan is determined by the:

(b) Board to meet the requirements of the affordable care act for certification as a qualified health plan; and

Unless the agency and the board agree to a later date, the agency shall provide the information within sixty days of the request. The exchange shall reimburse the agency for the cost of compiling and providing the requested information within one hundred eighty days of its receipt.

The board shall establish a rating system consistent with section 1311 of P.L. 111-148 of 2010, as amended, for qualified health plans to assist consumers in evaluating plan choices in the exchange. Rating factors established by the board may include, but are not limited to:
(1) Affordability with respect to premiums, deductibles, and point-of-service cost-sharing;
(2) Enrollee satisfaction;
(3) Provider reimbursement methods that incentivize health homes or chronic care management or care coordination for enrollees with complex, high-cost, or multiple chronic conditions;
(4) Promotion of appropriate primary care and preventive services utilization;
(5) High standards for provider network adequacy, including consumer choice of providers and service locations and robust provider participation intended to improve access to underserved populations through participation of essential community providers, family planning providers and pediatric providers;
(6) High standards for covered services, including languages spoken or transportation assistance; and
(7) Coverage of benefits for spiritual care services that are deductible under section 213(d) of the internal revenue code.

Sec. 10. RCW 48.42.010 and 1985 c 264 s 15 are each amended to read as follows:

(1) Notwithstanding any other provision of law, and except as provided in this chapter, any person or other entity which provides coverage in this state for life insurance, annuities, loss of time, medical, surgical, chiropractic, physical therapy, speech pathology, audiology, professional mental health, dental, hospital, or optometric expenses, whether the coverage is by direct payment, reimbursement, the providing of services, or otherwise, shall be subject to the authority of the state insurance commissioner, unless the person or other entity shows that while providing the services it is subject to the jurisdiction and regulation of another agency of this state, any subdivisions thereof, or the federal government.
(2) "Another agency of this state, any subdivision thereof, or the federal government" does not include the Washington health benefit exchange under chapter 43.71 RCW or P.L. 111-148 of 2010, as amended.

Sec. 11. RCW 48.42.020 and 1983 c 36 s 2 are each amended to read as follows:

(1) A person or entity may show that it is subject to the jurisdiction and regulation of another agency of this state, any subdivision thereof, or the federal government, by providing to the insurance commissioner the appropriate certificate, license, or other document issued by the other governmental agency which permits or qualifies it to provide the coverage as defined in RCW 48.42.010.
(2) "Another agency of this state, any subdivision thereof, or the federal government" does not include the Washington health benefit exchange under chapter 43.71 RCW or P.L. 111-148 of 2010, as amended.

NEW SECTION. Sec. 12. A new section is added to chapter 48.43 RCW to read as follows:

Certification by the Washington health benefit exchange of a plan as a qualified health plan, or of a carrier as a qualified issuer, does not exempt the plan or carrier from any of the requirements of this title or rules adopted by the commissioner pursuant to chapter 34.05 RCW to implement this title.

PART V
ESSENTIAL HEALTH BENEFITS

NEW SECTION. Sec. 13. A new section is added to chapter 48.43 RCW to read as follows:

(1) Consistent with federal law, the commissioner, in consultation with the board and the health care authority, shall, by rule, select the largest small group plan in the state by enrollment as the benchmark plan for the individual and small group market for purposes of establishing the essential health benefits in Washington state under P.L. 111-148 of 2010, as amended.
(2) If the essential health benefits benchmark plan for the individual and small group market does not include all of the ten benefit categories specified by section 1302 of P.L. 111-148, as amended, the commissioner, in consultation with the board and the health care authority, shall, by rule, supplement the benchmark plan
benefits as needed to meet the minimum requirements of section 1302.

(3) A health plan required to offer the essential health benefits, other than a health plan offered through the federal basic health program or medicaid, under P.L. 111-148 of 2010, as amended, may not be offered in the state unless the commissioner finds that it is substantially equal to the benchmark plan. When making this determination, the commissioner must:

(a) Ensure that the plan covers the ten essential health benefits categories specified in section 1302 of P.L. 111-148 of 2010, as amended; and

(b) May consider whether the health plan has a benefit design that would create a risk of biased selection based on health status and whether the health plan contains meaningful scope and level of benefits in each of the ten essential health benefit categories specified by section 1302 of P.L. 111-148 of 2010, as amended.

(4) Beginning December 15, 2012, and every year thereafter, the commissioner shall submit to the legislature a list of state-mandated health benefits, the enforcement of which will result in federally imposed costs to the state related to the plans sold through the exchange because the benefits are not included in the essential health benefits designated under federal law. The list must include the anticipated costs to the state of each state-mandated health benefit on the list and any statutory changes needed if funds are not appropriated to defray the state costs for the listed mandate. The commissioner may enforce a mandate on the list for the entire market only if funds are appropriated in an omnibus appropriations act specifically to pay the state portion of the identified costs.

NEW SECTION. Sec. 14. Nothing in this act prohibits the offering of benefits for spiritual care services deductible under section 213(d) of the internal revenue code in health plans inside and outside of the exchange.

PART VI

THE BASIC HEALTH OPTION

NEW SECTION. Sec. 15. A new section is added to chapter 70.47 RCW to read as follows:

(1) On or before December 1, 2012, the director of the health care authority shall submit a report to the legislature on whether to proceed with implementation of a federal basic health option, under section 1331 of P.L. 111-148 of 2010, as amended. The report shall address whether:

(a) Sufficient funding is available to support the design and development work necessary for the program to provide health coverage to enrollees beginning January 1, 2014;

(b) Anticipated federal funding under section 1331 will be sufficient, absent any additional state funding, to cover the provision of essential health benefits and costs for administering the basic health plan. Enrollee premium levels will be below the levels that would apply to persons with income between one hundred thirty-four and two hundred percent of the federal poverty level through the exchange; and

(c) Health plan payment rates will be sufficient to ensure enrollee access to a robust provider network and health homes, as described under RCW 70.47.100.

(2) If the legislature determines to proceed with implementation of a federal basic health option, the director shall provide the necessary certifications to the secretary of the federal department of health and human services under section 1331 of P.L. 111-148 of 2010, as amended, to proceed with adoption of the federal basic health program option.

(3) Prior to making this finding, the director shall:

(a) Actively consult with the board of the Washington health benefit exchange, the office of the insurance commissioner, consumer advocates, provider organizations, carriers, and other interested organizations;

(b) Consider any available objective analysis specific to Washington state, by an independent nationally recognized consultant that has been actively engaged in analysis and economic modeling of the federal basic health program option for multiple states.

(4) The director shall report any findings and supporting analysis made under this section to the governor and relevant policy and fiscal committees of the legislature.

(5) To the extent funding is available specifically for this purpose in the operating budget, the health care authority shall assume the federal basic health plan option will be implemented in Washington state, and initiate the necessary design and development work. If the legislature determines under subsection (1) of this section not to proceed with implementation, the authority may cease activities related to basic health program implementation.

(6) If implemented, the federal basic health program must be guided by the following principles:

(a) Meeting the minimum state certification standards in section 1331 of the federal patient protection and affordable care act;

(b) To the extent allowed by the federal department of health and human services, twelve-month continuous eligibility for the basic health program, and corresponding twelve-month continuous enrollment in standard health plans by enrollees; or, in lieu of twelve-month continuous eligibility, financing mechanisms that enable enrollees to remain with a plan for the entire plan year;

(c) Achieving an appropriate balance between:

(i) Premiums and cost-sharing minimized to increase the affordability of insurance coverage;

(ii) Standard health plan contracting requirements that minimize plan and provider administrative costs, while incentivizing improvements in quality and enrollee health outcomes; and

(iii) Health plan payment rates and provider payment rates that are sufficient to ensure enrollee access to a robust provider network and health homes, as described under RCW 70.47.100; and

(d) Transparency in program administration, including active and ongoing consultation with basic health program enrollees and interested organizations, and ensuring adequate enrollee notice and appeal rights.

PART VII

NEW SECTION. Sec. 16. A new section is added to chapter 48.43 RCW to read as follows:

(1)(a) The commissioner, in consultation with the board, shall adopt rules establishing the reinsurance and risk adjustment programs required by P.L. 111-148 of 2010, as amended.

(b) The commissioner must include in deliberations related to reinsurance rule making an analysis of an invisible high risk pool option, in which the full premium and risk associated with certain high-risk or high-cost enrollees would be ceded to the transitional reinsurance program. The analysis must include a determination as to whether that option is authorized under the federal reinsurance program regulations, whether the option would provide sufficiently comprehensive coverage for current nonmedicare high risk pool enrollees, and how an invisible high risk pool option could be designed to ensure that carriers ceding risk provide effective care management to high-risk or high-cost enrollees.

(2) Consistent with federal law, the rules for the reinsurance program must, at a minimum, establish:
reimbursed from federal funds or from the additional contributions authorized under section 16 of this act to pay the administrative costs of the reinsurance program.

(3) If the pool contracts to administer and coordinate the reinsurance or risk adjustment program, the board must submit recommendations to the legislature with suggestions for additional consumer representatives or other representative members to the board.

(4) The pool shall report on these activities to the appropriate committees of the senate and house of representatives by December 15, 2012, and December 15, 2013.

(ii) The court shall not reduce, waive, or suspend payment of all or part of the assessed fees in this section unless it finds, on the record, that the offender does not have the ability to pay the fees, in which case it may reduce the fees by an amount up to two-thirds of the maximum allowable fees.

(iii) Fees assessed under this subsection (1)(b) shall be collected by the clerk of court and remitted to the treasurer of the county where the offense occurred for deposit in the county general fund, except in cases in which the offense occurred in a city or town that provides for its own law enforcement, in which case these amounts

Costs or assessments awarded to dedicated accounts, state or local, are not subject to this state allocation or to RCW 7.68.035.

(3) All fees, fines, forfeitures and penalties collected or assessed by a district court because of the violation of a state law shall be remitted as provided in chapter 3.62 RCW as now exists or is later amended. The chief clerk shall on each day pay into the city treasury all money received for the city during the day previous, with a detailed account of the same, and taking the treasurer's receipt therefor.

(2) Except as provided in RCW 9A.88.120 and 10.99.080, the city treasurer shall remit monthly thirty-two percent of the noninterest money received under this section, other than for parking infractions and certain costs to the state treasurer. (6) Collect information regarding indigent defense services funded by the state and report annually to the advisory committee, the legislature, and the supreme court;

(7) Coordinate with the supreme court and the judges of each division of the court of appeals to determine how appellate attorney services should be provided.

**NEW SECTION.** Sec. 2. A new section is added to chapter 2.70 RCW to read as follows:

In providing indigent defense services for sexually violent predator civil commitment cases under chapter 71.09 RCW, the director shall:

(1) In accordance with state contracting laws, contract with persons admitted to practice law in this state and organizations employing persons admitted to practice law in this state for the provision of legal services to indigent persons;

(2) Establish annual contract fees for defense legal services within amounts appropriated based on court rules and court orders;

(c) Recommendations for policy changes, including changes in statutes and changes in court rules, which may be appropriate for the improvement of sexually violent predator civil commitment proceedings.

**NEW SECTION.** Sec. 3. (1) All powers, duties, and functions of the department of social and health services and the special commitment center pertaining to indigent defense under chapter 71.09 RCW are transferred to the office of public defense.

(2)(a) The office of public defense may request any written materials in the possession of the department of social and health services and the special commitment center pertaining to the powers, functions, and duties transferred, which shall be delivered to the custody of the office of public defense. Materials may be transferred electronically and/or in hard copy, as agreed by the agencies. All funds, credits, or other assets held in connection with the powers, functions, and duties transferred shall be assigned to the office of public defense.

(b) Any appropriations made to the department of social and health services for carrying out the powers, functions, and duties transferred shall, on July 1, 2012, be transferred and credited to the office of public defense.

(3) Notwithstanding the effective date of this section, if implementation of office of public defense contracts would result in the substitution of counsel within one hundred eighty days of a scheduled trial date, the director of the office of public defense may continue defense services with existing counsel to facilitate continuity of effective representation and avoid further continuance of a trial. When existing counsel is maintained, payment to complete the trial shall be prorated based on standard contract fees established by the office of public defense under section 2 of this act and, at the director's discretion, may include extraordinary compensation based on attorney documentation.

Sec. 4. RCW 71.09.040 and 2009 c 409 s 4 are each amended to read as follows:

(1) Upon the filing of a petition under RCW 71.09.030, the judge shall determine whether probable cause exists to believe that the person named in the petition is a sexually violent predator. If such determination is made the judge shall direct that the person be taken into custody and notify the office of public defense of the potential need for representation.

(2) Within seventy-two hours after a person is taken into custody pursuant to subsection (1) of this section, the court shall provide the person with notice of, and an opportunity to appear in person at, a hearing to contest probable cause as to whether the person is a sexually violent predator. In order to assist the person at the hearing, within twenty-four hours of service of the petition, the prosecuting agency shall provide to the person or his or her counsel a copy of all materials provided to the prosecuting agency by the referring agency pursuant to RCW 71.09.025, or obtained by the prosecuting agency pursuant to RCW 71.09.025(1) (c) and (d). At this hearing, the court shall (a) verify the person's identity, and (b) determine whether probable cause exists to believe that the person is a sexually violent predator. At the probable cause hearing, the state may rely upon the petition and certification for determination of probable cause filed pursuant to RCW 71.09.030. The state may supplement this with additional documentary evidence or live testimony. The person may
be held in total confinement at the county jail until the trial court renders a decision after the conclusion of the seventy-two-hour probable cause hearing. The county shall be entitled to reimbursement for the cost of housing and transporting the person pursuant to rules adopted by the secretary.

(3) At the probable cause hearing, the person shall have the following rights in addition to the rights previously specified: (a) To be represented by counsel, and if the person is indigent as defined in RCW 10.101.010, to have office of public defense contracted counsel appointed as provided in RCW 10.101.020; (b) to present evidence on his or her behalf; (c) to cross-examine witnesses who testify against him or her; (d) to view and copy all petitions and reports in the court file. The court must permit a witness called by either party to testify by telephone. Because this is a special proceeding, discovery pursuant to the civil rules shall not occur until after the hearing has been held and the court has issued its decision.

(4) If the probable cause determination is made, the judge shall direct that the person be transferred to ((an appropriate facility for an evaluation as to whether the person is a sexually violent predator. The evaluation shall be conducted by a person deemed to be professionally qualified to conduct such an examination pursuant to rules developed by the department of social and health services. In adopting such rules, the department of social and health services shall consult with the department of health and the department of corrections)) the custody of the department of social and health services for placement in a total confinement facility operated by the department. In no event shall the person be released from confinement prior to trial. ((A witness called by either party shall be permitted to testify by telephone.))

Sec. 5. RCW 71.09.050 and 2010 1st sp.s c 28 s 1 are each amended to read as follows:

(1) Within forty-five days after the completion of any hearing held pursuant to RCW 71.09.040, the court shall conduct a trial to determine whether the person is a sexually violent predator. The trial may be continued upon the request of either party and a showing of good cause, or by the court on its own motion in the due administration of justice, and when the respondent will not be substantially prejudiced. (The department is responsible for the cost of one expert or professional person to conduct an evaluation on the prospective agency's behalf,). The prosecuting agency shall have a right to a current evaluation of the person by experts chosen by the state. The judge may require the person to complete any or all of the following procedures or tests if requested by the evaluator: (a) A clinical interview; (b) psychological testing; (c) plethysmograph testing; and (d) polygraph testing. The judge may order the person to complete any other procedures and tests relevant to the evaluation.

(2) The state is responsible for the costs of the evaluation. At all stages of the proceedings under this chapter, any person subject to this chapter shall be entitled to the assistance of counsel, and if the person is indigent as defined in RCW 10.101.010, to have office of public defense contracted counsel appointed as provided in RCW 10.101.020.

(3) At the probable cause hearing, the person shall have the following rights in addition to the rights previously specified: (a) To be represented by counsel, and if the person is indigent as defined in RCW 10.101.010, to have office of public defense contracted counsel appointed as provided in RCW 10.101.020; (b) to present evidence on his or her behalf; (c) to cross-examine witnesses who testify against him or her; (d) to view and copy all petitions and reports in the court file. The court must permit a witness called by either party to testify by telephone. Because this is a special proceeding, discovery pursuant to the civil rules shall not occur until after the hearing has been held and the court has issued its decision.

(4) If the probable cause determination is made, the judge shall direct that the person be transferred to ((an appropriate facility for an evaluation as to whether the person is a sexually violent predator. The evaluation shall be conducted by a person deemed to be professionally qualified to conduct such an examination pursuant to rules developed by the department of social and health services. In adopting such rules, the department of social and health services shall consult with the department of health and the department of corrections)) the custody of the department of social and health services for placement in a total confinement facility operated by the department. In no event shall the person be released from confinement prior to trial. ((A witness called by either party shall be permitted to testify by telephone.))

Sec. 6. RCW 71.09.080 and 2010 c 218 s 2 are each amended to read as follows:

(1) Any person subjected to restricted liberty as a sexually violent predator pursuant to this chapter shall not forfeit any legal right or suffer any legal disability as a consequence of any actions taken or orders made, other than as specifically provided in this chapter, or as otherwise authorized by law.

(2)(a) Any person committed or detained pursuant to this chapter shall be prohibited from possessing or accessing a personal computer if the resident’s individualized treatment plan states that access to a computer is harmful to bringing about a positive response to a specific and certain phase or course of treatment.

(b) A person who is prohibited from possessing or accessing a personal computer under (a) of this subsection shall be permitted to access a limited functioning personal computer capable of word processing and limited data storage on the computer only that does not have: (i) Internet access capability; (ii) an optical drive, external drive, universal serial bus port, or similar drive capability; or (iii) the capability to display photographs, images, videos, or motion pictures, or similar display capability from any drive or port capability listed under (b)(ii) of this subsection.

(3) Any person committed pursuant to this chapter has the right to adequate care and individualized treatment. The department of social and health services shall keep records detailing all medical, expert, and professional care and treatment received by a committed person, and shall keep copies of all reports of periodic examinations made pursuant to this chapter. All such records and reports shall be made available upon request only to: The committed person, his or her attorney, the prosecuting (attorney) agency, the court, the protection and advocacy agency, or another expert or professional person who, upon proper showing, demonstrates a need for access to such records.

(4) At the time a person is taken into custody or transferred into a facility pursuant to a petition under this chapter, the professional person in charge of such facility or his or her designee shall take reasonable precautions to inventory and safeguard the personal property of the persons detained or transferred. A copy of the inventory, signed by the staff member making it, shall be given to the person detained and shall, in addition, be open to inspection to any responsible relative, subject to limitations, if any, specifically imposed by the detained person. For purposes of this subsection, “responsible relative” includes the guardian, conservator, attorney, spouse, parent, adult child, or adult brother or sister of the person. The facility shall not disclose the contents of the inventory to any other person without consent of the patient or order of the court.

(5) Nothing in this chapter prohibits a person presently committed from exercising a right presently available to him or her for the purpose of obtaining release from confinement, including the right to petition for a writ of habeas corpus.

(6) No indigent person may be conditionally released or unconditionally discharged under this chapter without suitable clothing, and the secretary shall furnish the person with such sum of money as is required by RCW 72.02.100 for persons without ample funds who are released from correctional institutions. As funds are available, the secretary may provide payment to the indigent persons conditionally released pursuant to this chapter consistent with the optional provisions of RCW 72.02.100 and 72.02.110, and may adopt rules to do so.

(7) If a civil commitment petition is dismissed, or a trier of fact determines that a person does not meet civil commitment criteria, the person shall be released within twenty-four hours of service of the
release order on the superintendent of the special commitment center, or later by agreement of the person who is the subject of the petition.

Sec. 7. RCW 71.09.090 and 2011 2nd sp.s. c 7 s 2 are each amended to read as follows:

(1) If the secretary determines that the person's condition has so changed that either: (a) The person no longer meets the definition of a sexually violent predator; or (b) conditional release to a less restrictive alternative is in the best interest of the person and conditions can be imposed that adequately protect the community, the secretary shall authorize the person to petition the court for conditional release to a less restrictive alternative or unconditional discharge. The petition shall be filed with the court and served upon the prosecuting agency responsible for the initial commitment. The court, upon receipt of the petition for conditional release to a less restrictive alternative or unconditional discharge, shall within forty-five days order a hearing.

(2)(a) Nothing contained in this chapter shall prohibit the person from otherwise petitioning the court for conditional release to a less restrictive alternative or unconditional discharge without the secretary's approval. The secretary shall provide the committed person with an annual written notice of the person's right to petition the court for conditional release to a less restrictive alternative or unconditional discharge over the secretary's objection. The notice shall contain a waiver of rights. The secretary shall file the notice and waiver form and the annual report with the court. If the person does not affirmatively waive the right to petition, the court shall set a show cause hearing to determine whether probable cause exists to warrant a hearing on whether the person's condition has so changed that: (i) He or she no longer meets the definition of a sexually violent predator; or (ii) conditional release to a proposed less restrictive alternative would be in the best interest of the person and conditions can be imposed that would adequately protect the community.

(b) The committed person shall have a right to have an attorney represent him or her at the show cause hearing, which may be conducted solely on the basis of affidavits or declarations, but the person is not entitled to be present at the show cause hearing. At the show cause hearing, the prosecuting ([(attorney or attorney general)] agency shall present prima facie evidence establishing that the committed person continues to meet the definition of a sexually violent predator and that a less restrictive alternative is not in the best interest of the person and conditions cannot be imposed that adequately protect the community. In making this showing, the state may rely exclusively upon the annual report prepared pursuant to RCW 71.09.070. The committed person may present responsive affidavits or declarations to which the state may reply.

(c) If the court at the show cause hearing determines that either: (i) The state has failed to present prima facie evidence that the committed person continues to meet the definition of a sexually violent predator and that no proposed less restrictive alternative is in the best interest of the person and conditions cannot be imposed that would adequately protect the community; or (ii) probable cause exists to believe that the person's condition has so changed that: (A) The person no longer meets the definition of a sexually violent predator; or (B) release to a proposed less restrictive alternative would be in the best interest of the person and conditions can be imposed that would adequately protect the community, then the court shall set a hearing on either or both issues.

(d) If the court has not previously considered the issue of release to a less restrictive alternative, either through a trial on the merits or through the procedures set forth in RCW 71.09.094(1), the court shall consider whether release to a less restrictive alternative would be in the best interests of the person and conditions can be imposed that would adequately protect the community, without considering whether the person's condition has changed. The court may not find probable cause for a trial addressing less restrictive alternatives unless a proposed less restrictive alternative placement meeting the conditions of RCW 71.09.092 is presented to the court at the show cause hearing.

(3)(a) At the hearing resulting from subsection (1) or (2) of this section, the committed person shall be entitled to be present and to the benefit of all constitutional protections that were afforded to the person at the initial commitment proceeding. The prosecuting agency shall represent the state and shall have a right to a jury trial and to have the committed person evaluated by experts chosen by the state. (The department is responsible for the cost of one expert or professional person to conduct an evaluation on the prosecuting agency's behalf.) The prosecuting agency shall have a right to a current evaluation of the person by experts chosen by the state. The judge may require the person to complete any or all of the following procedures or tests if requested by the evaluator: (i) A clinical interview; (ii) psychological testing; (iii) plethysmograph testing; and (iv) polygraph testing. The judge may order the person to complete any other procedures and tests relevant to the evaluation. The state is responsible for the costs of the evaluation. The committed person shall also have the right to a jury trial and the right to have experts evaluate him or her on his or her behalf and the court shall appoint an expert if the person is indigent and requests an appointment.

(b) Whenever any indigent person is subjected to an evaluation under (a) of this subsection, the [(department)] office of public defense is responsible for the cost of one expert or professional person conducting an evaluation on the person's behalf. When the person wishes to be evaluated by a qualified expert or professional person of his or her own choice, such expert or professional person must be permitted to have reasonable access to the person for the purpose of such evaluation, as well as to all relevant medical and psychological records and reports. In the case of a person who is indigent, the court shall, upon the person's request, assist the person in obtaining an expert or professional person to perform an evaluation or participate in the hearing on the person's behalf. Nothing in this chapter precludes the person from paying for additional expert services at his or her own expense.

(c) If the issue at the hearing is whether the person should be unconditionally discharged, the burden of proof shall be upon the state to prove beyond a reasonable doubt that the committed person's condition remains such that the person continues to meet the definition of a sexually violent predator. Evidence of the prior commitment trial and disposition is admissible. The recommitment proceeding shall otherwise proceed as set forth in RCW 71.09.050 and 71.09.060.

(d) If the issue at the hearing is whether the person should be conditionally released to a less restrictive alternative, the burden of proof at the hearing shall be upon the state to prove beyond a reasonable doubt that conditional release to any proposed less restrictive alternative either: (i) Is not in the best interest of the committed person; or (ii) does not include conditions that would adequately protect the community. Evidence of the prior commitment trial and disposition is admissible.

(4)(a) Probable cause exists to believe that a person's condition has "so changed," under subsection (2) of this section, only when evidence exists, since the person's last commitment trial, or less restrictive alternative revocation proceeding, of a substantial change in the person's physical or mental condition such that the person either no longer meets the definition of a sexually violent predator or that a conditional release to a less restrictive alternative is in the person's best interest and conditions can be imposed to adequately protect the community.

(b) A new trial proceeding under subsection (3) of this section may be ordered, or a trial proceeding may be held, only when there is current evidence from a licensed professional of one of the following and the evidence presents a change in condition since the person's last commitment trial proceeding:
(i) An identified physiological change to the person, such as paralysis, stroke, or dementia, that renders the committed person unable to commit a sexually violent act and this change is permanent; or
(ii) A change in the person’s mental condition brought about through positive response to continuing participation in treatment which indicates that the person meets the standard for conditional release to a less restrictive alternative or that the person would be safe to be at large if unconditionally released from commitment.
(c) For purposes of this section, a change in a single demographic factor, without more, does not establish probable cause for a new trial proceeding under subsection (3) of this section. As used in this section, a single demographic factor includes, but is not limited to, a change in the chronological age, marital status, or gender of the committed person.
(5) The jurisdiction of the court over a person civilly committed pursuant to this chapter continues until such time as the person is unconditionally discharged.
(6) During any period of confinement pursuant to a criminal conviction, or for any period of detention awaiting trial on criminal charges, this section is suspended.

NEW SECTION. Sec. 8. A new section is added to chapter 71.09 RCW to read as follows:
The following activities, unless provided as part of investigation and preparation for any hearing or trial under this chapter, are beyond the scope of representation of an attorney under contract with the office of public defense pursuant to chapter 2.70 RCW for the purposes of providing indigent defense services in sexually violent predator civil commitment proceedings:

(2) Investigation or legal representation for making requests under the public records act, chapter 42.56 RCW;

(2) Expert evaluations are capped at ten thousand dollars, to include all professional fees, travel, per diem, and other costs. Partial evaluations are capped at five thousand five hundred dollars and expert services apart from an evaluation, exclusive of testimony at trial or depositions, are capped at six thousand dollars.
(3) The office of public defense shall pay for the costs related to the evaluation of an indigent person by an additional examiner or in excess of the stated fee caps only upon a finding by the superior court that such appointment or extraordinary fees are for good cause.

Sec. 10. RCW 71.09.110 and 2010 1st sp.s. c 28 s 3 are each amended to read as follows:
The department of social and health services shall be responsible for (i) the costs relating to the (evaluation and) treatment of persons committed to their custody whether in a secure facility or under a less restrictive alternative (under any provision of this chapter. (The secretary shall adopt rules to contain costs relating to reimbursement for evaluation services.)

The office of public defense shall maintain the confidentiality of all confidential information included in the records.
(3) The inspection or copying of any nonexempt public record by persons residing in a civil commitment facility for sexually violent predators may be enjoined following procedures identified in RCW 42.56.565. The injunction may be requested by:
(a) An agency or its representative;
(b) A person named in the record or his or her representative;
(c) A person to whom the request specifically pertains or his or her representative.

Sec. 12. RCW 71.09.140 and 1995 c 216 s 17 are each amended to read as follows:
(1) At the earliest possible date, and in no event later than thirty days before conditional release or unconditional discharge, except in the event of escape, the department of social and health services shall send written notice of conditional release, unconditional discharge, or escape, to the following:
(a) The chief of police of the city, if any, in which the person will reside or in which placement will be made under a less restrictive alternative;
(b) The sheriff of the county in which the person will reside or in which placement will be made under a less restrictive alternative; and

(2) The same notice as required by subsection (1) of this section shall be sent to the following if such notice has been requested in writing about a specific person found to be a sexually violent predator under this chapter:
(a) The victim or victims of any sexually violent offenses for which the person was convicted in the past or the victim's next of kin
if the crime was a homicide. "Next of kin" as used in this section means a person's spouse, parents, siblings, and children;

(3) If a person committed as a sexually violent predator under this chapter escapes from a department of social and health services facility, the department shall immediately notify, by the most reasonable and expeditious means available, the chief of police of the city and the sheriff of the county in which the committed person resided immediately before his or her commitment as a sexually violent predator, or immediately before his or her incarceration for his or her most recent offense. If previously requested, the department shall also notify the witnesses and the victims of the sexually violent
offenses for which the person was convicted in the past or the victim's next of kin if the crime was a homicide. Revised for 1st Substitute: Concerning the administration of a facial recognition matching system and related processes applicable to drivers' licenses, permits, and identicards. (REVISED FOR ENGROSSED: Addressing the driver's license, permit, and identicard system, including the administration of a facial recognition matching system.)

The bill was read the second time.

Representative Clibborn moved the adoption of amendment (1286).

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 46.20.037 and 2006 c 292 s 1 are each amended to read as follows:

(1) [(No later than two years after full implementation of the provisions of Title II of P.L. 109-13, improved security for driver's licenses and personal identification cards (Real ID), as passed by Congress May 10, 2005,)] The department [(shall)] may implement a ([voluntary biometric]) facial recognition matching system for [(driver's)] drivers' licenses, permits, and identicards. [(A biometric)] Any facial recognition matching system [(shall)] selected by the department must be used only to verify the identity of an applicant for or holder of a [(renewal or duplicate)] driver's license, permit, or identicard [(by matching a biometric identifier submitted by the applicant against the biometric identifier submitted when the license was last issued. This project requires a full review by the information services board using the criteria for projects of the highest visibility and risk)] to determine whether the person has been issued a driver's license, permit, or identicard under a different name or names.

(2) [(Any ([biometric]) facial recognition matching system selected by the department [(shall)] must be capable of highly accurate matching, and [(shall)] must be compliant with ([biometric]) appropriate standards established by the American association of motor vehicle administrators that exist on the effective date of this section, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section.)

(3) [(The biometric matching system selected by the department must incorporate a process that allows the owner of a driver's license or identicard to present a personal identification number or other code along with the driver's license or identicard before the information may be verified by a third party, including a governmental entity.)

(4) Upon the establishment of a biometric driver's license and identicard system as described in this section, the department shall allow every person applying for an original, renewal, or duplicate driver's license or identicard to voluntarily submit a biometric identifier. Each applicant shall be informed of all ways in which the biometric identifier may be used, all parties to whom the identifier may be disclosed and the conditions of disclosure, the expected error rates for the biometric matching system which shall be regularly updated as the technology changes or empirical data is collected, and the potential consequences of those errors. The department shall adopt rules to allow applicants to verify the accuracy of the system at the time that biometric information is submitted, including the use of at least two separate devices.

(5) The department may not disclose biometric information to the public or any governmental entity except when authorized by court order.

(6)] The department shall post notices in conspicuous locations..."
NEW SECTION. Sec. 2. A new section is added to chapter 46.04 RCW to read as follows:

"Facial recognition matching system" means a system that compares the biometric template derived from an image of an applicant or holder of a driver's license, permit, or identification card with the biometric templates derived from the images in the department's negative file.
(3) **Renewal.** An application for identicard renewal may be submitted by means of:

(a) Personal appearance before the department; or

(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her identicard by mail or by electronic commerce when it last expired. (However, the department may accept an application for renewal of an identicard submitted by means of mail or electronic commerce only if specific authority and funding is provided for this purpose by June 30, 2004, in the omnibus transportation appropriations act.)

An identicard may not be renewed by mail or by electronic commerce unless the renewal issued by the department includes a photograph of the identicard holder.

(4) **Cancellation.** The department may cancel an identicard if the holder of the identicard used the card or allowed others to use the card in violation of RCW 46.20.0921.

(5) **Alternative issuance/renewal/extension.** The department may issue or renew an identicard for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or may extend by mail or electronic commerce an identicard that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of identicard holders. The fee for an identicard issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or that has been extended by mail or electronic commerce, is nine dollars for each year that the identicard is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.

**Sec. 6.** RCW 46.20.120 and 2011 c 370 s 4 are each amended to read as follows:

An applicant for a new or renewed driver's license must successfully pass a driver licensing examination to qualify for a driver's license. The department must ensure that examinations are given at places and times reasonably available to the people of this state. If the department does not administer driver licensing examinations as a routine part of its licensing services within a department region because adequate testing sites are provided by driver training schools or school districts within that region, the department shall, at a minimum, administer driver licensing examinations by appointment to applicants eighteen years of age and older in at least one licensing office within that region.

(1) **Waiver.** The department may waive:

(a) All or any part of the examination of any person applying for the renewal of a driver's license unless the department determines that the applicant is not qualified to hold a driver's license under this title; or

(b) All or any part of the examination involving operating a motor vehicle if the applicant:

(i) Surrenders a valid driver's license issued by the person's previous home state; or

(ii) Provides for verification a valid driver's license issued by a foreign driver licensing jurisdiction with which the department has an informal agreement under RCW 46.20.125; and

(iii) Is otherwise qualified to be licensed.

(2) **Fee.** Each applicant for a new license must pay an examination fee of ((twenty)) thirty-five dollars.

(a) The examination fee is in addition to the fee charged for issuance of the license.

(b) "New license" means a license issued to a driver:

(i) Who has not been previously licensed in this state; or

(ii) Whose last previous Washington license has been expired for more than ((five)) six years.

(3) An application for driver's license renewal may be submitted by means of:

(a) Personal appearance before the department; or

(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her license by mail or by electronic commerce when it last expired.

(4) A person whose license expired or will expire while he or she is living outside the state, may:

(a) Apply to the department to extend the validity of his or her license for no more than twelve months. If the person establishes to the department's satisfaction that he or she is unable to return to Washington before the date his or her license expires, the department shall extend the person's license. The department may grant consecutive extensions, but in no event may the cumulative total of extensions exceed twelve months. An extension granted under this section does not change the expiration date of the license for purposes of RCW 46.20.181. The department shall charge a fee of five dollars for each license extension;

(b) Apply to the department to renew his or her license by mail or, if permitted by rule of the department, by electronic commerce even if subsection (3)(b) of this section would not otherwise allow renewal by that means. If the person establishes to the department's satisfaction that he or she is unable to return to Washington within twelve months of the date that his or her license expires, the department shall renew the person's license by mail or, if permitted by rule of the department, by electronic commerce.

(5) If a qualified person submits an application for renewal under subsection (3)(b) or (4)(b) of this section, he or she is not required to pass an examination nor provide an updated photograph. A license renewed by mail or by electronic commerce that does not include a photograph of the licensee must be labeled "not valid for identification purposes."

(6) Driver training schools licensed by the department under chapter 46.82 RCW may administer the portions of the driver licensing examination that test the applicant's knowledge of traffic laws and ability to safely operate a motor vehicle.

(7) School districts that offer a traffic safety education program under chapter 28A.220 RCW may administer the portions of the driver licensing examination that test the applicant's knowledge of traffic laws and ability to safely operate a motor vehicle.

**Sec. 7.** RCW 46.20.161 and 2000 c 115 s 6 are each amended to read as follows:

The department, upon receipt of a fee of ((twenty-five)) forty-five dollars from October 1, 2012, to June 30, 2013, and forty-four dollars after June 30, 2013, unless the driver's license is issued for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, in which case the fee shall be ((nine)) nine dollars for each year that the license is issued, which includes the fee for the required photograph, shall issue to every qualifying applicant a driver's license. A driver's license issued to a person under the age of eighteen is an intermediate license, subject to the restrictions imposed under RCW 46.20.075, until the person reaches the age of eighteen. The license must include a distinguishing number assigned to the licensee, the name of record, date of birth, Washington residence address, photograph, a brief description of the licensee, and either a facsimile of the signature of the licensee or a space upon which the licensee shall write his or her usual signature with pen and ink immediately upon receipt of the license. No license is valid until it has been so signed by the licensee.

**Sec. 8.** RCW 46.20.181 and 1999 c 308 s 3 are each amended to read as follows:

(1) Except as provided in subsection (4) or (5) of this section or RCW 46.20.105, every driver's license expires on the ((fifth)) sixth anniversary of the licensee's birthdate following the issuance of the license.

(2) A person may renew his or her license on or before the expiration date by submitting an application as prescribed by the department and paying a fee of ((twenty-five)) forty-five dollars from
October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013. This fee includes the fee for the required photograph.

(3) A person renewing his or her license's license more than sixty days after the license has expired shall pay a penalty fee of ten dollars in addition to the renewal fee, unless his or her license expired when:
(a) The person was outside the state and he or she renews the license within sixty days after returning to the state; or
(b) The person was incapacitated and he or she renews the license within sixty days after the termination of the incapacity.

(4) (During the period from July 1, 2000, to July 1, 2006.) The department may issue or renew a driver's license for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or may extend by mail or electronic commerce a license that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of licensed drivers. The fee for a driver's license issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or that has been extended by mail or electronic commerce, is ((fourteen)) nine dollars for each year that the license is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.

(5) A driver's license that includes a hazardous materials endorsement under chapter 46.25 RCW may expire on an anniversary of the licensee's birthdate other than the sixth year following issuance or renewal of the license in order to match, as nearly as possible, the validity of certification from the federal transportation security administration that the licensee has been determined not to pose a security risk. The fee for a driver's license issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, is nine dollars for each year that the license is issued or renewed, not including any endorsement fees. The department may adjust the expiration date of a driver's license that has previously been issued to conform to the provisions of this subsection if a hazardous materials endorsement is added to the license subsequent to its issuance. If the validity of the driver's license is extended, the licensee must pay a fee of nine dollars for each year that the license is extended.

(6) The department may adopt any rules as are necessary to carry out this section.

Sec. 9. RCW 46.20.200 and 2002 c 352 s 14 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath or blood for the purpose of determining the alcohol concentration or presence of any drug in his or her breath or blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was in violation of RCW 46.61.503. Neither consent nor this section precludes a police officer from obtaining a search warrant for a person's breath or blood.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or the person to have been driving or in actual physical control of a motor vehicle while having alcohol in a concentration in violation of RCW 46.61.503 in his or her system and being under the age of twenty-one. However, in those instances where the person is incapable due to physical injury, physical incapacity, or other physical limitation, of providing a breath sample or where the person is being treated in a hospital, clinic, doctor's office, emergency medical vehicle, ambulance, or other similar facility or where the officer has reasonable grounds to believe that the person is under the influence of a drug, a blood test shall be administered by a qualified person as provided in RCW 46.61.506(5).

The officer shall inform the person of his or her right to refuse the breath or blood test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver, in substantially the following language:

(a) If the driver refuses to take the test, the driver's license, permit, or privilege to drive will be revoked or denied for at least one year; and

(b) If the driver refuses to take the test, the driver's refusal to take the test may be used in a criminal trial; and

(c) If the driver submits to the test and the test is administered, the driver's license, permit, or privilege to drive will be suspended, revoked, or denied for at least ninety days if the driver is age twenty-one or over and the test indicates the alcohol concentration of the driver's breath or blood is 0.08 or more, or if the driver is under age twenty-one and the test indicates the alcohol concentration of the driver's breath or blood is 0.02 or more, or if the driver is under age twenty-one and the driver is in violation of RCW 46.61.502 or 46.61.504; and

(d) If the driver's license, permit, or privilege to drive is suspended, revoked, or denied the driver may be eligible to immediately apply for an ignition interlock driver's license.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which there has been serious bodily injury to another person, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the
request of a law enforcement officer to submit to a test or tests of his  
or her breath or blood, no test shall be given except as authorized  
under subsection (3) or (4) of this section.

(6) If, after arrest and after the other applicable conditions and  
requirements of this section have been satisfied, a test or tests of the  
person's blood or breath is administered and the test results indicate  
that the alcohol concentration of the person's breath or blood is 0.08  
or more if the person is age twenty-one or over, or 0.02 or more if the  
person is under the age of twenty-one, or the person refuses to submit  
to a test, the arresting officer or other law enforcement officer at  
whose direction any test has been given, or the department, where  
applicable, if the arrest results in a test of the person's blood, shall:

(a) Serve notice in writing on the person on behalf of the  
department of its intention to suspend, revoke, or deny the person's  
license, permit, or privilege to drive as required by subsection (7) of  
this section;

(b) Serve notice in writing on the person on behalf of the  
department of his or her right to a hearing, specifying the steps he or  
she must take to obtain a hearing as provided by subsection (8) of  
this section and that the person waives the right to a hearing if he or she  
receives an ignition interlock driver's license;

(c) Mark the person's Washington state driver's license or permit  
to drive, if any, in a manner authorized by the department;

(d) Serve notice in writing that the marked license or permit, if  
any, is a temporary license that is valid for sixty days from the date of  
arrest or from the date notice has been given in the event notice is  
given by the department following a blood test, or until the  
suspension, revocation, or denial of the person's license, permit, or  
privilege to drive is sustained at a hearing pursuant to subsection (8)  
of this section, whichever occurs first. No temporary license is valid  
to any greater degree than the license or permit that it replaces; and  

(e) Immediately notify the department of the arrest and transmit  
to the department within seventy-two hours, except as delayed as the  
result of a blood test, a sworn report or report under a declaration  
authorized by RCW 9A.72.085 that states:

(i) That the officer had reasonable grounds to believe the arrested  
person had been driving or was in actual physical control of a motor  
vehicle within this state while under the influence of intoxicating  
liquor or drugs, or both, or was under the age of twenty-one years and  
had been driving or was in actual physical control of a motor vehicle  
while having an alcohol concentration in violation of RCW  
46.61.503;

(ii) That after receipt of the warnings required by subsection (2)  
of this section the person refused to submit to a test of his or her  
blood or breath, or a test was administered and the results indicated that  
the alcohol concentration of the person's breath or blood was 0.08 or  
more if the person is age twenty-one or over, or was 0.02 or more if  
the person is under the age of twenty-one; and

(iii) Any other information that the director may require by rule.

(7) The department of licensing, upon the receipt of a sworn  
report or report under a declaration authorized by RCW 9A.72.085  
under subsection (6)(e) of this section, shall suspend, revoke, or deny  
the person's license, permit, or privilege to drive or any nonresident  
operating privilege, as provided in RCW 46.20.3101, such  
suspension, revocation, or denial to be effective beginning sixty days  
from the date of arrest or from the date notice has been given in the  
event notice is given by the department following a blood test, or  
when sustained at a hearing pursuant to subsection (8) of this section,  
whichever occurs first.

(8) A person receiving notification under subsection (6)(b) of this  
section may, within twenty days after the notice has been given,  
request in writing a formal hearing before the department. The person  
shall pay a fee of ((three hundred seventy-five dollars as part of  
the request. If the request is mailed, it must be postmarked within  
twenty days after receipt of the notification. Upon timely receipt of  
such a request for a formal hearing, including receipt of the required  
three hundred seventy-five dollar fee, the department shall  
afford the person an opportunity for a hearing. The department may  
waive the required three hundred seventy-five dollar fee if the person  
is an indigent as defined in RCW 10.101.010. Except as  
otherwise provided in this section, the hearing is subject to and shall  
be scheduled and conducted in accordance with RCW 46.20.329 and  
46.20.332. The hearing shall be conducted in the county of the  
arrest, except that all or part of the hearing may, at the discretion of  
the department, be conducted by telephone or other electronic means.  
The hearing shall be held within sixty days following the arrest or  
following the date notice has been given in the event notice is given  
by the department following a blood test, unless otherwise agreed to  
by the department and the person, in which case the action by the  
department shall be stayed, and any valid temporary license marked  
under subsection (6)(c) of this section extended, if the person is  
otherwise eligible for licensing. For the purposes of this section, the  
scope of the hearing shall cover the issues of whether a law  
enforcement officer had reasonable grounds to believe the person had  
been driving or was in actual physical control of a motor vehicle  
within this state while under the influence of intoxicating liquor or  
any drug or had been driving or was in actual physical control of a  
motor vehicle within this state while having alcohol in his or her  
system in a concentration of 0.02 or more if the person was under the  
age of twenty-one, whether the person was placed under arrest, and  
(a) whether the person refused to submit to the test or tests upon  
request of the officer after having been informed that such refusal  
would result in the revocation of the person's license, permit, or  
privilege to drive, or (b) if a test or tests were administered, whether  
the applicable requirements of this section were satisfied before the  
administration of the test or tests, whether the person submitted to the  
test or tests, or whether a test was administered without express  
consent as permitted under this section, and whether the test or tests  
indicated that the alcohol concentration of the person's breath or blood  
was 0.08 or more if the person was age twenty-one or over at the time  
of the arrest, or 0.02 or more if the person was under the age of  
twenty-one at the time of the arrest. The sworn report or report under  
a declaration authorized by RCW 9A.72.085 submitted by a law  
enforcement officer is prima facie evidence that the officer had  
reasonable grounds to believe the person had been driving or was in  
actual physical control of a motor vehicle within this state while under  
the influence of intoxicating liquor or drugs, or both, or the person  
had been driving or was in actual physical control of a motor vehicle  
within this state while having alcohol in his or her system in a  
concentration of 0.02 or more and was under the age of twenty-one  
and that the officer complied with the requirements of this section.  
A hearing officer shall conduct the hearing, may issue subpoenas  
for the attendance of witnesses and the production of documents, and  
shall administer oaths to witnesses. The hearing officer shall not issue  
a subpoena for the attendance of a witness at the request of the person  
unless the request is accompanied by the fee required by RCW  
5.56.010 for a witness in district court. The sworn report or report  
under a declaration authorized by RCW 9A.72.085 of the law  
enforcement officer and any other evidence accompanying the report  
shall be admissible without further evidentiary foundation and the  
certifications authorized by the criminal rules for courts of limited  
jurisdiction shall be admissible without further evidentiary  
foundation. The person may be represented by counsel, may question  
witnesses, may present evidence, and may testify. The department  
shall order that the suspension, revocation, or denial either be  
rescinded or sustained.

(9) If the suspension, revocation, or denial is sustained after such  
a hearing, the person whose license, privilege, or permit is suspended,  
revoked, or denied has the right to file a petition in the superior court  
of the county of arrest to review the final order of revocation by the  
department in the same manner as an appeal from a decision of a  
court of limited jurisdiction. Notice of appeal must be filed within
thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ 1.1, or other statutes or rules referencing de novo review, the appeal shall be limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such a stay.

(10)(a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (7) of this section, other than as a result of a breath or blood test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (7) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license marked under subsection (6) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary marked license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath or blood test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled.

(c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(11) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 12. RCW 46.20.505 and 2007 c 97 s 1 are each amended to read as follows:

Every person applying for a special endorsement of a driver's license authorizing such person to drive a two or three-wheeled motorcycle or a motor-driven cycle shall pay a fee of five dollars, which is not refundable. In addition, the special endorsement fee for the initial endorsement fee shall not exceed (fifteen) twenty dollars, unless the endorsement is issued for a period other than the period specified in chapter 10.05 RCW for the incident upon which the suspension or revocation shall be stayed pending entry of the deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution.

The subsequent renewal endorsement fee shall not exceed (fifteen) twenty dollars, unless the endorsement is renewed or extended for a period other than two years, in which case the subsequent renewal endorsement fee shall not exceed five dollars for each year that the endorsement is renewed or extended. Fees collected under this section shall be deposited in the motorcycle safety education account of the highway safety fund.

(b) If the department provides a method to distinguish under (a) of this subsection, any driver's license issued to a person who is under the age of twenty-one expires on the person's twenty-first birthday.

(2) An instruction permit must be identified as an "instruction permit" and issued in a distinctive form as determined by the department.

(3) An intermediate license must be identified as an "intermediate license" and issued in a distinctive form as determined by the department.

Further, the department is authorized to provide any juvenile court with any requested service which the department can reasonably perform which is not inconsistent with its legal authority which substantially aids juvenile courts in handling traffic cases and which promotes highway safety.

A pending case includes criminal cases that have not reached a disposition by plea, stipulation, trial, or amended charge. An open infraction or criminal case includes cases on probation, payment agreement or subject to, or in collections. Each of the following acts or practices is unlawful:

(1) To cause or permit to be advertised, printed, displayed, published, distributed, broadcasted, televised, or disseminated in any manner whatsoever, any statement or representation with regard to the sale, lease, or financing of a vehicle which is false, deceptive, or misleading, including but not limited to the following:

(a) That no down payment is required in connection with the sale of a vehicle when a down payment is in fact required, or that a vehicle may be purchased for a smaller down payment than is actually required;

(b) That a certain percentage of the sale price of a vehicle may be financed when such financing is not offered in a single document evidencing the entire security transaction;

(c) That a certain percentage is the amount of the service charge to be charged for financing, without stating whether this percentage charge is a monthly amount or an amount to be charged per year;

(d) That a new vehicle will be sold for a certain amount above or below cost without computing cost as the exact amount of the factory invoice on the specific vehicle to be sold;

(e) That a vehicle will be sold upon a monthly payment of a certain amount, without including in the statement the number of payments of that same amount which are required to liquidate the unpaid purchase price.

(2)(a)(i) To incorporate within the terms of any purchase and sale or lease agreement any statement or representation with regard to the sale, lease, or financing of a vehicle which is false, deceptive, or misleading, including but not limited to terms that include as an added cost to the selling price or capitalized cost of a vehicle an amount for licensing or transfer of title of that vehicle which is not actually due to the state, unless such amount has in fact been paid by the dealer prior to such sale.

(ii) However, an amount not to exceed ((the applicable amount provided in (ii)(A) and (B) of this subsection (2)(a)) one hundred fifty dollars per vehicle sale or lease may be charged by a dealer to recover administrative costs for collecting motor vehicle excise taxes, licensing and registration fees and other agency fees, verifying and clearing titles, transferring titles, perfecting, releasing, or satisfying liens or other security interests, and other administrative and documentary services rendered by a dealer in connection with the sale or lease of a vehicle and in carrying out the requirements of this chapter or any other provisions of state law.

The disclosure must be written in a typeface that is at least as large as the typeface used in the standard text of the document that contains the disclosure and that is bold faced, capitalized, underlined, or otherwise set out from the surrounding material so as to be conspicuous. The dealer shall not represent to the purchaser or lessee that the fee or charge is required by the state to be paid by either the dealer or prospective purchaser or lessee;

(iii) The documentary service fee is separately designated from the selling price or capitalized cost of the vehicle and from any other taxes, fees, or charges; and

(iv) Dealers disclose in any advertisement that a documentary service fee in an amount (((provided in (iv)(A) and (B) of this subsection (2)(b)) up to one hundred fifty dollars may be added to the sale price or the capitalized cost)))

(A) As of July 26, 2009, through June 30, 2014, an amount up to one hundred fifty dollars; and

(B) As of July 1, 2014, an amount up to fifty dollars).

For the purposes of this subsection (2), the term "documentary service fee" means the optional amount charged by a dealer to provide the services specified in (a) of this subsection.

(3) To set up, promote, or aid in the promotion of a plan by which vehicles are to be sold or leased to a person for a consideration and upon further consideration that the purchaser or lessee agrees to secure one or more persons to participate in the plan by respectively
making a similar purchase and in turn agreeing to secure one or more persons likewise to join in said plan, each purchaser or lessee being given the right to secure money, credits, goods, or something of value, depending upon the number of persons joining the plan.

(4) To commit, allow, or ratify any act of "bushing" which is defined as follows: Entering into a written contract, written purchase order or agreement, retail installment sales agreement, note and security agreement, or written lease agreement, hereinafter collectively referred to as contract or lease, signed by the prospective buyer or lessee of a vehicle, which:

(a) Is subject to any conditions or the dealer's or his or her authorized representative's future acceptance, and the dealer fails or refuses within four calendar days, exclusive of Saturday, Sunday, or legal holiday, and prior to any further negotiations with said buyer or lessee to inform the buyer or lessee either: (i) That the dealer unconditionally accepts the contract or lease, having satisfied, removed, or waived all conditions to acceptance or performance, including, but not limited to, financing, assignment, or lease approval; or (ii) that the dealer rejects the contract or lease, thereby automatically voiding the contract or lease, and among such voiding does not negate commercially reasonable contract or lease provisions pertaining to the return of the subject vehicle and any physical damage, excessive mileage after the demand for return of the vehicle, and attorneys' fees authorized by law, and tenders the refund of any initial payment or security made or given by the buyer or lessee, including, but not limited to, any down payment, and tenders return of the trade-in vehicle, key, other trade-in, or certificate of title to a trade-in. Tender may be conditioned on return of the subject vehicle if previously delivered to the buyer or lessee.

The provisions of this subsection (4)(a) do not impair, prejudice, or abrogate the rights of a dealer to assert a claim against the buyer or lessee for misrepresentation or breach of contract and to exercise all remedies available at law or in equity, including those under chapter 62A.9A RCW, if the dealer, bank, or other lender or leasing company discovers that approval of the contract or financing or approval of the lease was based upon material misrepresentations made by the buyer or lessee, including, but not limited to, misrepresentations regarding income, employment, or debt of the buyer or lessee, as long as the dealer, or his or her staff, has not, with knowledge of the material misrepresentation, aided, assisted, encouraged, or participated, directly or indirectly, in the misrepresentation. A dealer shall not be in violation of this subsection (4)(a) if the buyer or lessee made a material misrepresentation to the dealer, as long as the dealer, or his or her staff, has not, with knowledge of the material misrepresentation, aided, assisted, encouraged, or participated, directly or indirectly, in the misrepresentation.

When a dealer informs a buyer or lessee under this subsection (4)(a) regarding the unconditional acceptance or rejection of the contract, lease, or financing by an electronic mail message, the dealer must also transmit the communication by any additional means.

(5) Regarding the unconditional acceptance or rejection of the contract, lease, or offer, or contract; or

(iii) Excessive additional miles or a discrepancy in the mileage. "Excessive additional miles" means the addition of five hundred miles or more, as reflected on the vehicle's odometer, between the time the vehicle was first valued by the dealer for purposes of determining its trade-in value and the time of actual delivery of the vehicle to the dealer. "A discrepancy in the mileage" means (A) a discrepancy between the mileage reflected on the vehicle's odometer and the stated mileage on the signed odometer statement; or (B) a discrepancy between the mileage stated on the signed odometer statement and the actual mileage on the vehicle; or

(c) Fails to comply with the obligation of any written warranty or guarantee given by the dealer requiring the furnishing of services or repairs within a reasonable time.

(5) To commit any offense relating to odometers, as such offenses are defined in RCW 46.37.540, 46.37.550, 46.37.560, and 46.37.570. A violation of this subsection is a class C felony punishable under chapter 9A.20 RCW.

(6) For any vehicle dealer or vehicle salesperson to refuse to furnish, upon request of a prospective purchaser or lessee, for vehicles previously registered to a business or governmental entity, the name and address of the business or governmental entity.

(7) To commit any other offense under RCW 46.37.423, 46.37.424, or 46.37.425.

(8) To commit any offense relating to a dealer's temporary license permit, including but not limited to failure to properly complete each such permit, or the issuance of more than one such permit on any one vehicle. However, a dealer may issue a second temporary permit on a vehicle if the following conditions are met:

(a) The lienholder fails to deliver the vehicle title to the dealer within the required time period;

(b) The dealer has satisfied the lien; and

(c) The dealer has proof that payment of the lien was made within two calendar days, exclusive of Saturday, Sunday, or a legal holiday, after the sale contract has been executed by all parties and all conditions and contingencies in the sales contract have been met or otherwise satisfied.

(9) For a dealer, salesperson, or mobile home manufacturer, having taken an instrument or cash "on deposit" from a purchaser or lessee prior to the delivery of the bargain-for vehicle, to commingle the "on deposit" funds with assets of the dealer, salesperson, or mobile home manufacturer instead of holding the "on deposit" funds as trustee in a separate trust account until the purchaser or lessee has taken delivery of the bargain-for vehicle. Delivery of a manufactured home shall be deemed to occur in accordance with RCW 46.70.135(5). Failure, immediately upon receipt, to endorse "on deposit" instruments to such a trust account, or to set aside "on deposit" cash for deposit in such trust account, and failure to deposit such instruments or cash in such trust account by the close of banking hours on the day following receipt thereof, shall be evidence of intent to commit this unlawful practice: PROVIDED, HOWEVER, That a motor vehicle dealer may keep a separate trust account which equals his or her customary total customer deposits for vehicles for future delivery. For purposes of this section, "on deposit" funds received from a purchaser of a manufactured home means those funds that a seller requires a purchaser to advance before ordering the manufactured home, but does not include any loan proceeds or moneys that might have been paid on an installment contract.

(10) For a dealer or manufacturer to fail to comply with the obligations of any written warranty or guarantee given by the dealer or manufacturer requiring the furnishing of goods and services or repairs within a reasonable period of time, or to fail to furnish to a purchaser or lessee, all parts which attach to the manufactured unit including but not limited to the undercarriage, and all items specified in the terms of a sales or lease agreement signed by the seller and buyer or lessee.

(11) For a vehicle dealer to pay to or receive from any person, firm, partnership, association, or corporation acting, either directly or through a subsidiary, as a buyer's agent for consumers, any compensation, fee, purchase moneys or funds that have been deposited into or withdrawn out of any account controlled or used by
any buyer's agent, gratuity, or reward in connection with the purchase, sale, or lease of a new motor vehicle.

(12) For a buyer's agent, acting directly or through a subsidiary, to pay to or to receive from any motor vehicle dealer any compensation, fee, gratuity, or reward in connection with the purchase, sale, or lease of a new motor vehicle. In addition, it is unlawful for any buyer's agent to engage in any of the following acts on behalf of or in the name of the consumer:

(a) Receiving or paying any purchase moneys or funds into or out of any account controlled or used by any buyer's agent;

(b) Signing any vehicle purchase orders, sales contracts, leases, odometer statements, or title documents, or having the name of the buyer's agent appear on the vehicle purchase order, sales contract, lease, or title; or

(c) Signing any other documentation related to the purchase, sale, lease, or transfer of any new motor vehicle.

It is unlawful for a buyer's agent to use a power of attorney obtained from the consumer to accomplish or effect the purchase, sale, lease, or transfer of ownership documents of any new motor vehicle by any means which would otherwise be prohibited under (a) through (c) of this subsection. However, the buyer's agent may use a power of attorney for physical delivery of motor vehicle license plates to the consumer.

Further, it is unlawful for a buyer's agent to engage in any false, deceptive, or misleading advertising, disseminated in any manner whatsoever, including but not limited to making any claim or statement that the buyer's agent offers, obtains, or guarantees the lowest price on any motor vehicle or words to similar effect.

(13) For a buyer's agent to arrange for or to negotiate the purchase, or both, of a new motor vehicle through an out-of-state dealer without disclosing in writing to the customer that the new vehicle would not be subject to chapter 19.118 RCW. This subsection also applies to leased vehicles. In addition, it is unlawful for any buyer's agent to fail to have a written agreement with the customer that: (a) Sets forth the terms of the parties' agreement; (b) discloses to the customer the total amount of any fees or other compensation being paid by the customer to the buyer's agent for the agent's services; and (c) further discloses whether the fee or any portion of the fee is refundable.

(14) Being a manufacturer, other than a motorcycle manufacturer governed by chapter 46.93 RCW, to:

(a) Coerce or attempt to coerce any vehicle dealer to order or accept delivery of any vehicle or vehicles, parts or accessories, or any other commodities which have not been voluntarily ordered by the vehicle dealer: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute coercion;

(b) Cancel or fail to renew the franchise or selling agreement of any vehicle dealer doing business in this state without fairly compensating the dealer at a fair going business value for his or her capital investment which shall include but not be limited to tools, equipment, and parts inventory possessed by the dealer on the day he or she is notified of such cancellation or termination and which are still within the dealer's possession on the day the cancellation or termination is effective, if: (i) The capital investment has been entered into with reasonable and prudent business judgment for the purpose of fulfilling the franchise; and (ii) the cancellation or nonrenewal was not done in good faith. Good faith is defined as the duty of each party to any franchise to act in a fair and equitable manner towards each other, so as to guarantee one party freedom from coercion, intimidation, or threats of coercion or intimidation from the other party: PROVIDED, That recommendation, endorsement, exposition, persuasion, urging, or argument are not deemed to constitute a lack of good faith:

(c) Encourage, aid, abet, or teach a vehicle dealer to sell or lease vehicles through any false, deceptive, or misleading sales or financing practices including but not limited to those practices declared unlawful in this section;

(d) Coerce or attempt to coerce a vehicle dealer to engage in any practice forbidden in this section by either threats of actual cancellation or failure to renew the dealer's franchise agreement;

(e) Refuse to deliver any vehicle publicly advertised for immediate delivery to any duly licensed vehicle dealer having a franchise or contractual agreement for the retail sale or lease of new and unused vehicles sold or distributed by such manufacturer within sixty days after such dealer's order has been received in writing unless caused by inability to deliver because of shortage or curtailment of material, labor, transportation, or utility services, or by any labor or production difficulty, or by any cause beyond the reasonable control of the manufacturer;

(f) To provide under the terms of any warranty that a purchaser or lessee of any new or unused vehicle that has been sold or leased, distributed for sale or lease, or transferred into this state for resale or lease by the vehicle manufacturer may only make any warranty claim on any item included as an integral part of the vehicle against the manufacturer of that item.

Nothing in this section may be construed to impair the obligations of a contract or to prevent a manufacturer, distributor, representative, or any other person, whether or not licensed under this chapter, from requiring performance of a written contract entered into with any licensee hereunder, nor does the requirement of such performance constitute a violation of any of the provisions of this section if any such contract or the terms thereof requiring performance, have been freely entered into and executed between the contracting parties. This paragraph and subsection (14)(b) of this section do not apply to new motor vehicle manufacturers governed by chapter 46.96 RCW.

(15) Unlawful transfer of an ownership interest in a motor vehicle as defined in RCW 19.116.050.

(16) To knowingly and intentionally engage in collusion with a registered owner of a vehicle to repossess and return or resell the vehicle to the registered owner in an attempt to avoid a suspended license impound under chapter 46.55 RCW. However, compliance with chapter 62A.9A RCW in reposessing, selling, leasing, or otherwise disposing of the vehicle, including providing redemption rights to the debtor, is not a violation of this section.

(17)(a) For a dealer to enter into a new motor vehicle sales contract without disclosing in writing to a buyer of the new motor vehicle, or to a dealer in the case of an unregistered motor vehicle, any known damage and repair to the new motor vehicle if the damage exceeds five percent of the manufacturer's suggested retail price as calculated at the dealer's authorized warranty rate for labor and parts, or one thousand dollars, whichever amount is greater. A manufacturer or new motor vehicle dealer is not required to disclose to a dealer or buyer that glass, tires, bumpers, or cosmetic parts of a new motor vehicle were damaged at any time if the damaged item has been replaced with original or comparable equipment. A replaced part is not part of the cumulative damage required to be disclosed under this subsection.

(b) A manufacturer is required to provide the same disclosure to a dealer of any known damage or repair as required in (a) of this subsection.

(c) If disclosure of any known damage or repair is not required under this section, a buyer may not revoke or rescind a sales contract due to the fact that the new motor vehicle was damaged and repaired before completion of the sale.

(d) As used in this section:

(i) "Cosmetic parts" means parts that are attached by and can be replaced in total through the use of screws, bolts, or other fasteners without the use of welding or thermal cutting, and includes windshields, bumpers, hoods, or trim panels.

(ii) "Manufacturer's suggested retail price" means the retail price of the new motor vehicle suggested by the manufacturer, and includes
the retail delivered price suggested by the manufacturer for each
accessory or item of optional equipment physically attached to the
new motor vehicle at the time of delivery to the new motor vehicle
dealer that is not included within the retail price suggested by the
manufacturer for the new motor vehicle.

(b) For the purposes of this subsection:
(i) "Transit authorities" has the same meaning as in RCW

Sec. 18. RCW 46.10.420 and 2010 c 161 s 231 are each amended
to read as follows:

a snowmobile dealer license from the department in a manner

Sec. 19. RCW 46.12.675 and 2010 c 161 s 316 are each amended to read as follows:

(1) A security interest in a vehicle other than one held as inventory by a manufacturer or a dealer and for which a certificate of title is required is perfected only by:

      (ii) An application for a certificate of title containing the name and address of the secured party; and
      (iii) Payment of the required fees.
   (2) A security interest is perfected when it is created if the secured party's name and address appear on the most recently issued certificate of title or, if not, it is created when the department, county auditor or other agent, or subagent appointed by the director receives the certificate of title or an application for a certificate of title and the fees required in subsection (1) of this section.

(3) If a vehicle is subject to a security interest when brought into this state, perfection of the security interest is determined by the law of the jurisdiction where the vehicle was when the security interest was attached, subject to the following:
   (a) The security interest continues perfected in this state if the name of the secured party is shown on the existing certificate of title issued by that jurisdiction. The name of the secured party must be shown on the certificate of title issued for the vehicle by this state. The security interest continues perfected in this state when the department issues the certificate of title.
   (b) If the security interest was not perfected under the law of the jurisdiction where the vehicle was when the security interest was attached, it may be perfected in this state. Perfection begins when the department receives the information and fees required in subsection (1) of this section.

(4) (a) After a certificate of title has been issued, the registered owner or secured party must apply to the department, county auditor or other agent, or subagent appointed by the director for a new certificate of title when a security interest is granted on a vehicle. Within ten days after creating a security agreement, the registered owner or secured party must submit:

(1)(a) A vehicle owner may operate an unregistered vehicle on public highways under the authority of a trip permit issued by this state. For purposes of trip permits, a vehicle is considered unregistered if:

   (ii) Not registered when registration is required under this chapter;
   (iii) The license tabs have expired; or
   (((iv) ) (iv) ) The current gross weight license is insufficient for the load being carried. The licensed gross weight may not exceed eighty thousand pounds for a combination of vehicles or forty thousand pounds for a single unit vehicle with three or more axles.

   (b) Used for commercial motor vehicles owned by a motor carrier subject to RCW 46.32.080 if the motor carrier's department of transportation number has been placed out of service by the Washington state patrol. A violation of or a failure to comply with this subsection is a gross misdemeanor, subject to a minimum monetary penalty of two thousand five hundred dollars for the first violation and five thousand dollars for each subsequent violation.

(3)(a) Each trip permit authorizes the operation of a single vehicle at the maximum legal weight limit for the vehicle for a period of three consecutive days beginning with the day of first use. No more than three trip permits may be used for any one vehicle in any thirty consecutive day period. No more than two trip permits may be used for any one recreational vehicle, as defined in RCW 43.22.335, in a one-year period. Every trip permit must:
   (i) Identify the vehicle for which it is issued;
(ii) Be completed in its entirety;

(b) Vehicles operating under the authority of trip permits are subject to all laws, rules, and regulations affecting the operation of similar vehicles in this state.

(4) Prorate operators operating commercial vehicles on trip permits in Washington shall retain the customer copy of each permit for four years.

Exchanges, credits, or refunds may not be given for trip permits after they have been purchased.

(6) Except as provided in subsection (2)(b) of this section, a violation of or a failure to comply with this section is a gross misdemeanor.

(7) The department may adopt rules necessary to administer this section.

MESSAGE FROM THE SENATE

March 3, 2012

MR. SPEAKER:

The Senate concurred in the House amendment(s) to the following bills and passed the bills as amended by the House:

- SUBSTITUTE SENATE BILL NO. 5246
- ENGROSSED SENATE BILL NO. 5661
- SUBSTITUTE SENATE BILL NO. 5982
The bill was read the second time.

There being no objection, the committee amendment by the Committee on Transportation was not adopted. (For committee amendment, see Journal, Day 51, February 28, 2012)

Amendments (1306), (1276), (1251) and (1243) were ruled out of order.

Representative Liias moved the adoption of amendment (1311). 

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) It is the intent of the legislature to provide diversified local revenue options that may be tailored to the needs of each jurisdiction. It is also the intent that local governments provide countywide transportation planning and coordinate with other municipalities, transit systems, transportation benefit districts, planning organizations, and other transportation agencies. It is critical that all transportation infrastructure is well planned, coordinated, and maintained at the local levels to provide a seamless transportation infrastructure to enable people and goods to move safely and efficiently throughout the state and to bolster and improve the state's economy.

(2) The legislature finds that the purchasing power of funds to pay for local transportation needs continues to decline while costs have risen. Without additional funding, counties and cities will continue to struggle financially to preserve and maintain county roads, city streets, and bridges; pavement conditions will continue to decline; and public transit systems will be forced to cut services at a time when demand for transit services is increasing.

Sec. 2. RCW 36.73.065 and 2007 c 329 s 1 are each amended to read as follows:

(1) Except as provided in subsection (4) of this section, taxes, fees, charges, and tolls may not be imposed by a district without approval of a majority of the voters in the district voting on a proposition at a general or special election. The proposition must include a specific description of the transportation improvement or improvements proposed by the district and the proposed taxes, fees, charges, and the range of tolls imposed by the district to raise revenue to fund the improvement or improvements.

(2) Voter approval under this section (§§36.73.065) must be accorded substantial weight regarding the validity of a transportation improvement as defined in RCW 36.73.015.

(3) A district may not increase any taxes, fees, charges, or range of tolls imposed under this chapter once the taxes, fees, charges, or tolls take effect, unless authorized by the district voters pursuant to RCW 36.73.160 or up to forty dollars of the vehicle fee authorized in RCW 82.80.140 by the governing board of a city transportation benefit district with a population of five hundred thousand or less.

(4)(a) A district that includes all the territory within the boundaries of the jurisdiction, or jurisdictions, establishing the district, but not including territory in which a fee is currently being collected under RCW 82.80.140, may impose by a majority vote of the governing board of the district the following fees and charges:

(i) Up to twenty dollars of the vehicle fee authorized in RCW 82.80.140; (§§36.73.015)

(ii) For a city transportation benefit district with a population of five hundred thousand or less, up to forty dollars of the vehicle fee authorized in RCW 82.80.140; or

(iii) A fee or charge in accordance with RCW 36.73.120.

(b) The vehicle fee authorized in (a) of this subsection may only be imposed for a passenger-only ferry transportation improvement if the vehicle fee is first approved by a majority of the voters within the jurisdiction of the district.
(c)(i) A district solely comprised of a city or cities (shall) may not impose the fees or charges identified in (a) of this subsection within one hundred eighty days after July 22, 2007, unless the county in which the city or cities reside, by resolution, declares that it will not impose the fees or charges identified in (a) of this subsection within the one hundred eighty-day period; or

(ii) A district solely comprised of a city or cities identified in RCW 36.73.020(6)(b) (shall) may not impose the fees or charges until after May 22, 2008. If a district imposes or increases a fee under this subsection (2) that includes only the unincorporated territory of a county may impose by a majority vote of the governing board of the district up to (forty) forty dollars of the vehicle fee authorized in RCW 82.80.140.

(6) Until June 30, 2015, the additional revenue generated by the vehicle fee authorized in RCW 82.80.140 by the governing board of the district must not be used to supplant existing local transportation funding in the local road operation and maintenance accounts. See 3. RCW 82.80.140 and 2010 c 161 s 917 are each amended to read as follows:

(1) Subject to the provisions of RCW 36.73.065, a transportation benefit district under chapter 36.73 RCW may fix and impose an annual vehicle fee, not to exceed one hundred dollars per vehicle registered in the district, for each vehicle subject to vehicle license fees under RCW 46.17.350(1) (a), (c), (d), (e), (g), (h), (j), or (n) through (q) and for each vehicle subject to gross weight license fees under RCW 46.17.355 with a scale weight of six thousand pounds or less.

(2) A district that includes all the territory within the boundaries of the jurisdiction, or jurisdictions, or a city with a population of over five hundred thousand, the district, but not including territory in which a fee is currently being collected under this section, may impose by a majority vote of the governing board of the district up to twenty dollars of the vehicle fee authorized in subsection (1) of this section. A city transportation benefit district with a population of five hundred thousand or less may impose by a majority vote of the governing board of the city transportation benefit district up to forty dollars of the vehicle fee authorized in subsection (1) of this section.

(i) If the district is countywide, the revenues of the fee (shall) must be distributed to each city within the (county) district by interlocal agreement that must be effective prior to imposition of the fee. The interlocal agreement is effective when approved by the (county) district and sixty percent of the cities representing seventy-five percent of the population of the cities within the (county) district, in which the countywide fee is collected.

(ii) If the district is less than countywide, the revenues of the fee must be distributed to each city within the district by interlocal agreement that must be effective prior to imposition of the fee.

(a) A district may not impose a fee under this subsection (2):

(i) For a passenger-only ferry transportation improvement unless the vehicle fee is first approved by a majority of the voters within the jurisdiction of the district; or

(ii) That, if combined with the fees previously imposed by another district within its boundaries under RCW 36.73.065(4)(a)(i), exceeds twenty dollars.

(c) If a district imposes or increases a fee under this subsection (2) that, if combined with the fees previously imposed by another district within its boundaries, exceeds twenty dollars, the district shall provide a credit for the previously imposed fees so that the combined vehicle fee does not exceed twenty dollars.

(3) The department of licensing shall administer and collect the fee. The department shall deduct a percentage amount, as provided by contract, not to exceed one percent of the fees collected, for administration and collection expenses incurred by it. The department shall remit remaining proceeds to the custody of the state treasurer. The state treasurer shall distribute the proceeds to the district on a monthly basis.

(4) No fee under this section may be collected until six months after approval under RCW 36.73.065.

(5) The vehicle fee under this section applies only when renewing a vehicle registration, and is effective upon the registration renewal date as provided by the department of licensing.

(6) The following vehicles are exempt from the fee under this section:

(a) Campers, as defined in RCW 46.04.085;

(b) Farm tractors or farm vehicles, as defined in RCW 46.04.180 and 46.04.181;

(c) Mopeds, as defined in RCW 46.04.304;

(d) Off-road and nonhighway vehicles, as defined in RCW 46.04.365;

(e) Private use single-axle trailer, as defined in RCW 46.04.422; and

(f) Snowmobiles, as defined in RCW 46.04.546; and

(g) Vehicles registered under chapter 46.87 RCW and the international registration plan.

(7) A county transportation benefit district with a population of one million five hundred thousand or more may use funds derived from the vehicle license fee authorized in this section as a public authority to purchase air space rights and associated rights above transit facilities that include parking facilities and ferry terminals and provide, at no or reduced costs, for nonprofit organizations or public housing authorities to provide, for purchase or lease, affordable workforce housing. For purposes of this subsection, "affordable workforce housing" means housing for a single person, family, or unrelated persons living together whose income is between thirty percent and eighty percent of the median income, adjusted for household size, for the county in which the housing is located. Any commercial use located in these facilities must pay a commercial market rate when purchasing or leasing in one of these facilities.

(b) In furtherance of the public health and welfare and public transportation purposes, a county transportation benefit district with a population of one million five hundred thousand or more, the central Puget Sound regional transit authority, and the Washington state ferries may sell, transfer, exchange, lease, or otherwise dispose of the air rights and other property interests in any parcel of real property owned by such entities, and used and improved by those entities for public transportation facilities, for the development of and use of the air rights and associated property interests for affordable housing so long as any such sale, transfer, exchange, lease, or other disposition of the air rights or other property interests for affordable housing is compatible with the public transportation use of the underlying property or facility.

(c) Any sale, transfer, exchange, lease, or other disposition of air rights and associated property interests made under the authority of this section is exempt from any statutory or other requirement to obtain fair market value, and a sale, transfer, exchange, lease, or other disposition of air rights and associated property interests at less than fair market value made under this section is not invalid, provided that such sale, transfer, exchange, lease, or other disposition of air rights and associated property interests is discounted below fair market value not more than any proportional reduction in value resulting from the requirement for affordable housing.

(d) Any sale, transfer, exchange, lease, or other disposition of air rights and associated property interests to a private entity made under the authority of this section must include a restrictive covenant requiring that any subsequent transfer of the air rights and associated property interests be prohibited unless the property continues to be used for affordable housing purposes for the duration of the term of the restrictive covenant.

(e) Any sale, transfer, exchange, lease, or other disposition of air
rights and associated property interests for affordable housing purposes is considered a legitimate public transportation purpose.

Sec. 4. RCW 36.73.015 and 2010 c 251 s 2 and 2010 c 105 s 1 are each reenacted and amended to read as follows:

(1) "City" means a city or town.

(2) "District" means a transportation benefit district created under this chapter.

(3) "Supplemental transportation improvement" or "supplemental improvement" means any project, work, or undertaking to provide public transportation service, in addition to a district's existing or planned voter-approved transportation improvements, proposed by a participating city member of the district under RCW 36.73.180.

(4) "Transportation improvement" means a project contained in the transportation plan of the state, a regional transportation planning organization, city, county, or eligible jurisdiction as identified in RCW 36.73.020(2). NEW SECTION. Sec. 5. A new section is added to chapter 82.80 RCW to read as follows:

(1) A county may impose, by approval of a majority of the registered voters of the county voting on the proposition at a general or special election, a local motor vehicle excise tax of up to one percent annually on the value of every motor vehicle registered to a person residing within the county based on the valuation schedules in RCW 82.44.035. ENGROSSED SUBSTITUTE SENATE BILL NO. 6455, as amended by the House, on reconsideration, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 1, 2012

Mr. Speaker:

The Senate has passed Engrossed Substitute House Bill No. 2233 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 8. A new section is added to chapter 37.12 RCW to read as follows:

(1) The process by which the state may retrocede to the United States all or part of the civil and/or criminal jurisdiction previously acquired by the state over a federally recognized Indian tribe, and the Indian country of such tribe, must be accomplished in accordance with the requirements of this section.

(2) To initiate civil and/or criminal retrocession the duly authorized governing body of a tribe must submit a retrocession resolution to the governor accompanied by information about the tribe's plan regarding the tribe's exercise of jurisdiction following the proposed retrocession. The resolution must express the desire of the tribe for the retrocession by the state of all or any measures or provisions of the civil and/or criminal jurisdiction acquired by the state under this chapter over the Indian country and the members of such Indian tribe. Before a tribe submits a retrocession resolution to the governor, the tribe and affected municipalities are encouraged to collaborate in the adoption of interlocal agreements, or other collaborative arrangements, with the goal of ensuring that the best interests of the tribe and the surrounding communities are served by the retrocession process.

(3) Upon receiving a resolution under this section, the governor must within ninety days convene a government-to-government meeting with either the governing body of the tribe or duly authorized tribal representatives for the purpose of considering the tribe's retrocession resolution. The governor's office must consult with elected officials from the counties, cities, and towns proximately located to the area of the proposed retrocession.

(4) Within one year of the receipt of an Indian tribe's retrocession resolution the governor must issue a proclamation, if approving the request either in whole or in part. This one-year deadline may be extended by the mutual consent of the tribe and the governor, as needed. In addition, either the tribe or the governor may extend the deadline once for a period of up to six months. Within ten days of issuance of a proclamation approving the retrocession resolution, the governor must formally submit the proclamation to the federal government in accordance with the procedural requirements for federal approval of the proposed retrocession. In the event the governor denies all or part of the resolution, the reasons for such denial must be provided to the tribe in writing.

(5) Within one hundred twenty days of the governor's receipt of a tribe's resolution requesting civil and/or criminal retrocession, but prior to the governor's issuance of the proclamation approving or denying the tribe's resolution, the appropriate standing committees of the state house and senate may conduct public hearings on the tribe's request for state retrocession. The majority leader of the senate must designate the senate standing committee and the speaker of the house of representatives must designate the house standing committee.

Following such public hearings, the designated legislative committees may submit advisory recommendations and/or comments to the governor regarding the proposed retrocession, but in no event are such legislative recommendations binding on the governor or otherwise of legal effect.

(6) The proclamation for retrocession does not become effective until it is approved by a duly designated officer of the United States government and in accordance with the procedures established by the United States for the approval of a proposed state retrocession.

(7) The provisions of RCW 37.12.010 are not applicable to a civil and/or criminal retrocession that is accomplished in accordance with the requirements of this section.

(8) Any proclamation issued by the governor under this section that addresses the operation of motor vehicles upon the public streets, alleys, roads and highways must include a certification that the following actions have been completed:

(a) The adoption of interlocal agreements with affected municipalities and state agencies regarding the operation of motor vehicles over Indian country and the maintenance of public highways;

**MESSAGE FROM THE SENATE**

March 1, 2012

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1398 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 13. RCW 82.02.060 and 1990 1st ex.s.s. c 17 s 44 are each amended to read as follows:

The local ordinance by which impact fees are imposed:

1) Shall include a schedule of impact fees which shall be adopted for each type of development activity that is subject to impact fees, specifying the amount of the impact fee to be imposed for each type of system improvement. The schedule shall be based upon a formula or other method of calculating such impact fees. In determining proportionate share, the formula or other method of calculating impact fees shall incorporate, among other things, the following:

(a) The cost of public facilities necessitated by new development;

(b) An adjustment to the cost of the public facilities for past or reasonably anticipated to be made by new development to pay for particular system improvements in the form
of user fees, debt service payments, taxes, or other payments earmarked for or proratable to the particular system improvement;
(c) The availability of other means of funding public facility improvements;
(d) The cost of existing public facilities improvements; and
(e) The methods by which public facilities improvements were financed;
(2) May provide an exemption of up to sixty percent for low-income housing and other development activities with broad public purposes from these impact fees, provided that the impact fees for (6) development (activity) activities with broad public purposes shall be paid from public funds other than impact fee accounts. Local governments that grant exemptions for low-income housing under this subsection (2) are not obligated to pay the exempted fees. An exemption for low-income housing granted under this subsection (2) must be conditioned upon requiring the developer to record a covenant that, except as provided otherwise by this subsection, prohibits using the property for any purpose other than for low-income housing. At a minimum, the covenant must address price restrictions, household income limits for the low-income housing, and that if the property is converted to a use other than for low-income housing, the property owner must pay the applicable impact fees in effect at the time of conversion. Covenants required by this subsection must be recorded with the applicable county auditor or recording officer. A local government granting an exemption under this subsection for low-income housing may not collect revenue lost through granting an exemption by increasing impact fees unrelated to the exemption;
(3) Shall provide a credit for the value of any dedication of land for, improvement to, or new construction of any system improvements provided by the developer, to facilities that are identified in the capital facilities plan and that are required by the county, city, or town as a condition of approving the development activity;
(4) Shall allow the county, city, or town imposing the impact fees to adjust the standard impact fee at the time the fee is imposed to consider unusual circumstances in specific cases to ensure that impact fees are imposed fairly;
(5) Shall include a provision for calculating the amount of the fee to be imposed on a particular development that permits consideration of studies and data submitted by the developer to adjust the amount of the fee;
(6) Shall establish one or more reasonable service areas within which it shall calculate and impose impact fees for various land use categories per unit of development;
(7) May provide for the imposition of an impact fee for system improvement costs previously incurred by a county, city, or town to the extent that new growth and development will be served by the previously constructed improvements provided such fee shall not be imposed to make up for any system improvement deficiencies; and
(8) For purposes of this section, "low-income housing" means housing with a monthly housing expense that is no greater than thirty percent of eighty percent of the median family income adjusted for family size for the county where the project is located, as reported by the United States department of housing and urban development."

On page 1, line 1 of the title, after "fees;" strike the remainder of the title and insert "and amending RCW 82.02.060."

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to Engrossed House Bill No. 1398 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

March 1, 2012

Mr. Speaker:
The Senate has passed Engrossed Second Substitute House Bill No. 2264 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 14. (1) The legislature finds that:
(a) The state of Washington and several Indian tribes in the state of Washington assume legal responsibility for abused or neglected children when their parents or caregivers are unable or unwilling to adequately provide for their safety, health, and welfare;
(b) Washington state has a strong history of partnership between the department of social and health services and contracted service providers who currently serve children and families in the child welfare system. The department and its contracted service providers have responsibility for providing services to address parenting deficiencies resulting in child maltreatment, and the needs of children impacted by maltreatment;
(c) Department caseworkers and contracted service providers each play a critical and complementary role in the child welfare system. A 2007 Washington state children's administration workload study found significant gaps in the number of case-carrying social workers relative to the demands of their workload;
(d) The current system of contracting for services needed by children and families in the child welfare system is fragmented, inflexible, and lacks incentives for improving outcomes for children and families.
(2) The legislature intends:
(a) To reform the delivery of certain services to children and families in the child welfare system by creating a flexible, accountable community-based system of care that utilizes performance-based contracting, maximizes the use of evidence-based, research-based, and promising practices, and expands the capacity of community-based agencies to leverage local funding and other resources to benefit children and families served by the department;
(b) To achieve improved child safety, child permanency, including reunification, and child well-being outcomes through the collaborative efforts of the department and contracted service providers and the prioritization of these goals in performance-based contracting; and
(c) To implement performance-based contracting under this act in a manner that supports and complies with the federal and Washington state Indian child welfare act.
NEW SECTION. Sec. 15. For purposes of this chapter:
(1) "Case management" means convening family meetings, developing, revising, and monitoring implementation of any case plan or individual service and safety plan, coordinating and monitoring services needed by the child and family, caseworker-child visits, family visits, and the assumption of court-related duties, excluding legal representation, including preparing court reports, attending judicial hearings and permanency hearings, and ensuring that the child is progressing toward permanency within state and federal mandates, including the Indian child welfare act.
(2) "Child" means:
(a) A person less than eighteen years of age; or
(b) A person age eighteen to twenty-one years who is eligible to receive the extended foster care services authorized under RCW 74.13.031.

(3) "Child-placing agency" has the same meaning as in RCW 74.15.020.

(4) "Child welfare services" means social services including voluntary and in-home services, out-of-home care, case management, and adoption services which strengthen, supplement, or substitute for, parental care and supervision for the purpose of:

(a) Preventing or remedying, or assisting in the solution of problems which may result in families in conflict, or the neglect, abuse, exploitation, or criminal behavior of children;

(b) Protecting and caring for dependent, abused, or neglected children;

(c) Assisting children who are in conflict with their parents, and assisting parents who are in conflict with their children, with services designed to resolve such conflicts;

(d) Protecting and promoting the welfare of children, including the strengthening of their own homes where possible, or, where needed:

(e) Providing adequate care of children away from their homes in foster family homes or day care or other child care agencies or facilities.

(5) "Department" means the department of social and health services.

(6) "Evidence-based" means a program or practice that is cost-effective and includes at least two randomized or statistically controlled evaluations that have demonstrated improved outcomes for its intended population.

(7) "Network administrator" means an entity that contracts with the department to provide defined services to children and families in the child welfare system through its provider network, as provided in section 3 of this act.

(8) "Performance-based contracting" means structuring all aspects of the procurement of services around the purpose of the work to be performed and the desired results with the contract requirements set forth in clear, specific, and objective terms with measurable outcomes and linking payment for services to contractor performance.

(9) "Promising practice" means a practice that presents, based upon preliminary information, potential for becoming a research-based or consensus-based practice.

(10) "Provider network" means those service providers who contract with a network administrator to provide services to children and families in the geographic area served by the network administrator.

(11) "Research-based" means a program or practice that has some research demonstrating effectiveness, but that does not yet meet the standard of evidence-based practices.

NEW SECTION. Sec. 16. (1) No later than December 1, 2013, the department shall enter into performance-based contracts for the provision of family support and related services. The department may enter into performance-based contracts for additional services, other than case management, in future procurements.

(2) Beginning December 1, 2013, the department may not renew its current contracts with individuals or entities for the provision of the child welfare services included in performance-based contracts under this section for services in geographic areas served by network administrators under such contracts, except as mutually agreed upon between the department and the network administrator to allow for the successful transition of services that meet the needs of children and families.

(3) The department shall conduct a procurement process to enter into performance-based contracts with one or more network administrators for family support and related services designed to improve family functioning, prevent children from entering out-of-home care, or to support reunification efforts when placement is unavoidable.

(4) As part of the procurement process, following the selection of the network administrators, the department, in collaboration with the network administrators, shall consult with, but not be limited to, department caseworkers, the exclusive bargaining representative for employees of the department, tribal representatives, parents who were formerly involved in the child welfare system, youth currently or previously in foster care, child welfare services researchers, and the Washington state institute for public policy to assist in identifying the array of family support and related services that will be included in the provider network. In identifying services, the department, in collaboration with the network administrators, must review current data and research related to the effectiveness of family support and related services, and prioritize those services that are most critical to the mitigation of child safety concerns and are evidence-based or research-based, while remaining cognizant of the need for diverse and culturally appropriate services. Expenditures for family support and related services purchased under this section must remain within the levels appropriated in the operating budget.

5(a) Network administrators shall, through subcontracts with service providers:

(i) Assist caseworkers in meeting their responsibility for implementation of case plans and individual service and safety plans; and

(ii) Provide the family support and related services included in a child or family's case plan or individual service and safety plan within funds available under contract.

(b) While the department caseworker retains responsibility for case management, nothing in this act limits the ability of the department to continue to contract for the provision of case management services by child-placing agencies, behavioral rehabilitation services agencies, or other entities that provided case management under contract with the department prior to July 1, 2005.

(6) In conducting the procurement, the department shall actively consult with other state agencies with relevant expertise, such as the health care authority, and with philanthropic entities with expertise in performance-based contracting for child welfare services. The director of the office of financial management must approve the request for proposal prior to its issuance.

(7) The procurement process must be developed and implemented in a manner that complies with applicable provisions of intergovernmental agreements between the state of Washington and tribal governments and must provide an opportunity for tribal governments to contract for service delivery through network administrators.

(8) The procurement and resulting contracts must include, but are not limited to, the following standards and requirements:

(a) The use of family engagement approaches to successfully motivate families to engage in services and training of the network's contracted providers to apply such approaches;

(b) The use of parents and youth who are successful veterans of the child welfare system to act as mentors through activities that include, but are not limited to, helping families navigate the system, facilitating parent engagement, and minimizing distrust of the child welfare system;

(c) The establishment of qualifications for service providers participating in provider networks, such as appropriate licensure or certification, education, and accreditation by professional accrediting entities;

(d) Adequate provider capacity to meet the anticipated service needs in the network administrator's contracted service area. The network administrator must be able to demonstrate that its provider network is culturally competent and has adequate capacity to address disproportionality, including utilization of tribal and other ethnic
providers capable of serving children and families of color or who need language-appropriate services;

(e) Fiscal solvency of network administrators and providers participating in the network;

(f) The use of evidence-based, research-based, and promising practices, where appropriate, including fidelity and quality assurance provisions;

(g) Network administrator quality assurance activities, including monitoring of the performance of providers in their provider network, with respect to meeting measurable service outcomes;

(h) Network administrator data reporting, including data on contracted provider performance and service outcomes; and

(i) Network administrator compliance with applicable provisions of intergovernmental agreements between the state of Washington and tribal governments and the federal and Washington state Indian child welfare act.

(9) Performance-based payment methodologies must be used in network administrator contracting. Performance measures should relate to successful engagement by a child or parent in services included in their case plan, and resulting improvement in identified problem behaviors and interactions. For the initial three-year period of implementation of performance-based contracting, the department may transfer financial risk for the provision of services to network administrators only to the limited extent necessary to implement a performance-based payment methodology, such as phased payment for services. However, the department may develop a shared savings methodology through which the network administrator will receive a defined share of any savings that result from improved performance. If the department receives a Title IV-E waiver, the shared savings methodology must be consistent with the terms of the waiver. If a shared savings methodology is adopted, the network administrator shall reinvest the savings in enhanced services to better meet the needs of the families and children they serve.

(10) The department must actively monitor network administrator compliance with the terms of contracts executed under this section.

(11) The use of performance-based contracts under this section must be done in a manner that does not adversely affect the state’s ability to continue to obtain federal funding for child welfare-related functions currently performed by the state and with consideration of options to further maximize federal funding opportunities and increase flexibility in the use of such funds, including use for preventive and in-home child welfare services.

NEW SECTION. Sec. 17. (1) For those services included in contracts under section 3 of this act, the service providers must be chosen by the department caseworker from among those in the network administrator’s provider network. The criteria for provider selection must include the geographic proximity of the provider to the child or family, and the performance of the provider based upon data collected and provided by the network administrator. If a reasonably qualified provider is not available through the network administrator’s provider network, at the request of a department caseworker, a provider who is not currently under contract with the network administrator may be offered a provisional contract by the network administrator, pending that provider demonstrating that he or she meets applicable provider qualifications to participate in the administrator’s provider network.

(2) The department shall develop a dispute resolution process to be used when the network administrator disagrees with the department caseworker’s choice of a service provider due to factors such as the service provider’s performance history or ability to serve culturally diverse families. The mediator or decision maker must be a neutral employee of the department who has not been previously involved in the case. The dispute resolution process must not result in a delay of more than two business days in the receipt of needed services by the child or family.

(3) The department and network administrator shall collaborate to identify and respond to patterns or trends in service utilization that may indicate overutilization or underutilization of family support and related services, or may indicate a need to enhance service capacity.

NEW SECTION. Sec. 18. (1) On an annual basis, beginning in the 2015-2017 biennium, the department and contracted network administrators shall:

(a) Review and update the services offered through performance-based contracts in response to service outcome data for currently contracted services and any research that has identified new evidence-based or research-based services not included in a previous procurement; and

(b) Review, and make public, service utilization and outcome data to determine whether changes are needed in procurement policies or performance-based contracts to better meet the goals established in section 1 of this act.

(2) In conducting the review under subsection (1) of this section, the department must consult with department caseworkers, the exclusive bargaining representative for employees of the department, tribal representatives, parents who were formerly involved in the child welfare system, youth currently or previously in foster care, child welfare services researchers, representatives of child welfare service providers, and the Washington state institute for public policy.

NEW SECTION. Sec. 19. (1) To achieve the service delivery improvements and efficiencies intended in sections 1, 3, 4, and 7 of this act and in RCW 74.13.370, and pursuant to RCW 41.06.142(3), contracting with network administrators to provide services needed by children and families in the child welfare system, pursuant to sections 3 and 4 of this act, and execution and monitoring of individual provider contracts, pursuant to section 3 of this act, are expressly mandated by the legislature and are not subject to the processes set forth in RCW 41.06.142 (1), (4), and (5).

(2) The express mandate in subsection (1) of this section is limited to those services and activities provided in sections 3 and 4 of this act. If the department includes services customarily and historically performed by department employees in the classified service in a procurement for network administrators that exceeds the scope of services or activities provided in sections 3 and 4 of this act, such contracting is not specifically mandated and will be subject to all applicable contractual and legal obligations.

NEW SECTION. Sec. 20. For the purposes of the provision of child welfare services by provider networks, when all other elements of the responses to any procurement under section 3 of this act are equal, private nonprofit entities, federally recognized Indian tribes located in this state, and state employees must receive primary preference over private for-profit entities.

Sec. 21. RCW 74.13.360 and 2010 c 291 s 4 are each amended to read as follows:

(1) ((No later than July 1, 2011, the department shall convert its current contracts with providers of child welfare services into performance-based contracts. In accomplishing this conversion, the department shall decrease the total number of contracts it uses to purchase child welfare services from providers. The conversion of contracts for the provision of child welfare services to performance-based contracts must be done in a manner that does not adversely affect the state’s ability to continue to obtain federal funding for child welfare related functions currently performed by the state and with consideration of options to further maximize federal funding opportunities and increase flexibility in the use of such funds, including use for preventive and in-home child welfare services.)

(2) No later than December 30, (2012) 2015:

(a) In the demonstration sites selected under RCW 74.13.368(4)(a), child welfare services shall be provided by supervising agencies with whom the department has entered into performance-based contracts. Supervising agencies may enter into subcontracts with other licensed agencies; and
(b) Except as provided in subsection (((4))) (3) of this section, and notwithstanding any law to the contrary, the department may not directly provide child welfare services to families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a).

(((4))) (2) No later than December 30, ((2014)) 2015, for families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a), the department is responsible for only the following:

(a) Monitoring the quality of services for which the department contracts under this chapter;

(b) Ensuring that the services are provided in accordance with federal law and the laws of this state, including the Indian child welfare act;

(c) Providing child protection functions and services, including intake and investigation of allegations of child abuse or neglect, emergency shelter care functions under RCW 13.34.050, and referrals to appropriate providers; and

(d) Issuing licenses pursuant to chapter 74.15 RCW.

(((3))) (2) No later than December 30, ((2014)) 2015, for families and children provided child welfare services by supervising agencies in the demonstration sites selected under RCW 74.13.368(4)(a), the department may provide child welfare services only:

(a) For the limited purpose of establishing a control or comparison group as deemed necessary by the child welfare transformation design committee, with input from the Washington state institute for public policy, to implement the demonstration sites selected and defined pursuant to RCW 74.13.368(4)(a) in which the performance in achieving measurable outcomes will be compared and evaluated pursuant to RCW 74.13.370; or

(b) In an emergency or as a provider of last resort. The department shall adopt rules describing the circumstances under which the department may provide those services. For purposes of this section, "provider of last resort" means the department is unable to contract with a private agency to provide child welfare services in a particular geographic area or, after entering into a contract with a private agency, either the contractor or the department terminates the contract.

(((5))) (4) For purposes of this chapter, on and after September 1, 2010, performance-based contracts shall be structured to hold the supervising agencies accountable for achieving the following goals in order of importance: Child safety; child permanency, including reunification; and child well-being.

(((6))) (5) A federally recognized tribe located in this state may enter into a performance-based contract with the department to provide child welfare services to Indian children whether or not they reside on a reservation. Nothing in this section prohibits a federally recognized Indian tribe located in this state from providing child welfare services to its members or other Indian children pursuant to existing tribal law, regulation, or custom, or from directly entering into agreements for the provision of such services with the department, if the department continues to otherwise provide such services, or with federal agencies.

Sec. 22. RCW 74.13.370 and 2009 c 291 s 2 are each amended to read as follows:

(1) Based upon the recommendations of the child welfare transformation design committee, including the two sets of outcomes developed by the committee under RCW 74.13.368(4)(b), the Washington state institute for public policy is to conduct a review of measurable effects achieved by the supervising agencies and compare those measurable effects with the existing services offered by the state. The report on the measurable effects shall be provided to the governor and the legislature no later than April 1, ((2014)) 2018.

(2) No later than ((June 30, (2014))) December 1, 2014, the Washington state institute for public policy shall provide the legislature and the governor an initial report on the department's conversion to the use of performance-based contracts as provided in ((RCW 74.13.360(4))) sections 3 and 4 of this act. No later than June 30, ((2014)) 2016, the Washington state institute for public policy shall provide the governor and the legislature with a second report on the ((department's conversion of its contracts to performance-based contracts)) extent to which the use of performance-based contracting has resulted in:

(a) Increased use of evidence-based, research-based, and promising practices; and

(b) Improvements in outcomes for children, including child safety, child permanency, including reunification, and child well-being;

(3) The department and network administrators shall respond to the Washington institute for public policy's request for data and other information with which to complete these reports in a timely manner.

(4) The Washington state institute for public policy must consult with a university-based child welfare research entity to evaluate performance-based contracting.

(n) A description of how the transition will impact the state's ability to obtain federal funding and examine options to further maximize federal funding opportunities and increased flexibility;
(o) A review of whether current administrative staffing levels in the regions should be continued when the majority of child welfare services are being provided by supervising agencies;
(p) A description of the costs of the transition, the initial start-up costs and the mechanisms to periodically assess the overall adequacy of funds and the fiscal impact of the changes, and the feasibility of the plan and the impact of the plan on department employees during the transition; and

(4)(a) The committee, with the assistance of the department, shall select two demonstration sites within which to implement chapter 520, Laws of 2009. One site must be located on the eastern side of the state. The other site must be located on the western side of the state. Neither site must be wholly located in any of the department's administrative regions.

(b) The committee shall develop two sets of performance outcomes to be included in the performance-based contracts the department enters into with supervising agencies. The first set of outcomes shall be used for those cases transferred to a supervising agency over time. The second set of outcomes shall be used for new entrants to the child welfare system.

(c) The committee shall also identify methods for ensuring that comparison of performance between supervising agencies and the existing service delivery system takes into account the variation in the characteristics of the populations being served as well as historical trends in outcomes for those populations.

(5) The committee shall determine the appropriate size of the child and family populations to be provided services under performance-based contracts with supervising agencies. The committee shall also identify the time frame within which cases will be transferred to supervising agencies. The performance-based contracts entered into with supervising agencies shall encompass the provision of child welfare services to enough children and families in each demonstration site to allow for the assessment of whether there are meaningful differences, to be defined by the committee, between the outcomes achieved in the demonstration sites and the comparison sites or populations. To ensure adequate statistical power to assess these differences, the populations served shall be large enough to provide a probability greater than seventy percent that meaningful difference will be detected and a ninety-five percent probability that observed differences are not due to chance alone.

The committee shall also prepare as part of the plan a recommendation as to how to implement chapter 520, Laws of 2009 so that full implementation of chapter 520, Laws of 2009 is achieved no later than December 30, ((2012)) 2015.

The committee shall prepare the plan to manage the delivery of child welfare services in a manner that achieves coordination of the services and programs that deliver primary prevention services.

Beginning June 30, 2009, the committee shall report quarterly to the governor and the legislative children's oversight committee established in RCW 44.04.220. From June 30, 2012, until ((January 4)) December 30, 2015, the committee need only report twice a year. The committee shall report on its progress in meeting its duties under subsections (2) and (3) of this section and on any other matters the committee or the legislative children's oversight committee or the governor deems appropriate. The portion of the plan required in subsection (6) of this section shall be due to the legislative children's oversight committee on or before June 1, 2010. The reports shall be in written form.

The committee, by majority vote, may establish advisory committees as it deems necessary.

"NEW SECTION. Sec. 27. A new section is added to chapter 49.17 RCW to read as follows:

SENATE AMENDMENT TO HOUSE BILL

There being no objection, the House refused to concur in the Senate amendment to Engrossed House Bill No. 2509 and asked the Senate to recede therefrom.

MESSAGE FROM THE SENATE

Mr. Speaker:

The Senate has passed Engrossed Second Substitute House Bill No. 2536 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 28. (1) The legislature recognizes that the use of evidence-based practices plays a very important role in the delivery of services to children and juveniles. Especially in times of diminished resources, it is critical to fund practices which are known to provide desired outcomes rather than continue to expend moneys on programs that may be familiar but less effective.

(2) Evidence-based practices or programs are those that are cost-effective and include at least two randomized or statistically controlled evaluations demonstrating that the program or practice is effective in obtaining improved outcomes for its intended population.

(3) The legislature intends that prevention and intervention services delivered to children and juveniles in the areas of mental health, child welfare, and juvenile justice must be primarily evidence-based, and it is anticipated that such services will be provided in a manner that is culturally competent.

(4) The legislature also acknowledges that baseline information is not presently available regarding the extent to which evidence-based practices are presently available and in use in the areas of mental health, child welfare, and juvenile justice; the cost of those practices; their effectiveness relative to other standard treatment protocols upon which statistically controlled evaluations have not been completed; and the most effective strategies and appropriate time frames for expecting their broader use. Thus, it would be unwise to establish specific requirements and time frames for widespread implementation without further analysis and discussion.

(5) It is the intent of the legislature that the department of social and health services will ensure that an expansion of the use of evidence-based practices be accomplished to the extent possible with existing resources by coordinating the purchase of evidence-based services, the development of a trained workforce and the implementation of a system of care that supports evidence-based practices by the juvenile rehabilitation administration, the division of behavioral health and recovery services, and the children's administration.

(6) The legislature recognizes that in order to effectively provide evidence-based practices, contractors must have a workforce trained in these programs, and there must be an evaluation of the outcomes from their use. For purposes of this act, "contractors" does not include county probation staff that provide evidence-based programs.

NEW SECTION. Sec. 29. The department of social and health services shall accomplish the following in consultation and collaboration with the Washington state institute for public policy, the evidence-based practice institute at the University of Washington, a university-based child welfare partnership and research entity, other national experts in the delivery of evidence-based services, and organizations representing Washington practitioners in each of the service areas:

(1) By September 30, 2012, the department shall publish descriptive definitions of evidence-based and research-based practices in the areas of child welfare, juvenile rehabilitation, and children's mental health services.

(2) By June 30, 2013, the department shall complete a baseline assessment of the extent to which evidence-based and research-based practices are in place in the state in the areas of child welfare, juvenile rehabilitation, and children's mental health services. The assessment shall include estimates of (a) the number of children receiving each service; (b) the total amount of state and federal funds expended on the service; (c) the relative availability of the service in the various regions of the state; and (d) the number of children served by state programs who would significantly benefit from but who do not presently have access to the service.

(3) By December 1, 2013, the department shall report to the governor and to the appropriate fiscal and policy committees of the legislature on recommended strategies, timelines, and costs for increasing availability of evidence-based and research-based practices in each of the identified areas."

On page 1, line 2 of the title, after "juveniles;" strike the remainder of the title and insert "and creating new sections."

and the same is herewith transmitted.

ROLL CALL

The Clerk called the roll on the final passage of Substitute House Bill No. 1057, as amended by the Senate, and the bill passed the House by the following vote: Yeas, 94; Nays, 0; Absent, 0; Excused, 4.

A first stage of impaired air quality is reached when forecasted meteorological conditions are predicted to cause fine particulate levels to exceed thirty micrograms per cubic meter, measured on a twenty-four hour average, within seventy-two hours. After consulting with affected parties, the department shall prescribe the format of such a report and may also require additional information be included in the report. All reports shall be sent to the department and the department shall keep the reports on file for not less than five years and available for public inspection and copying in accordance with RCW 42.56.090. The department and local air pollution control authorities shall evaluate the effectiveness of the burn ban programs contained in this section in avoiding fine particulate levels to exceed thirty-five micrograms per cubic meter, measured on a twenty-four hour average, and provide a joint report of the results to the legislature by September 1, 2011.

For the purposes of this act, an area at risk for nonattainment means an area where the three-year average of the annual ninety-eighth percentile of twenty-four hour fine particulate values is greater than twenty-nine micrograms per cubic meter, based on the years 2008 through 2010 monitoring data.
(1) Unless allowed by rule under chapter 34.05 RCW, a person shall not cause or allow any of the following materials to be burned in any residential solid fuel burning device:
(a) Garbage;
(b) Treated wood;
(c) Plastics;
(d) Rubber products;
(e) Animals;
(f) Asphalts products;
(g) Waste petroleum products;
(h) Paints; or
(i) Any substance, other than properly seasoned fuel wood, which normally emits dense smoke or obnoxious odors.

(2) To achieve and maintain attainment in areas of nonattainment for fine particulates in accordance with section 172 of the federal clean air act, a local air pollution control authority or the department may, after meeting requirements in subsection (3) of this section, prohibit the use of solid fuel burning devices, except:
(a) Fireplaces as defined in RCW 70.94.453(3), except if needed to meet federal requirements as a contingency measure in a state implementation plan for a fine particulate nonattainment area;
(b) Woodstoves meeting the standards set forth in RCW 70.94.473(1)(b); or
(c) Pellet stoves.

(3) Prior to prohibiting the use of solid fuel burning devices under subsection (2) of this section, the department or the local air pollution control authority must:
(a) Seek input from any city, county, or jurisdictional health department affected by the proposal to prohibit the use of solid fuel burning devices; and
(b) Make written findings that:
(i) The area is designated as an area of nonattainment for fine particulate matter by the United States environmental protection agency, or is in maintenance status under that designation;
(ii) Emissions from solid fuel burning devices in the area are a major contributing factor for violating the national ambient air quality standard for fine particulates; and
(iii) The area has an adequately funded program to assist low-income households to secure an adequate source of heat, which may include woodstoves meeting the requirements of RCW 70.94.453(2).

(4) If and only if the nonattainment area is within the jurisdiction of the department and the legislative authority of a city or county within the area of nonattainment formally expresses concerns with the department's written findings, then the department must publish on the department's web site the reasons for prohibiting the use of solid fuel burning devices under subsection (2) of this section that includes a response to the concerns expressed by the city or county legislative authority.

(5) When a local air pollution control authority or the department prohibits the use of solid fuel burning devices as authorized by this section, the cities, counties, and jurisdictional health departments serving the area shall cooperate with the department or local air pollution control authority as the department or the local air pollution control authority implements the prohibition. (However, cooperation shall not include enforcement of this prohibition.) The responsibility for actual enforcement of the prohibition shall reside solely with the department or the local air pollution control authority. A city, county, or jurisdictional health department serving a fine particulate nonattainment area may agree to assist with enforcement activities.

(6) A prohibition issued by a local air pollution control authority or the department under this section shall not apply to ((a person in a residence or commercial establishment that does not have an adequate source of heat without burning wood));
(a) A person in a residence or commercial establishment that does not have an adequate source of heat without burning wood; or
(b) A person with a shop or garage that is detached from the main residence or commercial establishment that does not have an adequate source of heat in the detached shop or garage without burning wood.

(7) On the effective date of this section, and prior to January 1, 2015, the local air pollution control authority or the department shall, within available resources, provide assistance to households using solid fuel burning devices to reduce the emissions from those devices or change out to a lower emission device. Prior to the effective date of a prohibition, as defined in this section, on the use of uncertified stoves, the department or local air pollution control authority shall provide public education in the nonattainment area regarding how households can reduce their emissions through cleaner burning practices, the importance of respecting burn bans, and the opportunities for assistance in obtaining a cleaner device. If the area is designated as a nonattainment area as of January 1, 2015, or if required by the United States environmental protection agency, the local air pollution control authority or the department may prohibit the use of uncertified devices.

(8) As used in this section((i)):
(a) "Jurisdictional health department" means a city, county, city-county, or district public health department.
(b) "Prohibit the use" or "prohibition" may include requiring disclosure of an uncertified device, removal, or rendering inoperable, as may be approved by rule by a local air pollution control authority or the department. The effective date of such a rule may not be prior to January 1, 2015. However, except as provided in RCW 64.06.020 relating to the seller disclosure of wood burning appliances, any such prohibition may not include imposing separate time of sale obligations on the seller or buyer of real estate as part of a real estate transaction.

NEW SECTION. Sec. 3. A new section is added to chapter 70.94 RCW to read as follows:
(1) The department of ecology and local air pollution control authorities shall report back to the appropriate standing committees of the legislature by December 31, 2014, and every two years thereafter, on progress toward achieving attainment for areas of nonattainment that the revised burn ban and prohibition requirements contained in RCW 70.94.473 and 70.94.477 were enacted to address, as well as whether other implementation tools are necessary to achieve attainment.

(2) This section expires January 1, 2019."

On page 1, beginning on line 2 of the title, after "devices," strike the remainder of the title and insert "amending RCW 70.94.473 and 70.94.477; adding a new section to chapter 70.94 RCW; and providing an expiration date."

MESSAGE FROM THE SENATE
February 29, 2012

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2337 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds the state's recent adoption of common core K-12 standards provides an opportunity to develop a library of high-quality, openly licensed K-12 courseware that is aligned with these standards. By developing this library of openly licensed courseware and making it available to school districts free of charge, the state and school districts will be able to provide students with curricula and texts while substantially reducing the expenses that districts would otherwise incur in purchasing these materials. In addition, this library of openly licensed courseware will provide districts and students with a broader selection of materials, and materials that are more up-to-date.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.300 RCW to read as follows:

(1)(a) Subject to availability of amounts appropriated for this specific purpose, the superintendent of public instruction shall take the lead in identifying and developing a library of openly licensed courseware aligned with the common core state standards and placed under an attribution license, registered by a nonprofit or for-profit organization with domain expertise in open courseware, that allows others to use, distribute, and create derivative works based upon the digital material, while still allowing the authors or creators to retain the copyright and to receive credit for their efforts.

(b) During the course of identification and development of a library of openly licensed courseware, the superintendent:

(i) May contract with third parties for all or part of the development;

(ii) May adopt or adapt existing high quality openly licensed K-12 courseware aligned with the common core state standards;

(iii) May consider multiple sources of openly licensed courseware;

(iv) Must use best efforts to seek additional outside funding by actively partnering with private organizations;

(v) Must work collaboratively with other states that have adopted the common core state standards and collectively share results; and

(vi) Must include input from classroom practitioners, including teacher-librarians as defined by RCW 28A.320.240, in the results reported under subsection (2)(d) of this section.

(2) The superintendent of public instruction must also:

(a) Advertise to school districts the availability of openly licensed courseware, with an emphasis on the fact that the courseware is available at no cost to the districts;

(b) Identify an open courseware repository to which openly licensed courseware identified and developed under this section may be submitted, in which openly licensed courseware may be housed, and from which openly licensed courseware may be easily accessed, all at no cost to school districts;

(c) Provide professional development programs that offer support, guidance, and instruction regarding the creation, use, and continuous improvement of open courseware; and

(d) Report to the governor and the education committees of the legislature on a biennial basis, beginning December 1, 2013, and ending December 1, 2017, regarding identification and development of a library of openly licensed courseware aligned with the common core state standards and placed under an attribution license, use by school districts of openly licensed courseware, and professional development programs provided.

(3) School districts may, but are not required to, use any of the openly licensed courseware.

(4) As used in this section, "courseware" includes the course syllabus, scope and sequence, instructional materials, modules, textbooks, including the teacher's edition, student guides, supplemental materials, formative and summative assessment supports, research articles, research data, laboratory activities, simulations, videos, open-ended inquiry activities, and any other educationally useful materials.

(5) The open educational resources account is created in the custody of the state treasurer. All receipts from funds collected under this section must be deposited into the account. Expenditures from the account may be used only for the development of openly licensed courseware as described in this section. Only the superintendent of public instruction or the superintendent's designee may authorize expenditures from the account. The account is subject to allotment procedures under chapter 43.88 RCW, but an appropriation is not required for expenditures.

(6) This section expires June 30, 2018."

On page 1, line 1 of the title, after "education;" strike the remainder of the title and insert "adding a new section to chapter 28A.300 RCW; creating a new section; and providing an expiration date."

and the same is herewith transmitted.

The Law of Real Estate Agency

This pamphlet describes your legal rights in dealing with a real estate broker or salesperson. Please read it carefully before signing any documents.

The following is only a brief summary of the attached law:

Sec. 1. Definitions. Defines the specific terms used in the law.

Sec. 2. Relationships between Licensees and the Public. States that a licensee who works with a buyer or tenant represents that buyer or tenant--unless the licensee is the listing agent, a seller's subagent, a dual agent, the seller personally or the parties agree otherwise. Also states that in a transaction involving two different licensees affiliated with the same broker, the broker is a dual agent and each licensee solely represents his or her client--unless the parties agree in writing that both licensees are dual agents.

Sec. 3. Duties of a Licensee Generally. Prescribes the duties that are owed by all licensees, regardless of who the licensee represents. Requires disclosure of the licensee's agency relationship in a specific transaction.

Sec. 4. Duties of a Seller's Agent. Prescribes the additional duties of a licensee representing the seller or landlord only.

Sec. 5. Duties of a Buyer's Agent. Prescribes the additional duties of a licensee representing the buyer or tenant only.

Sec. 6. Duties of a Dual Agent. Prescribes the additional duties of a licensee representing both parties in the same transaction, and requires the written consent of both parties to the licensee acting as a dual agent.

Sec. 7. Duration of Agency Relationship. Describes when an agency relationship begins and ends. Provides that the duties of accounting and confidentiality continue after the termination of an agency relationship.

Sec. 8. Compensation. Allows brokers to share compensation with cooperating brokers. States that payment of compensation does not necessarily establish an agency relationship. Allows brokers to receive compensation from more than one party in a transaction with the parties' consent.

Sec. 9. Vicarious Liability. Eliminates the common law liability of a party for the conduct of the party's agent or subagent, unless the agent or subagent is insolvent. Also limits the liability of a broker for the conduct of a subagent associated with a different broker.

The above-named plaintiff has applied for a writ of garnishment against you, claiming that the above-named defendant is indebted to plaintiff and that the amount to be held to satisfy that indebtedness is $ . . . . . . , consisting of:

Balance on Judgment or Amount of Claim $ . . . .

Interest under Judgment from . . . to . . . $ . . . .

Per Day Rate of Estimated Interest $ . . . . per day

Taxable Costs and Attorneys’ Fees $ . . . .

Estimated Garnishment Costs:

Filing and Ex Parte Fees $ . . . .

Service and Affidavit Fees $ . . . .

Postage and Costs of Certified Mail $ . . . .

Answer Fee or Fees ((if applicable)) $ . . . .

Garnishment Attorney Fee $ . . . .

Other $ . . . .

(If, at the time this writ was served, you owed the defendant any earnings (that is, wages, salary, commission, bonus, or other compensation for personal services or any periodic payments pursuant to a nongovernmental pension or retirement program), the defendant is entitled to receive amounts that are exempt from garnishment under federal and state law. You must pay the exempt amounts to the defendant on the day you would customarily pay the compensation or other periodic payment. As more fully explained in the answer, the basic exempt amount is the greater of seventy-five percent of disposable earnings or a minimum amount determined by reference to the employee’s pay period, to be calculated as provided in the answer. However, if this writ carries a statement in the heading that “This garnishment is based on a judgment or court order for child support,” the basic exempt amount is forty percent of disposable earnings.

If this is a writ for a continuing lien on earnings, you may deduct a processing fee from the remainder of the employee’s earnings after withholding under this writ. The processing fee may not exceed twenty dollars for the first answer and ten dollars at the time you submit the second answer.)

If you owe the defendant a debt payable in money in excess of the amount set forth in the first paragraph of this writ, hold only the amount set forth in the first paragraph and any processing fee if one is charged and release all additional funds or property to defendant.

If you fail to answer this writ as commanded, a judgment may be entered against you for the full amount of the plaintiff’s claim against the defendant with accruing interest, attorney fees, and costs whether or not you owe anything to the defendant. If you properly answer this writ, any judgment against you will not exceed the amount of any nonexempt debt or the value of any nonexempt property or effects in your possession or control.

Judgment may also be entered against the defendant for costs and fees incurred by the plaintiff.

Sec. 5. RCW 6.27.340 and 2003 c 222 s 13 are each amended to read as follows:

(1) Service of a writ for a continuing lien shall comply fully with RCW 6.27.110.

(2) The caption of the writ shall be marked "CONTINUING LIEN ON EARNINGS" and the following additional paragraph shall be included in the writ form prescribed in RCW 6.27.100:

"THIS IS A WRIT FOR A CONTINUING LIEN. THE GARNISHEE SHALL HOLD the nonexempt portion of the defendant's earnings due at the time of service of this writ and shall also hold the defendant's nonexempt earnings that accrue through the last payroll period ending on or before SIXTY days after the date of service of this writ. HOWEVER, IF THE GARNISHEE IS PRESENTLY HOLDING THE NONEXEMPT PORTION OF THE DEFENDANT'S EARNINGS UNDER A PREVIOUSLY SERVED WRIT FOR A CONTINUING LIEN, THE GARNISHEE SHALL HOLD UNDER THIS WRIT only the defendant's nonexempt earnings that accrue from the date the previously served writ or writs terminate and through the last payroll period ending on or before sixty days after the date of termination of the previous writ or writs. IN EITHER CASE, THE GARNISHEE SHALL STOP WITHHOLDING WHEN THE SUM WITHELD EQUALS THE AMOUNT STATED IN THIS WRIT OF GARNISHMENT."

(3) The answer forms served on an employer with the writ shall include in the caption, "ANSWER TO WRIT OF GARNISHMENT FOR CONTINUING LIEN ON EARNINGS," and the following paragraph shall be added to section I of the answer form prescribed in RCW 6.27.190:

"If you are withholding the defendant's nonexempt earnings under a previously served writ for a continuing lien, answer only sections I and II of this form and mail or deliver the forms as directed in the writ. Withhold from the defendant's future nonexempt earnings as directed in the writ, and a second set of answer forms will be forwarded to you later.

ANSWER: I am presently holding the defendant's nonexempt earnings under a previous writ served on . . . . that will terminate not later than . . . ., 20 . . ."
If you are NOT withholding the defendant's earnings under a previously served writ for a continuing lien, answer this entire form and mail or deliver the forms as directed in the writ. A second set of answer forms will be forwarded to you later for subsequently withheld earnings.

If the writ is directed to an employer for the purpose of garnishing the defendant's wages, the first answer shall accurately state, as of the date the writ of garnishment was issued as indicated by the date appearing on the last page of the writ, whether the defendant was employed by the garnishee defendant (and if not the date employment terminated), whether the defendant's earnings were subject to a preexisting writ of garnishment for continuing liens on earnings (and if so the date such writ will terminate and the current writ will be enforced), whether the defendant maintained a financial account with garnishee, and whether the garnishee defendant had possession of or control over any funds, personal property, or effects of the defendant (and if so the garnishee defendant shall list all of defendant's personal property or effects in its possession or control). The first answer shall further accurately state, as of the time of service of the writ of garnishment on the garnishee defendant, the amount due and owing from the garnishee defendant to the defendant, and the defendant's total earnings, allowable deductions, disposable earnings, exempt earnings, deductions for superior liens such as child support, and net earnings withheld under the writ. The first answer may be substantially in the following form:

SECTION I. If you are withholding the defendant's nonexempt earnings under a previously served writ for a continuing lien, answer only sections I and III of this form and mail or deliver the forms as directed in the writ. Withhold from the defendant's future nonexempt earnings as directed in the writ, and a second set of answer forms will be forwarded to you later.

If you are NOT withholding the defendant's earnings under a previously served writ for a continuing lien, answer this ENTIRE form and mail or deliver the forms as directed in the writ. A second set of answer forms will be forwarded to you later for subsequently withheld earnings.

ANSWER: I am presently holding the defendant's nonexempt earnings under a previous writ served on . . . . . . . that will terminate not later than . . . . . . , 20 . . .

On the date the writ of garnishment was issued as indicated by the date appearing on the last page of the writ:

(A) The defendant: (check one) [ ] was, [ ] was not employed by garnishee. If not employed and you have no possession or control of any funds of defendant, indicate the last day of employment: . . . . . .
and complete section III of this answer and mail or deliver the forms as directed in the writ;

(B) The defendant: (check one) [ ] did, [ ] did not maintain a financial account with garnishee; and

(C) The garnishee: (check one) [ ] did, [ ] did not have possession of or control over any funds, personal property, or effects of the defendant. (List all of defendant's personal property or effects in your possession or control on the last page of this answer form or attach a schedule if necessary.)

SECTION II. At the time of service of the writ of garnishment on the garnishee there was due and owing from the garnishee to the above-named defendant $ . . . .

This writ attaches a maximum of . . . percent of the defendant's disposable earnings (that is, compensation payable for personal services, whether called wages, salary, commission, bonus, or otherwise, and including periodic payments pursuant to a nongovernmental pension or retirement program).

Calculate the attachable amount as follows:

Gross Earnings $ . . . . . . . . . . (1)

Less deductions required by law (social security, federal withholding tax, etc. Do not include deductions for child support orders or government liens here. Deduct child support orders and liens on line 7): $ . . . . . . . . (2)

Disposable Earnings (subtract line 2 from line 1): $ . . . . . . . (3)

Enter . . . percent of line 3: $ . . . . . . . . (4)

Enter one of the following exempt amounts*: $ . . . . . . . . (5)

|---------|--------|-----------|--------------|-----------|-----------|-----------|---------|---------|

*These are minimum exempt amounts that the defendant must be paid. If your answer covers more than one pay period, multiply the preceding amount by the number of pay periods and/or fraction thereof your answer covers. If you use a pay period not shown, prorate the monthly exempt amount.

Subtract the larger of lines 4 and 5 from line 3: $ . . . . . . . . (6)

Enter amount (if any) withheld for ongoing government liens such as child support: $ . . . . . . . . (7)

Subtract line 7 from line 6. This amount must be held out for the plaintiff: $ . . . . . . . . (8)
FIFTY SEVENTH DAY, MARCH 5, 2012  

This is the formula that you will use for withholding each pay period over the required sixty day garnishment period. Deduct any allowable processing fee you may charge from the amount that is to be paid to the defendant.

If there is any uncertainty about your answer, give an explanation on the last page or on an attached page.

SECTION III. An attorney may answer for the garnishee.

Under penalty of perjury, I affirm that I have examined this answer, including accompanying schedules, and to the best of my knowledge and belief it is true, correct, and complete.

(3) Prior to serving the answer forms for a writ for continuing lien on earnings, the plaintiff shall fill in the minimum exemption amounts for the different pay periods, and the maximum percentages of disposable earnings subject to lien and exempt from lien.

(4) In the event plaintiff fails to comply with this section, employer may elect to treat the garnishment as one not creating a continuing lien.

Sec. 6. RCW 6.27.110 and 1998 c 227 s 4 are each amended to read as follows:

(1) Service of the writ of garnishment, including a writ for continuing lien on earnings, on the garnishee is invalid unless the writ is served together with: (a) An answer form(s) as prescribed in RCW 6.27.190; and (b) (three stamped envelopes addressed respectively to the clerk of the court issuing the writ, the attorney for the plaintiff (or to the plaintiff if the plaintiff has no attorney), and the defendant; and (c)) a check or money order made payable to the garnishee in the amount of twenty dollars for the answer fee if the writ of garnishment is not a writ for a continuing lien on earnings.

(2) Except as provided in RCW 6.27.080 for service on a bank, savings and loan association, or credit union, the writ of garnishment shall be mailed to the garnishee by certified mail, return receipt requested, addressed in the same manner as a summons in a civil action, and will be binding upon the garnishee on the day set forth on the return receipt. In the alternative, the writ shall be served by the sheriff of the county in which the garnishee lives or has its place of business or by any person qualified to serve process in the same manner as a summons in a civil action is served.

(3) If a writ of garnishment is served by a sheriff, the sheriff shall file with the clerk of the court that issued the writ a signed return showing the time, place, and manner of service and that the writ was accompanied by an answer form(s, addressed envelopes), and check or money order if required by this section, and noting thereon fees for making the service. If service is made by any person other than a sheriff, such person shall file an affidavit including the same information and showing qualifications to make such service. If a writ of garnishment is served by mail, the person making the mailing shall file an affidavit showing the time, place, and manner of mailing and that the writ was accompanied by an answer form(s and addressed envelopes), and check or money order if required by this section, and shall attach the return receipt or electronic return receipt delivery confirmation to the affidavit.

Sec. 7. RCW 6.27.140 and 2011 c 162 s 5 are each amended to read as follows:

(1) The notice required by RCW 6.27.130(1) to be mailed to or served on an individual judgment debtor shall be in the following form, printed or typed in no smaller than size twelve point font type:

NOTICE OF GARNISHMENT
AND OF YOUR RIGHTS

A Writ of Garnishment issued in a Washington court has been or will be served on the garnishee named in the attached copy of the writ. After receipt of the writ, the garnishee is required to withhold payment of any money that was due to you and to withhold any other property of yours that the garnishee held or controlled. This notice of your rights is required by law.

YOU HAVE THE FOLLOWING EXEMPTION RIGHTS:
WAGES. If the garnishee is your employer who owes wages or other personal earnings to you, your employer is required to pay amounts to you that are exempt under state and federal laws, as explained in the writ of garnishment. You should receive a copy of your employer's answer, which will show how the exempt amount was calculated. If the garnishment is for child support, the exempt amount paid to you will be (forty) a percent of (wages due you, but if you are supporting a spouse, state registered domestic partner, or dependent child, you are entitled to claim an additional ten percent as exempt) your disposable earnings, which is fifty percent of that part of your earnings remaining after your employer deducts those amounts which are required by law to be withheld.

BANK ACCOUNTS. If the garnishee is a bank or other institution with which you have an account in which you have deposited benefits such as Temporary Assistance for Needy Families, Supplemental Security Income (SSI), Social Security, veterans' benefits, unemployment compensation, or (a United States pension) any federally qualified pension, such as a state or federal pension, individual retirement account (IRA), or 401K plan, you may claim the account as fully exempt if you have deposited only such benefit funds in the account. It may be partially exempt even though you have deposited money from other sources in the same account. An exemption is also available under RCW 26.16.200, providing that funds in a community bank account that can be identified as the earnings of a stepparent are exempt from a garnishment on the child support obligation of the parent.

OTHER EXEMPTIONS. If the garnishee holds other property of yours, some or all of it may be exempt under RCW 6.15.010, a Washington statute that exempts certain property of your choice (including money in a bank account up to $200.00 for debts owed to state agencies, or up to $500.00 for all other debts) and certain other property such as household furnishings, tools of trade, and a motor vehicle (all limited by differing dollar values).

HOW TO CLAIM EXEMPTIONS. Fill out the enclosed claim form and mail or deliver it as described in instructions on the claim form. If the plaintiff does not object to your claim, the funds or other property that you have claimed as exempt must be released not later than 10 days after the plaintiff receives your claim form. If the plaintiff objects, the law requires a hearing not later than 14 days after the plaintiff receives your claim form, and notice of the objection and hearing date will be mailed to you at the address that you put on the claim form.

THE LAW ALSO PROVIDES OTHER EXEMPTION RIGHTS. IF NECESSARY, AN ATTORNEY CAN ASSIST YOU TO ASSERT THESE AND OTHER RIGHTS, BUT YOU MUST ACT IMMEDIATELY TO AVOID LOSS OF RIGHTS BY DELAY.
(2)(a) If the writ is to garnish funds or property held by a financial institution, the claim form required by RCW 6.27.130(1) to be mailed to or served on an individual judgment debtor shall be in the following form, printed or typed in ((type)) no smaller than ((elite type)) size twelve point font type:

Your claim may be granted more quickly if you attach copies of such proof to your claim.

IF THE JUDGE DENIES YOUR EXEMPTION CLAIM, YOU WILL HAVE TO PAY THE PLAINTIFF’S COSTS. IF THE JUDGE DECIDES THAT YOU DID NOT MAKE THE CLAIM IN GOOD FAITH, HE OR SHE MAY DECIDE THAT YOU MUST PAY THE PLAINTIFF’S ATTORNEY FEES.

(b) If the writ is directed to an employer to garnish earnings, the claim form required by RCW 6.27.130(1) to be mailed to or served on an individual judgment debtor shall be in the following form, subject to (c) of this subsection, printed or typed in no smaller than size twelve point font type:

Sec. 9. RCW 6.27.150 and 1991 c 365 s 26 are each amended to
read as follows:

(1) Except as provided in subsection (2) of this section, if the
garnishee is an employer owing the defendant earnings, then for each
week of such earnings, an amount shall be exempt from garnishment
which is the greatest of the following:

(prescribed by section 206(a)(1) of Title 29 of the United States

to chapter 26.18 RCW, or a mandatory assignment of retirement
benefits pursuant to chapter 41.50 RCW, the exemption shall be fifty
percent of the disposable earnings of the defendant (if the individual
is supporting a spouse or dependent child (other than a spouse or child
on whose behalf the garnishment is brought), or forty percent of the
disposable earnings of the defendant if the individual is not
supporting such a spouse or dependent child).

(3) The exemptions stated in this section shall apply whether such
earnings are paid, or are to be paid, weekly, monthly, or at other
intervals, and whether earnings are due the defendant for one week, a
portion thereof, or for a longer period.

(4) Unless directed otherwise by the court, the garnishee shall
determine and deduct exempt amounts under this section as directed
in the writ of garnishment and answer, and shall pay these amounts to
the defendant.

(5) No money due or earned as earnings as defined in RCW
6.27.010 shall be exempt from garnishment under the provisions of
RCW 6.15.010, as now or hereafter amended.

Sec. 10. RCW 6.27.190 and 2003 c 222 s 8 are each amended to
read as follows:

(1) The answer of the garnishee shall be signed by the garnishee or
attorney or if the garnishee is a corporation, by an officer, attorney
or duly authorized agent of the garnishee, under penalty of perjury, and
the original and copies delivered, either personally or by mail, (to the
clerk of the court, one copy to the plaintiff or the plaintiff's attorney,
and one copy to the defendant. The answer shall be made on a form
substantially as appears in this section, served on the garnishee with
the writ. Prior to serving the answer forms for a writ for continuing
lien on earnings, the plaintiff shall fill in the minimum exemption
amounts for the different pay periods, and the maximum percentages
of disposable earnings subject to lien and exempt from lien)) as
instructed in the writ.

(2) If the writ of garnishment is for a continuing lien, the answer
forms shall be as prescribed in RCW 6.27.340 and 6.27.350.
(3) If the writ is not directed to an employer for the purpose of
garnishing the defendant's wages, the (paragrap
hs in section II of the
answer relating to earnings and calculations of withheld amounts may
be omitted) answer shall be substantially in the following form:

Garnishee Defendant

SECTION I. On the date the writ of garnishment was issued as
indicated by the date appearing on the last page of the writ:
(A) The defendant: (check one) . . . . was, . . . . was not employed by
garnishee. If not employed and you have no possession or control of
any funds of defendant, indicate the last day of employment: . . . . ;
and complete section III of this answer and mail or deliver the forms
as directed in the writ;
(B) The defendant: (check one) . . . . did, . . . . did not maintain a
financial account with garnishee; and
(C) The garnishee: (check one) . . . . did, . . . . did not have possession
of or control over any funds, personal property, or effects of the
defendant. (List all of defendant's personal property or effects in your
possession or control on the last page of this answer form or attach a
schedule if necessary.)

SECTION II. At the time of service of the writ of garnishment on the
garnishee there was due and owing from the garnishee to the
above-named defendant $ . . . .

(This writ attaches a maximum of . . . . percent of the defendant's
disposable earnings (that is, compensation payable for personal
services, whether called wages, salary, commission, bonus, or
otherwise, and includ ing periodic payments pursuant to a
nongovernmental pension or retirement program). Calculate the
attachable amount as follows:

Gross Earnings $ . . . . . . . . . . (1)

Less deductions required by law (social security,
federal withholding tax, etc. Do not include
deductions for child support orders or government
liens here. Deduct child support orders and liens
on line 7): $ . . . . . . . . . . . . (2)

Disposable Earnings (subtract line 2 from

Enter one of the following exempt amounts*: $ . . . . . . . . (5)

If paid:
Weekly $ . . . .
Semi-monthly $ . . . .
Bi-weekly $ . . . .
Monthly $ . . . .

*These are minimum exempt amounts that the
defendant must be paid. If your answer
covers more than one pay period, multiply the preceding amount by the number of pay periods and/or fraction thereof your answer covers. If you use a pay period not shown, prorate the monthly exempt amount.

Subtract the larger of lines 4 and 5 from line 3: $. . . . . . . .(6)

Enter amount (if any) withheld for ongoing government liens such as child support: $. . . . . . . .(7)

Subtract line 7 from line 6. This amount must be held out for the plaintiff: $. . . . . . . .(8)

This is the formula that you will use for withholding each pay period over the required sixty-day garnishment period. Deduct any allowable processing fee you may charge from the amount that is to be paid to the defendant.)

If there is any uncertainty about your answer, give an explanation on the last page or on an attached page.

SECTION III. An attorney may answer for the garnishee.

Sec. 11. RCW 6.27.200 and 2003 c 222 s 9 are each amended to read as follows:

If the garnishee fails to answer the writ within the time prescribed in the writ, after the time to answer the writ has expired and after required returns or affidavits have been filed, showing service on the garnishee and service on or mailing to the defendant, it shall be lawful for the court to render judgment by default against such garnishee, after providing a notice to the garnishee by personal service or first-class mail deposited in the mail at least ten calendar days prior to entry of the judgment, for the full amount claimed by the plaintiff against the defendant, or in case the plaintiff has a judgment against the defendant, for the full amount of the plaintiff’s unpaid judgment against the defendant with all accruing interest and costs as prescribed in RCW 6.27.090: PROVIDED, That upon motion by the garnishee at any time within seven days following service on, or mailing to, the garnishee of a copy of the first writ of execution or writ of garnishment under such judgment, the judgment against the garnishee shall be reduced to the amount of any nonexempt funds or property which was actually in the possession of the garnishee at the time the writ was served, plus the cumulative amount of the nonexempt earnings subject to the lien provided for in RCW 6.27.350, or the sum of one hundred dollars, whichever is more, but in no event to exceed the full amount claimed by the plaintiff or the amount of the unpaid judgment against the principal defendant (plus) with all accruing interest and costs and attorney's fees as prescribed in RCW 6.27.090, plus the accruing interest and costs and attorneys' fees as prescribed in RCW 6.27.090 for any garnishment on the judgment against the garnishee, and in addition the plaintiff shall be entitled to a reasonable attorney's fee for the plaintiff's response to the garnishee's motion to reduce said judgment against the garnishee under this proviso and the court may allow additional attorney's fees for other actions taken because of the garnishee’s failure to answer.

Sec. 12. RCW 6.27.250 and 2003 c 222 s 10 are each amended to read as follows:

(1)(a) If it appears from the answer of the garnishee or if it is otherwise made to appear that the garnishee was indebted to the defendant in any amount, not exempt, when the writ of garnishment was served, and if the required return or affidavit showing service on or mailing to the defendant is on file, the court shall render judgment for the plaintiff against such garnishee for the amount so admitted or found to be due to the defendant from the garnishee, unless such amount exceeds the amount of the plaintiff’s claim or judgment against the defendant with accruing interest and costs and attorney's fees as prescribed in RCW 6.27.090, in which case it shall be for the amount of such claim or judgment, with said interest, costs, and fees. If there is no unresolved exemption claim and no controversy, the plaintiff may apply for the judgment and order to pay ex parte. In the case of a superior court garnishment, the court shall order the garnishee to pay to the plaintiff or to the plaintiff's attorney through the registry of the court the amount of the judgment against the garnishee, the clerk of the court shall note receipt of any such payment, and the clerk of the court shall disburse the payment to the plaintiff. In the case of a district court garnishment, the court shall order the garnishee to pay the judgment amount directly to the plaintiff or to the plaintiff's attorney. In either case, the court shall inform the garnishee that failure to pay the amount may result in execution of the judgment, including garnishment.

(b) If, prior to judgment, the garnishee tenders to the plaintiff or to the plaintiff's attorney or to the court any amounts due, such tender will support judgment against the garnishee in the amount so tendered, subject to any exemption claimed within the time required in RCW 6.27.160 after the amounts are tendered, and subject to any controversy filed within the time required in RCW 6.27.210 after the amounts are tendered. Any amounts tendered to the court by or on behalf of the garnishee or the defendant prior to judgment shall be disbursed to the party entitled to same upon entry of judgment or order, and any amounts so tendered after entry of judgment or order shall be disbursed upon receipt to the party entitled to same.

(2) If it shall appear from the answer of the garnishee and the same is not controverted, or if it shall appear from the hearing or trial on controversy or by stipulation of the parties that the garnishee is indebted to the principal defendant in any sum, but that such indebtedness is not matured and is not due and payable, and if the required return or affidavit showing service on or mailing to the defendant is on file, the court shall make an order requiring the garnishee to pay such sum into court when the same becomes due, the date when such payment is to be made to be specified in the order, and in default thereof that judgment shall be entered against the garnishee for the amount of such indebtedness so admitted or found due. In case the garnishee pays the sum at the time specified in the order, the payment shall operate as a discharge, otherwise judgment shall be entered against the garnishee for the amount of such indebtedness, which judgment shall have the same force and effect, and be enforced in the same manner as other judgments entered against garnishees as provided in this chapter: PROVIDED, That if judgment is rendered in favor of the principal defendant, or if any judgment rendered against the principal defendant is satisfied prior to the date of payment specified in an order of payment entered under this subsection, the garnishee shall not be required to make the
payment, nor shall any judgment in such case be entered against the garnishee.

(3) The court shall, upon request of the plaintiff at the time judgment is rendered against the garnishee or within one year thereafter, or within one year after service of the writ on the garnishee if no judgment is taken against the garnishee, render judgment against the defendant for recoverable garnishment costs and attorney fees. However, if it appears from the answer of garnishee or otherwise that, at the time the writ was issued, the garnishee held no funds, personal property, or effects of the defendant and, in the case of a garnishment on earnings, the defendant was not employed by the garnishee, or, in the case of a writ directed to a financial institution, the defendant maintained no account therein, then the plaintiff may not be awarded judgment against the defendant for such costs or attorney fees.

Sec. 13. RCW 6.27.330 and 1987 c 442 s 1032 are each amended to read as follows:

A judgment creditor may obtain a continuing lien on earnings by a garnishment pursuant to ((RCW 6.27.340, 6.27.350, 6.27.360, and 7.33.330)) this chapter.

Sec. 14. RCW 6.27.350 and 2003 c 222 s 14 are each amended to read as follows:

(1) Where the garnishee's answer to a garnishment for a continuing lien reflects that the defendant is employed by the garnishee, the judgment or balance due thereon as reflected on the writ of garnishment shall become a lien on earnings due at the time of the effective date of the writ, as defined in this subsection, to the extent that they are not exempt from garnishment, and such lien shall continue as to subsequent nonexempt earnings until the total subject to the lien equals the amount stated on the writ of garnishment or until the expiration of the employer's payroll period ending on or before sixty days after the effective date of the writ, whichever occurs first, except that such lien on subsequent earnings shall terminate sooner if the employment relationship is terminated or if the underlying judgment is vacated, modified, or satisfied in full or if the writ is dismissed. The "effective date" of a writ is the date of service of the writ if there is no previously served writ; otherwise, it is the date of termination of a previously served writ or writs.

(2) At the time of the expected termination of the lien, the plaintiff shall mail to the garnishee ((three additional stamped envelopes addressed as provided in RCW 6.27.110, and four additional copies)) one copy of the answer form prescribed in RCW 6.27.340. The plaintiff shall replace the text of section I of the answer form with a statement in substantially the following form: "ANSWER SECTION II OF THIS FORM WITH RESPECT TO THE TOTAL AMOUNT OF EARNINGS WITHHELD UNDER THIS GARNISHMENT, INCLUDING THE AMOUNT, IF ANY, STATED IN YOUR FIRST ANSWER, AND WITHIN TWENTY DAYS AFTER YOU RECEIVE THESE FORMS, MAIL OR DELIVER THEM AS DIRECTED IN THE WRIT."

Nonexempt amount due and owing stated in first answer $ . . .
Nonexempt amount accrued since first answer $ . . .
TOTAL AMOUNT WITHHELD $ .

(3) Within twenty days of receipt of the second answer form the garnishee shall file a second answer, either in the form as provided in subsection (2) of this section, stating the total amount held subject to the garnishment, or otherwise containing the information required in subsection (2) of this section and a calculation indicating the total amount due and owing from the garnishee defendant to the defendant, the defendant's total earnings, allowable deductions, disposable
earnings, exempt earnings, deductions for superior liens such as child support, and net earnings withheld under the writ.

Sec. 15. RCW 6.27.360 and 1997 c 296 s 8 are each amended to read as follows:

(1) Except as provided in subsection ((2)(a)) (3) of this section, a lien obtained under RCW 6.27.350 shall have priority over any subsequent garnishment lien or wage assignment except that service of a writ shall not be effective to create a continuing lien with such priority if a writ in the same case is pending at the time of the service of the new writ.

(2) A lien obtained under RCW 6.27.350 shall have priority over any prior wage assignment, except an assignment for child support as provided in subsection (3) of this section and an assignment for legal financial obligations as provided under RCW 9.94A.760, 9.94A.7702, and 72.09.111.

(3) A lien obtained under RCW 6.27.350 shall not have priority over a notice of payroll deduction issued under RCW 26.23.060 or a wage assignment or other garnishment for child support issued under chapters 26.18 and 74.20A RCW. Should nonexempt wages remain after deduction of all amounts owing under a notice of payroll deduction, wage assignment, or garnishment for child support, the garnishee shall withhold the remaining nonexempt wages under the lien obtained under RCW 6.27.350.

Sec. 16. RCW 6.27.370 and 1997 c 296 s 9 are each amended to read as follows:

(1) Whenever the federal government is named as a garnishee defendant, the attorney for the plaintiff, or the clerk of the court shall, upon submitting a notice in the appropriate form by the plaintiff, issue a notice which directs the garnishee defendant to disburse any nonexempt earnings to the court in accordance with the garnishee defendant's normal pay and disbursement cycle.

(2) Funds received by the clerk from a garnishee defendant may be deposited into the registry of the court or, in the case of negotiable instruments, may be retained in the court file. Upon presentation of an order directing the clerk to disburse the funds received, the clerk shall pay or endorse the funds over to the party entitled to receive the funds. Except for good cause shown, the funds shall not be paid or endorsed to the plaintiff prior to the expiration of any minimum statutory period allowed to the defendant for filing an exemption claim.

(3) The plaintiff shall, in the same manner permitted for service of the writ of garnishment, provide to the garnishee defendant a copy of the notice issued ((by the clerk and an envelope addressed to the court)) under subsection (1) of this section, and shall supply to the garnished party a copy of the notice.

(4) Any answer or processing fees charged by the garnishee defendant to the plaintiff under federal law shall be a recoverable cost under RCW 6.27.090.

(5) The notice to the federal government garnishee shall be in substantially the following form:

IN THE . . . . COURT OF THE STATE OF WASHINGTON
IN AND FOR . . . . COUNTY

Plaintiff, NOTICE TO FEDERAL
vs. GOVERNMENT GARNISHEE DEFENDANT

(6) If a writ is served on a federal government agency or instrumentality, the clerk may issue a notice which directs the garnishee defendant to disburse any nonexempt earnings to the court in accordance with the garnishee defendant's normal pay and disbursement cycle.

(7) The plaintiff shall, in the same manner permitted for service of the writ of garnishment, provide to the garnishee defendant a copy of the notice issued ((by the clerk and an envelope addressed to the court)) under subsection (1) of this section, and shall supply to the garnished party a copy of the notice.

(8) Any answer or processing fees charged by the garnishee defendant to the plaintiff under federal law shall be a recoverable cost under RCW 6.27.090.

(9) The notice to the federal government garnishee shall be in substantially the following form:

MESSAGE FROM THE SENATE

February 29, 2012

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 1627 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 36.93.150 and 1994 c 216 s 15 are each amended to read as follows:

The board, upon review of any proposed action, shall take such of the following actions as it deems necessary to best carry out the intent of this chapter:

(1) Approve the proposal as submitted.

(2) Subject to RCW 35.02.170, modify the proposal by adjusting boundaries to add or delete territory. (However, any proposal for annexation of territory to a town shall be subject to RCW 35.21.010 and the board shall not add additional territory, the amount of which is greater than that included in the original proposal.) Subject to the requirements of this chapter, a board may modify a proposal by adding territory that would increase the total area of the proposal before the board. A board, however, may not modify a proposal for annexation of territory to a city or town by adding an amount of territory that constitutes more than one hundred percent of the total area of the proposal before the board. Any modifications shall not interfere with the authority of a city, town, or special purpose district to require or not require preannexation agreements, covenants, or petitions. A board shall not modify the proposed incorporation of a city with an estimated population of seven thousand five hundred or more by removing territory from the proposal, or adding territory to the proposal, that constitutes ten percent or more of the total area included within the proposal before the board. However, a board shall remove territory in the proposed incorporation that is located outside of an urban growth area or is annexed by a city or town, and may remove territory in the proposed incorporation if a petition or resolution proposing the annexation is filed or adopted that has priority over the proposed incorporation, before the area is established that is subject to this ten percent restriction on removing or adding territory. A board shall not modify the proposed incorporation of a city with a population of seven thousand five hundred or more to reduce the territory in such a manner as to reduce the population below seven thousand five hundred.

(3) Determine a division of assets and liabilities between two or more governmental units where relevant.

(4) Determine whether, or the extent to which, functions of a special purpose district are to be assumed by an incorporated city or town, metropolitan municipal corporation, or another existing special purpose district.

(5) Disapprove the proposal except that the board shall not have jurisdiction: (a) To disapprove the dissolution or disincorporation of a special purpose district which is not providing services but shall have jurisdiction over the determination of a division of the assets and liabilities of a dissolved or disincorporated special purpose district; (b) over the division of assets and liabilities of a special purpose district that is dissolved or disincorporated pursuant to chapter 36.96 RCW; nor (c) to disapprove the incorporation of a city with an estimated population of seven thousand five hundred or more, but the board may recommend against the proposed incorporation of a city with such an estimated population.

Unless the board disapproves a proposal, it shall be presented under the appropriate statute for approval of a public body and, if required, a vote of the people. A proposal that has been modified shall be presented under the appropriate statute for approval of a public body and if required, a vote of the people. If a proposal, other than that for a city, town, or special purpose district annexation, after modification does not contain enough signatures of persons within the modified area, as are required by law, then the initiating party, parties or governmental unit has thirty days after the modification decision to secure enough signatures to satisfy the legal requirement. If the signatures cannot be secured then the proposal may be submitted to a vote of the people, as required by law.

The addition or deletion of property by the board shall not invalidate a petition which had previously satisfied the sufficiency of signature provisions of RCW 35.13.130 or 35A.14.120. When the board, after due proceedings held, disapproves a proposed action, such proposed action shall be unavailable, the proposing agency shall be without power to initiate the same or substantially the same as determined by the board, and any succeeding acts intended to or tending to effectuate that action shall be void, but such action may be
reinitiated after a period of twelve months from date of disapproval and shall again be subject to the same consideration.

The board shall not modify or deny a proposed action unless there is evidence on the record to support a conclusion that the action is inconsistent with one or more of the objectives under RCW 36.93.180. The board may not increase the area of a city or town annexation unless it holds a separate public hearing on the proposed increase and provides ten or more days' notice of the hearing to the registered voters and property owners residing within the area subject to the proposed increase. Every such determination to modify or deny a proposed action shall be made in writing pursuant to a motion, and shall be supported by appropriate written findings and conclusions, based on the record.

On page 1, line 2 of the title, after "annexation;" strike the remainder of the title and insert "and amending RCW 36.93.150."

and the same is herewith transmitted.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 1627, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

February 28, 2012

Mr. Speaker:

The Senate has passed ENGROSSED THIRD SUBSTITUTE HOUSE BILL NO. 1860 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The United States district court, western district of Washington, ruled that Washington's method of electing political party precinct committee officers is unconstitutional based on the associational rights of political parties. The court stated that Washington may decide to implement elections for precinct committee officer in a manner not yet conceived but ultimately satisfactory to the political parties. Washington may even implement these elections in a way that severely burdens the political parties' associational rights but does so in a manner narrowly tailored to serve a compelling governmental interest. The major political parties stated in court that they might be satisfied of party membership if a voter affirms affiliation with the particular party. Toward this end, the legislature has worked closely with the major political parties to develop a system of electing precinct committee officers that the parties support, that will protect the secrecy of the ballot, and will not increase burdens placed on local election officials. Therefore, it is the intent of the legislature to remedy the unconstitutional method of selecting precinct committee officers by implementing a provision requiring voters to affirm an affiliation with the appropriate party in order to vote in a race for precinct committee officer in that party. The legislature finds that the office of precinct committee officer itself is both a constitutionally recognized and authorized office with certain duties outlined in state law and the state Constitution.

Sec. 2. RCW 29A.24.311 and 2011 c 349 s 13 are each amended to read as follows:

(1) Any person who desires to be a write-in candidate and have such votes counted at a primary or election may file a declaration of candidacy with the officer designated in RCW 29A.24.070 not later than the day ballots must be mailed according to RCW 29A.40.070. Declarations of candidacy for write-in candidates must be accompanied by a filing fee in the same manner as required of other candidates filing for the office as provided in RCW 29A.24.091.

(2) Votes cast for write-in candidates who have filed such declarations of candidacy and write-in votes for persons appointed by major political parties pursuant to RCW 29A.28.021 need only specify the name of the candidate in the appropriate location on the ballot in order to be counted. Write-in votes cast for any other candidate, in order to be counted, must designate the office sought and position number or political party, if the manner in which the write-in is done does not make the office or position clear.

(3) No person may file as a write-in candidate where: 

((44)) (a) At a general election, the person attempting to file either filed as a write-in candidate for the same office at the preceding primary or the person's name appeared on the ballot for the same office at the preceding primary;

((42))) (b) The person attempting to file as a write-in candidate has already filed a valid write-in declaration for that primary or election, unless one or the other of the two filings is for the office of precinct committeeperson;

((43)) (c) The name of the person attempting to file already appears on the ballot as a candidate for another office, unless one of the two offices for which he or she is a candidate is precinct committeeperson;

((44))) (d) The office filed for is committeeperson.

(4) The declaration of candidacy shall be similar to that required by RCW 29A.24.031. No write-in candidate filing under this section
may be included in any voter's pamphlet produced under chapter 29A.32 RCW unless that candidate qualifies to have his or her name printed on the general election ballot. The legislative authority of any jurisdiction producing a local voter's pamphlet under chapter 29A.32 RCW may provide, by ordinance, for the inclusion of write-in candidates in such pamphlets.

NEW SECTION. Sec. 3. A new section is added to chapter 29A.52 RCW to read as follows:

(1) The office of precinct committee officer must be voted upon at the primary election in each even-numbered year. If no one files for the office, the office shall be filled in accordance with RCW 29A.28.071. If, after the last day to withdraw, only one candidate has filed for the office in a precinct, that candidate is deemed elected and the auditor shall issue a certificate of election. Only contested races may appear on the ballot.

(2) The ballot format may be either a consolidated ballot or a physically separate ballot. If a consolidated ballot is used, the races for precinct committee officer must be clearly delineated from other races on the ballot. If a physically separate ballot is used, it must be distinguishable from the top two primary ballot. If the ballot is returned in the return envelope provided, but outside of the security envelope, it shall not be grounds to invalidate the ballot.

(3) The following instructions must appear on the ballot: "In order to vote for precinct committee officer, a partisan office, you must affirm that you are a Democrat or a Republican and you may vote only for one candidate from the party you select. Your vote for a candidate affirms your affiliation with that party as the candidate. This preference is private and will not be matched to your name or shared."

(4) Party affiliation is affirmed by including the following statement after the name of each candidate: "I affirm I am a Democrat." if the candidate is a Democrat, or "I affirm I am a Republican." if the candidate is a Republican.

(5) If a voter votes for candidates from both parties, the votes cast in the election for precinct committee officer on that ballot will not be tabulated and reported.

Sec. 4. RCW 29A.60.021 and 2005 c 243 s 12 are each amended to read as follows:

(1) For any office, except precinct committee officer, at any election or primary, any voter may write in on the ballot the name of any person for an office who has filed as a write-in candidate for the office in the manner provided by RCW 29A.24.311 and such vote shall be counted the same as if the name had been printed on the ballot and marked by the voter. No write-in vote made for any person who has not filed a declaration of candidacy pursuant to RCW 29A.24.311 is valid if that person filed for the same office, either as a regular candidate or as a write-in candidate, at the preceding primary. Any abbreviation used to designate office or position will be accepted if the canvassing board can determine, to its satisfaction, the voter's intent.

(2) The number of write-in votes cast for each office must be recorded and reported with the canvass for the election.

(3) A write-in vote for an individual candidate for an office whose name appears on the ballot for that same office is a valid vote for that candidate as long as the candidate's name is clearly discernible, even if other requirements of RCW 29A.24.311 are not satisfied and even if the voter also marked a vote for that candidate such as to register an overvote. These votes need not be tabulated unless: (a) The difference between the number of votes cast for the candidate apparently qualified to appear on the general election ballot or elected and the candidate receiving the next highest number of votes is less than the sum of the total number of write-in votes cast for the office plus the overvotes and undervotes recorded by the vote tabulating system; or (b) a manual recount is conducted for that office.

(4) Write-in votes cast for an individual candidate for an office whose name does not appear on the ballot need not be tallied unless the total number of write-in votes and undervotes recorded by the vote tabulation system for the office is greater than the number of votes cast for the candidate apparently qualified to appear on the general election ballot or elected.

(5) In the case of write-in votes for a statewide office or any office whose jurisdiction encompasses more than one county, write-in votes for an individual candidate must be tallied when the county auditor is notified by either the secretary of state or another county auditor in the multicounty jurisdiction that it appears that the write-in votes must be tabulated under the terms of this section. In all other cases, the county auditor determines when write-in votes must be tabulated. Any abstract of votes must be modified to reflect the tabulation and certified by the canvassing board. Tabulation of write-in votes may be performed simultaneously or at a recount.

Sec. 5. RCW 29A.80.051 and 2004 c 271 s 149 are each amended to read as follows:

The statutory requirements for filing as a candidate at the primaries apply to candidates for precinct committee officer. The office must be voted upon at the primaries, and the names of all candidates in contested races must appear under the proper party and office designations on the ballot for the primary for each even-numbered year((. and the one)). The candidate receiving the highest number of votes will be declared elected. (However, to be declared elected, a candidate must receive at least ten percent of the number of votes cast for the candidate's party receiving the greatest number of votes in the precinct.) The term of office of precinct committee officer is two years, commencing the first day of December following the primary.

NEW SECTION. Sec. 6. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 7. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

On page 1, line 1 of the title, after "elections;" strike the remainder of the title and insert "amending RCW 29A.24.311, 29A.60.021, and 29A.80.051; adding a new section to chapter 29A.52 RCW; creating a new section; and declaring an emergency."

and the same is herewith transmitted.

February 28, 2012

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2254 with the following amendment:

NEW SECTION.  Sec. 1. In 2007, with the passport to college promise program, this state took a significant step toward providing higher education opportunities to youth in and alumni of foster care. The passport to college promise program not only provides financial aid to former foster youth but, just as important, it also recognizes the critical role of wraparound services and provides early outreach to foster care youth regarding postsecondary educational opportunities. The December 2011 report by the higher education coordinating board on the first three years of the six-year program indicates that the passport to college promise program has increased the number of former foster youth enrolling in higher education and working toward college degrees and certificates.

This state recognizes that educational success in the early grades is key to increasing postsecondary opportunities for youth in and alumni of foster care. Recent efforts in this state to pave the way for educational success have included legislation: Providing for wraparound educational advocacy services; mandating the timely transmission of educational records; and recognizing the importance of maintaining a foster child in the school program he or she was in before entering the foster care system and minimizing the number of times a child has to change schools.

The federal fostering connections to success and increasing adoptions act of 2008, P.L. 110-351, similarly recognizes that schools are often the most important source of focus and stability for children in foster care and made several changes to improve educational outcomes for these children. As part of this nationwide effort, the United States departments of education and health and human services are encouraging state and local education agencies and child welfare agencies to collaborate on policies and procedures to provide educational stability and improve outcomes for foster children.

The legislature reiterates its earlier recognition of the critical role education plays in improving outcomes for youth in and alumni of foster care, as well as the key role played by wraparound services in providing continuity, seamless educational transitions, and higher levels of educational attainment. With these changes to the passport to college promise program, the college bound scholarship program, the provision of more seamless wraparound services, and revisions to various reporting requirements, the legislature strives to make Washington the leader in the nation with respect to foster youth and alumni graduating from high school, enrolling in postsecondary education, and completing postsecondary education.

Sec. 2. RCW 28B.117.010 and 2007 c 314 s 3 are each amended to read as follows:

The passport to college promise ((pilot)) program is created. The purpose of the program is:

(1) To encourage current and former foster care youth to prepare for, attend, and successfully complete higher education; ((and))

(2) To improve the high school graduation outcomes of foster youth through coordinated P-20 and child welfare outreach, intervention, and planning; and

(3) To ((provide)) improve postsecondary outcomes by providing current and former foster care youth with the educational planning, information, institutional support, and direct financial resources necessary for them to succeed in higher education.

Sec. 3. RCW 28B.117.020 and 2011 1st sp.s. c 11 s 220 are each amended to read as follows:

Sec. 4. RCW 28B.117.040 and 2011 1st sp.s. c 11 s 222 are each amended to read as follows:

Effective operation of the passport to college promise ("passport") program requires early and accurate identification of former foster care youth and assistance that will help them succeed in college. To that end:

(1) All institutions of higher education that receive funding for student support services under RCW 28B.117.030 shall include on their applications for admission or on their registration materials a question asking whether the applicant has been in foster care in Washington state for at least one year since his or her sixteenth birthday together with an explanation that financial and support services may be available. All other institutions of higher education are strongly encouraged to include such a question and explanation. No institution may consider whether an applicant may be eligible for a scholarship or student support services under this chapter when deciding whether the applicant will be granted admission.

(2) The department of social and health services shall devise and implement procedures for efficiently, promptly, and accurately identifying students and applicants who are eligible for services under

RCW 28B.117.030, and for sharing that information with the office and with institutions of higher education. The procedures shall include appropriate safeguards for consent by the applicant or student before disclosure.

Sec. 5. RCW 28B.117.070 and 2011 1st sp.s. c 11 s 225 are each amended to read as follows:

(((1)) The office of student financial assistance shall report to appropriate committees of the legislature by January 15, 2008, on the status of program design and implementation. The report shall include a discussion of proposed scholarship and student support service approaches; an estimate of the number of students who will receive such services; baseline information on the extent to which former foster care youth who meet the eligibility criteria in RCW 28B.117.030 have enrolled and persisted in postsecondary education; and recommendations for any statutory changes needed to promote achievement of program objectives.

(2) The state board for community and technical colleges and the office of student financial assistance shall monitor and analyze the extent to which eligible young people are increasing their participation, persistence, and progress in postsecondary education, and shall jointly submit a report on their findings to appropriate committees of the legislature by December 1, 2009, and by December 1, 2011.

(3)) The Washington state institute for public policy shall complete an evaluation of the passport to college promise ("passport") program and shall submit a report to appropriate committees of the legislature by December 1, 2012. The report shall estimate the impact of the program on eligible students’ participation and success in postsecondary education, and shall include recommendations for program revision and improvement.

NEW SECTION. Sec. 6. A new section is added to chapter 74.13 RCW to read as follows:

(1) To the extent funds are appropriated for this purpose, the department must contract with at least one nongovernmental entity to administer a program of education coordination for youth who are dependent pursuant to chapter 13.34 RCW, birth through twelfth grade in Washington state. The selected nongovernmental entity or entities must engage in a public-private partnership with the department and are responsible for raising a portion of the funds needed for service delivery, administration, and evaluation.

(2) The nongovernmental entity or entities selected by the department must have demonstrated success in working with foster care youth and assisting foster care youth in receiving appropriate educational services, including enrollment, accessing school-based services, reducing out-of-school discipline interventions, and attaining high school graduation.

(3) The selected nongovernmental entity or entities must provide services to support individual youth upon a referral by a social worker with the department or a nongovernmental agency with responsibility for education support services. The selected nongovernmental entity or entities must be collocated in the offices of the department to provide timely consultation and in-service training. These entities must have access to all paper and electronic case information pertinent to the educational planning and services of youth referred and are subject to RCW 13.50.010 and 13.50.100.

(4) The selected nongovernmental entity or entities must report outcomes biannually to the department.

NEW SECTION. Sec. 7. A new section is added to chapter 28A.320 RCW to read as follows:

In order to facilitate the on-time grade level progression and graduation of students who are dependent pursuant to chapter 13.34 RCW, school districts must incorporate the following procedures:

(1) School districts must waive specific courses required for graduation if similar coursework has been satisfactorily completed in another school district or must provide reasonable justification for denial. Should a waiver not be granted to a student who would
qualify to graduate from the sending school district, the receiving school district must use best efforts to provide an alternative means of acquiring required coursework so that graduation may occur on time.

(2) School districts are encouraged to consolidate unresolved or incomplete coursework and provide opportunities for credit accrual through local classroom hours, correspondence courses, or the portable assisted study sequence units designed for migrant high school students.

(3) Should a student who is transferring at the beginning or during the student's junior or senior year be ineligible to graduate from the receiving school district after all alternatives have been considered, the sending and receiving districts must ensure the receipt of a diploma from the sending district if the student meets the graduation requirements of the sending district.

Sec. 8. RCW 28B.118.010 and 2011 1st sp.s. c 11 s 226 are each amended to read as follows:

The office of student financial assistance shall design the Washington college bound scholarship program in accordance with this section.

(1) "Eligible students" are those students who:
(a) Qualify for free or reduced-price lunches. If a student qualifies in the seventh grade, the student remains eligible even if the student does not receive free or reduced-price lunches thereafter; or
(b) Are dependent pursuant to chapter 13.34 RCW and:
(i) In grade seven through twelve; or
(ii) Are between the ages of eighteen and twenty-one and have not graduated from high school.

(2) Eligible students shall be notified of their eligibility for the Washington college bound scholarship program beginning in their seventh grade year. Students shall also be notified of the requirements for award of the scholarship.

(3)(a) To be eligible for a Washington college bound scholarship, a student eligible under subsection (1)(a) of this section must sign a pledge during seventh or eighth grade that includes a commitment to graduate from high school with at least a C average and with no felony convictions. (Students who were in the eighth grade during the 2007–08 school year may sign the pledge during the 2008–09 school year.) The pledge must be witnessed by a parent or guardian and forwarded to the office of student financial assistance by mail or electronically, as indicated on the pledge form.
(b) A student eligible under subsection (1)(b) of this section shall be automatically enrolled, with no action necessary by the student or the student's family, and the enrollment form must be forwarded by the department of social and health services to the higher education coordinating board or its successor by mail or electronically, as indicated on the form.

(4)(a) Scholarships shall be awarded to eligible students graduating from public high schools, approved private high schools under chapter 28A.195 RCW, or who received home-based instruction under chapter 28A.200 RCW.
(b) To receive the Washington college bound scholarship, a student must graduate with at least a “C” average from a public high school or an approved private high school under chapter 28A.195 RCW in Washington or have received home-based instruction under chapter 28A.200 RCW, must have no felony convictions, and must be a resident student as defined in RCW 28B.15.015(2)(d) (a) through (d).

(a) For students attending two or four-year institutions of higher education as defined in RCW 28B.10.016, the value of the award shall be (i) the difference between the student's tuition and required fees, less the value of any state-funded grant, scholarship, or waiver assistance the student receives; (ii) plus five hundred dollars for books and materials.
(b) For students attending private four-year institutions of higher education in Washington, the award amount shall be the representative average of awards granted to students in public research universities in Washington.
(c) For students attending private vocational schools in Washington, the award amount shall be the representative average of awards granted to students in public community and technical colleges in Washington.

(7) Recipients may receive no more than four full-time years' worth of scholarship awards.

(8) Institutions of higher education shall award the student all need-based and merit-based financial aid for which the student would otherwise qualify. The Washington college bound scholarship is intended to replace unmet need, loans, and, at the student's option, work-study award before any other grants or scholarships are reduced.

(9) The first scholarships shall be awarded to students graduating in 2012.

(10) The state of Washington retains legal ownership of tuition units awarded as scholarships under this chapter until the tuition units are redeemed. These tuition units shall remain separately held from any tuition units owned under chapter 28B.95 RCW by a Washington college bound scholarship recipient.

(11) The scholarship award must be used within five years of receipt. Any unused scholarship tuition units revert to the Washington college bound scholarship account.

(12) Should the recipient terminate his or her enrollment for any reason during the academic year, the unused portion of the scholarship tuition units shall revert to the Washington college bound scholarship account.

Sec. 9. RCW 28A.150.510 and 2008 c 297 s 5 are each amended to read as follows:

(1) In order to effectively serve students who are dependent pursuant to chapter 13.34 RCW, education records shall be transmitted to the department of social and health services within two school days after receiving the request from the department provided that the department certifies that it will not disclose to any other party the education records without prior written consent of the parent or student unless authorized to disclose the records under state law. The department of social and health services is authorized to disclose education records it obtains pursuant to this section to a foster parent, guardian, or other entity authorized by the department to provide residential care to the student. The department is also authorized to disclose educational records it obtains pursuant to this section to those entities with which it has contracted, or with which it is formally collaborating, having responsibility for educational support services and educational outcomes of students who are dependent pursuant to chapter 13.34 RCW. The department is encouraged to put in place data-sharing agreements to assure accountability.

(2)(a) The K-12 data governance group established under RCW 28A.300.507 shall create a comprehensive needs requirement document detailing the specific information, technical capacity, and any federal and state statutory and regulatory changes needed by school districts, the office of the superintendent of public instruction, the department of social and health services, or the higher education coordinating board or its successor, to enable the provision, on at least a quarterly basis, of:
(i) Current education records of students who are dependent pursuant to chapter 13.34 RCW to the department of social and health services and, from the department, to those entities with which the department has contracted, or with which it is formally collaborating, having responsibility for educational support services and educational outcomes; and

(c) By December 1, 2012, the superintendent of public instruction shall submit a report to the governor and the appropriate committees of the legislature regarding: The analysis of needs by the K-12 data governance group; a timeline for addressing those needs for which no statutory changes are necessary and that can be implemented within existing resources; and recommended options for addressing identified needs for which statutory changes, additional funding, or both, are necessary.

NEW SECTION. Sec. 10. A new section is added to chapter 28A.300 RCW to read as follows:

By December 1, 2012, and on an annual basis through December 1, 2015, the superintendent of public instruction, in consultation with the department of social and health services and the office of the administrator for the courts, shall submit a report to the governor and the appropriate committees of the legislature regarding the content and implementation status of the state’s plan for cross-system collaboration to promote educational stability and improve educational outcomes for foster children pursuant to the requirements of the federal fostering connections to success and increasing adoptions act, P.L. 110-351. This data should be disaggregated in the smallest units allowable by law that do not identify an individual student, in order to learn which school districts are experiencing the greatest success and challenges in achieving quality educational outcomes with students in children’s administration out-of-home care.

NEW SECTION. Sec. 12. The legislature strongly recommends that the entities with which the department of social and health services contracts or collaborates to provide educational support services and educational outcomes for students who are dependent under chapter 13.34 RCW and the private agency under contract with the higher education coordinating board or its successor to perform outreach for the passport to college promise program under chapter 28B.117 RCW and the college bound scholarship program under chapter 28B.118 RCW explore models for harnessing technology to keep in constant touch with the students they serve and keep these students engaged.

MESSAGE FROM THE SENATE
March 1, 2012

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2263 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. (1) The legislature finds that the federal child and family services improvement and innovation act provides an important new opportunity for Washington state to flexibly use federal funding, traditionally limited to foster care, to achieve the following outcomes: Increase permanency for all infants, children, and youth by reducing the time spent in foster care placements when possible and promoting a successful transition to adulthood for older youth; increase the positive outcomes for infants, children, youth, and families in their homes and communities, including tribal communities; improve the safety and well-being of..."
infants, children, and youth; and prevent child abuse and neglect and the reentry of infants, children, and youth into foster care.

(2) The legislature finds that the licensed out-of-home foster care caseload has declined by eighteen percent from fiscal year 2008 to fiscal year 2011. The legislature further finds that under the current system, as caseloads decline, fewer state and federal funds are available in the child welfare budget for prevention and reunification services to continue improving outcomes.

(3) The legislature recognizes the need to reinvest savings related to foster care caseload reductions into effective efforts that improve outcomes. The legislature intends to maximize limited resources by continuing to focus on efforts to improve child safety, child permanency, and child well-being in Washington state.

NEW SECTION. Sec. 2. A new section is added to chapter 43.131 RCW to read as follows:

(1) The child and family reinvestment account is created in the state treasury. Moneys in the account may be spent only after appropriation. Moneys in the account may be expended solely for improving outcomes related to: (a) Safely reducing entry into the foster care system and preventing reentry; (b) safely increasing reunifications; (c) achieving permanency for children unable to be reunified; and (d) improving outcomes for youth who will age out of the foster care system. Moneys may be expended for shared savings under performance-based contracts.

(2) Revenues to the child and family reinvestment account consist of: (a) Savings to the state general fund resulting from reductions in foster care caseloads and per capita costs, as calculated and transferred into the account under this section; and (b) any other public or private funds appropriated to or deposited in the account.

(3)(a) The department of social and health services, in collaboration with the office of financial management and the caseload forecast council, shall develop a methodology for calculating the savings under this section. The methodology must be used for the 2013-2015 fiscal biennium, and for each biennium thereafter. The methodology must establish a baseline for calculating savings. In developing the methodology, the department of social and health services shall incorporate the relevant requirements of any demonstration waiver granted to the state under P.L. 112-34. The savings must be based on actual caseload and per capita expenditures. By December 1, 2012, the department of social and health services shall submit the proposed methodology to the governor and the appropriate committees of the legislature. The methodology is deemed approved unless the legislature enacts legislation to modify or reject the methodology.

(b) The department of social and health services shall use the methodology established in (a) of this subsection to calculate savings to the state general fund for transfer into the child and family reinvestment account in fiscal year 2014 and each fiscal year thereafter. Savings calculated by the department under this section are subject to RCW 43.79.460. The department shall report the amount of the state general fund savings achieved to the office of financial management and the fiscal committees of the legislature at the end of each fiscal year. The office of financial management shall provide notice to the state treasurer of the amount of state general fund savings achieved to the office of financial management and the fiscal committees of the legislature.

(c) Nothing in this section prohibits (i) the caseload forecast council from forecasting the foster care caseload under RCW 43.88C.010 or (ii) the department from including maintenance funding in its budget submittal for caseload costs that exceed the baseline established in (a) of this subsection.

NEW SECTION. Sec. 3. A new section is added to chapter 43.135 RCW to read as follows:

RCW 43.135.034(4) does not apply to the transfer established under section 2 of this act.
SPEAKER'S PRIVILEGE

The Speaker (Representative Moeller presiding) asked Representative Ahern and Parker to stand while he introduced visitors from Ferris High School leadership class seated in the North Gallery, and asked the Chamber to acknowledge them.

(b) Prior to reducing or increasing tuition for each academic year, the governing boards of the state universities, the regional universities, and The Evergreen State College shall consult with existing student associations or organizations with student undergraduate and graduate representatives regarding the impacts of potential tuition increases. Each governing board shall make public its proposal for tuition and fee increases twenty-one days before the governing board of the institution considers adoption and allow opportunity for public comment. (b) If state funding for a college or university is at least at the level of state funding provided in the operating budget for fiscal year 2011, the governing board may increase tuition up to the limits set in (d) of this subsection and shall continue to at least maintain the actual enrollment levels for fiscal year 2011 or increase enrollments as required in the omnibus appropriations act. *(amend)*

(c) If state funding is increased so that combined with resident undergraduate tuition the sixtieth percentile of the total per-student funding at similar public institutions of higher education in the global challenge states under RCW 28B.15.068 is exceeded, the governing board shall decrease tuition by the amount needed for the total per-student funding to be at the sixtieth percentile under RCW 28B.15.068; and

(d) The amount of tuition set by the governing board for an institution under this subsection (4) may not exceed the sixtieth percentile of the resident undergraduate tuition of similar public institutions of higher education in the global challenge states.

(7) The tuition fees established under this chapter shall not apply to eligible students enrolling in a community or technical college participating in the pilot program under RCW 28B.50.534 for the purpose of obtaining a high school diploma.

(8) Beginning in the 2019-20 academic year, reductions or increases in full-time tuition fees for resident undergraduates at four-year institutions of higher education shall be as provided in the omnibus appropriations act."

MESSAGE FROM THE SENATE

February 29, 2012

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2482 with the following
amendment:

Strike everything after the enacting clause and insert the
following:

"Sec. 1. RCW 43.330.270 and 2009 c 72 s 1 are each amended to
read as follows:

(1) The department (shall) must design and implement an
innovation partnership zone program through which the state will
encourage and support research institutions, workforce training
organizations, and globally competitive companies to work
cooperatively in close geographic proximity to create commercially
viable products and jobs.

(2) The director (shall) must designate innovation partnership
zones on the basis of the following criteria:

(a) Innovation partnership zones must have three types of
institutions operating within their boundaries, or show evidence of
planning and local partnerships that will lead to dense concentrations
of these institutions:

(i) Research capacity in the form of a university or community
college fostering commercially valuable research, nonprofit
institutions creating commercially applicable innovations, or a
national laboratory;

(ii) An industry cluster as defined in RCW 43.330.090. The
cluster must include a dense proximity of globally competitive firms
in a research-based industry or industries or (other
recognized) individual firms with innovation strategies linked to (a)(i) of this subsection. A
globally competitive firm may be signified through international
organization for standardization 9000 or 1400 certification, or (other
recognized) evidence of sales in international (success) markets;
and

(iii) Training capacity either within the zone or readily accessible
to the zone. The training capacity requirement may be met by the
same institution as the research capacity requirement, to the extent
both are associated with an educational institution in the proposed
zone.

(b) The support of a local jurisdiction, a research institution, an
educational institution, an industry or cluster association, a workforce
development council, and an associate development organization,
port, or chamber of commerce;

(c) Identifiable boundaries for the zone within which the
applicant will concentrate efforts to connect innovative researchers,
entrepreneurs, investors, industry associations or clusters, and training
providers. The geographic area defined should lend itself to a distinct
identity and have the capacity to accommodate firm growth;

(d) The innovation partnership zone administrator must be an
economic development council, port, workforce development council,
city, or county.

(3) With respect solely to the research capacity required in
subsection (2)(a)(i) of this section, the director may waive the
requirement that the research institution be located within the zone.
To be considered for such a waiver, an applicant must provide a
specific plan that demonstrates the research institution's unique
qualifications and suitability for the zone, and the types of jointly
executed activities that will be used to ensure ongoing, face-to-face
interaction and research collaboration among the zone's partners.

(4) On October 1st of each odd-numbered year, the director
(shall) must designate innovation partnership zones on the basis of
applications that meet the legislative criteria, estimated economic
impact of the zone, evidence of forward planning for the zone, and
other criteria as (recommended by) developed by the department in
consultation with the Washington state economic development
commission. Estimated economic impact must include evidence of
anticipated private investment, job creation, innovation, and
commercialization. The director (shall) must require evidence that
zone applicants will promote commercialization, innovation, and
collaboration among zone residents.

(5) Innovation partnership zones are eligible for funds and other
resources as provided by the legislature or at the discretion of the
governor.

(6) If the innovation partnership zone meets the other
requirements of the fund sources, then the zone is eligible for the
following funds relating to:

(a) The local infrastructure financing tools program;
(b) The sales and use tax for public facilities in rural counties;
(c) Job skills;
(d) Local improvement districts; and

and

(iii) Training capacity either within the zone or readily accessible
to the zone. The training capacity requirement may be met by the
same institution as the research capacity requirement, to the extent
both are associated with an educational institution in the proposed
zone.

(b) The support of a local jurisdiction, a research institution, an
educational institution, an industry or cluster association, a workforce
development council, and an associate development organization,
port, or chamber of commerce;

(c) Identifiable boundaries for the zone within which the
applicant will concentrate efforts to connect innovative researchers,

(shall) must designate innovation partnership zones on the basis of
applications that meet the legislative criteria, estimated economic
impact of the zone, evidence of forward planning for the zone, and
other criteria as (recommended by) developed by the department in
consultation with the Washington state economic development
commission. Estimated economic impact must include evidence of
anticipated private investment, job creation, innovation, and
commercialization. The director (shall) must require evidence that
zone applicants will promote commercialization, innovation, and
collaboration among zone residents.

(5) Innovation partnership zones are eligible for funds and other
resources as provided by the legislature or at the discretion of the
governor.

(6) If the innovation partnership zone meets the other
requirements of the fund sources, then the zone is eligible for the
following funds relating to:

(a) The local infrastructure financing tools program;
(b) The sales and use tax for public facilities in rural counties;
(c) Job skills;
(d) Local improvement districts; and

(c) Community economic revitalization board projects under chapter 43.160 RCW.

(7) An innovation partnership zone (shall) must be designated as a zone for a four-year period. At the end of the four-year period, the zone must reapply for the designation through the department.

(8) If the director finds that an applicant does not meet all of the statutory criteria or additional criteria recommended by the department in consultation with the Washington state economic development commission to be designated as an innovation partnership zone, the department must:

(a) Identify the deficiencies in the proposal and recommended steps for the applicant to take to strengthen the proposal;
(b) Provide the applicant with the opportunity to appeal the decision to the director;
(c) Allow the applicant to reapply for innovation partnership designation on October 1st of the following calendar year or during any subsequent application cycle.

(9) If the director finds at any time after the initial year of designation that an innovation partnership zone is failing to meet the performance standards required in its contract with the department, the director may withdraw such designation and cease state funding of the zone.

((40)) (10) The department (shall) must convene annual information sharing events for innovation partnership zone administrators and other interested parties.

((41)) (11) An innovation partnership zone (shall) must annually provide performance measures as required by the director, including but not limited to private investment measures, job creation measures, and measures of innovation such as licensing of ideas in research institutions, patents, or other recognized measures of innovation.

((42)) (12) The department (shall) must compile a biennial report on the innovation partnership zone program by December 1st of every even-numbered year. The report (shall) must provide information for each zone on its: Objectives; funding, tax incentives, and other support obtained from public sector sources; major activities; partnerships; performance measures; and outcomes achieved since the inception of the zone or since the previous biennial report. The Washington state economic development commission (shall) must review the department's draft report and make recommendations on ways to increase the effectiveness of individual zones and the program overall. The department (shall) must submit the report, including the commission's recommendations, to the governor and legislature beginning December 1, 2010.

Sec. 2. RCW 43.160.010 and 2008 c 327 s 1 are each amended to read as follows:

(1) The legislature finds that it is the public policy of the state of Washington to direct financial resources toward the fostering of economic development through the stimulation of investment and job opportunities and the retention of sustainable existing employment for the general welfare of the inhabitants of the state. Reducing unemployment and reducing the time citizens remain jobless is important for the economic welfare of the state. A valuable means of fostering economic development is the construction of public facilities which contribute to the stability and growth of the state's economic base. Expenditures made for these purposes as authorized in this chapter are declared to be in the public interest, and constitute a proper use of public funds. A community economic revitalization board is needed which shall aid the development of economic opportunities. The general objectives of the board should include:

(a) Strengthening the economies of areas of the state which have experienced or are expected to experience chronically high unemployment rates or below average growth in their economies;
(b) Encouraging the diversification of the economies of the state and regions within the state in order to provide greater seasonal and cyclical stability of income and employment;
(c) Encouraging wider access to financial resources for both large and small industrial development projects;
(d) Encouraging new economic development or expansions to maximize employment;
(e) Encouraging the retention of viable existing firms and employment; (and)
(f) Providing incentives for expansion of employment opportunities for groups of state residents that have been less successful relative to other groups in efforts to gain permanent employment; and

(g) Enhancing job and business growth through facility development and other improvements in innovation partnership zones designated under RCW 43.330.270.

(2) The legislature also finds that the state's economic development efforts can be enhanced by, in certain instances, providing funds to improve state highways, county roads, or city streets for industries considering locating or expanding in this state.

(3) The legislature finds it desirable to provide a process whereby the need for diverse public works improvements necessitated by planned economic development can be addressed in a timely fashion and with coordination among all responsible governmental entities.

(4) The legislature also finds that the state's economic development efforts can be enhanced by, in certain instances, providing funds to assist development of telecommunications infrastructure that supports business development, retention, and expansion in the state.

(5) The legislature also finds that the state's economic development efforts can be enhanced by providing funds to improve markets for those recyclable materials representing a large fraction of the waste stream. The legislature finds that public facilities which result in private construction of processing or remanufacturing facilities for recyclable materials are eligible for consideration from the board.

(6) The legislature finds that sharing economic growth statewide is important to the welfare of the state. The ability of communities to pursue business and job retention, expansion, and development opportunities depends on their capacity to ready necessary economic development project plans, sites, permits, and infrastructure for private investments. Project-specific planning, predevelopment, and infrastructure are critical ingredients for economic development. It is, therefore, the intent of the legislature to increase the amount of funding available through the community economic revitalization board and to authorize flexibility for available resources in these areas to help fund planning, predevelopment, and construction costs of infrastructure and facilities and sites that foster economic vitality and diversification.

Sec. 3. RCW 43.160.020 and 2009 c 565 s 35 are each amended to read as follows:

Unless the context clearly requires otherwise, the definitions in this section apply throughout this chapter.

(1) "Board" means the community economic revitalization board.
(2) "Department" means the department of commerce.
(3) "Local government" or "political subdivision" means any port district, county, city, town, special purpose district, and any other municipal corporations or quasi-municipal corporations in the state providing for public facilities under this chapter.

Sec. 4. RCW 82.14.370 and 2009 c 511 s 1 are each amended to read as follows:

(1) The legislative authority of a rural county may impose a sales and use tax in accordance with the terms of this chapter. The tax is in addition to other taxes authorized by law and (shall) must be collected from those persons who are taxable by the state under chapters 82.08 and 82.12 RCW upon the occurrence of any taxable event within the county. The rate of tax (shall) may not exceed 0.09 percent of the selling price in the case of a sales tax or value of the article used in the case of a use tax, except that for rural counties with population densities between sixty and one hundred persons per square mile, the rate shall not exceed 0.04 percent before January 1, 2000.

For those counties that do not have an adopted overall economic development plan and do not plan under the growth management act, the public facility must be listed in the county's capital facilities plan or the capital facilities plan of a city or town located within the county.

(b) In implementing this section, the county (shall) must consult with cities, towns, and port districts located within the county and the associate development organization serving the county to ensure that the expenditure meets the goals of chapter 130, Laws of 2004 and the requirements of (a) of this subsection. Each county collecting money under this section (shall) must report, as follows, to the office of the state auditor, within one hundred fifty days after the close of each fiscal year: (i) A list of new projects begun during the fiscal year, showing that the county has used the funds for those projects consistent with the goals of chapter 130, Laws of 2004 and the requirements of (a) of this subsection; and (ii) expenditures during the fiscal year on projects begun in a previous year. Any projects financed prior to June 10, 2004, from the proceeds of obligations to which the tax imposed under subsection (1) of this section has been pledged (shall) may not be deemed to be new projects under this subsection. No new projects funded with money collected under this section may be for justice system facilities.

(i) "Public facilities" means bridges, roads, domestic and industrial water facilities, sanitary sewer facilities, earth stabilization, storm sewer facilities, railroads, (electricity) electrical facilities, natural gas facilities, research, testing, training, and incubation facilities in innovation partnership zones designated under RCW 43.330.270, buildings, structures, telecommunications infrastructure, transportation infrastructure, or commercial infrastructure, and port facilities in the state of Washington.

(a) Except as provided in (b) of this subsection, no tax may be collected under this section by a county more than twenty-five years after the date that a tax is first imposed under this section.

(b) For counties imposing the tax at the rate of 0.09 percent before August 1, 2009, the tax expires on the date that is twenty-five years after the date that the 0.09 percent tax rate was first imposed by that county.

(5) For purposes of this section, "rural county" means a county with a population density of less than one hundred persons per square mile or a county smaller than two hundred twenty-five square miles as determined by the office of financial management and published each year by the department for the period July 1st to June 30th.

MESSAGE FROM THE SENATE
February 29, 2012

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2535 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The legislature finds that juvenile gang activity in Washington state poses a significant threat to communities and to the positive development of juveniles as they mature into adulthood. Thus, a strategic and collaborative approach is needed to address the problem of juvenile gangs. Many juveniles who become involved in gang activity have been exposed to risk factors such as antisocial behavior, alcohol and drug use, mental health problems, and victimization. Evidence-based and research-based gang intervention programs and strategies can provide services to these youth such as mental health counseling, education, chemical dependency treatment, and skill building. The legislature further finds that a court specifically developed to facilitate the delivery of these critical services to gang-involved juveniles and that provides a supportive team will assist juveniles in breaking out of a cycle of gang activity, reduce criminal activity, and increase their ability to develop into successful adults.

NEW SECTION. Sec. 2. A new section is added to chapter 13.40 RCW to read as follows:

(1) Counties may establish and operate juvenile gang courts.

(2) For the purposes of this section, "juvenile gang court" means a court that has special calendars or dockets designed to achieve a reduction in gang-related offenses among juvenile offenders by increasing their likelihood for successful rehabilitation through early, continuous, and judicially supervised and integrated evidence-based services proven to reduce juvenile recidivism and gang involvement or through the use of research-based or promising practices identified by the Washington state partnership council on juvenile justice.

(3) Any county that establishes a juvenile gang court pursuant to this section shall establish minimum requirements for the participation of offenders in the program. The juvenile gang court may adopt local requirements that are more stringent than the minimum. The minimum requirements are:

(a) The juvenile offender participates in gang activity, is repeatedly in the company of known gang members, or openly admits that he or she has been admitted to a gang;

(b) The juvenile offender has not previously been convicted of a serious violent offense or sex offense as defined in RCW 9.94A.030; and

(c) The juvenile offender is not currently charged with an offense:

(i) That is a class A felony offense;

(ii) That is a sex offense;

(iii) During which the juvenile offender intentionally discharged, threatened to discharge, or attempted to discharge a firearm in furtherance of the offense;

(iv) That subjects the juvenile offender to adult court original jurisdiction pursuant to RCW 13.04.030(1)(e)(v); or

(v) That constitutes assault of a child in the second degree.

(4) The court, the prosecutor, and the juvenile must agree to the juvenile's admission to a gang court created under this section.

(5) For the purposes of this act, a "gang" means a group which consists of three or more persons; has identifiable leadership; and on an ongoing basis, regularly conspires and acts in concert mainly for criminal purposes.

(6) The juvenile offender who is admitted to juvenile gang court must:

(a) Stipulate to the admissibility of the facts contained in the written police report;

(b) Acknowledge that the report will be entered and used to support a finding of guilt and to impose a disposition if the juvenile fails to comply with the requirements of the juvenile gang court; and

(c) Waive the following rights to: (i) A speedy disposition; and (ii) call and confront witnesses.

(7) The adjudicatory hearing shall be limited to a reading of the court's record.

(8) Following the stipulation to the facts in the police report, acknowledgment, waiver, and entry of a finding or plea of guilt, the court shall defer entry of an order of disposition of the juvenile.

(9) Upon admission to juvenile gang court, an individualized plan shall be developed for the juvenile, identifying goals for the juvenile and a team to support the juvenile, which may include mental health and chemical dependency treatment providers, a probation officer, teachers, defense counsel, the prosecuting attorney, law enforcement, guardians or family members, and other participants deemed appropriate by the court. The individualized plan shall include a requirement that the juvenile remain in the gang court program for at least twelve months. At least one member of the support team must have daily contact with the juvenile.

(10) Upon successful completion of the juvenile gang court requirements, the conviction entered by the court shall be vacated and the charge shall be dismissed with prejudice.

(11) A juvenile may only be admitted to juvenile gang court once. If the juvenile fails to complete the requirements of gang court after being admitted, or successfully completes the requirements of gang court after being admitted, the juvenile may not be admitted again.

(12) If the juvenile fails to complete the juvenile gang court requirements, the court shall enter an order of disposition pursuant to RCW 13.40.0357.

MESSAGE FROM THE SENATE
February 29, 2012

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2567 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. A new section is added to chapter 89.08 RCW to read as follows:

(1) Any county legislative authority may approve by resolution revenues to a conservation district by fixing rates and charges. The county legislative authority may provide for this system of rates and charges as an alternative to, but not in addition to, a special assessment provided by RCW 89.08.400. In fixing rates and charges, the county legislative authority may in its discretion consider the information proposed to the county legislative authority by a conservation district consistent with this section.

(2) A conservation district, in proposing a system of rates and charges, may consider:

(a) Services furnished, to be furnished, or available to the landowner;

(b) Benefits received, to be received, or available to the property;

(c) The character and use of land;

(d) The nonprofit public benefit status, as defined in RCW 24.03.490, of the land user;

(e) The income level of persons served or provided benefits under this chapter, including senior citizens and disabled persons; or

(f) Any other matters that present a reasonable difference as a ground for distinction.

(3)(a) The system of rates and charges may include an annual per acre amount, an annual per parcel amount, or an annual per parcel amount plus an annual per acre amount. If included in the system of rates and charges, the maximum annual per acre rate or charge shall not exceed ten cents per acre. The maximum annual per parcel rate shall not exceed five dollars, except that for counties with a population of over one million five hundred thousand persons, the maximum annual per parcel rate shall not exceed ten dollars.

(b) Public land, including lands owned or held by the state, shall be subject to rates and charges to the same extent as privately owned lands. The procedures provided in chapter 79.44 RCW shall be followed if lands owned or held by the state are subject to the rates and charges of a conservation district.

(c) Forest lands used solely for the planting, growing, or harvesting of trees may be subject to rates and charges if such lands are served by the activities of the conservation district. However, if the system of rates and charges includes an annual per acre amount or an annual per parcel amount plus an annual per acre amount, the per acre rate or charge on such forest lands shall not exceed one-tenth of the weighted average per acre rate or charge on all other lands within the conservation district that are subject to rates and charges. The calculation of the weighted average per acre shall be a ratio calculated as follows: (i) The numerator shall be the total amount of money estimated to be derived from the per acre special rates and charges on the nonforest lands in the conservation district; and (ii) the denominator shall be the total number of nonforest land acres in the conservation district that are served by the activities of the conservation district and that are subject to the rates or charges of the conservation district. No more than ten thousand acres of such forest lands that is both owned by the same person or entity and is located in the same conservation district may be subject to the rates and charges that are imposed for that conservation district in any year. Per parcel charges shall not be imposed on forest land parcels. However, in lieu of a per parcel charge, a charge of up to three dollars per forest landowner may be imposed on each owner of forest lands whose forest lands are subject to a per acre rate or charge.

(4) The consideration, development, adoption, and implementation of a system of rates and charges shall follow the same public notice and hearing process and be subject to the same procedure and authority of RCW 89.08.400(2).

(5)(a) Following the adoption of a system of rates and charges, the conservation district board of supervisors shall establish by resolution a process providing for landowner appeals of the individual rates and charges as applicable to a parcel or parcels.

(b) Any appeal must be filed by the landowner with the conservation district no later than twenty-one days after the date property taxes are due. The decision of the board of supervisors regarding any appeal shall be final and conclusive.

(c) Any appeal of the decision of the board shall be to the superior court of the county in which the district is located, and served and filed within twenty-one days of the date of the board's written decision.

(6) A conservation district shall prepare a roll that implements the system of rates and charges approved by the county legislative authority. The rates and charges from the roll shall be spread by the county assessor as a separate item on the tax rolls and shall be collected and accounted for with property taxes by the county treasurer. The amount of the rates and charges shall constitute a lien against the land that shall be subject to the same conditions as a tax lien, and collected by the treasurer in the same manner as delinquent real property taxes, and subject to the same interest and penalty as for delinquent property taxes. The county treasurer shall deduct an amount from the collected rates and charges, as established by the county legislative authority, to cover the costs incurred by the county assessor and county treasurer in spreading and collecting the rates and charges, but not to exceed the actual costs of such work. All
remaining funds collected under this section shall be transferred to the conservation district and used by the conservation district in accordance with this section.

(7) The rates and charges for a conservation district shall not be spread on the tax rolls and shall not be allocated with property tax collections in the following year if, after the system of rates and charges has been approved by the county legislative authority but before the fifteenth day of December in that year, a petition has been filed with the county legislative authority objecting to the imposition of such rates and charges, which petition has been signed by at least twenty percent of the owners of land that would be subject to the rate or charge to be imposed for a conservation district.

NEW SECTION. Sec. 2. If any provision of this act or its application to any person or circumstance is held invalid, the remainder of the act or the application of the provision to other persons or circumstances is not affected.

NEW SECTION. Sec. 3. This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately.

On page 1, line 2 of the title, after "districts," strike the remainder of the title and insert "adding a new section to chapter 89.08 RCW; and declaring an emergency."

and the same is herewith transmitted.

ENGROSSED SUBSTITUTE HOUSE BILL NO. 2570, as
amended by the Senate, having received the necessary
constitutional majority, was declared passed.
The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2586 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 28A.150.315 and 2011 c 340 s 1 are each amended to read as follows:
(1) Beginning with the 2007-08 school year, funding for voluntary all-day kindergarten programs shall be phased-in beginning with schools having the highest poverty levels, defined as those schools with the highest percentages of students qualifying for free and reduced-price lunch support in the prior school year. During the 2011-2013 biennium, funding shall continue to be phased-in each year until full statewide implementation of all-day kindergarten is achieved in the 2017-18 school year. Once a school receives funding for the all-day kindergarten program, that school shall remain eligible for funding in subsequent school years regardless of changes in the school's percentage of students eligible for free and reduced-price lunches as long as other program requirements are fulfilled. Additionally, schools receiving all-day kindergarten program support shall agree to the following conditions:
   (a) Provide at least one thousand-hour instructional program;
   (b) Provide a curriculum that offers a rich, varied set of experiences that assist students in:
      (i) Developing initial skills in the academic areas of reading, mathematics, and writing;
      (ii) Developing a variety of communication skills;
      (iii) Providing experiences in science, social studies, arts, health and physical education, and a world language other than English;
      (iv) Acquiring large and small motor skills;
      (v) Acquiring social and emotional skills including successful participation in learning activities as an individual and as part of a group, and
      (vi) Learning through hands-on experiences;
   (c) Establish learning environments that are developmentally appropriate and promote creativity;
   (d) Demonstrate strong connections and communication with early learning community providers; and
   (e) Participate in kindergarten program readiness activities with early learning providers and parents.

(2)(a) It is the intent of the legislature that administration of the Washington kindergarten inventory of developing skills (KIDS) replace administration of all other assessments currently required by school districts with the Washington kindergarten inventory of developing skills. A school district seeking a waiver for one or more of its schools must submit an application to the office of the superintendent of public instruction that includes:
   (i) A description of the kindergarten readiness assessment and transition processes that it proposes to administer instead of the Washington kindergarten inventory of developing skills;
   (ii) An explanation of why the administration of the Washington kindergarten inventory of developing skills would be unduly burdensome; and
   (iii) An explanation of how administration of the alternative kindergarten readiness assessment will support social-emotional, physical, and cognitive growth and development of individual children; support early learning provider and parent involvement; and inform instruction.)

(3) Subject to funds appropriated for this purpose, the superintendent of public instruction shall designate one or more school districts to serve as resources and examples of best practices in designing and operating a high-quality all-day kindergarten program. Designated school districts shall serve as lighthouse programs and provide technical assistance to other school districts in the initial stages of implementing an all-day kindergarten program. Examples of topics addressed by the technical assistance include strategic planning, developing the instructional program and curriculum, working with early learning providers to identify students and communicate with parents, and developing kindergarten program readiness activities.

NEW SECTION. Sec. 2. A new section is added to chapter 28A.655 RCW to read as follows:
(1) To the extent funds are available, beginning in the 2012-13 school year, the Washington kindergarten inventory of developing skills shall be administered at the beginning of the school year to all students enrolled in state-funded full-day kindergarten programs under RCW 28A.150.315 with the exception of students who have been excused from participation by their parents or guardians.

(2)(a) The superintendent of public instruction, in consultation with the department of early learning, shall convene a work group to provide:
   (i) Input and recommendations with respect to implementation of the Washington kindergarten inventory of developing skills;
   (ii) Recommendations regarding the optimum way to administer the Washington kindergarten inventory of developing skills to children in half-day kindergarten while ensuring that they receive the maximum instruction as required in RCW 28A.150.205; and
   (iii) Recommendations with respect to achieving the goal of replacing assessments currently required by school districts with the Washington kindergarten inventory of developing skills.

(b) The work group shall include:
   (i) One representative from the office of the superintendent of public instruction;
   (ii) One representative from the department of early learning;
   (iii) One representative from the nongovernmental private-public partnership defined in RCW 43.215.010;
(iv) Five representatives, including both teachers and principals, from school districts that participated in the pilot project, with every effort made to make sure that there is representation from across the state;

(v) Two parents who are familiar with and participated in the Washington kindergarten inventory of developing skills pilot during the 2010-11 school year; and

(vi) A representative from an independent, nonprofit children and family services organization with a main campus in North Bend, Washington.

(c) The work group may solicit input from people who are recent implementers of the Washington kindergarten inventory of developing skills.

(d) A preliminary report and recommendations shall be submitted to the education committees of the senate and the house of representatives by December 1, 2012. A subsequent report and recommendations shall be submitted to the education committees of the senate and the house of representatives by December 1, 2013, and annually by December 1st thereafter.

(e) The work group shall terminate upon full statewide implementation of all-day kindergarten.

(3) To the extent funds are available, additional support in the form of implementation grants shall be offered to schools on a schedule to be determined by the office of superintendent of public instruction, in consultation with the department of early learning.

(4) Until full statewide implementation of all-day kindergarten programs, the superintendent of public instruction, in consultation with the director of the department of early learning, may grant annual, renewable waivers from the requirement of subsection (1) of this section to administer the Washington kindergarten inventory of developing skills. A school district seeking a waiver for one or more of its schools must submit an application to the office of the superintendent of public instruction that includes:

(a) A description of the kindergarten readiness assessment and transition processes that it proposes to administer instead of the Washington kindergarten inventory of developing skills;

(b) An explanation of why the administration of the Washington kindergarten inventory of developing skills would be unduly burdensome; and

(c) An explanation of how administration of the alternative kindergarten readiness assessment will support social-emotional, physical, and cognitive growth and development of individual children; support early learning provider and parent involvement; and inform instruction.

NEW SECTION. Sec. 3. If specific funding for the purposes of this act, referencing this act by bill or chapter number, is not provided by June 30, 2012, in the omnibus appropriations act, this act is null and void."

On page 1, line 2 of the title, after "skills;" strike the remainder of the title and insert "amending RCW 28A.150.315; adding a new section to chapter 28A.655 RCW; and creating a new section."

MESSAGE FROM THE SENATE
March 5, 2012

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2233 with the following amendment:

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. A new section is added to chapter 37.12 RCW to read as follows:

(1) The process by which the state may retrocede to the United States all or part of the civil and/or criminal jurisdiction previously acquired by the state over a federally recognized Indian tribe, and the Indian country of such tribe, must be accomplished in accordance with the requirements of this section.

(2) To initiate civil and/or criminal retrocession the duly authorized governing body of a tribe must submit a retrocession resolution to the governor accompanied by information about the tribe's plan regarding the tribe's exercise of jurisdiction following the proposed retrocession. The resolution must express the desire of the tribe for the retrocession by the state of all or any measures or provisions of the civil and/or criminal jurisdiction acquired by the state under this chapter over the Indian country and the members of such Indian tribe. Before a tribe submits a retrocession resolution to the governor, the tribe and affected municipalities are encouraged to collaborate in the adoption of interlocal agreements, or other collaborative arrangements, with the goal of ensuring that the best interests of the tribe and the surrounding communities are served by the retrocession process.

(3) Upon receiving a resolution under this section, the governor must within ninety days convene a government-to-government meeting with either the governing body of the tribe or duly authorized tribal representatives for the purpose of considering the tribe's retrocession resolution. The governor's office must consult with elected officials from the counties, cities, and towns proximately located to the area of the proposed retrocession.

(4) Within one year of the receipt of an Indian tribe's retrocession resolution the governor must issue a proclamation, if approving the request either in whole or in part. This one-year deadline may be extended by the mutual consent of the tribe and the governor, as needed. In addition, either the tribe or the governor may extend the deadline once for a period of up to six months. Within ten days of issuance of a proclamation approving the retrocession resolution, the governor must formally submit the proclamation to the federal government in accordance with the procedural requirements for federal approval of the proposed retrocession. In the event the governor denies all or part of the resolution, the reasons for such denial must be provided to the tribe in writing.

(5) Within one hundred twenty days of the governor's receipt of a tribe's resolution requesting civil and/or criminal retrocession, but prior to the governor's issuance of the proclamation approving or denying the tribe's resolution, the appropriate standing committees of the state house and senate may conduct public hearings on the tribe's request for state retrocession. The majority leader of the senate must designate the senate standing committee and the speaker of the house of representatives must designate the house standing committee. Following such public hearings, the designated legislative committees may submit advisory recommendations and/or comments to the governor regarding the proposed retrocession, but in no event are such legislative recommendations binding on the governor or otherwise of legal effect.

(6) The proclamation for retrocession does not become effective until it is approved by a duly designated officer of the United States government and in accordance with the procedures established by the United States for the approval of a proposed state retrocession.

(7) The provisions of RCW 37.12.010 are not applicable to a civil and/or criminal retrocession that is accomplished in accordance with the requirements of this section.

(8) For any proclamation issued by the governor under this section that addresses the operation of motor vehicles upon the public streets, alleys, roads, and highways, the governor must consider the following:

(a) Whether the affected tribe has in place interlocal agreements with neighboring jurisdictions, including applicable state transportation agencies, that address uniformity of motor vehicle operations over Indian country;

(b) Whether there is a tribal traffic policing agency that will ensure the safe operation of motor vehicles in Indian country;

(c) Whether the affected tribe has traffic codes and courts in place; and

(d) Whether there are appropriate traffic control devices in place sufficient to maintain the safety of the public roadways.

(9) The following definitions apply for the purposes of this section:

(b) "Criminal retrocession" means the state's act of returning to the federal government the criminal jurisdiction acquired over Indians and Indian country under federal Public Law 280, Act of August 15,

SECOND READING

ENGROSSED SUBSTITUTE SENATE BILL NO. 6555, by
Senate Committee on Human Services & Corrections
(originally sponsored by Senators Hargrove, Shin and Roach)

Providing for family assessments in cases involving child abuse or neglect.

The bill was read the second time.

Representative Kagi moved the adoption of amendment (1323).

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 26.44.020 and 2010 c 176 s 1 are each reenacted and amended to read as follows:

The definitions in this section apply throughout this chapter unless the context clearly requires otherwise.

(1) "Abuse or neglect" means sexual abuse, sexual exploitation, or injury of a child by any person under circumstances which cause harm to the child's health, welfare, or safety, excluding conduct permitted under RCW 9A.16.100; or the negligent treatment or maltreatment of a child by a person responsible for or providing care to the child. An abused child is a child who has been subjected to child abuse or neglect as defined in this section.

(2) "Child" or "children" means any person under the age of eighteen years of age.

(3) "Child protective services" means those services provided by the department designed to protect children from child abuse and neglect and safeguard such children from future abuse and neglect, and conduct investigations of child abuse and neglect reports. Investigations may be conducted regardless of the location of the alleged abuse or neglect. Child protective services include referral to services to ameliorate conditions that endanger the welfare of children, the coordination of necessary programs and services relevant to the prevention, intervention, and treatment of child abuse and neglect, and services to children to ensure that each child has a permanent home. In determining whether protective services should be provided, the department shall not decline to provide such services solely because of the child's unwillingness or developmental inability to describe the nature and severity of the abuse or neglect.

(4) "Child protective services section" means the child protective services section of the department.

(5) "Children's advocacy center" means a child-focused facility in good standing with the state chapter for children's advocacy centers and that coordinates a multidisciplinary process for the investigation, prosecution, and treatment of sexual and other types of child abuse. Children's advocacy centers provide a location for forensic interviews and coordinate access to services such as, but not limited to, medical evaluations, advocacy, therapy, and case review by multidisciplinary teams within the context of county protocols as defined in RCW 26.44.180 and 26.44.185.

(6) "Clergy" means any regularly licensed or ordained minister, priest, or rabbi of any church or religious denomination, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(7) "Court" means the superior court of the state of Washington, juvenile department.

(8) "Department" means the state department of social and health services.

(9) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

(10) "Family assessment response" means a way of responding to certain reports of child abuse or neglect made under this chapter using a differential response approach to child protective services. The family assessment response shall focus on the safety of the child, the integrity and preservation of the family, and shall assess the status of the child and the family in terms of risk of abuse and neglect including the parent's or guardian's or other caretaker's capacity and willingness to protect the child and, if necessary, plan and arrange the provision of services to reduce the risk and otherwise support the family. No one is named as a perpetrator, and no investigative finding is entered in the record as a result of a family assessment.

(11) "Founding" means the determination following an investigation by the department that, based on available information, it is more likely than not that child abuse or neglect did occur.

(12) "Inconclusive" means the determination following an investigation by the department, prior to October 1, 2008, that based on available information a decision cannot be made that more likely than not, child abuse or neglect did or did not occur.

(13) "Institution" means a private or public hospital or any other facility providing medical diagnosis, treatment, or care.

(14) "Law enforcement agency" means the police department, the prosecuting attorney, the state patrol, the director of public safety, or the office of the sheriff.

(15) "Malice" or "maliciously" means an intent, wish, or design to intimidate, annoy, or injure another person. Such malice may be inferred from an act done in willful disregard of the rights of another, or an act wrongfully done without just cause or excuse, or an act or omission of duty betraying a willful disregard of social duty.

(16) "Negligent treatment or maltreatment" means an act or a failure to act, or the cumulative effects of a pattern of conduct, behavior, or inaction, that evidences a serious disregard of consequences of such magnitude as to constitute a clear and present danger to a child's health, welfare, or safety, including but not limited to conduct prohibited under RCW 9A.42.100. When considering whether a clear and present danger exists, evidence of a parent's substance abuse as a contributing factor to negligent treatment or maltreatment shall be given great weight. The fact that siblings share a bedroom is not, in and of itself, negligent treatment or maltreatment. Poverty, homelessness, or exposure to domestic violence as defined in RCW 26.50.010 that is perpetrated against someone other than the child does not constitute negligent treatment or maltreatment in and of itself.

(17) "Pharmacist" means any registered pharmacist under chapter 18.64 RCW, whether acting in an individual capacity or as an employee or agent of any public or private organization or institution.

(18) "Practitioner of the healing arts" or "practitioner" means a person licensed by this state to practice podiatric medicine and surgery, optometry, chiropractic, nursing, dentistry, osteopathic medicine and surgery, or medicine and surgery or to provide other health services. The term "practitioner" includes a duly accredited Christian Science practitioner. A person who is being furnished Christian Science treatment by a duly accredited Christian Science practitioner will not be considered, for that reason alone, a neglected person for the purposes of this chapter.

(19) "Professional school personnel" include, but are not limited to, teachers, counselors, administrators, child care facility personnel, and school nurses.

(d) The reporting requirement shall also apply to any adult who has reasonable cause to believe that a child who resides with them, has suffered severe abuse, and is able or capable of making a report. For the purposes of this subsection, "severe abuse" means any of the following: Any single act of abuse that causes physical trauma of sufficient severity that, if left untreated, could cause death; any single act of sexual abuse that causes significant bledding, deep bruising, or significant external or internal swelling; or more than one act of physical abuse, each of which causes bleeding, deep bruising, significant external or internal swelling, bone fracture, or unconsciousness.

(e) The reporting requirement also applies to guardians ad litem, including court-appointed special advocates, appointed under Titles 11, 13, and 26 RCW, who in the course of their representation of children in these actions have reasonable cause to believe a child has been abused or neglected.

(f) The report must be made at the first opportunity, but in no case longer than forty-eight hours after there is reasonable cause to believe that the child has suffered abuse or neglect. The report must include the identity of the accused if known.

(2) The reporting requirement of subsection (1) of this section does not apply to the discovery of abuse or neglect that occurred during childhood if it is discovered after the child has become an adult. However, if there is reasonable cause to believe other children are or may be at risk of abuse or neglect by the accused, the reporting requirement of subsection (1) of this section does apply.

(3) Any other person who has reasonable cause to believe that a child has suffered abuse or neglect may report such incident to the proper law enforcement agency or to the department of social and health services as provided in RCW 26.44.040.

(4) The department, upon receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means or who has been subjected to alleged sexual abuse, shall report such incident to the proper law enforcement agency. In emergency cases, where the child's welfare is endangered, the department shall notify the proper law enforcement agency within twenty-four hours after a report is received by the department. In all other cases, the department shall notify the law enforcement agency within seventy-two hours after a report is received by the department. If the department makes an oral report, a written report must also be made to the proper law enforcement agency within five days thereafter.

(5) Any law enforcement agency receiving a report of an incident of alleged abuse or neglect pursuant to this chapter, involving a child who has died or has had physical injury or injuries inflicted upon him or her other than by accidental means, or who has been subjected to alleged sexual abuse, shall report such incident in writing as provided in RCW 26.44.040 to the proper county prosecutor or city attorney for appropriate action whenever the law enforcement agency's investigation reveals that a crime may have been committed. The law enforcement agency shall also notify the department of all reports received and the law enforcement agency's disposition of them. In emergency cases, where the child's welfare is endangered, the law enforcement agency shall notify the department within twenty-four hours. In all other cases, the law enforcement agency shall notify the department within seventy-two hours after a report is received by the department.

(6) Any county prosecutor or city attorney receiving a report under subsection (5) of this section shall notify the victim, any persons the victim requests, and the local office of the department, of the decision to charge or decline to charge a crime, within five days of making the decision.

(7) The department may conduct ongoing case planning and consultation with those persons or agencies required to report under this section, with consultants designated by the department, and with designated representatives of Washington Indian tribes if the client information exchanged is pertinent to cases currently receiving child protective services. Upon request, the department shall conduct planning and consultation with those persons required to report under this section if the department determines it is in the best interests of the child. Information considered privileged by statute and not directly related to reports required by this section must not be divulged without a valid written waiver of the privilege.

(8) Any case referred to the department by a physician licensed under chapter 18.57 or 18.71 RCW on the basis of an expert medical opinion that child abuse, neglect, or sexual assault has occurred and that the child's safety will be seriously endangered if returned home, the department shall file a dependency petition unless a second licensed physician of the parents' choice believes that such expert medical opinion is incorrect. If the parents fail to designate a second physician, the department may make the selection. If a physician finds that a child has suffered abuse or neglect but that such abuse or neglect does not constitute imminent danger to the child's health or safety, and the department agrees with the physician's assessment, the child may be left in the parents' home while the department proceeds with reasonable efforts to remedy parenting deficiencies.

(9) Persons or agencies exchanging information under subsection (7) of this section shall not further disseminate or release the information except as authorized by state or federal statute. Violation of this subsection is a misdemeanor.

(10) Upon receiving a report of alleged abuse or neglect, the department shall make reasonable efforts to learn the name, address, and telephone number of each person making a report of abuse or neglect under this section. The department shall provide assurances of appropriate confidentiality of the identification of persons reporting under this section. If the department is unable to learn the information required under this subsection, the department shall only investigate cases in which:

(a) The department believes there is a serious threat of substantial harm to the child;

(b) The report indicates conduct involving a criminal offense that has, or is about to occur, in which the child is the victim; or

(c) The department has a prior founded report of abuse or neglect with regard to a member of the household that is within three years of receipt of the referral.

(11)(a) Upon receiving a report of alleged abuse or neglect, the department shall use one of the following discrete responses to reports of child abuse or neglect that are screened in and accepted for departmental response:

(i) Investigation; or

(ii) Family assessment.

(b) In making the response in (a) of this subsection the department shall:

(i) Use a method by which to assign cases to investigation or family assessment which are based on an array of factors that may include the presence of: Imminent danger, level of risk, number of previous child abuse or neglect reports, or other presenting case characteristics, such as the type of alleged maltreatment and the age of the alleged victim. Age of the alleged victim shall not be used as the sole criterion for determining case assignment;

(ii) Allow for a change in response assignment based on new information that alters risk or safety level;

(iii) Allow families assigned to family assessment to choose to receive an investigation rather than a family assessment;

(iv) Provide a full investigation if a family refuses the initial family assessment;

(v) Provide voluntary services to families based on the results of the initial family assessment. If a family refuses voluntary services, and the department cannot identify specific facts related to risk or safety that warrant assignment to investigation under this chapter, and there is not a history of reports of child abuse or neglect related to the
family, then the department must close the family assessment response case. However, if at any time the department identifies risk or safety factors that warrant an investigation under this chapter, then the family assessment response case must be reassigned to investigation:

(vi) Conduct an investigation, and not a family assessment, in response to an allegation that, the department determines based on the intake assessment:

(A) Poses a risk of "imminent harm" consistent with the definition provided in RCW 13.34.050, which includes, but is not limited to, sexual abuse and sexual exploitation as defined in this chapter;

(B) Poses a serious threat of substantial harm to a child;

(C) Constitutes conduct involving a criminal offense that has, or is about to occur, in which the child is the victim;

(D) The child is an abandoned child as defined in RCW 13.34.030;

(E) The child is an adjudicated dependent child as defined in RCW 13.34.030, or the child is in a facility that is licensed, operated, or certified for care of children by the department under chapter 74.15 RCW, or by the department of early learning.

(c) The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.

||
| A | For reports of alleged abuse or neglect that are accepted for investigation by the department, the investigation shall be conducted within time frames established by the department in rule. In no case shall the investigation extend longer than ninety days from the date the report is received, unless the investigation is being conducted under a written protocol pursuant to RCW 26.44.180 and a law enforcement agency or prosecuting attorney has determined that a longer investigation period is necessary. At the completion of the investigation, the department shall make a finding that the report of child abuse or neglect is founded or unfounded.
| B | If a court in a civil or criminal proceeding, considering the same facts or circumstances as are contained in the report being investigated by the department, makes a judicial finding by a preponderance of the evidence or higher that the subject of the pending investigation has abused or neglected the child, the department shall adopt the finding in its investigation.
| C | The department may not be held civilly liable for the decision to respond to an allegation of child abuse or neglect by using the family assessment response under this section unless the state or its officers, agents, or employees acted with reckless disregard.
|

(b) shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(13)(a) For reports of alleged abuse or neglect that are responded to through family assessment response, the department shall:

(a) Provide the family with a written explanation of the procedure for assessment of the child and the family and its purposes;

(b) Collaborate with the family to identify family strengths, resources, and service needs, and develop a service plan with the goal of reducing risk of harm to the child and improving or restoring family well-being;

(c) Complete the family assessment response within forty-five days of receiving the report; however, upon parental agreement, the family assessment response period may be extended up to ninety days;

(d) Offer services to the family in a manner that makes it clear that acceptance of the services is voluntary;

(e) Implement the family assessment response in a consistent and cooperative manner;

(f) Have the parent or guardian sign an agreement to participate in services before services are initiated that informs the parents of their rights under family assessment response, all of their options, and the options the department has if the parents do not sign the consent form.

(14) In conducting an investigation or family assessment of alleged abuse or neglect, the department or law enforcement agency:

(a) May interview children. If the department determines that the response to the allegation will be family assessment response, the preferred practice is to request a parent's, guardian's, or custodian's permission to interview the child before conducting the child interview unless doing so would compromise the safety of the child or the integrity of the assessment. The interviews may be conducted on school premises, at day-care facilities, at the child's home, or at other suitable locations outside of the presence of parents. If the allegation is investigated, parental notification of the interview must occur at the earliest possible point in the investigation that will not jeopardize the safety or protection of the child or the course of the investigation. Prior to commencing the interview the department or law enforcement agency shall determine whether the child wishes a third party to be present for the interview and, if so, shall make reasonable efforts to accommodate the child's wishes. Unless the child objects, the department or law enforcement agency shall make reasonable efforts to include a third party in any interview so long as the presence of the third party will not jeopardize the course of the investigation; and

(b) Shall have access to all relevant records of the child in the possession of mandated reporters and their employees.

(15)(a) If a report of alleged abuse or neglect is founded and constitutes the third found report received by the department within the last twelve months involving the same child or family, the department shall promptly notify the office of the family and children's ombudsman of the contents of the report. The department shall also notify the ombudsman of the disposition of the report.

(16) In investigating and responding to allegations of child abuse and neglect, the department may conduct background checks as authorized by state and federal law.

(17)(a) The department shall maintain investigation records and conduct timely and periodic reviews of all founded cases of abuse and neglect. The department shall maintain a log of screened-out nonabusive cases.

(b) In the family assessment response, the department shall not make a finding as to whether child abuse or neglect occurred. No one shall be named as a perpetrator and no investigative finding shall be entered in the department's child abuse or neglect database.

(18) The department shall use a risk assessment process when investigating alleged child abuse and neglect referrals. The department shall present the risk factors at all hearings in which the placement of a dependent child is an issue. Substance abuse must be a risk factor. The department shall, within funds appropriated for this purpose, offer enhanced community-based services to persons who are determined not to require further state intervention.

(19) Upon receipt of a report of alleged abuse or neglect the law enforcement agency may arrange to interview the person making the report and any collateral sources to determine if any malice is involved in the reporting.

(20) Upon receiving a report of alleged abuse or neglect involving a child under the court's jurisdiction, under section 13.34 RCW, the department shall promptly notify the child's guardian ad litem of the report's contents. The department shall also notify the guardian ad litem of the disposition of the report. For purposes of this subsection, "guardian ad litem" has the meaning provided in RCW 13.34.030.

**Sec. 4.** RCW 26.44.031 and 2007 c 220 s 3 are each amended to read as follows:

1. To protect the privacy in reporting and the maintenance of reports of nonaccidental injury, neglect, death, sexual abuse, and cruelty to children by their parents, and to safeguard against arbitrary, malicious, or erroneous information or actions, the department shall not disclose or maintain information related to reports of child abuse or neglect except as provided in this section or as otherwise required by state and federal law.

2. The department shall destroy all of its records concerning:

(a) A screened-out report, within three years from the receipt of the report; and
(b) An unfounded or inconclusive report, within six years of completion of the investigation, unless a prior or subsequent founded report has been received regarding the child who is the subject of the report, a sibling or half-sibling of the child, or a parent, guardian, or legal custodian of the child, before the records are destroyed.

(3) The department may keep records concerning founded reports of child abuse or neglect as the department determines by rule.

(4) ((Am)) No unfounded, screened-out, or inconclusive report or information about a family's participation or nonparticipation in the family assessment response may not be disclosed to a child-placing agency, private adoption agency, or any other provider licensed under chapter 74.15 RCW without the consent of the individual who is the subject of the report or family assessment, unless:

(a) The individual seeks to become a licensed foster parent or adoptive parent; or

(b) The individual is the parent or legal custodian of a child being served by one of the agencies referenced in this subsection.

(5)(a) If the department fails to comply with this section, an individual who is the subject of a report may institute proceedings for injunctive or other appropriate relief for enforcement of the requirement to purge information. These proceedings may be instituted in the superior court for the county in which the person resides or, if the person is not then a resident of this state, in the superior court for Thurston county.

(b) If the department fails to comply with subsection (4) of this section and an individual who is the subject of the report or family assessment response information is harmed by the disclosure of information, in addition to the relief provided in (a) of this subsection, the court may award a penalty of up to one thousand dollars and reasonable attorneys' fees and court costs to the petitioner.

(c) A proceeding under this subsection does not preclude other methods of enforcement provided for by law.

(6) Nothing in this section shall prevent the department from retaining general, nonidentifying information which is required for state and federal reporting and management purposes.

Sec. 5. RCW 26.44.050 and 1999 c 176 s 33 are each amended to read as follows:

Except as provided in RCW 26.44.030(11), upon the receipt of a report concerning the possible occurrence of abuse or neglect, the law enforcement agency or the department of social and health services must investigate and provide the protective services section with a report in accordance with chapter 74.13 RCW, and where necessary to refer such report to the court.

A law enforcement officer may take, or cause to be taken, a child into custody without a court order if there is probable cause to believe that the child is abused or neglected and that the child would be injured or could not be taken into custody if it were necessary to first obtain a court order pursuant to RCW 13.34.050. The law enforcement agency or the department of social and health services investigating such a report is hereby authorized to photograph such a child for the purpose of providing documentary evidence of the physical condition of the child.

NEW SECTION. Sec. 6. A new section is added to chapter 26.44 RCW to read as follows:

(1) Within ten days of the conclusion of the family assessment, the department must meet with the child's parent or guardian to discuss the recommendation for services to address child safety concerns or significant risk of subsequent child maltreatment.

(2) If the parent or guardian disagrees with the department's recommendation regarding the provision of services, the department shall convene a family team decision-making meeting to discuss the recommendations and objections. The caseworker's supervisor and area administrator shall attend the meeting.

(3) If the department determines, based on the results of the family assessment, that services are not recommended then the department shall close the family assessment response case.

Sec. 7. RCW 74.13.020 and 2011 c 330 s 4 are each reenacted and amended to read as follows:

For purposes of this chapter:

(1) "Case management" means the management of services delivered to children and families in the child welfare system, including permanency services, caseworker-child visits, family visits, the convening of family group conferences, the development and revision of the case plan, the coordination and monitoring of services needed by the child and family, and the assumption of court-related duties, excluding legal representation, including preparing court reports, attending judicial hearings and permanency hearings, and ensuring that the child is progressing toward permanency within state and federal mandates, including the Indian child welfare act.

Convening family meetings, developing, revising, and monitoring implementation of any case plan or individual service and safety plan, coordinating and monitoring services needed by the child and family, caseworker-child visits, family visits, and the assumption of court-related duties, excluding legal representation, including preparing court reports, attending judicial hearings and permanency hearings, and ensuring that the child is progressing toward permanency within state and federal mandates, including the Indian child welfare act.

(b) Protecting and caring for dependent, abused, or neglected children;

(c) Assisting children who are in conflict with their parents, and assisting parents who are in conflict with their children, with services designed to resolve such conflicts;

(d) Protecting and promoting the welfare of children, including the strengthening of their own homes where possible, or, where needed;

(8) "Family assessment" means a comprehensive assessment of child safety, risk of subsequent child abuse or neglect, and family strengths and needs that is applied to a child abuse or neglect report. Family assessment does not include a determination as to whether
child abuse or neglect occurred, but does determine the need for services to address the safety of the child and the risk of subsequent maltreatment.

((443)) (14) "Supervising agency" means an agency licensed by the state under RCW 74.15.090, or licensed by a federally recognized Indian tribe located in this state under RCW 74.15.190, that has entered into a performance-based contract with the department to provide case management for the delivery and documentation of child welfare services, as defined in this section.

Sec. 8. RCW 74.13.031 and 2011 c 330 s 5 and 2011 c 160 s 2 are each reenacted and amended to read as follows:

(1) The department and supervising agencies shall develop, administer, supervise, and monitor a coordinated and comprehensive plan that establishes, aids, and strengthens services for the protection and care of runaway, dependent, or neglected children.

(2) Within available resources, the department and supervising agencies shall recruit an adequate number of prospective adoptive and foster homes, both regular and specialized, i.e. homes for children of ethnic minority, including Indian homes for Indian children, sibling groups, handicapped and emotionally disturbed, teens, pregnant and parenting teens, and the department shall annually report to the governor and the legislature concerning the department's and supervising agency's success in: (a) Meeting the need for adoptive and foster home placements; (b) reducing the foster parent turnover rate; (c) completing home studies for legally free children; and (d) implementing and operating the passport program required by RCW 74.13.285. The report shall include a section entitled "Foster Home Turn-Over, Causes and Recommendations."

(3) The department shall investigate complaints of any recent act or failure to act on the part of a parent or caretaker that results in death, serious physical or emotional harm, or sexual abuse or exploitation, or that presents an imminent risk of serious harm, and on the basis of the findings of such investigation, offer child welfare services in relation to the problem to such parents, legal custodians, or persons serving in loco parentis, and/or bring the situation to the attention of an appropriate court, or another community agency. An investigation is not required of nonaccidental injuries which are clearly not the result of a lack of care or supervision by the child's parents, legal custodians, or persons serving in loco parentis. If the investigation reveals that a crime against a child may have been committed, the department shall notify the appropriate law enforcement agency.

(4) As provided in RCW 26.44.030(11), the department may respond to a report of child abuse or neglect by using the family assessment response.

(5) The department or supervising agencies shall offer, on a voluntary basis, family reconciliation services to families who are in conflict.

((444)) (6) The department or supervising agencies shall monitor placements of children in out-of-home care and in-home dependencies to assure the safety, well-being, and quality of care being provided is within the scope of the intent of the legislature as defined in RCW 74.13.010 and 74.15.010. Under this section children in out-of-home care and in-home dependencies and their caregivers shall receive a private and individual face-to-face visit each month. The department and the supervising agencies shall randomly select no less than ten percent of the caregivers currently providing care to receive one unannounced face-to-face visit in the caregiver's home per year. No caregiver will receive an unannounced visit through the random selection process for two consecutive years. If the caseworker makes a good faith effort to conduct the unannounced visit to a caregiver and is unable to do so, that month's visit to that caregiver need not be unannounced. The department and supervising agencies are encouraged to group monthly visits to caregivers by geographic area so that in the event an unannounced visit cannot be completed, the caseworker may complete other required monthly visits. The department shall use a method of random selection that does not cause a fiscal impact to the department.

The department or supervising agencies shall conduct the monthly visits with children and caregivers to whom it is providing child welfare services.

((444)) (7) The department and supervising agencies shall have authority to accept custody of children from parents and to accept custody of children from juvenile courts, where authorized to do so under law, to provide child welfare services including placement for adoption, to provide for the routine and necessary medical, dental, and mental health care, or necessary emergency care of the children, and to provide for the physical care of such children and make payment of maintenance costs if needed. Except where required by Public Law 95-608 (25 U.S.C. Sec. 1915), no private adoption agency which receives children for adoption from the department shall discriminate on the basis of race, creed, or color when considering applications in their placement for adoption.

((444)) (8) The department and supervising agency shall have authority to provide temporary shelter to children who have run away from home and who are admitted to crisis residential centers.

((444)) (9) The department and supervising agency shall have authority to purchase care for children.

((444)) (10) The department shall establish a children's services advisory committee with sufficient members representing supervising agencies which shall assist the secretary in the development of a partnership plan for utilizing resources of the public and private sectors, and advise on all matters pertaining to child welfare, licensing of child care agencies, adoption, and services related thereto. At least one member shall represent the adoption community.

((444)) (11) The department and supervising agencies shall have authority to provide continued extended foster care services to youth ages eighteen to twenty-one years to participate in or complete a secondary education program or a secondary education equivalency program.

((444)) (12) The department((444)) shall have authority to provide adoption support benefits, or relative guardianship subsidies on behalf of youth ages eighteen to twenty-one years who achieved permanency through adoption or a relative guardianship at age sixteen
or older and who meet the criteria described in subsection (((444))) (11) of this section.

(((444))) (13) The department shall refer cases to the division of child support whenever state or federal funds are expended for the care and maintenance of a child, including a child with a developmental disability who is placed as a result of an action under chapter 13.34 RCW, unless the department finds that there is good cause not to pursue collection of child support against the parent or parents of the child. Cases involving individuals age eighteen through twenty shall not be referred to the division of child support unless required by federal law.

(((444))) (14) The department and supervising agencies shall have authority within funds appropriated for foster care services to purchase care for Indian children who are in the custody of a federally recognized Indian tribe or tribally licensed child-placing agency pursuant to parental consent, tribal court order, or state juvenile court order, and the purchase of such care shall be subject to the same eligibility standards and rates of support applicable to other children for whom the department purchases care.

Notwithstanding any other provision of RCW 13.32A.170 through 13.32A.200 and 74.13.032 through 74.13.036, or of this section all services to be provided by the department under subsections (4), ((6), (and)) (7), and (8) of this section, subject to the limitations of these subsections, may be provided by any program offering such services funded pursuant to Titles II and III of the federal juvenile justice and delinquency prevention act of 1974.

(((444))) (15) Within amounts appropriated for this specific purpose, the supervising agency or department shall provide preventive services to families with children that prevent or shorten the duration of an out-of-home placement.

(((444))) (16) The department and supervising agencies shall have authority to provide independent living services to youths, including individuals who have attained eighteen years of age, and have not attained twenty-one years of age who are or have been in foster care.

(((444))) (17) The department and supervising agencies shall consult at least quarterly with foster parents, including members of the foster parent association of Washington state, for the purpose of receiving information and comment regarding how the department and supervising agencies are performing the duties and meeting the obligations specified in this section and RCW 74.13.230 and 74.13.320 regarding the recruitment of foster homes, reducing foster parent turnover rates, providing effective training for foster parents, and administering a coordinated and comprehensive plan that strengthens services for the protection of children. Consultation shall occur at the regional and statewide levels.

(18)(a) The department shall, within current funding levels, place on its public web site a document listing the duties and responsibilities the department has to a child subject to a dependency petition including, but not limited to, the following:

(i) Reasonable efforts, including the provision of services, toward reunification of the child with his or her family;

(ii) Sibling visits subject to the restrictions in RCW 13.34.136(2)(b)(ii);

(iii) Parent-child visits;

(iv) Statutory preference for placement with a relative or other suitable person, if appropriate; and

(v) Statutory preference for an out-of-home placement that allows the child to remain in the same school or school district, if practical and in the child's best interests.

(b) The document must be prepared in conjunction with a community-based organization and must be updated as needed.

NEW SECTION. Sec. 9. The Washington state institute for public policy shall conduct an evaluation of the implementation of the family assessment response. The institute shall define the data to be gathered and maintained. At a minimum, the evaluations must address child safety measures, out-of-home placement rates, referral rates, and caseload sizes and demographics. The institute shall deliver its first report no later than December 1, 2014, and its final report by December 1, 2016.

NEW SECTION. Sec. 10. The department of social and health services shall conduct two client satisfaction surveys of families that have been placed in the family assessment response. The first survey results shall be reported no later than December 1, 2014. The second survey results shall be reported no later than December 1, 2016.

Sec. 11. RCW 26.44.125 and 1998 c 314 s 9 are each amended to read as follows:

(1) A person who is named as an alleged perpetrator after October 1, 1998, in a founded report of child abuse or neglect has the right to seek review and amendment of the finding as provided in this section.

(2) Within ((twenty)) thirty calendar days after ((receiving written notice from the department)) the department has notified the alleged perpetrator of the alleged perpetrator under RCW 26.44.100 that ((a)) the person is named as an alleged perpetrator in a founded report of child abuse or neglect, he or she may request that the department review the finding. The request must be made in writing. The written notice provided by the department must contain at least the following information in plain language:

(a) Information about the department's investigative finding as it relates to the alleged perpetrator;

(b) Sufficient factual information to apprise the alleged perpetrator of the date and nature of the founded reports;

(c) That the alleged perpetrator has the right to submit to child protective services a written response regarding the child protective services finding which, if received, shall be filed in the department's records;

(d) That information in the department's records, including information about this founded report, may be considered in a later investigation or proceeding related to a different allegation of child abuse or neglect or child custody;

(e) That founded allegations of child abuse or neglect may be used by the department in determining:

(i) If a perpetrator is qualified to be licensed or approved to care for children or vulnerable adults; or

(ii) If a perpetrator is qualified to be employed by the department in a position having unsupervised access to children or vulnerable adults;

(f) That the alleged perpetrator has a right to challenge a founded allegation of child abuse or neglect.

(3) If a request for review is not made as provided in this subsection, the alleged perpetrator may not further challenge the finding and shall have no right to agency review or to an adjudicative hearing or judicial review of the finding, unless he or she can show that the department did not comply with the notice requirements of RCW 26.44.100.

(4) Upon receipt of a written request for review, the department shall review and, if appropriate, may amend the finding. Management level staff within the children's administration designated by the secretary shall be responsible for the review. The review must be completed within thirty days after receiving the written request for review. The review must be conducted in accordance with procedures the department establishes by rule. Upon completion of the review, the department shall notify the alleged perpetrator in writing of the agency's determination. The notification must be sent by certified mail, return receipt requested, to the person's last known address.

(5) If, following agency review, the report remains founded, the person named as the alleged perpetrator in the report may request an adjudicative hearing to contest the finding. The adjudicative proceeding is governed by chapter 34.05 RCW and this section. The request for an adjudicative proceeding must be filed within thirty calendar days after receiving notice of the agency review determination. If a request for an adjudicative proceeding is not made
as provided in this subsection, the alleged perpetrator may not further challenge the finding and shall have no right to agency review or to an adjudicative hearing or judicial review of the finding.

((45)) (6) Reviews and hearings conducted under this section are confidential and shall not be open to the public. Information about reports, reviews, and hearings may be disclosed only in accordance with federal and state laws pertaining to child welfare records and child protective services reports.

((45)) (7) The department may adopt rules to implement this section.

Sec. 12. RCW 26.44.010 and 1999 c 176 s 27 are each amended to read as follows:

The Washington state legislature finds and declares: The bond between a child and his or her parent, custodian, or guardian is of paramount importance, and any intervention into the life of a child is also an intervention into the life of the parent, custodian, or guardian; however, instances of nonaccidental injury, neglect, death, sexual abuse and cruelty to children by their parents, custodians or guardians have occurred, and in the instance where a child is deprived of his or her right to conditions of minimal nurture, health, and safety, the state is justified in emergency intervention based upon verified information; and therefore the Washington state legislature hereby provides for the reporting of such cases to the appropriate public authorities. It is the intent of the legislature that, as a result of such reports, protective services shall be made available in an effort to prevent further abuses, and to safeguard the general welfare of such children. 

(2) The department of social and health services and its employees, agents, employees, and volunteers, are not liable for acts performed to comply with such court orders. In providing reports and recommendations to the court, employees of the department of social and health services are entitled to the same witness immunity as any other witness.

NEW SECTION. Sec. 13. A new section is added to chapter 4.24 RCW to read as follows:

(1) Governmental entities, and their officers, agents, employees, and volunteers, are not liable in tort for any of their acts or omissions in emergency placement investigations of child abuse or neglect under chapter 26.44 RCW including, but not limited to, any determination to leave a child with a parent, custodian, or guardian, or to return a child to a parent, custodian, or guardian, unless the act or omission constitutes gross negligence. Emergent placement investigations are those conducted prior to a shelter care hearing under RCW 13.34.065.

(2) The department of social and health services and its employees shall comply with the orders of the court, including shelter care and other dependency orders, and are not liable for acts performed to comply with such court orders. In providing reports and recommendations to the court, employees of the department of social and health services are entitled to the same witness immunity as would be provided to any other witness.

NEW SECTION. Sec. 14. A new section is added to chapter 26.44 RCW to read as follows:

Consistent with the paramount concern of the department to protect the child's interests of basic nurture, physical and mental health, and safety, and the requirement that the child's health and safety interests prevail over conflicting legal interests of a parent, custodian, or guardian, the liability of governmental entities, and their officers, agents, employees, and volunteers, to parents, custodians, or guardians accused of abuse or neglect is limited as provided in section 13 of this act.

NEW SECTION. Sec. 15. Sections 1 and 3 through 10 of this act take effect December 1, 2013."

MESSAGE FROM THE SENATE

February 29, 2012

Mr. Speaker:

The Senate has passed SUBSTITUTE HOUSE BILL NO. 2349 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. The legislature finds that beavers have historically played a significant role in maintaining the health of watersheds in the Pacific Northwest and act as key agents in riparian ecology. The live trapping and relocating of beavers has long been recognized as a beneficial wildlife management practice, and has been successfully utilized to restore and maintain stream ecosystems for over fifty years. The benefits of active beaver populations include reduced stream sedimentation, stream temperature moderation, higher dissolved oxygen levels, overall improved water quality, increased natural water storage capabilities within watersheds and reduced stream velocities. These benefits improve and create habitat for many other species, including endangered salmon, river otters, sandhill cranes, trumpeter swans, and other riparian and aquatic species. Relocating beavers into their historic habitat provides a natural mechanism for improving the environmental conditions in Washington's riparian ecosystems without having to resort to governmental regulation or expensive publicly funded engineering projects.

NEW SECTION. Sec. 2. A new section is added to chapter 77.32 RCW to read as follows:

(1) The department shall permit the release of wild beavers on public and private lands with agreement from the property owner.

(2) The department may limit the release of wild beavers to areas of the state where:

(a) There is a low probability of released beavers becoming a nuisance or causing damage;

(b) Conditions exist for released beavers to improve, maintain, or manage stream or riparian ecosystem functions; and

(c) There is evidence of historic endemic beaver populations.

(3) The department may condition the release of beaver to maximize the relocation's success and minimize risk. Factors that the department may condition include:

(a) Stream gradient;

(b) Sufficiency of the water supply;

(c) Adequacy of a food source;

(d) Proper site elevation and valley width;

(e) Age of the beavers relocated;

(f) Times of year for capture and relocation;

(g) Requirements for the capture, handling, and transport of the live beavers;

(h) Requirements for the permit holder to initially provide supplemental food and lodge building materials.

(4) The department may require specific training for those involved with capture, handling, and release of beavers.

(5) Nothing in this section creates any liability against the state or those releasing beavers nor authorizes any private right of action for any damages subsequently caused by beavers released pursuant to this section.

(6) For the purposes of this section, "beaver" means the American beaver (Castor canadensis).

MESSAGE FROM THE SENATE

March 5, 2012

Mr. Speaker:

The Senate has passed ENGROSSED SUBSTITUTE HOUSE BILL NO. 2614 with the following amendment:

"NEW SECTION. Sec. 1. A new section is added to chapter 64.04 RCW to read as follows:

(1) If the beneficiary or mortgagee, or its assignees, of debt secured by owner-occupied real property intends to release its deed of trust or mortgage in the real property for less than full payment of the secured debt, it shall provide upon its first written notice to the borrower the following information in substantially the following form:

"To: [Name of borrower] DATE:

Please take note that [name of beneficiary or mortgagee, or its assignees], in releasing its security interest in this owner-occupied real property, [waives or reserves] the right to collect that amount that constitutes full payment of the secured debt. The amount of debt outstanding as of the date of this letter is $... However, nothing in this letter precludes the borrower from negotiating with the [name of beneficiary or mortgagee, or its assignees] for a full release of this outstanding debt.

If [name of beneficiary or mortgagee, or its assignees] does not initiate a court action to collect the outstanding debt within three years on the date which it released its security interest, the right to collect the outstanding debt is forfeited.

(2) If the beneficiary or mortgagee, or its assignees, of debt secured by owner-occupied real property intends to pursue collection of the outstanding debt, it must initiate a court action to collect the remaining debt within three years from the date on which it released its deed of trust or mortgage in the owner-occupied real property or else it forfeits any right to collect the remaining debt.

(3) This section applies only to debts incurred by individuals primarily for personal, family, or household purposes. This section does not apply to debts for business, commercial, or agricultural purposes.

(4) For the purposes of this section, "owner-occupied real property" means real property consisting solely of a single-family residence, a residential condominium unit, or a residential cooperative unit that is the principal residence of the borrower.

Sec. 2. RCW 18.86.120 and 1997 c 217 s 7 are each amended to read as follows:

(1) The pamphlet required under RCW 18.86.030(1)(f) shall consist of the entire text of RCW 18.86.010 through 18.86.030 and 18.86.040 through 18.86.110 with a separate cover page. The pamphlet shall be 8 1/2 by 11 inches in size, the text shall be in print no smaller than 10-point type, the cover page shall be in print no smaller than 12-point type, and the title of the cover page "The Law of Real Estate Agency" shall be in print no smaller than 18-point type. The cover page shall be in the following form:

The Law of Real Estate Agency

This pamphlet describes your legal rights in dealing with a real estate broker or salesperson. Please read it..."
The following is only a brief summary of the attached law:

Sec. 1. Definitions. Defines the specific terms used in the law.

Sec. 2. Relationships between Licensees and the Public. States that a licensee who works with a buyer or tenant represents that buyer or tenant--unless the licensee is the listing agent, a seller's subagent, a dual agent, the seller personally or the parties agree otherwise. Also states that in a transaction involving two different licensees affiliated with the same broker, the broker is a dual agent and each licensee solely represents his or her client--unless the parties agree in writing that both licensees are dual agents.

Sec. 3. Duties of a Licensee Generally. Prescribes the duties that are owed by all licensees, regardless of who the licensee represents. Requires disclosure of the licensee's agency relationship in a specific transaction.

Sec. 4. Duties of a Seller's Agent. Prescribes the additional duties of a licensee representing the seller or landlord only.

Sec. 5. Duties of a Buyer's Agent. Prescribes the additional duties of a licensee representing the buyer or tenant only.

Sec. 6. Duties of a Dual Agent. Prescribes the additional duties of a licensee representing both parties in the same transaction, and requires the written consent of both parties to the licensee acting as a dual agent.

Sec. 7. Duration of Agency Relationship. Describes when an agency relationship begins and ends. Provides that the duties of accounting and confidentiality continue after the termination of an agency relationship.

Sec. 8. Compensation. Allows brokers to share compensation with cooperating brokers. States that payment of compensation does not necessarily establish an agency relationship. Allows brokers to receive compensation from more than one party in a transaction with the parties' consent.

Sec. 9. Vicarious Liability. Eliminates the common law liability of a party for the conduct of the party's agent or subagent, unless the agent or subagent is insolvent. Also limits the liability of a broker for the conduct of a subagent associated with a different broker.

Sec. 10. Imputed Knowledge and Notice. Eliminates the common law rule that notice to or knowledge of an agent constitutes notice to or knowledge of the principal.

Sec. 11. Interpretation. This law replaces the fiduciary duties owed by an agent to a principal under the common law, to the extent that it conflicts with the common law.

(2)(a) The pamphlet required under RCW 18.86.030(1)(f) must also include the following disclosure: When the seller of owner-occupied residential real property enters into a listing agreement with a real estate licensee where the proceeds from the sale may be insufficient to cover the costs at closing, it is the responsibility of the real estate licensee to disclose to the seller in writing that the decision by any beneficiary or mortgagee, or its assignees, to release its interest in the real property, for less than the amount the borrower owes, does not automatically relieve the seller of the obligation to pay any debt or costs remaining at closing, including fees such as the real estate licensee's commission.

(b) For the purposes of this subsection, "owner-occupied real property" means real property consisting solely of a single-family residence, a residential condominium unit, or a residential cooperative unit that is the principal residence of the borrower.

Sec. 3. RCW 4.16.040 and 2007 c 124 s 1 are each amended to read as follows:

The following actions shall be commenced within six years:

(1) An action upon a contract in writing, or liability express or implied arising out of a written agreement, except as provided for in section 1(2) of this act.

(2) An action upon an account receivable. For purposes of this section, an account receivable is any obligation for payment incurred in the ordinary course of the claimant's business or profession, whether arising from one or more transactions and whether or not earned by performance.

(3) An action for the rents and profits or for the use and occupation of real estate.

Sec. 4. RCW 61.24.031 and 2011 c 58 s 5 are each amended to read as follows:

(1)(a) A trustee, beneficiary, or authorized agent may not issue a notice of default under RCW 61.24.030(8) until: (i) Thirty days after (initial contact with the borrower was initiated as required under (b) of this subsection or thirty days after) satisfying the due diligence requirements as described in subsection (5) of this section and the borrower has not responded; or (ii) if the borrower responds to the initial contact, ninety days after the initial contact with the borrower was initiated.

(b) A beneficiary or authorized agent shall make initial contact with the borrower by letter to provide the borrower with information required under (c) of this subsection and by telephone as required under subsection (5) of this section. The letter required under this subsection must be mailed in accordance with subsection (5)(a) of this section and must include the information described in (c) of this subsection and subsection (5)(c)(i) through (iv) of this section.

(c) The letter required under this subsection, developed by the department pursuant to RCW 61.24.033, at a minimum shall include:

(i) A paragraph printed in no less than twelve-point font and bolded that reads:

"You must respond within thirty days of the date of this letter. IF YOU DO NOT RESPOND within thirty days, a notice of default may be issued and you may lose your home in foreclosure.

IF YOU DO RESPOND within thirty days of the date of this letter, you will have an additional sixty days to meet with your lender before a notice of default may be issued.

You should contact a housing counselor or attorney as soon as possible. Failure to contact a housing counselor or attorney may result in your losing certain opportunities, such as meeting with your lender or participating in mediation in front of a neutral third party. A
housing counselor or attorney can help you work with your lender to avoid foreclosure.

If you filed bankruptcy or have been discharged in bankruptcy, this communication is not intended as an attempt to collect a debt from you personally, but is notice of enforcement of the deed of trust lien against the property. If you wish to avoid foreclosure and keep your property, this notice sets forth your rights and options.

(ii) The toll-free telephone number from the United States department of housing and urban development to find a department-approved housing counseling agency, the toll-free numbers for the statewide foreclosure hotline recommended by the housing finance commission, and the statewide civil legal aid hotline for assistance and referrals to other housing counselors and attorneys;

(iii) A paragraph stating that a housing counselor may be available at little or no cost to the borrower and that whether or not the borrower contacts a housing counselor or attorney, the borrower has the right to request a meeting with the beneficiary; and

(iv) A paragraph explaining how the borrower may respond to the letter and stating that after responding the borrower will have an opportunity to meet with his or her beneficiary in an attempt to resolve and try to work out an alternative to the foreclosure and that, after ninety days from the date of the letter, a notice of default may be issued, which starts the foreclosure process.

(d) If the beneficiary has exercised due diligence as required under subsection (5) of this section and the borrower does not respond by contacting the beneficiary within thirty days of the initial contact, the notice of default may be issued. "Initial contact' with the borrower is considered made three days after the date the letter required in (b) of this subsection is sent.

(e) If a meeting is requested by the borrower or the borrower's housing counselor or attorney, the beneficiary or authorized agent shall schedule the meeting to occur before the notice of default is issued. An assessment of the borrower's financial ability to modify or restructure the loan obligation and a discussion of options must occur during the meeting scheduled for that purpose.

(f) The meeting scheduled to assess the borrower's financial ability to modify or restructure the loan obligation and discuss options to avoid foreclosure ((must be in person, unless the requirement to meet in person is waived in writing by the borrower or the borrower's representative. A person who is authorized to modify the loan obligation or reach an alternative resolution to foreclosure on behalf of the beneficiary may participate by telephone or video conference, so long as a representative of the beneficiary is at the meeting in person)) may be held telephonically, unless the borrower or borrower's representative requests in writing that a meeting be held in person. The written request for an in-person meeting must be made within thirty days of the initial contact with the borrower. If the meeting is requested to be held in person, the meeting must be held in the county where the borrower resides. A person who is authorized to agree to a resolution, including modifying or restructuring the loan obligation or other alternative resolution to foreclosure on behalf of the beneficiary, must be present either in person or on the telephone or video conference during the meeting.

(2) A notice of default issued under RCW 61.24.030(8) must include a declaration, as provided in subsection (9) of this section, from the beneficiary or authorized agent that it has contacted the borrower as provided in subsection (1) of this section, it has tried with due diligence to contact the borrower under subsection (5) of this section, or the borrower has surrendered the property to the trustee, beneficiary, or authorized agent. Unless the trustee has violated his or her duty under RCW 61.24.010(4), the trustee is entitled to rely on the declaration as evidence that the requirements of this section have been satisfied, and the trustee is not liable for the beneficiary's or its authorized agent's failure to comply with the requirements of this section.

(3) If, after the initial contact under subsection (1) of this section, a borrower has designated a housing counseling agency, housing counselor, or attorney to discuss with the beneficiary or authorized agent, on the borrower's behalf, options for the borrower to avoid foreclosure, the borrower shall inform the beneficiary or authorized agent and provide the contact information to the beneficiary or authorized agent. The beneficiary or authorized agent shall contact the designated representative for the borrower to meet.

(4) The beneficiary or authorized agent and the borrower or the borrower's representative shall attempt to reach a resolution for the borrower within the ninety days from the time the initial contact is sent and the notice of default is issued. A resolution may include, but is not limited to, a loan modification, an agreement to conduct a short sale, or a deed in lieu of foreclosure transaction, or some other workout plan. Any modification or workout plan offered at the meeting with the borrower's designated representative by the beneficiary or authorized agent is subject to approval by the borrower.

(5) A notice of default may be issued under RCW 61.24.030(8) if a beneficiary or authorized agent has initiated contact with the borrower as required under subsection (1)(b) of this section and the failure to meet with the borrower occurred despite the due diligence of the beneficiary or authorized agent. Due diligence requires the following:

(a) A beneficiary or authorized agent shall first attempt to contact a borrower by sending a first-class letter to the address in the beneficiary's records for sending account statements to the borrower and to the address of the property encumbered by the deed of trust. The letter must be the letter described in subsection (1)(c) of this section.

(b)(i) After the letter has been sent, the beneficiary or authorized agent shall attempt to contact the borrower by telephone at least three times at different hours and on different days. Telephone calls must be made to the primary and secondary telephone numbers on file with the beneficiary or authorized agent.

(ii) A beneficiary or authorized agent may attempt to contact a borrower using an automated system to dial borrowers if the telephone call, when answered, is connected to a live representative of the beneficiary or authorized agent.

(iii) A beneficiary or authorized agent satisfies the telephone contact requirements of this subsection (5)(b) if the beneficiary or authorized agent determines, after attempting contact under this subsection (5)(b), that the borrower's primary telephone number and secondary telephone number or numbers on file, if any, have been disconnected or are not good contact numbers for the borrower.

(iv) The telephonic contact under this subsection (5)(b) does not constitute the meeting under subsection (1)(f) of this section.

(c) If the borrower does not respond within fourteen days after the telephone call requirements of (b) of this subsection have been satisfied, the beneficiary or authorized agent shall send a certified letter, with return receipt requested, to the borrower at the address in the beneficiary's records for sending account statements to the borrower and to the address of the property encumbered by the deed of trust. The letter must include the information described in (a)(i) through (iv) of this subsection. The letter must also include a paragraph stating: "Your failure to contact a housing counselor or attorney may result in your losing certain opportunities, such as meeting with your lender or participating in mediation in front of a neutral third party."

(d) The beneficiary or authorized agent shall provide a means for the borrower to contact the beneficiary or authorized agent in a timely manner, including a toll-free telephone number or charge-free equivalent that will provide access to a live representative during business hours for the purpose of initiating and scheduling the meeting under subsection (1)(f) of this section.
The undersigned beneficiary or authorized agent for the beneficiary hereby represents and declares under the penalty of perjury that [check the applicable box and fill in any blanks so that the trustee can insert, on the beneficiary's behalf, the applicable information to be provided by the beneficiary or authorized agent], as required under chapter 61.24 RCW.

Nothing in this section precludes a beneficiary from requesting that a borrower dismiss with prejudice any pending claims against the beneficiary, its agents, loan servicer, or trustee, arising from the underlying deed of trust, as a condition of modification.

(((xvi)) (11)) If the mediator reasonably believes a borrower will not attend a mediation session based on the borrower’s conduct, such as the lack of response to the mediator’s communications, the mediator may cancel a scheduled mediation session and send a written cancellation to the department and the trustee and send copies to the parties. The beneficiary may proceed with the foreclosure after receipt of the mediator’s written confirmation of cancellation.

(12) Within seven business days after the conclusion of the mediation session, the mediator must send a written certification to the department and the trustee and send copies to the parties of:

(a) The date, time, and location of the mediation session;

(b) The names of all persons attending in person and by telephone or video conference, at the mediation session;

(c) Whether a resolution was reached by the parties, including whether the default was cured by reinstatement, modification, or restructuring of the debt, or some other alternative to foreclosure was agreed upon by the parties;

(d) Whether the parties participated in the mediation in good faith; and

(e) If a written agreement was not reached, a description of (the) any net present value test used, along with a copy of the inputs, including the result of (the) any net present value test expressed in a dollar amount.

(((vi)) (13)) If the parties are unable to reach (any agreement and the mediator certifies that the parties acted in good faith, the beneficiary may proceed with the foreclosure.

(((viii)) (14)) An agreement, the beneficiary may proceed with the foreclosure after receipt of the mediator’s written certification.

((((xvi)) (14)(a)) The mediator’s certification that the beneficiary failed to act in good faith in mediation constitutes a defense to the nonjudicial foreclosure action that was the basis for initiating the mediation. In any action to enjoin the foreclosure, the beneficiary (shall be) is entitled to rebute the allegation that it failed to act in good faith.

(b) The mediator’s certification that the beneficiary failed to act in good faith during mediation does not constitute a defense to a judicial foreclosure or a future nonjudicial foreclosure action if a modification of the loan is agreed upon and the borrower subsequently defaults.

(c) If an affordable loan modification is not offered in the mediation or a written agreement was not reached and the mediator’s certification shows that the net present value of the modified loan exceeds the anticipated net recovery at foreclosure, that showing in the certification (shall constitute) constitutes a basis for the borrower to enjoin the foreclosure.

(((xvi)) (15)) The mediator’s certification that the borrower failed to act in good faith in mediation authorizes the beneficiary to proceed with the foreclosure.

(((xvi)) (16)(a)) If a borrower has been referred to mediation before a notice of trustee sale has been recorded, a trustee may not record the notice of sale until the trustee receives the mediator’s certification stating that the mediation has been completed. ((b)) If the trustee does not receive the mediator’s certification, the trustee may record the notice of sale after ten days from the date the certification to the trustee was due. If (the), after a notice of sale is recorded under this subsection (((3)(b)) and) (16)(a), the mediator subsequently issues a certification (alleging) finding that the beneficiary violated the duty of good faith, (the trustee may not proceed with the sale).

(b) If a borrower has been referred to mediation after the notice of
sale was recorded, the sale may not occur until the trustee receives the mediator's certification stating that the mediation has been completed.

(17) A mediator may charge reasonable fees as authorized by this subsection and by the department. Unless the fee is waived or the parties agree otherwise, a foreclosure mediator's fee may not exceed four hundred dollars for preparing, scheduling, and conducting a mediation session lasting between one hour and three hours. For a mediation session exceeding three hours, the foreclosure mediator may charge a reasonable fee, as authorized by the department. The mediator must provide an estimated fee before the mediation, and payment of the mediator's fee must be divided equally between the beneficiary and the borrower. The beneficiary and the borrower must tender the loan mediator's fee ((within thirty calendar days)) within thirty calendar days ((before the commencement of the) from receipt of the department's letter referring the parties to mediation or pursuant to the mediator's instructions.

(4)(a) A mediator under this section ((who is an employee or volunteer of a dispute resolution center under chapter 7.75 RCW)) is immune from suit in any civil action based on any proceedings or other official acts performed in his or her capacity as a foreclosure mediator, except in cases of willful or wanton misconduct.

(b) A mediator is not subject to discovery or compulsory process to testify in any litigation pertaining to a foreclosure action between the parties. However, the mediator's certification and all information and material presented as part of the mediation process may be deemed admissible evidence, subject to court rules, in any litigation pertaining to a foreclosure action between the parties.

Sec. 8. RCW 61.24.174 and 2011 1st sp.s c 24 s 1 are each amended to read as follows:

If the deed of trust was granted to secure a commercial loan, this subsection shall not apply to actions brought to enforce any other lien or security interest granted to secure the obligation secured by the deed of trust being foreclosed;

(5) That the deed of trust has been recorded in each county in which the land or some part thereof is situated;

(7)(a) That, for residential real property, before the notice of trustee's sale is recorded, transmitted, or served, the trustee shall have proof that the beneficiary is the owner of any promissory note or other obligation secured by the deed of trust. A declaration by the beneficiary made under the penalty of perjury stating that the beneficiary is the actual holder of the promissory note or other obligation secured by the deed of trust shall be sufficient proof as required under this subsection.

(b) Unless the trustee has violated his or her duty under RCW 61.24.010(4), the trustee is entitled to rely on the beneficiary's declaration as evidence of proof required under this subsection.

(c) This subsection (7) does not apply to association beneficiaries subject to chapter 64.32, 64.34, or 64.38 RCW;

(8) That at least thirty days before notice of sale shall be recorded, transmitted or served, written notice of default shall be transmitted by the beneficiary or trustee to the borrower and grantor at their last known addresses by both first-class and either registered or certified mail, return receipt requested, and the beneficiary or trustee shall cause to be posted in a conspicuous place on the premises, a copy of the notice, or personally served on the borrower and grantor. (h) A statement that the effect of the recordation, transmittal, and publication of a notice of sale will be to (i) increase the costs and fees and (ii) publicize the default and advertise the grantor's property for sale;

(i) A statement that the effect of the sale of the grantor's property by the trustee will be to deprive the grantor of all their interest in the property described in (a) of this subsection;

(j) A statement that the borrower, grantor, and any guarantor has recourse to the courts pursuant to RCW 61.24.130 to contest the alleged default on any proper ground;

"You should take care to protect your interest in your home. This notice of default (your failure to pay) is the first step in a process that could result in you losing your home. You should carefully review your options. For example:

- Can you pay and stop the foreclosure process?
- Do you dispute the failure to pay?
- Can you sell your property to preserve your equity?
- Are you able to refinance this loan or obligation with a new loan or obligation from another lender with payments, terms, and fees that are more affordable?
- Do you qualify for any government or private homeowner assistance programs?
- Do you know if filing for bankruptcy is an option? What are the pros and cons of doing so?
- Do not ignore this notice; because if you do nothing, you could lose your home at a foreclosure sale. (No foreclosure sale can be held any sooner than ninety days after a notice of sale is issued and a notice of sale cannot be issued until thirty days after this notice.) Also, if you do nothing to pay what you owe, be careful of people who claim they can help you. There are many individuals and businesses that watch for the notices of sale in order to unfairly profit as a result of borrowers' distress.

You may feel you need help understanding what to do. There are a number of professional resources available, including home loan counselors and attorneys, who may assist you. Many legal services are lower-cost or even free, depending on your ability to pay. If you desire legal help in understanding your options or handling this default, you may obtain a referral (at no charge) by contacting the county bar association in the county where your home is located. These legal referral services also provide information about lower cost or free legal services for those who qualify. You may contact the Department of Financial Institutions or the statewide civil legal aid hotline for possible assistance or referrals."

"THIS NOTICE IS ONE STEP IN A PROCESS THAT COULD RESULT IN YOUR LOSING YOUR HOME."

You may be eligible for mediation in front of a neutral third party to help save your home.

CONTACT A HOUSING COUNSELOR OR AN ATTORNEY LICENSED IN WASHINGTON NOW to assess your situation and refer you to mediation if you might benefit. Mediation MUST be requested between the time you receive the Notice of Default and no later than twenty days after the Notice of Trustee Sale is recorded.

DO NOT DELAY. If you do nothing, a notice of sale may be issued as soon as 30 days from the date of this notice of default. The notice of sale will provide a minimum of 120 days' notice of the date of the actual foreclosure sale.

BE CAREFUL of people who claim they can help you. There are

You may wish to consult a lawyer. Legal action on your part may prevent or restrain the sale, but only if you persuade the court of the merits of your defense. You may contact the Department of Financial Institutions or the statewide civil legal aid hotline for possible assistance or referrals.

The court may grant a restraining order or injunction to restrain a trustee's sale pursuant to RCW 61.24.130 upon five days notice to the trustee of the time when, place where, and the judge before whom the application for the restraining order or injunction is to be made. POINT OF PARLIAMENTARY INQUIRY

Representative Shea: “Thank you Mr. Speaker, Engrossed Second Substitute House Bill No. 2565 requires retailers providing roll-your-own cigarette machines to collect the state cigarette tax. The question presented is whether the bill is a clarification and enforcement of existing law, requiring a majority vote, or an imposition of a new tax as defined by RCW 43.135.034, requiring a supermajority of two-thirds. The Speaker notes that under current state law “roll-your-own” is included in the definition of cigarette (see RCW 70.157.010(d)). The Speaker finds and rules that the bill before us simply establishes a tax enforcement and regulatory system for roll-your-own cigarettes that are already subject to the tax, and that final passage requires a majority vote of fifty.”

The Speaker (Representative Moeller presiding) stated the question before the House to be the final passage of Engrossed Second Substitute House Bill No. 2565.

For the purpose of this pilot program, during the 2011-2013 fiscal biennium, a roadway construction zone includes areas where public employees or private contractors may be present or where a driving condition exists that would make it unsafe to drive at higher speeds, such as, when the department is redirecting or realigning lanes on any public roadway pursuant to ongoing construction. The department shall use the following guidelines to administer the program:

(a) Automated traffic safety cameras may only take pictures of the vehicle and vehicle license plate and only while an infraction is occurring. The picture must not reveal the face of the driver or of passengers in the vehicle;

(b) The department shall plainly mark the locations where the automated traffic safety cameras are used by placing signs on locations that clearly indicate to a driver that he or she is entering a roadway construction zone where traffic laws are enforced by an automated traffic safety camera;

(c) Notices of infractions must be mailed to the registered owner of a vehicle within fourteen days of the infraction occurring;

(d) The owner of the vehicle is not responsible for the violation if the owner of the vehicle, within fourteen days of receiving notification of the violation, mails to the patrol, a declaration under penalty of perjury, stating that the vehicle involved was, at the time, stolen or in the care, custody, or control of some person other than the registered owner, or any other extenuating circumstances;

(e) For purposes of the 2011-2013 fiscal biennium pilot program, infractions detected through the use of automated traffic safety cameras are not part of the registered owner's driving record under RCW 46.52.101 and 46.52.120. Additionally, infractions generated by the use of automated traffic safety cameras must be processed in the same manner as parking infractions for the purposes of RCW 3.50.100, 35.20.220, 46.16A.120, and 46.20.270(3). However, the amount of the fine issued under this subsection (5) for an infraction generated through the use of an automated traffic safety camera is one hundred thirty-seven dollars. The court shall remit thirty-two dollars of the fine to the state treasurer for deposit into the state patrol highway account; and

(f) If a notice of infraction is sent to the registered owner and the registered owner is a rental car business, the infraction must be dismissed against the business if it mails to the patrol, within fourteen days of receiving the notice, a declaration under penalty of perjury of the name and known mailing address of the individual driving or renting the vehicle when the infraction occurred. If the business is unable to determine who was driving or renting the vehicle at the time the infraction occurred, the business must sign a declaration under penalty of perjury to this effect. The declaration must be mailed to the patrol within fourteen days of receiving the notice of traffic infraction. Timely mailing of this declaration to the issuing agency relieves a rental car business of any liability under this section for the notice of infraction. A declaration form suitable for this purpose must be included with each automated traffic infraction notice issued, along with instructions for its completion and use.

The department shall track the costs associated with active traffic management systems on a corridor basis and report to the transportation committees of the legislature on the cost and benefits of the systems by December 1, 2011.

Sec. 602. 2011 c 367 s 608 (uncodified) is amended to read as follows:

STAFFING LEVELS

(1) As the department of transportation completes delivery of the projects funded by the 2003 and 2005 transportation revenue packages, it is clear that the current staffing levels necessary to deliver these projects are not sustainable into the future. Therefore, the department is directed to quickly move forward to develop and implement new business practices so that a smaller, more nimble state workforce can effectively and efficiently deliver transportation improvement programs as they are approved in the future, in strong partnership with the private sector, while protecting the public’s interests and assets.

(2) To this end, the department of transportation is directed to reduce the size of its engineering and technical workforce to a level sustained by current law revenue levels currently estimated at two thousand FTEs by the end of the 2013-2015 fiscal biennium. The department’s current three and three-quarter thousand FTE engineering and technical workforce levels for highway construction will be reduced in the 2011-2013 fiscal biennium, with a target of two thousand four and one-half hundred FTEs by June 30, 2013, and to a level of two thousand six hundred FTEs by June 30, 2015.

(3) In order to successfully deliver the highway construction program as funded, the department of transportation may continue to contract out engineering and technical services. In addition, the department may continue the incentive program for retirements and employee separations. (The department shall report quarterly to the office of financial management and the transportation committees of the legislature on its progress and plans to reduce highway construction workforce levels to two thousand FTEs by June 2015. This report must also be posted on the department’s web site.)

(4) The department of transportation is directed to reduce the size of its administrative operating programs for the 2013-2015 biennium. As part of the department’s biennial budget submission, the department shall reduce its workforce in Programs C, H, T, and S by five to seven percent. The ratio of executive management service or Washington management services employee staff must be at least seven staff for every manager by the end of the 2013-2015 biennium.

Sec. 603. 2011 c 367 s 603 (uncodified) is amended to read as follows:

FUND TRANSFERS

(1) The transportation 2003 projects or improvements and the 2005 transportation partnership projects or improvements are listed in LEAP Transportation Document (2011-1) 2012-2 as developed (April 19, 2011) February 21, 2012, which consists of a list of specific projects by fund source and amount over a sixteen-year period. Current fiscal biennium funding for each project is a line-item appropriation, while the outer year funding allocations represent a sixteen-year plan. The department is expected to use the flexibility provided in this section to assist in the delivery and completion of all transportation partnership account and transportation 2003 account (nickel account) projects on the LEAP transportation documents referenced in this act. For the 2009-2011 and 2011-2013 project appropriations, unless otherwise provided in this act, the director of financial management may authorize a transfer of appropriation authority between projects funded with transportation 2003 account (nickel account) appropriations, or transportation partnership account appropriations, in order to manage project spending and efficiently deliver all projects in the respective program under the following conditions and limitations:

(a) Transfers may only be made within each specific fund source referenced on the respective project list;

(b) Transfers from a project may not be made as a result of the reduction of the scope of a project or be made to support increases in the scope of a project;

(c) Each transfer between projects may only occur if the director of financial management finds that any resulting change will not hinder the completion of the projects as approved by the legislature. Until the legislature reconvenes to consider the 2012 supplemental transportation budget, any unexpended 2009-2011 appropriation balance as approved by the office of financial management, in consultation with the legislative staff of the house of representatives and senate transportation committees, may be considered when transferring funds between projects;

(d) Transfers from a project may be made if the funds appropriated to the project are in excess of the amount needed to complete the project;

(e) Transfers may not occur for projects not identified on the applicable project list;

(f) Transfers may not be made while the legislature is in session;

(g) Transfers between projects may be made by the department of transportation until the transfer amount by project exceeds two hundred fifty thousand dollars, or ten percent of the total project, whichever is less. These transfers must be reported quarterly to the director of financial management and the chairs of the house of representatives and senate transportation committees.

(2) At the time the department submits a request to transfer funds under this section, a copy of the request must be submitted to the transportation committees of the legislature.

(3) The office of financial management shall work with legislative staff of the house of representatives and senate transportation committees to review the requested transfers in a timely manner.

(4) The office of financial management shall document approved transfers and schedule changes in the transportation executive information system, compare changes to the legislative baseline funding and schedules identified by project identification number identified in the LEAP transportation documents referenced in this act, and transmit revised project lists to chairs of the transportation committees of the legislature on a quarterly basis.

The recommended successor must participate in the open competitive process used to select an applicant. In making successor recommendations and appointment determinations, the following provisions apply:
(a) If a subagency is held by a partnership or corporate entity, the nomination must be submitted on behalf of, and agreed to by, all partners or corporate officers;
(b) A subagent may not receive any direct or indirect compensation or remuneration from any party or entity in recognition of a successor nomination. A subagent may not receive any financial benefit from the transfer or termination of an appointment; and
(c) The appointment of a successor is intended to assist in the efficient transfer of appointments to minimize public inconvenience. The appointment of a successor does not create a proprietary or property interest in the appointment.

(6) **Standard contracts.** The standard contracts provided by the director in this section may include provisions that the director deems necessary to ensure that readily accessible and acceptable service is provided to the citizens of the state, including the full collection of fees and taxes. The standard contracts must include provisions that:
(a) Describe responsibilities and liabilities of each party related to service expectations and levels;
(b) Describe the equipment to be supplied by the department and equipment maintenance;

(f) Describe causes and procedures for termination of the contract, which may include mediation and binding arbitration.

(7) **County auditor/agent cost reimbursement.** A county auditor or other agent appointed by the director who does not cover expenses for services provided by the standard contract may submit to the department a request for cost-coverage moneys. The request must be submitted on a form developed by the department. The department (shall) must develop procedures to standardize and identify allowable costs and to verify whether a request is reasonable. Payment must be made on those requests found to be allowable from the licensing services account.

(8) **County auditor/agent revenue disbursement.** County revenues that exceed the cost of providing services described in the standard contract, calculated in accordance with the procedures in subsection (7) of this section, must be expended as determined by the county legislative authority during the process established by law for adoption of county budgets.

(9) **Appointment authority.** The director has final appointment authority for county auditors or other agents or subagents.

(10) **Rules.** The director may adopt rules to implement this section.

**NEW SECTION. Sec. 11.** A new section is added to chapter 46.01 RCW to read as follows:

The department may, in coordination with the state parks and recreation commission, offer for sale and distribute discover passes and day-use permits, as provided in chapter 79A.80 RCW, at the department's drivers' licenses offices. Any amounts collected by the department through the sales of discover passes and day-use permits must be deposited in the recreation access pass account created in RCW 79A.80.090.

**NEW SECTION. Sec. 12.** (1) A state agency may not refund money for a discover pass or vehicle access pass issued prior to the effective date of this section.

(2) Each discover pass or vehicle access pass issued prior to the effective date of this section is valid for two license plate numbers written on the pass.

(3) For the purposes of this section, the terms "discover pass” and “vehicle access pass” have the same meanings provided under RCW 79A.80.010.

(4) This section expires December 31, 2013.

**NEW SECTION. Sec. 13.** (1) By December 31, 2013, the agencies responsible for implementing the discover pass requirements of chapter 79A.80 RCW must prepare a report to the legislature, delivered consistent with RCW 43.01.036, that identifies opportunities for simplifying the administration and use of the discover pass and creating consistent recreational access policies across all lands that require a discover pass for lawful recreational access. The report must specifically address options for consistent boat launch policies among the agencies and, more generally, address how consistency can be developed for other inconsistent interagency access policies.

(2) To the degree the agencies have the authority to address inconsistent recreational access policies administratively, progress towards this end should be included in the required report. If inconsistent recreational access polices are a result of statutory limits, then the report should identify those barriers to consist recreational access policies.

(3) This section expires July 30, 2014.

**NEW SECTION. Sec. 14.** This act is necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and takes effect immediately."

MESSAGE FROM THE SENATE
February 29, 2012

Mr. Speaker:

The Senate has passed THIRD SUBSTITUTE HOUSE BILL NO. 2585 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 43.88.160 and 2006 c 1 s 6 are each amended to read as follows:

This section sets forth the major fiscal duties and responsibilities of officers and agencies of the executive branch. The regulations issued by the governor pursuant to this chapter shall provide for a comprehensive, orderly basis for financial management and control, including efficient accounting and reporting therefor, for the executive branch of the state government and may include, in addition, such requirements as will generally promote more efficient public management in the state.

(1) Governor; director of financial management. The governor, through the director of financial management, shall devise and supervise a modern and complete accounting system for each agency to the end that all revenues, expenditures, receipts, disbursements, resources, and obligations of the state shall be properly and systematically accounted for. The accounting system shall include the development of accurate, timely records and reports of all financial affairs of the state. The system shall also provide for central accounts in the office of financial management at the level of detail deemed necessary by the director to perform central financial management. The director of financial management shall adopt and periodically update an accounting procedures manual. Any agency maintaining its own accounting and reporting system shall comply with the updated accounting procedures manual and the rules of the director adopted under this chapter. An agency may receive a waiver from complying with this requirement if the waiver is approved by the director. Waivers expire at the end of the fiscal biennium for which they are granted. The director shall forward notice of waivers granted to the appropriate legislative fiscal committees. The director of financial management may require such financial, statistical, and other reports as the director deems necessary from all agencies covering any period.

(2) Except as provided in chapter 43.88C RCW, the director of financial management is responsible for quarterly reporting of primary operating budget drivers such as applicable workloads, caseload estimates, and appropriate unit cost data. These reports shall be transmitted to the legislative fiscal committees or by electronic means to the legislative evaluation and accountability program committee. Quarterly reports shall include actual monthly data and the variance between actual and estimated data to date. The reports shall also include estimates of these items for the remainder of the budget period.

(3) The director of financial management shall report at least annually to the appropriate legislative committees regarding the status of all appropriated capital projects, including transportation projects, showing significant cost overruns or underruns. If funds are shifted from one project to another, the office of financial management shall also reflect this in the annual variance report. Once a project is complete, the report shall provide a final summary showing estimated start and completion dates of each project phase compared to actual dates, estimated costs of each project phase compared to actual costs, and whether or not there are any outstanding liabilities or unsettled claims at the time of completion.

(4) In addition, the director of financial management, as agent of the governor, shall:

(a) Develop and maintain a system of internal controls and internal audits comprising methods and procedures to be adopted by each agency that will safeguard its assets, check the accuracy and reliability of its accounting data, promote operational efficiency, and encourage adherence to prescribed managerial policies for accounting and financial controls. The system developed by the director shall include criteria for determining the scope and comprehensiveness of internal controls required by classes of agencies, depending on the level of resources at risk.

Each agency head or authorized designee shall be assigned the responsibility and authority for establishing and maintaining internal audits following the standards of internal auditing of the institute of internal auditors;

(b) Make surveys and analyses of agencies with the object of determining better methods and increased effectiveness in the use of manpower and materials; and the director shall authorize expenditures for employee training to the end that the state may benefit from training facilities made available to state employees;

(c) Establish policies for allowing the contracting of child care services;

(d) Report to the governor with regard to duplication of effort or lack of coordination among agencies;

(e) Review any pay and classification plans, and changes thereunder, developed by any agency for their fiscal impact:

Provided, That none of the provisions of this subsection shall affect merit systems of personnel management now existing or hereafter established by statute relating to the fixing of qualifications requirements for recruitment, appointment, or promotion of employees of any agency. The director shall advise and confer with agencies including appropriate standing committees of the legislature as may be designated by the speaker of the house and the president of the senate regarding the fiscal impact of such plans and may amend or alter the plans, except that for the following agencies no amendment
or alteration of the plans may be made without the approval of the agency concerned: Agencies headed by elective officials;

(f) Fix the number and classes of positions or authorized employee years of employment for each agency and during the fiscal period amend the determinations previously fixed by the director except that the director shall not be empowered to fix the number or the classes for the following: Agencies headed by elective officials;

(g) Adopt rules to effectuate provisions contained in (a) through (f) of this subsection.

(5) The treasurer shall:

(a) Receive, keep, and disburse all public funds of the state not expressly required by law to be received, kept, and disbursed by some other persons: PROVIDED, That this subsection shall not apply to those public funds of the institutions of higher learning which are not subject to appropriation;

(b) Receive, disburse, or transfer public funds under the treasurer's supervision or custody;

(c) Keep a correct and current account of all moneys received and disbursed by the treasurer, classified by fund or account;

(d) Keep and disburse moneys collected under the provisions of section 1004, chapter 43.88 RCW, or any other statute or ordinance, to the agency head or the agency head's designee that the services have been rendered or material furnished; or, in the case of loans or grants, that the loans or grants are authorized by law; or, in the case of payments for periodic maintenance services to be performed on state owned equipment, that a written contract for such periodic maintenance services is in effect; and the treasurer shall not be liable under the treasurer's surety bond for erroneous or improper payments so made. When services are lawfully paid for in advance of full performance by any private individual or business entity other than equipment maintenance providers or as provided for by RCW 42.24.035, such individual or entity other than central stores rendering such services shall make a cash deposit or furnish surety bond coverage to the state as shall be fixed in an amount by law, or if not fixed by law, then in such amounts as shall be fixed by the director of financial management. The surety bond shall be conditioned that the person, firm or corporation receiving the advance payment will apply it toward performance of the contract. The responsibility for recovery of erroneous or improper payments made under this section shall lie with the agency head or the agency head's designee in accordance with rules issued pursuant to this chapter. Nothing in this section shall be construed to authorize the auditor to allocate other than de minimis resources to performance audits except as expressly authorized in the appropriations acts or in the performance audit work plan approved by the joint legislative audit and review committee. The state auditor, upon completing an audit for legal and financial compliance under chapter 43.09 RCW or a performance verification, may report to the joint legislative audit and review committee or other appropriate committees of the legislature, in a manner prescribed by the joint legislative audit and review committee, on facts relating to the management or performance of governmental programs where such facts are discovered incidental to the legal and financial audit or performance verification. The auditor may make such a report to a legislative committee only if the auditor has determined that the agency has been given an opportunity and has failed to resolve the management or performance issues raised by the auditor. If the auditor makes a report to a legislative committee, the agency may submit to the committee a response to the report. This subsection (6) shall not be construed to authorize the auditor to allocate other than de minimis resources to performance audits except as expressly authorized in the appropriations acts or in the performance audit work plan. The results of a performance audit conducted by the state auditor that has been requested by the joint legislative audit and review committee must only be transmitted to the joint legislative audit and review committee.

(d) Be empowered to take exception to specific expenditures that have been incurred by any agency or to take exception to other practices related in any way to the agency's financial transactions and to cause such exceptions to be made a matter of public record, including disclosure to the agency concerned and to the director of financial management. It shall be the duty of the director of financial management to cause such exceptions to be made a matter of public record, including disclosure to the agency concerned and to the director of financial management. It shall be the duty of the director of financial management to cause an audit covering such expenditures to be made within six months after such payment except that institutions of higher education as defined in RCW 28B.10.016 may make payments in advance for equipment maintenance services to be performed up to sixty months after such payment. Any such bond so furnished shall be conditioned that the person, firm or corporation receiving the advance payment will apply it toward performance of the contract. The responsibility for recovery of erroneous or improper payments made under this section shall lie with the agency head or the agency head's designee in accordance with rules issued pursuant to this chapter. Nothing in this section shall be construed to permit a public body to advance funds to a private service provider pursuant to a grant or loan before services have been rendered or material furnished.

(f) Conduct examinations, the auditor shall utilize data and findings from the internal control system prescribed by the office of financial management. The current post audit of each agency may include a section on recommendations to the legislature as provided in (c) of this subsection.

(b) Give information to the legislature, whenever required, upon any subject relating to the financial affairs of the state.

(c) Make the auditor's official report on or before the thirty-first of December which precedes the meeting of the legislature. The report shall be for the last complete fiscal period and shall include determinations as to whether agencies, in making expenditures, complied with the laws of this state. The state auditor is authorized to perform or participate in performance verifications and performance audits as expressly authorized by the legislature in the omnibus biennial appropriations acts or in the performance audit work plan approved by the joint legislative audit and review committee. The state auditor, upon completing an audit for legal and financial compliance under chapter 43.09 RCW or a performance verification, may report to the joint legislative audit and review committee or other appropriate committees of the legislature, in a manner prescribed by the joint legislative audit and review committee, on facts relating to the management or performance of governmental programs where such facts are discovered incidental to the legal and financial audit or performance verification. The auditor may make such a report to a legislative committee only if the auditor has determined that the agency has been given an opportunity and has failed to resolve the management or performance issues raised by the auditor. If the auditor makes a report to a legislative committee, the agency may submit to the committee a response to the report. This subsection (6) shall not be construed to authorize the auditor to allocate other than de minimis resources to performance audits except as expressly authorized in the appropriations acts or in the performance audit work plan. The results of a performance audit conducted by the state auditor that has been requested by the joint legislative audit and review committee must only be transmitted to the joint legislative audit and review committee.

(g) Investigate improper governmental activity under chapter 42.40 RCW. 

((g)) In addition to the authority given to the state auditor in this subsection (6), the state auditor is authorized to conduct performance audits identified in RCW 43.09.470. Nothing in this subsection (6) shall limit, impede, or restrict the state auditor from conducting performance audits identified in RCW 43.09.470.

(7) The joint legislative audit and review committee may:

(a) Make post audits of the financial transactions of any agency and management surveys and program reviews as provided for in chapter 44.28 RCW as well as performance audits and program evaluations. To this end the joint committee may in its discretion examine the books, accounts, and other records of any agency, official, or employee.
(b) Give information to the legislature or any legislative committee whenever required upon any subject relating to the performance and management of state agencies.
(c) Make a report to the legislature which shall include at least the following:
   (i) Determinations as to the extent to which agencies in making expenditures have complied with the will of the legislature and in this connection, may take exception to specific expenditures or financial practices of any agencies; and
   (ii) Such plans as it deems expedient for the support of the state's credit, for lessening expenditures, for promoting frugality and economy in agency affairs, and generally for an improved level of fiscal management.

Sec. 2. RCW 41.06.157 and 2011 1st sp.s. c 43 s 411 are each amended to read as follows:

(1) To promote the most effective use of the state's workforce and improve the effectiveness and efficiency of the delivery of services to the citizens of the state, the director shall adopt and maintain a comprehensive classification plan for all positions in the classified service. The classification plan must:
   (a) Be simple and streamlined;
   (b) Support state agencies in responding to changing technologies, economic and social conditions, and the needs of its citizens;

Such special pay plans are not subject to director approval or adoption; however, institutions of higher education shall report annually to the director actions they have taken under the provisions of this section.

(5) The director may undertake salary surveys of positions in public and private employment to establish market rates. Any salary survey information collected from private employers which identifies a specific employer with salary rates which the employer pays to its employees shall not be subject to public disclosure under chapter 42.56 RCW.

A single warrant may be drawn in favor of such financial institution, for the total amount due the employees involved, and written directions provided to such financial institution of the amount to be credited to the account of an employee or to be transferred to an account in another financial institution for such employee. The issuance and delivery by the disburse officer of a warrant in accordance with the procedure set forth herein and proper indorsement thereof by the financial institution shall have the same legal effect as payment directly to the employee.

For the purposes of this section "financial institution" means any bank or trust company established in this state pursuant to chapter 2, Title 12, United States Code, or Title 30 RCW, and any credit union established in this state pursuant to chapter 14, Title 12, United States Code, or chapter 31.12 RCW, and any mutual savings bank established in this state pursuant to Title 32 RCW, and any savings and loan association established in this state pursuant to chapter 12, Title 12, United States Code, or Title 33 RCW.

THIRD SUBSTITUTE HOUSE BILL NO. 2585, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE

March 7, 2012

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2264 with the following amendment:

Strike everything after the enacting clause and insert the following:

“NEW SECTION. Sec. 1. (1) The legislature finds that:
(a) The state of Washington and several Indian tribes in the state of Washington assume legal responsibility for abused or neglected children when their parents or caregivers are unable or unwilling to adequately provide for their safety, health, and welfare;
(b) Washington state has a strong history of partnership between the department of social and health services and contracted service providers who currently serve children and families in the child welfare system. The department and its contracted service providers have responsibility for providing services to address parenting deficiencies resulting in child maltreatment, and the needs of children impacted by maltreatment;
(c) Department caseworkers and contracted service providers each play a critical and complementary role in the child welfare system;
(d) The current system of contracting for services needed by children and families in the child welfare system is fragmented, inflexible, and lacks incentives for improving outcomes for children and families.
(2) The legislature intends:
(a) To reform the delivery of certain services to children and families in the child welfare system by creating a flexible, accountable community-based system of care that utilizes performance-based contracting, maximizes the use of evidence-based, research-based, and promising practices, and expands the capacity of community-based agencies to leverage local funding and other resources to benefit children and families served by the department;
(b) To achieve improved child safety, child permanency, including reunification, and child well-being outcomes through the collaborative efforts of the department and contracted service providers and the prioritization of these goals in performance-based contracting; and
(c) To implement performance-based contracting under this act in a manner that supports and complies with the federal and Washington state Indian child welfare act.

NEW SECTION. Sec. 2. For purposes of this chapter:
(1) “Case management” means convening family meetings, developing, revising, and monitoring implementation of any case plan or individual service and safety plan, coordinating and monitoring services needed by the child and family, caseworker-child visits, family visits, and the assumption of court-related duties, excluding legal representation, including preparing court reports, attending judicial hearings and permanency hearings, and ensuring that the child is progressing toward permanency within state and federal mandates, including the Indian child welfare act.

"PART I
WASHINGTON MEDICAID FRAUD PROVISIONS

NEW SECTION. Sec. 101. The legislature intends to enact a state false claims act in order to provide this state with another tool to combat medicaid fraud. The legislature finds that between 1996 and 2009 state-initiated false claims acts resulted in over five billion dollars in total recoveries to those states. The highest recoveries in those cases were from claims relating to billing fraud, off-label marketing, and withholding safety information; these cases were primarily related to the pharmaceuticals industry and hospital networks, hospitals, and medical centers. By this act, the legislature does not intend to target a certain industry, profession, or retailer of medical equipment, or to place an undue burden on health care professionals. This act is not intended to harass health care professionals, nor is intended to be used as a tool to target actions that are related to incidental errors or clerical errors, which should not be considered fraud. The intent is to use the false claims act to root out significant areas of fraud that result in higher health care costs to this state and to use the false claims act to recover state money that could and should be used to support the medicaid program.

Sec. 102. RCW 74.09.210 and 2011 1st sp.s. c 15 s 15 are each amended to read as follows:

(1) No person, firm, corporation, partnership, association, agency, institution, or other legal entity, but not including an individual public assistance recipient of health care, shall, on behalf of himself or others, obtain or attempt to obtain benefits or payments under this chapter in a greater amount than that to which entitled by means of:

(a) A willful false statement;
(b) By willful misrepresentation, or by concealment of any material facts; or
(c) By other fraudulent scheme or device, including, but not limited to:
   (i) Billing for services, drugs, supplies, or equipment that were unfurnished, of lower quality, or a substitution or misrepresentation of items billed; or
   (ii) Repeated billing for purportedly covered items, which were not in fact so covered.

(2) Any person or entity knowingly violating any of the provisions of subsection (1) of this section shall be liable for repayment of any excess benefits or payments received, plus interest at the rate and in the manner provided in RCW 43.20B.695. Such person or other entity shall further, in addition to any other penalties provided by law, be subject to civil penalties. The ((secretary of)) director((as appropriate)), or the attorney general may assess civil penalties in an amount not to exceed three times the amount of such excess benefits or payments: PROVIDED, That these civil penalties shall not apply to any acts or omissions occurring prior to September 1, 1979. RCW 43.20A.215 governs notice of a civil fine assessed by the director and provides the right to an adjudicative proceeding.

(3) A criminal action need not be brought against a person for that person to be civilly liable under this section.

(4) In all administrative proceedings under this section, service, adjudicative proceedings, and judicial review of such determinations shall be in accordance with chapter 34.05 RCW, the administrative procedure act.

(5) Civil penalties shall be deposited (in the general fund) upon their receipt into the medicaid fraud penalty account established in section 103 of this act.

(6) The attorney general may contract with private attorneys and local governments in bringing actions under this section as necessary.

NEW SECTION. Sec. 103. A new section is added to chapter 74.09 RCW to read as follows:

The medicaid fraud penalty account is created in the state treasury. All receipts from civil penalties collected under RCW 74.09.210, all receipts received under judgments or settlements that originated under a filing under the federal false claims act, and all receipts received under judgments or settlements that originated under the state medicaid fraud false claims act, chapter 74. --- RCW (the new chapter created in section 215 of this act) must be deposited into the account. Moneys in the account may be spent only after appropriation and must be used only for medicaid services, fraud detection and prevention activities, recovery of improper payments, and for other medicaid fraud enforcement activities.

NEW SECTION. Sec. 104. A new section is added to chapter 74.09 RCW to read as follows:

(1) For the purposes of this section:

(a) "Employer" means any person, firm, corporation, partnership, association, agency, institution, or other legal entity.

(b) "Whistleblower" means an employee of an employer that obtains or attempts to obtain benefits or payments under this chapter in violation of RCW 74.09.210, who in good faith reports a violation of RCW 74.09.210 to the authority.

(c) "Workplace reprisal or retaliatory action" includes, but is not limited to: Denial of adequate staff to fulfill duties; frequent staff changes; frequent and undesirable office changes; refusal to assign meaningful work; unwarranted and unsubstantiated report of misconduct under Title 18 RCW; unwarranted and unsubstantiated letters of reprimand or unsatisfactory performance evaluations; demotion; reduction in pay; denial of promotion; suspension; dismissal; denial of employment; or a supervisor or superior behaving in or encouraging coworkers to behave in a hostile manner toward the whistleblower; or a change in the physical location of the employee's workplace or a change in the basic nature of the employee's job, if either are in opposition to the employee's expressed wish.

(2) A whistleblower who has been subjected to workplace reprisal or retaliatory action has the remedies provided under chapter 49.60 RCW. RCW 4.24.500 through 4.24.520, providing certain protection to persons who communicate to government agencies, apply to complaints made under this section. The identity of a whistleblower who complains, in good faith, to the authority about a suspected violation of RCW 74.09.210 may remain confidential if requested. The identity of the whistleblower must subsequently remain confidential unless the authority determines that the complaint was not made in good faith.

(3) This section does not prohibit an employer from exercising its authority to terminate, suspend, or discipline an employee who engages in workplace reprisal or retaliatory action against a whistleblower. The protections provided to whistleblowers under this chapter do not prevent an employer from: (a) Terminating, suspending, or disciplining a whistleblower for other lawful purposes; or (b) reducing the hours of employment or terminating employment as a result of the demonstrated inability to meet payroll requirements.
The authority shall determine if the employer cannot meet payroll in cases where a whistleblower has been terminated or had hours of employment reduced due to the inability of a facility to meet payroll.

(4) The authority shall adopt rules to implement procedures for filing, investigation, and resolution of whistleblower complaints that are integrated with complaint procedures under this chapter. The authority shall adopt rules designed to discourage whistleblower complaints made in bad faith or for retaliatory purposes.

NEW SECTION. Sec. 105. A new section is added to chapter 74.09 RCW to read as follows:

The following must be medicare providers in order to be paid under the medicaid program: Providers of durable medical equipment and related supplies and providers of medical supplies and related services.

(11) "Person" means any natural person, partnership, corporation, association, or other legal entity, including any local or political subdivision of a state.

(12) "Product of discovery" includes:
   (a) The original or duplicate of any deposition, interrogatory, document, thing, result of the inspection of land or other property, examination, or admission, which is obtained by any method of discovery in any judicial or administrative proceeding of an adversarial nature;

   (c) Any index or other manner of access to any item listed in (a) of this subsection.

(13) "Qui tam action" is an action brought by a person under section 205 of this act.

(14) "Qui tam relator" or "relator" is a person who brings an action under section 205 of this act.

NEW SECTION. Sec. 202. (1) Subject to subsections (2) and (4) of this section, a person is liable to the government entity for a civil penalty of not less than five thousand five hundred dollars and not more than eleven thousand dollars, plus three times the amount of damages which the government entity sustains because of the act of that person, if the person:
   (a) Knowingly presents, or causes to be presented, a false or fraudulent claim for payment or approval;
   (b) Knowingly makes, uses, or causes to be made or used, a false record or statement material to a false or fraudulent claim;
   (c) Conspires to commit one or more of the violations in this subsection (1);
   (d) Has possession, custody, or control of property or money used, or to be used, by the government entity and knowingly delivers, or causes to be delivered, less than all of that money or property;
   (e) Is authorized to make or deliver a document certifying receipt of property used, or to be used, by the government entity and, intending to defraud the government entity, makes or delivers the receipt without completely knowing that the information on the receipt is true;
(f) Knowingly buys, or receives as a pledge of an obligation or debt, public property from an officer or employee of the government entity who lawfully may not sell or pledge property; or

(g) Knowingly makes, uses, or causes to be made or used, a false record or statement material to an obligation to pay or transmit money or property to the government entity, or knowingly conceals or knowingly and improperly avoids or decreases an obligation to pay or transmit money or property to the government entity.

(2) The court may assess not less than two times the amount of damages which the government entity sustains because of the act of a person, if the court finds that:

(a) The person committing the violation of subsection (1) of this section furnished the Washington state attorney general with all information known to him or her about the violation thirty days after the date on which he or she first obtained the information;

(b) The person fully cooperated with any investigation by the attorney general of the violation; and

(c) At the time the person furnished the attorney general with the information about the violation, no criminal prosecution, civil action, or administrative action had commenced under this title with respect to the violation, and the person did not have actual knowledge of the existence of an investigation into the violation.

(3) A person violating this section is liable to the attorney general for the costs of a civil action brought to recover any such penalty or damages.

(4) For the purposes of determining whether an insurer has a duty to provide a defense or indemnification for an insured and if coverage may be denied if the terms of the policy exclude coverage for intentional acts, a violation of subsection (1) of this section is an intentional act.

(5) The office of the attorney general must, by rule, annually adjust the civil penalties established in subsection (1) of this section so that they are equivalent to the civil penalties provided under the federal false claims act and in accordance with the federal civil penalties inflation adjustment act of 1990.

NEW SECTION. Sec. 203. Any information furnished pursuant to this chapter is exempt from disclosure under the public records act, chapter 42.56 RCW, until final disposition and all court ordered seals are lifted.

NEW SECTION. Sec. 204. The attorney general must diligently investigate a violation under section 202 of this act. If the attorney general finds that a person has violated or is violating section 202 of this act, the attorney general may bring a civil action under this section against the person.

NEW SECTION. Sec. 205. (1) A person may bring a civil action for a violation of section 202 of this act for the person and for the government entity. The action may be brought as a qui tam action and the person bringing the action as a qui tam relator. The action must be brought in the name of the government entity. The action may be dismissed only if the court, and the attorney general give written consent to the dismissal and their reason for consenting.

(2) A relator filing an action under this chapter must serve a copy of the complaint and written disclosure of substantially all material evidence and information the person possesses on the attorney general in electronic format. The relator must file the complaint in camera. The complaint must remain under seal for at least sixty days, and may not be served on the defendant until the court so orders. The attorney general may elect to intervene and proceed with the action within sixty days after it receives both the complaint and the material evidence and information.

(3) The attorney general may, for good cause shown, move the court for extensions of the time during which the complaint remains under seal under subsection (2) of this section. The motions may be supported by affidavits or other submissions in camera. The defendant may not be required to respond to any complaint filed under this section until twenty days after the complaint is unsealed and served upon the defendant.

(4) If the attorney general does not proceed with the action prior to the expiration of the sixty-day period or any extensions obtained under subsection (3) of this section, then the relator has the right to conduct the action.

(5) When a person brings an action under this section, no person other than the attorney general may intervene or bring a related action based on the facts underlying the pending action.

NEW SECTION. Sec. 206. (1) If the attorney general proceeds with the qui tam action, the attorney general shall have the primary responsibility for prosecuting the action, and is not bound by an act of the relator. The relator has the right to continue as a party to the action, subject to the limitations set forth in subsection (2) of this section.

(2)(a) The attorney general may move to dismiss the qui tam action notwithstanding the objections of the relator if the relator has been notified by the attorney general of the filing of the motion and the court has provided the relator with an opportunity for a hearing on the motion.

(b) The attorney general may settle the action with the defendant notwithstanding the objections of the relator if the court determines, after a hearing, that the proposed settlement is fair, adequate, and reasonable under all the circumstances. Upon a showing of good cause, the hearing may be held in camera.

(c) Upon a showing by the attorney general that unrestricted participation during the course of the litigation by the relator would interfere with or unduly delay the attorney general’s prosecution of the case, or would be repetitious, irrelevant, or for purposes of harassment, the court may, in its discretion, impose limitations on the relator’s participation, such as:

(i) Limiting the number of witnesses the relator may call;

(ii) Limiting the length of the testimony of the witnesses;

(iii) Limiting the relator’s cross-examination of witnesses; or

(iv) Otherwise limiting the participation by the relator in the litigation.

(d) Upon a showing by the defendant that unrestricted participation during the course of the litigation by the relator would be for purposes of harassment or would cause the defendant undue burden or unnecessary expense, the court may limit the participation by the relator in the litigation.

(3) If the attorney general elects not to proceed with the qui tam action, the relator has the right to conduct the action. If the attorney general so requests, the relator must serve on the attorney general copies of all pleadings filed in the action and shall supply copies of all deposition transcripts, at the attorney general’s expense. When the relator proceeds with the action, the court, without limiting the status and rights of the relator, may nevertheless permit the attorney general to intervene at a later date upon a showing of good cause.

(4) Whether or not the attorney general proceeds with the qui tam action, upon a showing by the attorney general that certain actions of discovery by the relator would interfere with the attorney general’s investigation or prosecution of a criminal or civil matter arising out of the same facts, the court may stay such discovery for a period of not more than sixty days. The showing must be conducted in camera. The court may extend the sixty-day period upon a further showing in camera that the attorney general has pursued the criminal or civil investigation or proceedings with reasonable diligence and any proposed discovery in the civil action will interfere with the ongoing criminal or civil investigation or proceedings.

(5) Notwithstanding section 205 of this act, the attorney general may elect to pursue its claim through any alternate remedy available to the state, including any administrative proceeding to determine a civil money penalty. If any alternate remedy is pursued in another proceeding, the relator has the same rights in the proceeding as the relator would have had if the action had continued under this section.
Any finding of fact or conclusion of law made in the other proceeding that has become final is conclusive on all parties to an action under this section. For purposes of this subsection, a finding or conclusion is final if it has been finally determined on appeal to the appropriate court of the state of Washington, if all time for filing the appeal with respect to the finding or conclusion has expired, or if the finding or conclusion is not subject to judicial review.

NEW SECTION. Sec. 207. (1)(a) Subject to (b) of this subsection, if the attorney general proceeds with a qui tam action, the relator must receive at least fifteen percent but not more than twenty-five percent of the proceeds of the action or settlement of the claim, depending upon the extent to which the relator substantially contributed to the prosecution of the action.

(b) Where the action is one which the court finds to be based primarily on disclosures of specific information, other than information provided by the relator, relating to allegations or transactions in a criminal, civil, or administrative hearing, in a legislative or administrative report, hearing, audit, or investigation, or from the news media, the court may award an amount it considers appropriate, but in no case more than ten percent of the proceeds, taking into account the significance of the information and the role of the relator in advancing the case to litigation.

(c) Any payment to a relator under (a) or (b) of this subsection must be made from the proceeds. The relator must also receive an amount for reasonable expenses which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All expenses, fees, and costs must be awarded against the defendant.

(2) If the attorney general does not proceed with a qui tam action, the relator shall receive an amount which the court decides is reasonable for collecting the civil penalty and damages. The amount may not be less than twenty-five percent and not more than thirty percent of the proceeds of the action or settlement and must be paid out of the proceeds. The relator must also receive an amount for reasonable expenses, which the court finds to have been necessarily incurred, plus reasonable attorneys' fees and costs. All expenses, fees, and costs must be awarded against the defendant.

(3) Whether or not the attorney general proceeds with the qui tam action, if the court finds that the action was brought by a person who planned and initiated the violation of section 202 of this act upon which the action was brought, then the court may, to the extent the court considers appropriate, reduce the share of the proceeds of the action which the person would otherwise receive under subsection (1) or (2) of this section, taking into account the role of that person in advancing the case to litigation and any relevant circumstances pertaining to the violation. If the person bringing the action is convicted of criminal conduct arising from his or her role in the violation of section 202 of this act, that person must be dismissed from the civil action and may not receive any share of the proceeds of the action. The dismissal may not prejudice the right of the state to continue the action, represented by the attorney general.

(4) If the attorney general does not proceed with the qui tam action and the relator conducts the action, the court may award to the defendant reasonable attorneys' fees and expenses if the defendant prevails in the action and the court finds that the claim of the relator was clearly frivolous, clearly vexatious, or brought primarily for purposes of harassment.

(5) Any funds recovered that remain after calculation and distribution under subsections (1) through (3) of this section must be deposited into the medicaid fraud penalty account established in section 103 of this act.

NEW SECTION. Sec. 208. (1) In no event may a person bring a qui tam action which is based upon allegations or transactions which are the subject of a civil suit or an administrative civil money penalty proceeding in which the state is already a party.

(2)(a) The court must dismiss an action or claim under this section, unless opposed by the attorney general, if substantially the same allegations or transactions as alleged in the action or claim were publicly disclosed:

(i) In a state criminal, civil, or administrative hearing in which the attorney general or other governmental entity is a party;

(ii) In a legislative report, or other state report, hearing, audit, or investigation;

(iii) By the news media;

unless the action is brought by the attorney general or the relator is an original source of the information.

(b) For purposes of this section, "original source" means an individual who either (i) prior to a public disclosure under (a) of this subsection, has voluntarily disclosed to the attorney general the information on which allegations or transactions in a claim are based, or (ii) has knowledge that is independent of, and materially adds to, the publicly disclosed allegations or transactions, and who has voluntarily provided the information to the attorney general before filing an action under this section.

NEW SECTION. Sec. 209. (1) Any employee, contractor, or agent is entitled to all relief necessary to make that employee, contractor, or agent whole, if that employee, contractor, or agent, is discharged, demoted, suspended, threatened, harassed, or in any other manner discriminated against in the terms and conditions of employment because of lawful acts done by the employee, contractor, agent, or associated others in furtherance of an action under this chapter or other efforts to stop one or more violations of this chapter.

(2) Relief under subsection (1) of this section must include reinstatement, with the same seniority status, equal to that which the employee, contractor, or agent would have had but for the discrimination, two times the amount of back pay, interest on the back pay, and compensation for any special damages sustained as a result of the discrimination, including litigation costs and reasonable attorneys' fees, and any and all relief available under RCW 49.60.030(2). An action under this subsection may be brought in the appropriate superior court of the state of Washington for the relief provided in this subsection.

(3) A civil action under this section may not be brought more than three years after the date when the retaliation occurred.

NEW SECTION. Sec. 210. (1) A subpoena requiring the attendance of a witness at a trial or hearing conducted under section 204 or 205 of this act may be served at any place in the state of Washington.

(2) A civil action under section 204 or 205 of this act may be brought at any time, without limitation after the date on which the violation of section 202 of this act is committed.

(3) If the attorney general elects to intervene and proceed with a qui tam action, the attorney general may file its own complaint or amend the complaint of a relator to clarify or add detail to the claims in which the attorney general is intervening and to add any additional claims with respect to which the attorney general contends it is entitled to relief.

(4) In any action brought under section 204 or 205 of this act, the attorney general is required to prove all essential elements of the cause of action, including damages, by a preponderance of the evidence.

(5) Notwithstanding any other provision of law or the rules for superior court, a final judgment rendered in favor of the government entity in any criminal proceeding charging fraud or false statements, whether upon a verdict after trial or upon a plea of guilty or nolo contendere, estops the defendant from denying the essential elements of the offense in any action which involves the same transaction as in the criminal proceeding and which is brought under section 204 or 205 of this act.

NEW SECTION. Sec. 211. (1) Any action under section 204 or 205 of this act may be brought in the superior court in any county in which the defendant or, in the case of multiple defendants, any one defendant can be found, resides, transacts business, or in which any act proscribed by section 202 of this act occurred. The appropriate
court must issue a summons as required by the superior court civil rules and service must occur at any place within the state of Washington.

(2) The superior courts have jurisdiction over any action brought under the laws of any city or county for the recovery of funds paid by a government entity if the action arises from the same transaction or occurrence as an action brought under section 204 or 205 of this act.

(3) With respect to any local government that is named as a coplaintiff with the state in an action brought under section 205 of this act, a seal on the action ordered by the court under section 206 of this act does not preclude the attorney general or the person bringing the action from serving the complaint, any other pleadings, or the written disclosure of substantially all material evidence and information possessed by the person bringing the action to the law enforcement authorities that are authorized under the law of the local government to investigate and prosecute the action on behalf of the local government, except that the seal applies to the law enforcement authorities so served to the same extent as the seal applies to other parties in the action.

NEW SECTION. Sec. 212. (1)(a) Whenever the attorney general, or a designee, for purposes of this section, has reason to believe that any person may be in possession, custody, or control of any documentary material or information relevant to a false claims act investigation, the attorney general, or a designee, may, before commencing a civil proceeding under section 204 of this act or making an election under section 205 of this act, issue in writing and serve upon the person, a civil investigative demand requiring the person:

(i) To produce the documentary material for inspection and copying;

(ii) To answer in writing written interrogatories with respect to the documentary material or information;

(iii) To give oral testimony concerning the documentary material or information; or

(iv) To furnish any combination of such material, answers, or testimony.

(b) The attorney general may delegate the authority to issue civil investigative demands under this subsection (1). Whenever a civil investigative demand is an express demand for any product of discovery, the attorney general, the deputy attorney general, or an assistant attorney general must serve, in any manner authorized by this section, a copy of the demand upon the person from whom the discovery was obtained and must notify the person to whom the demand is issued of the date on which the copy was served. Any information obtained by the attorney general or a designee of the attorney general under this section may be shared with any qui tam relator if the attorney general or designee determines it is necessary as part of any false claims act investigation.

(2) (a) Each civil investigative demand issued under subsection (1) of this section must state the nature of the conduct constituting the alleged violation of this chapter which is under investigation, and the applicable provision of law alleged to be violated.

(b) If the demand is for the production of documentary material, the demand must:

(i) Describe each class of documentary material to be produced with such definiteness and certainty as to permit the material to be fairly identified;

(ii) Prescribe a return date for each class which will provide a reasonable period of time within which the material so demanded may be assembled and made available for inspection and copying; and

(iii) Identify the false claims act investigator to whom such material must be made available.

(c) If the demand is for answers to written interrogatories, the demand must:

(i) Set forth with specificity the written interrogatories to be answered;

(ii) Prescribe dates at which time answers to written interrogatories must be submitted; and

(iii) Identify the false claims act investigator to whom such answers must be submitted.

(d) If the demand is for the giving of oral testimony, the demand must:

(i) Prescribe a date, time, and place at which oral testimony must be commenced;

(ii) Identify a false claims act investigator who must conduct the examination and the custodian to whom the transcript of the examination must be submitted;

(iii) Specify that the attendance and testimony are necessary to the conduct of the investigation;

(iv) Notify the person receiving the demand of the right to be accompanied by an attorney and any other representative; and

(v) Describe the general purpose for which the demand is being issued and the general nature of the testimony, including the primary areas of inquiry, which will be taken pursuant to the demand.

(e) Any civil investigative demand issued under this section which is an express demand for any product of discovery is not due until thirty days after a copy of the demand has been served upon the person from whom the discovery was obtained.

(f) The date prescribed for the commencement of oral testimony pursuant to a civil investigative demand issued under this section may not be sooner than six days after the date on which demand is received, unless the attorney general or an assistant attorney general designated by the attorney general determines that exceptional circumstances are present which warrant the commencement of the testimony sooner.

(g) The attorney general may not authorize the issuance under this section of more than one civil investigative demand for oral testimony by the same person unless the person requests otherwise or unless the attorney general, after investigation, notifies that person in writing that an additional demand for oral testimony is necessary.

(3) A civil investigative demand issued under subsection (1) or (2) of this section may not require the production of any documentary material, the submission of any answers to written interrogatories, or the giving of any oral testimony if the material, answers, or testimony would be protected from disclosure under:

(a) The standards applicable to subpoenas or subpoenas duces tecum issued by a court to aid in a special inquiry investigation; or

(b) The standards applicable to discovery requests under the superior court civil rules, to the extent that the application of these standards to any demand is appropriate and consistent with the provisions and purposes of this section.

(4) Any demand which is an express demand for any product of discovery supersedes any inconsistent order, rule, or provision of law, other than this section, preventing or restraining disclosure of the product of discovery to any person. Disclosure of any product of discovery pursuant to any express demand does not constitute a waiver of any right or privilege which the person making such disclosure may be entitled to invoke to resist discovery of trial preparation materials.

(5) Any civil investigative demand issued under this section may be served by a false claims act investigator, or by a commissioned law enforcement official, at any place within the state of Washington.

(6) Service of any civil investigative demand issued under (a) of this subsection or of any petition filed under subsection (25) of this section may be made upon a partnership, corporation, association, or other legal entity by:

(a) Delivering an executed copy of the demand or petition to any partner, executive officer, managing agent, or general agent of the partnership, corporation, association, or entity, or to any agent...
authorized by appointment or by law to receive service of process on behalf of such partnership, corporation, association, or entity;

(b) Delivering an executed copy of the demand or petition to the principal office or place of business of the partnership, corporation, association, or entity; or

(c) Depositing an executed copy of the demand or petition in the United States mail by registered or certified mail, with a return receipt requested, addressed to such partnership, corporation, association, or entity at its principal office or place of business.

(7) Service of any demand or petition may be made upon any natural person by:

(a) Delivering an executed copy of the demand or petition to the person; or

(b) Depositing an executed copy of the demand or petition in the United States mail by registered or certified mail, with a return receipt requested, addressed to the person at the person's residence or principal office or place of business.

(8) A verified return by the individual serving any civil investigative demand issued under subsection (1) or (2) of this section and any petition filed under subsection (25) of this section setting forth the manner of the service constitutes proof of the service. In the case of service by registered or certified mail, the return must be accompanied by the return post office receipt of delivery of the demand.

(9)(a) The production of documentary material in response to a civil investigative demand served under this section must be made under a sworn certificate, in the form as the demand designates, by:

(i) In the case of a natural person, the person to whom the demand is directed; or

(ii) In the case of a person other than a natural person, a person having knowledge of the facts and circumstances relating to the production and authorized to act on behalf of the person.

(b) The certificate must state that all of the documentary material required by the demand and in the possession, custody, or control of the person to whom the demand is directed has been produced and made available to the false claims act investigator identified in the demand.

(10) Any person upon whom any civil investigative demand for the production of documentary material has been served under this section shall make such material available for inspection and copying to the false claims act investigator identified in the demand at the principal place of business of the person, or at another place as the false claims act investigator and the person thereafter may agree and prescribe in writing, or as the court may direct under subsection (25) of this section. The material must be made available on the return date specified in the demand, or on a later date as the false claims act investigator may prescribe in writing. The person may, upon written agreement between the person and the false claims act investigator, substitute copies for originals of all or any part of the material.

(11)(a) Each interrogatory in a civil investigative demand served under this section must be answered separately and fully in writing under oath and must be submitted under a sworn certificate, in the form as the demand designates, by:

(i) In the case of a natural person, the person to whom the demand is directed; or

(ii) In the case of a person other than a natural person, the person or persons responsible for answering each interrogatory.

(b) If any interrogatory is objected to, the reasons for the objection must be stated in the certificate instead of an answer. The certificate must state that all information required by the demand and in the possession, custody, control, or knowledge of the person to whom the demand is directed has been submitted. To the extent that any information is not furnished, the information must be identified and reasons set forth with particularity regarding the reasons why the information was not furnished.

(12) The examination of any person pursuant to a civil investigative demand for oral testimony served under this section must be taken before an officer authorized to administer oaths and affirmations by the laws of the state of Washington or of the place where the examination is held. The officer before whom the testimony is to be taken must put the witness on oath or affirmation and must, personally or by someone acting under the direction of the officer and in the officer's presence, record the testimony of the witness. The testimony must be recorded and must be transcribed. When the testimony is fully transcribed, the officer before whom the testimony is taken shall promptly transmit a copy of the transcript of the testimony to the custodian. This subsection does not preclude the taking of testimony by any means authorized by, and in a manner consistent with, the superior court civil rules.

(13) The false claims act investigator conducting the examination shall exclude from the place where the examination is held all persons except the person giving the testimony, the attorney for and any other representative of the person giving the testimony, the attorney general, any person who may be agreed upon by the attorney for the government and the person giving the testimony, the officer before whom the testimony is to be taken, and any stenographer taking the testimony.

(14) The oral testimony of any person taken pursuant to a civil investigative demand served under this section must be taken in the county within which such person resides, is found, or transacts business, or in another place as may be agreed upon by the false claims act investigator conducting the examination and the person.

(15) When the testimony is fully transcribed, the false claims act investigator or the officer before whom the testimony is taken must afford the witness, who may be accompanied by counsel, a reasonable opportunity to examine and read the transcript, unless the examination and reading are waived by the witness. Any changes in form or substance which the witness desires to make must be entered and identified upon the transcript by the officer or the false claims act investigator, with a statement of the reasons given by the witness for making the changes. The transcript must then be signed by the witness, unless the witness in writing waives the signing, is ill, cannot be found, or refuses to sign. If the transcript is not signed by the witness within thirty days after being afforded a reasonable opportunity to examine it, the officer or the false claims act investigator must sign it and state on the record the fact of the waiver, illness, absence of the witness, or the refusal to sign, together with the reasons given.

(16) The officer before whom the testimony is taken must certify on the transcript that the witness was sworn by the officer and that the transcript is a true record of the testimony given by the witness, and the officer or false claims act investigator must promptly deliver the transcript, or send the transcript by registered or certified mail, to the custodian.

(17) Upon payment of reasonable charges therefor, the false claims act investigator must furnish a copy of the transcript to the witness only, except that the attorney general, the deputy attorney general, or an assistant attorney general may, for good cause, limit the witness to inspection of the official transcript of the witness' testimony.

(18)(a) Any person compelled to appear for oral testimony under a civil investigative demand issued under subsection (1) or (2) of this section may be accompanied, represented, and advised by counsel. Counsel may advise the person, in confidence, with respect to any question asked of the person. The person or counsel may object on the record to any question, in whole or in part, and must briefly state for the record the reason for the objection. An objection may be made, received, and entered upon the record when it is claimed that the person is entitled to refuse to answer the question on the grounds of any constitutional or other legal right or privilege, including the privilege against self-incrimination. The person may not otherwise
object to or refuse to answer any question, and may not directly or through counsel otherwise interrupt the oral examination. If the person refuses to answer any question, a special injury proceeding petition may be filed in the superior court under subsection (25) of this section for an order compelling the person to answer the question.

(b) If the person refuses to answer any question on the grounds of the privilege against self-incrimination, the testimony of the person may be compelled in accordance with the provisions of the superior court civil rules.

(19) Any person appearing for oral testimony under a civil investigative demand issued under subsection (1) or (2) of this section is entitled to the same fees and allowances which are paid to witnesses in the superior courts.

(20) The attorney general must designate a false claims act investigator to serve as custodian of documentary material, answers to interrogatories, and transcripts of oral testimony received under this section, and must designate such additional false claims act investigators as the attorney general determines from time to time to be necessary to serve as deputies to the custodian.

(21) A false claims act investigator who receives any documentary material, answers to interrogatories, or transcripts of oral testimony under this section must transmit them to the custodian. The custodian shall take physical possession of the material, answers, or transcripts and is responsible for the use made of them and for the return of documentary material under subsection (23) of this section.

(b) The custodian may cause the preparation of the copies of the documentary material, answers to interrogatories, or transcripts of oral testimony as may be required for official use by any false claims act investigator, or employee of the attorney general. The material, answers, and transcripts may be used by any authorized false claims act investigator or other officer or employee in connection with the taking of oral testimony under this section.

(i) Except as otherwise provided in this subsection (21), no documentary material, answers to interrogatories, or transcripts of oral testimony, or copies thereof, while in the possession of the custodian, may be available for examination by any individual other than a false claims act investigator or other officer or employee of the attorney general authorized under (b) of this subsection.

(ii) The prohibition in (c)(i) of this subsection on the availability of material, answers, or transcripts does not apply if consent is given by the person who produced the material, answers, or transcripts, or, in the case of any product of discovery produced pursuant to an express demand for the material, consent is given by the person from whom the discovery was obtained. Nothing in this subsection (c)(ii) is intended to prevent disclosure to the legislature, including any committee or subcommittee for use by such an agency in furtherance of its statutory responsibilities.

(d) While in the possession of the custodian and under the reasonable terms and conditions as the attorney general shall prescribe:

(i) Documentary material and answers to interrogatories must be available for examination by the person who produced the material or answers, or by a representative of that person authorized by that person to examine the material and answers; and

(ii) Transcripts of oral testimony must be available for examination by the person who produced the testimony, or by a representative of that person authorized by that person to examine the transcripts.

(22) Whenever any official has been designated to appear before any court, special inquiry judge, or state administrative judge in any case or proceeding, the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony received under this section may deliver to the official the material, answers, or transcripts for official use in connection with any case or proceeding as the official determines to be required. Upon the completion of such a case or proceeding, the official must return to the custodian any material, answers, or transcripts so delivered which have not passed into the control of any court, grand jury, or agency through introduction into the record of such a case or proceeding.

(23) If any documentary material has been produced by any person in the course of any false claims act investigation pursuant to a civil investigative demand under this section, and:

(a) Any case or proceeding before the court or special inquiry judge arising out of the investigation, or any proceeding before any administrative judge involving the material, has been completed; or

(b) No case or proceeding in which the material may be used has been commenced within a reasonable time after completion of the examination and analysis of all documentary material and other information assembled in the course of the investigation:

Then, the custodian shall, upon written request of the person who produced the material, return to the person the material, other than copies furnished to the false claims act investigator pursuant to subsection (10) of this section or made for the attorney general under subsection (21)(b) of this section, which has not passed into the control of any court, grand jury, or agency through introduction into the record of the case or proceeding.

(24) In the event of the death, disability, or separation from service of the attorney general of the custodian of any documentary material, answers to interrogatories, or transcripts of oral testimony produced pursuant to civil investigative demand under this section, or in the event of the official relief of the custodian from responsibility for the custody and control of the material, answers, or transcripts, the attorney general must promptly:

(i) Designate another false claims act investigator to serve as custodian of the material, answers, or transcripts; and

(ii) Transmit in writing to the person who produced the material, answers, or testimony notice of the identity and address of the successor so designated.

(b) Any person who is designated to be a successor under this subsection (24) has, with regard to the material, answers, or transcripts, the same duties and responsibilities as were imposed by this section upon that person's predecessor in office, except that the successor may not be held responsible for any default or dereliction which occurred before that designation.

(25) Whenever any person fails to comply with any civil investigative demand issued under subsection (1) or (2) of this section, or whenever satisfactory copying or reproduction of any material requested in the demand cannot be done and the person refuses to surrender the material, the attorney general may file, in any superior court of the state of Washington for any county in which the person resides, is found, or transacts business, and serve upon the person a petition for an order of the court for the enforcement of the civil investigative demand.

(26) Any person who has received a civil investigative demand issued under subsection (1) or (2) of this section may file, in the superior court of the state of Washington for the county within which the person resides, is found, or transacts business, and serve upon the false claims act investigator identified in the demand a petition for an order of the court to modify or set aside the demand. In the case of a petition addressed to an express demand for any product of discovery, a petition to modify or set aside the demand may be brought only in the district court of the United States for the judicial district in which the proceeding in which the discovery was obtained is or was last pending. Any petition filed under this subsection (26)(a) must be filed:

(i) Within thirty days after the date of service of the civil investigative demand, or at any time before the return date specified in the demand, whichever date is earlier; or

(ii) Within a longer period as may be prescribed in writing by any false claims act investigator identified in the demand.
(b) The petition must specify each ground upon which the petitioner relies in seeking relief under (a) of this subsection, and may be based upon any failure of the demand to comply with the provisions of this section or upon any constitutional or other legal right or privilege of the person. During the pendency of the petition in the court, the court may stay, as it deems proper, the running of the time allowed for compliance with the demand, in whole or in part, except that the person filing the petition shall comply with any portions of the demand not sought to be modified or set aside.

(27)(a) In the case of any civil investigative demand issued under subsection (1) or (2) of this section which is an express demand for any product of discovery, the person from whom the discovery was obtained may file, in the superior court of the state of Washington for the county in which the proceeding in which the discovery was obtained is or was last pending, and serve upon any false claims act investigator identified in the demand and upon the recipient of the demand, a petition for an order of the court to modify or set aside those portions of the demand requiring production of any product of discovery. Any petition under this subsection (27)(a) must be filed:

(i) Within twenty days after the date of service of the civil investigative demand, or at any time before the return date specified in the demand, whichever date is earlier; or

(ii) Within a longer period as may be prescribed in writing by any false claims act investigator identified in the demand.

(b) The petition must specify each ground upon which the petitioner relies in seeking relief under (a) of this subsection, and may be based upon any failure of the portions of the demand from which relief is sought to comply with the provisions of this section, or upon any constitutional or other legal right or privilege of the petitioner. During the pendency of the petition, the court may stay, as it deems proper, compliance with the demand and the running of the time allowed for compliance with the demand.

(28) At any time during which any custodian is in custody or control of any documentary material or answers to interrogatories produced, or transcripts of oral testimony given, by any person in compliance with any civil investigative demand issued under subsection (1) or (2) of this section, the person, and in the case of an express demand for any product of discovery, the person from whom the discovery was obtained, may file, in the superior court of the state of Washington for the county within which the office of the custodian is situated, and serve upon the custodian, a petition for an order of the court to require the performance by the custodian of any duty imposed upon the custodian by this section.

(29) Whenever any petition is filed in any superior court of the state of Washington under this section, the court has jurisdiction to hear and determine the matter so presented, and to enter an order or orders as may be required to carry out the provisions of this section. Any final order so entered is subject to appeal under the rules of appellate procedure. Any disobedience of any final order entered under this section by any court must be punished as a contempt of the court.

(30) The superior court civil rules apply to any petition under this section, to the extent that the rules are not inconsistent with the provisions of this section.

(31) Any documentary material, answers to written interrogatories, or oral testimony provided under any civil investigative demand issued under subsection (1) or (2) of this section are exempt from disclosure under the public records act, chapter 42.56 RCW.

NEW SECTION. Sec. 213. Beginning November 15, 2012, and annually thereafter, the attorney general in consultation with the health care authority must report results of implementing the medicaid fraud false claims act. This report must include:

(1) The number of attorneys assigned to qui tam initiated actions;

(2) The number of cases brought by qui tam actions and indicate how many cases are brought by the attorney general and how many by the qui tam relator without attorney general participation;

(3) The results of any actions brought under subsection (2) of this section, delineated by cases brought by the attorney general and cases brought by the qui tam relator without attorney general participation;

(4) The amount of recoveries attributable to the medicaid false claims; and

Strike everything after the enacting clause and insert the following:

Sec. 1. RCW 9.94A.631 and 2009 c 390 s 1 are each amended to read as follows:

(1) If an offender violates any condition or requirement of a sentence, a community corrections officer may arrest or cause the arrest of the offender without a warrant, pending a determination by the court or (a department of corrections hearing officer) by the department. If there is reasonable cause to believe that an offender has violated a condition or requirement of the sentence, a community corrections officer may require an offender to submit to a search and seizure of the offender's person, residence, automobile, or other personal property.

(2) For the safety and security of department staff, an offender may be required to submit to pat searches, or other limited security searches, by community corrections officers, correctional officers, and other agency approved staff, without reasonable cause, when in or on department premises, grounds, or facilities, or while preparing to enter department premises, grounds, facilities, or vehicles. Pat searches of offenders shall be conducted only by staff who are the same gender as the offender, except in emergency situations.

(3) A community corrections officer may also arrest an offender for any crime committed in his or her presence. The facts and circumstances of the conduct of the offender shall be reported by the community corrections officer, with recommendations, to the court (a department of corrections hearing officer), local law enforcement, or local prosecution for consideration of new charges.

The community corrections officer's report shall serve as the notice that the department will hold the offender for not more than three days from the time of such notice for the new crime. This does not affect the department's authority under RCW 9.94A.737.

If a community corrections officer arrests or causes the arrest of an offender under this section, the offender shall be confined and detained in the county jail of the county in which the offender was taken into custody, and the sheriff of that county shall receive and keep in the county jail, where room is available, all prisoners delivered to the jail by the community corrections officer, and such offenders shall not be released from custody on bail or personal recognizance, except upon approval of the court or authorized department staff, pursuant to a written order.

Sec. 2. RCW 9.94A.633 and 2010 c 258 s 1 and 2010 c 224 s 12 are each reenacted and amended to read as follows:

(a) An offender who violates any condition or requirement of a sentence may be sanctioned by the court with up to sixty days' confinement for each violation or by the department with up to thirty days' confinement as provided in RCW 9.94A.737.

(b) In lieu of confinement, an offender may be sanctioned with work release, home detention with electronic monitoring, work crew, community restitution, inpatient treatment, daily reporting, curfew, educational or counseling sessions, supervision enhanced through electronic monitoring, or any other community-based sanctions (available in the community).

(2) If an offender was under community custody pursuant to one of the following statutes, the offender may be sanctioned as follows:

(a) If the offender was transferred to community custody in lieu of earned early release in accordance with RCW 9.94A.728, the offender may be transferred to a more restrictive confinement status to serve up to the remaining portion of the sentence, less credit for any period actually spent in community custody or in detention awaiting disposition of an alleged violation.

Any sanctions shall be imposed by the department pursuant to RCW 9.94A.737. (The department shall provide a copy of the supervision hearing report to the sentencing court in a timely manner.) Nothing in this subsection is intended to limit the power of the sentencing court to respond to a probationer’s violation of conditions.

(g) The parole or probation of an offender who is charged with a new felony offense may be suspended and the offender placed in total confinement pending disposition of the new criminal charges if:

(a) The offender is on parole pursuant to RCW 9.95.1101; or

As used in this section, “electronic monitoring” means the monitoring of an offender using an electronic offender tracking system including, but not limited to, a system using radio frequency or active or passive global positioning system technology.
The department may not impose conditions that are contrary to those ordered by the court and may not contravene or decrease court-imposed conditions.

(b) By the close of the next business day after receiving notice of a condition imposed or modified by the department, an offender may request an administrative review under rules adopted by the department. (2) The department may work with the Washington association of sheriffs and police chiefs to establish and operate an electronic monitoring program for (low-risk) offenders who violate the terms of their community custody.

Sec. 6. RCW 9.94A.716 and 2008 c 231 s 21 are each amended to read as follows:

(2) A community corrections officer, if he or she has reasonable cause to believe an offender has violated a condition of community custody, may suspend the person's community custody status and arrest or cause the arrest and detention in total confinement of the offender, pending the determination of the secretary as to whether the violation has occurred. The community corrections officer shall report to the secretary all facts and circumstances and the reasons for the action of suspending community custody status.

(3) If an offender has been arrested by the department for a new felony offense while under community custody, the (department shall hold the offender in total confinement until a hearing before the department as provided in this section or until the offender has been formally charged for the new felony offense, whichever is earlier) facts and circumstances of the conduct of the offender shall be reported by the community corrections officer to local law enforcement or local prosecution for consideration of new charges. The community corrections officer's report shall serve as notice that the department will hold the offender in total confinement for no more than three days from the time of arrest on the new felony offense. Nothing in this subsection shall be construed as to permit the department to hold an offender past his or her maximum term of total confinement if the offender has not completed the maximum term of total confinement or to permit the department to hold an offender past the offender's term of community custody.

(4) A violation of a condition of community custody shall be deemed a violation of the sentence for purposes of RCW 9.94A.631. The authority granted to community corrections officers under this section shall be in addition to that set forth in RCW 9.94A.631.

Sec. 7. RCW 9.94A.737 and 2008 c 231 s 20 are each amended to read as follows:

(b) For a second or subsequent low level violation, the department may sanction the offender to more than thirty days in total confinement.

(ii) The department shall adopt a rule defining supervisory review.

(iii) The offender may appeal the short term confinement sanction to a panel of three reviewing officers designated by the secretary or by the secretary's designee. The offender's appeal must be in writing and hand-delivered to department staff, or postmarked, within seven days after the sanction is imposed.

(4) If an offender is accused of committing a high level violation, the department may sanction the offender to more than thirty days in total confinement per hearing.

(a) The offender is entitled to a hearing prior to the imposition of sanctions; and

(b) The offender may be held in total confinement pending a sanction hearing. Prehearing time served must be credited to the offender's sanction time.

(5) The department shall adopt rules creating hearing procedures for high level violations. The hearings are offender disciplinary proceedings and are not subject to chapter 34.05 RCW. The procedures shall include the following:

(d) The offender shall have the right to: (i) Be present at the hearing; (ii) have the assistance of a person qualified to assist the offender in the hearing, appointed by the hearing officer if the offender has a language or communications barrier; (iii) testify or remain silent; (iv) call witnesses and present documentary evidence; and (v) question witnesses who appear and testify; and (vi) receive a written summary of the reasons for the hearing officer's decision; and

(e) The sanction shall take effect if affirmed by the hearing officer. If a majority of the panel finds that the sanction was not reasonably related to any of the following: (i) The crime of conviction; (ii) the violation committed; (iii) the offender's risk of reoffending; or (iv) the safety of the community, then the panel will reverse, vacate, remand, or modify the sanction.

For purposes of this section, ((no finding of a violation of conditions may be based on unconfirmed or unconfirmable allegations)) the hearings officer may not rely on unconfirmed or unconfirmable allegations to find that the offender violated a condition.

Sec. 8. RCW 9.94A.740 and 2008 c 231 s 22 are each amended to read as follows:

(1) When an offender is arrested pursuant to RCW 9.94A.631 or 9.94A.716, the department shall compensate the local jurisdiction at the office of financial management's adjudicated rate, in accordance with RCW 70.48.440, until the department releases the detainer.

(2) Inmates, as defined in RCW 72.09.015, who have been transferred to community custody and who are detained in a local correctional facility are the financial responsibility of the department of corrections, except as provided in subsection (3) of this section.

(3) For confinement sanctions imposed by the department under RCW 9.94A.670, the local correctional facility shall be financially responsible.

(4) The department, in consultation with the Washington association of sheriffs and police chiefs and those counties in which the sheriff does not operate a correctional facility, shall establish a methodology for determining the department's local correctional facilities bed utilization rate, for each county in calendar year 1998, for offenders being held for violations of conditions of community custody.

5) Except as provided in subsections (1) and (2) of this section, the local correctional facility shall continue to be financially responsible to the extent of the calendar year 1998 bed utilization rate for confinement sanctions imposed by the department pursuant to RCW 9.94A.737. If the department's use of bed space in local correctional facilities of any county for such confinement sanctions exceeds the 1998 bed utilization rate for the county, the department shall compensate the county for the excess use at the per diem rate equal to the lowest rate charged by the county under its contract with a municipal government during the year in which the use occurs.

Sec. 9. RCW 9.95.210 and 2011 1st sp. s c 40 s 7 are each amended to read as follows:
(1) In granting probation, the superior court may suspend the imposition or the execution of the sentence and may direct that the suspension may continue upon such conditions and for such time as it shall designate, not exceeding the maximum term of sentence or two years, whichever is longer.

(2) In the order granting probation and as a condition thereof, the superior court may in its discretion imprison the defendant in the county jail for a period not exceeding one year and may fine the defendant any sum not exceeding the statutory limit for the offense committed, and court costs. As a condition of probation, the superior court shall require the payment of the penalty assessment required by RCW 7.68.035. The superior court may also require the defendant to make such monetary payments, on such terms as it deems appropriate under the circumstances, as are necessary: (a) To comply with any order of the court for the payment of family support; (b) to make restitution to any person or persons who may have suffered loss or damage by reason of the commission of the crime in question or when the offender pleads guilty to a lesser offense or fewer offenses and agrees with the prosecutor's recommendation that the offender be required to pay restitution to a victim of an offense or offenses which are not prosecuted pursuant to a plea agreement; (c) to pay such fine as may be imposed and court costs, including reimbursement of the state for costs of extradition if return to this state by extradition was required; (d) following consideration of the financial condition of the person subject to possible electronic monitoring, to pay for the costs of electronic monitoring if that monitoring was required by the court as a condition of release from custody or as a condition of probation; (e) to contribute to a county or interlocal drug fund; and (f) to make restitution to a public agency for the costs of an emergency response under RCW 38.52.430, and may require bonds for the faithful observance of any and all conditions imposed in the probation.

(3) The superior court shall order restitution in all cases where the victim is entitled to benefits under the crime victims' compensation act, chapter 7.68 RCW. If the superior court does not order restitution and the victim of the crime has been determined to be entitled to benefits under the crime victims' compensation act, the department of labor and industries, as administrator of the crime victims' compensation program, may petition the superior court within one year of imposition of the sentence for entry of a restitution order. Upon receipt of a petition from the department of labor and industries, the superior court shall hold a restitution hearing and shall enter a restitution order.

(4) In granting probation, the superior court may order the probationer to report to the secretary of corrections or such officer as the secretary may designate and as a condition of the probation to follow the instructions of the secretary for up to twelve months. If the county legislative authority has elected to assume responsibility for the supervision of superior court misdemeanor probationers within its jurisdiction, the superior court misdemeanor probationer shall report to a probation officer employed or contracted for by the county. In cases where a superior court misdemeanor probationer is sentenced in one county, but resides within another county, there must be provisions for the probationer to report to the agency having supervision responsibility for the probationer's county of residence.

(5) If the probationer has been ordered to make restitution and the superior court has ordered supervision, the officer supervising the probationer shall make a reasonable effort to ascertain whether restitution has been made. If the superior court has ordered supervision and restitution has not been made as ordered, the officer shall inform the prosecutor of that violation of the terms of probation not less than three months prior to the termination of the probation period. The secretary of corrections will promulgate rules and regulations for the conduct of the person during the term of probation. For defendants found guilty in district court, like functions as the secretary performs in regard to probation may be performed by probation officers employed for that purpose by the county legislative authority of the county wherein the court is located.

(6) The provisions of RCW 9.94A.501 and 9.94A.5011 apply to sentences imposed under this section.

NEW SECTION. Sec. 10. (1)(a) The legislature finds that traditional mechanisms of surveillance-based supervision and sanctioning are ineffective in reducing recidivism or improving public safety. The legislature is persuaded by recent research showing that swift and certain sanctions, in combination with treatment-based interventions that address chemical dependency and criminogenic behaviors, are a more effective and efficient use of public resources to affect future crime.

(b) Notwithstanding, this is a new approach for Washington. It is imperative to the success of the state's system of offender supervision that the department of corrections be vigilant in:

(i) Monitoring the quality and consistency of applying swift and certain sanctions across the state;
(ii) Ensuring that sanctions are commensurate with identified behaviors and, to the extent possible, produce satisfactory results;
(iii) Applying evidence-based treatment and evaluation principles to address offenders' criminogenic and chemical dependency needs and therefore pairing the offender with the appropriate treatment; and
(iv) Maintaining good relations and open communication with law enforcement to assist in identifying offenders that pose the greatest risk to public safety.

(2) In implementing the provisions of this act, the department of corrections is directed to:

(a) Form stakeholder groups, that may include but are not limited to local community corrections officers, law enforcement, prosecuting attorneys, superior court judges, chemical dependency treatment and other community providers, and victim advocates;
(b) Within available resources, provide inpatient or outpatient chemical dependency treatment to offenders initially assessed as in need of treatment based on an evaluation of the offender's needs by a certified staff or chemical dependency provider utilizing evidence-based tools for evaluation;
(c) Perform outreach to the criminal justice training commission and local law enforcement agencies to ensure law enforcement is informed of changes in procedures for holding offenders pending the filing of charges for a new crime and establish ongoing channels of communication with local law enforcement for conveying information about individual offenders who have committed new crimes;
(d) Survey community corrections officers on a periodic basis to gather input and suggestions.

(3) The department shall report to the governor, appropriate committees of the legislature, and the stakeholder groups as identified in subsection (2)(a) of this section on its progress and activities in implementing this act, steps taken to improve the efficacy of chemical dependency treatment, evidence of outcomes achieved as reported by providers through submission of performance measure data, and including any recommended changes in legislation, no later than December 1, 2012, and December 1, 2013.

(4) This section expires December 31, 2013.
NEW SECTION. Sec. 14. Sections 1 and 3 through 13 of this act are necessary for the immediate preservation of the public peace, health, or safety, or support of the state government and its existing public institutions, and take effect June 1, 2012."

HOUSE RESOLUTION NO. 4680 was adopted.

POINT OF PERSONAL PRIVILEGE

Representative Finn: "I just wanted to say a few words. First of all you all look a lot better from up here and close up I must say. All good things must come to an end, many years ago as mentioned we played in a rock and roll band in the New York World Fair, and then we tried to come back and I played in the 70's and I thought we sounded and looked pretty good, until an ex-girlfriend and came up and looked at me in my gold lemay outfit and said "you look like a stuffed sausage" and so it was time to go then and it's time to go now. I want to thank a few people particularly, I worked in D.C. for fifteen years worked with the staff of the Congress and the Senate quite a bit and let me tell you the staff that we have in this organization is every bit as good, every bit as good and have a much better attitude, smart group of folks and I really really applaud all of them. A couple of individuals the gentle lady from the 41st who with the gentlemen from the 12th run a great, wonderful committee. The lady behind from the 46th, Phyllis thank you so much for opening my eyes to so many things, to the home, to the plight of the working folks in the fields and you have been an inspiration to me. To my seat mate from the 35th District your dedication to education of all the children in Washington is just wonderful and you tell a great story, I just wish you would tell the story about the artificial insemination of the cow out in Shelton some day, that will be for another time. My seat mate Skipper, I was an enlisted man in the army when I first came up to him I did not know whether to shake his hand, salute him, or request permission to come aboard. I can't imagine being the skipper of the Battle Ship Iowa, but I guess controlling our desk there had its own challenges. Speaking of gentlemen in the military, there is a gentleman from the 8th across the way there who's passion, one of my fondest memories of being in this legislature is listening to him do the pledge of allegiance every day, at first I did not know quite what to make of him, but I realize that passion is a passion for the lord, and for our country and for his family, I salute him. The lovely lady from the 10th, she was great I was pretty pathetic. Then finally when I came to the legislature I wanted to work as much as I could bipartisanly and to try and put together coalitions, and I was fortunate enough earlier this year with the gentlemen from the 20th who spoke earlier and I think the gentlemen from the 25th was on it also and we built quite a coalition on that, we had the grange, Tim Eyman, the SEIU and a certain Senator Roach from the other side and that was the good news, the bad news was they were lined up against the bill, but I guess you can't have everything. So thank you all so very much."

SPEAKER'S PRIVILEGE

The Speaker (Representative Moeller presiding) asked Fred Finn's wife Bonnie Finn seated in the south gallery to stand and asked the Chamber to acknowledge her.

All previous amendments not be adopted and that the attached striking amendment be adopted.

Strike everything after the enacting clause and insert the following:

"Sec. 15. RCW 46.20.037 and 2006 c 292 s 1 are each amended to read as follows:

(1) (No later than two years after full implementation of the provisions of Title II of P.L. 109-13, improved security for driver's licenses and personal identification cards (Real ID), as passed by Congress May 10, 2005,) The department ((shall)) may implement a ((voluntary biometric)) facial recognition matching system for ((driver's)) drivers' licenses, permits, and identicards. ((A)) (A biometric) Any facial recognition matching system ((shall)) selected by the department must be used only to verify the identity of an applicant for or holder of a ((renewal or duplicate)) driver's license, permit, or identicard by matching a biometric identifier submitted by the applicant against the biometric identifier submitted when the license was last issued. This project requires a full review by the information services board using the criteria for projects of the highest visibility and risk) to determine whether the person has been issued a driver's license, permit, or identicard under a different name or names.

(2) Any ((biometric)) facial recognition matching system selected by the department ((shall)) must be capable of highly accurate matching, and ((shall)) must be compliant with ((biometric)) appropriate standards established by the American association of motor vehicle administrators that exist on the effective date of this section, or such subsequent date as may be provided by the department by rule, consistent with the purposes of this section.

(3) ((The biometric matching system selected by the department must incorporate a process that allows the owner of a driver's license or identicard to present a personal identification number or other code along with the driver's license or identicard before the information may be verified by a third party, including a governmental entity.

(4) Upon the establishment of a biometric driver's license and identicard system as described in this section, the department shall allow every person applying for an original, renewal, or duplicate driver's license or identicard to voluntarily submit a biometric identifier. Each applicant shall be informed of all ways in which the biometric identifier may be used, all parties to whom the identifier may be disclosed and the conditions of disclosure, the expected error rates for the biometric matching system which shall be regularly updated as the technology changes or empirical data is collected, and the potential consequences of those errors. The department shall adopt rules to allow applicants to verify the accuracy of the system at the time that biometric information is submitted, including the use of at least two separate devices.

(5) The department may not disclose biometric information to the public or any governmental entity except when authorized by court order.

(6)) The department shall post notices in conspicuous locations at all department driver licensing offices, make written information available to all applicants at department driver licensing offices, and
provide information on the department's web site regarding the facial recognition matching system. The notices, written information, and information on the web site must address how the facial recognition matching system works, all ways in which the department may use results from the facial recognition matching system, how an investigation based on results from the facial recognition matching system would be conducted, and a person's right to appeal any determinations made under this chapter.

(4) Results from the facial recognition matching system:
   (a) Are not available for public inspection and copying under chapter 42.56 RCW;
   (b) May only be disclosed when authorized by a court order;
   (c) May only be disclosed to a federal government agency if specifically required under federal law; and
   (d) May only be disclosed by the department to a government agency, including a court or law enforcement agency, for use in carrying out its functions if the department has determined that person has committed one of the prohibited practices listed in RCW 46.20.091, and this determination has been confirmed by a hearings examiner under this chapter or the person declined a hearing or did not attend a scheduled hearing.

(5) All (biometric) personally identifying information (shall) derived from the facial recognition matching system must be stored with appropriate security safeguards (including but not limited to encryption). The office of the chief information officer shall develop the appropriate security standards for the department's use of the facial recognition matching system, subject to approval and oversight by the technology services board.

(6) The department shall develop procedures to handle instances in which the (biometric) facial recognition matching system fails to verify the identity of an applicant for a renewal or duplicate driver's license, permit, or identicard. These procedures (shall) must allow an applicant to prove identity without using (a biometric identifier). Any person who has voluntarily submitted a biometric identifier may choose to discontinue participation in the biometric matching program at any time, provided that the department utilizes a secure procedure to prevent fraudulent requests for a renewal or duplicate driver's license or identicard. When the person discontinues participation, any previously collected biometric information shall be destroyed.

(7) This section does not apply when an applicant renews his or her driver's license or identicard by mail or electronic commerce). The facial recognition matching system.

NEW SECTION. Sec. 16. A new section is added to chapter 46.20 RCW to read as follows:

(1) The department shall report to the governor and the legislature by October 1st of each year, beginning October 1, 2012, on the following numbers during the previous fiscal year: The number of investigations initiated by the department based on results from the facial recognition matching system; the number of determinations made that a person has committed one of the prohibited practices in RCW 46.20.091 after the completion of an investigation; the number of determinations that were confirmed by a hearings examiner and the number that were overturned by a hearings examiner; the number of cases where a person declined a hearing or did not attend a scheduled hearing; and the number of determinations that were referred to law enforcement.

(2) This section expires June 30, 2017.

NEW SECTION. Sec. 17. A new section is added to chapter 46.04 RCW to read as follows:

"Facial recognition matching system" means a system that compares the biometric template derived from an image of an applicant or holder of a driver's license, permit, or identicard with the biometric templates derived from the images in the department's negative file.

NEW SECTION. Sec. 18. RCW 46.20.038 (Biometric matching system—Funding) and 2004 c 273 s 4 are each repealed.

Sec. 19. RCW 46.20.055 and 2010 c 223 s 1 are each amended to read as follows:

(1) Driver's instruction permit. The department may issue a driver's instruction permit with or without a photograph to an applicant who has successfully passed all parts of the examination other than the driving test, provided the information required by RCW 46.20.091, paid (a) an application fee of twenty-five dollars, and meets the following requirements:
   (a) Is at least fifteen and one-half years of age; or
   (b) Is at least fifteen years of age and:
      (i) Has submitted a proper application; and
      (ii) Is enrolled in a traffic safety education program offered, approved, and accredited by the superintendent of public instruction or offered by a driver training school licensed and inspected by the department of licensing under chapter 46.82 RCW, that includes practice driving.

(2) Waiver of written examination for instruction permit. The department may waive the written examination, if, at the time of application, an applicant is enrolled in:
   (a) A traffic safety education course as defined by RCW 28A.220.020(2); or
   (b) A course of instruction offered by a licensed driver training school as defined by RCW 46.82.280.

The department may require proof of registration in such a course as it deems necessary.

   (a) The person has immediate possession of the permit;
   (b) The person is not using a wireless communications device, unless the person is using the device to report illegal activity, summon medical or other emergency help, or prevent injury to a person or property; and
   (c) An approved instructor, or a licensed driver with at least five years of driving experience, occupies the seat beside the driver.

(4) Term of instruction permit. A driver's instruction permit is valid for one year from the date of issue.
   (a) The department may issue one additional one-year permit.
   (b) The department may issue a third driver's permit if it finds after an investigation that the permittee is diligently seeking to improve driving proficiency.

(5) A person applying (to renew) for an additional instruction permit must submit the application to the department in person and pay an application fee of twenty-five dollars for each issuance.

Sec. 20. RCW 46.20.117 and 2005 c 314 s 305 are each amended to read as follows:

(1) Issuance. The department shall issue an identicard, containing a picture, if the applicant:
   (a) Does not hold a valid Washington driver's license;
   (b) Proves his or her identity as required by RCW 46.20.035; and
   (c) Pays the required fee. Except as provided in subsection (5) of this section, the fee is (twenty-five) forty-five dollars from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013, unless an applicant is a recipient of continuing public assistance grants under Title 74 RCW, who is referred in writing by the secretary of social and health services. For those persons the fee must be the actual cost of production of the identicard.

(2) Design and term. The identicard must:
   (a) Be distinctly designed so that it will not be confused with the official driver's license; and
   (b) Except as provided in subsection (5) of this section, expire on the (fifth) sixth anniversary of the applicant's birthdate after issuance.
(3) Renewal. An application for identicard renewal may be submitted by means of:

(a) Personal appearance before the department; or
(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her identicard by mail or by electronic commerce when it last expired. ((However, the department may accept an application for renewal of an identicard submitted by means of mail or electronic commerce only if specific authority and funding is provided for this purpose by June 30, 2004, in the omnibus transportation appropriations act.))

An identicard may not be renewed by mail or by electronic commerce unless the renewal issued by the department includes a photograph of the identicard holder.

(4) Cancellation. The department may cancel an identicard if the holder of the identicard used the card or allowed others to use the card in violation of RCW 46.20.0921.

(5) Alternative issuance/renewal/extension. The department may issue or renew an identicard for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or may extend by mail or electronic commerce an identicard that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of identicard holders. The fee for an identicard issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or that has been extended by mail or electronic commerce, is nine dollars for each year that the identicard is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.

Sec. 21. RCW 46.20.120 and 2011 c 370 s 4 are each amended to read as follows:

An applicant for a new or renewed driver's license must successfully pass a driver licensing examination to qualify for a driver's license. The department must ensure that examinations are given at places and times reasonably available to the people of this state. If the department does not administer driver licensing examinations as a routine part of its licensing services within a department region because adequate testing sites are provided by driver training schools or school districts within that region, the department shall, at a minimum, administer driver licensing examinations by appointment to applicants eighteen years of age and older in at least one licensing office within that region.

(1) Waiver. The department may waive:

(a) All or any part of the examination of any person applying for the renewal of a driver's license unless the department determines that the applicant is not qualified to hold a driver's license under this title; or

(b) All or any part of the examination involving operating a motor vehicle if the applicant:

(i) Surrenders a valid driver's license issued by the person's previous home state; or

(ii) Provides for verification a valid driver's license issued by a foreign driver licensing jurisdiction with which the department has an informal agreement under RCW 46.20.125; and

(iii) Is otherwise qualified to be licensed.

(2) Fee. Each applicant for a new license must pay an examination fee of ((fifty)) thirty-five dollars.

(a) The examination fee is in addition to the fee charged for issuance of the license.

(b) "New license" means a license issued to a driver:

(i) Who has not been previously licensed in this state; or

(ii) Whose last previous Washington license has been expired for more than ((six)) six years.

(3) An application for driver's license renewal may be submitted by means of:

(a) Personal appearance before the department; or

(b) Mail or electronic commerce, if permitted by rule of the department and if the applicant did not renew his or her license by mail or by electronic commerce when it last expired.

(4) A person whose license expired or will expire while he or she is living outside the state, may:

(a) Apply to the department to extend the validity of his or her license for no more than twelve months. If the person establishes to the department's satisfaction that he or she is unable to return to Washington before the date his or her license expires, the department shall extend the person's license. The department may grant consecutive extensions, but in no event may the cumulative total of extensions exceed twelve months. An extension granted under this section does not change the expiration date of the license for purposes of RCW 46.20.181. The department shall charge a fee of five dollars for each license extension;

(b) Apply to the department to renew his or her license by mail or, if permitted by rule of the department, by electronic commerce even if subsection (3)(b) of this section would not otherwise allow renewal by that means. If the person establishes to the department's satisfaction that he or she is unable to return to Washington within twelve months of the date that his or her license expires, the department shall renew the person's license by mail or, if permitted by rule of the department, by electronic commerce.

(5) If a qualified person submits an application for renewal under subsection (3)(b) or (4)(b) of this section, he or she is not required to pass an examination nor provide an updated photograph. A license renewed by mail or by electronic commerce that does not include a photograph of the licensee must be labeled "not valid for identification purposes."

(6) Driver training schools licensed by the department under chapter 46.82 RCW may administer the portions of the driver licensing examination that test the applicant's knowledge of traffic laws and ability to safely operate a motor vehicle.

(7) School districts that offer a traffic safety education program under chapter 28A.220 RCW may administer the portions of the driver licensing examination that test the applicant's knowledge of traffic laws and ability to safely operate a motor vehicle.

Sec. 22. RCW 46.20.161 and 2000 c 115 s 6 are each amended to read as follows:

The department, upon receipt of a fee of ((twenty-five)) forty-five dollars from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013, unless the driver's license is issued for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, in which case the fee shall be ((four)) nine dollars for each year that the license is issued, which includes the fee for the required photograph, shall issue to every qualifying applicant a driver's license. A driver's license issued to a person under the age of eighteen is an intermediate license, subject to the restrictions imposed under RCW 46.20.075, until the person reaches the age of eighteen. The license must include a distinguishing number assigned to the licensee, the name of record, date of birth, Washington residence address, photograph, a brief description of the licensee, and either a facsimile of the signature of the licensee or a space upon which the licensee shall write his or her usual signature with pen and ink immediately upon receipt of the license. No license is valid until it has been so signed by the licensee.

Sec. 23. RCW 46.20.181 and 1999 c 308 s 3 are each amended to read as follows:

(1) Except as provided in subsection (4) or (5) of this section, every driver's license expires on the ((fifth)) sixth anniversary of the licensee's birthdate following the issuance of the license.

(2) A person may renew his or her license on or before the expiration date by submitting an application as prescribed by the department and paying a fee of ((twenty-five)) forty-five dollars from October 1, 2012, to June 30, 2013, and fifty-four dollars after June 30, 2013. This fee includes the fee for the required photograph.
(3) A person renewing his or her driver's license more than sixty days after the license has expired shall pay a penalty fee of ten dollars in addition to the renewal fee, unless his or her license expired when:

(a) The person was outside the state and he or she renews the license within sixty days after returning to this state; or

(b) The person was incapacitated and he or she renews the license within sixty days after the termination of the incapacity.

(4) (During the period from July 1, 2000, to July 1, 2006.) The department may issue or renew a driver's license for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or may extend by mail or electronic commerce a license that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of licensed drivers. The fee for a driver's license issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or that has been extended by mail or electronic commerce, is ((five)) nine dollars for each year that the license is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.

(5) A driver's license that includes a hazardous materials endorsement under chapter 46.25 RCW may expire on an anniversary of the licensee's birthdate other than the sixth year following issuance or renewal of the license in order to match, as nearly as possible, the validity of certification from the federal transportation security administration that the licensee has been determined not to pose a security risk. The fee for a driver's license issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, is nine dollars for each year that the license is issued or renewed, not including any endorsement fees. The department may adjust the expiration date of a driver's license issued or renewed, not including any endorsement fees. The department may adjust the expiration date of a driver's license issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or that has been extended by mail or electronic commerce, is ((five)) nine dollars for each year that the license is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.

The department may issue or renew a driver's license for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or may extend by mail or electronic commerce a license that has already been issued, in order to evenly distribute, as nearly as possible, the yearly renewal rate of licensed drivers. The fee for a driver's license issued or renewed for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, or that has been extended by mail or electronic commerce, is ((five)) nine dollars for each year that the license is issued, renewed, or extended. The department may adopt any rules as are necessary to carry out this subsection.

(6) The department may adopt any rules as are necessary to carry out this section.

Sec. 24. RCW 46.20.200 and 2002 c 352 s 14 are each amended to read as follows:

(2) A replacement permit, identicard, or driver's license may be obtained to change or correct material information upon payment of a fee of ten dollars and surrender of the permit, identicard, or driver's license being replaced.

Sec. 25. RCW 46.20.049 and 2011 c 227 s 6 are each amended to read as follows:

There shall be an additional fee for issuing any class of commercial driver's license in addition to the prescribed fee required for the issuance of the original driver's license. The additional fee for each class shall be ((sixty-one)) eighty-five dollars from October 1, 2012, to June 30, 2013, and one hundred two dollars after June 30, 2013, for the original commercial driver's license or subsequent renewals. If the commercial driver's license is issued, renewed, or extended for a period other than five years from October 1, 2012, to June 30, 2013, or six years after June 30, 2013, the fee for each class shall be ((twelve)) seventeen dollars ((and twenty cents)) for each year that the commercial driver's license is issued, renewed, or extended. The fee shall be deposited in the highway safety fund.

Sec. 26. RCW 46.20.308 and 2008 c 282 s 2 are each amended to read as follows:

(1) Any person who operates a motor vehicle within this state is deemed to have given consent, subject to the provisions of RCW 46.61.506, to a test or tests of his or her breath or blood for the purpose of determining the alcohol concentration or presence of any drug in his or her breath or blood if arrested for any offense where, at the time of the arrest, the arresting officer has reasonable grounds to believe the person has been driving or was in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or was in violation of RCW 46.61.503. Neither consent nor this section precludes a police officer from obtaining a search warrant for a person's breath or blood.

(2) The test or tests of breath shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person to have been driving or in actual physical control of a motor vehicle while under the influence of intoxicating liquor or any drug or the person to have been driving or in actual physical control of a motor vehicle while having alcohol in a concentration in violation of RCW 46.61.503 in his or her system and being under the age of twenty-one. However, in those instances where the person is incapable due to physical injury, physical incapacity, or other physical limitation, of providing a breath sample or where the person is being treated in a hospital, clinic, doctor's office, emergency medical vehicle, ambulance, or other similar facility or where the officer has reasonable grounds to believe that the person is under the influence of a drug, a blood test shall be administered by a qualified person as provided in RCW 46.61.506(5). The officer shall inform the person of his or her right to refuse the breath or blood test, and of his or her right to have additional tests administered by any qualified person of his or her choosing as provided in RCW 46.61.506. The officer shall warn the driver, in substantially the following language, that:

(a) If the driver refuses to take the test, the driver's license, permit, or privilege to drive will be revoked or denied for at least one year; and

(b) If the driver refuses to take the test, the driver's refusal to take the test may be used in a criminal trial; and

(c) If the driver submits to the test and the test is administered, the driver's license, permit, or privilege to drive will be suspended, revoked, or denied for at least ninety days if the driver is age twenty-one or over and the test indicates the alcohol concentration of the driver's breath or blood is 0.08 or more, or if the driver is under age twenty-one and the test indicates the alcohol concentration of the driver's breath or blood is 0.02 or more, or if the driver is under age twenty-one and the driver is in violation of RCW 46.61.502 or 46.61.504; and

(d) If the driver's license, permit, or privilege to drive is suspended, revoked, or denied the driver may be eligible to immediately apply for an ignition interlock driver's license.

(3) Except as provided in this section, the test administered shall be of the breath only. If an individual is unconscious or is under arrest for the crime of vehicular homicide as provided in RCW 46.61.520 or vehicular assault as provided in RCW 46.61.522, or if an individual is under arrest for the crime of driving while under the influence of intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest results from an accident in which there has been serious bodily injury to another person, a breath or blood test may be administered without the consent of the individual so arrested.

(4) Any person who is dead, unconscious, or who is otherwise in a condition rendering him or her incapable of refusal, shall be deemed not to have withdrawn the consent provided by subsection (1) of this section and the test or tests may be administered, subject to the provisions of RCW 46.61.506, and the person shall be deemed to have received the warnings required under subsection (2) of this section.

(5) If, following his or her arrest and receipt of warnings under subsection (2) of this section, the person arrested refuses upon the request of a law enforcement officer to submit to a test or tests of his or her breath or blood, no test shall be given except as authorized under subsection (3) or (4) of this section.
(6) If, after arrest and after the other applicable conditions and requirements of this section have been satisfied, a test or tests of the person's blood or breath is administered and the test results indicate that the alcohol concentration of the person's breath or blood is 0.08 or more if the person is age twenty-one or over, or 0.02 or more if the person is under the age of twenty-one, or the person refuses to submit to a test, the arresting officer or other law enforcement officer at whose direction any test has been given, or the department, where applicable, if the arrest results in a test of the person's blood, shall:
(a) Serve notice in writing on the person on behalf of the department of its intention to suspend, revoke, or deny the person's license, permit, or privilege to drive as required by subsection (7) of this section;
(b) Serve notice in writing on the person on behalf of the department of his or her right to a hearing, specifying the steps he or she must take to obtain a hearing as provided by subsection (8) of this section and that the person waives the right to a hearing if he or she receives an ignition interlock driver's license;
(c) Mark the person's Washington state driver's license or permit to drive, if any, in a manner authorized by the department;
(d) Serve notice in writing that the marked license or permit, if any, is a temporary license that is valid for sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or until the suspension, revocation, or denial of the person's license, permit, or privilege to drive is sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first. No temporary license is valid to any greater degree than the license or permit that it replaces; and
(e) Immediately notify the department of the arrest and transmit to the department within seventy-two hours, except as delayed as the result of a blood test, a sworn report or report under a declaration authorized by RCW 9A.72.085 that states:
(i) That the officer had reasonable grounds to believe the arrested person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or was under the age of twenty-one years and had been driving or was in actual physical control of a motor vehicle while having an alcohol concentration in violation of RCW 46.61.503;
(ii) That after receipt of the warnings required by subsection (2) of this section the person refused to submit to a test of his or her blood or breath, or a test was administered and the results indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person is age twenty-one or over, or was 0.02 or more if the person is under the age of twenty-one; and
(iii) Any other information that the director may require by rule.
(7) The department of licensing, upon the receipt of a sworn report or report under a declaration authorized by RCW 9A.72.085 under subsection (6)(c) of this section, shall suspend, revoke, or deny the person's license, permit, or privilege to drive or any nonresident operating privilege, as provided in RCW 46.20.3101, such suspension, revocation, or denial to be effective beginning sixty days from the date of arrest or from the date notice has been given in the event notice is given by the department following a blood test, or when sustained at a hearing pursuant to subsection (8) of this section, whichever occurs first.
(8) A person receiving notification under subsection (6)(b) of this section may, within twenty days after the notice has been given, request in writing a formal hearing before the department. The person shall pay a fee of ((503)) three hundred seventy-five dollars as part of the request. If the request is mailed, it must be postmarked within twenty days after receipt of the notification. Upon timely receipt of a request for a formal hearing, including receipt of the required ((503)) three hundred seventy-five dollar fee, the department shall afford the person an opportunity for a hearing. The department may waive the required ((503)) three hundred seventy-five dollar fee if the person is an indigent as defined in RCW 10.101.010. Except as otherwise provided in this section, the hearing is subject to and shall be scheduled and conducted in accordance with RCW 46.20.329 and 46.20.332. The hearing shall be conducted in the county of the arrest, except that all or part of the hearing may, at the discretion of the department, be conducted by telephone or other electronic means. The hearing shall be held within sixty days following the arrest or following the date notice has been given in the event notice is given by the department following a blood test, unless otherwise agreed to by the department and the person, in which case the action by the department shall be stayed, and any valid temporary license marked under subsection (6)(c) of this section extended, if the person is otherwise eligible for licensing. For the purposes of this section, the scope of the hearing shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or any drug or had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more if the person was under the age of twenty-one, whether the person was placed under arrest, and (a) whether the person refused to submit to the test or tests upon request of the officer after having been informed that such refusal would result in the revocation of the person's license, permit, or privilege to drive, or (b) if a test or tests were administered, whether the applicable requirements of this section were satisfied before the administration of the test or tests, whether the person submitted to the test or tests, or whether a test was administered without express consent as permitted under this section, and whether the test or tests indicated that the alcohol concentration of the person's breath or blood was 0.08 or more if the person was age twenty-one or over at the time of the arrest, or 0.02 or more if the person was under the age of twenty-one at the time of the arrest. The sworn report or report under a declaration authorized by RCW 9A.72.085 submitted by a law enforcement officer is prima facie evidence that the officer had reasonable grounds to believe the person had been driving or was in actual physical control of a motor vehicle within this state while under the influence of intoxicating liquor or drugs, or both, or the person had been driving or was in actual physical control of a motor vehicle within this state while having alcohol in his or her system in a concentration of 0.02 or more and was under the age of twenty-one and that the officer complied with the requirements of this section.
A hearing officer shall conduct the hearing, may issue subpoenas for the attendance of witnesses and the production of documents, and shall administer oaths to witnesses. The hearing officer shall not issue a subpoena for the attendance of a witness at the request of the person unless the request is accompanied by the fee required by RCW 5.56.010 for a witness in district court. The sworn report or report under a declaration authorized by RCW 9A.72.085 of the law enforcement officer and any other evidence accompanying the report shall be admissible without further evidentiary foundation and the certifications authorized by the criminal rules for courts of limited jurisdiction shall be admissible without further evidentiary foundation. The person may be represented by counsel, may question witnesses, may present evidence, and may testify. The department shall order that the suspension, revocation, or denial either be rescinded or sustained.
(9) If the suspension, revocation, or denial is sustained after such a hearing, the person whose license, privilege, or permit is suspended, revoked, or denied has the right to file a petition in the superior court of the county of arrest to review the final order of revocation by the department in the same manner as an appeal from a decision of a court of limited jurisdiction. Notice of appeal must be filed within thirty days after the date the final order is served or the right to appeal is waived. Notwithstanding RCW 46.20.334, RA11.1.1, or other statutes or rules referencing de novo review, the appeal shall be
limited to a review of the record of the administrative hearing. The appellant must pay the costs associated with obtaining the record of the hearing before the hearing officer. The filing of the appeal does not stay the effective date of the suspension, revocation, or denial. A petition filed under this subsection must include the petitioner's grounds for requesting review. Upon granting petitioner's request for review, the court shall review the department's final order of suspension, revocation, or denial as expeditiously as possible. The review must be limited to a determination of whether the department has committed any errors of law. The superior court shall accept those factual determinations supported by substantial evidence in the record: (a) That were expressly made by the department; or (b) that may reasonably be inferred from the final order of the department. The superior court may reverse, affirm, or modify the decision of the department or remand the case back to the department for further proceedings. The decision of the superior court must be in writing and filed in the clerk's office with the other papers in the case. The court shall state the reasons for the decision. If judicial relief is sought for a stay or other temporary remedy from the department's action, the court shall not grant such relief unless the court finds that the appellant is likely to prevail in the appeal and that without a stay the appellant will suffer irreparable injury. If the court stays the suspension, revocation, or denial it may impose conditions on such stay.

(10)(a) If a person whose driver's license, permit, or privilege to drive has been or will be suspended, revoked, or denied under subsection (7) of this section, other than as a result of a breath or blood test refusal, and who has not committed an offense for which he or she was granted a deferred prosecution under chapter 10.05 RCW, petitions a court for a deferred prosecution on criminal charges arising out of the arrest for which action has been or will be taken under subsection (7) of this section, or notifies the department of licensing of the intent to seek such a deferred prosecution, then the license suspension or revocation shall be stayed pending entry of the deferred prosecution. The stay shall not be longer than one hundred fifty days after the date charges are filed, or two years after the date of the arrest, whichever time period is shorter. If the court stays the suspension, revocation, or denial, it may impose conditions on such stay. If the person is otherwise eligible for licensing, the department shall issue a temporary license, or extend any valid temporary license marked under subsection (6) of this section, for the period of the stay. If a deferred prosecution treatment plan is not recommended in the report made under RCW 10.05.050, or if treatment is rejected by the court, or if the person declines to accept an offered treatment plan, or if the person violates any condition imposed by the court, then the court shall immediately direct the department to cancel the stay and any temporary marked license or extension of a temporary license issued under this subsection.

(b) A suspension, revocation, or denial imposed under this section, other than as a result of a breath or blood test refusal, shall be stayed if the person is accepted for deferred prosecution as provided in chapter 10.05 RCW for the incident upon which the suspension, revocation, or denial is based. If the deferred prosecution is terminated, the stay shall be lifted and the suspension, revocation, or denial reinstated. If the deferred prosecution is completed, the stay shall be lifted and the suspension, revocation, or denial canceled. (c) The provisions of (b) of this subsection relating to a stay of a suspension, revocation, or denial and the cancellation of any suspension, revocation, or denial do not apply to the suspension, revocation, denial, or disqualification of a person's commercial driver's license or privilege to operate a commercial motor vehicle.

(11) When it has been finally determined under the procedures of this section that a nonresident's privilege to operate a motor vehicle in this state has been suspended, revoked, or denied, the department shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which he or she has a license.

Sec. 27. RCW 46.20.505 and 2007 c 97 s 1 are each amended to read as follows:

Every person applying for a special endorsement of a driver's license authorizing such person to drive a two or three-wheeled motorcycle or a motor-driven cycle shall pay a fee of five dollars, which is not refundable. In addition, the endorsement fee for the initial motorcycle endorsement shall not exceed ((twelve dollars) twenty dollars), unless the endorsement is issued for a period other than six years, in which case the endorsement fee shall not exceed two dollars for each year the initial motorcycle endorsement is issued. The subsequent renewal endorsement fee shall not exceed ((twenty-three dollars) thirty dollars), unless the endorsement is renewed or extended for a period other than ((six) six years, in which case the subsequent renewal endorsement fee shall not exceed five dollars for each year that the endorsement is renewed or extended. Fees collected under this section shall be deposited in the motorcycle safety education account of the highway safety fund.

subsection must be treated in the same manner and is subject to the
same restrictions as driving record abstracts.

(f) Alcohol/drug assessment or treatment agencies. An
abstract of the driving record maintained by the department covering
the period of not more than the last five years may be furnished to an
alcohol/drug assessment or treatment agency approved by the
department of social and health services to which the named
individual has applied or been assigned for evaluation or treatment,
for purposes of assisting employees in making a determination as to
what level of treatment, if any, is appropriate, except that the abstract
must:

(i) Also include records of alcohol-related offenses, as defined in
RCW 46.01.260(2), covering a period of not more than the last ten

(3) Release to third parties prohibited. Any person or entity
receiving an abstract of a person's driving record under subsection
(2)(b) through (i) of this section shall use the abstract exclusively for
its, her, or its own purposes or as otherwise expressly permitted
under this section, and shall not divulge any information contained in
the abstract to a third party.

(4) Fee. The director shall collect a (($125)) thirteen dollar fee
for each abstract of a person's driving record furnished by the department.
Fifty percent of the fee must be deposited in the highway safety fund,
and fifty percent of the fee must be deposited according to RCW
46.68.038.

(5) Violation. (a) Any negligent violation of this section is a

Sec. 38. RCW 46.70.061 and 2002 c 352 s 23 are each amended
to read as follows:

(1) The annual fees for original licenses issued for twelve

Sec. 39. RCW 46.70.180 and 2010 c 161 s 1136 are each amended to read as follows:

Each of the following acts or practices is unlawful:

(1) To cause or permit to be advertised, printed, displayed, published, distributed, broadcasted, televised, or disseminated in any manner whatsoever, any statement or representation with regard to the sale, lease, or financing of a vehicle which is false, deceptive, or misleading, including but not limited to the following:

(a) That no down payment is required in connection with the sale of a vehicle when a down payment is in fact required, or that a vehicle may be purchased for a smaller down payment than is actually required;

(b) That a certain percentage of the sale price of a vehicle may be financed when such financing is not offered in a single document evidencing the entire security transaction;

(c) That a certain percentage is the amount of the service charge to be charged for financing, without stating whether this percentage charge is a monthly amount or an amount to be charged per year;

(d) That a new vehicle will be sold for a certain amount above or below cost without computing cost as the exact amount of the factory invoice on the specific vehicle to be sold;

(e) That a vehicle will be sold upon a monthly payment of a certain amount, without including in the statement the number of payments of that same amount which are required to liquidate the unpaid purchase price.

(2)(a)(i) To incorporate within the terms of any purchase and sale or lease agreement any statement or representation with regard to the sale, lease, or financing of a vehicle which is false, deceptive, or misleading, including but not limited to terms that include as an added cost to the selling price or capitalized cost of a vehicle an amount for licensing or transfer of title of that vehicle which is not actually due to the state, unless such amount has in fact been paid by the dealer prior to such sale.

(ii) However, an amount not to exceed (the applicable amount provided in (iii)(A) and (B) of this subsection (2)(a)) one hundred fifty dollars per vehicle sale or lease may be charged by a dealer to recover administrative costs for collecting motor vehicle excise taxes, licensing and registration fees and other agency fees, verifying and clearing titles, transferring titles, perfecting, releasing, or satisfying liens or other security interests, and other administrative and documentary services rendered by a dealer in connection with the sale or lease of a vehicle and in carrying out the requirements of this chapter or any other provisions of state law.

((iii) A dealer may charge under (a)(ii) of this subsection:

(A) As of July 26, 2009, through June 30, 2014, an amount not to exceed one hundred fifty dollars; and

(B) As of July 1, 2014, an amount not to exceed fifty dollars.)

(b) A dealer may charge the documentary service fee in (a) of this subsection under the following conditions:

(i) The documentary service fee is disclosed in writing to a prospective purchaser or lessee before the execution of a purchase and sale or lease agreement;

(ii) The dealer discloses to the purchaser or lessee in writing that the documentary service fee is a negotiable fee. The disclosure must be written in a typeface that is at least as large as the typeface used in the standard text of the document that contains the disclosure and that is bold faced, capitalized, underlined, or otherwise set out from the surrounding material so as to be conspicuous. The dealer shall not represent to the purchaser or lessee that the fee or charge is required by the state to be paid by either the dealer or prospective purchaser or lessee;

(iii) The documentary service fee is separately designated from the selling price or capitalized cost of the vehicle and from any other taxes, fees, or charges; and

(iv) Dealers disclose in any advertisement that a documentary service fee in an amount (provided in (iv)(A) and (B) of this subsection (2)(b)) up to one hundred fifty dollars may be added to the sale price or the capitalized cost;

(A) As of July 26, 2009, through June 30, 2014, an amount up to one hundred fifty dollars; and

(B) As of July 1, 2014, an amount up to fifty dollars).

For the purposes of this subsection (2), the term "documentary service fee" means the optional amount charged by a dealer to provide the services specified in (a) of this subsection.

(3) To set up, promote, or aid in the promotion of a plan by which vehicles are to be sold or leased to a person for a consideration and upon further consideration that the purchaser or lessee agrees to secure one or more persons to participate in the plan by respectively making a similar purchase and in turn agreeing to secure one or more persons likewise to join in said plan, each purchaser or lessee being given the right to secure money, credits, goods, or something of value, depending upon the number of persons joining the plan.

(4) To commit, allow, or ratify any act of "bushing" which is defined as follows: Entering into a written contract, written purchase order or agreement, retail installment sales agreement, note and security agreement, or written lease agreement, hereinafter collectively referred to as contract or lease, signed by the prospective buyer or lessee of a vehicle, which:

(a) Is subject to any conditions or the dealer's or his or her authorized representative's future acceptance, and the dealer fails or refuses within four calendar days, exclusive of Saturday, Sunday, or legal holiday, and prior to any further negotiations with said buyer or lessee to inform the buyer or lessee either: (i) That the dealer unconditionally accepts the contract or lease, having satisfied, removed, or waived all conditions to acceptance or performance, including, but not limited to, financing, assignment, or lease approval; or (ii) that the dealer rejects the contract or lease, thereby automatically voiding the contract or lease, as long as such voiding does not negate commercially reasonable contract or lease provisions pertaining to the return of the subject vehicle and any physical damage, excessive mileage after the demand for return of the vehicle, and attorneys' fees authorized by law, and tenders the refund of any initial payment or security made or given by the buyer or lessee, including, but not limited to, any down payment, and tenders return of the trade-in vehicle, key, other trade-in, or certificate of title to a trade-in. Tender may be conditioned on return of the subject vehicle if previously delivered to the buyer or lessee.

The provisions of this subsection (4)(a) do not impair, prejudice, or abrogate the rights of a dealer to assert a claim against the buyer or lessee for misrepresentation or breach of contract and to exercise all remedies available at law or in equity, including those under chapter 62A.9A RCW, if the dealer, bank, or other lender or leasing company discovers that approval of the contract or financing or approval of the lease was based upon material misrepresentations made by the buyer or lessee, including, but not limited to, misrepresentations regarding income, employment, or debt of the buyer or lessee, as long as the dealer, or his or her staff, has not, with knowledge of the material misrepresentation, aided, assisted, encouraged, or participated, directly or indirectly, in the misrepresentation. A dealer shall not be in violation of this subsection (4)(a) if the buyer or lessee made a material misrepresentation to the dealer, as long as the dealer, or his or her staff, has not, with knowledge of the material
misrepresentation, aided, assisted, encouraged, or participated, directly or indirectly, in the misrepresentation.

When a dealer informs a buyer or lessee under this subsection (4)(a) regarding the unconditional acceptance or rejection of the contract, lease, or financing by an electronic mail message, the dealer must also transmit the communication by any additional means;

(b) Permits the dealer to renegotiate a dollar amount specified as trade-in allowance on a vehicle delivered or to be delivered by the buyer or lessee as part of the purchase price or lease, for any reason except:

(i) Failure to disclose that the vehicle's certificate of title has been branded for any reason, including, but not limited to, status as a rebuilt vehicle as provided in RCW 46.12.540 and 46.12.560; or

(ii) Substantial physical damage or latent mechanical defect occurring before the dealer took possession of the vehicle and which could not have been reasonably discoverable at the time of the taking of the order, offer, or contract; or

(iii) Excessive additional miles or a discrepancy in the mileage. "Excessive additional miles" means the addition of five hundred miles or more, as reflected on the vehicle's odometer, between the time the vehicle was first valued by the dealer for purposes of determining its trade-in value and the time of actual delivery of the vehicle to the dealer. "A discrepancy in the mileage" means (A) a discrepancy between the mileage reflected on the vehicle's odometer and the stated mileage on the signed odometer statement; or (B) a discrepancy between the mileage stated on the signed odometer statement and the actual mileage on the vehicle; or

(c) Fails to comply with the obligation of any written warranty or guarantee given by the dealer requiring the furnishing of services or repairs within a reasonable time.

(5) To commit any offense relating to odometers, as such offenses are defined in RCW 46.37.540, 46.37.550, 46.37.560, and 46.37.570. A violation of this subsection is a class C felony punishable under chapter 9A.20 RCW.

(6) For any vehicle dealer or vehicle salesperson to refuse to furnish, upon request of a prospective purchaser or lessee, for vehicles previously registered to a business or governmental entity, the name and address of the business or governmental entity.

(7) To commit any other offense under RCW 46.37.423, 46.37.424, or 46.37.425.

(8) To commit any offense relating to a dealer's temporary license permit, including but not limited to failure to properly complete each such permit, or the issuance of more than one such permit on any one vehicle. However, a dealer may issue a second temporary permit on a vehicle if the following conditions are met:

(a) The lienholder fails to deliver the vehicle title to the dealer within the required time period;

(b) The dealer has satisfied the lien; and

(c) The dealer has proof that payment of the lien was made within two calendar days, exclusive of Saturday, Sunday, or a legal holiday, after the sales contract has been executed by all parties and all conditions and contingencies in the sales contract have been met or otherwise satisfied.

(9) For a dealer, salesperson, or mobile home manufacturer, having taken an instrument or cash "on deposit" from a purchaser or lessee prior to the delivery of the bargained-for vehicle, to commingle the "on deposit" funds with assets of the dealer, salesperson, or mobile home manufacturer instead of holding the "on deposit" funds as trustee in a separate trust account until the purchaser or lessee has taken delivery of the bargained-for vehicle. Delivery of a manufactured home shall be deemed to occur in accordance with RCW 46.70.135(5). Failure, immediately upon receipt, to endorse "on deposit" instruments to such a trust account, or to set aside "on deposit" cash for deposit in such trust account, and failure to deposit such instruments or cash in such trust account by the close of banking hours on the day following receipt thereof, shall be evidence of intent to commit this unlawful practice. PROVIDED, HOWEVER, That a motor vehicle dealer may keep a separate trust account which equals his or her customary total customer deposits for vehicles for future delivery. For purposes of this section, "on deposit" funds received from a purchaser of a manufactured home means those funds that a seller requires a purchaser to advance before ordering the manufactured home, but does not include any loan proceeds or moneys that might have been paid on an installment contract.

(10) For a dealer or manufacturer to fail to comply with the obligations of any written warranty or guarantee given by the dealer or manufacturer requiring the furnishing of goods and services or repairs within a reasonable period of time, or to fail to furnish to a purchaser or lessee, all parts which attach to the manufactured unit including but not limited to the undercarriage, and all items specified in the terms of a sales or lease agreement signed by the seller and buyer or lessee.

(11) For a vehicle dealer to pay or to receive from any person, firm, partnership, association, or corporation acting, either directly or through a subsidiary, as a buyer's agent for consumers, any compensation, fee, purchase moneys or funds that have been deposited into or withdrawn out of any account controlled or used by any buyer's agent, gratuity, or reward in connection with the purchase, sale, or lease of a new motor vehicle.

(12) For a buyer's agent, acting directly or through a subsidiary, to pay to or to receive from any motor vehicle dealer any compensation, fee, gratuity, or reward in connection with the purchase, sale, or lease of a new motor vehicle. In addition, it is unlawful for any buyer's agent to engage in any of the following acts on behalf of or in the name of the consumer:

(a) Receiving or paying any purchase moneys or funds into or out of any account controlled or used by any buyer's agent;

(b) Signing any vehicle purchase orders, sales contracts, leases, odometer statements, or title documents, or having the name of the buyer's agent appear on the vehicle purchase order, sales contract, lease, or title; or

(c) Signing any other documentation relating to the purchase, sale, lease, or transfer of any new motor vehicle.

It is unlawful for a buyer's agent to use a power of attorney obtained from the consumer to accomplish or effect the purchase, sale, lease, or transfer of ownership documents of any new motor vehicle by any means which would otherwise be prohibited under (a) through (c) of this subsection. However, the buyer's agent may use a power of attorney for physical delivery of motor vehicle license plates to the consumer.

Further, it is unlawful for a buyer's agent to engage in any false, deceptive, or misleading advertising, disseminated in any manner whatsoever, including but not limited to making any claim or statement that the buyer's agent offers, obtains, or guarantees the lowest price on any motor vehicle or words to similar effect.

(13) For a buyer's agent to arrange for or to negotiate the purchase, or both, of a new motor vehicle through an out-of-state dealer without disclosing in writing to the customer that the new vehicle would not be subject to chapter 19.118 RCW. This subsection also applies to leased vehicles. In addition, it is unlawful for any buyer's agent to fail to have a written agreement with the customer that: (a) Sets forth the terms of the parties' agreement; (b) discloses to the customer the total amount of any fees or other compensation being paid by the customer to the buyer's agent for the agent's services; and (c) further discloses whether the fee or any portion of the fee is refundable.

(14) Being a manufacturer, other than a motorcycle manufacturer governed by chapter 46.93 RCW, to:

(a) Coerce or attempt to coerce any vehicle dealer to order or accept delivery of any vehicle or vehicles, parts or accessories, or any other commodities which have not been voluntarily ordered by the vehicle dealer: PROVIDED, That recommendation, endorsement,
calculated at the dealer's authorized warranty rate for any known damage and repair to the new motor vehicle if the damage vehicle contract without disclosing in writing to a buyer of the new motor rights to the debtor, is not a violation of this section.

requiring performance of a written contract entered into with any or any other person, whether or not licensed under this chapter, from

or any item included as an integral part of the vehicle against the distributed for sale or lease, or transferred into this state for lessee of any new or unused vehicle that has been sold or leased, franchise or contractual agreement for the retail sale or lease of new immediate delivery to any duly licensed vehicle dealer having a cancellation or failure to renew the dealer's franchise agreement

practice forbidden in this section by either threats of actual cancellation or failure to renew the dealer's franchise agreement;

c) Encourage, aid, abet, or teach a vehicle dealer to sell or lease vehicles through any false, deceptive, or misleading sales or financing practices including but not limited to those practices declared unlawful in this section;

d) Coerce or attempt to coerce a vehicle dealer to engage in any practice forbidden in this section by either threats of actual cancellation or failure to renew the dealer's franchise agreement;

d) Refuse to deliver any vehicle publicly advertised for immediate delivery to any duly licensed vehicle dealer having a franchise or contractual agreement for the retail sale or lease of new and unused vehicles sold or distributed by such manufacturer within sixty days after such dealer's order has been received in writing unless caused by inability to deliver because of shortage or curtailment of material, labor, transportation, or utility services, or by any labor or production difficulty, or by any cause beyond the reasonable control of the manufacturer;

Nothing in this section may be construed to impair the obligations of a contract or to prevent a manufacturer, distributor, representative, or any other person, whether or not licensed under this chapter, from requiring performance of a written contract entered into with any licensee hereunder, nor does the requirement of such performance constitute a violation of any of the provisions of this section if any such contract or the terms thereof requiring performance, have been freely entered into and executed between the contracting parties. This paragraph and subsection (14)(b) of this section do not apply to new motor vehicle manufacturers governed by chapter 46.96 RCW.

(15) Unlawful transfer of an ownership interest in a motor vehicle as defined in RCW 19.116.050.

(16) To knowingly and intentionally engage in collusion with a registered owner of a vehicle to repossess and return or resell the vehicle to the registered owner in an attempt to avoid a suspended license impound under chapter 46.55 RCW. However, compliance with chapter 62A.9A RCW in repossessing, selling, leasing, or otherwise disposing of the vehicle, including providing redemption rights to the debtor, is not a violation of this section.

(17)(a) For a dealer to enter into a new motor vehicle sales contract without disclosing in writing to a buyer of the new motor vehicle, or to a dealer in the case of an unregistered motor vehicle, any known damage and repair to the new motor vehicle if the damage exceeds five percent of the manufacturer's suggested retail price as calculated at the dealer's authorized warranty rate for labor and parts, or one thousand dollars, whichever amount is greater. A manufacturer or new motor vehicle dealer is not required to disclose to a dealer or buyer that glass, tires, bumpers, or cosmetic parts of a new motor vehicle were damaged at any time if the damaged item has been replaced with original or comparable equipment. A replaced part is not part of the cumulative damage required to be disclosed under this subsection.

(b) A manufacturer is required to provide the same disclosure to a dealer of any known damage or repair as required in (a) of this subsection.

(c) If disclosure of any known damage or repair is not required under this section, a buyer may not revoke or rescind a sales contract due to the fact that the new motor vehicle was damaged and repaired before completion of the sale.

d) As used in this section:

(i) "Cosmetic parts" means parts that are attached by and can be replaced in total through the use of screws, bolts, or other fasteners without the use of welding or thermal cutting, and includes windshields, bumpers, hoods, or trim panels.

f) To provide under the terms of any warranty that a purchaser or lessee of any new or unused vehicle that has been sold or leased, distributed for sale or lease, or transferred into this state for lease by the vehicle manufacturer may only make any warranty claim on any item included as an integral part of the vehicle against the manufacturer of that item.

Nothing in this section may be construed to impair the obligations of a contract or to prevent a manufacturer, distributor, representative, or any other person, whether or not licensed under this chapter, from requiring performance of a written contract entered into with any licensee hereunder, nor does the requirement of such performance constitute a violation of any of the provisions of this section if any such contract or the terms thereof requiring performance, have been freely entered into and executed between the contracting parties. This paragraph and subsection (14)(b) of this section do not apply to new motor vehicle manufacturers governed by chapter 46.96 RCW.

(15) Unlawful transfer of an ownership interest in a motor vehicle as defined in RCW 19.116.050.

(16) To knowingly and intentionally engage in collusion with a registered owner of a vehicle to repossess and return or resell the vehicle to the registered owner in an attempt to avoid a suspended license impound under chapter 46.55 RCW. However, compliance with chapter 62A.9A RCW in repossessing, selling, leasing, or otherwise disposing of the vehicle, including providing redemption rights to the debtor, is not a violation of this section.

(17)(a) For a dealer to enter into a new motor vehicle sales contract without disclosing in writing to a buyer of the new motor vehicle, or to a dealer in the case of an unregistered motor vehicle, any known damage and repair to the new motor vehicle if the damage exceeds five percent of the manufacturer's suggested retail price as calculated at the dealer's authorized warranty rate for labor and parts, or one thousand dollars, whichever amount is greater. A manufacturer or new motor vehicle dealer is not required to disclose to a dealer or buyer that glass, tires, bumpers, or cosmetic parts of a new motor vehicle were damaged at any time if the damaged item has been replaced with original or comparable equipment. A replaced part is not part of the cumulative damage required to be disclosed under this subsection.

(b) A manufacturer is required to provide the same disclosure to a dealer of any known damage or repair as required in (a) of this subsection.

(c) If disclosure of any known damage or repair is not required under this section, a buyer may not revoke or rescind a sales contract due to the fact that the new motor vehicle was damaged and repaired before completion of the sale.

d) As used in this section:

(i) "Cosmetic parts" means parts that are attached by and can be replaced in total through the use of screws, bolts, or other fasteners without the use of welding or thermal cutting, and includes windshields, bumpers, hoods, or trim panels.

f) To provide under the terms of any warranty that a purchaser or lessee of any new or unused vehicle that has been sold or leased, distributed for sale or lease, or transferred into this state for lease by the vehicle manufacturer may only make any warranty claim on any item included as an integral part of the vehicle against the manufacturer of that item.

NEW SECTION, Sec. 40. A new section is added to chapter 46.68 RCW to read as follows:

The one hundred dollar fee is due only at the time of annual registration renewal.

(2) This section only applies to:

(a) A vehicle that is designed to have the capability to drive at a speed of more than thirty-five miles per hour; and

(b) An annual vehicle registration renewal that is due on or after February 1, 2013.

(3)(a) The fee under this section is imposed to provide funds to mitigate the impact of vehicles on state roads and highways and for the purpose of evaluating the feasibility of transitioning from a revenue collection system based on fuel taxes to a road user assessment system, and is separate and distinct from other vehicle license fees. Proceeds from the fee must be used for highway purposes, and must be deposited in the motor vehicle fund created in RCW 46.68.070, subject to (b) of this subsection.

(b) If in any year the amount of proceeds from the fee collected under this section exceeds one million dollars, the excess amount over one million dollars must be deposited as follows:

Upon receipt of an application for a snowmobile dealer's license and the fee provided in subsection (2) of this section, the dealer is licensed and a snowmobile dealer license number must be assigned.

(2) The annual license fee for a snowmobile dealer is twenty-five dollars, which covers all of the snowmobiles offered by a dealer for sale and not rented on a regular, commercial basis. (2) A security interest is perfected when it is created if the secured party's name and address appear on the most recently issued certificate of title or, if not, it is created when the department, county auditor or other agent, or subagent appointed by the director receives the certificate of title or an application for a certificate of title and the fees required in subsection (1) of this section.

(3) If a vehicle is subject to a security interest when brought into this state, perfection of the security interest is determined by the law of the jurisdiction where the vehicle was when the security interest was attached, subject to the following:

The name of the secured party must be shown on the certificate of title issued for the vehicle by this state. The security interest continues perfected in this state when the department issues the certificate of title.

(4) (a) After a certificate of title has been issued, the registered owner or secured party must apply to the department, county auditor or other agent, or subagent appointed by the director for a new certificate of title when a security interest is granted on a vehicle.

Within ten days after creating a security agreement, the registered owner or secured party must submit:

(ii) The certificate of title last issued for the vehicle, or other documentation required by the department; and

(iii) The fee required in RCW 46.17.100.

(b) If satisfied that a certificate of title should be reissued, the department shall change the vehicle record and issue a new certificate of title to the secured party.

(5) A secured party shall release the security interest when the conditions within the security agreement have been met and there is no further secured obligation. The secured party must either:

(a) Assign the certificate of title to the registered owner or the registered owner's designee and send the certificate of title to the department, county auditor or other agent, or subagent appointed by the director with the fee required in RCW 46.17.100; or

(b) Assign the certificate of title to the person acquiring the vehicle from the registered owner with the registered owner's release of interest.

(6) The department shall issue a new certificate of title to the registered owner when the department receives the release of interest and required fees as provided in subsection (5)(a) of this section.

(7) A secured party is liable for one hundred dollars payable to the registered owner or person acquiring the vehicle from the registered owner when:

(a) The secured party fails to either assign the certificate of title to the registered owner or to the person acquiring the vehicle from the registered owner or apply for a new certificate of title within ten days after proper demand; and

(b) The failure of the secured party to act as described in (a) of this subsection results in a loss to the registered owner or person acquiring the vehicle from the registered owner.

Sec. 46. RCW 46.16A.320 and 2010 c 161 s 425 are each amended to read as follows:

(1) A vehicle owner may operate an unregistered vehicle on public highways under the authority of a trip permit issued by this state. For purposes of trip permits, a vehicle is considered unregistered if:

(a) The vehicle owner would be required to register the vehicle in this state;

(b) Not registered when registration is required under this chapter;

(iii) The license tabs have expired; or

(iv) The current gross weight license is insufficient for the load being carried. The licensed gross weight may not exceed eighty thousand pounds for a combination of vehicles or forty thousand pounds for a single unit vehicle with three or more axles.
(b) Trip permits are required to move mobile homes or park model trailers and may only be issued if property taxes are paid in full.

(2) Trip permits may not be:

(a) Issued to vehicles registered under RCW 46.16A.455(5) in lieu of further registration within the same registration year; or

(b) Used for commercial motor vehicles owned by a motor carrier subject to RCW 46.32.080 if the motor carrier's department of transportation number has been placed out of service by the Washington state patrol. A violation of or a failure to comply with this subsection is a gross misdemeanor, subject to a minimum monetary penalty of two thousand five hundred dollars for the first violation and five thousand dollars for each subsequent violation.

(3)(a) Each trip permit authorizes the operation of a single vehicle at the maximum legal weight limit for the vehicle for a period of three consecutive days beginning with the day of first use. No more than three trip permits may be used for any one vehicle in any thirty consecutive day period. No more than two trip permits may be used for any one recreational vehicle, as defined in RCW 43.22.335, in a one-year period. Every trip permit must:

(i) Identify the vehicle for which it is issued;

(ii) Be completed in its entirety;

(iii) Be signed by the operator before operation of the vehicle on the public highways of this state;

(iv) Not be altered or corrected. Altering or correcting data on the trip permit invalidates the trip permit; and

(v) Be displayed on the vehicle for which it is issued as required by the department.

(b) Vehicles operating under the authority of trip permits are subject to all laws, rules, and regulations affecting the operation of similar vehicles in this state.

(4) Prorate operators operating commercial vehicles on trip permits in Washington shall retain the customer copy of each permit for four years.

(5) Trip permits may be obtained from field offices of the department of transportation, department of licensing, county auditors or other agents, and subagents appointed by the department for the fee provided in RCW 43.22.335, in a one-year period. Every trip permit must:

(i) Identify the vehicle for which it is issued;

(ii) Be completed in its entirety;

(iii) Be signed by the operator before operation of the vehicle on the public highways of this state;

(iv) Not be altered or corrected. Altering or correcting data on the trip permit invalidates the trip permit; and

(v) Be displayed on the vehicle for which it is issued as required by the department.

MESSAGE FROM THE SENATE

March 8, 2012

Mr. Speaker:

The Senate has passed ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2536 with the following amendment:

Strike everything after the enacting clause and insert the following:

NEW SECTION. Sec. 1. (1) The legislature intends that prevention and intervention services delivered to children and juveniles in the areas of mental health, child welfare, and juvenile justice be primarily evidence-based and research-based, and it is anticipated that such services will be provided in a manner that is culturally competent.

(2) The legislature also acknowledges that baseline information is not presently available regarding the extent to which evidence-based and research-based practices are presently available and in use in the areas of children's mental health, child welfare, and juvenile justice; the cost of those practices; and the most effective strategies and appropriate time frames for expecting their broader use. Thus, it would be wise to establish baseline data regarding the use and availability of evidence-based and research-based practices.

(3) It is the intent of the legislature that increased use of evidence-based and research-based practices be accomplished to the extent possible within existing resources by coordinating the purchase of evidence-based services, the development of a trained workforce, and the development of unified and coordinated case plans to provide treatment in a coordinated and consistent manner.

(4) The legislature recognizes that in order to effectively provide evidence-based and research-based practices, contractors should have a workforce trained in these programs, and outcomes from the use of these practices should be monitored.

NEW SECTION. Sec. 2. For the purposes of this chapter:

(1) "Contractors" does not include county probation staff that provide evidence-based or research-based programs.

(2) "Prevention and intervention services" means services and programs for children and youth and their families that are specifically directed to address behaviors that have resulted or may result in truancy, abuse or neglect, out-of-home placements, chemical dependency, substance abuse, sexual aggressiveness, or mental or emotional disorders.

NEW SECTION. Sec. 3. The department of social and health services shall accomplish the following in consultation and collaboration with the Washington state institute for public policy, the evidence-based practice institute at the University of Washington, a university-based child welfare partnership and research entity, other national experts in the delivery of evidence-based services, and organizations representing Washington practitioners:

(1) By September 30, 2012, the Washington state institute for public policy, the University of Washington evidence-based practice institute, in consultation with the department shall publish descriptive definitions of evidence-based, research-based, and promising practices in the areas of child welfare, juvenile rehabilitation, and children's mental health services.

(a) In addition to descriptive definitions, the Washington state institute for public policy and the University of Washington evidence-based practice institute must prepare an inventory of evidence-based, research-based, and promising practices for prevention and intervention services that will be used for the purpose of completing the baseline assessment described in subsection (2) of this section. The inventory shall be periodically updated as more practices are identified.

(b) In identifying evidence-based and research-based services, the Washington state institute for public policy and the University of Washington evidence-based practice institute must:

(i) Consider any available systemic evidence-based assessment of a program's efficacy and cost-effectiveness; and
(ii) Attempt to identify assessments that use valid and reliable evidence.

(c) Using state, federal, or private funds, the department shall prioritize the assessment of promising practices identified in (a) of this subsection with the goal of increasing the number of such practices that meet the standards for evidence-based and research-based practices.

(2) By June 30, 2013, the department and the health care authority shall complete a baseline assessment of utilization of evidence-based and research-based practices in the areas of child welfare, juvenile rehabilitation, and children’s mental health services. The assessment must include prevention and intervention services provided through medicaid fee-for-service and healthy options managed care contracts. The assessment shall include estimates of:

(a) The number of children receiving each service;

(b) For juvenile rehabilitation and child welfare services, the total amount of state and federal funds expended on the service;

(c) For children's mental health services, the number and percentage of encounters using these services that are provided to children served by regional support networks and children receiving mental health services through medicaid fee-for-service or healthy options;

(d) The relative availability of the service in the various regions of the state; and

(e) To the extent possible, the unmet need for each service.

(3)(a) By December 30, 2013, the department and the health care authority shall report to the governor and to the appropriate fiscal and policy committees of the legislature on recommended strategies, timelines, and costs for increasing the use of evidence-based and research-based practices. The report must distinguish between a reallocation of existing funding to support the recommended strategies and new funding needed to increase the use of the practices.

(b) The department shall provide updated recommendations to the governor and the legislature by December 30, 2014, and by December 30, 2015.

(4)(a) The report required under subsection (3) of this section must include recommendations for the reallocation of resources for evidence-based and research-based practices and substantial increases above the baseline assessment of the use of evidence-based and research-based practices for the 2015-2017 and the 2017-2019 biennia. The recommendations for increases shall be consistent with subsection (2) of this section.

(b) If the department or health care authority anticipates that it will not meet its recommended levels for an upcoming biennium as set forth in its report, it must report to the legislature by November 1st of the year preceding the biennium. The report shall include:

(i) The identified impediments to meeting the recommended levels;

(ii) The current and anticipated performance level; and

(iii) Strategies that will be undertaken to improve performance.

(5) Recommendations made pursuant to subsection (3) and (4) of this section must include strategies to identify programs that are effective with ethnically diverse clients and to consult with tribal governments, experts within ethnically diverse communities, and community organizations that serve diverse communities.

NEW SECTION. Sec. 4. The department of social and health services, in consultation with a university-based evidence-based practice institute entity in Washington, the Washington partnership council on juvenile justice, the child mental health systems of care planning committee, the children, youth, and family advisory committee, the Washington state racial disproportionality advisory committee, a university-based child welfare research entity in Washington state, regional support networks, the Washington association of juvenile court administrators, and the Washington state institute for public policy, shall:

(1) Develop strategies to use unified and coordinated case plans for children, youth, and their families who are or are likely to be involved in multiple systems within the department;

(2) Use monitoring and quality control procedures designed to measure fidelity with evidence-based and research-based prevention and treatment programs; and

(3) Utilize any existing data reporting and system of quality management processes at the state and local level for monitoring the quality control and fidelity of the implementation of evidence-based and research-based practices.

NEW SECTION. Sec. 5. (1) The department of social and health services and the health care authority shall identify components of evidence-based practices for which federal matching funds might be claimed and seek such matching funds to support implementation of evidence-based practices.

(2) The department shall efficiently use funds to coordinate training in evidence-based and research-based practices across the programs areas of juvenile justice, children’s mental health, and child welfare.

(3) Any child welfare training related to implementation of this chapter must be delivered by the University of Washington school of social work in coordination with the University of Washington evidence-based practices institute.

(4) Nothing in this act requires the department or the health care authority to:

(a) Take actions that are in conflict with presidential executive order 13175 or that adversely impact tribal-state consultation protocols or contractual relations; or

(b) Redirect funds in a manner that:

(i) Conflicts with the requirements of the department's section 1915(b) medicaid mental health waiver; or

(ii) Would substantially reduce federal medicaid funding for mental health services or impair access to appropriate and effective services for a substantial number of medicaid clients; or

(c) Undertake actions that, in the context of a lawsuit against the state, are inconsistent with the department's obligations or authority pursuant to a court order or agreement.

NEW SECTION. Sec. 6. Sections 1 through 5 of this act constitute a new chapter in Title 43 RCW.

On page 1, line 2 of the title, after "juveniles;" strike the remainder of the title and insert "and adding a new chapter to Title 43 RCW."

and the same is herewith transmitted.

ENGROSSED SECOND SUBSTITUTE HOUSE BILL NO. 2536, as amended by the Senate, having received the necessary constitutional majority, was declared passed.

MESSAGE FROM THE SENATE
March 8, 2012

Mr. Speaker:

The Senate has passed HOUSE BILL NO. 2803 with the following amendment:

Strike everything after the enacting clause and insert the following:

"Sec. 1. RCW 72.10.020 and 1995 1st sp.s. c 19 s 17 are each amended to read as follows:

(1) Upon entry into the correctional system, offenders shall receive an initial medical examination. The department shall prepare a health profile for each offender that includes at least the following information: (a) An identification of the offender’s serious medical and dental needs; (b) an evaluation of the offender's capacity for work and recreation; and (c) a financial assessment of the offender's ability to pay for all or a portion of his or her health care services from personal resources or private insurance.

(2)(a) The department may develop and implement a plan for the delivery of health care services and personal hygiene items to offenders in the department's correctional facilities, at the discretion of the secretary, and in conformity with federal law.

(b) To discourage unwarranted use of health care services caused by unnecessary visits to health care providers, offenders shall participate in the costs of their health care services by paying an amount that is commensurate with their resources as determined by the department, or a nominal amount of no less than (four) dollars per visit, as determined by the secretary. Under the authority granted in RCW 72.01.050(2), the secretary may authorize the superintendent to collect this amount directly from an offender's institution account. All copayments collected from offenders' institution accounts shall be ((deposited into the general fund)) a reduction in the expenditures for offender health care at the department.

(c) Offenders are required to make copayments for initial health care visits that are offender initiated and, by rule adopted by the department, may be charged a copayment for subsequent visits related to the medical condition which caused the initial visit. ((Offenders are not required to pay for emergency treatment or for visits initiated by health care staff or treatment of those conditions that constitute a serious health care need.))

(d) No offender may be refused any health care service because of indigence.

(e) At no time shall the withdrawal of funds for the payment of a medical service copayment result in reducing an offender's institution account to an amount less than the level of indigency as defined in chapter 72.09 RCW.

(3)((a)) The department shall report annually to the legislature the following information for the fiscal year preceding the report:

((a) The total number of health care visits made by offenders; (b) the total number of copayments assessed; ((c) the total dollar amount of copayments collected; (d) the total number of copayments not collected due to an offender's indigency; and ((e) the total number of copayments not assessed due to the serious or emergent nature of the health care treatment or because the health care visit was not offender initiated.

((b) The first report required under this section shall be submitted not later than October 1, 1996, and shall include, at a minimum, all available information collected through the second half of fiscal year 1996. This subsection (3)((b) shall expire December 1, 1996.))

(4)(a) The secretary shall adopt, by rule, a uniform policy relating to the distribution and replenishment of personal hygiene items for inmates incarcerated in all department institutions. The policy shall provide for the initial distribution of adequate personal hygiene items to inmates upon their arrival at an institution.

(b) The acquisition of replenishment personal hygiene items is the responsibility of inmates, except that indigent inmates shall not be denied adequate personal hygiene items based on their inability to pay for them.

(c) The policy shall provide that the replenishment personal hygiene items be distributed to inmates only in authorized quantities and at intervals that reflect prudent use and customary wear and consumption of the items.

(5) To the extent that federal law allows and federal financial participation is available, for the limited purpose of implementing this section, the department, or the department's designee, is authorized to act on behalf of an inmate for purposes of applying for medicaid eligibility.

(6) The following become a debt and are subject to RCW 72.09.450:

(a) All copayments under subsection (2) of this section that are not collected when the visit occurs; and

(b) All charges for replenishment personal hygiene items that are not collected when the item is distributed.

Sec. 2. RCW 72.10.030 and 1989 c 157 s 4 are each amended to read as follows:

(1) Notwithstanding any other provisions of law, the secretary may enter into contracts with health care practitioners, health care facilities, and other entities or agents as may be necessary to provide ((basic)) medical, behavioral health, and chemical dependency treatment care to inmates. The contracts shall not cause the termination of classified employees of the department rendering the services at the time the contract is executed.

(2) In contracting for services, the secretary is authorized to provide for indemnification of health care practitioners who cannot obtain professional liability insurance through reasonable effort, from liability on any action, claim, or proceeding instituted against them arising out of the good faith performance or failure of performance of services on behalf of the department. The contracts may provide that for the purposes of chapter 4.92 RCW only, those health care practitioners with whom the department has contracted shall be considered state employees.

(3) Providers of hospital services that are hospitals licensed under chapter 70.41 RCW shall contract with the department for inpatient, outpatient, and ancillary services if deemed appropriate by the department. Payments to hospitals shall conform to the following requirements:
(a) The department shall pay hospitals through the provider one system operated by the Washington state health care authority;
(b) The department shall reimburse the hospitals using the reimbursement methodology in use by the state medicaid program; and
(c) The department shall only reimburse a provider of hospital services to a hospital patient at a rate no more than the amount payable under the medicaid reimbursement structure plus a percentage increase that is determined in the operating budget, regardless of whether the hospital is located within or outside of Washington.

NEW SECTION. Sec. 3. A new section is added to chapter 70.41 RCW to read as follows:

As a condition of licensure, a hospital must contract with the department of corrections pursuant to RCW 72.10.030.

On page 1, line 4 of the title, after "offenders;" strike the remainder of the title and insert "amending RCW 72.10.020 and 72.10.030; and adding a new section to chapter 70.41 RCW."

and the same is herewith transmitted.

We really appreciate the work you do and the time you put in, and putting up with us as we quickly run up and down the stairs looking for lunch in fifteen minute gaps and things. You know without you we would have an even longer legislative day because we would have to go outside to find our food. I think that is very important, some people say “why do we need a cafeteria” well one reason is we don’t have a lot of time to run in and out, we did a rolling lunch today for instance. The food that you have provided, the variety each day, a wonderful salad bar with a variety of salads, and just your smiling faces down there always willing to help and to get us a good plate of food and a cold glass of ice tea or whatever it is, we really appreciate the time and work that you put in and on behalf of the whole house I’d just like to thank you for all of your work, and for being here with us, thank you.”

So on behalf of the House Republicans and the House in general we thank you very much for your service and everything you do for us here day in day out, and even when we go really late there is always a couple of you here to keep us company or what not to help us out, so we appreciate it, thank you very much.”

MESSAGE FROM THE SENATE
March 8, 2012

Mr. Speaker:

The Senate has passed ENGROSSED HOUSE BILL NO. 1398 with the following amendment:

Strike everything after the enacting clause and insert the following:

'Sec. 1. RCW 82.02.060 and 1990 1st ex.s. c 17 s 44 are each amended to read as follows:

The local ordinance by which impact fees are imposed:

(1) Shall include a schedule of impact fees which shall be adopted for each type of development activity that is subject to impact fees, specifying the amount of the impact fee to be imposed for each type of system improvement. The schedule shall be based upon a formula or other method of calculating such impact fees. In determining proportionate share, the formula or other method of calculating impact fees shall incorporate, among other things, the following:

(a) The cost of public facilities necessitated by new development;

(b) An adjustment to the cost of the public facilities for past or future payments made or reasonably anticipated to be made by new development to pay for particular system improvements in the form of user fees, debt service payments, taxes, or other payments earmarked for or proratable to the particular system improvement;

(c) The availability of other means of funding public facility improvements;

(d) The cost of existing public facilities improvements; and

(e) The methods by which public facilities improvements were financed;

(2) May provide an exemption for low-income housing, and other development activities with broad public purposes, from these impact fees, provided that the impact fees for such development activity shall be paid from public funds other than impact fee accounts;

(3) May provide an exemption from impact fees for low-income housing. Local governments that grant exemptions for low-income housing under this subsection (3) may either: Grant a partial exemption of not more than eighty percent of impact fees, in which case there is no explicit requirement to pay the exempted portion of the fee from public funds other than impact fee accounts; or provide a full waiver, in which case the remaining percentage of the exempted fee must be paid from public funds other than impact fee accounts.

An exemption for low-income housing granted under subsection (2) of this section or this subsection (3) must be conditioned upon requiring the developer to record a covenant that, except as provided otherwise by this subsection, prohibits using the property for any purpose other than for low-income housing. At a minimum, the covenant must address price restrictions and household income limits for the low-income housing, and that if the property is converted to a use other than for low-income housing, the property owner must pay the applicable impact fees in effect at the time of conversion. Covenants required by this subsection must be recorded with the applicable county auditor or recording officer. A local government granting an exemption under subsection (2) of this section or this subsection (3) for low-income housing may not collect revenue lost through granting an exemption by increasing impact fees unrelated to the exemption. A school district who receives school impact fees must approve any exemption under subsection (2) of this section or this subsection (3);

(4) Shall provide a credit for the value of any dedication of land
for, improvement to, or new construction of any system improvements provided by the developer, to facilities that are identified in the capital facilities plan and that are required by the county, city, or town as a condition of approving the development activity:

((i)(4)) (5) Shall allow the county, city, or town imposing the impact fees to adjust the standard impact fee at the time the fee is imposed to consider unusual circumstances in specific cases to ensure that impact fees are imposed fairly;

((i)(5)) (6) Shall include a provision for calculating the amount of the fee to be imposed on a particular development that permits consideration of studies and data submitted by the developer to adjust the amount of the fee;

((i)(6)) (7) Shall establish one or more reasonable service areas within which it shall calculate and impose impact fees for various land use categories per unit of development; and

((i)(7)) (8) May provide for the imposition of an impact fee for system improvement costs previously incurred by a county, city, or town to the extent that new growth and development will be served by the previously constructed improvements provided such fee shall not be imposed to make up for any system improvement deficiencies. For purposes of this section, "low-income housing" means housing with a monthly housing expense, that is no greater than thirty percent of eighty percent of the median family income adjusted for family size, for the county where the project is located, as reported by the United States department of housing and urban development."

On page 1, line 1 of the title, after "fees;" strike the remainder of the title and insert "and amending RCW 82.02.060."

and the same is herewith transmitted.

SECOND READING

SUBSTITUTE SENATE BILL NO. 6492, by Senate Committee on Human Services & Corrections (originally sponsored by Senators Hargrove, Stevens and Regala)

Improving timeliness, efficiency, and accountability of forensic resource utilization associated with competency to stand trial.

The bill was read the second time.

With the consent of the house, amendment (1352) was withdrawn.

Representative Pedersen moved the adoption of amendment (1355).

Strike everything after the enacting clause and insert the following:

"NEW SECTION. Sec. 1. The purpose of this act is to sustainably improve the timeliness of services related to competency to stand trial by setting performance expectations, establishing new mechanisms for accountability, and enacting reforms to ensure that forensic resources are expended in an efficient and clinically appropriate manner without diminishing the quality of competency services, and to reduce the time defendants with mental illness spend in jail awaiting evaluation and restoration of competency.

NEW SECTION. Sec. 2. A new section is added to chapter 10.77 RCW to read as follows:

(1)(a) The legislature establishes the following performance targets for the timeliness of the completion of accurate and reliable evaluations of competency to stand trial and admissions for inpatient services related to competency to proceed or stand trial for adult criminal defendants. The legislature recognizes that these targets may not be achievable in all cases without compromise to quality of evaluation services, but intends for the department to manage, allocate, and request appropriations for resources in order to meet these targets whenever possible without sacrificing the accuracy of competency evaluations, and to otherwise make sustainable improvements and track performance related to the timeliness of competency services:

(i) For a state hospital to extend an offer of admission to a defendant in pretrial custody for legally authorized services following dismissal of the defendant in pretrial custody for legally authorized treatment or competency services related to quality of evaluation services, but intends for the department to manage, allocate, and request appropriations for resources in order to meet these targets whenever possible without sacrificing the accuracy of competency evaluations, and to otherwise make sustainable improvements and track performance related to the timeliness of competency services:
(ii) For completion of a competency evaluation in jail and distribution of the evaluation report for a defendant in pretrial custody, seven days or less;

(iii) For completion of a competency evaluation in the community and distribution of the evaluation report for a defendant who is released from custody and makes a reasonable effort to cooperate with the evaluation, twenty-one days or less.

(b) The time periods measured in these performance targets shall run from the date on which the state hospital receives the court referral and charging documents, discovery, and criminal history information related to the defendant. The targets in (a)(i) and (ii) of this subsection shall be phased in over a six-month period from the effective date of this section. The target in (a)(iii) of this subsection shall be phased in over a twelve-month period from the effective date of this section.

(c) The legislature recognizes the following nonexclusive list of circumstances that may place achievement of targets for completion of competency services described in (a) of this subsection out of the department's reach in an individual case without aspersion to the efforts of the department:

(i) Despite a timely request, the department has not received necessary medical clearance information regarding the current medical status of a defendant in pretrial custody for the purposes of admission to a state hospital;

(ii) The individual circumstances of the defendant make accurate completion of an evaluation of competency to proceed or stand trial dependent upon review of medical history information which is in the custody of a third party and cannot be immediately obtained by the department. Completion of a competency evaluation shall not be postponed for procurement of medical history information which is merely supplementary to the competency determination;

(iii) Completion of the referral is frustrated by lack of availability or participation by counsel, jail or court personnel, interpreters, or the defendant; or

(iv) An unusual spike in the receipt of evaluation referrals or in the number of defendants requiring restoration services has occurred, causing temporary delays until the unexpected excess demand for competency services can be resolved.

(2) The department shall:

(a) Develop, document, and implement procedures to monitor the clinical status of defendants admitted to a state hospital for competency services that allow the state hospital to accomplish early discharge for defendants whom clinical objectives have been achieved or may be achieved before expiration of the commitment period;

(b) Investigate the extent to which patients admitted to a state hospital under this chapter overstay time periods authorized by law and take reasonable steps to limit the time of commitment to authorized periods; and

(c) Establish written standards for the productivity of forensic evaluators and utilize these standards to internally review the performance of forensic evaluators.

(3) Following any quarter in which a state hospital has failed to meet one or more of the performance targets in subsection (1) of this section after full implementation of the performance target, the department shall report to the executive and the legislature the extent of this deviation and describe any corrective action being taken to improve performance. This report must be made publicly available. An average may be used to determine timeliness under this subsection.

(4) Beginning December 1, 2013, the department shall report annually to the legislature and the executive on the timeliness of services related to competency to proceed or stand trial and the timeliness with which court referrals accompanied by charging documents, discovery, and criminal history information are provided to the department relative to the signature date of the court order. The report must be in a form that is accessible to the public and that breaks down performance by county.

(5) This section does not create any new entitlement or cause of action related to the timeliness of competency evaluations or admission for inpatient services related to competency to proceed or stand trial, nor can it form the basis for contempt sanctions under chapter 7.21 RCW or a motion to dismiss criminal charges.

Sec. 3. RCW 10.77.060 and 2004 c 9 s 1 are each amended to read as follows:

(1)(a) Whenever a defendant has pleaded not guilty by reason of insanity, or there is reason to doubt his or her competency, the court upon its own motion or on the motion of any party shall either appoint or request the secretary to designate ((at least two)) a qualified expert((s)) or professional person((s)), ((one of whom)) who shall be approved by the prosecuting attorney, to ((examine)) evaluate and report upon the mental condition of the defendant.

(b) The signed order of the court shall serve as authority for the ((expert)) evaluator to be given access to all records held by any mental health, medical, educational, or correctional facility that relate to the present or past mental, emotional, or physical condition of the defendant. ((At least one of the experts or professional persons appointed shall be a developmental disabilities professional)) If the court is advised by any party that the defendant may ((be developmentally disabled)) have a developmental disability, the evaluation must be performed by a developmental disabilities professional. ((Upon agreement of the parties, the court may designate one expert or professional person to conduct the examination and report on the mental condition of the defendant. For purposes of the examination, the court may order))

(c) The evaluator shall assess the defendant in a jail, detention facility, in the community, or in court to determine whether a period of inpatient commitment will be necessary to complete an accurate evaluation. If inpatient commitment is needed, the signed order of the court shall serve as authority for the evaluator to request the jail or detention facility to transport the defendant ((committed)) to a hospital or ((other suitable)) secure ((public or private)) mental health facility for a period of ((time necessary to complete the examination last)) commitment not to exceed fifteen days from the time of admission to the facility. Otherwise, the evaluator shall complete the evaluation.

(d) The court may commit the defendant for evaluation to a hospital or secure mental health facility without an assessment if the defendant is charged with murder in the first or second degree or if the court finds that it is more likely than not that an evaluation in the jail will be inadequate to complete an accurate evaluation. The court shall not order an initial inpatient evaluation for any purpose other than a competency evaluation. ((If the defendant is being held in jail or other detention facility, upon agreement of the parties, the court may direct that the examination be conducted at the jail or other detention facility.

(e)) (c) The order shall indicate whether, in the event the defendant is committed to a hospital or secure mental health facility for evaluation, all parties agree to waive the presence of the defendant to or to the defendant's remote participation at a subsequent competency hearing or presentation of an agreed order if the recommendation of the evaluator is for continuation of the stay of criminal proceedings, or if the opinion of the evaluator is that the defendant remains incompetent and there is no remaining restoration period, and the hearing is held prior to the expiration of the authorized commitment period.

(f) When a defendant is ordered to be committed for inpatient ((examination)) evaluation under this subsection (1), the court may delay granting bail until the defendant has been evaluated for competency or sanity and appears before the court. Following the evaluation, in determining bail the court shall consider: (i) Recommendations of the ((expert or professional person)) evaluator
regarding the defendant's competency, sanity, or diminished capacity; (ii) whether the defendant has a recent history of one or more violent acts; (iii) whether the defendant has previously been acquitted by reason of insanity or found incompetent; (iv) whether it is reasonably likely the defendant will fail to appear for a future court hearing; and (v) whether the defendant is a threat to public safety.

(2) The court may direct that a qualified expert or professional person retained by or appointed for the defendant be permitted to witness the (evaluation) evaluation authorized by subsection (1) of this section, and that the defendant shall have access to all information obtained by the court appointed experts or professional persons. The defendant's expert or professional person shall have the right to file his or her own report following the guidelines of subsection (3) of this section. If the defendant is indigent, the court shall upon the request of the defendant assist him or her in obtaining an expert or professional person.

(3) The report of the (evaluation) evaluation shall include the following:
(a) A description of the nature of the (evaluation) evaluation;
(b) A diagnosis or description of the current mental (condition) status of the defendant;
(c) If the defendant suffers from a mental disease or defect, or (is developmentally disabled) if developmentally disabled, an opinion as to competency;
(d) If the defendant has indicated his or her intention to rely on the defense of insanity pursuant to RCW 10.77.030, and an evaluation and report by an expert or professional person has been provided concluding that the defendant was criminally insane at the time of the alleged offense, an opinion as to the defendant's sanity at the time of the act, and an opinion as to whether the defendant presents a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions, provided that no opinion shall be rendered under this subsection (3)(d) unless the evaluator or court determines that the defendant is competent to stand trial;
(e) When directed by the court, if an evaluation and report by an expert or professional person has been provided concluding that the defendant lacked the capacity at the time of the offense to form the mental state necessary to commit the charged offense, an opinion as to the capacity of the defendant to have a particular state of mind which is an element of the offense charged;

(f) An opinion as to whether the defendant should be evaluated by a (county) designated mental health professional under chapter 71.05 RCW; and an opinion as to whether the defendant is a substantial danger to other persons, or presents a substantial likelihood of committing criminal acts jeopardizing public safety or security, unless kept under further control by the court or other persons or institutions).

(4) The secretary may execute such agreements as appropriate and necessary to implement this section and may choose to designate more than one evaluator.

Sec. 4. RCW 10.77.065 and 2008 c 213 s 1 are each amended to read as follows:

(1)(a)(i) The (facility) expert conducting the evaluation shall provide (his) his or her report and recommendation to the court in which the criminal proceeding is pending. For a competency evaluation of a defendant who is released from custody, if the evaluation cannot be completed within twenty-one days due to a lack of cooperation by the defendant, the evaluator shall notify the court that he or she is unable to complete the evaluation because of such lack of cooperation.

(ii) A copy of the report and recommendation shall be provided to the designated mental health professional, the prosecuting attorney, the defense attorney, and the professional person at the local correctional facility where the defendant is being held, or if there is no professional person, to the person designated under (a)(iii)(iv) of this subsection. Upon request, the (facility) evaluator shall also provide copies of any source documents relevant to the evaluation to the designated mental health professional. (The report and recommendation shall be provided not less than twenty-four hours preceding the transfer of the defendant to the correctional facility in the county in which the criminal proceeding is pending.

(iii) (iii) Any facility providing inpatient services related to competency shall discharge the defendant as soon as the facility determines that the defendant is competent to stand trial. Discharge shall not be postponed during the writing and distribution of the evaluation report. Distribution of an evaluation report by a facility providing inpatient services shall ordinarily be accomplished within two working days or less following the final evaluation of the defendant. If the defendant is discharged to the custody of a local correctional facility, the local correctional facility must continue the medication regimen prescribed by the facility, when clinically appropriate, unless the defendant refuses to cooperate with medication.

(iv) (iv) If there is no professional person at the local correctional facility, the local correctional facility shall designate a professional person as defined in RCW 71.05.020 or, in cooperation with the regional support network, a professional person at the regional support network to receive the report and recommendation.

(v) (v) Upon commencement of a defendant's evaluation in the local correctional facility, the local correctional facility must notify the evaluator (or the facility conducting the evaluation) of the name of the professional person, or person designated under (a)(ii) of this subsection, to receive the report and recommendation.

(b) If the (facility) evaluator concludes, under RCW 10.77.060(3)(f), the person should be (kept under further control, an evaluation shall be conducted of such person) evaluated by a designated mental health professional under chapter 71.05 RCW, the court shall order (an) such evaluation be conducted (by the appropriate designated mental health professional). (ii) prior to release from confinement (for such person who is convicted, if sentenced to confinement for twenty-four months or less; (ii) for any person who is acquitted; (iii) for any person. (A) Whose charges are dismissed pursuant to RCW 10.77.086(4); or (B) whose felony charges are dismissed) when the person is acquitted or convicted and sentenced to confinement for twenty-four months or less, or when charges are dismissed pursuant to a finding of incompetent to stand trial.

(2) The designated mental health professional shall provide written notification within twenty-four hours of the results of the determination whether to commence proceedings under chapter 71.05 RCW. The notification shall be provided to the persons identified in subsection (1)(a) of this section.

(3) The prosecuting attorney shall provide a copy of the results of any proceedings commenced by the designated mental health professional under subsection (2) of this section to the (facility conducting the evaluation under this chapter) secretary.

(4) The fact of admission and all information and records compiled, obtained, or maintained in the course of providing services under this chapter may also be disclosed to the courts solely to prevent the entry of any evaluation or treatment order that is inconsistent with any order entered under chapter 71.05 RCW.

Sec. 5. RCW 10.77.084 and 2007 c 375 s 3 are each amended to read as follows:

(1)(a) If at any time during the pendency of an action and prior to judgment the court finds, following a report as provided in RCW 10.77.060, a defendant is incompetent, the court shall order the proceedings against the defendant be stayed except as provided in subsection (4) of this section.
(b) (A defendant found incompetent shall be evaluated at the
direction of the secretary and a determination made whether the
defendant is an individual with a developmental disability. Such
evaluation and determination shall be accomplished as soon as
possible following the court's placement of the defendant in the
custody of the secretary.

(i) When appropriate, and subject to available funds, if the
defendant is determined to be an individual with a developmental
disability, he or she may be placed in a program specifically reserved
for the treatment and training of persons with developmental
disabilities where the defendant shall have the right to habilitation
according to an individualized service plan specifically developed for
the particular needs of the defendant. A copy of the evaluation shall
be sent to the program.

(A) The program shall be separate from programs serving persons
involved in any other treatment or habilitation program.

(B) The program shall be appropriately secure under the
circumstances and shall be administered by developmental disabilities
professionals who shall direct the habilitation efforts.

(C) The program shall provide an environment affording security
appropriate with the charged criminal behavior and necessary to
protect the public safety,

(ii) The department may limit admissions of such persons to this
specialized program in order to ensure that expenditures for services
do not exceed amounts appropriated by the legislature and allocated
by the department for such services.

(iii) The department may establish admission priorities in the
event that the number of eligible persons exceeds the limits set by the
department.

(c)) At the end of the mental health treatment and restoration
period, if any, or at any time a professional person determines
competency has been, or is unlikely to be, restored, the defendant
shall be returned to court for a hearing. The parties may agree to
waive the defendant's presence or to remote participation by the
defendant at a hearing or presentation of an agreed order if the
recommendation of the evaluator is for the continuation of the stay of
criminal proceedings, or if the opinion of the evaluator is that the
defendant remains incompetent and there is no remaining restoration
period, and the hearing is held prior to expiration of the defendant's
authorized period of commitment, in which case the department shall
promptly notify the court and parties of the date of the defendant's
admission and expiration of commitment so that a timely hearing date
may be scheduled. If, after notice and hearing, competency has been
restored, the stay entered under (a) of this subsection shall be lifted. If
competency has not been restored, the proceedings shall be dismissed
without prejudice. If the court concludes that competency has not
been restored, but that further treatment within the time limits
established by RCW 10.77.086 or 10.77.088 is likely to restore
competency, the court may order that treatment for purposes of
competency restoration be continued. Such treatment may not extend
beyond the combination of time provided for in RCW 10.77.086 or
10.77.088.

((4)(d)) (c) If at any time during the proceeding the court finds,
following notice and hearing, a defendant is not likely to regain
competency, the proceedings shall be dismissed without prejudice and
the defendant shall be evaluated for civil commitment proceedings.

(2) If the defendant is referred (for the love) for evaluation by a
designated mental health professional (for consideration of initial
detention proceedings under chapter 71.05 RCW, pursuant to) under
this chapter, the designated mental health professional shall provide
prompt written notification of the results of the ((determination
whether to commence initial detention proceedings under chapter
71.05 RCW)) evaluation and whether the person was detained. The
notification shall be provided to the court in which the criminal action
was pending, the prosecutor, the defense attorney in the criminal
action, and the facility that evaluated the defendant for competency.

(3) The fact that the defendant is unfit to proceed does not
preclude any pretrial proceedings which do not require the personal
 participación of the defendant.

(4) A defendant receiving medication for either physical or
mental problems shall not be prohibited from standing trial, if the
medication either enables the defendant to understand the proceedings
against him or her and to assist in his or her own defense, or does not
disable him or her from so understanding and assisting in his or her
own defense.

(5) At or before the conclusion of any commitment period
provided for by this section, the facility providing evaluation and
treatment shall provide to the court a written report of ((examination))
evaluation which meets the requirements of RCW 10.77.060(3). For
defendants charged with a felony, the report following the second
competency restoration period or first competency restoration period
if the defendant's incompetence is determined to be solely due to a
developmental disability or the evaluator concludes that the defendant
is not likely to regain competency must include an assessment of the
defendant's future dangerousness which is evidence-based regarding
predictive validity.

Sec. 6. RCW 10.77.086 and 2007 c 375 s 4 are each amended to read as follows:

(1)(a) If the defendant is charged with a felony and determined to
be incompetent, until he or she has regained the competency
necessary to understand the proceedings against him or her and assist
in his or her own defense, or has been determined unlikely to regain
competency pursuant to RCW 10.77.084(1)(e)), but in any event
for a period of no longer than ninety days, the court:

((e))) (i) Shall commit the defendant to the custody of the
secretary who shall place such defendant in an appropriate facility of
the department for evaluation and treatment; or

((e))) (ii) May alternatively order the defendant to undergo
evaluation and treatment at some other facility as determined by the
department, or under the guidance and control of a professional
person.

(b) For a defendant whose highest charge is a class C felony, or a
class B felony that is not classified as violent under RCW 9.94A.030,
the maximum time allowed for the initial period of commitment for
competency restoration is forty-five days.

(2) On or before expiration of the initial (ninety-day) period of
commitment under subsection (1) of this section the court shall
conduct a hearing, at which it shall determine whether or not the
defendant is incompetent.

(3) If the court finds by a preponderance of the evidence that a
defendant charged with a felony is incompetent, the court shall have
the option of extending the order of commitment or alternative

In the event that the court or jury makes such a finding, the court may extend the period of commitment for up to an additional six months.

A copy of the evaluation must be sent to the program.

PART II
HUMAN SERVICES

Sec. 201. 2011 2nd sp.s. c 9 s 201 (uncodified) is amended to read as follows:
FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES

(1) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. Appropriations made in this act to the department of social and health services shall initially be allotted as required by this act. Subsequent allotment modifications shall not
include transfers of moneys between sections of this act except as expressly provided in this act, nor shall allotment modifications permit moneys that are provided solely for a specified purpose to be used for other than that purpose.

(2) The department of social and health services shall not initiate any services that require expenditure of state general fund moneys unless expressly authorized in this act or other law. The department may seek, receive, and spend, under RCW 43.79.260 through 43.79.282, federal moneys not anticipated in this act as long as the federal funding does not require expenditure of state moneys for the program in excess of amounts anticipated in this act. If the department receives unanticipated unrestricted federal moneys, those moneys shall be spent for services authorized in this act or in any other legislation providing appropriation authority, and an equal amount of appropriated state general fund moneys shall lapse. Upon the lapping of any moneys under this subsection, the office of financial management shall notify the legislative fiscal committees. As used in this subsection, "unrestricted federal moneys" includes block grants and other funds that federal law does not require to be spent on specifically defined projects or matched on a formula basis by state funds.

(3)(a) The health care authority and the department are authorized to develop an integrated health care program designed to slow the progression of illness and disability and better manage medicaid expenditures for the aged and disabled population. Under (((this)) the Washington medicaid integration partnership (WMIP) and the medicaid integrated care project (MICP), the health care authority and the department may combine and transfer such medicaid funds appropriated under sections 204, 206, 208, and 213 of this act as may be necessary to finance a unified health care plan for the WMIP and the MICP program enrollment. The WMIP pilot projects shall not exceed a daily enrollment of 6,000 persons, nor expand beyond one county during the 2011-2013 fiscal biennium. The amount of funding assigned from each program may not exceed the average per capita cost assumed in this act for individuals covered by that program, actuarially adjusted for the health condition of persons enrolled, times the number of clients enrolled. In implementing the WMIP and the MICP, the health care authority and the department may: (((this))) (i) Withhold from calculations of "available resources" as set forth in RCW 71.24.025 a sum equal to the capitated rate for enrolled individuals; and (((this))) (ii) employ capitation financing and risk-sharing arrangements in collaboration with health care service contractors licensed by the office of the insurance commissioner and qualified to participate in both the medicaid and medicaid programs.

The health care authority and the department shall conduct an evaluation of the WMIP((a)) by October 15, 2012, and of the MICP((b)) measuring changes in participant health outcomes, changes in patterns of service utilization, participant satisfaction, participant access to services, and the state fiscal impact.

(b) Effective January 1, 2013, if Washington has been selected to participate in phase two of the federal demonstration project for persons dually-eligible for both medicare and medicaid, the department and the authority may initiate the MICP. Participation in the project shall be limited to persons who are eligible for both medicare and medicaid and to counties in which the county legislative authority has agreed to the terms and conditions under which it will operate. The purpose of the project shall be to demonstrate and evaluate ways to improve care while reducing state expenditures for persons enrolled both in medicare and medicaid. To that end, prior to initiating the project, the department and the authority shall assure that state expenditures shall be no greater on either a per person or total basis than the state would otherwise incur.

(4) The legislature finds that medicaid payment rates, as calculated by the department pursuant to the appropriations in this act, bear a reasonable relationship to the costs incurred by efficiently and economically operated facilities for providing quality services and will be sufficient to enlist enough providers so that care and services are available to the extent that such care and services are available to the general population in the geographic area. The legislature finds that cost reports, payment data from the federal government, historical utilization, economic data, and clinical input constitute reliable data upon which to determine the payment rates.

(5) The department shall to the maximum extent practicable use the same system for delivery of spoken-language interpreter services for social services appointments as the one established for medical appointments in section 213 of this act. When contracting directly with an individual to deliver spoken language interpreter services, the department shall only contract with language access providers who are working at a location in the state and who are state-certified or state-authorized, except that when such a provider is not available, the department may use a language access provider who meets other certifications or standards deemed to meet state standards, including interpreters in other states.

(6)(a) The appropriations to the department of social and health services in this act shall be expended for the programs and in the amounts specified in this act. However, after May 1, 2012, unless specifically prohibited by this act, the department may transfer general fund--state appropriations for fiscal year 2012 among programs after approval by the director of financial management. However, the department shall not transfer state moneys that are provided solely for a specified purpose except as expressly provided in (b) of this subsection.

(b) To the extent that transfers under (a) of this subsection are insufficient to fund actual expenditures in excess of fiscal year 2012 caseload forecasts and utilization assumptions in the long-term care, foster care, adoptions support, medicaid personal care, and child support programs, the department may transfer state moneys that are provided solely for a specified purpose. The department shall not transfer funds, and the director of financial management shall not approve the transfer, unless the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. The director of financial management shall notify the appropriate fiscal committees of the senate and house of representatives in writing seven days prior to approving any allotment modifications or transfers.

(5) $3,123,000 of the general fund—state appropriation for fiscal year 2012 and $3,123,000 of the general fund—state appropriation for fiscal year 2013 are provided solely for grants to county juvenile courts for the following programs identified by the Washington state institute for public policy (institute) in its October 2006 report: “Evidence-Based Public Policy Options to Reduce Future Prison Construction, Criminal Justice Costs and Crime Rates”: Functional family therapy, multi-systemic therapy, aggression replacement training and interagency coordination programs, or other programs with a positive benefit-cost finding in the institute's report. The administration may concentrate delivery of these treatments and therapies at a limited number of programs to deliver the treatments in a cost-effective manner.

(7)(a) The juvenile rehabilitation administration shall administer a block grant, rather than categorical funding, of consolidated juvenile service funds, community juvenile accountability act grants, the chemical dependency disposition alternative funds, the mental health disposition alternative, and the sentencing disposition alternative for the purpose of serving youth adjudicated in the juvenile justice system. In making the block grant, the juvenile rehabilitation administration shall follow the following formula and will prioritize evidence-based programs and disposition alternatives and take into account juvenile courts program-eligible youth in conjunction with the number of youth served in each approved evidence-based program or disposition alternative: (i) Thirty-seven and one-half percent for the at-risk population of youth ten to seventeen years old; (ii) fifteen percent for moderate and high-risk youth; (iii) twenty-five percent for evidence-based program participation; (iv) seventeen and one-half percent for the chemical dependency disposition alternative; (v) three percent for the mental health and sentencing dispositional alternatives. Funding for the special sex offender disposition alternative (SSODA) shall not be included in the block grant, but allocated on the average daily population in juvenile courts. Funding for the evidence-based expansion grants shall be excluded from the block grant formula. Funds may be used for promising practices when approved by the juvenile rehabilitation administration and juvenile courts, through the community juvenile accountability act committee, based on the criteria established in consultation with Washington state institute for public policy and the juvenile courts.

(b) The juvenile rehabilitation administration shall phase the implementation of the formula provided in subsection (1) of this section by including a stop-loss formula of five percent in fiscal year 2012 and five percent in fiscal year 2013.

(c) The juvenile rehabilitation administration and the juvenile courts shall establish a block grant funding formula oversight committee with equal representation from the juvenile rehabilitation administration and the juvenile courts. The purpose of this committee is to assess the ongoing implementation of the block grant funding formula, utilizing data-driven decision making and the most current available information. The committee will be cochairs by the juvenile rehabilitation administration and the juvenile courts, who will also have the ability to change members of the committee as needed to achieve its purpose. Initial members will include one juvenile court representative from the finance committee, the community juvenile accountability act committee, the risk assessment quality assurance committee, the executive board of the Washington association of juvenile court administrators, the Washington state center for court research, and a representative of the superior court judges association; two representatives from the juvenile rehabilitation administration headquarters program oversight staff, two representatives of the juvenile rehabilitation administration regional office staff, one representative of the juvenile rehabilitation administration fiscal staff and a juvenile rehabilitation administration division director. The committee may make changes to the formula categories other than the evidence-based program and disposition alternative categories if it is determined the changes will increase statewide service delivery or effectiveness of evidence-based program or disposition alternative resulting in increased cost benefit savings to the state. Long-term cost benefit must be considered. Percentage changes may occur in the evidence-based program or disposition alternative categories of the formula should it be determined the changes will increase evidence-based program or disposition alternative delivery and increase the cost benefit to the state. These outcomes will also be considered in determining when evidence-
based expansion or special sex offender disposition alternative funds
should be included in the block grant or left separate.

(d) The juvenile courts and administrative office of the courts
shall be responsible for collecting and distributing information and
providing access to the data systems to the juvenile rehabilitation
administration and the Washington state institute for public policy
related to program and outcome data. The juvenile rehabilitation
administration and the juvenile courts will work collaboratively
to develop program outcomes that reinforce the greatest cost benefit
to the state in the implementation of evidence-based practices and
disposition alternatives.

(8) The juvenile courts and administrative office of the courts
shall collect and distribute information related to program outcome
and provide access to these data systems to the juvenile rehabilitation
administration and Washington state institute for public policy.
Consistent with chapter 13.50 RCW, all confidentiality agreements
necessary to implement this information-sharing shall be approved
within 30 days of the effective date of this section. The agreements
between administrative office of the courts, the juvenile courts, and
the juvenile rehabilitation administration shall be executed to ensure
that the juvenile rehabilitation administration receives the data that the
juvenile rehabilitation administration identifies as needed to comply
with this subsection. This includes, but is not limited to, information
by program at the statewide aggregate level, individual court level,
and individual client level for the purpose of the juvenile rehabilitation
administration providing quality assurance and oversight for the locally committed youth block grant and associated
funds and at times as specified by the juvenile rehabilitation
administration as necessary to carry out these functions. The data
shall be provided in a manner that reflects the collaborative work the
juvenile rehabilitation administration and juvenile courts have
developed regarding program outcomes that reinforce the greatest
cost benefit to the state in the implementation of evidence-based
practices and disposition alternatives.

(9) The Washington association of juvenile court administrators and
the juvenile rehabilitation administration, in consultation with the
community juvenile accountability act advisory committee and the
Washington state institute for public policy, shall analyze and review
data elements available from the administrative office of the courts
for possible integration into the evidence-based program quality
assurance plans and processes. The administrative office of the
courts, the Washington association of juvenile court administrators,
and the juvenile rehabilitation administration shall provide information
necessary to complete the review and analysis. The
Washington association of juvenile court administrators and the
juvenile rehabilitation administration shall report the findings of their
review and analysis, as well as any recommendations, to the
legislature by December 1, 2012.

The appropriations in this subsection are subject to the following
conditions and limitations:

(a) $109,342,000 of the general fund–state appropriation for fiscal year 2012 and $109,341,000 of the general fund–state
appropriation for fiscal year 2013 are provided solely for persons and
services not covered by the medicaid program. This is a reduction of
$4,348,000 each fiscal year from the nonmedicaid funding that was
allocated for expenditure by regional support networks during fiscal
year 2011 prior to supplemental budget reductions. This $4,348,000
reduction shall be distributed among regional support networks
proportional to each network's share of the total state population.

(b) $6,590,000 of the general fund–state appropriation for fiscal
year 2012, $6,590,000 of the general fund–state appropriation for fiscal
year 2013, and $7,620,000 of the general fund–federal
appropriation are provided solely for the department and regional
support networks to continue to contract for implementation of high
intensity programs for assertive community treatment (PACT) teams.

(c) $5,850,000 of the general fund–state appropriation for fiscal
year 2012, $5,850,000 of the general fund–state appropriation for fiscal
year 2013, and $1,300,000 of the general fund–federal
appropriation are provided solely for the western Washington
regional support networks to provide either community- or hospital
campus-based services for persons who require the level of care
previously provided by the program for adaptive living skills (PALS)
at western state hospital.

(d) The number of nonforensic beds allocated for use by regional
support networks at eastern state hospital shall be 192 per day. The
number of nonforensic beds allocated for use by regional support
networks at western state hospital shall be 557 per day through June
2012, $32 per day from July 2012 through September 2012, and $497
per day from October 2012 through the remainder of fiscal year 2013.

(e) From the general fund–state appropriations in this subsection,
the secretary of social and health services shall assure that regional
support networks reimburse the aging and disability services
administration for the general fund–state cost of medicaid personal
care services that enrolled regional support network consumers use
because of their psychiatric disability.

(f) $4,582,000 of the general fund–state appropriation for fiscal
year 2012 and $4,582,000 of the general fund–state appropriation for fiscal
year 2013 are provided solely for mental health services for
mentally ill offenders while confined in a county or city jail and for
facilitating access to programs that offer mental health services upon
release from confinement. Beginning in fiscal year 2013, the
department shall report regional outcome data on individuals in jail
who are referred for regional support network services. By December
1, 2012, the department shall provide a report to the relevant fiscal
and policy committees of the legislature on the number of individuals referred to the program who had an evaluation for regional support network services either during incarceration or within 30 and 60 days of release from jail; and the number who were made newly eligible or reinstated to eligibility for medical assistance services either during incarceration or within 30 and 60 days of release from jail. In addition, the report shall identify how many of the individuals who were determined to be eligible for regional support network services received additional outpatient services within 30 and 60 days of release from incarceration.

(g) The department is authorized to continue to contract directly, rather than through contracts with regional support networks, for children's long-term inpatient facility services.

(h) $750,000 of the general fund--state appropriation for fiscal year 2012 and $750,000 of the general fund--state appropriation for fiscal year 2013 are provided solely to continue performance-based incentive contracts to provide appropriate community support services for individuals with severe mental illness who were discharged from the state hospitals as part of the expanding community services initiative. These funds will be used to enhance community residential and support services provided by regional support networks through other state and federal funding.

(i) $1,125,000 of the general fund--state appropriation for fiscal year 2012 and $1,125,000 of the general fund--state appropriation for fiscal year 2013 are provided solely for the Spokane regional support network to implement services to reduce utilization and the census at eastern state hospital. Such services shall include:

At least annually, the Spokane regional support network shall assess the effectiveness of these services in reducing utilization at eastern state hospital, identify services that are not optimally effective, and modify those services to improve their effectiveness.

(j) $1,529,000 of the general fund--state appropriation for fiscal year 2012 and $1,529,000 of the general fund--state appropriation for fiscal year 2013 are provided solely to reimburse Pierce and Spokane counties for the cost of conducting 180-day commitment hearings at the state psychiatric hospitals.

(k) Regional support networks may use local funds to earn additional federal medicaid match, provided the locally matched rate does not exceed the upper-bound of their federally allowable rate range, and provided that the enhanced funding is used only to provide medicaid state plan or waiver services to medicaid clients.

Additionally, regional support networks may use a portion of the state funds allocated in accordance with (a) of this subsection to earn additional medicaid match, but only to the extent that the application of such funds to medicaid services does not diminish the level of crisis and commitment, community inpatient, residential care, and outpatient services presently available to persons not eligible for medicaid.

(l) Given the recent approval of federal medicaid matching funds for the disability lifeline and the alcohol and drug abuse treatment support act programs, the department shall charge regional support networks for only the state share rather than the total cost of community psychiatric hospitalization for persons enrolled in those programs.

(m) $750,000 of the general fund--state appropriation for fiscal year 2012, $750,000 of the general fund--state appropriation for fiscal year 2013, and $1,500,000 of the general fund--federal appropriation are provided solely to adjust regional support network capitation rates to account for the per diem rates actually paid for psychiatric care provided at hospitals participating in the certified public expenditure program operated pursuant to section 213 of this act.

(n) The appropriations in this section reflect efficiencies to be achieved through voluntary consolidation of regional support networks in accordance with House Bill No. 2139 (regional support networks). Voluntary consolidation of regional support networks is expected to result in administrative efficiencies and maximize dollars available for direct services to individuals with mental illnesses without corresponding increases in state appropriations.

Sec. 205. 2011 2nd sp.s. c 9 s 205 (uncodified) is amended to read as follows:

FOR THE DEPARTMENT OF SOCIAL AND HEALTH SERVICES--DEVELOPMENTAL DISABILITIES PROGRAM

(1) COMMUNITY SERVICES

General Fund--State Appropriation (FY 2012) $418,815,000

General Fund--State Appropriation (FY 2013) ($422,854,000)

General Fund--Federal Appropriation ($743,532,000)

General Fund--Private/Local Appropriation ($134,000)

TOTAL APPROPRIATION ($1,585,385,000)

$1,573,038,000

The appropriations in this subsection are subject to the following conditions and limitations:

(a) Individuals receiving services as supplemental security income (SSI) state supplemental payments shall not become eligible for medical assistance under RCW 74.09.510 due solely to the receipt of SSI state supplemental payments.

(b) Amounts appropriated in this subsection reflect a reduction to funds appropriated for in-home care. The department shall reduce the number of in-home hours authorized. The reduction shall be scaled based on the acuity level of care recipients. The largest hour reductions shall be to lower acuity patients and the smallest hour reductions shall be to higher acuity patients.

(c) Amounts appropriated in this subsection are sufficient to develop and implement the use of a consistent, statewide outcome-based vendor contract for employment and day services by July 1, 2012. The rates paid to vendors under this contract shall also be made consistent. In its description of activities the agency shall include activity listings and dollars appropriated for: Employment services, day services, child development services and county administration of services to the developmentally disabled. The department shall begin reporting to the office of financial management on these activities beginning in fiscal year 2010.

(d) $944,000 of the general fund--state appropriation for fiscal year 2012, $944,000 of the general fund--state appropriation for fiscal year 2013, and $1,888,000 of the general fund--federal appropriation are provided solely for state contributions for individual provider health care benefits. Pursuant to the collective bargaining agreement negotiated with the exclusive bargaining representative of individual providers established under RCW 74.39A.270, the state shall contribute to the mulitemployer health benefits trust fund ($1,496) $2.21 per paid hour worked by individual providers.
The department shall provide the legislature with a report by December 5, 2012, on the feasibility of converting the medicaid personal care services to a nonwaiver and noninstitutionalized service. The report shall include an analysis of the cost savings and the demonstration of how the new service delivery model will achieve the objective of this plan, which is to ensure that adults with developmental disabilities receive adequate, consistent, and cost-effective services. The proposal shall be submitted to the 2012 legislature for consideration and shall be constructed such that a client ultimately receives employment services or community access services. Clients may not participate in more than one of these services at any given time.

The department shall work with counties and stakeholders to strengthen and expand the existing community access program. The program must emphasize support for the client so they are able to participate in activities that integrate them into their community and support independent living and skills.

The appropriation in this subsection includes funding to provide employment or community access services to 168 medicaid eligible young adults with developmental disabilities living with their families who need employment opportunities and assistance after high school graduation.

(h) $75,000 of the general fund--state appropriation for fiscal year 2012 and $75,000 of the general fund--state appropriation for fiscal year 2013 are provided solely for the restoration of direct support to local organizations that utilize parent-to-parent networks and communication to promote access and quality of care for individuals with developmental disabilities and their families.

(i) In accordance with Engrossed Substitute House Bill No. 1277 (licensed settings for vulnerable adults), adult family home license fees are increased in fiscal years 2012 and 2013 to support the costs of conducting licensure, inspection, and regulatory programs.

(j) Clients with developmental disabilities have demonstrated a need and a desire for a day services program as verified by over 900 clients currently accessing day programs through a long-term care service model. In addition, every individual, to include those with a developmental disability, should have the opportunity for meaningful employment which allows them to contribute to their communities and to become as self-sufficient as possible. Providing choice empowers recipients of publicly funded services and their families by expanding their degree of control over the services and supports they need.

The department shall work with legislators and stakeholders to develop a new approach to employment and day services. The objective of this plan is to ensure that adults with developmental disabilities have optimum choices, and that employment and day offerings are comprehensive enough to meet the needs of all clients currently served on a home and community based waiver. The proposal shall be submitted to the 2012 legislature for consideration and shall be constructed such that a client ultimately receives employment, community access, or the community day option but not more than one service at a time. The proposal shall include options for program efficiencies within the current employment and day structure and shall provide details on the plan to implement a consistent, statewide outcome-based vendor contract for employment and day services as specified in (c) of this subsection.

(b) The department shall do a comparative analysis of the facility-based payment rates calculated on July 1, (2011) 2012, using the payment methodology defined in (Engrossed Substitute Senate Bill No. 5581 (nursing home payments)) chapter 74.46 RCW and as funded in the omnibus appropriations act, excluding the comparative add-on, acute add-on, and safety net reimbursement, to the facility-based payment rates in effect June 30, 2010. If the facility-based payment rate calculated on July 1, (2011) 2012, is smaller than the facility-based payment rate on June 30, 2010, then the difference shall be provided to the individual nursing facilities as an add-on payment per medicaid resident day.

(c) During the comparative analysis performed in subsection (b) of this section, if it is found that the direct care rate for any facility calculated using the payment methodology defined in Engrossed Substitute Senate Bill No. 5581 (nursing home payments) is greater than the direct care rate in effect on June 30, 2010, then the facility shall receive a ten percent direct care rate add-on to compensate that facility for taking on more acute clients than they have in the past.})

(b) The direct care rate add-on defined in RCW 74.46.431 to compensate facilities for taking on more acute clients than they have in the past is frozen at the March 1, 2012, payment levels.

((c)) (d) If the waiver requested from the federal centers for medicare and medicaid services in relation to the safety net assessment created by Engrossed Substitute Senate Bill No. 5581 (nursing home payments) is for any reason not approved and implemented, (subsections (b), (c), and (d)) (a), (b), and (c) of this subsection do not apply.

(2) After examining actual nursing facility cost information, the legislature finds that the medicare nursing facility rates calculated pursuant to Engrossed Substitute Senate Bill No. 5581 (nursing home payments) provide sufficient reimbursement to efficiently and economically operating nursing facilities and bear a reasonable relationship to costs.

(3) In accordance with chapter 74.46 RCW, the department shall issue no additional certificates of capital authorization for fiscal year 2012 and no new certificates of capital authorization for fiscal year 2013 and shall grant no rate add-ons to payment rates for capital improvements not requiring a certificate of need and a certificate of capital authorization for fiscal years 2012 and 2013.

(4) The long-term care program may develop and pay enhanced rates for exceptional care to nursing homes for persons with traumatic brain injuries who are transitioning from hospital care. The cost per patient day for caring for these clients in a nursing home setting may be equal to or less than the cost of caring for these clients in a hospital setting.

(5) Amounts appropriated in this section reflect a reduction to funds appropriated for in-home care. The department shall reduce the number of in-home hours authorized. The reduction shall be scaled based on the acuity level of care recipients. The largest hour reductions shall be to lower acuity patients and the smallest hour reductions shall be to higher acuity patients.

(6) $1,883,000,000 of the general fund—state appropriation for fiscal year 2012, $1,883,000,000 of the general fund—state appropriation for fiscal year 2013, and $3,766,000 of the general fund—federal appropriation are provided solely for state contributions for individual provider health care benefits. The department shall calculate and distribute payments for health care benefits to home care agencies at $558 per month for each worker who cares for publicly funded clients at 86 hours or more per month. In order to negotiate the most comprehensive health benefits package for its employees, each agency may determine benefit levels according to the hours an employee works providing state-funded personal care. Health benefits shall be offered to all employees who care for publicly funded clients for 86 hours per month or more. At a minimum, employees who care for publicly funded clients at 140 hours a month or greater must receive a comprehensive medical benefit. Benefits shall not be provided to employees who care for publicly funded clients at 85 hours or less per month or as interim respite workers. The department shall not pay an agency for benefits provided to an employee who otherwise receives health care coverage through other family members, other employment-based coverage, or military or veteran's coverage. The department shall require annually, each home care agency to review each of its employee's available health coverage and to provide a written declaration to the department verifying that health benefits purchased with public funds are solely for employees that do not have other available coverage. Home care agencies may determine a reasonable employee co-premium not to exceed 20 percent of the total benefit cost.

(8) $2,063,000 of the general fund—state appropriation for fiscal year 2012, $2,195,000 of the general fund—state appropriation for fiscal year 2013, and $4,260,000 of the general fund—federal appropriation are provided solely for the state's contribution to the training partnership, as provided in RCW 74.39A.360, for instructional costs associated with the training of individual providers. (House Bill No. 1548 and Senate Bill No. 5473 (long-term care worker requirements) make statutory changes to the increased training requirements and therefore the state shall contribute to the partnership $0.17 per paid hour worked by all home care workers. This amount is pursuant to the collective bargaining agreement negotiated with the exclusive bargaining representative of individual providers established under RCW 74.39A.270.) Contributions are funded at $0.17 per benefit-eligible paid hour worked by all home care workers and are sufficient to provide training as required by Initiative Measure No. 1163. Expenditures for the purposes specified in this subsection shall not exceed the amounts provided in this subsection.

(8) $338,550,000 of the general fund—state appropriation for fiscal year 2013 and $338,550,000 of the general fund—federal
appropriation are provided solely for the department to provide personal care services to waiver and nonwaiver in-home clients. The department shall provide the legislature with a report by December 5, 2012, on the feasibility of converting the Medicaid personal care program for in-home adults to a Medicaid program as found in section 1915(i) of the federal Social Security Act that utilizes the option for self-direction of individualized budgets. The department shall operate the personal care program within the amounts specifically provided.

These funds shall be used to serve individuals whose treatment needs constitute substantial barriers to community placement, who no longer require active psychiatric treatment at an inpatient hospital level of care, and who no longer meet the criteria for inpatient involuntary commitment. The department shall prioritize services in order to reduce utilization and maintain a reduction of 60 beds at western state hospital that were previously used for long-term placements for clients with dementia, traumatic brain injuries, or other organic brain disorders. The department shall ensure that a sufficient number of individuals have been transitioned and diverted from western state hospital to enable closure of a 30 bed ward on July 1, 2012, and of another 30 bed ward on October 1, 2012. Coordination of these services must be done in partnership between the mental health program and the aging and disability services administration.

(12) $1,840,000 of the general fund--state appropriation for fiscal year 2012, $359 per bed beginning in fiscal year 2012 and $250 per bed beginning in fiscal year 2013, and $420 per bed for fiscal year 2014 to support the costs of conducting licensure, inspection, and regulatory programs.

Adult family homes shall receive a corresponding vendor rate increase per Medicaid patient day of $0.22 in fiscal year 2012 and $0.59 in fiscal year 2013 to cover the license fee increase for publicly funded beds.

(c) Beginning in fiscal year 2012, a processing fee of $2,750 shall be charged to each adult family home when the home is initially licensed. This fee is nonrefundable.

(d) $72,000 of the general fund--state appropriation for fiscal year 2012, $708,000 of the general fund--private/local appropriation and $708,000 of the general fund--federal appropriation are provided solely to implement sections 501 through 503 of Engrossed Substitute House Bill No. 1277 (licensed settings for vulnerable adults). The department shall use additional investigative resources to address complaints about provider practices as well as alleged abuse, neglect, abandonment, and exploitation of residents in adult family homes. The department shall develop a statewide internal quality review and accountability program to improve the accountability of staff and the consistent application of investigative activities, and shall convene a quality assurance panel to review problems in the quality of care in adult family homes.

Within the amounts provided (for the WorkFirst program) in this subsection, the department may provide assistance using state-only funds for families eligible for temporary assistance for needy families.

(2)(a) $16,500,000 of the general fund--state appropriation for fiscal year 2012, $16,500,000 of the general fund--state appropriation for fiscal year 2013, and $137,340,000 of the general fund--federal appropriation are provided solely for WorkFirst job search, education and training activities, barrier removal services, and tribal assistance under RCW 74.08A.040. The department shall only expend an amount equal to the forecasted over-expenditure. For purposes of this subsection, the temporary assistance forecast shall be completed every quarter and follow a similar schedule of the caseload forecast council forecasts.

(b) If sufficient savings in subsection (1) of this section are achieved, the department of early learning shall increase the number of child care slots available for the working connections child care program.

The appropriations in this section are subject to the following conditions and limitations:

- The appropriations to the authority in this act shall be expended for the purposes and in the amounts specified in this act. To the extent that appropriations in this section are insufficient to fund actual expenditures in excess of caseload forecasts and utilization assumptions, the authority, after May 1, 2012, may transfer general fund—state appropriations for fiscal year 2012 that are provided solely for a specified purpose. The authority shall not transfer funds, and the director of financial management shall not approve the transfer, unless the transfer is consistent with the objective of conserving, to the maximum extent possible, the expenditure of state funds. The director of financial management shall notify the appropriate fiscal committees of the senate and house of representatives in writing seven days prior to approving any allotment modifications or transfers under this subsection. The written notification shall include a narrative explanation and justification of the changes, along with expenditures and allotments by budget unit and appropriation, both before and after any allotment modifications or transfers.

- Within amounts appropriated in this section and sections 205 and 206 of this act, the health care authority shall continue to provide an enhanced basic health plan subsidy for foster parents licensed under chapter 74.15 RCW and workers in state-funded home care programs. Under this enhanced subsidy option, foster parents eligible to participate in the basic health plan as subsidized enrollees and home care workers with family incomes below 200 percent of the federal poverty level shall be allowed to enroll in the basic health plan at the minimum premium amount charged to enrollees with incomes below sixty-five percent of the federal poverty level.

It is the intent of the legislature to improve the administration, transparency, and equity in delivering a K-12 employees' health benefits system. In addition, the legislature intends that any cost savings that result from changes to K-12 health benefits be dedicated to public schools.

To further this legislative intent, the state health care authority shall develop a plan to implement a consolidated health benefits' system for K-12 employees for the 2013-14 school year. The health care authority shall deliver a report to the legislature by December 15, 2011, that sets forth the implementation plan to the ways and means committees of the house of representatives and the senate.

- The report prepared by the health care authority shall compare and contrast the costs and benefits, both long and short term, of:
  - (i) The current K-12 health benefits system;
  - (ii) A new K-12 employee benefits pool; and
  - (iii) Enrolling K-12 employees into the health benefits pool for state employees.

- In addition to the implementation plan, the report shall include the following information:
  - (i) The costs and benefits of the current K-12 health benefits system;
  - (ii) The costs and benefits of providing a new statewide K-12 employees' health benefits pool to school districts and school employees;
  - (iii) The costs and benefits of enrolling K-12 employees into the existing health benefits pool for state employees;
  - (iv) Recommendations of ways to limit administrative duplication and costs, improve transparency to employees, the legislature, and the public and assure equity among beneficiaries of publicly provided employee health benefits;
  - (v) Recommendations for standardizing benefit packages and purchasing efforts in a manner that seeks to maximize funding and equity for all school employees;
  - (vi) Recommendations regarding the use of incentives, including how changes to state health benefit allocations could provide employees with benefits that would encourage participation;
  - (vii) Recommendations regarding the implementation of a new K-12 employee benefit plan, with separate options for voluntary participation and mandatory statewide participation;
((vi)) Recommendations regarding methods to reduce inequities between individual and family coverage;

((vii)) Consolidation of the purchasing and budget accountability for school employee benefits to maximize administrative efficiency and leverage existing skills and resources; and

((viii)) Other details the health care authority deems necessary, including but not limited to recommendations on the following:

(A) Approaches for implementing the transition to a statewide pool, including administrative and statutory changes necessary to ensure a successful transition, and whether the pool should be separate from, or combined with, the public employees' benefits pool;

(B) The structure of a permanent governing group to provide ongoing oversight to the consolidated pool, in a manner similar to the public employees benefits board functions for employee health benefits, including statutory duties and authorities of the board; and

(C) Options for including potential changes to: Eligibility standardization, the public employees benefits risk pools, the movement of school employee retirees into the new K-12 pool or pools, and the movement of educational service district employees into the new K-12 pools.

(d) In determining its costs and benefits of a new statewide K-12 employees' health benefits pool for school districts and school employees, the health care authority shall assume the following:

(i) School district enrollees must constitute an entire bargaining unit, or an entire group of nonrepresented employees;

(ii) Staffing and administration for benefits purchasing shall be provided by the health care authority; and

(iii) The new K-12 pool would operate on a schedule that coordinates with the financing and enrollment schedule used for school districts.

The appropriation in this section is provided solely for distribution of state forest land revenues to taxing authorities that received such revenue from fiscal year 2002 through fiscal year 2011 and is subject to the following conditions and limitations:

(1) Within fifteen days of the effective date of this section, the department shall transmit funds in the amounts specified in subsection (3) of this section to the county treasurers of the counties receiving the funds.

(2) The county treasurers of the counties listed in this section shall distribute funds received from this appropriation to taxing authorities in proportion to the state forest transfer land funds distributed to the taxing authorities based on information available for the fiscal years 2002 through 2011. Funds to be credited to the state of Washington within thirty days after the effective date of this section for deposit into the state general fund.

(3) Funds shall be distributed in the following amounts:
The appropriations in this section are subject to the following conditions and limitations:

(1) The entire appropriation is provided solely for the task force and study established and directed under this section.

(2) The recent McCleary decision by the state Supreme Court found that the legislature is not meeting its paramount duty to adequately fund K-12 basic education. The court also found that recent legislative efforts to adjust the basic education definition and funding models using the prototypical school model will meet the paramount duty if implemented and fully funded in a timely manner.

The joint task force established in this section is created to help the legislature meet the requirements of the McCleary decision by recommending options for a permanent funding source.

(3)(a) The joint task force on education funding is established. The task force shall review the McCleary decision and make recommendations on how the legislature can meet the requirements outlined in that decision. In particular, the task force shall develop a proposal for a reliable and dependable revenue source to support basic education programs, including at a minimum, implementation of the programmatic enhancements required in chapter 236, Laws of 2010, including full day kindergarten; reduced K-3 class size; increased allocations for maintenance, supplies, and operating costs; and a new pupil transportation formula. The task force shall also coordinate with the work of the quality education council in developing a timeline and financing plan for full implementation of the career and college ready graduation requirements and the increased instructional hours requirement contained in chapter 548, Laws of 2009. The task force shall submit a final report to the legislature by December 15, 2012.

(b) The joint task force on education funding shall consist of twenty-one members:

(i) Twelve legislators, with three members from each of the two largest caucuses of the senate appointed by the president of the senate and three members from each of the two largest caucuses of the house of representatives appointed by the speaker of the house of representatives;

(ii) A representative of the governor's office or the office of financial management, designated by the governor;

(iii) The superintendent of public instruction or the superintendent's designee;

(iv) The director of the department of early learning or the director's designee;

(v) The executive director of the higher education coordinating committee or its successor agency or the executive director's designee;

(vi) The executive director of the state board of education or the executive director's designee; and

(vii) Four individuals, to be appointed by the governor, two that have significant experience with Washington education finance issues, including the use and application of the current basic education formulas and early learning program funding and one each to represent the business and labor communities. Each of the two largest caucuses of the house of representatives and the senate may submit names to the governor for consideration.

(viii) The task force shall be cochaired by one member from the house of representatives and one member from the senate. If the house of representatives and senate members cannot agree on their respective cochair, the governor shall appoint the cochairs.

(d) The task force may recommend multiple options, but shall recommend one preferred alternative, including an outline of necessary implementing legislation. Should the task force recommend an option to implement the McCleary decision with no
new revenues, the task force must identify what areas already in the
budget would be eliminated or reduced. The task force shall also
consider how investments in basic education and quality early
learning for at-risk students, if sustained, may lead to savings to the
state in other areas of government service, and how such savings over
time may be incorporated as one part of a long-term financing plan
for basic education.
(e) The task force shall be staffed by the house of representatives
office of program research and senate office of committee services,
with assistance from the legislative evaluation and accountability
program committee, the office of the superintendent of public
instruction, the department of early learning, the office of financial
management, and the Washington state institute for public policy.
(4)(a) The recommendations should provide maximum
transparency of the state's educational funding system in order to
better help parents, citizens, and educational personnel in Washington
understand how the education system is funded.
(b) The funding structure options should be linked to
accountability for student outcomes, performance, and preparedness
for the subsequent educational level.

Sec. 918. RCW 43.88.110 and 2009 c 518 s 3 are each amended to read as follows:

This section sets forth the expenditure programs and the allotment and reserve procedures to be followed by the executive branch for public funds.

(1) Allotments of an appropriation for any fiscal period shall conform to the terms, limits, or conditions of the appropriation.

(2) The director of financial management shall provide all agencies with a complete set of operating and capital instructions for preparing a statement of proposed expenditures at least thirty days before the beginning of a fiscal period. The set of instructions need not include specific appropriation amounts for the agency.

(3) Within forty-five days after the beginning of the fiscal period or within forty-five days after the governor signs the omnibus biennial appropriations act, whichever is later, all agencies shall submit to the governor a statement of proposed expenditures at such times and in such form as may be required by the governor.

(4) The office of financial management shall develop a method for monitoring capital appropriations and expenditures that will capture at least the following elements:

(a) Appropriations made for capital projects including transportation projects;

(b) Estimates of total project costs including past, current, ensuing, and future biennial costs;

(c) Comparisons of actual costs to estimated costs;

(d) Comparisons of estimated construction start and completion dates with actual dates;

(e) Documentation of fund shifts between projects. This data may be incorporated into the existing accounting system or into a separate project management system, as deemed appropriate by the office of financial management.

(5) The office of financial management, prior to approving allotments for major capital construction projects valued over five million dollars, shall institute procedures for reviewing such projects at the predesign stage that will reduce long-term costs and increase facility efficiency. The procedures shall include, but not be limited to, the following elements:

(a) Evaluation of facility program requirements and consistency with long-range plans;

(b) Utilization of a system of cost, quality, and performance standards to compare major capital construction projects; and

(c) A requirement to incorporate value-engineering analysis and constructability review into the project schedule.

(6) No expenditure may be incurred or obligation entered into for such major capital construction projects including, without exception, land acquisition, site development, predesign, design, construction, and equipment acquisition and installation, until the allotment of the funds to be expended has been approved by the office of financial management. This limitation does not prohibit the continuation of expenditures and obligations into the succeeding biennium for projects for which allotments have been approved in the immediate prior biennium.

(7)(a) Beginning January 1, 2013, if at any time during the fiscal period the governor projects a cash deficit in a particular fund or account as defined by RCW 43.88.050, the governor shall make across-the-board reductions in allotments for that particular fund or account so as to prevent a cash deficit, unless the legislature has directed the liquidation of the cash deficit over one or more fiscal periods.

(b) From the effective date of this section until January 1, 2013, if at any time during the fiscal period the governor projects a cash deficit in a particular fund or account as defined by RCW 43.88.050, then as set forth in (b)(i) of this subsection the governor shall make across-the-board reductions in the total amount allotted to each agency from each appropriation from that fund or account so as to prevent a cash deficit, unless the legislature has directed the liquidation of the cash deficit over one or more fiscal periods.

(ii) The percentage reduction applied to individual allotments of an agency's total allotments from each appropriation from that fund or account may vary, but each agency's total allotments from each appropriation from that fund or account must be uniformly reduced by the percentage necessary to prevent a cash deficit. Where a portion of an appropriation is provided solely for a particular purpose, allotments of that portion of the appropriation may be reduced only by the same percentage as the overall appropriation.

(iii) Allotments for the following programs may be reduced only by a percentage equal to one-half of the percentage reduction applied to total allotments of appropriations under (b)(ii) of this subsection:

(A) Direct custody in the department of corrections and the juvenile rehabilitation administration; and

(B) The special commitment center of the department of social and health services.

(iv) Basic education programs, debt service on state bonds, state contributions to retirement systems, and programs for which a defined benefit is specifically mandated in statute are exempt from across-the-board allotment reductions under this subsection (7)(b) and allotments for these purposes shall not be included when calculating the allotment reductions.

(8) Except for the legislative and judicial branches and other agencies headed by elective officials, the governor shall review the statement of proposed operating expenditures for reasonableness and conformance with legislative intent. The governor may request corrections of proposed allotments submitted by the legislative and judicial branches and agencies headed by elective officials if those proposed allotments contain significant technical errors.

(9) Once the governor approves the proposed allotments, further revisions may at the request of the office of financial management or upon the agency's initiative be made on a quarterly basis and must be accompanied by an explanation of the reasons for significant changes. If the governor initiates across-the-board allotment revisions under subsection (7)(b) of this section, the office of financial management shall provide notice to the appropriate legislative fiscal committees of the proposed revisions, including the explanation for the significant changes, and the revisions may not take effect until ten days after this notice is provided. However, changes in appropriation level authorized by the legislature, changes required by across-the-board reductions mandated by the governor, changes caused by executive increases to spending authority, and changes caused by executive decreases to spending authority for failure to comply with the applicable requirements.
provisions of chapter 36.70A RCW may require additional revisions. Revisions shall not be made retroactively. However, the governor may assign to a reserve status any portion of an agency appropriation withheld as part of across-the-board reductions made by the governor and any portion of an agency appropriation conditioned on a contingent event by the appropriations act. The governor may remove these amounts from reserve status if the across-the-board reductions are subsequently modified or if the contingent event occurs. The director of financial management shall enter approved statements of proposed expenditures into the state budgeting, accounting, and reporting system within forty-five days after receipt of the proposed statements from the agencies. If an agency or the director of financial management is unable to meet these requirements, the director of financial management shall provide a timely explanation in writing to the legislative fiscal committees.

(8) It is expressly provided that all agencies shall be required to maintain accounting records and to report thereon in the manner prescribed in this chapter and under the regulations issued pursuant to this chapter. Within ninety days of the end of the fiscal year, all agencies shall submit to the director of financial management their final adjustments to close their books for the fiscal year. Prior to submitting fiscal data, written or oral, to committees of the legislature, it is the responsibility of the agency submitting the data to reconcile it with the budget and accounting data reported by the agency to the director of financial management.

(9) The director of financial management may exempt certain public funds from the allotment controls established under this chapter if it is not practical or necessary to allot the funds. Allotment control exemptions expire at the end of the fiscal biennium for which they are granted. The director of financial management shall report any exemptions granted under this subsection to the legislative fiscal committees.
